New Act Will Give Council Muscle To Clear Up Derelict Sites

The new Derelict Sites Act would give the Council muscle to do certain clear up jobs especially in Urban areas, the County Manager, Mr. Dan Hurley told members of Waterford County Council at their monthly meeting in Dungarvan last Monday.

Referring to the "Explanatory Notes" on the Act circulated to the members, the Co. Secretary Mr. B. J. McNally drew special attention to two sections which he said were of particular importance.

One dealt with the definition of a "derelict site" and stated: Under the 1961 Act, the concept of "derelict site" applied only to structures which were actually in ruinous, dilapidated or dangerous condition and also excluded structures which were dwellings. This section's definition of "derelict site" makes no exclusion for dwellings, and adds to the previous criteria for dereliction considerations such as the neglected, unsightly or objectional condition of structures.

Another section obliges local authorities within one year of the commencement of the Act on June 27, 1990 to establish and maintain a register of derelict sites in their functional area.

Mr. Dan Hurley, Co. Manager, welcomed the Act which he said would now give the Council muscle to do certain clear up jobs. Under it they had 12 months to put their house in order and he proposed to designate a special officer in the Co. Council to take charge of derelict sites in the county. "And", said Mr. Hurley, "we should be brave enough at the end of the day to use the powers which the Act has given us to make CPOs to acquire derelict areas and to clear the sites for the construc-

tion of infill houses."

The Co. Manager added, "the important thing is for us to let it be known that this Derelict Sites Act is now in being."

DERELICT QUIGLEY PLANT

Cllr. Jackie Fahey, T.D., also welcomed the new Act and suggested that one of the first things which the Council should do under it was to get rid of the unsightly derelict

Quigley Magnesite plant at Ballinacourty outside Dungarvan. "This plant has been unused for ten years and is now absolutely derelict," he said.

In reply to Cllr. P. Cahill who queried whether the Act would be enforced equally across the board, the Co. Manager replied, "we will vigorously enforce this piece of legislation and there will be no exceptions."

Tom Frost, "Portdrine," Ballinroad and Helen Looby, Kilgreany, Cappagh, who were married in the Church of St. James, Ballinameela. Fr. M. O'Byrne, C.C., officiated and the reception was held in the Park Hotel, Dungarvan. —(Wyley)

No Progress In Provision Of Public Toilets For Cappoquin Or Lismore

Proposing a motion at the monthly meeting of Waterford County Council held in Dungarvan last Monday that new public toilets be erected in Lismore and Cappoquin as a matter of urgency, Cllr. Willie McDonnell said that it was ten years since he first raised these matters and up to this day no progress had been made in the provision of the toilets. In Lismore the existing facilities available were one hundred years old and it was an absolute disgrace that the place adjoined a private dwelling. "The position of Cappoquin is worse as they have no public toilet at all," said Cllr. McDonnell, adding "there's no other town in Ireland like it."

Cllr. O. Wilkinson supporting the motion said that the situation in Lis-

more was indeed a disgrace with the old toilet up against a private house. He

added that the situation in Cappoquin with the many visitors to the area was most critical at the moment.

Cllr. J. Quirke also spoke in favour of the motion.

The Co. Manager, Mr. D. Hurley said that there was no conflict in regard to the need for both toilets as they all agreed about it. "We have gone to the design stage for the toilet for Lismore but we have no money to build it" he said.

"We would like to see toilets in many places around the county but without money we can do nothing," the Manager added.

Co. Council Votes Sympathy

On the proposal of Cllr. Pat Coffey, the monthly meeting of Waterford Co. Council held in Dungarvan last Monday was briefly adjourned as a mark of respect to the late Mr. Sonny Norris, Kilballyquilty, a former member of the Council whose regretted death occurred last week.

Votes of sympathy were also passed with Cllr. Stephen Rogers, Waterford Corporation on the death of his wife Kathleen (proposed by Cllr. P. Cahill); to the wife and family of the late Brendan Breen, Clonea Road, Abbey-side (proposed by Cllr. S. Whelan) and to the widow and relatives of the late Willie Lyons, Shandon Street, Dungarvan (proposed by Cllr. M. O'Riordan).

Pause For Thought With Fr. Paddy

PUT YOUR TRUST IN THE POWER OF GOD

Isaiah, in the first reading, tells us that Shebna, the usurper, displeased God, and his office and authority was taken from him, and handed over to Eliakim. His role was to be a leader and a father to the people of Jerusalem and the House of Juda. He was to be God's steward in shepherding God's people. It is evident that the Lord chose this faithful servant to exercise His authority, and rule over the House of David. Isaiah goes on to foretell that Eliakim would prove to be strong and stable in the discharge of his office. Clearly, the Lord has chosen him for this work, but, there's nothing unusual in this, because all through Sacred Scripture you meet such cases of Divine election. And, I need scarcely add, that why one is chosen in preference to another, is beyond man's power of understanding, for, as you well know, the providence of God is a mystery. Indeed, it is not unheard of, to have someone appointed to an office, who, to put it bluntly, is more of a hindrance than a help. Such occurrences are often sent to try our patience and our humility. Or, it may be a case of people getting what they deserve! There's only the one safe approach or solution for all such happenings in life, and that is, to bow and accept God's holy will. Of course, it will not be easy. That is why humble acceptance is a wonderful prayer.

St. Paul tells us, in the second reading, why we should humbly bow and accept God's will to the best of our ability, because He has infinite wisdom and knowledge. There's always a good purpose in the way He ordains, and arranges the course of events. He does not make mistakes. It is almost superfluous to add that His infinite wisdom is so far above and beyond man's understanding that it defies all measurement. However, because God's love is also infinite, we can safely hold a firm and unwavering trust in whatever way He distributes His largess. Yes, even when in our foolishness we fall into serious sin, we are, through His help, able to rise to greater heights in His service. That's why, when we have done wrong, we can say to ourselves, put the past behind, and turn to God and make a new start.

Truly, we have a great, a patient and a loving God. His love is so great that it is not possible for man to grasp its power or its depth. It brings home to us the vast abyss that stands between our limited knowledge and the infinite wisdom of God. So, it would amount to sheer foolishness to dare question, why God chooses one above another to administer a particular office. Paul feels it would be a profitable exercise to place out littleness side by side with God's greatness. For instance, could you hold the world in your hand? Could you light a candle from a star? God is able to light a candle from the most distant star, and He is able to hold the universe in His hand. Having thus reminded you of the power of the Supreme Being, Paul is saying, do not try to dictate to God.

The Lord has already generously poured out His riches on the world through His Son Jesus Christ. It is up to each of us to gather the share He has awarded to us, and then help others to find and gather theirs. We may feel confident and assured that the good Lord will distribute and apportion His helps to the best advantage of each and everyone. So, no one will be able to say on Judgement Day that he or she did not receive a fair day's pay. Whilst S. Paul is focussing our attention on the providence of God, you must have noticed that his reasoning brings you to a halt with the stark reali-

ty of sin be it small or serious. Give the matter a wee thought. Imagine, the affront offered to God considering who He is, and what you are! Go down on your knees, and thank Him for His patience and His mercy. S. Paul concludes the reading in a prayerful manner, and it is not the first time he has expressed himself in this way. He is saying, "In God, we live, move and have our being", which means that we are absolutely and totally dependent on God from the first moment of our existence, and thereafter for ever.

PETER, THE ROCK

In the Gospel Jesus raises a question about His identity, which results in Him promising to appoint Peter as Head of His Church. His successors in office were included in the promise, because of the very nature and purpose of the appointment. Peter, in answer to the question, "whom do the Apostles consider Him to be?" said: "You are the Christ, the Son of the living God." Jesus commends him, and His words indicate that Peter received enlightenment from Heaven. This is what St. Paul meant when he said: "no one can do a good act without God's help."

The Lord in changing Simon's name to Peter, the rock, was not only informing His hearers that he was to be the firm foundation for His Church, but also, he was to be like the rock in the desert pouring forth life-giving waters, meaning that God's word would flow from this rock and provide nourishment and strength. The Lord added His guarantee that His Church would survive the upheavals of time, and remain a fountain of life for all time.

Jesus in giving Peter the keys was thereby endowing him with full powers to take over and rule the Church, and safe-guard her teachings. By appointing him as His steward, Jesus was ensuring that harmony would exist between the Church's decisions, and those of God. "Whatever you bind . . . will be considered bound in Heaven . . ." In the world mostly everyone are looking for someone or something to hold on to. We by God's grace, submit like Peter and accept that Jesus is the Son of God, and the Lord will reward us by giving us the power to become children of God.

Dungarvan Juveniles On Car Damage And Robbery Charges

As exclusively reported in last week's "Leader" a number of cars were vandalised and articles stolen from them in Dungarvan during the week-end of August 11 and

the Gardai in Dungarvan carried out investigations into all the cases reported. As a result, two juveniles with addresses in Dungarvan, were arrested and taken to Clonmel where they appeared at a special sitting of the District Court before District Justice Kelly on Tuesday, August 14 each charged on 9 separate counts.

The offences, all committed on the week-end of August 11-12, included committing wilful and malicious damage to six motor cars by breaking side windows to a total amount of £370 while the cars were parked at Western Terrace, Davitt's Quay and Mitchel Street and stealing goods from them to the value of £80.

One of the youths who was aged 16 was remanded in custody to St. Patrick's Institution, Dublin to appear before Clonmel Court again on August 21 and the other, aged 14, was remanded on bail to the same court.

OTHER YOUTHS QUESTIONED

The Gardai in Dungarvan have also interviewed a number of other youths from Dungarvan and Cappoquin in connection with these and other offences committed in the Dungarvan area and it is expected that court proceedings will be instituted in the near future.

VANDALS IDENTIFIED

Persons involved in the recent vandalism to trees, shrubs and flower tubs in Dungarvan have also been identified following Gardai investigations into the damage and court proceedings in respect of these offences are also presently pending.

Q. — Are there any details available yet about the Scheme to allow unemployed people to attend third level courses and still be paid their unemployment payments?

A. — Yes, the details have just been announced about the Third Level Education Scheme for the Unemployed.

This scheme will commence in September and will operate on a pilot basis for the next two years.

It will be open to those who are:

- ★ long term unemployed
- ★ over age 23 and
- ★ receiving unemployment assistance

There will be a limited number of places and first priority will be given to those who have taken part in the second level courses under the Vocational Training Opportunities Scheme or the other second level education schemes for unemployed people. Older people who have been unemployed for some time and who are mainly dependant on their unemployment payments will have second priority.

The courses covered will be those with a high skills content, but some academic courses will also be included. Participants may attend any of the recognised third level institutions such as universities, colleges of technology and the regional technical colleges.

Some of these courses may qualify for European Social Fund (ESF) funding. Which means that there are no fees and participants may be paid a grant of £525 per annum (1989) if living at home or £1318 (1989) per annum if they live a certain distance from the college and have to reside away from home. There is no means-test for these ESF grants, which are paid by the college or VEC. You don't have to apply for this grant as it is paid automatically if you succeed in getting a place on these particular ESF funded courses. However, the amount of the grant may be assessed as means in the means-test for Unemployment Assistance. A grant of £525 would be assessed as weekly means of £10 approx. (£525 divided by 52). The Unemployment Assistance would be reduced by this amount.

Further details about this pilot scheme should be available at the Employment Exchanges.

Details about the ESF funded courses should be available at the Regional Technical Colleges, Colleges of Technology or Universities which offer these courses.

Waterford Competitors For All-Ireland Fleadh

All roads lead to Sligo this weekend for Fleadh Cheoil na hEireann — the annual gathering of Irish traditional music followers from all over the world. Over the years, great numbers of Waterford people have attended at Ireland's biggest festival and no doubt this year all previous interest will be surpassed. The number of qualifiers from Waterford for this year's finals is more than double the previous best. This year we will have representatives in 19 competitions.

Following the unprecedented successes at the Munster Fleadh in Dingle, we must be confident of taking a couple of titles. Craobh na Rinne will be represented by Paidin Breathnach in the under-15 Uilleann Pipes and by Fionn MacGiollachuda in under-18 Uilleann Pipes. Comh maith le sin beig Christin Ni Inneaduin san comortas Feadail Fe 15, Colm Breathnach i n-Amhranaiocht Fe 15 agus Sorcha Ni Cheilleachair i n-Amhranaiocht Fe 18.

The Finnisk group carry the flag in the 12-15 Grupai Cheoil competition and should do very well following their praiseworthy performance in Dingle.

The Naomh Padraig branch will have an interest here too as one of their members Peter Lynch plays with this group. Naomh Padraig will be hoping for at least one title in this their 10th anniversary year with the Fitzpatrick sisters on Flute and Fiddle and Martina McGrath and Shelley Govers, Tin Whistle.

The Senior Group "Ray Mode" and Stephen Ryan, Senior Bodhran from Waterford City, as well as Sean Norris in the under-18 Piano and Piano Accordeon and Michael Harris Senior Mouth Organ, should also be in with good chances in extremely competitive events. Go n'eiri an t'adh leo go leir.

Labour Court Rules Against Crystal Workers

Labour Court officials on Wednesday last ruled in favour of management at Waterford Crystal on four of the six outstanding issues from the bitter 14-week strike that cost the south-east economy an estimated £600,000 a week.

Unions and management agreed to binding Labour Court arbitration on the six differences remaining between them when court officials finally hammered out a peace plan in the dispute on July 11.

But then the court decision was communicated to both sides on Wednesday, August 15, only one of the issues had been partially conceded to the workers while the position favoured by company management was granted on four.

Decision on the sixth issue — compensation payments for loss of "regular overtime" — was postponed to December 1991

to allow the court assess the change in workers' earnings over the next year.

The protracted industrial battle was triggered on April 5, by a row over a "traditional" bonus payment for the St. Patrick's Bank Holiday Weekend to some of the 2,300 workers in the Waterford operation including the Crystal plant in Dungarvan.

The Labour Court on Wednesday approved the company's proposal to pay a lump sum of £1,000 to do away with all bonus payments for "short fortnights" and bank holidays. The Amalgamated Trans-

port and General Workers' Union (ATGWU) had sought a lump sum equal to three years bonus payments to "buy out" the traditional extra.

As regards the increase in the retirement age from 58 to 61 and the increase in the working week to 39 hours, the union wanted a review after three years — but the Court decided on the five year plan, as proposed by the management.

The other issue which was decided in the company's favour was the level of compensation for loss of earnings from regular overtime and short fortnight working.

The only item with which the Court agreed with the union was on the restoration of the personal needs breaks for the female section — pending the implementation of performance systems.

LOOKING TO THE FUTURE

Dr. P. Galvin, Chief Executive of Waterford Crystal welcomed the decision of the Labour Court.

Dr. Galvin said the situation with the six issues had been likened to a penalty shoot out and added that although he did not have to repeat the outcome, "it was convincing."

He acknowledged that they were pleased and

added that he felt people would accept it — and that would close a chapter behind them. Everybody was now looking to the future with "great enthusiasm," Dr. Galvin said.

As regards a further three issues presently under conciliation talks, the Crystal Chief Executive said that they were progressing in the "normal way" and he was confident of getting a solution to them. "The problem in the Dungarvan factory with the tank furnace could mean that it would be November or December before work fully returns to normal," he said.

Meanwhile, Walter Cullen, District Officer ATGWU, said that they were disappointed with the outcome and added that the Labour Court failed to take into consideration the concessions made by the workers during the negotiations.

However, they were not surprised that the Court had decided as it did, in view of the current financial position of Waterford Crystal.

It was now up to the company, he stated, to see that the agreement was implemented, the concessions made by the workforce were utilised and the company returned to profit.

Recent Deaths

Willie Lyons

An air of gloom, was cast over the Old Boro' last weekend when the local community heard the sad news of the passing of the legendary and ever popular Willie Lyons, 26, Shandon Street, Dungarvan on Friday, August 10 at the District Hospital following a duration of illness.

