CO. COUNCIL ELECTIONS

Wilkinson, Kyne, Fahey, O'Shea Are Poll-Toppers

Most of the political pundits found their forecasts at variance with the facts as the results in each of the four electoral areas came to hand with the completion of the counts in the elections for Waterford County Council which took place in the Town Hall, Dungarvan last Friday and Saturday.

Following an average poll of 62% for the county when the electorate went to the polls last Thursday, June 27, the ballot boxes were brought to Dungarvan and counting commenced at 9 a.m. on Friday morning under the supervision of Mr. B. J. McNally, Returning Officer for the County.

The Lismore and Kilmac-thomas areas were the first areas to be dealt with and the counting for these proceeded simultaneously and ran straight through without incident with the final results for both coming prior to the lunch-time break at about 1.30 p.m.

Counting recommenced shortly after 2 p.m. with the Dungarvan and Tramore areas being checked and counted simultaneously and this went on throughout the after-

noon as the fortunes of the competing candidates fluctuated from hour to hour. The rise and fall of the tide continued after the tea break with Independent candidate Bennie Queally first to go out after the third count to be followed by Willie John Kenneally (F.F.) after the fourth count, Dan Dineen (Ind.) after the fifth count, Mario Flavin (F.G.) after the sixth and John Coll (P.D.) after the seventh.

The crunch came in the eighth count with the election of Gary O'Halloran (F.G.) who then reached the exact quota of 858 votes and Nuala Ryan (F.F.) was eliminated and her exit was followed by Paud O'Keeffe (F.F.) after the ninth count.

Six candidates were still standing, fighting for the four remaining seats at this stage and following the

Consolation Prizes For Defeated Co. Council Candidates

Two members of Dungarvan Urban Council who suffered defeats in last week's Co. Council elections had their disappointments rather eased last Monday night when they were elected Chairman and Vice-Chairman respectively at the annual meeting of the Urban Council.

In accordance with a prior agreement among the political parties on the Council that the offices should rotate, Cllr. Michael O'Riordan (FG) was elected Chairman while Cllr. Nuala Ryan (FF) was elected Vice-Chairman.

The only dissenting voice in each case came from Cllr. Tony Wright (WP) who stated that as he had already supported the Fine Gael and Fianna Fail nominees for the chair on two occasions during the lifetime of the present Council he was now no longer able to do so.

Cllr. Kyne (Lab.) proposed Cllr. O'Riordan and his nomination was seconded by Cllr. Mary Dixon (Ind.)

Having been invested with the chain of office, Cllr. O'Riordan who first became a member of the council in 1982 said that it was a great personal honour for him to be elected chairman of the Council. "I have waited a long time for it but that makes it all the more worthwhile now," he said.

Cllr. Ryan, also defeated in last week's Co. Council elections, was proposed by Cllr. D. Goode (FF) and seconded by Cllr. P. Power (Lab.) and suitably thanked her colleagues for the honour.

At the outset Cllr. D. Goode congratulated Cllrs. Kyne, Wright and Walsh on being elected to the Co. Council and said he was disappointed Cllr. O'Riordan had failed to retain his seat.

OUTGOING CHAIRMAN PRAISED

The outgoing Chairman, Cllr. Mary Dixon thanked her colleagues on the Council and also the Co. Manager, Town Clerk and staff for all the help they had given her during her term of office over the last year.

The members joined in paying tribute to Cllr. Dixon on her very successful year in the chair and Mr. B. J. McNally, Deputy Co. Manager on behalf of the Co. Manager and the Council staff thanked Cllr. Dixon for her remarks.

Another West Waterford Industry Closes

Following quick on the heels of last week's announcement of the closure, later this month of Associated Casings Ltd., Lismore's only industry comes the announcement last weekend that Bremer Framemaker (Ireland) of Tallow is to close with the loss of 15 jobs.

Bremer which took over the Jyden plant in Tallow has been manufacturing picture frames there for the past eight years. The closure of the plant with the loss of 15 jobs will be a major blow for Tallow which is already suffering badly from the lack of employment in the town.

Pause For Thought With Fr. Paddy

DO NOT UNDERESTIMATE GOD

We read in next Sunday's first reading that Ezekiel was sent by God to preach to a rebellious people. Even though they rejected His message, they'll never be able to say that God had no concern for them; and neither will they be able to claim, it was He who broke the covenant. Their attitude and their behaviour show how easy it is to forget God's goodness. Worse still, they indulged in honouring and worshipping the false gods of pleasure, debauchery and wealth. Despite Ezekiel reminding them that there was a God of Israel, they flouted and ignored him. His mission was a failure. History shows, whenever the Jewish people abandoned God, misfortune followed.

Ezekiel had done as the Lord commanded, and so, he knew these obstinate people could never say, they had no choice or did not know better. They were openly at fault. However, the Lord did leave His door open. God did and still continues to maintain His presence. Hence, neither will we be able to say "I did not know." Whilst there's always danger of getting involved in evil, the reading tells us that the way back to sanity and God is well signposted. If you compare what the world offers with the Lord's offer, you'll see there is no choice. Of course you'll find people, who'll allow anyone but Christ to reign over them. These, unless they listen to God, are heading for destruction.

Paul, in the second reading, refers to the honour God conferred on him in letting him have a glimpse of Heaven. This privilege might well have caused him to glory in his own importance, but thanks to God's mercy, his temptations made him conscious of his weakness, and thereby, helped him to bury his pride. In fact, he was so tormented that he had to call on God for help. It is worth considering the providence of God in allowing the devil to harass him, and, indirectly if unintentionally, be the cause of saving him from his pride. Paul, as we saw, did not depend on himself. He fought the devil with prayer, and won. Now, we all experience the thorn of the flesh. No one escapes. Paul is saying, watch and pray. Otherwise you will falter. And, like Paul, we can with God's help make our weaknesses sources of strength.

Paul is under no delusion. He knows he is utterly dependent on God. And true humility, as he said, is knowing the truth about yourself. Hence, to claim credit for the gifts bestowed on us by God would be dishonest. You can understand then what Paul means when he says, we have nothing of ourselves. So, if boast we must, let us boast about God's greatness and His generosity. From what's been said, we can rightly conclude, God has no favourites. He

expects each and everyone to acknowledge and prove their love. The fact God may bestow a special grace on a chosen soul in no way releases that one from having to prove one's fidelity. "To whom much is given, much is required." Make no mistake, those chosen souls become special targets for the devil; and they'll crumble, as some do, should they sit and idly bask in their glory. Read the life of any saint. You'll find it was built on prayer and the Eucharist. You'll find too that he or she was human like yourself, and succeeded because he believed, trusted, loved and fought.

MAKING ENDS OF MEANS

Much of our troubles arise from getting too attached to worldly things. It amounts to making ends of means. Often, we're like the little boy, who is sent for milk. On the way he meets his pals. They're just about to play football and he joins in the game. He forgot about his errand, and when he got home some hours later, and without any milk, he had to pay the piper. Now, the game of life is far too serious to being getting caught up in side-shows.

Mark in the Gospel describes a visit by Jesus to Nazareth. Throughout the land Jesus had won great acclaim, and you'd have expected that His own people would have flocked to welcome Him. But no, they were not impressed. They questioned His teachings and His authority. You could sense a note of jealousy. Why! we know His background. Is He not the carpenter's son? And, who does He think He is? Jesus must have been disappointed. Rejection, as we all know, burns right down to the quick. The message loud and clear is, we must be open to the truth from whatever source it comes. It is evident, because of their lack of faith, Jesus did not remove their blindness. The lesson is, if you want God's help, you must believe. And, the greater your faith the greater will be your love.

Blackwater Search And Rescue Unit

The Blackwater Rescue Unit are a voluntary body based in Fermoy. We were formed in 1983 to provide a much needed service to the people of the Blackwater region. Our unit consists of sixteen fully trained and qualified divers, who meet regularly and train in the difficult and often hazardous job of search and rescue.

The unit is called out on average ten times a year, and these call-outs range from efforts to locate missing bodies, to rescuing livestock which have become trapped in flooded rivers. This type of work is very demanding both physically and mentally, so it takes a lot a training, both above and below the water, to become proficient in the many different skills which all unit members must be able to perform.

We are fortunate in that we have so many dedicated members in the unit who give of their time to be trained and indeed who respond every time they are

called upon when needed for rescue work.

As already mentioned we are a voluntary body and our members do not receive any payment for the work they carry out. Most of the equipment which we use is the members own personal gear, and this too is given on a voluntary basis. However the unit does need money to survive and relies on public support to fund it.

CHURCH GATE COLLECTION

On July 6 and 7 we are holding a church gate collection in Lismore and Cappoquin. The people of Lismore, Cappoquin and

surrounding areas have been very generous to us in the past and we hope to be received as well again this year.

Thanking you in anticipation for your generous support

— Noel Hayes, Secretary.

Great Achievement For Knockanore Man

Co. Waterford man, Jim Carrig of Knockanore, a senior associate of NZI Life, Fermoy, has achieved the highest honour in the life assurance industry by being accepted into membership of the Million Dollar Round Table. MDRT as it is known, covers the top salespeople in 52 countries around the world and is committed to the highest ethical and professional standards possible in marketing of life assurance and other insurance related products such as pensions and investments. Membership is difficult to attain because it is confined to only those who have shown the required commitment through their work, effort and un-relentless pursuit of total customer quality service.

The MDRT Conference is being held this year in New Orleans and out of only 30 people attending from Ireland, NZI Life, has the unique distinction of having 13 of those delegates representing them.

Jim Carrig joined the life assurance industry over two years ago and has played an important role in the development of the Fermoy Branch of NZI Life. Jim has previously achieved many awards for the quality of his professional service and admission to the prestigious MDRT is a just reward. Jim's brother, John, who also represents NZI Life has been accepted into membership of MDRT. This is an Irish record and not likely to be achieved by any other family or company.

KNOW YOUR RIGHTS

Question — I understand that Social Welfare payments were to be increased by 4% from July. According to my new pension book my Invalidity Pension will increase from £55.10 to £56.40 per week, which is only an increase of 2.5%. Is this amount correct?

Answer — Yes! Your pension rate of £56.40 is correct. What was actually announced in the Budget was the Social Welfare payments generally would be increased by 4%. So, whilst some payments will go up by 4% or more, others will increase by less than 4%.

Up to now an Invalidity Pensioner aged 66 received a slightly higher rate than a

pensioner under 66. From July there will be just one rate of this pension. This is an administrative decision and is in the interest of rationalisation. Because of this change pensioners under 66 will get an increase of £2.30 per week and those over 66 like yourself will receive £1.30 per week.

TWO FARMERS ARRESTED

Two South Tipperary farmers both with families were arrested in the early

hours of Wednesday last on foot of committal warrants for failure to make loan repayments. The arrested farmers were taken to Clonmel Garda Station and from there to Limerick Prison. The local agricultural community are very concerned at the arrests, coming at a time of major drops in farmers' incomes. The arrest of the farmers has been condemned as unwarranted and despicable by the National Chairman of the United Farmers Association Paddy Phelan, Toureigh, Ballymacarbry. He said that all farmers had taken a severe income drop in the past 12 months and the general financial state of farming was worsening rapidly. The U.F.A. were calling for the immediate release of the two farmers, and for a change in the policy for dealing with hardship cases.

CONCERN OVER WATER SUPPLY

Complaints are being received by Waterford County Council daily about the water supply in Ballymacarbry. On Thursday last, engineers from the council visited the area and saw for themselves the situation. People are getting tired of complaining, it seems that in the near future the Council will be called to a public meeting. People of the district would like the newly elected representatives to take up their case with the Council re a proper water supply before an epidemic hits the area.

LATE MRS. MARGARET FOLEY

It is with deep regret we pen the death which occurred at St. Joseph's Hospital, Dungarvan on Monday 24 June of Mrs. Margaret Foley (nee Flynn), Lackendarra Lower, Ballinamult, after a long illness borne with true Christian fortitude. Deceased, a member of a well known and respected Lackendarra family was predeceased by her husband Tom by some twenty two years. She was a very estimable lady of many charming traits of character, her gentle, good humoured and obliging nature, mild manners and unassuming disposition commended her to all fortunate enough to make her acquaintance and her demise has evoked feelings of sincere regret. On Tuesday evening her remains were removed from the Hospital Mortuary to St. Helens's Church, Nire Val-

ley. On Wednesday morning Requiem Mass was offered for the repose of her Soul after which she was laid to rest in the plot with her late husband in the presence of a large concourse of mourners paying their final respects to a Christian friend. To her nieces and nephews we extend our sympathy.

LATE MRS. KATE MULCAHY

It is with regret we record the death which took place at St. Joseph's Hospital, Dungarvan after a brief illness, of Mrs. Kate Mulcahy (nee O'Brien), Scart, Ballinamult. Deceased was a well known member of an old and respected family, she was a very estimable lady of many charming traits of character. She was possessed of an old world charm and had a remarkable facility for recalling happenings of her earlier years. A thoughtful neighbour whose true depth of Christian charity and unassuming nature made for her many good and lasting friends and those who were fortunate enough to make her acquaintance will deeply and justifiably mourn her demise and long cherish her memory. The measure of the esteem and high regard in which the deceased and her family are held was clearly indicated by the representative groups of mourners paying their final respects to a dear friend when her remains on Wednesday evening were removed from the Hospital Mortuary, Clonmel, to St. Patrick's Parish Church, Kilbreen. On Thursday morning Requiem Mass was offered for the repose of her gentle Soul after which the interment took place in the adjoining cemetery. To her family we tender our sympathy.

