**E.P. ELECTIONS**

## MRBI POLL INDICATES CHANGE IN MUNSTER

According to an Irish Times/MRBI opinion poll published to the "Irish Times" last Monday there may be significant upsets in the European elections of June 15 with Fine Gael and Fianna Fail losing three seats to the Progressive Democrats, the Labour Party and independents.

The survey was conducted by the Market Research Bureau of Ireland on behalf of the "Irish Times" among a national quota-controlled sample of 1,600 electors aged 18 years and upwards, weighted to represent each of the four European Parliament constituencies in the country and covering 160 sampling points. Survey interviewing took place on Friday and Saturday, May 5 and 6, and the accuracy level within each constituency is estimated at plus or minus approximately 5 per cent.

In Munster where the outgoing strength of the parties is F.F. 2, F.G. 2, Indp. 1, a number of factors in the poll have contributed to the fact that it is the most enigmatic of the four to read and currently the only certainty is that Fianna Fail will hold two seats and Fine Gael one, and most likely that independents will have one with the final seat being fought for among the Labour, P.D. and Fine Gael candidates.

The survey indicated an overall party strength of 40% for Fianna Fail (up 1% from last time); 16% for Fine Gael (down from 29%); 15% for Labour; 7% for Progressive Democrats and 22% for W.P., S.F. and Independents.

From this it would seem that the seat of Mr. Gene Fitzgerald (outgoing F.F.) is safe while of his two running mates, Mr. Paddy Lane at present holds a slight advantage over Waterford T.D. Mr. Jackie Fahey.

On the Fine Gael side, the party's sitting MEP Professor Tom Raftery is seen to be slightly stronger than Mr. John Cushman but with only a little more than one quota, a second seat for them is unlikely.

The Independent MEP, Mr. T. J. Maher is performing strongly at the moment

and he seems likely to retain his seat with the fifth seat going to Mrs. Eileen Desmond (Labour) or-less likely to Mr. Pat Cox of the Progressive Democrats. The Rev. Patrick Ryan has shown poorly and the withdrawal of the Sinn Fein candidates in his favour is unlikely to have any significant impact.

**THE OTHER CONSTITUENCIES**

In the Dublin constituency (Outgoing F.F. 2, F.G. 2) the only certainties indicated in the survey are Fianna Fail one and Fine Gael one with the Labour, P.D. and W.P. candidates all hovering around half a quota with Labour holding a slight advantage.

Leinster constituency (Outgoing F.F. 2, F.G. 1): There is nothing in the survey to suggest the result

here will be any different to that of 1984.

Connacht/Ulster (Outgoing F.F. 2, F.G. 1): The primary indication is that each will win one seat with the battle for the third vital seat promising to be a long one as is typical of European election counts with the possibility of Fianna Fail losing a seat to either Mr. Neil Blaney (Indp.) or to Mr. Bobby Molloy (P.D.).

**DON'T KNOWS**

One final observation on the poll which will undoubtedly add to the uncertainty of the outcome is the relatively high level of undecided voters in all four constituencies. With rather more than one in five uncommitted, many of the candidates will see this as an impetus towards stepping up the campaign.

## Urban Council To Join In Civic Reception

Mr. Brian Swift, T.D., deputising for the Minister for Sport, Mr. Frank Fahey, T.D., officially launched the "Be Active Be Alive" week organised under the aegis of the Co. Waterford Vocational Education Committee at the Causeway Tennis Club, Dungarvan, last Sunday. The group pictured above following the launching ceremony includes: Back row (l. to r.) Very Rev. Canon G. Power, P.P., Cllr. B. Kyne, Chairman, Waterford Co. Council, Mr. Dan Hurley, Co. Manager, Cllr. A. Hallahan, Chairman, Dungarvan U.D.C., Mr. D. Kelleher, C.E.O. and Mr. K. Heffernan, Principal, Vocational Education Committee, Mr. J. Ryan, Manager A.I.B., Mrs. R. Byrne, Munster Council Tennis Association. In front (l. to r.) Miss Laois Browne, Munster Council Tennis Association, Mrs. Mary Ryan, Chairman, Lismore Town Commissioners, Mr. Brian Swift, T.D., Rev. Fr. Paul Murphy, Chairman, Youth & Sport Advisory Committee, Mrs. Ann Kelleher, President Causeway Tennis Club, Miss O. Carroll, representing Tramore Town Commissioners. —(Photo: David Stearn).

When Cllr. Austin Hallahan, Chairman, proposed at the monthly meeting of Dungarvan Urban Council last Monday night that the congratulations of the Council be extended to the Dungarvan Utd. Soccer Club on winning the Youths F.A.I. Cup Final, he suggested that they should join with the Co. Council in according the members of the winning team a civic reception. "We can then make it a joint venture," he said.

All the members agreed with the proposal and Cllr. Kyne who is also a Committee member of the Utd. Club said that it was only logical for both Councils to have a joint participation in the reception. As most of the boys on the team would be engaged shortly in doing their exams he said that it would probably be at the end of June before it

could take place. "The details still have to be hammered out," he said.

**CONGRATS TO ABBEYSIDE A.F.C.**

On the proposal of Cllr. Kyne, the members of the Council joined unanimously in extending congratulations to the Abbeyside A.F.C. on winning the Cup and League double.

# TRAMORE TOILETS — "A HOLY SHOW!"

Speaking at the monthly meeting of Waterford County Council in Dungarvan last Monday week, Cllr. Paddy Cahill complained that the public toilets at Strand Street, Tramore were "a holy show" on the previous Sunday.

There was urine flowing out from under the doors and the smell was absolutely disgraceful. He said that he had been inundated

with complaints about the appalling condition of the toilets and he appealed to the County Engineer to do something about the situa-

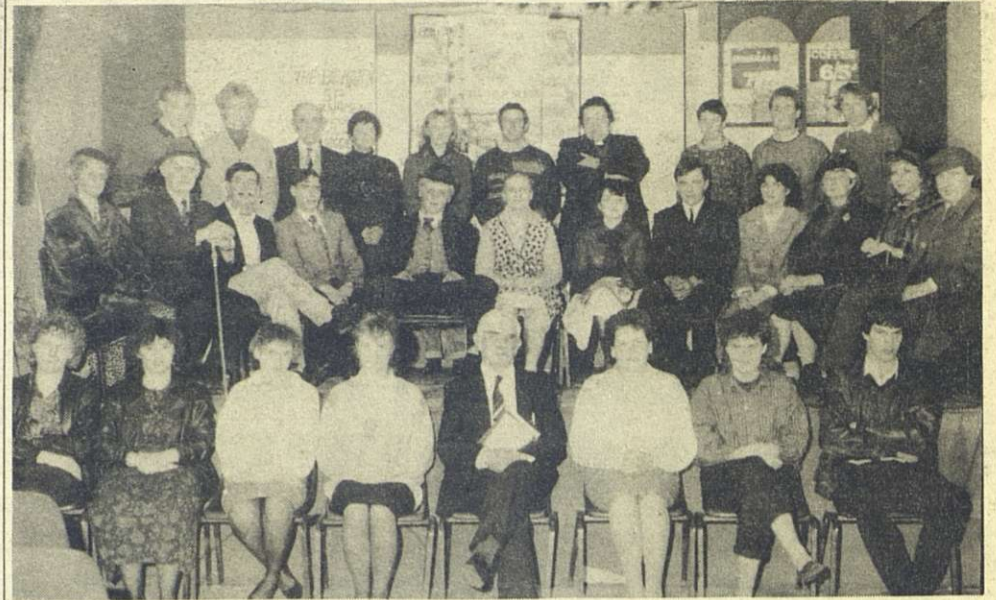

tion, and "to do it now and not to-morrow."

Cllr. Seamus Dunphy supported what Cllr. Cahill had said and said that while he did not want to give Tramore a bad name, this was something that must be attended to.

Cllr. Billy Kyne, Chairman remarked that while Cllr. Dunphy might not want to give the resort a bad name he was doing a very good job in doing just that.

The Co. Manager, Mr. Hurley, said that they had a very successful local arrangement in Tramore for looking after the toilets last summer and discussions were going on to see if this could be repeated this summer. The situation had occurred on the previous Sunday because of the very fine weather which brought a big crowd to Tramore.

## Letter To The Editor

### AS OTHERS SEE US!

Dear Sir,

Recently a group of eight adults and children spent their Easter vacation mainly in the south of your country. Some of them had been in Ireland several times. Back home we are now reflecting on what we saw.

In order to get in close contact to our host country and its people we toured the area between Cork, Lismore and Dungarvan by car, public bus and on extended walks. We received every help we needed, advice before we could ask, and felt to be heartily welcome. We admired the beauty of the landscape: cliffs, beaches, rivers, estuaries, the lovely silhouette of green hills, and snow topped mountains on the horizon.

But there is one thing which doesn't fit into this picture: We found litter almost everywhere. At places the banks of Blackwater river are covered by

countless lemonade bottles and cans. Abandoned cars can be seen in otherwise most picturesque ravines, unwanted refrigerators are disposed of behind charming stone walls. Farmers often use any suitable ditch not too far from their nice homes as a garbage dump, fertilizer sacks are allowed to fly away after having been emptied, those of recent years can be seen trapped in hedges. Along the road lemonade cans spoil the view for the walker. Apparently all that is worse than a few years ago.

We are not competent to say that you must change or how you should do it and we hesitated to write at all. But in the end we thought friends should tell what they couldn't fail to notice.

Kind regards,

UDO HERRMANS

## STAND-IN TRAFFIC WARDEN

The County Manager has made an order on behalf of Dungarvan Urban Council appointing Mr. J. D. O'Shea, 87 Springfield, Dungarvan, as temporary Traffic Warden (and Litter Warden) for Dungarvan during the absence on sick leave of Mr. James O'Donovan.

## Offensive Fish Odours Land Ring Company In Court

Comhlucht Plaisteaic Na Rinne, a firm engaged in the fish processing business with premises at Ballinagoul, Ring, were defendants at Dungarvan Court last week in a case brought against them by Waterford County Council under the Planning and Development Act.

Mr. J. Curran, Solr., for the Council said that the defendants were summoned for failing to comply with a warning notice served on them and with an unauthorised develop-

ment at their plant at Ballinagoul, namely the gutting of fish which was an operation not permitted under the permission granted them by the Council.

In reply to a query from District Justice W. F. O'Connell, Mr. Curran said that the matter arose following a complaint by a neighbour of offensive odours from the plant on February 1 last.

Mr. J. Quirke, Solr., Middleton for the defendants said that the firm was engaged in processing herring

but said that as soon as the warning notice had been received from the Council the operation was stopped. They were now seeking an alternative site for the plant before the operation would again begin and were close to reaching a decision on a suitable location.

District Justice O'Connell convicted the defendants on the charge of unauthorised gutting of fish, imposed a fine of £50 together with £100 costs.

## THE LAUNCHING OF THE BARQUE OF PETER

The Church, during the past few Sundays, has been telling us about the Holy Spirit, the Third Person of the Blessed Trinity. She has mainly focused attention on His coming, and the work He'd do. Last Sunday's readings provide us with a description of His entry, and the reaction this has on the Apostles. Jesus, as you know, had not only told them of the important role of the Holy Spirit, but had also warned them to remain on in Jerusalem, and wait His coming. The first reading deals with His arrival, the circumstances and the transforming power of the Divine Spirit. St. Paul, in the second, reminds us that our love of God is totally dependent and bound up with the Holy Spirit. And, the

Gospel goes on to recall an occasion following after the Resurrection, when Jesus appeared to His disciples and poured the Spirit of God into their souls.

The accounts of the Advocate's entry tells us that the disciples were gathered at prayer in the Upper Room when He came. His entrance was accompanied with a loud whisper and thunderous sound, and whilst it is clear the disturbance was local to the house, it was heard in the city, and large numbers gathered to see what had happened. The Holy Spirit manifested His presence under the form of tongues of fire resting over the heads of all those present. Prior to this, the Apostles were somewhat lost and uncertain, but immediately on being filled with the Holy Spirit, they were no longer afraid. Boldly,

they confronted the people, and confidently proclaimed the word of God. The Church was launched, and the outcome was amazing. Thousands believed, and were received.

