In the course of a most comprehensive report submitted to members of Waterford Co. Council at their monthly meeting held in Dungarvan last Monday, the County Manager, Mr. Dan Hurley detailed plans to develop Lismore, which earlier this year was designated by Bord Failte as a National Heritage Town, as a major tourism and heritage centre within the county.

The project envisages an investment in the region of £300,000 and a company to be called Lismore Experience Ltd. has been set up to produce, project and manage the operation. Bord Failte has indicated that they will grant-aid the project up to a maximum grant of 50 per cent and Mr. Hurley recommended that the County Council should take up 20% of the equity at an approximate cost of £20,000, pointing out that private sector investment

Bollard Creating Obstruction At Ballyquin Strand

Cllr. P. Kenneally complained at the monthly meeting of Waterford Co. Council held in Dungarvan last Monday that a bollard which had been placed at the entrance to Ballyquin Strand, Ardmore, created an obstruction for a number of farmers from the Old Parish and Ardmore sides who always had traditional rights of way on to the strand there.

The County Engineer, Mr. John O'Flynn replied that he was not aware that any right of way existed there but he informed Cllr. Kenneally that he would check the matter out.

Mr. O'Flynn went on to say that the reason for the

bollard was that a prohibition order for the removal of beach material from this area was in force.

Cllr. Kenneally said that this should no longer create a problem as farming systems had changed and beach material was no longer used.

ABANDON THE LAW AND YOU ABANDON GOD

Isaiah was fearless in his preaching, and, even though he realised that his teaching would embroil him in trouble, he trusted in the Lord. It is evident he had to suffer and experience rejection, but he remained faithful to his mission. Such discipleship would not have been possible without help from the Lord, and this he never doubted. His deep trust enabled him to surrender himself completely to God's work.

Isaiah is a model for anyone desiring to follow Christ. Confidently, he accepted his cross knowing that the Lord would support and justify his work. It is with that same confidence that the Christian offers to serve the Lord. It is obvious that the only useless suffering is that which is neither accepted or offered to God. In the Christian book, all other suffering and pain bore faithfully in God's name is redemptive, and so draws one closer to God.

St. James is saying in the second reading that one's life should mirror one's faith. Hence, if one's life is bereft of good deeds, one may assume one's faith is dead. What about ourselves? Is our life inspired and directed by what we believe? It is a teaching of our religion that faith alone is not sufficient for salvation: it must be a loving and an active faith. And James is saying to you: do you practice your faith? We already know from Paul that faith is a gift from God, and, to neglect living it as prescribed, is tantamount to telling God you do not want His gift.

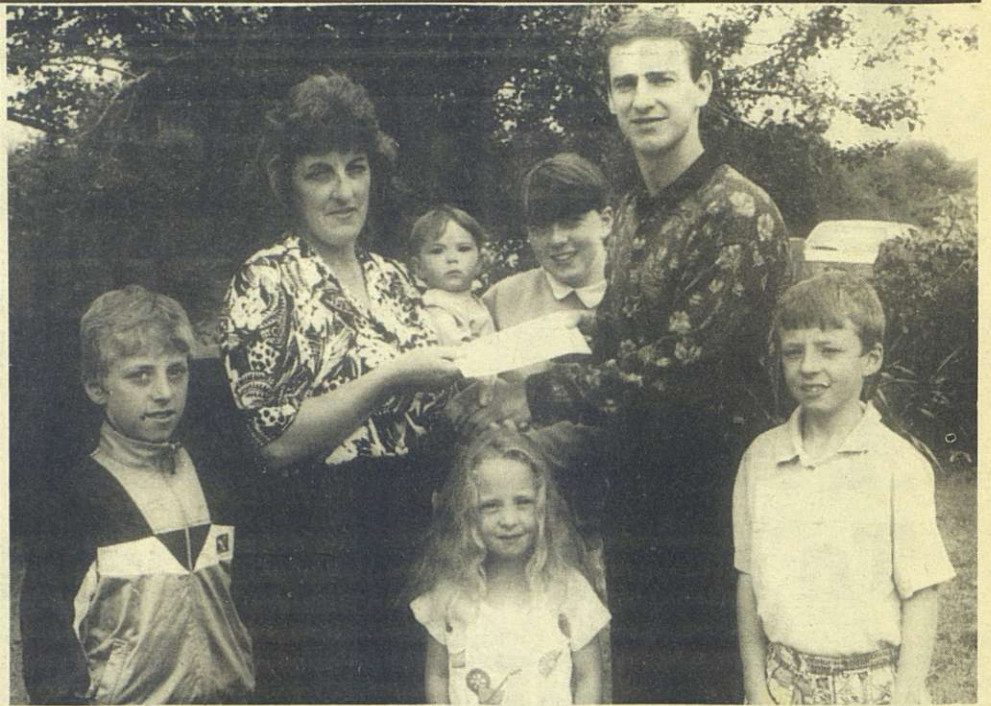

Our own dear country has been sucked into the stream of creating a heaven on earth. Many, who once served the Lord, have been swayed and mesmerised by its glitter and attractions. One is appalled by the way God's Commandments are ignored and cast aside. Pick any of the Ten Commandments, and you'll find the "golden calf" is receiving more attention! Our age, undoubtedly influenced by man's great achievements and the wealth and the power they have produced, show a marked change in man's relations with God. Indeed, man in his quest for glory has reached unprecedented heights, but along the way he has forgotten the whole purpose of his existence. It is the old story. Man is never satisfied. The successful man does not need God! You see, God has a habit of getting in the way, and so the easiest solution is to give Him a back seat. The outcome is inevitable. Man is bewitched by his false idols. And, there is no place for God in his life. But, what of you? Like Isaiah, are you holding fast to the truths of your religion? I feel that many, many souls have been and

are being influenced by the new hedonism, and will never reach their eternal reward. Human nature is very frail, and unless God is with us as we walk through the valley of tears, we'll fall by the wayside. Then, we'll have an eternity to lament over our foolishness.

THE GATEWAY TO LIFE ETERNAL

We've been talking about the human situation in which the world is gripped, but no matter what success one may achieve, one is eventually and inevitably confronted with suffering and death. Mark in next Sunday's Gospel draws attention to the fact that the Messiah must suffer and die, and in doing so, he emphasises that it is only through Christ's Passion that man is able to find the fulfilment he longs for. Jesus by dying for us extracted the thorn from suffering and death. Death which heralded man's dissolution is now, through Christ having sanctified it, the gateway to life eternal. It is a great consolation and a great privilege to be allowed to offer and join our sufferings with Christ's Passion and thereby share in the victory of Calvary.

Following the confession of St. Peter, when the veil is lifted for the disciples, the Lord asks them to keep His identity secret, but He is very definite that any true follower of His, must be prepared to accept his cross, and follow Him. Christ gave meaning and purpose to all human suffering. Suffering is one of the legacies of sin, so we can feel grateful that now we're able to express our love of God through the very trials that marked our downfall. Mysterious it may be, but it is wonderful to be able to love and to serve God in this way. What a trial it must be for those who are weighed down with trials and sorrows, and have no Simon of Cyrene to help them! Whereas, we have the joy of being able to walk with Jesus as we carry our cross. Remember, two thieves as well as Jesus carried their crosses to Calvary: both of them felt the pain and the burden. One of them offered his sufferings to God, and gained eternal life. The other one could have done likewise, but he chose differently.

KNOW YOUR RIGHTS

Question — My son broke his wrist on holidays. Is he entitled to cancel his holidays and take them later in the year? How does he stand regarding Social Welfare?

Answer — Yes! Under the Holidays (Employees) Act 1973 your son can cancel his holidays by sending medical evidence to his employer that he is ill.

Under Social Welfare laws, Disability Benefit may not be claimed for periods of paid holiday leave. However, as your son will in effect be cancelling his holidays, there should be no bar on his claiming Disability Benefit.

cluding mainly Local Government Reform and the future role of Urban Councils and Town Commissioners which the reform envisages.

The conference agenda items will all be discussed at the Conference Centre at Lawlor's Hotel, with social activities to take place at Clonea Strand Hotel (on Tuesday night) and the Park Hotel where the Conference Dinner with Guest of Honour Environment Minister, Padraig Flynn, T.D. will take place on Wednesday

night.

ORGANISING COMMITTEE

A sub-committee of members of Dungarvan Urban Council have been hard at work for almost the past year making arrangements for the conference and arranging the social programme with tours, golf outings and leisure activities to ensure that apart from the working sessions, the conference will prove an enjoyable time for both delegates and their wives and friends.

Town Clerk Bertie White and his assistant Ray Moloney have left no stone unturned to ensure the success and enjoyment of the conference and they have informed us that they found the greatest co-operation from everyone in their task of organising the conference and the ancillary activities.

We now extend a hearty word of welcome to all the visitors and trust they will enjoy their stay in the capital of Deise Mumhan and its environs next week.

Evening Classes At Waterford Regional Technical College

In the past academic year 2,882 students attended evening classes in W.R.T.C. If you were not included perhaps you should find out what opportunities you missed. You can do this by calling out to the college and collecting their splendid brochure which gives details of all their regular evening classes plus many new and exciting ideas. There are 154 courses listed, many offering qualifications from degree to certificate level. The subject headings in the brochure are accountancy and management, small business skills, computing, quality assurance, science, electrical/electronic engineering, building technology, mechanical engineering, automobile engineering, languages, general interest, health care

and psychology, music and art.

ARE W.R.T.C. EVENING CLASSES SUITABLE FOR YOU?

Each year the college carries out a survey of its part-time students to gather information about their background and their response to the course they are attending. Some of the information from last year's survey may be helpful to those who are wondering if they are too old, too rusty, too tired, too weak academically, too poor, too far away from college or too shy to consider evening classes.

CONCLUSIONS

Evening class participants come in all ages and abilities, many travel long distances and most feel that it is worthwhile spending their time, effort and

money on the classes. You will be welcome to join them this year at W.R.T.C.

If you would like to find out more about the range of courses available you may like to attend the Regional College's open evenings for adult students on Wednesday 11th and Tuesday, September 17th between 7 and 9 p.m. Insofar as possible the tutors on the evening classes will be available and will discuss the programme with you. It is in your own interest to find out all you can before you commit yourself to a course and this is the perfect opportunity to do so. Enrolments will be accepted on these evenings or during office hours in September or you may post them.

Most evening classes in W.R.T.C. start in early October.

In each of the three years, no less than 16,000 of the immigrant visas will be reserved for persons born in one of the 26 counties of the Republic of Ireland, resulting in the availability of at least 48,000 additional immigrant visas for per-

sons born in Ireland over the next three years.

Persons interested in registering for this year's programme should submit applications by mail to the following address: AA-I Program, P.O. Box 60000, Arlington, Virginia 22218-0001, USA. The application period for the first year's immigrant visa programme will be held from 12.01 a.m. Washington

MASS AT ANCIENT CHURCH

One of the largest crowds for many years was present on Thursday evening last, September 5 at the Ancient Church of Knockboy for the annual Mass. The celebrant was Rev. Fr. Martin Keogh, C.C., Nire/Touraneena. One of the oldest people present was Mr. Anthony Power (94), Knock-a-u-n-b-r-a-n-d-a-u-n, Ballymacarbry.

DANGEROUS GABLE

The ancient church at Knockboy has a gable wall which is in urgent need of attention. It is the west gable and it has some stones overhanging just held by some withered bog. We make this appeal through the "Dungarvan Leader" to Waterford County Council or the Board of Works to act immediately before a tragedy takes place there, or many fine grave stones are bro-

ken by these dangerous stones.

VISITORS

Paying a visit to the district after a lapse of forty-two years was John Joseph Murphy formerly of Graignagower, Ballymacarbry. He was accompanied by his wife and family. Also paying a visit to the district are Dan and Ann Marie Desmond, Deerpark, Ballymacarbry, who are now domiciled in New York, while on a holiday to the U.S. are Michael and Lizzie Byrne, Clogheen, Ballymacarbry, Maureen and Bernie Ryan, Curtiswood, Ballymacarbry. We wish them a pleasant holiday.

WEDDING

The beautiful Parish Church at Faha was the scene of a very pretty wedding on Friday, August 23 when Liam, eldest son of Mrs. Berry O'Flynn and the late Tomas O'Flynn, "Castlefarm," Croughclooney, Ballinamult, was united in matrimony to Nora, daughter of Mr. and Mrs. Edmund Walsh, Currahaha, Kilmactomas.

The marriage ceremony with Nuptial Mass and Papal Blessing was solemnised by Rev. Fr. Michael Walsh, C.C., Stradbally, Ballylaneen and Faha assisted by Very Rev. Fr. M. J. Ryan, P.P., Stradbally, Ballylaneen and Faha and Rev. Fr. Con Kelleher, C.C., Fourmilewater and Newcastle.

The bride was attended by her sisters Carmel and Kathleen as bridesmaids while the bestman was Padraig O'Flynn, brother of the groom. Another brother, Diarmuid O'Flynn, was groomsmen and the pageboy, Eanna O'Flynn was also brother of the groom. The reception took place at

Clonea Strand Hotel after which the happy couple left on their honeymoon which is being spent in Paris. We wish the newly weds a life of unclouded happiness and prosperity in the years that lie ahead.

LATE MR. PATRICK KENNEDY

It is with deep regret we record the death of Mr. Patrick Kennedy, Pine Grove, Kilmacomma, Clonmel, which sad event took place at his residence on Saturday, September 1.

Deceased, a native of Kilkennaule, Co. Tipperary, was a member of an old established and respected family. A person who made friends with consummate ease by virtue of his out-going sincere nature, his courtesy and great depth of human kindness marked him out as a true Christian and an excellent neighbour whose demise is deeply and justifiably mourned as was evidenced at the removal of his remains on Monday evening from O'Donoghue's Funeral Home, Clonmel to St. Mary's Parish Church, Irishtown. On Tuesday, Requiem Mass was offered for the repose of his soul after which the funeral took place to St. Patrick's Cemetery where interment took place. To his wife and family we extend our sympathy.

Abbeyside Scout Notes

The report of last Saturday night's troop meeting, as you will see this week, is in Irish written by scout Michael Fives, who, having done such a good job on an article for this year's camp log, was given a second bite of the cherry.

Kearney, West Street, Tallow for change of use of Archway to Fish and Chip Shop at 2, Main Street, Tallow was refused on the grounds that it would not be possible to establish adequate facilities for the accommodation of customers, the proper storage and preparation of food and proper hygiene facilities on the premises, having regard to the size and location of the proposed development.

Dwellings At Ardmore — Application by Mr. P. R. Elwood, Douglas, Cork for the development of a building site at Dysert, Ardmore was refused on the grounds that it would not conform to the required standards in respect of sewage disposal.

Application by Mr. D. Kelly, for a dwelling at Ardginna, Ardmore was refused on the grounds that it would be contrary of the Zoning Objectives and be seriously injurious to the visual amenity of the area.

Fish Store — Application of Ms. C. Ui Aodha, Helvick, Ring for change of use of part of garage to fish filleting workshop/store at Helvick was refused as the area is zoned in the County Development Plan as primarily residential and the type of development proposed would be adverse to residential development in the immediate vicinity. A further reason stated that the present drainage system from the premises was inadequate to deal with the kind of effluent which would emanate from such a development and it would therefore be prejudicial to public health.

Dwellings — Application by Mr. L. Buck, Glen, Clonea, Dungarvan for dwelling at Deelish, Dungarvan was refused as development on the proposed site would become an obtrusive element on the landscape.

Application by Mr. J. Dwyer, Kilmanahan, Clonmel for dwelling and garage at Russellstown, Kilmanahan was refused for the same reason as the area is designated as one of high visual amenity.