To pen a tribute on Willie is indeed a most difficult assignment as words are totally inadequate to describe the influence and charisma that was Willie Lyons. Aged 84 years, Willie hailed from one of the oldest and most established Dungarvan families. Whenever locals gather to reflect on times past, the name Willie Lyons will be held in the highest esteem, for here was a colossus an institution who touched so many people, those people can count themselves fortunate that their pathways crossed Willie's at some stage.

Willie loved his town, its social fabric meant so much to him, indeed Willie himself was a cornerstone in many of its chartered waters. For many years he was a most able MC at the Town Hall dances or hops, his presence, his sense of humour was an uplift during difficult times. His ballroom dancing and story telling talents are renowned; he was the maestro supreme in so many fields, he loved the outdoor life be it with rod and line on his beloved Colligan, or following the fortunes of the county, the Eire Og and Dungarvan G.A.A. clubs on the playing fields, he re-

joiced when victory was their lot, how he could relate the experiences of those days to the attentive ear, like wine their recalling improved with age, the anecdotes, old sayings further added to the embellishment of these priceless gems.

He loved the long tails, Ballymac' Open was his Altcar, the tales and happenings of those days will surely out live us all. At the social drink in the hostelry after the days activities, Willie came into his own. 'Freaney' as he was affectionately known poured forth, entertainer par excellence, his efforts were always warmly greeted and appreciated.

Politically he was a Labour man, a valued member of the Trade Union Movement. He championed the cause of the underdog, his love of humanity was so evident. when times were tough he spoke for those who were downtrodden or in distress. He was a Christian in word and action. To have known a man of Willie's calibre is much to be grateful for, we are all the richer for his presence but sadly poorer since his departure. For many years he toiled with the County Council, Mery's, but much of his working life was spent in the local Tannery, where he was a great favourite with both management and colleague alike.

Last Friday the Great Master beckoned, Willie took his leave of us, we extend our sympathy to Shiela, to his relatives, legion of friends and countless acquaintances. A vital link in the chain of Dungarvan has been severed. Ni bheidh a leitheid ann aris.

Last Saturday evening the removal of the remains took place from Hospital Mortuary to St. Mary's Parish Church, Rev. Fr. Rogers, C.C. assisted by Very Rev. Fr. G. Power, P.P., Rev. Fr. W. Carey, C.C., blessed and received them. A guard of honour was provided by the Labour Party which was greatly appreciated. On Sunday morning an over-

flowing congregation was present for the 11.45 a.m. concelebrated Mass offered by Very Rev. Fr. G. Power, P.P., (chief celebrant) and Very Rev. Fr. J. Griffin, P.P., (a great and valued friend of Willie's). Anita (grandniece) and John (nephew) read the lessons, while the Church Choir accompanied by Claire Maher (organist) sang and played appropriate music.

The interment took place in the Old Churchyard Cemetery, the huge gathering from all ways of life were present to hear Very Rev. Fr. G. Power, P.P., recite the graveside prayers assisted by Very Rev. Fr. J. Griffin, P.P. A eulogy was delivered by Brian O'Shea T.D. a tribute Willie deserved, his resting place was covered with wreaths, whose contents were of great variety, symbolic of Willie's many talents and good deeds.

Farewell Willie,
Our loss is great, we'll not complain,
But trust in God to meet again."

Chief mourners — wife Shiela, nephews Jim (Kilmurray), John (Waterford), Willie (Washington), nieces Biddy (New York), Josephine (Seapark), Betty (Ballyneety), and a wide circle of cousins, relatives and friends.

William (Bill) Flynn

With deep regret and sadness we write on the demise of Bill Flynn, late of 41, Shandon Street, Dungarvan which occurred last Friday evening, August 7 at St. Joseph's Hospital. For the past few years Bill hadn't enjoyed the best of good health, yet he did the Master's will and accepted his cross with dignity and resignation. Aged 69 years, Bill was a native of Knock, Clonea. For many years he was employed by the Dept. of Forestry, later he did seasonal work for over a decade in the Isle of Wight, which indeed became a home from home for Bill and Alice.

A man with a great sense of humour, Bill was deeply

interested in Gaelic Games where his beloved Stradbally were close and dear to his heart, their fortunes on the playing field he followed with great interest. He was a most able individual, who enjoyed doing the D.I.Y. jobs around his home, efforts that won great praise and acclaim.

After a life that was exemplary we have no doubt that Bill is enjoying his due reward with his Creator.

May the sod of his Sraibhaile rest gently upon him.

We tender our condolences to wife Alice, brother Martin (Knock), sister Mary (Reading), brother-in-law Derek, sister-in-law Molly McGrath, nephews Grenville, Desmond, niece Sonja and his grand-nephews, grand-nieces, relatives and friends.

The funeral took place on Saturday evening to Stradbally Church, where following Mass on Sunday morning the interment took place in the adjoining cemetery. V. Rev. Fr. M. J. Ryan, P.P. and Rev. Fr. W. Carey, C.C., were present on both days and led the huge concourse of mourners in paying their respects to this man among men. Beautiful wreaths were placed on Bill's resting place reflecting the love and affection of his dear ones.

Josephine (Josie) Torpey (nee Sheridan)

We write with deep sympathy on the passing of Josephine (Josie) Torpey, Ringnasilloge, Dungarvan, which occurred at her residence on August 7. In her early seventies Josie was predeceased by her late husband Michael by four years and by her only son Michael who died in 1961. For the past number of years Josie had been ill but yet bore her cross of ill health with bravery and dignity. A multi-talented individual, Josie was well-known and highly respected among the community. For many years, she was employed at Morrissey's Bakery where she gave of her best at all times.

We offer our deepest sympathy to her daughters, brother, sisters, and relatives on their loss.

On Wednesday evening the removal took place from the Kiely Funeral Home to St. Mary's Parish Church where Rev. Fr. W. Carey, C.C. assisted by Rev. Fr. J. Hooper, O.S.A. blessed and received the remains. At the Requiem Mass on Thursday morning

celebrated by Rev. Fr. W. Carey, C.C., who also officiated at the graveside assisted by Rev. Fr. J. Hooper. O.S.A., the lessons were read by Anne Marie (grand-daughter). It was Angelus time when Josie was laid to rest.

May she rest in peace.

Chief mourners were — daughters, Ann, Kathleen, Mary; sons-in-law, John Harty, Thomas Bray; grandchildren, Ann Marie, Ian, Darren (Harty), Thomas, Michael, Larry, James, Vincent, Josephine, Kathleen, Ann Marie, Mary Theresa, Siobhan and Martina (Bray); brother, Michael Sheridan; sisters, Eileen, Rita, Enda; sister-in-law, Kathleen, and a wide circle of nephews, nieces, relatives and friends.

Paddy Tobin

As briefly recorded last week, the death of Mr. Paddy Tobin, "Hill View", Gortnadiha, Ring, occurred peacefully at his home on Wednesday, August 9. Popularly known over a wide area through his business as a private haulage contractor, he was one of the most highly respected members of the Gaeltacht community and his passing now leaves a void in the Ring and Old Parish areas.

Following the Rosary recited by Very Rev. C. O. Dalaigh, P.P. with whom was Rev. Fr. Hooper O.S.A., the remains were removed from the residence to Old Parish Church where An tAthair O Dalaigh again received and blessed them. Concelebrated Mass followed with An tAth. LISMORE NOTES

LISMORE COMMUNITY FESTIVAL

Early in the year at the first Festival meeting, one of the first things to be decided was that of a title for the Festival. It was thought that Lismore Community Festival would be appropriate and over the ten days of the Festival this has proved to be a very wise choice. The numbers who attended each event and the crowds on the streets each evening was ample proof that everyone enjoyed themselves. Young and old turned out in their hundreds and we were blessed with glorious weather from day one. The highest praise that could be given is that this year's Festival has been compared to those of the early seventies and this is praise indeed.

On Friday evening the Festival was opened by Dennis Walsh, the well-known Cork dual player. He introduced Lismore's first Lord Mayor, Jimmy O'Gorman. We would like to thank Jimmy, Una O'Leary and Donie Coughlan for the tremendous effort they put into the raising of funds during the Mayoral contest. Also our grateful thanks to Mary Ryan (Town Commissioners), Mossy Hyland (President Lismore G.A.A.), Dean Weekes and Fr. Ryan, who were also present on

the platform.

On Saturday we had the Flower Festival in St. Carthage's Church, Tennis Tournament, Children's Treasure Hunt and Bar-B-Q in the Hall. Sunday began with Pavement Artistry, Fete in the Castle Gardens and Fancy Dress in the evening. Athletics on Monday afternoon were followed by an evening in the G.A.A. Field with Unisex hurling, Donkey Derby, Terrier Racing and Tug-O-War. On stage we had Lismore Dramatic Society and a 45 Drive in the Hotel. On the other evenings we had Road Bowling, Teenage Disco and Novelty events in the Hall, Botany and Main Street. We had the final of the Pub Singing on Friday evening, while Saturday saw the start of the Busking competition, G.A.A. underage and camogie tournaments. On Sunday the cyclists took over and we had a senior hurling tournament and Feis in the evening.

As can be seen this was a very full programme and without the help of all the people and clubs in the town it would not have been possible to stage it. The committee wishes to thank all the sponsors and everyone who helped in any way. A special word of thanks to Waterford County Council who allowed us

to take over the town for the ten days and to the Garda Siochana who went out of their way to facilitate us and without whose help we could not have had such a successful festival. To one and all many, many thanks.

LISMORE TENNIS CLUB NOTES

The club in conjunction with the Lismore Festival Committee ran two week-ends of very successful competitions on August 4 and on August 11.

The junior competition were held in the 4th and had entrants from Cappoquin, Lismore and Tallow.

In the boys section the overall winner was Martin Leamy of Cappoquin and runner-up was Stephen Hampton, Tallow. In the Losers section the winner was Martin Donnelly of Tallow and runner-up was Florence McCarthy, Lismore.

The girls event was won by Emer Twomey of Tallow.

The following Saturday saw the adults taking to the courts. The ladies doubles went to the final stages and in a very entertaining match Helen Leddy and Pauline Dounat beat Phil McGrath and Irene Kearney to take the ladies title.

The mixed doubles final was held over until Monday the 13th and the finalists were Tom O'Grady and Angela Allen against Gabriel Daly and M. Coughlan. In a very close match Tom and Angela ran out winners with a score of 11 games to 10.

We would like to thank all the competitors who took part and hope that they all enjoyed the various competitions. We would also like to thank the Festival Committee for donating the trophies and we hope that the local clubs will now arrange games and competitions to keep up the good fun.

LIAM LYNCH COMMEMORATION

This year the Tanaiste and Minister for Defence, Mr. Brian Lenihan, T.D., will give the oration at the annual Liam Lynch Commemoration which will be held at Kilcrumper Cemetery outside Fermoy on Sunday, September 9.

SILENCE PLEASE

The Parish Priest of St. Mary's Church, Clonmel, Very Rev. Fr. Martin Slatery, P.P., has appealed for silence in the Church during the celebration of Mass. He says that people should try to create an atmosphere for prayer in the church by avoiding unnecessary and idle talk or chatter. Apart from the reverence and respect owed to Christ present in the Blessed Sacrament, others must show consideration and courtesy to people who have come into the Church to pray. Silence is golden; the same applies to the other churches in town.

WEDDING BELLS

St. Mary's Church, Newcastle, was the scene of a very pretty wedding on Friday, August 3, between Maureen Dunne, A.C.A., daughter of Mary Ellen and the late Jack Dunne, Scaughatooreen, Newcastle and Donald Freyne, son of James and Mrs. Freyne, Kilmacow, Co. Kilkenny.

The bride was given away in marriage by her brother Pat Dunne and was attended by Matron of Honour Niamh Hayden (sister of the groom) and Connie O'Donnell (friend of the bride). Best man was Ray Hayden (brother-in-law of the groom) and the groomsman was John Dunne (brother of the bride).

SYMPATHY

The sympathy of the district is extended to the Gallagher family, Cois Sleibhe, Monmahogue, Tramore and Roanmore Park, Waterford on the death of Mr. Michael Gallagher. His late father, Mr. Thomas Gallagher, was a native of Drumgorey, Ballymacarbry.

I.C.A.

Ballymacarbry guild ICA wish to extend its heartfelt sympathy to Mrs. Marie McDonald, Renadaumpaun-Commons, Ballymacarbry on the death of her father, Mr. Walter (Sonny) Norris, Kilballyquilty, Rathgormack. Marie is President of the Ballymacarbry Guild.

LATE MR. WALTER (SONNY) NORRIS

It is with feelings of deep regret we record the passing of Mr. Walter (Sonny) Norris, Kilballyquilty, Rathgormack, which sad event took place rather unexpectedly at Ardkeen Hospital, Waterford. A deservedly popular member of an old established family, highly esteemed among the farming community, he was also well-known in racing circles as the owner of some fine racehorses.

Deceased was a caring neighbour whose outgoing, sincere nature endeared him to all who were indeed privileged to make his acquaintance. Accordingly they now grieve for the void his sad demise leaves. He was very well known in political circles as a staunch member and supporter of the Fine Gael Party and many years ago he contested a Dail Election on their behalf. That his memory will be cherished was truly indicated by the large and representative gatherings of sympathisers who were present when his remains were removed on Thursday evening from his residence to the Parish Church, Rathgormack.

Requiem Mass was offered for the repose of his soul on Friday morning after which the funeral took place to St. Molleran's Cemetery, Carrickbeg, where a friend of the people was laid to rest.

To his wife, his sons and daughters we tender our sympathy.

LATE MR. PADDY KELLY

Widespread and profound sorrow was occasioned in the district by the deeply regretted death which took place at St. Teresa's Hospital, Clogheen, of Mr. Paddy Kelly, Knocklofty, Clonmel. A thoughtful and help-

ful neighbour, his warm sense of humour, unassuming courtesy, generosity and kindness to all marked him out as a true Christian. Accordingly, all who knew and respected him will deeply and justifiably mourn his demise and long cherish his memory.

On Wednesday evening his remains were removed to the Parish Church, Grange, and on Thursday morning after Requiem Mass the interment took place in the adjoining cemetery.

Deepest condolences on their sad loss to his family.

LATE MR. EDMOND (NEDDY) MULCAHY

The district was stunned into sadness on Friday last with the news of the death of Mr. Edmond (Neddy) Mulcahy, Kilkeany, Ballymacarbry, which took place unexpectedly. He was a man of outstanding qualities, who possessed a wonderful, warm personality and made friends with ease. He was a caring neighbour abounding in Christian charity, a great

supporter of all local projects and an outstanding farmer. He was also one of the founder members of the Nire Valley Gun Club. The people of the district now truly and justifiably grieve for the void his sad demise leaves as they feel a sense of personal loss.

On Sunday evening his remains were removed from O'Donoghue's Funeral Home, Clonmel to the Church of St. Helena, Nire Valley, followed by the largest and most representative gathering of sympathisers seen in the Valley for some time, reflecting the undoubted esteem and high regard in which the deceased and his family are held as they paid a final and fitting tribute to a Christian friend.

On Monday morning Requiem Mass was offered for the repose of his soul, after which he was laid to rest at the rear of St. Helena's Church in the Valley he loved so well.

To his sisters, Kitty and Margaret, we extend our sympathy in their sad loss.

