£10,000 Lottery Prize For Cappoquin Woman

A Cappoquin woman was among three Munster winners of £10,000 each in a spin of the wheel at the Grand Prize Game in the National Lottery in Dublin last Friday night.

She is 60-year old Miss Betty Lawlor, Castle Street, Cappoquin who is engaged in a part-time capacity in the local Post Office. Betty was absolutely thrilled when her spin of the big wheel netted her a cool £10,000 and she has been the recipient of many congratulatory messages during the past week.

Our World Cup Competitions Won Wide Appeal

The great response to the Adult and Juvenile World Cup Competitions sponsored by Ger Wyley, Sportswear and Footwear, O'Connell Street, Dungarvan and run by the "Dungarvan Leader" showed the very wide appeal which the competition had for readers all over the county.

Hundreds of entries were received in the adult section — some even came from readers in England — and as a very high percentage carried the correct identifications of the players, the ultimate winner and runners-up (all of whom will receive prizes) were decided in a draw made last Friday morning at Ger Wyley's Sportswear Shop by Mr. Billy Kyne, who at the moment is packing his bags en route for Italia 90 where, accompanied by his wife, son and daughter, he will be based in Malta.

The standard in the juvenile colouring section was very high and here, again, entries flooded in from all over the county. The adjudication in this case was performed by Shane O'Shea, Western Bay, Dungarvan, a gifted young artist, who also drew the outline of "Mac Cul" the mascot of the Ireland World Cup Squad, for the competition.

A full list of prizewinners appears on page 3 inside.

Waterford Foods To Acquire Galloway-West From Waterford Co-Op

Waterford Foods plc announced on Tuesday, June 5, that it proposes to acquire Galloway-West from Waterford Co-operative Society Ltd and to raise £17 million by way of issue of unquoted 7% Convertible Preference Shares which will be made available under an attractive, innovative arrangement to shareholders, milk suppliers and other patrons of the Co-op.

The Board of Waterford Foods proposes to exercise its option to acquire Galloway-West to facilitate its full integration into the operations of Waterford Foods. The acquisition is subject to the approval of the shareholders of Waterford Foods, other than Waterford Co-op, in accordance with the regulations of the Stock Exchange.

The Company's financial advisers, AIB Corporate Finance, are recommending shareholders to vote in favour of the acquisition at the Extraordinary General Meeting of the Company to be held in conjunction with the Annual General Meeting on June 28 next.

In the year ended December 31, 1989, Galloway-West had a turnover of IR £82.57 million and profit

before interest and taxation of IR £6.8 million.

The acquisition announcement was made in conjunction with the publication of the Waterford Foods annual report for 1989. Outstanding features of the Group's growth and development in 1989 were the major acquisition by

Waterford Co-op of Galloway-West in the U.S. and by Waterford Foods of Healds, the large and successful dairy and fruit juice company in Manchester.

A SIGNIFICANT INTERNATIONAL FOOD COMPANY

Commenting on these developments. Mr. Stephen O'Connor, Managing Director of Waterford Foods said that "the raising of IR£17 million through the issue of Convertible Preference Shares will expand the capital base of the PLC and will enable it to move forward confidently in its goal to become a significant international food company. We are pleased with the performance of Heald and Galloway-West since acquisition and both are performing ahead of budget.'

Pause For **Thought With** Fr. Paddy

BY REQUEST!

A reader has suggested to the Editor that it might prove more helpful if the "thoughts" anticipated the Sunday readings rather than follow after the Sunday, and, as the matter presented little or no difficulty, here goes. However, before passing on to Trinity Sunday, I feel it would be helpful to remind you that I have already dealt in part with the subject matter for Pentecost, namely, the descent of the Holy Spirit on the Apostles. He gave them new life and a new spirit, and, with their strength re-enforced, they boldly preached the message of Christ. The lesson is, that that same Spirit having come to us in a special way at Confirmation, will readily do for us what He did for the Apostles. He is as active today as He was yesterday. The question is: are we prepared to let Him operate through us? The sooner we awake to our riches, the sooner we'll start living as a child of God.

The Church, in asking us to celebrate this great Feast of the Trinity, wants us not only to acknowledge the existence of the Three Divine Persons, but she also wants us to pay due reverence to each one of them. The doctrine of the Trinity, despite being beyond our comprehension, imposes a very distinctive and necessary stamp on the Christian religion. Besides giving us a look into the hidden secrets of the Godhead, and thereby providing us with knowledge that would otherwise have never been available, it helps to safeguard our belief in the one true God. The experts explain the doctrine like this. God is one, who exists in three Persons: they are really distinct from each other, yet each is the true and eternal God, but still, there is only one God. They say, when we speak of them as one God, we mean not only that each is God, but that each is one and the same God, and therein is the mystery. We accept. We believe. God has said so, and that is good enough for us. The teaching is clearly asserted as well as being emphasised in Sacred Scripture. And, you'll find if you consider the whole message of Jesus that it is all bound up with this doctrine. In itself, it is a condemnation of all the great religions who believe in a multiplicity of Gods. Equally, it tells us that all those other religions who believe in one God like the Mohammedans, the Unitarians, the Jehovah Witnesses, etc. are unacceptable to us. They deny the Divinity

Moses, in the first reading, is portrayed as a man who understood his God. He went like a child goes to his father. He was not afraid to ask for mercy and help for his people. He knew that God would never refuse help. It is well to remember, for our own example, that moses was not only a persuasive character, but he was also most persistent. We know that God's love and mercy remains forever. Moses has shown you how to ask for help, and you'll have noted that he asked for temporal as well as spiritual helps. The reading in pointing out that the God of Moses was the one who sent His Son to rebuild and save the world leaving us in no doubt of God's great mercy.

Paul in the second reading tells us how a true Christian ought to live. Knowing we have received the Holy Spirit, he prays that we might always remain closely bound up in the Mystical Body of Christ; and he assures us that the love we share in the Church is the same love that God has for His Son,

the Beloved. We know from Paul's other teachings that "it is impossible to do any good act without the help of the Holy Spirit." And, Jesus did tell us that the Holy Spirit was the one who would generate and operate and control life in the Mystical Body, His Church. Hence, it would be most unwise not to create a close relationship with Him. I do mean the setting up of a real friendship. We are privileged to have the Holy Spirit so available. He has only to be asked. Many of our young people will soon be in the throes of examinations. Get Him to help you. You, unlike Moses, can say: your child is calling.

OUR RELATIONSHIP WITH GOD

The Gospel, selected for this coming Feast, emphasises our relationship with God, and reminds us that the Son's work in accomplishing our salvation is a proof of the Father's love for us. "He so loved the world that He sent His own son . . . " To say that Jesus is not God, as many of the great religions do, is a grave error. Despite all Jesus said and done, it was only prior to His ascension that the Apostles realised and believed in His Divinity. They fell down and adored Him. Of course, the Holy Spirit later opened their eyes to the full import of Christ's message.

The doctrine of the Blessed Trinity tells us about the intimate nature of God. It also tells us something about ourselves. The Holy Spirit pours a measure of the same love that the Father has for His Son, and the Son has for His Father, into our souls. He transforms us and makes us children of God. So, perhaps the most potent message we receive is of our helplessness. We depend on God. But, as the Doctor said: my medicine is of little benefit unless you use it.

Our belief is based on the word of God. The teaching gives us an inkling into the infinite greatness of God. It helps our limited reason to conclude and understand how the wonder of God will sustain and fulfil our needs for all eternity. There are no limits to His greatness. There are no bounds too His love. A thousand years are like one minute in His presence.

To avoid any wrong conclusions from what I have written, I'd like to add that God will judge people on their lights. It follows that members of other religions, i.e. non-Christians, can save their souls as long as they have not resisted

1989 Annual Report Of Ombudsman

According to the Annual Report of the Ombudsman, Mr. Michael Mills, published last week the total number of complaints received in 1989 was 2,948. This compares with 3,164 in 1988 and with more than 5,000 in each of the years 1985, 1986 and 1987. The Ombudsman says that it is too early yet to establish if the number of complaints is beginning to level off at about 3,000 per annum. He says that this would be more in line with other countries of similar size than the high figures of earlier years.

The number of complaints against Telecom Eireann fell from 1,270 in 1988 to 1,087 last year. On the other hand there has been an increase in complaints against most other bodies. The Ombudsman says that he made considerable inroads into the backlog of complaints in 1989 and he hopes to make further inroads on it this year.

The number of complaints solved in favour of the complainant last year was 20% of the total, a rise of 3 percentage points on

the previous year. Assistance was provided in another 20% of cases bringing to 40% the total percentage of complainants who were helped in one way or another by the Office.

IN CO. WATERFORD The number of complaints received from residents in Co. Waterford during 1989 totalled 58 but 10 of these were outside the jurisdiction of the Ombudsman. The biggest number of complaints concerned the Civil Service and State Departments, mainly the Department of Social Welfare.

There were 5 complaints against Local Authorities, 4 against the Health Board and 21 against Telecom Eireann. No complaints were received against An Post from the county.

Of the total number of complaints lodged, 11 were resolved while assistance was provided in 9 cases. A total of 27 of the complaints was not upheld while 9 were either withdrawn or discontinued.

Trespassing Travellers Cause Problems In Dungarvan

A great influx of travelling people to areas on the perimeter of the town in recent weeks was referred to at the monthly meeting of Dungarvan Urban Council last week by Cllr. Austin Hallahan.

Cllr. Hallahan said that pending a permanent solution of the problem, something would have to be done on a temporary basis to move these people on. Local residents objected to the travellers as they showed absolutely no responsibility in regard to litter or the use of toilets. One area where an encampment still existed was at Curran's Boreen at the back of the Fraher Field. "I would like to see whoever is responsible, whether it is officials

see to it that these people are shifted," he said,

Cllr. Hallahan added that these encampments created a health hazard as well as a litter problem and he suggested that a local committee which could include members of religious orders might be set up to visit these travelling people when they arrived in the area and direct them to the official Itinerant Halt at Shandon.

Cllr. Billy Kyne said that

of the Council or the gardai the limitations of the law as it existed to deal with these situations annoyed him. He said that recently a group had moved into a site at Abbeyside near the strand at Skehacrine where they had no toilet facilities but he pointed out that the halting site at Shandon which had been built by the Council to provide all the facilities required had been vandalised several times. "We should have a contingency plan to move in as soon as these groups arrive and explain the position to them. Some type of 'rigid welcome' should be prepared for them as soon as they set themselves up in unauthorised sites in the area and I think this is the only way to deal with this problem," said Cllr. Kyne. Cllr. D. Goode said that

the £100,000 halting site which had been provided by the Council for the travellers at Shandon had been vandalised time after time and now many of the more decent types wouldn't go

Bertie White, said that the existing law was inadequate to deal with the situation and this made it most frustrating for anyone trying to handle the position. He said that the influx of these travellers was one of the hazards of holding the annual horse fair in the town in the month of May.

"As things stand," he said, "when they come, all we can do is to ask them to move on. Starting a legal process to shift them is tantamount to an invitation to them to stay."

Mr. White went on to warn against being fooled by these travellers. "They know the law in the matter better than anyone and in the end they'll go only when they want to," he said, adding, "if I had the answer to this problem I could well set myself up as a Consultant to all the Local Authorities in Ireland who all suffer from the same problem."

Provision Of New Graveyard "Will Take Time"

When Cllr. T. Wright asked at the monthly meeting of Dungarvan Urban Council whether any progress had been made in regard to the provision of a new graveyard, he was informed by the Town Clerk, Mr. B. White, that while ongoing negotiations in regard to a

suitable site were taking place, there was still nothing definite to report.

Mr. White said that the Parish Priest was very actively engaged in the situation at present and all they could hope for was that the negotiations would come to fruition. "But this will take time," he added.

Successful Bank Holiday Regatta In Cappoquin

The Cork Boat Club/Cappoquin Rowing Club composite crew (consisting of Pat Peilow (stk.); 3, Finbarr Heas; 2, Pat Murray; bow, Milo Murray; cox, Brendan Row), who are Irish and international men's elite fours champions, won the final of the men's open four at the 128th annual Cappoquin Regatta on Saturday on the River Blackwater at Cappoquin.