Pictured at the presentation of prizes on President's Day at Lismore Golf Club were Mrs. M. Arrigan, Mr. F. Corcoran (winner) and Mr. B. Arrigan, President. (O Lonain)

Traffic Problems In Cappoquin

Cllr. O. Wilkinson referred to the ongoing problem of traffic and parking control at Lower Main St., Cappoquin at the monthly meeting of Waterford Co. Council last Monday and said that following the last meeting of the Council certain proposals were made. "However," said Chr. Wilkinson, "while we may have corrected one problem we have created another."

He said that in restricting parking in the area it meant that parking spaces would have to be provided elsewhere. He asked the County Engineer to look into the matter by providing an alternative parking place in the town.

Cllr. Nora Flynn support-

ed the point made by Cllr. Wilkinson and said that a deputation had come to her about the problem. "A long hard look will have to be taken at the position," she said.

Mr. John O'Flynn, Co. Engineer agreed to look into the matter.

RECENT DEATHS

Mrs. Frances O'Donnell (nee Daly)

The passing of Mrs. Frances O'Donnell, Friary Street, Dungarvan on Wednesday, August 28, after a short duration of illness at Waterford Regional Hospital, removes from our midst one of the town's best known and most popular inhabitants.

Predeceased by her husband Patrick (Pats) in 1954, Frances was a native of the Old Boro' and was aged 84 years. A deeply religious woman, she assisted the Missions in every possible way.

For many years she ran a most successful pub-grocery and travel agency on the Square. Indeed she often relayed her experiences in the travel business when everybody travelled by sea. Just over 10 years ago she retired from active business life but yet kept very much abreast of happenings on the local scene.

We offer our condolences to daughter Mary, son-in-law Keith, grandchild Eoin, sister Rita, nephews Michael Nelligan, Switzerland, Frank Nelligan, Germany, Walter and Bernard Wall, U.S.A.

Removal took place on Thursday evening from the Kiely Funeral Home to St. Mary's Parish Church where her coffin was blessed and received by Rev. Fr. C. Kelly, C.C., assisted by Rev. P. Daly, O.S.A. (cousin), Rev. J. Hickey, O.S.A., Very Rev. J. Boyle, P.P. and Rev. J. Hooper, O.S.A.

Concelebrated Mass was offered for the happy repose of her soul on Friday after which the interment took place in the adjoining cemetery. Fr. Daly was chief Mass celebrant, assisted by co-celebrants Rev. J. Kiely, C.C., Rev. J. Hooper, O.S.A., Rev. J. Hickey, O.S.A., Rev. E. Cullinan, St. John's College, Rev. P. Ahearne, C.C., Abbeyside. Also in attendance were Rev. D. Treacy, O.S.A. and Very Rev. M. Brennock, O.S.A. A large concourse of mourners were present for the funeral obsequies.

Mrs. Helena (Lena) Bell

We record with sincere regret the death of Mrs. Helena (Lena) Bell, 38, Mary Street, Dungarvan, which occurred on Sunday, September 1, at Waterford Regional Hospital following a brief illness. A true Christian lady, Mrs. Bell was very good to the needy. She was involved in the St. Vincent de Paul Society and was a member of the Committee of Our Lady's Grotto, Youghal Road. A Minister of the Eucharist, she also used to arrange flowers on the altar in St. Mary's Parish Church. She had great devotion to Our Lady and was a regular pilgrim to Lourdes.

The late Mrs. Bell was a sincere friend and her passing has been the cause of much sorrow to her huge circle of friends and more especially to her sons, daughters and relatives to whom we extend deep sympathy.

Removal was from Waterford Regional Hospital on Monday evening to St. Mary's Parish Church where the remains were received and blessed on arrival by Fr. Kelly, C.C., assisted by Fr. Kiely, C.C., Fr. Power, P.P., Fr. Ryan, O.S.A., Fr. Hickey, O.S.A., Fr. Hooper, O.S.A., Fr. Meehan, C.C. and Fr. Cullinan, C.C.

Concelebrated Requiem Mass was celebrated on Tuesday morning by Fr. Cullinan, assisted by Fr. Hickey, Fr. Kelly, Fr. Power, Fr. Mulcahy, Knockanore (also present was Fr. Carey, P.P. and Fr. Tracy, O.S.A.) The Lessons were read by her son Ambrose, grandchild Teresa and Offertory Gifts were borne by Thomas Treacy and Nicholas Bell (grandchildren). Guards of honour were provided by the Vincent de Paul and Widows Association. Burial took place immediately afterwards in the adjoining cemetery.

The chief mourners were — Ambrose and Nicholas (sons), Mary and Gabrielle (daughters), brothers, sisters, sons-in-law, daughter-in-law, grandchildren, relatives and friends.

(Funeral arrangements were by Tom Drohan, Dungarvan.)

CAPPOQUIN NEWS

President Mary Robinson will visit the Boathouse on Tuesday next, September 17 at 12.15 p.m. approx. She will make a presentation to Milo and Pat Murray, senior pairs champions of Ireland and she will also christen a new boat, dedicated to the memory of the late Rowing Club President, Paddy McGrath.

FISHING

The local angling club have made great strides in recent times to make fishing more comfortable for their members and visitors alike. Great amounts of scrub have been removed from the river bank, also the access steps have been repaired and where necessary replaced. We have always held the belief that angling is our main attraction for tourists, and it is heartening to see the club are working along the right lines. Having talked to many visiting fishermen we are assured the Blackwater is as good for their favourite sport as any other water in the country. Every support should be given to the club to continue with this valuable work. The better the facilities, the greater will be the enjoyment of those who use them.

AT THE SPORTSFIELD

The replay of the junior football championship game between Modeligo and Old Parish took place on Saturday evening last. Conditions were ideal and a fairly good crowd turned up. Not having seen the drawn game we were of the opinion that Old Parish (on the basis of their display on

their last visit) might have a slight edge, wrong again, as it was Modeligo who made all the running this time. Johnny Byrne and Shane Denn "lorded" midfield thus ensuring a good supply for their forwards where Eamonn Lonergan was causing all sorts of problems for the opposing backs. Eamon is a big man and very difficult to handle. He scored a nice goal when he "out punched" the keeper in the first half and had a very good point from a difficult angle in the second. Centre-back Pat Troy rarely plays a bad game and continued his reliable form on Saturday evening. He was flanked by the Barron brothers Jim and Billy, who were both soundness personified.

There was very little indeed for the losers inside forwards to pick up. Modeligo mentors must have been pleased with this display, certainly their best to date.

They now go forward to meet Melleray in the quarter final and must be considered favourites to reach the semi's at least.

Final score — Modeligo 1-10 Old Parish 0-9.

Referee — J. M. Kelly (Shamrocks).

Sunday's programme at the Sportsfield will be reported extensively in this paper. A crowd in excess of 2,000 turned up. The town was packed from lunchtime on and indeed some of the supporters were still there up to late evening. It's not very often that the venue hosts a crowd of this size but as it happened there was plenty room for everybody to see the game in comfort. The hurling purists locally weren't overly impressed with the standard of play in the senior game. It is a fact of life that players suffer from tension on these occasions due mainly to the pre-match hype and often do not play to their full potential. The marking was very close, the day was very warm and nobody was prepared to give an inch which all added up to the ball not moving as fluently as it should. There could be no doubting though the commitment of these two great clubs, who have graced the Sportsfield with distinction many, many times over the years. Sunday's result was a draw which in all the circumstances was probably the fairest. Those who came will not wish to miss the replay, because apart altogether from the standard of hurling, there is the great club rivalry which their supporters always relish. This is the stuff that makes hurling, this is the stuff that draws the crowd. Hurling in West Waterford has always been like that and long may it continue to do so.

CAPPOQUIN SOCCER CLUB NOTES

Tavern Cup — Affane 0 Inch 4 — Inch pulled off a bit of a surprise to get themselves into the semi-finals. By the scoreline you would think that Inch had things all their own way, but Affane hit the post twice from penalty kicks and lost one player when he was sent off midway through the second half.

Semi-Finals — Glenview 1 Bride View 1 (Bride View won 3-2 on penalties) — This was one of the better games in the tournament with both teams committed to fast flowing football. Glenview scored against the run of play early in the first half and should have added to the score but bad finishing in front of goal cost them. Bride View levelled five minutes into the second half and forced a fine save from Pat Casey in the Glenview goal soon after. The game finished all square and had to be decided by penalties. Glenview missed two and had one saved to Bride View's one miss.

Cappoquin "A" 2 Inch 0 — In the other semi-final our "A" side had to overcome a determined Inch team to get a place in the final. Garry Morrissey fired Cappoquin into an early lead with a good strike from inside the box. Donna Cummins added the second late in the second half. With some regulars missing and most of the team still feeling the effects of Gossie Mason's wedding the day before, this wasn't a bad display.

The final now looks as if it will be on Friday evening at 6 p.m. sharp.

CAPPOQUIN/AFFANE G.A.A. NOTES

Big Crowd — The local venue housed a very big crowd for last Sunday's county semi-final between Lismore and Tallow. The match ended in a draw. Everyone present, players and supporters alike were loud in their praise of our excellent facilities. There is no doubt that Cappoquin should be the venue once again for the replay.

Non-Stop Draw — Members are presently canvassing the area for support for our non-stop draw which begins on September 20. The club has incurred enormous expenses those past few years in a concentrated effort on providing further playing facilities on the lower part of our property. Drainage, banking, leveling and seeding has now been completed and all the effort now looks worthwhile and will be there for the youth of the area for evermore.

So now our latest fundraising venture should alleviate some of this expense with the proper support from the public. The

prize money each week is attractive so somebody will score handsomely each week.

We appeal to all our promoters to canvass the locality thoroughly to garner as much support as possible for the draw.

Sports Table Quiz — It should be a very enjoyable nights entertainment at the Boathouse on Monday night, September 23, when our club will host a sports table quiz. Table Quiz has become increasingly popular those past few years, so we feel confident that the majority of clubs in West Waterford will compete.

Under-21 Football — It is now certain our Under-21 footballers will be in action on this Saturday. The lads have done very well in reaching the Western final, beating some very good sides en route. However, too many players have missed training in preparation for this important fixture. It is a sad fact, but this has been the case for the majority of our teams this year and something I hope will be rectified next year. What has been done cannot be undone and while the team has not had the ideal preparation they possess skill in abundance and a lot will depend on the attitude they adopt on the day. We wish the lads the best of luck.

Thanks — The club would like to express its thanks to some people who helped out at the field last Sunday, especially the local Gardai, who helped in every way with the smooth movement of people and passing traffic, also the County Board officers present as well as the gate-men, who came from other clubs. Go raibh maith agaibh go leir.

PENSMAN Takes You Behind The SPOTLIGHT

A WELCOME ECONOMIC STIR IN WEST WATERFORD

For years the economic situation in West Waterford has been stagnating and gradually worsening with the closure of the few small industries which were still providing some small modicum of employment in towns like Lismore and Tallow.

Last week came the first little glint of silver to brighten the everlasting dark cloud of unemployment in the area with the announcement that a Dutch Company was to start a new industry in Tallow with the prospect of creating 40 jobs within three years and the possibility of another 20 within two further years.

This week brings more good news with the announcement by our energetic County Manager, Mr. Dan Hurley at last Monday's meeting of Waterford County Council that he had succeeded in obtaining approval from Bord Failte for a grant aid scheme of 50% towards the cost of a major project estimated to be in the region of £300,000 to develop Lismore which has been designated as a Heritage Town (details of the project are set out elsewhere in this issue).

Mr. Hurley in the course of a full and most comprehensive report on the Lismore project has informed members of the County Council that Tourism commentators worldwide are forecasting that by the year 2000, tourism will be the largest single industry in the world. He pointed out that in 1990 Ireland earned over £1 Billion from tourism and the South East Region of which Waterford County and City is part earned £105 million with the County and City earning £50 million of that. He expects the new development of Lismore as a Her-

itage Town to play a major role in attracting additional visitors to the county in the years ahead.

The County Manager points out that Lismore by virtue of its geographical location will attract support from the entire surrounding hinterland with a combined population of some 400,000. His report states: "West Waterford currently attracts large visitor numbers to places such as Mount Melleray Abbey and Grotto, Lismore Castle and Gardens, Blackwater Valley and The Towers. In addition, a large percentage of visitors from the Ferries at Rosslare choose the N72 route to take them to Kerry and Killarney. A well sign-posted Heritage Town at Lismore would also attract support from this sector."

All this must surely be most heartening news for the people of West Waterford over the past fortnight and it is indeed a most welcome change from the doom and gloom which has shrouded the entire area for far too long.

ROBERT BOYLE, FATHER OF CHEMISTRY

Dignitaries of Church and State will foregather in the Cathedral Town of Lismore on Tuesday next to honour the memory of Robert Boyle who has very properly been described as the Father of Chemistry. The ceremony will mark the beginning of the West Water-

ford Heritage Week, the official opening of which will be performed by Her Excellency, Mary Robinson, President of Ireland in Lismore Public Library at 2 p.m.

As County Librarian Donal Brady who has been the principal organiser of the programme for the historic occasion points out, the coincidence of the designation of Lismore as a Heritage Town and the tercentenary of the death of Robert Boyle has highlighted the cultural wealth of West Waterford and this first West Waterford Heritage Week has been organised as a contribution to the promotion of that heritage.

BORN IN LISMORE CASTLE

To give readers an insight into the life of Robert Boyle it is worthy of note that he was born in Lismore Castle on January 25, 1627 and was reared by a local country nurse. He was one of the fourteen children of Richard, the Great Earl of Cork, who had purchased the Lismore Estate from Sir Walter Raleigh.

In 1635 young Robert was sent to Eton College and he subsequently studied on the continent of Europe from 1639 to 1644. During this time his sister Catherine, Lady Ranelagh, introduced him to the poet John Milton and other intellectuals of the age. One of these, Samuel Hartlib, encouraged him in the study of medicine and especially stimulated his interest in experimental work which was subsequently destined to occupy most of his life's activity.

In the following years he became established in Oxford University with a growing reputation in the fields of science and

physics. He conducted experiments in which he demonstrated the physical characteristics of air and showed that air was necessary for combustion, respiration and the transmission of sound.

Boyle also discovered how barometers could be used to measure altitude and was probably the first to use a sealed thermometer in related experiments. But the discovery which enshrined his name for posterity was that which found that at a constant temperature the volume of gas is inversely proportional to the pressure and which all young students who take science as a subject have learned, many to their cost and never forgotten, as Boyle's Law.

Robert Boyle returned to Ireland on several occasions during these years, primarily to restore the family estates which were in steep decline after his father's death but he continued to play a major role in academic and cultural circles. He died on December 30, 1691 at the age of 64 and was buried in the Chancel of St. Martin-in-the-Fields.

The Heritage Week will continue until Monday, September 23 with a full programme which includes lectures, an exhibition by local artists, music recitals, an inter-schools quiz and debate and it will conclude with a festival of baroque music in St. Carthage's Cathedral.

ORMONDE FAMILY REFUTE CLAIM BY PRIEST AUTHOR

A few weeks ago we referred in this column to the publication of a new book on the death of General Michael Collins, "The Dark Secret of Beal na Blath," in which it was suggested by the Author, Fr. Patrick J. Twohig, P.P., Churchtown, Co. Cork, that it could have been Lismore man, the late James (Jimmy) Ormonde, who fired a transverse shot which killed Collins during the ambush at Beal na Blath in West Cork in 1922. James Ormonde, according to the priest historian was one of a group of Waterford men who were returning home after a period of training under General Tom Barry in West Cork and came on the ambush scene as the action was taking place.

We have now received a letter from Mr. John Ormonde from Grange Park,

London and co-signed by Mrs. Teresa (Ormonde) Harrington of Viewmount Park, Waterford in which they refute the suggestion made by Fr. Twohig about their father and describe the assumption made in his book as a travesty of history. Mr. Ormonde's letter states:

"Fr. Twohig wrote to me in 1987 with a brief account that he had spoken to Ed Lane, a cousin of the family. I replied that my father had never made any reference to Beal na Blath to me or any of our family.

