# Strong Criticism Of New Traffic Lining In Town

The recent rash of yellow traffic lining around Dungarvan and Abbey-side came under strong criticism from several members of the local Urban Council at their monthly meeting last Monday night.

The matter was raised by Cllr. R. Walsh who referred to the unwanted yellow lines which had been placed along the Causeway to Abbeyside. He was also critical of the length of the double yellow lines at the O'Connell Street junction with Patrick Street and said that several good parking spaces had been lost here as a result.

In connection with the lining along the Causeway, a letter was received from Mr. Don Mulcahy, Spar Foodstore at the Causeway which pointed out that these lines were now affecting his business and he asked that the Council have a re-think on the situation as he was about to embark on a major internal re-vamp of his shop.

Mr. Mulcahy's letter in-

formed the Council, "local shoppers, failing to park at the same side as my premises are travelling further to do their shopping." He also referred to the amenity attractions and views for tourists at the Causeway and stated, "with these yellow lines on this approach road, I know the strangers will simply pass by without viewing these amenities."

Cllr. Mary Dixon, Chairman, agreed that the yellow lines should not have been placed outside Mr. Mulcahy's shop and Cllr. N. Ryan said that while locals might pull up there as they knew there was no one to enforce the parking laws, strangers coming in would simply not pull up.

Mr. B. White, Town Clerk, said that all the yel-

low lines had been laid in accordance with the schedule in the Traffic Bye-Laws as drawn up by the Assistant Garda Commissioner. He pointed out that they were awaiting the traffic Consultant's Report for the town.

Cllr. M. O'Riordan said that the lines placed outside Mr. Mulcahy's shop could mean a loss of business for him at a time when he was planning to upgrade his shop.

Mr. White said that the Council would have an opportunity to fully discuss the matter when the draft of the Consultant's Report came before them for approval.

Cllr. T. Wright said that they had been waiting for a long time now for this report.

Cllr. B. Kyne then suggested as an interim measure that a request be sent to the Assistant Garda Commissioner to alter the bye-law schedule as far as the lining at the Causeway was concerned. This would be a six months job but they could ask Supt. R. McAndrew to use his good offices to speed up the decision.

This was unanimously agreed.

## £11,000 Lucky Streak Win For Popular Dungarvan Lady

Maureen Casey is pictured above receiving her cheque from Ray Bates, National Lottery Director; also included are Robert and Marion Pugh, Central Newsagents, Grattan Square, Dungarvan, who sold the ticket.

Mrs. Maureen Casey, 12 Main St., Dungarvan won £11,000 and a further £1,000 worth of Camping and Recreation equipment when she participated in the National Lottery Winning Streak Game on R.T.E. 1 television last Friday night. She purchased her winning ticket from Robert Pugh, Central Newsagents, The Square.

Maureen runs a family business with her husband John. The business has been in John's family for the past hundred years and was originally a hardware business but John and Maureen have changed it into a florists. They also sell souvenirs and oil paintings.

Maureen never misses watching "Winning Streak" and was in the kitchen when her ticket was drawn out. Her husband shouted to her that she had been drawn but she thought it was a joke. Then her hairdresser rang to congratulate her but it was not until the names came up at the end of the show that she believed her good fortune. Maureen will invest her winnings in their business.

Maureen and John have 5 children aged 20 - 29, 4 girls and 1 boy. Her eldest daughter is married to a Spaniard and lives in Spain with Maureen's only grandchild. Maureen is an active member of the Irish Countrywomen's Association in her spare time and is also an enthusiastic member of a flower and garden club.

She was in Paris with the club last year for the world flower arranging show.

### CONGRATULATED BY URBAN COUNCIL

At the monthly meeting of Dungarvan Urban Council held last Monday night, the members of the Council joined with Cllr. Austin Hallahan who proposed that Mrs. Casey be congratulated on her win and for the wonderful manner in which she had projected Dungarvan on T.V.

as a place which everyone should visit. "She really put Dungarvan on the map," said Cllr. Hallahan.

Cllr. Dec Goode was also full of praise for Mrs. Casey's husband John who displayed a welcome to Dungarvan poster whenever the TV camera was focused on him during the TV Show.

All members agreed that Mr. and Mrs. Casey had certainly done Dungarvan proud on the occasion.

## Doctor's Cover For Kereen Dispensary Area

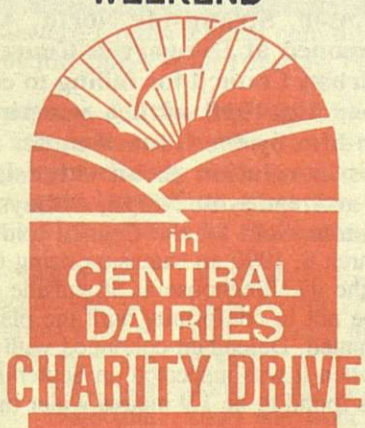

At the monthly meeting of Waterford Co. Council held in Dungarvan last week, Cllr. Patsy Kenneally proposed a motion that the South Eastern Health Board be requested to provide doctor's cover for Kereen Dispensary area.

In support of his motion, Cllr. Kenneally said that recently he had received a number of complaints about the delay in doctors coming to deal with emergencies in the area. This was not a criticism of the doctors but when a doctor had to come from Lismore

there was a considerable time lapse. He felt that where such emergencies and accidents were concerned, the Health board should make some arrangement to avoid such delays.

It was agreed to request the Health Board to look into the matter.

# Physiotherapy Services Curtailed In Dungarvan

Deputy Brian O'Shea who made representations regarding physiotherapy services in Dungarvan has been informed as follows by Mr. J. A. Cooney, Programme Manager, General Hospitals, South Eastern Health Board:

"The position is that the permanent physiotherapist based in Dungarvan is on maternity leave and is due to resume duty in the middle of March.

"A locum physiotherapist was recruited for most of this period of leave but she left to take up a position in London

two weeks ago and we were unable to get a replacement. A permanent vacancy exists in Waterford Regional Hospital and this appointment is at present in the process of being filled. It is expected this person will take up duty in Waterford in approximately three weeks

time when the services in Dungarvan will be resumed.

"Locums are difficult to recruit but the Board will still continue to make efforts to recruit replacement staff.

"It is regretted that in the interim period services to Dungarvan have been curtailed."

## Pause For Thought With Fr. Paddy

BUBBLING OVER WITH CONFIDENCE

Have been talking to you over the past two weeks about the trials and upheavals of life; and the first reading from this coming Sunday draws our attention to the matter again. It tells us that whatever our difficulties, we should trust God. And, it reminds us of the readiness shown by Abraham in accepting and abiding by God's will. His attitude was, if the Lord wished to take back what He'd given to him, then who was he to question the wisdom of God. He knew God loved him, and would never ask him for more than he was able for, so he obeyed and he trusted.

Abraham is a reminder to us that the good Lord is always asking us to prove our love. Hence, he assured, if the Lord calls you and asks you to carry a cross it will be an opportunity for you to prove your love, but also, it will add strength to it. "If you love me, you'll do what I ask."

In ordinary life we do trust many people, such as, doctors, air pilots, judges, etc., and we do so because we believe they know their job. Of course, there are times when we place our faith in human authority, and meet with betrayal and disappointment. You see, the surgeon may be under stress, the pilot may be careless or have one of his lapses, the judge may be biased. Experience shows and time will prove that not one, who'd recourse to God, was ever disappointed. In fact, the more people trust God, the closer they draw to Him. The irony of it all is, you'll meet some, who'll trust anyone but God. It is the old story that a fool never learns. I'm sure you'll have noticed that when Jesus worked a miracle, he always commended the faith of the recipient. When our faith is alive and active, the Lord will always listen to our prayer, and He'll never leave us empty handed. I feel we are all guilty of not having enough confidence in God. Otherwise, we'd know that faith would move mountains!

You already know that Abraham, in obedience to God, had left his own country and his father's house, and went into a foreign land to found a new nation. He loved and trusted His God. God has spoken to us, and He has made it clear that He wishes to behave in accordance with His laws in all circumstances. We ought to ask ourselves daily, have we respected His Commandments? It keeps us on our toes, when we remind ourselves that God will judge us on our tally sheet. It is the lot of man to face this examination at death, and it will be his last and final one. Everyone has to face it. There's no running away.

Many, I believe, have found the following suggestion most helpful. Go regularly to Confession, and, be it weekly or monthly, resolve, asking God's blessing, to keep a clean sheet from one con-

fession to the next. You live, so to speak, from Confession to Confession. Your resolution will demand effort and it will demand prayer, but once established, it will really become a labour of love. If you try and fail, do not allow that to stop you from starting again. You could call the exercise, step by step. You have only to concentrate on a set period, and then you begin again. Apart from our ordinary prayers, I do feel it is wise to enlist the help of one's Guardian Angel. If you implement this practice, it will bring peace and happiness into your life.

### OUR GUARANTOR

Paul, in the second reading, tells us we are privileged and have good reason to feel confident about our salvation, because our Heavenly Father has asked His son the Beloved to be our guarantor. Hence, we are able to cry out "God is for us, so no one can condemn us, if we remain in His care." We know, because the Lord told us, that through Baptism we're born into the family of God, where love is the uniting factor and bond. Surely, you can understand that if Michael or Mary needs help that their brother Jesus, who shed His blood to save the family, will be quick to let Father know. When talking of earthly bonds, we say "blood is thicker than water." Strive therefore to be a credit to the family, and you'll share in your Father's greatness.

In the Gospel the three Apostles are given a foretaste of the glory of Heaven. You could say, they got a glimpse of the glory that was one day to be theirs. The experience would boost their faith, which the Heavenly Father confirmed for them, when He declared that "Jesus was His beloved Son."

The Gospel, set as it is with the other readings, is a reminder to us, as it was to the Apostles, that we've been called. It's like a package deal. You respond, accepting all it may involve. It is almost like saying, give your hand to God, close your eyes and let Him lead you. Indeed, it is true that it is never easy to lift the cross and place it on your shoulders. Yet! when you count up the price, you'll find it was small compared to the glories of Heaven.

## Birthday Party Cause Of Pub Breach

When a member of the Garda Traffic Corps made a midnight visit to a licensed premises it was stated at Dungarvan Court last week that he was offered a slice of a birthday cake.

Charged with a breach of the Licensing Laws on December 10 was Brian Barton, The Pike, Killineen and also charged were a number of persons found on the premises on the occasion.

Garda T. Brady, Traffic Corps, in reply to questions by Supt. R. McAndrew who prosecuted said that when he visited the premises at 12 o'clock (midnight) on December 10, there was a big crowd there, many of whom were drinking. He had seen many vehicles parked outside before he entered. He took a number of names.

In reply to questions by Mr. J. P. Gordon Solr. who appeared for the defendant, Gda Brady agreed that he had been told that there was a 21st birthday party

being held and that some of the crowd were waiting for a minibus to take them home.

Mr. Gordon — Weren't you offered a slice of the birthday cake when you went in?

Gda Brady replied that all that remained at that time was some crumbs (laughter).

Mr. Gordon then submitted that it was a hardy, frosty night and many of the crowd were waiting for

the minibus to take them home and the publican did not want to turn them out in the cold.

When Supt. McAndrew stated that there were two previous convictions against the defendants, one in 1988 and another in 1989, District Justice O'Connell said that he would impose a fine of £100 but would not order an endorsement.

The "found-ons" were each fined £25.

## Fined For Breach Of Planning Acts

Kaj Thomsen, Strandside North, Abbeyside was summoned at Dungarvan Court by Dungarvan Urban Council for failing to comply on September 12, 1990 with a warning notice served on him by the Council under the Planning Acts in relation to an extension at his premises at Strandside North, Abbeyside.

Mr. J. Curran, Solr. for the Council told the Court that on March 8, 1990 an extension being built to the garage at the dwellinghouse at Strandside North was found to be not in conformity with the planning permission granted. Defendant continued with the extension and when it was inspected on September 12, the garage was found to be 1.9 metres wider than permitted.

Mr. A. V. Maher, Solr. for the defendant said that the original permission was granted in 1985 but at that time Mr. Thomsen only went ahead with part of it. The work was completed last year and was then found to be slightly wider than it should have been. He submitted that the breach was only a minor, technical one.

In reply to a query by District Justice O'Connell, Mr. Curran agreed that the breach was not considered to be a very serious one.

Imposing a fine of £10, the district Justice remarked that the offence did not seem to be extraordinarily serious. In addition he allowed £75 costs to the Council.

## Dungarvan Man Died From Severe Burns

A Dungarvan bachelor was warned to stop smoking in bed on the night before he was found dead in his smoke filled bedroom, an inquest was told at Waterford Regional Hospital, Waterford last Wednesday.

A verdict that Thomas O'Dwyer (66), 11 Caseyville, Dungarvan, died of severe second and third degree burns was returned by a jury.

# Dungarvan Musical & Choral Society

The show may be over but the melodies and the memories linger on and will do so for some time according to the great reports and feedback that we are getting.

I would like to take this opportunity to thank all the people who have supported us during the past few months, without whom the show would not have been possible.

As many of you know, we had to raise a lot of money to put on the show. We began by hosting a table quiz and I would like to thank those who participated in every way. We also ran a ten-week draw and a big thank-you goes out again to all those who supported us. Anyone who has been involved in fundraising knows how awkward and embarrassing it is to go back to the same people again and again for sponsorship. But the people of Dungarvan and the surrounding areas have been so very generous, and I would like to thank our sponsors and patrons for the show and all who advertised in our programme.

We have had great coverage and courtesy afforded us by the local papers and radio, which we appreciate greatly.

Lastly, but by no means least, I would like to thank all those who came to the show and assure them that their encouragement and applause helped the cast and those behind the scenes to enjoy the show to the full.

## Top Jazz Combo's At Dungarvan Extravaganza

Group pictured at the opening of the Jazz Extravaganza at Lawlor's Hotel, Dungarvan, last weekend. (l. to r.) Michael Burke, Proprietor, Lawlor's Hotel, Mrs. D. Lyons, Paddy Cole, Denis Lyons T.D., Minister of State at the Department of Tourism and June MacShane, Manageress, Lawlor's Hotel.

An outstanding festival of jazz was provided for jazz enthusiasts at the Lawlor's Hotel Jazz Extravaganza in Dungarvan last weekend and we can only reiterate what Minister of State at the Department of Tourism, Mr. Denis Lyons said when he performed the official opening on Friday night and congratulated Mick and Mary Burke, owners of the Hotel, for organising such a top level festival.

Topping the bill was "The Temperance Seven" who travelled from London for what was only their second appearance

in Ireland and who won popular acclaim not only for the excellence of their music but also for the wit and repartee in which their leader indulged with the audience during their several sessions.

