The big news of the week in Dungarvan broke on Monday evening last when plans were announced for the amalgamation of the Mercy and Presentation Primary Schools into a single girls primary school on the Presentation Convent School site; the setting up of three voluntary secondary schools as follows: Christian Brothers (for boys), An amalgamation of the Mercy and Presentation Convent Schools (for girls) and the Friary (co-educational), the Mercy/Presentation amalgamated school to be on the Mercy Convent schools site; and also the setting up of liaison groups to involve all the primary and second level schools in the town.

Discussions between the trustees and staffs of all the schools concerned in regard to the rationalisation of education in Dungarvan have been proceeding for the past few years and the end result of these meetings and negotiations came with the announcement from the Trustees of the Augustinian, Mercy and Presentation Schools to the members of their staffs which was released to the Press on Monday evening last.

### FULL TEXT OF STATEMENT

The following is the full text of the statement from the Trustees:

1 — For some time the Augustinian, Mercy and Presentation Trustees have been meeting with other interested parties to explore ways of future collaboration, and to investigate possible rationalisation both at primary and second levels.

2 — Having met on several occasions and consulted Boards of Management, staffs and other interested bodies, the Trustees have now decided on certain steps which we hope to implement as soon as possible. The Minister has been informed of our decision.

### PRIMARY SCHOOLS

3 — Having consulted with Boards of Management, staffs, parent councils of both schools, we have now decided that the Mercy and Presentation primary schools will be amalgamated into a single girls primary school on the Presentation school site.

### SECOND LEVEL SCHOOLS

4 — Following various discussions and considering the different options from staff, the Augustinian, Mercy and Presentation Trustees concluded that a

rationalisation programme involving all five second level schools in Dungarvan is not feasible at the moment. Accordingly, we have decided to propose as an intermediate stage that there will be three voluntary secondary schools in Dungarvan:

- a boys' school (Brothers)
- a girls' school (Mercy/Presentation amalgamated)
- a coeducational school (Friary)

5 — The Mercy/Presentation amalgamated school will be on the Mercy schools site. The Mercy Sisters will be the Trustees of this school.

6 — Apart from the issue of rationalisation we believe it is in the interests of all pupils in the Dungarvan area that the cooperation between schools, which already exists, be encouraged and increased. We intend to write to the Vocational Education Committee, and to the Christian Brothers Trustees with the aim of setting up some kind of a liaison group involving all the second level schools in the town. We would be interested in setting up a similar group at primary level.

## REPAIRS TO COASTAL DEFENCES

### Cushnahan Says Government "Behaving Like Modern Day Canute"

In a statement issued from his headquarters in Limerick yesterday, Tuesday, March 6, John Cushnahan, Fine Gael MEP for Munster called on the Government to stop acting like a modern day King Canute and instead to provide the necessary money to repair coastal defences.

Mr. Cushnahan in the course of the statement said:

"The current spate of incessant storms have done untold damage. Homes have been destroyed; agriculture and tourism have been undermined and an already fragile coastline has been weakened still further. In the midst of this crisis the Government response has been one of

creeping paralysis.

There never was any prospect of substantial financial aid from Europe yet in three months of recurring storm damage the Government has done virtually nothing. This is an appalling situation when one considers that the Government has control of almost 3 billion pounds of European Structural Funds money and there is absolutely no

reason why such monies cannot be used to repair the social and economic infrastructure. In Waterford alone, some £20 million is needed to provide adequate coastal defences.

The Government must act and act now. We cannot afford any further procrastination. Our coastline has been eroded to such an extent that a repetition of these storms would have

catastrophic effect, and, given the climatic changes that are now taking place in the world, there is every reason to fear a re-occurrence.

Preventative action must be taken now and the Government has the resources to do it. Action is required rather than behaving like a modern-day King Canute hoping to turn the flood tides back."

## THE LORD IS MY STRENGTH

The first reading depicts the peacefulness of the lot of Adam and Eve. They'd no worries, no disturbances and no suffering. Their life was blessed with happiness. The devil, who saw all this, was determined to upset God's plan for man. He'd already brought ruin on himself: and he was now planning to destroy man's happiness. In his subtle and scheming way he started by sowing seeds of doubt by suggesting and by eluding them into thinking that God's Commandment was aimed and intended to deprive them of their rightful equality with God. And, in their greed and envy, they fell for the ruse and broke the Commandment. Their rebellion, their sin shattered the peace of the world, and upset the harmony of the whole of creation.

Often, you hear people blaming God for the mess in the world. It is, why does God permit suffering? And, why does He not do something about it? How easy it is to forget that when God created the world, His work was good and wholesome. And so it was until He placed man in charge. All he had to do to maintain the happy and peaceful state was to observe one Commandment. Today's reading tells us how he failed. He chose to assert himself by trying to make himself independent of God. He'd been warned of the consequences of such disobedience. So, there is no excuse for the way in which he invited the devil to sow his evil seeds in God's creation. Adam's fault was not only personal, but was far reaching in destroying the grace-life of all his descendants, Our Lady being the exception. The result was that the whole human family, having lost the state of original justice, was not only enslaved in sin, but was powerless to undo the harm. His only hope lay in God's promise.

Paul in the second reading examines the evil effects of the fall, and goes on to tell us how these may be counteracted by the liberating work of Christ. He points out that "By one man's disobedience many were made sinners, so by one man's obedience many will be made righteous." The Sacrifice on Calvary made salvation available to all. As we know, sin had severed man's union with God, and had God not sent His Son to make reparation, the breach would have remained. He came down on earth. He became one of us, so that He could represent and act for us. He, as Son of man, paid in suffering for man's fault, and won redemption for us. His offering satisfied God's justice; and pardon and forgiveness were made available to all mankind. The nightmare was over. We were restored to God's favour, and, because of the helps that flow from the Cross, we are able to walk with confidence.

Man needs these graces, because he has been weakened by the fall. He is, however, now able to rise to new heights in his union with God, heights that would never have been possible prior to the fall. Hence, if God permitted the evil of the fall, He mercifully turned it into man's benefit. I feel, if the Angles could envy us, it would be on account of our close relationship with God at Mass. Indeed, the fall did weaken man, and left him prone to

evil, but the graces of the Redemption are so powerful that they'll shelter him from danger.

### TEMPTATIONS

The Gospel assures us that even if life is now a valley of trials and temptations, we have only to place our trust in God. It tells us clearly that temptations, whilst they hold danger, are not sinful in themselves. The sin is in the consent. In fact, they provide us with opportunities to express our love for God. The Lord's ordeal with temptations, teaches how to dismiss, reject and invoke God's help. Of course, they are a nuisance, but, I said, they do provide us with openings to prove our love to God. Yet! we must not over-look the strength of the devil. Hence, we have got to watch and pray, and, above all, nourish ourselves with the Eucharist.

We've just entered the Season of Lent, and it comes to mind that many loved ones who were with us last year now rest in the Lord. We ought to ask ourselves, what did Lent do for us last year? Adam ignored God's command, and brought sin, suffering and death into life; and left us a prey of the devil. In his weakened state man would be unable to cope with such a powerful enemy had not God relented, and given him hope by the promise of Redemption. And now, as the people of God, we ought to live as befits our high calling.

The situation was and is, man is so prone to evil that he'd have no hope without God's helping hand. God's promise of Redemption included all those who died before Christ as being able to share in the fruits of Calvary. Otherwise, God's justice and mercy would not have been satisfied. It is a teaching of our faith that God gives sufficient grace to each and everyone to save their souls. It is not enough to just accept the talent and bury it: it must be used. And, enlightened as we are by the revelations of Christ, we must dip into the treasury of God's graces if we hope to survive the dangers of daily life.

Lent is a time for taking stock, and seeing to our defences. All the necessary helps are available. We have only to ask. So, keep company with God through your prayers, and feed regularly at God's holy table. And, you'll become so like Christ, you'll talk like Him, you'll act like Him, and you'll live like Him.

To coincide with this issue the Waterford PAYE Office will operate a "HELPLINE" specifically to deal with queries in this regard. Individuals using this service are more likely to have a revised certificate if required issued to them before the commencement of the new tax year (6 April 1990).

# Biggest Ever St. Patrick's Day Parade

Members of the Organising Committee (front, left to right) — Brian O'Connor, Jim Veale, James Power and at back Don O'Connor and Oliver O'Donnell.

For the 12th successive year the Dungarvan Pipe Band has taken on the onerous task of organising the annual St. Patrick's Day parade in the county town, and the confident expectations are that next week's event will be the biggest and most colourfully spectacular to date.

For months past the officers and committee members of the Pipe Band have been formulating the parade plans, and now with little more than a week to go virtually everything is ready to role.

Clubs, organisations, industry, and individuals are likely to swell the entries to record levels, and if the mercurial weatherman is in benevolent mood on the big day the expected thou-

sands of viewers can look forward to a really superb parade.

This year no fewer than nine bands (a record) will be taking part. They will be headed (of course) by the Dungarvan Pipe Band and the local Brass and Reed Band, together with Pipe Bands from Youghal, Castletyons, Fermoy, Bonmahon, and Cashel, in addition to the St. Mary's Brass Band, Youghal, and

the Youghal Comhaltas Band.

As in former years the parade will begin at Coolagh Road in Abbeyside at 3 o'clock (sharp) and will proceed across the Causeway to Grattan Square where local dignitaries, including the chairman and members of the Urban Council, will be on the viewing stand.

The parade will then continue through the town before returning to Grattan Square where the various award winners will be announced, followed by the presentation of the trophies.

The main sponsors this year are — Waterford Foods Plc., The Trustee Savings Bank, The Pipe Band, Credit Union, Dungarvan Crystal, Dungarvan Chamber of Commerce, Connradh na Gaeilge, Capitol Cleaners and the local publicans.

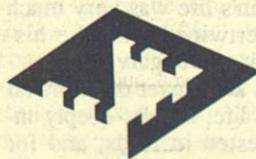

There will be eight category awards with the coveted Fr. O'Riordan Perpetual Trophy going for the best overall float.

There will also be awards for the best advertising float, the best marching group, the best club float, the vintage entry, the most colourful float, the best business and trading entry, and the best visual display in Irish. In addition the

Pipe Band is organising a poster competition for children.

"Given the proper level of co-operation I believe we can look forward to the biggest and best St. Patrick's Day parade to date in Dungarvan", Pipe Band spokesman, Jim Veale said.

# RECENT DEATHS

## Mr. Patrick Foran

It is with deep sadness we pen this tribute on Patrick Foran who died unexpectedly on Monday evening, February 19, at his residence in High Street, Stradbally. A native of the area, Patrick was well known and highly respected among the locals. He loved Stradbally and its environs, its history and social fabric meant so much to him. Sixty years old and involved in construction management all his life, his work brought him to England, Nigeria and Cyprus. For over 25 years he was based in America, 23 of those years were spent in Chicago and the remainder in Florida.

Just four months ago he returned home to enjoy his retirement but the Divine Master had other plans. He was a quiet, unassuming man who enjoyed relaxing with rod and line.

We sympathise with his wife Marie, mother Agnes and his relatives on their cross of bereavement.

On Tuesday evening Patrick's remains were transferred from the Kiely Funeral Home to Stradbally Church where Very Rev. M. J. Ryan, P.P., assisted by Rev. Fr. Walsh, C.C., blessed and received the remains.

Following the Requiem Mass on Wednesday at which the celebrant Fr. Ryan spoke in glowing terms of the deceased, the interment took place in the adjoining cemetery in the presence of a large concourse of mourners.

The chief mourners were — Marie (nee Walsh)

(wife), Agnes (mother), Kitty and Madge (sisters), Jimmy McGrath (Bonmahon), Hughie Duffy (Coventry), Thomas Walsh (U.S.A.) (brothers-in-law), Mabel Walsh (U.S.A.) (mother-in-law), Brendan, Kevin, Brian (Duffy) (nephews), Marion McGovern, Celine and Una McGrath (nieces), and a wide circle of cousins, relatives and friends.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Paddy Quinn

The passing on Thursday, February 22, of Paddy Quinn, Ballycoe, greatly saddened not alone his wife, daughter and relatives, but indeed his vast legions of friends. Paddy was an institution who touched so many lives by his outgoing personality and of course, his music. A native of Cushcam, Paddy had reached his 78th year.

For many years he was a hardworking obliging blacksmith whose rapport with his clients was well known. Most of us knew Paddy through the world of music. An honorary President of Comhaltas Ceoltoiri in Dungarvan for the last 12 years, the deceased was a valued member of the Ballycoe Ceili Band in the past. His love of music brought him to the many sessions and fleadhanna held throughout the country.

In more recent times he displayed his talents at the Seanachai and Marine Bars where, with locals and tourists alike, Paddy was a great favourite. Is cinte ni bheidh a leitheid ann aris. Go deana Dia trocaire air.

Sincere sympathy is extended to his sorrowing wife, family and relatives.

On Friday evening, following Rosary and prayers at Kiely's Funeral Home, the cortege left for St. Lawrence's Church, Ballinroad, where Paddy's remains were blessed and received by Very Rev. M. Canon Farrell, P.P., assisted Rev.

P. Ahearne, C.C. and Very Rev. J. Griffin, P.P.

On Saturday, Requiem Mass was celebrated by Rev. P. Ahearne, C.C., who also officiated at the burial in the adjoining cemetery, assisted by Canon Farrell and Rev. Fr. W. Carey, C.C. Tommy and Lena shared the Lessons with us, while representatives and musicians from Comhaltas branches saluted Paddy in music. His favourite pieces were played beautifully in a tribute that was richly deserved. Among those who contributed were Anne Mulqueen, Mattie Fahey, Nicky Power, MacDara McDonnadh, Michael Flynn, Michael McKenna, Joanne Crotty, Christy O'Neill, Jimmy Mansfield and Caroline King.

Chief mourners — Maura (wife), Doris (daughter), Bill (son-in-law), Tommy (brother), Abbie (sister), Lena (sister-in-law), Gillian and John (grandchildren) and his many nephews and nieces, both at home and overseas, relatives including the O'Donnells, Lismore, Kielys of Abbeyside and the Hayes of Caseyville and his many, many friends.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. John Woods

On Sunday, February 25, we learned with great sadness of the passing of ever-popular Mr. John Woods, 46 Caseyville, Dungarvan, at Waterford Regional Hospital, following a short duration of hospitalisation. Aged 80 years and just four days, John came of an old established and well respected Dungarvan family. A native of 'Blackpool,' Dungarvan, John's life was very much intertwined with the history of Dungarvan.

A keen lover of nature all his life, he was deeply interested in birds, and for many years he was a valued member of the old Eire Og GAA Club and later Dungarvan and followed their fortunes with keen interest.

John enjoyed good company and often greatly contributed with his fine tenor voice. A most conscientious man who possessed many outstanding traits, he

was very well known for his punctuality and his daily movements would suffice for watch or clock. Employed all his life at the local tannery, John was an excellent employee who took a great interest in his work.

We offer our sympathy to his sons, sister-in-law and many relatives on his passing and clearly another link with the Old Boro' of yesteryear has been severed. May he rest in peace.

On Monday evening, following Rosary and prayers at the Kiely Funeral Home recited by Very Rev. Fr. G. Power, P.P., the cortege left for St. Mary's Church, slowly wending its way along John's route to work, past his old homestead, to his beloved St. Mary's. A funeral service followed with Fr. Power, Very Rev. M. Canon Farrell, P.P., Rev. P. Ahearne, C.C., Rev. Fr. J. Hooper, O.S.A., Rev. W. Carey, C.C. and Very Rev. Fr. J. O'Sullivan, in the large attendance.

At the Requiem Mass on Tuesday, nephews T. J. and Sean read the lessons, while Mass celebrant Canon Power, also officiated at the graveside.

Chief mourners — John and Tommy (sons), Kathleen and Nuala (daughters-in-law), Tommy Roche and family (brother-in-law), Mary Roche (sister-in-law), John, Stephen, Debbie, Siobhan (Abbeyside), T. J., Anthony, Carmel (England) (grandchildren), and a wide circle of nephews, nieces, relatives and friends.

