## Adoption Of County Development Plan Delayed

A crux concerning the rezoning of a field from agricultural to residential at Crooke, Passage East caused the postponement of the adoption of the Development Plan for County Waterford at a meeting of Waterford Co. Council held specially for the purpose in Dungarvan last Monday.

The rezoning proposal was made by Cllr. J. Carey but in the absence of agreement among the members, Cllr. Paddy Kenneally proposed that further consideration of the matter be deferred to enable the Council to visit the area and inspect the situation for themselves.

This was agreed and it was decided to convene a

meeting of the Council in Passage East on a date to be arranged.

On the proposal of Councillor Kyne it was further agreed that in addition to Mr. J. Shine, Planning Engineer, the County Manager Mr. Hurley and the County Engineer Mr. John O'Flynn be requested to attend this meeting.

## Local Man Charged After Massive Garda Hunt

Following the discovery of a woman lying in a pool of blood outside her home in Ballygambon, Rathdrum, Co. Wicklow on last Saturday night, gardai in Wicklow mounted a massive hunt for a middle aged man who lived locally in Rathdrum but who was stated to have originally come from the Dungarvan area in Co. Waterford.

The woman, who is married with a teenage son, is in the intensive care unit at Beaumont Hospital in Dublin with serious head injuries sustained between 11 p.m. and midnight when she was savagely attacked and repeatedly clubbed on the head with the barrel of a rifle. She was found by a young boy who lived next door and who ran to the scene of the attack after hearing screams. A broken rifle was found nearby.

The woman was rushed to Loughlinstown Hospital and later transferred to

Beaumont Hospital where she was stated to be still in a serious condition.

### MAN CHARGED

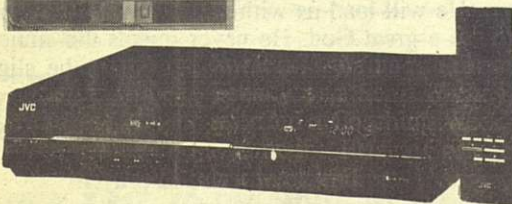

On Monday evening John Murray (55) with an address at Main Street, Rathdrum but who lived originally in the Ballinameela-Ballinacourty area of Cappagh, Co. Waterford was charged at a special court with assaulting the woman and with causing grievous bodily harm. He was remanded in custody and will appear at Tullow, Co. Carlow Court again on tomorrow (Thursday).

# From New York — To Medjugorje — To Dungarvan

Medjugorje which up to a short few years ago was but a small insignificant village in the poor mountainous area of Montenegro in Yugoslavia has now become known worldwide as a place of pilgrimage since three local teenagers first claimed to have seen a vision of the Blessed Virgin. Pilgrims from all over the world are constantly travelling to the spot where the trio undergo regular transportment as the vision appears to them with Ireland very high on the list in the numbers that travel.

Among the very many pilgrimages that went to Medjugorje in 1987 was a group from Dungarvan and parts of West Waterford which included Rev. Fathers Pat Butler, Kilgobinet and Peter Ahearne, Abbey-side, Fred Forsey and Kevin Power and John O'Rourke and others. There, in the course of performing the pilgrimage exercises, they met and mingled with pilgrims from other lands and, as is usual in such circumstances, made new friends.

Among the latter, were three girls from New York, Angela Ford, Sharon Fitzpatrick and Tara Kamara. During their stay in Medjugorje a warm friendship developed between the two groups and when the time for parting came, the Dungarvan pilgrims issued an invitation to the New Yorkers to come to visit them in Ireland at a future date.

This year the New York girls availed of the invitation and arrived in Ireland in April with a plan to spend one week in Dungarvan, one week in Dublin and one week in Galway before again returning to the U.S.

## CEAD MILE FAILTE

On their arrival in Dungarvan they were met and welcomed by their Irish friends and enjoyed their first traditional Irish dinner of bacon and cabbage at Fred Forsey's home in Abbeyside. Then Fr. Pat Butler, Fr. Ahearne, Kevin Power and John O'Rourke joined and in the ensuing days they were afforded a cead mile failte. Indeed so overwhelmed were the U.S. visitors by the hospitality shown them that they stayed on, first in Lawlor's Hotel and then in the Fountain Guest House and instead of one week they lingered in Dungarvan for all of two and a half weeks. During that time they went on tours over the Comeragh Scenic Drive, to the

Vee and around the Gaeltacht area of Ring and Old Parish. They also visited the Melleray Grotto and Mount Melleray Abbey while they also went to see the Waterford Glass Showrooms.

As a result, the remainder of their Irish visit had to be cut short and the girls had to return to New York but not before they promised to return again at some future date.

Then last month Ursula O'Rourke from Melleray went to New York and while their paid a visit to Angela Ford. Angela gave her a poem which she had composed about their wonderful visit to Dungarvan and Co. Waterford and she passed a copy of it to John Clancy, Abbeyside, who was then due home on one of his regular visits from New York. On arriving in Dungarvan, John brought the poem to the "Leader" and we then followed up the story. The following is the poem which tells it all:

Set beneath the Comeragh mountains  
Beside the Celtic sea  
Lies a town there named  
Dungarvan  
Filled with charm and  
mystery.

She had travelled to this  
Emerald Isle  
A land far from her home  
On a long awaited journey  
Back to friends that she  
had known.

A welcome smile warmed  
her heart  
In the midst of passers-by  
And it surely was a soothing gift  
For her sore and tired  
eyes.

As they set out through  
the countryside  
There were tales of days  
gone by  
Of knights and dukes and  
Petticoat Luce  
Lurking in the loch  
nearby.

She'd guessed they'd had  
too much to drink  
And gave an unbelieving  
frown  
As they spoke of a road  
where going up  
Was really going down!

The nights were filled  
with Irish song  
And Irish drink as well  
Though which one she  
liked better  
She couldn't really tell!

And so the days had been  
well spent  
With families and friends  
And in their faith and  
love she found  
The very heart of Ireland.

With sadness time came  
to a close  
And tears marked the  
journey's end  
Yet with certainty she  
knew within  
That she'd be back  
again.

For they'd given their  
most precious gift  
One she sensed right  
from the start  
Wrapped up in loving  
kindness  
They'd given her their  
hearts.

Love always,  
ANGELA.

## Pause For Thought With Fr. Paddy

### OPEN YOUR EYES!

The first reading for last Sunday condemns the exploitation of the poor, and reminds those, who pay little or no attention to God's law, that one day they'll have to answer to God. In the second, Paul tells us that we all have a duty to share in the work of salvation, and indicates that prayer ought to play an important role in this work.

The Gospel at first sight would seem to be saying that we should not allow ourselves to become slaves to money; and sadly, as we know only too well, the disregard for the Seventh Commandment is wholesale and widespread.

However, the message Jesus had in mind for us was, man is worthy of commendation for the ready and clever way he deals with his ordinary business affairs; and He wonders why, when it comes to working out his salvation, he fails to manifest anything like the same quality of spirit and zest. He even asks the question, why are people so half hearted and lackadaisical when faced with the most important function of their existence? The answer lies with our faith. We must pray, and keep reminding ourselves that life here is not an end in itself, and should be used to serve God. If people were motivated by a desire to serve and to love God, they'd approach life with a determination and dedication that would more than match the ingenuity of the business barons. And they'd allow no one or anything to rob them of their heritage.

Actually, when you consider God's position and man's humble state, you immediately become aware of the need for some sort of commercial exchange. After all, what have we that we have not received? And, when God gives, He does require some form of service in return. "Were not ten made clean, where are the other nine?" Being ungrateful to God is short-sighted, because when thanks are offered, He always responds with still more blessings. "Well done, good and faithful servant because you have been faithful. . . I will place you over many things." So, God gave first, and he also gives last. It is clear that a happy relationship established with God creates a form of exchange.

Let us consider the norm which governs this spiritual commerce. It is evident, since we come from God, and then continue to depend on Him, that He must make the first advance, for as we know, in the spiritual order all graces have their origin in God. Even after souls respond to God's promptings, they still need God's graces to maintain the relationship. Should one fall into serious sin and break the friendship, one would stand in need of help, a help the Lord would never refuse if asked. The position then is, God gives and

sustains: we must receive, acknowledge and use.

Do remember, we are doubly indebted to God. God created man for greatness, and then Adam went and sold himself and his children into bondage, thereby losing all his rights to live in Heaven. Jesus through His passion and death rescued man from slavery, and provided him with the means to make reparation, and win back his lost inheritance. However, the Lord did not force man to accept His offer. He left him a free agent. But, when man responds to God's help, justice is done, honour is given and favours are won.

### IN REAL TROUBLE

Sometimes God seems to ignore our appeals, and we lose heart and even feel regret at having bothered. If God treated us as we behave towards Him, we'd be in real trouble. I could not see Moses accepting the cold shoulder. He'd beg and beg. He'd plead and plead. God always answered him. The generous souls would always be happy to leave matters in God's hand: they know He is the best judge. They ask only because they trust, and they hope because God is their Father. Prayer itself is an act of respect, an act of honour, an act of submission and an act that always bears fruit.

When the Father welcomed back the prodigal, He never charged him with having abused his patrimony. Likewise, should misfortune befall us, we may confidently ask for pardon. It will not stop at just a welcome: He will load us with even greater benefits. Oh! we have a great God. He never rejects the sinner. He always leaves the door ajar. If He sees the slightest spark in a soul, He'll blow it into a flame. No wonder we call Him the Good Shepherd, the Saviour. Alas! man being a volatile creature must place his trust in God, and then back it with care and prayer.

It all boils down to this. God is good to us. No one could do more. It is up to ourselves to recognise the implications, and discharge the duties that arise. You know the feelings created by ingratitude. "It is a bad dog that bites the hand that feeds him." Turn the coin. Look at what God has to endure. Jesus experienced the same pangs when deserted by His friends in His hour of need. He is now looking into your heart. In commerce, success is won mostly by hard work, attention, timing and ability. They must know that their successes are transitory, yet! they'll stretch themselves to the utmost to attain them. This glory trail is closed to very many, whereas the race for the Heavenly Stakes is open to all. Yes, the poor, the crippled, the rich as well as the not so rich, all start from the same mark, but there is no wild rush. Why this apathy! We do need to open our eyes.

# Lismore Dental Clinic — Is It On Or Off?

At the special meeting of Waterford Co. Council held in Dungarvan last Monday, Cllr. B. Kyne brought to the notice of the Lismore area members of the Council a minute of the September monthly meeting of the Community Care Committee of the Regional Health Board held in Kilkenny concerning the Dental Clinic in Lismore.

The minute stated that in reply to a question about the restoration of dental clinics in Lismore, Mr. Kyne was informed by Dr. de Souza, Programme Manager, that clinics would be resumed as from Friday, September 22. Cllr. Kyne added that he did not know whether this had happened or not.

Cllr. J. Quirke said that his information was that the clinics would not be restored until further repairs were carried out.

Cllr. O. Wilkinson subsequently informed the "Leader" that the Board's Principal Dental Officer had stated that the clinics would not be reopened until further repair work involving a new entrance and a new floor was carried out to the premises at the old District Hospital where the clinics are to be held.

Cllr. Wilkinson added

that Mr. J. McQuillan, the Board's Chief Executive Officer, had stated that the

question of carrying out these further repairs was being considered.

# A Case Of Mistaken Identity

A rumour was circulating in Dungarvan last week that the giant 6'4", 25-stone Englishman, Paul Dawes (35) who told the Gardai in Dungarvan that he had been kidnapped in England and brought by boat to Ireland, was seen in Dungarvan a couple of days before he turned up at the Garda Station. The rumours stated that the man had stayed in the chalets in Ballinacourty and that he had in fact had a conversation

with a trader in the town.

On checking the rumours at the Garda Station, the "Leader" was informed that they had been checked out by the Gardai and that they had arisen as a result of

heavy man had, in fact, been in the locality at the time but he was someone else and not the 'kidnap man'.

Meanwhile investigations by the Gardai into the story told by Mr. Dawes are con-

# A Windy Welcome For The Mayor Of "The Windy City"

Old Parish was bleak, windswept and mist enshrouded when Mayor Richard M. Daley with his wife Maggie and his two brothers John and Bill and other members of the family accompanied by a large number of media people (press, television and radio) arrived there on last Wednesday morning. The Boss of Chicago, America's "Windy City" was greeted by gale force winds which lashed the countryside and which prompted him to remark, "when I jumped off the coach I said to myself — from the Windy City to Windy Old Parish," as he was welcomed and introduced to family relatives.

It was in 1964 that his father, Richard J. Daley, former Mayor of Chicago, paid a visit to the scene from where his great-grandfather had emigrated to the New World over 100 years before. On Wednesday of last week, the new Mayor, "young" Dick Daley, who has been following in his father's footsteps politically, came to literally retrace that visit, 25 years on.

A traditional Irish welcome was extended to Mayor Daley and his entourage in which the Sagart Pharoiste, Very Rev. Conchubhair O Dalaigh and the 44 pupils of Old Parish School figured largely. An address of welcome was read by one of the pupils, Mike de Paor while the children then entertained the visitors with Irish songs, music and dance.

Gifts were exchanged and Mayor Daley invited the children to set up a pen-pal correspondence with schoolchildren in Chicago.

The Mayor was then shown a stained glass window marking his father's contribution to the Old Parish Church Building Fund in 1964 and he unveiled a plaque to the late playwright and author, Fr. Victor Power, who was the Curate in Ring at the time

of his father's visit. Subsequently Fr. Victor went to Chicago at the late Mayor's invitation and served there as a welfare official for several years.

### CHICAGO HIS HOMETOWN

Asked if he would like to be the next U.S. President, Mayor Daley was non-committal, merely replying that he enjoyed being Mayor of Chicago and

close to his home. "There is something about Chicago that I love," he said.

Mayor Daley said that his family was proud of its Irish heritage and of their great-great-grandfather Maurice Daley, the mountain farmer who sold his stock at Dungarvan Fair and then walked to Cobh (Queenstown in those days) to take the emigrant ship to America.

The Mayor's wife Maggie was presented with a bouquet of flowers by Bridget Dalton and a getting-to-know-you session followed as the Daleys were introduced to their Irish cousins who included Nicky Daly, Mary Street, Dungarvan and his son Rev. Fr. John Daly, O.S.A., Mrs. Ann Donnelly, Monamean, John Cleary, Ballymacart and Mrs. Frances O'Donnell, Friary Street, Dungarvan.

After a lunch break at the Seanachai Restaurant, Mayor Daley and his party left on the next stage of their Irish tour which took him to Wexford.

## Council Protest At S.A. Rugby Tour

Proposing that they send a protest to the I.R.F.U. about the participation of Irish players and officials in the recent rugby tour of South Africa, Cllr. C. O Riain at the monthly meeting of Waterford Co. Council held in Dungarvan said that it was a particularly sad day for this country that we supported the repressive regime of the government in Sough Africa as that is the way this would be construed. He said that as elected public representatives they had a duty to speak out against the tour and to make their views known to the I.R.F.U.

Cllr. G. O'Halloran supported the proposal and said that while it was encouraging to see that the leading rugby colleges in the country had publicly disassociated themselves from the tour, he thought that the local rugby clubs

in the county should also do the same.

