## Kereen Dispensary Will Not Be Closed Or Moved

Cllr. Billy Kyne was assured at the monthly meeting of the South Eastern Health Board held in Kilkenny last Thursday that there was no question of closing or relocating the dispensary at Kereen.

Cllr. Kyne raised the matter when he asked the Programme manager what the Board's plans were in regard to this very important dispensary. He said that he was aware that a sum of £20,000 had been estimated to modernise and put the dispensary into proper condition but he pointed out that since 1982 when the Health Board acquired the site, no work had been undertaken to install toilets or to upgrade and modernise

## CEREMONY MARKS WATERFORD'S PARTICIPATION IN T.T. COMPETITION

A tree planting ceremony to mark the participation by Co. Waterford in this year's Tidy Towns Competition took place at the Causeway Leisure Park, Abbesside, Dungarvan on last Thursday evening. Fortunately the weather favoured the function and despite a rather stiff breeze, the sun shone brightly on the scene and set off the beautiful surroundings of the park to their fullest advantage.

Mr. Pat Nolan, South East Tourism acted as MC and Cllr. Austin Hallahan, Chairman Dungarvan Urban Council welcomed the guest of honour at the function, Alderman Carmencita Hederman, former Lord Mayor of Dublin and a Director of the First National Building Society who are sponsoring this year's Tidy Towns Competition nationally in association with Bord Failte and also all who were present to honour the occasion.

Cllr. Hallahan said that he was proud of the efforts they had made to beautify Dungarvan as could be seen from the beautiful surroundings of the park they were now in and he expressed the hope that from year to year they would be able to improve and further develop the amenities of the area.

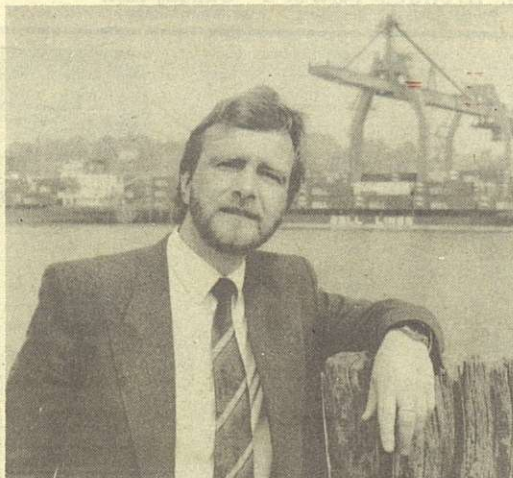

Ald. Hederman said that she was glad to be again visiting Dungarvan as she had been here before. She

praised the beautiful added amenity of the new leisure park which she said had not been there when last she was in the area. She said that she was deeply conscious of the enormous contribution made by community and other voluntary groups to the protection of the environment and to the quality of our daily lives.

"The Tidy Towns Competition," said Ald. Hederman, "is based on local initiatives and has been an inspiration to people all over Ireland to realise their full potential. It shows that there is no limit to what can be achieved by dedicated and determined people and there is nothing they cannot surmount when they get together. The competition has heightened community spirit, renewed civic pride, and brought about many environmental improvements in our Irish towns and villages."

# Letters To The Editor

The Editor,  
Dungarvan Leader  
**RIVERWATCH  
COMPETITION**

Dear Editor,  
With the dry season upon us the incidents of fish kills as a result of pollution are set to increase over the next few months. Throughout the Republic and in Northern Ireland young people will be participating in the "Riverwatch" com-

petition organised by the Environmental Conservation Organisation.

The main competition which is open to people from 12 to 25 years will have as a grand prize a peace cruise on the Dnepr River in the Soviet Union and other prizes of scientific equipment etc. A parallel competition is being run for under twelves which has categories such as painting

and poetry/essay writing.

Due to administrative difficulties experienced in processing the large backlog of postal entries it has been decided to extend the closing date for return of entry application forms to Friday, June 30, 1989. The closing date for completed projects still stands at September 18, 1989.

Further details of the competition can be sup-

plied on receipt of a large stamped addressed envelope. It is important to note that any chemical testing of the waterways using ECO Kits must be carried out under supervision.

We have been encouraged by the interest shown in our competition and in the concern generally for the preservation of our waterways.

Yours sincerely,

## YOUGHAL COURT

# Jailed For Making Obscene 'Phone Calls

A factory worker who made telephone calls in the early hours of the morning to females, many of which were obscene, was jailed for four months at Youghal Court.

Sentencing Frank O'Keefe (19), Kilcoran Park, Youghal, District Justice W. F. O'Connell spoke of "the annoyance, insult, and distress" the defendant had caused to many ladies, some of them elderly.

"The public must be protected from this kind of reprehensible behaviour, and I intend to make an example of this young man," he added.

O'Keefe pleaded guilty to two charges of sending telephone messages for the purpose of causing annoyance and nuisance on September 17 and November 20 last.

Garda Jack Gaine told the court that several telephone

calls were made over a 12-month period, mainly to females living alone. Many of the ladies were elderly and often the calls were obscene.

Garda Gaine said that as a result of O'Keefe's actions some people took their phones off the hook at night but eventually the Post Office authorities traced the source of the calls. When interviewed the defendant made a full admission.

"We were surprised that O'Keefe was involved," said Garda Gaine. "This is very much out of character for him."

Sentencing O'Keefe to four months imprisonment, concurrent, on each of the two charges preferred against him, District Justice O'Connell rejected strong pleas by Mr. P. Lavan, Solr., on behalf of the defendant for a more lenient penalty.

## Pause For Thought With Fr. Paddy

### AN UNGRATEFUL PEOPLE!

Life is wonderful. It is a priceless gift. And, it is the hope of all of us to enjoy and make the best possible use of our possession. Indeed, it is easy at times to be untimely robbed of our life, though instinctively we care, protect and defend it from all and every danger. If anyone asked you, what is life? You'd proceed to talk about what life does rather than what it is. This is understandable. The essence of life is hidden in deep mystery. So, all we know is the experience of life, and that could be classified under animate existence. They do not seem to sing "Ah! sweet mystery of life . . ." anymore, but all it would tell you about, is the joy of living. Take electricity. We know how this energy is generated, transmitted and used, but, to describe what it really is, is outside our scope. We say a stone is lifeless, whereas, all vegetation, the animal world and humans participate and enjoy a measure of life, which they have acquired in different degrees and in various ways. The life or soul of vegetable matter and beasts is produced by natural processes, and can only exist and operate within matter. It follows, when the matter or the body dies, the soul also dies. Man's soul, however, which is the life of his body, is directly created by God at the moment it is infused into the dwelling place prepared by the parents. Further, we believe that the human soul, though it exists and operates in and through the human body, is also able to live and operate outside and apart from the body. Man's soul is a spiritual substance and is immortal. "Let the dust return to the earth from whence it was, and let the spirit return to God who gave it." The soul "being the offspring of God" is created a spirit in order to be like God. Perhaps, from what I have said you'll be able to see more clearly why the rights of the unborn baby have to be defended and protected. Abortion is a crime that cries to Heaven for vengeance. An eyewitness once gave me a description of the German tanks breaking through the Belgian defences in the last war, and literally ploughing through a sea of flesh of women and children. I was horrified. War may be war, but that is not an entitlement to mow down the innocent. It is still a crime. We will never, never have peace in the world as long as abortion is tolerated.

Sacred Scripture tells us that no one but God can create, but, does anyone have to tell us that! "All

things were made by Him." It would be impossible for man to make or to create anything from nothing. Yet! this is what God did, and still does in the creation of human souls. Our bodies were fashioned from the seeds of our parents, but this power to reproduce from the substance of their bodies, is a God-given power. We all, as I said, speak on the joys, the pleasures, the excitements, the hopes and operations, etc., of life, and we could with equal ease describe the changes when the soul leaves the body. There is a deep contrast.

### THE MIRACLES OF JESUS

Imagine a youth full of vigour, jumping, and dancing and bubbling over with life as he runs across the sands to enjoy the refreshing waters of the ocean. Tragedy strikes, and he sinks beneath the waves. Later, his lifeless body is laid upon the sands. His forehead that was once warm with life, is now enveloped with the coldness of death. The gap between life and death is narrow, but what a chasm! Had Jesus walked by that day, and taken the young man's hand and restored him to his parents, they would be forever grateful.

The miracles related in last Sunday's readings should make us sit up. Elias did what no human could, but his effort to restore life was blessed by God. Jesus, who is Lord of life and death, raised the widow's son to life. He was moved not only by compassion, but also to provide proof that He was Christ, the Messiah, the fulfilment of prophesy. He wanted people to realise that God had visited His people. The raising of Lazarus did lead many to believe, but strange, it only made His enemies more determined to kill Him. You have some of the same blind hatred about religion in Ulster!

Jesus is still speaking through the Gospels to you. We accept His word, but, somehow, we fall down in practice. When did you last thank God for His blessings? Have you ever shown gratitude for His loving care? Do you invoke His protection on your varied projects? Do you give thanks at your meals? Yes, we take things for granted. Death is waiting for each and every one of us. In fact, we die daily in that each day brings us nearer to the day when our soul will go for judgment, whilst our bones rest in the dust to await the General Resurrection when they'll be united with the same soul, and rise gloriously to share, with God's help, in the eternal glory.

## BANDON CHOIR AT MOUNT MELLERAY

The choir of St. Patrick's Church, Bandon, Co. Cork, in their distinctive choir dress of red, white and green, sang at 12 o'clock Mass in Mt. Melleray last Sunday, June 11.

The choir, which was conducted by Brendan Power, a native of Dungarvan, is one of the best known four-part choirs in the Diocese of Cork and Ross. Brendan Power's mother originally came from Crenaughtane, near Cappoquin. His wife, Anne Power, is organist at St. Patrick's and accompanied the choir on Sunday last.

At Lawlors Hotel Dungarvan recently a presentation was made to Rev. N. O'Donnell OSA by Jimmy Lenihan, Chairman, Abbeyside/Ballinacourty G.A.A. in recognition of his long association with the club. A presentation was also made to Very Rev. Ml. Brennock, O.S.A. by Bernard Gorman, Capt, Senior Football Team to mark his long association with the club and club teams. **PUB LEAGUE**  
Danny's pub league team advanced to the winners group of the Waterford pubs league when they defeated "Fat Sam's", Waterford, by 3-1 in Currahaha Park on Tuesday evening last. The turning point in this game came at half-time when the Manager changed goalkeepers with Michael Lawlor taking over from his brother Eamonn who came out-field. Michael brought off some Packie Bonner like saves, especially a pass back from Johnny Brown that he pushed around the post for a corner. He also had a good view of the goal that beat him from the penalty spot that crept in at the upright.

Our adviser Seamus got the yellow card for standing too near the goal post and Dennis will have to put in for some travelling expenses for moving the players. Whatever Dolores had in the bottles at half-time seemed to work wonders but will there be a

drug test? And the talking point in the dressing room after the match was, "where was our 'physio'?"

Danny's line out — Ed. Lawlor, Michael Lawlor, Johnny Brown, Son Whelan, Nickie Whelan, Derry Kiely, Tom O'Connell, Johnny Mulhearn, Sean Behan, Stephen Morrissey and Garrett Kirwan.

Scorers for Danny's — Johnny Mulhearn, Derry Kiely and Stephen Morrissey. Manager — S.J.B.

In the other pubs league game on Friday evening last after a good local derby game, Bally Inn defeated Keating's by 3-0 to advance to the second round.

# RECENT DEATHS

## MR. THOMAS SHANLEY

Everybody over a wide area was shocked at the unexpected death of Mr. Tom Shanley, Kilminion South, Dungarvan which occurred on Wednesday morning, May 31st.

Tom who was 55, was a native of Clonakilty and a member of a well known family who for many years have been involved in the licensed trade. His brother Moss today still runs a thriving establishment back in West Cork.

In his early working days Tom gained valuable experience in the electrical departments of Avoca Mines and Irish Refining. For a number of years he was posted on contract work with Esso Whitegate and Esso Libya ans in September '69 he took a position with Quigley Magnesite when they began operations in Ballinacourty.

In Jan. '84 he fulfilled a burning ambition when he set on stream his own electrical business. A man of exemplary character and first rate ability he was thoroughly devoted to his work and his dedication, diligence and managerial abilities were soon seen to good affect. In 1983 he purchased "The Anchor Bar," The Quay, which deservedly enjoys a wide clientele and stands as further testimony to Tom Shanley's business acumen.

A most likeable person, Tom was a private individual who won the esteem and respect of all whose privilege it was to know him. At all times his concern was for his wife and family and the many charitable works he performed for the less fortunate were done without publicity, pomp or ceremony. Even though business commitments were pressing, Tom took an interest in the local golf club and had the distinction of being President in the past. He was also honoured with life membership of the local rugby club and in his younger days he was no mean footballer as in 1955 he won an All-Ireland Junior football title with his native Cork.

Tom was also a great lover of music and jazz in particular and he was no mean performer on the piano and could rattle the ivory keys with relish.

Short though his lifespan was, he touched many lives and all were enriched by their association with him. He was a thorough gentleman whose unexpected death has been the cause of much sorrow to his many friends but more especially to his sorrowing wife, sons and other family relatives

to whom we extend deep and sincere sympathy on their great loss.

Following suitable prayers of requiem recited at Tom's residence by Very Rev. M. Canon Farrell, P.P. Tom's remains were brought the short journey to nearby Ballinroad Church. A guard of honour was provided by the members of the golf club and his employees. The cruciform design made by the sideline flags outside the rugby grounds and the presence of gardai on traffic duty were further tributes which were greatly appreciated.

On arrival at the Church, Tom's remains were received and blessed by Rev. P. Ahearne, C.C., assisted by Canon Farrell, P.P., Very Rev. M. Brennock, O.S.A., Rev. N. O'Donnell, do. (family friend), Rev. P. Moran, do., Rev. J. Hooper, do., Rev. W. Carey, C.C. and Rev. J. Griffin, C.C.

The musical renderings of Bill O'Donoghue (tin whistle/mandolin) and Jimmy Mansfield (guitar) were most appropriate.

On Saturday at 3.30 p.m. Concelebrated Mass was offered by Canon Farrell, P.P. (chief celebrant), assisted by co-celebrants Rev. Fr. O'Shaughnessy (relative), R.C.P., Rathmines. The singing of his friend and former colleague at Quigley Magnesite, Tommy McShane, accompanied by Mary O'Gorman-Nagle, organist, added to the solemnity and spirituality of the Mass. The Liturgy of the Word was shared by brother Moss and godson Edward Prunty.

Burial took place in the adjoining cemetery with Canon Farrell officiating at the graveside, assisted by Fr. O'Shaughnessy, Fr. Brennock, O.S.A., Fr. O'Donnell, O.S.A and Fr. Hooper, O.S.A.

Chief mourners — Kay (wife), Liam, Brian, Tom and Mel (sons); Elizabeth (daughter-in-law); Paddy, Dublin, Moss, Clonakilty (brothers); Marion O'Shaughnessy, Tramore (sister); David and Roisin (grandchildren); and a wide circle of relatives and many friends.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## MR. JOHN CALLAGHAN

News of the death of Mr. John Callaghan, Ballinakill, Ballinamult, was received in his native area with feelings of profound sorrow and regret. Aged 67, he died at St. Josephs Hospital, Dungarvan, on Wednesday, May 31st, after a period of illness.

Although he suffered a lot from arthritis John was very active up to his final illness. He was a great man to repair Raleigh bicycles and also cut turf on the mountain.

A quiet and deeply religious man his death is made more poignant by the death of his brother William which occurred on March 20, this year.

Sincere sympathy is extended to his sorrowing sisters and other relatives on their sad loss.

His remains were removed on Wednesday evening from the Hospital Mortuary to Kilbrien Church and were received and blessed by Rev. P. Butler C.C.

Requiem Mass was celebrated for the repose of his soul on Thursday morning by Very Rev. R. Doherty, P.P., who also officiated at the burial, assisted by Rev. P. Butler C.C.

Chief mourners — Johanna, Bridget and Kitty (sisters); Eric Townsend, England (brother-in-law); neighbours and friends.

(Funeral arrangements by Tom Drohan, Dungarvan).