## Mrs. Bridget (Biddy) Carroll

We regret to record the death of Mrs. Biddy Carroll, Knock, Clonea, Dungarvan, which occurred on Tuesday, February 20, after a short illness. A caring lady, she was very good for visiting the sick and elderly and was always ready to give a helping hand and her door was always open. She loved playing 45 drives and played at many different venues. She was a great Stradbally supporter in hurling and football and also a great follower of the "Geese" tug-o-war team. She was a very good woman to entertain, especially when people came home on holidays.

Her favourite hobbies were baking and jam making. Her life-long ambition was to see her two grandsons, Martin and David Carroll, being ordained. She was a very religious lady and went to Knock an-

nually and she visited Lourdes twice.

Following Rosary said by Fr. P. Ahearne, C.C., on Wednesday, February 21 (also present were Fr. B. Meehan, C.C., Fr. Hickey, O.S.A., Fr. Gough, O.S.A., Rev. M. Hedigan, Deacon, St. John's, Br. Spring, O.S.A.), removal took place from Dungarvan hospital to Garranbane Church where the remains were received and blessed by Fr. N. O'Mahoney, Adm., assisted by Mons. Lannen, Fr. B. Crowley, C.C., Clonmel, Fr. Cullinan, St. John's College, Fr. Walsh, Ballylaneen, Fr. Hickey, O.S.A., Fr. Gough, O.S.A.

Concelebrated Mass was offered on Thursday morning by Fr. N. Mahoney, Adm., with concelebrants Canon M. Farrell, P.P., Fr. P. Ahearne, C.C., Very Rev. M. J. Ryan, P.P., Fr. B. Meehan, C.C., Fr. O'Donnell, O.S.A., Fr. M. O'Neill, O.S.A., Fr. P. Daly, O.S.A., Fr. M. Byrne, P.P. Also present were Fr. C. Kelleher, C.C., Fr. Hickey, O.S.A., Fr. Baldwin, O.S.A., Fr. Gough, O.S.A., Br. Spring, O.S.A.

The Lessons were read by her son Liam and grandson David Carroll. Following Mass, interment took place in the adjoining cemetery. Fr. Mahoney officiated at the graveside assisted by the full choir of clergy.

The chief mourners were: Michael (husband), Mick, Eddie, Johnny, Tomas, Liam, Oliver (sons), Sheila and Peggy (daughters), Kathleen Hardy, England (sister), brothers-in-law, sons-in-law, daughters-in-law, grandchildren, relatives and friends.

(Funeral arrangement were by Tom Drohan, Dungarvan.)

## Mr. John Michael Coffey

Removal this Wednesday, March 7, at 3 o'clock from Dungarvan hospital to Kilbrien Church. Requiem Mass will take place on Friday morning at 11 a.m. and interment will take place immediately afterwards in the adjoining cemetery.

## Pig Farmers Still Losing Money Says IFA

The Chairman of the IFA's National Pigs & Pigmeat Committee, Michael Murphy, commenting on the 4p to 6p per kg. increase in the price of pigs said the increase was inadequate and was just the start of a long haul towards 120p per kg., the target figure for the bulk of Irish pig producers.

Pig farmers are still losing money, he said, and prices need to go much higher than the current average nett figure of 106p per kg.

IFA had campaigned strongly for this price rise by a nationwide series of protest meetings with the owners of eleven slaughterhouses during the past few weeks.

Mr. Murphy said the increase had been deliberately delayed by many processors, despite a firmer

pigmeat market, apart from the pork slaughterers, many of whom have increased prices so far by 8p per kg. "Dealer activity is very widespread on both sides of the border with prices of 110p per kg. freely on offer," he said.

Mr. Murphy said the Association had asked Department of Agriculture officials to push for further EC Export Refund support at the Pigmeat Management Committee meeting.

## North-South Prayer Link

## Drama Festival Draws The Crowds To Ballyduff

The 10th Annual West Waterford Drama Festival which opened last Thursday night has been drawing capacity crowds to St. Michael's Hall, Ballyduff.

The opening play, John B. Keane's "Many Young Men of Twenty," was appropriately performed by the host group, the Ballyduff Theatre Company, and on each of the ensuing nights outside groups have been providing a feast of drama.

The festival continues until next Sunday night when the Thurles Drama Group will ring down the curtain with their production of Alan Ayckbourn's "Round and Round The Garden."

It will then remain for the

internationally renowned Festival Adjudicator, Graham Suter, London, to announce his adjudications on the ten productions staged during the festival.

The results will be published in next week's issue of the "Leader."

## Teenage Girl Threatened To Burn Down Youghal Garda Station

A 15-year-old Youghal girl who was "blind drunk," went completely out of control and threatened to burn down the Garda Station, District Justice Joseph Mangan heard at Youghal District Court last Friday.

The girl pleaded guilty to being drunk and disorderly at O'Brien's Place on the night of February 16, while the State also brought an application before the court to have her bound to the peace.

Sergeant W. Doyle in evidence said the girl was blind drunk and three times he had to eject her from the garda station. She was completely out of control and threatened all kinds of things including to burn down the garda station.

Garda E. Hayes also told the court that the girl came into the station shouting and roaring and using the most abusive and offensive language. Finally, she had to be arrested.

The District Justice then bound the girl to the peace for two years and, in default of the bond, she will serve six months detention.

The drunk and disorderly charge was marked "taken into consideration."

### ASSAULT CHARGES

Earlier in the court the same defendant and a 16-year-old local girl were both convicted of assaulting Madeline Curley (17), 73 Blackwater Heights, Youghal, at Cork Hill on February 21. The 16-year-old was also charged with assaulting Garda Dan Goggin on the same occasion.

Both defendants were remanded on bail until October 5 on the charge of assaulting Ms. Curley and they were directed also to pay £40 compensation each to the injured party by that date.

For assaulting Garda Goggin the 16-year-old was also remanded on bail to October 5, but in addition she was bound to the peace for two years and in

default of the bond will serve six months in detention.

## TURLOUGH O'BRIEN

On Thursday morning last Turlough O'Brien, Coolbagh, Clashmore, gave up his brave struggle for life. Turlough died peacefully after many years of illness which he bore with great patience and endurance.

He was a wonderfully kind and caring husband and father. He was a well-known member of the farming community and was always on hand to help out a neighbour or anyone in need. He was always full of cheer and his greatest joy was a game of 45. His strength was an example to all he met and he will be deeply missed by his wife Alice, sons John, Terry and Ger, daughter Margaret, all of whom lovingly cared for him during his illness.

His remains were taken from Egan's Funeral Home to Clashmore Church on Friday evening and following Requiem Mass on Saturday, burial took place in the adjoining cemetery. Very Rev. Canon J. Murphy, P.P., and Rev. Fr. Billy Meehan, C.C., officiated at the obsequies.

Our deepest sympathy to his wife, sons, daughter, brother, family and friends.

A large crowd attended and a very enjoyable night was had by all.

Congratulations Michael. This was the only local winner and she attracted great interest among the local punters. Diana's Daughter is trained by Mr. G. Ducey and she was ridden to victory on Sunday by T. O'Callaghan.

# Cappoquin Notes

## CAPPOQUIN BADMINTON CLUB

Our ladies have pride of place this week as from their last three matches they have dropped only one point. They got a maximum four points, away to Melleray, three points at home to Lismore and their best result, a four nil win over league leaders Dungarvan.

Let's hope they can keep these results going when they play Melleray next week.

Our men did not fare out so well. They played a strong Tourin side and came away with only one point for their efforts. This result puts Tourin firmly on top in this division.

## RAILWAY ATHLETIC F.C. NOTES

### U-12 LEAGUE Railway 2 Slieverue 0

We played our second last league game of the season on Saturday last and are still on top of the league. We found it very hard to breakdown Slieverue. Martin Ormond got a great goal from a direct free-kick to break the deadlock. Our boys are finding playing at home a bit difficult as we beat Slieverue 9-0 away earlier in the season. With five minutes remaining Alan Barry made the point safe with a well taken goal that keeps us on course for the title, but a few players must try to get their early form back if we are to succeed.

Men of the Match — Brendan Landers and Martin Ormond.

Team — N. Maher, H. Murphy, Anthony Morris-

Ailish Dallon, winner of the Cappoquin "Miss Rugby" competition held in the Boathouse, recently.

sey, Tim O'Connor, S. Quinn, D. Coughlan (capt), Mitchel Moynihan, M. Ormonde, G. Arrigan, K. Radley, A. Barry. Res. — W. Fraher for A. Morrissey (inj.); B. Landers for M. Moynihan (inj.); James Mahony for K. Radley.

## UNDER-11

### CHALLENGE GAME Railway 3 Dungarvan 3

Our Under-11 side played their first game together on Saturday last. This was a good, hard game for our lads who played very well.

The league will be starting in a few weeks time so let's hope the boys give a good account of themselves.

Team — S. Cotter, G. Foley, P. Coffey, H. Murphy, W. Fraher, N. Maher, D. Coughlan, S. Curran, S. Hanrahan, D. Lenane, M. Moynihan.

## UNDER-14 KENNEDY CUP

On Sunday next the Waterford Kennedy Cup team will be playing South Dublin. They have played two away games to Kilkenny and Wicklow, winning both games. Ray Curran is a vital member of this team and he played very well in the last two games. This is a great honour for Ray, his family and our club, for doing so well. We wish Ray and the two Dungarvan lads, Jason Hyslop and Timmy Kiely the best of luck.

Our club hopes to run a bus to the game on Sunday next at Ozier Park, Waterford, at 2.30 p.m. Please contact any committee member for a place on the bus.

# Ballinameela/Aglish Dramatics

The scene is almost set now for our forthcoming production of "The Year of the Hiker," by J.B. Keane. A special undertaking indeed for our producer, Fr. Michael O'Byrne, as it signifies his 25th production. A man who has inspired drama more successful productions.

It is perhaps fitting so that Michael O'Byrne also plays the central

role of the Hiker Lacey, a character that Keane vividly evokes through beautiful imagery and vibrant language. He is joined by Phyl McGrath, William O'Brien, Jim McGrath, Ann Meskill, Sheelagh McGrath and Michael Stack.

"The Year of the Hiker," though rich in passion is, at heart, a gentle play. More than anything else this play is about love; love that has been mis-spent or unrequited, and most of all the love that has lived on in the hearts of Freda, Kate and Joe under the guise of hatred.

Don't miss this stirring and powerful drama. (See advt. for details).

William O'Brien who plays "Joe."

Phyl McGrath who plays "Kate."

# PENSMAN Takes You . . . . Behind The SPOTLIGHT

## IT IS IRELAND — NOT THE REPUBLIC OF IRELAND

The Editorial in the current issue of the Incorporated Law Society Gazette refers to the considerable confusion which arises from time to time about the precise name of our State. It points out that in a report on a Supreme Court case in the Irish Times Law Report of January 8 last, Mr. Justice Walsh referred to what appeared to him to be the conscious and deliberate practice of incorrectly setting out the name of the State in Extradition warrants.

Mr. Justice Walsh stated that in the English language the name of the State was "Ireland" as prescribed by Article 4 of the Constitution; the *Republic of Ireland Act, 1948* did not purport to change the name of the State nor could it have done so and a constitutional referendum would be required to effect any change in name.

Mr. Justice McCarthy endorsed the views expressed by Mr. Justice Walsh and the Chief Justice, Mr. Justice Finlay, agreed that it was most undesirable that the name of the State should be incorrectly set out in warrants.

Mr. Justice Walsh in a foreword to William Binchy's *Irish Conflicts of Law* (Dublin, 1988) also dealt with this theme. He stated that the name which Irish law attributes to the State was "Ireland" and was so acknowledged by a communique from 10, Downing Street in 1937. He continued: "Regrettably some of our semi-State bodies seem to be infected with a similar confusion (as the English courts) There is only one State in the world named "Ireland" and reference in contracts to the applicable law as "the law of the Republic of Ireland" or "the law of the Irish Republic" are wrong.

"Whatever justification may exist for English confusion," Mr. James Walsh goes on to say, "there is none whatsoever for Irish ignorance. Our semi-State

bodies and their legal advisers might at least honour the Golden Jubilee of the Constitution of Ireland by learning the correct name of the State upon which they depend."

The Gazette editorial adds "It behoves lawyers in Ireland and elsewhere to have regard to these dicta when preparing legal documents."

And in this year of the Soccer World Cup we should all of us, those who have to stay at home as well as those who will be lucky enough to be able to travel to Italy, remember that, as our Supreme Court points out, the name of our State is Ireland.

## OUR NEW FEATURES

This week we introduce a number of new features aimed at making the "Leader" a brighter and more attractive "read" for both young and old. These are the result of the suggestions which came to us from readers whom we queried in recent months — although one great regular fan boosted our ego when she declared that the "Leader" was perfect as it was!

Be this as it may, we nonetheless hope that our new features will prove a welcome addition to our weekly effort in bringing you not only a full coverage of news but also a more comprehensive spread of local notes from the ever-increasing number of areas

in which the "Leader" is now circulating.

The index at the bottom of the front page will show you where to look to locate the various new items in this issue.

## SET BACK IN CONSTRUCTION OF WATERFORD REGIONAL HOSPITAL?

Last month the disappointing news was announced that a Receiver had been appointed to the Kilkenny construction company of Mahon & McPhillips Ltd. who were the main contractors for the major development of the new regional hospital at Ardkeen, Waterford.

In his report to the March monthly meeting of the South Eastern Health Board due to take place at the Board's head office in Kilkenny this Thursday, March 8, the Chief Executive Officer, Mr. P. G. McQuillan informs the members that at a meeting held on Friday, February 16, the Receiver indicated that a proposal for a buy-out of the construction section of the Company's operations was being formulated. However, a week later, on February 23, the Receiver stated that the proposed buy-out was not going ahead and that he would be issuing redundancy notices to the staff. A decision on the determination of the regional hospital contract was deferred at the time to allow for further developments which might take place over the week-end.

The CEO's report then states that on Monday, February 26, the Health Board was informed by the Receiver that he had sold the assets and commit-

ments of the construction company to a new firm, Mahon & McPhillips CEM Ltd., a subsidiary of the Clonmel Company of M. F. Kent & Co. Ltd and that he was now requesting the Board's consent to the assignment of the contract to this new company.

Mr. McQuillan's report then informs the Board members that following this development a meeting was held with Kents when much of the details of the proposal were clarified and that the conditions applicable and further clarifications necessary were in the process of resolution. The report concludes by pointing out that the Board's commitment to completing the construction of the hospital on time was a primary consideration in dealing with this matter.

It is indeed to be hoped that the moves at present in train will, as the CEO's report states, have the desired result of ensuring that the construction of the hospital will be completed in, or at least as near as possible to, the original time schedule of the contract.

## WORDS OF NATIONAL ANTHEM

A regular reader based in the Isle of Wight writes asking for the words of the National Anthem, "Amhran na bhFiann," in English. Unfortunately we are unable to help him as we only have the Irish version in our collection.

We would be grateful to any reader who might come to our assistance to enable us to meet this request from our exiled reader in England who tells us that he is ashamed to admit that he only knows the first few lines of the Irish version of the Anthem.

## NO SMOKING IN HOSPITALS

The 'no smoking' motion passed by the members of the South Eastern Health Board at their February meeting will come into effect as and from St. Patrick's Day, March 17. The motion states "that smoking be prohibited in the hospitals, premises and transport including contract transport, of the South Eastern Health Board, except in designated areas; this order of the Board to be implemented from 17/3/90."

The motion did not detail what or where the "designated areas" are, but we

have no doubt that those who still "like the few pulls" will already have found out.

## UPGRADING

Work being carried out

by the Health Board on the upgrading of two wards at St. Joseph's Hospital, Dungarvan, is reported to be progressing satisfactorily and the target date for completion is the month of May.

