DUNGARVAN'S YOUNG OLYMPIC REPRESENTATIVE

Pictured above is 21 year-old Robert Power whose outstanding feats during the past year in the national and international fields have now seen him honoured by selection as a member of the Irish Amateur Cycling Team to represent Ireland at this year's Olympic Games to be held in Spain. Robert who is son of Cllr. Paddy and Mrs. Judy Power, King Street Lower, Abbeyside finished third overall in last week's FBD Milk Ras. (See Ras report on Page 21).

Bord Fáilte's Chief Opens Lismore's Heritage Centre

The Director General of Bord Fáilte, Mr. Martin Dully, has confidently predicted that British tourists will return to this country in increasing numbers in the coming years.

Mr. Dully accepted that for a variety of reasons — many of them directly related to the Northern troubles and a lack of knowledge about Ireland generally — this country doesn't come readily to the British mind as a holiday destination.

"But all that is changing gradually," the Bord Fáilte chief said, "and I believe we can confidently look forward to significantly increasing numbers from our neighbouring country coming to Ireland in the years ahead."

Mr. Dully said competition in every sector of the tourism industry is "fierce," but Ireland has done reasonably well against such competition over the years.

"Even last year, when travel and tourism shrank because of the Gulf War, and when most European countries recorded large dips in visitor numbers, Ireland fared comparatively well. I believe we can continue to do so in the years ahead."

DUNGARVAN UDC

Warning To Speedboat "Aqua Hogs"

The owners of high powered speedboats were told to "slow down" before there is a serious accident in Dungarvan harbour.

The "aqua hogs" were strongly criticised at a meeting of Dungarvan Urban Council held last Monday night at which the members warned there is

an increasing danger of accidents unless the brakes are put on the speedboat owners.

Cllr. Billy Kyne told the meeting that he didn't want to be a "stick in the mud" but what he saw in the harbour last weekend frightened and concerned him.

He told of seeing one speedboat travelling very close to the inner harbour

with two small fishing craft in the vicinity.

"If this is to be allowed to continue the chances of a serious accident will increase," said Cllr. Kyne.

The Chairman, Cllr. Michael O'Riordan, said the Town Clerk had previously written to those involved and they had also sought legal advice on how the speedboats could be curbed.

All-Ireland Drama Festival Awards For Ballyduff's "Amadeus"

Although failing in a photo-finish to win the major award at the 40th All-Ireland Drama Festival which concluded in Athlone last Sunday, the Ballyduff Drama Group with their presentation of "Amadeus" did not come away empty handed.

Newpoint Players, Newry were declared winners of the Esso Trophy but Desmond Rushe, Drama Critic "Irish Independent" in his review of the festival stated on Monday: "The

concluding presentation was by Ballyduff Drama Group, Waterford, of Peter Shaffers "Amadeus", and a very fine treatment it was — good enough to produce a photo-finish ending."

The award for the best direction other than the Esso Trophy went to Ballyduff's Bill Canning while the award for the best stage management also went to Ballyduff. So it's a case of congratulations to all for their wonderful dedication throughout the long season.

BALLYMACARBRY NOTES

PINEWOOD RANGERS

The annual general meeting of Pinewood Rangers Soccer Club took place on Friday night last at the Oriel Bar. There was a fine attendance present.

The following officers were elected for the 1992/93 season — Chairman, Thomas Anthony Sheehan; Vice-Chairman, Patrick Power; Hon. Secretary, Brendan Crotty; Hon. Treasurer, Fintan Gillman; PRO, Richard O'Keeffe; Manager, Francis Connolly; Captain, Thomas A. Sheehan; Vice-Captain, Richard O'Keeffe.

It was decided to hold a seven-a-side tournament in August and the following committee were appointed to look after same: Chairman, Pat Power; Treasurer, Noel Gillman; Jt. Secretaries, Brendan Crotty and Richard O'Keeffe; Jt. PRO's, Fintan Gillman and Kevin Crotty.

COMMUNITY ALERT

An important meeting of Ballymacarbry Community Alert will take place at St. Patrick's Hall, Ballymacarbry, on Wednesday night, May 27, at 8.30 p.m. New members are always welcome.

SPONSORED WALK

Wednesday, May 27, has been designated by the Department of Education as a Be Active — Be Alive day. Recently Ballymacarbry National School received a substantial donation for the purchase of two computers for use in the school. However, the initial cost of purchasing software for these computers is substantial, so the Board of Management has given permission to organise fund raising events to raise money for the Board to purchase software for their computers, so a sponsored walk will take place on the above date.

CALL TO RESIST POST OFFICE CLOSURES

The President of the United Farmers Association, Mr. Paddy Phelan, Toureigh, Ballymacarbry speaking last week said that any attempt to put into effect the recommendations of the Foley & McKeown report in connection with sub-post offices should be strongly resisted by all rural organisations.

This report, he said, advises that more than the originally suggested number of 554 sub post offices should be closed. The report acknowledged that much sweeping closures would cause hardship to 5,000 Social Welfare recipients.

The report, Mr. Phelan

said, also advised that 200,000 roadside letterboxes should be installed for more efficient delivery of mail. This is an outright denial of the right of everybody in the country to be treated equally in the matter of mail delivery which is the only contact that many isolated, old people have with the outside world. Walking to one of those mailboxes, he said, inevitably becomes a physical impossibility for people as they become old and infirm.

Continuing Mr. Phelan said: "Instead of accepting further roadside mailboxes, the rural community should demand the removal of existing roadside mailboxes and insist that people be treated as humans and not as computer numbers.

"Our government and politicians should be maintaining all existing services in rural Ireland with a view to preserving the population of the countryside. Reducing the dignity and self-esteem of ordinary, decent people by removing essential services from them should not be acceptable to any straight thinking politician. People should now stand up and be counted on this issue."

REGIONAL SCOUT COMPETITION

The Regional Scout Competition took place at Ballymacarbry on last weekend for the Peter Walsh Memorial Regional Shield. The winners were the 7th Tipp. Cahir and Clonmel 1st and 4th Troop finished in second place. Great credit is due to all the teams who took part and braved the wind and rain for the weekend. The competition was judged by the Cappoquin Troop of Scouts.

NON-STOP DRAW

The non-stop draw being run by the Parishes of Fourmilewater/Newcastle for the past eighteen years has concluded. At Mass on Sunday last at Fourmilewater, Very Rev. Fr. Edmund Tobin, P.P., thanked the promoters and the people for the trojan work they did over all those years. He thanked Patrick Griffin who looked after the clerical end of things.

NEWCASTLE PAINTINGS FOR NATIONAL GALLERY

Many Irish artists would feel they had reached the pinnacle of their careers if they saw one of their paintings hanging in the National Gallery. But very few reach the distinction in their lifetime, which makes the achievement of a young Newcastle artist all the

more impressive. She is twelve year old Charis Reith of Newcastle. She was one of eighty children selected to take part in an exhibition of children's art from all over the country, and Charis has achieved the special distinction of being chosen. Her painting "The Beautiful Sea," was chosen from 12,000 entries.

Charis is a pupil of Newcastle National School where her principal teacher is Mr. Pat Burke. She is eldest daughter of Werner and Luitgard Raith who run a nursery business in Newcastle.

TRIBUTE TO RETIRED SECRETARY

The former Secretary of South Tipperary IFA County Executive, Mr. Edmond O'Donnell was the recipient of a special presentation from the Executive recently. He retired from the position he held with pride and distinction for the past seven years.

Mr. O'Donnell, who hails from Ballyclerihan, Clonmel, has connections with the Ballymacarbry district. His mother is the former Margaret Heaphy, Curraghateskin, Ballymacarbry. In addition to serving as County Secretary, he also represented South Tipperary on the IFA National Farm Business and Taxation Committee.

Former Co. Chairmen, Henry Britton and Matt Quinlan and present Chairman, Luke Hally, paid tribute to Eddie, to which he replied. He said he was proud to have made some small contribution to the work of the organisation.

WATER SUPPLY

Some time ago Newcastle Muintir Na Tire arranged for a deputation to South Tipperary County Council in relation to frequent breaks in the water supply to specific areas. This deputation had the support of the local County Councillors who worked tirelessly on their behalf. The following letter has been received South Tipperary County Council. Water consumers on public water supply in Flemingstown, Burgesland and Garranacasey areas, the Council regrets that the water supply in these areas cannot be maintained on a 24 hour basis. Frequent interruptions and delay in the return of the service are a regular occurrence. A programme of work will commence immediately to lay a new water main between Crohan and Curraghbohereen. Water consumers on those areas are asked to bear with the situation for just a few weeks.

FIRST HOLY COMMUNION

On Saturday morning next, May 23 the boys and girls from Ballymacarbry School will receive their First Holy Communion. We wish them well for this great occasion, between the boys and girls the number is 23 and the day is 23, what a coincidence!

G.A.A.

In the senior football challenge game at the Millfield, Ballymacarbry on Saturday evening, Nire defeated Cahir 1-8 to 0-9 in a very entertaining game. Referee was Paddy "Tyler" Walsh, Fourmilewater.

At Bohadon on Thursday evening Ballymacarbry defeated Kilbrien/Coolnasmea 2-5 to 0-1 in the West Waterford School championship.

Referee — George Barry N.T., Ballymacarbry.

LATE MR. PATRICK HACKETT

A very highly esteemed and well known member of the community went to his eternal reward with the

deeply regretted death which occurred at St. Joseph's Hospital, Clonmel on Monday, May 11 of Mr. Patrick Hackett, Ballymodough, Grange.

Deceased was the last member of an old and respected South Tipperary family. He was uncle of one of our most respected parishioners Mrs. Attie O'Sullivan, Ardpadding, Ballymacarbry. He was a very estimable gentleman of many charming traits of character, whose gentle, good humoured and obliging nature, mild manner and unassuming disposition commended him to all fortunate enough to make his acquaintance and his

demise has evoked feelings of sincere regret among his many friends and neighbours.

Testifying to the esteem in which deceased and his family are held in the district, a large and representative concourse of mourners accompanied his remains on Tuesday evening when they were removed from the hospital mortuary to the Parish Church, Grange. On the following morning Requiem Mass was celebrated for the repose of his gentle soul after which the funeral took place to Ballybacon Cemetery where interment took place in the family plot. To his relatives we convey our sympathy.

LADIES FOOTBALL

On Wednesday evening last May 13, Kill ladies U-16 football team took on St. Garvan's in Leamybrien, in the semi-final. As the first half commenced the girls got stuck in and produced some fine scores. At the end of the first half the girls led by 2-5 to 2-3. After half time St. Garvan's fought hard and got some good

scores, but couldn't get the vital scores and so Kill proceeded to win on a score-line of 3-16 to 4-5. The county final will be on this Friday evening May 22 at 7.30 p.m. in Fraher Field. So come support the girls.

FIRST HOLY COMMUNION

At 11 a.m. Saturday last May 16, a large number of children from Kill N.S. made their Holy Communion. Congratulations to the

teacher Mrs. Mary McGrath and the children on this great occasion.

GLENBEG I.C.A. NEWS

The Annual General Meeting of Glenbeg I.C.A. Guild took place in Glenbeg National School on Monday, May 11 at 8 p.m. Twenty one members attended. Apologies were received from Stella Kinsella, Kit Kiely, Kathleen Connery, Eileen Murphy, Ivy Hearne, Breda Bannon and Peggy Barron.

Due to a bereavement in the family our V.C.O. Mrs. Bina Ahern was unable to attend, and to her we extend our sincere sympathy.

We were very honoured to have instead Waterford Federation President, Miss Lena O'Connor and Mrs. Maria Mullins, Federation Competitions Secretary and V.C.O.

Outgoing President, Mrs. Nora Curtin, chaired the meeting and extended a warm welcome to new member Mrs. Mary Curran and hoped Mary would enjoy many years of friendship and fun with us. She then thanked Lena and Maria for travelling on a very bad night to be with us. Nora also wished Lena well for the future. Her term of office will be completed in June, and during her reign as Federation President she has served Waterford I.C.A. very well indeed.

The elections then took place and the following were elected:

President — Mrs. Joan Curran; Vice-President — Mrs. Nora Curtin; Hon. Secretary — Ann Walsh; Hon. Treasurer — Mary Carey; Sports Offi-

cer — Joan Maloney; International Officer — Nora Curtin; Federation Delegate — Alice Quinlan; Committee — Nell Whelan, Joan Flavin and Mary Doherty.

Our new President, Joan Curran, then took the chair and said that she looked forward to a busy and fruitful year. If last year was anything to go by then we would indeed be kept going. Recapping on some of the activities the Guild had taken part in the previous year, Joan reminded us of

the fun we had with the set dancing, variety competition, sales person of the year, the craft classes, various quizzes and all the other activities we had participated in. In I.C.A. you can be sure that there is something to suit everyone.

We take this opportunity to remind all the ladies out there, young and old, that new members are more than welcome at anytime. Why not come and join us? You'll be very glad you did. — P.R.O.

Banned And Disqualified On Drink Driving Charge

A 29-year-old Co. Waterford motorist, Patrick McGrath, Knockaun, Ballymacarbry, was fined £200, endorsed and banned from driving for twelve months when he pleaded guilty at Dungarvan District Court to driving with excess alcohol at Shandon, Dungarvan, in

the early hours of March 14.

The court heard that McGrath was returning from a 21st birthday party when he was stopped by the gardai at 5.10 a.m. He had a previous drink-driving conviction four years ago.

Inspector Michael Blake prosecuted.

VILLAGE TOPICS

OUR LOCALITY

The name Abbeyside is in itself self-explanatory but a more correct understanding of the placename is derived from the Irish name Dún Na Mainistreach. The first Irish word named the now ruined keep, or rather the earthen Fort (Dún) that preceded it.

The second part described the ancient Augustinian Monastery (Mainistir) founded there in 1295 A.D. by an ancestor of the Earls of Desmond.

The local McGrath's and O'Brien's were, at a later period, generous benefactors of this house. (More next week).

THE PUT DOWN

We all know people around Abbeyside who seem to be expert at the subtle put down. It would be difficult to beat the following gentle insult by Winston

Churchill (1874 - 1965).

Bernard Shaw once sent Churchill two tickets for the opening of his new play, with the invitation:

"Bring a friend — if you have one!"

Churchill regretted that he was engaged, and asked for tickets for the second performance:

"If there is one!"

CONGRATULATIONS

Congratulations to the Friary football team who won the Munster U-161/2 colleges final last week. The following Abbeyside players were involved — B. Cliffe, D. O'Mahoney, D. Hayes, P. Shields, E. Murray, A. Landers.

BAPTISMS

The following children were Baptised recently — Aidan Lloyd, Meadowlands; Emma O'Neill, New Line; James Watters Quilty, England; Sean Murray, King's

Street; Michael Raheer, Clonea; Rachel Boland, Ballinroad; Shane Kelleher, Meadowlands and Zara Jane Walsh, Sea Park.

FIRST HOLY COMMUNION

On Saturday, May 23, 40 children from Abbeyside School will make their First Communion. For the past weeks we all prayed for the children. Parents, teachers, priests and children have been very busy in the intervening period preparing for the Sacrament. The children's choir with their teachers have been busy perfecting the hymns. The readers have been coached and the children selected to carry the gifts for the Offertory Procession have had to be organised. Parents have been briefed on all aspects of the special liturgy. Our good wishes go to all involved.

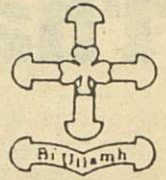

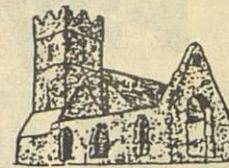

ABBEYSIDE SCOUT NOTES

REGIONAL HIKE

Last Saturday seven scouts represented the troop at the Regional Hike which started and finished in Touraneena and involved an eighteen mile hike in between, which took us up through the Nire Valley where everyone camped in homemade shelters for the night. With glorious weather over both days no one minded the walk too much and on Saturday bases as first aid, tracking and axemanship were completed before reaching base camp. Sunday saw an early start with Mass at 8.30 following on from which everyone ate breakfast and again afterwards took to the road. Instead of bases on Sunday each patrol completed a type of treasure hunt. By 3 o'clock every patrol were back in Touraneena where all tucked into a fabulous meal prepared by parents involved with that unit. At 4 p.m. Regional Commissioner Maurice O'Brien announced the winners and presented them with their winning neckerchiefs. We congratulate all the lads on a great performance but particularly to Ronan McCarthy who was our representative on the winning patrol, we say well done Ronan.

NATIONAL QUIZ

At the time of going to press we have not details of how our quiz team got on in Dublin, so we hope to report on this in next week's notes.

TROOP MEETING

Last Saturday's troop meeting was mainly taken up with the need to check tents for the forthcoming G.A.S. Camp '92 and this is now almost complete. Next week's meeting will be a "mufti" one.

MOTHER AND CUB

This coming weekend sees the Mother and Cub Camp begin in Mount Melleray Scout Centre at 10 a.m. Saturday morning. John, Fran and Sharon guarantee a great time so pack those haversacks and we'll see you there.

CONGRATULATIONS

Finally we send our congratulations to S.P.L. Mark Shepherd who learned during the past week that he will be awarded his Chief Scouts Award (the highest award a scout can receive) by the chief himself within the next month or so.

Mark put a lot of work into this project and no one deserves it more. We will have more details on the big day later! Well done Mark. — Scribe.

