## GULF CRISIS

# Dungarvan Nurse Among Irish Trapped In Baghdad

NURSE LUCY KIELY

Within four days of arriving in Baghdad where she was to commence a twelve months contract as a member of the nursing staff at the PARC hospital there, a young Dungarvan nurse found herself caught up in the turmoil which has been sparked by the invasion of Kuwait by the Iraqi forces of Saddam Hussein of Iraq.

Nurse Lucy Kiely (23) flew out from Dublin en route to the Iraqi capital on July 29 and had hardly settled into her job when the invasion of Kuwait took place on Thursday, August 2.

The youngest in a family of six of Mr. Maurice Kiely and Mrs. Jenny Kiely, "Sweet Briar", Newline, Abbeyside, Nurse Kiely has three brothers and two sisters. Having trained initially at the County & City Infirmary Waterford, she transferred to Ardkeen Regional Hospital following the closure of the Infirmary

and qualified there in November, 1989.

She served for a period on the Nursing Staff of the Mater Private Hospital in Dublin but then having decided she needed a change she enrolled with the Aer Lingus subsidiary PARC which administers the hospital in Baghdad and left Dublin on July 29 to take up her new job. Now as one of the 248 Irish personnel at the hospital she is a virtual prisoner since Iraq closed its borders.

### PHONE CALL HOME

When we called to Nurse Kiely's home in Abbeyside on Monday, we spoke to her mother, Mrs. Jenny Kiely who is prominently associated with the ICA at Guild and Federation levels in the county. She was glad to be able to inform us that she had a phone call from Lucy in Baghdad last Saturday night which brought her the good news that she was well.

She said that Lucy told her that while everybody at the hospital was very de-

pressed by the turn of events and by the fact that they were trapped in the Iraqi capital, they were working as usual in the hospital and putting on the best face possible in the difficult situation in which they now found themselves. As long as they remained within the confines of the hospital they felt safe, she said.

Mrs. Kiely said that while she and her husband were very worried and anxious about Lucy's position they were quite relieved to have received her 'phone call and were hoping that the Irish Government and the Executive Officials of the PARC organisation who were now in Iraq, would succeed in obtaining permission to evacuate their personnel from the danger area with the least possible delay.

We understand that an Aer Lingus plane in on standby to fly to Baghdad to bring the personnel at the hospital home as soon as the necessary agreement has been reached.

## UNLIMITED MERCY

Whatever they may say about the old catechism, it was a most effective instrument in getting results. Certainly, since it vanished from the school-room, a void, yes a big void has been left. Those who were blooded and weaned in the old school will remember without difficulty the answer to the question: why did God make you? He made me to know him, to love him, to serve him in this world and to be happy with him for ever in the next. And, as they progressed in knowledge, they learned that God gives sufficient help to each and everyone to enable them to fulfil the purpose of their existence. It is clearly the will of God that all should be saved. However, we must not overlook the fact that God has left the decision to each individual to use or not to use God's help. Hence, ultimately, our salvation rests with ourselves. God will force no one into Heaven. And, because the reward is so great, and there's so much at stake, it would be sheer lunacy for one to throw away one's birthright.

Isaiah, in the first reading, insists that God wills the salvation of all, and he makes it clear that non-Jews were not excluded. He points out that salvation is available to all whose works are acceptable to God. Obviously, he was correcting a false view that was current among the people when he stated that salvation depended solely and foremost on their attitude to God, and not on membership of any people or nation. He believed that foreigners could and did become servants of God through their faith and their good works. Whereas, as I indicated, the current view among the Jews was, salvation was the prerogative of their people. Isaiah was not deterred from saying: "My house will be called a house of prayer for all the peoples." He was not the only one to state this truth for Amos among others declared that foreigners can be saved if they subject themselves to the Lord. Isaiah is reminding all of us that God is the source of our strength. And, he is saying, be wise. Put your trust in God. Ask Him to continue with His protective care, and let your life be a perpetual act of thanksgiving.

St. Paul was the most forceful of all the Apostles in preaching salvation for the gentiles. In the second reading he laments that his own people, whom he dearly loved, had rejected the Good News. He goes on to say that the Lord, having reconciled the world, did not limit or restrict the consequent blessings to the chosen people. His intention was to rouse and to wake them up to their foolish folly by telling them that the pagans were opening their hearts to God's message. When he thinks of this great mercy, he prays with a lively hope that that same mercy will remove the stubbornness from his own beloved people, and open their eyes to the light. He argues from the fact that the pagans were once in deep error, but God did not abandon them. Surely, the Lord will show that same mercy to a people, who once served Him faithfully, even if they were now in darkness. If there is a note of happiness in Paul's words, it is because He knows his people will bow to God's mercy. He believes that what God did for the pagans, He will do for the Jews.

Paul explains the situation like this. Man is imprisoned by his human conditions, and limited by his weak, im-

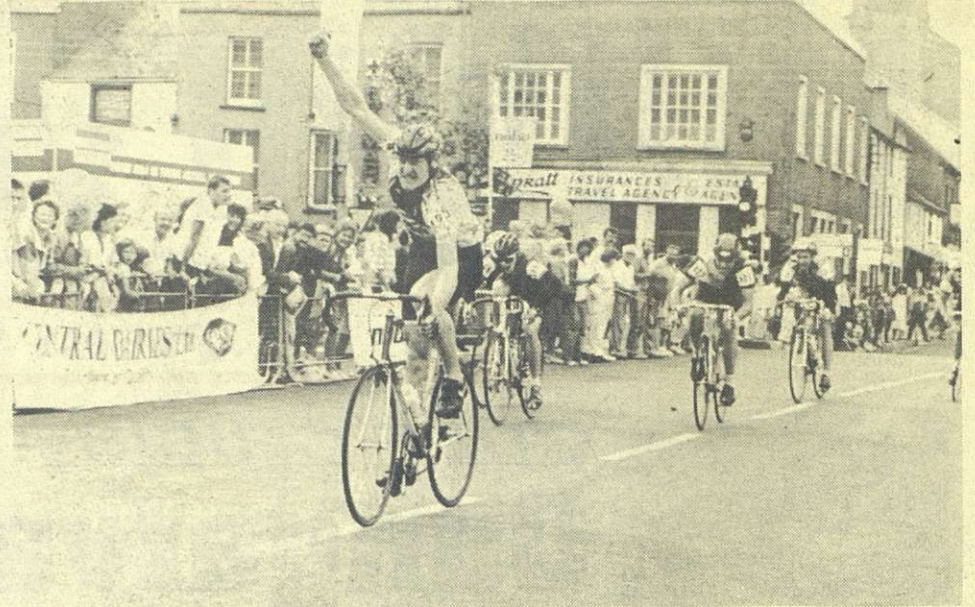

perfect and sinful nature, which embodies the story of man after the fall. Hence, all stand in need of being re-created through God's grace. When people try to do without God, He allows them to suffer the folly of their ways, so when eventually they look for help, they'll appreciate all the more His mercy.

In a nutshell, man's disobedience has provided the Lord with the opportunity, as in the case of the pagans, to prove His great love and mercy. And, because God is good, He will not withhold His mercy from His chosen people. I cannot help wondering if the return of the Jewish people to their homeland is a presage for the future! Have you ever said a prayer for the conversion of this great people.

## GOD'S PLAN

Having said all that, we must hold fast to God's plan of salvation as has been handed down to us by the Apostles, namely, to live and to serve God within the bounds of His Church. I believe as I have stated that others who serve God in unorthodox ways, but in accordance with their lights, will receive God's mercy, but that is not a ticket for anyone, who has received the word, to pick and choose for themselves. They know the way, the truth and the light, and to choose otherwise is to ignore God.

The theme that salvation is available to all without exception is also stressed in the Gospel. Matthew emphasises that the Good News is intended also for pagans, and, that salvation is theirs, if they respond. Truly, the persistence of the woman begging Jesus for help is an example for all of us, and, so to speak, reading between the lines, it demonstrates that the way into the heart of God lies in the following route mapped out by Jesus. And, if you have any doubts, then listen and be guided by His Church, whom the Lord appointed for this work. Indeed, the world abounds with false teachers and prophets, all claiming to know the way, but, as I wrote to you recently, how can these self-styled experts guide you, when they are unable to find the way for themselves. Have you ever experienced the frustration of receiving wrong directions, and being sent miles out of your way? Be warned. The Lord has carefully marked the road to Heaven, and there is no alternative route.

Jason Meredith (Mid Eastern Regional) punches the air in victory as he crosses the line at the Square Dungarvan last Friday to win the 33 mile stage 6 of the NIIBA Junior Tour of Ireland from Fermoy to Dungarvan. He covered the distance in 1hr. 13mins. 15secs. Later in the evening the 10-mile individual time trial (to the Pike and back) stage 7 was won by Miceal Creedon (CMP Blarney) in 21 mins. 26 secs. Main sponsors of the stages were Central Dairies Ltd., Dungarvan.

## £1 Billion Turnover For Waterford Foods By 1993

Waterford Foods will again double turnover, to £1 billion, by the end of 1993, according to Stephen O'Connor, Managing Director. He was speaking at an Open Day on the farm of Jim Kirwan, Rathgormack, a Waterford Foods supplier and winner of the National Upjohn Quality Milk Award.

He said: "We are at the point of launching a new strategic development plan for the next three years. It will be designed to ensure that the Group keeps pace with trends in the dairy industry, with special emphasis on switching from

commodities to consumer goods.

"At the beginning of our last development phase, 1986, almost 50 per cent of our products were in CAP assisted or commodity categories. At the end of this new phase, that figure will

have been reduced to less than 20 per cent.

As a sign of progress so far, Waterford Foods will have sales of £160 million in Britain this year and we see that as an excellent base for further expansion, including significant acquisition of further relevant businesses within the market place, he said.

"Our acquisitions within that marketplace are also performing well ahead of expectations and we are very pleased with their contribution to the overall financial strength of the Group.

"There is already justification for the action of the Board in making substantial investment overseas, which applies equally to the United States and Britain. In both cases, what we have is good companies, relevant products and excellent management. They are all presently working in our favour," said Mr. O'Connor.

Waterford Foods has already doubled its turnover in three years from approximately £50 million to an estimated £500 million in 1990.

## Romanian Orphanage Appeal Ireland

In the course of a letter to the Editor, Helen Kavanagh, Glenard Ave., Bray, Co. Wicklow asks us to draw our readers attention to the Romanian Orphanage Appeal Ireland which will be launched with "Romania Week" from September 17 to 23 when all Ireland, North and South will be asked to come together to raise desperately needed funds.

Helen points out that 100,000 children are today languishing in orphanages in Romania where they have been abandoned by mothers, forced to have at least five children by the evil dictator, Nicolae Ceausescu, while they had no food to give them nor any means of supporting them. In one of these orphanages alone last winter 78 babies died of the cold.

"Winter is coming again," her letter states, "temperatures will drop to minus 40° again and without your help more children will die. Please don't let this happen."

It then goes on to say: "What we are asking your community, schools, churches and local organisations to do is to organise something — anything to raise desperately needed funds. All proceeds will go directly to buy the neces-

sary supplies. The goods will be bought in Ireland, there is nothing to buy in Romania. These supplies, along with volunteers will then be flown from Dublin to Romania."

All donations should be sent to: Romanian Orphanage Appeal Ireland, TSB, Bray Branch, Account No. 200 76078. Anyone who would like further information may contact Helen at 01-866302 or 01-470793.

### DUNGARVAN SHOW

Entries from the West Waterford area in classes in Dungarvan Show were very low this year. Local exhibitors feel professionals from all over the country have taken over the country shows and it is no longer enjoyable taking part which is why more local classes may be required and the judges of these classes to be less professional.

This year prize winners from West Waterford were: Classes 11 and 13, 3rd prize, (2) Anthony Broderick, Mt. Stuart, Aghish; Class 17, 1st prize, William Lenane, Ballycurrane, Clashmore; Classes 25, 26 and 27, 3rd prize, (3) Edmond Ledingham; Class 42, 2nd prize, Maurice O'Donovan, Tournard, Aghish; Class 43, 3rd prize, Maurice O'Donovan.

Record crowds attended this year's show and an enjoyable day for all the family was provided. Congratulations to all the locals on their success.

### FARM VISIT

On Wednesday last, many members of the farming community from this area attended a farm walk on the farm of Mr. Jim Kirwan, Rathgormack. Jim, a supplier of Waterford Foods plc, was the 1990 winner of the Upjohn National Milk Quality Award.

All attending the farm were impressed with the simplicity of the layout of Jim's farm and the way he utilised the facilities available to him at low cost. Most of the labour involved in bringing Jim's farm to its present high standards was provided by himself and one employee.

### SALMON FISHING SEASON ENDS

Salmon fishing on the River Blackwater has come to an end for another year. Over the entire season poor catches were reported.

# Active Awareness Group Keeps Clonea Beach Clean

Members of the Clonea Beach Awareness Group gather for a photo call at the beach before commencing their clean-up operation at 7.30 p.m. last Saturday.

Over the past couple of weeks there have been some very favourable comments from visitors to Clonea Beach who have come from all parts of the country. Taking into account the number of people who visited the area and the consequent litter problem that it causes, the Clonea Beach Awareness Group have been seen to be very active each Saturday night cleaning the beach.

### VANDALS AT WORK

Needless to say there are some people who cannot or will not keep the beach clear of litter. Incidents of public toilets being broken and glass scattered on the beach by these people is a continuing problem. These people do little to enhance the reputation that Clonea Beach has achieved for itself over the past couple of years as one of the cleanest beaches in the country, with Blue Flag and Starfish

Awards to prove it.

Both caravan parks have contributed enormously to being litter free parks and conscientious visitors as well as residents in the area come together each Saturday night to clean the beach from Ballinclamper to the Castle end of the strand.

