WATERFORD CO. COUNCIL

Fine Gael-Labour Share Top Posts

At the inaugural meeting of the newly-elected County Council of Waterford held in Dungarvan last Thursday, the Fine Gael - Labour pact which operated for the six years lifetime of the previous Council continued and as a result the coalition succeeded in capturing all the top posts, excluding the Fianna Fail members from all but a minimum share of the appointments.

As exclusively forecast in the "Leader" last week, the new Chairman is Cllr. Willie McDonnell, the Fine Gael member from Tallow who has been a member of the Council since 1979. A well-known business man, farmer and extensive fruit grower in the Brideside town, this is Cllr. McDonnell's first time to be chosen to fill this prestigious position.

He was proposed by his Fine Gael party colleagues, Cllr. Nora Flynn, Cappoquin, a newcomer and the only lady member of the Council and seconded by Clashmore publican, Cllr. Gary O'Halloran.

Fianna Fail then nominated Cllr. Tom Cunningham, Stradbally for the post and he was proposed by his party colleagues, Ballyduff

farmer Jimmy Quirke and seconded by Aglish farmer and auctioneer Patsy Kenneally.

In the roll-call vote which followed the only uncommitted vote was that of another newcomer to the Council who brought a Workers Party representation to the Council for the first time ever, Dungarvan Creamery employee, Tony Wright.

The vote resulted in the election of Cllr. McDonnell by 13 votes to 10, the Fine Gael - Labour combination of 12 being joined by Cllr. Wright while the ten Fianna Fail members supported Cllr. Cunningham.

As the new Chairman was invested with the chain of office and took the chair he was applauded loudly.

THE VICE-CHAIR

For the post of Vice-chairman, the outgoing Chairman, Cllr. Billy Kyne, was proposed by his Labour Party colleagues, newcomer from Dungarvan Cllr. Lar Hart and seconded by Cllr. Brian O'Shea, T.D.

Fianna Fail put up the name of Cllr. Ollie Wilkinson, who was proposed by Cllr. C. O Riain and seconded by Cllr. Patsy Kenneally.

A roll-call followed the same pattern as the previous Council.

New Traffic Warden Should Concentrate On Catching Litter Louts

Several members of Dungarvan Urban Council expressed concern about the manner in which the recently appointed additional traffic warden was operating around the town since his appointment at the July monthly meeting of the Council held at the Town Hall last Monday night.

Cllr. Nuala Ryan who raised the matter referred to an order made by the County Manager which appointed James Joseph Landers, "Pineview," Melleray Road, Cappoquin to the position of Traffic and Litter Warden in the town for a period of six months from July 1, and asked if he was to look after the control of litter as well as traffic.

Cllr. Ryan said that due to the very bad summer they were experiencing there were not many visitors in town and she asked if it would be possible that the new man would place more emphasis on dealing with the litter problem than with traffic. "A lot of people are complaining about the amount of litter on the streets especially on Monday mornings and he could look after that so that peo-

ple could be given time to do a bit of shopping in

Kiely for change of use from domestic premises to restaurant, toilet areas, folly and garden layout and for the retention of a loft at Bridgie Terrie's, The Pike, Killineen, Dungarvan. HOUSING DEVELOPMENT PLAN REFUSED

An order was made by the County Manager refusing the planning application submitted by M/s. T. Gilchrist, Ferrybank, Waterford on behalf of Mr. L. Draper for permission for a housing development at Killinoorin, Ring.

Reasons given for the refusal were that such a development would seriously detract from the visual amenity of the area which

is zoned A in the County Development Plan and also that it would lead to an increase in traffic hazard on the narrow and badly aligned road there.

PLANNING APPLICATIONS LODGED

Among the planning applications lodged with the Council during the month of June which are presently being processed were:

Fish Store — From C. Ui Aodha, Helvick, Ring for change of use of part of garage to fish filleting work-

shop and store at Helvick.

Pause For Thought With Fr. Paddy

BANISH DISCIPLINE AND!

Jeremiah in the first reading on next Sunday condemns the leaders of Israel for their failure to guide and lead the people. Have mentioned to you previously that the rulers of Israel enjoyed the twofold power of authority in religious and civil matters. Jeremiah makes it clear that the king and the whole priestly clan had failed to guide their people, who were now like sheep without a shepherd. The consequences were they'd forsaken God, and were involved in every form of pagan practices. The prophet is fearless in laying the blame at the feet of the rulers; and he tells them that their unfaithfulness has not passed unnoticed by God. He tells them that a time is coming when the Good Shepherd would replace these unfaithful servants, and He'd gather the scattered flock and lead them in the ways of God.

Perhaps no image used by the prophets conveys so much information about God as comparing Him to the Good Shepherd. The people were all familiar with such a role, and they'd rightly conclude that the Lord would lead, feed, care and protect His flock. It was an every day scene to see the sheep following a shepherd, which they did, because they knew him and trusted him. Hence, the people would have little difficulty in understanding Jeremiah, when he spoke of the Good Shepherd. However, the prophet does take them beyond the horizons of Israel, when he depicts the Good Shepherd in the wider pastures of the world. The Church has now the responsibility of bringing God's care and compassion to the people of the world. Like the shepherd, she leads her flock to the rich pastures of the Eucharist. And, even when some sheep wander among the flesh pots, she never tires of holding out the hand of forgiveness. Whilst all the flock have a duty to present Christ to the world, parents have an added

obligation to lead their children. When parents fail, the children suffer.

The devil must hate the very ideal of discipline. He must have rejoiced to see man give it a back seat in recent years. Parents no longer exert authority. Teachers have their hands tied. Punishment no longer fits the crime. And, when it comes to God, they only want the "idol" one. As the cook would say "it is a recipe for disaster." It is the pot in which the devil thrives. Sure enough, there's no respect for man or God. The rule would seem to be, and it is growing, please yourself. And, they'll tell you they do not want an interfering God. They want a good time, and they want to be left alone.

God does not want to be ignored. He is adamant that those who die in mortal sin will have no share in His Kingdom. Of course, God is not out to damn people. Like the Good Shepherd He is, He is patient, He'll watch and He'll wait for the opportunity to help. You know, He gave us free will. Hence, He is powerless un-

less He is asked to assist. Usually, when people are shackled by sin, God is their enemy.

ONLY ONE ROAD TO HEAVEN

St. Paul in the second reading tells us how Jesus united Israel and the nations of the world into a single people. He broke down the walls of division by the Sacrifice of Calvary. We know, as Paul told us earlier, that we are called and elevated to membership of God's new people through Baptism. And, he now reminds us that the Good Shepherd gave His life to ransom us, and restore us to His fold. We know what happens when people have no shepherd to lead them, whereas those who follow Christ find unity and peace. Only one road leads to Heaven, so do not listen to those who claim to have discovered a new way.

The world is sick. She needs help. And, she'll look anywhere for guidance except to God. Hence, it is up to each of us individually to help by our prayers and our example.

We know the way. Jesus told us, and He has the words of eternal life. When moral standards are falling apart, how can people find the way unless we show them.

The Gospel reminds us that Jesus is the Good Shepherd. The Apostles had been working hard and He decided to take them to a quiet place for rest and discussion. When they arrived, He found a large crowd awaiting them. Jesus was immediately full of concern for their welfare, and His reaction was to feed them with the word of God. So, putting aside all thoughts of rest, He proceeded to instruct them. It follows, the primary function of a shepherd is to teach his flock about God, His love and what He wants them to do. This means, serving God and saving one's soul is what matters. No one changes God's rules, which have eternal values.

ELECTION

The meeting began when Mrs. M. Ryan called for proposals for Chairperson. Mrs. M. Morrissey stated that the rotation system began by former Commissioner Mr. T. Murphy should continue. In accepting the Chair Mr. J. Roche thanked his proposers.

The position of Vice-chairman went to Mr. P. Dowd on a proposal of Mrs. M. Morrissey seconded by Miss M. O'Connell and unanimously agreed.

The position on the Libraries Committee was filled by Mrs. M. Ryan who was proposed by Mrs. M. Morrissey and seconded by Miss M. O'Connell and unanimously agreed.

Mrs. M. Ryan before standing down, expressed her good wishes to the incoming Chairman and said that if the Commissioners were to be retained, then they had to be seen to be active. In this regard, she went on to list the more notable functions held during the year. These included: Civic Reception for Presentation Nuns, Rena Carey and Fr. O'Gorman. Other functions included 1916 Commemoration, In-tacta Print, Blackwater Drive and the opening of

both Lios Mor Mochuda school and Lismore Library. In particular she had a special word of thanks for Mrs. Maura Fenton for her help at the many functions held. She then went on to compliment Mr. D. Hurley and in particular the local staff of Waterford County Council for their co-operation and assistance during her term. In conclusion she thanked the Town Clerk for his help during the year.

CASTLE VIEW

Mr. J. Roche highlighted the need for an area inside the wall on the left hand side of the Ballyduff road facing Lismore Castle be cleaned. He went on to say this would open up a whole new view of the Castle and proposed that the Estate be written to requesting that the area be cleaned by themselves or permission got for it to be cleaned by another agency. This proposal was seconded by Mrs. M. Morrissey and agreed.

COMMUNITY SCHOOL

Mrs. M. Morrissey raised the matter of the delay involved in this case. She went on to say that now with the imminent departure of the Presentation Nuns from Lismore, it now was more urgent than ever that building got underway immediately. She proposed that the Minister for Education be written to and the present situation ascertained. This proposal was seconded by Mrs. M. Ryan and agreed.

OPENING OF PUBLIC LIBRARY

Mrs. M. Ryan reported at length on the facilities available at the new refurbished Library in Lismore. Stating that this was a marvellous facility with the children's section being out on its own, she added that the book stock was quite good which now included audio books and she was hopeful that further new material would be added in due course. She went on to urge people to go and visit the Library and judge it for themselves. The opening times are as follows: Monday, Wednesday, and Thursday 11.30 a.m. to 6.00 p.m. closed 2.00 p.m. to 3 p.m. for lunch. On Tuesday and Friday it is opened from 1 p.m. to 8 p.m. being closed from 4.30 p.m. to 5.30 p.m.

ZEBRA CROSSING

Mr. P. Dowd highlighted the need for a Zebra Crossing between the Hall and junction at Parks Road. Outlining a strong case for such a crossing he stated that in particular at lunch times, it is only a matter of time before there is a serious accident in this area.

Pictured at the Open Day at Kilmeaden Cheese Factory were (l. to r.) John Byrne, Area Manager, West Waterford, Waterford Foods, Pat Phelan, Board Member and Pat Hickey, Waterford Advisory Member and Board Member West Waterford.

BALLYSGAGGART NOTES

G.A.A. NOTES

American Aid — A few years ago Tim Griffin, cousin of ever popular clubman Sean Griffin, visited his ancestral home in Ballysaggart and began an association with the local G.A.A. club. A number of times in the past this association has led to donations being made to club funds.

At a very pleasant function in Meagher's, Sean Griffin on behalf of Ballysaggart G.A.A. Club accepted a further contribution to club funds from Dave O'Shaughnessy, Maurice Kelly and James Gallagher. In return the club presented our visitors with a club jersey, hurley and sliotar, these will be displayed in their local Irish bar in the Boston area of New England.

Ballysaggart 3-4, Kilgobinet 1-7 — We were thrown a championship lifeline on Sunday afternoon last when Ardmore defeated Kilrossanty in Abbeyside. It all hinged then on our evening game versus group leaders Kilgobinet in Cappoquin. Heavy drizzle made underfoot conditions very slippery. Playing with better determination and commitment,

than previously, we led by six points 3-1 to 0-4 at half time. We were under pressure for a lot of the second half but a brace of points in the last five minutes saw us through, 3-4 to 1-4. We now meet Ardmore in a play-off for a quarter final spot.

Our Co. Council Chairmen — Outgoing And Incoming

There was a changing of the guard at the first annual meeting of the newly-elected Waterford County Council when the members assembled for the first time since the June 27 elections in the Courthouse, Dungarvan on Thursday last, July 11.

● Cllr. Billy Kyne

At the outset, the outgoing Chairman, Cllr. Billy Kyne (Lab.) presided and in the course of his valedictory and having welcomed the seven new members as well as the other members of the 23-member Council who had made it back after the election, he expressed the hope that all would now work together for the betterment of the County and of the Council in the next 5 or 6 years.

Cllr. Kyne then thanked the many voluntary groups which are serving both young and old throughout the county and which he met during the past year and assured them of the continued support of the new Council.

Stressing the importance of tourism to the county, he suggested that the Council should consider a preventive element in litter con-

trol to balance the Council's sizeable investment in refuse collection. He praised especially the work being done by the local tourist groups in Ardmore, Lismore, Ring and Old Parish, Dunmore and Tramore Faile.

Dealing with unemployment which he described as a problem which was growing weekly, Cllr. Kyne referred to the efforts of the County Development Team to promote the county as an industrial base. These efforts he said would have the continued backing of the Council. He pointed out that the Council itself was a significant employer with approximately 522 people employed providing public service for the county with an annual payroll of over £16 million.

The outgoing Chairman then referred to the commencement of the first phase of the Killongford Bridge - Pulla road development project and said that already 9 or 10 jobs were provided on it for local people.

In regard to housing, Cllr. Kyne said that there was more than 144 applicants on their housing list at present and this created problems because of the government's drastic reductions in housing allocation,

a trend which the Council would have to fight to reverse.

In concluding, Cllr. Kyne suggested that the Council should seriously consider making plans to provide the Chairman of the Council with an office of his own in order to cope with the growing workload which has to be undertaken.

● Cllr. Willie McDonnell

THE INCOMING CHAIRMAN

Having been invested with the chain of office the incoming Chairman, Cllr. Willie McDonnell (F.G.) took the Chair and having thanked his proposer and seconder and his Fine Gael colleagues for supporting him, he said that it was a great honour for him after his 12 years as a member of the Council to now be elected as Chairman for the first time. He accepted it also as an honour for the

people of West Waterford who had elected him.

Cllr. McDonnell then thanked especially the three Labour Party members of the Council who had voted for him and he had high praise for Cllr. Kyne as "an outstanding Chairman of the Council in previous years."

He then asked for the co-operation of all the Fianna Fail members of the Council and assured them that in turn they would have his fullest co-operation.

Cllr. McDonnell then welcomed the new Party on the Council — the Workers Party — represented by Cllr. Tony Wright but refrained from thanking him for his support.

"We have a tough task ahead of us in the coming year and I ask all the members to give it their best shot" said the new Chairman who added that his top priority during his term in office would be to create jobs in the county as this was the problem most often mentioned to him on the doorsteps during his 10-weeks pre-election canvassing campaign.

All members joined in congratulating Cllr. McDonnell on his election as did the County Manager, Mr. Dan Hurley, who assured him of the fullest co-operation of all the officials.

Mr. Hurley then paid a special tribute to the outgoing Chairman, Cllr. Kyne for his outstanding contribution to the Council and the County during his terms in office.

INDEPENDENT ROLE

Stressing his independent role on the Council, the new W.P. member, Cllr. Wright, expressed the hope that the political parties would see the light as had happened in Limerick and allow the Chair to rotate to include all parties. He said that it was his intention to support each party once during the lifetime of the Council.

Lismore Man Sentenced At Dungarvan

Warren Landers, Church Lane, Lismore pleaded guilty at Dungarvan Court last week before District Justice Uinsinn Mac Gruairc to charges of stealing an antique clock valued £200 the property of Michael Casey at Mountain View, Dungarvan on June 25 and with causing malicious damage to doors and windows in the house to the extent of £929.50 on the same occasion.

Det/Gda O. Phelan stated in evidence that on the evening in question the burglar alarm at Mountain View went off and he with Det/Gda O'Sullivan went to the house. He saw 2 panes of glass broken but on searching the place they found no one. Later at Kilrush on the outskirts of the town they found the defendant with his 18 year old girlfriend and arrested them.

Mr. J. Lavan Solr. for the defendant said that he had £200 to hand in as part

payment for the damage. As the prospects for the defendant to pay off the balance were good he asked that some time might be given to the defendant to enable him to do so.

Supt. R. McAndrew who prosecuted said that the defendant had a previous record and the District Justice then imposed concurrent sentences of 3 months on each of the two charges. He complimented Det/Gda Phelan and O'Sullivan for their good detective work in the case.

At the request of Mr. Lavan he fixed recognisances in the event of an appeal.