The variety was added to by exhilarating performances by such other outstanding jazz performers as Paddy Cole and Cluskey Hopkins while the local flag was kept gallantly flying by Dungarvan's own Willie White. For good measure there were disco sessions and open jam sessions by Ray O'Donoghue, Brian Day and Sean Organ.

### INTERNATIONAL STATUS

Speaking at the official opening, Minister of State Lyons said that he was privileged to have been asked to perform the opening of the festival for the

second year in succession. He stressed the international status of the festival through the appearance of the London based "Temperance Seven" and wished everyone an enjoyable time.

Brief speeches congratulating Mr. and Mrs. Burke were also made by Mr. B. White representing County Manager Dan Hurley, by Mr. B. Kyne, Chairman, Waterford Co. Council and by Mrs. M. Dixon, Chairman, Urban Council.

Mr. Burke suitably replied and wished everyone an enjoyable time.

Brian Day, Festival Co-ordinator acted as M.C. and he and the tireless hotel manageress, June MacShane kept the momentum at full stretch throughout until the final bars were played on Sunday night.

## West Waterford Drama Festival

All is in readiness for the highlight of West Waterford's theatrical year — the Drama Festival in Ballyduff. The interest in this year's festival has exceeded all expectations. Season tickets were snapped up immediately and some nights were almost completely booked out two weeks in advance. This is an incredible situation especially since the capacity of the hall has increased. Full house signs will therefore be the norm in Ballyduff between February 26 and March 10.

It is obvious that because of the unprecedented demand that patrons need to book well in advance of a performance. Bookings may be made at 058/60208 and we advise you to check the suitability of the play if you intend bringing children.

The festival will be officially opened on Tuesday night at 8 p.m. by Brian O'Reilly. Brian is a finalist in this year's National Song Contest and recently appeared performing his entry on Kenny Live. He has also written a number

of musicals — indeed his most recent on "Buskin" was a smash hit. Brian is assured of a warm welcome when he makes the short trip from Fermoy to open the Festival.

The festival runs for eleven nights (Wednesdays excluded) and curtain is at 8.15 p.m. sharp. Nora Relihan, our adjudicator, will cast her eagle eye over five plays in the Open and six in the Confined. Nora hails from the literary capital of Munster, Listowel and has vast experience of amateur drama. She is also a well-

known broadcaster with Kerry Local Radio. Nora will announce the top three in the Confined and Open and the various other awards at the Final Adjudication which will again take place in the hall after the final play "Big Maggie" has been presented.

As usual our Festival Club will operate most nights. Patrons are invited to the club after performances to sample the hospitality in convivial surroundings.

The committee would like to advise patrons of the

enforced change in the programme due to the late withdrawal of Wexford. Their place has been taken by previous winners in Ballyduff, Shamrocks from Ringaskiddy. They will stage "Them" on Tuesday, March 5. We apologise for any inconvenience but the situation was completely outside our jurisdiction.

Details of the other performances may be had from advts. and posters and to ensure you do not miss the crack in Ballyduff between the 26th and 10th — book now.

## Daffodil Day Target — £800,000

Daffodil Day will take place this year on Friday, March 22 and the Irish Cancer Society hopes to raise £800,000. The bulk of the money raised will be used to fund the Society's expanding network of Daffodil-funded home care nurses who provide care and support to cancer patients free of charge in their own homes. By the end of 1991, a total of 29 Daffodil-funded nurses will be employed, covering 24 counties.

These details were announced yesterday, Tuesday, February 19 by Mr. Charles Cully, Chairman, Irish Cancer Society. He was speaking at a press reception in the Burlington Hotel, Dublin, where the Daffodil Day campaign was officially launched by Mr. Nicholas Robinson.

"On Daffodil Day, 5,000 volunteers throughout the country will be selling bunches of fresh daffodils and silk buttonhole daffodils for £1. Many well-known people have agreed to become Friends of Daffodil Day and they will be out on March 22 helping

with the selling," Mr. Cully said.

## Anti-War Poems Project By Dungarvan Convent Pupils

Fourth Year pupils at Ardscoil na nDeise in Dungarvan recently undertook a project involving the composition in Anti-War poems. The project was prompted by the current war in the Persian Gulf. Eight of the poems were submitted to the "Leader" for publication. Four were published last week and here are the remaining four.

### Anti-War Poem

It makes me mad to see people killed in wars.  
If I were Prime Minister, I would make peace,  
The Jews got a hard time of it  
With Hitler and the rest of his German crew.

In the Gulf, the war should be stopped,  
Does he know what he's doing?  
Effecting us and the rest of the world  
Hitler killed himself  
Thank God he did.

— SHARON FRAHER.

### Things Never Change

War,  
If you ask me I'd say  
The definition of the height of nonsense is war.

You know yourself. It's a very old tradition,  
There's only one word for it, the big word  
AMMUNITION.

If they didn't have this  
They all would be lost  
And even you would agree  
They'd die to pay the cost.

Just to have it their own way,  
Just to be awkward some people would say.

But me, I don't know what to think anymore  
All this suffering caused by the war!

— JACKIE TUTTY.

### Anti-War Poem

It's a sad story to be told  
But an easy story to be sold  
It makes you wonder half the time  
What the hell goes on inside their minds  
It's a fright the way they kill each other  
Mother, Father, Sister, Brother.

— CAROLINE FOLEY.

### Anti-War Poem

I do not believe that war  
Is the best way to settle things.  
From war you suffer  
From war you die  
From war you might lose an arm or an eye.

Your family are suffering.  
Your leader you're obeying.  
The country you're fighting for  
The people you're dying for.

You're thinking for the country  
And not for yourselves.  
You're not fought for  
It's only the land.

— VANESSA POWER.

### The Gulf War

The following little poem on the subject has been composed by Gavin Gray, 6th Class, St. James' C. of I. National School, Stradbally:

On the 10th of January on a cold winter's night,  
The army came in and started to fight,  
First they went and blew up Baghdad,  
Which I thought was very sad.  
A lot of people are going to be killed,  
Because of a few large oil fields.  
President Saddam Hussein I think is very mad,  
Because he is making the people of Kuwait  
very sad.  
There are planes all up in the dark smoky air,  
Dropping bombs on people which is not very fair.

SETTING THE JAZZ SCENE AT LAWLOR'S — Mr. Denis Lyons, Minister of State at the Department of Tourism who performed the official opening pictured with Mrs. Lyons (centre back) and members of The Temperance Seven and Paddy Cole Jazz Groups prior to the opening of the Jazz Festival in Lawlor's Hotel, Dungarvan, last Friday night. Also included are Mr. Michael Burke, Hotel Proprietor (extreme right) and Hotel manageress June MacShane (extreme left).

## Fined £100 And Endorsed At Dungarvan Court

Desmond Norris, Hillside Crescent, Kilmacthomas was fined £100 and had his licence endorsed when he was convicted at Dungarvan Court on a charge of being drunk in charge of a van at Shandon, Dungarvan on December 8.

Supt. R. McAndrew who prosecuted said that at 12.50 a.m. on December 8, Garda M. Murphy came on a white van with the engine running stopped on the roadway at Shandon. The defendant was sitting in it and Garda Murphy arrested him and took him to the Garda Station where a urine sample was taken. On subsequent analysis this showed a concentration of 266 mgrms.

Mr. J. P. Gordon, Solr. said that the defendant admitted the offence. He had some drink taken on the occasion but had pulled up when the Garda came along.

Imposing the fine and endorsement, District Justice O'Connell said that he would not, in the circumstances, impose any driving disqualification on the defendant.

## Further Remand In Dungarvan Firearms Charge

When 22-years-old David O'Riordan of 40, Congress Villas, Dungarvan appeared before District Justice W. F. O'Connell at Dungarvan Court last week on a charge of being in possession of a firearm and ammunition at St. Patrick's Crescent, Dungarvan on February 10, in such circumstances as to reasonably infer that he had not got them for a lawful purpose, he was further remanded on continuing bail to Dungarvan Court sitting on April 10 next.

O'Riordan had been originally charged at a special Court sitting in Tipperary Town on the previous Sunday night where District Justice O'Connell remanded him with consent to bail in his own bond of £200 and one independent surety of £1,000 or two of £500

each. When the case was mentioned at last week's Court in Dungarvan, Supt. Ray McAndrew, who prosecuted, stated that his application to the Court was for a further remand until the first Court in April at which further charges

against the accused could be pending.

Mr. J. P. Gordon, Solr., who was for the accused raised no objection and the District Justice then directed that O'Riordan be further remanded on continuing bail to Dungarvan Court on April 10.

## KNOW YOUR RIGHTS

Q. — Who decides whether I am entitled to a Medical Card and on what basis are they given?

A. — Medical Cards are given to people who, in the opinion of the Chief Executive Officer (C.E.O.) of the Health Board are unable, without undue hardship, to afford medical services for themselves and their dependents.

The Health Boards in consultation with the Department of Health have laid down guidelines to assist the C.E.O. in making his decision. These guidelines are not legally binding — they are for guidance only. In some cases Medical Cards can be given to people whose income is above the guidelines. This happens if the C.E.O. is satisfied that the person has exceptionally high medical expenses.

The following are the guidelines in operation since January 1, 1991:

Category	Medical Card Income Limits 1991		
	Under 66 £ per week	Aged 66-79 £ per week	Aged 80+ £ per week
Single Person (living alone)	£77.00	£83.50	£87.00
Single Person (living with Family)	£67.00	£72.00	£75.00
Married Couple	£111.00	£123.50	£130.00
Allowance for child under 16	£13.00	£13.00	£13.00
Allowance for other dependents	£14.50	£14.50	£14.50

### FURTHER ALLOWANCES

Outgoings on houses in excess of £13.00 per week, e.g. if you pay £30 per week rent, you will be allowed to deduct £17.00 per week in deciding whether you are eligible for a Medical Card.

Reasonable expenses in excess of £11.50 per week incurred in travelling to work may be taken into account. In general, no allowances are made for income tax or other expenses, other than those described here.

## Abbeyside Scout Notes

### TROOP MEETING

At last week's meeting the patrols were giving out Trocaire Boxes. The usual few dogs gave chase and David Shepherd got frightened by "the biggest dog in Abbeyside." When Peter Moynihan saw the Alsatian was chained up, he bravely marched up to the front door and delivered the Trocaire Box. The Wolf Patrol was out as far as Pinewood while the Kestrel were out by Sea Park.

When all the patrols were

finished we had a game of "Beach Volleyball." Brian MacNamara got in a few good smashes and Conall Forde was giving good returns. Then Smiley's team started to make a comeback but it was too late. In round two, John Paul's team started with a good lead but, in Mark Shepherd's team, Paul Curran was an inspiration with fantastic serves and he spurred his team to a win. So next week's final is between Benny and Mark

Shepherd.

In the P.L.'s and A.P.L.'s "Great Snake and Ladders Competition" Benny beat Smiley in the first round. Martin Whelan is a good tip to win the pool leagues as he beat Brendan Kiersey 2-0. Colin O'Connor is also rumoured to be a pro in the Pa Power Pool League. More details next week.

Just a reminder that it's a full uniform meeting next week, as are most of the upcoming meetings.

The names of those doing the guard of honour for the blessing of the new troop flag were picked last night. The flag will be blessed at the next parade on Friday, March 8.

### GUARD OF HONOUR

## Ballymacarbry News

### COMMUNITY ALERT

On Thursday night last a Community Alert meeting took place in St. Patrick's Hall, Ballymacarbry and amongst many items discussed was the likelihood that some of the local post offices may be listed for closure. It was decided to contact all T.D.'s and County Councillors for the district to get them to save the rural post office at any cost.

The committee were very concerned about the elderly pensioners having to travel long distances to collect their pensions. The local postman and his office were very important in the rural community. If we lost the local sub-post office and the postmen it would be the end of Rural Ireland.

The principal speaker at the meeting was local Garda Sergeant Maurice Walsh. He appealed to the younger people to take an interest in the local Community Alert, the next meeting of which will take place on Thursday night, February 28 at 8.30 p.m.

With deep regret and sadness we pen the demise of

Mrs. Bridget Lonergan, Tubrid, Cahir, which sad event took place at St. Teresa's Hospital, Clogheen on Monday, February 11.

Deceased, in her nineties, was a lady of outstanding qualities who possessed a wonderful, warm personality. A caring neighbour abounding in Christian charity, all who had the privilege of making her acquaintance now deeply and justifiably mourn her passing. On Monday evening her remains were removed from the hospital mortuary to Dunhill Parish Church, followed by a large and representative gathering of sympathisers. On Tuesday morning Requiem Mass was offered for the repose of her gentle soul after which she was laid to rest in the adjoining cemetery.

## Seeking More Funding For Ballyduff Community Hall

When Cllr. W. McDonnell proposed the following motion standing in his name at last week's monthly meeting of Waterford Co. Council in Dungarvan: "That this Council request and support a reasonable lottery funding for the Ballyduff Community Hall Committee who have erected a new extension costing £80,000," the County Secretary, Mr. B. J. McNally raised the question as to whom, the motion, if passed, was to be sent.

Cllr. McDonnell said that this project was as worthy of the same support as the hall in Rosmore which had received £20,000 from Lottery Funds.

All that had been received by Ballyduff was £5,000.

The motion was seconded by Cllr. J. Quirke and supported by the Chairman, Cllr. B. Kyne who said that he was sure the Council would support any application made by Ballyduff.

A further motion that the Ballyduff Drama Committee be given the £200 grant that was available for the Arts Committees was also proposed by Cllr. McDonnell.

The Co. Manager, Mr. Dan Hurley, said that the Ballyduff Hall Committee should apply for funding to the Arts Council and inform them that they had the full support of the Co. Council. They could also make an application to the

County Development Officer.

Cllr. B. O'Shea, T.D., pointed out that the Council had no say in the lottery funds which had been allocated to the various applications received last year and he did not know what the criteria used in the allocations were.

Cllr. McDonnell said that he would inform the Ballyduff Hall Committee accordingly.

### EXTRA LIGHTS SOUGHT

Cllr. McDonnell also proposed that the South Eastern Health Board be asked to erect two extra lights outside the Lismore Hospital Mortuary in the interest of safety.

In this regard Cllr. Quirke pointed out that this request had already been passed by the local committee in Lismore and they were now only waiting to have these lights erected.

## Late Fr. Michael Russell

### AN APPRECIATION

On January 25, the Diocese of Waterford and Lismore lost one of its most popular priests when our beloved parish priest, Fr. Michael Russell slipped quietly and peacefully from this life.