Jesus had fashioned, built and installed the workings, but it was left to the Holy Spirit to set the Church in motion, and then watch over, control and maintain the operation. In other words, Jesus having finished His part of the work ascended into Heaven, and left the command and guidance to the Holy Spirit. Indeed, Christ is still with us in the Eucharist, but He does not use His presence to administer or to operate the working of His Church. That He already relinquished. His presence in the Eucharist is to serve us in our great act of worship, and provide us with Heavenly

Bread. However, even these blessings are made available to us by the Holy Spirit. It is the way instituted by God to bring salvation to mankind.

## THE SOUL AND LIFE OF THE CHURCH

Somehow, we are able to conjure a picture of Jesus, because He came down and dwelt among us. He clothed Himself with human attire, but the Holy Spirit has not made Himself visible to us other than by signs. Yet! having God's word, we have no problem in accepting and in believing that on Pentecost Sunday, He came down and took over the work of salvation from where Christ left off. He is now the soul and life of the Church. I am sure you will not have forgotten that when Jesus infused the power to forgive sin

into the Apostles, He made it clear that that power would be generated through the Holy Spirit.

There are times, such as, the administration of the Sacraments and the preaching of the word, when you could almost visualise the Divine Dove hovering over-head and waiting the opportune moment to pour nourishment and life into the recipients, and make the word fertile. You must have heard or read time and time again the words invoked by the Priest at Mass asking that the gifts be made holy by the power of the Holy Spirit. The priest is the instrument, but it is the Holy Spirit who changes the bread and wine into the Sacred Body and Blood of Christ. And, just as it is He who pours life through the Sacraments, He also watches over,

and preserves the Church's teachings from error.

Reverting to the happenings on Pentecost, the effects from the presence of the Divine Spirit were spectacular. The fear of the reluctant and timid disciples was replaced with strength and confidence. Somehow, our response and reaction to the indwelling of the Spirit do not measure up! Look at the way we act and live. Where is the vitality one expects from one filled with the Holy Spirit? Yes, we fail because we allow ourselves to be choked up with temporal matters.

We need to open our eyes to what is on offer, and if we do, we'll be guided by new values, establish a new relationship with God and experience the joy of His peace and happiness. So, jump aboard. You'll be in safe hands.

# POPULATION PROBLEM FOR INDUSTRIALLY STARVED WEST WATERFORD

Cllr. Walsh said that the towns of Cappoquin, Lismore and Tallow had been completely neglected as far as industrial development was concerned and unless something was done to rectify the position these towns would wind up with populations of very young and very old people.

"Because there is no work for the young people, all of these towns are in danger of going under and the situation will end in disaster," said Cllr. Walsh.

Cllr. Ollie Wilkinson said that he would have to totally back this motion. "For years," he added, "our area of West Waterford has been starved industrially and were it not for the firm of Mr. D. O'Connor in Cappoquin I don't know what would have happened."

Cllr. Wilkinson went on to point out that their Commissioner in Brussels, Mr. MacSharry, in addition to agriculture was also in charge of Rural Development. "In addition to seeking help from the IDA we should also look at the EC

avenue of rural development," he said.

Cllr. Jimmy Quirke also said that the motion had his full support as some kind of industry was very badly needed for West Waterford.

### CONSTANTLY TRYING

The County Manager, Mr. Dan Hurley, replying to the motion said that he was very well aware of the unemployment problem in West Waterford but pointed out that through the County Development Team they were continuously in contact with the IDA. "We are taking all the steps that can be taken and we are trying constantly to overcome the problem," he said.

The motion was then put to the meeting and carried unanimously.

## On-The-Spot Fine In Drunk Driving Case

A man who was stated to have no permanent address was ordered to pay a fine forthwith or remain in custody until the fine was paid when he pleaded guilty to a charge of driving with excess alcohol at Dungarvan Court last week.

He was Edward Harty who was stated to be married and unemployed.

Supt. P. J. Hayes who prosecuted stated that at 1 a.m. on October 23 last, Garda T. Lyons was on duty in the official car when he observed a car being driven in an erratic manner at Glendalligan, Leamybrien. He stopped the car which was being driven by the defendant and arrested him and took him to the Garda Station where a blood sample was taken. On subsequent analysis, the sample gave an alcohol reading of 255 mgrms.

Supt. Hayes said that as the defendant had no permanent address, any fine imposed should be collect-

ed forthwith.

District Justice O'Connell remarked that for someone earning no money the defendant had a very high alcohol concentration on the occasion. "To be two-and-a-half times above the permitted concentration must cost some money," said the District Justice. However as the fine would have to be paid forthwith he would limit it to £25 but ordered that if the defendant did not carry that much on him he would have to remain in custody until the money was paid.

In addition the defendant was disqualified from driving for twelve months with an endorsement on his licence.

## Fianna Fail's National Plan Described As Vague By Joe Sherlock W.P.

Workers Party Munster Euro candidate, Mr. Joe Sherlock, T.D., speaking in Waterford recently said the National Plan on which Fianna Fail are contesting the European elections will mean nothing in terms of real jobs or prosperity for the majority of people in the Munster region.

He described the Plan which was produced without consultation with local interests as a vague document which refuses to specify in exact terms the number of jobs that will be created. The National Plan is made up of 123 pages but only 17 pages mentions jobs in any way.

Pinpointing Waterford as representative of the appalling victim of economic disasters on a national level, Mr. Sherlock said Waterford had been mentioned in terms of aspirational require-

ments for job creation. He said that as far as Waterford was concerned a serious job plan would set out to examine the high spots of unemployment and look at the industries that have lost jobs and attempt to put down a plan for modern industry on this basis.

Referring to the recent study of the Waterford Economic Development Board for the Waterford Development Area Mr. Sherlock said that many of the figures used are old and out of date. The figures given for jobs lost and gained apply to the latest, 1987. He said that a year was a long time in economic life when the situation is changing rapidly and pointed to the loss of 1,000 jobs in the Waterford Glass industry which dramatically changed the figures of unemployment in 1988.

*Did you know that sunflowers are a sign of love?*

We have a good reason for asking. You see, in Munster consumption per person of Flora - which is made from pure sunflower oil, and is high in polyunsaturates and low in cholesterol - is only half that of the rest of Ireland.

Yet worldwide medical opinion today strongly recommends that we all try to eat less of what they call saturated fats as part of a healthy lifestyle. And more polyunsaturated fats, like Flora, to lower the risk of heart disease.

So, when you put Flora's sunflower goodness on the table it shows just how much you care. The question now is, do we have enough Flora to keep Munster supplied?

FLORA. BECAUSE YOU CARE FOR YOUR FAMILY.

# WINTER IN APRIL CAUSED WIDESPREAD DAMAGE

According to the current issue of An Bord Glas News, nineteen-eighty-nine will be remembered as the year when April was more wintery than January. The severe frosts that affected many parts of the country on the nights of April 23 and 24 have given fruit growers much to ponder over.

The damage was widespread, but some areas, some crops and some varieties escaped altogether. Methods of protecting early field crops with new plastic film was tested on a large scale — and was found wanting in some respects.

While the damage to fruit crops in particular could run into hundreds of thousands of pounds, valuable lessons have been learned. We can't stop frost from occurring, but we can take steps to reduce its effect.

**CAUSE OF DAMAGE**  
The Meteorological Service report that April 1989 was the third coldest April this decade with average temperatures generally one or two degrees centigrade below normal. Although average temperatures in 1983 and 1986 were lower, these years had fewer nights with below zero temperatures.

The four degrees of air frost recorded in many parts of the country on April 24 was the lowest temperature for the month since 1973. The south Kilkenny/Waterford area, with temperatures of -2C, was less severely affected.

**APPLES**  
Apple blossom was damaged in most parts of the country with the Dublin area faring worse than South Kilkenny and Waterford.

Differences between crop

varieties in their susceptibility to frost is more clearly seen with the apples than with any other fruit. Bramley's Seedling, the supreme cooking variety, is the most sensitive. Its blossoms can be destroyed when still at the tight green cluster stage. According to Niall O'Kennedy, ex-Head of the Apple Research Station, Ballygagin, damage to blossom in the Dungarvan area varies from 75% on Bramley to nil on Katja, Golden Delicious and Laxton's Superb. Damage to Jonagold, Jonathan and Cox's Orange Pippin was noticeable but not nearly as severe as with Bramley.

It is impossible for growers to estimate their final yields at this stage. Trees usually carry many more flowers than are needed to set a full crop. Over 75% of Bramley blossom was

killed at the Horticultural College, Kildalton in 1988, yet the trees carried a full crop. In fact, that crop made more money than any before, simply because a heavy fruit set leads to undersized apples unless expensive fruitlet thinning is done. Nevertheless, Leo Doyle, Teagasc, feels that damage in many orchards is so severe that treatment with gibberellic acid is needed.

This technique, based on natural growth processes, has given good results in trials at Kildalton in recent years. After normal pollination, apple flowers produce gibberellic acid. This is the chemical messenger sent by the flowers to the tree for energy to enable fruitlets to develop.

In a frost year like 1989, provided the entire flower has not been destroyed, sprays of gibberellic acid to blossom that has not been pollinated, or only poorly pollinated, can stimulate the development of fruitlets and give a good yield.

## Restoration Of Quotas

The Deputy President of the ICMSA, Mr. Tom O'Dwyer said that the Minister for Agriculture and Food should vigorously pursue

an EC campaign to obtain increased quotas for smaller scale producers. Mr. O'Dwyer said that Ireland should join forces with

similar interests in the EC, the French in particular, to get the 5.5 per cent suspended quotas restored.

ICMSA have adopted a policy seeking the immediate restoration of the suspended quotas to all small scale producers. It is not sufficient for the Minister of Agriculture to merely voice passive support for the French proposals to increase quota of small quota holders. Mr. O'Kennedy should adopt a clear policy on this issue and actively campaign at European level for more favourable treatment for family operated dairy farms. The quota system has led to greater hardships on small scale dairy farmers as witnessed by the rapid deadline of over 10,000 in the number of dairy farmers since 1984. Small scale dairy farmers cannot wait until the end of the present quota system in 1992. Restoration of the suspended quotas would be an interim measure pending the implementation of a new and more favourable quota regime in 1992.

## National Commemoration Day Association

A Chara,  
At a meeting of the above on Monday, 17th April, 1989, it was decided to issue the following letter.

1. This association is strictly non-political. The founder members include men who served in the British Army and subsequently in the War of Independence, and men who took opposite sides in the Civil War.

2. The common bond between its members is the Oath of Allegiance taken by all members of the Defence Forces to the Constitution.

3. The fundamental commitment under that oath is fidelity to the Irish Nation as defined in the Constitution.

4. The Constitution rejects the right of Great Britain to occupy any part of the national territory as defined in Article 2.

5. The collaboration between the Irish and British Governments (formalised by the Anglo Irish Agreement 1985) which purports to confer legitimacy on the British occupation of part of the national territory is contrary to the Constitution.

6. Offences attributed to Irish citizens which follow from the illegal occupation by Great Britain of part of the national territory are political offences.

7. Arising from the above this association is opposed to the extradition of Irish citizens to British jurisdiction on political charges.

8. Mindful of the failure of all efforts by Britain up to the present day to impose a military solution on Ireland this Association asserts that it has been proved beyond doubt that peace between the British and Irish people can never be established until the British Government decides to end its occupation of Ireland.

9. Re-iterating the terms of the UNANIMOUS DECLARATION OF DAIL EIREANN of 10th May, 1949, this Association accordingly appeals to all Irish people to support the Constitution by combining together in their own areas, to urge the members of central and local authorities and other representative bodies, to call upon the British Government to begin the process of ending the present occupation of the six North Eastern Counties of Ireland, as the only realistic path to peace.

We look forward with confidence to your support. Kevin Boland, Chairman, former Minister; Captain Martin Bell (Retd.); Captain Jim Kelly (Retd.); Comdt. Jim Lavery (Retd.), DSM; General Sean McEoin, DSM (Retd.), former Chief-of-Staff and GOC UN Forces in the Congo; Comdt. Martin McEvoy (Retd.), Secretary; Captain Jack O'Brien (Retd.), PRO; Comdt. Sean Sheridan (Retd.).

## DISSOLUTION OF LAND COMMISSION

"Foul and Fraud" is the description given by Dan McCarthy to the Bill now before the Dail to dissolve the Land Commission.

