## Sighs Of Relief As Crystal Workers Back Survival Deal

There were sighs of relief in Waterford City and Dungarvan and indeed throughout the entire south-east when word came through on Saturday last that the Waterford Crystal workers had voted by an overwhelming majority to back the survival deal recommended by the Labour Court.

At mass meetings in Waterford city and Dungarvan it was decided each section would vote on the issues directly affecting them, before the overall plan is accepted. The ATGWU's Joint Negotiating Committee, who recommended overall acceptance, have also called

on each section to endorse the proposals.

It is understood that, although tough decisions have to be made by each section over pay cuts — in some instances up to 25% — the package will be accepted by all sections.

The employees agreed to a pay freeze until the end of 1994, a three-year industrial peace clause and a 12 month moratorium on the sourcing of further crystal abroad.

Management are delighted with the outcome, and Dr. Galvin described Saturday's vote as an historic day for the company.

### TO MEET MAJOR INVESTORS

It was announced at the week-end that Waterford Glass chiefs are to meet major investors Morgan Stanley to inform them that the troubled industry can at last be returned to profit following the workers' accep-

## Country In Winter's Icy Grip

A record low pressure area, not recorded since 1986, has, according to the Met. office, been responsible for the widespread snowfalls which have blanketed the entire country since Monday last. Snow, sleet, ice, gale force winds and in some cases electric storms, have made weather conditions the worst experienced so far this winter.

Roads everywhere have been in a treacherous condition due to black ice and the continuing freezing temperatures and fatal accidents up and down the country have claimed five lives. Drivers everywhere have been warned to travel with extreme care.

Members of the Met. Service forecast that the sub-zero conditions will continue for another couple of days.

## Ballinacourty Golf Course Purchased By Local Business Man

The picturesque seaside 9-hole golf course at Ballinacourty which has been the home and headquarters of Dungarvan Golf Club for more than 50 years has been purchased by Mr. John McGrath, popular Dungarvan businessman who is principal of Waterford Joinery Ltd. and who with his wife Ann is owner of Clonea Strand Hotel and Leisure Complex and Gold Coast Holidays Ltd., Ballinacourty.

The purchase price is stated to be £290,000 and the contract of sale for the 43.5 acre property which was signed last week with a deposit of 10 p.c. as down payment, provides for the Golf Club to vacate the property by next August.

However, the Dungarvan Golf Club expect to move to their new 18 hole, 6,716 yards par 72 Championship course in June, all going well. The new course, architecturally designed with seven lakes and man made hazards strategically placed to test all level of golfers is located at Knocknagranagh on the outskirts of the town. Set against the backdrop of the Comeragh Mountains it runs adjacent to Dungarvan Bay and has a magnificent Club House which overlooks the 18th green and where full bar and dining facilities will be available daily.

## Commemoration Of Edmund Ignatius Rice

Minister of State Brendan Kennally, T.D., has announced details of a recent Government decision to commemorate Edmund Ignatius Rice, founder of the Irish Christian Brothers.

1994 will mark the 150th Anniversary of the death of Edmund Ignatius Rice and the Government has given its approval for the issue by An Post of a Commemorative Stamp to mark the occasion.

"I am delighted to be able to make this announcement" Minister Kennally said: "Following an approach earlier this year from the President of Mount Sion's Past Pupils Union I immediately raised the matter with An Post. I am very pleased that it will be possible to acknowledge the contribution of this great man in this way and I am pleased to have been able to offer my assistance."

## KNOW YOUR RIGHTS

**Question** — A recent Know Your Rights column explained how to change your name by Deed Poll. This prompts me to ask if a single mother can change her children's name at the same time as she changes her own surname?

**Answer** — Yes. It is possible for a parent to change their children's surname at the same time as they are changing their own name. There is a special form for doing this for parent plus child.

Normally, the father's consent is required if the child is aged under 18 years. However, in the case of a single mother, the father's consent is not required unless he has been appointed guardian by the court.

We explained the procedure for making a Deed Poll in our previous Know Your Rights column. If you are calling in person to the Deed Poll Section in the Four Courts they will give you the necessary forms for your particular cir-

cumstances. However, if somebody else is collecting the forms for you, they should state that you wish to change your children's name as well as your own, the age of the children and whether the father has been appointed a guardian.

The various forms are: Adults over 18 years, Child under 14, Child between 14 and 18, Parent plus child under 14, Consent of Father (or mother if father executes deed), Affidavit or Declaration of Attesting Witness (to be signed by Commissioner for Oaths or Peace Commissioner).

[This column has been compiled by Dungarvan Community Information Centre which provides a free and confidential service to the citizen at the Court-house, Dungarvan. Opening hours: Monday and Wednesday, 7 p.m. to 9 p.m.; Friday and Saturday, 11 a.m. to 1 p.m.]

# Health Hazards Created By Travellers

Cllr. P. Kenneally referred to the occupation by a group of travelling people of an area of waste ground at Clonkerdon, Cappagh at the monthly meeting of Waterford Co. Council in Dungarvan last Monday.

Cllr. Kenneally who previously raised the matter at the Council's December meeting said that these travellers had occupied the ground which was adjacent to a built-up area right-up to Christmas week. They had created a health hazard and proved a general nuisance while they were in the area.

"They are gone now" said Cllr. Kenneally, "but I wonder what can be done to prevent a recurrence of such an occupation and what steps can be taken to see that these travellers don't take

over this area again."

The County Engineer, Mr. John O'Flynn said that he would look into the situa-

tion to see what could be done to prevent travellers from again occupying the place.

## Conflict Of Evidence At Tallow Court

There was a total conflict of evidence in a case at Tallow District Court last Friday arising out of a collision between a car and motor cycle on the Fermoy-Tallow road on the evening of June 6 last.

The motorcyclist, Edward Coyne, 160 North Main Street, Youghal, was convicted however of careless driving on the occasion.

Judge Michael Pattwell commented that it is always dangerous to overtake at a junction and that was what Coyne had attempted to do on this occasion.

He was fined £100 and endorsed.

## HEAVY FINES ON CORK DEFENDANTS AT TALLOW COURT

Two Cork city defendants with the same address were fined a total of £1,565 in their absence by Judge Michael Pattwell at Tallow District Court last Friday.

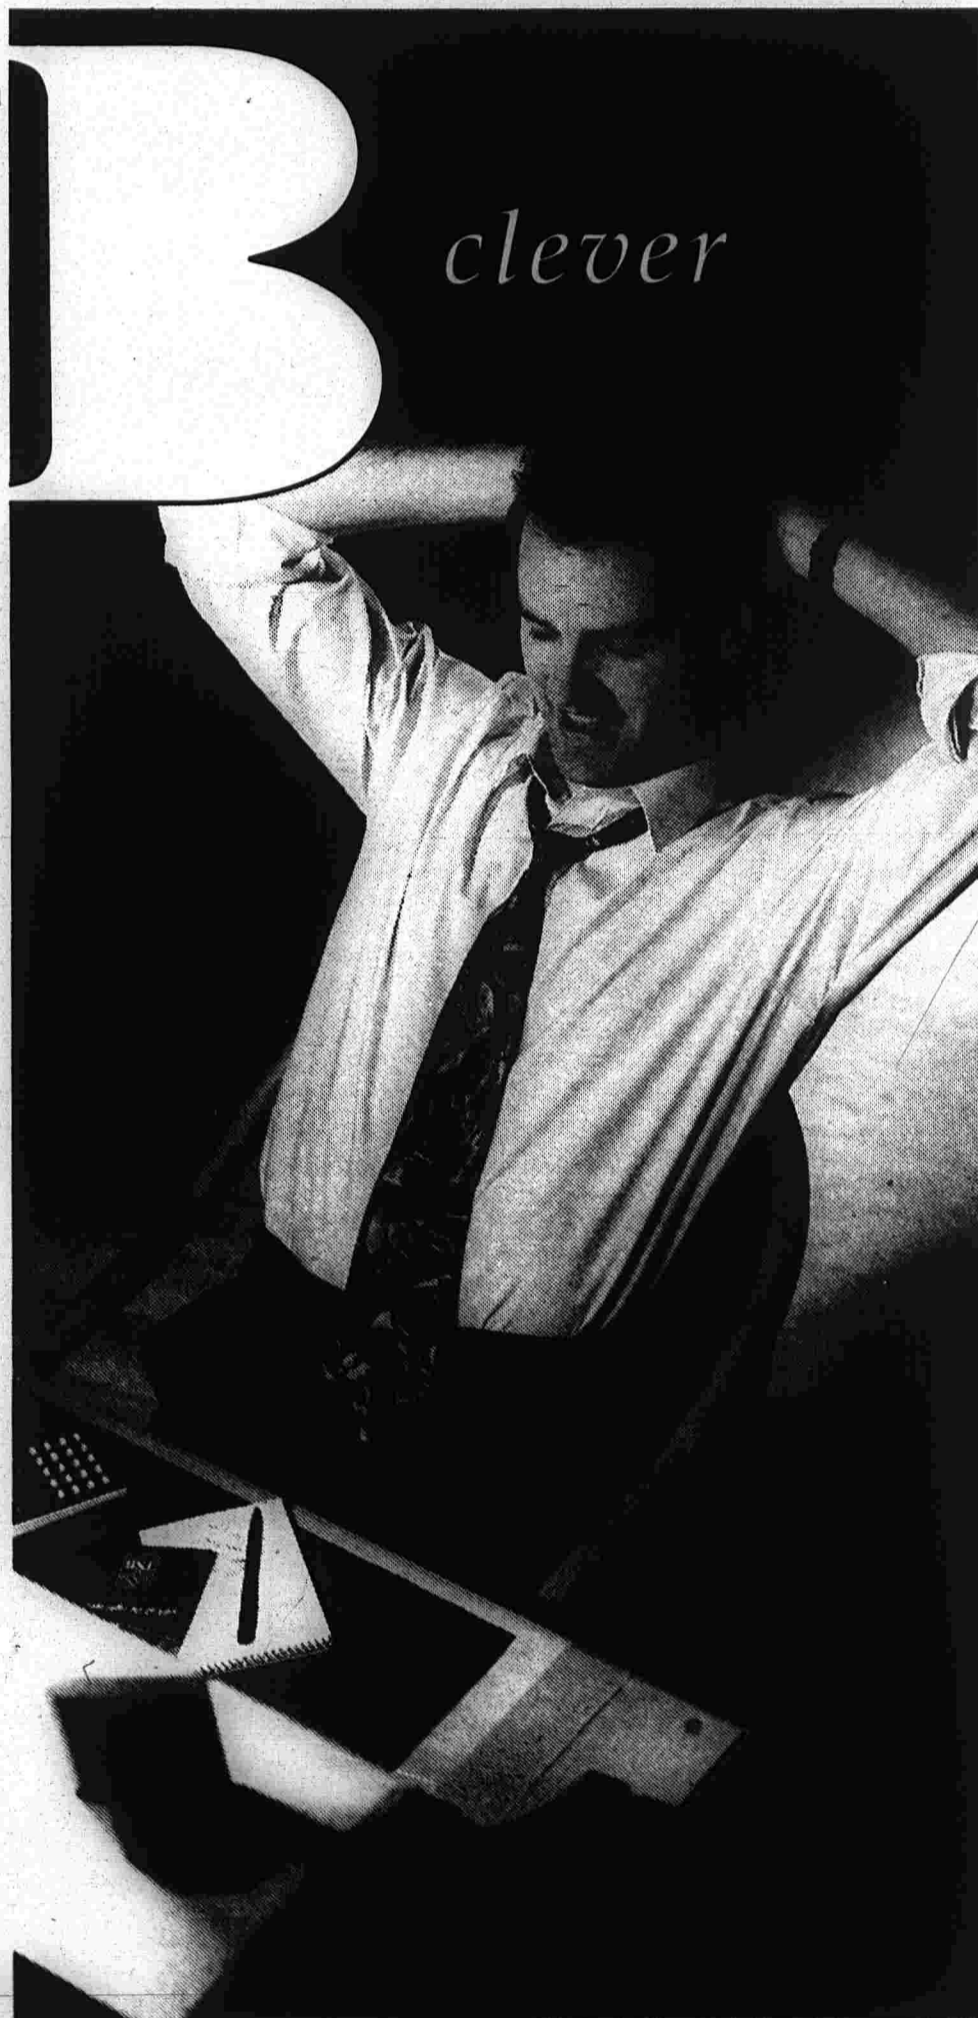

Eleanor O'Gorman and Derry Carey, both with an address at 60 Corrib Lawn, Mayfield, failed to appear on charges relating to the uninsured driving of a car on July 24 last.

Ms. O'Gorman, the car owner, was fined £500 with an endorsement for allowing it to be driven by an uninsured person (Carey) on the occasion. She was also fined £200 for not having the vehicle taxed and £100 for not having the tax displayed.

Carey was fined a total of £765 and was also disqualified from driving for one month.

For uninsured driving, he was fined £500 with an endorsement, while a fine of £150 was imposed for not having stop lamps. This conviction was also endorsed and Carey was banned from driving for one month.

Additional fines of £30 and £35 were imposed on Carey for not having a current driving licence and for not wearing a seat belt.

### A FUNNY STORY

Two cannibals were talking and one complained that he got an awful pain after eating an Irish Franciscan missionary.

'How did you cook him?' asked O'Oool, the chief.

'I boiled him,' was the reply.

'That's the explanation,' nodded O'Oool sagely. 'You should never boil Franciscans. They're Friars.'

### THE PUT DOWN

The mud-bespattered politicians of the trade, the party men and party managers, give us in place of patriotic statecraft the sordid traffic of a tolerated jobbery. For bread, a stone. Harsh is the cackle of the little turkey-cocks of Ottawa, fighting the while as they feather their mean nest of sticks and mud, high on their river bluff. (Stephen Leacock — 1869 to 1944).

### THE BURGERY AMBUSH

Last week we outlined how the car sped to Dungarvan for reinforcements. Meanwhile Captain Thomas, Sergeant Hickey and the two soldiers began firing into the darkness and while proceeding to the scene of the ambush, a number of Republican soldiers armed with rifles jumped over the fence and shouted "hands up." Captain Thomas ran over the fence as well as the others but they were followed by the attacking party and placed under arrest. Captain Thomas had a Colt .455 automatic pistol, while Sergeant Hickey was also fully armed. The Republican soldiers took them up the road and placed Captain Thomas in the house of Mr. Barr (Hughie Barr a Protestant — now Mary Mansfield's house) and the soldiers were imprisoned in the house of Mr. Kennedy. (This house stood at the side of the boren that exists next to the entrance of the Abbeyside/Ballinacourty G.A.A. Grounds). Sergeant Hickey was taken away by others up the boren to Knockateemore and was never afterwards seen alive. Captain Thomas was held a prisoner but suffered no further injury.

#### THE AMBUSHED PARTY

The soldiers made away over the fields. It is not known if there were casualties but afterwards it was stated that there were coffins seen at Waterford being brought to England. The ambushed lorry was set on fire and portion of it was burned. The reinforcements came out

from Dungarvan and in the confusion that prevailed Captain Thomas and the soldiers who were prisoners escaped. They then proceeded to where the lorry was disabled and remained there for some time. Soldiers were stationed at the Burgery. The Marines from Ballinacourty came along and they placed themselves at every vantage point. Some of them mounted the roof of Mr. Barr's house and poured volley after volley into the darkness. Many other houses in the locality bore bullet marks that were seen on the following day. In the early morning, as Mrs. Keating was milking her cow in an out-house visible from the road, the cow was shot dead with a rifle bullet. One bullet pierced Mr. Fives' (Pat Fives who was Michael Fives father and so Greg Fives grandfather) window but no one was hit.

#### POLICEMAN KILLED

As day broke the soldiers commandeered a horse belonging to Mrs. Morrissey to draw in the disabled lorry, to which they yoked the animal and accompanied by soldiers, the lorry was drawn up the hill on the road to Dungarvan. When they reached the gate of the field (in picture) which is a "short cut" to Lacken the auxiliary policeman (foreign policeman in the service of a nation at war) was shot dead. (More next week).

## Abbeyside Scout Notes

### TROOP MEETING

Last Saturday's meeting saw a lot of brain power being used to try to solve a number of puzzles as the theme of the meeting was "Batman versus The Joker."

After subs were collected and uniforms inspected a quick energy release game was played and following this each patrol was handed a large dossier on our theme. The S.L. explained what needed to be done in the next 25 minutes and then it was a case of all systems go! "Labhra" found the dingbats hard to solve, while Conal, David and Mickey

"do" found the colouring easiest. While the S.L. and S.P.L. Eamon corrected the final results the other S.P.L.'s ran a short game of "bulldog." At the end of the meeting Eamon handed out the prizes and named John Phelan's Panther Patrol as the winners.

The S.L. then explained that next Saturday's meeting will begin at half past six as we will be holding our indoor cooking competition and so it will be a mufti meeting. Looking ahead a few weeks, we hope to travel to Cork to spend a weekend in Ballincollig Scout Den early in February. — Scribe.

## PARISH REUNION IN LONDON

Rev. Fr. P. Ahearne led a local group who attended a function at Stonebridge Catholic Centre in London before Christmas. The joyful occasion was a gathering of people from the parish of Abbeyside, Ballinroad and Garranbane who had been forced to emigrate to England over the years. Emigrants attended from many different parts of London, Birmingham, Brighton and even New York.

It was the fourth occasion on which the reunion was held and as well as giving the emigrants a chance of meeting people from home who had travelled over for the week-end, it also provided them with the opportunity of meeting other London based emigrants with whom they had not been in contact with since they went to live there.

