## WATERFORD CO. COUNCIL ESTIMATES

# Services Reduced As Cutbacks Bite

A member of Waterford County Council launched a scathing attack on the pay and salary increases being demanded by the public sector and medical profession at the resumed estimates meeting of the Council held in Dungarvan last Friday. Cllr. Ciaran O'Ryan said that the country could not bear this kind of squandermania at a time when it was heading for financial disaster.

At the outset, the Co. Manager Mr. Dan Hurley told the Council that if anything, they were in a worse position now than they were when they first met to consider the esti-

mates two weeks ago, as the rate support grant since notified showed no increase on last year and as a result this created a further cash shortfall of £114,932. The Estimates as presented

provided for a total gross expenditure of £17.19 million and called for a commercial rate of £30.03, up 3.5% on last year. In addition it called for a 5% in-

## Civic Reception For Lismore Senior Hurlers and Club Members

Lismore Town Commissioners accorded a civic reception for the Lismore senior hurling county champions, club officials and members of the 1942 senior hurling panel at the Town Hall on Friday night, November 29.

Welcoming the large attendance, which was representative of all sections of the community, the Chair-

man, Mr. Joe Roche said it had been an exceptional year for the town with the designation early in 1991 of Lismore as a Heritage Town, followed later by the visit of Her Excellency, Mary Robinson, President of Ireland.

"However," the Chairman said, "the best was yet to come! We are here tonight to pay tribute on behalf of the people of the area to the Lismore GAA Club on winning the county senior hurling title. When the final whistle blew at Walsh Park on October 6 last, many years of bitter disappointment were wiped away."

He felt the key to such success lay in the tremendous amount of work being done at under-age level and referred to the fact that most of the current senior hurling team had graduated through that process to bring this latest honour to the town and hoped that it would be the first of many in the years ahead.

Mr. Roche also had words

of praise for the club officials and said that no team

## No Allowance For Co. Council Chairman

As the Estimates meeting of Waterford Co. Council held in Dungarvan last Friday evening was nearing conclusion, the Co. Manager pointed out that no figure had been included in the Book of Estimates towards the provision of an allowance for expenses incurred by the Chairman.

Cllr. O Riain said that he had no doubt but that it would be right and proper to set aside a certain amount for this purpose.

Cllr. P. Kenneally, Fianna Fail Party Whip stated that in view of the Council's present financial state and the fact that Fianna Fail had no interest in the chair

## Fire Claims Life Of Modeligo Child

A 3-year-old child, Alice Kearns, died following a fire at her home on Tuesday evening last at about 3 p.m. She was daughter of Mr. and Mrs. John Kearns, Scart, Modeligo. Units from Cappoquin and Dungarvan Fire Brigades were called to the scene. The child who had been burned when her clothes caught fire in the living room of the house

was rushed by ambulance to Dungarvan District Hospital in an unconscious condition suffering from smoke inhalation but died some time afterwards.

The tragedy has cast a great gloom over the entire Modeligo area and the sympathy of all is extended to Mr. and Mrs. Kearns and family on this very tragic and sad occasion for them.

## Employment Under Pressure States Union Official

At the Biennial Meeting of the 11/87 Dungarvan Branch of the ATGWU held at the Courthouse, Dungarvan, on Wednesday 27th November, 1991, District Office, Tony Mansfield stated that employment was under pressure on virtually all fronts, especially when one took into account that the number of persons registered as unemployed last October was a staggering 256,950, and when one recalled that Mr. Jack Lynch when Taoiseach had stated on one occasion that if unemployment levels exceeded 100,000 that the Government would have to resign.

There could be no re-negotiation of the "Programme for Economic and Social Progress," he stated as their members employed in the Local Authorities, Health Boards and Vocational Education Committees should not be penalised for the Government's failure to tackle the tax equity position.

### COMPULSIVE READING

He stated that the Annual Report of "Comptroller & Auditor General's Report" made for compulsive reading.

Ten sheriffs had withheld millions of pounds due to the State in 1990 and earned large sums in interest payments. The ten withheld

### Official

amounts ranging from £10,000 to £790,000 and placed them in interest-earning deposit accounts on a total of 29 occasions in 1990.

The Revenue Commissioner's Examination of 1,324 self assessment Income Tax Returns since 1988 showed, he said, that extra tax owing in 80% of cases at an average of £11,143.00 per case. The figures suggest that an extra £1.9(bn.) is owed in self-assessment income tax.

By May 1991 £2.7 (Bn.) in outstanding taxes and PRSI remained unpaid although a large proportion of these debts were under appeal. Of that total the Revenue Commissioners expect to collect just £426 million leaving almost £2.3 (bn.) lost forever.

It was obvious that the Government lacked the political will to provide the country with "Tax Equity," he stated.

### A GOOD URBAN COUNCIL

Mr. Mansfield stated that Dungarvan people must come out strongly in support of the retention of Dungarvan Urban District Council, which in his view, was a most progressive Local Authority.

If the Urban Council was abolished it would be a bad day for our town, he stated.

### MEMBERSHIP HOLDING WELL

Mr. Mansfield stated that despite the difficult economic climate prevailing the total membership of the 11/87 Branch was holding very well.

New sections were organised and people who called to their offices at 35, O'Connell Street, could be assured of confidentiality at all times.

A warm welcome was assured to their members employed by the South Eastern Health Board in Dungarvan who would be serviced from the Dungarvan Office from now on.

### BRANCH OFFICERS ELECTED FOR 1991/1992

Chairman — Michael Spillane; committee — J. G. Byrne, Paul Fraher, Tom Nugent, with nominated representatives from the various sections.

### RETIRING

Outgoing Chairman, John Organ, to whom many tributes were paid, advised that he was retiring from all Union activities at the end of the year. He thanked all members for their help over the years and also Tony Mansfield, District Officer, for his support and Office Assistant, Mrs. Mary Cooney for her help.

John Organ, who served for many years as Shop Steward at Waterford Foods plc and served for two terms as Regional Representative, served as Branch Chairman from 1962 to 1971 and again from 1985 to 1991.

The Branch's new chairman, who followed in the footsteps of Paddy Power, T.A. Kynce, J. G. Byrne and John Organ is Michael Spillane, who is currently shop Steward at Waterford foods plc. Warm tributes were also paid to outgoing branch committee representatives Michael Cooney and Tom Drummy (Snr.) for their lengthy service at Branch level.

## ABBEYSIDE SCOUTS NOTES

### TROOP MEETING

The meeting started at 7 p.m. We said the prayers and the subs were collected while SPL's Mark Shepherd and J. P. Cosgrave did a uniform inspection. After that we had a game of Bulldog where Derek Hayes proved to be a very tricky customer.

Then we had a game of Cyclops where the Panthers proved to be the fastest with a time of 13.9 secs compared to most of the other patrols at around 30 secs, so the Panthers under Sean Kelleher won the game.

At the request of Neil Moore who wanted to do drill, Ciaran did some movements in both English and Irish.

After this, SPL Aidan Mullarkey arranged a quiz. There were a lot of interesting answers by Ronan Mc-

Carthy and John Phelan. Then, after a quick game of North, South, East and West, we ended the meeting with a prayer.

### GENERAL

Last Saturday evening, PL Conor Mooney, with three other PL's from our region, travelled with Regional Commissioner Maurice O'Brien to Limerick City to take part in the National PL's Conference which is a forum for the Patrol Leaders to discuss and debate items which they feel affects scouting locally, regionally and nationally. PL Conor reported back with a slightly sore throat from all the talking and a good number of "handouts."

### BADMINTON

Sunday was the setting for the Annual Doubles Badminton Tournament. There were some great first round matches with some fine scoring from John and Paul Cosgrave and David Shepherd. The first-timers also played well. These included

Stephen MacNamara, Ronan McCarthy and a few more "Link Badgers."

In the second round Eamonn Veale and John Kyne played like champions. It must be said that Brian Forde was as good as the rest. Eventually it came down to the final and John Kyne on his own played J. Paul Cosgrave and David Shepherd. The overall winner was John Kyne.

Question to be answered: Who was David Shepherd giving out about? Why was Brian MacNamara jealous of Seamus Clancy.

Thanks to Seamus for the score and thanks to "Smiley" and all the other organisers and linesmen.

### CONGRATULATIONS

We send congratulations to Abbeyside Guides who celebrated 10 years in existence last week. We know the party was only great and we look forward to a long association with both Brownies and Guides in the future. — SCRIBE.

crease in domestic water charges from £98 to 103; the disengagement from public refuse collection as from July 1 next year and an increase from 25p to 50p in the bag charge until then.

Mr. Hurley said that the latest situation with the added deficit of £115,000 meant that the gap would have to be bridged either by a further increase in other revenue sources or further reductions in expenditure. "Because of the cutbacks in the rate support grants, the maneuverability of Councils has been limited and that of Waterford Co. Council is, in the circumstances, very, very small," said the Co. Manager who added that the doomsday situation for Waterford started when rates on agricultural property were abolished.

Cllr. P. Coffey proposed that a rate increase of 3.5% be approved but said he would be slow to go any further as it was the small shopkeepers throughout the county who would have to bear the burden.

The proposal was seconded by Cllr. M. Queally and

passed without a division.

**WATER CHARGES**

The proposal to increase water charges from £98 to £103 with a 10% rebate for early payment and a waiver scheme was next considered.

Cllr. P. Coffey said that in the circumstances he would be prepared to accept this and proposed its adoption.

Cllr. Con Casey seconded. Cllr. T. Wright proposed that water charges be completely eliminated but this was not seconded.

A vote was then taken and resulted in approval by 17 votes to 6; all 10 F.F. members with 7 F.G. voted in favour while the 3 Labour, 2 F.G. (Cllrs. O'Halloran and Walsh) and 1 W.P. member voted against.

Mr. Hurley at this stage pointed out that they were still £115,000 on the wrong side because of the deficit in the rate support grant.

Pointing out that water charges had gone up from £29 in 1982 to £103. Cllr. B. Kyne said that it was the Government which had forced Councils into

putting these charges in position, charges which the Councils could not collect. "If we are going to be closed down it will not be the fault of the Council but of the Department of the Environment," said Cllr. Kyne.

**REFUSE COLLECTION**

The Manager told Cllr. P. Kenneally that if the refuse collection was to be maintained for the full year it would cost £160,000 more than was included in the estimates. It was proposed to disengage from the service next June.

Cllr. Kyne strongly opposed this measure and said that it was not the Co. Manager's fault but the Dept. of the Environment who had cut the support grant. There was a deafening silence at Government level about all this he said but he warned that if the scavenging service went, the Council's machinery yard would also come under risk. "If the Council has come to this stage," he said, "people must ask questions."

Cllr. Jackie Fahey T.D. was at once on his feet stating that it was a Labour Minister for the Environment who first introduced water charges and what they were now getting in the rate support grant far exceeded what they got when there was a Labour Minister in power. "If we all voted against water charges as the Labour members did it would be the end of the scavenging services as there would be no money to pay for it," said Cllr. Fahey.

Cllr. Fahey then proposed that the Manager's proposal on the refuse collection be approved provided meaningful negotiations were held immediately with the Union.

Cllr. C. O Riain seconding said that undue criticism of the Minister for the Environment and of the Government in general had been voiced. Referring to the pay proposals under the PESP, he asked if the country could bear this kind of squandermania under which the government must find a further £340 million for special pay increases in the public sector. He said the country was heading for financial disaster but the Council had to face up to its responsibility.

Cllr. O Riain was also strongly critical of the medical profession who were seeking a whopping 40% increase on their £50,000 a year salaries. "They're supposed to be caring people but all they are looking for is more, more and more," he said.

Cllr. Fahey's proposal was then put and declared carried by 14 votes to 9. An

amendment by Cllr. B. O'Shea T.D. seconded by Cllr. L. Hart to adjourn the matter to allow the Manager to meet the Union for discussions was defeated 15-8.

Finally to close the gap of £80,000, the Manager proposed that certain works on regional and county roads and water schemes be deferred for the present. He assured the members that employment in this sector would be kept up and that with discretion and following consultation with the Engineer the cuts proposed would not be even missed.

Cllr. P. Coffey then proposed and Cllr. Casey seconded that this proposal of the Co. Manager be also approved and this was agreed.

Finally, on the proposal of Cllr. Fahey seconded by Cllr. P. Coffey a proposal adopting the Estimates as submitted by the Manager, approving a rate increase of 3.5% at £30.03, an increase of 5% from £98 to £103 and the other proposals as submitted by the Manager was carried by 17 votes to 6.

they would be opposed to any such proposal.

Cllr. B. Kyne (Lab.) said that during his terms in the chair he always resented the fact that no office or secretarial back-up was available and felt that the position of Chairman deserved to be treated better than it was. In the circumstances he thought a reasonable allowance for the year would be in the £500 to £1,000 region.

Cllr. T. Wright (W.P.) supported the idea of providing an office and phone allowance but thought it would be wrong to make a financial allocation in view of the Council's financial position.

Cllr. P. Coffey (F.G.) said that now that the legislation permitted it, an allowance should be made so

that the occupier of the Chair would not be out of pocket.

When Cllr. Kyne proposed an allowance of £500, his Labour Party Colleague, Cllr. Lar Hart, declared that he was totally opposed to this and Cllr. P. Coffey said he thought it would not be enough.

Cllr. J. Carey (F.G.) then proposed that the matter be adjourned and that they carry on as they were. "It will only become a political football for the Press" he said.

Cllr. M. Queally (F.G.) endorsed this view stating that as they had done without such an allowance for so long he thought it better to defer it for the present.

The discussion ended with no action on the proposal being taken.

## Letter to the Editor

### GAELIC HURLING AND FOOTBALL IN CHRISTCHURCH, NEW ZEALAND

The Editor,  
Dungarvan Leader.  
Dear Sir,

Recent publicity given to efforts by my brother, Paddy Meskill, to organise a supply of hurling sticks to promote the game of hurling in New Zealand prompts me to write to as many of the generous people as I can possibly reach.

I would like to thank the newspapers and the GAA clubs who donated hurleys and the many individuals who responded so generously to the appeal.

Thirty hurleys and a supply of balls arrived some months ago and a new consignment has reached us at time of writing. Through your help we are able to practice hurling on Sunday

afternoons as we prepare for our annual Labour Weekend Tournament.

The Tournament will involve hurling and football teams from New Zealand's major cities and the hurleys received will certainly put hurling back on the annual programme.

Because the skills involved in Gaelic football are to some extent more easily learned by players accustomed to playing rugby and soccer, it has been reasonably easy to field a Gaelic football team at annual tournaments.

The Condon brothers of Dungarvan, who I understand, were cousins of John Kiely, used to play hurling in Christchurch when I first arrived here almost 30

years ago.

Incidentally, when I lived in London, I played with the "Cuchullains" Club and on one or two occasions played against John Kiely's London team. He also had a relation playing on his team whose name I cannot remember. (Perhaps some of your readers will be able to remember his name).

Father Joe Kelly was also a player in Christchurch and in later years a very interested spectator. Father Joe played with Christy Ring and Jack Lynch in the famous Cork "four in a row" All-Ireland hurling winning teams.

Lismore has been represented on our Christchurch hurling and football teams through the efforts of Declan Bransfield. Declan is a very skilled player and captains both teams.

With the generous help of so many people in Ireland and London in providing hurleys and balls, we now look forward to hurling becoming, once again, a feature of Irish culture in New Zealand through the games played at the annual "Feis" tournaments.

Thank you,

### CARNEGIE TRUST GRANTS

Dear Editor,

Foras Eireann is a conference of voluntary national organisations. For the last 40 years it has acted as an agent in Ireland for the Carnegie United Kingdom Trust.

Every five years the Carnegie Trustees adopt a new set of policies under which they make grant aid available to community organisations throughout Britain and Ireland. Currently these are in the categories: Community Service, Arts and Restoration.

My Council has been involved in assisting Irish organisations to prepare applications which fail within the Trust policies and in a manner which is likely to assist their success.

Voluntary organisations who would like a copy of the current Carnegie U.K. Trust policies should contact Foras Eireann.

Yours truly,

### BOOKS

## Latest Publications From Blackwater Press

Latest books published by Blackwater Press include "Gillian" by Veronica Staunton and "From Parnell to de Valera" by Marie O'Neill.

"Gillian" — This is the heart-rending story of the fight made by a courageous mother to save her daughter from the dreaded fatal disease of Cystic Fibrosis and the way in which the family coped and triumphed in the end.

In 1982 Veronica Staunton was told that her youngest daughter was suffering from cystic fibrosis, for which to date, there is no known cure. The story tells of the hardships endured by the family in coping with the physical and emotional de-

mands inflicted on them by this illness.

Receiving constant encouragement from her family, Gillian survived using infected lungs until in 1990 she became the first cystic fibrosis sufferer to receive a life-saving heart and lung transplant in the Irish Republic. The operation took place successfully in the Great Ormond Street's Children Hospital in London.

Gillian, as a result, now enjoys a quality of life she never ever thought possible for herself. The story is one which should give hope to anyone suffering from serious illness but stresses the great need for the setting up of a heart/lung programme

in Ireland.

"From Parnell to de Valera" — Mrs. Marie O'Neill, the author of this biography of Jennie Wyse Power (1858 - 1941) is a solicitor and a history graduate of U.C.D. who has been writing and lecturing for 30 years, both in Ireland and the U.S. on women's role in history.

Born in Baltinglass, Co. Wicklow in May 1858, Jennie Wyse Power was part of three revolutions in Irish life, the abolition of landlordism, the establishment of self-government and the achievement of a place in political life for women. She was one of the first women to sit in the Senate and she knew all the major figures from Charles Stuart Parnell to Eamonn de Valera. She worked with them and for them and was part of the revolution which they created.

The biography tells of the Wyse Power family's connection with the Co. Waterford Gaeltacht of Ring where in the early years of the century, they began to spend summer holidays; and the establishment of Colaiste na Rinne of which Jennie later was a member of the Board of Management.

It is only right and proper that the life story of this remarkable Irish woman should be published this year, the 50th anniversary of her death.

**FROM GLENDALE PUBLISHING LTD.**

"Things In My Head" by Ben, published by Glendale Publishing Ltd. is the disturbing and shocking personal account of the persistent sexual abuse over 3 years of a young teenage boy by his uncle. For obvious reasons the author has to remain anonymous but his story is one from which we can learn a lot about our society and ourselves.

### VOTES FOR THE IRISH ABROAD IN IRISH ELECTIONS

The Editor,  
Dungarvan Leader.

A Chara,  
The results of the Government's review of voting rights for those abroad will be eagerly awaited by many emigrants throughout the world, not least the Glór an Deoraí in London.

For many other European states the right to vote is the outward sign of the esteem in which they hold their emigrants. Ireland is singularly isolated in this respect.

Glór an Deoraí, a London based group, has for some years advocated a change in the voting laws to make it possible for the Irish abroad to vote in Irish elections. We see this as a process which will integrate us into the public life of the country, and we are encouraged by the support that we have had from the Irish public.

