Red Letter Day For Old Parish

It was a red-letter day for the Old Parish community last Thursday when a senior Údarás na Gaeltacht executive performed the official opening of Irish Wildlife Mobbles workshop and showroom for the husband and wife team of Ben and Bridie Brittain.

Fine Gael Battle For Chairmanship Of Libraries Committee

There was an all-Fine Gael "battle" for the Chairmanship of the County Waterford Libraries Committee at the annual general meeting which will be seen by many as further confirmation of the internal divisions that now exist within certain sections of the Party organisation in the Waterford Constituency.

Cllr. Michael O'Riordan, a member of Dungarvan Urban Council, was opposed by Cllr. Richard Walsh who is a colleague of Cllr. O'Riordan's on the

UDC and is also a member of Waterford County Council.

In a cliffhanger ballot there was just one vote between them, but it was enough to ensure Cllr. O'Ri-

ordan's re-election to a post he has held without interruption since 1988.

Ironically, the Fine Gael members rowed in behind Cllr. Walsh and in the final **CONTINUED ON PAGE 32**

Committees Of Agriculture To Be Restored?

The country's twenty-seven Committees of Agriculture will be restored before the end of the year, a leading Fianna Fail member of Waterford County Council claimed this week.

The claim has been made by Ballymacarby based Cllr. Ciaran O Riain who has campaigned for the restoration of the Committees ever since they were

axed by Ministerial Order on July 27, 1988.

Only recently in a letter to Waterford County Council, Environment Minister, Michael Smith, said it was not his intention to restore the Committees of Agriculture. However, Cllr. O Riain said yesterday that the Minister has given a "firm commitment" that he **CONTINUED ON PAGE 32**

ISO 9002 Award For Snowcream

Snowcream has been awarded IOS 9002 by the National Standards Authority of Ireland. This prestigious award is in recognition of the high standards that Snowcream maintains in production.

The presentation took place on Monday, 24th May. Minister Brian O'Shea presented the certificate on behalf of the National Standards of Ireland.

ISO 9002 is a model for Quality Assurance in Production and Installation. It is used by companies manufacturing to an established

design and where the quality of the product/service can be assured by adequate control during all stages of production, test and installation. To achieve ISO 9002, companies are required to have documented quality system complying with the requirement of the relevant standard.

Snowcream was also the winner of the Irish Quality Association's South Eastern Region Quality Award in 1992. This recognised that the standards in Snowcream are well above the national average in their industrial sector.

Snowcream was established in 1954 and taken over by Waterford Foods in 1975. It serves over 180,000 people from South County Dublin to East Cork, including South Kilkenny, South Carlow, South Tipperary, Wicklow and, of course, Wexford and Waterford.

Snowcream is a subsidiary of Waterford Foods plc which is one of the main milk suppliers in the country, holding a major share of

Letters to the Editor

The Editor, Dungarvan Leader.

SEEFIN MOUNTAIN

Dear sir,
I am writing to oppose proposed developments on Seefin Mountain in the Comeraghs. Apart from the ruination of an environment unchanged for centuries, there is every possibility that this site will be used for the purpose of relaying the multi-microwave television distribution system. Although the company says it has "no plans" to install such a system, there appears nothing to prevent them from doing so if permission for a large and ugly tower on Seefin is granted.

Such a monstrosity would be clearly visible across County Waterford and South Tipperary and on those grounds alone should be opposed. How long would it be before Seefin is bristling with antennas and dishes?

However, there is a deeper issue here. The MMD system regarding the transmission of television is prohibited across Europe due to fears over microwave radiation. In the words of one researcher "The Irish people are exposing themselves to a national biological experiment." Serious doubts exist over long term exposure to microwave radiation and until such doubts are put to rest, there should be no question of installing such a system here.

In the light of proven technology, such as cable and satellite, there can be no justification whatsoever in exposing the Irish people to what other European countries regard as dirty technology.

If you object to the desecration of the Comeraghs, please address your objections to: c/o Tom Queally, The Comeragh Environmental Protection Associa-

tion, Kilbrien Branch, Coumaraglin, Ballinamult, Co. Waterford. These objections will then be forwarded to An Bórd Pleanála and relevant TD's when the planning process demands. If you do write, it will only cost a stamp — if you don't it may cost a lot more!

