## Rapid Deterioration For Roads, Streets, Footpaths In Dungarvan

Presenting his 1989 Urban Roadworks Scheme at the monthly meeting of Dungarvan Urban Council last Monday night, the County Engineer, Mr. John O'Flynn, stated that as a result of the adverse trend in funding for roadworks he had to advise the Council he could not provide an adequate level of service and the inevitable consequences will be a rapid deterioration in the condition of Dungarvan's roads, streets, footpaths and sign posting.

The total Road Grant allocated by the Department for the year at £65,000 showed a drop of £10,000 on the grant allocated last year, and Mr. O'Flynn urged the Council to press the Department for an increase in the grant pointing out that completion of the town centre sewers would generate a need for a comprehensive surfacing programme on the streets

concerned and this would not be possible without much increased funding. The proposals submitted by the Co. Engineer to cover the £65,000 allocation made provision for £25,000 for routine maintenance including minor repairs to footpaths: £15,000 for surface dressing at Wolfe Tone Rd., Link Rd., Shandon St. to By-Pass, Boreenatra, Lisfennel,

Thompson's Lane and Gallohill and £25,000 for road strengthening, Friar's Walk-Strandside South, Abbeyside and Strandside North to Knockateamore.

Mr. O'Flynn then informed the Council that the total allocated fell far short of the £135,000 minimum programme recommended by him last November. "Consequently", he stated, "I have had to defer many urgent and necessary works such as the resurfacing of Scanlon's Yard Car Park, strengthening Shandon Road, Fr. Twomey's Road and Park Lane."

**A GOOD REASON**  
Cllr. B. Kyne said that they should pursue the suggestion made by the Co. Engineer to seek more money for the urban roads from the Department and he proposed that the 4 Dail Deputies be asked to accompany a deputation of the Co. Manager, Town Clerk and Chairman, Cllr. Austin Hallahan to meet the Minister to make a case for an increased allocation, especially in the road strengthening grant.

The Co. Engineer said that the fact that they had a major sewerage scheme going on at the present in the town gave them a good reason to seek more funds over and above that allocated to other urbans.

The proposal was seconded by Cllr. P. Power and passed and the proposals submitted by the Co. Engineer were then also approved.

## DUNGARVAN BUS STOP TO GO BACK TO O'CONNELL STREET

The ongoing controversy concerning the unsatisfactory situation about the Bus Stop in Dungarvan was discussed again at the monthly meeting of Dungarvan Urban Council last Monday night.

Since the Bus Stop was removed from O'Connell street following complaints by members of the Council that it created traffic congestion there, it has been located at Bridge Street and latterly at Davitt's Quay in the vicinity of Arus Brugha.

Now the Council decided

that the Bus Stop should return again to O'Connell Street.

At Monday night's meeting, Cllr. Kyne said that he had recently met Mr. Frank King, Bus Eireann Manager, Waterford and discussed the position with him. He said Mr. King had told him that he had now got

premises up O'Connell Street which would accept the stop. "I know", said Cllr. Kyne, "that this will mean bringing the buses back into the town but I think the Council should consider this proposal for a trial period".

He then proposed that Mr. King's suggestion be approved on a 6 months trial basis and this was seconded by Cllr. M. O'Riordan and passed.

## COUNCIL SYMPATHY ON LIVERPOOL SOCCER DISASTER

Dungarvan Urban Council are to send a special message of sympathy to the people of Liverpool on the disaster that swept 94 of the City's soccer supporters to their death last Saturday.

The proposal was made by Cllr. B. Kyne who said that it was only right that this should be done to indicate the support of the people of Dungarvan, where there was now a strong soccer tradition and who were

facing into a major soccer final themselves next Sunday, with the people of Liverpool in the terrible tragedy which had resulted in so many deaths last Saturday.

The proposal was passed unanimously.

## TREACY 3RD IN BOSTON MARATHON

Villierstown's John Treacy continued to show good form when he finished third in the 93rd Boston Marathon on Sunday last. With a time of 2:10:23 John was 1:7 behind the winner, Ethiopian Abebe Mekonnen.

## PAUSE FOR THOUGHT WITH FR. PADDY

### LAST SUNDAY'S READINGS — VOCATIONS

In the first reading, St. Paul tells his listeners that God's message was for the peoples of all nations. It is the will of God. The second from the Apocalypse projects the same theme, and encouragingly describes a vision of the heavenly elect that is made up of people from every nation and clime. Thereby, it gives an assurance to those who faithfully listen to God's word that they will inherit eternal life, because the Blessed in heaven are those who followed and observed God's law. Remember, you will find God's full message in the limpid, living and salutary waters that flow, has flown, and will flow from the Chair of Peter.

We might here ask with the young man in the Gospel: what must we do to gain eternal life? The answer is unchanged. You must love God, and you must love your neighbour. St. Paul did say "to know God's will, someone must tell you." So, because there are so many prophets in Israel, it is necessary to receive and to hear the word from, and I stress, an un sullied source. The Pope is that source, and he has the last and the final word. The Church is not a democracy.

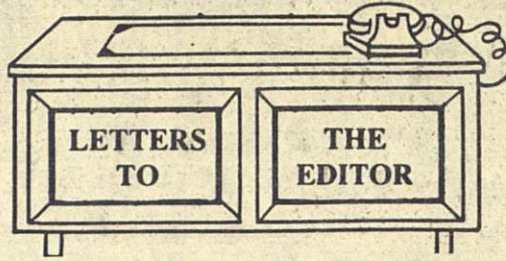

Last week I reminded you as a member of Christ's Body that you had a duty to preach by example. God expects you to be a light to those in darkness. Hence, the better you live, the more your light will shine. However, we know from the Gospels and the experience of life that the Lord's command: "Go forth and teach." involves commitment, effort and sacrifice. The Apostles left everything to follow Christ. The rich young man rejected the call. Ever since, streams of young men and women have rallied unselfishly to the invitation, and, like the Apostles, they expended their lives in feeding, caring and leading people into God's sheep-fold. Sadly, thousands and thousands of others heard and hear the call, but chose to follow the rich young man.

Yes, sacrifices are involved. There is no life without a cross. It means leaving home, family and often even country, and living a life of self-denial not to mention dangers. Urged by their love of God, they are prepared to face and to endure hardships and suffering to proclaim His message. We know how parents will endure anything to promote the welfare of their children, and, the children fully aware of the importance of future prospects, will co-operate to please and to achieve. The reason, be it tinged by pride or by greed, is love. When one is filled with love of God that one would face even death to promote His cause. Fr. Damien, the leper priest, feared the dreaded disease, but it did not deter him from pursuing God's cause among the lepers.

### THE HARVEST IS READY

The harvest is ready. The reapers are few, so there are plenty of vacancies in this field. If you were asked to help, how would you react? Nowadays, life is challenging, and people's minds are so immersed and so engrossed with expectations and prospects that they often fail to hear the Holy Spirit. Actually, unless we are interested in spiritual matters, it is difficult to hear His voice amidst all the clamour. When I talk of vocations, I include the call to all the working services in the Church. And, I am not offering an easy option to anyone. But then, what life is easy? Yet! it is well known that those who labour for Christ are never short of happiness.

You often read of great success in the missions, but you will not read of the part played by the prayers in the Convents, Monasteries etc. It is true to say that the past 50 years have witnessed successes that have out-matched all man's previous accomplishments. The spin-off has resulted in great wealth, and the opening up of new avenues and expectations. Naturally, people are so awed and influenced by the prospects that, even if they receive a call, it goes unheeded amidst the many attractions. It reminds one of the wedding feast. Sorry, I cannot come. I have bought a farm or I have married a wife. Yes, I am unable to resist the rosy opportunities. Jesus must feel sad when He sees them walk away. If He called you to serve in bringing His word to the hungry, would you seriously consider the matter? There's no immediate pay-off, but when the Lord calls the labourers to pay them their wages, no one can match His generosity.

The Editor,  
"Dungarvan Leader."

### RING GAELTACHT

A Chara,

I refer to a statement re the Ring, Co. Waterford Gaeltacht by MEP Tom Raftery recently. Mr. Raftery bemoans that Ring is not in the disadvantaged category, adding that it's the only Gaeltacht Region not included.

I know that some politicians can suffer a Pauline conversion during bouts of electionitis but remember that St. Paul checked before he preached! Further, I would ask why Mr. Raftery did not take up this matter when his colleagues were in power?

For the record, I have by way of motion at Udaras na Gaeltachta Board level asked to have Ring-Old Parish included in the severely disadvantaged category and this is accepted Udaras policy. (Ireland is already regarded as disadvantaged as a unit at E.C. level). Further, there are two Gaeltacht areas (not in Munster) not included in the severely disadvantaged category.

During my campaign to have the Waterford region categorised as severely disadvantaged I have lobbied and will continue to lobby at all levels. It's worth noting that some townlands in the Waterford Gaeltacht are already classified as severely disadvantaged — at least I can console myself that some progress has been made.

Regarding MEP's I ask them to express interest in the status of the Waterford Gaeltacht and that they will support some development plans which Udaras na Gaeltachta is forwarding

for Ring-Old Parish under the structural fund.

### CO-OPERATION NORTH

Dear Editor,

I would be grateful if you would give me space in your newspaper to tell of the work of Co-operation North. We are a non-political, non-sectarian organisation set up ten years ago by Dr. Brendan O'Regan to forge greater links in business, culture and education fields between people North and South of the Border.

We do this by means of exchange visits, a group from the Republic links with a group from Northern Ireland. They spend two days together in the North and two in the South. We organise these exchanges and give a grant to each group towards their visits. All our exchanges must be project-based and I am particularly interested in art painting groups, writers' groups, residents' associations, voluntary organisations, women's groups, choirs, music appreciation groups and debating societies who would be interested in doing an exchange with a similar group in Northern Ireland.

I look forward to hearing from you.

Yours sincerely,

**CONSTANCE

## Christmas Eve Attack On Dungarvan Garda Station

A garda witness told Dungarvan Court last week how he was in the Garda Station in Dungarvan on Christmas Eve when he heard a loud bang and all of a sudden he was covered with broken glass. He was giving evidence in a case in which Patrick Cummins, 8 Childers Estate, was charged with causing malicious damage to a glass window in the Garda Station to the amount of £124 on December 24 and also with being drunk and disorderly on the occasion.

Jack Keating stated in evidence that at about 2 a.m. on the date in question he was passing along the C.B.S. and he saw a person on the Garda Station side of the road. Witness was about 20 yards behind the person and there was no one else around. He saw the person pick up something and throw it at the window which broke. The person then went towards Childers Estate but turned back and he saw gardai come out of the Station and they caught him.

Garda T. Murphy said that they had just entered the Station when the window was broken. They went out and caught Cummins who was drunk and he admitted he was responsible.

Garda P. Galvin said he was in the Station when he heard a loud bang and all of a sudden he was covered with broken glass. "The stone (produced) barely missed my head," he said. They went out and found Cummins who was very drunk and he heard Cummins say to Garda Kelleher "will this cover it."

Garda C. Kelleher said he was just into the Station when the window was broken. He went out with Garda Galvin and found Cummins who was very abusive and muttering. They arrested him and took him into the Station. Witness said that he found £48 on Cummins who then asked him "will this cover it."

### DIDN'T DO IT

Defendant in evidence said that he was on his way home from a party that night and suddenly as he was passing the Garda Station three gardai ran out and said he had broken the window. Witness denied that he broke any window or that he said anything about paying. "I'm an alcoholic and I'm two months off the drink now. I didn't do anything that night. I was drunk but I did not do it," he said.

District Justice O'Connell said he had no hesitation in convicting Cummins.

Supt. Hayes who prosecuted then stated that this was not the defendant's first attempt at attacking the Garda Station and the last time he came he had a

hatchet.

Mr. Niall King., Solr., who defended said that Cummins was now a reformed alcoholic and it was in his favour that he had returned from England to face the charges.

The District Justice then imposed a sentence of 4 months imprisonment on the defendant.

### DANGEROUS DRIVING OF BICYCLE

Later Cummins was charged with the dangerous driving of a pedal cycle on December 29.

Sergt. M. Blake in evidence said that at 11.45 a.m. that day he saw Cummins cycling past the Garda Station with both hands in his pockets as he approached an acute bend. When he charged him with the offence later that day, the defendant replied, "you did not see me." Witness said that two other gardai also saw the defendant who was a hazard to traffic.

Convicting the defendant, District Justice O'Connell imposed a fine of £10.

## £41,000 For Local Improvements Scheme For County

A grant of £41,000 in respect of Local Improvements Scheme works has been allocated by the Department of the Environment to Waterford Co. Council for the year 1989.

In a report on the matter submitted to members of the Council at the April monthly meeting in Dungarvan, the County Secretary, Mr. B. J. McNally, stated that the grant could be spent on repairs to eligible non public farm roads in the designated disadvantaged areas in the county.

During the course of a brief discussion, the County Secretary said that the last allocation under the heading was made to the Council in 1981 for an amount of £14,000.

Cllr. J. A. Walsh remarked that the allocation for 1989 "was a move forward."

## CONNA COMMUNITY IS THE VERY BEST

The national winner of the Irish Farmers Journal/Bank of Ireland Community Award for 1988 is Conna Community near Fermoy.

The Award and first prize of £5,000 was presented by the President, Dr. Patrick Hillery, at a reception in Bank of Ireland Head Office on Tuesday, April 11.

Conna Community was selected by the judges from approximately 300 entries. What distinguished

Conna for the judges was the fact that the community has been active in improving its environs continuously over the last 50 years. The establishment of the Community Council in 1973 sustained this effort to the present day with a remarkable range of new achievements. They have been improving social and sporting facilities; attracting industry to the area and developing the community environs.

Recently, community care programmes for senior citizens and youth have been successfully established. A particularly novel and valuable development was the setting-up of an auxiliary fire fighting service. Conna can be proud of its achievements over the years.

### RUNNERS-UP

Joint runners-up prizes of £2,500 each were awarded to Drum Community Sports and Social Centre in Roscommon,

and the Aghaboe and Ballacolla Communities, Co. Laois.

In all seven Regional finalists — each of which has already received a £1,000 prize and trophy — were considered for the National Awards. A prize fund of £17,000 in total has been awarded to acknowledge and encourage communities for their endeavours in pursuing projects which promoted good community spirit and effort.

We have a good reason for asking. You see, in Munster consumption per person of Flora — which is made from pure sunflower oil, and is high in polyunsaturates and low in cholesterol — is only half that of the rest of Ireland.

Yet worldwide medical opinion today strongly recommends that we all try to eat less of what they call saturated fats as part of a healthy lifestyle. And more polyunsaturated fats, like Flora, to lower the risk of heart disease.

So, when you put Flora's sunflower goodness on the table it shows just how much you care. The question now is, do we have enough Flora to keep Munster supplied?

FLORA. BECAUSE YOU CARE FOR YOUR FAMILY.

# RECENT DEATHS

## LATE NORA FLYNN

On Monday, March 27, Nora Flynn, Cushgrange, Grange, passed to her eternal reward at St. Joseph's Hospital, Dungarvan. She had been ill for some time. A quiet, inoffensive person, Nora was of the farming stock and had reached the fulness of years. A deeply religious person, she personified all that was good and her life was a shining example to all.