For example, in a recent survey of 5,000 people at 25 centres across the Republic, 73% were in favour of the emigrants' right to vote. Among many others concerned with the position of emigrants the Catholic Church has voiced its support, in calling on the government to introduce such a facility during last Septem-

ber's National Conference of Priests in Ireland.

Fears of the country being swamped by the votes of those abroad have been expressed in some quarters. According to the Central Statistics Office, however, some 220,000 or less than 10% of the electorate have left in the last 20 years, proving these fears to be unfounded.

Soon we will know whether or not the Government views us as part of the nation or not, trustworthy or not, and we will also know whether they are ready to look at the problems of mass unchosen emigration with the full participation of their former constituents.

If you support our campaign please contact your local Fianna Fáil T.D., to press for a change in the voting laws, and if you would like any further information, please contact us at 76-82 Salusbury Road, Queen's Park, London NW6 6NY.

## STRADBALLY NOTES

### THE UNITED PARISHES RE-UNION DETAILS

On Friday, November 15, more than 60 people left the area to travel to London by coach and by air to visit family and friends at the re-union for the parishes of Dungarvan, Abbeyside, Stradbally, Kilgobinet, Aglish, Ballinameela and Ring. They enjoyed their four-day trip but the highlight of the weekend was the re-union and social evening at Fr. Murphy's Social Club, Stonebridge, NW10, on the Saturday night.

The evening began with Mass. The chief celebrant was Rev. Fr. Michael J. Ryan, P.P., Stradbally, assisted by Rev. Fr. P. Ahearne, C.C., Abbeyside and Rev. Fr. Michael Enright, C.C., Waterford, a native of Abbeyside. The readings and prayers were all said by the visitors from home. The music was provided by an Abbeyside exile, Michael Bulfin, while Rev. Fr. Ahearne preached the homily.

After Mass all assembled in the beautiful adjoining parish social club for re-

freshments. Over 500, yes 500, attended, both young and old, with families and friends from every corner of mid and west Waterford. The evening was considered one of the best social events in the London-Irish social calendar. The welcome, the friendliness and the camaraderie was delightful.

The older groups, where people met after many years, the many young people re-forged their friendships they had made at schools in Dungarvan and Kilmacthomas. It was encouraging to see so many of our fine young people doing so well and being so happy. They admit the work is hard and the cost of living is exorbitant but they welcome the experience. It was good to see so many swapping phone numbers and addresses so that they can meet again and they will also feel secure in knowing that old friends are near at hand.

The informality of the re-union was part of its great success. Introductions were not necessary. By the early hours of Sunday morning we were all just one great happy family, strengthening the

bonds between home and our emigrants.

On Sunday evening a group enjoyed the hospitality offered by Rev. Fr. Jim Kiely, O.S.A., a native of Touraneena at his home and hostel in Hammersmith.

This re-union is now firmly established and all our exiles want us back again at the same venue next year. They send their good wishes to all their families and friends at home throughout the Deise.

### GRAVEYARD COLLECTION

Beginning at 7.30 p.m. you are invited to begin the journey towards the Heart of Christmas with the children from Scoil Garbhain. Lit by a star and a candle in the window, they will perform a Russian folktale about a little girl who was so busy that she missed the Great Event of Christmas. Afterwards in the Priory House people are welcome to a cup of tea and some shared reflection on the experience of Christmas (then and now). If you can't get to the church, Fr. On their way to the final they defeated Kilsheelan, Clogheen, New Inn, Ballyporeen, Upper Church and Ardinnan. ## LATE MRS. ALICE POWER

It is with regret we pen the passing of one of the district's oldest and most respected citizens, Mrs. Alice Power (nee Corcoran), Glenanane, Ballinamult, which sad event took place at her residence on Monday night, November 25.

Deceased was the last surviving member of an old and respected family, "The Corcoran's of Cloughclooney, Ballinamult." She was a very estimable lady of many charming traits of character. She loved to travel and she was possessed of an old world charm, she had a remarkable facility for recalling and relating to happenings of her earlier years. A thoughtful neighbour whose true depth of Christian charity and unassuming nature made for her many good and lasting friends and those who were fortunate enough to make her acquaintance, will deeply and justifiably mourn her demise and long cherish her memory.

The measure of the esteem and high regard in which the deceased and her family are held was clearly indicated by the representative groups of mourners paying their final respects to a very dear friend when her remains were removed from Drohan's Funeral Home, Dungarvan, on Wednesday evening to St. Mary's Parish Church, Touraneena. On Thursday morning Requiem Mass was celebrated for the repose of her gentle soul after which she was laid to rest in the family plot in the adjoining cemetery. To her sons and daughters we tender our sympathy.

## LATE MRS. MARGARET LANDERS

Widespread and profound sorrow was occasioned by the deeply regretted death which occurred at St. Joseph's Hospital, Clonmel on Tuesday, November 26 after a brief illness of Mrs. Margaret Landers (nee

Houlihan), Glen Lower, Kilsheelan.

It has caused profound regret and sorrow among her large family of six sons and five daughters. A wonderful mother who loved her family. She was a deservedly popular member of an old and respected family, she was a caring neighbour who was always at the ready with a helping hand. Her home was well-known as it is one of the last remaining polling booths in Co. Waterford. She was a person whose outgoing sincere nature endeared her to all who were indeed privileged to make her acquaintance and accordingly many now grieve for the void her sad demise leaves.

The esteem in which the deceased and her family are held was truly indicated when her remains were removed from her home on Wednesday evening to St. Mollerans Parish Church, Carrickbeg, with a large and representative concourse of sympathisers present and again at the Requiem Mass for the repose of her gentle soul on Thursday morning after which the funeral took place to Rathgormack Cemetery where a gentle mother was laid to rest. To her family we tender our sympathy.

## LATE MR. TONY O'BRIEN

Ballymacarbry and the Nire Valley learned with regret of the death of Mr. Tony O'Brien, Glenconnor, Clonmel. An enthusiastic lover of the out-door life, a man who lived on the Comeragh Mountains, Tony's interest in walking began with the legendary An Oige walking group led by the late Freddie Carew in the 40's and 50's. It was under that guidance that he developed a natural love of the mountain and later a passion for the Comeraghs. Ar dheis De go raibh a anam.

## LATE MR. JAMES CORBETT

The death has taken place in England of Mr. James Corbett, Baunfawn, Ballymacarbry. Full obituary next issue.

## TRAGIC DEATH OF JOHN McGRATH

The tragic death of well-known Nire Valley farmer and sportsman John McGrath, on Monday morning last evoked feelings of profound sorrow and regret in the area. John of Glendaloughin, Ballymacarbry, was found dead in his car which had been in collision with Keane's Bridge on the mountain road from the Nire to Clonmel road some time before 12 noon.

It is understood that John, who was 79 years of age, had been returning home following a visit to a neighbour. He was president of Nire Football Club and had himself been an outstanding Nire player in former years and was a member of the Nire junior team which won the county title in 1942.

# Crystal Workers Query Management On Redundancies And Future Plans

Waterford Crystal management was warned last Thursday night that a refusal to openly discuss the company's future plans would be taken as an intention to end crystal making in Ireland.

The ATGWU, which represents 2,300 glass workers in Waterford and Dungarvan, said in an open letter to company chief executive Paddy Galvin that workers were suffering severe financial hardship from prolonged short-time working.

They felt a deep sense of anger, resentment and concern as to their future with Waterford Crystal.

Information concerning the company's plans for the industry and their future had not been forthcoming since the end of the 14-week strike in 1991. Instead, the practice had been for workers to get information concerning company affairs

from the media.

The letter stated: "Information to the media, despite company denials, is widely believed by the workforce to come directly from company sources. "This is insulting to the workforce and damaging to prospects of future industrial harmony.

It was therefore imperative that the chief executive sat down with the union to discuss plans for the three crystal factories.

It was important to outline the nature and extent of redundancies, in view of the chief executive's public statement that workers were to be made redundant.

## FUTURE PLANS

The workers also wanted to know the company's plans for future sourcing of cheaper Marquis Crystal in Germany, Portugal and Yugoslavia.

The workforce were not mere observers of the industry, but represented a living part of the company and its assets. It was the right of the workers to know, and the duty of the company to fully inform them, of all plans affecting their future and that of their families.

A spokesman for the company said management was willing to meet the union at any time to discuss redundancies and future plans.

Since that time they have served the parish and area with distinction in the education of boys. We have good reasons to thank them and will mark this transfer in a fitting way at a future date.

## Dungarvan C.B.S. Tour Report '91

Now that the dust has settled and Paris seems to have suffered no long-term damage, it is time to take stock of the 1991 CBS school tour. We had, by all accounts, the largest Irish tour group this year, at 115, and we stayed at the Auberge d'Artagnan, a sliotar's puck from the site of the infamous Bastille.

Our first night was capped by a boat trip on the Seine, a wonderfully comprehensive yet tranquil introduction to Paris. Day two saw us ascend the Eiffel Tower, visit the military museum and Napoleon's tomb at the Hotel des Invalides, the Arc de Triomphe, Champs Elysée and Montmartre. By now we had a pretty good idea why the French invented Grand Prix racing — much safer than driving in Paris — and back at the hostel, even the most hardened "spuds and cabbage" men

were beginning to think this French food might catch on.

Next morning we headed for the Louvre, impressed by its immensity, its stunning pyramidal entrance and, of course, Mona Lisa herself. Notre Dame followed, where it did not take our lads long to find the best and cheapest souvenir shops around. The Pompidou Centre provided some great street performers for our enjoyment. Shopping in Boulevard Haussmann followed and we paid a flying visit to Pere Lachaise ceme-

tery where we recognised graves of the "famous" like Chopin, Wilde and Bizet, but who's this Jim Morrison chap? After all the "culture" a night of bowling was thoroughly enjoyed by all.

On our way home next day we took in the extravagance of Versailles — surely a gardener's nightmare, and got in some final shopping at a huge hypermarket en route to Le Harve.

The less said about the gruelling 27 hour boat trip home the better — suffice to say we considered it worthwhile for the great memories we brought home. The trip was an educational tour in every respect, aside from the obvious historical, geographical and cultural benefits. The need to use a few words of French, to haggle with souvenir salesmen, calculate prices and find one's way around the continent's largest city helped develop self-confidence and independence in everyone, students and teachers alike.

Wonder where we're going next year?

## TALLOW CREDIT UNION MEMBERS EARN UP TO 7%

A return of almost £84,000 to the members approved at the Annual General Meeting on Thursday night last, gave each member a return of 5% on Shares and 7% on Deposits. "This," according to Chairman, Kathleen Barry, "represented a very satisfactory return to the members." One of the highlights of the year was the opening of a new sub-office in Ballyduff. Ms. Barry congratulated the Ballyduff Community who worked so hard to provide this service for their area. She also congratulated the Conna Volunteers who have been providing a similar service to their community for over six years. The visit of Registrar of Friendly Societies, Mr. Martin Sisk, was welcomed by the Directors and such visits are encouraged for the future.

Mrs. Nora O'Brien on behalf of the Credit Committee reported 772 loans totalling almost 11/4 million were granted during the year.

On behalf of the Supervisory Committee Mr. Michael Cunningham stated that all the books of the Credit Union were checked on a regular basis and at all times were found to be correct. "The Supervisors", Mr. Cunningham stated, "are satisfied that the overall administration and all decisions taken are correct and in accordance with Credit Union Rules and the Credit Union Act."

The Financial Report was given by Treasurer Helen McCarthy who reported a surplus of £128,636 — an increase of over £18,000 on previous year. "Savings are now very close to our second million" Mrs. McCarthy said.

Mr. John Hogan reported that the most outstanding successful event ever organised by the Credit Union was the Christmas Party — the second one is being organised for December 7 of this year. He also paid tribute to all who helped to collect £1,600 for Daffodil Day — to the volunteers and to all who supplied daffodils free of charge to this worthy cause. He congratulated teachers, parents and clergy who re-built Britway National School after being devastated by fire. He reported that 67 clubs and associations are now members of the Credit Union and have their savings lodged where they truly belong in Tallow Area Credit Union.

## TALLOW G.A.A.

The Carling sponsored G.A.A. Table Quiz reaches its climax on Wednesday night when the final will be held in John Lyons' Bar at 9.15 p.m. sharp. Six teams have qualified. In the final we have three teams from Tallow, one from Conna, one from Knockanore and one from Glanworth. Each team that qualified did so only just, but it makes for a very interesting night on Wednesday. The prizes have been sponsored by Carling so why not come along and enjoy the "craic".

## ARDMORE ARE WORTHY CHAMPIONS Ardmore 3-2 Tallow 2-2

Ardmore avenged their defeat by Tallow in the hurling decider by winning the final of the Under-12 football competition in Cappoquin on Sunday last. Tallow are the first to offer congratulations and acknowledge that the better team won.

When Barry Power's high kick was fumbled over the line early in the first half Tallow got off to the best possible start. Undaunted, the eventual winners set about their task in spirited fashion and by half time were ahead by a point. If we thought the game was decided then we were soon to learn how good those teams were as they redoubled their efforts to provide us with a great second half.

When Roy Henley finished a Tallow move to the net with about seven minutes remaining, to level the game, there was everything to play for. Like true champions Ardmore rolled forward in attack after attack and when the referee awarded a penalty some four minutes from the end they drove home the winner. Try as Tallow did there was no way through the solid Ardmore defence.

Tallow don't begrudge the seaisiders their success because it was earned the hard way and that one score late in the second half which decided the outcome showed how evenly matched the two sides were.

Our backs were great and coped pretty well with their fleet-footed opponents. For once midfield was a struggle and with our attack, the opposition was very sure under the high ball getting in great clearances.

It was an enjoyable campaign providing much satisfaction for players and followers.

Sincere thanks to all who

helped provide transport and the team coach didn't wear a tracksuit on Sunday last; the coach was a 25-seater, very much appreciated by the young footballers. Thanks Austin.

Scorers — Roy Henley and Barry Power 1-0 each; James Murray and Jason Prescod 0-1 each.

Tallow — Ian O'Brien, Maurice O'Brien, Shane McCarthy, Sean Slattery, David O'Brien, Martin Ryan, Paul Murray, James Murray (capt.), Barry Power, Paul Cronin, Jason Prescod, William Henley, Ronan Cronin, Roy Henley, Sean Cronin. Subs. — Shane McCarthy, Eoin Mangin, David Cavanagh, Rory Hennessy, Mossy McGrath, William McDonnell, James Clancy.

## SQUASH CLUB NOTES

**Final Of November League**—The final of the Nov. League was played on Fri. night last and resulted in a win for Billy Cantillon's team over Neil Twomey's team by four matches to one. Billy had a good win over Neil, but Stephen Hampton levelled the match when he beat Helen Aherne. The best match of the night was Aidan Ryan's win over Pat Cullen. The match was level at one all, then two all before Aidan clinched it 3-2.

The prizes were presented afterwards by the Club Chairman, John Roche, to the two teams. The winning team were Billy Cantillon (capt.), Aidan Ryan, Jack Aherne, John Allen and Helen Aherne, while the runners-up team were Neil Twomey (capt.), Pat Cullen, Mike O'Leary, Garry Twomey and Stephen Hampton.

**Christmas League** — The draw for the Christmas League was made on Saturday night, with a very good entry. The first, second and third rounds must be completed by December 16 with the semi-finals on the 20th and the final on the 23rd followed by the Christmas Party.

The draw for this week is as follows — Billy Cantillon v. Frank Roche, Frankie Ryan v. Jack Aherne, Bets Daly v. Donie O'Brien, Kieran O'Donoghue v. Stephen Hampton, Mary Corkery v. **Country Club Team** — Our Country Club team are going very well at the moment with some good wins and two losses to Minnies and Dungarvan. They should be lying second at the moment after the half way stage. The team representing us is as follows — Neil Twomey, Aidan Ryan, Pat Cullen, Tom O'Grady, Gabe Daly and Frankie Ryan.

**Happy Event** — Congratulations to our very popular player Tom O'Grady and to his wife Betty on the birth of a baby girl. Another squash player in years to come. — Hand Out.

## NEW YEAR'S EVE PARTY

Do you remember when we, the people of Tallow, on New Year's Eve would ring in the New Year with bells, sang songs and danced at the Square at 12 o'clock. The late Frank Prendergast and Dave Doyle would play around the streets, all in great fun. Sadly these two great men are gone and so are the fun nights. But this year the Community Centre are organising a parish get together on New Year's Eve in the Hall. People of all ages are invited. If you would like a table for your own group or you want to join in with others, or what ever, Tallow this New Year's Eve is the place to be. No need to drive out of town. Turkey and ham and all that goes with it, lovely desserts, tea or coffee, etc. Bridie Martin of the Corner House will organise the bar and the band will play until 2 a.m. Tickets are now available at only £6 from Jack Aherne 56304 or any member of the committee. Here's to New Year's Eve at home.

## EAST CORK SCOR NA NOG DIVISIONAL FINAL

Dungourney Hall was packed to capacity last Saturday night for the Imokilly (East Cork) Scor final and just as the semi-finals at Castlelyons and Carrigwohill drew the crowds recently it is an indication that this great cultural event is restored to its former glory. From early on as parents and children arrived a great sense of spirit and enthusiasm could be observed and the stirring notes of the accordion and other instruments occasionally in some of the adjacent rooms added an early flair to the night's entertainment. When Julia Dennehy Bean A' Ti took the stage and the adjudicators Mrs. Eileen Forrest, Mrs. Catherine Bolger and Noel Higgins were in position, after the playing of the National Anthem, the programme commenced, with teams from Youghal, St. Ita's, Killeagh, Fr. O'Neill's, Dungourney, St. Catherine's, Aghada, Carrigwohill, Erin's Own, Sarsfield's, Glanmire, Carrignavar, Bride Rovers and Castlelyons, a lively interest was maintained to one of the final highlights, the set dance.

The results were:

**Figure Dancing** — Castlelyons: Yvonne Fouhy, Amy O'Sullivan, Fiona O'Sullivan, Louis Kelly, Edel Martin and Marie Meade. **Recitation** — Gerard Crowley, Carrignavar. **Solo Singing** — Michelle Burke, St. Catherine's. **Novelty Act (Nua Cleas)** — Youghal: Eavon Foley, Claire O'Brien, Elaine Mulcahy, Grainne McCarthy, Aisling Butler and Gemma Walsh. **Question Time** — Bride Rovers: Elaine Dorgan, May Fitzgerald and Ann Barry. **Instrumental Music** — Youghal: Ray O'Brien, Aisling Butler and Francis McCarthy. **Ballad Group** — St. Catherine's: Martha Aherne, Michelle Burke, Laura Burke, Claire, Paul and Susan Finn. **Set**

**Dance** — Youghal: Sean Aherne, Niamh Fitzgerald, Derek Aherne, Niamh Twomey, Edward Hennessey, Gemma Walsh, Victor O'Brien and Aoife Pomphrett.

John Joe Whelan was Question Master with Denis Flynn as Scorekeeper and Joe Brown as Timekeeper. The accordionists for the dances were Chris O'Mahoney, Ballynoe, Brendan Donnelly, Glanmire and young Brian Mulcahy from Aghada.