"I was therefore astonished and angered that such a conclusion could have been drawn from the unsupported hearsay of an alleged conversation that took place in New York nearly seventy years ago.

"It is however the attempt to validate this piece of gossip with a death bed

confession by my father to my mother of his involvement that I find most contemptible. This is simply a lie. My mother died six years before my father.

"A bias in historians is understandable but they have a duty to be factual. If these extracts from the book have been quoted accurately, then it is little better than "Sun" type journalism with one objective, "be sensational and sell copy."

"As a matter of courtesy and accuracy Fr. Twohig could have informed any of our family of his intention, but he chose not to do so.

"The Rev. Father can still put matters right, and as an Irish member of his church flock, I would expect him to do so, namely an apology in the National Press and the removal of my father's name from the book."

Paddle Your Own Canoe

While going through a few of the books of ballads and songs which we have accumulated down through the years we came across "Paddle Your Own Canoe" in one of them and while we have no air for it, the words of it struck us as containing a good deal of sensible advice. To be able to paddle your own canoe is always a very good thing so for that reason we make "Paddle Your Own Canoe" our song choice for this week.

I've travelled about a bit in my time,
And of troubles I've seen a few,
But I found it better in ev'ry clime
To paddle my own canoe.
My wants are small, I care not at all
If my debts are paid when due;
I drive away strife in the ocean of life
While I paddle my own canoe.

Chorus:
Then love your neighbour as yourself
As the world you go travelling through,
And never sit down with a tear or a frown,
But paddle your own canoe.

I have no wife to bother my life
No lover to prove untrue,
But the whole day long, with a laugh and a song,
I paddle my own canoe.
I rise with the lark and from daylight till dark
I do what I want to do;
I'm careless of wealth, if I've only the health
To paddle my own canoe.

It's all very well to depend on a friend,
That is if you've proved him true;
But you'll find it better by far in the end
To paddle your own canoe.
To "borrow" is dearer by far than to "buy,"
A maxim though old still true;
You never will sigh if you only will try
To paddle your own canoe.

If a hurricane rise in the mid-day sky
And the sun is lost to view,
Move steadily by with a steadfast eye
And paddle your own canoe.
The daisies that grow in the bright green fields
Are blooming so sweet for you—
So never sit down with a tear or a frown
But paddle your own canoe.

Chorus:
Then love your neighbour as yourself
As the world you go travelling through,
And never sit down with a tear or a frown,
But paddle your own canoe.

REMEMBERING OTHER DAYS

The recent death of Johnny Earley, Boreenatra, Dungarvan recalls the halcyon days of the Finnisk Rovers Football Club as Johnny as a young man in those years of the mid-40s was the mainspring of the club which took its name from the river which flows through the countryside from which the players were recruited — the Finnisk. In the 1946 Junior Football Championship Finnisk Rovers were involved in an epic 3-match contest after 2 draws with Kilgobinet in the Western Final. The matches were played in Whitechurch, Cappoquin and Aglish before Kilgobinet eventually won and went on to contest the County Final in which they were defeated by Newtown at Scrahan. The photo for our "Remembering Other Days" which shows the 1946 Finnisk Rovers team which played in those games in their blue jerseys with white sash was passed to us by Deputy Austin Deasy and it includes: back row (left to right) Jim Hackett, Jimmy "Dawdy" Barron (R.I.P.), Mick Quinn, Frank O'Brien, Eddie Walsh (R.I.P.), Jimmy Flynn, Jim Plant (R.I.P.), Sean "Drug" Walsh (R.I.P.) Front row: Sean Walsh, Roger Barron, Sean O'Shea, Tom O'Shea, Johnny Earley (R.I.P.), Paddy Barron, Fr. Mick Walsh.

KILROSSANTY NOTES

G.A.A.

Minor Football — Our minor footballers had a good win over Clashmore last Wednesday evening in Dungarvan in a play-off game in the championship with the final score being 3-6 to 1-8. Although we got off to a bad start we gradually came more and more into the game and at half-time we led by two points, 2-4 to 1-5.

In the second half Clashmore replied with two early points but the lads began to dominate the match soon after that and with only five minutes remaining we scored a crucial goal which in the end saw us win by four points.

Team — P. Barry, B. Maguire, K. Lonergan (1-0), O. Fennell, J. Crotty, W. Cusack (0-2), M. Kiely, D. Mulhearn, C. Dee (0-1), F. Hogan, N. O'Connor (1-2), B. Lennon (0-1), J. Kiely, P. Veale, K. Cotter (1-0). Subs — D. Kiely, O. Fahy, V. Harney, K. Hogan.

We are due to play Abbey-side in the Western semi-final this week. At the time of going to press the date of the game was still to be fixed but if it goes ahead we hope we will be able to qualify for our fifth successive Western final.

Under-16 Football — Our under-16 footballers had a great win over Tallow in the championship last Saturday afternoon in Tallow on the score of 3-8 to 1-5. Once again the lads played very well and in the end they ran out deserving nine point winners.

COMMITTEE SAYS THANKS

Dear Sir,

The local committee for the Around Ireland Run in aid of Our Lady's Hospital for Sick Children, Crumlin, would sincerely like to thank the local community and surrounding areas for their tremendous support and generosity in their recent fund-raising campaign.

We would like to thank all the clubs who gave us financial support and whose members accompanied Brian Bell on his run into town; to the Dungarvan Brass and Reed Band who made Brian's arrival all the more welcome and to the local media who afforded us such excellent coverage.

A very special thanks to our main sponsors, Waterford Foods Ltd., Dungarvan Crystal Ltd., Park Hotel, Dungarvan and "Failte" Guest House, Youghal Road, Dungarvan.

Finally, a very big thank you to Dungarvan Rugby Club who put their premises at our disposal over the weekend and especially to Kieran O'Connor, to whom we are greatly indebted.

Yours sincerely,
ANTHONY COONEY

DUNGARVAN WAS HER HOME TOWN

Dear Editor,

The "Leader" was exciting to read this week with the Old Parish Helicopter Rescue. The mention of Ballymacart Strand brought back sweet-sad memories. I thought of old Tom Carty. If he saw the helicopter what a yarn he would think up — "A Mar's Landing" for sure. He used to fill my five years old mind with strange happenings in the sky — "Fierce battle up there" whenever the Northern Lights appeared.

I was delighted to see the pictures of the restored Old Bandstand and the clean-up of the Park. I remembered on my last visit to Dungarvan, strolling around the park. It made me so sad to see its decayed look. I know I intended sending you a letter on this when I got home — but the usual happened — "putting off."

My congratulations to all who brought the dear old place back to life. The pictures are super — delightful angles.

To the older Dungarvan folk, that park was a part of their lives — lots of memo-

ries of "Turning Cats Skin" on the Bandstand bars as children and then growing up — the music of the Brass and Reed Band on Sunday nights in the bandstand. Real music from the world's top composers — the melodies still echo.

September Sunday nights were particularly a delight. As dusk fell the music sounded really romantic if heard from a little boat on the nearby waters of the bay. Old Da Keneally would lend us a boat, with his grand-daughter on the oars. That music across the dusky waters was our idea of heaven.

Dungarvan is surely on the "up and up." So many new plans for new buildings, restorations and the like, but it is well that the old places and landmarks that gave the town its special character will live on — with loving care.

With All Best Wishes,
MAI O'HIGGINS.

C.L.C.G. LIOS MOR

Senior Hurling Semi-Final — Our senior hurlers met neighbours Tallow in the second semi-final of the current championship at sun-drenched Cappoquin on Sunday, which drew a capacity crowd to a resplendent Cornerstone venue. In a tit for tat struggle which saw the sides level on no fewer than five

occasions and which was more notable for the closeness of the scores than the quality of the play, Lismore pointed in the closing stages to level the game at the crucial moment and live to fight another day.

The Lismore team was — D. Landers, Mark O'Sullivan, D. Barry, J. J. Duggan, B. Crowley, S. Prendergast, B. Lee, B. Prendergast, Donal Landers, P. Prendergast, Sean Prendergast, C. Barry, K. O'Gorman, S. Daly, B. Lawton. Subs. — Ml. O'Sullivan for C. Barry; B. Ormonde, D. Geoghegan, M. O'Brien, F. Power, P. O'Donnell, E. Power, P. O'Gorman, T. Pratt, K. Ryan.

Referee — Pat Moore.

The replay has been fixed for Sunday, September 22 at 3 p.m., again in Cappoquin.

All-Ireland Football Final Tickets — The draw for tickets takes place on tonight, Wednesday, Sept. 11 at 9 o'clock in the Clubhouse. A reminder that to be eligible for inclusion one must (a) be a paid-up member of the club, (b) be present or be represented at the draw, (c) tickets must be paid for on the night.

Intending participants are requested to regard this notice as official.

Under-16 Hurling County Final — Our U-16 hurlers made the long haul to Walsh Park on Saturday last for the replay of the county final against last year's beaten finalists St. Saviours. It will be recalled that the city team had earned a second tilt at the title (won by Lismore in 1990) when they goaled in "injury time" to draw the first game three weeks previously.

This time around champions, Lismore, got off to a dream start with a goal in the third minute to the delight of a large contingent of supporters. But the joy was short-lived as Saviours hit back with a similar score a minute later before taking the lead by a point in the sixth minute. Lismore hurled well and gave as good as they got but come half time were 2 points in arrears (2-2 to 2-4).

On the resumption they reduced the deficit to a single point but the city boys replied with goals in the 37th and 40th minutes to build up a commanding lead going into the last

quarter. A Lismore goal at this stage signalled a possible resurgence and a further point in the 27th minute left them just a goal behind. But Saviours held fast and tapped over the "insurance" point in the dying moments to take the title by 4-6 to 3-5.

The Lismore team was — B. Landers, O. Troy, S. Clancy, M. O'Connor, P. Barry, J. O'Connor, A. Ormonde, J. Roche, E. Quann, S. Fennessy, B. Ormonde, B. Bennett, D. Shanahan, O. O'Dowd, B. Nugent. Subs. — E. O'Brien for S. Fennessy; M. Kearney, J. Landers, S. Veale, J. O'Gorman, M. Shanahan.

Weekly Draw: Week No. 35 — £50 Mr. Pat Galvin, c/o P. Quinn; £30 Mr. Josh Farrell, New Street; £20 Miss Carmel O'Farrell, Main Street; £15 Mrs. Ger O'Gorman, Glenshask; £10 Miss Bridget Fuller, Ballyanchor; £10 Mr. J. Fitzgerald, New Street; £10 Mr. Pat Troy, New Street. Promoter's Prize — P. Quinn.

The next draw will be held in the Red House on Monday, September 16 at 8 p.m. All are welcome to attend. (Advt.)

West Waterford Notes

MASS DROWNING AVERTED

On Sunday afternoon last a mass drowning was averted at Whiting Bay. The beach was packed to capacity when a freak wave and undercurrent swept a group of swimmers out of their depth and out to sea. The group's cry for help at first went unnoticed by the crowds on the beach but a local strong swimmer Mrs. Cora Beresford managed to swim ashore and raise the alarm.

A human chain with the use of the lifebuoy was formed to reach the swimmers and approximately eleven were carried ashore. Some were distressed, shocked and in need of medical attention; some are presently in hospital. The life-boat from Youghal arrived a short time later but at this stage all had been rescued by the wonderful group of people who organised the rescue operation.

Some of the swimmers, the majority of whom were from Clashmore stated that they felt tired in the water and were unable to swim against the strong forces of the tide. They wish to express their thanks and gratitude to the

numerous people who rescued them, many of whom were strangers.

Whiting Bay was always considered by many as a safe beach but this proves that the sea has no mercy. Thank God the buoyant rescue rings were not vandalised as they played a big part in the rescue as so often they are interfered with by thoughtless people.

SYMPATHY

Our deepest sympathy to Mrs. Lil Hurton and the Geazley family, Coolbagh, Clashmore, on the death of Lil's brother Tom Geazley, Dungarvan and Ring, recently. His funeral took place to Ring and following Requiem Mass, burial took place in the new cemetery in Ring.

A native of Clashmore, Tommy is survived by his son Jon with whom we express our deepest sympathy.

A GOLD MEDAL

We proudly report the victory in Mosney last weekend of one of our athletes, Linda Guilly, Knockanaris, Clashmore. Linda, representing Clashmore/Kinsalebeg Community Games in the All-Ireland finals of athletics in Mosney, won a gold medal under-12. This was a fantastic achievement and we congratulate her.

Yvonne Coughlan, Clashmore, was also representing the club and she also made it to the semi-finals and we congratulate her also.

Both girls and their families had a wonderful weekend.

On the previous weekend Teresa O'Halloran, Shane Maher, Freda Trihy, Michael Cliffe, Eric Trihy, Pdraig Connery and Declan Lenane represented Clashmore in the All-Ireland finals of art and once again Eric Trihy was awarded a special prize for his painting.

All did exceptionally well, congratulations to each and every one to them.

DEBS BALL

On Thursday night last the Loretto Convent, Youghal Debs Ball was held and local Leaving Cert students from last year attended and an enjoyable night was had by all.

ON HOLIDAY

Presently on holiday in Upper Piltown is Mrs. Bride Cogman (nee Curran) and her daughter Monica from England. We wish them an enjoyable stay.

TALLOW HORSE FAIR

For many locals from this area Tallow Horse Fair is a traditional meeting place each year and Tuesday, September 3 was no exception. The fine weather attracted a large attendance and while there was some exceptionally good stock on offer, trade was quiet.

ARDMORE WINNER

Donna Hennessy, Ardmore, grand-daughter of Mrs. Eileen Delaney, Clashmore also won a bronze medal in Mosney in athletics last weekend. She was representing Ardmore. Well done.

Bonmahon Notes

GLORIOUS SUNSHINE

The weather the last few weeks has been pure heaven, but even with the great heat we've had, it must be noticed how quite the beach is with children back at school and so last weekend saw everyone taking advantage of this weather as the beach, although not packed, did have one of its biggest crowds this summer.

ALL-IRELAND FINAL

We wish the Waterford Under-18 ladies football team the best of luck this Saturday as they travel to Clare to take on Connacht champions, Roscommon, in

the All-Ireland final.

ST. MARY'S G.A.A.

Results — Under-12 Football: St. Mary's 7-10 Ballyduff 1-6. Team — Jonathan Keane, Denis Hearn, John Joe Barry, Jason Power, Anthony Kiely, Michael Ahearne, Ger Hayes, Fergus Torpey, Richie Kirwan, Fergal Whelan, Ger Power, Tony Sullivan, J. P. Hubbard, Brian Hannigan, Brian Hennessy. Subs. — Nicky Power, Keith Fitzgerald, Richard Fitzgerald and Michael Tynan (all used).

This match was played last Tuesday week, Sept. 3 and very good performances were given by Michael Ahearne, Denis Hearn, Fergus Torpey, Richie Kirwan, Fergal Whelan and Ger Power. Overall it was an excellent team performance with some brilliant football for this age group. Well done boys.

Minor Football (semi-final) — St. Mary's 2-13 Rathgormac 0-7. Team — Ciaran Veale, Seamus Power, Brian Hayes, John Flynn, Andy Hubbard, Pat Lawlor, Liam Lennon, Kieran Whelan, Pdraig Foran, Donagh Lennon, Eddie Power, Peter Torpey, Seamus Dunphy, Darren Power, Leo Flynn. Subs. — John Veale, Richard Walsh, Mark Kiely, David McNamara, Nick Raher, Anton Lennon.

This game was played last Wednesday, September 4 in Kilmacthomas and overall the team played with total

determination resulting in a comfortable win over a team who had earlier beaten us in the same competition. We are now in the Eastern final and a far greater effort at training will be necessary so let's give it your best shot lads. Brian Hayes, Pat Lawlor, Liam Lennon, Kieran Whelan, Pdraig Foran, Donagh Lennon, Eddie Power and Darren Power turned in some very good displays.

Under-12 Football — St. Mary's 6-4 Sacred Heart 1-1, played last Saturday, September 7 this was another excellent display by our lads and a continuance of this form should see them into the qualifying stages.