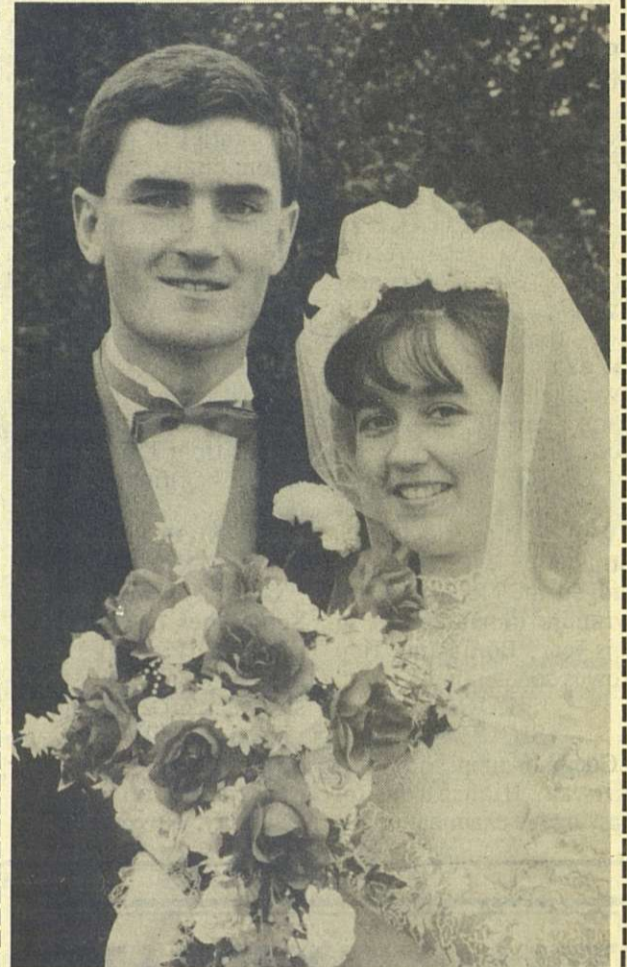

Cllr. B. O'Shea, T.D., complimented Cllr. O Riain for raising the matter and said that the proposal had his full support.

The proposal was passed unanimously.

### Blood Pressure Checks

## Suspended Sentence For Stealing Bottle Of Wine

A 27-year-old itinerant who stole a bottle of Sandeman Port from a Dungarvan supermarket had it practically consumed when gardai arrested him, District Justice W. F. O'Connell heard at the last Dungarvan Court.

James Cawley, a separated father with one child, with an address at the Halting Site, Shandon, Dungarvan pleaded guilty to stealing the bottle of port valued £6.50 from the L. and N. Supermarket, Main Street, Dungarvan.

Supt. P. J. Hayes said Cawley had already "plenty to drink" in him when he walked into the supermarket and "helped himself" to the bottle of port. He said that Cawley, who had previous convictions, had the bottle almost consumed when the gardai arrived on the scene and arrested him.

Mr. Joe Lavan Solr., said Cawley was under the influence and that was pri-

marily responsible for the offence. He pleaded for leniency, stating that the defendant is looking after his young son.

"He won't be for long more if he continues to behave like this," retorted District Justice O'Connell.

The Justice sentenced Cawley to three months imprisonment for the larceny of the port but following a strong plea by Mr. Lavan suspended the sentence on Cawley entering a bond to be of good behaviour for 12 months.

The defendant was fined £10 on a second charge of being drunk and a danger to traffic on the same occasion.

## Visit Of French County Councillors

Closer working relationships between the counties of Wexford and Waterford and the province of la Manche in France were the subject of discussions last week between a delegation from that area of France and statutory and local authorities in the two counties.

The French delegation was headed by Mr. Tony Watts, Commercial Attache of the Chamber of Commerce of Cherbourg and Granville, and consisted of — Dr. Jean-Francoise Le Grande, 1st Vice-Chairman of the Manche County Council and a member of the French Senate; Dr. Claude Halbecq, County Councillor, Chairman of the Environment and Tourism Committee; Monsieur Jack Breton, County Councillor, Chairman of the Economic Affairs Committee; Monsieur Francois Lecoer, Chief Executive of the Chair-

man of the County Council.

During their visit to Waterford, they were received by the City Mayor, Alderman Pat Power, and the Assistant City Manager, Terry O'Sullivan, and subsequently had meetings with South East Tourism, Waterford Chamber of Commerce, the Industrial Development Authority and Waterford County Council.

These wide-ranging discussions covered areas of co-operation in the tourism, education, industrial and social contact areas which will be progressed further by all

the parties concerned.

Mr. Watts has been a frequent visitor to Waterford and, in September of last year, took a party from the Wexford Chamber of Commerce and South East Tourism on a conducted tour of the la Manche area.

### Traffic Improvement At Kilrush Junction

At the September monthly meeting of Waterford Co. Council held in Dungarvan, Cllr. B. Kyne said that since the new lay-out and traffic lights had been installed at the junction on the by-pass road at Kilrush, the traffic situation there had improved 100 per cent. As a result he heard complimentary remarks about it passed by the local residents. Cllr. Kyne added that it all proved that the initial job there had been unable to cope with the volume of traffic passing through the junction.

In regard to the delay in repairing the traffic lights at Abbeyside last month, Cllr. Kyne has been informed by the County Engineer, Mr. John O'Flynn, that the Contractors, Phillips Electrical Ltd., were phoned on August 14 by the Area Engineer reporting the fault, but their repair man did not arrive until August 21 when the lights were repaired.

## Ballinameela I.C.A.

### The Guild resumed their monthly meetings at Whitechurch House Hotel after the summer recess.

Votes of sympathy were passed to Edie Claxton on the death of her sister Mrs. Frances Rice; and to Sadie Hourigan on the death of her mother-in-law Mrs. Nan Hourigan.

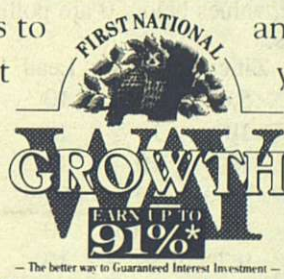

All members reported enjoying our wonderful summer. An informative demonstration on "Spinning Wool" with a real spinning wheel, was given by Mrs. Sheane, whose philosophy is to transform the wool from the sheeps back to a human's back. Mrs. Sheane's industry and enthusiasm left us mere mortals feeling rather sheepish.

Final arrangements were made regarding the 40th Anniversary of the Guild on 10th October, 1989. Mass for the deceased members of the guild at 7.30 p.m. in Ballinameela Church, followed by an Anniversary Dinner in Whitechurch House Hotel, to which the founder members of the Guild are invited. Any past members who would like to share in this celebration are very welcome.

For further information contact Edie Claxton (Tel. 058/54316) or Eily O'Brien (Tel. 058/41604) before 3rd October.

# Dungarvan Harbour Needs Management And Control Plan

The interest in and concern for the environment was obvious from the capacity audience who attended a talk by Ms. Anne Deacon, Master in Environmental Science, on "Shellfish quality in relation to the pollution status in Dungarvan Harbour."

This study is welcome, particularly on account of the discussions it gave rise to, regarding the harbour. A full report follows, but again it must be emphasised that it is still dangerous to eat unpurified shellfish from any part of the harbour, and as mentioned by Ms. Deacon when answering questions, that even when boiled there is still a danger of viral infection. The area of Helvic mentioned is deep water, where shellfish would not normally be gathered.

The Dungarvan Environment group again wish to thank Ms. Deacon. We need commitment like hers. We need members and we need a good working committee.

To this end, a general meeting will be held at Lawlor's Hotel on Tuesday, October 3 at 8.30 p.m.

Ms. Deacon said that estuaries were complex biological systems. As her study was equal to about six months full time work, she studied only some of the possible angles and was giving only a general overview of her study. The shellfish examined was the common mussel, and the pollutants measured were sewerage bacteria and the metals copper, zinc, cadmium, lead, chromium and nickel. Her examination was completed in 1988.

She said that cultivation of shellfish is a new industry which is expanding very quickly in Ireland, and Dungarvan is one of the locations where it is proposed to have a shellfishery. Two government departments are directly interested in shellfish — the Department of the Marine and the Department of Health. Planning and Local Authorities are also interested.

Since 1975 the bacterial load in the sewage had been assessed on several occasions. Some water and mud samples had been analysed for metals, and the South Eastern Health Board had a sampling programme for mussels since 1980. Ms. Deacon analysed the existing data, and sampled at extra sites to fill

the gaps.

## TWO CLASSIFICATION SYSTEMS

She explained two classification systems, and followed with her findings.

The Shellsan system, used in the USA, divided waters into three categories according to the content of faecal coliforms.

1. — Approved — no purification of shellfish necessary.
2. — Conditional — purification essential.
3. — Restricted — Pressure Cooking of shellfish essential.

## SHELLSCAN CLASS FINDINGS

Helvic	— approved
Ballinagoul	— conditional
Ring	— conditional
Cunnigar	— conditional
Western Bay	— conditional
Swimming Pool	— restricted
Rear Abbeyside Church	— restricted
AbbeysideBeach	— conditional
Skehacrine	— conditional
Barnawee	— conditional
Ballinacourty	— conditional

Ms. Deacon emphasised that she did not take oyster samples as other studies were being done in that regard. The number of samples taken in the Helvic area was small, and a longer term study was necessary to draw conclusions about the proposed oyster fishery. Overall, it was her finding that the shellsan system alone was too narrowly based to safeguard the public health.

The Pollution Load Index (PLI) could be used for up to 20 pollutants. For each of the pollutants there is a baseline figure which is the normal background level, and a threshold value above which toxic effects can be detected. These two figures and the sample concentrations are put into a formula and a figure is produced between 0 and 10. This number is the Pollution Index.

Values of 10 are not polluted, values below 0 are polluted, and there is a gradation in between. Findings as follows:

Site	Copper	Zinc	Cadmium	Lead	Chromium	Nickel	Site value
Helvic	8.64	5.05	10	10	9.75	7.1	8.19
Ballinagoul	10	10	10	10	9.75	8.54	9.7
Ring	10	10	10	10	10	10	10
Cunnigar	10	10	10	9.69	9.18	9.62	9.74
Western Bay	10	10	3.16	10	8.15	7.36	7.58
Swimming Pool	10	9.7	10	10	5.89	4.6	8
Rear Abbeyside Church	10	10	10	10	10	10	10
Abbeyside/Skehacrine	10	10	10	10	9.7	9.06	9.74
Barnawee	10	10	10	10	9.95	7.83	9.59
Ballinacourty	10	10	10	10	9.69	8.94	9.76
The Estuary	9.85	9.31	9.93	9.97	9.11	8.12	9.19

## SWIMMING POOL AREA WORST

Ms. Deacon pointed out that some anomalies were present in the figures. Overall the estuary showed little pollution with regard to the six metals studied. The worst site was the area of the swimming pool in regard to the metals chromium and nickel. The chromium was coming from the untreated effluent from the tannery. The effect of chromium in food was unknown, although the level in the mussels was more than twice the limit set by the Hong Kong authorities. The origin of the nickel

was not known.

Finally, Ms. Deacon made the following recommendations — that a management plan and controlled area order for Dungarvan Harbour was necessary, that a biological quality index assessment be done, that a re-survey be done to assess the effect of the new sewer.

Ms. Deacon responded to a number of points raised by the audience. She was thanked by Mr. Sean de Paor, Committee Secretary, and by the Chairman, Mr. Gerard Whelan, and the meeting was closed. — PRO.

# ABBEYSIDE SCOUT NOTES

## TROOP MEETING

Last week's troop meeting was uniformed at 7 p.m. We were all called in when the S.L. led us in the scout and opening prayers. As was the case last week we took full advantage of the fine bright evening by going straight out to the field.

The first thing we did was we had a game of cannonball which was run by S.P.L. Ciaran Walsh. For this he chose Neil Moore and Colin O'Connor and in the second game Michael Sheehan, Patrick O'Dea and John Kyne were our cannons. What they had to do was chase the rest of the scouts around the field and try to hit them with their footballs. If they hit a scout he was out and so on until everyone was hit. Martin Whelan, Pdraig Verling and Mark Shepherd were three of our slippiest characters who avoided being hit until near the end.

After this Brendan Kiersey who has joined the leader staff as a helper took over when he played a game of hit and run. For this a huge circle was formed. The idea was all the scouts were on the haunches with one on the outside. The scout on the outside would tip one of the other scouts and then race him around the circle and try to take his place. Some of our fastest runners were Mark Stearn and Cian O'Donovan with Mark O'Riordan and Patrick Power also showing a good turn of pace.

Our final field event was a test to find the quickest scout. Before this event all our bookies stopped their betting on champion Derek Hayes but to everyone's surprise he trailed in fourth in

his heat. In the grand final Michael Kelleher took the laurels.

Back in the den subs were collected and while this took place the patrols had to decide and draw up new plans as they have to re-decorate their patrol corners.

After this we had our first drill competition of the year. Here Aidan Mullarkey, a double winner for last season, fought well but had to settle for fourth place but to start off this year our winner, with a great deal of effort and concentration, is Martin Whelan who beat the other thirty plus into second place.

To end the evening we had a quick uniform check, sadly for those who had incorrect uniform it was removal time, so hopefully we've seen the end of the white socks (Michael, Liamy, Sheppy, Thomas, Bonnie and Co.), grey shoes (Anthony) and black and white runners (Mackey). Our final game was "where's my shoe". All shoes are grouped together and on a whistle signal the charge of the light brigade takes place as everyone "tears in" to try and find their own. I wonder why some of the scouts couldn't find their shoes, Ciaran.

The meeting ended when Patrick Power and John Paul Mills led us in the closing prayers.

## GENERAL

Next Saturday night, September 30th, the scout troop celebrates fifty nine years of scouting in the Village. We're told all the patrols are busy making out their shopping lists and sending out their invitations. On the agenda for the party is slides from camp plus a few bonus slides we

won't say from where, you'll just have to wait and see. The presentation of the Scout of the Year trophy, Patrol of the Year Award, Camp Peg Erection plus the party itself of course.

On Sunday morning last all the patrols were busy making new posters and logos for their corners. We hear the eagle has landed on the eagle patrol (ask John Kyne or Denis O'Flynn for the story here).

Sunday afternoon last saw us take to the roads as we headed to St. Augustine's College for our first full scale sports (football and basketball) training session as we aim to defend our All-Ireland Feile Na nGasog trophy. The interest locally at the 4th is so strong this year that we have nearly enough numbers to make two teams. So who knows .....

We would like to say a special thanks to Ambrose Mullarkey (and Moloney's Hardware) who answered our S.O.S. for our lost tables as he did the needy by collecting them at Melleray Scout Centre. I'm sure all our section are deeply grateful. Well done Ambrose.

## SYMPATHY

This week we extend our very sincere sympathy to Mrs. Kathleen Tobin and family, Greystones, Limerick, on the death of Tom which occurred at a Limerick Hospital last week-end. Since coming to live in Abbeyside, Tom had always shown a deep interest in our well-being and was always supportive of scouting activities in the Village. Even when he left the area he continued his association with the Unit. May he rest in peace.

# PENSMAN Takes You. . . . Behind The SPOTLIGHT

## RING CRYSTAL BOUND FOR CHICAGO

In an unscheduled stop during his visit to Old Parish on Wednesday of last week, Chicago's Mayor Richard M. Daley and the large party which accompanied him travelled to Ballinagoul in the Ring Gaeltacht that evening and spent up to an hour and a half at the factory of Ring Crystal or as it is known in the vernacular, Criostal Na Rinne.

Earlier in the day, Eamonn Terry, principal of the Ring Crystal industry had met the Mayor and his wife in Old Parish where he presented them with a decanter and set of glasses bearing the Daley coat of arms which had been specially made for the visitors by him at his Ring factory.

Obviously very pleased with this unexpected gift, the Mayor and Mrs. Daley decided, on leaving the Seanachie Restaurant where they had lunched, to go to Ring to visit the Ring Crystal factory instead of, as had been planned, going on direct to Wexford to the President John F. Kennedy Park in New Ross.

On arriving in Ring, the Mayoral party which filled two coaches, were greeted by Mr. Terry and members of his workforce and for the following hour and a half Mayor and Mrs. Daley and the other VIP visitors were given a full demonstration by Mr. Terry of the blowing and cutting processes involved in the manufacture of the varied beautiful pieces of Ring Crystal.

The unexpected visit proved a commercial boon for the Ring industry as in addition to the on-the-spot sales that took place, orders were placed which, in the months ahead, will see a vast quantity of Ring Crystal going out to the Windy City of Chicago. Good luck to Eamonn agus a chuid on their enterprise.

Incidentally because of their unscheduled trip to Ring, the programme planned for the Wexford stopover by the Mayor had to be curtailed.

## DEATH OF TOM TOBIN

This week it is our sad duty to record the death of Tom Tobin and to extend our deep sympathy to his

wife, family and other relatives.

As the originator of this column, then under the title "Spotlight On The Unknown", Tom and yours truly worked together in the early years of the "Leader" before he left to follow his photographic and journalistic career in other fields. In the latter years he again renewed his contacts with what he always referred to as his "Old Alma Mater, the "Leader", where he took his first steps in his journey into journalism.

