Blue Flag Awards For 4 Waterford Beaches

Mr. B. J. McNally, Deputy County Manager in the course of a report submitted to the final meeting of Waterford Co. Council before the dissolution of the present Council, held in Dungarvan last Monday, informed the members that four beaches in the County were awarded the Blue Flag for 1991 at the Award Ceremony in Dublin last Thursday. The beaches were Ardmore, Clonea, Counsellors Strand, Dunmore East and Lawlor's Strand also in Dunmore East.

The report went on to state that "in addition, all four beaches were awarded the Silver Star Fish Award in recognition of the consistently high bathing water

quality standard achieved in 1990. The requirements for this award are much more stringent than for the Blue Flag and signifies that the water quality conforms to the highest international

Top National Award For Dungarvan Dairy

Dungarvan based Central Dairies was on Monday last presented with the 1991 Irish Quality Associations' National Hygiene Award (Milk Processing Category) by Mr. Joe Walsh, T.D., Minister for Food.

The award is presented annually to the company which best satisfies the Quality Associations' audit of hygiene procedures and standards in the area of butter, cheese, liquid milk or casein production.

Accepting the award, Mr. P. J. Harnett, General Manager, Central Dairies attributed his company's success to the strict hygiene and quality procedures adopted by his suppliers and staff. "We have top class local milk producers supplying a quality raw material to a modern plant. We also

have a commitment to staff training in all aspects of hygiene," said Mr. Harnett. He added that "hygiene is not something to worry about on the day of an audit, it is a fundamental part of each working day."

Central Dairies, with a throughput of 2,500 gallons of milk per day, have maintained the Q-Mark since 1988. In 1990, the company received the South Eastern Regional Quality Award, selected from all Q-Mark holders in Wexford, Waterford, Kilkenny, Carlow and South Tipperary.

AGLISH TIDY TOWNS NOTES

For the past five or six weeks Aglish Tidy Towns Committee have put in a mighty effort in painting and cleaning up the village.

Kerbs and sign posts were painted and new seats provided, the village is looking splendid and all flower tubs and paths are in-place now.

At a meeting the committee held recently it was stated that there were three street lights urgently needed in the village — at the new school; in the church car park and in the new housing estate. All that is needed in the new housing estate is the pole as the cable is installed ready to be connected. The big hedges on the ap-

proach roads have been cut and the grass trimmed.

We appeal to all not to leave papers or anything on the streets.

"Please Keep Aglish Tidy."

We would like to thank everyone who helped in anyway with the Tidy Towns effort and all our sponsors for their generosity and Geraldines hurling and football club for the use of the G.A.A. Hall for the very successful cake sale recently. Keep Aglish tidy!

Fishermen Are Not Above The Law

— Judge Tells Youghal Defendants

Judge A. G. Murphy stated at Cork Circuit Court last week that fishermen would have to learn that they were not above the law and that inexcusable behaviour on their part would not be tolerated.

"They have no rights above the other citizens of this land. They seem to think they have and they also seem to think that muscle will do instead of right. It does not," he added.

Before the court were

three Youghal-based fishermen who pleaded guilty to incidents involving officers of the South-Western Fisheries Boards.

They were Robert Torpey, 60 Blackwater Heights, Youghal; Robbic O'Sullivan, O'Brien's Terrace, Youghal and Patrick Twomey, Emmet Place, Youghal, for whom Mr. S. Lynch, BL (instructed by Mr. J. P. Gordon, solr.), appeared. Initially they pleaded not guilty to the charges and the jury was being empanelled when Mr. Lynch intervened to say their services would not be required. When the accused were re-arraigned Torpey pleaded guilty to maliciously damaging a boat, the property of the S.W.F.B., to the amount of £282.60 on July 3 last year, and all three admitted stealing a £70 life jacket on the same occasion.

Supt. Maurice Murray, Middleton, outlining the background to the charges, said that on the date in question the fisheries officers under Michael Fanning, junior, seized nets in the Ardmore-Youghal area and returned to the slipway at Youghal. Mr. Fanning sent a colleague for garda assistance while he and his

brother, Mark, remained in the boat. The brothers were approached by a number of fishermen in boats and although they were disguised, the brothers were able to recognise the three accused. In the course of an incident that developed, the life jacket and nets were taken from the boat, and had not been recovered to date. The nets were damaged to an amount of £282.60. The incident lasted about half an hour.

Answering Mr. P. McCarthy, BL (instructed by State Solicitor, Mr. P. J. Twomey), the Superintendent said there was nothing previous against Torpey but that the other two accused had records.

PLEA FOR LENIENCY

In a plea for leniency, Mr. Lynch said the incident had boiled over and did not reflect to the credit of the accused. In the short time available to them in court, £200 had been already paid towards compensation for the damage to the boat. He suggested that the case be put back to see how the accused behaved over a certain period and to have further compensation paid.

He said Torpey was married with four children, currently unemployed; Twomey was 26, married with no family, and a casual fisherman and O'Sullivan, 24 and unmarried. He said they were not bad men and had learned their lesson.

CASE PUT BACK

Putting the case back to the next term, and no further, Judge Murphy said he was taking into account their last minute plea of guilt.

Having made the comment noted at the outset, he went on to say that the object of the approach made to the fishery officers obviously was to put them in fear for having done their job. The officers must be protected and compensated, otherwise they would not thank society or those speaking for it.

"So I'll put it back to next term, and I'll be prepared to take a very harsh line against the accused unless a further £150 is paid to make up the difference between the £200 paid and the £282.60 damage and the £70 for the life jacket.

"In addition, the sum of £500 should be paid to the State Solicitor for the purpose of compensating the Fanning brothers for having been subjected to this attack. They are to receive £250 each, and I want to hear nothing about an extension of time to pay. These men were the only men identified of a group of ruffians, some of whom would be well-off men and they (the accused) can see now how their colleagues will support them in this matter."

Judge Murphy added that if these sums were paid before the next term, he would take a lenient view, and if they weren't he would take a very harsh view.

The accused were remanded on continuing bail to the next term.

Pause For Thought With Fr. Paddy

SLOW BUT SURE

Ezekiel in the first reading tells the people they have no reason to be down-hearted, and should pull themselves together. He uses the imagery of a great tree, where all kinds of birds find shelter and safety, to teach them that when the Kingdom of God is established, they'll find refuge and peace within its boundaries. He explains the fascinating thing about a cutting is that like a small seed, it seems insignificant until it is placed in the right environment, when it will show its potential by responding to the various influences of nature, and grow into a mighty tree. The prophet is talking about the growth that will take place in the Church. Hence, we might ask, why, after nearly 2,000 years, has progress been so slow? Indeed, we cannot question God's role, but man's contribution is often patchy and at fault. For instance, what do you do to help? I believe, if our faith were bursting with life, Jesus would hold a much more honoured place. Look at the history of Christianity, and you'll find it littered with disputes, quarrels and wars: it is sad to read about the wounded Body of Christ. I believe that when I stand before God, my regret, if that were possible, would be: I could have done so much, and I did so little. If the Lord were to call you now, what would you have to offer?

These days, materialism has taken an iron grip on the world and our own dear land is reacting to its influences. Without question, it will leave a trail of destruction among souls. Already, evil is no longer an enemy. If we love God, we'll respond to the situation by drawing closer to Him through our prayers and the Eucharist. The Eucharist will fill us with His spirit, so that whatever we say or do, will radiate Christ. Remember, God is concerned about His flock, and He is asking all of us "to watch one hour with Him." Most of us are good at going the right way to get what we want, but, somehow, when it comes to representing Christ, we behave like amateurs. The very theme of the readings — God works wonders with little things — should be an encouragement to us. Let Him work on yourself, and you'll do great things for God.

St. Paul in the second reading reminds us of the glory that lies ahead; and he urges us not to allow ourselves

to falter under the trials of life. He knows there's no escape from these burdens, and so he warns us to arm ourselves with the spirit of Christ, and we'll not be overcome. Paul advises, as if to make us more resolute in facing the enemy, that all, without exception, must one day stand before the Supreme Judge to receive their reward or their punishment. He is adamant that we must never forget our destiny. He knows the power and the influence of this teaching, which helps us to understand what he means when he said "We are saved by faith alone and not by works." Putting it in simpler words, it means: the promptings of our faith dictate our mode of behaviour.

WILL BE BANISHED FROM HEAVEN

I said, it seems that sin has lost its shame. And, it would seem many have forgotten about their end. In

fact, the way some talk you'd think it was God who is the culprit. They say, 'He is out of touch.' I am afraid, unless these people change their tune, their own sins will condemn them, and they'll have no one to blame but themselves. Yes, they'll be banished from Heaven forever.

The Gospel explains the growth of the Kingdom of God, and shows how from a tiny and obscure beginning, it marches slowly but steadily through the upheavals of time till it comes to harvest time. Mark compares this history to the life of a small seed, which when planted, releases its secret powers and grows almost imperceptibly into a tree. The Church was founded in a backward country, and placed under the care of a group of fishermen, all of whom, like their founder, come to a bad end. However, that Church has survived. It is still growing, and like the tree, is providing shelter for her members. Each of us in turn is like the plant in the process of growing into the individual God wants us to be. Also, each of us is like the farmer contributing to the harvest, which God wants the world to be. So, we hold a unique place in the life of the Church. God wants us to freely co-operate in His work. We are to water the seed, and God will do the rest.

On our radio it was recently announced that the Archbishop of York (Anglican) said "the Hell we believe in, does not exist." It is tantamount to dismantling the Christian religion. It is strange that God will mention the place after time is ended! I think, I'd prefer to accept the word of Jesus. Not to believe in Hell, is the easiest way to go there. I do hope His Grace was misquoted.

Social Welfare Dept. Not Pulling Out Of Lismore

A rather disappointing attendance turned up for the public information meeting held in Lismore Hotel last Tuesday night under the aegis of Lismore Town Commissioners which was addressed on the future of Lismore Employment Exchange by Mr. P. Curley, Department of Social Welfare.

Having referred to the understandable concern which local people had about this service arising from the retirement of Mr. Ronnie O'Donnell, Mr. Curley went on to outline and discuss the department's plan to provide a new type of service which will

continue to meet the needs of the unemployed, and for the first time, many others besides.

He said that up to now the Employment Exchange in Lismore provided a limited range of services but people now wanted a better service and more informa-

tion. Recent developments, particularly in the information technology area, have seen major changes in the way in which the Department can bring its services right down into local communities like Lismore.

"We propose", Mr. Curley

then said, "to take advantage of these developments to provide a different, but better service in Lismore".

Mr. Curley then said that in future, for employment payments, claimants would sign the registers at the local Garda Station at a reduced frequency of once a fortnight rather than once a week as heretofore. The payments would then be made to clients at a Post-Office of their own choice.

Referring to the further developments planned, Mr. Curley said that the new service to be provided in Lismore would include a claims taking and information service for all of the department's schemes including Disability Benefit, Pensions, Child Benefit, etc. "Instead of having to write or phone one of the centralised headquarters sections in Dublin or elsewhere", he said, "people from Lismore and the adjoining area will now be able to discuss their needs in person and in confidential surroundings with an official of the department."

A Social Welfare officer would also be located in the new office to advise clients on a wide range of issues including means testing and this should also speed up the processing of many claims. Initially the office will operate on two days each week but this will be received in the light of experience and the level of demand for the service.

Summing up the proposals Mr. Hurley said "while the nature of the service we intend to provide in Lismore will change, I am sure that you will agree that it will change for the better. The department sees it as a major advance on what was available up to now and I am sure you will also agree with the assessments."

In a question and answer session that followed, mixed views on the proposal were expressed.

CO. COUNCIL MEETING

At a meeting of Waterford Co. Council in Dungarvan last Monday, Cllr. W McDonnell said that he would not agree with the proposals put forward for the Lismore Exchange and proposed that the council write to the Minister for Social Welfare with a request to fill the vacancy at Lismore from the applications already received.

Cllr. O' Wilkinson said that the proposal to sign at Garda Stations was the one which was causing the most regret as it was felt that many of the rural Garda Stations would be closed except for one hour each day.

LADIES FOOTBALL

Community Games Co. Final — Ballymac' 3-3 Kilrossanty 3-2.

On Saturday afternoon last we travelled to Colligan to play Ballymacarbray. Under desperate conditions the game got underway at 3.30 and Kilrossanty played with the wind. At half time we led by 3-2 to no score. Playing against the wind in the second half we were under severe pressure and with six minutes to go, we still led by 3-2 to 2-2. Then 2 minutes later Ballymac scored the equal-

izer and on the stroke of time converted a free to win by one point.

U14 CHAMPIONSHIP SEMI-FINAL Ballymacarbray 2-5 Kilrossanty 0-7

On Monday night, we again played Ballymac', this time at Lemybrien, with near to perfect conditions. We looked to have a good game in store. Kilrossanty opened the scoring with a point, then a few minutes later Ballymac' were awarded a penalty which was brilliantly saved by C. Prendergast only to see the rebound hit the net. Kilrossanty then added 2 points per T. Whyte and J. Hallahan and Ballymac' added a further point to have the scores level at half time. On the resumption, we saw some great football and scores from both sides with Ballymac' getting a second goal to go 3 points in front.

Kilrossanty then added another point but again Ballymac' came back and scored another to seal the issue. Kilrossanty team never gave up until the final whistle and with a little bit of luck we might have snatched victory. With the display given by Kilrossanty, their day will come.

Best of luck to Kilrossanty N.S. girls in the schools final v Abbeyside tonight Wednesday at 8.00p.m. in Abbeyside.

Waterford Foods Lose UK Yoplait Franchise

Waterford Foods has lost the valuable Yoplait franchise for the UK market, but has got a new 20 year deal to continue producing and marketing the French-owned brand in the home market.

The brand leader in Ireland, Yoplait has not made the same impact in the £800 million a year UK market, where sales of £20 million currently claim a modest 2.5 p.c. share. The brand owner SODIAAL is understood to be about to enter a joint-venture deal with a new partner, which will take over from Waterford in September.

Paddy Cummins, Waterford's assistant chief executive, said the loss of these profitable sales "will have no impact" on this year's accounts. "The company is ahead of budget and the final three months are gen-

erally slack anyway", he pointed out.

But Mr. Cummins accepted that the group would have to "find some other activity" if it were to make up for the lost revenue in 1992.

Redundancies will be minimal among the 38 sales and administrative staff now handling Yoplait products in Britain, he explained, while there would be no change to staffing levels at the groups Inch plant near Gorey, which has been producing 15 p.c. of the UK product. "Inch has no problems", stressed Mr. Cummins.