SYMPATHY

The sympathy of the district is extended to the Burke family, Ballyrohan, Ballymacarbry, on the death of their aunt, Mrs. Catherine O'Gorman (nee Wall) Ballyknockane, Ardfinnan and late of Ballymadough, whose death occurred at St. Theresa's Hospital, Clogheen, on Tuesday last. On Wednesday evening her remains were removed to Duhill Parish Church and the interment took place on Thursday in the adjoining cemetery. Sympathy is also extended to Mr. Laurence O'Sullivan, Baunfoun, Kilmanahon on the death of his sister Bridget which sad event took place in England.

BREAK-IN

Melody's Grocery Shop attached to the pub in Ballymacarbry was broken into on Sunday night and a large quantity of cigarettes and other items were taken. The thieves gained entry through a front window. Gardai are investigating.

distribution of O'Keeffe's votes only three votes separated the two bottom candidates, Tony Wright (W.P.) at 609 and outgoing Fine Gael Councillor Michael O'Riordan with 606. It was around 10 p.m. at this time.

When the Returning Officer Mr. McNally declared O'Riordan eliminated, a demand was then made on his behalf for a full recount and Mr. McNally agreed to this and announced that a full recount for the Dungarvan area would commence at 10 a.m. on Saturday morning.

Meanwhile the count in the Tramore area proceeded and this concluded at about 10.30 p.m. with outgoing Fine Gael Councillor Con Casey scraping in to the

last seat without reaching the quota.

THE POLL-TOPPERS

The highest personal overall vote in the county was secured by outgoing Fianna Fail Cllr. Ollie Wilkinson, the popular farmer from outside Cappoquin who polled a total of 1,287 votes on the Lismore Area.

In the Dungarvan area Cllr. Billy Kyne (Labour) consolidated his seat on the Council with a poll-topping performance of 1,009 votes while in the Kilmacthomas area Deputy Jackie Fahey hit the jack-pot, heading the poll with 1,006. In the Tramore area Deputy Brian O'Shea (Labour) was the poll-topper with a total of 1,094 votes.

Commenting on the manner in which the administrative staffs of the Urban and Co. Councils engaged in last week's election counts had dealt with the extended operation, he said that it was no harm for the general public to see what they could do. "The administrative staffs of both County and Urban Councils are second to none in Ireland in the service they

provide," he said.

MISSING MEMBER

Missing from the meeting was Fine Gael Cllr. Richie Walsh who following a collapse after the 12 (noon) Mass in Abbeyside last Sunday as he was being congratulated by parishioners on his Co. Council success, was removed to Waterford Regional Hospital, Ardkeen where he was detained for observation.

WILLIE

McDONNELL, M.C.C.

Wishes to thank the people in the Lismore Electoral Area for the massive vote given to him in the recent Local Elections. I thank the Tallow Fine Gael District Executive, the 30 members of my back-up team and all who supported me on Polling Day. Your confidence is greatly appreciated. It will be my pleasure to continue to work on behalf of you all during my next term as a member of Waterford County Council.

Dramatic Recounts For Dungarvan Area

The recount for the Dungarvan area commenced at 10 a.m. on Saturday morning and as it proceeded, tension visibly mounted as each vote was scrutinised. Some minor changes emerged but the Returning Officer announced that these had made no material change in the position and Cllr. O'Riordan was then eliminated after the tenth count.

This left Workers Party candidate Tony Wright (609) and outgoing Indp. Fianna Fail Cllr. Sean Whelan (640) at the bottom of the list but with the distribution of O'Riordan's votes in the eleventh count, Wright with plus 86 went to 695 while Whelan plus 50 stood five votes behind and Richie Walsh (F.G.) was declared elected.

In the twelfth and final count, the distribution of Walsh's surplus of 29 votes resulted in Whelan ending up with 699 and Wright 702, a difference of 3 votes between them.

Flynn (F.F.), Hart (Lab.) and Wright (W.P.) were then declared elected without reaching the quota.

This announcement led to a further dramatic turn of events with Whelan demanding a full recount but this was rejected by the Returning Officer who said that he would only allow a recount from the point of Cllr. O'Riordan's elimination.

If anything the tension rose higher as the concerned candidates consulted their legal advisers and Mr. McNally announced an adjournment in the proceedings until after lunch. It was then about 12.30 p.m.

After lunch, Mr. McNally announced that he had received several requests for a recount and he was agreeing to that received on behalf of Sean Whelan.

A full recount then ensued and the end result showed no change but significantly the gap in favour of Wright had increased by five votes over Whelan and the election of Kyne, Kenneally, P., O'Halloran, Walsh, Flynn, Hart and Wright was then confirmed by the Returning Officer. The proceedings finally terminated shortly after 5 p.m.

RECENT DEATHS

Mr. Michael Fives

On Tuesday evening, June 25, the county lost one of its best known and much loved sons when Michael Fives, Burgery, Dungarvan, passed unexpectedly to his eternal reward while attending that night's meeting at Kilcohan Park, Waterford. Moments earlier he had just seen his greyhound race to victory, when he was taken suddenly ill and died later at Waterford Regional Hospital. His untimely demise leaves a void in our midst that only a man of Michael's calibre could fill.

Michael was one of the gentle giants of this world whose example gave us all food for thought and new perspectives on living. Mick Fives was a colossus, an institution as he touched many lives, enriched them by his outstanding virtues, traits and characteristics. He was indeed a charismatic figure whose enthusiasm for life was infectious.

Michael, farmer and sportsman was born at the farming homestead at the Burgery in 1914. His early education was under the tuition of Micheal McCarthy and Jim Croke school teachers at "The Pond" national school in Abbeyside. Later he transferred to St. Augustine's College where, in the recent past he held the position of President of St. Augustine's Past Pupils in 1972. As a member of the Parents' Committee he did trojan work in bringing about the realisation of one of the Augustinian Order's great ambitions, the provision of a new, ultra modern college in Dungarvan.

An enterprising farmer, Michael to his eternal credit always kept abreast of developments and attended many seminars on the changing face of agriculture. He was a member of the Advisory Committee of Cork Marts Ltd. His advice was always sought and listened to as Michael knew from personal experience what he was talking about.

Because of his very wide sporting interests, Michael became one of the best known personalities in this county and indeed country-wide. Having played hurling and football with Abbeyside in this youth, Michael's life always revolved around the fortunes of his beloved Village.

Over the years he made an enormous contribution

to the growth and development of the Abbeyside/Ballinacourty Club. For six decades he served as team selector, committee member, club treasurer and long-time chairman, a position he held during the salad days of Dun na Mainistreach. Earlier he had served as chairman of the Ballycoe Club when they won the county junior football title back in 1946. In that era Michael was very much to the fore in Western Board affairs having acted as treasurer and referee while he also served the county as a senior and junior county selector and helped to guide Abbeyside to its first senior hurling county final in 1955.

He was one of the leading figures who assisted with the purchase of the club grounds in the early 60's, and when the continued growth of the club made it necessary to move house, Michael was very much to the fore in the purchase of their present complex in 1979.

His own sons Fr. Colin O.S.A., Greg, Michael and Raymond have carried on the tradition just like Michael's uncle Dr. David Greene, M.D. Bonmahon, who set the seed as the first County Board Chairman.

For a number of years Michael was involved with the Catholic Boy Scouts in the parish and became a Knight Errant in the Senior Section in the early 40's. Later he became Troop Chairman and held the post for five years.

He was involved in the sport of hunting for many seasons and was founder chairman of the Dungarvan Point-to-Point Committee. He was also a founder member of the Dungarvan Harriers Hunt Committee and for many years assisted as committee member with the Dungarvan Agricultural Show. Michael Fives was a major figure in the world of coursing and greyhound racing. In 1983 he took over stewardship of coursing matters for a three year term of office as President of the I.C.C.

Much of the success of the Dungarvan Coursing Club can be attributed to the enormous work done by Michael since his election as club chairman in 1954. As a nominator to the Deise Cup he collected the Blue Riband of Deise Coursing on seven occasions with "Flying Merry," "Factotem," "General Boy," "Right Well," "Tender Husky," "Pride of Shournaught" and "Getting In."

During his 35 years at the helm, Michael in his time served as I.C.C. representative and later as a valued member of the Executive. He held a nomination in the Tipperary Cup and visited overseas as a guest of the various national greyhound associations. Michael always took a great pride in the local Master McGrath Monument and its restora-

tion was in no small way due to his efforts.

On Tuesday evening, June 25, while enjoying the sweet taste of victory, Michael was called home to his Heavenly abode. The legacy of kindness, loyalty, friendship and true sportsmanship which he has left us is much to be grateful for and we, with his legion of friends throughout the land now mourn the passing of this great family man, a man who unselfishly extended his natural caring and attentive character to the whole community.

On Thursday evening accompanied by a huge cortege his remains were removed from the Kiely Funeral Home to Abbeyside Parish Church. Members of Abbeyside/Ballinacourty G.A.A. clubs, Dungarvan Coursing Club and Dungarvan Point to Point Committee formed a Guard of Honour. The coffin, draped in the Abbeyside/Ballinacourty G.A.A. colours was blessed on arrival at the church by Rev. P. Ahearne C.C., assisted by many visiting clergy.

PENSMAN Takes You . . . Behind The SPOTLIGHT

THE PEOPLE ELECT NEW COUNTY COUNCIL

The often postponed local elections eventually took place on Thursday of last week and following a series of counts and recounts, the final results emerged shortly after 5 o'clock last Saturday evening at the count centre at the Town Hall, Dungarvan.

A comprehensive report of the count proceedings appears elsewhere in this issue of the "Leader" and we do not propose to elaborate on these beyond a few comments.

First off we would like to congratulate all of the successful candidates and of course commiserate with those who lost out especially the three outgoing members who failed to make it back to the Council.

The overall result in the county showed a very decided and rather unexpected swing to the left with the Labour Party increasing their representation to 3

with a percentage swing in their favour of 6.3 while the main parties dropped one seat each in a swing away of 5.2 per cent from Fianna Fail and of 5.9 per cent from Fine Gael. The move to the left was further accentuated by the election for the first time ever to the Co. Council of a member of the Workers Party.

However, whatever about the ups and downs of the political see-saw, a disturbing factor of the election was that only 62.32 per cent of the total electorate of 37,813 in the county thought it worth their while to vote. While this was a

good deal higher than the 54.9 per cent national average it still shows that one voter in every three refrained from voting. Can this be taken as an indication of what Local Government in its present form means to so many people?

The next interest arising from the election results centres on the first meeting of the new County Council which will take place in Dungarvan on Thursday of next week, July 11. It is expected that the alignment between Fine Gael and Labour which was operated successfully during the lifetime of the old Council will continue and this will mean that the combination will control the appointment of chairman and representatives to the various subsidiary bodies to the exclusion of Fianna Fail. We can only wait to see what will happen.

And before leaving this

topic of the elections this week we feel that it is only right and proper to congratulate Mr. Brian McNally County Secretary who was the Returning Officer and his very able staff for the efficient, expeditious and painstaking manner in which they conducted the counts in the four electoral areas, particularly the tension packed final count in the Dungarvan area which finally concluded shortly after 5 o'clock on Saturday evening.

POPULAR CURATE TRANSFERRED

The parishioners of Dungarvan learned with mixed feelings of gladness and sadness last weekend that their popular Curate, Rev. Fr. William Carey was being transferred from the parish. They were sad to hear that Fr. Carey who has served in the parish for the past twenty years is now about to leave but at the same time glad at the news that he has been appointed a Parish Priest. He goes to the Parish of Newtown, Kilmacthomas and will be replaced in Dungarvan by Fr. McNamara who comes from the Holy Family Parish in Waterford City.

We can do no better than repeat the old cliché that what is now Dungarvan's loss has become Newtown's gain as that sums up Fr. Carey's departure from amongst the people of Dungarvan to whom he had become such a popular and beloved priest, who moved around the parish quietly on his bicycle in the course of his pastoral duties during the past two decades.

We congratulate Fr. Carey on his new appointment and wish him many years of continued health to pursue his priestly duties and welcome to Dungarvan, Fr. McNamara who now becomes the new curate in the parish.

LATE NIGHT "RALLY DRIVERS" CREATING HASSLE IN CLASHMORE

We have been receiving complaints about the harassment and disturbance which residents of Clashmore Village are being subjected to by what have been described as "rally drivers" who drive cars at high speeds around the village at the dead of night.

It seems that on several recent occasions, mainly at

weekends, young people who have obviously been out enjoying themselves at discos and dances return to the quiet village and disrupt the peace of the locality by driving their cars at break-neck speeds around the streets.

Many elderly people reside in and around Clashmore, while there are also families with young children and the noise of revving car engines and screeching tyres as these midnight shenanigans take place means that young and old have their sleep disturbed while children are awakened and fright-

ened by the noise.