In those early days Tom was always controversial in his writings as he sought to right wrongs as he saw them especially where the underprivileged and weaker sections of the community were concerned. He was, in a way, a modern Don Quixote who was never afraid to have a tilt at those who lived in ivory towers and he was ever the crusader who was always concerned about the welfare of his fellow citizens.

And although he spent most of the latter part of his life in Limerick City he never severed the old link with his native Dungarvan and maintained a lively interest in all that went on there up to the very time of his last illness.

His passing is a great loss to us all. May the light of heaven shine on him.

## OLD PARISH PROSPECTING LICENCE

We understand that further to our references in this column in recent weeks lucrative offers have been made to a number of farmers in the Old Parish area particularly in the Minehead area. Although no firm money offers have been made, suggestions that upwards of £5,000 an acre might be available have been mentioned, but what the land is wanted for is still a matter for speculation. Mystery still surrounds the approaches being made to the Old Parish farmers concerned but the most probable basis would seem to centre on a possible mining project.

Just about twelve months ago, a public notice from

the Department of Energy was published in the "Leader" outlining the Department's intention to grant a prospecting licence and this stated that "whereas it appears to the Minister for Energy that there are minerals under the lands described in the schedule to this notice and that such minerals are not being worked, take notice that in exercise of the powers conferred on him, the Minister for Energy intends to grant a prospecting licence in respect of such minerals to Cobh Exploration Limited, 118 Herbert Park, Bray, Co. Wicklow...."

The notice indicated that a map setting out the names of the townlands in the schedule was then deposited in the Garda Station in Ring.

The townlands listed included all those in the Ring area and also all in Old Parish including Reamanagh, Ballycurreen, Lognagoushee, Ballinamona, Monagoush, Ballymacart, Gowlaun, Barranastook and Crobally.

Whether this now throws any light on the matter we do not know but we refer to it in the off-chance that it is all bound up in the present mysterious purchase moves in the Old Parish area

## WASTE DISPOSAL PLAN FOR COUNTY

The following are some points from the 1989 Co. Waterford Waste Disposal Plan presented by the County Engineer, Mr. John O'Flynn to the members of Waterford Co. Council at their September monthly meeting in Dungarvan.

Co. Waterford has experienced major industrial development and a modest population increase of 14.1 per cent over the last ten years.

The purpose of the Plan is to collect and co-ordinate information on estimates of future volumes of waste.

The Plan relates to the entire County of Waterford (excluding Waterford City) which covers approximately 700 square miles or 181,300 hectares.

From the geology of the County it can be seen that the location of Waste Disposal sites must be chosen with great care to prevent contamination of one of the country's greatest assets, its groundwater.

One of the most important criteria in choosing a site for a Tip is to locate it on

marginal land. This is difficult in the case of Waterford since 92 per cent of its land is suitable for tillage and only 8 per cent is marginal, making it the county with the largest percentage of arable land in the country.

The population of the county is projected to increase from its present level of 51,622 to 56,696 by the year 2006 with the population of Dungarvan rising from its present 6,849 to 8,484 during the same period.

Five modern packer Waste Collection vehicles are used for refuse collection in the county, one of which is operated by Dungarvan Urban Council. Each is managed by a driver and three collectors.

As of 1986 a total of 9,220 houses (including Dungarvan) are served with 10,843 tonnes of refuse annually being collected. The cost of this service is £208,239 which allows for an income of £40,000 from refuse charges.

Under the heading "Toxic Wastes", the report states that the picture frame factory at Tallow disposes of its waste by transporting it to Shannon Environmental Services in Co. Clare. The Dungarvan Crystal factory first passes the sludge through a settling tank and later neutralises it before having it transported by private carrier to the Waterford City landfill where it is buried.

Pharmaceutical industries in Dungarvan export their waste to Lanstar, Manchester. A KilmacThomas based seed firm returns used containers to Dublin while the Tannery in Dungarvan disposes of flesh and hide shavings in the Dungarvan landfill site.

In regard to medical waste, the report estimates that about 3 tonnes of this type of waste arises each year from hospitals, veterinary and medical practices. The majority of this is burned and the remainder is taken to Council tips. Dungarvan Hospital has its own incinerator for burning of offensive and dangerous waste and also has a contract with one of the local collectors for the disposal of other waste.

The foregoing should give readers a rough idea of the magnitude of the problem which the disposal of waste under its various categories presents to the Local Authority and the need which exists for the operation of an overall orderly plan.

## PLANE POLITICS

In the early years of the present century and up to the 1930's, Dungarvan boasted a most talented and highly gifted Dramatic and Musical Society which staged an annual production to include such musical plays as "The colleen Bawn," "The Shaughraun" and others of a similar nature. Each production also included a number of solo musical items while the highlight of these annual productions was a monologue composed always by the very gifted Thomas F. Keohan. These dealt with local happenings and some of the principal personalities in the town at the time.

One of these, which was called "Plane Politics" is our choice for this corner this week. The Dan Crotty referred to in it owned the main garage in the town at the time and was subsequently proprietor of the first cinema. The poem was subtitled "A tale of Adventure in Dungarvan's lately-acquired Aeroplane."

As the entire runs to all of twenty-three verses, we have, for space reasons, to divide it into two instalments and give the first half this week.

'Twas midnight, the clock in the Weigh-house was striking,  
Dan Crotty and I stood alone in the Square,  
Quoth he —the night is so much to my liking,  
I'll wheel out the 'plane and we'll take to the air.

We sat in the cockpit, adventure before us,  
His hand on the joy-stick and mine on my heart,  
He pressed home a button and into great chorus  
A dozen dramm batteries broke into a start.

We shot over Helvick and over the ocean,  
With speed so terrific, I thought I would swoon,  
"Oh, whither," I asked with unfeigned deep emotion,  
He answered, "we're bound for the Man in the Moon!"

"I sold him a wireless with guaranteed service  
And now he complains it's behaving so strange,  
That switching it on makes him so nervous  
He'll blow himself up and all within range!

'He says he hears nothing but wild atmospheric  
Like planets collecting to migrate or fall,  
Now fancy a bloke giving way to hysterics  
When by some mistake, he tunes into the Dail.

He's asking me, too, to look into venus  
Whose tariffs on moonbeams are hitting him hard,  
And Jupiter, too, this is strictly between us—  
Is angling for references by the yard.

The world as he spoke had grown smaller and smaller  
I watched it recede at incredible pace,  
The great lunar tenant grew taller and taller,  
And galloping to meet us, a smile on his face.

We garaged the 'plane, having made a safe landing,  
Dan gave him the news of our great tariff war,  
He settled his wireless as per understanding,  
And then we took off for the feminine star.

I'd never seen Venus so radiant or queenly  
She greeted us, fairly dressed up to the nines,  
She eyed us all over, I thought rather keenly,  
And said we'd a right to send her a card.

Announcing our coming and telling our mission  
For how could a love-timid maiden like she,  
Act hostess as one of her rank and ambition,  
When all her attendants had got the night free.

# RECENT DEATHS

## Death Of Mr. Tom Tobin

It is with the deepest regret that we record the death of Mr. Thomas (Tom) Tobin, 18 Parkview Drive, Greystones, Limerick which took place after a period of illness at Limerick Regional Hospital on Thursday, September 21.

Son of the late John and Mrs. Tobin, Shandon, Dungarvan, Tom first worked as a young man in the clerical department of the local Dickens Leather Company before taking up photography and turning to journalism. He began his journalistic career with the "Dungarvan Leader" and during the ensuing years he became well-known for his "Spotlight On The Unknown" column in the "Leader." Subsequently he started up on his own by publishing the pictorial "Waterford Gazette" but when this failed, he became a free-lance journalist, contributing to a number of newspapers and journals.

He then went to Limerick and served for a period as Editor of the "Limerick Leader" and "Limerick Chronicle" before he joined the Publicity Division of the Shannon Development Company. He also continued in his capacity as a free-lance journalist to contribute to a number of local papers including the "Dungarvan Leader" and worked also, for many years, as the representative in the Mid-West region for the national newspapers.

Apart from his widespread journalistic activities, Tom Tobin became noted as an outstanding photographer and his keen eye and ready camera were ever ready to record the Passing Parade of life. As a result he developed, down through the years, a huge library of wonderful pictures, many of which have appeared in our "Remembering Other Days" in recent years — a series which he did much to encourage.

### TRIBUTES

In a tribute to Tom, Mr. Arthur Quinlan, Limerick,

Chairman of the South-Western branch of the National Union of Journalists said that he gave long and sterling service to the NUJ and was always foremost in his demand for the rights and proper working conditions for journalists.

On last Friday evening, a large and most representative cortege attended the removal of his remains from the Lynch Funeral Home to the Church of the Holy Rosary, Ennis Road, Limerick and at 12 (noon) on Saturday the spacious church was crowded for the Requiem Mass for his happy repose, celebrated by Very Rev. Canon Tynan, P.P., who was assisted by Fr. Irwin and Fr. John Daly.

Paying his tribute to Tom before the start of the Mass, Canon Tynan said that Tom Tobin had always been a most exemplary and supportive member of the parish and was ever ready to help in parish affairs. He referred to his outstanding journalistic ability and said that while he had suffered a great deal because of his own ill-health he was never given to self-pity as was evident in his wonderful article "My Fight Against Cancer."

"We cannot say," said Canon Tynan told the huge congregation, "that Tom Tobin died in old age (he was 63 years) but he now knows the peace and eternal rest which he so richly deserves."

Poignancy and solemnity were provided during the Mass by the singing of the hymns "Nearer My God To Thee" and "Panis Angelicus" and the playing of "The Coolin" on the violin.

Following Mass and the recitation of the final prayers, the funeral took place to Kilmurry Cemetery, Castletroy, where the interment was made.

Many old friends and acquaintances from his native Dungarvan travelled to Limerick to pay their last respects while the attendance also included many

public representatives including Michael Noonan, T.D., Willie O'Dea, T.D. and Pat Cox, M.E.P.

Immediate chief mourners — Kathleen (wife), John, Paddy and Tom (sons), Esther, Kay and Josephine (daughters), Paddy (brother), Mary and Ann (sisters), sons-in-law, daughters-in-law, grandchildren, brothers-in-law, nephews, nieces, relatives, etc., etc.

### COUNTY COUNCIL PAYS TRIBUTE

Members of Waterford County Council at their special meeting held in Dungarvan last Monday joined in paying tribute to the late Tom Tobin and in extending sympathy to his wife and family.

Cllr. C. O Riain proposing the vote of sympathy said that it was with regret that he heard of the death of Tom Tobin in Limerick and recalled that in years gone by Tom had been friendly with all members of the Council when he came to report the Council meetings.

Cllr. P. Cahill seconding the proposal said that he, too, was very sorry when he learned of Tom Tobin's passing.

Cllr. J. A. Walsh referred to Mr. Tobin's association with the "Dungarvan Leader" through his column "Spotlight On The Unknown" and Cllr. B. Kynne said that when Mr. Tobin lived in Abbeyside, he had been living close to him in Murphy Place. He said that even when Mr. Tobin had moved to Limerick he always kept up his link with Dungarvan and Abbeyside and never forgot the old days.

The proposal was passed in silence with all members standing.

## Mr. Maurice (Mon) McGrath

The death of Mr. Maurice McGrath, Church Street, Dungarvan and Lisfennel, which occurred on Sunday, September 17 at the District Hospital, Dungarvan, was the source of much regret and sadness throughout the locality. His passing removes a member of one of our oldest families. Mon had reached his 82nd year and passed away peacefully in the loving care of Sr. M. Baptist and staff and his family.

Maurice was the last surviving son of John, late Borough Surveyor and Catherine McGrath, Lisfennel House. He was brother of the late Very Rev. Denis McGrath and Very Rev. John Canon McGrath and a nephew of Very Rev. Denis McGrath, Waterford and Lismore diocese and of Dr. Maurice McGrath, O.S.A.,

who was instrumental in the re-establishing of the Irish Augustinian College in Rome.

Mon was educated at St. Augustine's College (primary) and St. Colman's, Fermoy and UCD.

During the Spanish Civil War of '39, he served church and state in a military capacity and his friendship with General Franco was very much close to his heart.

A valued and esteemed member of the Southern Command, he retired some years ago as Commandant. A founder member of the local Credit Union, he took an active part in many projects to assist the needy and underprivileged.

He was very proud of his roots and locality and was only too glad to relate with family friends and acquaintances the social history of our town. He was keen on all sports and in his university days was the college bantamweight and took part with great success in many of the Inter Varsity boxing competitions.

We extend our deepest sympathy to his sisters, nephews, nieces, cousins, and relatives on Mon's passing.

On Monday evening Maurice's remains were brought from the hospital mortuary to St. Mary's Parish Church where they were blessed and received by Rev. W. Carey, C.C., assisted by Very Rev. G. Power, P.P., Rev. J. Kiely, C.C., Rt. Rev. Mons. P. Lannen, Rev. Fr. Hooper, O.S.A., Rev. J. Hickey, O.S.A., Rev. J. Gough, O.S.A., Rev. Fr. Ormonde, O.S.A., Very Rev. Fr. M. ## Mrs. Julia Greaney

With deep sadness and regret we write on the passing of Mrs. Julia Greaney, Knockaun, Cappagh, which occurred last Wednesday, September 20, at Padre Pio Nursing Home, Cappoquin.

Removal of remains took place on Thursday evening from Kiely Funeral Home to Ballinameela Church where they were blessed and received by Rev. M. O'Byrne, C.C. Interment took place on Friday after 11 a.m. Mass.

(Full obituary in next week's issue.)

(Funeral arrangements by James Kiely & Sons, Dungarvan.)

## Mr. Geoff Power

The death took place at the District Hospital, Dungarvan on Friday, September 15, of Mr. Geoff Power, 60 Cathal Brugha Place, Dungarvan.

Geoff was a very popular and well known figure and his death after a short illness was a cause of great sadness and gloom in the area.

Aged 52 years, Geoff was a native of Cappagh. He was son of the late Mr. and Mrs. Jack Power and brother of the late John Joe Power, Cappagh.

Geoff was a hard-working man all his life. He had a great interest and knowledge of gardening. Like his father before him, he loved music and dancing and was ready to give good fun whenever present at any function. Any place he went he left happiness behind. When a friend asked Geoff for a helping hand they always received two hands full of support.

Much of his spare time was given to the Dungarvan AFC where he helped with the younger boys and was very proud when the

All-Ireland cup came to Dungarvan earlier this year.

Chief mourners were his sisters Nancy and Kitty and we extend our sincere sympathy to them and his many relatives and friends.

On Saturday evening prayers were said in the mortuary by Canon G. Power, P.P., assisted by Fr. T. Rogers, C.C. and Fr. Jed McCarthy, Ballyhane (Home on holiday from Australia). A guard of honour by Dungarvan AFC flanked the hearse as his remains were received by Fr. Barron, P.P. and Fr. J. Gough, O.S.A.

Mass on Sunday was celebrated by Fr. T. Rogers, C.C. and the following clergy were also present: Fr. Barron, P.P., Fr. Purcell, C.C., Fr. Carey, C.C., Fr. Callanan, P.P., Fr. Hickey, O.S.A. and Fr. J. Gough, O.S.A. Appropriate hymns were sung during Mass by the choir of Dungarvan hospital with F. Kenealy as organist.

Interment took place in the adjoining cemetery and Dungarvan AFC members acted as pall bearers.

(Funeral arrangements by B. Walsh, Cappoquin.)

## Mr. Stephen Fleming

It is with deep regret we record the passing of Mr. Stephen Fleming, Ballyvoile, Stradbally, which sad event occurred at Ardkkeen hospital on Friday, September 22.

Removal was from Ardkkeen hospital on Saturday evening to Garranbane Church. Following funeral Mass on Sunday morning interment took place in the adjoining cemetery.

To his brother, family, relatives and friends we extend our deepest sympathy.

Full obituary in next week's issue.

(Funeral arrangements by Tom Drohan, Dungarvan.)

## Mrs. Bridget O'Brien

Deep regret was expressed at the death of Mrs. Bridget O'Brien, 8 Skehacrine Close, Abbeyside, which sad event occurred at the District hospital on Wednesday, September 20.