## Rody McCorley

Our choice for the ballad corner this week is one about a brave young United Irishman from the North. Rody McCorley was executed following his participation in the insurrection organised by the United Irishmen and went to his fate on the Bridge of Toome. The ballad has a fine martial air but it is not heard as often now as it used be some ten or fifteen years ago.

Ho! see the fleet-foot hosts of men  
Who speed with faces wan,  
From farmstead and from fishers cot  
Upon the Banks of Bann!  
They come with vengeance in their eyes,  
Too late, too late are they,  
For Rody McCorley goes to die  
On the Bridge of Toome to-day.

Oh Ireland, Mother Ireland,  
You love them still the best,  
The fearless brave who fighting fall  
Upon your hapless breast;  
But never a one of all your dead  
Most bravely fell in fray,  
Than he who marches to his fate  
On the Bridge of Toome to-day.

Up the narrow street he stepped,  
Smiling and proud and young:  
About the hemp-rope on his neck  
The golden ringlets clung.  
There's never a tear in the blue, blue eyes,  
Both glad and bright are they,  
As Rody McCorley goes to die,  
On the Bridge of Toome to-day.

Ah! when he last stepped up that street  
His shining pike in hand,  
Behind him marched in grim array  
A stalwart earnest band!  
For Antrim town! for Antrim town!  
He led them to the fray,  
And Rody McCorley goes to die  
On the Bridge of Toome to-day.

The great coat and its sash of green  
Were brave and stainless then;  
A banner splashed beneath the sun  
Over the marching men,  
The coat had many a rent this noon,  
The sash is torn away,  
And Rody McCorley goes to die  
On the Bridge of Toome to-day.

Oh, how his pike flashed in the sun!  
Then found a foeman's heart!  
Through furious fight and heavy odds  
He took a true man's part;  
And many a red-coat bit the dust  
Before his keen pike-play  
But Rody McCorley goes to die  
On the Bridge of Toome to-day.

Because he loved his Motherland,  
Because he loved the Green,  
He goes to meet the martyr's fate  
With proud and joyous mein,  
True to the last, true to the last,  
He threads the upward way,  
Young Rody McCorley goes to die  
On the Bridge of Toome to-day.

# REMEMBERING OTHER DAYS

This week after a brief lapse, we return to our very popular "Remembering Other Days" series. The photo we feature was taken just two years after the end of World War II. The year was 1947, and the picture shows the Mercy Convent, Dungarvan, boys' first Holy Communion Class on their great day. The photo shows (front row l. to r.) — Willie Rossiter, John Beresford, Michael Power, Noel Prendergast, Richie Moylan, Jim Queally, Christy Nagle, Pat Harty, Christy Boland, and at back — Sean Henneby, James Ducey, Fintan O'Regan, George Troy, J. Finan, Thomas O'Connor, Pat Earley, Jack McCarthy, Thomas Wright and Danny Mahony.

## Abbeyside Scout Notes

### TROOP MEETING

Last Saturday night instead of our regular troop meeting we did our bit for the community for after the prayers each patrol was given an area in the parish in which they had to distribute the annual Trocaire Boxes. One observation from our distributions is we believe the amount of houses in the parish is definitely getting bigger as we ran out of boxes. We ended the meeting with the scout prayer.

### CONFIRMATION

On Sunday last we provided a guard of honour for

his Lordship, Bishop Russell, at the local confirmation. A big attendance of twenty was present and before Mass Bishop Russell shook hands and chatted to all present. He also blessed the new leaders "Insignia". We would like to congratulate the many scouts who were confirmed last Sunday.

### SPORTS

Our Tuesdays night sports are now in full swing. This year a snooker table, darts board and ring board have been added to the regular sports of pool, badminton and table tennis. Director of sports operations this year

is Paddy Whelan (Unit Council). Weekly he is joined by a parent from each patrol who help in supervising. All our sporting scouts are reminded that sports will run from the later times of 8 p.m. to 9.30 p.m. during the Lenten season. At present a badminton ladder league is in progress where we hear Brendan Flynn and John Kyne are going great guns. Organiser of this event is Benny Flynn. On Sunday, March 18 our annual badminton doubles tournament will take place. All names to B.F.

On Saturday evening, March 17 a soccer challenge between the P.L.'s, A.P.L.'s and Venturers against the leaders will take place, while near the end of March a proposed soccer challenge of scouting present versus scouting past is on the cards. We hear Paddy Whelan is player/manager of scouting past and is currently going around with a "blankety blank cheque book" signing up players — should be an enjoyable challenge.

### PARADE

Scouts and leaders are reminded that our regular monthly parade on the second Friday of each month has been postponed for March as we will instead be parading to Mass on St.

Patrick's Day for what will be a full Unit Parade. So everyone has two full weeks to get their uniforms washed and ironed for the big day. This Saturday night's meeting is muffy. — Scribe.

## Youth United '90: National Youth Parliament

From April 20 to April 22, the National Youth Council of Ireland's 'Youth United '90' — National Youth Parliament — will take place in Dublin's Castleknock College. This promises to be an unique opportunity for 200 young people from all over the country to come together to discuss, debate and decide on issues which affect them.

There are many reasons behind the decision to hold such an event. Young people seem to have been dropped from the political agenda in recent years — their needs are often uncatered for, their opinions unlistened to, their participation in decision making unasked for — hopefully this Parliament will begin to resolve these problems.

It is also felt that with the loss of any real civics programme from school curricula, few students have any real chance to properly inform themselves as to just how decisions affecting their lives are reached, who makes them, and how they can be influenced. At an even more basic level, many have no real idea as to how the Irish political process works, why political parties exist, how they, and members of the public, can lobby.

It is the aim of the Parliament to bring together a range of young people from all walks of life —

and not just those involved in youth organisation — for three days to find out more. They will decide the issues they wish to discuss through working groups, debates and discussions. It is hoped that by the end of the weekend the Parliament will elect a committee of their own who will then bring their decisions to the government of the day and other relevant bodies — this will be facilitated by the National Youth Council of Ireland. NYCI also hope to be able to incorporate the decisions and the group into its own structures, to increase the participation of young people within the Council.

Brochures and application forms have already been circulated to youth organisations, labour exchanges, libraries, FAS offices and schools, and everyone is encouraged to participate. The cost of the weekend (residential) is £10 which includes accommodation and meals for three days.

# LISMORE NOTES

## LISMORE DRAMATIC SOCIETY NOTES

Following our recent success in the dramatic field with Bernard Farrell's "All The Way Back", we now turn our attentions to variety, with the Society's presentation of "Encore" (musical variety) on St. Patrick's Weekend.

Young and old are catered for and 1st class entertainment is guaranteed. A brief run down of some of the items will prove our point.

Again this year we welcome the support of the Ballyduff, Ballinvella, Ballysaggart Comhaltas Group and I have no doubt but that they will give us a delightful sequence of dance, music and song to entertain us, as only they can.

The children's section will provide us with a brilliant musical extract from the musical "Oliver" and the hard work put in by Margaret Ormonde has to be seen to be believed. We will have a number of novelty sketches and also a one act play with an all ladies cast, with a special guest appearance being made in this section of the show.

The show concludes with the adult chorus and this promises to be one of the best line-ups seen for many

a long day, with new members from Tallow, Cappoquin, Ballyduff and Ballysaggart adding great depth to a chorus renowned for their singing in all shows every year. Under the Musical Direction of Donal Hallahan and the Choreography of Margaret Ormonde and Margaret Hallahan the chorus will take us on a trip round the countries competing in the World Cup with a musical rendition from each.

"Encore" goes on stage on March 16, 17 and 18 and also on March 24 and 25 at 8.15 p.m. each night.

With so much talk of doom and gloom daily, why not come along to the Town Hall, Lismore on those dates for two and a half hours of fun, laughter and enjoyment and leave all troubles and worries at the door.

We guarantee you will not be disappointed. See advertisement next week for full details.

## LISMORE BADMINTON NOTES

The fourth division knock-out final attracted a large crowd on Wednesday night last in Tourin. The Lismore side were beaten, but only after a display of some very good badminton. Congratulations to Ring on

winning this title.

Our ladies J Div. team played two matches this week and were narrowly defeated on both occasions.

Congratulations to our junior members, namely Melene O'Reilly and Deirdre Hickey on winning the Under-16 competition in Lismore on Saturday last and also to Emma Dunne and Lynn Heaphy on winning the Under-13 competition in Cappoquin. Hope they do as well next week.

## CAMOGIE NOTES

On Saturday and Sunday next the club will have their Annual Church Gate Collection. Last year was a very expensive one for the club as we had to raise enough funds to travel to Offaly for the Feile na nGael competitions in June. As we raised enough funds for this from local firms, shops, cake sale, cycle, etc., we decided not to hold a collection last year. This year, however, we once again need your help and support in getting the show on the road. We will have collectors at all Masses and would greatly appreciate your support.

The club's A.G.M. goes ahead on Friday, March 16 and we hope to see lots of parents in attendance as we review our past year with the highlight being the All-Ireland medals won by our U-14 girls in Offaly. If such success is to be continued in the club, then the few workers on the committee will need the help and assistance of the girls parents and of course the girls themselves.

At the moment we have four or five of our senior players in training for the Co. Senior team. Our underage teams will be starting training straight after the A.G.M. as school competition, Feile na nGael and U-12 and U-14 championships will be coming up shortly. — P.R.O.

## LISMORE A.F.C. NOTES

A tough and exciting 90 minutes failed to produce a winner on Sunday morning in Modeligo. On a pitch perfect for a semi-final tie, Affane started with the very strong wind behind them and from the start they let the Lismore lads know there was no easy passage into the cup final.

Both defences were in command throughout the game with Pat Bennett outstanding for Lismore and the young Affane goalie proving his worth for them on a few occasions.

Lismore created more chances than Affane with Brendan Lawton working very hard in attack, but failure to put the ball in the net on a few occasions will have to be corrected next Sunday along with some more of the "cup tie" commitment we have seen in earlier games. If the replay

will be as exciting and entertaining as the last game, then the supporters are in for a treat.

The Lismore squad will have to be in top form if they are to proceed to the "big one". Extra time will be played if necessary. Check the fixtures list for time and venue.

Team — M. Fitzgerald, F. Power, P. Bennett, B. Shanahan, Dave Landers, C. Barry, B. Prendergast, Donal Landers, K. Lawton, T. Pratt, B. Lawton. Subs. — E. Cusack (used), B. Landers, P. Fitzgerald.

## Hedging Your Bets With An Evergreen Screen

By Pete Moss

MARCH is a key month if you are planning a hedge to either screen or become a feature of the garden.

It is the month when you should complete planting deciduous hedge varieties or aim to start planting evergreens and conifers if you live in a southern or other mild area of the country.

Latitude will play a major role in your choice of hedge and you will also need to consider the situation, soil, cost and, a factor often forgotten, how much care and clipping is required.

The role of the hedge is also an influence. They are most commonly used as a private and attractive garden boundary so this will also dictate a sturdy and taller variety.

The site should be prepared as carefully as for a specimen plant and as the hedge plants have to be squeezed in tight to do their job properly you must feed them regularly.

Allow for a bed of at least two feet for a boundary hedge, but a small scale internal hedge will need less.

Double-digging is advisable with the plentiful addition of well-rotted organic compost deep into the trenching. Remember that this planting needs to be right first time to guarantee a hedge that will last for years and years.

Conifers have become by far the most popular hedging material in recent years because they are attractive and fast-growing. None more so than the hybrid Leyland Cypress, which can add two feet a year and create a thick healthy hedge within a few years.

### Stakes

But these varieties tend to be shallow rooted and will need staking for the first

couple of years.

Their rapid growth is a marked contrast to old favourites like Yew but not for nothing has it been part of the garden scene since the days of Henry VIII.

It takes its time but will make a superb and long-lived hedge up to about ten feet. It has also been a traditional choice for topiary or ornamental hedge trimming and shaping.

Also popular: **HAWTHORN** - dismissed as drab when it sheds its leaves but it does go through an attractive period before this, producing scented white, pink or red flowers and colourful red/orange 'haws' or berries. It is also cheap and its spiny nature will create a dense and impenetrable hedge.

**BEECH** - mid-priced but it produces an interesting hedge and will not shed its leaves in winter if growth is restricted by occasional trimming.

**BOX** - a traditional favourite like Yew and similarly slow growing so it is easily kept as a hedge, but it is one of the more expensive varieties.

**HOLLY** - no prizes for guessing that spiny Holly makes an impenetrable and attractive hedge but it grows slowly and is expensive.

**HONEYSUCKLE** - certain varieties - check with your garden centre - make good inexpensive medium-height hedges.

**PRIVET** - an old favourite that is cheap and produces a hedge quickly but does require regular clipping.

### COUNTY MEDALS PRESENTED

At the Oriel Bar, Ballymacarbry, on Shrove Tuesday, the Four-Mile-Water Hurling Club presented the intermediate hurling County medals to its players. The honour of the presentation went to Erin's Own and Waterford inter-county hurler Liam O'Connor. Liam has many relations in the Nire Valley.

He was also a member of the Erin's Own team which Fourmilewater defeated in the final.

### CONFIRMATION

His Lordship the Bishop, Most Rev. Dr. Michael Russell, D.D., will administer the Sacrament of Confirmation to the pupils of Newcastle and Ballymacarbry at St. Laurence's Church, Fourmilewater, on Thursday, May 3. He will visit St. Helena's, Nire Valley, on Tuesday, May 15 to administer the Sacrament to Touraneena and Nire children.

### GREAT GAEL PASSES TO HIS REWARD

It is our sad duty to record the death, which took place unexpectedly of Mr. Michael Wall (Brick), Knockanaffrin, Ballymacarbry. Mickey, as he was better known, had a great love for all things Gaelic and took great pride in all Nire teams down through the years and always before a team left the dressing room he imparted a blessing on them with holy water. He was noted for his commentary's on the day's game. He was also a valued member of the Waterford Sheepbreeders.

On Wednesday evening his remains were removed to St. Helena's Church in the Nire Valley. There was a huge congregation present from far and near to pay their last respects to a good friend and neighbour. A guard of honour was provided by Nire footballers and Waterford Sheepbreeders and his coffin was draped in the blue and gold of his beloved Nire.

On Thursday morning after the Requiem Mass he was laid to rest in the little churchyard beside the road leading to the valley.

To his brothers and sisters we extend our sympathy.

### DEATH

It is with feelings of regret we chronicle the death which occurred at St. Joseph's Hospital, Clonmel of Mrs. Margaret Keane (nee Ryan), College Avenue, Clonmel and late of Boolabrien, Ballymacarbry. Deceased, a member of a well known and respected local family, was a quiet, gentle lady, a wonderful neighbour and friend. Her

husband Jack passed away some twenty years ago.

On Thursday evening, her remains were removed from Sean Condon's funeral home, Clonmel, to St. Laurence's Church, Fourmilewater and on Friday morning, following Requiem Mass, the interment took place in the adjoining cemetery.

To his family, brothers and sisters we extend our sympathy.

### SYMPATHY

Sincere sympathy from the district is extended to

the family, brother and sister of the late John (Shape) Ryan, Old Bridge, Clonmel, who died on Wednesday last.

Also to our beloved Parish Priest, Very Rev. Fr. Michael Russell, P.P., on the death of his brother James Russell, Post Office, Ballyporeen.

### WELCOME HOME

The people of the district extend a welcome home to Miss Mary Doocey, Oriel Bar, Ballymacarbry, who was hospitalised in Dublin for the past few weeks.

## —25 years Agrowing

### From The Beginning Until Now

Depending on how you look at it, twenty-five years can either be a lengthy period or just a short few years. How many of us can recall the year 1965 or what we were doing at that time, that is if we were even born then!

But 1965 was a significant year for the people of Dungarvan and indeed for those who, in the interim have reached their maturity for it marked the establishment in the town of the Dungarvan Credit Union.

