## President Robinson To Visit Tallow

Tallow Enterprise Group announced during the past week that President Mary Robinson has confirmed she will visit Tallow on September 17 next. Her visit will coincide with the completion of the second Sculpture Workshop which the Group have organised and the President will see the work which the artists will have completed. This year's workshop will take place from August 24 to September 14. The Workshop this year will be opened by the Internationally known Dutch Sculptor, Jack Verbrugge. The selection of participating artists has just been completed by the Sculptors Society of Ireland and will include Canadian, American, Japanese and English sculptors as well as two Irish artists. A video of last year's workshop will shortly be shown in Mexico during a World Symposium on Sculpture. John Hogan would be proud.

President Robinson has also expressed a great interest in the work of the Group with regard to job creation. It is heartening to report that two of the projects assisted by the Enterprise Group recently created two new jobs. Mr. John O'Sullivan of Kelpex recently took on Mr. Victor Delany to assist him in his manufacturing of Kelpex Display products. Mr. Eric Curley who has now set up a Harness Making Manufacturing unit recently took on Mr. Noel Cunningham as his assistant. Congratulations to both, may their success be an inspiration to others.

### TWINNING TRIP TO FRANCE

Three members of the Group, Mrs. Helen McCarthy, Mrs. Sheila Ryan

and Mr. Pat Geary will on Thursday, June 9, fly to Paris and travel on to Pont-St-Pierre where they will be received by the Mayor and the Town Council to discuss the idea of Twinning. Mr. Dan Hurley and his wife Betty will also accompany the party.

Two members of the Group, Mrs. Mary O'Brien and Mrs. Sheila Ahern re-

cently represented the organisation at a meeting by Teagasc to discuss the new "Leader" Programme in Dungarvan. The Group will be submitting a profile of our projects to this programme.

Great improvements are taking place in Tallow and its environs under the Enterprise Fas Scheme which is very ably supervised by Mr. William McNamara. Trees, shrubs and flowers are appearing in the cutest places, all helping to make Tallow a more pleasant place to live. Local people are also responding magnificently with the hanging of baskets and the planting of trees by the Tidy Towns Committee in Woodview Park. Congratulations to everyone — just proves that co-operation does work.

## Travel Prize For Dungarvan 'Tech' Student

The Minister for Education, Mary O'Rourke, T.D., hosted a reception on Thursday, May 30 in Dublin at which she presented travel prizes to the winners of the European Schools Day Competition. The reception was also attended by the parents and teachers of the prizewinners.

The competition which was held in 19 European countries was under the patronage of the Commission of the European Communities, the Council of Europe and the European Cultural Foundation. The 16 senior prizewinners will participate with prizewinners from other Member States of Europe in week-long Youth Gatherings in a number of European coun-

tries during the summer.

A prizewinner in the Senior Art Competition was Barry Duggan, of Dungarvan Technical College, Dungarvan, who will at-

tend the Youth Gathering in Berlin from July 27 to August 4 where he will meet other European prizewinners in the competition.

### LOCAL ELECTIONS

## 45 Candidates In Waterford Co. Council Election Race

A total of 45 candidates from the four electoral areas of the county had their nominations cleared by the Returning Officer, Mr. B. J. McNally, County Secretary, when nominations closed at 12 (noon) on Saturday last for the June 27 elections to fill the 23 seats on Waterford County Council.

In the Dungarvan area where 7 members will be returned there are 16 candidates, one of which is a woman; in the Kilmacthomas area 10 candidates including one woman are seeking election to the 5 seats; in the Lismore area there are 6 candidates two of whom are women contesting 4 seats while in the Tramore area, 14 candidates, one of which is a woman, are in the hunt for the 7 seats there.

In all, 5 of the 45 candidates are women and on this occasion there is a unique situation in that one of the candidates, Clonea farmer and well-known marathon runner and fundraiser Dan Dineen, is seeking election in both the Dungarvan and Kilmacthomas areas.

When the "Leader" inquired what the position would be in the event of Mr. Dineen, who is facing the electorate for the first

time as an independent, being elected in both areas, we were informed that he would then have to resign his seat in one of the areas. This would then create a casual vacancy for that area which the elected members of the Council would then proceed to fill in the usual manner.

All the nominated candidates are at present busily engaged in canvassing for votes in their respective areas and it appears that

candidates are operating on an individual rather than a party basis in soliciting support.

[Editors Note: We are being inundated with press releases and statements by candidates for free publication but apart from the fact that space is not available to meet such a great demand, most of the material must be classified as electioneering and can only be dealt with on a commercial basis.]

## Pause For Thought With Fr. Paddy

**CLOTHE YOURSELF WITH OBEDIENCE, AND JOIN GOD'S ARMY**

In the first reading next Sunday we're told how Adam and Eve are faced with the imponderable consequences of their sin. The writer makes it clear that they were powerless to heal the rift. And, this fact is evident from the promise the Lord made to ransom man by the help of a woman. Now, if you consider the infinite greatness of God, it will help you to understand the enormity of Adam's sin. It matters little what the actual command was, but the fact is, they disobeyed. They were fully aware of the grave punishment that their disobedience would entail, which, in itself, indicates the serious nature of their sin. That alone, you'd think, would be enough to deter them from acting foolishly. Yet, they ignored and insulted God, and their unfaithfulness brought tragedy down upon themselves and all mankind.

The promise of restoring man to God's favour was fulfilled in Jesus. He achieved victory over evil on Calvary. In His mercy, He has invited us to come and share in the booty. Thereby, He has provided us with the means to resist and to overcome the powers of evil, as well as combating our own weaknesses. It means, man is once more one trial. He knows the score and he knows what is at stake. He has been assured by God that if he uses the weapons of prayer and the Sacraments, he is bound to succeed. Failure would be unthinkable!

In the second reading Paul explains that despite the dangers, his faith is the driving force urging him to preach the Gospel. His earnest hope is that the Corinthians will reap the benefits. He knows the greater the response to his message, the more widely it will be diffused. The inevitable result is bound to redound to the great glory of God. Paul is adamant that they must have a clear picture of their destiny, because then he knows that they'll not sell their souls for earthly attractions. The struggle against trials and temptations will be for them a small price to pay for the glories ahead. Paul believes in driving home the fleeting nature of life here compared to the eternal joys of Heaven. It is not so much that he undervalues temporal things, but rather that he does not want people to be side-tracked from the main purpose of life. He even says, their salvation is the object of his labours.

The Gospel relates two incidents seemingly unconnected, and yet, they are closely related. Jesus had cast out a devil, and, whilst the crowd saw God's hand in His work, the religious leaders claimed His power and success was due to the prince of demons. Jesus pointed out the absurd foolishness of their accusations, but in their blind jealousy and hatred they refused to believe. Actually, to accuse Jesus of seeking help from the devil was rank blasphemy. Jesus warned them that God was merciful, but if they were to continue in their obstinate blindness, they'd reap destruction. You see, their sin was not from weak-

ness, but was born from their perverse faith. When Jesus spoke of binding and ejecting satan, He was indicating that the devil's rule was ending. It was a sign that the Messiah had come, and, as John the Baptist had foretold, His reign had begun.

### ALL ARE EQUAL BEFORE GOD

All the readings stress that all human beings are equal before God. I'm afraid, if we are to acknowledge this fact, we'll have to change our outlook especially in the way we perceive and treat others. Usually, we base our estimations on what they have or who they are, whereas, in God's sight, all are equal. Jesus is challenging us about the manner in which we treat others. It bears thinking!

Mark tells us that when Jesus was speaking, His mother and some relatives joined the crowd. When Jesus was told they were there, He said "Here are my mother and my brothers. Anyone, who does the will of God, that person is my brother and sister and mother." He did not say "they are more important than my mother." And, neither did He say "my relatives are more important." But, He did say "whoever fulfills the will of God is my brother and sister and mother." He was proclaiming the equality of all in the sight of God. Just imagine, if we were to act like Christ, the effect it would have. It would change you. It would transform the world. And, we'd all be in tune with God's holy will.

It is natural for parents to make every provision for their children's welfare, but you'd expect them to show greater concern about preparing them for eternal life. God has placed an obligation on everyone to preach the Gospel. And, He established His Church to hand on and safeguard His teachings. So, religion is not a matter of opinion. God has distinctly said that He wishes us to take one particular road, the Catholic road. Surely then, once you know the way, you'd do everything possible to help your children to follow God's will. And, it is His will that we should all be members of His Church.

## KNOW YOUR RIGHTS

**Question** — Although I have been a part-time worker for some years I have only been insured at the full Class A rate since the 6th April this year. Can you tell me what this covers me for and how soon will I be in benefit?

**Answer** — Class A rate of PRSI covers you for the following benefits: Unemployment Benefit; Disability Benefit; Maternity Allowance; Occupational Injury Benefit; Treatment Benefit; Contributory Widow's Pension; Orphan's Allowance; Deserted Wife's Benefit; Retirement Pension; Contributory Old Age Pension and Death Grant.

To qualify for Unemployment Benefit and Disability Benefit you need 39 weeks PRSI paid and 39 weeks PRSI paid or credited in the governing contribution year, which would be the '89/90 tax year for a claim made any time this year.

If you have previously paid full-rate PRSI, the soonest you will come into benefit will be January 1993.

On the other hand if this is the very first time you have paid full PRSI, you will come into benefit as soon as you have 39 weeks PRSI paid, which would be January 1992. The reason for this is that when you take up insurable employment for the very first time you get special pre-entry credits back to the beginning of the contribution year in which you first become insured and for the two previous tax years. These credits allow you to qualify for benefit as soon as you have 39 weeks PRSI paid.

## 120 Hrs. Community Service Or 1 Month's Detention

Thomas Fraher (18) St. Patrick's Crescent, Dungarvan pleaded guilty at Dungarvan Court to 4 charges of allowing himself to be carried in 4 stolen cars over the week-end March 31 - April 2 last.

Supt. R. McAndrew who prosecuted told the Court that there had been a spate of car thefts in Dungarvan last week-end and the defendant was one of those involved. He added that Fraher had one previous conviction involving stolen property in 1987.

Mr. Niall King, Solr., said that his client had been led

on in committing the offences by two older people.

District Justice T. Fitzpatrick directed that the defendant be remanded on bail to June 26 for an assessment by the Court Welfare Officer as to his suitability to undertake 120 hours community services in lieu of one month's detention.

## Minister Inspects Lismore's £300,000 Sewage Treatment Plant

When Environment Minister Pádraig Flynn visited Lismore last Thursday evening his first stop was on the banks of the Blackwater close to the road bridge to inspect the sewage plant of the sewerage scheme which was provided by the County Council in 1986 to collect and trap sewage from the town's population of about 900 people as well as from the local sausage casing factory.

The scheme was constructed to provide a modern system of collecting and treating effluent prior to its discharge to the river Blackwater which has been designated by the E.C. as a salmon river. The entire sewerage scheme for the town cost £766,000 of which £300,000 was spent on the treatment plant.

It was a beautiful balmy evening when the Minister arrived, some time behind schedule due to unavoidable delays in his heavy programme for the day. But he was in humorous mood and as he alighted from his Mercedes he quipped "I didn't see a single pothole in the county on my way here only prosperity and lots of flowers!"

There to greet the Minister, who was accompanied

by Mr. Brendan O'Donoghue, Sec. Dept. of the Environment was County Manager Dan Hurley, County Engineer John O'Flynn, Chief Executive Engineer Eamonn Mansfield, Area Engineer Ray O'Dwyer and Chairman of the Co. Council, Cllr. Billy Kyne.

Having carried out his inspection the Minister expressed himself as being very satisfied. He remarked that there was no smell attached to the plant which showed that it was working properly and ideally located. It was easy to run and was good value for money. The Minister then returned to his car telling Mr. Hurley, "O.K., well done Manager!"

### ECUMENICAL BLESSING

It was then on up to the

town with the Minister and his accompanying motorcade to perform the re-opening of the reconstructed and redecorated library.

Following an ecumenical blessing performed by Rt. Rev. Msgr. Terence O'Brien presently on holidays at his home in Lismore from California (who was deputising for Very Rev. Fr. Nugent, P.P.) and Rev. Canon Tom Hewitt, Stradbally (who was deputising for Rev. Dean Weekes), the Minister cut the tape.

County Secretary Brian McNally acted as M.C. and inside the Minister was welcomed by the Co. Council Chairman and also by Cllr. M. O'Riordan, Chairman, Co. Libraries Committee and again by the Co. Manager.

In the preamble to his speech, Minister Flynn, still in humorous mood, said that while he had seen no bull terriers around, he had experienced some difficulty in including two such diverse subjects as a sewage plant and a library in the same speech but he had come up with what followed (reported elsewhere in this issue).

In addition the Minister was full of praise for the County Manager on having such a magnificent restoration job done on the old Library building and for the main contractors E. O'Brien & Sons Ltd., Dungarvan for the marvellous job they had done.

The Minister then made special mention of the great work being done by Mr. Donal Brady in his role as County Librarian and by the members of his staff while he also congratulated Cllr. Ciaran O'Riain who had been a member of the Co. Libraries Committee for the past 30 years and who was present at the function.

In conclusion Cllr. O'Riordan made presentations of Gloinne Na Rinne to the Minister.

Also present were members of Waterford Co. Council, Lismore Town Commissioners and Libraries Committee, Mr. Paul Clerkin, Finance Officer, Mr. E. Flynn, Town Clerk, Lismore, Mr. B. White, Town Clerk, Dungarvan, Supt. R. McAndrew, etc., etc.