Additional bins, gloves and jackets have been provided by the County Council and further developments in that area

are expected to continue. This year BAG are providing plastic bags to day trippers. These are being distributed at the point of entry at the car parks adjacent to the beach. This is proving to be a success.

# More Memories Of Growing Up In West Waterford

A scare headline in one of the daily papers last week — "Kitchens alert as food poison soars in heat" made me think, 'what did people do fifty years ago in rural Ireland when there were no fridges nor freezers?' My memory goes back to when the only means we had of keeping food fresh was a small cupboard, which was kept outside the house, usually hung on a North facing wall. This had two side panels of perforated zinc so that the air could circulate and at the same time prevented flies or mice from entering. In this was kept all kinds of perishable food.

In those days people ate different food from what they eat today. Salted fish, known as "Lander Fish" was a great standby. This came from either Norway or Portugal and would last indefinitely if hung from the ceiling. It became very hard and had to be steeped overnight to render it more palatable. On one occasion when a local farmer was having the threshing on a Friday his wife was preparing the mid-day meal. As meat was not allowed on Fridays she decided to have the salted fish. A neighbour there to help on the night before advised her to put the fish in a running stream overnight to remove the salt. She foolishly agreed but when she went to the stream on the following morning the fish was gone. Her advisor had stolen it on his way home.

Bacon and cabbage was very popular fare in those days. Most people who fattened some pigs — maybe five or six at any one time — when they were ready for sale kept back the smallest one and fed it on for about two weeks on a mixture of Indian meal and crushed oats. The latter had the effect of making the back streaky. When this animal was ready for slaughter the local expert was called in. In our area that man was John Green. He organised the entire opera-

tion.

A big kitchen table was taken outside and placed near a ladder which was placed against a high wall or tree branch. The pig was killed on the table and immediately hauled up the ladder until its head was about two feet above the ground. The blood which flowed freely at that stage was collected in a basin. This done the carcass was then washed thoroughly with boiling water. The entrails were then removed and the heart, liver and kidneys were taken out for use on the following day.

Some of the large intestine was taken to the nearby stream and there cut into one foot lengths. These were washed meticulously. To do this they had to be turned inside out and this was cleverly done with a piece of stick about eighteen inches long. This stick had a burr at one end like a fishing hook. The stick was pushed through each length and pulled towards the operator. The burr had the effect of turning the piece inside out. When washed thoroughly they were placed in a bucket of salt and water and left overnight.

On the next day filling was made up of the blood, some cooked meat, oatmeal and spices. This mix-

ture was then poured into each piece of gut which was tied in the shape of a ring. These rings were then cooked and left to set. The result was the highest quality black pudding.

### SALTING AND PICKLING

In the meantime the carcass was hung up in a cool house for about three to five days. Salting the pig was something to look forward to. The neighbours gathered again. The carcass was cut into usable pieces. Each piece had to be salted separately. This was done by rubbing the piece on a bed of coarse salt on a table. Some cuts were made in the pieces to ensure that the salt got into the centre. Everybody helped with this operation.

When the salting was completed the pieces were placed in a barrel of brine, which was then covered with hay and some big stones to ensure that all the pieces were submerged. The barrel was emptied after some weeks and the pieces were allowed to drain before they were hung up on the ceiling. The bacon could then be used as required and as time went on it became hard and black. So like the salted fish it had to be steeped before cooking. Those who helped on salting night were all given a piece of pork steak.

Of course most people then had free range fowl so there was always a plentiful supply of fresh eggs. The eggs too used to be preserved in the Autumn for Winter use. This was done by placing them in a mixture of water glass and spring water. They would last in this for months. People were always busy in those days making provision for leaner times. Of course they had no golf nor bridge — maybe a few games of forty five to pass a winter's night. — M.M.

# Ballymacarbry Notes

**I.C.A.**  
Ballymacarbry Guild I.C.A. have entered the Toyota Irish Countryside Awards organised by the Irish Country Women's Association and Bord Failte. The proposed projects are Forest Walks in the area, planting of picnic area across the road from the Parochial Hall and a clean-up of the river. The guild make an earnest appeal to the public, not to dump rubbish in the river. This area has a lot to offer to the tourist and tourism means business and employment to the area.

The I.C.A. would like to see a Heritage and Information Centre in the district. They would like to thank Comeragh Oil Products, I.C.A. and "anonymous" for their donations towards the purchase of scrubs. The guild are working in conjunction with the Tidy Towns to develop the area. If by chance you pass the way, stop and visit this beautiful picnic area beside the lovely River Nire.

**SOCIAL NIGHT**  
The I.C.A. will hold a Social Night at Glenview Lounge, Goatbridge on Saturday, August 25. Music by The Odd Couple. Three

wonderful prizes to be won on the night. Come along and give of your support.

# Surprise Birthday Party

Josie Lucas and his wife Bridget, called to our offices on Thursday last, August 9, before returning to Wales following their annual holidays at the family home in Congress Villas, Dungarvan.  
Josie, who has been living in Wales for more than fifty years, told us that this visit home was something special to him. It coincided with his 71st birthday. The big surprise came however when the Congress Villas Residents Association threw a surprise party for Josie to help him celebrate the event.  
"It was the best party I ever had," Josie told us. "It really made my holi-

day."  
Incidentally, Josie completely belies his 71 years. Before he left he asked us to thank on his behalf, the Congress Villas Residents Association for their kindness and all the family members and friends who turned up to make the party so memorable.  
We join with all in extending congratulations to Josie and to wish him and his wife Bridget many more happy holidays in Dungarvan.

**IN HOSPITAL**  
We wish a speedy recovery to Thomas Keane, Ballinagulkee, Ballinamult, who is a patient in the Regional Hospital, Cork. Before Thomas went to hospital, he spent a wonderful two weeks holiday in Liverpool with seven other members of the Spina Bifida Association. A wonderful time was had by all.

Sunday, August 18 and 19 at all Masses. Please support.  
**LADIES FOOTBALL NOTES**  
On Wednesday night last we travelled to Dunhill for our match against the ladies of Dunhill team. We had a good game of fast football, opening well with a well-taken point by Connie Hearn, two minutes into the match. Ten minutes later, Olivia Condon got a great goal. Dunhill replied with some very fast passing football and at half time led 1-3 to 1-2 in their favour. Our centre-field played a great game despite an injured finger to Orla Butler in the opening ten minutes.  
After half time, both teams put on pressure and Dunhill led by 2 points

right up to the final few minutes. A great pass from Treasa Queally to Connie Hearn led to a penalty from which Orla duly scored a great goal.  
So, thanks to Lar Walsh who ferried us to Dunhill and to Brendan O'Dwyer who refereed the match.  
On Saturday night we played Old Parish. Unfortunately we were missing some of our regular players and went down by a point to a very good Old Parish side. Many thanks to those girls who stepped in to fill up the team and a warm welcome to Terry Burke who has joined our ranks. We have one match to go against Kill, possibly to be played before the weekend.  
Training for all players Thursday night at 7.30 p.m. sharp.

## Recent Deaths

### Nora McKee (nee O'Donoghue)

With deep sadness and regret we pen this tribute on Nora McKee, 8, Skehacrine Court, whose demise occurred on July 26 following a short illness at Waterford Regional Hospital. A native of Coolagurtee near Affane, Nora (Nanno) had reached the wonderful age of 92 years. Predeceased by her husband John in 1981, Nora was extremely popular with one and all. The last surviving member of an old Affane family, her home was always one of welcome, music and laughter. She was an excellent singer who enjoyed the ceili and the Irish music that was part of her upbringing and life. In 1924 she took up residence in England where she spent the next thirty years, on her return to Ireland she lived for some time in the Cappoquin district. May Nanno rest in peace.

On Thursday evening, July 26 her remains were brought from Waterford Regional Hospital to Affane Church. Following Requiem Mass on Friday the interment took place in the adjoining cemetery. Very Rev. Fr. Ml. Barron, P.P., was present on both days.

In a moving tribute her friends gathered at the graveside, Rory O'Connor spoke glowingly in a short eulogy of Nanno, while the music of Michael Sweeney filled the air, Nanno would have been pleased, she was now back among her own after life's pilgrimage.

Chief mourners — James Power, 7, Park Terrace (nephew), Gertrude Mahoney and family, Islington, Maureen Stephens and family, Surrey, and other relatives and friends.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

### Mary Kate Eddy

It was at Dungarvan Hospital on July 27 after a duration of illness that Mary Kate Eddy, Ardmore, passed on to her eternal reward after a life that was well spent. A native of Ardmore, Mary Kate was a true Christian who possessed a deep religious conviction and was a most charitable individual.

Mary Kate was a most popular person in the Ardmore region who relished the discussions of times past and the developments that resulted from years ago. Despite her advanced years, she remained young at heart and had a most admirable sense of humour.

On Saturday evening Rev. Fr. Reide, C.C., blessed and

received the remains at St. Declan's Church, Ardmore. It was around midday on Sunday when Mary Kate was laid to rest in St. Declan's Cemetery. May she rest in peace.

Her nephews, nieces, relatives are very much in the thoughts and prayers of the Ardmore community. We too join in offering our deepest sympathy to them on their loss.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

### William (Willie) Lyons

One of the town's best known sons passed on last Friday at Dungarvan Hospital. Of advanced years Willie, Shandon Street, hadn't enjoyed the best of good health recently yet he bore his cross with resignation and understanding. He was a character, who figured in many conversations surrounding the social history of our town.

The numbers at his funeral obsequies were indeed ample testimony to his popularity.

We offer our condolences to Sheila, on her loss, to his many relatives and friends who are all the poorer since Willie's demise.

The funeral took place on Saturday evening to St. Mary's Parish Church, while on Sunday morning the interment took place in the Old Churchyard Cemetery.

Full obituary next issue. (James Kiely & Sons, Funeral Directors, Dungarvan.)

### William (Bill) Flynn

It is with deep sadness we write on the death of Bill Flynn, Shandon Street, Dungarvan, which occurred last Friday at Dungarvan Hospital following a duration of illness. Well-known and highly respected, Bill was a great favourite with everyone who had the good fortune of his acquaintance.

We offer our sympathies to Alice, his relatives and friends on their cross of bereavement.

On Sunday morning following the 11 a.m. Mass celebrated by Very Rev. Fr. M. Ryan, P.P., Bill was laid to rest in Stradbally Cemetery.

Full obituary next issue. (James Kiely & Sons, Funeral Directors, Dungarvan.)

### Alice Walsh (nee Kiely)

It is with profound regret we write on the passing of Alice Walsh, Drumslig, Grange, which occurred on

August 7. An extremely popular individual, Alice's passing will be mourned by her sons, daughters, brother, sister, grandchildren, sons-in-laws, daughters-in-law, relatives and friends.

Removal took place from Kiely's Funeral Home to Mount Stuart Church last Wednesday. Interment took place on Thursday in the adjoining cemetery.

Full obituary next issue. (James Kiely & Sons, Funeral Directors, Dungarvan.)

### Josephine (Josie) Torpey

We write with deep sympathy and profound regret of the passing of Josie Torpey, Rinnasillogue, Dungarvan, which occurred at her residence last week. We tender our condolences with her daughters, grandchildren, brother, sisters, son-in-law, relatives and friends.

Full obituary next issue. (James Kiely & Sons, Funeral Directors, Dungarvan.)

To his wife Josie, daughters, sister, relatives and friends we extend our deepest sympathy.

Full obituary next issue. (Funeral arrangements by Tom Drohan, Dungarvan.)

# PENSMAN Takes You . . . Behind The SPOTLIGHT

## WAS THIS DUNGARVAN'S OLDEST NEWSPAPER?

During the past week we have been examining part of a page of a newspaper called "The Dungarvan Gazette" carrying the issue date of Saturday, September 7, 1872. That makes it all of 118 years old and it has posed the question for us, was this Dungarvan's oldest newspaper?

A composite advertisement running the length of the broadsheet page declared that the proprietor of the Gazette was one, Joseph Hansard, and that it was printed in his General Printing Office and was "the only paper printed within twenty-eight miles of the town." The location of the office was simply given as Dungarvan but it also incorporated a "Book, Stationery and Fancy Goods Warehouse" where school books, stationery, musical boxes, framed and unframed pictures, concertinas and much other such items could be purchased.

Where exactly the Gazette Office and warehouse was located in the town we have been unable to ascertain or who J. Hansard was. We are reminded that the official reports of the debates in the British House of Commons are, to this day, referred to as Hansards and whether there was any tie-up between the Dungarvan Gazette Hansard and the House of Commons we are unable to say.

One of the public notices published on the page informed readers that the Annual Races were to come off "Near Dungarvan" on Monday and Tuesday, the 4th and 5th of November, 1872 and among the stewards listed were: The Most Noble Marquis of Waterford, Curraghmore; Lord Viscount Hastings, D.L. Whitechurch; Sir Nugent Humble, Bart., D.L., Cloncoskoran; Edward G. H. Odell, Esq., Carriglea, Dungarvan; Henry Matthews, Esq., M.P.; John A. O'Keefe, Esq., J.P., Ballylemon Lodge; John R. Dower, Esq., J.P., Brewery Lodge; Richard U. Roberts, Esq., J.P., Coolnagour and John G. Hely, Esq., J.P., Glenshillane.

Another large advertisement pronounced the "Annual Clearance Sale of Summer Goods at McCarthys, Blackpool, Dungarvan." This premises was obviously involved in the drapery trade and offered "a lot of stuffs, shawls, prints, etc., at half price." Where this premises was located in Blackpool (an old name for Upper O'Connell Street) we do not know either.

It was rather strange to get this glimpse into the

past and to see what and who were in Dungarvan all those years ago.

## VANDALS IN DUNGARVAN CAR PARK

Vandals went on the rampage in the public car park at the Quay, Dungarvan on last Saturday night and did an immense amount of damage to a big number of the cars parked there.