### ENJOYABLE WEEKEND

All those from the local area who made the trip over thoroughly enjoyed themselves and with an extra day

to themselves in London many locals were able to visit relations or friends who for some reason or other, were not able to come to the function. Many took in some sight seeing and of course a few enjoyable hours were spent shopping by those interested in same.

All in all a very worthwhile project and an important way of maintaining contact with our own who had to go abroad to earn a living.

### CONGRATULATIONS

To Tim and Mary Twohig of St. Augustine's Terrace, Abbeyside, who recently celebrated their 40th wedding anniversary. Mass was celebrated in their home to commemorate the event. Afterwards the happy couple were special guests of their family at a celebration party at the Park Hotel.

### BALLINROAD SOCCER NOTES

## Ballinroad And Seaview Share Spoils

### BALLINROAD 0 SEAVIEW 0

Played in heavy underfoot conditions, a draw was a fair result in this Div. 4B game played in Ballinroad on Saturday last. Seaview, with keeper Albert Kearns in brilliant form, soaked up the early pressure but their attack made no impression against a solid home defence.

Ballinroad's failure to take their chances proved costly on the day.

Ballinroad — Fitzgerald, Lynch, Keane, Crotty, Mullarkey, Fraher, McGovern, Foley, Duggan, Hayes, Power. Res. Mulcahy for Hayes (inj.)

The former Waterford star winger Johnny Matthews proved a very impartial referee. It is good to see former players putting something back into the game.

### UNDER 15'S BEATEN

Piltown 4, Ballinroad 2. An understrength Ballinroad side were unlucky to lose to league leaders Piltown at the Kilkenny venue on Saturday last. Ballinroad led 2-1 at the break but the physically stronger home side got through for the vital goals in the second half.

Ballinroad — Kyne, Moore, J. Thompson, Darren Lyons, Power, Flavin, Stacey, O'Connor, Keane, N. Thompson, Tobin. Res. Walsh and White. Our scorers were Flavin and Stacey.

### SEA VIEW DRAW

We had four winners in the above draw held in Bennett's Bridge on Saturday night last. Michael O'Mahoney, Ballinroad, won a video; Nora Foley, Ballinamuck,

won an electric cooker; James Veale, Ballinroad and Joe Kelly, Dungarvan, won £100 each.

### FIXTURES

Saturday, Jan. 16 — Div. 3B at home to KilmacThomas, 2.30 p.m.; Div. 4B away to Villa, Saturday, 2.30 p.m.

### SYMPATHY

Sympathy is extended to Div. 4 player, Pat Grant, on the death of his grandmother.

# Ferryhouse Pantomime '93 Comes To Dungarvan

The Ferryhouse Pantomime is back in town! This year's presentation, Robinson Crusoe will be playing the Friary Hall at 8 p.m. on Friday, January 22, with a gala matinee performance at 3 p.m. on Sunday, January 24.

There is no greater treat to give the children for the New Year than to bring them to Robinson Crusoe in the Friary Hall. At £2.50 per seat, it would be difficult to find better value in these difficult times. People in other towns have to go to Dublin or Cork for their pantomimes — Dungarvan has this tremendous show in their own Friary hall.

It becomes increasingly difficult for a pantomime group which has been as long established as Ferryhouse, to find new pantomimes — there is a limited supply of titles. For example, the Ferryhouse group have presented Cin-

derella three times during the past twenty odd years. Remarkably, this year's offering, Robinson Crusoe has never been done by the group before, so it is breaking new ground for the visit to Dungarvan.

Robinson Crusoe has everything: colourful costumes, exciting dance routines, sparkling humour, and the sophisticated special effects with which the experienced Ferryhouse production team continue to surprise and delight their audiences year after year. There are no fewer than twenty seven songs, ranging from "Achy, Breaky Heart" through a tribute to ABBA, to Rock Around the Clock. The songs are delivered with the drive and enthusiasm which has made the Ferryhouse Show justly famous.

The annual visit of the Ferryhouse pantomime, with about seven hundred

people attending the combined shows, has been a feature of the New Year in Dungarvan for nearly twenty years. The length that the show has been on the road, is itself a tribute to the quality of the entertainment offered. The reason that the Ferryhouse pantomime has survived is surely because they have consistently provided value for money over the years. This year is no exception.

As the songs says "A live show is the best show." If you want entertainment to come alive for your children this year, book yourself a ticket for the Friary Hall for the weekend of the 22nd/24th. Booking is, as always, at John Casey's Main Street (058/41738). Book early — it costs the same money, and you will have a better seat. (See advt. in this issue).

## FOUR-MILE-WATER TAKE STOCK

Mr. Maurice Morrissey, one of the founder members of the Fourmilewater Hurling Club and President of the club missed his first annual general meeting in sixty-six years. At that period he was hospitalised in Clonmel, but we are glad to report he is home and again feeling well. —(Photo: Tom Walsh).

Four-Mile-Water Hurling Club held their 66th annual general meeting at the dressing rooms at the Mill Field on Monday night, January 4. Prior to the meeting, Mass was celebrated at St. Laurence's Parish Church, Four-Mile-Water for the deceased members of the club by Rev. Fr. Con Kelleher, C.C., Four-Mile-Water.

The meeting began with Club Chairman, Billy Walsh welcoming the large attendance present. In his address he spoke of the successful year at underage level, the under 12's who took their first title in that grade, the under 14's who were beaten in the Western final.

The Buckley Cup was once again a big success, Liam Walsh's team taking the title and for the first time we had an under-10 league in which a team captained by Tom Doocey won the final. The under-16 team was a disappointment, but pride of place goes to our minor team, who took the Western and County title to the little village. Our senior team, after a great start against Tallow, made no impression in the championship.

Ian Walsh (captain, senior team), Ian Walsh, Vice-Captain Brian McCarthy.

Senior Selectors: Billy Walsh, Pat Hally, Pat Grant; U-21 Selector: Paudie Halpin; U-18 Selectors: Tom Moor, Pat Grant, Ger Walsh; Under Age (16, 14, 12), Mick Connolly, Ned Morgan, Jim Wall, Michael Fraher, Paudie Halpin, Billy Walsh and Martin Walsh.

### LADIES FOOTBALL

Ballymacarbry's season of glory was how the Chairman described it at the annual general meeting of the Ballymacarbry Ladies Football Club held recently in Ballymacarbry. Many players from the club were on the Waterford Ladies Senior team captained by local girl, Bernie Ryan that took home the All-Ireland title to the county.

The following officers were elected for 1993 — Chairman, Noel Murray; Vice-Chairman, Brigid Grant; Hon. Secretary, Aine Wall; Assistant Secretary and PRO, Bernie Ryan; Hon. Treasurer, Ann Dunford; Assistant Treasurer, Claire Ryan; Captain, Aine Wall; Vice-Captain, Cathriona Casey; Club Man and Committee member, Pat Grant.

It has an article on Politics, Land and Rural Conflict — County Waterford 1830-1845 by Maurice B. Kiely whose parents hail from Sliabh gCua. ### ANNUAL GENERAL MEETING

The annual general meeting of the Nire Football Club will take place this Wednesday evening, January 13, at the Community Hall in the Nire Valley at 8.30 p.m.

### UNITED FARMERS ASSOCIATION

Speaking at a recent meeting of the United Farmers Association, Mr. Paddy Phelan, Toureigh, Ballymacarbry, President, said the UFA called on any new Irish government to use structural funds that may become available to assist small farmers to survive and continue to live on their holdings. It made no sense, he said, looking for new enterprises that would have to start from the ground up and needed in many cases one hundred per cent investment while small family farms that had been there for generations were allowed to disappear for want of minimal investment. Every family farm was a potentially viable unit and should be treated as such.

Continuing, he said: "Our own politicians, who are elected by the power of our Constitution, have ignored that part of Buntrecht na hEireann, article 45.2.5, which states: That the State shall in particular, direct its policy towards securing that there may be established on the land in economic security as many families as in the circumstances may be practicable and article 45.2.3 which states that, especially, the operation of free competition shall not be allowed so to develop as to result in the concentration of the ownership or control of essential commodities in a few individuals to the common detriment."

### GAA CONVENTION

At Leamybrien on tomorrow night (Thursday) where the Western Convention takes place, local interest will be on the Vice-Chairman's position where Billy Walsh from the Fourmilewater Club will seek election. He has been Chairman of the Fourmilewater Club for the past three years. On the playing field he won many honours — Under-16 football (County and West), minor hurling (County and West), Intermediate Hurling (County and West), minor football (West). He is a Community Coach in Co. Tipperary where he is a firm favourite with teachers and pupils.

## GOLDEN WEDDING ANNIVERSARY

We extend our heartiest congratulations on the occasion of their golden wedding anniversary to Patrick and Mary Ann White, Clashganny, Newcastle, who were joined in matrimony at St. Laurence's Church, Fourmilewater on the Feast of the Epiphany in 1943 by the then parish priest, Rev. Canon Peter Meskill, P.P. assisted by Rev. Fr. John Power, C.C.

The celebrations began with the celebration of holy Mass at their home by their cousin Monsignor William Haughney who came from New Jersey for the happy occasion. For the occasion they were joined by their four daughters, their sons-in-law, grandchildren and close members of both families.

We wish them many more years in their happy marriage.

## RECENT DEATHS

### LATE MRS. MARGARET MARY SMITH

It is with sadness we pen the unexpected death of Mrs. Margaret Mary Smith (Nee Ryan), Inislaunaght, Marlfield, Clonmel and late of Flemingstown, Clogheen, which sad event took place at her residence on Saturday, January 2. Deceased lady was a member of an old and respected South Tipperary family, well known in the agricultural community and sporting life of the area. She was a lady who was held in high esteem by all who had the pleasure of her acquaintance. A kind, thoughtful, courteous and unassuming neighbour, many now grieve for the void her demise leaves.

Her passing is all the more poignant as her son-in-law Mr. Thomas Tobin, Renadaumpaun, Ballymacarbry, died in a tragic car accident in England some seven months ago.

That she will be sadly missed was evidenced at the removal of her remains on Monday evening from O'Donoghue's Funeral Home, Clonmel, to St. Mary's Parish Church, Irishtown, when all walks of life were represented in the vast concourse of mourners indicating the esteem and high regard in which the deceased and her family are held over a wide area.

On Tuesday morning Requiem Mass was celebrated for the repose of her gentle soul, after which the funeral took place to St. Patrick's

Cemetery, where she was laid to rest. To her husband Tom, her son and daughters and her many relatives we tender our sympathy.

### LATE MISS CATHERINE HIGGINS

It is with sadness and regret we record the death which took place at the Assessment Unit, County Hospital, Cashel on Saturday morning, January 9, of Miss Catherine (Kattie) Higgins, Knockahoola, Ballymacarbry.

On Monday evening, her remains were removed from Condon's Funeral Parlour, Clonmel to St. Laurence's Parish Church, Fourmilewater and the interment took place after Mass on Tuesday morning.

Full obituary next issue.

## Flat Rate Of Expenses Proposed For Councillors

A flat rate of expenses for members of Local Authorities, County, Borough and Urban Councils and Town Commissioners is proposed by the Minister for the Environment in a discussion document which has just been issued.

The document proposes that County councillors be paid a set fee every month based on the number of meetings they attend and the distance they live from the venue where council meetings are held.

At present, Councillors submit a separate expenses account for each meeting they attend, to cover the mileage travelled and the approved subsistence allowance. On this basis a rural councillor who has to travel a round journey of 50 miles to a meeting can claim £50.50 for it: made up of 50 miles at 72p a mile plus the subsistence allowance of £13.50. In the case of members living within 4 miles of the Local Authority HQ, an allowance of £20 is made in lieu of mileage for attending a meeting. Under the new proposals there will be a set monthly payment which in addition to travel and subsistence will include an allowance for postage and telephone calls, something for which all councillors have long been looking for. The monthly payment will be calculated on a yearly basis and paid out monthly. The proposals also set out

different rate bands regarding the number of meetings which may be held each year. It is thought that this is directed at the holding of an unnecessary number of meetings and so reduce the spiraling local authority administration costs.

Waterford County Council has been placed in Band A of the new proposals which permits the holding of 20 meetings per year. As an example of the calculation of the annual allowance for a member of the Council under the new system who lives 20 miles from the meeting venue the following is method: Travel - 20 x 2 x 0.7583p x 20 = £607; Subsistence £12.50 x 20 = £250; Telephone and postage £200; Miscellaneous expenses £300. Total £1,357.

The "miscellaneous" allowance is to cover travel and other costs which arise from councillors' representational role which may include attendance at local functions and other similar events.

In the case of members living within 10 miles of the local authority headquarters, the full 10 mile rate will apply in all cases for the purpose of the travel element of the calculations. This puts the travel allowance at £303 with other items the same as set out above, making the total in this case £1,053 for the year.

Under the new proposals members of Urban Councils

and Town Commissioners would be paid on the basis of a graduated scale of flat rate allowances for different groupings of authorities. In the case of Dungarvan Urban Council, the annual allowance per Councillor will be £500 (this includes the "miscellaneous" expenses element mentioned as for Co. Councillors) while for all members of Town Commissioners the allowance will be £250 a year.

The matter has already been discussed in preliminary fashion by the County Councils General Council, by the Local Authority Members Association and the Municipal Authorities Association but while no firm decisions have so far been taken on the proposals, no great welcome would appear to be in store for them either.

The proposals were briefly discussed at the monthly meeting of Waterford Co. Council in Dungarvan last Monday but it was decided to await the decisions of General Council, LAMA and IAMA on them. However, Cllr. Pat Coffey who is the council's representative on the General Council said that a snag which he saw in the new proposals was that a member would be paid the monthly allowance without even attending a meeting which is something which cannot be done under the existing regulations.

## Family Law Courts

At its Annual General Meeting held last month, the Courts Branch of the Public Service Executive Union condemned the lack of facilities provided by the State for Family Law Courts.

The vast majority of District Courts do not have separate sittings for hearing Family Law cases and only approximately half of the Circuit Courts have. This means that members of the public who are unfortunate enough to be involved in Family Law cases have to put up with a most embarrassing lack of privacy. Family Law is a distressing enough matter without the added burden for litigants of having to transact their business in such public circumstances.

And as we have pointed out ourselves in this column when dealing with this matter in the past, the position where District Courts are concerned is that Family Law cases are dealt with first by the Judge in his chambers which means that the main business of the court sittings, together with the members of the legal profession, gardai and witnesses involved have to wait until all the Family Law cases have first been dealt with. At least that was the procedure in the past and was one that often held up court sittings for hours.

Where Circuit Court sittings are concerned, the Family Law cases are listed together, usually to be dealt with on a half-day usually set aside for the purpose in the course of the period of the sittings.

The Courts Branch of the

Public Service Executive Union which represents the Clerks and Registrars in the District and Circuit Courts also condemned the poor accommodation available for Family Law hearings at its AGM. On the District Court side, two-thirds of the venues do not have separate waiting rooms or consultation rooms. Indeed twenty counties still have hearings in Courtrooms despite the fact that the 1989 Family Law Reform Act stipulated that Family Law Courts should be held in buildings other than Courthouses, because of the delicate nature of the business involved.

However, the Union noted that the Department of Justice was anxious to make

the hearing of Family Law cases easier and less formal for the couples affected but was constrained by the absence of funding for staff and accommodation. In the circumstances the Union has called on the Government to make available the necessary funds for additional judges, additional court clerks and new accommodation so that separate sittings could be held in all District and Circuit Courts and decent accommodation could be provided with proper waiting and consultation room facilities.

We endorse this call as we feel that the facilities and changes sought are long overdue.

## Home Sweet Home

Our choice for the ballad corner this week "Home Sweet Home" is one which has long been a favourite especially by those of the older generation. But while the song may be well known, not so much is known of the man who wrote it.

"Home Sweet Home" was written by an American actor, John Howard Payne who did not have a very prosperous life. Born in 1791, he was dogged by misfortune and poverty. Even his famous song did not earn him the money it should have made because it was included in the libretto of the opera, "Clari or the Maid of Milan," which he had sold for an outright sum.

The song was set to music composed by Sir Henry Bishop for a poem by Thomas Haynes Bagly. "Home Sweet Home" was first published in 1823 and is said to have sold 100,000 copies that year.

John Howard Payne lived in England for some years and fell in love with Mary Shelley widow of the poet, Percy Bysshe Shelley who died in 1822, but she turned him down. He later joined the foreign service and acted as American Consul in Tunis for a number of years.

Here then are the words of the world famous song:

'Mid pleasures and palaces though we may roam  
Be it ever so humble, there's no place like home;  
The charm from the sky seems to hallow us there,  
Which, seek through the world, is ne'er met with elsewhere.

Home, home, sweet, sweet home!  
There's no place like home, there's no place like home!

An exile from home, splendour dazzles in vain;  
O, give me my lowly thatched cottage again!  
The birds singing gaily, that came at my call—  
Give me them, and the peace of mind, dearer than all!  
Home, home, sweet, sweet home!  
There's no place like home, there's no place like home!

How sweet 'tis to sit 'neath a fond father's smile,  
And the cares of a mother so smooth and beguile!  
Let others delight 'mid new pleasures to roam,  
But give me, of give me, the pleasures of home!  
Home, home, sweet, sweet home!  
There's no place like home, there's no place like home!

To thee I'll return, overburden'd with care,  
The heart's dearest solace will smile on me there;  
No more from that cottage again will I roam;  
Be it ever so humble, there no place like home.  
Home, home, sweet, sweet home!  
There's no place like home, there no place like home!