Removal was from Dungarvan hospital to Ballinroad Church on Thursday evening. Following Requiem Mass on Friday morning interment took place in the adjoining cemetery.

To her son Pat, family and relatives we extend our deepest sympathy.

Full obituary in next week's issue.

**TIDY TOWNS COMPETITION '89**

# Stradbally Was A Pleasure To Visit — Adjudicators

Stradbally which came joint second in the Category B (201-500 pop.) Overall Awards in this year's Tidy Towns Competition, just one mark behind the winners, Castletown, Co. Laois, was, according to the report of the Adjudicators, a village which it was a pleasure to adjudicate.

Scoring 180 marks out of a maximum 200, Stradbally also won the award for the best town or village in Co. Waterford.

Under the heading "Effort," the adjudicators allocated 38 out of 40, stating "Stradbally has progressed further in the competition and the environment is very much improved. It is good to note that the Social Employment Scheme is in progress in the village as this will allow larger projects to be undertaken. The village was a pleasure to adjudicate. Good luck for the future!"

For "Tidiness," 33 marks were allocated out of 35 and the judges remarked that the village was again litter free and looked very tidy.

Another 33 out of 35 was scored for "Presentation of Buildings" with the judges commenting that all build-

ings in the village were presented on a high standard. A minor exception was the school behind the church and an area around Baron Hall which needed some weeding.

Under the heading, "Natural Amenities," there was another 'pat on the back' for Stradbally residents with a score of 27 out of 30. Here the judges commented "flower displays, planted areas and green open spaces throughout the village are presented to the highest standard. Well done to all concerned! The Cove was well presented also and litter free."

The mark for "Approach Roads" was 33 out of 40 and some were obviously lost under this heading because of the overgrown appearance of the verge on the road by the church while the elimination of potholes in the village was

also recommended as was the reinstatement of the footpath along the Kilmac-thomas Road.

With a mark of 16 out of 20 under the heading "Residential Areas," the judges stated: "The majority of houses in Stradbally look well. A few remaining boundary walls are in need of attention. There are a number of well presented gardens and these are commended as they enhance the overall appearance of the village." The judges recommended further development of the green open space behind the housing estate near the library and also an improvement in the presentation of the G.A.A. Club House and boundary walls for next year.

Stradbally's total score

came to 180 as compared to 173 last year.

Congratulations indeed to all concerned.

Evidence of arrest and charge in the first case was given by Det/Gda John Molloy and in the second by Tim Murphy.

charges until he was brought to Court.

## Too Much Red Tape!

Cllr. Paddy Cahill made a call at the September monthly meeting of Waterford Co. Council to do away with all the red tape involved in applications for planning permission.

"There is far too much red tape where these planning applications are concerned both at local and national levels and we should call on the Department of the Environment to do away with a lot of it altogether," he said.

# TALLOW NOTES

## TALLOW G.A.A. NOTES

**U-21 F.C. (B) St. Olivers 0-8, Tallow 1-3** — Our U-21 footballers bowed out of the championship on Saturday last in Lismore when losing to St. Olivers by 2 points. Having to field without five regulars it was practically a minor team we fielded except for about five. St. Olivers led by 0-4 to 1-0 at half time the goal coming from Martin McCarthy after being set up by Seamus O'Brien. St. Olivers kept their noses in front all the way to the finish though the lads kept plugging away to the end.

Team: Jimmy Fitzgerald, Colin Cunningham, Eamonn Cunningham, Gary Ahearne, Dan McGrath, Michael T. Cunningham (capt.), Paul McDonnell, Clive Barry 0-1, Denis O'Flaherty 0-2 (frees), Martin McCarthy 1-0, David Henley, John Doyle, David Doyle, Seamus O'Brien, John Beecher. Subs: Connie Henley and Ian McIntosh.

The club wish to congratulate Rev. Dr. Sean Cotter on his appointment as President of St. Colman's College, Fermoy. Rev. Dr. Sean is Vice President of the Tallow G.A.A. Club. His many friends in Tallow G.A.A. extend congratulations for the fitting honour for all his hard work.

A vote of sympathy is extended to the Henley family, Dungarvan on their recent sad bereavement. (P.R.O.)

## BRIDE VIEW UTD. F.C. NOTES — TONY BOLGER CUP

**United Advance To Semi-Final — Bride View Utd. 7, Carriglea Rovers 3** — United qualified for the semi-final of the Tony Bolger Cup when they had a convincing win over Carriglea Rovers on Sunday morning last.

Bride View opened the scoring after just 4 minutes when Mickey Curley got his first of five goals. Mickey Curley added further goals in the 11th, 22nd and 43rd minutes. In between, United's midfielder Gerard Hogan scored direct from a free kick in the 16th minute and David Henley was United's other scorer in the 14th minute.

We sat back on this big lead in the second half and left Rovers back into the

game. Rovers struck in the 56th and 69th minutes, but again Curley struck back for United when Brian Henley put him through in the 74th minute. Rovers rounded off this high scoring game with a goal in the 89th minute.

This was a powerful display from the Tallow boys especially in the first half even if they failed to match that display in the second half. United were short keeper Kevin Tobin, left full Ger Sice, midfielder Paul Curley and winger Dermot Henley due to holidays and injury so overall, manager Mickey Curley, can feel pleased especially with Pat Sullivan's display in midfield. With a full fit squad available it will be interesting to see what 11 players will line out.

United: P. Prescod, T. McCarthy, M. Hartnett, S. Curley, P. Sheehan, P. Sullivan, C. Curley, G. Hogan, B. Henley, M. Curley and D. Henley. Res. M. McCarthy.

**Speedy Recovery** — The club wishes a speedy recovery to injured players Ger Sice and Dermot Henley.

**Munster Junior Cup** — Our date with St. Saviours in the above Cup is October 15th. The manager of St. Saviours, John Keane was a visitor to Tallow on Sunday morning last looking over the Bride View Utd. boys.

**Tony Bolger Cup Semi-Finals** — Killeagh v Cappoquin in Tallow at 3 o'clock. Bride View Utd. v Youghal in Ardmore at 11 o'clock. Both of these semi-finals take place on Sunday next.

**MRS. NORA EARLY** (Nee O'Keefe) Kilcronat

and Bolton. R.I.P. — Much sadness was evoked in the district recently on hearing of the death of Mrs. Nora Early, Bolton, England. Formerly Nora O'Keefe, 4th eldest daughter of the late Denis and Ellen O'Keefe, Kilcronat, Ballynoe, one of a family of 12 who were held in high esteem in the parish, she worked for sometime in the locality and was always regarded as a thorough and honest employee. She emigrated to Bolton, England many years ago and having married, she and her husband reared a family of seven, and to them now and her husband we extend our sincere sympathy and also to her sisters and brothers, aunt, nieces, nephews, relatives and friends. Solus na bhflaitheas da h-anam uasal. Interment took place in Bolton last Tuesday.

## ST. CATHERINE'S G.A.A.

**St. Catherine's 2-10, Youghal 2-3** — This was our Junior B Grade hurlers' finest hour as they strode to victory over a good Youghal 15 in the East Cork Divisional Final at Castlemartyr last Saturday afternoon. From the moment John Motherway of Aghada threw in the ball to the final blast of the whistle those two teams fought out the issue resolutely in an uncompromising but sporting manner. A great first half display left Catherines in front 2-6 to 0-2 at the break. Despite a great Youghal fight back we held on to win comfortably.

Catherine's lined out as follows: P. Murphy, J. Hartnett, J. D. Cotter, B. Neville, E. Hartnett (capt.), P. J. Lonergan, J. McCarthy, J. Spillane, K. Barry, M. Walsh, M. Mangan, D. Buckner, P. Leahy, D. Walsh, P. Ahern. Subs used: E. Galvin, B. Sheehan, A. Clancy. Also T. O'Leary, J. Hennessy, F. Hayes.

John Hennessy, Chairman of the East Cork Board G.A.A., presented the trophy to E. Hartnett, captain, and praised both teams for an exhilarating and clean contest, something desired very much in the division, and the man of the match award was given to Denis Walsh.

**U-14 Divisional Hurling League Semi-Final** — Immediately after the junior final at Castlemartyr last Saturday the spectators were treated to a brilliant display of the code between those great exponents Youghal and St. Catherine's who have met on previous occasions and as the saying goes "only a puck of a ball between them", and this game was no exception. Youghal had the advantage of 2 points at the break but after a close

second half the sides finished on level terms. Tommy Geary, Fr. O'Neill's, referred.

Catherine's team was: Michael O'Brien (goal), Gerard Lynch, Richard Cotter, Brendan Noonan, Kevin O'Connell, David O'Connell, Jim Lane, Johnny Sheehan, Michael Hegarty, Martin O'Keefe, Kieran Morrisson, Brian Cotter, Michael Dorgan, Desie Lucey, Paul O'Connell. Sub. Oliver Lynch.

**U-13 Hurling Championship at Dungourney** — This game in the U-13 championship which is played in the league system was played at Dungourney last Sunday morning against the local lads. Catherines were early on the offensive here and in contrast to their opponents were soon on the offensive and chalking up spectacular scores in both halves and they finished with a fine win 6-9 to nil.

Club £1,000 Draw — £400: Mrs. Peggy Fitzgerald, Lisnabrin, Curraglass; £100: Maurice O'Connor, C/o John D. Cotter, Ballynoe, and Mrs. Margaret O'Connell, Kilphibbeen, Ballynoe; £50 each to Pat O'Leary, Thornhill, Conna; Mrs. Catherine Casey, Shanakiel, Curraglass; Ian and Orla Hegarty, Ballymounteen, Ballynoe; Nuala O'Brien, Ballynoe; Edmund Galvin, Lacken, Tallow; Brendan Murphy, Castlelyons. £25 to the following: Jimmy Sheehan, Ballynoe; Billy Carr, Curraglass; Mrs. Maureen Neville, Ballyknock, Ballynoe; Fiona O'Leary, Thornhill, Conna.

The next draw which will be the second last one will be on the 16th of November.

A cheque for £500 was won, along with a trophy by Ardmore Tidy Towns Committee for taking part in this year's Cleanwatch competition. This competition was launched in 1988 by Mr. Rory O'Hanlon, Minister for Health.

The prize is presented by the Minister for Health in each of the Tidy Towns categories to the town which obtains the highest standards for food and hygiene in its food and catering outlets, thereby showing total commitment to 'Cleanwatch'.

Ardmore is grateful to the local food and drink outlets (hotel, restaurant, pubs, guesthouses and shops) for the success in this competition and for displaying 'Cleanwatch' stickers.

Regarding the Tidy Towns competition Ardmore received the highest ever marks this year, alas one point short of victory. The Ardmore committee send warmest congratulations to Stradbally on their victory.

# CAPPOQUIN NOTES

## DEATH OF MRS. EILEEN O'LEARY (NEE McGRATH)

We record with much regret the death of Mrs. Eileen O'Leary (nee McGrath) of Nanuet, New York and late of Boherboyrea, Cappoquin. Mrs. O'Leary who was on holiday in Ireland for two weeks with her daughter Tena and an American friend, died suddenly at Cappoquin on Friday, 15th Sept., 1989.

Eileen was born at Boherboyrea, Cappoquin 82 years ago (one of a family of 15 children, she emigrated to the U.S. while still a young girl). She was indeed very well remembered here as she and her late husband Denis O'Leary (native of Kerry) made many trips to their native land. She is survived by her children: John O'Leary, Peggy Kissane, Tena Lund, Geraldine Greys, all of New York State, and Sheila Krumenacker, of Connecticut. She had 21 grandchildren and 3 great grandchildren. Brothers: Ned McGrath, Mallow; Frank McGrath, London; Michael McGrath, Chicago. Sisters: Madge Cribben, New York State; Kitty Lonergan, Newcastle, Co. Tipperary; Roseanne Hennessey, Waterford; Terry Conroy, Dublin, and Josie Tynan, Liverpool. She was daughter of John and Margaret McGrath (now deceased).

It is over sixty years since

she left for the States with her sisters Lizzie Murphy and Bridie O'Sullivan and her brother Jim (all deceased). The deceased members of the family are: John McGrath, Boherboyrea; Thomas McGrath, Tourin and Mary Nolan, Dublin.

Her remains enclosed in an American style casket lay in repose at Ryan's Funeral Home, South Mall, Lismore for six days prior to removal privately to Shannon airport for transit to New York for burial with her husband Denis. Mass was celebrated at Mt. Melleray on Sunday, 17th September. Mass was also offered on the morning of the removal of the remains to Shannon. Rosary was recited at the funeral home on the evening prior to removal by Fr. Lloyd, C.C. Cappoquin, when very many relatives and friends gathered to bid a last farewell.

(All arrangements in connection with the funeral and removal to the U.S. were made by Maurice J. Noonan and Son, Funeral Directors, Cappoquin, Co. Waterford. Tel. (058) 54317 and 54044.)

## CAPPOQUIN/AFFANE G.A.A. NEWS

**Record Gate** — Last Sunday's matches at the Sportsfield yielded a record gate with receipts of £4,323. However some people think the host club gets the lions share of the gate. How wrong they are — to set the record straight Cappoquin/Affane's share of last Sunday's gate was £241. Let us hope this information will enlighten the public as local club members who collected were subjected to tremendous criticism over the charge for the game which is beyond the club's control.

**Gate Collection Rota** — On gate duty this week 24th-30th Sept. are T. McCarthy, Ml. Ormonde, J. Coughlan.

Gate collectors for next week, 1st-7th October will be D. McCarthy, S. McCarthy, J. Fraher.

## U-16 Footballers

**Progress — Affane 1-4, St. Olivers 1-2** — Our U-16 footballers continue their fine winning sequence. In terrible wet conditions at Modeligo on 18th Sept. they scored a narrow victory over St. Olivers and in truth there was room for improvement on this performance. The heartening fact here was that 23 players turned up for this match. Our scorers were Conor Prendergast (0-3), D. Cullinane (0-1), Miceal Croke (1-0).

Team: R. Curran, M. Dransfield, K. Wilkinson, A. McCarthy, K. Mason, D. Cullinane, P. Manahan, M. Lacey, C. Cullinane, C. Prendergast, M. Croke, A. Gilligan, G. Reddy, T. Stapleton, D. Morrissey. Subs: J. Fleming for T. Stapleton, F. McLoughlin for A. Gilligan.

**Affane 4-4, St. Patrick's 0-2** — The U-16 squad played with great spirit here and by virtue of this win have now qualified for the Western semi-final against either The Nire or Naomh Brid. Our scorers were Dean Morrissey (4-0), A. Gilligan (0-2), C. Cullinane and G. Reddy (0-1 each).

Team: R. Curran, J. Fleming, M. Dransfield, A. McCarthy, K. Mason, S. Cullinane, P. Manahan, M. Lacey, C. Cullinane, C.

Prendergast, M. Croke, A. Gilligan, G. Reddy, K. Wilkinson, D. Morrissey.

## UNDER 12 FOOTBALLERS WIN

Our U-12 footballers continue to surprise with another well deserved victory over The Nire last week. These lads are making steady improvement and are still willing to learn. Their next game will be in Ardmore next Sunday evening at 6.30 p.m. where they play the home side, who will provide stiff opposition indeed. But our lads will not be beaten easily. I would appeal to parents and adult members of the club to come along to the under-age games and give the youngsters encouragement. Remember they are the players of tomorrow.

## TRAINING

The under-age training has brought smiles to selectors Seamus McCarthy, Anthony Prendergast and Ml. Fraher. All U-16 players are putting in a tremendous effort with a great turnout every Wednesday and Friday nights. The fruits of training are reaping rewards as the team has qualified for the Western semi-final.

The same can be said of the U-12 squad which can boast of 39 players. It is a real headache for selectors J. J. Scanlan and E. O'Shea here to pick the side such is the competition for places.

It really is great to see this progress made at under-age level. The club for next year will be making and extra special effort to promote hurling among the youth of the town. We hope that we can enlist the help of teachers, parents and ex-players for this important promotion.

## TAVERN BOWLING TOURNAMENT

Sunday, October 1st at 10.30 a.m., Lar Dunne, J. Callaghan, Joseph Geary. Final October 15th, Richie Ryan Bowling Tournament. Sunday, October 8th at 10.30 a.m., Lar Dunne, Tom Farrell, John Maher.