Abbeyside Girl Guide Notes

GOOD GROOMING COMPETITION

Last Monday a group of Guides set off from the Den to head for Cobh for the Good Grooming Competition in which the Chaffinch Patrol represented Dungarvan/Abbeyside Guides. The Chaffinch Patrol are Nicola Lenihan (PL), Shara Flynn, Michelle Kelleher, Tracy Fennell, Fiona Lonergan and Sandra Tobin (APL).

Two Cobh patrols provided opposition and it was the Abbeyside Guides who came out on top. Each guide was then given a trophy and then we had a small campfire and we had a few light refreshments before heading home.

THIS WEEK

This week's meeting was mainly taken up with First Aid, Test Work and preparation for next week's Cook-Out in the Glen. First of all we did a quick run through on the different types of bandages and support you could give an injured person and then we had loads of fun tying each other up.

Then all during the meeting we had people coming and going to test people for Proficiency Badges which will be presented at GAS

Camp in two weeks time. When we had all of this done it was time for each patrol to go to their patrol corners and sort out stuff for our Cook-Out. And meanwhile the SPL's had a short meeting with Ann and Jenny about future events.

REGIONAL SCOUT HIKE

Last weekend seven of our older guides set off on the Annual Scout Regional Hike. Although the guides could not receive any prizes for places as we are not part of the CBSI, we managed very well to surprise a lot of scouts and leaders with our determination and skill.

Each patrol set off at different times from Touraneena on Saturday morning. The Guide Patrol — The Vixens — consisted of Marie Meehan (PL), Melissa Foley, Jenny Tobin (Scribe), Thea O'Riordan, Niamh Sandford, Aileen Hogan and Nicola Lenihan. Along the way were five different bases, lashings, compass, first aid, axemanship and tracking signs in which a considerable amount of marks could be lost or gained.

We hiked all day in the glorious sunshine and we arrived at our campsite in the Nire Valley with beautiful "Spanish" tans. When we arrived we got straight down to hard work building our shelter for the night from rope, sticks and plastic and when it was finished we must say it looked very professional.

After we did this it was time to start cooking our dinner the back-woods way. We managed very well on this side of things and Fr. Lloyd was very impressed with our table of flowers. After dinner we all crowded around a big open campfire and sang as loud as our voices would go. The very impressive campfire was led by Jenny Power (Abbeyside Guides) and "Muller" (Abbeyside Scouts).

We were up bright and early on Sunday morning for Mass at 8 a.m. and after that we had breakfast and camp site inspection, and then it was time to hit the road again. This must have been the hottest day we have had all year and we managed to make the most of it as we hiked along the roads, looking out for the answers to our observation questions. Lunch and water were dropped to us along the way.

About 3.30 we arrived back in Touraneena for dinner. Then we handed in our observation question sheet and log book to be tested. Much to the surprise of many of the guides and leaders we managed to come in second place in the marking, managing to beat six other scout patrols.

NEXT WEEK

Next week our meeting time has been changed as we are going to the Glen for a Cookout. So every guide is to be at the den at 6 o'clock in outdoor uniform with full wet weather gear for inspection. Also don't forget your £5 deposit for GAS. — JAM.

Two "Village" men, Robert Power and Stephen Spratt, both to the forefront of Irish amateur cycling at the moment, having a chat in Dungarvan on Friday before the start of the FBD Milk Ras stage to Gorey. We congratulate both on their success last week and wish them the best for the future. —(Rory Wyley).

NO PATTERN IN ABBEYSIDE THIS YEAR

It is a fact that there will be no "Pattern" in Abbeyside this coming summer. This decision was taken by the small number of concerned and hard-working people who form the present committee. Organising the pattern is a nine month of the year job as events have to be planned well beforehand and considerable fundraising has to be undertaken to pay for the many free side-shows. Public Liability Insurance costs have increased considerably over the last number of years and this places a huge burden on the shoulders of any organising committee.

Correct Decision — The present committee numbers six along with a number of people who may

help on "pattern" days working on the various events. In our view the present committee were right not to undertake the responsibility of producing such a major event as the pattern, with such a small cove of people.

Introspection Needed — However, the reasons why greater public co-operation is not forthcoming should be looked at by committee. Is there something wrong with the format of the Pattern? Could the business people in Abbeyside, some of whom were badly and unfairly treated in the past, be encouraged to again play an active role? Is there an attitude problem among some of the members of the present small committee that prevents some people

taking an active part on the committee? Were there personality clashes among some of the interested people that caused half the committee to leave in the space of one year?

Projects To Be Continued — The present committee intend to remain in office and will continue to erect the Christmas Crib, provide Christmas lights for the tree and continue to be involved in the St. Patrick's Day Parade.

The Feast of St. Augustine, the Patron Saint of Abbeyside will be celebrated with a special Mass in the Church on August 28.

While working on these projects it might be a useful exercise if the committee would also investigate the matters mentioned above.

Why the postal system is disrupted.

The country has suffered postal disruption for over two weeks. An Post believes you are entitled to a clear explanation of why this has happened.

An Post is losing money. It has been for three years. Accumulated losses are close to £14 million. This year we face a further loss of £8.5 million. This can't go on. Cost savings have to be made. There are no alternatives.

We have been talking with the Unions, particularly the Communications Workers' Union (CWU) for well over a year without any agreement on change. As part of these discussions

- the Company has delivered on pay. Between October 1991 and May 1992 An Post will have paid a 10% increase in pay to staff.
- the Unions have not delivered on any cost savings.

An Post has been demonstrably reasonable and patient, however, the process of trying to get agreement on change has gone on long enough.

Our overtime bill is £21 million a year. It is unnecessarily high and we have taken action to reduce it. As recommended by an independent Tribunal we have introduced temporary/part-time staff into Sheriff Street Sorting Office in Dublin to reduce exceptionally high levels of overtime.

Exploitative?

Not at all. An Post already has over 300 temporary/part-time staff in the Provinces with pay and conditions agreed by the CWU. Temporary and part-time staff are employed by post offices across the world because it is the most cost effective means of matching staff to work levels.

An Post cannot continue losing money. We cannot ask the customer to pay more now. The Government, the Company, and the Unions have all ruled out a subsidy. We must implement cost saving measures.

We are sorry that this means continued serious inconvenience to you our customers.

Our aim is to provide a better more cost efficient postal service for the future.

15 months, 41 meetings, the assistance of Government, ICTU, LRC and Tribunal have produced no cost savings from the Unions.

The History of this dispute.

- **February 1991** Facing financial crisis An Post publishes a cost saving plan.
- **March/July 1991** Discussions with Unions under formula worked out by Government and Irish Congress of Trade Unions. Direct talks last until July. Then the issues are referred to the Labour Relations Commission (LRC).
- **October 1991** Whilst talks are still going on the Communications Workers' Union (CWU) strikes for two days and then bans overtime. However, a three stage agreement is made between the Unions and the Company with the help of the LRC under which
 - Stage 1. The Company pays all outstanding "special" pay awards. Cost: £11.5m.
 - Stage 2. The Unions agree to negotiate cost saving measures with the assistance of an independent Tribunal. Priority items by 15 November 1991. Balance by 31 January 1992.
 - Stage 3. The first phase of PESP, due on 1 November 1991, is deferred to 1 February 1992.
- The agreement also says that in the event of any difficulties the LRC will rule on the issue involved.
- **November/December 1991** Discussions on cost savings begin again under an LRC chairman. No agreement on the priority items. Both sides call on the Tribunal to make recommendations on these. Talks begin on the remaining items.
- **14 January 1992** The Tribunal issues its unanimous recommendations.
- **31 January 1992** Union breaks off all negotiations because the Company won't pay PESP. The Company reminds them that Stage 2 - cost saving negotiations - were to be completed before paying PESP - Stage 3.
- **26 February 1992** The LRC states that the Union demands for the payment of PESP are not in accordance with the three stage October agreement; cost savings should be agreed before payment of PESP.
- **27 March 1992** Unions return to negotiations and repeat demand for payment of PESP despite the LRC decision of 26 February. This is precisely the same position that they adopted on 31 January. Not a single change has been conceded to date and negotiations are clearly going nowhere. The meeting is adjourned.
- **16 April 1992** Cost savings are the issue not PESP so the Company decides to pay PESP and to get on with the cost saving recommendations made by the Tribunal. Temporary full-time and part-time staff are recruited in order to cut costs.
- **11 May 1992** LRC invites both sides for discussions. Unions refuse to accept independent Tribunal cost saving recommendations. Company continues to be available for negotiations.

Took Part In £4,000 Robbery In Leamybrien

A 22-year-old unemployed man who took part in a robbery in which £4,000 worth of property was stolen from a house, walked free at Dungarvan District Court.

Edward Ronan, 6, Clonard Park, Ballybeg, Waterford, pleaded guilty to stealing two televisions, a microwave oven, a video recorder and other items to the total value of £4,000, the property of John and Patricia Coade, Shanbally, Leamybrien, between Au-

gust 16 and 18 last.

The court was told that Ronan kept watch. Only £1,000 of the stolen property had been recovered but Ronan received nothing from the robbery.

Inspector Michael Blake said Ronan, who had no previous convictions, was the least culpable of the four-man gang.

Judge William F. O'Connell placed Ronan on a Probation Bond in the care of the Court Welfare Officer for six months.

PENSMAN Takes You Behind The SPOTLIGHT

Sowing The Seeds Of Civil Unrest

It would be well for the Government and indeed for the country as a whole to take due note of the riots that recently rocked Los Angeles and many other cities throughout the United States. We would also be well advised to learn a les-

son from all this civil unrest and to realise that while it happened across the Atlantic in the U.S. it could well be a situation which could occur here and soon!

With unemployment in this country now heading towards the 300,000 mark and continuing cutbacks in services to the most deprived in our society, the seeds of

civil unrest are being sown in Ireland.

It was stated in the Dail last week that our youth unemployment level which has now reached the 28% mark, ranks among the highest in Europe and that the lack of job opportunities was having a devastating effect on young people's morale.

As more and more people

despair of ever getting a job or earning a dignified living, frustration mounts. Ireland is sitting on a timebomb and with increasing numbers becoming more alienated and feeling that they have no stake in society, trouble could be simmering under the surface. Let the Government take note and act before it is too late!

IT HAS BEEN ALL CHANGE FOR YEARS BUT —

The tragic Bishop Casey disclosures which grabbed the headlines of the media all through last week certainly made sad reading for us all. It prompted one of our readers who has been finding difficulty in coming to grips with the liturgical changes which have been following each other in recent years to submit the following lines:

Latin has gone
Peace has too
Singin' and shoutin'
From every pew.

Altar's reversed
Priest is too
Commentator's calling
"Page Twenty-Two."

Communion rail's gone
Standing up straight
Kneeling suddenly
Is out of date.

Processions are forming
In every aisle
Salvation's organised
Single file.

Rosary's out
Psalms are in
Hardly ever hear
A word against sin.

Listen to lecture
Hear him read
Please stop rattling
Them Rosary beads.

Padre's puzzled
Doesn't know his part
Used to now the whole
deal
In Latin by heart.

I hope all changes
Are just about done
And they don't drop
Bingo
Before I've won!

What Beatification Means And Its Procedures

The beatification by Pope John Paul II in St. Peter's Square last Sunday of Monsignor Josemaria Escriva, the Spanish priest who founded Opus Dei, has not taken place without controversy, not the least of which has been the claim that the financial resources of the Opus Dei postulation office has been a major factor in the process.

Beatification is the second last step in the canonisation of a saint. A declaration of heroic virtue is the first step, conferring the title Venerable, meaning that the person practiced all the Christian virtues to a heroic degree. For a cause to go further, official recognition of a miracle by the church is required. For canonisation, a further miracle by the church is required, which must take place after the decision to beatify the candidate.

With beatification, the Pope grants the newly Blessed a Mass and feast day in the church calendar to be celebrated in the places related to the person's life as well as in the institution or diocese of origin. Moreover, if the Blessed is of particular importance to the Church, he or she can be venerated universally.

In 1983 Pope John Paul II streamlined the procedures for the canonisation of saints. This was done in order to present contemporary models of holiness to the faithful. The need to speed up the procedures had surfaced during the Second Vatican Council and Pope Paul VI set the reforms in motion.

The changes introduced under the new procedures included: The time limit of 50 years which the 1917 Canon Law decided should transpire between the death of the Servant of God and the declaration of heroic virtue was abolished. Some

decades used to have to pass before beginning the judicial proceeding on the life of virtue. Today, that part can begin shortly after the death of the Servant of God, with the immense advantage of having to hand the eyewitness testimony of those who knew him during his lifetime. And finally, only one fully authenticated miracle is now needed for beatification, whereas under the old regulations two were required.

The fact that Monsignor Escriva died in 1975, only seventeen years ago has given rise to doubts as to the many requirements to be carried out under the process. Questions have been raised as to whether money has been a factor in the pace with which the cause has been advanced. This has been vehemently denied al-

though it must be admitted that Opus Dei is a very powerful and opulent organisation.

It has also been strongly denied that the brisk pace of the presentation of evidence in the cause of the Founder of Opus Dei was due to a lack of rigour or failure to adhere to certain formal requirements of the process while it has equally been denied that corners were cut in the provision of the proper documentation required at each stage.

Whatever about these, the fact is that since his death, the fame and sanctity of Opus Dei's Founder has spread throughout the world. This is reflected in the thousands of spiritual and material favours attributed to his intercession, among them some medical-ly inexplicable cures.

Summer And The Cuckoo Has Indeed Come

Last week in our column we queried whether any reader anywhere in the county had so far this year heard the call of a cuckoo — the bird which traditionally has been accepted as the harbinger of summer.

Well our query did draw a response from a reader in the Melleray area who wishes to remain anonymous but who informed us that he heard a cuckoo call in his neighbourhood in our about May 4.

Whether this feathered migrant made the long journey from Africa on her own or whether she was accompa-

nied by others we are unable to say as we have no news of any other cuckoo being heard in any other part of the county.

But while the old saying claims that one swallow does not make a summer we may take it that one cuckoo certainly does as we have been enjoying the best of summer weather since last Friday!

P.S. — Since writing the above, Niamh Cass has called to say that a cuckoo has come to lodge in Colligan Wood where she heard it last Sunday while cuckoo calls were again heard in Melleray last week.

Rafferty's Racin' Mare

Our choice for the ballad corner this week is one of Percy French's lesser known ballads. Called "Rafferty's Racin' Mare," it is in the same vein as the more popular and better known "Sweet Marie"—

You've not seen Rafferty round this way?
He's a man with a broken hat,
His tie and his collar are all gone astray
And his coat for the matter of that!
We're racin' Rafferty round the place
Since Rafferty raced his mare,
He's a man with an anxious look on his face
And a partially murdered air!

Chorus:

Oh! Rafferty's racin' mare
We met him at the fair,
Says he: "She'll win, so keep your tin,
For backin' the racin' mare."
We thanked him then and there
And every lad in Ballinacfad
Went backin' the racin' mare.

I was the jockey they chose to ride—
And often the owner he sware
That there wasn't a leap in the world too wide
To baffle the racin' mare.
Over hurdles and ditch she went like a witch
Till she came where the water shone—
I gave her her head, but she stopped at it dead:
She stopped — and I went on!

"Get up, you lad," says Ballinacfad,
"You'll win the race for us yet."
But I didn't care for the look of the mare,
Nor the way that her legs were set.
Says they: "The horse'll stay the course,
She'll stay it — ivery foot."
"You're right," says I — "I don't deny
She'll stay just where she's put."

But where was Rafferty all the time?
Oh! Rafferty! he's the lad
There in the ring — he stood like a king,
Cheerin' the mare like mad.
His brother was there, disguised, of course,
As a 'Roosian' millionaire;
Giving the odds aginst every horse
And the longest aginst the mare.

Chorus:

Oh! Rafferty's racin' mare!
'Twas more than we could bear,
When a bookie revealed
He was backin' the field,
Instead of the racin' mare.
We've got the day to spare,
We've got the millionaire;
And we're havin' a race around the place
And Rafferty — he's the hare!

Untimely Death Of Mrs. Maura Fahey

The news of the untimely death of Mrs. Maura Fahey, Lyreanearla, Clonmel which occurred after a comparatively brief period of illness on Wednesday, May 13, at St. Joseph's Hospital, Clonmel, was received by her host of friends not only in Clonmel and Dungarvan but throughout West Waterford and South Tipperary with the deepest and most profound regret.

Wife of Deputy Jackie Fahey, Maura who was a lady possessed of many charming traits of character was only in her late fifties and her death at such a comparatively young age has now come as a most grievous blow to her loving husband and to her large family and many relatives.

Member of the Kenny family of Faugheen, Carrick-on-Suir, her late father Paddy Kenny was a Fianna Fail member of South Tipperary County Council for many years. He was also a well-known Tipperary hurler and selector in later years.

Mrs. Fahey was mother of a family of eight, one of whom, P.J., died tragically as a result of a farming accident some thirteen years ago.

Following a revision in constituency boundaries in Waterford and South Tipperary some years ago, Deputy Fahey and Mrs. Fahey moved to Dungarvan where they purchased a residence at Springfield. Mrs. Fahey, who was an accomplished golfer, then joined Dungarvan Golf Club and in the interim years she became one of its most popular members, being honoured as the Club's lady captain just a short couple of years ago.

Some six months ago they returned to live in Lyreanearla at the foot of the Comeragh Mountains overlooking the local golf course where both she and her husband, also a keen golfer, continued to play up to the time of her final illness.

As a neighbour Maura Fahey was exceedingly kind and popular and she will be sadly missed by all who were ever fortunate enough to make her acquaintance. Her Christian outlook and her readiness to always do a good turn and the friendship she showed to everyone, displayed the quality of a wonderful lady.