Yours,
MARK CHAPMAN

Co. Waterford.

MOUNTAIN FIRES

Dear Editor,
The beautiful May weather has been marred by the massive plumes of smoke billowing from the Knockmealdown and Comeragh Mountains. From every hill the smoke is visible, blackening the sky, pouring gases into the atmosphere causing further destruction to the Ozone Layer.

The fires have stripped vast areas of vegetation that will cause erosion of the peat from the steeper sides and tops of the hills, burned the nests of mountain birds, robbing them of the chance to procreate, if not of their lives.

Who could be so uncaring?
Who would cause such wanton damage to the environment?

Who has anything to gain from such practices?

There is one answer: only one group of people gain

— those that graze sheep on the mountains. All the devastation is for what they refer to as "a fresh pick." The law of the land states that there is to be no burning of vegetation between April 15 to September 1. But who cares, there appears to be nobody responsible for the enforcement, therefore the offenders will go unpunished!

Unless they have consciences to prick them!

Name and address with Editor.

JAILED FOR UNINSURED DRIVING

An uninsured van driver was fined a total of £155 and jailed for one month by Judge M. Pattwell at Tallow District Court.

Patrick O'Donoghue, no fixed abode, and Halting Site, Limerick, was convicted

of driving without tax and insurance and not wearing a seat belt at Corna, Co. Cork on February 9.

The one month prison sentence was imposed in respect of the uninsured driving.

The important work done by Foroige in the development of young people was highlighted recently when over 100 members from clubs around the city and county came together to raise money for the Irish Wheelchair Association. The event was a sponsored walk from Lismore to Dungarvan. The walk was officially started by Cllr. Ollie Wilkinson and local priest Fr. Ryan. The walkers were met by singers Pat Tobin and Richie Halpin.

The main programme "Focus On Ability" is a new initiative and Foroige has joined forces with the Irish Wheelchair Association to

provide an innovative educational and fundraising project. This programme and other programmes in Foroige are not just ends in themselves. They enable young people to develop their skills and talents, use their initiative and develop as individuals.

Unfortunately Foroige clubs could not survive without voluntary adult leaders. To quote Helen Byrne of Melleray Foroige Club "Being a voluntary leader gives you a choice to see young people develop as individuals and members get to go places and do things that they normally wouldn't get a chance to do,

for example — windsurfing, canoeing, drama, etc., etc.

The walk in the county started from Lismore and clubs from Melleray, Aghish and Clashmore joined in along the way. The walkers descended on Dungarvan at 4 p.m. where they collected money.

Leaders and members are always welcome by the organisation and any enquiries you may have should be addressed to Foroige, 15 Broad Street, Waterford. Telephone 051/72982.

National Crime Prevention Week

A National Crime Prevention Week is being held over the four days, May 26 to 29. The main theme of this week is "Don't leave it to the Criminals — Reduce the Opportunities for Crime." The programme will be aimed mainly at two of the most preventable categories of crime, viz. Burglaries and Larcenies from unattended cars.

In common with the rest of the country a number of initiatives have been arranged for the Garda Division of Waterford/Kilkenny. Some of these initiatives are as follows:

1 — There will be two Crime Prevention Stands — one in the new Shopping Complex at City Square, Waterford and the other at Dunnes Stores, Kilkenny. These Stands will have on display various items of security products. Information and advice will be available from the Gardai there on all

aspects of Home and Car Security.

2 — During the week the Gardai will visit several schools giving talks on the dangers of under age drinking and the link between alcohol abuse and crime.

3 — Crime Prevention advice leaflets will be distributed at various locations such as Post Offices, Credit Unions, Supermarkets, etc.

The purpose of all these activities is to create an awareness among the public of current crime trends and what each of us can do to reduce the level of crime. Burglaries and larcenies from unattended cars, are, to a great extent, preventable. The criminals involved in these categories of crime are "opportunists." Do you give him the opportunity of burgling your home through carelessness — by leaving external doors unlocked, accessible windows insecure, ladders or tools lying around

which can be used by him to effect entry? Do you leave tell-tale signs that your house is unoccupied? Do you leave property exposed in your car when leaving it unattended? Do you give any attention to car security?