Deputy Deasy Ordered Out By Ceann Comhairle

A call for the Government to allow time to debate the very serious situation which has arisen following the farm price talks in Brussels was made by Deputy Austin Deasy (F.G.) in the Dail last Thursday on the order of business.

He said it would be unprecedented if the House did not have time allocated to debate this matter and he would be insisting that this be done.

Ceann Comhairle Sean Treacy was equally adamant that the matter could be raised in some other way and not on the order of business, but Mr. Deasy said it was the only way he had to highlight the matter.

When he persisted in pursuing his request he was ordered to leave the House but he warned that he would be looking for the Government to allow the debate next week at the very earliest.

ABBEYSIDE SCOUT NOTES

WHIT WEEKEND CAMP

On Friday night all five patrols arrived in the Glen, in transport provided by the parents, at 8 p.m. Everyone gathered at the flag pole and after the flag was unfurled and a prayer said, S.L. Brian gave the patrols their various jobs in order to set up camp. At 10 p.m. our chief campfire lighter, Sean Kelleher, struck a match and we started singing happily and cheerily for an hour. At 11.30 came the highlight of the night, when the patrols set off on a hike which finished up with everyone sleeping in the woods in a dining shelter. P.L. Smiley and scout John Kyne proved to be the most nervous as ten minutes after setting off on the hike they

were back saying they were afraid of the dark! Would you believe it? Conor Foley's patrol had an interesting time in the woods that night when fisherman, Damien Wall's maggots escaped into everyone's sleeping bags.

Saturday morning everyone arrived back at the Glen at 8 a.m. and after some tall tales of the night before, tucked into the cornflakes. Later in the morning an inter-patrol soccer competition was held. That afternoon was spent splashing around in the water as the canoes were launched and Brian Forde, Colin O'Connor and Seamus Clancy tried out their Eskimo roll technique. After dinner of potatoes, mushrooms, sausages, eggs and toma-

atoes washed down with gallons of tea and biscuits everyone headed for the hills for a short hike, and I do mean the hills, as we forded the river in bare feet and climbed where no man has climbed before, before reaching our destination of Hangmans Castle, where the S.L. told a few bed time stories that certainly didn't scare Michael Fives, Conor Mooney or Eoin Browne.

Sunday morning broke to the sweet sounds of the S.L. on the bugle although Martin Whelan or Eamon Veale didn't seem to appreciate the sweet tones wafting across the early morning campsite which was bathed in a soft summer mist! Fr. Ahearne arrived at 5 p.m. to say Mass which was celebrated in our new frame tent as the weather looked a little like rain and we were taking no chances. Sunday was D-Day for the patrols. The Lanigan Shield was up for grabs, the lunch and dinner were marked and later that night at the campfire Aidan Mullarkey's Tiger Patrol were announced as the winners to cheers from the other patrols. Scout Eamon Cashin was so proud he slept with the trophy in his sleeping bag that night with his arms held tightly around it. Is it any wonder he was being nick named "Cuddles" Cashin?

The bugle appeared again on Monday morning to gently wake everyone up for our last day of camp, which was spent playing games, hiking, eating snack bars and canoeing as well as our resident G.A.A. football and hurling critic, Paddy O'Dea giving his comments on what went right or wrong in the big Cork v. Waterford match in Thurles. 8 p.m. Monday night the parents arrived to collect the patrols and after flag down for the last time everyone headed home after an exhausting and enjoyable camp.

CUB NEWS

Fathers and sons are reminded to keep the weekend July 6, 7 and 8 free for our annual "Father and Son" camp.

In a fortnights time we will be taking part in the Regional Soccer Blitz hopeful of doing well again this year with a team full of talent and skill.

SYMPATHY

We extend our sympathy to all the relatives of the late Tony Forde, who died recently in Boston. To the older generation in Abbey-side scouting, Tony will be remembered as one of the first sixteen scouts invested into the Unit when it was formed way back in 1930.

Ar dheis De go raibh a anam.

PARADE

All scouts are reminded to be at the den at 7.10 p.m. this Friday evening in full uniform when our monthly church parade takes place.

Official Opening Of Ardmore's New Tourism Office

The weather was anything but favourable when Waterford County Manager, Mr. Dan Hurley and Waterford County Council Chairman, Mr. Billy Kyne, jointly cut the tape to perform the official opening of Ardmore's new Tourism Office on Wednesday last, June 5.

Later at a buffet lunch at the Cliff Hotel, the official launch of the Ardmore Tourist promotional brochure took place.

Both functions were organised by the Ardmore Enterprise Co-op which, since its establishment, has been leaving no stone unturned to promote the varied tourist amenities of Ardmore at home and abroad.

Now with financial commitment from the government and from the EC, West Waterford's leading seaside resort is poised for a major breakthrough on the European tourism front.

The new tourist information office should prove of incalculable value to all visitors to the area and it is planned to have it staffed throughout the entire season by local residents Alice O'Brien and Martina Budds.

Mr. Richard Lincoln, Chairman of Ardmore Enterprise Co-op outlined the early undertakings of the group bringing them on to their most ambitious target of the restoration of St. Declan's Way from Ardmore to Cashel, work on which was presently proceeding. He said that £22,000 had been obtained from the EC for this project which was expected to be completed by May of next year.

Mr. Lincoln went on to say that it has cost £8,000 to set up the new tourist office and they were asking 40 local businesses to make an investment of about £200 each to cover this outlay.

Cllr. Kyne, Chairman of the Co. Council having commented on the weather remarked that the rain did not in any way dampen the occasion as it would be welcomed from Ballinacourty to Ardmore for the potato and vegetable crops and our food was now appreciated by everyone as an important part of Ireland's attraction for tourists.

Cllr. Kyne then said that this latest initiative by the Ardmore Enterprise Co-op again high-lighted the hard work commitment of the group and the local support it drew from Ardmore and the surrounding area.

"Waterford Co. Council," he said, "of course are involved in this development of Ardmore's potential and the recently opened Cliff Walk is a perfect example of this. We are committed to helping in any way we can and I would like to acknowledge the work of the Co. Manager and his staff for their efforts so far."

NO POSTERS CALL
In a brief reference to the forthcoming elections for

the Co. Council, Mr. Kyne said that the call by his party (Labour) not to display posters in the Dungarvan electoral area so far seemed to have had the desired effect. "I'm sure all my fellow candidates agree there is no need to plaster the county with posters and I call on the party handlers at regional and national level to follow the lead from the Dungarvan area as it is something which should be welcomed by everyone," he said.

The County Manager, Mr. Hurley, said that this latest effort by the Ardmore Enterprise Co-op in setting up a tourist office showed a continuation of the great community spirit which had been shown from the

very start by the people of Ardmore.

Pleading the continued support of Waterford County Council he reminded the members of the group that there was now a responsibility on them to keep the momentum going and to help to create new jobs within the area.

The new office was blessed by Rev. Fr. M. Reid, C.C., Ardmore and also present were Mr. Bill Walsh, South East Tourism, Mr. John Moloney, Vice-Chairman, Ardmore Enterprise Co-op, Mrs. Currie Hosford, Secretary and Mrs. Margaret O'Brien, Assistant Secretary, do., Mr. Liam Gleeson, Treasurer, do., Mr. Mossie Hallahan, etc., etc.

Letters To The Editor

The Editor, "Dungarvan Leader"

BANNER CARRIERS REPLY

Dear Editor,
As two of the people that carried the banner in Thurles on Sunday week last we would like the opportunity to reply to some of the inaccuracies in a column in your paper last week.

Firstly it wasn't a protest and no offence was given or intended for anybody. Neither were there any hidden innuendoes in the wording on the banner. Banners in recent years have become commonplace in Gaelic Games and we see nothing (or illegal) wrong in expressing a straightforward personal viewpoint that Eamonn Murphy was wrongly suspended and made a scapegoat of by Croke Park administrators. This viewpoint was shared by many Waterford and indeed Cork supporters that we spoke to in Thurles. Incidentally it is a view that is also shared by several journalists in our National Newspapers, most notably Martin Breheny of the Sunday Press.

He wrote — "Assuming for a moment that Waterford have breached the amateur code, is there really anybody out there who believes they're the only one's doing so. Of course not. The G.A.A. management committee know the score as well as anyone else. So why then should they hit Murphy so hard while ignoring the other possible violations of the amateur code. The simple answer is that Waterford was divided on the issue and, when the G.A.A. set about examining the case they had plenty of people in high places in Waterford

who were prepared to cooperate with any probe involving Murphy and indeed Joe McGrath."

At least we see from this that the thoughts of one of the leading Gaelic Games correspondents in the country are at one with the "Mavericks."

Secondly, we would like to refute the ridiculous suggestion that "the purpose of the whole exercise was to bring discredit on the county." How anybody could interpret this is beyond us. Certainly it did far far less to discredit Waterford than some of the officials and representatives of our county who have conspired against our ex-chairman at a time when he and our county teams most needed their support. These people who presume to stand for Gaeldom in Waterford for Gaeldom in Waterford have bitten off their nose to spite their face. Who has been the biggest loser? Waterford hurling and its supporters. We would hope that these people would become less pre-occupied with their bureaucratic ideals and concentrate more on what is good for Waterford.

Finally, we don't feel a sense of shame as your journalist insinuates that we should. But if the day should ever dawn where we will sacrifice the good of Waterford hurling for a personal vendetta against one man that is the day that we will indeed feel shame.

Thanking you for the opportunity to reply,
Brendan Tobin,
Touraneena, Ballinamult.
Paul Ahearne,
Ballyduff, Dungarvan.

KILL NOTES

CONGRATULATIONS
To Mr. Martin Mulcahy, Boatstrand, who recently won a new car in the Co-op draw. We hope Martin has many years of happy driving.

ST. MARY'S G.A.A.
Last Saturday June 8th, our u-14 hurlers qualified for the semi-final of the championship when they comprehensively beat Dun-

hill Fenor in a play-off. Being played in Kilmac' on a wet and windy day the lads coped better with the conditions and were well in front at the end. The team was; J. Keane, M. Ahearne, T. Regan, B. Mooney, S. Hearn, M. Guiry, D. Power, M. Kiely, D. Casey, F. Whelan, P. Lennon, F. Torpey, G. Power, A. Lennon, W. Power.

KILL G.A.A.
Last Friday night, June 7th, our junior hurlers were in action when they took on Ballyduff in Kilmac' on a lovely evening. The lads got off to a nice start scoring some long range points but by half time we were three points behind. Ballyduff increased this to six within a minute of the start of the second half when they scored a goal. Then Kill struck back with Micheal Regan, Sean Michael Regan, and Joe Kennedy all scoring goals. But Ballyduff struck back with two goals, however, the lads held on in a tense finish to win by two points. It was really a marvellous match, in which fortunes swayed with Ballyduff getting two penalties and Kill scoring from superb long range frees. Final score Kill 3-12, Ballyduff 3-10. The team were R. Hennessey, M. Ryan, A. Kirwan, P. Regan, B. Whelan, M. Kiely, L. Lennon, K. Whelan, P. Whelan, (0-2) S.M. O' Regan (1-1), J. Kennedy (1-9), B. Mooney, M. Regan (1-0), B. Brien, D. Power.

BEST OF LUCK
To all those who are at present involved in Intermediate, Leaving and Third Level Exams. It really is a trying time for the youth and they need plenty of encouragement.

THIRD FEILE CHEOIL FOR KILMACTHOMAS

The 3rd Annual Feile Lar Deise takes place on Saturday and Sunday, June 22/23. Opening with an Oiche Cheoil in Stradbally G.A.A. Centre on Saturday 22nd it will feature many of Waterford's best musicians. Then on Sunday at 2 p.m. the music competitions commence in Kilmacthomas. Lar Deise C.C.E. the mid Waterford Branch of Comhaltas are the organisers of this event which has proved very popular with traditional music followers since its inception. The music competitions are confined to non-prizewinners at the County Fleadh Cheoil, and this ensures a reasonable chance of success for the less experienced musicians. The competitions are run not on age groupings but on school classes i.e. 1st and 2nd class, 3rd and 4th class, 5th and 6th class and post primary. As in previous years there will be singing and music sessions as well as street entertainment.

Enquiries re Feile to 051/94316 or 051/93197 or 058/41273.

NEW COUNTY CHAIRMAN

Mairtin O Muirgheasa at-

tended the recent Fleadh Cheoil na nDeise for the first time in his capacity as Co. Board Chairman. Mairtin has been a member of Comhaltas since the early 60's and held a number of positions in Waterford City branch as well as being a member of Munster Council for several terms over the years. Replacing Mairtin as Vice-Chairman of the Board is John Hughes. John was a founder member of the broadly based Lar Deise branch and he is an excellent addition to the Officer Board.

HONOUR FOR WATERFORD SINGERS

When Seamus Brady of the Waterford City Branch was chosen for the two week Irish Concert Tour this year, all agreed it was an honour richly deserved. Another of our singers, Alice Fitzgerald of Naomh Pdraig branch also won acclaim when she was included in the recently released Comhaltas tape of quick and light-hearted songs. Alice is featured singing "Pat Came Over The Hill." Another Waterford singer Aine Ui Cheallaigh of Craobh na Rinne was the main guest at the recent Singers Weekend in Ennistymon, Co. Clare.

EXCELLENT ENTERTAINMENT AT CO. FLEADH

● Picture shows Fleadh na nDeise Committee with special guests Labhras O Murchu, Rev. Fr. R. Doherty, P.P., Paddy Gordon, Chairman Chamber of Commerce, Bertie White, Town Clerk, Paddy Bustin, Area Manager Carling. —(Photo by Pat Crowley)

Long before Labhras O Murchu declared the 1991 Fleadh na nDeise open the sound of music could be heard around Lawlor's Hotel, Dungarvan. Four groups from several CCE branches around the county entertained patrons and those attending the reception. Guests at the reception included Mrs. Mary Dixon, Chairman UDC, Bertie White, Town Clerk, Mr. Pat Gordon, Chairman Chamber of Commerce. Speakers were Rev. Fr. R. Doherty, P.P., Labhras O Murchu, Ard Stiurathoir CCE; Mairtin O Muirgheasa, Chairman Co. Bord of CCE.

CHALLENGE FOR DUNGARVAN

Micheal O Maranain, Chairman of the Fleadh

Committee said that from an economic and cultural point of view it was important to promote our own place. Outsiders like himself appreciated the great natural beauty and amenities of Co. Waterford. Of

the two major festivals in Ireland, the All-Ireland Fleadh and the Rose of Tralee, only the Fleadh was a "movable feast." Could the Traders and Comhaltas not come together to bring the All-Ireland Fleadh to Dungarvan? He hoped the Chamber of Commerce would be motivators in this regard.