## SCOUT NOTES

Summer Camp, August 20th To August 31st — Summer Camp was held this year in the historical grounds of Dunboy Castle. On Sunday 20th after Mass and with all gear packed we headed off for Castle-townbere under our leaders John Meskill and John Cahill. We were joined during our stay by John Peppard and the bus which was a God's help. On arrival at our destination all hands were set to the square rigging and we set up camp and got settled into the area. Monday morning saw us up bright and early and after breakfast saw us set up patrol camps. During our stay we

had a bike hike to Dursey Island. The only island with a cable car in Ireland. On Monday night leader John Cahill and the senior scouts had a survival night on beautiful Bere Island and were joined the following day by the remainder of the troop. They also took part in the following projects-map reading, orienteering hikes, saunas and swimming. The young scouts really got into the hang of things after a few days and everyone enjoyed this year's summer camp in beautiful West Cork.

We would like to thank our Quarter Master, Rodger, who had our equipment up to scratch and everyone who helped to make this summer camp such a wonderful success.

All sections of the unit will re-open on the first week in October.

## LECTURE

Villierstown Church was the venue last Friday, September 21st for a lecture on the history of Coshmore and Coshbride. Mr. James Villiers Stuart introduced the speaker, Monsignor Michael Olden, who is a distinguished son of Cappoquin.

Fr. Olden gave a fascinating talk, bringing the past to life in places well known to everyone in the audience. Did you know that St. Declan was born between Cappoquin and Lismore long before the time of St. Patrick and that saints and scholars walked the Bothar Naomh from Lismore to Ardmore crossing the River Blackwater below Villierstown, a thousand years ago? He spoke of the monastic settlements at Dailnis (Molana) and at Lismore where thousands came and monks wrote the famous "Book of Lismore". He described also how there lived here men who with sword, or pen, moulded on more recent history, such great figures as the Earls of Desmond, or the Boyles; and intermingled from earliest times were many, many monastic settlements and colleges of learning which contributed to giving Ireland the title of "Island of Saints and Scholars".

After an interesting session of questions and answers Mr. Billy Arrigan thanked Fr. Olden for a most entertaining address and the evening concluded with refreshments provided

Question: Surfin' U.S.A., I Get Around and Barbara Ann were all hits for what group.

## Dungarvan Lions Club Notes

Reports of the success of the Lions Week in Mosney Holiday Camp, and messages of thanks from our Senior Citizens who were there, are still coming in. This is a very successful venture each year and our Club are very pleased to be in a position to provide some happiness for our neighbours in the evening of their lives.

However, this undertaking together with the many other projects which our Club take part in throughout the year costs a good deal; so we have no option but to appeal to you, our

very generous public, for your continued very valuable support in the future.

In any of our fund raising activities we always strive to give value for money. We will continue to do so, and with this in mind we highly recommend the special treat we have in store for you at our Annual Hal-lowe'en Cabaret, on Tuesday, 31 October, 1989. This year we are breaking new ground and holding the Cabaret in the New Hotel in Clonea.

Tickets at only £5.00 each must be the greatest value in town are now available from any Lions Club Member, Arch Fashions, Main Street; Matt Connolly, Main Street; Richard Dalton Jewellers, Main Street; Trustee Savings Bank, The Square. See next week's issue for further details. (P.R.O.)

# IN MEMORIAM

**AHEARNE** — Eighth Anniversary — In ever-loving memory of dearest Greta, late of Monastery Lodge and 22 Main Street, Dungarvan, who died on September 28, 1981. R.I.P. Masses offered.  
Greta, when I am sad,  
And tears are in my eyes,  
And I try to figure out the wherefores  
And the whys.  
My thoughts are a tribute of love to a sister so very dear,  
So close to my heart each day of the year,  
Loving thoughts of our time together,  
And loving memories that will last forever.  
(Composed by your ever-loving sister Terry.)  
(Inserted by Terry and Jimmy, Paddy and Ada.)

**COWARD** — Sixth Anniversary — In loving memory of my dear mother, Ellie Coward, late of 6 Congress Villas, Dungarvan, who died on September 30, 1983. Mass offered.  
As time goes by without you, Mam,  
And days turn into years,  
They hold a million memories,  
And many a silent tear.  
I will never cease to love you, Mam,  
I will never cease to care,  
For you are always in my heart,  
And will stay forever there.  
(Never forgotten by her loving son Monnie, daughter-in-law June and grand-daughter Helen.)

**COWARD** — Sixth Anniversary — In loving memory of my dear mother, Ellen Coward, late of Congress Villas, Dungarvan, who died on September 30, 1983. Our Lady of Lourdes pray for her.  
In our hearts you will always stay,  
Loved and remembered every day.  
(Sadly missed by your loving son Locky, daughter-in-law Kathleen and grandchildren and Jonathan and Coife.)

**COWARD** — Sixth Anniversary — In loving memory of my dear mother, Ellen Coward, 6 Congress Villas, Dungarvan, who died on September 30, 1983. R.I.P.  
Forgive me today while I silently weep,  
For a mother I loved and so wanted to keep,  
I miss you more, mother, more than anyone knows,  
And as time passes the emptiness grows.  
It isn't what I write, or even what I say,  
It's the way I feel inside, mother, when I think of you each day.  
(Sadly missed by your loving daughter Rita, son-in-law Martin, grandchildren Julie and Martin, great-grandchildren Keely and Lea, London.)

**FINN** — Fourth Anniversary — In memory of Sean, Springmount, Dungarvan, who died on October 5, 1985. Masses offered.  
To a beautiful life came a sudden end,  
He died as he lived, everyone's friend,  
Friends may forget you, now you are gone,  
Never shall I, no matter how long.  
(Your loving wife Mollie and step family.)

**LENIHAN** — Fourteenth Anniversary — In loving memory of Michelle Lenihan, late of 50 Murphy Place, Abbeyside, who died on October 3, 1975 (aged 5 years). R.I.P.

Time may hide the sadness,  
Like the smile that hides the tears,  
But precious memories keep you close,  
Despite the passing years.

(Sadly missed by Mam, Dad, sister, brother, relatives and friends.)

**O'CALLAGHAN** — Ninth Anniversary — In loving memory of our dear son, John, late of Newport, Youghal, who died on September 26, 1980, aged 8 years. R.I.P.

We miss you more than anyone knows,  
As each day passes, the emptiness grows,  
The tears we shed will wipe away,  
But the ache in our hearts will always stay.  
The angels sang "Amazing Grace,"  
The Lord came down and touched your face,  
Then He whispered soft and low,  
Come with Me, it's time to go.  
Although we smile and make no fuss,  
No one misses you more than us.  
A tribute of love to a son so dear,  
So close to our hearts each day of the year.  
Loving thoughts of times together,  
Loving memories that will last forever.  
In God's care you rest above,  
In our hearts you rest with love,  
No longer in our lives to share,  
But in our hearts you are always there,  
Your memory is our greatest treasure,  
To love and to cherish forever and ever.

(Always remembered by your loving Mam and Dad.)

**O'CALLAGHAN** — Ninth Anniversary — In loving memory of my beloved brother, John, late of Newport, Youghal, who died on September 26, 1980, aged 8 years. R.I.P.

A lot in life has altered,  
A lot in life is new,  
But the things in life that never alter,  
Are memories of you.  
It isn't what we write,  
And it isn't what we say,  
It's how we feel inside,  
When we think of you today.

(Always remembered by sister Mary and brother-in-law Pat.)

**O'CALLAGHAN** — Ninth Anniversary — In loving memory of my beloved brother, John, late of Newport, Youghal, who died on September 26, 1980, aged 8 years. R.I.P.

It brings back a day I cannot forget,  
Time moves on, but memories stay,  
You are always remembered, but especially today.

(Always remembered by your loving sister, Esther.)

We urgently need new members if this programme is to be realised, especially altos, tenors and basses. Feel free to call in next Monday night to sample the fuss and joy that singing can bring.

## Dungarvan Scouts

### 21st

#### ANNIVERSARY

The 11th Waterford Scout unit was founded way back in the 1930's, exactly what year no one knows. Over the years it was disbanded and reformed on several occasions. In 1968, Mr. Jack McCarthy, N.T., reformed the unit and it has been going from strength to strength ever since.

This year it is celebrating its 21st anniversary since it was reformed in 1968 and to mark the occasion a social will be held at the beginning of November in Lawlor's Hotel, so make a date. Tickets will be about £12.

Mass parades will be held on the first Sunday of each month to 10.30 a.m. Mass. All scouts and cubs are expected to attend, on time and in full uniform.

Thanking the Council for their congratulations, Councillor Cunningham said that the result for Stradbally had been achieved through hard

### CYCLING

## Sean Kelly To lead P.D.M. Team In Nissan Classic

P.D.M., the world's leading professional cycling team, have announced their line-up of the Nissan International Classic (September 27th - October 1st.)

Team leader Sean Kelly will be seeking his fourth Nissan Classic title. Kelly, 32, made cycling history

when he won a record fourth Green Jersey in the recent Tour de France. His other achievements this year include a classic victory in the Liege-Bastogne-Liege in April, a stage win in Dauphine Libere in June, a bronze medal in the World Professional Road Championship in August as well as recent victories in races in Austria and West Germany. He is currently leading the Perrier World Cup series.

Also on the team will be Dubliner Martin Earley, Kelly's ever faithful lieutenant, who has now established himself as one of the top professional cyclists in the world. Earley won a stage on the Tour de France this year and he was 7th in the World Championships. He also wore the leader's Yellow Jersey for two days in the Kellogg's Tour of Britain.

Note: Stage 4 of this year's race will bring the cyclists from Cork through Youghal and Dungarvan (arrrox 12.18) and Waterford to Kilkenny on Saturday next, Sept. 30.

## Dungarvan Sea Angling Notes

Sunday should have a lot of excitement in store as this, our last competition for 1989, will determine the Master Angler 1989 and the Lady Angler 1989 for Dungarvan SAC, both of whom are entitled to represent the club in their respective categories at the nation-wide events.

The "fish for all day" competition, which originated and was instigated by the Dungarvan SAC, will also be held this weekend and is part of and will be determined by Sunday's greatest points.

The main event is the Anchor Bar Perpetual Trophy, sponsored by Shanley's.

I hear that the O'Donovan's in Abbeyside are celebrating the engagement of Gerry to Maeve McCabe. The club wishes them well.

Some of our friends from Mumbles called here on Saturday and will be looking for numbers soon, so we'd be obliged if interested parties would inform the committee.

Let's have a large entry and get the names in early.—PRO.

## MINNIES SQUASH CLUB NOTES

### DUNGARVAN CLOSED SQUASH CHAMPIONSHIPS

It has been agreed between the squash clubs of Minnies and Dungarvan Crystal that it would be a tremendous idea for local squash if, between the two, we held our own singles championships. Below I have some information from the meetings held by the joint committee.

Objective — (1) To have a Dungarvan closed squash championship between all the squash players of the Crystal and Minnies; (2) that all players — women, men and boys and girls — compete; (3) that all grades will be selected as fair as possible (what this means is when all the entries are received the joint committee will grade each as fairly and as honestly as is possible).

When and Where: (1) Date has to be arranged; (2) it is hoped to be played over four weekends, with the finals on the fourth; (3) they will be held at the Crystal and Minnies courts ('they' meaning all games).

Funds For Same: (1) On Sunday, October 8, a sponsored cycle race from John Foley's, Kilrush Service Station via Whitechurch and back will be held; (2) sponsor cards for members of both clubs are available from committee members; (3) if any local business or

individual would like to sponsor a grade, please come forward and give your name to any of the two clubs.

Fee: (1) The entrance fee for the closed is £5 for adults and £1 for our underage boys and girls (under 12, 16, 19); (2) for the £5 all competitors will receive a ticket for a disco and buffet which will be held in conjunction with the prize presentation night; (3) the boys and girls finals plus presentation of prizes will be held on a separate weekend.

### OTHER NEWS!

By the time you read these notes our selection committee of Maurice Walsh and Tommy Butler should have had their first sitting of the season and hopefully (unless they are still sitting) have our first tournament — The Baumann Jewellers team event picked (or should I say drawn).

The date for the Minnies Open has been decided. This year later than usual it falls on January 26-27-28 (1990).

The Allrounder Ladder closes for entries next Tuesday, October 3 at 8 p.m. with the matches scheduled to start from the following Monday, October 9. Don't forget this year's event is in two parts (before and after Christmas) with prizes awarded

for first and second up to Christmas and up to the end of part 2, which should be end of March/April. The fee is £4, which covers both ladders and if you get tired, disheartened or fed up after part one you can withdraw without causing any problems. Our ladder organisers this year are Joe Mulcahy and Anne Hennebry.

Booking sheets will go up on the noticeboard at 6 p.m. every Wednesday (2) with the other two appearing on Thursday nights at 8 p.m. Our man in charge of this is Pat O'Brien.

### YOUTHS

Our youth coaching is now back in full swing on Sunday nights from 6 to 7.30 p.m., under the watchful eye of Fiona Fitzgerald. On my notes finding mission last Sunday there was surely thirty or forty bikes parked along the front of the building (who said squash is a dying sport). If any adult members are free on Sunday nights, I'm sure Fiona would be delighted with some assistance.

The Munster Junior Closed takes place in Cork City from Friday, October 13 to Sunday, October 15. The age groups are u-12, 14, 16, 19 (boys and girls). Entries close October 3. If any youths are interested in travelling, please notify one of the committee.

## CAUSEWAY TENNIS CLUB NOTES

### AN EYE TO THE FUTURE

As the season ends, we in the Causeway Tennis Club have an eye to the future, with special emphasis on

juniors and beginners. New faces appeared in the winners enclosure at our recent under-10 tournament run by Jack Veale. Boys finalists were Donal Considine and Shane O'Sullivan, with Donal proving stronger on the day and winning a cup for his good result. Well done boys.

In the girls, Gillian Dalton met Aoife Carthy in the final and after some very good tennis from the girls, Gillian took the title. Well played to all who took part.

### MAGNIFICENT MATT DOYLE!

Twenty-four of our juniors were selected by the Munster Council to mingle with a south eastern contingent in St. Anne's, Waterford City. Matt Doyle, acting in his new role as National Coach, was there to assess the standard and perhaps to put his eye on any particular talent. The weather could have been more clement for the players involved, but hopefully more opportunities for our interested players will result from the experience.

Representing the Munster Council were Alicia Browne and Ruth Byrne, with Lucy Ryan, President of the Munster Branch of the ILTA, travelling from Limerick for the event.

### NEWS ITEM

St. Anne's will be staging their first veterans tournament ever in October and are hoping for a large entry, especially from the veterans here. So throw away the crutches and up the number of tablets to be ready for the big game!

### COACHING

Frank Delaney has started his coaching programme in the weather-safe Sports Centre. This will continue until Christmas.

### COUNTDOWN TO A.G.M.

The next few weeks bring us downhill but only time-wise to our A.G.M. on Tuesday, 10th October. Sandwiched between now and then, we still have plenty of activity.

Don't Forget — Official switch-on of new floodlights on Tuesday, October 3rd at 8 p.m.

At a Labour Party function in Lawlor's Hotel, Dungarvan on Thursday night last, a presentation was made to Brian O'Shea, to mark his recent election to Dail Eireann. Also included in the group above are Mrs. Eileen O'Shea and Cllrs. Billy Kyne and Paddy Power.

# DUNGARVAN UNITED A.F.C. NOTES

## DIVISION 1B LEAGUE

### DUNGARVAN 2 KILMAC' 2

The Blues collected their first league point at Kilrush Park on Sunday evening last after an entertaining encounter with neighbours Kilmac'. Both teams started nervously and the visitors almost went ahead in their first attack when Whelan's weak back pass was picked up by Kiely but McGrath was out quickly to avert the danger. At the other end M. Sheehan broke through the Kilmac' defence and his chip easily beat the advancing 'keeper, but drifted just over the bar. With both sides committed to attacking football the action was fast and furious with plenty of goal-mouth incidents to keep the crowd happy. The visitors went ahead after twenty minutes when a right wing corner was cleared to the edge of the area and the winger gave McGrath no chance with a great volley.

