## Egyptian Ambassador Visits Ireland's New Oyster Capital In Dungarvan

PHOTO CALL FOR VIP VISITORS — The Egyptian Ambassador, His Excellency Hussein Mesharafa and his wife Dahlia (centre) pictured with Directors Michael Quealy and Jim Harty (left) and Pat Keogh, Deputy Chief Executive BIM (right) during their visit to the Dungarvan Shellfish Company oyster beds last Sunday morning.

Last Sunday morning was certainly a red letter occasion in the developing progress of Dungarvan Shellfish Ltd whose production of Pacific Oysters in Dungarvan Bay has grown so rapidly that Dungarvan has now become one of the most important oyster production areas in Ireland and has, in fact, literally made Dungarvan the new oyster capital of Ireland.

The directors of the Company, Mr. Jim Harty, Gortnadiha, Ring and Mr. Michael Quealy, Monang, Abbeyside, who pioneered the venture in 1984, have seen their project grow over the past nine years to the extent that in conjunction with their French partners they have now engaged in a major expansion programme under a new fish culture license provided by the Dept. of the Marine and with grant support from Bord Iascaigh Mhara.

Last Sunday morning, Mr. Harty and Mr. Quealy played hosts to Mr. Patrick J. Keogh, Deputy Chief Executive BIM who was later

joined by the Egyptian Ambassador to Ireland, His Excellency Hussein Mesharafa who was accompanied by his wife Dahlia in a tour of the 50 acre oyster farm. All were most impressed by the layout and location of the development.

Speaking at a Press Conference later, Mr. Pat

Keogh said that the BIM 'Programme for Job Creation in Aquaculture' launched by the Minister for the Marine last November aimed to increase aquaculture production nationally from £40 million to over £100 million over the next five years and in the process to create over 1,100 jobs

around the coast. One of the farmed fish species whose production had grown most rapidly was Pacific oysters and here in Dungarvan Bay had become one of the most important oyster production areas in Ireland.

"In 1992", said Mr. Keogh, "production in Dun-

## Vintners Drive To Curb Underage Drinking

At the annual general meeting of the Waterford Licensed Vintners Association in Dungarvan members agreed to seek the support and co-operation of the schools, parents and the Garda authorities in an effort to curb underage drinking. Calls were also made for the introduction of ID cards in the city and county and its extension nationwide if possible.

While many publicans stressed that the problems of underage drinking are no greater in Waterford than in any other part of the country, there was unanimity among them that every possible effort should be made to try and curb it.

Cappoquin publican Nora Flynn said the co-operation of the schools, the parents and the Garda authorities will be of paramount importance if their campaign against underage drinking is to succeed. The successful introduction of an ID system would be a major step forward.

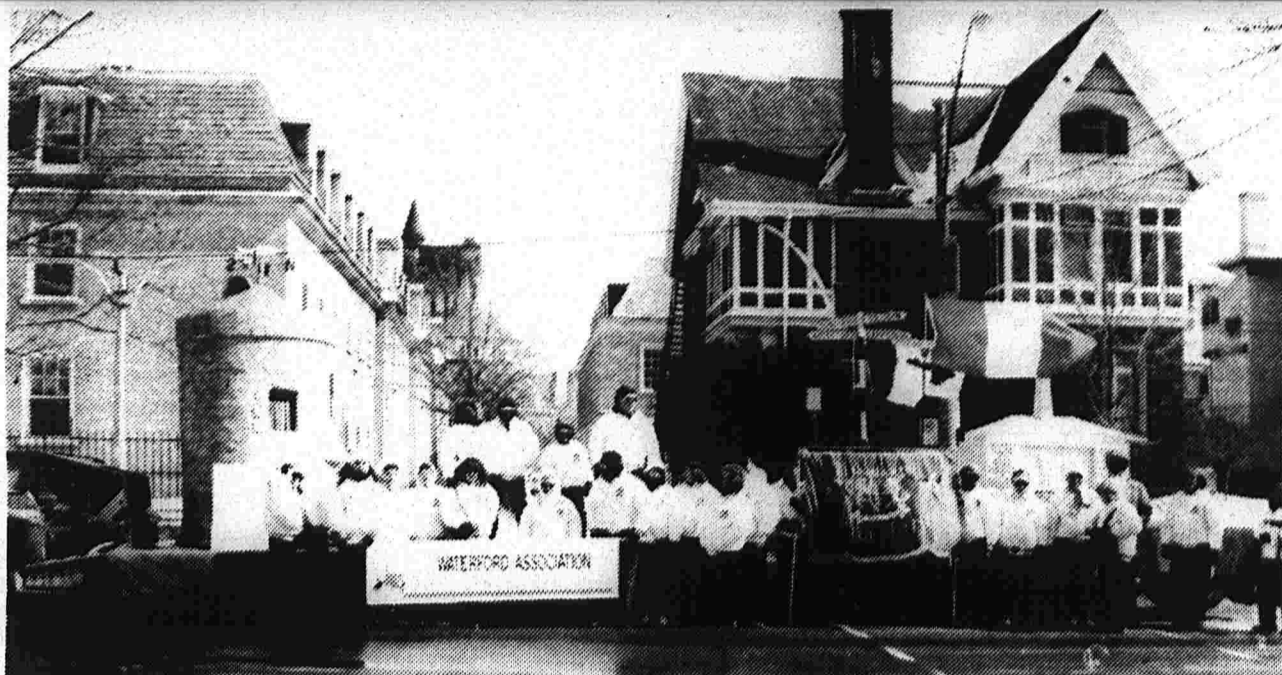

Mrs. Flynn, who is a Fine Gael member of Waterford County Council, said the overwhelming majority of the publicans of Waterford city and county have no desire to serve alcoholic drink to those under the legal age.

"What we are now endeavouring to do is

## Waterford Exiles Celebrate St. Patrick's Day In Toronto

The St. Patrick's Day Parade this year was the coldest yet, but the weather did not deter the Waterford contingent. We had a great turnout and after the parade we again adjourned to the King Edward Hotel for lunch. Many thanks to Bill Croke, V.P. & General Manager. Our float was a great success thanks entirely to the hard work of Michael Cahill. We were not placed in the top four this year however, next year we are going for the "gold." The photo was taken by Peter Pierce. —(Marian Culley, President, Waterford Association, Toronto.

## KNOW YOUR RIGHTS

**Question** — Can you tell me the circumstances under which it is possible to claim a refund of PRSI?

**Answer** — PRSI which was correctly payable in the first place is never refundable. However, there are a number of situations in which PRSI or the two levies may be refunded. These are:

● If your employers deducted the wrong class of PRSI, e.g. if Class A was deducted when it should have been Class J.

Apply for refund to: Dept. of Social Welfare, PRSI Refunds Section, Gandon House, Amiens Street, Dublin 1. Tel. 01-748444.

● If you were employed by two or more employers concurrently and your total earnings went above the ceiling for PRSI. You could claim a refund of the PRSI deducted in excess of the ceiling.

Apply for refund to: The Collector-General, PRSI Refunds, Baggot Bridge House, 85 Lr. Baggot Street, Dublin 2. Tel. 01-716998.

● If you were over the prescribed age when you first started to pay PRSI, e.g. if you were over 55 and couldn't have qualified for a Retirement Pension or if over 56 and you couldn't have qualified for a Contributory Old Age Pension, you may be due a refund of the pension element of your PRSI that went towards these pensions. If you are awarded a Non-Contributory Old Age Pension the PRSI element you paid towards a Contributory Old Age Pension will not be refunded as this will be taken as a payment towards your Con-Contributory Old Age Pension.

## 1993 Tidy Towns Campaign Launched in the South East

The annual Tidy Towns seminar organised by South East Tourism to launch the 1993 Tidy Towns Competition in the South East, was staged in the Minella Hotel, Clonmel.

The National Tidy Towns Competition is sponsored by Super Valu Supermarkets. In the South East Region alone, in excess of 2,500 people are active in the movement where over 100 towns and villages will this year be working to secure once again top honours and prizes in this keenly contested national competition.

Opened by Regional Tourism Manager Joe Palmer, the seminar heard national Tidy Towns adjudicator Anne O'Leary outline the steps involved in the creation of a long term (3 to 5 year) programme for centres. She stated that the existence of such an overall plan is a prerequisite to success.

The value of trees, shrubs and flowers in the better presentation of towns and villages was the topic addressed by Doctor Christy Boylan of Dublin. A past President of Trees Ireland, Dr. Boylan is the recognised expert on the selection, siting and care of trees.

Mrs. Margaret Brady, Secretary of Keep Kilkenny Beautiful Committee, overall national winners in 1985 and current Best Large Town in Ireland, stressed the usefulness of area and sectional competitions in the larger centres.

The Seminar was also addressed by Mrs. Caroline Bowen-Walsh, Chairman of Ardmore Tidy Towns Committee, who are current national winners. She gave details of how Ardmore achieved success in the competition.

During the afternoon the upwards of 40 delegates from the larger tidy towns centres in Carlow, Kilkenny, Wexford, Waterford and South Tipperary visited locations in Clonmel. Problems encountered by Tidy Towns Committees and how they are being overcome were discussed on site.

Delegates from smaller centres and villages were taken on a tour of Kilsheelan, also a former national winner, where they were met by the local Tidy Towns Committee who later entertained their visitors.

## GAA Sponsored INTO Handwriting Competition Resounding Success

As part of the celebrations to commemorate its 125th anniversary, the Irish National Teachers Organisation is running a Nationwide Handwriting Competition for Primary School children.

Over 30 schools in Waterford took part in the competition with almost 1,200 Primary School children from all over the country submitting entries.

Overall the standard was very high and the judges task in selecting winners in the four categories was a very difficult one.

The project in Waterford was sponsored by Waterford County and Divisional Boards GAA. Their very generous contribution to the project allowed for a book

token to be given to each category. The book token winners were drawn from all entries.

The winning entries at Area and National level will be displayed at Annual Congress of the INTO which this year takes place in the Tower Hotel, Waterford from April 12 to 15.

## LETTERS TO THE EDITOR

The Editor, Dungarvan Leader.

## THE WARRINGTON BOMBINGS

Dear Sir,  
The tragic events at Warrington on the pre-Mothers Day Saturday illustrate the callous and cruel nature of people who carry out such savage attacks. It requires of us all now to speak out loud and clear and condemn those people who regularly and without concern blacken the good name of Ireland and its people.

Our voices have to be raised in sympathy with the families of those who have died in Warrington, an innocent 3 year old child, those who have been injured and those who have suffered emotional trauma.

Warrington is a town that has been home to very many Irish people who have always been welcomed there. It once had an Irish Mayor. We have been valued members of the community. Perhaps the people of Abbeyside/Dungarvan and surroundings could now show their support for, and sympathy to, Warrington at this sad time.

For information—the town's Mayor is Councillor John Pennington, the Town

Hall, Warrington, Cheshire.

Yours sincerely,  
DONAL EARLEY  
Abbeyside, Dungarvan  
and Warrington.

## SALUTE TO OLD VETERANS

Dear Sirs, Readers,  
In this special year of the elderly, I offer a special salute to the old veterans of this country.

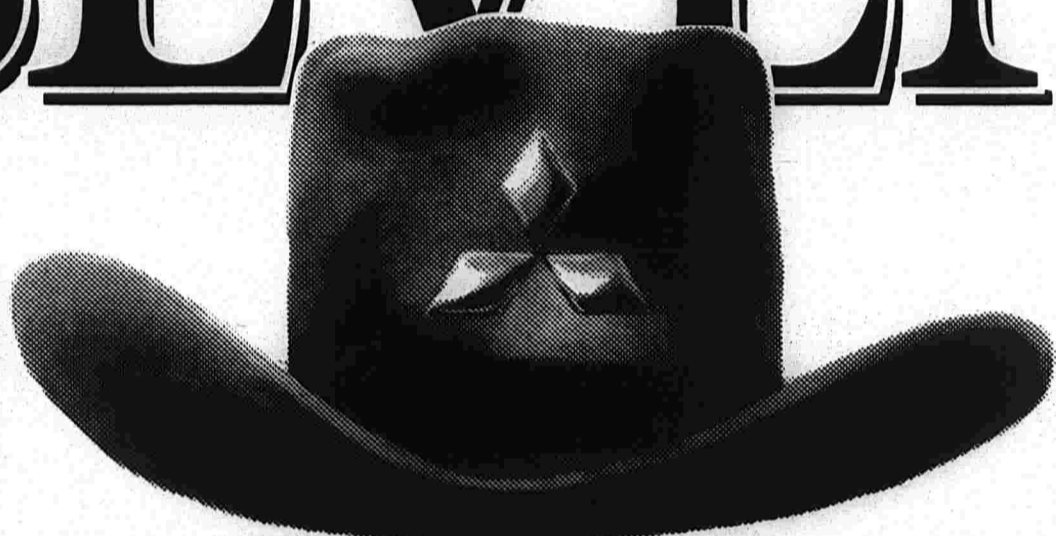

The Old IRA men and Cumann na mBan are easily counted now. Why not seek them out and ensure they are comfortable, whether they are in their own homes, hospitals or elsewhere. They can still recall the fears of steel against their chest or head, hear the whizz of bullets — real bullets — as they pass by.

## MILK QUOTA TO COINCIDE WITH CALENDAR YEAR

The United Farmers Association are calling for milk

quota year to coincide with calendar year. The present system of assessing milk quota from April to March may suit bureaucrats but does not suit Irish dairy farmers. Lactating cows cannot be turned on and off like water taps and cows in early lactation have to be maintained in full milk if maximum production is to be achieved. A calendar year quota assessment would allow the dairy farmers to dry off his cows towards the end of lactation if the penalty of Super Levy loomed and would give him the choice of milking on if quota was available to be filled.

Much hardship has been foisted on Irish farmers because the politicians are content to go along complacently with Brussels bureaucrats while countries like Italy have gained by being less than one hundred per cent compliant.

## RECENT DEATHS

### LATE MR. NOEL MULCAHY

The district learned with regret on Sunday last the sad news of the death of one of its most respected citizens, Mr. Noel Mulcahy, Ballymacarbry Upper, which sad event took place after a long illness borne with true Christian fortitude at St. Theresa's Hospital, Clogheen.

Deceased, in his late sixties, was a member of one of Fourmilewater's oldest and most respected families. During his lifetime he was a staunch member of the Fianna Fail Party. He was treasurer of the Fourmilewater Cumann for many years and at election times he attended at the local polling booth as a personation agent for the Fianna Fail candidates. A man of outstanding qualities who possessed a wonderful warm personality and made friends at ease, he was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of his courteous and easy going nature which endeared him to all. He was a man who was always welcome in whatever company he found himself and many now grieve for the void his sad demise leaves.

That his memory will be cherished was truly indicated by the large and representative gatherings of sympathisers who were present when his remains were removed on Monday evening from O'Donoghue's Funeral Home, Clonmel to St. Laurence's Parish Church, Fourmilewater, where his remains were blessed and received by Rev. Fr. Con Kelleher, C.C., Fourmilewater-Newcastle. Also present was Very Rev. Ed. Tobin, P.P., Fourmilewater-Newcastle.

On Tuesday morning Requiem Mass was celebrated for the repose of his gentle soul. The celebrant was Rev. Fr. Tobin and after Mass he was laid to rest in the family plot in the adjoining cemetery, again in the presence of a huge gathering of mourners who joined old friends and neighbours in a final fitting tribute to a dear Christian friend.

Sincere condolences in their sad loss are tendered to his brother Tommy, his many relatives and to the McCarthy family Ballymacarbry with whom he resided for a number of years. Ar dheis Dé go raibh a anam.

### LATE MR. WILLIAM TOBIN

It is with deep regret we pen the passing of Mr. William (Willie) Tobin, Magoury, Drangan, Thurles and late of Glendaloughin, Ballymacarbry, whose death occurred at

his home on Wednesday, March 31. Deceased, a member of an old and respected Nire Valley family, left the district in the mid-forties to live in Piltown, Co. Kilkenny. He was a brother of the late Mrs. Josephine Kennedy, Graignagower. A thoughtful and helpful neighbour, his warm sense of humour, unassuming courtesy, generosity and kindness to all marked him out as a true Christian. Accordingly, all who knew and respected him will deeply and justifiably mourn his demise and long cherish his memory.

That he will be sadly missed was evidenced on Thursday evening when his remains were removed from his residence to Cloneen Parish Church when all walks of life were represented in the huge concourse of sympathisers indicating the esteem and high regard in which deceased and his family are held.

On Friday morning Requiem Mass was offered for the repose of his soul after which the funeral took place to Drangan Cemetery where interment took place, again in the presence of a large crowd of mourners who joined old friends and neighbours in paying their final respects to a dear Christian friend. Deepest condolences in their sad loss are extended to his wife Ellen, his sons and daughters and nieces.

### LATE SISTER ALOYSIUS BRACKEN

With deep regret we record the death of Sister Aloysius Bracken, Convent of Jesus and Mary, Felixtowe, Suffolk, England, which sad event took place on Monday, March 22 after a long illness. Deceased, a native of Clonmel, was sister of Very Rev. Fr. Joseph Bracken, Pastor Emeritus, Ballyporeen. Fr. Bracken served as Curate at Fourmilewater-Newcastle for close on twenty years and the entire district extends to him their sympathy.

On Saturday morning Requiem Mass was celebrated for the happy repose of her gentle soul, after which the interment took place in Felixtowe Cemetery.

### LATE MRS. ELIZABETH POWER

With regret we record the death of Mrs. Elizabeth Power, Ballinagulkee, Ballinamult, which sad event took place at St. Joseph's Hospital, Dungarvan on Sunday, April 4. Her remains were removed on Sunday evening to St. Mary's Parish Church, Touraneena. Interment took place after Mass on Monday. (Full obituary next issue.)

## BRAIN OF BALLYMAC

On Monday night, March 29 at the Oriel Bar, Ballymacarbry, the annual quiz for the Brain of Ballymac, sponsored by Fourmilewater hurling club, took place. The winner was David Power, Ballylooby; 2nd Michael Egan. The underage quiz for the Danny Connolly Memorial Trophy was won by Michael Ryan, Knockalisheen; 2nd Conor Ryan, Graignagower. Under-16 team event — winners were Joseph Walsh, Brian Wall and Michael Ryan.

## COLAISTE COIS tSIUIRE

The Irish course which proved so successful at Caisleann na tSiuire is this year being extended. Cursa A 5th to 16 July; Cursa B 19th to 30th July. All schools in South Tipperary area have been visited and entries are coming in for both courses. A full programme has been planned with the same theme as '92, ceist agus freagra as Gaelige. Beidh cluichi agus sport ag na daltai agus beidh siad ag Rinne agus ag seinm ceal.

## INTER PUB TALENT COMPETITION

All pubs in the area are gathering up their talent for the forth coming inter pubs competitions which proved so enjoyable and successful last year and no doubt the '93 competition will turn out the same. It is great to see Irish song, music and dance being held in such high regard in the area.

## LADIES FOOTBALL AT MILL FIELD

At the Mill Field, Ballymacarbry on Sunday last, last year's All-Ireland senior finalists Waterford and Laois played a draw — Waterford 2-10 Laois 3-7. The half time score was Waterford 1-6 Laois 0-2.