The windscreens and side windows in six or seven cars were smashed and the contents of some of the cars were stolen.

This uncalled for vandalism cannot be too strongly condemned. The Gardai in Dungarvan are investigating the rampage and it is to be hoped that the culprits will be identified and brought before the Court.

## ABBEYSIDE TO COMMEMORATE COMING OF AUGUSTINIANS

Plans are at an advanced stage to mark the 700th Anniversary of the coming of the Augustinian Fathers to Abbeyside and a special energetic organising committee are leaving nothing undone to ensure that the ceremonies for the historic occasion will run smoothly on Tuesday, August 28, the feast of St. Augustine and the traditional Pattern Day in Abbeyside.

Abbeyside Parish Church and its ancient ruined annex known locally to the older generation in the Village as "The Cloghas" will be the scene of a pageant to depict the arrival by boat of the Friars or Hermits of St. Augustine from their mother house, Clare Priory in Suffolk, England.

An old story about the coming of the Friars relates that when they arrived in Dungarvan Bay, they were unsure of where they should land. Having prayed for guidance, they launched a stone effigy of St. Augustine on a small raft and where this came ashore they decided to build their Abbey. The ruins of this building, erected in or about the year 1290 is now what is known to the people of Abbeyside as the

'Cloghas', close by the strand.

Up to fifteen or twenty years ago or more, the last remnants of the ruins of what was known as McGrath's Castle stood nearby but all traces of this have long disappeared. The castle was owned by the McGraths of Sleady, one of the most powerful families in the area who became benefactors of the Abbey and at least one of whom is reputed to have been buried in the Cloghas. The Nugent family of Cloncoskraine were also noted benefactors of the Abbey and the community which it housed.

A special Anniversary Mass on Tuesday, August 28 during which a Crystal Chalice will be presented to the Augustinians to mark the occasion will be the centre-piece of the celebrations which will also include the siting of a stained glass window depicting the arrival of the Friars 700 years ago, the publication of a booklet tracing the history of the establishment of the Order in Abbeyside and the floodlighting of the church building and the old Cloghas.

We can do with no better than to reiterate what appears in the current issue of the Abbeyside Parish News concerning the celebrations which says, "As this is a once-off event of great historical significance and will not happen again in the lifetime of the people of the parish, it is expected that the ceremonies will be given the full support and respect befitting such an occasion."

## SHE WAS QUEEN OF PUCK FAIR

Last week-end, August 10, 11 and 12 marked the holding of the great Puck Fair which attracts visitors from all over the world to the town of Killorglin in Co. Kerry. and while King Puck is, as the name suggests, a massive pook goat — this year it wasn't a Kerry Puck but one imported from Co. Cork (not the Poc ar Buile, though) — traditionally a young girl under eleven years of age is selected each year to be "Queen of the Fair."

To her is given the privilege of reading the Speech or Proclamation after "crowning" the wild mountain goat as "King of the ancient and historic fair and age-old festival of Puck." The speech is delivered in four different languages, first "as Gaelige," then in French and German and fi-

nally in English. The many French and German tourists who attend the festival, there were more than ever this year, always greatly appreciate to hear the warm welcome to the Kingdom and to Puck Fair extended to them in their own tongue.

To young Grainne McBride from nearby Glenbeigh went the honour of presiding as Queen at this year's festival and here for the record is the English version of the Speech which she read to the huge concourse of visitors which thronged the streets of Killorglin on the opening day of the Fair, known traditionally as "Gatherin' Day" — the second being the Fair Day and the third and final day the "Scatterin' Day."

Noble Friends,  
We are gathered here once more to celebrate an ancient and cherished tradition handed down to us from our forefathers and from their forefathers before them.

A tradition without like or equal in the world to-day. It is time for renewing old and dear friendships and for making new ones.

I offer you for the next three days the sincere welcome of the people and the freedom of the town of Killorglin under the patronage of His Majesty King Puck 1990!

And when she had concluded her Speech, the festivities began in earnest. Over the three nights the bars in the town remained open until 3 a.m. and were in business again each morning at 6 a.m. Puck Fair is certainly a test of stamina and as has been said is without like or equal in the world to-day.

## SUBSCRIBING FOR "LEADER" FOR 25 YEARS

Dungarvan man Seosamh O Mathuna who resides in London with his family drew our attention in a letter during the past week to the fact that he has been a postal subscriber for the "Leader" since August, 1965. "This," he states, "makes me a subscriber to the 'Leader' for a quarter of a century." It does indeed and in all probability this does constitute a record for unbroken subscription.

Seosamh concludes his letter by stating: "Much water has gone under Abbeyside Bridge and Westminster Bridge, come to that, and many changes have taken place in Dungarvan and London. Even

the 'Leader' has changed, but one still likes to keep in touch and the 'Leader' is a way of life and I hope it will continue that way for many more years."

In thanking Seosamh for his good wishes we can only say that times change and we have to change with them just like everything else.

## Willy Reilly

Our choice for the ballad corner this week, "Willy Reilly" is one which tells a story of the good old days when the poor peasant lad falls in love with the landlord's daughter and unsuccessfully attempts to elope with her at her invitation. Pursued and captured, it was love that eventually saved his life.

"Oh! rise up Willy Reilly and come along with me,  
I mean to go with you and leave this country,  
To leave my father's dwelling, his houses and free land;  
And away goes Willy Reilly and his own dear Colleen Bawn.

They go by hills and mountains and by yon lonesome plain,  
Through shady groves and valleys all dangers to refrain,  
But her father followed after with a well-armed band  
And taken was poor Reilly and his own dear Colleen Bawn.

It's home then she was taken and in her closet bound,  
Poor Reilly all in Sligo jail lay on the stony ground  
Till the bar of justice before the judge he'd stand  
For nothing but the stealing of his own dear Colleen Bawn.

The jailer's son to Reilly goes, and thus to him did say,  
"Oh! get up Willy Reilly, you must appear this day,  
For great Squire Foillard's anger you never can withstand  
I'm afeard you'll suffer for your own dear Colleen Bawn."

"This is the news, Young Reilly, last night that I did hear,  
The lady's oath will hang you or else will set you clear,  
"If that be so," says Reilly, "her pleasure I will stand,  
Still hoping to be succoured by my own dear Colleen Bawn."

Now Willy's dressed from top to toe all in a suit of green,  
His hair hangs o'er his shoulders most glorious to be seen,  
He's tall and straight and comely as any could be found,  
He's fit for Foillard's daughter were she heiress to a crown.

The Judge he said, "this lady being in her tender youth,  
If Reilly had deluded her she will declare the truth,"  
Then like a moving beauty bright, before him she did stand  
"You're welcome there, my heart's delight, my own dear Colleen Bawn."

"Oh! gentlemen," Squire Foillard said, "with pity look on me,  
This villain came amongst us to disgrace our family,  
And by his base contrivances this villainy was planned,  
If I don't get satisfaction, I'll quit this Irish land.

The lady with a tear and thus replied she,  
"The fault is none of Reilly's, the blame lies all on me,  
I forced him for to leave his place and come along with me,  
I loved him out of measure, which wrought our destiny."

Out spoke the noble Fox\* at the table he stood by,  
"Oh, gentlemen, consider on this extremity:  
To hang a man for love is a murder you may see  
So spare the life of Reilly, let him leave this country."

"Good, my lord, he stole from her diamonds and her rings,  
Gold watch and silver buckles, and many precious things  
Which cost me in bright guineas more than five hundred pounds,  
I'll have the life of Reilly should I lose ten thousand more."

"Good, my lord, I gave them to him as tokens of true love,  
And when we are a-parting, I will them all remove,  
If you have got them Reilly, pray send them home to me,  
"I will, my lovely lady, with many thanks to thee."

"There is a ring among them I'll allow yourself to wear  
With thirty locket diamonds well set in silver fair,  
And as a true-love token wear it on your right hand,  
That you'll think of my poor broken heart when you're in foreign lands."

Then spoke noble Fox, "you may let the prisoner go,  
The lady's oath has cleared him as the jury all may know;  
She has released her own true love, she has renewed his name

The U-16 footballers lost to Kilworth at Kilworth in a festival tournament in Saturday last. They also played Ballyhooly in a challenge game on Monday night.

It is hoped to arrange a senior hurling challenge game for this coming week-end.

#### MACRA NA FEIRME NOTES

Well done to all the team who took part in the Dungarvan Show on August 2. That night the team attended the social which was held in the Park Hotel in Dungarvan, where results of the day were announced.

Congratulations to Michael Leamy who won the cookery section, Pat Roche and Seamus Cunningham who won the carpentry, Pat Kenny who was joint second in the sports, Catherine Kenny who was joint third in the flower arranging, and the tug-o-war team namely, Michael Leamy, Pat Roche, Seamus Cunningham, Pat Kenny, Dave and Paddy Ahern who got third place. Again well done to all.

A team will be taking part in the Farm Tasks at the Waterford Show on Sunday next. The A.G.M. will be held shortly.

#### BALLYDUFF - TALLOW WEDDING

St. Michael's Church, Glendine, was the scene of a very pretty wedding on Tuesday, August 7, when Lena, daughter of Mary and Jimmy Kenneally, Gurtnepeeka, Ballyduff

and Raymond, son of Mary and John McCarthy, Glenglough, Tallow, were united in holy matrimony.

The Nuptial Mass with Papal Blessing was celebrated by Very Rev. Fr. K. Mulcahy, P.P., Ballyduff. The bride who was given away by her father looked radiant in a full length gown of white taffeta with matching headdress and bouquet. The bridesmaid was Nina Kenneally, sister of the bride who wore a lilac frock and matching bouquet. The bestman was Michael McCarthy, brother of the groom.

The Lessons were read by Nina Kenneally and the Mass server was Edward Kenneally.

Following the reception at The Park Hotel, Dungarvan, the happy couple left to spend their honeymoon touring Ireland. We wish Lena and Raymond many years of wedded bliss.

#### ANNUAL CAMP 1990

By the time you read these notes our Diamond Jubilee (60th consecutive) camp will be over, history, just memories — but I think it's fair to say all those memories will be happy ones.

We were blessed with the weather, for apart from a very wet crossing and a misty morning setting up camp, we had scorching weather, peaking in the middle week-end with the highest temperatures for the area since the 1930's.

Our campsite was beautiful (apart from the hard ground) the highlight of it being its outdoor heated (not that it needed heating) pool. This proved to be a part of our daily programme with half-hour and later hour sessions booked. For Mass on the mid-Sunday we paraded in full uniform to a church 25 minutes walk away. (The lads noticed

the differences — especially the length of the Mass).

Camp 1990 proved a very busy time for the patrols, with the following visited: Loftus Road (Queen Park Rangers football ground) where Brendan Flynn had a guided tour arranged, Buckingham Palace, a guided tour arranged by Aidan Mullarkey of White Hart Lane (Spurs), Highbury (Arsenal F.C.), Wembley, Wimbledon Lawn Tennis (and Museum), guided tour of Plough Lane (Wimbledon F.C.), Heathrow, HMS Belfast, White City Swimming and Diving Centre, Pollocks Toy Museum, Watford Museum and Vicarage Road (guided tour of Watford F.C.). The patrols were given one day near the end of camp solely for shopping.

We had four troop "hikes" when we all travelled together to: (1) Natural History Museum and Science Museum, (2) Crystal

Palace National Sports Complex, (3) Portobello Market and London Zoo, (4) Sightseeing open bus top tour, Madame Tussauds and White City.

For transport the SL used his vehicle to hump around the groceries, etc., each day the patrols would make a fifteen minute walk down to Chalfont St. Peter to catch the 305 or 325 bus into Uxbridge (half hour journey), from Uxbridge the tube was used and as the fellow would say, the sky was the limit.

Next week we will take a look at some of the lighter moments from Camp 1990 Chalfont Heights.

#### OFFICIAL VERDICT

I think the official comments from site warden Dave Gibson for H.Q. (Dublin) are worth quoting: "A well organised camp. Plenty of trips out of camp. Boys very well behaved." Need we say more!

— Camp Correspondent.

## REMEMBERING OTHER DAYS

Abbeyside Pattern festival takes place this week-end from August 15 to 19 (full programme of events advertised elsewhere in this issue). One of the main attractions will be the selection of the Pattern Queen which takes place in Minnies on Thursday night. In this context, the photo for our "Remembering Other Days" this week could not be more topical for it shows what Minnies looked like in the 1930's when it was then the "Strand Hotel," Abbeyside. It also incorporated a fully licensed premises, grocery and provisions shop and was owned by Mrs. Griffin (nee Minnie Fitzgerald). We are indebted to Ms. Kathleen Morrissey, Ballycoe for letting us have the photo for publication. Note the many old "jalopies" parked in front of the hotel and the section of the thatched house to its left.

# Stradbally Notes

## JUBILEE CELEBRATIONS

The celebrations began on Friday, August 3 with a Concelebrated Sung Mass. The choir received a standing ovation from a very appreciative congregation. His Lordship, Dr. Michael Russell, presided. Among the celebrants were three priests, natives of the parish: Fr. Finbar Lucey, Fr. Nicholas O'Mahoney and Fr. Tom Whelan. Following Mass, the congregation adjourned to the Barron Hall founded in 1806 as a national school. The notes of a lone piper rang out in the still air as the crowd made their way towards the hall, where everybody was met by a welcoming party who served them cheese and wine.

Some of the oldest past pupils of the Barron School were presented with mementos of the joyous occasion by Mrs. Kitty O'Brien, a former teacher of the school.

Fr. Michael J. Ryan then took the stage and formally launched a booklet on the history of the parish entitled "The Parish of Stradbally, Co. Waterford, 1685-1990." The Bonmahon Seafield Pipe Band led the party to Scoil na Croise Naofa where the jubilee flag was jointly raised by the oldest past pupil Jack Morrissey, aged 87 years and the youngest pupil Damien Drummy aged 7 years, 80 years separating them.

