## Co. Council Facing Budget Bankruptcy?

Next Monday will be Budget Day for Waterford County Council when the members will meet in Dungarvan in an effort to balance their budget for 1990 the year which marks the beginning of the last decade in the present century. Total expenditure for the year is projected at a massive £16 million and councillors are facing a most unenviable task in their efforts to balance the books for the coming year.

In facing some of the unpalatable options open to them, the councillors will be bearing in mind that next year will very probably be local elections year and they will want to shy away from decisions which could jeopardise their chances as far as the electorate is concerned.

As matters stand, the councillors are faced on the income side of the budget with proposals to increase rates by 10 per cent and to

increase service charges by the same amount. It is unlikely, in the circumstances, that councillors will readily approve of such proposals but in the absence of any other source of income, the only other option will be to reduce the existing services.

The Council has already had a "milkrun" over the estimates when they met with the Council's senior officials behind closed doors in Dungarvan last Friday but despite their best efforts at paring and pruning expenditure, they could only agree cuts totalling £200,000 after their two hour meeting. One member put the Council dilemma in a nutshell when he declared that they just didn't have the

financial resources to run the county in 1990 and that they were close to bankruptcy.

### REQUEST TO MINISTER

As a result of last Friday's meeting the Council has now sent an urgent request to the Minister for the Environment, Mr. Flynn, to provide the Council with additional funding to enable them to meet their financial commitments in providing the necessary services without drastic cutbacks for 1990.

In the absence of any positive reply from the Minister it is quite likely that a final decision on the estimates will not be made by the Council on Monday next.

## YOUNG BALLYDUFF MAN AND HIS WIFE KILLED IN HORROR CRASH

A young married couple were killed instantly in a horror crash that took place on the main Cork-Dublin road just outside the village of Glanmire, Co. Cork on last Monday afternoon when their car was in collision with a large truck.

They were Denis Martin and his wife Mary from Kilclare, Conna, Co. Cork. Mr. Martin who was aged 29 was the eldest son of Mr. and Mrs. Jimmy Martin, Toornageeha, Ballyduff Upper and he was a plasterer by trade. His wife Mary (nee Ahern) worked at the Castlelyons Co-op Supermart.

The accident occurred in wet and misty conditions at approximately 3.45 p.m. A Garda spokesman said that the car in which the couple were travelling, a Nissan Sunny, was passing out a truck on a short, straight stretch of road about a mile from Annacarton Bridge when they were faced with an 8-ton DAF 1900 lorry

coming in the opposite direction.

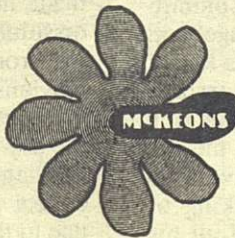

### PINNED UNDERNEATH

Both vehicles collided and the car ended up on its roof in a field just off the road down a six-foot drop and pinned underneath the front of the lorry. Rescue services had to launch a major operation to remove the truck from the top of the car before they were able to remove the two bodies.

The lorry driver, Mr. Michael Blackmore, Piltown, Co. Kilkenny was uninjured apart from minor bruises and shock.

The horror crash which has swept this very popular and well-known young married couple to instant death has left the people both in Ballyduff Upper and Conna in a deep state of shock and the heartfelt sympathy of the entire community is extended to their family relatives who have now been so tragically bereaved.

# Dungarvan Woman Is ICA Salesperson Of The Year

The competition run by Waterford ICA Federation for Salesperson of the Year was surprisingly entertaining. It was held in St. Olaf's Hall, Waterford on October 24, with Junior Chamber personnel Miriam Phelan, Patsy Meade and Roger Shanahan acting as judges.

The "Shop," a stand set up by Lismore Travel, was the selling location for travel holidays. Considering that none of the contestants was in the travel business it was a real test of the selling ability of the eight women and one man who entered the competition.

Those participating were employed by Waterford firms — Shaws, Hickeys, Sasha, Kniesel and Fitzpatrick's and by Dungarvan shops David Walsh and M. J. Curran.

The very worthy winner was Miss Georgina Quinn who sells Waterford Crystal and Aynsley China in M. J. Curran's of Dungar-

van. Now Miss Quinn goes forward to the national final in Dublin.

But probably the "star" of the evening was Mrs. Mary Molloy of Waterford City ICA. She was the "shopper" in all nine cases, requiring a

different type of holiday from each salesperson; anything from a holiday in The Canaries, with sun guaranteed for herself and her husband, to a caravan holiday in Ballymacarby (now!) for herself and her three children.

Those and seven more varied holidays which must mean the end of her holiday money for some time come! — From Mary Shanahan PRO.

Pictured at the presentations were, (back row from left), John A. Murphy, Chief Executive of IQA, Centra Sales Director Greg Cantillon and the foodmarket group's Chairman Seamus Scally. (Middle row from left), Centra Marketing Director Niall Howard and Centra Sales Manager Joe Murphy. ## THE THIRD RING

If I am brief with the Sunday message, I'm sure you'll have realised I ran out of space last week when dealing with preparation as a spring-board for successful marriage. Hence, the themes for the 31st Sunday can be summed up under the heading: The compassion of Jesus, who brings salvation and the Church providing the sign of His presence in the world. So, it is back to marriage, and having started I feel I should now venture into the inner sanctum. We all differ greatly in our abilities, character, health, etc. It follows we take our shortcomings, bad habits and weaknesses as well as our good side into marriage, and it is inevitable that marriages will have to endure the strain of growing pains. And, that is not allowing for all the daily upsets that crowd into everyday life. Hence, one requires patience, tolerance, forgiveness, kindness and generosity to enable one to cope successfully. The Lord, the author of marriage said: "Charity begins at home," and therein rests the solution to building a happy home. Your neighbour who is nearest and dearest is your wife. Need I say more!

The experience of couples, who stand united in the shouldering of problems, is, it is a binding force. We know, with God's help, that virtue is perfected in weakness, so likewise, sharing the marriage burdens helps to make homes havens of love and happiness. We live in a valley of tears, so if there were not dark clouds, it would be most unusual. As I said, sweep

away the dark clouds together, and your love will blossom under the sunshine of God's love.

I must stress here that the unbreakable bond instituted by God is one of the greatest and telling factors in the preservation of marriage. It is like an anchor in a storm. It should make couples realise that they should not allow selfishness to wreck and to destroy what God had planned. There's too much at stake, and too much to lose. There's no room to be head-strong. You see, marriage will not make you, you must make the marriage. So, it is a joint and a united effort. You've had your engagement ring, and your wedding ring. Now, you have your "suffering Ring." This ring is no symbol. It is a reality, which, if dedicated to the marriage, will add richness.

The great majority work out their salvation in the marriage arena, and, by the very nature of their vocation, they have duties to God as well as to their partners. Love is the pivot on which everything works. The home then ought to be a storehouse of understanding, consideration, support, patience and forgiveness, and when these are practised you have two people living as one. I did mention some guidelines for preparation, but as no two are alike in character, common-sense must be brought into play. You know that what's a mole hill to one is a mountain to another.

In life you cannot run away from trouble. It is life. The priest, the religious and the single person are no exceptions. No one is free. Generally, most folk cope and manage to make

the best of things. The marriage situation in that two stand united in facing the difficulties ought to be easier. The old proverb, "Those who suffer for love feel no pain," is based on the experience of life. Undoubtedly, the Lord fully understood the commitments and pressures of marriage, yet in His wisdom He knew if His law of love was honoured that marriage would prove to be a source of rich blessings. Why do you think the old pensioner said to me "he'd have it no other way." He was not talking of money. He had to work hard all his life.

I saw feathers fly my first year as a priest. I was living with four other priests. I managed to remain unruffled, and soon learned that if I was to be happy in my work, I'd have to overlook many things. Human relations! but so important. Those entering marriage have had a choice, so that that should be to their advantage. However, in the best laid schemes things do go wrong. And, when they do, do not allow them to become complicated. Follow the Lord's advice, "do not allow the sun to go down upon your anger." Be generous in forgiving and be bountiful in expressing gratitude.

## FAMILY PRAYER

If I mention family prayer I do so with the conviction that it consolidates every aspect of married life. Generally, if you are at peace with God, you will be at peace with your partner. The one who loves God is one who'll strive to love his home.

Jesus, when He elevated marriage,

and made it a source of grace said: "What God had joined together let no man put asunder." His listeners understood what he meant, and said: "Moses allowed us divorce." He replied: "It was not always so, for when God first made marriage, it bore the seal of indissolubility." And He made it clear that from here on it would remain so. Obviously God is being ignored for all over the world divorce is the order of the day. In England one in every three marriages end in the divorce court. I expect the rate would be higher but due to the problems of marriage settlements, many find it more convenient to just live together, and this would seem to be on the increase. It does not pay to have children in these circumstances, but where they are involved, they bear the brunt of the damage.

Enough for the evil consequences of divorce. The one irrevocable argument against the remarriage of divorced people lies in God's law. Every marriage and that includes non-christian marriages is unbreakable within the limits set by Christ. Let me say outright that the Pope is unable to break the valid marriage of two christians, who have lived together. It is not a question of he won't. It is just he has not the power. Yes, I could set up shop, and marry divorced people, but I'd only be fooling you as well as myself. No one can fool God.

Social circumstances have changed. Women go out to work. People move around a lot. Always wear your wedding ring. Yes, hubbies too. And, remember, far away fields look green, so pray for faithfulness.

## Dungarvan Youth Club Notes

Last Tuesday night was a very special night for all involved with Dungarvan Youth Club. It was the night we finally opened our coffee shop. After months of hard work the big night arrived. Cllr. Mary Dixon, Vice-Chairperson of Dungarvan Urban District Council, had the pleasure of cutting the tape.

John O'Mahoney thanked everyone for coming and praised local man Jim Egan for all the time that he gave to the project. Jim passed on all his skills to the members and for that we are grateful. John also thanked the Youth Club Committee, the fundraising committee, the local area group for the stools and the Friary for the beautiful coffee tables, and Mrs. McGregor for the curtains and baking.

Fr. Paul Murphy, representing the Waterford Regional Youth Council then paid tribute to Dungarvan Youth Club and said how important a part the club has played in youth work down through the years.

Then, Cllr. Mary Dixon, after a few words, cut the tape and our coffee bar was officially opened.

Everyone was impressed with the beautiful wall to wall seating, the lovely stools and coffee tables, and our new floor. We can now offer our members facilities on a par with any modern lounge bar. The coffee shop is a non-smoking area and is designed for young people to chat and mix in comfort.

It is near our annual general meeting time again and parents and anybody else interested are invited along to see for themselves this magnificent "pub with no beer!"

After the opening we had the Waterford group "Breakaway" on stage in the main hall. The group went down very well as did local D. J. John Wall. The dance did not finish until 1.30 and the very large crowd danced the night away.

We had the largest crowd

at the club for the last few years and to their credit everyone behaved very well. Not as much as a balloon was broken. It just goes to show that young people can enjoy themselves without drink. It is the number one rule in the club. No one

with alcohol taken will be admitted.

The band, when finished playing, had tea in our new coffee shop and they said they could not get over how nice the place was and also said how they enjoyed playing at the club. They were

not expecting to play to the large crowd that we had.

Finally, a big thank you to all who attended the opening and all those that turned up to the dance. The night could not have been so special without you. See you all again soon.

## Successful Talent Contest At Villierstown

Villierstown church resounded, reverberated and seemed to rejoice during last Friday night's Talent Contest, when recorders, concert flutes, guitars, banjos, tin whistles, accordions, singers and the drum of step dancers feet — made the rafters ring.

The acoustics were excellent; added to Noel Cronin's sound systems the results were perfect. Adjudicator, Mrs. Alice Tobin was full of praise and, with her colleagues Mr. Con Ryan and Mr. Tom Mulcahy, expressed a wish that such 'old time' entertainment, once started, should be continued in Villierstown. The organising committee already have plans in the pipeline for a concert which will feature a variety of talent from West Waterford and beyond.

Congratulations to all the contestants who took part in the first of what we hope will be an annual event. In the individual section the winner was singer Geraldine Kelly from Youghal; in second place was Marguerite Fraher on recorder from Cappoquin, and in third place another singer, Aine O'Connor from Cappoquin.

In the group section, first were Ciaran Galvin and Darren Drummy on accordion and tin whistle; in second place were step

dancers Annette O'Keefe and Stephen Dunne, and in third place were the Melleray Step Dancers.

Many thanks are due to all the sponsors of the excellent prizes and to all the people of the locality who helped with the organising. After the performance, M.C. Mr. Ned Keane an-

nounced the results of the annual raffle: 1st prize, £150 to Mrs. M. O'Brien, Glenribbin, Lismore; 2nd prize, £50 to Master Jenny O'Brien, Mallow; 3rd prize, Hamper to Francis Prendergast, Tallow.

Look out for further events in Villierstown Church.

## Brickey River Maintenance Work Will Continue

At Question Time in the Dail last week, Deputy Austin Deasy asked the Minister for Finance the reason maintenance work ceased on the Brickey River Drainage Scheme; and the steps which are being taken to prevent further deterioration of improvements carried out over the past twenty-five years. In his reply, the Minister Mr. Albert Reynolds said:

"As in the case of all drainage schemes undertaken

en by the Commissioners of Public Works under the Arterial Drainage Act, 1945, the Brickey catchment is inspected on a regular basis and maintenance work is carried out as and when required, having regard to the resources available. There are no plans to discontinue this practice. Indeed, it is intended to execute some necessary maintenance work in the Brickey catchment over the next few weeks."

## Know Your Rights

**Q** — I have been in receipt of Unemployment Benefit and have now been transferred to Unemployment Assistance. If I go to work abroad, will my social welfare deduction there help me to requalify for Unemployment Benefit upon returning to this country.

**A** — Having exhausted your entitlement to Unemployment Benefit, which is a PRSI based payment, you will need to get at least 13 weeks employment, insurable at Class 'A' or equivalent in order to requalify. These contributions can be paid in any E.C. country.

However, if the employment is outside Ireland then it will be necessary for you, on returning, to register at least one class 'A' contribution before your E.C. record can be taken into account in deciding your entitlement to Unemployment Benefit, i.e. you will have to work for at least one week.

If you become unemployed in the other (E.C.)

country, having worked there for a period and if you qualify for Unemployment Benefit in that country, then you will have the option of transferring that claim back to Ireland for up to 13 weeks. You would have to be in receipt of the Unemployment Benefit payment for at least four weeks before you would be allowed transfer the claim. This transfer-of-claim facility will not extend to Spain and Portugal until January 1st, 1993.