Although a goal in arrears Dungarvan were playing good football and they won a free kick on the edge of the box but Ber Whelan's effort lacked power and the 'keeper easily saved. Dungarvan almost restored parity minutes later when G. Beresford and M. Sheehan combined to put B. Sheehan clear but his shot was parried by the 'keeper and M. Houlihan struck the rebound just wide. Dungarvan broke through for a deserved equaliser three minutes from the break when M. Houlihan dispossessed the full back and slipped the ball past the advancing 'keeper.

The second half continued in the same vein as the first with both teams striving for the winner and it was Kilmac' that got the break mid-way through the half. A good run by the centre forward took him into the box where he was fouled, but the ball broke kindly for the winger whose shot hit the post, but the referee to everyone's amazement awarded a penalty from which the sweeper duly scored. Despite this set back the Blues refused to accept defeat and were back on parity shortly after. M. Houlihan won possession thirty yards out, cut inside two tackles and unleashed an unstoppable shot that flew high into the net.

In the final five minutes Dungarvan had two good chances to clinch the points. "Dinger" Kenneally made a great run through the middle and as the keeper advanced he calmly chipped the ball over his head only to see it come back off the crossbar. In the final minute a great ball

from G. Beresford put B. Sheehan clear but his flick flew just wide of the far post.

Team: B. McGrath, G. Hamilton (capt.), M. Donnelly, G. Beresford, B. Whelan, J. Hughes, D. Crotty, M. Houlihan, T. Kenneally, M. Sheehan, B. Sheehan, Res. J. Wall.

Ref. Gene Roche.

## DUNGARVAN UNITED SCHOOLBOY U-16

### VILLA 3 DUNGARVAN 2

Last Saturday saw the Blues lose their first game of the season when they were defeated 3-2 by the Villa. Dungarvan playing against a strong wind in the first half were put under a lot of pressure and but for some good defending and some brilliant goal keeping by Niall Considine, who took over between the posts when Alan Landers failed a fitness test before the game, kept the Villa attack at bay.

Twenty minutes into the first half saw the Blues take the lead with a great goal from D. Whelan albeit against the run of play. With a bit of luck the Blues might have made it two nil when a great effort by A. Moore beat the keeper and went just wide of the target. But just before half time disaster struck for Dungarvan when P. Drummy and Niall Considine clashed in the penalty area and the ball fell kindly for a Villa

striker who made no mistake, to leave the score one all at the break. It was also the end of the action for P. Drummy who was stretchered off the field and taken to hospital but thankfully the injury wasn't as bad as was first feared.

The second half started with D. Whelan moving to sweeper and Aidan Landers coming in to midfield. Dungarvan again took the lead with a clever lob from D. Fleming, but from then on the Villa took control and scored twice in the second half to leave the final score 3-2 to Villa. Thanks to M. Cowming and Aidan Landers who toggled off for this second match of the day. Well done lads.

Also we would like to thank the Villa officials for their help when Pa Drummy was injured. They were brilliant and a credit to their club and football in general. Thank you.

## BLUES HUMILIATED

### Dungarvan Utd. 1 Seaview 7

Our 2B side suffered a disastrous defeat at the hands of Seaview on Saturday last, losing by seven goals to one. To rub salt in the wounds the game was ended after only 75 minutes. This was a dismal performance by a Dungarvan eleven who were a shambles from start to finish. The Blues were behind after only 2 minutes when a terrible mix up in the de-

fence let Seaview in. For the rest of the first half the Blues were unable to kick a ball straight and it was a miracle they were not five down by half time. Amazingly Dungarvan equalised just before half time when J. W. Power's shot was deflected into the net. A half time score of 1-1 was a miracle that challenged the parting of the seas.

Dungarvan started the second half in terrible fashion going 2-1 down after only one minute. The Blues could still put no impact on the game and 10 minutes later found themselves 3-1 down. Seaview were now walking through a Dungarvan midfield which was non-existent and a defence which contributed more to the Seaview attack than they did themselves. The third goal was closely followed by a fourth and a fifth, all of which came from Blues' mistakes.

The closest Dungarvan came to scoring was a good shot from K. Wall which went narrowly wide. With fifteen minutes to go Seaview had got their seventh and the referee decided to call it a day. While not being didactic or facetious in any way this was a performance of depressing proportions which surely can only be improved.

Dungarvan: P. Mulcahy, J. "Dixie" Power, D. Deegan, A. Donnell (1), D. Hayes, D. Jordan, J. W. Power, J. Foley, P. J. Drummy, K. Wall, J. Power.

Man of the match: Pat Mulcahy.

# Munster Senior League Commences

The Munster Senior League commences on Sunday next as the top clubs in Munster battle for the prestigious Country Club Hotel League title. Local club, Dungarvan United will compete in the Premier division of the senior league with Avondale, Rockmount, Midleton, Tramore Athletic, St. Marys, Casement Celtic, College Corinthians, Mallow, Cobh Ramblers Reserves, Crofton Celtic and Everton.

The strength and competitive nature of the premier division can be assessed by the quality of the teams in the first divisions such as Cork City Reserves and Limerick City Reserves.

Dungarvan will field a new look team in their first game at home to Rockmount. Seven of last season's successful youth side are in the squad while three players have moved up from the club's second team. With a side lacking in experience, team managers John Walsh and Kealan O'Neill will face a very difficult task in the league and popular opinion is that Dungarvan will fill one of the two relegation spots come the end of the long campaign. Hopefully, all the players will show enough pride and commitment to ensure that the Blues enjoy a successful season.

of three new players from Cobh Ramblers. All three figured prominently on Ramblers League of Ireland team last season. Rockmount are probably best remembered for their marvellous run in the FAI Cup in 1987 when they lost 2-0 to Dundalk in the quarter final. Last season they again reached the stage where the League of Ireland clubs enter the fray but were beaten 1-0 by Ulster Senior League side Cudaff.

Dungarvan welcome back "Nipper" Hurley this week and he should prove a vital asset, particularly as Billy Coleman misses the game due to holidays. Further bad news for Dungarvan is that Donnagh Cummins and Ger Leahy have been released at their own request.

John Walsh and Kealan O'Neill will select from the following squad for the game which kicks off at 3 p.m. in Kilrush Park — Jimmy Farrell, Barry McGrath, Bryan Kirwan, Brian Whelan, Willie Coward, "Nipper" Hurley, Martin O'Sullivan, Kieran Hallahan, Gerry O'Connor, Pepe Ferncombe, Ray Flynn, Hud Kelly, Colum Flynn, John Walsh, Kieran Foley, Thomas Donovan, Tommy Egan.

### DIFFICULT OPPOSITION

Rockmount have always proved to be difficult opposition and have been strengthened by the signing

# Railway Athletic FC Notes

### UNDER-12 TSB LEAGUE Railway 5. Villa B 0

We had city side Villa at home on Saturday last in a league game. Once again we were short a few regulars due to injury. We started very well but it took 20 minutes before captain Dermot Coughlan got a great goal. We started to really get on top then and Alan Barry got a great goal. Brendan Landers got our third and that was how the first half ended.

Patrick Morrissey came on in the second half and was only on when he got a good goal. James Manahan got the fifth goal.

Glen Arrigan had a brilliant game at centre forward and also Dermot Coughlan and Martin Ormonde who was very solid at centre-half.

Team — N. Maher, J. Morrissey, M. Murphy, M. Ormonde, W. Fraher, D. Coughlan (capt.), M. Moynihan, B. Landers, G. Arrigan, A. Barry, J. Manahan. Man of the match — Der-

# BALLINROAD SOCCER NOTES

DIV. 3 A

## Glass Sparkle At Ballinroad

**Ballinroad 1, Waterford Glass 4**  
Ballinroad, decimated by injuries and emigration, were defeated by Waterford Glass in this Div. 3 A league game played at St. Laurence's Park on Saturday last. Short the services of Ber Burke, Vincent Tobin, Pakie Lynch (injured) and Bosco Mahoney (who emigrated during the week), Ballinroad were always in trouble against a Glass side which included five players who played first division last year.

Waterford Glass took the lead in the 17th minute when with their front three players blatantly off-side, the referee allowed play continue and their centre forward ran through to score. Glass added two further goals against a home side who were clearly upset by the referee's decisions. Ten minutes before the break, a great cross from Pat Flynn was headed home by Ian Kiely to put Ballinroad back into the game.

Ballinroad fought hard in the second half but could never break down a very strong visitors defence. Midway through the second half, Glass put the game out of Ballinroad's reach when they added a fourth goal.

While being loathe to criticise referees, the official in charge of this game made some very strange decisions during the game.

Ballinroad — M. O'Donnell, D. Murray, P. Flynn, S. Power, P. Keane, L. Crotty, I. Kiely, M. Fraher, R. Burke, E. O'Grady, P. Tobin. Referee: Michael Lee.

DIV. 4

## SIX-GOAL DRAW

**Ballinroad 3, Kilbarry Rangers 3**  
Ballinroad dropped a valuable home point when they could only manage a draw against city side Kilbarry Rangers at Ballinroad on Sunday morning last. Ballinroad took the lead in the 17th minute when Michael Dwyer was well positioned to shoot home a cross from Jim Veale.

The home side got on top at this stage but missed some good scoring opportunities. They were brought

back to level terms in the 30th minute when Kilbarry scored after a penalty had rebounded off the crossbar. Les Delahunty put Ballinroad back into the lead when he lobbed the keeper for a superb goal. On the stroke of half time Ballinroad failed to clear a corner and the visitors centre forward headed home the equaliser.

Pat O'Halloran, who replaced the injured Ian Veale in the second half, put the homesters back into the lead in the 60th minute. Kilbarry got an equaliser in the 80th minute when their centre half headed one of the best goals ever seen at the venue. Referee: P. McDonnell.

Ballinroad — J. Reynolds, A. O'Connor, T. Lenihan, D. Crotty, D. McGovern, M. Foley, M. O'Dwyer, D. Power, J. Veale, L. Delahunty, I. Veale. Res. — P. O'Halloran for I. Veale (injured in second half).

U-14 SCHOOLBOYS

## Ballinroad Run Riot

**Hibernians 0, Ballinroad 9**  
Ballinroad gained their first win of the season when they trounced Hibs at Kennedy Park, Waterford on Saturday last. This was a first class display by this team who have shown promise in their early sea-

son games. Ballinroad scorers were Paul O'Brien (3), Vincent Tobin (3), Eoin Murray, Michael Brett and Fergal Fraher.

Ballinroad — T. Whelan, K. Kenneally, D. Harkin, E. Murray, M. O'Brien, P. O'Brien, F. Fraher, Michael Brett, V. Tobin, A. Phelan.

### BON VOYAGE

Best of luck to Bosco Mahoney who departed for England last week. Since Bosco joined our club as an under 12 player he has given sterling service to every team he has played on. While we are sorry to lose a player of Bosco's calibre we wish him every success in his chosen career.

Good luck also to Ian Kiely who is off to Brussels next week to commence a career in electronics. Ian has also given sterling service to Ballinroad and we wish him every success.

## Glenview AFC Notes

# Narrow Defeat In Tony Bolger Cup

Killeagh 1, Glenview 0

Glenview went away to Killeagh on Sunday last with a depleted squad, with six first team members either unavailable or injured. We put up a fine, spirited performance and perhaps a draw would have been a fair result.

A poor, high-grassed pitch and windy weather conditions did not suit good football. In the first half the honours were even. We nearly scored just before half-time. A free kick from the edge of the box by McGrath was curled around the wall, but the keeper fingertipped the ball to safety.

Early in the second half, Killeagh took the lead. Undaunted, Glenview piled on the pressure but Killeagh, with the wind behind them, withstood the pressure and

went on to create some good scoring chances themselves. However, they found our keeper Pat Casey in fine form. The final score was 1-0.

So, an encouraging match and with a full squad available we should feel confident going into the first division campaign.

Glenview — Casey, Walsh, McBride, Power (G), Lonergan, O'Donnell, O'Rourke, Hallssey, Marks, McGrath, Coleman. Res. — Kett.

# Soccer: Red House League

Six of the seven games in the third and final preliminary series of the Tony Bolger League Cup were played on Sunday and these were the results. Section A: Pinewood Rgs. 3, Inch 2; Bride View 7, Carriglea Rvs. 3. Section B: Killeagh 1, Glen View 0; Affane 1, Valley Rgs. 5. Section C: Cappoquin B v Grange was not played as the home side found themselves with no pitch available to them. Youghal 6, Ballyduff 1. Section D: Ardmore 3, Mogeely 0. These results leave us with the following semi-final for October 1st, Bride View v Youghal; Kil-

leagh v Cappoquin A. Final in Lismore on Monday, 30th October.

As we go to Press the programme for next Sunday is not quite clear and followers should contact local sources. This week for the first time ever — and hopefully the last — we fail to bring you a report on a specific game. We had targetted the Cappoquin B — Grange game and that only failed to materialise at the eleventh hour. We then tried for Affane-Valley game only to find that this had been transferred to Conna as the new Affane ground was not yet ready.

# DUNGARVAN RUGBY CLUB NOTES

## Run - Away League Win For Dungarvan

**DUNGARVAN 27, CARRICK 0**

Dungarvan's 1st XV got off to a winning start to their Munster League campaign with a run-away victory in Carrick on Sunday last.

From early in the game the Dungarvan forwards took complete control, especially in the scrums where they totally dominated.

Team captain Jimmy Morrissey led by example, with Michael O'Halloran and John Curran to the fore, with the back row of Eamonn Spratt, Philip Foley and No. 8 Sean Killigrew always prominent.

Dungarvan's two tries in the first half came from full back Andy Halley (who had a fine game) and both were converted by Davy Salmon to leave it 12-0 at the break.

In the 2nd half Dungarvan kept up the pressure with two more tries from Peter Maher and Mark O'Connor with Davy Salmon converting both tries and kicking a penalty to leave

the final score 27-0.

While the pack were the heroes of the day special mention must be given to backs Davy Salmon, Mark O'Connor, Andy Halley and Peter Maher.

D. Salmon kicked 4 conversions and 1 penalty.

Team: A. Halley, P. Queally, P. Maher, J. Clarke, D. Salmon, M. Brackett, Mk. O'Connor, J. Curran, J. Morrissey (capt.), L. O'Donnell, M. Parkes, M. O'Halloran, P. Foley, E. Spratt, S. Killigrew.

## STRADBALLY G.A.A. NOTES

### IT'S ALWAYS SPECIAL

On Sunday next, October 1, our senior footballers play county champions Kilrossanty in the semi-final of the championship in Dungarvan at 3.15 p.m. It's always something special to play our neighbours but particularly at this stage of the championship, and if our games in the past are anything to go by, then we are in for a cracker of a game.

Certainly we are having our injury problems going into Sunday's vital game, and it now seems that Eoin O'Brien and Noelle Weldon will not take their places, with Alo Curran also waiting until the last minute, so certainly not the very best way to prepare for a vital game.

### DETERMINED REDS CAN WIN!

With all now set for the big one and with trainer/coach Sean Ahearne having his forces in top shape, more determined than ever before and when captain Joe Roche leads his men on to the Fraher Field we will be going there for a win, that will see us through to the County Final after a determined display.

### SUCCESSFUL PATTERN

The Club's Pattern was a huge success last weekend, starting with an under 12 football tournament, where all 32 players received medals. Mass was then celebrated in the Social Centre by Rev. Fr. Ml. Ryan P.P. for deceased members and friends. The lesson was read by club captain Joe

Roche and the altar was beautifully laid out by the ladies committee.

### PARTY — WALTZING COMPETITION

The Senior Citizens Party was a huge success with music supplied by Dessie Norris. The waltzing competition was won by Mr. and Mrs. Donal O'Connor, with Mr. and Mrs. Wm. O'Brien a very close second. In the special competition for party members Mr. Larry Coffey and Mrs. Kathleen O'Brien were the winners, while the raffle was won by Mrs. Bridget Clancy. All received their trophies and prizes from Club Chairman Tom Cunningham. A special thanks must go to the ladies committee who worked hard to make it a successful night.

### CONGRATULATIONS TO TIDY TOWNS COMMITTEE

On behalf of the club members we would like to congratulate the Tidy Towns committee on winning their award first in the county, runner-up in the All-Ireland — just one mark short. Certainly this is a great achievement for the committee who we see always working hard in our village. Well done every-

body.