A native of Ballyporeen, Fr. Russell was ordained in 1943. He served in Wrexham on the English Mission until 1950. On his return he served as Curate in Ballylanceen, Dunmore East, Clashmore, Ballyduff Upper and Grange-mockler. He was appointed in 1974 as the first Parish Priest of the newly established parish of the Sacred Heart in Waterford City. In 1979 he became Parish Priest of Modeligo and in 1986 he succeeded Canon O'Byrne as Parish Priest of Newcastle and Fourmilewater.

The esteem in which Fr. Russell was held was reflected by the overwhelming attendance at both his removal and funeral Mass. The congregation not only included his present and past parishioners, but people from all over the Diocese and from many parts of the country. His fellow priests turned out in huge numbers to bid farewell to their good friend and colleague.

Apart from his commitment to his priestly duties, his life-long love of dogs and horses brought Fr. Russell into contact with many people from every walk of life. While always being himself, people could not help but be affected by his obvious love for God and his fellow man.

Fr. Russell was a friend to all. The old and sick in the parish always held a special place in his heart. Many will remember with fondness his many visits to the homes of the sick and to the hospitals. He was always on the move —

"about his Father's business."

Numerous stories recall the many instances in his life when those who felt burdened or outcasts in society seemed to be drawn to Fr. Russell who always treated everyone with the dignity he knew they deserved as children of God.

His regular visits to the local school were always welcomed. One had only to see him working and praying with children to realise his obvious love for them. Indeed he truly lived out one of his favourite gospel stories of Jesus and the children — "Let the children come."

He went about his priestly duties with infectious good humour. Fr. Russell enjoyed nothing better than a good laugh or a good song in whatever company he was to be found. He was at ease with everyone and he always made everyone feel at ease with him. The many visitors to his house will remember him as a most generous host, with a more than heavy hand when it came to sharing a "deoch."

During his last few months with us it was obvious to many that his illness was becoming a severe physical drain on him. However, with his utmost faith and trust in God rather than slow down he seemed to go into overdrive, helped no doubt, by an immense inner strength.

What a welcome, Mary must have prepared for one of her most loyal followers. Fr. Russell had tremendous devotion to Our Lady as was exemplified by his regular visits to Knock and his untiring work for the Grotto in Melleray.

Fr. Russell we will miss you. To quote himself — "He was a mighty man." Ar dheis De go raibh an anam dilis.

— A FRIEND.

# PENSMAN Takes You . . . Behind The SPOTLIGHT

## CALL FOR GOVERNMENT ACTION TO STOP COAST EROSION

For the past two winters we have been hearing a great deal about the problem of coast erosion which has been accentuated by the ferocious storms which caused so much damage to the coastline not only of County Waterford but to the length of it all along the South from Kerry to Wexford.

The cost of repairing our coastline defences has been estimated in hundreds of millions and the funding of the work required has been proving a headache not only for the Local Authorities but to the Central Government as well.

A new aspect of the encroaching danger of the sea was referred to by Waterford County Engineer, Mr. John O'Flynn when he addressed a recent special seminar of the Institute of Engineers of Ireland on Coastal Protection. Mr. O'Flynn suggested that a major campaign of action by the Government will be necessary to save our coasts. But because of the huge sums of money involved, not every area could be protected so parts of the coastline may have to be abandoned to the sea and families living in low-lying areas paid compensation to move away.

Mr. O'Flynn, who detailed the damage done to the Waterford coastline in the storms of the last couple of winters said there was an urgent need to survey the entire coast of the country and to carry out an inventory of our existing coastal protection systems.

He told the seminar that at present no one was systematically measuring waves, sea levels etc all around the coast or monitoring the maintenance and condition of sea defences on an ongo-

ing basis.

Mr. O'Flynn maintained that because the coastline was a national asset, and its conservation and protection essential to amenity development and tourism, it was unfair that individual coastal county councils should have to shoulder so high a financial burden.

### SECTION 4 CLAUSE NEVER USED IN WATERFORD

One of the major recommendations of the expert committee appointed by the Government to advise on local government organisation and reform was the abolition of the powers of local authority Councillors to use the Section 4 clause of the City and County Management (Amendment) Act, 1955, to bypass the normal planning process.

An Taisce, the National Trust of Ireland strongly endorses this recommendation and an updating made by it last year of Section 4 usage by local authorities over the period 1982-1990 has reinforced the urgent need to close this planning loophole immediately.

Section 4 of the Act allows for a local authority to instruct the County Manager to carry out any particular legal action and has been used primarily to reverse refusal of planning

permission.

According to the nationwide survey carried out by An Taisce last June the most frequent users of the Section 4 clause were Galway County Council which passed 344 "Section Fours" between 1983 and 1990. Here in Munster, the highest use of the Section 4 clause was made by Kerry County Council which passed 71 such motions between 1983 and 1990.

A total of 14 local authorities had no Section 4 proposed or passed since 1982 and these included Waterford Corporation, Clonmel Corporation and Tipperary (SR) Co. Council and according to the survey Waterford Co. Council had one proposed but not passed in the same period.

A spokesman for An Taisce hit out at the use of Section Four motions for overturning planning decisions saying it made a mockery of the entire planning process.

Moves are at present being made at national level to abolish Section 4 of the Act and while this is in accord with the policy of the P.D.'s, it is believed that the Minister for the Environment, Pdraig Flynn, is opposed to such a change.

### WHITE LINING NEEDED

While the new rash of yellow lines around Dungarvan occupied most Councillors at the monthly meeting of the local Urban Council last Monday night, Cllr. Billy Kyne drew attention to the need for white lining the stretch of road along Friars Walk from Skehacrine to Abbey-side Church and from there to "The Pond" as a traffic safety measure.

Cllr. Kyne said that the roadway along there re-

quired to be lined. It was a very busy road over which a great deal of traffic passed and such lining would make it much safer as cars would know on which side they were to remain. There were a few hazardous bends and particularly in the vicinity of the Church, where white lining would make the roadway much safer.

It was agreed to refer the matter to the County Council which is the Road Authority for the Urban Area.

On the proposal of Cllr. Kyne, the Council also agreed to white line the junction from Sea Park with the Clonea Road in Abbeyside in the interest of road safety and further it was agreed that the Sea Park housing estate would now be taken over by the Council.

### AU PAIRING IN AMERICA

The Experiment in International Living is a cultural exchange organisation with the aim of creating equal understanding among the people of the world.

One of its programmes promoting this concept is Au Pairing in America. The main benefits of this to the participant would be that they are legally working in America for twelve months with air fare fully paid, full board and private accommodation. A \$300 study allowance is also available for the participant to pursue any course of study they wish.

A complete support structure is in place in the event of problems, also full medical insurance and two weeks paid holidays.

If you are interested in getting further information on this or of the other programmes being promoted you should contact E.I.L., Courthouse Chambers, 27/29 Washington Street, Cork.

### THE IRISH HEART FOUNDATION

The Irish Heart Foundation will hold its Annual Church Gate collection in the Dungarvan area on the week-end of March 2-3 and we have been asked to request a generous response to the collection.

The Foundation in its aim to reduce the high incidence of premature deaths and disability from cardiovascular disease and stroke in Ireland urgently needs funds and relies to a great extent on the public response to this annual collection.

## The Ballad of William Crotty

A request came to us during the past week for the words of the ballad about the famous highwayman, William Crotty who rode through the Comeraghs in the last century leading a Robin Hood type of life by robbing the rich to give to the poor. To many, in subsequent years, he was known under the less complimentary nom-de-guerre of "Crotty, the Robber." Whatever way it is looked at, there can be no doubt but that William Crotty was a character who won a great deal of notoriety and indeed, popular acclaim, in his day.

How he lived and eventually met his end through the treachery of a friend is immortalised in "The Ballad of William Crotty" composed by Mai O'Higgins which we make our choice for the ballad corner this week.

There was a gallant Highwayman  
Of courage and renown.  
Who choose to be a Rapparee  
Before he'd serve the Crown.  
His name was William Crotty  
In the Comeragh's he did hide  
Across those wild and rugged hills  
Just like the wind he'd ride.

Now Crotty was a desperate man  
When hunting down his prey.  
He robbed the rich and to the poor  
He gave his gold away.  
From Kilmacthomas to Tramore  
And down by Carrick town  
By the enemy he was pursued  
But they could not track him down.

He had a friend named Norris  
He trusted with his life.  
But Norris had a traitor's heart  
And a cruel and cunning wife.  
They'd planned a way to capture him  
And little did he know  
His life was sold just for the gold  
Within his Cave below.

T'was a night of celebration  
Crotty stayed to drink his fill  
As the guest of William Crotty  
In his cabin by the hill.  
A bottle of strong poteen  
He got from David's wife  
And as he lay in drunken sleep  
She bargained for his life.

The cabin was surrounded  
By the Sheriff's bloody crew  
Drunk on the ground was Crotty found  
But nothing could he do.  
To Waterford he was conveyed  
His brave heart fighting still  
Next day they hanged him like a dog  
On Ballybricken Hill.

By treachery this brave man died  
But his name lives on today.  
In the hearts of all his Countymen  
At home and far away.  
In the wild hills of the Comeragh's.  
When the moon is full and bright  
The ghost of William Crotty  
Still goes riding through the night.

CHORUS:  
Ride on brave William Crotty, ride, ride, ride.  
Over the hills and mountain-side.  
With your coat upon your shoulders  
And your pistols blazing bright  
Oh, mercy on the traitor  
That will cross your path tonight.

Caragh Stack, daughter of Mr. and Mrs. Edmond Stack, Cnty, Cappagh and a student of Ard Scoil na nDeise, Dungarvan, has been awarded the Earl of Cork Scholarship for 1990. She is pictured here with Sr. Paula, Guidance Counsellor and Sr. Goretti, Principal of Ard Scoil na nDeise. We congratulate Caragh, her parents and her teachers on her wonderful achievement.

**Table Quiz** — On Tuesday night last a most enjoyable quiz was held in the hall, with most members of the club taking part. The

quizmaster, Mr. Billy Sheehan, played games with some of the questions, but still the scores were very good indeed. The winning team of Niel Twomey, Siobhan Twomey, Ann O'Donovan and Paula Kennedy with 63 points, second was John Buckley and Pat O'Brien's team, third was Shirley Gill and Mary Corkery's team and 4th was Jerry Twomey and Tony Galvin's team all on 61 points.

It was indeed a most enjoyable night with plenty of eats afterwards at Ted's.

The Final League Of 1991 — The next league will be the last league of this season, so everyone should put in their name on the board next week. Time sheet and entries must be in by Saturday, March 2.

**Singles Championship** — While the last league is in progress the Singles Championship of 1990-91 will also be played. This will be run on a handicap basis, knockout system, with sections for men and the ladies. Check the noticeboard for details. Until next week — Hand Out.

#### BRIDE VIEW UNITED F.C. NOTES

#### DUNGARVAN TYRE CENTRE CUP

**Both United's Teams Through To Cup Quarter Final** — A tremendous weekend for United which saw it's A and B teams win away from home and both now go through to the Cup quarter finals. The Curley brothers, Paul and Philly, helped the A team qualify, while Gerry Murphy was the hero of the B team when he scored both goals in a thrilling game in Modeligo which went to extra time. Congratulations to both squads.

**Cappoquin "B" 0 Bride View United "A" 3** — The Curley brothers Philly and Paul scored the three goals which put United through to the quarter finals. We took the lead in the 10th min. when a Speedy Hogan free-kick fell to Philly Curley who shot home from close range. Brother Paul got on the score sheet in the 30th min. to put United two goals in front and they held this lead till the break.

The Tallow boys had a scare in the 53rd minute when Timmy Sheehan headed off the line with the keeper Prescod for once beaten. United made sure of a quarter final place when Philly Curley increased their lead to three goals in the 70th min. Both Paul and Mickey Curley were through after this but Cappoquin's keeper saved well on both occasions.

At the final whistle it was United's name which was going into the cup for the draw for the quarter final.

Another good win for this Tallow squad who are on a marvellous run at the moment. It couldn't happen a nicer bunch of lads whose skill and determination has brought them to a thrilling climax to the season.

United — P. Prescod, T. McCarthy, T. Sheehan, S. Curley, M. Hartnett, C. Curley, G. Hogan, P. Curley, M. Curley, E. Cusack, P. Curley. Res. — P. Sheehan (used).

**Modeligo 1 Bride View United "B" 2 (after extra time)** — Gerry Murphy was the hero for Bride View when he scored both goals, the second in extra time. United were the underdogs in this game but they really turned it on in Modeligo to bring off a shock result.

Gerry Murphy put United in front after 18 mins. when the Modeligo's keeper failed to hold a shot from Barry Murphy and the inrushing Gerry Murphy made no mistake from close range. Bride View held this lead till the break.

Modeligo fought back in the second half and equalised in the 55th min. Both sides now went all out looking for the winner but it failed to come in the remaining 35 minutes despite some near misses.

Gerry Murphy became United's hero in the 5th min. of extra time when he scored a marvellous goal which put United into the quarter final.

Well done to all the boys whose skill and determination saw them through.

United — S. O'Brien, M. T. Cunningham, M. Ahern, I. McIntosh, D. Doyle, J. Geary, L. Ahearn, M. Geary, D. Flaherty, B. Murphy, G. Murphy. Res. — C. Barry, D. McGrath, J. P. Grey, J. Fitzgerald.

**Speedy Recovery** — To Mrs. Moroney, Eugene Barry and Eileen Coleman (Youghal). We hope to see all three back on their feet again soon.

**Michelin Shield** — Bride View United "B" v. Piltown.

#### MUNSTER SENIOR SEMI-FINAL OF SCOR AT TALLOW

Tallow Community Hall was agog with excitement last Saturday night when competitors from Cork, Waterford and Tipperary congregated there for the above competition and in the hope of securing a place in the Munster Final which will be held in Thurles on March 2. Buses and cars brought teams and supporters from places such as Clonmore, beyond Thurles, Newcastle, Arrovale Rovers, Bonmahon, Old Parish, Dunhill and from Naomh Abban, Ballyvourney, Tracton and Millstreet and approaching 7 p.m. starting time, there was very little room left in Tallow's spacious hall, as enthusiasts settled in for a

feast of Gaelic music, song and dance etc.

Frankie Cullinane from Portlaw, with fine blas as Fear A' Ti, ensured that the night's proceedings went without a hitch and the programme which consisted of figure dancing, recitation, solo singing, novelty act, question time, instrumental music and ballad group singing was received with deserved appreciation. But what really put the adrenaline flowing in everyone was the final item, the set dance, and when the respective teams appeared on stage, appropriately attired for the occasion and the stirring music being played for the march in, the roof was nearly raised by the exultant cheers of the patrons and it proves that the Scor competition is very much alive in the hearts and minds of the people.