After the formal ceremonies, the Minister and invited guests were entertained to a superb buffet meal in Lismore Hotel excellently served by Maria Everett and her courteous and efficient staff.

## New Computer Room Officially Opened At Lismore CBS

A new Computer Room was officially opened at the CBS Lismore recently. Ten "state-of-the-art" Philips computers were purchased to complement the ten Amstrad computers in the school.

This huge investment was mainly funded by the Parents' Council and it will be of enormous benefit to all students. The school can now boast of computer facilities almost unique for a school of its size. It will enable the school to enhance its subject choice by introducing new computer based subjects including Keyboarding, Typewriting and Computer based accounts (Lotus System) in the junior and senior cycle.

The school also runs a highly successful V.P.T.P. course and new modules added will even better equip the students for the skills needed in the work place.

There are also ambitious plans for adult education courses and these will come on stream in the autumn.

The opening of the new computer room therefore heralds an exciting time for education in the area.

## Thousands Of Bikers At Kilmeaden Rally

Thousands of bikers, various estimates of from 7,000 to 10,000, many of them foreign, converged on the village of Kilmeaden to attend the South East Custom and Classic Bike show over the Bank Holiday weekend. Motor-bikes of all makes and shapes, many costing huge sums of money, were to be seen at the rally which also attracted big numbers of spectators.

On Sunday evening one of the latter claims to have spotted film star Tom Cruise, a reputed biker enthusiast, in a white stretch chauffeur driven 'limo' returning from the rally to Waterford city.

However all wasn't happy-go-lucky at the rally as three Dublin bikers were injured in a dawn knife

fight on Sunday while a group were drinking around a camp fire in a field at the rear of Hayes's publichouse and two motor cyclists, Kevin Doolan (22) from Clonmel and James Power of Carrick-on-Suir were seriously injured in a collision at The Rectory, Kilmeaden, about half a mile from the festival rally.

**LATE MRS. NORA DOOCEY**

It is with deep regret we open the passing of Mrs. Nora Doocey (nee Kiely), Curtiswood, Ballymacarbry, whose death occurred after an illness of some duration on Sunday, May 26.

A member of an old and respected Modeligo family, her death at 42 years of age is very sad. She leaves behind seven members of her family and a heartbroken husband to mourn her loss. Deceased was a very estimable lady possessed of many charming traits of character and of a most courteous disposition. She had a wonderful warm personality and made friends at ease.

All callers to her home or pub were always made truly welcome. She was a caring neighbour abound-

ing in Christian charity, a great supporter of all local fundraising projects, her house was the clubhouse for members at Fourmilewater and Nire clubs and they now truly and justifiably grieve for the void Nora's sad demise leaves as they feel a deep sense of personal loss.

That her memory will be cherished was truly indicated by the large and representative gatherings of sympathisers, the largest ever seen in the district when her remains were removed from her residence on Sunday evening to St. Laurence's Church, Fourmilewater. For the last half mile to the Church her remains were shouldered by members of Fourmilewater and Nire teams, she was so much part of both clubs. They also provided a guard of honour.

On Tuesday morning Requiem Mass was offered for the repose of her gentle soul after which she was laid to rest in Fourmilewater Cemetery where again one of the biggest gatherings of sympathisers ever seen in the district was present. A guard of honour was again provided by Fourmilewater and Nire G.A.A. Clubs and by the pupils of Ballymacarbry Primary School.

To her heartbroken husband Tony, her seven children, her mother, her grandmother, her brother and numerous relations we tender our deepest sympathy.

**LATE MISS MARY FOLEY**

It is with deep regret we record the passing of Miss Mary Foley, Graigueavurra, Modeligo, which sad event occurred at St. Joseph's Hospital, Dungarvan on Tuesday, May 28.

Deceased was a member of an old established, highly respected family. Her caring nature, unassuming courtesy, generosity and kindness to all marked her out as a true Christian and all who were indeed privileged to know and respect her will deeply and justifiably mourn her demise and long cherish her memory.

That she will be sadly missed was evidenced at the removal of her remains from the Hospital Mortuary to the Church of John the Baptist, Modeligo, when all walks of life were represented in the large concourse of mourners indicating the esteem and high regard in which deceased and her family are held.

On Friday morning Requiem Mass was offered for the repose of her soul after which she was laid to rest in the adjoining cemetery.

To her brothers we tender our sympathy.

Members of winning team are: Back row (l. to r.) Anna Marie Horgan, Fionnuala Dunne, Aoife Power, Kathy Ryan, Allana Brown, Niamh Shields; seated in front Mary Riordan.

The Irish Association for Industrial Relations was founded in 1971 for the purpose of promoting the study of Industrial Relations in Ireland by discussion and research.

The schools project for second level students is a very important feature of the Association's annual diary. Students are required to conduct a survey in their locality based on a questionnaire designed by themselves, to elicit the views of workers, employers and trade union representatives on the following issues: (1) Attitude to Work; (2) Role of the Trade Union; (3) Technology and Au-

tomation; (4) Working Conditions and (5) the Profit Motive.

The adjudicators commended the very high standard of the projects and complimented the winning schools on the detailed research, the active involvement in "field work" and the considerable effort to assimilate the necessary information. All the winning projects showed enquiring minds.

First place was clinched by Ard Scoil na nDeise, Dungarvan, and the Minister for Labour, Mr. Bertie Ahern, T.D., presented the remote control tv at a reception in the Mansion House, Dublin, on Thursday, May 23. Also present at the reception was the Lord Mayor of Dublin, Cllr. M. Donnelly and many distinguished guests.

Second prize of a video recorder went to Loreto

Convent, Youghal and third place was awarded to Intermediate School, Killorglin, Co. Kerry, which received a twin cassette recorder. All participants were also presented with a personal stereo.

The prizes were sponsored by Allied Irish Bank and Maura Donovan, Chairman of the Association, on behalf of the Committee wishes to record the Association's thanks for the generous sponsorship.

## United Farmers Association News

### WOOL SCOURING PLANT

At a first meeting of UFA in Queally's Lounge, Bohadon, on Tuesday, May 21, it was agreed that a Wool Scouring Plant would be a very good investment for the South Eastern region. It was pointed out that the total national wool-clip leaves the country at a giveaway price and that the processed product has to be bought back at a price up to one hundred times greater. It was decided that a UFA delegation to a Leader Programme in Tea-

gasc Offices, Dungarvan, on Friday 24th would put forward the proposal of a Wool Scouring Plant for the area. Mr. Jackie Fraher, Kilbrien, agreed to be a member of the delegation.

It was also agreed that Waterford Co-op should be asked to consider purchasing wool as there seemed to be no competition at present and prevailing wool prices do not even pay the shearer.

It was decided to defer election of officers for Kilbrien-Colligan-Kilgobinet branch until October.

### TOURANEENA BRANCH

Niall Gallagher, Cork, one of the founders of UFA, addressed the first meeting of UFA in Dunford's Lounge, Touraneena on Thursday, May 23.

The proposed amalgamation of Waterford Co-op and Avonmore was discussed. The consensus of the meeting was that dairy farmers would get a carrot of increased milk price and some other enticements to lure them into amalgamation and when they were safely in and settled they would get the stick of having to accept the milk price paid with no competition to turn to. It was felt that the unwritten policy of forcing out small producers would continue and probably at a faster rate. It was felt that the IDA should keep out of the area of Co-op amalgamation and concentrate on creating employment.

The election of officers for Touraneena-Modeligo branch resulted as follows:

Chairman, Michael Quinlan, Knockboy; Vice-Chairman, John Hickey, Sleady; Secretary, Vincent Donovan, Modeligo.

### AGM of Grange/Ardmore I.C.A.

The following officers were elected for the coming year at the Annual General Meeting of the Grange/Ardmore I.C.A. Guild:

President — Mrs. Mary Colbert; Vice-President — Mrs. Ber Keane; Secretary — Mrs. Elizabeth Dolan; Treasurer — Mrs. Eileen McGrath; Guild Delegate — Miss C. Quain; Timire — Mrs. S. Lincoln; Arts, Crafts and Produce Officer — Mrs. Bridget Keane; International Officer — Mrs. Warren; P.R.O. — Mrs. Mary Conway and Mrs. Sheila Burns.

## DUNGARVAN DRAMATIC CLUB

We formally concluded the year's business at our recent annual general meeting held in Lawlor's Hotel.

The meeting was fairly well attended and after various reports and expression of thanks the following officers were elected: President, Mary Kelly; Vice-President, Anne Kavanagh; Hon. Secretary, Eilin Nic Philib; Treasurer, Michael Hennessy; Asst. Treasurer, Orla Whelan; PRO, Pádraigín Ní Chadhlá.

I wish the new officers and committee the best of success in their endeavours for 1991-1992.

The following is the Committee selected: Hank Regan, Brid O'Kennedy, Brid Nielsen, Ruairi De Paor, Connie Di Fusco, Winnie Power.

Plans are afoot already for our escapades in 1991-92.

This has proved to be a most enjoyable and productive year for our club and members certainly made the most of the social whirl in which they found themselves at various times of

the year.

We attended a festival in New Ross with our own play "Table Manners" and also played in Leamybrien. Various members also attended other productions, both amateur and professional, our most recent outing being the three carloads of us who attended "Bent," Red Kettle's latest offering.

All are agreed, however, that the highlight of our year was our barbecue masterminded by Hank Regan. A really memorable night was had by all who attended.

I would like, on behalf of the committee, to sincerely thank all those who helped organise it in any way, and in particular, Hank and Breda Regan.

All in the Drama Club wish Mai Breen the speediest of recoveries.

So, on an optimistic note, I conclude my notes for this season. You'll hear from us again in September. — PRO.

## 1991 CATTLE AND EQUINES SCHEMES

### 1. GENERAL

Application forms for the EC Special Beef Premium Scheme 1991, the EC Suckler Cow Premium Scheme for Non-Suppliers of Milk 1991 and the Cattle and Equines Headage Scheme in both Less and More Severely Handicapped Areas 1991 (incorporating the Beef Cow Scheme in Less Severely Handicapped Area 1991) have been posted to all registered herdowners throughout the country.

Any intending applicant who has not received an application by Friday, 31 May 1991, should request one immediately from the local office of this Department.

### 2. EC SUCKLER COW PREMIUM SCHEME FOR SMALL-SCALE MILK PRODUCERS 1991 (WITH QUOTAS OF LESS THAN 12,819 GALLONS AT 1 APRIL 1991)

Any small-scale milk producers with quotas of less than 12,819 gallons at 1 April 1991 WHO HAVE SUCKLER COWS SURPLUS TO THE NUMBER OF COWS NEEDED TO PRODUCE THEIR QUOTAS should request applications for their Suckler Cow Premium Scheme from their local offices of this Department without delay.

### 3. DISADVANTAGED AREAS CATTLE AND EQUINES HEADAGE SCHEMES 1991

It is expected that the list of extended Disadvantaged Areas adopted by the EC Commission (but subject to the approval of the EC Council of Ministers and the European Parliament) will be published before the closing date for receipt of applications under these Schemes.

There is no separate green-coloured Beef Cow Scheme application form this year for the Less Severely Handicapped Areas as it is incorporated into the cream-coloured application form headed C91 which covers both the Less and the More Severely Handicapped Areas. All farmers with cattle or equines in both the existing and new Less Severely Handicapped Areas should list all their cattle and any suitable equines on those application forms BUT ACCEPTANCE OF THOSE APPLICATIONS BY THIS DEPARTMENT WILL NOT CONFER ANY RIGHT TO PAYMENT ON ANY CATTLE OTHER THAN SUITABLE BEEF COWS ON THOSE APPLICANTS.

### 4. EC SPECIAL BEEF PREMIUM SCHEME 1991

Farmers should take special care to list the BTE eartag numbers (with accompanying letters) of those cattle ACCURATELY AND LEGIBLY as failure to do so in many cases in 1990 caused delays in payment.

Applicants must ear-punch those cattle BEFORE 8 JULY 1991 in accordance with the instructions at 2 of the 'WARNINGS' notice already issued. A further announcement will be made by this Department shortly concerning the availability of ear-punching machines.

Applicants must retain the cattle listed on their applications for 2 months after lodgement of their applications or until field/office inspection whichever is the later. Any applicants not inspected by 19 August 1991 who wish to dispose of fat cattle listed on those applications may submit the relevant cattle identity cards to their local offices of this Department for inspection, stamping and notching and may dispose of those cattle once the inspected cards have been returned to them. They should retain their other cattle and cattle identity cards, however, for later field/office inspection. THIS CONCESSION OPERATES FROM 19 AUGUST 1991 ONLY AND NOT BEFORE THEN.

### 5. CLOSING DATE

The closing date for receipt of applications is 14 June 1991.

### ICMSA CONCERN ON DISADVANTAGED AREAS

Welcoming the announcement by the Minister for Agriculture and Food, Mr. Michael O'Kennedy, on the extension of the Disadvantaged Areas Scheme, Mr. Tom O'Dwyer, President of the ICMSA, said that the extension was a welcome relief for 25,000 Irish farmers.

He said that now the speculation about the extension of the Disadvantaged Areas is over he has three concerns — these are:

(a) that justice be brought to bear on the areas left out of the extension; (b) that the areas deserving to be re-classified which were unsuccessful, be given just classification and (c) that the farmers benefitting from inclusion in the Scheme received their headage payments in 1991.