From a small beginning the Credit Union has, like the acorn and the oak tree, grown to a fully matured organisation which is now helping thousands of people in the Old Boro' and its environs to solve their financial problems.

On the ensuing pages of this pull-out supplement, the progress of the Credit Union from its beginning twenty-five years ago right up to the present time is set out. It tells a story of which

all those who have been associated with it can well feel proud and recalls the memories of many who down through the years rendered sterling service to the movement and who have now gone to reap the reward which their selfless dedication to helping others so richly deserved.

And so this year of 1990 marks the Silver Jubilee of the founding of Dungarvan Credit Union and the people of the entire Urban area as well as those in the expanded area of the Chapter in Mid-Waterford readily join in extending heartiest congratulations to all concerned and warmest good wishes for continued success in the years ahead.

# Dungarvan Credit Union Celebrates '25th'

Dungarvan Credit Union, which this year celebrates its 25th anniversary, has eminent reason to be proud of its loyal and dedicated service to the community. This tender sapling, planted twenty-five years ago by a group of concerned citizens, was inspired by a desire to encourage people through co-operation in a Credit Union to practice the inestimable value of thrift, self-help and neighbourly service. No sapling now, Dungarvan Credit Union has grown from twenty members in 1965 to a current membership of 4,501, holding savings of £3,121,305.

Let us look then at the phenomenal growth of this little sapling which stands today as a living example of economic democracy at work, powered by the inspiration and idealism of its members.

**FORMATION AND DEVELOPMENT**

**FOUNDATION**

On November 24, 1964, the organisational meeting of Dungarvan Credit Union was held at Lawlor's Hotel, Dungarvan. Sixteen of the people present at the meeting paid an entrance fee of 2/6d and £1 for one share each and were accepted as the first members of Dungarvan Credit Union. It was decided that the Common Bond area of the Credit Union should be confined to the Urban District of Dungarvan. The meeting also elected the first Board of Directors:

Dr. P. K. Murphy, Mr. James Foley, Mr. Tom Kyne, T.D., Mr. Humphrey Kelleher, Mr. Michael J. Curran, Mr. E. P. King, Mr. Jonathan Cullen, Mr. Eddy O'Doherty, Mr. Patrick Walsh, Mr. T. T. McCarthy, Mr. P. J. Foyle, Mr. Tadhg O Loinsigh, Mr. Denis O'Donovan.

MR. NICHOLAS FITZGERALD

**FIRST PRESIDENT**

The first monthly meeting was held on December 7, 1964, and Dr. P. K. Murphy was elected as the first President of Dungarvan Credit Union.

At a subsequent meeting of the Board it was decided to use the Courthouse as the place of business on Friday, February 26, 1965, and to continue every Friday thereafter. On March 15, 1965, Dungarvan Credit Union's application for membership of the Credit Union League of Ireland was accepted.

**FIRST LADY**

On May 24, 1965, after the resignation of Dr. P. K. Murphy, Mr. P. Walsh was elected as the second president of the Credit Union, and it was decided to fill the vacancy on the Board with a lady. The position was offered to Miss B. Whittle and subsequently accepted by her.

**FALTERING STEPS**

During the formation years, the Credit Union relied solely on voluntary workers, and growth in the number of members and shares was slow. There also appeared to be a general reluctance on the part of the local population to use the Credit Union to obtain loans. It would take many years and a lot of endeavour on the part of many before the Credit Union would achieve its present strength and its present position in the local community. The following is an attempt to highlight some of the events and developments which characterised this growth.

**CAR £180**

On March 4, 1967, the Board granted the first car-purchase loan. The amount of the loan was £180, and a condition of the loan was that the borrower would obtain comprehensive insurance with the Credit Union's interest noted.

**INCORPORATION**

At the 5th AGM held at the Courthouse on January 23, 1969, it was announced that due to the increase in business, loan applications would now be taken on

Monday nights and collection of shares would continue on Friday nights. Also the Credit Union Act 1966 had been passed in the Dail on December 13, 1968 and under its provisions, Dungarvan Credit Union Ltd., had been incorporated.

**GROWING UP**

During these early years one

of the main difficulties hindering the progress of the Credit Union was the lack of its own permanent premises and the unsuitability of the Courthouse and subsequently the Town Hall. At a Board meeting of July 15, 1969, the purchase of a premises by the Credit Union was first mooted and over the next four years this topic was the main ambition of the Credit Union.

At a subsequent meeting it was suggested by a Field Officer from the League Board that, due to the increase in business, the Credit Union should also consider employing a paid manager to co-ordinate the efforts of the voluntary workers.

Maurice McGrath served as Manager from 1971 to 1979, and was much respected by the members for his kind, considerate nature. Following his retirement, and up to a short time before his death, he took an active part in committee and office work. His contribution to the growth of the Credit Union is recognised by all who worked with him and he is sadly missed.

At a Board meeting on April 6, 1971, it was decided to set up a Delinquent Loans Committee. This was the forerunner of the present Credit Control Committee which is necessary to ensure that all members honour their commitments to the Credit Union.

**PERMANENT HOME**

On January 24, 1973, it was announced at a Board meeting that premises at Mary Street, Dungarvan, had been purchased as the permanent offices of the Credit Union. The purchased property required extensive renovations to adapt them for this use and eventually the new offices were opened on October 20, 1973. There was an Ecumenical Blessing of the premises, followed by the official opening by Mr. Richard Walsh, the then Vice-Chairman of Dungarvan UDC.

MR. PATRICK RYAN

**COMMON BOND**  
At the November 1973 Board meeting, a discussion took place concerning the possible extension of the Common Bond to cover areas outside the Dungarvan Urban area. At the December 1973 Board meeting, it was decided to propose to the next AGM that the Common Bond should be extended to include:—

- (a) The postal area of Dungarvan;
- (b) The postal area of Kilmacthomas;
- (c) That part of the postal area of Cappoquin, east of roads D.11 and D.63;
- (d) That part of the postal area of Cappagh, east of roads D.68, D.118, D.26, L.71 and T.27;
- (e) That part of the postal area of Clonmel, east of road T.27 and south of a line from the junction of roads T.27 and T.75;
- (f) The townlands of Kilsteague and Castlecladdock in the postal area of Tramore.

The above proposal was subsequently passed by the AGM held in December 1973.

£1,000,000 — At a Board meeting on February 20, 1978, it was announced that £1m. had been advanced in loans since the foundation of the Credit Union.

**PATRICK RYAN**

At a Board meeting in November 1979, Mr. Patrick Ryan, who had indefatigably served as Treasurer from 1967, was appointed as full-time Office Manager, a position he has filled with distinction until his recent retirement.

Under Patrick's management, the membership of the Credit Union has had an enormous growth and has extended its Common Bond to most of mid-Waterford. It has also seen the purchase of its own premises at Mary Street and the full computerisation of office facilities.

Patrick has been a dedicated and efficient servant of the Credit Union. He has worked continuously on behalf of the Credit Union movement, not only in Dungarvan but right throughout Chapter Ten, which covers sixteen Credit Unions in both Waterford and Tipperary. Because of his expertise in

Credit Union affairs and his perception of the need for growth and improvements for the benefit of all members, he was much sought after for seminars and workshops on Credit Union affairs.

Patrick's quiet, gentle and

unassuming nature made him extremely popular within the movement. Patrick's approachable manner was but one of his many fine traits and contributed to his excellent success as manager. He earned the respect and affection of all members as is evidenced by the large number of people who speak of him with such high regard and esteem.

**PRESIDENTS**

Many notable people have served as President of Dungarvan Credit Union down through the years. Past presidents have included Dr. P. K. Murphy, Mr. P. Walsh, Mr. E. P. King, Mr. P. Harnett, Mr. E. Feehan (R.I.P.), Miss C. Greaney, Mr. A. Colbert, and the movement continues to thrive today under the presidency of Miss Alicia Browne.

Indeed, Dungarvan Credit Union has not had any shortage of voluntary workers who have worked ceaselessly for the benefit of all the members and to those, too numerous to mention, sincere gratitude is extended.

# Credit Union Celebrates

(continued from Page 15) over the past ten years, has been the co-operation received from the larger local employer, and employees, in allowing pay-roll deductions to be introduced. This method was first introduced to the local Credit Union in co-operation with Dungarvan Crystal in March 1980. It was subsequently introduced into Waterford Co-op. in June 1980, and into Waterford County Council and Stafford Miller and it is hoped to develop this facility further in the future with other firms in the area.

**COMPUTERISATION**  
From 1980 onwards the size of the Credit Union and the complexity of keeping accounts by the full-time staff and voluntary workers, led the Board into researching the possibility of purchasing a computer. Eventually, after a lot of consideration, a Monroe Computer was installed on October 1, 1982, and this was updated in 1988.

At the same time, an Xerox Copier was installed and two counter machines. Sometime previously the Credit Union had purchased a large strong-room for the safe-keeping of records. The Credit Union has continued to update these facilities to ensure that the service given to the public is as efficient as possible.

**A VIEW FROM MID-WATERFORD**  
The Credit Union Movement extended to the Bonmahon, Kilmacthomas, Kill and Stradbally areas of Mid-Waterford in 1973, thanks to the efforts of Rev. Michael Enright, who had just been transferred to the

parish to serve as curate in Ballylaneen, which is situated half-way between Bonmahon and Kilmacthomas.

Fr. Enright, a native of Abbeyside, was familiar with the benefits of Credit Unions in communities and due to his initiative and foresight, and with the help of Patrick Ryan, the backbone of Dungarvan Credit Union, he organised the first meeting at Ballylaneen Parochial Room, beside St. Anne's Church.

A handful of interested people attended that first meeting, but, little did anyone realise at the time, the huge benefit to this area that would follow that first inaugural gathering. A number of meetings followed in Bonmahon and Kilmacthomas, after which a savings group was set up with the intention of forming a Credit Union in the area. However, following a feasibility study and taking into account the wide area to be covered, it was decided more prudent to join with Dungarvan Credit Union.

The time was very appropriate, too, for Dungarvan Credit Union to extend their Common Bond, to take in the mid-Waterford area as the Credit Union was then moving to their own new extensive premises in Mary Street, which was a milestone in their twenty-five years existence.

Sub-offices were then set up in Bonmahon, Kill, Kilmacthomas and Stradbally and were served by voluntary officers from the locality. Since 1973 the Credit Union movement in the above areas has grown from strength to strength with a weekly-increasing membership from a wide cross sec-

tion of the community, and there is no doubt that from small beginnings in 1973, the benefits that are now enjoyed by members of Dungarvan Credit Union in this area are enormous, thanks to the efforts of Rev. Fr. Enright and Mr. Patrick Ryan, and are very much appreciated.

It is appropriate that a fifth sub-office was opened in Ballylaneen in 1987, scene of the inaugural meeting in 1973 and the Credit Union in the locality continues to grow, so much so, that after much deliberation it was decided to build a sub-office in the mid-Waterford area of the Common Bond. It has taken quite a while for this project to get off the ground and thankfully it is now nearing completion and we look forward to the opening of the new office in Stradbally in the very near future.

One cannot reminisce about the last few years without mentioning the late Mr. Nicholas Fitzgerald, Carrigcastle, who passed to his eternal reward in January 1987. Up to that time, Nicky was involved in the Credit Union in the area from day one in 1973 and his dedication was widely known.

He loved the Credit Union movement and the work he did for the Credit Union knew no bounds. He served as Assistant Treasurer and Director, positions which he filled with dignity. His courtesy, consideration and sympathy towards members was always appreciated. His example was a lead to follow and his contribution to Dungarvan Credit Union will long be remembered by those of us who had the pleasure of working with him.

At the moment the area is represented by Mrs. Tessie Begley, Stradbally (Director and Assistant Treasurer), Mrs. Deirdre Casey, Bonmahon (Director), both

of whom have been involved in Credit Union since 1973, Mr. John Martin, Kill (Director), Mr. John Keane, Ballinahilla (Director), Miss Patricia Lannon, Ballylaneen (Collector) and it is their sincere wish that the Credit Union will continue to flourish throughout their area in the future.

**LOANS**

Undoubtedly the Credit Union provides an excellent facility for its members in the matter of saving and borrowing. During the past twenty-five years, loans to the value of £15 million have been granted to members. Apart from the benefit to the members themselves, there is no doubt that this facility has greatly added to the prosperity of the entire local community.

It must be stressed however that when members are granted loans, they are expected to honour their repayment commitments. If they fail to do this, they are depriving other members of the Credit Union's resources. If there is a genuine reason why members might not be able to meet their repayments, they should contact the Office Manager with whom they can discuss their particular situation.

**PRESENT BOARD**

The present Board members, along with Alicia Browne (President), John Fitzgerald (Treasurer) and Tessie Begley (Secretary), are Mary Cooney, Teresa Wright, Anita Daly, Teresa Collins, May Breen, Deirdre Casey, Mary Hickey, Joe Devoy, John Keane, John Martin, David Walsh, Credit Control Committee member Maureen Crotty, Membership Officer Denis Moynihan and Nominating Committee member Patrick Hehir. Supervisors are Dan Crotty, Tommy Butler and Sean Cleary.

The Board continues to work unstintingly for the

promotion of the movement and the benefit of the members. Various community projects have also been undertaken such as a poster competitions, prize draws, quizzes and the highly successful Career Guidance Exhibition which catered for over 2,000 students in the Dungarvan catchment area.

**STAFF**

The present staff of the Credit Union are as follows: Manager, Mrs. Margaret Kirwan; Office Personnel, Miss Mary Fahey; Miss Helen Wright and Miss Brigid Coffey.

**NEW MANAGER**

The new Manager, Mrs. Margaret Kirwan took up her position in January 1990. Her excellent qualifications made her a natural choice for the job and she

has proved herself most popular with the members. She looks forward to the continued growth of the Credit Union movement in the area and the continued improvement of facilities for all members. No doubt, under her guidance, Dungarvan Credit Union will continue to grow and flourish in the years ahead.

**CONCLUSION**

The above short history gives some indication of the modest beginnings of your local Credit Union and how over a period of twenty-five years it has grown into the largest local organisation with 4,501 members, which provides a unique service of community self-help and thrift, its motto being: "not for profit, not for charity, but for service."

### AN RINN BEAT LISMORE

An Rinn travelled to Tourin Hall last week to play Lismore in the final of the Knockout Cup. Noel O Murchadha's team were complete underdogs going into this final, as Lismore had beaten Dungarvan in the semi-final.

The Murchadha Brothers Win The First Game — Noel and Donal Murchadha won the first game in great style against two very strong Lismore men in two sets.

2nd Ladies Win Their Match — Mairead Ui Lonain and Maire Ros Ui Droma gave Lismore an unwanted shock by winning game number two despite being under severe pressure.

games.

Ui Droma and Ni Cuidithe Pull An Rinn Out Of Danger — Rita Ui Droma and Phil Ni Cuidithe gave the best display of the night in a three-setter that lasted almost an hour. This was the match that gave An Rinn the edge over two great badminton players from Lismore.

Rita and Phil fought doggedly in all three sets and by winning a set here An Rinn sealed the fate of the Lismore team.

Team captain Noel O Murchadha and Mairead Lonain won the 1st Mixed Doubles in two sets.

O Murchadha and Ui Droma Win Final Game — Domhnall O Murchadha and Maire Ros Ui Droma fought with great determination in the final battle of the night as Lismore gave one last push at the An Rinn defences. ## CAMOGIE

## Waterford v. Tyrone

The long awaited league game with Tyrone takes place at Tramore on Sunday next with a 3 p.m. start. With a few training sessions already undertaken, the Waterford girls eagerly await this challenge and must give a good account of themselves if their momentum is to be kept on a high.

At the time of writing, the news on the team or its intended line-out has not come to hand. One thing is certain, for the first time in many years, Gaultier will lead the way as a Gaultier girl by the name of Siobhan

Coghlan will captain the Decies outfit. People will immediately think back to the future and together make it a year to remember. Let's see a good start on Sunday.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me therein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After 3 days the request will be granted. This prayer must be published after the favour is granted, with grateful thanks. Thanks to the Sacred Heart and the Mother of Good Counsel also for favours received.