The hospital mortuary was thronged on Tuesday, March 28, to hear Very Rev. D. Canon O'Connor, P.P., recite prayers and conduct a short funeral service, after which the remains were brought to Grange Church where they were received and blessed by Rev. Fr. Reide, C.C.

The Requiem Mass on Wednesday at 10.30 a.m. was celebrated by Very Rev. Canon O'Connor, P.P., for the happy repose of Nora's soul and in the presence of large numbers, Nora was laid to rest in the family burial ground.

We offer our condolences to Molly (sister) and Nora's relatives and friends on their sad loss.

## MRS. BRIDGET (BRIDIE) BYRNE

It is our sad duty to chronicle the death of a member of one of Dungarvan's oldest and best known families in the person of Mrs. Bridie Byrne, 3 Fitzgerald's Terrace, Dungarvan, which occurred on Saturday, April 8 at St. Joseph's Hospital, Dungarvan. She had reached her 90th year and had been ill for some time.

A lady who enjoyed the printed word, she proved herself to be an excellent wife to her late husband James, a devoted mother and a valued and loved grandmother and great-grandmother.

A deeply religious woman, she was also a great neighbour and her Christian like virtues and values ensured that she was highly esteemed among all sections of the community.

She will be sadly missed by all, but more especially by her sorrowing family to whom we extend deep and sincere sympathy on their great loss.

## MRS. MARY CLARKE DAWSON (nee Meehan)

The death occurred at a Wallingford Hospital on March 29 of Mrs. Mary Clarke Dawson (formerly of Kilminion, Dungarvan) following a short duration of illness. She was a member of the Meehan family who hailed originally from Kilminion, but like many of her age, Mary had to emigrate in quest of employment back forty years ago.

She trained as a nurse and most of her working life was spent tending to the infirm, both physically and mentally in Wallingford Hospital. She was a most charitable and caring person and a "born nurse."

Sincere sympathy is extended to her husband, family and relatives on their sad loss.

Her remains arrived on Tuesday, April 4 at Cork Airport and were later transferred to St. Laurence's Church, Ballinroad. Very Rev. M. Canon Farrell, P.P., assisted by Rev. P. Ahearne, C.C., blessed and received them.

## MRS. ESTHER McGRATH

It is with deep regret we record the death of Mrs. Esther McGrath, Dromroe East, Cappoquin, which occurred at an early age, at her home on Wednesday, March 29, following a long illness.

She was a member of the well-known Butler family of Kilmacthomas and up to her illness she was deeply involved in the ICA and the Country Markets. She was also at home at the local community social gatherings and took a keen interest in all sporting activities.

A member of the Pioneers, she was proud to receive her silver pin. Possessed of a most likeable personality, she was a quiet and unassuming person and because of her many Christian virtues and values she won the warm respect of all.

The chief mourners were her husband Danny, sons Danny, John and Albert, daughter Ann, brother Tom, sisters Pat, Margaret, Mary, Nollaig, Kathleen, sisters-in-law, brothers-in-law, nephews, nieces and many relatives.

## MISS BRIGID (BEE) FOLEY

We record with sincere regret the death of Miss Brigid (Bee) Foley, Shandon, Dungarvan, which took place at Ardkeen Hospital on Tuesday, March 28, following a short illness. She was 79.

Bee was a member of the Apostolic Society and she did quite a lot of work for the Missions in her own quiet way. Her vestments are worn by priests world wide and she made cloths

for the Foreign Missions as well. Since her retirement from farming some 20 years ago, she carried out a lot of work for the Missions and she went on several pilgrimages to Lourdes and the holy land as well as other holy places.

She had been living on her own since the death of her sister May, four years ago. She had a great sense of humour and always kept abreast of modern trends.

She was a member of the Stroke Club and was a life-long member of the Children of Mary and she was a great supporter of the First Fridays.

She loved gardening and loved all animals. She was greatly admired for her dedication to her father who was ill for many years. She corresponded regularly with priests and nuns in the Foreign Missions.

She was extremely popular with all who came to know her and her passing has been the cause of much sorrow especially to her family, to whom we extend deep sympathy.

Her remains were removed from Dungarvan Hospital on Wednesday evening to St. Mary's Parish Church where they were received by Rev. J. Griffin, C.C., assisted by Fr. Hooper, O.S.A., Fr. Hickey, O.S.A., Rev. W. Carey, C.C. and Very Rev. J. Sullivan.

(Funeral arrangements were by Tom Drohan, Dungarvan.)

## MR. BARTHOLOMEW (BATTIE) HEALY

It was with sadness on Thursday night, April 13 that the people of the area heard of the death of Mr. Battie Healy, St. Thomas's

Terrace, Dungarvan. He was native of Clashmore and was in his mid-seventies.

The demise of Battie came as a shock to his relatives and friends as he had been up and about doing his daily chores and visiting his relatives in Clashmore up to a day or two beforehand.

For most of his life he was a member of the Defence Forces and had reached the rank of lieutenant, a position he filled with distinction during the Emergency. On his retirement from the army he took up a position with the Royal Liver Insurance Company where he won the respect of both employer and clientelle alike. Two years ago he moved to Dungarvan where he carved out his own special niche in the community.

In his younger days Battie donned the colours of Clashmore and also won selection on the divisional team St. Mocuhas in the mid-thirties. The deceased was a quiet, inoffensive man who will be missed by his brother, sisters, relatives and friends, to whom we tender our condolences.

On Friday evening his remains were brought from the Kiely Funeral Home to Clashmore Church where they were blessed and received by Rev. W. Meehan, C.C., assisted by Very Rev. Canon J. Murphy, P.P.

On Saturday the concelebrated Mass with Canon Murphy, P.P. (chief celebrant) and Fr. Meehan, C.C. (co-celebrant) was offered for the happy repose of his soul. During the Mass the musical renderings of the Parish Choir, accompanied by Mary Dee, organist, added to the solemnity of the occasion. The Liturgy of the Word was read by nephew Noel O'Connor, while Noel's children Sandra and Brian brought the Offertory gifts to the altar. Following Mass the cortege left for the old cemetery where interment took place. Fr. Meehan officiated at the graveside, assisted by Fr. Carey, C.C., Dungarvan.

Chief mourners — William, Clashmore (brother), Mrs. Nora O'Connor, Summerhill, Grange, Mrs. Mary Foley, Dublin (sisters), Noel, Jeremiah, Thomas O'Connor, Michael, Fergus, Thomas, Finbarr Foley (nephews), Mrs. David Kyne (nee Healy), Marie O'Connor, Eileen O'Connor, Ann Murray (nee O'Connor), Catherine Hooper, Elma Murphy, Mary Angela Crowley (all nee Foley), (nieces), Eileen Healy (sister-in-law), Michael O'Connor (brother-in-law) and a wide circle of relatives and friends.

(James Kiely & Sons, Dungarvan.)

## MR. JOHN CODY

John Cody, Lr. Main Street, Dungarvan, whose death took place at Dungarvan Hospital on Wednesday, April 11, was a well known and respected member of the community. John, who had been ill for some time, was employed as time-keeper in Dungarvan Leather Factory for many years where he carried out his duties in a most diligent manner. He took a keen interest in sport and was actively involved all his life in the many fund-raising projects for both church and schools. His passing has left a void that will be very difficult to fill as people of the calibre of John are indeed a rarity.

Sincere sympathy is extended to his sorrowing daughter and relatives on their sad loss.

On Thursday evening John's remains were brought from the Kiely Funeral Home to St. Mary's Parish Church where they were blessed and received by Rev. T. Rogers, C.C., assisted by Rev. J. Griffin, C.C., Rev. Fr. Hooper, O.S.A., Very Rev. Fr. Welton, O.S.A., Limerick, Rev. Fr. Martin, O.S.A., Rev. J. Gough, O.S.A., Dublin, Very Rev. D. Kelleher, O.S.A., Cork, Very Rev. J. O'Sullivan and Very Rev. Rev. M. Canon Farrell.

Following concelebrated Mass on Friday morning with Rev. W. Carey, C.C. (chief celebrant) and Fr. D. Kelleher, O.S.A., Cork (co-celebrant), his remains were interred in the family burial ground at Ballinameela cemetery. Fr. Carey, C.C., officiated at the graveside, assisted by a full choir of clergy, which included Rev. J. Griffin, C.C., Rev. J. O'Sullivan, Fr. Hooper, O.S.A., Fr. Hickey, O.S.A., Fr. Cooney, O.S.A., Fr. Gough, O.S.A., Very Rev. W. Callanan, P.P., and Rev. M. O'Byrne, C.C.

Many representatives from the local religious communities were present as a fitting tribute to the trojan work done by John on their behalf over the years. The presence of Rev. Br. Gleeson was greatly appreciated by the family as he knew and taught some of John's relations when stationed in New Ross.

Chief mourners — Kay, Hackney (daughter), Brigid, Shandon, Dungarvan (sister), David (son-in-law), Alex (who read the Lesson so beautifully), Frances, Catherine and Valerie (grandchildren), Maurice Waters, Abbeyside, (brother-in-law), Kay Cody, Dublin (sister-in-law) and a large circle of nephews, nieces (based at home and abroad), relatives and friends.

## TALLOW

### BADMINTON NOTES

The finals of the mens doubles and the ladder were played last week in the Hall.

Results: Mens Doubles final — John Pratt and John William McCarthy beat Denis Martin and Francis Martin. Ladder final — Denis Martin beat Fiona Cunningham. Michael and Fiona won the 2nd division mixed Waterford Open in Lady Lane on Wednesday night last, while John Pratt and Michael T. Cunningham were runners-up in the mens doubles 2nd division, Waterford Open.

Well done to both couples. Tallow play the semi-final of the Touraneena Cup on Monday night in the hall against Melleray. Our end of season party will be coming up shortly in the Corner House.

### WOODVIEW PARK IMPROVEMENTS

At a recent meeting of Waterford County Council, Cllr. Willie McDonnell raised a problem of rubbish dumped at the back of the housing estate near the Tallow hurling field. This, he said, was unsightly and should not be condoned.

In reply, the Acting Co. Engineer Mr. Mansfield agreed that this has been happening and the fault lies with a few residents in the estate. The Council cleaned this area before and unfortunately some refuse was dumped there again.

When Cllr. McDonnell suggested that a Council sign be erected there, this was agreed.

### COMMUNITY HALL A.G.M.

On this Thursday night, April 20, the Chairman of the Community Centre, Mr.

Tom Mulcahy will welcome what he hopes will be a big attendance for the 15th Annual General Meeting of the Hall.

A great change has taken place over the years since the Hall was purchased by the people of Tallow as a Community Centre. In the early years, Dancing on the Sunday night, Horse Fair Festival etc., were the big money spinners. Now the scene has changed to Indoor Sport, such as squash and badminton.

When the hall was first purchased it cost around £100,000 to develop it.

Unfortunately the big money spinners like the Festival and Tops of the Town are now part of history. The Chairman will be telling all present that it costs £6,000 a year to run, and with a debt of £20,000 still to be paid, a lot of soul searching will have to be done.

If you have any ideas for fund raising on development of the Hall please attend tonight's meeting at 8 p.m., where you will be very welcome.

### BATTY DONOVAN, CONNA R.I.P.

The recent death of Batty Donovan, which occurred at his nephew's residence, Drominane, Killeagh has severed a long link with the Conna district. A well known and supportive member of the community there, he carried on the farming business in the family home for several years. Endowed with a great memory he was a very reliable man to listen to as he reminisced on many historic events of the past and this with his quiet, unassuming disposition made him very popular in the parish.

He was laid to rest in Ballynoe Cemetery and our sympathy is expressed to his sister, Mrs. Ely Collins, Drominane, Killeagh, nephew Niall, niece-in-law, nephew-in-law, relatives and friends.

### MR. EDMOND (NED) JOYCE, RHEINDUFF, TALLOW. R.I.P.

The death took place at his residence, Rheinduff, on last Tuesday, April 4 of Ned Joyce. A very well known member of the farming community and also a keen and loyal member of the Glengoura Gymkhana Committee he was highly esteemed in that area, and his passing now leaves a void in the district.

To his wife Ellen, his brother-in-law, sister-in-law, nephews, nieces, relatives and friends we express our deep condolence. Interment took place at Killeagh Cemetery.

### MRS. HELENA BURKE, DUKE'S MILL, TALLOW. R.I.P.

One of the oldest and most popular members of Tallow Community died at her residence, Duke's Mill, Tallow last Wednesday. She was Mrs. Helena Burke (nee Morrisson).

Predeceased by her husband Tom, 28 years ago, Helena reached the fine age of 87 and during that time she made many friends in the locality, being regarded as a kind and caring friend to everyone.

To her son Paddy, her daughter-in-law, grandchildren, sisters, sisters-in-law, relatives and friends, our heartfelt sympathy is extended. Here remains were interred in Tallow Cemetery.

Her remains were removed from St. Carthages House Mortuary, Lismore on Wednesday evening to St. Michael's Church, Ballyduff where they were received by Rev. Fr. Pat Barry C.C., Ballyporeen (nephew) and Very Rev. Fr. K. Mulcahy P.P., Ballyduff.

The interment took place following Requiem Mass on Thursday morning in St. Michael's Cemetery with Rev. Fr. Barry again officiating. There were large and representative corteges at both the removal of remains and at the interment.

Sincere sympathy is extended to her sons, daughters, brother, sisters, grand-children, great-grandchildren, sons-in-law, brother-in-law, sisters-in-law, nephews, nieces and a large circle of relatives and friends.

## G.A.A. NOTES

The intermediate football game v. Geraldines was postponed on Sunday owing to the weather conditions.

The club congratulates the soccer club on winning the league and cup double in recent weeks which was a tremendous achievement and we wish them continued success.

On this Saturday night in Dungarvan the senior hurlers open their championship campaign when the play Mount Sion. This a very tough assignment as Mount Sion are the current title holders and were unlucky not to win the Munster Club championship title. Throw in is at 7 p.m. (see match preview elsewhere).

## COULD THIS BE A HELP?

It would have taken a heart of stone not to have been moved by the dreadful scenes which we have watched on our television screens in the days since the awful tragedy that saw 94 people die in what has since been described as "a cage of death" in Hillsborough, Sheffield last Saturday. Most if not all of those who died were fans of the Liverpool Soccer Club and their ages ranged from 10 years to 65 years, a big number of them only teenagers who had gone to watch their club play for a place in the English F.A. Cup Final. Little did they know as they set off that morning, that they would be crushed and suffocated to death in the early afternoon tragedy that has left everyone stunned since it happened.

Since the dreadful occurrence on Saturday last, we have listened to the top brass in the soccer world in England as well as British Government Ministers and Members of Parliament talk about security and safety measures and about whether terraces should be removed from all football pitches or that all major fixtures should be ticket only affairs.

A lot of the talk and the suggestions that have come up are now being made with hindsight. What a great pity it took such a costly toll of human lives to commence such a discussion.