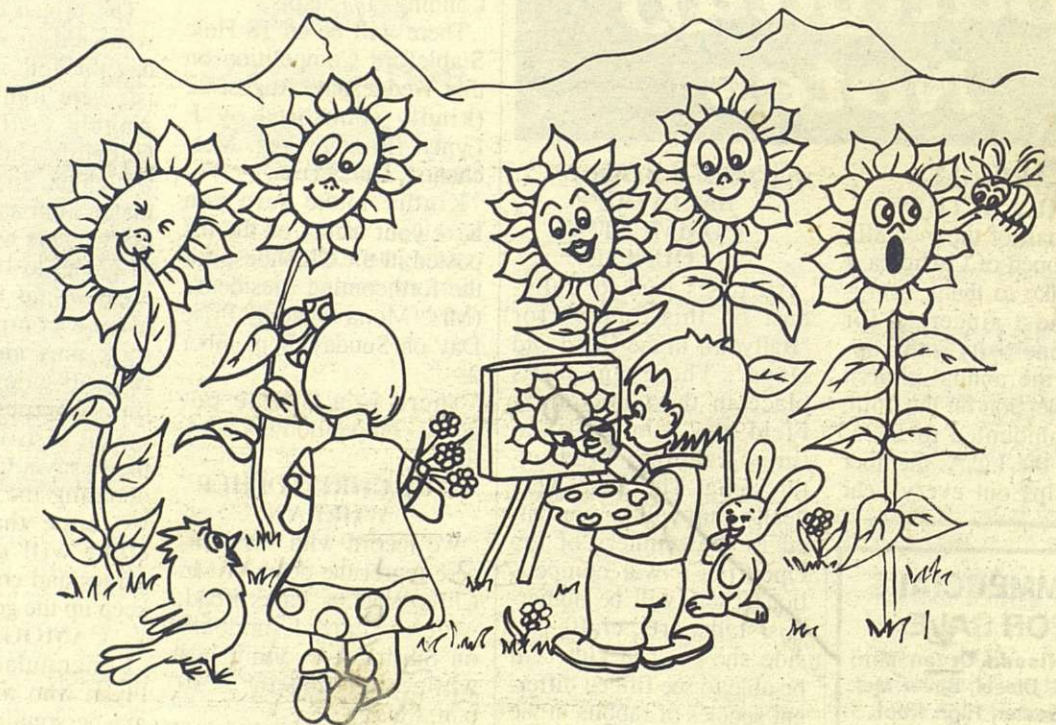

Married recently in Abbeyside Parish Church were Mr. Edward Moore, McCarthyville, Abbeyside and Miss Deirdre O'Riordan, Murphy Place, Abbeyside. Rev. P. Ahearn, C.C. officiated. The reception was held in Clonea Strand Hotel.

PENSMAN Takes You Behind The SPOTLIGHT

SMELLS IN DUNGARVAN HARBOUR — THE EXPLANATION

As highlighted in recent issues of the "Leader" smells emanating from the slob bank at Dungarvan Quay and from points around Dungarvan Harbour including Ballinacourty, Ballinclamper and parts of Clonea have been bothersome to the public who have been asking questions as to the reasons for the smells.

The huge mud bank with its heavily polluted content sited just off the quayside in Dungarvan has been featured by this paper on two occasions recently and we must thank the Environmental and Engineering Sections of the County Council for responding so promptly to our suggestions.

During the past week they have had a large crane operating a dredge moving the mud bank which is then taken up to quayside container vehicles by a huge grab for removal. The operation is proving quite successful and it is to be hoped that with the 'eyes' of the jetty at the top of the quay now also cleared, the result will prove long term rather than just as long as it will take to silt up the area again.

There is a school of thought where this problem is concerned that believes that the silting was not caused by the blocked jetty but by the siting of the new bridge on the by-pass road. Subscribers to this theory

believe that the new bridge has completely changed the inflow and outflow of tidal waters in the inner harbour and altered the currents, especially of the ebbing tides. We can only wait and see what the long term result of the work now being completed by the Council at the quay will be.

In regard to the smells around the outer harbour during the last week of July, Cllr. Michael O'Riordan called for a report on these and this was provided by the County Engineer, Mr. John O'Flynn, at last Monday's monthly meeting of the County Council held in Dungarvan.

Mr. O'Flynn explained that due to the prolonged spell of warm weather a large increase in seaborne algae occurred which was deposited along the coast with particular concentrations at the Cunnigar and Ballinclamper. As the algae decayed it gave off the smell which gave rise to the complaints.

The County Engineer's report added: "In addition

to the above, algae of the genus Gyrodinium Aureolum has been identified along the Waterford coast in the last week (the report was dated August 20). This algae while posing no danger to the public is toxic to the fish and shell fish. It commonly occurs out to sea where it is diluted but when occurring near shore it becomes more concentrated and therefore more toxic to marine life."

So now you know!

THE GULF CRISIS

Further to the front page lead story in last week's "Leader" concerning the Gulf Crisis and the plight of the medical and nursing personnel under contract to the PARC Organisation and working in Baghdad we understand at the time of writing this week that all are safe and well and that the PARC administration is trying to restore postal communications with the hospital — the Ibn Al Itar hospital — in Baghdad through their base in Amman in Jordan.

We also understand that PARC are anxious to stay in the Iraqi capital as the UN sanctions on the country, imposed when Kuwait was invaded, do not, they claim, extend to medical services and products.

The Ibn Al Itar hospital is strictly for the tertiary care of patients who have can-

cer, heart ailments and so on and it doesn't even have a casualty unit so in the event of any hostilities it is not anticipated that Irish personnel would be involved in treating any war wounded.

In any event the ban on non-nationals leaving Iraq still applies to the Irish just as it does to the other EC nationals and we can only hope that, no matter what happens, all will continue to remain safe and well.

HE COMPOSED MOST POPULAR SONGS

We learned with a certain amount of sadness last week of the death of retired Garda Sergeant Dick Farrelly who composed such well-known and widely popular songs as the "Isle of Innisfree" and "Cottage by the Lee."

Originally from Kells, Co. Meath, Dick Farrelly later settled down in Dublin and remained on there when he retired from the Garda force some years ago.

CAR OWNERS SHOULD BE WARNED

Elsewhere in this issue of the "Leader" we publish the result of the recent investigations by members of the Garda force in Dungarvan into a spate of vandalism involving the breaking of windows in a big number of cars parked at a number of areas around Dungarvan one night recently. In addition to the manner in which the cars were vandalised, their contents were stolen in a number of instances. Fortunately, we understand that most of the stolen goods were recovered.

Car owners should be warned that this type of mean offence is fairly common and they should make sure whenever they leave their cars parked, no matter where, not to leave any valuables visible which might be targeted by would-be thieves. This could ease the risk of the car being damaged and certainly ensure that at least nothing can be stolen.

LATE BRENDAN BREEN

It was with a great sense of personal loss that we all learned of the regretted death last Sunday of Bren-

dan Breen, "Fionnbarra", Clonea Road, Abbeyside. A gentleman to his fingertips, he was a loving husband and dear father. Down through the years since he came to reside in Abbeyside he enriched the community by the many gifts he possessed and which he so willingly shared.

It was a privilege and indeed a pleasure for all of us to have known this very erudite and scholarly gentleman. By his passing now we will all of us be the poorer.

To his wife Mai, daughters Sinead and Aine and to his other family relatives we extend our heartfelt sympathy. Solus siorraí imeasc na naomh ar Neamh go raibh aige.

EXAM RESULTS ENDED ANXIOUS WAIT

With the announcement of the results of this year's Leaving Certificate Examination last Thursday the long anxious wait for thousands of students up and down the country came to an end. By and large the results were good but as always there were disappointments here and there. Now the race is on to secure places in the third level colleges for which the points tally scored is a vital factor.

We congratulate all who had the good fortune to pass the exam and wish them all continued success for the future.

The Bells Of Shandon

Our choice for the ballad corner this week is "The Bells Of Shandon." Composed by the late Rev. Fr. Francis Mahony ("Father Prout") "The Bells Of Shandon" is to all Cork City folk what the "Rose Of Tralee" is to all natives of the Kerry Kingdom's capital.

With deep affection and recollection,
I often think of the Shandon bells,
Whose sounds so wild would, in days of childhood,
Fling round my cradle their magic spells.
And this I ponder, where'er I wander,
And thus grow fonder, sweet Cork, of thee;
With the bells of Shandon,
That sound so grand on
The pleasant waters of the river Lee.

I have heard bells chiming full many a clime in,
Tolling sublime in Cathedral shrine;
While at a glib rate brass tongues would vibrate,
But all their music spoke naught to thine;
For memory dwelling on each proud swelling,
Of thy belfry knelling its bold notes free,
Made the bells of Shandon,
Sound far more grand on
The pleasant waters of the river Lee.

I have heard bells tolling, "Old Adrian's mole" in,
Their thunder rolling from the Vatican,
With the cymbals glorious, swinging uproarious,
In the gorgeous turrets of Notre Dame;
But thy sounds were sweeter than dome of Peter,
Flings o'er the Tiber, pealing solemnly,
Oh! the bells of Shandon,
Sound far more grand on
The pleasant waters of the river Lee.

There's a bell in Moscow, while on tower and Kiosko,
In St. Sophia the Turkman gets,
And loud in air calls men to prayer,
From the tapering summit of tall minarets.
Such empty phantom I freely grant them,
But there's an anthem more dear to me,
It's the bells of Shandon,
That sound so grand on
The pleasant waters of the river Lee.

Aglish Vintage Rally News

VINTAGE RALLY '90

Our 10th annual Vintage Rally, which was held on last Sunday week, August 12, was, as always, an outstanding success. We had entries from Kilkenny, Wexford, Limerick, Cork, Tipperary and our own county. The weather wasn't too kind to us as we had heavy rain in the morning but it still did not keep the crowd down.

On Thursday evening, August 9, the Vintage Festival started with 7-a-side football. Ballinameela beat Brickey Rangers in the best game of the tournament and Modeligo beat the host team, Geraldines, in the second semi-final.

On Friday evening, August 10, in the under-14 hurling match, St. Olivers beat St. Mollerans (Carrickbeg). The winners medals were presented by Jimmy Downing (sponsor) while Tony Morrissey presented the runners-up

medals. The two teams and their officers were the recipients of a meal in the local Community Hall after the match. Speakers at the function were Jim Power, Chairman, St. Olivers, Rev. Fr. Finbar Lucey, P.P., Rev. Fr. Pat Fitzgerald, P.P., Carrickbeg (St. Mollerans Chairman), P. J. Reade, and Tom (Stylo) Riordan. Paddy Kenneally, M.C.C., was also present.

Saturday evening, August 11, the final of the 7-a-side football took place. Ballinameela were

favourites to win it out, but Modeligo turned in a great display to run out winners fairly easily in the end.

Tom (Stylo) Riordan (sponsor) that great sportsman, presented the medals to the winners, Modeligo.

P. J. Connery, Chairman of the Vintage Rally Committee, thanked all teams and referees that took part in the tournaments. Jim Joe Landers refereed all 7-a-side games, while Jimmy McGrath refereed the under 14 hurling match.

The Vintage Rally was officially opened by Fr. Finbar Lucey, P.P. Sunday was D-day with something for everyone to enjoy in the field. On behalf of the officers and committee of the Vintage Rally we wish to thank everyone that helped in any way to make our 10th Annual Aglish Vintage Rally such an outstanding success; our sponsors who it would be impossible to name all and we say to each and everyone of you: thank you very much. Hoping to meet you all again in August, 1991.

Result of Raffle: First prize, hamper — Alice Homewood, Aglish; second prize, wicker chair — Eleanor Osborne, Ballingown; third prize, bottle of whiskey — Rita Foley, Mount Stuart.

SYMPATHY

The Aglish Vintage Rally Club extend sincere sympathy to our Assistant Secretary, Rosaleen Connery, on the death of her father, Paddy Tobin, which sad event took place on Thursday, August 9.

As a mark of respect a minute's silence was observed before the St. Olivers v. St. Mollerans under-14 match and the tri-colour was flown at half mast during the Vintage Festival over the week-end. May he rest in peace.

Abbeyside Scout Notes

CAMP '90

With the dust now well settled after our Diamond Jubilee Camp we can do some reflecting on it.

Cooking — The standard of meals served up by the patrols every day was nothing short of Grade 'A.'

A pleasing factor too was that the patrols weren't afraid to be a bit adventurous with different dinners every night. We had two test meals on camp. The first on Saturday, August 4 was with the full patrols. Here the Brooksiders, led by Aidan Mullarkey and John Paul Cosgrave were tops. For this meal Michael Bulfin (Kilburn) was our special guest. His comments received afterwards are worth a mention: "Enjoyed my day's visit on Saturday and brought back happy memories." Our second test meal was on the PL's day off so the efforts of everyone were 110% as they proved they could "survive" without their PLs. The Eastenders on this occasion, led by Donnacha Cosgrave and Colin O'Connor, were the victors, though the efforts of the Brooks, led by Martin Whelan and Robert Curran and the Coronation Streeters led by Michael Verling and John Paul Mills were well noted.

Swimming — With the pool booked by each troop, massive strides were made in the improvement of everyone's swimming and diving and sliding. Brian O'Donnell, Thomas Moore, Aidan Mullarkey and Ned Moore are now candidates for the Irish Olympic squad. Sean Kelleher and Alan Hackett proved their diving abilities, while the SL and Ambrose are reported to be jolly happy with their progress.

Proud — One of the problems with growing up is that adults appear to be ready to pounce and criticise at every opportunity so it made me feel very proud on a couple of occasions over when firstly on the bus at Uxbridge the driver stopped the leaders and asked "are they your boys" with an answer of yes. He replied "you can be very proud of them, it's rare to get such a well behaved group of youngsters together." At Crystal Palace, guide Eddie Crozier on being thanked said "It makes my job a real pleasure to have such an interested and well behaved group, usually when we get a group out their usually are only interested in seeing what damage they can do."

Friendly — One thing I have to say about the ma-

majority of the people we dealt with and met during our stay was how incredibly friendly and helpful they were. On my first morning while looking at the bus timetable, this car pulled up and this tattooed guy said can I help and when we told him what we wanted he bent over backwards to explain how the green line system works and where we could even find a nearer stop to the site (I wonder would that happen at home?). But all the people — other scouts, leaders, bank clerks, super-market people, shop assistants — were unreal in their friendliness. So, well done England.

QUESTIONS FROM CAMP

(1) One of the biggest questions from camp is what have Ambrose Mullarkey and Jimmy Shine and a swimming pool got in common?

(2) Janice — what does that name mean to Brendan Kiersey and Ciaran Walsh?

(3) Nick-names were pretty big on camp. You had the regular ones like Casper, Smiley, Bonnie. Why or what name did Colin O'Connor receive, and why is it unprintable?

(4) While on names, we hear Neil Moore had a few for the SL on the night of Paddy Whelan's arrival — is that right Neil?

(5) Did one of the wax-works really come true to life, or was Thomas Moore dreaming at Madame Tussaud's.

(6) Easy come, easy go (on board Felicity). Would this mean anything to Michael Kelleher?

(7) Factions or groups on camp — can this be true? Do the names Delta Force, Nancy Boys and Vietnam Veterans mean anything?

(8) Rumours have come home that our four adult visitors on camp, Ambrose Mullarkey, Geoff Shepherd, Jim Shine and Paddy

Whelan woke up with the walls down around themselves and when they went to open the zips they were unable to do so — surely untrue?

(9) Talk that British Telecom profits are up for August would appear to be true. We hear Ciaran Walsh and Mark and Geoff Shepherd are now shareholders after all their calls.

(10) The camp photos are now starting to appear. We see that there is photographic evidence that SL Ray beat home all challengers on the international running track at Crystal Palace — looks like our athletes and fit men Michael Kelleher, Denny Flynn and even Tomas Walsh, all got roasted — doesn't it lads?

(11) Advice for anyone with a camera: don't give Brendan Kiersey a loan of it — you could get a big fright. To say he is trigger finger happy is an understatement — isn't that right, Brendan?

(12) Just a few words to give the minds a final jog from Camp — Fred, Janice, Green Line 305, 325, Rayners Lane, Metropolitan Line, Cheers, Pocket Money, Geoff's Sleeping Bag, Ciaran's Bermudas, Evans coach, Daphne Biggs (Q.P.R.), Olympic Pool, Roasted, What time are we getting up at, MacDonald's Campfire song, Paddy O'Dea's workout, Ciaran's appetite, Jimmy Shine's Shorts, Paddy Whelan's knees, William's hair, Sean Kelleher's sleeping arrangements on board the Felicity. — THE END.

RETURN DATE

The question now being asked is when are we recommencing? The date is Saturday, September 8 at 7 p.m. Full uniform. Both sections will merge on this night.

— CAMP SCRIBE.