NEIGHBOURHOOD WATCH SCHEMES

The setting up of Neighbourhood Watch Schemes in urban areas and Community Alert Schemes in rural areas will be encouraged. These Schemes when operating to their full potential, have proved their effectiveness in reducing crime. Community involvement is essential to combat crime.

Leaflets containing Crime Prevention Advice are available at local Garda Stations throughout the area. By following the advice contained therein the opportunities for crime can be drastically reduced and the National Crime Prevention Week can be successful in achieving its aims.

Tired of Cauliflower? Try it the way the Italians like it

Try cooking cauliflower Italian-style for a tasty change. By using chicken soup, the sauce is quick and easy.

ITALIAN-STYLE CAULIFLOWER

Ingredients:

1 medium cauliflower
1 tbs olive oil
1 sliced onion
1 finely chopped clove of garlic
4 sliced pimiento-stuffed olives
14 oz (400g) can tomatoes salt and pepper
10 1/2 oz (285g) can condensed cream of chicken soup
3 tbs milk
2 oz (50g) grated cheese

Method:

Cook cauliflower in boiling, salted water until just tender. Heat olive oil in saucepan, add onion and garlic and cook 4-5 minutes. Add olives and tomatoes and simmer uncovered for 10-15 minutes to reduce liquid

slightly. Season to taste. Place cauliflower in an oven-proof serving dish and pour tomato mixture over. Heat soup with milk and pour over cauliflower. Sprinkle cheese on top. Place under a medium hot grill and cook until golden brown.

Ivy and Virginia are a couple of social climbers

CLIMBING plants are available in containers for planting all-year round but May planting is ideal. Jobs you might have in mind for climbers are decorating walls, fences, trellises, pergolas or eyesores like old tree stumps or run-down sheds.

Some types such as ivy and Virginia Creeper need no help clinging to surfaces, but others may do, especially early on.

Fortunately, shops and garden centres can supply special fixing nails, trellis or green netting needed to give them a start.

Another consideration for some varieties in site aspect — the less hardy prefer to be south-facing while the tougher will stand a northern outlook.

Once this is settled you should then prepare the location carefully because the plant could be there many years and also be quite expensive.

Double-dig (the depth of two spades) to break up the subsoil and aerate the topsoil before conditioning with well-rotted compost.

If you haven't already chosen, you then need to consider what to plant. There is plenty on offer at garden centres and the better ones will have advice labels on each specimen, but here are a few well-known climbers worth considering:

IVY — perhaps the toughest and easiest to grow, it can cling to most surfaces and withstand northern chill and shade, though the more attractive variegated types need more light.

It also grows quickly if you are keen to see a result, but established plants need ruthless pruning in May and June.

CLEMATIS — a real favourite due to delicate flowers and dainty tendrils, which

enable it to cling to wood or wire trellises. Varieties offer blooms of different sizes and colour and it thrives in most soil types, but the

roots have to be well shaded and moist while top growth basks in sunlight. Mulch or lay old roof tiles over the soil to ensure that the soil retains as much water as possible.

HYDRANGEA — specifically *Hydrangea Petiolaris*, can cling and thrive even on a north wall. It needs pruning in spring and produces attractive bright green leaves as well as delicate white flowers.

ROSES — no shortage of climbing varieties and they look superb decorating walls, fences or pergolas.

However, don't forget that they are just as prone to greenfly and other pests as the familiar types so keep an eye out for infestation.

WISTERIA — a real favourite with its beautiful mauve flowers. It needs a sunny and fertile location but requires little pruning.

VIRGINIA CREEPER — a strong climber with attractive green leaves which turn rich red in autumn.

NASTURTIUM — if you need fast results then try this humble candidate, but the soil needs to be on the poor side if you want blooms rather than a glut of greenery.

RUSSIAN VINE — able to cover eyesores with dense foliage and creamy flowers at the rate of 15 feet a year but a last resort because it is so rampant.