### INCLUSION OF THE THOUSANDS EXCLUDED IS PRIORITY

"While many areas have been included in the Scheme, unfortunately thousands of deserving areas and farms have been excluded. The ICMSA is acutely aware of the severe disadvantage being suffered by farmers whose land was not classified as disadvantaged. Our immediate task is to see that these farmers be included in the scheme in the shortest possible time. In order to bring justice to these areas it is vital that the Appeals Board meet as soon as possible.

"Indeed with the outcome of the price negotiations and with the increasing difficulty facing ordinary family farmers, our Government's approach must be to have all of the country categorised as disadvantaged," concluded Mr. O'Dwyer.

## Red Hat For Archbishop Cahal Daly

In common with all Ireland, the people of the Diocese of Waterford and Lismore rejoiced at the announcement made last week that Archbishop Cahal Daly had been named as Ireland's new Cardinal by Pope John Paul.

Dr. Daly's elevation to the College of Cardinals has come seven months after he was made Archbishop of Armagh and Primate of all Ireland and spiritual leader of Ireland's 3.8 million Catholics in succession to Cardinal Tomas O Fiaich, who died in May last year.

Dr. Daly (73), who will be given his "red hat" at a ceremony in the Vatican on

June 28 along with 21 other new cardinals, said the appointment was proof once again of the Pope's deep concern and affection for Ireland. He said he drew great personal satisfaction from knowing that.

Speaking from his official residence in Armagh following the announcement,

Dr. Daly said that he was deeply honoured by the news.

## Fined £50 For Shouting Abuse At Gardai

Derek Nealon, Shandon Street, Dungarvan was fined £50 when he was convicted by District Justice T. Fitzpatrick at Dungarvan Court on a charge of being drunk and disorderly at Bridge Street, Dungarvan, on April 19 last.

Sergeant J. Gaine in evidence stated that on Friday, April 19 he was driving the patrol car at Bridge Street. It was midnight and he saw 3 men walking, one of whom had a crutch. As the car passed they started shouting. He turned the car and drove back to the Square where he heard the defendant who had the crutch, still shouting.

Witness said that he

asked the defendant why he was shouting and the defendant asked "is it an offence to shout." Witness said the defendant then claimed that he had been subjected to harassment. When asked, he gave his name but refused to give his address which witness said he later ascertained. As he drove away then witness said that the defendant shouted abuse after the car.

# PENSMAN Takes You . . . . Behind The SPOTLIGHT

## FORTY-FIVE CANDIDATES CHASE TWENTY-THREE CO. COUNCIL SEATS

When nominations for the June 27 elections to Waterford County Council closed at 12 o'clock (noon) on Saturday last, June 1, a total of 46 nominations were confirmed by the Returning Officer Mr. Brian McNally to contest the 23 seats on the Council. But while there were 46 nominations they related to only 45 candidates as one of the contestants was nominated to stand in both the Dungarvan and Kilmacthomas electoral areas.

Numerically strongest is the Fianna Fail Party with 19 candidates seeking seats in each of the four electoral areas of the county while Fine Gael have nominated 12, Labour 5, Progressive Democrats and Workers Party 2 each with Independents totalling 5.

### CYCLISTS TAKE NOTE

Pedal cyclists who run the risk of cycling around at night without adequate front and rear lights on their bicycles should note that at the last sitting of Dungarvan District Court, a cyclist was fined a total of £80 — £40 for having no front light and another £40 for having no rear light — when summoned for cycling without lights after lighting up time. Apart from the risk of incurring such heavy fines, cyclists should realise how highly dangerous this practice is.

### FLY-POSTING OFFENCE?

We recall a couple of years ago when summonses were dealt with at Dungarvan Court under the Litter Act and the defendants, a well-known national circus, were fined

for not removing a number of posters displayed around Dungarvan within the time required by the Act.

Last week while travelling in the Ring and Old Parish areas we noticed a number of posters obviously placed by some travelling show and wondered whether similar action was being taken in this case.

Fly-posting is an offence under the Act and the county has been singularly free from it for quite some time now. Let's hope our vigilance is not slipping where this unwelcome practice is concerned.

### ABBEYSIDE SCHOOL CENTENARY

Plans are at present being made to celebrate in a fitting manner the centenary of the establishment of primary education in Abbeyside. Those of the older generation in the Village can still remember the old school at the "Pond" where many of them received their first lessons in the three R's.

Now of course the primary school activity is centred at the major complex across from the old Hermitage and caters for the vast number of children from the ever developing

residential areas of the parish.

We learn from the current issue of the Abbeyside Parish News that a September date is being planned for the celebrations and the organising committee has issued a request to former pupils of the school who may have old photos or artifacts linked with education in the parish to make them available for a special exhibition which it is anticipated will be one of the most interesting aspects of the centenary celebrations.

We hope to return to the subject at a later date when a positive programme has been set in place. In the meantime we wish the organising committee every success.

### A TEN SECONDS TURN

The traffic lights at Kilrush at the ring road junction just outside Dungarvan which have been the subject of so much controversy ever since they were erected, came up for mention yet again at the May monthly meeting of Dungarvan Urban Council.

At a previous meeting the point was made that the time allowed to motorists approaching the lights from the Waterford direction and turning right to Cappoquin was too short to allow them to proceed before the lights changed colour.

In the course of a letter on this point read at the Council's May meeting, the County Engineer, Mr. John O'Flynn stated that the present phase for the right turning green arrow was 10 seconds and in addition there was a three seconds amber and a two seconds red before the onset of opposing traffic, the latter being to allow vehicles al-

ready commenced the right turn movement to clear the junction.

Mr. O'Flynn's letter then stated: "In regard to the present volume of right turning traffic I am satisfied that the 10 seconds green phase is adequate. I should point out that if additional right turning time is provided for this particular manoeuvre it will cause delay to all other vehicles using the junction and in particular will cause delay to traffic approaching Dungarvan from Cappoquin and this in turn may enhance the probability of accidents."

The County Engineer's letter ended by stating, "Accordingly no change is proposed in the existing timing of these lights though the position will be kept under review particularly if right turning traffic volumes should increase."

Commenting on the letter, Cllr. Tony Wright who is a lorry driver employed by Waterford Foods said that a 10 seconds phase to move a heavily laden lorry from a standing start turning right on to the Cappoquin road was not enough and the Town Clerk, Mr. Bertie White said that he was driving a car third in line held up at the lights recently and the right turn phase just barely allowed him time to get through the junction.

However, as the County Engineer's letter stated, the position will be kept under review.

### DO THEY REALLY TRAVEL THAT MUCH?

We read over the weekend a report that most of our Junior Ministers or Ministers of State are claiming mileage at an average rate of 120 miles per day, just short of the maximum permitted. All 15 Ministers of State use their own cars for official use, for which they are allowed a maximum annual mileage of 60,000 miles, or 164 miles per day.

Ministers of State were no longer allowed to use State cars for official use following a cost-cutting measure introduced by the then Taoiseach, Garret Fitzgerald in 1983. But it seems that the new arrangements may cost the taxpayers more than the old system.

By claiming 45,000 miles a year (a spokesman for the Department of Finance stated that few Ministers of State claim mileage near the maximum level allowed) the Junior Ministers of State are entitled to pay-

ments of just over £15,000, about £3,000 of which is spent on petrol. Over the normal five-year term of a government these payments would amount to £75,000 with petrol taking up £15,000.

Not a bad "perk" to add to the princely salaries and allowances which our Ministers of State already enjoy!

### NOT BEFORE TIME

At a general meeting of the Bar in the Law Library in Dublin next Saturday the country's barristers will hear the proposals which will radically change the rules of the legal profession. The proposals are aimed at staving off legislation already threatened by the Minister for Industry and Commerce.

The sweeping changes planned will mean that in

future, litigants in the higher courts will no longer be forced to pay for a senior counsel as well as a junior counsel. Clients will not have to go through a solicitor to engage a barrister but will be able to make a direct approach and will be able to negotiate fees. The ban on solicitors becoming judges of the upper courts will be lifted while a legal ombudsman will be appointed to deal with complaints from clients.

But in addition to these very welcome changes, the news that the compulsory wearing of wigs and gowns will end is something that will please the majority of people. This is something which we have advocated more than once in the past and is a change that will do away with an archaic Victorian custom and bring the physical face of the law-courts into the 20th century at last.

## The Sea Around Us

A ballad with a rollicking air which was all the rage some years ago is "The Sea Around Us." It was written by Dominic Behan who also composed the music and we make it our choice for the ballad corner this week to fulfil a request which came in recently from a reader in Clonmel.

They say that the lakes of Killarney are fair,  
No stream like the Liffey can ever compare.  
If it's water you want you'll find nothing more rare  
Than the stuff they make down by the ocean.

Chorus (after each verse):

The sea, oh the sea is the gra geal mo chroi,  
Long may it stay between England and me.  
It's one sure guarantee that some hour we'll be free  
Oh thank God we're surrounded by water.

Tom Moore made his waters meet fame and renown  
He's a great lover of anything dressed in a crown.  
In brandy the bandy old Saxon he'd drown  
And throw ne'er a one into the ocean.

The Scots have their whiskey, the Welsh have their speech  
And their poets are paid about tenpence a week  
— Provided no hard word against England they speak  
Oh Lord what a price for devotion.

Two foreign old monarchs in battle did join  
Each wanting their heads on the back of a coin  
If the Irish had sense they'd drown both in the Boyne  
And Partition throw into the ocean.

(A pity they did not do this at the time and we'd have been saved all the trouble that has been going on and still is in the North!)

The Danes came to Ireland with nothing to do  
But dream of the plundered old Irish they slew,  
"Ye will in yer Vikings," said Brian Boru  
And threw them back into the ocean.

The sea, oh the sea is the gra geal mo chroi,  
Long may it stay between England and me.  
It's one sure guarantee that some hour we'll be free  
Oh thank God we're surrounded by water.

## Mr. Thomas Walsh

We record with sincere regret the death of Mr. Thomas (Tom) Walsh, Knockaun, Cappagh, which occurred on Saturday, May 25 at the District Hospital, Dungarvan. He was predeceased by his wife Kathleen (formerly Power), by nine years. In his youth he was attached to the West Waterford Brigade of the Old IRA for which he had two service medals.

Also a very keen footballer and hurler, he played

for the Brickey Rangers Club and went on to play for the county team. Tom went to work at Carriglea Convent at 16 years of age and worked there for 50 years as a gardener and chauffeur, being one of the first people to drive a Ford W8 in the area.

After his retirement he called frequently to Carriglea to see the progress being made and to chat about the good old days.

He had a great love of music and when the threshing was finished when he worked in Carriglea he was known to take down his accordion with his late brother Ned and play a variety of tunes which got the neighbours dancing, bringing a hard day's work to a happy end.

Even in his latter years when he couldn't get around very much, he would sit in his kitchen and take down his tin whistle and play a tune.

Tom will be sadly missed by all, especially in Carriglea where he will never be forgotten and also by his nephews, nieces, grandnephews, grandnieces, greatgrandnieces, brothers-in-law and sisters-in-law, to whom we extend sincere sympathy.

Removal was from Dungarvan hospital to Ballinameela Church where the remains were received and blessed on arrival by Fr. Lucey, P.P. Brickey Rangers G.A.A. Club formed a guard of honour. Requiem Mass on Monday morning was celebrated by Fr. M. O'Byrne, C.C., assisted by Fr. Lucey, Fr. Hickey, O.S.A. and Fr. Carey, C.C. Appropriate music was rendered by Ballinameela Choir. The Lessons were read by Eamonn Walsh (nephew) and Anne McDonagh (niece).

## DEATH

It is with much regret and sadness that we this week record the death of the late Michael Flynn, Kilossera, Dungarvan, and late of High Street, Stradbally, which sad event took place at Beaumont Hospital, Dublin on Friday last, May 31.

His remains were removed from Kiely's Funeral Home, Dungarvan on Sunday last, June 2, at 7 p.m. to the Church of the Exultation of the Holy Cross, Stradbally and where they were received and blessed on arrival by Rev. Fr. Pat Butler, C.C.

The interment took place after 11 a.m. Mass on Monday morning to the adjoining cemetery. Fr. Butler, who was celebrant of the Requiem Mass also said prayers at the graveside.

Our deepest and sincerest sympathy is extended to his loving wife Nora, son John, daughter-in-law, relatives and very many friends. R.I.P.

Michael, as we all knew him, will be a great and sad loss to all his friends and acquaintances.

the club's behalf we extend our sincerest sympathy.

## IN HOSPITAL

At present a patient in Waterford Regional Hospital, Ardkeen is local man Mr. Paddy Joe Carey, Rockville, Stradbally. We hope his stay there will be a short one, and that he will soon be on the road to recovery.

## QUIET WEEK-END

There was a lot of disappointment felt in business circles over the past bank holiday week-end as the sunshine again left us down, and business was quiet everywhere, but it was also nice to see the odd visitor or two in this area.

## FROM HOSPITAL

Welcome home from their recent stay at the Waterford Regional Hospital, Ardkeen, to Mrs. Kathleen Power, Carrigbarahane House, Stradbally and Mrs. Mary Power, Fahafeela, Kilmacthomas, who we hope are now both on the road to a full recovery.

## GIRL GUIDES

On Saturday, May 18, the Girl Guides had a trip to Clonea Strand Hotel where they swam in the modern swimming pool and also tried their luck in the bowling alley. A great day was

had by them all and they now would like to thank their leader and families for making their outing possible.