DUAL CHAMPION

For young Ismay Crowley of Craobh Lar Deise this year's Fleadh will hold happy memories. In under-12 button accordion and under-12 tin whistle, two of the most hotly contested competitions, she took first place.

Incidentally, Liam Ryan, An Rinn/Seana Phobail, took 2nd place to Ismay in both competitions and both will represent the county in the Munster finals. Full results of Fleadh Competitions will be published in next week's issue.

PLENTY MUSIC

Followers of traditional sessions had some choices to make over the weekend. On Saturday and Sunday up to six venues had sessions with local and visiting musicians, including Bobby Gardiner, Aidan Coffey and Anthony McAuley. Even on Monday music was plentiful and those who remained enjoyed music, song and dance through the day until Monday night.

All in all the County Fleadh brought a festive atmosphere to Dungarvan and while it is likely next year's Fleadh will go elsewhere, the possibility of Provincial and All-Ireland Fleadhanna may be considered in the future.

PENSMAN Takes You Behind The SPOTLIGHT

CHEERIO AND THE BEST OF LUCK ON JUNE 27

The June monthly meeting of Waterford County Council held in Dungarvan last Monday marked the final gathering in the lifetime of the Council which was elected to office in 1985 and as it reached its conclusion at about 4.30p.m. the Chairman, Cllr. Billy Kyne bade farewell to all the members and wished those who were seeking re-election on June 27 every success.

Cllr. Kyne said that over the past six years they all had done their best, working with the County Manager and his staff, to make Waterford a better county in which to live.

Cllr. Jackie Fahey T.D. reciprocated the Chairman's good wishes and paid tribute to him for his impartiality throughout his two terms as Chairman during the lifetime of the Council. He thought that the Council had been an outstanding one which had worked very well for the people of Waterford during their six years in office.

At this stage of the meeting many of the members had already left and there was nothing much else to mark it as the final meeting of the present Council beyond the extraordinarily big number of notices of motion which had been included on the agenda and which indicated that many of those seeking re-election were availing of their last chance of bagging a few extra vital votes.

In all, there were 32 motions listed but the Chairman said that the only way all these could be dealt with was without any debates. Cllr. John Carey then drew attention to the fact that under the Council's standing orders, each member was limited to a maximum

of 6 motions and pointed out that one member had eight motions standing in his name.

It was then agreed to deal with the motions on the basis that each be responded to only with a brief report. The list was then expeditiously dealt with and two, in the name of Deputy Fahey, were disallowed as they exceeded the six permitted.

And so the life of this Council came to an end. Speculation will now be the order of the day until the result of the June 27 election reveals who the members of the new Council will be. The only certainty is that four of the outgoing Councillors will not be returning as they are not going forward for re-election. They are Fianna Fail members Brian Swift and Sean Fahey (the latter's decision not to stand breaks the unique father and son tradition established by Sean and his father, Deputy Jackie Fahey) while Fine Gael members Jim Harty and Monica Walsh have also decided to call it a day.

We agree that the outgoing Council worked well over the past six years and the signs of their progressive policies are to be seen all over the county. We join in congratulating them for serving the people of Wa-

terford so well and in wishing those seeking re-election the best of luck, we add our thanks to those who have now decided to retire from the hurly-burly of public life.

GLOR NA nGAEL AWARDS

Overall winner of this year's Glor na nGael competition was Ennis, Co. Clare which in addition to the Glor na nGael Trophy and £2,500 also won the Minister for the Gaeltacht's award of a further £2,000.

President Mary Robinson presented the awards at a prize-giving ceremony in Ennis last Sunday.

Local winners in the competition were Youghal who won the £350 second prize and Tramore which received a Certificate of Merit for towns in the 5,000-8,000 population categories while An Rinn won the £600 second prize in the Gaeltacht section.

It is worthy of note that Dungarvan was an overall winner of the competition in 1970 while Eochail won the top award in 1974.

CO-OP PIONEER HONOURED

As already publicly announced, Con Dempsey of Shandon Farm, Dungarvan was the winner of the Plunkett Award for Co-operative Endeavour and was presented with his trophy at the ICOS Annual General Meeting in Dublin last month.

Con was one of the pioneers who directed the course of the co-operative movement in Waterford and was one of the principal architects in laying the

foundations of the Waterford Co-op Society which has grown into the giant concern which it is to-day.

Naturally Waterford Foods are justly proud of this distinction which has been bestowed on an outstanding member and celebrated the occasion at the Group Headquarters in Dungarvan last Monday when at a reception and dinner in the Board Room at which Con and his wife Pauline were guests of honour, a private presentation was made to Con.

Guests at the function came from all over and glowing tributes were paid to Con by the Chairman of Waterford Foods, John Barry and Managing Director, Stephen O'Connor, who hosted the dinner and by the many contemporaries of Con who praised his wonderful foresight where the growth of the co-operative movement was concerned. Con in his usual style suitably replied. Completely informal, it proved a most enjoyable and pleasurable occasion.

VANDALISM MUST BE CONDEMNED

The County Engineer, Mr. John O'Flynn speaking at the monthly meeting of the County Council in Dungarvan last Monday drew attention to the fact that many of the plants and shrubs which were planted along the fine new highway which now stretches from Cappoquin to Lismore had been stolen. These had been placed along the roadway to further beautify the area and he said that it was a great pity that they had been interfered with and taken away.

It is difficult to understand why there is so little regard for public property in this country as nothing ever seems to be safe. So unlike other countries, especially on the Continent, where all public amenities are treated with the greatest respect.

Again we can only condemn this rampant vandalism and appeal to the general public for greater vigilance to see that whoever is responsible is caught and suitably dealt with.

DAFFODIL DAY IN WATERFORD

Speaking at a press re-

ception in Dublin last Tuesday, June 11, Dr. John Murphy, Chairman, Executive Committee, Irish Cancer Society announced that the Society's major fund-raising event, Daffodil Day, held on Friday, March 22 last raised £780,000 nationally for cancer relief.

The bulk of the money raised will be used to fund the Society's expanding network of Daffodil Home Base Nurses of which there are seventeen currently employed throughout the country.

Here in Co. Waterford where one of the nurses is based, the amount raised on Daffodil Day was over £27,300.

Fiddler's Green

This week we re-print a real rollicking old ballad which has always been a top choice in any convivial gathering where a sing-song takes place. "Fiddler's Green" tells of the last wishes of an old fisherman who has had a long, happy life on the sea and in the dockside pubs and realises that his time to die is not far away. He's on his way to Fiddler's Green!

As I walked by the dockside one evening so fair,
To view the salt water and take the sea air,
I heard an old fisherman singing a song
Won't you take me home boys my time isn't long.

Wrap me up in my oilskin and jumper
No more on the docks I'll be seen,
Just tell me old shipmates
I'm taking a trip, mates
And I'll see you some day in Fiddler's Green.

Now Fiddler's Green is a place I heard tell,
Where fishermen go if they don't go to hell,
Where the skies are all clear and the dolphins do play
And the cold coast of Greenland is far, far away.

When you get on the docks and the long trip is through,
There's pubs, there's clubs and there's lassies there, too,
Where the girls are all pretty and the beer it is free,
And there's bottles of rum growing from every tree.

Now, I don't want a harp or a halo, not me,
Just give me a breeze and a good rolling sea,
I'll play me old squeeze box as we sail along
With the wind in the rigging to sing me a song.

Wrap me up in my oilskin and jumper
No more on the docks I'll be seen,
Just tell me old shipmates
I'm taking a trip, mates
And I'll see you some day in Fiddler's Green.

RECENT DEATHS

Mr. Michael Flynn

On May 31 we learned with great sadness and regret of the passing of Mr. Michael Flynn, Kilrossanty, Dungarvan and formerly of Stradbally, at Beaumont Hospital, Dublin, after a short duration of illness.

Most of us came to know Michael through the medium of sport. A native of Stradbally, he hailed from one of the area's best known families. During his life he became involved in all aspects of parish life, which gained considerably from his leadership qualities. He was never known to give less than 100% to any cause in which he served. Michael had a life long association with the G.A.A., as administrator, referee and player. He was always on hand to lend a helping hand, give encouragement or share experiences from yester year. Clearly identified as a footballer he will be remembered for his role in bringing five county titles in a row to Stradbally in the years of glory in the forties. For over 20 years he donned the red and white of his native parish, later he gained inter-county honours. With the county as well as with his club he acted as selector. He took up refereeing and up to recently was a regular umpire at the championship games. He was endowed with a pleasant personality and was noted for his good humour at all times. Michael also had a great love of the horse and hound and attended many of the fixtures on the racing and coursing calendar.

A valued member of both the local point-to-point and coursing clubs, Michael

will be greatly missed. His passing has left a void in the community that will be impossible to fill. He touched the lives of many, all of whom will concur that we are richer for his friendship and fortunate that a man such as Michael Flynn crossed our paths.

We extend to Nora, John, Mary and relatives our deepest sympathy on their loss.

On Sunday evening following Prayers of Requiem and Rosary, Michael's remains were brought from the Kiely Funeral Home to Stradbally Church. Guards of honour were provided by Dungarvan Point-to-Point and Coursing Club.

The coffin was draped in the Stradbally G.A.A. flag, and carried to the Church by old comrades through a guard of honour made up of many members of Stradbally G.A.A., a club which the deceased had served so well. Rev. P. Butler, C.C. assisted by Rev. M. Walsh, C.C., Very Rev. G. Power, P.P., Rev. J. Hickey, O.S.A. and Rev. W. Carey, C.C. blessed and received the remains in the presence of a huge gathering who had come to pay their respects. On Monday morning Rev. Fr. Carey, C.C. was Mass celebrant and also recited graveside prayers assisted by Very Rev. Fr. J. Griffin, P.P., Rev. P. Butler, C.C., Very Rev. F. Lucey, P.P., Rev. M. Walsh, C.C. and Rev. J. Hickey, O.S.A. The Lessons were read by Tom Foley and Robin Ahearne while Stradbally Club Chairman, Joe Curran, delivered a graveside oration. May the sod of his beloved Sraid Bhaile rest gently on his noble breast. Go ndeana Dia trochaire air.

Chief mourners — Nora (wife), John (son), Mary (daughter), John Walsh (son-in-law), Mairead Flynn (daughter-in-law), Honor, Catherine, Marian, Charles (grandchildren), Jimmy (brother), Eileen Hartigan, Mary Whelan (sisters) and a wide circle of other relatives including nephews, nieces, relatives and friends.

Mrs. Margaret (Peggy) Cotter (nee Hackett)

A great sadness was cast over the Brickey Valley when the great call was answered unexpectedly on Thursday evening, May 23 by Mrs. Peggy Cotter, Coolcormack, Dungarvan. She was a member of a well-known and highly respected family and was relict of Gerry Cotter, Coolcormack.

Peggy was a kind and charming lady who enjoyed life to the full. She loved her game of cards and meeting people both young and old. Her gentle disposition together with her constant willingness to help those in need made her deservedly popular with a very large circle of friends. Peggy will be sadly missed by all who had the good fortune of her acquaintance but particularly by her son,

daughters, grandchildren and her friends to whom we extend our deepest sympathy.

Following Rosary said by Fr. J. Hickey, O.S.A. at Dungarvan hospital on Friday, May 24 removal was to Modeligo Church where the remains were received and blessed on arrival by Mons. McGrath assisted by Fr. J. Hickey, O.S.A., Fr. O'Brien, C.C., Fr. Byrne, C.C. and Fr. D. O'Callaghan. Following Requiem Mass on Saturday morning celebrated by Fr. Barron, P.P. assisted by Fr. Carey, C.C. burial took place in the adjoining cemetery. Fr. Barron officiated at the graveside assisted by Fr. Carey.

Chief mourners were — Noel (son), Elizabeth, Mary, Margaret, Nora, Ann and Geraldine (daughters), and a wide circle of relatives including sons-in-law, grandchildren and many other friends.

(Funeral arrangement were by Tom Drohan, Dungarvan.)

Miss Mary Foley

The death took place at St. Joseph's Hospital, Dungarvan on Tuesday, May 28 of Miss Mary, Foley, Graigueaurra, Cappagh, after a long illness patiently borne and at an advanced age.

A member of a very highly respected farming family, she herself to all who knew her was a lady possessed of a very gentle nature and her demise is deeply regretted.

The removal took place from the hospital mortuary to Modeligo Church on Wednesday evening in the presence of a very large gathering, fully testifying to her popularity and that of her family and relatives. Very Rev. Fr. Barron, P.P. and Rev. Fr. J. Purcell, C.C. officiated on both occasions. After the funeral Mass on Thursday morning her remains were laid to rest in the family plot in the adjoining cemetery.

May she rest in peace.

Chief mourners — John and Michael Foley (brothers), Mrs. John Foley and Mrs. Michael Foley (sisters-in-law), nephew, nieces and relatives.

She was however, remembered with much affection in her native Ballysaggart and a large crowd were present to pay their final respects as Kathleen was laid to rest in the local cemetery on Thursday last. To her relatives and friends we tender our deepest sympathy.

The draw will be made at a function at Meaghues on Friday night week 21st June.

BALLYSAGGART 1 - 8 ARDMORE 2 - 5

Playing with the very strong wind in the first half we could only manage a six point lead 1-6 to 0-3 at the interval. With heavy showers and the high winds conditions were stacked against us in the second half. The team showed great determination and commitment in the second half did until the final moments - All in all a draw was a reasonable result.

Baylors of Tallow Open Weekend

The appointment of Brendan Baylor Motors, Tallow has been very important in the expansion plans for Yugo Sales, commented Alan Harrison, Marketing Manager of Yugo Cars. We know how hard Brendan has worked over the last few years and we are particularly impressed with the development of their premises and with the facilities for the promotion of Car Sales. This is reflected in the Companies expansion in Waterford and Brendan was one of the First to recognise the Supreme Value Yugo has to offer with its 903cc

Hatchback spearheading the range. The 45A at £6148 ex-works comes during the promotion period with Road Tax, No. Plates and First Registration Fee as part of the Deal. We look forward to meeting all old friends and new ones at our Open Week-End says Brendan Baylor who is delighted to offer the Yugo to motorists.

Yugo cars are now in their third year in Ireland and are celebrating for a limited period with a special attraction 45A which offers metallic blue paint with rear spoiler for only £6,148 ex works.