Mr. McCarthy is Chairman of the ICMSA Family Farm Development Committee.

Mr. McCarthy said the Bill was foul because it will permanently damage the viability prospects of thousands of very good small farmers. It is a fraud he said because An Taoiseach, Mr. C. J. Haughey, T.D., scarcely two and a half years ago when he led the Opposition, promised ICMSA that accompanying the Bill to dissolve the Land Commission would be a Bill to establish a new Land Authority.

"The Minister for Agriculture is now presiding over the sale of land to unqualified persons at the rate of 3,500 acres per month.

"This cannot be defended particularly at a time when hundreds of well qualified young persons with either Green Certificates, or of one years training at an Agricultural College, or on completion of the three year Farm Apprenticeship Scheme, are forced to emigrate, for the want of land.

## Law Charge Coming On Landowners Liability

Following a series of consultations involving the Minister for Justice, Mr. Gerry Collins, TD, the IFA and the National Association of Regional Game Councils (NARGC), positive steps are being taken to clear up the current widespread confusion and anxiety among farmers with regard to potential civil liability claims in the event of accidental injury to persons coming on to their lands for field sports and leisure activities.

When representatives of IFA and NARGC met at the Farm centre in Dublin recently it was agreed that the situation was far too urgent to be diverted into a Law Reform Commission study, which could take years to conclude.

NARGC National Director, John Murphy, welcomed the progress made by IFA in its discussions with the Minister for Justice towards updating and clarifying the area of law in relation to aspects of field sports. He said it was significant that these discussions had strongly favoured

a continuation of the traditional access to the Irish countryside for sporting and leisure activities.

### MUST NOT BE TAKEN FOR GRANTED

Mr. Murphy emphasised, however, that this long established custom and practice must never be taken for granted by those who have enjoyed the hospitality of landowners in the pursuit of their field sports activities. He pointed out that his Association, through its game Hunting Compensation Fund, already protected the third-party liability of its 20,000 members and any contingent liability which might attach to farmers over whose lands they enjoy shooting permission.

The NARGC Director added that his Organisation shared the concern of IFA in relation to the activities of substantial numbers of free-lance hunters who were not part of any organised structure and who were most unlikely to have any form of insurance or indemnity cover in case of accidents.

Tallow 0-13,  
Clonea 1-10

Tallow senior hurlers played an 0-13 to 1-10 draw with Clonea in the championship on Sunday week last in Dungarvan.

Tallow scorched into a 7 point lead after 20 minutes and were all over Clonea in this period. A couple of points from Clonea reduced the deficit, but Tallow led by 4 points on the resumption (0-10 to 0-6).

A goal from Clonea 10 minutes into the second half brought them back into the game. It was nip

and tuck to the end, with Timmy Sheehan equalising with 2 minutes to go.

The heart and spirit of past Tallow teams was evident in this game, with every player playing his part, and with a bit more spirit this Tallow fifteen may well avoid relegation.

Martin Murphy was outstanding in goal, his full-back line did everything asked of them, especially in the first half. The half back line were tremendous. The midfielders contributed 4 points, and inside, the forwards played well, with Pat Murphy leading the way and Con Ryan trying his heart out at full forward and kept going to the final whistle.

Cunningham, Jim O'Donoghue, Ger Sice, Tomas McCarthy, Mick Beecher, Brian Henley, Tim Sheehan (0-3), Dermot Henley (0-1, free), Kieran Murphy (0-1), Steve Curley (0-2), Mark Geary, Bart O'Donoghue, Pat Murphy (capt.) ## FINED AND DISQUALIFIED AT LISMORE COURT

**A 21-year-old County Cork motorist behaved in a most gentlemanly way towards the Gardaí after they had arrested him on suspicion of drunk driving, District Justice W. F. O'Connell heard at Lismore District Court.**

Kieran Browne, Mandeville Terrace, Mitchelstown, pleaded guilty to driving with excess alcohol at Lismore in the early hours of January 29 last. Browne was fined £75, the conviction was endorsed, and he was disqualified from driving for the mandatory 12 months. The disqualification however will not commence until August 1.

At the same Court a County Waterford building

contractor, who claimed he had one glass of Guinness with his lunch more than four hours before his involvement in a head-on, two vehicle, crash, was convicted of drunk driving.

Matthew P. Walsh, Glenmore, Lismore, was also convicted of dangerous driving and District Justice O'Connell described Walsh's driving on the occasion as "dangerous in the extreme".

## "DOLE" MONEY GOES TO PAY FINE

**A fight between two brothers which took place at Davitt's Quay, Dungarvan on April 23 last landed one of them in Court at Dungarvan last week.**

The defendant was John Cawley, no fixed abode, who was charged with being drunk and disorderly on the occasion.

Garda R. Dunne gave evidence that he found the two brothers fighting and throwing bottles at one another. He arrested the defendant who then gave no

further trouble.

Supt. P. J. Hayes said that it was a case of two much drink being involved.

District Justice O'Connell convicting the defendant imposed a fine of £20 which he ordered to be paid forthwith.

When the Court was informed that the defendant

did not have the money and would have to wait until he drew his unemployment assistance the following day to pay the fine, the District Justice allowed an extension of time until then remarking that when he had the fine paid the defendant would not have a lot left to go drinking.

## Abbeyside Scout Notes

### "BE ACTIVE, BE ALIVE"

As part of the "Be Active, Be Alive" campaign all Saturday nights activities at the troop meeting were geared towards being active.

The meeting opened with the scout prayers. This weeks revision was based on the physical fitness chapter in the scouting trail just to get us mentally tuned up.

After the subs were collected the "regulars" did some press-ups and other various exercise and stretches before heading off on a three mile jog which took them out the tracks as far as Barnawee, in the

coast road in the tracks and back to the den — there were some surprises on the route like the lack of staying power of tennis star Pdraig Verling and soccer stars Derek Kenneally and Brendan Flynn while sprinting hero Derek 'Carl Lewis' Hayes found the S.L. a good challenge in a sprinting contest. John Organ and Theo Dorman-Kade managed a very strong finish, the reason why is only known by the two.

While the "regulars" logged the "new recruits" plodded and pranced along with Ciaran Walsh our S.P.L. leading the way, Mark Hourigan, Michael Hickey and John Kyné were three of our stars here.

After everyone had arrived back a mini soccer league took place with Aidan Mullarkey, John Paul Cosgrave, Liam Moore and Derek Kenneally the captains. Most prolific goal scorer was Mossie "Aldo" Keith with Smiley Stewart banging in one also.

With everyone now exhausted after a very active night it was back into the den for this weeks notices. First on the agenda was the draw for the prize from the sponsored walk and the winner was a very deserving Colin O'Connor, one of our top collectors. We closed the meeting with the closing prayers.

### GENERAL NEWS

Last Friday night we had our May Church Parade

when the weather was very favourable, our leaders were P.L. Aidan Mullarkey and A.P.L. Anthony Hackett while Neil and Thomas Moore were our altar boys.

Our next parade comes up on Thursday, June 25, when we parade in the annual Corpus Christi parade.

Our office has received a major facelift recently, it got a lick of paint followed by the laying of some carpets. The kitchen also got spruced up with Theresa working very hard on the mop and dishcloth.

Summer must be here for our annual canoeing sessions are getting under way under the supervision of Unit Leader Brian Mulvihill. So Ciaran, Liam and company will be a-float very shortly.

Our "new recruits" under the care of Kieran Veale and Ciaran Walsh are working very hard at their test-work and it is hoped an investiture will take place in the very near future.

We congratulate S.L. Ray on the recent passing of his driving test. Now that he has lost his 'L's' there will be no holding him back. We wonder will he venture over to the motorways in England having just returned from a recent break.

A.S.L. Tomas Walsh is following in Ray's shoes as he undertakes his test in a couple of weeks. We wish Tomas the very best of luck, and wish both many happy and safe years of motoring.

The swimming classes being organised by the club are a great success and great strides (or should I say strokes) have been made by the members. We have a few more weeks left yet to the end of the course, so we expect to see great aquatics skills on the beach this summer.

A night out has been arranged for next week to the Opera House in Cork. The start of, hopefully, many more such outings in the future.

New members are always welcome. Watch these notes for details of our next meeting.

# BALLYSAGGART NOTES

## BALLYSAGGART DISAPPEARS OFF THE FACE OF THE EARTH

As far as the County Council is concerned Ballysaggart it seems no longer exists. Up to recently people trying to find this lovely spot got some help from a signpost located on the Ballyduff Road near Lismore Golf Course. Now, however, this sign has disappeared and we are beginning to feel isolated and lonely here. As it can be of little use to anyone else — "could we have our sign back please."

## BALLYSAGGART 2-12 CLASHMORE 2-7

On Saturday evening last our junior hurlers secured their first points of the season with a hard earned five point victory over Clashmore. At half time we led by two points, 2-5 to 2-3, but with the wind at our backs we struggled for most of the second half and it was only three points in the last five minutes that ensured victory.

## BALLYSAGGART v. ST. MARY'S THIS SAT- URDAY NIGHT

Our junior hurlers continue their quest for championship points when they face St. Mary's in Cappoquin on Saturday evening next at 7 p.m. Mary's have full points from two games played and defeated Clashmore recently by a whopping fourteen points. This is a measure of the size of the task facing us and we will need to show considerable improvement on

current form to win this one.

# BALLYDUFF MACRA WIN THREE IN A ROW

History was made at the Gaiety Theatre, Dublin, on Sunday night last when the Ballyduff Macra na Feirme set dancing team won the Bic City of Dublin Macra National Talent Competition for the third year in succession.

It was fitting that the branch which this year is celebrating the 25th anniversary of its foundation should complete the three in a row at this time.

Since its formation in April 1964 the branch has won All-Ireland titles in drama, public speaking, stocktaking, farm tasks and of course set dancing. Only last month Richard Keane won the National beef stock judging title.

The dancers on Sunday

night were Anne Scanlon, Anne Casey, Mary Nurphy, Geraldine Casey, Paddy Ahern, John Murphy, Mossy and John Casey. Musical backing was provided by Theresa Noonan, Ethel Dempsey, Pdraig Berry and Raymond Dempsey.

Congratulations to the dancers and musicians alike on bringing further All-Ireland success to Ballyduff Macra na Feirme.

# DUNGARVAN SCOUT NOTES

## WEDNESDAY NIGHT CUBS

The meeting began as usual with our cub prayer and roll call. C.L. Susan then made announcements on our camp to Glenshellane next weekend.

We then began our fun games. We divided the lads into two groups — some of them played crab football, whilst the rest played cat and mouse with A.C.L. Paula. Winners on the night were Daniel, Olan, Eoin and Mike.

We then played 'scrambling letters' — Dermot's group won nearly all of the contests, showing good teamwork. They were closely followed by Olan and Seamus.

At 8 p.m. A.C.L. Tom took the lads going for investiture while the girls read through the merit badges for the rest of the boys who are going to be very busy from now on. The meeting ended with our prayer. Until next week.

## OBITUARY

# MRS. JOSEPHINE KIELY

We write with sadness on the passing of Josephine Kiely, Mitchel Terrace, Dungarvan, which occurred on Monday, May 15 at the District Hospital following a short period of hospitalisation. The deceased was wife of the late Ned Kiely of Old Parish.

To her brother Dick Carey, sister-in-law Kathy, relatives and friends we offer our sympathy at this

time.

On Tuesday, Josephine's remains were brought from the hospital mortuary at 7 p.m. to Ring Church. Following the 11 a.m. Requiem Mass on Wednesday, Josephine was laid to rest in the adjoining cemetery.

Full obituary in next week's issue.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Remembering Other Days

We go to Kilmacthomas this week for the picture for our "Remembering Other Days" series. Taken in the 1950's, it was one of the first photos taken by the now well-known and widely popular Photographer, John Kiely of Kilmacthomas and shows a group of locals who that year were present at Perks Carnival at the Green, Kilmac'. In the group are — Front row (from left) Pat F'ynn, Patsy Wall, Tommy Murphy (jockey), Roy Battye and David Kirwan. Back row (from left) Margaret Crowdle, Mary Beattie (R.I.P.), Brian Foley and Celia Crowdle.