A huge crowd came to see their local heroes defeat Clonmel RC and St. Michael's RC in a very exciting final by one length. The crews were level after 300 metres and gradually the composite crew pulled away, increasing their lead with every stroke, to win comfortably.

Waterford Boat Club were the most successful club at the regatta with four wins. Visiting English club Mortlake Anglican RC had a win in the men's veteran sculls. Over the 800m course exciting finishes were the order of the day, with 1/2 length verdicts in the final of the men's senior C4, when Fermoy RC defeated St. Michael's RC, and the men's Senior B4 when Clonmel RC defeated St. Michael's and Fermoy RC.

It was the men's Veteran Fours final, the last race of the day that had a rousing finish, when a Cork Boat Club/Cappoquin RC composite crew came from behind to beat a Carlow RC/Mortlake Anglican RC by only one foot.

Conditions were excellent with a slight breeze.

Mr. Dermot Henihan presi-

dent of the Irish Amateur Rowing Union, presented the trophies to the winning crews. Another visiting English club, Nortwich RC presented Cappoquin Rowing Club with an oar during the regatta.

"REMEMBERING OTHER DAYS"

The photoghaph for "Our Remembering Other Days" series this week takes us back to the year 1965. It shows the Kilgobinet intermediate hurling team of that era and for many it will recall the excitement and glamour of the knockout championship system in operation at that time when some great and memorable do-or-die clashes were witnessed at the local venue, Fraher Field in Dungarvan where the photo was taken. The team members are (at back, left to right) — Michael Kelly, John Woods, Eamonn Byrne, Monnie Coward, Tom Cummins, Donal Brennock, Jim Dee. How To **Prevent Farm Accidents This** Summer

By John McNamara, Health and Safety Officer, Teagasc.

Farm accidents account for up to 50 deaths every year with over 4,000 serious injuries. This represents one death every week and two injuries for every single working hour. While the accident pattern does not follow county boundaries, this represents 1-2 deaths and over 150 serious injuries per county. Studies conducted over many years show that with increased awareness and sensible precautions, most accidents can be avoided.

RISK AREAS

Members of the farm family encounter numerous potentially dangerous situations during a day's work.

The major problem areas

Tractors and Farm Machinery - Particularly when driving on public roads. Always disengage the p.t.o before leaving the tractor seat. Keep guards and covers in place.

Falls and blows/back injuries - Falling from heights e.g. silage pit walls. Lifting objects which are too heavy. Tripping due to untidy farmyards.

Children — A major problem area.

Slurry — Agitate only on windy days. Guard slurry pit man-holes.

Electricity — Install fittings to ECTI standards. Wire plugs correctly.

Lamb **Prices**

The Chairman of the IFA National Sheep Committee, Mr. Tom Parlon, has called on the processors of Irish lamb to maintain prices to farmers at current levels.

Given the improved demand for lamb on the Irish and the French markets there is no need for the processors to reduce prices any further. The expansion of the sheepmeat industry in Ireland over the last ten years has been of major benefit to the Irish economy. All sections of the industry must work together to ensure that it can continue to develop to its potential.

It is expected that the output of lamb in Ireland this year will be 900,000 head higher than last year and exports to date are 25% higher. Mr. Parlon advises sheep farmers to continue to sell finished lamb to best advantage as they become fit for slaughter

Chainsaws — Use a saw with safety devices fitted. Wear protective clothing.

Chemicals - Store correctly. Wear protective clothing.

Animals - Never trust a bull. Bulls should be ringed with a chain attached. Never enter a pen with a

CHILDREN

A major survey carried out recently by Dr. Yvonne Doyle found that 35% of all hospital admissions as a result of farm accidents are children. Regrettably, many of the injuries are serious. The survey showed that childhood accidents peak during the summer months reflecting the increased activity on the farm and the fact that children are on school holidays.

By adopting the following strategies, the risks to chil-

dren can be greatly limited:

Limit the playing area of young children. Farmyards can be very dangerous places.

 Children must not accompany a parent while doing farm work like machine operation or livestock moving.

 Only give juveniles work that they are physically and emotionally able for.

• Remember, 16 is the minimum age for driving a tractor on the public road.

THINK SAFETY

The only way to avoid farm deaths and accidents is to "Think Safety" at all times. By developing a safety consciousness, over 90% of accidents can be prevented.

• Set Priorities. Trying to complete a number of tasks at once can reduce concentration and lead to an accident.

 Tiredness — accidents happen when one is tired.

 When a break-down occurs implement safety procedures when fixing.

 Seek permanent safe solutions to problems rather than temporary ones. Accidents tend to hap-

pen when lighting is poor. • Use the correct tools for the job rather than short cut methods.

Danger and Damage Caused By Loose Running Horses

It was the luck of God that a couple of children were not seriously injured when horses which escaped over a low wall from a nearby field ran loose through the housing estates at Silversprings and Comeragh Crescent, Cllr. Tony Wright stated at last week's meeting of Dungarvan Urban Council. However a number of cars owned by residents had been damaged by the rampaging animals. "The people living in these estates are entitled to safeguards and that wall should be raised to keep those horses from getting out," he said.

Cllr. P. Power, Chairman said that he had also been approached about the same complaint. He understood that grass

which had been dumped over the wall had raised the this allowed the horses to would solve the problem.

Consumers Lose Out As Irish Spuds Shoved Out By Dear Imports

The Irish Farmers' Association said recently that Irish consumers were being deprived of good quality, competitively priced Irish potatoes because the market was being flooded with expensive imports.

Marketing Co-ordinator, consumers to demand com-Jim Thornton said that in the months of April and May imports of new potatoes from Italy and Cyprus had increased dramatically and consumers were being deprived of good quality Irish potatoes as many of the wholesalers, especially in the Dublin market, stopped handling the native crop.

Mr. Thornton claimed that the reasons behind this had little to do with giving the consumer a better product but that the margins enjoyed by wholesalers on the Italian and Cypriot potatoes were considerably higher ___ supply

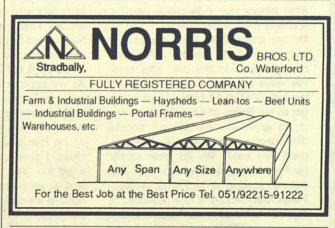

The Association's Potato The IFA man called on petitively priced Irish potatoes from their supermarkets which are retailing at 19p per lb. compared with an equivalent quality in imports selling at 45p per lb. "A typical family of five, eating in the region of 30 lbs. of potatoes per week is paying £8 per week more to buy Continental potatoes while Irish potatoes are simply not on the shelves for them to choose."

Mr. Thornton estimated that there were up to 5,000 tonnes of good quality Irish potatoes in storage and that there was no shortage of

Mr. G. Taylor, Town Engineer confirmed that the problem was caused when the residents of these houses were cleaning their gardens and dumped the stuff over the wall which created a ramp and this then enabled the horses to jump over the wall. He thought if the residents got

together and agreed to raise the height of the wall it would meet the situation. He added that he would look into the matter.

Cllr. B. Kyne remarked: "People who own these horses have a bit of responsibility in this, too. The Council are not the creators of the problem.'

New Strike Rules In Industrial Relations Bill

In a Dail Question, Deputy Austin Deasy asked the Minister for Labour if he has any plans to introduce a compulsory cooling off period before a strike can legally take place.

Ahern, in his reply stated:

Memories Of Growing Up In West Waterford

May is a pleasant month. We often hear it described as "the merry month" when "the hawthorn blossom is in bloom" and so on. I well remember one May morning that was not a bit like that. It was in fact the last Sunday in May. Mass that morning was at 9 a.m. in our local church. I woke early. I heard my mother pottering about the kitchen. The eight-day clock struck seven. I got up and peeped out - it was raining and very windy. I thought "Oh God — this would be my luck".

We lived a mile and a half from the church and it always took, even in good weather, half-an-hour to walk to Mass. Mother came into my room. "It's an awful morning" she said sadly. She then went to her own room where I heard her consulting with Dad. He got up and came to the kitchen and looked out. "Carn Glas is barely visible," he said, "a bad sign it will not clear." He dressed and put on his oilskins. "I'll try Dick Foley, he might drive us" he said and left.

While he was away mother dressed me and we waited. Dad returned in about twenty minutes. "It's alright," he said, "Dick will drive us but he will not come up to the house as the Forge stream is in spate." The Forge stream crossed our road and often after heavy rain it became swollen and was difficult to cross

Mother took off my good shoes and put on my old boots. "We can change them in the car" she said. We were all wrapped up as we left the house at eight o'clock. When we got to the Forge stream Dad took me in his arms and carried me across the wooden plank that was half covered with water. We got over safely. He then helped Mother to cross. The car was waiting at the Forge Cross.

I was real excited at the prospect of my first drive in a motor car. Dick's car was an old Model T, with spoked wheels and a canvas roof. The spare wheel was tied on the outside by a leather strap. The engine was turning over in uneven spurts that caused the whole car to shiver and shake. Dick was the local blacksmith and so the seats were not too clean but Mother brought a towel which she placed under me. Mother was always thinking ahead.

I sat in the back with Mother while Dad sat in front. We started off. I

tried to look out but I could see nothing. The side windows were made of celluloid which had yellowed with age. The windscreen too was difficult to see through because of the rain. Dick was able to clear this, however, by operating a small lever at the top which in turn moved the wiper on the outside thereby clearing a little half moon on the glass through which he could see.

As we made our way up Allen's Road the furze bushes brushed along the side of the car. The rain had caused them to droop out towards the road which was very narrow. We passed by the Cross of Five Roads and as we travelled towards Dunmoon Cross we encountered another flood. This was just a pond across the road from fence to fence. My father gave his first instruction. "Keep to the centre and we will be alright." It was not very deep so we got across safely.

JUST A LITTLE FRIGHTENED

As we approached Charlie's Hill Dad addressed Dick. "Will you be able to keep it back going down the hill?" I could see that he was apprehensive as he had grasped the seat at both sides. I must say I was a little frightened too. We got down in fine style and as we negotiated the bend at the bottom we caught up with some people walking to Mass. They all stood in at the side to allow us to pass.

At last we reached the church gate and the only other vehicle in sight was the Moorehill sidecar, which had arrived just ahead of us. Jim Ryan was unhitching the horse as he always did and tied him to a tree in the churchyard. Mother changed my footwear and we went into the church. I was ushered up to the front because I was to make my First Holy Communion. The year was 1929. —

Councillors Predict 'Dreadful Accidents" At Abbeyside Junction Unless -

The two lady members of Dungarvan Urban Council joined in again stressing the dangers, especially for children, which they claim exist at the junction of Murphy Place, McCarthyville and the New Line Bridge in Abbeyside at the adjourned monthly meeting of the Council last week. When the matter was raised on previous occasions it was suggested that a roundabout at the junction would solve the problem. However this was dropped when a local resident in Murphy Place raised an objection to it.

At last week's meeting, Cllr. Nuala Ryan referred to the fact that trees growing at the junction had now become very high and as they were in full bloom, motorists could see nothing at all at the bend. She said that particularly at risk were children from the Kyne Park and Mc-Carthyville housing estates on their way to the Shop as there was no footpath at that side and the children had to walk on the road. She suggested that it would be an improvement if the trees at the corner were cut

Cllr. Mary Dixon who has favoured the proposal to erect a roundabout at the junction from the beginning said that although the Council had agreed to the proposal there had been no progress about placing it in position up to now. Because of this she predicted that "there will be a dreadful accident there sooner or later". She said that the roundabout proposal should not have been dropped as everyone wanted it except one woman. "No one person should hold up what everyone else wants", she said.

Cllr. Dixon went on to say that there was no doubt

but that a definite traffic problem existed at the junction as there was no indication as to who had the right of way there. She suggested that a "yield" sign at the Murphy Place end might be a help and added that speeding motorists were greatly to blame also.

Cllr. B. Kyne said that motorists were "getting a hammering" in this matter when in fact only one in every twenty might be at fault and in the wrong. He pointed out that there was a footpath on the Murphy Place side of the road and he felt that if the children used this then they would be in no danger.