## MR. PATRICK BARRON

We record with regret the death of Mr. Patrick (Paddy) Barron, Ballinahemery, Cappagh, which occurred unexpectedly at the Bon Secour Hospital, Cork, on Friday, May 26. He was 71.

A most industrious member of the farming community, Paddy was a great organiser and a wonderful neighbour who was always ready to help those in need.

He also loved hurling and football and in his younger days he did championship battle with the local Finnisk Rovers.

We extend sincere sympathy to his sorrowing wife, family and relatives on their sad loss.

His remains were removed on Saturday evening to Ballinameela Church via Lismore and Cappoquin and en route the hearse paused for a few moments outside his home.

At the Church the coffin was received and blessed by Very Rev. W. Callanan P.P., assisted by Rev. M. O'Byrne C.C.

Fr. Callanan celebrated Requiem Mass for the repose of his soul on Sunday morning and also officiated afterwards at the burial in the adjoining cemetery, assisted by Rev. Fr. Hallahan.

Chief mourners — Margaret (wife); Nicholas, John, Pat, and Declan (sons); Margaret (daughter); relatives and friends.

(Funeral arrangements by Tom Drohan, Dungarvan).

# ELECTION '89

## BULBULIA CRITICISES FF'S "BEDSIDE CONVERSION"

In the course of a Press Release, Fine Gael candidate, Senator Katharine Bulbulia said that the burning issues in the election are the ill-conceived health cuts, enforced emigration and few job opportunities and, of course, high taxation. Apart from burning people's hearts and pockets these issues are burning Fianna Fail votes and there is mounting mood for change.

Senator Bulbulia went on to state that Fianna Fail's post mortem and attempted bedside conversion on their disastrous Health cuts has fallen on an aggrieved electorate, knifed by careless, thoughtless lunging at cost savings. People are rightly incensed by such treatment and playing 'nurse' to the electorate and taking 120 pages to do it at the last minute is rubbing in salt.

The stuffed dummies are in shop windows: the electorate are not mindlessly waiting to vote for another bout of mal-administration from Fianna Fail. It is a very, very sick joke indeed, but people do remember the FF slogan last time around about health cuts hurting the poor, sick and elderly.

And, added Senator Bulbulia: "My ten years in public service with your mandate in two local authorities, two public boards and the Senate have given me much experience and knowledge and with your further support I aim to regain Fine Gael's second seat in this vital constituency — once held since the foundation of the State."

## MORE JOBS MUST BE CREATED SAYS LABOUR CANDIDATE

Senator Brian O'Shea, the Labour Party candidate in the general election, stated that apart from the health Services, the major issue he had met during his canvassing since the campaign began was unemployment and the creation of jobs.

"It is terrible," said Brian O'Shea, "to see the despair on the faces of so many people who answer the door. On one hand there are many in their forties and fifties who have become unemployed through no fault of their own and who firmly believe there is nothing in store for them but a future without work.

"It is one thing for the

government to be juggling with statistics and claiming that unemployment is down and employment is up, while ignoring the fact that nearly one thousand people per week emigrated last year. It is another thing to meet the unemployed on the doorstep and listen to their side of the story. The long term unemployed, with their families living in poverty, have now despaired of ever getting work. They have first hand experience of workers in their late thirties, forties and fifties being refused employment because they are considered too old. What a waste of human resources and experience."

Senator O'Shea went on to say that at the other end of the scale he had met the school-leavers who cannot get a job because they have no work experience, and who have made up their minds that there is nothing for them but to emigrate. "And," he added, "as a result, 48,000 people emigrated last year, and over 30,000 the previous year. God knows how many will have to leave this year. If emigration continues at its present rate, within a few years we will have lost an entire generation. The entire country will be like many of the villages and small towns are now — populated with elderly and with small children."

In conclusion Senator O'Shea stated: "The only way to deal with this problem is to create jobs. It is the Labour Party's view that jobs can be created, but only if there is a radical change of policy."

## ICMSA TAXATION QUESTIONNAIRE TO EURO CANDIDATES

"In the elections for the European Parliament farmers have a choice of candidates who are strongly in favour of a system of tax which will give better opportunities for the survival of the family farms," said Mr. Sean Kelly, President of ICMSA, when commenting on the responses of some of the candidates to the ICMSA Questionnaire on farmer taxation.

All the candidates were invited to central meetings within their respective constituencies.

The most notable absentees from the Munster meeting were two outgoing MEP's Gene Fitzgerald (FF) and Tom Raftery (FG).

Mr. Kelly said that the Munster constituency offers a wide selection of Euro candidates who favour an

alternative to accounts for farmers.

Michael Ferris said the Labour Party policy was that all farmers with more than 20 adjusted acres would be given the opportunity to select between Land Tax and the Accounts System.

Paddy Lane, the only Fianna Fail candidate to attend the Munster meeting, offered himself as a negotiator with IFA and the Government to bring about a flat rate of land tax which would be scaled in accordance with the profitability of different farm enterprises.

T. J. Maher strongly favoured a taxation policy that will offer a choice to farm families and to family-operated business enterprises, which would allow them develop without an undue burden of taxation.

Also clearly in favour of an alternative tax system for family farms were Fr. P. Ryan (Indep.) and Joe Sherlock (WP).

Pat Cox (PD) was in favour of the tax-on-accounts system.

### NO FG RESPONSE

No Fine Gael candidate in any constituency completed the ICMSA Questionnaire and Paddy Lane was the only Fianna Fail candidate to do so.

Mr. Kelly said: "It now has been established that a good selection of Euro candidates have sufficient concern for farm families by committing themselves to an alternative tax system."

"Voting for candidates who want to keep farmers locked into a most hostile tax-on-accounts system is voting for a speedy end to the family farms," concluded Mr. Kelly.

## REVISION OF POLLING STATIONS IN COUNTY

About two years ago a directive from the Department of the Environment was received by the County Council to the effect that polling stations of less than 350 voters were to be closed and removed from the Council's polling scheme. In addition the directive laid down that private houses could no longer be used as polling stations for the holding of an election.

The matter was debated by members of the Council on several occasions and arising from these discussions a draft, setting out a new list, was sent to the Department but this was returned to the Council as unacceptable as it still included polling stations with less than 350 voters.

A series of area meetings of the Council followed and a further revised draft was then submitted to the Department and finally approved.

During the discussions on the matter, several members of the Council held that voters in the affected areas would be very disappointed by the changes which had to be made because of the Department directive but it was pointed out that this specifically laid it down that nothing less than 350 voters was a pre-requisite for a polling station and no private houses would be permitted.

As required by the Act the changes in the polling scheme were then advertised and the constituency T.D.'s were notified of the changes in due course but no objections were raised. However Deputy Jackie Fahey did raise an objection later on to a change in the Eastern end of the county and he was advised then by the Council to contact the Minister for the Environment as he was the only person with power to alter the position.

### 16 POLLING STATIONS CLOSED

As a result of the Department's directive a total of 16 polling stations around the county were closed. In the Dungarvan electoral area as well as Villierstown these included a private house in Old Parish with the remainder being divided between Grange and Ring. Part of Abbeyside Rural area has been transferred to the polling station at Dungarvan Hospital and there was a closure and a division between Dungarvan Rural in the Carriglea and Ballinameela area.

The polling station in Aglish now has a total of 653 voters listed, of which 243 are from the former polling station at Villierstown which has now been closed.

## ICMSA FARMER TAXATION AND POLITICAL PARTIES

Mr. Sean Kelly, President of ICMSA, last Friday revealed that An Taoiseach, Mr. Haughey, refused to meet a delegation from ICMSA for discussions on agricultural policies including taxation.

"I believe Mr. Haughey is wrong to ignore farmers in this manner," said Mr. Kelly. However, Mr. Kelly said that in a letter Mr. Haughey outlined the benefits of the tax-on-accounts system for farmers.

Mr. Kelly continued: "Fine Gael, Labour and the Progressive Democrats are conscious, to differing degrees, of the serious problems and anomalies contained in the present tax-on-accounts system for farmers.

"Fine Gael are prepared to allow the tax-on-accounts system to operate for a period and to observe its effects. The Labour Party has given a commitment to replace the tax-on-accounts system with a Land Tax for all farmers with more than twenty adjusted acres, while the Progressive Democrats favour the tax-on-accounts system with a commitment that if in Government they would ensure that farm families would have their full entitlement to the allowances which are denied them at present."

Mr. Kelly concluded: "It is my belief that farmers and their families will take the attitude of the main political parties to farmer taxation into account when casting their votes."

## LETTER FROM FR. WILSON

The Editor,  
Dungarvan Leader.

Dear Sir,

I want to thank Father Patrick Ryan for standing in the Euro election and thus giving people an opportunity to know about the appalling situation in N. Ireland. I have lived in it all my life. It is unjust, cruel and against all the laws of morality with which I as a Christian, a priest and a pacifist was brought up.

I am convinced that if people in the rest of Ireland knew what was really going on — the torture, the indignity, the utter cynicism of a government which even today refuses to rule justly — they would act with dignity and considerable severity towards the governments responsible. I have no hesitation in thanking Father Ryan for standing.

If others had protested the injustices as they should, there would be no need for him to stand. Those of us who are priests and have entered the political debate, have done so because the sight of our fellow citizens ensnared perpetually in bad government has become unbearable. We remember too well the story of the priest in the Gospel who walked by on the other side of the road when his brother was beaten to the ground:

Fifty community associations in Belfast who know the truth support Father Ryan. So do I. So do many of my colleagues. I hope he wins a Euro seat. But I think that politicians should

know that all such people will do their best to help and encourage them also, if they will take a stand alongside us against immoral government.

The fact that such immoral government afflicts one and a half million of our own people in our own country should surely make us willing to do all we can to stop it and to discipline those responsible for it.

With every good wish,

Yours sincerely,  
FR. DESMOND WILSON  
Springfield  
Community House,  
Belfast.

## GLENBEG SCHOOL GRANT

Dear Editor,

I refer to an article in last week's edition of your paper concerning Glenbeg School which implied that the Minister reneged on his promise to pay £1,000 Sports grant.

I would like to put the record straight. In the last General Election the renovation and extension of Glenbeg School was a very live issue. I made a commitment that if I was re-elected and Fianna Fail returned to power that the work so badly needed would be carried out. Following the general Election I introduced a deputation to Frank Fahey and he agreed to sanction the necessary finance to enable the work to commence. When the work was completed the school was officially opened by Frank Fahey and this was a proud day for Glenbeg. During the Minister's speech he said he would donate £1,000 for "Special Project Grant."

The fact is the Board of Management have not to date completed the relevant application form for this special grant. Since the letter appeared in your paper I contacted the Minister who assured me that when the completed application form is returned the cheque will issue immediately.

I trust this clarifies the position.

Yours sincerely,  
JACKIE FAHEY.

[Editor's Note: Mrs. Eileen O'Mahoney, Principal, Glenbeg N.S. called the "Leader" Office on Tuesday morning (June 13) to inform us that the application form referred to above by Mr. Fahey was only received by them from the Department on the previous day (Monday's) post. It was immediately completed and returned by post to the Department on Tuesday, she added.]

## RECENT DEATHS

### MR. MICEAL POWER

We record with sincere regret the death of Mr. Miceal Power of Ballinamintra, Cappagh, which occurred on Friday, June 2 at Cork Regional Hospital following a period of hospitalisation. The deceased was a native of Dungarvan and for many years ran a most successful business at 81 O'Connell Street. On the sale of his premises he took up residence in Ballylemon Lodge and some years later moved to Ballinamintra where he farmed extensively.

Miceal loved show jumping and he attended many of the top shows and he also showed his own animals with some success. He particularly enjoyed the excitement and challenge of the showjumping arena where many victories came his way. He was also a founder member of the Dungarvan Blazers.

While Miceal will be missed by a great many people, he will be missed more so by his sorrowing wife, sons and daughters, to whom we offer our condolences on their loss.

On Saturday evening following Rosary and Prayers of Requiem at Cork Regional Hospital Mortuary recited by Rev. Fr. Bonaventure, Ord. C.S., Glencairn and Rev. Fr. McCarthy, Hospital Chaplain, Miceal's remains were brought to Ballinameela Church where they were blessed and received by Rev. M. O'Byrne, C.C., assisted by Fr. M. Bonaventure, Rev. Fr. ### MR. LARRY O'SHEA

Ballylemon and the Cappagh area lost one of its best known and well liked personalities last Wednesday with the unexpected demise of 32 years old Larry O'Shea, who was em-

ployed with his father in his building contracting firm.

A quiet, unassuming man, Larry lived for his wife Elizabeth and daughters Sharon and Lucy and also spared no effort in beautifying his residence and surroundings. In return, Elizabeth cared for Larry with total dedication and love, hence his untimely passing has greatly shocked his dear ones.

He was interested in football and was custodian for Modeligo Soccer team.

His remains were removed from the Hospital Mortuary last Thursday to Modeligo Church where a huge concourse of mourners came to pay their respects. Following concelebrated Mass on Friday, Larry was interred in the adjoining cemetery.

We tender our deepest sympathy to his wife, daughters, parents, brothers, sisters, relatives and friends on their loss.

(Full obituary next issue.)

### MR. PATRICK FOLEY

We record with regret the death of Mr. Patrick Foley, Coolbagh, Clashmore, which occurred on Monday, May 15, at the District Hospital, Dungarvan. He was 87.

He was brother of the late Fr. Thomas Foley, Waterford and Lismore and the late Fr. Jim Foley, Society of St. Columban, Navan. He is survived by his loving wife Mary B., sons John, Redmond, James and Patrick, daughters Lena and Mary Margaret, to whom we extend deep and sincere sympathy on their sad loss.

His remains were removed from Egan's Funeral Home, Youghal, to Clashmore church. Very Rev. J. Murphy, P.P., received and blessed the remains, assisted by Rev. C. Kelly, C.C., Dunhill and Fenor.

The homily was given by Dr. Howe in which he praised the deceased and also the late Fr. Jim Foley.

Burial took place in the adjoining cemetery after the Mass.

A special Requiem Mass was celebrated on Thursday evening by Rev. W. Meehan, C.C., on his return from the Diocesan Pilgrimage to Lourdes.

## GLENSHELANE EXCURSION

Last weekend the troop were due to travel to Glenshelane for a full weekend of camping and hiking as preparation for this summer's annual camp. We were due to leave Friday night but because of the miserable weather conditions we had to postpone our departure until Saturday at 1.45 p.m.

Thankfully, the weather was much improved and the lads responded with a brilliant turnout of 38 (scouts and five leaders), the biggest gathering of scouts for an event for several years.

After cycling at a sensible safe pace, the lads arrived at the Glen and after a short rest the ridges and army tents were pitched. We're told QM John Paul Cosgrave and his staff will have to go looking for "Spikes" after the weekend.

The leaders then brought the patrol up the woods in search of some gadget wood. On return, the scent of woodsmoke could be smelt as the fires burned away with the patrols busily cooking their dinner. Our unit leader informs us that the standard of menu turnout was very good — Patrick O'Dea, Patrick Hickey and Neil O'Kennedy seemed to enjoy their grub.

After cleaning up, the patrols played some games while some of our newer chaps like Mark O'Riordan, John Kyne and Denis O'Flynn found time to check out the famous weir.

The patrols were then driven to the towers in Lismore for a very enjoyable hike. Many stories can now be told about this trip and the question is: was Brian's story in the tower really true? Was Sean Kelleher's yell real? Did the leaders leave the blindfolded scouts singing on the bridge without a torch and watch? Did Michael Sheehan pass his campfire leader badge and why was the campfire the best we've had for a while? Did our

PL's get top marks for initiative and team spirit?

After finding our way back to the cars we loaded up (slightly nervous), returned to the Glen and went to bed. After a few hours sleep (isn't that right, Michael Kelleher, Martin Whelan and Anthony Hackett) we got up, had breakfast, washed and went to 10 a.m. Mass in Affane.

On return to the Glen via Cappoquin a bases competition was organised by Kieran and Brian. Colin Connor outdid Stephen Roche as he won the time trial in the Giro de Glenshelane, Liam Moore came unstuck in the musical challenge, Derek Kenneally got stopped in his tracks in the water event, while Gazza Mullarkey topped in the ship-in-a-bottle competition.