DUNGARVAN YOUTH CLUB — Susan Conway, Secretary Dungarvan Youth Club, presenting a special award on behalf of the club to Pat McGrath in appreciation for many years of fund-raising for the club. Also included are Helen Higgins and Anne O'Donnell who were also presented with awards for their work for the Youth Club. —(Pat Crowley).

BALLINROAD ICA NEWS

ANNUAL GENERAL MEETING

The annual general meeting of Ballinroad ICA took place on Wednesday, May 19, at Clonea Strand Hotel. The main business of the night was electing a new committee for 1993. Mrs. Bina Aherne, VCO, was present to count the votes and the result of the voting was — President, Mrs. Peggy Hanrahan; Vice-President, Mrs. Joan Coffey; Secretary, Mrs. Maureen Earley; Joint Treasurers, Mrs. Monica Dwan and Mrs. Sally Walsh; Federation Rep., Mrs. Joan Whelan. Committee members: Mrs. Kathleen Murray, Mrs. Mary Looby, Mrs. Margaret Butler, Mrs. Brenda Tutty. Brenda is also Federation Treasurer.

Mrs. Hanrahan welcomed all present and especially the new members. She went on to speak of the many outings and activities we engaged in last year and our many great achievements. Mrs. Margaret Butler was highly recommended for her carpet designs from Navan Carpets; Mrs. Mary Togher wrote "A Rare Old Love Story" for the Winter's Tale Competition and went as far as the All-Ireland finals which were held in Dublin; so also did the Comedy Sketch for the Douwe Egberts Coffee Competition which was written and performed by Joan Coffey, Hannah Walsh, Monica Dwan, Kathleen Murray and Brenda Tutty. Mrs. Chris Tobin designed and made a lovely evening dress for the Make and Model Competition.

Mrs. Hanrahan told how proud of all the contestants she was and how pleased she was as the help and co-operation she had been given by all the members when she organised the parties and entertainment for the Stroke Club and the Active Age Week. A special word of thanks was given to Mrs. Kathleen Murray for her dedicated work as Sec-

retary for the past few years.

Our annual outing is planned for July 1 to Careyswood Garden Centre, Shanagarry Pottery, Cork and Blarney and

evening meal on the way home.

Craft classes will be held in the Autumn — patchwork, rush work, etc. New members always welcome. —PRO.

Clean Up Ireland Week 1993

The Minister for the Environment and the Minister for Environmental Protection have decided that a National Clean Up Ireland Week should be held during the week commencing, May 31, 1993. As well as coinciding with the start of the outdoor and holiday/tourist season, the week embraces World Environmental Day which falls on June 5, 1993.

The core activities envisaged for the Clean Up Ireland Week are local authority co-ordinated programmes with maximum involvement of voluntary bodies backed up by a mixed media campaign organised by the Department of the Environment involving television, national and local radio coverage and a centralised Free-phone service — the number is 1-800-234-800. Available from May 31 to June 4.

All local authorities have been requested by the Department of the Environment to draw up action plans this week. Waterford Co. Council's action plan has been prepared and forwarded to the Department of the Environment. Among the activities contained in this plan are the following:

1 — Free access to Waste Disposal Sites for any voluntary group or organisation wishing to dispose of waste from the clean up of any public area.

2 — Free disposal of abandoned vehicles. The County Council will dispose of any such vehicles subject to the vehicles being adjacent to the public road-

way for ease of collection.

Anyone wishing to avail of either of the above facilities during the Clean Up Ireland Week should contact in advance either of the following County Offices:—

Dungarvan Area - Mary Hayes (058) 42822

Tramore Area - John O'Sullivan (051) 86303

Lismore Area - Eric Flynn (058) 54156

Other areas of activity include the following

- clean up of identified areas throughout the County where illegal dumping is taking place

- extensive clean up of all beaches in the County

- clean up of all public conveniences

- identification of derelict sites throughout the County for follow up action in accordance with the Derelict Sites Act

- identification of lands where abandoned vehicles and scrap are dumped for follow up action in accordance with the Litter Act.