"A real tonic to the trade and we look forward to getting customers for Yugo", said a very excited Alan Harrison, who is particularly pleased with the recent sales increase for Yugo.

Alan, who is marketing manager of Yugo Cars Ireland says, "we have the best priced motors with specification that is really worth having."

"Our Sana, the top of the range, now has a GL ver-

sion with all the refinements one would expect for such a car. I must say our 1100cc, 3-speed vans which retails £5,400 including VAT are exceptionally good value for business use", he adds.

"We offer through our nationwide dealer network a full support service and parts back-up", says Mr. Harrison.

"All we ask is you visit and check the specification and price for value. Yugo have at present seventeen dealers nationwide to offer support service to all Yugo owners. In addition highly skilled technical staff are at head office to further offer support. Yugo has a comprehensive range of parts available with an excellent range of accessories."

"Each year Yugo continues to offer change in its marketing approach. However, the real value that is offered to the motoring public will always be foremost in our appeal - check the specifications and you will be surprised, then compare competitive prices", says a confident Mr. Harrison.

£300 TO PUT FORGOTTEN VILLAGE ON MAP

Goatenbridge, a little village in South Tipperary, six miles from Ballymacarbry, will be put on the map - but at a cost. South Tipperary County Council are to erect three village signs on the approach roads, but has demanded that the local community contribute £300.00 towards the cost. Local man Mr. Michael Gormally is very unhappy that the residents have to dig into their pockets to pay for the privilege. "We will pay the money but I think we should have the signs by right, we should not be asked to contribute towards their costs". Mr. Gormally makes reference to a lot of money being spent recently on tourist signs for scenic routes while the little village of Goatenbridge just wanted a village sign and the residents have to pay for it. The Council decided to erect the signs following a recent meeting between residents and Council officials. The Goatenbridge deputation also wanted a 30mph speed limit signs erected but got no assurance on this. It was agreed that the village's claim for a speed limit will be reviewed within the guidelines set down by the Minister for the Environment. The council are to paint "Go Slow" signs on the approach roads from Newcastle and Clogheen,

while the village signs will be erected on the three approach roads into the village.

LATE MRS. BRIDGET COFFEY

It is with regret we pen the passing of Mrs Bridget Coffey (nee McGrath), Coolagurtwee, Cappoquin which sad event took place at the Regional Hospital, Ardkeen, Waterford on Wednesday June 5th. Deceased was a member of an old established and respected family the McGraths of Kileagh, Newcastle. Her caring nature, unassuming courtesy, generosity and kindness to all marked her as a true christian, and those who were privileged to know and respect her will deeply and justifiably mourn her demise and cherish her memory. That she will be missed was evidenced at the removal of her remains on Thursday evening from the hospital Mortuary to the Parish Church, Affane, when all walks of life were represented in the large concourse of mourners. On Friday morning Requiem Mass was offered for the repose of her soul after which the funeral took place in the family plot. Sincere condolences in their sad loss to her daughter and family.

LATE MISS MADELINE SULLIVAN

Profound and sincere feelings of regret were

widely expressed at the news of the death which took place at St. Anne's Nursing Home, Melview, Clonmel, after a long illness of Miss Madeline Sullivan, (Bar), Kilsheelan. Deceased was a member of a well known and respected south Tipperary family associated with the public house trade for many years. A quiet and unassuming lady, her humour was as quiet as her manners and commended her to young and old alike. Her brother Paddy Joe Sullivan, retired school teacher at Clonea Power, gave sterling service to the G.A.A. in Waterford. He was for many years chairman of the East Waterford Board G.A.A. He was also a well known referee. On Monday evening June 3rd her remains were removed from the Nursing home Mortuary to Gambonsfield Parish Church, followed by a large concourse of mourners indicating the esteem and high regard in which the deceased and her family are held. On Tuesday morning Requiem Mass was offered for the repose of her soul after which she was laid to rest in the adjoining cemetery. To her brothers and sister and her relatives in the Nire Valley we tender our sympathy.

LATE MR. EDMOND G. FAHEY

The death has taken place at Newark, New Jersey, U.S.A of Mr. Edmond G. Fahey. A native of Windgap, Co. Waterford, he was aged 48 years. He was a bus driver employed by the New Jersey Transit Co. and the Bord of Education. He emigrated to the USA some 20 years ago. To his mother Mrs. Kathleen Fahey (nee Brazil) a native of Lyre East, Ballymacarbry and his wife and family, his brothers and sisters we tender our deepest sympathy.

Time Now To Think About Going To Bed

IN the topsy-turvy weather conditions we now suffer, the first week in June is the safest bet for putting in summer bedding plants.

We can then be sure the danger of frost or harsh conditions has gone.

Bedding plants - half-hardy annuals and perennials - are particularly popular because they offer the chance for a little artistry. Even a modest garden can carry off a bed which, in its own small way, will grab attention as well as those created in public parks and gardens.

Highlight

Instead of a bedding display in their own right, the plants can also be used to highlight a showy shrub. If the subject creates a fair amount of shade then consider using the Semperflorens-type begonias or Busy Lizzies - now available in many colours and candys-tripes.

However, most bedding plants like a sunny spot and a well-worked bed dug over at the start of the year, with well-rotted garden compost mixed in.

Give it another stir up and rake it fine and level about a week before planting and then think out your design. You could opt for either a geometric design of varieties and colours or an often effective and less laborious blend of similar colours and types.

But a good rule is to try and give height in the middle of 'island' beds or at the rear of those against walls or fences, with low-growing varieties at the edges. This approach gives a good display at a distance as well as close up.

Here is a selection of stalwarts for your bed designs:

Lobelia - best known for its vivid shades of blue, it is a fast-growing plant for edging.

Alyssum - familiar white, low-growing plant ideal for edging and poking into gaps in rocks and slabs.

Marigolds - the French type can be set quite close to give masses of rich colour towards the edges of a display while the leggier African variety is ideal for height in the centre or rear of a bed.

Petunias - free-flowering plant offering trumpet-shaped blooms in a range of colours.

Popular

Salvia - spectacular scarlet flower spikes make 'stands' of salvia popular as the centrepiece of a bed.

Geraniums - though popular in pots, boxes and baskets, geraniums also make excellent bedding plants with their blooms standing out on stalks clear of the foliage.

Fuchsias - rather expensive to use in large quantities but useful as specimen plants at the heart of a bedding scheme.

Antirrhinums - better known as 'snapdragons', these are fast growing, come in many colours and are ideal for the second row of planting behind the likes of lobelia.

THROUGHOUT the summer months, Britons will lick their way through £350 million-worth of ice cream - about an average of 60 scoops each. By the end of the year, manufacturers anticipate record sales of £440 million.

This year's estimated 2½ million "guests" (campers) at Britain's holiday "centres" (camps or Holiday Worlds) will eat around 52,500,000 slices of toast by the end of the season. That's close on a slice for every man, woman and child in the country.

12 USELESS FACTS ABOUT OUR SUMMER

If all the cars that overheat in an average British summer were parked bumper to bumper, they would stretch almost 228 miles - or from London to Blackpool.

The heat we all hope we're going to get this summer was generated around 8000 BC when it was 480,000 miles deep in the core of the sun. It takes so long to reach the surface that it has only just arrived!

rules. For instance, many seaside resorts forbid the removal of anything from their beaches, including sand and pebbles.

This summer around 740,000 people will flow on and off Brighton's famous Palace Pier - about five times the population of the East Sussex resort.

On the hottest summer days we drink 1,250,000 pints of lager - enough to fill 104,166 household baths to the brim. Incidentally, if each pint was served in a straight glass and placed on top of each other, they would stand 194½ miles high.

Something like 240,000,000 sneezes (and almost as many "Bless you's") will echo around Britain during the high-pollen summer months from our six million hay fever sufferers.

Of the seven million people expected to visit Britain's leisure and theme parks this summer, some 8,000 will be physically sick after roller-coaster rides.

This summer we will be further from the sun than we were in January - it's true! Since the sun is not exactly in the centre of our orbit, we are actually three million miles nearer to it in January than July!

Blackpool has no beach! Forget the seven miles of golden sands. Officially, it doesn't count. Neither does Brighton, Bognor, Hastings or Clacton because a beach isn't a proper beach unless it has 1,500 bathers in the water per miles, says the EEC.

Each year an average of an inch is worn away from parts of Britain's coastline by the season, weather and other factors. So, this summer, you might have a foot less space to sunbathe in than you would have had in 1975.

The beaches around Britain's 81,000 miles of coastline are not public property. Seventy-five per cent are Crown Estate, the rest are owned or leased by private landlords, councils and other bodies. And, as owners, they make the

IN MEMORIAM

BUTLER — Sixth Anniversary — In loving memory of Bridget Butler, late of Killadangan, who died on June 3, 1985. Mass offered.

Your memory is precious and never grows old,
It is locked in our hearts in letters of gold,
Your presence we miss and memories we treasure,
Missing you always, forgetting you never.

(Her sister Eileen and Paul Keating and her three nephews and her niece.)

CUNNINGHAM — First Anniversary — In loving memory of James Cunningham, Curraireigh, Tallow, who died on June 16, 1990. R.I.P.

TALLOW NOTES

TALLOW FISH OUT
The town of Tallow has limited natural amenities, its principal one being the River Bride. The local Angling Club stocked the river with trout ranging in weight from 3/4 lbs to 2 lbs in the last few weeks.

The Club which is open to everybody has, over the past 2 years, put a lot of hard work into developing fishing in the area. Its members have the support of the landowners in improving access to the river and in erecting stiles and footbridges. The Club has, over the same period, issued day fishing tickets to tourist anglers and it was this money which financed the restocking programme along with the local members fees.

The Club feels that it is playing its part in improving the fishing for everybody, both local and tourist anglers alike. Unfortunately the club hadn't anticipated what the attitude of the local 'join nothing do nothing' brigade would be. They made a concentrated swoop on the river and set about removing the fish using every means possible. Of course those who readily bought up the trout must also carry some of the guilt as without an outlet and the lure of ready cash, the fish would not have been so attractive.

The real tragedy is now emerging because not only have the stocked trout been removed but also the resident wild brown trout. What a pity that all the Angling Club's work has now been in vain. All that was wanted was to improve the fishing for both the tourist and the local angler. The area is starved of tourists who will generate revenue and create much needed jobs in an otherwise unemployment blackspot.

TALLOW G.A.A. NOTES

S.H.C. — Tallow 1-14 De La Salle 2-8 — Tallow senior hurlers were very relieved to hear the final whistle at windswept Dungarvan on Sunday night last. They had won by 3 points and only for a marvellous first half performance may not have been so lucky. This was a game of contrasting halves with a very strong wind blowing into the town goal. Tallow had the use of this wind in the first half, but it took them almost six minutes to score.

At half time Tallow led by 1-11 to 0-1 but in the second half they had to withstand mighty pressure to hold on. Two games played and two wins, we now play

Clonea on this Friday night in Dungarvan and only an all out effort will see us through. We have won nothing yet and it's now the work begins.

Team — Martin Murphy, Tomas McCarthy, Jim O'Donoghue, Colin Cunningham, Ger Sice, Tim Sheehan, Johnny Geary, Mark Geary, Paul Curley 0-1, Mickey Curley 0-3, Steve Curley 0-1, Dermot Henley 0-2, Connie Curley 0-1, Pat Murphy 1-5 (4 frees), Philly Curley 0-1. Subs. — Eamonn Power for Mark Geary (inj.);

Fixtures — Friday, June 14 — (S.H.C.) Tallow v. Clonca in Dungarvan at 7.30 p.m. Saturday, June 15 — (J.H.C.) Tallow v. Ballyduff in Lismore at 7.30 p.m. sharp. Sunday, June 23 — (U-21 "B" F.) Tallow v. St. Olivers in Sunday, June 30 — (J.F.C.) Tallow v. Lismore in Cappoquin.

ST. CATHERINE'S G.A.A. NOTES

Erin's Own Under-12 team were visitors to Ballynoe last Sunday morning to engage the local team in the current hurling league. This game produced some good passages of hurling, but the homesters lacked strength in some positions and as time wore on Erin's Own took command to win well in the end.

Intermediate Hurling Championship at Lisgoold — Middleton 2-11 St. Catherine's 1-12 — With a "Walshless" team, Catherine's took the field against Middleton in this second round tie at Lisgoold last Sunday evening. Aided by the breeze in the opening half they hurled with great determination. Middleton, however, with a sound defense, upset a couple of early scoring chances and at the other end John Fenton opened the scoring for the "Magpies" with a point from a free. Christy Clancy, with skilful and determined play, sent over some splendid points from frees and play. Catherine's backline stood up well to the pressure and Maurice Hartnett, Pat Sullivan and Barry Regan, as well as Patsy Donoghue, Shane O'Connell, Pad Joe Lonergan together with custodian Pat Murphy averted many a dangerous goal incursion, with effective clearances too. Donal O'Leary and Cathal Casey though having to contend with a formidable Middleton pair, played very well and the half-line of Christy Clancy, Seamus Neville and Mike Mellerick kept a good supply of the ball to the full-line of Edward Sheehan, John Mangan and Sean Buckley who were confronted by a strong experienced trio of O'Mahoney, Murphy and Smyth. Catherine's had the better of the first half with Christy Clancy's personal tally of 8 points and his penalty shot which was blocked and

eventually rushed over the line by Cathal Casey, with a couple of more players on hand, for a great goal.

The second half was strongly contested by Middleton with the O'Neill brothers Cleary and Glavin. Excellent work by the Catherine's back-line thwarted likely scoring movements, and Middleton still kept penetrating to notch some good points. Mike Mellerick sent over a great point for Catherine's which rallied them again, and Christy Clancy added a brace of points. Middleton were not to be denied either and from a resultant penalty they scrambled over a goal, which put them in contention. In the dying minutes of the game they sent over a couple of points and in a couple of combined attempts at scoring, Catherine's were denied a goal and with a final minor score by C. Casey, they had to concede victory to Middleton after a wonderful sporting

game which reflected great credit on both teams.

St. Catherine's team was — Pat Murphy, Maurice Hartnett, Pat Sullivan, Barry O'Regan, Patsy O'Donoghue, Shane O'Connell (capt.), Pat Joe Lonergan, Donal O'Leary, Cathal Casey, Christy Clancy, Seamus Neville, Mike Mellerick, Edward Sheehan, John Mangan, Sean Buckley. Subs. — Kevin Barry (used); James Spillane, Pat Clancy, Mike Walsh, Batt Sheehan, John Hartnett, Denis Buckner, Billy Neville.