## VICTORY OUTING HELD

Our victorious under-16 (B) youths soccer team were also treated recently to a swim, bowling and a celebration meal in the Clonea Strand Hotel, where all who travelled had a great crack, and during the evening the full team and their helpers presented Mr. Jim Hickey with a plaque to thank him for all his support and help throughout the year, as his help and guidance put them on the road to winning the league this year, their first ever victory.

## SYMPATHY

Our deepest and heartfelt sympathy is conveyed with shock and sorrow on the sudden death of a great local man, Mr. Frankie Walsh, Stradbally, Kilmacthomas.

**C.L.C.G. LIOS MOR**  
Feile Na nGael — You will all be aware of the re-

cent outstanding achievement of our U-14 hurlers, when, in an epic county final which went to extra time, Lismore qualified for the fifth successive time to carry the Waterford banner at the National Finals of Feile na nGael to be held in Tipperary over the week-end of June 22. This was our eighth county title in this competition which is a reflection of the wonderful work being done at underage level by people who give of their time and experience in coaching our youngsters from the time they can swing a caman.

But success such as this has its own price and this latest achievement puts us in the happy position of having to raise the necessary funds to finance our 'trip to Tipp.' in a fortnights time. With this in mind our underage committee are organising a series of events which include pongo in the Courthouse this Friday, Saturday and Sunday nights, various mini raffles and a monster cake sale in Lismore Hotel on Saturday, June 15. Once again we appeal for your support in our efforts and hope that as in former years, you will "come up trumps" this time around.

**Senior Hurling Championship** — Best of luck to our senior hurlers and mentors in their encounter with Passage on this Sunday afternoon in Dungarvan.

**Good Wishes** — Last week-end saw the retirement, after nearly forty years service, of Mr. Ronnie O'Donnell as manager of the local Employment Exchange. This remarkable

record is matched only by his services to Lismore G.A.A. Club as a player, administrator and outstanding clubman. We take this opportunity to wish him and his wife, Teresa, a well-deserved break and the good health to enjoy it.

**Junior Hurling Championship** — Our junior hurlers commenced their campaign in the current championship with a runaway win over Abbeyside at Cappoquin on Saturday evening. The final score of 3-15 to 0-3 fairly reflected the winners superiority in all sectors and they now go on to meet either Tallow or Shamrocks in the next round.

The Lismore team was — Kevin Ryan, Pat Lineen, Frank Power, Michael O'Leary, Pat O'Gorman, James Hickey, Eamonn Power, Gerard Sheehan, Tommy Pratt, Ml. Hickey, Edward Fenton, Brian O'Gorman, Keith Hornibrook, Tom O'Grady, Michael Barry. Subs. — Donie Coughlan for T. O'Grady; Gerry Twomey for T. Pratt; Brendan O'Leary for M. O'Leary.

Weekly Draw; Week No. 21 — £50 Mr. Harry Whelan, Townspark; £30 Mr. and Mrs. Putman, Parks Road; £20 Mrs. Kit Power, Mayfield; £15 Mr. Bertie Neville, New Street; £10 Mr. and Mrs. M. Our "Remembering Other Days" photo this week goes back to the days when soccer in the Dungarvan area was only in its infancy and far from being the highly popular game it is to-day. It was taken in 1965, now close on thirty years ago, and shows the Abbeyside Soccer side of that year snapped before playing a game. The photo (taken with a ordinary camera and rather blurred) shows (standing) John Egan, Christy Power, Michael Monahan, Martin Walsh, Monnie Lennon, J. Mansfield and Milo Burke and (in front), Marty Kiely, Pa Brett, Michael O'Connor, Michael Early and John O'Donnell.

# The Homeless: Flynn Issues New Guidelines

Mr. Padraig Flynn, T.D., Minister for the Environment, has issued to all housing authorities a set of revised guidelines on meeting the accommodation needs of homeless people. These will be of particular interest in Dungarvan in view of the recent Urban Council discussion on homeless people in the town.

The new guidelines supersede those issued in 1988 and are the result of a comprehensive review of the implementation of the Housing Act, 1988 in relation to the homeless. This review included consultation with voluntary bodies and organisations working with the homeless.

"It is unacceptable that any housing authority should fail to respond to the full extent of its powers and capacity to the acute deprivation that homeless

ness represents and I urge the authorities to use fully their powers under the Act to secure accommodation for the homeless.

"I have asked local authorities to direct their attention in particular to the need to establish formal, on-going liaison arrangements with those voluntary bodies who provide accommodation for homeless persons in their areas, and to ensure that arrangements are in place which will provide an emergency response for homeless per-

sons. I've asked for reports from the authorities on the liaison arrangements made in each case," said Mr. Flynn.

## MORE FLEXIBLE FINANCIAL ARRANGEMENTS

More flexible financial arrangements are being introduced where a voluntary body provides accommodation for homeless persons. These allow a housing authority to enter into an arrangement with a voluntary organisation working with the homeless

in the area to make a financial contribution to the body on a regular basis, such as monthly or quarterly, where the body provides accommodation for homeless persons. Up to now, contributions could be made only in respect of accommodation provided for individual homeless persons. Contributions made under the new arrangements will be recouped by the Department of the Environment up to a level of 80% of the expenditure reasonably incurred.

## Kitchen scraps amuse the kids

The youngest can also be entertained by 'tricks' that can be tried indoors with what we regard as kitchen scraps, such as carrot, beetroot and pineapple tops.

The chopped top of a beetroot or carrot can create much amazement by sprouting foliage if stood in a saucer of water.

The exotic pineapple is trickier but more rewarding. Simply slice off the top, enjoy eating the rest, and then trim flesh at the base of the spiky foliage to leave the hard core.

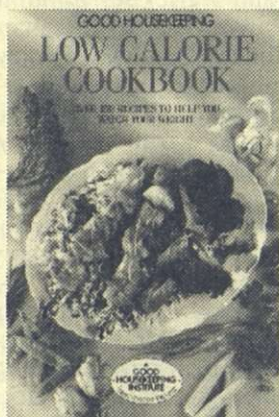

Allow this to dry for a few days to stop it rotting when planted, then pop this into a sandy cactus-style compost and keep plant and soil moist and in good light.

The humble spud can be trained into a spectacular houseplant if allowed to sprout and then potted up. Cut away all but one or two shoots and train this over a basketwork or plastic trellis.

If you ask youngsters to keep some orange or grapefruit pips they can be easily grown into elegant citrus bushes with rich green leaves and, just possibly, some small fruit.

The pips should be pushed into damp potting mixture about half an inch, kept moist in the warmth and darkness of the airing cupboard.

### Prune and Cinnamon Buns

**Ingredients:**  
225 g (8 oz) strong plain white flour  
2.5 ml (½ tsp) easy-blend dried yeast  
2.5 ml (½ tsp) salt  
15 ml (1 tsp) ground cinnamon  
15 g (½ oz) butter or margarine  
about 175 (6 fl oz) tepid semi-skimmed milk

15 ml (1 tbsp) clear honey  
15 ml (1 tbsp) lemon juice

**Method:**  
Lightly grease and base-line an 18 cm (7 inch) square shallow cake tin.

Mix together the flour, dried yeast, salt and cinnamon. Rub in the butter or margarine, then beat in enough milk to mix to a soft dough.

Turn the dough on to a lightly floured surface and knead for about 5 minutes or until smooth. Place in a bowl, cover with a clean cloth and leave to rise in a warm place for about 1 hour or until doubled in size.

Knock back the dough and roll out to a 30 x 22.5 cm (12 x 9 inch) rectangle. Cover with the prunes and sprinkle over the lemon rind and sugar.

Roll up the dough from the longest edge like a Swiss roll and press down well to seal the edge. Cut into six thick slices and halve each slice lightly with a clean cloth and leave to rise in a warm place for about 30 minutes or until the dough

# TALLOW NOTES

## TOM HURLEY, WOODVIEW, TALLOW R.I.P.

The death of Tom Hurley, Woodview, Curraglass, recently evoked profound regret in the neighbourhood and surrounding districts too.

Tom, although an octogenarian was still active up to the day of his untimely death. A member of a highly esteemed family well-known in sporting circles especially in G.A.A. and racing activities, Tom was the owner of some great horses over the years including Golden Point, Hals Pride and more recently Royal Cheval, who came home a winner of this year's Skibbereen Point-to-Point meeting.

A quiet, unassuming man, he was a popular patron of many local 45 drives and a great supporter of any project for the benefit of the community and our deepest sympathy is extended to his brothers, Jack and Bill (Woodview), Joe (Dublin), sister Mrs. Mary (May) Barry (Clonakilty), nephews, nieces, relatives and friends. His remains were interred in the family burial plot in Tallow Churchyard. Go ndeanaigh Dia trocaire ar a anam uasal.

## ST. CATHERINE'S G.A.A.

Intermediate Hurling Challenge At Ballynoe — St. Catherine's 2-7 Ballymartle 0-11 — Making the long journey from near Kinsale, Ballymartle, came to Ballynoe last Friday evening for the above match. Both teams fielded teams minus 4 or 5 of their regulars, but the substitutes proved themselves worthy on the occasion and a spirited and lively game was served up by both sides.

The locals with a couple of quick points went into the lead and finished at half time in that position. The visitors fought hard on the turnover to come to terms and notching a few very good points including a hard shot flicked over the bar brought them close, but Catherine's again broke away to score another goal and a couple of points to run out winners on the above score.

St. Catherine's lineout — P. Murphy, B. Regan, P. O'Sullivan, P. J. Lonergan, P. O'Donoghue, S. O'Connell, S. Neville, K. Barry, D. O'Leary, P. Clancy, J. Mangan, E. Glavin, S. Buckley, M. Walsh, M. Mellerick. Subs. — B. Neville, J. Hartnett, T. O'Leary.

Referee — Noel Hogan, Youghal.

Our best wishes to juvenile player, Ian O'Connell, who sustained a rather serious injury, for a speedy recovery, and our good wishes too go out to our intermediate hurlers who expect to play Midleton in the second round of the county championship at Lisgoold this Saturday evening, depending on County Board's Tuesday night ruling.

Midleton 3-11 St. Catherine 1-2 — Lisgoold was the venue for this game in the "B" grade football championship between the above teams. Midleton fielded a formidable team of more experienced footballers and this was evident early in the contest when they got into their stride quickly and forged ahead with well taken scores. Catherine's on the other hand lacked that combination so necessary for the big ball game and although they dominated much of the match in the second half, they didn't succeed in obtaining the vital scores and so had to concede victory to a better combination after a sporting game.

Catherine's lineout was — Sean Twomey, Sean Hickley, John J. Barry, Billy Neville, Ted O'Leary (capt.), Batt Sheehan, James Sheehan, John Mangan, Edward Sheehan, Paul Higgins, Stephen Ahearn, Pad Murphy, Mark Lane, James Moroney, Mike Hartnett. Subs. — Mattie Noonan, Pad Leahy, Paddy Ahern, John Hennessey.

Referee — Tommy Canavan.

U-12 Hurling Contest At Ballynoe — Fr. O'Neill's 2-2 St. Catherine's 4-1 — The above teams played a very exciting hurling game at Ballynoe last Monday evening. The whole hour provided great entertainment as these lads without any roughness contested each ball that came their way, cheered on, of course, by their respective followers. The beauty of the whole proceedings was the

closeness of the event, which prevailed all through with alternative bouts of scoring and eventually St. Catherine's had the upper hand.

Catherine's team was — Noel O'Leary, Killian Ronayne, Liam O'Connell, John Paul Fitzgerald, Michael Fitzgerald, John Higgins, John O'Leary, Shane Kearney, Donal Caplice, Aidan Hogan, Patrick Twomey (capt.), Leonard Flynn, David Beecher, Alan Feeney, Brendan Gallagher. Subs. — Seamus Hogan, Noel Leahy, Patrick Leahy.

Referee — Pat Lane, St. Catherine's.

## Lismore Firm Fined Following Fish Kill

A Civil Engineering Company, Insituform (Ireland) Ltd., having registered offices at Deerpark, Lismore were convicted of causing deleterious matter to fall into waters contrary to Section 171 (1) of the Fisheries (Consolidation) Act, 1959, as amended, following the hearing of charges against the Company at last week's sitting of the District Court held in Clonmel.

Evidence of investigations following a reported fish kill in the Glenshelane river near Cappoquin, was given to the Court by Patrick Kilfeather, Water Pollution Officer with the Southern Regional Fisheries Board. The Officer told District Justice Haughton of finding approximately 1,500 dead trout, salmon and other species over a 1.5 mile stretch of the Glenshelane river downstream of Lyre Bridge near Cappoquin on the morning of Sunday, October 8, 1989.

Mr. Kilfeather said that the defendant Company, Insituform (Ireland) Ltd., were engaged in repair work to Lyre Bridge involving pressure grouting and gunting using Portland cement. He gave evidence concerning a number of inspections and sampling visits to the Glenshelane River and of his detecting seriously elevated pH values in the river water below Lyre Bridge due to the discharge of gunting rebound material. He said that despite his advising staff from the Company engaged in the bridge repair works to take precautions so as to protect the river, he still found material being discharged and this was deleterious to the fishery resource.