Waterford Co. Council is requesting the co-operation of the general public during this Clean Up Ireland Week. Litter is a major source of concern and irritation. Its existence is commented on unfavourably in many Tidy Towns reports and by tourists. It is an offence to dispose of litter in any place other than a bin or waste disposal site. Such offence carries a fine of up to £800. Remember the Environment belongs to all of us and to future generations — no generation has a freehold on it — all we have is a life tenancy of it.

HARD LUCK

To the Bonmahon figure dancers who were narrowly beaten by Leitrim at the All-Irelands of Scor in Millstreet last Saturday. The girls danced brilliantly and did Munster, Waterford and their club proud. Also the Old Parish musicians were narrowly beaten in their competition by Dublin.

to see Neddy out and about again.

U-13 Hurling — The under 13 hurlers took on Ballyduff/Butlerstown last Monday evening. The lads played well and had a good win. They are now through to the final, against Clonca.

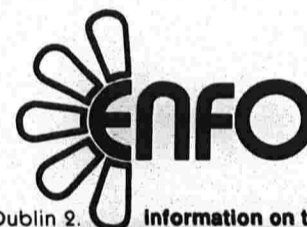

U-14 Hurling — On Wednesday night last the under 14's took on Ballyduff/Butlerstown in Ballyduff. The lads played well but were beaten by a stronger Ballyduff/Butlerstown team.

Then on Saturday evening they played Roanmore in under 14 hurling and unfortunately were on the losing end again. Their next match is next Saturday in Dunhill at 3 o'clock.

Here's how you can help during clean-up week.

1. Start by cleaning, washing and painting your own home.
2. Give your garden a clean and tidy up. Don't forget the footpaths around the house.
3. Organise a neighbourhood clean up. Trim grass verges, hedges and clean up open spaces and unsightly areas.
4. Organise a clean up of your local river, stream or beach by removing rubbish and litter.
5. Shopkeepers: Keep the areas outside your shop swept and tidy. Put a bin near the door and make sure the exterior is kept clean and painted. Collect old trolleys lying around.
6. Make your factory, office, shop or farm a nicer place to work by cleaning out rubbish and litter.
7. Never throw litter around - bin it or bring it home. And this includes motorists. Your local authority will give you advice on safe disposal of anything and are always glad to hear from you about illegal dumping.
8. Schoolchildren. Start by cleaning up the school grounds and then adopt a local area that needs cleaning up.
9. Restore a local feature like an old water pump or monument.
10. Pet owners. Get a poop-a-scoop and always clean up after pets in parks and public places. Keep dogs inside on bin day.

DISABLED FOR A DAY

A project by a local priest to find out what it is like to live in a wheelchair for one day has led to work to make the Newcastle area more accessible for those with disabilities. Rev. Fr. Con Kelleher, C.C., Fourmilewater/Newcastle was invited by the Newcastle

Foroige group to be pushed around in a wheelchair for all of one day as part of their focus on Ability Awareness Week. The purpose of the exercise was to highlight the difficulties which people in wheelchairs have to encounter as part of everyday life. The local Community Hall was the most difficult place for a wheelchair bound person to gain access to, followed by St. Mary's Parish Church. The steps were the major difficulty in all the areas of the Village according to Fr. Kelleher. As a direct result of the project, the Hall and the Church will be given ramps to make them more accessible, and work is expected to start within the next two weeks on this. But buildings were not the only difficulty encountered by Fr. Kelleher during the day. "Motorists were not very co-operative, they did not give us any undue recognition." On the whole he found the experience very enlightening. We learned that in the Newcastle area we are not equipped as we should be for people in wheelchairs. Although he found the exercise difficult Fr. Kelleher is glad that it will lead to improved facilities

for the disabled in the area. Something positive had directly resulted from this. The Foroige Club in Newcastle expressed their gratitude to Fr. Kelleher for taking part in this venture and to the local people who gave their support.