Cllr. Kyne added that in placing the idea of a roundabout as a solution of the problem at the junction before the Council, the County Engineer "had taken a flier." If the matter had been thought out, the problem that arose in regard to the objection raised by Mrs. Hickey (the woman who objected to it) would have been identified and the consequences of the costs which would be involved would have been realised. "The solution of the problem is not to isolate the lady as was suggested," he said.

OBJECTOR HAS

HER RIGHTS The Chairman, Cllr. P. Power said that when the roundabout idea was first proposed he had agreed with it as he thought it would solve the problem at the time. But when the full implications came to light he had to take a different view. "The woman in-volved in objecting has her rights and these have to be respected," he said, adding "if it was my own case I would personally object to a roundabout if it was placed outside my door."

Cllr. Ryan said that in referring to the matter she did not want to raise the question of the roundabout again. She thought if the trees at the junction were cut back it would improve the view for mo-

torists.

The Town Engineer, Mr. G. Taylor, agreed that children could use the footpath along the Murphy Place side of the road and said that a barrier might be erected near Kyne Park to get them to cross over at a safe distance from the junction. He also said that he would look into the suggestion about cutting back

THE DISAPPEARANCE OF CLONEA CASTLE

In the current issue of the Abbeyside Parish News it is stated under the caption "The Missing Castle" that "it is difficult to believe but nevertheless absolutely true, that Clonea Castle has gone missing without trace or tidings and its disappearance has not been given a mention in the national or local press!"

We would like to put the record straight where this old landmark is concerned as far as we, here in the "Leader" are concerned. The fact of the matter is that the ruins of the castle were demolished during the end of last January when, following the dreadful storms which shattered the entire coastline at the time, it had become a hazard and was in danger of collapsing.

The demolition work was carried out by the local firm of William Fennell and Sons and on the day that the old landmark was finally flattened, our staff photographer made the journey to Clonea to record the final disappearance of the old historic building.

This photograph is now published here for the first time and the reason why it was not published at the time of the demolition was that all efforts which we made to ascertain some historical background to the castle came up against a blank wall. We inquired from several local sources but in all cases the result was the same as none of them were able to tell us anything at all about it. It was because of our failure to unearth any information about the old ruin that the photo was temporarily

something would eventually surface about it.

This is what the Abbeyside Parish News reporter goes on to tell us about the place: "For at least a couple of centuries, the Castle has been the most prominent feature on the coastline between Ballinacourty Lighthouse and the Tramore Metal-man and throughout the past half-century since Clonea beach became a very popular summer playground for thousands of visitors, the same Castle has featured in photographs and postcards sent home by visitors and tourists every

He goes on: "Not a lot is known of the history of its origin, but in the early part of the last century, one of the landed gentry, a certain Walter McGuire, Esquire became the owner, and he lived in the structure adjacent to the structure. The Castle had a commanding view of the ocean and no doubt it became a landmark for sailors plying between Dungarvan and Britain during its lifetime high up on the cliffs of Clonea."

was the same as none of them were able to tell us anything at all about it. It was because of our failure to unearth any information about the old ruin that the photo was temporarily shelved in the hope that

which brought so much havoc along all parts of the coastline, caused the collapse of a major portion of the remaining structure and just a couple of months ago, all that remained collapsed on to the rocks below the cliffs. Before this, it was a danger to people who moved about that part of the strand it is sad to think that a little bit of history could pass away almost unnoticed. Clonea will never be the same without it! !"

The only comment which we would like to make is that the passing of Clonea Castle did not in fact go unnoticed at the "Leader" Office as the picture taken on the day on which it was finally demolished shows. It is the last picture taken of the Castle before it was levelled last January.

HEARD CUCKOO CALLS

Further to our recent reference to the absence this year of cuckoos from many of our rural areas which these summer visitors frequented in the past, we have had reports that the shy bird was heard in the Mahon Falls district from an Old Parish reader who wishes to remain anonymous while Mrs. E. Kirby of Cathal Brugha Place tells is that she heard one calling in Ballyguiry outside Dungarvan the other

LATE CANON DAN O'BYRNE

It was with very deep and sincere regret that the older generation of Dungarvan

residents learned of the recent death of Very Rev. Canon O'Byrne, retired Parish Priest of Newcastle and Fourmilewater. Father Dan as he then was, was a very popular curate when he served in Dungarvan in the 1950's and '60's. Apart from his many sporting interests, he devoted a great deal of his time to the welfare of mentally handicapped children and for many years he was Chairman of St. John's Association and of the Board of Management of St. John's Special School in Dungarvan during which the new school at Youghal Road was erected.

Fr. Dan was a real 'sagart aroon' possessed of a most genial and 'gradhmhar' personality whose passing has been the source of much regret among all who had the privilege of knowing him.

A MIRACLE IN LOURDES!

Last week we wrote about the courage and bravery shown by young Lorna Daly who, despite her failing eyesight, came to the Graduation Mass of her Leaving Cert classmates of the Mercy Con-Dungarvan celebrated by Fr. Jerry Hickey OSA in the Friary Church. Because of the growing handicap that had beset her, Lorna had to abandon her studies but nonetheless she showed immense courage as she took her guitar and having been guided by her friends to the podium she won the spontaneous applause of the entire congregation for her beautiful solo rendition of "From a distance God is watching.'

Then on last Sunday week, Lorna, with her parents Paddy and Betty Daly, King Street, Abbeyside, flew out to Lourdes where they joined the Waterford Diocesan Pilgrimage led by his Lordship Most Rev. Dr. Michael Russell Bishop of the Diocese. All were praying and hoping that a miracle would restore young Lorna's eyesight.

What a surprise for us here at the "Leader" Office it then was on Tuesday morning of this week when Lorna came in, accompanied by some of her friends, and told us that during her visit to Lourdes there had been a great improvement in her sight, so much so that she was now able to go about unaided. She was radiantly happy and hoping that the improvement would continue

and be permanent.

As we are sure it was for Lorna, the news of this marvellous and miraculous recovery of her sight was the best news we could have heard. We hope it will continue.

SPEEDING ON THE BY-PASS

This is not the first time that we feel forced to focus attention on the speeding traffic along the Dungarvan By-Pass road. Despite the fact that there is a 40 mph speed limit in operation along the stretch of new road, the traffic which passes over it is, for the most part, flying.

Not only are cars driving at speeds far in excess of the limit but the biggest of articulated vehicles move over it at speeds up to 60 mph.

It would certainly pay the authorities to mount a speed trap there on a regular basis. They would net a very appreciable sum of money for the State in speeding fines!

AN EYESORE

The judging for this year's Tidy Towns Competition commences on a nationwide basis this week and towns and villages up and down the country will all be vieing with each other to gain top marks.

Here in Dungarvan, one of the biggest handicaps we suffer from where the contest is concerned is litter so let's make an extra special effort in the course of the next few weeks.

But apart from litter, another major handicap is the unoccupied shop premises in Main Street, formerly Mulcahy's Drapery store. This has now become an absolute eyesore in one of the town's principal streets and is something which the Urban Council should look at without further delay.

Brian O'Linn

Our choice for the ballad corner this week is "Brian O'Linn," an old comic song that has been a long time on the go. It has quite a number of verses and goes as follows:

Brian O'Linn was a gentleman born, His hair it was long and his head unshorn His teeth were out and his eyes far in, "I'm a wonderful beauty," says Brian O'Linn.

Brian O'Linn was hard up for a coat, He borrowed the skin of a neighbouring goat, He buckled the horns right under his chin, "They'll answer for pistols," says Brian O'Linn.

Brian O'Linn had no breeches to wear, He got him a sheepskin to make him a pair, With the fleshy side out and the woolly side in, "They are pleasant and cool," says Brian O'Linn.

Brian O'Linn had no shirt for his back, He went to a neighbour and borrowed a sack He puckered a meal-bag under his chin, "They'll take it for ruffles," says Brian O'Linn.

Brian O'Linn had no shoes at all, He bought a pair at the cobbler's stall, The uppers were broke and the soles were thin, "They'll do for dancing," says Brian O'Linn.

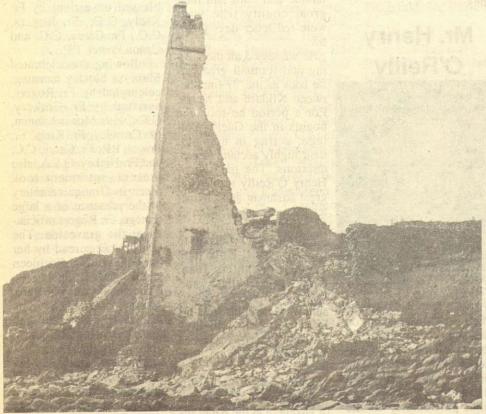

Brian O'Linn had no watch to wear, He bought a fine turnip and scooped it out fair, He slipped a live cricket right under the skin, "They'll think it is ticking," says Brian O'Linn!

Brian O'Linn was in want of a brooch, He stuck a brass pin in a big cockroach, The breast of his shirt he fixed it straight in, "They'll think it's a diamond," says Brian O'Linn.

Brian O'Linn went a-courting one night, He set both the daughter and mother to fight, "Stop, stop," he explained, "if you have but the tin I'll marry you both," says Brian O'Linn.

Brian O'Linn went to bring his wife home, He had one horse that was all skin and bone, "I'll put her behind me as nate as a pin And her mother before me," says Brian O'Linn.

Brian O'Linn and his wife and wife's mother, They all crossed over the bridge together, The bridge broke down and they all tumbled in, "We'll go home by water," says Brian O'Linn.

Mr. Tomas O Floinn

The locality learned with profound regret of the unexpected passing on Thursday evening, May 24, of Tomas O Floinn who resided at "Ar Neamh," 22 Murphy Place, Abbeyside. Aged 80 years, Tomas hailed from Ballycrompane, Clashmore. For many years he was employed at Waterford Co-op where he was a great favourite with management and colleagues alike. Later he joined E. O'Brien & Sons Builders, where his excellent craftsmanship won the admiration of all.

Tomas was a carpenter/cabinet maker par excellence and his works are lasting memorials to his skill, enthusiasm, desire for perfection, meticulous detail and planning. Only last year he exhibited his works with proceeds from the project going towards a local charity. He was a keen gardener with tomato growing his speciality. A deeply religious man he lived everyday in a true Christian way. He was a great card man and enjoyed the local bingo sessions. Bhi an gra aige don tir seo, chuir se suim agus speis sa Ghaeilge agus bhi se sasta usaid abhaint as i gconai.

His passing is all the more poignant since on August 15 last his son Micheal (who was well known in sporting and GAA circles) died in a road accident in Canada. This was a heavy cross for Tomas to bear. It is our prayerful wish that father and son are now both reunited in eternal bliss.

We offer our deepest sympathy to Tomas's wife Eibhlin and family on their bereavement.

On Friday evening the renoval of the remains took place from his residence to Abbeyside Church where they were blessed and received by Rev. P. Ahearne, C.C., assisted by Rev. J. Hooper, O.S.A. On Saturday morning the Requiem Mass was celebrated by Fr. Ahearne who also officiated at the graveside. Readings were shared by Tomas (son) and Mary Hartery (sister). Beautiful musical tributes were sung by Abbeyside Parish Choir accompanied by Finbarr Keohan (organist).

A large concourse of mourners was present in St. van for the interment. Very many floral tributes were placed on Tomas's resting place, reflecting the love, esteem and affection of his family, relatives, friends and acquaintances. "Faoi bhrat na Maighdine go raibh se.'

Mr. William **John Waters**

The death on Friday morning May 25, of Mr. William John Waters, 41 T. J. Murphy Place, Abbeyside, at Waterford Regional caused Hospital, widespread sorrow and deep regret throughout the locality. Aged 75 years, Monsie (as he was affectionately known) was a great favourite in the Village where he was a cornerstone in the life of that community. Back in 1917 the Waters family took up residence in Abbeyside, hence Monsie lived in the locality since his second summer.