## West Waterford Drama Society Announces Plans

As autumn gives way to winter and people's choice of entertainment becomes more and more of the indoor nature, West Waterford Drama Society has announced its preliminary programme of activity for the longer nights.

This programme is part of a major fund-raising drive orientated towards hall development. The Community Council is presently examining development plans and the Drama Society, as major beneficiaries of any development, are harnessing our fund-raising capabilities in anticipation of the project.

The first event on the programme is a concert to suit all tastes. Comprised of a selection of music from Comhaltas Ceoltoiri Eireann, a one-act play, and a combination of mime, drama, dance and poetry from the children of the Geraldine Canning School of Speech and Drama. The one-act play is a new one — "Take It From Me" by Bob Reid and has been recently produced by the local group in a competition for one-act plays in the Cat Club in Cork. This concert takes place in St. Michael's Hall, Ballyduff, as do all the other events, on this Friday, November 10.

### MONTFORT SINGERS

The second event of the winter programme is a must for music lovers. The local society, in association with Fermoy Fish market, proudly present in concert on November 19, the Montfort Singers from Cork. The credits of this group, in operation for over a quarter of a century, are too lengthy for print. Brevity says that their recent Opera House shows have been Music Man, Camelot, Oklahoma, Pip-pin and Hello Dolly. The Tony Kenny Show and Billy Boyle Show have provided tv forums for their abilities, while a concert of theirs has been broadcast live on RTE from the National Concert Hall. Fans of the Opera House will know that the group has been involved with Summer Revels for over twenty years.

Our sponsors for this event have done us proud by aiding this concert and the group has done us proud by agreeing to

come. We thank them both. Booking for this show is per the kindness of Eithne Coleman at 058/60208.

The local group begins its pre-Christmas production on November 24. This year the group continues

its recent tradition of displaying the works of John B. Keane with the presentation of "Sive" under the direction of Bill Canning. This will include some recent regulars and a couple of old favourites returning to the fold. More will be heard of this in the near future as there will be of the post-Christmas production and the festival beginning in the first week of March.

## High Speed Boats For Fishery Patrols

A fleet of high-class patrol boats is being purchased by the Government with the aid of EC funding some of which will be used in the campaign against fishing poachers in the coming season. It is stated that the Southern Region Fisheries Board which has responsibility for Waterford and East Cork will be receiving one of the vessels.

Mr. James Roger, Manager SRFB said that the new boat would help them in their ongoing fight against illegal fishing. "It will enable us to achieve a significant improvement in our work but it will not change our operations in any way," he stated

## Cork "Makes It" Exhibition

Castlelyons Community Council will hold their annual Cork "Makes It" Exhibition this week from Nov. 10th-12th (incl.). The exhibition is a display window for goods manufactured in Cork City and County. This year there will be 26 stands displaying their wares in Castlelyons Community Hall. As usual the range will be enormous and the variety interesting. Every year Cork "Makes It" encourages new exhibitors to participate in their show and this creates great interest for the spectators.

The Cork Development Group developed the concept in the early seventies to mitigate the negative effects to recession particularly in the textile industry. After two mediocre exhibitions in Cork City prospects for the continuation of the annual event looked bleak. Castlelyons Community Council then adopted the project. Over the years the exhibition has grown from strength to strength with people coming from all over Munster to visit this very high profile prestigious show.

This year's exhibition will have some well established favourites with a lot of new exhibitors. There will be stands displaying beautiful crystal, fitted furniture, nursery items, up market knitted garments, house signs, fireplaces, aluminium windows and doors, soft toys, hand and glove puppets, advice on furniture restoration, beautiful patchwork quilts to be seen

and ordered. Why not do your Christmas shopping at this year's Cork "Makes It" Exhibition and support your home industry and crafts.

Mr. Denis Lyons, T.D., Junior Minister, will perform the official opening of the Exhibition on Friday evening at 7.30 p.m.

## Paddy Flanagan Road Race

The Paddy Flanagan Memorial Road Race from Waterford to Tramore will take place on Sunday next, November 12 commencing at 3 p.m. at the City Hall, The Mall.

There will be men's, women's, vets and juniors prizes also team prizes, all sponsored by Waterford Crystal. Entries will be accepted on the day.

# Ardmore Notes

**GET WELL WISHES**  
"Get well soon" is the message sent to young Sarah Dolan, Lisarow, by her school friends in Ardmore National School. Sarah is in hospital at present, recovering from a recent accident. We all hope she will have a speedy recovery.

**LATE MRS. UNA PRENDERGAST**

Mrs. Una Prendergast would be known to many of the people who attended Ardmore National School between the years 1956 and 1969. She came to Ardmore in 1956 to replace Mrs. Keevers (grandmother to Miss Keevers now teaching in Ardmore). She had previously been teaching in Clashmore. Una came from a long line of teachers, her father, step-mother and brother Jim were all teaching in Grange.

She had been active in the local ICA for many years and was a keen debater, having been on the team which won the Eleanora Gibbons Trophy for debating in Waterford.

In the early 30's and 40's she played an active part in trying to keep Colaiste Deuglan in use. In 1969 she moved to Dungarvan and taught in the CBS until she retired.

More recently, she had been involved with a group making vestments for the

Foreign Missionaries. She was known as a very fine needle worker.

The Requiem Mass last Thursday was a tribute to a much loved woman by the huge crowd that attended. She was laid to rest in Grange cemetery.

Sympathy is extended to her husband Jim and two daughters and one son. She will be missed by many.

**DUNVEGAN DARTS**

The Dunvegan team played Morrisseys of Cappoquin at home in Galaghers bar last Friday night when Dunvegan won 7-1. They held the usual 'at home' draw and 1st prize £10 went to Paul Marks of Cappoquin; 2nd prize of £5 went to Tom Maloney of Ardmore.

**SOCCER NEWS**

**Grange v. Youghal** — Grange played away to Youghal last Sunday. It was a hard game for both sides and in the end it was a 1-1 draw. Youghal scored the first goal of the game in the first half. Their scorer was Donie Murphy. But credit must go to Grange's Micheal O Domhnaill who scored for Grange. This must have been the best goal so far scored by Grange in the tournament. He shot to the net from about 30 yards out.

The Grange Soccer Club would like to thank every-

one who contributed to the church gate collection last Sunday.

**Ardmore v. Inch** — This match was played at home in Ardmore last Sunday and although it was bitter cold, both teams and spectators enjoyed the game which ended with Ardmore winning 2-0. Derek Kiely and Jerry O'Brien were the goal-scorers.

During the game, substitutes Seamus Allen and Frankie North came on in place of Declan Barron and Maurice Power.

**HURLING GAMES**

**Junior B: Ardmore v. Fenor** — The replay of the final will take place on Sunday at 2.30 p.m. in Portlao. It promises to be quite a battle, so come on and support your local team.

**Under-12 Final: Ardmore v. Ballyduff** — This match will be played on Saturday, but as yet the venue has not been decided. Again, another promising final.

**LADIES G.A.A.**

On behalf of the Ladies GAA we would like to thank everyone for donating cakes to the cake sale last Sunday, also those who supported the sale.

**GUIDE DOGS FOR THE BLIND**

The Ardmore Tidy Towns Committee cake sale, in aid of the guide Dogs for the Blind, was a great success. The sale realised £248 and this sum has been handed to Mrs. Bunda Cusack of Dungarvan, the local Secretary of the Association.

The Chairman and members of the Tidy Towns Committee wish to express sincere thanks to all who contributed in any way to this very successful cake sale.

**CLASHMORE/KINSALEBEG PLOUGHING ASSOCIATION**

The C/K. P.A. held a 45 card drive last Monday in aid of the Piltown/Clashmore church funds. The draw tickets being sold will be drawn on November 12 at the ploughing match.

**BADMINTON CLUB**

We played Cappoquin in Ardmore on Monday night and lost 7-1 in section F. Players: M. Allen, L. Rusk, P. Walsh, B. Mahony, J. Cronin, A. Power, D. Cunningham, D. Lenane. Next game v. Ring on Wednesday, November 15.

**RETIRED**

Congratulations and best wishes to John Ronayne who retired recently from Waterford County Council. He served for many years in the locality and his co-workers presented him with a gold watch on the day of his retirement. They wished him well and said they hoped he would visit the "shed" often.

# BALLYDUFF NOTES

**TRAGIC ACCIDENT**

The local community was deeply shocked on Monday night when the news broke of the deaths of Denis and Mary Martin, Kilclare, Conna, in a road traffic accident. Denis was son of Mr. and Mrs. James Martin, Toornageeha, Ballyduff. Full obituary in next issue.

**45 DRIVE**

**G.A.A. NOTES**

The under-12 footballers advanced to the divisional final of the Bord Na nOg competition when they defeated Affane in a replay at Lismore on Saturday last by 1-7 to 0-2. The sides had ended all square on the previous Wednesday on the score of Ballyduff 0-8, Affane 1-5. We trailed in that game by 1-2 to 0-2 at half time but came back to draw level at 1-2 to 0-5 before Affane regained their three point advantage, but the never-say-die effort of the Reds was to be seen to great effect here as they fought back to level it again.

In the replay we led at the break by 0-3 to 0-1 but a goal early in the second half put us on the road to victory and a place in the final against Ardmore. This final will be played on Saturday morning next at 11.30 a.m., with Cappoquin the most likely venue. Transport will leave the Village at 10.45 a.m. Panel — C. Berry, S. Quirke, G. Feeney, P. Noo-

nan, D. O'Keeffe, J. Twomey, P. Feeney, K. Condon, M. Molumphy, G. Berry, K. McNamara, T. Molumphy, T. Feeney, T. Morrisson, B. Hannon, M. Feeney, M. Cashell, D. Berry, M. O'Gorman, T. Murphy, T. Feeney.

### UNDER-16 "B" COUNTY FINAL

In a very exciting under-16 "B" County final in Dungarvan on Saturday evening last Kilmacthomas and Naomh Brid lived to fight another day when they finished all square 1-5 each.

Kilmac' were behind at the interval 1-3 to 0-1, but they fought back in great spirit and determination to earn a well deserved draw with a great goal from Neil Phelan with three minutes remaining and with a bit of luck could have got the winner in the last minute. But at the finish perhaps a draw was a fair result and both sides will have a chance to show their skills hopefully under better conditions.

Kilmac' team and scorers — Finbar McCarthy, Colin Crotty, Pat Lawlor, Michael Lawlor, Paddy Morrissey, Paddy McGrath, Hugh Mulhearn, Patrick O'Reilly (0-2), John Long, Colin Whelan, Enda O'Regan (0-

## WHAT DOES EMIGRATION MEAN?

The decision to emigrate is probably one of the biggest decisions a young person ever will make as it is one which will change and effect the rest of a person's life.

Whatever the reason is for leaving Ireland, emigration means leaving home and family in search of work, better opportunities and a new life elsewhere. It means the leaving behind of friends and colleagues and starting afresh in a strange, unfamiliar and foreign place with unfamiliar people in a strange and foreign culture.

It also means that a person will probably never again live permanently in Ireland and in future will go back just for holidays and family visits. In the circumstances people owe it to themselves to make an informed decision about emigration before embarking on such a very serious step in their lives.

In an effort to enable them to do so, the Action Group for Irish Youth (AGIY), a London based voluntary agency which aims to promote the interest and welfare of young Irish people in London launched its revised edition of "A Guide To London For Young Irish People" in Cork yesterday, Tuesday, November 7. The Guide provides over 160 pages of basic survival type information on finding a place to live, getting a job, social security provision and entitlements, information on training courses and further education, Irish contacts in London and other similar vital points.

At the launch, members of the AGIY group also highlighted the situation facing young Irish emigrants in London and stressed the need for increased awareness about the implications for intending emigrants of the ever-

changing legislation in Britain.

Information about the Guide can be obtained by writing to Action Group For Irish Youth, 5-15 Cromer Street, London WC1H 8LS.

## DEATH OF AN BRATHAIR O CATHAIN

A Christian Brother who numbered among his former pupils the Taoiseach, Mr. Haughey and former government Ministers Austin Deasy, Kevin Boland and the late George Colley died on Sunday last, November 5, at St. Patrick's, Baldoyle, Co. Dublin at the age of 81.

Brother Tomas O Cathain, a native of Kilmacoma, Co. Clare, taught at a number of Schools in Dublin, Templemore, Doneraile, Dungarvan and Limerick before he retired.

He graduated with an MA in Irish from UCC in the 1930's and in the mid-60's was author of the first mathematics book in Irish for the new mathematics course which became a standard work in that sphere in subsequent years.

Brother O Cathain taught at Dungarvan CBS between 1950 and 1956 during which time popular Waterford T.D. and former Minister for Agriculture, Austin Deasy was one of his pupils. Paying tribute to Brother O Cathain on Monday before he left to attend the funeral, Deputy Deasy said he was a superb teacher with a brilliant mind dealing with such difficult subjects as Honour Mathematics, Physics,

Mathematical Physics and Honours Latin while he was also an expert on ancient Irish manuscripts. He attributed much of his success and that of his fellow classmates of those years to the training they received under Brother O Cathain.

An outstanding sportsman, Brother O Cathain also did much to encourage G.A.A. and coached a fine hurling team at the CBS during his years in Dungarvan.

The news of his death was received with much regret in Dungarvan where he is still fondly remembered. Go dtuga Dia Suaineas Siorraí do ins na bhFlaitheas.

## CONCERN CONGRATULATES WATERFORD

Over the past 21 years since Concern first initiated its overseas service for underdeveloped countries, nurses, doctors, agriculturalists, teachers, engineers, mechanics, administrators, accountants and social workers from many parts of Ireland have all played their part.

Co. Waterford has been well represented and Ann Kiely, a civil engineer from Cappoquin, is just one example. She was a volunteer in Sudan from 1987 to 1989 during which she supervised the construction of two health clinics and also worked on existing water projects, including water filtration and hand dug wells in Kosti.

Concern first responded to famine and suffering in Biafra in 1968. Now, 21 years later, Concern is still responding in Ethiopia, Sudan, Tanzania, Mozambique, Bangladesh and Thailand and will continue its work in the years ahead.

A message from the headquarters of Concern in Dublin which has come to hand states: "The encouragement and assistance of the Waterford people and the commitment of our network of local supporters has enabled us to continue this tradition of service to the poorest."

## THE PRAYER OF THE COUNCILLORS

Members of Waterford County Council face the mammoth task of trying to finance the public services for the coming year without placing any additional burdens on the ratepayers of the county and at the same time not placing any re-

strictions on the services provided when they hold their Annual Estimates meeting in Dungarvan next Monday.

For the superstitious, the fact that the calendar date for Monday is the 13th may suggest that it would be an unlucky day on which to arrive at any positive decision but apart from that it is hardly likely that the Council will reach approval on the figures at their first discussion of the problems in public on Monday.