After lunch a major clean-up took place — Robert Curran led the aqua team as they cleaned the river, the panthers resurfaced the campfire circle, while the other patrols sorted out the rest of the site.

After a game of slippery soccer on the grass the patrols mounted up and departed for home, tired but happy after a very enjoyable overnight.

## CUB NEWS

Recently Cubs and their mothers from Abbeyside, Dungarvan, Cappoquin and Tallow arrived in the Glen to take part in the first mother and son day, and what a day it proved to be, with over 130 people really getting into the various activities.

The fun started in glorious sunshine, with four races which included sack racing, egg and spoon, three-legged races and a cub game called chunnel. Everyone was well tired after these games and these were only the warm-up exercises!

After this, things calmed down a small bit and face painting was the order of the day, with cubs putting on their mother's make-up and vice versa. With everyone running around like

something out of a horror movie, it was back to the serious stuff which included four more races of porridge trail, blind trail, tug-o-war and what is it?

At this stage the pressure was beginning to tell on the legs and I don't mean the cubs legs! Everyone then sat down to the biggest picnic the Glen has seen in a long time and a lot of hot tea and coffee were drunk in order to keep warm for what was to come next.

Yes, you've guessed it, "water sports." At 2.30 four more races were lined up. These were: sock it to 'em, slippery crab football, fill the wellies and bridge beachball.

With the sun shining strongly, everyone really got into the spirit of things and I don't think there was a dry person left in the Glen by 4 o'clock. After a

wash and a clean up we rounded off the day's activities with a Mass celebrated by Dungarvan Chaplain, Fr. Rogers.

When the Mass was over, A/R/C Brian thanked all the Leaders and the mothers and sons, without whose presence and sense of fun this day would not have been possible. He also reminded them to keep this date free in their diaries for next year, and who knows, it might turn out to be bigger and better next year.

After this everyone drove out of the Glen in a cloud of dust with large smiles on their faces and probably hoping the hubbies had all the other children washed and in bed by the time they got home because I don't think the mothers would have been able for them

## Dungarvan Scout Notes

### WEDNESDAY NIGHT CUBS

Last week our meeting began with a uniform inspection. Most of the cubs were well turned out, however, a few of the lads had left their uniforms in the wash! Following our prayer and collection of dues, we went outside to the car park and played "knockout". When the lads decided they had enough fresh air we went back inside and played "volley balloon", which was won by Damien's team. Games over for the night we got busy completing our badgework. Richard has all his work finished and will receive his badge next week, whilst the rest of the boys still have some work to do yet.

The remainder of the meeting was spent taking names for our father and son camp, which takes place on June 23-25. A great weekend is guaranteed. Our meeting ended with our prayer.

Until next week.

### THURSDAY NIGHT CUBS

Being such a good evening we took to the car park to enjoy the fresh air and evening sun. We started with a game of Tug-Of-War called "Boxey". Here we had four fellows pulling at the same time until one is pulled over his line and so on. Johnny Kiely, Michael Ahearn and David Murphy proved to be the best while a good battle is still going on between Adrian and Tony. Next we had a balancing game which involved the cubs putting two 10p pieces on their shoes and travelling a distance.

William seems to know how to keep his eye on money and got 10p for his bravery. However, Kenley found a hole in his shoe but didn't get to far. A fast game of soccer was played with Thomas Hogan scoring a good O.G. (own goal). We finished off the night with a newspaper game with Colin being our excellent reporter and Matt knowing more about the last few pages. Till next week.

— Bi Ullamh.

## THIS WEEK TEAGASC CO. WATERFORD SAYS

### GRASSLAND

Check grass supply twice weekly and close surplus paddocks for silage.

### LAMBS

Cobalt deficiency reduces lamb performance on many farms. Dose lambs where necessary with Cobalt Sulphate. Continue dosing lambs for worms at 3 week intervals.

### CATTLE

Group sizes in excess of 50 animals will have lower overall growth rates. The ideal group size is 40-50.

Having four divisions for rotational grazing allows good control of pasture quality and regrowth.

### HORSES

Setting up a horse breeding enterprise has a number of tax advantages, in particular the use of stock relief and the allowance of interest on borrowings as a farm enterprise.

# PENSMAN Takes You. . . . Behind The SPOTLIGHT

## DON'T TAKE YOUR VOTE FOR GRANTED

Thursday of this week, June 15, is polling day for the General and European Elections while residents in Gaeltacht areas will have a third ballot paper to fill in the election for members of Udaras Na Gaeltachta.

We cannot stress too strongly the duty everyone has to participate actively in these elections which will elect the members of the 26th Dail and the Government for the country in the foreseeable future and also the members who will represent us and Ireland in the European Parliament.

While there is usually a great deal of interest in Dail Elections, the same cannot be said in the case of the last two E.P. elections. In some ways it is a pity that the important issues affecting the immediate years ahead of the European Community have been fudged and fogged out by the bickering that has gone on about our internal problems but perhaps the heat and friction which appears to have been generated on a number of general election issues will induce the people to go to the polls and then to cast their votes for both.

There can be little point in the holding of elections if those entitled to vote ignore them. At this stage of the campaign after almost three weeks of incessant bombardment by "the media", people are sick and tired with speeches, opinion polls and the various propaganda moves that have been mounted by the "handlers" of the various parties and candidates. So we say let the people now talk with their votes.

We would especially urge our young people, some of whom will be doing so for the first time, to come out and vote. Let them not take this democratic right for granted or as something that can either be taken or left. Look at the great jubilation in Poland last week when the people had this democratic exercise restored to them and recall the sacrifices of the young students in China who sought the right to vote and in doing so were crushed under army tanks and shot down by order of the hard-line Communist regime that rules this vast country with an iron fist.

So whatever your opinion is in regard to who should form the next Government of the country of who our representatives to the European Parliament should be,

take an active part in the outcome. Go out and cast your vote and don't just leave it to the other person and then let us accept the voice of the people when the final result is declared.

## TIPS FOR TIDY TOWNS COMMITTEES

Speaking at the tree planting ceremony in Dungarvan last Thursday evening (see report elsewhere in this issue) Mr. Pat Nolan, South East Tourism stated that over 700 towns and villages were expected to compete this year for the top award in the Bord Failte - First National Building Society Tidy Towns Competition which is now in its 31st year.

Pointing out that this top award brought national prominence to the winner, Mr. Nolan outlined seven points that the adjudicators, who will shortly be making the rounds, would be watching out for in this year's competition.

There are: Roadside kerbs and the bases of buildings and walls cleared of soil and weeds; Sports grounds and their surrounding walls and gates properly maintained; Derelict buildings to be tidied, boarded and painted; Lichen and moss removed from attractive stonework; Litter-bins emptied regularly; Graffiti removed as soon as it appears; Trim appearance of village or town's nameplate and surrounding approach roads.

Mr. Nolan also advised Tidy Towns Committees to plan their participation in the competition and to communicate their objectives to the community. He said that it was the experience of Bord Failte that good communications generated the kind of community spirit which won awards in the competition.

Bord Failte also believes that the Tidy Towns Competition will grow in significance as people become more conscious of the importance of their environment, not alone as an essential contribution towards a successful tourism industry but also as a key element in our quality of

life.

We think that these points raised by Mr. Nolan at a function to mark the participation by Co. Waterford in this year's Tidy Towns Competition could be very usefully noted by the various Tidy Towns Committees throughout the county.

## REMEMBERING OTHER DAYS

Among a number of old photos received for our "Remembering Other Days" series are two which came from Garrett Morrissey who resides in Roscrea (formerly of The Hermitage, Abbeyside). The photos which are all of 75 years old depict what the lifestyle of the upper echelon that lived in Dungarvan in the early years of the century was.

We hope to publish these in the course of the next few weeks when we may have succeeded in collecting a little more information about them.

## FAMOUS YOUGHAL LANDMARK CHANGES HAND

Merrick's of Youghal — a landmark in the famed Co. Cork seaside resort since 1580 has been sold but will continue to operate as the largest general store in the town dealing in drapery, furniture, shoes and the many other lines for which it has become noted down through the years.

Mr. Gordon Good, the owner and general manager of Merricks is a member of the Good family which had long associations with the business life of Dungarvan when they owned drapery and shoe shops in the town for a long number of years.

He has now sold Merricks as a going concern and the new owners are Mr. and Mrs. Alan Nevin, Kinsale who plan to further develop the store and to open new departments in it.

## SEEKING RELATIVES

We have received a query on behalf of a person who is looking up data concerning his family tree. The query concerns a Kitt or Kett family stated to have

resided at "The Buttery" in Dungarvan at one time. The Buttery was the area in the Emmet Street - Convent Road locality of the town where, in olden days, a butter market was held. Our inquirer would be thankful for any help in the matter.

## WATERFORD — U.S. "PROLIFIC POWER"

We are indebted to Mrs. Theresa French of the Waterford Association in New York for what she describes, very correctly, as an item that would be of interest for our column. Under the above heading she writes as follows: "New York is witnessing a "Baby-Boom" during 1989 and they are all Power!

Details of the new arrivals are then listed: Michael and Maureen Power, Dunmore East and Lodi, New Jersey - a girl! John and Sue Power, Kilmacthomas and Edison, New Jersey - a boy! John and Trish Power Kilmacthomas and Philadelphia - a boy! Kieran and Nora Power, Kilmacthomas and New York - a girl! Bobby and Monica Powers, Kilmacthomas and New Jersey - a boy! Marty and Colette Power, Kiely's Cross, Tallow and New York - a boy! Johnny and Teresa Power, Kiely's Cross and New York - patiently waiting! Maureen Power-O'Connor and husband, Chris, Kiely's Cross and New York - a girl! Paddy and Cathy Power, Abbeyside and New York - a girl!

That is the good news but Mrs. French goes on to relate:

"Our heartfelt condolences go to Peter and Deanna Power, Kilmacthomas, Michigan and New Jersey. They were blessed with a little girl, Aine, who was so special that God decide to take her back home. We now have another little angel in heaven to intercede for us. We know Aine is alright and pray that God will bless her parents and little brother.

She concludes: "Met Mrs. Mulcahy and her daughter, Michelle at . . . where else . . . a christening! It was the christening of Katie Power, daughter of Kieran and Nora. Hope they enjoyed their visit to the States and that they had a safe trip home".

## SKIBBEREEN

Following a request from a reader in London we make "Skibbereen" that well-known ballad which recalls the Famine and the Land League days when landlords showed no mercy for the Irish peasant farmers when it came to paying their rents and taxes, our choice for the ballad corner this week:—

Oh, father dear, I often hear you speak of Erin's isle,  
Her lofty scenes and valleys green, the mountains rude and wide.  
They say it is a lovely land wherein a prince might dwell,  
Oh, why did you abandon it? The reason to me tell.

Oh, son I loved my native land with energy and pride,  
Till a blight came over all the land—my sheep, my cattle died:  
My rent and taxes were to pay, I could not them redeem,  
And that's the cruel reason why I left old Skibbereen.

Oh, well do I remember the bleak December day,  
The landlord and the sheriff came to drive us all away;  
They set my roof on fire with their demon yellow spleen,  
And that's another reason that I left old Skibbereen.

Your mother, too, God rest her soul, fell on the snowy ground,  
She fainted in her anguish, seeing the desolation round,  
She never rose, but passed away from life to mortal dream,  
And found a quiet grave, my boy, in dear old Skibbereen.

And you were only two years old and feeble was your frame,  
I could not leave you with my friends — you bore your  
father's name—  
I wrapt you in my cota mor at the dead of night unseen,  
I heaved a sigh and said good-bye to dear old Skibbereen.

Oh, well do I remember the year of '48,  
When I rose with comrades brave and true to battle against fate,  
I was hunted through the hills by slaves who served a foreign  
queen,  
And that's another reason why I left old Skibbereen.

Oh, father dear, the day will come when vengeance loud will call,  
When Irishmen with feelings stern will rally one and all,  
I'll be the man to lead the van beneath the flag of green,  
When loud and high we'll raise a cry—Revenge for  
Skibbereen!

# Successful Fleadh In Cappoquin

Despite the inclement weather which forced the organisers to alter the time and location of the opening ceremonies, the 1989 Fleadh Cheoil got off to a great start in Cappoquin Friday night, June 2.

Labhras O Murchu, Director General of Comhaltas Ceoltoiri Eireann, who declared the Fleadh officially open in the Boathouse at 10.30 p.m., complimented the local committee for their efforts in promoting our cultural heritage. With so much talk of 1992 and all that it inferred, he said that it was important that we should value our unique traditions.

The Junior Set Dancing competitions with a total of 18 Sets entered, had already commenced at 9 p.m. and the huge crowd enjoyed a great night's entertainment concluding with a Ceili.

On Saturday afternoon the traditional singing Workshop in the Sportsman Inn was in the very capable hands of Ann Mulqueen. In the Boathouse the Lancer Set Workshop with Thomas Hyland and Mary Marrihan, and Mickey Dalton providing the music, was very successful. Among the attendance were dancing enthusiasts from Cork and Dublin and a surprise visitor was the renowned Connie Ryan — no doubt in preparation for his Set Workshop at Siamsa Tra Mhor in July.

Saturday evening again saw big crowds and the Dungarvan Pipe Band gave a recital around the town. The Senior Set competitions and a Ceili in the Boathouse concluded the nights entertainment.

On Sunday, the fine morning encouraged an early influx of competitors who, having attended Aifreann Ui Riada in the Parish Church, enjoyed another recital from the Dungarvan Pipe Band before partaking of pack lunches and practicing for the competitions. At 1.30 p.m. the competitions got under way

## To Be Chairman SERTEC Advisory Committee

The Minister for Science and Technology, Dr. Sean McCarthy, has appointed Mr. Stephen O'Connor, Dungarvan, Chief Executive and Managing Director, Waterford Co-operative Society, to be Chairman of the Industrial Advisory Committee of the South East Region Technology Programme (SERTEC) which has been established to bring about added technological development in the South-East Region comprising the Counties of Waterford, Wexford, Kilkenny, Carlow and Tipperary (S.R.)

at 8 venues. One of the great successes of the Fleadh was Mol an Oige, a non-competitive event for beginners first introduced at last year's Fleadh.

At the stage on the Square there was continuous entertainment from mid-afternoon with a tremendous reception being given to the 60 strong Youghal C.C.E. Marching Band. The Fleadh Office was a hive of activity with successful competitors collecting trophies and Certificates.

The excitement of hearing of Waterford's great display in the hurling championship added to the enjoyment of crowds and Sunday night once again saw the pubs doing a great trade. The final hours of the Fleadh saw the Boathouse packed to capacity to savour the music of the Ballynoe Ceili Band. And so for the second year in a row Cappoquin can boast it has hosted one of the best ever Fleadh Cheoil na nDeise.

## Comhaltas Notes

### MUSIC COMPETITIONS IN KILMACTHOMAS

On Sunday next, June 18th, Feile Lar Deise organised by the local Comhaltas branch will take place in Kilmacthomas. This is an opportunity for young musicians especially those learning in the National Schools throughout the county to compete in individual competitions in individual whistler, flute, fiddle, banjo, button accordion, piano accordion, and mis-

cellaneous.

Medals will be presented to 1st, 2nd, 3rd, and 4th in each competition. Prizewinners from the Co. Fleadh Cheoil are excluded from the competition. Followers of traditional music can expect plenty entertainment on the street and on the open air stage.

Venues for the competition are the Courthouse, Temperance Hall and the Vocational School.

## MILK QUOTA SYSTEM SCHEME PROVIDING FOR THE TEMPORARY LEASING OF QUOTAS IN 1989/90

Under this scheme producers can offer for leasing to other producers within the same co-op or dairy, a portion of their quotas which they consider they will not use in 1989/90.

This year's scheme is broadly in line with the temporary leasing scheme that operated in 1988/89. As a general rule producers may lease up to 70% of their quotas. However producers whose herds were depopulated under the TB or Brucellosis eradication schemes in 1988 or prior to 31 July in 1989 may lease up to 99% of their quotas.