# PENSMAN Takes You... Behind The SPOTLIGHT

## HUGE BACK-LOG IN PATIENT TREATMENT AT ARDKEEN

The huge waiting lists for the treatment of in-patients and out-patients at the Waterford Regional Hospital in Ardkeen as detailed in a report from the South Eastern Health Board dated May 11, indicate in the clearest terms the absolutely decimated condition of the country's health services.

The report was referred to by Cllr. Billy Kyne at this week's monthly meeting of Dungarvan Urban Council. Cllr. Kyne who is also a member of the Regional Health Board said that despite all the talk going on about European elections and a possible General election the fact was that people were suffering badly from the drastic cut-backs in the health services.

Reading from the report, Cllr. Kyne stated that as of March 31 last, there were 1,504 out-patients waiting for surgical treatment at Ardkeen while there were almost 500 in-patients awaiting for treatment in the ENT unit at the hospital. In the out-patients ENT unit the number awaiting treatment, as at March 31, was 899 while 370 patients were on the waiting list for Out-patient orthopaedic treatment.

These figures, Cllr. Kyne stated, showed the terrible state that the health services were now in. The fact that there were more than 1500 people waiting for treatment alone in the Waterford Regional Hospital for out-patient surgical treatment proves this beyond any doubt, he added.

## AN APPEAL FOR PUBLIC SUPPORT

We had a phone call dur-

ing the week from the County Manager, Mr. Dan Hurley, thanking us for high-lighting in this column last week the vandalism and damage done to the ornamental flower tubs and shrubs placed at vantage points around Dungarvan which, in recent weeks has forced the Urban Council to remove them entirely. As we pointed out, we feel sure that those responsible represent a very small minority — a young, irresponsible hooligan element — that loses its self-control in the late hours of the night or the early hours of the morning and who mount attacks of this kind under the cover of dark.

However, the County Manager, who is undoubtedly a true optimist, informs us that he is planning to give the floral tubs project another chance but in doing so he has issued an appeal to the general public for support for the project and to ensure as far as possible that there will not be more of the wanton destruction and damage that was carried out a few weeks ago.

Mr. Hurley, anticipating an influx of visitors to Dungarvan for the June Bank Holiday week-end in a fortnight's time, and anxious to make the area as attractive looking as possible plans to have the floral tubs and shrubs replaced by then

along the Causeway and at other places around the town from where they had to be removed because of the scandalous vandalism that went on.

In addition, the County Manager issues a call to the people of the entire Urban area to join with him in his plan to beautify the locality by introducing window boxes not only to private houses but, where possible, to business premises as well.

We have seen what a great difference these window boxes can make and what a symphony of colour they can be responsible for at the seaside resort of Ardmore where there was a marvellous community effort mounted a couple of seasons ago for their Entente Florale entry. But while it might be rather fanciful to expect a similar effort in Dungarvan, we do think that the people of the town should give serious consideration to this latest suggestion from the County Manager to enhance the beauties of the Urban.

Perhaps the suggestion is one that might be actively supported by the Traders Association, Junior Chamber and the ICA and any other society or organisation which has the welfare of the town at heart.

And finally, before leaving this subject, may we suggest that more attention could be given to some environmental education in our schools which would make our young people conscious of the need to protect our amenities from the type of hooligan vandalism to which much of it has recently been subjected.

## FOR LONDON READER

A letter has reached us from a reader in Hendon, London NW4 concerning pension rights and medical services when he retires and decides to return to this country.

As the address on his letter appears to be insufficient to enable us to reply by post, the only thing for us to do is to suggest to him that he direct his inquiries to the Community Information Centre at the Courthouse, Dungarvan where, we feel sure, he will get all the information he is seeking.

## WAS FOUNDER MEMBER OF MACRA

Arising from the photograph in our "Remembering Other Days" series and published in last week's

issue which recalled an outing by founder members of Dungarvan Macra na Feirme to the farm of Dr. Juan Greene in Co. Kildare in 1948, it has been drawn to our attention that the name of the late Mr. Tom Maher of Dungarvan was omitted.

The late Tom Maher was the well-known and widely popular CEO of the County Vocational Education Committee for several years and in addition to being a founder member of the Dungarvan Macra he also served as President of the Macra County Executive.

## TRAFFIC LIGHTS AT KILRUSH JUNCTION

The new set of traffic lights at the Kilrush junction on the Dungarvan Bypass have now been completed and are fully operational.

A call to our newsdesk during the week from a Ballinacorney reader stated that the lights were still not functioning correctly and that the red stop light was not lighting when the green filter arrow came on to permit traffic turning right from the Waterford side on to the Cappoquin road to proceed.

We had a look at the junction ourselves as a result of this call last Monday and approached on the by-pass from the Waterford side. We pulled in about 100 metres short of the junction and observed the working of the light panels and the manner in which the traffic was now controlled for about five minutes. We could see nothing wrong with the functioning of the lights and noted that the sequence worked perfectly.

We must admit that it could be somewhat confusing for the uninitiated to see such a battery of lights facing them when they approach the junction and that for drivers not used to such sequences it could be difficult to make the immediate required response as the colours change. All that is required is a little experience and a little patience. We can assure everyone concerned on the best authority that the traffic lights now installed at the Kilrush junction are of the highest standard available and are identical with those used in similar situations on the Naas dual carriageway.

So all we can say to drivers is: take care and stay safe!

## THE HOLY GROUND

Our choice for the ballad corner this week is "The Holy Ground," a ballad that was on everybody's lips when it was one of the most popular with the Clancy Brothers in their hey-day a couple of decades ago:—

Adieu to you, my darling,  
Ten thousand times adieu,  
My ship will now be sailing  
To bear me far from you.  
Oh, to leave my lovely Dinah,  
You're the girl I do adore,  
But still I live in hopes to see  
The Holy Ground once more—Fine girl you are!

Chorus: ( after each verse)

You're the girl I do adore,  
But still I live in hopes to see  
The Holy Ground once more—Fine girl you are!

Oh now I'm salt sea sailing  
And you are far behind.  
Kind letters I will write to you  
With the secrets of my mind.  
With the secrets of my mind—Fine girl you are!  
You're the girl I do adore,  
But still I live in hopes to see  
The Holy Ground once more—Fine girl you are.

Now I hear a storm arising,  
I can see it coming soon;  
The night is dark and dreary  
I can scarcely see the moon.  
And our good old ship is tossing about,  
And the rigging is all tore,  
But still I live in hopes to see  
The Holy Ground once more—Fine girl you are!

Now we are safe at anchor  
And soon we'll be on shore;  
We will drink a health to the Holy Ground  
And the girls we do adore.  
We will drink strong ale and porter  
Till we make the taproom roar,  
And when our money is all spent  
We will go to sea for more — Fine girl you are!  
You're the girl I do adore, But still I live in  
hopes to see,  
The Holy Ground once more—Fine girl you are!

# RECENT DEATHS

## MRS. ELLEN POWER

On Monday evening, May 8, the sad news filtered through the Old Boro of the death of Mrs. Ellen Power, 80 Congress Villas, Dungarvan, who had been in the care of the Matron and staff of St. Joseph's Hospital for seven years.

A member of a well known seafaring family, her father Patrick Fitzgerald died on duty while tending to his marine occupation and was interred in faraway Capetown. Ellen's brothers, Jimmy and Paddy, like many others of that era, took the emigrant trail back in 1912 to the USA, while Ellen herself stayed at home and some years later married Geoff Power who was well known in musical circles and with his brothers provided entertainment for audiences in many places.

Predeceased by Geoff by 33 years, Ellen herself had reached the great age of 94 years. A deeply religious woman and a daily Mass-goer up to the recent past, Ellen always had her priorities in perspective. She loved to stroll around Fr. Twomey's and up Miss Kiely's Boreen with her great friend Mrs. Margaret O'Brien (nee Maher) of O'Connell Street, discussing the topics of the day and witnessing mother nature in all her splendour.

Ellen was a very quiet and unassuming person who took a great pride in her home and the well being of her family. The visitations of her sons from London and daughter from Canada were always eagerly awaited.

In a life span that covered the entirety of the century, she could relate many an interesting anecdote from her experiences and from social life generally. Prior to her hospitalisation, she proved herself an excellent neighbour and good friend, hence she enjoyed great popularity and was always spoken of with the highest of praise and acclaim.

To pen Ellen's obituary without mentioning her

neighbour Jonie Healy of 82 Congress Villas would be most remiss. Jonie was a true friend and neighbour who over the years must have worn a path to Ellen's hospital bed where she listened and encouraged Ellen through her period of ill-health. Her kindness and consideration have not gone unnoticed by Ellen's family, and the public. Many times during the obsequies one overheard people singing the praises, and deservedly so, of this remarkable neighbour.

Sincere sympathy is extended to her sorrowing family and relatives on their great loss.

Following prayers of requiem at the hospital mortuary on Tuesday evening, Ellen's remains were brought to St. Mary's Parish Church where they were blessed and received by Rev. T. Rogers, C.C., assisted by Rev. W. Carey, C.C. and Very Rev. J. O'Sullivan.

On Wednesday morning the interment took place in the adjoining cemetery following Requiem Mass celebrated by Very Rev. Canon G. Power, P.P., who also conducted the bidding prayers at the graveside, assisted by Rev. J. Griffin, C.C., Rev. W. Carey, C.C., Rev. J. Hooper, O.S.A., Rev. Fr. Rogers, C.C. and Very Rev. Fr. J. O'Sullivan.

Chief mourners — John Joe, Jimmy, London (sons); Ethna, Canada (daughter); Robert Plashkes (son-in-law); Nina, Jean and Eileen (daughters-in-law); Jack and Joe, Cappagh, Ned and Nick, England (brothers-in-law); Kitty Kerwin, England (sister-in-law); James, June, Linda, Ellen, Geoffrey, Fiona and Siobhan (grandchildren); Sean Patrick Keaney, London (great-grandchild) and a wide circle of nephews and nieces which include Dennis and Nellie Fitzgerald and many based in Yonkers, New York, cousins the Stokes and Walsh families, Youghal Road, relatives and friends.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## MISS GERALDINE O'MARA

Feelings of profound sorrow and regret were occasioned at news of the death of Miss Geraldine O'Mara, Knockboy, Ballinamult, which sad event occurred at the South Infirmary, Cork, on Saturday, April 29. She was just 19 years of age.

Geraldine attended Touraneena National School before boarding at the Mercy Convent in Dungarvan, and went from there to the School of Commerce in Cork.

Daughter of Tomas and Mairead O'Mara, she was grand-daughter of the late Captain John O'Mara and she had worked for a short time in computers in London.

She had been most active before her illness and played badminton, tennis and basketball.

Geraldine who would have been 20 in November, was a most charming young lady whose sparkling personality won the hearts of all those who came to know her.

Her death at such an early age has been the cause of much sorrow to her many friends, but even more so to her heartbroken parents, sisters, brother and other family relatives, to whom we extend deep and sincere sympathy on their tragic loss.

Removal took place from Dungarvan hospital to Touraneena Church on Monday evening, May 1, where the remains were received and blessed by Rev. Fr. Kehoe, C.C., assisted by Rev. J. Kiely, O.S.A. (cousin), Fr. Ahearn, C.C., Fr. Lloyd, C.C., Fr. Hallahan, C.C., Very Rev. Fr. Callanan, P.P. and Very Rev. Fr. Power, P.P. Schoolchildren from Touraneena and Dungarvan provided a guard of honour.

Concelebrated Mass on Tuesday morning was celebrated by Fr. J. Kiely, O.S.A., with co-celebrants Fr. Power, P.P., Fr. Crowley, C.C., Fr. Ahearn, C.C., Fr. Griffin, C.C., Fr. Barry Walsh, Fr. O'Dowd, C.C., Fr. Carey, C.C. Eamonn Power played the guitar and a Mercy Convent student played the flute and Bernie Gleeson sang appropriate hymns. Orla Butler and Peter Ahearn read the lessons, and prayers of the faithful were read by Marina and Philip (brother and sister) and Owen Butler.

Following the Mass the interment was made in the adjoining cemetery. Fr. Kiely, O.S.A., officiated, assisted by Fr. Ahearn, C.C., Fr. Crowley, C.C., Fr. Griffin, C.C., Fr. B. Walsh, Fr. O'Dowd, C.C., Fr. Carey, C.C., Fr. Power, P.P. There was a large attendance at both funeral and

burial and there were many floral tributes placed on Geraldine's grave.