# Acknowledgments

**HALPIN** — Ann and sisters of the late Very Rev. Father Tom Halpin, R.I.P., Idaho, U.S.A. and late of Durrow, wish to thank most sincerely all who sent Mass cards, telegrams, messages of sympathy; also those who attended the Masses and called personally to offer words of comfort at this sad time. A very special word of gratitude is extended to His Lordship, Most Rev. Dr. Michael Russell, Bishop of Waterford and Lismore and all the clergy who officiated at the Concelebrated Masses, both at Kilrossanty and Stradbally churches and this message includes particularly Fr. Michael Ryan, P.P. of Stradbally, his fellow classmates: Fr. Michael Russell, P.P., Fourmilewater, Fr. F. Lucey and Fr. Fitzgerald, P.P., Carrickbeg, whose kindness was most edifying and comforting. The kindness of the Stradbally G.A.A. Club members will long be remembered and also their lovely gesture of sympathy in the beautiful meal they provided, ably assisted by the Ladies Committee who attended to the catering and who deserve further gratitude, as do the two choirs who gave a beautiful rendering of appropriate music and hymns under the direction of Miss M. Cashin, Organist. As it would be quite impossible to thank individually each and everyone concerned, his sister Ann trusts this appreciation will be accepted by all in grateful acknowledgment. The holy sacrifice of the Mass will be offered for the intentions of all who expressed condolences. — Ann Halpin-Fennell.

**MURRAY** (Ballintaylor) — Kay and children, Sean's mother, brother and sisters and the Healy family, would like to thank all who sympathised with them on their recent sudden bereavement; those who sent Mass cards, letters and floral tributes; all who called personally, attended removal, Mass and funeral. A special word of thanks to Very Rev. Fr. W. Callanan, P.P., and Fr. Peter Aherne, C.C. and all the visiting clergy; Dr. M. O'Sullivan and Nurse Maureen Ryan. Our thanks also to Brickey Rangers and Eire Og G.A.A. Clubs and Sean's friends, for their wonderful tribute in providing the guard of honour. We wish to acknowledge the tremendous kindness and support extended to us by our very kind neighbours, relatives and Sean's many friends. Our thanks also to Tom Drohan and gravediggers. As you will appreciate, we could not thank people individually for the very many beautiful tributes, please accept this as a token of our sincere thanks. The holy sacrifice of the Mass will be offered for the intentions of all.

**DALY** — The husband and relatives of the late Mary Daly, Chapel Street, Lismore, wish to thank most sincerely the doctors, clergy, nurses and staff of St. Carthage's House, Lismore; St. Joseph's Hospital, Dungarvan, Ardkeen Hospital, for the great care and attention they gave to Mary during her illness; also to all who attended the funeral, sent Mass cards, flowers and letters of sympathy, and to John Ryan & Sons, Undertakers, for their excellent service. We trust this will be accepted by all in grateful acknowledgment. The holy sacrifice of the Mass will be offered for all.

**KEANE** — The wife, sister and relatives of the late Michael Keane, 6 Western Terrace, Dungarvan, wish to thank the very many people who offered their sympathy, sent Mass cards, attended the funeral, visited the Kiely Funeral Home, on the sad occasion of Michael's demise. We thank the clergy in Dungarvan and Ardmore for their kindness and consideration; our gratitude to the Matron and staff of Ardkeen hospital, especially Sr. Raphael who was a tower of strength. Finally, our thanks to our neighbours and friends who assisted in every way, we are forever grateful. As a token of our appreciation the holy sacrifice of the Mass will be offered for all your intentions.

**MULCAHY** — The son, sisters and relatives of the late May Mulcahy, 31 Cathal Brugha Place, Dungarvan, wish to convey their deep appreciation to all those people who sympathised with us, sent Mass cards and attended the funeral in such large numbers. We thank Fr. Power, Fr. Carey, Fr. O'Daly and Fr. Hooper for their presence and words of comfort. We are most grateful to the doctors, Matron and staff of St. Joseph's hospital; we remember especially the people who were so kind to May while she was in St. Anne's and St. Brigid's wards. We are indebted to Claire Maher and our many friends and neighbours who shared our burden. The holy sacrifice of the Mass will be offered for all your intentions.

# In Memoriam

**CROTTY** — Fourth Anniversary — In loving memory of Sean Crotty, late of 17 Mitchel Street, Dungarvan, who died on March 11, 1986. Masses offered. (Always remembered by his brothers and sisters.)

**LYONS** — Second Anniversary — In loving memory of my dear dad, Peter, late of Ballysaggart, who died on March 6, 1988. R.I.P. Mass offered.  
It isn't what we write,  
It isn't what we say,  
It's what we feel inside,  
When we think of you today,  
An empty void was left behind,  
The day our daddy died.  
(Sadly missed by your loving daughter Dodo, Willie and grandchildren. May he rest in peace.)

**McGOVERN** — Fifth Anniversary — In loving memory of Danny McGovern, late of 52 Murphy Place, Abbeyside, who died on March 10, 1985. R.I.P.  
The voice is now silent, the heart now cold,  
The smile and the welcome that met us of old,  
I miss him and mourn him in sorrow unseen,  
And dwell on the memories of days that have been.  
(Always remembered by your loving wife Mary.)

**McGOVERN** — Fifth Anniversary — In loving memory of Danny McGovern, late of 52 Murphy Place, Abbeyside, who died on March 10, 1985.  
A light is from our household gone,  
A voice we loved is still,  
A place is vacant in our home,  
That never can be filled.  
Lonely is the home without you,  
Life to us is not the same,  
All the world would be like heaven,  
If we could have you back again.  
(Always remembered by your loving daughter Geraldine, son-in-law Andrew and grandchildren Daniel, Ashlee and Stacey.)

**McGOVERN** — Fifth Anniversary — In loving memory of Danny McGovern, late of 52 Murphy Place, Abbeyside, who died on March 10, 1985. R.I.P.  
You can only have one father,  
Patient, kind and true,  
No other friend in all the world,  
Will be the same to you.  
When other friends forsake you,  
To father you will return,  
For all his loving kindness,  
He asks nothing in return.  
As we look upon his picture,  
Sweet memories we recall,  
Of a face so full of sunshine,  
And a smile for one and all.  
Sweet Jesus take this message,  
To our dear father up above,  
Tell him how we miss him,  
And give him all our love.  
(Always remembered by your sons Pat and Fran and daughter Caroline.)

**McGOVERN** — Fifth Anniversary — In loving memory of my father, Daniel McGovern, late of 52 Murphy Place, Abbeyside, who died on March 10, 1985.  
In a near and silent graveyard,  
Where the trees their branches wave,  
Sleeps a kind and loving father,  
In his cold and lonely grave.  
He bade no one a last farewell,  
He raised his head to none,  
His spirit flew before we knew,  
That he from us had gone.  
(Never forgotten by his son Michael, Greta and grandchildren.)

**O'BRIEN** — In loving memory of our dear mother, Catherine O'Brien, Owbeg, Lismore, who died on March 7, 1977.

A little prayer to Jesus say,  
(Always remembered by your loving sons and daughters.)

All the world would be like heaven,  
If we could have you back again.  
(Always remembered by your loving wife Mary and sons Tom and Jerry and families and daughters Cora and Margaret and families.)

**REGAN** — Twenty-first Anniversary — In loving memory of my dear mother, Kathleen Regan, late of St. Patrick's Terrace, Abbeyside, who died on March 7, 1969. Mass offered.

A special word, another year,  
A loving thought, a silent tear,  
A little prayer to keep in touch,  
With one we loved and miss so much.

# TALLOW NOTES

## TALLOW G.A.A. NOTES

The big news for our club this week, was that our application to the County Board, for senior status for the coming year was successful. We would like to take this opportunity to thank Eamonn De Paor who pushed the application on Tuesday night, and of course everyone who contributed to bringing the club back to senior ranks. Eddie Cunningham and his selectors were meeting during the week to map out a training schedule for the year. It is now up to everyone on the panel to make sure that we are not relegated again. Indeed we have it all to do after our lack lustre performances last year and we know if we buckle down to it we can match the best in the county.

An important committee meeting will take place in the Hotel on Thursday night at 8 p.m.

## TALLOW

### BADMINTON NOTES

Results of games played during the week. Ladies Section A lost 4-0 away to Dunmore while the gents Section B team drew 2-2 at home to Melleray.

Fixtures for the coming week — Ladies at home to Hillview on Monday night, while the gents are away to Holycross (Tramore) on Friday night.

Well done to Denis Martin and Kevin Pratt (Tallow) who won the boys U-16 tournament on Saturday last and to everyone of our juveniles who participated.

### BEST WISHES

Best wishes for a speedy recovery are extended to Mrs. Ann Coady, Barrack Street.

### BRIDE VIEW UTD.

### AFC NOTES

### DUNGARVAN TYRE CENTRE CUP (SEMI-FINAL)

### Cappoquin A 3

### Bride View Utd. 3

It's all to play for again as both of these sides still remained deadlocked after their meeting on Sunday morning last.

United took the lead after 4 minutes when Gerard Hogan scored from close range. Cappoquin equalised in the 13th minute and despite some near misses both sides were still level at a goal apiece at the break.

Bride View restored their one goal lead in the 60th minute when a Philly Curley cross was volleyed to the net by brother Paul. It was short lived as Cappoquin again equalised in the 62nd minute. United were awarded a penalty in the 67th minute and Mickey Curley put Utd. in front once again. But again Cappoquin fought back and it was all square again in the 76th minute.

Extra time failed to sepa-

rate the sides, so both sides meet again on Sunday morning next. From a United point of view this was a game in which the players never played to their potential and Ger Sice was the only player to do so. With some very important games coming up over the next few weeks it's important we get our form back again.

United — K. Tobin, T. McCarthy, G. Sice, S. Curley, M. Hartnett, G. Hogan, M. Curley, C. Curley, P. Curley, D. Henley. Res. — P. Sullivan (used) and P. Sheehan.

### PROMOTED

**Congratulations** — To Waterford United on gaining promotion on Sunday last. A big number of local fans made the trip to Waterford to shout on "the Blues."

### FIXTURE

Sunday, March 10 — Dungarvan Tyre Centre Cup, semi-final replay, Cappoquin A v. Bride View United in Ballyduff, kick-off 11 a.m.

### ST. PATRICK'S PARISH HALL

Results of last week's Card Drive — 1st/2nd divided between Sean O'Donoghue and Sean Coady, Mrs. Maura Murray and Mrs. Maureen Sigly; 3rd divided between Jack Fraser and James Coughlan, Tom Fogarty and Connie Daly. Table Prizes — Mr. Cantillon and Billy Beecher, Jack Cotter and Mrs. Mary O'Neill. Raffle Prizewinners — Michael Mangan, Michael Crowley and David Mangan.

### PUB QUIZ

### SEMI-FINALS

We have now reached the semi-finals of the Carling Lager Pub Quiz. Four teams in the top section remain. The Plough beat the Soccer Club to qualify, while the Bank just pipped the Bridge Club after a wonderful contest. So the Bank and the Plough met on last Tuesday night at the Plough.

The other semi-finalists are the Community Centre and the Hotel, and they meet this Thursday night at John Lyons's at 9.30 p.m. Don't miss it. The winners of both sections meet next Thursday night, March 15 at the Community Centre.

The Plate is a very open competition. Luke McCarthy's took on St. Patrick's Hall on Tuesday night at Luke's and the Squash Club cross swords with the Corner House on this Thursday night at 9.30 p.m. Again the final will take place at the Community Centre on March 15.

### QUIZ BRAIN OF TALLOW

Eleven contestants have qualified for the title "Brain of Tallow", all have clean rounds. They are — John Buckley, Pat Lane, Michelle Gallagher all the

Plough; John White and Michael Fives the A.I.B.; Tom O'Brien the Hotel; Seamus McDonnell, Lyons'; Daphne Cross the Bridge Club; Paul Curley the Corner House; Pat McGrath the Soccer Club and Jack Aherne the Community Centre. They will also contest the final on March 15.

### TABLE QUIZ

On Tuesday night next the Community Centre are holding a Table Quiz in the Hall, just to finish off the quiz competitions all along.

This should be great fun, with the usual quota of prizes. There will be special prizes for families as well. So how about a good family night on Tuesday night. Teams of four, with refreshments also provided. We will have to start at 8.30 p.m., so that mam and dad can have a drink after. Get a team organised this weekend, be it family, business groups, organisations, etc., and give your entry to the Chairman, Tom Mulcahy, Secretary, Mrs. Kitty McDonnell or to Jack Aherne. Telephone 56304 for all the details.

### MARTIN (MATTIE) RIORDAN, NOTTINGHAM & CONNA R.I.P.

People of the parish and surrounding areas felt a touch of sadness at the weekend on hearing of the death in Nottingham of the widely known and popular Mattie Riordan. A native of Clashesgarra, Conna, at one time he was acclaimed as one of the greatest and most stylish horsemen of his time and often brought home his charge in the face of stiff opposition. Equally adept at hurling he played with John Mitchell's, Currabeha and Conna and excelled on many an occasion and was a handful for

any opponent to contain him.

Never affected by his fame, he was a most unassuming and friendly person at all times. A good parishioner too, prior to 1945, and in different times he could be seen as well as others with his horse and cart at the site of the Muin-tir na Tire Hall, Conna, as preparations were in progress for its construction and Mattie as always showed his concern for his Community.

The many thrills he gave fans in the sporting arena will be remembered long, and as he was predeceased by his wife Mollie some years ago we offer our sincere sympathy to this son Lance, daughter Estelle, sisters Mrs. Mary Lane, and Mrs. Eily Roche, nephews, nieces, relatives and friends. He was interred in Knockmourne Cemetery. Go dtugaidh Dia Suaimhneas siorra da anam dilis.

### MISS PEGGY GRIFFIN, BALLYNOE & MALLOW R.I.P.

Deep regret was evoked in Mallow and Ballynoe, when the recent death of Peggy Griffin was announced. Though born in Glenreigh, Ballynoe, and a pupil of Ballynoe N.S., the rest of her life was spent in Mallow Town in employment there where she endeared herself to her adopted community.

She never forgot her home place and paid many visits to Ballynoe over the years and on her departure to her heavenly home the people of Ballynoe and Mallow mourn her loss but will remember her with great affection and we sympathise with her sisters Mrs. Cummins, Bridesbridge, Mrs. Hurley, Conna, brothers Albert and Sean, Ballynoe, Pat, California, nephews, nieces, relatives and friends.

She was interred in St. Gobnait's Cemetery, Mallow. Beannacht De lena hanam uasal.

Both teams battled it out well for the hour and scores coming fairly frequently made it an interesting contest. At times it

looked like anyone's game but in the closing stages Catherine's were rampant and were deserving winners at the final whistle.

## County Bord Na nOg Notes

The time of year for the beginning of the championships has come again — the Eastern Under-14 football championships began on Saturday last and the Western championships will begin in the coming week.

Present county championships in this grade are Tramore, who will be determined to retain their title. The 'B' champions are De La Salle and the 'C' champions are Rathgormack, both have been promoted to the 'A' grade, so we will have new champions in these grades. This year's county finals will be played in Walsh Park on Saturday, May 12.

This year's Gleeson Cup game between the Western and Eastern Divisions Under-16 hurling teams

will be played on Saturday, March 31, in Ardmore. The game will also be used by both teams as a warm-up for the Munster championships which begin on April 21, both teams will be in action that day but their opponents will not be known until late March.

The second Bord meeting of the year will be held in Lawlors Hotel on Monday, March 12 at 7.45 p.m. sharp.

The Bord wish P. J. Coleman a speedy recovery, we hope to see him back in action soon.