Her popularity and the respect in which she and her family are held was clearly seen on Friday evening

when her remains were removed from Condon's Funeral Parlour to SS Peter and Paul's Parish Church, Clonmel accompanied by the largest concourse ever seen in Clonmel where life came to a standstill. Members of Dungarvan Golf Club provided a guard of honour. On Saturday afternoon Requiem Mass was celebrated for the repose of her gentle soul. As her remains were leaving the Church a guard of honour was provided by Fianna Fail members from Waterford and Tipperary. The funeral then took place to the ancient church at Kilaloan where a friend of the people was laid to rest, in the presence of thousands of mourners who came from all over Ireland.

At the graveside An Taoiseach, Mr. Albert Reynolds, Leader of the Fianna Fail Party, delivered an oration in which he paid glowing tributes to the late Maura Fahey. May the earth at Kilaloan rest lightly on her grave.

To her husband Jackie and family, her brothers and sisters we tender our sympathy to them on their sad loss.

The immediate chief mourners were — Deputy Jackie Fahey (husband), Sean, Brian and Kieran (sons), Deirdre, Sheila, Maeva and Grainne (daughters), brothers, sisters, grandchildren, etc.

Recent Deaths

Late Josephine Hallinan

We record with regret the death of Josephine (Josie) Hallinan, Aughavolivaun, Ballinamult, which occurred on Saturday, May 9, at the Padre Pio Rest Home, Cappoquin. She was a highly respected member of the farming community. A very religious lady, she died as she lived, in perfect peace with her Maker. She had not been in the best of health for some time but bore her illness in a true Christian manner.

Sincere sympathy is extended to her brothers and other relatives on their sad loss.

Following Rosary said by Fr. Hallinan, removal was from the Drohan Funeral Home on Sunday evening to Fourmilewater Church where the remains were received and blessed on arrival by Fr. Tobin, assisted by Fr. Barron, P.P. and Fr. Hallinan. Following funeral Mass on Monday celebrated by Fr. Hallinan, assisted by Fr. Tobin, P.P. and Fr. Kelleher, C.C., burial took place in the adjoining cemetery. Fr. Hallinan officiated at the graveside assisted by Fr. Tobin and Fr. Kelleher.

The chief mourners were Patrick and Tom (brothers), nephews, nieces, relatives and friends.

(Funeral arrangements were by Tom Drohan, Dungarvan.)

Mrs. Kathleen Cahill (nee O'Gorman)

On Tuesday, May 12, following a short illness, 80 years old Kathleen Cahill, Fernville, Lismore, was called to her eternal reward. Kathleen was relict of John Cahill.

She was involved in the ICA and Widows' Association in Lismore and even though frail in later years, was a regular reader at Mass. She was a true Christian who took great pride in her family.

A large gathering for the removal and funeral reflects the esteem and respect enjoyed by Kathleen in the parish and beyond. She will be sadly missed by her family, relatives and friends and all who had the pleasure of knowing her.

Her remains were removed to St. Carthage's Church on Wednesday evening where they were received and blessed by Very Rev. Canon Nugent, P.P. Requiem Mass was celebrated by Thursday by Rev. Fr. Ryan, C.C. Interment took place immediately afterwards to St. Carthage's Cemetery.

The chief mourners are — John and Anthony (sons), Margaret (daughter), John (son-in-law), Maureen (daughter-in-law), Maurice (brother), Sacha, Kaye, Daniel, Louise (grandchildren), relatives and friends.

(Funeral arrangements by John Troy, 6 New Street, Lismore.)

COACHING

Last Monday, school football coach, Pat Curran paid yet another visit to both Knockmahon and Seafield National Schools. The youngsters always look for-

ward to his visits and with the good weather I'm sure this training session was immensely enjoyed.

GOOD WEATHER

It's nice to see the sun back out again over the past week and let's hope that a pleasant spell is in store for us. This change in the weather was noticeable as a good few people were out around Bonmahon over the weekend and it was nice for a change to be able to go out without a jacket.

G.A.A. NOTES

Next Monday night at 7.30 p.m. in Fenor we play

Kilmacthomas in our 3rd series of hurling matches. Despite losing our previous matches to Butlerstown and Ballyduff confidence is beginning to grow and hopefully we will see further improvement from our lads next Monday night.

Last Sunday we travelled to Ring to play the local side in a football challenge and despite the fact that we had to field a very under strength team a reasonably good game took place.

Work has resumed on the new pitch and training will be commencing on it shortly.

Cappoquin Notes

School Variety Concert

A very entertaining concert was held recently in Our Lady's Hall, Cappoquin. This concert was organised by the Parents' Committee of Mercy Convent N.S. and they are to be complimented for all the hard work put in and the efficient running of events each night.

Taking part were the children of Mercy Convent N.S. along with some local talent and the concert, staged over 2 nights plus a matinee was thoroughly enjoyed by the capacity audience who attended each performance.

The concert got off to a "green" start with junior and senior infants presenting an item entitled "The Environment — Who Cares"? Produced by Anne Devine, the message was clear and simple — "let's all look after our environment."

Senior infants and first class gave a most energetic performance and showed us how to put the "B" plan into action. This item which focused on the need for a healthy balanced lifestyle, was produced by Maire Kearney.

A tribute was paid to Roald Dahl by the pupils from 2nd and 3rd class. Guided by their teacher, Rebecca Reardon, the children presented the "real" story of Red Riding Hood & The Three Little Pigs — indeed their hilarious version of events was greeted with much laughter from the audience.

Wild West Fever hit Cappoquin when 4th and 5th class took the stage. This musical item, produced by Anne Beecher, included favourites such as "Don't Fence Me In" and "Grandma's Feather Bed" and was most enjoyable from an audience point of view.

"Sleeping Beauty" (with a difference!) was presented by the pupils from 5th and 6th class. Under the direction of Sr. Agnes, the girls showed their obvious enjoyment on stage and they closed the show each night to a large round of applause. Musical accompaniment was provided by Brid Duggan and Anne Beecher and M.C. was Trish Fives.

Sincere thanks to the following who made guest appearances each night — Pat Tobin, Joe Power, Cappoquin Set Dancers, Paula Goulding, Tony Dunne, Henry O'Keeffe. Thanks also to Marie Morrissey, School Secretary who organised the concert programme, etc.

THIS WEEK'S QUESTION

Name the Cappoquin man who is County G.A.A. Development Officer? Answer next week.

Answer to last week's question was — Bicycle Mechanic.

DIED IN NEW ZEALAND

The death took place in New Zealand over the weekend of Mrs. Nellie Thomas. Nellie was a member of the well known and highly respected Meskill family of Castle St., Cappoquin. She left the area some thirty years ago and went to work in England. Subsequently she — with her husband and family —

emigrated to New Zealand where she has lived ever since.

Sympathy is extended to her husband and family, also to her brother and sisters, nephews and nieces, relatives and friends. May she rest in peace.

Mount Melleray Honour For Longest Serving Teacher

Recently, on the occasion of his 90th birthday, Mount Melleray wished to honour Mr. Jack McCarthy, Cappoquin, a former teacher at the College. In deference to his wishes, and because the family were also celebrating the event, the guests were mainly confined to those of the community and the colleagues who were on the teaching staff with him.

● JACK MCCARTHY speaking at the reception in Mount Melleray. On his right is his son Kevin.

Fr. Bonaventure was principal celebrant of the Mass concelebrated with Dom. Finbar Cashman, Fr. Colman Foley, Fr. Edmund Burke, An tAth. Pdraig O Nuallain, Fr. Cornelius Justice, Fr. Tom O'Donoghue, Fr. Aidan Glass, Fr. Ignatius Hahessy and Fr. Alphonsus O'Connell. Among the former teachers present were Mr. Oliver Broderick, Mr. Pat Keevers, Mr. Dan Dineen, Mr. Brendan Keely, Mr. Jack Frazer, Mr. Con Buckley, Mr. Michael O'Connell and Mr. Galvin.

Afterwards at the reception, speaker after speaker spoke of the great impression made on them by Jack, the longest serving member of the staff. They considered themselves fortunate to have been associated with him. He was not only a born teacher, but more impor-

tant still, he was a great educator. Whether it was the classics, history or English literature, he knew how to impart his own appreciation of the subject to his students. His aim was to develop the whole personality, what is nowadays known as the holistic approach to education.

Jack's interest in his pupils extended beyond the classroom to the playing pitch and athletics in general. He was a firm believer in cultivating a sound mind in a sound body: "Mens sana in corpore sano."

Jack was probably totally unaware of the influence for good he had on all who came in contact with him. No question of having a problem with discipline in his class. His very presence

was sufficient — the class instinctively felt that Mr. McCarthy was not one to be trifled with. With that uncanny instinct which they have at the age, they felt that in Mr. McCarthy they had somebody who really had their best interests at heart; in other words, somebody who loved them. He never had to raise his voice, when he spoke you were compelled to listen.

Jack proved that he has not lost this gift. At the reception he held everybody riveted as he reminisced on the years he spent at the College from 1924 to his retirement in 1967. It is great to see Jack in such good health. It must surely be a source of great satisfaction to Jack to see the entire family follow his footsteps as secondary teachers — "lives of great men."

DRAMA AT ALL-IRELAND FESTIVAL

Congratulations to the Ballyduff Drama Group who did so well in the All-Ireland Festival in Athlone with their production of Amadeus. Having seen the play one could only speculate at the amount of time and effort spent in preparation of what was a most ambitious project for an amateur group. It was worth seeing for the costumes alone and for the novel method of scene changing. The play which deals with the composer Mozart was expertly produced by Bill Canning. The timing was perfect, especially the musical pieces which came in at exactly their right moment. The producer and cast (which included Cappoquin girl, Miss Catherine Troy) are to be congratulated for bringing a new dimension to the ever popular amateur drama.

AGE AWARENESS WEEK

The Affane Senior Citizens Committee organised a social evening for the residents of Padre Pio Rest Home on Sunday afternoon last. TALLOW NOTES

ST. CATHERINE'S G.A.A. NOTES

INTERMEDIATE HURLING CHAMPIONSHIP AT PAIRC UI CHAOIMH

Convincing Win Over Cloughduv

ST. CATHERINE'S 2-15 CLOUGHDUV 1-9

The final blast of referee Willie Higgins' whistle at Pairc Ui Chaoimh last Sunday afternoon was received with great scenes of jubilation from Catherine's supporters, as it signalled a convincing triumph over formidable opponents Cloughduv.

Having been unimpressive in their recent games and training sessions, they still didn't lack confidence in themselves taking on these great stalwarts from mid Cork. Retiring at the break after a vigorously fought, but clean, first half with an 0-13 to 0-4 advantage it would be very hard to forecast victory, especially when Cloughduv, with a renowned come-back reputation, were being aided by a lively breeze.

Catherine's got off to a brilliant start with a minor score, but then the real burst came from Cloughduv entering the last quarter with four successive splendid points notched, reducing the lead and setting up a real challenge to Catherine's. A great goal to the latter brought relief but this was negated by a similar score from Cloughduv. A few great attempts at goal, well executed by the mid Cork men, were stymied by a sound Catherine's defence and raising another minor flag followed shortly by a

goal, the fate was sealed for Cloughduv and Catherine's were on their way to contest the second round against Douglas.

This was a splendid and concerted all round exhibition by Catherine's team, particularly from their youthful players, who shed lustre on themselves, making their debut in the intermediate hurling championship and of course a satisfactory result for the coach, selectors and loyal supporters who were in great voice throughout the game.

The second round, we're told, will not be played for a few weeks, but any team entering the second round cannot be taken lightly, so like the boy scouts motto — "Bi Ullamh."

Catherine's — John Hartnett, Kevin Barry, Barry Regan, Pat O'Sullivan, Patsy Donoghue, Shane O'Connell, Seamus Neville, James Spillane, Cathal Casey, Johnny Sheehan, Donal O'Leary, Christy Clancy, Kieran Morrisson, Denis

Walsh, Sean Buckley. Subs. — Eppie Hartnett, Pat Clancy, Paddy O'Leary, Michael Mellerick, Pat Fitzgerald, Batt Sheehan, James Sheehan, Michael Walsh, Ted O'Leary, Edward Sheehan, Gerard Morrisson, Billy Neville, John Mangan.

Referee — Willie Horgan, Brian Dillon's.

JUVENILE HURLING BLITZ AT AGHADA

ICMSA Calls For Research Into Non-Food Crop Production

A call for EC funding for a national feasibility study into crop growing for non-food uses was made on Friday by the Chairman of the ICMSA Farm Services Committee, Mr. Donal Hynes.

Mr. Hynes said that with the proposed restrictions on traditional food production post CAP Reform, the feasibility of producing non-food crops for bio-fuels and medicinal purposes must be at least thoroughly evaluated.

"When we consider that in the next twenty years the world oil supply may run dangerously low and when we consider our dependence on oil and therefore our vulnerability in relation to oil prices, it is essential that more resources be devoted to researching and developing bio-fuel crops. Add to these economic factors the environmentally friendly fuels and there is a strong case for research into alternative fuel sources," said Mr. Hynes.

ICMSA Re-Canvass In Waterford

With over 1,000 members in County Waterford, John Quigley, Area Officer, said that he is presently re-canvassing County Waterford farmers and the response is encouraging.

John Quigley said that there is an active executive in Co. Waterford which is chaired by John Cusack, Clonea-Power. The Secretary, Tom Hickey is from Stradbally and PRO Greg Fives is from Dungarvan. Andy Coughlan, Rathgormack attends the National Council meetings in Limerick to express the Waterford view on issues.

John Quigley said that some of the main issues being raised during his canvass are the need for changes in the capital acquisitions tax, the need for Government to examine with urgency the treatment of farmland under CAT to encourage structural change, efficiency and early transfer, quota cuts and the need for a proper animal disease programme.

Tallow Man Given "Final Chance" To Redeem Himself

A 21-year-old labourer, whose solicitor acknowledged that his client's record is an appalling one, was given a "final chance" after he handed £800 towards compensation into court.

Jerry Murphy, Woodview Park, Tallow, pleaded guilty at Tallow court to a total of nine charges including the larceny of £848 in cash from the Catholic Boy Scout Centre at Mount Melleray; causing malicious damage to a garda motor cycle, and taking without consent a truck which was then driven to Dublin for the purpose of selling it.

Other charges related to the uttering of forged cheques and obtaining cash in return from a butcher's shop and a branch of Allied Irish Banks in Co. Cork.

LONG LIST

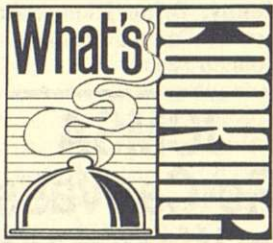

Supt. Ray McAndrew said most of the crimes were committed last August and subsequently Murphy went to

England. He returned two weeks ago, however, and surrendered himself to the gardai. The Supt. said the defendant had a long list of previous convictions.

Mr. Jerry Healy, solr., told Judge William F. O'Connell there was no point in beating about the bush, "Murphy has an appalling record," he admitted.

Mr. Healy, however, handed £800 into court on the defendant's behalf to pay compensation in full and asked that he be given a final chance to mend his ways. "He is genuinely trying to make one last effort to redeem himself," Mr. Healy added.

After deliberating at length and having acknowledged that the payment of the £800 had influenced the decision, Judge O'Connell imposed a number of concurrent three and six month suspended sentences on Murphy. He also bound him to the peace for two years.

Pamper yourself with this dish

TROUBLE with starters is that you either end up serving a soup, prawn cocktail, pate and toast or just a roll and butter. For a really delicious

and ready-in-a-moment starter that will make your family/friends feel pampered, how about:

Sauteed Shrimp

Ingredients:
2 large shallots, finely chopped
½ cup light olive oil
2 lbs (1 kg) medium size shrimps, shelled etc (can be fresh or frozen)
½ cup dry vermouth or apple juice
¼ tsp Angostura bitters
¼ tsp salt
½ tsp pepper
3 tbsps lemon juice
¼ tsp tarragon
3 tbsps parsley, for garnish
lemon or lime wedges

Method:
Saute the shallots for about a minute in the olive oil in a large frying pan. Add the shrimps and saute

for about eight minutes or until they are lightly golden.

Add the remaining ingredients except the parsley and lemon or lime wedges.

Simmer until liquid is gone. Serve immediately on warm plates, sprinkled with the parsley and arranged with the lemon and lime wedges.

Serves 8 (or 4 big helpings!)

May — a busy garden month

MAY can be a pulling, tugging, bending and back-breaking month.

Everything seems to be growing at once so there is planting to be done quickly, trimming or pruning of existing plant stock and, above all, a major assault to be made on weeds and pests.

It is probably best to start with the plants that have already had their day this year.

Tulips, for instance will need lifting if you want their beds for summer blooms — they can be replanted elsewhere to allow the greenery to whither naturally, before finally lifting the bulbs for storage.

Any indoor bulbs can also go outside for 'finishing' before storage, but remember they must now become outdoor bulbs and be replanted in autumn — they can only be forced for indoors once.

Find time too to lift your

primroses. They will be healthier and add more blooms for next year but don't be tempted to use sites prone to dryness and direct sun.

Despite the risk of frost, particularly on the east side of the country, you can then boldly plant biennials such as Sweet William, wallflowers and Canterbury Bells.

But you will need to stand by with cloches or newspaper to protect half-hardy annuals and dahlias on potentially frosty nights.

If you are caught out then remember that it is a good idea to water them with

tepid water first thing in the morning, using a fine rose on the watering can. This prevents them suffering from the contrasting heat of the sun so soon after the touch of frost.