Residents of the area are now wondering whether a fatal accident has to take place before something is done to put a stop to these midnight capers. Perhaps the Garda Authorities might take a look at the situation and warn those who are engaged in these disturbing acts that unless they desist, appropriate action will be taken against them.

There is a time and a place for everything but Clashmore Village at the dead of night is certainly not a suitable place for "rally driving"!

Song For July

The year 1991 is already half spent and the days are again beginning to shorten with nothing anywhere near a good spell of summer weather so far coming our way. We are now into the month of July (the marching month for the Orange men in the North) and our choice for the ballad corner, "Song For July" is therefore quite appropriate for this week but more so as it touches on the need for peace and understanding and toleration between the Orange and Green which is the hoped for outcome of the round table talks at present going on in Northern Ireland.

Come pledge again thy heart and hand
One grasp that ne'er shall sever,
Our watchword be — "Our native land,"
Our motto — "Love for ever."
And let the Orange lily be
Thy badge, my patriot brother
The everlasting green for me;
And we for one another.

Behold how green the gallant stem
On which the flower is blowing;
How in one heavenly breeze and beam
Both flower and stem are glowing,
The same good soil sustaining both,
Makes both united flourish,
But cannot give the Orange growth
And cease the Green to nourish.

Yea, more — the hand that plucks the flower
Will vainly try to cherish;
The stem blooms on — but in that hour
The flower begins to perish.
Regard them, then, of equal worth
While lasts their genial weather;
The time's at hand when into earth
The two shall sink together.

Ev'n thus be, in our country's cause,
Our party feelings blended;
Till lasting peace, from equal laws,
On both shall have descended.
Till then the Orange lily be
Thy badge, my patriot brother
The everlasting Green for me
And we for one another.

'Gardens' in boxes need care too

JULY is a marvellous month to appreciate the garden if you are lucky enough to have one.

But all is not lost even if your property has nowhere for a few flower beds and a strip of lawn, because the balcony of a flat, a rooftop or window boxes can all be made to produce colourful displays using tubs, troughs and other containers.

If the balcony or window boxes are particularly exposed then you need to pick plants carefully, either buying sturdy varieties only or placing some stout shrubs in tubs as a screen against the prevailing wind. These will then shelter the less hardy plants.

Climbers are ideal because they quickly become a feature of a balcony or rooftop garden. In the case of the former they will have a flying start if there is a balcony trellis.

Good varieties for this job are ivy - nearly bullet-proof for most locations - honeysuckle - great for its scent - Virginian Creeper and the vine-like Purpurea, which has a rich red foliage.

High rise garden also need more watering than those on the ground. The plants stand in relatively small amounts of soil and dry out quickly in the sun and wind.

And there is also the practicality of watering. For a start, there is no point in having window boxes if opening a window to water or tend the plants automatically lops off the heads of

your blooms.

Similarly, double glazing sometimes makes it awkward during the summer when you need to be watering frequently.

Run off from watering is a problem too so, when designing your high rise display, ask yourself where surplus water will end up - it could drip onto the heads of people using a door below, so check carefully.

The best insurance is to buy trays for your troughs, boxes and tubs so any excess is gathered safely. You can even buy hanging baskets with trays attached but water with care if you use traditional bowl types.

A tight budget is no problem as boxes for your high rise garden can be made easily out of scrap wood protected with one of the many low toxicity preservatives now available.

If you have open railings

around your balcony or roof then place boxes at the edge and plant them with trailing types which can spill over the edges and soften the straight lines of the balcony or roof.

But if the balcony is walled then raise the boxes to give the plants more light and allow some greenery and flowers to drape over the edge. Choose cheap and sturdy varieties for the trailing displays: geraniums, nasturtiums, alyssum, Canary Creeper and fuchsias.

Lastly, a few practical points. Avoid prickly plants such as roses - you are bound to stab yourself more often in such a confined space. Don't let plants take over and leave nowhere to sit and make sure containers are secure - they are heavy and dangerous if they break loose.

Declan Nerney & Paddy O'Brien for Cats Country Show

Two of Ireland's top entertainment stars, Declan Nerney and Paddy O'Brien will headline a great country music show at The Cats Lounge, Melleray on Wednesday night, July 10.

The show promises a feast of entertainment and should attract a capacity attendance to this well appointed venue. Declan Nerney looks like having the hit of the summer with his current single "The Marquee In Drumlish."

Paddy O'Brien got his first big break when chosen to represent Ireland in the European Gold Star Awards. The man from Aglish, one of the real gentlemen of Irish show business, went on to become a huge crowd pulling attraction.

The appearance of these two big stars with a full supporting show could create new attendance records for The Cats Lounge on Wednesday night, July 10.

Augustinian Ordination In The Friary Church, Dungarvan

This coming weekend Augustinians at home and abroad will be gathering in the Friary Church, Dungarvan for the ordination of Michael Collender, O.S.A., Ballinavouga, Leamybrien. Michael who is a past pupil of Garranbane N.S., Dungarvan Vocational School and the Friary College, has completed his studies in Rome and in All Hallows College, Dublin. For the past year he has been on pastoral placement in an Augustinian parish in Finglas.

The ordination ceremony will take place this Saturday, 6th July, 1991 at 3.00 p.m. The Most Rev. Dr. Michael Russell will be the ordaining Bishop.

Michael Collender and his family, through the Dungarvan Augustinians, extend an open invitation to the ordina-

tion to the people from their own parish of Kilrossanty, from Dungarvan parish and surrounding parishes, as well as the regular "Friaryites." It is not a private ceremony. No tickets will be required for entry into the Friary Church on Saturday evening.

Abbeyside Scout Notes

Saturday night's meeting was packed with non-stop action. It all began with the P/Ls organising an obstacle course to be undertaken on bicycles. The course was laid out in the field and also took in a lap of Murphy Place which really showed up the fit and the not so fit. A high degree of skill was needed to negotiate the course which was something most scouts seemed to lack.

Following this event a "cook in" was held and the sweet smell of sausages scented the air of the den. John Deegan had a slight accident with a frying pan and Cossie's patrol were glad no sausages were in it at the time!

Fifteen minutes later golden brown sausages were being eaten by the pa-

trols as everyone sat around the campfire, prepared earlier, as they say in the best cookery programmes, once again by the P/Ls. At the campfire everyone sat, chatted and told jokes and the best jokes received marshmallows for their troubles. Top of the jokers were Conal Forde and Colin O'Connor.

The meeting finished at nine where everyone was reminded that next week's meeting begins at 7.30 p.m. in Ballinacourty where water type activities will take place, including raft building, so bring a towel, t-shirt, togs and shoes.

LOCAL DERBY

15-4 — yes, it's true, that was the final score after last Sunday's rather one-sided soccer match played

at Dog Leaf Park when Dungarvan Scouts challenged the 4th to a game. The score was in favour of Abbeyside, who, with their superior strength and passing ability, proved too much for the hapless Dungarvan cubs!

In the first half Abbeyside notched up eight goals with John Paul, Conor Mooney, Eamon Veale and Paddy O'Dea getting on the score-sheet. In the second half, Dungarvan, with fire in their eyes after the half time chat from trainer Michael Desmond, started well but again buckled under the onslaught from Mark Shepherd, Steven McNamara and John Phelan. At one stage even the water-boy Neil Moore might have got on the scoresheet!

Team trainer and part-time "ref" Brian was well pleased with the overall team effort.

Best on the day for Dungarvan was Jerry Desmond, while for Abbeyside Mark Shepherd, Michael Verling, "Smiley" and Damien Wall were totally dominant and in control. The question now remains — when will the next challenge be issued and who will triumph?

CUB NOTES

This weekend sees the famous father and son camp in Melleray and a great weekend is guaranteed for all, whatever the weather. So pack those bags and head for the ceoil, caint and craic!

SYMPATHY

We extend our sympathy to Maureen Fives and family, The Burgery, on the death last week of Michael Fives. Mick Fives's association with the 4th Waterford goes back to the early days of the troop when he attended those annual scout camps. He also took part in camp at Bunclody '57.

He later became Chairman of the Troop Committee where his wide experience of all aspects of life were put to good use. He always retained his interest in the Unit and was most supportive of all our activities.

Abbeyside scouting was the beneficiary of much from Michael Fives. Ar dheis De go raibh a anam. — SCRIBE.

Dungarvan Youth Sentenced For Assaulting Garda

A seventeen-and-a-half-years-old Dungarvan youth who is already serving an 18 month sentence of detention in St. Patrick's Institution imposed on him a fortnight previously, was sentenced to a further six months detention to run concurrently when he was convicted by District Justice Uinsinn Mac Gruairc at Dungarvan Court last week on a charge of assaulting Garda E. Fitzpatrick on March 7.

He was Michael Hallahan, 101 Childers Estate and giving evidence, Garda Fitzpatrick stated that while on duty in the patrol car on the night in question, accompanied by Garda C. Kelleher, he received a report that two youths had been seen interfering with parked cars at Kilrush Filling Station. They went there and found an abandoned crashed car with fresh blood marks inside it.

They drove around and at 3.50 a.m. they saw the defendant and another youth walking along Mitchel Street. They stopped the patrol car and spoke to the youths, both of whom had blood on their hands. When questioned they refused to explain how it got there.

Garda Fitzpatrick went on to say the Hallahan refused to get into the patrol car and violently resisted being arrested. Eventually they managed to get him in, and when in the car, Hallahan produced a hammer and swung it at witness and then sunk his teeth into witness's right arm.

Garda Kelleher gave corroborative evidence.

The defendant in evidence told the court that it was Garda Fitzpatrick who started the violence. He said that he had a hammer with him which he wanted to fix something at home. He denied swinging it at the Garda and said that he bit the Garda in the arm because the Garda was chok-

ing him. Convicting the defendant, District Justice Mac Gruairc marked a second charge of having in his possession an offensive weapon, to wit a hammer, with intent to disable Garda Fitzpatrick as "taken into consideration."

Drivers Fined And Banned At Dungarvan Court

Thomas Drohan, Knockenpower, Ring, was fined £180 with an endorsement and disqualification from driving for 12 months when he pleaded guilty to a charge of driving with excess alcohol in Ring on January 27 at Dungarvan Court last week.

Supt. R. McAndrew who prosecuted told District Justice Uinsinn Mac Gruairc that the defendant was stopped by gardai on the date in question and a sample taken was found on subsequent analysis to have a concentration of almost two and a half times the legal limit.

The District Justice allowed a request to defer the operation of the driving ban until August 31.

Patrick Lynch, Fruithill, Dungarvan was fined £100 with an endorsement and disqualified from driving for 12 months when he pleaded guilty to a similar charge on February 3.

The court was told that the defendant was stopped by gardai at Ballyneety Cross on his way home at 2.30 a.m. and taken to Dungarvan Garda Station and while there his car had been stolen and was found later in a crashed condition. No one had been apprehended for stealing it.

WHY NOT GIVE US A TRY?

Dear teacher, our Maggie's gone home for her stomach!

LITTLE Raymond handed a note to his teacher. It read: "Sorry Ray didn't go to school yesterday. We kept him home as he had a sore head and we wanted to see what came out of it."

It was just one of thousands of notes which parents write every day explaining absences. Many are unintentionally funny.

Like the one by a Hertfordshire parents who wrote: "Please excuse Maggie leaving school today. She had to go home for her stomach."

The teacher who read the following note must have felt somewhat alarmed for the health of one of her pupils: "Dear Miss", wrote the child's mother. "You must excuse our Jenny this afternoon as she's got a wee touch of consumption." Perhaps constipation was the word she wanted?

An Uxbridge teacher was once handed a note by a little girl pupil who waited for a reply. It read: "I think she has measles. What do you think?"

We've gleaned some wonderful examples from education and school magazines. Among the best are:

"Madam, please excuse Ethel for not coming to school yesterday. She fell in the mud. By doing same, you will greatly oblige. Her mother."

One from a gamekeeper's son read: "You'll require for to excuse our Tommy. The ferret bit his finger when he went down a rat-hole and he's not been himself since."

Another note said: "I kept Willy at home yesterday because his father died to oblige his mother."

A dreadful calamity must have befallen Janet Worth, whose mother wrote to the teacher: "Her face has broken out through her inside."

It's a fact that many pupils make up their own excuses in disguised handwriting, and often with bad spelling.

This is a fairly typical example: "Dear Sir, my sons Robert and John are sorry to be absent today. They have to go to the markit with the pigs as there father is selling them."

Another forged note: "I am sorry my daughter Sarah has been sick. The doktor says she must lie dormat for awhile yet."

But is this one real or forged? "Our boy's got pnevmonia, but I'll send him to school in the morn without fail."

It turned out to be a real one, from a Chelmsford mother.

A lot of excuses, especially this time of the year, centre on illness - some of them quite alarming: "Please excuse Betty. She's down with swollen glands and a bad throat but she's getting them cut."

And: "We had to take Peter to the doctor yesterday with his heart. Sorry to say, it is still beating."

Injury, too, accounts for many of the estimated million days taken off each week: "Dear Sir. Yesterday a boy threw a stone in my Billy's eye and he can't see out of it. Will you please see into it?"