The only experience the writer has of the vast crowds that frequent the major soccer games in England is from viewing the games on television. The nearest we can get to them in this country would be an All-Ireland Final day at Croke Park and it was in this context that we have been making our compar-

isons with what led up to the Hillsborough disaster on Saturday.

The tragic chain of events commenced outside the Hillsborough pitch as the late arriving crowd built up and the crushing commenced. To relieve the situation here the fateful decision to open the gates to allow thousand of extra fans to pour into the ground was then taken with the dire results that ensued.

Many of those who got in in this last minute rush were people without tickets and who would normally have been unable to gain admission. As we stated above we refer now to All-Ireland Day at Croke Park when the main access streets to the park are manned by barriers where stewards check and only allow ticket holders to approach the immediate vicinity of the park and the gates and turnstiles. This regulates the crowd and does not allow a build-up such as occurred outside the Hills-

borough pitch last Saturday evening. Perhaps it is a suggestion that should be taken on board by the English F.A.

Certainly it would appear that much of the blame for the shocking tragedy must be shouldered by the English Football Association for their poor arrangements and by the police for their handling of the situation.

It only remains for us to extend our heartfelt sorrow to the sons and daughters, the fathers and mothers and husbands and wives who have suffered such tragic losses and pray that God may console them in their great sorrow.

P.S. — A further young victim of the disaster died in hospital on Tuesday bringing the death toll to 95.

## PUBLICANS SHOULD TAKE WARNING

Publicans would be well advised to take warning that when they put empty beer barrels on the footpath outside their premises they do so solely at their own peril. The warning was given by Judge Anthony Murphy at Midleton Circuit Court last week when he found in favour of an applicant who sought damages against a publican for personal injuries sustained when he stumbled and fell over some empty beer barrels outside the defendant's pub.

Judge Murphy giving his decision said that publicans do not have the automatic right to place empty beer barrels on the public footpath outside their premises and if they do so then it is solely at their own peril.

"By doing so", Judge Murphy is reported as stating, "publicans are creating an obstruction and a nuisance and if people are injured because of them they are entitled to succeed in a claim for damages."

## SUMMER TIME IN THE PUBS

As from last Monday, April 17, in accordance with the provisions of the Standard Time Act, 1968, "summer time" for the purpose of the Intoxicating Liquor Acts came into operation so that the extended hours of trading commenced and will end on Saturday, October 7.

This means that the closing time for pubs will be extended by half an hour to 11.30 p.m. with thirty minutes "drinking up" time on week-days from now until October 7. The hours of trading for Sundays remain unchanged.

## WHAT SERMONS SHOULD BE ABOUT

A new Veritas book reveals that a survey among Catholics showed that when they go to Mass at week-ends they want to hear sermons about their own particular problems addressed in light of the Gospel and lasting no longer than six to nine minutes.

The book, "We Bring Good News", by Holy Ghost priest Father Brian Gogan states that a survey among Sunday Mass congregations showed that adults did not want sermons on political issues, sex, church finances, hell or Satan. Rather did they want to hear about the life of Christ, family life, personal life and the Blessed Virgin while the preferences of students were even more life-centred.

"Talk about life and tell us how Scripture helps us deal with it seems the main emphasis in the view of the laity", says Fr. Gogan.

## SNAILS GET IN THE ACT

A few weeks back we had some less than complimentary remarks to make about the tardiness in general of our postal services. There have, we know, been many strange things said about this service but the strangest thing we have ever come across was supplied by a Dungarvan reader as a follow-up to our remarks.

This reader brought us an envelope which was posted in Kilmacthomas. The stamps on it, except for a minute shred, had disappeared. A written note on the envelope at the corner where the stamps should have been, over an indecipherable initial, stated "Stamps eaten by snails in post box".

That certainly takes some beating, doesn't it!

## WAS FORMER CO. COUNCIL FINANCE OFFICER

His many old friends in Dungarvan and district will learn with regret of the death of Mr. Florrie O'Leary which took place on Monday last at St. Joseph's Hospital, Bantry.

Florrie was Finance Officer of Waterford Co. Council for many years and lived at Western Terrace in Dungarvan until he left almost twenty years ago.

Our deepest sympathy is extended to his brothers and other relatives.

## EILEEN

Our choice for the ballad corner this week is a beautiful song about love and the heartache that very often goes hand in hand with it. The words of "Eileen" leave us in no doubt of the terrible sense of pain and loss which always follows the tragic death of a young lover—

In a spot by the sea near the castle Mulveen,  
There lived a fair maiden called lovely Eileen,  
Her cheeks were as bright as the clear morning  
dew,

And her love for her young fisher laddie was true.  
Each morning he'd sail with the sun and the tide,  
But he always returned to his promised young bride.  
On a rock by the shore they could hear him so plain,  
His voice in the wind singing soft this refrain:

Chorus:

Eileen, my Eileen — wait for me, wait, Eileen.

They were to be wed on a Sunday in May,  
His heart was overjoyed to see Eileen so gay,  
Next morning he sailed with the sun and the tide,  
And he never returned to his promised young bride.  
Oh, no never more did their hearts beat as one,  
Her lover he died — yes, he died in a storm,  
Yet down by the shore she could hear him so plain,  
His soft voice in the wind singing soft, this refrain:

Eileen, my Eileen — wait for me, wait, Eileen.

They say that her heart it was broken in two,  
For Eileen was so young and also so true,  
Down by the shore those who loved her the best,  
Near the rocks where he waited they laid her to rest.  
Many a year has passed since that day,  
When maidens they waited for lovers so gay,  
Yet down by the shore you can hear it so plain,  
His ghost in the wind singing soft, this refrain:

Eileen, my Eileen — wait for me, wait, Eileen.

## RECENT DEATHS

### MR. LAURENCE (LAL) POWER

We record with sincere regret the death of Mr. Laurence (Lal) Power, 35 Main Street, Dungarvan, which occurred suddenly on Saturday evening, April 8, at the age of 65 years.

As a young man he travelled world wide as a truck driver with the Signals Regiment of the British Army and it was here he discovered his true career. For some time he was employed with Waterford Cop and he spent some years as a long distance lorry driver with British Road Services. On his travels he had seen many places, but his favourite place was on the Quay on a summer's morning, so it was appropriate that he died on the spot where most of his spare time was spent.

He was a founder member of the Dungarvan Horse Breeders' Association and had a great love of all animals. He was a wonderful husband and father and always put Mary and the family before himself. He worked so hard and now he is having a well deserved rest.

Sincere sympathy is extended to his sorrowing wife and family on their great loss.

Removal was on Sunday evening, April 9, from Dungarvan hospital to St. Mary's Parish Church where his remains were received by Rev. W. Carey, C.C., assisted by Rev. J. Curran, C.C., Tramore, Very Rev. J. O'Sullivan, Fr. Hickey, O.S.A., Fr. Brennock, O.S.A. Present at the hospital before removal for the rosary were Fr. Carey, C.C., Fr. Hickey, O.S.A., and Fr. Curran.

Requiem Mass on Monday morning was celebrated by Fr. Carey, assisted by Fr. Hickey, Fr. Griffin, C.C., Fr. Hooper, O.S.A. and Fr. Sullivan. Readings at the Mass were by Lisa Power (grand-daughter), Sr. Carthage (sister). After-

wards the funeral proceeded to Newtown cemetery, Kilmacthomas for interment. Fr. Tobin, P.P., Kilmacthomas, officiated at the graveside.

The chief mourners were — Mary (wife), Laurence and Jim (sons), Margaret (daughter), Lisa (grand-daughter), Mrs. Mary Power (mother), Sr. Carthage and Mai Flynn (sisters), Miss Joan Power, Dublin, Mrs. Stella Sheehan, Tramore (aunts), Mrs. Gretta Power, Carrigeen (aunt-in-law), Bishop Patrick Sheehan, Nigeria, Betty, London and Margie, Tramore (cousins), his best friend Ned Morrissey, brothers-in-law, sisters-in-law, nephews, nieces, relatives and his numerous friends from all over Ireland.

(Funeral arrangements by Tom Drohan, Dungarvan.)

### MR. KEVIN BUCKLEY

It was with deep regret the local community learned that Kevin Buckley, late of Wolfe Tone Road, Dungarvan, had passed away to his eternal reward on Saturday evening last, April 15, at the District Hospital, Dungarvan, following some months of hospitalisation. The deceased was employed for many years at Sheehan & Ryan, the well-known fuel and grain merchants of former times. Later Kevin was sacristan for many years at the Friary where he carried out his duties in a model fashion.

To many of us, Kevin became synonymous with the Friary over the years and his passing will be mourned by a great many friends and acquaintances, but especially by his nephews, nieces and relatives, to whom we offer our sympathy.

On Sunday evening, Kevin's remains were brought from the hospital mortuary to St. Mary's Parish Church and interment took place on Monday after the 11.15 a.m. Requiem Mass. Full obituary next week.

## Fines Substituted For Prison Sentences After Plea

A Dungarvan man who was sentenced to a number of concurrent terms in prison when convicted on charges of assault, resisting arrest and with being drunk and disorderly at Dungarvan Court last week made a last minute plea through his solicitor and succeeded in having fines substituted for the prison sentences he was to serve.

He was Martin Duggan, 37, Cathal Brugha Place and he was charged that on April 6 he did assault Noel Stakelum at Grattan Square and on the same occasion that he was drunk and disorderly and that he resisted arrest. He was also charged that on March 18 he had unlawful possession of a car without the owners consent at Leamybrien.

Mr. Niall King, Solr., defended and Supt. P. J. Hayes prosecuted.

Giving evidence in the assault charge, Noel Stakelum stated that at 1.30 a.m. on April 6, he was walking at the Square when the defendant who was a complete stranger to him came along and asked him for a cigarette. He refused and the defendant then followed him and was joined by another man. Both started shouting at him and then Duggan caught him and gave him a knee into the groin. Some time later he met Garda Murphy and told him what had happened.

Garda T. Murphy stated in evidence that at 1.55 a.m. on the date in question he met Mr. Stakelum who reported the assault. He had seen him being chased by two youths who were roaring and shouting at him. Witness said that when he spoke to the two, Duggan said to his companion, "don't give your name to the f—ing pigs." Duggan was very abusive but the other youth was very cooperative. He arrested Duggan who resisted vehemently as he was about to be put into the patrol car. Witness went on to say that as a result he decided to walk Duggan to the Garda Station and on the way he resisted several times.

Garda Murphy added that when he got to the Station, Duggan had picked up a chair to assault them and he had to be put in a cell and kicked the cell door until 5 a.m. When he was released, he said that Duggan had threatened "that he would fix me."

Garda C. Kelleher in evidence said that he arrived at Grattan Square on the occasion at 2.05 a.m. and had heard Duggan abusing and threatening Garda Murphy. When taken to the station Duggan continued to be aggressive.

Giving evidence in his own defence, Duggan said that it was his mate who had struck Stakelum. It was not a knee in the groin but a box he had given him. "I assaulted no one, I was very drunk at the time and I apologise to the Garda for my behaviour," he said.

District Justice O'Connell stated he had no doubts but that Duggan did assault Mr.

Stakelum and had abused and threatened the Garda and richly deserved a substantial prison sentence. On the charges of assault and resisting arrest he imposed two terms of 4 months to run concurrently and on the drunk and disorderly charge he imposed a further month also to run concurrent with the other two remarking that under no circumstances could he tolerate this kind of behaviour.

#### LACK OF EVIDENCE

In regard to the charge concerning the car, Kieran O'Connell stated in evidence that he parked his car in the new car park in Dungarvan on March 18. It was locked but one back door was open. He last saw the car at 10 p.m. When he returned at 2 a.m. it was gone and he reported it missing. He next saw it at Kirwan's Garage, Leamybrien, the following day.

Noel Kirwan, Garage owner, Leamybrien stated in evidence that at 5.50 a.m. that morning he heard the alarm at the Garage go off. He got up and as he looked out he heard a man running by the window in the direction of Dungarvan. He then drove his car in the same direction and saw two young lads on the road but as it was dark and wet he was unable to identify

them. He returned to the garage and saw a car parked in the forecourt which was not there earlier in the night.

Garda T. Murphy gave evidence of going to Leamybrien where he saw the car. He interviewed the defendant who denied all knowledge of the car and said that he and his companion had walked from Waterford that night. However although it had been raining heavily their clothes were reasonably dry.

Holding that while the circumstances were suspicious there was not enough evidence to sustain a conviction, District Justice O'Connell dismissed the charge.

#### FINES SUBSTITUTED

Later, Mr. King made a further appeal to the District Justice to suspend the prison sentence on the other charges pointing out that it was five years since Duggan's last conviction. District Justice O'Connell then agreed and bound Duggan to be of good behaviour for 12 months and instead of the prison sentences he substituted fines of £25 on each of the charges of assault and resisting arrest and £10 on the drunk and disorderly charge. In addition he ordered Duggan to pay £20 expenses to Mr. Stakelum.

## HAD LIST OF CONVICTIONS "LIKE A BLANKET"

A defendant who was stated to have no intention of coming to Court to answer charges against him was fined a total of £210 by District Justice W. F. O'Connell at Dungarvan Court last week and in addition he was disqualified from driving for a period of 3 years.

He was Jerry Knee of no fixed abode but stated to have an address at Callan, Co. Kilkenny and he was not present in Court nor was he represented when the charges against him were called.

Supt. P. J. Hayes then told the District Justice that he was satisfied that the defendant had no intention of coming to Court and the Garda in Cahir, where he had been, had bent over backwards trying to help him.

District Justice O'Connell then decided in the circumstances to allow the case to go ahead in the absence of the defendant.

Garda F. Sweeney gave evidence that at 11.55 p.m. on June 13 last year he was called to the scene of an accident at Kilrush, Dungarvan where the defendant had crashed into the rear of a properly parked car owned by Mrs. Lenore Byrne. He spoke to the defendant and formed the opinion that he was unfit to drive. A urine sample taken

from the defendant at Dungarvan Garda Station showed an alcohol concentration of 170 mgrms.

District Justice O'Connell said that he was satisfied the case against the defendant was proved and he convicted him as charged.

Supt. Hayes then produced a long list of previous convictions against the defendant remarking: "this list is like a blanket and it covers various crimes," and he added, "Mr. Knee is no stranger to the courts."

District Justice O'Connell then fined the defendant £50 on the charge of driving with excess alcohol with a 12 months disqualification and an endorsement; £50 for dangerous driving with an endorsement; £10 for having no driving licence; £50 for having no insurance with a disqualification for 3 years and a further endorsement and £50 for having no tax.

He allowed the defendant a period of 2 months to pay the fines or in default 3 months in prison.

## 11TH WATERFORD DUNGARVAN SCOUT NEWS

### WEDNESDAY NIGHT CUBS

Tonight being such a fine night we ventured out of doors to the car park for a very exciting game of 'knockout'. It was a close contest but once again Pat Fitzgerald's team came out tops. We then played a quick game of funfair which is one of our favourite games.

After the games we settled down to some serious work at our arrows and re-organising the clans as we were in a bit of a heap with so many new members as well as Shane, Paul, Freddie and Garrett leaving us to go on to scouts.