Two individuals or teams qualified from each event for the final and the following are the results:

**Figure Dancing** — Bonmahon, Waterford and Dromtariffe, Cork. Recitation — Cappawhite, Tipperary and Millstreet, Cork. Solo Singing — Naomh Abban, Cork and Newcastle, Tipperary. Question Time — Inniscarra, Cork and Abbeyside, Waterford.

**Instrumental Music** — Tracton, Cork and Sliabh gCua, Waterford. Ballad Group — Dungarvan, Waterford and Buttevant, Cork. Set Dancing — Clonmore, Tipperary and Dunhill, Waterford.

Clare, Kerry and Limerick supplied the judges. Eamonn De Brun, Killenure, Dundrum, Co. Tipperary,

well-known G.A.A. official and referee, Chairman of the Munster Scor Committee, then addressed the audience in Irish and English. Thanking Tallow for the use of their magnificent Hall and the help they received from the local staff, he said they would take away fond memories of their visit to the Waterford town.

**CONGRATULATIONS** Congratulations to the two local horse trainers, Jimmy Mangan, Conna and Liam Burke, Glengoura, on their recent successes at Tallow and Avondu Point-to-Point meetings.

## Lismore Choir For Tallow

The choir was founded in 1983 following suggestions that Lismore Cathedral should be used for concert performances as a means of (a) putting this magnificent building to use and (b) hopefully raising some money for the local communities.

Elizabeth O'Riordan from Ballyduff, was it's first musical director and she brought the choir to a very high standard before she left to pursue her own singing career in the Spring of 1985. The choir was then conducted by Gerry Thornett and Colin Nicholls. During this period, works like Handel's "Passion of Christ" and Strainer's "Crucifixion" were performed along with "Christmas Story" and many carols and anthems, and at each of those, very high levels of performance were achieved.

Mary Casey, assistant organist and choirmaster at St. Finbarr's Cathedral, Cork, has been the choir's musical director for the last four years. During this time such works as Vivaldi's "Gloria" and "Magnificat", Handel's "Messiah" and

Britten's "Rejoice in the Lamb", have been added to the choir's repertoire which has also been widened to embrace "lighter" music.

They will give a recital in Tallow Community Centre on Wednesday next, February 27 at 8.15 p.m.

For their performance Lismore Choir have chosen "I Hear The Soft Note" from "Patience" by Gilbert and Sullivan, "Rocka My Son" a Negro spiritual arranged by Joyce Berthel-son, "Trade Winds" by Wendy Williams and "The Oak and the Ash" a traditional English time arranged by Gordon Longford. Guests will be Cor Cillaith, Youghal Choir, Sinead Ryan, Mary Daly and Robert Beare. Accompanist is Colin Nicholls and Conductor Mark Casey.

# Bulbulia Resignation Shocks Deasy

Fine Gael Deputy Austin Deasy issued the following statement from Fine Gael Headquarters in Dublin last week:

"I was shocked to hear of Katharine Bulbulia's resignation from Waterford Corporation. She has been an outstanding representative, locally and nationally for 12 years, ever since heading the poll in the Tramore electoral area for Waterford County Council in 1979. This was followed by elec-

tion to the Seanad in 1981 and three subsequent elections on the Administrative Panel.

"Mrs. Bulbulia's departure creates further difficulties for the Fine Gael Party in Waterford City where she campaigned so effectively for women in general and the under-

privileged during her political career. The announcement, while regrettable, allows the Party ample opportunity to organise its selection of candidates for the forthcoming Local Elections, and Katharine must be thanked for giving this timely notice."

# TOURANEENA NOTES

## SLIABH gCUA SET CLUB NEWS

Last Saturday week we took part in the County final of Senior Scor in Portlaw. Despite very good performances all round, it was not such a good night for us. Shane Hallahan represented Naomh Mhuire in the Recitation section and must be complimented on his great performance. We thought he was unlucky not to be considered in the final shake-up. Well done Shane.

In the Set Dancing section we were doubly represented under Naomh Mhuire and Sliabh gCua. Again we thought both groups gave a fine display of the traditional Sliabh gCua Polka Set but once again we must have been condemned for not altering our style — something we have not done in the past and something we will never do. Indeed, if we went according to the advice of some adjudicators on the night, the Sliabh gCua Set would be unrecognisable. It is one thing to be told that a group has done the parts of a set correctly but not to the best of their ability — this is a criticism which we will accept and will be happy to take a judge's decision on such criticism.

It is rather difficult to be told that a Set which was brought to prominence by a club over the last twenty years, should be changed to suit a new trend, thus losing its traditional character. However, the judges decision is final and we had to be content with Naomh Mhuire collecting the runners-up prize to Dunhill.

The only comment we would have to make is that the Sliabh gCua Set will be danced by us as it always has been and if we have to suffer the consequences for doing so, we will.

We would like to thank our faithful musicians on the night: Tom Donoghue, Biddy Nugent and Bob Keane.

On a more successful note we had a great night in the Instrumental Music Section with Michael McKenna and Shelly Grovers keeping the flag flying. Not only did they succeed in winning the

County final but they also came through the Munster semi-final which was held in Tallow on Saturday night last. Well done and we wish them the best of luck in the Munster final in Thurles on March 10.

## SPONSORED WALK

We would like to thank everyone who helped in any way with the success of last Sunday's walk. It was good to see everyone enjoying the fresh air and sunshine and hopefully all have fully recovered by now.

## TEA PARTY

Don't forget our American Tea Party is taking place in Lawlor's Hotel on Saturday, March 2. If anyone who would like to go has not been yet asked to a table, please don't hesitate to contact any member of the club and we will be happy to look after you.

All hostesses please finalise your table numbers this week and inform the Club Secretary.

## LIVERPOOL TRIP

# ARDMORE NOTES

## SYMPATHY

Sincerest sympathy is extended to the family and friends of the late Mikie Power, Duffcarrick, Ardmore, who passed away last Sunday, February 17. Mikie was a quiet and much respected man, known to many visitors to Ardmore. The huge number of people at both the funeral and burial conveyed the deep loss Ardmore has felt.

## GET WELL WISHES

Best wishes for a speedy recovery are extended to James Quain (Snr.) who has been in hospital for some time. Hope to see you back home in Ardmore soon.

## ARDMORE'S OWN ROCK BAND

Ardmore can now boast it has its own rock band, and they are destined to make it to the top. "Savage Fairies" is their name and 'raw, live, energy' is a feature of their performances. The band are graduating from the local venues and have so far hit various cities, the latest being Cork. They are taking part in the "Skool

Bands" competition February/March. They have a lot of their own material and the feed-back is great. They are strongly influenced by Irish rock bands and they now stress their motto: "Raw, live energy" and they are both fun to hear and see with lots of action by lead singer John Burke.

The band's line up starts with John Burke, lead vocals (Ardmore), Liam Fitzgerald, backing vocals/bass guitar (Inch), Shane Griffin, lead guitar (Ardmore), Pat Foley, rhythm guitar (Killeagh), Paul Donovan, drums (Killeagh).

They have recently finished the theme music for an amateur film by another local man Tony Gallagher and we look forward to their demo tape which is planned for next month.

What started as a support band is beginning to be a group to be taken notice of. "Savage Fairies" — remember the name — you'll be hearing a lot from them. Good luck in future endeavours, lads!

# Red Kettle's Production Of "Translations" For Dungarvan

February 27 is the date for Red Kettle Theatre Company's second date at the Friary Hall in Dungarvan with their acclaimed production of Brian Friel's play *Translations*. "We are delighted to be bringing such a fine play on our second visit to Dungarvan. We had a very successful night there last year and initial public interest in this production is very encouraging" Red Kettle's T. V. Honan told the "Dungarvan Leader."

Five years ago most of Red Kettle's theatrical output was performed in the pubs and on the streets of Waterford. Today, the Company keep this line with their origins twice a year, with productions for children in schools and outdoor venues. However, the company have also established themselves as a respected presence on the national theatre scene, generating positive reaction from public and critics alike.

Despite some disadvan-

tages imposed by their geographical location, Red Kettle have certainly made the most of their Waterford base. The company have a very defined policy of serving their audience. This has meant producing top quality work from both Irish and International playwrights. They have successfully avoided being identified as a fringe company, this in itself has allowed them the freedom to choose from a much wider range of work.

Red Kettle operate with a

John Cowley and Conor Tallon appearing in Red Kettle Theatre Company's production of Brian Friel's "Translations."

## Ever heard of sausage schnitzels with a Normandy sauce?

IF you thought that all you could do with sausages is serve them with mash, stick them on a stick at parties or make a toad in the hole, you'd be so wrong.

It's obvious you have never heard of Sausage Schnitzels with Normandy sauce!

The following quantities are enough to serve 6:

**Ingredients:**  
12 pork sausages, skinned  
seasoned flour  
beaten egg  
breadcrumbs

oil  
1 onion, finely chopped  
1 oz (25g) butter  
1oz (25g) flour  
1/2 pint (300ml) dry cider  
1/2 pint (150ml) cream  
salt and pepper  
pinch ground nutmeg  
green grapes for garnish  
twists of lemon

Flatten skinned sausages in pairs, using seasoned flour to prevent sticking, and shape into neat escalopes.

Dip into beaten egg and coat evenly in breadcrumbs. Fry gently on both sides in oil until golden and tender.

Keep warm in the oven.

To make the sauce: fry the onion gently in butter for a few minutes. Stir in the flour and cook 1 minute. Add the cider gradually and bring to the boil. Add the cream, seasoning and nutmeg and heat through gently.

Arrange sausage escalopes on a serving dish and spoon over the sauce. Garnish with small clusters of green grapes and twists of lemon.

This is a most delicious — and different way to serve up the not-so-humble British banger.

## Do you really want to kill that worm?

KEEN vegetable growers will be anxious to start sowing soon but check that soil is warm and not too soggy.

By mid-February the surface should feel less clammy — about 50°F if you can measure it.

Don't be tempted to rush things or you will either waste seed or produce sluggish and weedy growth. The most popular crops to plant now are broad beans, parsnips and lettuces.

Early broad beans should be sown about two inches deep and at least six inches apart.

You will need to go much deeper for parsnips which also like good well-drained soil, so use a dibber to drive holes at least a foot deep and about eight inches apart.

Then fill these with good crumbly loam, before placing two seeds about half an inch into the soil. When the seedlings appear, you then discard the weaker one.

Light loamy soils are also favoured by lettuces and these early sowings really do need a warm and sheltered spot in the garden.

Little Gem is a variety particularly suited to sowing now and the seeds should be sown in rows a foot apart and covered with about a quarter of an inch of soil. Thin them later to about eight inches apart.

An unusual crop to consider in these days of more enlightened and international cookery, is garlic, but it needs the early sunshine of more southerly parts of the country.

You will need a warm spot with well-drained soil,

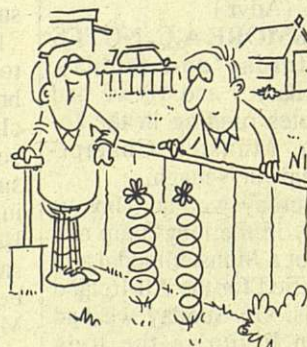

already conditioned with garden compost or a manure. Then plant the cloves upright about a foot apart and covered by a half inch of soil.

Apart from planting, clear up leaves from plants such as cabbages and other brassicas, to avoid encouraging slugs.

If slugs are already a pest then put down flower pot trays filled with beer or milk to trap and drown them.

You can also prepare for planting other crops:

Potatoes — buy seed tubers and stand them in wooden

"They're spring flowers..."

trays or egg trays with the eyes facing upwards. Then put the trays in a cool and airy place such as an unheated greenhouse and they will sprout ready for planting in March.

Onions — sow seeds under glass so that they can be planted in May.

Peas and Runner Beans — fill trenches with well-rotted compost or manure and top with soil. This should settle nicely so that seeds can be sown in April/May, although it is possible to sow early varieties of pea this month in the South.

## Fined £100 And Endorsed At Dungarvan Court

Desmond Norris, Hillside Crescent, Kilmacthomas was fined £100 and had his licence endorsed when he was convicted at Dungarvan Court on a charge of being drunk in charge of a van at Shandon, Dungarvan on December 8.

Supt. R. McAndrew who prosecuted said that at 12.50 a.m. on December 8, Garda M. Murphy came on a white van with the engine running stopped on the roadway at Shandon. The defendant was sitting in it and Garda Murphy arrested him and took him to the Garda Station where a urine sample was taken. On subsequent analysis this showed a concentration of

266 mgrms.

Mr. J. P. Gordon, Solr. said that the defendant admitted the offence. He had some drink taken on the occasion but had pulled up when the Garda came along.

Imposing the fine and endorsement, District Justice O'Connell said that he would not, in the circumstances, impose any driving disqualification on the defendant.

# RECENT DEATHS

## Late Mrs. Mary Rose Crotty

With regret we record the death of Mrs. Mary Rose Crotty (nee Kiely) which occurred in New York where she has lived for many years, on February 12. She was widow of the late John J. Crotty who conducted a flourishing hardware and furniture business at the Square for a long number of years. Cremation took place in New York and following Requiem Mass in St. Mary's Parish Church, Dungarvan on Tuesday, February 19, celebrated by Rev. Fr. Kiely, C.C., the burial of the cremated ashes took place in the adjoining cemetery.

The late Mrs. Crotty is survived by her daughters Janna and Rosemary and son Jim to whom deepest sympathy is extended. She was predeceased by her other son, Tom.

## Late Mrs. Noreen Duggan (nee Hayes)

It is with the sincerest regret we record the death of Noreen (Nora) Duggan, 10 St. Patrick's Terrace, Abbeyside, which occurred on February 6, at Waterford Regional Hospital after a short duration of illness. A quiet, inoffensive person, Noreen was a deeply religious individual and was member of a well known Abbeyside family. For many years she was a valued member of the Abbeyside Parish Choir.

We mourn the passing of

this gentle woman and extend our sympathies to her husband Joe, brothers Michael, and Noel Hayes, sister Peggy Spillane, her brothers-in-law, sisters-in-law, nieces, relatives and friends.

On Thursday evening Noreen's remains were brought from the Kiely Funeral Home to Abbeyside Church, en route the cortege paused in prayerful silence outside the deceased's residence. Rev. Fr. P. Ahearne, C.C., assisted by Rev. Fr. J. Hickey, O.S.A., blessed and received the remains.

Following Requiem Mass on Friday morning, celebrated by Fr. Ahearne, the interment took place in the adjoining cemetery. Many beautiful floral tributes were placed on Noreen's resting place.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Late Mrs. Kathleen Daly (nee O'Neill)

On February 14, Kathleen Daly (nee O'Neill), Strand-side South, Abbeyside and Canada, passed away peacefully after a duration of illness. We tender our condolences to her husband Desmond C. and relatives on their loss.