Involved in all the local projects, he took a great interest in the cultural, social and religious welfare of the community. He loved Abbeyside and anything he could do to further the Village was to him a labour of love. A great friend of the legendary Tom Kyne, T.D., Monsie was a great Union and Labour man. Since he was seven years old he was a valued member of the Abbeyside Parish Choir and his beautiful tenor voice was frequently commented upon for its rich-

For close on 40 years, he was employed at A. Moloney & Sons, Main Street, where he became a great favourite. Later he was engaged by CIE to drive a school round. In 1979, after years of toil, Monsie took a well earned rest. His passing last week removes the last member of the old established Waters family.

We offer our sympathy to his wife, son, daughter, relatives and friends on their sad loss.

On Saturday evening, following Prayers of Requiem Mary's Cemetery, Dungar- field and Rev. Fr. Power, the removal took place to

Mr. Henry O'Reilly

The passing of 80 year old Mr. Henry O'Reilly, Main Street, Ardmore, on Thursday, May 24, at St. Joseph's Hospital, Dungarvan, was the source of much sorrow and regret in the West Waterford region, particularly in the Ardmore area where he was a great favourite. A native of Ballyquin, Ardmore, Henry was predeceased by his wife Elizabeth (nee Flynn) by 7 years.

One of the great characters in Ardmore, Henry was proprietor of a licensed premises and grocery store on Main Street which enjoyed the support and patronage of a wide and appreciative clientelle. In his early days Henry was a member of the Irish Army, was a valued member of An Chead Cath Ghaelach (the Irish speaking battalion). A member of the Volunteers in the 1930's, Henry had a life long interest in the Republican movement. In his youth he played a very active part, all his life he gave unflinching loyalty to the cause and he longed for the day when the last of the four green fields would be returned to its rightful owners.

A Seanachai, Henry was a marvel at story telling, he could relate on matters of long ago, or on his mine of experiences of his own life. An excellent singer in the seanos style, he possessed a most expansive repertoire. How appropriate that some of his favourites were played on the pipes by MacDara McDonagh at his funeral obsequies - Sliabh na mBan, Cill Chais, Na Connerys — just to name a

He loved the Irish language, attended the Irish College at Ardmore and did everything possible to promote and nurture our native tongue. An avid reader, Henry was an excellent conversationalist whose range of discussion encompassed current affairs and sport. He was a keen 45 player and in 1926 he first donned the Ardmore colours, a club he gave sterling service to throughout his life. He followed Ardmore through famine and feast and their great county title wins were red letter days in his life.

He witnessed all the hurling and football greats as far back as the '27 final between Kildare and Kerry. For a period he took the boards in the Gaelic College, acting in many of their highly acclaimed productions. The passing of Henry O'Reilly removes a great Irishman and character from our midst. Men of his calibre are a rarity.

We offer our sympathy to sons Michael, Hugh and Tommy, daughters Joan, Bridget, Elizabeth and Deirdre, sister Bridget, aunt Molly and his sons-inlaw, daughters-in-law, grandchildren, relatives and many friends on their loss.

On Friday evening, following Rosary and Prayers of Requiem at the Kiely funeral Home, the cortege

guard of honour was provided by Ardmore GAA Club. En route to the church, the funeral paused outside Henry's home in prayerful tribute. Rev. Fr. Reide, C.C., assisted by Archdeacon Thornton, P.P., Midleton, blessed and received the remains.

The Requiem Mass on Saturday morning was celebrated by Very Rev. D. Canon O'Connor, P.P., who also officiated at the graveside in the new cemetery. A musical tribute was provided on the uillean pipes by MacDara McDonagh.

Mrs. Mary (Mae) Hogan (nee Crotty)

We record with sincere regret the death of Mrs. Mary (Mae) Hogan (nee Crotty), Gorteen, Ring, which occurred suddenly on Friday, May 25. A native of Kiely's Cross, she lived there in a house well known for card playing and set dancing, both of which she enjoyed to the full. In more recent years she led a quiet life, devoted to her husband and family.

West Waterford Notes

SYMPATHY

Our deepest sympathy to the Power family, The Clock Stores, Youghal, on the recent death of Mrs. Jane Power. The Power family have many relatives in West Waterford and are well-known to the people of this area through their business grocery Youghal.

Our deepest sympathy also to the relatives of Larry Daly, Youghal. Larry was a very learned man who spoke many languages fluently and also spoke en-tertainingly of his world tours. Larry hailed from a well-known business family in Youghal. Many people benefitted from his education as he was always willing to teach anyone who wished to learn. A kind and helpful man, Larry will be sadly missed by all his friends here, whom he would cycle out to visit before his illness some time

We wish to express our sympathy also to the Flynn family, Dungarvan, on the death of Tommy formerly of D'Loughtane, Clashmore.

WEDDING BELLS

Congratulations to Miss Ber Power, Pilpark, Kinsalebeg, daughter of Mr. and Mrs. Dick Power on her marriage last week. Ber is a very popular nurse at the Erinville Hospital, Cork.

SOCIAL WELFARE **OFFICER**

Many complaints have been made regarding the present meeting place on Thursday morning with the Social Welfare Officer. People who wish to visit him now have to go to the South Eastern Health Board Centre, which is located quite a distance from Clashmore Village. This brings us back to the same problem of many years ago.

People felt the distance was too far to walk (which most people meeting the officer have to do) so the officer used meet the people on the street in the village. People then felt that this was very degrading having to wait in all weathers to discuss business in full view of everyone. The Community Services very kindly put an end to this problem by offering their rooms and facilities to the officer and the public. Now the building used by the Community Services has been sold and they no longer have offices in the village so the problem starts all over again.

We hope the service will find a suitable building soon. If any readers have any ideas please contact Mrs. Carmel Foley. The Community Services are a wonderful asset to any area

and we hope we can retain ing group 'Thief of Hearts'.

KILROSSANTY DEFEAT RATHGORMACK

A very exciting senior football championship game took place in the G.A.A. Field, Kilmacthomas, on Saturday evening last, and before a large attendance Kilrossanty defeated Rathgormack by 2-8 to 0-12. The turning point of the game came midway through the first half when Kilrossanty were awarded a penalty and Jim Maher made no mistake from the spot kick to put Kilrossanty in to a 2-5 to 0-5 lead.

Rathgormack fought back

in the second half with great determination and spirit and reduced the arrears to one point and they missed some great chances of going into the lead. But Kilrossanty in their thorough fashion had the last say with good points from 'man of the match' Jim Maher and a most promising young minor, Pat

This Week Teagasc Co. **Waterford Says**

SECOND CUT SILAGE

Reports from many parts of the country would indicate that first cut silage yields were significantly above average this year. While these reports are true for many parts of the country, yields were significantly below average on many farms in Co. Waterford, particularly on dry land in coastal areas. Many such areas did not receive rain since February.

You should now take stock of the quantity of first cut silage made and close sufficient area for the second cut. Slurry should only be spread on bare ground immediately after cutting. Most late and second cut crops will respond to sulphur. Generally 80-90 units of Nitrogen fertiliser containing Sulphur will be suitable.

GRAZING MANAGEMENT

Farmers are well aware that grazed grass is the cheapest source of feed available for grazing stock. It is imperative therefore that the highest possible weight gains are got on cattle while they are at grass. Research results carried out by Teagasc clearly shows that the height to which pastures are grazed, during spring and early summer is an integral part of good grazing management.

Pastures that are understocked now will produce less total grass and grass of lower quality for the remainder of the grazing season. This in turn reduces animal performance, the very thing farmers are trying to avoid.

SHEEP - PLAN FOR 1991

Now is the time to take stock of what happened to your sheep enterprise this year. With the last of the lambs from December/January lambing ewes now being sold and with the average price of these lambs back by about 30p/lb. on the average of the last three years, some serious decisions have to be taken now.

Early lamb production is certainly an expensive business with a lot of hardship involved. Yet when the early lamb system is run well with weaning weights of 1.5 plus, with a stocking rate of 5 ewes/acre and with all lambs sold by the end of May, it can yield a comparatively good return per acre even when prices are bad.

The following are examples of the kind of questions you should be asking:

1. — Had you enough good quality hay or silage? 2. — Did you feed the recommended amount of meals?

3. - Did lambs die of scour, exposure or other reasons?

4. — Had you grass for the ewes as they lambed?

5. — Were you disappointed with your lamb

These questions will help you to decide on what improvements should be made for the coming year. Decide on what is the most pressing thing that will help you get a bit more from your flock next year.

Farmers: Use Water Sparingly

Donal Hynes, Chairman of the ICMSA Farm Services Committee, said that he is concerned that the May rainfall is less than average but that there is no cause for farmers to be alarmed.

He said that although rationing has begun in some areas, notably the South and South-East of the country, that milk levels are stable and that there have been no ill effects from the low

As a result of the warm weather, Mr. Hynes said that silage is dry with little seepage and that consequently there is a lower risk of pollution.

He has advised farmers to use water sparingly during this dry spell.

You should always use a protective switch device, known as a residual current device (RCD) or residual current circuit breaker (RCCB).

These automatically monitor the circuit and, quicker than any fuse, cut off the power supply if there is a leakage or short circuit. Individual RCDs are available in plugs or as adaptors which plug into a socket and then take the plug from the machine to be used.

But many people are fitting RCDs available for the whole electricity system in the home and many new homes come with them as

A halfway house is to fit an RCD-protected socket, garage/shed power points or a socket habitually used for garden machines.

Danger from labour-savers

Of course, many people use an extension lead or have a special waterproof socket installed in the garden, but these should also always be protected by an RCD.

Even when using an extension lead with an RCD, you should check that the cable is capable of handling the power rating of the machine in use, You must also fully unwind the lead or it may overheat.

It is extremely dangerous to use electrical tape to join two pieces of lead and if you have a pronged connector fitted to the appliance lead or to couple two extension cables, ensure that the pronged half is fitted to the section of cable going to the equipment.

This avoids the terrible possibility that the pronged half could be exposed while

TALLOW G.A.A. NOTES

J.H.C. - Tallow 5-10 Lismore 4-10 — Tallow practically robbed Lismore of victory in this marvellous junior hurling championship match played in Lismore on Friday night. Lismore were leading by a goal with time almost up when Tallow struck for two superb goals to seal an exciting win.

Tallow started in whirlwind fashion, a goal and a point from Martin Mc-Carthy followed by points from J. J. Henley (2), Gerry Hogan (1) to lead by 1-4 to 0-1 after ten minutes and when Con Ryan crashed home goal number two followed by points from Eamonn Power and Pat Sheehan, it was 2-6 to 0-2.

Lismore came more into it just before half time and added 1-3 to no score for Tallow and it was 2-6 to 1-5 at half time in Tallow's favour.

Two smashing points from Eamonn Power on the restart were cancelled by Lismore who replied with two similar scores, 2-8 to 1-7. A Lismore goal brought it back to the minimum, but back came Tallow with a point from J. J. Henley 2-9 to 2-7 and when the same player added a goal it looked as if Tallow would hold out (3-9 to 2-7). But Lismore had other ideas and a goal and a point had it back to the minimum. J. J. Henley pointed from a free to make it 3-10 to 3-9 and then Lismore struck for a goal and then followed with point to leave them leading by 4-10 to 3-10 with time almost up, but then the unpredictable - first a superbly taken free by Gerry Hogan finished up in the net to level it and from the puck out Denis O'Flaherty won possession and his centre was brilliantly struck to the next by Gerry Murphy who had replaced the injured

winning goal. This was a marvellous team effort and the training is really paying off for this junior team, but we still have nothing won and only an all out effort will suffice for the remainder of the championship.

Martin McCarthy for the

If everyone can get to the field and do a bit of training under the expert guidance of Ned Power and Tom McSweeney we may have a chance.

Tallow lined out on Friday night without the injured Philly Curley and Billy Curley, who was doing exams and we also lost Martin McCarthy with a nasty leg injury after about five minutes, but the character of this team is marvellous and the discipline in the team is really tremendous.

Tallow were best served on the night by goalkeeper grounds last Tuesday feat and about five tri-

Ryan brothers who finished in the full-back line, Aidan, Frankie and Con, Gary Ahearne tried his best at corner-back, before being replaced, while the half back line of Paul McDonnell, the tough tackling Martin Allen and the excellent David O'Regan hurled very well throughout.