Deasy Questions Inequity of Tax System

Mr. Austin Deasy, T.D., asked the Minister for Finance in the Dail if he had any plans to create a simplified income tax system incorporating PRSI payments, levies and local service charges and the estimated increase in the standard rate of income tax that this would lead to.

Mr. A. Reynolds — I take it that the Deputy is referring to employee pay-related social insurance contributions, the 1 per cent employment and training levy, the 1.25 per cent health contribution, and domestic service charges under local government legislation. The total yield from these in 1991 is estimated at some £716 million, and to collect this amount in a full year through income tax by increasing the standard rate would mean a standard rate of over 40 per cent. A standard rate of this order would be very difficult to contemplate. As the Deputy will be aware, the standard rate has been reduced from 35 per cent to 29 per cent over the past three budgets, and the Gov-

ernment's aim is to further reduce it to 25 per cent by 1993.

Mr. Deasy — Does the Minister agree that we are really fooling ourselves by pretending that we have a lower rate of taxation than we have? These other forms referred to in the question and in the answer are also taxation. There is a great deal of inequity in PRSI payments and in local charges. People in some areas do not pay local charges at all. The PRSI system is also topsy turvy. Does the Minister see any merit in having a single system and if there was a case for raising money by local authorities to finance local authority projects, then it could be done in a fair and honest manner? For the moment

we have the worst of all worlds.

Mr. A. Reynolds — I do not regard PRSI contributions as a tax in the sense that Deputy Deasy does, as one is getting benefit from the contributions. Many trade union workers would look at it in that light. A single rate of tax to incorporate all those things would not be fair and equitable; for instance, Dublin city do not impose water charges and other parts of the country do. These charges are a matter of the local authority concerned.

Mr. Deasy — You would hardly call that fair.

Mr. A. Reynolds — It is not equitable.

Mr. Deasy — One could hardly call the existing system fair and equitable.

KNOW YOUR RIGHTS

Question — I have a handicapped child for whom I get the Incapacitated Child Tax Allowance. Can you tell me by how much this Allowance has been increased?

Answer — There has been no change in the amount of the Incapacitated Child Allowance and it remains at £600. What has happened is that the child can now have an income of up to £2,100 and the parents will still be entitled to the full £600 Tax Allowance.

Up to now, if the child had an income of more than £720, the parents lost £1 for each £1 by which the child's income exceeded this figure. If the child's income came to more than £1,320 the parents lost the allowance completely.

Abbeyside Scout Notes

THANKS

We would like to say thanks to all who contributed to our annual collection last weekend. We promise to use the money as wisely as possible. We have to say thanks also to all our collectors who responded to our call.

NOTES

With the 17th Tipp camping in Clonea we just had to get Garrett Morrissey to put pen to paper and share some of his observations with us. He wrote these notes for this paper back in prehistory when scribes played a major roll in the affairs of the 4th Waterford. We finish our notes with the writings of a member of the Wolf Patrol - perhaps he'll become as famous as "Panther", time will tell. We thank them both for pushing the pen and keeping us informed of the goings on in all 17th Tipp and 4th Waterford.

THURLES CAMP

Once more scouts of the 17th Tipp have come in this direction for their summer camp. We have had winds from the west, east and south so far but are having a great camp.

Each evening there is a procession of camper vans from the car ferry at Rosslare scorching past our campsite, which is on the main road. Those foreign tourists think of everything; they have small boats on the roof and bicycles for the family attached to the back.

Behind our site is the passage way left after the lifting of the Rosslare railway line. Had we been here many years earlier we might have met some of the stalwarts whose job it was to keep the line in trim. I refer to John Pender, Tom Meehan and Matt Hogan (we attended his funeral Mass on our first Sunday). Tom Meehan attended Abbeyside Mass on the "men's Sunday" in years gone by. He told us he never needed a call because at that time Bugler Jimmy Nagle used to rouse us all in time for the monthly parade - and the sound travelled as far as Ballinacourty. Larry Fitzgerald was another of those who supervised the rails in other days. We can now get to the beach by way of the factory track and the journey takes just 20 minutes.

THE SOUND OF MUSIC

Our bugle went flat shortly before camp so Abbeyside came to our rescue with a spare bugle.

Our bugler, Garrett Morrissey Jnr, paid a visit to the Abbeyside Den on Saturday and recorded all our calls for a few prospective buglers in the 4th Waterford. He also sounded "Taps" at the end of the

meeting. We wish the Abbeyside lads every success with their bugling. Our thanks to Brian Mulvihill for having us.

THE BRINEY

We have enjoyed our daily dip in the sea - we're nearly pickled. It was Clonea most days, but we have also managed to get a dip in Stradbally and at the Cunnigar. We have yet to try the Colligan river at the Waterfall. We are almost 60 miles from the sea in any direction at home so it is great to have the sea at our backdoor for a few weeks.

HELVICK

We paid an enjoyable visit to Criostal na Rinne and saw a crystal bowl being cut by Eamon Terry. He directed us to a lay-by from which we got a fine view of the coast from Mine Head to Wexford. We went out on the pier and saw the fishermen repairing their nets - a painstaking and meticulous job. They made it look easy. The water at the Cunnigar gets a good chance of heating up as the tide travels in over the hot sand. It is a very quiet place now, where once Kenneally's oarsmen brought out hundreds of visitors from the "Look-out".

GETTING READY TO GO

The 4th Waterford scouts were like the swallows when we called on Saturday. They were getting ready to go. In their case, Africa is not the destination, but Curraghchase, near Pallas Kenry, Co. Limerick. We were there in 1987, and many received many appletarts from a gentle lady, Mary Moore, formerly of Abbeyside. She has since gone to her Eternal reward. We hope to pay the Abbeyside scouts a quick visit while they are there. By that time the weather should surely have made up its mind about what it's going to do.

WINDS OF CHANGE

The numbers of troops going to camp would seem to be down all round. Many units have a shortage of leaders. We met a Cobh troop under canvas in Stradbally and they have the smallest numbers ever under canvas. It appears that young lads are torn between many loyalties. In our case, five of our number have missed 2 days of camp due to chess tournaments and hurling leagues. Then you have student exchanges, Irish Colleges in the Gaeltacht and parents going on foreign holidays. All of these have reduced the number of our campers this year by at least 10.

Porridge has long since given way to cornflakes; burgers, beans and chips are top of the menu charts and campfire songs and items have given way to the plastic music of tapes and

ghetto blasters. What has not changed is the fun, friendship and challenge that a properly presented scout way of life holds. There we must leave you - many thanks to all. Gearoid O'M.

TROOP MEETING

We began the meeting with the prayer. After this Brian told us that because Conor Mooney was not going on camp - he was looking for a new scribe. Then he drove the Panther Patrol to the Parish Church for the collection. While he was gone Mackey and Laubhra gave a sample of their writing to see who would be the new scribe. When Smiley and Martin heard about this they began to sabotage Laubhras' efforts.

When Brian came back each patrol was given their gear for camp. Smiley could be heard asking why did Cossie's patrol get all the good gear? Meanwhile, Conor Foley's patrol were having some problems putting up their store tent. Then everyone's bikes were inspected. We then headed into the den where we were joined by Gearoid and Gareth Morrissey who are camping in Clonea. Gareth is the troop bugler and he played us some calls on the bugle. Thanks very much Gareth. We then ended the meeting. —(WOLF).

Caught Red Handed Stealing Beer

Tony Riordan, 40 Childers Estate, Dungarvan, Michael Hallahan, 101 do., and Derek Moroney, 22 Boreenatra, appeared in custody at Dungarvan Court on charges of stealing beer, wine and two handcarts to a total value of £333.08 from Keane's Brewery, Friary St., Dungarvan on July 10.

Supt. R. McAndrew who prosecuted said that the gardai became suspicious of a situation at about 12.30 a.m. on July 10 and kept the place under observation and at 12.40 a.m. three youths were seen to emerge from the yard pushing two handcarts with

beer and wine while a third was carrying a crate of beer.

Det/Gda Molloy and Gardai Dunne, Foley and Fleming pursued the youths who ran away. They caught and arrested Riordan and Moroney at the scene and following a

search the next morning, Hallahan, who had previously escaped from detention, was arrested at his home.

District Justice Uinsinn Mac Gruairc convicted all three of the defendants and sentenced each to 12 months in prison.

TOURANEENA NOTES

SCOUTING NEWS

Last weekend the Touraneena cub scouts went to Mt. Melleray on the 'Father and Cub' camping weekend. As this was the cubs first camping event there was great excitement. Our numbers were small but the 'crack' was mighty. At times the going got tough but our tough cubs kept going.

The weekend was enjoyed by Fathers, Cubs and Leaders, so much so that the Fathers want to go again next weekend.

Two weeks ago we hit off to Kilbrien where we met up with Dungarvan cub scouts and went on a hike up Cruachain. On our way we had a scavenger hunt, picnic and a great sing-song. When we got back to Kilbrien we played games, the cubs had great fun and met plenty of new friends.

We would like to thank Dungarvan cubs and their Leaders for inviting us along for the day and hope we can meet up again sometime soon and return the compliment.

Prison Sentence on Firearms Charge

Thomas O'Shea, 9 St. Patrick's Crescent, Dungarvan was sentenced to 3 months in prison and fined a total of £100 when he pleaded guilty to a series of charges under the Firearms Act at Dungarvan Court last week. The charges arose from the discharge of a .22 calibre air rifle at Springfield Estate, Dungarvan on the night of June 9 during which a window at No. 69 Springfield was damaged.

Det/Gda Seamus Quinn, Garda Technical Bureau, Dublin stated that he was attached to the ballistics

section and gave expert evidence concerning the rifle and the pellets discharged from it.

Sergt. J. Gaine gave evidence of arresting and charging the defendant and of searching the defendant's house on a search order issued by Supt. McAndrew.

Convicting the defendant who was represented by Mr. Niall King Solr., District Justice Uinsinn Mac Gruairc imposed the prison sentence on the charge of recklessly discharging a firearm in a public place, a fine of £50 for having no Firearms Certificate and a

further £50 for discharging two air rifle pellets. Further charges of discharging a firearm within 60 feet of the public road and of causing damage to a window were taken into consideration.

BALLYMACARBRY NEWS

BALLYMACARBRY WATER SUPPLY

A crowd of about forty people attended a public meeting at St. Patrick's Hall, Ballymacarbry on Thursday night 11 July in connection with the poor quality of the Ballymacarbry/Ballyrohan water supply. The meeting was attended by Cllr. Kieran O'Ryan who chaired the meeting, Cllr. Jackie Fahey T.D., Mr. Eamon Mansfield and Mr. Ray O'Dwyer of the engineering staff of Waterford County Council.

Several people connected to the supply aired their views. Some complained of vegetables turning black when boiled in the water, others that clothes turned yellow while it was stressed that in no way can people drink this water. Complaints were also received on behalf of the many guest houses which are connected to the supply.

Mr. Mansfield stated that there is a serious problem with this water scheme but at the moment the council has no solution to the problem owing to the scarcity of money. At the end of the meeting all present were unanimous in requesting the council to replace the cast iron pipes in the scheme there since 1956 with plastic piping. It seems that rust from the pipes is causing the problem. Mr. O'Ryan and Fahey were requested by the meeting to take up this very serious matter with the County Council. Another meeting will take place at St. Patrick's Hall, Ballymacarbry on Thursday night 18 July at 9 o'clock.

FATAL CRASH

There was widespread regret in the Nire Valley district last week at the death of Mrs. Kate (Kitty) McGrath in a motor accident last weekend in which her husband and another man were seriously injured. The accident took place on the Clonmel/Waterford road at Langanoran on Saturday 6 July at around 1 p.m.

Two cars were involved in a head-on collision, and the three persons involved were taken to Our Lady's Hospital, Cashel. Mrs. McGrath of Kilsheelan died from her injuries on Sunday evening. Her husband John who was driving the car suffered severe leg injuries. The driver of the other car, Mr. Eddie Phelan, Mullinarinka, Clonmel suffered leg and arm fractures and he was transferred to Kilcreene Hospital, Kilkenny.

Mrs. McGrath and her husband John, a well-known stonemason were originally from Rathgormack, Co. Waterford.

GAME POSTPONED

The under 12 game against Abbeyside at the Mill field Ballymacarbry on Sunday last was called off owing to the death of Mr. Thomas Kiely, Limerick and late of Abbeyside.

LATE MRS. MARY BRETT

A very highly esteemed well known parishioner went to her eternal reward with the deeply regretted death which occurred after

a very brief illness at the Regional Hospital Cork on Sunday July 7 of Mrs. Mary (Babbie) Brett, Russellstown Lower, Kilmanahan. The deceased was member of an old and respected family, The Hallinans of Caherbawn.

Her death is all the more poignant as her brother, William, predeceased her only by some two weeks. She was a very estimable lady possessed many charming traits of character. Her gentle, good-humoured and obliging nature, mild manner and unassuming disposition, commended her to all fortunate enough to make her acquaintance and her demise has evoked feelings of sincere regret among her family, neighbours and many friends.

Testifying to the esteem in which deceased and her family are held in the district a representative cortege accompanied her remains when they were removed from O'Donoghues Funeral Home, Clonmel on Tuesday evening to St. Laurence's Parish Church, Fourmilewater. On Wednesday morning Requiem Mass was offered for the repose of her gentle soul after which the interment took place in the adjoining cemetery in the presence of another large concourse of mourners. To her husband Paddy, her brothers and sister we tender our sympathy.

LATE MR. JOHN MULCAHY

The death occurred recently of Mr. John (Jack) Mulcahy, Knock Failte, Ardfinnan. He was one of the owner/directors of the once famed Ardfinnan Woollen Mills. People of the district were saddened by the news of his death. "Mr. Jack" as he was known to all who worked in the Mill, was always a fair and considerate employer. His remains were removed to the Parish Church, Ardfinnan and after Requiem Mass, the funeral took place to Ballybacon Church yard where interment took place.

Appointed Members of Vocational Education Committee

Following a protracted and rather confusing discussion, the members of Waterford Co. Council at their monthly meeting in Dungarvan last Monday finally appointed the six non-elected members for the County Vocational Education Committee. The eight elected members were appointed at the Council's annual meeting held on the previous Thursday (as reported elsewhere).

At the outset it was agreed by 12 votes to 11 to include a Parents representative to the Committee on the proposal of Deputy B. O'Shea seconded by Deputy Jackie Fahey and this left 5 positions to be filled for which 7 nominations were put forward. Following a block vote the

Elderly Day Care Centre Planned For Dungarvan

An interest group has been set up in Dungarvan for the purpose of establishing, with the help of the local community, a Day Care Centre for the benefit of the elderly people residing in the area. The Centre will provide for such activities as meals on wheels and a place where senior citizens can meet and hold social functions.

Public Health Nurses Monica Walsh and Nollaig McCarthy told the "Leader" at the weekend that the project would be granted by the South Eastern Health Board and the local interest group were now initiating a fundraising campaign to meet the local contribution towards the overall cost.

The campaign has been

given a great start by Central Dairies, Dungarvan who have decided to donate the proceeds of their Trabolgan Holiday competition to the fund. Under the arrangement, for a limited period, Central Dairies will make a donation to the fund each time a customer returns 30 Trabolgan logos to them while customers who participate in the

fundraising drive will be included in the monthly competition run by Central Dairies for a weekend holiday for four at Trabolgan Holiday Centre.

This is undoubtedly a great start for the fundraising campaign for this very worthy project which in the months ahead should command the support of the entire community.

KILL NOTES

LADIES FOOTBALL

Last Monday night, 8 July, the Kill Ladies Football team travelled to Leamybrien to take on Na Deise in the Intermediate County final. On a wet and miserable night, it was a great match considering the

conditions, and in the end a draw was a fair result.

Meanwhile, on the County scene, Waterford U/14's were represented by local girls, Sinead Hennessy at full back, Mary Halley wing back and Rachael Kiely half forward while Caroline Ahearne, Helen Barry and Anne Walsh were also part of the panel.

Also on Waterford teams in recent times were Alison Morrissey, Ruth Ahearn, Julie A. Torpey, Jenny Coffey, Lorena Mooney and Evelyn Mooney who were on the U/16 team that defeated All-Ireland champions Clare in the Munster championship. The same girls, with Ann Hearn, beat Kerry in the U/18 Munster semi-final by a whopping 27 pts. So well done to all concerned and we are proud to have such fine footballers among us.

KILL G.A.A.