### COUNTY UNDER 21 HURLING SELECTOR

Our club player Noel Costelloe has been selected as a Waterford Under 21 hurling selector for the coming season 1990. Noel held this position in the past year.

### DEEPEST SYMPATHY

The club would like to express its deepest sympathy to the Fleming family, Ballyvoile on the death of Mr. Stephen Fleming which occurred last week.

### MUSIC FOR THE NIGHT

On Sunday night next, 1st October, the ever popular Mattie Weldon will provide the music for members and friends. This should prove an excellent night, particularly after the match.

### GOOD SHOWING BY UNDER 21 FOOTBALLERS

Our under 21 footballers put up a very good show against Kilrossanty on Sunday last in the championship on the score of 0-13 to 1-6. Played in Abbey-side, in the early stages the Reds were very much to the fore, and it was not until the later stages that Kilrossanty made sure of victory.

## GERALDINES G.A.A. NOTES

### THANKS

We wish to thank most sincerely everyone who

subscribed to our collection. There is no doubt about it, we have certainly the best set of supporters in the country. We say thanks again to all.

### ALL-IRELAND FOOTBALL FINAL

Among the attendance at the All-Ireland football final from our club were P. J. Connery, Paddy Corkery, Mick Tobin, Michael Kiely, Shane Kiely, Tom "Stylo" Rioridan and Bill Downing.

### WEDDING BELLS

Heartiest congratulations are extended to Paddy Hally and Bridget Donovan who were married in Clashmore Church last Friday week.

Paddy was a prominent playing member of our club before he received a leg injury a few years ago. He was captain of our intermediate football team which went to the County final in 1984.

Bridget was Joint Treasurer of our club for a couple of years.

We all wish the happy couple the best of luck in their years of marriage ahead. — PRO.

# Roanmore Win Thrilling Game

ROANMORE 2-11; BALLYGUNNER 1-11

Two fine first half goals by Kieran Delahunty and Eddie Nolan set Roanmore on their way for a place in the county final when their thrilling semi-final game against Ballygunner was decided before a big crowd at Walsh Park on Sunday.

Delahunty's seventh minute goal came when he doubled on a pass from full forward Tom Shanahan and Nolan's fine goal in the 19th, were the features of a splendid first half which saw Roanmore in front by 2-7 to 1-6. 'Gunners goal

came from a penalty which was converted by Eddie Brennan, who had been brought down in the square.

### SEVERE PRESSURE

The second half saw Roanmore under severe pressure for a time, but in

the closing ten minutes (when the sides were level), Delahunty sent over the vital points that kept them in front and won them a place in the county final to be played on October 8th at Walsh Park, Waterford.

## Dungarvan G.A.A. Notes

### UNDER 16 FINAL

After a modest year we have a golden chance of picking up a divisional championship title when we play Abbeyside in the Under 16 'A' western final at Fraher Field on this Friday (6 o'clock).

We can lift the cup, but only if every player gives 100% commitment.

### LOCAL DERBY

On a busy weekend for us we are involved in a second local derby on Saturday when our under 21 footballers play Ballinacourty in the 'A' Championship. The venue is Fraher Field with a starting time of 5 o'clock.

### UNDER 12s

It's all action these days on the under-age football front and our under 12s qualified for the Bord na nOg league final as a result of their victory over Tallow last Saturday.

Having beaten Kilrossan-

ty in a previous round we are now through to the final in which the opposition will be provided by — yes, you've guessed it — Abbeyside. At the time of writing a date for the game has to be arranged.

### MEETING

The executive held a further important meeting last week and another is scheduled for this week.

We are staging a sponsored greyhound racing meeting at the Youghal

track on Friday, October 27th and the organising of that is already well under way.

### SILVER ANNIVERSARY

On behalf of everyone in the club I would like to extend sincere congratulations to Jimmy and Mary Moran who are celebrating their Silver wedding Anniversary.

Two of their sons, Ger and John Paul, are proud wearers of the blue jersey.

## M.H. County 'B' Final

On Monday, the County Fixtures Committee decided that the 'B' minor hurling final between Western champions, St. Patrick's and their Eastern counterparts, St. Saviours, will take place at Walsh Park at 2.30 p.m. on Saturday next.

This meeting of the Saints will be the first county final involving these clubs and it will be the first adult board hurling final of the season.

Eastern folk reckon that the Saviours are quite a good team and will not be

easily beaten.

St. Patrick's, who won the title after a replay with Ballyduff will be hoping to win their first championship in this grade and will carry the best wishes of this division with them.

### HANDBALL NEWS

## Kilgobinet Players Qualify For Further Honours

Players from the local club stepped further into the limelight at Kingscourt, Co. Cavan on Saturday last when Declan Mulcahy and Masters Doubles pair, M. Butler and J. Wall all qualified for All-Ireland titles in their respective grades.

Declan Mulcahy had a great victory in the Golden Masters Singles when beating the Tyrone man M. J. Kelly in the semi-final by 21-5 and 21-9. Mulcahy who has won titles in the past two years, is now into his second All-Ireland this year, he having already qualified in the doubles final. He has an outstanding chance of taking one and with a bit of good luck he may be successful in both, although it will take an enormous amount of tough training to achieve this. His

colleagues reckon that he is such a great player that he could win both.

M. Butler, partnered by J. Wall, also qualified for the Masters Doubles at Kingscourt on Saturday. This partnership defeated the Tyrone pair, J. Curran and Pat Grugan with the score 21-5 and 21-12. This gives Butler the chance of winning a double. Both Wall and Butler are seeking their first All-Ireland title in handball. Best of luck to them in the finals, which are not yet fixed.

## ST. OLIVERS G.A.A. NOTES

### DISCO

We held a very successful under-age disco in Whitechurch House Hotel before the summer holidays ended. The disco was enjoyed by all. We wish to thank Mrs. Flynn and the Flynn family for the use of the hall. It was a most enjoyable night.

### U-21 HURLING CHAMPIONSHIP

St. Olivers 3-4  
An Gaeltacht 3-8

In a splendid game of hurling our U-21 hurlers bowed out of the championship at Abbeyside on Saturday evening last. We led 2-3 to 1-3 at half time and only sheer luck saved An Gaeltacht in the last five minutes as we put on fierce pressure.

## Liz Bullen Wins Cork Mini-Marathon

Nurse Liz Bullen, Villierstown, twin sister of Olympic silver medalist, John Treacy, showing the same rugged style as her more illustrious brother, shrugged off some of the more stern competition at the half way stage and continuing to maintain a blistering pace to the end

absolutely annihilated the field to win the Evening Echo mini-marathon in Cork last Sunday by a margin of 53 seconds.

A total of 1500 competitors came under starter's orders and in finishing the race in 29.31, Liz set a new course record for the race.

**INTERMEDIATE HURLING  
QUARTER-FINAL**

# Mollerans Win—As Poor Finishing Foins Colligan

**MOLLERANS 3-10  
COLLIGAN 0-15**

In a dramatic last four minutes St. Mollerans came from behind to beat Colligan by four points in this exciting intermediate hurling quarter final replay, played at Fraher Field, Dungarvan, on Sunday last.

In the drawn game two weeks ago Mollerans again had to come from behind when Colligan looked to have the game sewn up at the half way stage.

This time the exchanges were much closer but eight minutes from the end Colligan looked like shading it as they led 0-15 to 2-7. But then in a dramatic final four minutes Mollerans goaled and then pointed three times to run out winners by four points.

It was, however, a game Colligan should never have lost. It was, in fact, their own shortcomings that in the end caused their downfall.

There was very little between the sides in the first half, at the end of which the Western side led by 0-8 to 0-6.

The opening ten minutes of the second half belonged totally to Colligan. Two points from Jimmy Beresford however proved very poor return over a ten minute period of almost total control.

They missed a hat of chances in this period and subsequently squandered some other great chances. As well as this they later conceded three soft goals and this combination of misfortunes ultimately cost them the spoils.

#### SLOPPY PLAY

They were 0-10 to 0-6 ahead when John Finucane scored Mollerans first goal ten minutes into the second half. This score came as a result of some very sloppy defensive play when a poor clearance paved the way for the scoring opportunity.

Still, despite the blow, Colligan lifted themselves and a point from Jimmy Beresford and two from Patsy Coffey restored their four points lead — 0-13 to 1-6 by the 15th minute.

Mollerans pulled a point back but Coffey negated this score to leave Colligan ahead 0-14 to 1-7 after 17 minutes.

Again disaster struck when further sloppy play in defence left Tony Reide in

for Mollerans second goal ten minutes from time.

Again it was Coffey who steadied Colligan with a minor to leave them two points ahead with eight minutes to go.

There was only four minutes on the clock when disaster struck for the third time. This time a speculative shot looked to be well covered by Colligan 'keeper Anthony Walsh, but just at the vital second Noel Mackey got a hurley touch to the ball which was deflected in over the keeper for a goal.

#### NO COMEBACK

It was disaster with a capital D for the Colligan men. This time there was no comeback as Mollerans with victory in their sights put in a storming finish as the Colligan heads bowed.

Three points followed for the winners who had four points to spare at the end of game in which they had a fair share of luck. In all honesty though, Colligan can blame no one but themselves for their defeat, their forwards in particular left them down badly in the end, with the exception of Jimmy Beresford and Patsy Coffey.

Scorers — Mollerans: T. Reide 1-4; N. Mackey 1-1; J. Finucane 1-0; B. Ragett 0-3; B. Waters and L. Reide 0-1 each. Colligan: J. Beresford 0-9; P. Coffey 0-5; B. Fraher 0-1.

## Tipperary's Hurling Hat-Trick

(by Johnny Buckley, Ballynoe)

The premier county have succeeded in emulating its feat of 1930, that was in winning the third All-Ireland for this season. This was achieved last Sunday week at Moore Park, Portlaoise at the expense of Offaly who gave the Tipperary boys a rare fright even though finishing with fourteen men. This U-21 All-Ireland replaced the minor grade for Tipperary, which they won in 1930. The U-21 championship was unheard of then. Needless to say Tipperary's other two honours for the current season were blue

ribands in Junior and Senior.

In 1930 Tipperary seniors had a colourful side with captain John Joe Cullinan, goalie T. "Skinny" O'Meara, Phil Cahill, Phil Purcell, John Maher, Tommy Treacy, Jim Lanigan, Martin Kennedy, etc. They beat Clare in the Munster final by 6-4 to 2-8.

The banner county then produced great players such as "Fowler" McInerney, "Tull" Considine, Larry Blake, Dr. Tommy Daly (famous goalie). Galway's team of Ignatus Har-

ney were next to be conquered by them, 6-8 to 2-2 and then Dublin whom they defeated 2-7 to 1-3 in Croke Park was the culminations of a great run for All-Ireland honours. Dublin too had some famous names on their team with "Builder" Walsh, Mick Gill who previously won premier honours with Galway, Mattie Power, Eddie Byrne, Tommy Techan.

Tipperary have reached their 23rd in line with Kilkenny while Cork are on the pedestal yet with 26. Since 1885, Kerry won one in 1891, a year prior to

teams being reduced to 17. Clare won in 1914, Limerick 6, 1973 last, and Waterford in 1948 and 1959 appearing last in 1963 when beaten by Kilkenny.

Tipperary seem to have a wealth of talent at the moment. Senior teams are not confined to the larger towns, they can be found in Loughmore, Castleinney, Cappawhite, Toomevara, Holy Cross, Ballycahill, Mullinahone, etc., but in Cork we had one time, Ahabullogue, Bartlemy, Dungourney, Shanballymore and Castletownroche, Ballyhea (still there).

## Week-end Fixtures

# Record Crowds Expected For Attractive Programme at Fraher Field

Barring a draw in one of the semi-finals listed for Dungarvan on Sunday afternoon, the pairing for the county senior football final at Fraher Field on October 15th will be known by 5 p.m. on this Sunday.

Needless to mention the meeting between Stradbally and Kilrossanty is the big attraction of the afternoon, but it is not outside the bounds of possibility that the Nire/St. Saviours clash in the opening game, will be the one best remembered. Anyway, it is in prospect, the most attractive programme to be staged at this end of the county this season.

As well as the above semi-finals, there are a number of attractive games of lesser importance, but nevertheless vital for the clubs concerned.

## KILROSSANTY V STRADBALLY

As far as football reputations go, I suppose it is true to say that Kilrossanty and their neighbours and rivals, Stradbally are regarded as the big two in the game, in the county. This must now be written, even though there have been times when the mediocrity of their performances have left some of us wondering if all this traditional thing was just a figment of our imagination. There have been times when the performances of other teams put Kilrossanty and Stradbally in the shade, but somehow these occasions are forgotten overnight and passed off as just a flash-in-the-pan.

Anyway we must take things as they are and write about the magic spell which they cast over the place when they are drawn against each other in football combat. There was a "buzz" about the place at the meeting last week when the names were drawn and I saw a few people rubbing their hands in a kind of gleeful anticipation of seeing one whale of a game at what became the obvious venue, Fraher Field for this semi-final. They met quite recently in the league section of the championship, but as the teams were playing for match points rather than for a place in a county final very few people got excited about the clash.

It turned out to be an extraordinary game, with Stradbally scoring just a single point in the first half and Kilrossanty who had a commanding half-time lead, scoring only one point in the second. The final score saw only a point be-

tween the teams (2-7 to 0-12) in favour of Kilrossanty. If that game had been a county final, posterity would have it listed as one of the all-time great finals, while in fact it was a very ordinary football match.

## MISLEADING

Of course it would be very misleading to convey the notion that all their meetings have not produced great football and tremendous glamour and excitement. When writing in this vein, I have in mind their great clash in 1987 at Dungarvan, when in the dying seconds, Jim Maher kicked over the equalising point at the end of a fine semi-final. The replay was spoiled by a very strong wind on a sunny day two weeks later and in what was another fine contest, Stradbally emerged as worthy winners on the score 0-12 to 0-6. The winners became county champions after a controversial final against the Nire.

In the following year, Saviours, the rising power in Waterford football came out of the East, again in the semi-final and put the champions out of the race for another title. That was last year and what Kilrossanty achieved during that game will still be fresh in the minds of followers of the game. What is most noteworthy about their recent record is that since their defeat by Stradbally in the replay referred to above they have been beaten only once in fourteen championship games and that was in their match against the Nire when they lost by 0-8 to 1-8.

At this stage in our preview mention must be given to Kilrossanty's really good display against All-Ireland club champions, Nemo Rangers at Clonmel three weeks after the county final last year.

## NO INJURY WORRIES

That, more than their county final victory stamped the present Kilrossanty team as a really good one. Their big problem, now will be, can they reproduce this high standard from here on in? I spoke to a few of their people during the past week and while not trying to sound presumptuous there did seem to be an air of

confidence when talking about their chances of beating Stradbally. They have made it clear that they have no injury worries and all their championship winning side are available for the game.

This will see Alfie Kirwan (goal), Pat Pender, Pat Keating, Greg Fitzgerald, Nicky Hayes, Pierre Whyte, Pat Quinn, Roger Power, Ger Walsh, Ger Fitzgerald, Ml. Walsh, Tom Behan, Tom Veale, Jimmy Maher, John Mulhearn etc., in action against a Stradbally side that may be forced to field a bit under-strength because of very recent injuries. Their scorer-in-chief, Eoin O'Brien suffered a severe injury to the knee in the game against Gaultier two weeks ago and recently returned Noel Weldon who went on as a sub in their last game, received an injury in training last week and could have to miss the game on that account. If O'Brien has to sit on the sideline for the hour it will be a severe blow to their chances.

All reporting fit and ready are, Kieran Heffernan (goal), David Kirwan, Bobby Walker, Ml. Curran, Conor, Fintan and Liam O'Brien, Liam O'Connor, Tom Gough, Paul Mulaney, Alo Curran, Pat Curran, etc., etc., and if called upon to make up for the likely absence of O'Brien and Weldon, they feel they will measure up to the challenge.