Briefly, the principal options open to the councillors are increases in the county rate and service charges or a reduction in services and this makes the task all the more daunting.

In the circumstances we are sure that the members will recite with more than usual fervour on Monday the following prayer in Irish which is recited at the commencement of each Council meeting: "Iar-raimid Ort, A Thiarna, T'anal naomhtha do chur fuinn chun sinn do stiuradh in ar ngniomhartha agus neart Do ghrasta do bhronnadh orainn chun iad do thabhairt chun criche, ionnus gur Uait-se tosnofar ar n-uile bhriathar agus ar n-uile ghníomh feasta, agus gur Triot a chriochnofar iad, tre Christ ar dTiarna.

Translated the prayer is: "Direct, we beseech Thee, O Lord, our actions by Thy hold inspirations and carry them on by Thy gracious assistance, that every word and work of ours may always begin from Thee and by Thee be happily ended, through Christ our Lord, Amen."

Certainly because of the rather drastic options open to them, the councillors will need all the courage and inspiration that they can get in reaching an acceptable solution to the problem when they gather to consider the matter on Monday.

## THE CURSE OF EMIGRATION

Nightly on our television screens for the last few weeks we have seen graphic pictures of the exodus of thousands of people who have fled from the Communist regime in East Germany to the other part of their divided country in the Federal Republic of Germany. For the most part they are all young people, many with young families. It is sad when you see such a mass exodus and it is something which should make us think, especially

here in Ireland where we have been experiencing the renewed curse of emigration in recent years.

In reply to questions in the Dail last week, the Junior Minister at the Department of the Taoiseach, Mr. Vincent Brady revealed that the number of people estimated to have emigrated during the last three years was as follows: 1987 — 27,000; 1988 — 32,000; 1989 — 46,000. This comes to a total of

105,000 persons who have left us in the short space of three years, surely a damning indictment of the way the country is being run.

These 105,000 have gone off in ones and twos and threes, slipping quietly away. In this way the impact of their departure is nothing as dramatic as is the mass exodus of the East Germans. It is, nonetheless, a tragedy of similar proportions.

## THE FACE ON THE BAR ROOM FLOOR

In order to respond to a very special request from a long-time reader of this column we will devote this corner, usually reserved for a ballad or old song, to the words of a famous and once very well known recitation this week. The request which comes from Dungarvan is for the words of "The Face On The Bar Room Floor," a recitation in the same powerful mould as "The Shooting Of Dan McGrew" and "The Green Eye Of The Little Yellow God."

"The Face On The Bar Room Floor" was composed by one, H. Antoine D'Arcy and, inspired by the poem, it is related that Herndon Davis, the famous artist from Denver in the U.S. painted the face of Madeline on the bar room floor of the Teller House in Central City, Colorado when he was in Central City doing other painting in 1936, having decided that it was just the spot to put it. Whether the Teller House is still there we do not now know. But anyhow, here is what the story is all about.—

"'Twas a balmy summer evening and a goodly crowd was there,  
Which well nigh filled Joe's bar room on the corner of the square,  
As songs and witty stories came through the open door,  
A vagabond crept in slowly and posed upon the floor.

"Give me a drink, — that's what I want, — I'm out o funds  
you know,  
When I had the cash to treat the crowd, this hand was  
never slow,  
You laugh as if this pocket had never held a sou;  
I once was fixed as well, my boys, as any one of you."

"I was a painter, — not one that daubed on bricks and  
wood,  
But an artist, and for my age, was rated pretty good.  
And then I met a woman, — now comes the funny part,—  
With eyes that petrified my brain and sank into my heart."

"I was working on a portrait one afternoon in May,  
Of a fair-haired boy, a friend of mine, who lived across  
the way,  
And Madeline admired it, and much to my surprise,  
She said she'd like to know the man that had such dreamy  
eyes.

"It took her not long to know him and before the month had  
flown,  
My friend, — he stole my darling and I was left alone.  
Give me that piece of chalk that marks the baseball score,  
And you'll see the lovely Madeline upon the bar room floor."

Another drink — with chalk in hand the vagabond began  
To sketch a face that well might buy the soul of any man.  
Then, as he placed another lock upon the shapely head,  
With fearful shriek he leaped, and fell across the picture —  
dead.

## Kilmacthomas Macra Na Feirme

**Debating** — Congratulations to the senior debating team who defeated Kinsalebeg in a close contest in the Teagasc Centre, Dungarvan, on Friday, November 3.

Casey for his help with the topic, it was greatly appreciated. Our next outing will be the county final against Ballyduff, where we are debating the motion — "that arranged marriages are a thing of the past."

## RUAIDHRI ALAINN

Oiche roimh Fheil' Sheain is me ar mo shamh leaba sinte,  
Sea chonnacas samhailt mo mhathar go craite is i 'sior-ghol

Tre bhas do dhearthair alainn 'sea d'fhagas an Cnoc Bui 'muigh."

On St. John's Eve being on my restful bed in slumber  
I saw my mother's likeness, troubled and forever aweeping  
Saying: — "Arise, A Phadraig, and sorrow-filled will be your heart,  
To tell of your dear brother's death I quit An Cnoc Bui beyond.

"Foill a bhean, na h-imigh uaim go neosair bri do sceil dom,  
Mar is deacair a chur i dtuiscint dom go bhfuil an scafaire ud traochta"  
Se duairt si — "Is bean gan ghangaid me, is nior chleachtas riamh  
an t-eitheach,  
Ag Crosaire an Fheadain mo dhioma do ghabhadh de philear air."

"Tarry woman and go not, till you explain to me your tidings  
For it is difficult to impress on me that that bold fellow is lying low"  
She answered — "No deceitful woman am I, nor did I ever cultivate  
the lie,  
At Crosaire an Fheadain, alas! he was pierced by a bullet."

Nior shroiseas-sa an crosaire go h-eadarach an lae ud,  
Annsud 'sea fuair me an scafaire is e sinte ar shoipin feir ann,  
Gan aoinne beo da charaid ann a snachadh na a ghleasadh  
Acht saighdiuiri o Shasana is a mbaignití taobh leo.

I did not reach the crossroads till the noon of the day  
There I found my bold lad low, on an armful of hay  
Not one of his friends to wash him or prepare him  
But soldiers from Shasana with their bayonets awaiting.

Do dhruideas leis an oifigeach is labhras-sa go seimh leis  
A ra: "Cad a dhein an cholann bhocht na bainfi dhe a chuid eadaigh?"  
Ba ghearr a bhios gan freagra, is ba dhainid, dhubhach, mar seal e  
Na leomhfai mear do leagaint air, go dtagadh na Cronaeiri.

I approached the Officer and mannerly addressed him  
Asking what the poor body had done that it was not as yet disrobed  
I remained not long unanswered, and the regretful, sad reply was  
That not a finger must be laid on him till the arrival of the Jurymen.

Breacfaidh mise scribhinn 'gus cuirfead i fe sheala  
Sios go dti na Cumaracha no an maireann siad in aon chor?  
Nil aon bhaile cuanna diobh o Lios Mor go Cluain Fhaidh Paorach  
Na beidh ag teacht 'na sluithe agus fuaim acu ar t-eileamh.

I shall pen a missive and send it under seal close  
Down to na Cumaracha if they at all survive still  
For not a single noble house from Lios Mor to Cluain Fhaidh Paorach  
But will come in legions with loud lamenting seeking you.

Bhi la 'go Ruaidhri Alainn is bhi la 'ge mar a bhi se  
Bhuailfeadh sa chroman iad is d'fhagfadh annsud iad sinte  
Ni raibh gadhar na coilean diobh ar phatruin na ar aonach  
Na deanfadh Ruaidhri Alainn snath diobh le n-a chail-bhois.

Ruaidhri Alainn had his day and a great day it was  
He would strike them upon the hip and leave them lying low  
Not a cur or a whelp among them at pattern or at fair,  
But Ruaidhri Alainn would cut to ribbons with his slender graceful hand.

Ba dheas i a chos ar iomra, ba chanta i 'ghlun ar staca,  
Do thogfadh se na tithe on a mbun go dti 'n mbarr suas  
Is anois, o ta se molta agam, is deacair liom e chaineadh,  
Ach dhein se posadh scanallach 'thug masla mor do chairde.

Expert his foot upon the ridge, dexterous his knee on the stack  
He would erect the houses from foundation unto the roofridge  
And now that I have lauded him, to fault him I find difficult  
But an unsuitable marriage he contracted most unacceptable to his  
friends.

## ABBEYSIDE SCOUT NOTES

### TROOP MEETING

Last Saturday nights troop meeting was full uniform. After we opened with the prayers we continued with our revision of the scout badge or as they call it now Tracker Badge, this week we covered the sign, salute and handshake.

After subs the patrols in turn went to the altar and answered questions on the revision. They say stories get better with age, well when one scout was explaining about the handshake he said Baden Powell met the chief outside the "city" of Ashanti. I'm sure B.P. must be chuckling in his grave. Another scout re-christened B.P. to Robert Power.

We got back to patrol activities this week. It was a case of be very observant and alert as Brendan

Kiersey tested the minds of all the patrols. He gave each patrol a photostat full of information for a couple of minutes, he then retrieved the papers and fired the questions. It was John Paul Cosgrave, Derek Kenneally and their Kestrel patrol who proved to be the most awake.

A couple of balloon games were then run by Tomas, these were brief but exciting as Liam Moore, Patrick Power, David Considine and all the other tall chaps revelled here.

It was coats on and down to the Church for practice for our Scout Mass.

On return to the den notices were read out and tickets were distributed to all the scouts for the annual "Twelve Days of Christmas Draw"; all scouts are expected to put in a good

effort here. We ended with the prayers.

### LET THERE BE LIGHT!

Along with many other areas in the village we received a new light on the E.S.B. pole outside the den recently. This is welcomed by all as it makes the road a much safer place now that the dark nights are with us.

We say thanks to the providers of same.

### SCOUT MASS

This Friday night, November 10 at 7.30 p.m., we welcome you to join us for our sixth annual Mass for all deceased members, supporters and friends of 4th Waterford Scouting.

This special ceremony will be held in Abbesside Church and the celebrant will be Fr. Ahearne, Troop Chaplain. All are welcome. — Sub-Subscribe Plus.

## Dungarvan Museum Notes

This year's A.G.M. of Dungarvan's Museum Society was held at the Tourist Office Room, over the Library, on Thursday October 26, 1989. Our very able Chairman, Mr. Jim Shine B.E. in his address gave a resume of a very satisfactory year's activities and outlined plans for the future.

This year while we did not have as many exhibitions as in previous years the two we had were among the most popular so far. The first was a Christmas Exhibition and consisted of antique dolls, toys, children's books, cards, etc., and was most interesting. The second exhibition "Dungarvan — A Bird's Eye View" gave a glimpse of Dungarvan through the centuries in maps, drawings, models and aerial photos and created tremendous interest with locals and visitors alike. This Exhibition opened with the "Shop Front Awards" for 1988 which has become an annual event.

Our members enjoyed outings to Youghal (Molana Abbey, Templemichael and Rinncrew);

The Comeraghs (with Sean and Sile Murphy as guides); Ring/Old Parish and Ardmore with Siobhan Lincoln as guide. We thank all the people who made these outings such a success especially the guides.

### LECTURES

We also had a number of very interesting lectures but of particular interest was one by Sean Murphy on "The Comeraghs - History and Folklore" and also Valerie Mulvin's "A Lost Tradition" an illustrated lecture on the ordinary but beautiful buildings of the Irish Countryside placing them in their cultural and historical framework.

The Chairman thanked all those who donated gifts to the Museum during the year especially Mr. Sev. Baumann who so generously donated a beautiful

display case. He also thanked all members who gave so generously of their time to "man" the Exhibitions throughout the year.

The people of the town are obviously realising the advantages of the Museum especially for visitors to the area.

The following are the officers and committee elected at our A.G.M.:

Chairperson — Mr. Jim Shine B.E.; Vice-Chairperson — Mr. Willie Fraher; Joint Secretaries — Mrs. Mary McGrath and Mrs. Ita White; Treasurer — Mrs. Joan Baily; Committee members — Miss Caitlin Morrissey, Mrs. B. Cusack, Mr. Jack English, Mr. Richard Walsh, Mr. Evan Griffin, Mr. Michael Walsh, Mr. Matt Connolly and Mrs. Siobhan Lincoln.

## OLIVER'S VARIETY NIGHT

The "Dynamic Duo" have been in action once again. Yes you have guessed those delightful local girls — 16-years-old Grainne O'Connor and Shirley Landers have combined their talents once more to devise and direct an entertaining evening entitled "Oliver's Variety Night" based on that famous novel "Oliver Twist" by Charles Dickens.

Enlisting the aid of 50 children from the locality rehearsals began on July 2 with the youngest member of the cast just 6-years-old. Well the cast have thrown themselves body and soul into those rehearsals — their schedule twice weekly and during the mid-term break practised 3-4 hours daily these past 10 days. What about that for commitment.

Well the big night is drawing close with the opening night on Tuesday, November 14 with a repeat performance on the following night, Wednesday, November 15. Our Lady's Hall, Mercy Convent Grounds is the venue, starting at 8 p.m. with doors opening at 7.15 p.m. Admission will be adults £2, children £1. Tickets are one sale at Eily Masons and Uniackes.

Remember all proceeds will be distributed among local charities. We would appeal to the general public for massive support for these youngsters. They were brilliant last year and this year's production will be no exception. They have made the effort to entertain us, let us make the effort to support them.

## DEATH OF MR. JOHN QUANN

## CAPPOQUIN A.F.C. NOTES

### Carriglea Rovers 3 Cappoquin B 3

We travelled to Carriglea on Sunday and came away with a valuable point in a very tough encounter.

We started well and took the lead after only 35 seconds when Martin Power raced on to a through ball from Conor O'Leary but shot against the post. However, the rebound was put home by Michael Looby. With both defences on top it stayed that way until just before half-time when Martin Power added the second after running past two defenders in the area.

The second half however, was a different story and Carriglea put us under non-stop pressure. Within 20 minutes they had pulled back the deficit. Worse was to come minutes later when they scored again after a mix-up in our defence. After that we lifted the siege and managed to secure a point just before the end when Martin Power scored again after a great ball from Pat Cullen.

Overall a satisfactory result in the windy conditions but improvement will have to be made before our trip to Modeligo next Sunday.

Team — N. O'Donoghue, P. Walsh, P. J. Kiely, J. Cahill, D. Mason, K. O'Donnell, P. Cullen, P. Bergin, C. O'Leary, M. Power, M. Looby. Subs. — B. O'Sullivan for K. O'Donnell, D. Curran for M. Looby.