FROM DUBLIN TO LISMORE

Local man Malachy Twohig will drive a tractor from Dublin to Lismore on Saturday, September 1. Paddy Corkery of Aglish will supply the tractor. This is, of course, not all for fun the funds raised will be in aid of Lismore Hospital. Malachy will halt in our home town before undertaking the last few miles and we expect the locals will give generously. The hospital serves the whole West Waterford area. We may need it sooner than we think!

LAME DUCKS

The duck race fixed for August 15 didn't come off. The reason being, the ducks stubbornly refused to go away as the south westerly wind saw to that. It was a big disappointment to the organising committee and to the hordes of spectators who were present.

The race will be run in more favourable conditions in the near future.

RUGBY CLUB NOTES

The eight men on a bike arrived in town on schedule on Saturday, where a large crowd awaited them. This was a highly successful venture raising much needed funds for the club. The local "cyclists" involved were P. J. Veale, K. Veale, J. McGrath and O. McGrath. The club wishes again to acknowledge the sponsorship of Aer Rianta for this event and to thank everybody who helped in any way.

Members are reminded that training commences this (Wednesday) evening with a further session on Friday.

SOCCER BENEFIT

The match in aid of the

Eddie Fraher accident fund took place on Friday evening. There was a good crowd present for the kick-off at the Danes Field where Fawlt's Angels took on the Comeragh Sharks. It was a highly competitive game with Fawlt's men coming out on top at the finish on the score 4-2.

Best for the locals were Gossie Mason, John Morrissey and Fintan Murray, while Jimmy Fraher, Tom Keating and Brian Kirwan did well for the Sharks.

Fawlt's Angels team — J. Sheehan, E. Heffernan, J. Morrissey, E. McGrath, M. Foley, P. Foley, F. Murray, J. McGrath, P. Morrissey, J. Mason and T. Browne.

BEST FRIESIAN

Congratulations to Tom Fives on his success in the Friesian Heifer Class at the Waterford Show recently.

SYMPATHY

Sympathy is extended to the widow and family of the late Brendan Breen, who died in Dungarvan during the week. Brendan lived in Cappoquin for a number of years during his teaching career at Mount Melleray. Apart from his chosen profession his main hobby was drama. It is recalled that he acted as adjudicator at the Drama Festivals in the town a few years ago and his summing up after each show was looked forward to with great interest. His words of encouragement to aspiring young players were always very much appreciated. May he rest in peace.

AFFANE BRIDGE CLUB NOTES

Results, August 13 — 1st Mary Quinlan and Cora Queally; 2nd Monica Walsh and Mary Fives; 3rd Alice Walsh and Kathleen

Barry; 4th Pat Harrington and Claire Meaney.

CAPPOQUIN/AFFANE G.A.A. NOTES

Our intermediate footballers took part in the Pattern match at Modeligo on Wednesday evening. It was a highly entertaining game on the excellently laid new pitch. The luck was with us for a change as we scored a couple of goals which were of the "soft" variety otherwise the exchanges were very even. Indeed top scorer on the night was Tommy Sullivan, who had 2 goals. It was a good comeback for Tommy, who hadn't played previously this year. Other scorers were — P. Curran (1-2), F. Murray, M. Reddy, T. McCarthy and J. McGrath (0-1 each).

Final score — Cappoquin/Affane 3-6, Modeligo 0-6.

Team — K. Cullinane, K. Veale, K. O'Reilly, E. Costin, S. Costin, M. Reddy, J. Buckley, M. Phelan, T. Mansfield, P. J. Veale, J. McGrath, F. Murray, F. McCarthy, P. Curran, T. Sullivan. Sub. — E. O'Shea for P. Curran.

Incidentally it was good to see the return of Eamonn O'Shea after a very long lay-off through injury.

Gate Collectors this week are — M. Ormonde and M. Phelan. Next week — D. McGrath, J. Fraher and K. Veale.

THIS WEEK'S QUESTION

Name the Cappoquin players who played for Waterford in the 1948 All-Ireland minor hurling final? Answer to last week's

question:

At Turbeha, Cappoquin. FR. FITZPATRICK MISSION FUND

A dance will be held in the Cat's Lounge, Melleray, in aid of the above fund, on Friday, August 31. Music by Pat Tobin. Support for this function will be gratefully appreciated. Committee members will be selling tickets within the next week.

Congratulations Of Co. Council For Moore Brothers

Two brothers were congratulated by Waterford Co. Council at their monthly meeting in Dungarvan for special achievements in the G.A.A. On the proposal of the Chairman, Cllr. Billy Kyne the members of the Council joined in congratulating Abbeyside/Ballinacourty G.A.A. Club and their Chairman Mr. Pat Moore on winning the U-16 'B' County Final. "This was the source of great joy to the people of Abbeyside" said Cllr. Kyne.

Cllr. Kyne also proposed that the Council congratulate John Moore of Dungarvan G.A.A., on being selected to referee the All-Ireland S.H. Final between Cork and Galway. "These two brothers" said Cllr. Kyne "have spent many years serving the G.A.A. and it is a pleasure for us now to congratulate them."

Colligan 1-8 Ballysaggart 1-5 — Colligan won the Bank of Ireland Tournament in Ballysaggart on Sunday evening last. Playing with greater determination and fluency, Colligan just about deserved to come out on top in a close fought, entertaining encounter.

tle, Kilmacthomas, who got a third prize for a horse during the day.

GREAT PARISH RESULTS

Congratulations to all the young men and women in this parish area, who did so well in their Leaving Certificate Examinations announced on Thursday last and we now take this opportunity in wishing them all well for their future lives ahead, and let's hope that they all get the jobs of their choice and be able to stay at home and not have to emigrate ever again.

It is hoped to have details of the local Comhaltas Music classes to hand very soon now, as a meeting of the local committee will hopefully take place shortly. Then the arrangements can be announced in this column.

Cappoquin Macra Na Feirme

Another year of activities in Macra have come to an end and the Cappoquin Club is preparing for the year ahead. The past year was a successful one, during which the club itself organised numerous sports and leisure activities ranging from indoor soccer to ten pin bowling. Members represented Waterford in four National competitions and were just pipped from winning the National Blue Jean Country Queen title.

The highlight of the year was the club's recent participation in the Dungarvan show. Winning the Show competition in 1988 meant a lot to the Cappoquin Club, but to us, just taking part means much more. Cappoquin provided the novelty of the day with our male make and model team and the club displayed the best PRO Board for the third year in succession. Our tug-o-war team convincingly regained their title as champions for the fifth consecutive year.

Well done to everyone who took part in not only the Dungarvan Show but

all competitions during the past year. Everyone who takes part is a winner. Well done also to the club officers for their efforts in keeping Cappoquin Macra active and alive. The club annual general meeting took place on Saturday, August 18. Full details next week.

Finally, on behalf of Cappoquin Macra I would like to congratulate the Kinsalebeg Club on winning this year's Proficiency Competition and the Fenor Branch on winning the Club of the Year award for the first time ever.

— PRO, PAT MURRAY.

We congratulate Mr. Joseph Flynn, Foxes Cas-

BOARDSAILING NEWS

Heineken/IBSA National Boardsailing Championships

The 1990 Irish Boardsailing championships in Dungarvan, over next weekend August, 25 and 26, promise keen competition in all categories. Over 120 competitors will participate in the Heineken sponsored championships hosted by the Gold Coast Club.

Defending champion Mark Pacham will be fighting off stiff opposition from his brother Nigel and David O'Sullivan both from the Oyster Haven Club in Cork. However they will have to reckon with fellow club mate Donal O'Halloran and Coleman Phelan from Blessington, who has been runner-up for the last four years. Fred Willis, Lough Erne, Jeff Condell, Killaloe and Sean Flanigan, South Shore BSC will also be serious contenders for the national title.

It should be an interesting competition in the ladies section with keen competition between the title holder Jane Moore of Antrim BSC last years winner, Helga Masterson winner of the Munster Regional event, Wendy Condell of Killaloe and Alison Dineen of the host club.

On Saturday, August 25, racing starts at 11 a.m. and on Sunday, August 26 at 10 a.m.

IN GRATEFUL THANKSGIVING to St. Martha and Padre Pio for favour received. — B.Q.

THANKSGIVING to Sacred Heart for favour received. — B.O.C.

ST. CLAIR — You followed Christ in His life of poverty and prayer. Grant that confidently giving ourselves up to the providence of our Celestial Father, we severely accept His Divine wish. Amen. Recite this prayer and 9 Hail Marys for 9 days with a lighted candle; on the 9th day let candle burn to end, ask for 3 things, one of them business and two impossible ones. Publish on the 9th day.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — E.M.

A PRAYER FOR PEACE
God, Our Father, up in Heaven, hear this fervent prayer, May the people of all nations be united in Thy care, For earth's peace and man's salvation, Can come only by Thy grace And not through bombs and missiles And our quest for outer space. For until all men can recognise that "The Battle is the Lord's" And peace on earth cannot be won with strategy and swords. We will go on vainly fighting, as we have in ages past, Finding only empty victories and a peace that cannot last. But we've grown so rich and mighty and so arrogantly strong, We no longer ask in humbleness, "God, show us where we're wrong." We have come to trust completely in power and man-made things, Unmindful of God's mighty power and that He is "King of Kings." We've turned our eyes away from Him, to go our selfish way, And money, power and pleasure are the gods we serve today. And the good green earth God gave us, to peacefully enjoy, Through greed and fear and hatred, we are seeking to destroy. Oh Father up in heaven, stir and wake our sleeping souls, Renew our faith and raise us up and give us higher goals, And grant us heavenly guidance as war threatens us again, For more than guided missiles, all the world needs guided men.

— Mary T. Norris, Chapel Street, Lismore.

O'CALLAGHAN — Fifteenth Anniversary — Cherished memories of our darling son, Dermot, of Carnglass, Knockanore, who died on August 16, 1975.

God must have really wanted you, Dermot,
Up there beside His throne,
For many hearts were broken,
The evening God called you home.

We know the meaning of sorrow,

We know what it's like to cry,
But the evening you left our home, Dermot,
We knew how it felt to die.
We often wonder why you went,
But God's will must be done,
He always takes the good at heart,
And you were number one.

Your fate was decided 15 years ago,
Christ looked for a flower to give to His mother,
He picked you, our son, you and no other,
We love you now as we love you then,
God bless you darling
Until we meet again.

(So deeply loved and sadly missed, Mam and Dad, sisters and brothers.)

O'CALLAGHAN — Fifteenth Anniversary — Cherished memories of our darling brother, Dermot, of Carnglass, Knockanore, who died on August 16, 1975.

When I was young it made me cry,
To think my brother would ever die,
To imagine life without him there,
Always seemed more than I could bear,
But now I've grown and know these fears
Were worthy of my childhood tears.
I miss you more than words can say,
And so to God above I pray,
If heaven had a number
I'd call it every day,
To say how much I love you,
Dermot,
Please come home to stay.

(Loved and remembered — from Jean, Jimmy, Michael.)

O'CALLAGHAN — Fifteenth Anniversary — In loving memory of Dermot, late of Carnglass, Knockanore, who died on August 16, 1975, aged 3 1/2 years.

The most wonderful brother ever to live,
Whatever he had he was willing to give,
He never complained, he was not that kind,
He was one of those brothers so hard to find.
So soft, so gentle, so loving,
So tender,
A beautiful brother I will always remember.
(So sadly missed — your loving sister Dolores, Edmond and family.)

(Always in our thoughts — Uncle Willie, Maura, Ann, Josephine and Francis.)

O'SHEA — Seventh Anniversary — In loving memory of Sandra O'Shea of Sunlawn, Affane, who died August 21, 1983. Our Lady of Peace pray for her.

The tragic night, some years ago,
The heartbreak and the tears,
To hear the news, poor Sandra died.
I will remember through the years.
(Very deeply regretted — Maisie.)

O'SHEA — Seventh Anniversary — In sad memory of our dear daughter, Sandra, aged 16, who died August 21, 1983, of Sunlawn, Affane.

Some mothers have their children just for a little while,

Some move on from their nest, but others sadly die.
And when that sad day happens,
O the sorrow and the pain,
For the parting is forever,
Knowing you'll not come home again.

All of you who have a daughter,
Of her take special care,
For the world we would give and much, much more, if we had ours today.

(Loved and missed every day by Mam and Dad.)

O'SHEA — Seventh Anniversary — In sad memory of my sister, Sandra.

A bouquet of roses just for you,
But they're sprinkled with teardrops instead of dew,
And in the middle, a forget-me-not,
For to tell you, San, I've not forgot.

They're given with love, but with sorrow,
For a sister I'll never forget,
Your memory to me is my treasure,
But your loss a lifetime regret.

(So very sadly missed by Eamonn.)

O'SHEA — Seventh Anniversary — Fond remembrance of Sandra, taken tragically seven years ago, now safe in the arms of Jesus. God bless Sandra.

(Always remembered — Auntie Bid, Uncle Jim, Susan and Anthony.)

O'SHEA — Seventh Anniversary — Treasured memories of Sandra O'Shea, Sunlawn, Affane, who died on August 21, 1983.

No length of time can take away,
Our thoughts of you from day to day.

(Always remembered and never forgotten by her cousins, Rita and family in Surrey.)

O'SHEA — Seventh Anniversary — In loving memory of Sandra, Affane, who died on August 21, 1983.

Today, tomorrow, our whole life through,
We will always love and remember you.

(Always in our thoughts — Uncle Willie, Maura, Ann, Josephine and Francis.)

O'SHEA — Seventh Anniversary — In sad and fond remembrance of Sandra O'Shea of Sunlawn, Affane, who died August 21, 1983. Our Lady of Peace pray for her.

The tragic night, some years ago,
The heartbreak and the tears,
To hear the news, poor Sandra died.
I will remember through the years.
(Very deeply regretted — Maisie.)

O'SHEA AND REDDY — Loving memory of Sandra and Ann on their Seventh Anniversary.

God called you home so gently,
That only you could hear,
No one heard the footsteps,
Of an angel drawing near.
You left all so gently,
We could only wonder why,
The saddest part of it,
You never said goodbye.

(Sadly missed by Thomas, Sunlawn.)

O'SHEA AND REDDY — Loving thoughts of dear Sandra and Ann on their Seventh Anniversary.

There is a bridge that leads beyond,
The world of time and space,
Through a green and peaceful valley,
To a lovely dwelling place.
Where you both have found happiness

And joys that know no end,
Across the bridge that lies beyond,
The peaceful valley's bend.
With soft white clouds in the sky so blue,
Loving angels who will walk with you,
Flowers underfoot and by your side,
Golden sands brought with the tide.
Gentle breezes touch your hair,
Sandra and Ann, one day we will meet ye there.

(Loved and remembered by Paddy, Noreen, Sunlawn.)

POWER — Second Anniversary — In loving memory of Jesse Power, 51 Cathal Brugha Place, Dungarvan who died on August 25, 1988. On whose soul Sweet Jesus have mercy.
(From Mary, Mon, Gal and family.)

WADE — Sixth Anniversary — In loving memory of Donal Wade, late of 9 Connolly Row, Dungarvan, who died on August 22, 1984. Masses offered.

In quiet times we live again,
The days that used to be,
So full of laughter, love and care,
And how dear you were to us,
Did the sun shine brighter then,
And was the sky more blue,
Or was it just a different world,
When we shared our lives with you?

(Never forgotten and always remembered by your loving family at home and away.)

Kilmacthomas Notes

ENGAGEMENT

Congratulations to Mr. Johnny Brown, Rathmeaden, and Miss Pauline McNeill, Waterford, who announced their engagement recently.

21ST BIRTHDAY

Congratulations to Annice Veale, High Road, Kilmacthomas, who celebrated her 21st birthday on Thursday last with a party for all her family and friends in Crotty's Inn, Lemybrien.

RESULTS

Kilmacthomas had a good 3-2 victory over Dunmore in the Portlaw tournament last week, Paul Gallagher (2) and Tom Joe Power scored for Kilmac'.

In a senior football challenge game in the local grounds on Monday evening last, Kilmac' had a good 5 points victory over St. Saviours. This was a much improved display from the local side and we hope they can keep up this form for their important game with Dungarvan on Sunday evening next in Stradbally.