Dermot is now the new sixer of the Blue clan. Fr. Rogers paid us a special visit and helped C/L Susan with the bronze arrows and was highly impressed with Eoin Dunford's work. We ended the night with announcements about our indoor camp to Kilbrien at the end of the month, also our regional soccer blitz on Thursday night at the Friary College. Finally our Regional Mass is being held next Sunday, April 23. All units are to meet at the den in Dungarvan at 2.15 p.m. and parade over to Abbeyside Church for Mass at 3 p.m.

### THURSDAY NIGHT CUBS

The meeting commenced with a game of fox and hounds. At the end of the hunt Richard Halpin, Matt Kiely and William Murray proved to be the best hunter's. Following that, Tom and Albert explained the meaning of the cub-scout motto, salute and handshake, with Tomas Hogan, David Walsh and Colin Bulfin. Next we played a game like ship to shore except using colours. To finish up Tom announced that Art-Morning would take place on Saturday which everyone was delighted to hear. The meeting finished with the prayer.

### SATURDAY MORNING

As expected there was a large gathering of young artists. After prayer we started with some straw painting with Pat Whelan and Joseph getting more on their faces than on the paper. Next they tried out potato shapes with Kevin Kenneally thinking the red was tomato sauce and taking a bite out of it. After that they drew campfire scenes.

### SYMPATHY

On behalf of Dungarvan scouts and cubs we sympathise with our treasurer, Jim Cunningham and his family on the death of his father which occurred last week. — Bi Ullamh.

## 21ST BIRTHDAY

Presently home from England and celebrating her 21st birthday with her family and friends is Miss Deirdre Fitzpatrick, Kinsalebeg. Congratulations Deirdre.

## JACK CAREY — 70 AND STILL GOING STRONG

Throughout the entire West Waterford and East Cork areas, Jack Carey — The Blacksmith — has been a familiar figure with most families for as long as most can remember. A legend in his own time, it is hard to believe this fresh looking man is celebrating seventy years as a blacksmith this year. Least surprising is the fact, that Jack is still active in his trade.

So many people who love and appreciate this man and all he has done for people and horses over the seventy

years, felt he should be honoured.

On Wednesday night last at the Half-Way Bar, friends, neighbours and family gathered to pay tribute to this great man. It would be unfair to name any individual speaker who paid tribute to him as all present showed by their presence how much they respect him and wish him continued good health and happiness.

A special word of thanks to the organisers of this event. The presentation to Jack on behalf of all his friends was made by Michael Budds (a personal friend of Jacks who has been hunting hounds in the area since the 1920's). A presentation was also made by Michael to Mrs. Carey.

We all join in wishing Jack and Mrs. Carey many more years of health and happiness.

## GRAND NATIONAL

Attitude Adjuster formerly of the Dower Stables, Creggs, once again put on an excellent performance in the Aintree Grand National. Despite a near fall he went on to finish the race. Atti-

tude Adjuster is a constant finisher in the National and who knows maybe a winner next time.

## SYMPATHY

Our deepest sympathy to Mrs. Carmel Foley, Coolbagh, Clashmore on the unexpected death of her father last week.

Sympathy is also expressed to the Keniry family on the death of their mother over the weekend.

## WEDDING BELLS

Congratulations to Mr. Michael Veale son of Mr. and Mrs. J. Veale, Kinsalebeg on the occasion of his marriage to Miss Nora Walsh, daughter of Mr. and Mrs. Pat Walsh, Youghal. Nora, better known as the dancing teacher in this area has strong connections with Clashmore. Her mother Essie (nee Lennon) is a native of Clashmore.

The marriage ceremony took place in Kilwatermoy and the reception followed in Youghal. Every good wish to Michael and Nora in their married life.

## DEATH OF MR. JAMES FLEMING

The death took place at

the Mercy hospital Cork, of Mr. Jim Fleming, Tinnabina, Clashmore on Tuesday of last week.

A popular member of the farming community and a former agricultural contractor in West Waterford, Jim was well known throughout the entire area.

Despite illness for many years, Jim remained as active as possible and he was a daily Mass goer almost up to his death.

To his wife Mary who cared for him lovingly through his years of illness, we express our deepest sympathy, also to his sisters family and friends.

Jim's remains were taken from Egan's Funeral Home, Youghal to Clashmore Church on Wednesday evening. Following Requiem Mass on Thursday, burial took place in the adjoining cemetery.

## DEATH OF MR. B. HEALY

The death took place last week in Dungarvan of Mr. Batt Healy formerly of Ballycurrane, Clashmore. A regular visitor to Clashmore, Batt was a member of

the army and his unexpected death was a great shock to his family and friends in this area.

His remains were taken to Clashmore on Friday evening and following Requiem Mass, burial took place in the adjoining cemetery. Our deepest sympathy to the Healy family.

## TOPS OF THE TOWN

Followers of the Clashmore entry in the Tops of the Town competition were disappointed to see this fantastic show beaten, many think unfairly so. For anyone who has not seen it so far, please support it when it will be staged locally. Finance is needed to get a show as large as this off the ground and it would be nice to see this event continue in years to come. Great credit is due to Fr. Billy Meehan and his crew, for many months of hard work.

## FIANNA FAIL

Among the huge attendance at the A.G.M. of Clashmore Fianna Fail Cumann were Paddy Kenneally M.C.C. who chaired the meeting and Sean Whelan M.C.C. The meeting was held at Tom Beresford's Lounge on Friday night last.

## Remembering Other Days

The photo for our "Remembering Other Days" this week goes back over 50 years and shows Dungarvan Square as it was on a day in 1937. It was passed to us by Mr. Paddy Hurley who now resides in St. Martin's Tce. in the town and who is included in the right foreground with Tommy Carbery who then worked at the Grocery and Licensed premises of P.F. Ryan, Main Street and Bill McCabe, Abbeyside. Paddy tells us the occasion was a meeting of the local harriers. Note the names on the shop fronts in the background and the KI.2340 registration number on the motor car also the old style cloth caps and hats on the menfolk.

## COURT OF HONOUR WEEKEND

Last weekend, ten of our PLs and APLs, along with SPL Ciaran Walsh, ASL Tomas Walsh, SL Ray and UL Brian Mulvihill, headed east for our annual Court of Honour weekend.

After the church parade, we loaded into our three cars — our destination Foulksrath Castle Youth Hostel, about six miles beyond Kilkenny City. We arrived at around 10.30 p.m. So after finding our dorms and having a short discussion of the week-end's itinerary we had supper and went to bed. Sleep was fairly minimal with Anthony Hackett and Michael O'Connor providing the entertainment for those who cared (and didn't care) to listen.

We got up shortly after 8 a.m. on Saturday and after breakfast we split up into three groups. The idea of splitting up was for all the surrounding towns of Bunclody to be checked out for this year's annual camp. The first group had Carlow and Tullow on their list and Liam Moore and William Fennell were full of praise of Carlow and its many facilities.

Brian's car headed down to Enniscorthy where they were pleasantly surprised with all that was available. Alan Beatty and Brendan Flynn should be contacted for more details. The other destination was Gorey

which was checked out by John Paul Cosgrave, Aidan Mullarkey and co. They also visited Courtown Harbour which appealed, as well as briefly checking out Carnew.

Highlight of the day was the discovery by Derek Kenneally of the Musical Toilet in Gorey. He informs us it was money well spent!

At 3.30 p.m. all the group met up in Bunclody, when the village, the recreational centre and campsite were all seen. Some of our PLs will have to be educated between the difference of a cow and sheep (correct John Paul). From Bunclody it was back to the youth hostel where, after a siesta, it was time to cook dinner. There was no fear of food poisoning through undercooking as Smiley and Hackett "browned" the bangers and burgers.

After dinner Brian ran a game of "Dingbats," after which a discussion session on the day's events took place. A couple of games of cards and supper followed before we hit the sack after a very busy day.

Sunday, we were up and washed by nine. After breakfast and a clean-up we went to 11 a.m. Mass where we were made very welcome. On return, two sessions were held. After lunch and a major cleanup, we departed and our next stop was a very interesting visit to Dunmone Caves. If

you get confused between the "Mites" and "Jites" ask our caving expert Mark Shepherd. From the caves we went to James Stephens Swimming Pool in Kilkenny City for a refreshing dip. After a burger and chip stop in the city centre, we departed for home where we heard the 'Fiesta' missed another turn-off — this time in Carrick-on-Suir. We were back in the den by 7 p.m., tied but happy after a very enjoyable weekend.

## DEELISH HIKE

On Saturday, April 8, ten new scouts and 3 leaders headed out to Deelish. We left at 10 o'clock and arrived in Deelish at 11.15. We then looked around the reservoir. After all the wood was gathered we lit the fires and then they were examined by Kieran, John Paul and Smiley.

After lunch we played a few games such as hide and seek and block. We also had a game of king of the castle which everyone enjoyed. At 3.30 we headed back to the den. En route everyone enjoyed a stop in Mossie Keith's shop. When we reached the den we had a game of soccer.

## QUESTIONS OF THE DAY

1. — What happened Tomas Moore, Mark Hourigan and Smiley's fire?
2. — Who is the new

scout called "Cheeta" or "Tarzan's boy?"

3. — Whose bag went floating down the river but was saved thanks to our heroes Kieran and Smiley?

The ten scouts were: John Kyne, Colin Keane, Paddy O'Dea, Peter Moynihan, Tomas Moore, Mark Hourigan, Neil Moore, Alan Hackett, Patrick Hickey, Brian McNamara.

## KEANELAND CUP FINAL

On Saturday night last at Lismore G.A.A. Grounds Ballyduff beat Lismore by 3-12 to 1-6 in the final of the Keaneland Cup.

Played before a very small attendance and in continuous rain, Ballyduff were always in control and led at the break by 1-8 to 0-2.

This was a disappointing performance, by Lismore and must cause concern for the mentors with the championship due to start this weekend.

Past Pupils Union, who in congratulating Ballyduff thanked Lismore, Cappoquin and Tallow for playing in the tournament. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the request is granted. In grateful thanks to the Blessed Virgin for great favour received. — M.F.

**GRATEFUL THANKS** to the Sacred Heart of Jesus, Blessed Mother, Our Lady of Perpetual Succour, St. Jude's Novena and St. Claire for wonderful favours received. Publication promised. — Unworthy.

**NOVENA TO ST. MARTHA** — O St. Martha, I resort to thee and to thy petition and faith, I offer up to thee this light which I shall burn every Tuesday for nine Tuesdays. Comfort me in all my difficulties through the great favour thou didst enjoy when Our Saviour lodged in thy house. I beseech thee to have definite pity in regard to the favour I ask (mention favour). Intercede for my family that we may always be provided for in all our necessities. I ask thee St. Martha to overcome the dragon which thou didst cast at thy feet. One Our Father and three Hail Marys, and a lighted candle every Tuesday and the above prayer made known with the intentions of spreading devotion to St. Martha. This miraculous Saint grants every thing before the Tuesdays are ended, no matter how difficult. In thanksgiving to St. Martha for two great favours received. — J.N. (21-4)

O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the request is granted. In grateful thanks to the Blessed Virgin for great favour received. — M.F.

In the obituary on the death of Miss Mary Connors, Camphire, published in last week's issue, the name of her aunt Mrs. Nell McGrath was inadvertently omitted from the list of chief mourners.

## FLOWER CLUB

At a well attended meeting in March, Mr. T. Murray gave us a lot of good advice on the pruning of roses and spring flowering shrubs. We also got tips on lawn care after the winter months.

Our guest speaker for April will be Phyllis Davis

McGuinness, who will talk to us on the preparation and planting of window boxes, tubs and hanging baskets. This demonstration, which will be held on Tuesday, April 25 at 8.30 p.m., is open to non-members. Admission £1.

Names and booking deposits for our outing are being accepted now by Club Secretary, Mrs. M. Feerick. This year's outing offers very good value for money and the visit to Mount Congreve Gardens will be enjoyed by all who travel. Date of outing is Saturday, May 20. — PRO.

## CAPPOQUIN/AFFANE G.A.A. NOTES

**IFC — Affane 0-6, Slieabh gCua 0-5** — Our intermediate footballers chalked up another win last Saturday night. Affane are making a habit of narrow victories at present but the most important factor is the team has full points from both games played to-date.

This game was played in atrocious conditions but our young team kept plugging away right to the end and deserved their victory.

Team — L. Costin, M. Brackett, J. Crotty, S. McCarthy, D. Lucas, M. Killigrew, K. Veale, B. Murray, T. Mansfield, E. O'Shea, P. Curran, B. Hennessey, F. McCarthy, T. O'Sullivan, D. Cummins. Subs. — M. Powr for T. O'Sullivan; S. Fraher for B. Hennessey; J. Killigrew for T. Mansfield.

**S.H. Challenge** — We played Youghal in a senior hurling challenge game last Sunday evening. Both teams were understrength but it was a valuable exercise. Cappoquin won by a point. Hurling practice has been curtailed somewhat due to our football commitments so this game was badly needed.

**S.H.C. v. Tallow** — Our senior hurlers meet old rivals Tallow in the championship next Sunday evening in Lismore. Both sides have always served up good hurling fare and this game should be no exception. Let us hope our lads have plenty vocal support at this game.

Under-14 — Affane 2-5, Gaeltacht 1-1 — This was a good display from our youngsters. They were always on top in this game and even though our interest in the final stages of the

competition has ended, this win was still welcome.

Team — K. Cotter, C. Scanlan, T. Prendergast, B. McCarthy, E. Murphy, J. Fleming, B. Cullinane, K. Cahill, M. Keniry, B. Tobin, P. McLaughlin, I. Flynn, R. Curran, E. Hickey. Subs. — J. Quann for E. Hickey, B. O'Connor, Fran Cotter, R. Foley.

Under-14 Hurling — Our under-14 hurlers began training last Monday night and will continue each Monday and Friday evenings at 6.45 p.m. Good news for these youngsters is that the Mass Lane Cup is due to begin next week.

Ray Flynn — Congratulations to Ray Flynn, an outstanding under-age dual player with the club who in recent weeks has been outstanding for Dungarvan Youths' soccer side. Ray's contribution has been immense and many club members will be in Ozier Park, Waterford to cheer him on in the final of the FAI Youths All-Ireland Cup.

## TAVERN BOWLING TOURNAMENT

Sunday, April 23 at 10.30 — John Noonan, Christie Keohan, Patrick Morrissey, Joseph Geary. Sunday, April 30, at 10.30 — Brendan Whelan, Pat Fitzgerald, Lar Dunne.

## CAPPOQUIN & DISTRICT DARTS LEAGUE

The cup final was played in The Tavern on Friday night last with Dunvegan the winners over Lindsay's by four games to one. The result was much closer than the scoreline suggests. Winners for Dunvegan were J. O'Mahoney, F. Barry, A. Lenane, T. Power. J. Scanlon won for Lindsay's.

The league cup final will be played in Dunvegan on Friday night next, April 21 between Tavern and Lindsay's. Perhaps Lindsay's will have a little more luck this time. They have been runners-up in both the league and the cup this year.