## CYSTIC FIBROSIS

Mr. Michael Hickey, Kilmacomma on behalf of South Tipperary Cystic Fibrosis Branch made a presentation of a Waterford Crystal rosebowl to Mrs. Helen Delahunty, Kilmacomma. Helen raised over £800 in the recent St. Patrick's Day 5K walk in aid of Cystic Fibrosis.

# Kaliber Rally Team Heading For Caribbean After Circuit Of Ireland

It's all systems go for the Kaliber Rallysport team of Kenny McKinstry and Robbie Philpott as they prepare for a hectic April starting next weekend at the Circuit of Ireland Rally and then two weeks later the team makes its first foray on the international front at the Barbados International Rally on April 24th/25th.

For the moment though thoughts of white beaches and Caribbean sun are being put well and truly in the background as McK-instry and Philpott prepare their assault on this year's Circuit of Ireland Rally.

After the disappointment of last year when having led for 32 stages before a broken turbo forced him out with just six stages to complete, McKinstry is determined that this problem will not happen again this year. An evolution turbo has been added for greater reliability. Apart from the new turbo the Subaru Legacy will be the same specification that finished second in the Galway International Rally.

The car which has been totally rebuilt at McK-instry's workshop in Banbridge has been extensively tested in recent weeks including a successful outing at the 1st round of the Northern Ireland stage Championship at Kirkistown two weeks ago. The Kaliber team are seeded second behind Bertie Fisher for this year's circuit, something McKinstry is not all that unhappy about "being seed number two can be an advantage" says McKinstry. Following the circuit,

preparations will begin immediately on the Subaru for the long trip to the West Indies for the Barbados International Rally on April 24th and 25th. The 17 stage rally takes place almost entirely on tarmac apart from a stage at the Bushy Park Raceway in Bridgetown.

This is the first time the Kaliber Rallysport team have competed outside of the UK and Ireland. Competing in the Barbados Rally will mean that McK-

instry will miss the Rally of the Lakes in Killarney. "We are sorry to miss Killarney as it is always one of the best rallies in the Irish Tarmac Championship but when the invitation came to compete in the Barbados Rally we jumped at the opportunity" said co-driver Robbie Philpott, "if this venture goes well we might look at competing in another international rally on the European mainland later in the year" he added.

## Balaclava Raid At Dungarvan Filling Station

A Garda witness told Judge Esmonde Smythe at Waterford Circuit Criminal Court last week how three youths and a juvenile all wearing balaclavas and wielding wooden batons terrorised the lady attendant during a robbery at the Decies Filling Station, Youghal Road, Dungarvan on the night of November 8 last.

Before the court were James Donovan, 28 Cathal Brugha Place, Dungarvan, Paul Walsh, 7 Cloneety Terrace, Dungarvan, Paris

Johnson, Cappagh, Co. Waterford who together with the juvenile pleaded guilty to the robbery charge.

Sergeant Tom O'Grady, Dungarvan Garda Station, outlining the facts of the case told Judge Smythe how the youths, wearing balaclavas and armed with wooden batons, entered the premises and terrorised the lady attendant, Martina Regan. They took £130 in cash and then got away from the scene in a car.

Sergeant O'Grady said that as a result of the follow

up investigation all four defendants were arrested the following morning. He described the juvenile and Paul Walsh as the ring leaders who played a leading part in the crime.

Convicting all four defendants, Judge Smythe sentenced the juvenile to 3 years detention with one year suspended; Paul Walsh was sentenced to one year in prison to date from November 16 last while in the cases of James O'Donovan and Paris Johnson he deferred sentence on them until July 7 next to enable a report to be submitted by the Probation Officer.

### GREETINGS

A Happy and Holy Easter

is wished to all our readers at home and abroad.

### SET CLUB NEWS

We made the journey to Cappamore, Co. Limerick, on Saturday night last where we competed in the Munster semi-final of Scor Sinsear. We were represented in the solo singing and set dancing sections of the competition. This was always going to be probably the toughest of the two semi-finals, especially in the set dancing as we faced opposition from Clonmore, Co. Tipperary, and St. Patrick's who had already beaten the home group, Cappamore. We didn't have any luck in the solo singing but gladly we can report that we did succeed in the set dancing. Ourselves and Clonmore made it through to the Munster final which will be held in Thurles on 24th April and there we also have to contend with tough opposition from Clare and Kerry. It won't be an easy Munster final by any means and our luck hasn't been with us over the past few years but we hope

that with a good share of supporters and a performance to match and even better the last night's one maybe we can be in there in the final shake-up. It should be a good final and we will certainly give it our best shot.

We would like to thank our musicians on the night, Biddy Nugent, Bob Keane, Michael McKenna and Kieran McCabe and, of course, our trainer, Monnie.

Thanks also to Rose for stepping in, again at short notice. We seem to be jinxed this year with injuries but we will not be put down that easily without a fight.

At this stage we wish a member of the group, Claire Walsh, a very speedy recovery. Claire is recovering from an accident and is at present in Cashel Hospital. Hope to see you soon Claire. Best wishes go also to Claire's mother who is also making a good recovery.

We also send get well wishes to Paddy Cliffe, Crough, Colligan, who is at present in Cashel Hospital also.

### OUR LOCALITY

## The Civil War — Train Wreckage At Ballyvoile

Two weeks ago we described how Ballyvoile Railway Bridge was blown up on August 4, 1922 and last week we detailed how the rest of the Bridge collapsed over a period of two weeks.

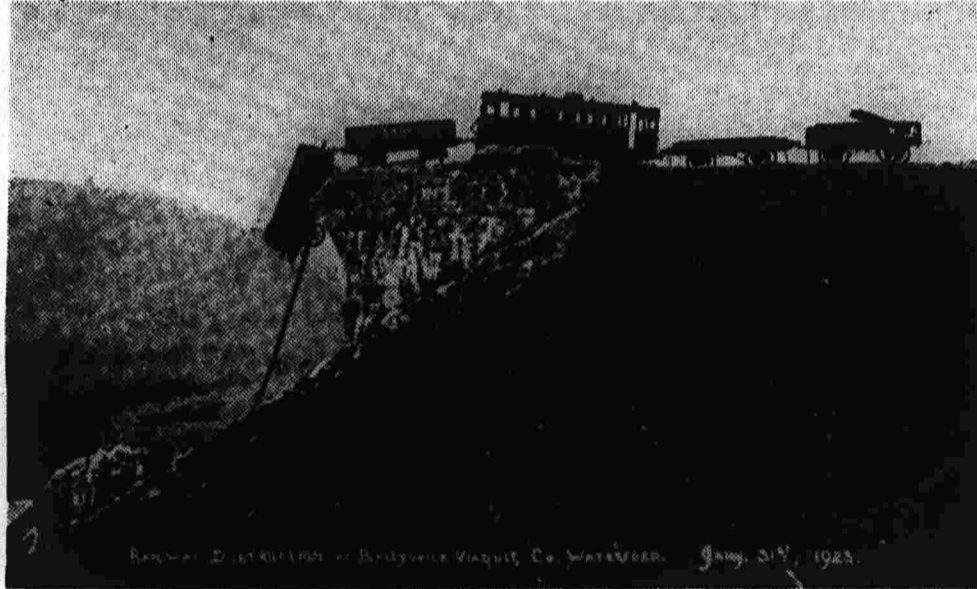

The railway bridge was not rebuilt until June 1924. Surprisingly we have two photos by Keohan showing train wreckage at Ballyvoile on January 31, 1923.

We do not have any information to hand as to why a train approached the collapsed bridge. Could any of our readers supply us with this information? The only details to hand which were printed underneath the second photo is as follows:

'Train Wreckage At Ballyvoile January 31, 1923. Owing to the rails not going the full way, the wheels stuck in the mud and the engine fell over, the coupling breaking leaving the carriage suspended over the chasm. This photo was published in illustrated papers throughout the world.'

We would be grateful if someone among our readers could inform us as to why the train approached the collapsed bridge on January 31, 1923.

## MINNIES SQUASH CLUB CELEBRATE 21ST ANNIVERSARY

Thursday night last, April 1, was the big night for the above club as young and old attended a Buffet Dance at O.B.'s. The celebrations began early in the week as the club hosted their fun tournament on Monday and Tuesday night. This tournament included all interested players who played over the last 21 years. These play-

ers were divided into team of three and there were twenty two teams in all — a team representing every year of the existence of the club including this year. The celebrations were enjoyed by all and on the evidence of the organisation and planning of the birthday events the club is on a sound footing for the next twenty one years.

## IN MEMORIAM

Sincere sympathy is extended to the following:

The O'Neill families on the death of their father Pat O'Neill, New Line, Abbey-side.

### BROWNIES SLEEPOVER — NO APRIL FOOL!

Last Friday night a group of Brownies slept in the Den. Due to a slight mix-up we ended up sharing facilities with the Cub pack. Luckily, this did not cause too many problems. With a little careful planning and flexibility both Cubs and Brownies were able to fulfil their separate programmes.

The Brownies arrived at 10 p.m. and activities began with a short hike. On our return a campfire was enjoyed by all. One of our Brownies was expecting a visit from the tooth fairy and so everyone had to go asleep early!

Apart from the initial hiccup, the event was very successful and was enjoyed by all. Could this be the start of CAB?

### GUIDES

Part of Thursday's meeting was spent awarding badges. We hope all those have been sewn on at this stage. Each patrol also got a chance to pitch a four-man tent (indoors!) The Swallow Patrol made the best attempt at this. However, Cinderella is not sure if she'd like to be depending on any patrol to pitch her tent on a wet and windy night! Practice makes perfect they say and we hope to have all patrols pitching their tents outside as soon as the weather improves.

We might even organise a sleepover camp (if the field is free!) The SPL's organised some fast action games. They adapted "Rats and Rabbits" to "Guides and Scouts." This is probably the only time you'll see Guides running away from scouts!

### SLEEPOVER

The first Guides sleepover of 1993 also took place last weekend. The Guides enjoyed a midnight hike with a sing-song en route. The Pennywise Twosome made it back to the Den first — now we know what they mean by "He who is last, shall be first."

### EASTER HOLIDAYS

Brownies: return, Tuesday, April 20; Guides: return Thursday, April 22.

### REMEMBER REMEMBER — MOTHER AND BROWNIE

At this stage we have handed out notes regarding this event. The dates to remember are Saturday, April 24 - Sunday, April 25. Due to the fact that we are now on holidays, we will be collecting the fee for this weekend when we return on Tuesday, April 20. So don't forget!

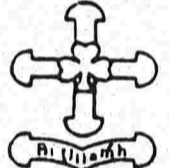

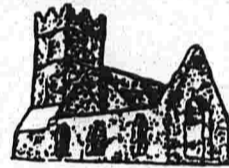

### GUIDES

All guides should be busy over the Easter holidays working on their proficiency badges. If you need any help contact PL or the SPL's. — Jack.

## ABBEYSIDE SCOUT NOTES

### TROOP MEETING

After the hectic activity of last week we were back to normality on Saturday night with a uniform meeting. After inspections a game of volleyball was played, meanwhile those who had missed last week's patrol meetings busied themselves with testwork. Following this an obstacle course was set up in the field by John Paul and the S.P.L.'s which proved a great test of stamina for all concerned. At the end of the meeting a draw for a soccer jersey and kit bag was held with Garvan McCarthy and Brian MacNamara being the winners. However "Mackie's" name was later withdrawn and like the Grand National declared void so the bookies did not pay out! Later on at the C.O.H. patrol hikes were discussed as well as the upcoming P.L.'s conference and the Regional

Scout Mass to be held in Stradbally at the end of the month.

### CUBS

Last Friday night the cub section along with Leaders John, Fran and Sharon stayed overnight in the den in slightly overcrowded accommodation as the "Brownies" (young girl guides) also happened to be making use of the den. A video, a hike and lots of sweets were much in evidence with the Leaders reporting back in a successful sleep over. Next on the agenda for the cubs is the Mass in Stradbally, the Regional soccer competition to be held in the Friary College, the mother and cup camp at the end of May and of course the highlight of this year the tenth anniversary father and cub camp which at this stage is ninety nine per cent sorted out and promises to be a great weekend!

### GENERAL

Last weekend three Leaders and five Patrol Leaders camped at Glenshelane on a pre camp visit. They smoothed the way for the annual camp of the 13th Dublin (Rathfarmham) which takes place here at the end of July — when there will be less frost and more sunshine. Conor M. reports

that the ongoing saga of the Wolf Patrol Box is to draw to its final conclusion over the Easter holidays — and we say "not a moment too soon." Our Unit Leader along with all the other Leaders in the Deise Region was at a meeting of the "top brass" in Mitchelstown last Sunday. When fellows like Gearoid Morrissey, Brian Mulvihill, Fr. Lloyd, Martin Thompson and Willie Gallagher, etc., put their heads together — fellows like me and you better look out! — Scribe.

## A FUNNY STORY

'I wish I had more land here in Co. Wexford.'

'Why?'

'I could raise a lot more cows.'

'And what would you do with them, Paudeen?'

'Sell them and make money.'

'Sure what would you do with the money?'

'Buy more land.'

'What for?'

'To raise a lot more cows....'

## THE PUT DOWN

Asked to distinguish between a misfortune and a calamity, Disraeli quipped:

"If Gladstone fell into the Thames, that would be a misfortune and if anybody pulled him out that, I suppose, would be a calamity." — Benjamin Disraeli (1804-1881).

## Circuit Of Ireland Rally Weekend

# Congratulations For Local Entrepreneurs

This weekend marks the 63rd Circuit of Ireland Rally organised by the Ulster Automobile Club. The rally will start from the Slieve Donard Hotel in Newcastle, Co. Down at 2.30 p.m. on Friday and go through 5 stages locally before overnighting in the Rally HQ in the Slieve Donard Hotel.

On Saturday morning there is an 8.15 a.m. restart for the 72 drivers who then move down the east coast before arriving in Waterford at Jury's Hotel at 6 p.m.

On Easter Sunday the 1993 Circuit sees competitors embarking at 12.30 p.m. on a new feature — an extended Sunday/Monday run. This will allow those competitors who have dropped out up to Saturday evening the opportunity to re-enter the event at no extra cost and compete for a further two days. There will be seven separate stages on the Easter Sunday loop through the county with centralised servicing at Dungarvan. The first cars are due back in Waterford around 6.15 p.m.

The drivers will leave Waterford at 10.45 a.m. on Easter Monday to begin the long run home via Limerick and Galway and then the rally will finally end on Tuesday where it began five days before in Newcastle where the winner is expected to arrive at 12.30 p.m. to a hero's welcome.

Clerk of the Course, Tom Watson, speaking on behalf of the organisers had high praise for their many sponsors but as always stressed that Rally safety was a top priority. He appealed to spectators to act sensibly, obey the marshals and to consider the dangers involved. "If they do this then we can all enjoy an exciting weekend's rallying," he said.

Our congratulations this week go to farmer Jim Harty, Gortnadiha, Ring and businessman Michael Quealy who runs the Esso Filling Station at the Burgery, Dungarvan for the manner in which the initiative they showed nine years ago when they went into oyster production in Dungarvan Bay has begun to hit the headlines as a major success venture.

Aquaculture, of which oyster production is one of the main operations along our south and western coasts, has a special development significance. It is located in peripheral rural areas where outward migration and emigration are undermining the very survival of local communities. There are few alternative sources of livelihood but fishing, seasonal tourism and to a

limited degree agriculture.

Aquaculture is a low import cum high value added sector in that inputs are locally sourced; it is labour intensive and the product is sold at premium prices. There is the additional spin off in jobs created in supply/service industries, packaging/processing, sales and distribution.

Aquaculture as an indigenous natural resource based

industry, is welded to the local economy. The cost per job in aquaculture, at approximately £8,000 has been shown by the ERSI to compare very favourable with other sectors within the economy.

Jim Harty and Michael Quealy took their courage in their hands when they launched their oyster production project in Dungarvan Harbour just off the Cunnigar in 1984. They have been the pioneers of what has turned out for them to be a most successful undertaking. They are to be congratulated and we wish them further success in the future.

## MADE IN IRELAND

Waterford pharmacists last week joined the Government's national call to support indigenous industry with the objective of creating more jobs. This is, as far as we know, the first time that the profession has combined nationally to actively recommend to the public to purchase when possible, Irish manufactured non-prescription medicines (including veterinary medicines), toiletries and cosmetics.

A spokesman for the pharmacists pointed out that the Irish are the worst in Europe for supporting home produced goods. "We spend 60p out of every pound on imported goods, and yet we continue to complain that unemployment is at an all-time high," he is on record as saying. In this regard it is reckoned that well over a billion pounds worth of imports could be sourced here and in light of what Minister for State at the Department of Trade and Industry, Mrs. Mary O'Rourke stated recently, that if just an extra 10p in every pound was switched from foreign to Irish goods thousands of new jobs could be created, it is a matter to which the most serious consideration should and must be given.

The buy Irish initiative in pharmacies has been taken up by the Irish Pharmaceutical Union and it has now

distributed to the country's 1,100 pharmacies a booklet under the title "Made in Ireland", listing 28 Irish companies which supply non-prescription medicines. This includes two indigenous industries in Co. Waterford — Sterling Winthrop in Dungarvan and Pinewood Healthcare in Ballymacarbray.

The very modern Sterling Winthrop factory in Dungarvan was built in 1987. It has recently received the highest grading of all factories within Sterling world-wide. It had the added distinction of winning the 'Q' Supreme Quality Award during 1992.

Sterling in Dungarvan manufactures Bulk Granulate for such well known products as Panadol, Actiprofen, Andrews Liver Salts, Paracetamol etc and these are exported to companies within the Sterling Winthrop influence. Additionally, they manufacture and export bulk tablets for Panadol, Hedex, Actiprofen etc. Packaged products on the Irish market include: Panadol, Panodil, Actiprofen, Andrews Antacid, Mejourltra. 97% of the production in Dungarvan is exported. The company employs 155 highly qualified staff and has an annual turnover in the region of £40 million.

The other Co. Waterford listing in the "Made in Ire-

land" booklet is Pinewood Healthcare. This was set up in Ballymacarbray in 1976, has grown substantially in recent years and now employs 85 people. It is 100% Irish owned.

In 1992 the company opened a new warehouse and distribution centre at Naas Road Industrial Park in Dublin. This enabled them to offer a more speedy delivery service. The company also provided a free phone facility to enable pharmacists place their orders. The company is currently engaged in an £0.5 million extension to the manufacturing plant and this will increase production capacity and employment over the next two years. In 1991 pharmacists invested £1 million in a Business Expansion Scheme in Pinewood.

Its manufacturing facility in Ballymacarbray includes tableting and capsuling, production of oral liquids, creams and ointments. The company provides a range of branded and unbranded pharmaceutical therapies both prescription and over the counter. These include Ferrybar Elixir, Bexalin Expectorant, Generic Dermatological Preparations, Cough Remedies and is a specialist in the development of Dialysis Liquids.

## The Old Bog Road

A ballad which has come up time and again is once more our choice for the ballad corner this week. "The Old Bog Road" is one of the most nostalgic old emigrant songs which has now been going the rounds for years and years but it still finds favour especially among the older generation when it comes to a good old sing-song. Incidentally these sing-songs which were so much part of most social gatherings in years gone by are now the exception rather than the rule and more's the pity.