It is also not too late to establish conifers and evergreens. Simply soak the root ball overnight before planting in soil enriched with moist peat or good well-rotted garden compost. Then make sure they are well-watered every day if the weather is dry.

Turning to chores, get a grip on your roses — yank up sucker shoots. These are the pale and extra thorny ones which sap the strength of the tree.

Then check and wipe out pests such as greenfly or aphids, and leaf-rolling sawfly. You will have to use an insecticide, so spray on a calm day, keep pets and children away, and cover all bare skin.

Some hedges such as privet will be starting to grow quickly and will need gentle trimming and shaping and the lawn may also be starting to look patchy and in need of a cut.

But avoid trimming new lawns until the blades are about two inches high.

Attack any weeds by hand at first or dab them with a paintbrush dipped in weedkiller. The last resort is a selective weedkiller that should help you keep them at bay for the rest of the summer.

You will need to use something potent as well to stop weeds and grass growing up between paving slabs and through paths, but always use a hoe elsewhere if you possibly can.

It's amazing how much you can achieve if you simply wield the hoe for a few minutes every night after work.

ICMSA Calls A Halt To Butter Substitution

The Deputy President of the ICMSA, Mr. Con Scully, last Friday called on the Irish dairy industry to call a halt to the importation of vegetable oil substitutes for quality Irish dairy products.

"Irish agriculture is at crisis point due to external factors such as price and quota reductions. However it is the Irish dairy industry which is responsible for further aggravating the situation by the substitution of butter by vegetable oils. This must be stopped and to this end the dairy industry must give the 'thumbs down' to vegetable oils by refraining from importing this product," said Mr. Scully.

He added that Irish dairy products are produced and processed under the highest quality conditions and that nutritional experts all agree that pure dairy products are

essential to health and vitality. Mr. Scully said that on the contrary there is no guarantee of quality production in the case of the imported vegetable oils.

"It would be unthinkable surely if our meat factories were to import soya bean to replace our grass produced beef for steaks. There would be a public outcry from the industry and consumers alike, yet it seems we are prepared to accept second best in dairy products.

RENEW BUY IRISH CAMPAIGN

"Our sports people — such as Rás competitors — all consumers and the people of rural Ireland whose livelihoods depend on the dairy industry, deserve better. Therefore, I am calling for a renewed 'Buy Irish' campaign for a healthier, vibrant way of life," concluded Mr. Scully.

Heritage Centre Opens

Well as our readers will know by now, Lismore has its Heritage Centre in operation and on Sunday the number of visitors to the town surprised many locals.

The Heritage Company deserve a vote of thanks for the work they have done. Rose O'Dowd and the hard working members of the Tidy Towns Committee have also done great work around the town, with the collection of litter and the planting of shrubs and flowers. It is now up to the people of Lismore to make the most of the Centre and the crowds that it will bring to the town.

The vandalising of the flower tubs and planted shrubs that has been a problem in the past will have to be stopped. The Centre has already created 8 jobs for some locals and the possibility of more jobs being created is very real, but only if we care. Many thanks to "Fawltly" for his piece on Lismore Heritage.

TENNIS CLUB A.G.M.

On Thursday, May 28 the Annual General Meeting of the Lismore Tennis Club will be held in Lismore Hotel at 8 p.m. All members and committee members are requested to attend. Any new members will be made more than welcome.

MRS. KATHLEEN CAHILL

It is with regret that we record the sudden passing of Mrs. Kathleen Cahill, Fernville, Lismore, which occurred on Tuesday of last week. Mrs. Cahill's removal was from her residence in Fernville to St. Carthage's Church and the burial was on Thursday after 11 o'clock Mass. Mrs. Cahill was relict of John Cahill and is survived by her sons John and Anthony, daughter Margaret and other relations to whom we extend our deepest sympathy.

SYMPATHY

The Lismore Festival Committee wish to express deepest sympathy to John Cahill and his family on the passing of their mother, Mrs. Kathleen Cahill.

ACTIVE AGE WEEK

Last week was Active Age Week nationally and in Lismore, Ballyduff and Ballysaggart many activities were organised to coincide with the week, a week in which the over 50's had a chance to use their wealth of talent and experience to ex-

change ideas and to confront issues which concern them.

On Tuesday night in Lismore Library an information evening was held. Speakers were Sgt. Tom O'Grady who spoke on security in the home. Anna Scanlon — "Nifty at Fifty", health and exercise, and nursing entitlements with speaker Nurse Ann Pollard, P.H.N. The evening was expertly chaired by Mr. Richie Walsh, Asst. Librarian, Lismore.

On Wednesday in St. Carthage's Hall there was a local arts and crafts display and the comments were very favourable from the numbers who attended, with paintings of a high standard and the crafts were superb.

Thursday was the highlight of the week. Following evening Mass in St. Carthage's Church a social evening was held in Lismore Hotel. After the tea, sandwiches and cakes the entertainment commenced. Lismore Dramatic Society opened the proceedings with a wonderful selection of songs from various shows and had us all singing along with them. Margaret Madden, Noel Mason, Francis Tobin, Rita Leamy all had solo spots. James Lenane and Jim Carrig both did their "Seanachai", Irene Cahill and Sonny Landers gave us two brilliant duets from "Phantom of the Opera." A fantastic reception was accorded the original Ballysaggart Set Dancers and it was quite evident to see why they were so highly rated many years back. Music for the dancing was supplied by Billy Hogan, Ned Murray, Mick Landers and Edmund Murray. M.C. for the night was Edward Lynch, who kept the proceedings moving without any stops or hold ups. The only "hold up" was when the Angels flew in and how Joan and Babe had us all laughing at a very original script.

Edward Lynch thanked everyone who helped make the evening such a success and thank Milupa through the representative, Rose Howard, who was present, for their generous sponsorship. Nurse Anne Pollard thanked all who had helped her to organise the evening for without all their co-operation it would not have been possible.

Other events throughout the week were the photographic exhibition in Lismore Library, The Leisure Centre, swimming pool and ten pin bowling at Clonea Strand Hotel, Over-50's golf competition at Lismore Golf Club, Ballyduff Drama Group presented "Amadeus" in Ballyduff

Community Centre, proceeds went to local charities.

All in all a wonderful week and very special thanks to Nurse Anne Pollard who co-ordinated the various activities and to all who helped her organise the various events.

NEWS FROM PRESENTATION SECONDARY SCHOOL

On Friday, May 8 the pupils of the Presentation Secondary School, Lismore, took part in the nationwide effort to fund raise for "The People In Need". Car washes, busking, money trails, cake sales and sponsored silences were the order of the day! Needless to say, we raised plenty of money — £550 in all. The pupils of fifth year who were responsible for this momentous achievement would like to thank the Bank of Ireland for the boots, Edward Fenton for the use of his amplifier and most of all, those who gave generously to our cause.

In the East Munster Schools Championships, held in Kilbarry on Wednesday, May 13 last, Valerie Barry did the school proud when she won both the 800 metres and 300 metres gold medals in the intermediate girls section. Rena Carey triumphed magnificently in the 200 metres walk, as did Joan Coleman in the shot. In the minor girls section Laura Kingston won the gold medal in the shot.

LISMORE HERITAGE

The King of the Fairies Ri Tuatha De Dannan Lie quietly enthroned by the side of Lismore Awaiting the call to rise up and explore The Heritage Town Hall and Library's Lore.

Lismore is the equal to Clonmacnoise of yore Where learning did flourish, where rivers do pour Like the Shannon and Blackwater or the Glen of Two Lakes 'Tis no wonder the Heritage people from slumber awake.

The Castle now stands where the monks showed refrain Which is now the Duchess and Duke of Devonshire's domain.

Goodwill to the tourist from the bridge alongside Where the pull of the moons gravity turns Spring and Neap Tide.

After dusk you can walk with the fairies at will And at dawn along Gallows, Monk's Walk and Dean's Hill While St. Carthage's Cathedral invites all to stay And pray for enlightenment which Lismore's Crosier convey.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer will be published after the favour is granted. Grateful thanks to the Blessed Virgin for favour received. — Mrs. K. Byers.

In Memoriam

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

Anniversary Mass on Saturday, May 23 at Modeligo Church, at 7.30 p.m.

A light is from our household gone,
A voice we loved is stilled,
A place is vacant in our home,
That never can be filled.
(Sadly missed by your son, Noel.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

We cannot bring the old days back,
When we were all together,
The family chain is broken now,
But memories live forever.
(Never forgotten by your daughter Lily and family.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

We lost a mother with a heart of gold,
How much we miss her can never be told,
She shared our troubles and helped us along,
If we follow her footsteps we will never go wrong.

(Always remembered by your daughter Nora, Michael and family.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

The saddest thing in the world to bear,
Is to want your mother and she's not there,
So with a sad heart I whisper low,
God bless you Mam I love you so.

I did not see you close your eyes
I did not see you die,
All I heard was you were gone,
Without a last goodbye.

As long as I live I will always be glad,
For the wonderful mother I was so lucky to have,
Mam, your memory is like the heart of a rose,
The older it gets, the sweeter it grows.

(Lovingly remembered by your daughter Margaret and grandchildren.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

No length of time will heal our grief,
Our love for you was far too deep,
You left a place no one can fill,
We miss you Nanny and always will.

(Sadly missed by Eileen.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991:

May is here with sad regret,
The day, the month, we will never forget,
Quickly and sadly came the call,
Without farewell you left us all.

(Sadly missed and always remembered by your granddaughter, Máiread.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

You can only have one mother,
Patient, kind and true,
No other friend in all the world,
Will be the same as you.
She was a mother so very rare,
Content in her home and always there,
On earth she toiled, in heaven she rests,
God bless you, mother, you were one of the best.

(Sadly missed by Ann, Sean and family.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

In a near and silent graveyard,
Where the trees their branches wave,
Sleeps a kind and loving mother,
In her cold and lonely grave.
She bade no one a last farewell,

She raised her hand to none,
Her spirit flew before we knew,
That she from us had gone.

For no one knows the heartache,
That lies behind the smiles,
No one knows how many times,
We have broken down and cried.

We want to tell you something,
So there won't be any doubt,
You're so wonderful to think of,
But so hard to be without.

(Loved and remembered always by Geraldine, Henry and family.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

Will those who think of her today,
A little prayer to Jesus say,
(Always remembered by loving daughter Mary, son-in-law Shane and grandchildren.)

COTTER — First Anniversary — In loving memory of Peggy Cotter, late of Coolcormack, Dungarvan, who died on May 23, 1991.

Will those who think of her today,
A little prayer to Jesus say,
(Always remembered by Joe, Mary and family.)

(Always remembered by Joe, Mary and family.)

FLYNN — Fourteenth and Fifth Anniversaries — In loving memory of my mother and father, Paddy and Biddy Flynn, late of 48, Murphy Place, Abbeyside, whose anniversaries occur on May 21 and 26.

A little tribute small and tender,
Just to show we still remember,
Like falling leaves the years go by,
But memories of ye will never die.

(Never forgotten by your loving son Denis, daughter-in-law Dolly and grandchildren.)

McGRATH — Fourth Anniversary — In fond and loving memory of my father, Maurice (Mossie) McGrath, late of 6, Keating Street, Dungarvan, who died on May 15, 1988.

Mass offered.

God chose to take my father,
He wanted one so fine,
Oh God above, please tell me,
Why it had to be mine.

To know him was to love him,
His kind and gentle smile,
To have had him as my Dad,
Made everything worthwhile.

No length of time will heal my grief,
My love for you is far too deep,
With broken heart I whisper low,
God bless you, Dad, I miss you so,

With every thought there is a tear,
For a Dad I lost and loved so dear.

(Forever remembered — your daughter Bernadette, son-in-law John Joe, granddaughters Danielle, Rebecca and Aisling.)

Always in our hearts.

Just a prayer from a family who loved you,
Just a memory fond and true,
In our hearts you will live forever,

For we thought the world of you.

He will talk in Villierstown Church Community Centre on May 28 (Ascension Thursday) at 8.30 p.m. on "EC Help for our youth in Ireland." As is well known, he has a particular interest in agriculture also but his talk will cover all fields. This should prove a really valuable evening.

CLUICHÍ BUNSCOILE
— IOMÁNAÍOCHT
Sliabh gCua 3-0
An Rinn 1-3

Ar an bpáirc do Scoil Náisiúnta na Rinne, bhí Noel O Tóibín, Daithí O Tóibín, Eoin Mac Craith, Seán O Drócháin, Tomás O Meachair, Cormac O Muirí, Séamus O hAodha, Seán O hEanaí, Cian Mac Eochagáin, Seán O Réagáin, Tomás Breathnach, Eoin Breathnach, Mike de Paor, Cian O Conchúir agus Cormac O hUallacháin. Bhí ar a laghad cúigear déag eile ullamh don ghlaoch, ar an dtaobhlíne.

It's always refreshing to attend a schools' match and to witness, at first hand, the enthusiasm of the young players. Pity the poor teacher who has to pick out eleven individuals from the assembled eager faces, as they cry out — "Máistir! Mise! A-a-a, led' thoil!"

Mar ba ghnáth ag cluiche den tsaghas seo, b'iontach an "t-excitement" a bhí ann agus ba mhór an reimse scilleanna a bhí ar thaispeáint ón dá fhoireann. Ag dul i bhfeabhas a bhí na laids óga seo, de réir mar a bhí an cluiche ag dul ar aghaidh. Scór amháin a ghnóthaíodh sa chéad leath. B'shin cúl a fuair na cuairteoirí. Fuair Sliabh gCua cúl eile go luath sa dara leath, sar a bhfuair buachaillí na Rinne aon scór. Ansin is ea a thangadar, na scóranna againne — cúl agus dhá chuilín gan aon fhreagra. Bhí an cuid is mó den imirt againn ag an bpointe seo, ach bhí an sliotar á chur ar foraíol againn, ar dheis agus ar chlé, agus gan ach an t-aon chúilín amháin idir na fóime.

Our backs were defending well, but our challenge came to an end when Sliabh gCua scored their third goal, after "dribbling" the ball in from the sideline. Another point from An Rinn completed the scoring, and, although our team continued to press forward, it was to no avail. Bhi an bua ag Sliabh gCua. Beidh cluiche scoile eile i rith na seachtaine seo v. an Gearrán Bán. Go n-éirí an t-ádh libh, a bhuaichailf. Bíodh an ceann seo againh!

AN GHAELTACHT FAOI-14

Our Under-14 hurlers travelled to Clashmore on Friday night to take on the local team. Bhi bua fíor-shúil ag foireann na Gaeltachta. Sin ceithre phointe luachmhara atá bailithe againn anois, tar-éis dúinn dhá chluiche a bhuaichaint. Má leannann na buachaillí orthu leis an dtréan-iarracht, is féidir leo bheith ag súil le níos mó. Tá "raist" againn anois go ceann coicise, nuair a bheidh cluiche acu i gcoinne na mBricigh. Maith sibh, laids, Leanaigí leis an dea-obair.

Leanfar leis an draenáil iománaíocht do na grupáí seo thuas, gach Máirt agus Déardaoin, ar a 6.00 i.n.

Preliminary trials for U-14 Western teams took place on Wednesday last. Glaoite

on nGaeltacht tá Eoin Mac Craith, Cormac O Muirí, Timmy de Paor agus Tomás O Cadhla. Go n-éirí ádh leo sa chéad triail eile a bheidh i bPáirc na mBricigh ar an Aoine seo chugainn.

PEIL NA GCAILINÍ BUNSCOILE

Peil na gCailiní: I bPáirc Uí Shíocháin ar an Déardaoin seo chugainn v. S.N. Cnoc an Óir. Go n-éirí libh, a chailiní.

IDIRMHEÁNACH — IOMÁNAÍOCHT & PEIL

Training continues apace. Two challenge matches inside of a week should help players to return to familiarity with the "liathróid mhór leathair." The two hurling fixtures which have been arranged for the forthcoming weekends have been postponed to later dates. For our panel the next concern is "Comórtas Peile na Gaeltachta," which takes place in Indreabhán in Con-

demara over the Bank Holiday weekend.

Imreimid an chéad chluiche sa chomórtas seo ar an Satharn 30ú Bealtaine v. Gaeltacht Chiarraí, ar a 11 a.m. Má bhuaimid é sin, beidh cluiche eile againn an trathnóna céanna. Nach mbeadh sé go deas an comórtas seo a bhuaichaint, i mbliana? Beimid ag iníth le dea-thoradh.

DUALGAS CONDAE — FOIREANN SÓISEAR

Anuraidh mar chlub beag de chuid CLG shroiseamar an buaic nuair a ghnóthaíomar, le dian-obair agus tréan-iarracht, dhá chraobh Condae sa ghrád sóisear — i bpeil agus in iománaíocht. I mbliana, 1992, thug roghnóirí an Chondae aitheantas don bhua sin nuair a thugadar cuireadh do thriúr dár n-imreoirí — Nioclás agus Cárthach Mac Craith agus Micheál O Súilleabháin — dul chun páirt a gh-

lacadh i dtrialacha do fhoireann sóisear an Chondae. Ar an Domhnach seo chaite, 17ú Bealtaine, d'imir Nioclás mar lán-tosaí ar an bhfoireann a bhuaigh ar Thioibraid Arann sa chéad bhábha den chomórtas sóisear, ar an scór 0-11 lena 1-7. Molaimid an bua!

Guímid gach rath freisin ar Eugene O Corraoin, a bhfuil baint aige le foireann sóisear an Chondae san iománaíocht.