## On Visit From Down Under

On a recent visit to her family and relatives at Tallowhill, Tallow was Mrs Tessa Quinlan-Mundin who now resides permanently in Western Australia.

Tessa found time during her visit home to come to see us here in the "Leader" Office - she has always been a great fan of the "Leader" - and to bring us up to date on the happenings to the family during 1992. As with all families some of these were occasions for jubilation while some were times of sorrow and sadness.

She showed us clippings from a number of Spanish newspapers which reported that last May, her brother Martin Quinlan won the

16th Count of Barcelona International Golf Tournament at the Santa Ponsa course and the newspaper clippings included photos of Martin being presented with the handsome trophy by Don Juan de Borbon, father of King Juan Carlos of Spain. A banner heading over one of the reports declared "Irishman Takes Count of Barcelona Golf Tourney". This was indeed a most joyful occasion for the Quinlan family to celebrate.

Sorrow and sadness was occasioned by the death on September 24 of her sister Hannah's husband Patrick Prendergast which occurred at Waterford Regional Hospital (Ardkeen) after a brief

illness. Member of a well-known farming family from Carrignagour, Lismore, Patrick worked for a period as Steward for the Presentation Brothers of Greenmount in Cork City. He went to England in 1965 where he spent nine years and returned home following his brother's death in 1974 and took up residence at Tallowhill where he lived with his wife Hannah until his death last September. Family relatives from Australia, England and many parts of Ireland gathered for the interment which took place in the family plot in St. Carthage's Cemetery in Lismore.

On the personal side Tessa has successfully continued

her T.V. career and has been engaged in the making of a number of T.V. commercials for Australian television. She now goes on to Dublin before starting her long homeward journey to Western Australia which she hopes to reach on February 14 - Valentine's day. Tessa plans to return home again in 1994 where she will join with family members in celebrating her sister Hannah's 80th birthday which, no doubt, will be another great occasion for the Quinlans.

So until the next time, we join with all her friends in wishing Tessa a safe journey home to Australia and continued health and happiness throughout 1993.

## LATE MRS. NORA BROWNE, KEREEN

The death took place at the weekend of Nora Brown, Kereen, Cappoquin. Nora, who was in her 95th year was well known locally having worked in the town for a number of years. A most genial character she was very popular with neighbours and friends and was always ready to lend a helping hand when needed.

Her remains were removed from Dungarvan to Aglish Church where they were received and blessed by Very Rev. Fr. Lucey, P.P., assisted by Rev. Fr. Byrne, C. C. Nora was laid to rest in Aglish cemetery in the presence of a large cortege of her family and friends. The final prayers were recited by Fr. Lucey who was again assisted by Fr. Byrne.

Sympathy is extended to her son, Jeff, nephews, nieces and other relatives.

May she rest in peace. (Funeral arrangements by Aiden Walsh and Sons Undertakers, Cappoquin)

## THIS WEEK'S QUESTION

A local Dance Band in the fifties were named after a plant considered to bring good luck. Give the full name of this Band. Answer next week.

## ANSWER TO LAST WEEK'S QUESTION

Hardware (Now C. Murray and Sons). In regard to this we have received a letter from Mrs. Ita Sullivan who now lives in Tralee in the course of which she states: "Each week I look forward to the arrival of the "Leader" as it keeps me in touch with events in Cappoquin, Lismore, Dungarvan etc. This week the question asked was about Paddy Walsh's hardware shop. Paddy Walsh was my godfather. My godmother was a teacher called Casey and by a strange co-incidence Paddy Walsh's wife was also a Martha Casey from Dungarvan (no relation to her namesake)".

## AFFANE BRIDGE RESULTS

## CHAPEL WOMAN'S RETIREMENT FUND

The Committee of the above Fund and Mrs. Maggie McCarthy wish to thank all the parishioners of Affane for their kind generosity and goodwill towards the fund. It was much appreciated.

## AFFANE A.F.C. NOTES

We lost by three goals to nil in Conna to Valley Rangers last Sunday. We played into a gale force wind in the first half. Valley took full advantage of the wind and spent most of this period in our half. They took the lead mid way through the half with a shot from outside the box and added a second before half time when they scored from a free.

In the second half we had a lot of possession but very rarely threatened the Valley goal. Valley rapped up the points with a quarter of an hour to go when they took full advantage of some very slack defending. This result leaves us firmly anchored at the bottom with very little chance of avoiding relegation.

Team — T. Sullivan, K. Reddy, M. Browne, D. Glavin, J. Crotty, L. Costin, T. Ormond, F. McCarthy, T. Henneby, E. McGrath, T. Stapleton. Subs — J. McGrath for T. Stapleton and M. Buckley for D. Glavin.

# LARGE ATTENDANCE AT CLUB'S A.G.M.

The Annual General meeting was held at the C.Y.M.S. Hall on Friday night last. There was a bigger than usual attendance comprising mainly of younger members.

Chairman Ml. Fraher welcomed everybody and asked for cooperation in getting through a long agenda. Secretary John McGrath gave a detailed account of all activities within the club during the year. Treasurer Donnacha Mac Craith outlined the financial position and stated that a great effort will be needed in 1993 to get back on an even keel.

Chairman Michael Fraher during his address congratulated the Intermediate footballers for winning a county title and was loud in his praise of selectors and trainer. He thanked Tom Buckley and Mossy Morrissey for their work in this field. He expressed some concern at the lack of success at under age level and said that there must be greater concentration in this area next year. The following officers were elected — Chairman,

Michael Fraher; V. Chairman, Eddie Fraher; Secretary, John McGrath; Assistant Secretary, David Power; Treasurer, Donnacha Mac Craith; Assistant Treasurer, Mce. Cahillane; Registrar, Shane Fraher; Joint P.R.O.'s, Eddie Fraher and J. J. Landers.

would like to thank the young people who helped out with this project. A special word of thanks to the Cunningham family Green St. and the Prendergast family Dromrae East who were responsible for the organisation of the collection.

# CAPPOQUIN AND DISTRICT DART LEAGUE

The league resumed last Friday night after the Christmas break with games in both divisions. Only two games took place in the first division but both were crucial as they involved the top two teams. Reigning champions and present leaders Linsays still lead the way after their excellent 5-3 victory away to third placed Morrisseys. However, second placed the Village Inn A went even better with a superb 7-1 victory in Deckies which means that only

three points separates the top two with only three games to play and with both sides meeting in the last game in the Village we are set for a grandstand finish.

Only two games took place in the second division with the top four teams not playing. The Cruscin Lan were at home to the Decies Bar and won 6-2 and stay in touch with the top four while The Toby Jug travelled to The Sycamore Inn and beat the A side.

# CAPPOQUIN MACRA NA FEIRME NOTES

It has been a very busy start to the new year for Cappoquin Macra on the competitions front. Last Saturday night our newest member John Walsh won the solo singing section of the talent competition held in Dunhill.

On the 6th of January a team consisting of John O'Donnell, Michael O'Donnell and Richard Prendergast took part in the sheep judging in Kilmacthomas.

At present drama rehearsals are in full swing, the cast consisting of Declan Morrissey, Breda Walsh, Hugh Collender, Tom Cliffe, Edmund Lonergan and Edward Cahill are putting on a play called "The Only Way". The venue for this is St. Michaels Hall, Ballyduff on Sunday 17th of January. We would appreciate your support.

Finally I would like to wish all our members and readers a happy and prosperous new year. P.R.O.

# BREAK INS BEING INVESTIGATED BY GARDAI

A number of houses in the West Waterford area were burgled in recent times. Unfortunately this town did not escape as a house in Castle St. was broken into and ransacked while the occupants were away from home. We understand that very little was actually taken but it must have been a very distressing experience for the people involved to return to find their home violated by mindless vandals.

The crimes involved are being investigated by the Gardai and we would urge that they be given every cooperation. In the

meantime residents are asked to be vigilant and not to allow strangers into their homes and to keep an eye on neighbours' houses while the occupants are away from home.

## GET WELL WISHES

Affane Senior Citizens Committee, wish Mary Ormond, our P.R.O. a speedy recovery, we know she'll be back amongst us very soon. The Senior Citizens of our Association, wish to be associated with these get well wishes, she has put in trojan work, to make this group go from strength to strength.

We also wish Tom Hennessey a speedy recovery and hope to see you out and about soon.

## LISMORE DRAMATIC SOCIETY

A very busy year was brought to a fitting climax on New Year's Eve in Ballyrafter House Hotel. A capacity audience were present and it was a case of merriment for all until the wee small hours. Deirdre O'Shea presented prizes which were kindly sponsored by (among others) Cappoquin Pork and Bacon and The Red House. These were gratefully thanked, as were all who contributed to the night.

Our next task is to finish

the hall. We have received some expert professional advice on the colour scheme and general decor and this is being acted upon. Any member who wishes to join the paint gang, please report to the resident "Slave Master" Tom Murphy. A good run of work in a few weeks would leave us in a good position to stage a show on St. Patrick's Day. To all our friends, supporters, and sponsors and indeed the press compliments of the season.

## BADMINTON NOTES

Congratulations to May Morrissey, Nora Sullivan, Rebecca Coleman and Jo Jo Tobin on winning the ladies 3rd division county league. To play the final Lismore had to travel to Waterford to play Dunmore. Usually in these circumstances when a team from the east and a team from the west meet in a final it is customary for both teams to meet half way to play the final, however, this did not deter our ladies but made them more determined to win this final. The final itself was a great match and very exciting for the few spectators

who travelled the distance to support our team. It all went down to the last game. Lismore were leading 2-1 in games and were doing well in the last game but Dunmore gallantly fought back. It was 2 all in games and four all in sets so all the aces had to be added up. The final result saw Lismore winning by ten points. A special word of thanks to the Dunmore ladies for making it such an enjoyable night. The mixed league is starting this week so the best of luck to our teams. Who knows, we might win another county league here.

## LISMORE GOLF CLUB NOTES

Michael O'Grady with a great score of 7 up was last weeks winner of the 9 hole v. Par Competition. Michael has been playing very well over the last couple of months carding some very fine scores in our winter League. Michael needed his 7 up score to beat the even improving former Waterford intercounty and present day Ballysaggart hurler Pat Bennett who carded a very fine 5 up off 13 handicap. Pierce Purcell team selector's take note. Next Weeks fixtures — Monday 18th January our Spring League commences, with 4 rounds of 9 hole stableford, and concludes with 2 rounds of foursomes.

**Results** — Saturday 9th January - Sunday 10th January, 9 Holes v. Par — 1st M. O'Grady (17) 7 up, 2nd P. Bennett (13) 5 up Last 3. Signed "Fore".

## LISMORE SOCCER NOTES

DUNGARVAN TYRE CENTRE CUP (1st Round)

# Solid Display Sees Lismore Advance

LISMORE 3 MODELIGO 2

On Sunday morning last we had Modeligo as our opponents in the first round of the Dungarvan Tyre Centre Cup. In totally absurd conditions football was a laughable impossibility, however the show went on and 20 minutes into the game a Paul Prendergast drive was deflected to the net off a very unfortunate defender. With 5 minutes remaining in the first half a speculative boot into the air ended up in the back of our net, when the swirling wind carried it all the way past the keeper. The half time score was Lismore 1 Modeligo 1.

We started the second half in a hopeful mood, with Barry and Paul Prendergast working tirelessly in the middle of the field, surely the player causing most trouble for Modeligo was another relatively new recruit Ollie Dowd, showing tremendous strength and

confidence on the ball. Indeed it was his pass to Barry Prendergast that set up our second goal, Barney hitting a fine shot from outside the box which the keeper couldn't hold and there again to crash the ball home was the revitalised Brian Shanahan. Ten minutes later it was Shanahan again in the thick of things. After controlling the ball inside the box he was bundled to the ground and the referee pointed straight at the penalty spot. Barry Prendergast duly obliged.

Modeligo managed to pull a goal back late in the game but it was purely consolation. Final score Lismore 3 Modeligo 2.

Another fine team display last Sunday saw us progress to the second round of the cup. It could have been a very difficult fixture with the ground conditions totally ridiculous, but a very patient and committed

performance just gave us the edge over a very game Modeligo side.

Next Sunday we should be hosts to Glenview in the second round of the cup, kick-off 11.30 a.m.

Finally, I must comment on the difficult task clubs have in the up-keep of their pitches. After our game last Sunday our pitch will be very lucky to see a football within the next three weeks. It's in a very poor state. We, along with many clubs in the league, find it very hard to give our supporters watchable football, but when they are asked to watch football in conditions like that of last Sunday they will always stay away. For the safety of players, the up-keep of our playing fields and probably most of all the reputation of the Red House League, let the game of football be played the way it should be, in conditions in which it can be. — P.R.O.

# ANNUAL GENERAL MEETING OF C.L.G. LIOS MOR

The Annual General Meeting took place at Lismore C.B.S. Primary School on Friday night, January 8 1993 at 7.30 p.m. Outgoing Chairman, Michael O'Leary, welcomed the large attendance that had gathered to review the events of the past year.

Secretary, Rev. Br. Dormer, in a most detailed and comprehensive report covered all the activities of the club over the past year, 1992.

Br. Dormer spoke of the success the club achieved at inter county level for 1992. "It was a year we look back on with pride and pleasure as we made a contribution to all county teams and the unique achievement in supplying captains to four county teams."

Senior — Paul Prendergast; Under-21 — Sean Daly (All-Ireland semi-final; Minor — Paddy O'Donnell; Under-16 — David Bennett.

Paddy O'Donnell proved to be an inspiring captain and it was a proud moment as we watched him lift the Munster trophy and lead Waterford into Croke Park for the first time since 1963. Other players to star on the team were James O'Connor and Brendan Ormonde.

Sean Daly had the honour of captaining the Under-21 in the All-Ireland hurling U-21 semi-final and led by example by scoring three goals in the drawn game. Kieran O'Gorman, Michael and Mark O'Sullivan were also members of the victorious All-Ireland team. The Secretary also praised the members of the county senior hurling team from Lismore — Paul Prendergast,

Sean Daly, David Barry and Brendan Prendergast. Other players to wear the county jersey were Brendan Crowley (junior), Dan Shanahan and David Bennett (U-16), Tony Forristal, Owen Bennett, Thomas Veale, David Hickey, James McNamara and Brendan Landers (U-14).

Western Board Chairman and senior county selector, Jimmy O'Gorman, was also praised for his involvement with the county team during the year.

Br. Dormer congratulated the Lismore Camogie Club on a most successful and active year. A special word of thanks was expressed to the ladies committee, the promoters, organisers and prescribers of the confined weekly draw and the organisers of the numerous other fundraising activities that took place during the year and all who played their part behind the scenes.

Congratulations were expressed to Michael "Ducky" Ormonde on training Ballysaggart to win the county junior hurling title and the Ballysaggart Club were thanked for their help and co-operation during the year.

The Secretary expressed sympathies to all members who suffered bereavements during the past year — Paddy O'Donnell, Teresa O'Donnell and Thomas O'Grady. Beannacht De orthu go leir.

In conclusion Br. Dormer spoke about the dismal performance the senior hurlers gave in defence of our senior title.

### TREASURER'S REPORT

Declan (Sonny) Bransfield, Club Treasurer, presented a vivid, meticulous and most comprehensive report on the clubs finances for the year. Total expenditure was £24,000 while income amounted to £23,133. Expenditure was down some £6,000 compared to the 1991 figures.

The outgoing Chairman, Michael O'Leary, thanked all officers and committee of the club for their co-operation during the past three years. The Chairman made it quite clear that he was not seeking re-election. The Secretary and Treasurer were complimented for the trojan work they carried out during the year and so also were the sponsors and benefactors who gave financial support during the year. Michael O'Leary complimented all those people who supported the weekly draw — collectors and subscribers. He sought greater commitment from the senior players for the year 1993 and made it clear that he was not happy with the behaviour and commitment given by some during the past year. He hoped the championship this year would not drag on throughout 1993 as it did in 1992. He thanked Mary Fenton Morrissey and Barry McCarthy for the many hours of work they gave in the running of the community festival last August.

Glowing tributes were paid to Michael on his excellent leadership and outstanding ability that he showed while being Chair-

man of C.L.G. Lismore.

# BALLYDUFF NOTES

## A.I.B. SUB-OFFICE IN BALLYDUFF CLOSED

The Lismore branch of Allied Irish Banks has closed its sub-office in Ballyduff with the result that the village has now been left without any banking facilities whatever for the first time since the early 1930's.

Even though the sub-office was open for the transaction of public business only on Monday afternoons, the removal of this minimal banking facility from Ballyduff is regarded locally as a big loss especially for elderly people who will now have to travel to Lismore, Tallow or Fermoy to transact bank business.

Several protests have been voiced at the Bank's decision and calls have been made on the Bank to reconsider its decision.

## SYMPATHY

Sincere sympathy is extended to Mrs. Betty Feeney, Cooladoody, Ballyduff on the death of her father, Patrick Cronin, Towermore, Fermoy.

## BALLYDUFF MACRA NA FEIRME

"Weekend of Success" — Success came in many forms to our club this weekend. In Dunhill at the Talent competition our Disco Dancers won and our ballad group aired their voices in beautiful harmony and also won their section. Both teams will represent the county in the next round. Well done lads. Finally on this competition a big vote of thanks must go to our new member "Jackie". This member made her stage debut and gave John Donovan and John Leamy a right pull for their money even though they left their tractor in Ballyduff. Straight away after Dunhill we headed back to the village to join in the celebration of Paddy Ahern and Avril McSweeney's engagement. Paddy at last has put the collar on. All he needs now is the leash? Congrats lads - we all wish you the best and the party was great.