Removal took place last Friday evening from Kiely Funeral Home to St. Mary's Parish Church, Dungarvan. Following Requiem Mass on Saturday morning the interment took place in adjoining cemetery.

(Full obituary next issue.) (James Kiely & Sons, Funeral Directors, Dungarvan.)

## LATE BILLY POWER

It is with deep regret we record the death of Billy Power, Shanakill, which sad event took place on Sunday, February 10. Billy was held in high esteem by all who knew him and his death is deeply regretted.

Sincere sympathy is extended to his brother Jim in Dublin, relatives and friends.

## BRIDGE CLUB NOTES

Last week's results were — 1st Coleen Flynn and Margaret Cashin; 2nd Pdraig Kirwan and Ann Harney; 3rd Paddy O'Reilly and Alice Power.

## G.A.A. NOTES

Transfers — We certainly did very well from transfers at last week's Western and Eastern Board meetings and we are delighted to welcome the Rockett brothers, Eddie, Andrew and Michael, Jim Burke and Brendan Power into our playing squads for 1991. Their inclusion in our lineouts this season will enhance the clubs prospects of a real challenge for the senior football championship, junior "A" hurling championship and our junior football side should also benefit. So to all we say "cead mile failte."

Training — Our season starts on Wednesday, February 20 when training in the playing field commences. All are requested to attend at 7.30 p.m. sharp when plans for the coming season will be outlined by the selectors. New lights have been erected so there are no excuses now lads. Be there!

Engagement — Congratulations to our popular Vice-Chairman, Seamus Casey, Old Road, on his engagement to Miss Jenny Kirwan, Main Street, which happy event occurred last weekend.

# Ballysaggart Notes

## CARDS

Results — 1st Joe and Cissie Power; 2nd/3rd James Hyland and Joan Byrne, Eily Meagher and Nellie Devine. Best of Last 5 — Mick Carey and Mick Morrissey. Lucky Tables — Dave Fennessy and Mary Hyland, Tom Cahill and Brendan Meagher. Raffle — Johnny Lonergan, Joe Shea, Ester Walsh, Jim Kearney.

## G.A.A. NOTES

Mass For Deceased Members — Next Sunday is the anniversary of the death of our former chairman, Rev. Fr. J. Keating and as is the custom the club will have Sunday's Mass offered for all the deceased members of the club.

Championship Draws — On Wednesday night last the groupings were made for the junior hurling and football championships.

In hurling we are grouped with Kilrossanty, Ardmore and Kilgobinet and with just one of the four teams sure of qualifying for the semi-finals, it's certain to be a mad scramble for points.

In football we play Melleray and Ballinwillin with one to qualify for the quarter finals.

## VISIT OF LOCAL RADIO

Nicky Flynn of Waterford Local Radio will visit the Ballantine Bar on Friday, Feb. 22nd to record songs and music. Recording will commence at 9 p.m. sharp. All are welcome.

THE British take some licking when it comes to eating ice cream. Last year we spent close on £400 million on the stuff. That puts us sixth in the world ice cream league.

On average we eat 80 portions per person a year. But we still have a long way to go before we catch up with the Americans, who top the league. They sink four times as much.

In spite of the growing number of American-style ice-cream parlours with their "flavour mania", most Britons still cling to vanilla as their favourite taste.

But that doesn't prevent some manufacturers from dreaming up the craziest flavours.

Not long ago, a London company came up with a liver sausage ice-cream for a TV quiz show. Most of the contestants were convinced it was nutty chocolate.

And four years ago, a San Francisco firm introduced what they said was a good way to get children to eat dinner - a vegetable ice-cream made from celery, until the youngsters found out what it contained.

Most ice-cream isn't what it seems. A lot of Britain's comes from vegetable fats like soya.

A recent ice-cream conference in Rome (most delegates were dieticians, chemists and micro-biologists) revealed that basic "ice-cream" is made from blended dried milk, "densifiers", vegetable fats, synthetic flavourings and colours. The rest is injected air.

As one delegate put it: "They just blow up ice-cream like a toy balloon."

Many of the delegates felt

## Beetroot ice-cream? Do us a flavour!

the law should permit the use of only real milk and real fruit - but they were greeted with smiles of incredulity.

In America, the results of a laboratory analysis of cheaper ice-creams almost brought down the government.

For instance, diethyl glycol used as a substitute for eggs is identical to the chemical used in anti-freeze.

Amyl acetate, which gives ice-cream a banana flavour, is used commercially as an oil-paint solvent, and ethyl acetate, introduced as a pineapple flavour, can double as a cleaner for leather and textiles.

If the EEC had its way, our children would be queueing up for "edible ice". They are insisting that the word "cream" should only be used when the ices are made from dairy produce.

Nobody knows for sure who invented ice-cream. Some think that perhaps the "milk and honey" referred to in the Bible was actually an early version.

The Chinese were mixing snow and fruit juices 3,000 years ago to make

desserts. Snow mixed with lemon, oranges and pomegranates created something very similar to a Knickerbocker glory.

The first written ice-cream is believed to have been set down by a Roman general, Quintus Maximus, who was nicknamed *Gurgeo* ("the Glutton").

Ice-cream making seems to have been forgotten in Europe until 1295 when Marco Polo brought recipes for water and milk ices to Venice from Peking. When Catherine de Medici mar-

ried the French Duc d'Orleans (later Henry II) in 1533, she brought *Gelattieri* (ice-cream makers) to France as part of her retinue.

When the daughter of Henry IV married Charles I in 1685, ice cream crossed the Channel. Charles was so taken with the delicacy that he is reported to have paid the ice-cream chef handsomely to keep his favourite recipe a secret from the commoners.

There are more than 600 ice-cream flavours. Vanilla heads the world's list, with chocolate and strawberry runners-up.

Perhaps the weirdest order came from a film company making a horror movie. They wanted black ice-cream.

But when it was made, it turned out a ghostly grey...

**ST. CLARE** — You followed Christ in His life of poverty and prayer, grant that confidently giving ourselves up to the providence of Our Celestial Father, we serenely accept His Divine wish. Amen. **A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. Grateful thanks to the Blessed Virgin for favour received. — Mrs. K. Byers.

**In Memoriam**

**CARROLL** — First Anniversary — In loving memory of Bridget (Biddy) Carroll, late of Knock, Clonea, Dungarvan, who died on February 20, 1990.

A smile for all, a heart of gold,  
One of the best this world could hold.  
What beautiful memories you left behind.  
Will those who think of her today,  
A little prayer to Jesus say.  
(Always remembered by your loving husband Michael and family.)

**COTTER** — Fourth Anniversary — Treasured memories of my dear husband, and father, Billy Cotter, late of 19 Murphy Place, Abbeyside, who died on February 23, 1987. On his soul sweet Jesus have mercy.

Mass will be offered at St. Augustine's Church, Abbeyside at 7.30 p.m. on Saturday, February 23.

We think of you with love today,  
But that is nothing new,  
We thought about you yesterday,  
And the day before that too.  
We'll think of you tomorrow,  
And our whole life through.  
No day will ever begin or end,  
Without a thought of you.  
Will those who think of Bill today,  
A little prayer to Jesus say.  
(Dearly loved and never forgotten by your loving wife Lil, sons, daughters and grandchildren.)

**COTTER** — Fourth Anniversary — In loving memory of my dear father, Billy Cotter, late of 19 Murphy Place, Abbeyside, who died on February 23, 1987. R.I.P.

It does not take a special day  
To bring you to my mind,  
For a day without a thought of you  
Is very hard to find.  
I had a Dad in a million,  
I loved him till the end,  
I lost two special things that day,  
My Dad and my best friend.  
I miss your welcome at the door,  
I miss your smiling face,  
For there is no one in the world  
Could ever take your place.  
You won't come back, I know that's true,  
But one day, Dad, I'll come to you,  
Then this broken heart of mine will fall into place.  
(Always in my thoughts and prayers — your loving daughter Nuala, son-in-law Pat, grandchildren Alan, Sarah and Billy.)

**FOLEY** — The brothers, nephews, nieces, sister-in-law, relatives and friends of the late Michael Foley, Garryduff, Colligan, wish to thank all those who sympathised with them recently; those who attended the funeral, sent Mass cards and letters of sympathy. I never thought the day would come,  
When you would go away,  
I never knew that morning,  
What sorrow the day would bring.  
I saw you slip away from me  
and I couldn't do a thing,  
The gates of memory never close,  
I miss you more than anyone knows.  
Love and tears till the end of time,  
For a lovely sister I'm proud was mine.

Call me by my old familiar name,  
Speak to me in the easy way which you always used,  
Laugh as we always laughed at the jokes we enjoyed together,  
Pray, smile, think of me, pray for me,  
Let my name be the household word that it always was,  
Let it be spoken without effort,  
Life means all that it ever meant.

That we could ever hold.  
So rest in peace with Jesus, Dad,

The lonely way you had to die,  
Is always on my mind,

No one you loved was by your side,

To whisper just a loving word,  
And kiss you, Dad, goodbye.

**CONNORS** — Birthday Remembrance of Con Connors, 64 Childers Estate, Dungarvan, February 20.

We never thought of losing you, Dad,

You always seemed a part of us,  
That would go on and on.  
Treasures you gave us, big and small,  
But the gift of love was the best of all,  
Our hearts now ache of sadness,  
Silent tears still flow,  
For what it meant to lose you, Dad,

**Pinta Keeps Doctor Away**

A pinta a day may keep the doctor away, a new study shows. A survey among 2,500 middleaged men shows that the regular milk drinkers among them were eight times less likely to suffer a heart attack than non-milk drinkers, according to the Medical Council. Doctors and nutritionists plan to follow up the results to find out whether drinking milk in a diet can play a part in reducing heart disease.

## Congratulations For Musical Society And Its Director

Members of Dungarvan Urban Council joined with Cllr. Austin Hallahan at the Council's monthly meeting last Monday night when he proposed that the Council congratulate the Dungarvan Musical and Choral Society on their recent outstanding production of "The Merry Widow."

Cllr. Hallahan said that Mrs. Gertie Morrissey who was the Society's Musical Director for the past 30 years was also to be congratulated on the great work which she had done for the Society down

through the years. There were rumours circulating that Mrs. Morrissey was to retire from the position and this would prove a great loss for the Society and for all the music lovers of the town, he said.

## Naomh Padraig Comhaltas

### CLARE MUSICIANS FOR BRIDGIE TERRIES

This Friday night traditional music fans have a real treat in store when the Naomh Padraig Comhaltas Branch bring the best of Clare music to Bridgie Terries. Concertina player and Uilleann piper, John McMahon, is joined by his brother, Seamus, who excels on fiddle and flute and Dermot Lenihan on button accordion. These

accomplished musicians have been involved as tutors at the Willie Clancy Summer School and in fact will give a series of Master Classes for the branch over the weekend. Saturday night's sessions will be in Tigh an Cheoil, An Rinn. As usual many local musicians will attend on both nights. So anyone interested in the best of traditional music has two opportunities this weekend.

## Yoplait To Sponsor County Fleadh

Fleadh Cheoil na nDeise 1991 which once again is hosted by the Naomh Padraig Branch will be sponsored by Waterford Co-Op. Over the years many Fleadhanna in other counties and a number of Provincial Fleadhanna have been sponsored by Dairy Co-Ops, so it is a matter of some satisfaction to the rural based Naomh Padraig Branch that Waterford Foods agreed to be major sponsors of Waterford's festival of traditional

music in 1991. The following committee which will organise the details of the programme was elected at a special meeting in Coolnasmeear Hall on Monday, February 11:

Patron — Fr. R. Doherty, P.P.; Chairman — Michael O'Maranain; Vice-Chairman — Tom McGrath; Runai — Maura Govers; Treasurer — Kathleen Lynch; Asst. Treasurer — Mary Murrinan; P.R.O. — Alice Fitzgerald; Treorai na Gaeilge — Aine Ni Gearailt.

## BRICKEY VALLEY NEWS

**G.A.A. Draw** — The G.A.A. Clubs Development Draw is again being held this year. The tickets are still £30 each and can be had from any member of the executive committee. For this, one will be entered in three monthly draws. The total prize fund will be £85,000 — that will include five cars or equivalent £10,000 cash prizes. The first draw will take place on March 30.

**Kitbags** — Kay O'Connell tells me that she has

brought in a supply of specially made kitbags in the black and amber colours. They look very well with the G.A.A. crest on both ends and the name of the club on the side. The adult bag costs £12 and the juvenile one can be had for £6.

**Presentation Of Medals** — At a very enjoyable function held in Lawlor's Hotel on last Thursday night the Western and County championship medals were presented to our U-16 footballers and

the Primary Schools' championship medals to our victorious Carriglea/Glenbeg school team. After the meal John Harnedy, the Chairman of the club's Bord na n-Og, congratulated the players on their achievement. Joe McGrath, the hurling supremo, who happened to be in the hotel on the night, also addressed the boys. The medals were presented by the three trustees of the club — Martin Curran, Pat Curran and Patsy Donnelly.

## ICMSA Meeting On Surviving GATT And The MacSharry Proposals

Confusion about the implications of changes in the Common Agriculture Policy and of the General Agreement On Tariffs & Trade (GATT), has prompted the ICMSA to organise a series of public meetings, including a meeting in Lawlor's Hotel, Dungarvan on Tuesday next, February 26.

"Over the last few months a number of people have tried to mislead the Irish public into believing that the MacSharry proposals are not as severe as the ICMSA have outlined. It is my view that the MacSharry proposals and the threat of GATT are disastrous for every Irish person. Therefore we want every sector to know what lies ahead and what options are open to us," said Mr. Tom O'Dwyer, President ICMSA

who will address the meeting which begins at 8.30 p.m.

"From the engineer to the dairy scientist, from the office worker to the farmer — every sector of our society will be affected by the outcome of the GATT negotiations and the proposals to reform the CAP," said Mr. O'Dwyer.

Farmers, church leaders and representatives from the Chambers of Com-

merce of Ireland have been invited to attend these public meetings — entitled "Surviving the GATT and MacSharry Proposals."

"We will not allow our livelihoods to be threatened by proposals designed by those who will not have to live with the consequences," said Mr. O'Dwyer, who urged all those with an interest in the debate to attend the meeting in Lawlor's Hotel.

## ABBEYSIDE A.F.C. NOTES

DIVISION 1B

### Beaten But Unbowed

ABBEYSIDE 2 ST. JOSEPHS 3

Abbeyside's league challenge came to an end at sunny Dogleaf Park in a five goal thriller. The homesters lost no caste in defeat after a five month unbeaten run in which they gained the respect of all neutral observers. The loss of the first two matches when playing resources were thin on the ground, due to a variety of reasons, proved in the final analysis an insurmountable obstacle. There is no reason why this particular squad of players cannot enjoy a good cup run and look forward to next season with much optimism.