The chief mourners — Tomas and Mairead (parents), Marina and Judy (sisters), Philip (brother), uncles and aunts, grandmother Margaret Barry, godmother Phil Cahill, Middleton, relatives and friends.

(Funeral arrangements were by Tom Drohan.)

## MR. PATRICK WALSH

We record with regret the death of Mr. Patrick Walsh, Barnakill, Kilrossanty, which occurred on Saturday, May 6, at the District Hospital, Dungarvan, at the age of 92 years. He was a member of the farming community and was a very successful farmer who was also well respected in the greyhound business and he himself had a very good greyhound known as "Willie Warrior." He was also a great follower of the Kilrossanty GAA Club. Possessed of a very kind disposition, he was a very quiet and gentle man whose death is deeply regretted.

Before removal from Dungarvan hospital to Kilrossanty Church on Sunday, May 7, prayers were said by Fr. Hickey, O.S.A. On arrival at Kilrossanty Church the remains were received and blessed by Very Rev. Fr. Frawley, P.P., assisted by Canon Flynn (cousin).

Following Requiem Mass on Monday morning celebrated by Fr. Frawley, assisted by Fr. Power, C.C., interment was made in the adjoining cemetery.

He is survived by his cousins, relatives and friends to whom we extend deep sympathy.

(Funeral arrangements by Tom Drohan.)

## JUNIOR CHAMBER BROCHURE

As readers are already aware, Junior Chamber Dungarvan is at present preparing a brochure of clubs and societies in the town. It is hoped that this will serve as a valuable guide for everyone.

The response from many organisations has been encouraging but as we would like to make the list a fully comprehensive one, we appeal to all those clubs and societies who have not yet sent in their entries, to do so immediately.

If clubs wish to be included they should send the information to: The Secretary, Junior Chamber, Dungarvan, 56, Silver-springs, Dungarvan. The information to send is location and time of event and a contact name and number.

The course was beautiful as usual thanks to our groundsman Frankie. Dorothea was delighted with all the beginners who played in the morning and we look forward to seeing them all out again soon.

The prizes and the meal that followed were absolutely fabulous and the whole event went off with-

out a hitch, again thanks to Dorothea, Dave and all the family.

## LISMORE G.A.A. NOTES JUVENILE SECTION

Lismore proved that their winning of the Paddy Whelan tournament was no fluke by winning and winning very decisively indeed the Western Final of Feile na nGael. The final was played at the Cappoquin venue on Monday night last, May 15, with old rivals Dungarvan the opponents. But Lismore were in no mood for defeat and despite Dungarvan's gallant efforts there was only one team going to win, that being Lismore.

Lismore now face Eastern champions, St. Saviours on Saturday next, May 20, in the County final in Dungarvan. As these notes are being written no time has been fixed, so please, note the notices in the shop win-

dows later this week for the exact time.

Lismore are the Feile na nGael (Div. 2) All-Ireland champions, so they will be expected by all the experts to defeat St. Saviours. But a word of caution, champions are there to be beaten. So lads when you meet St. Saviours next Saturday, give it everything you have and bring the Feile na nGael title back to Lismore. Loyal supporters please come to the final to cheer your team on. — P.R.O. Lismore G.A.A. Juvenile Section.

## LISMORE CRICKET CLUB

Lismore played their first game of the new season in the Munster junior league at home on Sunday last against Tralee. After the proverbial cracker, Lismore collected two winning and precious points.

Batting first Tralee hit up a very impressive score of 146 runs all out, but the Lismore attack had all the visiting batsmen out for just 30 overs in a 40 over game.

Bowling honours here to Pat Quinn 3 wickets, Paddy Pollard and Eric Flynn 2 each while D. Edwards, Tony Bones and Ger Kennedy had one each.

This was a formidable score to achieve and Green hit 18 runs before being dismissed. Lismore then fell to 52 runs for the loss of 4 but a tactical switch saw Pollard and Edwards reverse in the order. At once the runs started to flow, Pollard and Boyle on 43 between them before Boyle was out for 33 runs. Then Edwards and Pollard brought the score from 95 to 147 with Pollard hitting the winning runs to score a personal 50 not out and Edwards 27 not out.

This was a very important win for Lismore and will give them great confidence for the return game on June 18.

Lismore's next game is Sunday, May 28 away to Kinsale in the Minor Cup.

Team on Sunday — M. Green, M. Hickey, E. Flynn, W. Boyle, G. Kennedy, P. Pollard Snr. (capt.), D. Edwards, D. Campion, P. Pollard Jr., T. Bones, P. Quinn.

Finally great credit is due to Dermot Edwards and Eric Flynn for having the ground in such an excellent condition after soccer games which were played on it recently.

Treasurer — Annette McCarthy Play Selection Committee — Joan Bolger, Una Walsh, John O'Sullivan, James Lenane; Wardrobe Mistress — Mamie Monahan and Sheila O'Sullivan; Stage Manager — Tom Murphy; Musical Directors — Daniel Kennefick and Billy Hogan. Members — enjoy the break!!

## PERSONAL SUMMONS SERVICE FOR TRAVELLING PEOPLE

Stating that the Urban Council was finding it impossible to serve summonses on a number of travelling people camped on Council property at Shandon, Dungarvan, Mr. J. Curran, Solr. acting for the Council, applied to the District Justice at Dungarvan Court last week for an order for personal service of the summonses on those concerned.

Mr. Curran told the Court that a number of caravans were illegally parked on the Council's Industrial Estate at Shandon and it had been found impossible to serve summonses on the occupants on foot of this illegal

parking. Remarking that this appeared to be a topical matter now, District Justice W. F. O'Connell granted the application and made the order returnable to the next sitting of the Court on May 24.

# TALLOW NOTES

## TALLOW G.A.A. NOTES

**JFC: Tallow 1-7, Ballinwillin 0-4** — Tallow junior footballers won their first round match against Ballinwillin by six points at Lismore on Saturday night last. Well on top throughout, if they had taken all their chances they would have won fairly comfortably.

Some strong play from Ballinwillin in the second half had them 4 points in arrears at 1-5 to 0-4, but Ballinwillin didn't score again, while Tallow added two further points to run out winners.

For Tallow, Bernard Pratt kept a clean sheet and played well, while in front of him his full back line coped very well. The half back line were well on top where Ger Sice, Jim O'Donoghue and Tomas (Hocker) McCarthy had great games. At midfield, Timmy Sheehan and Ger (Speedy) Hogan dominated.

Our forwards played well and picked off their scores very well, and with Mickey Curley, Paul Curley, Pat Murphy and Mick Beecher to come on to the team, with a small bit of effort the chances of a championship win in this grade look fairly good.

The team that did duty on Saturday night were: Bernard Pratt, Colin Cunningham, Con Ryan, Michael T. Cunningham, Tomas McCarthy, Jim O'Donoghue, Ger Sice, Tim Sheehan (0-2), Gerry Hogan, Dermot Healy (0-2), Steve Curley, Clive Barry (1-0), Kieran Murphy (0-1), Gary Ahearne (0-1), J. J. Henley (0-1).

The club wishes a speedy recovery to Martin Allen, John Beecher, James Beecher and Mary Beecher, the latter being involved in a car crash and are hospitalised at the moment. Get well soon and we hope to see you amongst your family and friends in Tallow very soon.

To Mick Beecher, Jim O'Donoghue, Tim Sheehan and Pat Murphy, the club wishes ye the best of luck on Sunday next, as Waterford juniors and seniors commence their first round championships. Best of luck, Waterford.

**Vote of Sympathy** — Sympathy is extended to the Murphy family, Woodview and the Grimes family, Waterford.

## SCHOLARSHIP

Congratulations are extended to Master John Collins (12) who recently was awarded a scholarship to St. Colman's College, Fermoy.

He is eldest son of Stephen and Anne Collins, Ballyrattin, Ballynoe.

John is a pupil of Ballynoe National School where his teacher is Veronica O'Farrell, Principal.

## ST. CATHERINE'S G.A.A.

The past week's programme commenced with the intermediate hurlers having a couple of points to spare in a useful tryout with Aghada at Ballynoe. On Saturday evening at Dunsourney the under-12 footballers, having led for the greater part of their champi-

onship game with Cloyne, succumbed to the challenge in the last moments, to lose by a four point margin.

Dan Kenneally refereed and Catherine's lineout was: John Rumley, Donal Lynch, Robert O'Connell, Paul O'Brien, Pádraig Higgins, Pat Morrisson, Eric Flynn, Richard Hegarty, Shane Fitzgerald, Bill O'Keefe, Paddy Lane, Ian O'Connell, Tony Harpur, Liam Twomey, Shane Keamey.

**Feile Na nGael** — All roads led from the parish to Youghal on Sunday evening for Catherine's versus Middleton in the under-14 Feile Na nGael County semi-final. It was the fourth round of this thrilling hurling contest and patrons were not disappointed at the great fare served up by those youthful wielders of the caman.

Middleton were early into attack and rewarded with a point, but Catherine's quickly nullified this and striking a real purple patch they hammered home two spectacular goals. Middleton replied with a point, and coming into the second quarter went through for a goal and a point. Both sides displayed great efficiency in defence and before the break they tacked on a point each to leave the score Catherine's 2-2, Middleton 1-3.

About 15 minutes elapsed before any score was registered and it was Middleton who broke the ice with a minor. This was added to by a goal and shortly afterwards a point. Eventually Middleton went into a four point lead, but again Catherine's rallied in characteristic style and reduced the deficit to 2 points and were still fighting courageously when the final whistle blew and the score stood at Middleton 2-6, St. Catherine's 2-4, after a game which reached a very high standard.

Pat O'Connor, Aghada refereed and Catherine's lined out as follows: Michael O'Brien, Richard Cotter, David O'Connell, Brendan Nunan, Martin O'Keefe, Jim Lane, Kevin O'Connell, Oliver Lynch, Johnny Sheehan, Michael Hegarty, Brian Cotter, Dessie Lucey, Mark Lane, Kieran Morrisson, Paul O'Connell. Sub. Michael Dorgan.

Catherine's will play Mayfield this Friday evening in the semi-final of the losers' group.

Our minors too travelled to Cappoquin at the weekend for a hurling game with the local boys, and Glen Rovers, Cork, will visit Ballynoe on Saturday evening to cross camans with Catherine's in a hurling league tie.

# CAPPOQUIN NOTES

## TRIBUTE TO CURATE

At a very happy function in the Boathouse last week the people of Cappoquin Parish joined in a very deserved tribute to Father Seamus O'Dowd, curate in the parish for more than three years and now working in Dunmore. Mr. John Fraher was a very efficient Master of Ceremonies and the presentation to Fr. O'Dowd was made, on behalf of the parishioners, by Mrs. Mary Burke. A presentation on behalf of the Eucharistic Ministers of St. Mary's Church was made by Mrs. Claire Meaney. Fr. Dowd suitably acknowledged both gestures. In the enjoyable social evening there were contributions from the Cappoquin adult and junior sets, Melleray set dancers, and St. Mary's Church choir.

## MISS CLAIRE CURRAN, CAPPOQUIN

An old and well known Cappoquin family was bereaved last week by the death of Miss Clare Curran which occurred at her residence in Mill St. after a long illness.

Very large corteges at the removal of remains to St. Mary's Church and the interment in the family plot in St. Declan's Cemetery testified to the esteem in which the deceased lady and her family were held.

She is survived by her brothers, James and Richard, her sister, Peggy and Helen, to whom and to her other relatives, sincere sympathy is extended.

## DAY CARE CENTRE

A meeting will be held on Monday, May 22 at 8.30 p.m. in the C.Y.M.S. Hall to discuss the proposed set-

ting up of a Day Care Centre for the elderly in the Cappoquin area. All interested people are welcome to attend.

## CREDIT UNION MEETING

The Board held its monthly meeting at the offices last Wednesday evening with chairperson, Paddy Lawton presiding. The financial statement was presented by Treasurer, Eleanor Burns and monthly sub-committee statements by Eddie O'Shea for the Credit Committee, William Leahy for the Loan Control Committee and Tom Hackett for the Supervisory Committee.

## CAPPOQUIN BILLIARDS AND SNOOKER CLUB

Maurice Kelleher League Table — Team B 5 Team D 2.