In the semi-final of the Portlaw tournament, Portlaw 'B' defeated Kilmac' 2-nil after an exciting game.

IN GALWAY

Local artist "Tom the Street Singer" made his first appearance in Galway last week and played to full houses. Then it was off to

the Puck Fair where his rendering of "The Dingle Puck Goat" brought packed audiences to their feet. He has now bought a new set of strings for his Elvis Presley look-a-like guitar.

INJURED

We wish a speedy recovery to Brian Whelan, Hillside Crescent, who received a wrist injury in a recent football game. We hope to see this young talented player back on the playing fields in the not too distant future.

HOME ON HOLIDAYS

Home on holidays from England at the moment is Tony Beatty. Tony is the founder member of the Kilmacthomas Soccer Club and was a brilliant centre forward in his playing days.

MUD WRESTLING

We hear that John Joe and Willie got ring side seats at the mud wrestling at The Pike on Saturday night last.

SYMPATHY

Sincere sympathy goes to John O'Neill, Treacy's Hill, Kilmacthomas, on the death of his sister, Kitty, in England last week.

EASTERN FINAL

Kilmac' and Fenor must meet again to decide who goes through to the county final. After a most exciting game in Portlaw on Saturday night, both sides played out a 1-7 to 2-4 draw. Kilmac' dominated the first half but failed to put away some good chances that proved to be costly at the finish. With time almost up the local side were leading by 1 point and looked on their way to the county final but Fenor who never gave up the fight, came down the field and forced a free which Hunt converted to earn them a draw.

Kilmac' team and scorers — Joe Joy, Michael Lawlor, Robbie Whelan, Donal Lawlor, Michael Dee, Johnny Brown, Tom Joe Power (1-0), David Kiely, Jessie Whelan, Johnno Power (0-1), Tom O'Connell (0-1), Brendan Whelan, Liam Carey, Paudie Whelan (0-5), Michael Hallahan, Pdraig Dunne, Vincent Behan. Man of the Match —

Jessie Whelan.

After the game we met up with Patsy Power, who is now home from England and living in Piltown with his wife Peggy. Patsy was a stylish hurler in his playing days and is now an ardent supporter of Kilmac' and travels to all their games. Patsy is not in favour of the league system in the championship and says it is too complicated to follow especially when it comes to the knock-out stages. The chat ended when Patsy asked how West Ham got on, and when told Spurs 4, West Ham 1, he left quickly.

A STRANGE SIGHT

Many locals stood in amazement on Saturday evening last as eight men on a specially designed bike came cycling through Kilmac'. The cycle was in aid of the Cappoquin Rugby Football Club and the cyclists were on their way from Waterford to

Cappoquin.

EXAMS

Congratulations to all St. Declan's College students who passed their Leaving examinations last week.

SENIOR FOOTBALL

All roads will lead to Stradbally on Sunday evening next, August 26 when Kilmac' take on Dungarvan in a vital championship game. This will be a tough game and should produce some sparkling football. A win or a draw would see Kilmac' into the knock-out stages but if they lose there will be a treble play-off for the last position between themselves, The Nire, and Dunhill. Dungarvan defeated Dunhill by 1-14 to 0-5 in Dungarvan on Friday night last and are very fast and fit. But if the local side produce the form they are capable of they can go on to take the two points that would secure their passage to the knock-out stages.

FURTHER FESTIVAL NEWS

Last week we wrote at length on the Festival Queen, well this week we will deal with a few more items of interest such as the Pub Talent Competition, Car Treasure Hunt and 45 Drive.

Pub Talent — Seven pubs will be the venues for the talent competition over the next two weeks. The competition is of such importance that it's to be sponsored by Murphy Brewery, Cork. This competition is confined to singers only, and one qualifies from each of the seven pubs. That does not mean that if you fail to qualify at one pub, that you cannot qualify on the next night — in other words, you can sing in all the pubs until you qualify!

So give it your best shot. The list of pubs are as follows:

Friday night, August 24 — The Plough, Curraglass; Saturday night, August 25 — The Corner House; Sunday night, August 26 — Ted Keniry's; Wednesday night, August 29 — John Lyons; Thursday night, August 30 — Luke McCarthy's; Friday night, August 31 — Bride View Bar, and Saturday night — September 1 — The Hotel.

The seven finalists will compete at the Community Centre on Horse Fair night with the mighty ballad group "Galleon".

Car Treasure Hunt — On Sunday evening, September 2 John White of the A.I.B. and Jack Ahearne have organised a Car Treasure Hunt and Safety Rally for all the family. This should be a wonderful event after watching the All-Ireland, to get out for an hour to an hour and half over a mysterious course. John tells me that you will get your list of clues from them at the Square anytime from 5 p.m. to 6.30 p.m. last cars must be gone by then. The South of Ireland Oil Co. in Tallow are the sponsors with some glorious prizes. Entry fee is per car, so you can have as many people as allowed.

Busking In The Streets — Horse Fair evening from 4 p.m. to 5.30 p.m., a busking competition will be held on the streets of Tallow, again with big prize money at stake, all sponsored by "Guinness" Ireland. Judging will take place at that time, with no entry fee, and a lot of money to be won. The three top groups will then compete for the three prizes in the Hall that night, with the final of the singing pubs and the mighty "Galleon" ballad group — that will be

some night. The Committee tell me that the whole thing should be over by 11 p.m. to allow us all to visit the pubs for our final night of the Festival.

St. Patrick's Hall — On Saturday night the ever popular 45 Drive will be held in St. Patrick's Hall. This is Monster 45 Drive for the Festival so all card lovers this is the place to be Saturday night. Last year around 30 tables played, this year we ask you to beat that.

On Saturday at 2 p.m. all tennis lovers will enjoy the Open Tennis Tournament again in St. Patrick's. Entries for U-14, U-16 and U-18 will be taken in the courts next week, or contact any member of the committee.

Dancing — On Friday night after the Festival Queen, an adult disco with one of our top D.J.'s will be held in the Hall, and on Saturday night a special childrens disco, for our young dancers (time 9 p.m. to 10.30 p.m.). No dance on Horse Fair night to allow time for finals of Pubs Singing and Busking Competition plus "Galleon".

Next week we will cover the fishing competition on the Bride, the fancy dress, baby show, sports events, novelty competitions, boy scouts jamboree, bicycle races, etc., and the G.A.A. and soccer matches.

WOODVIEW PARK IMPROVED

There has been a considerable improvement in the upkeep of the Woodview Park area of Tallow recently. This has come about since most of the tenants bought out their own houses and they are now maintained far better than when the Council owned them. The area of ground both at the front and back of the houses has also shown an improvement in its maintenance, thanks to Mr. James Ryan and his Council staff.

Cllr. Willie McDonnell recently said the improvements have come about by the co-operation of all concerned. He said he would continue to push for more improvements at Council level for the people of Woodview.

BRIDE VIEW UNITED F.C.

NOTES

Tavern Cup
Bride View 2; Lismore 2 (4-3 on penalties)

Utd.'s first outing this season was a successful one when they defeated Lismore on penalties.

Bride View short many regulars can feel well pleased with this display.

United attacked from the kick-off and missed three good chances in the opening 10 minutes. It was Lismore who took the lead however, and they added a second goal from the penalty spot. United fought back and a Martin McCarthy header went all the way to the net. At the break Lismore led by 2-1.

Bride View were back on level terms 3 minutes into the second half when Philly Curley volleyed home from outside the box. United now turned on the style and the Lismore goal had many a narrow escape, but at the final whistle both sides were deadlocked at two goals apiece.

And so to the penalties. After the usual 5 penalties each the sides were still level at 3-3. Paul Curley then scored for United,

while Lismore failed in their kick and United marched on to the second round.

Bride View Utd. — K. Tobin, J. McCarthy, G. Williams, P. Pescod, M. Hartnett, M. Curley, G. Hogan, P. Curley, D. Henley, P. Curley, M. McCarthy.

Under-16 Challenge Game — Fermoy 1 United 2 — Our U-16 squad made the trip to Fermoy on Sunday morning last and ran out winners by the odd goal in three which pleased manager Liam Buckley and coach Pascal Pescod. Joe Murray and Stephen Hampton were Bride View's marksmen.

Bride View — W. Rooney, J. Fraser, D. Martin, J. P. Grey, F. Moore, T. Keniry, P. Henley, J. Murray, M. Tobin, S. Hampton, G. Henley. Res. — B. Sheehan, S. Barry, B. Power, P. Flynn.

This weekend's Fixture — Tavern Cup, Cappoquin, this Saturday night. At the time of writing these notes we do not know who our opposition will be.

Club's A.G.M. — Full report next week.

TALLOW G.A.A.

NOTES

The senior team are training hard under Eddie Cunningham and Mickey Curley for the forthcoming county semi-final on September 23 and a number of challenges have been organised within the next few weeks.

The junior hurlers will play Clashmore on September 9, so now it is up to every member of the junior panel to put in an effort, there is no excuse as the seniors, juniors, minor footballers and U-21's can all train together. The spirit in the club at the moment is excellent so let's keep it that way, the only way that this can be done is to train together.

The minor footballers are penciled in for September 5, and if they lose they will play again on September 12.

We have no date for the U-21 hurling against Lismore.

The club would like to thank all those people who subscribed to the annual collection on Sunday, August 12.

The club wish Jim O'Donoghue and his new bride Caroline, every success for the future after they tied the knot last weekend.

ST. CATHERINE'S G.A.A.

St. Catherine's 5-7 Sarsfields 2-4 — Catherine's play Watergrasshill this Thursday evening at Rathcormac at 7 p.m. in the second round of the U-16 hurling championship. They earned this right last Wednesday evening at Lismore beating Sarsfields on

the above score after a great second half performance.

Sarsfields looked dangerous enough in the early stages but their penetration was thwarted by the sound defensive work of Cotter, Fitzgerald and Nunan in the Catherine's full back line.

'Sars' were first to score but shortly afterwards Catherine's made a raid on the 'Sars' goal and sent the sliotar home to raise the green flag and put them in the driving seat.

'Sars' were not to be denied however and notching a minor score they settled into the contest with more spirit. Catherine's added a point to their tally and half time left the sides St. Catherine's 1-1 Sarsfields 0-2.

An all out scoring effort from both teams on the resumption was nullified by strong back-lines with Sheehan and Declan O'Neill outstanding. Johnny Sheehan and Mark Lane seemed to have the upper hand in the centre and a beautifully cut side-line ball from Cotter which resulted in a point, gave Catherine's the required incentive. Cotter, Lucey, Jim Lane and Dave O'Connell fought hard for scores and the two great stylists in the full forward line Michael Hegarty and Kieran Morrisson, picked some lovely scores and with the passing movements played ducks and drakes with the defence.

A Sarsfields rally in the last quarter brought them a couple of goals though Michael O'Brien Catherine's net-minder, as reliable as ever, made some good saves and Catherine's advanced to the second round where they will meet Rathcormac.

Catherine's team was — Michael O'Brien, Richard Cotter, Pat Fitzgerald, Brian Nunan, Michael Dargen, Pat Sheehan, Declan O'Neill, Mark Lane, Johnny Sheehan, Brian Cotter, Dessie Lucey, Jim Lane,

Dave O'Connell, Kieran Morrisson, Michael Hegarty. Subs. — Noel O'Neill, James Fitzgerald, Robert Hamilton.

BALLYNOE CHOIR'S VISIT TO MELLERAY

A bus took the Ballynoe Choir to Mount Melleray Grotto last Sunday where they sang hymns during a devotional period from 2 to 5 p.m. Mrs. O'Keefe was organist. A large crowd was present as it coincides with a special 9 days of prayer to commemorate the apparitions at the Grotto five years ago. A vigil and 7 o'clock Mass in the morning at the Monastery brought eleven buses to the shrine on Saturday evening.

LAUNCHING OF VIDEO AT BALLYNOE HALL

On Saturday evening after 8 o'clock Mass in St. Catherine's Church in Ballynoe Hall a video made during the recent Ballynoe Past Pupils Reunion celebrations was launched by local Curate, Fr. Patrick Buckley. In conjunction with this a social evening was arranged and all who helped with the recent function spent a few happy hours with music, dance and tea and also a short viewing of the video. 65 of those videos are already engaged but more will be available anytime on request.

Dungarvan United A.F.C. Notes

MUNSTER SENIOR LEAGUE

In keeping with tradition the Keane Cup (League Cup) signals the start of the playing season in the Munster Senior League. This season Dungarvan United, who will compete in Div. 1 following relegation last year have been drawn in the toughest group alongside four premier division clubs.

The Blues kicked off their campaign with an away tie against Avondale United on Thursday night (August 23) and their next engagement is at home to St. Mary's on Saturday, September 1 with a 6.30 p.m. kick-off. Further games against Rockmount (away) and Cork City (home) will complete their games in the group.

There will be plenty of new faces in the United dressing rooms this season. Willie Coward, Brian Whelan, Derek Lyons, Billy Coleman and David Sheehan remain from last season's squad while Ger Beresford, Georgie Hamilton, Ber Whelan, Michael Hickey and Johnny Hughes who all played senior football towards the end of last season are in the squad. Pat Tutty, Alan Sheehan and Richie Power are all new signings while Tony Hamilton and Martin Houlihan have both stepped up from the junior ranks. David Whelan, Pa Drummy and Alan Landers, who are all U-17 players are also included in this season's squad.

With a new-look side it will take joint managers John Walsh and Kealan O'Neill a few games to establish a settled side and both have stressed that they

will use the Keane Cup to experiment and as match practice for the long league campaign that lies ahead. Presently Dungarvan are concentrating on their physical fitness and are under the guidance of Paddy Ryan (ex-Waterford Utd. and ex-Cobh Ramblers).

Three new clubs have joined the Munster Senior League this season, Cobh Wanderers, Douglas Hall and Wilton United will all compete in the first division.

Martin O'Sullivan — One name missing from the Dungarvan squad this season is that of Martin O'Sullivan. After several seasons on the club's Premier and the Munster Senior League teams, "Rocky" has decided to retire from senior football. He will be sadly

missed as he never failed to give 100% when he pulled on the blue jersey and last season highlighted his loyalty to the club when he played in an unfamiliar midfield role and was always prepared to roll up his sleeves and battle.

SCHOOLBOY NEWS

Training for all schoolboy players U-12, U-13, U-14 and U-15 will commence tonight, Wednesday, August 22 at 5 p.m. in Kilrush Park. All players are requested to attend and all new players are welcome.

All the schoolboy players in the club would like to send their best wishes to Michael "Dixie" Deegan, who is presently indisposed. Let's hope it won't be too long until we see Dixie patrolling the sideline again.

DUNGARVAN SEA ANGLING CLUB NOTES

Competition for £2,500 Crystal Trophy

The magnificent Waterford Crystal Perpetual Trophy will be fished for next weekend. This trophy is nearly thirty years old and is estimated to be worth more the £2,500. There have never been replicas presented to the winners in this competition but Monnie Hallahan, while not saying that there will be in the future, gave hope that there might. This being so any replicas would be back dated to this competition.

Alan Sharpe, from England, is coming to fish the competition along with several of his friends who write in some of the more popular angling magazines. This demonstrates the international reputation Dungarvan is making for itself in the quality of the fishing and the high standard of competition.

Tony Crowe is off to Killlalla this weekend to represent Dungarvan S.A.C. in the All-Ireland Master Angler. We wish him the best!

Seve Baumann's award of £250 for the heaviest Thornback Ray over 15 lbs. has yet to be won. So come on! Seve is only dying to shell out.

The dead and rotting conger and dogfish washed up on the shore at Clonea and caught in nets off Helvick recently could be due to the red tide. Hopefully it is nothing more serious and

that it will not affect the fishing at the weekend. So get your entries in early as Seve is in Canada and Ann and Nora are in Cyprus, which, with Tony In Killlalla, leaves very few of the committee left to do the work!

MASTER ANGLER
Tony Crowe 252 pts; Damien Dillon 241 pts; Bernie Kenneally 232 pts; Seve Baumann 224 pts; John Molloy 222 pts; Helen O'Grady 209 pts; Con Lane 207 pts.