# RECENT DEATHS

## MR. JOHN O'NEILL

The death of Mr. John O'Neill, Kilcannon, Cappagh, where he was well and popularly known, has caused widespread regret and sorrow throughout the entire area. Following a period of ill health last year John made a splendid recovery, hence his unexpected passing on Monday evening, October 30 greatly saddened his wife, family and many relatives and friends.

A native of Modeligo, John was in his 76th year and had been employed at O'Shea's Joinery for many years. He took a keen interest in his locality and was to the fore in many of the local community based projects. He followed the fortunes of Modeligo GAA and soccer clubs with keen interest. A good darts player, John was a cornerstone in Deckies Darts Club. He enjoyed a social drink in the company of friends when the history of the locality was usually debated with enthusiasm. John was also a former president of the GAA Club and had been involved with Finnisk Rovers in his younger days and he was also a skilled hurley maker.

An accomplished set dancer, he was for many years a valued member of the Brickey Rangers Set. He also loved gardening and spent hours working at this hobby.

A deeply religious man, John was a caring person, a good husband and a devoted father. To his wife Mary, family and relatives we extend our deepest sympathy.

On Tuesday John's remains were brought from Dungarvan Hospital mortuary to Modeligo Church. En route, the cortege paused in tribute outside his residence. An overflowing attendance saw Rev. J. ## MR. JAMES POWER

It is with deep regret that we record the death of Mr. James Power, 78 Congress Villas, Dungarvan, which

He was a deeply religious man and a daily Mass-goer while his health allowed. He was a devoted husband and father, totally dedicated to his home and as a neighbour he had few equals.

Sincere sympathy is extended to his sorrowing wife Josie and family on their very sad bereavement.

On Sunday evening, October 22, Jimmy's remains were brought from the hospital mortuary to St. Mary's Parish Church and en route the cortege stopped at his home in prayerful tribute. A keen sporting enthusiast all his life, Gusty frequented the many race and dog tracks of the country. For those of us fortunate to have shared his company, life with the long tails will never be the same again.

# LISMORE NOTES

## LATE MRS. MARGARET WILLOUGHBY

It is with deepest regret that we record the death of Mrs. Margaret Willoughby, South Mall, Lismore which occurred after a very brief illness on Friday, October 27. Member of a well-known and most highly respected family, poignancy is added to her rather unexpected passing in that she was predeceased by her husband, the late John Willoughby by only a couple of months.

Her removal from Ryan's Funeral Home, Lismore to St. Carthage's Church was accompanied by a very large and most representative cortege and following Requiem Mass for her happy repose the interment took place in St. Carthage's cemetery in the presence of another very large gathering of mourning relatives and friends.

Deepest sympathy is extended to her bereaved sisters-in-law, brothers-in-law, nephews-in-law, nieces-in-law and other relatives.

**P.P.U. BENEFIT GREYHOUND MEETING**  
Last Friday night will rank as one of the most successful events organised by the Past Pupils of Lismore C.B.S. when they organised the Benefit Greyhound Meeting at Youghal Greyhound Stadium.

For many from the town this was a first visit to

greyhound racing and reports are that the evening was enjoyed by all.

There were 9 races and the winning nominators were — Mr. Ml. Murphy, Mr. Liam Fraser, Mr. Noel Cummins, Mr. Sean O'Sullivan, Mr. David Barry, Mr. Jackie Houlihan, Mr. Vincent Sheehan, Mr. Christy O'Brien, Mr. Tom Joe Murphy.

The Secretary of the P.P.U., Paddy Pollard thanked all who supported the event, the sponsors, especially Waterford Foods plc., the main sponsors.

Mr. John Barry, Chairman Waterford Foods, presented the main award to Mr. A. Bennett, Limerick, owner of Chestnut Tiger, winner of the feature race — The Waterford Foods Stakes.

All the winning nominators will each receive a trophy as a memento.

Finally, the most important news to emerge was that the event will again be organised for next year, so successful was last Friday night, both as a sporting and social occasion. Indeed the committee must be complimented on organising the event and to have made it such a success at such short notice.

## CAMOGIE NOTES

On Sunday last we held the first round of our 7-a-side tournament. In the first match we had the Devils v. the Mongrels. Despite slippery conditions and a strong cross field breeze this was a very entertaining game. The Mongrels started well and scored a point. They increased pressure and scored 2-1 and at half time the score was 2-2 to 0-0.

Into the second half the Devils got a point but the Mongrels scored another 3-1 and when the final whistle blew the score was 5-3 to 0-1.

Best on the winning side were Maud Cunningham, L. Heaphy, Catriona Or-

mond. Best for the Devils were D. Hickey and E. Dunne.

Mongrels — C. Ormond, C. Howard, Catriona Ormond, M. Cunningham (capt), T. McGrath, L. Heaphy, S. Coleman.

Devils — C. Murphy, E. Dunne, G. Walsh, D. Hickey, A. Howell, B. Pollard, A. Coughlan.

In the second match we had the Bog Trotters v. Bangers. This was one-sided due to the Bangers being short players due to injury and other reasons. In the first half it looked as if the Trotters would have an easy win and they led 6-0 to nil at half-time.

In the second half the Bangers came back to score 3 goals, but the Trotters had too much strength overall and ran out easy winners 12-0 to 3-00.

Best for the Trotters were — M. Reilly, G. Barry, S. O'Gorman, N. Roche. Best for Bangers were — E. Ormond, A. Walsh, J. Roche.

Bangers — P. Dunne, G. Ormond, A. Barry, C. Tobin, J. Walsh, J. Roche.

Trotters — S. Cotter, J. Dunne, M. Reilly, G. Barry, S. O'Gorman, N. Roche, M. Flynn.

Next Sunday's fixtures — Trotters v. Mongrels, 2-15 p.m.; Devils v. Bangers, 2.50 p.m.

The Mongrels and the Trotters are fancied teams and their meeting on Sunday is not to be missed.

Our referee was Liam Kirby. A point worth noting was that all points came from play. Now that things are on the move it would be nice to hear more voices on the sideline. See you all next week. — P.R.O.

# TALLOW NOTES

## BRIDE VIEW UTD. NOTES: RED HOUSE LEAGUE: CURLEY UNITED'S HERO

**Bride View 5, Killeagh 2**  
United's Manager, Mickey Curley turned in a terrific performance at home to Killeagh on Sunday morning last in which he scored four of our five goals. This victory puts United into second place in the league, one point behind Ballyduff but with a game in hand.

Killeagh played with a strong wind in the first half but it was United who scored first when Mickey Curley controlled the ball brilliantly and sent a rocket-like shot that ended up in the top right hand corner of the net from all of 30 yards.

Killeagh fought back and equalised in the 32nd minute. Both sides went close to taking the lead. Killeagh's keeper brought off a fine save from Paul Curley and his brother Philly shot just over the top from close range. Tomas McCarthy came to Bride View's rescue when he cleared off the line in the 41st minute, and thus the sides were locked together at the break at a goal a-piece.

Killeagh should have taken the lead in the 51st minute when one of their forwards missed an open goal, but they did score in the 55th minute to take the lead. It was then Curley turned on the style. He was brought down in the box in the 70th minute and Mickey made no mistake from the resultant penalty to put United back on level

terms. Two minutes later Gerard Hogan's pass found Curley and he volleyed the ball into the left hand corner of the net to put United in front. It was all United now and Paul Curley was brought down in the box in the 82nd minute and again Mickey Curley gave the keeper no chance. Stephen Curley rounded off the scoring in this seven-goal thriller in the 84th minute with a fine headed goal.

This win puts United in second place in the league which is no more than they deserve as they are playing some nice football at the moment. It's nice also to see the supporters gathering round and over sixty of them braved the cold on Sunday morning. Keep it up.

United — K. Tobin, T. McCarthy, M. Hartnett, S. Hurley, D. Henley, G. Hogan, M. Curley, C. Curley, P. Curley, P. Curley, D. Henley. Reserves — G. Sice and M. McCarthy, both used.

**Co-op Draw** — The first of these draws takes place on Saturday night next and we wish all who joined this draw the best of luck. On behalf of the club we thank you the people of the town and surrounding areas for giving us your support for this draw which once again was a big success.

## TALLOW SQUASH NOTES

Now that the long winter nights are upon us again, the cobwebs have been blown off the squash racquets and the squash courts are once again filled with the sound of pounding feet, cracking squash balls and breaking racquets.

The squash season is under way once again, and what better way to shorten the long nights and keep fit than to resume where you left off last April. Booking has intensified rapidly over the last few weeks, so early booking of games is advisable. The booking is, as always, kindly taken by the staff at Keniry's Bar (telephone 058/56214) for which the club is indeed very grateful.

**November League** — The first team league of the season will commence this weekend. The draws are already made and will be displayed near the courts and the squash book inside Keniry's by the weekend. So find out which team you are playing on and may the best team win!

Congratulations are extended by the club to our Treasurer Aidan Ryan who announced his engagement to Anita O'Connor. Also to Nora Geary and Tim O'Leary who were married recently (and whose tans have not gone unnoticed on the courts!). Long life and happiness together.

We would also like to wish our chairman Martin Allen the very best of luck in his new job which he

took up recently. John Roche has agreed to take over the position of chairman of the club, at least until the annual general meeting next January, so I am sure he will be grateful for everyone's co-operation. — "Boaster."

## NOVEMBER DEVOTIONS IN THE PARISH

Last Sunday a large gathering was present at Ballynoe cemetery where Fr. Buckley, C.C., led the rosary for all the faithful departed. Similar devotions were held at the new cemetery, Conna and the rosary was recited by Fr. Stritch, C.C., with large congregations in attendance. Suaimhneas siorai dos na h-anama go leir.

## TALLOW G.A.A. NOTES

A very important meeting of Tallow G.A.A. Clubs will take place on Thursday night, November 9, at 8.30 p.m. sharp in the hotel. This is a public meeting of Tallow GAA Clubs where people with the club at heart can help make sure it does not go under. A lot of important issues can and will be raised and it is up to every follower of Tallow GAA, far and near, to voice their

opinion or criticism of the club.

Let us make sure that Tallow will be there in 1990, so come along and help us into a new decade. We are as low as we ever were and we make no bones about it. Intermediate hurling in 1990, let us try and rectify the situation. Too few are trying to do it all while the many will stand and criticise. Let us all stand together and make sure that we can have a strong club.

Our under-age isn't too bad, we got into two divisional finals this year, though defeat was our lot. Maybe we can build on this and come back to senior ranks fairly quickly. So, come along this

Thursday and help us to get back where we belong at the top.

A vote of sympathy was passed at the last meeting to the family of the late Tommie Healy, Cross Street, Youghal and formerly of Rearour, Tallow. To his family and friends our deepest sympathy. Ar dheis De go raibh a anam. — PRO.

**Draw Results** — Result of draw on Monday, November 6 — 1, Billy Sheehan (£100); 2, Louise Hanrahan, Ballinacourty (£20); 3, Frankie Ryan (£15); 4, Thomas Corcoran (£5); 5, Anthony O'Rourke, Melleray (£5); 6, Wayne Pratt, West Street (£5). (Advt.)

**IN MEMORIAM**

**BUCKLEY** — Eighteenth Anniversary — In loving memory of my sister Phyl (nee Twohig), late of Cork and Whitechurch, Cappagh, who died on November 7, 1971. R.I.P. Masses offered. Today is the day of memories so sad, Of a sister I loved and wished I still had, Our family chain was broken, And nothing seems the same, But as the Lord calls us, one by one, The chain will link again. (Sadly missed by your sister Mairin, Jimmy and family.)

**DRUMMY** — Third Anniversary — In loving memory of our dear mother, Margaret Drummy, late of 38 Congress Villas, Dungarvan, who died on November 8, 1986. R.I.P. Today, Lord, is our mother's anniversary, Three years now. It was all so sudden, We can never forget our disbelief. When we knew we would never see her again. Never see the smile we liked so much, Never hear her voice, Never feel her encouragement, Never wonder at her silence and her worries, Never again have those rows which seemed so final, Yet lasted less than a day or two.

We know, Lord, that today we could get very sad, We could go into a bout of self-pity, But at least when we remember her, We relive the good things, We miss her very much, But we are thankful that she lives on in our love. (Always remembered by your loving husband Jimmy, daughter Margaret and son Michael.)

**O'ROURKE** — Twenty-third Anniversary — In loving memory of Joseph O'Rourke, late of Glenribbin, Lismore, who died on October 17, 1966. R.I.P. Mass offered. A tribute of love to a father so dear, Be close to my heart each day of the year, Deep in my heart your memory is kept, To love, to cherish and never forget. Sudden was the parting, goodbye was not to be, But I will always love you, until eternity. Will those who think of Paddy, to-day, A little prayer to Jesus say. (Always remembered and never forgotten by your loving son Billy, daughter-in-law Nora, grandson David and granddaughters Jacqueline, Claire and Siobhan.)

**WALSH** — Eighth Anniversary — In loving memory of my father, Paddy Walsh, late of 25 Caseyville, Dungarvan, whose anniversary occurs on November 7. (Always remembered by your daughter Maura, son-in-law Tim and grandchildren.)

**WALSH** — Eighth Anniversary — In loving memory of my father, Paddy Walsh, late of 25 Caseyville, Dungarvan, whose anniversary occurs on November 7. A father is a special gift, One you think will stay, You never think the day will come, When he will go away. And when that moment comes, And you haven't said goodbye, The pain just overwhelms you, And all you do is cry. (Never forgotten by his loving son Pat, daughter-in-law Marion, grandchildren John, Valerie, Deirdre, Mark, Patricia and Angela, 3 Kilrush Park, Dungarvan.)

# Touraneena Notes

**G.A.A. NOTES**  
Congratulations to our intermediate footballers on their great victory over Portlaw in last Sunday's County final at Dungarvan. A huge crowd travelled from the Parish in the hope of seeing our lads achieve that historic first intermediate title.

This game had all the makings of a thriller and it certainly lived up to expectations. Straight from the throw-in Sliabh gCua showed they meant business and playing some delightful football went in at the break with a five point lead.

At this stage they looked set for a comfortable win but Portlaw showing tremendous fighting spirit stormed back into the game in the second half and it took all Sliabh gCua's know-how to keep them at bay in a pulsating final quarter.

When the final whistle was blown the scoreboard

read — Sliabh gCua 3-10 Portlaw 1-10.

Amid incredible scenes of excitement County Board Chairman, Eamonn Murphy presented the cup to the winning team and once again a county title was bound for the famed Touraneena Village.