The Scor final was appropriately held in Dungourney to commemorate the memory of local man Dan Kennedy, who worked assiduously for the G.A.A. and Scor during his life. A new innovation took place this year when the Juvenile Board presented a cup with Dan's name inscribed on it to be presented each year to the team with the highest points at the Scor Na nOg final. Incidentally it was won by Youghal and the initial presentation was performed by Dan's wife, Mrs. Alice Kenneally to John Aherne of the Youghal Club, a club who are celebrating its centenary, they having been founded in 1891.

Jack Cotter, Jr., Chairman of the East Cork Juvenile Board, thanked Alice Kenneally for being present to make the presentation and referred to Dan's trojan work for both the G.A.A. and Scor. His unselfish devotion to Scor, often on his own was an inspiration to us all, he said, and this resurgence this year is an effort on our part to perpetuate the memory of this great man. He congratulated all those who helped in the promotion of Scor from the very start who are helping to preserve our own language and culture and all the contestants on the night irrespective of winning or losing and the standard all round was very good. He wished those going forward to the county semi-final at Mounreabbey on Friday, December 13 the best of luck. Teas were supplied by the local community helpers to all those who assisted during the night's proceeding agus gabhaimid mile buiochas doibh uile.

## SENIOR CITIZENS PARTIES

There are great activities coming up shortly with the above socials in the locality. Conna Senior Citizens stage their party in Conna Hall in the afternoon of Sunday, December 8 and Ballynoe will follow on the Wednesday, December 11 in Ballynoe Hall after 5.30 p.m. Mass. Tallow, who are re-visiting a special social this year, will have a social in the Community Centre in the town and anyone who would be anxious to perform at the event, music, song and dance, which commences at that vent would they please give their names to Connie Ryan or Tom Mulcahy, members of the committee, and a cead mile failte is extend to all at those socials.

## CHRISTIAN BROTHERS TO LEAVE DUNGARVAN AFTER 185 YEARS

As an old Christian Brothers boy it is sad for us to write this week about the impending departure of the Christian Brothers from Dungarvan after an association with the town and its environs stretching back to 1807. It is indeed a very sad occasion for everyone as the 'Brothers' have been part and parcel of the lives of most families in Dungarvan and surrounding countryside for many generations.

The sad news was disclosed in a letter from Canon Gregory Power P.P. sent last week-end to the parents of all the primary school pupils which informed them that the management of the school was about to be handed over and that in future it would be run as a parish school.

There has been no Brother on the teaching staff of the primary school for the past two years and at present there are only two retired members of the great teaching Order in Dungarvan. The secondary section of the school has also had an all lay teaching staff for the past twelve months.

The Christian Brothers came to Dungarvan in 1807 when they founded the third school of the Order established by Edmund Ignatius Rice. This school was originally located at Main Street and then at Shandon Road on the site now occupied by the new Park Hotel and this is marked by a plaque on one of the original walls on the roadside which reads: "Tar eis doibh an triu scoil riamh san Ord a scailt sa tSraid Mhoir, Dungarbhán, 1807, do thog na Braithre Criostai an tig scoile seo 1811 mar a rabhadar ag muineadh go dtí 1835. Moladh go deo le Dia."

For so many of us it has indeed been a case of moladh go deo le Dia agus le na mBraithre Criostai. They educated the boys of Dungarvan and taught them how to play hurling and football and to love athletics for longer than anyone can now remember. To use a worn out old cliché it is certainly the end of an era, an end that must surely be learned with the greatest of regret by all.

We can only endorse the tribute paid to the Brothers by Canon Power when he stated in his letter that since they came to Dungarvan in 1807 they had served the parish and surrounding area with distinction in the education of their pupils. Stating that the departure of the Brothers from the town would be marked in a fitting way at a future date, Canon Power very correctly remarked "we have many good reasons to thank them." How true!

## CHRISTMAS APPEAL BY ST. VINCENT DE PAUL

Next week-end the Society of St. Vincent de Paul make their annual Christmas collection on behalf of the poor and under-privileged sections of the Community at all Masses throughout the diocese.

This special Christmas appeal for funds provides the main source of income for the Society to meet the many demands they have to respond to, especially at Christmas time. So those who can be asked to dip a little deeper into their pockets and purses to help in this great work.

It is only with the help of those who can afford it that those in need and in less fortunate circumstances can hope to have some of the Christmas cheer which so many more can, fortunately, take for granted.

Christmas is always a time when goodwill and kindness abound but it is also a time when people can be vulnerable especially those who are already below the breadline

and who may be forced into borrowing money to provide some little presents and a few extras for their children.

To help to provide these for those people who are really in need will bring its own reward to those who respond so we would appeal to all who can afford it to be as generous as they possibly can to this Christmas Appeal by the St. Vincent de Paul Society this week-end.

## OLD RAILWAY BRIDGE DISMANTLED

During a run about around West Waterford on Monday last we noted County Council workmen completing the dismantling of the old iron railway bridge over the road to Tallow outside Ballyduff. Another old landmark has disappeared!

## MEET RAYMOND KEANE — PAJO'S 'RIGHT HAND MAN'

The crazy crew of the "Salty Frog", a fine old boat, is headed up by Pajo, the lovable puppet who hots up the pace for young viewers every Saturday morning in "Scratch Saturday" at 9 a.m. on R.T.E. 1 television.

And who is Pajo — or, rather who is the mystery person behind the great Pajo? None other than Raymond Keane, co-writer of the show with Brian Reddin and 'parent' of Pajo, who was born just six years ago.

Raymond Keane has been acting for over eight years and has an act in the pipeline — storytelling as "Con Connors," comprising an up-to-date and with it 'seanchai.' He brought a most successful 'Zig and Zag' show to Dungarvan recently but very few then knew of the actor's background.

Raymond is a member of the well-known Keane family of O'Connell Street, Dungarvan and is son of

Mrs. Keane and the late Bobby Keane. His latest T.V. Show takes to the airwaves next Saturday on "Scratch Saturday" on R.T.E. 1 at 10 a.m. and in which Raymond acts out the character of Pajo.

## "THE DUNGARVAN GAZETTE" OF 1872

During the week we were afforded an opportunity of looking over a copy of what must now be one of Dungarvan's oldest newspapers, "The Dungarvan Gazette," under date "Saturday Morning, January 13, 1872."

It contains four pages, priced at two pence and was printed and published by the proprietor, Joseph Hansard "at his machine printing office, Main Street, Dungarvan."

The front page was filled with advertisements from local shops and business houses then operating in Dungarvan and on the back page there were detailed reports of meetings of the Board of Guardians and of the Town Commissioners. However the two centre pages were filled with all sorts of "foreign" news, mostly from Britain but none of which appeared to have any relevance locally.

A notice on the back page read: "Wanted — By a steady respectable married couple, without encumbrance, a situation as Lodge Keeper or Caretaker. The man is handy about cattle, and would make himself generally useful. Can be highly recommended. Application to be made to Mrs. Beverly Keily, Lisfenel, Dungarvan."

Principal advertisers on the front page were White, Budd and Co. who had all types of agricultural implements, with special emphasis on "Their Champion Furze Cutters at £3-12s-6d" for sale at their Agricultural Stores at Main Street, Dungarvan. Thomas McCarthy, General Woollen, Linen and Drapery at Blackpool were lauding their ladies Silks, Shawls and Mantels while John Griffin's Drapery Warehouse, The Square was offering a supply of Winter goods, Irish friezes and "repellent cloths" for overcoats.

Others included George Stokes, Plumber and Gas Fitter, Main Street; William Orr who had waterproof mantles for sale from 6/6 and upwards and black cloth jackets for 2/6 and upwards. Hansards offered "Purdon's Farmers' Almanack for 1872" at 1s, while Smiths History of the

County Waterford (illustrated) published 1740 could be bought for £1 and "The History of the Irish Rebellion of 1798 by the late Sir Richard Musgrave, Bart., of Cappoquin" was offered for 17/6.

Prices listed for Dungarvan Markets in the Gazette included table potatoes 41/2d per stone by the sack; butter from 112/- to 126/- per cwt and home coals 24/= per ton.

And before leaving this very interesting subject we cannot but note that the tax man was also busy in those far away years as a notice headed with the royal coat of arms and the initials V.R. (Victoria Regina)

read: "To all whom it may concern: Income and Property Tax for 1871-72. I hereby give Notice that I attend daily at my office, Post Office, Dungarvan, to receive the Income Tax now over due, and all outstanding Rate-payers will please take Notice of same to void costs. Signed Richard Edward Brenan, Collector of Income Tax."

We are much indebted to Deputy Austin Deasy who has a great interest in the history of Dungarvan for his continued search for such old memorabilia as this old copy of "The Dungarvan Gazette" and for letting us have a look over it.

## The Fair Of Kinsale

Nowadays, apart from the few annual horsefairs which are still being held around Ireland, fairs are not anything like as important or so big an event for the farming community as they were. The livestock marts have now taken their place and farmers can now dispose of their stock more efficiently and in more comfortable surroundings than their predecessors who had to endure great hardships, especially throughout the cold, wet and dreary months of Winter in attending the monthly fairs.

Years ago these fairs, which were nearly always held on the streets of a town, were usually the big event of the month for the farming community and apart from the sale of livestock and other produce, they also attracted "trick-of-the-loop" men and "three-card-trick" merchants who were ever ready to mesmerize with their sleight of hand antics. These, like so many other old customs have now almost faded and have become forgotten. In many respects this, indeed, is no harm but at the same time it is nice to recall these old customs from time to time.

Our choice for the ballad corner this week "The Fair Of Kinsale" tells about the more romantic aspects of an old-time fair and of the celebrations and match-making that were also so much part of those gatherings:

'Twas the first of  
September,  
'Tis well I remember,  
I had two handsome pigs  
For the fair of Kinsale.  
I was going quite coolly  
'Til passing Belgooly  
When who do you think  
That accosted me there.

'Twas Mary O'Leary  
Beyond from Liscleary:  
At the sight of her sure  
me heart  
Struck me heart like a  
flail,  
And she says to me,  
'Danny,  
Sure 'tis you're cute and  
canny  
With your two purty pigs  
For the fair of Kinsale.'

We struck out together,  
Two birds of one feather,  
The length of the road  
We ne'er minded at all,  
And I thought it no harm  
To just slip me arm  
A wee little bit  
Round the fair creature's  
waist.

I was prouder than  
Nero  
Or any great hero  
You'll find there in  
hist'ry  
Or Grimm's Fairy Tales  
So I says to her, 'Mary,  
Don't think me contrary  
If I tell you what's trou-  
bling  
My mind for a while.'

Between mending and  
cooking  
And stacking and  
stooking  
Alone by myself,  
Sure I think it's a crime.  
If we were united  
'Tis I'd be delighted  
And my mind would be  
Aisied then a great  
deal.'

So, without further  
arg'ing  
We struck up a bar-  
gain—  
'Twas the best that I  
made  
At the fair of Kinsale.

Note: When singing the final verse, the singer slaps his hands at the word 'arg'ing' as though making a deal at a fair.

# TAKE CARE OF YOUR TOOLS

IT'S easy to grumble about the cost of new garden tools but we can all make our old ones last a bit longer by taking some care now.

December is a bad month for them. No, it's not the blunting and the strain upon spades and forks caused by digging but the idleness after it's done.

For we are now into a lengthy period when there is little to do in most gardens, but too often we put away our equipment without cleaning or doing that little piece of maintenance which could prolong its life.

First of all, make sure tools are clean and dry before storage and that includes basic gardening tools. Just because spades and forks are a rugged design it does not mean they won't benefit from checking and maintenance.

Always try to hang such tools off the ground away from damp and so that they don't fall over as people brush past. The metal should always be clean and dry before putting away and regular oiling will prevent rust.

Many now have coated or metal handles but wooden ones need occasional light sanding and rubbing with linseed oil to prolong their life.

However, if one has broken then replace it now while things are quiet. Take out the retaining screws and yank out the remains of the broken shaft - don't discard fork or spade handles because these can be cut down and sharpened for use as a dibber.

If the shaft has broken close to the tool head and is being stubborn then drive a screw into the wood and grip the head in a vice so they can be pulled apart.

Use the old shaft to mark the length needed to fit the new one snugly into the tool socket, perhaps rasping or planing to make the fine adjustments.

Finally, use retaining screws to eliminate any movement - you'll soon be repairing another broken handle if you allow too much play and strain on the new handle!

December is also a good time to shop for new additions or replacements - perhaps a hint or two can be dropped for Christmas. The basic needs are a space, fork, rake, hoe, mower, trowel and watering can.

Consider whether you want to spend extra on stainless steel tools. For those implements you don't use often, it probably isn't worth it but anyone should appreciate the way a stainless steel spade resists rust and slices through sticky clay.

Of course, the shops will also be trying to sell mowers, hedge trimmers and the many other power tools which many of us already have hanging in sheds and garages.

They too need some care now. Scrub rust away with wire wool and clean and oil all moving parts, but always check that power tools are unplugged before touching any moving parts or you risk a shock or serious injury.

Clean, oil and grease garden shears and check that they work efficiently with the two blades bowing apart between the bolt and the tips - loosen or tighten the bolt accordingly.

If they need sharpening then undo the bolt so that each blade can be properly sharpened in a vice using a fine file to get a good edge. Use the same method on the blades of rotary mowers or buy an attachment for your electric drill which will hone the edge at the appropriate angle.

### WEEKEND IN MELLERAY

On Friday night week, 10 Dungarvan Guides and 9 Stradbally Guides set off for Melleray Scout Centre at 8 p.m. from the Scouts Den in Abbeyside. When we arrived in Melleray we unpacked and set off on a long hike to the Glen, where we were to meet the Abbey-side Scouts for an enjoyable campfire. That took us well into the night. Just as the campfire was coming to an end we all warmed ourselves with a hot cup of soup which gave us enough energy to hike it back to the centre.

Saturday morning, bright and early, we got up and after our breakfast we enjoyed ourselves learning a few new games. Then after a little snack we headed off

on another long, tiring hike up to the cross. When we arrived back we had our dinner and then made friendship sticks which everyone signed including the scouts.

Next we headed off on a visit to the shop where everyone bought enough to see them through the long night ahead.

After tea we had a quiz which was enjoyed by all, especially Nicola Lenihan's winning team. After that we got dressed and got ready for Midnight Mass during which 8 scouts were invested.

On Sunday morning we packed up and watched a video before our last look around the Centre. After dinner we headed home after an enjoyable weekend in Melleray.

## Kinsalebeg Macra na Feirme News

Debating is always a popular competition in Kinsalebeg Macra Club and this year was no exception with our club taking part in the county final of the Senior Debating Competition which was held on November 10 in the Park Hotel, Dungarvan.

Kinsalebeg was represented by Suzanne Hynes, Mary Fleming, Caroline Smiddy and Peter Kiely, who defeated Kilmacthomas in a very exciting county final. The motion for the debate was "That job creation is the business of government." We wish this team the best of luck when they compete in the inter-county rounds of this competition.

The county final of the

senior and junior sheep stockjudging competition took place in Ballyduff recently. Well done to Tone Keane and Martin Curran (senior competition) and James Flynn (junior competition).

A large number of club members travelled by bus to Katie Reillys Pub in Waterford on November 9, where Gaultier Macra Club were hosting a cabaret followed by a disco. All club members had a great night out.

Kinsalebeg Macra will once again be organising a sponsored Christmas Day Swim this year, in aid of the Macra Third World Project in Chikui. Please give support for this worthy cause. — PRO.

## Ireland has Most Highly Centralised Bureaucratic System

Mr. Michael Lynch, President of Muintir na Tire stated at a meeting in Tipperary last week that organisations like Muintir were now meeting a level of apathy and cynicism which was alarming and the Government would be well advised not to ignore the seriousness of the present position where voluntary organisations were concerned, otherwise community effort, a unique feature of Irish life, could surely die.

Mr. Lynch went on to say that what must now be very seriously considered is the setting up of a Rural Development

Authority which could have full responsibility for regional and local development.

He continued: "There has never been a national policy on local Community Development. The absence of such a policy is, of course, consistent with the regrettable fact that Ireland has the distinction of being the most highly centralised bureaucratic system of administration in the twelve Member States of the EC. The reform of local government, as Muintir has pointed out so often, is long overdue."

## KNOW YOUR RIGHTS

**Question** — I am a pensioner and suffer with a bad chest, am I entitled to the Flu Vaccine with my Medical Card?

**Answer** — The answer to this question is not straightforward. The Dept. of Health is of the opinion that Medical Card holders are entitled to the flu vaccine without charge. However, in practice, it seems that many GPs do in fact charge £5 or so for the actual vaccine. The Health Boards seem to be aware of this practice. The fact that this is an elective treatment may have a bearing on it and the Health Board may feel that the flu vaccine should only be made available free of charge when there is a flu epidemic about. You should check in advance with your own Health Board to see if Medical Card holders in your area should be able to get the flu vaccine free of charge.

## COOKING CAN BE SIMPLE!

WHILE we hate to remind you about these dark winter evenings, as a small compensation, these recipes, courtesy of the Canned Food Information Centre may go some way to ensuring that you don't spend every minute slaving over a hot stove!

Remember that with even the most basic canned foods to hand, you are never at a loss for a delicious, nutritious meal. Here are three recipes that are so simple anyone can make them and so delicious you'll be tempted to say that they came from an old family recipe that you can't possibly reveal.

### Tuna Surprise\*

\* the surprise is that this will take less than half an hour from the moment you pick up the can opener to the moment you shout "come and get it!"

#### Ingredients:

- 1 198g/7oz can tuna fish
- 1 198g/7oz can sweet corn
- 1 can condensed cream of mushroom soup
- 1 tablespoon dry sherry
- 1 medium sized onion
- 4 good handfuls of ribbon noodles
- salt and pepper
- (3oz grated cheese for the top)

Serves 4

#### Method:

Add a pinch of salt and a teaspoon of oil to a saucepan of water, then bring to the boil. The olive oil will prevent the pasta from sticking. Finely chop the onion and add this to the water as soon as you have put in the pasta, stir well and leave to cook.

Drain the tuna then place it with all the remaining ingredients (except the cheese) in a large bowl, and stir together.

When the pasta is cooked, drain it and then stir the pasta and onions into the mixture in the bowl.

Empty the whole lot into an oven proof dish and cover with about 3oz grated cheese. Cook at 200°C/400F for 15 minutes until the cheese is brown and bubbling or until the smell has driven your family to a frenzy and you can no longer keep them out of the kitchen.

THERE'S a place in the heart of London - 45 acres of peace and beauty - where the Queen and Prince Philip can stroll, relaxed, arm in arm, like a courting couple, without fear of interruption.

They take many evening strolls there, among the rolling lawns, quaint summer houses, magnificent shrubs, sweet-smelling flowers and a bird-haunted lake. A boat is always in readiness in case they prefer to ride on its polished surface.

Sometimes they tie up beneath a willow tree and watch the wildfowl flying in to the quiet reed-fringed lake for the night.