Last Saturday evening, 13 July, our junior hurlers faced Bonmahon in their first championship match of the year. The lads played in Dunhill, the lads got off to a shaky start and by half time we were leading only by a point. However, in the second half we

gradually pulled away and won by eight points in the end. Final score Kill 4-9 Bonmahon 3-4. However,

if we are to beat Kilmac this weekend, we will need to improve three hundred percent. The team R. Hennessy, F. Casey, A. Kirwan, M. Ryan, B. Brien, M. Kiely, L. Lennon, K. Whelan, P. Whelan, S. O'Regan, J. Kennedy, B. Mooney, E. Power, Fr. T. Burns, D. Power. Subs. P. Regan, A. Crowley.

GET WELL SOON

To the popular and pretty Susanne Kennedy, Kilbeg, who was recently a patient in Ardkeen Hospital. Susanne is a popular and great player on the Kill Ladies football team and we hope to see her in action soon.

ST. MARY'S G.A.A. NEWS

Last Friday evening, 12 July, our minor hurlers had a good win over Ferrybank/Butlerstown in their first championship match of the year. The lads played reasonably well to win by 5-8 to 3-2. Our U/16 hurlers also had a good win over Roanmore by eight points last Sunday, 14 July.

PENSMAN Takes You . . . Behind The SPOTLIGHT

SIMPLE PROCEDURE THAT BECAME CONVOLUTED AND CONFUSED

What appeared at first glance to be a simple procedure developed into an issue that became so confused and convoluted that for a period it looked as if the whole affair would end in complete disorder. It happened at the first ordinary monthly meeting of Waterford County Council in Dungarvan last Monday when the matter of appointing six non-elected members to the County Vocational Education Committee came before the meeting.

The first cloud on the horizon to indicate that a calm, straightforward procedure could brew into an acrimonious storm, appeared when a letter was read from Colaiste na Rinne recommending that Nioclás Mac Craith should replace the Colaiste's outgoing representative on the Committee, Miceal O Domhnaill and this was proposed by the Fianna Fail Party Whip, Cllr. Paddy Kenneally.

The Fine Gael Whip, Cllr. Con Casey then proposed his package of six names and it looked as if this would be voted through in accordance with the Fine Gael/Labour pact which had operated at the Council's first annual meeting held on the previous Thursday. However, a spanner was thrown into the works when Labour Deputy, Brian O'Shea, proposed that one of the six appointees should be a Parents' representative as recommended by Minister for Education, Mary O'Rourke.

Fianna Fail Deputy Jackie Fahey was in like a flash to second this proposal and when it was put to a vote we had the unexpected happening of a split in the Labour vote. Deputy O'Shea's proposal was supported by the 10 Fianna Fail members and the one Workers Party member while the 9 Fine Gael members and 2 other Labour members voted against to leave the proposal carried by 12 votes to 11.

From this on the meeting became very stormy and with confusion reigning supreme and threats of legal action being made, a proposal by Cllr. Casey for a five minutes recess was agreed.

The Fine Gael, Labour and W.P. members then left the chamber while the Fianna Fail members went into caucus inside.

The five minute recess lengthened into ten or twelve before the members trooped back into the chamber and the meeting finally resumed. Eventually, seven names were put before the meeting and it was agreed that each member should vote for five with the sixth place going

to a Parents' Representative as already decided.

When the vote was finally recorded the result was as follows with the first five being declared appointed: Very Rev. Canon G. Power, P.P., Dungarvan (Bishop's representative) - 22 votes; Paudie Geary (T.U.I.) - 20 votes; Jimmy Byrne (Dungarvan Trades Council) - 18 votes; Michael O'Riordan (Chairman, Dungarvan Urban Council) - 18 votes; Jim Harty, Ring (former F.G. County Councillor) - 14 votes. Declared defeated were outgoing V.E.C. member Ted Buckley (INTO) with 12 votes and Nioclás Mac Craith, An Rinn who got 11 votes.

It was stated that the identity of the Parents' representative would be decided by the C.E.O. of the Vocational Committee following consultation with the Parents Councils of the Dungarvan and Kilmacthomas Vocational Schools although this could still be subject to legal action in the absence of an individual nomination having to be voted on by the Council.

In all, what was expected to be a simple matter to be disposed of within a few minutes developed into a most acrimonious session with the Chairman continually calling a rather unruly meeting to order. Whether we have seen the last of it remains to be seen.

PRESIDENT ROBINSON'S TWO DAY VISIT TO CO. WATERFORD

At the outset of last Monday's Co. Council meeting the Chairman Cllr. Willie

McDonnell issued two statements, one concerning discussions he had with the Co. Manager concerning unemployment blackspots in the county and the need to discuss the position with the I.D.A. and other employment agencies and to have a report on the position for the Council meeting in September.

The second concerned the acceptance by President Mary Robinson of the Council's invitation (issued by former Chairman, Cllr. Billy Kyne and Co. Manager Dan Hurley) to officially unveil the bust of the famous physicist Robert O'Boyle in Lismore Library on Tuesday, September 17 which will herald the opening of the West Waterford Arts Festival.

On the same day the President will also visit Tallow where she will inspect the work of artists at the conclusion of the Tallow Enterprise Centre second Sculpture Workshop.

On the previous day, Monday, September 16, President Robinson will be in Waterford City where she is scheduled to officially open the first South East Education Training and Development Exhibition of the Irish Institute of Training in the Tower Hotel.

We are sure that An tUachtarán will receive a cead míle fáilte when she makes her two day visit to Deise Mumhan in September.

WAS THERE ANY NEED FOR SUCH AN APPOINTMENT?

The appointment of a second traffic warden by the Urban Council in Dungarvan was well documented last week as parking dockets were stuck in cars all over the town resulting in an outcry by many members of the Council at their monthly meeting last Monday night.

The Council Chairman likened the tactics adopted by the new appointee to a tornado hitting the town while most of the members were similarly critical and some posed the question as

to whether in the light of the disastrous summer which we have been experiencing a second warden was needed at all. Dungarvan is not all that big and it looks as if the two wardens who now operate over the same areas are competing with each other in issuing dockets. Because of the lack of summer visitors to the town it is, as one member stated, "the local people who are being crucified".

But maybe all is not lost. The new appointee can also operate as a Litter Warden and the suggestion put forward by several of the Council members at Monday night's meeting that he be put in charge of detecting the litter louts could well solve the litter problem which, if anything, is getting worse rather than better. Every day and particularly on Mondays the streets of the town are covered with papers, bags, packaging and litter of all kinds and description.

There's few enough people coming into Dungarvan at present to shop or do business without having them frightened off but it would be a good idea if the suggestions put forward at last Monday's Urban Council meeting that for the six months of his appointment the new warden would be used to deal with the town's litter problem rather than with parking were acted on.

AN EYESORE STILL

The efforts of the Dungarvan Chamber of Commerce's Tidy Towns section to clean up the town are to be commended and in particular the Urban Council must be congratulated for the magnificent job which has been done in painting the exterior of the Town Hall. The hanging flower baskets have added further colour and the town coat of arms looks extremely well positioned high up on the front facade of the building.

But still an eyesore and becoming worse by the week is the old Mulcahy

premises at Main Street. This is the main shopping area of the town and the dilapidated state of this building destroys the whole appearance of the street. Some few years ago there were talks that this was to become the centre-piece of a new shopping complex in the town but

nothing ever materialised and the idea seems to be now gone completely dead.

It can do nothing for the chances of Dungarvan to score anything like a decent marking in this year's Tidy Towns Competition to have such a dilapidated building in such a prime part of the town.

The Mountains of Pomeroy

Pomeroy made the headlines last week when a legal challenge emanated from the 95 per cent Catholic village in County Tyrone to an RUC decision to permit 7,000 Orangemen to march through the village in a Twelfth of July Orange Parade on Friday last.

It was argued on behalf of the 600 Catholic families that the parade permitted by the local RUC Chief Inspector would cause an "unreasonable disruption" to the life of the community. At the first hearing last Thursday morning Mr. Justice McColum had ruled in favour of the villagers' application, stating that the RUC should reconsider their permit.

But the RUC lodged an appeal before three senior High Court Judges and they then ruled that the RUC Officer was within his rights to decide whether the march should be allowed to proceed or not. A case of the Orange card winning again!

Our choice for the ballad corner this week "The Mountains Of Pomeroy," composed by Dr. George Sigerson is therefore quite relevant—

The moon was breaking bright and fair,
The lark sang in the sky.
When the maid she bound her golden hair,
With a blithe glance in her eye;
For, who beyond the gay green-wood
Was a-waiting her with joy?
Oh, who but her gallant Renardine,
On the mountains of Pomeroy.

Chorus:
An outlawed man in a land forlorn,
He scorned to turn and fly,
But kept the cause of freedom safe
Up on the mountains high.

Full often in the dawning hour,
Full oft' in twilight brown,
He met the maid in the woodland bow'r
Where the stream comes foaming down.
For they were faithful in a love
No wars could e'er destroy;
No tyrant's law touched Renardine
On the mountains of Pomeroy.

"Dear love," she said, "I'm sore afraid
For the foeman's force and you,
They've tracked you in the lowland plane
And all the valley through.
My kinsmen frown when you are named,
Your life they would destroy,
"Beware, they say, of Renardine
On the mountains of Pomeroy.

"Fear not, fear not, sweetheart," he cried,
"Fear not the foe for me,
No chain shall fall, whate'er betide
On the arm that would be free!
Oh, leave your cruel kin and come,
When the lark is in the sky,
And it's with my gun I'll guard you,
On the mountains of Pomeroy."

The morn has come, she rose and fled
From her cruel kin and home;
And bright the wood and rosy red
And the tumbling torrent's foam,
But the mist came down and the tempest roared
And did all around destroy;
And a pale, drowned bride met Renardine
On the mountains of Pomeroy.

RECENT DEATHS

MR. MATTHEW HOGAN

We record with sincere regret the death of Mr. Matthew Hogan, Knock, Clonea, Dungarvan, which occurred on Thursday July 4, at Drum Hills Private Nursing Home, Ballyduff, Dungarvan, after a short illness. He was aged 89 years.

He worked for most of his life on the railway until its closure. He was a very good neighbour and friend and was well known and respected in the locality and news of his death was the cause of much sorrow in the area.

Sincere sympathy is extended to his sorrowing sons, daughters and other relatives on their loss. Following Rosary recited by Fr. P. Ahearne C.C. (also present was Fr. Hickey O.S.A.) on Saturday evening July 6, removal was from the Drohan Funeral Home to Ballinroad Church where the remains were received and blessed on arrival by Rev. Fr. Ahearne C.C. The dancing class continues as usual on this Thursday night in the Hall in Ballyduff. This is proving to be a very popular night for young and old alike.

REMEMBERING OTHER DAYS

The photo for our "Remembering Other Days" this week goes back a long way to the days in Tallow when milk was delivered to creameries in churns brought in on horse and carts. The photo shows the late Lar Galvin who was the first customer to deliver milk to the Creamery at Tallow which was opened on March 25, 1941 and also includes Paddy Healy (R.I.P.), Jim Lynch (R.I.P.), Rita Ronayne (R.I.P.), Teenie McCarthy-Singleton (R.I.P.), Ina Condon (R.I.P.), Leonard Fraser, Convent Street and Jamie Quinlan (R.I.P.). We are indebted once more to Alice Tobin, West End, Tallow for this photo. She has supplied us with several photos in the past and writes to say what a great reaction she got to them and the many trips down memory lane which they gave rise to. She also says she would like to thank all who loaned her originals. We thank her and them also.

Call For Good Quality Water For Ballymac' Area

Cllrs. Jackie Fahey, T.D., and Ciaran O'Riain joined at the monthly meeting of Waterford Co. Council in proposing a motion calling for immediate steps to be taken to have a supply of good quality water made available in the Ballymacarbray area.

Cllr. Fahey said that the problem was a very serious one as a large number of consumers in the area had to put up with a very bad supply at present. Corroded cast iron pipes were being blamed. He said that at a public meeting held the previous Thursday night they heard that horses wouldn't even drink the water so how could humans be expected to drink it.

He said that a further meeting about the matter was to be held on this Thursday night and the people were adamant that the problem must be rectified and placed on the top of the priority list.

Cllr. O'Riain said that the water there was unusable and people were forced to go back to the spring wells for a supply. He added that the local doctor would not use it in his dispensary and the position now was that the people of the Ballymacarbray area were paying

water charges for water they could not use. He suggested that the Co. Engineer should come to their next meeting as the people would have to have some answers to the problem.

Mr. John O'Flynn, Co. Engineer, said that it was corrosion in the old cast iron pipes that affected the colour of the water while chlorine introduced to kill bacteria affected the taste. They were investigating the possibility of putting in corrective equipment but the cost of replacing even a section of the corroded pipes would be £130,000. The only long-term solution to the problem would be to have one major regional scheme for West Waterford with a source based in the river Blackwater. "We will do what we can but we do not have the kind of money required and without money you can't do much", the County Engineer added.

WATERFORD CO. COUNCIL**CROSSFIRE
AS MEMBER
QUESTIONS
COSTS OF
SEMINARS**

The newly-elected chairman of Waterford County Council, Cllr. W. McDonnell crossed swords with newcomer Cllr. Tony Wright of the Workers Party at the first ordinary monthly meeting of the Council held in Dungarvan last Monday when the latter raised the question as to the total cost of sending five members to each of three seminars.

The seminars were: at Ballaghaderreen, Co. Roscommon from July 19 - 21 on the subject "An Dramaíocht"; at Inchigeela, Co. Cork from August 3 - 8 on the subject "Is there Local Democracy North or South" and at Gaith Dobhair, Co. Donegal from September 27 - 29 on the subject "Heritage and the Local Authority".

On the proposal of Cllr. P. Kenneally (FF) seconded by Cllr. C. Casey (FG) it was agreed to send 5 delegates to each seminar on a 2-2-1 division for Fianna Fail, Fine Gael and Labour, the names of the party representatives to be submitted by the Party Whips.

At this stage Cllr. Wright stood up and said that while some seminars were important, many, such as those now before them, were a useless exercise and were no more than a paid holiday for the members going on them.

The Chairman then called on Cllr. Wright to make a proposal if he had one as he would not allow him to make a speech.

Cllr. Wright proceeded to say that the all-in cost to the taxpayers of these three seminars would be about £5,000 when the Chairman again interjected "you can't make a speech".

Cllr. Wright - I'm about to propose that this is a waste of taxpayers money —

Chairman - I've told you you can't make a speech.

Cllr. Wright - "In view of the cutbacks in the health and social welfare services, I believe it is immoral to spend £5,000 of the taxpayers money going to these seminars.

Cllr. B. Kyne then asked whether a representative of the West Waterford Drama Festival might be nominated to attend the drama seminar but it was ruled that this would not be in order as these seminars were for Council members only.

Cllr. Wright again rose and asked "will the total cost of these seminars be made known to the general public?"

But he was curtly ruled out by the chairman who told him that the subject was closed.

**Co. Council
Sympathy**

On the proposal of Cllr. Billy Kyne members of Waterford Co. Council at their monthly meeting in Dungarvan joined in extending sympathy to the widow and family of the late Michael Fives, Burgery, Dungarvan and to the widow and family of the late Tomas Kiely formerly of Pinewood Estate, Abbeyside. Cllr. Kyne paid tribute to the late Michael Fives as an outstanding sportsman and leading member of the community.

**Traffic Chaos In
Cappoquin**

Referring to what he described as the traffic chaos that was now occurring regularly in the lower end of Main Street in Cappoquin, Cllr. O. Wilkinson stated at the monthly meeting of Waterford Co. Council in Dungarvan last Monday that he had received complaints from many people and even from members of the gardai about the situation.

"There are times when you could be held up there for long periods", he said adding that something would have to be done to resolve the problem.

Mr. John O'Flynn, County Engineer said that as he understood it the problem

was being created by delivery trucks delivering to shops in the vicinity. He said that he would have discussions on the matter with the Garda authorities and hoped as a result that they would come up with a solution to the problem.

CAPPOQUIN SCOUT NOTES**Cappoquin Hosts
Regional Shield**

On Saturday 20 and Sunday 21 July the 16th Waterford Scout troop from Cappoquin will host this years Regional Scout Shield known as the de Burca Shield. It will begin at 12.30 p.m. on Saturday afternoon and continue until Sunday afternoon culminating in a field day (or a Scamp Day, in Scouting terms) at the Dane's Field, Cappoquin, commencing at 3 p.m.