Lisgoold G.A.A. must be congratulated on providing perfect arrangements as always, and Catherine's with good innings in the league shouldn't be despondent and with football and hurling teams still in the championships — muscaillimis ar misneach is bimis ag nuth leis an seasur eile le congnamh De.

Referee — Willie Horgan.

C.L.C.G. LIOS MOR Monster Cake Sale— The main event in our efforts to raise funds for our Feile na nGael teams trip to Tipperary takes place on this Saturday when a Monster Cake Sale will be held in Lismore Hotel after evening Mass. In former years this event has been our main source of revenue so we appeal to your generosity in making this one even more successful. A team of volunteers will be on hand to accept your contributions at the hotel ballroom on Sat. afternoon and will be only too happy to collect items if requested to do so.

A request list of donations might include such items as cakes, groceries, fruit, vegetables, unwanted pieces of furniture/bicycles/toys, books/magazines, rhubarb, meat, etc. (but no clothes please!)

In the meantime, tickets are on sale in the various shops for valuable prizes which will be drawn on the night - these include roast beef, a beautiful cake, a ham, a bottle of whiskey - big prizes for small money.

So come along on Saturday night immediately after Mass, pick up some bargains or one of the attractive prizes and help a worthy cause.

Blake Cup Final— The final of the Blake Cup for hurling amongst West Waterford Primary Schools was played at Cappoquin on Wed evening last when Lismore C.B.S. met their counterparts from Dungarvan in what turned out to be a thriller.

Dungarvan C.B.S. got off to a flying start and notched

up three goals and a point before Lismore settled down to whittle away what appeared to be an unassailable lead. By half-time they had reduced the arrears to a solitary goal (3-2 to 2-2) and an exciting second half was in prospect.

We were not to be disappointed. Like so many times in the past, Lismore turned on the style on the turnover and produced a classic display to hold their opponents scoreless and turn out eventual winners on the score 4-8 to 3-2.

After the game Mr. Pat Curran, Chairman of the Primary Schools Board presented the trophy to Thomas Veale, captain of the Lismore C.B.S. winning team. Congratulations to the players and mentors on an outstanding achievement.

Team:- David O'Gorman (goalie), Fergus Hickey, Thomas Veale (captain), Michael Caples, Kevin Landers, Wayne Oakham, Garry Keane, Thomas

Barry, David Hannon, David Howard, Alan O'Gorman, Billy Walsh, David Whelan, Eoin Bennett, Pat Carey, Michael Ormonde, Martin O'Gorman, Padraig Walsh, David Fleming, Kenneth Kearney. Ref:- Jim Joe Landers.

Community Festival— Following several months of deliberation and careful planning by a hard working committee, a draught programme of events has now been drawn up. This will be presented for consideration/ratification at a meeting in Lismore Hotel on this Thurs. night at 8.30. All committee members are earnestly requested to attend as plans for the various events must be finalised at this meeting. We have been asked to enquire into the whereabouts of a set of coloured bunting which was taken down and stored after the Festival of 1988 by some well intentioned volunteer. The committee would be grateful if this could be found and made

available for the forthcoming event in August.

Senior Hurling Championship— Lismore took a further step forward in their quest for senior honours when beating Passage by a single point (1-13 to 3-5) at Fraher Field on Sunday last. In a game which was more notable for missed opportunities on both sides, the locals just about deserved their narrow victory but will have breathed a collective sigh of relief at the final whistle. However, a win is a win and we now look forward to this Sunday when our opponents will be Dunhill at the same venue.

Dates for your Diary— The following is a list of the fixtures and dates for the competitions in which we have entered in the Western Championships.

June 15 (Jun. H.) Lismore v. Tallow at Ballyduff 7.30p.m.; June 21 (U/21 F."B") Lismore v. Brickeys at Modeligo 7.30p.m.; June 30 (Jun. F.) Lismore v. Tallow at Cappoquin 3.15p.m.;

July 12 (M.H."A") Lismore v. Dungarvan at Cappoquin 7.30p.m.; July 17 (M.H."A") Lismore v. St. Patricks at Cappoquin 7.30p.m.; July 24 (M.H."A") Lismore v. Tallow at Cappoquin 7.30p.m.; July 28 (JUN.F.) Lismore v. Kilgobinet at Dungarvan 3.15p.m.

U/14 Hurling Championship— Our under 14's continued on their winning way when they accounted for Dungarvan in the divisional semi-final on Monday evening and qualified to meet Abbeyside in the final at Cappoquin on this coming Monday at 7.30p.m. Your vocal and moral support would be appreciated for this, their last match before the Feile na nGael National Finals the following week-end.

Junior Hurling Championships— Following on their comprehensive win over Abbeyside our juniors take on neighbours Tallow on this Sat 7.30p.m. in Ballyduff. This is the semi-

final of the second strings so we can expect stiffer opposition from here on in our bid for section honours.

Inter Divisional Hurling U/14— Lismore had two representatives on the West Waterford team who beat their Eastern counterparts on Sunday last on the score (2-5 to 1-4). They were David Bennet and Maurice O'Connor. Both played a major role in this victory while David also had the distinction of captaining the side. Well done, lads.

Weekly Draw, Week No. 22— £50 Mrs. Rose Campton, West St.; £30 Master John Cahill, New St.; £20 Mr. Mossy Casey, Ballyduff; £15 Mr. B. Nugent, Ballyrafter; £10 Mr. Martin Sheehan, Chapel St.; £10 Mr. Tom Hannon, Ballynaraha; £10 Mr. Kieran O'Gorman, Main St.; Promoters Prize John O'Gorman. The next draw will be held in the Red House on Mon 17 June at 8.00p.m. All are welcome to attend. (Adv.)

CAPPOQUIN NOTES

PADDY McGRATH R.I.P.

The people of the area were shocked to learn of the death over the weekend of Paddy McGrath. A native of Lefanta Paddy had resided in Limerick for a number of years. A banker by profession, he successfully managed the Commercial Bank and later Barclay's in his adopted city. His great sporting hobby was rowing and he was stroke of the highly successful junior eight crew who rowed with distinction both in Ireland and England and later became junior champions of Ireland. A most genial character it was always a pleasure to meet him during his frequent visits home. A tribute to his popularity in the area was manifested by the

number of locals who travelled to his funeral, which took place at Castleconnell, Limerick. Sympathy is extended to his wife, family, mother and brothers on their sad loss. May he rest in peace.

MELLERAY BOWLING

Last Sunday's result Kieran Fraher beat Lar Ormonde. Fixtures Saturday evening 7.15p.m. Brian Whelan v. Pat Dalton; Sunday morning John O'Donoghue v. Tom Farrell.

WHO WILL BE ADMIRAL?

There is great interest locally at the moment in the contest for Admiral of the Blackwater. There are three contestants namely Jim Wall, P.J. Kiely and Bernadette Landers (one wonders how a female Admiral should be addressed). P.J. will fire strong valleys across the bows of the other two when he hosts an American Tea Party on Saturday night. The others will no doubt be arranging salvos of their own. So the local Scout Troop should reap a good harvest.

SINGING COMPETITION

Two local pubs are through to the Semi finals of the Carling Singing Pubs competition namely the Central Bar and Fawlties and are now awaiting winners from other rounds.

AT THE SPORTSFIELD

There was a very heavy programme at the venue last weekend starting on Saturday evening with the senior hurling championship clash of Dungarvan and Ballyduff. The old Boró boys are still finding the going tough in this grade. We are aware that

they had hoped for better things this season but have now lost their first two games. One suspects however, that they will still be able to do enough to stay up. The Reds didn't look world beaters either but they won and no doubt will improve as the campaign goes on.

Final score Ballyduff 2-9 Dungarvan 1-4.

Referee J.J. Landers (Cappoquin/Affane)

On Sunday afternoon we had two games in the ever popular junior hurling championship. A good crowd turned up (the followers always love the true grit of the junior) and there was a great atmosphere and what more could anybody want. The opening game was between Ballysaggart and Ardmore and both sides will be claiming that they should have won, nevertheless they will no doubt be happy with the share of the spoils. For both of them much has to be done in the area of fitness if they are to have any chance of being in the final shake up.

Final Score Ardmore 2-5 Ballysaggart 1-8.

The second game was between An Rinn and Clashmore and was at times an absorbing struggle. An Rinn were county finalists last year and while they are still not up to that form, they will, no doubt, have hopes of going that one step further in 1991 and let it be said they will be difficult to beat because on Sunday they held out against a teak tough Clashmore side which can also lay strong claim to that elusive county title. We can only ponder what will happen but we certainly look forward to seeing all four at the sports-

field in the later stages of the competition.

Final score An Rinn 2-12 Clashmore 2-7.

Referee (both games) E. Cunningham, Tallow.

THIS WEEKS QUESTION

High tide at Cappoquin is later than Youghal by how much?

Answer to last week's question Main St - (now the Toby Jug).

CAPPOQUIN/AFFANE G.A.A. NOTES

I.H.C. v. Shamrocks— Our opponents in the third round of the intermediate hurling championship on Saturday night next will be Shamrocks. The game is timed for 7.15p.m. in Lismore. Shamrocks have scored impressive wins to date and will probably start favourites but our lads have full points also from their two games so it is all to play for on Saturday night. It is important we keep our winning roll going but nothing less than a non-stop effort for the entire game will be good enough.

Supporters— It would be nice to see some good support for our team on Saturday night, so let us see you all behind the lads and give them the "backing on the ditch".

Training— Attendance at training has been far from satisfactory in recent weeks. So from here on in

let us get that full commitment we were promised from everyone last February. If we are to make any progress in the championships it will take plenty of pain and sweat. So come on lads. let's make the effort, we want to see a full squad of players in the field, not just the faithful few.

Injuries— Sean Costin and Maurice Cahillane picked up injuries last weekend. Let us hope both will be fit for the fray on Saturday night.

A Pillar To Post Winner At Clonmel

At Clonmel last Thursday evening the David McGrath trained "Bucks Adage" (5/1) in the colours of Mr. M. J. O'Brien scored easily in the opening Galtee Hurdle.

Giving Tipperary jockey Willie Slattery his first of two winning rides at the meeting (he also steered outsider "Toome Lady" to a 16/1 win in the Manor Produce Handicap Hurdle), "Buck's Adage" led from pillar to post and won by a distance from "Galley Gale."

BOARDSAILING

Fosters 3 Harbours Open Event

The Fosters 3 harbours open boardsailing competition turned out to be a thriller on Sunday last in ideal conditions at the Gold Coast with strong South Westerly winds.

A record attendance of participants from Dublin, Cork, Kilkenny and Tipperary joined the local club members in the competition.

The course was planned

for optimum punishment by "officer of day" Richard Dalton.

From the Gold Coast, the beat to Ballinagoul harbour was quite demanding. The fleet continued to Helvick harbour and from there reached back into Dungarvan Quay. The final leg back to the Gold Coast saw quite a number of spills, but despite of the rough conditions all competitors

made it, unaided, to the Gold Coast.

The winners were as follows:— 1st Brian Horgan, Oysterhaven; 2nd Sean Flanagan, Dublin; 3rd Rory Allen, Cobh. First Lady — Caroline Gordon, Gold Coast.

The Gold Coast Boardsailing Club wish to thank Beamish and Crawford for their generous sponsorship of this enjoyable event.

Shamrocks G.A.A. Notes

The intermediate hurlers had a good win against St. Mollerans in Dungarvan last Saturday. Shamrocks' next game is against Cappoquin in Lismore next Saturday.

The U14 hurlers defeated the Brickey's in Cappoquin last Sunday morning and have qualified for the Western Semi Final.

John Fenton and Danny Culloty of Cork brought the McCarthy and Sam McGuire Cups to Knochanoore school on Monday.

Finally, the club would like to congratulate Gerard Power, a former player with the club, on his first winner as a professional jockey and hopefully we will see him back playing with the club some day.

F.A.S.

Our FAS scheme under the leadership of Christy Power is in full swing at the moment, and the improvements to the playing pitch, (it was like a snooker table last week-end) and surrounding grounds have been the subject of very favourable comments of late. Keep up the good work lads.

CARDS

Peg O'Murchu and Evelyne Lally were the card winners on Sat. night last. The 3 table drive has recommenced on Sunday nights for the foreseeable future, and you are welcome to come along for a game under the watchful eye of Jacinta.

YANKEE DOODLE

3 and 61 were the numbers on Sunday night, and there was no winner, £160 next week. Incidentally, happy birthday to Breda Walsh (who looks after the Yankee Doodle for us) on celebrating her birthday last week. Also to hubby Martin who had a birthday recently.

U11 CUP QUARTER FINAL

Dungarvan 4 Ferrybank 2.

Our U11 Team were in action on Sunday morning last, when they played Ferrybank in the Quarter Final of the cup at a wind swept Kilrush Park. We started very well and were one up after five minutes when Vincent Sullivan was first to react when the 'keeper could only parry a fierce drive from Colin Hayes. We were two up shortly after when Vincent crashed home a great volley from a Donie Kelleher corner. We left Ferrybank back into the game after this and they got a goal back from a free kick. Half time 2-1.

With the wind at their back, Ferrybank came at us from the start of the second half, and but for great defensive work from Kevin Whelan, Paul Foley, and the outstanding Colin Hayes we could have been in big trouble. The Blues were not to be denied, however, and a third goal from Vincent Sullivan seemed to wake us up, and we got our fourth when Alan Harty headed home after good work by Bernie Crotty. With seconds remaining Ferrybank got their second goal when we failed to clear a corner kick. We now play Carrick on Wed. 19 in Kilrush Park, (kick off 7.00p.m.) in the Semi final and a big improvement from some players will be needed if

we are to advance to the final.

Panel:— Owen Morrissey, Donie Kelleher, Paul Foley, Colin Hayes, Kevin Whelan, Diarmuid Keating, Kevin Walsh, Bernie Crotty, Alan Harty, Vincent Sullivan, Paul Deegan, Damian Tutty, Craig Cowming, Colum Barry, John Power.

Fixtures:— Wed 12 U14 Cup Quarter Final, Johnville v. Dungarvan 7.00p.m.; Thurs 13 U12 Cup Semi Final, Carrick v. Dungarvan 7.00p.m.; Sat 15 U15 Cup Semi Final, Dungarvan v. Carrick 2.30p.m.; Mon 17 U14 Cup Semi Final, Tramore or Southend v. Johnville or Dungarvan 7.00p.m.; Wed 19 U14 League, Southend v. Dungarvan 7.00p.m.