Under-16 Football — Last Sunday we played Rathgormac and we suffered a heavy defeat in this fixture, but great credit must be given to this very young team for their efforts.

Fixtures — Next Saturday, Sept. 14 we play Dunhill/Fenor in Kill in the under-12 football, throw-in at 3 p.m.

Congrats — Our congratulations to Warren Power on his selection as goalkeeper for the East U-14 football team who played

the West recently.

K.D.B. NEWS

The major part of our bird release has now been completed with around 400 young pheasants released in the Kill, Dunhill and Bonmahon areas. Arrangements are being finalised for our Clay Pigeon Shoot which takes place on Sat. and Sun., September 28/29 on the land of Mr. Neddy Hayes, Caheruan. We are indebted to Neddy for putting his land at our disposal.

G.A.A. NEWS

Last Monday, September 9 our monthly meeting took place in Hayes Arcade. A number of important issues were discussed. The final arrangements for this year's Hoffmans Lager Variety Pubs Competition were concluded and pubs please note that entries must be received before Monday, September 23. The competition proper will be starting as soon as possible after that date.

Concern was expressed at the poor response to work on the new pitch and a great commitment will have to be given by more members. The draw for the All-Ireland football tickets took place and the lucky recipients were Ted Buckley, John Joe Cleary, David Crowley and Seanie Cleary.

A vote of sympathy was passed to the Collins family on the tragic loss of John.

Another meeting will be arranged for later in the month to finalise the Variety Pubs Competition.

Tidy Towns Adjudication Next Monday

The results of the Bord Failte 1991 Tidy Town Competition will be announced during a reception to take place in the Royal College of Surgeons in Dublin on next Monday evening, September 16.

Without doubt much interest will centre in the results as competition has been extremely keen by all our towns and villages this year and all will be anxious to see how they scored in 1991.

More Memories of Growing Up in West Waterford

THE DAYS OF THE OLD TRAVELLING SHOWS

As there was no television and very little radio during the decade immediately preceding the Second World War, one of the amusements we all eagerly looked forward to was the travelling shows. These came usually in the Summer when they had broken up after the winter performances in the cities and large towns. The better shows came to the small to medium towns, especially if there was a suitable hall.

One such hall was the Regal in Tallow. Performers I well remember there were Anew McMaster and his Company. McMaster put on most of the well-known Shakespearian plays. He was regarded as one of the greats in the leading roles such as Hamlet, Othello (my own favourite), Shylock in the Merchant of Venice and Henry the Fourth. One of his great performances at that time was as the Cardinal in a play called Under the Red Robe.

In his company at that time was a little known actor named Michael Williamson whom I remember playing the scheming Iago in Othello. Michael became better known much later as one of the great international actors of all time — his name: Miceal Mac Liamoir. He was in fact McMaster's brother-in-law.

Another regular visitor to the Regal during those years was Louis D'Alton who put on some of his own plays among them being "Money Does Not Matter" and "Tomorrow Never Comes." He also had in his repertoire a number of Shiels plays such as "The Rugged Path" and "The Summit." One of D'Alton's supporting actresses at that time was his wife Ann who on D'Alton's demise married John Cowley and much later became known in every household in Ireland as Minnie in The Riordans. John Cowley is still acting in both theatre and on films.

Others I remember coming to the Regal were the Kerfoots and the Baileys of whom the well known comedian Harry Bailey was one. There was also variety and great musical hall performances from the Lynton Company who were able to put on six different variety shows on consecutive nights.

FIT-UPS IN TENTS

That was all up in Tallow and suited only those who could travel to town. But for those who were confined to their local locality and who had no transport there were other little known Fit-Ups. One I remember clearly was the Joe Costello Company. They came one year and pitched their tent in Connery's acre

near Moorehill Cross. Those lesser known rural players had to have their own tent as there were very few halls in rural Ireland at that time.

The Costello Company consisted of five people — Joe, his wife and two sons aged 17/18 years and an old actor whose name was never revealed. It was not unusual for them to play double parts and for the sons to play female roles. If one attended every night one could get the impression that there were about ten persons in the company. The plays put on were mostly melodrama. "Murder in the Red Barn," "East Lynn" and "The Talisman" are three that come to mind. They also put on a number of one-act plays supplemented by some variety. They also resorted to one of the oldest tricks in show business — to get the natives to amuse themselves. There was a raffle every night — tickets were sold at 2d each or four for 6d. The prizes were varied but of little value. Anyway the selling of the tickets and the drawing of prizes took about half an hour and that was important.

Then, of course, there were the inevitable competitions. There were singing competitions for men and women on separate nights. We had pipe-smoking, onion eating and pint drinking. I remember the latter very well. There were about ten competitors all lined up on stage with pint glasses in a row before them. One could see some of the competitors smacking their lips in anticipation of a free pint of porter. When the moment came to fill the glasses there was disappointment when Joe proceeded to fill them with water. You could see the look of derision on Jackeen Morrison's face as he lifted the glass to his lips.

The children too were catered for in the competitions. This was announced on a previous night as a "fun game" for the boys. There were about ten of us brought up on stage. We had to strip off all clothes and footwear except the pants. All the clothes were taken off stage where they were tied and knotted together. Indeed some were hidden in

the sleeves of pullovers. Shoes and boots were mispaired and so on. The prize was to go to the boy who was first dressed in his own clothes. Imagine the bedlam when all the clothes were thrown back on stage. Did you ever see three trying to open the same knot? I can tell you that there was many a shirt sleeve torn that night. I know that I did not win the prize, in fact a red pullover I had been wearing disappeared entirely.

All that was simple fun put on without the aid of electricity or sound assistance of any kind. It is unlikely that we will ever see the likes again. — M.M.

Don't let vermin ruin the fruits of your labour

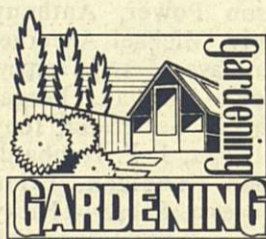

SEPTEMBER is harvest time and strained backs, aches and sprains are all forgotten as you collect the crops.

But don't allow vermin and pests to ruin the fruits of your labour. Store vegetables under cover and enclose them with a wire mesh screen.

One of the favourites in any vegetable patch will always be potatoes and the main harvest will go on into October as the top growth yellows to signify the end of any of the tubers' growth below ground.

Tubers

Lift the tubers in dry conditions and let any underground damp and clinging earth dry for a few hours before storing. Lift every one of them or the missed tubers will become harbours of pests and diseases likely to cause

problems with next year's crop.

Then store the tubers somewhere cool and free from frost, using trays covered with black plastic another shade against light. Jute sacks are an alternative and will allow air to circulate.

Most root crops will also be ready to lift by the end of the month. Clean carrots as you lift them and cut the tops just over a centimetre from the top of the crown.

Then store them in trays of dry peat or sand in dry, cool and frost-free conditions.

More traditional storage for carrots and potatoes is an outdoor clamp — a shallow trench lined with six inches of straw where the vegetables are steeply piled before mounding over with more straw and a similar layer of soil.

A ventilation hole plugged with straw should be left at the top of the clamp.

Remaining beetroot can also be lifted and soil rubbed or washed, ready for storage as with carrots, but many people like to leave them in the ground until needed like parsnips, but they should have straw heaped around them for frost protection.

If you grow leeks and celery you should now be earthing them up in their trenches against the onset of frost.

With the durable brassica family the threat comes more from winds, so support brussels and sprouting broccoli in exposed positions.

Cool or windy weather could also wreck your remaining tomatoes at the eleventh hour so take no chances and harvest them all.

Put green fruit in paper bags in a warm part of the house such as the airing cupboard. Contrary to popular opinion, lining them up on a window sill is useless — they need warmth rather than light to ripen.

Arthur Hines

YOU'D be amazed how many people don't know how to make an authentic French omelette. If you're one of them — here's the secret.

Ingredients:

3 eggs
salt and pepper
3 teaspoons of cold water
15g (½ oz) butter

Method:

Put a 7in pan over a low heat to get thoroughly hot. Break the eggs into a basin, add water and seasonings. Beat lightly with a fork, just enough to break up the

THE REAL FRENCH OMELETTE

eggs. Put butter in pan, turn up heat and when butter is sizzling (but not brown) pour in omelette mixture.

With fork or palette knife (use a wooden spatula for non-stick pans), draw mixture from the sides to the middle of the pan, so allowing the uncooked eggs to cook quickly. Repeat until all runny egg is lightly cooked.

When the top is still slightly runny, fold over

one-third away from the handle of the pan. Place filling of your choice along the centre of the omelette.

Remove from heat. To turn out onto a warm place, hold the handle of the pan with the palm uppermost, shake the omelette to the edge of the pan, and tip pan completely over so making another fold.

Suggested fillings: finely chopped onion; finely grated cheese, tomato and spring onion, chopped and mixed; or asparagus tips pre-cooked in a little butter.

Serves one.

ARDMORE NOTES

WELL DONE

Well done to Donna Hennessy, The Grove, Ardmore, on bringing home the bronze medal in the under-8 race at Mosney last Sunday. Donna was the only local child to qualify to compete in the championships. It seems she may be an up and coming John Treacy! Well done Donna. She is a member of Ring/Old Parish A.C.

EXCITEMENT IN VILLAGE

The Tidy Towns have informed us that Ardmore has been invited to attend the presentation of the "Major Awards" in the Royal College of Surgeons, St. Stephen's Green, Dublin

on Monday, September 16. The committee have done an excellent job, as usual, of making Ardmore into a most attractive sea-side resort.

We wait with bated breath as to the final results on the 16th.

HOAX

Last Tuesday at approximately 4.30 p.m. a 'May Day' was sent out that a boat was 'sinking' off Ardmore Head. The call came from a young woman. The lifeboat and helicopter rushed to the rescue and guards and rocket crew were on stand-by. They spent approximately 2 hours searching — only to find out it was a hoax! At

about £1000 per hour, it was an expensive prank which the tax payers pay for.

A boat which left Dungarvan at approx. 2.30 p.m. with about ten women on board, docked in Ardmore, where one of the women was ill. After the search these ladies were questioned.

Tragedies happen when people act foolishly. Local fishermen were outraged by the prank which must be condemned. John Farrissey spoke to us about it and said that the next time a call went out and if it was treated as a hoax, it could cost a local fisherman his life.

"TUNA" ANYONE!

Three tuna fish were brought in by John Farrissey last Monday. They were the first ever to be landed in Ardmore. Small they may have been (15 lb. in total), but one for the records all the same.

DARTS

The darts are beginning again in earnest so start sharpening the "points." Last Friday the Dunvegan team played a friendly game with Mackey's of Youghal. The crack was good but Dunvegan lost — just a bit rusty after the hot summer — eh lads!

There was a meeting on Tuesday at 9.30 p.m. in the Dunvegan Bar, more on that next week.

Anyone, male or female, who missed the meeting and is interested in the darts club, contact Aidan Lenane, College Road, Ardmore.

ST. DECLAN'S HALL

On behalf of the Hall Committee I wish to thank all who supported the discos all during the summer and to "Studio 88" who provided the music.

Unemployment In County At Critical Level — 1 in 4 Without A Job

When the Chairman, Cllr. W. McDonnell invited the County Manager to make a statement on job creation prospects in the county at the monthly meeting of Waterford County Council held in Dungarvan last Monday, Mr. Hurley said that it was the lack of jobs rather than the creation of jobs they would have to be concerned with.

Pointing out that at the end of July last there were 7,700 on the live register (unemployed) in the city and county (compared with 6,582 last year), the Co. Manager said that this showed the horrific position that 23.4% of the workforce or 1 in 4 were at present unemployed in the county and city.

Mr. Hurley went on to say that he had had meetings with the IDA and other such agencies and a number of prospects had been discussed but the position where unemployment was concerned was absolutely critical in the county at present. While the picture was most depressing to say the least, he said that he would continue to work to see the situation improved and he recommended towards this end that the Government

be asked to include Waterford in the Leader Programme.

Cllr. B. Kyne also had praise for the County Development Officer, Mr. McHugh and the IDA although he referred to the sinister turn in the proposed co-ops merger which he said had been entertained and promoted by the IDA and concerning which people who had been in the industry for the past 25 years now knew nothing.

On the proposal of Cllr. T. Cunningham, the Council unanimously agreed to request the Government to include Waterford in the Leader Programme as recommended by the Co. Manager.

It was also agreed on the proposal of Cllr. O. Wilkinson that the Council

should hold a special meeting with all other job creation bodies to discuss the unemployment situation in West Waterford.

UFA Leader Urges Rejection Of Co-ops Merger

Mr. Paddy Phelan, Ballymacarbry, Acting Leader UFA, issued the following statement to the Press on Monday last:

The proposed amalgamation of Waterford and Avonmore Co-ops should be rejected.

The grandiose schemes which ensure enlarged salaries, fat pensions and golden handshakes for top management rarely improve the lot of the ordinary worker or the small producer.

Small producers were the original founders of the Co-op movement and still form a very strong majority numerically. Very large milk suppliers have been able to use their production clout to gain unfair advantage and it is now time that small quota holders used their numbers clout to get fair play.

The 'big is beautiful' theory has been used to brainwash dairy farmers and the general public that all expansion is good and benefits everybody.

Small milk suppliers have been demoralised out of production and quota allocation has been used to strengthen further very large producers while the weaker are being slowly but surely eliminated.

The professed concern of Co-ops for the small man rings hollow while the unwritten policy of extermination is in operation.

The farmer board members who are supposed to see the co-ops are run fairly for the common good will have to give an account of their stewardship.

'Big is beautiful' has had a good innings, it is time that fair play got a look in.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — R.B.

Will those who think of him today,
A little prayer to Jesus say.
(Always remembered by his loving wife and family.)

FOLEY — First Anniversary — In loving memory of John Foley, St. Patrick's Crescent, Dungarvan, who died September 10, 1990.

September comes with sad regret,
It brings back a day I will never forget,
You closed your eyes without goodbye,
But memories of you will never die.

Will those who think of him today,
A little prayer to Jesus say.
(Sadly missed John — your friend, Tutsey.)

HENLEY — Second Anniversary — In loving memory of our dear son, Peter, Ballinacourty, who died on September 16, 1989.

God must have thought you special,
To take you the way He did,
They say He only takes the best,
And this He surely did.
Look around Your garden, Lord,
For an angel with a smile,
He won't be hard to recognise,
He must stand out a mile.
So put Your arms around him, Lord,
And kiss his smiling face,
For he is very special,
And can never be replaced.
(Love — Mammy, Daddy, Donal and Diarmaid.)

McGRATH — Second Anniversary — In loving memory of my dear Mam, Bridie McGrath, late of Townspark and Ballyin, Lismore, who died on September 12, 1989. R.I.P. Mass offered.

Today, tomorrow, our whole life through,
We will always love and remember you,
Gone are the days we used to share,
But in our hearts you are always there.
Look after her, Lord, as she takes her rest,
For in this life she was the very best.

(Sadly missed and always remembered by your loving daughter Mary, husband James and grandchildren Milo, Ross, Lance and Stephanie.)

TADGH O'REAGAIN — A HIT

Last Saturday night the Tallow Enterprise Centre was a magical place to be. Tadgh O'Reagain's presentation of the Stories and Songs of the Deise, illustrated with magical slides of the Deise, was a truly memorable performance. His singing of "local" airs was wonderful and the acoustics of the centre proved once again to be superb. His singing of "Sliabh na-mBan" was particularly beautiful, as was his rendition of "Dungarvan My Home Town." It was a "fair" performer who can entertain an audience non-stop for two hours. On behalf of all present we say thank you Tadgh.