COMERAGH MOUNTAIN CHALLENGE

In Britain in the late 60's Gerry Charnley, then secretary of the British Orienteering Federation, came up with the idea of a race which would test to the limit navigational skills, running skills and mountain craft in equal measure. Inspiration for a suitable format came from a Swedish event 'The Woodsman' which was for two men teams navigating through forested country covering 50 miles and with an overnight camp, the competitors being obliged to carry essential survival gear. Mountain Marathons of this format have been run in Britain since the late 70's and has attracted the best exponents of orienteering, mountaineering, hill running, athletics and back-packing from Britain and Ireland. The bringing together of participants from such varying backgrounds has been one of the major appeals of the Mountain Marathon.

The 1993 Lowe-Apline Comeragh Mountain Challenge on Saturday and Sunday next is the first event of this type to be run in the Republic of Ireland. The event is intended to challenge participants. The objective of the event is to test the qualities of two participants working as part of a team, together enduring the pain of a marathon walk, demonstrating their expertise in camp craft, having carried the equipment for their personal survival. Novice participants are warned that all courses traverse open exposed mountain side and have considerable climb.

Over 220 competitors are expected from Britain and Ireland to take part. The event starts at the Clonanav Guesthouse on Saturday morning.

LATE MRS. CHRISTINA MORRISSEY

It is with deep regret we record the passing of Mrs. Christina (Tiny) Morrissey, Main Street, Fethard, Co. Tipperary whose death took place in the gentle and loving care of the nurses and staff of Sacre Coeur Nursing Home, Fethard, where she was a patient for some time.

Deceased, who was in her mid eighties, was relict of the late Sean Morrissey of Knockavannagh, Ballymacarbry, a staunch member of the Old I.R.A. who predeceased her by thirty four years. A lady of outstanding qualities her unassuming courtesy, quiet good humoured, generosity and kindness endeared her to all who knew her. She was possessed of an old world charm that was refreshing for all who were indeed privileged to make her acquaintance and accordingly her demise is deeply and justifiably mourned, as was evidenced on Thursday evening when her remains were removed from McCarthy's Funeral Home to Fethard Parish Church. On Friday morning Requiem Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to the Ancient Burial Ground at Knockboy, Ballinamult, where she was laid to rest in the family plot. To her sons and daughters we extend our sympathy. Ar dheis De go raibh a anam.

LATE MR. JOHN KENNEDY

Sympathy of the district is extended to the family of the late Mr. John Kennedy, St. Nicholas Terrace, Clonmel. His late father John Kennedy was a native of Graignagower, Ballymacarbry. Our sympathy also to the relatives and friends of Miss Mary Walsh, The Cross Bar, Ardfinnan.

FROM MALIN TO MIZEN

Thirty six determined cyclists from Clonmel and the surrounding areas will set out from Malin Head in Co. Donegal on Friday next, May 28 to cycle the 455 miles to Mizen Head in Co. Cork to raise money for South Tipperary Multiple Sclerosis Self Help Group. The cyclists are all members of the Clonmel sponsored cycle club who do regular cycles for charity. In 1989 they completed the Malin-Mizen in aid of Rehab in Clonmel. One of their cyclists in Patrick (Pa) Moore of Kilcreggane, Ballymacarbry. The group have been training hard for the three day event. They will have over night stops in Sligo, Limerick and Mizen Head. So here's wishing them well on their fund raising venture.

RETIREMENT PACKAGE

Mr. Anthony Ryan, Knockalisheen, Ballymacarbry, Chairman, Waterford F.A.A. Rural Development Committee insists that while IFA welcomes the announcement of Minister for Agriculture, Joe Walsh's proposals to the EC Commission on the Early Retirement Scheme for farmers, the aid must be indexed to inflation to ensure that the value of the pension is not eroded over the ten year period of the scheme.

Mr. Ryan said that IFA will also be making a case for the maximum payment to reflect the recent 10% devaluation of the Irish Punt. This will increase the maximum payment from £8,771 to £9,648 per annum. It is absolutely necessary that Ireland get the maximum level of funding available for the Retirement Scheme which is 75% funded by the EC, he said.

The Ballymacarbry farmer said that the Retirement Scheme was a major opportunity to restructure Irish Agriculture and to transfer land into the hands of younger farmers. The scheme will play an important role in employment generation in rural areas, attracting older people to retire and encouraging young, trained farmers into work in farming. IFA will be making a further submission to the Department of Agriculture and EC Commission over the next couple of weeks to resolve difficulties that are still outstanding with the scheme.