And: "When Marry-Anne was out playing, she found a wasp-byte and they stung her in the loft." But Mary-Anne had written that herself - and the teacher had to explain what a wasp-bite is.

But this one, from a Dulwich, London, mother was

genuine, if a trifle confusing: "Our Jack cannot come to school today as he's went and cut his hand on a bottle which I've poulticed."

Almost as confusing was this note from a Manchester mother: "I'm taking Simon to the doctors today. We're having trouble at nights. He won't go to sleep with the light off. He says he's afraid of the dark but that it gets in his eyes."

But the reason for Sandy's absence was quite simple: "Sandy can't come today, he has to stay at home today to go to Edinburgh."

At least with that the teacher knows where he is - if he's not sure where Sandy is.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. —

TOWNS COLLECTION

Our Tidy Towns Committee are holding their annual church gate collection at all Masses in this parish on Saturday evening the 6th and Sunday morning 7th of July and since the area is looking even better than last year at the present time, your contributions are asked for.

FROM HOSPITAL

Welcome home from his recent short stay at the Mercy Hospital, Cork, to Master Alan D'Arcy, son of Mr. John and Mrs. Anna D'Arcy, Shanbally, Leamybrien. Welcome home also from Waterford Regional Hospital, Ardkeen, Children's Unit to Master Nickie Doyle, son of Mr. Padge and Mrs. Marilyn Doyle, Carrigbarahane, Stradbally. We hope that both are now on the road to a full and lasting recovery and that they will be out and about with their families and friends again very soon.

LOCAL MAN ELECTED

Very well done and congratulations to our local county councillor Mr. Tom Cunningham, Newtown, Stradbally, who was the fourth of five to be elected for this area on Friday afternoon last, when he got in on the seventh count. We also congratulate all of the other four members who were also elected for this area. Let's now hope that all five of them can and will help to get employment and more jobs for this parish area which as we all know are urgently needed. Please, will all of the parties who put up election posters now make sure that they are again taken down as they don't enhance the presentation of this area, which is looking well at the present time.

FROM HOLIDAYS

Welcome home from her recent stay in England to Miss Ita O'Reilly, Stradbally, where she was visiting family and friends.

BAND OUTINGS

The Bonmahon/Seafield pipe band had two very successful outings on Sunday the 23rd of June when they attended the Feile Cheoil in Kilmacthomas on Sunday afternoon and at Butlerstown on Sunday evening for a tournament final.

FEILE DETAILS

A most successful Feile Cheoil took place in Kilmacthomas on Sunday 23rd of June last, opening in Stradbally on Saturday night the 22nd of June by the Chairman of the County Board of C.C.E. Mr. Mairtin O Muirgheasa. Our spirits lifted on Sunday even though the weather was wet when the Seafield Pipe Band led the parade through Kilmacthomas. Local children who won prizes from the Lar Deise branch were Nollaig Cummins, Ballyvooney, Stradbally; Georgina Crowley, Ballyvooney, Stradbally; Viv Phelan, Cumeen, Kilmacthomas; Barbara Curran, Rathgormack; Mary Bridget Walsh, Ballyogarty, Kilmacthomas; Mary Rose Phelan, Cumeen, Kilmacthomas; Patricia Fitzgerald, Ballinasista, Ballylaneen, Kilmacthomas; Ellen Hayes, Bonmahon; Christopher Dee, Church Road, Stradbally. A sincere thank you from the organising committee to the Kilrossanty I.C.A., the Country Markets Association and Miss Patricia Crowley for their support and displays of crafts and of course the sponsors.

ON HOLIDAYS

At present on a week's holiday in Enniscorthy, Co. Wexford, where she is visiting family is Miss Yvonne Power, Carrigbarahane, Stradbally.

BEACHES DESERTED

For this time of year nearly all of the local beaches in this area are at present deserted. Parents of children who have holidays at present must be at their wits end with them all under their feet every day but let's hope now that things will get a lot better over the next few weeks.

PARISH PILGRIMAGE

Our best wishes are extended to all of our parish pilgrims who are on a coach to Knock, Co. Mayo, this Thursday the 4th of July, where we hope that the day will keep fine for them and that they all make a great pilgrimage.

IN HOSPITAL

At present a patient in the Regional Hospital, Cork, is Mr. Jason Hickey, High St., Stradbally, where we hope his stay will be a short one.

DEATH OF MISS MARJORIE (MADGE) RUSSELL, CAPPOQUIN

The death of Madge Russell of Cappoquin, has been received with profound and sincere regret in Cappoquin and all the surrounding districts of West Waterford. All through her long life she was associated in a big way with the business life of Cappoquin and so was her father before her, who established the business roughly 100 years ago.

They ran a very high-class grocery and off-licence trade in Main Street. Prior to Madge taking over the business her brother George was director, who predeceased her by many years.

A woman of great character and business capabilities, she will be sadly missed from the town she deeply loved. Her death took place at Waterford Regional Hospital on Friday, June 28, after a long illness and in the fullness of years. Her remains were removed from Ryan's Funeral Home, Lismore to St. Anne's Church, Cappoquin. The funeral service took place on Monday after which interment took place in Lismore. Many lovely floral tributes were received. Deep sympathy is extended to her many relatives and friends.

Very Rev. Dean C. Weekes, Dean of Lismore, officiated with Very Rev. W. Phelan P.P., Cappoquin.

(All funeral arrangements were by Maurice J. Noonan & Son, Funeral Directors, Cappoquin. Tel. 058/54317, 058/54044).

DEATH OF MR. PATRICK O'CONNOR, CAMPHIRE

The death took place at St. Joseph's Hospital, Dungarvan on Friday, June 28, of Mr. Patrick (Paddy) O'Connor, after many years in hospital and at an advanced age. A member of a well known local family his demise is much regretted.

The removal took place to St. Mary's Church, Cappoquin on Saturday evening and the burial took place in St. Declan's Cemetery on Sunday after the funeral Mass. Very Rev. W. Phelan P.P. and Rev. F. Lloyd C.C. officiated.

(Funeral arrangements were by Maurice J. Noonan & Son, Funeral Directors,

Cappoquin. Tel. 058/54317 and 058/54044).

LOCAL ELECTIONS

The hustle and bustle of the local elections are all over, the votes have been counted and the results declared. For local councillor Ollie Wilkinson it was an election he will long remember having received a massive 1,287 first preference votes which meant that one in every three voters gave him their No. 1. Even though working from a smaller base his total was greater than any candidate in the election. This must surely be seen as a vote of thanks to him from the people of West Waterford for the great work done in the previous six years. His support came from every district in the electoral area but especially of course from those near his home base. He polled very strongly in places such as Cappoquin, Lismore, Ballysaggart, Melleray, Modeligo and Affane, and was surprised himself at the numbers he received from places further away such as Ballyduff and especially Tallow where he had to compete with outgoing councillors.

As we said last week the contest for the fourth seat was going to be close and close it was right down to the final count. Both Mattie Power and Nora Flynn were locals, both were trying for the first time, both were representing the Fine Gael party, so it had all the ingredients of a fascinating duel. Nora was marginally behind after the first count but went six votes ahead in the second, it was won and lost in the third count when she got 30 more votes than Mattie. This count was the distribution of Willie McDonnell's surplus from which at a rough calculation she received approx. 500 second preferences. Those votes were always going to be vital and it looks as though she did the better job to attain them. Mattie was the loser this time but he accepted defeat with great fortitude and was the first to congratulate the winners. Dare we say it "Beig la eile".

On behalf of the "Cappoquin Notes" we would like to congratulate both Ollie and Nora and wish them the best of luck. We will be represented by two very able people, they can al-

ways be assured of the support of this writer in their efforts on behalf of the people of the area.

THIS WEEKS QUESTION

In a P.R. election, how is the quota arrived at? Answer next week.

Answer to last week's question—"The Dead" (Short Story).

AT THE SPORTSFIELD

Only a handful of spectators turned up on Saturday evening for the clash of Kilrossanty and Shamrocks in the Junior football championship. Those were the second teams of both clubs and for some reason second teams rarely attract followers even from their own areas, what a pity such games are not played as curtain raisers to more attractive fixtures so that the players would at least have somebody to cheer them on.

The game on Saturday evening turned out to be very one sided Kilrossanty being mostly superior in every department especially in an attack led by the wily Tom Keating who engineered some first class scores.

Referee E. O'Shea (Affane/Cappoquin).

RETIRING

Two of our esteemed teachers at the Boys National School will be retiring shortly. They are Mrs. B. Cahill and Sr. Anthony of the Mercy order. Both ladies have given long and dedicated service to the profession. Both were always most co-operative with parents and were more than willing to discuss and sort out problems. They will be sorely missed in the "Boys" by pupils, parents and fellow teachers. We wish them both many years of happy retirement.

GOLDEN JUBILEE

Congratulations to Sr. De Lourdes of the Mercy Convent who is celebrating the Golden Jubilee of her profession at the moment. Sr. De Lourdes is very well known in the area having up to a few years ago, been principal of the Girls National School. A most friendly outgoing lady, she is always prepared to discuss problems and has helped many past pupils in the area to obtain jobs. Her great love of course is her work within the Convent of Mercy and the upholding of its proud traditions and staunch principles. We wish her all the best at this very special time.

AFFANE SENIOR CITIZENS OUTING

Affane senior citizens were treated to a most enjoyable outing on Sat. 22 June when they travelled to Ardmore and took in Geosh Holy Well on the way, where they recited the rosary, in Ardmore they

visited the craft shops. A beautiful evening tea was served at the "Cup and Saucer" restaurant, and to end the evening they attended 7.30 Mass in Ardmore which, incidentally, was said by a former Affane student Fr. O'Connor. After Mass Fr. O'Connor came on the bus and chatted with everyone, renewing old acquaintances.

AFFANE BRIDGE RESULTS

June 17, 1991— Kitty Greaney, Joan Begley; Anne Veale, Cait Christopher;

Crissie McCarthy, Monica Walsh; Joan Ronayne, Una Barrey.

June 24, 1991— Bro. O'Mahoney, May Feehan; Joan Behan, Geraldine Murphy; Lil Costin, Andrew McGrath; Mary Redford, Addie Buckley.

P.T.A.A. NOTES

Just a few words about our successful tour on Saturday last. We travelled to Killarney and the Dingle Peninsula. We were blessed with splendid sunshine on our tour around Dingle. Scenery was magnificent and we stopped to take in places of interest and beauty. Our thanks to all who travelled, to our council members who organised the tour, the Uniackes shop who took the booking for us and Ken Begley our bus driver for the day.

Meals were eaten at Scott's Hotel, Killarney who catered for all tastes. All in all another very successful pioneer outing. We look forward to next year, to another destination whether far or near, we will be travelling.

CAPPOQUIN/AFFANE G.A.A. NOTES

Win for Intermediate Footballers— Affane 0-7 Geraldines 0-5— Affane eventually won this I.F.C. losers group tie in Lismore last Sunday, but in doing so we had to do it the hard way. With the team deci-

mated through injuries, many changes and switches had to be made but to their eternal credit the lads done the business on the day and secured victory.

Particularly outstanding for Affane were John Buckley, Miceal Phelan, Ray Flynn, Donagh Cummins, Liam and Sean Costin, Eamonn O'Shea and Seamus McCarthy.

Team— C. Cullinane, D. Cullinane, F. Murray, S. McCarthy, B. Hennessey, J. Buckley, S. Costin, Liam Costin, D. Cummins, M. Power, R. Flynn, E. O'Shea, P. J. Veale, M. Phelan, S. Fraher. Subs used S. Morrissey and F. McCarthy.

Losers Group Final

The losers group final now takes place on this Friday night at 7.30 p.m. in Lismore. Our opponents will be Brickeys who looked very impressive in beating Ballinameela last Sunday. Certainly we must improve considerably if we are to surmount this hurdle. The lads will have to give it 100% for the entire 60 mins. - anything less will just not be good enough.

Tale of Woe— The present injury crisis in the club was further compounded following last Sunday's match with Seamus McCarthy the latest victim. Ours is a tale of woe with already on the injury list players like Brian Murray, Martin Reddy, Kieran Veale, Eamonn Costin at adult level, and Miceal Croke and Ray Curran at underage level. Another club player on long term injury is Mark Mason. We wish all those lads a very speedy recovery to full fitness.

Minor Hurlers— Great to see Mick Lacey putting in good work with the junior hurlers. They are an enthusiastic bunch of lads and Mick is getting the best out of them. They have been active with a few

hurling challenges and even though defeat has been their lot in those games the team is gradually taking shape and the youngsters can only learn from those matches.

U/12 Hurlers Win— Cappoquin 6-3 Melleray 2-0— Denis McCarthy's young charges were in action against Melleray last week and recorded a very convincing win in an entertaining challenge at the sportsfield. Peter Keniry dominated at midfield and Gavin Foley, Gerald O'Keefe, Paul Morrissey, Justin Dalton, Charles Horsom, Liam Cunningham, Shane Hanrahan and substitute Brian Coughlan showed great promise.