Result of the soccer last Friday night was Seamus Cunningham 3, Mark Wade 3. On next Friday night our actors go into action. The competition is being held in the hall in Ballyduff. ## Co. Council Call For Fair Share Of New Housing Starts

A progress report on housing submitted to the monthly meeting of Waterford Co. Council held in Dungarvan last Monday showed that 2 houses had been completed in the county during the month of December while for the entire year of 1992 a total of 15 houses had been built. The report stated that further houses were under construction at Dunmore East (4), Ballinagoul (2), Tallow (2) and Ardmore (3). In all cases progress was stated to be satisfactory.

Cllr. Oliver Coffey stated that there had been a great deal of publicity recently that there would be 3,500 new houses started throughout the country during the coming year and he thought that they in Co. Waterford should make sure that they got a fair share of this number. He recalled that at one time in the past Waterford Co. Council were building 50 houses per year and he felt that a move should now be made to ensure that they get a fair share of the 3,500 which it was stated were to be built this year.

Cllr. C. O Riain supported the call made by Cllr. Coffey. He pointed out that house building in the county was almost at a standstill at present. "I look forward to great things from our new government and we should certainly now look for our fair share where these housing schemes are concerned," he said.

Mr. Dan Hurley, Co. Manager said that if the figure for housing starts

mentioned was realised then he certainly believed that Waterford Co. Council should get a substantial allocation. He said that he would prepare an up-to-date report as to the housing needs in the county and when the new Minister for the Environment was appointed he said he would be making a submission to him on the matter by the end of the week.

## GO SLOW SIGNS

Stating that he had received complaints about speeding, Cllr. O. Coffey asked that "Go Slow" signs be painted on the road leading up to and back from Mahon Falls.

The Co. Engineer, Mr. John O'Flynn said that he saw no objection to such signs and said that he would have them placed as requested by Cllr. Coffey.

## Ballyduff Farmer Fined And Disqualified From Driving

A Ballyduff farmer, who failed to appear at Tallow Court last Friday, was heavily fined and banned from driving for three months.

Liam Canning, Mocollop, Ballyduff, was fined £150 on each of two charges of not having stop lamps and direction indicators on a trailer at Tallow Bridge on July 10 last.

Both convictions were endorsed and Canning was disqualified from driving for concurrent one and three month terms respectively.

# Hoe, hoe hoe if you want better vegetables

WHILE some gardeners cannot be blamed for staying indoors during January, the vegetable gardener has fewer excuses.

For a start it is worth hoeing between the rows to break up soil after flattening by teeming winter rain.

Once the surface is broken the soil will then quickly regain its drainage and condition as the wind and frost crumble the texture further, but be ready to wield the hoe again before the season is out. Members of the cabbage family particularly like such human support for their brave resistance to the winter weather. Some of the family, such as broccoli and sprouts are particularly prone to being loosened by strong winds.

Tread carefully but firmly around the base of the stem and be ready to drive in separate support if necessary.

You may also need to guard against marauding pigeons and other birds by covering the crop with plastic netting as a deterrent.

Apart from that you

should find 'greens' are easily cultivated and rewarding crops because they:

- like the Irish climate
- will grow almost anywhere providing the soil is boosted by mixing in well-rooted compost or manure
- can withstand severe frost
- are some of the healthiest vegetables the gardener can grow
- can be grown all year, depending on the variety. Brussels sprouts are particularly popular and useful since you can be planting and harvesting now if you choose varieties carefully. Though they are biennial, plant afresh every year for a good harvest. Plant in a sheltered position and firm round the stem regularly. Luckily, there has been a move from top heavy varieties to compact types producing tastier and more easily frozen sprouts. These plants mature from the bottom up but as you pick the last sprouts, don't discard the leafy tops — they cook up and taste just as good

as cabbage. Cauliflower is another biennial best treated as an annual, and comes in two distinct types.

★ winter varieties developed from broccoli and maturing between now and March, but they don't like the northern parts of the country.

★ summer and autumn types maturing from June-September.

Cabbage are of course, the most familiar member of the family and come in many types for cropping throughout the year but the phenomenon of recent years has been broccoli, largely thanks to the interest created by the summer varieties known as calabrese.

Kale has also started to become more common after a long time being regarded as a livestock crop. The leaves are very nutritious but it is more seasonal, being sown in early summer for harvest in late winter.

## New Identity For Waterford Foods Group

Waterford Foods has concluded a five-year phase of rapid, progressive development. It has, as a result, acquired the essentials of a modern European food industry. This was stated by Stephen O'Connor, managing director, at the launch of the company's new corporate identity in Dublin, last Thursday, January 7.

He outlined these essentials as significant scale, internationality, market responsiveness, and a significant depth of human resources to steer the group ahead to the next millennium.

Waterford Foods now has substantial business interests in Ireland, Great Britain and the United States and is clearly ranked as Ireland's largest milk processing and marketing enterprise.

In terms of market responsiveness, it has moved steadily away from products and commodities that rely heavily on EC support and replaced them with a well-balanced and well-spread product mix. The

Group has also established powerful alliances with food in France and the Netherlands and thereby gained access to international brands and excellent markets.

Referring to human resources, Mr. O'Connor said "In the long run, the Group will only be effective if direction is right. I believe we have trained, developed and recruited a team of people in Waterford Foods who are qualified and competent to provide that direction as we move into a period of open markets and an extremely competitive food industry."

### MULTI-PURPOSE BRAND

The new style will serve

as corporate logo and multi-purpose brand on both domestic and international markets. It was designed by Loewy International and will be used for the first time as both a brand and corporate title in Great Britain, where Waterford has extensive interests, very shortly. It will also be rapidly introduced in other markets.

Describing the logo, Assistant Chief Executive, Patrick J. Cummins said that it represented a warm sun, blue skies, and fresh green fields. "It is entirely appropriate to the business of Waterford Foods and to the natural source of its raw materials."

The new logo responded very positively to one of the most comprehensive market research exercises ever carried out by the Group.

Mr. Cummins said that the designers had turned for inspiration to the work of 20th century French artist, Henri Matisse. This had yielded daring, vibrant colours and bold form while still retaining comfortable harmony. He said "we have now arrived at the premiere of a new identity which carries all the right messages for a modern food enterprise."

The huge task of full introduction in this case is indicated by the fact that it will eventually have a dominant place at the entrances to 107 Waterford Foods premises. It will also be very familiar on vehicles that collect raw materials and deliver fresh produce from Waterford Foods throughout Ireland, in Great Britain and in Wisconsin, the premier dairy industry state of the U.S.

## Tiredness Principal Cause Of Many Road Accidents

A leading U.K. medical expert has warned that anti-depressant drugs can affect drivers safety — in some cases even more than illegal levels of alcohol. Professor Ian Hindmarch of Surrey University has stated that results from blood tests show that psychoactive medicines are implicated in many accidents.

In a recent paper presented at an international conference in Nice, on the "Social Aspects of Treating Depression" he showed that tiredness is a principal cause of many road accidents. Sleepiness, he stated caused 27% of motorway accidents in the U.K. resulting in 83% of fatalities. Some anti-depressants he found, produced impairment of brake reaction time which can be greater than that associated with illegal levels of alcohol.

At the launch of the new Waterford Foods plc corporate identity were Patrick J. Cummins, assistant chief executive and John Barry, chairman.

William's death occurred at the end of a year which has claimed so many well known people in Youghal town. Tynan's Bar and Grocery was a regular meeting house for people from this area. Through many decades West Waterford people enjoyed a social drink here while collecting their weekly shopping. We wish to extend our deepest sympathy to William's wife Annie, his sons Frank and Denis and his daughters Bernadette, Anne, Margaret and Olive on their sad loss.

William's funeral took place in Youghal on Christmas week. He was laid to rest in North Abbey Cemetery.

## DECIES DART CLUB

The club was back in full swing after the Christmas break and last Sunday we had a very enjoyable tournament with Bob winning the chicken. Runner-up was Teresa Joyce. This tournament continues every Sunday between 12-15 and at 2 p.m. It is open to everybody and the entry fee is £1. We were unfortunate in our league match last Friday night against Villierstown. We travelled to Villierstown for our match and although we were beaten we had a very enjoyable evening and some very close matches. Congratulations to the Cruiscin team. Next Friday night we play Toby Jug at home.

## CLASHMORE BINGO

1993 got off to a good start for Clashmore G.A.A. bingo following a fantastic win for Nonie Connors, Piltown, who won the jackpot in the last bingo for 1992, Pat Dalton won £50 on the National Bingo Card. 1992 was very successful for the bingo players on the National Card so let's hope their luck continues in '93. Congratulations Pat on your win.

## CLASHMORE/KINSALEBEG G.A.A. CLUB A.G.M.

Clashmore-Kinsalebeg GAA Club do a great job in keeping football and hurling alive in this area. This is in no small way due to the trojan work done by the board of officers each year and it continues on, following the election of the 1993 officers at our annual general meeting on Friday night last at the club house.

There was an excellent attendance and many of the 1993 fund-raising events were discussed, including the "Deise Development Draw" which offers 12 family cars and 36 holidays and many cash prizes. The draw not only helps the developments throughout the county, it will also be of financial benefit to our own club. Some of our members will visit your area this week.

The officers for 1993 are as follows: President, Joseph O'Keeffe; Vice-Presidents, Rev. Fr. O'Gorman, Canon Joe Murphy and Rev. Fr. O'Connor; Chairman, Dan Leahy; Vice-Chairman, Roger Hynes; Secretary, Noel Nugent; Asst. Secretary, Billy O'Halloran; Treasurer, Liam Curran; PRO, Billy O'Halloran. Committee: Very Rev. M. O'Gorman, Billy Allen and Eamon Lombard.

Congratulations to all the officers and we wish the club a very successful year. — PRO.

## CLASHMORE/KINSALEBEG JUVENILE G.A.A. CLUB NOTES

The Clashmore/Kinsalebeg Juvenile GAA Club will hold their annual general

meeting on Thursday, January 23 at 8.30 p.m. in the club house. All parents of under-age players are asked to attend this very important meeting.

The outgoing Juvenile Club officers would like to thank all the sponsors who supported the production of our 1993 juvenile club calendar which featured a colour photo of our under-16 hurling team who won the county title for Clashmore last year.

The club would like to take this opportunity to wish all our players, parents and supporters a very happy and prosperous new year.

## JUVENILE G.A.A. PARISH LEAGUE

The third round of the parish under-14 football league was played in windy conditions in the GAA pitch last Sunday. Early in the morning it looked as if it would be rained off as happened the previous Sunday. However, weather conditions improved considerably in the afternoon and we were able to go ahead as planned.

In the first game Munster played Connaught. With both teams equal on two points it was important for

each to win. Munster, playing against the wind, started strongly and raced into a 2-4 to nil scoreline after 15 minutes. Connaught steadied and using the strong wind scored 2-1 without reply before half time.

In the second half exchanges continued to be very close but the greater combined play of Roger Ryan's men proved decisive. Full time: Munster 4-7, Connaught 4-3.

In the second game, table toppers Leinster took on the bottom team Ulster and what a fright the top team got! Leinster dominated the early stages of the first half and notched up 2-5 before Ulster opened their account with a B. McGrath goal. Halftime: 2-5 to 1-0.

In the second half Ulster improved their work rate considerably. 2-2 by Joseph Keogh and points by M. Power and T. Burke really put it up to Leinster. But they responded with great character and a point by Ed. Beresford and a last minute goal by Brian Dunne sealed it for Patrick Troy's men. Final score: Leinster 3-6, Ulster 3-4.

So, with the first half of the league played, the table

looks like this:

	P	W	D	L	Pts.
Leinster	3	3	0	0	6
Munster	3	2	0	1	4
Connaught	3	2	0	1	4
Ulster	3	0	0	3	0

All teams must now play one another again. Leinster look good at this stage but with the games getting closer every Sunday, it's too early to say who will qualify for the final. The league continues next Sunday, starting at the usual time of 2 p.m.

Also note that Saturday morning training continues next Saturday at 11.30 a.m. for all boys and girls aged six to thirteen.

## KINSALEBEG MACRANA FEIRME

Last Saturday night the club headed to Dunhill Hall for the county final of the Talent Competition and had a very successful night when obtaining three county titles. Congratulations to Catherine Collins who won the solo instrumentalist competition. Catherine also represented the club in the solo singing competition.

Well done to our four set dancers who will represent the county in the next round. They are Pauline Griffin, Kay Fleming, Mary Dee and Anna Fleming. And well

done to Peter Kiely who won the county final of the Mastermind Competition. The club was well represented in this competition with three other club members taking part, namely Suzanne Hynes, Geraldine Veale and Patricia Kiely.

The forthcoming weekend is going to be quite busy for the club. On Friday night the club is participating in the Drama Competition in Ballyduff. Those involved are: Mary Dee, Edel Hourigan and Eamonn Flavin and not forgetting the stage manager, Martin Lynch.

Saturday night sees our Senior Debaters representing Waterford in the area finals against Kilkenny. The team consists of Suzanne Hynes, John Hourigan, Geraldine Veale and Peter Kiely. They will oppose the motion: "That a salaried spouse is a farmer's best alternative enterprise." Good luck on Saturday night lads!

A reminder to all club members of the forthcoming Blind Date Evening. It's still not too late to enter. It promises to be an evening of great crack and who knows what might be the outcome of the evening. — Mary PRO.

Here it comes — the concert you've been waiting for, which takes place at Lawlor's Hotel, Dungarvan, on Saturday, January 23, at 8 p.m. A galaxy of artists will be there to entertain you — just the tonic to banish the January blues.

The list of outstanding performers is headed by Frank O'Brien of operatic fame who charmed us all with his glorious singing as Tevye in "Fiddler on the Roof." He is joined by top-class local artists, singers Lena Walsh, Sinéad Kiely, Sean O'Donnell and Neil

Hurley; Flautist, Margaret Murrin; Violinist, Gerard Power, and to complete the line-up we have the Producer, Michael O'Donoghue and Musical Director, Greg Scanlon of this season's musical "Oklahoma," plus our leading guest artist, Toby Hickey. Bet all you ladies remember Toby from his performance as Danilo in "The Merry Widow."

Our MC for the night will be the one and only Micheál O Faoláin. As tickets are limited, early purchase is advisable. Tickets £5 available at Morrissey Meats Ltd.

# In Memoriam

**EGAN — Eighth Anniversary** — In loving memory of Ally Egan R.I.P., late of 35 Caseyville, Dungarvan, who died on January 17, 1985.

Will those who think of her today,  
A little prayer to Jesus say.  
(From your husband Deckie and family.)

**EGAN — Eighth Anniversary** — In loving memory of my dear mother, Ally Egan R.I.P., late of 35 Caseyville, Dungarvan, who died on January 17, 1985. On her soul sweet Jesus have mercy.

Pray for us o dearest mother,  
To Jesus Christ, Our King,  
That he may bless our lonely home,  
Where thou once dwelt therein.  
And pray that God may give us strength,  
To bear our heavy cross,  
For no one knows but only He,

The treasure we have lost.  
(Sadly missed by her loving daughter Josie, son-in-law Michael and grandchildren Sinéad and Deirdre.)

**EGAN — Eighth Anniversary** — In loving memory of my dear mother, Ally Egan R.I.P., late of 35 Caseyville, Dungarvan, who died on January 17, 1985.

A heart of gold, a life so true,  
Loved and remembered by all she knew,  
Always willing, helpful and kind,  
What beautiful memories she left behind.

(Always remembered by your loving son Declan, Rosarie and grandchildren Jason and Louise, London.)

**EGAN — Tenth Anniversary** — In loving memory of our dear father, Peter Egan, late of 7 Boreenatra, Dungarvan, who died January 14, 1983. R.I.P. Mass offered.

Take care of him, Lord, as he takes his rest,  
For he was my father, and one of the best.  
When I was sad and lonely,  
And things were going wrong,  
I seemed to hear you whisper,  
Cheer up and carry on  
And when I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping,  
We'll meet again some day.

(Always remembered by your loving daughter Margaret, sons Tommy, David and John, daughters-in-law, son-in-law and grandchildren Sharon, David, Peter, Patrick, Caroline, Clare, Corly, Natalie and Jonathan.)

**FENNESSY — Fifteenth Anniversary** — In loving memory of my dear husband, Daniel Fennessy R.I.P., Ballysaggart, whose anniversary occurs at this time and for whom Masses have been offered.

Memories grow deeper as time goes on,  
When you long for a face and a smile that is gone,  
Deep in our hearts your memory is kept,  
Of a father we loved and will never forget.

(Always remembered by his loving wife Madge and family.)

**FOWLER — Sixth Anniversary** — In loving memory of Anthony Fowler, late of 13, Byrneville, Dungarvan, who died on January 16, 1987. R.I.P.

Like falling leaves the years go by,  
But memories of you will never die.  
Sunshine passes, shadows fall,  
But memories of you outlast them all.

Lonely is the home without you,  
Life to us is not the same,  
All the world would be like heaven,  
If we could have you back again.  
May the winds of love blow gently,  
And whisper for you to hear,  
How much we love and miss you,  
And wish that you were here.  
(Always remembered by your loving mother and father Anne and Ken, sisters Lorraine and Teresa and uncle Willie.)

**FOWLER — Sixth Anniversary** — In loving memory of Anthony Fowler, late of 13, Byrneville, Dungarvan, who died on January 16, 1987. R.I.P.