We won midfield hands down with J. J. Henley and man of the match Gerry Hogan, who really stepped up his performance in the second half, when things got a bit tough. Denis O'Flaherty, Eamonn Power and team captain Martin McCarthy until injured, Con Ryan until he went full back and James Beecher troubled the Lismore fullback line all through. Michael Henley and Jerry Murphy made a generous contribution to a marvellous victory.

Our team that did duty and still remain unbeaten was - Seamus O'Brien, Gary Ahearne, Frankie Ryan, Aidan Ryan, Paul McDonnell, Martin Allen, David O'Regan, J. J. Henley 1-4 (2 frees), Gerry Hogan 1-1 (a goal from a free), Pat Sheehan (capt) 0-1, Eamonn Power 0-3, Denis O'Flaherty, Martin McCarthy 1-1, Con Ryan 1-0, James Beecher. Subs. Jerry Murphy 1-0 for Martin McCarthy, Michael Henley for Gary Ahearne.

Michael Sheehan (inr.) was the first winner of the Teddy Bear, the rest of the results will be published next week.

An important committee meeting will take place on Thursday night next in the Hotel at 9.15 p.m. All committee members please note.

ST. CATHERINE'S G.A.A.

St. Catherine's junior footballers had an overwhelming victory over an team at Copperalley

Catherine's team was -P. Murphy, M. Walsh, B. Regan, S. Neville, K. Barry, D. Buckner, J. Spillane, P. Sullivan, D. O'Leary, B. Carr, P. Donoghue, C. Casey, T. O'Leary, S. Buckley, E. Sheehan. Sub. - S. Hickey for P. Sullivan.

Junior Hurling League Game At Riverstown -St. Catherine's 1-9 Sarsfields 0-7 — On Friday night at Riverstown, Catherine's tacked on a further 2 points to their league total when they defeated Sarsfields in a thrilling game of hurling from start to finish.

Both teams in with a chance in the intermediate championship served up a good exciting game, and Catherine's making better use of the opportunities which came their way, were victors at the finish.

The Catherine's team was P. Murphy, P. Sullivan, M. Hartnett, B. Neville, E. Hartnett, D. Buckner, J. McCarthy, J. Spillane, J. Buckley, C. Clancy, D. O'Leary, P. Donoghue, J. Hartnett, B. Regan, P. Clan-

Kilbrittain - On next Sunday evening at Pairc Ui Choimh the above teams will cross camans in the intermediate hurling championship. Kilbrittain, with a couple of representatives in the present Cork junior hurling team have reached the county final in the last two years, which means they will have gained invaluable experience, and will be approaching Sunday's game with a certain amount of optimism. Catherine's on the other hand are in the intermediate grade since they won the junior in 1983 and had understrength Youghal mixed luck in the higher grade and with only one deumphs to date in the current league they too are going into the game with great hopes. They are hurling well and with good commitment to the training sessions and expert advice from the coach and selectors it should be a great game and hopefully a win for Catherine's.

Our best wishes to Pa Barry, an active member of Conna Community, for a speedy recovery from his recent injury.

St. Catherine's U-14 hurlers travelled to Cloyne last Saturday to engage in a hurling tournament which brought them into contention with Youghal and after a close encounter they just lost by two points.

DRAGHUNT AT BALLYNOE

The annual Draghunt was held at Ballynoe recently and brought a hosting of lovers of that sport to the village and as bookmakers attended it added glamour to the occasion. 32 dogs ran in the A race and Northern United's dog at 4/1 came home first, with the favourite dog at evens from the Wolf Tone's Club just pipped at the post. The B Race was won by the Northern hunt dog at sixes and he was followed in by the Mayfield dog. 36 runners lined up for the B

LATE MRS. MARY (MAI) McCARTHY

The death took place on Sunday last, June 3 of Mrs. Mary (Mai) McCarthy, Church Street, widow of the late Willie McCarthy, who was a well-known business man in the town up to a few years ago. A native of Lismore (nee Healy), the late Mrs. Mc-Carthy lived in Cappoquin for the greater part of her life. Our sympathy is extended to her sons and daughters and other relatives.

LOTTERY WINNER Congratulations again this week to Miss Betty Lawlor, Castle Street, on winning £10,000 when she "spun the wheel" on last Friday night.

ANNUAL OUTING Hundreds of people from the area made the journey to Thurles on Sunday (a few even left on Saturday evening). Once again the result was bitterly disappointing, our county hurlers being outclassed by Cork. Nevertheless it was a nice fine day for the trip with conditions ideal for hurling. We left for home once again wondering when that elusive breakthrough is going to come.

For local selector, Ollie Wilkinson, it must be galling indeed after years of hard work. However, 1991 will bring new hope and no doubt the supporters will travel again as they have done every year as St. Catherine's v. long as one can remember.

> REGATTA What is probably Cappoquin's oldest sporting event, the Annual Regatta, took place last Saturday. As always the event attracted a big crowd. The main interest centered on the Men's Open Fours which featured the highly successful composed crew comprising of oarsmen from Cork Boat Club and Cappoquin R.C., the Murray brothers, Pat and Milo being the local representatives. This fine crew have very few equals in the country at the moment and so it proved on Saturday when they pulled away to win from Clonmel R.C. and St. Michael's.

There were many other exciting races, including the Men's Senior 4, which was won by Fermoy R.C.

AFFANE BRIDGE CLUB A.G.M.

The above was held on Monday, May 28 and the following officers were elected:

President — Lil Costin; Vice-President — Addie Buckley; Hon. Secretary -Ben Flynn; Treasurer — Mary Radford; Tournament Director — Claire Meaney; P.R.O. — Brid Bergin; Committee - Fr. Barron, Patricia Doyle, Rebecca Keevers, Pat Keevers, Kathleen O'Mahony, Monica O'Sullivan and Monica Walsh.

Summer Bridge will be held in Affane Hall every Monday night at 7.30 p.m. There will be an open draw - all are welcome.

CAPPOQUIN/AFFANE G.A.A. NOTES

I.F.C. v. Faha - Our intermediate footballers were beaten by Faha in their championship clash in Dungarvan last Saturday night. Faha must be counting their lucky stars that Affane left their shooting boots at home. We literally owned the ball for that first 20 minutes but scorned every scoring chance that came our way. We should have at least 2-9 on that scoreboard at that point in the game, but had to settle for just 3 points at half time to remain level with Faha.

We had a player sent off early in the second half and their extra man finally told in the last ten minutes as Faha tacked on a succession of scores.

In retrospect, too many of our players played below par. Brian Murray at centreback was our outstanding player with the Costin brothers, Eamonn and Liam, also starring, with Miceal Phelan also having a blinder. There is no doubt that a big improvement is needed for our next match against the Geraldines. This game will have to be won or we are out of the championship. We have three weeks to prepare so let us see everyone in the field for training on Tuesday and Thursday nights.

Team — L. Costin, M. Reddy, M. Killigrew, E. Costin, J. Buckley, B. Murray, M. Ormonde, M. Phelan, T. Mansfield, P. J. Veale, J. Greaves, K. Veale, D. Cummins, P. Curran, M. Power. Sub. — S. Costin for M. Ormonde.

U-14 Hurling v. Ardmore — Our U-14 hurlers meet Ardmore in the field on this Wednesday evening, a win here would be a welcome boost for our youngsters and would bring them a stage further in the championship. Our side is on the young side and small in stature, but what they lack in inches they make up for in heart and never say die spirit.

Gate Collection Rota Gate collectors for this week, June 3 - 9 are M. Fraher, J. Mansfield and P. J. Veale. On gate duty next week, June 10 - 16 will be E. Costin, M. Morrissey and M. Power.

Forthcoming Fixtures - Some important forthcoming club fixtures we request players to take note of: June 16 — Junior hurling; June 17 - Senior hurling v. Clonea; June 23 Intermediate football v. Geraldines.

Disappointment — Disappointment for the large contingent of local supporters who travelled to Thurles last Sunday as Cork beat Waterford in the Munster championship. The Deise men could never repeat the glory performances of last year.

THIS WEEK'S QUESTION

Which famous healer is buried in the old Affane Gravevard?

Answer next week. Answer to last week's

question: The Desmond. **ANNUAL EXAMS** ORDEAL

The annual ordeal of the school examinations is again with us, with our local students preparing to do battle with the Group, Intermediate and Leaving Certificate examinations. We are all well aware of the great pressure under which students must labour and we wish then; all the very best of luck in all exams.

than some people around you. Very interesting time in family life with unusual visits, perhaps from friends/relatives you've not seen for some time. Be on guard against a false estimate - there will be

Fairly even phase with large financial possibilities, some concerned with investments or other ventures. Mid-week, your mood changes, making you more restless and lively. Ideally you need to mix with a varied crowd. There could be a short separation from someone you love.

Don't be vague with other people's money, or you'll get into trouble. Now's the time to say 'yes' to a new venture. Start planning summer activities, especially in the garden. Unusually good tendencies point to beneficial adjustments of

Someone may make a big impression on you. You may be depressed for no good reason, but a stroke of luck in mid-week should soon snap you out of your mood. Finances are better than expected. Matters affecting the next three months can be finalised satisfactorily, on Thursday.

Be very cautious during the weekend; a muddle over dates will produce some cross words. Soon you'll be able to clear an outstanding debt. Although you are friendly, you could arouse hostility in one direction. Mail from relatives and friends looks interesting because of altered

Things could drift, and a plan that seemed definite will now start to go away. But you should still feel more optimistic, because a new idea will brighten your life. Financially, you cannot get what you want, unless you put yourself in debt.

Good week for redecorating and repairs at home. If you're young, a friend may get too friendly. Put a stop to it. Monday and Wednesday both contain an element of luck. Much reduction of problems leaves way clear for plans to proceed.

A careless and extravagant mood at the weekend could be followed by guilt and worry. Good time to be busy among a group, especially linked with charity. Wednesday brings a delicate stage in current interests, preceeding a swing in your favour. Curb expenditure as some unexpected expenses are bound to crop up by the month's end.

A go-ahead week, much happier than the recent past. There could be some good luck to do with work and money; but, everything depends on consistently determined effort. At home, a member of the family will have some happy news.

Peak level exists for material interests, including unexpected advancement of a special project. Extra effort will certainly pay off now. You could be lucky, romantically, this weekend. Urge caution on someone who is being too hasty. If there's artistic talent in the family, now's the time to develop it.

At the weekend there's a great indication of success - in sport and romance. Long-term issues come in for new consideration; general settlements favourable. A week to stretch your brain and unravel several knotty problems. Beware of losing papers.

Top conditions exist for all interests. Act where changes are contemplated. Anything of financial importance works out better than anticipated. You can win the approval of someone who matters. At home there could be bickering, so it's best to keep out of the way. Don't be held back by a less eager friend.

The world's largest desert

MANY people think of a desert as a large flat piece of land, covered in sand - but that can be far from the truth.

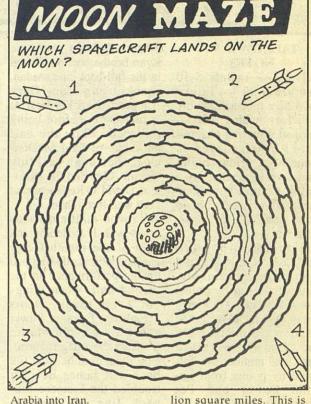

The world's largest desert, the Sahara in North Africa, has many mountains, some rising to more than 10,000 feet. That is higher than any mountain in Britain and a third of the height of Mount

For part of the year these desert mountains will even

be covered in snow. In fact the whole of the desert gets very cold at night and heats up rapidly during the day.

Wilderness

The name Sahara in Arabic means "wilderness", and in this case the wilderness stretches right across Africa from the Atlantic Ocean to the Red Sea. From east to west it reaches more than 3,000 miles. East of the Red Sea, similar conditions continue through Saudi

Arabia into Iran.

Estimating the width of the desert, from north to south, is more difficult. The desert does not just stop suddenly and become a forest (even though many people picture Africa as one giant jungle).

Instead the desert conditions disappear only gradually as you travel south, so although individual countries have their set boundaries, the desert does not.