Mr. Tom Murphy, N.T., was gracious in his remarks to the gathering and acknowledged the work of the organising committees. He then requested His Lordship, Dr. Michael Russell to bless the foundation stone for the proposed hard court.

A sumptuous meal was had by the older past pupils and guests. Following the meal, music was provided by the Comhaltas group under the stars and harvest

moon, a few hours of nostalgia, craic and music were whiled away into the small hours of the morning.

On Saturday, August 4, an underage hurling match set off the proceedings for the evening. It was cheers all around when Tom Cunningham and Tony Coffey led out their respective teams, veterans of former glory, onto the field.

Photographic session over, the match got underway with Fr. Michael J. Ryan as referee. It was a thrilling match much enjoyed by an enthusiastic attendance where Tom Foley acted as a lively and efficient MC for the events of the weekend.

Sunday, August 5, all roads led to Clonea, where the biggest turnout ever from the parish, including visitors from abroad, enjoyed a combined schools social and afterwards danced to the strains of Seattle.

It was a wonderful weekend of memories of school days and renewing old acquaintances. The clerk of the weather was more than generous and played no small part in the success of the weekend.

All of the minor secondary roads in the area are all in a disgraceful state and need cutting right away because they are all overgrown and if they are not cut back soon, they will become a dangerous hazard

## TIDY TOWNS BIG DAY

There are great preparations being made in this parish for the Entente Floral judges and the press and television on today Thursday, August 16, when we will be in the eyes of all Ireland and better still Europe. This should do great things for Waterford and Stradbally for a long time ahead. We take this opportunity in wishing our local Tidy Towns Committee well on this great day for this whole parish area.

We also thank the people who gave cash and especially our main sponsor Waterford Foods plc, Dungarvan, and also all of the great people who made this day possible.

## SWIMMING CLASSES

We have the Irish Water Safety Association back in this parish area again at the local Stradbally Cove this week until Saturday, August 19, where it is hoped that they had another large turnout.

## BORN 100 YEARS AGO

One hundred years ago on September 16, 1890 Mrs. Cathy Kett who born. She emigrated to Australia in 1922 to join her two brothers who were priests ministering in the land of the Southern Cross. They were Fathers Larry and Willie. All were natives of Affane and received their early education at the old Affane National School.

She has paid many visits to the old sod but none so important as the one she is spending right now, culminating in the celebration of her one hundredth birthday next month. Enjoying excellent health, there is no doubt she will participate with gusto.

She is at present staying with the Coffey family of Mount Mellerary waiting for the big day. We hope she will have a wonderful celebration with her family and friends.

A very attractive soccer match has been arranged for Friday night, August 17 at the Danes Field with proceeds in aid of the Eddie Fraher Accident Fund. The competing teams will be Fawley's Angels versus The Comeragh Sharks. All players will be over 30 with some we understand a decade or so more! Efforts are being made to match the winners against the W.L.R. team who were such an attraction on August Monday.

The match on Friday night will be followed by a disco at the Sportsman's Inn. We hope both events will be well supported. It is a worthy cause.

## DUCK RACE

This long awaited event will take place on this (Wednesday) evening, August 15, at 7 p.m. The birds will start from the Stone Bridge and will travel (we hope) over a hazardous course to finish at the Rock. With the fast flow of river right now and a low tide it should be exciting.

## AFFANE/CAPPOQUIN G.A.A. NOTES

On this (Wednesday) evening our intermediate footballers will take part in the Annual Pattern match v. Modeligo at Modeligo. It is our first time competing in this event and we are grateful to the Pattern Committee for the kind invitation. We expect our supporters to travel in large numbers. We understand that after the match there will be a tug-of-war and of course there will be open air dancing, so it

should be a great evening out.

Gate collectors this week will be — E. Fraher, B. Cunningham and J. Coughlan. Collectors next week — M. Ormonde and M. Phelan.

The Club wishes a speedy recovery to P.R.O. Eddie Fraher, who was involved in an unfortunate accident recently.

After a lapse of two months we resume our fund raising this week. We will be calling to you with tickets for the "dogs" and, we hope you will be as generous to us as you have always been. Nothing is too small to give to this worthy cause.

Our night is on Friday week, August 24 at Youghal Track, thanks to our friend and committee member the late Peter Casey who we all miss very much, ar dheis De go raibh a anam uasal. Sincere sympathy is extended to Mary, his family, relatives and friends.

This was the venture which started us off this time last year penniless at the time. We hope to be as successful this time with your help.

Greyhound racing is ideal family entertainment starting at 8.15 p.m. and finishing at 10 p.m.

If anybody feels lucky they can spend as little as 50p per bet on the tote, but you don't have to bet unless you want to. Even if you are not a doggie fan at all there are some nice prizes on the tickets to be drawn on the night.

We are very grateful to the track management, our sponsors and to all of you our supporters for your generosity all along. Plans for the Centre are with the committee at the moment.

# ASTRODAMUS

**ARIES**  
MAR 21-APR 20  
Your spirits will be restored after a recent bout of gloom. But make allowances for those who may not feel as bright and breezy as you. A child will appear to be rather touchy at the moment, though there's plenty of love underneath. Try to tone down your leadership drives or you'll be considered bossy.

**TAURUS**  
APR 21-MAY 21  
The weekend brings a puzzle. Don't rush to solve a problem that's buzzing around in your head. There are a lot of possibilities and a danger that you could make a snap decision which won't be to your advantage. You may become involved in an argument and socially you may feel out of your depth. Remain calm and take your time over things.

**GEMINI**  
MAY 22-JUN 21  
Don't allow others to off-load their problems on you. If you can't escape such burdens, make it clear that you must be allowed to handle matters your way. Excellent working week if you're involved with sales, exports or public relations. Work to your own rules and avoid rows.

**CANCER**  
JUN 22-JUL 22  
You enjoy making others feel more comfortable and cared for. Current period offers a perfect opportunity to lavish tender loving care on more than one lost and lonely soul. Don't waste your time on last-minute changes of plan, you've all those tears to dry. A legal problem should sort itself out.

**LEO**  
JUL 23-AUG 23  
Be sensible this week. It will be hard to explain things on the 'phone. At any hint of confusion stop and demand not only to know the other side of the situation but also enough time to let your views and opinions be given serious consideration. Encourage a child to be artistic and tender-hearted.

**VIRGO**  
AUG 24-SEP 22  
The face you wear when confronting the outside world is important. A hint of weakness will be scooped up by your opponents and might easily be used against you in the future. Brand new belongings could cause some problems at first, so be sure to check measurements, instructions, etc., carefully.

**LIBRA**  
SEP 23-OCT 23  
Stick with like-minded people. You need harmony. Those who love to argue stretch even your flexible limits to breaking point. Promises made this week are important, so think before you make any. You get on well with officials. Wednesday seems unusually lucky!

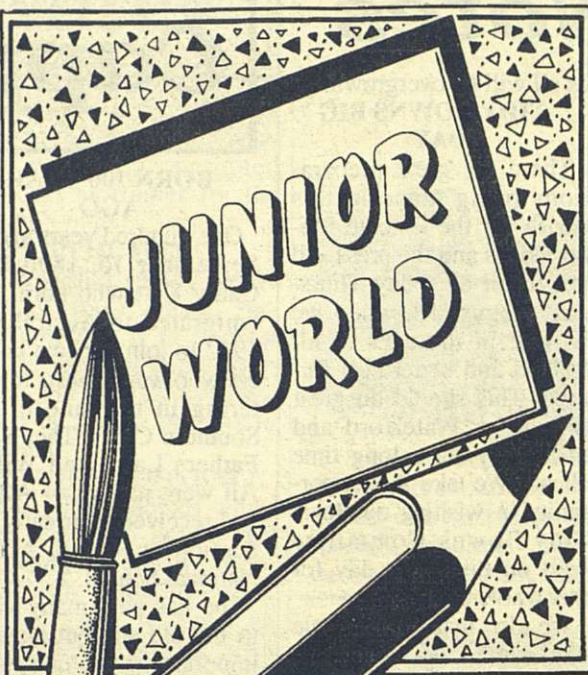

**SCORPIO**  
OCT 24-NOV 22  
Don't get involved in an argument that you don't really understand. Stay loose; this isn't a week for sticking to patterns of behaviour that may have served you well in the past. You may have to give ground. But the results will show it to be a wise move.

**SAGITTARIUS**  
NOV 23-DEC 21  
Don't expect too much time to stand and think. But rushing here, there and everywhere urgently won't give you sufficient time to consider details. Put duty before pleasure, however. If you help a neighbour, there will be a pleasant surprise in return.

**CAPRICORN**  
DEC 22-JAN 20  
A vague feeling of not quite understanding what's going on must not allow you to become so insecure that you lose your grip on common sense. Someone new at work will arouse your indignation. Enjoy the positive and allow the unknown to care for itself.

**AQUARIUS**  
JAN 21-FEB 18  
It could be an eventful weekend — certainly you need more excitement than usual. Don't fret if you can't get someone special on his or her own to reveal all you know. So much is happening that you shouldn't give so much attention to minor irritations. Keep on smiling.

**PISCES**  
FEB 19-MAR 20  
You will be torn between duty and the irresistible urge to do as you please. The happiest way is a mixture. Do what has to be done — but let changes of plans be known as early as possible. Then relax and have fun. Within the family you admit a mistake.

## New Florist Shop Opens in Mary Street, Dungarvan

Our congratulations and best wishes this week are extended to Sarah Gallagher. Indeed we bid a hearty successful welcome return to the Old Boro to this former "daughter of Dungarvan" who has come back to set up her own business at 28, Mary Street. Sarah, accompanied by her sister Michelle, has opened a new florist shop "Pearl's Petals" in Mary Street. Daughter of Michael and Joan Gallagher of Donaskeigh, Tipperary, Sarah is no stranger

to the area as the family lived in Ballyharrahan House, Dungarvan, before moving to County Tipperary some fifteen years ago. Sarah did her training as a florist in a well known florist shop in Tipperary town. Once she had made up her mind to set up on her own, she decided to return to the Old Boro

and on July 27, opened Pearl's Petals at 28 Mary Street.

In a beautifully laid out and tastefully decorated and spacious premises you can browse through her extensive stocks of flowers and plants, both fresh and silk. Services include the making of many different kinds of wreaths, funeral sprays, hearts, crosses and personalised bouquets, such as "Mum," "Dad," etc.

Of course Wedding Bouquets are also a speciality as well as Church Decor. Also included is the hire out of Pedestal Arks and the Arch which will be delivered, assembled and collected again from the church.

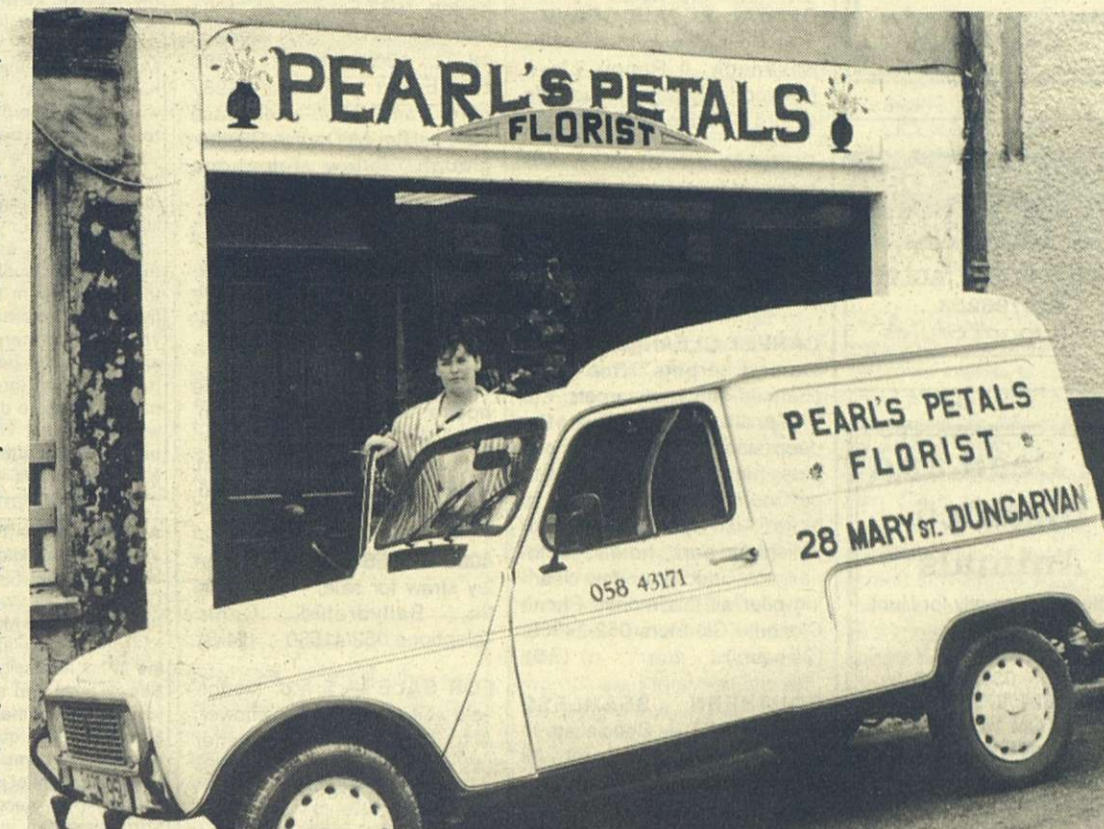

Pearl's Petals also offers a speedy van delivery service free of charge in Dungarvan and Abbeyside. You bring your ideas to us — we create the flower arrangement of your choice and then deliver the finished product — be it for birthdays, anniversaries, that new baby, Valentine's Day, Mothers Day, Christmas, or just

a simple "Thank You" bouquet.