Time may heal the heartaches,  
Like the smile that hides the tears,  
But happy memories keep you close,  
Despite the passing years.  
Will those who think of him today,  
A little prayer to Jesus say.  
(Never forgotten by Birdie, Joe and family, Stockwell, London.)

**O'SHEA — Third Anniversary** — In loving memory of Pius O'Shea, late of St. Patrick's Crescent, Dungarvan, who died on January 5, 1990.

Every day in some small way,  
Thoughts of you come our way,  
Simple words but very true,  
We will always love and remember you.  
(Always remembered by Kathleen, Locky and family.)

**O'SHEA — Third Anniversary** — In loving memory of Pius O'Shea, late of St. Patrick's Crescent, Dungarvan, who died on January 5, 1990.

Death is nothing at all,  
I have only slipped away into the next room,  
I am I, you are you,  
Whatever we were to each other that we still are,  
Call me by my old familiar name,  
Speak to me in the easy way you always used,  
Put no difference into your tone,  
Wear no forced air of solemnity or sorrow,  
Laugh as you always laughed at the little jokes we enjoyed together,  
Play, smile, think of me,  
Pray for me.

Let my name be the household name it always was,  
Let it be spoken without the shadow of a ghost in it.  
Life means all that it ever meant,  
It is the same as it ever was,  
What is death but a negligible accident,  
Why should I be put out of your mind because I am out of your sight.  
All is well, nothing is lost,  
One brief moment and all will be as it was before.  
(Never forgotten by Eileen and Marie and John Paul Sheed.)

**O'SHEA — Third Anniversary** — In loving memory of Pius O'Shea, late of St. Patrick's Crescent, Dungarvan, who died on January 5, 1990.

A tribute of love to someone dear,  
So close to our hearts each day of the year,  
Deep in our hearts your memory is kept,  
To love and cherish and never forget.  
(Always remembered by Breda, Paddy and family.)

**PRENDERGAST — Twentieth Anniversary** — In loving memory of Joseph Prendergast, late of Barrack Street, Tallow, whose anniversary occurs.

(Always remembered by his loving wife Bride.)

**PRENDERGAST — Twentieth Anniversary** — In loving memory of Joseph Prendergast, late of Barrack Street, Tallow, whose anniversary occurs.

**PRENDERGAST — Twentieth Anniversary** — In loving memory of Joseph Prendergast, late of Barrack Street, Tallow, whose anniversary occurs.

Just to say we always remember.  
(Always remembered by his daughter Kathleen, Mike and family.)

**WALSH — Third Anniversary** — In loving memory of Maggie Walsh, Ballycullane, Dungarvan, whose anniversary occurs on January 17. Masses offered.

You always had a smile to share,  
Time to give and time to care,  
Years may pass and tears may dry,  
But memories of you will never die.  
(Always remembered by her sister Lizzie, Billy, Ann, Killian, Ian and Emmet.)

**WALSH — Ninth Anniversary** — In loving memory of our dear daughter, Patricia Walsh, Townspark West, Lismore, who died on January 4, 1984.

May the wind of love blow gently,  
On a quiet and peaceful spot,  
Where the one we love lies sleeping,  
And will never be forgot.  
(Always remembered by her loving dad and mam.)

**WALSH — Ninth Anniversary** — In loving memory of my dear sister Pat, late of Townspark West, Lismore, who died on January 4, 1984.

A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years.  
But the angels sang Amazing Grace,  
And God came down and touched your face,  
Then He whispered soft and low,  
Pat, dear Pat, it's time to go.  
(Always remembered by your sister Ann and niece Lynne.)

**WALSH — Ninth Anniversary** — In loving memory of my dear sister Pat, late of Townspark West, Lismore, who died on January 4, 1984.

(Always remembered by your sister Margaret, Clem, Daniel and Patricia.)

**WALSH — Ninth Anniversary** — In loving memory of my dear sister Pat, late of Townspark West, Lismore, who died on January 4, 1984.

But by the love you gave and the things that you did.  
(Always remembered by your sister Nora, John, Kelly Ann and Shaun.)

**WALSH — Ninth Anniversary** — In loving memory of my sister Patricia, late of Townspark West, Lismore, who died on January 4, 1984.

Have you ever had a sister,  
Who meant the world to you,  
One you loved so much,  
And miss her like I do,  
If you never had this feeling,  
Pray you never do,  
When God takes your sister,  
He takes part of you.  
(Sadly missed by your brother Patrick, Margaret, Nicola, Tanya.)

**WHELAN — Sixth Anniversary** — In loving memory of my dear father, Michael Whelan, late of 54, Cathal Brugha Place, Dungarvan, who died on January 15, 1987. Mass offered.

Dear father, that isn't true,  
For every day in some small way,  
I always think of you.  
To me you were someone special,  
Someone kind and true,  
You will never be forgotten.  
For I thought the world of you.  
Will those who think of him today,

(Always loved and remembered by her loving daughter June, son-in-law Monnie and grand-daughter Helen.)

**Conradh Na Gaeilge's Centenary Year**

By Prionsias Mac Aonghusa  
Uachtarán, Conradh Na Gaeilge

1993, Bliain na Gaeilge, is the Centenary Year of the Gaelic League, Conradh na Gaeilge, founded by Eoin MacNeill, Douglas Hyde, J. H. Lloyd and others to gain status for the beleaguered Irish language. For hundreds of years, Irish was outlawed, suppressed, insulted, ignored and those who spoke it punished and derided. The Gaelic League turned the tide.

New Year's Day saw the start of twelve months celebrations and commemorations in each of the 32 counties, as well as in the United States, England, Canada, France, Scotland, Wales and Australia.

Conradh na Gaeilge changed Ireland. It came into being with its gospel of hope just as many Irish people had lost faith in the political process. This was immediately after the fall of Parnell, the split in the Irish Parliamentary Party and the bitterness and social divisions which came in its wake.

Part of its strength from the start was that it concentrated all of its efforts on the cultural objective of gaining a place in the sun for Irish and totally avoided party politics and sectarian divisions. Conradh members could and did involve themselves in all sorts of other public activities, but not as members of the Gaelic League.

More than any other movement in Ireland, Conradh na Gaeilge from the beginning welcomed Catholics and Protestants, women and men, poorer people and better off people, country people and city people as absolute equals. Democracy held sway in

Conradh na Gaeilge throughout its first hundred years and this is hardly likely to change. As far as can be gauged, Conradh na Gaeilge was the first country-wide organisation in which women had equality with men. Nowadays, that may not seem to be as progressive as it in fact was. 1893 was long before women's liberation.

The Conradh met with many obstacles over the years, perhaps as many after independence as during the period of British direct rule. Not alone was Irish barred from all school houses but the language lacked legal existence under British law. Very few books were available in Irish in 1893. Political, cultural and religious work was all carried out in English only. The very idea of doing otherwise would have been thought odd by most people.

Yet, by example, organisation and tireless endeavour, Conradh na Gaeilge people placed the restoration of Irish on the national agenda and persuaded doubters that this was a worthwhile objective.

I have little doubt but that the Irish language might have faded away for all practical purposes were it not for the vision of MacNeill and Hyde and those who followed in their footsteps.

It is thanks to people such as Eoin MacNeill, Father Michael O'Hickey, the Rev. Maxwell Close, Peadar O hAnnracháin, Colm O Gaora, Neillí Ní Bhriain, Séamus O hEochá, Michael Collins, Fionán Mac Colum,

Pádraig O Conaire, Lil Nic Dhonnchadha, Ita Ní Chionnaith, Séamus O Grianna, Cardinal Tomás O Fiaich, Eibhlín Ní Chathailriabhagh, Donncha O Súilleabháin, Aindrias O Muimhneacháin, Anraoi O Liatháin, Conchubhar O Coileáin, Seán I Ruadháin, Seán O Ciardhubháin, Donnchadh O Briain, Micheál O Grfofa, Douglas Hyde and General Richard Mulcahy and many others that, Ireland gradually began once more to regard itself as a nation and not merely a province.

**A CULTURAL REVOLUTION**

A gentle cultural revolution which is still in train was initiated and conducted by Conradh na Gaeilge. It found echoes all over Ireland. The fact that Irish is now casually accepted as a normal part of life is due to the zeal of Conradh members, great and small, old and young.

More than one million people throughout the island now claim knowledge of Irish. Others who do not speak Irish are anxious that their children should master it. Language classes for adults are in constant demand. Thousands of books on all sorts of subjects are available in Irish. Raidió na Gaeltachta is listened to in all parts of the island.

As Bliain na Gaeilge, 1993, approaches, Conradh na Gaeilge has branches and individual members in all counties and in some foreign lands. It is a voluntary non-Government organisation controlled and run by its members and supporters. It

faces its second century with confidence in the sure knowledge that the Irish language is now on a firm footing and is generally accepted as the most precious and most Irish of our characteristics.

With Irish we are equal to other nations and peoples in possessing the most definite of all badges of nationality — our own language.

**IFA Urges Cattle Feeders To Resist Price Pressure**

Waterford IFA new Live-stock Committee Chairman, Maurice Donovan has urged cattle feeders not to be pressured into selling cattle at reduced prices. "Farmers must resist any attempt by the meat factories to drop prices at this critical time."

Mr. Donovan said: "IFA has sought an urgent meeting with the meat factories in order to ensure that prices are held at a minimum of 100p/lb. for E3's for the Winter-Spring period."

Mr. Donovan explained that this week's price level is vitally important as it will set the intervention price for the next tender on January 15 and will indicate the intervention price trend for future tenders for the remainder of the Winter-Spring season.

## BALLYNOE NOTES

### MRS. NORA O'HALLORAN, SAN FRANCISCO, AND BALLYNOE R.I.P.

The death occurred recently in San Francisco of Mrs. Nora O'Halloran (Nee Sheehan). She was well known in the locality, being the wife of Tom O'Halloran formerly of Ballyluskey, Ballynoe and both Nora and Tom spent their holidays in the homeland, many times since emigrating to the U.S.A. in the 30's. Nora's health deteriorated in recent years, and this indisposition she bore with great patience and acceptance, typifying her strong faith and character, and we extend to husband Tom, sons Joe and Tom, daughters-in-law, grandchildren, near relatives, sister-in-law, Theresa, brothers-in-law, Jimmy and Johnny and friends our sincere sympathy. Interment took place in San Francisco.

### ST. CATHERINES JUVENILE G.A.A. MEETING

The Clubrooms, Ballynoe will be the venue for the above mentioned A.G.M. next Thursday night at 8 p.m. This meeting was unavoidably postponed last week, so we hope to see a large crowd of members and intending members and parents present.

### MUNSTER JUVENILE SCÓR SEMI-FINAL

Currow, Co. Kerry will host the above event on Sunday night commencing at 6 o'clock and our best wishes to local girl, Michelle Burke who will carry the St. Catherines Club's banner for Cork, against the might of Kerry and Clare.

### BALLYNOE COMMUNITY COUNCILS A.G.M.

The above meeting took place at Ballynoe Community Hall, last Monday night. A successful year was reported and reports from the secretary and Hon. Treasurer were adopted.

Included in these reports were, Card games, Badminton, Tap dancing classes, Field evening, Disco's, A night at the races for Somalia etc.

The officers elected for the coming year were President, Fr. Lomasney, C.C. Ballynoe, Chairman, John D. Cotter, V. Chairman, Eddie O'Keefe, Hon. Sec. Mary Beecher, Assistant Sec., Owen Casey, Hon. Treasurer, Alice Cotter, Assistant Treasurer, Babs Sheehan, P.R.O., J. Buckley, John D. Cotter addressing the meeting paid tribute to all those who worked so assiduously during the past year for the benefit of the community. He referred to Community Alert and said it would soon be implemented in the parish. He felt all those needs were incumbent on the Council and added that the great problem confronting them as well as practically every parish in the county was the provision of employment and we should do our utmost in that respect. The guest speaker was Thomas Higgins, Chairman of the County Cork Federation of Muintir na Tire, and he stressed the importance of community care and said that we should be always on the alert, especially where old or infirm people could be vulnerable and exposed to danger in various ways.

## TALLOW DRAMATIC SOCIETY

The Tallow Enterprise Centre has been a hive of activity for the past few days. Now, at the twelfth hour, all is ready to go. The stage has been put up, seats are out, cheese is cut and the wine chilling. The performers are listening to the last few words of advice and are very eager to go.

The group did however suffer a major setback earlier in the week, when, due to circumstances beyond our control, we had to cancel one of our plays. We have three one-act plays to be seen and the same three will now be seen both nights. "Bang You're Dead" produced by Fiona McDonnell, is a comedy thriller and has a nice twist to the ending; "Wife Required" produced by Audrey Sheehan and Kieran O'Brien has turned out very well and introduces some very nice characters; "Ber and Ger", the final play is not unknown to those of you who came to see the Glounthane productions. A very moving play and worth seeing.

For a night of high drama, come along to the Enterprise Centre on Friday or Saturday.

## BRIDE VIEW UNITED A.F.C. NOTES

### RED HOUSE LEAGUE

# League Set Back For United

### BRIDE VIEW 1 KILLEAGH 3

Killeagh came to Tallow on Sunday last as league leaders, hoping to get a draw, but they went one better when they saw off a strong United challenge and clinched both points.

To be fair to the home side we dominated most of the first half and created three great scoring chances, but we only converted one of them. Philly Curley shot over the bar in the 24th minute and in the 39th minute Curley was in again when a great through ball by John Joe Henley split Killeagh's defence but Curley's shot was well saved. However it was Killeagh who took the lead in the 34th minute in their first real attack.

Bride View fought back and grabbed the equaliser in the 43rd minute when Curley set up Dermot Henley to score from close range. At the break the sides were level at 1-1.

Killeagh went back in front in the 56th minute and it took a marvellous save from United's keeper John P. Grey in the 61st minute to keep them in the game. However, Killeagh increased their lead in the 63rd minute when United's defence were slow to clear their line. Grey again rescued the homeside after 70 minutes but after this it was all United who did everything but score. At the final whistle it was defeat for Bride View by 3-1.

United — J. P. Grey, J. McCarthy, G. Sice, I. McIntosh, J. J. Henley, G. Hogan, M. Hartnett, M. Geary, K. Murphy, P. Curley, D. Henley, Res. — D. Flaherty, D. Henley (both used); Eamonn Cusack.

Seaview Celtic Draw — We had two

more winners namely Eileen Tracy and Roddy McNamara on Saturday night. Congratulations.

U-14 Challenge Game — Youghal 5 Bride View 2 — Our U-14 side suffered a defeat in Youghal on Saturday. Short some regulars we put up a good display before going down to a stronger Youghal side. Our scorers were Stephen Curley and O. Bennett.

United — P. Pratt, G. O'Brien, G. Barry, M. Fraser, D. Howard, S. Curley, P. Cronin, O. Bennett, J. Prescod, B. Henley, W. Henley, Res. — R. Cronin, O. Mangan (both used).

Fixtures — (Dungarvan Tyre Centre Cup) — Sunday, January 17 — Bride View United (A) v. Piltown, kick-off 11 a.m.; Bride View United (B) v. Ardmore, kick-off 2.15 p.m. (Players of both teams note kick-off times.)

Previews — Bride View A v. Piltown — Our Div. I team will have to lift themselves for this cup game. On form they should be strong enough for Piltown but cup football can be strange. Much will depend on how the sides will address this game. However we should win here.

Bride View B v. Ardmore — This game should be a thriller with the result very hard to forecast. When they met in the league the homeside ran out winners and hopefully they will repeat this victory on Sunday.

Could both of United's sides meet one another in the cup?

The Dungarvan Under 12 Hurling & Football teams, winners of the Bord na nOg Championships. —(Kevin Wyley).

**DUNGARVAN RUGBY FOOTBALL CLUB NOTES**

# Dungarvan Lose In Atrocious Conditions

**CLANWILLIAM 25 DUNGARVAN 6**

Another miserable day on Sunday last saw a league defeat for the first XV. With the final score not reflecting the run of play, Dungarvan took the lead early in the first half with a penalty kick from Peter Queally. The underfoot conditions were atrocious but Dungarvans' pack held tough against a side which have only been beaten once this year. Dungarvan forged ahead with another penalty kick from Peter Queally to leave it 6-0 just before the break. Ball handling was awkward for our backs with the wind and sleet pelting down and an unlucky knock-on was all

Clanwilliam needed to capitalise on, with a try under the posts which they duly converted. This left it 7-6 at half-time with the advantage to the home side. On the restart Dungarvan were under constant pressure from the strong wind and great running from Clanwilliam saw them gain ground with every move. The super-fit home side gained the upper-hand in the dying minutes and although the "packs" were very equal, we couldn't take advantage of good ball and good scrumming. Their backs were of senior standard and thus ran

in the remaining tries and converted same. A gallant performance by the first XV who were by no means disgraced against the semi-finalists of the "Garryowen Cup". A great indication of the force in Dungarvan for the upcoming "Junior Cup" and a reminder to other clubs that Dungarvan are no easy walkover by any means. A similar performance to last Sunday's is all that is needed to make any side uneasy about the idea of a confrontation with Dungarvan in the coming weeks.

Training continues every Tuesday and Friday nights at 8 p.m. and with up to 50 players now involved in the 4 club teams, we're confident of a successful close to the season in April.

The team on Sunday was — D. O'Brien, J. Morrissey, A. Curran, B. Dwane, T. Shanley, S. White, M. O'Connor, A. Hally, P. Queally, P. Mullaney, D. Salmon, C. Morrissey, R. Harty, M. Dunford, P. McGrath.

Fixtures for Sunday 17th January — Dungarvan 1st XV v. Newcastle West (League), Dungarvan 2nd XV v. Cappoquin (Casey Cup). Both games at home.