This magnificent, idyllic parkland is the Queen's garden at Buckingham Palace - one of the most beautiful in Britain.

In a secluded corner, is the Queen's favourite old summer house. With its cane

# BIG MYSTERY OF QUEEN'S GARDEN

furniture, comfortable old armchairs and worn carpets, it could be a lodge in the heart of the countryside.

Small wonder the Queen often chooses to work on her official papers there on warm summer days.

Birdsong drowns the noise of nearby traffic on Constitution Hill and from her desk in

summer, the Queen has a view of a brilliantly coloured herbaceous border.

There are many rare trees in the Queen's garden, such as the swamp cypress which flourishes beside the lake and is said to be the finest tree of its kind in Britain.

That others - like magnolias and hydrangeas - survive in the centre of London seems remarkable.

Not long ago, workmen took down two plane trees. It had been thought that the trees might be sold as timber, but they were found to be useless for this.

They were still embedded with war-time shrapnel and bomb fragments.

Then there is an Indian bean tree planted in the days of the Duke of Buckingham, after whom the palace was named. It is a mass of snow flowers when it blossoms in July.

From the top of a passing bus you can glimpse over the Palace wall at one of the oldest trees in the city.

It is the gnarled mulberry, the last survivor of many planted by James I over 380 years ago to help establish a silk industry in Britain.

The idea wasn't a success. The king imported the wrong species of mulberry, not the one sought by silkworms. Even so, the royal chef always makes a point of sending the Queen a dish of the deep red, firm mulberries from King James' tree when the fruit are at their best.

But the real mystery of the Queen's garden is still waiting to be solved.

In the grounds is a 65ft tree, a giant among the others. It has a bark like that of the laburnum, leaves resembling those of the wisteria, and flowers like a privet's, but far more lovely.

Nobody has been able to identify what species of tree it belongs to - not even the most experienced botanists from Kew Gardens.

The Queen is a keen bird watcher. When she chats with her head gardener, she often enthusiastically tells him of the unusual varieties seen.

Among the royal residents of the lake are the Queen's 12 pink flamingoes. They are fed twice a day on, among other things, shrimps and cockles and have thrived in the Palace gardens for many years.

This diet, incidentally, keeps them pink. Without it they would revert to white plumage.

They used to be housed in the London Zoo during the winter months, but it has been found they can stand British cold weather quite well. So now they add their exotic charms to the lake all the year round.

A young friend of Prince Andrew once claimed to have seen an otter when he went fishing with the prince in the lake. Sceptical gardeners, however, believe that what he had really seen was a water vole.

# LISMORE NOTES

## LISMORE AND CAPPOQUIN CREDIT UNION

The Annual General Meeting of the Lismore and Cappoquin Credit Union was held on Wednesday night, November 27 in Lismore Hotel.

Addressing a record crowd, Chairman Mr. Eddie O'Shea, welcomed all and extended a special welcome to guests — Mr. E. Levingstone (Auditor), Mr. Laurie McDermot (Bank of Ireland) and representatives from Tallow Area Credit Union.

The Chairman's report stated that 1990/91 had been a year of "growth and development" in the Credit Union. He went on to thank all persons involved in the smooth and efficient running of the Credit Union — Directors, Supervisors, Officers and all other voluntary staff.

Following the sub-committee's reports the Auditor addressed the meeting outlining the present healthy position which our Credit Union enjoys.

The Chairman then opened the meeting to the floor. Much interest was expressed regarding how the Credit Union could be further developed and promoted in the area.

Elections were held to fill the 2 vacancies on the Board of Directors, the Supervisory Committee and position of Auditor.

In conclusion, the Chairman spoke briefly on the progress which was made during 1990/91, the major advancement being the moving of the Lismore Office to our new premises on Main Street. This move now means that Cappoquin and Lismore currently enjoy offices of a very high standard, a source of pride to all its members.

The introduction of extended opening hours, originally introduced on an experimental basis, proved

to be a major success. The meeting was then closed.

After the meeting refreshments were served.

The first meeting of the Board of Directors for 1991/92 will be held in Cappoquin on Wednesday night, December 4.

### VINCENT DE PAUL COLLECTION

The annual St. Vincent de Paul church gate collection will be held on Saturday and Sunday next at all church services in Lismore and Ballysaggart. With Lismore Town Hall presently undergoing renovations for conversion to a Heritage Centre, the Dramatic Society were unable to rehearse and had to postpone their annual Christmas Show. It is hoped that the annual St. Patrick's Night production will be able to go ahead with shows reverting back upstairs in the Town Hall.

However, the Dramatic Society are holding a New Year's Eve Party at Ballyrafter House Hotel and tickets are now on sale. Supper will commence at 9.30 p.m. and dancing will continue until 2 a.m.

There will be spots and novelties and we can guarantee a wonderful night's entertainment. Tickets may be purchased from any of the members and we would advise those who have not got their tickets already, to do so quickly.

### LISMORE BADMINTON NOTES

The mixed league has now started and both our teams were in action. Pa Morrissey's team travelled to Dungarvan and had a great win over a strong Dungarvan team. Pa's team played some top class badminton and were by far the better team on the night with the result 4-2 on the night.

Liam Buckley's team travelled to Tourin, again Lismore played some great badminton and deserved to win 4-2.

Plans are underway to start a West Waterford Ladies League, so all you ladies that are not on any mixed team keep training, ye will all be back in the action soon.

### LISMORE LADIES GOLF NOTES

The Annual General Meeting is on Friday, December 6 at 8 p.m. sharp. All welcome.

### LISMORE GOLF CLUB NOTES

At a well attended A.G.M. on Thursday, November 28 the President, Billy Arrigan, thanked all present. He thanked all the members for their support during the year, which had made his job an enjoyable and happy experience. The Treasurer Nicky Walsh produced a very detailed and comprehensive balance sheet which showed the club to be in a sound financial position. The Secretary Michael O'Shea retired after being Secretary for 19 years. Tributes were paid to Michael for his long years of unselfish work for the club and a suitable presentation was made to him. The Captain, Ronan Culloo, reviewed the past year in detail. He thanked all the officers and sub-committees for their help and co-operation during his past year of office. His one regret was the club still hadn't won a G.U.I. Pennant but he had no doubt this would come in the near future. The sub-committee he set up for the expansion of the course had made great progress during the year and he was confident their work would soon come to fruition. The incoming President Sean Clancy then took the chair and thanked the members for electing him. The incoming Captain, Mossy Walsh, also thanked members and outlined his hopes and aspirations for the coming year.

The following are the officers elected:

President — S. Clancy; Captain — M. Walsh; Vice-President — P. Condon; Vice Captain — D. Murray; Hon. Treasurer — N. Walsh; Hon. Secretary — P. Norris; Ex. Office — W. Arrigan, R. Culloo; Committee — W. Ronayne, K. Ryan, D. C. Lee, J. Crowley, D. McGrath, W. Henry, S. Beecher, J. Flynn, F. Corcoran, J. Hornibrook, S. Landers, N. Riordan.

C.L.C.G. LIOS MOR Waterford Senior Hurling Selector — Jimmy O'Gorman was unanimously elected as the Club's representative on the county senior hurling selection committee at a recent meet-

ing of the Lismore executive. A "true blue" G.A.A. man, Jimmy has served the Association well down through the years, firstly as a player of no mean ability, a competent referee and more recently, as an outstanding administrator at both club and divisional level. His wide-ranging experience will, no doubt, be of great benefit to him in this challenging position and will stand him in good stead in the times ahead. We wish him, and his fellow selectors, every success.

Convention Time — The Western Board will hold its Annual Convention at Lawlor's Hotel, Dungarvan on this Thursday, December 5. Our own Jimmy O'Gorman the outgoing chairman, is being returned unopposed, which must be seen as a firm vote of confidence in his leadership.

Lismore A.G.M. — The Annual General Meeting of Lismore G.A.A. Club has been fixed for Sunday, January 12, 1992 at 2.15 p.m. in the Clubhouse, when members will review the events of an historic year. New members are especially welcome to attend.

Scor na nOg Portlairge Thiar — The Western final of Scor na nOg took place at the C.B.S., Dungarvan last weekend. Our club was ably represented as follows:

Solo Singing — Enda Ormonde; Instrumental Music — Deirdre Bennett, Hilda Howard; Ballad Group — Janelle O'Sullivan, Nora Roche, Enda Ormonde, Ciara Murphy and Emma

Dunne. Our solo singer, Enda, qualified for the county final with a superb performance and while our other representatives did not advance, they, nonetheless, performed admirably and will have gained in confidence and experience for next year's competition. Well done everyone.

Weekly Draw — A reminder to promoters that just four weeks remain in the present series, so you are all asked to make a special effort to collect any outstanding weekly subscriptions and hand in same to the Treasurer, Declan Bransfield, as soon as possible. This will enable members to benefit from the "double draw" on Christmas week and, of course, would greatly assist the treasurer in preparing his financial report for the A.G.M. which is fast approaching.

Birth — Congratulations to Garda Sergeant Tom O'Grady and his wife Betty on the birth of a baby girl at the week-end — a sister for Elaine, Thomas and Sean. Camogie club please take note!

Weekly Draw: Week No. 47 — £50 Mr. Ed. Lynch, South Mall; £30 Mrs. Alice O'Donoghue, Park's Road; £20 Sister Sally Hyland, Chapel Street; £15 Miss Martina Hale, Glendeish; £10 Mr. Marty McNamara, Parks Road; £10 Mr. Pat Tobin, Mayfield; £10 Mr. John O'Gorman, c/o Roche's Supersave. Promoter's Prize — Sonny Bransfield.

The next draw will be held in the Red House on Monday, December 9 at 8 p.m. All are welcome to attend. (Advt.)

### LISMORE SOCCER NOTES

## History Not Repeated This Season

### GLENVIEW 1 LISMORE 6

Lismore were not in as generous a mood this season as they were last, and the scoreline very much suggested what way this game went.

However, it was the home side who started best and took the lead 15 minutes into the game when a disastrous back pass was intercepted and finished to the net.

It didn't take long for Lismore to get on level terms, when Barney Prendergast thundered home a great through ball from Pat Bennett. Five mins. later we were ahead when Paul Quinn's long range effort was completely mis-read by the Glenview keeper. With about 10 minutes to half time, Barney Prendergast struck again when Tommy Pratt got a great cross in for Barney to head home powerfully. The first half finished on the scoreline

Glenview 1 Lismore 3.

The second half was pretty much plain sailing for the away side and 3 more goals followed. Two from Paul Quinn to give him his first hat-trick of the season and one from Tommy Pratt to leave Lismore 6-1 at the final whistle.

Joe Tobin must have been very pleased with this performance and with 15 players for selection last Sunday, it's great to see the interest in the soccer in Lismore.

Next Sunday we are hosts to Valley Rangers, who always give a good account of themselves. Kick-off is 11.30 a.m. and players are asked to be at the dressing rooms no later than 11 a.m.

## West Waterford Farmer Returned For Trial

A 50-year-old defendant stated to be a farmer from West Waterford whose name cannot be given for legal reasons was returned for trial at the next criminal sittings of Waterford Circuit Court on December 10 when he made a brief appearance at Dungarvan District Court last week.

The accused is facing 14 charges of incest on dates between July 1986 and June 1991.

Judge W. F. O'Connell stated that having read the Book of Evidence he was satisfied that a prima facie case had been established and he remanded the accused on his own bail of £100 and one independent surety of £500.

On the application of Mr. Niall King Solr. Judge O'Connell granted free legal aid to the accused to provide for the services of a senior and junior counsel to represent him at his trial.

Supt. Ray McAndrew represented the State.

# RECENT DEATHS

## Mr. Billy Kiely

The passing of Billy Kiely, 1, Shandon Street, Dungarvan, during the early hours of last Wednesday morning, November 27, at the District Hospital, Dungarvan, brought great sadness not alone to his many relatives but indeed to the Old Boro' and surrounding districts, as Billy was very well known and highly respected.

Son of the late Jimmy and Margaret (Ciss), Billy was 62 years and for over forty years he was employed at Waterford Co-op. He loved the creamery, its management and employees. He was usually in the centre of banter one associates with colleagues in such a plant. He was one who could take it and give it, all in good fun, without a trace of bitterness or personal animosity.

A deeply religious person, Billy was a quiet gentleman who never spoke or uttered a harsh word about anyone. When assisting with the family Undertaking firm he witnessed at first hand the many sad faces of life. His heartfelt sympathy and compassion for people bereaved was well known and genuine.

All his life Billy was a GAA man. In 1961 he was a member of the successful Kilgobinet junior hurling team that beat Ballygunner at Walsh Park. Most people will always associate Billy with his beloved Dungarvan. He was a true blue. The fortunes of that famed club

were always uppermost on his mind. He longed for the salad days of Déise Gael-dom when our hurlers would take the field on Croke Park sward on the first Sunday in September. He loved those All-Ireland weekends, the dogs at Shelbourne, the company of his long-standing friends, true friends who will miss him greatly. For those of us involved in Gael-dom, Billy was an inspirational figure who by a match programme, a rosette or a scrapbook he sowed the love of Gaelic games in us. He has left us a legacy we are only too proud to carry on. We are all greatly saddened by Billy's passing. The season of Advent holds the great coming, but for some they take leave of us temporarily. May Billy rest in peace.

On Thursday evening following Rosary and Prayers of Requiem recited by Rev. Fr. C. Kelly, C.C., the removal took place to St. Mary's Parish Church. Guards of honour from Waterford Co-op and Dungarvan GAA Club flanked the hearse carrying Billy's remains, which was draped in the blue and white of Dungarvan. Fr. Kelly conducted the funeral service assisted by Rev. P. Ahearne, C.C., Rev. J. Curran, C.C., Rev. J. Hickey, O.S.A., Very Rev. L. Ryan, O.S.A. (Prior), Very Rev. J. O'Sullivan, Very Rev. J. Power, P.P., Rev. J. Kiely, C.C., Rev. W. Meehan, C.C. and Rev. Ml. Enright, C.C.

Concelebrated Mass was offered for the happy repose of Billy's soul on Friday. Fr. Kelly was chief celebrant with Mons. Lannen, Rev. Ml. O'Byrne, C.C., Rev. Fr. P. Ahearne, C.C., Very Rev. C. O'Daly, P.P., as co-celebrants. Very Rev. J. Boyle, P.P., Very Rev. R. Doherty, P.P., Rev. Fr. J. Hickey, O.S.A., Very Rev. J. O'Sullivan, Rev. Fr. Kiely, C.C., Rev. M. Cullinan, C.C., joined the huge concourse of mourners who came to

pay their respects.

The Lessons were read by Breda O'Sullivan (niece), David Kiely (nephew) and Bríd Ní Christóir. Following prayers at the graveside, Billy was laid to rest in the family plot in the adjoining cemetery.

Chief mourners — Ned, Jack, Tom and Jamie (brothers), Joan and Bernie (sisters), Pat McGrath, Drumslog (brother-in-law), Maureen and Alice (sisters-in-law) and a wide circle of nephews, nieces, relatives and friends.

## St. Declan's (Ardmore) Scout Notes

Last Saturday night's meeting was opened as usual with the Scout Prayer, followed by drill practice. There has been a marked improvement in the drill over the last two weeks under John's expert guidance.

There followed a discussion on the Scout Law and Promise and what it means to be a Scout in CBS1. This was followed by the appointment of Eoin Hickey as our first Patrol Leader. His Assistant Patrol Leader will be Trevor Morrissey and the newly launched Patrol will be "Eagle Patrol." The Unit Council and Scout Leaders wish both lads the best of success in their Scouting future.

Indoor football was our

main game of the night with Cillian's team getting the winner in the last minute. Speaking of football, our heartiest congratulations to the Ardmore under-12 team who won the Western final on Sunday against a strong Tallow side, a great achievement all round for both the team and mentors.

The final item on our agenda for the meeting was further planning for our hike which will take place on Sunday, December 15 at 10 a.m., destination "Fuges."

A reminder for parents that our deadline for uniforms is December 15. Anyone with any difficulties getting one for whatever reason, give the Scout Leader a ring. — SCRIBE.

## Youghal Chamber Launches Industrial Brochure

With the dark clouds of unemployment looming for far too long, the Youghal Chamber of Commerce has recently taken an ambitious and positive step to address this problem head-on by the launch of their "Youghal Industrial Brochure."

Under the direction of Chamber President, Winston Greer, the brochure was designed and copy-written by a Committee of Chamber members over the past six months.

Highlighting Youghal's multitude of business assets and leisure amenities, the colourful six-sided laminated brochure is

aimed at businesses on the Continent, Great Britain, North America and the Far East who are considering setting up an operation in Ireland.

Tremendous co-operation and financial support for the venture was given by the Youghal Urban Council, as well as by several local firms, who have stated in the brochure that Youghal's scenic location, proximity to international air and sea links, and the highly educated work force were just a few of the reasons they felt, they would do business successfully in Youghal.

Speakers at the launch also included Mr. Hugh Coveney, T.D., former Lord Mayor, Mr. Barry Condron of the IDA and Mr. Paddy Linehan, Chairman of Youghal Urban Council.

# Downeys 1st Birthday Bash

## ROCK THE WEEKEND AWAY

Downey's Bar, Main Street, Dungarvan celebrates its first birthday this weekend with a festival of local up and coming bands. Its reputation of being a showcase for

young musicians was brought to the fore when during the year Dungarvan bands "THE WISHING STONES" launched their highly successful debut single

"SURELY" and local heroes "THE BEWILDERED TEAPOTS" launched their demo tape "WELCOME TO JOY-TOWN" at this venue. Other local bands "GREEN 15" and "CHAMPION AND THE WONDER HORSE" have also played to a packed house. While on the traditional side "DONAL CLANCY AND FRIENDS," "SEANFO-CAIL" and "REMO SOUND" have entertained in their field of music.

Downey's excellent sound system with music to cater for all tastes, means that the bar is constantly filled with sounds as diverse as Frank Sinatra and Robert Palmer to U2 and The Saw Doctors.

Downeys balcony caters for all parties and offers complimentary food

when booked in advance. On Fridays it also offers complimentary snacks to patrons around tea-time with that drink after work.

Ideally situated on the main thoroughfare, it is decorated in a traditional style of second hand furniture, timbers and Liscannor stone floors and a magnificent inlaid slate polished fireplace that creates the ideal setting for a relaxing meal or a social drink.

Already Downeys has established itself for its good food and in particular its homemade soup that stimulates the palette. At £2.75

its choice of wholesome hot lunches available Monday to Saturday are exceptional value on these cold winter days. Downeys also caters for the health conscious providing most satisfying salads with brown and freshly cut sandwiches.

Downeys is noted for its selection of toasted sandwiches guaranteed to satisfy the appetite at any time of the day.

So why not call to Downeys this weekend and join in the birthday celebrations and get your Christmas off to a great start.

Pictured discussing plans for the week-end are John McGrath, one of Downey's Proprietors (centre) with Breda Lenihan, Food Supervisor and Maurice Casey, Bar Manager.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. Grateful thanks to the Blessed Virgin for favour received. — M.R.