# MINNIES SQUASH CLUB NOTES

## MEN'S C.L. TEAM UNLUCKY!

On Wednesday night last, February 28, our men's Country League team travelled to Tallow to meet the very fancied Fermoy 'A' team, where, at stake, was a place in this season's country league semi-finals. The news is that despite a very gutsy performance the lads went down by three matches to two. The team news before the contest was that number three, Jerry Flynn, was being "rested," so Michael Sheehan took up the number five spot.

In the opener, at number five, young Michael Sheehan found the pressure a bit too much as he lost 1-3. At four, Dave Tuohy came out tops in a very tough five-setter as he levelled the tie. At three, in-form Owen O'Mahoney played his heart out to win the first two games against a chap who would have made Arnold Schwarzeneger look small. Unfortunately the big fella fought back well to win 3-2. At number 2 it was a real captain's job by Frank O'Donoghue as he levelled the contest with a very fine performance when he won 3-1. In the decider Ray Dwyer lost a close enough contest with two of the games 9-7.

Hard luck to our chaps who as you can see were unlucky to go down to one of the favourites.

## RACQUETBALL TEAM LOSE IN FINAL

On Thursday night, March 1, our men's novice racquetball team travelled to Fermoy to take on Liscarrol in the final. The news from Fermoy was that of a major shock, as the lads were heavily defeated. In the qualifying games our chaps beat Liscarrol 4-1, so I think they were entitled to feel confident for the "big one." Colm Bannon returned to action for the final to fill number five spot where he got the lads off to a great start with a 2-0 (12-4, 15-6) victory.

At number four Pat Power was defeated 2-0 (5-15, 8-15). At three, Mick Walsh played very well, despite losing 2-0 (7-15, 13-15). At two Seamus Connolly also found the going very tough as he lost 2-0 (9-15, 10-15). With the contest over, number one Maurice Walsh did take the court to regain some pride as he won 2-1 (15-5, 10-15, 11-4).

Hard luck lads, it was an achievement in itself reaching the final in your very first year.

## DAVID WALSH JUVENILE SEMI-FINALS

On Sunday evening, February 25, it was big match time again as the courts were invaded by the juvenile roadshow. The oc-

casation was the semi-finals of the David Walsh Office and School Supplies 3-person team tournament.

In the first semi-final Liam Byrne was given a rest against Paul O'Brien as they weren't required to play at number one, the reason being that Liam's number two and three had done the hard work for them to qualify. At number two Enda Donnelly produced a fine display to defeat Patrick Power 3-1.

In the other semi-final the team of Benny Flynn were comfortable 6-0 winners over Pat O'Brien's team. At three the very skilful and determined Emmett Byrne played his heart out as he beat Donnacha O'Dea. At two Cathy O'Mahoney beat Jonathan Byrne 3-0. The 'ones' were not required to play.

The final of the David Walsh Tournament will precede the O'Brien Cup and Beginners' finals next Thursday, March 8, commencing at 6 p.m., court three, and 6.20 p.m. court four, so be early to grab a seat.

## BEGINNERS' TOURNAMENT

Our Ladies Beginners Tournament got underway on Thursday night, March 1, when Pat Clancy, Libby Flynn, Olivere Walsh and Joan Elstead all booked their semi-final berths. For Pat and Libby it was a fairly easy night's work as they both comfortably won 3-0 against M. Walsh and Deirdre Fennell respectively.

The other ties however were a very different story with Joan Elstead very glad to see the finish line in her thrilling 3-2 victory over Gail McCarthy. Olivere Walsh was also made work extremely hard by a very determined Loretta Fennell before she eventually won 3-2. The final takes place next Thursday, March 8.

## O'BRIEN CUP — TUESDAY, FEB. 27

The O'Brien Cup kicked off on Tuesday, February 27, appropriately with young Paul O'Brien defeating Liam Moore 3-0 in a third division, first round tie. It was a busy night for the third division as number one seed Tom Phelan was taken all the way by Dave Tuohy as he won 9-7 in the fifth, in their second round clash.

Also in the second round John Kelly defeated Tom Higgins 3-1. Back in round one Sean Power cut loose in the fifth game to beat Michael Coffey 9-0 after four close games; Pat Breen had to hit top form as he disposed of Liam Treacy 3-1; John Killigrew played well to defeat country league player Jerry Flynn 3-0, and in the final first round game Ray

Dwyer received a walkover from Michael Dwyer.

I nearly forgot young John O'Donoghue who won a bloody affair as he beat Eamonn Murphy 3-1 (don't worry folks, the blood was from a nose bleed which caused a brief interlude).

In the men's second division, Paddy Murphy recorded a good 3-2 (9-4 in the fifth) victory over Richard Gough. Jim Harty handily beat Dick Brady 3-0, Denis O'Brien beat Martin Walsh 3-0 and to complete a bad night for the medical trade Dave Mahony went down 1-3 to Owen O'Mahoney. In the ladies division two pre-lim. Teresa Hayes beat Sharon O'Brien 3-0.

## O'BRIEN CUP — THURSDAY, MARCH 1

The action continued on Thursday, March 1, when, in division three, Frank O'Donoghue booked a third round spot against his brother John when he beat Paul O'Brien 3-0; number three seed Dan McCarthy came through 3-1 against Sean Power; Pat Breen kept up his good form, beating Donal O Faolain 3-0; John Killigrew also continued his good form as he beat Reni Di Fusco 3-0; country league number one Ray Dwyer caused an upset as he beat number two seed Jim Byrne 3-0.

In division two the form went with the seedings as the top four seeds reached the semi-finals. Number one seed John Foley had a very tough battle as he beat his veteran's colleague Denis O'Brien 3-1. Fourth seed Pat O'Brien received a walkover from 'flu victim Paddy Murphy to book his place.

Third seed Ray Moore struggled back from 0-5 in the fifth before beating Jim Harty 9-7 in the fifth; second seed Kieran Foley had to be very alert to see off the challenge of young Owen O'Mahoney as he won 3-1. In division one, top seed Pat Phelan dropped a game to Tommy Butler; fourth seed Jimmy Kiely won the hard way coming back from two games before beating a tiring John Cliffe 3-2. Third seed Stephen Lyons was a comprehensive 3-0 winner over Dermot Kelly, while second seed, Eddie Moore plugged away for well over an hour before defeating Liam Hansberry 3-2. In the ladies first division pre-lim. Cindy Brady came through comfortably 3-0 against Josephine Harty.

The finals are on this Thursday, March 8, so why not come along for what should be a very enjoyable night of squash with the juvenile team final, beginners' final (ladies) and five O'Brien Cup finals.

## POINT-TO-POINT

# Weather Favours Lismore Fixture

A fine, dry day on Sunday last drew a fine crowd to Lismore for the annual Point-to-Point fixtures. The early day chill from the rather stiff north westerly wind softened somewhat as the evening wore on and at the end of the day the fans returned home well satisfied with the sporting occasion.

The only criticisms voiced concerned the layout of the new course and the general opinion expressed was that it left a lot to be desired and could not at all compare with the old course. The main fault concerned the dip at one end which took horses and riders out of view on each of the three circuits in every race and interfered with the viewing facilities.

Hickleton House from the Bill Henley stable was the surprise winner of the Confined Maiden. Eased out in the betting from 4/1 to 7/1 he made most of the running while his stable companion Deep Finale, which started the 4/5 favourite, wasn't in it from the second last.

The Open Lightweight race provided the most controversial decision of the evening when the judge found in favour of Diana's Daughter, a 6/1 chance, by a neck from the 4/6 favourite Ballinacurra Lad. The decision was one which did not meet with universal approval and it took some time before the decision was ratified and the winner all right announcement came over the public address speakers.

# Dismal Display By Disappointing United

**AVONDALE 2 DUNGARVAN 0**

Dungarvan slumped to a bad defeat at a windswept Avondale Park on Sunday afternoon last. While the side have turned in some excellent performances in recent weeks, without getting just reward, the Blues can have no complaints with this result.

Although conditions prohibited good football Dungarvan never got to grips with the game. With a number of players out, the team lacked any balance, particularly on the left side and the homesters exploited this. However, it has to be added that while Avondale deserved the points they were gifted their two goals.

Dungarvan opened brightly and their best chance fell to B. Kirwan who shot narrowly over from 20 yards after a neat move initiated by P. Ferncombe and continued by M. Kelly. Soon afterwards a cross by G. Leahy just eluded the intruding P. Ferncombe.

However it was the home side who took the lead in the 19th minute when the left winger beat B. Kirwan, G. Leahy and D. Lyons before crossing from G.

Collins to head past a lethargic B. McGrath. Avondale almost made it 2-0 shortly afterwards when a well worked move saw the right winger hit the post. In the 44th minute P. Kelleher made it 2-0 when B. McGrath appeared to misjudge his shot from 12 yards.

The second half fizzled out as the ball spent more time in the air than anywhere. Dungarvan's best chance fell to K. Hallahan whose header was saved at the foot of the post by the home keeper, while B. McGrath made a good one handed save in the last minute.

While it was a day that Dungarvan will want to forget they had undoubtedly the best player on the park in centre back Brian Whelan.

Dungarvan — B. McGrath, B. Kirwan, D.

Lyons, B. Whelan, W. Coward, K. Hallahan, M. O'Sullivan, P. Ferncombe, B. Coleman, G. Leahy, M. Kelly. Res. — A. Hayes and D. Sheehan (both used).

Referee — N. Kearney (Cork).

**RESULTS**

Avondale United 2 Dungarvan United 0; Everton 1 Tramore Athletic 1; Casetment 1 Mallow United 1; Middleton 2 Crofton Celtic 0; College Corinthians v. Cobh Ramblers postponed.

**NEW CLUB PLAYERS TO GET THEIR CHANCE**

With the commitment of

some players leaving a lot to be desired, team managers John Walsh and Kealan O'Neill have called up a number of the club's successful Division 1B side to the squad for next Sunday's game v. Mallow United at the Co. Cork venue.

Team coach will depart Kilrush Park at 12.15 p.m. and for supporters making the trip the cost is a mere £2. Having won promotion Mallow are enjoying a fine first season in the top flight and are unbeaten since the first week in October. In the league encounter at Kilrush Park they won a dour game by 1-0.

**UNDER-13 T.S.B. LEAGUE**

## Disappointing Home Defeat For Dungarvan

**Dungarvan 2, Carrick United 3**

Poor finishing cost the Blues this game at windy Kilrush Park on Saturday last. Carrick started the first half with the wind at their backs and soon had the Blues defence under pressure, but some sound work by keeper Sheehan kept them at bay.

Carrick opened the scoring when a lapse in concentration by the defence let in their centre forward to score. In the second half the Blues opened their account with a goal from 20 yards. Landers added another when a shot came back off the bar and he was on hand to put the Blues ahead.

Then a catalogue of missed chances were to prove costly to Dungarvan and Carrick, in their first attack of the half, were awarded a penalty, which they converted, to make the scores level. They quickly

added a third to take both points.

This was a game the Blues should never have lost. They played some good football but their finishing was very poor, and with the cup coming up, this part of their game will have to be sorted out quickly or their season will be over early.

Team — Johnnie Sheehan, Tommy Butler, Derek Foley, Mark Hyslop, Colin Walsh, Aidan Landers, Shane Roche, Owen Simms, Kevin Hayes, John O'Mahoney, John Lenihan. Sub. — Kevin Walsh.

**DIVISION 2B LEAGUE**

## Historic Victory For Blues

**Dungarvan 2, St. Saviours 1**

In the tradition of all great events — the ten commandments coming down from the mountain, the parting of the Red Sea, the burning bush — this Dungarvan team has finally won a match! A capacity crowd turned up to see this famous team in action, and they were not to be disappointed.

Straight from the start the Blues took the game to the visitors and found themselves a goal up after only 10 minutes. A good ball by J. W. Power found P. J. Drummy wide on the right. His excellent cross was met perfectly by R. Wall for a fine goal.

Dungarvan were let off the hook straight after this when Saviours missed a penalty and at last it looked as if God was on their side. Dungarvan continued to live dangerously at the back but eventually found themselves two up when great play by L. Sandford set M. Walsh clear and he calmly put the ball home.

On the stroke of half time the visitors pulled one back after a terrible mix-up on

the six yard line. The second half saw the crowd hold their breath as the Blues began scrambling balls away, but they eventually held out for the victory. A good boost so for the lads before their important cup game next Saturday.

Team — T. Wright, L. Sandford, D. Deegan, J. Allen, T. Duggan, G. Burke, J. Foley, J. W. Power, P. J. Drummy, M. Walsh, R. Wall. Res. — D. Jordan and John Fitzgerald (both used).

### FINISHED LEAGUE PROGRAMME IN STYLE

Our Division 1B side turned in a superb display of attacking football at Kilrush on Saturday evening last when they scored an emphatic 5-0 win over city side Bohs. This was Dungarvan's final league game and they certainly finished in style by trouncing luckless Bohs.

The Blues finished the season in the runners-up position and this is a remarkable achievement when one considers that this is their first season playing at this level of football and with a little bit of luck earlier in the season they could well have finished as champions.

The Blues began this game playing into the teeth of a very strong wind but the visitors failed to capitalise on the help of the elements and rarely troubled the Dungarvan defence, in which Dermot Dee had a "stormer."

Dungarvan were content to play out the first half without conceding a goal and were happy to go in at the break on level terms. With the wind at their backs in the second half, it took the Blues just minutes to go in front. A good ball from B. Sheehan put J. Hughes clear and he outpaced the defence to shoot the Blues in front. Dungarvan sensed that Bohs were about to crack and a long clearance from Wall was headed on by Hughes and B. Sheehan curled a beauty over the keeper into the far corner.

Lack of goals had been a major concern for this side over the season, but Hughes, restored to the no. 9 shirt after a long absence, showed how lethal he can be when he took Sheehan's pass to crack home number three after 65 minutes. The Blues were rampant now and Shalloe was next on the mark when his header was only parried by the keeper and he followed up to shoot high into the net.

Hughes completed a marvellous hat-trick just before the finish when substitute M. Sheehan crossed from the right and Hughes' diving header flew into the net. This was a tremendous display from Dungarvan and their form throughout the season was a revelation and I would like to congratulate them on finishing runners-up in this their first season in Division 1.

Team — J. Wall, D. Dee, M. Hickey, M. Donnelly, B. Whelan, D. Crotty, T. Hamilton, M. Shalloe, G. Beresford, J. Hughes, B. Sheehan. Res. — G. Hamilton for M. Donnelly, M. Sheehan for T. Hamil-

ton. Referee: J. Casey. Man of the match: John Hughes.

### Abbeyside A.F.C. Notes

#### UNDER-12's DISAPPOINT

##### Johnville 2 Abbeyside 1

After a long lay-off due to inclement weather our under-12's got back on the league trail with a disappointing away defeat by Johnville. A strong wind mitigated against good football but after a gutsy display we were very unfortunate not to collect at least a point.

Michael Hickey was Abbeyside's scorer after a goalmouth scramble.

**NOKIA CUP**

Our 1B side are away next Saturday, March 10, to Bolton.

**RECENT BEREAVEMENTS**

On behalf of the club we offer our sincere condolences to John Woods and Maurice Walsh on their recent sad bereavements. John is a former chairman and current under-16 team manager, while Maurice has given many years of loyal service as both league player and manager.

## RED HOUSE LEAGUE Favourites Held As Cup Semis End All Square

**BRIDE VIEW 3 CAPPOQUIN (A) 3  
LISMORE 0 AFFANE 0**

Football pundits got it all wrong on Sunday when both the fancied sides, Bride View and Lismore, failed to gain a place in the final of The Dungarvan Tyre Centre Cup at the first attempt.

Bride View, in line for a league and cup double were surprisingly held to a 3-3 draw by Cappoquin (A) at Ballyduff. Ironically two of the Cappoquin goals were scored by former Bride View player Joe Henley.

Affane belied their lowly league position when gaining a well deserved draw with Lismore at Modeligo.

We learn that both games will be replayed on next Sunday morning at the same venues but followers should check locally as regards kick-off times which may change from the customary 11.30 a.m.