FREAGRA NA CEISTE

Ceist: Cérbh é an Deiseach is déanaí a dheimníodáir ar Chraobh Peile na Mumhan sa ghrád sinsear?

Freagra: Tom Cunningham referead a Munster senior football final in 1959.

AG LORG EOLAIS

A reader's query: What year was the first Garda Síochána team fielded in Portlárge?

CUMANN CAMOGAÍOCHT LIOS MHOR

Our U-12 squad played their last league game on Tuesday night and once again improved their performance against a St. Saviours 'B' side. Though our girls finished 3 goals down, the game was a very close one without girls giving their best throughout.

Panel — S. Mangan, M. Cellisse, K. Begley, M. Whelan, C. Heffernan, E. Khan, C. Walsh, K. Dunne, L. Roche, E. O'Grady, J. Dooley, O. Flynn, B. Rafferty, M. Cunningham, E. Flynn, S. Bennett.

On Wednesday night our senior team took the field for the first time this year to take on Ardkeen in Mount Sion. This Senior League game was a thrilling encounter with Lismore ahead 1-4 to 1-3 at half time. The second half was again close fought but Lismore, well aware of their position as county champions, played as such and got some super scores to finish 3-8 to 2-4 ahead at full time.

Their next league game is at home to Gaultier this Saturday evening at 7.30. Your support for this clash of last year's county finalists would be welcome at the C.B.S. field.

Panel — B. O'Keefe, C. Caples, E. Daly, A. M. O'Gorman, E. Ormonde, S. McCarthy, O. Flynn, G. Barry, P. McCarthy, M. Murphy (capt.), J. Murphy, S. O'Gorman, C. Roche, M. Hale, C. Ormonde, G. McGrath.

Saturday saw our U-14 girls travel to Ballybeg, Waterford to participate in the Feile na nGael Blitz. First we paraded through Ballybeg led by a marching band, banners aloft to the St. Saviours camogie pitch where we discovered our first opponents were to be Tramore.

This game was played in the school field across the road and did not rise to any great heights with Tramore making our girls battle all the way. We led by a goal at

half time and carved our place in the semi-finals with another couple of scores in the second half. Final score — Tramore 0-1 Lismore 1-2.

To beat our semi-final opponents, Dunhill/Fenor, a much improved performance was required, and our girls with the tonic of an early goal and a splendid performance from captain Catriona Ormonde at centre back, finished two points ahead despite some nail-biting moments at the finish. Final score — Lismore 1-3 Dunhill/Fenor 0-3.

It was our fifth consecutive Feile final against last year's final opponents, St. Saviours 'A'. Our girls started well but Saviours soon started to pile on the pressure with a couple of points. Lismore were still well in the game and were unlucky early in the second half before Saviours got their first goal. Lismore still battled hard but the much needed scores were sought in vain and Saviours added one more goal to finish 2-2 to nil.

Though disappointed our girls could be well pleased with their performance and spirit throughout the competition. This team spirit was

very evident in the delight shown when we discovered our captain Catriona Ormonde would be involved in a play-off in the skills competition, as she was placed joint first with Emma Galvin of Portlaw. Three 30's each would decide the tie. Catriona first to go duly pointed as did Emma, Catriona pointed again but Emma hit wide, Catriona coolly put the ball between the posts for the first time to cheers of delight from her team mates.

A trip to Co. Galway in late June to compete in the All-Ireland finals is Catriona's reward, plus a lovely trophy presented by Co. Chairperson, Marie Pollard. Well done Catriona.

Our tired girls won't have much time to rest as on this Friday night they renew rivalry with Dunhill/Fenor in the U-14 championship. This game is fixed for Abbey-side at 7 p.m.

Feile Panel — M. Farrell, D. Bennett, S. Mangan, C. Ormonde (capt.), G. Walsh, A. M. Lineen, J. Hanon, J. Roche, M. Flynn, A. Howard, J. O'Gorman, G. O'Keefe, M. Howard, L. Walshe, P. Dunne, E. O'Donoghue. — P.R.O.

DUNGARVAN SCHOOLBOY NOTES U-12 T.S.B. CUP SEMI-FINAL

Harty Hits Hat-Trick

TRAMORE 1 DUNGARVAN 3

Our U-12 team secured their place in the final of the T.S.B. Cup with a comprehensive win over league champions Tramore on Wednesday night last.

A second half hat-trick from Alan Harty was the feature of this very good game in which every Dungarvan player gave his all. A. Ahearn in goal could not be faulted for the one that passed him. Our back four of K. Lyons, P. Foley, C. Hayes and G. Hurney were

excellent throughout. Midfielders D. Keating, K. Walsh and B. Crotty never stopped running, while A. Harty, V. Sullivan and D. Tutty had the Tramore defence stretched to the limit.

OZIER PARK

A bus for the final against Carrick will leave Kilmash Park at 9 o'clock on Saturday morning and you can book your seat from any schoolboy committee member. The fare is a very reasonable £1.

RED HOUSE LEAGUE

Successful End To Red House League

The curtain finally came down on the Red House League season when the final of The Michelin Shield was played last Sunday week. It was without doubt the longest season ever due to so many games going into replays and a league play-off in Division II.

TONY BOLGER CUP

The season began with the Tony Bolger Cup way back in September. The final of the competition was fought out between two local teams, Lismore and Cappoquin 'B', with Lismore coming out on top.

THE RED HOUSE LEAGUE

It was then down to the Red House League itself. Both divisions were closely fought out during the season. In Div. 1 we had three teams Affane, Bride View United and the eventual champions Cappoquin. All three teams headed the league table on numerous occasions during the season. At the end Cappoquin won the league championship losing just two games in their 18 league games.

If Div. 1 was entertaining then the Div. II was a real cliff-hanger with Mogeely and Ballyduff finishing level, both on 29 points. In a league play-off the East Cork side Mogeely ran out winners in a very entertaining game.

THE DUNGARVAN TYRE CENTRE CUP

Two West Waterford teams reached the final of this competition namely Cappoquin and Ballyduff. The first game ended scoreless in Lismore in what was a very poor game. However the conditions on that day were terrible with a strong wind and heavy rain. The replay took place the following

Friday night in Modeligo when again both sides failed to find the net. Ballyduff ran out winners on penalties. So for them it was a very successful season.

CORNER HOUSE LEAGUE U-18

For the first time ever the league ran a very successful U-18 League. It was won by Railway Athletic of Cappoquin.

LISMORE/CAPPOQUIN CREDIT UNION TOURNAMENT U-12

The final of this tournament preceded the Dungarvan Tyre Centre Cup and what a thriller it proved to be between neighbours Lismore and Bride View United, with United coming out on top.

THE MICHELIN SHIELD

The final of the Michelin Shield brought the Red House League season to a very successful conclusion. The final saw the Div. II champions Mogeely face Pinewood Rangers of Ballymacarby with Mogeely coming out on top after a thrilling game.

ATTENDANCES

The number of fans attending both league and cup games was well up on last season with many female fans now attending these games. Well done girls.

However, there are a small number of clubs still finding it difficult to attract the fans. Let's hope that this improves for these clubs next season.

SPONSORSHIP

Like any sport sponsorship plays a major part in the successful running of the Red House League. The League Committee would like to thank the very generous sponsorship of the following:

Mr. Michael O'Leary of the Red House Bar, Lismore for his generous sponsorship of the league; Mr. Noel Faherty for his generous sponsorship of the Dungarvan Tyre Centre Cup; Our thanks also to Bridie and Dennis Martin of The Corner House Bar, Tallow and last but by no means least the Lismore/Cappoquin Credit Union.

SEASON OF NEW IDEAS

For the first season ever the League Committee in conjunction with Bertie O'Mahoney Football Publications of Killeagh, produced an official souvenir match-day programme for the cup final. This proved to be a huge success with the fans.

Another first this season was the running of an Under-18 league.

UNDERAGE FOOTBALL

The League are setting up a special Underage Committee next season to look after the underage, where it is hoped to run a number of leagues at U-10, U-12, U-14 and U-16 level. Sponsorship has already been secured for some of these leagues.

APPLICATIONS

The League invites applications from new clubs for membership of the League for 1992/93 season. Applications to be made in writing to Hon. Secretary, Mr. Paddy Mason, 13 Shanbally, Cappoquin, Co. Waterford.

The Executive of the Red House League for last season were as follows:

Chairman — Paddy Pollard; Vice-Chairman — Tadgh Collins; Hon. Secretary — Paddy Mason; Hon. Treasurer — Leonard Fraser; P.R.O. — Liam Fraser; Fixture Sec. — Red Rogers.

THANKS

On behalf of the Red House League this P.R.O. would like to thank Colm Nagle, Michael Power and all the staff of the Dungarvan Leader for the coverage they gave to the Red House League for the season 91/92. Thanks a lot folks.

Abbeyside Utd. Ladies Soccer Notes

VILLAGE DEBUTANTES IN ALASKA PARK THRILLER

KILMACKTHOMAS 1 ABBEYSIDE UTD. 1

Last Thursday night saw the Abbeyside ladies make their first public appearance. From the kick-off the Villagers, roared on by a large travelling band of supporters, tore into the home team in search of an early goal but after this initial burst of youthful enthusiasm it was the more experienced home side who took control of the game for long periods.

But just when it looked like the Villagers would hold out to the interval a defensive muddle allowed Kilmac' in for the opener. So at the half time whistle it was 1-0 to the homesters.

The interval saw the Abbeyside coach make sweeping changes for the second half, introducing no fewer than six new faces. It was a determined village side that took the field for the restart and urged on by a crescendo of sound from their fans the Abbeyside girls threw everything at the Kilmac' goal in search of the equaliser.

And when our first goal in competitive football arrived it was a beauty — a great pass from right full Sandra Cliffe found Martina Moore who carried the ball through the Kilmac' cover before laying it off to Kim Cordery whose first time shot could only be parried by the home keeper and Sylvia ("Schillachi") Flynn was in like a flash to belt home the equaliser to the delight of the now delirious supporters.

This goal saw both sides go in search of a clinching score but try as they might the deadlock couldn't be broken.

But at the end of the day the draw was a fair result. It would be unfair to pick out any individuals for special praise, sufficient to say that all players did everything asked of them, particularly

in the after-match celebrations where they really surpassed themselves!

A word of thanks to Paul Gallagher and his Kilmac' girls for the game, the large band of supporters who made the journey and Matt Organ of "The Village Inn" for the half time refreshments.

Now it's forward to Thursday, May 28, for the return at "Dog Leaf" Park and I can assure you this will be a game not to be missed.

More news on this in next week's notes. Training continues on Monday's at 7.30 at "Dog Leaf."

DUNGARVAN UNITED SCHOOLBOYS

Cup Dream Shattered

TRAMORE 3 DUNGARVAN 2

On Thursday last Dungarvan United teens bowed out of this season's cup competition at the feet of Tramore, but to make matters worse, the Blues were their own worst enemies.

They started very nervous and soon were a goal down when our keeper let the ball slip away from him and the centre forward was on hand to tap home. The Blues failed to heed the warning signs and soon were another goal down, when once again our keeper failed to collect a cross and the forward again tapped home.

A. Landers scored a great goal but the linesman had his flag up for offside, which was a surprise. Benny Cliffe scored a great goal probably the best goal of the game before Tramore

added another. This left the half time score Tramore 3 Dungarvan 1.

The Blues played very well in the second half and soon were playing the football that we know they can play, with M. Hyslop driving them on from midfield. The Blues were rewarded a free-kick and from the left foot of T. Butler the ball went all the way to the net, for a real fluke. Tramore were guilty of some bad misses before the referee blew the final whistle.

Team — L. Hurney, P. Coles, I. Sheehan, D. Foley, C. Walsh, T. Butler, M. Hyslop, A. Landers, J. Cooney, B. Cliffe, R. Power. Res. — M. Coles for J. Cooney; K. Kiely for D. Foley (injured).

Man of the Match — A. Landers.

Dungarvan Golf Club Notes

MAURA FAHEY

The members of Dungarvan Golf Club were deeply saddened by the news, last Wednesday, of the death of Maura Fahey. Maura, who was Lady Captain in 1989, was one of the most admired and respected members of Dungarvan Golf Club. She was an enthusiastic and fun-loving captain who always had time for a chat and always had words of welcome and encouragement for new members.

We remember how proud she was in Castletroy Golf Club when Dungarvan's ladies won the Munster Junior League.

Dungarvan Golf Club will be the poorer for her death. To Jackie and all her family we extend our sincerest sympathy. May she rest in peace.

Clonea Bowling Club Notes

HARP MEN'S AND LADIES LEAGUES

In the men's section, the semi-finalists were Danny Barry, John Reynolds, Albert Power, Micheal McGrath and Brian Dillon. They had all won hard battles against Patsy Horsom, Nicky Butler and Dave Mahony. So close were the scores that a sudden death had to be played in some cases to determine the winner.

Albert Power and Micheal McGrath came through the semi's and watched by a large crowd the two finalists had a great game with Micheal emerging as the 1992 Harp League champion. Albert made him fight all the way but it was Micheal who was the better bowler on the night.

Final positions — 1 Micheal McGrath, 2 Albert Power, 3 Brian Dillon, 4 John Reynolds.

Highest League Score — Patsy Horsom 523.

The ladies section was just

as exciting with seven doing better for the top 3 places. Carmel Cooney, Caroline Malilieu and Donna Hackett pulled it off with first class bowling all the way. Again, games were close and one wondered if anything was going to divide these finalists. However, at the end Caroline just edged through to win by a very narrow margin, with Carmel in second place and Donna third. Caroline also had the highest score during the league (score 427). Well done Caroline.

Prizes were presented by John Hales, Harp Representative. We would like to thank Harp for their generous sponsorship of this League. It was one of the best leagues this season with lots of good bowling, close games and much competition. Thank you to all who took part and we hope to see you on the lanes again soon.

Notai C.L.C.G. An tSean Phobal

An Sean Phobal 1-5 Claish Mhoir 0-2

On Saturday night last An Sean Phobal ladies football team advanced to the Western semi-final after a fine victory over local rivals Claish Mhoir.

Clashmore opened the scoring in the second half with a fine point which left only the bare minimum between the teams. With five minutes remaining the score stood at 0-3 to 0-2, but then Caroline King, playing at lan tosach, scored a superb goal which gave Sean

Phobal a lead of 1-3 to 0-2. Two further points by Leah Murphy, one of which was from a free-kick left the final score An Sean Phobal 1-5, Claish Mhoir 0-2.

Dungarvan Sea Angling Club Notes

On Sunday last, May 17, we held our first competition and although we had bright sunshine there was a strong east wind blowing and a big sea running. There was an air of great excitement on the quay as the 65 anglers loaded their gear on the 8 boats taking part and at ten o'clock we all got under way.

This was a team of four event. We had 16 teams tak-

ing part — we even had a team from our twinned club Mumbles in Wales which we were delighted to see.

Well, after a good day's fishing the results were as follows: number of fish 199, number of variety 8 (17 conger, 21 ling, 73 dogfish, 59 pollock, 13 pouting, 9 coalfish, 5 cod and 2 cuckoo wrasse).

First with 402 points were

Microwave Services from Cork — Paddy Burns, Ray O'Sullivan, Des Connell, Joe Roche; second were Waterford Foods plc with 243 points — Helen O'Grady, Joan Elstead, Richie Quarry, Sean Flynn; third were Kilkenny Cats with 233 points — Milo Burke, Peter Nearey, David Cunningham, Brendan Murphy. First Individual: Richie

Quarry with 162 points. Skippers Prize went to Kevin Sandford of the First Cork. Cork Celtic ran a competition along with us on Sunday and the winner was Tom Johnson.

The club wish to say a very special word of thanks to our sponsors Baumann Jewellers Dungarvan and the owners and staff of the Anchor Bar. — PRO.

ROCKETT TAKES OFF AT THE FRIARY

The new and very promising athletic career of young Donny Rockett took off in no uncertain terms at the second day of the Waterford Juvenile Track and Field Championships at the Friary College last Sunday.

The young St. Augustine's student recorded an unprecedented five championship victories when winning the boys under-13 high jump, long jump, triple jump, discus and javelin as well as being placed 3rd in the 100 metres final. On the previous Sunday Donny won the 200 metres and hurdles county titles. Great credit is due to Donny and his coach at the Friary, Bro. Patrick Lennon who continues to unearth fine juvenile talent for the club.

The championships themselves once again proved an outstanding success for us with a number of our athletes winning championship medals for the first time.

Superb Week For Dungarvan Cyclists

SPRATT WINS SECOND RAS

THIRD PLACE AND OLYMPIC SELECTION FOR POWER

Dungarvan cyclist Stephen Spratt, riding with Dublin Emmelle, made his own bit of history in Dunlaoire on Sunday last when he won the F.B.D. Milk Ras for the second time, joining an elite and small band of riders to have achieved the double in this nine day international amateur race.

Spratt won the race in 1986 but he will surely treasure this year's victory carved out dramatically in the final and controversial criterium stage around the streets of Dunlaoire on Sunday evening.

Spratt took the yellow jersey on Tuesday on the stage into Killorglin and defended it successfully until the penultimate stage from Gorey to Naas on Saturday when he relinquished the lead to Italian Giuseppe Giorini who went into Sunday's final stage with an eight second advantage.