Team— S. Coughlan, G. Foley, N. Maher, D. McCarthy, R. Scanlon, T. Scanlon, G. O'Keefe, P. Keniry, M. Scanlon, P. Morrissey, J. Dalton, C. Horsom, S. Hanrahan, L. Cunningham, C. Mason. Subs P. Coffey, T. McCarthy, S. Curran, J. Murray, B. Coughlan, S. Landers (all used).

We wish a speedy recovery to our captain Noel McCarthy who was recently hospitalised and look forward to seeing him back with us very shortly.

Confusion— There was much confusion over the junior football match versus Clashmore last weekend. Our lads were very disappointed the game

did not take place and hope the game can be re-fixed. There seemed to be a grave misunderstanding over the game. Both teams are anxious to fulfill the fixture so we sincerely hope the situation can be rectified.

DAFFODIL DAY

A sum of £1,258 was collected in Cappoquin on Daffodil Day. Those in charge would like to thank all who contributed and all who helped to make the day so successful.

LISMORE GOLF

Last weekend was the highlight of the year in the club, the captain's prize kindly presented by the captain Mr. Ronan Culloo. A thirty six hole competition with 18 holes on Saturday and 18 holes on Sunday. The huge number of players was a tribute to the captain and the standard of golf was excellent. John Power led after the first day with a 57 but experience told in the end and in an afternoon of great scores Ritchie Ormond, with an aggregate score of 126, won by a single shot from Jimmy Hornibrook with 127. The course was never better and all playing were loud in their praise of it. The prizes were presented on Sunday night in a packed clubhouse and the dancing went on into the small hours.

C.L.C.G. LIOS MOR

Walsh Cup Final— The eagerly awaited final of the Walsh Cup takes place this Thurs. evening at 7.30 at the Castlefarm grounds where Ballyduff take on Cashel King Cormacs in what promises to be a thriller. The Ballyduff men had four points to spare over Tallow in the semi-final and in the intervening six weeks have had the benefit of several championship and challenge matches to their credit, and should provide stiff opposition to the Tipperary men. King Cormacs, home of the famous Bonner brothers qualified for the final by virtue of a two goal win over the holders, Lismore, and will be all out to capture this prestigious trophy for the first time. Organised, as usual, by the Lismore C.B.S.P.P.U. and generously sponsored by local publican and restaurateur Eamonn Walsh, the

proceeds will help defray the cost of major renovations to the C.B.S. Primary School undertaken by the Principal Rev. Bro. Dormer. The referee for the occasion will be J. J. Landers, so, given a fine evening and a firm sward we have all the ingredients for what should be a cracking contest.

Minor Hurling Championship— A reminder to all concerned that the minor hurling championship gets under way on Friday, 12 July when we meet Dungarvan at Cappoquin.

U/14 Hurling Co. Final— Our U/14 hurlers relinquished their county title at rainswept Walsh Park on Sat. last when they were beaten by old rivals Mount Sion in an entertaining final. Lismore, who suffered an early setback in the opening minute when Mount Sion goaled, recovered gallantly to level the score 1-2 apiece at half time and were still in there with a great chance of retaining their county title. However, the city team took control in the second half and built up an unsailable lead to run out de-

cisive winners at the final whistle.

Tennis Club Meeting— Due to circumstances outside of its control the Tennis Club committee has been disbanded and as a direct result the court remains closed at present. To facilitate an early resumption of play and the formation of a committee to run the club, the local G.A.A. (on whose grounds the courts are built) will host a meeting of all interested parties on this Friday in Lismore Hotel at 8.00 p.m. Your attendance is earnestly requested, as a facility such as this, which cost in the region of £32,000 to put in place, cannot, and must not, be allowed to remain idle, for whatever reason. All are welcome to attend and hopefully participate in discussions on how best to run such a club.

Junior Football— Lismore had their second outing in this competition against Tallow on Saturday evening and despite scoring 13 points (which would normally be enough to win any junior football match) still lost to the Bridesiders, whose forwards found the Lismore net on no fewer than six occasions and tapped over six points for good measure to run out decisive winners by 6-6 to 0-13.

Munster Hurling Final Tickets— Our allocation of Munster final tickets is to hand and the draw for same will take place at the clubhouse immediately after the Walsh Cup final on Thursday evening. As usual, only paid-up members will be eligible to participate.

Munster U-21 Hurling— Lismore will have three representatives on the Waterford team who meet Cork in the semi-final on July 10. Sean Daly will captain the side while Kieran O'Gorman and Declan Landers are also chosen to join the panel.

"Belle of Lismore"— The programme for this year's festival has been finalised and incorporates many of the exciting events of former years. An innovative attraction this year is a competition to select the "Belle of Lismore" which will be open to all ladies 18 years of age and over. Each contestant should get sponsorship from a business, club, organisation or individually, to the value of £25 to be eligible for entry.

Sponsorship cards are now available at Billy Hogan's (Printer) or John O'Gorman's (Grocer). Judging will take place on Wednesday night, August 7 in Lismore Hotel and the winner will receive a crystal trophy, £150 in cash, £30 fashion voucher and dinner for two. The closing

date for entries is Tuesday, August 6, so, ladies, you have just four weeks to prepare.

Lismore G.A.A. Weekly Draw— £50, Mrs. M. Herbert, South Mall; £30, Mr. Ed. Fenton, Main Street; £20, Rev. Bro. Dormer, CBS, Lismore; £15, Castle Lodge, Lismore; £10, Mrs. K. Geary, East Main Street; Master M. Shanahan, Parks Road; Mr. John Landers, Camphire. Promoters Prize: Mrs. M. Hyland.

The next draw will be held in the Red House on Monday, July 8, at 8 p.m. (Adv't.)

Best of luck to Valerie Barry in the All-Ireland finals next Sunday when she competes in the girls under-15 800m. in Tullamore.

LISMORE LIBRARY

The newly refurbished Lismore Library is now open to the public. This represents a major investment in the town's educational and cultural future and even for people who would describe themselves as non-readers, is well worthy of a visit.

Some of the major features of the library are a splendid children's collection for all ages, many titles especially suited for young adults, a music collection on cassette and compact disc, an exhibition area, talking books for the poor of sight, computerised on-line searching of the county-wide catalogue, study facilities and photocopying services.

Opening Hours— Monday: 11.30 to 2, 3 to 6; Tuesday: 1 to 4.30, 5.30 to 8; Wednesday: 11.30 to 2, 3 to 6; Thursday: 11.30 to 2, 3 to 6; Friday: 1 to 4.30, 5.30 to 8.

LISMORE GYMKHANA

Saturday next, July 6, sees the Annual Gymkhana taking place on the Castlefarm grounds. Top class entertainment is assured with the Waterford Co-op sponsored D & E Qualifier for the Gain finals at Waterford Show.

Riders battling for places at the prestigious Millstreet Show will have both the Boomerang Qualifier and for the left professional there is the T. L. Egan sponsored Millstreet Sportsmans.

A separate arena for the tiny tots is provided and you may find your little darling is the next Eddie Macken of James Kiernan. The fun starts at 10.30 a.m. and the tiny tots after lunch. (Adv't.)

Kilrossanty Notes

ORDINATION

The Reverend Michael Collender, O.S.A. (Ballinavouga, Leamybrien) will be ordained a Priest in the Friary Church, Dungarvan on this Saturday 6 July. His first Mass as principal celebrant will be in St. Brigid's Church, Kilrossanty at 7 p.m. on Sunday evening, 7 July. This is a wonderful occasion for the Parish and we hope a large crowd will attend.

G.A.A.

Senior Football— Our senior footballers had a great victory over Gaultier in the championship last Sunday afternoon in Walsh Park on the score of 4-11 to 1-11. In the first 20 minutes of the match Gaultier totally dominated and led by 0-8 to nil just ten minutes before half time. We came back into the game in those ten minutes before the break and a great goal by Brian Kirwan left just five points between the teams at half time.

We got off to a good start in the second half with two quick points but shortly afterwards Gaultier scored a goal to leave six points between the two teams. Then the selectors made a change by bringing minor player Niall O'Connor into the game. Immediately he changed the whole course of the game for us. He won a penalty which Jim Maher converted expertly and then he set up Nicky Power for a

match winning goal. In the final minute Pierce Whyte scored a fourth goal and when the final whistle was blown a nine point margin separated the two teams.

On this Saturday evening in Stradbally at 7.30 p.m. we take on county champions Dungarvan. This will definitely be our hardest match to date but if we perform for the full sixty minutes we can pull off another much needed victory in our bid for honours this year.

Junior Football— Our junior footballers had a comprehensive victory over the Shamrocks last Saturday night in Cappoquin in the championship on the score of 4-10 to 1-3. The lads dominated from start to finish and some fine scoring from Tom Keating and Niall O'Connor paved the way for a magnificent victory.

On this Thursday evening, July 4, we are due to play Stradbally in the championship. Although we will be without the services of Michael Fitzgerald and Niall O'Connor, who are now committed to the senior team after last Sunday's match, we can still beat our local rivals, who recorded a victory over Ballinacourty in Leamybrien on Monday night last, July 1.

Under-16 Hurling— Our under-16 hurlers are due to play Ardmore in the first round of the champi-

onship next Monday night, July 8, in Ardmore and as we are defending Western and County champions in the C section, hopefully the lads can get off to a winning start to this year's campaign.

Under-12 Football— Training continues every Tuesday and Thursday evenings at 6.30 p.m. for these young lads who will probably have a championship match coming up shortly.

I.C.A.

The next meeting of Kilrossanty I.C.A. will take place in Kilrossanty Hall, on Monday night next 8 July at 8 p.m. sharp. All members are asked to pay the membership fee at this meeting as we will not be having any meeting in August. The fee is £10.60. The annual outing will take place in July, details to be given at the meeting. Many thanks to all the members who put great work into the recent I.C.A./A.I.B. Project held recently in Dungarvan and also to the members who attended the Card Drive at Bartons, last Friday night.

HOLIDAYS

At present on holidays in America is our Curate, Fr. John O'Brien. Hope he has a nice stay.

HOSPITALISED

Best wishes for a speedy recovery to Mr. Patrick Fitzgerald, Curraheen, who is in hospital in Cork for the

last few weeks.

ELECTION

Congratulations to Mr. Oliver Coffey, Shanbally, who retained his Council seat in the County Council Elections last week.

LADIES FOOTBALL

With the various u/age competitions over in the county at present, the club is organising some tournaments for u/12, 14, 16's and hope to run them off over the next few weeks.

Best of luck to our club members Siobhan Power, Ann Harney and Jenny Hallihan who are part of the u/16 county panel travelling to Cappaghmore tonight (Wednesday) to play Clare in the u/16 championship.

Congratulations to the members of our club who gave some fine performances at the Waterford Community Games Athletics Co. finals in Dungarvan on Sunday last. Pride of place to Sinead Kirwan who won the u/14 800m and qualified for the national finals in Mosney in September. Also to Triona Whyte who is unlucky not to be joining her when she was narrowly beaten in the u/12 100m final and had to be content with the silver medal. Well done also to Clodagh and Christina Keating, Catherine Prendergast and Ann Marie Coade who did well in their respective events. Training on Friday night at 7.00 p.m.

G.A.A. NOTES

J.F.C. Tallow 6-6 Lismore 0-13— Tallow's ability to score goals at vital stages was the difference between winning and losing this junior football championship match in Tallow on Sat. night last. Tallow started the game well and had missed some good chances but it was Lismore who opened the scoring and after a quarter of an hour led 0-3 to 0-0. Then in a fluent movement down the field Mickey Curley had the ball in the net to level the scores. Tallow added a second goal from Philly Curley and led 2-0 to 0-3. Lismore added 3 more points to level it again with 5 minutes to go to half time. Then Paul Curley, not to be outdone by his 2 brothers rattled the Lismore net for goal number 3 and Dermot Henley added a point to leave Tallow leading by 3-1 to 0-6 at half time. Tallow started the second half as they had finished the first half. Two great goals from the excellent Paul Curley and a further goal from a Lismore defender under pressure wrapped the game up for Tallow and they ran out easy winners by 11 pts at the end of the match. Tallow had a lot of stars but none more

than B. Pratt in goal, Tomas McCarthy, Milo Ahearne, Colin Cunningham, Jim Sheehan, Ian Mackintosh, Steve, Mickey, Paul and Philly Curley

and Kieran O'Brien. We now play Old Parish in about 4 weeks time and a win here will put us into the semi-final.

Team— B. Pratt, Gary Ahearne, Milo Ahearne, Tomas McCarthy, Ian Mackintosh, Tim Sheehan, Colin Cunningham, Jim O'Leary, Eamonn Cusack (Capt), Dermot Henley 0-1, Steve Curley, Kieran O'Brien, Philly Curley 1-0, Mickey Curley 1-2, Paul Curley 3-3. Subs. Johnny Geary for E. Cusack, David Doyle for Mickey Curley.

ST. CATHERINES G.A.A.

Sarsfields 4-8 St. Catherines 2-6— Catherines and Sarsfields clashed in the U/14 hurling championship at Lisgoold last Saturday evening. Though the former had to call on a few of their under 12's they still put up a brave fight and were within a goal of their rivals midway. The second half was played with great spirit by both sides but Sars. with great reserve and stronger in the scoring line won on the above score after a rousing game. Catherine's team was Liam O'Connell (goal), Donal Lynch, Pat Morrisson, Michael Twomey, Pdraigh Higgins, Liam O'Leary, Robert O'Connell, Richard Hegarty, Eric Flynn, Shane

Kearney, Paddy Lane, Pakie Twomey, Shane Fitzgerald, James Caplice, Bill O'Keefe. Referee, John Motherway, Aghada.