This was a county final that showed football in Waterford was far from dead and must be rated as one of the best games seen in any grade this year. Two superbly fit teams gave everything they had in their quest for victory, no quarter was given or asked and above all it was played in a truly sporting manner.

Both teams gave an exhibition of all that is good in football with players from both sides picking off some delightful scores and showing what can be achieved with dedication and training.

Albert Burke, a former Touraneena player sends his congratulations to the

football club on winning the intermediate football county final and he wishes them the best of luck in the hurling final on Sunday week in Walsh Park.

**CARDS**

Last weeks winners were — John Dunford and Margaret Grace, Ned Butler and Johnny Kiely, Bob Keane and Minnie Kirwan, Jim Cliffe and Conor Butler; Last Game — Jack Dalton and Alice McCarthy; Lucky Tables — Mossie Cliffe and Alice Burke, Tom Tobin and Johnny Prendergast.

**SET CLUB NEWS**

The club would like to extend a hearty congratulations to Sliabh gCua intermediate footballers on the great achievement in winning the county final last Sunday.

We also wish the every success in the forthcoming junior hurling county final on Sunday week. Well done to all concerned.

**THE LATE MARY COLBERT**

The death has taken place at an advanced age of Mary Colbert late of Shanacoole, Kinsalebeg. Until her retirement many years ago Mary and her family were well-known and active members of the farming community in Kinsalebeg.

Her death took place at Youghal Hospital where she was lovingly cared for over the past years. Her remains were taken to St. Mary's Parish Church, Youghal and following Requiem Mass on Thursday burial took place in Piltown cemetery.

Our deepest sympathy to her nephews, nieces, family and friends.

**SYMPATHY**

Our deepest sympathy to Mrs. Mary Power, Clash-

more Village, on the unexpected death of her mother, Mrs. Una Prendergast, N.T., Shandon, Dungarvan. Mrs. Prendergast and her husband Jim formerly of Grange (where Mrs. Prendergast was teaching and Jim was manager of the creamery), both are well-known throughout the entire West Waterford area and news of her death was received with a deep sense of regret and sadness.

**HALLOWE'EN**

The American custom of "Trick-or-Treat" seems to have spread to this area in a big way with many children dressed in their scare — Hallowe'en outfits collecting treats of fruits and nuts and even sweets. Many households did not understand this custom and were not prepared but all will have a bag of nuts handy next year!

**KENNY LIVE**

Viewers of "Kenny Live" on R.T.E. on Saturday night last were able to spot Fr. Billy Meehan and some members of the Clash-

more/Piltown choir in the audience.

**PLOUGHING MATCH**

On this Sunday all roads lead to Jack Lenane's lands at Coolbagh, which he has kindly given to the Clashmore/Kinsalebeg Ploughing Association for this year's annual ploughing match. This event has become the main attraction in the area over the past few years.

**IN ENGLAND**

James Condon, Clashmore is presently in England seeking employment. We wish him every success.

**MASS ON R.T.E.**

We proudly watched 11.15 a.m. Mass live from the studio's at Donnybrook on Sunday morning last which was celebrated by Fr. Billy Meehan, C.C., with the Clashmore/Piltown Choir. It was an excellent performance by all concerned and they are to be congratulated and praised for all the work and time spent on preparing for this very special occasion.

## Huge Crowds Attend All-night Vigils at Melleray Grotto

They come in droves, busload after busload, every Saturday night; from Ballymena, Ballycastle, Ballymurphy; from Antrim town and from Armagh; from Downpatrick and Drogheda; from Portadown and Portlaoise; from Tralee and Thurles and from many other places.

On Saturday night, October 7, the Feast of the Holy Rosary, 13 buses packed the parking lot and some 600 pilgrims packed the grotto grounds all night long, saying the rosary and singing hymns. The weekend before, there were 12 buses there, mostly from the North of Ireland. To date, 2 bus drivers from the North have driven 100 buses each from Belfast to Melleray Grotto for all-night vigils.

Do local people realise what's going on? There are headlines in the papers and highlights on t.v. when they burn buses in Belfast, but nobody reports the Peace-through-Prayers buses that travel the length of Ireland (they only burn tyres), to pray at a simple grotto in Deise country at the foot of the Knockmealdowns.

They are welcomed by members who belong to the steering Committee of Melleray Grotto, and who voluntarily give their time and services to keep the grotto in order. They have erected shelters near the grotto, provided toilet facilities, keep the grounds tidy, conduct the prayers, provide transport for bus-

drivers to Cappoquin, etc., and keep the kettle of hospitality on the boil (free tea, coffee and biscuits all night long). It is a burden gladly borne by a small but generous band of people who believe Our Lady came to Melleray 4 years ago, to warn us of the dangerous times, to encourage us and to bring us special blessings and favours from God. In a few words: a Lourdes at our doorstep.

### VISIONS AND CURES

Have the people from far away more faith? Do they get more visions or more positive answers to their prayers? That is a difficult question to answer. Every week, pilgrims report seeing different things like crosses in the sky, signs in the sun, various heavenly visions at the grotto; others report being cured of different ailments, etc. The hard-working committee haven't the time or the facilities to follow up and investigate all these reports.

They are indeed impressed by many of these reports, but their main concern is to see that proper order is kept and that Our Lady's request for "Prayer and more prayer" is an-

swered. The all-night vigil is one answer to that request and they are happy to co-operate with any and every group that comes and prays the traditional prayers of the Church. Pilgrims come at all times to the grotto but the vigil type of prayer seems to have a special appeal as it combines prayer with penance. These vigils have been going on for almost 2 years now with hardly any break. 45 buses attended the October vigils. Vigils are from midnight to 6.30 a.m. and are also held on the Friday before the First Saturday of each month.

One of its greatest results is the number of people who go to Mass and Confession. The Church does not provide any liturgical facilities at the grotto, but Mass and Confession are available up at Melleray Abbey each Sunday morning.

To sum up: the Gospel test and invitation of Our Lord to his first hesitant inquirers could be applied to Melleray Grotto. When they asked him: "Lord, where do you live?" He replied: "Come and see." (Contributed).

### Railway Athletic F.C.

## Railway Hammer Kilmac'

### KILMACTHOMAS 2; RAILWAY ATHLETIC 7

Our U-12's were away to a weak Kilmac' side on Saturday last and picked up 2 more valuable league points. We started well and D. Coughlan opened the scoring in the 7th minute. Two more goals from K. Radley (one a spectacular volley) gave us a 3 goal lead and Kilmac' pulled one back mainly due to slack defending. D. Coughlan got one more and at half time Railway led by 4-1.

The second half was much different as some of our lads had to go away to a football semi-final. Two great goals by Tom O'Connor and one more for K. Radley to give him his hat-trick gave Railway the points. It was a spectacular performance from a determined Railway squad.

Team — N. Maher, M. Murphy, A. Morrissey, Tim O'Connor, S. Quinn, D. Coughlan (capt), M. Moynihan, B. Landers, K. Radley, G. Arrigan, J. Manahan. Res. — Tom O'Connor, P. Morrissey, A. Keniry, P. Keniry, J. Wall, S. Hanrahan, D. McLoughlin (all used).

## Great Colouring Competition

Kiddies, look out next week for our great "Colour Kylie Minogue" Competition. Fabulous prizes sponsored by Ben O'Neill, O'Connell Street, Dungarvan.

**Dungarvan Rugby Notes**

**BRAVE DISPLAY BY 14 MEN**

**COBH 11; DUNGARVAN 4**

Once again injury struck Dungarvan, when centre Shane White (who was having a fine game) had to leave the field with a nasty head injury and so left Dungarvan with only 14 men for the remainder of this league match.

At that stage in the game Dungarvan trailed by 4-0 but with the wind in the 2nd half they hoped for better fortune. Unfortunately the wind died and our pack were down to 7 men as wing-forward Eamonn Spratt had to play out the remainder of the game in the centre.

Dungarvan's try came from a lineout near the Cobh line with 2nd row Eddie Lonergan getting the vital touchdown.

Overall a very good display by Dungarvan with the team showing great spirit and commitment!

Long serving prop. Declan Dower made a welcome return to the front-row and played a very solid game in his first game of the season, as did Michael O'Connor, who had a fine game on the wing for his first game. Team — D. Salmon, M. O'Connor, S. White, E. Phelan, P. McGrath, M. Brackett, M. O'Connor, D. Dower, J. Morrissey (capt), F. Ahearne, M. Parkes, E. Lonergan, E. Spratt, S. Killigrew, A. Curran.

**VITAL CUP MATCH ON SUNDAY FOR 1ST XV**

Our 1st XV have their first cup match of the season on Sunday next when they travel to play Carrick in the "O'Neill" Cup.

Every player will have to attend all training sessions this week and with the "spirit" in the team we should get a vital cup win. Unfortunately Andy Halley and Shane White have been added to our list of injuries.

Only a 100% effort from every player on Sunday will be enough to see us through to the 2nd round.

Kick-off on Sunday in Carrick is 3 p.m.

Mark O'Connor who was at scrum half for Munster on Saturday last.

**MUNSTER JUNIOR CAPS**

Congratulation to Mark O'Connor (scrum-half) and

**DENIS O'BRIEN'S TEAM CRUISE INTO SEMI**

On Tuesday night, October 31 Denis O'Brien and his team had another emphatic win as his team beat Kieran Foley's team 9-2 to reach the Bank of Ireland semi-final.

The number fives were first on when Mai O'Brien beat Ann Henneby 3-1 (9-3, 5-9, 9-7, 9-4) in a very enjoyable game. The three's were next here Owen O'Mahoney showed once again why he is currently our top underage player as he beat Michael Sheehan 3-0 in a game full of unforced errors, for Michael it was a disappointing night for as well as losing a 7-4 lead in the first game an 8-7 lead in the third game he also broke his racket. Game scores 9-7, 9-1, 10-8. The tie was completed when Tommy Butler overcame a hurricane start by Richard Gough to win 3-1 (6-9, 9-1, 9-4, 9-1).

**CONVINCING SEMI-FINAL VICTORIES**

On Thursday night, November 2, Jack Elstead and Maurice Walsh inspired their teams to convincing 9-1 victories as they booked their places in next Thursday nights (Nov. 9) Bank of Ireland final.

Jack Elstead after a disastrous start of the season chalked up his first win with a workmanlike 3-0 (9-5, 9-7, 9-6) against Jim Harty. At No. 5 Christina Tobin seemed to be in a big hurry to go to church as she played above herself as she beat Jacinta O'Mahoney 3-0 (9-1, 9-4, 9-1). The tie was complete when Liam Treacy came from a game down to beat Liam Moore 3-1 (4-9, 9-5, 9-2, 9-4).

If there was a player of the month award I have no doubt that Maurice Walsh would win it hands down

for after winning his first three allrounder ladder matches for the loss of only one game he followed this up with a breathtaking exhibition of squash as he romped home 3-0 (9-6, 9-0, 9-4) against Denis O'Brien.

At No. 5 the very strong Josephine Harty made it five tournament wins out of five as she beat Mai O'Brien 3-0 (9-3, 9-2, 10-8). At No. 4 Frank Aird found an inform Pat Breen too much to face after a drive back from Clare as Pat sealed the tie with a 3-1 (9-4, 6-9, 9-2, 9-7) victory. The finals are on this Thursday night, November 9, not Tuesday 7 as previously advertised (is that O.K. Mary).

**DUNGARVAN CLOSED**

The Dungarvan Closed squash championships got underway last Saturday and Sunday (November 4 and 5). A total entry of 104 was received which must be very pleasing to the organising committee. The entries were as follows:

Mens A,B,C, — 55; Ladies A,B, — 12; Veterans — 8; Girls A,B — 11; Boys A,B,C — 18.

The scores from last weekend are as follows:

Mens 'C': First Round — Michael Sheehan 3 John O'Donoghue 2; T. Duggan 3 Sean Power 1; Nicky Power 3 Liam Byrne 2. Second Round — Dan McCarthy 3 Rene Di Fusco 0;

Michael Sheehan 3 Cindy Brady 2; J. Walsh 3 T. Frost 0; Anne Wyley 3 K. Moore 0; F. Kelly 0 P. Hackett 3.

Girls 'B': First Round — Aisling Dwyer 3 Aisling Mernin 1; Patricia Mansfield 3 C. Lineen 0; Louise Carroll 3 Carol Elstead 0.

Boys 'A' — Paul O'Brien 3 Paul Breen 0; Michael Sheehan 3 Liam Byrne 0.

Boys 'B': First Round — Alan Mulcahy 3 Michael O'Connor 1; Brendan Flynn 3 Bryan Elstead 1; Patrick Power 3 Alan Beatty 0. Boys 'C': First Round — John Foley 3 Donnacha O'Dea 0; Emmett Byrne 3 Michael Brett 1; Ross Power 3 John Dwyer 1.

Second Round — Donnacha O'Dea 2 Michael

Brett 3; Emmett Byrne 3 Ross Power 0; John Dwyer 3 Billy Byrne 0. Third Round — Ross Power 3 John Dwyer 1.

As you can see it was a hectic weekend of squash which lasted until late Sunday night.

Busiest person of the weekend was Michael Sheehan who defeated Liam Byrne 3-0 in the Boys 'A', had a titanic 3-2 win over his mate John O'Donoghue and then caused nearly the biggest upset of the tournament when he beat the very tough Cindy Brady 3-2. The biggest upset for me over the weekend was Martin Walsh's fantastic 3-0 win over Pat O'Brien. Sadly Martin's glory was short lived as he was on the receiving end of the same score to Paddy Murphy.

## BALLINROAD A.F.C. NOTES

# Ballinroad Shock Tycor

TYCOR 2; BALLINROAD 3

Ballinroad gave their best display of the season when accounting for third place Tycor at the city venue on Sunday morning last.

Tycor played against the wind in the first half and with a 4-2-4 formation they won a lot of possession but found the Ballinroad defence in fine form. Ballinroad played the long ball to good effect and were unlucky on a number of occasions.

The opening goal of this well contested game came in the 33rd minute when Elliott for once got free and placed a low shot to the corner of the net despite a great effort from keeper lynch. This goal seemed to spur on Ballinroad to greater effort and when a goal bound shot from Liam Crotty was handled in the box, Pat Keane made no mistake to give Ballinroad a deserved equaliser.

The second half saw Ballinroad take over and with great running off the ball they caught the home side cold with two goals midway through the half. Seamus Power played a beautiful ball out of defence for Liam Crotty to race through and he gave the keeper no chance. Shortly afterwards Ray Burke ended a great move to shoot Ballinroad's third. Ml. Fraher and Ray Burke should have added further goals and when Tycor pulled a goal back with ten minutes to go it took some great rearguard action to keep them out.