### MATCH REPORT

## Lismore Held By Determined Affane

**LISMORE 0 AFFANE 0**

Two attractive ties presented a difficult choice of venue on Sunday morning but we eventually opted for that splendid Modeligo pitch which was in perfect shape.

From the opening exchanges it was quickly clear that both sides had, as their first priority, total defence with the hope of snatching a break-away winner. Consequently there was little constructive build-up out of defence and service to front runners was spasmodic. With defences closing down opposing forwards the midfield exchanges were rather dull and the interest of quite a large crowd must surely have wandered.

The final quarter provided the best fare. Chances fell to both sides but defenders' dominance never looked like being broken.

Both sides will be giving serious thought to the replay on Sunday. Lismore must be concerned with the inability of their front runners to impose their own pattern on the exchanges. Affane's first time clearances rarely allowed them time to dwell on the ball. Affane will hope to welcome back Larr Denn, who retired with possible concussion, in order to restore John Killigrew to his original centre forward berth.

A definite plus for Affane, both now and for the future, was the impressive work of their new young players — a very impressive goalkeeper Kieran Cullinane, full-back Tom Mansfield, Sean Costin and Tom Ormond, who blended in so well with the experienced men. For Lismore goalkeeper Michael Fitzgerald, Dave and Donal Landers and Pat Bennett made the best contributions.

**Lismore** — M. Fitzgerald, F. Power, David Landers, P. Bennett, B. Shanahan, Donal Landers, C. Barry, B. Prendergast, K. Lawton, T. Pratt, K. Lawton.

**Affane** — K. Cullinane, L. Costin, T. Mansfield, E. Costin, L. Denn, M. Killigrew, S. Denn, S. J. Crotty, T. Ormond, J. Killigrew, S. Costin, E. O'Shea, E. McGrew.

Referee — Leonard Fraser.

Linesmen — Jim Foley and Paddy Mason.

## Cidona Carrick Wheelers

### Notes

Congratulations to our riders, seniors and juniors, who have performed so well in the opening races of the season. These excellent performances augur well for the coming months.

Our senior squad is one of the strongest in the country and our junior squad is also quite strong. It is highly likely members of both squads will represent the region and the country in the near future.

Cidona Carrick Wheelers coaches will attend a Video Show and Talk on the introduction of the Underage Skills Programme in the Club House Hotel, Kilkenny on Thursday, March 15 at 8 p.m. This function is being promoted by the South Eastern Region. Josephine Glennon, Development Officer and Dermot Dignan, Sporting Committee, will address

the gathering.

It is hoped that as many coaches as possible from Cidona Carrick Wheelers will be in attendance. This is an ideal opportunity to familiarise oneself with the new programme.

The South Eastern Region intend holding a Commissaires Course in Carlow later in the season and a number of Cidona Carrick Wheelers members have expressed an interest in participating. This is positive thinking from the members of Ireland's biggest and strongest club.

Plans are now complete for Cidona Carrick Wheelers' first promotion of the current season, The Kiely Cup, on St. Patrick's Day in Ballynale.

Racing for seniors, juniors and ladies is scheduled to commence at 1 p.m. sharp. There will be no under-age racing.

The committee would like to thank Tom Kiely and the Kiely Family for their very generous sponsorship of this event.

Two of our outstanding young senior riders, Robert Power and Raymond Power, will race in the Essex Grand Prix on March 18. This is one of the most important races on the British Cycling Federation calendar and Cidona Carrick Wheelers wish Raymond and Robert all the best in the club colours.

All tickets, sold or unsold, must be returned before our next executive committee meeting on Thursday, March 29. The draw will be held in Lismore Hotel on Saturday, March 31 at 9 p.m.

**TRAINING**  
Jim McGrath has asked me to request the minor footballers to join the adult training sessions every Tuesday and Thursday night at 7.30 p.m.

**MINOR FOOTBALL CHALLENGE**  
We played Clashmore last Sunday morning in their home ground. The local lads proved to be much too strong for our squad but, it was a very useful workout just the same. Another challenge is being arranged for next Sunday morning.

**COISTE GNATHA MEETING**

The most interesting bit of news to emerge from last Thursday night's monthly meeting is that the plans for the pavillion-cum-social centre to be built at Bushy Park have now been finalised. Joe Keane tells me that he doesn't expect any further delays and that building will begin "sooner rather than later."

**FASHION SHOW**  
Maired McGrath tells me that herself and the Ladies Committee are organising a fundraising

Fashion Show in Lawlors Hotel on Thursday, April 5. We will be in a position to give more details about this in a fortnight's time.

**UNDER-14 FOOTBALL**  
Coaching and training sessions will be held every Sunday morning at 11 a.m. The lads thoroughly enjoyed the football tournament held last Sunday in which Ardmore, Clashmore and St. Patrick's participated. The O'Donoghue Cup will be presented to the winners.

## Nire & Fourmilewater G.A.A. Notes

Liam O'Connor of Erin's Own and Waterford was guest of honour at a Fourmilewater Hurling Club social in Tony Doocey's on Shrove Tuesday night. Liam, who is better known as 'Chuck', was invited to present the county intermediate medals to the Fourmilewater players and his presence added greatly to the occasion.

Thomas Crotty, club chairman, thanked Liam for making himself available and wished him success with Erin's Own and Waterford in 1990.

Presentations were also made to Paddy Phelan, Paddy Joe Ryan, Michael Ryan, Michael Guiry and Mick Connolly for services rendered.

A great programme of music was laid on by Starlight and the ladies committee served up a nice selection of sandwiches.

Nire and Fourmilewater Field Committee are in the process of making plans to level and reseed the area behind the far goal in the Mill Field during 1990. If everything works out this will mean an additional pitch suitable for juvenile practice and games starting from 1991, and will assist greatly in the organisation of training while taking some pressure off the main pitch.

### FUN RUN

The Nire Fun Run Committee are at present busy preparing for Saint Patrick's Day. Great interest is being shown in the confined team event.

Teams already entered include:— Ballymac Striders (F. Connolly), Nire Football (Ml. Ryan), Fourmilewater H.C. (T. Condon), and Nire Valley Raiders (A. Whyte). Captains of interested teams are

reminded that entries for the team event must be with the committee before March 10.

Great interest is also being shown in the Walk which will start at the Nire School in conjunction with the U-14 Run at 2 p.m. A large crowd of adults and some younger children have signified their intention of taking part in this lovely four mile walk through the scenic Nire Valley.

The Run proper will start as usual from the lay-by and is timed for 2.30 p.m.

All entries will be taken in the Nire School up to fifteen minutes before the starting times.

### LATE MICHAEL WALL

There was great sadness in the Ballymacarby/Nire area at the recent death of Michael Wall. During his lifetime Michael was a great servant of the Nire club and his presence will be missed in 1990 whenever Nire footballers take the field. Though not in the best of health during 1989 he was a member of the selection committee and it was one of his greatest disappointments that Nire did not end the year as County Senior Champions. He was a member of the committee that was set up to secure the purchase of the Mill Field and always expressed his delight that the joint clubs ended up with their own field and dressing rooms. He was also a great supporter of Fourmilewater Hurling Club and was always one of the first to pay

the annual club membership fee. Down through the years his Michael O'Hehir like commentaries were eagerly looked forward to whenever Nire or Fourmilewater won a vital game. May he rest in peace.

### QUIZ

The time is coming round again for the Brain of Ballymac Contest. This is the annual quiz held at Tony Doocey's by Fourmilewater Hurling club. Last year's winner, David Power, was recently seen on Rapid Roulette, when he was the winner of a valuable holiday prize.

The Danny Connolly Memorial Plaque, presently held by David Phelan, will be contested for by U-18 quiz enthusiasts on the same occasion. Details later.

HURLING CHAMPIONSHIP**

# C.B.S. Overpower College Boys

**DUNGARVAN C.B.S 3-7 ST. AUGUSTINE'S 0-0**

Dungarvan C.B.S. continued their recent good run with a comprehensive victory over St. Augustine's, at the Friary School field recently. The margin of victory was much greater than the game itself indicated.

The C.B.S. played their best hurling in the first half, against a galeforce wind, when their first time ground hurling paid dividends on a hard surface. The Friary hit a lot of wides and there was no score in the first fifteen minutes, then Jonathan Moore had a goal for the C.B.S. and he followed this up with a point a few minutes later. The C.B.S. led by 2-1 to 0-0 at half time.

The Friary dominated the first ten minutes of the second half, with Aidan Aherne playing an outstanding game, but they failed to break through for a score and Shane Roche, playing at midfield for the C.B.S., scoring 2 points from 65's and 2 more from frees, helped them pull away and win comfortably.

Best for the C.B.S. were Gavan Keane in goal, Roger Casey at full-back, Tholm Keane, Michael Murray, Shane Roche, Aidan Fitzpatrick, Stephen Cunningham, Jonathan Moore and Jason Hyslop.

Best for St. Augustine's were A. Aherne, J. Fitzpatrick, P. Shields.

Scorers: C.B.S. — J. Moore 1-2 (1-0 o.g.), S. Roche 0-4, J. Hyslop 1-0, T. O'Mahony 0-1.  
Dungarvan C.B.S. — G. Keane (Abbeyside), T. Galvin (Dungarvan), R. Casey (St. Patrick's), C. Breathnach (An Gaeltacht), T. Keane (St. Olivers), M. Murray (St. Olivers), M. Cowming (Dungarvan), A. Fitzpatrick (Naomh Brid), S. Roche (Dungarvan), T. O'Mahony (Dungarvan), J. Moore (Abbeyside), S.

Cunningham (Stradbally) D. Kiely (Kilrossanty), J. Hyslop (Dungarvan), R. Lynch (St. Patrick's). Subs. — G. Flynn (St. Patrick's), B. Conway (Dungarvan), S. Ryan (St. Patrick's), K. Tutty (Dungarvan).

St. Augustine's — B. Cliffe (Abbeyside), T. Touhy (Carrick), P. Shields (Abbeyside), K. Walsh (St. Olivers), A. Merlin (St. Olivers), A. Hubbard (St. Mary's), A. Landers (Abbeyside), A. ## HANDBALL NEWS

# Declan Mulcahy Brings Further Honours To Kilgobinet

(By "Commentator")

Playing only his second competitive match in the American Style Handball, Decky Mulcahy who has been Waterford's All-Ireland winning champion of three years in the 60 x 30 ally, certainly made a masterful transition to the new game in the 40 x 20 when beating Tipperary's J. O'Meara in the Munster Final of the Golden Masters Singles at Mitchelstown on Saturday night last.

It was the first provincial championship on the American type game and with the Roof Shots and so forth, it was not an easy job getting to grips with the fast ball on the smaller court, but Mulcahy's fierce determination and commitment enabled this great Kilgobinet player to overcome all the problems that it presented. He won on the scores 21-18 and 21-11.

For the first venture at the new style game, it was certainly a fantastic achievement.

Earlier in the week he had beaten Limerick's D. Duggan by 21-12 and 21-12 in the semi-final.

He is now rated good enough to take the All-Ireland in this grade and hopefully, this will be his reward when the time comes.

On tonight, Wednesday, March 7, Decky Mulcahy and Rev. Bro. F. Spring will be partners in the Munster semi-finals of the Golden Masters Doubles against a Limerick team and with any luck they could make it to the finals, and a double Munster victory for the club and county.

Our sincere congratulations to the Munster champion and to everyone connected with the Kilgobinet club who are continuing to keep the Deise Flag

flying.

In his report to the Munster Handball Council recently the provincial secretary, Michael Tyrrell, had this to say about Waterford Handball, "Waterford again relied on the old stagers of Declan Mulcahy, John Wall, Mossy Butler and Johnnie Kiely to bring Provincial and All-Ireland honours to the Deise."

"Declan Mulcahy had the honour of winning both the Golden Masters

titles, while Mossy Butler collected the Silver Masters Singles when he defeated Dublin in a hectic final.

"Again, one would like to see a growth of handball in that county and I feel with a Handball Court built in Dunhill and plans afoot to build in Waterford City, things might soon get moving in Waterford."

"We at provincial level must make it a priority to promote the game there."

## Dungarvan G.A.A. Notes

### UNLUCKY IN MUNSTER FINALS

In contrasting ways it was a night of pride and disappointment for the club in Cork's Connolly Hall last Saturday when the Munster finals of the senior Scor were held.

Our Ballad Group and Figure Dancers carried the banner of club and county into their respective finals and came so very close to bringing off what would have been a fabulous double. In both cases we finished in the runners-up spot but can only have been a whisker away from winning both finals.

These were magnificent performances by singers and dancers and they were well deserving of the trophies they received as runners-up. The club is proud of each and everyone of our competitions and we thank them for their dedication and commitment since the Scor trail began. Beig la eile ag an bPao-rach.

A sincere word of thanks also to the many supporters who travelled last Saturday and gave our finalists every encouragement.

### SELECTORS

We have now finalised our Under-21 selection committees for the coming year. We will be in action in these championships in the very near future so there's plenty of immediate work ahead for the mentors.

The following are the committees: Hurling — Paddy Fitzgerald, Pat Power, Chris Meehan, Peter Queally and Peter Ferncombe.

Football — Paddy Fitzgerald, Tony Hamilton, Pipi Ferncombe, Dermot Dee and Martin Sheehan.

### TRAINER

David Kiely has been appointed senior football trainer, and with his considerable experience in this area should be a decided acquisition to us.

Of course a trainer can only hope to get results if the players respond positively, but I don't think David will have any problems in that regard this year.

### TRAINING

Training for the adult players got off to an encouraging start last week and we now plan to build on that promising and satisfactory beginning.

We can only hope to get out of any championship what we are prepared to put into it by way of effort and commitment. I think it can be fairly said that the vast majority of our players are well aware of that.

### EXECUTIVE MEETS

We had another near full attendance at last Wednesday night's meeting of the executive when several matters of immediate importance were dealt with.

### MICK DEL

On the social side we are having the musical maestro himself, the legendary Mick Delahunty, at Lawlors Hotel on Friday night week March 16 and that should be the ideal way of easing into the National Feast Day.

See you all there treading the light fantastic. See next week's entertainment page for the advertising details.

### BEST WISHES

Every club member sends best wishes to Paddy Whelan who is presently a patient in Waterford Regional Hospital.

Paddy has long been supportive of our club in a whole variety of ways and we look forward to seeing him out and about again in the very near future.

## Scor News

Waterford's five entries had no luck in the Munster finals of Adult Scor at Connolly Hall, Cork on Saturday night last. We were placed second in three of the events — Dungarvan's ballad group who sang delightfully and their figure dancers, as well as Dunhill's novelty act — were all pipped for the honours. And so we have none going through to the All-Ireland on this occasion.

Donie Nealon, Secretary of the Munster Council had this to say about Scor in his report, which told of a £2,000 loss on the season: "Scor continues to encounter serious difficulties at both junior and senior level. We have a very enthusiastic Scor Committee who are extremely concerned about the disinterest in Scor. These cultural activities are now 21 years in

being and when it should be really coming in to its own, it is, in fact, dying on its feet, particularly at senior level, because clubs cannot whip up any more enthusiasm for the competitions."

He also referred to the excellence of the organisation of Scor in Munster and the excellence of the superb entertainment provided.

# County Board Meeting

It was argumentative and noisy and at the end of three hours there was very little progress made. It was the first and by my reckoning one of the worst meetings of the County Board held for a very long time.

It began a bit late as the County Fixtures Committee had to examine the senior championship groupings that were to have been announced to the meeting, but the chairman, Eamon O Murchu said that this matter would have to be deferred because of the acceptance of Tallow in senior hurling.

## CHAMPIONSHIPS

Following some discussion it was decided to continue to run the senior championships on a league system, even though a proposition to run the football on a knock-out arrangement was put to the meeting. This proposition was put by Ballinacourty Club. Tom Cunningham, Munster Council, asked the meeting to consider the idea of having the football on a knock-out and at the same time run proper leagues, with a promotion and relegation arrangement built in.