My feet are here on Broadway, this blessed harvest morn',  
And of the ache that's in them for the spot where I was born,  
My weary hands are blistered from work in cold and heat,  
And o to swing a scythe to-day through fields of Irish wheat,  
Had I my choice to journey back or own a king's abode,  
'Tis soon I'd see the hawthorn trees by the old bog road.

When I was young and innocent my mind was ill at ease,  
Through dreaming of America and gold beyond the seas,  
O sorrow take that money though 'tis hard to get that same,  
But what's the whole world to a man when no one speaks his name,  
I've had my day and here I am with building bricks for load,  
A long 3,000 miles away from the old bog road.

My mother died last Springtime when Ireland's fields were green,  
The neighbours said her waking was the finest ever seen,  
There were snowdrops and primroses piled up beside her bed,  
And Fern's Church was crowded when her funeral Mass was said,  
And here was I on Broadway with building bricks for load,  
As they carried out her coffin down the old bog road.

There was a decent girl at home who used to walk with me,  
Her eyes were soft and sorrowful, like moonbeams on the sea,  
Her name was Mary O'Dwyer, but that was long ago,  
And the ways of God are wiser than the things a man may know,  
She died the year I left her, with a broken heart I know,  
I'd best forget the times we met on the old bog road.

Oh life's a weary puzzle past finding out by man,  
So I'll take the day for what it's worth and do the best I can,  
Since no one cares a rush for me what need to make a moan,  
I'll go my way and draw my pay and smoke my pipe alone,  
Each human heart must know its grief though bitter be its load,  
But God may bless you Ireland and the old bog road.

# RECENT DEATHS

## Mr. Michael Harty

Widespread regret was expressed at the news of the death of Mr. Michael Harty, late of Hackettstown, Old Parish, Dungarvan, who died on Sunday morning, March 28 at the Drumhill Private Nursing Home, Dungarvan, after a very short duration of illness.

The deceased was a member of a very popular and widely connected Old Parish family who were mostly attached to the farming community of which Michael was also a member and who carried on farming extensively at his holding in Hackettstown.

## Mr. James Ryan

It is with the most deep regret we chronicle the death of Mr. James (Jimmy) Ryan, Ballycreen, Ring, Dungarvan, which sad event occurred at his residence unexpectedly on Wednesday night, March 31. The deceased was a member of the farming community and his farming methods and his holding at Ballycreen were a credit to him and now stands as a memorial to his memory. Besides his farming duties he had a great love of gar-

dening especially where flowers were grown and was a great help in this regard as his wife Maura is an expert where flowers and flower arrangements are concerned.

Beside his interests he had a wonderful disposition towards his neighbours and acquaintances who were always met with his gentle smile which won for him his great popularity.

To his sorrowing wife Maura, brother Eugene Owen Ryan, Manchester, sisters-in-law Rita Ryan and Eilish O'Sullivan, brother-in-law John Joe O'Sullivan, nephew Eugene, niece Maria, relatives John, Nuala, Orla O'Sullivan, and a large circle of friends, we express our sincere condolences at his passing.

His remains were removed on Thursday evening from his residence to Old Parish Church followed by a huge cortege and on arrival were blessed and received by Very Rev. Fr. C. Daly, P.P.

Concelebrated Mass was offered on Friday morning for the repose of his gentle soul and the interment took place in the adjoining cemetery. The chief celebrant of the Mass was Fr. Daly and co-celebrants were Very Rev. Mons. P. Lannen and Rev. Fr. P. Mackey, C.C. and who also imparted the final absolution at the graveside amid manifestations of great sorrow from the huge concourse present.

We wish him the very best of luck.

### ARDMORE

Ardmore of the Decies, St. Declan's front room  
St. Patrick let Deise, be Declan's till doom  
Ballyquin, Druid's Ring, Round Towers, Curragh Shore  
Conjure images, of Inis Ard Na gCaorach ancient lore

The sheep and the island, have long been displaced  
Like Christ's light, repels souls sea fret and shipwreck  
The left hand of Ultan, on all who misplace  
One's faith, hope and love, for deceit and false neck

Tidy towns, without bounds, within Drum, invite crowds  
To get away, for a breath of sea air and saltwater  
Symbolically seeking, respite from dark clouds  
To steady the nerves that might fade, fear, or falter

The boat that St. Declan, rowed into the harbour  
Has long since been, turned into redeeming labour  
The boathouse stands empty, awaiting the call  
Nearby where St. Declan, will rise with us all

Facing East, the bay opens toward Jerusalem's walls  
To the West, the glint of the Blackwater point to Cashel  
stone walls

While the Drum hills to the North, lie below Knockmeal-down

To the South, the sky and sea turn, blue, grey and brown

The bell on the rock, that from heaven was sent  
To point the spot, where St. Declan would rest till ascent  
With all who walked, through the world of Christ's light  
Along cowpath of Patrick, to the waters of life

The Cathedral, hermitage and Holy Well, passed Cliff hotel

Quench, the drooping thirst, that the beatitudes depict so well

Renewing, the spirit, that within us all, do dwell  
Relinquishing, desires that could lead us, to hell

St. Declan brought faith, hope, and much love sublime  
That all who walk around, Ardmore will find  
Reminders of a piece, of past presence of mind  
That the new age of Aquarius, cannot deceive or make blind

## AFFANE SENIOR CITIZENS

Last Sunday night Affane Senior citizens committee held a very successful concert in Affane Hall, the proceeds of which will go towards the Senior citizens of Affane Parish summer outing and Christmas party. A very big crowd turned up despite atrocious weather conditions on the night. Our chairman Michael Prendergast welcomed everyone who braved the night. Moss Troy, Tom O'Donoghue and Bob Keane opened the concert with a lovely selection of music. Next we had four tiny tots dancing a reel. There was outstanding talent throughout the night. The Modeligo figure and set dancers and Melleray set dancers did themselves proud, Comhaltas musicians from Ballyduff and Ballinameela gave a lovely selection of music. We had songs from Jimmy McGrath, Michael Byrne, William O'Brien on his guitar and John Moore. We had our seanachai James Lenane from Lismore and young Owen Kearney from Ballysaggart were excellent; a selection of lively music from Thomás Scanlon, Tom O'Donoghue and Moss Troy with John Crowley on the drums and the Affane Choir gave a nice rendering of hymns.

The night finished with a cup of tea, cakes and minerals for all participants. It was one of our most successful concerts yet and we wish to thank everyone who supported us. Finally we would like to wish those who were unable to come due to illness a speedy return to good health.

# Lismore Notes

## LISMORE COMMUNITY CENTRE

The idea of a purpose built Community Centre was first mooted back in the mid 1980's. Being the largest organisation of its kind in the area the local G.A.A. club officers and committee of the time decided to lead by example and undertook the task of providing this much needed facility for the people of the town and surrounding areas.

Following a fruitful meeting with Lismore Estates a prime location for the building was generously provided at the western approach to the town. A fund raising venture was initiated and the club became involved in the "G.A.A. Clubs Development Co-op Draw," the proceeds from which were earmarked for the construction of the Centre.

Site clearance commenced in 1989 and the steel superstructure was erected the following year. 1992 saw the completion of blockwork and roof, and the external doors and windows were then fitted. The sub-floor in the main hall was laid shortly afterwards and this was to account for the remaining available funds.

In excess of £120,000 has

been expended on the project to date, all achieved without the need for any borrowings, which is a tremendous reflection on successive hard working committees and the generosity of the people of Lismore and the surrounding region who have supported the venture through the purchase of "Super Draw" tickets. The National Lottery Company are to be similarly commended for their grant aid towards the provision of this much needed facility for the locality.

When completed, the building will incorporate a large ballroom which will cater for concerts, shows, drama, etc., with a seating capacity of approximately 450. Sporting facilities will include indoor football, badminton and games

rooms together with showers and toilets. A multi-purpose area to cater for large or small gatherings is also envisaged.

Adjoining the Centre, two hard tennis courts have been provided through the good offices of the Co. Manager and funding from the National Lottery, and will serve to complement the range of activities available within the complex.

When completed, the Centre will be handed over to a special committee, representatives of all local organisations, which will manage and run it for the benefit of the community at large.

However an estimated amount of £60,000 presently separates the dream from the reality and the current economic climate is anything but conducive to this kind of grant-aiding or fund raising. As if to compound the problem the G.A.A. committee are faced with the dual responsibility of financing the activities of their highly successful club teams which must take precedence over all else, and this means a reliance on the generosity of the very same public who are continuously being asked to "dig deep" to support a wide range of worthy causes.

Rather than sit back and await "Manna From Heaven" the committee has instituted a programme of harnessing voluntary help from within the community and already it has become apparent that despite the scarcity of monetary resources there is an abundance of goodwill.

Several offers of practical help have already been received from local tradesmen willing to give of their time and skill in an effort to complete the Centre and make it functional. As a result it is envisaged that work can recommence over the next few weeks and slowly but surely the dream can become a reality that everyone can be proud of.

Successive committees, not least the current group, are to be complimented on their perseverance and determination to do something worthwhile for a community which has given wholehearted support to G.A.A. activities over many years. When completed (and let there be no doubt about that) it will stand as a classic example of local initiative and community spirit.

All offers of help in this regard will be gratefully received by club chairman, Michael Quann, Secretary, Rev. Bro. Dormer or any committee member.

## SOCIETY FOR THE PRESERVATION OF THE DUCKUS JAUNDICUS PLASTICUS HIBERNICUS YELLOW PLASTIC DUCK (NATIVE)

Regrettably we the above are once again obliged to call upon all duck lovers to assemble on the banks of the Abha Na Shad river on Easter Sunday at 3 p.m. We have to inform you that in spite of the best efforts of our seasoned activists who endured physical and mental abuse at the hands of some members of Lismore Dramatic Society, we failed to disrupt the race. So it's back to the fray again and if we only save even one of these "rare birds" it will be worthwhile.

In a statement a spokesperson for the Dramatic Society denied there were any casualties in last year's race, but information supplied to us by a mole, states that two ducks had to be destroyed and one sustained a fractured beak. (N.B.) "It is no coincidence that on Easter Monday 'Duck A La Orange' appeared on the table of a prominent member of that organisation."

We are pleased to inform our friends that this year we welcome the support of Mr. Donald Duckworth and companion, who are flying in from Euro Disney. As a counter attraction on the day we are running a novelty Easter Bonnet competition. Prizes will be free range chocolate eggs. We appeal to all sympathisers especially our young friends to come in their thousands. Nil Desperandum, remember Aintree.

Signed Hon. Secretary. (Name with Editor).

## C.L.G. LIOS MOR

### LONG PUCK COMPETITION

The second annual Poc Fada competition will take place this Easter Monday, starting at 11 a.m. from the Monument. Each team will consist of four, adult, senior or junior, under 21/minor, under 16 or camogie member. Sponsorship cards are available from club treasurer, S. Bransfield. Cards and money to be returned by April 9. £50 prize for the winning line.

**FIXTURES** — Our senior hurlers will be in action on Sunday, April 18 in Cappoquin at 3 p.m. We take on Mount Sion in the first round of the championship.

On Easter Monday, April 12 our minor hurlers take on Abbeyside at 3 p.m. in Cappoquin in the first round of this year's championship. Abbeyside should prove to be very tough opposition and were indeed somewhat unlucky to loose to Lismore in the 1992 decider.

Three of our minors will be on county duty at Pairc Uí Chaoimh tonight, Wednesday, April 7 at 6.45 p.m. Waterford will endeavour to retain their Munster minor hurling title against Cork in the first round of the championship. Three local lads, James O'Connor, Brendan Ormonde and David Bennett will be in action.

**DEISE DEVELOPMENT DRAW** — Promoters are reminded that monies for the April Draw will be collected this weekend. Those still wishing to join may do so by contacting club treasurer, Sonny Bransfield.

**LADIES COMMITTEE** — At a recent meeting to elect a ladies committee of Lismore G.A.A. Club, the following officers were elected: Chairwoman — Ann

O'Gorman; Secretary — Mary McGrath; Treasurer — Mary Cunningham; P.R.O. — Martina Hale.

A meeting will be held at a later date to elect the committee. Anybody interested is invited to come along. The meeting was presided over by club chairman Michael Quann. In his opening address he thanked all the ladies who have worked for the club tirelessly behind the scenes down through the years and stated that the formation of this committee would give them an official position within the club from which to work. He wished the officers and committee success in their positions and assured us of his support.

**BEST WISHES** — The club offers best wishes and speedy recovery to Rev. Bro. Ryan, Club Vice-President, who is in the Cork Regional Hospital.

# Easter Is Everywhere

MAI O'HIGGINS

Easter, the festival commemorating the resurrection of Christ, derives its name from "Ostera" the divinity of spring of the ancient Norsemen. They celebrated a feast in her honour and from this festival arose the symbols of the Easter egg and the Easter bunny.

In the world map Easter can be found in the most diverse places. Easter Island or Davis Island in the South Pacific Ocean was discov-

ered by the Dutch on Easter Sunday 1772. It is of triangular form about twelve miles long. It had very high mountains which can be seen from a considerable distance. The soil is rich and fertile growing sugarcane, yams and sweet potatoes. The people are very tall and obese. Cannibalism was occasionally practised among them. On the island are very remarkable sculptures, some over twenty feet high. Some of the figures are erect, some lying prone. The faces are said to be inscrutable. Curiously, too, some of the statues are unfinished and it seems that for some reason work was halted. Nobody knows who made these remarkable effigies.

In South Patagonia there is a large cave called Easter Hole and in Arizona you can see the Easter Canyon. It is told that many prospectors died tragically there during the famous gold rush of over 100 years ago.

In the New Hebrides, there is an Easter Hill on an island called Whit Sunday. Easter Mountains can be found in Germany and it is custom here for the young people of the district to climb the mountains on Easter Sunday morning. Large bonfires are lit around which they dance and sing their traditional songs. Their music and song is heard for miles around, bringing Easter cheer to the countryside.

## The Road To Calvary

Mary — my Mother.  
Do not weep for me.  
For I have been called  
To my Father.  
Who is with me.  
His blood now stains  
My head — my feet.  
But I must walk the way—  
Of shame and tears.  
And bear the ignominy  
Of cruel jeers.

Mary — the agony of your  
Bitter tears  
I share.  
Forgive me — my Mother  
For I must walk the lonely way  
To Death and Resurrection.  
THE ROAD TO CALVARY,

Mai O'Higgins.

# Gardening Talk At Villierstown

On Tuesday, March 30, Villierstown Church Community Centre hosted a most interesting gardening talk by Neil Williams of Carewood Garden Centre in Castlemartyr. Members of the audience came from as far afield as Stradbally and Ballyduff, and thoroughly enjoyed slides of herbaceous plants and shrubs, and advice on where they should be sited in the garden.

Mr. Williams had brought with him samples of the shrubs and many of the audience took advantage of the opportunity to buy them; and perhaps the most valuable part of the evening was when the speaker answered

questions about gardening problems.

Later, over a cup of tea and cakes, there was a raffle. Prize winners were — Basket of Flowers (donated by Carla Blake) won by Connie Dowd of Lismore; Bag of Potting Compost (donated by Flynn's Hardware, Cappoquin) won by Tom Guiry of Lismore; Trowel and Fork Set (donated by Desmond Hall) won by James Ronayne of Villierstown; Tin of Biscuits and packet of tea (donated by trustees) won by Eileen Fitzgerald of Ardmore; A Rhododendron (donated by Neil Williams) won by Emily Villiers Stuart.

# "Remembering Other Days"

The photo for our "Remembering Other Days" this week is a rather historic one as it shows part of old Dungarvan as it was about 100 years ago. It was the old fish market which was located at Davitt's Quay close by to what now is the entrance to the public car park. On the right is the gable-end of what is now Clancy's Corner (previously Mickey Landers) while in the background can be seen part of what is now Paddy Foley's pub and the Maria Moloney Boutique. The market very obviously was conducted by the women who displayed the fish on wooden stands. The wall against which they are standing is now where the Council car park is. A great variety of fish was available in those days, the most popular being hake (for which Dungarvan was then famous), ling, cod, whiting and mackerel.

# TALLOW NOTES

## ST. CATHERINES G.A.A.

Our U-14 footballers travelled to Killeagh last Wednesday evening for a daunting task of taking on the local formidable 15 in the league competition. They played with great enthusiasm and gave one of their best performances so far which almost brought them victory but the home side finished stronger to win on the score 3-4 to 2-4.

St. Catherines team was — Mark Hamilton, Pat Leahy, Mike Fitzgerald, Noel Leahy, Leonard Flynn, John Higgins, Liam O'Connell, Killian Ronayne, Donal Caplice, Pádraigh Noonan, Shane Kearney, Terence Rumley, Richard Leahy, Pakie Twomey, Aidan Hogan. The subs. waiting in the wings were — Noel O'Leary, John Paul Fitzgerald, John Carr, Brendan Gallagher, Tom Geary, Paddy Ahearn (used), Stephen Hartigan, Brian Hartigan, John Paul Flynn, Michael Collins. Foot note: It is interesting to mention that Pat Leahy and Noel Leahy in the full back line in the above team are nephew and uncle respectively. It must be an unique event. We often heard of Anthony Mackey uncle of John and Mick playing together with Ahane (Limerick, in the 30's and likewise the Delaney's of Laois, but an uncle and a nephew playing together in an U-14 football team is surely a rarity.

**U-21 Football Championship At Dungourney** — Facing a team from a traditional football area Russell Rovers, last Saturday evening at Dungourney it looked a tough assignment for Catherines, but they applied themselves nobly to

the task, and having a comfortable lead at the break they never looked back and booked their passage to the next round.

Catherines line out was — Robbie Hamilton, Liam Sheehan, Pat Fitzgerald, Pat Sheehan, Dessie O'Keeffe, Aidan Hickey, Ger Lynch, Ger Morrison, Declan O'Neill, Paddy O'Leary, Paul Higgins, James Fitzgerald, Seán Twomey, Mark Lane. Subs. — Maurice Spillane, Mark Spillane, Kevin Hayes, Paddy Lane. Referee — Eddie Hayes, Killeagh.

## TALLOW CUB/SCOUT NOTES

On Sunday last 19 of our Cubs and 4 Leaders headed to Touraneena for a fun day. Even though the weather wasn't too kind to us a very enjoyable time was had by all. I would like to thank the Touraneena Unit for their hospitality, I don't think anyone went home hungry, as there were refreshments for everyone in the Den after the fun and games.

We hope to make this fun day an annual event as there are girls and boys in both Units. So, let's hope that this was just the start of many great fun days between our two Units.

At this time I would like to remind everybody about the Bob-a-Job week from 7-17th April. The cards were given out on Sunday so the boys and girls of the Unit should be out there asking you if they can help with any odd jobs. If anyone has a question about the Bob-a-Job week just contact one of our Leaders and they will be happy to sort out any problem you might have.

We have no Cub meeting until Friday 16th April at 7 p.m., see you then. P.R.O.

## BRIDE VIEW UTD. A.F.C. NOTES

### Underage League — Semi-Final Defeat For Utd. After Extra Time

Our U-13 team went down to Youghal after extra time in a real cracker of a game while our U-16 side suffered their first league defeat at home but are still in the league hunt.

### U-16 League

#### Bride View Utd. 1 Ardmore 4

This was a game in which the homeside never really settled. Having said this the result of this game was in doubt going into the final 10 minutes. The first half was keenly fought with both defences on top. At the break the sides were scoreless.