Pakie Lynch who performed splendidly in goal made a tremendous save in injury time to give Ballinroad their first away

win of the season and a most welcome victory over a Tycor side who have been their bogey team down through the years.

Ballinroad — Lynch, B. Burke, Keane, Power, O'Sullivan, Crotty, O'Grady, Flynn, Fraher, Tobin, R. Burke. Res. — Veale for Tobin (injured).

Ref. — P. McDonnell.

### DIVISION 4 Superb Hat-Trick For Delahunty

BALLINROAD 3  
PARK RANGERS 1

Ballinroad continued their good form of late with a comfortable win in this game played in terrible underfoot conditions in St. Laurence's Park on Saturday last.

This was a very workmanlike display from the homesters, with Brendan Daly outstanding in midfield. Les Delahunty showed his goal scoring talents here, when he scored a fine hat-trick.

Ballinroad — Reynolds, O'Connor, Crotty, McGovern, Lenihan, Daly, Foley, Dwyer, Condon, Veale, Delahunty. Res. — Walsh and Murray.

Ref. — Tom Browne.

### UNDER-14 LEAGUE

TRAMORE 3  
BALLINROAD 0

Failure to avail of gilt edge chances in the first

half proved to be the downfall of our Under-14 squad on Saturday morning last.

Ballinroad — Whelan, Harkin, K. O'Brien, Murray, Kenneally, Fraher, Shields, Brett, P. O'Brien, Phelan, V. Tobin. Rs. — M. Tobin for Phelan, Kiely for Whelan (inj).

### SEAVIEW DRAW

The above draw commences this weekend and the best of luck to all our members who once again have given us fantastic support.

### CLUB SOCIAL

Our annual dinner dance is only one week away and a huge turnout of our playing members is expected for this event which is being organised by our magnificent Ladies Committee.

### GET WELL SOON

Our best wishes for a speedy recovery go to Ml. "Dixie" Power who has given us tremendous commitment down through the years.

### FIXTURES

Sunday, November 12 — Div. 3A at home to Hibs., kick-off 11.30 a.m.; Division 4 away to Portlaw, kick-off 11.30 a.m.

We have no Schoolboy games this weekend.

## RED HOUSE LEAGUE

### Cappoquin (A) Beaten At Home Again

The fifth series of league games were played on Sunday last and these are the results:

**Division 1** — Lismore 2 Valley Rangers 2; Cappoquin (A) 1 Ballyduff 2; Bride View 5 Killeagh 2; Glenview 3 Affane 1.

**Division 2** — Mogeely 0 Modeligo 3; Youghal 1 Grange 1; Ardmore 2 Inch 0; Carriglea Rovers 3 Cappoquin (B) 3.

In Div. 1 notable performances from Bride View where player-manager Mickey Curley scored four, and Glenview where a Philip McGrath hat-trick gave them a 3-1 home win.

In Div. 2 Grange surprised Youghal at home and came away with a deserved point. Modeligo and Ardmore also won and Cappoquin (B) continued their unbeaten run at Carriglea.

Cappoquin (A) crashed to their second successive home defeat when champions, Ballyduff scored a 2-1 win at Tourin.

### ODDS ON

Cappoquin looked odds on for a win, when, playing a 4-4-2- they went a goal up in four minutes through centre forward Miceal Walsh. Ballyduff, once they settled after an uncertain opening, sent Richie Walsh to deep-lying sweeper and Cappoquin never quite found an effective answer to this tactic.

The first half then settled down into an entertaining struggle between two evenly matched sides. In spite of the gale force wind there were some good team and individual movements but the poverty of the striking forces on both sides was obvious. Cappoquin back four, with goalkeeper Liam Morrissey doing splendidly, kept their goal intact until disaster struck in the

final minute of the half. James Scanlon's well placed corner from the left floated in on the wind and dropped into the far corner over a static defence for an unexpected equaliser.

The third quarter contained little that was noteworthy as play soon became very scrappy. Brendan Cotter's winner for Ballyduff came as the game entered the last quarter and the goal stood despite Cappoquin's claims of offside.

In the final minutes Cappoquin flung everyone forward in search of an equaliser. Four successive corners were beaten off as Ballyduff stood firm with goalkeeper Shamie Daly, Richie Walsh and Sean Prendergast doing very well. Valuable points for Ballyduff, who were also served well out-field by Mike Walsh and Pat Ryan.

Cappoquin's traumatic period continues. Early on it looked as though they had made the right choices

and the 4-4-2 formation may be worth experimentation. Brian Murray, Garry Morrissey and Eugene McLoughlin, until he retired were their best players.

Cappoquin — L. Morrissey, S. McCarthy, E. McLoughlin, J. Morrissey, M. Morrissey, B. Murray, F. Murray, J. Mason, B. O'Shea, M. Walsh, B. O'Shea, S. Fraher.

Ballyduff — S. Daly, F. Fennessey, D. Bolger, R. Walsh, S. Prendergast, M. Walsh, P. Ryan, M. Leamy, P. Murphy, B. Cotter, J. Scanlon, E. Flynn, B. Barry.

Ref. — Leonard Fraser.

**Fixtures** — Sunday, November 12 (all games 11.30 kick-off) — Division 1 — Ballyduff v Glenview; Cappoquin (A) v Killeagh; Affane v Lismore; Valley Rangers v Bride View. Division 2 — Modeligo v Cappoquin (B); Grange v Mogeely; Inch v Youghal; Pinewood Rangers v Carriglea Rovers.

## GLENVIEW A.F.C. NOTES

### McGrath's Hat-Trick Sinks Affane

GLENVIEW 3  
AFFANE 1

Glenview scored their first victory of the 1st Division campaign on Sunday last. It was a game of two halves with the wind conditions dictating the state of the game. In the first half Affane played with the wind, and put pressure on the Glenview defence who played very well and Affane could only manage one goal shortly before half-time to leave the score 1-0.

In the second half Glenview swamped the Affane penalty area with torrid at-

tacks, finally they got the deserved equaliser when McGrath latched on to a Ger Power through-ball and shot to the back of the net. The Glenview attack teared, twisted and turned the Affane defence and when a Liam Coleman through-ball left in McGrath he shot home again.

Our all round play was much better and Tony O'Donnell's accurate pass was once more swept home by McGrath.

Despite our bad luck with injuries this season it was good to see our Glenview spirit in evidence again.

Team — Casey, McBride, G. Power, Lonergan, Dolan, Kett, O'Donnell, Hallisey, Duggan, O'Rourke, McGrath. Sub. — Coleman.

## DUNGARVAN UNITED SCHOOLBOYS U-16

# Blues March On

DUNGARVAN 4; JOHNVILLE 0

On a bitterly cold Saturday afternoon last the Blues entertained Johnville at Kilrush Park. The visitors settled the better and put the Blues defence under a lot of pressure but they stood firm. Nial Considine was moved to centre-half for his game and he proved very effective in that position of the field.

Alan Landers set up the first goal for the Blues, with a long kick out which was met by Brian Beatty who headed the ball on to Chris Gough who in turn lofted the ball over the keeper and into the net. Our second goal came from a scramble in which the ball was only half cleared and David Fleming was on hand to blast the ball home from close range to leave the score at half time 2-0.

In to the second half and the Blues started where they left of, a great move from the back was picked up by David Fleming in midfield who put Chris Gough through and he in turn played the ball off to Brian Beatty to hammer home goal number 3 for the Blues. Shortly after this Dungarvan finished the scoring with a great move by Brian Beatty, who ran the whole length of the field and crossed the ball

over the intruding Benny Landers but Decky Carlton was on hand to score.

This was a fine win against a team of Johnville's calibre.

Team — Alan Landers, Shane Downey, Pa Drummy, David Cummins, Nial Considine, Chris Gough, Brian Beatty, David Fleming, Benny Landers, Decky Carlton, Daniel Lawrence. Subs. — Anthony Moore and David Morrissey. Manager, Bernie Wall; Trainer, Brian Wall.

**MUNSTER SENIOR LEAGUE: F.A.I. INTERMEDIATE CUP**

# Fighting Performance Not Enough

## DUNGARVAN 1 EVERTON 2

Dungarvan had the league leaders Everton as visitors to Kilrush park last Sunday for the second round of the Intermediate Cup. Even now the Blues must be wondering how they lost the game, sponsored by Megavision, as they dominated for long periods. With Pat Roche not fully recovered from illness this meant a return to action for Ray Flynn as Dungarvan again adopted a 4-3-3 formation.

The locals had a disastrous start when B. McGrath failed to hold a shot and M. O'Regan had the simple task of making it 1-0 in the 10th minute. Worse was to follow, in the 16th minute when a D. Cooney free-kick smacked off the bar and M. O'Regan was

once again waiting to head his and Everton's second goal.

It took Dungarvan just 2 minutes to get back into the game when R. Flynn and B. Coleman combined to win a free-kick on the edge of the area. P. Ferncombe hit a brilliant shot into the roof of the net to reduce the deficit. Despite playing into the wind Dungarvan continued to dictate matters and shortly before half-time Everton custodian C. Dooley saved well from an R. Flynn header.

Dungarvan completely dominated the second half but they never really looked like breaking down the visitors defence. The main reason for this was that Dungarvan persisted with too many long balls out of defence and completely by-passed the mid-field. The failure to get the ball on the ground and too spray it wide is the sole reason why Everton and not Dungarvan are in the third round. However, it must be said that the league leaders hung on by the skin of their teeth as C. Dooley

saved well from G. O'Connor and R. Flynn had a header go just wide.

Everton almost snatch a breakaway goal in the last minute but K. Foley cleared off the line to leave the final score at 1-2.

Dungarvan — B. McGrath, K. Foley, A. Hayes, W. Coward, J. Walsh, B. Coleman, M. O'Sullivan, C. Flynn, G. O'Connor, R. Flynn, P. Ferncombe. Res. — T. Donovan (used), P. Roche, D. Sheehan, A. O'Connor.

Ref. — Robbie Finn.

**FIXTURE**

**Dungarvan v Crofton Celtic**

Dungarvan are in action once again in Kilrush park next Sunday (kick-off 2.30 p.m.) in their most vital game of the season so far. Crofton currently have 3 points from 4 games but have lost 0-4 to Avondale and 0-6 to Cobh Ramblers in their last 2 home games. With Dungarvan currently bottom of the pile this game is a real "four pointer" and essential to Dungarvan's hopes of moving up the table.

**DUNGARVAN UNITED A.F.C. NOTES**

**DIVISION 1B**

# Great Fight Back By Blues

**PARK RANGERS 3; DUNGARVAN 5**

Our first division side seem to relish the prospect of coming from behind when for the second successive week they gave away two early goals before eventually recovering to collect both points in crucial games. It was vital for Dungarvan to get a result from this game if they were to remain in with a realistic chance of this year's title.

They got off to the worst possible start however, and were a goal down after just three minutes when the winger broke down the left and his cross was met by

the centre forward who got between Hickey and Donnelly and headed past a hesitant J. Wall. Before they could recover from this body blow they fell further behind, when a long clearance from defence caught the back four square and the midfielder raced clear and coolly lobbed the ball over the stranded Wall.

The Blues refused to panic and gradually got back into the game with D. Crotty working tirelessly in mid-field and it was fitting that he should provide the visitors opener. A quick corner by B. Sheehan found G. Hamilton who turned the ball into the area and Crotty forced it home from close range. Minutes later Dungarvan were level and again Crotty was involved when his far post corner kick was met by the diving T. Hamilton who headed powerfully to the net. The Blues almost went ahead before the break when M. Houlihan raced clear and his shot produced a fine save from the keeper.

With the wind advantage on the turnover the visitors carried the game to Rangers and J. Hughes broke through only to shoot inches wide of the far post. Ironically, it was Rangers who once again took the lead when a right wing cross was brought down by Ml. Donnelly but he was adjudged to have handled and Rangers curled the free-kick around the wall and into the net.

Dungarvan refused to give up and M. Shalloe

was introduced at centre-forward with T. Hamilton moving to midfield and the move brought instant results. A good one-two between B. Whelan and D. Crotty saw the latter play the ball down the line to G. Beresford who shock off two tackles cut into the box and shoot a delightful goal past the advancing keeper.

The visitors had the bit firmly between their teeth now and looked the far fitter side in the final 15 minutes. J. Hughes gave Dungarvan the lead for the first time when he took a return pass from M. Shalloe to fire home his second goal in successive games, while at the other end it took a fine one handed save by J. Wall to keep the Blues ahead. With time running out Sheehan made sure of the points when he jinxed his way into the area before drilling the ball past the helpless keeper.

Team — J. Wall, G. Hamilton (capt), Ml. Donnelly, Ml. Hickey, B. Whelan, D. Crotty, J. Hughes, M. Houlihan, G. Beresford, T. Hamilton, B. Sheehan. Res. — M. Shalloe for M. Houlihan, M. Sheehan, T. Kenneally.

Man of the Match — David Crotty. Ref. — J. Casey.

**LOCAL DERBY**

All roads lead to Kilrush Park on Sunday morning next when the Blues take on arch rivals Abbeyside in a vital Div. 1 league clash. This is the first meeting between the clubs junior league first teams for a

number of seasons and a mouth-watering game is anticipated. Abbeyside, under the leadership of Denis Egan have had some great results recently and with players of the calibre of the Riordan brothers, Derek Lyons, Timmy Organ, "Sharkey" Reynolds, Mattie Moloney and the wiley Tommy Wade, one can see the difficult task that awaits Dungarvan. But the Blues are on a bit of a roll lately and go into this game fresh from two hard away wins and whatever the outcome, this is a game not to be missed.

## All Square In Six Goal Thriller

**CARRIGLEA 3 CAPPOQUIN 3**

We entertained Cappoquin on Sunday last in a game that produced six goals. Facing into the wind, we found ourselves a goal down after one minute, and under a lot of pressure. Cappoquin scored their second ten minutes from half-time to leave them 2-0 ahead.

Carriglea Rovers scored three goals in a ten minute spell in the second half. Eugene Collins put Darren Drummy through to score our first, Pa Ryan scored direct from a corner and Jim McGrath got our third in a crowded penalty area.

Cappoquin equalised two minutes from time.

**DUNGARVAN UTD. DIVISION 2B**

## "Life Jimmy, But Not As We Know It"

The Blues turned in a very poor performance at Rathgormack on Sunday last going down by 3 goals to 1. This performance was well below the standard of the last two games and shows that consistency is the main problem with the team.