### VETERANS LEAGUE

Well done to our "old" men who played away to Orchard on Wednesday, Jan. 6 and won 3-2. Mickey O'Mahoney needs to get rid of some of his pud and turkey as he was beaten 3-1. John Foley won 3-0. Maurice Walsh did well to get a set from a famous Cork hurler who played in 5 All-Irelands. Denis O'Brien lost his first set and he was threatened to be dropped for his wife May. This battered his ego so much that he

went on to win 3-1. Sorry May! Pat Breen did well to win 3-2 with a very tight 5th set.

### 1993 SPRING ROAD RACING SERIES

This week we have details of the club's 1993 Spring Road Racing series for local runners which is being held in conjunction with a number of races being staged between now and Easter. The series is being generously sponsored by Michael Roche Carpets, Wolfe Tone Road and it will cater for every age and ability and at the same time it will provide keen competition for all local speedsters with overall winners being announced at the end of the series.

The sponsorship by Michael Roche, who, himself, will be a participant in the series, ensures great prizes for the winners in each of the five age groups plus a series memento for all runners who finish the programme of races. Not only will the series provide many exciting clashes but it will for once and for all categorise many of our ageing athletes!

The series is comprised of four races, the Kiely Monumental Colligan Cup, the Dungarvan Crystal Sports and Leisure Centre 10k, the Ballycotton '10' and the Athletic Club's 10k on Palm Sunday. These Spring races take place in each of the first four months of the year.

The five age groups are under 30 (born 1963-1976), under 35 (born 1958-1962), under 40 (born 1953-1957), under 45 (born 1948-1952), and over 45 (born 1947-1900). Each competitor's total time after the four races will decide their finishing position. Entry fee to the series is £2 and entries will be taken at the Colligan Cup or by any committee member. The series is being run with the co-operation of the organisers of the Dungarvan Crystal 10k and the Ballycotton Running Promotions.

### THE JUVENILE SHIELD

The Colligan Wood Shield is a fun running event for boys and girls under 11 to under 15 years (on January 1, 1993). This event will be held in Colligan Wood at 10.30 a.m. on Sunday, January 24 and it consists of a 2km. run (1 1/4 miles approx.) over the Wooden Bridge - Stone Bridge circuit. Each runner predicts his/her own finishing time and the shield will be awarded to the runner who finishes nearest to that time without running faster than it. For example, if you say you will finish in 11 mins. and 10 secs. and you finish in 11 mins. and 2 secs., you have run too fast and you will be disqualified. If you finish in 11 mins. and 20 secs. you would have a very good

chance. These are only made up times, used as an example.

Alan Moore won last year's event when he predicted 9 mins, 30 secs, and he ran 9 mins, and 37 secs. The use of a watch is not allowed. Entry fee is £1 and there will be prizes for the first five finishers nearest to their time. Come along and enjoy the fun.

### COLLIGAN CUP

The mind boggles when one realises that last year 28 runners finished the five mile course within a minute of their predicted time. This statistic shows just what it will take to win this much sought after piece of silverware. Consistent close callers every year include Paul Keating, Liam Moore, Michael Hennessy, Gerry Cantwell, Eamonn Martin, John Joe Wright, Liz Bullen, Liam Rossiter and Jason Radley. Perhaps the 1993 winner of the Kiely Monumental Colligan Cup is included here and all of them are now being installed as favourites to take the honours. With the race a little more than a week away the traffic around Dungarvan is at its highest point but there still remains a few dark horses unwilling to show themselves until the big day.

### LONG JUMP CHAMPION

The Munster Juvenile Indoor Track and Field Championships were held in Nenagh last Saturday and Alan Harty, Springfield, once again showed his all-round ability by winning the boys u/13 long jump title from the cream of Munster's juvenile jumpers. Alan jumped 4 metres and 37 cms. in his first attempt which was good enough to win him the title. His next big event will be the All-Ireland Championship at the same venue on March 6. Well done, Alan!

Our relay team of Raymond Bannon, Ronan McCarthy, Eoin Hayes and Alan Harty qualified for the final of the boys u/13 4x200 metres in which they finished fourth. Ronan and Eoin qualified for the 800 metres final.

### JOE GOUGH

In the 1960's when juvenile athletics within the club was in its early days, one of our keenest athletes was a young Joe Gough, Mitchel's Terrace and he won many a race in the old Friary Field where Silversprings now stands. Well, last Sunday at Nenagh, Joe, now living in Waterford, showed he has lost little if none of his speed when he won the Munster Vets 60 metres dash and 800 metres finals. Well done to Joe and good luck to him in the All-Ireland Championships.

## DUNGARVAN HOCKEY NOTES

# Mixed Weekend For Dungarvan

### DUNGARVAN 1 OLD URSULINES 0

Dungarvan's Minor A team go through to the next round of the cup with a brilliant display against Old Ursulines. The only thing that was surprising was the scoreline as Dungarvan, on the day, would not have been flattered if the score had been 6-0.

From the start Dungarvan showed that they meant business and should have been 3-0 up at half time. However they only made 1-0 at half time with Tess Reynolds scoring a very good goal. In the second half Dungarvan continued to dominate and would have scored another 3 or 4 goals but for poor finishing and some excellent saves by the Old Ursulines' keeper, who had a very good game.

This was a great game of hockey to watch for all those who came and supported us and we would like to thank all our supporters who turned up on the day.

All the players deserve to be complimented on their performance, especially our midfield. If Dungarvan continue to play like this we have a great chance of winning a trophy this season. An excellent team performance.

Team — Imelda Killigrew, Avice Kiely (capt.), Rosine Foley, Claire Morrissey, Siobhan Kelly, Martina Moore, Karen Dempsey, Mary Ronayne, Tess Reynolds, Lucinda Fraher, Anne Brennan.

### MINOR B

### Ashton 3

### Dungarvan 1

Following their victory

last week Dungarvan had to travel again on Sunday last to play Ashton in Cork. Unfortunately, this time they were unlucky to lose 3-1.

Fielding a team comprising mainly of juniors, Dungarvan contributed to a very entertaining first half. Dungarvan went behind midway through the first half following a defensive lapse. However, Dungarvan responded quickly with a good goal from Shiellan Phelan. The score at half time was 1-1.

During the second half Ashton put the Dungarvan defence under severe pressure and following a short corner they scored a second goal. After that Dungarvan attacked the Ashton goal, searching for an equaliser. Against the run of play Ashton scored their third and final goal.

Dungarvan can feel happy with their performance with all players contributing to a very good overall team performance. Those who deserve special mention were Ann Bones, Cathie O'Mahoney and Michelle Mernin.

Player of the Match — Michelle Mernin.

Team — Sandra Leo, Ann Bones, Cathie O'Mahoney, Audrey Lenihan, Sarah Bones, Carol Elstead, Michelle Mernin, Michelle Clancy, Doireann Conway, Shiellan Phelan (capt.), Alison Leo.

# Park Hotel Sports Star Of The Month

Mr. Pierce Flynn presenting The Park Hotel Sports Star Award for December to Ben Cronin, Garryowen R.C. Photo includes Fr. P. Moran, O.S.A. and Kieran O'Connor, members of the adjudicating panel.

It was a good year for the talented Waterford born No. 8, who earlier in the season helped Garryowen take the AIL rugby title. During October he gave a magnificent display for Munster in their victory over Australia, his line-out win, directly led to the winning drop goal. Finally his outstanding display for Ireland A against Scotland won The Park Hotel December Sports Star Award. P.S. — Injury forced Ben Cronin to miss the final Irish trial and possibly a senior cap.

## DIVISION 3A LEAGUE

# Fighting Draw For Dungarvan

RED STAR 1 DUNGARVAN 1

The new year seems to have brought some slight improvement in the fortunes of the Div. 3A team. This second successive draw was the very least the blues deserved to bring back from Farron Park. Anyone who has played on this very poor pitch will realise how difficult it is to get a result there.

Within ten minutes from the start the Blues were very unlucky not to be two goals up. A great run by John Whelan down the right wing saw him beat the full back, round the keeper and his shot looked on its way to the back of the net, but as we were about to celebrate we were amazed to see the ball get stuck in the mud on the goal line! A few minutes later another great chance was wasted after some severe pressure from the Blues and the ball was again scrambled off the line when a goal looked a certainty.

Even though Red Star had two very good chances when our defence seemed to lose concentration for a while, this was a half that Dungarvan dominated up until the final minute when disaster struck once again. A kick out that was never properly cleared saw a Red

Star player brought down inside the box and the referee had no hesitation in awarding a penalty. They made no mistake from the spot kick and the Blues went in at the interval one down.

In the second half the Blues continued to create some good chances but failed to capitalise on them. As the pitch cut up more and more it started to look as if Red Star might hold on, but to their credit Dungarvan never gave up and fought for every ball to get themselves back into this game.

A good run by Joe Foley brought him into the box where he was blatantly brought down from behind, three yards inside the box. The referee saw things differently and awarded a free kick just outside the box. Nothing resulted from the

kick and this is something we must work on if we are to capitalise on these opportunities.

This decision made the Blues more determined and a ball won in midfield was played wide for John Whelan to cross a lovely ball to the far post where the incoming John Tutty made no mistake to head Dungarvan back on level terms.

While this could not be considered a great performance, considering the conditions it was a good fighting display by the Blues and was a result that they would not have achieved before the Christmas break.

Dungarvan — K. Drummey, T. Duggan, A. Donnelly, M. Hickey, J. Mulcahy, J. Downey, J. Foley, P. J. Drummey, J. Whelan, D. Drummey, J. Tutty, Res., V. Tutty (used), J. Power.

### YANKEE DOODLE

Just to clarify the numbers for Sunday, January 3 were 20 and 35 and not 20 and 25 as published in last week's notes due to a typographical error. Apologies for any inconvenience caused.

This week's numbers were 94 and 30. No winner. £700 on offer this Sunday night for as little as a 10p stake.

### CARDS

Winners on Saturday, January 9 were Breda McGregor and Tony Wright, Mary Dalton and Bernie Kelleher, on 11 games. Jackpot £100 on 15 games. Cards start

this Saturday at 8.30 p.m. sharp.

### POSTPONED

Only two of our five scheduled games fixed for last weekend went ahead due to the inclement weather over the weekend. As a result our U-13 game versus Carrick in Kilrush on Saturday morning was cancelled, as was our top of the table Div. 1A match on Sunday morning versus Hibs. Also our U-17 league match away to Bolton on Sunday morning.

### MUNSTER YOUTHS CUP AREA FINAL

On Sunday next at St. Martin's Park, Waterford our youth side face a very formidable task when they take on the home side in the area final of the Munster Youths Cup. Johnville are one of the top sides in the league and can boast two schoolboy internationals in D. Kavanagh and B. Farrell and two players who were in Kilcohan earlier in the season and also form the backbone of the Waterford youth team. Playing on their home patch the city side will be warm favourites to advance, but this young Dungarvan side will make them fight all the way and will be hoping to go one better than the 3-3 draw in the

first game of the league in Johnville. Bus leaving clubhouse at 1 p.m. sharp and support would be appreciated.

Other games over the weekend sees our Div. 1A side take on Southend in Kilrush on Sunday morning at 11.30 a.m. in a vital league match and a home win will keep John Walsh's side at the top of the league. On Saturday our Div. 3B side should continue their winning ways away to bottom club Butlerstown at 2.30 p.m. while our Div. 3A side are away to Kilbarry Rangers on Saturday at 2.30 p.m. Also on Saturday our U-16 side are at home to Tramore at 2.30 p.m.

### SEAVIEW CELTIC DRAW

We had one winner in the January Seaview Celtic Draw held on Saturday last. J. D. O'Shea won a colour television and we congratulate this former player and officer of the club on his good fortune.

### SYMPATHY

Sincere sympathy to Helen and Pat Grant, Ballinamuck on the death of Helen's mother Mrs. Nell Flynn last week. Also to Hans and Mary Barmann on the death of Mary's father, Tommy Newman, in Cork recently.

Ann O'Donnell, The Gabhas, Main Street, Dungarvan (sponsors), presenting the winning prizes to Mark Reynolds (left) and Maurice Tobin (right), winners in the Deise Pitch & Putt Club's Christmas Tournament.

## Grange United F.C. Notes

Grange United got 1993 off to a perfect start on Sunday last with a 1-0 win over local rivals Ardmore in Ardmore. Grange had first use of the strong wind but found a stubborn Ardmore defence hard to break down. Grange got the break through their constant pressure deserved when Eugene Curran scored direct from a corner kick. They continued to push forward but had to settle for a 1-0 half time lead.

The tables turned in the second half with Ardmore piling the pressure on the Grange goal, but try as they might they could not penetrate a resilient Grange defence which was well marshalled by centre-half Finbarr Walsh.

The closest Ardmore came to scoring was when Seamus Veale missed a penalty and this seemed to spark Grange into action with good chances for "Huckle"

Manahan, Sean Curran and Martin Curran all going abegging.

Hopefully this victory can push Grange towards the promotion places. Best for Grange were Sean Wade, Finbarr Walsh, Eugene Curran, Joe Salmon and "Huckle" Manahan. Star performer Finbarr Walsh.

Team — T. Curran, S. Wade, D. Whelan, F. Walsh, P. Roche, J. Salmon, M. Curran, E. Curran, S. Curran, A. Manahan, D. O'Connor. Subs — T. Casey for D. Whelan (injured) 35 mins.; D. Mansfield for D. O'Connor, 75 mins.

Finally, everyone attached to the club would like to wish a speedy and full recovery to Maurice Quinn. Maurice had been performing excellently up until his injury and his return to action is awaited with anticipation. — PRO, Martin Curran.

## Railway Athletic F.C. (Cappoquin) Notes

### UNDER-13 TSB LEAGUE

# Easy Win For Railway

### Railway 6, Seaview 0

Our under-13 team kept up their good league run when they had an easy win over a weak Seaview side on Saturday last. With only two minutes gone we were in front when Stephen Curran made no mistake. After this goal we kept putting pressure on Seaview but could not score. Our second goal came midway through the half when Alan Landers got the ball outside the box and his shot went all the way. This was how the half ended.

We started the second half playing against a strong wind and with a few minutes gone Edward Pollard got number 3 when he caught the keeper off his line. Four minutes later great work from Anthony Walsh put Stephen Curran through for his second. Patrick Morrissey and Paul Coffey got one each to make it six — a good result that keeps us in contention for the league.

Team — A. Cotter, K. Kirrane, S. Coughlan, K. Foley, D. Barron, S. Curran, A. Walsh, P. Morrissey, P. Coffey, E. Pollard, A. Landers.

### UNDER-11 SOCCER BLITZ

On last Sunday we had a five-a-side blitz for all under-11 players. This was a great success and we had

three teams and they all played two games each. Martin Sullivan's team won a penalty shoot-out. Winning team — Donal O'Rourke, Martin O'Sullivan, Paul Maher, Derek Browne, Kenneth Foley. Runners-up — Kevin Foley, Brian Coughlan, Shane Barry, Alan Dalton, Stephen O'Donoghue. Third team — Alan Hogan, Stephen Hogan, Tom Murray, David Sheehan, Paul Landers.

The club would like to thank Michael O'Brien of the Tavern for sponsoring the trophies for the winning teams.

### FIXTURES

Saturday, Jan. 16 — under-12 away to Seaview, 10.30 a.m., leaving 9 a.m.; Under-16 home to Portlaw, 2.30 p.m.; Sunday, Jan. 17 — Youth team home to Red Star, 11.30 a.m.

### PARENTS

If any parent has a free Saturday maybe they would offer to bring some lads to away games. After the damage caused to our club by the fire, our funds are very low and we find it hard to pay for buses. If you are free you can contact any member of our committee. We would appreciate it very much.

## RED HOUSE LEAGUE

# Araglen Shock Inch & Lismore Advance

Araglen shocked Div. 1 side Inch last Sunday by dumping them out of the cup, as cup specialists Lismore won through against Modeligo. In Div. 1 pacesetters Killeagh won in Tallow and there were also good wins for Valley, Ballyduff and Mogeely.

### ARAGLEN 1 INCH 0

Araglen took a shock 30th minute lead here whilst playing against a gale force wind. Inch missed a penalty on the stroke of half time and from this on Araglen put on a splendid performance to hold on and advance to meet Ballyduff next Sunday.

### LISMORE 3 MODELIGO 2

Cup specialists Lismore had to dig deep to overcome this Modeligo side in a game that was played in atrocious conditions last Sunday. Lismore went ahead through a Modeligo o.g. Modeligo fought back to equalise before half time. B. Shanahan and B. Prendergast got the second half goals which saw Lismore advance.

### BRIDE VIEW (A) 1 KILLEAGH 3

B. Galvin for Killeagh and D. Henley for Bride View saw the sides tied at half time. Two second half goals from T. McCarthy won the points for Killeagh and keep them on course for the title.

### VALLEY RANGERS 3 AFFANE 0

Two first half goals by B. Carr put Valley in control here and a third by S. Buckley keeps them hot on Killeagh's heels for the league title.

### CAPPOQUIN (A) 1 BALLYDUFF 3

A J. Callanan hat-trick clinched the points here for Ballyduff.

### MOGEELEY 2 YOUGHAL 0

A goal in each half from J. McSweeney and one from C. Enright secured two very valuable points for Mogeely here.

### ARDMORE 0 GRANGE 1

A first half goal proved to be enough to secure the points for Grange United.

## PREVIEWS

### Bride View B v. Ardmore

These sides are level on points in Div. II but Bride View are improving of late and will fancy their chances of advancing.