Abbeyside kicked off and attacked the away teams goal with great gusto but it was the home fans who were left looking on in disbelief as the slick city side scored three times from speedy breakaways. The finger of blame for the goals cannot be pointed as the quality of the strikes were as good as any seen at the venue.

The Reds instead of buckling under showed the great character which has been a hallmark of their displays. Attack after attack was launched at the Joseph's citadel and with 10 minutes to go before the break M. Cosgrave was pulled down in the penalty area and a penalty was awarded. Gerry O'Connor stepped up to slot the ball home.

The second half began as the first ended with the Reds on the attack and the away keeper saved well from Jerome Kiely and E. Curran. Fran McGovern was introduced with Tommy Wade and it was a combination between these two players which produced another penalty. A long crossfield ball from Wade found McGovern on the left and his mazy run was only stopped by an illegal challenge and Gerry

O'Connor obliged again to reduce the deficit to the minimum. Five minutes later T. Wade produced a great shot which the Joseph's goalie only managed to smother at the second attempt. M. O'Riordan raiding down the right almost caught the keeper out with a dipping cross and Jerome Kiely with a superb header brought the best out of the away keeper again.

Kevin Tobin effected a marvellous save in the 80th minute from a Meaney piledriver and only two great interceptions by Sean Woods prevented the Reds falling further behind.

The game ended with the Reds still attacking but it ended with the third defeat of the season, ironically all at Dogleaf Park.

Best wishes to St. Joseph's, a most sporting team, in their remaining league matches, also thanks to Tom Browne, a most competent official, who must be the No. 1 referee in the Junior League, for this contribution to a most entertaining game.

Team — K. Tobin, M. O'Riordan, S. Woods, T. Organ, T. Cahill, J. T. Kiely, J. Kiely, G. O'Connor, M. Cosgrave, J. O'Riordan, E. Curran. Res. — F. McGovern, T. Wade.

## MUNSTER SENIOR LEAGUE — DIV. 1

# Fighting Display By United

CROFTON CELTIC 0 DUNGARVAN 0

Dungarvan travelled the long journey to Crofton Celtic (Co. Cork) on Sunday last and came home with a share of the spoils after a tough, hard, fast flowing but always sporting game. Dungarvan had the better of the exchanges in the overall game and had the league title contenders on the rack on several occasions.

The game kicked off with Crofton being pegged back in their own half. Dungarvan were using the same systems as they had used to good effect in their last game, and their 5-3-2 formation was working a treat with each player giving his all for the whole ninety minutes. United's midfield of G. Hamilton, B. Coleman and M. Houlihan worked tenaciously and never gave Crofton's play-makers a chance to create anything. O'Neill was rarely bothered between the posts in the first 45 minutes with his back five of M. Hickey, D. Lyons, W. Coward, T. Hamilton and B. Whelan who were in no mood to give anything away and they never put a foot wrong all day. United's target men, G. Beresford and A. Sheehan were always dangerous and on several occasions came close.

Midway through the half Dungarvan produced the best move of the day, when the ball was won in defence and inter-passed between Whelan, G. Hamilton and B. Coleman and with Ber Whelan flying up the left flank he in turn received the ball and fired a great ball across the face of the goal only for Sheehan to be denied by a Crofton defender.

Crofton also had their

moments in the first half and when United conceded a free-kick outside the area the Crofton centre back fired a marvellous free kick past the wall and off the upright with O'Neill beaten. The half ended with the visitors attacking and looking for the opening goal.

The second half started with Crofton trying to put the squeeze on the visitors defence but they got no change from a Dungarvan back five who were very impressive. Indeed T. Hamilton punished the homesters on several occasions throughout the game with the long ball out of defence. United slowly came more into the game and started to take a stranglehold again in midfield. With both defences on top at this stage, chances were hard to come by. Derek Lyons almost broke the

deadlock in the 79th minute when he broke from defence and caught the homesters back four napping when he went on his own and shot passed the keeper but wide of the post.

Crofton then came forward in search of the goal that would keep the title challenge intact and they forced a corner late in the game. The resultant corner was only half cleared and an inrushing defender fired the ball through a crowded penalty area only to see his shot rebound of the post and to safety.

Dungarvan who were still pushing forward almost snatched the winner when Whelan's corner was heading straight for the inrushing W. Coward only for a defender to nick it off his head. The game was almost over when Dungar-

van broke from defence and Beresford played a superb through ball to Alan Sheehan who had the goal at his mercy, only to see the referee call for offside with Sheehan clearly a yard or two on side. This was the last piece of action of the game and so both sides had to be content with a share of the spoils.

This was one of United's best performances of the season so far, and if they can keep this same commitment and play with the passion and heart of their last two outings they will be a side to be reckoned with.

United — Kealan O'Neill, Mickey Hickey, Willie Coward, Derek Lyons, Tony Hamilton, Ber Whelan, George Hamilton, Billy Coleman, Martin Houlihan, Ger Beresford, Alan Sheehan. Res. — David Sheehan (used), David Whelan.

### THANKS

A special word of thanks must go to the Tony "Alain Prost" Wall and Liam "Crocker" Crotty, who so kindly put their vehicles at the disposal of the senior league side. It was very much appreciated lads.

### U-15's Draw In Top Of The Table Clash

SOUTHEND 1 DUNGARVAN 1

Dungarvan United's U-15 team travelled to Kilbarry Park on Saturday evening last to take on the home side in a top of the table clash.

The proceedings were always tight with neither side giving much away in the opening quarter. The game saw both sides producing some fine passages of good football on a sticky pitch. Southend broke the deadlock after 25 minutes when the left winger scored from close range. The city side dominated territorially from this until the break but could not add to their tally.

Dungarvan were much more determined in the second half and forced Southend back in to their own half for long periods. After having numerous corners and near misses

Dungarvan finally got a deserved equaliser in the 70th minute when Conor Murphy showed great determination to score.

## CAPPOQUIN SOCCER CLUB NOTES

TYRE CENTRE CUP

### Cappoquin Go Down Fighting

CAPPOQUIN "B" 0 BRIDE VIEW "A" 3

Although the scoreline suggests a comfortable win for Bride View, in fact it was far from that and the scoreline flattered the first division league leaders who were pushed all the way by a team depleted by injuries.

Cappoquin played with fire and heart and denied Bride View the luxury of settling on the ball. The play flowed from end to end at a very fast pace and this trend continued for the rest of the game. Bride View scored their first 15 minutes into the game, when a direct free kick was rolled across the edge of the box to an unmarked Bride View player who punished our slip in concentration. The next goal came shortly after from a clever overhead kick.

Despite these setbacks our lads kept their heads

and continued to come at Bride View and were robbed of a penalty when a Bride View defender controlled the ball with his hand, but the only person at the game not to see it was the referee. Minutes later Bride View were again lucky when the ball was cleared off the line.

We continued to frustrate the opposition in the second half. This pressure led to some players losing their cool and four Bride View players found themselves in the referee's book. We forced a number of corners in the second

half and Conor O'Leary saw his chip cleared after he left the keeper stranded. It wasn't until the last fifteen minutes that Bride View made the game safe with a soft third goal.

We nearly got the goal we deserved seconds from the end when a rasping volley by Doc Donnell skimmed the upright. At the end of the day, Bride View would not like to play the game again.

Team — M. Looby, L. Lacey, E. Budden, D. Mason, F. Murray, M. Lacey, S. Fraher, R. Walsh, M. Lacey, K. O'Donnell, C. O'Leary.

## BALLINROAD A.F.C. NOTES

### Ballinroad's Good Run Continues

BALLINROAD 2 TRAMORE 1

Tramore were the visitors to sunny St. Laurence's Park, Ballinroad on Sunday last, but went home empty handed after a very entertaining game against the home side.

Tramore who were in the running for the league made the early pressure pay when they got a rather lucky goal after a shot hit a defender and ended up in the net. Ballinroad however, got a grip on the game and were must unlucky to see a number of chances go abegging. Home keeper, Michael Keohan, made a marvellous save to deny Tramore a second and when half time arrived Ballinroad were still in the game with a chance.

The second half saw a resumption of Ballinroad pressure on the Tramore goal, but as the half moved into the the last quarter, it seemed that the early goal for the visitors would win the day.

However, in the 70th minute Maurice Foley played a lovely ball through the Tramore defence for Paul Tobin to score from close range. This score unsettled the visitors and Paul Tobin settled the issue when he beat the keeper in a race for possession and from an al-

most impossible angle he managed to steer the ball over the line for a well deserved winner.

This was a welcome win for Ballinroad who if they had shown any consistency in the early part of the season would surely be in the shake up for league honours at this stage.

Ballinroad — Keohan, Lynch, Lenihan, Crotty, Power, Foley, R. Burke, B. Burke, O'Connor, Tobin, Delahunty. Res. — Power for B. Burke (inj.); Foley.

Referee — Joe Murphy (Slieverue).

#### T.S.B. UNDER-13 LEAGUE

Kilmacthomas 0  
Ballinroad 0

Once again our failure to convert numerous chances cost us dearly in Kilmacthomas on Saturday last. We missed a penalty in the last minute and in the end had to settle for a point which keeps our slim league hopes alive.

#### T.S.B. UNDER-15 LEAGUE

Ballinroad 3 Abbeyside 5  
The concession of two

early goals was the deciding factor in this highly entertaining game in Ballinroad on Saturday last.

Scorers for Ballinroad were B. Maguire, E. Fenell and V. Tobin.

Referee — Brian Wall (Dungarvan).

#### SEAVIEW CELTIC CO-OP DRAW

We had one winner in the final draw on Saturday last. Tony Butler, Ballinroad, won a Microwave Oven. Overall we had nine winners in this series of draws and our thanks and appreciation to all who once again gave us magnificent support.

#### HAPPY EVENT

Congratulations to Michael Power and his wife on the birth of their first baby last week.

## DUNGARVAN CRYSTAL A.F.C. NOTES

### Unlucky Crystal Hit By Hibs

DUNGARVAN CRYSTAL 1 HIBS 2

Once again it is my sad duty to report that we have failed to win a match so far in the league. We felt that we were unlucky not to have gained at least a point from this one, even though we were well below our full strength panel.

Both sides were very nervous and no one created much in the way of goal-mouth incidents for the first 20 minutes or so. This changed dramatically when we put together a good period of play with some good work in midfield by P. Keane, T. Donovan and co., but when the visitors cleared away with a long high kick their number 10 stole through to race onto the ball. T. O'Grady who came out then hesitated, which made it easy for the visitors to go into the lead 0-1. It was to remain like this to the interval.

We knew at the break that

we had an awful lot to do, but for all of our good possession we rarely created any chances for our forwards.

We were soon to be punished when in the 60th minute of the game we fell behind 2-0. After this we threw caution to the wind and started to create a few chances, with P. Dunford going close with a powerful shot but the keeper saved well.

T. Donovan was also unlucky with another effort but luck didn't seem to be with us.

With about 10 minutes to go we finally got our just

reward, when we broke well down the left and with some good passing movements, P. Dunford found E. Meaney only for his low cross to be blocked away, but luckily for us it reached T. Donovan who crossed low for the in running P. McCarthy to slot home passed the stranded keeper. This raised our spirits immensely but we failed to get an equaliser.

Team — T. O'Grady, E. Meaney, P. Dunford, L. Shanley, T. Sheehan, D. O'Connor, P. McCarthy, J. Ferncombe, T. Donovan, W. Halpin (capt.), P. Keane.

## GRANGE UNITED F.C. NOTES

### Grange Advance In Cup

GRANGE 2 ARDMORE 0

Grange United recorded their second win in a row at home to Ardmore on Sunday last in the second round of the Dungarvan Tyre Centre Cup. This was a game both sides desperately needed to win to boost their dismal season and right from the kick-off one could see it was going to be very competitive.

Ardmore were quickest to settle but found the Grange defence very hard to break down. Their main scoring opportunities came from free-kicks but Dec Hennessey was unable to keep the ball down but on the one occasion that he did, he found Anthony O'Sullivan in great form.

Joe Salmon was the best midfielder on view and his surging runs into the Ardmore box had their defence in tatters. It was one of his runs that led to Grange's

opening goal in the 30th minute. Joe was fouled 30 yards out, Dec Whelan floated the resulting free into the Ardmore box, Seimi McGrath went highest to nod it down to "Huckle" Manahan and he calmly drove it to the right of Nicky Keating and Grange were 1-0 up.

The second half was all Ardmore and only for some excellent defending and superb goalkeeping, Grange may well be out of the cup. Bernie Stilwell did go close in the 65th minute

but his header went inches wide.

Then in the 84th minute Grange wrapped up this local derby and advanced to the 3rd round. Martin Curran broke out of defence, his excellent pass found Dermot Drohan whose precise cross was once again nodded down by Seimi McGrath to "Huckle" Manahan who avoided the onrushing Ardmore keeper and drove the ball into an empty net.

This was an outstanding morale boosting victory for Grange who showed great character to score that second goal after withstanding constant pressure from Ardmore in the second half, and who knows, a good draw in the next round and we could go all the way.

Best for Grange were Joe Salmon, Anthony O'Sullivan, Bernie Stilwell and "Huckle" Salmon, but the entire eleven and the two subs. all contributed to this great victory.

Man of the Match — Joe Salmon.

Team — A. O'Sullivan, M. Curran, B. Stilwell, P. Roche, D. Whelan, Dennis O'Connor, J. Salmon, S. McGrath, D. Drohan, P. Manahan, Daragh O'Connor. Res. — M. Quinn for Dennis O'Connor (75 mins.); D. Mansfield for Darragh O'Connor (86 mins.); S. Wade.

#### FIXTURE

### CLUB NEWS

On Saturday last we had no league games, but we had two friendly game, versus Youghal United. These were very worthwhile games with our Under-12's drawing 1-1 and our Under-14's also drawing 3-3. We would like to thank Youghal for these games.

### MATCH OF THE DAY

Without doubt the match of the day on Saturday next will be our U-14 game versus city side Bolton. We are unbeaten in the league so far, and Bolton have only dropped one point, so a game not to be missed. We would like to see a big

crowd at the field to cheer our lads on.

### DAMAGE TO DRESSING ROOMS

Our dressing rooms have been vandalised over the past few weeks. All of the front of the rooms have been broken down and the insides have also been damaged. It means at the moment our young lads must tog-out in the bad weather.