Available quotas must be offered in the first instance to producers in the priority categories and only when their needs have been met can quotas be offered for leasing to other producers. The priority categories have been brought into line with those operating for the re-structuring scheme and for the distribution of flexi milk. Briefly the categories are: those with no quotas or quotas less than 30,000 gallons as the first priority; and those in the 30,000 to 50,000 gallon quota bracket as the second priority and within that bracket preference will be granted to producers whose deliveries in 1983 were abnormally low due to animal disease problems in the 1978-1983 period.

The payment for leased quotas this year is increased to a maximum of 30 pence per gallon.

Full details of the scheme may be obtained from any co-operative or dairy or direct from the Superlevy Section, Department of Agriculture and Food, Kildare Street, Dublin 2. The closing date for applications is 20 July 1989 so as to enable the leases to be drawn up and completed by 31 July 1989, as required under the Community regulations.

## Tagging of Calves

Calves under six weeks of age, being moved or sold, must, by law, be tagged and identified. As the Calf Premium Scheme has been discontinued, ERAD has arranged to make calf tags and certificates available to owners of unrestricted herds on production of their cattle identity cards. These tags and certificates can be obtained free of charge from A.I. stations. For further details contact your local ERAD Office.

# TALLOW NOTES

## TALLOW G.A.A. NOTES

Our annual Church Gate Collection takes place on Sunday morning next, June 18. As this is one of our main sources of revenue it is important that a lot of our G.A.A. members will be standing for all Masses.

The best of luck to Waterford on Sunday next as they replay the semi-final against Cork in Thurles. To club players Timmie Sheehan and Pat Murphy and indeed all players and mentors the very best of luck.

The Piltown G.A.A. draw will be commencing next month. This year it is £60 for three draws and tickets can be had from Denny Cunningham or Pat Sheehan, for anyone interested. As usual the prizes are very big with houses and cars in each of the draws.

All is quiet on the playing front for Tallow at the moment with Waterford's involvement in the Munster arena and when we will be playing again is largely in Waterford's hands. — P. O. S. — P.R.O.

**ST. CATHERINE'S G.A.A.**

**AGHADA 2-9**

**ST. CATHERINES 0-4**  
Catherines and Aghada

junior footballers contested this "A" garde East Cork championship tie at Dungourney last Saturday evening. The first half was evenly disputed with Aghada powered by county star Conor Counihan just shading Catherine's by 4 points to 2 at the interval. Hopes for a second half encounter faded shortly after the resumption when the Southerner's went on a scoring spree and having the overall balance in their team, despite Catherine's best attempt they won well on the above score.

Tom Cotter, Midleton G.A.A. refereed.

## JUNIOR "B" GRADE FOOTBALL CHAMPIONSHIP ST. CATHERINES 1-5 YOUGHAL 0-5

At Castlemartyr last Sunday evening in greasy and wet conditions our B grade footballers triumphed over the seaiders in a tough and exciting game. Being headed by one point at the interval, things didn't look too rosy for them, but a great second half rejuvenation in the team with everyone pulling his weight set the stage for a superb last quarter display to snatch a memorable victory.

Denis Flynn, Fr. O'Neill's Club refereed.

Catherine's lined out as follows — Willie Murphy, Raymond Carr, Paddy Ahern, Sean Hickey, Batt Sheehan, Mike Mangan, Billy Neville, John Harnett, Paddy Joe Lonergan, Edmond Galvin, John G. Barry, Edward Sheehan, Teddy O'Leary, Matt Harphur, Pdraigh Lucy. Subs. — O. Twomey for Aghern, Pat Leahy for Lucy.

Our U-14 hurlers had a successful outing to Fermoy when playing the local lads in a friendly match.

The U-12 footballers of Castlelyons and Dungourney gave a spectacular exhibition of the code when they met in the East Cork finals at Ballynoe last Tuesday evening. Brother Ryan, Youghal, Vice-Chairman of the Divisional Juvenile Board presented the trophy to the visitors Castlelyons and praised both teams for skilful performances.

## JOHN (JACK)

**RUMLEY, BALLYNOE R.I.P.**

The people of Ballynoe and surrounding districts grieved for its oldest inhabitant, Jack Rumley of Ballyknock, Ballynoe, whose death occurred at his residence last Thursday morning, June 8.

Born in 1892 Jack was within a couple of days of reaching 97 years. Endowed with great health always, a life long teetotaler he claimed to have smoked the pipe regularly for over 80 years, and the large course which attended the funeral testified to the high esteem in which he was held in the district.

After Requiem Mass in St. Catherine's Church, Ballynoe, on Saturday he was interred in the local cemetery. A member of the East Cork Brigade Old IRA, his coffin was draped in the tricolour and shots were fired over his grave by Army personnel.

Our sympathy is extended to his sons, Pat and Jack; daughter, Mrs. Kitty Driscoll; sister, Christina; sons-in-law, daughter-in-law, grandchildren; great-grandchildren, nephews, nieces, relatives and friends.

## MRS. MARY MURPHY, TALLOW

The death took place recently at the residence of her son Patrick, at Woodview Park, Tallow of Mrs. Mary Murphy. Formerly of Glen House, Moorehill, she was predeceased by her husband many years ago.

Having reached the fine age of 79, she enjoyed very good health until recently when she was indisposed

for a short time before her demise. Genuinely kind and considerate, she was always popular with people everywhere and we wish to express our sympathy to her sons Willie, John Joe and Patrick; daughter Mrs. Nora McCarthy, son-in-law, daughters-in-law, grandchildren, relatives and friends.

After Mass in the Church of the Immaculate Conception, Tallow, the funeral took place to Kilwatermoy for interment in the family plot. Solus na bhflaitheas da h-anam uasal.

## ST. CATHERINES G.A.A.

**Youghal 1-7, St. Catherines 1-7**

Last Wednesday week at Ballynoe, the above teams served up a good lively encounter in the current football league. Youghal held sway at the start but in a tense and exciting finish the lead changed hands on a few occasions and eventually the sides finished all square, which was a fitting result. Don Kenneally, Dungourney, refereed.

St. Catherine's team was: P. Murphy, D. Buckner, B. O'Regan, P. J. Lonergan, J. G. Barry, S. O'Connell, J. Spillane, P. Donoghue, J. Mangan, S. Buckley, N. Carr, B. Carr, B. Neville, J. D. Cotter, J. Harnett. Subs used: M. Harnett and R. Carr.

**St. Catherines 1-9, Watergrasshill 0-11**

Watergrasshill were visitors to Ballynoe to engage

Catherines in this B Grade hurling league. Both teams played their best in wet and slippery conditions which were not conducive to good hurling.

The home side held a slender lead of 3 points early on. The 'Hill' stepped up their form in the second half and levelling matters, went on to lead by a couple of points. Catherine's scored another point and a good goal sent them ahead again. Alternate scores came then and the home side won by the narrowest of margins.

Timmy Geary refereed and Catherine's lined out as follows: Pat Murphy, Willie Barry, John Denis Cotter, Frank Hayes, James Spillane, Edmond Sheehan, Teddy Leary, John Harnett, Donal O'Leary, Mike Walsh, Pad Joe Lonergan, Anthony Clancy, Eddie O'Brien, Paddy Ahern, John Hennessy.

## BALLYNOE P.T.A.A.

At last Friday week's Mass in Ballynoe, which was also the Feast of the Sacred Heart of Jesus, both boys and girls, mostly this year's Confirmation Class, were joined as Probationers. The badges which they were presented with were blessed by Fr. Buckley, C.C., Ballynoe, the celebrant of the Mass.

A similar ceremony took place at a Mass in Conna church on the same evening where Mass was celebrated by Fr. J. Kelleher, P.P.

Arrangements are being made as well to present more badges in the near future to more eager aspirants who were unavoidably absent on that night, agus beidh failte roimh aon duine eile.

# LISMORE NOTES

## LISMORE GOLF CLUB NOTES

This week we had the major competition of the year. The Captain's Mr. W. Ronayne's Prize was played on Saturday and Sunday, June 10/11, and the record entry and the full house for the presentation of prizes is indicative of Bill's popularity. ## CRICKET CLUB NOTES

On Sunday last Lismore played at home in the 1st round of the Munster Junior Cup against Waterford Rugby Club.

The visitors came with confidence as they had just become champions of the Waterford Mid-Week League, but quickly discovered the cup and Sunday cricket is a totally different game.

Batting first Lismore hit up a very creditable 139 runs, due mainly to a brilliant 74 by Mervyn Greer

who was unlucky to be run out in the very last over, Dermot Edwards 17 and Sean Willoughby 10, were the only other batsmen to reach double figures.

When the Waterford side went to bat the weather disimproved and we had continuous rain which made life very uncomfortable for the Lismore bowlers and fielders, as the ball resembled a bar of soap, it was so hard to hold.

However, the Lismore attack of Pollard and Flynn battled to the end with each of them bowling 19 overs, a magnificent achievement in such bad conditions, and the Waterford team just could not get on top with Flynn taking 6 wickets and Pollard 3, and Waterford finishing with 97, 42 runs behind Lismore. This was a hard fought win by Lismore who now go into the 2nd round and we understand another home tie.

Team — M. Greer, M. Hickey, G. Kennedy, D. Edwards, P. Pollard (Capt.), E. Flynn, S. Willoughby, S. Ahearne, M. Willoughby, R. Ryan, T. Bones.

Next Sunday Lismore return to league cricket when they play their first ever visit to Tralee. A victory here would see them top of the league table.

Finally we would like to compliment D. Edwards and E. Flynn on the condition of the field last Sunday. Both deserve the highest of praise, for the field was 1st class. Well done!

## LISMORE A.C.

On Sunday, June 4, Lismore athletes travelled to Fermoy/Grange Open Sports. The results are as follows:

Girls U-11, 80m. — Alison Howard (3rd); Boys U-11, 80m. — Thomas Barry (2nd); Boys U-12 100m. — Bernard Hyde (2nd); Boys U-11, 600m. — Thomas Barry (1st); Boys U-12, 600m. — Michael Molumphy (1st); Boys U-13, 800m. — Patrick Molumphy (2nd).

Boys U-12, relay — Gerard Feeney, Thomas Barry, Michael Molumphy, Bernard Hyde, sub. — Thomas Molumphy (2nd);

Boys U-11, relay — Gary Keane, James McNamara, Thomas Barry, Thomas Molumphy (3rd).

Our individual medalist was Thomas Barry who won a bronze Munster medal in the boys U-11 800m. Well done Thomas.

Once again we congratulate our trainers, Martin Landers, Eric Flynn, John Cahill and everyone else who helped train the athletes and helped them get to the Munster level.

## LISMORE CAMOGIE NOTES

We would like to thank everyone who supported our Cake Sale in Saturday night, especially the girls' parents who made the beautiful cakes and those who helped on the night. Our thanks to Richie Cahill who sponsored our door prize, a bag of coal, which was won by Mrs. O'Rourke, Parks Road. Thanks to May Lawton who sponsored our raffle, 1st prize went to Catriona Ormond, 2nd J. O'Sullivan and 3rd to Mrs. Ann Dunne.

In the championship our U-14 team have recently received two walkovers from Gaultier and Ardkeen. It seems the Eastern teams are not prepared to travel unless they are assured of a win, and 1987 is not a year to expect a win over the U-14 Lismore girls.

Our Feile fund is slowly gathering momentum and we hope to help this along this Friday night, June 16, with an Irish Night in Roses West End Bar. Lots of lively music will be provided from local talent. All we ask is that you come along and support our raffle on the night. See you there. — P.R.O.

# LETTERS TO THE EDITOR

## ELECTION ISSUES

A Chara, Health Care is an election issue. The present election campaign has shown that the health cuts have hurt the old, the sick and the handicapped, and politicians of all shades are rightly taking note of this fact.

Education is also an election issue. It affects one million young people — almost one-third of the entire population — and their parents. Cuts in the Education budget have meant:

- classes that are too large,
- loss of subjects for students,
- curtailment of remedial and career guidance services,
- a 29% cut in capital expenditure which has meant that students in some schools are being educated in conditions that are not far short of being a health hazard.

Unemployment and emigration are cancers in our society. Official reports

from the Youth Employment Agency and FAS have indicated that the better one's educational achievements are the better are one's chances of securing employment.

Finally, if our young people are faced with no other option but emigration, it is surely our duty to ensure that they emigrate as educated people capable of facing the challenges of life in another land.

In summary, Health, Edu-

cation, Employment and Emigration are issues which politicians of the 26th Dail will have to address because the quality of life in this country is at stake.

Is mise,

# DUNGARVAN MART REPORT

A very large entry of cattle at Dungarvan Mart on Monday last met a steady trade. However, plainer lots were more difficult to sell and in some cases prices were down by £2 to £3 per 100 kgs. There was a good trade for quality cattle and last week's prices were fully maintained.

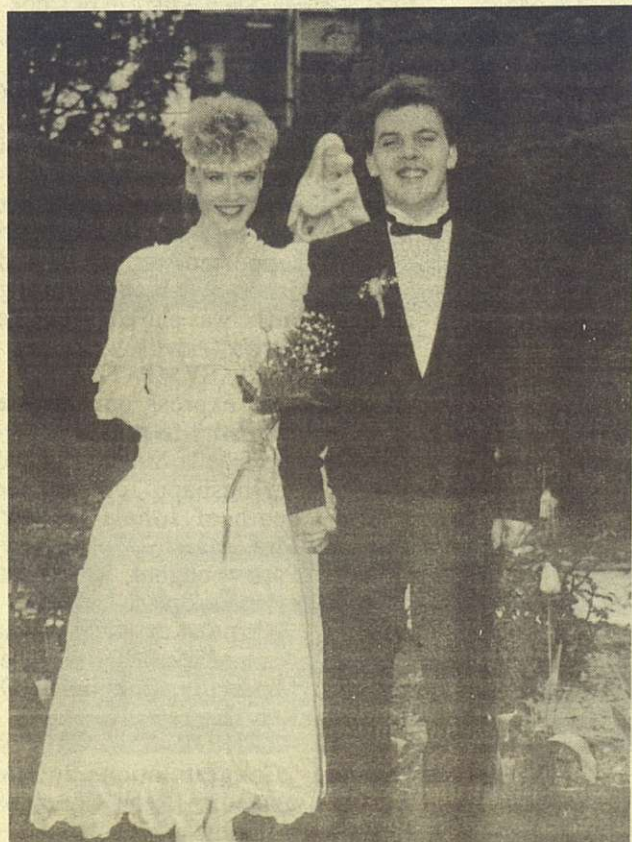

Beef heifers sold well at recent rates and there was a very good around trade for stores.

Calf prices also were somewhat quieter even though there were some really good prices for some of the older calves on offer.

There were 30 dry cows on offer. A Friesian cow 650 kgs. made £712. A Friesian cow 750 kgs. made £798.

Up to 500 lambs were on offer and prices for lambs were back by £5 to £6 per head from the previous week's sale. Trade was good and all lots on offer were sold and most lots made £3 to £8 over £1 per kg.

Beef bullocks made from £130 to £143. Stores over 500 kgs. made from £127 to £145; continued to £148. 400 to 500 kgs. made from £135 to £155; continued to £158. 300 to 400 kgs. made from £145 to £177.30. Beef heifers made from £126 to £139. Store heifers made from £125 to £153; lighter lots to £165. Dry cows made from £90 to £108.40. Sheep: Fat lambs made £45 to £65 or £3 to £8 over £1 per kg.

O'Sullivan.

# CAUSEWAY TENNIS NOTES

## SEMI-FINAL SUCCESS SNOBALLS!

Last Thursday's "safari" to Douglas Tennis Club, Cork resulted in a big game catch for our Sno Cup team and some geographical education for our hosts. A pre-match question of: "We don't know where the Causeway is, is it Kerry?" was answered by a run-away victory, started with winning the six singles matches.

Our boys and girls continued on to play the doubles matches as a formality, ending with just one set in the mixed from Rachel and Enda who were barely off court from a 3 set marathon against their opponents. Conceding victory in that particular match, our score was still impressive with a final count of 8 matches to 1 against Douglas.