However, the Sahara is never less than 1,000 miles from north to south and therefore must have a total area of more than three mil-

lion square miles. This is almost as big as the entire United States

Rainfall

Because the Sahara is near the Equator, it is one of the hottest regions of the world during the day, with temperatures reaching more than 100 degrees each day. It usually rains on only 17 days each year, so there is no chance of cultivating the ground for crops.

But when it does rain, pretty flowers and herbs grow very rapidly and then disappear almost as quickly as they came - until the

Brilliant County Fleadh Cheoil

The ever increasing popularity of traditional Irish music was never more evident than in Dungarvan over last week-end during Fleadh Cheoil na nDeise.

From the splendid reception at the official opening on Friday night a wonderful atmosphere developed which was evident throughout the events over the four day festival. From the Aifreann na Gaeilge in the Parish Church on Friday night, the well-run competitions on Saturday and the various singing and music sessions, the great ability of the organising committee and the commitment of the Naomh Padraig Branch of Comhaltas was very evident indeed.

The many contacts made over the years proved invaluable in attracting performers from all over the county.

Lawlor's Hotel was packed to capacity for the workshops and ceilithe. It was interesting to see numbers of foreign visitors gathered round young per-formers as they played with such natural spontaneity on the street or on the platform at the Square.

For those who thought everything was finished on Sunday night, Monday was indeed a surprise when even more musicians arrived to bring the fleadh to a brilliant conclusion in the early hours of Tuesday morning. As one visitor

said — we'll be back to the Waterford Fleadh next year

- this has been a most enjoyable weekend.

Abbeyside Scout Notes

CUB NEWS

Last Saturday week, well over one hundred cubs and their mothers gathered in Mount Melleray Scout Centre to take part in the first "Mother and Son" camp to take place in the region, people came from Tallow, Dungarvan, Abbeyside and Cappoquin to take part in the fun and craic which was to rival the father and son camp.

Saturday was a full and varied programme of games from treasure hunts to slippery soccer. Saturday night brought back child-hood memories to the mothers as they played a number of street games, such as, skipping, hop scotch and elastics, later that night waltzing was top

of the agenda with Austin, Pad Joe and Tom feeling the worse for wear by the end of the night.

Sunday was most relaxed with a quiz trail and then a game of soccer for the boys while the mothers took the sun and chatted for a while. Immediately after dinner an exhibition of Tae-Kwan-Doe was put on for our benefit, although I think some of our cubs already have black belts in karate, after this we ended the weekend with Mass, celebrated by Fr. Tom Rogers and after Mr. Willie Gallagher thanked everyone for their co-operation over the weekend with a special word for Martin Thompson's catering crew from Ballincollig, who served top class meals, it was off home for a well earned rest. — Scribe.

Tralee Winner For Dungarvan Trainer

Dungarvan trainer John Queally saddled his second winner when Mr. D. Kinsella's Cock Cockburn ridden by Colin Magnier landed a gamble in the Bumper at Tralee races last Monday. Backed down from 5/2 to 5/4 Cock Cockburn recovered from a slip that almost brought him down going into the straight and was in total control over the last furlong.

The stewards inquired into possible interference at the final bend but the result stood as they finished.

In Memoriam

AHERN — Tenth Anniversary
— In loving memory of Maureen, late of Kilwinny, who died
June 7, 1980.

(Always remembered by her

(Always remembered by her loving family.)

CROTTY — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

God saw you getting weary, A cure was not to be, He put His arms around you, And whispered come to me. So keep your arms around her, Lord,

And give her special care, Make up for all she suffered, And all that seemed unfair. We prayed for a miracle, but all in vain,

For God to make you well again,

again, We tried to smile and help

you along, Knowing tomorrow you might be gone,

We laughed out loud but sobbed inside,

For the awful truth we had to

hide.

We seldom ask for miracles,
But today just one would do

But today just one would do, To leave the door wide open, And see you walking through. There comes a time for all of us,

When we must say goodbye, But faith and hope and care and trust,

Can never, never die.
Although the curtain falls at last,

Is that a cause to grieve,
The future's fairer than the
past,

If only we believe.
Trust in God's eternal care,
So when the Master calls,
Let's say that life is still more
fair.,

Although the curtain falls. (Never forgotten by her loving daughter Pearl, Willie and family.)

CROTTY — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

As down the road of memories,

We gently tread today, Our loving thoughts are with you,

As life goes on its way.

Time may heal the heartaches,

Like the smile that hides the tears,

But happy memories keep you close,

Despite the passing years. (Sadly missed and never forgotten by your loving daughter Eileen, Maria and John Paul.)

CROTTY — Eighth Anniversary
— In loving memory of my dear
mother, Margaret Crotty, 51
Congress Villas, Dungarvan,
who died on June 7, 1982.
B.I.P.

She never failed to do her best, Her heart was true and tender, She worked and toiled for those she loved,

And left them to remember.
(Always remembered by Ann, Joe and family.)

CROTTY — Eighth Anniversary — In loving memory of our dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

We sat beside your bedside, Our hearts were crushed and sore,

We did our duty to the end,
'Til we could do no more.
In tears we watched you

sinking,
We watched you fade away,
And though our hearts were
breaking

We knew you could not stay.
You left behind some aching hearts,

That loved you most sincere, We never shall and never will.

Forget you, mother dear. (Never forgotten by John and Joseph.)

CROTTY — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

There was no way we could have known how ill you were that night,

And when you said "I'll not come back," your words were true and right.

And even then you knew yourself you'd not return home,

And in a short time later, you left us on our own.

So now this house feels empty, Mam, as empty as your chair,

Because it was your favourite, you were always sitting there, But God is good, He knows

what's best, He called you to His side, the

night that you were dying and the morning that you died.

(Never forgotten by your daughter Kathleen, Locky and family.)

CROTTY — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982, R.I.P.

What she suffered she told but few,

She did not deserve what she went through,

Tired and weary she made no fuss, But tried so hard to stay with

us. I sat beside your bedside,

My heart was crushed and sore,

I did my duty to the end,
'Til I could do no more,
In tears I watched you sinking,
I watched you fade away,
And though my heart was
breaking,

I knew you could not stay.
You left behind some aching hearts.

That loved you most sincere, I never shall and never will, Forget you, mother dear. (Inserted by her daughter Breda, Paddy and family.)

GREANEY — Twenty-third Anniversary — In loving memory of my dear father, Tom Greaney, late of Stephen Street and Congress Villas, Dungarvan, who died on June 7, 1967.

Will those who think of him today,

A little prayer to Jesus say.
(Always remembered by your daughter Eileen, son-in-law Amby and grandchildren Francis, Stephen, Ambrose and Judy.)

KEOHANE — Ninth Anniversary, also wedding anniversary — In loving memory of my dear husband, Andy Keohane, 48 Cathal Brugha Place, Dungarvan, who died on June 8, 1981. R.I.P.

If I could have just one wish, Here's what I would say, I'd ask to have my love

back,
Just like the good old days.
I never ask for miracles,

But today one would do,
To have my front door open,
And to see my love walk
through.

A husband is a special gift, One you think will stay, You never dream the day will

come, That he will pass away. We never said goodbye,

love, Perhaps it was just as well,

I never could have said goodbye, To a husband I loved so

(Never forgotten by your loving wife, daughters, sons, grand-children, sons-in-law and daughters-in-law.)

KIERNAN — Eleventh Anniversary — In loving memory of my dear father, Peter Kiernan, 14 New Street, Lismore, who died on June 3, 1979. R.I.P.

Two tired eyes are sleeping, Two willing hands are still, The one who did so much for

Is resting at God's will.
(Sadly missed and never forgotten by your loving son Peter, daughter-in-law Jackie and grandchildren Vicky, Robert and Adam.)

The family chain is broken
now,

But memories last forever.

have left,
Of a father we loved and will

never forget.

The death took place at Ardkeen Hospital on Thursday, May 13, of Mr. Matt Gough, Chapel Street, Lismore. Although he had been in ill-health for the past few months, his death still came as quite a shock to his family and friends.

The Primary Schools hurling team were defeated by Abbeyside last Tuesday evening in Abbeyside by 6-4 to 2-8. We play the same opposition in the final on this Wednesday evening in Cappoquin at 7 p.m. A major improvement in our play will be necessary if we are to revenge last weeks defeat.

Tony Scanlon and Michael Drislane are on the West Waterford U-14 football panel for the annual John O'Regan Trophy game in Kill on Saturday next.

Congratulations to John Twomey on winning the West Waterford Primary Schools hurling skills award, individual prize, in Ardmore last Wednesday evening. He scored a total of 49 points out of a possible 50 and this was a fantastic achievement. The local school was placed third in the team award only one point behind the winners, Lismore. The other team members were Brendan Hannon, Patrick

Tom Feeney and Molumphy.

The intermediate footballers will play Shamrocks in Tallow on Saturday night next at 7.30 p.m. in the second round of the championship. We need to win here to remain in the race for honours. Players to be present at 7.15 p.m..

The senior hurlers will play Fourmilewater on Sunday week in Dungarvan and Dungarvan in Cappoquin on Sunday, July 1. We will play Portlaw in the semi-final of the Sar-

Two of our players Seamie Daly and Paudie Prendergast were in action and acquitted themselves well.

Three Dungarvan Friary Boys Graduate In U.S.

Four years ago, four Leaving Certificate students from St. Augustine's College were awarded scholarships to Mercyhurst College, Erie, in the U.S. State of Pennsylvania. The connection to St. Augustine's came through a past pupil, Michael Kelly, son of Michael and Mary Kelly, formerly of Monang, Dungarvan, who himself graduated 'Summa Cum Laude', and 'Carpe Diem' Award winner in 1989. Michael was the first Irish student to avail of the John F. Kennedy scholarship programme, and then brought the Director of Admissions, Mr. Andrew P. Roth, to Ireland. Together they visited six secondary schools, including St. Augustine's, and so the scholarship programme took off. It has grown over the last few years to the point where there are now nineteen Irish students receiving quality education at Mercyhurst — including eight boys from St. Augustine's College.

Present at the recent twoday graduation ceremony were Fr. P. Moran, Headmaster, St. Augustine's College, Fr. Michael Brennock, formerly of St. Augustine's and now at the Church of St. Pius V, Buena Park, California both were guest con-celebrants with the Most Rev. Michael J. Murphy, Bishop of Erie at the Baccalaureate Mass on Graduation Day. Also present were parents Ion and Yvonne Power, Kilminion, Dungarvan, Kathleen Deasy, Kilrush, Dungarvan, and Josephine

This was the end of a dream and a proud moment for parents, and all present, to see three Friary boys among the class of 270 being conferred with Degrees of Bachelor of Arts John Deasy in History and Communications, Roderick Power in Business and Marketing, and John Melody in Hotel, Restaurant and Institutional Management.

Melody, Tournore, Dun- Kelly, this gives St. Augustine's an 80% graduation record. Only 46% of any class graduate at Mercyhurst. The Friary students have also played major roles in College activities. Rod Power was Vice-President of Student Government, John Deasy was Sports Editor of the College Newspaper in his final year, and got a special award for his work, while John Melody received two Senior Athletic Awards for golf and

> After graduation on Sunday, May 20 last, Dr. William P. Garvey, President of Mercyhurst College held a special dinner party for all Irish students, their parents and Irish visitors, at his own house. At dinner he told Fr. Moran that he is so happy with the progress of the Friary boys to date that this year Mercyhurst are only recruiting from St. Augustine's College, Good Counsel College, New Ross, and St. Enda's, Limerick. So, let's hope some more Friary boys or girls can "Carpe Diem" - seize the opportunity.

CAMOGIE

Waterford Go Down Badly

Cork 4-13, Waterford 1-2

When, if ever, someone decides to write the history of Waterford Camogie, this game and/or this performance will not feature. Yes, questions will be asked, indeed, must be asked, and perhaps even more important, answers must be given. I, myself was set one such poser immediately after the game on Saturday week. Chatting with Mrs. Mary O'Callaghan, President of the Camogie Association, herself a Cork lady, she asked me quietly what happened to last year's Waterford team? There-in lies the story of this game.