### FIXTURES

## LISMORE SOCCER NOTES

### Lismore Win Cup Derby

CAPPOQUIN 1 LISMORE 2

On Sunday last we travelled the short trip to Tourin in search of revenge for our best forgotten cup final defeat by Cappoquin, who were our opponents on the day.

The game started at a very fast pace in very heavy ground and it was the home side who took command in the 20th minute when some slack defending left Cappoquin in for an early lead. But as so often it was just the incentive that Lismore needed and they put some very fine moves together, but with half time fast approaching, it looked as though the home side would go in with the advantage. Then with just one minute left, Pat Bennett stabbed home the ball to leave the scores level at 1-1 at the break.

The second half saw Lismore in much more attacking form and they could

have been in front after 20 minutes when Lismore's outstanding player on the day "Spider" Barry hit the crossbar with a cracking far post header. Five minutes later the same player met a brilliant cross from Seamus Prendergast only to see the Cappoquin goalkeeper saving superbly. With 15 minutes remaining a Cappoquin defender handled the ball and the referee had no doubt in awarding a penalty. Barney Prendergast smashed home the resultant kick.

The last fifteen minutes saw Lismore's defence hold firm and Cappoquin, try as they might, could not get the equaliser. The final

whistle was met with delight from both Lismore supporters and players. We now look forward to the next round with nothing to fear.

Team — B. Fitzgerald, F. Power, T. Pratt, B. Shanahan, S. Barry, P. Bennett, B. Prendergast, P. Prendergast, P. Quinn, S. Prendergast, D. Landers. Res. — Pat Fitzgerald (used).

Next week we play at home to Grange, who are also our next opponents in the Tyre Centre Cup, so a good performance is required lads.

Kick-off is timed for 11.30 a.m. and players are to be at the field no later than 11 a.m.

# Spirited Show By Second XV

## CARRICK 20 DUNGARVAN 4

With the first fifteen having a free weekend, the spotlight was on the seconds on Sunday last and their friendly with Carrick-on-Suir.

The basic difference between the two teams was experience, as Dungarvan comfortably held their own in the set pieces, but lacked that little bit of know how which the home side had in abundance.

Highlight of the game was undoubtedly Jer O'Brien's try. Gaining possession inside his own 22 metre line, he ran the length of the field beating several tackles to score in the corner. All together a satisfactory performance from an inexperienced side.

Team — D. McGrath, F.

Maloney, M. O'Donovan, P. Dunphy, C. Riordan, V. Morrissey, J. Curran, J. Power, P. Mullaney, J. O'Brien, T. Shanley, N. Hourigan, M. Shanley.

### JUNIOR CUP

Dungarvan are still waiting to find out who their opponents will be in the second round of the Munster Junior Cup, as Charleville and Skibereen played a draw (3-3) on Sunday last. With the replay on Sunday next the most likely date is Sunday, March 3 at Ballyrandle. Watch this space.

# Mark Radley Wins College Title

At his first attempt in Secondary Schools competition, Mark Radley ran a fine race to win the County Junior Cross-Country junior title at Duckspool last week. This was Mark's first race since winning his All-Ireland medal with Munster last December and he now has the Munster championships to look forward to, again at Duckspool, this Saturday.

With Jamie Costin running a strong race in fifth place, the local C.B.S. finished 2nd in the team

event, while the intermediate team of Eoin Cunningham, Richard Finnegan, Michael Cummins and Brian Whelan went one better to win the county title in fine style.

Out of a field of seventy, Alan Moore was the best of the C.B.S. in a good ninth place in the minor race while Jason Travers surprised many in finishing fourth in the senior race with Brian Truman coming tenth.

Men's A Final — World No. 20, Phil Whitlock (Manchester) beat Dublin's Derek Ryan in a forty-three minute final which ended in a 3-1 score. Here was

squash at its best. To the admiring spectators it was seemingly effortless sport. Played by two masters of the game, it was inspiring stuff where the art of disguise took on now dimensions where drop shots were a hair's breadth above the line, and where volleyed balls apparently disappeared into the side walk — we were awestruck. I counted sixty-four shots in one rally, and this was the norm rather than the exception at this level. Congratulations to winner and losers alike!

Our club facilities received favourable comment from the visitors and the organisation of the games was also highly praised — so take a bow everyone.

## Camogie Notes

### NEW CLUBS

Readers of these notes will know that Portlaw are back in the fold, so I ask how many more will follow. There are vast areas of the county at present that for one reason or another do not promote the game at all.

Many places spring to mind such as: Kilmacthomas, Clonea, The Mollerans, Stradbally, Dungarvan, Abbeyside, Tallow, Cappoquin, Ballyduff Upper and Lower, Shamrocks, Ring, Touraneena, Ballymacarbery, Ballinamult, Kilbrien and Aglish — places where camogie once flourished and certainly could do so again if so desired.

Anyone interested in starting camogie and need help or advice along these lines need only dial 051-86447 and ask for Marie, or 058-54805 and look for Johnny.

Also it is the intention of the Board — if need be — to have people visit different areas on a given night with information, etc., and follow this up on demand.

#### INFORMATION

Josie McNamara, Marie

Murphy, Marion Frisby, Maura O'Donnell, Pat Doyle and Margaret Phelan, in the East, and May Nugent, Bidy and Nell McGrath, Anne Power, Brid Costin, Vera Desmond and Maura Ryan — to mention but a few in the West — all have something in common. They were all top inter-county players and sad to relate, none of them are in any way connected with the game at present. These girls, and many others, did trojan work for their respective clubs, on and off the field and in their day the county team feared no one and were respected by all.

I'm sure they must have some good tales to tell of former exploits and experiences on the camogie field and I would be grateful for any photographs or paper cuttings of that era.

## Waterford Colleges U-14A Hurling Semi-final

Lismore CBS 7-2, St. Pauls 0-1

Lismore CBS advanced to the final of the Waterford Colleges Under-14 Hurling final after a convincing win over St. Pauls Community School, Waterford. The match was played at the Friary in perfect conditions which suited the skilful Lismore team.

The Lismore defence played solidly with A. Whelan outstanding. At midfield, captain E. O'Brien and G. Feeney were probably the best players on the field. In attack all six forwards were in great form with J. Begley, A. McCarthy and M. Fraser causing the St. Paul's defence all sorts of trouble.

Scorers for Lismore CBS: J. Begley 3-1, D. Bennett 1-6, B. O'Farrell 2-0, G. Feeney 1-1, A. McCarthy 0-1, S. Quinn, E. O'Brien 0-1, D. Shanahan 0-1.

Lismore — B. Landers (Lismore), W. Cunningham (Lismore), A. Whelan (Lismore), D. Shanahan (Lismore), J. Twomey (Ballyduff), D. Hickey

### CHAMPIONSHIPS DRAWS

We play Brickey Rangers in the first round of the intermediate football championship. It is a knock-out championship with a losers group for teams beaten in the first round. This is a tough first round tie as the Brickeys are always very hard to beat.

In the first round of the junior hurling championship we play last year's county finalists, An Rinn. This is going to be another hard game to win. The junior hurling is run on the league system.

### TRAINING

Training began on Sunday, February 10, we had a fairly good crowd for the first session. Training continues every Sunday at 12 noon.

### TRANSFERRED

We welcome Mick Heaphy transferred from Melleray and Michael

Broderick back from Mal-low. We also welcome back Martin Landers and John Longan, both were unavailable last year. We also welcome every young players that is training with the club this year. We hope to arrange a couple of challenge matches in the near future.

**NATIONAL FOOTBALL LEAGUE**

# Easy Win For Footballers

**WATERFORD 3-12 KILKENNY 1-4**

Waterford won this Division 3 National Football League tie at Fraher Field, Dungarvan, on Sunday last with a lot to spare. But they showed the result of their lay-off and lack of match practice over an hour which provided little more than mediocre fare at times.

Waterford were a far better team than Kilkenny but an over elaboration and over use of the hand pass mitigated against them from time to time.

However, a win is a win and the outing will have helped to "tune up" the side for their clash with Tipperary on Sunday next.

Waterford dominated from the start but the scores were slow to come and ten minutes had elapsed before Pierric White shot over their first point. This was followed by points from Eoin O'Brien (free) and Pat Hynes before Tom Fogarty had Kilkenny's first point in the 18th minute.

Two minutes later Pat Hynes who switched with Jimmy Maher was put through by Maher and he

"chipped" the advancing keeper for Waterford's first goal. Eoin O'Brien and Jimmy Maher added points for the home side before Pat Brennan had Kilkenny's second point but Pat Hynes finished the first half scoring with a point to leave Waterford 1-6 to 0-2 ahead at the break.

**MISSED PENALTY**

Kilkenny missed a great chance of getting back into the game four minutes after the restart when Tom Fogarty was fouled going through but Waterford keeper Tom Brennan had little difficulty in saving Liam Buggy's penalty kick.

Waterford were quick to get back into their stride and points from Jim Maher ("45") and Eoin O'Brien (free) put more daylight

between them but the game was completely killed off in the 45th minute when Eoin O'Brien and Pat Hynes combined to put Ger Walsh through for Waterford's second goal.

They added a point through Martin Power two minutes later and within seconds Hynes was pulled down in the small square but Jim Maher's penalty shot spun wide off an upright.

Kilkenny hopes flared briefly when Tom Fogarty scored a great solo goal in the 49th minute but Waterford again took over and Ger Walsh's goal three minutes from time set them up for their fourteen points win.

**Scorers:** Waterford — G. Walsh 2-0; P. Hynes 1-3; E. O'Brien 0-3; J. Maher 0-2; M. Power, C. Mac Craith, P. Fitzgerald and P. White 0-1 each. Kilkenny — T. Fogarty 1-1; P. Brennan 0-3.

**Waterford** — T. Brennan; P. Power, T. Walsh, P. Queally; P. Walsh, M. McGrath, T. Gough; P. White, M. Power; E. O'Brien, P. Hynes, D. Callaghan; G. Walsh, J. Maher, P. Fitzgerald. Subs. — C. Mac Craith for P. White; I. Kiely for T. Gough; P. Ferncombe for E. O'Brien.

**Kilkenny** — M. Dowd; E. Delahunty, C. Hayes, J. Murphy; C. Kehoe, J. Caldric, J. Feehan; L. Cassin, T. Fogarty; L. Dowling, M. O'Shea, P. Brennan; P. Browne, P. Drea, L. Buggy.

Referee — W. Whelan (Wexford).

Peter O'Donovan, on behalf of Dungarvan Water Skiing Club presenting Niall King, Chairman, Sesame School Group with a cheque for £700, the proceeds of the Club's Christmas Day Sponsored Ski. The club take this opportunity to thank all their sponsors.

## Dungarvan G.A.A. Notes

**TRAINING BEGINS**

The adult players made the first effort at clearing off the winter cobwebs on Tuesday night last with the first training session of the year. Finbarr Kelly, who did such a super job last year, is again in charge of the physical side of things and no doubt he will bring everyone to the super level of fitness which pertained throughout 1990.

From now on training will be twice weekly, Tuesdays and Thursdays, and we would ask nothing more than the players to provide the same commitment and dedication they gave last year.

If that is forthcoming — and I am confident that it will — then we can look forward with confidence to the championship challenges that lie ahead.

**CLUB DEVELOPMENT**

Our new playing grounds are continuing to progress and are looking better by the day. There is, of course, still a lot of work to be

done but we would like to think that the back has been broken in it.

Meanwhile the fundraising, through the big Co-op Development Draw, is continuing and every effort will be made over the coming weeks to clinch the support of all our friends and supporters for the draw. Every penny of profit is being ploughed into giving us a home we will be proud of for all time.

**CHAMPIONSHIP DRAWS**

We had more than a passing interest in last week's Western Board meeting when the championship draws (other than senior) were made for the coming year.

In Under-21 hurling we have a first round bye and will meet champions Lisamore in what is certain to be a very testing semi-final. In the same grade in football we are paired against Affane and here too the challenge will be formidable.

Our junior hurlers are drawn against Cappoquin, and with this section of the championship being on a knock-out system we have got to win to survive to a second round.

We are in a tough five team group in junior football, yet we are entitled to strongly fancy our chances of coming out on top and making a very strong title bid.

The other teams in our group are Clashmore, Brickey Rangers, Affane and the Nire. All will present tough opposition.

In minor hurling we are just one of four clubs in the "A" grade along with Lisamore, Tallow and St. Patricks.

In the "A" minor football five teams are involved, and here of course we will be defending the title we won so resplendently last year.

Our challengers this year

will be Kilrossanty, Abbeyside and Clashmore and there will be no easy games among that lot.

**EXECUTIVE MEETING**

Paddy Fitzgerald presided over another busy meeting of the executive committee last Wednesday night, and in two hours of business a lot of good work was done.

The successful dinner-dance was reviewed too with the unanimous view that it was an outstanding success.

**CALLING ALL QUIZ BUFFS**

We are seeking as many club members as possible to take part in a rather novel "Just A Minute" quiz being organised by the local Athletic Club with which we have such a close affinity.

All the questions at our quiz will relate to our own club and there will be one minute in which to answer all and every question. The club entry fee will be £10 and then £2 per individual.

We are hoping for a really good turnout so if you are intending to take part please give your name to any club officers. Date and venue for the quiz will be given later.

**SYMPATHY**

Sincere sympathy is extended to our PRO, John A. Murphy on the death of his aunt, Mrs. Bridie McGrath, Dungannon, Co. Tyrone, which took place last week.

Also to the Tutty family, St. Brigid's Terrace, on the death of Mrs. Mary Tutty.

**SCOR**

Our ballad group performed superbly in the Munster semi-final of the Adult Scor in Tallow last Saturday night. They deservedly qualified for the final in which we wish them the best of luck.

The members of the group are Paddy Fitzgerald, Rachel Hayes, Caroline Byrne and Jackie and Deirdre Murphy.

**MUNSTER COLLEGES HURLING**

## Dungarvan CBS Edged Out In Semi-final

**Youghal CBS 0-5, Dungarvan CBS 1-1**

Dungarvan CBS, the holders of Corn Iognaid Ris (for under sixteen-and-a-half) surrendered their title, after a hard fought semi-final with Youghal CBS, played at Clashmore last Tuesday. A cross field wind did not prevent both teams from providing an exciting contest.

Michael Enright opened the scoring for Dungarvan CBS with a point after 8 minutes. Youghal had the edge at midfield but the Dungarvan defence played brilliantly and Youghal only led by 0-3 to 0-1 at half time.

The second half was evenly contested with goalkeeper Alan Walsh and backs Michael Barnes, Tom Morrissey, John Joe Ronayne and Richard Finnegan particularly playing very well for Dungarvan. A number of refereeing decisions went against Dungarvan, but Raymond Ryan and John Joe Ronayne attacked continuously in the last quarter, resulting in substitute Richard Lonergan breaking through with five minutes remaining to crash the ball to the Youghal net, leaving a point between the sides.