Leaving them to lick their wounds, with Causeway Tennis Club, Dungarvan, firmly imprinted on their minds, we set off for home to prepare for our big final against the same team we defeated at home in last year's final, Bishopstown, Cork. Evenly matched, with both teams

retaining three of last year's selection, we must travel this time to Bishopstown on Friday next, with play starting at 12 noon.

A tough match is anticipated, with Kieran Higgins and Rachel Byrne facing opposite numbers Alan Brogan and Lorraine Dennis. Having clinched victory last year with a tie break in the 2nd set in the boys doubles between Patrick Veale and Gerard McCarthy against Alan Bro-

gan and Diarmaid O'Neill, we are well prepared for retaining our Munster title against last year's runners-up's determined attempt to wrest it from us.

Whatever the result, we are proud of our team in what they have done for the Causeway reputation throughout Munster.

Sno Cup team — Kieran Higgins, Enda Donnelly, Daniel Holland, sub. Paul O'Brien, Rachel Byrne, Ann Brennan, Leah Harnett, sub, Sharon Quirke.

## Mitsubishi 21" S-VHS

Following the introduction late last year of two S-VHS-compatible Black Diamond FST sets to sell alongside its S-VHS recorder, Mitsubishi is now offering a third, rather cheaper model, the 51cm (c21") CT2153STX.

Selling points include Fast-text, Nicam, TV/video hand-set, on-screen display and variable switch-off timer.

The set has a single S-socket, to handle the direct luminance/chrominance (Y/C) signals generated by an S-VHS recorder, and this sits alongside L/R phono inputs for audio, and a standard Scart socket (not one that's been modified to handle Y/C).

As with the 59cm version, sound output is 2 x 5W through a rear-mounted two-speaker system (one either side of the set) and can be switched to give a pseudo stereo effect if there's only a mono signal available.

Also like the 2553, finishing touches include end-of-broadcast auto switch-off, headphone socket, two chunky feet and a trolley with a video shelf.

Full details of all Mitsubishi products are available from your Mitsubishi Dealer, Ben O'Neill, O'Connell Street, Dungarvan.

## C.C.E. Craobh Lar Deise (Mid Waterford Branch)

This newly formed branch of Comhaltas Ceoltoiri Eireann covers an area that encompasses Rathgormack, Kilmacthomas, Ballylaneen, Stradbally and Bunmahon. In the first five months of its existence, it has in excess of 70 students, both young and old involved in music classes each Saturday. It is through these classes that individuals are given the opportunity to become exponents of our native arts and thus develop their artistic abilities.

Traditional music, song and dance have long been an integral part of Irish community life. And to this end the "Mid Waterford Branch" have been organising evenings of "Ceol and Gaol" at various venues throughout the region. Keep an eye out for a "Seisiun" in your area. If you have a love of Irish music why not come along and enjoy one of our sessions? We'd love to see you there!

Further information about the Mid Waterford Branch can be had from any of the following committee members — John Foley, Rathgormack, Tel. 051/46320; Margo Crowley, Stradbally, Tel. 051/93197; Cait and John Hughes, Kilmacthomas, Tel. 051/94316.

Mid Waterford Branch C.C.E. have the privilege of hosting a "Feile Cheoil" in the region for the first time on June 17/18, 1989. We would love to see as many people as possible joining us for a festival of music, song and dance.

### Favourite Wins At Clonmel

Mr. Ed Coleman's 'Name-loc' trained in Dungarvan by John E. Kiely followed up his success at Wexford last time out when he won the Tipperary Cup for the EFB Extended Handicap last Thursday evening at Clonmel. Name-loc started a 2/5 favourite of the four runners in the two mile race and stayed with the field until within a furlong from home when Declan Gillespie moved him smoothly through to win handily by 2.5 lengths from Camden Gift.

## Dungarvan Youth Club Notes

Last Friday night proved an enjoyable night in the club. For the last month our programme planners did an excellent job. Most of the planners were working for the first time and they can be very proud indeed of their efforts.

We had a good crowd but some members are starting to slacken off and the committee are taking notice of the missing members. Remember we have rules and we are going to enforce them.

**FRENCH EXCHANGE**  
We are finding it very hard to place our 16 French visitors in mid-July. If anyone can put one up they will have first option in going to France next summer. If anyone can help us please contact May Cantwell.

**EXAMS**  
Best wishes to all members at present doing their exams.

**MUCKROSS**  
We are off to Killarney

the last weekend of this month. For a great weekend and a good laugh, Muckross is the place to be. Will Freddy be on the roof? Will the cooking be any better? Deposit of £5, non-returnable to be given to Alan Simms before this weekend.

#### COFFEE SHOP

The seating is expected to be finished this weekend and hopefully we will be open for business in the next couple of weeks. Also the whole club is about to be painted.

#### EVENTS TO LOOK OUT FOR

Bar-B-Que, King and Queen, Tallow Disco and Majors 21st.

#### NEW COMMITTEE MEMBERS

The places on the committee have been filled. Congratulations to Marcus O'Halloran and Georgina Simms on being elected. A special thanks to Alfie who we are sure will be back again some day.

**IN MEMORIAM**

**CROTTY** — Seventh Anniversary — In loving memory of my dear mother, Margaret Crotty, late of 51 Congress Villas, Dungarvan, who died on June 7, 1982.

When you lose someone you love,  
 The hurt is hard to hide,  
 But when you lose your mother,  
 The hurt is deep inside.  
 Her smile is gone forever,  
 Her hand we cannot touch,  
 But we will never lose the memory,  
 Of a mother we loved so much.  
 To where she rests we visit,  
 It's where we feel most near,  
 No one knows the sorrow,  
 As we turn and leave her there.  
 Will those who think of her today,  
 A little prayer to Jesus say.  
 (Never forgotten by Mary, Pa, Bids and Marie.)

**MOLONEY** — Second and Twenty-fifth Anniversaries — In loving memory of our dear parents, Margaret and Edmond Moloney, late of Cushcarn, who died on June 15, 1987 and June 11, 1964. R.I.P.

As down the road of memories,  
 We gently tread today,  
 Our loving thoughts are with you both,  
 As life goes on its way.  
 Time may heal the heartaches,  
 Like the smile that hides the tears,  
 But happy memories keep you close,  
 Despite the passing years.  
 (Never forgotten by sons Michael, John, and Tom, daughters Kitty, Mary, Biddy, Julia, Nancy and Nuala.)

**ORMOND** — Sixth Anniversary — In loving memory of Tess Ormond, late of St. Patrick's Terrace, Abbeyside, Dungarvan, who died June 14, 1983. Masses offered.

(Sadly missed by her loving son, daughters, sons-in-law, grandchildren, relatives and friends.)

**POWER** — Sixth Anniversary — In loving memory of Sean Power, late of 45 Childers Estate, Dungarvan, who died on June 15, 1983. Mass offered.

If you could have spoken before you died,  
 These are the words you would have sighed,  
 Goodbye my family, my life has passed,  
 I loved you until the last,  
 Don't shed a tear but courage take,  
 Love each other for my sake.

(Sadly missed by his loving wife Peggy and family at home and away.)

**POWER** — Sixth Anniversary — In loving memory of Sean Power, late of 45 Childers Estate, Dungarvan, who died on June 15, 1983. Mass offered.

I only hope that before you died, you knew how much I cared,  
 Sad is my heart that loved you,  
 Silent are my tears,  
 Living my life without you is the hardest part of all,  
 So rest in peace, dear Dad and thank you for all you did.  
 Will those who think of him today,  
 A little prayer to Jesus say.

(Never forgotten by his loving daughter Mary and grandchildren Sean and Keith.)

**POWER** — Sixth Anniversary — In loving memory of Sean Power, late of 45 Childers Estate, Dungarvan, who died on June 15, 1983. Mass offered.

As down the road of memories,  
 We gently tread today,  
 Our loving thoughts are with you,  
 As life goes on its way.  
 Time may heal the heartaches,  
 Like the smile that hides the tears,  
 But happy memories keep you close,  
 Despite the passing years.  
 (Never forgotten by your loving daughter Ann and grandson Richard.)

**POWER** — Sixth Anniversary — In loving memory of my dear father, Sean Power, late of 45 Childers Estate, Dungarvan, who died on January 15, 1983. R.I.P.

Your memory is precious and never grows old,  
 It is locked in our hearts in letters of gold,  
 Your presence we miss and memories we treasure,  
 Missing you always, forgetting you never.  
 (Never forgotten by his loving son Christy, daughter-in-law Ann and grandchildren.)

**POWER** — Sixth Anniversary — In loving memory of our dear brother, Sean, R.I.P., 45 Childers Estate, Dungarvan, who died on June 15, 1983. On his soul sweet Jesus have mercy.

A star shines on a lonely grave,  
 Not very far from here,  
 Where lies the one we dearly loved,  
 As it dawns another year.  
 So keep a watch on him, Lord,  
 Hear him should he call,  
 And shine that star above his grave,  
 As evening shadows fall.  
 (Never forgotten by his loving sister Molly, Dungarvan, brother Christy and sister-in-law Phyllis, London, and Breda, Liam and family.)

**Prize Bond  
 Win To  
 Swell  
 St. John's  
 Association  
 Fund**

Mrs. Anne McGrath, Mill Street, Cappoquin, has been officially notified that St. John's Association won £1000 in the most recent Prize Bond draw.

Mrs. McGrath informs us that the then Committee of St. John's association invested £500 in Prize Bonds in 1965 and at the time these were lodged for safe keeping, together with other funds of the Association, in the Allied Irish Bank in Lismore. It was one of these bonds which has now drawn the £1000 prize.

## CAPPOQUIN NOTES

## CAPPOQUIN TIDY TOWNS

A very good and representative meeting was held on Wednesday of last week. Many points were discussed and also proposal from a meeting held the previous week.

One of the main points discussed was the problem of litter. This was very high on the agenda. An appeal was made to the community in general to keep our streets tidy and litter free.

Grass cutting especially in the Shanbally area is a big factor. The siting of more rubbish bins throughout the town was discussed with the possibility of sponsorship by the town traders or the residents of each area. It was also agreed that the thinning out of branches overhanging Mass Lane was desirable.

The replanting of window boxes which many householders and business people provided last year would greatly enhance the attractions of each street.

On the invitation of Bord Failte Tidy Towns Section members were present at the tree planting in Causeway Park, Abbeyside. Following that a meeting of the various Tidy Towns representatives took place in Lawlor's Hotel, Dungarvan. Bord Failte have promised a film to our local association within the next few weeks. This will be made available to the public and to the schools in the Cappoquin area. Further information will be in next weeks issue. The Tidy Towns competition adjudications have started this week.

**ELECTION FEVER???**  
The malady appears to be of a very minor order throughout the entire area and parties will be looking for an upsurge in the three days remaining. Canvassing there has been and the usual rash of election art — posters and placards — despoil the countryside. But the whole exercise lacks the fire and flair of other years and hardly of a nature to set the adrenalin flowing.

Controversy however in the village of Villierstown following reports that a permanent polling booth will cease in the village and the electorate will be required to travel to the booth in Aglish. This report has aroused real anger in the village and there must be a risk of at least a partial boycott of the poll.

## AFFANE BRIDGE CLUB

Summer bridge, June 5 — 1 Monica O'Sullivan and Helen Buckley; 2 Sean Norris and Fr. Barron; 3 Bernie Norris and Johnny O'Gorman; 4 Geraldine Murphy and Kathleen Barry.

**CAPPOQUIN P.T.A.A.**

vation is advisable to avoid disappointment. Travel will of course be by luxury touring coach which will collect us at the Square, Cappoquin, and return us to the same spot afterwards. Our tour promises a very full day of sightseeing and enjoyment. As usual we will stop for morning refreshment, courtesy of the local Council and freelance for lunch.

Further details later regarding arrangements for the evening meal. Fares are still great value so book now at Uniackes, shop or from Council members. Final itinerary will appear in the course of the next few weeks.

## TOURIN G.A.A. NOTES

**JUNIOR HURLING**  
We play our next game in this championship against Kilrossanty at the Fraher Field, on Saturday night next, June 17 at 7.30 p.m. This is our most important game to date in the championship. We must win to remain in contention for honours and a supreme effort will be expected from all players if we are to achieve this.

## DRAW

I would ask everyone with draw money still due to forward it immediately to Wm. Leahy.

## TRAINING

There will have to be a 100% improvement in attendance at these sessions. They are still being held on Tuesday and Thursday nights.

## SYMPATHY

On behalf of the club, I would like to express my deepest sympathy to the O'Shea family, Cappagh and to the Geary family, Knockanore on their recent sad bereavement. — P.R.O.

## CAPPOQUIN/AFFANE G.A.A.

Affane played Modeligo in a football challenge last Sunday evening, the performance of the team must have given the selectors cause for concern as it was a downright bad display. Cappoquin senior hurlers were hosts to Abbeyside last Thursday night in a challenge. It was a sub-standard game with players going through the motions. Marked improvement is needed. Granted our panel of players is limited but a

concentrated effort must be made by each and every club member to raise our standards. Our U-14 hurlers meet Ballyduff this week in the Western semi-final. We wish them the best of luck. These lads have shown great improvement since the start of the season.

Our club have organised a senior hurling game against Lismore on this Saturday night at 8 p.m. after evening Mass. Receipts from this game will go towards the Catherine Quann fund. There will be no admission charge but it is hoped that patrons will contribute what they can afford at the turnstiles. There is no need to repeat the worthiness of the cause and hope a generous response will be forthcoming.

Most of our members make a valuable contribution to the everyday running of the club but none more so than the "Tailors" Noel and Thomas who never miss a game that the club is involved in, also that valuable work they do for juveniles. They are always there to mend broken hurleys or band new ones for both young and old alike. Their contribution to the club is immense and we appreciate the great work they do.

## G.A.A. NOTES

The U-14 hurlers were defeated by Cappoquin on the score of 1-4 to 1-3 in the championship semi-final played at Lismore on Monday night. This was a game we should have won as we missed a number of chances in the first half at the end of which we led by 1-2 to 0-3.

A pointed free by Liam Feeney stretched our lead to a goal after the break before Cappoquin equalised after 7 mins. and snatched victory a short time later to advance to the final.

Team was — J. Corcoran, L. Keane, T. Scanlon, J. Twomey, P. Molumphy, L. Feeney, T. Molumphy, J. Tobin, K. Geary, M. Molumphy, K. Barry, F. Feeney, P. Kenneally, J. Feeney, B. Hannon. Sub. — G. Berry.

The U-12 hurlers defeated Ballygiblin in a challenge game on Thursday night last.

The senior hurlers will play De La Salle in a challenge game in the field on Saturday evening at 7.45 p.m.

The winner of the Golden Goal competition on the Waterford/Clare S.H.C. game was Mr. Andy Burke, Glencairn. The club would like to thank all who supported the competition.

We wish Paudie Prendergast, Michael Walsh and the Waterford team the best of luck in Thurles on Sunday.

## G.A.A. NOTES

J.H.C. (B) — Last Saturday Ardmore played Melleray at Cappoquin. Melleray had a great start, scoring a goal in the first 10 minutes but when Ardmore got going there was no stopping them in the second half. Ardmore's centre fielders, Billy Mahony and Pat Walsh, dominated the play for Ardmore.

Goal scorers were Billy Mahony 1; Tom Cronin 2; Denis Conway 1; and Donal Reddy 1. Though Ardmore won 5-6 to 1-6, there is still plenty of room

for improvement.

## UNDER 14

On Monday evening Ardmore's U-14's played Brickey's, winning by a staggering 7-11 to 0-0. Man of the match award must go to Johnny Hennessy who scored 5-8 for Ardmore. It was a great game for both sides but the Brickey's weren't in their best form on the night. Ardmore now meet Ring in the final next Monday. Best of luck.

## ARDMORE AND GRANGE COMMUNITY GAMES

On June 1, in St. Declan's Hall, our girls and boys from the youth club participated in a "Volleyball Blitz". The atmosphere was fantastic at these matches, but unfortunately neither of our teams was successful on the night. They put in a great effort and well done to the boys and girls who never played a volleyball match before that night. Thanks to the youth club leaders for their help and co-operation.