Results for the season 1988-1989 — League winners, Tavern; runners-up, Ballyduff. Cup winners, Dunvegan; cup runners-up, Lindsay's. Second Division winners, The Village Inn; runners-up, Deckies. League Cup (Plate) winners, Morrissey's.

The league spent £240 on trophies this year. The committee wish to thank all clubs for their co-operation through all competitions this season and hope to see them all again next season.

## LECTURE AT VILLIERSTOWN

On Sunday last, April 16, a capacity audience gathered at Villierstown Old Church/Community Centre to hear distinguished churchman and scholar, Most Rev. Dr. G. O. Simms, speak on — and illustrate — with coloured

slides — Ireland's greatest manuscript treasure — The Book of Kells.

Much of the material presented must have been new to a most receptive audience, especially the information of the presence of influences from outside civilisations and cultures in the illuminations and lettering, together with a similarity to much notable manuscript work emanating from the great foundation of Columcille on Iona. The detail and colouring of the slides displayed by Dr. Simms was quite fascinating.

Dr. Simms was welcomed and introduced by Very Rev. Dean Warren and Mr. James Villiers Stuart was master of ceremonies. At the conclusion, paying tribute to Dr. Simms presentation, Monsignor Michael Olden spoke of the great contribution of the local area to ancient culture through the Book and Crozier of Lismore and the composition of the Penitentials at the Abbey of Molana near Youghal.

Commendations to the local committee for their effort in promoting this notable function. Tickets and programmes were written and illuminated in reproductions of the ancient scripts. The four sections of the programme were synopses of the career of the distinguished lecturer, the history of the church, the Book of Kells and comparisons of Roman and Celtic scripts.

## RAILWAY ATHLETIC F.C.

**Gilligan The Hero** — Our under-14 team went to the top of their league with a great victory over a very good Ferrybank side. This was a vital game for the club as Ferrybank were also near the top.

We started very badly and could not get to grips with Ferrybank in the opening 20 minutes. Five minutes later, a defensive error left us a goal down and we came to half time still a goal down.

In the second half we came out firing on all cylinders. Paul Ormond came on and his skill put the Ferrybank defence under a lot of pressure. Ten minutes into the half Ormond crossed to Alan Gilligan, who made no mistake when his powerful shot from outside the box went all the way to the net.

Ferrybank came at us but were denied by a brilliant save from stand-in goalkeeper, Kieran Cotter. Within five minutes what proved to be the winner came from Alan Gilligan — another great goal to crown a great team performance.

With three games and similar allout effort who knows what we could be celebrating. Alan Gilligan was undoubtedly our man of the match.

Team — Kieran Cotter, Michael Croke, Kenny Mason, Raymond Curran, Brian O'Connor, Gregory Reddy, Frank McLoughlin, Jason Fleming, Alan Gilligan, Paul McLoughlin, Kieran Cahill. Sub. — Paul Ormond for Brian O'Connor.

On Saturday next we play Ferrybank again at home at 11.45. It would be a great boost for our lads if some parents would come and give support.

Under-12 Cup Second Round — Last Wednesday night we travelled to Tramore to play the second round of the cup. Tramore are top of the first division and this was always going to be a difficult game. We started very well and were unlucky not to have gone one up when a great effort from John Lynch went just wide. Tramore came more into the game as the half went on. Ian Flynn and Eamonn Murphy were brilliant in our midfield.

Just before half time, Tramore got a very good goal, giving our keeper no chance. Just a minute later a mistake by our keeper let them in for a second.

In the second half we came out and really had a go to get back into the game. We were unlucky with some chances as the half went on. We pressed for our first goal, but with gaps appearing, we let Tramore in to score their third. It was still a good performance by our lads.

Team — Glenn Arrigan, Martin Ormonde, Ian Flynn, Dermot Coughlan, Eamon Murphy, John Lynch, James Manahan, John Dalton, Alan Barry. Subs. — Alan Barry for Martin Ormond, Christy Dalton for James Manahan.

Our under-11 side has had a hectic past two weeks. We played five games, two at home and three away. The results were: Abbey-side, lost 2-0; Ballyduff, lost 3-0; Kilmacthomas, won 9-0; Waterford Glass, won 1-0; Slieverue, won 5-0.

**Fixtures** — Thursday, April 20 — under-11 away to Portlaw, 6.30; Saturday, April 22 — under-12 away to Carrick; under-14 home to Ferrybank.

Our club would like to congratulate Dungarvan Youths team who have reached the National final and well done to our former player Raymond Flynn (Affane) who played a vital part in getting them so far and the best of luck in the final to Ray and his colleagues.

Congratulations also to the Waterford Schoolboys League who beat Limerick 4-0 to get into the national final. My thanks to the members who helped to get the pitch ready and put the railing up.

## MR. WILLIAM CUNNINGHAM, CAPPOQUIN

One of Cappoquin's oldest families has been bereaved by the death of Mr. William Cunningham, 1, Allen Street, which occurred at St. Joseph's Hospital, Dungarvan on April 13. Very large corteges attended the removal of remains to St. Mary's Church, Cappoquin on Friday evening and again on Saturday morning when, following Requiem Mass, the funeral took place to St. Declan's Cemetery.

He is survived by his sons James, Billy, Thomas and David, daughters Mary and Therese, his brother John Joe, Sr. Therese, Good Shepherd Convent, Belfast, Peggy and Lena (sisters), sons-in-law, daughters-in-law, grandchildren, relatives and friends.

## RE-HAB PUB QUIZ

Toby Jug, Cappoquin, are again winners this year of the Lismore area final in the Re-Hab Pub Quiz. They beat old rivals Maddens in an exciting final at Lismore Hotel by 238 points to 236. Tom Hackett again captained Toby with Angela Collender, Joe Lynch and Dermot O'Leary. Maddens, led by Edward Lynch, included Eleanor Burns, Bernard Leddy and Chris Brien. Question Masters were Willy Henry and Billy Sheehan.

The second division was won by the Red House, Lismore from Lukie's of Tallow.

## CAPPOQUIN BILLIARDS AND SNOOKER CLUB

J. J. Landers Perpetual Doubles Trophy — Conor O'Leary and Tommy O'Sullivan 4, James Morrissey and Andy O'Keefe 1 — Some excellent potting and safety play saw this very formidable pairing of Conor O'Leary and Tommy O'Sullivan safely into the final on Sunday week, and if this semi-final performance is anything to go by, my money will certainly be on them. But there's no such thing as a safe bet and their opponents Michael Casey and Martin Reddy will do their utmost to prove me wrong.

Billy McCarthy Perpetual Billiards Trophy — Quarter-finals (half hour) — James Morrissey 128, Darren Mason 91; Conor O'Leary 108, Pat Kiely 82.

Team League — Team A 1, Team D 6 — The individual results in this match read as follows: James Morrissey (A) 0, Michael Casey (D) 2; Darren Mason (A) 1, John Noonan (D) 1; Pa Curran (A) 0, Pat Kiely (D) 2. Team B v. Team C match postponed.

This week's fixtures read as follows: Team A v. Team C; Team D v. Team B. Matches to be completed on or before Saturday, April 22. — PRO.

UNDER-16 SCHOOLBOY LEAGUE

# DAZZLING DISPLAY BY ABBEYSIDE

Abbeyside 4, Johnville 2

Johnville's outside shot at the league title was shattered at Stucco Lane on Saturday evening last, when bottom of the table, Abbeyside, rose to the challenge of one of the league's strongest sides and came away with the laurels after a very entertaining contest.

The Villagers' keeper Pat Ormond cried off with an injury just before the kick-off and weakened the home side's chances considerably, but Brian Beatty grabbed the opportunity of showing that he's not just a pretty face and brought off some remarkable saves between the uprights.

Abbeyside went about breaking down the visitors game plan straight from the kick-off. They fought desperately for every ball. 'Patch' Jordan, Bob Lyons and Austy Regan were creating all sorts of problems in the midfield area and front runners Jimmy Stacy, Damien Cliff and Frankie Prendergast should have hammered in some early chances that were constructed from the midfield.

Frankie Prendergast whipped in the first goal in the 15th minute when he outfoxed the visitors defenders with a lethal effort from 8 inches and just before the break Jimmy Stacy slotted past the keeper after Austin Regan prepared the groundwork.

Abbeyside conceded their first goal before the break after "Patchen" miskicked into the home area and the home defenders were slow to react to the visitors challenge.

On resumption the villagers were slow and in the early period failed to reach the sharpness they had sustained through the first half and 'Jobba' Brennan, Richie Flynn, Sean James and Philip Jordan found themselves under considerable pressure during this period and conceded an early goal after Beatty had punched away under duress.

This goal checked Abbeyside's negative attitude and brought them back into the game. Brennan, Flynn, James and Jordan closed down any serious challenge from the visitors and Jimmy Stacy put the home side into the lead in the 70th minute when he combined with "Patchen" and cracked his second of the contest.

Pat Jordan converted a fine free kick minutes before the end after Stacy was grounded just outside the area en route for goal, thus securing the points for the home side.

This coming Saturday, Abbeyside are away to Southend. Departure Crotty's Corner, 1.30 p.m.

Abbeyside — B. Beatty, J. Brennan, R. Flynn, Sean James, "Boots" Jordan, B. Lyons, P. Jordan, A. Regan, J. Stacy, F. Prendergast, D.

Cliffe. Referee: Michael Fraher, Ballinroad.

UNDER-11 LEAGUE

On Thursday, April 6 we played Kilmacow and completely dominated from start to finish. Our scorers were John Foley (3), Michael Hickey (2) and Colin Keane, Darren Lyons and Brendan Cliffe (1 each).

## Abbeyside Shore Angling Notes

Pictured at the Village Inn recently, Miss Oona Ward, winner of the Ladies Fishing Competition sponsored by Seamus Corcoran and organised by Abbeyside S.A.C. — (Photo: David Stearn).

Sunday April 16 — The ladies competition sponsored once again by Seamus Corcoran, Fish Merchant, was fished in the Harbour area, weather conditions were not very pleasant. So well done to our dedicated bunch who dared the afternoon.

The return of fish was very disappointing, while the entire afternoon yielded just one Flounder.

The presentation of prizes took place in The Village Inn, and the results of the day are as follows — 1st Oona Ward; 2nd May Coffey; 3rd Joan Elstead; 4th Jacqueline Young; 5th Theresa Wright; 6th Michelle Mulcahy.

Our next competition the All-Rounder, very generously sponsored by Pearse Moloney, takes place on Sunday next, April 23. Fishing — Ballinacourty, 1.30 to 5 p.m.

# WESTERN BORD NO nOG

UNDER-16 HURLING VICTORY

Our West Waterford team won their first round of the Munster Inter Divisional Championship last Saturday. This team, which has six players under-age again next year, comprehensively beat Carrighdoughan by 5-6 to 1-2 in a good match. Conditions for hurling were poor but our team were the better throughout the game and by half time were ahead 4-4 to no score.

There was no doubt that this team meant business from the start when C. Gough was foiled in the first minute when a goal was a certainty. Benny McGrath opened the scoring with a point in the second minute and after ten minutes of play the forwards were beginning to find their form when Christy Gough struck with a good point in the eleventh minute. Benny McGrath followed with a point from a difficult angle.

John Kiely sent in a good ball from a free and John Morrissey pulled on it first time to score a great goal. B. McGrath scored a point from a free in the 23rd minute and C. Gough finished a good movement with a fine goal.

West Waterford were well on top at this stage and on the stroke of half time B. McGrath scored a further goal.

On the resumption, West Waterford introduced Pdraig Flynn at half forward. The rain made conditions very difficult and Waterford found it difficult to maintain the rhythm of the first half. It was 10 minutes before they scored a point from Tom Feeney, followed by a goal by John Morrissey.

At this stage some players found the going tough but in fairness they had done enough. John Beecher and Matty Meagher were introduced with good effect mid-way in this half. Tom Feeney, who had an outstanding game, moved to midfield in a direct swap with Tom Kiely. Christy Gough changed with John Morrissey. Carrighdoughan scored a goal in the final 10 minutes but Benny McGrath had the final say with a point.

Mentors Pat Moore and John Jackson can be well pleased with this performance against a team who were particularly strong in defence.

Goalie Jack Doyle showed up very well, while Paddy O'Donnell, Tom Feeney and Anthony Tinnelly were the best of the backs who defended well as a unit.

Tom Kiely at midfield worked hard and hurled well in the first half, while in attack scorers Benny McGrath, Christy Gough and John Morrissey (brother of corner back Tom Morrissey) took their scores well. Alan Dunne's workrate at corner forward was a decid-

ed asset to a useful forward unit.

The second round of the Munster Championship will be played on April 29.

Team — Jack Doyle (Tallow), Paddy O'Donnell (Lismore), John Byrne (St. Patricks), Tom Morrissey (Dungarvan), Tom Feeney (Ballyduff) (0-1), Anthony Tinnelly (Lismore), Mark Clancy (Lismore), Tom Kiely (St. Patricks), Keith Hornibrook (Lismore), Sean Hickey (Ballyduff), John Morrissey (Dungarvan) (2-0), Brian McCarthy (Fourmilewater), Alan Dunne (Lismore), Christy Gough (Dungarvan) (2-1), Benny McGrath (St. Patricks) (1-4).

Subs. — P. Flynn (St. Patricks) for S. Hickey, M. Meagher (Lismore) for B. McCarthy, John Beecher (Tallow) for Tom Morrissey, K. Byrne (St. Patricks), F. Cunningham (Dungarvan), J. Wyse (Fourmilewater) and D. Ormond (Lismore).

# Minnies Squash Notes

## LADIES DEFEATED IN MUNSTER SEMI-FINAL

Our combination (Minnies and Dungarvan Crystal) intermediate team travelled to The Orchard Squash Club on Wednesday, April 12 for their semi-final Munster clash. Unfortunately for our ladies when they arrived they were to realise that the numbers one, two and three on the Orchard team are Div. One players in the Cork senior leagues. With this in mind the ladies were always going to be up against it.

Number one, Helen Crotty was first on and here Helen put up a very brave fight and was unlucky to lose 2-3. Number four, Brigid O'Dea never got into her stride as she went down 0-3. Number one, Helen Kiely was next and by all accounts she played the best squash of her career as she led her senior Aranked opponent 2-0 and was very unlucky to lose the third and fourth sets. Helen eventually went down 2-3. Number three, Fiona Fitzgerald's efforts were hardly reflected in her 0-3 defeat, while number two, Anne Wyley pulled up injured in the third game, having lost the first two.

## SOCIAL — SATURDAY, APRIL 22

One of the highlights of any club's calendar is the club social and on Saturday night next, April 22, Minnies Squash and Racquetball Club will hold its annual end of season social at the Gold Coast. All members and friends are encouraged (if they haven't already done so) to purchase a ticket and come along to this great event. Tickets are available from any committee member or from Minnies Bar.