God must have thought you special,

And He surely did.  
Look around Your garden, Lord,  
For an angel with a smile,  
She won't be hard to recognise,  
She must stand out a mile.  
So put Your arms around her, Lord,  
And kiss her smiling face,  
For she is very special,  
And can never be replaced.  
They say that time heals everything,  
But we can't believe that's true,  
For the ache in our hearts is still the same,  
As the day we first lost you.  
Fold her, O Jesus, in Thy arms,

A messenger of love,  
Between our human hearts and thee.

So if he sees us crying,  
Lord, and looking very sad,

Forever in our hearts.

# CAPPOQUIN NOTES

## PARTY

The Affane Senior Citizens will be entertained at the Parochial Hall on Thursday night, December 5. We understand that there will be some food, a bit of music, a few songs etc., so it should be a good night. The hardworking committee will leave no stone unturned in making sure that everybody is well looked after.

## THIS WEEK'S QUESTION

What historic object can be seen at Cluthenna? Answer next week.

Answer to last week's question was Heaphy's, Wall's and Uniacke's (there may have been others).

## BOYS SCHOOL

The fund raising for the renovation is still going well, the highlight at the moment being the weekly table quiz being hosted by the various pubs on Monday nights. Last Monday it was the turn of Fawly's and the place was packed to the rafters. The competitors enjoyed a good night's entertainment and it meant some much needed cash for the committee. Next Monday night the final first round will be staged at the Cats Bar. We understand that there will be a draw to decide the venue for the final.

## VINCENT DE PAUL

The Cappoquin Branch will hold church gate collections on next week-end at the following places — Cappoquin, Affane, Melleray and Modeligo. They wish at this time of the year to thank all those who came forward with gifts of cash, clothing and other items. They tell us that the need now is greater than ever before and would greatly appreciate a generous collection at the week-end.

## CAPPOQUIN TIDY TOWNS COMMITTEE

A public meeting was held at the Boathouse, Cappoquin on last Thursday, November 28 for the purpose of re-electing a Tidy Towns Committee. Denis McCarthy was elected as Chairman, Tom Feerick as Vice-Chairman, Esther Barron, Secretary and Breda Curran as Asst. Secretary. Catherine Kelleher and Julie Keane as joint Treasurers. David Power was elected as P.R.O.

A committee was elected to represent each area of the town. Each household is asked to be responsible for the litter outside their own premises as a first step to creating a tidier town.

## FINE GAEL

The Cappoquin/Affane Fine Gael held a meeting on November 15 last at Walsh's Hotel. There was a very good attendance. It was decided to hold a Christmas Raffle to raise funds. Delegates were chosen to attend the County A.G.M. in Dungarvan.

Cllr. Nora Flynn addressed the meeting and spoke of the erosion of finances to Local Authorities for 1992. The Rate Support Grant is down 3% and the notice of this does not allow Councillors enough time for proper consideration of the implications. Central Government, she said, are leaving Local Authorities starved from finance to run essential services. Nora also informed the meeting that discussions had taken place on the traffic regulations in Cappoquin and modifications will be carried out shortly and that book stocks will be rotated soon in the Cappoquin Public Library.

Votes of sympathy were extended to the following families — Monie Connolly, Melleray, Stella Fenton, Brook Lodge, O'Brien family, Camphire, Michael Phelan, Shanbally, Millea family, Shanbally, Abbot and Community and the family of Rev. Fr. Mark Kennedy, Mount Melleray Abbey, the family of Mary Ann Looby, Tivoli Terrace, Walsh family, Touraneena, Murphy family, Villierstown, McGrath family, Crinnaughtaune, Power family, Shrough, Cullinane family, Monamon.

## AFFANE BRIDGE CLUB NOTES

## CAPPOQUIN FLOWER AND GARDEN CLUB

The seventh Annual General Meeting of the club took place on November 19. At this well attended meeting the following officers were elected for the coming year.

Chairperson — Mary McBride; Vice-Chairperson — Charlotte Buttimer; Secretary — Catherine Moynihan; Asst. Secretary — Helen Hennessey; Treasurer — Ben Flynn; P.R.O. — Irene Cahill.

The next event on our calendar is our Christmas Demonstration. This always proves a popular night with both members and visitors. This year will be no exception. To demonstrate we will have Pauline O'Callaghan from Cork. This is an open night, admission free. £2 to non-members and this includes a cup of tea afterwards. The club competition on the night is the Magic of Christmas — use fresh and/or artificial material — max. width 30". The venue for this night of Christmas cheer is Our Lady's Hall at 8 p.m.

## ROWING NEWS

Cappoquin Rowing Club held their Annual General Meeting at the Boathouse on Sunday last. The large attendance present reviewed what must have

been the most successful year in the history of the club. The honour and glory brought to Cappoquin by the Murray brothers was recalled as was the historic occasion when President Mary Robinson visited the famed Clubhouse.

There was a note of sadness too at the sudden death during the year of one of the club's most famous members, Paddy McGrath.

Looking forward everybody realised that 1991 will be a hard act to follow but the members were confident that with everybody pulling their weight further laurels will rest with "the old dark blue" at the end of 1992.

The following are the club's officers for the coming year:

Patron — Sir. Richard Keane; President — R. J. Mason; Hon. Vice-Presidents — R. McLoughlin, M. Murray, M. Cahill; Chairman — W. O'Donoghue; Vice-Chairman — W. Whelan; Captain — Dan Murray; Vice-Captain — Michael Cahill; Hon. Treasurer — P. Murray; Asst. Treasurer — B. Connors; Hon. Secretary — M. Murray; P.R.O. — K. Cahill and O. Collender; Committee — K. Whelan, L. Whelan, James Murray, W. Schleitz, J. Murray, B. Whelan, D. Behegan, E. Flynn.

## AFFANE/CAPPOQUIN G.A.A. NOTES

Meeting — A special general meeting will be held at Walsh's Hotel on next Saturday night at 8.30 p.m. This meeting will consider nominations and motions for forthcoming County Convention, other matters vital to the future of

the club will also be on the agenda. The 9th and 10th draws in our non-stop will be held during the meeting. Draw promoters are requested to be at the Hotel at 8 p.m.

**Bereaved** — Sympathy is extended to County Board Rep., John Lyons, Tallow, on the death of his mother which sad event occurred on Thursday last.

**Reunion** — The get together for our 1966 county winning footballers takes place at the Boathouse on Friday night next. After the formal proceedings a musical evening will be held so we hope that as many as possible will turn out and enjoy the festivities.

**Books Closing** — As A.G.M. time draw near our Treasurer would appreciate it if all invoices and statements would be submitted to him before Wednesday, December 11, as it will be necessary to prepare his report for the year.

## CAPPOQUIN AND DISTRICT DARTS LEAGUE

We reached the half way stage of the league last weekend. The Village Inn (A) went to the top of the league with a four all draw in Morrissey's. The Village Inn (B) lost at home to the Old Still by five-three, but remain in third spot. The Tavern defeated Dunvegan by five game to three while Deckies defeated Kereen (A) by the same score.

The points in Section A are as follows:

Village Inn (A) 40 pts; Lindsays 38 pts; Village Inn (B) 35 pts; Tavern 33 pts; Deckies 32 pts; Old Still 31 pts; Dunvegan 28 pts; Morrissey's 27 pts; Kereen (A) 24 pts.

## RUGBY NEWS

Cappoquin's first XV had a walkover from Listowel last Sunday and so consolidate their position as league leaders. Next Sunday the first team take on Dunmanway away and the following Sunday play Dungarvan, again away.

Another milestone for the club was the first appearance of a Cappoquin second fifteen who had a practice match with Youghal's second team. Considering it was the first game for a number of players, a good team effort held Youghal to 16 points to 6. Lack of experience resulting in elementary mistakes gave some easy opportunities to the opposition. Considerable improvement can be expected with more coaching and match practice and the three "youngsters" Conor Bell, Tom Ahearne and Adrian Power, who attend St. Augustines College, deserve special mention for their wholehearted commitment. With proper coaching and encouragement much more can be expected of these young players.

Special thanks must go to the two first team players, Jimmy O'Rourke (Snr.) and Noel Hayes, who played with the 2nd XV to give the necessary leadership and experience and were instrumental in keeping the scoresheet within reasonable bounds.

2nd XV — Doc. O'Donnell, Roger McLoughlin, Ben Cunningham, Noel Uniacke, Roger McGrath, Conor Bell, T. Ahearne, J. O'Rourke, R. Kiely, N. Hayes, J. McGrath, Neil

O'Connor, H. Collender, E. Hayes, A. Power.

Thursday, December 10 — Variety Concert in the Boathouse.

## AFFANE A.F.C. NOTES

We suffered our first defeat of the season at the hands of reigning champions Bride View in Tallow last weekend, by 5-1.

We faced an uphill battle from the start as we were short four regulars but despite this we battled well and should have scored after only five minutes. As the half progressed Bride View began to dominate, but our defence held firm until five minutes before the break when a slip up left Bride View in for the lead.

We started the second half well and were back on level terms after only five minutes when Sean Costin was in like a flash to volley a fantastic shot to the net. Bride View were back in front five minutes later and added a third shortly after.

We pushed forward to try and get a goal that would put us back in the game but this left us exposed at the back and Bride View took full advantage by adding two more goals before the end.

In the end we were somewhat disappointed as all on duty on the day gave of their best.

Next Sunday we are at home to Cappoquin.

Team — C. Cullinan, J. Crotty, D. Glavin, L. Costin, T. Mansfield, E. O'Shea, T. Ormond, S. Costin, M. Cahane, B. O'Sullivan, J. McGrath. Sub. — M. Browne for B. O'Shea.

## REMEMBERING OTHER DAYS

The photo for our "Remembering Other Days" this week takes us back to the days of the birth of the Irish Free State while the country was still in the shadows of the tragic Civil War. However this photo recalls a joyous occasion and was taken during a summer course at Colaiste Na Rinne during the summer of 1922. It shows a dedicated group of Gaelgeoiri from all over Ireland with members of the College staff taken outside the Irish College in Ring as it was in those days. We are indebted to Mr. Pat. Gordon, Solicitor for this very historic and interesting old photo.

The outgoing Chairman, Mr. Pad Fennessy, expressed his thanks to the previous committee for their work throughout the year. It was felt that the music class under their teacher Bobby Gardiner was a huge success. Mr. Gardiner was thanked for his work as was Thomas Hyland, set dancing teacher, and Michael Ryan, step dancing teacher.

Miss Ann Casey, outgoing Secretary, in her lengthy report, also reiterated what Mr. Fennessy had said. She also said that the Irish Nights held throughout the year at Meaghers in Ballysaggart and Rathcormac Inn, were very successful and it was felt that more of these should be organised.

All the participants and winners of various competitions throughout the year were congratulated.

The new Committee was then elected, namely: Patron, Fr. Mulcahy; Presidents, Willie O'Brien, Sean Griffin; Chairman, Tom Hyland; Vice-Chairman, Tommy Veale; Secretary, Gordon O'Keefe, Asst. Secretary, Noreen Kearney; Treasurer, Seamus Hyland; PROs, Betty Feeney, Marian Mills; Delegates to the County Board, Pad Fen-

nessy, Anne Casey; Auditor, Tommy Veale.

The new Chairman, Mr. Thomas Hyland, suggested that Thursday, December 19, be party night in St. Michael's Hall for both dancers and musicians, with light refreshments. A bus is being organised to Kill for the Scór County final on Friday, December 13, leaving Ballyduff at 6 p.m. and stopping at Lismore Bridge 6.15 p.m. Please phone Noreen Kearney at 058/54463 or Marian Mills at 058/60147 for booking.

## MR. TOM O'NEILL

It is with deep regret that we record the death at his residence Knockbawn, Araglen, of Mr. Thomas O'Neill on Friday night last. Deceased, who was in his eighty-eighth year, was a popular member of the community and a man who enjoyed great health up until the time of his death.

His remains were removed from Ryan's Funeral Home, Lismore on Sunday evening to St. Michael's Church, Ballyduff where they were received and blessed by Very Rev. Fr. K. Mulcahy, P.P., assisted by Fr. P. Lawton, C.C. and Fr. P. Barry, C.C. The remains had been accompanied by a large and representative cortege.

The interment took place following Requiem Mass on Monday evening to St. Michael's Cemetery with Fr. Mulcahy officiating at the graveside.

Sincere sympathy is extended to his loving Nell, daughters, sons-in-law, grandchildren, nephews, nieces, relatives and friends.

## MRS. EILEEN GEARY

The parish of Ballyduff and surrounding areas were stunned into shock and sadness on Sunday evening last when the news of the death of Eileen Geary, The Padlocks, broke. The sad event occurred at Cork Regional Hospital after an illness that had been bravely fought for two years.

Full obituary in next week's issue.

## BALLYDUFF MACRA NOTES

Another week has come and gone and what a week! Members were seen heading in many different directions and returning hours and hours later.

On Monday night our bright sparks once again headed for Dungarvan and their welding course. Judging by the time they returned, this welding must take a hell of a long time!

On Tuesday night members again headed for Dungarvan for a top secret meeting. Details of this meeting are very scarce, but from what we can gather, very little was achieved. There was some talk of "mature recollections!" However, certain people were very unhelpful. All this had something or other to do with a certain debate. However, I'm sure the cause is not lost yet.

Mitchelstown Macra held their annual dinner dance in the Firgrove on Friday night and six of our members attended. Those I saw heading in that direction looked very smart, grinning from ear to ear, even if they did forget the tickets!

However, a little thing like that didn't deter our three musketeers, bravely and boldly they fought a good battle and gained admittance. However, it seems to have taken them much longer to get back. This, I hear, can be attributed to the fact that one musketeer seemed to be wielding a toilet brush. Just remember Pat, a new broom sweeps clean.

Another deputation from the club headed for Dungarvan to participate in the County Quiz. The lads seemed to have fared considerably better than those who went to Mitchelstown. The team, Mike Leamy, Paddy Ahern, John Scanlon and Denis Drislane, were a very creditable third, with both Paddy and Mike making it into the county team. Paddy will also represent the club in the Mastermind section of the Yugo Talent Competition on this Friday night in Waterford.

The club has entered three acts in the Novelty Act section. People still can't make head or tail of one. It seems to resemble a County Executive meeting, with everyone shouting, nobody knowing what's really happening, and everyone saying they were early. We also have our funny man, Dave taking part in the comedy section. Our ballad group are sounding very well.

I'm deliberately saving the best wine till last, and they are of course our very talented disco dancers. Those of us who have seen them in action were very impressed and I must commend them on their dedication and for the amount of effort and sweat they're putting into it. We look forward to congratulating them next week.

A club meeting was held on Saturday night. The main topic on the night was our Christmas Party, which will be held on Friday, December 20, in the Blackwater Lodge Hotel. We look forward to meeting lots of Mitchelstown people on the night — isn't that right, lads!

After the meeting, sixteen members attended Fermoy Macra Ceili in Talk of the South. A great night was had by all, with some people lucky not to be walking home.

Soccer result: T. Keniry 1, J. Kenny 0.

Next Friday: J. Kenny v. C. Harris; T. Kearney v. M. Casey.

Finally, I would like to extend a warm welcome to new members John and Thomas Brackett and to Alan Martin. Until next week, over and out!

# The Melleray Christmas Show

Looking forward to some seasonal entertainment now that we are entering the run-up to Christmas? Then the place to be is at St. Mary's Hall, Mount Melleray on Friday, December 13 or Sunday, December 15. There for the unbelievably low admittance price of only £2, which also entitles you to partake in a draw for a £50 door prize, you will be royally entertained.

The local drama group have put great work and thought into this exhibition of local talent and have approached each rehearsal with enthusiasm and fervour.

On the night you will be witness to and can join in the singing of well loved old favourites and some new songs sung by the local children, teenagers, youth club, adults and the Cappoquin choir.

Not to be outdone, the adults put their best foot and voice forward as they show you their acting skills. What could be better than to relish in the political philanderings of present times, as seen through

the eyes of the local lads, or surely Cecil Sheridan's classic play "Daisy Market" will be a sight to watch.

Our local figure dancers and set dancers are eager to show you why they can be justifiably proud of all their recent winnings in that competitive field. Their exhibition of Irish dances will have you tapping your feet in unison with them.

We will be finishing off with Christmas carols sung around the Christmas tree, and the young children looking on, eyes filled with wonder and expectation. What better way to relive the spirit of Christmas and the great live amateur

drama scene, than to come to Melleray Hall and enjoy a good night out before Christmas.

## Finnisk Branch Comhaltas Ceoltoiri Eireann

The Annual General Meeting of the Branch was held in the Old School, Ballinameela on Monday, November 18.

On the Annual Outing this year we went to Birr Castle, which was very enjoyable although numbers were smaller than in former years. ## Increasing Social Problems For Emigrants In London

Alarming facts and figures about the ever increasing social and welfare problems of Irish men and women in London came to light this week.

They are published in the Annual Report of the Irish Support and Advice Centre. The Hammersmith based Centre is the only frontline Irish Agency operating in West London. It offers advice and information to its clients on many subjects including accommodation, welfare benefits and employment. The Centre also provides an on-going social work and counselling service to individuals and fam-

ilies. The shock figures reveal a huge number of problems ranging from homelessness and unemployment to depression, poverty and AIDS. The Hammersmith based Centre conducted 6,789 interviews mainly with Irish people, young and old, in the 15-month period ended March 31, 1991.

The Director of the Centre is Father Jim Kiely an Augustinian Priest who hails from Touraneena and in a 56-page report he stressed that the recession, which has hit London badly, is one of the key factors adding to the problems.

## G.A.A. NEWS

Last Wednesday, November 27 the final of the Hoffmans Variety Pub Competition took place in O'Shea's Hotel, Tramore. The Cosy Thatch, Kilmeaden, emerged the winners with The Lord Doneraile, Tramore taking second place and The Long Hall, Kilmeaden the third spot.

The standard of the final was superb and we congratulate the three pubs on their performances which were enjoyed by over 600 patrons. The competition has proved beyond any doubt that there is an abundance of talent around and the 23 pubs who took part this year certainly organised it to give us 2 months of excellent entertainment. The special award for the best performer in the final went jointly to Tom Whelan and Mary Ginnety of the Cosy Thatch for their part as Fear an Ti and Bean an Ti. Well done to all concerned who helped to make the competition such a great success and our special thanks to Tony Coffey who did M.C. for the final. Tony had won the best M.C. award in the earlier rounds. The club would like to thank all our sponsors especially our main sponsor Guinness Group Sales, without their support the competition could never survive. We also thank the people who can never win, our three adjudicators, Paddy Grant, Andrea Coady and Eamonn O'Neill for a job well done.

Copies of videos of the final are now available from the Club Chairman, Nicholas Fitzgerald, at £15 each.

# BRIDE VIEW UNITED A.F.C. NOTES

# United Go Top Of The League

## BRIDE VIEW UNITED 5 AFFANE 1

This meeting of the holders and the league leaders proved to be a tough battle in Tallow on Sunday last. It was no place for the faint hearted.