Our minor hurlers were at home in Ballynoe to Cappelquin in a challenge game. The latter playing very well, went ahead from the start and had a few goals to their credit at half-time. On the resumption Catherines improved their position and in a final rally just managed a one point victory. Pit Lane, St. Catherines refereed.

Our junior hurlers visited Lismore during the week for a practice game with the local side and in a very lively contest they finished all square at the final whistle.

Junior B Grade Hurling Championship — St. Catherines 2-13 Sarsfields 0-3— Although Catherines chalked up 1-6 in the first half of this game at Lisgoold against Sarsfields, they had the advantage of a strong wind and it did not look too promising against their op-

ponents who had nil. However, they proceeded to tack on the scores again in the second half and with Sars. only replying with three points they earned their place in the second round.

Team— J. Hartnett (goal), D. O'Keefe, J. Leary, B. Neville, E. Hartnett, B. Sheehan, J. McCarthy, E. Galvin, M. Mangan, G. Morrisson, D. Buckner, J. Sheehan, M. Walsh, J. G. Barry, E. O'Brien; subs M. Hartnett, J. Hennessy, Frank Hayes, P. Leahy, P. Ahern, P. Higgins, K. Nunan; referee Jack Cotter, Midleton.

Art Gallery For Dungarvan

Dungarvan is to have its own Art Gallery where, for the future, local artists, of which there are quite a number, will be able to display and sell their works.

Named "The Castle Art Gallery," it is located in the 16th century Limestone Building near the remains of King John's Castle (where the old Garda Station was) at the lower end of Main Street. Recently renovated, the building, formerly known locally as Barry's Stores, has a long history and is now under preservation order. Nearby the Old Market House, near Merry's, the town's Library and Museum are located.

Owner and Director of the Gallery is local lady, Anne Murphy who made the move to establish it as she felt that there was a great lack of an artistic outlet in Dungarvan and surrounding area to serve the immense local talent and interest in art in the locality.

Ms. Murphy who has vast experience in the tourism

field decided to take the plunge and open the Gallery to fill this long-needed facility in the best possible location in the town.

Although the Gallery has just opened its doors, Anne has told us that even now, quite a selection of art work is already on view and she said that all local artists will be welcome to display and sell their works at the Gallery.

In a further drive to revive an interest in art it is planned to resurrect the Dungarvan Arts Society and the long term plans, under the wing of the Castle Art Gallery, will be to have an Art Centre based in Quay Street.

We congratulate Ms. Murphy on her initiative in scoring another first for Dungarvan and wish her every success for the future.

DUNGARVAN G.A.A. NOTES

SENIORS "BIG ONE"

Our senior footballers travel to Stradbally on Saturday night next where we meet old rivals Kilrossanty in the next round of the senior championship. Because of injuries together with the inter-county involvement of some of our players, training for this game has not been what it should have been and only a first-class effort will do if we are to account for the Comeragh side. The game is timed for 7.30 p.m.

JUNIORS RUN CONTINUES

Our juniors had another good win over the Nire on Saturday night last on the score of 3-8 to 0-8. This was a fine allround performance and we now look forward to this Thursday at Bushy Park (7.30).

N.B. — This game was scheduled for Friday so please note change of date.

MINOR HURLERS PREPARE

The minor hurling championship will resume following the break for exams on Friday, July 12, when we play Lismore in the divisional semi-final at Cappoquin.

OVER 40 HURLING

Club player, Martin Sandford helped Waterford to a great win over Laois at Walsh Park on Saturday last. Martin is a member of our senior squad and we congratulate him on his selection to represent his county.

ON COUNTY DUTY

Club players, Darrell Donnelly, Martin Sheehan, Eddie Burke and Derek Lyons were members of the Waterford junior football side who were defeated by Kerry in the Munster final at Fraher Field on Friday evening last. The lads made a huge contribution to a fine Waterford display.

Notai C.L.C.G. Ant Sean Phobail

The results of the progressive 45 drive in the Marine Bar last Wednesday night were, 1st on 10 games, Monsignor Lannen and Ml. Mahony, Pat Parker and partner. The jackpot is £110 on 13 games.

FOOTBALLERS WIN

Last Saturday evening we played Kilgobinet in the junior football championship in Dungarvan. It was a wet evening and playing conditions were very bad with a very wet ball. We suffered a set-back after only one minute when one of our mid-fielders, John Walsh, was carried off injured. We had to make some changes but we started well with some good scores and missed some easy chances. We led at half time by 0-5 to 0-2. In the second half Kilgobinet played better

and scored two goals but we did not let that trouble us. We played good football again but could not score. With one minute to go full back Sean Woods started a good move up the field and was fouled for a penalty. Joe Salmon kicked the ball to the net and put us one point in front to win on the score 1-7 to 2-3. This was a good win for us and we now have 2 wins out of 2 games. The team was D. Whelan, M. Donovan, S. Woods, Bud Hourigan, M. Power, T. Mahoney, B. Stilwell, B. French (Capt), J. Walsh, M. Curran (0-1), J. Salmon (1-4), T. Hogan, C. French, M. Hogan (0-2), S. Wade, subs M. Quinn for J. Walsh, A. O'Sullivan for S. Wade.

—Miceal Toibin P.R.O.

What a pity it didn't end in victory.

I.N.T.O.

MINI-SEVENS

Congratulations to CBS players, Jamie Burke, Paul Ahearne and David Morrissey who have been selected to play in Croke Park. Both Paul and David will play on All-Ireland semi-final day while Jamie will "tog out" on All-Ireland final day itself. Well done lads and also of course to Mr. Pat Curran, N.T., who is their team coach.

UNDER-AGE LEAGUES

The finals of the Mini Leagues were held at the Fraher Field on Thursday evening last. In the under-10 final, Pat Veale's team just got the better of Darren Tutty's side after a "ding-dong" struggle. Darren played a captain's part with some fine saves in the goal.

The under-12 final also produced some great hurling before Jamie Burke's team just "pipped" David

Morrissey's side for the title.

A great evening's hurling was enjoyed by the large attendance present and the club would like to thank Pat Curran, Tony Ryan, Chris Meehan, John O'Brien and the lads for their help over the past months.

We would also like to thank the Abbeyside/Ballinacourty Club for making their portable goal-posts available to us, and Tomas Curran for the transport. Also a word to groundsman, Gusto Fraher, who had everything in such fine order.

COMMITTEE MEETING

The club committee will meet this Thursday in Lawlor's Hotel at 8.30 p.m. All members are requested to attend.

SYMPATHY

The club extends its sympathy to the Fives family, Abbeyside on the death of Mr. Michael Fives.

Michael was a respected sportsman and will be missed by us all. Also to the Kearney family, Silver-springs, on the recent death of John Kearney. May they both rest in peace.

MUNSTER FINAL

Next Sunday is of course Munster final day and many club members will be making their way to Pairc Ui Chaoimh for the big game. As always, tickets are a problem with not nearly enough to go round. Still, some were lucky, so enjoy yourselves.

Local referee, Pat Moore will be in charge of the under-16 Munster hurling final which goes on at 12.15 p.m. before the minor game. This is an honour which Pat richly deserves and we wish him well.

BINGO

Don't forget next Friday is bingo night in the Friary Hall. Eyes down at 8.30 p.m. sharp. Prize money total: £1,100.

Stradbally G.A.A. Notes

A LIVELY START

Our seniors got off to a very good start in the championship when they had one point to spare over Butlerstown on the score of 1-12 to 1-11 in Kill. This was a good win because it was the youngest senior side to take the field and certainly they came up trumps and Paul Foley, Richard Gough and Oliver Costelloe have a great future in front of them, and for young Oliver Costelloe it was a dream debut, scoring that all important goal.

On this Friday evening 5 July we play Clashmore in the next round in Dungarvan at 7.30 p.m. This will prove a different game altogether from Sunday's game, one that will not be won without determination.

BEST OF LUCK

The best of luck to our County minor player Paul Foley who will be assisting Waterford minors on Tuesday evening next v. Cork in the Munster semi-final, also our club player Noel Costelloe will be a selector with the Waterford under 21 hurlers v. Cork in the Munster Championship on Wednesday evening 10 July in Cork.

JUNIORS ADVANCE

Our junior footballers had a good victory over Ballinacourty in the championship last week on the score of 1-11 to 1-7. A Martin Walsh goal clinched it for us.

On this Thursday evening 4 July we play old rivals Kilrossanty in the next round in Dungarvan at 7.30 p.m. This is the crunch

game as a win here will put us into the later stages of the championship but Pat Dunphy's absence through injury will be a big blow to the team, and it will take a great effort on the part of everybody to win here.

ON MUNSTER FINAL TEAM

Our three club players Pat Curran, Kieran Heffernan and Tomas Gough were on the Waterford Junior Football team which played Kerry in the Munster Final last Friday. Pat Curran had the honour of being captain on the night. He received a shoulder injury however, which will keep him out for a month.

CONGRATULATION TO OUR VICE CHAIRMAN

Congratulations to our Vice Chairman Tom Cunningham who was elected to Waterford Co. Council last week in the local elections.

MINOR HURLERS v. ABBEYSIDE

On Thursday evening next 12 July, our minor hurlers play Abbeyside in the championship in Leamybrien at 7.30 p.m. This will be our first game in this grade, and it will prove a most difficult one to win, as Abbeyside must be strong in this grade.

UNDER AGE FINAL

On Tuesday evening next 9 July the under-age football league final takes place in the field at 7 p.m. A beautiful set of trophies await the winner. The teams taking part are Niall Curran's team and Michael McCarthy's team, so we ask all our adult members to come along and encour-

age their young players. The man leading this league is Michael R. Keane who has these boys in excellent form.

PAUL MULLANNEY OUT OF ACTION

Our senior mid-fielder Paul Mullanney will be out of action through injury for some time to come and will be sadly missed for our forth-coming championship games.

FINTAN O'BRIEN HONOURED

After last week's senior Munster final, our club player Fintan O'Brien was honoured with Man of the Match award in the Park Hotel where he received a Waterford Glass trophy which was very kindly sponsored by the Park Hotel. This was a great honour for Fintan, who is having a great season.

STILL GOING STRONG

Our club players Noel Costelloe and Michael Coffey helped Waterford over 40 hurlers to a great win over Laois last week in the competition. They now play Kilkenny in the next round.

BIG GAME IN FIELD

On Saturday evening next 6 July, County Champions Dungarvan play Kilrossanty in a vital championship game in the field at 7.30 p.m.

INTERMEDIATE HURLING

Our next game in the above championship v. Ballydurn takes place on Sunday 21 July in Kilmac. This is a vital game, one we must win to stay in the championship.

A bus for the finals will leave Kilrush Park at 9 a.m. and you can book your seat by giving your name to Dixie Deegan or Liam Simms. We wish the young Blues all the best in the finals and whatever the results we know they will do Dungarvan proud.

DARTS

Congrats to the darts team from Tigh An Cheoil who were the winners of the Carling Fours in Kilrush on Friday night last. The standard of darts for the semi-finals and final were world class and in the end it was the experience of Tigh An Cheoil that won out over a very young Shandon Arms team, who will no doubt be back again.

PLAYERS' MEETING

Due to unforeseen circumstances the players meeting fixed for Thursday night, 4th July, has been cancelled, and will be refixed for a later date.

Co. Coaching Report

The coaching committee of which both coaches are members, decided on the experience of the previous year, to concentrate totally on the 58 primary schools in the county. The coaching programme was not entirely a success in the secondary schools generally, with a few exceptions where specific teams were prepared.

The Co. G.A.A. Board had no input whatsoever into withdrawing the Co. coaches from second level schools, both coaches operating an extremely busy programme already it is just not possible to cover secondary schools as well. Colm Bonnair operates in the Regional College for half the year. From a practical point of view, with school time tables in mind, it is not the easiest thing for the scheme to function

in the secondary schools. The main thrust of coaching scheme must continue to be in the national schools where a greater number of children are available and where the basic skill work is done with the young who are prepared to learn. The coaching committee will always have an open mind as to how the Co. coaches will be best employed for the good of Waterford under-age hurling.

DUNGARVAN UTD. U/15 SCHOOLBOYS

Hard Earned Victory Over Johnville

U/15 T.S.B. League — Johnville 2; Dungarvan 3

Playing their last away league game of the season, our U/15 side had a hard earned victory by the odd goal in five in Johnville on Thurs. evening last.

Johnville took the lead after 20 mins but almost straight away Aidan Landers scored the equaliser. Brian Elstead put the Blues 2-1 ahead before the interval. Shortly after the re-start Jason Hyslop scored the third following a corner. Johnville made the Blues work hard for this victory in the last quarter of the game and got their

second goal direct from a corner.

So this side have two games versus leaders Southend and Bohemians and victories here could set them up for the league title. These games take place on Monday 8th July and Thursday 11th July.