Also available — Beautifully designed Crockery Plant Containers. We supply beautiful Potted Plants. All Foods for Indoor Plants, Insecticides, Plant Lables, Secretaires, etc.

All orders, big or small, are given the same meticulous care, and personal attention is assured at all times for each item.

For the convenience of motorists there is a rear entrance into the shop from the Mary Street/Friary Street Car Park over Bill's Mobile Repairs.

Sarah is on hand at all times for a quick delivery service

For the hearts that loved you dearly,  
Are the ones that don't forget.

(Sady missed by your son Michael, daughter-in-law Mary and family, daughters Ann and Mary.)

**O FLOINN** — First Anniversary — In sad and loving memory of Micheal, Murphy Place, Abbeyside, who died on August 15, 1989.

As long as our hearts keep beating,  
As long as our eyes shed tears,  
We will always love and miss you,  
No matter how many years.

(Sadly missed by your heart-broken mother, brother and sisters.)

**O'SHEA** — Treasured memories, not only at this her anniversary time, but always, of my friend "San." R.I.P. Masses offered.

Memories of you are lovingly kept,  
Someone too special to ever forget.

(Lovingly remembered always by Cheryl.)

**WADE** — Second Anniversary — In loving memory of my dear sister, Helen, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.

God saw you getting weary,  
A cure was not to be,  
He put His arms around you,  
And whispered come to me.  
So keep your arms around her, Lord,  
And give her special care,  
Make up for all she suffered,  
And all that seemed unfair.

We prayed for a miracle, but all in vain,  
For God to make you well again,  
We tried to smile and help you along,  
Knowing tomorrow you might be gone,  
We laughed out loud but sobbed inside,  
For the awful truth we had to hide.

We seldom ask for miracles,  
But today just one would do,  
To leave the door wide open,  
And see you walking through.  
There comes a time for all of us,  
When we must say goodbye,  
But faith and hope and care and trust,  
Can never, never die.

Although the curtain falls at last,  
Is that a cause to grieve,  
The future's fairer than the past,  
If only we believe.

Trust in God's eternal care,  
So when the Master calls,  
Let's say that life is still more fair,  
Although the curtain falls.

(From your loving brother Willie, Pearl and family.)

## RED HOUSE LEAGUE

# Annual General Meeting

The annual general meeting of The Red House League took place in The Red House, Lismore, on Monday, July 30. Paddy Pollard, Chairman presided and welcomed all the clubs present.

Also present were Mr. John Sheehan, Chairman, Waterford Junior League, Mr. Jimmy Barnes, Secretary, Junior League and Mr. Noel Wallace, Waterford Representative to the Red House League.

After the minutes of the last A.G.M. had been adopted, the Secretary Paddy Mason, read his report. He dealt on every aspect of the league for the past 12 months and his report was thorough as was to be expected from a very competent secretary.

Lennie Fraser, Treasurer, then presented his report. The league made a profit on the season, which was a credit to all considering the high expense incurred. Sponsorship again played a major part in the league staying in the black and of course credit is again due to our sponsors for their continued support.

The outgoing Chairman then spoke of the past season and during the course of his address he paid a special compliment to local correspondent and reporter, Mr. Dermot O'Leary, who retired from reporting at the end of last season. Dermot has been covering our league since its formation and his reporting of games was always of the highest standard and will be missed.

The reports of the chairman, secretary and treasurer were adopted without any questions from the floor.

Mr. John Sheehan, Chairman, Waterford Junior

League, spoke before the election of the new committee. He said the reports of the officers showed how well the league has been managed and a great vote of confidence was passed on them by delegates present when all reports were passed without comment or question. Mr. Sheehan said he personally was delighted with the progress made by the league in the past few seasons as he was one of those involved in negotiations between both leagues in having The Red House League affiliated to the Waterford League.

He has also seen a vast improvement on the playing field since the first inter-league game between both leagues took place. The standard has improved and this was borne out last Easter Monday when the Waterford League could count themselves lucky to have won on the day.

John Sheehan then introduced the new Waterford Secretary, Jimmy Barnes who also spoke.

Mr. Noel Wallace said he was delighted to be the league's representative again for the coming season.

## ELECTION OF OFFICES

John Sheehan then presided over the election of chairman for the coming year and the committee elected is:

Chairman — Paddy Pollard; Vice-Chairman — Eddie O'Shea; Secretary — Paddy Mason; Treasurer — Lennie Fraser; P.R.O. — Eddie O'Shea.

The new season will commence with the Tony Bolger Perpetual Cup on Sunday, September 16, while the first meeting (delegate) will take place in The Red House, Lismore

on Monday, September 10 at 9 p.m.

There were just two motions before the meeting both from the Management Committee. An extra £5 to the entry fee was passed unanimously, while an increase in the fine for failing to fulfill a fixture did not receive the necessary two-thirds majority, but an amendment was passed on the proposal of the Cappoquin Club, which will make it a costly experience for any club failing to fulfill a fixture.

Finally, Chairman Paddy Pollard thanked all for their attendance and looked forward to a successful new season.

## BRIDE VIEW UNITED A.F.C. NOTES

**Annual General Meeting** — The club's A.G.M. which was to have taken place last week was cancelled due to so many of the boys being unavailable. However, the clubs A.G.M. takes place on next Monday night, August 20 in St. Patrick's Hall at 8.30 p.m. sharp. Anyone interested in joining the club either at junior or schoolboy level are welcome to attend.

**Big Hit In Cobh** — Mick McCarthy proved what a down to earth person he is when his club Millwall

took on Cobh Ramblers, Mick spent almost an hour signing autographs and standing in for photographs for the fans. Not one fan in Cobh was disappointed.

Mick had a special word for the Tallow boys which he met before and after the game. All sorts of rumours have been circulating in Tallow during the last few weeks, where they started nobody knows but to put everyone in the picture here is the story.

Mick hopes to come to Tallow in November. Now no date has yet been decided on but if at all possible it will be on a Sunday. However, it's not certain as yet. If Mick cannot make it in November we may have to wait until next year before he visits Tallow. So now folks there you have it!

**U-16 Challenge Game — Fermoy 5 Bride View Utd. 3** — Fermoy's U-16 squad were made fight all the way before defeating us with two late goals. It was a big improvement from our boys who on the evening were most unlucky not to have at least got a draw. Stephen Hampton (2) and Gary Henley had United in front at the break on the score of 3-2. Fermoy drew level 16 minutes into the second half and added two further goals late in this half to run out winners.

**United** — W. Rooney, J. Fraser, F. Moore, B. Hogan, D. Martin, T. Keniry, J. P. Troy, M. Tobin, J. Murray, S. Hampton, G. Henley. Res. — W. Murphy for B. Hogan (inj.), B. Power for G. Henley (inj.), and P. O'Flynn for M. Tobin.

**This Week's Fixtures** — Saturday, August 18, Tavern Cup in Cappoquin — Bride View United v. Lismore, kick-off 7 p.m. Players to be at Square at 6.15 p.m. sharp.

Saturday, August 19 — U-16, Fermoy v. Bride View United, kick-off 11.30 a.m.

**Training** — U-16's Tuesday and Thursday nights; U-10 and 12's will train on Monday nights; U-14 players to be notified.

## TALLOW CAMOGIE CLUB NOTES

Tallow Camogie Club will hold a six weeks draw. First draw will commence on Sunday, August 26. Tickets available from any member of the junior team. (Advt.) — P.R.O.

## TALLOW G.A.A. NOTES

**U-12 Hurling — Tallow 4-2 St. Patricks 2-2** — The final score shows that Tallow won this semi-final of the Under-12 hurling championship last Thursday in Lismore but it doesn't tell the full story of this exciting encounter between two well matched teams. It was hard luck on

St. Patricks that their goalie was unavailable and that their midfielder had to play in goal because it was the Tallow midfield of Stephen Curley and Barry Power which made the vital difference. Stephen was the best player on the pitch and Barry's two goals came from good striking of the ball — the most essential hurling skill.

Aided by the breeze Tallow took the initiative from the throw-in and led 3-1 to 1-1 at half time. The second half was fast and furious with every player committed to victory as St. Pats strove mightily to get back on terms, only to be met by fierce resistance from Tom Mulcahy, Mark Frazer, Johnny Barry, Rory Henley and the younger ones Sean Slattery, Martin Ryan and Shane McCarthy. James Murray, Billy Henley and Jason Prescod kept the opposition backs very busy until the final whistle brought respite for victors and vanquished.

**Scorers** — B. Power and J. Murray 2-0 each; S. Curley 0-2.

**Team** — Roy Henley, S. Slattery, T. Mulcahy, M. Ryan, S. McCarthy, M. Fraser, J. Barry, S. Curley, B. Power, J. Prescod, J. Murray, B. Henley, J. Cremin, D. Cremin, M. O'Brien. Subs. — S. Cronin, R. Cronin, D. O'Brien.

**Congratulations** — To Jennifer McIntosh and Yvonne Slattery, who played on the Munster girls football team which played Connaught in Croke Park on Sunday last.

## ST. CATHERINE'S G.A.A. CLUB NOTES

Our U-16 hurlers had two practice games at Ballynoe in preparation for their championship debut against Sarsfields. The first game against Carrigtwohill was a very even contest and a draw was a fair result. The second game against Blackrock was much of a similar nature in the first half, but Catherine's who were short three of their regulars faded in the second half and the 'Rock were worthy winners.

John G. Barry refereed.

Word has now been received that the championship U-16 tie versus Sarsfields at Lisgoold this Monday has been postponed and could possibly be played during the weekend.

**U-14 Hurling Final At Ballynoe — Midleton V. Castlelyons** — This contest brought a great crowd of followers to Ballynoe last week and although Midleton won well in the final analysis, it held the interest throughout the hour. Castlelyons were a lighter bunch of players and this is usually a bit of a handicap at juvenile level. Midleton

were very experienced and were master hands at picking off scores. Castlelyons came into the game very strongly in the last quarter and added to the scoreboard with a couple of good goals and points, but Midleton were the superior team and were worthy winners of the trophy.

Pat Lane, St. Catherine's refereed and also as a member of the Divisional Juvenile Board he presented the cup to the winning captain.

**O'Flynn Cup** — St. Catherine's junior hurlers have qualified for the above final which will be played prior to the East Cork (Grade A) hurling final (Aghada v. Midleton) at Lisgoold on the last Sunday of this month. Their opponents will be Sarsfields, who defeated Dunggourney in the semi-final of the competition, which incidentally is for junior A hurling teams who were defeated in the first rounds of the championship.

## BALLYNOE GROTTTO

As usual the Rosary was recited after 11 o'clock Mass in St. Catherine's Church in Ballynoe at Ballynoe Grotto on August 15, the Feast of the Assumption of Our Blessed Lady. On Wednesday, August 22 Mass will be celebrated at the Grotto at 8 p.m.

## BALLYNOE PAST PUPILS REUNION COMMITTEE

As a gesture of appreciation a social and cup of tea will be held in the Hall, Ballynoe this Saturday, for all those who helped, even the least, during the preparations for the recent and successful reunion function. The video of the Reunion will also be launched there, so come along this Saturday evening after 8 o'clock Mass. Beidh faille romhaibh.

## Pat Tobin Sings Country & Irish

Yes, the headline says it all! That most popular of local artists has acceded to public demand and put together a recording of some of his favourite songs. "Pat Tobin Sings Country and Irish" — a 10-track tape featuring a wide variety of popular numbers with a sprinkling of parodies and comedy (which one would expect) will be launched at the Cats Bar, Mt. Mellerary on Saturday, August 18 in conjunction with the return visit of Louise Morrissey and her band, recent winners of the International Gold Star Award in Switzerland.

A most unassuming young man and well known throughout Munster, Pat has provided many hours of

PAT TOBIN

"craic" and enjoyment to a good many people. What is not so well known is the fact that he has already performed in the US and Britain where he became a favourite with local audiences.

## TV PERSONALITY FOR CARRICK

Well known TV commentator, Phil Liggot, will be the special guest of honour at the fourth annual Cidona Cycling Course which takes place this weekend, August 16, 17 and 18, at Carrick Vocational School, Co. Tipperary. This will be the second successive year for Phil to attend the course.

Over 200 boys and girls from throughout the country are expected to attend the course which includes lectures on safety, control, racing and all other aspects of cycling. The course is packed with events to ensure that it's both entertaining and educational.

Top, internationally

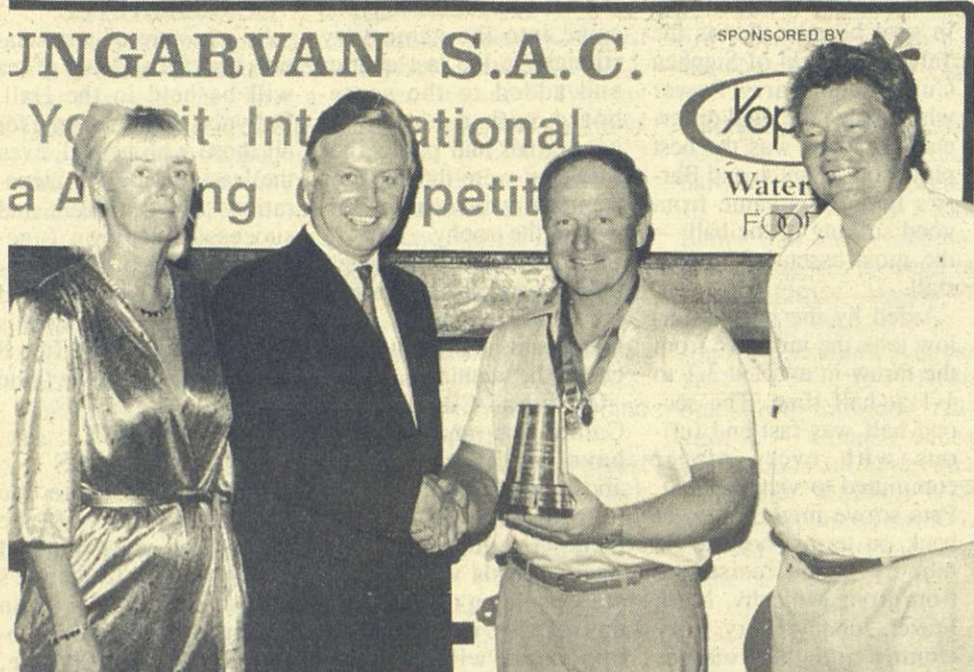

recognised, cycling coaches will be conducting the course and it is their hope that young boys and girls will develop a love of cycling, which will in turn raise their quality of life.