The display in this game bore no resemblance whatsoever to the refreshing performance against the same opposition 12 months ago, again on Cork territory. The team, either individually or collectively, never showed the spirit, passion or confidence so necessary at this level. Playing to no set plan and with a complete abandon of game discipline, they performed like a team that considered victory beyond them. Much too loose at the back, with little or no cohesion around the middle of the field and a complete lack of understanding and penetration up front, left the girls fighting a losing cause all the way.

It must be said for one reason or another, the actual lineout differed somewhat from last year. This too must be a contributory factor to the overall result. Readers will ask what now? but what some readers at least will not know is that Waterford camogie throughout the county as played each week deserves better results. We don't have the clubs to match the "big guns" for selection and, yes, until very recently our National Schools did little to promote our Irish past-time and even as I write, few if any of our Secondary Schools help in a practical sense. All very important areas which must be addressed sooner rather than later, but none of which we can give as an answer to the question asked by Mrs. O'Callaghan.

Perhaps with the Regional College showing the way, others may follow and so bring on stream a greater number of players, ready and willing to wear the county colours.

Perhaps others will not see the efforts of Bishopstown quite as dismal. They will tell you that Mary Murphy in goal made some fine saves, that Siobhan Coghlan at full back made some lengthy clearances, that Catriona Caples and Geraldine Kennedy

tried hard at half back, as did Niamh McMahon in a variety of positions, with Orla Flynn betimes doing some nice things. The 14 year old Elaine Mahony injected some life into the proceedings when introduced in the second half, but all in all, this is one day when Waterford camogie did not do itself justice and hopefully the questions will be asked, and the answers found and acted upon.

The Waterford team — Mary Murphy, Siobhan Coghlan, Geraldine Kennedy, Catriona Hutchinson, Catriona Caples, Sinead O'Sullivan, Niamh McMahon, Maud Cunningham, Catherine Whitty, Orla Flynn, Mary Lonergan, Anne Piper. Subs — Elaine O'Mahony for C. Hutchinson, Carmel Murphy for Mary Lonergan, Orla Brady for Sinead O'Sullivan, and Brenda

FEILE NA nGAEL

In brilliant sunshine at McGrath Park, Tramore, seven teams fought all they knew to win the honour of representing Waterford in the Feile Na nGael proper to be run off at Thurles early this month.

Tallow's journey back to the far West was all the happier as they took with them the trophies for winning the losers group when they overcame a gallant Erin's Own effort.

In a tight and exciting first semi-final, Butler-stown edged out St. Saviours and so set themselves up nicely for the final. The second semi-final saw an experienced Lismore outfit outplay a very eager Tramore squad.

The final was a great game, with Butlerstown coming out on top in the end

Stephen Spratt Takes Snowcream 3-Day Classic

After a final stage of fluctuating fortunes 24 year old Dungarvan cyclist, Stephen Spratt, riding with the Waterford Club, won the Snowcream 3-Day International Classic Race in Waterford last Monday.

At the finish he had 31 second to spare over Philip Cassidy (Eastern Region) with David Wilson of Ulster C.F. at 1.08.

In the morning time trial, David Hourigan clocked the fastest time of 15.23 for the 7.2 miles to Dunmore East and this was just enough for him to snatch the lead form Kevin Kimmage by a second with Spratt third eight second behind.

The final stage of 71 miles went to Donie Conroy of Eastern Region from Jeff Snoddin of the English East Midlands but Spratt finished with Cassidy three minutes and 14 seconds ahead of Hourigan and Kimmage so Spratt was the overall winner.

Stephen is now going to France where he will compete for the next month.

Final Overall — 1, S. Spratt (Waterford) 11.01.37; 2, P. Cassidy (Eastern Region) 31 secs.; 3, D. Wilson (Ulster F.C.) 1.08; 4, J. Snoddin (English East Midlands) 1.14; 5 P. UNDER-11s ADVANCE TO NEXT ROUND

Railway 3; Johnville 0

On Thursday night last we made our second trip in a week to Johnville, on the last visit we were beaten by 3-2, that was in the league.

We started well playing with a breeze and a slight hill so we put the pressure on Johnville straight from the off. Within ten minutes Diarmuid Coughlan got a great individual goal. Our midfield were in great form and Niall Maher was outstanding at the centre of the defence. The half ended 1-0.

In the second half we continued to keep the pressure on — we got our second from a James Mahionan corner and Niall Maher made no mistake to make it two nil. Six minutes from the end Darragh Wilkinson got a great goal from outside the box. So we have Southend at home on Mon-

PLAYER PROFILE: PAUL ORMONDE

Paul has been with us for the past five seasons. He is currently on the Under-16 panel. Paul is a very versatile player, he plays up front and has a lot of important goals to his credit. Paul is a very genuine young lad, he always gives 100% in training and playing and nothing is a problem to Paul. He lives in Cappoquin with his parents. He likes the odd game of 45.

Dungarvan took an early lead after 10 minutes when a low cross was deflected into the net by a W.L.R. defender and went two up when centre-half, Martin O'Sullivan headed home from a high cross.

But W.L.R. came back and piled on the pressure and were rewarded with a penalty which John Power con-

In the second half Dungarvan introduced veteran Jimmy Healy, but it was W.L.R. who came back and John Power scored his second goal to level it at 2-2.

play Cappoquin in the championship in Abbeyside at 7.15 p.m. This it seems is a crucial game for the Reds, because a win here should see them qualify for the later stages, which would possibly be history making for our second team. Let's give it a good try.

DEEPEST SYMPATHY

It was with deep regret and sorrow that all club members learned of the death of Mrs. Hickey, Carrighilla, which occurred

last week. The late Mrs. Hickey had been associated with the club from day one and was never one to miss a card game or a function and attended the club every weekend. The Hickey family have always been associated with the club and are after holding every office within the club. On behalf of all members we would like to express our deepest sympathy to Margaret, Breda, Catherine, Tom, Pat and Richard and their families, on their sad bereavement. May she rest in

EXCITING WIN

Our Under-14 hurlers had a great victory over Kilrossanty in the championship on Monday night last on the score of 8-3 to 2-0 played in Lemybrien. This victory sees our Under-14s qualify for the later stages of the championship which is a great achievement for all concerned.

Sean Phobail finished level (0-7 to 1-4) with Kilgobinet in the first round of the junior football championship played at Brickey Park. We got off to a good start with a point from T. Hogan after five minutes and while we dominated play for the next ten minutes we only had 3 points to show for

into the game and scored 1-1 to leave them 0-1 in front at the break. We made some switches at half-time but Kilgobinet went further ahead by 3 points after fifteen minutes before we again got going and notched a few points to level the scores. We should have gone in front but for some faulty shooting by our forwards. However a draw was a fair result but we have a lot of hard work in front of us to quality for the knock-out rounds.

THURLES TRIP

We brought two juvenile teams to Thurles last Sunday for the Munster hurling championship games. Before that however the boys were in action themselves against Thurles Sarsfields in games arranged in conjunction with Bro. Hickey, who is now based in Thurles after his time with us here when he won county intermediate hurling honours in the blue jersey.

A special word of thanks is due to the chairman of our adult club, Paddy Fitzgerald, who travelled with the boys and supervised them throughout the day. An onerous task admirably accomplished by Paddy.

JUNIOR

FOOTBALL TIE

As I write another important championship fixture for the junior footballers has been confirmed.

On Friday evening (7.30 p.m.) we play Shamrocks in Lismore bidding for a hat-trick of wins. We should accomplish it too but we would not want to underestimate the Knockanore challenge.

INJURED

Our unluckiest player when it comes to injury is unquestionably Guikey Ferncombe who fractured his thumb in last weekend's junior football championship win over Clashmore.

A player of lesser commitment and loyalty to the club might have been tempted to pack it in by now, yet Guikey can't wait to return to the action. And we can't wait either to see him back in the blue jersey.

SORRY PADRAIG We had a name mix-up last week when referring to the C.B.S. Under-9 hurling final at Fraher Field.

We stated that the winning team was captained by Padraig Connery but this should of course have been Padraig Conroy. Sorry for the error Paul. However In a closely contested first whatever the name you half we had some gilt were an inspiring captain.

DUNGARVAN UNITED SCHOOLBOY NOTES

Good Cup

So with our U-12 and U-14 sides through to their respective cup finals on Saturday next and with our U-13 side in their semi-final and our U-16's unlucky to be beaten 1-0 in their semi-final replay, our schoolboys are keeping the great club tradition in cup competitions alive. If they show the same dedication, commitment and will to win as they have already shown in the past, then hopefully they will be rewarded with a trophy or two before the season ends.

TWO CUP FINALS

Next Saturday in Ozier Park our U-12 side play Ferrybank at 10.30 a.m. and our U-14 play Southend at 11.45 a.m. in the cup finals. A coach will leave the clubhouse, Kilrush, at 9.15 a.m. sharp and we would appreciate support, especially from the adults. Anyone who intends travelling should give their name to any schoolboy committee member by Thursday.

Saviours On Top

St. Saviours 2-11, Nire 1-8

[By "Commentator"]

St. Saviours, who are still comparatively new to senior football, took their first trophy in the top grade when they defeated the Nire in a rather scrappy senior football league final at Fraher Field on Friday evening last. Apart from a sprinkling of supporters of both sides, the game was watched by only a very small attendance. A feature of the game was that 19 of the 22 scores came from play and some of these were excellently taken.

championship prospects by their displays and certainly the Nire showed that they have a lot of improving to do if they are to contest another county final. The winners were the better team, even though they showed signs of tiring towards the finish.

At half time Saviours, having played against the breeze led by 2-5 to 0-3 and when they extended their lead to ten points shortly after the turn-over, they looked all set for a runaway victory. To their credit, the Nire fought back and went within a couple of goals of the winners before the final whistle went.

Scorers — Saviours: J. Wyse 2-1, P. Twomey 0-4, L. Daniels 0-3, G. McCormack, T. Corcoran and M. Corcoran 0-1 each; Nire: Michael Ryan 0-4, R. Guiry

To mark the winning of a record number of four Munster championships — two hurling and two in football this year, the Board of the Colleges in the county brought together the boys who captained the winning teams, as well as the captains of the ten winning school teams in the home championships and several officials of the other branches of the G.A.A. to a very enjoyable function at Lawlor's Hotel on Monday night of last week.

SENIOR FOOTBALL

On Sunday afternoon next we travel to Walsh Park to take on Gaultier in the fourth round of the senior football championship. We shared the spoils when we met last year but the defeat of the eastern side is well within our capabilities.

PRIMARY SCHOOLS **HURLING FINAL**

Certainly it's all happening at Abbeyside N.S. these days, following their victory in the 7-a-side football competition and the selection of D. Hayes and M. Hickey on the Munster 7-a-side panel, attention now focuses on the hurlers who have qualified for the West Waterford Primary Schools (B) final, which takes place to-night (Wednesday, June 6) at Cappoquin at 8 p.m.

Abbeyside's opponents in the Corn ns mBraithre final will be Ballyduff Upper N.S. Although we will start as rank outsiders, the tremendous work that Pat Whyte and Eddie O'Halloran have been doing with the boys, could see us spring a shock result.

U-14 HURLING

The U-14 hurlers defeated local rivals Dungarvan in the first round of the divisional championship on last Monday evening week, in the process reversing the result of the "Feile" competition, when the 'Old Boro' side came out on top.

COMMUNITY **GAMES**

We captured the County U-14 Community Games title last Friday evening in Ballymacarbry, when we accounted for the locals. We now go forward to the Munster series where we will represent Waterford an achievement which the club is very honoured to be associated with.

On this Friday evening at our pitch, Ballymac' will be attempting to exact revenge for our win last week, when they play us in the final of the football competition, while we will be attempting to complete the

Next Week-End Fixtures

A full programme of senior football championship games as well as a list of divisional matches are down for decision over the coming week-end as the county returns to normality after the Munster championship semi-finals on Sunday last. Although the football championship has been disrupted because of intercounty involvement, Sunday's programme of matches is listed as round 4 and as such it means that most clubs are involved in the make or break stage and this should ensure that every one of the six matches to be played, will be a real contest.

KILMACTHOMAS v. STRADBALLY

I know of people who are going to eat their hats it this is not going to be the best game of the week-end. That's what it promises to be and I won't be surprised if it is not remembered as one of the best matches of the championship.