United started well but Affane's keeper saved well from Mickey Curley in the 13th min. Brother Philly had a great effort saved by Cullinane in the 18th min. In the 21st min. a Paul Curley shot just grazed the crossbar. Just before this an Eamonn O'Shea back-pass deceived the keeper but just went wide. The opening goal came in the 35th min. when Paul put Mickey through. Mickey beat two defenders to shoot into the net to put Bride View in front. They held this lead until the break.

United were brought down to earth in the 54th min. when a defensive mix-up left in Seamie Costin for the equaliser. It was all action now with both sides giving 100%. The lead goal came to United in the 61st min. when Paul Curley finished off a great move involving Mickey Curley and Dermot Henley. Then Gerard "Speedy" Hogan took over and sent in a cracking shot from 30 yards into the left hand corner for a marvellous goal.

United increased their lead in the 80th min. when Hogan set up Henley and Henley chipped the keeper to score a delightful goal. It was all United now and Philly Curley rounded off the scoring when he raced through Affane's defence to give United the points and put them on top of the league for the first time this season.

This was a good display from Bride View, especially in the second half. Gary did all that was asked of him in goal and could not be faulted for the goal. United's defence of McCarthy, Sheehan, Sice and Hartnett all played superb. At mid-field the Curley brothers and Hogan all had their moments, while McIntosh, Curley and Henley all played well.

United — G. P. Grey, T. McCarthy, G. Sice, T. Sheehan, M. Hartnett, G. Hogan, M. Curley, P. Curley, D. Henley, P. Curley, I. McIntosh. Res. — E. Cusack for I. McIntosh; P. Sheehan.

# Waterford County Badminton Notes

## SPORTSCENE LEAGUE FINALS

Over the past week several teams have been locked in battle for league honours. Touraneena ladies took on Lady Lane in a very close game but Lady Lane were winners with a score of 4/0. Carrick-on-Suir were in action against Tourin men's no. 2 team in their final. This also was a tremendous final as one of the games took over three-quarters of an hour to complete. Tourin won with a score of 3/1.

Ballyduff Lower ladies had a great victory over Kilwatermoy in a tough final.

Lismore ladies no.1 team led by captain Ann Dunne, brought a very fancied De La Salle team right up to the final set in one of the most exciting matches of the league so far. With each side hungry for results, a tough, no nonsense match took place that was a delight to watch.

Lismore went into the last vital game with a 2/1 lead but De La Salle were determined to ensure a 2/2 draw. For nearly an hour four very able and determined badminton players hushed the huge crowd assembled with fantastic badminton. Each side probed the flaws in

each others defences and this was to result in an extremely close match.

Ann Heaphy and Cariona Fogarty from Lismore had lady luck shining on them in the final stages of the match. The score was 3/1 to Lismore.

Dungarvan ladies 5th team travelled to Ferrybank for the final of their section against Dunmore. Again the quality of play from each side was excellent and the result was 3/1 to Dungarvan.

Melleray defeated a strong Dungarvan men's side during the week in Tourin Hall. Tourin men beat An Rinn also.

The Mixed Doubles SportsScene League has now commenced.

# Gaultier Camogie Club

Gaultier Camogie Club's annual sale of work takes place on Sunday next, December 8, at Bellake Community Centre. Doors open 2.30 p.m. Spinner, auction, stalls, etc. (Adv't.)

# ST. CATHERINE'S G.A.A. NOTES

## U-16 Football County Championship

### Carbery Rangers 2-11 St. Catherine's 1-8

The above game in the Cork county semi-final was played at Ballygarvan last Sunday. Catherine's, playing well from the start, got into a winning mood early in the game and in an evenly contested event they were level with their opponents Carbery Rangers at the break with 1-5 to Carbery's 8 points.

Still playing their best on the turn over, hard luck assailed them in the last quarter and conceding two goals to strong opposition their county hopes were dashed for '91. However we congratulate our boys in going so far and in a season that commenced way back in April great merit is due to them and their mentors.

The team was — Robert Hamilton, Michael O'Brien, Michael Dorgan, David O'Connell, Gerard Lynch, Jim Lane, Aidan Hickey, Richard Cotter, Johnny Sheehan, Martin O'Keefe, Kieran Morrisson, Brendan Hickey, Michael Hegarty, Brian Cotter, Des Lucey. Subs. — Paddy Lane, Richard Hegarty (used), Pat Morrisson, Donal Lynch, Brian Quinn, Brendan Noonan, Paul O'Connell.

## Minnies Squash Club Notes

### ANOTHER EMPHATIC VICTORY

On Wednesday night last, November 27, our men's country league team played their final home fixture of the qualifying series where they ran out very emphatic victors over Tallow.

At number five Bobby Lyons showed the same courage that has seen him win two county G.A.A. titles this year as he had to be at his best to win a very tough encounter by 3-1. I think we will have to call John O'Donoghue "flash" for the longest part of the game seemed to be the warm up as John ran out a very quick 3-0 victor at number four to keep his 100% record intact. At number three Paddy Power was back in the team (Paddy was missing last week due to the sudden and sad death of his uncle Jack Veale.

To Paddy and the Veale family we offer our deepest sympathy. Paddy had a very long, tough battle and needed to call on all his fitness to record a very good 3-2 win. At two it was business as usual for the babe of the team as Paul O'Brien recorded another clinical performance as he won 3-0. At one, captain Dan McCarthy played his heart out in a tough five setter but sadly lost 3-2. Final score: Minnies 14 points, Tallow 6 pts.

This Wednesday night, December 4, the lads have their final game away to Youghal and barring a major disaster, qualification seems certain — an emphatic win would hopefully qualify the lads as group winners which would on paper anyhow suggest an easier semi with the victors of our group playing the runners-up of the other group and vice versa, so good luck lads on Wednesday.

### BANK OF IRELAND

Our second team tournament of the season, the Bank of Ireland, closed for entries last Tuesday, November 26. A total entry of 39 was received. While

this figure is okay, I feel it could have been bigger. I know a lot of people were caught on the hop expecting an extension of the closing date. C'est la vie. A closing date is a closing date. For those who missed the boat, the next tournament, the TSB, will close for entries in mid-January '92.

The selection committee, with an entry of 39, decided to opt for three person teams and with several of the top players not entering it appears a wise decision, with most of the 13 teams looking quite even.

The action commences Tuesday, December 3 and continues Thursday, December 5 (Tuesday, Dec. 10, Thursday, Dec. 12). The series are scheduled for Tuesday, Dec. 17 with the final Wednesday, December 18, the night before the you-know-what.

Some interesting games to look out for are, at one, Martin Walsh makes his squash tournament return with a toughie against Pat Breen, we have country league team mates John O'Donoghue clashing with Dave Tuohy, in a battle of the juniors we have Emmet Byrne against Jonathan Burn playing at three.

On this Tuesday, December 5, Bobby Lyons will be looking forward to his encounter with Owen O'Mahoney who leads his very strong-looking 'A' team into action. In the same tie we have a repeat of the Baumann final with Annette Power against Brian O'Mahoney. If Owen's 'A' team qualify we have a very interesting prospect of Liam Byrne against Trevor O'Mahoney, a repeat of the very close Baumann's tie. The only survivor from last season's winning team is Pat Breen. The winning team was (1) Tommy Butler, (2) Frank O'Donoghue, (3) Pat Breen, (4) Cindy Brady, (5) Paul Breen.

### DON'T FORGET

With the Bank of Ireland consisting of three person teams we would ask all

competitors to make a big effort to play at the designated time — please check what time and night you are playing. We don't want to see any walkovers. If anyone is unable to play through illness or any other reason, please notify the tournament directors at the very earliest convenience so the problem can be dealt with. The TD's for this competition are Maurice Walsh and Anne Henneby. All numbers twos are captains. One more point: we would ask if asked to referee a game please oblige. I've yet to see a referee get his head "bitten off", so don't be shy.

### THE HEAT IS ON

All the members who like the heat are going around with broad smiles on their faces lately as the sauna has been fixed and is now in full working order. I'm delighted to report it's getting great use from the men. We will have to ask the "Real Vice" for a report on its usage from the ladies. With the news that the sauna is now in full throttle we send out an s.o.s. for Denis O'Brien to make a return and while you're at it, Denis, don't forget the mandarins.

### OTHER NEWS

The mixed ladder closes for entries this Friday night, December 6, so all you members who as yet have not signed up we urge you to do so — it's your best way to meet new players and also to gauge your progress.

Young Brian Byrne has agreed to keep us in touch with the goings on of the very junior members such as their own private tournament. So we will be looking forward to Brian's scores and reports.

Tuesday, December 10, is the date for the men's country league semi-final with the final scheduled for Friday, December 13, in Fermoy. Hopefully, these will be dates we will be writing into our diaries. Until next week. — *THE VICE*.

## RUGBY NOTES

# Cup Defeat For Dungarvan

DUNGARVAN 0 CARRICK-ON-SUIR 12

A failure to secure quality possession and to take scoring chances when they presented themselves meant that Dungarvan never got in a telling challenge in this Munster Junior Challenge Cup second round tie at Ballyrandle on Sunday last.

Carrick had first use of the breeze and had run up a 12-0 lead before Dungarvan came to grips with the bigger and stronger Carrick pack. To Dungarvan's credit there was a marked improvement in the second half and a policy of keeping the ball moving almost yielded the scores which would have brought the home side back into the match. It wasn't to be however, and Carrick were deserving winners in the end.

Team — J. McGrath, P. Walshe, D. Looby, E. Phelan, M. Brackett, M. O'Connor, J. Curran, J. Morrissey,

D. O'Brien, A. Curran, P. Mullaney, P. Foley, P. Dunphy, T. Shanley.

### SECOND XV

Dungarvan second XV made their first appearance of the season in this friendly against an unbeaten Carrick-on-Suir team at Ballyrandle on Sunday last. Dungarvan's team was a nice blend of youth and experience ably led by Michael O'Halloran and is a side which will improve with a few more outings.

After a great struggle the game ended 3-3 with Davey Salmon kicking Dungarvan's points in the second half.

### DRESS DANCE

A final reminder that the Annual Dress Dance will be held on Saturday next, December 7, at the Park Hotel. Guest speaker will be Mick Quinn and some tickets are still available from Eamon Spratt.

### YOUTHS

We are delighted to report that training for youths under 18 will commence on Friday, December 13, at 7.30 p.m. at the club grounds Ballyrandle. Coaching will be under the supervision of Niall O'Herlihy, Martin Hession and Tom Lyons and all are welcome.

## Minnies Racquetball Notes

### BOOKING SHEET FULL!

Everyone is busy playing their ladder matches this week and it's great to see the booking sheet fully booked out. Even when the sheet went up on Wednesday night there was a lot of spaces filled up already — and all in the same handwriting, I might add — must be one of the advantages of being the secretary!

Anyway, due to demand from players, the finishing date of the ladder has been extended to December 18. This will give everyone plenty of time to get all their games played. It is in everyone's interest to play all their matches. It could be the difference between 1st and 2nd place, especially in Division 2.

### CHRISTMAS TOURNAMENT GETS UNDERWAY

Tonight, Wednesday 4th, our Christmas Tournament begins. On court we have the battle between Martin Walsh's team and Seamus Connolly's team. Martin, who has won our previous tournament, will be looking to bring home some more valuable prizes, but not if Seamus can help it. Seamus will be looking forward to adding more prizes to last year's collection. Tonight will tell who goes forward.

First on court will be Charmain O'Brien v. Louise Hallahan, then our squash Vice, Ray Moore v. Michael "Fox" Drummy. Next will be Eddie Moore v. Lady President herself, Jenny McGrath.

Will Eddie be able to recover from his defeat in the ladder by Jenny? Then, it's the numbers ones, Martin Walsh v. Seamus Connolly. Come along and see how things go.

### CHRISTMAS NIGHT OUT

Don't forget our Christmas night out is on Tuesday, December 19, and it promises to be a great night. Our squash colleagues will be

### MICHAEL WALSH — MUNSTER OPEN CHAMPION

All of our representative team did very well in Fermoy this past week-end. Our team was Michael Walsh, Maurice Walsh, Seamus Connolly and Charmain O'Brien. The weekend really belonged to Michael Walsh. His victory in the Munster Open Plate final was a result of his ability and dedication and love of the game. Congratulations Michael, we're all proud of you.

Maurice Walsh reached the semi-finals of the over 35 and the final of the D section. Maurice was narrowly beaten 15/13 in the semi-finals by someone 10 years younger than him, and in the final by someone 27 years his junior! This was not your weekend Maurice. You're still number 1 — just about — grandad!

Seamus was beaten in the B and C semi-final, "only just" according to himself. Not even his two new American style racquets that he got flown in during the week made any difference. Face it Seamus, you were out of your league!

Our only lady representa-

tive, Charmain O'Brien did very well in the Ladies D section. She reached the semi-final of the plate, but was narrowly defeated in the final game. This is Charmain's first away tournament and is already booking her place for the Tralee International Tournament in the new year.

Until next week. — "THE REAL VICE."

## RED HOUSE LEAGUE NOTES

## Bride View Take Over As League Leaders

Bride View Utd. went to the top of the league when they defeated the league leaders Affane at home. There were good wins also for the East Cork sides, Inch and Killeagh. Lismore recorded a big away win while Cappoquin edged out Youghal in a five goal thriller.

In Division two Mogeely go marching on but Ballyduff had a big away win while the other hopeful side, Cappoquin, had to settle for a share of the points in Piltown. Ardmore had a big home win against Pinewood Rangers.

## DIVISION ONE RESULTS

## Bride View 5, Affane 1

This was a tough but for the most part a sporting game when the holders took on the league leaders in Tallow. The first half saw the home side do most of the attacking, but found Cullinane the Affane keeper in top form. Cullinane brought off two great saves in the opening 15 minutes.

Eamonn O'Shea almost put the home side in front in the 19th minute when his back pass deceived the keeper but just went wide. Bride View took the lead in the 35th minute when Mickey Curley beat two defenders and put the ball in the net despite Cullinane's best efforts. United held the lead till the break.

The second half was only 9 minutes old when Affane were back on the game when Seanie Costin grabbed an equalised after a lapse in United's defence. Both sides now went looking for the lead goal. It came to the home side in

the 61st minute when Paul Curley scored from close range. Gerard "Speedy" Hogan crashed home a tremendous goal from 30 yards in the 65th minute. Dermot Henley chipped Cullinane in the 80th minute to put the home side 4-1 in front. The final Bride View goal was a great individual effort from Philly Curley who raced through Affane's defence.

Two points for Tallow, which now see them go top of the league for the first time. Will they stay there? The coming three months should give us the answer.

## Valley Rangers 1 Killeagh 3

Killeagh grabbed the points in this all Cork clash. Colman Gavin gave Killeagh the lead in the 40th minute and two minutes later Brian Motherway put them two goals in front and the sides went in at the break with Killeagh two ahead.

Rangers came more into the game in the second half and pulled a goal back in the 66th minute when John McCarthy scored. Rangers had some chances soon after to equalise but they failed to convert them. Killeagh had the final say in this game when Martin Keniry grabbed their third goal and made sure of the points for them.

## Inch 1, Modeligo 0

Despite a shortage of goals, this game produced some marvellous football. The game was played at a very fast pace with plenty of scoring chances. At the break the game was still scoreless.

The all-important goal came in the 68th minute when Adrian Budds scored to clinch the points for the home side. Inch have now put together a good run and if they continue then they may be there or thereabouts come March.

## Cappoquin 3, Youghal 2

Five goals and plenty of good and exciting football kept the fans on their toes here. Martin Power put the home side in front early in the first half but Rosie Plant equalised midway through the half.

Plant struck again 2 minutes into the second half to put the seasiders in front, but Cappoquin fought back and goals from Michael Walsh (free kick) and Wattle Moore clinched the points for the home side. This win keeps them up with the leaders.

## Glenview 1, Lismore 6

Glenview, short five regulars players due to injury and flu, found Lismore too strong. It was the home side who went in front after just 7 minutes when Dick O'Donnell chipped the keeper for a fine goal. Lismore fought back and scored three goals before the break to leave the score 1-3 at half time.

It was all one way traffic in the second half and Lismore will be very happy with the points. Paul Quinn grabbed himself a hat-trick here with Lismore other scores coming from Barney Prendergast (2) and Tommy Pratt.

## DIVISION TWO

## Mogeely 1, Araglen 0

League leaders Mogeely were made fight all the way in this game. Both sides missed chances. Martin Conroy and Pat Costigan both went close for the home side. At the break however the sides were still scoreless.

Araglen's defence held out until the 75th minute when Mogeely's scorer in chief Tom McCarthy grabbed the all important goal that keeps the home side still league leaders of Div. 2.

It was a good display from the Araglen side who had fine performances from Pat Buckley, Ger McCarthy and Tony White. Mick McCarthy and Tom McCarthy stood out for the home side.

## Grange 0, Ballyduff 3

For a long period in this game it looked as if the points might be shared. Going into the final 20 minutes the game was still scoreless, but then the Prendergast brothers, Sean and Paudie, took over and scored a goal each — both of them

beauties, from all of 25 yards. Ger Hickey rounded off the scoring for Ballyduff.

It looks as if the battle for league honours lies between Ballyduff and Mogeely, but it's early days yet.

## Piltown 1, Cappoquin 1

Cappoquin's second squad were brought down to earth on Sunday last when they can count themselves lucky to share the points with Piltown. On the day Piltown looked the better side and if they made more of their chances then they could have got maximum points.

Cappoquin never gave up however and will feel pleased with the point. Seamus Allen was Piltown's scorer while Fintan Murray was Cappoquin's marksman.

## Ardmore 5

## Pinewood Rangers 0

Ardmore had a big home win against strugglers Pinewood Rangers. Mickey Keating and Frankie North gave the seasiders a two goal lead at the break.

Keating struck again in the second half and Declan Hennessy got two more for the home side, one from the penalty spot, to clinch two points for Ardmore.

## PREVIEWS AND FIXTURES —

## DIVISION ONE

All games kick off at 11.30 a.m.

**Bride View United v. Youghal** — United face the seasiders at home on Sunday in what should be a very close game. When these sides meet there is always only a kick of a ball between them and this game should be no different.

Bride View, with Philly Curley playing outstanding at the moment, is backed up by brothers Mickey and Paul as well as speedy winger Dermot Henley, are going well at the moment. Youghal depend on Billy Lane for goals and if United's defence can hold him then the points could go to the home side.

**Mogeely v. Killeagh** — Both of these sides are finding the going tough this season. Modeligo's ground is one of the best in the league so both sides should serve up some good football. The East Cork side need the points but if Nickey Donovan is on form then the home side could steal the points.

**Lismore v. Valley Rangers** — Lismore are moving up the table now that they have a full squad. They have to keep winning and with local derbies coming for them over the next two weeks the points here are vital for them. Rangers are not having the best of season's and it's hard to see the Cork side taking any points from this game, especially with Lismore having had big away win on Sunday last.