Dungarvan scorers: Dungarvan CBS — Richard Lonergan 1-0, Michael Enright 0-1.

Dungarvan CBS — A. Walsh (St. Patricks), M. Barnes (Stradbally), T. Morrissey (Dungarvan), M. McLoughlin (Dungarvan), R. Finnegan (Gaeltacht), J. J. Ronayne (Dungarvan), T. Keane (St. Olivers), E.

Cunningham (Dungarvan), R. Ryan (Naomh Brid), D. Ryan (St. Patricks), N. Considine (Dungarvan), A. Fitzpatrick (Naomh Brid), M. Enright (Abbeyside), D. Moore (Abbeyside), K. Curran (Dungarvan).

Sub. — R. Lonergan (Naomh Brid) for A. Fitzpatrick.

**RICE CUP HURLING**

## Hard Earned Victory For Dungarvan

**Dungarvan CBS 5-5, Rockwell 4-2**

Dungarvan CBS, despite dominating the first half and leading 2-4 to nil at half time, had to struggle in the second half to overcome Rockwell in the opening game of the Rice Cup competition (under-14 hurling) played at Colligan recently. Rockwell scored three goals in the first five minutes of the second half, to leave a point between the sides.

There was still only a point between the sides with eight minutes to go, but late goals from Brian O'Donovan and Francis Tobin gave Dungarvan CBS boys a hard earned victory.

Best for the CBS were — Alan Moore, Thomas Power, Brendan Conway, Michael Murray, John Foley, Raymond Lynch, Jonathan Burns and Brian

O'Donovan. **Scorers:** Dungarvan CBS — Brian O'Donovan (3-0), Raymond Lynch (0-3), Francis Tobin (1-0), Brendan Conway (1-0), John Foley (0-1), Michael Murray (0-1).

**Dungarvan CBS** — K. Walsh (St. Patricks), A. Moore (Abbeyside), D. Breathnach (Gaeltacht), K. Curran (Dungarvan), T. Power (St. Olivers), B.

Conway (Dungarvan), M. Radley (St. Patricks), M. Murray (St. Olivers), J. Foley (Abbeyside), R. Lynch (St. Patricks), P. Coles (Dungarvan), J. Burns (Abbeyside), F. Tobin (St. Patricks), B. O'Donovan (Abbeyside), S. Ryan (St. Patricks).

Subs. — M. O'Sullivan (Dungarvan) for P. Coles, R. Ferncombe (Dungarvan) for J. Burns.

**G.A.A. NOTES**

**BY "COMMENTATOR"**

**Munster Scor**

Waterford had five qualifiers in the provincial semi-finals of the Adult Scor held at Tallow on Saturday night last.

The following qualifiers from Waterford will go through to the Munster finals at Thurles on Sunday, March 10 at 6 p.m.

Figure Dancing — Bonmahon; Question Time — Abbeyside; Instrumental Music — Sliabh gCua; Ballad Group — Dungarvan; Set Dancing — Dunhill.

**Increased Price For Tickets**

Increased prices for stand tickets, etc., for the All-Ireland finals were announced at Central Council on Saturday last and the following are the new prices:

Hogan Stand (centre) £23; Hogan (side) £19; Cusack Upper £18, Lower £13; Nally £16; Hill and Canal End £8.

Portion of the increased revenue will go towards paying the backlog of club grounds, purchase and development grants which because of increased applications are very much in arrears.

Also 50p from each ticket will be donated to the special Artane Band Fund. Since the fire which destroyed uniforms and instruments 23 years ago, the band have been going deeper into debt and now a sum of approximately £450,000 is needed to see them out of trouble and freshly started.

**"Just A Minute"**

What was the first official trophy won by Abbeyside senior hurlers? Who captained Ballinacourty to their first ever senior football title in 1978?

These are the type of questions that will be asked in a new-style quiz which is being organised by the Dungarvan Athletic Club in a fundraising drive. All clubs in the area have agreed to participate and each will hold their own first round in this novel "Just A Minute" question time quiz.

The Abbeyside version will be held at O'Connor's Pub on next Tuesday at 9.30 p.m. and other clubs taking part will host their own competition on the same date. It will be very good fun for an hour or so and everybody is welcome.

**New League Format**

A revised national league format will be presented to Central Council at their next meeting. This will propose reduced numbers in the divisions and have the start of the football league put back for two weeks and the hurling league not commencing until late February and being completed in 20 weeks.

This is one of the matters to be discussed at the County Board meeting in Dungarvan on next Monday night.

**Minor Hurlers**

Our minor selectors took a party of 30 players to Portumna over the weekend and played a Galway selection on Sunday morning. Galway scored 1-14 and we put up 2-10. The selectors were pleased with the display of the panel who are in training for our meeting with Clare on April 17.

**New Member**

Joe Carton, De La Salle, was elected as an Eastern Board representative to the County Board at a meeting on Thursday night last.

His chief opponent was Tim Byrne, who was also a candidate for the county secretaryship at our county convention recently.

**NATIONAL HURLING LEAGUE**

**Promising Display By Eager Deise Side**

TIPPERARY 2-14 WATERFORD 2-8

Hurling enthusiasts must have expected something special from this one as unexpectedly a very big crowd of almost 10,000 turned up at Semple Stadium to see joint leaders, Tipperary and third placed, Waterford, play for the two league points that would enhance or diminish their prospects of getting to a quarter or semi-final place in the competition.

Expectations were certainly fulfilled and what can only be described as a top class league display by both, kept the crowd on their toes for most of the hour. Waterford played some splendid hurling and looked the fitter team and really ran themselves into the ground in an effort to reverse the result of their meeting in the Munster final of '89. Two goals by Nicky English at a vital stage in the second half, probably made the difference between winning and losing for Waterford. Both these goals were kicked in to the net after the All-Star forward had broken loose inside our defence. Both were opportunist scores but I couldn't read anything brilliant into the effort.

Shane Ahearne soloed quite a distance before parting with the ball and when he did, Declan Ryan was on hand to catch and swing defence into attack very unexpectedly. This was in the 34th minute when things seemed to be going our way and we leading by a point. This was the turning point of the game.

All-in-all, Waterford played very well, but could not match the better teamwork of the home team. This was a big factor but understandable as Tipperary won a couple of Munster titles and All-Ireland final with practically the same panel of players.

**THE PLAY**

The game went for 5 minutes before Tipperary's Ml. Cleary pointed a free and within five minutes we might have been level, but Shane Ahearne sent wide from a free. Billy O'Sullivan who was our best man in attack put our name on the scoreboard with a fine point in the 13th minute. Crowley drove a free wide in the 18th min. but Waterford continued to press the Tipperary defence until Ahearne put us in front with a pointed free in the 20th min. Billy O'Sullivan and Ml. Cleary exchanged points and in the 24th min., Colm Bonner had a great point before Stakelum and O'Sullivan swapped points in the 26th and 27th min-

utes. Points by Ahearne and Cleary left the scores level in the 29th minute and English taking his first score of the match, put Tipperary one point in front, 0-6 to 0-5, at the break.

**PRESSURE**

Waterford put on the pressure from the throw-in and within seconds, Eddie Nolan had us level. Two minutes later Noel Crowley sent us in front again with a nice point. At this stage, Waterford were playing very well and giving the impression that a shock might be on the cards. Then disaster struck with the first of English's two goals and we lost a lead which was not to be regained. In the 40th minute Tipperary were cruising in front on a 2-8 to 0-7 scoreline when Eamon Cullinane had the ball in the net our first major to narrow the gap to four points. Waterford substituted Pat Ryan for Murray shortly before English had his second goal. Pat Ryan crashed home a goal just mid-way through this half and this

left us three points in arrears (2-10 to 2-7) and with everything to play for.

However, Tipperary were now in the driving seat and in the final twelve minutes added four as against our one point to their tally, leaving them winners by 2-14 to 2-8.

Waterford will undoubtedly have learned something from the game and with some improvement can look forward to taking a point or two from our next two matches.

For Waterford the full line of defence, Cullinane, Byrne and Beresford played well and Ger Fitzpatrick with young Brian Greene were strong in the half line. Noel Crowley had a fine first half, but faded in the second. Billy O'Sullivan was our best forward with Ahearne and Brenner doing well at times.

Scorers: Tipperary — N.

**Waterford Away To Tipperary At Clonmel**

Although we are now out of the running for group honours, Waterford, who are currently lying second with a number of others, will be fighting to finish runners-up behind Wicklow when the league finishes for us on March 10.

Although playing against weak opposition at Fraher Field on Sunday, the players all played satisfactorily and are expected to be given a vote of confidence when the team is selected. It is due to be picked on Monday night and will appear elsewhere if available in time.

Our record against Tipperary in football is reasonably good and even though this game is fixed for their favourite venue, we can expect to beat

them. They lost to Wicklow last Sunday, so things do not appear to be going all that well for them now. Possibly they are concentrating on the Munster championship to a greater degree than the other three weak counties?

With no other counter attraction here on Sunday, we can expect to see a big following for the team at Clonmel and hopefully their performance will give them reason to shout.

## Western Board Meeting

Jimmy O'Gorman, Chairman, presided at the resumed meeting of the Divisional Board last week, when a smaller number of delegates were present. A few clubs were not represented.

Three late applications for transfers were refused. The chairman informed the applicants that the meeting would have to stand over the decision that no such applications would be entertained after the first meeting.

**WITHDRAWAL**

Ballyduff club wrote to inform the Board that they were withdrawing from the intermediate football championship as they felt that they were not now up to that standard. Their application for regrading to junior was refused on the previous week.

This withdrawal reduces

the number of teams to seven in this championship.

**RECOMMENDATIONS REJECTED**

What was regarded as a surprise development, was the decision of the open Board to reject the recommendations of the fixtures committee, who had proposed that both the junior hurling and football championships, be run in one section.

Several clubs complained that running each in one section, would involve too many matches. This certainly sounds a far cry from the campaign being waged

only a short time ago for more games for our players.

For the football, three clubs, Kilgobinet, Seana Phobal and Emmett's favoured a one section championship while Ring, Modeligo and Tallow voted for two groups. Lismore, who are the seventh club were not represented at the meeting. The three clubs who will play in the junior "B" championship and later enter the other championship, all favoured two groups.

On a vote for the junior hurling championship, only Kilgobinet and Ardmore favoured the one section idea, while Kilrossanty, Ring, Clashmore, Ballinameela and Ballysaggart all voted for two groups.

**PROTEST**

A very strong protest was voiced by Eddie Cunningham, at the decision of the Officer Board to grade Tallow into the "A" championships in minor hurling. He said that the Board officers were totally unaware of the plight of underage hurling in Tallow at the moment. He said the decision was based on Tallow's past record, while at the moment, the club would unlikely be able to field a team good enough to win a round of the "B" championship.

The Chairman said that the decision would have to stand.

**REGISTRATION**

The necessary documentation was distributed and clubs were requested to return the completed form as soon as possible to the registrar.

## CAPPOQUIN NOTES

### RUGBY CLUB NOTES

A huge crowd turned up at the Boathouse on Friday night for the annual Miss Rugby Contest. There were thirty three entrants any one of whom could have been a winner, thus making the judges task all the more difficult but after some deliberation they did reach a verdict and the winners were:—

1st Jane Horsom, Jane was the nominee of the Gun Club; 2nd Jacqueline Geoghegan, Jacqueline was sponsored by Feerick's Chemist; 3rd Sheila Reddy, Sheila's sponsor was Cappoquin Chickens.

We would like to thank our judges for the night i.e. Aileen Stacey, Tom Fitzgerald and Isobel Dunford, also our hostess Monica Wade.

The prizes were presented by Joyce Power and Irene Cahill was responsible for the floral arrangements.

We would like to thank all the competitors as well as their escorts. We are very grateful too to the many sponsors and indeed to everybody who turned up on the night.

### AFFANE/CAPPOQUIN G.A.A. NOTES

At a recent committee meeting it was decided to go ahead with the drainage work which is urgently required in the juvenile pitch. We cannot say at the moment if the ground will be playable this year, as following the work on the drains, it will need to be re-seeded so the time table depends largely on the weather. We can be grateful of course that our main pitch is in excellent condition and is being used for training at the moment.

The Co-op Draw is now in full swing, promoters are urged to make an extra special effort during the next few weeks to maximise our return from what is now

our main source of income.

The club would like to extend warmest congratulations to Noel and Kathleen Cummins on the occasion of their Silver Wedding Anniversary.

We would like to thank our members who involved themselves with the Epilepsy Collection at the weekend. We were glad to be associated with this very worthy cause and would like to express our appreciation to the people of the area who gave so generously.

### SYMPATHY

### AFFANE A.F.C.

A goal after six minutes by Sean Costin was enough to see us safely through to the quarter finals of the Cup against Glenview on Sunday last. The game which was played in Affane in excellent conditions never produced great football but was close throughout.

We started off very well and had three corners in the first five minutes, then in the sixth minute the all important goal. Eamon O'Shea played an excellent ball through the defence for Sean Costin to run on to and volley the ball to the net. After this Glenview took control and created several scoring chances before the break, but squandered their chance of an equaliser.

In the second half the game was much more even with Glenview searching for an equaliser, while we

always looked dangerous on the break. Again both sides had some excellent opportunities to score but failed to put the ball in the net.

Team — C. Cullinane, F. McCarthy, J. McGrath, T. Mansfield, L. Denn, J. Crotty, L. Costin, S. Denn, J. McGrath, S. Costin, E. O'Shea. Subs. — T. Sullivan for J. McGrath and T. Ormond for L. Denn.

### CAPPOQUIN AND DISTRICT DARTS LEAGUE

The doubles were held in the Old Still last Sunday. Forty three pairs turned up for what was a great days darts. Mick Ryan and Roger Sweeney of the Overflow Inn were the winners defeating Sean Barron and Francis Barry in the final. It was good to see Mick produce some of his old form, while Roger

also played well through the day and had the highest checkout of 119. Beaten semi-finalists were Dick Lawlor and Liam Troy and Kieran Fraher and Tommy Sullivan.

A special word of thanks to Dick Lawlor for having his venue in excellent shape and for his excellent trophies.

The draw for the League Cup and Plate also took place last Sunday and resulted as follows:

League Cup — Village Inn "A" v. Old Still; Deckies v. Tavern "A"; Morrissey's v. Village Inn "B"; Dunvegan v. Dunne's "A".

Plate — Tavern "B" v. Kereen "A"; Dunne's "B" v. Overflow Inn; Lindsay's v. Sycamore Inn; Kereen "B" v. Toby Jug.

Games to be played next Friday with the return legs on Friday, February 29.