DAY ONE

The Shield proper will begin with check in at Mount Melleray on Saturday where soup and sandwiches will be provided for the competitors. At 2.00 p.m. each patrol will set out on an eighteen mile hike at fifteen minute intervals, on route they will have to negotiate five skill bases which will be staffed by Venturers from Cappoquin.

It is hoped that the last Patrol will arrive at the overnight camp site at around 9.00 p.m., where they will be provided with the equipment to erect an overnight shelter, i.e. wood and plastic sheeting. Each patrol will then be required to use its own initiative to build the shelter and then to cook their supper. When supper is over the patrols will ready themselves for the campfire at which each patrol will contribute a sketch.

DAY TWO

Begins with Mass celebrated by the Cappoquin Unit Chaplin Fr. Frank Lloyd C.C. followed by breakfast. It is hoped that the first of the Five Patrols will be back on the road at around 10.30 a.m. As on the first day, the patrols will again have to negotiate five more bases on the route home, but these bases will be fun bases and they are being kept a secret until the day.

When the patrols arrive in Cappoquin at the end of their 18 mile hike they will be treated to dinner at Walsh's Hotel. After dinner there will be a full uniform dress parade through the town of Cappoquin. This parade will be led by Dungarvan Pipe Band and all Scout Units in the Na Deise Region will be marching. The Parade will begin at

the G.A.A. field and proceed through the town to the Danes Field where the "SCAMP DAY" will take place.

Each member of the winning patrol will be presented with a special edition Neckerchief by our new Regional Commissioner Mr. Maurice O'Brien.

Units being represented by patrols in this event are Cappoquin, Touraneena, Stradbally and Dungarvan.

It is hoped that we will also be joined by a patrol from the Rathcormack unit in Co. Cork, who are hoping to use this weekend has taken a tremendous amount of planning and great credit is due to the many leaders who gave many hours and nights in the structuring of this weekend. The leaders involved in the planning were from Cappoquin: Willie Gallagher (A.R.C.

Cubs), Pat Kiely, John Meskill, Roger McLoughlin, Fr. Frank Lloyd C.C., from Touraneena; Kathleen Connors, Maurice Fennell, Richard Hickey; From Stradbally, Our Commissioner Maurice O'Brien and the Venturers from Cappoquin; Michael Casey, Vincent Coffey, Frank McLoughlin, Jason Fleming, Paul Ormond, Billy Tobin, and Paul McLoughlin.

**GUIDE TO SAFE
BOATING**

Boating activities carry their own hazards, but with a little foresight and planning these dangers can be avoided. The National Safety Council issued the following advice to boating enthusiasts:—

(1) Ensure the craft is seaworthy - check your boat, sails, oars, oarlocks, engine, fuel on board; (2) Inform a responsible person of your intentions, duration of your trip, number and names of persons you have on board, and when you expect to be back. If you do not return on time the rescue services should be notified at once by dialling 999; (3) Check the weather forecast for the areas in which you intend to operate; (4) Check that you have lifejackets or buoyancy aids for everyone on board and also at least one lifebuoy with line attached; (5) If you are undertaking a voyage outside your local area check that you have a properly corrected compass and charts on board for the voyage, and you know how to use them correctly; (6) Any small boat going to sea should have at least two parachute distress flares, two red hand-flares, and two smoke signals on

board. Instructions for their use are on the sides of the signals. They should be stowed in a clearly marked, watertight container; (7) Boats with engines should have all necessary spares including fuel, engine tool kit, spare plugs, small fire extin-

guisher; (8) All small boats should carry in watertight containers some fresh drinking water, water resistant torch, small first aid kit, knife; (9) All boats irrespective of size should have a small bailer on board. Larger size boats should carry a bucket with

**£95,000 For Nire
Valley Property**

A 103 acre Nire Valley farm at Glendaloughlin, Clonmel was recently sold by Clonmel auctioneer, Tom Pollard for the sum of £95,000. The sale of the hillside farm, set amidst some of the most beautiful scenery of The South East, attracted considerable interest, particularly from the Agri-Tourism and Forestry development sectors.

The property, which was placed on the market at

£75,000, was eventually sold to Miss J. Davies of South Sea, Hampshire, England.

Miss Davies said that she was especially pleased with the location of the farm.

Auctioneer, Mr. Tom Pollard expressed satisfaction with the price and said that the interest generated by the sale indicated renewed confidence in that particular market sector.

NEWS FROM McINERNEY'S

Accolade For Ardnalee

The prestigious McInerney development at Ardnalee, Montenotte, has won the July/August "Development of the Month" award from the official journal of the Construction Industry Federation.

Ardnalee (Ard-na-Laoi), a small and private luxury development, which comprises fifty, four bedroomed, detached homes and sixteen townhouses, won the award in recognition of the high standard of construction.

"This is the result of a magnificent team effort," said Mr. Pat Casey, Director, McInerney Construction, "an effort which has resulted in exceptionally high standards being set at Ardnalee, not only in the construction field but in the design and landscaping of the development also."

The development, which has its own private entrance, is perched above the lower Glanmire Road, with panoramic views over Cork City. Mature trees have been protected and the entire layout and landscaping of the site was designed to accommodate them.

The homes which start at £78,000 are excellent value for money and as the development enters its final

phase with only 18 homes remaining, Mr. Casey points out that the level of interest is very encouraging. "We've three classic house-types on sale here," he comments, "and while each has its own distinctive appeal, there is a common thread connecting them — the exacting standards of quality design and construction. We put a host of features into our homes as 'standard' in order to give buyers better value for money."

The homes on sale are the Avondale (1,345 sq. ft.) from £78,000; the Ashington (1,650 sq. ft.) from £80,000 and the Granville (1,915 sq. ft.) from £105,000. If you're considering paying a visit to Ardnalee to get a taste of just what goes into making an award winning development, you'll be able to pay a visit this weekend between 2.30 p.m. and 5.30 p.m. or daily from 10 a.m. to 5 p.m. (late opening Wednesday and Friday until 8 p.m.)

SPRING bulbs act as the curtain raiser for the full performance of summer blooms, but few gardeners look for the encore — a display of autumn-lowering bulbs

These can be planted from now onwards to give an extended run of colour and interest in the garden, complementing the rich autumnal browns of the leaves on trees and shrubs.

Some varieties also make good cut flowers to cheer up the house as the nights grow longer and temperatures start falling.

They all tend to prefer sunny well-drained locations, to withstand the cooler and wetter climate of the autumn.

Perhaps these 'other' bulb varieties are neglected by many of us due to the confusing names. For instance, Belladonna Lily and Diamond Lily are among the better known varieties but these natives of South Africa actually belong to the Amaryllis family rather than the Lilies.

Extending the run of colour

The Belladonna Lily produces large pink and creamy trumpet blooms in early autumn after planting in August, about four inches deep and a foot apart in a warm site such as against a wall. If frost is a major danger then pack lots of peat or another heat conserving mulch over the bulb.

Having produced its spectacular blooms on stems reaching as high as 18 inches, the plant then follows up with greenery which stays throughout the winter until a dormant spell in early summer.

Diamond Lily, more cor-

rectly known as Nerine Bowdenii, is also planted in August and prefers a well-drained site in the warm. The bulbs can be gathered close, about four inches apart, and four inches deep and produce lanky 18-inch stems with delicate pink flowers.

Possibly better known are the Autumn Crocuses, though the name is sometimes inaccurate. While some really are crocuses and, therefore, members of the Iris family, others belong to a group called Colchicums.

The latter have cup-shaped flowers which are mostly pink, although the Speciosum variety has rich mauve flowers and there are hybrids offering white and shades of mauve.

Speciosum needs planting in July or August, three

inches deep and six apart. The plant likes well-drained soil but tolerates some shade.

Just to confuse things further, the Crocus family also has a similarly named mauve-flowering variety for the autumn called Crocus Speciosus, enjoying the same soil and location. But it is much smaller and best planted in clumps during July, about three inches deep.

As shrubs fade, an ideal choice to liven up the ground beneath them is the hardy miniature Hedorifolium variety of Cyclamen which loves a cool shady site.

Plant during August in shallow holes three inches apart and the result is a delicate carpet of dark green foliage peppered with stems supporting colourful little blooms.

Dungarvan Youth Club Notes

Last Friday night we had another very large crowd down at "Fred's No Alcohol Disco." Comeragh Youth Club were our guests for the night, but to everyone's delight we had a visit from the Spanish stu-

dents who are staying in the area.

Who would have thought 12 months ago that we would be having such large crowds at the club for a disco.

The only thing to spoil a

great night was at the end of the night when the young people left to go home, they found themselves in darkness. For some reason we have been without lights for some time and with the roads full of pot holes and puddles, it was the last straw.

S'KOOL BAND CONTEST

After the success of our "Battle of the Bands" competition we are delighted to have been chosen to hold the Waterford heats of the Coca-Cola "S'kool Band Contest." Mr. Denis Desmond, main organiser of the contest, came to the club for our battle of the bands and was so impressed with the facilities at the club that he got back to us with the good news.

The competition is open to all bands whose members are attending second level education. The winning band will get £1,000, plus free recording time in a top studio. Appearances on national television is also guaranteed.

More details will appear in these notes in the next couple of weeks. It is hoped we will have entry forms soon.

We would like to thank Ollie White for telling Mr. Desmond about the club.

BIRTHDAYS

Happy birthday to Helen Whelan, Mike Havens, Bonnie Mills and Major, and we are all glad to see Tracey Drummey back with us again after her holidays.

BAR-B-Q

This Friday night we are going on a Bar-B-Q. If the weather is bad we will go on a mystery tour instead. Please give names to any committee member. The bus will leave the club at

7.30 p.m.

LEADER COURSE

Last Sunday week, 10 of our leaders and some committee members did a leadership course with Eoin O'Neill from the Waterford Regional Youth Service. The day was spent mostly on programme planning and now we can all look forward to some good club nights. Once again the club would like to thank Eoin for all his help.

Finally a special thanks to Ambrose (Chesney) O'Connell for all the hard work he puts in during the week. When ever the hall is about to be used, Ambrose always has it spick and span. Thanks also to Matty Ducey, who has proved to be the find of the year for us, and Woolie Duggan and Willie Joyce for all the help they have given.

With young people like these it says a lot for the future of the club.

SUMMER DIPS ARE SO EASY

THERE was a time when dips were all the rage. Unfortunately, they aren't so popular these days, possibly because many people think, wrongly, that they are too fussy to prepare.

In fact, they are exactly the opposite. Nothing could be more simple as these two "dip" recipes clearly show.

And youngsters love dips — it's great fun for them not to have to eat things with knives, forks or spoons.

LISMORE CAMOGIE NOTES

St. Saviours 4-1 Lismore 2-0 — This was the final scoreline in the U/14 Co. final played in Abbeyside last week. In a thrilling match lady luck did not smile on our girls. We made a great start, goaling early on and were on top, then Saviours broke downfield twice in quick succession and goaled twice, one from a mishit free and another from slack marking. They also got a point, so after being on top for a lot of the first half we found ourselves 4 pts. down at half time. In the second half Saviours got an early grip in midfield and put our defence under tremendous pressure but with goalkeeper and Captain Caroline Ormond at her brilliant best and full back Catriona Ormond having the game of her life and Brid Pollard backing them up, we held them at bay for a quarter of an hour before they again goaled twice in a couple of minutes. But back came our girls for a quick goal and we were on top for the last 10 minutes but just could not put the ball over the line. This team may be out but they are not down because they gave a magnificent display and fought all the way to the final whistle and if they work as hard in the future as they did for this match their turn will come.

Now a special word for our supporters who turned up in large numbers and lifted our girls to great heights. It means a lot to these girls to hear "Come on Lismore" and the more support they have the harder they will try.

Panel— Caroline Ormond (Capt), Catriona Ormond, B. Pollard, J. Walsh, G.

Walsh, J. Sullivan, K. Tobin, A. Howard, A. M. Lineen, C. Murphy, C. Nugent, E. Dunne, J. Roche, D. Bennett, S. Coughlan, M. McNamara, J. O'Gorman, E. Donoghue, A. M. Coughlan, L. Walsh.

Community Games Munster Finals— On Sat. last we travelled to Limerick for the Munster finals. We met Greanagh/Ballingarry in the first round and suffered a heavy defeat in a disappointing display except for Caroline Nugent who got 2 great goals.

Panel— K. Begley, C. Ormond, G. Walsh, D. Bennett, E. Donoghue, K. Tobin (Capt), J. Roche, A. Howard, E. Dunne, C. Nugent, H. Howard, M. McNamara, P. Dunne, S. Mangan.

Junior Championship— Butlerstown 4-1 Lismore 2-2— We went down to Abbeyside last Sunday to defend our crown with 13 players, 7 of them U/14 and 4 U/16 and what a display they gave. Given no chance they rocked the winners with their fiery display and deserved to be closer at the final whistle.

Panel— C. Ormond, C. Ormond, E. Ormond, J. Walsh, M. Hale, C. Howard, L. Heaphy, K. Tobin, C. Nugent, E. Dunne, N. Roche, J. Tobin, C. Murphy.

Senior Championship— Our senior Co. final has been fixed for Sunday July 28 in Tramore v. Gaultier. More details next week.

ST. CARTHAGES PROGRESSIVE 45
Results — 1st Willie and Helen Cunningham; 2nd Bill Murphy and Jim Russell, John Casey and Mike Tobin; lucky tables Mary Fennessy and Esther Walsh, Josie and Helen Mangan; raffle Brian Ahearne, Betty Connolly, Joe Shea. Usual game on Monday night next at 8.30 p.m.

BALLINVELLA NOTES
Congratulations and best wishes to Elaine Kelleher, Bishopstown on her recent engagement to Mr. L. Boland, Tipperary.

Please note and reserve July 23 for Ballinvella 45 card drive at 8.45 p.m. As usual a most enjoyable evening assured.

C.L.C.G. LIOS MOR

Under 12 Hurling— Our U/12 youngsters had their first outing in the Bord na nOg competition when they met Dungarvan at the Fraher field on Wednesday last but found the boys from the "Old Boro" that little bit better on the night and ended up in arrears 4-1 to 3-1 at the final whistle.

However, all is not lost, as they now meet Abbeyside at Lismore on this Wed. at 6.15 p.m. and a win here would see them back in contention for the title and a second bite at the cherry.

Minor Hurling — Lismore got off to a good start in defence of their county title with a comprehensive win over Dungarvan at Cappoquin on Fri. night on the score 5-6 to 1-5. A feature of this sometimes lacklustre affair was the ability of the Lismore forwards to score goals straight out of the top drawer, and thereby kill off whatever hopes the opposition had of winning this one. The minors next outing is against St. Patrick's, again at Cappoquin, on this Wed. 17th at 7.30 p.m.

Senior Hurling Championship — Our senior hurlers had a decisive ten points victory over Fourmilewater at Cappoquin on Sunday last and maintained their unbeaten record in the championship to date. This latest win leaves them sharing the top spot in their group with Roanmore whom they meet on this Sunday 21st at Dungarvan in what promises to be a thriller.

Under 16 Hurling Championship— On the following evening Mon. 22nd our U/16 hurlers open their championship in defence of their title with a game against Dungarvan in what effectively will be the Western semi-final in this year's competition. This game is scheduled for Cappoquin at 7.30 p.m. We wish the panel and selectors, Sean Prendergast, Billy Cunningham, Marty McNamara and Michael O'Farrell the best of luck in their endeavours.

U/14 Hurling Trials— Lismore will have six hopefuls fighting for a place on the U/14 hurling team to represent Waterford in the Tony Forristal Tournament, when the trials are held at Fraher field on this Thurs. evening. They are Brendan Landers, Maurice O'Connor, Anthony Whelan, Wm. Cunningham, Dan Shanahan and David Bennett. Best of luck boys.

Munster Hurling Final Replay— The draw for tickets takes place on this Thurs. night at 9.00 p.m. in the clubhouse. Those interested are advised that to be eligible they must (a) be paid up members of the club (b) be present or be represented at the draw and (c) tickets must be paid for on the night.

Tennis Club— We are glad to report that following consultations between C.L.C.G. Lios Mor and an ad hoc group of committed tennis players the way is now clear for the formation of a new committee to run the Tennis Club. A meeting for this purpose will be held in Lismore Hotel at 8.30 p.m. on this Friday and everyone is welcome to attend. We take this opportunity to compliment the people involved on their initiative and look forward to an early re-opening of

the courts following the meeting on Friday night.