On Saturday next 6 July this U/15 side turn their attention to the Cup when

they take on Southend in the final at Ozier Park. Southend beat them in the U/14 Final last season and the Blues will be seeking revenge here.

Dungarvan:— M. Cummins, R. Finnegan, D. Wall, M. Cowming, T. Butler, J. Hyslop, T. Kiely, C. Murphy, A. Landers, B. Elstead, B. Cliffe. Subs: C. Walsh, M. French, T. Whelan.

Cunnigar Pitch and Putt Club Notes

This past weekend saw the concluding games of Ger Wyley's Match Play Championship being played with the semi-finals on Saturday and the final on Sunday. On both days the games were watched by interested and highly appreciative audiences, conditions on Sunday being the best for several days contributing in no small way to the smooth running of the final stages of the tournament. Indeed all the qualifying rounds too were admirably handled and controlled by the efficient stewards and "minders". The tournament yielded its fair share of surprises with

some of the more fancied players making an early exit. But then why should we be surprised? The frequent and constant use of the course is bound to improve the proficiency of all concerned. And this combined with our handicapping system in contributing to the enjoyment of player and spectator alike.

The weekend results were:— Gents 1st Peter Power, 2nd Pat Tutty, 3rd Billy Goode; Ladies 1st Margaret Condon, 2nd Mary Walsh; Juveniles 1st Mark Riordan, 2nd Maurice Tobin.

Congratulations and well done to all concerned and

our grateful thanks to Ger Wyley for his generous sponsorship of this tournament.

Are you one of those few who failed at the last minute to become fully paid up through our facility of paying by instalments? June 30 was the last day for that system. Henceforth applications for membership must be accompanied by the full subscription relative to the grade in question.

Referring back to last weeks Local Elections and the emphasis in these notes as to the importance of even one vote, it is very interesting to note how few votes separated the contenders for the last seat. Commiserations to the unlucky ones, and welcome to the new comers. And to all those who did not vote, don't complain when unpopular decisions are being made in local government.

As a corollary of the foregoing, did you know that political parties have seven days after an election in which to remove all their advertising and exhortations to vote for Tom, Dick or Harry. Failure to remove these signs can make the offending parties liable to legal action. Developments are awaited!!!

In the meantime now that the sun has returned, the course is waiting for you.

Welcome Return Of Premier 3-Day Cycle Classic

The John Hearn Memorial International Cycling Classic is making a welcome return to the Irish amateur cycling scene. After an absence of four years, the 3-Day Classic will be staged in Carrick-on-Suir during the August Bank Holiday Weekend (3-5 August).

Described as one of the most colourful and spectacular events on the Irish sporting calendar, the Classic is seen as the ideal spring board to a professional career for the Irish cyclists.

The field of competitors will comprise teams of five riders representing Clubs/Regions. Three teams from the U.K. have already confirmed their intention to participate, as has a crack French team from Tregunc, Carrick-on-Suir's twin town in Brittany.

Abbeyside/ Ballinacourty G.A.A. Notes

END OF A ERA

All club activity came to a halt last week as a mark of respect following the unexpected death of Michael (Mick) Fives who had been part and parcel of our club for the best part of six decades.

Michael served the club as a player, referee, committee member, club treasurer, team selector and long time Club Chairman. He participated in all major club decisions and events since the late forties.

He provided us with training pitches when we had none and he was very much to the fore in the decision to purchase our first club grounds in 1961 and in its subsequent development. Then he chaired the special sub-committee that made the far seeking recommendation to purchase our present complex in 1979. His sons Fr. Colin (OSA) who is a Vice President of the club, Greg who captained our first Co. title winning U/21 football side in 1970 when Mickey was also a valued member and Raymond who captained our successful Co. title winning minor football side of 1976 have all served the club with distinction while Greg has also been involved in the administration side of the club.

Fittingly the club provided a guard of honour at Michael's funeral as former colleagues and players from different generations mingled together to provide a fitting testimonial of the respect in which Michael was held by all involved in our club.

The club extends its sincere sympathy to Mrs. Fives, Maureen, Fr. Colin OSA, Greg, Michael, Raymond, Geraldine and relatives on their sad loss.

SENIOR FOOTBALL

In a very close game the senior footballers were defeated by the narrowest of margins against the Nire on Sunday evening last 0-10 to 0-9 as the woodwork denied them a late equaliser. The 5th game of the series is against St. Saviours on Saturday evening next in Dungarvan.

MINOR HURLING

The minor hurlers open their championship campaign on Wed. evening next 12 July against Stradbally in Leamybrien.

FEILE PEIL NA nOG

The U/14 footballers travelled to Meath last weekend to represent Waterford in the national Feile Peil na Nog finals run in association with A.C.C.

Abbeyside were competing in Div 2. In our opening game we defeated our host club Donaghmore by 4-10

to 0-1.

In the 2nd game Newry (Down) were victorious by 2-8 to 2-4 in a very tense and exciting game.

Now out of contention selectors Joe Cleary, Donal Verling and Pat Moore uses the opportunity to round off a good season by utilising the full panel against Skeyne (Meath) with a royal county victory by 5-7 to 3-6.

SKILLS COMPETITION

Jason Kavanagh competed in the long kick competition. Tom Melody won his section of the penalty kicking competition as did William Fennell in the free kicking. Marty 'Bonner' Kiely acted as goalie (For non-Melody kicks) and was in terrific form. The highlight of the trio was the Feile Parade through Navan on Sunday morning when 64 teams and nine bands participated in a very colourful spectacular.

Our banner, which was specially made by Mrs. Breda Cleary, was resplendent. Following a fun packed weekend, it was a very tired bunch of lads which returned to the village on Sunday evening, just in time to shout on the senior footballers.

MUNSTER JUNIOR FOOTBALL FINAL

Waterford's Great Display Just Fails

KERRY 1-12
WATERFORD 3-4

After a game that excited a crowd of about twelve hundred people at Fraher Field on Friday evening last, silence descended on the venue at the end, as hundreds of very enthusiastic supporters left the grounds wondering just what Waterford must do to win. It was undoubtedly a wonderful display by the Waterford team who showed courage and fierce determination in their battle against the hot favourites, Kerry in this enthralling Munster final, but it was a game which we should have won, but lost because of so many wasted chances.

Kerry county secretary, Tony O'Keeffe said after the game that they were 'poxed with luck' and would not have been too disappointed, had this very good Waterford team, taken their second title in the grade. There were some very fine performances on both sides and some great movements in the game by both teams over the hour, but somehow Kerry seemed able to put it all together that little bit better. Call it experience, tradition, match strategy or whatever you will on the part of the visitors, but we still had the winning of the match and probably should have won by several points. Kerry also missed chances, but not nearly as many as we did in both halves. Over the hour we had a total of 13 wides as against just 4 for

Kerry. It was very much a foul ridden, but very sporting game all through.

GOOD SCORE

Waterford opened the scoring with a fine Johnnie Byrne point in the 4th min., but corner forward Denis Moynihan equalised 2 minutes later. Minutes later a tremendous run by half-back Tom Gough saw his pass to Michael O'Brien who in turn supplied Dereck Wyse with a beauty that was sent to the net. Johnnie Hallinan was deadly accurate in the 12th minute with a free that sent us into a 4 points lead with all the side playing well and confidently. Unfortunately it was a full 30 minutes before our next score came and coming up to half-time, Kerry points by midfielder Teddy Harrington (2) and centre-forward John Kennedy (2), both of whom had outstanding games, made the teams level before Gene Driscoll had his side's only goal of the game. Just before that score, Waterford missed three frees at the other end. At half-time the score stood at 1-5 to 1-2, in favour of Kerry.

Kerry took over for a period after the opening of the second half and with their sharp-shooter Kennedy (3) and Fintan Ashe on target they extended their lead to seven points before Waterford fought back and spurred on by an anxious home crowd they threw caution to the wind and began to take on the visitors in a big way. Points by Tom Gough and John Hallinan reduced the lead to 5 points. With under 10 minutes left, Waterford mounted several unsuccessful attacks and only hard luck denied Dereck Wyse another goal when his rasper of a shot hit the post and rebounded. Kerry's ability to turn defence into attack was clearly evident when they came back for points by Kennedy (3) to give them what appeared to be a safe lead. Waterford refused to give up and were again motivated by the crowd following Eddie Rockett's superb 80 yards dash forward which was to no avail as it was cleared. However,

in the closing minutes the home side threw everything at Kerry and a goal in the 58th minute by Wyse was followed a couple of minutes later by a very fine Michael O'Brien goal. Only two points separated the teams at this stage, but unfortunately, time had run out and Waterford were the unlucky losers.

Having missed six scorable frees and being unluckily denied the two goals that went astray, we really had our chance. It was a case of so near and yet so far.

Scorers:— Kerry; J. Kennedy 0-8, G. O'Driscoll 1-0, T. Harrington 0-2, F. Ash and D. Moynihan 0-1 each. Waterford; D. Wyse 2-0, M. O'Brien 1-0, J. Hallinan 0-2, J. Byrne and T. Gough 0-1 each.

Waterford: K. Hefferman, E. Rockett, D. Donnelly, M. Sheehan, E. Burke, B. Curry, T. Gough, J. Byrne, N. Power, D. Lyons, M. O'Brien, P. Curran, L. Daniels, J. Hallinan, D. Wyse.

Kerry: K. Moran, T. Hannaffin, L. Burns, J. B. O'Brien, R. Dwyer, V. Knightley, P. Dillane, F. Ashe, T. Harrington, G. Driscoll, J. Kennedy, S. O'Sullivan, D. Moynihan, T. Brosnan, M. McAuliffe. Referee J. Motherway, Cork.

ORGANISATION

The organisation of the fixture was excellent and all concerned are to be complimented. Another fine programme was on sale and was well compiled by county P.R.O. John Jackson. The Dungarvan Brass band under the leadership of Francie Kenneally entertained the crowd who paid in excess of £3,000 to see the game. As a mark of respect to the late Michael Fives, a minutes silence was observed before the start of the match.

The players exchanged jerseys after the match, but had to change back again to allow the cup to be presented by Munster Council chairman, Michael Maher to the Kerry team in their own colours. It was nice to see the Waterford players remain on the field for the presentation.

MICHAEL FIVES, R.I.P.

It was sad to learn of the unexpected death of well-known sportsman and life-long G.A.A. activist, Mick Fives, which occurred on Tuesday of last week. One could write reams about the popular Mick, without doing justice to the extent of his involvement with our games. From being a player in his early days when he assisted the Ballycoe football team and through the very many years that he devoted to the promotion of the game at club and county level while filling the roles of administrator or selector or indeed performing any kind of duties that were beneficial to the well-being of the association. Long-time chairman of the Abbeyside/Ballinacourty clubs, Mick, as he was popularly known, was one of the inspiring figures that brought the hurlers of the village to three county finals. As a great clubman, his generosity knew no bounds and for many years he provided a training ground free to the club. He was subsequently involved in the purchase of the club's own grounds. As a personality, one could not wish to meet a nicer guy. His sense of humour as well as his knowledge of G.A.A. and other sporting affairs, made him enjoyable company at all times. The involvement of his family in G.A.A. affairs can in a big way be attributed to the example given by a man who loved hurling and football probably more than he loved the other sports with which he was associated.

To his wife, Maureen, daughter Geraldine and to Greg, Michael, Fr. Colin and Raymond, we extend our very sincere sympathy.

OTHER GAMES

The two junior football championship games fixed for Thursday are second string matches involving Dungarvan versus Clashmore and Stradbally v. Kilrossanty. Although the grade of these are lower, the games will be very competitive and enjoyable. Kilrossanty and Dungarvan will be fancied to advance to the final of this group.

SENIOR FOOTBALL CHAMPIONSHIP

Other Results

Kilrossanty 4-11, Gaultier 1-11

Two goals by Pierre White and two by Jim Maher made all the difference in this very well contested senior tie on Saturday.

At a stage in the second half when Gaultier deservedly led by seven points, it looked all over for Kilrossanty and spectators were asking what Gaultier's winning margin would eventually look like.

With traditional courage the Comeragh side fought back and overcame the Eastern team with the help of the goals which had a shattering effect on the leaders.

Stradbally 1-12
Butlerstown 1-11

Not having seen this game, I am unable to comment and am looking forward to reading about the game in the Stradbally notes, but when a team wins by the odd score in 25 it must have been exciting stuff.

For Stradbally it was a nice way to launch their campaign as it was their first match of the season.

Dunhill 0-8
Tramore 0-7

This was Tramore's third defeat and it means that they are out of the running

for the championship. It was the third senior championship game of the week-end to have been decided by a single point, so it must have been another cliff-hanger.

Munster Final Tickets

The Munster senior hurling final between Cork and Tipperary will be played at Pairc Ui Caoimh on Sunday next and judging by the extraordinary demand for tickets to this all-ticket game, everyone in this county wants to see this intriguing match. The allocation given to this county is very small at only 400 and I have been told that applications are in excess of 1,000.

Maybe the game will end in a draw and disappointed patrons can catch them on the rebound!