Under-14 Football

The following is the West Waterford Under-14 hurl-

ing team to play East Waterford on Saturday, June 9 at

match with Stradbally, but only by three points. Assessing the situation on the merits of these two matches

favourites chance.

Stradbally since defeated the Nire who were understrength on the day. They will be without Conor O'Brien who is out of the country on holidays, but will otherwise be at full strength with Eoin, Fintan and Liam O'Brien, Kieran Heffernan, Paul Mullaney, Noel Weldon, David Kirwan, Eoin Phelan, Tom Gough, Pat Curran and company and in opposing a side with players like, Dan Casey, Sean Behan, Ned and John Power, John Browne, Tom O'Connell, John Kelleher, etc., etc., they will face their biggest task to date. I believe that if Kilmac' can reproduce their splendid form against Butlerstown, they may just

about win. The game has been brought forward to Friday and will be played at Lemybrien, instead of Kill, which was the original

BALLINACOURTY v. GAULTIER

Ballinacourty will have to field without Ian Kiely, who was injured in a recent game and without Bernard O'Gorman and in the circumstances will find it hard to beat Gaultier with whom they drew last year.

Gaultier were recently well beaten by Dungarvan, but were understrength on the day. They will be at full strength here and must be strongly fancied to get the points

DUNGARVAN v. BUTLERSTOWN

On their present form, Dungarvan must be very strongly fancied to win this still pointless after two games. Dungarvan had a good win over Sliabh gCua in the first round, but have since been out of championship action because their players were involved with county teams. They are looking good for a place in the knock-out stages and it will come as a big surprise if they lose here.

DUNHILL v. SLIABH qCUA

No one will dream of opposing Dunhill in this one. They have played very well against Kilmacthomas and the Nire and unless they

bally won both giving them would put Kilmac' in with a show a lapse of this form they will beat Sliabh gCua who have been very much weakened since winning the intermediate title last

SAVIOURS v. TRAMORE

Any result other than a decisive win for Saviours would surprise here. Tramore were heavily defeated by Ballinacourty and Kilrossanty in earlier rounds and I don't believe that they can show the kind of improvement now, to beat such a high-powered side as St. Saviours who last week won the Phelan

CLASHMORE v. RATHGORMACK

This will be the feature game at Fraher Field on Sunday. They have both beaten Ballinacourty, but Rathgormack were the more impressive. They were close enough to beating Kilrossanty on Saturday last and having won the under-21 football title two weeks ago, they should be good enough to win here. This is very important for both, so a tremendous contest is in prospect.

Junio: **Football** Championship

Dungarvan 2-11 Clashmore 1-4

The result here puts Dungarvan way clear of the others in their group and they will next contest the final of the second string section in which they will meet Stradbally.

This second string football competition, with no fewer than five withdrawals, is something that clearly needs looking into before the championships get underway next year. It would arouse far more interest if played on a knockout basis.

Kilgobinet 1-4 Seana Phobal 0-7

A share of the points was well deserved in this sporting and very well contested game in the junior football championships. With a little improvement, both teams could expect to figure in the closing stages of this championship.

INTERMEDIATE **FOOTBALL** CHAMPIONSHIP

Faha 1-1, Affane 0-6

Looking at the above scoreline one would find it difficult to believe that it took the winners all of 24 minutes before their first score of the game was registered. In fact, there was no score for the first fifteen minutes until Affane opened with a point. It wasn't until the final fifteen minutes that the game

really took off and during this time, Faha took over after Affane had missed many chances.

A goal by Johnnie Troy minutes before the finish gave a flattering appearance to the final score, but there could be no doubting that Faha were the better side and they now have full points from their two games so far. Kieran Power, their of the match.

Affane who had a player sent off, finished with fourteen players.

JUNIOR HURLING CHAMPIONSHIP

Tallow 5-10, Lismore 4-10

This game was switched to Lismore by mutual agreement and attracted quite a hosting of supporters from both clubs. All the way it was an entertaining game, with Lismore showing to be slightly the better top scorer, was the man side until near the closing stages when a very late Tallow rally brought two unexpected goals to leave them winners.

Referee: J. M. Kelly.

MUNSTER SENIOR HURLING SEMI-FINAL

Disappointing Display By Waterford

CORK 4-15 WATERFORD 1-8

As a contest this much publicised Munster semi-final was a great disappointment to the thousands of Waterford supporters, many of whom had travelled to Semple Stadium, Thurles, confident that we would beat Cork and earn a place in the Munster final against Tipperary or Limerick on July 15.

Cork, who had been given little chance by very many of our supporters played way beyond expectations and Waterford of whom much had been expected played poorly and far below expectations. This made for a sixteen point scoring gap at the end of the game that was decided soon after the restart when Hennessey and Fitzgerald added further goals to increase Cork's lead to eleven points and with 25 minutes of wind advantage remaining. And so in contrast to last year's game and the euphoria following our defeat of Cork in the replay, our huge support left Thurles depressed and dejected and no doubt wondering about our future

in hurling.
POINT LEAD

We won the toss and decided to play with the very strong breeze which blew into the town end but Cork from a 45 seconds free took a point lead when the free was converted by Anthony O'Sullivan. Noel Crowley and Kieran Delahunty pointed frees to give Waterford a brief and slender lead. Then a fourteenth minute goal by Kevin Hennessey who snatched a mishit free by O'Sullivan, shocked Waterford. However, we still

showed signs of recovery, Shane Ahearne had our first score from play in the 15th minute but again we were shocked by Fitzgerald's goat when he hit a rebound from the upright. Despite this, Waterford hit a few balls out of defence, but which unfortunately went nowhere because of the sheer inability of our forwards to penetrate the superb Cork defence. At half time when Cork, having played against the breeze, led by 2-4 to 0-6 the signs looked ominous.

Goals by Hennessey and Fitzgerald both within ten minutes of the restart put the match out of reach of Waterford. Several switches were made which brought Damien Byrne from full-back into attack and Shane Ahearne out to the half-forward berth in a switch with Liam O'Connor who was making no progress in this position. Jimmy Beresford moved into the full-back position and Daithi Foran, whose transfer to attack was not a success, was moved back to the corner.

Substitute Dermot Henley got our only goal of the game in the 50th minute but it was then too late to spark off a resurgence in a defeated team. In the second half Cork

Waterford replied with only 1-2.

Scorers: Cork — G. Fitzgerald 2-3, K. Hennessey 2-3, A. O'Sullivan 0-3, M. Foley 0-2, S. Mc-Carthy, B. Sullivan, J. Cashman and P. Buckley 0-1 each. Waterford - D. Henley 1-0, K. Delahunty 0-3, N. Crowley 0-2, S. Ahearne 0-2, L. O'Connor

added a further 2-11 while Irwan, S. McCarthy, J. Cashman, C. McCurkin, P. Buckley, T. McCarthy, A. O'Sullivan, B. O'Sullivan, D. Quirke, G. Fitzgerald, K. Hennessey, M. Foley.

SENIOR FOOTBALL CHAMPIONSHIP

Kilrossanty Best In Robust Clash

KILROSSANTY 2-7 RATHGORMACK 0-12

This was a game that called for very strict handling as it was the explosive type of match that went within a hairsbreadth of boiling over when tempers became strained at times. It would be misleading to write that it was strictly handled by referee John Power, Dunhill, who was over lenient in dealing with over robust tackling and charging.

Rathgormack had three points on the scoreboard before a Pat Brazil shot

went over the line to give Kilrossanty their first score in the 14th minute. The score was disputed by Rathgormack who claimed that the goalkeeper, who caught the ball, was not over the goal line. One minute later Jim Maher made no mistake with a penalty shot to leave the score Kilrossanty 2-0, Rathgormack 0-3 at the half way stage in the first half.

At halftime it was 2-4 for Kilrossanty and 0-5 for Rathgormack.

The second half was, to a great extent, dominated by Rathgormack who added seven points as against three for the champions.

A lot of unnecessary fouling on the part of Rathgormack, probably cost them the points. Kilrossanty kept their cool much better and this was a factor in having the result go their way.

situations cost us scores. Cork's first goal was a tremendous psychological boost to them as was a factor in shaping the trend of the match. Waterford defenders seemed to have adopted an 'at ease' attitude to this because they felt

That should not have been allowed to happen, but perhaps more disastrous, was the time it happened (about 14 minutes into the game and at a time when we seemed to be moving very well). The consequence of this and the

To say that our overall performance compared disappointingly with our two matches against Cork at Thurles last year, is not an eyaggeration. RESULTS

Disappointment At Thurles

The Thurles disappointment was something of our own making for a number of reasons. First of all the extraordinary notion that Cork were there for the taking — an idea which seemed to have permeated the prematch chat at every street corner over the past two weeks and which obviously got to the players, was in my opinion a big factor.

> and Waterford will have to come back and try again. What is also certain is that this team can play far better hurling that they showed on Sunday - they have proved this beyond dispute over the past couple of years and in spite of the rout by Cork on Sunday, these lads will prove so again. I intend to return to this subject again next week. I doubt if the county junior team which were trounced by Cork would have beaten some of our best club teams here at home. The selectors hands were tied because eligible players who were considered worthy of inclusion, were not interested and obviously they were not interested because it is such a low profile competition.

that the show must go on

TWO MORE CHAMPIONSHIPS

Six of our eight teams have now been beaten in the championships and we have just two further chances of making some progress in the provincial championships when our minor and under-21 hurlers go into action in the weeks ahead.

On Friday week, our under-21 hurlers play Kerry at Kenmare. Examination problems, etc., have interfered with the preparation of this panel, but with a fine group of good players available we should get over Kerry and qualify to meet Tipperary at Thurles on Thursday, July 5.

In minor hurling we play Cork at a Waterford venue on Wednesday, July 4.

MUNSTER CHAMPIONSHIP

Juniors Hammered

CORK 6-11 WATERFORD 1-4

This junior hurling championship at Thurles on Sunday was more than a bore, it was an embarrassment to the thousands of Waterford supporters who saw the county hammered by Cork in a match that had been published as attractive curtain-raiser to the senior semi-final

about the match is that it strengthens the resolve of all those who are currently campaigning for the abolition of this grade as an intercounty competition.

The criticism of the county selectors that was voiced by some people in the stands was for the most part unfair because I know of at least ten players of good senior standard who had been recruited to the panel, but who had declined. The lack of interest in this grade of competition is greater than ever and I will be surprised patrick, Portlaw, was the

The only good thing if the efforts to have it abolished are not successful. The campaign to cease this championship was underway long before Sunday, so our 22 points beating has nothing to do

Maybe a little of the criticism of the selectors was justified in that at least a couple of players who hardly hit a ball were kept on. Perhaps in reply to this it might be claimed that the substitutes were as poor as those who were played.

Youghal Track Meeting To Aid Dungarvan C.B.S. Sports Fund

With no financial support forthcoming from the Department of Education, and an application for some of the "Lotto money" also having drawn a blank so far, the Dungarvan Christian Brothers Secondary School Parents Advisory Council is "going to the dogs" to help raise badly needed funds for new dressingrooms and showers which are now under construction at the school sportsfield.

tails of a sponsored greyhound meeting at the Youghal track on Friday night, June 8, the Parents Advisory Council chairperson, Mrs. Betty Tutty, said

that in the absence of Dept. of Education funding they have had to go out and raise the money them-

the school to announce de-

selves.

Mrs. Tutty said the provision of dressingrooms and showers would provide the school with a much needed facility, and the expectation is that the work will be completed in time for the new school year next

September. She paid tribute to the generosity of their sponsors of the greyhound meeting

through injuries. Tom

Keating received a nasty

mouth injury and Pierce

Whyte suffered a leg in-

Mrs. Tutty also thanked management of Youghal track and especially local man Peter Crotty for all his help and advice on the running of the event.

She added that todate they have organised a number of fundraising projects but confidently predicted that Friday night's greyhound meeting will be the most successful yet.

Mr. Jim Brennan of Bord na gCon also spoke and wished Friday night's meeting every success. "It will be one of the best meetings of the year at the popular East Cork venue",