We played the Brickey's last weekend at Bushy Park in a challenge match. We were not at full strength and it gave us a chance to try out young players. Martin Curran was back after a long lay-off with injury and he came through the hour very well. This was a good open game of football with some good scores by both sides. We won by 2 points. The team was D. Whelan, S. Wade, J. Walsh, Bud Hourigan, M. Power, M. Donovan, M. Curran, D. French, J. Flynn, K. Power, T. Hogan, M. Quann, K. Harty, M. Hogan, C. French. Subs D. Mansfield for J. Stradbally G.A.A. News

HURLERS V. ERIN'S OWN

On Saturday evening next, June 15 our hurlers play Erin's Own in the championship in Dunhill at 7.30 p.m. This is a game the Reds must win, if they are to have any chance of staying in the championship. After last week's display a win is possible, but we must play direct first time hurling at this level if we are to be successful.

THE LATE MICKEY FLYNN R.I.P.

Over the holiday weekend when the word came through that the Lord had called Mickey Flynn to his eternal reward, Stradbally Club had lost a great ambassador as Mickey was known as "Mr. Stradbally" to all the entire county. He was a great servant of the Gaelic Athletic Association and in particular the Cove Club where he served every office and was al-

ways to the fore, particularly when the sale of work came around. He won a minor medal in 1937, senior medals 1940-44, junior medal 1957, was a selector on Stradbally teams and served twelve years as county selector.

The club offers its deepest sympathy to his wife Nora, son John, daughter Mary, brother, sisters, relatives and friends. May he rest in peace.

The club paid their re-

spects to their loyal clubman, Mickey, when chairman Joe Curran gave a graveside oration where he spoke of a true clubman — it was always Mickey himself who gave the orations for the other club members. The coffin was draped in the club colours and club members formed a guard of honour. The Lessons were read by Robin Ahearne and Tom Foley.

THE LATE FRANKIE WALSH

Great sadness was felt with the sudden passing of our club member Frankie Walsh last week. Frankie was a great club member and his passing has been a great loss to his mother, brother and sisters, to whom the club offers its deepest sympathy.

ON COUNTY WINNING TEAM

Our club players Eoin and Fintan O'Brien were on the Waterford senior football team, which beat Cork last week in a tournament played in Dungarvan. They were presented with beautiful trophies.

IT MUST BE A RECORD?

With our first round senior football game v. Butlerstown not until June 30, surely this must be a record for any club playing in a league — but it is certainly no fault of anybody as nothing could be done with the cancellations and our thanks go to the Fixtures Committee for their help with our own cancellation.

HURLERS NARROW DEFEAT

Our intermediate hurlers suffered a one point defeat in the championship last week, when St. Saviours were winners on the score of 2-7 to 2-6 in Kilmacthomas. This was a big improvement from our previous round and certainly our younger players are improving and in particular Oliver Costelloe had a great game in the backline. However, we must play direct hurling if we are to make headway.

Team — P. Curran, T. Walsh, C. O'Brien, M. Coffey, O. Costelloe, P. Mullaney, F. O'Brien, P. Halpin, G. Hogan, M. O'Brien, E. O'Brien, K. Heffernan, N. Costelloe, P. Foley, L. O'Brien. Subs. — T. Gough, M. Kiely.

"We understand this game had a 3 p.m. start — but did not get underway until 3.20 p.m."

LIKE FATHER, LIKE SON

In our last two hurling championship games, we had fathers and sons playing. Last Sunday we had Noel and Oliver Costelloe and the previous weekend we had Colm and Michael Barnes. A nice little bit of history for the records.

EOIN OUT INJURED

Our inter-county player Eoin O'Brien suffered a serious injury in last week's game and could be out of action for a while.

Geraldines 1-8 Ballinameela 1-6 — In a hard fought and very sporting game we had two points to spare over Ballinameela in the first round of the junior hurling championship which was played in the Sportsfield, Cappoquin on Sunday evening last.

This was our first win for a long time. Playing with a strong wind in the first half we led at half time by 1-6 to 0-3. Ballinameela got a goal early in the second half and we were under terrible pressure in the closing stages of the match, but we held out for a good win in the end.

SENIOR HURLERS DEFEATED

At Cappoquin on Saturday night last, we suffered our second defeat in the Senior Hurling Championship when we were well beaten by a strong Ballyduff side on the score, 2-9 to 1-4. A "gift" goal to our opponents early in the game, made our task an uphill one and even though we tried hard, we were always struggling to catch our opponents.

NEXT GAME

On Saturday night next we play Ballygunner in the next round of the Championship and while the city side are strong opponents, we can cause a surprise here if we apply ourselves properly, and with discipline. We have the hurling ability so let's get out there and do it.

CLUB MEETING

Our Adult Committee will meet tomorrow night (Thursday) in Lawlor's Hotel at 8.30p.m. This is a special meeting to discuss some important Field Committee recommendations. All committee members are requested to attend.

SUPER BINGO

Last Friday, being the first Friday of the month, was "Super Bingo" night for the club in the Friary

Hall and the lucky winner of the "Jackpot" prize of £500 was club member, Sean Callaghan. Well done to Sean and all the other prize winners and we hope to see you all again next month D.V.

CONGRATULATIONS

On behalf of all in the club we extend congratulations to Pat Power on his recent marriage to Miss Alma Shanahan, Abbeyside. Pat is of course, a valued member of our Senior Hurling panel. Alma is no stranger to the hurling either as her brother John, playing for Abbeyside, has been "a thorn in our sides" on many an occasion. Again, to both Pat and Alma, we wish you both many years of happiness together.

JUNIOR HURLING

At Cappoquin on this Saturday night we play Ballyduff in the second round of this championship and a repeat of our display against Cappoquin a couple of weeks ago and we could make amends for the defeat of our Seniors last weekend.

U21 FOOTBALL

Just a reminder to our U21 Football panel that we play Affane on Thursday, June 20 in Abbeyside at 7.30p.m.

United Win "Clash Of The Titans"

Included in the photograph above prior to the commencement of the game are the teams and subs., Billy Kyne, Chairman Waterford County Council, Mary Dixon, Chairman Dungarvan U.D.C., Richard Dalton, Jeweller (sponsor), Niall King (Sesame Pre-School), match officials and members of Dungarvan United and WLR FM.

DUNGARVAN UNITED XI 2 W.L.R. FM XI 2 (Dungarvan won 5-4 on penalties)

One of the biggest crowds of the season turned up at Kilrush Park for the eagerly awaited "Clash of the Titans" between a very experienced (old?) Dungarvan Utd. XI and the W.L.R. FM "Airwave Assassins" XI.

Both sides have delved into the transfer market since they last met with one of the all time greats, Johnny Mathews, lining out for W.L.R. FM and Alfie Egan having been signed by Dungarvan for an undisclosed fee from Bognor Regis Girl Guides just before the transfer deadline.

Dungarvan Brass and Reed Band got the evening off to a lively start and their rendering of some well chosen material went down a treat with the attendance.

This was rounded off to perfection with the spectacular arrival (by tractor of course) of that one and only "Voice of the Comeragh's" Tom Clohessy, who even found time to give Shaun Organ a hand on the public address.

Cllr. Mary Dixon, Chairman of Dungarvan U.D.C. and Billy Kyne, Chairman of Waterford County Council were then introduced to the team and "Amhran na bhFiann" was played by Dungarvan Brass Band.

The pre-match formalities having been dealt with the game was set in motion by "Mr. Danish Bacon" himself Tony Wall.

Dungarvan played towards the town goal in the first half, with the assistance of a glaring sun, having won the toss for the second year running because of "Stalky's" double

headed coin.

The homeside started the better and with "J.R." O'Shea and Mickey "Mississippi" Hickey pushing forward at every opportunity, began to dominate the early proceedings. After only 4 mins. a right wing cross by John "Sticky Rock" Keane was headed home by Paddy Joe Drummy to give the Blues a tonic start. Better was to come from the homesters, when "Sheik" Liam Sandford was bundled over in the area and "Sticky Rock" scored his first goal for four years from the resultant penalty.

Spurred on by "Mindbender" Matt Keane on the touchline the W.L.R. FM XI pushed Dungarvan back and after 15 minutes Paul Reynolds was taken down by Martin "Rocky 14" O'Sullivan, but to the relief of the Blues, Micheal O hUallachain produced the first of a string of breathtaking saves, to deny John Power.

As the half wore on the W.L.R. FM side came more and more into the game with Tommy O'Keeffe and Matt Wall excelling while the guile and craft of Johnny Mathews and the strong running of O'Connor and Timmy Ryan caused endless problems for a hard working Blues defence.

Half time arrived, however, with the score Dungarvan 2 W.L.R. 0.

NO CHANCE

The second half was only

5 minutes old when from a left wing corner, Matt Wall gave O hUallachain no chance with a powerful header from close range. It was real backs to the wall stuff now for the Blues and W.L.R. FM were in control.

Referee Mr. Wall awarded his third penalty of the night when Shay Searson was deemed to have been fouled in the area by Hickey. This time skipper Tommy O'Keeffe stepped forward to take the penalty but once again that man Michael O hUallachain dived full length to his right to palm the ball around the post for a fruitless corner.

The big moment for the fans now arrived when Tom Clohessy came on to add much needed punch to the W.L.R. FM attack and his presence was felt immediately when after a mazy run he was scythed down by a terrible and most un-Godlike tackle from Jimmy "God" Healy, which resulted in a yellow card being flashed by Tony Wall. Jimmy Healy now holds his place in the record books having become the oldest player ever to have been booked at Kilrush Park.

From the resultant free kick W.L.R. FM gained a corner from which a deserved equaliser was got by Matt Wall.

So to penalties and after a nailbiting shoot-out Dun-

garvan XI came out victors on a 5-4 scoreline.

Mr. Richard Dalton, Dalton Jewellers, then presented the "Charity Shield" to Martin Walsh, captain of the Dungarvan XI and the winners medals were also

presented to the Blues. A gallant Tommy O'Keeffe led his forces forward to receive their runners-up medals amid loud applause.

We would, of course, like to sincerely thank

Dalton Jewellers for their very generous sponsorship. Thanks also to Niall King, Christy Power and all who helped to make the night such a resounding success, financially and otherwise.

RAILWAY ATHLETIC (CAPPOQUIN) F.C. NOTES

Railway Are U-13 T.S.B. League Champions

RAILWAY 3 SOUTHEND UNITED 1

Club history was made on Tuesday night of last week when our under-13 team took the league title. Southend United from the city were our opponents and they were in second place.

Our lads were all keyed up for this one and got straight into attack and ten minutes into the game Garry Keane got our first goal. We started to control the game with Niall Maher clearing everything at the back and Diarmuid Coughlan controlling the midfield and midway through the half we got a free-kick outside the box. Martin Ormond took the free-kick which went all the way to the net "eat your heart out Gazza." That's how the first half ended.

The second half started with Southend going straight into attack looking to get a goal back. Midway through Southend got a penalty when one of our defenders took a Southend player down. The Southend player missed the penalty, but five minutes later they got a goal. This seemed to wake our lads up and a James Manahan pile driver from outside the box went straight to the net. This goal finished Southend and the game was all over as a contest and there were great scenes of celebration when Michael Fraher blew the final whistle. Some club officials took an early shower when some players left the water flow.

I would like to say well done to all of the Under-13 squad and most of all to their very dedicated manager Martin Reddy.

Team — Glenn Arrigan, Stephen Quinn (capt.), Mal Maher, Ward Fraher Michael Manahan, Martin Ormond, James Manahan,

UNDER-12 CUP SEMI-FINAL

On this Thursday night our U-12 side will play Tramore "A" in the semi-final of the cup at the Danes Field at 7 p.m. This team are having a brilliant season and they are still in the Under-12 league. Carrick dropped a point and if they win their remaining games we will have to play

in a play-off. So it's all promising for our Under-12 lads. Let's hope they get all the support they deserve on this Thursday night.

DUNGARVAN UNITED U-15 NOTES

Blues Still In Contention

Our U-15 side are still in contention for the league and cup thanks to some good results recently. In the league they travelled to St. Saviours and beat them 6-4. They travelled to Carrick on Thursday week last and beat the home side 4-1. On Saturday last they beat a fancied Johnville side 3-1 at Kilrush Park on a dreadful day for football. They went a goal down midway through the first half. The Blues drew level before half time, thanks to a B. Elstead goal. Goals from Barry Cliffe and Conor Murphy secured the points in the second half.

In the cup campaign the Blues were at home to Tramore in the first round and advanced thanks to a 2-1 victory. They were at home again in the second round to Piltown and they overcame the South Kilkenny team 3-2 in a

close fought encounter. On Saturday week last they travelled to Carrick to take on the locals in the semi-final. After a very close fought encounter which went to extra time the game ended in a 3 all draw. The replay of this cup semi-final will take place on Saturday next, June 15 at 2.30 p.m. in Kilrush Park, we would hope for a lot of support.

The winners of this game will play Southend in the final.

Dungarvan Panel — M. Cummins, M. Hyslop, D. Wall, M. Cowming, R. Finnegan, T. Kiely, C. Murphy, J. Hyslop, A. Lancers, B. Elstead, B. Cliffe, T. Butler, C. Walsh, M. Lynch, D. Walsh, F. French.

We wish a speedy recovery to Richie Finnegan, who is out injured at the moment.

Statement By Schools G.A.A. Board On Withdrawal Of Coaching Scheme

Coiste Iar-Bhunscoileanna Portlairge C.L.C.G. (Waterford Post-Primary Schools G.A.A. Board) has issued the following statement concerning the withdrawal of the Co. Board Hurling Coaching Scheme from second level schools and colleges:—

The Waterford Post-Primary Schools Board recently passed a resolution at it's A.G.M. calling on the Waterford Co. Board to re-instate the Co. Board Coaching Scheme to all second level schools in the county. The scheme was withdrawn without notice from post-primary schools last January and Coiste Iar-Bhunscoileanna is seeking the support of all clubs in the county in its attempt to have adequate coaching available to all second level students from September next.

The teachers involved in training last year's successful C.B.S. and De La Salle College hurling teams readily acknowledge the part played by the County Hurling Coach in their success, not only in the actual training of the teams, but as a resource person who advised on coaching methods, organisation and strategy.

The discontinuation of the hurling coaching scheme is in marked contrast to the efforts of other sporting bodies to promote their games in second level schools. The Munster Branch of I.R.F.U. recently provided intensive coaching, training aids and special competitions for non-rugby playing schools. The schools F.A.I. regularly provides graded certified coaching courses for teachers.