LOCAL WOMAN WINS RAFFLE

NOTES

S.H.C. Tallow 1-6 Lismore 1-6 — Tallow and Lismore ended level in this all Western S.H. semi-final at Cappoquin on Sunday last. The first half was very subdued with Tallow scoring 3 points all from frees from Pat Murphy and both sides were level at 3 points each at the interval. We had most of the play in the first half and surely had about 8 wides from favourable positions. Tallow re-arranged their attack for the second half with the introduction of J. J. Henley at corner forward, Philly Curley to wing forward, Dermot Henley to midfield and Mark Geary to wing back to replace the injured Ger Sice. Within 2 minutes of the second half T. J. Henley rattled the Lismore net, a Pat Murphy free and Dermot Henley points increased Tallow's lead to 1-5 to 0-3. Lismore attacked and goaled from a melee to leave it 1-5 to 1-3 with 8 minutes to go. Two Lismore points had it level at 1-5 each with 4 minutes to go. Pat Murphy put Tallow ahead again and with time running out Lismore were awarded a close in free which they duly scored to level the game.

Tallow were best served on the day by goalie Martin Murphy, Colin Cunningham, Jim O'Donoghue, Tomas Mc-

Carthy, Johnny Geary and Mark Geary when switched to defence and Tim Sheehan at midfield, Paul Curley and Dermot Henley kept the ball moving to our forward line where Pat Murphy was outstanding, as were Philly, Mickey and Stephen Curley, while inside Connie Curley and second half sub John Joe Henley made sure the Lismore backs got nothing soft.

Team — Martin Murphy, Tomas McCarthy, Jim O'Donoghue, Colin Cunningham, Ger Sice, Tim Sheehan, Johnny Geary, Paul Curley, Mark Geary, Mickey Curley (capt.), Steve Curley, Dermot Henley (0-1), Philly Curley, Pat Murphy (0-5), Connie Curley. Sub. — J. J. Henley (0-1) for Ger Sice.

Sympathy — At a recent club meeting a vote of sympathy was passed to the McSweeney families, West Street and Woodview Park on their recent sad bereavement.

Tallow Take It — Tallow 2-6 Ardmore 2-3 — This year's Under-12 hurling final at Cappoquin on Thursday evening last provided a great finish to a very enjoyable championship which commenced in early July. Tallow had victories over Cappoquin, St. Olivers and Naomh Brid (rather luckily with only a goal separating them) before taking on Ballymacarbry. The boys from Ballymac' seemed destined for the final when leading by a goal with little over a half a minute remaining. A ball broke off David O'Brien and the full back to Barry Power in full flight. He took two strides before sending a bullet to the net. Full time whistle, a draw! The replay drew a fine crowd to Cappoquin's well appointed venue and this time we wondered if Ballymac' would improve on their form of the drawn encounter and leave no room for last minute heroics. It didn't turn out like that at all, with the final score reading Tallow 4-3 Ballymac' 0-3. Strangely enough that scoreline doesn't even hint at the spirited determined efforts of Ballymacarbry whose whole-hearted emphasis on attack would have reaped a rich harvest but for Tallow's great defence and Roy Henley in particular. Roy was outstanding in goal and not for very many years have I seen a better under 12 in that position. He defied their every effort and proved an inspiration to his team mates.

Last Thursday's decider, Tallow v. Ardmore, attracted a big crowd with every relation, neighbour, friend and supporter anxious to support the lads who had given us all such enjoyable evenings. The atmosphere was great, the game chock-

full of excitement with little between the teams at any stage.

Tallow opened the scoring with a Barry Power point only for Ardmore to equalise. Roy Henley took up where he left off in the semi-final with a string of fine saves before Barry made it 0-2 to 0-1 in Tallow's favour. Then persistent pressure from Ardmore, a fine goal, and the lead 1-1 to 0-2. Back came Tallow for two more points with Ardmore putting one over the crossbar in reply to leave the minimum between the sides at half time, Ardmore 1-2 Tallow 0-4.

The first half was good but the second half was a real thrill-a-minute affair as Tallow pulled out all the stops against their bigger opponents. When James Murray struck a beauty between the posts from his left side to level the game, there was a resounding cheer from the big Tallow following. Ardmore responded by carrying out a saturation bombing of the Tallow goal. Martin Ryan, Sean Slattery, Shane McCarthy, William Henley, Maurice O'Brien and youngest man on the field Paul Murray put up a mighty resistance with Roy in goal stopping everything he could see. Seven minutes remained when the pressure paid off and Ardmore found the net to regain the lead, 2-2 to 0-5. This setback only seemed to spur the lighter Tallow boys to greater efforts as they continued to hurl the ball on the ground. Fittingly it was a ground shot from Martin Ahearne, for a precious goal, which tied the game once again, 2-2 to 1-5. This was no place for the faint-hearted as Ardmore reacted by lifting their game as they bore down on the Tallow posts in wave after wave of attacks. Our heroic backs stopped, blocked, hooked and cleared and from one of these clearances Jason Prescod grabbed the sliotar to put us a point up, 1-6 to 2-2. Time was running out, sweat was running down, hearts were running fast and almost stopped when Ardmore scored the equalising point. Two minutes or was it three, remained, another draw perhaps as Ardmore drove forward for the clinching score. Courageous defence which repulsed every effort got the ball away. Sean Slattery, for the umpteenth time, took the ball forward, was tripped and a free awarded. Barry Power's shot landed among a cluster of backs and forwards for David O'Brien to whip in a great winning goal. There was no greater cheer heard in Cappoquin than the mighty crescendo which knocked feathers off low-flying birds.

The referee, Jimmy McGrath, blew full time shortly afterwards and celebrations and congratulations followed.

No praise is too high for Roy Henley and the six backs, midfielders Barry and James Murray were splendid, Jason Prescod played superbly and Paul, Sean and Ronan Cronin, Martin Aherne and David O'Brien as well as Rory Hennessy, Colin O'Sullivan, James Clancy and Mossy McGrath all shared in a most satisfying campaign.

Let's not forget Ardmore, they were a fine team who were very unlucky to see victory snatched from them. Jimmy McGrath was an efficient referee.

Scorers — Barry Power 0-4; Martin Aherne and David O'Brien 1-0 each; Jason Prescod and James Murray 0-1 each.

Tallow — Rory Henley, Maurice O'Brien, Shane McCarthy, Sean Slattery, William Henley, Martin Ryan, Paul Murray, Barry Power (capt.), James Murray, Paul Cronin, David O'Brien, Ronan Cronin, Sean Cronin, Jason Prescod, Martin Aherne. Subs. — Rory Hennessy, James Clancy, Colin O'Sullivan, Mossy McGrath, Paul Kearney.

A final hearty vote of thanks to our loyal and knowledgeable supporters whose presence meant so much to us all.

ST. CATHERINE'S G.A.A.

Carrigtwohill 2-2 St. Catherine's 1-4 — Ballynoe Park was the scene of a thrilling U-13 hurling league game last Monday evening between the above teams. Every puck of the ball was contested vigorously and although the verdict went to the visitors in the end, it was anyone's game up to the final whistle.

St. Catherine's team was — Noel O'Leary, John P. Fitzgerald, Owen O'Keefe, Killian Ronayne, Ian O'Connell, John Rumley, Mike Fitzgerald, Shane Kearney, Shane Fitzgerald, Aidan Flynn, David Beecher, Liam Kearney, James Cullinane, John Paul Flynn, Pat Twomey.

St. Catherine's versus Lismore — On the score of 6-6 to 6-2 Lismore Under-12 team under the guidance of Brother Dormer succeeded in winning this friendly hurling game at Ballynoe last Thursday evening. Some splendid passages of hurling were witnessed from both sides which reflected great credit on those trainers and mentors who devote their time to the training of all those underage teams. St. Catherine's Under-12's were — Noel O'Leary, John Paul Fitzgerald, Eoin O'Keefe, Stephen Hartigan, Michael

Fitzgerald, John Higgins, Killian Ronayne, Donal Caples, Shane Fitzgerald, Shane Kearney, Aidan Hogan, Leonard Flynn, Patrick Twomey, Seamus Hogan, John P. Flynn, Brendan Gallagher. Subs. — Dave Beecher, Noel Leahy, Patrick Leahy, James Cullinane, Liam Kearney, Eoin Kearney. Referee — Pat Lane, St. Catherine's.

Intermediate Hurling League — St. Catherine's 2-11 Glen Rovers 2-8 — Facing the might of Glen Rovers and an early start last Saturday evening, Catherine's with a limited amount of players looked liked forfeiting the league points here but as time progressed and a conspicuous strengthening of the team they fought back and registering two major scores almost on time, they ran out victors on the above score.

Billy Cody, Middleton, refereed.

St. Catherine's team — John G. Barry, Barry Regan, Pat Sullivan, Eppie Hartnett, Maurice Hartnett, Shane O'Connell, Patsy Donoghue, Christy Clancy, Seamus Neville, Kevin Barry, Mike Walsh, John Hennessy, Billy Neville, Dessie O'Keefe, James Fitzgerald. Subs. — Donal O'Leary, Sean Buckley, John Mangan (all used).

The under-12 hurlers go into action on Tuesday evening at Castlelyons against Dungourney in the current championship and in a long delayed assignment against Aghada in the junior 'B' hurling championship, Catherine's juniors will fulfill that engagement on Saturday, Sept. 21 at Dungourney.

Our sincere congratulations are extended to prominent Catherine's hurler and footballer, James Spillane, Killavarella, Conna, on his recent marriage to Katherine Noonan, Coolagurra, Conna.

KILL NOTES

ST. MARYS G.A.A.

Last Tuesday evening, September 3, our under-12 footballers had their first match in the Eastern Championship when they took on Ballyduff in Kill on a lovely evening. The lads played some lovely football and the training paid off as they went on to win by 7-10 to 1-6.

We then went to Poleberry to take on Sacred Heart in our second match last Saturday afternoon. In blazing sunshine the lads put in another good performance to win impressively. Final score: St. Marys 6-4, Sacred Heart 1-1.

We now take on Dunhill/Fenor in the field this Saturday afternoon, September 14.

Our minor footballers qualified for the Eastern final when they had a great win over Rathgormack in the championship last Wednesday evening, September 4. Played in Kilmacthomas, they turned in a cracking performance to defeat a good Rathgormack team by 2-13 to 0-6.

The feature of the match was two great goals from Pat Lawlor and Darren Power.

Last Sunday morning our under-16 footballers took on Rathgormack in Kill in the championship. However, the lads never really got into the match and were well beaten in the end.

KILL G.A.A.

Last Monday evening, September 2, our junior footballers were involved in a play-off for top spot in the championship. After a tough and exciting match, it was St. Mollerans who just won it. Taking place in Dunhill, it was the first ten minutes of each half that won it. Taking place in Dunhill, it was the first ten minutes of each half that won it for the opposition. In that time we were completely at sea as St. Mollerans kicked over the points. We had our chances as well, but failed to take them on the night, as our forwards never clicked at all. Final score: Kill 0-6, St. Mollerans 0-9.

We now take on Killure in

the Eastern quarter final and a big effort as needed if we are to beat them.

The team was: J. Kelly, F. Casey, E. Power, D. Kiely, L. Lennon, M. Dunphy, M. Kiely, K. Whelan, B. Power, A. Kirwan, G. Guiry, P. Kirwan, J. Kennedy, D. Power, R. Hennessy.

LATE MR. JAMES LONERGAN

Last Friday morning, September 6, we learned that one of our dearest friends, James Lonergan, Ballyvaden, had passed away. Better known as Jay, he was, all his life, a member of the farming community and was known the length and breadth of Waterford as he was always at the Marts.

His remains were removed from the Regional Hospital to Kill Church where they were received and blessed by Rev. Fr. Burns, C.C., in the presence of a large cortege.

On Saturday morning, after Requiem Mass, his remains were taken to the adjoining cemetery for burial, again in the presence of a large concourse of mourners.

We send our sincerest sympathy to his brother Thomas, relatives and friends. May he rest in peace.

Notai C.L.G. An tSean Phobail

The results of the Progressive 45 Drive in the Marine Bar last Wednesday night were, on 9 games, M. Hickey and J. Scanlan. The jackpot is £210 on 13 games.

Last Wednesday evening our minor footballers played Stradbally in Abbeyside. We played well for the first 15 minutes but Stradbally took over at midfield and their forwards got good fast ball in and started to score. We had no answer. Our lads tried hard. The final score was: Stradbally 2-15, An Gaeltacht 0-3.

Last Saturday evening our junior football team went to Cappoquin to play Modeligo in the replay of the junior football championship. We started off well here and led by 4 points after 10 minutes, playing good football. But something went wrong and after 15 minutes we were a point behind.

We got back into the game before half time and were level at the break. We made some switches at half time but they did not work as we had too many injured players and lack of fitness started to show.

We have to wait until next year now and hope for the best. The final score was: Modeligo 1-10, Sean Phobail 0-9.

The team was: D. Whelan, M. Donovan, B. Stilwell, Bud Hourigan, M. Power, T. Mahoney, M. Curran, D. French (Capt.), A. O'Sullivan (0-1), M. Hogan (0-3), J. Salmon (0-3), B. Mahoney (0-1), T. Hogan, J. Walsh, J. Flynn.

Subs — S. Wade for J. Flynn.

On Monday evening our under-16 football team played St. Patricks at An Rinn. This was a game we had to win and we went about it in the right mood. We opened out the game and played the wings and our scores came and we led easily at half time. St. Patricks played better in the second half and got some good scores but we were too strong in the middle of the field and ran out winners on the score: An Gaeltacht 4-8, St. Patricks 2-2.

The team was: Oisín Mac Giolla Chuda, S. Mac An Oige, E. de Faoite, L. Floinn, R. Fionnagain, S. Uada, L. O Muiri, M. Ceitinn (2-0), E. de Paor (0-1), P. O Mathuna, D. Goch (0-1), L. O Cuirrin, P. Breathnach (1-0), C. O Harta (0-3), C. O Cuirrin (1-0). Subs — C. Mac Craith for P. O Mathuna, C. Breathnach for S. Mac An Oige.

Our next game is on Friday, September 13, in Cappoquin, v. Shamrocks at 6.45 p.m. sharp. This is the semi-final of the West. — Miceal Toibin, PRO.

Dungarvan Sea Angling Club

SENIOR SKIPPER WINS TOP PRIZE

Congratulations to the most experienced skipper in the fleet, Connie McGrath, on winning the prized trip for two to Amsterdam in the recent German Federation of Sea Anglers Competition held in Dungarvan. Connie, with his usual calm aplomb, was responsible for the greatest number of fish being caught in any one boat during the event.

Such great skill has yet to be acquired by the younger skippers and they should keep a close eye on how he operates if they hope to catch him. Well done Connie.

John Cronin, who qualified to fish in the World Championships in Westport next weekend, is in serious training. Both he and Tony "Flounder" Elstead are out every day doggy bashing in the channel.

The present positions in the various categories are: Master Angler — John Cronin 312 pts; George Young 305 pts; Seamus Deehy 271 pts; Kathleen Young 261 pts; Don O'Connor 257 pts; Liam Whelan 245 pts.

DUNGARVAN RUGBY CLUB NOTES

Waterford's Cup As Dungarvan Take The Plate

This year's Hoffmans Rugby Festival, played at Ballyrandle on Sunday last, was arguably the best competition in rugby terms of the seven staged to date.

The beautiful weather drew a big crowd and with the teams being evenly matched all through the competition was fierce right to the end.

After a round-robin series of matches, Youghal, Clonmel, Waterford City and Waterpark qualified for the cup semi-finals. After two titanic matches Clonmel and Waterford City went through to the final which Waterford won 6-0.

The Curran Cup was presented to the captain of the victorious Waterford side by Mr. Conor Curran amid scenes of great excitement.

In the Plate competition the host club Dungarvan were convincing winners over Fermoy in the final.

One of the highlights of the day was the appearance of former international Mick Quinn who played as a guest with Dungarvan. His performance was one of sheer class which thrilled the large crowd and it was a marvellous ex-

perience for the Dungarvan players to play alongside such a player.