The course is run by one of Ireland's best known cycling clubs, the Cidona Carrick Wheelers.

# Massive Catches For Yoplait International

**WAS TOP SEA ANGLER** — Cormac Walsh overall winner of the 2-day Yoplait Gold Medal International Sea Angling Competition being congratulated by Paddy Cummins, Assistant Chief Executive, Waterford Foods plc, sponsors for the event. Also in the picture are Miriam Cummins and Damien Dillon, Chairmen, Dungarvan S.A.C., the organisers.

Well, another chapter written with the Yoplait 2-Day competition sponsored by Waterford Foods. Who could have guessed the outcome, what with 10 of the main prizes going 'out of State,' a massive catch of garfish (257 in all) and 150 pollock this was certainly a competition with a difference. The tongue has to be bitten after our last notes, when we anticipated that the locals would fare well.

Cormac Walsh, our local skipper, did the overall task and captured the main prize including a weekend in London and all the trappings that go with that position on the scoreboard but then the Dutch and the Germans were hard on his heels for the other prizes. Well done all.

In the two days when the fishing was certainly different and difficult, the local skippers rose to the occasion and put us into fish that were different to the norm. We must also thank the Helvick skippers for their great support and assistance in our difficulties, so thanks again to Batty and Pat. Connie was there also to help out Maurice when he was out near Barbados or Cuba!

Glamour and atmosphere was added to the proceedings by the presence of Miriam Cummins and Mary Dixon and the two local bands, the Dungarvan Pipe Band and the Brass Band. The quays were reminiscent of the days of the Fleadh Ceoil.

Noteworthy over the weekend was the presence of some heavy machinery, clearing the sludge from the harbour. This is appreciated by the club and all associated with maritime sport and activity. There seems to be a determined effort to clean the harbour which, no doubt, will ease our problems of tying up and get rid of the build-up of unpleasant smelling silt.

**NEXT COMPETITION**  
Our next event is the Waterford Glass competition. This most popular outing is expected to be bigger and better than ever, so please get the entries and entry fees in early and we particularly need the co-operation

as Sev, Norah and Ann are off sunning themselves in far foreign climes.

Has anyone seen "Johnny Boats" recently, the Red Shadow, he wasn't to be seen at all over the weekend! Maurice says that he was given the okay recently and that he's now nearly fully trained. Breda has let it be known that she'll retire next year when she gets two more medals that will complete her two sets.

## Abbeyside S.A.C. Club Notes

On Saturday night week we fished our Annual Mid-night Competition in Clonea, sponsored by Irish Water Services (Slane).

While fishing under a full moon it was beautiful to see the tilly lamps dotted along the beach. Even though it was a beautiful night the fish returns were poor.

# Muintir Na Rinne Will Take Over Youghal Track

On Friday night next, August 17, the confines of the Greyhound track at Youghal will be buzzing. The regulars will wonder as the strains of "Gaeilge binn blasta" waft through the air, mingling with and submerging those of the French, German, Spanish and Italian, as well as that of the Bearla spoken with the 'blas' of varying counties and countries. Yes, the long awaited Race Night has come at last. Muintir na Rinne will take over the track!

This occasion is the culmination of many months of organisation and planning, the fruits of the labours of the industrious Board of Management and their diligent helpers from among the parents of the school children. For many years now, in Rinn O gCuanach, the Bunscoil and the facilities it has offered the children have been substandard. Now that the building has been refurbished and extended, it needs to be furnished and equipped to an acceptable standard. Hence the need to accumulate funds to provide a fitting environment for our children.

This, then, is a parish ef-

fort. the children of the present as well as those of the future, will benefit from the equipment and facilities which can be provided from this fund-raising event.

The Committee urges and invites all the parishioners and friends of An Rinn to grace us with their presence on Friday night. Bring along your family and friends for a great night's entertainment. Patrons will have the opportunity of winning a variety of prizes, as well as making money on the races!

Some valuable prizes are on offer on the entry tickets (even if you can't attend and you buy a ticket you will be eligible for this

draw). Special prizes are on offer to the best dressed lady and gent, so peruse your wardrobes and select that special occasion garment and accessories!

B'fheidir go bhfuil roinnt daoine sa Pharoiste nach raibh riamh ag na "madrai." ## Blackwater Cycling Club

The regional finals for the underage All-Ireland Championships were held in Clonmel on Wednesday last. The under 12's and 14's had to do a skill course and the under 16's had a race. We had three cyclists taking part in the under 12's: Paul Moore came first, Vincent Lombard 12th and Brian Moore 13th.

There are 14 going through in the under 14's: Bryan Geary came 1st, Ken Moore 12th, and Shane Motherway goes through automatically. Shane is still in France and we will be hearing all about his trip next week. In the under

16's, John Moore goes through.

It is very encouraging for a new club to see all its members who went to the finals managing to qualify.

The first race in 20 years took place in Lismore on Sunday last. The club helped to run it. Paul Moore came fourth in the under 12's. His chain came off and it held him up. Vincent Lombard, Michael Landers and Brian Moore took part. Ken Moore, Bryan Geary and John Moore also took part. It is hoped that the race will become a regular race in Lismore.

## LADIES FOOTBALL

# Waterford Too Strong For Cork

WATERFORD 2-13 CORK 0-8

Waterford senior ladies footballers duly qualified for the Munster final for the fourth year in a row when they scored a convincing victory over Cork at Ballymacarbry on Saturday evening last. In doing so they played some great football and notched some fine scores. Cork fielded a young and inexperienced side and that was eventually to prove their downfall.

Conditions were ideal when referee John Moroney (Clare) threw-in the ball and Waterford immediately attacked and Marie Crotty opened the scoring in the 2nd minutes with an excellent point from the left wing. Cork replied instantly with a point from a free before Bernie Ryan taking a pass from Geraldine O'Ryan restored Waterford's lead in the 7th minute. Aine Wall added another two minutes later and by now Waterford were constantly on the attack thanks to midfield domination by Catriona Casey and Geraldine O'Ryan.

Marie Crotty scored two points within a minute and while Cork had a lone reply Marie added three more in a five minute spell and was also unlucky with a fine attempt for a goal. Geraldine O'Ryan closed the first half scoring with a point to leave Waterford 0-9 to 0-2 ahead at the interval.

Cork began the second half in a determined mood and quickly added a point, but this was cancelled out by Bernie Ryan in the 4th minute. Again Cork replied with a pointed free before the crucial score arrived in the 37th minute. A move which began with Martina O'Ryan on the edge of her own square and after half a dozen passes ended with Fiona Crotty scoring a superb goal. Aine Wall added another three minutes later after a blistering solo run.

Cork to their credit never gave up and forced goalkeeper Patricia Butler to make a brilliant save in the 15th minute. They were always struggling against a Waterford full-back line of which Ann Dunford, Martina O'Ryan and particularly Noirin Walsh were outstanding. Cork scored three points on the trot between the 20th and 25th minutes before Fiona Crotty and her sister Marie completed Waterford's tally of 2-13.

While it must be taken into consideration that Cork weren't particularly strong opposition, Waterford played some fine football, put together some lovely moves and with further improvement will certainly trouble Kerry in the

final. Patricia Butler was a capable goalkeeper, the full-back line as already stated was well in control, the half-back line caused some anxious moments and the regular centre-half back Ann Fitzpatrick was sorely missed. Her return for the next game will be very welcome.

### WELL IN CONTROL

Waterford were always well in control at midfield with Catriona Casey and Geraldine O'Ryan in fine form and they gave a regular and good supply of ball to the forward line. Marie Crotty, Bernie Ryan and Aine Wall were always that step ahead of their opponents and consequently the Cork defence was always stretched. Olivia Condon, Clare Walsh, Cliona Walsh, Regina Byrne, Fiona Crotty and substitute Honor Lonergan all did enough to suggest that competition for places is going to be intense.

So now it's down to a clash with old rivals Kerry in two weeks time. While there is plenty of room for improvement, Waterford did enough in this game to suggest that they are well capable of ending the Kingdom's eight year unbeaten run.

Team — P. Butler, A. Dunford, M. O'Ryan, R. Byrne, C. Walsh, D. Tyrrell, N. Walsh, C. Casey, G. O'Ryan (0-1), A. Wall (1-1), B. Ryan (0-2), O. Condon, F. Crotty (1-1), M. Crotty (0-7), C. Walsh (0-1), Subs. — M. O'Ryan, C. Whyte, H. Lonergan.

On Sunday week Waterford play the National League semi-final against Westmeath at Ballymacarbry (3.30 p.m.) Waterford have already beaten Westmeath (away) in the competition and should qualify for this final. With June Whyte and Sinead Walsh still out of action, hopefully any further injuries won't be picked up.

The senior (club) championship semi-final between Na Deise and Newtown, takes place on Sunday at Bushy Park (12 o'clock). When the sides met a couple of weeks ago Na Deise had a narrow victory and will start as favourites on this occasion. However, a Newtown victory cannot be ruled out.

On this Wednesday evening, August 15 the club celebrates the 50th Anniversary of the famous five-in-a-row team, with a great game against our neighbours and county champions Kilrossanty in the field at 7 p.m. for a set of trophies. This should be

a very interesting game as both are again going for county honours.

### JUNIOR WESTERN SEMI-FINAL

On Sunday evening week,

August 26 our junior footballers play An Rinn in the Western semi-final in Dungarvan at 7 p.m. This will prove a most difficult game to win as Ring are the form team at the moment but we are sure the "Reds" will be ready come this important game. So let's hope everybody will be geared up for this important game.

### RATHGORMACK FINAL

It's quite possible that the final of the Rathgormack tournament will be played this coming weekend. Players will be notified.

### BEATEN IN LEMYBRIEN

### Cunnigar Pitch and Putt Club Notes

## A GREAT FIRST COMPETITION

Remember the Italian fever of a few short weeks ago? Well you can forget it. After the August weekend pitch and putt is "King" as a result of our first closed competition.

As you are aware, over the three days we catered for under-16 and adults, and without a doubt the under-16's stole the show. For everyone playing it was a memorable weekend with perfect weather and ideal playing conditions and the added spice of competitive play, with many impressive scores being returned. Calm, cool, concentration was the order of the day but nowhere was this more evident than among the under-16's. For them it was serious business all the way and they were determined to show the results of their practising all along.

Seeing the enthusiasm and expertise they displayed it is obvious that in the years to come much credit and glory will accrue to Cunnigar Pitch and Putt Club.

Mention must be made too of all those who organised the competition and who were responsible for its running and our thanks to all concerned.

The course continues to be in almost non-stop demand day after day and it has been noticed on a few occasions that some players

in their eagerness are setting out to follow the ball without letting their fellow players have their shots. It cannot be said too often — keep your mind on the game and you won't get hurt.

Courtesy on the course is another matter worth considering — if you think the players ahead of you are going too slow — don't just barge your way past them, just ask their permission. Likewise if you are asked to let others go ahead who are obviously waiting for you to move — well why not let them off.

Here now are the results of our August Week-End Competition:

Juveniles — 1st Brian Donovan, 2nd Brendan Delaney. Best 18's - Aidan Landers, John Newman.

Ladies — 1st June James, 2nd Cassie Dolan. Best 18's - Patricia O'Regan, Martina Walsh.

Gents — 1st John M. Power, 2nd Philip Connors. Best 18's - Michael Delaney, Vincent Tobin.

Well done to all concerned and our thanks to you Pearse.

## Abbeyside/Ballinacourty G.A.A. Notes

### ENJOYABLE WEEKEND

Our U-14 football squad had an enjoyable stay in Dublin over the weekend, where they were guests of Good Counsel. All arrangements in the capital were handled on our behalf by Fr. Goode and Br. Bernard, two men who gave great service to the club in times past.

The highlight of the trip, was of course the 'big match' in Croke Park between Cork and Roscommon, while the boys also saw Michael Hickey and Derek Hayes participating in the I.N.T.O. Mini Sevens football competition. All in all it was a very satisfying and enjoyable weekend for all concerned.

### U-8 AND U-10

### HURLING

Coaching for this age group continues every Wednesday and Saturday morning at the usual times under the supervision of Pat Ryan and his co-workers.

### BEST WISHES

Congratulations are extended to Ger Collins and Martina Fogarty on their recent marriage and we wish them the best for the future.

### VILLAGE CYCLIST

It was great to hear the "memory man" Jimmy Magee speak so highly of Robert Power during the City Cycle Races televised from Dublin and Cork last week.

Robert who was wearing the green jersey of the Irish Amateur team, won Western U-14 football and minor 'B' hurling medals during his time as a promising juvenile.

No doubt we will hear much more of this Abbeyside cyclist in the years to come.

### HOME ON HOLIDAY

It was nice to see Fr. Michael Brennock at our game on Monday evening last. He is currently enjoying a short break at home from the U.S.A. where he is based at present.

### MINOR FIXTURES

The minor hurlers will play St. Mary's in the Western semi-final at Colligan on Wednesday, August 29 at 7 p.m. After a four month delay the minor football play-off against Clashmore will take place on Wednesday, August 15 at 6.45 p.m.

In the intermediate hurling quarter final we will play city side St. Saviours.