Ardmore took the lead in the 50th minute but United struck back for the equaliser in the 54th minute when a great move involving James Henley, Stephen Curley, Stuart Barry and Tony Harper ended with the latter grabbing the goal. The game was played at a frantic pace but with Utd. pushing men forward they were caught in the final seven minutes when Ardmore scored three times to run out winners and go top of the league. However, Inch could join them when they play Lismore at home.

United have just one game left at home to Inch and this is a game they have to win if they are to keep their league hopes alive.

United — B. Sheehan, W. Murphy, J. Barry, S. Curley, E. Henley, J. McSweeney, M. Fraser, S. Barry, T. Pratt, J. O'Brien and J. Henley. Res. — J. Harper and J. Mulcahy both used.

### U-13 League

#### Youghal 3 Bride View Utd. 2

United went down to Youghal in the semi-final of the league after extra time. This was a thrilling game in which United came from behind twice.

Youghal went in front almost straight from the kick off but United fought back and David Howard grabbed the equaliser in the 13th minute. At the break the sides were level at 1-1.

The seiders took the lead in the 35th minute but again the Tallow lads came back and equalised. This was the last goal of the game. Ronan Cronin beat the full back and sent in a marvellous cross which was headed to the net by the inrushing Roy Henley for a marvellous goal in the 50th minute.

And so to extra time. The first period failed to produce a goal. Going into the final 5 minutes and penalties looming Youghal scored what proved to be the winner.

The Tallow lads can feel proud in their ef-

forts here in what was a great football game. Wayne Conroy played well while his back four of Ryan, Slattery, Howard and Murray were excellent. Midfielders, Power, Tobin and Henley all did well and up front the two Cronins and O'Brien kept the pressure on the Youghal side.

The pity here was that some side had to lose but never mind lads you will be back. We wish Youghal the best of luck in the final.

United — W. Conroy, M. Ryan, S. Slattery, D. Howard, R. Henley, B. Power, P. Tobin, P. Murray, S. Cronin, I. O'Brien and R. Cronin.

**Lotto** — The numbers last week were 10, 2, 8. There was no outright winner. Five people won £100 each. They were Owen Flynn, Geraldine Oakham, Bill Brown, Laurence Daly and Pat Ferguson. Congratulations to all. John Cremin won the voucher valued £25 for Michael Cummings Hardware. The voucher for the draw this week is for The Latch Restaurant. The jackpot is £200.

**Need A Break** — Then buy a lotto because on Wednesday the 14th the club are giving a weekend away for two people in Killarney. The Forc Hotel in Killarney is the Hotel for the winners weekend. This hotel is one of the Great Southern Hotel group of Hotels. This is just the first weekend away the club hope to organise.

**21st Dinner** — Yes it's almost here. The date is the 23rd April which is a Friday night. The tickets are going a bomb and it looks like all 300 tickets will be sold. However, all tickets must be paid for by this Friday the 9th April. Remember it's first come first served.

This night promises to be a night to remember with players coming from Fermoy, Youghal, Kilkenny, Dungarvan, Portlaoise, Conna and even as far away as England. There will be many a ball kicked this Friday night.

The Gents are playing the music to keep everyone on the dancing floor. A bar extension, a meal, spot prizes and much much more. Remember to get your ticket by this weekend.

**Congratulations** — The club congratulates Angela and Michael Leahy of The Latch on the birth of a baby boy. We understand he is already signed for Bride View Utd. in soccer and Tallow in hurling and football. There is no truth in the rumour that he has signed for the Shamrocks.

## BALLYNOE NOTES

### GLANWORTH SENIOR CITIZENS VISIT BALLYNOE

A busload of Glanworth senior citizens joined the Ballynoe senior citizens at the latter's Community Hall on Tuesday night of last week in what could be termed an exceptional nights enjoyment of music, song and dance. The visitors abounding in talent contributed several vocal numbers in the course of the night and a rendering of songs and a harmonica solo also came from the Ballynoe section. Teas and refreshments were served during the night. Fr. Lomasney, C.C., Ballynoe and Fr. Declan Hennessy, C.C., were amongst the attendance and the strains of Amhrán na bhFiann came all too soon.

John Denis Cotter, chairman of the Ballynoe committee, thanked the Glanworth group for coming in such great numbers which made the night all the happier an occasion, and expressed the hope that

Glanworth would welcome them in the near future again. He had a special appreciation for all those local ladies particularly who spent the early evening preparing the sandwiches, teas, refreshments etc. for the event. He also had a special thanks for the local musicians Chris O'Mahoney and Michael Burke who were always on hand to facilitate them. Seamus Browne, on behalf of the Glanworth people replied. He thanked the Ballynoe Senior Citizens for the invitation on the night, which was a most enjoyable one and they were returning to Glanworth with many happy memories of a great social night.

### MRS. MARY MURPHY (NEE BUCKNER) LISGOOLD. R.I.P.

The death occurred recently at the Regional Hospital, Cork of Mrs. Mary Murphy, Carbelly, Lisgoold. Predeceased by her brothers Timothy and Peter,

Mary was a member of an old esteemed family the Buckners who lived at Ballyvounteen, Ballynoe, and her death coming rather unexpectedly evoked great sadness in the area and our sincere sympathy is extended to her husband Paddy, sister Helen, brothers Philly and Mick, sisters-in-law, brothers-in-law, nephews, nieces, relatives and friends. After Requiem Mass in St. John the Baptists Church, Lisgoold, her remains were conveyed to the Old Clonmult cemetery for interment. Go ndeanaidh Die trócaire ar a h-anam usual.

### ENTERTAINMENT IN BALLYNOE HALL

The forthcoming Entertainment in Ballynoe Hall on Friday and Saturday 21st and 22nd of May is eagerly looked forward to and promises to be a wonderful nights entertainment including Short Sketch, Vocal and Instrumental items, Ballet and Tap Dancing and Irish Dancing.

## TALLOW G.A.A NOTES

Tallow's first round opponents in the senior hurling championship are Dungarvan and it's fixed for Lismore on Saturday 17 April at 7.30 p.m. Then we play Portlawn in Leamybrien, Colligan, Lismore, Mt. Sion and Fourmilewater in that order. The senior team are training hard, and have a few challenge games lined up as well, so hopefully we can get a good start in our opening couple of rounds.

Votes of sympathy were passed to the Collins family, Glencarin and Tallow and also to the Lawton family, Tallow and Lisfinney on their recent sad bereavements.

The death of Gareth Collins left the club stunned recently. Gar as he was affectionately known was one of the truly great characters of the town. Gar worked most of his life for the O'Flynn family in Convent St. but he would be most remembered as the man who started the bonfires when many a successful Tallow team would return in triumph to Tallow with the countless county titles that were won in the 70's and 80's. A kind and gentle man he won't be forgotten by his many friends in Tallow. To his brother and sister, relatives and friends our deepest sympathy to you at this time. Ar dheis Dé go raibh a anam.

**Juvenile Notes** — The U-14 football league continues - we had a bye last weekend so had a challenge match against the Shamrocks in the field on Friday night. The Shamrocks play in Division "C" and are going great guns at the moment. The local lads who compete in the "B" division proved to be bigger and stronger and won a very keenly contested "local derby" by a few goals.

Our next game is scheduled for Easter Sunday morning away to Stradbally.

During her recent visit to Dungarvan for the St. Patrick's Day celebrations, noted songwriter and poet, Mai O'Higgins was guest of honour at a social night in Lawlor's Hotel, hosted by Dungarvan Credit Union. Music for what proved to be a most enjoyable occasion was provided by the very popular local Remo 2 (Jerry Dwyer and Jim Duggan). Pictured above at the social are Jane Cooney, Helen Wright and Susan Conway of the organising committee with Mai O'Higgins and Cllr. Richie Walsh. —(Photo: Pat Crowley).

## FARMING LEADER

# IFA Warns On Foot And Mouth Disease Threat

The EC's ability to contain the outbreak of foot and mouth disease in Italy and prevent it spreading to other Member States, including Ireland, will be the first major test of the effectiveness of the Community's new veterinary controls in the European single market, according to Ned Murphy, Chairman, Waterford IFA Animal Health Committee.

Mr. Murphy stressed that eradication of the Italian foot and mouth outbreak was now the ultimate responsibility of the European Commission, working closely with the Italian authorities. He also emphasised, however, the importance of absolute vigilance by the Irish Department of Agriculture, especially in the disinfection of trucks and containers originating in Italy, to prevent the scourge of foot and mouth reaching Ireland with disastrous conse-

quences for Irish farmers and the livestock industry.

The IFA man warned that if the new EC single market controls failed and the Italian outbreak spread to any other part of the Communi-

ty, the Irish Government would have to demand the reimposition of national quarantine controls in order to provide maximum protection for Ireland's disease free status.

## Waterford Co. Macra Na Feirme Notes

### ALL-IRELAND DRAW

Plans for the development of Gloster House (Macra na Feirme's new training centre) are well underway, as is a major one-off fundraising venture involving Macra members.

This venture is in the form of an All-Ireland draw which has a prizefund of up to £75,000. Tickets cost £1 each and you can take as many chances as you like to predict the finalists and the scores for the football and hurling championships.

### PUBLIC SPEAKING

The Fir Grove, Mitchelstown, Co. Cork provided the venue for the National semi-final of Public Speaking competition sponsored by Bus Eireann. Teams from Kinsalebeg, Waterford, Ballineen-Enniskeane, Carbery and Kilmallock, Co. Limerick, battled for a place in the final.

Kinsalebeg consisting of Mary Fleming, Edel Smiddy, Caroline Smiddy and Geraldine Veale put up a

great performance to see off the challenge of the Limerick and Cork teams and book their place in the national final in Wexford on April 24. This is a tremendous achievement for the club in reaching the final of this event for the second year running.

### PRE-RETIREMENT SCHEME

Macra na Feirme believes that the pre-retirement scheme can only work effectively if realistic quotas are available for young farmers taking up the land. Glib demands for its introduction must be matched by a willingness to provide young farmers with viable production rights. It appears that much of the land being given up may not have significant quota, in which case the quota reserves should be sufficiently large enough and flexible to allow the recipients to bring the farms up to the permitted stocking levels. — Liam Hallahan PRO.

## '93 Will Be A Busy Year For RNLI

The year 1993 promises to be an extremely busy year for the RNLI in Ireland. With the arrival of the new Kilmore Quay Lifeboat last November we look forward to the Naming Ceremony of the "Mary Margaret" in April. The spring will also see the arrival of a second new Mersey Class Lifeboat to Clogherhead while a new Lifeboat Station will open in the early summer in Bundoran.

Over the past year lifeboats of the Irish fleet launched on 393 occasions and saved 87 lives, many of these services were carried out in very difficult weather conditions.

The building programme of the new 17 metre Severn Class and also the new 14 metre Trent Class will commence during the current year placing an extremely heavy burden on the Lifeboat Institution.

The Annual Collection in Dungarvan takes place this weekend and you can help by giving generously.

## Roll Up For A Ham Sandwich

Warm from the oven and smelling heavenly, these ham "sandwiches" don't bear much resemblance to the railway station variety! We've made our bread dough extra moist by adding milk. There's enough to make a seeded plait too.

### HAM 'ROLLS'

#### Ingredients

4oz. (100g) ham spread,  
2 level tbs (30ml.) French mustard

1oz. (25g) butter, melted

6oz. (170g) can evaporated milk

1 egg beaten

1lb. 4oz. (567g) packet

white bread mix

extra evaporated milk

poppy seeds to finish

**Method** — Blend ham spread with 1 tbs (15ml.) mustard. Combine rest of mustard with melted butter and pour into 18cm. (7in.) square tin.

Make up evaporated milk to 14fl. oz. (400ml.) with hot water and add with egg and bread mix. Mix thoroughly to form a dough and knead on

lightly floured surface until smooth and elastic for about 5 minutes. Divide into two.

For "sandwiches" roll dough out to 30.5 by 22cm. (12 by 9 ins.) and cover evenly with ham spread. Roll up along the long side like a Swiss roll and cut into nine pieces. Arrange cut-side down in prepared tin and cover with cling film.

Divide second half of

dough into three and roll each into a rope. Plait together, place on a baking sheet and cover with cling film.

Allow both doughs to rise to double their size for approximately 1 hour. Brush with evaporated milk, sprinkle plait with poppy seeds and bake both at 375deg. F., 190deg. C., gas mark 5 for 30-35 minutes until golden. Serve while still warm.

## Try aerial strawberries

### Try aerial strawberries

We all question whether some gardening jobs are worth it but nobody could begrudge the preparation and care of hanging baskets. Results are usually spectacular and they can brighten the most confined spaces, such as a balcony of a flat or a tiny backyard.

Of course, hanging high where wind and sun can quickly dry their soil, the plants need watching and watering, but they seem to repay extra effort by putting more into their displays. And the medium is versatile too — you can plant herbs such as sage, thyme, chives and parsley or even have an aerial strawberry patch.

Sites must be chosen carefully, with light but away from strong winds. Anchor the basket well too — it will also be holding soil and water as well as plants. Use a masonry drill to make holes to take screws and rawplugs of a decent length and buy brackets large enough to suspend the baskets without them touching the surface behind.

Large baskets are best because they dry out more slowly between waterings. You may also want to consider alternatives to the traditional mesh basket lined with sphagnum moss.

This type of basket, now usually coated with plastic to prevent rust and deterioration, allows trailing plants to be poked through the moss lining.

But the moss can be hard to come by, expensive and does allow the basket to dry quickly — for all of these reasons,

many people now often use green or black plastic to line the basket.

### TRAILERS

Small cuts can be made in the plastic to accommodate trailers but many people prefer the traditional style and reduce water loss by hid-

ing an old plate between the moss and the soil.

A halfway house is a hardened peat fibre liner which looks natural and can be holed to take trailers.

Finally, there is a lazy man's option — the plastic bowl with drip tray. It doesn't look pretty and trailers have to cascade from the top, but they do retain water well and this may be crucial if you go away a lot.

Use a good quality compost — it needs to support a lot of plants and retain moisture.

You can make filling and planting traditional baskets easier by resting them on a bucket or round bowl. Don't forget the plate or saucer on top of the moss or plastic to help retain water.

If you are planting trailers then ease their roots in from underneath before adding compost and other plants.

The plant arrangement is logical — larger and bushier plants such as fuchsia and tuberous begonia in the centre, with lower types such as Busy Lizzie, pansy and lobelia at the edges.

But there is nothing to stop you planting all one variety — how about dwarf nasturtiums for a riot of rambling colours? Arthur Hines

## AGLISH GYMKHANA

Once again the 1993 outdoor gymkhana season gets under way at Aglish on this Sunday, April 11. The show gets under way at 10.30 a.m. and there is a full programme of events. Aglish remains one of the best organised gymkhanas in the area with something for everyone including the little ones in the Tiny Tots Competition.

Good luck to all the locals in the pony arena who will be competing in the open competitions to qualify for the RDS Summer Festival which will be held on June 4.

Let's hope the weather remains kind to us, and thanks to everyone who helped get the gymkhana organised.

## WEST WATERFORD HUNT

Pony Club — Easter Programme — The 1993 West Waterford Hunt Pony Club will hold their first outing of the season on this Thursday, April 8, when all our young members will go on an Easter Ride at Bishopstown Woods, Lismore.

On Thursday, April 15, the first working rally of 1993 will be held at Monatrea Riding School (with special thanks to Mrs. Laura Griffiths) from 11 to 3.30 p.m.

This rally will be followed by the annual parents' meeting at 3.30 p.m.

New members are welcome. All members please come equipped with proper head gear and a back protector. Happy Easter all! — PRO.

## PILTOWN NATIONAL SCHOOL

Good Luck In The Finals — Our girls joined with Knockanore for the seven-a-side tournament and they have successfully come through to the final and we wish them lots of luck in their final game on Tuesday, April 6. We will be cheering you on, girls.

## SACRAMENT OF PENANCE

During the past week our boys and girls in first class who will receive their First Holy Communion on May 22 received the Sacrament of first Penance at a special ceremony in the hall.

All the class were well behaved and they did their parents and teachers proud.

## LADIES FOOTBALL

Minor County final — Last Sunday we travelled to Ardmore for the eagerly awaited minor county final against St. Pats. After a beautiful morning, conditions, unfortunately, deteriorated, with a strong wind making good football difficult. Clashmore attacked from the throw-in and were rewarded with a point from Bernadette Lombard after two minutes. The next fifteen minutes were very competitive with both defences on top and we had to wait until the 20th minute for the next score, a goal for St. Pats. Full credit to our girls who responded well with a point inside four minutes, leaving the halt time score St. Pats 1-0, Clashmore 0-2.

On the resumption, St. Pats quickly added a goal and a point before Clashmore registered their first score of the second half. Clashmore added four further points without reply from St. Pats, leaving just one point between the sides entering the last five minutes. Unfortunately for our girls, St. Pats regrouped and broke up the field and scored two quick goals. The final score was: St. Pats 4-1, Clashmore 0-6.

St. Pats on the day were slightly the better side but full marks to our gallant Clashmore team who never gave up. They all played their hearts out and we can be very proud of their performance.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. Grateful thanks to the Blessed Virgin for favour received.

# IN MEMORIAM

**CROTTY** — Sixteenth Anniversary — In loving memory of my dear father, John Crotty, late of Congress Villas, Dungarvan, who died on April 9, 1977.

Gone from our home that smiling face,  
The cheerful happy ways,  
The heart that won so many friends,  
In bygone happy days;  
He never failed to do his best,  
His heart was true and tender,  
He worked and toiled for those he loved,  
And left us to remember.  
(Sadly missed by his son Willie, Nellie and family.)

**CROTTY** — Sixteenth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

Last night as I lay sleeping I saw my Dad once more,  
We were sitting side by side,  
Like so many times before.  
And when I said don't go Dad,  
You smiled at me and said,  
I haven't really left you,  
Nor have I travelled far,  
I have only gone before you,  
And left the door ajar.  
Too dearly loved ever to be forgotten.  
(From Mary and Pa, Bidds and Maire and grandchildren.)

**CROTTY** — Fifteenth Anniversary — In loving memory of my dear father, John Crotty, late of Congress Villas, Dungarvan, who died on April 9, 1977.

Falling tears and aching hearts,  
Are things I have to bear,  
But losing you the way I did,  
Will always seem unfair.  
There's much more to this verse,  
Than just the words you see,  
It's filled with happy memories,  
Of days that used to be,  
There is a daughter who loved you,  
In a house where you used to be,  
A daughter who wanted to keep you,  
But God willed it not to be.  
Will all my father's friends who think of him today,  
A little prayer to Jesus say.  
(Never forgotten by his loving daughter Pearl, Willie and family.)

**CROTTY** — Sixteenth Anniversary — In loving memory of our dear father, John Crotty, late of Congress Villas, Dungarvan, who died on April 9, 1977.

Will those who think of him today,  
A little prayer to Jesus say.  
(Always remembered by his sons, John and Joseph.)

**CROTTY** — Sixteenth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

It does not take a special day,  
For us to think of you,  
Each Mass we hear, each prayer we say,  
Is offered up for you.  
May he rest in peace, dear Jesus,  
In Thy heavenly home above,  
With the Sacred Heart of Jesus,  
In His eternal love.  
(Always remembered by Breda, Paddy and family.)