## GEORGE HARNEY CONVINCING WINNER IN ALL-ROUNDER SPORTS MEN'S

### LADDER

The All-Rounder Sports Men's Ladder came to a close recently when it was realised that George Harney was the very convincing points champion. Sadly, due to the injury of Pat Phelan, who was in contention all the way, George won the event by an incredible fourteen points. George, who started the season down in Division 13 with a ranking of 77, finished up a very respectable 59th. He ended his campaign with 83 points.

Runner-up was our number one on the juvenile ladder, Owen O'Mahony who had 69 points. Owen improved his ranking from 57 to 41. In third place was beginner champion, Richard Dunne, with 67 points. Richard improved his ranking from 79 to 66. Fourth, Tommy Butler, 64 points;

5th, Martin Walsh and Derek Lyons 61 pts.

## NEW TOP TWELVE RANKINGS

As a result of all the ladder games played throughout the season, the final rankings are: (1) Liam Hansberry, (2) Pearse Moloney, (3) Michael O'Mahoney, (4) Pat Phelan, (5) Stephen Lyons, (6) Tommy Butler, (7) Sean Cleary, (8) Dermot Kelly, (9) Eddie Moore, (10) John Cliffe, (11) Ray Moore, (12) Paddy Murphy.

## THE FINAL PROMOTIONS AND RELEGATIONS

Promoted to Div. One — T. Butler; relegated to Div. 2 — S. Cleary; promoted to Div. 2 — R. Moore, P. Murphy; relegated to Div. 3 — T. Keaver, J. Elstead; promoted to Div. 3 — R. Gough, J. Aird; promoted to Div. 10 — G. Harney, G. Howley; relegated to Div. 11 — P. Power (co-op), E. Moore; promoted to Div. 11 — R. Di Fusco, R. Dunne; relegated to Div. 12 — P. Power (Kil.), J. Beresford, Tomas Curran.

Having gone through the final set of results, I have to say how disappointed I am that so many walkovers and unplayed games were to be seen. All that I hope for is that next season those who enter make the effort and stick with it until the end.

On behalf of the club I would like to compliment Joe Mulcahy for his brilliant running of this, the biggest ladder in the club's history. Joe deserves great credit. To sponsor, Pearse Moloney of the All-Rounder Sports Shop we are deeply grateful for his wonderful prizes. Once again, congratulations to George Harney, our men's

champion, and Lily Hannigan, our ladies winner. All the final rankings and points are now on display on the notice-board.

## HOFFMAN'S — THE EARLY ROUNDS

Our final team tournament, sponsored by Hoffman's Lager, was in full swing last week with many games being played. On Monday night, April 10, Fiona Fitzgerald's team progressed as did Tony Lonergan's team.

In Fiona's tie, at No. 5 Patricia Walshe (the only survivor of last season's winning team) went down 0-3 to John Sullivan, and No. 4 Maurice Walsh whetted the appetite for the Munster final in his dress rehearsal with Paddy Murphy as he won 3-1. At No. 2, Fiona found the power of Jim Byrne too much as she went down 1-3. At No. 4, Richard Dunne was a 3-0 victor over Ian Walsh. In the decider, Hank Regan had to work a lot harder than the 3-1 result shows for his victory over Margaret Browne.

Tony Lonergan's team were the first to reach the semis with a 10-4 victory over Derek Lyons team. At No. 1, Denis O'Brien played well to take a game off Michael O'Mahoney. At No. 5, Bobby Lyons, a good young prospect, was too good for Sharon O'Brien as he won 3-0. At No. 3, M. G. O'Dwyer repeated his result from earlier in the season as he beat Michael Sheehan 3-1 and at No. 4, Peter Stam sealed the issue with a 3-0 defeat of Larry Kiely.

On Tuesday, Fiona's team were back in action but sadly they went down 9-4 to Michael Flynn's team. At No. 1, Tommy Butler never gave Maurice Walsh a chance to settle as he won comprehensively 3-0. At No. 5, Teresa Hayes with new found confidence, reversed her score from earlier in the season as she beat Patricia Walshe 3-1. At No. 3, Ger Howley found that Hank Regan was still on a high as he lost 0-3. At No. 4, Liam Moore was 2-0 and 7-3 up before opponent Richard Dunne retired ill.

Also on Tuesday, Martin Walsh's team defeated Dan McCarthy's team in what can only be described as the best clash of the season, with no fewer than four five-game matches. At No. 1, Kieran Foley won a right old tussle with John Foley 3-2; at No. 4, Sean Feehan was made work very hard for his 3-2 win over Mary Coffey; at No. 5, Joe Brennan was on the receiving

end of a five set marathon with exciting young prospect Richie Duggan as he lost 2-3; at No. 3, OBC Div. 4 champion, Liam Treacy was made to wonder what might have been in the O'Brien Cup if young Paul O'Brien wasn't forced to miss the event through injury as young Paul played his heart out in a thrilling five-setter, winning 3-2. In the decider, Martin defeated Dan 3-0.

On Wednesday, John Killigrew's team completed the semi-final line up as his team beat Dave Mahony's team 9-3. At No. 1, Pearse Moloney won 3-0 in a long struggle with Ray Moore; at No. 5, ladies beginner champion, Gillian Dunne went down 0-3 to Eamonn Murphy; at No. 3, John Kelly was in fine form as he beat T. C. Curran 3-0; at No. 4, Josephine Harty ended the affair with a 3-0 win over Ann Keaver.

It was nice to see our former Munster and Country League winning star, Patricia Cummins present and taking an active part in proceedings as she refereed the No. 4's.

## BEST WISHES

On behalf of the club, I would like to take this opportunity of congratulating T. C. Curran and Patricia Cummins on their recent engagement and wish them both the very best of happiness as they walk up the aisle on Friday, May 12. May they have many happy and peaceful years in their wedded life.

## HOFFMAN'S — THE SEMI-FINALS

On Thursday night, April 13, we had the semis in the Hoffman's when Michael Flynn's and Tony Lonergan's teams progressed to the final. In Tony's tie at No. 4, Liam Moore served for the match in the third set before Josephine Harty miraculously recovered to take the next three. At 5, the lady of the moment, Teresa Hayes continued her superb form with a 3-1 win over Gillian Dunne. At 3, Ger Howley found a very lively John Kelly too much as he went down 0-3. At 2, Michael Flynn squared the tie, beating John Killigrew 3-0. In the decider, Tommy Butler pulverised Pearse Moloney 3-0. In the other tie at No. 2, Tony Lonergan went down 1-3 to Martin Walsh. At 4, the inform Peter Stam defeated Sean Feehan 3-0. At 1, Denis O'Brien, lost out in a five setter to the marathon man, Kieran Foley. At 5 the inexperience of Bobby Lyons told as he went down 1-3 to Joe Brennan. In the decider, M. G. O'Dwyer needed to win 3-0 to get his team through. This he bravely did, winning 9-7, 9-7, 9-6 against a tired Liam Treacy.

— THE DEADLINE.

# DUNGARVAN G.A.A. NOTES

## HURLING CAMPAIGN BEGINS

Our senior hurlers open their championship campaign next Sunday (weather permitting of course) with a difficult game against Lismore. As I write the game is fixed for Cappoquin but a major question mark must stand alongside the current availability of the Cornerstone venue.

But wherever the game is played it is certain to present us with a searching test. The form of last year would suggest we are up against it in a very big way, yet if we can realise our true potential then the opposition should hold no fears for us.

Lack of competitive games will be a hindrance but at least the men chosen will be in good physical shape. I would imagine too there will be no lack of commitment, and who better to set the adrenalin flowing than Lismore with whom we have built up such great rivalry over the years.

It's a tough opening championship game, and few will give us a real chance of winning it. Quite frankly we don't see it that way, and we are confident our men will acquite themselves well. Good luck to them.

## A WASH-OUT

Our senior football championship game against the Nire went the same way as all the others last Sunday when the weatherman decided to call halt.

The postponement was inevitable after a Saturday night of torrential rain, and we now await word from the County Fixtures Committee on a new date. However whenever it is played it is one we have got to win.

## UNDER 14S

Homer nodded last week. The Under 14 Western football final against Abbeyside was not fixed for last Saturday although that's the information that was passed on to us from what we believed to be an authoritative source.

The present indication is that it will not be played until June (I trust that's not off the mark too). However our fellows will be fit and ready come the day.

## CO-OP DRAW

The second of the three monthly Co-op Development Fund draws will take place on Friday week. That's just the way to reminder to our faithful promoters — and supporters.

## FEILE NA nGAEL

In connection with Feile na nGael we are holding our own club competition in Under 14 hurling long puck and skills at Fraher Field on this coming Friday at 6.30. We expect a big turnout of boys.

The winners will represent our club in the Western final.

## GOOD LUCK

DUNGARVAN UNITED Sunday next will be an

historic day for Dungarvan United Soccer Club when the Under 18's contest the F.A.I. Youths Cup Final against Milford of Donegal at Ozier Park in Waterford.

It has been a magnificent achievement by United to reach the final and our sincere wish is that they will return home in triumph on Sunday evening.

Some members of the team are also involved in our own club so we have a very direct interest in this eagerly awaited Cup Final.

## MINORS IN ACTION

Our minor footballers take on championship favourites Affane in a vital game at Abbeyside next Sunday (11.30).

We drew with Abbeyside in our only championship outing to date but Affane have already accounted for Abbeyside and Kilrossanty. Most of the team is eligible again next year and indeed several of them will be under-age in 1991. We will be very much the outsiders on Sunday but can be relied upon to put up a stern challenge.

## SYMPATHY

The club extend its sincere sympathy to the White and Buckley families on the death of Kevin Buckley, Wolfe Tone Road.

## CYCLING

# SEAN KELLY BACK IN WINNING FORM

His legion of supporters throughout the country were glad to see Sean Kelly back in winning form in the Liege-Bastogne-Liege one-day Classic World Cup cycling race over 268 kms last Sunday.

Kelly, keen to prove that he still is not over the top, outsprinted three other world-class riders to win the race. After the race Sean declared: "a lot of people said Kelly was over the top but in my own mind I knew this wasn't true. I wanted to prove they were wrong".

His victory over France's Fabrice Phillipot and Australia's Phil Anderson pulled Kelly up to second position in the World Cup competition, the next round of which takes place in Holland, the Amstel Gold Race, on Saturday next.

**STRADBALLY MAN "WAS  
MISLED BY HARDENED  
CRIMINALS"**

A 19-years-old unemployed Stradbally man who went on a rampage of crime last summer was stated to have been drinking heavily at the time and to have been misled by hardened criminals when he appeared on a long list of charges involving larcenies, burglaries and robberies at Dungarvan Court last week.

He was David Corbett and the long list of charges, including more than a dozen indictable charges arose from offences committed during June, July, August and September last year.

The charges included breaking into the Boat Club at Cappoquin, the Tennis Club at Ballinroad, malicious damage to a caravan at Clonea and stealing £98 cash from a car parked at Clonea, receiving a stolen watch at Ballinacourty and a stolen cheque book at Abbeyside and with taking possession of a motor lorry without the owner's consent.

Mr. Niall King, Solr. for the defendant said that he was admitting the charges.

Supt P. J. Hayes who prosecuted stated that on

April 9, the defendant was interviewed by Det/Gardai Molloy and Phelan and when questioned about all these crimes he admitted them. From all the goods and cash that had been involved, all that was recovered was the gent's watch which was valued at £100.

Supt. Hayes told the Court that Corbett was 19 years of age, was single and was living with his parents. At the time that these offences were committed he was drinking heavily and they had taken place during a period on which he had been placed on probation by the Circuit Court on foot of a previous offence.

**OUT AT ALL HOURS**  
"This young man can be seen out at all hours of the night and always in the company of hardened criminals," said the Supt., who added that it was 6 o'clock in the morning on August 6 that he wired up the lorry and drove it away but crashed into a telegraph pole.

Mr. King agreed that the defendant had fallen into bad company at the time but he said that it was to his credit that he had come back from England to face the music. "He has now pulled himself around and I would ask you to take into account that he was being misled by hardened criminals", said Mr. King.

District Justice O'Connell said that the long list of charges against the defendant included at least 12 indictable offences for which he would merit a maximum period of 2 years in detention. "However", said the District Justice, "I will not impose the maximum and while I will give him credit that he has pleaded to the charges, that's all the credit he will get". He then convicted the defendant on all charges and imposed a prison sentence of 6 months on each, the sentences to run concurrently. He fixed recognisances in the event of an appeal.

**CIRCUIT  
CRIMINAL COURT  
ARREST  
WARRANT FOR  
DUNGARVAN  
MAN**

When William Fraher, Cathal Brugha Place, Dungarvan failed to appear on charges against him at the Circuit Criminal Court in Dublin last Monday, a warrant was issued for his arrest.

The 44-year-old unemployed Dungarvan man is charged with entering the home of John and Martin Moylan, Ballinamuck, Dungarvan with intent to steal on July 15 last year.

Fraher is also charged with having a single barrelled shotgun in his possession on the same occasion.

When the case was called, the barrister for the defendant, Mr. Robert O'Neill, B.L., told the Court that Fraher was not present and that he did not know the whereabouts of his client. Mr. Justice Roe then issued a warrant for Fraher's arrest.

**CIDONA CARRICK  
WHEELERS NOTES**

Our riders were at 3 different venues over the week-end. Robert Power was in action on the Irish Junior team in the Lada 2-Day in Dublin. This race was open to senior A's and B's only, but the Irish Team were allowed take part in preparation for Germany.

The first stage was a 5 mile time trial. Anthony O'Gorman (Bianconi) won the stage in a time of 11 mins. 10 secs. with Mick Walsh (Fosters) 2nd at 3 secs. and Robert Power at 8 secs. Paul Slane (Newry) on the same time.

The second stage 65 miles included a climb of the Hill of Slane twice and saw Anthony O'Gorman lose the yellow jersey due to a puncture. The stage was won by S. Healy (Sorrento), Power finished in the bunch along with M. Walsh who now took the yellow jersey with Power and Slane at 5 secs.

The 3rd stage was a gruelling 95 miles, and the attacking started right from the line. A group escaped half way through and went 1 min. 50 secs. clear. The

chase began with Fosters and the Irish team doing all the chasing. The break split and with 9 miles to go there were five riders clear, Ian Chivers (Top Team Cyprus) winning the stage. The bunch came in 25 secs. down after a very hard chase by Nick Walsh and Robert Power, but it wasn't enough, John Sheehan (Les Jeunes) winning overall by 2 secs. from K. Kimmage with M. Walsh next and Paul Slane and Robert Power joint 4th overall. This was a great result for Power who was against the best seniors in the country.

Stephen Delaney (Cidona) took the yellow jersey after the second stage of the Tralee 2-Day but was unlucky to lose it in the final 60 mile stage to A. Dinneen (Blarney).

In Kilkenny the senior race was won by Damien Long (Waterford) with Larry Power (Cidona) 2nd. In the senior C race Maurice Terry (Cidona) finished 2nd with Pat Dalton (Cidona) 3rd. Darren Tutty finished 4th in the under-16 race.

Next week we are racing at Mitchelstown. First race at 12.45 p.m.