It is interesting to note that in the league section and before the qualifying stages were reached, Kilrossanty scored 10-53 (83) and had 3-36 (45) against, while Stradbally in their six matches had 7-58 (79) for and 4-34 (46) against. On this basis (they both qualified from the same group) there is very little between them and the result will, in the end, depend on how well they perform on the day. In situations like this, it is considered advisable to give the vote to the champions. If I was sure that Stradbally will field at full strength, I would ignore that advice and make them favourites. However in the circumstances, the vote must go to Kilrossanty to keep moving on to yet an-

other county final.

## NIRE V ST. SAVIOURS

No club in this county can play tricks with the form-book as well as the Nire who have caused speculators more headaches than any other championship side when it comes to assessing their chances in a game. I wrote before that they can 'blow hot and cold' (very good or mediocre). I saw them beat both Stradbally and Kilrossanty in the current championship, after which I put them well into contention for the title, which they claimed they missed two years ago. I saw them play very poorly against Dungarvan and last Sunday I saw them scramble their way into the Phelan Cup final after making their escape against Ballinacourty. So now the big question being asked around the county is, will the Nire be able to 'turn it on' against last year's defeated county finalists, St. Saviours, and win themselves a place in the county final for the second and last time in the eighties??

The Saviours have quite rightly been described as the rising power in Waterford football. They have skill, style and youthful enthusiasm to a high degree. In fact they strike me as being a team who when they win the title (and have no doubt but that they will do soon, very soon) will hold it for a number of years (a sort of footballing answer to Mount Sion in hurling in the past). Players such as Mark Boyle, Tony Corcoran, Paul Thompson, Alan Power, Brendan Brophy, Paul O'Keeffe (goal), Liam Daniels, Derek Wyse, Mark Corcoran, Jimmy Foskin and company are as good as there is in the county at the moment and unless the Nire, who will have players like, P. J. and Kevin Mulcahy, Ger Coffey, Jackie Hogan, Tony Condon, Rd. Guiry, Sean Guiry, Paddy Cooney, Tom Walsh, Ger Walsh, Ml. Ryan, B. Ryan, D. Horgan, etc., etc., step up very considerably on their two most recent performances, St. Saviours must be given a confident vote to win their way into successive county finals.

## OTHER GAMES

The divisional junior football semi-final between Modeligo and Kilrossanty will be played at Dungarvan on Saturday afternoon. Kilrossanty qualified by beating the holders, Stradbally in the quarter final and Modeligo had to go twice to win through An Rinn in the other quarter-final.

A win here for Modeligo would be a very popular result as the club have been going very close to a title for a number of years and it would be nice to see a number of their older players, who have given so much to the game over a long number of years, retiring with a county medal, which they so richly deserve.

However, games are not won by public sympathy and their chances of success here will depend entirely on how they all perform on the day. A repeat of their second day meeting with An Rinn could see Modeligo through to yet another meeting with Faha in the final.

## UNDER-21 FOOTBALL

Three matches are listed in this championship, which, because of its very late start, has lost much of the glamour associated with the competition some years ago. It won't surprise everyone in the county if eventually Waterford follow the example of a few other counties in disposing of this championship.

On Saturday, the big game in this championship will be between Ballinacourty and Dungarvan at the Fraher Field. Both have done extensive training and both are pretty confident.

The recent loss of Shanahan, Barron and Enright, through emigration, may have weakened the Ballinacourty challenge, but I understand that they are still hopeful of winning.

The Affane v. Ardmore/Clashmore game at Abbeyside on Sunday morning will be an interesting game also and the result might provide Affane with some little compensation for their disappointing intermediate defeat recently.

An Rinn/Seana Phobal, many of whose players contributed largely to the success of An Gaeltacht in the 'B' minor final last week, will be strongly fancied to advance in this 'B' semi-final against the Sliabh gCua/Modeligo combination in Colligan.

## Colligan Beaten

Entering the closing stages of this well-contested replayed intermediate hurling game, Colligan looked like surprising the well-fancied Mollerans, but a goal and three points in the last five minutes put the Eastern side through to the semi-final.

## Quirke Goals Inspire Ballyduff To Victory

Ballyduff 4-5, Lismore 1-11

BY COMMENTATOR

When the decision to outlaw the hand pass score in hurling is introduced into the championships next year, Lismore will bemoan the fact that it came a season too late to save them from defeat by Ballyduff in an exciting county semi-final at a packed Cappoquin venue last Sunday. Three goals of the 'hand-made' kind by opportunist full forward John Quirke certainly made the difference between victory and defeat for outsiders Ballyduff.

One of these came when Quirke latched on to a long delivery from Richie Walsh to send to the net within one minute of the start. It was a tonic start that gave Ballyduff a lead that they never relinquished, even though at one stage Lismore did draw level. The shock early score did not unnerve the favourites, who fought back in style and points by Sean Daly (2) and Paul Prendergast brought them level in the 11th minute. The tie was broken again in the 12th minute with a delightful Clem Feeney goal which gave Lismore 'keeper, Declan Landers no chance. Then followed two magnificent saves by Landers in the Lismore goal before Lismore's man of the match, Sean Daly added a point at the other end.

Then, in the 16th minute, came Quirke's second handpassed goal to leave the score 3-0 to 0-5 after 20 minutes, with Lismore all the time looking the better side and making more use of their chances. Points by Sean Daly (2), Kieran O'Gorman and Donal Landers, made it level again at 3-0 to 0-9 in the 30th minute, but in the minute of lost time in this half, Eoin Hickey sent over Ballyduff's first point of the match to leave them in front by 3-1 to 0-9 at the break.

### WOULD WIN TITLE

At this stage, I pencilled a note in my copy that Lismore were playing well enough to suggest that they would win the title regardless of who survived in the other semi-final at Walsh Park. When Sean Daly pointed to level the scores again in the 4th minute of the second half, John Quirke replied with a similar score a minute later. A couple of very well taken points by former County player Michael Walsh, who came into the match at this stage, gave Ballyduff a three points advantage before that man again, Sean Daly, having received a Brendan Prendergast pass, goaled for Lismore. It was now 1-10 to 3-4 and excitement was building up for a grandstand finish. Then John Quirke, gathering a

high ball, had his third and Ballyduff's fourth goal to put his side into a lead that they were not to lose despite the titanic efforts of Lismore who continued to fight back very courageously. Sean Daly from a free had Lismore's final score and Michael Walsh had the final point for Ballyduff. In the final ten minutes, Lismore lost some very fine chances of scoring, but all credit to a gallant Ballyduff who refused to wilt under enormous pressure.

### BETTER SIDE

On the day's display, many people will argue that Lismore were the better side and were unlucky to have conceded those vital scores, but the scoreboard is always the supreme judge and at the end of the hour it aid that Ballyduff were through to the county final and in the end that is what really matters.

The match was splendidly handled by Jim Joe Landers.

Scorers — Ballyduff — J. Quirke 3-1, C. Feeney 1-0, Michael Walsh 0-3, E. Hickey 0-1; Lismore — S. Daly 1-7, P. Prendergast, B. Lawton, K. O'Gorman, D. Landers 0-1 each.

**Ballyduff** — M. Leamy, Seamie Daly, S. Hannon, M. Casey, L. Power, Seamie Daly, J. Casey, E. Hickey, R. Walsh, C. Feeney, M. Walsh, B. Tobin, G. Quirke, J. Quirke, M. Geary. Sub. — S. Hyland for J. Casey.

**Lismore** — D. Landers, J. Duggan, R. Ronayne, D. Barry, G. Sheehan, B. Lee, S. Prendergast, D. Landers, M. Ronayne, B. Prendergast, S. Prendergast, B. Lawton, P. Prendergast, S. Daly, K. O'Gorman. Sub. — B. Crowley for B. Lee.

### FIGURES FOR THE GAME

Ballyduff had 9 scores, 9 wides, 10 frees, 7 sidelines; Lismore had 12 scores, 13 wides, 20 frees, 6 sidelines. This gave totals of 21 scores, 22 wides, 30 frees, 13 sidelines.

There were three 'throw-ins' and three 65's which are included in the frees. This makes a total of 89 stoppages which is around normal for a 60 minute senior hurling club game.

# COUNTY BOARD MEETING

Mr. Eamon Murphy, chairman, presided at last week's meeting of the County Board, which was addressed by Michael Maher, President of the Munster Council on the subject of coaching.

## REFEREES' REPORTS

Arising out of referees' reports, M. Guiry, the Nire, was suspended for one month, having been reported for striking with his elbow in their senior football game against Rathgormack. A Rathgormack player who wore number two jersey but refused to give his name when requested to do so by the referee Pat Moore, was also sent off and will appear at the next meeting where his case will be dealt with.

Two players who were reported for the use of foul language during a senior football game involving Tramore and Stradbally, will also appear at the next meeting to explain their conduct. When dealing with this matter, the Chairman reminded delegates that about four months ago, referees had been instructed to deal seriously with players who used bad language on the field of play.

He was glad to see one referee acting on this instruction.

Again on the subject of refereeing the Chairman informed the meeting that he was in the process of setting up a referees' committee in the county. He had appointed Pat Moore, Abbeyside/Ballinacourty as chairman and Liam Fardy as Hon. Secretary and both had indicated their willingness to act. The other members of this committee will be named at the next meeting.

Also on the same matter, Very Rev. Fr. P. Fitzgerald, County Hurling Officer, asked if there were reasons why no Waterford referee had been appointed to handle a senior All-Ireland in recent times. S. O'Brien explained that such appointments were a matter for Games Administration and that anyone outside that body had no say in such appointments.

## MATCH TIMES MISLEADING

The County Hurling Officer, Very Rev. P. Fitzgerald complained that on a recent occasion, he, as well as several other supporters, had travelled to Cappoquin for a championship game

that did not take place. Having waited for some time he was told that the game was played on the previous evening. There was no notice published to advise patrons of the change. Also, he said, many of our matches were published for different starting times by the county weekly papers.

Other delegates agreed that this caused considerable inconvenience to patrons. The chairman expressed regret and gave an assurance that the County PRO would be brought more into things and whenever possible the new Waterford Radio would be asked to help out with news of postponed matches.

## COISDE NA PEIL REPORT

This gave news about the progress of the Premier football championship which is being run under the new playing rules. Both semi-finals will be played when the teams and venues become available. The committee sought permission to produce a programme for the County football final.

The report informed the Board that the minor and

under 21 selectors will be chosen at a meeting on Monday, October 2 and that all clubs were free to submit nominations which must be in before September 30.

## LOCAL RADIO

Following a discussion on the introduction of local radio, the meeting wished Station WLR every success. The Board pledged their full co-operation and decided to provide facilities whenever required. The chairman stated that a meeting will be sought with the station management as soon as possible.

## OTHER MATTERS

In a couple of weeks time the Juvenile Scor Competitions will begin and a special appeal was made by the chairman to all clubs to think seriously about participating in the winter pastime. He said clubs should meet and discuss the matter and not leave the organisation of teams to just one or two people as was the norm.

Strong complaints were made about the poor quality of the five-year term tickets which issued from Croke Park this year. The Central Council delegate was instructed to take up the matter at headquarters.

The pre-match parade for the All-Ireland football final was described as disgraceful by a number of delegates who said that the appropriate penalties should be imposed and the defaulters reprimanded.

## Munster Council Chairman Outlines Hurling and Football Coaching Scheme

Michael Maher, addressing last week's County Board meeting, said that a new coaching scheme was being initiated by Munster Council to promote hurling and football in all six counties of Munster.

Outlining the previous work in this area, Mr. Maher said that much experience had now been gained through, initially, the Eamonn Young Coaching Scheme, followed by that of Eoin Liston and latterly by the activities of Colum Bonner in coaching at the Regional College, Waterford and with a number of clubs in East Waterford. Experience was also being gained from the work of Brian Finn at the NIHE in Limerick and with a limited number of National Schools adjacent to Limerick.

Mr. Maher said the object of the present coaching scheme was to establish a structure for Coaching right through Munster by employing twelve coaches, each of whom will be a Physical Education Graduate or a person of recognised coaching ability, who will give practical support to existing teachers/coaches and assist others in developing coaching skills.

The scheme will, he said, be promoted, controlled

and monitored in each county by a small committee of nine to twelve people appointed by the County Board. Non board members with special expertise in this area, should be seriously considered for appointment. However, it was obligatory that the Development Officer and Youth Officer of the County Board should be members.

In addition to improving the standards of games with special emphasis on skill, he said the scheme will emphasise discipline, good conduct, attractiveness and safety aspects involved.

Mr. Maher emphasised that high profile players should be used where possible to assist in this coaching programme, and he was glad to say that some such players had already generously offered their assistance. It was, he said, intended to have the scheme in place in October and to run it for a period of three years.

**CLUB STRUCTURES**  
The Munster Chairman

said he was reiterating an appeal which he had made in other counties in relation to the restructuring of the club units in each area. He asked that they meet over the winter months and think seriously about their organisation. He said that too many of our clubs are only there in name and have little or no back-up organisation.

He said that clubs will be surprised at what they can achieve if they get down to the business of improving their administration. He asked the Divisional Officers to take back the message to the clubs under their control.

Board Chairman, Eamon Murphy thanked him for attending and assured the Munster Council that the proposed coaching scheme would be given immediate attention.

Following a 'question and answer' session on the subject, Mr. Maher thanked the members for their obvious interest and for having invited him to attend.

## M. F. 'B' Final

AN GAELTACHT 3-9  
BRICKEYS 0-3

Unexpectedly this final turned out to be a very one-sided affair with the splendid Gaeltacht team taking command from an early stage and winning with ease in mind. When playing with the breeze in the first half, Brickeys failed to score and at the break the final looked a foregone conclusion. Brickeys' failure to reproduce their fine form against Naomh Brid in the semi-final, surprised everyone in the fair-sized attendance at this game.

## Gate Receipts

The huge crowds who attended the semi-finals on Sunday paid £4,370 at Cappoquin and £4,100 at Walsh Park.

**G.A.A. NOTES**  
 The senior hurlers scored a three point win over Lismore in the County semi-final at Cappoquin on Sunday last. We led at half time by 3-1 to 0-9 with two goals from John Quirke and one from Clement Feeney. Another John Quirke goal at a vital stage of the second half gave us a great victory. The scenes of celebrations after the final whistle made it one of the sweetest victories the club has recorded. We congratulate each and every one of the players involved for the effort and commitment given. We now play Roanmore in the County final at Walsh Park on Sunday week at 3.30 p.m. See full match elsewhere in this issue.

The U-12 footballers recorded two wins last week in the championship with victories over St. Oliver's and Stradbally. They will play their next game on the week-end of October 7th. The U-16 footballers lost in the final game of the championship against Nire in Cappoquin on Sunday morning. Two of our U-16 hurlers, namely Tom Feeney and Sean Hickey, attended a Coaching Week-end at the Friary College last week-end.

The club are glad to see Seamus Feeney recovered from the injury sustained in the minor final replay.

A well attended meeting of the juvenile club was held last Wednesday night where arrangements were made for the visit of the Galway U-16 team this week-end. They will play Waterford in a two leg tournament sponsored by Brian Twomey Sports Shop, Fermoy. The first game will be on Saturday at 4.00 p.m. and the second one on Sunday at 11.30 a.m. The Gal-

way players will be put up in houses in the parish on Saturday night. A disco will be held in the hall on Saturday night at 9.30 p.m. with a small cover charge to defray expenses. Both teams will be treated to teas and sandwiches in the hall after the games with the help of the Ladies Club. Another meeting of the juvenile club will be held on tonight (Wednesday) in the Library at 9.00 p.m. Unfortunately the U-14 game involving Cork and Waterford has had to be called off to a later date.

The adult club would like to thank those who subscribed so generously to the Church Gate Collection last week-end when more than £600 was collected which must surely be a record for a collection in the parish.

The Primary Schools football team will play Cappoquin, Grange/Ardmore and Clashmore/Ballycurrane in the forthcoming competition which will be commencing in early October.

The minor hurlers were defeated in the replay of the divisional final by St. Patrick's on the score of 3-5 to 1-6. We were on level terms at 1-3 a piece at the break with the goal coming from Seamus Feeney. Well done to each and every member of the panel on fine performances throughout the championship and for the effort put in. Well done also to the selectors Eugene Hickey, Richie Walsh and Maurice Geary who helped out with training for giving of the time and effort to help the team.

We wish St. Patrick's the best of luck in the County final this Saturday against St. Saviours in Walsh Park, Waterford.