Community Festival 1991— With just over two weeks to go the Community Festival Committee are finalising arrangements for the many events in this years programme which promises to be an exciting week in the social calendar. Commencing on August 4th, one of the highlights this year, a competition to select the "Belle of Lismore", is already creating quite a 'buzz' in the locality where several clubs and businesses have already selected their entrant for the event.

Apart from the prestige attached to the title, the lucky winner will walk away with a magnificent crystal trophy plus £150 in cash, together with a £30 fashion voucher courtesy of the Burgundy Boutique and have dinner with the partner of her choice in the select Ballyrafter House Hotel. Contestants (who do not necessarily have to reside in the locality) are reminded that sponsorship cards are available at Billy Hogan's (Printer) or John O'Gorman's (Grocer). Judging will be in Lismore Hotel on Wed. 7th August when proceedings will follow a somewhat similar format to that of the Rose of Tralee contest, where each aspiring "Belle" will be interviewed on stage and given an opportunity to display her good looks, personality and talent and compete for this truly fantastic prize and the honour of becoming the first "Belle of Lismore".

Weekly Draw No. 27— £50 Mr. Josh Farrell, New St.; £30 Miss Mamie Monaghan, Parks Road; £20 Mr. Ml. Behegan, Parks Road; £15 Mr. Fran Mangan, Chapel St.; £10 Mr. Jim Crowley, Tallow Rd.; £10 Mrs. K. Barry, Glencairn; £10 Mr. Ml. O'Leary (Jnr), Red House; promoters prize Johnny Flynn. The next draw will be held in the Red House on Mon. 22nd July at 8.00 p.m. All are welcome to attend. (Advt.)

Clashmore/Kinsalebeg G.A.A. Notes

MINOR HURLING

On arriving at Bushy Park for last Friday night's championship game against An Gaeltacht, we discovered another game about to begin. Thus, it was that our fixture had to be cancelled. We hope this unfortunate "double booking" doesn't happen again, as it causes unnecessary expense and inconvenience to the players, mentors and supporters. The game against An Gaeltacht has now been put back to the end of the fixtures list.

Our next minor hurling match is against Abbeyside in Dungarvan on this Thursday night.

JUNIOR HURLING

Last Sunday saw us taking on Ballinameela in Cappoquin. In a match which saw us play well below form, we were lucky to earn a draw. Fortunately this draw is enough to keep us in the championship. Best for Clashmore/Kinsalebeg were second half substitute, Vinnie O'Rourke, who scored a splendid goal and Jack O'Halloran and Jimmy O'Rourke, who did some sterling defending in the second half.

MUNSTER FINAL

Any members interested in obtaining tickets to next Sunday's Munster hurling final replay in Thurles,

Shamrocks G.A.A. Notes

The Intermediate hurlers had a great win last Saturday night against Colligan. The next round will be played next weekend against St. Mary's. The U/16 hurling team defeated Clashmore on Monday night in Clashmore and they will play against the Brickeys in the next round next Monday night in Knockanore.

The minor team will play against Kilrossanty in Modeligo on Wednesday night.

The U/12 team defeated Melleray in a tournament game which was played in Knockanore during the fete last Sunday.

Congratulations to Ciaran O'Keefe who was on the Waterford minor football panel and to James Tobin who was a selector of the Waterford U/21 team. Both teams were unfortunately defeated by Cork last week.

Finally, the club passed a vote of sympathy to Greg Fives and his family on the death of his father, Michael. May he rest in peace.

please contact Club Secretary, Noel Nugent, 024/92558.

NATIONAL SPORTS DAY 1991

We wish the best of luck to club members Roger Hynes, Donal Fitzgerald, Gabriel Hynes, Martin Lynch and John Hynes, who travel to Thomond College, Limerick, this Sunday to take part in the National Sports Day organised by Limerick Macra na Feirme. Donal, Gabriel and Martin are on the Kinsalebeg Macra soccer team representing Waterford, while Roger and John aim to show a clean pair of heels in the men's 4 x 100 relay.

Notai C.L.G. An tSean Phobail

The results of the progressive 45 drive in the Marine Bar last Wednesday night were, on 10 games D. Quinn and M. Flynn. The jackpot is £130 on 13 games.

Our minor hurlers travelled to Bushy Park to play Clashmore on Friday evening last to find an U/14 hurling game in progress so the minors did not play. Our next game in this grade is on this Wednesday night in Abbeyside when we play Cappoquin.

On Monday evening our U/16 hurlers played Ardmore at home. This was a very close game. We played against the wind in the first half and were only 3 points behind at the break on the score 0-5 to 0-2. We started off very well in the second half and levelled the score after 10 minutes but failed to score after. Ardmore won by one point in the end on the final score Ardmore 0-6 Gaeltacht 1-2. Our next game in this championship is on next Monday evening in Kilrossanty where we play the home team.

The next game in the Terry Cup is on Thursday evening in the Sean Phobail when Brickey Rangers play An Rinn. This game goes on at 7.30 p.m.

Congratulations to the three ladies who got on the Waterford junior football panel, Mary Wade who scored 1 point, Maire Mahoney and Eibhinn O'Connor. They played Cork and beat them to reach the Munster Final.

DID ACID RAIN KILL THE DINOSAURS?

ONE catastrophic morning, 65 million years ago, an alien moon appeared in the sky. It weighed 1,000 billion tons, was taller and wider than Mount Everest, and fell to earth at 45,000 mph.

The sea blew up, and one consequence of this awesome event was a huge release of energy, including lashings of nitric acid vapour which in the weeks that followed dripped from the clouds like rain.

And that is what it was: Acid Rain.

This deluge was more ruinous than the Flood described in the Old Testament. Is history repeating itself today?

Some experts say that this poisonous rainfall obliterated immense tracts of vegetation, creating deserts.

The most lordly animals around at that time were the dinosaurs. They had dominated life on earth for 140 million years, but were wiped out swiftly and mysteriously.

Whether this dramatic theory is correct or not, there is evidence of a sudden, brutal curtain fall.

One expert, David Lambert, who has written books on the subject, says: "Disaster fell relatively swiftly. A change in the record of the rocks tells the story. One layer is rich in dinosaur remains, the next has none."

He scorns the argument that dinosaurs were small-brained brutes incapable of adapting to changed conditions; or that they suffered

from glandular defects that sterilised them; or that some were so incompetently built that a slipped disc was sufficient to cause immobility.

"Dinosaurs were not monstrosities," he says. "They were built to cope effectively with the world."

What, then, was responsible for their destruction?

Dr Alan Charig of the Natural History Museum, says: "I know of 90 different explanations."

One is that following a supernova explosion, like the one observed by Chinese astronomers in 1054, our galaxy was showered an immense amount of cosmic radiation. Earth would have experienced a radiation storm equal to the detonation of several thousand million hydrogen bombs.

According to geologist Adrian Desmond, those beasts that did not perish from cellular disruption or cancer would have produced sickly, mutant offspring. Traces of a galactic blitz at the end of the Cretaceous Age, 65 million years ago, have "actually been detected", he says.

Some scientists believe dinosaurs were poisoned by deadly germs.

Another theory is that small mammals with an appetite for dinosaur eggs were responsible for the demise of the dinosaur.

David Lambert is unconvinced. He points out that crocodiles survive even though their eggs are often eaten by lizards.

Could the dinosaurs have

been blotted out by clouds of hot, volcanic ash?

"This explanation seems unlikely," says Lambert, "for the simple reason that such isolated disasters couldn't have wiped out species all over the Cretaceous world."

"The likeliest explanation seems to be some sort of sweeping climatic change. Large land areas, once in the tropics, drifted into colder zones."

"Meanwhile, clashing con-

tinents had thrown up mountain ranges, sea areas were redistributed and ocean levels fell. These changes helped bring cold winters to places where such seasons had been hitherto unknown.

"The dinosaurs lacked any covering. Uninsulated from the cold, the giants slowed down, grew numb, then perished where they stood or fell."

NOVENA

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity: there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. Grateful thanks to the Blessed Virgin for favour received. — L.C.

JUNIOR HURLING

Our Junior Hurlers had a convincing victory by 3-19 to 0-6 over Ballyduff on Sunday evening last in Kill. They now have only one game to play versus Kill on Sunday evening next in Portlawn and a victory would see them through to the Eastern semi-final. Kilmac team and scorers: Joe Joy, Martin Troy, Robbie Whelan, Liam Carey, Tom Joe Power, Johnny Brown, Vincent Behan, Jessie

Whelan, David Whelan, Johnno Power (0-3), Eddie Rockett (0-5), Andrew Rockett (1-8), Michael Rockett (1-2), Donal Lawlor (1-1), Jim Burke, Michael Dee, Brendan Whelan and Kevin Walsh. Referee: Mr. John Hunt, Clonea.

CAPPOQUIN NOTES

AT THE SPORTSFIELD

Over the weekend the venue staged a virtual feast of hurling commencing on Friday evening with the minor hurling clash of Lismore and Dungarvan. This game was played in ideal conditions with the ground at its very best. As has been the case in recent years Lismore are strong in this grade and indeed will be difficult to beat again this year. Dungarvan to their credit tried hard but the Black and Amber boys ran out fairly easy winners on the score 5-6 to 1-5.

Referee J. M. Kelly. On Saturday evening we had the Intermediate Hurling Championship game Shamrocks v. Colligan Rockies. This game attracted a good attendance and again conditions were ideal. The Rockies played against the slight breeze in the first half and following Jimmy Beresford's goal looked set for victory. The Knockanore men could never be accused of giving up easily and didn't do so on this occasion. Facing the breeze they appeared to do better. They got a grip at midfield where Dan Casey showed a return to form and gradually came on top in other sectors as well. Colligan still enjoyed a good deal of possession but were unable to convert this into scores, something which will have to be corrected if they are to have any chance in this grade.

Final score Shamrocks 0-18 Colligan 1-5.

Referee J. J. Landers.

The Curtain Raiser on Sunday afternoon was the Junior Hurling Championship meeting of Ballinameela and Clashmore. This game had all the fervour and intensity of a knockout tie and in fact that is what it was as the losers were destined to be eliminated from the competition, there were no back doors. Both sides gave it everything and both will claim that they could have won. The result however was a draw, the final score being Ballinameela 2-7 Clashmore 1-10. As far as we can gather this means that Clashmore stay in and unlucky Ballinameela go out. It hasn't been a lucky season for them losing narrowly on more than one occasion.

Referee J. M. Kelly (Shamrocks).

The senior game at the venue was between Lismore and Fourmilewater. The former so far unbeaten were, of course, the red hot favourites and fully justified it on the day, and must now be looking odds-on for one of the semi-final spots, even though their mentors were anything but satisfied with their display on Sunday. Hurling in the Ballymac area is somewhat overshadowed by the success of the Nire footballers but still they should be

good enough to hold on to senior status for another season which is presumably as much as they had hoped for this year.

Final score Lismore 3-12 Fourmilewater 1-8.

Referee J. M. Kelly.

The last game of the weekend on Sunday evening was in junior hurling between Ballysaggart and Kilgobinet. Before the match started Kilgobinet had safely arrived at the knock out stages, not so their opponents who had everything to play for. Having seen 'Saggart in two previous outings we were critical of their lack of urgency, the malaise wasn't in evidence on Sunday evening as from the very start they set about their task as if their lives depended on it. We said before that they had the players good enough and so it proved, with Pat Bennett scoring two fine goals and Pat Ryan showing excellent positional sense at centre-back, while "Bobo" Maher was rarely bested at midfield. James Bennett - a recent "convert" from the forwards played very well in goal - his clearances under pressure rarely went astray. Even though already qualified Kilgobinet fought all the way and might easily have won, but didn't have the luck. Jim Walsh caused all kinds of problems for the winners defence and indeed it was a perfect cross from him which led to their goal scored by the wily Marty Kiely who had come on as a sub. As we said at the outset Kilgobinet have qualified and Ballysaggart must play off with Ardmore for the second spot.

Final score Ballysaggart 3-4 Kilgobinet 1-7.

Referee J. J. Landers (Cappoquin/Affane).

ROWING

Congratulations to the Cappoquin Crew which won the mens Elite Pairs National Competition at Blessington Lake on Sunday. The crew consisted of the brothers Pat and Milo Murray who had done so well at Henley Regatta the previous week. This is a great honour for the club who haven't been having their deserved share of success in recent years. It must also be a great source of satisfaction to the club mentors who persisted through difficult times. Above all it is a tremendous honour for the lads themselves who worked so hard over such a long time to put the famed C.R.C. back in the limelight.

ENGAGED

Congratulations to Eddie McGrath, Sunlawn, and Miss Anne Brown, Ardinnan, who recently announced their engagement.

CAPPOQUIN/AFFANE G.A.A. NOTES

Intermediate Hurlers Win—Cappoquin 1-9 St. Marys 1-6— Cappoquin hurlers secured a further valuable two points in the I.H.C. match v. St. Marys at Colligan last Sunday. While hurling standards were poor here nevertheless from our point of view victory was more important as it keeps our championship hopes alive. We have often played better hurling and lost. Indeed too many of our players were far below their best and the absence of newly married Brian Murray was a big loss and of course, our big injury list continues to be a major worry. Nevertheless all the players gave a gritty display and contested every ball. Particularly outstanding was Donagh Cummings, Sean Costin, John Buckley, Fintan Murray, Miceal Phelan, James Mason, M. Reddy, M. Brackett. This is not taking anything away from the efforts of the remainder of the team including sub. young Miceal Croke who epitomised the spirit within the side when introduced.

Team— M. Phelan, L. Lacey, F. Murray, E. Costin, S. Costin, J. Buckley, D. Cummins, S. McCarthy, D. Hennessey, M. Power, S. Fraher, J. Mason, M. Reddy, M. Cahalane, M. Brackett. Sub. Miceal Croke.

Scorers— B. Hennessey 0-5, M. Power 1-0, M. Reddy 0-2, S. Fraher 0-1, M. Brackett 0-1.

N.B. A word of praise for the Colligan pitch which was in excellent trim and to local referee Roger Casey who was an excellent referee on the day.

Puc Fada— Best of luck to Miceal Phelan who will be competing in Puc Fada competition at Thurles next Sunday.

Minors Beaten—Naomh Brid 3-15 Cappoquin 5-6— Our minor hurlers must be kicking themselves after losing this match. Too many players were at loggerheads

their hurleys on the night, and the concession of 11 frees proved our downfall in the end. However, let us look on the bright side - these youngsters made a magnificent comeback cutting a 12 point deficit to 2 pts. and in the closing stages really had their tails up but the final whistle came too soon for them. There is no doubt had the game gone on a further five minutes they were capable of snatching victory but it was not to be. The lads must now do it the hard way and make sure and do their best to secure victory

in their remaining matches. They have the hurling and the determination to do it.

Team— D. Morrissey, K. Wilkinson, M. Croke, R. Curran, M. Lacey, P. Manahan, A. McCarthy, K. Mason, T. O'Donnell, F. McLoughlin, C. Cullinane, B. Tobin, J. Fleming, G. Reddy, C. Prendergast.

M.H.C. v. Gaeltacht— On this Wednesday evening July 17 the minor hurlers are in action again. The venue is Abbeyside and our opponents are Gaeltacht.

I.H.C. v. St. Mollerans— Our final game in the group is against St. Mollerans and will be played in Dungarvan on next Saturday night at 6.30 p.m. The Carrick side were always formidable opposition and their championship form to date is not their true form. This will be a tough one and we must be wary. But unfortunately we will be very much understrength for this match, with Brian Hennessy another casualty after Sunday's match.

U/16 Hurlers Victorious—Cappoquin 3-7 Stradbally 0-0— Stradbally failed to register a score in this U/16 H.C. game in Cappoquin last Monday night. It really was a one-sided match but our lads played poorly for long periods and hit some very bad wides. Heavy rain just after the throw in made underfoot conditions very slippery which wasn't any help to the players. However, the lads second half display was a big improvement but still they did not transfer their outfield superiority on to the scoreboard. Still it is not a bad thing to be winning matches without reaching full potential.

Players to catch the eye in this match were Cha Scanlan, Brian McCarthy, Ray Curran, Frank McLoughlin, Jason Fleming, Billy Tobin, Eamonn Murphy, Paul McLoughlin and Trevor Norris.