Just a little reminder that June 25 is "D-Day" for the athletics. This event will be held in Lismore. Any children participating in the athletics please come to the G.A.A. Field for training on Tuesday and Thursday nights at 7.30 p.m. All parents please note each child should wear a white vest or white t-shirt, and any colour shorts on the day. A bus will be going to Lismore for the event. — P.R.O.

## TRIP TO FRANCE

Last Tuesday week, the 6th class students of Ardmore N.S. left for France and here is a brief glimpse of how things went. Story is by Kevin Lenane:

"We left Ardmore at 12.30 p.m., and we went straight to Passage East to get a ferry across to Wexford. There we had our lunch. Then we went to Rosslare to meet the boat. It was 1.5 hours late, but finally came. Then we got on board the St. Patrick to leave. We went to the cabins to unpack and then we had our dinner in the Shamrock Restaurant. We then played a few video games and after that we went to the disco, and then to bed. Next morning we got off the boat in France and went straight to a restaurant for lunch. After that we went to a massive shop called Prontoim. Then we went up a massive great hill to a war museum and saw scenes from the wars. After that we went to another huge shop called a Hypermarket and bought things there. Then we got on the boat again and headed for home".

## WEEK-END ENTERTAINMENT

Friday, June 16 — Mick Delahunty is appearing in

St. Declan's Hall in aid of Grange School. Admission £4, and light refreshments can be had also. It's a good cause so your support would be greatly welcomed.

## REMINDER

The Mary Peters Art Exhibition will be on view from the 17th of June at the Cliff Hotel, Ardmore.

## CARD RESULTS

Curran; Gerry Cunningham and Dick Quinn; Paddy Burke and Denis Hurton; Patrick Hynes and Mrs. Flynn; Eily and Paddy Lynch. Winner of last game — Helen Hurton and Anne Morrisson.

## ARDMORE AND GRANGE ICA NOTES

The June guild meeting was held on Tuesday, June 6. A decade of the Rosary was said for the repose of the soul of Miss T. O'Connor's brother-in-law who was killed tragically in a traffic accident and a vote of sympathy was passed.

A vote of sympathy was also passed to the relatives of the late Mary Gleeson.

The lights in our room are being replaced by fluorescent lighting in order to improve the situation for craft classes in the Winter. Members are reminded of the Summer Swimming Weeks and of the occasions that the ICA are on duty in the Hall in the Summer. The proposed Irish Night in July was discussed. There was a draw for 2 half scholarships at An Grianan. These are to be taken up during the year. By far the greater part of the meeting was taken up with discussions on the A.I.B. Federation project on June 28, in Waterford.

Very many splendid pieces of crafts were produced for this. There is also a make and model section for both knitted and sewn garments. Flower arrangement is part of the competition also. So the presentation is rather important and it was decided to have a further meeting next Tuesday.

Five minutes entertainment is included in the overall project which will be presented in St. Olaf's Hall, Waterford and 18 Guilds are taking part.

Mary Flavin gave a very competent and professional demonstration on the planting of a window box and gave a most interesting talk on the many other plants and flowers she had brought. She then presented all of these to be raffled. A generous gesture indeed. — S. Lincoln.

# Dungarvan Sea Angling Club Notes

It would appear that our outings clash with other events such as, football matches, First Holy Communion, etc., etc. This is unfortunate but unavoidable, our dates are usually set and agreed on the previous November and are designed around other IFSA club events, tides and all contained within a period which will yield the best fishing and weather.

Having said that, the Master Angler Boat is being held next weekend and will be represented by John Cronin and Abbey-side by Tony Crowe, both of whom would be hot favourites and that's the reason they are Master Anglers in the first place. Good luck to them both and bring home the laurels if you can.

An item that has given a small amount of trouble is score keeping. Don't harass the poor auld boat captain to mark your score while he's stuck in a 60lb conger, the writing turns out shakey and very difficult to read afterwards! Seriously, if the boat captain is playing a fish, just hold your score till he's ready, he deserves the same chance as you, and the job is not always voluntary. In some of these circumstances maybe the angler adjacent, if not otherwise engaged might lend a hand

or take a note. An anchor thrown off the boat without a rope tied onto it, will in future be regarded as polluting the environment and will be penalised. The "Red Shadow" please note! Sev Baumann says he's going to sell "the marks" for the hot spots, so that we'll no longer need to tail him.

Next Sunday's outing is the "King Neptune" and the "Queen of the Sea". The event is sponsored by Trustees Savings Bank (for the King) and Merry's (for the Queen). We look forward to seeing John Coade and Carmel Feeney at Merry's for the presentations and hopefully a few notables that have been missing, through no fault of their own.

Last year we had three ladies in the first six of the master angler leaderboard, what's happened this year?

The leaderboards in their various categories are as

follows:

Master Angler — Tony Crowe 95 pts; Billy Bumster 85 pts; Sev Baumann 85 pts; Jimmy Maher 76 pts; Ann Dillon 70 pts; Pat Donovan 69 pts.

Lady Angler — Ann Dillon 70 pts; Helen O'Grady 52 pts; Breda Warren 44 pts; Kay Cliffe 43 pts; Betty Dee 37 pts; Norah Walsh 23 pts.

Greatest Variety — Damien Dillon 6; John Cronin 6; John Molloy 5.

Greatest No. Of Conger — Tony Crowe 19; Sev. Baumann 18; Pat O'Donovan 8; Billy Bumster 8. Greatest No. Of Fish — Tony Crowe 27; Sev. Baumann 21; John Cronin 20; Billy Bumster 18. These two prizes are being sponsored by John Torrens of Town and Country Garage, Abbey-side.

Get the entry in early please.

— P.R.O.

# Abbey-side Shore Angling Notes

Sunday — A dismal day with lowering skies and sheets of drizzle, who'd want to go fishing? Well 19 anglers did and as they turned up close to Helvick the sky had lowered itself right down to sea level. As the anglers checked in and proceeded to their pegs a familiar shape appeared out of the mist the Black Rock. Was there a clearance coming? Yes, and with a light breeze and calm sea it turned into a very pleasant evening.

Dogfish started to arrive and a seagull decided that it wanted part of the action when it became entangled in the line of young Jimmy Lenihan. Seagull and Jimmy argued it out and seagull departed none the worse of the encounter.

Larry Fraher landed a fine dogfish and it looks as if it might be a new club record, more anon. Pat Donovan landed a fine bass recently and in case there is anyone out there who hasn't heard about it, it is now official.

Fame at last Pat.

Our thanks to John Power our sponsor who came along and presented the prizes and joined in the crack. Did I say a dismal day? Well it turned out a memorable evening.

Results of competition — 1st Brian Mansfield; 2nd George Young; 3rd Larry Fraher; 4th Ger Mansfield; 1st Lady — Kathleen Young; 1st Juvenile — Johnny Cronin; 2nd Juvenile — Jacqueline Young. — P.R.O.

# DUNGARVAN UTD. A.F.C. NOTES

## THEY THOUGHT IT WAS OVER

Dixie's under 13 side received great news during the week when they learned that they are to play-off for the league title on Wednesday night next against Tramore in Poleberry.

This side had finished their league programme and the title seemed destined for Tramore, who needed just two points from their remaining two games to clinch it, but sadly for them they failed and now face the daunting task of taking on the cup winners whose morale is now sky high. We wish the lads the best of luck on Wednesday. A bus to the game will

leave Kilrush at 5.45 p.m. A.G.M.

Our eagerly awaited Annual General Meeting takes place on Wednesday night, June 28, in the Clubhouse, commencing at 7.30 p.m. sharp. With the success of our youths, 3rd division, and under-age teams this season there appears to be a lot of exciting times ahead in the coming season on the playing field and we are looking forward to some new faces and fresh talent at Kilrush in the coming months. We are hoping for a full turn-out of players to make this our best A.G.M. for some time.

## YANKEE DOODLE

No winner last week —

No.'s 1, 99. £320 next week.

## ENTERTAINMENT

This Sunday night, June 18, the very popular Bob Miller Band makes a long awaited appearance at the clubhouse. Bob is Waterford's answer to Elvis Presley and has always attracted a full house in Kilrush. So for a great night's entertainment the club is the place to be on Sunday night next.

ROWING

# Cappoquin Brothers Win Blue Riband

For the first time since 1920 a Munster crew won the Blue Riband of Irish Rowing at Dublin Metropolitan Regatta in Blessington last Saturday. The elite coxed fours event at 'Metro' has always been the most cherished prize of any of the Irish Regattas and has commanded the just title as the Blue Riband of Irish Rowing.

When their coxed fours crew broke up in March the Murray Brothers, Pat and Michael, turned their attention to the coxless pairs event to fly the flag for Cappoquin for the regatta season. Through a happy sequence of events they teamed up with Finbarr Heas and Pat Peillo of Cork Boat Club and entered for the coxed fours event in Trinity Regatta in early May. This combination took Trinity by storm and beat every Irish crew they met at Elite 1 level, tearing the form book to shreds. Having had only two practice sessions together prior to Trinity their performance was sensational beating Belfast Rowing Club and Neptune Rowing Club, Dublin both crews manned by international oarsmen. In the final at Trinity they found themselves carrying the Irish flag against the cream of English internationals, Tideway Scullers Club from London. This race the Munstermen lost by half a length, but won the admiration of the rowing world for a great fighting performance.

**NOT SURPRISING**

Following Trinity it wasn't surprising that the Cappoquin/Cork composite won the Elite 1 coxed fours at Limerick Regatta and set their sights on the Blue Riband, which title they knew Neptune

would not give up without a fight.

Neptune, in their bid to defend their title and subdue the Munstermen, introduced Frank Moore, who had rowed for Ireland in the Seoul Olympics, into the crew to strengthen it with the other internationals, O'Neill, Dolan and Thomas.

As expected the Cappoquin/Cork composite and Neptune qualified for the final. The other finalists were, Neptune Light Weights, Belfast Rowing Club, and the I.A.R.U. junior squad.

All crews broke level off the start. At 100m. both Neptune crews led by a canvass over the Munstermen, stretching this to a half length at 500m. The men from the South held on doggedly not allowing the illustrious Dublin men break away from them and with great courage and tenacity began to claw back Neptune's advantage. Firstly drawing level with the Light Weights and then the Heavy Weights. Cappoquin/Cork got their bow ahead approaching the halfway stage and try as they might Neptune had no answer to the Southern crew who with a marvellous display of power rowing got to the finish line one length ahead bringing to an end the many years of Neptune and Garda dominance in this event.

**BRITANNIA CUP**

The crew is now bound for the Britannia Cup at Royal Henly Regatta in which we wish them well.

This superb achievement by Pat and Michael is a fitting reward for the Murray family who have contributed so much down the years to Irish Rowing.

# Dungarvan G.A.A. Notes

**VITAL J.F. TIE**

We should find out just how good a side our junior football squad represents when we play reigning Western champions Stradbally in a vital championship game at Leamybrien on Friday evening (7.30)

Certainly the team has performed splendidly to date with top class victories against Shamrocks and Affane. And with several other players to come into the squad one doesn't envy the selectors their task.

Stradbally however will provide us with our most searching test to date. If we come through it we will be in a very strong position to advance to the semi-final.

**ON COUNTY JUNIOR SIDE**

Good luck to Pipi Ferncombe who is an important member of the Waterford junior football team that plays Kerry in the Munster semi-final in Mitchelstown on Saturday night.

Pipi was outstanding in the first round defeat of

Limerick and we look to more of the same from him against the Kingdom.

We hope to see as many club members as possible at the game.

**IMPORTANT MEETING**

There was another excellent attendance at last week's meeting of the club executive presided over by Michael Lyons.

The most important item on the agenda was undoubtedly the presentation of an up to the minute financial account by treasurer Noel Sheehan of the situation governing our purchase of 20 acres of land at Youghal Road.

The many additional costs onto a purchase price of £85,550 brought the final tally to just under £95,000.

However in a matter of nine months we have succeeded in reducing our bank overdraft to four figures and we are hoping to be out of the red in another short while.

Michael Lyons praised everyone who had made that excellent situation possible,

and he paid particular tribute to the Co-op Development Draw promoters and subscribers. Of course we must now face into the development of the land which in itself will entail considerable further expenditure.

**THURLES HERE WE COME**

Transport supremo Jim Mullins has again finalised all arrangements for Sunday's Munster senior hurling semi-final replay in Thurles.

We had strong numerical representation at the drawn game but it will be even stronger this time. And of course our best wishes go to Shane Ahearne's men whom we believe are good enough to give us an historic victory.

**WELL DONE JOHN**

Although John J. Ronayne didn't win the Munster final of the Under 14 Poc Fada at Pairc Ui Caoimh last Sunday he splendidly represented his club and county. Well done John.

# Stradbally G.A.A. News

**CRUCIAL JUNIOR GAME**

On this Friday evening, June 16, our junior footballers play Dungarvan in the championship in Leamybrien at 7.30 p.m. This is a crucial game, because Dungarvan are the form team at the moment, and the reds will have it all to do here and nothing less than a top performance will see us through.

**SOCIAL CENTRE ACTIVITIES**

On this Friday evening, June 16, the usual card whist game will take place in the Social Centre at 8.30 p.m. Some beautiful prizes are in store. On Sunday night next, June 18, it's the turn of Pleasant Sound to provide the music for members and friends, so do come along and enjoy yourself.

**BEST OF LUCK TO ALL CONCERNED**

We wish the best of luck to all our County teams who will be involved with in the next week. Liam O'Brien and Tomas Gough, along with selector Ml. F. Keane, will be involved with the junior team on Saturday evening in Mitchelstown; On Sunday Liam O'Connor will be involved with the senior hurlers in Thurles, while on the following Wednesday, June 21, Noel Costello will be involved with the under 21 hurlers, along with Liam

O'Brien. Busy times ahead for all these men!

**SPEEDY RECOVERY**

The club wish a very speedy recovery to our club player Michael O'Keefe, who was injured recently in an accident. Let's hope he will soon be out and about.

**BACK TO TRAINING**

With our senior footballers taking a break from training last week, it will now be all systems go, when we set our sights on July 2 v. Butlerstown. No doubt trainer/coach, Sean Ahearne will have them in top shape, and let's hope our injuries clear up before then, because it's a game we must win.

**HURLERS IN SCORING FORM**

Our intermediate hurlers had a good win over Tramore in Portlaw on Sunday last in the championship on the score of 4-12 to 2-10. This was a free-scoring game with play swinging from end to end. Even though we did run up a good score, our two midfielders did score 3-5 of the tally, and it was only after the introduction of Alo Curran (for the second week)

that a bit of fire came into the game. Overall, trainer Terry Guiry and fellow selectors, Tom Cunningham and Denis Mullins can feel happy but it's still a long road to travel for the later stages.

**RATHGORMACK TOURNAMENT**

Our senior footballers have been invited to play in this tournament in which we are to meet Kilsheelan on Tuesday evening next, June 20, at 7.30 p.m. This is a four team tournament and it should benefit our players for the build up to the Butlerstown game.

**INJURY PROBLEMS**

For our junior football game this weekend we will be short the services of Michael Coffey, who is still out with his hand injury plus Michael O'Keefe. Our senior player, Fintan O'Brien is improving, but Alo Curran also received a hand injury on Sunday last after a rough tackle. However both should be ready for our next senior game.

**UNDER-14 HURLING CHAMPIONSHIP**

Our under-14 hurlers were in scoring form last week when they had a great win over Tallow on the score of 6-1 to 4-3. This was a great game of hurling particularly from this young 'Reds' side and if this team can be kept together for the future, hurling will not die.

# Cidona Carrick Wheelers Notes

## POWER WINS SENIOR CLASSIC

Under instructions from Irish Squad Manager Paddy Doran, Robert Power competed in the Harry Reynolds Memorial Race last Sunday in Balbriggan.

The race was run on a very testing 84 mile course in very windy conditions. There was a break from the start with 4 riders going away after 3 miles including Robert Power who picked up the first K.O.H. prime. On the second lap 20 riders went clear. This group stayed together for the full lap. Stephen Delaney (Cidona) took the 2nd K.O.H.