**CROTTY** — Sixteenth Anniversary — In loving memory of my dear father, John Crotty, 51, Congress Villas, Dungarvan, who died on April 9, 1977.

A light is from our household gone,  
A voice we loved is stilled,  
A place is vacant in our home,  
That never can be filled.  
Lonely is the home without you,  
Life to us is not the same,  
All the world would be like heaven,  
If we could have you back again.  
The happy hours we once enjoyed,  
How sweet their memory still,  
But death has left a vacant place,  
This world could never fill.  
(Never forgotten by Kathleen, Locky and family.)

**CROTTY** — Sixteenth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

These last few years without you,  
Are the saddest I have known,  
I treasure every thought of you,  
When I am all alone.  
There will always be a heartache,  
And often a silent tear,  
But forever precious memories,  
Of days when you were here.  
I want to tell you something,  
So there won't be any doubt,  
You are so wonderful to think of,  
But so hard to do without.  
(Never forgotten by Ann, Joe and family.)

**CROTTY** — Sixteenth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

We sat beside your bedside,  
Our hearts were crushed and sore,  
We did our duty to the end,  
'Til we could do no more.  
In tears we watched you sinking,  
We watched you fade away,  
And though our hearts were breaking,  
We knew you could not stay.  
You left behind some aching hearts,  
That loved you most sincere,  
We never shall and never will,  
Forget you, father dear.  
(Sadly missed by Eileen, Maria and John Paul.)

I lost two special things that day,  
A mother and a friend.  
For those who have a mother,  
Love her while you may,  
For I wish with all my heart,  
That mine was here today.

**FITZGERALD** — Sixth Anniversary — In loving memory of Breda Fitzgerald, late of Ballycoo, Dungarvan, who died on April 12, 1987.

A little tribute small and tender,  
Just to show we still remember,  
A heart of gold, a life to true,  
Loved and respected by all she knew.  
Always willing, helpful and kind,  
What beautiful memories she left behind,  
Will those who think of her today,

Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,

I love you dad and mam and always will,  
You left a space we cannot fill,  
No one knows the grief we share,  
When we all meet and ye are not there.

Have you ever lost a husband,  
Who meant the world to you,  
One you loved so very much,  
And miss just like I do.  
If you never had this feeling,  
Pray you never do,  
For when God takes your husband,  
He takes a part of you.  
I think of you in silence,  
I often speak your name,  
What I'd give to hear your voice,  
And you to call my name.  
You may be out of sight,  
We may be worlds apart,  
But you are always on my mind,  
And forever in my heart.  
(Never forgotten by your loving wife, Bernie.)

**POWER** — First Anniversary — In memory of our loving father Jack, late of Kilrush Park, Dungarvan, who died on April 12, 1992.

A loving father most sincere,  
Loved by all he knew,  
He loved us all so very dear,  
And we all loved him too.  
But God in His mercy will give us hope,  
And help us bear the strain,  
Of the one we cherished,  
Loved and lost,  
To meet in heaven again.  
As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.  
(Always remembered by his loving sons Shane, David, John and Ronan and loving daughters Vanessa, Jacqueline, Ashling, Sinéad, Kerri and Coleen.)

**POWER** — First and Thirty-seventh Anniversaries — In loving memory of my brother Jack Power, Kilrush, Dungarvan, who died on April 12, 1992. Also our father, Nicholas Power, late of Western Terrace, Dungarvan, who died April 26, 1956.

As the first year passes the loneliness grows,  
We miss you more than anyone knows,  
We hide our tears when we speak your name,  
But the pain in our heart is always the same.  
Each day is blessed with thoughts of you,  
A glimpse of the past and the joy that we knew,  
For as long as we live, we'll always be glad,  
For the wonderful brother we were so lucky to have.  
(Always remembered and sadly missed — your sister Helen, Billy and family.)

**POWER** — First and Thirty-seventh Anniversaries — In loving memory of my brother Jack Power, Kilrush, Dungarvan, who died on April 12, 1992. Also our father, Nicholas Power, late of Western Terrace, Dungarvan, who died April 26, 1956.

Today is the day I remember so sad,  
Of a brother I lost and wished I still had,  
Time has passed, life goes on,  
But in my heart you are never gone.  
Sweet Jesus take this message, to my brother up above,  
Tell him how I miss him and give him all my love.  
(Always remembered by your sister Mary, Pat and family.)

**POWER** — First Anniversary — In loving memory of our brother, Jack Power, late of Kilrush, Dungarvan, who died on April 12, 1992.

As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.  
Time may heal the heartaches,  
Like the smile that hides the tears,  
But happy memories keep you close,  
Despite the passing years.  
(Never forgotten by Bernie, Monnie, Michael, Paddy, Phillie, Timmy and family.)

You have crossed the flowing river,  
To the shores of ever-green,  
I would dearly love to see you,  
But the river lies between.  
In that beautiful home called heaven,  
In the land of peace so fair,  
Some day I'll find you Jack,  
Watching and waiting there.  
You never miss the sunshine till the shadows fall,  
You never miss loved ones, till they are gone beyond recall.  
So be forever with him, Lord,  
Hear him should he call,  
And light a star above his grave,  
When the evening shadows fall.

(Always remembered by your sisters Nancy and Noreen and families in England.)

# BALLYDUFF NOTES

## BALLYDUFF G.A.A. NOTES

The club did not have any winner in the last Deise draw but hopefully some luck will come in the April draw, which takes place on April 30. All money is to be handed up by 24th of the month.

Training started for the hurlers last Monday week, the numbers were small, but hopefully this won't stay this way too long as our first match of the championship is on Sunday 18th of April, against De La Salle in Cappoquin at 2 o'clock. The other teams in our group are Dunhill, St. Saviours, Roanmore, Passage and Ballygunner. We have a good chance of qualifying for the knock out stages, but this can not be done, unless a good effort is made by everyone.

Last Sunday we had our first match of the year against Lismore, in Lismore. This was a good workout, but it was plain to see that we have to do a lot more hurling if we want to do well in the championship. The final score was Ballyduff 3-04 to Lismore 0-08. Training is on every Monday, Wednesday and Friday nights and it would be great to see some new faces as they are very welcome.

## BALLYDUFF MACRA NOTES

On Saturday, April 3rd a very successful meeting was held in St. Michael's Hall (even though our Chairman was missing in action). So the very honourable Mr. Pat Roche took the hot seat and to say the least our members were on their best behaviour. Pat apologised for our chairman's absence but he couldn't just put his finger on why he was missing (was it commitment)!! or did some say Fermoy Macra went bowling on Saturday night. Pat it must be difficult to bowl with just one hand. On behalf of the club we wish our chairman a speedy recovery and we'll all be giving you a helping hand!!

Now getting back to the meeting Pat Roche thanked everyone for all the long hours of work that they put in during the All-Ireland Finals. He told us that great credit was due to everyone on the way everything ran so smoothly during the weekend. Pat also informed us that there were numerous competitions coming up including the Variety Competitions which are on Friday April 16th. These competitions include Miss Macra, which Pat informed us was a stepping stone to the Rose of Tralee and Miss Ireland. A little bird has informed us that Carmel Leamy is this year's red-hot favourite as she has been spying on the county final of Cork Miss Macra. Who knows maybe next year we will be taking a club trip to Tralee. In the gents competition which is Bachelor of the Year the lads are very shy, so in order to put the clubs best

foot forward Pat Roche and Martin Kenny have decided that they will risk being crowned "Bachelor of the Year". In the Queen of the Land competition I have been informed that Catherine Leamy is only too willing to put her hat in the ring. Last and not least we have Miss Blue Jeans, as yet we have no one interested in doing it. Pat informed us that he will keep his eyes open.

The club have decided to hold a car maintenance course. So in the coming weeks our members will be busy looking under the bonnets of cars. The course will commence on Saturday April 17th.

On Friday, April 2nd some of our members headed towards Tipperary to take part in the National semi-finals of the Dublin city talent competition. Our members took part in the Disco Dancing and the Ballad Group competition. Even though we didn't qualify for the final our members must be congratulated on putting on a fine performance. On behalf of the club I would like to thank Mairead Ahern for coaching them.

Last and not least the club has a new P.R.O. Our new P.R.O. is Martin Kenny. I would like to thank Mark Wade for his many hours of work.

# BATTLING WIN FOR UNITED'S TEENS

On Saturday week last United's Teens played at home to Tramore in their second last game of the season. This Blues team had to do without the service of Mark Hyslop so they played R. Power at left back and M. Kelleher at right winger, and the Blues played above themselves in this game. The Blues went straight at Tramore and they were soon a goal up after some great work by Butler and Walsh and when the ball broke out to Willie Fennell he rounded two players and scored a great solo goal with his right leg. Soon the Blues were two up when a great cross from the winger was headed home at the back post by M. Kelleher. Near half time the Blues almost scored a third goal with another great cross, but this time Landers headed over.

In the second half Tramore came more into the game but the Blues held out well under the leadership of Tommy Butler. The Blues again in this half looked the most likely to score with Walsh playing well up

front, but then the whole game changed right around. Tramore scored a sloppy goal and then came the talking point of the game when Tramore's number 12 who looked to be off-side carried on into the box where he was brought down and the ref. gave a penalty which they duly scored. The game looked as if it was heading for a draw when Dungarvan broke forward and a header from Walsh was saved by the diving keeper and as the ball broke out with the keeper on his knees Willie Fennell forced the ball home. At the other end it took a great saving tackle by R. Power to earn the Blues win. This was a very impressive display by this Blues team with Fitzgerald, Cliffe, Walsh, Butler, Fennell all playing well but Ross Power was outstanding in this game.

Team — C. Fitzgerald, P. Coles, I. Sheehan, B. Cliffe, R. Power, D. Foley, W. Fennell, T. Butler, A. Landers, C. Walsh, M. Kelleher. Subs. — J. Cooney, Y. Whelan. Subs. not used — M. Coles, J. Foley.

## Railway Athletic (Cappoquin) Club Notes

UNDER 13 T.S.B. LEAGUE  
Railway 2 Kilmac' 3

We had Kilmac' at home on Saturday last in a top of the table clash. This was a real 4 pointer for us and straight from the kick off we put pressure on from the start and went two goals up. After we took this lead we stopped playing and were lucky to be ahead at half-time. Our centre half Shane Coughlan also got injured and could not continue. Kilmac' came at us and got three goals that gave them the two points. Some of our key players did not play well on the day.

Fixtures For The Weekend — Saturday 10 April - Under-16 away to Hibs 2.30. Sunday 11 April - Youth team home to Portlaw 11.30.

## Red House League Notes

### CHALLENGE GAME

DUNGARVAN 0  
RED HOUSE 1

This was a very competitive challenge game for the Red House League side. Played in Dungarvan on Sunday evening last both sides served up a very good game of football.

The Red House League side went in front in the 9th minute when Declan Glavin set up Liam Power who smashed the ball to the net. The homeside piled on the pressure after this set back but Morrissey kept them at bay. The homeside had more of the play in this first half but the leagues defence played solid and gave Dungarvan's front runners few chances. The two chances that they did get saw Morrissey save them both with two outstanding saves. At the break Power's goal still separated the sides.

The league came more into the game in the second half and with a bit of luck could have increased their lead. Twice the woodwork came to Dungarvan's rescue, the first time from a Paul Quinn shot which came back off the crossbar. The second time was when Brendan Barry's effort came back off the post. However, with just 4 minutes remaining Dungarvan were awarded a penalty. At this stage of the game Billy Sheehan was after replacing Liam Morrissey in goal. Sheehan got down well to save the penalty kick and the Red House League side held out for a great victory.

This was a great team effort from all 14 players of the Red House League. They can now face The Waterford Junior League side in a good frame of mind.

The Red House League — L. Morrissey, J. Doyle, P. O'Leary, D. Mason, M. Hartnett, P. Quinn, I. McIntosh, G. Hogan, D. Glavin, L. Power, J. Scanlon. Res. all used — B. Sheehan, B. Barry and P. Manahan.

## Waterford Will Start Favourites

The Waterford Junior League team are attractive visitors to Lismore on Monday (Easter Monday) next, when they take on The Red House League. The Red House League side had a good workout against Dungarvan on Sunday last and indeed won that game.

This is a very young Red House League team with players from Bride View Utd., Lismore, Cappoquin, Affane, Ballyduff, Valley Rangers and Modeligo forming this league side.

It's always a thrilling game and Monday's one should be no different. This win for the Red House League team will put them in a good frame of mind

and all the players are looking forward to it. We would appeal to all supporters to turn up in Lismore on Monday next for what should be a cracker.

The Red House League Panel — Bride View Utd.: Billy Sheehan, John Doyle, Maurice Hartnett, Gerard Hogan and Ian McIntosh; Lismore: Paul Quinn and Dave Landers; Cappoquin: Liam Morrissey, Darren Mason and Pakie Manahan; Modeligo: Liam Power; Valley Rangers: Paddy O'Leary; Ballyduff: James Scanlon and Brendan Barry; Affane: Declan Glavin.

FIXTURES

Easter Monday — The Red House League v. The Waterford Junior League, k. off 3 o'clock.

This game is being sponsored by Michael O'Leary of The Red House Bar, Lismore. The Red House League committee are very grateful to Michael for his sponsorship.

## CYCLING

# Cidona Carrick Wheelers Notes

Last weekend the Cidona team was in action in Carlow at the Des Hanlon Memorial. In the third category event Cidona was well represented with Gearoid Fraher, Maurice Terry, Mark Power, Eamon O'Doherty and Pat Kenealy lining up to start. The race was run over a 60 mile circuit, taking in Bunclody, Borris and Bagenalstown.

However, despite the fast pace and numerous attacks, the 120 strong field stayed together until Kiltalea when on the climb up Mount Leinster a small group went away. Then out of Borris another six riders forged clear. This group included Dungarvan's Gearoid Fraher and Pat Kenealy. With ten miles remaining those two groups came together and opened up a 35 second gap on the main bunch.

With one kilometre to go Kenealy attacked and opened up a slight gap. He was joined by Peter Murray (Ballinrobe CC) who attacked again and held on to a slight gap to win the race from Kenealy, with Paul Flynn (Gorey CC) leading in the rest. The other Cidona riders finished safely in the main bunch.

Des Hanlon Memorial (60 miles) — 1, P. Murray (Ballinrobe CC) 2 hrs. 24 mins. 41 secs.; 2, P. Kenealy (Cidona Carrick) S.T.; 3, P. Flynn (Gorey CC) at 1 sec.

MUNSTER FINAL

We would like to congratulate the local Set Club for reaching the Munster final in the set dancing and we would like to wish them the best of luck and hope they go all the way. Also well done to Joanne McKenna even though she got knocked out in the Munster semi-final, she did the club very proud.

MINOR HURLING

# St. Augustines Advance In Munster Championship

ST. AUGUSTINES 5-10 ROSCREA C.B.S. 2-2

St. Augustines moved into the semi-final of the Munster Colleges U-15 Hurling Championship after an easy victory over a poor Roscrea side in a game played at Clonmel recently. The winners led by 3-4 to 1-2 at half time after playing with the aid of the wind.

The Dungarvan boys improved in the second half and added some fine scores,

especially from P. Nugent. Others to play well for St. Augustines were v. O'Shea, M. Horan, G. Cullinan and P. O'Donovan.

Team — B. Mooney, R. Cass, V. O'Shea, M. Horan, E. Byrne, G. Cullinan, K. Power, P. O'Donovan, P. Fitzgerald, P. Nugent, D. O'Brien, N. McGrath, P. Scanlon, I. Dunford, N. Power. Subs — R. Morrissey, P. Ahern.

## Cumann Lúthchleas Gael Na Rinne

### CLUICHÍ BUNSCOILE

INTO Min-Sevens — Peil na gCailíní — Dún Na Mainistreach — Thit ceathanna troma báistí a loit an pháirc. B'é an trua é, mar nuair a tháinig an ghrian amach b'álainn an treimhse ama é cinnte. Ach níor chuir an aimsir isteach ar spiorad an chomórtais a bhí idir na scoileanna. Bhí raidhse scilleanna le feiscint ar an gceithre fhaiche. B'iontach an méid oibre a bhí déanta ag na múinteoirí idir fhir agus mnáibh, ag eagrú an chomórtais.

Trí chluiche a d'imir cailíní bunscóile na Rinne. Marcella U Chadhla a bhí ina bhfeighil. Bhí George Young agus Máire Ní Icf O.S. ina bhfochair agus slua beag de na máthaireacha chun tacaíocht a thabhairt do na hiomaitheoirí óga. D'imríodar go hana-mhaith agus iad ag imirt i gcoinne na hAírde Móire agus bhí an bua acu. Sa tarna cluiche i gcoinne Tulach an Iarainn, bhíodar chun tosaigh agus ba bheag nar ligeadar dó sleamhnu uathu. Ach, mar a dhein sí go minic i rith an trí chluiche, dhein Sínead Ní Dhroma tréan-iarracht agus fuair sí cúl. Chríochnaigh an dá fhoireann ar chomhscór. Bhí sé go léir le déanamh ag seachtar na Rinne anois. Bhí foireann Shliabh gCua tar éis cruthú go hana-mhaith sna cluichí a d'imir siad roimhe seo. Bhí na scilleanna acu, bhíodar go láidir chun reatha: d'imríodar dá chéile. Thosnaíodar go láidir agus, in ainneoin iarrachtaí na Rinne, bhí cúl agus trí chuillín faighte ag Sliabh gCua sar a fuair An Rinn an t-aon chuillín amháin a bhí acu sa chéad leath.

Sa tarna leath d'athraigh cúrsaí. Le Sínead Ní Chadhla cumasach sa chúl agus Órna Ní Arta ag tabhairt lán-chosaint di, thosnaigh Treasa Góch ag imirt mar is dual di. Raid sí an pheil amach gach aon uair a tháinig sí gairid di. I lár na páirce bhí Deirdre Nic an Oige agus Sínead Ní Dhroma ullamh chun cur leis i gcónaí. De bharr a n-iarrachtaí agus imirt láidir Elaine Ní Cheallaigh agus Siún de Siúin sha toisithe, bhí An Rinn ag déanamh níos fearr anois. Fuair Siún de Siúin cúl agus fuair Deirdre Nic an Oige ceann eile. Bhí siad san ionafocht anois. Trí chinn de chuillíní gleoite ó bhróg Shinéad Ní Dhroma agus cuillín amháin eile a thug an bua don Rinn, agus é tuillte go maith acu. Dhein Tuar an Fhóna go maith, ach is ag An Rinn a bhí an bua an babhta seo. Molaimid gach duine a ghlac páirt agus a chabhraigh. Cailíní ionaid: Clíodhna Ní Mhanacháin, Sínead Ní Fhaoláin, Suzanne de Bhal, Fíona Ní Chadhla, Aoife Ní Chuirrín.

PEIL — FAOI-14 An Ghaeltacht 1-5 Naomh Oilibhéar 0-2 Bhí sé soiléir ón bpairc go raibh alán báistí tar éis titim le cúpla lá. Bhí dhá locháin uisce ar an ndromchla — ceann amháin nár chuir isteach ró-mhór ar an imirt agus ar tarna ceann a bhí thart ar ionad an "21." Is minic, i rith an ama go bhfuair na himreoirí ón dá fhoireann folcha nach raibh uathu san uisce láibeach.