Team— F. Cotter, C. Scanlan, B. McCarthy, J. Dalton, T. Norris, R. Curran, E. Murphy, B. Tobin,

F. McLoughlin, E. Hickey, P. McLoughlin, J. Fleming, J. Quann, T. Prendergast, J. Casey. Subs. J. Fenton and J. Manahan.

U/12 Hurlers Beaten—Tallow 7-6 Cappoquin 0-0— Last Sunday morning our under 12's played a challenge against Tallow but found the opposition far too strong. Early in the first half our lads had chances of scores but just could not hammer them home. Our lads are still making the effort and must continue to train to improve their hurling skills. Once again Shane Coughlan had a great game in goal. Others to play well were Niall Maher and Richard Scanlan.

On this Friday night we play Naomh Brid in the championship in Cappoquin at 7.30 p.m.

AFFANE BRIDGE RESULTS

July 8 1st Addie Buckley, Helen Russell; 2nd Vera Curran, Marie Fahey; 3rd Andrew McGrath, Kathleen McGrath; 4th Fr. Barron, Lil Costin.

KILROSSANTY NOTES

JUNIOR HURLING

Our junior hurlers were decisively beaten by Ardmore in the championship last Sunday afternoon in Abbeyside on the scoreline of 4-13 to 0-3. Playing with the wind in the first half, we got off to a terrible start when we conceded an early goal and at half time we trailed by four points. In the second half Ardmore completely dominated and in the end ran out easy winners by a massive 22 points. So the one win we got against Ballysaggart was just not enough to see us qualify but maybe next year we can do a lot better against our more experienced opponents who beat us this year.

UNDER 12 HURLING

Our under 12 hurlers were well beaten by the Brickeys in the championship last Friday evening in Bushy Park. Every one of the lads tried their hearts out but in the end the bigger and stronger Brickey boys won comfortably.

MINOR HURLING

Our minor hurlers play their first match in the championship this Wednesday evening July 17 against the Shamrocks in Dungarvan at 7.30 p.m. After doing badly in last years championship hopefully we can put in a better showing this year and maybe win a couple of matches.

COACHING

Juvenile coaching will take place on Friday in the Kilrossanty football field from 2 p.m. to 4.30 p.m.

soon as possible. Phone no. 051-91128.

Business local or otherwise who would like to sponsor a girl in this event are welcome, the winner will go forward to the Waterford Finals of the Rose of Tralee 1992.

LADIES FOOTBALL

Well done to the U/12 team who beat Na Deise in the U/12 Tournament on Monday night last at Leamybrien.

Congratulations to C. Prendergast, S. Kirwan, J. Hallihan, T. Whyte and A. Harney who travelled to Glanworth on Wednesday evening last with the Co. U/14 team to play Kerry. Even though beaten by one goal, this was a fine team performance and each of the above mentioned contributed to this.

On Saturday afternoon last our U/16's played their 1st game of the year. This game was played in Leamybrien against Stradbally. Even though we fielded a very young team we saw a good display of football and at the final whistle Kilrossanty were ahead 1-8 to Stradbally's 2-2.

WILLIE McDONNELL CELEBRATIONS

A packed house is expected in the Shamrock Inn, Knockanore on this Saturday night 20 July to join in the celebrations for our local County Councillor Willie McDonnell.

It is a great honour for our local representative to be selected as Chairman of Waterford Co. Council. We join in congratulating him on his appointment and wish him success in his honourable task.

Proceeds of the night in Knockanore will go to St. Carthages House, Lismore. (See advert. in this issue for further details)

TALLOW G.A.A. S.H.C. Tallow 4-13 Ballygunner 3-14 — Tallow and Ballygunner served up some excellent hurling in this eagerly awaited clash in Dungarvan on Sunday last. Tallow emerged as winners, after a titanic struggle.

Ballygunner were the first to settle and after a quarter of an hour led by 1-6 to 0-5. Tallow were creating chances but not taking them. A Pat Murphy goal 5 minutes from half time had it at 1-8 to 1-7 and a further Tallow point levelled it at half time 1-8 apiece. The second half was only a couple of minutes old when first Pat Murphy goaled followed by a cracking goal from Philly Curley. Now Tallow were rampant and led 3-9 to 1-8 but Ballygunner weren't finished and with 7 minutes to go led by a point. Tallow attacked and the wily Connie Curley got away from his marker to kick an excellent goal and Tallow led 4-12 to 3-13. Ballygunner pointed to leave the minimum between the teams. Time was running out and Ballygunner had a free to tie it up and when he missed it was cleared up field where Pat Murphy caught it and was fouled. The same player made the game safe for Tallow when he pointed the free, to leave the final score at 4-13 to 3-14 in Tallow's favour. An excellent game of hurling that had everything, great scores, some excellent defending and some great individual displays. For Tallow the full back line and half back played exceptionally well with Tomas McCarthy, Jim O'Donoghue and the excellent Colin Cunningham in the full line giving good protection to goalie Martin Murphy who brought off some excellent saves in the second half. Up front Philly, Mickey, Steve, Connie, Paul Curley and Pat Murphy were always dangerous.

Team— Martin Murphy, Colin Cunningham, Jim O'Donoghue, Tomas McCarthy, David O'Regan, Jim Sheehan, Johnny Geary, Mickey Curley (Capt), Paul Curley, Mark Geary, Dermot Henley 0-5,

Steve Curley, Philly Curley 1-5, Pat Murphy 2-1, Connie Curley 1-2. Subs. John Joe Henley for D. O'Regan.

On next Sat. night we play Ballyduff in the S.H.C. in Lismore at 7.30 p.m. all players at the square at 7.00 p.m. sharp.

MRS. MARY MORRISSON (nee O'LEARY) CONNA R.I.P.

The death took place on Tuesday of Mrs. Mary Morrison, Kilclare North, Conna. Daughter of John and the late Julia O'Leary, Clonakilty, she came to Conna parish many years ago as a teacher in the local National School where she quickly became an esteemed member of the community. She married popular hurler and G.A.A. administrator Dick Morrison and in union with that family she involved herself in parish affairs, particularly with the St. Catherines club. Of a very unassuming disposition, her genial nature won for her the deep affection of everyone in the neighbourhood and her passing now at an early age has caused a profound sense of sadness throughout the whole district and our sincere sympathy is extended to her husband Dick, sons Kieran and Paul, father John O'Leary, brothers

Andy, Fintan; sisters Siobhan, Ann, Breeda, Eileen and Sister Elizabeth, uncle, aunts, brothers-in-law, sisters-in-law, nephews, nieces, relatives and friends. The Concelebrated Mass at St. Catherines Church, Conna had as its chief celebrant Fr. Stritch C.C. Conna. The funeral cortege then proceeded on its way to Conna new cemetery, the coffin being borne on the shoulders of members of the St. Catherines G.A.A.

MR. NOEL CONDON, TALLOW, R.I.P.

The Church of the Immaculate Conception, Tallow was thronged to capacity, last Friday when people from various places as well as locals arrived for the Concelebrated Mass for the repose of the soul of Noel Condon, and to pay their final respects to one of Tallow's famous sons. Noel, a member of the farming community, and possessed with splendid physique came into prominence 60 years ago, in 1931 as a player with the Waterford junior hurling team which brought All-Ireland honours to the County defeating the London-Irish team in Croke Park, prior to one of the historic 3 Cork v. Kilkenny, senior contests that year. Tallow having won the county hurling title in 1930, were entrusted with the Waterford selection in '31 and it was a proud day for Noel with 11 Tallow men on the panel and his brother Bob as captain being instrumental in bringing the first All-Ireland honours to Tallow and Waterford, incidentally a hurley and sliotar that were used on that marvellous day are still preserved in the Condon homestead. Noel, too, was quickly promoted to Waterford senior hurling team, and with the rest of the team being provided by the outstanding Erins Own panel, they were involved in the early thirties with many stirring clashes with the legendary, Mackey-Clohessey, Limerick teams. Noel was also a member of the Tallow senior team that clashed with Erins Own in 9 County Finals and eventually wresting the title from Mount Sion in 1936. His reputation as a clean and sporting player is often mentioned. He was secretary of the Tallow Race Committee for many years. Other clubs as well claimed his attention including the tennis club and he participated in plays with them along with his late sister, Ina, who was a renowned script writer. Both the late Bill Sheehan and Noel were founder members of the Tallow St. Vincent De Paul Society in 1934 and it is interesting to note that their respective sons Billy and John are carrying on that altruistic work

to-day. Noel's loyalty and commitment to his native town will long be remembered and our sincere sympathy is extended to his wife Margaret (Peggy), son John, grandchildren, daughter-in-law, brothers Bob and Pat, sisters Mrs. Clare O'Loughlin, Mullingar, Sister Ignatious Paul, Sisters of Charity, Dublin, relatives and friends. He was interred in the local cemetery. The Tallow choir sang during Mass and Mrs. Tobin presided at the organ. The Concelebrants of the Requiem Mass were Fr. Pierce Condon, Kilworth, Fr. Gerard Condon, Hazelwood and Fr. Pat Condon, Rathgormack (cousins of deceased), Fr. Walsh P.P., Tallow; Fr. Sean Cotter President, St. Colmans, College, Fermoy. Ar dheis De go raibh a anam uasal. — J.B.

MR. JERRY MELLERICK, CONNA, R.I.P.

Profound regret was evoked throughout Conna Parish and over a wide area of the country too, on hearing of the untimely death of Jerry Mellerick. Postmaster in Conna for several years and Social Welfare Officer in the District till his retirement a few years ago, Jerry and his family were held in high esteem everywhere, but one of Jerry's outstanding assets to the community was his musical competence and his willingness to share this great gift of his always. He played the organ in the local Catholic Church since he was a young boy, embracing a period of 55 years. He played with the Tallow Brideside Serenaders Band as well as his brother Danny. His contribution to the successful run of the Conna Tops of the Town in the early eighties was most advantageous, and whether it was weddings or local gatherings or concerts he obliged readily and it was significant that the senior citizens joined the guard of honour when his remains were entering the Church as he regularly played for them at their monthly socials and accompanied them on their outings, and the Ave Maria played on the concert flute, by his relative Emma Walsh was most appropriate for this great music lover, and the local choir too rallied to give Jerry a last farewell, 'tho memory of him will live long amongst us. Our sincere sympathy is extended to his wife Margaret, sons Edmund, and Mike; daughter, Edell, brothers, Danny and Jimmy, son-in-law, daughter-in-law, nephews, nieces, brothers-in-law, sister-in-law, relatives and friends. Typifying his popularity, a large concourse attended at the Church and interment in Conna new cemetery on Monday last. Go gcloisidh se ceol na nAingil laithreach.

ST. CATHERINES G.A.A.

Junior Hurling League At Ballynoe — St. Catherines 2-9 Bride Rovers 3-2— In very inclement conditions at Ballynoe last Thursday evening the above team fought out this league tie and despite the slippery surface gave a great display of hurling. The Rovers dominated the first half and led at the interval by 1-2 to 0-3. The resumption showed a great competitive spirit as both teams strove hard for victory and about midway through this half Catherines came within striking distance and in a fast spate of scoring went on to lead by 7 points. This was short lived however, as a strong raid on Catherines goal resulted in a penalty for the Rathcormac men and this produced a major score. Both sides had a couple of abortive attempts at scoring then and the final whistle blew to leave the home side winning on the above score.

Billy Cody, Middleton refereed.

Catherines team was John Hartnett (goal), Billy Neville, Ted O'Leary, Dessie O'Keefe, Eddie Hartnett, Batt Sheehan, James Sheehan, Mike Walsh, Paul Higgins, Paddy O'Leary, Dermot Horgan, Alan Bryan. Subs. used John G. Barry, John McCarthy.

Junior B. County Hurling Championship At Ballynoe— Castlelyons 4-7 Lisgoold 1-2— The above team attracted a good sized crowd to Ballynoe pitch for this county championship tie. The first half was evenly contested tho' the scoreboard was in Castlelyons favour at 2-3 to 2 points. On the turnover Castlelyons proceeded to dominate until a good goal from a penalty shot brought Lisgoold back in the game. Again Castlelyons pulled away and were worthy winners on the above score. John G. Barry, St. Catherines refereed.

DUNGARVAN G.A.A. CLUB NOTES

SENIOR HURLERS WIN

At Kilmacthomas on Saturday evening last, our senior hurlers had an impressive win over Clonea and so collected their first points of this years championship. Because of our involvement in the football championship, preparation for this game had not been easy, but on Sat. evening the lads showed that given an even break, they're a match for any side. We now have a break for a couple of weeks so lads - don't forget the training.

MINORS BEATEN

Our minor hurlers were defeated by Lismore in the semi-final of the "A" Championship at Cappoquin on Friday evening last. Despite giving their best the lads just couldn't match the powerful play of their opponents and we now wish them well in the divisional final.

JUNIOR RE-PLAY

On Saturday evening next we travel to Modeligo, to play Ballyduff in the Junior Hurling Championship replay. In the drawn game we were unlucky not to win so let's hope we can do it this time.

SPEEDY RECOVERY

The club wishes a speedy recovery to popular club member Eileen Murphy who is at present "out of bounds". Your presence is missed at Bingo Eileen so hurry back.

MUNSTER FINALS

Sunday next is Munster final day with both hurling and football finals down for decision.

The hurling game is the main attraction and I'm told, "tickets are like gold". Still, some will be lucky -

as always - so enjoy yourselves.

Football followers can travel to Killarney to see Limerick take on the mighty Kerry. The Kingdom will be hot favourites but let's hope Limerick give a good account of themselves.

P.S. word has it that Peter is singing "Slievenamon" already. There's confidence for you.

SYMPATHY

Sympathy is extended to club Vice Chairman, Billy Kiely, on the death of his nephew, Tommy Kiely, (Limerick and Pinewood Est.) which occurred last weekend.

Also to Matthew Hogan, Abbeyside on the recent death of his father, Matthew (Snr), Clonea.

UNDERAGE NEWS

Our U/16 hurlers were defeated 2-11 to 1-11, by local rivals Abbeyside at the Fraher field on Monday evening last. As the score suggests this was a close encounter, with the "Village" lads coming out on top on this occasion.

U/12'S DEFEAT LISMORE

Last week our U/12 hurlers took on Lismore in the first round of the Bord na nOg competition. Lismore entered this game as firm favourites and why not, after all they have been champions for the past ten years. Yes - ten years in a row. A record surely? But like all records it was there to be broken and break it we did, in style. Our young players gave a most impressive display and were deserving winners after a hard fought game. Well lads - we are proud of you.

VITAL GAME v. BALLYDURN

On this Saturday evening July 20 our hurlers play Ballydurn in a vital championship game in Kill at 7.30 p.m. This being our last game in the group it's a game we must win if we hope to qualify for the knock-out stages. We have been improving with all our games and if we can show the same determination as in the last round then we can expect a win.

UNDER 16 HURLERS BEATEN

Our under 16 hurlers were beaten by a much stronger St. Patricks team in the championship last week. This was a very young "Reds" side and they had to give way to a much physically bigger St. Pat's team. Team was T. Curran, Ml. McCarthy, E. Clancy, A. Barnes, K. Coffey, T. Walsh, A. Barrett, P. Casey, Ml. Barnes, N. Curran, S. Cunningham, L. Barrett, E. Clancy, D. McKeone, Ml. Curran.

SELECTOR WITH COUNTY UNDER 21 HURLERS

Our club player Noel Costelloe was a selector, with the Waterford B under 21 hurling team beaten by Cork last week in the Munster championship.

HURLERS HAVE IT ALL TO PLAY FOR!

With last week's results in our favour, our Intermediate hurlers have it all to play for when they play Ballydurn. A win could put us straight through, or at the worst into

a three-way play off.

ALL WENT CRAZY?

The crazy night last weekend proved to be a very successful night, where everybody enjoyed themselves. The auction proved very exciting, with Tom Foley first-class as the auctioneer and he kept things moving very quickly. The club would like to thank all who helped in anyway with a most successful crazy night.

The A.G.M. of the club was held in the clubs premises recently and those present aired the views on club policies. In his opening address the chairman Vincent Tobin welcomed those present and went on to tell the members of the clubs plans for phase two of the ground development plan which is the building of dressing rooms and showers.

This was followed by the secretary's report in which Michael Fraher spoke at length on the clubs activities both on and off the field during the past season. Although it wasn't very successful as regards League or Cup honours for our respective adult and schoolboy sides, he thanked all the players for the efforts they had put in.