### MUNSTER SENIOR LEAGUE

## WEAKENED BLUES GO DOWN BADLY

TRAMORE ATHLETIC 5; DUNGARVAN UNITED 0

A very much under strength Dungarvan side travelled to Cork on Saturday last. They took on league leaders Tramore Athletic missing six regulars. The Blues found it hard to field any team but still made the Cork side fight hard for their victory. The scoreline does not give a true reflection of the fighting spirit this Dungarvan team had and it was only in the last eight minutes of the game, when limbs and bodies ached that Tramore scored three of their goals.

The Blues got off to the worst possible start when after only three minutes Tramore were awarded a penalty for hand ball and their striker tucked the spot kick home. After 20 minutes Tramore scored the best goal of the game when their number 6 hit a rocket from 20 yards high into the roof of the net. From then until half-time the Blues fought furiously and gave as good as they got.

The second half was always going to be hard for the Blues as they had to play against a strong wind and driving rain. They took to their task admirably and with any bit of luck could have been on level terms going into the last quarter.

Tramore lasted the pace

better and finished strong, scoring three late goals.

#### FOOTNOTE

I would like to thank Tomas, Tommy, Pepe and Johnno for coming to my assistance last Saturday morning. It's easy to talk about being a great clubman but when the chips were down they proved they are "True Blues". Another great clubman is Dick Tobin, at a few minutes notice last Saturday he had his car available to take some of the team to Cork. For the past three years Dick has been always available for any task asked of him. I would like to take this opportunity in thanking him for all his hard work and to assure him it is appreciated by everyone con-

## UNBEATEN LEAGUE RUN CONTINUES

BOLTON 1; DUNGARVAN 2

This vital top of the table clash in the Waterford Youths A League, produced a fine game of football with Dungarvan recording a deserved victory at Bolton Park last Wednesday. The large crowd were treated to an action-packed game in which no quarter was asked or given despite the very soft underfoot conditions.

The home side dominated the first half as they out fought and out thought a lack lustre Dungarvan. They went ahead when a Bolton striker rose high to head home a cross from the right. Dungarvan had several narrow escapes thereafter and only J. Shanahan and to a lesser extent L. Barron and R. Flynn displayed anywhere near their true form.

On the half hour B. McGrath made a good save after a series of mistakes by Dungarvan defenders. Just before half time D. Wyse almost equalised but his chip beat both J. Arrigan and the crossbar.

At half time the Blues remembered that "second is last" and with D. Walsh replacing the injured D. Wyse they set about the task of resurrecting the game. David Walsh had a profound influence in midfield as Dungarvan now dominated and wave after wave of Blues attacks descended on the Bolton goal.

R. Flynn had the ball in the net only for the "goal" to be disallowed for off-side. Soon afterwards D. Walsh had a half volley cleared off the line as the pressure mounted. J. Arrigan made a tremendous one handed save from B. Kir-

wan before K. Hallahan was fouled in the centre circle. J. Shanahan's searching free-kick was superbly won by R. Flynn at the back post and L. Barron was ready and waiting to head a brilliant equaliser. With the Blues defence now looking their usual solid selves and the mid-field quartet dominating, Dungarvan always looked capable of grabbing a winner and in the 86th minute a superb chip from 25 yards by L. Barron that flew high into the net over the despairing J. Arrigan gave Dungarvan a victory they just about deserved.

Dungarvan — B. McGrath, B. Kirwan, J. Shanahan, B. Whelan, G. Leahy, J. Walsh, K. Hallahan, D. Wyse, C. Flynn, L. Barron, R. Flynn. Res. — D. Walsh (used), S. Duggan, T. Kenneally. Ref. — M. Lee.

Dungarvan are now odds on favourites for the league title and at most require two points from their three remaining games which are — Southend (a); Johnville (h); Tramore (h).

#### DARREN WYSE

Sincere congratulations are extended to Darren Wyse on the De La Salle team which won the Munster Final of the Under 18 Schools Cup.

## NARROW DEFEAT IN MUNSTER CUP SEMI-FINAL

Limerick City 2, Dungarvan United 1

Dungarvan Youths' long unbeaten run came to an end in Friary Park on Sunday last. This was the Blues first defeat in over a year and in that time they had played 30 games. This was a typical semi-final clash, full of tension and few scoring chances. Indeed, neither side created any clear-cut chances over the ninety minutes.

Dungarvan enjoyed the better of the opening half and Limerick custodian C. Flynn made a fine save from B. Kirwan on the half hour. In the 44th minute a C. Flynn corner was headed into the net to the delight of the Dungarvan supporters.

However, on the resumption, Limerick got the break they needed when Irish Youths international, A. Finnan hit a long shot that was going wide until it took a wicked deflection and beat B. McGrath, to level the score at 1-1. K. Hallahan almost restored Dungarvan's lead but was foiled by last ditch tackles on two occasions.

Gradually the midfield got on top but the sterling play of B. Kirwan, J. Shanahan, B. Whelan and

J. Walsh meant that B. McGrath got little to do. The all-important third goal came in the 76th minute when I. Tier scored direct from a corner to put Limerick 2-1 ahead.

The Blues almost snatched the game out of the fire in the last 10 minutes when a Ray Flynn header beat the keeper but was cleared off the line and in the last minute a T. Kenneally cross appeared to be handled in the box, but despite Dungarvan's appeals for a penalty the referee waved play on.

Dungarvan — B. McGrath, B. Kirwan, J. Shanahan, B. Whelan, J. Walsh, K. Hallahan, G. Leahy, D. Wyse, C. Flynn, L. Barron, R. Flynn. Res. — T. Kenneally (used), S. Duggan, D. Walsh.

### F.A.I. YOUTHS CUP FINAL

# ALL IS READY FOR THE BIG SHOWDOWN!

Next Sunday will see Dungarvan United write another illustrious chapter to their magnificent season when they do battle with Milford United (Donegal) in the final of the Bank of Ireland sponsored FAI Youths Cup final at Ozier Park, Waterford (kick-off 3 p.m.).

Up to this season, no side from Dungarvan had ever advanced beyond the quarter-final stage of the national competition, but this year the history books have been rewritten.

Milford, like Dungarvan, are appearing in their first final and it promises to be a battle royal. The Donegal side have accounted for famous names like St. Michael's (Tipperary) and Casement Celtic (Cork) along the way. They are reputed to be extremely pro-

fessional as well as possessing a huge support.

Indeed, Dungarvan have been well supported for their cup run and the Youths squad would like to sincerely thank the generous sponsorship afforded by so many locals.

Ozier Park is sure to be packed to the rafters next Sunday and we appeal to young and old alike from Dungarvan and the whole West Waterford area to come early and to give the side the support it deserves.

## ROAD TO THE FINAL

Dungarvan United began their long campaign on a wet Sunday morning on October 9, 1988. Park Rangers provided the opposition but the Blues turned in a clinical display and won by 9-0 with goals from Ray Flynn (3), Liam Barron (2), Bryan Kirwan (2), Colum Flynn (1) and Thomas Kenneally (1).

Next came a tough away assignment in Carrick. The home side went ahead on the half hour but two goals in the last minute of the first half, both from Ray Flynn, left Dungarvan 2-1 ahead at half time.

However, Carrick equalised to take the game into extra time and then went 3-2 ahead. It was in injury time that Ray Flynn completed his hat-trick to force a replay.

Dungarvan made no mistake in the replay and were far more convincing winners than the 2-0 scoreline would suggest. The goalscorers were Ray Flynn and Bryan Kirwan.

The area semi-final was a repeat of the previous year's final against Johnville. A tough and competitive game saw Dungarvan triumph thanks to two superb Liam Barron goals.

Next came the eagerly awaited area final against arch rivals Bolton. Played in driving rain on St. Stephen's Day, Dungarvan had a fantastic 5-1 victory despite trailing 1-0 at one stage. The goals came from Ray Flynn (2), Darren Wyse

(2) and John Walsh (1).

The fifth round was another away tie in Kilkenny against Evergreen. Again the Blues went 1-0 down after only three minutes but they hit back to win by 3-1 with goals from Ray Flynn, Darren Wyse and Liam Barron.

The quarter-final was a daunting one indeed with a visit to Whitehall to take on the amateur league aristocrats Home Farm, who had beaten Dungarvan 4-0 a year earlier at the same stage. However, on a day never to be forgotten, when the side turned in probably its best display ever, Dungarvan won by 3-1 with goals from Kieran Hallahan (2) and Colum Flynn (1).

The semi-final saw Dungarvan on the road once again with a journey to Limerick to tackle Janesboro. In a cauldron atmosphere and amid fantastic support, Dungarvan went behind again, but hit back with goals from Ray Flynn and Liam Barron to record a fully deserved victory and set them up for next Sunday's final against Milford United.

# DUNGARVAN BID FOR ALL-IRELAND

**F.A.I. Youths Cup**

## GLORY

**Dungarvan v Milford**

BRIAN WHELAN

DAVID WALSH

At last the speculation has ended. It has been confirmed that Dungarvan United have a "home draw" and their Youths team will take on Milford (Donegal), in the F.A.I. Youths Cup All-Ireland Final at Ozier Park, Waterford, on Sunday next April 23 at 3 p.m.. It will be a historic red letter day for the local club as they bid to emulate the feat of Bohs who were the last Waterford club to lift the cup way back in 1947. Martin Walsh, whose son David is on the panel for Sunday, led Dungarvan to an Ardagh Cup Final triumph in Ozier in 1976. The same venue produced cup victories for club team managers Tommy Wall, Jim Walsh, Michael Lyons and Liam Curtin. Will fortune favour Youth managers John Walsh and Kealan O'Neill on Sunday? Sunday will ask a lot of the team — the final hurdle is always monumental. But their pedigree and character cannot be faulted or questioned. They are recognised as a lethal outfit, sound at the back and midfield and devastating up front. They are a step away from making history — and history in sport has been shaped down through the years by those dedicated to their game. Dungarvan's dedication is unquestionable — they have proved this beyond doubt. Here's hoping that on Sunday they enjoy the luck they richly deserve. They carry the best wishes of all in their bid for All-Ireland glory. Go to it lads — make our day!

### ★ PEN PICTURES OF THE PLAYERS ★

#### DEFENDERS

★ **BARRY McGRATH** has done very well in goal since winning his place at the turn of the year. His command of the penalty area has been impressive and he is sure to instill confidence in his defence.

★ **BRYAN KIRWAN** has adjusted well to a new position this season after playing all his football as a centre half. He has also contributed six goals this season.

★ **BRIAN WHELAN** has been the model of consistency at centre half all season in this, his first year with the club since signing from Kilmacthomas.

★ **JOHN WALSH** at left back has also settled in well in a new position and his heading ability has improved significantly. John has also played in all under-age grades with the club and should continue to progress through higher ranks in the club. He has scored two goals this season.

★ **JOHN SHANAHAN**, sweeper and skipper, uses his footballing skill and intelligence very well in his role and has also scored 5 goals this season. John was honoured recently by the Referees' Society, Waterford Branch when being chosen as their Youths Player of the Year.

★ **SEAN DUGGAN** is a most skilful player and can be relied upon to fill any of

the defensive positions. He has scored once this season.

#### THE MIDFIELD

★ **KIERAN HALLAHAN**, operating on the right flank, has troubled

determination are vital to the Blues, and he tackles well. He has knocked in 3 goals this season.

★ **DARREN WYSE** has fitted in very well since joining the club in October

★ **COLUM FLYNN** operates on the left flank and has been in tremendous form over the past three months. His accurate crossing and intelligent runs make him a very valuable player with 5 goals this season.

★ **DAVID WALSH** can play in any of the midfield positions and gave a great display recently against Villa in the Munster Youths Cup. David will be a Youths player for the next two years and has 3 goals to his credit this season.

### SUCCESSFUL MANAGERS

JOHN WALSH

KEALAN O'NEILL

John and Kealan can be happy with the success of this team so far this season and the commitment and dedication of managers and players on the training ground has played a part in this success. They can pick from a full strength panel for the final. The managers have practiced a lot of set pieces and are sure to have the team in top shape for this historic encounter. They will not settle for less than the All-Ireland title. We hope they achieve the reward they deserve.

many defences with his turn of pace and explosive shooting. He has contributed 12 goals this season.

★ **GER LEAHY** always plays well in every position and his workrate and

last and his 'touch,' vision and passing help create the chances; he is very hard to dispossess. Darren has scored 5 goals this season. His height and strength is an important factor for us in every game and he has been very consistent.

#### FORWARDS

★ **LIAM BARRON** has been in devastating form recently, with his turn of pace catching many defenders out. The "sprint champion" of the side, he has scored 21 goals this season. His main attributes include his ability to "read" the game and his "first time" strike rate.

★ **RAY FLYNN** can operate in midfield and up front. A hard worker and a brilliant header of the ball, he is the top scorer with 23 goals this season. The reason for his being top scorer is his ability to take his goals from any distance. He is without doubt a goal-keeper's nightmare!

★ **THOMAS KENNEALLY** can always be relied upon to knock in a goal or two, as he did in the recent Munster Youths cup game against Villa. He has scored 10 goals this season.

# SENIOR AND INTERMEDIATE HURLING CHAMPIONSHIPS COMMENCE

On this coming week-end 22 of the 23 senior and intermediate hurling teams in the county will set out in search of a title and while the senior competition may overshadow the other championship, many of our hurling fans are looking forward to an exciting start to the new county intermediate championship.

## MOUNT SION v. BALLYDUFF

I preview this game first for a number of reasons. Mount Sion are our reigning county champions and are probably entitled to top billing. Also it is the only game in the senior championship being played on Saturday evening and will therefore officially open the championship for 1988. But my chief reason for writing about this particular clash, is that the meeting of these teams in the third round at Dungarvan last year, was probably the most discussed match of the league section of the entire championship.

Having beaten Cappoquin and Dungarvan and Mount Sion having been beaten by Dunhill, a win for the Western team looked not only possible, but likely. A substantial lead at half-time confirmed this opinion and Mount Sion looked beaten. Second half changes which included the introduction of Jim Greene transformed the city side and after Greene's three goals, Mount Sion were laughing all the way to the county final and another title. With Mount Sion having lost to Dunhill in the Sargent Cup last week and Ballyduff having won the Keaneland Cup when beating Tallow and Lismore over the past couple of weeks, one could say that there is a similarity in the build up to this first round game that is sure to bring the crowds to Fraher Field on Saturday evening.

In spite of their Sargent Cup lapse, the county champions with Peter Walsh, Ger Fitzpatrick, Shane Ahearne, Pat and Kevin Ryan, Pat McGrath, David Power, etc., etc., will be strongly fancied to make a better start than they did last year, when losing the first round to Dunhill.

Ballyduff, fresh from their Keaneland Cup win will attempt to reverse the result of their last meeting with the Monastery team, and with Seamie and Seamus Daly, Richie and Michael Walsh, John Quirke, Michael Leamy, etc., all bang in form, I suppose a repeat is not out of the question.