Once again the club would like to express its gratitude to Hoffmans, our sponsors, who have been part of this tournament since its beginning and who, we hear, will be involved for many more years. A word of thanks also to Dr. Dave Mahoney and the St. John's Ambulance staff for their work during the day; to the Dungarvan Brass and Reed Band for their musical contribution and to George Beresford and his staff who provided the refreshments.

GOLF SOCIETY

When last weekend John Cartwright won Conor Curran's President's Prize at Dungarvan Golf Club a link between two families was rekindled. It seems that Conor's father and John's father played rugby together in the Dungarvan colours, back in the 1930's.

Waterford County Badminton News

MAJOR SPONSORSHIP BY SPORTSCENE FOR COUNTY LEAGUES

Alfie Hale's Sportscene Shop has given a major boost to the promotion of badminton in Co. Waterford by giving substantial sponsorship to the County Association for the winter leagues.

This is most welcome as the leagues are due to begin on October 7. It is encouraging to see a sportsman like Alfie assisting the county in its efforts to again top the badminton tables in Ireland this year.

Waterford won All-Ireland honours last season by beating Kildare in the final. Each badminton player in the county is reminded of Sportscene's wonderful support for the leagues.

NATIONAL COACH WILL SPEND FOUR DAYS IN WATERFORD

Magnus Wilborg, the National Coach, will spend four days coaching the county teams this season. These coaching sessions are looked forward to by all the players who are put through the most strenuous training over a period of four or five hours.

REGISTRATION OF PLAYERS FOR COUNTY LEAGUES

All players who participate in the County Leagues will have to be registered by September 20, 1991. This gives the County Executive time to organise the fixtures for the men's and ladies leagues. — John Young, PRO.

Cunnigar Pitch & Putt Club Notes

Nowhere is the current spell of fine weather more appreciated than out on the course. Each day from early morning 'till dusk players are out — not only the locals but visitors from other counties and other countries. All are high in their praise of the course and its excellent condition and especially at full tide when the course is seen to be located in a very pic-

turesque setting. Full marks to all concerned with the up-keep of the course and the day to day manning of the Clubhouse.

In the last notes details were given of up and coming tournaments, however these have had to be postponed for the time being but the calendar will be resumed as soon as a few technicalities with the P.P.U.I. have been ironed

out! In regard to the postponement it has been said that this is a good thing — that weekends were being too taken up with tournaments and that in the resulting rivalry the social aspect was being overlooked. We would be interested to know if this is a widely held view and we would like to hear members opinions on the matter. Can you enjoy your game

as a game in itself or do you need the pressure of competitive play to bring the game alive for you?

Hands up all who have heard of the "Be Active, Be Alive" Weekend, September 21 and 22 being organised by "Cospoir" through Co. Waterford V.E.C. Youth and Sports Advisory Committee. A very worthwhile effort if I may say so and one which Cunnigar Pitch and Putt Club is delighted to be associated with.

How come? you might ask — simply! — On those two days we are making the course available to all, especially those who may have been put off the game for one reason or another. Green fees are being suspended for the two days and every effort will be made by members and committee to introduce you to the game either by way of coaching or accompanying players as they try their hands at a round of the course. So if your only exercise at the moment is to use the remote control of your T.V. we make a special appeal to you to come along and get in the swing — you won't regret it! The Sports Advisory Committee have other activities organised for that weekend and we thank them for giving us the opportunity to participate through pitch and putt. — TOVID.

Each week there will be races for each age group from under 8 years to under 14 and new members will be made especially welcome, so why not come along this Thursday and give running a try.

COMMUNITY GAMES

A large number of our athletes were competing in the National Community Games finals in Butlins over the weekend with a number of them figuring prominently in the results.

In the final race of the

Ballycotton 5 Mile Road Race series, Michael Roche secured first place overall in the Vets Section to add to his other fine achievements lately, namely 1st Vets in the Waterford to Tramore road race and second place in the Cork Half Marathon (71.12).

Results: Michael Roche (26.16), Gerry Cantwell (26.48), Liam Rossiter (28.41), Pat Keane (29.05), Colin Lyons (29.12), Liam Cline (29.39), Ray McConnell (29.41), Helen Dwyer (31.29), Peter McGrath (31.30), Paul Keating (31.30), Eoin Russell (39.24).

CONGRATULATIONS

Congrats to Brian Hayes who won the Munster under-16 title for combined events which was held in Waterford recently.

BRIAN BELL

Adult and juvenile members of the club accompanied Brian Bell on the Dungarvan leg of his round Ireland run last Saturday. Brian is running in aid of the Hospital for Sick Children in Crumlin, surely one of the most deserving and worthwhile causes ever undertaken. Congratulations to Anthony Cooney and the local committee in organising last Saturday's successful stage.

Dungarvan Hockey Club Notes

Dungarvan Ladies Hockey Club training was well underway last week. We were delighted to see such a large turnout each night. We hope to have two teams this year, Minor "A" and Minor "B."

Last season saw our minor "A" team fifth in the league with 21 goals scored over the year. An even greater improvement will be expected this year, with our best players back in full

form.

Many exciting events will be organised by Dungarvan Hockey Club over the coming season. Among them will be the annual Strauss Ball, which is only a few weeks away. You will be hearing more about this soon. So, keep an eye out for the posters. It will be held at the Park Hotel on

Saturday, October 19.

Senior training will continue on Monday and Wednesday nights between 6.30 and 8.30 p.m. in the grounds of St. Augustine's College until further notice. The change in times is to avail of the light until floodlights have been erected.

League matches will commence on October 5.

Details of junior hockey training will be given later.

SOCCER SCENE

DIVISION 1

Dungarvan's Great Escape

DUNGARVAN 1 BALLYDUFF 1

Dungarvan resumed their league campaign last Sunday morning when they entertained one of the favourites for the league title, Ballyduff, in Kilrush Park. This was expected to be a great spectacle after Dungarvan's great performance against Portlaw the previous week.

Dungarvan started the game well and took the game to Ballyduff, they piled on the pressure at every opportunity and played some fine passages of football when they kept the ball on the ground and spread it wide to the wings. Ballyduff, however, were not easy to break down and they themselves had one or two excursions into Dungarvan's penalty area. Midway through the half the Blues got their reward when the visiting keeper made a blunder and Alan Sheehan was on hand to knock the ball home.

The game was then fought out until the interval at a hectic pace with Bally-

duff beginning to take the initiative.

SECOND HALF COLLAPSE

On the resumption one would or could not believe that this was the same Dungarvan side who were on the pitch, they totally collapse. Every player on the team fell apart and it was only Ballyduff's incapability to put the ball in the net which kept Dungarvan in the game. Time after time Ballyduff's left winger was in the clear but his final pass or cross was never good enough.

Dungarvan were now under severe pressure and this culminated into bickering between themselves on the pitch. They lost all

composure and at times looked lost on the field.

One must also make the comment about the supporters who at times abused the referee verbally, this does not help the players and it certainly does nothing to enhance the good name of Dungarvan United and at times it turns the referee against the home side.

But even with Dungarvan's total collapse they managed to survive until the 84th minute when a series of mis-clearances ended up with the ball in the Blues net. Dungarvan can be grateful that it took Ballyduff so long to score as it seem that if they had scored earlier, Dungarvan might have lost this game by a couple of goals.

Overall Dungarvan can not complain, they got a point from a second half display that really deserved nothing.

Team — Alan Landers, Garry Burke, Willie Coward, Kieran Foley (capt.), Pat Tutty, Billy Sheehan, Jeff Allen, David Crotty, John Donnelly, Alan Sheehan, Killian Wall. Res. — Michael Hickey for P. Tutty (inj.); David Sheehan for D. Crotty.

Referee — Tom Browne.

DUNGARVAN UNITED U-15 NOTES

Good Win For Schoolboys

FERRYBANK 2 DUNGARVAN 3

On Thursday last our u-15 side played their first league game of the new season, away to Ferrybank, and what a tough game it turned out to be.

The Blues started well and but for some good goalkeeping and some bad finishing we could have been well on top. But it was the home side who were leading 1-0 at half time.

The second half saw S. Roche replace the injured A. Landers and it was he who levelled the scores mid-way through the half with a superb strike from a corner. Then a bad mix-up by our centre half and goalkeeper gave Ferrybank the lead once more. But the Blues never gave up and C. Walsh ran through the home defence to level with a great shot. Then with time almost up S. Roche scored his second and the Blues' third to give us a well deserved victory.

Team — J. Sheehan, D. Coles, D. Foley, I. Sheehan, J. Foley, T. Butler, M. Hyslop, R. Power, O. Simms, C. Walsh, A. Landers. Res. — S. Roche.

SCHOOLBOYS FOOTBALL

Ballinroad 3, Tramore 0

Our under 14 team collected their first brace of points on Saturday last when they proved far too strong for the visitors. They went two goals up after twenty minutes thanks to brilliant finishing by P. Cummins. Whilst they continued to dominate the exchanges we had to wait until ten minutes from time before they scored again. This goal was also an excellent effort by K. Flavin.

This was a whole-hearted display by this team and it showed that they have put the disappointment of the previous week behind them.

Ballinroad — C. Power, P. Hayes, B. Hayes, J. Hayes, I. Thompson, M.

Thompson, M. Tobin, E. Daly, K. Flavin, P. Burke, P. Cummins. Res., S. Budds, J. Keohan.

Ballinroad 2, Abbeyside 4

Despite the fact that they held a 2-1 lead at one stage, our under-16 side finally went under by two goals to local rivals Abbeyside in Abbeyside.

FLAG DAY

The club are holding a

flag day this coming week-end. We hope to see all our players helping out. We will be starting work on our new dressing rooms early in the new year and it is the players who will benefit from our fund raising.

SCHOOLBOYS FIXTURES

Under 14, home to Hibs at 11.45; under-16, away to Villa at 2.30.

DUNGARVAN UTD. U-16 NOTES

Great Second Half Comeback By Blues

BOHEMIANS 4 DUNGARVAN 4

Our under-16 side picked up a point from this away fixture with Bohs at Poleberry Park on Saturday afternoon last. There was plenty of entertainment with eight goals and plenty of goalmouth incidents on a blistering afternoon.

Trevor O'Mahoney, making his comeback, gave the Blues a tonic start with a superbly struck volley from a cross by Barry Cliffe after 2 minutes. Bohs struck back with a goal by the centre forward after 5 minutes. Richie Finnegan made it 2-1 after 10 minutes when he knocked in a free kick at the far post. A dreadful back pass by a midfielder left Bohs in for the equaliser after 15 minutes 2-2. Bohs scored their third goal following a corner and just before half-time went 4-2 ahead.

The Blues had a lot to do in the second half to get back into the game. But showing the true fighting qualities of the champions they are they fought back magnificently. Mark Hyslop came up from his centre-half position to fire home a great goal from all of 35 yards to make it 4-3. With ten minutes left Micheal Downey shot home the equaliser to make it 4-4. Just on the stroke of

full time our goalkeeper Morgan Cummins made a great one-handed save to deny Bohs a winner.

Team — M. Cummins, B. Cliffe, D. Wall, M. Hyslop, M. Donnelly, R. Finnegan, J. Hyslop, T. Kiely, M. Downey, B. Elstead, T. O'Mahoney. Res. — M. Lynch, M. French.

On Saturday our under-16 side play at home to Johnville at 2.30 p.m. Training on Friday at 5 p.m.

Stradbally A.F.C. Notes

On Saturday last we played Railway at home in the under 16 when our boys put up a good performance despite being short five of our regulars. We were beaten 3-2 by a strong Railway side.

Our junior side played Kilbarry Rangers at home. After a good display Stradbally come out winners 7-1.

Stradbally G.A.A. News

WESTERN SEMI-FINAL

On Friday evening next, September 13, our minor footballers play Naomh Brid in the Western semi-final in Dungarvan at 6.30 p.m. The Reds will be going into this semi-final as outsiders, as Naomh Brid are very strong in this grade and will be favourites. The Reds have trained hard for this game, there is a new spirit in this bunch, so we can expect a very determined Cove team in this semi-final and with every encouragement from everybody — a win may not be out of reach.

SENIORS v. KILMAC'

On this Thursday evening, September 12, our senior footballers play Kilmacthomas in the last game of the championship in Lemybrien at 6.45 p.m. This should be a good game of football — with Kilmac' looking for the points here — but every member of the Reds panel will be playing for their places for the semi-final game — so it should be a very interesting game of football.

EXCELLENT DISPLAY

In what was probably one of the best displays from a minor team in a long time, our minor footballers had a great win over An Gaeltacht in the championship on the score of 2-16 to 0-3 at Abbeyside. This "Reds" side have come a long way since early in the year and the fruits of training are certainly paying off — they are well organised, good spirited and they certainly showed how to get scores — a great team performance, know matter what happens later.

GOOD WORK

Certainly the good work of trainer Kieran Heffernan with fellow selectors Noel Costelloe, Tom Foley and our two ladies Bridget Clancy and Pauline Barnes deserve great credit for having this time well prepared. They have put in a lot of hard work and certainly now it's starting to pay off. Well done everybody.

Team was as follows — K. Cunningham, T. Walsh, E. Clancy, A. Keane, M. Barnes, P. Foley, F. Gough, W. Drohan, G. Walsh, L. Barrett, O. Costelloe, A. Curran, S. Cunningham, J. McGrath, P. Casey. Subs. — K. Coffey, A. Barrett, David Barnes.

CONGRATULATIONS TO SECRETARY

Congratulations to our club secretary Richard Hickey on his recent win in the Golden Goal Competition. Richard received a substantial prize.

THE LOCAL DERBY

Well it's the semi-final again when we meet our neighbours Kilrossanty on Sunday, September 29 in Dungarvan. Down through the years it's always the semi-final and it would be nice if we could meet in a final, but

it's not to be this year. Again there will be no favourites going into this game as it will all be on the day as it has been this past few years — so another very interesting two weeks ahead as we await this local derby.

WINNERS OF ALL-IRELAND TICKETS

Winners of the All-Ireland football tickets are as follows: — Mairead Power, Rose Power, Sean Ahearn, Eamon Clancy and Pat Hickey — have a good weekend.

PATTERN FESTIVAL WEEKEND

The Pattern Festival Weekend starts on this Friday evening, September 13 in the village at 6 p.m. with the Pipe Band opening proceedings — followed by a fancy dress at 6.30 p.m. Switching to the G.A.A. field at 7 p.m. Tug-O-War (entries on the night), cash prizes.

Pattern Rose — Possibly the highlight of weekend will be the "Pattern Rose" which will be selected during the night with music provided by Richie Halpin. The new Stradbally Pattern Rose will be eligible to go forward for the Waterford Rose of Tralee 1992. Girls don't miss out.

Saturday, September 14 — Starting at 2 p.m. minor football championship semi-final, Kilrossanty v. Abbeyside followed at 3.15 p.m. with Sports For All. Races for girls and boys, novelty races, side shows, mini golf — medals for 1st and 2nd. Teenage Disco from 8.30 p.m. to 11.30 p.m. 14 years to 18 years, minerals only and will be strictly supervised.

Sunday, September 15 — Bicycle races in G.A.A. field at 12 noon, boys and girls under 12 to under 16 plus adults prizes. Ladies football match, Stradbally v. Clonea Power in field at 6.30 p.m. Trophies for winners and medals for runners-up. Gala Night music provided by Mattie Weldon.

Monday, September 16 — Under-12 football game at 6 p.m. for Donal O'Connor Cup and medals. Mass at G.A.A. Club at 8 p.m. for deceased club members and friends — folk choir followed by Senior Citizens Party which included music and entertainment plus acts — always a great night. — (Advert.)

SPEEDY RECOVERY

The club wishes a speedy recovery to Austin Casey, who is at present a patient in a Dublin hospital. We hope the popular Stradbally man will soon be home with his family and friends.

LATE NEWS FLASH?