Abbeyside Shore Angling

On Thursday night we fished our Abbeyside Pattern Competition, we had a good turnout with over 20 anglers competing for some great prizes.

Results:— 1st Martin Tobin, 2nd John Joe Kirwan, 3rd Don O'Connor, 4th Brendan Wall; 1st Lady — Kathleen Young; 1st Juvenile — Pat Maher, 2nd Damien Wall, 3rd Eric Crowe.

Fish returns were very poor for this competition, but Martin Tobin came up trumps with a fine conger.

On Sunday afternoon we had the ladies out for their own competition, and they were very successful with very good fish returns.

Results:— 1st Ann Cowming 63.30; 2nd Joan Elstead 34.80; 3rd Marian

Crowe 31.20; 4th Cait Mulcahy 13.00; 5th Jenny Young 11.50; 6th Breda Molloy 8.60.

19 fish in all were weighed in, with a variety of two, 1 flounder and 18 eel.

Ten ladies turned out to fish this competition on a misty Sunday afternoon.

NEXT COMPETITION

On September 9, in Ballinacourty, we will fish our Gold Medal Competition sponsored by Ann and John McGrath. This event which usually consisted of two days fishing, has now been reduced to one day, but we will still have a fabulous array of prizes, not to be equalled anywhere. More details next week.

Cunnigar Pitch & Putt Club Notes

Gene Kelly loved it, he sang about it, he even danced through a downpour, but at the Cunnigar Pitch and Putt Club did we want it? No sir. Rain we could do without. I'm referring particularly to our competition run on Sunday, August 19.

This was an 18 Hole Fourball Doubles and was sponsored by Deice Electrical, Mary Street, Dungarvan, proprietor Michael Moloney to whom we are indebted for his sponsorship of this event.

Getting back to the rain at the weekend it was obvious we were in for a spell of broken weather and the big question was how would it affect us. This week also saw the running of a local annual event about which it is said it had the same effect locally as the "Fair Days" of the past. However, the great handicapper in the sky looked favourably on us and a very enjoyable time was had by all. Some of the competitors no doubt regretted that extra shot from time to time, to hole the ball, but all in all everyone was pleased with the event.

Speaking about those extra unnecessary strokes it is pleasing to tell you that coaching lessons are due to commence in the Sports Centre. As precise details are not to hand at the time of writing it may be that they would already have commenced by the time you read these notes. Anyway if in doubt you should enquire at the Clubhouse. Indoor coaching for pitch and putt? You might be wondering. The short answer is yes! Pitching will be as in the outdoors except it

will be towards nets and putting will be carried out on mats. So for those who have discovered where their problem lies, either pitching or putting, the means are at hand to correct your defects.

Speaking about rain — in the best version of the movie of that name, what actress played the part of Sadie Thompson? No prizes given so the question is open to everyone except Hugh Leonard. Clue: She once danced with Gene Kelly!

The result of Sunday's competition was:

Adults — Joint 1st

Michael Delaney and Anselm Hayes; Joint 2nd Martina Walsh and Kenneth Quarry.

Juveniles — Joint 1st Brian Donovan and Jonathan Donovan; Joint 2nd Brendan Delaney and Kevin Hayes.

Well done all round.

It may be remembered that in the early days of the club we offered payment of the membership fee by instalments. Regrettably that scheme is coming to a close and August 31 is the latest date to avail of this offer. So don't delay if you wish to avail of it.

— TOVID

Blackwater Cycling Club Notes

The Cappelquin Pork & Bacon Blackwater C.C. travelled a big distance to Knockanure, near Listowel on Sunday, but they did not travel in vain. Denis McCarthy, Vincent Lombard, Paul and Brian Moore brought home prizes, Denis taking the Senior C race, Vincent taking 1st, Paul 4th and Brian 5th in the Under-12's. John Moore and Shane Motherway also finished well up in their races.

The course was nine miles long and was a rough and tough one — a lot of riders dropped out as conditions were terrible.

We are all preparing for the Underage All-Ireland Championships in Dublin next week-end. We have several riders travelling up. They will have a skills competition as well as a road race.

Dungarvan Rugby Club Notes

TRAINING

Training commenced last week with good turn-outs both nights, under Niall Parkes. New club captain, Eoin Phelan and his vice-captain Andy Halley are hard at work getting all the lads back in action for the forthcoming "Hoffman's Festival." Training continues every Tuesday and Thursday night with newcomers very welcome, and expert training available.

HOFFMAN'S RUGBY FESTIVAL

Our annual festival takes

place on Sunday, September 9 and this year's promises to be a great event, with 12 clubs taking part from all over Munster. (More details later).

IRISH JERSEY

A big attraction on Festival Day is the above presentation by former Irish International, Moss Finn of Cork Con to the club. Moss was a member of the triple crown team of '82 and of course the great Munster team that defeated the All Blacks in 1978.

Notai C.L.G. An tSean Phobail

Result of the progressive 45 card drive in the Marine Bar last Wednesday night were:— N. Foley and C. O'Connell, T. Carey and M. Cummins. The jackpot is £220 on 12 games. Before the card game began a minute's silence was held as a mark of respect for the late Paddy Tobin.

AN RINN 0-12

SEAN PHOBAIL 0-10

On Monday night last, August 20, the final of the Terry Cup Tournament was played in Pairc Ui Chólmáin in the Sean Phobail. Both teams were short some players. We played some fine football in the first half with M. Hogan playing the best game of the year scoring some good points. He was well supported by D. French and A. O'Sullivan at midfield. We led by 3 points at half time.

An Rinn played with the wind in the second half and got some good scores early in the half. It was point for point up to the end. With 3 minutes to go An Rinn took the lead for the first time and it was then too late for us to come back. This was the best junior football match played this year. Congratulations to An Rinn for a good sporting game.

The team — O. Whelan, J. Walsh, S. Woods, M. Hourigan, M. Curran, J. Salmon (capt), B. Stillwell, A. O'Sullivan, D. French (0-1), T. Hogan (0-1), M. Hogan (0-5), K. Power (0-1), M. Quann, R. Curran (0-1), C. French. Sub. — C. O'Neill for M. Quann.

Our thanks to D. Hennessy for his excellent handling of the game. — Miceal Toibin P.R.O.

St. Olivers G.A.A. Notes

UNDER-16 HURLING CHAMPIONSHIP

In the under-16 hurling championship, St. Olivers lost to Abbeyside (match played in Aglish), beat Stradbally in a thriller in Stradbally after travelling to Stradbally twice (no referee the first evening), drew with Naomh Brid in Colligan and were beaten in the replay by Naomh Brid, also in Colligan.

The under-16 football championship commences this week. Our under-14 hurlers beat St. Mollerans (Carrickbeg) in the Aglish Vintage Rally Festival tournament, while our minor hurlers failed to muster fifteen players in the second round of the championship.

ALL-IRELAND HURLING TICKETS

The draw for the All-Ireland hurling tickets will take place on Monday evening, August 27. Paid-up members wishing to be in the draw should give their names to Tony McCarthy, Secretary, at once.

SYMPATHY

Sincere sympathy is extended to the Tobin and Connery families on the death of Paddy Tobin. He was grandfather of our players Brian and Paul Connery. May he rest in peace.

AGLISH FESTIVAL U-14 HURLING MATCH

St. Olivers 5-3
St. Mollerans 2-4

St. Mollerans came from Carrickbeg last Friday week to take on an injury

ridden St. Oliver side (because of the under-16 replay two days before) in the Aglish Festival match. St. Mollerans took the lead midway through the first half with a point and then Mikey Ronayne hit one over to make things level. However, Fr. Fitzgerald's team ran away with it for the rest of the half and led at half time by 1-3 to 0-1.

In the second half St. Olivers were much better, scoring 5 goals, 4 from Aidan Mernin and 1 from Mikey Ronayne, with another shot from Ian Cliffe being cleared off the line.

After the match, winners medals were presented to the St. Olivers team by Jimmy Downing, sponsor, and the runners-up medals were presented to the St. Mollerans team by Tony Morrissey, Treasurer. After the presentation, there was a reception for both teams at the Muintir Hall.

St. Olivers — Anthony Morrissey, Pat O'Donovan, Stephen Ronayne, James Tobin, Thomas Power, Aidan Aherne (0-2), Owen Hallahan, Michael Murray, Aidan Mernin (4-0), Tomas Curran, Roger Ronayne, Paudie Aherne, James Fletcher, Mikey Ronayne (1-1), Caimin Radley. Subs. — Damien Landers for Caimin Radley, William Downing, Ian Cliffe (for James Fletcher), Brendan Lenane (for Paudie Aherne).

The referee was Jimmy McGrath (Affane-Cappoquin). — PRO.

LADIES FOOTBALL

Waterford Take On Kerry

(Waterford v. Kerry at Cappoquin on Saturday evening at 7 p.m.)

Waterford lady footballers bid to win their first ever Munster senior title at Cappoquin Sportsfield this Saturday evening. This is the fourth year in a row that the counties are clashing in the final and Kerry will be looking for their tenth Munster senior title in a row.

It's a formidable record that the Kingdom are endeavouring to defend. Their last defeat within the province was in 1980 at the hands of Tipperary. They won the provincial crown the following year but were defeated in the All-Ireland semi-final by Offaly and the Leinster champions went on to win the All-Ireland final defeating Cavan. Since the summer of 1981 Kerry have remained unbeaten, an incredible record. In eight All-Ireland finals they have defeated Wexford on three occasions, Laois twice, Westmeath, Offaly and Leitrim. They have also captured eight league titles over the last nine years and have qualified for this year's final.

On paper they seem to have all the answers and their teamwork and combination play are very difficult to combat. Nevertheless a trip to Waterford is one they won't relish. They came very close to defeat in the 1988 final at Ballymacarbry, finally surviving on a 3-5 to 1-8 scoreline. But at one stage they were six points behind before a hotly disputed goal saw them through. In last year's encounter at Tralee, they had just two points to spare and trailed at the three quarter stage.

They have already shown a little bit of anxiety by appealing to the Munster Council to have the match played at Cappoquin instead of Ballymacarbry, using the fact that the Ballymac pitch isn't enclosed, as the reason for their objection.

Although Waterford are very familiar with the Ballymac pitch, they train on it, playing on the Cappoquin surface shouldn't prove any problem. They recently played Wexford there in the National League and the extra space should prove beneficial to a young side.

Kerry are playing well at the moment, they defeated Laois 1-10 to 2-6 in the league semi-final last Sunday and Laois have beaten Waterford twice this year. Also Kerry defeated the "Blues" 4-11 to 1-5 at Abbeydorney last April. It is unlikely however, that those results are relevant to this year's Munster final. The game will be won by playing well on the day.

Waterford have every reason to be hopeful of victory. In 1988 and '89 there was just a kick of the ball between the teams with the vital break going to Kerry on each occasion. This year's final has the makings

of another cliffhanger. Unfortunately Waterford are without two key players, June Whyte and Sinead Walsh and while June is making rapid progress she lacks match fitness having been out for seven weeks.

GOOD PREPARATION

Apart from this Waterford's preparation has been very good, training sessions three times a week, have been well attended and the team is eagerly looking forward to the game, a welcome change from the past when the players spoke in "awe" of the Kingdom. It's absolutely vital that Waterford go out to win the game and not just to play well.

Midfield supremacy is likely to prove vital and if Catriona Casey and Mari O'Ryan strike top form then Waterford are in with a real chance. Patricia Butler will again guard the net, the defence will include team captain Ann Dunford, Martina O'Ryan, Noirin Walsh, Ann Fitzpatrick and Dolores Tyrrell. In attack Waterford will look to Bernie Ryan and Marie Crotty for leadership along with Aine Wall, Colette Whyte, Fiona Crotty and Geraldine O'Ryan.

In summing up it has to be said that good performances from half a dozen players won't win the Munster final for Waterford. Each player has got to make her own contribution and first to the ball tactics is an absolute must. If Waterford deny Kerry the space and time to which they have become accustomed, then we could be celebrating a famous win on Saturday night, but only a top class performance will suffice.

The game which is well worth a visit will be refereed by Cork's John O'Brien.

IN LEAGUE FINAL

Waterford qualified for the National Senior League final on Sunday last at Ballymacarbry when they scored an easy 3-11 to 0-2 victory over Westmeath.

Waterford led 0-5 to 0-1 at the interval with Marie Crotty scoring four points and when Fiona Crotty scored a goal in the first minute of the second half the game as a contest was over. Further goals from Geraldine O'Ryan and Aine Wall saw Waterford run out easy winners and in for the final on the second week of September when they will play Kerry.

Team — Patricia Butler, Ann Dunford, Martina O'Ryan, Regina Byrne, Noirin Walsh, Ann Fitzpatrick, Dolores Tyrrell, Catriona Casey (0-1), Mari

O'Ryan, Aine Wall (1-1), Bernie Ryan (0-2), Colette Whyte, Fiona Crotty (1-0), Marie Crotty (0-5), Geraldine O'Ryan (1-2). Subs. — Honor Lonergan and Deirdre Wall.

On Sunday last Na Deise defeated Newtown 3-1 to 0-2 in the senior semi-final at Bushy Park and this Sunday they take on Ballymac' in the senior final at

Modeligo at 12.15 p.m. Although fourteen of the Ballymac' players will be playing against Kerry just seventeen hours previously, they will surely prove too strong for a gallant Na Deise side.

Clubs are asked to note that a County Board Meeting at Lawlor's Hotel, Dungarvan takes place this Thursday night at 9 p.m.

Dungarvan Badminton Club News

SEASON'S GREETINGS

No it is not Christmas but the 1990/91 season is now upon us. At its last meeting which was held last week the committee decided to inform all members that their annual subscription is now due on September 1, 1990.

As the committee are now engaged in team formation at this stage, members are notified that only those with their subscriptions paid up will be considered for team membership. The county association will shortly want to know how many teams the club will be putting forward.

The men's and ladies leagues will begin in early October. From the first week in September coaching sessions will commence with the club nights extending to either three or four.

RECENT WEDDING

Two of our most proficient badminton players

were married recently, John O'Riordan and Suzanne Waters. We wish them many years of happiness.

BACK FROM AUSTRALIA

Mossie Norris, who was the backbone of the Dungarvan Badminton Club for many years, has returned home for a holiday. It is nice to see Mossie in such good form. On Thursday last he made a visit to see his many friends in the club.

CLUB ROTA

This is the new club rota for the next month:

Aug. 16 — Margaret O'Brien; Aug. 23 — Martin Walsh; Aug. 30 — Pat Lenane; Sept. 3 — Violet O'Brien; Sept. — 4 — Breege Uí Murchada; Sept. 7 — Jim Kiersey; Sept. 10 — Carmel Hurley and John Power; Sept. 11 — Marcel-la Kiely.

With so many members now back playing it looks like a busy season for Dungarvan.

Dungarvan G.A.A. Club Notes

JOHN'S GREATEST HONOUR

There is absolute elation in our club at the news of John Moore's appointment to referee Sunday week's All-Ireland senior hurling final between Cork and Galway at Croke Park. It is the ultimate tribute to one of the game's great referees.

As a leading member of our club and a member of the executive committee too, his appointment is a tremendous tribute to Dun Garbhain. But of course the greatest tribute of all is to John himself and we will all be rooting for him on the big day.

His appointment is no less than he deserves, having given marvellous refereeing exhibitions in this year's Munster senior and Under 21 finals. Until now however the really big honour had eluded him, but thankfully the powers that be have finally recognised his immense talent and we know he will do himself, the Dungarvan club, and Waterford proud on September 2.

Congratulations to you John from everyone in this club. We share in the delight and the honour of your deserved appointment.

LATE BRENDAN BREEN

It was with considerable sadness that everyone in the club learned of the death last Sunday of Brendan Breen, Clonea Road, Abbeyside. Through our dealings with him in connection with the Friary Hall Theatre we found him to be a perfect gentleman and news of his death has saddened everyone in Cumann Dun Garbhain.