Individual results were: Conor O'Leary 1 Michael Casey 1; Tommy O'Sullivan 2 John Noonan 0; John McCarthy 1 Pat Kiely 1; Doubles — Tommy O'Sullivan and Conor O'Leary 1 Michael Casey and John Noonan 0.

The game between Brian Ormond's team C and Darren Mason's team A on which the outcome of this league hinges was postponed due to the unavailability of players. The situation now reads that to clinch the title Darren's side must win 5-2, anything less would mean Brian's side would be victorious.

Billy McCarthy Perpetual Billiards Trophy — By the time you read this column the final of this tournament between James Morrissey and Conor O'Leary will have been completed. Report in next week's issue.

# CAPPOQUIN WOMAN HAS RARE MG DISEASE

Mrs. Catherine Quann of Tivoli Tce., Cappoquin, a 35-year-old mother of five, is suffering from a very rare disease, Myestheniagravis commonly referred to in the medical world as 'MG'. The disease which was diagnosed two years ago weakens all the muscles. Only 12 cases have been diagnosed in Ireland. Her husband Mr. John Quann is an employee of Cappoquin Pork and Bacon Factory.

Mrs. Quann whose children range in age from 3 and half to 12 years is presently in England receiving treatment at Radcliffe Infirmary in Oxford. While there is, as yet, no

known cure for the disease, it is treatable and can be kept at bay.

A committee has been set up under the chairmanship of Mr. Noel Mason, Cappoquin with a financial target of £20,000 to finance the necessary treatment for Mrs. Quann and other members are Mrs. Bernie Landers (Sec.), Nora Flynn (Treasurer), Cappoquin and Mrs. Ann Warren, Abbeyside (P.R.O.).

The committee is at present arranging a series of fund-raising projects including a door-to-door collection in the Cappoquin area.

# ARDMORE NOTES

## WELCOME HOME

Welcome home to Mrs. Mulcahy, College Road, Ardmore, who is back after a long stay in hospital.

## NEW SCHOOL UNIFORM

An official school uniform will be worn by pupils of Ardmore N.S. as of September '89. It will not be compulsory however. The uniform will consist of — boys: plain grey shirt, plain red jumper, grey cord trousers (approx. cost £22.69); girls: plain grey shirt, pinafore, plain red cardigan (approx. cost £21.93). Included in both uniforms is a grey and red stripe tie (at £1.75) but this is only to be worn on official occasions and for school photos.

Even though it is not

compulsory it is well worth the investment as a school uniform is never 'in' or 'out' of fashion! The uniform may be seen at Neville's in Youghal.

## PETITION

At the moment there is a petition circulating concerning the land behind the houses known as 'The Grove' in Ardmore; local residents call it the 'Mountain.' Everyone in the area is urged to support it for the following reasons: (1) some type of weed exists there causing small children to break out in a rash/blisters; (2) dead animals; (3) general rubbish; (4) rats; (5) dead trees.

All we are asking is that something be done to make it safe for children to play there. There are 85 children

in the area with nowhere to play, except in the school grounds which are meant to be 'out of bounds' after school. And then there is the 'Mountain' doing nothing but becoming a dump!

We understand there are to be houses built there in the future, but that's a long way off — it's now we are concerned about. Nothing drastic — just to make it level, clear the weeds and trees and maybe even put grass down. Anything would be better than the condition it is in now. There will be an update from time to time regarding any progress.

## GOOD WEATHER — GOOD TIMES

The fine weather has brought in the tour buses over the weekend. If the weather of the past few weeks were to last, Ardmore would have a good season, but as yet it seems changeable.

## ARDMORE SCHOOL FIXTURES

Our boys and girls had a very busy week last week. Both boys and girls played away in Ring against Ring. First we had the girls who put on a great display of football and showed plenty of determination in their first serious match. They had plenty of encouragement from their teammates on the sidelines. In the end they finished in a draw.

After the girls, the boys played their match, against Ring, this time hurling, but they were up against a stronger team of lads who eventually got the better of them.

On Friday last we had both the boys and girls at home against Touraneena. Both teams had great games, Jean Colbert in particular giving a great performance for the girls, who also showed some great team work. Credit for this must go to Miss Bernadette Keevers. The boys again were up against some strong opposition and they had to work hard for their scores, but at the end of the day victory went to both of the Touraneena teams.

## LADIES FOOTBALL

The ladies football training has been going on for three weeks now, with training every Monday night in Clashmore and every Friday night in Ardmore. There has been a great turn-out from the Clashmore and Piltown areas but a very poor turn-out from the Ardmore girls. It is hoped to see more Ardmore girls at every training session in the future.

## G.A.A. NOTES

I.F.C.: Ardmore 1-6, Ballinameela 1-5 — Ardmore had a remarkable recovery last Saturday evening in Old Parish. Trailing by four points with less than ten minutes remaining and with the opposition dominating the game it looked like certain defeat. Then, a high ball into the Ballinameela square had Declan Barron under it but he was fouled by the keeper and a penalty awarded. Declan Hennessy made no mistake with the conversion, leaving one point between the teams. Two minutes from time Ardmore were awarded a free 35 yards out and from an angle Tony Keane kicked a fine score. Ardmore had a final attack and were awarded a "45" and Declan Hennessy put the ball over the bar for the winning score.

J.H.C. (B) — Ardmore play Tourin in this championship on Sat. next in Tallow.

Cards — Due to the breakdown of telephone lines between Ardmore and Dungarvan last Tuesday week, card results from Monday, May 7, were omitted from the notes. Here they are: 1st on 10 games, £120 — Denis Hurton and Paddy Burke; 2nd and 3rd, £150, divided between Biddey Casey and Mairead Fahey; Mickey Walsh and Odhran MacMurchu. Best of the last five — Patsy O'Donnell and Dick Quinn; James Murphy and Tom Hogan divided £20; winners of the last game, Sheila Quinn and Nonie Crotty, £20.

# AGLISH COMMUNITY NEWS

## COMMUNITY COUNCIL

The Community Council will not meet again during the summer months unless something crops up which needs attention. Even voluntary people need a break during the fine weather. The purpose of these community notes is to let everyone in the community and district know what is happening. A small group of people in the Village gather the news.

## THE GANG OF SIX

Six people turned up to paint some village black spots last week. Their work is obvious to all and they deserve the gratitude of the whole community. The "gang of six" were — John O'Brien, Lena O'Keeffe, Christina Ware, Patricia Curran, Brian Connery and Noel Downing. Fr. O'Byrne acted as "ganger" to the squad.

Many people in Aglish village availed of the fine weather recently to cut their lawns and paint their property. The Community Council would like to say to everyone "keep up the good work". Even the children can help in keeping Aglish tidy. We are still in discussion with the County Council to situate tubs of flowers around the village and people are reminded that the Tidy Towns judges will visit our village sometime during June, July or August, at a time we might least expect them.

## COMMUNITY HALL

The Community Council have engaged a painter to paint the exterior of the Community Hall. It certainly looks brighter just after one coat of paint.

## BINGO

From now on there will

be bingo every Monday night in the Community Hall. Supporters are needed to keep it running. £300 on offer every week.

## 21st BIRTHDAYS

Congratulations are extended to Michael Kiely of Aglish who celebrated his 21st birthday and to Pat Lynch of Cappagh who also celebrated his 21st birthday. Happy birthday boys.

## COMMUNION

We are hoping for a fine day next Sunday because the Aglish and Villierstown boys and girls are making their First Holy Communion at the 11 a.m. Mass.

## JOKES

A Cork farmer won a prize in a milking contest: He told reporters — "I owe my success to udders!"

## DIOCESAN INSPECTOR

Rev. Fr. Lloyd, Diocesan Inspector, visited Villierstown and Aglish schools last Monday. He examined the children on religious knowledge and complimented teachers and pupils on their high standards.

## DROMANA BRIDGE

Recently a television crew visited the locality and interviewed Anthony Sommers, Rita Ronayne, Molly Ormonde and Mr. and Mrs. Villiers Stuart about Dromana Bridge. The feature appeared on T.V. on Monday last, May 8. Hopefully work will begin soon to restore the structure to its former attractive appearance.

## LADIES FOOTBALL

The girls school football team travelled to Ring where they had a comfortable win. Well done girls and trainer. Boys take example. Keep up the training!

# DUNGARVAN RUGBY NOTES

The end of season social was a great success. We had two very popular winners of our major awards. Niall Herlihy is "Clubman of the Year" which was presented by Jim Harty, and Niall Parkes was "Player of the Year." Both members put an awful lot of work into the club during the year and were very deserving winners.

Medals were presented to our successful 3rd Xv and panel and a very emotional

moment was witnessed when the cup was presented to James Cullinane on behalf of his son Pat.

Traditional presentations were maintained to Austin and Allison Curran and Jimmy and Caroline Morrissey on their marriages during the year.

The annual general meeting will be held on Wednesday, May 31 at 8.30 p.m. Nominations to be handed into Brian Linneen.

## DUNGARVAN SEA ANGLING CLUB

The teams that have indicated their intention to fish, when we discussed the matter on Sunday, are, as far as we could ascertain: 3 from Waterford Foods, 2 from Stafford Millar, 2 from England, 1 from Wales, 4 from New Ross, 1 from Carrick-on-Suir, 1 from Clonmel, 1 from Fred Forsey's School of Motoring, 1 from Damien Dillon & Co., Architects, 1 from the Village Inn, 1 from Merry's Restaurant. If I've missed someone, don't take offense, these are only unofficial, but it seems as though there are 18 teams to participate in this our first outing, or a total of 72 individuals so far. Get the entry in quickly as it will be on a first come, first served basis. Don't say you haven't been warned!

There have been minor complaints regarding behaviour at sea, such as skippers' vision being limited due to anglers sitting on the prow while boats are coming into the inner harbour, so we'll make this out of bounds at these times. There are others that I won't bore you with now but we will post guidelines on the caravan and each boat. We ask for your co-operation in these matters, and they are for your benefit.

Our international angler John Cronin is back. The Irish team of which he is a member were sixth out of fifteen, which is a praiseworthy performance, having regard to the type of fishing, which seems very different to what we do here. It was two hours steaming to the fishing grounds, one bag of nine fish weighed only 1.5 kilos, which sounds like they would not have counted here. The method of fishing was "up-tide," casting into a very fast flow. These are not usual conditions here as we don't allow casting and the waters are quite flat. John said the water was soup coloured, totally polluted and was amazed that there were any fish at all, due, no doubt, to the enormous traffic through the English Channel. The hours were long, five in the morning starting off and docking again around eight in the evening.

Sounds like a tough assignment, so well done John. Sorry you can't make it Sunday due to a Christening commitment, but that will give us lesser guys a chance!

See you all on Sunday — eary. — P.R.O.

## DUNGARVAN YOUTH CLUB NOTES

**RAINBOW CLUB**

Last Wednesday week we had our Rainbow Club night. For the programme we held a disco which went off very well as a group of our members came and gave a hand. Also we had a surprise birthday party for Ellen O'Donnell. We would like to wish Liam Keating who was 21 last Thursday and John Earley who will be 22 on Saturday a very happy birthday.

**CLUB NIGHT**

As the good weather was with us in the past few weeks we decided to put on an outdoor programme. So last Friday week we played 'catch the leader' which went off very well.

Last Friday we had a good crowd at the club for the programme. We had some fun games which went down a treat — the programme was planned by Edwin Egan, Gayna Keating, Breda Power, Elaine and Linda Sinnott and Marcus O'Halloran.

Next Friday night we will be going on a mystery tour. The bus will leave the youth club at 7 p.m. sharp, the cost is £1.50. A good night and a laugh is guaranteed. I would like to let Mandie know that we are going on a mystery tour, that means we can't let her know where we are going. Also we will be taking a short stop at some secret place for practice for Hand Gliding lessons for the Regional Games.

**REGIONAL GAMES**

The Regional Games will be held on Sunday. Usual games will be held also a disco will be held afterwards. Full details will be given on Friday night.

**MUCKROSS WEEKEND**

At the moment work is being done on the Muckross weekend away. At present we have no details, but we hope to have them by Friday night.