We hear there going to be some great talent for the Pattern Rose which is arousing great interest in the area — so the guessing game is who will carry the Stradbally Rose for 1991.

FOOTBALLERS IN SEMI-FINAL

Our senior footballers are through to the semi-final of the senior championship by virtue of their win over Rathgormack at Leamybrien on Friday evening last. This was a hard fought game right from the first whistle and it took a tremendous effort from the lads to secure victory over a hard, but fair, Rathgormack side.

We now await the outcome of the St. Saviours v. Nire game to see who our semi-final opponents will be. This game goes on this Saturday evening at Fraher

Field. Either of them will pose problems for us so lads — back to the training grounds.

ANOTHER DRAW

A point in the final minute earned us a share of the spoils in this replay of the under-12 hurling game against Abbeyside. This was a game of two contrasting halves with the Village side on top in the first period with ourselves taking over in the second half. Still a draw was a fair result and we are looking forward to the replay which goes on in Abbeyside. As we go to press we have no definite date for the replay.

FIELD DEVELOPMENT

Work on the reseeding of our training pitch is almost complete. Last weekend, top-soil was transported in from St. Augustine's and spread over the 4 acre site and it is hoped to complete the seeding this weekend. Everything going to plan we should have this valuable training pitch "up and growing" for the next year.

Word has also come through that we have been approved for the FAS Social Employment Scheme. It is intended to commence this scheme next week.

BINGO

Congrats to Margaret Walsh and Annette Hackett who shared the super prize at last week's super bingo in the Friary Hall. Again, another fine turnout and we look forward to seeing you all again next month.

LADIES FOOTBALL

Well done to our ladies football side on winning the 4 team tournament which was held recently.

7-A-SIDE

Next weekend we travel to Dublin to take part in the national 7-a-side competition organised by Kilmacud Crokes. Over 40 teams compete and we are grouped with Bryansford (Down), Tuam Stars (Galway) and Round Towers (London). Another honour for the club and we wish the lads the very best of luck.

HURLERS HANG ON

The intermediate hurlers just hung on to draw with St. Mary's 2-7 to 1-10 in the county quarter final played at the Fraher Field on Saturday evening last.

Overall we can consider ourselves very lucky to have earned another chance as we played well below par and will need to make a considerable improvement for the replay.

WESTERN TITLE FOR MINORS

In a very well contested game the minor hurlers clinched the Western title by defeating Fourmilewater by 1-12 to 1-3. Indeed our score was somewhat flattering considering that the woodwork deprived the Fourmilewater lads of at least two goals.

Fair dues to the lads, minor titles are never easily won, and Sunday's win reflected the hard work which is being put in by Joe Power and his team of T. Whelan and T. Mansfield.

Our opponents in the county final will be Eastern champions Portlawn. The team was — B. Landers, G. Breen, J. Shields (capt.), E. Murray, D. Cliffe, D. Ryan, P. Shields, D. Moore, J. Stacey, R. Duggan, P. Hayes, B. Beatty, J. Brennan, P. Veale, M. Enright. Subs. — K. Cunningham for J. Brennan (inj.); B. Flynn, J. Donovan, J. Moore, A. Landers, J. O'Donoghue.

SWITCH OF CODES

Attention now switches to football, as we play Kilrossanty in the Western minor "A" football semi-final on Saturday next at 2 p.m. in Stradbally.

CONGRATULATIONS

Well done to Mrs. Myra Walsh, Kilmacthomas, who won £2,500 in the Irish Lung Foundation national game at our weekly fundraising event.

STALEMATE CONTINUES

After another epic game the U-12's were still level 1-2 all with Dungarvan in the replayed Western U-12 hurling tie, played at the Fraher Field on Thursday evening last.

The date for the 2nd replay is eagerly awaited.

ON DUTY

Officiating at the county senior hurling semi-final between Lismore and Tallow was club chairman, Pat Moore (referee) and Timmy Organ and Pa McGovern (linesmen).

WELCOME HOME

Back home after a number of years abroad, is Justin Walsh. He should be quite an asset to the hurling selectors when fully fit.

GIRLS FOOTBALL

A very well attended training session was held at the club grounds on Wednesday evening, when everybody seemed to be enjoying themselves. Any other young girls that are interested should contact Breda or Joe Cleary.

NON-STOP DRAW

The following are the results of our non-stop draw (7/9/91): Week No. 4 — £150 Mrs. Ann Howley, Pinewood Lawn; £50 Ned Murphy, c/o Flahavans, Kilmacthomas; £25 each to Paddy Breen, King Street, Ned Harney, Sexton Street, Pauline Lenihan, The Grove, Kathleen Organ, Coolagh Road; £10 each to Bridge Murphy, An Rinn, John Wall, c/o Danny's, Breda McGovern, McCarthyville, Nora O'Donnell, Murphy Place, Mary Fraher, Ballinroad; Louise Carroll, Park Lane Avenue, Sheila Veale, c/o Danny's, Sean Fitzgerald, Ballycoe, Peter Kirwan, Friars Walk, Seamus O'Brien, Murphy Place.

Next draw on Saturday, Sept. 14 at 9 p.m. (Advt.)

SENIOR HURLING SEMI-FINAL

Tremendous Contest Ends In Draw

TALLOW 1-6 LISMORE 1-6

[By "Commentator"]

Although this second county semi-final did not live up to the expected standards, it was a tremendous contest from the start to finish. It was close, tension packed and full of he-man stuff, although very sporting and enjoyable. Many in the huge crowd (it must have been a record for Cappoquin), had come to enjoy a hurling spectacular. These could not have been fully satisfied as the standard of hurling was not great, but having listened to some of the critics coming out, I feel that patrons are at times making their expectations too high and not allowing for circumstances which often militate against spectacular hurling.

The tensions built up by neighbouring clubs fighting for a place in the county final put enormous pressure on the players and the standard suffered as a result. Had these sides met at an earlier stage of the championship, this would undoubtedly have produced more spectacular hurling between two of our top hurling clubs.

Having written thus, I must also report that the game was exciting and enjoyable, as is any such contest where the

result remains in the balance until full-time is called. There were some fine individual performances. There was tremendous defensive play on both sides and brilliant goalkeeping by both Declan Landers and Martin Murphy that was acknowledged by the applause of the crowd on occasions. Scores invariably set a game of this importance alive and it is probably a tribute to both sides that they did not allow each other the scope or the opportunities to penetrate for the goals that might have come now and again. There were 83 stoppages over all and this is very high for a match which produces only fourteen scores, but if the standard failed to satisfy the crowd, I believe that the result pleased all the neutrals as neither side deserved to lose and it is nice to know that we will have another chance of seeing the sides in opposition in the battle for a county final place.

SCORING

Six minutes passed before a white flag was raised and after Kieran O'Gorman pointed in the 6th minute, Tallow had to wait a further seven minutes to open their account with a Dermot Henley pointed free. Pat Murphy who was playing a roving role, put Tallow in front with a pointed free in the 17th minute and the sides were level again with Sean Prendergast's point two minutes later. Sean Prendergast and Pat Murphy exchanged points to leave the half-time score 0-3 apiece.

During the interval, Tallow substituted J. J. Henley for G. Sice. Henley was the one to hit in the goal which gave Tallow a tonic start in the second minute of the second half and when Pat Murphy added a point from a free a few minutes later, Tallow looked to be on their way to a county final place. J. J. Henley extended their lead to five points, but then a Lismore onslaught on the Tallow goal yielded the score that they badly needed to keep their prospects alive. This resulted from a melee, but it seemed as if Kieran O'Gorman was the player to get the touch. Ml. O'Sullivan came on as a sub. for Lismore and there were positional changes on the side. Sean Daly pointed to reduce the gap in the 52nd minute and the same player had his best score for a long time when sending over to equalise in the 56th minute. With both sides having it all to play for the exchanges became hectic and there was a roar of jubilation in the Tallow camp when Pat Murphy had his fourth point of the game to give his side a narrow lead in the 57th minute. But Lismore were not yet finished and in the 58th minute they seemed to have

the ball in the Tallow net from a melee but the whistle had sounded earlier and a free awarded. Sean Daly made no mistake in taking the final score of the game.

As I have written, the defences of both were splendid and unyielding and it would be invidious to single out individuals, but mention can be made of Colm Cunningham for Tallow and Billy Lee for Lismore, both of whom were notably sound, particularly in the first half.

Scorers: Tallow — P. Murphy 0-4, J. J. Henley 1-1, D. Henley 0-1. Lismore — K. O'Gorman 1-1, S. Daly 0-3, S. Prendergast 0-2.

Tallow — Martin Murphy, C. Cunningham, J. O'Donoghue, T. McCarthy, J. Geary, Timmy Sheehan, G. Sice, Paul Curley, Martin Geary, Dermot Henley, Stephen Curley, M. Curley, C. Curley, P. Murphy, Philly Curley. Sub. — J. J. Henley for G. Sice.

Lismore — Declan Landers, M. Sullivan, D. Barry, J. J. Duggan, B. Crowley, Seamus Prendergast, Billy Lee, Donal Landers, Brendan Prendergast, Paul Prendergast, Sean Prendergast, C. Barry, B. Lawton, S. Daly, K. O'Gorman. Sub. — Ml. O'Sullivan.

MOUNT SION AND ROANMORE DRAW

Mount Sion 1-10 Roanmore 0-13

The neighbours and rivals, Mt. Sion and Roanmore, will have to meet again following their very exciting drawn senior hurling semi-final match at Walsh Park on Saturday evening. It was a close one all the way and at half-time the champions, Roanmore were being led by a single point but Mount Sion had wasted several scoring chances and were certainly not on target.

The second half was very hotly, though sportingly contested and it became obvious that there would be very little between them when the game came to an end. Over the hour Mount Sion had a total of 18 wides as against 11 for Roanmore. The replay will take place on Sunday week.

Shane Ahearne put Mount Sion ahead with a point in the 2nd minute and his goal in the 20th minute left them four points ahead. Champions Roanmore struck back however and Kieran Delahunty's two points from frees and Gerry Maguire's

point left just a point in it at the break, 1-4 to 0-6.

The sides were level four minutes into the second half when Delahunty pointed a free. However, two points for Mt. Sion put them into a 1-9 to 0-10 lead by the 21st minute. Again Roanmore came back and sub Kevin Doran pointed before Morrie Wadding's point equalised in the 24th minute.

Noel Crowley gave Roanmore the lead for the first time with a point from a free, but back came Mt. Sion for a deserved equaliser through Garry Gater three minutes from time.

Mount Sion — P. Flynn, V. Nolan, P. Ryan, D. Power, B. Coughlan, G. Fitzpatrick, B. Greene, M. Flanagan, J. Meaney, G. Gater, D. Loughnane, Tony Browne, P. Fanning, Tom Browne, S. Ahearne. Sub: S. Cleere for Coughlan.

Roanmore — R. Sheridan, P. Tobin, J. Ryan, S. Maloney, J. Tebay, E. Roche, C. Walsh, M. Wadding, N. Crowley, G. Maguire, E. Nolan, M. Mackey, A. White, T. Shanahan, K. Delahunty. Subs — J. Caulfield for Roche; K. Doran for White.

Referee: Paul Kelly, Portlawn.

FIGURES OF THE GAME

	Scores	Wides	Frees	Sidelines
LISMORE	7	13	7	6
TALLOW	7	12	12	10

As well there were a total of 6 throw-ins and two 65s and the halftime stoppage to make a total of 83.

NEXT WEEKEND

Meeting Of Nire And Saviours The Highlight Of Light Football Programme

The meeting of the Nire and St. Saviours in a game that will decide the second place in the 'B' group of the senior football championship, is the big game of a light week-end in an all football programme. Kilmacthomas will play Stradbally on Thursday, but Stradbally have already qualified for the semi-finals and Kilmac' are striving to avoid relegation.

The U-21 football finals will be played at Dungarvan on Saturday afternoon and there are a few minor games listed also.

NIRE v. ST. SAVIOURS

This is a vital game for both as defeat will put the losers out for yet another season. When the teams met in the league section Saviours had five points to spare at the finish, but the Nire were understrength for the game. Both will be at full strength and all out here, where every kick of the ball will count in a game that is certain to be very tight.

I wrote before that the Nire never seem to reach

their full potential and to me they always appear to have something more than they give.

Saviours won't give in without a big fight and will be at their best in this one, so it will be the Nire's biggest test of this year, in trying to meet this challenge. I feel that the Nire are capable of winning, but I wouldn't bank on it happening.

STRADBALLY v. KILMAC'

This will be an entertaining game at Leamybrien on Thursday with Stradbally seeking to go through their series of matches without a defeat and Kilmacthomas

trying for a win or a draw in order to avoid having to play a relegation match against Clashmore later. It seems to be taking Kilmacthomas a long time to get on a winning streak and they appear to be getting less than they deserve out of the championship, but I doubt if things will change here.

UNDER-21 FINALS

Both under-21 football games at Dungarvan on Saturday will provide very entertaining fare for patrons as both should be good contests.

In the semi-final of the 'A' championship, Affane accounted for a lively Sliabh

gCua/Modeligo team and on the same evening An Gaeltacht, which is a group team drawn from An Rinn, Seana Phobal and Ardmore, defeated Ballinacourty in a very close and well contested tie.

Affane looked the better of the four teams on that programme and could be good enough to take this title, but will have to battle all the way if they are to succeed.

The curtain-raiser will see a fight between the Saints (Patricks and Olivers) for the 'B' title. Both are in with a chance and there will be little between them, even though the Olivers may be the more experienced side.

WEEKEND RESULTS

It was certainly an amazing week-end with draws resulting from all four hurling games played at Walsh Park, Cappoquin and Dungarvan. This might be good for the badly needed finances of the Board, but it has upset all the fixtures

plans and means that the senior hurling final must now be put back, probably until October 6. The two draws in the intermediate hurling will put that championship back also and it will be very late in October or early November before this final is played. A meeting of the fixtures committee was held on Monday to sort out these problems.

S.F.C.:

TOUGH TEST FOR DUNGARVAN

Dungarvan 3-4
Rathgormack 0-9

Although Dungarvan entered this game at Lemybrien with no worries about not qualifying, they had worries before the game

ended as they went close enough to losing their splendid winning sequence of matches. This was their toughest test to date and had they not enjoyed a lions share of the luck, it might have resulted in their first defeat of the season.

An own goal by Rathgormack's full back was a big relief midway through the second half after Rathgormack had gone 2 points in front and were playing very well.

Overall Dungarvan were the better side and just about deserved to win. A huge crowd turned up for the game which almost finished in darkness. However, darkness would unlikely have caused a problem as we were reminded when the floodlights were being tried out. These are a welcome amenity in this very well cared for ground.

M.H. "B" FINAL ABBEYSIDE ON TOP

Abbeyside 1-12
Fourmilewater 1-3

Abbeyside won this game deservedly and convincingly, but Fourmilewater who trailed by 1-8 to 0-3 at half time never gave up trying and with a little luck might have had a few more scores on the board at the finish.

Abbeyside raced into an early lead and had eight points to spare at the break. The second half was more even, but they nevertheless remained in full control and were never in real danger.

Abbeyside — B. Landers, G. Breen, John Shields (capt.), E. Murray B. Cliffe, D. Ryan, P. Shields, J. Stacey, D. Moore, B. Beatty, P. Hayes, R. Duggan, Ml. Enright, P. Veale, J. Brennan. Sub. — K. Cunningham for J. Brennan.

Fourmilewater — A. Crotty, P. Phelan, M. Wall, A. Wall, D. White, B. McCarthy, M. Byrne, J. Wyse, G. Tobin, J. Tobin, D. Phelan, T. Flynn, E. Sullivan, D. Doocey, N. Ryan. Ref. — J. M. Kelly.

MODELIGO WIN REPLAY

Modeligo 1-10
Seana Phobal 0-9

This was a fine game of junior football with several good passages of play. It was a better game than the drawn match a week earlier and again both were well in contention until near the end. The Old Parish forwards missed a few good scoring chances that might have made a difference.