But neither the underfoot conditions nor the squally shower that fell as they left the dressingroom dampened the fervour of either team. Both applied themselves eagerly to their tasks. An Ghaeltacht were pressing hard and were rewarded by an early point from Seán O Drócháin. Olivers replied quickly with a similar score. Séamus Hayes saw a good effort hit the crossbar. A Gaeltacht goal was disallowed. An Olivers penalty kick was safely gathered by a consistent Daithí Tóibín in goal. Cormac O Muirthe had a point from play. A searing shot from the boot of Mike de Paor found its way to the back of the net via Seán O Drócháin. St. Olivers replied with a further point before half time. Sa tarna leath, thosnaíodar go maith le cuillín ó Chormac agus ceann eile ó Tom Breathnach. Cuireadh an liathróid amach ar foraoil trí nó ceithre de bhabhta, sula bhfuair Tom cuillín eile. B'shin an scór deireanach den chluiche, cé go raibh an dá dhream ag brú go láidir. Is minic a raibh cúl na Rinne i mbaol. Ach sheas Daithí go láidir sa bhearna baoil, agus le Cormac O hUallacháin, Eoin Mac Craith agus Noelle O Tóibín ag saothrú go dian ós a chomhair, choimeád siad an clár glan ar feadh an ama. Dhein Seán O hÉanaí, Tomás O Meachair agus Pádraig O Drocháin iarracht leanúnach go raibh toradh sásúil leis, mar níor lig siad dá gcéill comhraic éaló uathu riamh. I lár na páirce, chlúdaigh Cormac agus Séamus O hAodha limistéir mór talún ag rith leo ó thaobh amháin go dtí an taobh eile — ag cosaint agus ag brú ar aghaidh leis an bpeil i dtreo a dtosaithe féin. The forward six were not to be found wanting as they fetched and carried, followed and attacked ceaselessly. Mike de Paor, Tom Breathnach and Pól de Bhal fought tenaciously and successfully, as well as the frontline of Seán O Drócháin, Seán O Cuirrín and Alan O Manacháin. Fir ionaid: Ar an bpairc — Eoin Breathnach, Brian O Faoláin, Shane O Murchú — chomh maith le Déaglán de Paor, Ruadhán Góch, Niall O Faoláin agus Cian O Conchúir. Réiteoir: Jamie McGrath. Cluiche amháin eile atá sa sraith againn. Tíocfaidh foireann na hUidhre ar cuairt chugainn i bPáirc na Rinne an Satharín seo chugainn ar 2.30 i.n. Is ceart go mbaileoidh buachaillí na

Gaeltachta na pointí anseo chomh maith. Cuirigí chuige.

Arís gabhaimid buíochas le gach éinne a thaitil go dtí an Eaglais, agus le Pádraig Breathnach a bhí i láthair leis na buachaillí.

### CRANNCHUR CONTAE AGUS AN CLUB

Extra tickets were sold by the club prior to the March Development Club draw. While most ticket-holders are paying on a monthly basis, a higher than average per centage paid their £60 to club promoters before the first draw. New members are still welcome to join in the April and forthcoming draws.

Bhí Crannchur an chlub againn ag an gCruinniú Coiste, £10: Áine & Pádraig de Faoite; £10: Breandán de Faoite; £5: Jimín O Manacháin; £5: Noleen Broderick.

Tá dochas nua againn do Chrannchur Aibreáin. Gluaisteann nua sa pharóiste bhféidir! B'istigh air!

### CRUINIÚ MÍOSÚIL AIBREÁN

Bhí cruinniú an Choiste Gnotha againn ar an Déardaoin. Dáréag a bhí i láthair. Deineadh plé ar éagsúlacht ábhar. Luadh feabhsaithe a chaithfear a dhéanamh i dtimpeallacht na páirce agus san Áras, de bharr cúrsaí ar-rbhachais. Cinneadh ar dul chun cinn leo. Pléadh cúrsaí airgeadais i gcoitinne agus na billí atá fós ann de bharr na tógála. Socrafodh go rachadh scar maith de airgead na dticéadaí chun na fiacha atá ar an bpairc a ghlánadh. Is faoin gCisteoir, Domhnall O Murchadha a bheidh sé an Fo-choiste nua Airgeadais a thabhairt le chéile chun go gcuirfidh siad chun oibre, ar mhaithe le gach gné den Chlub. The "ticket money" is easily spoken for, particularly when required to clear old debts, leaving little for further development or for looking after players and teams. It's imperative, therefore, that the Finance Committee should get involved as soon as possible. Is é an Cisteoir a bheidh mar Chathaoirleach-Comheagarthóir ar an

gCoiste. Pléadh Corn Mhic Fhlannchadha agus Sciath Uí Chuirrín freisin. Deineadh tagairt do Chomórtas Peile na Gaeltachta. Socrafodh ar phlé a dhéanamh i measc na n-imreoirí faoin gcomórtas.

Ballraíocht: Players, especially, are asked to bring their membership fees along to the training sessions. Remember, you are not covered by insurance unless you have paid your "ballraíocht." Ná déanaig dearmad go bhfuil Páirc an Chrócaigh ar lorg ceannaitheoirí dá gcuid ticéadaí chomh maith. Más mian le grúpa teacht le chéile chun ceann a cheannach, téigí i dteangmháil le baill an choiste.

### AN GHAELTACHT — MÍONÚIRÍ — IOMÁNAÍOCHT

Is i dTulach an Iarainn a bheidh ár gcéad chluiche ar Luan Cásca ar a 3 i.n. Is iad Baile Uí Dhuibh na céilf comhraic a bheidh againn sa chéad chluiche den ghrád "B." Táimid ag suil go mbeidh foireann laidir againn ar an bhfód, ón dá chlub sa Ghaeltacht, ar an lá. B'igí ullamh chuige.

### GNÍOMHAÍOCHT DIRMHEÁNACH

Bhí cluiche traenála iománaíochta sa Pháirc leis na Gearaltaigh ar oíche an tSathairn. Bhí painéal láidir go leor i láthair. Tá na roghnóirí sásta go foill leis an dul chun cinn atá a dhéanamh go dtí seo. Leanfar den traenáil agus den oiliúint.

In intermediate football, our first match will be against Shamrocks in Ardmore, possibly on Sunday, April 25. It is hoped that a challenge match can be arranged for the coming weekend. A full panel of players will, hopefully, be available this weekend.

### BEANNAICHTÁ NA CÁSCA

Baineann an Cháisc le hathnuachaint, le hathbheochaint agus le hathfhás. Gúimid gach beannacht um Cháisc ar gach éinne a bhaineann le Cumann Lúthchleas Gael. Leanaimid leis an dea-obair.

### DISCUSSIONS

Over the next six weeks we will be giving a brief description of each of the holes on the new course at Knocknagranagh. This week we deal with the first three holes.

Hole 1 — 454 yards, par 5, dog-leg to the left for approach shot with mounds and large bunker to the left of the green; a relatively easy opening hole, provided, of course, that you manage to avoid the drain and the out-of-bounds on the right and the drain, trees and other obstacles on the left!

Hole 2 — 335 yards, par 4; this very picturesque hole is into the prevailing wind off the tee, dog-leg to the right with out-of-bounds to the right from tee to green; a drain, trees and a large green-side bunker have to be negotiated with the approach shot.

Hole 3 — 496 yards, par 5; the short route off the tee is over a grove about 150 yards from the tee, the drain 110 from the green comes into play for the second shot for the long-hitter; the green is guarded by mounds on the right and a bunker on the left; this will be a great golf-hole, deserving of a special prize for anyone reaching the green in two shots!

More next week.

## Minnies Squash Club Notes

### Minnies Celebrate 21st Anniversary

Past Presidents and representatives of past Presidents pictured at the 21st Anniversary celebrations of the foundation of Minnies Squash Club. Included are current President Ray Moore and Paddy O'Brien, Manager.

#### PRESIDENT'S FUN TOURNAMENT

Many seams were split with laughter last week as present and past members took to the courts in fancy dress. Sean Power was unrecognisable and Paddy O'Brien was seen as never before. These two fine "ladies" found many admirers to woo them. Joe Mulcahy looked resplendent in an apricot drop wasted creation, but obviously wasn't feeling too well as the "paramedics" rushed onto the court with a stretcher and first aid kit. "Aid" was administered and he even went on to play squash. Party poppers popped and

cameras flashed to record the sights as Finola Kelly turned out in full evening wear — men's that is — complete with dickey-bow. We always knew Pat O'Brien had a great pair of legs, but he really shooed them off to perfection in Christian Dior tights, his seams were straight! The highlight was Maurice Walsh with balloons in all the right places, playing Mickey O'Mahony who was finding it very hard to keep his eye on the ball or were there two squash balls, as Maurice adjusted his cleavage.

The competition was finally won by Fred Forsey's

team of Pa McGovern, Denis O'Donoghue and Teresa Keane, who beat Ray Moore's team of Pat O'Brien, Mary Coffey and John Coad in the final.

#### 21st ANNIVERSARY BUFFET DANCE

History was recorded on Thursday, April 1 at this momentous occasion. Tom McHugh spoke about the progress of the club through the years. Paddy O'Brien thanked all sponsors and players and presented all past president with a framed presidential logo to commemorate their years with Minnies. Paddy Lyons of Dunhill Club presented Minnies Club with a marble

engraved plaque.

Great credit is due the Paddy and Betty for organising such a great night and for their wonderful support to squash through the years.

#### A.I.B.

#### TOURNAMENT

As the season rounds up the A.I.B. tournament will commence on Tuesday, April 13.

## Dungarvan Rugby Club Notes

DUNGARVAN U-18 XV 10  
WATERFORD U-18 XV 5

With few fixtures left this season our youth mentors Niall Herlihy and Johnny Lynch have again coached an underage team to success. Last Wednesday evening Dungarvan U-18's were host to Waterford City in this Michael Maguire Perpetual Trophy which is battled for by five teams in the south east. This quarter final cup tie kicked off at 6.30 p.m. and with City having a bit more control in the first half prevented the home side from gaining much ground. Dungarvan rucked and mauled well and some tactical kicking by Colin Harty at scrumhalf proved effective in the cross-wind. Dungarvan battled well in lineout and scrum and on City's 22 metre line acquired a penalty which Colin Harty decided to kick. From almost the touchline and with a cross-wind he converted with true Dungarvan style to put the home side ahead by 3-0.

However City fought back gallantly and ran in a try near the post which surprisingly wasn't converted. This was a let-off for Dungarvan and at the break trailed by 3 points to 5. The second half was a different story with the home side taking the initiative and running a lot more ball. Peter Fitzgerald broke again and again from set pieces to set up good rucking ball. Adrian Power's destructive tackling was a great asset to

Dungarvan and not surprising in the last 10 minutes he gathered the ball from the back of the scrum, 10 metres out, and ran in a great try in the corner. Again from almost the touchline, C. Harty converted to make it 10-5 to Dungarvan.

The match was as good as won with City realising the class and the determination of their opposition was to prevail in the end. The home side held them well until the final whistle.

A great win this for our youths who now go forward to the semi-finals which will be played at Ballyrandle this week, but a day yet to be finalised.

Team — M. Daly, E. Connors, A. Keane, S. Sheehan, A. Harnedy, A. Power, P. Fitzgerald, D. Kiely, C. Harty, M. Keith, I. Walsh, J. Hayes, S. Tear, P. McGrath, V. O'Rourke.

The 1st and 2nd teams have just about wound up for the season and all that's left is the marrieds v. singles match and our end of season bash at the club grounds on Saturday, April 24. Watch the notes for more details on events.

#### FIXTURES

There are two fixtures left in the Ballyrandle Cup which will be played at the club grounds. This Wednesday, April 7 at 6.30 p.m. Waterpark take on Youghal in the semi-final and on Sunday, April 18 the final of the competition will take place.

## BOXING NEWS

# Keohane Takes Munster Title For Second Year

The Munster Juvenile Championships took place on April 3 and 4 at Ennistymon, Co. Clare. Five young boxers represented Dungarvan against the best in Munster. Three of them in their first year of boxing, so credit must be paid for a very brave attempt.

The Dungarvan Club are delighted with the success of James Keohane (14 years, 57 kilos), who put on the best display of boxing of the whole championships taking the Munster title for the second year. In the semi-final he took on W. Walters of St. Munchins B.C., Limerick, Walters was stopped in the second round by the referee having received two standing counts. This boosted Keohane's confidence the following day when he took on E.

Corbett, St. Brendan's B.C., Cork. Corbett, a very strong boxer, did all the attacking in the first round but Keohane's counter punches and especially his body punches put him well ahead on points at the end of the first round. Dungarvan coach, Tom Landers, advised James to try a right upper cut in the second round, James did this to perfection and put Corbett on the canvas, this was the only knockout of the whole championship.

From here James goes to the National Stadium in Dublin for the All-Ireland finals which take place from April 14 to 17. James is the reigning champion and we wish him the best of luck in defence of his title.

Representing Dungarvan in the Munster Champi-

onships were four other boxers.

At 11 years 33 kilos — Richard O'Leary lost to J. McDonagh, St. Francis, Limerick. This is only Richard's second fight and to lose on points is a good result from a young novice. He shows great promise.

At 13 years 39 kilos — Paul Wallace lost on points to M. Hewitt, Castleisland, Kerry. A very brave display by Wallace, who was unfortunate to lose on points, it was a very close fight and he gave his best performance to date.

At 14 years 51 kilos — Shane Power lost to L. Duncliffe, Ballyvolane, Cork. This was Shane's second fight to date and it's only his first year boxing. Duncliffe is a very experienced young boxer being

the holder of last year's National title. The fight was stopped in the second round. Shane should not be discouraged by this as he has a great heart and has the makings of a good boxer.

At 14 years 54 kilos — Pa Cummins lost to C. O'Brien, South Hill B.C., Limerick. Pa must be very disappointed to lose on points to O'Brien as he beat him 6 months ago in Sarsfield's Barracks, Limerick at the South Hill Tournament. Pa never really got into this fight, O'Brien kept slipping and moving making Pa do all the running, this didn't suit Pa as he is a counter puncher. He just had a bad day as happens in all sports. Pa is a very good young boxer with lots of potential.

## Stradbally G.A.A. Notes

#### WORK ON THE FIELD

Work on the field has begun and things are starting to take shape. There is a lot of work to be done with the nets at both ends of the field to be fixed and the fence around the field a priority. With so much work to be done, all help would be appreciated.

#### CHALLENGE MATCH

The senior squad had a good workout against a young Tramore team last Saturday evening. With the first championship game not too far away, the lads are starting to get into shape. With Ballinacourty our first opponents we certainly have a tough game starting out in the championship.

#### 21ST BIRTHDAY

Congratulations to Richard Gough who celebrated his 21st birthday with family and friends in the clubhouse last Friday night. Richard had a bit of

misfortune lately when he hurt his leg while playing hockey. Let's hope Richard will be fit again soon and back training.

#### RECENT WEDDING

Congratulations to Michael O'Keeffe and Rachel O'Reilly who were married recently. The club wishes them all the best for the future and hope they have a happy life together. Of course Mike was a very young promising hurler and football until a misfortunate accident forced him into early retirement. I'm sure Mike still has his junior hurling county medal which he won with the lads in 1987.

#### DEISE DRAW

Well it seems that we had a winner after all last week in the Deise Draw. John Darcy was the lucky winner of £100. With two winners of £100 so far let's hope we can pick up one of the bigger prizes next time.

# Fabulous Finishes In Record Entry Race

## DUNGARVAN ATHLETIC CLUB NOTES

A record entry of one hundred and fifty two athletes and the closest of finishes in six different categories made last Sunday's annual road race the most successful event staged by the club in the eleven year history of the race.

### DING DONG STRUGGLE

The senior individual race was a thriller from start to finish and the main contenders were Waterford's hope Jimmy Mulligan, Clonmel athlete Bernard Feerey and the Thurles Crokes pairing of Tommy Moloney and Pat Heffernan.

The early pace, backed by a strong breeze was fast and these leaders went through the two mile mark in a sub five minute mile pace time of 9.50. The intention of the leading group was to drop sub four minute miler and international athlete Tommy Moloney before the finish and after the four mile mark they almost achieved this as ten metres of daylight opened between him and the other trio. Moloney managed to get back into contention and after the five mile point and with one mile to go Bernard Feerey made his final effort for home and bringing Jimmy Mulligan and Patrick Heffernan with him they once again opened on Moloney who at this stage looked to be heading for a fourth placing.

Inside the final half mile Jimmy Mulligan and Pat Heffernan put in their final effort as Bernard Feerey dropped off the pace. Moloney get renewed strength and although suffering, he was ominously close to the leading pair as the race entered Mary Street. Less than seventy metres from the finish the issue was still unresolved and it was anybody's race.

The massed start in O'Connell Street. At the front of the group are the four first finishers — 1 st, No. 49 Tommy Moloney, 2nd No. 104 Jimmy Mulligan, Waterford A.C., 3rd No. 398 Pat Heffernan, Thurles Crokes and 4th No. 39 Bernard Feerey, Clonmel. —(Photo: Rory Wyley).

The final sprint was hectic with Tommy Moloney's superior leg speed seeing him squeeze home ahead of a gallant Jimmy Mulligan and Patrick Heffernan with Bernard Feerey holding down fourth spot. Any one of the four athletes would have been a deserving winner and great credit is due to each of them for giving us such an exciting race.

### NEW RECORDS

The race produced four new course records with pride of place going to wheelchair athlete John Fulham (Limerick) who set an allcomers record of 29 mins. 01 secs. for the 10K distance. This was also a thrilling race as just behind John came Roy Guerin (Tralee) in 29 mins. 06 secs. Noreen Harty (Ring/Old Parish) set a new junior girls record of 44.06 while not far behind her came clubmate Fiona Drummy with a time of 44.23.

The entry of 152 was a new record on 1988's 151 while in the team race Clonmel A.C. set a new record of thirty seven points from a lowest possible total of thirty six.

### NECK AND NECK

Three other races produced neck and neck affairs with the junior boys race giving us a real local derby. Darren Drummy (Ring/Old Parish) and Damien Travers (Dungarvan) gave performances of all that are best in the sport with a thrilling finish to enjoy. Darren maintained his winning sequence clocking 35 mins. 40 secs. with Damien being timed at 35.41.

In the over 45 race T. J. O'Loughlin, the pre race favourite, had to give best to Frank Cashman (East Cork). This was another close battle with the winner clocking 32.52 and T. J. recording 32.54. In the over 50 race Myles McHugh (Clonmel) and Fred Walsh (East Cork) were in direct and very close opposition with Myles winning at 34 mins. 26 secs. and Fred second with 34.34. Mary Sheehan was a decisive winner of the ladies race (37.15). Mary is a great supporter of the race and she proved a popular winner.

## COUNTY BOARD MEETING

Another chapter was written into the success story of the Cunnigar Pitch & Putt Club when a strong contingent of ours travelled to the very tough Ferrybank course and very nearly took away both the junior nett and gross prizes. Pride of place went to the impressive Paul O'Regan who continued his great form of the past few months to win the junior nett prize with a tremendous score of 80 nett. Paul just got the edge on Patsy Hackett who also had a great return of 81 nett. Paul justified all the faith of a lot of the members, that it was only a matter of time before he won his first open.