## ST. PATRICKS G.A.A. NOTES

### UNDER-14 FOOTBALL

#### Rathgormack 2-8, St. Patricks 0-1

Our under-14 footballers were beaten by Rathgormack in the County final on Friday night last at the Fraher Field, Dungarvan. Despite the fact that Rathgormack were much bigger, our small footballers contested every ball to the last kick and gave one of the bravest displays and sheer commitment by a St. Patricks team ever.

Many teams would have thrown in the towel in the last quarter, but to their credit St. Patricks gave their all and played some fine football, but we were too weak in the forward line to penetrate the Rathgormack defence.

The half time score was 1-2 to 0-1, the latter score coming from a free by Alan Walsh. On the resumption Stephen Fennell made a marvellous save after 5 minutes and it looked as if we could cause an upset against the favourites. We played our best football in the next ten minutes, but failed to score. The score was 1-6 to 0-1 for 42 minutes when Rathgormack goaled in the 17th minute and this ended all hopes of an upset.

The team earned high praise from the large number of St. Patricks supporters for their brave display

## DUNGARVAN HARBOUR SAILING CLUB

The recent spell of fine weather has seen a flurry of boat preparation activity in Dungarvan, in advance of the new season.

The Race Committee have drawn up a very full programme extending right through to October. All we need is for the weather to be a little kinder than in 1988.

The race programme is scheduled to "cast off" on Sunday next, May 21 with the Martin Grace Cup — start is 17.30 hrs., from the club line. Some highlights to look forward to are races for the oldest club trophies — the Blackrock on July; 2nd the Parton Cup on July 16 and sailing on a points

system on the four Sundays of September for the Mulcahy Cup. Also, on July 23 will be the Hockin Cup race for juniors and the ladies race on August 27 for the Farrell Trophy.

Social activities on both a formal and informal level will also be well catered for in 1989. A detailed programme is available from any committee member.

New members are always welcome and both new and existing members are reminded that subscriptions are now due.

# Abbeyside Win Marquis Cup

## HISTORIC DOUBLE ACHIEVED

### Abbeyside 2, Waterford Glass 1

In a welter of excitement, urged on by a huge and vociferous support, Abbeyside triumphed over a gallant Glass side to take the Marquis Cup last Tuesday night at Ozier Park, Waterford.

With a display of guts, character and some sublime skill, the huge potential of this side was underlined and acknowledged by many neutral observers at the venue. From capable custodian Cahill through to targetman McGrath, every player played his part to the full and with Manager Egan running the line issuing support and instructions, it was clear the Glass would have to produce something special to triumph.

The game kicked off amidst a cacophony of sound produced by the ecstatic home support and it wasn't long before they had something to enthuse about, with McGovern and Wade raiding down the flanks giving the Glass defence a torrid time. Young debutante Cosgrave belied his tender years with a display of cool authority on the left side of midfield.

Fran McGovern, from crosses by Wade, twice went close, one effort shaving the far post. In the 20th minute a cross was only half cleared as far as Joe O'Riordan. He coolly lobbed the ball over the advancing defence, beat the sweeper and sent an angled drive just past the post. This spurred Abbeyside into action and in the 28th

minute Tommy Wade pounced on a moment's indecision by a Glass defender to hit a thunderous volley on the turn and the ball flew into the bottom corner of the net.

### TREMENDOUS SURGE

This signalled a tremendous surge by the Glass and only sterling work by back four M. O'Riordan, Lyons, Organ and O'Donnell prevented a Glass equaliser. One of the main strengths of the team on the night was the defensive curtain put up, snuffing out each Glass attack. The half ended with Abbeyside 1-0 to the good.

The second half began as the first ended with the Glass on the attack, but Abbeyside slowly began to get on top. A sustained bout of attacking saw M. Reynolds hitting the bar with a ferocious drive and F. McGovern twice bringing the best out of the Glass goalie.

Then in the 30th minute of the second half disaster struck when from a seemingly innocuous challenge by keeper Cahill, the referee pointed to the spot. Despite the best efforts of Cahill, Glass equalised and the stage was now set for a grand stand finale.

Abbeyside swept back up the field and when Reynolds crossed, Joe O'Riordan knocked it down to McGrath who took the ball in his stride to send a shot crashing against the underside of the bar and out, but captain Tommy Wade leaped highest to power the ball home.

This knocked the heart out of the Glass and Abbeyside played out the game with tremendous gusto. Joyful scenes met the final whistle as Tommy Wade was presented with the cup.

### TEAM

**T. Cahill** — Sound game behind sound back four.

**M. O'Riordan** — Tough and tenacious, comfortably contained Glass winger.

**T. O'Regan** — Authoritative display as sweeper.

**D. Lyons** — Missed nothing at centrehalf, often lent support in attack.

**F. O'Donnell** — Diminutive player who had his best cup game for Abbeyside.

**M. Cosgrave** — Showed no nerves in a faultless display.

**Joe O'Riordan** — Dominated central midfield with a gutsy, skilful performance.

**F. McGovern** — Ran hard and unselfishly, was unlucky not to score.

**M. Reynolds** — Attacking midfielder, was a revelation with darting runs and superb crosses.

**David Mulvihill** — Was superb when introduced. Had a hand in winner.

**Sean McGrath** — Was instrumental in winner and had a tremendous physical presence.

**Tommy Wade** — Man of the match, led by example and produced the goods when most needed.

After the match the team headed happily for home and much celebration. D. Egan and M. Morrissey have every justification at feeling proud of their charges.

## HISTORIC WIN AS ABBEYSIDE TAKE MARQUIS CUP

Abbeyside have won the Waterford junior leagues oldest and most valuable trophy, the "Marquis Cup". A mass of supporters travelled by coach and cars to Ozier Park, to witness Abbeyside's historic victory — historic because it is the first cup title ever won by the club, in its 27 or so years history, and also the first time that the club have pulled off the "double".

Jubilant supporters invaded the Park as League of Ireland referee Jimmy O'Neill sounded the final

whistle and brought an end to what was described by the junior league's Chairman, Jimmy Scarsion, as one of the finest cup finals ever held at Ozier Park.

Team manager Dennis Egan proudly called the players to accept their medals, after team captain Tommy Wade had thanked all people concerned, and Waterford Glass for a good clean cup final, after receiving the cup.

The team coach was sponsored by Mr. P. J. Power, Stradbally, a gesture very much appreciated by the club and supporters on the night; Team strip was sponsored by Mr. Michael Carroll, Carroll Motors, Abbeyside; Football by Mr. Tom Coffey, Springmount, Dungarvan.

The committee would like to thank all those people who sponsored us and helped us in many ways over the cup final weekend.

### VICTORY NIGHT

Don't forget our Victory Night Dinner Dance at O'Bs (Minnies). Music by Waterford's No. 1 young band —B "Break-away". Book in time with any of the following, John Kenneally, Ed Cantwell, D. Egan, Vinnie O'Donnell, Michael Morrissey.

## THE FIRST CUP WON BY THE VILLAGE

The very first cup won by Abbeyside United A.F.C. was back in 1964, the club at the time lifted the very popular "Dick Casey Cup".

Francie McGovern pointed out that games were tough back then, and they went through a gruelling tournament to win the cup. He also felt that "men were tougher" back then.

Francie's nephew, Fran McGovern played a very active role in the Villagers Marquis cup victory, as did Sean McGrath, son of John McGrath, who played for many years between the up-rights for Abbeyside, a fact which was highlighted to me by the League of Ireland referee Jimmy O'Neill, at the cup final.

The following was the

team which did duty on that occasion — Back Row (l. to r.) Tom Cowming, Francis McGovern, John McGrath, Michael Keohan, Joe O'Brien (capt.), Danny O'Connor (manager). Front Row (l. to r.) Bill Organ (R.I.P.), Frank Barry, Michael Lyons, John M. Duggan, Paddy Power, Paddy Whelan.

## G.A.A. NOTES

BY "COMMENTATOR"

MUNSTER CHAMPIONSHIP S.H. — J.H.

# WATERFORD ARE OUTSIDERS FOR CLASH WITH CLARE

The senior hurling team to play Clare in the first round of the Munster championships at Thurles on Sunday next, must of necessity show several major changes from the team which lost to the same opposition at the same venue and at the same stage last year.

Pat Curran, then the regular keeper, has emigrated, Daithi Foran broke a leg playing pub soccer and is still out, Liam O'Connor received a leg injury several months ago and is still not fit to take his place on the team. John McDonald has gone back to his native Kilkenny where he is playing club championship only, Barry Power, who played at centre field at Thurles last year has shown a complete lapse of form and is ruled out also. Their departure from the scene has been gradual and replacements have been brought on over the national league. Timmy Sheehan, was on the substitute bench in Thurles last year and now is the only member of the subs. panel who is retained. So overall the panel has undergone a major change in personnel and with the majority of the replacements being of equal standards, the problem facing the selectors in making a final choice, are understandable.

The selectors say that in training, the players on the panel have given it everything and throughout the league and since, they have shown commitment and dedication and there is a great desire on their part to get over this first round.

If their form in the challenge game against Kilkenny at Walsh Park last week is to be taken as an example of what they can do, we must have no chance on

Sunday, but on the other hand if they can reproduce the very good form displayed against Limerick in a tournament game, one week earlier, we must have a great chance.

Clare, who beat Antrim in a tournament last week, have retained no less than 14 of the panel which did duty against us last year and with Gerry McInerney, Tommy Guilfoyle, James Shanahan, Dermot Ryan, Declan Coote, Cyril Lyons, etc., included they must strongly fancy their chances of continuing their long winning sequence against Waterford.

I was a bit shocked to find that we haven't beaten Clare in the senior hurling championship since 1962, even though we have met on six or seven occasions in the meantime. In '68, '76, '78, '81, and in '88, they managed to beat us by a score of two and this happened even on occasions when we appeared to have the better of the exchanges. As someone said to me on Sunday, Clare seem to have the Indian Sign on us.

The team to do duty was announced on Sunday night following a trial (70 minutes) against a junior selection. The seniors won by 4-15 to 1-4.

Jimmy Power is retained in goal and Peter Walsh, Damien Byrne and Seamus Prendergast form the back-line. Prendergast will make his championship debut and replaces the injured

Foran. Jimmy Beresford, who played well in the same position against Clare last year is a right half back and Mount Sion man Ger Fitzpatrick, who will also make his championship debut takes over from the injured Liam O'Connor at centre-back. Timmy Sheehan completes this line.

Noel Crowley, now changed to Ballygunner retains his place at midfield and will be partnered by Ballyduff man Paudie Prendergast who is also making senior championship debut. Anthony Qualter, who performed very well with the Regional College and with Ballygunner in recent championships, has been brought on and the selectors are hopeful that the 20 year old student will justify his selection. Shane Ahearne, who captains the team is the expected choice for the centre forward berth and Kieran Delahunty moves across the field to play at left corner forward. Billy Sullivan and Pat Murphy both occupy the positions they took on the full-forward line last year and Ballygunners's Ger Connors is given John McDonald's berth at left-full forward.

The team on paper, at least looks to be the best that we have got and everything that could conceivably be done has been done. As I have stated before, they could rise to the occasion and one of those rare championship displays that will surprise everyone. On the other hand, things could go very wrong and we could go down again. Hopefully this won't happen.

Clare, because of their record must be the clear favourites and Waterford are going in to the match as the outsiders.

### JUNIORS SHOULD SHOW IMPROVEMENT?

I understand that the junior county selectors adopted a policy of allowing the members of their panel to train with their clubs and brought them together on a couple of occasions for practice games. Their panel includes such well known names as John Power (former county goalkeeper), Nial Warren, Michael Beecher, Jim O'Donoghue, Liam Quinn, Pat Connors, (Passage), Brendan Law-

ton, Tom Larkin, Liam Whitty, Mick Flanagan, Stephen Frampton, Noel Kelly, Paraigh Fanning, Brian Greene, etc., all of whom have played inter-county level in senior, junior or under 21.

Just how they will play as a team, we must leave to the imagination of our readers but hopefully they will do better than the junior team in the corresponding match last year.

## PHIL GRIMES

The tens of thousands who saw him play hurling for Waterford, for his beloved Mount Sion or for Munster, will remember Philly as one of the greatest hurlers of our time. Why he will be remembered is now part of the history and the lore of Waterford hurling and whenever and wherever the subject is talked about, the name of Philly Grimes must feature prominently in the conversation.