The winners now play Melleray.

All-Ireland Final

Hundreds of Waterford supporters will travel to Croke Park in Sunday next for the exciting meeting of Meath and Down in what is expected to be a memorable game. With a northern team involved it is certain that a huge crowd will follow them to Croke Park which will be "bursting at the seams" for the decider.

Croke Park have turned down thousands of disappointed applicants for tickets, but this is unlikely to stop very many of them from coming to Dublin in the expectation of being able to pick up a loose one on the streets of the capital.

Here at home the demand seems to be greater than ever, even though no Munster county is involved. Whatever tickets are available will be distributed by Western Board Treasurer, James Walsh at Lawlor's Hotel on tonight, Wednesday. No tickets will be

available to individuals. No games will be played in the county on Sunday as is the custom on All-Ireland day.

SYMPATHY

Our very sincere sympathy is extended to the relatives of the late James Tobin of Tallow, who died in a Dublin hospital on Sunday morning last. James was once the very efficient secretary of the Tallow club, a position he held with distinction for a number of years. Always courteous and friendly, I, personally, found it a pleasure to work with him and I was very sorry to hear of his passing.

The Tallow club paid him full honours at his funeral and burial on Tuesday. They were very well deserved.

G.A.A. NOTES

Abbeyside And St. Marys Draw

Abbeyside 2-7 St. Marys 1-10

This was the forerunner to the series of weekend draws and again it was a fair result to an evenly contested, though not brilliant game, in the quarter-final of the intermediate hurling championship. It was a hotly contested match and no quarter was given. Some unwarranted shouting from the sideline forced referee John Moore to hold up the game to have two of St. Marys mentors ordered out of the sideline.

St. Marys did not play as well as when beating Shamrocks or Cappoquin and it could also be said of Abbeyside that their overall display did not match up to their game against St. Saviours. Both sides missed many scoring chances and both can consider themselves unlucky, but Marys were the side to miss most scoring chances.

The game was less than a minute old when J. P. Fitzpatrick pointed a free and Pat Hallahan pointed another in the 3rd minute. They were three up two minutes later when John Hallinan sent over from a long shot. Pat Walsh, who was subsequently to retire injured in the second half, had Abbeyside's first point

in the 11th minute. Sean "Hiker" McGrath made it two for Abbeyside before John Hallinan pointed from a 65 yards free.

Then came the score of the match when the same player took a 75 yards free and sent it all the way to the Abbeyside net. Pat Walsh and Conor Clancy had points to level at 1-4 apiece by half time.

On the turn over Fitzpatrick pointed but within two minutes Clancy had his second goal to put Abbeyside in front. John Hallinan and Ray Ryan had points to level again before Ian Kiely and Dave Sheahan put Abbeyside back in front with points in the 45th and 49th minutes. Two points by John Hallinan made it level again and

they went one up in the 56th minute with a J. P. Fitzpatrick point and with a minute remaining Dave Sheahan had the equaliser for Abbeyside.

St. Marys — J. Fitzpatrick, B. Tobin, J. Dalton, R. McGrath, P. Hearn, S. Kerins, J. Hallinan, T. Condon, D. Kiely, R. Ryan, G. Burke, J. P. Fitzpatrick, E. Lonergan, P. Hallinan, K. Hallahan,

Abbeyside — P. McGovern, G. Collins, M. Collins, A. Ryan, S. McGrath, J. Healy, F. McGovern, I. Kiely, M. Reynolds, P. Walsh, John McGrath, W. Kiely, C. Clancy, D. Sheahan, K. Killigrew. Subs — T. Murphy for M. Reynolds (Injured), F. Sweeney for P. Walsh. Referee: John Moore.

Erin's Own Fight Back To Draw

Colligan 4-8 Erin's Own 3-11

This intermediate hurling championship game was surely the most amazing of the four drawn matches over the weekend as practically everyone present in the fair big crowd at Fraher Field believed that it was all over when referee Pat Moore blew the half-time whistle.

At this stage Colligan were an unflattering fourteen points ahead and looked like doubling their half time tally of 4-6 to 1-1. Erin's Own got a goal and a point in the first five minutes and were on the defensive for the next twenty-five.

Colligan came out of their dressing room after half-time, supremely confident of qualifying for the semi-final against Shamrocks, many of whom were present to spot the form of the contestants.

As things transpired Colligan were to get only two of the fourteen second half scores as Erin's Own mounted a massive onslaught and kept up the pressure until they got the final score in the 60th minute to earn another chance of winning a semi-final place.

SCORING

Jimmy Beresford opened the scoring with a pointed

free in the first minute and Johnnie Connors replied with a goal for Erins Own a minute later. Connors pointed again to give the city side a temporary lead, but this was their final score of the half. With Jimmy Beresford, Kevin McGrath and Billy Fraher in top scoring form, Colligan were able to race into a commanding lead by half way. One of the features of this half was the goal scored by centre-half Ollie Whelan, who shot all the way from 85 yards to the Erin's Own net.

The second half belonged to the visitors and apart from two points scored by Jimmy Beresford, one from a free, Colligan made little impact.

With Damien Byrne moved to centre-forward and Noel Kelly and Johnnie Connors in great scoring form, Erin's Own took command of the game and in a pulsating half hour

they shook off a fourteen points deficit to earn a deserved draw.

Scorers — Colligan: J. Beresford 1-3, B. Fraher 2-0, O. Whelan 1-1, K. McGrath 0-3, N. Drohan 0-1; Erin's Own: J. Connors 1-5, N. Kelly 1-3, B. Coady 1-0, D. Power 0-2, D. Byrne 0-1.

Colligan — M. Beresford, Lar Beresford, John Dunford, Liam Beresford, Michael Power, O. Whelan, P. Dunford, P. Coffey, M. Dunford, B. McGrath, N. Drohan, J. Quinlan, J. Beresford, K. McGrath, B. Fraher.

Erin's Own — N. Connors, D. O'Leary, T. Byrne, D. Coady, P. Coady, D. Byrne, B. Doyle, D. Robinson, S. Jacobs, John Coady, P. Walsh, J. Connors, B. Coady, N. Kelly, Michael Hoban. Sub. — D. Power for Hoban and D. Sullivan for John Coady.

SUMMER CAMP

Photo shows a group taken at the recent very successful summer camp for young hurlers which was held at St. Augustine's College, Dungarvan. A similar very successful course was held at the Mount Sion grounds in Waterford during the following week. Included in the photo are coaches Peter Power, who is the official juvenile coach for rural Waterford, well-known Cork All-Ireland hurler John Fenton and well-known Tipperary hurler Colm Bonner who is coach at the Regional College, Waterford and for schools and clubs in the city area.

Western Board Meeting

The following fixtures were made at a meeting of the Divisional Fixtures Committee held last week:

Junior Hurling Final — Kilgobinet v. An Rinn at Dungarvan on Sept. 29.

Junior Football — Tallow v. An Rinn at Cappoquin on Oct. 6 at 3.15 p.m.; Modeligo v. Melleray at Cappoquin on Oct. 6 at 2 p.m.

Under-21 Football Final — "A" Affane v. An Gaeltacht at Dungarvan on Sept. 14; "B" St. Patrick's v. St. Olivers on Sept. 14 at 2 p.m.

Minor Football "B" Final — Stradbally/Naomh Brid v. St. Patrick's/Nire on Sept. 22 or Sept. 29.

At the Board meeting which preceded the fixtures meeting a full report on the progress of the championships was given and the chairman, Jimmy O'Gorman complimented the clubs on the excellent co-operation shown by clubs in the division.

REFEREES REPORTS

A number were dealt with and Sean Whelan, St. Mary's, was suspended for 12 months and David Whelan, Naomh Brid, for three.

Tom Drummy, Eire Og, apologised to the Board for his club's failure to field for the junior hurling tie recently. He said that only 13 players were available at the venue. He asked if the

fine imposed in accordance with an earlier Board decision, could be mitigated. The chairman said that his request would be noted.

Michael Cass, St.

Patrick's, complained that not all the incidents which are happening on the field of play, are being reported. The chairman said this would be looked into.

The Record

It was pointed out to me that a slight miscalculation may have been made in compiling the record score achieved by Dungarvan in the senior football championship this year. Having carefully researched their scoring in all six matches played to date, I find that their total now stands at 7 goals and 84 points (105) and that a total of 34 points was scored against them. Playing six championship/league matches on the trot without having a single goal scored against them is also something of a record.

Kilrossanty club are not doing badly either on the scoring charts with a grand total of 12 goals and 41 points (77) from six games. If they survive the semi-final and get to the Conway Cup final, they too will have a chance of reaching the magic 100 points.

Football Coach

The County Board were informed by Coisde Na Peil on Monday night last that the new juvenile football coach will be appointed shortly and his name will be submitted to the October Board meeting for approval. The ten applicants will be interviewed by an interview board within the next couple of weeks.

Coisde Na Peil also informed the meeting on Monday that the junior, under-21 and minor football selectors will be named to the next meeting.

Big Gate Receipts

At Walsh Park on Saturday evening for the Mount Sion v. Roanmore game, the gate receipts were £5,218 while a total of £4,681 was collected at Cappoquin for the Tallow v. Lisimore game on Sunday. The two intermediate games at Fraher Field on Saturday and Sunday netted £600.

Cllr. Calls For Special Force To Counteract Burglaries

Standing Orders were suspended at the outset of the monthly meeting of Waterford County Council held in Dungarvan last Monday to enable Cllr. Gary O'Halloran, Clashmore, to raise a matter of special importance and urgency.

Standing Orders were suspended at the outset of the monthly meeting of Waterford County Council held in Dungarvan last Monday to enable Cllr. Gary O'Halloran, Clashmore, to raise a matter of special importance and urgency.

Cllr. O'Halloran stated that he wished to refer to the spate of burglaries which had taken place within a radius of 10 to 15 miles of Dungarvan in recent weeks. Several had occurred in the Lemybrien and Kilrossanty area and the Clashmore district had also been hit. "Every second day a house or a car has been broken into by the same culprits and the local Gardai have as yet been unable to catch any of those responsible in the act," he said. Cllr. O'Halloran then proposed that the Minister for Justice be asked to set up a special force to follow these people who travelled in vans around so that they

could be watched and apprehended.

Cllr. C. O Riain supported the proposal and instanced the case of an old age pensioner in his area who lived alone and had his life savings robbed from him. "Not only did they rob him but they also pulled down the interior of his house," he said.

Cllr. O Riain said that despite the fact that they had a Community Alert area these things were happening. "It is very disheartening," he added.

Cllr. O. Coffey said that he also had similar cases in his area around Kilrossanty and he did not know what people could do to protect themselves and their property except to take the law into their own hands.

Cllr. J. Quirke said that the same situation applied to his area in Ballyduff Upper. He thought that people who saw strange vans or vehicles parked in their area should at once

notify the gardai.

The proposal made by

Cllr. O'Halloran was passed unanimously.

Many Animals But Little Cash At Tallow Horse Fair

The annual Tallow horse fair was held on the streets of the town on Tuesday, September 3 and while the number and quality of horses on view was as good if not better than usual, cash buyers were conspicuous by their absence.

The day was beautifully fine with a scorching sun sending the mercury into the 70's and if business was slack where the fair itself was concerned the pubs around the town did a roaring trade throughout the day as the large crowds sought to slake their thirst with cooling pints.

Regular fair goers blamed the recession in the U.K. for the absence of many of the buyers from Britain who usually attended while scarcity of money in this country was accepted as another contributory factor.

From early on the day before stallholders selling everything from a needle to

an anchor invaded the town taking up every possible vantage stand at the Square and along the adjoining streets. Never before were so many chip vans seen in Tallow at the same time while amongst the parked caravans there was one which even offered to read palms and forecast your future in love (for a fee)!

The horse fair marked the climax of the annual Tallow festival which saw the town en fête for practically all of the previous week when the very varied programme of entertaining events arranged by the organising committee drew big crowds to the town each night.

£300,000 Project To Develop Lismore As Major Heritage/Tourist Centre

CONTINUED FROM PAGE 1

had shown an interest in taking the equity on condition that the Co. Council would covenant to remain with the project for a period of ten years.

In the course of his report the County Manager states that since March when the Bord Failte Heritage Towns Programme was introduced, Lismore was now one of the better prepared towns with its plans and work programme. This could be attributed to the workload undertaken by the following sub-committees: 1) Planning and Evaluation under the Chairmanship of John Barry, Chairman, Waterford Foods plc.; 2) Finance, chaired by Brian McNally, County Secretary and 3) Implementation, chaired by John O'Flynn, County Engineer.

WORK PROGRAMME
The work programme to be completed under the project has been set out by Mr. Hurley as follows:—

Courthouse Interpretive Centre — Renovation and other remedial work;

Car Parks — Hotel Car Park — Temporary Car Park and building stone wall for visual screening;

Heritage Walks — Lismore Walk — Town Walk; Lady Louisa's Walk — River Blackwater Walk; Green Road Walk — Rural Walk; Seats & Litter Bins; Round Hill Walk — An extension to Lady Louisa's Walk leading to the Round Hill (Lismore).

Cathedral: Library —

Window over stairs to be opened by improvements to Library area; Roof — Repairs to roof and gutters; Flood Lighting — Flood lighting spire.

Lismore Castle: Riding House — Repairs to entrance building and bridge between gardens; Carlisle Tower — Repairs to tower to allow public viewing; Flood Lighting — North & East Facades (or parts).

Round Hill (Lismore): Car Park — Space for 5/6 cars; Information Panel — Description of historic uses and importance; Access to top — Clearing pathways etc.; Archaeologists — Site investigation and research by archaeologists.

Street Lighting — New light columns etc.

Mr. Hurley then informed the Council that at this stage he had sought and obtained approval from Bord Failte for a grant aid scheme of 50% towards the cost of those works and a possibility of a 75% grant for certain works undertaken by the Council.

STAGE TWO

The County Manager's report went on to state in stage 2, the renewal of the canal and the development of the gasworks building as a terminus for the Lismore-Youghal waterway and a craft shop centre would take place. The old Railway Station will house a

Museum and Restaurant and it is hoped to provide hostel accommodation in the Hospital Building.

"A major attraction within the Heritage town concept," the report then stated, "will be the provision of the Heritage Interpretation Centre.

Agreement has been reached with the Department of Justice that this building will be made available in time exclusively to the Heritage Company for its development. Within the building I propose that there will be a cinematic presentation on the multi-vision audiovisual method using large screens and up to ten cameras working simultaneously to present the history and attractions of Lismore back to its foundation by St. Carthage in the 700's."

Mr. Hurley then suggested that the County Finance Officer, Mr. Paul Clerkin should be the Council's representative and liaison officer on the new Lismore Experience Company and he recommended the adoption of the report as presented by the Council.

Representing the Council on the Heritage Company are Cllrs. W. McDonnell and J. Quirke.

MEMBERS' VIEWS

Proposing the approval of the Co. Manager's report, Cllr. Pat Coffey said that

the problem in this county as in many other places was that tourists just passed through on their way to such places as Kilmalkey and the West of Ireland. "They will continue to do this unless we have something to hold them here," he said.

Cllr. J. Quirke seconded the proposal.

Cllr. B. Kyne then stated that he wished to raise a word of caution in regard to the jobs which were created by tourism. Many of these were in hotels which paid only £1 an hour and such jobs were not much good. He said that this was a position that needed to be monitored and investigated. "It beholds the Council to create quality jobs and not jobs where people are exploited as is happening to a great extent in the county at present," he said.

Mr. Hurley said that while he shared Cllr. Kyne's concern in this regard their only control could be over jobs created by the Council itself.

Cllr. O. Wilkinson said that while he welcomed this news which would have a tremendous impact for Lismore, it should not be forgotten that the three towns of Cappoquin, Lismore and Tallow had always gone together and he asked whether anything could now be done for the other two.

Cllr. Coffey's proposal was then put and carried unanimously.