Dungarvan got off to a dream start when after only ten minutes John Paul Moran scored with a fine finish. This should have settled the Blues down but instead it had the opposite effect with the home team running all over them. It came as no surprise when the equalised after 30 minutes when a mix-up in the midfield left them in. Another terrible mix-up in defence in J. Power left Rathgormack in for a 2-1 half time lead.

The second half saw no better fortune for the Blues with the home team playing very physically and Dungarvan not hitting back. Rathgormack had

nearly all of the half and their third goal came with 15 minutes to go. The Blues were unlucky not to pull one back near the end when P. Mulcahy saw his free-kick hit the side-netting. This proved to be their only chance of the half and a vast improvement will have to be made in the coming weeks, if we are to get better results.

Team — T. Wright, P. Mulcahy, J. Foley, A. Donnelly, D. Deegan, G. Burke, J. Power, D. Jordan, K. Wall, P. J. Drummy, J. P. Moran. Res. — J. Fitzgerald, T. Duggan (both used).

Man of the Match — Referee.

## EAST STAR PETROLEUM UNDER-16 F "B" FINAL ENDS ALL SQUARE

In a thrilling under-16 F "B" County final at Fraher Field, Dungarvan, Kilmacthomas and Naomh Brid ended all square on the score of 1-5 each.

Kilmacthomas started very well and opened the scoring early in the game, but a Naomh Brid goal after 14 minutes by A. Fitzpatrick set the Western side into a good lead at half time.

Kilmacthomas came more into the game in the second half and a goal by N. Phelan set up the game for a great finish, and it was touch and go until the final whistle.

Naomh Brid — J. Flynn; E. Kenneally, J. Power, T. Condon; M. Boyle, K. Hickey, R. Ryan; D. Whelan, A. Ryan; S. Kearns, J. Fitzpatrick, P. Keane; J. P. Fitzpatrick, A. Fitzpatrick, P. Fitzgerald.

### REPLAY IN STRADBALLY

On Saturday next, November 11, the replay goes ahead in Stradbally at 11.30 a.m. Another great game is in store and we urge all football folks to come along and support our under-age players as these are the players of the future.

### WATERFORD OUT OF BENNETT CUP

Our County under-16 footballers are out of the Bennett Cup after their heavy defeat by Tipperary last week. It was a most disappointing defeat, which was a big surprise.

### GREAT IMPROVEMENT

#### Clare 1-9, Waterford 1-7

Our under-16 hurlers put up a first class display in the Nenagh Co-op Tournament last week, even though they were defeated by a very good Clare side, who led at half time on the score 0-5 to 0-4.

Waterford started the second half in great style and a goal by B. McGrath saw us in front for the first time and with T. Brown in excellent form, who was certainly getting rough treatment from the Clare defence. But Clare piled on the pressure to run out winners by two points.

Our team was: P. Horan, J. Wyse, C. Walsh, T. Morrissey, K. O'Neill, J. Byrne, T. Feeney, J. Quinn, A. Tinnelly, T. Brown, B. McCarthy, P. Power, B. Brown, C. Gough, A. Dunne. Subs — T. Kiely and B. McGrath.

# DUNGARVAN G.A.A. NOTES

### OUR WEXFORD VISITORS

On Sunday morning next we entertain Wexford visitors Clonard who will be playing us in Under-12 and 14 hurling matches at the Friary College starting at 11 o'clock.

The Wexford boys will be en route to Pairc Ui Chaoimh for their county's National League tie against Cork and we are delighted to have concluded arrangements for the two games.

We look forward to the occasion and hope we can make a reciprocal visit to county Wexford at some future date.

### LOOKING AHEAD

With the annual general meeting now less than a month away, Tuesday, December 5, it is time for all of us to take stock and to begin making preparations for a new decade.

There's a whisper about that one of our most senior officers may not be seeking re-election, but quite honestly the person in question is too valuable to us and I hope a little bit of gentle persuasion can make him stay on for at least another year.

1990 will see us devoting a lot of time to pressing ahead with our ground development plans. We confidently expect considerable

progress to be made in this area of activity over the next 12 months, but that will mean a lot of commitment from everyone.

### ON COUNTY PANELS

We expect to have players involved with both Waterford senior panels for the National League game against Clare at Fraher Field next Sunday.

Peter Queally is well deserving of his inclusion in the Waterford hurling panel while Dermot Callaghan is almost certain to be in the football panel along with our former star player David Burke.

Wouldn't it be some boost to see Burkie back in the blue jersey next year?

### PROGRAMME

We are producing a small programme for the two Fraher Field games next Sunday with a modest price of 20 pence. We hope for maximum support for the effort.

### SUCCESS

The most recent of our big bingo nights at the Friary Hall Theatre last Friday was another great success and we are deeply appreciative of the tremendous support we are continuing to receive from the general public.

It is certainly an invaluable fundraiser for us as our very popular "mini

bingo" on other Friday nights in the Presentation Convent.

### SYMPATHY

Sincere sympathy is extended to the McCarthy family of St. Brigid's Terrace on the death of James O'Gorman, Kilmoganny, Co. Kilkenny, which took place last weekend.

The deceased was a brother of the late Mrs. Chris' McCarthy whose family has been such an integral part of our club over many decades.

Go ndeine Dia trocaire ar a h-anam dilis.

### THE

### MARATHONERS

Our club was certainly worthily represented in last week's Dublin City Marathon.

Two of our playing members, Tony Hamilton and Martin Houlihan, completed the testing 26 miles in fine times, and Helen Dwyer, whose husband Liam has been a prominent clubman for years, ran a superb race to finish in a great time of 3 hours and 19 seconds.

Another loyal clubman, Michael Roche, had to pull out almost at the last minute because of a very heavy cold. This was particularly disappointing for Michael who had finished second in the Over-40s section in last year's marathon.

# Sliabh gCua Take Title

Sliabh gCua 3-10, Portlaw 1-10

Beaten in last year's final, Sliabh gCua made no mistake this year when they scored a well merited win over Portlaw in the intermediate football county final played at Fraher Field, Dungarvan, on Sunday.

Apart from early in the game when Portlaw put up a serious challenge (they led 1-1 to 0-2 after Brendan Coffey goaled in the 10th minute) Sliabh gCua were always in control and never looked really in danger of losing.

Eamonn Butler negated Coffey's goal with a similar score in the 12th minute and Kieran Power's goal in the 16th minute helped the winners to a 2-5 to 1-3 interval lead.

They continued to dominate throughout the second half and Kieran Power's goal midway through the period put the issue well beyond doubt and set up Sliabh gCua for their fully deserving win.

Sliabh gCua were well served on the day by John Dalton, Michael Butler, Roger McGrath, Tom Condon, James Butler, Kieran Hallahan, Kieran Power and John Hallahan.

Portlaw's best were

Eddie Rockett, Brendan Coffey, Daithi Foran, Derek Larkin and Tom Larkin.

Scorers — Sliabh gCua — K. Power 2-5, E. Butler 1-0, J. Hallinan 0-4, K. Hallahan 0-1; Portlaw — B. Coffey 1-0, T. Larkin 0-5, D. Larkin 0-2, D. Foran, P. O'Brien and E. Rockett 0-1 each.

Sliabh gCua — J. Fitzpatrick; B. Tobin, J. Dalton, G. Butler; R. McGrath, M. Butler, T. Whelan; T. Condon, J. Butler; K. Hallahan, E. Butler, P. Hallinan; J. Hallinan, K. Power, P. Hearne. Sub. — E. Loneragan for P. Hallinan.

### SENIOR FOOTBALL FINAL REPLAY

# Controversial Penalty Decides Destination Of Title

KILROSSANTY 1-4 THE NIRE 1-3

Controversy raged in the closing stages of last Sunday's senior football championship final replay at Fraher Field, Dungarvan. Nire were leading by two points with just two minutes to go. They looked destined to take their first premier title. But then fate took a hand and dealt them a cruel blow.

Kilrossanty were on the attack. Jimmy Maher looked to be unlawfully tackled but referee David Kiely gave him the advantage as he waved play on. A few seconds later the Nire defence repelled the attack and full-back Tom Walsh was on the point of clearing his lines when the shrill blast of the referee's whistle stopped him in his tracks.

Amazingly the official pointed to the "spot". It was a penalty! Nire protested vehemently. Their appeals however were in vain and Jim Maher showed total coolness as he blasted the shot wide of Nire 'keeper Sean Guiry. The champions were in front for the first time in the game. They held that slender lead as Nire battled back for an equaliser in a period of almost five minutes of extra time allowed for some reason by the referee.

They had one or two chances but failed to raise a flag. Then it was all over. Kilrossanty had held on to their title by the skin of their teeth. Nire were totally dejected. No matter what affiliations one shared, it was impossible not to feel sorry for them. They looked all set to cre-

ate history one minute but were then suddenly plunged into total despair a minute later.

Things could have gotten nasty after the game as the referee was escorted from the field. Tempers were high but thankfully after a while common sense prevailed and the situation was defused.

#### DEAD

Up to the penalty the game had been more dead than alive. It failed to create any enthusiasm among the huge crowd and was totally forgettable.

While Nire will blame the referee's decision for their ultimate defeat they must, however, shoulder some of the blame themselves.

They had the defending champions on the run throughout a first half which they dominated with the aid of the stiff breeze. They had a Jackie Hogan point after ten seconds and Jim Maher pointed Kilrossanty's lone first half score after ten minutes to level the scores.

From then on it was nearly all one way traffic as Nire with midfield superiority, took over control. They failed however to press home their advantage and abused the amount of possession they enjoyed. A

great goal from Richard Guiry came between Jackie Hogan's second point in the 10th minute and Guiry's own point ten minutes from the interval.

This finished the first half scoring. Nire were 1-3 to 0-1 ahead at the break but were in no way flattered by this lead over a Kilrossanty team which had blundered their way throughout the 30 minute period.

What a change the second half brought about. Kilrossanty brought Jim Maher to midfield and Pierric White to full forward. Maher's inclusion in the centre of the park worked wonders as the Comeragh side broke the Nire stranglehold in the area.

#### FAILED TO SCORE

This half belonged to Kilrossanty. Nire actually failed to score and in fact went all of 40 minutes without raising a flag. Yet as the second half moved on they looked as if they would hold on to take their first title.

Nire squandered chances in the first half, Kilrossanty did the same in the second half. Jim Maher had points from frees in the 5th and 9th minute and Roger Power pointed a good

score from play in the 19th minute.

But one of the worst forward divisions ever to represent Kilrossanty could make little headway against a resolute Nire defence. With just two minutes left on the clock came the referee's controversial decision, which ultimately decided the destination of the Conway Cup as Maher's goal from the penalty spot saved the Comeragh sides bacon and ensured that they would hold on to their title for at least another year, a result their overall display hardly merited.

Scorers — Kilrossanty — J. Maher 1-3; R. Power 0-1; Nire — R. Guiry 1-1; J. Hogan 0-2.

Kilrossanty — D. Mulhearn, P. Prendergast, P. Keating, T. Prendergast, P. Quinn, P. White, G. Fitzgerald, T. Behan, G. Walsh, N. Hayes, M. Walsh, P. Hayes, R. Power, J. Maher, P. Power. Subs. — T. Keating for P. Power; G. Fitzgerald for N. Hayes.

Nire — S. Guiry, P. Conney, T. Walsh, T. Guiry, M. Fraher, K. Mulcahy, G. Coffey, P. Walsh, T. Condon, P. Walsh, P. Guiry, P. J. Mulcahy, G. Walsh, J. Hogan, M. Guiry. Subs. — B. Ryan for G. Coffey. Referee — D. Kiely.

### LADIES FOOTBALL

## Ballymac' Qualify For All-Ireland Final

BALLYMACARBRY 4-13 THE KINGDOM 0-2  
Ballymacarbry qualified for their fourth All-Ireland final in five years when they easily defeated London's representatives the Kingdom in the semi-final at Ballymacarbry on Saturday last.

A bitterly cold day with very strong winds made conditions very difficult. The Kingdom had first use of the breeze and although they enjoyed some good possession they never seriously troubled Ballymac's defence.

Points from Marie Crotty, Una McNamara and Aine Ryan and a goal from Bernie Ryan put Ballymac' firmly in command and they led 1-6 to 0-0 at the interval. However, they missed several easy chances in the first half.

Things improved somewhat in the second half and further goals from Geraldine O'Ryan, Bernie Ryan and Marie Crotty put the seal on the result.

Outstanding for Ballymac' were Marie O'Ryan, Noreen Walsh and Catherine Casey.

Team — P. Butler, S. Wyse, D. Tyrnall, M. O'Ryan, A. Dunford, S. Walsh, N. Walsh, M.

O'Ryan, C. Casey, A. Wall, B. Ryan, M. Crotty, A. McNamara, A. Fitzpatrick, G. O'Ryan. Subs. — C. Walsh, M. Walshe.

The All-Ireland final is fixed for Sunday, November 19, but it may have to be deferred because of an objection in Connaght. Hollymount of Mayo defeated St. Grellan's of Ballinasloe, but the Galway side have objected and pending the result the winners have to play Leinster champions, Rochfortbridge, Westmeath in the semi-final.

Ballymac' will realise that they will have to step up considerably on their recent form if they hope to regain the crown that they won in 1987.

Clubs are reminded that the Annual General Meeting of the County Board takes place later this month and nomination papers should be filled and returned to the County Secretary.

## NEXT SUNDAY

# County Hopeful of League Double at Fraher Field

The caption may sound a note of optimism, but all going well a double victory should be within our scope against a county whose fortunes have been very much up and down, like ours in the past couple of years. Having beaten Clare by 15 points in the Munster championship does not mean that we can be certain of beating them here and neither does the fact that we lost our first football league match by 21 points, mean that we have no chance against Clare in Dungarvan.

As far as I can recall, this will be the first occasion on which we have had a double National League fixture at Fraher Field and not being accustomed to such a treat, we might get confused about the order of things on the day. Therefore, it is important for readers to note that the hurling game will be played first and will be followed at 3.15 p.m. by the football. It is usual in such circumstances and especially in winter-time to give hurling the first use of the ground.

At Portlaw, Ardmore and Fenor who played a thrilling draw two weeks ago, will return there for the replay of the junior hurling 'B' county final and the only Saturday match listed will be the under-21 football Western semi-final between Nire and Kilrossanty.

## HURLING V. CLARE

It is a big disappointment to the hurling selectors that, having selected and announced their team on Sunday morning, they were informed by the Erin's Own club late on Sunday night that they were withdrawing the services of Liam O'Connor who had been named as partner for Jimmy Beresford at centre-field. O'Connor missed the league match against

Meath because of an injury sustained in an accident, but he was judged to be fit enough to resume with the team for this important game on Sunday. Erin's Own are obviously concerned about their star's availability for the intermediate hurling final on Sunday week.