### Cappoquin B v. Pinewood

Can Pinewood be beaten? Bolger Cup winners, top of Div. II and unbeaten thus far this season. Cappoquin will have to produce something special if they are to stay in the cup and on the day they could do just that.

### Mogeely v. Cappoquin A

Mogeely need a good cup run to brighten up what has been a dismal season thus far. Following their victory over Youghal last Sunday they should be in the right frame of mind to overcome this Cappoquin side who have been struggling over the last few weeks.

### Affane v. Glenview Celtic

Bottom of Div. I versus bottom of Div. II, Affane despite their poor form this season should be capable of winning here.

### Lismore v. Glenview United

Cup specialists Lismore will have to be at their best to overcome United who are having a very good season.

### Araglen v. Ballyduff

Araglen following their great win over Inch in the first round last Sunday will not fear Ballyduff. These neighbouring teams should produce a very close and competitive contest which could go all the way to a penalty shoot-out.

### Valley Rangers v. Youghal

Valley, the only unbeaten team in Div. I and only one goal conceded in eight games, are fancied to overcome the seaiders who are having a very indifferent season.

### Bride View (A) v. Piltown

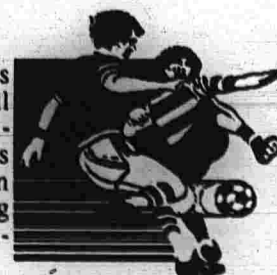

Bride View following their defeat by Killeagh last Sunday need a good cup run to keep their season alive. Piltown are not going too well this season and it's hard to see them causing an upset here.

### SYMPATHY

The management committee and members of the Red House League wish to extend their deepest sympathy to Declan Whelan and family on the death of his mother. May she rest in peace.

Clubs please note that leagues for under 13 and under 16 will commence at the end of January. Clubs interested in this league please contact Liam Fraser 058/56324 or Tadgh Collins 024/95358 before January 25.

# Cunnigar Pitch & Putt Notes

## THANKS FOR THE MEMORIES

Well Christmas has come and gone, 1992 is but a memory, but what memories. September was quite a month for the city and county of Waterford, the Decies Under-21 hurlers made up for the minors near miss! They beat Offaly in the replayed All-Ireland final in Kilkenny. Down in Killarney, Waterford and Tramore golf clubs enjoyed great success in the cup and shield final.

On the pitch and putt scene, the national spotlight switched back to Waterford again, the third Sunday in September, traditionally Carroll's club tournament final day on the pitch and putt calendar. Two clubs from Waterford dominated the Carroll's club tournament. Congratulations to the city outfit Waterford Glass on their great victory and

becoming All-Ireland champions with a record score of 48 points. Well what can one say about the pride of Dungarvan, the Cunnigar team of Killian, Paddy, Morrie and Pat, on their magnificent performance in becoming All-Ireland runners-up with a record score of 46 points. The Cunnigar is a young club (established 1990), but is going places!

## PADDY WINS IN KILLARNEY

The club was represented at the last official Open of '92 by club chairman Mike Daly, secretary Tommy Lenihan, Leonard Duggan and Paddy O'Neill, who made the journey down to Killarney. After three days of top class pitch and putt, by this quartet, Paddy emerged victorious with a brilliant score of 97 gross for 36 holes and captured one of the major prizes at this event. Mike Daly was

very unlucky not to win one of the main prizes and the same can be said about Leonard and Tommy.

## SPONSORED CYCLE A GREAT SUCCESS

With almost all the sponsored cycle cards in, the club committee would like to express their gratitude to all concerned no matter how big or small your contribution might have been. The cycle turned out to be a big money earner for the club.

Talking about cycling, congratulations to Robert Power on his splendid win in Blarney.

## NEW CLUB JUMPERS AND CREST

Fulsome praise is due to club registrar Michael Healy, on the work he put in to getting the jumpers and crest. The members are very happy with them.

## TOURNAMENT

A tournament will take place this Sunday, January 17 for legs of lamb. Tee-off time is from 10 o'clock to 11 o'clock, weather permitting of course.

## SYMPATHY

On behalf of everyone in the club we extend deepest sympathy to our treasurer, Patricia O'Regan on the death of her son-in-law Matthew Monahan and to his wife Mary and the Monahan family, and to our club member Maurice Wade and family on the death of their mother, Mary Wade. May they rest in peace.

## COMMITTEE MEETING

A meeting of the clubcommittee will take place at the clubhouse on Thursday, January 14 at 7.30 p.m. — *Shout Fore.*

## Cumann Lúthchleas Gael Na Rinne

**CRANNCHUR AN CHONTAE: I BPÁIRTÍOCHT LEIS AN gCLUB**

Full-scale advertisements in local papers last week gave us full particulars of the Development Club Draw. Valuable prizes are on offer to participants. All who are interested in furthering the continued progress of the GAA at club and County level should now be well acquainted with all the details.

Ná déanaigf dearmad, freisin, go mbeidh cabhair le feisteas agus treallamh ag teacht chuig na Bun-scoileanna de bharr na scéime. Tá na "promoters" áitiúla ag dul timpeall chun na tithe faoi láthair. If you wish to take part and have not yet been requested to buy a ticket, contact our Club Coordinator, Domhnall O Murchadha, who is doing trojan work for the scheme within the parish. Bá mhaith an rud dá mbeadh ainmneacha, airgead agus ticéadaí faighte ag Domhnall chomh luath agus is féidir, agus roimh an lú Feabhra ar a dhéanaí. Beidh an chéad Chranchnur i ndeire mhí Feabhra, Bfimis páirteach ann.

**SCÓR NA NÓG**  
Dhein Clár agus Áine Nic Giollaphádraig éacht ar ár son arís. Níor thuigearm i gceart é, ach bhí dhá leathchraobh ag Scór na Óg sa Mhumhan, i mbliana, ceann acu i gCurrach i gContae Chiarraí, an tseachtain seo chaite agus an tarna ceann idir Portláirge, Tíobraid Árann agus Luimneach ar an Domhnach seo. Again our worthy representatives qualified for the final proper which is to take place shortly in Connolly Hall, Corcaigh. Tá ár moladh agus ár mbuíochas tuille ag na cailíní agus ag a dtuismitheoirí. Go néirí ádh libh arís!

**CRUINNIU CINNBLIANA 1992**  
Prominent in most club

notes in recent weeks is a report on their club's AGM. I mbliana, ní bheidh an cruinniú cinnbliana againne go dtí go mbeidh Comhdháil an Iarthair agus Comhdháil an Chonntae thart. (Since this will be the AGM for 1992, only those who were over eighteen years of age on January 1, 1992, and who have paid their membership fees for the 1992 season, will be entitled to vote).

Mar a dúrathas cheana, sa chúinne seo, is é an AGM an cruinniú is tábhachtaí i mbeatha an chlub, nuair a thagann na daoine atá ina mbaill le chéile chun a smaointe a nochtadh. This is the proper forum for new ideas, for suggestions and criticisms to be mooted and discussed. Is ceart go mbeadh imreoirí, thar aon dream eile, i láthair chun aon iarratais nó fadhbanna atá acu a chur ós comhair an chruinnithe, chun go bpléafadh an slua iad.

At the AGM, the members elect the officers and committee who function on behalf of the club for the year, and, at this meeting, report on their stewardship of the period. Roghnáitear captaein, fo-chaptaein, roghnóirí agus oiliúndóir ag an gcrúinniú. Is ag na baill atá an rogha. Members may indicate their choices by being present at our club's AGM on Saturday, February 6 at 8 p.m. in Halla an Phobail.

**DINNÉAR BLIANTUIL**  
Tá na ticéadaí don teacht le chéile bliantuil le fáil ó na baill den Choiste anois. £10 an ceann atá orthu. We expect the usual high standard of cuisine in the Park Hotel on Friday, January 22 and a large crowd of our faithful GAA people to make it an enjoyable occasion. Táimid ag tnúth go mór leis an oíche. Bfimis le chéile ann!

**LIATHRÓID RAICEIDE**  
A major event in the parish on Sunday evening last was the final of the inaugural

competition in racquetball, supported by Tigh Mhuirthe. Much interest was evoked by the meeting of Dearán and Cárthach, two worthy exponents of the sport since its inception in Árus Uí Shíocháin. Bhí cluiche dian eatarthu agus géar-iomáiocht ann, inar thaispeain an bheirt iomaitheoir scil agus aclaíocht agus glíceas. Sa deire bhí an bua ag Dearán. Tréasluimid leis é. Bronnadh na pláiceanna orthu i dTigh Mhuirthe. Tógadh griangrafanna agus bhí "píosa de oíche" ann ina dhiaidh. Molaimid na daoine a d'eagraigh an comórtas agus tá súil againn nach mbeidh sé rófhada go mbeidh sraith nó imeacht eile ar siúl ins na pinniúirí.

**PAINÉAL FAOI-21**

Following last year's success story, the composition of the 1993 panel will be of interest to many. The County selectorial team are anxious to press ahead with the job. Ar an Domhnach seo chaite, bhí an chead triail acu san Áird Mhór, d'fhonn painéal a roghnú. Is mór an onóir do fhoireann na Gaeltachta agus d'fhoireann na Rinne ach go háirithe, gur tugadh cuireadh do bheirt dár gcuid — Eamonn O Crotaigh agus Séimí Mac Craith — bheith i láthair, chomh maith le Pa Foley ón Áird Mhór a d'imir leo ar fhoireann na Gaeltachta in 1992. Go n-éirí on tadh libh a deirimid leo go léir idir imreoirí agus roghnóirí.

**COMHGHAIRDEACHAS**  
Tréasluimid le Stíofán O Cuirrín, le Fergus O Meachair agus le Emmet O Cuirrín go bhfuil an 21ú bhliain slánaithe acu le déanaí. Bhí cóisir agus ceiliúradh taitneamhach acu an deire seachtaine seo atá chaite. Guímid rath agus sonas sláinte orthu sa saol atá rompu.

## Abbeyside/Ballinacourty G.A.A. Notes

**ADDED BONUS**

The good news for anyone who has purchased a ticket for the Deise Development Draw, from an Abbeyside/Ballinacourty promoter, is that there is now an added bonus. All members who join with the club will be entered in an internal club draw for a generous cash prize each month.

**BUSY**

The club committee under chairman Pat Moore met for the first time in 1993 on Thursday evening last, where a large amount of business was transacted.

Exceptionally busy is the finance committee under coordinator Bernard Shields, who are overseeing the sale of the draw tickets which have attracted a massive response to-date.

**SENIOR CITIZENS PARTY**

The club fulfilled the annual task of ferrying parishioners to the Clonea Strand Hotel for the senior citizens party on Sunday afternoon last, where by all accounts everybody thoroughly enjoyed themselves. Our thanks to all our drivers who helped make the day such a great success.

**FAS SCHEME**

A new FAS scheme at the club grounds commenced recently, clubman Tommy Treacy is the scheme supervisor and already the progress achieved by the workers is noticeable.

**WESTERN CONVENTION**

Congratulations to Seamus O'Brien who has been returned unopposed for the position of Registrar of the Western Board. The convention takes place this Thursday evening in Leamybrien.

**UNDER-21 TRIAL**

Five of our hurlers were called for a trial for the county Under-21 side on Sunday afternoon last in Ardmore. They were Alan Ryan, Damien Cliffe, Dermot Ryan, Patrick Veale and Kenny Killigrew.

**TEAMS OF THE PAST**  
This week's team of the

past, played their part in an historic occasion for the club. Following Ballinacourty's victory in the 1965 county intermediate championship, they graduated to senior ranks where they tasted their first senior competition in the Phelan Cup on April 16, 1996, when they defeated Ring by 1-7 to 0-4.

The team that did duty was — Brian O'Connor, Peadar Wall, Mick Kiely, Davey Murray, Pat Enright, John McGrath, Liam Enright, Pat McGovern (capt.), Pakie Hogan, Vincent Byrne, Jack Elstead, Greg Fives, Johnny Hogan, Donal Whelan, Tony Mansfield. Subs. — Paddy Cashin, Don O'Connor, John Daly.

**SCOR NA NOG**

In a great evening for Wa-

terford and Abbeyside/Ballinacourty, six of the Deise's acts, including our sketch team, qualified for the Munster finals of Scor, after an evening of great excitement at the Thurles Sarsfield's Social Centre.

It was yet another brilliant performance by the (Ballinacourty) sketch team of John Phelan, Eamon Veale, Michael Fives and Martin Whelan. In recitation Clodagh Power was narrowly beaten, a special word for Clodagh who performed very well in all three contests of 92/93.

There was a big following for our acts, but much more is expected for the Munster final which takes place in Connolly Hall, Cork on January 23 next. Well done to all concerned.

## Notai C.L.C.G. An tSean Phobail

On Friday night next in the dressingrooms at Pairc Uí Colmain a players meeting will be held. The meeting begins at 8 p.m. and it is vital that all players are in attendance, particularly new players.

The club's Annual Social will take place in Lawlor's Hotel on Saturday night, February 20. Tickets costing £10 are available from all members of the committee. Any membership money still outstanding should be paid to our secretary as soon as possible.

The club would like to extend their sincerest sympathies to the family and friends of Dan Morrissey, Mary Wade and Hannah Whelan who all died recently. Go ndeana Dia trocaire ar a h-anamacha.

The ladies held their A.G.M. recently and in the course of the meeting Chairperson Aobhin Ni Chonchubhuir in her address covered the ladies tremendous achievements during the year. Chairperson — Aobhin Ni Chonchubhuir; Secretary — Angela Power; Treasurer — Geraldine Wade; P.R.O. — Sean Wade.

Selectors for the intermediate football team are — Martin Curran, who again will be the ladies trainer and George Young and also the captain will be Jacqueline Power.

The ladies will be holding a table quiz in the Marine Bar on January 29 and the support of everybody would be greatly appreciated. — P.R.O.

G.A.A. NOTES

BY "COMMENTATOR"

# Western Bord na n-Og Convention

Jimmy McGrath, Chairman, presided at the above annual convention held at Lawlor's Hotel on Monday night of last week and while a number of clubs did not send a delegate, there was some excellent debate during the business of the meeting.

In his address the Chairman hit out very strongly at the "referee bashers" who constantly made trouble for the officials in charge, but never seemed to lend a hand when it came to finding referees and umpires, etc. He said that such people liked to stand on the bank or on the sidelines and hurl abuse at the referee when things were not going their way. He said that the recruitment of referees should become a priority for the incoming Bord and he appealed to all clubs to take this matter seriously.

He thanked the many clubs and particularly the officers for their wonderful co-operation and help during this very successful season.

## SECRETARY'S REPORT

The Bord's Secretary, Eddie O'Shea was complimented on his work during the year and on his very fine report which was as follows:

On reviewing the past year's activities for Bord An nOg Thiar, we can look back on a more successful year than 1991. With the championship starting on March 14 and scheduled to finish on October 10, with the exception of one, we were completed on time. The U16A football final was the one exception, having to go to a second replay.

We succeeded in winning six county championships this year, compared to just one last year. We defeated East Waterford in the Gleeson Cup after an exciting and entertaining game in Ardmore. We retained the O'Regan Cup for the third successive year in Kill. Both Divisional selectors met and picked a County team to compete in the Tommy Power Cup, but alas, on the day we had to concede a walk-over to Kilkenny, as the East Waterford players had not been notified. Twelve of the thirteen West players turned up. We were reasonably successful in the Nenagh Co-op and Tony Forristal competitions. I would like to thank all the selectors for the time and effort they put in during the year.

Congratulations to Buddy Curley, Tulach An Iarainn, who represented the county in both Poc Fada and Feile Skills.

## REFEREES AND VENUES

No words of thanks can express thanks to our refer-

ees, who refereed more than 300 games during the year. Sixteen referees officiated at these games which is a tremendous commitment from them. I sincerely thank the clubs throughout the Division for the use of their excellent facilities. A special thanks to the following clubs for the use of their facilities for semi-final and Western finals — Cappoquin, Modeligo, Dungarvan, Abbeyside, Brickeys and Ardmore.

Thanks to club secretaries for their co-operation throughout the year; to the Primary School Board for the wonderful work they are doing for the promotion of our games; to the two coaches, Peter Power and Pat Curran who are doing a tremendous job at improving the standard of our games; to my fellow officers for their co-operation during the year. A big thank you to Tony Morrissey for organising the Golden Goal, which was a huge success.

I wish to pay a special word of thanks to Western Board Secretary, Anthony Walsh for his wonderful help and co-operation throughout the year.

## FINANCE

The Bord's Treasurer, Jimmy McCarthy, told delegates that it had been a very successful year and gate receipts were well up on other years. The successful organisation of the "golden goal" lottery was a factor in having the finances in such a healthy state. The situation now is that the Board has a credit balance of £1,465.

Sean Whelan complimented the Treasurer on the excellent manner in which the accounts were presented.

## MOTIONS

A number of the motions submitted were proper to the County Convention and were referred. The Dungarvan sponsored motion which proposed a re-organisation of the A and B Under-14 hurling championships was debated at considerable length and were there some excellent contributions to the discussion.

The motion proposed that there be an amalgamation of the A and B clubs and that they play in a series of games to decide the top four who would then compete for the A championship, with the next four playing in the knock-out stages of the B Championships. Reason for the proposed amalgamation was

that only three clubs usually were graded for the A Championship and this had, for many reasons, proved unsatisfactory. The new idea would give many more matches to all the teams and those not successful after the first round would have another chance. Pat Meehan proposed and Liam O'Donnell seconded.