The signs were ominous on Friday when the Italian attacked on the category 1 climb on the stage from Dungarvan to Gorey and

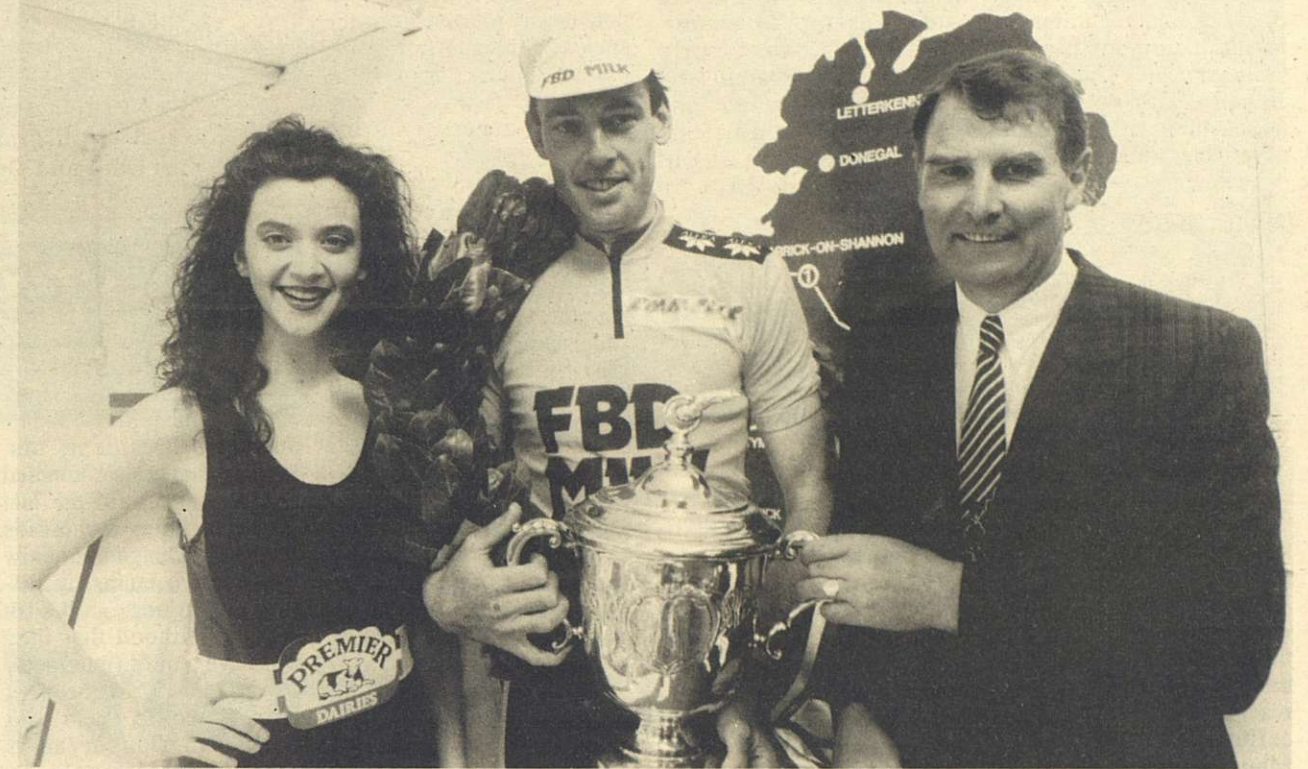

made a minute into Spratt's lead of over three minutes.

The short stage from Gorey to Naas on Saturday had four category 1 climbs and here the Italians who are superb mountain climbers again attacked and despite a tremendous effort from Spratt helped by fellow Dungarvan rider Robert Power, the jersey changed hands and with the disappointment showing, Spratt had all but conceded victory going into the final stage eight seconds down.

REJUVENATED

It was a different story on Sunday as a rejuvenated Spratt rode superbly in the crit. to take on the Italians for the valuable bonus seconds available for the five primes.

He came off second best in the first when forced into a barrier by the Italians but fought back to get away in a break and by the end of the stage was back in yellow for a magnificent victory with a 22 second advantage.

STEPHEN'S REWARD FOR WINNING FIGHT BACK — This year's FBD Milk Ras came to an exciting finish when Dungarvan cyclist Stephen Spratt fought back to win the 1,000 mile race. Pictured in Dun Laoghaire congratulating Stephen were: Matt Walsh, Chief Executive of Premier Dairies (right), who sponsored the final stage of the race and the Premier Dairies Supermilk "Superwoman."

POWER'S OLYMPIC SELECTION

It was a superb week for the two Dungarvan cyclists as neighbour Robert Power, riding with the Ireland Golden Vale team pulled off a superb third place despite being closely marked all week by the Italians who literally "haunted" the 20 year old's wheel.

Power was in yellow after the first stage when he led on points from the Italian Giorini but a crash on the second stage when he was in the leading group forced

the Carrick Cidona rider to give the jersey to the Italian.

Again on Thursday Power was motoring at the head of a chasing group and thinking off a stage win into Dungarvan, when he ran out of road on a sharp bend and ended up in a field. Thankfully the gate was open and the young rider avoided serious injury.

There were celebrations in Dungarvan on Friday morning however when National Team Director Alisdair

McLennon announced that Power had been selected as the fourth man on the Irish Olympic Cycling Team in Barcelona, an honour richly deserved by the 20 year old, for the consistency of his early season results including his win in the Essex Grand Prix.

It looked for a time as if injury might thwart his Olympic hopes but treatment and a rest saw him bounce back again.

There was further glory for

Power on Sunday at the conclusion of the Ras when it was announced that he had won the new Ben McKenna Cup as the best under 22 rider in the Ras.

There was a bonus too for Stephen Spratt on Thursday night in Dungarvan when it was announced that he had been picked on the Irish team to ride the upcoming Milk Race in England.

Congratulations to both riders on their further magnificent achievements.

Cunnigar Pitch & Putt Club Notes

Summer finally arrived to mark the running of the David Walsh team of three tournament at the weekend. The entries for the competition were, once again, very good with no less than eleven teams taking part, many of whom did very well. The prize winners were Mickey Delaney, Johnny Burns and John Walsh with Morrie Ferncombe, Jimmy Cockwell and Danny Murray coming second. Afterwards Michael Drummy, on behalf of David Walsh, presented a beautiful cup and vouchers to the winning team at a great get together in Downey's Bar. A special word of thanks on behalf of the club to David Walsh for his very generous sponsorship.

Last Wednesday night in Tramore the team of nine representing the Cunnigar did very well in the first

round of the County League to finish up second on the night so the incentive to do even better should be very much in evidence when the team travel to Ashgrove, tonight Wednesday, for the second round of games.

Anyone wishing to obtain a ticket for the upcoming draw can do so by contacting any member of the committee.

With the good weather and the long evenings it is great to see so many people coming down for a game and if you have not already done so, come along and hire out a pair of clubs for a very nominal fee.

A warm welcome to the new members who have joined up recently and we hope to see many more, as new people are welcome at all times.

Last tee-off next week at 8.15 p.m. — Shout Fore.

CAMOGIE

Lismore To The Fore In Pan Celtic

Pan Celtic '92, played in Galway recently, will go down as another milestone in the history of Lismore Camogie Club. Their under-16 squad may not have retained their title, but they nevertheless put up a splendid show.

The venue for the first game against a Limerick side was totally unsuitable and was aptly named The Prairie and the gale force winds and rain made conditions very unpleasant. But nonetheless the Lismore

girls beat their rivals on the score 2-0 to nil.

In the second game the Waterford girls went under by a point to Galway and so had to win their third game to hold out any chance of progressing further. Rathcoffey from Kildare provided the opposition. Believe it or not, it was a point from the stick of Emma Dunne in the dying minutes that gave us victory as it was the only score in a very exciting game.

In the fourth and final game Galway were again the opposition in the name of Bothar Na Tra. Again, the Lismore girls had to win and win they did on the score 1-1 to nil.

So on the the final — Pearse Stadium was the venue and Caffataggle, standing between Lismore and glory for the second year running. Although the Lismore girls put up a fine performance, victory was not their lot, and so although the title evaded them they were more than pleased with their over-all performances for the week-end.

Panel — Caroline Ormonde (Capt.), Catriona Ormond, Bríd Pollard, Jennifer Walsh, Deirdre Bennett, Ciara Tobin, Enda Ormond, Nora Roche, Lynn Heaphy, Claire Murphy, Emma Dunne, Caroline Nugent, Jan Sullivan, Mary Fennelly, Gina Walsh, Hilda Howard.

Mentors — Ann Marie O'Gorman, Jo-Jo Tobin and Johnny Flynn.

Pictured at Fatima Hall recently are Dungarvan members of the School of Tae Kwon-do with Francis Barrett (5th Dan and Grading Examiner), John Jacob (3rd Dan) and Ger Hickey (2nd Dan) the Dungarvan Instructor.

Dungarvan Badminton Club Notes

County Championships were played during the past three weeks. We had a number of members who reached the finals — Marcella Kiely, Breege Ui Mhurchadha, Pat Lenane, Sean Walsh, Martin Walsh, Bernie Ryan. Martin and Bernie won the senior mixed. This was a great performance and all the others did the club proud with their efforts.

Our end of season tournament was a great success, with most of the members taking part. There were some great matches. Sean

Tobin and Margaret O'Brien beat John O'Riordan and Breege Ui Mhurchadha in the semi-final and Finbar Dunphy and Maria Kiersey beat Sean Walsh and Breda Lenane in the other semi-final. Finbar and Maria won the final after a very good match.

It is coming to the time of the year when the annual general meeting will take place. I would like to thank everybody who helped during the past season — the Sports Centre and our local paper for their coverage of our club notes. Thank you.

Dungarvan Hockey Club Notes

A very successful 10th Annual General Meeting was held in The Park Hotel on Friday last, May 15. The outgoing President, Ms. Mary Ronayne, commented on how successful the last year has been for ladies hockey in Dungarvan. Now fielding two teams, in different leagues, and with every likelihood that they will have a third (intermediate) team within the next year, it would seem that hockey in Dungarvan is going from strength to strength.

Much of the success of the Dungarvan Hockey Club can be attributed to two people in particular, Tom Gartland and Gerry Foley. Both Tom and Gerry have given unselfishly of their time and effort — sometimes travelling to two away matches at weekends, attending two training ses-

sions per week, as well as umpiring and attending all meetings and functions that were necessary. It was felt by all that without their encouragement and enthusiasm the club would not be where it is today.

Much gratitude was expressed by the club to Fr. Moran and Bro. Lennon for the use of the excellent facilities at the Augustinian College Grounds, Duckspool. Both Fr. Moran and Bro. Lennon have done everything possible to make the club feel welcome at the College grounds. They have also become two of our most avid supporters and are regularly seen at home matches, giving great encouragement to the team. Bro. Lennon deserves a special mention for all the help, advice and encouragement he gives to the club throughout the year. It is very much appreciated. Mr. Senan Cooke of Waterford Crystal presented Bro. Lennon with a set of wine glasses in acknowledgement of all that he has done for the club.

Louise Neylin was singled out this year for a special thank you for all she has done for hockey in general, and Dungarvan Hockey Club in particular, over the past 10 years. Louise was presented with a Dungarvan Crystal mantle clock on behalf of the club as a mark of appreciation for all the hard work she has done and continues to do. Mr. Senan Cooke of Waterford Crystal made a special presentation to Louise of a set of wine glasses for 'Player of the Decade'.

Other presentations were as follows:
Minor 'A' Player of the Year — Roisine Foley; Minor 'B' Player of the Year — Ann Bones; Most Improved Young Player — Imelda Killigrew; Club Person of the Year — Ann Bones.

A very special thank you to Mr. Senan Cooke of Waterford Crystal and his charming wife Helen for presenting the beautiful sets of crystal to the players. Thank you to the management and staff of The Park Hotel for the excellent meal they provided.

Thanks to all those who

have helped with the junior hockey over the past 12 months — special thanks to Celia Power.

Gratitude and thanks were expressed to the outgoing President and committee members who had a particularly difficult year raising money and erecting flood lighting at Duckspool.

Outgoing Committee 1991/92 — President — Mary Ronayne; Secretary — Martina Moore; Treasurer — Sharon Murphy; Avicé Kiely, Carol Fraher, Anne Sweeney, Ann Bones.

Committee members 1992/93 — President — Ann Bones; Secretary — Martina Moore; Treasurer — Sharon Murphy; Mary Ronayne, Anne Sweeney, Sharon Bones, Sheilan Phelan.

Members present at A.G.M. — Catherine Brennan, Sarah Dalton, Michelle Mernin, Imelda Killigrew, Cathy O'Mahoney, Sarah Bones, Anne Sweeney, Sharon Murphy, Ann Bones, Celia Power, Louise Neylin, Karen Dempsey, Anne Ryan, Avicé Kiely, Mary Ronayne, Gerry Foley and Tom Gartland.

Thanks to all friends and ex-members who joined us for the meal and helped to make it a most enjoyable night — Fr. Moran, Mr. and Mrs. Senan Cooke, Christine O'Keeffe, Suzanne Dalton; Margaret Harty, Roisine Foley and Helen Foley.

Dungarvan Hockey Club were in action again on Sunday, May 17 when their annual 10K sponsored cycle took place. On a very sunny but breezy day the cyclists took off at high speed and arrived back at higher speed (wind assisted). Rumour has it that a few Olympic scouts stayed in town to watch this race which would explain why Gerry Foley kept well out in front during the cycle. But the word amongst the girls is that as he was they only man taking part, he was just plain scared. Thanks to all who took part and all sponsors.

Mixed Hockey Blitz on Sunday, June 21. All those interested in playing please contact Ann Bones at 42596.

MUNSTER COLLEGES SOLO CUP SEMI-FINAL

Lismore March On To Final

LISMORE C.B.S. 6-4

PALLASKENRY (LIMERICK) 2-7

Lismore C.B.S. qualified for a Munster Colleges U-15 final when they defeated Pallaskenry in Charliville last Wednesday.

Lismore C.B.S. faced the wind in the first half and from the throw-in it was obvious that they had a real fight on their hands. Pallaskenry started well and raced into a three point lead. At this stage the C.B.S. boys had one of their rare first half attacks but the full back saved on the line from Dan Shanahan. Pallaskenry cleared their lines and following a bad mix up in the Lismore defence they scored a soft goal.

This score rocked the Lismore lads but to their credit they fought to get back into the game with David Bennett playing a captain's role at centre field. Pallaskenry scored their second goal and two more points to leave the score at half time Lismore C.B.S. 0-0 Pallaskenry 2-5.

Half time was a welcome relief and a Limerick type second half was required. From the throw-in Bennett drove the ball into the Pallaskenry square where it was snapped by Shanahan and buried to the back of the net, the fight back had started. Five minutes later S. Curley sent a low ball across the front of the Pallaskenry goal where Mark Fraser on the second attempt goaled to put Lismore C.B.S. back in the match. T. Veale and D. Shanahan scored a point each but Pallaskenry replied with two of

their own.

D. Bennett and T. Veale were now dominating at midfield and Shanahan was getting the right kind of ball. Dan scored a further 4-1 to bring his personal tally for the match to 5-2. The second half of this game showed the true ability of this very young team but if they want to win the final, the full 60 minutes from the full 15 will be required.

The team and the school would like to wish their team mate W. Cunningham a speedy recovery from his injury and they will do their best to bring back the cup for the first time since 1986.

Lismore Scorers — D. Shanahan 5-2, M. Fraser 1-0, T. Veale and D. Bennett 0-1 each.

Lismore C.B.S. — B. Landers (Lismore), D. Hickey (Lismore), M. O'Connor (Lismore), A. Whelan (Lismore), W. Oakham (Lismore), G. Feeney (Ballyduff), J. McNamara (Lismore), D. Bennett (Lismore), T. Friary Are Munster Champions

ST. AUGUSTINE'S COLLEGE 1-6
CARRAIG NA BHFEAR 0-8

The under 16½ footballers from St. Augustine's College had a historic win in the final of the Munster Colleges 'B' football Corn na gColaisti competition when they beat a very good team from Carraig na bhFear, Cork, by a single point, to bring back the cup that the Friary last won in 1975.

The game was played in Fermoy on a beautiful pitch, but a very strong wind towards the town goalmouth made it a game of two halves, with the Cork lads dominating the entire second half. Within 3 minutes from the start, Carraig had put over 2 points and really tested the character of the Friary backs in the opening quarter, but sterling defending, especially by A. Hubbard at full back, C. Murphy at centre back and O. Power at left half back, together with a brilliant performance by B. Cliffe in goal, held the Cork lads to just seven points at the interval. More importantly the Friary forward line had scored 3 points against the run of play, 2 from excellently taken frees by J. Fitzgerald and a third from a great solo run by M. Sheehan.

In the second half the Friary fifteen were in complete control and drew level by the 40th minute with a great

goal by A. Landers and another pointed free from J. Fitzgerald. It was at this delicately balanced stage in the game that the midfield and forwards were unable to capitalise on having about 80% possession by kicking at least 10 scoring chances wide. Carraig na bhFear always looked dangerous on the few occasions when they broke up the field, and but for outstanding defending by C. Murphy at centre back and O. Murphy at left half back, the Cork lads would have scored more than one single point in the second half. D. Hayes at midfield was particularly impressive in the second half, covering for the now tiring A. Ahearne, who had worked tirelessly up to then, to mark a very talented Carraig midfield pair.

St. Augustine's only gained the lead in the last 5 minutes after A. Hubbard was moved from full back to centre forward and C. Murphy moved to midfield with E. Hally coming on as substitute at full forward. The winning point was scored by E. Murray after a quickly taken free by J. Fitzgerald.

Best players for the Friary were — A. Hubbard, C. Murphy, O. Power, A. Ahearne, D. Hayes, J. Fitzgerald, M. Sheehan and A. Landers.