Already out of the team was John Ryan who was injured in the Meath game and the selectors have taken a gamble with Nial Warren of Ballygunner. Jimmy Beresford is named at centre-field but will have to have a test on Friday before being declared fully fit as his facial injury is not yet fully cleared up. The team overall shows five changes from the team which beat Clare by 5-13 to 1-10 in the championship.

Peter Walsh, Damien Byrne, Noel Crowley and Anthony Qualter are all unavailable and Pat Murphy who got two of our goals on the day, is listed among the subs. However it is a long while since the championship and the outcome of this game will depend on the form of the respective sides on the day.

Both have their points from their games to-date and a win here will be of enormous benefit as it will leave the winners at the top after three games.

During the week, the Waterford selectors will have to change the team because of Liam O'Connor's absence and they could conceivably bring Paul Prendergast to centre-field and replace him in attack by calling on Mossy O'Keefe. With so many changes and defections, it is difficult to visualise what will happen, but we may just shade it in what is expected to be a close finish.

### Waterford line-out—

Jimmy Power (Portlaw), Sean Cullinane (Passage), Nial Warren (Ballygunner), Seamus Prendergast (Lismore).

Timmy Sheehan (Tallow), Ger Fitzpatrick (Mount Sion), David Foran (Portlaw).

A. N. Other, Jimmy Beresford (Colligan).

Billy O'Sullivan (Ballygunner), Shane Ahearne (Mount Sion), Kieran Delahunty (capt.) (Roanmore).

Paul Prendergast (Lismore), Pat Ryan (Mount Sion), Gerry Connors (Ballygunner).

Substitutes — P. Power (Clonea), M. O'Keefe (Passage), E. Cullinane (Passage), Paudie Prendergast (Ballyduff), Pat Murphy (Tallow), J. Ryan (Roanmore), P. Queally (Dungarvan), Stephen Frampton (Ballygunner).

## FOOTBALL V. CLARE

Both Waterford and Clare were beaten in their first games in the league

and a win here is vital to both as defeat could leave them trailing their way through the entire league, especially now that Kilkenny have broken their 'duck' and won a round. A 21 points defeat by Kildare did not help the morale of the Waterford team on the same day on which Wicklow beat Clare, but they have improved somewhat since then and interest and attendance at training has picked up.

Unfortunately, a number of the regulars are out for a variety of reasons. Jim Maher has been medically advised to rest a recurring injury for a few months after the county final, Eoin O'Brien is also medically advised to take time off playing games to rest a knee injury, and Kieran Heffernan is not available for business reasons. Heffernan's place in goal will be filled by Tramore's Tom Brennan who is in training and who is the obvious choice, he having excelled at that position at under 21 level and at minor grades three years ago or so.

David Burke, who now plays with Kieran O'Rahilly's, Kerry, and who played there in the Kildare game, will again be at full back, while others in contention for a place in the defence will be David Kir-

wan and Fintan O'Brien, Stradbally, Liam Dalton and Dan Casey, Shamrocks, John Browne of Kilmacthomas, and Tom Walsh and Kevin Mulcahy, Nire. Michael McGrath, Butlerstown, Tony Corcoran and Michael O'Brien, St. Saviours, with Ger O'Brien, Ballinameela will be in contention for selection at midfield.

Players available for selection in the forward division will include Jim McGrath who played in goal against Kildare, Pat Hayes, Kilrossanty, Pat Curran, Stradbally, Liam Daniels, St. Saviours, Jimmy Healy, Ballinacourty, Dermot Callaghan, Dungarvan and Carthach MacCraith, An Rinn. The latter, Carthach MacCraith could prove a very suitable replacement for the absent Jim Maher as a place kicker. I recall being told by a colleague that in the Western junior football semi-final, when assisting An Rinn, he kicked over a '45' free in each half, one with the left foot and the other with the right. (I don't know if this had been done before?)

Our record against Clare in football has shown that there has never been a whole lot between the sides. Last year they beat us by a single point at Ennis and who will forget the championship saga on the previous year when our first round game against them went into extra time in the replay and which we won very narrowly in a very exciting final.

Home supporters will be given their first sight of the new rules game here and it will be interesting to hear the opinions about playing matches in four quarters, etc. We enter the game with more hope than confidence because of the absence of so many regulars, but maybe the home ground advantage and a lot of Waterford support will make the difference on our favour.

The team, if selected in time, will be published in this issue.

## J. H. REPLAY

# Ardmore's Tough Task

What a great pity that this very attractive county final replay is being played as a counter attraction to the national league double at Dungarvan as I know of a great number of people who would wish to see a repeat of the hectic drawn match in Portlaw two weeks ago.

I have heard of no injury problems on either side, so we must presume that the sides will field, more or less as they did for the first game. This will see the Western champions line out with Jamsie O'Donnell who certainly played a captain's part on the last day and brought off a couple of really great saves.

John Sullivan, Matty Curran and John Power will be in the full back line and a vote of confidence must be given to the courageous trio of Eddie Foley who had a wonderful game as did veterans John Hennessy and John Pender in the half-back line.

Pat Walsh and Billy O'Mahony both played a major role in keeping Ardmore's hopes alive in the drawn game and they will likely be given a vote of confidence as midfield partners again.

In attack they will have players like young Pat Hallyhan, Donal Reidy, Nicky Keating who got their first two scores in the drawn game, Tommy Cronin, Pat Pender, the evergreen Denis Conway, Tony Keane and J. McNamara to choose from.

In my report of the drawn match I stated that Ardmore should have had victory sealed after their first half an hour's dominance and would have won had they not allowed the Eastern champions back into the game in the second half. During this period Fenor took over and it was as a result of tremendous defensive play that Ardmore held out.

In all replays, it is difficult to forecast what is going to happen, but on what I saw on the first day and on my perception of what Ardmore, at their

best, can do, I give them a chance to prove themselves on this occasion.

## NIRE V. KILROSSANTY

It is probably unique that several of the players involved here will play in opposition to each other for the fifth time in a county football championship this year. The Western Board decided to refix this abortive game, which had been refixed for last Saturday week, but which did not materialise because the Nire reported injury problems.

Coming so soon after the controversial senior final replay, it is certain to arouse more than the usual interest.

There will be very little between them and it will be another close game and if the Nire players are not affected by the disappointment of last Sunday they could gain some compensation. The winners play Affane in the divisional final. The date for this will depend on who wins Saturday as both the Nire and Kilrossanty are involved in championships at other levels and on different dates.

## Ballygunner In Final

As will be seen from our scoresheet, Ballygunner took the Eastern Under-21 hurling title when decisively beating Passage in the final. The county final between them and Western champions Lismore will be played at Walsh Park on Saturday, November 18 and what a game this will be.

## Sympathy

Our sincere sympathy is extended to James Moloney, Stradbally Club on the recent death of his brother Tom, which occurred after a very brief illness recently. The late Tom Moloney was a former Kilrossanty footballer and is listed among their championship winners.

Also to John Morgan, Hon. Secretary of the Kilgobinet Club and former Fourmilewater hurler on the recent death of his mother.

# RESULTS

It was another heartbreaking experience for the Nire footballers whose hopes of making history for themselves, were dashed when the title looked to be their's just two minutes from time in a county final that did not come to life until the closing stages.

A penalty was awarded to Kilrossanty in the 58th minute after Jimmy Maher had been fouled when going through for what seemed a despairing effort to rescue the game for the reigning champions. I'm sure that the controversy, like the controversy in the 1987 final when the Nire were defeated after a late penalty was awarded to Stradbally, will go on for a long time.

There are very different views taken about the penalty as to whether or not it should have been awarded by referee David Kiely who had been given a very busy time with a record number of frees having to be awarded throughout. There was no doubt about the fact that Maher was fouled twice, but some spectators who were much closer to the spot than I happened to be at the time, submit that the ref. made a misjudgement in not having awarded the penalty for the first, which happened only seconds before the second, which some people thought to be less serious.

Kilrossanty's Jimmy Maher who scored from the penalty.

The result would hardly have been any different as it would likely have been converted in any case, but

it would have saved David a lot of hassle, etc.

With the famous or infamous penalty being highlighted so much all the attention is being focused on the closing minutes of the match to the exclusion of comment on the other features of the game. I thought that the Nire were so much better than Kilrossanty in the first half that the penalty would have made no difference, if they had taken their

chances as they came. They also had some good chances in the second half, but failed because of the rock-like defence of Kilrossanty where Pat Keating was outstanding.

The marking was so close all the way, that it made open football very difficult if not impossible and as a result the game as a spectacle, suffered.

There was hardly a neutral supporter present who did not feel sorry for the

Nire who certainly did not deserve to lose after mounting such a heroic effort.

At the same time, no one will deny Kilrossanty their right to be named county champions for the 15th time. On Sunday they kept on fighting in circumstances where many another team would die. They are the great survivors in modern Waterford club football.

## Sliabh gCua's Great Win

Congratulations to the Touraneena club who became the twelfth Western club to win the intermediate football championship since its inauguration in 1964 when it was won by Erin's Own.

Wind seemed to have affected this more than the senior final, but both Sliabh gCua and Portlaw coped very well with conditions and played some nice open football. It was, as we expected, a close enough contest and until the final whistle the game could have changed course. There was always a bit of uncertainty about the outcome as the losers did make some very worrying intrusions into the winners defence on occasions in the second half, although one supporter sitting beside me remarked when Kieran Power shot home Sliabh gCua's third goal "that makes Touraneena a senior club." His personal contribution of 2-5 made him man of the match and although less conspicuous, there were others on the side who could be selected

for special mention. The team would not want it that way, and rightly so. It was a team victory and a club achievement to be proud of.

Several contemporaries in the grade will heave a sigh of relief at their departure

from the intermediate scene and will be glad to 'see the back of them' for a few years. Congratulations then to all concerned on a well-merited and worthy win.

## Not The Lowest

In my recent article about low-scoring in county football finals, I listed a number of finals with exceptionally few scores and gave them as the record low, county final scores.

It has now been brought to my attention that I missed out on the county final which 'took the biscuit' and which will probably remain a record for all time.

It was a county senior football final of 1937 which was played in Kill, between Dungarvan and Fenor. With just ten minutes remaining the final was without a score. Then a high ball broke between full-forward Declan Goode and Fenor full-back, Ned Moore. Dec jumped that little bit higher, got his fist to the ball which bounced over the bar to give the 'Blues a narrow win on the score of 0-1 to 0-0. It is unlikely to be equalled.

## Unique Fixture

I doubt if this could happen in any other county.

The junior football county final between Faha and Bonmahon will be played in Dungarvan on November 26, and it will be unique in that both clubs are from the same parish (Stradbally). The areas of both lie West of the Mahon River which is the inter-divisional divide, but for some very confused reason Bonmahon play their football in the East.

It is a unique pairing and it will be one whale of a game.

## Western Board

The Divisional Board will hold its final open meeting before Convention and they too may name a date and venue for their annual meeting. Referees' reports and end of season business will be dealt with here.

## News Bits

The Munster Club Football semi-final involving Kilrossanty and the Cork champions, Castlehaven, has been fixed for Mitchelstown on Sunday, November 26.

The erection of a Handball Court and the provision of other facilities for handball players in the town are now being proceeded with by the Dungarvan Handball Club which was formed in 1978. A site was purchased some weeks ago in Ringnasilloge and plans for the erection of the ally have been drawn up. This will cater for their present membership and new members will be welcome.

The new Fraher Field Committee had their first meeting on Thursday last when they discussed development plans and other

matters relating to the immediate needs of the grounds.

A Finance/Development Committee is also in the process of being formed and the personnel of this will be announced shortly by the County Chairman, Eamonn Murphy.

County Board na nOg have announced the date of their convention and it will take place at Dungarvan on December 11.

The county senior hurling trophy was back in Ballyduff on one night last week for a brief visit, when the new champions, Roanmore paid a courtesy visit to the club whom they had beaten in the county final. It was a very nice gesture on the part of Roanmore and the Ballyduff club appreciated it.

## Referee's Meeting

The first meeting of the new referee's body was held on Friday last and while the attendance might have been disappointing, the get together proved very worthwhile. A big number of referees who were unable to attend for very genuine reasons sent apologies and promised to attend the next session, which is due to be held on Thursday, November 16.

## Senior Board Meeting

The Senior Board will meet at Dungarvan on Monday night next for their final meeting at this venue for the eighties. As has been the custom for a number of years, the December meeting will be held at one of the club venues throughout the county.

The published agenda indicates a short session, but this does not mean that it will not go on for two or three hours, as did the last gathering of the delegates.

Reports from the various committees, from the Councils and from referees will be dealt with before the recommendations of the committee dealing with club affiliations will be submitted to the meeting.

The meeting will also name the venue at which the 1990 County Convention will be held and the date on which it will take place.

## Scor News

Mrs. Winnie Power, the Grove, Abbeyside has been elected secretary of juvenile Scor and she stated over the week-end that it was her intention to try to have every club in West Waterford involved this year.

Clubs who have an interest should communicate with Winnie, when details of the competition will be given by return.

## FIGURES OF THE GAME

With an overall figure of 93 stoppages this football final had far more than the average. In fact had the final score been higher on both sides, the number of stoppages might have reached a record.

	Scores	Frees	Wides	Sidelines	45s
Kilrossanty	5	20	7	13	2
Nire	4	23	6	10	2
Total	9	43	13	23	4

There was one "throw-in" after the referee had cancelled a free.

An analysis of these statistics show that the average segment of play between stoppages was 40 seconds and allowing an average of 15 seconds for each stoppage, we had only 37 minutes of actual playing time in the final. This is not unusual as the official figures for matches elsewhere will show, when I publish them sometime.

## 1992 Will See Survival Of The Fittest Warns Deputy Kenneally

The newly elected Fianna Fail T.D. for County Waterford, Deputy Brendan Kenneally, in the course of his maiden speech in the Dail during the debate on the An Bord Glas Bill 1989 welcomed the Bill which he said, would give statutory effect to the previous government decision to develop the horticultural industry in this country and to put it on a proper professional footing.

"We are all well aware," said Deputy Kenneally, "of the changes coming about in 1992 because of the Single European Market and I believe that industry in Ireland in general is well prepared to meet the challenge. But it will be a case of the survival of the fittest and those who do not have their act together will not survive and cannot blame anybody but themselves."

Deputy Kenneally said that the Horticultural In-

dustry was not facing any new challenge in 1992 as it had been subjected to the open market forces for some time now. "The professional and more competent and more organised growers survived and still prosper but unfortunately there are many others entering into this business sector who are not qualified to do so and as a consequence are lowering the reputation of all Irish producers," he said.