Coiste Iar-Bhunscoileanna suggests that the County Board examine the coaching scheme as it is organised in Wexford where a number of assistant coaches operate under the supervision of the County Coach. In Tipperary the FAS

Scheme has helped in the provision of football coaches who work under the supervision of Mick O'Connell.

The Post-Primary Schools Board is also dismayed at the continued failure to provide a county football coach and supports those clubs seeking to rectify the situation. Surely there would be no better way to build on the success of St. Paul's College and Tramore C.B.S. than to provide such a coach.

Coiste Iar-Bhunscoileanna Portlairge sees the work done by the Waterford County Board coaches as the most positive development for many years in Waterford G.A.A. circles. Its extension once more to post primary schools, where many young people make decisions which affect their sporting and recreational activities in adult life is essential for the continued development of hurling.

Frank O'Callaghan, P.R.O.,
Coiste Iar-Bhunscoileanna Portlairge.

COMPETITION RESULTS 1990-91

Coiste Iar-Bhunscoileanna Portlairge organised nine competitions in hurling and football in the school year just ended. The winners were as follows:

SENIOR HURLING CHAMPIONSHIP

Lismore Win In Thriller

LISMORE 1-12 PASSAGE 3-5

Lismore hung on in a welter of excitement to deny Passage a draw in this sometimes thrilling senior hurling championship clash played at the Fraher Field, Dungarvan on Sunday last.

At times the hurling was brilliant and at times passions ran high and in the end Lismore survived by a hair's breadth when it looked as if Passage might salvage a draw which would not have been undeserved.

Again the weather had a big influence on the game which produced two contrasting 30 minute periods.

Lismore played with the strong wind behind them in the first half and had built up an 0-9 to 1-1 interval lead. The question at the break was whether they had done enough in the first half to help them withstand the anticipated Passage onslaught in the second.

Passage's first half goal came from Richard Corcoran in the 4th minute against the run of play. It was a great morale booster for the Eastern side and kept them in touch with Lismore who completely dominated the exchanges in this first period but who, in fact, failed to get a just return for their efforts score-wise.

They were denied what looked like a certain goal in the 6th minute when Ray Barry brought off a tremen-

dous save from Barney Prendergast but it was the Lismore attack which nearly brought about the team's undoing when they shot thirteen wides which resulted in an unflattering half time lead of five points (0-9 to 1-1).

ENTHRALLING STRUGGLE

The second half produced an enthralling struggle with points coming tit for tat and after seventeen minutes Lismore still held their five points advantage at 0-12 to 1-4.

A Paul Barry goal for Passage in the 21st minute left the game wide open and within a minute Anthony Fitzgerald was denied twice in succession, one effort being cleared off the line by a Lismore defender.

Within minutes Sean Daly found Dunhill's net after a pass from Brendan Lawton left him clear but before they had time to celebrate Anthony Fitzgerald found the Lismore net to leave just two points between the sides.

It was gone full time when Fitzgerald pointed a free to cut the arrears to a single point but Lismore

hung on to their narrow lead to take the vital points.

The game was not without controversy, and midway through the second half referee Davy Duggan of Butlerstown "sacked" his two linesmen, replacing them with neutral flagmen.

Scorers: Lismore — S. Daly 1-8; B. Prendergast 0-2; P. Prendergast and S. Prendergast 0-1 each. Passage — A. Fitzgerald 1-1; R. Corcoran 1-0; P. Barry 1-0; V. Barry 0-2; P. Connors and P. Fitzgerald 0-1.

SENIOR HURLING CHAMPIONSHIP

Fourmilewater Hang On For Narrow Win

FOURMILEWATER 3-4 DUNHILL 1-9

The very strong wind dictated the pattern of play in this senior hurling championship clash played at the Fraher Field, Dungarvan, on Sunday last.

Fourmilewater had the advantage of the wind in the first half and consequently dominated the play totally. Their 1-4 to 0-2 interval lead however belied the extent of their superiority and a string of missed chances during the half nearly proved fatal.

Their goal came from Michael Guiry in the 7th minute and they were 1-3 up before Kevin Murray had Dunhill's first score, a point in the 22nd minute. Despite all their dominance, however, they looked to be in trouble at the interval and this contention seemed to be coming true as Dunhill shot over two early points in quick succession after the change over to narrow the gap to a goal (1-4 to 0-4).

LETHAL BLOWS

But then in a remarkable thirty second period Fourmilewater struck two lethal blows which settled the outcome of the game.

Michael Guiry broke through for a goal in the 5th minute and this score was barley recorded when Pat Ryan, moved from defence to attack, shot home another goal. This left them three goals clear and (although they failed to score again) gave them the cushion they needed as Dunhill fought back during the remainder of the game and came within a whisker of taking the spoils.

Liam Og Daniels pointed for Dunhill in the 15th minute and Kevin Murray added another two minutes later. Tom Casey came on as a sub. and his inclusion brought new life to Dunhill and his superb point from a sideline cut in the 22nd minute was the inspiration they needed. Casey himself pointed a free in the 24th minute and there was non-stop excitement as Dunhill pressed for the match saving scores.

Just seconds from time veteran Tom Moore scored a brilliant Dunhill goal from a thirty yards drive to leave just a point between the sides and Fourmilewater had to sweat out the seconds in "time added on" as they fought a rearguard action but time was on their side and they held on for a narrow but deserving win.

In truth the Western side should never have found themselves with their backs to the wall as they should have had the game sewn up in the first half but full marks to Dunhill for a great second half fight back which nearly came

off.

Scorers: Fourmilewater — M. Guiry 2-1; P. Ryan 1-0; T. Condon, G. Walsh and P. J. Mulcahy 0-1 each. Dunhill — T. Moore 1-1; T. Casey 0-2; K. Murray 0-2; S. Burns, T. McGrath, L. Og Daniels and P. J. McGrath 0-1 each.

Fourmilewater — S. Guiry; E. Ryan, B. Ryan, P. Ryan; T. Walsh, R. Guiry, I. Walsh; T. Condon, P. Walsh; E. Wall, P. Walsh,

B. Walsh; G. Walsh, K. Mulcahy, M. Guiry. Sub. — P. J. Mulcahy for K. Mulcahy.

Dunhill — J. Power; A. Raheer, J. Power, W. Moore; M. Murray, L. Og Daniels, P. J. McGrath; S. Burns, P. Murray; M. Kavanagh, T. McGrath, D. Murray; P. Foran, T. Moore, K. Murray. Subs. — T. Casey for M. Kavanagh; J. Kinsella for D. Murray.

SENIOR HURLING CHAMPIONSHIP

Ballyduff Win Hotly Contested Clash

BALLYDUFF 2-9 DUNGARVAN 1-4

[By "Commentator"]

A total of four players were sent off in this hotly contested second round senior hurling championship tie at Cappoquin on Saturday, but it is not true to say that it was an unsporting contest.

Ballyduff were the better team and with midfield supremacy, held a half-time lead of 1-5 to 0-1 for Dungarvan. The second half was more even, but Ballyduff scoring their first win since losing to Roanmore in the final last year, were able to notch the scores which kept them rather safely in front.

A goal by Ger Hickey within 20 second of the start gave Ballyduff an unexpected lead. Paudie Prendergast added points in the 7th, 8th and 11th minutes before Dungarvan had their first score which came in the 15th minute when Morrie Ferncombe pointed a free. Clem Feeney had points for Ballyduff in the 28th and 29 minutes to leave them 1-5 to 0-1 in front at half time.

Paudie Prendergast and Dermot Flynn both pointed on the turnover and Derek Lyons had a 33rd minute goal which brought Dungarvan back into contention. Clem Feeney pointed in the 38th min. and Dermot Callaghan and Morrie Ferncombe reduced the winners lead in the 38th and 42nd minutes. Dungarvan seemed to be coming more into the game when Ballyduff's full-back shot

home a semi-penalty to put the result beyond doubt in the 51st minute.

Dungarvan's final score came in the 45th min. when Morrie Ferncombe pointed and Paudie Prendergast had the final say for Ballyduff with a pointed free in the 59th minute.

John Casey, Ballyduff and Martin Sandford, Dungarvan, were sent off in the 40th minute and Gerome Quirke and Eddie Burke were sidelined in the 50th minute.

Ballyduff — Michael Leamy, Maurice Geary, Liam Power, Seamie Daly (capt.), John Casey, Seamus Daly, Mossie Casey, Paudie Prendergast, Richie Walsh, Gerard Hickey, Bob Tobin, Gerome Quirke, Clement Feeney, John Quirke, Dermot Flynn.

SENIOR HURLING CHAMPIONSHIP

Tallow Hang On Against 'Salle Fight Back

TALLOW 1-14 DE LA SALLE 2-8
[By "Commentator"]

A Noel Dalton point in the 26th minute was the first and only score for a labouring De La Salle and matching this against a 1-11 scoreline for Tallow at the half-way stage everyone believed that the game was all over bar the shouting. Going out to prove us all wrong, De La Salle played some brilliant stuff in a great second half that must have caused many anxious moments on the Tallow bench as the city team playing only their second senior championship game in over 20 years, came to within two points of catching them.

De La Salle were the bigger side and Tallow had to bring all their skill and experience into play to overcome this exciting challenge.

Tallow were slow to start and it was the 7th minute before they opened their account and this came when Pat Murphy pointed a free. A minute later he had another and then to illustrate how much on top they were the Western team had a succession of points per Pat Murphy, again, Mickey, Stephen, Connie and Paul Curley and Dermot Henley before De La Salle had their first score. Mickey Curley, pointed in the 27th minute before top scorer Pat Murphy had their only goal in the 28th min. and this was followed by a Philly Curley point in the 30th minute.

The second half saw the Eastern team in a much different light. County player Johnnie Brenner had a point in the 4th min., but this was negated by a Murphy point at the other end. A Johnnie Griffith goal in the 9th min. sparked off a resurgence in his side who followed with points by

Dalton, Duggan, Brenner and Griffith to leave the score 1-12 to 1-6 at the three-quarter stage. Mickey Curley pointed and from the puck out Ger Brenner had a point to leave just two points between them. Then on the 58th minute Pat Murphy pointed the last score of this very enjoyable match to leave it 1-14 to 2-8.

Martin Murphy had an outstanding game in goal for Tallow and two of his second half saves were certainly of the brilliant variety.

Tallow — M. Murphy, T. McCarthy, J. O'Donoghue, C. Cunningham, J. Geary, T. Sheehan, G. Sice, M. Geary, P. Curley, D. Henley, S. Curley, M. Curley, C. Curley, P. Murphy, P. Curley. Sub. — E. Power for M. Geary.

De La Salle — G. Treacy, J. Lowery, O. Dunphy, P. Murphy, T. Clouney, B. Ryan, J. Walsh, J. Brenner, G. Brenner, N. Dalton, J. Griffith, M. Murphy, D. Duggan, E. Brenner, J. Carton. Sub. P. Brett for D. Duggan.

INTERMEDIATE HURLING CHAMPIONSHIP

Colligan Win Close Clash

COLLIGAN 0-12 ST. MARY'S 0-11

[By "Commentator"]

As the final score indicates, this was a close and exciting second round intermediate hurling clash between neighbouring clubs and very few could find fault with the quality of the hurling. It was a tit-for-tat type of game with the scores coming regularly throughout after Kevin McGrath pointed the first score of the match in the 5th minute. The fact that twelve of the 23 scores in all, came for frees does not mean that the game was in anyway unsporing, but it was full-blooded stuff all the way and not an inch was conceded by either side in the many clashes that were a feature of the game.

At half time, Colligan led by 0-6 to 0-4 and this lead

was extended to four points with Noel Drohan and Kevin McGrath points on the turn over. Mary's fought back very determinedly and in the 49th minute it was 0-9 apiece. Two Kevin McGrath points and one from John Quinlan gave Colligan their total of twelve points and John P. Fitzpatrick who was top scorer of the game and John Hallinan, each had points for St. Mary's.

Scorers: Colligan — K. McGrath 0-7; N. Browne, M. Dunford, O. Whelan, N. Drohan and J. Quinlan 0-1 each. St. Mary's — J. P. Fitzpatrick 0-9; S. Hallinan 0-2.

Referee John Moore kept a firm hand on the game, but experienced no problems whatever in this entertaining local derby.

"DOWN MEMORY LANE"

The recent report to County Board from hurling coaches Peter Power and Colm Bonner emphasised, amongst other things, the importance of proper liaison between local clubs and schools in the promotion of our national games. These words of wisdom recall similar advice given, exactly ten years ago, by Rev. Bro. Malone, a past headmaster of Lismore C.B.S. and then Chairman of the Munster Colleges G.A.A.

Speaking at a reception in the "Keaneland" Hotel to honour the double victory of Lismore C.B.S. in provincial colleges competition when the locals won both the Rice Cup and Solo Cup, he laid great emphasis on the important link between local clubs and schools if they hoped to achieve any degree of success.

This advice, very obviously, did not fall on deaf ears, as in the intervening years the Lismore club, in conjunction with the teachers at the C.B.S. Schools, have achieved a remarkable level of success which is

the envy of every club in the county.

This week we take you down 'memory lane' and feature a photograph of the Rice Cup team who beat Dungarvan in the final played at Cappoquin on June 19, 1981.

Back row — Billy Lee (Lismore), Seamus O'Brien (Tallow), John Lynch (Araglen), Martin Allen (Tallow), Brendan Lawton (Lismore), Frank Power (Lismore), Pat Ryan (team capt. — Ballysaggart), Paul Curley (Tallow), Mark Feeney (Lismore), Mark Murphy (Tallow), Ian Barry (Tallow), Brendan O'Sullivan (Lismore). The selectors were — Rev. Bro. Dormer, John Ahearne and Maurice Geary.

G.A.A. NOTES

WEEK-END FIXTURES

Full Schedule of Senior and Intermediate Hurling Fixtures

It is difficult to imagine that in the short space of time since the hurling championships begun, we have already reached the "make or break" stage for a number of clubs and the losers in some of the listed matches on next Sunday will have reached the point of no-return. The same applies to the intermediate grade which is so far, being run side-by-side with the senior championship.

The week-end will also see a full list of Divisional Board matches, some of which will provide the most exciting clashes of the competitions here in the West. As far as I can recall, this is the first occasion on which we have published a list of nineteen fixtures, without a single football game.

Because of the glut of fixtures, the County Board find it necessary to begin their week-end on Thursday rather than on the Friday which has become the practice.

THURSDAY'S GAME

This will see St. Mary's and Tramore in action in intermediate hurling at Fraher Field and here it will be a major surprise if the Western team, who showed such very good form in their two games to-date, do not win. The Touraneena team are a side with potential and are very likely to be involved at the finish. They should win here.