The bye-law dealing with the structuring of the championships was next discussed and when the meeting finally accepted that what was included as a bye-law, was only a regulation, they agreed to discuss the Tallow application for re-admission to the senior hurling championships. Ned Power was the club spokesman and having clearly outlined his reasons why the club should be accepted back in senior ranks and it was obvious that a majority favoured the application, even though there was quite a number who had reservations.

Following their accep-

ance, an application from An Rinn/Seana Phobal/Ard Mhor for permission to enter a group team in both senior hurling and football was read. This proposition took a hammering after delegates referred to the enormous problems that would result for the Western Board if this suggestion was accepted. It was also pointed out that the policy of having group teams in league-style championships had long changed.

## HURLING SUPPORT GROUP

Its real title is the Waterford Hurlers Finance Support Group and a document before the meeting gave details of how, why and when it was set up. It comprises of a group of people, all of whom were deeply involved at some stage in the past, either in the playing of the games or in the administrative field, with the Boards in the county. The main purposes of the group are defined as: "To enable the county senior hurling team, through the provision of additional funding, to achieve its full potential and maximum success by alleviating the heavy financial burden on the County Board."

The group will operate and generate finance from its own efforts and sources separately from any County Board fund-raising body and the finance raised will permit the County Board to engage in a programme of organised training comparable to that already in operation in Tipperary,

Galway, Wexford and Limerick. The group expressed the hope that its financing will allow the County Board to divert funds to other promotional activity to the obvious general advantage of the game in the county.

The County Chairman explained that the document had been discussed with a delegation from the group and the county hurling selectors and a couple of points that needed to be cleared up, had been ironed out. There was one other matter that also needed to be discussed with the group. The proposal was given an enthusiastic reception by the meeting and it was described as a very welcome development that would help hurling — particularly at senior level — in the county.

The unanimous decision was to welcome the group and permission was given to an Coisde Gnotha to inform the Support Group of its decision, when the one outstanding point had been cleared up.

(The group consists of fifteen people and is not to be confused with the Waterford Hurlers Supporters Club.)

## REGRADINGS

After the Divisional Boards had submitted their packages of transfers and regradings, an appeal was read from Faha seeking to have a decision of the Western Board reversed. It stated that the Divisional Board had approved the regradings of five players to junior status, but the Board had changed this when they were given a County Board ruling on the matter.

The chairman undertook to have the bye-laws researched to confirm that the particular bye-laws, which decided against Faha, were inadvertently included in the book and when the Board were satisfied on this issue, the players will be deemed to have been properly regraded.

## ALL-IRELAND TICKETS

They will never cease to be a bone of contention in the county and when the Central Council delegate reported on the increase in prices for semi-finals and All-Ireland final tickets, there was an outcry from all over the room. Central Council were very severely criticised for having agreed to the increases which

were described as outrageous and disgraceful by some members.

Former County Board Chairman, James Tobin proposed that the increases be rejected. Others agreed. The Chairman then stated that the procedures adopted were like those adopted by Russia and the Iron Curtain countries in the Bresnev era and said that he could not understand why the proposals, which were put to the Central Council meeting only ten minutes before the meeting began, were not put to the county officers who had attended a meeting in Croke Park on the previous Saturday. He said these procedures were like those of Bresnev's Russia. This statement was described as being outrageous and irresponsible and was totally rejected by the Central Council representative.

At the conclusion of this fiery debate, the county chairman proposed that he be allowed to request that standing orders be suspended at Congress in order to have the matter debated there. He was advised by the Central Council delegate that this would not be accepted, since the price of tickets was not a matter for Congress.

It was agreed however that the County Board should proceed along these lines.

## NEW PLAYING RULES

Because of the lateness of the hour at which this item on the agenda was reached, it was agreed to defer a debate until the March meeting which is now scheduled for Monday 26th.

## COMPLIMENTS

Congratulations were conveyed to county hurler, Shane Ahearne on his selection as an All-Star replacement for the team who will travel to the Skydrome, Toronto, in three weeks time.

Ardmore Club were complimented on the excellence of the arrangements for the hurling league game on the previous Sunday and for the manner in which they stewarded the fixture.

The good wishes of the County Board were offered to the Board's PRO, P. S. O Colmain who is now almost fully recovered from his recent illness.

# Munster Convention

Waterford had a full delegation at the 86th annual Munster Convention held at Ennis on Friday last and also in attendance as guests were Padraigh O Fainin, Cnoc Sion and Nioclás MacCraith, An Rinn, who were both Presidents of the Council in the past.

The meeting marked the end of an illustrious career as Representative from Waterford, of Seamus Power, who had recently retired and was attending his final meeting of the Council here. Some splendid and very well deserved tributes were paid to him by the chairman, Michael Maher, Paddy Ryan, Limerick and other members.

## FINANCE

The total income from all sources for the year was £1,007,553 and this was £66,703 higher than in the previous year. Gate receipts were up by approximately £50,000. Expenditure including grants amounted to £706,030 and there was a further investment of £176,650 in fields, which left a surplus of approximately £125,000.

Gate receipts for the year amounted to £777,286. Of this figure a total of £44,645 was collected for our replay with Cork in the Munster semi-final and the final itself at Pairc Ui

Caoimh against Tipperary realised £180,000.

The senior and minor football finals at Killarney brought in £258,685.

On the Schedule showing grants to club grounds in Portlairge we see a total figure of more than £140,000 for 41 clubs and an additional £65,000 for two county grounds, Walsh Park and Fraher Field.

## TREASURER

Michael O'Connor, Kerry was the unanimous choice as Treasurer to replace the late Tadgh Crowley who had filled the position with distinction since 1968. Michael has recently completed three years as Munster chairman and has great administrative experience.

## MOTIONS

Five, including Waterford's proposition to have the provincial football championship, in senior played on an open draw for a trial 2 year period, were listed and all were declared to be out of order and were referred to the incoming Council for consideration.

# NEWS BITS

An old Waterford senior hurling championship medal dated 1906 was recently found and forwarded to the county secretary here. An effort is being made to trace the owner.

Waterford's Under-21 footballers defeated Limerick in a challenge game at Stradbally on Saturday last. Seven of the team were unavailable, but a full turnout is expected for a game against Wexford at Waterford on next Sunday morning.

It is expected that every club in the Eastern division will have a full representation at their seminar to be held in the Tower Hotel on this, Saturday, commencing at 10 a.m.

The capacity of Croke Park is being reduced because of the new Crowd Control and Safety Regulations being imposed and come All-Ireland Final Day in hurling and football this year only 61,069 will be admitted.

Much of the additional revenue resulting from the increased admission prices to Croke Park for the semi-finals and final, will be devoted to capital development (including the building of the new Cusack

Stand) as well as for Games Development, the Accident Scheme, Juvenile hurley grants and investments in grounds.

Erin's Own club have now applied to the County Board to be allowed up into the senior hurling championships. They reckon that because they played in the intermediate hurling finals of the past two seasons, that they should be given the same facilities as Tallow.

According to well founded rumour, St. Mollerans are also seeking the same facility. These matters will be decided by the next County Board meeting.

Erin's Own, An Rinn, De La Salle and Tramore were given permission to play in a Tramore sponsored intermediate hurling tournament.

Two Waterford players Ger Fitzpatrick and Mick Beecher are on the AIB Hurling Team and All Star Guest players to play Boston All Stars in Boston on Easter Saturday. The team is captained by Nicky English and the game is part of the "Go Boston 1990" promotion aimed at raising funds for Cerebral Palsy Ireland.

# Waterford's New York Club

The news that Dungarvan's Jimmy Walsh is to be guest of honour at the forthcoming annual dinner dance which takes place at the Tower View Ballroom, New York, on March 30, was given a very good reception around here last week.

Apart from his playing ability, which was spelt out in an article in last week's "Leader," Jimmy is a very popular guy with a lovely sense of good humour and the honour must be very well deserved and popular with all his friends.

Attending the function as a special guest will be popular Lismore man Jimmy O'Gorman who is the pre-

sent chairman of the Western Board and a personal friend of Jimmy Walsh, against whom he played on many occasions. Jimmy O'Gorman will represent the Waterford County Board at the New York function and convey to his namesake and the members of the entire Waterford Club out there the very good wishes of all the GAA people in Waterford.

# Waterford Hammer Kilkenny In Final Match

Waterford 4-14, Kilkenny 1-5

Although Waterford's hopes of promotion died many months ago, they did manage to end their campaign on a fine winning note and could be said to have gone out in a blaze of glory at Tramore on Sunday when they decisively beat Kilkenny who were forced to finish the match with 14 players after the left corner back Joe Murphy was sent off with about ten minutes remaining.

It was a match where the scoreboard gives a clear picture of Waterford's superiority in all departments and by half time when the score stood at 2-8 to 0-2 in our favour it was well and truly over as a contest.

After the resumption, Peter Queally had Waterford's third goal and Dan Casey had our final goal in the dying minutes after a Waterford defender had deflected a ball which ended in our net to take the bare look off the Kilkenny side of the scoreboard.

Even though the quality of the opposition was poor, this was a good Waterford performance and must do an amount of good to the confidence of the panel of players, soon to go into training for the Munster championship.

And so ends a league campaign which, with three points, places us in

11th position on the sixteen county, division 3, national league table. We must now regret having lost a few of the games that we should have won and appeared good enough to win on the run of play. We are surely as good as a dozen of the sixteen, but there is no point in saying so, when we failed to prove it.

Scorers — P. Queally (1-3), J. McGrath (1-2), D. Casey (1-1), P. Hynes (1-1), T. Corcoran (1-3), C. MacCraith (0-2), D. Callaghan and L. Dalton (0-1 each).

Waterford — T. Brennan, P. Power, T. Walsh, G. Casey, P. Walsh, K. Mulcahy, F. O'Brien, L. Dalton, C. MacCraith, P. Queally, P. Hynes, D. Callaghan, D. Casey, J. McGrath, T. Corcoran. Subs. — J. Power for D. Callaghan and M. Power for P. Queally.

## Western Bord Na nOg

The under-16 hurlers had a useful session at St. Augustine's on Saturday last under the guidance of Bro. Dormer and Peter Power.

The panel is as follows: Brendan Ormonde, Lisimore; Paddy O'Donnell, do.; Marc Clancy, do.; Philip Hickey, do.; James O'Connor, do.; R. O'Sullivan, do.; Tom Feeney, Ballyduff; Tom Morrissey, Dungarvan; Jason Long, do.; Nial Considine, do.; J. J. Ronayne, do.; Eoin Cunningham, do.; Christopher Gough, do.; David Flynn, do.; Dwain Moore, Abbeyside; Damien Cliffe, do.; Dermot Ryan, do.; John Shields, do.; James Stacey, do.; Patrick Veale, do.; Brian Beatty, do.; Eoin Flavin, Ardmore; John Hennessy, do.; Bro. Gleeson, do.; Brian McCarthy, Fourmilewater; John McGrath, Clashmore; Tommy Kiely, St. Pats.; Brendan Fitzgerald, St. Oliver's; J. P. Fitzpatrick and Shay Ryan, Naomh Bríd.

The panel is in training for the forthcoming Gleeson Cup game versus East Waterford to be played on March 31 at Ardmore. Team Manager, Pat Walsh and fellow selectors John Jackson and Bro. Dormer expect a full turnout at St. Augustine's on Saturday at 2.30 p.m. for training. John Kiely, Bord Chairman, will, as usual, attend at the session.

## N.H.L. GAME VERSUS OFFALY AT WALSH PARK

# Final Round Clash Expected To Attract Big Crowd

With just a single league point between them and a place in the lucrative knock-out stages awaiting the winners, both Waterford and Offaly have it all to play for when they clash in the final match of the league section of Division 2 at Walsh Park on Sunday.

After training at Ardmore on Sunday morning last the team was picked and when announcing it, the management team expressed the hope that Walsh Park will be fit to take the game as otherwise a major problem would arise because a postponement is out of the question.

All going well weather-wise, the game will be played and will be watched by a very big crowd who are no doubt looking forward to a tremendous contest between the sides who last met in February last year when the Leinster team won by 1-16 to 0-10. I recall someone writing after that game that the score expressed the gap in standards between the teams. That was a misguided comment as off the scoreboard there was little difference in their respective displays. However, the scoreboard is the supreme judge and if that nine points gap was an accurate yardstick, then Waterford have quite a bit of leeway to make up.

Unbeaten so far, Waterford had wins against Carlow and Meath in the past three weeks but as I wrote already, the quality of their performances left something to worry about for selectors and supporters.

The Carlow affair was something of a nightmare and while a big improvement was shown at Ardmore against Meath, further improvement must be shown if we are to beat Offaly who are breathing down our necks and looking forward to repeating their 1989 victory over us. Their only defeat so far was against Clare in their last match and this unexpected defeat, which was as a result of a last minute Clare score, dislodged them from their top-of-the-league-table position. I suppose for a county who are much more at home in the big-time hurling scene (they have contested nine Leinster finals in the past ten seasons) than we are, they must be treated as fairly strong favourites and it will come as a big disappointment to them if they lose.

There is an awful lot at stake here and I suppose it

would mean much more to us than it would to them, to qualify for promotion and a place in the concluding stages. The panel trained three times last week, including Sunday and will get together twice this week and also have a puck around on Saturday. The news from the camp is that the players are as fit as can reasonably be expected at this time of the year and there are no big injury problems.

The one change in personnel from the team which beat Meath, sees Ger Fitzpatrick being rested and Jimmy Beresford moved into the centre-back position as he so successfully was in the match at Ardmore two weeks ago.

Noelie Crowley has been retained on the team, but moved out of midfield to play at right half forward. I was a little surprised that he was retained as he played poorly against Meath. Many people rate Crowley as one of those players who can suddenly snap back into form unexpectedly. The move out of midfield might help.

Billy O'Sullivan, who came on as a sub in the game at Ardmore, following a lay-off through in-

The following is the Waterford senior hurling team to meet Offaly in the National Hurling League tie at Walsh Park

Liam O'Connor Paudie Prendergast

Noel Crowley Shane Ahearne Kieran Delahunty

jury, is named at right corner forward and Mossy O'Keeffe, who was substituted in his last match, is in the other corner with Damien Byrne in the middle.

Offaly will travel at full strength and, fiercely determined to regain lost ground on the league-table, will be very difficult to beat.

Waterford are playing for very high stakes not alone in terms of promotion and badly needed finance, but at a time when morale is pretty low, a win here would give a tremendous

boost to the county. As well this game affords several of our players a chance to regain their high profile in the hurling world and it will give others a chance to establish themselves as regulars on the team before we go into training for the championship - or maybe for the concluding stages of the national league.

We are outsiders, but we do have a chance — a chance that will be strengthened considerably if our men all play to their full potential.

## Referee's Seminar

Both divisions have now had their instructional seminars, the Western course having taken place on Friday and Saturday last at St. Augustine's College.

The organisation of the seminar and the high quality of the lectures and instructional sessions were a credit to Pat Moore and Liam Fardy, chairman and secretary, respectively and to the many who took time off (mostly our top referees) to help out with lectures, etc.

Unfortunately there is little about which to congratulate very many of our clubs in the divisions, who failed to have a representative present at any of the sessions. About eighteen

were present on Friday and the number was smaller on Saturday. I was present on Saturday and noted that some of those present were Eastern Board referees. They had held their seminar on the previous weekend and it was far more successful.

The sad fact that a good number of club secretaries did not bother to reply to the notification sent to them concerning the course, goes to show the degree of inefficiency in some of our units.

I'm sure that those who did attend will benefit a lot and that the Board will also have their refereeing problems eased somewhat. Rev. Fr. S. Gardiner, Munster Council, attended both Divisional seminars.

Anyway, the referees' association is now established in the county and as well as monitoring the performances of new and regular referees, they will be keeping an eye on how some of the controversial referee's reports are dealt with.