## TOOK REASONABLE PRECAUTIONS

On behalf of the defendant Company, Mr. J. P. Gordon, Solicitor, Dungarvan called as witnesses Mr. John O'Flynn, County Engineer, Waterford County Council, Mr. Tom Lineen, Senior Executive Engineer, Mr. John McGrath, an employee of the Council, Mr. Louis McQuaide, Director, Ramor Drilling & Pressure

## BALLYNOE FEIS

A large crowd assembled at Ballynoe Hall for the above Annual Feis. Organised by dancing teacher, Lilian Horgan in co-operation with the Midleton Emigrants Association it is a great success always and this year as well was no exception, as some great exhibitions of the terpsicore art were witnessed amongst all those young East Cork enthusiasts from Ballynoe, Lisgoold, Castlelyons, Ladysbridge, Churchtown South, Midleton, Cloyne, etc. The adjudicator was Mrs. Sheehan and the M.C. was Mrs. O'Mahoney, both from Mi-

dleton and also from Midleton, who helped in the proceedings were Mrs. Bridget Hall, Mrs. O'Neill, Mrs. Margo Mulcahy and Mrs. Kathleen Cocking. Chris O'Mahoney, Ballynoe, supplied the music on his accordion and a real happy atmosphere prevailed during a pretty long day as all those youngsters proudly displayed their winning trophies, while the takings were going for a good cause, as always, to brighten the lives of the emigrants across the sea agus molaimid an deagh-obair ata idir lamhaibh ag na mna uaisle O Mainistir na Corann.

WHY NOT GIVE US A TRY?

**SINCE** her marriage Ann Wright be-came destined to spend the rest of her life being A. Nutter.

Ann, of Stockport, met Jeremy Nutter at an April Fool's party. "It's all something of a good-humoured joke between our families," she says, although he's threatening to make things worse by changing his name by deed poll to - Wright Nutter!"

In Britain, people are changing their name every day. Like the 13 Ipswich Sneezums who became Betts; the two Smellies from Barrow who became Smiths and the Miss Hyacinth Muckle of Oxford who changed to Gloria Alison.

There used to be a Mr Birchenough, headmaster of a Hampstead boys' school and in Berkeley Square, London not long ago a firm of surgeons traded under their own names of Blood, Slaughter and D'eath.

In Manchester there's a man who makes mattresses named Mr Gotobed, while in Dublin you'll find Messrs Argue and Phibbs, solicitors.

According to the General Register Office there are in England and Wales a Dorothy May Grow, Wel-come Baby Darling, Strange Odor Andrews, Crazy Horse Jones, Original Bug, Vanity Fair, Nimrod Boggs, Ephri-am Verry Ott, Himalaya Mackay, Morning Dew, Gail

## WHY ANN BECAME A WRIGHT NUTTER!

Warnyng. September Maugham and Berth Day Suter.

If you're planning to start a funny name collection, browse through your local telephone directory. In the London ones I spotted a Mr Needlestitcher, Mr Thing, Misters Ham and Chips, lots of Smellies, Dickie Birds and Worms.

Music-loving Susan and Paul Raynor-Marsden wanted their new baby daughter to have a musical career when she grows up so they had her christened Doraemi - Do-Rae-Mi!

They reckon that calling their daughter after the first three notes in the music scale (their spelling is slightly different from the dictionary version) makes the little mite top of the poppets.

Like Ann Wright who became A. Nutter, there have been other examples of funny names created through marriage. Like when Miss Bunny Jones wed James Rabbitt from Lincoln, she became Bunny Rabbitt. And when Ann Isaacson of Aylesbury married Richard Teak she became "antique".

The longest single English surname is Featherstone-haugh, but in the United States there is a Mr Sczhealleangschealleangt-standxianzebebwiestinze. His wife's maiden name was Britt.

Other dotty American examples include Sexious Boonjug, April Zipes, Mus-

solini McGee and Freelove Outhouse. In New York there is a Virgin Mary, a Pretty Legs and I Shall Rise And Go To My Father Smith.

Many people become bored with the plain names they were born with and change them by deed poll to make life more exciting.

Blackburn jeweller Gary Womack officially changed his name to Lord Odin, Slayer of Giants which is printed in his driving licence and cheque book.

Chris Humphrey is no fan of the Inland Revenue so he forked out the legal fees to cock a snook at them in a row over a £700 tax

demand.

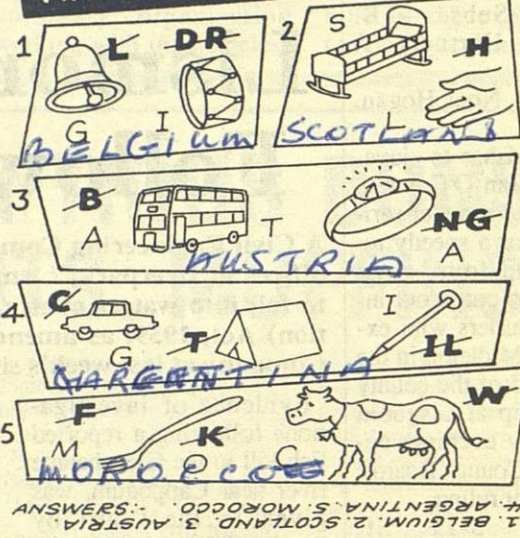

Chris of Clacton, Essex, changed his name to Ha Ha Woof Woof.

"They have treated me like an idiot and a dog," he said. "Idiots go ha-ha and dogs go woof-woof. That's how I thought of the name."

Runner up in the change-your-name stakes is - to call him by his newest - Jonathan Jake Mangel-Wurzel from Huddersfield.

Born plain John Gray he has, in the past been Group Captain Wingspan Kite, Sir Jocelyn Stiltskin-Upper Crust, Gorgeous Gladys Chamber-Potts and Long-wood Singh.

# In Memoriam

**BUTLER** — Fourth Anniversary — In loving memory of Bridget Butler, late of Killadangan, who died on June 3, 1987. Mass offered.

Your memory is precious and never grows old, It is locked in our hearts in letters of gold, Your presence we miss and memories we treasure, Missing you always, forgetting you never. (Her sister Eileen and Paul Keating and her three nephews and her niece.)

**CROTTY** — Ninth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

God saw you getting weary, A cure was not to be, He put His arms around you, And whispered come to me. So keep your arms around her, Lord, And give her special care, Make up for all she suffered, And all that seemed unfair. We prayed for a miracle, but all in vain, For God to make you well again, We tried to smile and help you along, Knowing tomorrow you might be gone, We laughed out loud but sobbed inside, For the awful truth we had to hide. We seldom ask for miracles, But today just one would do, To leave the door wide open, And see you walking through. There comes a time for all of us, When we must say goodbye, But faith and hope and care and trust, Can never, never die. Although the curtain falls at last, Is that a cause to grieve, The future's fairer than the past, If only we believe. Trust in God's eternal care, So when the Master calls, Let's say that life is still more fair, Although the curtain falls. (Never forgotten by her loving daughter Pearl, Willie and family.)

**CROTTY** — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P. As down the road of memories, We gently tread today, Our loving thoughts are with you, As life goes on its way. Time may heal the heartaches, Like the smile that hides the tears, But happy memories keep you close, Despite the passing years. (Sadly missed and never forgotten by your loving daughter Eileen, Maria and John Paul.)

**CROTTY** — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

She never failed to do her best, Her heart was true and tender, She worked and toiled for those she loved, And left them to remember. (Always remembered by Ann, Joe and family.)

**CROTTY** — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

We sat beside your bedside, Our hearts were crushed and sore, We did our duty to the end, 'Til we could do no more. In tears we watched you sinking, We watched you fade away, And though our hearts were breaking, We knew you could not stay. You left behind some aching hearts, That loved you most sincere, We never shall and never will, Forget you, mother dear. (Never forgotten by John and Joseph.)

**CROTTY** — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

There was no way we could have known how ill you were that night, And when you said "I'll not come back," your words were true and right. And even then you knew yourself you'd not return home, And in a short time later, you left us on our own. So now this house feels empty, Mam, as empty as your chair, Because it was your favourite, you were always sitting there, But God is good, He knows what's best, He called you to His side, the night that you were dying and the morning that you died. (Never forgotten by your daughter Kathleen, Locky and family.)

**CROTTY** — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

What she suffered she told but few, She did not deserve what she went through, Tired and weary she made no fuss, But tried so hard to stay with us. I sat beside your bedside, My heart was crushed and sore, I did my duty to the end, 'Til I could do no more, In tears I watched you sinking, I watched you fade away, And though my heart was breaking, I knew you could not stay. You left behind some aching hearts, That loved you most sincere, I never shall and never will, Forget you, mother dear. (Inserted by her daughter Breda, Paddy and family.)

**CROTTY** — Eighth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

Gone from our home that smiling face, The cheerful happy ways, The heart that won so many friends, In bygone happy days; She never failed to do her best, Her heart was true and tender, She worked and toiled for those she loved, And left us to remember. (Sadly missed by her son Willie, Nellie and family.)

# Cappoquin Notes

**AT THE SPORTSFIELD**  
On Saturday night we had the junior hurling championship clash Lismore v. Abbeyside. The clash of colours was a bit of a problem here, at a distance black and amber and blue and gold look very much alike and can cause problems for both officials and spectators. This turned out to be a very one sided game with Lismore proving very much the stronger and must be favourites to win out the second string section at least.

Final score — Lismore 3-15 Abbeyside 0-3.

Referee — J. M. Kelly (Shamrocks).

## WENT TO THURLES

A big crowd from the area travelled to Semple Stadium on Sunday last for the Munster senior and junior championship clashes of Cork v. Waterford. Our juniors did much better than last year and were in contention up to very near the end. The senior match turned out a much closer affair than was expected with Waterford fighting every inch of the way. This was surprising in view of the difficulties which had arisen between selectors and County Board and between County Board and Croke Park. It only goes to prove that players care little about these matters, to them only the game counts and beating Cork is always foremost in the minds of everybody who has had the honour of playing in the county jersey. It was not to be on Sunday however, even though we had them on the rack for most of the game, they escaped our grasp in the end. In fairness, it should be said that the Cork team was but a shadow of the team we saw last year. They looked totally unprepared and it was obvious that they had done little or no training — shades of 1989 — and they almost paid the price. So another championship is over as far as Waterford are concerned.

The locals who travelled were not too disappointed, they had experienced far worse days, but many are despairing of ever seeing our boys in an All-Ireland final. "Beig la eile ag an bPaorach" somehow is be-

ginning to have a hollow ring to it.

## TWIGBOG

We understand that plans are afoot to refurbish the Twigbog area of town which has been derelict for a number of years. The place, which is of course on the river bank has great potential for development and would be suitable for a variety of activities. We do not have full details of what is planned but we are aware that both local members of the County Council have been pressing to have this work done and it now looks as though their efforts are about to bear fruit.

## LOCAL RADIO

Having had an interest in happenings in the G.A.A. world during last week, one was struck by the impact which Waterford Local Radio is now having in the area. It is a welcome innovation from the point of view of constant communication, we know the goings-on in the county more or less as they happen and we were certainly kept up to date with the aforementioned G.A.A. affairs. There are problems of course, such as phone-in programmes, where people are allowed to express their opinions on subjects on which they might or might not be qualified to speak on — thank goodness for newspaper editors. In fairness to W.L.R. a balance is usually maintained as was the case of the big story last week. Unfortunately bodies such as the County Board of the G.A.A. are not always in a position to make instant comments, even though they may be invited to do so and are often unfairly labelled "The Bad Guys" by listeners who haven't been well enough informed to make a balanced judgement.

## CAPPOQUIN/AFFANE G.A.A. NOTES

**Junior Hurlers Defeated** — Our junior hurlers were defeated by Dungarvan in their championship tie last Friday night. Forced to field without five team members due to injury and examinations, nevertheless the team put in a determined effort and had we taken those golden scoring opportunities during the game, it would have been mighty close at the end.

The lads turned in a great second half performance which deserved better reward.

Team — P. Casey, J. McGrath, K. McCarthy, M. Croke, P. J. Kiely, K. Mason, L. Costin, G. Morrissey, K. Veale, B. Cunningham, T. O'Sullivan, F. McCarthy, P. J. Veale, P. Fitzgerald, C. Prendergast. Subs. — E. Fraher, K. Reddy, C. Cullinane (all used).

**Don't Stop Now?** — As the J.H.C. game was knock-out, the team is now out of the competition — but I would appeal to all those players to keep coming to training — don't stop now! The more players involved in training the more enjoyable it will be and the training will do all concerned the world of good.

**Examination Time** — Our thoughts are with all our members currently facing the daunting task of exams. We wish each and every one the very best of luck.

**Intermediate Hurlers Win Again** — Cappoquin 2-15 Tramore 0-3 — The scoreline tells the whole story — Cappoquin dominated from start to finish and to be truthful could have doubled their tally. It must be said Tramore proved feeble opposition, so let us not get carried away with this victory. However, at times during the game there was a lot to be admired about our performance, but far too often we fell back into our old bad habits. Yet on the credit side it is our second victory on the trot in our campaign and a further two points "in the bag."

In Shane Fraher we undoubtedly had man of the match — Shane accounted

for 2-5 of the total and also excelling on the night were Fintan Murray, John Buckley, Martin Power and James Mason. The remainder of the side all made vital contributions throughout the game in securing our victory.

Team — M. Phelan, L. Lacey, F. Murray, E. Costin, S. McCarthy, J. Buckley, D. Cummins, S. Costin, B. Hennessey, M. Power, B. Murray, S. Fraher, M. Cahillane, M. Brackett. Subs. — T. O'Sullivan, M. Reddy, K. Veale (all used).

**I.H.C. v. Shamrocks** — Our next game in the I.H.C. will be against Shamrocks, who are one of the favourites for county honours this year. This game is fixed for June 16 so it is important our entire squad gets in plenty of training these short few weeks to match day.

**I.F.C. v. Geraldines** — Our intermediate footballers are in action the following week after the hurling game, so let us see all our footballers at training also. This match has to be won if we are to stay in the championship.