## TALLOW v. CAPPOQUIN

Three wins on-the-trot over Portlaw (1-13 to 1-10), Clonea (3-13 to 3-4) and Lismore (2-10 to 2-8) seemed to have Tallow well

on course to a county final last year until their unexpected defeat by Roanmore at Dungarvan, put an end to their ambitions for '88 when they lost by 2-11 to 2-7. The only game in which they have since appeared was the Keaneland Cup match against Ballyduff and in which they were decisively beaten. There are rumours-unconfirmed that they are showing signs of fading out as a hurling force at this level. For Tallow's sake as well as for the county I hope these rumours are unfounded, as the Brideside were one of the most skillful teams to play in (and win) the senior championship, in the eighties.

Were it not for a really great performance against Dunhill, whom they really surprised (2-6 to 0-10) Cappoquin who lost to Ballyduff, Ballygunner, Mount Sion and Dungarvan, would have finished up pointless in the championship last year.

The result from their football engagements so far seem to indicate that the club are concentrating on the big ball game. I know that a number of their players who have given excellent and very dedicated service to the club over the years, are now beginning to feel they have enough 'mileage' up on the playing fields and plan to hand over to some of their up and coming young players to restore the club to its rightful place on the list of challengers for a county title. With only last year's record and results to go by, I must give Tallow a hesitant vote to win.

## DUNGARVAN v. LISMORE

A very disappointing display against Ballyduff in the Keaneland Cup final on Saturday evening, is not likely to help the confidence of Lismore for their first ever meeting with Dungarvan in the senior championship. I know that they have clashed in the grades some decades ago, but since Dungarvan graduated three years ago, they have not played each other in the championship. Two years ago Lismore were in the county final, but had just two wins last year (Roanmore and Shamrocks).

Dungarvan defeated Cappoquin by a couple of points last year — they having lost to Mount Sion,

Dunhill, Ballyduff and Ballygunner. With Lismore in a 'low' situation just now it may be Dungarvan's chance to get off to a good start for the championship. With players of the calibre of Derek Lyons, Dermot Callaghan, Eddie Burke, Peter Queally, Thomas Curran, Martin Houlihan, Tony Hamilton, Pa and Chris Meehan, John Fitzgerald, Peter and Morrie Ferncombe, Martin Sheehan, etc., they must be in with a very good chance of getting this first round win.

## ROANMORE v. CLONEA

Unless there is a big turn-about in standards, Roanmore must be strongly fancied to win this tie at Portlaw on Sunday evening. They were without a few of their leading players last week when losing to Portlaw in the senior league but Roanmore will

have all their stars for this one and should win.

## AT WALSH PARK

Ballygunner and Dunhill clash in the opening game here and the 'Gunners' who lost in the replayed county final last year are favourites to take the points.

When they clashed in the championship last year Ballygunner won on the score of 4-9 to 2-9. Dunhill's win over Mount Sion in the senior league should help their confidence, but still, it will come as a surprise if they win.

Portlaw will be favourites to beat Passage in the feature game at the city venue. They were in top form last week when beating Roanmore and it would be regarded as a big set-back to the club to lose to the new intermediate champions, Passage, who will be having their 'baptism of fire' in the senior grade.

## MINOR HURLING CHAMPIONSHIP

# WATERFORD TAKE ON LIMERICK AT THURLES

Following a very tough preparation in which no stone was left unturned in an effort to get the team into shape, supporters will be hopeful of a good result from our first round championship game against Limerick at Thurles this Wednesday evening. Maybe there is more hope than confidence as one might judge, following a rather disappointing run in the special Munster minor league.

The only game which we won was on Wednesday evening last at Ardmore when we defeated Kerry very decisively. In challenge games against Galway and Offaly we fared far better, so really it is difficult to make an acceptable assessment of the teams real merit. That will be done to-night and as was requested at the last County Board meeting, it is hoped that as many from the county as possible, will travel for the game.

Over the past couple of years, our record at this level has not been good. Last year at Midleton, Cork beat us by 2-17 to 0-4 after we had been given a walk-over by Kerry. In the previous season we lost to Limerick by 2-13 to 2-5 at Thurles. Following a final get-together over the week-end the team to represent us was named. The seven substitutes have not been

named as they had not been finalised.

# INTERMEDIATE FOOTBALL

## SLIABH gCUA v. GERALDINES

Going on present form, Sliabh gCua will be strongly fancied to end up with four points on the table after playing Geraldines, in round three of the intermediate football championship on Friday evening. Geraldines, well beaten in their first game, will need to show greatly improved form if they are to stay in the race for this title. I doubt if they will win here.

## ARDMORE v. BRICKEYS

This will give us one of the most exciting football games of the week-end and even though they have lost their two first rounds, the Brickeys at their best are not far behind the best in this championship. Ardmore had an easy win against Geraldines in their first game — they won't

have it so easy here, even though they will be slight favourites to win.

# MINOR FOOTBALL

Last week, Waterford's minor footballers scored a good win against Carlow in the South Leinster league, but to the surprise of many people, their game against East Cork in the Munster league did not materialise, because of the withdrawal of the Cork team. The team have now gone into strict training for their first round game against Clare on May 10.

Two further rounds of this championship will be played over the next two Sundays, after which there will be a break until after the summer examinations.

G.A.A. NOTES

BY "COMMENTATOR"

# INTERMEDIATE HURLING CHAMPIONSHIP

Ten of the eleven clubs who will play in the new county intermediate hurling championship will be in action over the weekend and only Shamrocks, who were relegated from senior status at the end of last season, will have to wait until the second round on the first Sunday in May for their first round game.

### SAVIOURS v. TRAMORE

The interesting thing about this pairing is that Tramore were, last year, promoted to intermediate status, having won the junior county title and Savioours, by their own volition, decided to opt for the intermediate grade as they successfully did from intermediate to senior in football two years ago.

This will be played on Saturday evening at Walsh Park and will be the opening game in this new hurling championship. The Ballybeg club are predominately football orientated and in this regard are very much like Mount Sion in reverse.

Tramore, on the other hand, have been playing around in both codes for a few years, they have quite a few skilled players and in their 3-13 to 1-6 county junior title victory over our champions Ballysaggart, they certainly did enough to satisfy me that they will be quite a force in this competition. They must win this one on Saturday.

### ABBEYSIDE v. DE LA SALLE

It is a long, long time since these clubs clashed at senior level in the years when standards were far better. Both are now strug-

gling in the intermediate grade and it will be a major surprise if either club take this title. De La Salle have been showing slight improvement when playing in the Eastern championships over the past couple of seasons and caused a big shock when beating Erin's Own last year.

Abbeyside caused a bit of a shock recently when beating the demoted Shamrocks in the special Western intermediate championship.

This game at Dunhill can be entertaining and with Abbeyside's Michael Collins, Jimmy Healy, Tom Kenneally, Tom Power, Pa McGovern, Pat Walsh, Sean McGrath, Michael Riordan, etc., all having shown good form in their first game this year, it could see the Western team emerge victorious.

### KILGOBINET v. STRADBALLY

With Pat and Peter Power having moved away from Kilgobinet, they are not likely to beat Stradbally who lost to Fourmilewater in the divisional final last year. Stradbally, the stronger side, are one of the fancied teams in the championship and seem to be assured to be involved in the closing stages.

This is the evening game at Fraher Field and will be the fifth to be played over the weekend at this venue, so hopefully the weather will be good enough to

allow the full programme to go ahead.

### COLLIGAN v. ERIN'S OWN

This will be the first of two attractive afternoon games at Fraher Field and is likely to result in a win for the Damien Byrne, Liam O'Connor led city side. Colligan Rockies did not fare as well as expected last year, but if Jimmy, Liam and Billy Beresford, Pat and Michael Dunford, Tony Keane, Billy Fraher, Paddy Coffey, Billy Kennedy, Anthony Walsh and company play to their top form then an upset is

not out of the question.

### FOURMILEWATER v. ST. MOLLERANS

The Ballymac' side are the reigning champions who failed by a couple of goals to match Passage in the County final. Their counterparts in football created a big shock by beating Butlerstown, indicating that the players are very fit.

Mollerans were in contention in the East up to the final stages last year and will push Fourmilewater to the limit, but I doubt if they will be good enough to beat our champions.

## COMPLETE WASH-OUT

It was probably the biggest number of cancellations ever caused by the very poor weather conditions, when a total of twenty championship games were called off on Sunday morning after venues had been inspected by officers of the three Boards.

It was the first time ever that an entire programme for the county had to be called off and with all three Boards, it will mean refixing the games, for the week-end at the end of the published schedule of games. Therefore the refixtures will not interrupt the planned schedule of games.

The senior fixtures committee met in Dungarvan on last night (Tuesday) and the Western Board officers are due to meet on Friday to decide on refixtures.

The Divisional Board are also likely to discuss the withdrawal of Lismore in minor football and Affane's

failure to field in junior football against Shamrocks on Friday evening last.

### SCHOLARSHIPS

Judging by the number of enquiries that are being made, there seems to be a great interest in the County Board's scholarship scheme this year. As announced here last week, the interviews will take place at Dungarvan and Portlaw on the first Saturday in May and the application forms will be available from club secretaries within a week or so. Applicants must have an attachment to the association, through a club, Scor, or camogie, etc.

## JUNIOR FOOTBALL

### FAHA v. MODELIGO

Because of cancellations, both these clubs missed out on a first round match last Sunday, for both it will be their first outing of the season. Both stayed in the hunt for a title until the closing stages last year and it was quite a saga between them until the third attempt to resolve a unique deadlock, resulted in a win for Faha, who subsequently lost to Stradbally in the divisional final. Faha will be slight favourites to gain the points here as they invariably play well in the early part of the championship.

### AN RINN v. BALLINWILLIN

Last year, these clubs were two grades apart, but because the Tourin based football side won the junior 'B' championship and An Rinn were granted regrading by the Western Board, they now find themselves in opposition in the junior football championship. There can be only one outcome to this meeting with An Rinn taking the points. If they don't, the people who voted against their regrading last February should apologise.

### FAHA 'B' v. MELLERAY

Faha are due for a busy week-end with two teams in action within 24 hours. Melleray will be strongly fancied to beat them in this game, unless Faha's reserve side have improved very considerably since last year.

### RESULTS

As will be seen from our result column the four championship matches that did take place, were all very close affairs, with not more than a score or two separating the sides in all the games.

Affane, following their 0-7 to 0-6 win over Shamrocks last week, had another very narrow 0-6 to 0-5 win over Sliabh gCua in their second round intermediate football tie at Fraher Field on Saturday

evening. As the score suggests, this was a close and fairly exciting affair played before a small gathering of supporters who braved the bad weather on the night. The result puts Affane up front on the league table in this championship and if they maintain this form they should stay in the headlines for the season.

It was my intention to start this week with a league table for the intermediate and senior football championships, but because of so many cancellations, it would be pointless doing it at this stage.

Sliabh gCua will have a hard luck story to tell about this one, but I have no doubt but that they will emerge as one of the clubs in strong contention before the summer (?), is out.

The Shamrocks got back into winning form at the expense of Brickeys, who have suffered two defeats in succession. A goal made the difference here and the losers were more than a bit unlucky not to have at least equalised. The result means that Shamrocks are still well in contention and Brickeys will have to win all, or nearly all of their remaining games to make sure of a place at the finish.

The junior football championships got underway on Saturday evening when Ballinacourty defeated Kilrossanty at Stradbally. For a second string game this was a splendid contest with both sides giving it all they had for the hour. Ballinacourty with their two well taken goals, just about deserved to win.

A three points win for the Brickeys put the club back on the winning trail and their second string showed a fair amount of talent. Like Ballinacourty, the two goals made the difference in this enjoyable game.

The Sargent Cup 1989 got off to a good start with both preliminary rounds between the four Eastern teams being played. Dunhill repeated their championship success over county champions, Mount Sion when winning by 2-7 to 1-9 and Portlaw had a very easy passage to the second round when beating Roanmore by 3-13 to 0-9.

This knock-out competition and the draws for the second rounds were made last night and will be published next week.

## STRADBALLY G.A.A. NOTES

### INTERMEDIATE HURLING

On Sunday next April 23, our intermediate hurlers open their championship campaign, when they play Kilgobinet in Dungarvan at 7 p.m. This being our first game, it will prove very hard to win, but with every player coming to full fitness, we cannot rule out a win, and maybe we could pull one off.

### GOOD LUCK EOIN

Everybody wishes the very best of luck to our club secretary, Eoin O'Brien, "Lissadell", in the final of "Know Your Sport" on R.T.E. this week.

The prize for the winner is a trip to New York for two, for two weeks — a chance of a lifetime! But no matter what happens, Eoin is guaranteed a valuable prize — good luck Eoin!

### SOCIAL CENTRE ACTIVITY

On Friday evening April 21, the card whist game returns to the Centre at 8.15 p.m., with lots of valuable prizes. On Sunday night next April 23, by popular request Willie White provides the music for members and friends.

### NO FOOTBALL GAME

Our championship game v. Butlerstown last Sunday was cancelled owing to the weather. Our next game is against Ferrybank on Sunday week, April 30 in Dunhill at 3.15 p.m.

### JUNIOR FOOTBALL CHAMPIONSHIP

Our junior footballers will shortly be taking part in the championship as they will be defending their title, extra effort will be needed this year if we are to make progress in the same grade.

## JUVENILE NEWS

Both county divisional teams were in action in the Munster under 16 hurling championship over the week-end. The Western team scored a very good win over the Cork side Carrigdown, but the Eastern team, who are the reigning Munster champions, lost to East Cork.

On Saturday next the two Munster sides meet in the final of the Gleeson Cup at Walsh Park. It was planned to play this two weeks ago to give the teams a try-out for the provincial championship, but no venue was available because of poor weather.

# TOURANEENA NOTES

### PIONEER NOTES

Unfortunately the Touraneena P.T.A.A. senior and junior teams' gallant run ground to a halt in Freemount Community Hall on Sunday afternoon, April 9. They should feel proud however of their performances, as the standard of questions certainly came from the top division. Our senior team of Dan Cullinan, James Condon, Alan Looby and Ollie Hearn, (sub for Pat Hearn) were only one point away from a chance of qualifying for the All-Ireland final. The junior team of Pat and Thomas Keane, Aishling Grace and Raymond Ryan acquitted themselves really well. A hired bus load of loyal supporters travelled also.

It was a tremendous achievement for the newly formed club to get so far on their first attempt. Well done to all concerned.

### CONGRATS

Congratulations to John Skeehan who was recently selected to represent the National Youth Federation on the European Co-ordinate Committee of the international movement for Rural and Christian development (M.I.J.A.R.C.) whose last meeting took place in Leuren, Belgium, from the 17th to the 19th of March.

This committee is responsible for the co-ordination of all the rural youth movements in Europe which meets twice a year and also organises various seminars

and language courses on a European level.

It's a great honour to represent your country at international level and we wish John the very best of luck in his new position which is the culmination of his many years of being involved in youth work on a local, regional and national level.

Our first championship game of '89 takes place in Abbeyside on Sunday afternoon next at 3.15 p.m. when our footballers take on Old Parish. We could hardly have asked for a more difficult opener — Old Parish from a traditional football area are newly graded from junior proper and will prove very stiff indeed. Players should be in Abbeyside at 3 p.m.