S/H/C. TALLOW V CLONEA

There will be contrasting styles here, but the superior skills of Tallow should ensure them of their third victory on the trot. Clonea shocked Ballyduff here and when speaking to Denis Hassett afterwards, he told me that Clonea love playing in Dungarvan. On last Sunday they stayed with

Mount Sion for long way in their game at Portlaw, but faded in the final ten minutes. They will make it difficult for Tallow, but I don't see them winning. This is a Friday game

SHAMROCKS V CAPPOQUIN

I remember some of the exciting clashes between these clubs in the intermediate grade in the sixties. They were the big crowd pullers then and their meetings were always big occasions in Lismore. The clash between two teams, yet unbeaten in this intermediate championship should provide us with one of the very best hurling games in this championships this year.

There is more than pride at stake here and a certain place in the closing stages of the competition should be enough to motivate both teams.

It would be difficult to judge Cappoquin on their form against Tramore as they were never required to move into top gear for this one, but they showed class against Colligan. Shamrocks are one of the clubs who have some "near misses" in this championship over the past few seasons and their very good performance against St. Mollerans was enough to show just how determined they are to go the full distance this time. It might be terribly close and maybe even end in a draw, but should there be a result, then I give Shamrocks a hesitant vote.

have been better off to have lost to Cappoquin in the relegation game last year. However, there was no comparison between that form and their very good display at Fraher Field on Sunday when they beat Dunhill, against all predictions.

Roanmore have not been playing like champions since winning last year and were certainly not wonderful when beating Portlaw last Sunday, having struggled over Dunhill in the first round. It will be some shock if a team led by Noel Crowley, Kieran Delahunty, Eddie Nolan, Ray Sheridan and company are beaten here, but the match will certainly not be a one-sided affair.

LISMORE V DUNHILL

There are no better "triers" in the game to-day, than Dunhill. They never throw in the towel and I have many times admired their courage and perseverance. With two defeats, they are now approaching the point of no return in the championship, and I believe that this point will be reached by them here in the feature game on the Sunday afternoon programme at Dungarvan. A repeat of their splendid display against Passage should be sufficient to see Lismore remain joint leaders in their group. Lismore will have two further games after this and in these they play Fourmilewater before their final crunch match with

champions, Roanmore on July 21st at Dungarvan. Roanmore and Lismore are now reasonably sure of emerging as the top two in this group.

WALSH PARK PROGRAMME

Patrons are assured of seeing two splendid contests here with Mount Sion and De La Salle in action in the first game and Portlaw, still without a win, meeting Passage in the feature game on the programme.

Mount Sion had their first match of the championship last Saturday and while they found it difficult to shake off the challenge of Clonea for 50 minutes, they hurled very well. Their city neighbours, De La Salle, up from the intermediate grade may still not have enough experience for a side with such players as Pat Ryan, Brian Greene, Shane Ahearne, Paraigh Fanning, etc., but they will give the favourites quite a game before it is over.

This will be Portlaw's last chance of getting into contention as they have already suffered two defeats. Another defeat would see them out of the running and getting the points against a side like the Passage team who played against Lismore on Sunday will not be easy. It would be a pity to see Portlaw out of the running at such an early stage, but I expect that is how it is going to be at the end of this one on Sunday.

STRADBALLY V ERIN'S OWN

Having been beaten in Abbeyside in the first round, Stradbally improved a lot by running St. Saviours to a point last Sunday at Kilmac'. The reds have now got to win if they are to have even an outside chance of advancing and against a Damien Byrne led Erin's Own, this will be difficult.

ROANMORE V FOURMILEWATER

After Fourmilewater's heavy defeat by Passage at Portlaw in round one, everyone probably considered them a "write off" and I overheard that they would

Dungarvan will need to win this one to have an outside chance of getting into contention for a place at the closing stages, but their chances will not be good without Martin Sandford and Eddie Burke. When the teams met last year, at Walsh Park, Ballygunner had six points to spare at the finish.

The city side will be favourites here and should win their second match of the championship and they will if they can reproduce the good form they showed when beating De La Salle by twelve points in the first round.

Divisional Games

There are several interesting games down to be decided over the week-end and among these will be the Kilgobinet v. Ardmore J.H. tie at Abbeyside on Friday. There may not be more than the puck of a ball between them at the finish. Ardmore may be the slight favourites.

Clashmore v. Geraldines is also likely to be very close. Clashmore will be slight favourites and they will need to win, having went under to An Rinn last week.

Ballysaggart will be strongly fancied to beat Kilrossanty and any other result here will be a surprise.

The Ballinameela v. An Rinn game at Cappoquin

on Sunday evening should be a very interesting tie and meetings between the same clubs have produced plenty of excitement over the past couple of years. An Rinn were the survivors on both occasions before and may just about get by here.

In the junior 'B' championship games, Faha will be expected to beat Modeligo and Melleray may have the edge over Eire Og.

MUNSTER FOOTBALL SEMI-FINALS

On Sunday week next at Fraher Field, Dungarvan, both the county senior and junior footballers will take part in the Munster semi-finals. The seniors played Cork juniors in a tournament sponsored by Waterford Foods plc in Dungarvan last Thursday night and won by 0-17 to 0-13. Preparations are continuing for the game with Limerick but injury doubts about three players is a matter of concern for the selectors. The juniors will play Tipperary on the same day and they have had a number of get togethers to date.

UNDER-21 HURLING

On Wednesday night next in Walsh Park the county U-21 hurlers will play

Kerry in the first round of the Munster championship at 7.30 p.m. They travelled to New Ross on Monday night to play the home county in a challenge.

We wish the team and mentors the best of luck in their quest for a place in the Munster semi-final against Cork.

MUNSTER CHAMPIONS

Congratulations to Dungarvan C.B.S. on winning the Munster Colleges U-16 1/2 football championship last week, when they defeated St. Patrick's College, Castleisland in the final played at Kilavullan, Co. Cork. This was the schools first every provincial honour in football.

S.H.C.

A total of six games are down for decision in the S.H.C. this weekend, they are — Tallow v. Clonea;

Dungarvan v. Ballygunner; Mount Sion v. De La Salle; Lismore v. Dunhill; Roanmore v. Fourmilewater; Portlaw v. Passage.

ON MUNSTER REFEREEING DUTY

Tomas O Meachair has been appointed to take charge of the Munster J.F.C. semi-final in Killarney next Sunday. We wish him and his team of officials the best of luck.

John Moore and John M. Kelly took charge of last Sunday's hurling semi-finals in Thurles.

I.H.C.

Five games are down for decision in the county intermediate hurling championship this weekend:— Cappoquin v. Shamrocks; Tramore v. St. Mary's; Colligan v. St. Mollerans; Stradbally v. Erin's Own; Ballydurn v. St. Saviours.

PROGRAMME

County Board are producing a special souvenir programme for the Munster football semi-finals in Dungarvan on June 23.

John Moore

John was the man in the middle of the very tempestuous Munster hurling semi-final between Tipperary and Limerick at Thurles and as expected the Dungarvan clubman gave another fine exhibition. John had an unusually busy week-end having refereed and intermediate championship game at Dungarvan on Friday, a senior tournament game at Mallow on Saturday, Thurles on Sunday and an inter-county tournament match at Butlerstown on Monday of this week. The wonderful service that John and many other of our referees give is never adequately appreciated.

Dublin v. Meath

This first round game in the Leinster S.F. championships will go into the book of records for more reasons than one. Already 115,000 have seen the battle between those football giants and with a replay to come on Sunday week, a record that will not ever be equalled is likely to be set up.

This epic will have dissipated all worries about the open draw, resulting in a huge loss of revenue for the Council. In the end this first rounder will have grossed around a million pounds.

OTHER RESULTS

J.H.C. —

Melleray 1-8
Modeligo 0-10

This was as close and exciting as the score suggests. It was 0-5 to 0-3 at half-way with Modeligo leading. David Kiely, former All-Ireland Feile Na Gael Skills champion, got Melleray's goal as well as the winning point.

Referee: J.M. Kelly, Shamrocks.

GERALDINES 1-8
BALLINAMEELA 1-6

A close game, with the result coming as a surprise. It was splendidly contested by both teams and it was because of their strong defence that the "Gers" were able to hold out.

ARDMORE 2-5
BALLYSGART 1-8

A draw was a fair result to this exciting junior hurling tie at Cappoquin and patrons were agreed that it would have been a pity to see either side lose. The standard was good, but both sides missed chances.

AN RINN 2-12
CLASHMORE 2-7

The Western champions played well enough to sug-

gest that they will make a hard fight of it for any clubs who have intentions of relieving them of their title. Clashmore were impressive but will need to improve if they are to remain in the championship with a chance.

I.H.C. —

SHAMROCKS 4-9
MOLLERANS 2-8

The Western team were certainly worth every one of their nine points winning margin here. They look more balanced than they did last year and if they manage to stay with this kind of form they won't be easily beaten by any of the other ten teams in this championship. Another win and the Knockanore club are into the quarter finals.

SAVIOURS 2-7
STRADBALLY 2-6

Saviours have been installed as favourites to win this intermediate hurling championship, but at Kilmac' last Sunday they were fortunate in beating Stradbally, who showed much improvement on their first round form against Abbey-

J.H.C. — FAHA 2-4
EIRE OG 0-4

If Eire Og had better been able to take their chances here, the result might have been closer, but overall Faha deserved to win this very entertaining first round of the junior 'B' hurling championship.

KILGOBINET 3-6
KILROSSANTY 1-7

Kilgobinet who were firm favourites to win this, had a lot of worrying to do before they emerged winners by five points. Kilrossanty missed one or two chances that would have put them in a better challenging position, but then, I suppose Kilgobinet must to some extent have been affected by overconfidence.

S.F.C. —
KILROSSANTY 2-8
RATHGORMACK 0-10

This game was abandoned because of an injury to a Rathgormack player in the previous week and was replayed at Kilmac' on Tuesday of last week. A scored penalty helped Kilrossanty to win as otherwise there was very little between the teams.

INTERMEDIATE HURLING CHAMPIONSHIP

Abbeyside Best In One Sided Game

ABBEYSIDE 6-14
BALLYDURN 2-4

As the above score shows, this was a very one-sided contest with the understrength Ballydurn having to wait for the second half for their first score, and at a stage when the game was already decided.

For the new junior county champions, it was a disappointing baptism of fire and they were unfortunate to have to field without Michael Hubbard and four other members of their successful junior champions side.

Abbeyside were caught in sparkling form and had 5-11 up without reply at half-time. The winners performed very well, but it

would be difficult to judge the real quality of their display against such weak opposition. Ballydurn lost a player because of a minor incident midway through the second half.

Scorers: Abbeyside — P. Walsh 1-7; C. Clancy 3-1; D. Sheehan 1-4; W. Kiely 1-0; I. Kiely and M. Cosgrave 0-1 each. Ballydurn — P. Queally 1-3, N. Harney 1-0; M. McCormack 0-2; N. Hally 0-1.

Abbeyside — P. McGovern, G. Collins, Ml. Collins, T. Walsh, J. McGrath, J. Healy, F. McGovern, T. Murphy, S. McGrath, P. Walsh, I. Kiely, M. Reynolds, C. Clancy, D. Sheehan, Ml. Cosgrave. Subs. — F. Sweeney for D. Sheehan; W. Kiely for T. Murphy; K. Killigrew for G. Collins.

Ballydurn — P. Foran, J. Morrissey, J. Harney, C. O'Donovan, J. Hally, P. Queally, T. Joy, T. Kirwan, J. Boland, N. Hally, B. McCormack, D. Walsh, T. Boland, N. Harney, A. O'Sullivan.

Referee — D. Duggan.

Co. Manager's Report On Clonea Caravan Park

Mr. D. Hurley in the course of a report submitted to the monthly meeting of Waterford Co. Council held in Dungarvan last Monday referred to a meeting on May 24 which he had with Mr. Dan Casey who was accompanied by his legal adviser Mr. Gordon and his architectural adviser Mr. Damien Dillon concerning the proposed extension of Mr. Casey's Caravan Park at Clonea.

He informed Mr. Casey that the options open to him were (1) to refuse the planning application on the information available to him on sewerage disposal (2) to grant a temporary permission for a period of 3 years during which time the Co. Council would appoint a Consulting Engineer to carry out a survey of the Ballinacourty/Clonea area and to report to the Co. Council within 12 months on condition that if the Consultant decided to locate a Treatment Plant, if he thought one was deemed necessary, on Mr. Casey's land, Mr. Casey would accept the findings of the Consultant.

The report went on to state that Mr. Casey and his advisers withdrew to consider the offer and then added "I regret to date, I have not been officially informed of the decision but I understand that the elected members for the area were informed that my offer was not acceptable."

The Manager's report then stated that he had again discussed the whole

matter with the Councillors of the area, Cllrs. Cunningham, O Riain and P. Coffey at two meetings and it was unanimously agreed that

(1) Mr. Casey would be requested to submit the outstanding technical information requested to make his application a valid one; (2) If such information were submitted, planning permission would be granted with similar conditions to those granted on a previous application; (3) Mr. Casey could, if he so wished, exercise his rights in law to appeal to An Bord Pleanala the conditions imposed by the Planning Authority and (4) That Mr. M. C. O'Sullivan, Consulting Engineer would be appointed to carry out the survey of the Ballinacourty/Clonea area and to report to the Co. Manager within 6 months.

The Chairman, Cllr. B. Kyne, said that the next step to be made would appear to be somewhere within the four options mentioned and it was decided to defer the matter on that basis.

Blue Flag Awards For 4 Waterford Beaches

standards. A total of 39 beaches in the country have achieved this award."

SPECIAL PRIZE FOR STRADBALLY COVE

The report then recorded that a special prize was awarded to Stradbally Cove in recognition of the high standard of quality of the environmental works carried out in the vicinity of the beach.

The Chairman, Cllr. B. Kyne said that there should not be an immediate presumption that a beach was polluted if it did not win a Blue Flag Award. It could just mean that such amenities as telephones or ade-

quate approach roads were not available at the place.

Congratulating Chief Executive Engineer Eamonn Mansfield and his staff on the great work they did in monitoring the water quality at the beaches, Cllr. Kyne said that the local communities in each area were also to be complimented.

In reply to Cllr. Tom Cunningham, Mr. Mansfield said that the only reason that Stradbally had not qualified for a Blue Flag Award was that beaches required to be monitored four times in each season and that had not happened in the case of Stradbally.