**Waterford's Great Performance** — A large local following travelled to Thurles last Sunday and were delighted with Waterford's fine performance against Cork. Without a doubt the better team on the day lost and the team must bemoan those scoring chances that were frittered away. It was an exciting match and we had plenty to cheer about.

**U-14 Hurling Championship** — Our U-14 hurlers played St. Patrick's in Cappoquin last Monday evening. It was a grand game of hurling with plenty of skill from those young lads for all to see. Throughout the game our lads took the game to our more fancied opponents, but all our good work was wasted as our attack was devoid of any scoring ideas. Our backs were magnificent with Miccal Murphy, Peter Scanlan, Eamonn McGrath, Glen Arrigan and Ward Fraher to the fore all through. At midfield Cha Scanlan covered every blade of grass in the field and once again was our top scorer. His was a majestic performance even though our attack saw plenty of the ball, they just could not drive home the chances that came their way. St. Patrick's breathed a sigh of relief (as we were still on the attack right to the final whistle) when full time was blown.

Team — D. Wilkinson, D. Fraher, G. Arrigan, E. McGrath, M. Murphy, W. Fraher, P. Scanlan, N. McGrath, C. Scanlan, J. Manahan, J. Lynch, D. Coughlan, L. Whelan, C. Dalton, A. Barry. Subs. — T. Scanlan, S. Scanlan, I. Millea (all used).

## Library And Sewage Plant On Minister's Agenda In Lismore

The Minister for the Environment, Mr. Padraig Flynn, T.D., had a varied agenda on Thursday evening last May 30 on his trip to Waterford.

In visiting the sewage plant at Lismore the Minister said that since taking on the Environment portfolio, he had been actively concerned about every example he knew of a town where raw sewage was being discharged into a river, as had been the case with Lismore where it was causing severe pollution in the Blackwater. That was because the sewer network in the town was antiquated.

"When you think back to that situation, and compare it with this scheme — now providing full secondary treatment of effluent — you realise how important sewage plants are, in making life tolerable and civilised in an area," said the Minister. "That's why they're so much a part of the Environment Action Programme. The development of the Water and Sanitary Services Programme over the next decade is going to cost us one billion pounds. Three hundred million of that will go towards providing new and improved water supplies. Two hundred and thirty million of it will go towards providing new and improved sewage treatment works to inland towns. Four hundred million pounds of it will go towards providing modern sewage treatment plants for coastal towns."

The Minister went on to mention three developments planned for Waterford:

- A modern sewage treatment plant for Waterford City;
- A new water supply augmentation scheme to serve Waterford City and its environs;
- A new sewage treatment scheme for Tramore.

### ONE OF OLDEST IN COUNTRY

The Minister's second task was to re-open the library at Lismore, originally built in 1909 which is one of the oldest in the country. The Minister described as 'marvellous' the renovation of the old building, saying that far too many fine buildings have been allowed to fall into disrepair or put to inappropriate use.

"Lismore has been enriched by the restoration of this building — a fine example of neo-Tudor architecture," he said. "Little wonder, then, that the town is one of a select few in the country recently granted Heritage Status by Bord Fáilte. Which in turn should give a considerable boost to tourism in the area. It's good also to see such creative use made of computerisation."

The Minister added that what he personally liked best about the re-opened

building was how accessible it has been made for people with disabilities.

"In the past, too often, we have planned our buildings without planning them inclusively. If you had poor sight, if you were in a wheelchair, if you were even temporarily using crutches, if you were just getting old, then, quite often, you got the impression that you didn't qualify as a human being," said the Minister. "You were one of the forgotten. I don't think that picture has totally been

changed, but we're getting there, and this library is a good example of thoughtful consideration to the needs of people with disabilities. I should mention, while I'm on this, that it isn't just a matter of congratulating the builders that do it right; I'm also including stringent new requirements in building regulations to ensure better access for people with disabilities. I hope to be in a position to put the building regulations on a statutory basis before the end of the year."

### Letters to the Editor

## REPLY TO CRITICS AND KNOCKERS OF G.A.A.

Mr. Noel Fleming, Seapark, Abbeyside in the course of a very long letter replies at length to what he describes as "the greatest critics and knockers of our Gaelic games in this great little county of ours." Having watched Waterford play with pride and determination in Thurles on Sunday last, Mr. Fleming states that on returning home the thought came to him that "we have to get to the core of our problems under the headings of Club Structure, Coaching and Training, Development of County Grounds and Press reporting."

The writer then refers to the very successful practice of club amalgamations of the 60's and 70's which resulted in more senior clubs at a higher level releasing greater numbers for county selection in both codes.

Commending the great work being done by the full-time coaches at school level he says this is a step in the right direction but suggests that "some of our former greats might give a hand periodically to complement this great work."

Mr. Fleming then states that if the value of each and every club property in the county was to be evaluated the final figure would come to millions. The club developments have left the county grounds in the shade and he poses the question whether the need to maintain two county grounds now pertains when so many club grounds have come on stream.

Mr. Fleming then turns to the heading of press reporting and devotes a long passage of his letter in conclusion to what he claims is the biased reporting campaign pursued in a particular daily newspaper.

[Editor's Note: We regret that because of its great length we were unable to publish Mr. Fleming's letter in full.]

### TOPSY TOURNAMENT

The curtain came down on our adult playing season on Sunday night last when the final of our Topsy Tournament took place in Kilrush Park. Chelsea, Liverpool, Manchester United and Celtic were the teams taking part this year and as in previous years the commitment and determination

was of the highest order.

First into action on Thursday night were Chelsea and Liverpool and after a great game of football, Chelsea, captained by Jimmy Healy were the winners by 4 goals to 3. Scorers for Chelsea were Tommy Pratt (2), Pat Tutty (1) and Alan Simms (1), while Liverpool's scorers were Dermot Kelly, Liam Crotty and Anselm Hayes.

On Friday evening we had Man. United and Celtic in action and at the end of a hectic game Celtic, captained by Martin Sullivan booked their place in the final with goals from John Donnelly (2) and Ger Beresford (1).

The scene was set then for a great final, and that was what we got as both teams ran themselves to a standstill to see who would lift the Topsy Cup. At the end of 70 minutes of non-stop action both teams were locked at 0-0 and when extra time failed to

separate the teams, we had the dreaded penalty shoot-out. John Walsh, Paddy Murphy and Tommy Wall scored for Celtic, while Alan Simms was the lone scorer for Chelsea.

At the after match celebrations Topsy's sister, Mrs. Phil Veale, presented the cup to captain Martin Sullivan, while John Ryan of J.R.'s presented the winning team with their trophies. Dermot Kelly on behalf of Tony Bones presented the runners-up trophies to Jimmy Healy and his team.

We would like to thank John and Tony for their sponsorship once again.

Richie Coleman was voted player of the tournament and well deserved it was too. Tony and Brian Wall were our referees, and their firm handling of the games added to the enjoyment. Finally, a word of thanks to Pat Walsh, Brian Wall and J. D. O'Shea for organising the Topsy this year, and they can feel well pleased with their efforts.

### U-13 T.S.B. CUP

## Youngsters Go On Goal Spree

### DUNGARVAN 8; SOUTHEND 1

Dungarvan advanced to the semi-finals of the cup with an emphatic win over city side Southend. Two great goals by Tommy Butler in the first half set them on their way.

Southend pulled one back early in the second half, but Dungarvan were not to

be denied and further goals by Mark Crotty, Leroy Simms, Tommy Butler straight from a corner, Paul Keane and two from Kevin Walsh set them up for a semi-final place against Bohemians or Johnville in Waterford on Thursday evening.

## Railway Athletic (Cappoquin) F.C. Notes

### UNDER-12 LEAGUE

#### Railway 3; Carrick 1

On Thursday last we played a top of the table game with Carrick. This was a game we had to win to keep our league hopes alive. We started very well and got control of the game straight away. Kevin Landers made it one-nil but Carrick started to put the pressure on. They got the equaliser and that's how the half ended. Carrick came at us at the start of the second half. We coped well and Garry Keane got his first goal to make it 2-1. Ten minutes later the goal of the season was scored by James Manahan. He picked up the ball just outside the half-way line, beat two players and then let fly from just outside the box. This goal sealed it for us. We must now wait to see what happens to Carrick who have four games to play.

### UNDER-12 CUP QUARTER FINAL

#### Railway 4; Mooncoin 2

Our U-12 team was in action again on Saturday when they played hosts to Mooncoin in the quarter final of the cup. We started very well and after five minutes we were one up. We were two up before the break and shortly after the restart we got our third. But we left Mooncoin back into the game when they got an easy goal. This goal seemed to wake us up and we got our fourth and with minutes remaining Mooncoin got their second. So this means that our U-12 side are in to the semi-finals of the cup, when we will play Tramore "A" at home. Panel of players for both games — Howard, Niall Maher, M. Moynihan, H. Murphy (capt.), W. Fraher, D. Coughlan, G. Keane, O. Bennett, K. Landers, J. Manahan, D. Wilkinson, S. Coughlan.

## Friary Athletes Make It Three All-Irelands In A Row

On a day graced by the presence of the President of Ireland, Mary Robinson, during which many national records were equalled or bettered, St. Augustine's College, Dungarvan, established a record of its own by winning the College of Science Cup for the third time in a row, at the Nestle All-Ireland Schools Athletic Championships in Tullamore on Saturday last.

This magnificent Cup, first presented in 1925, is awarded to the school scoring the highest number of points in the Senior Boys All-Ireland Schools Athletic Championships.

Powered by a splendid individual performance from Francis Lynch, team captain, who took gold in the 3000m. walk and knocked 61 seconds off the record, the Friary boys piled up enough points to win the accolade as best Senior Schools Athletic team in Ireland for 1991.

The other athletes who contributed to this historic occasion were Denis McCarthy (2nd, 3000m. walk), Shane Scanlan (3rd, hammer, 5th, shot), Pat Nangle (2nd, shot, high jump), Barry Doocey (6th, pole vault), Tommy Ahearne (discus), Neil Carthy (high jump) and Conor Behal (pole vault).

## Stradbally G.A.A. News

### A SAD TIME

Great sadness was felt in the club over the weekend with the news of the deaths of two of our club members — Michael Flynn and Frankie Walsh. It was a great shock to everybody and as a mark of respect our senior football championship game v. Nire was called off.

### THE LATE MICKEY FLYNN

When the word came through that Mickey Flynn had gone to his eternal reward, Stradbally had lost their true ambassador as Mickey was "Mr. Stradbally" to everyone, going back to 1937 when he won a county minor football medal, then on to the famous five-in-a-row when he collected five county medals. After a few years, Mickey was back again in 1957 with a county junior title and then we had to wait until 1972 when he organised a few young sides to win a county senior title. Never a man to miss a Stradbally game, he always greeted us with the saying — "how are ye fixed today." He will always be remembered as one of the greatest Cove men that the club ever had in a long time.

### SERVED CLUB AND COUNTY

The late Michael Flynn served every officership with the club; he also represented the club at both Western and County Board meetings and in fact gave twelve years as a county football selector, certainly a man that C.L.C.G. will not forget in a long time. Mickey may you now rest in the Stradbally soil. R.I.P.

### GUARD OF HONOUR/ORATION

When Mickey's remains were received at Stradbally Church the coffin was draped in the Stradbally colours and the club formed a guard of honour. At the Requiem Mass the Lessons were read by Robin Ahearne and Tom

The club would like to congratulate Joe Salmon who was selected on the Waterford senior football team that played Kerry juniors in Kerry last weekend. Joe is playing great football this year.

Foley. The remains were carried by club members and family to the grave side where chairman, Joe Curran gave an oration on the late Mickey Flynn, which was much appreciated by everybody.

### THE LATE FRANKIE WALSH

In less than twelve hours after the club's first loss, came the news that Frankie Walsh had gone to his eternal rest, which is a tragic loss to his mother and family. Frankie had been a loyal member of the club and supported the Reds all the time and he will be sadly missed. The Walsh family have been associated with the club down through the years.

### DEEPEST SYMPATHY

The club offers its deepest sympathy to the Flynn and Walsh families on their sad bereavements over last weekend as both families have long associations with the Stradbally club.

### JUNIOR HURLERS FINE DISPLAY

Our junior hurlers were beaten by Ballyduff in the championship last weekend on the score of 2-9 to 1-3. This was a great performance by this side — they showed total determination all through and it's a game they could have won with some great displays from Paddy Lawlor and young Oliver Costelloe. Eamon Clancy also performed very well.

Team — B. Dunford, P. Fennell, P. Hickey, C. Barnes, M. Lannon, J. Crotty, P. Flynn, O. Costelloe, E. Clancy, G. Cummins, G. Keane, Ml. Barnes, P. Lawlor, P. Cusack, J. Gough. Subs. — B. Lawlor, T. Cunningham (used).

### INTERMEDIATE HURLERS V. ST. SAVIOURS

Our intermediate hurlers play St. Saviours in the championship in Kilmacthomas on Sunday next, June 10. This is a game our hurlers must win if they are to keep their championship hopes alive, and certainly they must show more determination and the will to win, otherwise we can bid good-bye to our championship hopes.

### SPEEDY RECOVERY

The club wishes a speedy recovery to Mrs. Ahearne, Brennan, Paddy Joe Carey, Rockview; Jim Ryan, Carrigahilla, who all are patients in Waterford Regional Hospital.

### GOOD DISPLAY BY PAT

Certainly our club player Pat Curran put up an excellent display between the Waterford posts on Sunday last v. Cork. Pat is now one of the top goalkeepers in the country.