The secretary went on to thank Denis Crotty, the clubs adult trainer who is unable to continue as such, for his work for the club in the past and previous seasons. He finished his report by sympathising with the club members and supporters who suffered bereavements during the past year.

The clubs Treasurer Christine Tobin gave a full and comprehensive account of the clubs financial transactions during they year and the balance sheet showed the club to be in a reasonably good position. She thanked the ladies committee and everyone who supported the clubs fund raising ventures and she hopes that they may continue to do so.

ABBEYSIDE A.F.C. NOTES

Heineken Pub League Reaches Climax

**Paddy Foleys (C) 0
Anchor (B) 1**

A closely contested game with the holders just squeezing through with a fine goal from Pajo from close range. Paddy Foleys will feel a little disappointed, having generally dominated the game and spurning some good chances. Michael Sheehan impressed again with Ber Whelan also playing well, but they had to give way to a more determined Anchor side who had stars in Shanley, Geoghegan, O'Connor.

Deise Bar 1

Radleys (A) 0

Another shock as Deise Bar knocked out one of my tips for glory the Radleys (A) team, who had impressed all and sundry with their earlier displays. The tireless S. Veale at the back was a star as he kept the Radleys front runners at bay with a great display. Vinny and Jimmy O'Rourke turned back the clock with vintage displays and the combative Mossy Devine was in the thick of the action from start to finish. Radleys had their moments with the influential Ger McGovern and David Sheehan prompting and the hard running Bobby Lyons also made a big impression. However, the Pat Langan managed Deise Bar made the semi-final in this their first year of asking. The dream lives on!

**Village Inn (B) 0
Paddy Foley (D) 3**

Sean "Storm" Organ's charges showed their class when beating a spirited Village Inn challenge in this exciting clash. Village Inn (B) who lost Gerome Kiely and Joe Salmon to work commitments had the further misfortune to lose key player Christy Phelan, injured after only 10 minutes. Kieran Hallahan slammed home two beautiful goals and Michael O'Keeffe scored another to round off a fine performance.

Barry McGrath had a splendid game for the Village Inn along with Rogie Cashin who had a stormer. For Paddy Foleys (D) Pepe Ferncombe pulled the strings and Dermot Callaghan was also impressive at left full.

**Village Inn (A) 3
Minnies 0**

A titanic battle between neighbouring pubs saw the

Village Inn (A) home on a 3-0 scoreline. Goals by Ray Flynn, John Shanahan and Mark Reynolds were decisive and only the defensive work of Kieran Foley and M. Lennon at the back prevented more goals. The Minnies side badly missed Pat McGovern, who had to withdraw and even though Derek Lyons had a fine game at midfield, it was a lack of penetration up front which let Minnies down.

Best for Minnies were D. Lyons, K. Foley and M. Lennon and best for the Village Inn were G. Hamilton, M. Reynolds, J. Shanahan and P. Terry.

Note — By the time you read these notes the two semi-finals will have been played and the two teams to contest the final, which will be held on this Thursday, July 18 at 7.30 p.m., will have been decided.

Comprehensive reports on both semi-finals and final will appear in next week's issue.

THOMAS KIELY

An air of gloom descended over the club when the news broke of the tragic death of Thomas Kiely at a very young age. Thomasin, who was a member of the first Abbeyside team to take a league title was a great favourite with all in the club. A wonderful character with a great sense of humour, he was a great servant of the club up to his move to Limerick. Thomas will be sadly missed by all in the club who had the pleasure to know him and play along side home.

To his wife, son and family we offer our sincere condolences at their sad loss. Ar dheis De go raibh a h-anam.

UNDER-11'S

Our under-11 league winning team will be presented with the League Shield and medals on Thursday night next at 6.40 p.m., prior to the pub league final. They will play a match prior to the final, so parents and supporters alike can show their appreciation of this fine little team.

PLAYERS MEETING

The meeting last Friday night was cancelled as a mark of respect owing to the death of Thomas Kiely. This is now refixed for Wednesday night, July 19 at 7.30 p.m. at the Scouts Den. All junior and youth players are urged to attend.

The kick off time for the game is 7.00 p.m. and will be followed by a Karaoke night.

INTER FIRMS

The inter firms soccer tournament has been reorganised once again, and the first two games will be played in Kilrush Park on this Friday night 19 July.

Railway Athletic F.C. (Cappoquin) Notes

Railway Are U-12 TSB League Champions

What a season we have had. The icing was put on the cake when our under 12 side made club history on Wednesday night of last week when they beat Carrick in the play off to give us three league titles in one season.

This was a game that our lads really wanted to win. The game started at a very fast pace and we settled very fast and played lovely controlled football. Midway through the half the break came when Eoin Bennett got a loose ball and turned fast to give the Carrick 'keeper no chance and that was how the half ended. In the second half Carrick came at us but our back four were always on top. With ten minutes remaining Eoin Bennett broke the offside trap and made it two nil.

Everyone of this team gave 100% and totally deserved the win and when the final whistle was blown there was great relief and

excitement. Team— Niall Maher, "Haulie" Murphy (Capt), Shane Coughlan, Mitchel Moynihan, Ward Fraher, Diarmuid Coughlan, Donagh Wilkinson, James Manahan, Jamie Keane, Eoin Bennett, Derek McLoughlin. Res. Eoin McLoughlin for Derek McLoughlin, Sean Cotter for E. McLoughlin.

CAUSEWAY TENNIS CLUB NOTES

WHAT A WEEKEND WE HAD!

Our Tennis Marathon must be one of the highlights of our club's lifetime. The official opening took place in our clubhouse on Saturday night from 8 p.m. to 9 p.m. with all our sponsors, U.D.C. members, the President of the Munster Council, Ruth Byrne, Dan Hurley, the County Manager, Clive Robinson (the man responsible for our Omni-Pro court construction) and of course our members at a cheese and wine reception.

The marathon began at 9 p.m. with an exhibition

match from some of our visiting coaches (Billy Bolster, Greg Morris and friends.). There was a tremendous atmosphere all night long with everybody enjoying the food, drink and tennis. Many thanks to everybody (too numerous to mention!) who donated their time, energy and beautiful home-baked savouries, cakes, sandwiches and desserts. Credit is due to all these people who helped getting the clubhouse and grounds ready for the weekend. A huge amount of work was

done and it really shone through on Saturday night. Fair dues to all involved!

Please note that there is a very heavy booking on our three new courts at the moment and to be fair to everyone, please restrain from multiple booking of courts to give everyone a fair chance to play.

OTHER NEWS

Our Summer Cup team play next Saturday in the first round of the plate against St. Stephen's Club in Cork - best of luck. Best of luck also to our Michel Cup team who will play Bishopstown B team in the semi-final over the next week.

Disappointing Result For Under 21 Hurlers

CORK 3-12 WATERFORD 0-13

Cork scored a comfortable eight points win over Waterford in this Munster U/21 hurling semi final played at Pairc Ui Chaoimh on Wednesday night of last week.

So much was expected of this Waterford side that the result was very disappointing but if they had a bit more penetration up front then the result could have been different.

They had a disastrous start conceding 1-2 in the space of 3 minutes but recovered well and with Fergal Hartley a tower of strength at centre back and Eoin Dunphy sound when moved to full back, the Deise side managed to contain Cork for the remainder of the half and were just 1-6 to 0-6 behind at the finish.

In point of fact had the Waterford forwards been more alert the visitors could have been on level terms.

Ten minutes after the restart Tony Browne cut the deficit with a point and Waterford looked capable of causing an upset. Cork struck telling blows however when Barry Egan and Ger Heddigan struck opportunist goals in the space

of four minutes which ended any hopes of Waterford getting back into the game.

Scorers— Cork— B. Egan 2-2; G. Heddigan 1-4; R. Cunningham 0-5; K. Roche 0-1. Waterford— K. McGrath 0-3; S. Daly 0-3; J. Brenner 0-2; T. Browne 0-2; P. Walsh, N. Dalton and P. Fanning 0-1 each.

Cork— T. O'Donovan, T. Doolan, E. Murphy, T. Twomey, J. Kelleher, D. Quirke, J. Coughlan, B. O'Shea, B. Corcoran, K.

Roche, D. O'Leary, B. Cunningham, P. O'Brien, G. Heddigan, B. Egan. Subs. B. O'Connell for Coughlan, C. Murphy for O'Leary.

Waterford— R. Berry, E. Dunphy, N. Warren, D. Keane, J. Walsh, F. Hartley, B. Greene, J. Brenner, P. Queally, P. Fanning, P. Walsh, K. McGrath, T. Browne, S. Daly, N. Dalton. Subs. P. Power for Browne, M. Murphy for Keane.

SENIOR HURLING CHAMPIONSHIP

Easy Win For Mount Sion

Mt. Sion 1-18 Ballyduff 1-5

The second game at Fraher Field, Dungarvan, on Sunday last produced an easy win for Mt. Sion. Yet the Monastery men were far from impressive in a rather dour senior hurling championship struggle which ended as a contest long before the final whistle.

Ballyduff, but a pale shadow of their former championship winning side were never really in the hunt and the writing was on the wall for them at the half way stage when after playing with the gale force wind, they trailed by 1-6 to 1-4.

Ballyduff scored first through Richie Walsh after four minutes but Padraig Fanning shot home a Mt. Sion goal two minutes later. There was very little between the sides during this half and John Quirke's goal after eleven minutes left Ballyduff leading by 1-2 to 1-1. Ballyduff were still a point in front (1-4 to 1-3) after 24 minutes but Mt. Sion finished the half stronger and two points

from Gary Gater (who scored some superb points over the hour) and one from Donal Loughnane (free) left Sion with a two point advantage at the half way stage.

ONE WAY TRAFFIC

The second half was all one way traffic as Mt. Sion took over completely, their flow of twelve second half points being interrupted just once by a lone Ballyduff minor scored by Paudie Prendergast in the 21st minute.

Scorers — Mt. Sion G. Gater 0-8; P. Fanning 1-1; D. Loughnane 0-3; J. Meaney 0-3; D. Power, D. Green and D. Fitzpatrick 0-1 each. Ballyduff J.

Quirke 1-0; B. Tobin 0-2; P. Prendergast 0-2; R. Walsh 0-1.

Mt. Sion— B. Flynn, V. Nolan, P. Ryan, K. Ryan, B. Coughlan, G. Fitzpatrick, B. Greene, M. Flannagan, J. Meaney, G. Gater, D. Loughnane, T. Browne, P. Fanning, D. Power, S. Ahearne. Sub Tom Browne for S. Ahearne.

SENIOR HURLING CHAMPIONSHIP

Tallow Best In Superb Clash

TALLOW 4-13 BALLYGUNNER 3-14

Tallow continued on their winning way in the senior hurling championship and astounded the pre-match forecasters into the bargain when they defeated hot favourites Ballygunner by two points in a rip roaring match in Dungarvan, on Sunday last.

As a hurling game it was a superb showpiece, full of fine individual displays and magnificent scores and in the end those who braved the arctic like conditions were well rewarded for their presence at the Fraher Field.

A hurricane like gale lashed the venue but despite this the standard of hurling was surely the best witnessed at the venue in quite a long time, truly a tribute to the skills of both teams.

Tallow had the advantage of the breeze in the first half but looked to be in trouble at the break when the scores stood level at 1-8 each. Ballygunner had the first major score after ten minutes when Mick Mahoney's goal left them 1-4 to 0-4 ahead.

Points came tit for tat after this and Pat Murphy literally with his first puck of the game, had a superb Tallow goal to level it at 1-7 each two minutes from the break and this score was followed by an exchange of points from Mossie O'Keeffe and Philly Curley.

BALLYGUNNER STUNNED

Two minutes into the second half Tallow stunned Ballygunner and it was Murphy again who stole the thunder when he grabbed a dropping ball and shot another superb goal. Before the Eastern side could recover Mickey Curley, Paul Curley and

Connie Curley combined to put Philly Curley through for a vintage major and points followed from Dermot Henley and Philly Curley to leave Tallow ahead 3-10 to 1-8 by the 9th minute and looking destined to take the spoils.

But then dramatically the game changed again as Ballygunner fought back. Ed. Brennan pointed, Stephen Frampton pointed a "65" and Mick Mahoney goaled just on the third quarter and there was only a goal between the sides (3-10 to 2-10).

Mahoney cut the arrears further when he added a point, Philly Curley replied with a similar score for Tallow but Mick Mahoney's third goal in the 19th minute brought the sides level at 3-11 each. Again Tallow inched ahead with a Mickey Curley point but Mahoney was again on the mark for Ballygunner to again level with nine minutes left for play. A minute later Mossie O'Keeffe gave Ballygunner the lead with a point but Tallow were back in the driving seat when Connie Curley went tearing through and kicked a goal six minutes from time to leave the Bridesiders two points clear — 4-12 to 3-13.

Again Ballygunner stormed back and won a free and Billy Sullivan pointed to leave the minimum between the sides with three minutes left for

play. The city side won another free but this time Sullivan failed to lift and connect. The ball was cleared down-field and Tallow grabbed a minor when Pat Murphy converted a free. It was the final act in the drama, Tallow held on for a superb and deserved win to give them full points from their four games played and ensure them of their place in the final shake-up.

Scorers — Tallow — P. Murphy 2-1; Philly Curley 1-4; C. Curley 1-2; D. Henley 0-5; M. Curley 0-1. Ballygunner — M. Mahoney 3-2; M. O'Keeffe 0-3; B. Sullivan 0-2; E. Brennan 0-2; A. Qualter 0-2; S. Frampton 0-2; C. Sweeney 0-1.

Tallow — M. Murphy; T. McCarthy, J. O'Donoghue, C. Cunningham; J. Geary, T. Sheehan, D. O'Regan; M. Geary, Paul Curley; D. Henley, S. Curley, M. Curley; C. Curley, P. Murphy, Philly Curley. Sub. — J. J. Henley for D. O'Regan.

Ballygunner — R. Whitty; C. Laphorne, N. Warren, M. Whelan; S. Frampton, C. Cantwell, D. Kennedy; M. O'Neill, F. Hartley; A. Qualter, M. O'Keeffe, C. Sweeney; M. Mahoney, E. Brennan, B. Sullivan. Subs. — L. Whitty for D. Kennedy; P. Power for M. O'Keeffe; T. Sullivan for C. Cantwell.

Referee — J. Moore (Dungarvan).

Abbeyside/Ballinacourty G.A.A. Notes**SYMPATHY**

The entire club was shocked at the news of the unexpected death of Thomas Kiely in Limerick

on Thurs. evening.

As a mark of respect the minor and intermediate hurling fixtures were postponed while the U/12

hurlers didn't travel to the Youghal tournament.

Thomas wore the village colours with distinction making the No. 15 jersey his own, in all grades of hurling and football, playing a vital part in the capturing of Co. hurling titles at U/14, U/16 and minor level, as well as minor football.

Although residing in Limerick for a number of years he retained an exceptional interest in all club teams and the large crowd which turned out for his removal and burial bore testimony of his popularity to all while quite fittingly the club provided a guard of honour at his funeral.

The club extends its sincere sympathy to Mrs. Bridget Kiely (widow) and family, to his parents Jack and Mrs. Kiely, and to all the Kiely family and relations.

FIXTURES

The intermediate hurling fixture against Erins Own has been brought forward to this evening, Wed. 17 July in Walsh Park at 7.30 p.m.

The minor hurlers play Clashmore, tomorrow evening (Thurs. 18th) at the Fraher Field.

WIDE OPEN

As a result of Dungarvan beating Lismore, the U/12 Hurling Championship is now wide open. We now face Lismore and victory will see us to the Western final while a defeat will result in a 3 way play off.

The U/12 hurling league for the Danny Lenihan Cup resumes this Saturday morning.

MINOR FOOTBALL CHAMPIONSHIP

Minors Completely Outclassed

CORK 5-17**WATERFORD 0-4***[by "COMMENTATOR"]*

Waterford minor footballers were completely outclassed by a super Cork side in the Munster semi-final at Midleton last week and the final scoreline clearly exposed the big gap in standards between the counties. It was also very considerably to the advantage of the Cork team that their players were bigger in most sectors, and this applied particularly to midfield.

At the half-way stage when Cork led by 4-10 to 0-2 there was absolutely no hope for Waterford and afterwards it was just a matter of what the winning margin would be.

Ray Ryan and Brian Arrigan had our first half points and our two scores in the second half came from the same players.

It was very disappointing for the players and selectors who had put so much into their preparation over the year, but against such a powerful side, there was nothing could be done to change matters.