Going into the 3rd and final 28 miles, some fierce attacking took place which split the break and four riders went clear. Mark Kane (Northern C.C.), Paul Slane (O'Rourke Coal), David Hourigan (Limerick), and Alistair Martin (Ards). With 20 miles to go Power left the chasing group. He rode very hard to get up to the four escapees and eventually joined them 16 miles from home. On the hill for the last time with Mark Kane in front, Hourigan was first to make a break

with Martin following. Power then attacked and won the final K.O.H. This attack saw Power and Kane go ahead with 10 miles to go. They worked well together to stay ahead. Approaching the finish Kane attacked, but Power was quick to react and sprinted well clear to win comfortably. Martin was 3rd with Paul Slane 4th and Sheehan 5th.

Bobby Power was also in winning form for Cidona in Cobh, when he escaped with Brian Osborne and

Brian Lenihan both from C.M.P. Blarney, Tommy Madden (Cork CC) and Declan Byrne (Clonmel), Power won easily in the sprint from Madden 2nd, Larry Power (Cidona) 6th, Raymond Power (Cidona) 7th. This was a great weekend for Cidona.

Next week-end our riders will be in Middleton for the Guinness G.P.

Best wishes to all our riders who are sitting their exams at present and looking forward to having them back on the bikes shortly.

# Dungarvan Harp Darts League

Even at this stage with one game left to play, we know that the final will be contested between George Cockwell's team from section 1 and Pius O'Shea's team from section 2. The fight for second place is hotting up with Lenny Crotty's team hot favourites for second spot in section 1, but with only 5 points separating 2nd and 5th in section 2, the runners-up spot is still open for everyone.

### RESULTS

Section 1: George Cockwell 7 pts (v. Denis Lynch); In Shandon Arms: J. Ducey 3 L. Crotty 4; Martin Crotty had no game.

### League Tables

	P.	Pts.
G. Cockwell	7	37
L. Crotty	8	35
J. Ducey	7	29
M. Crotty	7	25

Section 2: In United: Mickey Delaney 4 Tony Walsh 3; In Ducey's: Pat O'Mahony 2 Pius O'Shea 5; Paddy Ferncombe had no game.

	P.	Pts.
P. O'Shea	8	39
P. O'Mahony	7	24
P. Ferncombe	7	23
T. Walsh	7	21
M. Delaney	7	19

The game we feature this week is Pat O'Mahony v. Pius O'Shea and it started off with a close team game with both sides scoring well, but in the end Thomas Sandford finished double 2 to give Pius O'Shea's team half the points needed to qualify for the final.

The first single saw the captains throw some great darts but in the end it was Pius O'Shea to extend his

unbeaten run in the league to win 2-0. Next up was Denis Kirwan who got revenge on John Joe Sheehan after looking to be out of it in the last leg to win 2-1.

The first double saw John Joe Sheehan and Billy Coleman come from 1-0 down and win 2-1, with John Joe finishing 70, i.e. 20 x bull, in the second leg. The second double saw Denis Kirwan and Timmy Morrissey dispose of Pat O'Mahony and Alfie Egan 2-1 to make the match score 4-1 to Pius O'Shea's team.

The third single saw Thomas Sandford throw some great darts to beat Billy Coleman 2-0. The last single saw Noreen Lyons playing fantastic darts to add another scalp this time against Timmy Morrissey 2-0 and make the match score 5-2 to Pius O'Shea's team and hence setting up a nail-biting finale to the runners-up spot in the section.

### DUNGARVAN UNITED A.F.C. NOTES

# Record Breaking Season Reviewed

Dungarvan United's youth team have just completed a record breaking season and over the next few weeks a detailed look back at their wonderful achievements will be published exclusively in the "Dungarvan Leader" in order to give you another chance to re-live some magical moments.

The season commenced on August 4, with a very well attended training session in the Presentation Convent. Training continued twice a week but with seven new additions to the squad, team managers, John Walsh and Kealon O'Neill arranged a number of pre-season friendlies. The first of these took place in Kilrush Park when the Red House league champions, Affane, provided the opposition. The Blues gave an excellent display of controlled football and recorded a comprehensive 3-0 victory, with goals from David Walsh, Ger Leahy and Sean Duggan.

The following Sunday it was off to Cobh to face the local League of Ireland club. Despite both sides being understrength an entertaining game was provided. John O'Rourke, who went on to play a couple of League of Ireland games, gave Cobh a 2-0 lead. However Dungarvan battled on and shortly before half-time Bryan Kirwan reduced the deficit. A solid second half display saw the visitors deservedly equalise through a J. Shanahan penalty following a foul on

Ray Flynn.

The following Thursday, Dungarvan did battle with neighbours Dungarvan Crystal. The Blues seemed to be in for a hiding when the Crystal went 2-0 ahead after only 90 seconds. J. Shanahan pulled one back before the Crystal struck again to make it 1-3. Thomas Kenneally scored on the half hour to make it 2-3 but soon afterwards the Crystal restored their two goal advantage. Just before half-time, T. Kenneally made it 3-4 with a brave goal. The scoring spree didn't last in the second half but John Shanahan scored a superb goal to level the final score at 4-4.

The return game with Cobh Ramblers followed. With both sides at full strength a tremendous game of football was provided for the large crowd. A magnificent movement involving D. Kirwan, J. Walsh, J. Shanahan and R. Flynn ended with B. Kirwan drilling home an unstoppable shot from 18 yards to give Dungarvan the lead in the 50th minute. Cobh equalised in the 14th minute of injury time and so the game ended in a 1-1 draw.

At this stage Dungarvan learned that they would be playing league champions and the red-hot favourites to retain their title, Bolton in the opening league game. B. Whelan was settling in well at centre-half while Ger Leahy and John Shanahan had established a good understanding in midfield. T. Kenneally was in brilliant form up front while B. McGrath and D. Kirwan were having a tremendous duel for the goalkeeping slot.

The next game was against Dungarvan's Div. 2A side and in a game that they completely dominated the blues had to settle for a share of the spoils in a 2-2 draw. Once again T. Kenneally was on the score-sheet with two well taken goals.

### SUPERB DISPLAY

The vital and eagerly awaited clash with Bolton took place on September 4 and the Blues line-out was — David Kirwan, Bryan Kirwan, Colum Flynn, John Walsh, Conor White, Ger Leahy, John Shanahan, Ray Flynn, Liam Barron and Thomas Kenneally. David Walsh and Barry McGrath

were the two reserves. In what was probably the best game of football of the season, Dungarvan recorded a deserved victory by 1-0 thanks to a goal by Ray Flynn in the 73rd min. Ger Leahy and Ray Flynn were the stars of an excellent Dungarvan display that well and truly rocked Bolton.

With no game the following week another friendly was arranged with Dungarvan's Div. 3A side. Goals by J. Shanahan, L. Barron, T. Kenneally and B. Kirwan gave Dungarvan a comfortable victory while David Walsh was the outstanding player on view.

The second league game was a trip to Poleberry Park to face Bohs. First half goals by Thomas Kenneally (2) paved the way for an emphatic 8-0 victory with further goals from Ray Flynn (2), Liam Barron, Kieran Hallahan, Ger Leahy and David Walsh. This game saw Sean Duggan replace Conor White in midfield and this big win left Dungarvan top of the table.

Next week — The start of the FAI Cup campaign.

The Bank Holiday week-end was an extremely busy one for Dungarvan athletes who were competing in four different venues. Our seniors recorded victories in Cork and Butlerstown, while the juveniles were in action in Limerick and Dublin.

## ALL-IRELAND SCHOOLS CHAMPIONSHIPS

This event was held in Dublin and Dungarvan schools were well represented. Best of the Dungarvan A.C. athletes was Denis McCarthy, who was third in the walk. Michelle Mulcahy was just outside the medals finishing 4th in the 400m. hurdles as was John Lawlor in the triple jump.

Congratulations to St. Augustine's College who recorded a historic win by taking the College of Sci-

ence Cup.

## MUNSTER SENIOR CHAMPIONSHIP

This event was held in Cork and Dungarvan athletes dominated the field events. The O'Briens collected five golds and one silver medal. Frank had a treble, winning the shot, discus and hammer, while Ailish recorded wins in the shot and discus, and finished second in the hammer.

## MUNSTER TEAM CHAMPIONSHIPS

5th in the 800m.

Best of luck to all our athletes who are doing exams at the moment.

## ABBEYSIDE A.F.C. NOTES — UNDER 11 CUP ROUND UP

# Villagers Reach Semi-Final

1st Round: Bohs (A) 0; Abbeyside 4 — Played in Poleberry the villagers playing against a 1st Div. team for the first time, took until half-time to settle down. But in the second half they showed why they are Div. 2 league champions with a great display of attacking football. Our goal scorers were Darren Lyons and Michael Hickey 2 each.

2nd Round: Dunmore 2; Abbeyside 5 — Played in Park Rangers grounds, this was a very poor performance against a 3rd Div. team. The sides were level at 1-1 at the break and after a few quiet words from the

team manager, things picked up in the second half. Our goal scorers were Michael Hickey (2), Derek Hayes, Darren Lyons and Benny Cliffe (1 each).

3rd Round: Portlaw 1; Abbeyside 3 — Played in Portlaw on Wednesday, May 31, Abbeyside advanced to their first Schoolboy Cup semi-final with a tremendous 10 man team performance. Michael Hickey the hero of the game opened the scoring 10 min. into the second half and Portlaw equalised 3 min. later from the penalty spot. The pressure was now on the villagers but they showed why they are

still unbeaten this year with 2 superb goals from Hickey to complete his hat-trick.

Man of the match award must go to Derek Hayes, who must have covered

every inch of the field.

Team — B. McNamara, J. Kyne, J. Organ, R. Cliffe, P. Verling, D. Hayes, D. Lyons, C. Keane, M. Hickey, S. Stacey.

# PITMAN-MOORE POC FADA 1989

## — A Poc Above The Rest

The origins of the game of hurling are steeped in Irish history, legend and folklore, but one of the major aspects of the game today is placing your forwards in an advantaged position by delivering the ball as far and as accurately as you can. Setanta, one of our folk figures, is recorded as, "driving the sliotar from Dun Dealgan to Eamhan Macha," (Dundalk to Armagh).

Over the past years, this folk event has been revived and perpetuated in the Pitman-Moore Poc Fada contest. From June through to August, club, county and provincial qualifying rounds are held country-wide with the final goal being the All-Ireland final held at Annaverna, Dundalk over the 5km. course in the Cooley Mountains on Bank Holiday Monday, 7th August.

To win this contest, the successful hurler is the one who can complete the course in the least number of pocs. The internationally recognised animal health company, Pitman-Moore, will again sponsor the competition this year, presenting gold, silver and bronze medals to the winners, together with the Corn Cuailing presented by the Coiste of Poc Fada na hEireann.

Last year's finalists include Frank Larkin from Galway, Micheal Phelan, Waterford, Des Donnelly, Antrim, Vincent Shaughnessy, Galway, Joe Short, Armagh and also the five times in-a-row winner, Ger Cunningham from Cork.

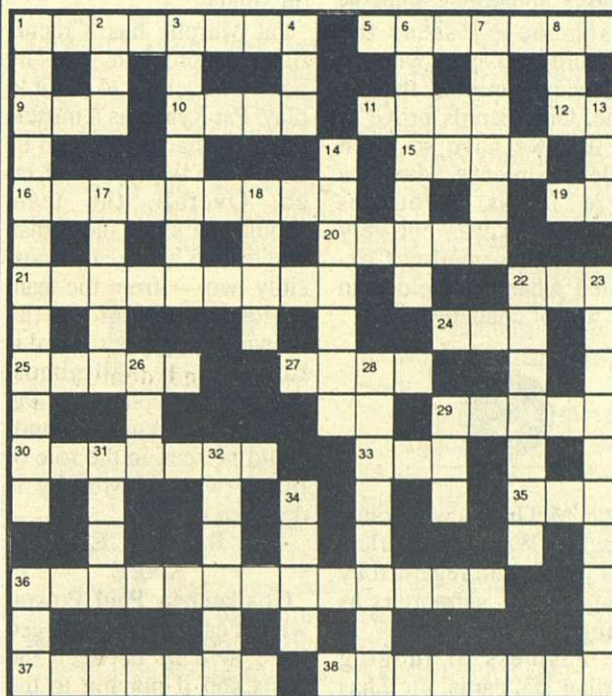

There are keen hurlers nationwide who would like nothing better than to take the crown from Ger Cunningham and it is this attraction that has introduced a new interest in the competition and confirmed the continuing sponsorship of Pitman-Moore.

# Everton Lift The Nick Shanahan Cup

### RANGERS 3; EVERTON 4

Everton succeeded in lifting the Nick Shanahan Cup at Stucco Lane. The cup which was run off in conjunction with the "Be Active, Be Alive Week" was presented by the club secretary, Eddie Cantwell, to the winning captain, Jason "J. D." Donovan.

Donovan's team were deserved winners after a tough competition against the Rangers side, which was skippered by Brian "Elsie" Elstead.

Donovan's side were 2 up at the half way stage with 2 fine goals from Mick Brett. Elstead made a fight of it in the second half and tried to bring his side back into the game, with Colin Keane and M. O'Connor scoring. Kevin Higgins gave Everton a further goal and Derick "Rambo" Kenneally

whipped in the winner.

Teams: Everton — J. Donovan, D. Kenneally, M. Brett, J. Kyne, B. Carroll, J. Foley, K. Higgins, M. Hickey. Rangers — B. Elstead, M. O'Connor, S. O'Connor, A. Beatty, B. Donovan, B. Cliff, C. Keane, R. Flanagan.

## MUNSTER HURLING SEMI-FINAL REPLAY

# Cork Favourites But Waterford Can Win!

If all the people who said that we have missed the bus and that we 'left the game behind us' are right and if well known Munster hurling coach, Joe McGrath is proved right when he said Cork will win for sure in the replay, then only one result is possible when Waterford and Cork replay their semi-final match at Semple Stadium, Thurles on Sunday next. I am very glad to say we are not being installed as favourites, because for some strange reason, making Waterford teams favourites for anything is as good as giving them the 'kiss-of-death.'

Being underdogs helps as it somehow lessens the pressure on players who are less accustomed to the big time. Our records prove to us that we have so often fallen to pieces when we were in as favourites (agreed this was not very often) and sometimes excelled when we fielded in the role of challengers.

Joe McGrath, who once coached Waterford hurlers and who is still regarded by many of our supporters as being the 'bee's knees' in the business of judging hurling standards, etc., has gone all out for a Cork win in the replay. He said "Waterford gave their all in the drawn match. They reached a peak of perfection that was enviable. I cannot see them reaching the same peak again, particularly if, and I am certain they will, the Cork selectors, reposition their side for the replay."

McGrath went on: "there is no better brains on a sideline bench on a hurling field, than there is in Cork. They will have learned a mountain of information regarding their own strengths and weaknesses as well as Waterford's strengths and weaknesses." "Cork," he said, "played poorly on the day and you won't see a Cork team play so poorly again."

That's what McGrath said on the day after the drawn game in Thurles. Joe McGrath is now with Cork, he having trained their under-21 team to win the All-Ireland last year and obviously he is hoping for a win for them. He is certainly putting it up to Cork in making them such clear favourites.

It is disappointing news that the Waterford team to play in Thurles will not be selected until tonight (Wednesday). The delay unfortunately is considered necessary because the selectors are unsure about the availability of a couple of players who have injuries. Jimmy Beresford suffered a hamstring injury in training on Friday evening and the news concerning the Colligan player was not very encouraging when I made enquiries from a clubmate

on Sunday.

Pat Murphy has a recurring back problem and is by no means certain to be fit to play. Pat Ryan has a muscle problem, but is likely to be fit enough to play, if selected. Overall, the team should not show more than one or two changes — possibly two — from the team which lined out in the drawn game. If Beresford is ruled out, he will almost certainly be replaced by Pat Ryan, and Liam O'Connor could be seen in the role of full-forward if Murphy is declared unfit.

#### BANDAGED KNEE

Goalkeeper, Paul Power, who is carrying a bandaged knee, will be between the posts and if playing to the form he showed in the drawn match, he will let very little pass him. No change is expected in the full line with Damien Byrne being flanked again by Peter Walsh and Seamus Prendergast. The Mount Sion man, Ger Fitzpatrick, is playing so well in Liam O'Connor's centre-back berth that he cannot be moved and he is likely to see himself flanked by Ryan and Timmy Sheehan.