G.A.A. NOTES

Next Weekend Games

Senior Football Championship Resumes

Under 21 Hurlers and Minor Footballers Prepare For Cork— Because of the fact that Waterford will meet Cork in both the under 21 hurling and minor football semi-finals early next week at Pairc Ui Caoimh, the programme fixed for next weekend has been altered in order that it will not put too much pressure on players who will be in action with the county team.

It should also be noted that no matches are fixed for Sunday afternoon because of the Munster finals in Cork. This too, will be the last weekend in which we will have an all football programme.

Stradbally v. Clashmore

After months of waiting, Stradbally got off the ground on Sunday last and opened their campaign with a win in a very tight finish against Butlerstown at Kill. It could be just as tight again on Friday evening here at Fraher Field when they take on Clashmore. After a whirlwind start to their championship campaign when they surprisingly beat St. Saviours, Clashmore seemed to fall down on the job and suffered successive defeats in the next couple of rounds. Stradbally will be favourite and will go all out to continue picking up the points that will bring them in competition with the Nire for the top spot on the group league table. At the moment it is looking as if they will be the two to come out of the group next September. Clashmore surprised everyone by beating St. Saviours in their first game here at Fraher Field, but for some reason better known to themselves, they have failed to play the same brand of football since. A repeat of their form against St. Saviours, would leave them in this one with a

good chance, but somehow, I don't expect that this will happen.

Ballinacourty v. St. Saviours

This game has been brought forward to Saturday evening and it will put pressure on Ballinacourty to win as having lost two games they will badly need the points to remain in contention. Saviours, having lost their first match to Clashmore will also need to win, so they too, will be all out to tag on the points to make sure of a place in the final shake-up. The visitors will be favourites because they play a very fast style of game with a highly developed brand of teamwork. Ballinacourty probably have the beating of St. Saviours if all they know about football and all they are capable of doing in a game can be put together on the day. For them it will be an hour which will decide their fate as far as progressing in the championship is concerned and it will demand all their skill, fitness and concentration for the full sixty minutes, if they are going to win.

Kilrossanty v. Dungarvan

This is the game that the football enthusiasts have been waiting for and I have been told that it is the match that Kilrossanty have been looking forward to since the groupings were announced. Dungarvan, the county champions, have yet to reach the heights that brought them their title last year, but I expect that their progress in the championship is being well measured and monitored to meet the challenges as they come. They know that they will require their very best efforts against a team who are one of the outstanding sides in the county. Last year they met in a hectic battle for under 21 divisional honours in which Kilrossanty survived by a whisker. Dungarvan are a team who will bring out the best in Kilrossanty as a win over their age-old opponents in this code and who are the reigning county champions as well would be regarded as a bonus. It is

likely that whatever the result here at Stradbally on Saturday evening, that both Dungarvan and Kilrossanty will survive to the semi-final stage, but this is a factor that will be ignored in this game because apart from the advantage of being on top on the league table, a victory will add something to the prestige of the winners. If they play to their top form, I cannot see Dungarvan being beaten. I know Kilrossanty will see it differently and try to prove this opinion to be wrong. Maybe they will, but for us neutrals it's going to be one mighty good football game and it should attract a big attendance.

Faha v. Tramore

This will be a very interesting tie at Dunhill on Sunday evening as both are still without points and both Faha and Tramore having relegation fears on their minds, this will be of great importance to both. Tramore will be slight favourites, but it looks to be the one game that Faha can win and such a result would be popular as it would be disappointing to see the intermediate champions going all the way without one senior win.

Gaultier v. Rathgormack

Gaultier, of whom much was expected, but have so far failed to produce the results that would make them serious contenders for the

title, must win this one to have any chance of staying in contention. After a couple of defeats the odds are not in their favour and Rathgormack who have shown some very good form this year, might score another win here.

Brickeys v. Affane

This intermediate losers group final at Lismore on Friday should make for a tremendous contest between two very evenly matched teams. The losers are gone until next year and this, as always will be a big motivating factor in forcing both to go all out from the start. Brickeys have a more experienced side out and while Affane's younger team will not be overawed on this account, it can be the deciding factor at the finish.

WALSH CUP FINAL

We have not seen a hurling game in the West for a few weeks, so this meeting of last season's beaten county finalists in both Waterford and Tipperary will be of exceptional interest when Ballyduff and Cashel Kingcormacks meet at Lismore on Thursday evening. The proceeds are in aid of the C.B.S. building renovation fund and there could be no more worthy cause. Both clubs have promised to field at full strength, as far as possible. It will be a game well worth seeing.

U/21/HURLING

Waterford v. Cork At Pairc Ui Caoimh

Even though it is a case of going into the lion's den to play the favourites, very many people from Waterford will travel to the game on Wednesday night of next week, hoping to see us win this under 21 semi-final. Supporters here believe that there is reason for hoping because our team played very well against a strong Kerry team in the first round two weeks ago.

Cork are Cork and there is no need to spell out what meeting them in a Munster hurling championship final at Pairc Ui Caoimh or elsewhere entails, but in this present Waterford team with such proven hurlers as Brian Greene, Nial Warren, Johnnie Brenner, Peter Queally, Eugene Curran, Paraigh Fanning, Kevin McGrath, Fergal Hartley, Noel Dalton, Ray Barry, Owen Dunphy, Sean Daly, Tom Browne, John Walsh, Dermot Keane, Pat Power, Ml. Dunford etc., Waterford can expect to beat them. It will take every ounce of fight in them, but then they can expect to be a team that will give it everything and if they do, I believe that we can surprise the favourites.

Some very useful practice games were played and on Monday night they had Tipperary as visitors in a trial at Abbeyside. After this they were expected to select and announce the team for duty so if avail-

able, it will be published elsewhere in this issue.

Minor Football v. CORK

The minor footballers face a mammoth task when they meet Cork on Tuesday evening of next week. Over several months the search for talent has continued by the selectors and a very big number of training sessions have been held at various places. Cork are reported as having a better side than they have had for a number of years and so they will be very difficult to overcome and a defeat for them would be treated as a major shock. As outsiders, Waterford will be able to play under no pressures and may be able to better meet the challenge because of this. One thing is certain and that is that this determined Waterford team will not lose for want of trying. If the team becomes available it will be published elsewhere.

INTERMEDIATE FOOTBALL CHAMPIONSHIP

Three Goal Win For Brickeys

BRICKEYS 3-8, BALLINAMEELA 0-8

The three goals which made the big difference in this well contested losers group semi-final of the intermediate football championship at Lismore were scored by David Cullinane who operated at right corner forward. Apart from these, there was little difference in the standards of the sides in this enjoyable game that leaves Brickeys through to the group final next week.

Eamon Walsh opened the scoring for Ballinameela and David Cullinane equalised soon after. Jim McGrath gave the lead to Brickeys with a nice point before E. Walsh did the same, before Cullinane's first goal came. Walsh pointed twice again and Jim McGrath ended the first half scoring to leave it 1-3 to 0-4 in favour of the Brickeys. David Cullinane's second goal came

early in the second half and when his third major was scored the game was virtually decided, even though Ballinameela battled away and never gave up trying.

Scorers — Brickeys: D. Cullinane 3-2, J. McGrath 0-3, N. O'Connor, T. Halpin and T. Lennon 0-1 each; Ballinameela: E. Walsh 0-7, D. Glavin 0-1.

Brickeys — B. Collins, A. Spratt, T. Shanley, M.

McCarthy, C. Miller, P. Ryan, E. Martin, T. Halpin, J. McGrath, T. Lennon, N. O'Connor, W. Sheehan, D. Cullinane, G. McGrath, M. Hickey, Sub., W. Halpin for G. McGrath.

Ballinameela — J. Reynolds, M. O'Donnell, J. McGrath, P. Barron, C. Culloo, W. Buckley, L. Looby, J. Walsh, G. O'Brien, Jim O'Brien, E. Walsh, D. Glavin, M. Walsh, W. O'Brien, P. McCarthy.

Referee: John Moore.

AFFANE BY 2 POINTS

**Affane 0-7
Geraldines 0-5**

This second game in the intermediate football championship was a very close encounter and a couple of players, Costin and Broderick, were sent off after a flare-up in the 10th minute, by referee Tomas O Meachair.

The scores in the first half came from E. O'Shea (0-2) and Donna Cummins (0-1) for Affane, while P. Corkery and Eddie O'Grady had points for Geraldines. It was 0-3 to 0-2 at halfway.

In the second half Frank McCarthy had two and Cummins and O'Shea had one point each for Affane to leave their total at 0-7, while D. O'Brien and E. O'Grady (0-2) had Geraldines scores to make their total 0-5.

As in all games where the issue is decided by one or two points, luck plays a part and Affane enjoyed whatever of this that was going on Sunday.

The above winners will meet at Lismore on Friday evening in the final of this group.

Affane — K. Cullinane, D. Cullinane, F. Murray, S. Costin, J. Buckley, B. Hennessey, D. Cummins, L. Costin, M. Power, R. Flynn, E. O'Shea, P. J. Veale, M. Phelan, S. Fraher. Sub — F. McCarthy for S. Fraher.

Geraldines — N. Downing, B. O'Connell, J. O'Brien, M. Kiely, B. Ronayne, N. Ahearne, M. Landers, D. O'Brien, B. O'Grady, B. Connery, E. O'Grady, N. Broderick, D. Carton, P. Corkery, T. Hally. Sub — R. Hurley for Carton.

Referee: T. O Meachair.

S.F.C.

NIRE BEST IN TIGHT FINISH

Nire 0-10 Ballinacourty 0-9

Ballinacourty will be disappointed to have left this one slip away as they had their chances and failed to capitalise in a game which saw the Nire continue their unbeaten run by holding out in a tight finish to this very entertaining senior football championship fourth round game at Fraher Field on Sunday evening.

It was close all the way with both sides missing scoring chances and the Nire can, to some extent, attribute their victory to goalkeeper Sean Guiry who stopped a penalty shot early in the game. With a last minute free, John Mulligan's shot hit the upright and rebounded to deny Ballinacourty a share of points. The standard was not exciting by any means, but the match was enjoyable and sporting.

Pat Walsh pointed for Ballinacourty in the 8th minute and they were level a minute later when D. Phelan equalised. Michael Cosgrave put 'Courty in front by a point in the 10th minute and John Mulligan put them two in front two minutes later. Ger Walsh pointed for the Nire, but John Mulligan pointed again from a free to leave it 0-4 to 0-2 at the midway stage in this half. Pat Walsh for the Nire and Mark Reynolds exchanged points and John Mulligan made it 0-6 to 0-3 in 'Courty's favour.

Michael Guiry and John Mulligan exchanged points on the turn over and then two Pat Crotty points sent

the Nire ahead for their first time in the 10th minute. Michael Guiry and Tom Condon extended their lead still further with well taken scores and it seemed then as if the winners were going to pull away but great defensive work by Ballinacourty held them out and they took the initiative again. Pointed frees by John Mulligan in the 25th and 26th mins., reduced the gap to a single point and they continued to attack but a strong Nire rearguard held out to give them a narrow but very sweet victory.

Nire: S. Guiry, T. Guiry, T. Walsh, B. Ryan, K. Mulcahy, P. Walsh, M. Fraher, T. Condon, J. Hogan, P. Crotty, G. Walsh, Pat Walsh, D. Phelan, R. Guiry, M. Guiry; Subs. P. Cooney for R. Guiry.

Ballinacourty: T. Cahill, J. O'Riordan, M. Collins, G. Collins, M. O'Riordan, R. Kiely, B. O'Gorman, S. McGrath, M. Reynolds, J. Healy, P. Walsh, M. Cosgrave, J. Kiely, J. Curran, J. Mulligan; Subs. C. Clancy, D. Melody and T. Organ for O'Gorman, Cosgrave and Healy.

The County Under-21 hurlers travel to Pairc Ui Chaoimh on Wednesday night next to play Cork in the Munster semi-final. They had a good win over Kerry in the first round and we wish them well.

OVER 40'S HURLING

Congratulations to the Over 40 hurling team on their fine win over Laois last Saturday night in Walsh Park. They play Wexford in a challenge game this Friday night and they play Kilkenny in the league in Mullinavat on Saturday week. They play Clare in their final league game.

MUNSTER FINAL REFEREE

Congratulations to Pat

Moore on his appointment to referee the Munster inter-divisional under-16 hurling final in Pairc Ui Chaoimh next Sunday.

FEILE

Congratulations to Lismore and Abbeyside on their fine performances at Feile na nGael and Feile Peil respectively. Even though neither made the knockout stages, they were worthy representatives of the county.

ALL-IRELAND (B) FOOTBALL

Waterford have received a first round bye in this championship and will play either Longford or Carlow in the second round at a home venue.

PROGRAMME

County Board would like to thank all who supported the programme produced for the Munster football semi-finals and the Munster junior final at Dungarvan. A special word of thanks to the advertisers who advertised in both productions.

County Board Meeting

The July meeting of the County Board will take place at Dungarvan on Monday week when delegates will be brought up to date about events that have taken place since the previous meeting. These will include a report on the fine imposed on the County Board and the failure of the appeal to Central Council.

A report will be issued of a meeting with the county selectors relating to their issue of a statement which severely criticised the County Board before the Cork game. There will also be reports from the various committees.

This meeting was due to be held on next Monday, but was deferred because of pressure of activity.