Pat Beary, Ballyduff, opposed on the grounds that the weaker teams, some of whom were relying on very young players to fill their teams, would be so badly beaten by the stronger clubs, that they would become disheartened. John Joe Scanlon also strongly opposed. Tom Cunningham, Stradbally, also spoke against as did Paddy Foley, Ardmore.

Pat Moore spoke strongly in favour and pointed out that in two sections of seven, a weaker team might meet only one strong club. Peter Power, John Kiely, Chairman of County Bord na nOg, Pat Nugent and others expressed their support. However the motion just failed to obtain a two-thirds majority.

## GRADING

County Chairman in replying to questions regarding the grading of teams told the meeting that this matter was given a very thorough examination and the strength of teams was very well researched when the committee were deciding. Last year two and a half hours was spent in doing this.

## ELECTION OF OFFICERS

Chairman, Jimmy McGrath (outgoing) was returned unopposed; Vice-Chairman, Sean Whelan was elected unanimously to replace Tony Morrissey who did not seek re-election as he was contesting another position on the adult Board; Treasurer, Jimmy McCarthy (outgoing, unopposed); Secretary, Eddie O'Shea (outgoing, unopposed); Registrar, Seamus O'Brien (outgoing, unopposed); PRO, John Horgan, Dungarvan (unanimous); Assistant Secretary, Pat Nugent (unanimous).

## UNDER-14 SELECTORS

The Chairman stated that this matter would be finalised at next week's meeting and he appealed to clubs to submit names of members who were willing to act.

## PRESENTATION OF JERSEYS

Photo shows well-known publican John Paul Walsh, Old Parish, making a presentation of a set of jerseys to John Murphy, Chairman, Old Parish G.A.A. Club. Also included is Martin Curran, Club Secretary.

# COUNTY CONVENTION

The big one takes place at Clonea next Saturday week and to a certain extent it is presently overshadowed by the Western Convention which takes place this week. As usual, there is quite an amount of speculation about the elections for the various positions and the "tallymen" have been doing a head-count in an attempt to figure out what the results will show after this. Understandably, the predictions do not agree and therefore there are uncertainties which make the business all the more exciting.

There is no positive news about an election for the chairmanship but we do know that the contest for the representatives for the Munster Council is gathering momentum with each passing day and the head-counts indicate that it is going to be a tight squeeze between the three known candidates. Greg Fives has decided not to stand because of his many other commitments and his involvement with the county draw, but certain

to stand are Tony Hennessy, who is outgoing, Jimmy O'Gorman, retiring chairman of the Western Board and Jim Greene who took a high profile as manager of the county minor hurling team last year. As I have written, the predictions are that it will be very close.

When another seven days have gone by I'm sure we will have more information about the contests for the other positions and I will return to the subject next week.

## SECRETARY'S REPORT

I have received a copy and again it is a detailed and comprehensive report of what popular County Secretary, Seamus Grant describes as a year of outstanding achievement for the Deise County. This very fine report will be dealt with next week.

## FINANCE

This report when available is sure to show the financial position of the Board to be little different from what it was at the end of last year. Our championship gates are expected to be down on the previous year and all the additional expense resulting from our extra intercounty involvement will not help to make the statement look healthy.

A special grant of £15,000 handed over by the Chairman of the Munster Council, following their great year, will be a big step but it is not likely to substantially change our overall financial situation.

## SENIOR FOOTBALL

# Waterford v. Tipperary

The meeting of Waterford and Tipperary in the Halpin Cup at Stradbally will mark the opening of our inter-county programme for 1993 and the selectors are treating this game very seriously as it will be their final trial before their first league match of the season, which will be against Clare at Dungarvan on February 14.

G.A.A. NOTES

BY "COMMENTATOR"

# Western Convention

The first of the county adult conventions will take place at Leamybrien on tomorrow (Thursday) night when all clubs in this division will assemble to review the year past and to elect an officer Board to run their affairs during the coming season.

## SECRETARY'S REPORT

In his very complete and detailed report of all aspects of Board activity during the year under review, popular secretary Anthony Walsh puts on record all the happenings that need to be highlighted. This is, by any standards, an excellent report from a secretary who has his finger on the pulse of things in the division.

In the course of the report he says:

"On all counts I think that 1992 has been good to us all and I am happy to place before you a review of the outstanding achievements by some clubs, the high standard of performance right throughout the championship series and in particular a display of goodwill and co-operation and discipline that brings credit on all concerned. However, we cannot turn a blind eye to the fact that there still exists a number of clubs who are only just a name i.e. without participation. Thankfully the number is decreasing with each passing year. Our clubs must strive towards perfection and be seen to be putting their efforts into all activities of C.L.C.G."

## CONDUCT AND DISCIPLINE

Dealing with the above the Secretary says: "It is vitally important that Cumann Luthleas Gael should impose a good disciplinary code which produces order, self-control and respect for opponents. Mentors should be fully aware of their responsibilities not only to reprimand and discipline players guilty of breaches of discipline, but also to set good example themselves.

"The number of breaches of good conduct during the year under review were virtually non-existent. However, some incidents did take place that necessitated Board action and while these were few and far between, the fact that they took place at all should be a good reason for greater vigilance and attention in the future.

"In presentation however, we leave a great deal to be desired. How many times have we witnessed players and through them, club officials showing scant regard for uniformity of attire. Even at Divisional and County final level this old bug bear manifested itself

and clubs must be fully prepared to eradicate this problem totally from our midst. A further reminder in relation to punctuality whether it be getting our games or meetings under way at the appointed time would not be out of place. By our attention to such matters we are improving our image and winning the admiration and respect of all."

## REFEREES

With regard to referee's the report states — "I reported to Convention last year that in my opinion a near crisis situation had been reached in regard to referees. Little has happened in the meantime to make me alter this opinion with the exception perhaps of the efforts of the Referees Association within the County. Sadly, to relate their efforts within the Division to recruit and improve standards were largely ignored by the clubs. No longer can we expect to be served by a mere handful of the most dedicated officials one is likely to find anywhere in the land. What is not appreciated by most people is that many, if not all of our referees are actively involved in some way with their clubs and their availability is determined by the clubs programme on any given day. I wish to express my appreciation to all the referees who have worked so unselfishly in the Boards interest during the year."

## SOCIAL AND PLAYING ACTIVITIES

On the social scene Mr. Walsh says Scor again provided a real important outlet for many clubs both at adult and underage level and the efficient manner those behind the scenes worked for its continued success once more deserved and warranted the highest Boards commendations. Clubs still hesitant about participation should, he said, put Scor as one of their priorities during the coming year.

## ELECTIONS

Unfortunately we are no wiser now than when I referred to the same subject last week.

I do know the election of a new chairman to replace Jimmy O'Gorman will resolve itself into a battle between Ollie Wilkinson who has filled this post for eight of the past nine years and Tom Cunningham, Stradbally, who is seeking a change from the position of County Board Representative, which he presently holds. Whichever one takes the job will have a hard act to follow in keeping up the high standard set by Jimmy O'Gorman, who is standing down to contest the Munster

Council Representative position vacated by Greg Fives. Jimmy was a very popular official who dealt fairly and honourably with all people and all situations and certainly gave the job, his all.

The election of a vice-chairman is also arousing considerable interest throughout the division and there are four members in the race so far. Paddy Walsh, who was a County Board Representative for many years, Billy Walsh, who is Fourmilewater's representative on the County Board and Tom Cunningham of Stradbally, who is a present Board representative on the County Board. Tom's intentions are not known as he is nominated for three posts and if he does not make it to the chair, the expectations are that he may decide to stay on as a rep., but this, at the moment, is mere speculation.

Ollie Wilkinson is the holder of the office and the fact that everyone seems so sure that there is going to be a contest, is probably indicative of popular opinion about the outcome of the election for the chair.

## TREASURER

As already announced, James Walsh has announced his retirement from the position of divisional treasurer because of the amount of work involved at County Board level. Three are nominated, but it is expected that there may not be a contest and that Tony Morrissey, Geraldines Club will take over. Tony has been involved in gate-management at Fraher Field and elsewhere during the past couple of seasons and has the experience needed.

## OTHER POSITIONS

The outgoing runai, Anthony Walsh and registrar, Seamus O'Brien, are not being opposed and there are no rumours that Denis McGrath, who is nominated, will oppose Nicky O'Donovan for the position of assistant secretary.

## FINANCE

The financial report, while it shows the Board to be in a very healthy state with a credit balance of over £5,000, points out that the loss to the Board over the year was £1,580 which was due to smaller gate receipts.

In 1991 the Western Board had gate receipts of £9,187 and this year the figure (1992) is £8,656. The difference is almost insignificant but when it is seen that this Board has to pay over £1,843 share of gates to County Board we see a sizable drop of revenue from our only source of income. Because of reorganised

schedule of matches (made necessary because of the success of our county underage teams) the Divisional Board has no option but to play some attractive games almost in competition with attractive County Board fixtures at other venues not far away.

The bulk of the gate receipts were taken at Fraher Field (almost £4,000) and at Cappoquin with receipts of £3,172 — the biggest gate

of the season £640 was taken for the Ballysaggart versus Kilrossanty junior hurling final at Cappoquin.

The total income of the Board for the year under review is £33,441 as against £29,074 for the previous year.

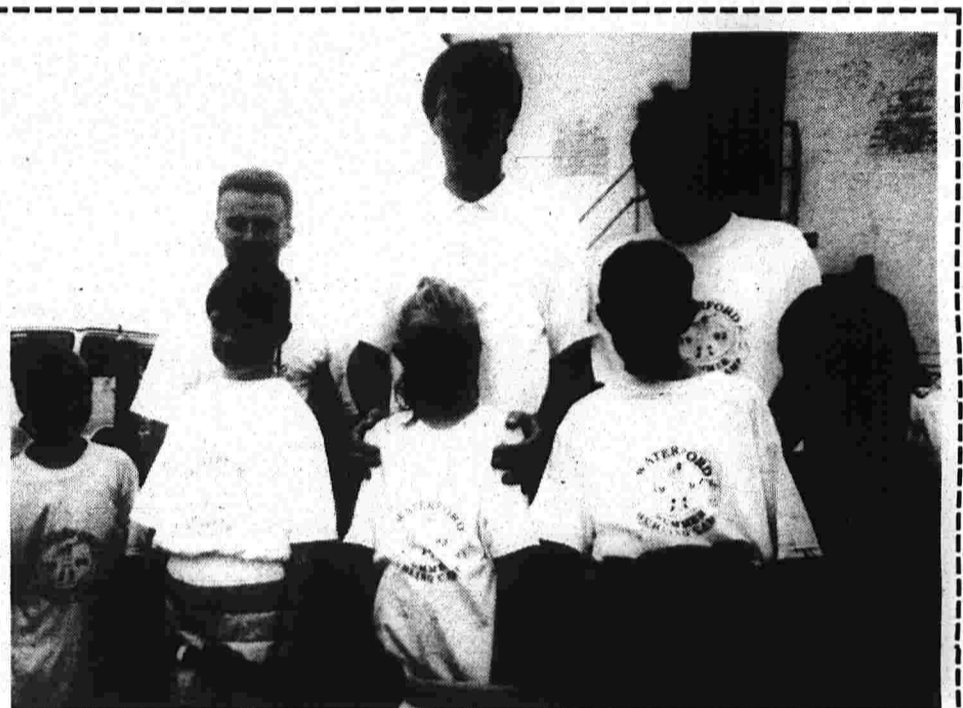

The very well tabulated statement of accounts shows there is little difference in the other comparative figures shown on the sheet.

The treasurer, James

Walsh has expressed his very sincere thanks to the many gatemens and supervisors for their help and assistance in looking after the collection of monies at the various venues.

## MOTIONS

It is unlikely that much time will be spent in discussion on the three as all three are Board matters and not quite proper to convention at all.

**SUMMER CAMP ARDMORE '92** — Peter Power (Jnr.), John Boylan (Cork) and MacDara MacDonagh (Galway), coaches, with boys and girls during the very successful hurling camp at Ireland's tidiest town on a summer's day in June 1992.

## YOUNG HURLING PROSPECTS

This week we continue our popular series of young hurling prospects. These lads are from the hurling nursery — Lismore CBS.

**Mark O'Reilly (10 years)** — Mark is a very well behaved boy at sessions. Excellent co-ordination and very skilful. His uncle Brian O'Reilly is well-known in music circles having won the Castlebar Song Contest some years ago. Favourite player D.J. Carey.

**Sean Ormonde (8 years)** — Sean is a

small tidy little hurler who loves hurling. This is natural as his father is Michael "Ducky" Ormonde, a star corner forward with Waterford a few years back, who roasted many a Tipp, Cork, Limerick and Clare corner-back. Favourite player Mark O'Sullivan.

**Colin Kearney (9 years)** — Very determined little lad with good ball control. Looks forward to visits. His home is at Ballysaggart. Favourite player Paddy O'Donnell.

## Sympathy

Our very sincere sympathy is extended to the Colbert family of Crossford, Ardmore, on the recent death of their mother Mrs. Mary Colbert, which occurred recently. The family have always given tremendous support to the county and particularly to the Ardmore club. John Colbert as well as giving outstanding service to the club played for many years with the county football team where he manned the goal during many exciting encounters. # Council Request To Restore Ballyduff Banking Service

The withdrawal by Allied Irish Banks of their one-day banking service from the West Waterford village of Ballyduff Upper was referred to at the monthly meeting of Waterford Co. Council in Dungarvan last Monday when a request was unanimously made to the Bank to restore the service.

The matter was raised by Cllr. J. Quirke who stated that the Chairman of Ballyduff Community Council had already raised the matter publicly.

Cllr. Quirke said that for the past 60 years the Bank provided the service in Ballyduff on one day each week. The business was carried on first from a shop premises which was sold and was then transferred to another outlet but this had then closed.

This closure had given the Bank people the opportunity to walk away from Ballyduff which they did, said Cllr. Quirke. "It is not right that this service should be withdrawn from the people living in Ballyduff and the surrounding area and I hope the Bank will reconsider their decision," he said, adding that if there was any problem about locating a suitable premises, the Community Council

would be only too willing to give assistance.

Cllr. W. McDonnell supported the call to the Bank to reconsider their decision. "It's a shame that they have pulled out of such a small area and it is the old people there who will be affected most," he said.

The County Secretary, Mr. B. J. McNally said that he would write to AIB conveying the Council's views on the matter.

#### CONGRATULATIONS

On the proposal of the Chairman, Cllr. B. Kyne, the members of the Council joined in passing a vote of congratulations to Mr. Stephen O'Connor, Managing Director, Waterford Foods plc. on being chosen for the prestigious award of "Business Man of the Year."

Tributes were paid to Mr. O'Connor's wonderful business acumen which had made Waterford Foods the largest dairying complex in the country now.

On the proposal of Cllr. Pat Leahy, the Council members also joined in unanimously congratulating Conor Dempsey, Shandon Farm, Dungarvan on winning the Overall 1992 Bord Trachtala National Student Marketing Award.

Cllr. Leahy said that the feasibility study prepared by Mr. Dempsey for his prize-winning project showed that Ireland had the second highest consumption of frozen foods in Europe and that we imported 83% of frozen chips amounting to £18.3 million last year. In a potato producing country it is a scandal that we had to import such a product which could well be produced at home and provide a number of badly needed jobs, he said.

#### SYMPATHY

On the proposal of Cllr. Lar Hart seconded by the Chairman Cllr. B. Kyne, a vote of sympathy was passed to the family relatives of the late William Fitzgerald, Kiladangan, Dungarvan, a long-time former employee of the Council.

## Sighs Of Relief As Crystal Workers Back Survival Deal

CONTINUED FROM PAGE 1

tance of the £8 million survival plan.

The crucial New York meeting was arranged before Christmas with management facing an ultimatum to push through the rescue package or draw up an alternative strategy to wind down production in Ireland and buy in foreign glass for sale under the Waterford name.

Chairman and Chief Executive, Dr. Paddy Galvin said the workers had now provided the opportunity to again turn the company into a profitable enterprise.

But before Dr. Galvin and Chief Operating Officer Brian Patterson leave for the US next week, they will insist that all seven sections in the three crystal plants have concluded final talks on the "nuts and bolts" of pay cuts and new work practices.

It is seen as essential that the two executives have a clear and unqualified acceptance of the rescue package in their hands to convince the foreign investors that the industry can be put back in the black.

#### JOB CREATING PROJECTS

At the monthly meeting of Waterford Co. Council in Dungarvan last Monday both the chairman Cllr. B. Kyne and the Co. Manager Mr. D. Hurley spoke of the relief and happiness which the outcome of the Waterford Crystal votes in Dun-

garvan and Waterford had given them.

Mr. Hurley said that because of the shadow over Waterford Crystal in recent times he had refrained until now from referring to the good and positive things that were happening in the county and the successful industrial projects in which the County Development Team had been involved. These included the Flair Garden manufacturing plant in Tallow which last year created 50 jobs; the new leather industry in Portlaoighaire which would provide 50 to 60 jobs while extensions at Sterling Drug in Dungarvan (30 jobs), Pinewood Laboratories in Ballymacarbry (10 jobs) and Radley Engineering in Dungarvan at least 10 jobs. "I feel it should go out from this meeting that while there have been job losses in the county last year there have also been many new jobs created," said Mr. Hurley.

The Chairman Cllr. Kyne said that the outcome of the Crystal vote was welcomed not only by the workers but also by their families who would now appreciate a reaction from the management. He felt that the outsourcing of jobs should be phased out while he thought that the State through the IDA should make an investment in the company.