No doubt Patsy will be in a buoyant mood for the

Tramore Easter Open this week and also fulfil the expectations that he too will soon win his first open.

The junior gross saw our chairman Mike Daly just failing after a count back on another great score of 103 gross. Unlucky on Mike who will of course look on this as another big plus to his game. All in all, everyone who travelled returned some excellent scores to once again indicate that this will be another fruitful year for the club. Congratulations to all concerned.

## TRAMORE OPEN

This week sees the Tramore club hold their first open of the year. This course turned out to be a happy hunting ground for our own Paddy O'Neill who won the junior nett

prize in their two opens here last year and will be trying his best here in the intermediate section this time around. With so many of our juniors playing so well at the moment, expectations are really high of another good week for the Cunnigar club once again. Plus there's the added bonus that a good performance might enhance your chances of a place on a team for the Carroll's team event which holds its regional qualifying rounds on this very course. Good luck to all who are travelling.

## COMMITTEE MEETING

There will be a full committee meeting in the clubhouse on Thursday, 8th April at 7.30 p.m.

Last tee-off next week 6.30 p.m. — (Shout Fore).

## CLONEA BOWLING NEWS

### CLONEA SINGLES CUP

The winner of this year's Singles Cup is John Reynolds. John played some fine bowling, and after he took the lead in the second round he never looked like being caught. John was followed closely by last year's winner Ivor Gordon who finished second.

There was some great bowling over the three weeks. These are some of the high scores that stand out — Albert Power 213, Martin Lacey 210, John Reynolds 206 and 198, Danny Barry and Ivor Gordon both had a 180, Liam Clancy 169 and 161, Jack Elstead 160, Patsy Horsom 191 and Noel Hackett 161.

The tournament was a big success and the next tournament which is the Harp Singles should prove to be just as popular.

Final placings and scores — 1 John Reynolds (1456), 2 Ivor Gordon (1325), 3 Martin Lacey (1315), 4 Albert Power (1274), 5 Danny Barry (1270), Bryan Keohan (1243), 7 Noel O'Doherty (1155), 8 Stephen Donnelly (1112), 9 Eddie Moore (1030), 10 James Moore (989), 11 Ambrose Mullarkey (975).

Well done to everyone who took part.

### LADIES SINGLES

The ladies had a very exciting finish between Donna Hackett and Martina Moore. Going into the last round Donna had a small

lead, but Martina was able to overcome that and eventually went on to bring the cup home.

The following were the first three placings — 1st Martina Moore (647); 2nd Donna Hackett (638); 3rd Patricia Donnelly (550).

### LADIES LADDER

Congratulations to Mary Looby who is top of the ladder for the month of March.

## CAMOGIE NEWS

# National League Game

### Cork 4-5, Waterford 0-3

Waterford played Cork in their first league game on Sunday last at St. Finbar's in Cork. Although Cork came out on top, Waterford played a great game but unfortunately tired towards the end of the match. However, it was a great experience and now the girls know exactly what they have to do over the coming weeks to improve their level of fitness and when they meet Cork again will be more prepared to take them on.

The team on Sunday lined out as follows — Hilda Lonergan, Catriona Caples, Caroline Larkin, Gwen Hutchinson, Anne Marie O'Gorman, Jean Coughlan, Catriona Ormonde, Martha Butler, Linda Curley, Patricia McCarthy, Mary Murphy (capt.), Thelma O'Donnell, Emma Dunne, Ingrid Corr, Debbie McCarthy. Caroline Ormonde

came on for Ingrid Corr and Denise Power for Debbie McCarthy.

The girls are continuing to train and several challenge matches will be arranged for them over the next few weeks.

### UNDER-14 LEAGUE

There are ten teams taking part in the under-14 league this year. The first matches will be held on Saturday, April 17. It is great to see so much interest at this level and hopefully we will be able to maintain this so that we will see these girls go on to play at junior and senior levels in the years to come. So please come along and support the girls and give them the encouragement they need.

The under-14 championship will commence in May with a

large number of teams involved at this level also.

The under-12 league-championship will start in July and the junior championship between July and August. The under-16 championship will commence in mid-August and the under-18 championship late August. The junior/senior league will commence around May/June. Tramore will run an under-10 competition this year and all clubs will be notified in due course when a date has been fixed.

The Feile Na nGael Competition will be held in Lismore this year on Saturday, May 8 and the winning team will go on to represent Waterford in Galway the last weekend in June.

## Cappoquin Pork & Bacon Blackwater Cycling Club

Sunday, April 4 was the start of the new season for our underage riders. Racing took place at Cork and Carlow. Preparations for the racing season have been going on for the past three months. Every Sunday morning all the cyclists have been meeting at Aglish where they split up into two groups. The Under-16's benefit from the expert coaching of Denis McCarthy and likewise Gerry Geary imparts his knowledge of the sport to our under 12's and 14's. We would like to extend a warm welcome to three new members — David Heffernan, who races in the junior ranks (who has already given a good account of himself at a few races), Keith Walsh U-16 and Patrick Doherty U-14.

Seventeen riders went to the line for the Des O'Hanlon Memorial Under-14 at

Carlow. After two seven mile laps Thomas Hogan crossed the finish in first place. Shane Motherway and Vincent Lombard were our representatives in the U-16 race, both finished well up in the bunch. Meanwhile at Glanmire in Cork, Brian Geary carried the club colours to a well earned victory in the under 16 race with Keith Walsh finishing in the bunch. In the U-14 race Paul Geary and Brian Moore gave a good account of themselves to finish in the bunch.

Marc Flavin and Patrick Doherty missed the start of the season through illness, we wish both of them a speedy recovery and hope to see them back in the saddle soon.

Our youngest member and sole Under-12 rider, David Geary, had a very good race to finish 6th. Racing next Sunday is at Youghal.

Tomas Curran, Tom Curran's, The Square, Dungarvan presenting the prizes to Thomas Maher and Jessie Landers, winners of the Foursomes Competition run by the Cunnigar Pitch & Putt Club. Included are the runners-up Tommy Lenihan and Mike Daly.

## DUNGARVAN CRYSTAL SPORTS &amp; LEISURE CLUB

# Dungarvan Crystal Invitation

the Dungarvan Crystal sponsored Invitation was held recently and Club President Pat Keane and his hard working committee can take a bow for what was without doubt the most successful running of this event in many years.

All six divisions were hotly contested with the final pairings serving up some very exciting games for the packed gallery that attended the finals held on Sunday last.

In the Men's D Plate Pat "The Model" Keane and Paddy "The Equaliser" Cummins gave referee Pat "Happy Anniversary Darling" Terry, a torrid time as they battled out a marathon 5 setter with Pat coming back from what looked like certain defeat to win 3-2.

The Men's D proper final saw Joe O'Brien and John O'Donoghue in action. These two had been involved in 2 very hard games on Saturday but Joe was determined to make up for defeat in last year's final and he proved too strong on the day for John and recorded a great 3-0 win.

The Men's C Plate saw Patsy Hackett and Kevin Ryan come through a difficult section with Patsy playing some great squash on Saturday in his semi-final. However in the final Kevin played some fantastic squash to deny Patsy victory on a 3-0 scoreline.

The Men's C proper saw no. 1 seed Richard O'Mahoney in against Ml. Mackey and this game provided us with probably our most popular winner with Michael just getting the better of Richard for a 3-1 victory. Right throughout the tournament Michael had been a model of sportsmanship and court behaviour so victory here was just reward and an example to all younger players.

The Men's B Plate between Ray Moore and James Baldwin produced without a doubt the most enjoyable game of the tournament with both players serving up a fantastic 5 set exhibition of squash at its very best and sportsmanship of the highest order with Ray's superior fitness and variety of shots just seeing him through on a 3-2 margin.

Men's B proper saw Brendan Knox in against Declan Walsh. In the semi-final Brendan produced a sensational comeback when from what looked like certain defeat at 0-2 and 3-8 he steamed back to win and this probably took its toll in the final as he went down 3-1 to Declan who always looked a likely winner of the group.

The Men's A Plate saw Stephen Lyons and Ml. O'Mahoney produce top class squash before Stephen's fitness finally prove too much for Michael with Stephen going on to win 3-1.

**DUNGARVAN CRYSTAL SPORTS & LEISURE CLUB WEEKEND INVITATION SQUASH TOURNAMENT** (Sponsored by Waterford Crystal Ltd., Dungarvan) — Back row (left to right) — Eddie Cashin (Squash Committee), Declan Walsh (Mens "B" winner), Kevin Ryan (winner "C" Plate), Michael Mackey (winner "C" Proper), Paddy Cummins (runner-up "D" Plate), Ray Moore (winner "B" Plate), John O'Donoghue (runner-up "D" Proper), Richard O'Mahony (runner-up "C" Proper); middle row — Pat Keane (winner "D" Plate), Geraldine O'Connell (Squash Committee), Michael O'Mahoney (runner-up "A" Plate), Cindy Brady (runner-up Ladies "A"), Anthony Murphy (runner-up "A" Proper), Brian Knox (winner "A" Proper), Hilary Browne (winner Ladies "B" Plate), Mary Coffey (runner-up Ladies "B"), Patsy Hackett (runner-up "C" Plate), Joe O'Brien (winner "D" Proper), James Baldwin (runner-up "B" Plate), Pat Terry (Squash Committee); front row — George Hamilton (Squash Committee), Angela O'Shea (runner-up Ladies "A" Plate), Niamh McMahon (winner Ladies "A"), Maurice Hallahan (Personnel Manager, Waterford Crystal, Dungarvan), Michelle Mernin (winner Ladies "B"), Helen Kiely (winner Ladies "A" Plate), Mary O'Loughlin (runner-up Ladies "B" Plate), Brendan Knox (runner-up "B" Proper). —(Sean Byrne Photography).

This took us to the game most had turned up to see and they were not to be disappointed as no. 1 seed Anthony Murphy and Brian Knox produced a final of quality rarely seen before. The level of fitness of both players ensured that it was going to take something special to achieve victory and on balance Brian's superior range of shots and his refusal to accept defeat were the telling factors as he went on to win 3-1.

The ladies B Plate saw Hilary Brown, making yet another comeback, winning on a 3-2 scoreline over Mary O'Loughlin. The ladies B proper saw Munster Inter Pr. Michelle Mernin get the better of Mary Coffey who had scored a great win in her semi-final, to win 3-0.

In the ladies A Plate Helen Kiely shod her class winning 3-0 over Angela O'Shea. In the ladies A proper no. 1 seed Niamh McMahon justified her seeding as she went through the tournament without dropping a set and in the final Cindy Brady will probably feel unlucky to have lost 3-0 but she was in brilliant form on Saturday when winning 2 games over tough opposition.

The presentation of prizes was made on behalf of Dungarvan Crystal by Maurice Hallahan, Club Presi-

dent, Pat Keane, thanked all who helped to make this the most successful tournament to date and on his behalf I want to thank our referees,

all who helped with the catering and to oversee Jimmy O'Dea who made sure everything ran to schedule. A special word of

thanks to Minnies for the use of their facilities. Also we owe a special thanks to An Bialann Restaurant who supplied all participants

with soup. This gesture was appreciated by all so thanks to Margaret, Aine and Jacinta. More next week — The Doyler.

## CAUSEWAY TENNIS CLUB NOTES

The Causeway A team travelled 2 weeks ago to the wonderful facilities in the Lee Tennis Village, with their 6 indoor Savannah Courts and 6 outdoor, to do battle with the Lee Tennis Club in the semi-final of the Munster Winter League and recorded a wonderful 4-3 victory and so the scene was set for the final.

Last Sunday Causeway travelled down the N25 once more, armed with a strong resolve to defeat Douglas L.T.C. in the final. A large coterie of supporters travelled also and their vociferous support played no small part in the Causeway L.T.C. lifting the A.I.B. Munster Winter League title for the first time in our ten year history.

The initial games were close and tense with Ger Cusack narrowly losing his singles. Teresa Keane won her singles once more, so what's new. Teresa has

only lost two singles games for the Causeway in the last few years and is the "banker" on the team. Liam Crotty and Michael Collins won their mens doubles. Margaret Cusack and Theresa M. Keane lost their ladies doubles narrowly. Going into the mixed doubles the score stood at 2 all. But Causeway dug deep and held their collective nerve and showed true grit in winning the three mixed doubles to win 5-2 in the end. Supporters, selectors, Donal Verling, Eileen Brennan, Suzanne Dalton and players all gave a collective sigh of relief, as the Causeway have been knocking on the door for the past few years in their efforts to lift a Munster Senior trophy, but have always failed at the penultimate stage, but we were not to be denied on this occasion.

A word of congratulations to the winning team Ger Cusack, Liam Crotty, Michael Collins, Teresa Keane, Margaret Cusack and Theresa M. Keane and to the subs. Maria Kelleher, Jennie McGrath, John Moran and Tom Higgins, all of whom got a run in this successful campaign. So what a glorious way for the Causeway L.T.C. to celebrate our 10th anniversary.

There was a great exodus from the Causeway for the Veterans Weekend recently at St. Anne's Tennis Club, Waterford. Teresa Keane, Theresa M. Keane, Margaret and Ger Cusack, John Moran and Dan McGovern all visited the winners rostrum. The chronologically challenged Tom Higgins bowed out once more at the semi-final stages.

There is a junior disco on in Minnies on Thursday, April 15 from 8 till mid-

night, all are welcome.

Frank Delaney, Tennis Coach, will be commencing coaching on April 19 for juniors 9 years and upwards, but only paid up members need attend, and will continue every Monday and Friday 4.30 p.m. to 5.30 p.m. The fee is £5.

The Causeway Senior Open Week commences on May 16 this year, which is only about six weeks away and it will be sponsored by Comeragh Oil.

It is with great regret we grieve at the recent death of Garda Pat Noctor, he was Juvenile Liaison Officer for many years in Dungarvan and he helped us out with teething problems in the early days of the club. His children Ian, Fergal and especially Aoife were all keen tennis players at one stage or another. To his wife Judy and his children we offer our sincere condolences. — T.H.

## Abbeyside/ Ballinacourty G.A.A. Notes

### OPENERS

The senior footballers open their campaign against rivals Stradbally on Sunday, April 25 in Leamybrien at 7 p.m.

The hurlers will be first into action against Ballydurn again at the Leamybrien venue on Sunday, April 18 at 2 p.m.

### A BIG LOSS

Both the hurlers and footballers suffered a major blow by the recent news that Ian Kiely has had to emigrate to follow his employment. Ian has been a major figure on club sides over the past number of years, and like his father Mick before him, he has served the club with distinction.

We wish him well and hopefully it won't be too

long before we see him pulling on the 'green and white' and 'blue and gold' colours again.

### GOOD LUCK

Best wishes are extended to Dwain Moore who has been selected on the county minor hurling team to play Cork and Michael Enright who is a substitute.

### MINOR HURLING

The minor hurlers open their championship campaign against reigning champions Lismore on Easter Monday in Cappoquin. Check elsewhere in this issue for the time of throw-in.

### RESPLENDENT

Last week we had the pleasure of a sneak preview of our new jerseys for the 1993 season and truly our teams will be resplendent.

## ST. PATRICK'S G.A.A. NOTES

### COUNTY CHAMPIONS

Pride of place this week goes to our minor ladies who won the county "B" championship at Ardmore on Sunday last (4-1 to 0-7). This is the first county championship won by the ladies football club and history was made in windy Ardmore on April 4, 1993, when we beat a gallant Clashmore after a hard fought game.

Norma Wall opened the scoring for St. Patrick's with a goal, leaving the score at half time 1-0 to 0-2. In the second half goals from Paula Nugent, Catherine Walsh and a goal and a point from Martina Beresford, secured the victory.

After the match Dan Murphy presented the shield which was kindly sponsored by the Central Bar, Cappoquin, to our captain Norma Wall. In her speech, Norma thanked Clashmore for the game and also thanked our trainers Johnny Landers and Michael Walsh for putting in all the work.

Our Under-16's open their championship campaign against Kill next weekend.

### CARDS

Results from last Thursday night — 1st Jim Moroney and Ml. O'Brien; 2nd divided between Martin and Mary Anne Tobin, Jack Foley and Ml. Barron, Joe Collins and Mrs. Conway. Lucky Tables — Jim Hallinan and Joe Moroney, Danny Lawrence and Ned Landers. Raffle — Mrs. Conway, Paddy Power, Ml. Flynn. Jackpot is £300.

### UNDER-14 FOOTBALL

We beat An Gaeltacht by one point in Bohadon on Sunday week and this victory means that we are unbeaten, having played 3

league games. We are due to play Cappoquin last Monday night in Cappoquin in the final league match. We are now in the knockout stages of the competition.

### INDOOR HURLING

A ladies team represented the Coolnasmear/Kilbrien schools in Ardmore for a Schools Blitz on Saturday week last. John Kiely's work on Friday nights in Kilbrien with our young boys and girls will be evident in skills levels from now on during matches. Our girls were short two players and did very well to compete and win two matches.

The panel was — Anne Morrissey, Niamh Cass, Fiona O'Brien, Aideen Wall, Emlly Kelly and Triona Dunford.

### SCHOOLS FOOTBALL — LADIES

Our ladies from Coolnasmear/Kilbrien were in action at Abbeyside on Thursday last in the Primary Schools Blitz. They are through to the semi-finals on Tuesday, April 6, having beaten Ballymacarbry and Glenbeg/Carriglea.

Panel — Sharon Nugent, Sabrina Dunford, Therese Queally, Aideen Wall, Eileen Hickey, Anne Morrissey, Angela Byrne, Breda Kirwan, Niamh Cass, Triona Dunford.

### MINOR HURLING

We play Ardmore on Easter Monday Bank Holiday in the first round of the championship. The venue has not been finalised at time of writing.

### UNDER-16 HURLING

Raymond Lynch played a fine match for the West Waterford team which won the first round of the Munster championship at Ballymacarbry recently. Kenneth Walsh and Francis Tobin are both on the panel.

## NATIONAL HURLING LEAGUE

# Waterford Crushed At Thurles In Play-Off

CORK 5-15 WATERFORD 1-6

This debacle at Semple Stadium was every bit as the scoreline indicates and coming out of the Stadium on Sunday evening, supporters were wondering when they had seen a Waterford team play so badly. It was a rout from the start and it was all over as a contest long before half time, at which stage the score was 4-8 to 0-3 in favour of a rampant Cork side.

It was certainly our worst display in a very long time and many of our wonderful supporters are still bewildered by the team's performance and still unable to find an answer to what went wrong on the day. We were beaten in every sector of the field and outplayed to such a degree, that Cork were able to play in third gear for the final fifteen minutes after any possible chance of a Waterford recovery had faded.

Waterford again well outnumbered the Cork supporters in the small crowd, but the match held interest for neither side after the first half an hour and there were very few people who were not pleased and relieved when the final whistle sounded.

### AT A LOSS

For our players, it was a frustrating experience and they too were at a loss in trying to explain what went wrong. They didn't have an answer either.

The feeling among our supporters in the immediate aftermath of the game was someone has got to find out what is wrong and then set about putting it right before we meet Kerry in the championship at Walsh Park in two months time. I have written before about the gaps in standards, but in recent matches the gap in skills is becoming more obvious. In our last two games we saw Waterford players in possession of the ball, being unable to deliver because of being hooked, blocked down or crowded out. On Sunday our forwards got quite an amount of possession but were unable to get clearance to strike. We also had a couple of mis-hit sideline balls and occasions when players were badly caught out of position.