St. Augustine's — B. Cliffe (Abbeyside), D. O'Mahoney (Abbeyside), A.

Hubbard (St. Mary's), M. J. Keating (Old Parish), A. Keating (Tipperary), C. Murphy (Dungarvan), O. Power (Naomh Brid), A.

Ahearne (St. Olivers), D. Hayes (Abbeyside), P. Shields (Abbeyside), E. Murray (0-1) (Abbeyside), J. Fitzgerald (0-4) (Naomh Brid), A. Landers (1-0) (Abbeyside), B. Maguire (Kilrossanty), M. Sheehan (0-1) (Abbeyside). Subs. — E. Hally for B. Maguire; M. Walsh, K. Hamm, N. Power, I. Flynn, J. Power, C. Fitzgerald.

Dungarvan Ladies Football Notes

On Saturday, May 9 the junior ladies played their first league match against Abbeyside at the new club grounds. This

was a great game of football with Dungarvan claiming victory in the end. We would like to thank Ml. Ryan for his handling of the game.

Sunday last in the second round of the league we played against Faha at their home venue. This was a good game and both sides were level at half time. In

the second half Dungarvan led by a point for the first few minutes but after that it was Faha who led and in the end deserved their 1-7 to 1-3 victory.

We would like to thank Ml. Power for refereeing the match.

We would like to thank our trainers and supporters and on Friday next we will be off to Rathgormack to take on the home side at 7.30. Victory here would mean the team staying in the league.

In the circumstances Villierstown could not get back into the game and had to give way to a better team on the day.

Scoil Garbhan — Micheal Mac Fibhis, Alan O Brian, Donal de Paor, Sean O Floinn, Alan O hAthairne, Eamonn O Muiriosa, Eoin O hAodh, Fir Ionaid — Pol O Foghlu, Antaine Mac Cnamhaigh, Andrias de Burca, Victor Tanuir.

Villierstown — Michael Carlton, James Mernin, Vincent Mernin, Paudie Landers (who had an excellent game), Vincent O'Brien, Sean Clancy, Diarmuid O'Mahoney.

A feature of the game was the number of kicked goals by the winners. In the wide spaces available in 7 a side it was a fruitful tactic. Personally I would like to see all scores struck off the hurley. The matter could be looked at by the School

Board next year and a change in this area introduced.

SCHOOLS MATCHES

Roinn A
Lismore 4-2
Dungarvan 4-0

A very good match here with Dungarvan leading by three goals at half time. Full back Bert Ahearn and Alan Harty played well for the locals while all the Lismore players excelled.

Abbeyside defeated Tallow so the League table is as follows:

	pld.	pts
Lismore	2	4
Dungarvan	3	4
Abbeyside	3	2
Tallow	2	0

IMPROVEMENTS

On a recent visit to the clubhouse we witnessed first hand the newly refurbished shower units which were installed last month and which really look magnificent.

Full marks to our hard-working committee for their forward planning which ensures all our members enjoy the most luxurious and comfortable conditions available.

In addition a new Fás scheme will begin shortly which will continue the excellent work contributed by this scheme over the years.

OLYMPIC SELECTION

Congratulations to Robert Power on his richly deserved honour of being selected for the Irish cycling team which travels to Barcelona for the 1992 Olympic Games. All in the club wish him the best in his quest to take more honours home to the 'Village.'

Well done also to Stephen Spratt on his magnificent win in last week's FBD Milk Ras.

C.B.S. CONNECTION

Recently the entire locality paid fitting tribute to the Christian Brothers on the contribution they have made to education in the town. Naturally the club has always appreciated the work done by the Brothers in the fostering of our games.

Their work can be seen in

hurlers who have captured All-Ireland and Railway Cup success or in any of our teams who have captured county titles. Only last week we saw this work continue with Ronan McCarthy and Seamo Burns part of the CBS team who won the INTO 7-A-Side competition.

LADIES FOOTBALL

Our junior footballers travelled to Rathgormack on Saturday night last to play Rathgormack in the second game of this championship. This was a very good sporting game with many displays of excellent football. A stronger Rathgormack side came out on top at the final whistle. The unavailability of the Fraher sisters had a telling effect on the overall strength of our team, but nevertheless our girls played their utmost until the final whistle. Many thanks to our referee for his handling of the game.

Our next game will be on this Wednesday night, May 20, against Faha at the Burgery, commencing at 7.30 p.m.

GIRLS U-14 FOOTBALL LEAGUE

The first games in this league will be played on this Wednesday night, May 20. First game is at 6.15 p.m. — Team 1 v. Team 2; second game at 6.45 p.m. — Team 3 v. Team 4. The next games in this league will be played on Friday, May 22.

Cappoquin Pork & Bacon Blackwater Cycling Club

On Sunday last, May 17, the club travelled to Fermoy for the Silver Pail Grand Prix. Racing took place in beautiful weather, a sharp contrast to the arctic conditions of the past few weeks. Nine of our riders took part in the three underage categories.

In the under 12 race, Thomas Hogan finished 4th with Brian Moore taking 6th place. In the under 14 race, Vincent Lombard carried our colours to victory, taking 1st place with Paul Moore finishing just outside the prizes.

Brian Geary, Shane Motherway, Ken Moore and Jason Flynn were our representatives in the under 16 race and all four rode well.

Congratulations to Stephen Spratt on his magnificent win in the FBD Ras and to Robert Power on being selected for the Olympic team for Barcelona.

The club requires some under 11 riders — anybody interested please phone 058-41624 for details.

Errors Prove Costly For Waterford

TIPPERARY 2-13 WATERFORD 0-13

Waterford's abysmal record at Clonmel was maintained on Sunday last when two well taken Peter Lambert goals sunk our hopes of winning a place in the semi-final against Clare next month. An agonising feature of the Nemo Ranger's two scores (one in each half), were that they resulted from defensive errors on our part.

For a long way we seemed to have the beating of Tipperary and their half time lead of 1-8 to 0-6 having played with the very strong breeze looked anything but safe for a county whose juniors held a bigger lead and were beaten one hour earlier. We did not make the best use of our second half chances when players punched quite a lot of fisted balls that should have been fielded. The wind certainly affected the game and on windswept pitches the best laid plans are always liable to fall asunder. This is as bad for one as for the other but it also means that without the wind at Clonmel on Sunday, it would have been a different game and conceivably we might have fared better as we always seem to suffer in windy situations.

There is no doubt but that Tipperary deserved their victory and afterwards Waterford wished them well in the semi-final. Team captain Brian Burke afterwards spoke of their relief that the game was over as they always feel uneasy about playing Waterford.

SCORING

Although faced by the strong breeze, Waterford were first to attack and

when Derry Kiely was fouled, Jim Maher made no mistake with the free to give us a second minute point lead. Two minutes later Franny Kelly equalised from a free and a minute later Peter Lambert had the first of his six scores when he pointed from in front of the posts. Franny Kelly added points in the 6th and 14th minutes. Pierrie Whyte was fouled going through and Jim Maher sent the free over for our second score in the 16th min. A misplaced pass ruined a nice Waterford movement and Tipperary went into attack from which Peter Lambert had the first of his two goals. Ger Walsh pointed for Waterford a minute later and then Mark Sheehan, Tipperary and Derry Kiely exchanged points to leave the score 1-6 to 0-3 after 30 minutes. Anthony Cross and Peter Lambert both pointed for Tipperary before Liam Dalton had our fifth point in the 34th minute and just on the call of half time Ger Walsh had our sixth. Waterford seemed to finish the better side in this half, although trailing by 1-8 to 0-6.

IN TROUBLE

Over-passing the ball had us in trouble early in the second half and it cost a first minute score. Tipperary went a further point ahead when Franny Kelly was on target with a free in the 2nd minute. In the 3rd and 5th mins. Derry Kiely and Lambert exchanged points. The next three scores brought Waterford well into contention when Jim Maher had two from frees and a great point from far out to leave just a goal between them (1-

10 to 0-10). After 16 minutes Derry Foley had a point about which the umpires disagreed and was allowed and Liam Dalton brought one back for us. Then came Peter Lambert's very opportunist goal when he dispossessed Dan Casey and shot past the helpless Tom Brennan in the 22nd minute. Joe Murray who had come on as a sub. for

Liam Daniels pointed, but a minute later Dan Quirke restored our opponents two goal lead when he pointed for Tipperary. Waterford were awarded a free and catching the defence off guard Maher sent a rocket goalwards that was amazingly saved by the Tipperary keeper, Philly Ryan. Maher and Quirke exchanged points to end the

scoring and leave it 2-13 to 0-13 at the finish.

Lambert was awarded the 'man of the match' trophy and his entitlement to the honour could not be disputed.

Our best player on the day was Jim Maher and Derry Kiely, Liam Dalton, Derek Lyons, Tom and Ger Walsh, Kevin Mulcahy and Ger Power also very prominent.

Scorers: Tipperary — P. Lambert 2-4, F. Kelly 0-4, D. Quirke 0-2, D. Foley, M. Sheehan and A. Cross 0-1 each. Waterford — J. Maher 0-6, G. Walsh, D. Kiely and L. Dalton 0-2 each, J. Murray 0-1.

MUNSTER JUNIOR FOOTBALL CHAMPIONSHIP

Junior Footballers Pip Tipp

WATERFORD 0-11 TIPPERARY 1-7

The splendid accuracy of Stradbally's Liam O'Brien who shot over a total on nine of our eleven scores, was a factor in shaping this well earned and fully deserved win in the entertaining junior game which was the curtain raiser at sunny Clonmel on Sunday. The victory puts Waterford into the Munster semi-final against Clare on June 28, at a venue to be announced.

It was a very spirited Waterford performance and with some improvements they can look confidently to gaining a place in the provincial final for the second year running.

They played against the breeze in the first half and

while Tipperary were in control for most of the half, they could not score, mainly due to the close marking of the Waterford defence. From the 7th up to the 20th minute, Tipperary had a total of ten wides. Waterford did very well to hold them to six points by half time when the score was 1-5 to 0-2. In the 27th minute Waterford conceded a penalty which was converted by Tipperary's top scorer M. J. Browne. The same player was on target within a minute of the restart when pointing a free to extend his side's lead to seven points.

From the kick-out Waterford got more into the game and the next four scores came from the boot of Liam

O'Brien who sent over three frees and one from play. Willie O'Meara had a Tipperary point in the 13th minute of this half and this proved to be their final score of the game. Waterford had points by Nioclás Mac Craith, Pat Curran and a couple by Liam O'Brien to bring their tally up to 0-11 against 1-7 for the host county.

NOTE

In the junior championships, counties like Waterford and Tipperary etc., are allowed to play their second best teams. Earlier this season there was an amount of pressure being put on to change this and have junior teams selected from junior club teams. The argument against was that such a change would give the weaker counties no chance against the stronger ones, who are not allowed to play their second best.

On Sunday we finished up with no junior player on the team. Kieran Whelan from Bonmahon who was the only junior on the first fifteen was substituted during the game. This is a comment and not a criticism.

Scorers — Waterford — L. O'Brien 0-9, P. Curran and N. Mac Craith 0-1 each; Tipperary — M. J. Browne 1-3, W. O'Meara 0-3, A. Wall 0-1.

Waterford — K. Heffernan, E. Rockett, D. McMahon, D. Kirwan, O. Phelan, B. Curry, E. Burke, G. Walsh, M. Kavanagh, P. Curran, T. Gough, K. Whelan, L. O'Brien, N. Mac

Craith, M. Shalloe. Subs — J. McGrath for M. Shalloe, M. Sheehan for K. Whelan.

Tipperary — F. Lonergan, M. Fitzgerald, R. Forrester, L. Cronin, W. Morrissey, M. Ryan, J. McGrath, A. Wall, S. Delahunty, E. Hall, S. Ryan, M. J. Brown, W. O'Meara, D. Foley, N. Leahy. Subs — J. O'Donnell for E. Hall, D. McGrath for S. Delaney.

Referee: W. O'Mahony (Limerick).

PRESENTATION OF GAME

This programme was very well presented by the Clonmel Club and full credit to them for the condition of the ground, the attendance of Banna Cluain Meala who played some nice music selections and for the majorettes who also entertained. No marks though for the match programme which contained nothing but the names and line-out of the four teams and was over priced at 50p. The quality of the paper was excellent but it was no more useful than the kind of "hand-out" which is distributed free at third rate national league matches. For a double fixture in the Munster championship it was a disappointment.

Mistakes of all kinds appear regularly even in programmes for the top matches and we are not complaining because we have made our share of errors from time to time, but a misprint which caught the eye and brought a grin to the faces of a few people was the listing of substitute Pat Dunford on the junior team who was named as being attached to "Colligan/Comets." The attendance was 3,000.

PERFECT SETTING

Bushy Park looked a picture, basking in warm sunshine, summer had arrived and for those of us on 'the bank' so too had the midges. Still, it was a perfect setting for our junior footballers to open their championship campaign against the Brickies on Wednesday evening last. A first half scoring spree during which the ability of the attack amassed a total of 4-8, earned the championship points in a fast flowing game.

The Brickies to their credit battled to the end, but on the night they found a tight defence and a solid

midfield impossible to break down. Final score 4-15 to 0-4. And the midges — they left their mark.

SPECIAL PRESENTATION

At a special function in the Social Centre on Saturday night in the presence of an excellent turn out, Chairman, Joe Curran made a presentation of a suitably inscribed watch and a gift cheque to Richard Hickey on the occasion of his stepping down from his Social Centre duties.

In a short address, Joe paid tribute to Richard for his dedication to the Centre over the years. In reply

Richard thanked the members for their presentation and the help he had received from the various committees down through the years, and the ladies for the night's catering. Now that the responsibility of the Centre is off his shoulders, Richard will be able to concentrate fully on the role of club secretary, a demanding position in a senior club.

T.V. SPOTLIGHT

Even in defeat it was nice to see the T.V. spotlight on Waterford's senior footballers on Sunday evening for the Munster championship meeting with Tipperary. Fintan O'Brien was

our only player on the team, playing well with good delivery of the ball to his forwards.

STRONG COMMITMENT

The Waterford junior football team which defeated Tipperary in Clonmel on Sunday last had a strong Stradbally commitment with 6 of our current senior panel lining out. Eoin Phelan, Tomas Gough, Pat Curran, Kieran Heffernan performed well, with David Kirwan's solid defending and Liam O'Brien's outstanding tally of 9 points making a major contribution to the county's success.

Waterford Play Clare In Senior And Junior Hurling At Thurles

As the day of decision approaches, there is more hope than confidence that our senior and junior hurlers will emulate the feat of the minors in beating Clare in the first round of the provincial championship at Thurles on Sunday next.

We have always found it difficult to beat Clare in the championship and our victory against them in 1989 was our first in twenty years even though we did not meet them all that often, we did have quite a notable losing sequence against them. Our meetings in the league have produced more favourable results and the records show that all the times that we had beaten them in the league, they followed with a championship win (except in '89).

Waterford came with a late flurry to snatch victory when we clashed in the league at Ennis, but with Clare corner-back John Russell having scored an own goal against Clare, there was a big element of luck about the result at Cusack Park on that very windy March afternoon. However the result in the league meeting is unimportant and championships are different competitions and are treated differently by players. Many of our supporters will recall occasions when we beat Clare in the league, as we often did, only to see them come back and beat us in the championship.

This is the championship and in the end it is what really matters. Both counties have been gearing themselves for this clash ever since the Munster draws were made six months ago, and the league, while being treated very seriously, was being availed of as a searching process for talent and training for the championship.

In recent weeks there have

been rumours that full commitment was not being given at training and that there was always less than the full panel present for the twice weekly sessions. The understrength team which was fielded against Offaly was another matter which gave rise for concern. It must be stated that for the game with Offaly a number of players were on the injured list and a number were being claimed by their clubs for championship games over the same weekend. Of course this rumour might be greatly exaggerated, as rumours usually are.

I was disappointed to find that the team for Sunday was not selected when I contacted the County PRO on Monday. Injuries to Noel Crowley, Kieran Delahunty, Billy O'Sullivan, Pat Tobin and Liam O'Connor, have delayed the naming of the side until after a medical fitness test on Monday night. Hopefully the all-clear will be given to all the named players and that the selectors will have a full panel to select from.

In 1989 when we beat Clare for the first time in championship for over 15 years, our team included nine players who will not be included on Sunday's line-out, but it is possible that it will show not more than three or four changes from the team which lost narrowly to Cork in the semi-final last year at Thurles.

Ray Sheridan has now been consolidated as number one choice as goalkeeper and performed well throughout the league. Sean Cullinane, Damien Byrne and Jimmy Beresford will be our full line of defence, unless a surprise is in store.

Jimmy Beresford missed the game against Cork last year when he failed a late fitness test. Dathai Foran, Stephen Frampton and

Brian Greene were our half back line against Clare in the league three months ago and performed well enough to expect that they might be retained, but with Seamus Prendergast playing great hurling for his club — the champions — and Ger Fitzpatrick also in good form, the selectors will have options.

Noelie Crowley and Barney Prendergast are the likely centre-field pairing and if caught in top form we could have the pull here where O'Connell and Minogue will be Clare's partnership.

Kieran Delahunty, Billy O'Sullivan, Liam O'Connor, Paul Prendergast, Shane Ahearne, John Meaney, Pdraigh Fanning and Brendan Crowley are all contenders for the six forward places. Johnnie Brenner is believed to be out because of examinations.

Clare will have Cyril Lyons, Gerard O'Loughlin, Anthony Daly, John Chopin, Michael Daffy, John O'Connell, etc., all of whom have been prominent on their team throughout the league.