### UNDER-16 HURLERS WIN

Our U-16 hurlers were made to battle every inch of the way by Naomh Brid in the Western championship final at Dungarvan on Monday evening last.

We were playing with 14 players for 50 minutes of the game and we could have no complaints on that

score, the issue hung in the balance until the last 10 minutes.

Injuries sustained by Johnny Shields, Eoin Murray and Dermot Walsh all necessitated medical attention after the game. Thus our selectors have their problems, as they have only a few days in which to prepare their charges for the county final on Saturday next at the Fraher Field at 2 p.m. against Eastern champions Portlaw, in what will be a very difficult task.

Hopefully club members young and old will come

out to support the boys on Saturday next. It was great to see Mrs. Lennon in attendance, her presence recalled other memorable days.

Team — Brendan Landers, Gavin Breen, Johnny Shields, Dermot Walsh, Kieran Linean, Dermot Ryan, Eoin Murray, Jimmy Stacey (capt.), Damien Cliffe, Michael Enright, Brian Beatty, Dwaine Moore, Alan Landers, Patrick Veale, Kieran Curran. Subs. — J. Clancy, P. Spratt, Paul O'Brien (used), J. Moore, P. Shields, A. Moore.

This dedicated group of selectors, we can assure hurling supporters, will not be found wanting in their input into our teams and they deserve the support of every one from those who support

our teams to our clubs and adult Bord.

## Waterford Juvenile Football Leagues Notes

### COUNTY U-13 CHAMPIONS

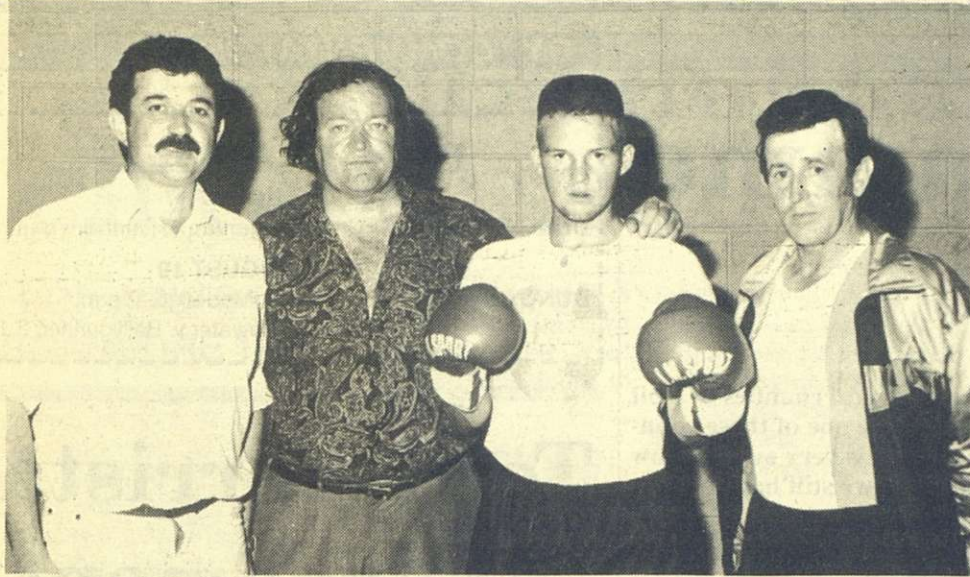

Last Sunday our county champions in grades 'A', 'B', and 'C' travelled to Croke Park for the All-Ireland football semi-final. This trip was part of the prizes for the three teams who won the finals of this competition in Kilmacthomas on July 21 last. We hope that the lads from St. Saviours, St. Patricks and Brickeys enjoyed their trip which was sponsored by County Bord na nOg.

We would like to thank Seamus O'Brien for organising this trip.

**UNDER-15 COMPETITION**  
At present the committee

of the juvenile football leagues are examining the possibility of running an Under-15 competition. To do this we need the assistance of clubs firstly to inform us if they are interested and secondly we need suggestions and ideas on which way clubs would prefer the competition to be run. These can be forwarded to Seamus Aylward or Tom Barrett in the East and Seamus O'Brien or P. J. Coleman in the West.

To enable the committee to draw up a complete report on our last competition we would like some clubs to submit their opinions and ideas on that competition.

**TO BOX IN GERMANY** — Killian Walsh of the Dungarvan Boxing Club is a member of the Munster Selection which is due to travel to Germany where they will box in Munich. His trip is being sponsored by Radley Engineering Ltd., Dungarvan and we wish him every success. He is pictured here with Gerry O'Mahony, Chairman Dungarvan Boxing Club, John Mahon, International Coach and Tom Landers, Trainer. (Photo: Pat Crowley)

**INTERMEDIATE FOOTBALL REPLAY**

# Resolute Faha Qualify For Final

Faha 2-11, Ardmore 1-9  
[By "Commentator"]

This tremendously exciting semi-final replay certainly lived up to expectations and gave good value for a reasonably good attendance at Fraher Field on Sunday afternoon. Both sides showed little change from the sides which played a very exciting draw three weeks ago and for most of the game it followed the same pattern in that Ardmore became the front runners until Faha settled sufficiently to take over control in the second half in a match which produced a good standard of intermediate football.

An unfortunate accident in the first half when young Paul Hallahan had to be removed on a stretcher with a nasty leg injury, held up play for about seven minutes. Referee, Tomas O Meachair whose knowledge of first aid was most helpful in the circumstances, left the field of play to assist the injured player who was certainly contributing his share to Ardmore's fine performance up to this point.

Ardmore opened in good style and in the second minute had a point per former Munster Railway Cup player, Johnnie Hennessey and three minutes later their score became 1-1 to nil after their top scorer, Tony Keane converted a penalty. Points by John Troy in the 8th and 9th minutes reduced the gap and after Seamus Veale and Eddie Lennon exchanged points, Ardmore began to pull away and had the last three scores before half time, which came in the 37th minute and made it 1-6 to 0-3 in favour of Ardmore.

Aided by the light breeze, Faha got quickly into their stride at the start of the second half and with points by Troy (2) and Ger Power had narrowed the gap to a goal. A Kieran Power goal in the 15th minute brought them to within a point of the leaders and they were level a minute later when John Troy pointed a free. Keane put Ardmore in front again, in the 17th minute but this was Ardmore's final score and another Kieran Power goal in the 21st minute sealed their victory and although Ardmore fought back bravely, it was to no avail against a very resolute Faha defence.

Faha have now qualified for their third successive Western final and in this, their first intermediate final, they will play Shamrocks, who are the other qualifiers.

**Scorers** — Faha: J. Troy 0-7, K. Power 2-0, G. Power 0-2, E. Lannon and R. Kirwan 0-1 each; Ardmore: T. Keane 1-4, J. Hennessey 0-2, J. Veale, D. Conway and P. Walsh 0-1

Referee, Tomas O Meaghair handled the game very authoritatively.  
**Faha** — T. Jeynes; B. Butler, L. O'Connor, M. Kiely; M. Scurry, P. Casey, E. Lannon; G. Casey, P. Halloran; P. Power, K. Power, P. Organ; G. Power, J. Troy, A. Sheehan.  
**Sub.** — R. Kirwan for P. Power, B. Sweeney for B.

Sheehan, S. Dineen for P. Organ.  
**Ardmore** — J. O'Donnell; J. Sullivan, T. Power, T. Foley; H. Veale, B. Power, N. Keating; P. Walsh, D. Conway, P. Hallahan; S. Veale, Paul Hallahan; F. North, J. Hennessey, T. Keane.  
**Subs.** — J. Moloney for F. North, D. Hennessey for P. Hallahan.

## Dungarvan G.A.A. Notes

**VITAL S.F. TIE**

Our all important county senior football championship game against Dunhill has been re-fixed and now goes ahead at Fraher Field on this Friday evening (7.30 p.m.)

No one in the club needs to be told just how high the stakes are in this one. A victory will copperfasten our place in the quarter finals, but anything less would involve us in another "make or break" game against Kilmacthomas on Sunday week.

The panel has certainly prepared well for Friday's game and it's now down to the team to do the business on the night. However, we will be unable to afford the squandermania that was evident in our narrow defeat of the Nire last time out. A repetition could be disastrous.

Dunhill will be tough opponents, and with victory vitally important to them also they will pull out all the stops.

However in the final analysis our fate lies in our own hands, and knowing the commitment and dedication of the players I feel they are good enough to give us the win that would mean so much to the club. Good luck to the team.

**A HEARTBREAKING DEFEAT**

It was disappointment with a capital D for our Under-16 hurlers at Cappoquin last Saturday evening when they went under to old rivals Lismore by a solitary point in the Western "A" championship final.

It was a game we should have won, of that there can be no argument. But games are won and lost on the scoreboard, and on the night we simply fritted away far too many gilt edged chances.

John Power's goal and Jason Long's pointed free gave us a 1-1 to 0-2 interval lead after a half which had been decisively dominated by the respective defences.

Points by Eoin Cunningham and Jason Long still had us two points clear entering the final ten minutes when Lismore struck for the goal that proved to be the match winner. We piled on the pressure in the closing minutes but couldn't get the equaliser, and when Tom Morrissey's long range free dropped short in the final minute our last chance of saving the game had gone.

It was a brave bid by the team, yet the irony is that we didn't play nearly as well as we are capable of.

The panel was — J. Donnelly, C. Murphy, T. Morrissey, T. Curran, M. McLoughlin, J. J. Ronayne, K. Curran, E. Cunningham, D. O'Flynn, J. Power, N. Considine, B. McDonnell, T. O'Mahony, C. Gough, J. Long, D. Fleming, B. Downey, S. Curran, T. Galvin, M. Dunford, K. Tutty.

**MENTORS**

And so a gallant championship effort has ended in disappointment. However the thanks of everyone in the club goes to the players and especially to the selectors — Dave Long, Jim Mullins and John Morrissey who did trojan work with the panel right through the year.

**FOOTBALL**

The Under-16's now turn their thoughts to the football championship one

they are well capable of winning. Meanwhile for those members of the minor hurling panel training continues for our semi-final against St. Patrick's.

**BEST WISHES**

From everyone in the club to which he has given such splendid service over the years best wishes are extended to Mick Curran for a speedy recovery to full health.

Mick was taken ill while attending the Under-16 hurling Western final against Lismore last Saturday and is now a patient at the Waterford Regional Hospital. However the good news is that he is well on the road to complete recuperation.

A member of our executive committee, Mick is also a former club chairman, while his wife Maura is our efficient secretary, and his sons have played in many a game with us. See you back home soon Mick.

**MINOR HURLING**

Our Western minor hurling championship semi-final against St. Patrick's has been fixed for Fraher Field on Wednesday, August 29.

That's a game to be eagerly looked forward to, and of course there's a result to be reversed having already failed narrowly to St. Patrick's earlier in the league section of the championship.

**WEDDING CONGRATS**

Members of two families with deep roots in our club "tied the knot" last week.

Ann Lyons, daughter of Michael and Terry, married John Butler of Ballinamuck, while Tommy Sheehan, son of Bill and Mary, wed Heather Ansell.

We wish both couples many years of happiness together.

# Week-End Programme Of Games

The decision of Central Council to reject the National League proposals has placed several counties in a bit of a dilemma about finishing their club championships and it is unfortunate that we are one of these counties who have been over generous in giving clubs too long a space between games. This is very evident now that in the third week of August we have just one senior game listed for decision and we still have quite a number left to play before we can get going with the knock-out part of the programme.

We have obviously misjudged the situation which came about because several counties changed their minds about what they wanted — at a late stage.

On this week-end we have the Dungarvan/Dunhill senior football fifth round game and this is really the only important tie down to be decided.

At Dunhill's request it has been transferred from Saturday to Friday and it will be played at Fraher Field instead of Stradbally.

The week-end programme also includes the Fourmilewater/Ballygunner senior hurling clash, but his has to do with relegation and will have no bearing on the championship proper. The only other match to be played will be the Faha/Modeligo play-off junior hurling game which is scheduled for Fraher Field as the opener to the senior match on Sunday afternoon.

The three County Bord na n-Og Under-16 hurling finals will be played at Fraher Field on Saturday.

## DUNGARVAN V. DUNHILL

The switch of venue is going to be a slight advantage to Dungarvan in their bid to qualify for a place in the quarter final, but I'm sure they will not be so foolish as to believe that the advantage will be of major importance because Dunhill invariably play very well in the Fraher Field and the records show that they have won more than they have lost here.

Judging by their most recent displays, Dungarvan will be looked upon as the form team in this clash. Their tremendous challenge to Stradbally and their defeat of the Nire support the claim that they are among the strong contenders for the title, but they are not out of the wood yet and have two games to win to make certain of continued involvement.

It was exactly one hundred years ago (1890) that Dungarvan club won their first ever senior football championship and what a way it would be for them to celebrate the official opening of their spacious new grounds as county champions — just a century later.

There is great interest in this game, not just for any historical reasons, as much as supporters and well wishers are waiting to see if the success at minor and

under-21 level in recent years, is going to bear the fruit that was being predicted at the time of these underage victories.

Their game against the Nire will have boosted their confidence and this allied to their vastly improved standards in the past year and with players like Martin Sheehan, Eddie Burke, Darrell O'Donnell, Peter Queally, Derek Lyons, Dermot Callaghan, Ger Beresford, Morrie and Peter Ferncombe, Tony Hamilton, Ml. Kelly, David Dee, B. Morrissey, D. O'Connor and company they must be given a very good chance to win the points that will — at the outside — qualify them for a play-off chance and keep their hopes alive.

The last occasion on which the sides met was at Lemybrien '88 and then the score stood at 0-4 to 0-3 in favour of Dunhill. When I saw Dunhill lose very narrowly to the Nire in the first round, I wrote that they looked good enough to trouble the best and looking at the fluency of the game against Sliabh gCua here in Dungarvan about two months ago (they won by 3-12 to 2-0) I was confirmed in my opinion that even though a number of

their fine players are reaching the veteran stage (Kavanagh, Casey, John Power, the Moores and a couple of more), they will be no 'push-over' in any game. They will realise that this is their very last chance and this will motivate them to battle away to the last whistle.