Many of these faults can result from frustration and in that sense may, to some extent, be forgiven, but when they occur at times when there is no reason for being frustrated, questions must be asked. One of the questions being asked after the game on Sunday, related to the belief in some quarters that in the preparation of the team, there is over concentration on the physical side to the detriment of the skill training. Whether or not this is so, no one will deny that our skills badly need improving.

The first thing that must be done is to have the selectors and trainer/manager sit

### By "Commentator"

down and carefully study a video of the game a few times in analysing the failings and shortcomings that are holding back the team's progress. New players may have to be taken on board and the goalkeeping position will have to be looked at before the panel goes into serious training for the championship.

### THE GAME

Waterford fielded as selected while Cork showed a number of changes from the team listed on the programme. Johnnie Brenner had cried off the panel because of examinations, etc. Fergal Hartley who came on as a sub. against Dublin was retained at centre back and there were other positional changes on our side. I am not going to write about the game in any detail as from our point of view the story of the match makes depressing reading.

Cork were 3 goals and five points in front before we opened our account with a point scored by John Meaney in the 22nd minute but minutes later Paul Callaghan hit back for his second and Cork's fourth goal to put the game out of our reach even before half time sounded and the All-Ireland runners-up of last year leading by 17 points on a 4-8 to 0-3 scoreline.

Cork were again in rampant form in the second half and added a further 1-8 to their half time tally while Waterford scored 1-3 even though aided by the breeze. Our goal came in the 56th minute when Paul Prendergast's shot deceived Tom Kingston in the Cork goal. At that point we were 25 points down and there was general relief when the final whistle was sounded, despite our disappointment. Things are now bad at this level and I suppose they won't be helped when the "knockers" get to work. This is not the time to desert the team and the cause when support is most needed. Waterford have the talent and the ability to bounce back. It will take a bit more time.

Scorers: Cork — K. Hennessey 2-2, P. O'Callaghan 2-2, G. Manley 1-1, B. Egan 0-5, P. Buckley 0-3, S. McCarthy 0-2, B. Corcoran 0-1. Waterford — P. Prendergast 1-0, L. O'Connor 0-2, B. O'Sullivan, T.

Browne, J. Meaney and J. Beresford 0-1 each.

Waterford — R. Barry, S. Cullinane, D. Byrne, E. Cullinane, T. Browne, F. Hartley, D. Foran, N. Crowley, B. Greene, P. Prendergast, P. Walsh, J. Beresford, B. O'Sullivan, L. O'Connor, J. Meaney. Subs. — S.

Ahearn for N. Crowley; N. Dalton for B. O'Sullivan (injured).

Cork — T. Kingston, J. Considine, S. O'Gorman, L. Forde, T. Kelleher, B. Corcoran, D. Walsh, C. Casey, S. McCarthy, T. McCarthy, P. O'Callaghan, P. Buckley, G. Manley, K. Hennessey, B. Egan. Sub. — G. Fitzgerald for G. Manley. Referee — W. Barrett (Tipperary).

## Waterford GAA Supporters Club News

### AWARD FOR PADDY

As was announced at this year's County Convention, Paddy Flavin has won the coveted Jack Furlong award, which he will receive at a special awards function which is being held at Lawlor's Hotel on Sunday, April 11. Paddy, who is a member of the Executive Committee is perhaps the best known of Waterford supporters and rarely misses a county or club match. His support for Waterford, be it hurling or football, has been unwavering and unstinting over many long years — in good times and in bad — and it would be hard to imagine a more deserving or more worthy candidate for this Award. People like Paddy are the GAA in this county and every other county. Well done Paddy, it is long overdue to you!

### GOOD LUCK MINORS

Well the minor hurlers had a training session at Cork on Friday night last as part of their winding down to their Munster championship game versus Cork on Wednesday, April 7. A meal on the return journey for the panel and selectors was provided courtesy of the club and also new knicks and stockings for their upcoming game were also financed by the club. The result will be known by the time some of you read these notes, and given any reasonable chance, it will be a good one for Waterford to set the county off on another momentous year. God only knows, after last Sunday at Thurles, the whole county needs a lift and Jim Greene's lads may well do it.

### UNDER-21 HURLERS GET READY

Hot on the heels of the minor hurlers into the championship fray will be our All-Ireland championship under 21 team who play Limerick in their opening round at Walsh Park. We wish them all the luck and urge our supporters to be there in great strength to cheer on Waterford in this very vital game.

### MEMBERS MEETING

All members are advised that an Open Meeting will take place at Clonea Strand Hotel on Monday, April 19 commencing at 8.30 p.m. sharp. As this is the first meeting of 1993 — apart from the A.G.M. — you are all urged to come along and make your voice heard. Be there if you can for this important get together!

### MARY MEADE

All her many friends will be delighted to hear that Mary, who has been hospitalised since last October, has come out of hospital. Mary, we all wish you a speedy recovery to full health and that it will not be long before you are back in your favourite seat in Walsh Park.

## I.N.T.O. MINI SEVENS — HURLING

Dungarvan Primary School Win Final — There were three teams in each section. Dungarvan came out on top in section one, beating Lismore and Coolnasmear-Kilbrien. Abbeyside topped section two, defeating Ballinameela and Scoil Garbhán on their way to the final.

## I.N.T.O. MINI-SEVENS — PEIL NA gCAILÍNÍ GAIN SHIELD

There was plenty of action at Abbeyside on Thursday last, April 1, with four pitches in action and sixteen schools taking part in the girls' competition. The participating schools were divided into four sections which meant that each school played three games during the afternoon. After an interesting afternoon's competition the following

are the fixtures for the semi-finals, to be played at Abbeyside: Coolnasmear-Kilbrien v. Modeligo, Ring v. Piltown-Knockanore.

We hope that it will be an afternoon of sport and friendship and that deserving champions will emerge.

## FUTURE GAMES

All the following games to be played before April 24—

Peil na gCailíní — Roinn B — Section One, Round 1 — Kilrossanty v. St. Marys, Abbeyside v. Ardmore. Section Two, Round 1 — Ballinameela v. Modeligo, Coolnasmear-Kilbrien a bye.

Peil na gCeilíní — Roinn C — Section One, Round 1 — Ring-Old Parish v. Touraneena, Clashmore-Ballycurrane a bye. Section Two — Round 1 — Glenbeg-Carriglea v. Ballyduff, Grange a bye.

# St. Augustine's Go Through To County Final

ST. AUGUSTINE'S 6-2 LISMORE C.B.S. 1-1

St. Augustine's College, Dungarvan, qualified for the Waterford Colleges Under-14 "A" hurling final by virtue of their comprehensive victory over last year's champions, Lismore C.B.S., recently. A strong wind made conditions very difficult but both teams served up some good hurling despite the elements. The Dungarvan boys opened up a three goal lead after about ten minutes of play but Lismore came back into the game and had reduced the Friary's lead to 6 points by half time. Despite playing into the wind in the second half St. Augustine's were always in control and ran out comfortable winners at the finish.

They now meet St. Paul's, Waterford in the final and this game will be played after the Easter break.

Scorers — B. Cliffe 3-1, R. Cotter 3-0, M. Murray 0-1.

St. Augustine's — P. Burke, R. Bannon, P. Ahern, C. Hennessey, E.

Beresford, V. O'Shea, J. Conway, J. Dunford, S. Dower, S. Prendergast, P.

Fitzgerald, M. Murray, B. Cliffe, D. Hackett, R. Cotter. Sub. — M. Supple.

## S.H. TOURNAMENT JOHN McGRATH CUP

Our game v. Fourmilewater which was to have been played on last Saturday evening at Knockanore had to be postponed owing to the condition of the pitch, after the heavy rain on Saturday morning. It was a big disappointment for us and also for Fourmilewater, as both clubs were looking forward to a good game. We are hoping to have it refixed as soon as possible.

Good luck to Waterford minor hurlers who will be defending their Munster title on this Wednesday evening at Pairc Ui Caoimh against Cork. We have one player, Michael Ryan, on the panel and look forward to seeing him take part in the action at some stage of the game.

Sympathy is extended to the McGrath family of Kilbeg, Tallow, on the death of Jimmy McGrath who died in England at the weekend. Jimmy was a prominent member of the old Knockanore hurling and football teams and was a brother of the late Johnny McGrath in whose memory the cup was presented to our club.

# Minor Hurlers Face Cork In Pairc Ui Caoimh On Tonight

## Cork Favourites To Beat Munster Champions

When the counties last met in championship it was in a very memorable first round game at Walsh Park and midway through the second half, supporters were confident that a home win was on the cards, until an unexpected ten minutes lapse allowed Cork to shoot home a couple of goals which swung the game their way. They won on a score line of 6-14 to 4-11 and this was described at the time as a most flattering tally.

Last year, with what was a super team by any standards we won the Munster title after a replay against Tipperary on a never to be forgotten July evening at Pairc Ui Caoimh.

We return to the scene of our historic victory on tonight with a much different team and against a far different opponent. This time our opponents, trained by Jimmy Barry Murphy will

have the advantage of having trained at the venue.

The Waterford lineout which was published last week shows that only eight of the 1992 championship panel are still eligible and this included five of the players who were on the actual team. Gone are Patrick Haran (goalie), Tom Morrissey, Paddy O'Donnell (capt.), Tom Feeney, Tom Kiely, Fintan O'Shea, John Fitzpatrick, Ray Ryan, Paul Foley and Paul Flynn and of the subs only Alan Robinson, Darragh O'Sullivan and Brendan Ormond remain.

The 1992 players on the team are James O'Connor, Derek McGrath, John Joe Ronayne, Anthony Kirwan and Ger Harris.

The training this year was as good as that which was put in last year and several good challenge games were played. The selectors have

obviously gone through the clubs with a fine comb in their search for talent and no fewer than sixteen clubs are represented on the 25 man panel. Full marks to the selectors too, for having selected and announced the team well in advance of the game. This is how it should be done.

The Wednesday of Holy Week is not a good date for a championship game. Once upon a time, fixing a game for such a time would be unheard of. So it's no marks to the Munster Council for this fixture.

We will again have very big support at the venue and hopefully their dedication and support will be rewarded. It won't be the fault of the lads if it is not, as we know they will fight to the last ounce to beat Cork and retain their provincial title for a while longer. We wish them the best of good luck.

## Western Board Meeting

Ollie Wilkinson, Chairman, presided at this very well attended open meeting of the Divisional Board at the Park Hotel on Thursday last.

### CONVENTION MATTERS

A few matters left over from Convention were discussed and the Chairman told delegates that the outstanding ticket money which has been the subject of some controversy over the past couple of years, has now been collected and accounted for, with the exception of a small sum, which will be cleared up by the June meeting of the Board. He said the matter has been cleared up following a meeting with the Board's Auditor and practically all the outstanding ticket money had been paid by the members, etc., who had purchased the tickets in the years referred to.

The matter of the £1,800 which was shown on the balance sheet as having been paid to the County Board was also cleared up when the County Treasurer James Walsh explained that the figure should not have been shown as an expenditure without having been listed on the income side. This meant that instead of there being a loss of approximately £1,500, there was a profit of approximately £350 on the year's working.

Some delegates felt that the outstanding ticket money (approximately £500) should be paid over to the County Board by the Western Board and then recouped, but this proposition was defeated on a vote.

### REFEREES' REPORTS

The Chairman stated that as this was the first occasion since assuming office that he had to impose suspensions, he would avail of the opportunity of saying something on the matter of discipline. He said it was not a happy situation for the Board to find themselves suspending four players at this early stage of the year, and before the 1993 championship had begun. With Fraher Field due to be closed for the season, very many of our championship games would have to be played on unrailed venues and this could lead to problems. He appealed to clubs to exercise strict control over players and over their members when games were being played at these venues during the year.

Suspended were O. Power, A. Fitzgerald and R. Ryan, Naomh Brfd and M. Murphy, Shamrocks, all for rough play and they were given 2 weeks each from the date of the game.

A delegate asked if a record was being kept of the names of players sent off over the previous two years in order to ensure that players reported for repeating an offence within that time would be dealt with in accordance with the rules. The Secretary, Anthony Walsh said that such a record was being kept.

Another delegate asked about the definition of rough play, as practically everyone sent off is reported for rough play. The Chairman said that the referee is the adjudicator in such cases and if rough play is reported, the offence can only be dealt with in this way.

### CAPPOQUIN APPLICATION

Correspondence between the Cappoquin Club and the Officer Board resulted in a recommendation being made to the meeting that the club be given permission to play in the minor hurling 'B' championship because of their poor standard at this level at the moment. Having debated the matter for some time, the recommendation was accepted on a vote. They had been graded 'A' at the previous meeting.

### 1992 TICKETS

It was revealed in the course of the meeting that the total amount paid for tickets for the various semi-finals and finals last year was £92,000. It was reported that all these tickets had been paid for.

### TRANSFER RECOMMENDATION

Following a discussion at a previous meeting, the Officer Board reported that they had examined the matter and were recommending that in future all transfer applications must be in the hands of the Board Secretary on the Friday before the announced date of the transfers meeting. Also that transfer applications not properly completed when received by the Secretary of the Board, will not be entertained. In a situation where the secretary of the club from which the player is transferring refused to sign, then the applicant may go before the Chairman or Secretary before the Board meeting, to declare his intention. The recommendations were accepted unanimously.

### FIXTURES

M.H.C. — The following games were announced for Easter Monday — Abbeyside v. Lismore at Cappoquin; Dungarvan v. Tallow at Ardmore; Stradbally v. Fourmilewater at Colligan; St. Patricks v. Ardmore at Clashmore; Naomh Brfd v. Cappoquin at Abbeyside; Clashmore v. Kilrossanty at Bushy Park; An Gaeltacht v. Ballyduff at Tallow.

### OTHER DATES

It was decided to play all the first rounds of the intermediate football championship on Sunday, April 25, second rounds May 15. It was agreed to play the first rounds of the under-21 hurling championships on August 11. The Eastern Board will start their under-21 hurling on the same date.

### ACCIDENT CLAIMS

In relation to accident claims, Munster Council Representative, Jimmy O'Gorman, asked that clubs or individuals making claims, would get the properly documented application forms to him as soon as possible after the claim was due.

### JIMMY HENNEBRY R.I.P.

When votes of sympathy were being taken, the Chairman paid tribute to the memory of the late Jimmy Hennebry, Portlaw and Ballyduff clubs who died tragically last week. He said that Jimmy was a very popular and very committed member of the Association who had worn the county jersey on many occasions and was an outstanding player with his club.

## Under-21 Hurlers

They will wind down training over the coming weekend in preparation for their defence of their All-Ireland title against Limerick on Friday week at Walsh Park. The Limerick squad have been in strict training for this tie for the past four months under experienced trainer Fitzmaurice and make no secret of their desire to start off their campaign by dethroning the champions. This would give an enormous boost to the county and would be

worth every ounce of the sacrifices being made to achieve it.

On Sunday last at Golden, Limerick, fielding what is expected to be their championship side, Limerick decisively beat Tipperary in a hectic challenge that was played throughout at full

championship tempo. They are a strong, hard-hitting team with strong players all over the lineout. They include Dave Clark who starred for Kilmallock in the Club All-Ireland, Der Quirke who played an outstanding game for UCC in winning the Fitzgibbon Cup last month and a few others who are shaping well for a place on the Limerick senior team this year. Limerick won the game a bit more decisively than the scoreline of 2-6 to 0-7 suggests.

## Scor Notes

At the county final of Scor Sinnsear in the Friary Hall, Dungarvan, the following clubs went forward to represent Waterford in the Munster semi-final:

Figure Dancing — Bonmahon; Solo Singing — Sliabh gCua; Instrumental Music — Old Parish; Novelty Act — Kill; Question Time — Kill; Recitation — Portlaw; Ballad Group — Abbeyside; Set Dancing — Sliabh gCua.

The Munster semi-final was held in Cappamore on Saturday, April 3 last. Our representatives all performed well on the night although we didn't repeat last year's great result of all eight groups going forward to the Munster final, four of the groups made it. Congratulations to them and the best of luck in the Munster final. The groups representing us are — Figure Dancing (Bonmahon), Recitation (Portlaw), Instrumental Music (Old Parish), Set Dancing (Sliabh gCua).

## Dungarvan Ladies Football Club Notes

Training is now in full swing for both the U-16 and junior championships which will be starting soon. A challenge match was held on Sunday week last amongst ourselves. It was very successful and thoroughly enjoyed by all.

Congratulations to St. Patrick's who beat Clashmore on Sunday last to win the Mirror B Championship.

# Co. Championships

It is now possible the new championship season will begin before the 1992 competitions finish. This situation cannot again be allowed to happen, regardless of how we fare on the intercounty scene.

It will be noted from the schedule of fixtures that the Fraher Field is not included as a venue, because of the pending development programme. At the Western Board meeting on Thursday night last, Field Chairman, Jimmy Maher stated that development would commence as soon as the finances of the programme were fixed up. He said the field was not, as yet, officially closed.

## YOUNG HURLERS OF THE FUTURE

BALLYDUFF (WEST) N.S. — Mrs. Mary Fitzgerald (Principal), with pupils from her class during a coaching session. This four teacher (all ladies) school is well organised and helmets are compulsory during coaching. Ballyduff G.A.A. provide an excellent back-up.

## PRESENTATION FUNCTION

All outstanding awards relative to 1992 will be presented at a special function which is organised for Easter Sunday night at Lawlor's Hotel.

The players of the year in the two codes and grades as well as the club of the year and referees will be feted by the County Board. Umpires who satisfy certain qualifications will also be in attendance. A special invitation has been extended to Primary teachers in the county. Last year, these were feted separately.

## Congress Report

Apart from the election of a President elect, it was a relatively quiet affair. Wicklow born Jack Boothman who was pipped on the post for the presidency two years ago, was elected on the third count following the elimination of Michael Maher, Jimmy Grey and Michael Coyle. The first count result was Boothman 94, McDonnagh 76, Maher 75, Grey 43, Coyle 11.

In the final count Jack Boothman received 165 votes and Joe McDonnagh got 135. Michael Maher, former Tipperary hurler and chairman of the Munster Council until his retirement last year, was expected to fare better and the province will have to wait for a while longer. Pdraigh O Fainin was the last Munster President to hold the office.

Motions — Of the 33 on the clar, 10 were declared lost, 9 were passed, 7 were withdrawn, 5 were referred to Central Council and 2 were declared to be out of order.

In future motions submitted by a county and which are technically out of order, will be put right by the special committee dealing with

such matters.

A twelve month experimental period with 'match suspensions' added to the time suspension is to be tried in the National Leagues, and after which

the whole matter of match suspensions as well as time suspensions, will be examined.

I will refer to other motions, which were approved, in next week's issue.

Mr. Keogh went on to say that France was both the largest producer of Pacific oysters in Europe (over 120,000 tonnes) and also the largest market. In France however it takes four years or more to grow oysters up to market size whereas Dungarvan can grow oysters to the same size in half the time. The occasion concluded when the VIP visitors were entertained to lunch by the Company directors at the Park Hotel, Dungarvan.