The great sadness which his early death aroused and the huge crowds who turned up for his funeral were evidence of the man's great popularity. From all over Munster and Leinster came the great hurlers of his era, from practically every club in Waterford came representatives and former admirers of his great hurling skills, to pay their final respects to a player whom everyone loved.

Phil made his first appearance in a county jersey in a league game against Cork at Dungarvan in 1947 when he played against Christy Ring. At the time, Ring was nine years his senior and the holder of five All-Ireland medals. The strapping 18-year-old Mount Sion man handled himself very well against the maestro who was later to become a legend.

He played against Clare in the first round of the Munster championships in

'48, but was in the USA when we won the All-Ireland. He was still awarded a medal, but was heard to say many years later: "It was great to get an All-Ireland medal, but naturally, it was more satisfying when winning it on the field," as Philly did in '59. He had also played in the '57 final and played in the '63 All-Ireland when he was 34 years old.

During his three years in the USA, he played hurling with Tipperary and was a player on the New York team which was narrowly beaten by Tipperary in the national league final of '49/'50.

As well as his All-Ireland medals he holds three Munster championship medals, an Oireachtas medal, a National League medal and three Railway Cup trophies won with Munster. He holds twelve county senior championship medals in hurling and five in football — quite an extraordinary achievement by any standards.

His partnership with team mate Seamus Power for the county and for Munster will forever remain part of our hurling lore.

Off the field, he had indefinable qualities of friendship and warmth and it was always a pleasure chatting with him about the game he had played with such distinction. Philly Grimes will always be remembered as one of our greatest.

G.A.A. NOTES

MUNSTER S.F.C.

# LIMERICK PENALTIES SINK WATERFORD

Limerick 5-9; Waterford 1-9

With just a point separating the teams and Limerick playing with a very strong wind in the 25th minute of this first round Munster championship game at Askeaton, on Sunday last, Waterford seemed to be in the game with a great chance.

Then disaster struck when a sideline ball was blown for Waterford, but was disallowed by referee Tommy Sugru, who had blown for a Limerick free while the ball was crossing the line. The resultant kick from 40/50 yards out went all the way to the Waterford net. Further points by Cummins and Quaid gave Limerick a half-time lead of 1-8 to 0-4.

The game seemed far from being over as a contest when Waterford came out for the second half aided by the breeze. Waterford mounted two attacks which were repulsed before Limerick were awarded the first of the five penalties in the game and which was converted by the star of the game, Eoin Sheehan.

Minutes later Waterford were awarded a penalty but Jim Maher's shot rebounded off the upright and was then booted wide by Mick Neville. In the 44th minute Neville pointed to leave the score 2-8 to 0-5 in favour of Limerick. Three minutes later, Sheehan converted his second penalty to put

the game beyond the reach of a now struggling Waterford. Eoin O'Brien pointed for Waterford and within a minute Sheehan with his third penalty made it 4-9 to 0-6.

Liam Dalton increased our score by a point just a minute before Limerick's full-forward scored their fifth goal. Then in the 65th minute of this 70th minute match, Jim McGrath shot home our penalty and with points from Michael Walsh and Tony Corcoran we finished with 1-9 as against 5-9 for Limerick.

The final score does less than justice to Waterford who played very well for the first 30 minutes and were unlucky not to have two or possibly three points up before Limerick had their first score in the 6th minute.

Limerick, who meet Kerry at Askeaton on June 6, in the semi-final, have improved immeasurably since we played them in the McGrath Cup final last year.

Scorers for Waterford —

J. McGrath (1-1), L. Dalton (0-2), T. Corcoran (0-2), J. Maher, E. O'Brien and M. Neville (0-1 each).

## JUNIORS WIN EXCITING GAME

WATERFORD 0-12; LIMERICK 1-6

For the first occasion since the All-Ireland junior football championship resumed around 1983, Waterford won a first round match, by beating a very lively Limerick team at Askeaton on Sunday.

As a contest the game was more exciting than the senior tie and it finished in a welter of excitement as Limerick fought hard for the score that would level the game and give them a second chance. But Waterford held on very firmly to score a very well deserved victory and qualify to meet Kerry on June 18.

The team fielded as selected with J. Mulhearn replacing the suspended Mossy O'Keefe. Limerick won the toss and decided to play against the wind.

Liam O'Brien and Carthac MacCraith were both wide of the mark following some very nice movements out-field, before Alan Shanahan pointed twice from frees for Limerick.

Peter Ferncombe opened our scoring with a very good point, but two for Limerick made it 0-5 to 0-1 by the 16th minute. Carthac MacCraith who was a tower of strength at centre-field and Liam O'Brien at corner forward each had 2

points without reply from the opposition to leave it 0-5 each at the break.

Points by Peter Ferncombe and Jackie Dunne gave us a 2 point lead, but a Martin Doherty goal for Limerick put us behind again. However Limerick were not to score again until the 28th minute while Waterford had points per Liam O'Brien (4) and Carthac MacCraith to leave it 0-12 to 1-6 at the finish.

As a team Waterford played very well against much bigger opposition and with much more training they can be fancied to do well against Kerry next month.

Scorers — L. O'Brien (0-6), C. MacCraith (0-3), P. Ferncombe (0-2), J. Dunne (0-1).

Team — B. Reddy, N. MacCraith, P. Keating, P. Quinn, D. Mahon, M. Corcoran, B. Curry, C. MacCraith, N. Power, P. Ferncombe, T. Gough, J. Dunne, J. Mulhearn, T. Whelan, L. O'Brien.

count for Tourin. In the only football game fixed for the weekend, Affane will be expected to beat Shamrocks in their refixed game at Knockanore.

**SARGENT CUP MATCHES**

All four second rounds will be played on Tuesday evening and the winners will be due to play in the semi-finals in two weeks time.

At Lismore — Dungarvan and Ballyduff will meet again remarkably soon after their championship clash in which Ballyduff scored a sixteen points victory.

There is no reason for supposing that Ballyduff won't win this just as easily.

At Dungarvan — Cappoquin will have a second chance to prove that they are not as poor as they looked when suffering a sixteen points defeat by Ballygunner in the championship, two weeks ago. However, Ballygunner will win this one, unless there is a major upset.

At Cappoquin — If Clonea are not a good deal better than when playing a draw with Tallow in their recent championship meeting, they won't beat Lismore here. Lismore, doing nicely in the championship, will be keen on maintaining their winning sequence.

At Walsh Park — Although Dunhill fared disappointingly against Roanmore in the championship they did beat county champions, Mount Sion, in the first round of this competition three weeks ago. Portlaoise with two defeats will try to get back on form here, but they will have it all to do to beat Dunhill here.

**OTHER GAMES**

In the 'B' championship, Eire Og will be fancied to beat Glen Rovers, Modeligo will be favourites to beat Kilrossanty and Ardmore will be the choice to ac-

count for Tourin. In the only football game fixed for the weekend, Affane will be expected to beat Shamrocks in their refixed game at Knockanore.

## GREAT WIN FOR MINOR FOOTBALLERS

A 33rd minute goal by Diarmuid O'Neill which gave Waterford the lead for the first time and two further goals by Gaultier's Anthony Fitzgerald gave Waterford minor footballers a deserved, though hard earned victory in this always exciting and sometimes brilliant first round of the Munster championship at Bansha on Wednesday evening of last week.

At Monday night's County Board meeting, team boss Ned Flynn, Gaultier, stated that Waterford would be forced to field without two of their best players, but they still expected to beat Clare. Their confidence was certainly justified and after the final whistle Clare's great disappointment was very obvious. They had been very confident also.

It has been a long time since Waterford won a first round in minor football and the joy it occasioned was

made obvious by the whole Waterford outfit, who didn't spare themselves in the scenes of jubilation immediately after the match.

I suppose to be quite frank about it, this is the least of all our Munster championships, but it didn't fail to start a buzz around the county when the result became known on Thursday morning. We are a county where little things mean a lot. Hopefully there is more to come.

Well done lads.

## COUNTY BOARD MEETING

Eamon O Murchu, chairman, presided at Monday night's meeting of the County Board which took place at Dungarvan.

**REFEREES' REPORTS**

A number of players who were sent off since the previous meeting received a two-weeks suspension. Two players, Paul Prendergast, Lismore and Mossy O'Keefe were reported for kicking and striking, respectively and were given the opportunity of being heard in their own defence at the next meeting on June 12.

**REPORTS**

The minor hurling secretary reported on the game against Limerick in the Munster championship and stated that despite a great start, the team faded out for a time before getting back into the game. Altogether 14 training sessions had been held since November and several challenge and league games had been played. The report also outlined the plans of the committee for the coming year.

The Chairman praised the efforts of the players and selectors and all associated with the effort. He judged that this was a very good panel and he was enthusiastic about their future. He expressed disappointment that the other committees had not submitted reports in accordance with procedure. He instructed the secretary to contact the other selection committees and instruct them to have a report for the next meeting.

**COACHING**

The chairman gave some details of the proposals by the Munster Council to have full-time coaches, in hurling and football, in all counties. This was dis-

cussed at length and while there seemed to be all-round support for the scheme no definite decision was taken until the next meeting.

**SCHOLARSHIPS**

Nicolas MacCraith, reported that a total of 36 turned up for interviews for the scholarships to Colaiste Na Rinne. Only six were present at Portlaoise, which was the centre for the Eastern part of the county and there were 30 at Dungarvan. He told the meeting that the examiners were impressed by the high standard. He said a number of the applicants did not bring birth certificates, as required. This, it was agreed, would not disqualify a successful applicant.

**PROPOSED RULE CHANGES**

The proposed new Rule changes will come before the Central Council on Saturday next and those that are accepted will be tried out in the Royal Liver National leagues in the first half of the 1989/90 season. By the end of November when they will have been seen and considered, clubs may submit motions to the 1990 Congress requesting their retention or rejection.

At our County Board meeting last week, a number of propositions were not accepted following a discussion lasting about 30 minutes. In most cases there was a show of hands indicating a majority view for or against.

The proposal to have the game played in four quarters of 20 minutes each was rejected. So was the Kick-Out from the hand and Pick-Up (one handed scoop).

The remainder were given the O.K.

# COUNCIL HAS RETHINK ON BUS STOP PROBLEM

Members of Dungarvan Urban Council who, at their previous meeting agreed to a Bus Eireann proposal to return the official bus stop in the town to O'Connell Street for a trial period of six months, are now to rethink the situation following a further discussion on the matter at the Council's May monthly meeting held last Monday night.

Cllr. Nuala Ryan raised the matter when she said that since the Council's previous meeting, a number of local residents in private houses in O'Connell Street (as opposed to business concerns) had complained to her about the decision taken by the Council. She said that when these people, and in particular a couple of elderly residents, read about it in the local paper they were shocked. She said that they told her that when the buses were in O'Connell Street before, life was just like hell as the diesel engines of the buses started up at 7.30 a.m. and went on throughout the day. They did not want to have the noise and fumes back again. She added that one of them had said that if, as suggested in a letter in the local paper last week, that the derelict building near the "Rusty Nail" might be converted to a bus shelter,

"we might as well move out of the street altogether." The Chairman, Cllr. Austin Hallahan, said that he also had been approached about the matter by a number of long standing residents of O'Connell St. who were not in business but living in the Street. These people thought they were in heaven last year when the bus stop was moved but when they read of the decision to put the bus stop back again they were absolutely shocked. "I am very conscious of their concern in the matter and I think we should meet with Bus Eireann to discuss the whole problem again," he said.

**AN IDEAL PLACE**  
 Cllr. D. Goode thought that the proper place to put the bus stop was at the new car park on the quay. "That's an ideal place as there's plenty of room there and they could do up the 'Linny' as a shelter," he

said. Cllr. Mary Dixon said that O'Connell Street was never suitable for a bus stop as it only causes traffic jams there. "We should get on to Bus Eireann to find a more suitable place," she added. Cllr. Billy Kyne thought the problem arose from the low monetary attitude of Bus Eireann to the matter.

"I think", he said, "that the onus is on them to provide a proper bus office and information centre in the town and it should not be a matter for us to pick up the pieces." It was then agreed to request Mr. Frank King, Area Manager, Bus Eireann to meet the Council to discuss the matter further.

## CAUSEWAY TENNIS CLUB NOTES

**BE ACTIVE, BE ALIVE**