Team — Kieran Cullinane, Kevin Lonergan, Sean Kerins, David Phelan, Bobby Lyons, Paddy McGrath, Colin Fanning, Ciaran Whelan, Michael Fenton (capt.), Raymond Ryan (Sliabh gCua), Nial O'Connor, Brian Arrigan, Fergal Cunningham, John Tutty, David Whelan. Subs. — S. McGrath for Whelan; Paul Foley for Tutty; S. Murray for Lonergan.

Note — It was disappointing to find that no programme or hand-out of the team was available at the venue for this semi-final.

G.A.A. NOTES

WEEKEND FIXTURES

BY "COMMENTATOR"

Time Of Decision For Many Clubs

SEVERAL THRILLING CONTESTS EXPECTED

If the supplied county fixtures list is not changed in the meantime, it will mean that two of the crucial matches in the senior hurling championships are not subsequently changed, we will have games at Walsh Park and Dungarvan being played at the same time as the Munster hurling final replay at Thurles.

This is certainly a change from the normal and it goes to show that some clubs are so concerned about their own affairs that they are prepared to relegate a Munster hurling final between outside counties, to second place. Many people will complain about this situation, but at the same time, many others will commend them for getting their priorities right. I certainly do. Many of the championship matches which are listed are for later times on Sunday and for some players and officials who are going to Thurles or Killarney it will mean a rush home. For some clubs, the games are mere formalities as their chances of getting back into contention, are well and truly gone.

LISMORE v. ROANMORE

Both these sides can field, happy in the knowledge that defeat will not put them out of a place in the semi-finals because both have already ensured qualification. Nevertheless it should be a cracker of a match with some splendid hurling and lots of exciting play. Readers will recall their meeting in Dungarvan last year when Lismore won on a scoreline of 2-15 to 2-8 and in so doing, inflicted the only beating of the campaign on the eventual county champions, Roanmore. Both are unbeaten so far this year, but the games played would seem to show that Lismore are the more improved side and have won some of their matches more convincingly than Roanmore. Lismore may be without Martin O'Brien, who came off injured against F/M/W., last Sunday, but with good talent on their substitute list, they should not have undue worries. I believe that Lismore are good enough to beat them again.

MOUNT SION v. BALLYGUNNER

As our league table shows, Mount Sion are heading Ballygunner by a

couple of points, with each having played three matches. Defeat for Ballygunner will leave them with a serious problem, but will not altogether put a place in the semi-finals, out of reach. A win for Mount Sion, should guarantee them at least a place in the play-off stages (if there are play-offs), so for both clubs this is a vital game and accordingly it will be played as if it were a knockout contest. When the same teams played last year, Mount Sion won on a scoreline of 1-15 to 1-10, but many students of the game reckon that if both sides reproduce the same form as displayed in their respective matches at Dungarvan last Sunday, Ballygunner will be strongly fancied to take the points. The 'Gunnars played brilliant hurling against Tallow, while Mount Sion's display against Ballyduff was not of the same standard. However, in a league type championship, teams quite often play very differently in every other game and last Sunday's games may not be a reliable guide to what can happen in Walsh Park on Saturday. In the expectation that they might very well be 'gonners' if they lose this one, the 'Gunnars can be expected to make a mighty effort to reverse the result of last year and this could see Mount Sion with something to worry about in their remaining two matches.

S/F/C. KILMATHOMAS v. ST. SAVIOURS

This is the only football game down for decision on the huge fixtures list published for the weekend and it will provide refreshing entertainment at Portlaw on Friday evening. Kilmac' unfortunately are not finding it easy to produce their best form. They have no points from two matches, but they still have four to play, so conceivable they still might rescue themselves from becoming one of the 'also rans' in the championship. Saviours have lost one of their three

matches and seem to be heading for the K/O stages, but they are by no means unbeatable and with this in mind, Kilmac' might play well enough to cause an upset here, even though it is not likely.

S/H/C. TALLOW v. BALLYDUFF

Tallow have no worries about qualifying and regardless of the result of this local derby clash, they will go through. But the fact that there are no big pressures, they will feel that some prestige is involved here and a win will be felt as a bonus. On present form and results to date, Ballyduff are facing an uphill battle, at least, to get back into contention and another defeat will put them out of the running. Motivated by such a prospect last year's county finalists will make an all-out bid to win this one at Lismore on Saturday evening. Whichever side wins, it has the makings of a cracker and patrons attending this attractive fixture will get good value and plenty to talk about. I'll be surprised if Tallow do not maintain their unbeaten record.

FOURMILEWATER v. PORTLAW

This is an interesting one even though both are out of the running. Portlaw have no points yet and could be caught up in a relegation battle if they don't win this one and on the basis of results to-date, there are no great reasons for supposing that they will win. Fourmile have two points and if they win this, they will have no relegation worries. It's the final game for both, if Fourmilewater win and this is qu

DUNHILL v. PASSAGE

It does not matter which side wins as both are gone already. Passage just missed a semi-final place by losing their last game and the two points which

they should win here will be of no value to them.

CLONEA v. DE LA SALLE

Both are out as far as being involved is concerned, but it could be of importance to De La Salle as a win could ensure them of not being caught later in a play-off for a relegation game. De La Salle are the fancied side.

INTERMEDIATE GAMES

This is becoming very interesting with a number of places up for grabs and a few clubs trying to get higher on the table to gain them a more advantageous place in the knock-out stages.

Shamrocks are now safe and will qualify for the semi-finals, while St. Mary's, whom they meet on Sunday evening need another win to have a chance of qualifying. I have a feeling that Mary's won't get these points on Sunday if Shamrocks continue to play to form.

Colligan will beat Tramore, who have no points and this will give them six points which they need to keep in touch with Cappoquin, who will be fancied to beat Mollerans, who have but two points going into their final match. Should the results turn out this way, then Shamrocks, Cappoquin and Colligan will qualify from this group.

In the other group, Saviours will qualify and there can be a battle between Abbeyside, Stradbally and Erin's Own, depending on results from the matches listed for this weekend. Abbeyside play Erin's Own on tonight, Wednesday and if the village team wins, they are safely into the K/O stages, but will still have to play St. Saviours.

If Abbeyside are beaten and Stradbally defeat Ballyduff, as expected then we will have three teams on level points, but with Abbeyside having a game in hand.

FOOTBALL SELECTORS

Coisde Na Peil are currently in the process of organising the selection of members who will act as county selectors for the coming year.

Selectors in both senior and under 21 will be chosen and recommended to the County Board for ratification. Every club in the county has been circulated and invited to nominate members whom they consider suitable to

hold positions on these committees. Clubs have also been asked to put forward their ideas, in relation to coaching, etc. The Coisde na Peil will meet later in the month to assimilate the response from the clubs.

G.A.A. NOTES

U-21 Hurlers Lost To Cork

I felt reasonably satisfied that if this game had been played at a Waterford venue, that we could have beaten Cork. In fact when the scoring gap was down to just a couple of points and Waterford hurling very well in the second half, many of us expected that an upset was possible.

Throughout the hour we had more possession of the ball and for a long period we had the pull at centre-field which gave us an

ample amount of attacking play to win the match, but our inability to make full use of very many scoring chances, cost us the game.

Overall it was a very good performance and many of our players were as good as Cork's best. From my point of view

this game showed that we have talent as good as the best and in spite of everything, there is hope for Waterford hurling.

OTHER RESULTS

JUNIOR HURLING CHAMPIONSHIP

Clashmore 1-10
Ballinameela 2-7

A point from a free in the final minute by Michael Shalloe enabled the teams to finish level at the end of an exciting and well contested game at Cappoquin. Ballinameela had goals by Gerard O'Brien in the first half and by Brendan Fitzgerald in the second half. Half-time score was 1-6 to 0-5 in favour of Ballinameela.

Clashmore — Liam O'Donnell, Jack O'Halloran, Jimmy O'Rourke, Moss Devine, Ger Ryan, John

Douris, Timmy O'Keefe, Roger Hynes, Conor O'Riordan, Mark Coughlan, Donal Fitzgerald, Michael Shalloe, Seamus McGrath, Gabriel Hynes, Mark Fenton. Subs. — Vinnie O'Rourke for D. Fitzgerald; Johnny Power for S. McGrath; David Salmon for G. Ryan.

Ballinameela — James Maher, John Barron, J. J. O'Brien, Jim Power, Conor Culoo, Michael O'Donnell, Declan Galvin, Gerard O'Brien (1-0), William Buckley, Pdraig McCarthy, Jimmy O'Brien, Joseph Power, Brendan Fitzgerald (1-0), Jerome O'Brien, Johnny McGrath. Subs. — John Tobin for B. Fitzgerald; Willie O'Brien for John Tobin.

Referee — J. M. Kelly.

J.H.C.

Tourin 2-10
Melleray 1-9

A tight and closely contested game with John McGrath's two goals being decisive for the winners. Tom Fives scored most of the Tourin points. Jimmy Power was outstanding for Melleray who are now being trained by Jim Landers, who was present at the game.

Ref. Eddie O'Shea.

J.H.C.

Ballysaggart 3-4
Kilgobinet 1-7

At half time Ballysaggart led by 3-1 to 0-4 thanks to goals from Pat Bennett (2) and Liam Ryan. Kilgobinet came more into the game

in the second half but despite a Marty Kiely goal they failed to make up the leeway. James Bennett and Fergal Meagher played well for Saggart and minor star John Byrne was a sound centre back for Kilgobinet.

Ref. — Jim Joe Landers.

M.H.C.

Lismore 5-6
Dungarvan 2-4

This was the only game played in the "A" minor hurling championship and it resulted in a good win for Lismore. Dungarvan were not at full strength and can likely qualify to play Lismore again. The standard was disappointing.

Carthage Barry, Brendan Prendergast, Brendan Lawton, Sean Prendergast, Paul Prendergast, Donal Landers, Sean Daly, Michael O'Sullivan. Subs. Kieran O'Gorman for Martin O'Brien (injured), Dan Geoghegan for Sean Daly.

Fourmilewater — Sean Guiry, Ronan Ryan, Tom Walsh, Patrick Ryan, Ian Walsh, Richard Guiry, Owen Wall, Kevin Mulcahy, Pat "Big" Walsh, Ger Walsh, Pat "Little" Walsh, Richard O'Keefe, P. J. Mulcahy, Michael Guiry, Brian Fahey. Subs. Michael Carey for Brian Fahey.

Lismore Overcome Strong Challenge

LISMORE 3-12 FOURMILEWATER 1-8

With a half time score of 1-8 to 1-4, Lismore know how difficult it was going to be to win this one and even though they had ten points to spare at the end, Fourmile' gave them quite a challenge.

Within a minute of the start, full-forward Michael Guiry had a goal for Fourmile'. From the puck-out Paul Prendergast pointed from play. Points by P. J. Mulcahy and Sean Daly

followed before minor scores by Paul Prendergast and Brendan Lawton had them level in the 14th min. Following a pass from Lawton, Donal Landers sent to the net to give Lismore a lead for the first time, in the 15th min. Points by Sean Daly (free), Brendan and Paul Prendergast made the score 1-7 to 1-1 in the 20th min. before Kevin Mulcahy came back with 2 well taken scores minutes before Sean Daly and Ml. Guiry exchanged scores to leave it 1-8 to 1-4 after 30 mins. A different complexion was put on the game when Billy Lee had a goal in the 33rd min. just after colleague Donal Landers had a good point from play. It was after this stage that Lismore asserted themselves. Landers had another minor and Kevin Mulcahy took one back for Fourmile'. Paul Prendergast pointed another before Michael O'Sullivan's 42nd min. goal more or less sealed the issue as far as Lismore were concerned. Michael Guiry had a couple of points and Ger Walsh the final point for the losers, while Sean Prendergast tapped over the last score for the win-

ners in the 53rd min. This win made Lismore safe for a semi-final place and the losers here have no reason for being too displeased with their display.

Lismore — Declan Landers, Mark O'Sullivan, David Barry, John J. Duggan, Brendan Crowley, Billy Lee, Martin O'Brien,

Senior Hurling Semi-Finals

Group A which has six teams, have not yet completed their series of matches, but the die is cast as far as four of the six are concerned as right now Lismore and Roanmore with only one game left to play are already qualified. It is now only a matter of which team goes on top of the table and which takes second place. Passage, Fourmilewater, Dunhill and Portlaw are goners. Portlaw will possibly find themselves in a relegation battle as they are pointless after four matches.

Group B with seven

times, has not reached a conclusion as to who will go forward to the semi-final stage, but we are able to discount Clonea, Dungarvan and possibly De La Salle.

Tallow having to play Ballyduff and Mount Sion, face their stiffest games so far (maybe), while Mount Sion are lying second and are also unbeaten, will have Tallow and Dungarvan to meet, so at this stage it looks very much like a three-team battle for the two places between Tallow, Mount Sion and Ballygunner.

Sympathy

The unexpected death of Thomas Kiely, Limerick and of Pinewood, Abbeyside on Thursday last aroused widespread sympathy throughout the area and his family and huge circle of friends were shocked at the sad news.

Thomas, like all his brothers wore the colours of Abbeyside/Ballinacourty with distinction and he was many times mentioned as one of Abbeyside's best scorers in hurling at underage level.

A guard of honour was provided at his funeral on Sunday and the coffin was draped with the club colours.

To his wife, Bridget, and to his father, Jack, who was a long time officer in the club, his mother Alice and all the family, we extend our very sincere sympathy. May he rest in peace.

Mattie Hogan R.I.P.

Mattie from Clonea was a long time supporter of all teams which fielded in the parish colours and his family were also involved. His son Matthew, is and has been for many years an officer of the club and held many positions on the club committee over the years.

To Matthew and all the Hogan family we extend our sincere sympathy. May he rest in peace.

Two Munster Finals

As far as I recall, we have never before had both provincial senior finals played on the same day and at different venues.

The decision to change the hurling replay from Saturday to Sunday was taken by the Munster Council at a special meeting on Thursday last in Thurles. The Tall Ships and the amount of excitement they will generate around Cork up to and including Saturday, was the chief reason given by Cork in support of their request for the change.

Anyway it now means that the football and hurling finals will both go ahead, one at Killarney and the other at Thurles on Sunday and both are certain to take from each other, and the many patrons who would like to see both, will be disappointed.

Limerick County Board are very critical of the change and they have stated that because of it, the football final against Kerry, is being downgraded and will now pass off as an unglamorous event with the whole affair being completely overshadowed by the hurling.

TICKETS

There is no problem in getting tickets for the football final, but the hurling tickets are in great demand and even though we got an increased allocation, there will still be disappointments. With a number of our clubs deciding to play their championships on Sunday, regardless of what goes on at Thurles or Killarney, it may slightly ease the demand, but you may still have a problem in getting one or two.

HANDBALL NEWS

Munster Silver Masters Championship At Clonmel

WATERFORD v. TIPPERARY

Our Munster champion, M. Butler, gave a great exhibition of handball when he beat Clonmel's and Tipp.'s representative J. Slattery by two games to nil and to do it so impressively in his own alley was just brilliant, and augurs well for him to retain his Munster title and go on and win his second All-Ireland as he was only narrowly beaten last year.

This is the first win for our handballers this year, but we have a few championship games to play yet.

New Traffic Warden

comfort," she said.

LIKE A TORNADO

The Chairman, Cllr. M. O'Riordan agreed and said that the new traffic warden was like a tornado that hit the town last week and no one had escaped. "I think that he should be more lenient and compassionate in dealing with people," said Cllr. O'Riordan who added that when he came to town that evening he found the two car parks choc-a-bloc and failed to find a parking place anywhere in the town.

Cllr. B. Kyne said that he would like them to develop the point about concentrating on litter. "We should get more involved in this and I believe if we are to resolve the problem a penalty element will be necessary," he said.

Cllr. P. Power then cited the case of two girls who parked their cars at the

Square at the same time last week. Both went away and each returned after about 15 minutes. One found a parking docket on her car but there was none on the other. "Do the two wardens that we now have work in different areas or do they cover the same areas?" he asked.

The Town Clerk, Mr. B. White said that both operated over the same areas.

Cllr. R. Walsh said that he also had received numerous complaints since the new warden was appointed. "I think," he said, "it would be more in our line to use him as a litter warden as there are few enough visitors which he can hunt out apart from crucifying the local people who park around the town."

The Town Clerk said that they would look into the matter in the light of the complaints made.