### EXCELLENT RACE NITE

As regards the club's Race Nite last week, a full report will be given of all details next week.

## Dungarvan Hockey Blitz

If you had been in Dungarvan Crystal Leisure Centre on Sunday last you would have seen Dungarvan Hockey Club presenting its Annual Hockey Blitz to teams from as far away as Kilkenny, Cork, Clonmel, Waterford and of course, Dungarvan.

It was a very exciting day. Fourteen teams entered. Team names included: The One and Onlys, The Red Devils, The Smurfs, The Simpsons, and Thirty Something, to name but a few. Each match was played on a league basis until the semi-finals. It was then judged on a knock-out basis.

Tom's Mix (Dungarvan team) and The Hobos (Waterford team) came through from the semi-finals to meet each other in the final, Tom's Mix beating Mixed Bag, The Hobos beating Thirty Something (Clonmel).

The tension was felt from both teams as the final got underway, each team being expert hockey players matching each others skill on a one to one basis. The first ten minutes yielded a nil-all score until with great skill, Tess

Reynolds scored a goal for Tom's Mix. Tom's Mix held this score for the rest of the match, the final being Tom's Mix 1, The Hobos 0.

The prizes were presented in The Park Hotel. Pierce Flynn presented a cheque for £100 to Tom's Mix and Mary Ronayne (Club President) presented the gold medals to each member of the team. The Hobos, as the runners-up, received a silver medal each.

The evening was finished off in the Park with music in the bar. A successful and eventful day over all.

Local television was at the scene throughout the day with interviews from Mary Ronayne (President), Tom Gartland (Coach), Ger Foley (Trainer) and from members of our junior girls Martina Moore and Sharon Murphy. Shots of the Dungarvan team in its blue and white

uniform, together with the junior team and a few clips of some of the matches on the day were shown on S4C this week.

Finally, Dungarvan Hockey Club would like to give a special thanks to the following: Margaret Harty, Louise Neylan, Jean O'Donovan, Dennis from Waterford, Willie White and Kieran O'Connor, all of whom helped out on the day and without them we could not have managed. Thanks also to The Park Hotel for sponsoring the prizes and to The Bank of Ireland for sponsoring the television programme and to Dungarvan Crystal Leisure Centre for the use of their premises.

We would like to wish Mary Murphy, who is leaving the club for pastures new, all the best in her new future. She will be missed by all.

### SENIOR HURLING

On Saturday night next we play Ballyduff in the second round of the senior hurling championship. Following our defeat last time out at the hands of Tallow, this is a game we must win if we hope to challenge for title honours later on.

Ballyduff, however, will

be going all out this year having failed at the final hurdle last year, but if we play as well as we are capable of, we could get a result. Much will depend on our team selection which is being delayed due to injuries.

The venue for the game is Cappoquin and transport

leaves the C.B.S. at 6.45 p.m.

### JUNIORS WIN

Our junior hurlers had it easy in their game with Cappoquin on Friday night last. At no stage were we troubled and we ran out easy winners in the end.

### SUPER BINGO

Next Friday night is

"Super Bingo" night at the Friary Hall, so why not come along and try your luck and you could hit the "jackpot" and win yourself £600. (See Advt. elsewhere in this issue for full details.)

### INJURED PLAYERS

Our injury list seems to grow and grow by the week. Our star minor, Tom Morrissey, is the latest casualty. Tom received a facial injury recently and we wish him a speedy recovery.

### U-14 v. ABBEYSIDE

The lineout was — T. Butler, J. Burke, K. Curran, M. Hyslop, B. Ahearne, B. Power, C. Cunningham, D. Foley, R. Ferncombe, M. O'Sullivan, P. Coles, C. Curran, K. Kiely, B. Conway, J. Barry, T. Sexton, P. Healy, D. McGovern.

# Dungarvan C.B.S. Win Munster Football Title

**MUNSTER FOOTBALL CHAMPIONS** — Dungarvan C.B.S. who defeated Castleisland 2-9 to 1-9 in the Under 16-and-a-half Munster Football Final recently. Back row (left to right) — Demmy Ryan, Dwaine Moore, Niall Considine, Tom Morrissey, Eoin Cunningham, Jason Hyslop, Shane Curran, Brian McDonnell; front — Kieran Curran, Raymond Ryan, Johnny McGrath, Morgan Cummins, John Power, Kieran Cunningham, Paddy Curran. Missing from photo: John Joe Ronayne.

Last Wednesday afternoon at sun drenched Kilavullen in County Cork the local C.B.S. secondary school made history when they captured the Munster U-16 1/2 Corn Na Carraige football title — their first ever provincial honour in the big ball code; they had gone close in different competitions on a number of occasions over the last fifteen years, but had never managed to bring home the 'silver.'

Since Christmas, on their passage to the final of this particular competition, which had twenty four colleges involved this year, they had accounted for the scalps of Cobh, Carrick-on-Suir, Blarney and Hospital before meeting the fancied St. Patrick's College from Castleisland, Co. Kerry, in the ultimate decider.

Last Wednesday's final, which was played in sweltering heat, saw the Dungarvan lads dominate the exchanges during the first twenty torrid minutes. At this stage their whole team was playing the more aggressive football and they had John Joe Ronayne in spectacular high-fielding form in lar na pairce. This period yielded 2-4 for the C.B.S. to a total of 4 points for the Kerry boys, who did, however, come back into the game in a big way during the last ten minutes of the first half. It is to the Waterford lads credit that they withstood this onslaught and only allowed their opponents through for one point while clocking up two further minors themselves, which made the score at half-time 2-4 to 0-5 in favour of the C.B.S.

After the turn around Castleisland had a dream start, snatching a goal within seconds to make it 2-4 to 1-5. From there to the last seven minutes or so it was hell-for-leather by both sides with little in it at any stage. The missing of a penalty by Castleisland seemed to be the signal which Raymond Ryan of the C.B.S. was waiting for to 'go for the jugular' as he finished the match with three super points to put the issue beyond contention on a final score of Dungarvan 2-9 Castleisland 1-9.

This historic first Munster football title for the C.B.S. was achieved by dint of a very gutsy display by all their players who saw action in the final and

during the campaign to get there. On the day a number of players played particularly well — Tom Morrissey, who, despite having sustained a fractured jaw in the early stages of the game, went on to play like a colossus in the full-back berth; Brian McDonnell at centre-back kept one of their best men quiet for the hour; John Joe Ronayne had an inspired game in the middle of the field and was ably assisted by Eoin Cunningham; Danny Ryan turned in a very competitive performance at left wing forward; Raymond Ryan on the other wing had an outstanding game accounting for five points of his side's total tally; Jason Hyslop, first at full-forward and later on the "forty," turned in a "stormer" and had a personal score of 1-2 to his credit; and John Power in the corner had another fine game contributing 1-1 to his side's total. All of the others had their moments and in the previous rounds they had been the ones to star.

Congratulations then to the C.B.S. on their historic win. They have the kernel of a nice senior football team in this U-16 1/2 squad. St. Paul's of Waterford City won this competition two years ago and went on to contest the All-Ireland this year. Could history repeat itself?

C.B.S. Team — Morgan Cummins, Kieran Curran, Tom Morrissey, Johnny McGrath, Shane Curran, Brian McDonnell, Paddy Curran, John Joe Ronayne, Eoin Cunningham, Raymond Ryan, Niall Considine, Demmy Ryan, Dwaine Moore, Jason Hyslop, John Power. Subs. — Michael McLoughlin for J. McGrath; Sean Wade, Aidan Fitzpatrick, Kieran Cunningham, Brendan Flynn, Brian Whelan, Roger Ronayne, Eamonn Lonergan, Michael Barnes.

## MUNSTER SENIOR HURLING SEMI-FINAL

# Waterford Run Cork Close In Rip-Roaring Game

CORK 2-10 WATERFORD 0-13

Luck was certainly not on our side on Sunday as Waterford's hurlers went within an ace of tearing the form book to shreds and creating the upset of the season by running the raging hot favourites, Cork, to a single score at Semple Stadium, Thurles.

It was a splendid game of fast and skillful hurling and for most of the game, patrons could see very little difference, standard wise, between Waterford and the reigning All-Ireland champions, Cork. It was a game which saw a determined Waterford team play with courage and commitment and a contest which saw lucky Cork survive to play in the Munster final on the first Sunday in July against Tipperary/Limerick.

Having entered the fray as rank outsiders and under no pressure Waterford took the field very determined to have a 'go' at the reigning kingpins of Munster and Ireland and as the minutes of the first half wore on, Cork were obviously becoming aware that the Deise men had nothing other than all out victory on their minds. In fact one could sense a feeling of anxiety in the Cork camp as Waterford, playing against the slight breeze, went into a two point lead when Delahunty pointed a free in the 13th minute. The favourites were already preparing to make switches — the signs that all was not well — and signals were coming from the dug-out, indicating their concern. There must have been a gasp of relief in the 25th minute when Billy O'Sullivan, having broken through, missed what we thought must be a certain goal.

In the 24th minute of the second half when Waterford, having gone into arrears, drew level again, a surprise result looked on. Fitzgibbon, with just seven minutes remaining, somewhat against the run of play, got the goal that turned the game around in Cork's favour.

From our point of view, while being very disappointed at the finish, it was a game which restored hurling pride after a poor showing against Kerry and it also proved that in form, Waterford can stand shoulder to shoulder with the best in the country.

Our defence was truly

magnificent and Damien Byrne's outstanding display must surely have won him an All-Stars nomination.

## THE PLAY

Team captain Noel Crowley won the toss and decided to play against the slight breeze. Star of the 1990 All-Ireland final, Thomas Mulcahy pointed for Cork in the first minute and Billy O'Sullivan made it all square in the 3rd minute when he flipped the ball over while on the run. Noel Crowley pointed a free in the 6th minute and Waterford were two points up when Kieran Delahunty sent over a free in the 13th min. Up to this point Waterford were on top and should have had a few more points from near misses. In the 15th and 16th minutes both Sullivan and Crowley had wides. Seventeen minutes gone and Waterford were still 2 points up. Pat Curran stopped a rasper of a shot and it edged over the line for a '65' which Cathal Casey converted. Cork hit the post and Damien Byrne sent Waterford attacking from the rebound. Mossy O'Keefe pointed to make it 0-4 to 0-2 in the 28th minute. Going through in the 23rd min., Liam O'Connor was fouled and Delahunty pointed the free to put us a clear goal in front.

Tony O'Sullivan had Cork's third point from a free in the 24th min. and one minute later came Billy O'Sullivan's agonising miss. We got a '65' off this, but Crowley sent wide. In the 30th minute with Waterford enjoying a two points lead, Pat Curran brought off another daring save to the dismay of an anxious Cork. Then in the 33rd and 35th minutes Cathal Casey pointed two frees to leave the scores level at the break at 0-5 each, Cork having got but a single point from play.

## DISASTROUS GOAL

Kevin Hennessey's disastrous goal in the 3rd minute of the second half, followed

by a Tony O'Sullivan pointed free in the 6th min. gave the hot favourites a four point lead. Kieran Delahunty pointed in the 7th minute before Shane Ahearne replaced Dermot Henley. Then followed two Eddie Nolan points in the 9th and 10th minutes and when Mossie O'Keefe kicked over, having made a good run, in the 15th minute, we were on level terms again. Tony O'Sullivan and Pat Buckley had Cork points and when Eddie Nolan was fouled going through Delahunty pointed in the 20th min. Tony O'Sullivan pointed in the 22nd, but Corks' two points lead was shortlived when Liam O'Connor and Billy O'Sullivan both had points in the 23rd and 24th mins. and we were level again, with just 8 minutes remaining.

The Munster semi-final was now hanging in the balance and the exchanges became hectic and excitement grew to fever pitch. Waterford pressed and Ger Cunningham sent his side attacking and Tony O'Sullivan broke the deadlock with a very good point. Then, unfortunately came the score that resolved the issue in Cork's favour when John Fitzgibbon got inside our defence to blast the ball past Pat Curran.

Shane Ahearne reduced the lead to a goal and Waterford pressed for the equaliser in the closing minutes. With time running out we were awarded a free that was dropped into the square but a foul on a Cork defender earned them a free out and then came the final whistle and disappointment for Waterford.

The side showed one change from the published team, Jimmy Beresford was declared unfit and his place was taken by Dathai Foran.

Sean Cullinan was playing very well when injured and was replaced by Pat Ryan. Our whole defence certainly covered themselves with glory and no blame can be attached to them for our defeat. Brenner and Crowley had their moments of supremacy at midfield and Brenner was

particularly good in the second half. We still have some weaknesses in attack and again Billy O'Sullivan was our best man up front. Mossie O'Keefe and Liam O'Connor showed flashes of brilliance with Delahunty, Nolan, Henley and Ahearne, when he came on, all trying their best against a very strong Cork rearguard.

**Scorers:** Cork — T. O'Sullivan 0-6; K. Hennessey 1-0; J. Fitzgibbon 1-0; C. Casey 0-3; P. Buckley 0-1. Waterford — K. Delahunty 0-4; B. O'Sullivan; M. O'Keefe and E. Nolan 0-2 each; N. Crowley, L. O'Connor and S. Ahearne 0-1 each.

## PROTEST

While almost one hundred per cent of the huge Waterford following travelled to Semple Stadium to roar their teams to victory on Sunday, a few publicity seeking mavericks went there on another mission. The Waterford banner bore an inscription which highlighted the recent controversy and the purpose of the whole exercise was to bring discredit on the county. Happily the cheap gimmick found very little support among the Waterford supporters, many of whom expressed their disgust at the whole affair.