To his wife, daughters, sisters, brother and other relatives we tender sincere sympathy. Ar dheis De go raibh a anam.

QUARTER FINAL PLACE SECURED

The objective was achieved, and with some degree of style too, at Fraher Field last Friday evening when our footballers qualified for the county senior championship quarter finals by virtue of their emphatic 1-14 to 0-5 victory over Dunhill.

It was a win as comprehensive as the twelve point winning margin would suggest, and our first half display in particular was a joy to behold.

By half-time we were as good as in the quarter finals when we led by 1-9 to 0-3, and though the momentum wasn't quite maintained on the turnover, it was — overall — a top class footballing display.

KILMACTHOMAS NEXT

We conclude our games in the group on Sunday evening next (7 o'clock) with a game of major importance against Kilmacthomas at Stradbally. The fact that we are already in the quarter finals won't mean any lack of motivation and we will be desperately keen to keep the winning run going.

Our opponents play the same brand of football as ourselves and with so much at stake for them will be very difficult to beat. It will require a flat out effort from every player and nothing less will be expected.

Morale in our camp is sky high however and I know the team will give this vital tie their very best shot.

INJURY PROBLEMS

The news on our walking wounded right now is encouraging. Martin Sheehan had the plaster cast removed from his fractured wrist last Monday and will be available for selection

against Kilmac.

Dermot Callaghan retired with a chest injury in the last quarter of our game last weekend but happily there is nothing broken. We also expect the flying "Pele" to be in our starting lineup on Sunday night.

There were a few knocks and bruises that will be picked up in any game but we expected to report a clean bill of health this weekend.

MINOR HURLING

Our minor hurlers are in championship action at Fraher Field next Wednesday evening (7 o'clock) when they take on St. Patricks in the semi-final with Lismore awaiting the victors in the Western final.

We have already gone under to St. Pats (through the concession of a last minute goal) in the league section but are hoping to reverse that result now. It will take a huge effort on the part of all the players to do so, but if that effort is forthcoming we could make it to the divisional decider. Let's give it a real go.

DEVELOPMENT

There has been tremendous progress in recent weeks on the development of our new grounds at Youghal Road.

The laying out of the pitches has now reached an advanced state and members — and supporters too — are welcome to drop along at any time and see things for themselves. There is of course a lot of major work yet to be done — and it will require many tens of thousands of pounds — but the important thing is that it is now very much the case of "full steam ahead."

LEAVING CERT

Our sincere congratulations to all our players who sat this year's Leaving Certificate examination and came through with flying colours when the results were released last Thursday.

SYMPATHY

Sincere sympathy is extended to the wife and relatives of the late Willie Lyons of Shandon Street who died recently. Willie's nephew, Jim Lyons of Kilmurray, won many championship honours with the club in the glory days of the 1940's.

Go ndeine Dia trocaire ar a anam.

BUSY EXECUTIVE

The executive committee continues to meet with admirable frequency and the meeting scheduled for this Thursday night has a very important agenda.

The commitment of all its members is exceptional and doubtless there will be another first-rate attendance on this Thursday night.

A BUSY DAY'S HURLING

It was a busy day's hurling for our underage committee on Saturday last as in the forenoon we played hosts to famous Cork City Club, Na Piarsaig in U-11 and U-10 games.

Then it was over to the Fraher Field for a very exciting county final clash with Eastern champions Portlawn, who gave us many anxious moments before our boys captured the U-16 (B) Co. title on a 4-16 to 4-6 scoreline.

It had been a hectic six

days with the Western final on Monday, August 13 and the Co. final on Saturday, August 18.

It was our first Co. title won from our new club grounds and our first hurling county title in 14 years. After the game a motorcade brought the team complete with a cup over the New Bridge for a tour of the "Village."

Then it was back to Lawlor's Hotel for a meal. Our congratulations go to Jimmy Stacey and his team and of course to team manager Joe Power and his fel-

low selectors Tom Whelan and Tony Mansfield. Club Vice-President, Fr. Colin Fives O.S.A., was the guest of honour.

Team — B. Landers, G. Breen, J. Shields, D. Walsh, D. Moore, D. Ryan (0-3), E. Murray, J. Stacey (0-1), D. Cliffe (1-0), M. Enright (0-1), B. Beatty (1-4), J. Clancy (0-1), A. Landers (1-0), P. Veale (0-5), K. Cunningham (1-1). Subs. — P. Spratt, J. Moore, P. O'Brien, P. Shields, A. Moore; not forgetting K. Lineen's contribution.

Then it was back out to the club grounds for a juvenile game against Killeagh.

NO BREAK

Following Saturday's victory, the U-16 footballers will now swing into action on next Monday evening, August 27, when they play Kilrossanty in the Western semi-final

48 hours later on Wednesday, August 29 the minor hurlers play Naomh Brid in the Western "B" semi-final. All in all it's quite a busy time for underage players.

INTERMEDIATE HURLING

The intermediate hurling tie versus St. Saviours will take place on the weekend after next in the Fraher Field. The city side agreed to toss between Walsh Park and the Dungarvan venue and luckily the coin dropped for our choice, not that Saviours are any strangers to the Old Boro' venue.

ALL-IRELAND HURLING TICKET DRAW

Members wishing to participate in the draw should contact Secretary, Bernard Shields before Monday, August 27.

CONGRATULATIONS TO JOHN MMOORE

The club extends its sincere congratulations and best wishes to Dungarvan's well-known referee John Moore on his appointment to referee the All-Ireland senior hurling final between Cork and Galway on Sunday week.

Geraldines G.A.A. Notes

RECENT MATCHES

We failed to field a team in our last match in the junior hurling championship against Kilgobinet recently. It is time now that the league style championship must go because, when teams are beaten in one or two matches early in the championship the players lose all interest.

Common sense will tell you that there is only one championship and that is the knockout championship. Bring back the knockout championship with a losers group for all teams beaten in the first round of the championship only.

7-A-SIDE FOOTBALL

We were beaten by Modeligo in the 7-a-side football semi-final played in Aglish in connection with Aglish Vintage Rally Festival. Modeligo won the tournament out.

Our lineout was — Noel Downing, Seamus Meskill, Billy O'Connell, Brian Connery, Eddie O'Grady, Declan Carlton, Daithi O'Brien, Royco Ware, Pat O'Brien.

Referee — Jim Joe Landers.

CONGRATULATIONS

Congratulations are extended to Johnny and Cindy O'Brien on the birth of twins last week. Johnny is our playing full-back for a long time and he has given great service to our club.

SYMPATHY

Sympathy is expressed to Rosaleen Connery in the death of her father, Paddy Tobin. Also to the Casey family on the death of Mary Casey, Dromore. May they both rest in peace.

ALL-IRELAND HURLING TICKETS

All paid up members wishing to put in their names for an All-Ireland final stand hurling ticket should contact our Sec. Johnny O'Connell now, as the draw for the tickets will take place this week-end.

THANKS TO CAPPOQUIN/AFFANE

We thank the Cappoquin/Affane Club for the use of their lining machine which we borrowed to line the field for the matches in connection with Aglish Vintage Rally Festival. Thanks again. — P.R.O.

Stradbally G.A.A. News

A 50th TO REMEMBER

On Wednesday evening last, August 15, the club celebrated the 50th anniversary of the famous five-in-a-row 1940-44.

The proceedings got under way when we heard the Seafield Pipe Band tuning up before the match. The match was underway at 7.15 p.m. between County champions Kilrossanty and the "Reds" and after a very entertaining game Kilrossanty came out on top on the score of 0-14 to 1-8. The game was refereed by Jim Joe Landers.

PRESENTATION OF TROPHIES

After the game, Club Chairman, Joe Curran paid tribute to both teams for a very good game and then presented the beautiful trophies first to the Kilrossanty captain, Jim Maher and to each member of the panel. Jim Maher thanked Stradbally for inviting Kilrossanty to their celebrations. The Chairman, Joe Curran, then presented referee J. J. Landers with a beautiful marble based cup in appreciation for refereeing the game.

The Chairman then thanked the sponsors of the trophies, Richard Dunford and John Kiely, and paid a special tribute to both families for presenting the club with these beautiful trophies.

CELEBRATE 50 YEARS

The chairman, Joe Curran spoke about the five-in-a-row side where 28 players were to take part in 1940-44 championships, and paid tribute to the great encouragement they had given to the present day footballers.

PRESIDENT

V. REV. FR. ML. RYAN, P.P.

The President of our club, Very Rev. Fr. Michael Ryan, P.P., spoke about the great games during those years against Dungarvan, Kilrossanty and Clonakilty from Cork; the hardship going to games on a bicycle, one carrying the other, and often walking home. He asked for a moment's silence for all past players during those times, paid a special tribute to captain Percy Kirwan and congratulated all members of those famous teams.

CO. CHAIRMAN MR. EAMONN MURPHY

The present County Chairman, Mr. Eamonn Murphy then paid tribute to those excellent men and what a great occasion it must be for them tonight to go back all over those years, and said it was an honour to be County Chairman to celebrate with them this special occasion and thanked the club for inviting him and his wife and wished the club every suc-

cess for the future.

UNVEILING OF PLAQUE

The Chairman then proceeded to the main function of the evening and called on the captain of the five-in-a-row, Percy Kirwan to unveil the beautifully inscribed plaque plus a photo of the 1940-44 team, all names inscribed. He spoke of all those wonderful men and he got great applause from the crowd. Percy in turn thanked the club for everything.

KEVIN PHELAN ADDRESS

Mr. Kevin Phelan then spoke on behalf of the five-in-a-row side, paid tribute to all those men who took part in that great team, with a special word about their trainer, the late Rev. Fr. Cummins, O.S.A., who was represented by Paddy Cummins at the function. Kevin also paid tribute to the Chairmen and Secretaries and Treasurers of the Club at that time, particularly the Dunphy families who gave great service to the club, also to Kevin Crotty for his great service to the club down through those years. He paid a special tribute to the club mentors of today for having such a fine field and club premises.

SPECIAL PRESENTATION

A special presentation was then made by John Kiely of a coloured, inscribed 1940-44 medal in a beautiful case to the following: Jimmy Whelan, John O'Meara, Andy Fleming, Nicki Connors, Tom Veale, Paddy Kiely, Percy Kirwan, Mick Keane, John Orpen, John Foley, Kevin Phelan, Mickey Flynn, Mick Connors, David Power, Willie O'Meara, Jimmy Flynn, John Kiely, Jimmy Burke, Ger Kavanagh.

This was a great thought by John and the club thanked him very much.

50th

ANNIVERSARY CAKE

It was only fitting that there was a beautiful 50th anniversary cake, specially made and again the honour went to their captain, Percy Kirwan to cut the cake while there was great excitement all round. All the players received a piece of the cake later.

A BIG SURPRISE

A big surprise was in store for the club when the one and only Paddy Kiely stepped forward to present the club with all his medals won during those years, the first going back to 1932,

Members of the Stradbally G.A.A. Club 5-in-a-row Senior Football Co. Champions (1940-1944) pictured at their Golden Celebrations. the five-in-a-row medals plus junior medals — ten medals in all on a beautiful plaque which was presented to the Chairman, Joe Curran by Paddy and his wife Madge to a great round of applause.

These will now be put up into a glass case fitted into the wall in the club later.

1940 BOOTS AND SHINGUARDS

Likewise there was another surprise when Kevin Phelan stepped forward to present the club with his old-style 1940 leather boots and shinguards, which was a marvellous thought by Kevin and for which the club was most appreciative and likewise they also will be fitted onto the club wall.

LAUNCHING OF CLUB BOOK

The launching of the Club Book on the 1940-44 teams, which was compiled by Vice-Chairman Tom Cunningham, then followed. This is an excellent book, with some great reading plus photos, beautifully laid out and it must be one of the best yet. We appeal to all householders to buy one of these books at the low price of £2. It can be got from any member of the committee or from Tom Cunningham.

We would like to thank Tom for his work and all who helped him for a grand job done.

THANKS TO KILROSSANTY

The club would like to thank the Kilrossanty club for their co-operation during this celebration, and it was great to see those great traditional clubs celebrate

together on an occasion like this. Many thanks.

SEAFIELD PIPE BAND

All the celebrations would not be a success without the Seafield Pipe Band, who have improved out of this world and it's great to see this very young band performing during all the celebrations.

THE COMMITTEE

One could not let it pass by paying tribute to what is an excellent committee, way back last April these celebration were put in force and ever since have been working away. All the various sponsorships that were collected, all the work on the club premises and again to those club members who are not on the committee who have worked with the wall painting plus cleaning up, all those beautiful flowers, we can't forget the ladies — but as everybody knows they are always working day and night for the club — to Richard Hickey who had everything in order, all we say thanks to anybody who helped in anyway.

1940 JUNIOR PHOTO

A presentation of the 1940 junior football team was made by Dec Foley, Knockenpower, which was presented to the chairman, these will go along with all the photos recently presented by Tom Foley. Many thanks to Dec and Tom.

WESTERN SEMI-FINAL

On Saturday evening next, August 25 our junior footballers play An Rinn in the Western semi-final in Dungarvan at 7 p.m. This is a real test for the "Reds", for An Rinn are a very

good side and will be favourites going into this game. The Reds have a lot of injuries in this grade, so they will have to be very determined if they are to win here, but I'm sure Sean Ahearn and fellow selectors Liam Clancy and Richard Hickey will have their force in good shape. It should be a great game and let's hope we have a win here.

REFEREED COUNTY FINAL

Congratulations to our club player Liam Carroll, who refereed the county U-16 hurling final on Saturday last in Dungarvan. This was certainly a great honour, one that Liam deserves and let's hope more come his way. Liam was assisted by James Moloney who was first class.

AUSTRALIAN TRAINING

Our club player Eoin O'Brien was training with the Australian panel on Saturday last in Tullamore.

RATHGORMACK FINAL

Our senior footballers won the Rathgormack football final last week on the score 0-10 to 0-7 in a good game of football, and certainly a good game for the championship.

PRESENTATION OF CUP

After the game the cup was presented to captain Fintan O'Brien and the trophies to the rest of the panel. Fintan in turn thanked Rathgormack for a very sporting game and also thanked the Rathgormack club for their invitation.

ton. Many thanks.

TONY FORRISTAL TOURNAMENT

On this coming weekend the above tournament takes place in Waterford, where our club player Stephen Cunningham will be involved with the county team. Also it's expected that players involved will be staying with the club for the weekend.

INJURY PROBLEMS

Our club injuries are clearing up at the moment but Robert Walker looks like missing out on Saturday nights game, but on the bright side, Eoin Phelan and David Kirwan should return shortly.

BIG ATTRACTION

On Sunday evening next, August 26 a most attractive senior football championship game between Dungarvan and Kilmacthomas takes place in the field at 7 p.m.

BIG DRAW

Now that all the celebrations are over for the moment, its back to work for the clubs draw which takes place on September 9. We appeal to ticket sellers to return their tickets to Treasurer John Crotty or any member of the committee as soon as possible.

GAELTACHT SCHOLARSHIP

Michelle Coffey completed her G.A.A. Scholarship Course in An Rinn last week, which proved very successful.

Important Senior Championship Clashes This Week-End

After what has been a very long haul and many problems, we have at last arrived at the point of the championship programme where every match is of vital importance to the participants and every game will shape the destiny of the winners and losers in the race for the various titles.

A number of the matches are between clubs who have already qualified for the short list of contenders and these are to decide their placings in the groups. These are very important in that as the highest placed clubs will have, what are perceived to be advantages in the play-offs.

S.F.C. DUNGARVAN V. KILMAC'

The story of this very attractive tie is that it doesn't matter too much to Dungarvan if they are beaten as they have already qualified for the knock-out stages, whereas Kilmac' must win if they to make certain of qualifying. Defeat for them will mean bringing Dunhill and the Nire back into contention in a three-way contest.

This predicament will likely have a big motivating effect on the challengers, who by all accounts are gearing themselves for the game of their lives here at Stradbally on Sunday evening.