**Affane v. Cappoquin** — A big crowd will turn up in Affane for this important local derby which should be a cracker. Affane suffered a

heavy defeat in Tallow last week but will be hoping to get back to their winning ways. Cappoquin have hopes of going all the way this season but home advantage may shade it for Affane, but don't write off Cappoquin.

**Glenview v. Inch** — The home side will be hoping to get something from this game but Inch have been improving as the season continues. Defences on both sides are playing well and it may be left to whichever set of forwards click on the day will grab the points. I'm sure they would settle for a point each.

## DIVISION TWO

**Cappoquin v. Mogeely (kick-off 11.30)** — It's make your mind up time for Cappoquin fans with both their sides involved in two attractive ties. The home side are having a marvellous season. Likewise Mogeely are going well and are the surprise team in Div. 2. Manager Mick Sullivan has put a good squad together and will be there or thereabouts come March.

The points are vital here for both sides. Cappoquin, with home advantage, may just shade it, but it will be close.

**Araglen v. Bride View Utd. (kick-off 2.30)** — The home side are finding the going tough in this their first season in The Red House League. United on the other hand, are going well and it's hard to see

them going home empty handed from this one. Araglen have been unlucky in some of their games by just the odd goal but Bride View should take the points here.

**Pinewood Rangers v. Grange (kick-off 1.30)** — Rangers have signed two new players in a bid to lift them up the table. Grange are also finding the going tough. The points are vital to both sides but they may settle for a point each. It should prove an interesting game but the goals may be scarce.

**Ballyduff v. Ardmore (kick-off 11 a.m.)** — The homeside are pulling out all the stops as they strive for league honours. They have a very strong side this season and despite being without the services of one of their leading forwards namely Brendan Cotter (out injured) they should be good enough to clinch the points against an Ardmore side blowing hot and cold this season.

## UNDER-18 CORNER HOUSE LEAGUE

**Saturday, December 7** — Bride View Utd. v. Ardmore, kick-off 11.30; referee P. Collins; Railway Ath. v. Youghal, kick-off 11.30; referee B. Shanahan. Result: Ardmore 2, Railway Ath. 10.

## SYMPATHY

The league extend its deepest sympathy to the Lyons family, Main Street, Tallow on the sad passing of John's mother in Dungarvan. May she rest in peace.

## Railway Ath. (Cappoquin) Soccer Notes

## UNDER-12 SFAI CUP

Our under 12's had Kilkenny side St. Canice's at home on Saturday last. They proved to be a very hard, big side and too experienced for our lads and we suffered our heaviest defeat yet.

## UNDER-16 SFAI CUP

## Railway 1, Southend 3

Our under-16 side pushed Southend, who are leading the first division league, all the way in one of the best games of football played at the Danes field for a long time.

We went straight into attack from the word go and put a lot of pressure on the Southend defence. The opening goal came when Eddie Hickey got a brilliant solo goal. We kept playing good football but with five minutes remaining in the first half Southend got the equaliser following a number of mistakes by our defence and the half ended one all.

We started the second half as we finished the first and for 20 minutes we played Southend off the pitch but we could not take advantage. Then, with ten minutes remaining a through ball caught us square and left Southend in to make it 2-1, but to their credit, our lads kept going, but on the stroke of time Southend got their third. Full credit must go to all the lads who played with a lot of pride.

Team — P. Coleman, T. O'Connor, L. Dalton, T. Quann, R. Curran (capt.), E. Murphy, T. Fitzgerald, N. Cotter, P. McLoughlin, E. Hickey, B. Whelan. Res. M. Shanahan for B. Whelan, B. O'Connor for L. Dalton.

Well done to Brian Wall, referee, who had a good game and helped in no small way to make this game a classic.

## UNDER-18 RED HOUSE LEAGUE

## Railway 10, Ardmore 3

Our under-18 team were making their debut in the Youth League of the Red House League when they travelled to Ardmore on Saturday last. They played well and ran out easy winners. Our goalscorers were Conor Prendergast (4), Paul Ormonde (3), Alan Gilligan (1) and Dean Morrissey (2). So, a good start and let's hope they keep this up.

## Cappoquin Soccer Notes

## Cappoquin 'A' 3, Youghal 2

We came out on top after a five goal thriller at home last Sunday. Youghal came determined to change their bad run in the league to-date and pushed us all the way to the final whistle. Martin Power got us off to a great start early in the first half and instead of building on this lead our lads sat back and Youghal got the equaliser and soon after took the lead to give them a goal advantage at the break.

We got back in control in the second half and another spectacular Mike Walsh goal from a direct free kick got us back on level terms. Whattle Moore secured the points with a fine goal with ten minutes remaining.

The worrying aspect of this game was that Martin Power picked up a nasty leg injury, to add to the already long list of injured players for the 'A' side.

## Piltown 1, Cappoquin 'B' 1

A lack lustre first half performance nearly cost us this game. Darren Mason hit the crossbar in the first minute but for the next half hour we were on the rack and were lucky to find ourselves only a goal down, which came from a corner kick.

Piltown should have added to their score during this period and must be disappointed that they did not. We came slowly back into the game. Fintan Murray and Pat Cullen hit the woodwork before the break.

If the first half belonged to Piltown, the second half belonged to us. We finally settled down and played our best football for some weeks. We forced a number of corners and grabbed the equaliser from one of these when Fintan Murray got in between a number of defenders to head home. Rhiney Walsh tested the keeper soon after with a fine header.

Piltown nearly caught us on the break but Looby in goal and O'Donnell were in the right places to keep them out. Being pushed on by capt. Eddie Budds, we came within a whisker of getting the winner through Fintan Murray and Conor O'Leary.

Next week we have a big showdown between ourselves and league leaders Mogeely who have yet to lose a game.

## DUNGARVAN UNITED — DIV. 1B

# Lucky Escape For Blues

## DUNGARVAN 2 KILMATHOMAS 2

Dungarvan entertained Kilmacthomas on Saturday afternoon last in Kilrush Park and after their fine performance against Bohemians the week before their confidence must have been high. The day itself was dull, dour and dreary and for the most part just like the game served up, except for the last twenty minutes when all four goals were scored.

Another most disappointing factor of Saturday last was the virtually non-existence of supporters at Kilrush Park, to be honest, if there were 10 actual supporters at the match there was a lot, this is not including officials and reserves of both sides. This situation is very serious indeed and you cannot expect players to lift their game sufficiently enough if they are getting no support.

The game was played at a decent pace with Dungarvan playing the odd bit of football now and then, but they never seemed to get into a rhythm and as a result they let Kilmacthomas off the hooked on a few occasions. P. Tutty and G.

O'Connor combined well up the left flank and they caused a problem or two with Connors firing some good crosses over, but alas, there was no one on the end of them to knock them home. United defence were seldom troubled in this half with the back four in commanding form. But for all this Dungarvan failed to penetrate a Kilmacthomas rearguard with ex-United player Brian Whelan having a fine game.

Alan Sheehan came close in the 37th min. but his shot carried no real power, but the best chance of the half fell to Des Foley, who had a free header from a G. O'Connor corner but he headed badly wide.

The second half was a real dour affair with both sides creating nothing for long periods. Midfielders from both sides failed to get a grip on the game and as a result there was no real constructive football played. With time moving on, the game seemed set for a draw.

### KILMAC' TAKE LEAD

With about 17 minutes to go in the game Kilmac' took the lead after a scramble in the United penalty area. This to be fair was against the run of play. United retaliated by piling on the pressure and after some fine goalkeeping by the Kilmac' keeper had denied the Blues, Alan Sheehan got a fine equaliser after some good play down the right. This seemed to spur on United and though they had an enormous amount of territorial advantage in the last few minutes it was Kilmacthomas who scored a superb breakaway goal. A superb through ball left the winger through and he fired a shot that was well saved by United's Landers, but the ball broke to an intruding Kilmac' midfielder and he side-footed home to an empty net. At this stage Kilmac' looked the victors as time was practically up but the referee played what seemed an over generous amount of injury time and Dungarvan took advantage of this and Des Foley fired an unstoppable shot to the roof of the net, even though there was a "hint" of offside.

Kilmacthomas can feel very unlucky that they did not snatch victory in this game as they did take the lead in the final minute, but in all fairness a draw was a fair result, as the game was so poor as a spectacle, that no one deserved to win on the day.

Dungarvan can count themselves very fortunate that they did not lose both points on offer here, they will have to raise their game a lot higher than they did last Saturday and if they cannot collect the points that are on offer at home, then they will certainly rue all the ones that got away at the end of the season.

Manager John Walsh must be really puzzled with the way this team is blowing hot and cold every week and he will have to try and get some consistency going if they are to entertain any hope of league honours this season.

United play Carrick on Sunday next, kick-off 2.30 p.m.

**Dungarvan** — Alan Landers, Gary Burke, Willie Coward, Kieran Foley, Pat Tutty, Billy Sheehan, David Crotty, George Hamilton, Gerry Connors, Des Foley, Alan Sheehan. Res. — Jeff Allen, Mickey Hickey.

## DUNGARVAN UNITED DIV. 3B

# Dungarvan Let Vital Point Slip

## SEAVIEW 2 DUNGARVAN 2

Dungarvan lost a marvellous chance of closing the gap on league leaders Tramore on Sunday evening last at Annestown, when after an indifferent display they managed to come away with a share of the spoils.

The Blues got the best possible start on a hard, bumpy surface and went in front after just seven minutes. A great through ball from Walsh released Simms and as the keeper advanced he kept his nerve and chipped him, but his attempt was fisted clear by a defender who was then unfortunately dismissed and Donnelly blasted home the spot kick. This spurred on the visitors and in the following twenty minutes they played their best football of the game. Midway through the half a great ball down the right by Mulcahy found Sandford who passed outside to P. J. Drummy and his far post cross found Simms but the keeper parried his attempt. The visitors were rampant at this point and once again it was Simms (who was Dungarvan's busiest player) who got on the end of the cross, but his shot was just inches high.

With just 12 minutes to go to the break the seasiders got back on parity against the run of play, a free kick 40 yards out found the no. 8 completely unmarked and his fierce drive was brilliantly parried by Drummy, but the centre forward reacted quickest to stab home the equaliser.

The visitors had two further chances to restore the lead, first, a Cummins corner was headed over by

Walsh and on the stroke of half time a Sandford cross was picked up by Drummy but his effort was scrambled clear by the home defence.

The second period was totally dominated by Dungarvan to such an extent that for most of the time Donnelly was the Blues lone defender. They deservedly restored their lead early in the half and once again Simms was the provider when he sprinted onto Walsh's pass and hammered the ball past the keeper. Sandford should have increased their tally seconds later when put through by Wade, but he shot straight at the keeper.

Seaview however refused to buckle and defended stubbornly and got a lucky break with time running out. A long ball from defence found the winger who looked well off-side but the referee failed to whistle and he shot past Drummy from 10 yards.

The Blues will look on this as a point lost rather than a point won which could yet be a vital factor in this year's campaign.

Team — K. Drummy, P. Mulcahy, B. Wade, A. Donnelly, S. Cummins, J. Walsh, M. Walsh, B. Drummy, A. Simms, L. Sandford (capt.), P. J. Drummy. Res. — P. Flynn for B. Drummy; B. Crotty, J. Mulcahy.

Man of the Match — Alan Simms.

# Schoolboys Big Win In Kilkenny

## ST. CANICE'S (KILKENNY) 0

## DUNGARVAN UNITED 6

Dungarvan made the long journey to Kilkenny on Saturday last and ran out convincing winners by six goals to nil. This puts the Blues into the semi-final of the area and they will meet either Tramore/Bohs or Bolton/Southend in the next round.

Dungarvan took some time to settle and adjust to the strange surroundings. The opening goal came in the 33rd minute when a build-up on the right wing started by Richie Finnegan saw a cross by T. Kiely into the box gathered by Micheal Downey and he fired a great shot into the roof of the net. Four minutes later the Blues were 2-0 up when sweeper David Wall picked up the ball on the edge of his own area and carried it into the opposition half, his shot into St. Canice's penalty area was misjudged by the defence and also deceived the keeper and flew into the net. This left the half-time score 2-0 in Dungarvan's favour.

The home side had their best spell in the opening minutes of the second half and keeper Morgan Cummins was called on to make two good saves. The third goal came in the 51st minutes when a good build-up from defence involving B.

Cliffe, J. Hyslop and M. Downey saw the latter's cross to the far post finished to the net by Ml. Donnelly. Jason Hyslop scored the fourth in the 61st minutes, from the penalty spot, and brother Mark made it 5-0 with a beautifully struck free-kick. Micheal Downey finished off the scoring in the 75th min. when he headed home a corner.

It was essentially a fine all-round team performance with every player playing his part, not forgetting the supporters who travelled. But we feel we must mention the fine display of sweeper David Wall, who never put a foot wrong at the back and also scored a fine individual goal.

# United Advance With Good Display

## DUNGARVAN UNITED 3

## ST. OLIVERS (CLONMEL) 1

After an exciting game United ran out 3-1 winners in this cup tie at Kilrush Park on Saturday last.

Dungarvan had a great start after about 10 minutes when Benny Cliffe struck a free-kick all the way to the net. The Blues went two up shortly after when the same player hit a free that the Saint's keeper should have saved, but he let the ball through his legs for an easy goal.

Tommy Butler added another shortly after to put the Blues 3 up. St. Olivers weren't, to their credit,

going to lay down however, and pulled one back just before half-time.

The second half was a hard fought affair with play swinging from end to end with chances falling to both teams. But there was to be no more goals, so the Blues ran out winners of a hard fought cup tie.

Team — J. Sheehan, M. Coles, D. Foley, J. P. Donnelly, K. Kiely, B. Cliffe, T. Butler, D. Fahey, L. Hurney, L. Simms, J. Foley. Subs. — P. Keane, R. Ferncombe, M. Crotty, B. Lonergan, D. Considine.

**BALLINROAD A.F.C. NOTES**

# Ballinroad Slip Up Again

**BALLINROAD 1 KILMACOW 3**

Following their good display last Saturday week much was expected of Ballinroad in this league game at St. Laurence's Park on Sunday morning last, but once again they turned in a poor display to lose to Kilmacow.

Ballinroad applied the early pressure but could not break down the Kilkenny men's solid defence. As the half wore on the visitors got completely on top in midfield and with Ballinroad constantly giving away possession Kilmacow got through for two well taken goals.

The homesters got a chance to get back into the game in the 35th minute when Dermot Dee was taken down by the visiting keeper and a penalty was awarded, but the keeper made amends for his error when he saved Danny McGovern's penalty and also his follow-up shot. Ballinroad did get a goal back before the break when

a quickly taken corner by Ray Burke found Dermot Dee on the edge of the box and he crashed the ball to the net for his second goal in as many games.

In the second half Ballinroad fought hard but lacked finish in front of goal, though it must be said an injury to Pat Flynn did not help matters. Kilmacow wrapped up the game in the 70th minute when they converted a rather harsh penalty awarded against the home keeper.

Ballinroad should have had a second penalty in the dying minutes but the referee waved aside their appeals. So another home defeat. Ballinroad who need to play a more direct

game to get results.

Ballinroad — Reynolds, O'Connor, Boland, Burke, R. Burke, Power, McGovern, Dee, Flynn, Tobin, Power, Res. — O'Mahoney for Boland (half-time); Brennan for Flynn (inj.); Referee — R. Finn.

**UNDER-16's**

**Ballinroad 2 Villa 4**

Leading 2-1 at the break, Ballinroad slipped up in the second half in this game against second place Villa on Saturday last. Alan Phelan and John O'Mahoney got the homesters goals. Brian Barrett, back after injury, made some excellent saves here.

**GRANGE UNITED F.C. NOTES**

# HOME DEFEAT FOR GRANGE

**GRANGE 0 BALLYDUFF 3**

Grange suffered a heavy defeat on Sunday last in our first home league game of the season. The scoreline does not do justice to a Grange team who played some excellent football on occasions, and it took two 30 yard strikes and a lucky break midway through the second half to give Ballyduff the points.

The Grange defence was always on top in the first half with Declan Whelan and Sean Wade in particular playing well. The midfield also played well, never allowing Ballyduff time to settle on the ball. But it was up front we had problems with neither of our strikers having a single shot on target. The only shots we had on goal came from midfielders Muiris Quinn and Martin Curran, but on each occasion the keeper was well placed to save.

The second half was much the same with Ballyduff unable to breakdown a very resolute Grange defence. It

took an excellent strike from Paudie Prendergast from 30 yards in the 65th minute to break the deadlock. A second followed 3 minutes later when the ball broke kindly to one of Ballyduff's forwards and he hammered it home. The third goal was scored in the 75th minute another 30 yard screamer and that was that.

Best for Grange were — S. Wade, D. Whelan, M. Curran, M. Quinn and E. Curran.

Team — P. Browne, S. Wade, B. Stilwell, D. Whelan, P. Roche, D. Mansfield, M. Curran, E. Curran, M. Quinn, T. Kelly, D. Condon.

Res. — K. Gleeson for Mansfield (62 mins.); S. McGrath for Kelly (80 mins.)

Star Performer — S. Wade.

Fixture — Sunday, December 8 — Grange v. Pinewood Rangers in Ballymac, kick-off 11.30 a.m.

**U-17 FRIENDLY**

Our U-17 team also played a friendly against Piltown on Sunday last, which finished 2-1 in favour of Piltown. Best for Grange were L. Budds and F. Keating, while Grange's consolation goal was scored by Sean Wade from a penalty kick in the final minute of the game.

**GLENVIEW A.F.C. NOTES**

# Lack Lustre Display By Glenview

**GLENVIEW 1 LISMORE 6**

A large crowd turned up to see our home game with Lismore on Sunday last, they got plenty of goals, unfortunately Lismore got the majority.

It was Glenview who took the lead when Dick O'Donnell cut off a back pass and slotted the ball to the net. This advantage was short lived as the visitors replied within 10 minutes. Shortly afterwards they scored

again — this seemed to be the turning point in the game — Glenview never recovering to mount a challenge.

The visitors added another before half time and another three before full time. Glenview created some scoring chances late in the game, but could not find the net.

Although Glenview were understrength, it was a lack lustre performance from a

team that never seemed to get into its rhythm.

Glenview should take heart in their performance earlier in the season and a good result at home next week should restore some confidence to the side.

Team — Casey, Crowley, McBride, Tobin, Dolan, T. O'Donnell, Hallissey, A. Power, D. O'Donnell, Landers, McGrath. Subs. — Hickey, Fitzgerald.

# Cunnigar Pitch & Putt Club Prizewinners

WEST WATERFORD PRIMARY SCHOOLS G.A.A.

# Modeligo N.S. Win Roinn 'C' Football

MODELIGO N.S. 3-5 ARDMORE/GRANGE N.S. 1-7

Modeligo's decision to opt for the higher grade this year as they wanted to give all their players a game of football was rewarded with a surprise outright victory in the section.

Modeligo struck quickly and decisively in this final with two points from play by Pat Fitzgerald. Ardmore/Grange continued to be slow to settle and struggled to find their rhythm but eventually got their act together and got in for a goal and the lead.