People who behave in this way, usually do not feel a sense of shame, but they should consider the shame and embarrassment they bring to their fellow club members, not to mention the thousands of honest-to-God Waterfordmen and women who continue to remain proud of their county in spite of the recent troubles.

## MUNSTER JUNIOR HURLING CHAMPIONSHIP

# Cork's Experience Was Decisive

Cork 2-15; Waterford 1-12

Waterford got off to a great start and were a point up within a minute. They continued to dominate and with corner forward Noel Dalton in good shooting form, they went three points up midway through the first half and were four points to the good at half-time, Noel Dalton having scored five (3 from frees) and Pat Murphy, Anthony Qualter and Stephen Byrne, 0-1 each.

In the first minute of the second half, Ger Manley pointed a free for Cork and five minutes later the same player had a goal that gave Cork a one point lead. Waterford went to the 12th minute of this half before their first score came by way of a great Noel Kelly point.

Clancy had a splendid point for Cork before Waterford had three points on the trot per Dalton, Qualter and Kelly to leave it 1-12 to 0-11 in the 53rd minute before Geoff O'Connell had Cork's second goal to give them a seven points lead with five minutes remaining.

Pat Murphy's goal from a

penalty shot came in the 59th minute of the game, but by then it was too late to matter.

This was a very enjoyable match that had many exciting moments and it was very heartening to see Waterford play so well against the hot favourites.

Experience told in the finish and while the winning margin might be a little flattering, Cork did deserve to win.

**Scorers:** Waterford — N. Dalton 0-6, P. Murphy 1-2, A. Qualter 0-2, N. Kelly and S. Burns 0-1 each; Cork — G. Manley 1-2, C. Clancy 0-5, G. O'Connell 1-1, N. O'Neill 0-3, J. Ma-

## NEXT WEEK-END FIXTURES

# Exciting Clashes In Full Programme Of Senior And Intermediate Games

It's back to the club championships again and for the restart of the hurling championship, we have a full round of games in the senior and intermediate grades, listed for decision. Half of the clubs involved have been beaten in the first round and a second defeat on the trot, could conceivably put them out of the running for a place in the knockout stages. This alone should ensure some hectic contests.

## DUNGARVAN V. BALLYDUFF

This is the only senior game being played in the West on Saturday evening and it is of great importance to both, since each of the clubs lost their first round match and a second defeat can mean curtains for them.

Ballyduff were surprisingly beaten by Clonea. They deserved to lose because they played below their best form and had obviously regarded Clonea as 'easy meat.' They will pull out all the stops in this one and in so doing will probably beat Dungarvan.

The Old Boro side played very disappointingly against Tallow and were well beaten. It would take a big improvement here to beat Ballyduff. These teams have met in the last three championships at Cappoquin and on each occasion Ballyduff have won. Last year there was only 5 points (1-12 to 1-7), between them and this is the nearest that Dungarvan have gone against them. Ballyduff should take the points. Being senior football champions and trying to make sure of retaining their title, can be a problem for a team which is made up of practically all the same players.

## MOUNT SION V. CLONEA

Mount Sion had a first

round bye and have, what was considered an easy second round game, until Clonea defeated Ballyduff here. Clonea's victory was hard won but also well won, and if they play as well here on Saturday night, the favourites, Mount Sion, will be stretched to the limit. As far as I can recall, these sides have never met in the championship in the past five years, so the clash will be an interesting experience for both.

It could be close, but I expect Mount Sion's challenge for the title to get off to a flying start.

## DUNHILL V. FOURMILEWATER

Both lost their first round matches, but Dunhill did reasonably well in holding county champions, Roanmore, to five points, while the Ballymac' team went under by 13 points to Passage. On this basis, Dunhill seem to be on course for their first win.

## TALLOW V. DE LA SALLE

Tallow will be warm favourites to win this one, even though De La Salle will have such fine young players as Noel Dalton, Johnnie Brenner, Own Dunphy, etc., all of whom played with the county last week. De La Salle disappointed in their initial senior championship game, going under to Ballygunner

by 2-14 to 0-8.

This will be a lovely game of hurling and very well worth seeing.

## LISMORE V. PASSAGE

This will be the feature game at Fraher Field and might be the one that everyone will be taking about on Monday.

Both had decisive first round wins and both were impressive. Lismore played good hurling against Portlaw and the same again may be good enough to see them win their second brace of points, but they will need to be very cautious against this very enthusiastic side who played good hurling against Fourmilewater three weeks ago.

## ROANMORE V. PORTLAW

Portlaw were a little unlucky to have got such a poor return for so much effort when losing to Lismore in round one. They kept Lismore from scoring a goal and I thought, did not deserve to lose by seven points.

Roanmore are the champions and if Noel Crowley, Kieran Delahunty, Eddie Nolan, Tom Shanahan, Ray Sheridan and company play to form, then Portlaw could be beaten yet again.

## INTERMEDIATE GAMES ABBEYSIDE V. BALLYDURN

This will be their first ever meeting so it is not an easy one to forecast. Ballydurn are the junior county champions who won the title the hard way. They may have to field without their youthful star, Michael Hubbard, but it will still be difficult for Abbesside. They should, however, be experienced enough to overcome Ballydurn and take their second win in a row.

## COLLIGAN V. ST. MARY'S

If Jimmy Beresford is still unavailable, Colligan will

find it difficult to beat their neighbours who were in devastating form against St. Mollerans recently. At full strength, Colligan may just take the points.

## SHAMROCKS V. ST. MOLLERANS

Shamrocks had no problems in beating Tramore, but this was hardly a test as Tramore seem to be well out of their depth in this grade. Mollerans also lost their first round game and will be in trouble if they lose here.

I think they will be in trouble, as I cannot see them beating an in-form Shamrocks.

## STRADBALLY V. ST. SAVIOURS

St. Saviours will be the fancied team here. They must, having hammered Erin's Own in round one. The city side are fancied to do very well in this championship this year and could win another two points here. Stradbally were poor against Abbey-side in the first round.

## JUNIOR GAMES

All are first rounders, but nevertheless very important. An Rinn who featured in the three-match county final against Ballydurn last year, can be fancied to beat Clashmore and Ballinameela are judged to be too strong for Geraldines.

Ballysaggart v. Ardmore is another game that will go close to the final whistle, before a result is reached, but I don't expect that Kilrossanty will stay the pace with Kilgobinet in their first round game at Abbesside.

## JUNIOR 'B' HURLING

Two games are listed in this grade and here Modeligo will be expected to beat Melleray and Faha can be fancied against Eire Og.

## G.A.A. Masters National Hurling League

This is confined to players aged forty years and over and Waterford are one of eight counties to have entered. There must be an over-forty hurling team in training somewhere in the county, otherwise why should the team have entered?

In our first game we play Laois at a Waterford venue and in our second we meet Kilkenny away, on July 13. We meet Clare at Ennis on Saturday, July 27. There are two groups and each county will play three initial matches. All first rounds will take place on June 29. The quarter finals will be played on August 24.

## Congress Decisions

At the recent annual Congress in Dublin, a number of motions were referred to Central Council and these were considered and ratified at a meeting held on last Saturday week:

### REGISTRATION

In future when a player is registered for under-age championships (say under 16) he need not again be registered for minor or under-21 grades, provided he remains with the same club until he goes out of the under-age grade.

### EVIDENCE

In any objection, appeal, investigation or inquiry, evidence or information shall not be accepted or considered unless applicable to a period not longer than two years prior to the date of the first hearing. The Council or committee in charge may have recourse to video evidence at its discretion.

## Mickie Flynn

R.I.P.

Mickie was an all-round sportsman, but was clearly identified as a footballer and will be remembered for his role in bringing five county titles in a row to his beloved Stradbally in their years of glory in the early forties.

He played football with Stradbally for well over 20 years and also played on the intercounty front for Waterford. With the county as well as with the club, he acted as selector.

He took up refereeing for a time and up until recently he was a regular umpire in the weekly club championship games. He was endowed with a very pleasant personality and noted for his good humour at all times.

His club paid him full honours at his funeral and burial and his coffin was draped with the red and white of Stradbally.

To his wife Norah and family we offer our very deep sympathy.

## CROKE PARK DECISIONS

# County Board Chairman Suspended For A Year

## County Board Fined £2,000

These decisions by the Management Committee of the G.A.A., were notified to the Board on Tuesday of last week and will be the chief topic of discussion when the full County Board meets at Dungarvan on Monday night next.

Following a number of meetings between a special committee set up by the Management Committee and officials of the Waterford County Board, our officers were called to Croke Park on Saturday, May 18 to answer charges under rules 12 and 136. The County Board was represented by Eamon Murphy,

chairman and Garry Cunningham, treasurer. The County Chairman was subsequently in before Management to answer separate charges under rule 136.

The Chairman was called back on the following Saturday, May 25 when the case made by him was heard over a two hour period.

The above decisions were then arrived at, but were not announced immediately and were notified to the Board and the Chairman by registered post early in the following week.

The Coisde Gnotha were due to meet on Wednesday evening to discuss the Press Release which issued from the county selectors, so this matter was also discussed.

An appeal against the severity of the fine was considered and must receive County Board approval if it is to be proceeded with.

The County Chairman in a local radio announcement stated that he intends to appeal his twelve months suspension.

As is the normal practice (as well as being the general rule), the senior Vice-Chairman takes over, when for any reason, the County Chairman becomes unavailable. Eastern Board Chairman, Frankie Cullinane, was moved to the chair on Wednesday at the special meeting of An Coisde Gnotha last week. He will chair Monday night's meeting.

### SELECTORS' STATEMENT

The Coisde Gnotha issued a statement through the County P.R.O. refuting the reckless allegations made by the county hurling selectors. They noted that no copy of the statement had been given to the Board. It also stated that a more detailed statement would issue in due course from the County Board.

The statement with so many gross inaccuracies brought little credit on the composers or on the county and as I wrote last week, the timing of the statement was obvious to everyone.

The County Board are due to meet at Dungarvan on next Monday night and I feel sure that the matter will be dealt with there as under no circumstances can this sort of thing be ignored.

## Intermediate Hurling Championship

### Cappoquin 2-15, Tramore 0-3

With a nine points lead at half time, this second round intermediate hurling game was virtually decided. The margin at the finish was 18 points and that illustrates the enormous gap in standards.

This was Cappoquin's second win in this championship, but their real test won't come until they meet Shamrocks in the next round on Sunday week at Lismore.

## Game Abandoned

This junior hurling championship tie between Shamrocks and Tallow at Knockanore on Saturday evening last was abandoned with only about ten minutes remaining. The exact reasons for calling off the game are not known, but it is believed that referee John Flynn, Lismore, was abused by an official.

The matter will be before the next meeting of the Western Board.

## Official Launch "Down Under"

A letter from Pat Meskill formerly of Cappoquin now domiciled in London, tells us that the formation of a G.A.A. unit in New Zealand became a reality when it was officially launched "down under" on St. Patrick's Day.

Pat, with his brother and other Irish emigrants are working hard to help establish clubs in New Zealand.

They need our help here at home and would appreciate donations of hurleys and hurling balls as these are not available in Kiwi land.

Local collectors here are Mickey Fraher, Cappoquin, Tom Fives, Tourin, Mrs. Bransfield, Lismore, Johnnie O'Connell, Aglish, Michael Byrne, Affane and Mick White, Dunhill. So if clubs have any equipment to spare any of the above will gladly take them off your hands.

Pat arrives home for a two weeks holiday this Friday and will ensure that the hurleys and sliotars make their way safely to his brother in New Zealand.

## STRADBALLY/NIRE GAME OFF

Because of a bereavement in the Nire Club, this senior football game was postponed last week and rescheduled for Monday of this week. Now, because of a bereavement in the Stradbally Club (occasioned by the sad death of Frankie Walsh), the game was once again called off.

Because of the cancellations, as well as the cancellation given at the request of the county senior hurling selectors, Stradbally have yet to play a championship match this season, while all others have played two or three.

**LATE NORA  
DOOCEY**

At the Masses in St. Mary's Church, Touraneena on Sunday week last, the prayers of the congregation were requested for the repose of the soul of the late Nora Doocey (nee Kiely), Ballymacarbry, whose death occurred at her residence. Nora, who was only 41 years will always be remembered with affection for her kind and friendly disposition, for her generous support and help towards any deserving cause and was noted for being most obliging with all whom she was in daily contact with.

We extend our deepest sympathy to her grief stricken husband Tony, young family, mother Peggy, brother Tom, aunts Nancy, Peggy and Mary, relatives and friends. May she rest in peace.

O'Mara and Bob Keane; Youth Officer — Raymond Ryan; Members to C.C. — Brendan Tobin, Michael Quinlan and Tomas O'Mara; Life Honorary Presidents — Tommy Condon and Ned Burke.

We would like to thank all who supported our recent church gate collection and those who stood at tables for same.

**G.A.A. NEWS**

Well done to Raymond Ryan and Johnnie McGrath, who were both on the C.B.S. U-16 1/2 team which won the Munster final recently. Both players were excellent with Johnnie doing very well in defence and Raymond scoring 7 points out of a total of 2-9, they both did their club proud.

**St. Mary's V. Colligan** — On Friday night all roads lead to Dungarvan for this local derby in the second round of the intermediate hurling championship. Colligan will start as warm favourites as they defeated us decisively last year, but who knows, our lads might pull off a surprise victory.