Dungarvan and Kilmac' haven't met in senior championship since 1987 when, at the same venue, Kilmac' won by 0-8 and 0-7. In the current championship the success rate of the Eastern

team, doesn't compare very favourable with the progress made by Dungarvan. But comparisons of this kind can be misleading and dangerous, depending from which way you look at them. Kilmacthomas lost to Dunhill who were subsequently almost beat Dungarvan. There are other examples of how misleading the form book can be, so the wise thing for anyone previewing this game on Sunday evening, is to ignore all, or nearly all that has gone and look upon it as a contest between two clubs of relatively equal standards. I expect that is how it will be seen and played.

Dungarvan has played so consistently well in their last three matches, that it would be difficult to oppose them and if they can play as well as they have done against Stradbally and the Nire and Dunhill, they must be given a strong chance, and unless Kilmac' up their earlier performances, they must find themselves in a subsequent fight for the third place in the group.

ROANMORE V. PORTLAW

This senior hurling tie is a part of the sorting out process with the winners being placed second and the losers third in the group.

Without Rockett and Fitzpatrick, Portlaw were able to set the pace in their

drawn match and now with both players back for them they might just pip the champions.

BALLYDUFF V. MOUNT SION

Ballyduff, Mount Sion and Passage are finished their league section of the championships on equal points and this Friday evening's game at Fraher Field is part of a three-way play off to decide the placings on the table.

The losers will play Passage at a later date before the problem is sorted out. In their first round match, Ballyduff beat Mount Sion by 2-12 to 1-11 in a very fine contest and whether or not this is a true reflection of their respective standards, is something that this match will sort out.

Both have been waiting for a long time for this one, but you can be sure that neither will have gone rusty in the meantime and I won't be surprised if this game produces one of the best of the championship.

SAVIOURS V. GAULTIER

There is little difference in standards between these two top-class Eastern teams and their meeting will produce some exciting and skillful football. Again it is one to sort out things on the league table and there will be no great pressures on either.

I fancy St. Saviours to stay on top in this one.

OTHER GAMES

On the Western front there are some good contests in prospect and these include the meeting of An Rinn and Stradbally and Lismore v. Modeligo in the junior football semi-finals. I know that the speculators are going for An Rinn and Lismore, but there is nothing cut and dried about these results.

The junior hurling 'B' game between Faha and Tourin at Dungarvan should see Tourin qualify. The winners of this game are due to play Modeligo in the championship semi-final.

John Moore Is All-Ireland Referee

The big news that well known county referee, John Moore had been appointed to referee the All-Ireland senior hurling final between Cork and Galway, was received with delight around the county when announced on Monday.

The Dungarvan clubman's splendid handling of the Munster final certainly put John on the short list for the prestigious appointment and it was felt everywhere that 'his day' would come soon. Now it comes and with 20 years experience as a referee, which among other games brought him two Munster finals, a minor and junior All-Ireland and a national semi-final in senior hurling last year, Johnnie will not be overawed by the big occasion. We wish him and his umpires well on the day.

It is now almost half a century since a Waterford man refereed an All-Ireland hurling final. That was way back in 1945 when the great Vin Baston took charge of the final between Tipperary (captained by John Maher) and Kilkenny. Tipperary won by 5-6 to 3-6.

Three years later, Vin (R.I.P.) won an All-Ireland with Waterford when we beat Dublin in our first senior hurling success.

Results

After a weekend when games were few and far between, the post match discussions have revolved around Dungarvan's very fine display against Dunhill and this match is reported elsewhere.

At Fraher Field on Sunday afternoon the senior hurling game between Fourmilewater and Ballygunner was something of a non-event as both had already gone out of contention and all the result was expected to produce was an opponent for Cappoquin in the relegation game later. Both teams here were very much understrength and while the match was in progress only one lone substitute from Ballygunner sat on the sideline.

Fourmilewater had difficulty in fielding the re-

quired number and had no sub. At half time it was a mere 0-4 to 0-2 in favour of the 'Gunners and the end result favoured them by 3-9 to 1-5. The sparse attendance showed how little interest there was in the game.

In the opening game here, Modeligo and Faha — in the ongoing saga of the junior hurling 'B' championship — Modeligo played well enough to overcome a fairly strong challenge from Faha in an entertaining game that ended up in favour of Modeligo.

Senior Football Championship Situation

GROUP 'A'

Stradbally in semi-final; there are still four clubs in contention for the other two places and that problem will unravel itself in this way: if Dungarvan and Kilmacthomas play a draw on next Sunday, then both are through, with Dungarvan being placed second and Kilmac' third. If Kilmac' win then Dungarvan and themselves will be on equal points and must meet again to decide which will be placed second and third.

Should Dungarvan win, then Kilmac', the Nire and Dunhill will be involved in a play-off to decide which takes third place — it's all so simple!(?)

GROUP 'B'

St. Saviours are in the semi-final and Kilrossanty and Gaultier are also qualified. But should Gaultier beat Saviours next Sunday they will then have to play off with Kilrossanty to decide second and third places.

G.A.A. NOTES

BY "COMMENTATOR"

Western Board Meeting

The report by the secretary Anthony Walsh that over the season a total of thirteen teams had withdrawn, at some stage, from the various championships, was the main topic for discussion at last week's meeting of the divisional board and at which Jimmy O'Gorman, chairman, presided.

In the main, the withdrawals were by second string teams and by clubs who went out of contention in the championships and had no further prospects of qualifying for the final stages of the competition. Nine of the thirteen, had given adequate notice to the secretary, but in the case of the other four, no prior notice had been given. It was agreed that all thirteen will be summoned to the next meeting to explain their reasons for not fulfilling their fixtures. It was also decided that the application for affiliation to the various championships, by these clubs in 1991, will be carefully examined before acceptance.

This matter gave rise to a discussion on the problems facing clubs because of the present structuring of the championships and on the suggestion of the chairman, it was agreed that time will be devoted to a full discussion on the subject well in advance of the next convention.

TROPHIES

The secretary informed

the delegates that none of the championship trophies had yet been returned to him for presentation to the new champions.

In accordance with county bye-laws all the holders of cups, etc., are required to return same to the board secretary by August of the championship season in order that they can be cleaned/repaired for presentation.

The chairman stated that this was a very serious matter as each year cups are handed back late and many are returned in a tarnished and damaged state. The meeting agreed that the board secretary would name the defaulters in this respect, to the next meeting of the board.

GRADING

Jim Maher, Kilrossanty complained about the grading in the minor hurling championship. He said that this year the gap in standards had been exposed more than ever and if it continued in this way, there could be no future for weak minor hurling teams like Kilrossanty who had

suffered several embarrassing defeats when they came up against far stronger opponents. He was told that with an 'A' and 'B' championship, there was very little that could be done, however the chairman said that Kilrossanty's problems were understandable and the matter could be aired again.

SUSPENSIONS

Five members from Glenrovers junior hurling club were suspended for two months for being abusive to referee John Kelly during a recent game against

Modeligo. Their delegate, Tom Duggan stated that the press reports of the game were greatly exaggerated and it was because of their dissatisfaction with the referee's handling of the match, that they became frustrated. The chairman said that the referee had a difficult job at all times and the board also had a duty to the referee. It was also stated that it was because of the suspensions, that the club were unable to field for the their subsequent championship game with Faha.

Fixtures

The County Fixtures Committee were in possession of the National League fixtures when they sat down to review the club championship situation on Monday night. It seems certain that some of the published club championship dates will have to change in order to avoid a clash with the league fixtures.

It is now known that the National Hurling League will begin on Sunday, October 14 and the football on the 21st, and to compound our problems we

must play the Senior 'B' football on the first Sunday in October. It is all going to mean a very tight squeeze for us at the end of the year.

Jimmy McGrath

When I saw this great Affane/Cappoquin clubman referee the first of three Under-16 hurling county finals at Fraher Field on Saturday, I wondered again, as I did before about the tremendous dedication of the man. I cannot remember how long ago it is since I first saw Jimmy handling a championship match for one of the boards, but when I asked afterwards I found that it might have been as far back as 1946, as that was the time when he became a 'knight of the whistle.' Forty-four years of service as a referee must surely constitute a national record. Now at 63 years Jimmy looked as sprightly as ever and on Saturday he was as agile and as alert as ever and the task of matching the pace of a group of eager young juveniles was no problem for him.

He has been playing football since he was a mere sixteen and was also very young when he played football with Modeligo before moving to Sliabh gCua

from the scene we can look forward to having the full story of this very truly dedicated Gael.

The report of the three juveniles finals will be dealt with by our Bord na nOg reporter and I won't encroach on his/her territory, but I feel that I must congratulate all the people responsible for the very efficient organisation of the delightful programme of matches at Fraher Field on last Saturday.

S.F. CHAMPIONSHIP

Dazzling Display By Dungarvan

Dungarvan 1-14, Dunhill 0-5

A tremendous first half display of fast and skilful football and to which a bewildered Dunhill had no answer, enabled Dungarvan to qualify for the knock-out stages of the football championships for their first time since graduating to senior status, some years ago.

This light and youthful Old Boro' side had played very good football against Stradbally and the Nire, but their performances on those occasions were well surpassed by a delightful exhibition of stylish play, precision passing by hand and foot and their speed of movement, in this rather one-sided contest at Fraher Field on Friday evening last.

And if the tempo of their game slackened somewhat in the final quarter, it must be attributed to the pace-setting tactics to which they applied themselves in the first thirty minutes, when, having played against the light breeze, they led by 1-9 to 0-3.

From the first minute of the game, after Pepe Ferncombe — their scorer-in-chief — had sent over a point, they never looked back. The same player had numbers two and three in the 5th and 8th minutes before Bill Sex had the opener for Dunhill. Dungarvan attacked and had a goal disallowed and a couple of wides before Dunhill shook

themselves into action and from a free Bill Sex added another point. Dungarvan then extended their lead again with points by Morrie Ferncombe, Dermot Callaghan and Pepe Ferncombe. In the 20th minute a John McNicholls point gave Dunhill their third and final point of this half. Then the Ferncombe family went on a scoring spree with points by Pepe, Morrie and a goal and a point by John Ferncombe to leave the leaders snugly in the driver's seat by half way.

On the resumption, a couple of Pepe Ferncombe points added to Dunhill's troubles and it took the visiting team all of 13 minutes to register their first score of this half when Bill Sex had a minor to leave it 1-11 to 0-4, until Morrie Ferncombe pointed in the 23rd minute. Further points by the same player and Dermot Callaghan ended the scoring for the winners and a Kevin Murray point for Dunhill brought the final tally to 1-14 to 0-5, and this gave a fair idea of the gap in standards on the day.

Unfortunately for Dunhill, nothing seemed to go right and luck was certainly not with them, when on two occasions in the second half they were beaten by the woodwork. They came more into the game in the final quarter and exerted tremendous pressure for a short period, but a solid Dungarvan defence were adequately able to cope.

Best for Dunhill were Bill Sex, Tom Moore, Michael Queally, Michael Kavanagh, K. Murray and L. Og Daniels. About Dungarvan, it would be unfair and invidious to single out individuals on a side that gave an all-star display such as it was and where all their players contributed to a splendid performance.

Scorers — Dungarvan: P. Ferncombe 0-7, J. Ferncombe 1-1, M. Ferncombe 0-4, D. Callaghan 0-2; Dunhill: B. Sex 0-3, J. McNicholls and K. Murray 0-1 each.

COMMENT

Coming out after the game, a friend whose club is still involved, predicted that Dungarvan will win the championship this year.

Personally, I would hesitate before agreeing with such a forecast (at this stage) because Dunhill had weaknesses that will not appear in the others who have yet to be beaten. However now that they have survived in the league section and broken their first barrier, they are certainly there with a splendid chance and how splendid that chance is, will be revealed in their next couple of games.

Dungarvan — D. O'Connor; D. Dee, B. Morrissey, D. Donnelly; M. Houlihan, E. Burke, M. Kelly; D. Lyons, T. Hamilton; P. Ferncombe, M. Ferncombe, D. Callaghan; D. McGrath, J. J. Ferncombe, J. Beresford. Sub. — M. McCarthy for D. Callaghan.

Dunhill — L. Og Daniels; W. Moore, M. Kavanagh, S. Byrne; M. Queally, T. Moore, M. Murray; B. Sex, J. O'Loughlin; S. Byrne, P. Murray, K. Murray; P. J. McGrath, J. McNicholls, G. Fleming. Subs — D. Murray for M. Murray, J. Power for G. Fleming.

Handball News

It continues to be big news on the handball front with further successes by our in-form Kilgobinet club players. Waterford's Golden Masters All-Ireland pair, Johnnie Kiely and Decky Mulcahy, who are the holders of the title, which they won in splendid style last year, had another convincing win when they took on Connacht's champion pair F. Kenny and M. Naughton and defeated them by two games to nil (21-3, 21-14) in the national semi-final at Cashel over the week-end.

This was a hard fought semi-final and at one stage in the second game the Roscommon pair, who are the provincial champions, led by 10 aces, but a tremendous rally by the Waterford players enabled them to overtake their opponents and take the game.

Congratulations then to Decky and John on a great victory and hopefully they will keep up this form in the All-Ireland.

Roscommon were not the only Connacht county to suffer a defeat by the Waterford club over the week-end as up in Castlebar, Mossy Butler was battling

hard and successfully against Sligo's P. Walsh in the All-Ireland 'B' semi-final. Butler had to battle hard all the way before winning on the score 21/7, 9/21, 21/10. He must now have a good chance of winning his second All-Ireland.

Decky Mulcahy plays his singles All-Ireland semi-final against Roscommon, in Roscommon, and must have a great chance of reaching the final for the fourth year in succession. We say well done to all concerned for keeping the Waterford flag flying on the handball scene.

Flowers And Showers At Stradbally

The late arrival of the international panel of judges or the showery weather did not spoil Stradbally's big day on Thursday last when the village was the focus of attention as Ireland's small centre nominee for the European Entente Florale Competition.

A mass of flowers and shrubs, a fine crowd who waited patiently during the long delay, a band playing and European and Irish flags flying was the scene which met the judges from Austria, Belgium, France, Great Britain, Holland and Ireland in this lovely seaside village which last year won the Waterford County Award in the Tidy Towns Competition.

The judges were greeted on arrival by Tom Cunningham M.C.C., Chairman of The Entente Florale Committee, Very Rev. Fr. Michael Ryan, P.P., Dan Hurley, Co. Manager, Jack Walsh, Senior Tourism Officer, Southeast Tourism and members of the Committee.

Accompanying the party were Noel Kavanagh, Joe Gallagher and Brenda King of the Environment Department, Bord Failte. Mrs. King was also the Irish adjudicator on the international panel.

Accompanied by member of the committee the judges toured the village for two hours viewing the various floral displays and meeting local people, following which they were

hosted to a reception and dinner in the G.A.A. Centre.

As members of the Press or at least this section of it were not invited to attend the reception and dinner we are unable to report on it.

This is the tenth successive year that the competition has been held and is of particular significance this year being European Year of Tourism.

In past competitions representative centres from the Southeast included

Carlow, Clonmel, Ardmore, Passage East and Kilkenny.

The Entente Florale Awards Ceremony will be held in Dordrecht in Holland on September 2, and Very Rev. Fr. Ryan will represent Stradbally at that event.

Touraneena Notes

CLEAN-UP

The first stage of the Village Clean-Up Campaign started last Saturday. It commenced with the cutting down of the trees opposite the church. These trees have now been auctioned for firewood. The next stage will be the power-hosing and painting of the walls. This will cer-

tainly give a new look to the village, which was badly needed.

Any parishioner willing to give a hand — please come along — as the saying goes "many hands make light work." And to those who have worked so very hard during the last week, we would like to say a big thank you.

SCOUTS

On Friday, August 3 the Touraneena Scout Troop went on a visit to the Nire Lakes. The excellent weather conditions added to the enjoyment which was had by all. For everyone, especially for those who had not already visited the lakes, it was an educational and memorable

occasion.

A special word of thanks to all who provided transport, or helped in any way to make the trip possible.

MASS

Mass will be held in St. Mary's Parish Church, Touraneena on Wednesday, Thursday and Friday night of this week at 7.30 p.m.