They certainly pose a serious threat to Dungarvan and they will stretch the home side to their limits, but at the same time, Dungarvan should come through.

## FOURMILEWATER V. BALLYGUNNER

The winner to this game will remain in the senior championships next season and the loser will play Cappoquin to decide which goes back to intermediate grade. The 'Gunnars are favourites.

## FAHA V. MODELIGO

This is all part of the ongoing saga to find three teams to qualify for the knock-out stages of this championships and with the losers of this game, still remaining in with a chance, I cannot imagine any great excitement about it.

## JUNIOR FOOTBALL CHAMPIONSHIP

### An Rinn Best In Play-Off

#### AN RINN 1-11 SEANA PHOBAL 0-6

This was a very entertaining and sporting play-off junior football game with some fine individual performances on both sides.

The first half belonged to An Rinn who enjoyed a deserved nine points half-time lead. An tSeana Phobal came very much more into the game in the second half and narrowed the gap to six points, but at this stage the introduction of county player Carthach MacCraith, restored the initiative for An Rinn who continued to press and succeeded in adding a goal, per Darren O'Connor which put the challenge from an tSeana Phobal out of reach.

Referee — Pat Walsh.

# Tony Forristal Tournament

In some counties this hurling festival due to take place on Saturday, August 25 has aroused greater interest than the annual Feile na nGael, which is really a competition for juvenile club teams whereas the Forristal Tournament is for the county under-14 teams.

The competition has grown in stature over the years, thanks to the tremendously efficient manner in which it is organised and controlled by the special committee of very dedicated people here.

Last week, representatives of the sixteen competing counties met to make the draws and subsequently the following programme was drawn up.

# Senior Hurling Championships

It is true to write that the news that Roanmore and Portlaw had played a draw in their refixed senior hurling championship game at Walsh Park on Sunday, was received with an amount of disappointment here on Sunday evening.

The result has put Lismore out of the championship after long weeks of hoping that a result, one way or another in this Walsh Park tie could rescue them and bring them back into contention. With an understrength Portlaw team a draw seemed to be out of the question and Lismore had been getting ready for a play-off with Portlaw. The news came as a shocking disappointment and no wonder, as they had waited a full six weeks before knowing their fate.

But such are the vagaries of the championship and so will they remain until someone does something positive to rescue them from their present state. Of course, it is not altogether

the fault of the system and there was little complaint about the planning that went into the organisation of the present championship, but about the way in which it became so disorganised by changes of dates, etc., over the months. It became so complicated at times that it was with some difficulty that people were able to unravel the situation as far as the progression of clubs was concerned. There were years before when other clubs found themselves in a position similar to that of Lismore and while they too had our sympathy, no one can ignore the truth of the matter, and that is that the system has nothing to do with losing matches. Lismore lost two this year and must

blame this on themselves. The situation now is that in Group 1, three clubs, Mount Sion, Ballyduff and Passage have all tied on eight points. A draw has been made and Mount Sion will play Ballyduff at Dungarvan on August 25 and Passage will play the loser, or the winner, to sort out the placings on the table.

The situation in the other group is just as bizarre in a different way, in Portlaw and Roanmore who played in the championship — league section last Sunday, must now meet again to decide which takes second or third place on the table.

All these games must be played before the quarter finals are played and as is pointed out elsewhere, time is not on our side.

# Promoting Hurling In New Zealand

A letter from Paddy Meskill, London, which arrived at our Offices on Thursday last informed us that he was now in the position to send the first consignment of "40 hurleys and 10 sliotars" on to his brother in New Zealand.

Paddy, a native of Cappoquin, has been helping a group of Irish emigrants in New Zealand to establish hurling clubs out there and to this end he appealed to local G.A.A. Clubs for donations of hurleys and sliotars.

The response has been very encouraging he says and the first consignment will be shipped out on August 20.

Paddy who was loud in his praise for those who had provided hurleys and balls, in thanking the Dungarvan Leader for our help in the matter asked us to again remind clubs who might wish to contribute, that hurleys and balls can be forwarded to Mickey Fraher, Cappoquin G.A.A. Club, Cappoquin. We are pleased to pass on this message.

G.A.A. NOTES

BY "COMMENTATOR"

# SENIOR HURLING CHAMPIONSHIP RESULTS

## PORTLAW 2-6 ROANMORE 1-9

This was a big surprise as Portlaw with Rockett and Fitzpatrick were given little chance, but as the game progressed, spectators judged Portlaw to be the better team and probable winners. At half-time they led by 1-4 to 0-4 and a Mossy Whelan special increased their lead by a further goal in the early part of the second half.

Leading by three points in the final four minutes they looked on course for a sur-

prise win, but a couple of Delahunty points followed by another late score saved the day for Roanmore to their great relief.

## PASSAGE 0-8 BALLYGUNNER 0-7

This was tough and close but the standard of hurling was disappointing. At the half-way stage Ballygunner had scored all their seven points and Passage had but one solitary score to leave it 0-7 to 0-1.

Their failure to raise a single flag in the second half, must certainly be a cause

for concern to the disappointed 'Gunners, whose failure here put them out. A John Paul Barry point in the closing stages, did the trick for Passage who are now involved in the play-off.

## OTHER GAMES

Here in the West Colligan and St. Saviours played a great second half in their play-off intermediate hurling game and when both sides 'upped' their performances after the break, the game became exciting and entertaining. It is a while since Colligan hurled so

well, even though they were a bit understrength.

Colligan have now qualified for second place in the group and will play De La Salle in the quarter final. Saviours will play Abbey-side in the other quarter final.

The afternoon programme at Fraher Field attracted a crowd who paid more than £800 for the good fare which was produced in both matches. Both winners, An Rinn and Faha, must be fancied to take their respective championships, as both played very well.

# A Changed System?

I have no doubt now, but the volume of support for a change in the system of running our championships, is increasing and while it is always a bit of a gamble here in Waterford to predict events or happenings of the future, I feel reasonably sure that most clubs would go for a change, if a suitable and attractive alternative was proposed.

A ready-made solution, if acceptable, is there since convention last year and is embodied in the Lismore motion which proposed (for hurling), that it be run on a league-knockout system and confined to twelve teams. The championship run in four divisions of three teams, each of whom will play each other and the top two in each division going through to the K/O stages (quarter finals). The four bottom teams would play a relegation semi-final and final to determine the team to be demoted.

This motion will ensure three games at least for every hurling club and so structured, all matches would be real championship stuff.

With thirteen teams in the

present championship, two would have to go down in order to reduce the number to eleven and allow space for the new intermediate champions. I feel that pointless Cappelquin and Fourmilewater would have no objection to opting for intermediate until their standards improve, so no big difficulties would stand in the way of adopting the idea.

There would be nothing wrong with reducing the football championship to twelve — in fact it might improve standards a bit if it could be reduced to about eight — and a similar system could be adopted. This championship too, has disorganised itself as we saw on the league table last week.

# Western Board Fixtures

The Divisional Board officers met on Tuesday night of last week to arrange the following list of fixtures that will bring them up, almost to the final stages in all championships.

A further open Board meeting will take place on this Thursday evening at 8.30 p.m. to deal with a number of referees' reports which require Board adjudication.

The matter of quite a number of withdrawals in recent weeks, will also come up for serious discussion.

**JUNIOR HURLING 'A'**  
Semi-Finals — An Rinn

v. Ballysaggart at Cappoquin on September 9, at 3.15 p.m. Referee - J. J. Landers. Clashmore v. Tallow at Cappoquin on September 9, at 2 p.m. Referee - P. Walsh.

**JUNIOR HURLING 'B'**  
Faha v. Modeligo at Colligan on August 19. Winners will qualify for the semi-final and the losers of that

game will play Tourin at Cappoquin or Dungarvan on August 26, with the winner also going into the semi-final. Kilrossanty are already through to the final.

**INTERMEDIATE FOOTBALL**

Shamrocks v. Ardmore/Faha, not fixed (final).

**JUNIOR FOOTBALL**  
Semi-Finals — Stradbally

v. An Rinn at Dungarvan on August 26 at 7 p.m. Modeligo v. Lismore at Cappoquin on September 1 at 7 p.m.

**MINOR HURLING**  
Final — Lismore v. Dungarvan/St. Patricks, date and venue to be fixed.

**MINOR HURLING 'B'**  
Semi-Finals — Abbey-side v. Naomh Brid at Colligan on August 29 at 7 p.m. Ballyduff v. Fourmilewater at Cappoquin on August 29 at 7 p.m.

**MINOR FOOTBALL**  
Play-Offs — Kilrossanty v. Dungarvan at Stradbally on September 5 at 7 p.m. Abbey-side v. Clashmore at Dungarvan on September 5 at 7 p.m.

**MINOR FOOTBALL 'B'**  
Tallow v. St. Patricks at Cappoquin on September 5 at 7 p.m. Losers v. An Gaeltacht at Dungarvan or Cappoquin on September 12. Naomh Brid v. Stradbally at Abbey-side on September 5 at 7 p.m.

**OTHER FIXTURES**  
The Under-21 football championship is at the final stage with Kilrossanty and Dungarvan qualified. A date has not been fixed because both are still well involved in the senior championships.

The Under-21 hurling championship is organised and ready to roll as soon as clubs, dates and venues become available. This is a knock-out championship and will take very few games to complete.

The secretary of the Board has the draw for the divisional intermediate championship, in hurling all ready as well, but this proved to be such a non-event last year, that it is hardly worth bothering about.

# County Selectors

As a result of the proximity of the upcoming national leagues, we, here in this county have to some extent, been 'caught on the hop' and selectors for hurling are not yet in place. The football selectors have been moving about the county spotting form here and there and are in the process of forming a panel. The selectors will meet on Friday next to examine the situation. With the county football final in late October and the national league beginning around the same time, they will have something to worry about.

The position regarding the hurling league is more serious in that selectors are not yet appointed and as the County Board meeting at which these are due to be ratified will not be until September, it will put the committee under severe pressure to get themselves and the panel organised in time for the league which is due to begin about five of six weeks later.

The naming of the hurling selectors is causing an amount of concern and there is hardly a week that it is not the topic of discussion at the venues around the county.

As far as is known, no de-

isions have been taken in this regard even though the subject of their appointment and the appointment of a manager has been discussed at at least two meetings.

Because of the unexpected problems that have resulted from the decision not to change the league system, we now find ourselves in a very tight situation and we find ourselves compelled, because of the time constraint, to change our outlook or attitude to the management problem.

I agree that we do not have a bundle of options on the matter, but there are some that, in the circum-

stances, might be considered. For instance, we could ask the outgoing manager Tony Mansfield and his colleague Ollie to reconsider their decision to retire and remain on for one further season. Phil Fanning has not announced his retirement. This would give us the same committee who did trojan and very satisfactory work — as I have outlined here before.

I feel that they would have the full confidence of the team who are back in Division 1 again. I know that it was for family and business reasons that both Tony and Ollie took their decision and to be fair we must appreciate this and not subject them to unfair pressure.

Another option might be to appoint just three selectors and let them carry on with committee secretary to attend to the many details, etc., that would be the responsibilities of the manager.

OPEN SATURDAY 11 to 4

In an exclusive lead story in the "Leader" of July 27, we high-lighted the pollution problem created at Dungarvan Quay by an evil smelling sludge bank and suggested that the blocked 'eyes' at the jetty at the top of the Quay could be a contributing factor in creating the sludge bank. We suggested that if these were cleared to allow the ebbing tides to flow through them, it would help to flush the silted embankments away. We were glad then to see the Co. Council bring heavy machinery to do the job on to the scene during the past week. Our photographer took the above picture from Abbey-side Bridge, which shows the heavy digger and crane in action clearing the eyes at the jetty.

# Deliberate Slurry Dumping Causes Major Fish Kill In Tallow River

A major, and apparently deliberate pollution incident involving agricultural slurry occurred in the Glenaboy River near Tallow on Tuesday, August 9. Practically all fish life over a 4-mile stretch of the river was wiped out by this incident.

The Glenaboy River, which rises in Co. Cork and discharges to the River Bride directly North of Tallow, has been the subject of previous pollution incidents resulting in fish kills in recent years and was only just beginning to recover from a serious fish kill during the summer of 1988 when the latest incident occurred. Indeed, this pollution incident may well

be a final death-knell for what was once a thriving fishing river as many infant fish were destroyed over the 4-mile stretch.

A joint investigation into the incident by Waterford and Cork Co. Councils has concluded that the fish kill was caused by the deliberate and premeditated dumping of farm slurry into the river by vacuum tankers. The identity of the perpetrator of this outrageously shameful and callous act has not yet been ascertained as the dumping was carried out by stealth over a bridge on a narrow and little used roadway about three quarters of a mile on the Cork side of the county boundary. However, most of the resulting damage to the river occurred on the Waterford side of the boundary.

### HEAVY PENALTIES FOR OFFENDERS

The recently enacted Local Government (Water Pollution) (Amendment) Act 1990 allows for penalties up to £25,000 and five years imprisonment for water pollution offences and Waterford Co. Council have assured us they will not hesitate to prosecute for such offences. The Council will not tolerate,

and particularly deplores, the deliberate and premeditated dumping of polluting matter into any river which results in fish kills.

Enormous damage can be caused to rivers by polluting matter at this time of year when river flows are low and water temperatures and relatively high and the Council requests

that extreme care be exercised by all persons in control of any polluting matter to ensure that water pollution incidents do not occur. Furthermore, any person responsible for an accidental spillage of polluting matter to any waters is obliged to notify the Co. Council as soon as possible afterwards.