Noel Crowley and Paudie Prendergast will start again as midfield partners and our chances of winning will depend to a great extent on how well they perform. Both players excelled in the drawn match, but having seen the "match of the day" video on a couple of occasions, they faded in the final minutes.

With the exception of Billy O'Sullivan, all the forwards scored in the drawn game, but there will be no question of the Ballygunnerman being left out of the team. The only change could be the exclusion of the injured Pat Murphy and the bringing on of Liam O'Connor.

So, unless the selectors have something else up their sleeves, we will not see more than a change or two on the side.

Cork might have a number of changes, but this, either, will not be known before we go to print. Certainly there will be a lot of plotting and planning put into the build-up by both sides, each attempting to win the battle of tactics that may eventually decide the issue.

Despite the comments by

some supporters that we might have missed the bus, there is a feeling of growing confidence around the county, that Waterford will go back and finish the job on Sunday. The draw with Cork brought back a fair amount of pride in the county and to go back and beat them in a replay of a Munster semi-final would certainly be the best thing that happened to Waterford hurling in the last quarter of a century.

As I wrote before the drawn match, a lot will de-

pend on the attitude and approach of the players going into the game. They must ignore the views of people like Joe McGrath, whose comments were likely designed to motivate a county in despair. They must go in feeling that they can win. If they take the game by the scruff of the neck from the throw-in and sustain their effort for the full seventy minutes, Waterford will be good enough to beat Cork despite the fact that the Rebel County are the self-made favourites.

## WEEKEND FIXTURES

Because of our two inter-county championship games on Saturday and Sunday, the club championship programme for the weekend is again very curtailed and no County Board fixtures are listed. The Western Board has about half a dozen matches lined up for Friday and Saturday in a mixed programme.

All are important to the clubs involved, but there is very little by way of excitement for the neutral supporters, even though the fare in a few of these games may be quite good.

#### BALLINAMEELA v. SHAMROCKS

This is one where the fare can be very good with both clubs fighting for the points that will bring them closer to the top and possible involvement at the concluding stages of this championship, which is still very open. Ballinameela, with only one win to their credit will have to win here to remain in slight contention. For a team who were up in the senior championship last year, they are not doing very well.

Shamrocks were favourites to take the title last year, but failed at the final stage. They will need to win their remaining three matches to get on terms with the leaders. At their best Ballinameela could pull off this one.

#### TOURIN v. KILROSSANTY

Both are doing very well and one more win for Kilrossanty and they are in the final of this 'B' hurling championship. If Tourin win then themselves and Ardmore could be involved as well. Kilrossanty may

win this one.

#### CLASHMORE v. BALLINACOURTY

A win for Ballinacourty here will put them through to the final of the second string section as they have full points from both games played so far. On the basis of their good display against Kilrossanty, they should beat Clashmore.

#### STRADBALLY v. DUNGARVAN

A 24 points win over Afane two weeks ago will certainly put Dungarvan into this game as hot favourites. They will provide Stradbally with a serious challenge and should win decisively.

#### EIRE OG v. MODELIGO

Modeligo will be the strong fancy to win this junior hurling tie, but really the result is not likely to be of any great consequence, since neither club will be involved in the final shake-up.

#### MELLERAY v. BALLYSGAGART

A very open game, the result of which could either way. Ballysgagart with their sights set on the junior hurling title, are probably a fitter side than Melleray just now and this could be a factor in deciding this tie.

## Waterford Quietly Confident Of Beating Kerry

Maybe it sounds a bit 'cheeky', but that seems to be the feeling around the county and I am told that it reflects the mood in the camp at the moment. The selectors did an amount of training with the squad, they picked what looked a very good side to play Limerick, they defeated Limerick very decisively and then went back into training, which included several games against our best senior sides in the county.

Now almost on the eve of the game, there is a noticeable absence of tension and the players are quietly confident that they can handle the kingdom's juniors just as well as they did, Limerick.

This is certainly the right attitude and it could help them to what other counties in Munster would regard as a surprise.

The team was not available at the time of writing, but I understand it was to have been named after a challenge game against the Nire on Monday evening. If it becomes available in time, it will be published elsewhere in the Leader.

I will be surprised if there are many changes from the team which defeated Limerick by 0-12 to 1-6 at Askeaton, even though others have become available in the meantime.

B. Reddy of Tramore will be retained as goalkeeper and we are unlikely to see a better fullback line than that of Nioclás MacCraith, Pat Keating and Pat Quinn. Mark Corcoran of St. Saviours will surely occupy the centre-half berth again and may be flanked by D. MacMahon and B. Curry.

Carthac MacCraith who starred at centre-field with Nicky Power in the Limerick game will be partners in that sector again.

We may see some changes in attack, but Liam O'Brien, Tom Gough, Peter Ferncombe, John Mulhearn are all likely to be retained.

The team, themselves feel that they have a good chance and in such circumstances, who can oppose them.

## Under 21 Hurling

The Waterford team to play Clare in round one of the under 21 hurling championship at Kilmallock on next Wednesday evening, will not be selected until after Sunday's game in Thurles. The panel has had a satisfactory preparation and the feeling in the camp is that we can win this one and earn a crack at Limerick in the semi-final which is fixed for a Waterford venue.

# Championship Results

**STRADBALLY 4-12  
TRAMORE 2-10**

A star performance by Eoin O'Brien who scored 2-4 and a great display by his midfield partner Ger Hogan who had 1-1, were features of this very entertaining second round intermediate hurling championship game at Portlaw. The sides were level at the break with 2-7 a piece. Veteran Alo Curran was then introduced for Stradbally and this former football star put fire and life into his side who raised their game considerably in the second half and won comfortably.

**MOLLERANS 3-12  
SAVIOURS 3-5**

A very good game of intermediate hurling which saw the stronger Mollerans

team add a further two points to their total. If the Carrick-beg team can maintain this form, they are certain to be involved in the knock-out stages later on. Saviours were pleased with their good display and they can improve.

**SHAMROCKS 6-5  
ABBEYSIDE 0-5**

On the run of play there certainly was not a six goal difference, even though Shamrocks were by far the better side. A few soft goals in the early stage when they led by 3-0 to 0-1, set them on their way against an Abbeyside team, who played well outfield, put were weak up front.

**AN RINN 1-6  
GERALDINES 0-7**

As the final score sug-

gests, this was a tremendously close junior hurling game that saw the Geraldines play their best hurling of the season. They led by a point at the break and looked as if they might bring off a shock. An Rinn hurled a little better in the second half and just about deserved their two points win.

**ST. MARY'S 0-13  
BALLINAMEELA 1-2**

While this game was not nearly as one-sided as the score might indicate, there was no doubting the superiority of the Toura-neena side who played very fluent hurling all through and picked off some delightful scores en route to a well deserved victory. The score at half-time was 0-5 to 0-1.

**OTHER GAMES**

Kilrossanty enhanced their chances of winning their first adult hurling championship, when they scored another good win in the junior 'B' championship — this time against luckless Eire Og.

Ardmore were too powerful for Glen Rovers, but the losers here might have been much closer at the finish if they were able to avail of their scoring chances.

Abbeyside were forced to field without six of the team which recently beat Stradbally in the semi-final and proved a poor match for Lismore who had already proved themselves to be a 'cut-above' all the others in this section of the junior hurling championship.

# COUNTY BORD NA nOG NEWS

**WELL ATTENDED MEETING**

The monthly meeting of County Bord was held in Lawlor's Hotel last week and was very well attended and some very important business was discussed at length. The meeting was chaired by Mr. John Moore, who proved an excellent chairman for the meeting.

**CROKE PARK REFEREES' COURSE**

The above course will take place on September 17 in the Friary College, Dickspool. This course is a five session programme. Referees from other counties will be the instructors. This is for both hurling and football. It is open to everybody but in particular new referees are welcome.

At the end of the course, each referee will be assessed and will receive a badge for his performance. Clubs should submit names immediately to County Sec-

retary, Seamus Aylward, Ballinlovane, Kill or Pat Nugent, Clashmore.

**SUMMER CAMP (WEST)**

A Western Summer Camp will take place shortly, probably June 19. It is hoped all clubs will avail of this camp, which is free to all clubs. This will be run along the same lines as the Colm Bonner scheme in the East and for further information contact P. Nugent, or Western Chairman John Kiely, without delay.

**CARRIGNAVAR COURSE JULY 3-7**

Our County under-16 footballers will travel to Carrignavar, Co. Cork on July 3 for five days till July 7. Two adults will accompany the party. This should prove an excellent course for our footballers.

Trials have already taken place in the Eastern Division and are due to be held in the West this week so that everything should be in order for this important course.

**UNDER-16 FOOTBALL EAST v. WEST**

On Saturday, June 24, the final of the Under-16 football East v. West will take place in the Fraher Field at 3 p.m., with John Moore as referee.

**COUNTY UNDER-16 HURLERS FOR NENAGH**

Our County under-16 hurlers will be taking part in a tournament in Nenagh shortly and it is hoped to have Nickie Cashin, Abbeyside to coach the team for this tournament.

## INTER. FOOTBALL LEAGUE TABLE

With only two games remaining to be played, the Geraldines have withdrawn from this championship, which despite the many interruptions, is well on schedule. The Geraldines won no game and decided to pull out at this stage.

As will be seen, the table is somewhat erratic, due to cancellations, etc., at the request of County Board, who required players for inter-county games.

**LEAGUE TABLE**

	played	pts.
Sliabh gCua	5	8
Affane	3	6
Ardmore	5	6
Shamrocks	3	4
Ballyduff	2	2
Ballinameela	3	2

The top three will qualify with the second and third playing in a semi-final. The top team go straight to the final.

**Munster Poc Fada**

## GREAT SHOW BY DUNGARVAN MAN

On Sunday last J. J. Ronayne of the Dungarvan club put up an excellent performance in the final of Poc Fada. J. J. came third overall, which was a great achievement for him and great news also for Bord na nOg.

# Western Board Meeting

## NINE PLAYERS SUSPENDED

A total of nine players were suspended for terms varying from two weeks to three months, when the Divisional Board, under the chairmanship of Donnca MacCraith, met to deal with referees' reports on Thursday night last.

Arising out of the report of the Glen Rovers/Tourin junior hurling game the referee reported that two players had been sent off for fighting and striking each other with hurleys. When this was being discussed it was reported that one of the suspended players, Charlie Barry after being sent off, was struck from behind with a pole, by a non player. As this was not brought to the attention of the referee, no action was taken. On the matter of suspension of the two players reported, S. O'Brien proposed three months but did not get a seconder. The chairman said that in the circumstances, he would impose a three month suspension on both. This was the minimum.

Kevin Curran and Charlie Barry were the players suspended.

Other suspensions were, S. O'Halloran and M. Hynes, Clashmore; M. Houlihan, An Rinn; D. Connors, Ballinameela; P. O'Brien and L. O'Connell, Geraldines; B. Shanahan, Ballysaggart all received two weeks for rough play.

P. J. Connery, Geraldines, will be asked to appear before the next open Board meeting as a result of his being named in the report of the Ballysaggart/Geraldines junior hurling

championship game.

**CORRESPONDENCE**

In a letter to the Board, the Faha club apologised for their failure to field their 'B' junior football team against Seana Phobal. Their delegate, P. Casey told the meeting that they had notified 18 players, but only 8 had turned up on the night. A fine of £10 was imposed for each of their unplayed matches in their section of the league/championship.

**BALLINAMEELA'S CASE**

In a letter to the Board, Ballinameela gave their reasons for failing to field for their recent championship intermediate football tie with Shamrocks. Eleven of the players were not available because of injuries, examinations, suspensions, etc., and they had requested a postponement which was refused by the Officer Board. Supporting their case for a refixture, club secretary, Nicholas Walsh, said it was the first time in the history of the club that a postponement had been sought and when it was turned down, they had no alternative, but to notify the Board secretary of their inability to field. Several delegates supported their appeal and it was subsequently agreed to refer it back to the fixture commit-

tee.

(At a meeting held subsequently it was agreed to re-fix the match).

**CROS FHOCAL**

Speaking about the Cros-Fhocail (the G.A.A. Crossword) the Oifigeach Gaeilge, Nioclas MacCraith said he was very encouraged by the interest shown in the competition. There were, he said, 58 entries for the first one and 18 of these went within one of having a correct solution. He was very pleased with the way in which the 'Dungarvan

Leader' had presented it. The chairman also spoke about the way it was presented in the 'Leader' and he exhorted more members to have a go.

**NEXT MEETING**

Because of the uncertainty of the result of the Munster semi-final replay on next Sunday, no matches were fixed for Sunday, June 25. A special meeting of the fixture committee will take place on next Monday night in Dungarvan.

## Fixtures Foul-Up

Because of the draw at Thurles on Sunday week, several of the matches which were scheduled to be played on last week-end and which had been published were cancelled. The cancellations and the changes were decided on at a meeting of the county fixtures committee on Monday night (Bank Holiday).

This newspaper was not informed of the changes and the P.R.O., when asked about any possible changes in the fixtures programme, on Tuesday morning, told us that he was not aware of changes.

In the circumstances,

we wish to apologise to readers for any inconvenience caused by the publication of an incorrect fixtures list for last week-end. We were blameless for this unfortunate breakdown in communications.

**CEREMONY MARKS WATERFORD'S PARTICIPATION IN T.T. COMPETITION**

CONTINUED FROM PAGE 1

Ald. Hederman concluded by saying that they were now planting the tree in the park to say 'thank you' to the people of Dungarvan and to all the people of Co. Waterford for their wonderful participation in the Tidy Towns Competition down through the years and she congratulated Bord Failte for initiating the competition.

**A SYMBOL OF THE T.T. MOVEMENT**  
 Mr. Dan Hurley, County Manager said that the planting of the tree was a symbol of what the Tidy Towns movement was all about. The competition had done an enormous amount of good throughout the entire country and had done a great deal to make people aware of the environment in which they lived and the need to protect and enhance it.

Addressing Ald. Hederman, Mr. Hurley asked that she might use her influence with Bord Failte to get

them to re-activate the "Best County" award as part of the competition, an award which County Waterford had won more than once in the past.

The Co. Manager concluded by thanking Ald. Hederman for coming to Dungarvan and also the Tidy Towns representatives from Cappoquin, Ardmore and other areas who were present at the function.

Among the attendance also were Mr. John O'Flynn, County Engineer, Mr. Bertie White, Town Clerk, Mr. G. Taylor, Town Engineer, Mr. Maurice McHugh, County Development Officer, Mr. S. Metcalf and Mr. D. Reynolds, First National and Urban Councillors Mary Dixon, Nuala Ryan and Richie Walsh.

The brief ceremony ended with the planting of the tree by Ald. Hederman with all present giving a hand with the shovel.

**Kereen Dispensary Will Not Be Closed Or Moved**

the building.  
 "This dispensary", said Cllr. Kyne, is vital to this entire area and I hope that the estimated cost of the remedial work required will not now be put forward as a reason to close it".

Cllr. Kyne went on to say that he understood the Health Board had started discussions with what were described as interested parties about the Kereen dispensary. "But", added Mr. Kyne, "Let me state on behalf of the people of the area that this dispensary should not be relocated in Cappoquin — it must stay to serve the area for which it was originally and always intended".

Dr. A. De Souza, Community Care Programme Manager, stated that he was at present investigating how best to upgrade the dispensary building as it had no toilets and needed repairs to doors and roof while the exterior walls required damp proofing and replastering.

Pressed by Cllr. Kyne, Dr. De Souza then gave an assurance that there was no question of removing the dispensary from Kereen but, because of its condition, he said the Board was

at present considering how best it could be improved.

**WILL PRESS FOR RETENTION**

Interviewed by the "Leader" in Dungarvan last Monday, Cllr. Kyne stated that in addition to raising the matter of the rumoured closure of the dispensary at last Thursday's Health Board meeting, he had also discussed the situation with Mr. M. A. Gyves, the Administrator for Community Care in Waterford. He added: "I have got an assurance that the dispensary is not for closure but I will continue to press for its retention and to have the repairs and improvements as identified by the Board themselves carried out".