Modeligo still the sharper team replied with a point from a "45" by Adam Bending and another one by the games top scorer Pat Fitzgerald. At the pace of the game increased with both teams stretched to the limit Modeligo's good start was the difference between the sides as the games crucial score came just before half time, when Walter O-

Grady scored a goal to leave Modeligo 2 points up at half time with a scoreline of Modeligo 1-4 Ardmore/Grange 1-2.

On the restart it was going to be anyones game and one could sense it was going to be a test of character as well as footballing ability.

Heart-stopping stuff it was — a point from Ardmore/Grange — a goal for Modeligo followed by 2 points for A./G. The Blues dominated — but the forwards could not find the target and the number of wides kicked in this period of dominance were eventually to be decisive to the result of the game. Modeligo introduced sub. Kenneth Murray as the intensity of the game heightened. The teams swapped points but Modeligo placed the final block on their wall of victory when Kenneth Murray

scored Modeligo's third goal.

Credit to Ardmore/Grange however as they tried to the last and had the final score of the game — a point from play.

For Modeligo to win this grade everything had to be right — good players, good coaching with players obeying tactics as well as good back-up and co-operation among the teachers, parents and the club. Ardmore/Grange contributed greatly to the success of Roinn "C" and when one looks at the scoreline in the final they had the same number of scores as Modeligo.

Modeligo — Pdraig Denn, Tomas Foran, Kevin Quinn, Adam Bending, Brendan O'Connell, Michael Power, Michael Sheehan, Pat Fitzgerald, Walter O'Grady, Michael Dalton, John Cashman. Subs. — Kenneth Murray (p), Aileen McCarthy (p), Pauline Fitzgerald (p), Michael Tobin, John O'Grady, April Walsh.

Ardmore/Grange — Patrick Power, Michael Supple, John Conway, Brian Linnane, Killian McCarthy, Seamus Prendergast, Wayne Hennessey, Richie Hennessey, James O'Neill, James O'Donnell, Adrian O'Donnell. Subs. — James Hennessey, Trevor Morrissey, Liam Power, Patrick Conway.

## Clonea Bowling Club News

### BOWLING LADDER

After a week of some fierce competition our ladder has some surprising changes. Ivor Gordon and Patsy Horsom played several games for the top position. This left Ivan as top dog on Friday but a challenge came from Tom Rowe who some weeks ago took his jump which landed him in third position and in contention for the top.

Tom desperately needed to win, as the prize for top at the end of each month meant he could travel home to Dublin. The first 2 games were close, but Tom clinched it in the third with the help of his handicap. The competition will end on Thursday, December 19, so it will be hard for Tom to hold on to the top as challenges will be coming from everyone.

For those of you who missed a couple of weeks, your handicaps are getting low, so if you want top place — get bowling.

Ladder positions (including handicaps) — T. Rowe 51, I. Gordon 42, P. Horsom 43, L. Clancy 47, P. Cummins 50, J. Foley 54, N. Stakelum 44, J. Dunford 41, B. Keohan 50, N. Butler 39, P. Curran 52, B. Kiely 37, T. Power 43, M. Cooney 47, D. Barry 20, N. Hackett 54, P. Moloney 61, V. Tutty 34, A. Cooney 41.

### JUNIOR BOWLING

Our juniors battled it out again last Sunday morning with some amazing scores, proving that their bowling is getting better and everyone wants to be top. In first place with 7 strikes in a row was Shane Hogan who scored 307, including his handicap of 40. Brilliant bowling which should worry some of our seniors and old hands. Keep it up,

### Shane.

The other scores were as follows:

Alleygators — Joseph Walsh 180, J. R. Hickey 173, David Quirke 167, Robin Keane 168, Stephen Clancy 168, Robert Flanagan 167, Colin Keane 159, Simon Keane 157, Eoin Hickey 141, Seamus Clancy 136, Ciarán Hickey 133.

Alleycats — Monique Hogan 124, Monica Power 118, Ashling Fraher 108, Emma Tobin 101, Kylie Tobin 102, Fiona Power 96, Lauren Tobin 84, M. Phelan 84.

So don't forget, the next showdown is on Sunday morning, 10.30 to 12 noon.

### SYMPATHY

On behalf of the club we extend our sincere sympathy to the Kiely family, Shandon St. and to the

Lyons family, Caseyville, on their sad bereavements.

The late Billy Kiely was at the time of his death, Vice-Chairman of our club. Involved in his schooldays with Dungarvan, Billy was one who was respected by all in Cuman Luth Chleas Gael. In recent years Billy was very involved in the fund-raising for our new club grounds and be it a greyhound meet our co-op draw, Billy always "headed the poll."

Our senior championship wins of 90/91 gave him great satisfaction. Unfortunately he missed our final with Stradbally but when we visited him with the Conway Cup he was a very proud man indeed.

Yes — Billy will be missed by us all.

The late Madge Lyons was mother of committee member and former chairman, Michael Lyons. Another son, John, was a former player with the club and Madge herself was one who followed our fortunes with interest.

Club Chairman, Paddy Fitzgerald, led the club in the Guard of Honour in both cases. Ar dheis De go raibh a anamacha dilis.

At a specially convened meeting on Thursday last it was decided to cancel the Super Bingo, arranged for Friday night last, as a mark

# Western Board Had Satisfactory Year

— Secretary Tells Delegates

In his well scripted report to this Thursday night's Western G.A.A. Convention to be held at the Park Hotel, Dungarvan, Secretary Anthony Walsh tells the delegates that the year under review was a satisfactory one, in so far as West Waterford was concerned, and he says, he is sincerely hopeful that the progress can be maintained or indeed improved in the coming year.

The report goes on: "A degree of goodwill, co-operation and some outstanding achievements during 1991 by some clubs brings credit to all concerned, yet we cannot turn a blind eye to the fact that there still exists a number of clubs who are only just a name i.e. without participation. Thankfully, the number is decreasing each passing year. Our clubs must strive more diligently towards perfection and be seen to be putting their efforts into all activities of C.L.C.G."

## CONDUCT AND DISCIPLINE

Referring to conduct and

discipline the Secretary says that no report would be complete without reference to the entire question of conduct and discipline both on and off the field. While it might be contended with some justification that a lack of clarity in the playing rules themselves were a reason for some acts of indiscipline on the field of play, the major cause however he says in the most instances could be found in lack of self control and a failure of club officials to chastise those offenders. There was, he said, a need at all levels in fact to show that indiscipline

must be punished with consistency. The player who does not hold respect for his fellow player, or the Official who attempts to surpass the truth for a short term gain, was he says, doing a grave injustice to himself, his club and the Association.

Continuing the reports says: "Considering the fact that what must constitute a record number of games played under the auspices of the Board during the year under review the number of breaches of good conduct were in the main non-existent. However, sad to relate unsavoury inci-

dents that necessitated Board action did take place. I was sometimes saddened by Bord delegates who tried to argue that the referees report was incorrect or that the people involved were entirely blameless. On occasions, propositions for even the minimum suspension were not forthcoming. Playing rules are there for the protection of all participants. I believe that we must be prepared to see to it that our games are absolutely safe without injury. There were deplorable incidents where referees were abused and even physically assaulted after games. We must take it upon ourselves to set a positive example. Through our players and mentors we must show that we have no place for "hard men." Sideline mentors too must remain controlled and give referees every support and encouragement."

## CRISIS SITUATION

In thanking the Board's referees for their work during the year the Secretary says that with just under 200 games played during the year the dedication and commitment of their small band of referees was never more in evidence and once again emphasised the necessity for a sufficient panel to meet any emergency. What was not appreciated by most people he said is that many if not all of their referees were actively involved in some way with their clubs and their availability was determined by the clubs programme on any given day. Continuing he said: "I feel compelled however, to report that we are reaching a crisis situation as far as referees or to be more precise, lack of referees now existing. No Longer can we expect to be service by a mere handful of the most dedicated officials one is likely to find anywhere in the land. The recruiting of referees who will provide us with improved standards and look after the annual increasing load is a priority. Despite the best efforts of the Referees Association, sad to relate, the vast majority of clubs including most of the really successful ones fail to provide or encourage the services of one referee for the Association. It many represent a long term task but it has to be tackled sooner rather than later and will require patience, goodwill and a will to succeed."

for the time being.

Treasurer, James Walsh like his predecessor, Paddy Fitzgerald presented the financial statement in excellent form and the secretary in his report paid James a well deserved tribute.

## ELECTIONS

The situation in relation to members standing for election is unclear at the time of writing and I have heard of no withdrawals from the list of nominees, even though there have been rumours.

All the officers are unopposed and the two big battles will be for the position of assistant secretary — the post being vacated by John Moore — and for County Board Representatives.

## MOTIONS

Five motions are listed and four are related particularly to games and administration within the division. The Ardmore motion about the introduction of a grade (C) championship is for the County Board, but has been listed here merely for discussion and to elicit support from the clubs in the division when it goes to County Convention.

The only motion dealing with administration comes from the Ring Club and they want minutes of all Western Board meetings sent to all clubs in the division. In the same motion Ring seek to have agenda for meetings circulated to clubs in the division, as well.

# Full Attendance Expected For Western Convention

The Western Board Convention takes place at the Park Hotel on this Thursday night at 8 p.m. and with elections certain to take place, a full attendance is certain.

The secretary, Anthony Walsh, in his usual inimitable style, gives a very comprehensive report of the working of the Board for their busiest season on record. The excellent report deals with every aspect of Board activity and should (but like all reports, seldom does) arouse interesting discussion. (See separate report).

## FINANCE

The final statement shows the Board continuing to be in a very sound state and when the surplus for the season (£1,220.24) is added to the balance from last year, the division has assets of almost £7,000.

A record number of

matches were played and gate receipts were very satisfactory, even though attendances may have dropped somewhat.

Cappoquin venue was the biggest money-spinner and their 42 fixtures yielded a total of £5,417. Dungarvan came next with 26 fixtures and the total gate receipts here were £2,508. The overall gate receipts were £9,198, and of this about £3,000 was paid out to the venues in rent for matches. The cost of trophies came to almost two and half thousand pounds. This matter was recently debated at a meeting of the Board when members decided to stick to the standard medals, at least

## Billy Kiely R.I.P.

Billy was one of the best known Dungarvan Club personalities and a real Waterford supporter over a very long number of years and understandably his death last week evoked widespread sympathy throughout the area.

Practically everyone from the local scene knew Billy as an intense supporter of the "Blues" and of Waterford and members of the club will not forget the tremendous amount of work he did for his club behind the scenes in fund raising, etc., over the years.

There was no more committed clubman than the popular Billy who in his earlier years, won a championship medal with Kilgobinet to which club he was attached at that time.

It was nice to see a full turn-out of members at his funeral and burial last weekend. To the members of his family we extend our sincere sympathy. Ar dheis De go raibh a anam.

## Jimmy O'Gorman Is New Selector

Western Board Chairman, Jimmy O'Gorman of Lismore Club has been nominated as the third county senior hurling selector to team up with Senan Cooke and Danny Murphy to manage the team for the coming season.

Jimmy's record on the hurling scene is very well known and his knowledge of the game and what is needed for success will make him a worthy addition to the committee. Having played most of his hurling with Tourin, Jimmy, whose two sons are outstanding under-age players, threw in his lot with Lismore and has been secretary of the club for a number of years.

I understand that a first meeting of the selectors was held on Monday night to discuss the matter of the appointment of a coach.

A special meeting of the County Board is fixed for next Monday to decide on recommendations coming from the selectors.

## County Convention News

Disappointingly, the list of nominees for the various positions on the County Board is not available for publication, as it normally is a few weeks before convention. Meanwhile the rumours about who is standing and who is not, continue to float about.

The most common rumour is that all positions will be contested. With so many clubs holding meetings at this time it is a pity that the nominations and motions are not available for perusal by their members. Hopefully we will have them in time for next week.

## Sympathy

Mrs. Eileen Geary of Ballyduff who died on Sunday will be remembered by the Ballyduff Club for the trojan work she undertook on behalf of the juvenile section and with whom she was a tireless and generous worker. Her family were always committed to the club and her sons played juvenile and adult hurling and football in their colours.

To her husband Jimmy and family we extend our very sincere sympathy.

# Waterford Hang On For Narrow Win

WATERFORD 2-5 CARLOW 1-7

Although Waterford played their best league football for a long time in this entertaining and final pre-Christmas game on Sunday last their superiority failed to yield the scores that would have put the result beyond doubt long before the finish. In both halves opportunities went begging and early in the second half when they led by 2-4 to 0-3 we would not have been flattered by a ten points lead.

Just the same it was a fine display by a side who were not at full strength and it has been quite a while since we saw such good teamwork. There were some lovely movements, but as I have written, they went for naught when the chances were squandered by erratic shooting and there might have been a little selfishness involved in attack as well.

## PLAY

The game was five minutes old when Peter Ferncombe pointed Waterford into the lead. John Nevins made it level for the visitors who had slight wind advantage in the first half. In the 12th minute many people in the small crowd were amazed when referee Tom Sheedy did not award Waterford a penalty for what looked to be a deliberate leg-pull inside the square.

Tony Corcoran had points in the 14th and 15th min-

utes. Nevins narrowed the gap for Carlow before our first goal came from a delightful movement involving Michael McGrath and John Power who laid on Tony Corcoran for a fine score. The game went into the 31st minute before Pat Molloy had Carlow's third score to leave it 1-3 to 0-3 in our favour at the break.

Within minutes of the restart Peter Ferncombe had a lovely point and a minute later as Waterford kept up the pressure our lead was extended to seven points when Michael McGrath, following great work by Martin Power and Ger Walsh, lashed the ball to the net. Pat Molloy pointed for Carlow and four minutes later the same player rocked the Waterford net to reduce Waterford's lead to a single goal. A great burst by Liam Daniels from midfield ended up with him hitting

the upright for what looked like being a certain goal in the 40th minute.

A free to Carlow in the 41st minute was pointed by substitute M. Sibbald, but this score was negated by Liam Dalton's 52nd minute point which restored our three points lead. Carlow continued to press forward and their efforts yielded two points per Nevin and Molloy to narrow the gap to a single point minutes before the final whistle.

Among the outstanding players for Waterford were Dermot Callaghan, Liam Daniels, Liam Dalton, Dan Casey, Fintan O'Brien, Eddie Rockett and Peter Ferncombe.

## NEXT ON LIST

In our final games we play Tipperary at Clonmel on February 9 and Clare in Dungarvan on March 8. The panel will continue to train for the next two weeks and a challenge against Wexford is included on their schedule before Christmas.

## SYMPATHY

Our very sincere sympathy is extended to the Lyon's family, Dungarvan, on the recent death of Mrs. Midge Lyons, Wolfe Tone Road, which occurred last weekend. The late Mrs. Lyons was mother of a well-known family who were always very committed to our games. In the sixties when her favourite Eire Og were flying high, the late Mrs. Lyons was one of their greatest supporters.

She was mother of former Dungarvan Club Chairman, Michael Lyons and John Lyons, Tallow who is a Western Board representative on the County Board for a number of years. Both these men have played many leading roles not only with their respective clubs, but also with the county over a very long number of years.

On Sunday last the crowd at Fraher Field for the National League game paid their respects by observing a minute's silence before the game. Micheal is a current football selector.

May she rest in peace.

## COACHING PROGRAMME

This will be the final week of the school coaching programme for 1991 and it brings to an end a very successful term of training and teaching of the skills of hurling. Speaking at the recent County Bord Na nOg Convention, the coach, Peter Power, in giving a review of all that has gone on in the schools during the year, praised the splendid co-operation of the teachers in the schools throughout the county and the great interest shown by the hundreds of young pupils, all of whom were showing improvement since the coaching scheme began.

Peter appealed for greater club and school liaison and reported that many clubs were proving very helpful in this

regard, but some clubs had still to come forward and show an interest.

Coaching of football on the same scale will shortly begin and football coach Pat Curran, who has visited all the schools, expressed his delight and satisfaction at the reception he had been given.

Their father Ned Power gave many years wearing the St. Mary's/Sliabh gCua jersey and is still one of the driving forces behind the club. Mr. Joe Devoy, N.T., keeps a watchful eye at the back.

## Bord Na nOg County Convention

As was the case in previous years, there was a splendid turnout at last week's juvenile convention which was presided over by the outgoing chairman, John Moore, who was completing his fifth year in office.

When the normal business of this quiet meeting was disposed of the business of naming officers for the coming year took but a few minutes as there were no contests. John Kiely, St. Patrick's Club, whose excellent track record at underage levels is very well known was the unanimous choice as chairman and as the outgoing man John Moore state the Board under the leadership of the experienced John Kiely (who had been Western Board juvenile chairman for several years) was in very good hands and could not go wrong.

Seamus Aylward who was congratulated on his fine report to convention was again the unanimous choice as secretary. Pat Nugent was the unanimous choice as treasurer and S. O'Brien was returned unopposed as registrar. Tom Barrett, Sacred Heart Club was elected P.R.O.

When the elections were disposed of there was a short discussion on Board affairs, relating to gradings and competitions and

coaching.

Martin Geary, having spoken at length on the school coaching and praising those responsible for its success, went on to talk about drugs and drink among young people and said that people in charge of young players should do everything in their power to stamp out those evils which were destroying our young people.

New chairman John Kiely, on taking over, paid a well deserved tribute to John Moore for his tremendous work on behalf of the Bord. He said he was always fair and impartial and had made a major contribution to underage hurling and football in the county. Both county juvenile coaches, Peter Power and Pat Curran addressed the meeting.

Commenting on the championship results for the year, Michael Cass, St. Patrick's said he had noted with some surprise that of the twelve championships run by the Bord, only one title had come to the Western division (Abbeyside) this year. Delegates agreed that this was very unusual.

## Civic Reception For Lismore Senior Hurlers and Club Members

CONTINUED FROM PAGE 1

could hope to function satisfactorily without the support services of an active and well-organised unit and he complimented all on a job well done.

### SOURCE OF INSPIRATION

Turning to the members of the 1942 team he said he had no doubt but that their example and continued commitment to the club was a source of inspiration to the present team and that this most recent success must have enkindled for them fond memories of the past.

In conclusion, the Chairman said that Lismore's achievement on the hurling pitch had given us all new hope and brought a renewed sense of pride in ourselves.

Mr. Roche then presented Club President, Mossie Hyland with a specially commissioned scroll to commemorate the historic occasion, while a replica of the scroll was presented to the members of the panel, trainers and selectors.

Lismore Club Chairman, Michael O'Leary replied by thanking the Commissioners for their kind gesture in according the reception which was, he said, hugely appreciated by all concerned.

Dr. Joe Healy, a member of the 1942 team and now resident in Cork, in a few well chosen words, said that he and his colleagues

were delighted to be present on such an auspicious occasion and thanked the powers that be for remembering them and their achievements as well. A buffet meal was then provided followed by a social evening which was most enjoyable.

The Club would like to thank the Commissioners for their hospitality which went beyond all their expectations.