It is really difficult to figure out what the result will be at Thurles on Sunday. Both counties have adopted a very low-key approach to the game. Clare, who had a good winning record over Waterford, will remember their 1989 lapse when we inflicted a fifteen points beating on them to break the sequence.

Both counties have it all to play for and each treat the other with such respect that a semi-final meeting with Limerick will be furthest from their minds until after this game is decided.

If we get it all together on the day, we could just about win, but like most other people, I feel sure that there will be little between the teams at the end. Hopefully it will not end in a draw as a refixture would completely upset our home championship programme of club games over the coming weeks.

JUNIOR GAME V. CLARE

The side that will represent us in the curtain raiser was not due to be selected until after a challenge game against Cork at Fraher Field on Monday night. According to information, the commitment at training all along has been disappointing, so much so, that changes had to be made on the panel on a few occasions. Our record in junior hurling is as dismal as could be but we did fairly well against Cork last year when running them to six points

after we had led by 0-8 to 0-4 at half way, having played with the breeze in the first half.

Not having a panel to work on makes it difficult to write a preview, but if our side includes our best available players like Ray Whitty (goal), Owen Dunphy, Fergal Hartley, Nial Warren, Anthony Qualter, Noel Dalton, Noel Kelly, David Barry, Martin Kelly and Eddie Burke — all of last year's team, with Albert Burke, Pat Dunford and company, we could be in with a chance of winning our first game in the grade since this championship was revived.

WATERFORD V. CLARE IN JUNIOR

We have an abysmal record in junior hurling since this championship was revived in 1983. When writing on the subject last year before we played Kerry I pointed out that Waterford had never won a junior game in the province since the championship was revived. Into the bargain we were beaten by all the other counties in Munster over the period, except Kerry. Last year we broke the ice by beating Kerry (3-22 to 0-5) but we were subsequently badly beaten by Cork in the semi-final.

We played Clare twice with the following results: 1988: Clare 2-12, Waterford 1-8; 1989: Clare 3-22, Waterford 1-8.

Betting Forecasts

The people in the gambling business who invariably base their forecasts on shrewd advice from their advisers, certainly don't think much of Waterford's chances of winning the provincial title this year, if the odds laid against us on Saturday last reflect their opinion of our chances.

One of the top bookmakers in the country have published the following odds for the Munster hurling title — Tipperary 5/6, Cork 9-4, Limerick 7/2, Clare 14/1 and Waterford 25/1.

To win the All-Ireland a different national bookmaker has Claire at odds of 100/1 and Waterford at odds of 200/1.

The Eastwood group in Belfast have both Waterford and Clare on offer at 66/1, which we think is far nearer the mark. Maybe Sunday's results will change these forecasts.

WATERFORD v. CLARE RECORD

When we last met Clare (1989) at Thurles we inflicted a bad beating on the Bannermen, but up to this our record against them had been very disappointing. That was the only occasion on which we had beaten them in championship meetings over the past fifteen years.

- 1976 at Thurles — Clare 3-15, Waterford 3-12.
- 1980 at Thurles — Clare 3-13, Waterford 2-11.
- 1981 at Thurles — Clare 3-14, Waterford 2-14 (controversial goal game).
- 1984 at Thurles — Clare 0-15, Waterford 2-8.
- 1988 at Thurles — Clare 3-12, Waterford 3-10.
- 1989 at Thurles — Waterford 5-13, Clare 1-10.

After the '89 game we played a draw with Cork in Thurles (0-18 each) and beat them in the replay at the same venue by 5-16 to 4-17 before losing to Tipperary in the controversial Munster final at Cork in July.

Minor Hurling Challenge

WATERFORD 3-19; OFFALY 3-7

Normally little interest is shown in challenge matches played by Waterford minor teams, but there was a difference here at Fraher Field on Friday evening last when a big crowd turned up to see them play Offaly in an entertaining challenge.

Offaly will play Laois in the Leinster championship on Sunday next and were almost at full strength, while Waterford were without a few of the regulars and availed of the chance to see a number of their substitutes perform. Some did very well. Paul Flynn, who was

our top scorer in the championship so far contributed a total of 1-10 of our score.

Waterford plan to play two further challenge games before July 5th, the date on which they play Tipperary in the Munster final.

Referee — Eddie Cunningham (selector).

G.A.A. NOTES

BY "COMMENTATOR"

COUNTY BOARD MEETING

At the outset of last Monday's meeting of the County Board, Chairman, Eamon O Murchu expressed his very sincere thanks to all the members who had visited him in hospital or called his home enquiring about his health while a patient in Ardkeen. He said the concern of so many people had helped to speed his recovery and this goodwill was greatly appreciated.

REFEREES REPORTS

Five players who had been reported for 'sending off' offences were each suspended for two weeks. A sixth player who had also been reported was not dealt with because of some confusion relating to the referee's report. The player concerned was from Dunhill and club delegate Con Murphy told the meeting that a copy of the report had been given to the club by the county secretary and this stated that the member had been reported for abuse. The report which was now before the meeting stated the player was reported for abuse and jabbing the referee with the end of his hurley. He asked how there could be two different reports of an incident in the same match and said that his club were very angry at this kind of treatment. The chairman stated that he had been advised by the county secretary that one aspect of the referee's report needed clarification and because of this, the report was returned to the referee. The clarified report was the one being dealt with and it was proposed to refer this to the disciplinary committee, but here Joe Byrne, chairman of the committee said that this committee could not meet for a month and this would further delay the submission of recommendations. Following a very long discussion it was decided that following discussion with the county secretary when he returns from

holidays, the officers would determine which report was correct and then it would be dealt with, or sent to the disciplinary committee.

POSTPONED FIXTURE

The postponement of a senior hurling fixture involving Roanmore and Dunhill which had been scheduled for the week-end of May 10 was the subject of a very strongly worded letter from the Roanmore club and aroused heated discussion. Michael Murphy, Roanmore delegate submitted that even though several players were required for the Waterford v. Offaly S.H. game at Lismore on Sunday afternoon, the championship match could and should have been fitted in. Dunhill had notified the Board that they were unable to field on Friday or Saturday and, explained the chairman, the county secretary had endeavoured to play the game at 12 noon on Sunday. The concern of the county hurling coach about having a team to field against Offaly was a factor in deciding to postpone the game eventually.

HURLING TRAINING

Concern was expressed by delegates at the disappointing attendance at some recent training sessions involving junior and senior panels. A discussion on the game against Offaly on Sunday gave rise to this long discussion and it was submitted that some players were giving less than 100% in training. As an example it was pointed out that of the 15 players in Lismore on the previous day, a number were not regular members of the panel, which meant that less than half the full squad were available. Only one substitute, Michael Leamy who is the regular goalkeeper was present and he was played at corner forward on the team against Offaly, when an in-

jury occurred after ten minutes. Joe Byrne, Erin's Own stated that he was present at Walsh Park at a recent training session and 15 were present. The report from the junior hurling panel gave rise for greater concern when the disappointing turn out for practice games, etc. was spelled out. All concerned expressed the hope that this situation would not reflect itself in the results against Clare on Sunday week.

Good wishes were extended to the footballers and hurlers in senior and junior for their forthcoming championship engagements.

The county minor hurlers and their mentors were congratulated on their wonderful progress in the Munster championship and the chairman said the county looked forward to them bringing further honour to the Deise in the final on July 5. Eddie Cunningham responded on behalf of the selectors.

The minor football report told of their defeat by Clare at Tipperary. It was stated that they have qualified for the final of the South Leinster League.

FUND RAISING COMMITTEE

The County Board Chairman announced the names of the members who had accepted his invitation to become members of a new fund raising committee. The following are those named and a response from two others is awaited:

Thomas Hennessey, Kill, Pat Nugent, Brickeys, Greg Fives, Abbeyside/Ballinacourty, Seamus Hannon, Ballyduff, James Walsh, County Treasurer, Declan O'Meara, Dunhill, Ann Murray, Butlerstown, Seamus Casey, Kilmacthomas, Noel McDonnagh, Gaultier.

The committee is expected to meet shortly to have their terms of reference, etc. outlined to them, but their prime objective will be to raise badly needed finance for grounds development at Dungarvan and Walsh Park.

COISDE PEIL

The appointment of a Coisde na Peil was deferred until later in the year. This was decided on after Nioclás Mac Craith proposed that a three-man committee be set up to examine the football situation and submit proposals to the Board on how football in the county can be improved. He felt that Coisde na Peil should have a programme to work to.

OTHERS MATTERS

The meeting were informed by Greg Fives, Munster Council that the postponed appeal by Dun-

garvan Club against the imposition of the £500 fine would be heard by the Council on Wednesday, May 27. Tom Cunningham, Stradbally stated that his club would also be appealing the fine and were awaiting official notice of its imposition.

A committee acting as a fund raising group for the Artane Boys Band wrote to the Board, seeking support for a Golf Classic to be run during the summer. Through this and other G.A.A. activities, they hoped to raise £100,000 which was their allotted target. Each club has been asked to get ten members at £10 each.

Note — earlier this month — the G.A.A. Headquarters handed over a cheque for £100,000 to the band committee. This was subscribed through increased prices for tickets last year.

SIDELINE PROBLEM AT FRAHER FIELD

The matter of overcrowding of the sideline at Fraher Field was again referred to when Nioclás Mac Craith was reporting on progress. He said that the new entrance at Curran's Boreen end was now in operation, but his committee felt that far too many people were being admitted through this avenue with a resultant loss of revenue to the Board. On Sunday last, he said, there were more on the sideline than there were on the embankment.

County Treasurer, James Walsh, stated that the crowd on the sideline was big on this occasion because two matches were being played and the skills and poc fada competitions were also taking place in the field on that afternoon.

The matter of having a turnstile fitted at the entrance was being considered.

THE HALL-DOOR?

It was suggested to me that this would be a suitable name for the new entrance to the Fraher Field. Because of its position in relation to the lay-out, it sounds appropriate and it would distinguish it from the other entrances.

REFEREES

The serious shortage of referees was discussed and the chairman said that unless the situation improved, the activities could grind to a halt. It was pointed out by John Jackson that over the past weekend we had played a total of 32 official games and to handle these some referees had been called upon several times. James Tobin said that criticism of referees was not helping the cause.

SPONSORSHIP

Waterford hurlers and footballers have been sponsored for the first time this year and details of the hurling sponsorship were announced at the Board meeting last week. Waterford Foods plc have sponsored the hurling teams in all grades and the logo of the firm will be displayed on the county jersey when the teams line out against Clare at Thurles on Sunday.

The amount of the sponsorship was not disclosed, but it is understood to be the biggest sponsorship so far received. The County Board expressed their appreciation of the firm's interest and thanked them for their financial input.

Sponsorship for the footballers was also received during the week and on Sunday last at Clonmel, both senior and junior teams wore the Bridge Hotel logo on their jerseys and this, too, is greatly appreciated by the county.

In addition to the jerseys, knicks and socks were also sponsored by the firms named above.

Western Board Meeting

A full open Board meeting will take place at Dungarvan on this Thursday evening at 8 p.m. The full agenda will include discussion on such matters as the accident scheme — as outlined to delegates at the previous meeting when representatives of a Personal Accident Scheme group spoke at length on the benefits, etc. Clubs have been asked to examine the proposals outlined in the brochure which was distributed at the meeting and give their views here. Referees' reports were

dealt with and the matter of the recruitment of new referees for the Board will be discussed.

At the February meeting, chairman of the referees body in the county, Pat Moore, gave details of a referees' course which was organised for March 7th. This was a big disappointment and only about three new referees attended.

SPONSORSHIP

This matter was discussed at the last meeting when certain proposals were put to delegates. A progress report will be given here.

genuine concern and one that cannot be ignored," the Chairman said. Cllr. O'Riordan added that a minority are seriously abusing the privilege of using the harbour.

Cllr. Kyne said some orderly control within the harbour will have to be encouraged and if necessary enforced.

Cllr. Paddy Power agreed and disclosed to his colleagues that he had seen expensive fishing rods damaged by the speeding

boats.

"There is plenty of room for the speedboats in the outer harbour, but they cannot be allowed to present the threat they now present within the inner harbour," he added.

Mr. Ray Moloney, Acting Town Clerk, said they will have the existing harbour by-laws examined to see if they can be updated in a way that will resolve the present problem, and he will report back to the next Council meeting.

Hatchet And Knife Used In Pub Assault

Dungarvan District Court heard now a husband and wife armed themselves with a hatchet and a knife and took a taxi to a pub five miles outside Dungarvan to "warn" a man.

Patrick O'Leary and his wife Catherine O'Leary, 91 Childers Estate, Dungarvan, were charged with assaulting Patrick Murray, Ballymarket, Dungarvan, at Killineen, Dungarvan on January 21.

Both were also charged with having in their possession an offensive weapon.

Patrick Murray in turn was charged with assaulting the O'Leary's on the same occasion.

During a lengthy hearing Mrs. O'Leary admitted jabbing Murray in the side with the knife which she brought with her concealed in her pocket. Her husband however said he did not intend using the hatchet and only brought it with him to "warn" Murray.

He told the court that earlier that day he had been assaulted in a public house at Killineen by Murray who kicked him in the ribs after knocking him to the ground. He returned later to the pub with the hatchet because he was annoyed, but he was again attacked by Murray who bit him on the forehead.

Mrs. O'Leary said when her husband returned home he was covered in blood, his eye was closed, and there were cuts all over his face. They decided to go back to the pub to warn Murray and she took a knife with her but her husband did not know that.

Witness said that in the

Convicted For Illegal Salmon Fishing In Colligan River

Three local men found illegally salmon fishing on the Colligan river on February 7 were each convicted on a number of charges brought against them by the Southern Regional Fisheries Board at Dungarvan District Court.

Richard Whelan, who it was stated, had four previous fishery convictions, James Costigan and Edward Costigan, all of Cathal Brugha Place, pleaded guilty to the charges.

The court was told the men used two lamps and two monofilament nets during the fishing operation.

Whelan was fined a total of £250, was directed to pay £100 costs, and was suspended from holding a salmon licence.

The Costigans, who had no previous convictions, had fines and costs totalling £125 each imposed on them.

pub she was struck on the head with a telephone receiver by Murray whom she jabbed in the side once with the knife.

Patrick Murray however said that when he went to the pub around 5.30 in the evening Patrick O'Leary and another man were there. O'Leary subsequently caught him by the throat and knocked him to the ground and was ejected by the barman.

Witness said when he later left the pub O'Leary was waiting for him and struck him. He retaliated and struck him two blows and he fell to the ground.

Murray said later that night O'Leary returned to the pub and came at him, striking him a blow of some instrument. Again he was put out and shortly afterwards O'Leary's wife came and began insulting and harassing him.

"She jabbed me with something sharp in the ribs and I struck her with the handle of the telephone as I was making a call at the time," Murray said.

Walter Power, a barman employed at the pub, said he saw the O'Leary's make for Murray with a hatchet and a knife in different incidents. The weapons were taken from them.

Judge O'Connell said he believed Murray acted in self defence on both instances and dismissed the assault charges against him.

He convicted both O'Leary's of assault and fined Patrick £25 and his wife £20. Patrick was also fined £25 on a charge of having an offensive weapon in his possession (a hatchet), but a similar charge against Mrs. O'Leary was dismissed because the charge made reference to a hatchet instead of a knife.

Inspector Michael Blake prosecuted.

Bord Fáilte's Chief Opens Lismore's Heritage Centre

CONTINUED FROM PAGE 1

Friday night at the official opening of Lismore's magnificent new Heritage Centre — an interpretive centre housed in the town's historic old courthouse — in conjunction with Lismore's designation by the National Tourism organisation as a Heritage Town.

Mr. Dully spoke of "the wealth of heritage" in Lismore; the town's magnificent preservation and conservation; the many God given endowments, and the numerous man-made assets of which everyone could be proud.

"On my visit to Lismore I can easily understand why it has been designated Ireland's finest Heritage Town," Mr. Dully added.

The Chairman of Lismore Heritage Company, Waterford County Manager Mr. Dan Hurley, described Lismore as "the forgotten gem of Irish tourism," a gem that is now being polished for public display.

Mr. Hurley said few towns in Ireland can boast of such a rich heritage, a heritage largely intact and unspoiled. He hoped that the 175,000 tourists who drive through Lismore will now stop and spend some time in the town, visit the interpretive centre, and boost the economic life of the entire West Waterford region.

He disclosed that to date in excess of £500,000 has been spent on the development of Lismore as a Heritage Town by Waterford County Council, the Euro-

pean Regional Development Fund, and private investors with the advice and support of Bord Fáilte and South East Tourism. Thirteen new jobs have been created to date with additional jobs during the construction of the interpretive centre.

Mr. William McDonnell, Chairman of Waterford County Council, also spoke and Mr. Paul Clerkin acted as M.C.

ECUMENICAL BLESSING

Before the official opening, the Heritage Centre was ecumenically blessed by Very Rev. Thomas Nugent, P.P., Lismore and Rev. Dean H. W. T. Hewitt, Church of Ireland, Stradbally.

The new Centre contains the "Lismore Experience" — a multi media presentation which tells the story of the town since St. Carthage's arrival in 636. There is narration by Niall Toibín.

There is also a historical display room which introduces the visitor to Lismore's Celtic origins and its flowering as a major seat of learning. In addition it incorporates an exhibition and video about the design and workmanship that goes into the making of Waterford Crystal's most famous range — the Lismore Suite, while a tourist information office is the final element in the Centre.

A family ticket is available which allows 2 adults and up to 4 children for £5.