ABBEYSIDE

VILLAGE TOPICS

OUR LOCALITY

The Rebellion Of 1641

Many of us may remember from our school history when Thomas Wentworth, Earl of Strafford came to Ireland as Lord Deputy 1633-1639. One of his main aims was to raise money for King Charles 1. He got large sums of money from Catholics in return for which he promised concessions called "The Graces."

In 1640 there was much unrest in Ireland, caused by:

- (1) Memories of the Ulster plantation;
- (2) The Catholic faith was forbidden by law;
- (3) The refusal of the King to grant 'the Graces'.

A Rising against the English took place in 1641 throughout Ireland. The Catholics under Richard Butler of Kilcash near Carrick-on-Suir attacked Dungarvan. He entered the town without any trouble but the castle was held resolutely by its garrison and some refugees from the countryside. The castle however was eventually taken by a stratagem. The garrison was informed that the ladders in the town were better off in the castle and were delivered. While the bearers bore them through the gateway, they stopped and blocked the gates from being closed, while assailants rushed through to

take the fortress. It was recorded that the refugees there were Mrs. Bolt, wife of the Protestant Minister in Dungarvan, Henry Davis, a Chandler, with his wife, Mrs. Lawsell, William Farmer and innkeeper in the town with his wife and the wife of a Christopher Churton. Shortly

afterwards it was reported that a small vessel had entered Dungarvan Bay with a cargo of gunpowder as well as three or four artillery assault cannons. (More next week).

WHAT A NIGHT! (THURSDAY) WHAT A NIGHT! (FRIDAY)

Why didn't such an event happen before? 'A Talent Competition for the over 50's in the Parish.' Why did we have to wait until the year 1993 to develop our thinking to a higher plain of civilisation. We needed a spur — something to get us off our proverbial back-sides. Making 1993 European Year of Older People and Solidarity Between Generations has worked in our Parish. It provided the incentive for two groups in the Parish — Ballinroad Hall Committee and the Abbeyside/Ballinacourty

G.A.A. Scor Committee, to think creatively — and the resulting brainwave 'A Talent Competition for the over 50's' as part of a concert in Ballinroad Hall was an outstanding success. Entertainment, fun and laughter of the highest order. We had singing, comedy, poetry, a sketch and dancing. The finals on next Friday night, May 28 are not to be missed.

The over 50's who will entertain us are Jimmy Fraher, Mossie Noonan, Tom McShane, Eddie Moore, Mary Fitzgerald and Bunny Clarke (songs), Dan Dineen (comedy), Richie Walsh/Tommy Keating and partners (half set), Kathleen Murray and Richie Walsh (poems) with Kathleen and Joan providing a sketch.

Valuable prizes will be available in the various categories. Many local artists gave their services on Thursday and Friday night last. May we mention a few — Nicky Power playing the concert flute, Libby Flynn, Vincent Byrne (Jeg the Peg), Micheal O Faolain, Bachelors in Trouble (Murphy and Coffey), The Old Parish Scor Group (instrumental music), Michael Flynn (guitar and banjo).

If next Friday night is half as good as the semi-final nights, then the audience will be well pleased. Ballinroad Hall is the place to be next Friday night and witness the contribution the Aged have to make to the local entertainment scene. See you there.

SWIMMING IN ABBEYSIDES' BEACHES

Well the month of June is just around the corner and dare we say it — a long hot summer when the swimsuit can be pulled on day after glorious day. Indeed one was tempted to stroll to the back of the church for a dip during our pre-summer fine weather in April but the common sense of our upbringing prevailed on us to bow to the wisdom of the rhyme — 'April, May keep out of the sea.'

Anyhow, no excuses from now on, thinking positively we are in for a scorching summer — So 'ar aghaidh libh'

'June, July swim till you die.'

Wouldn't it be lovely to see crowds of village people swimming on the beach from the 'back of the church' to the 'stone seat' on a calm incoming tide — no giant waves to interfere with the measured swimming stroke. An ideal location for that quick dip before the dinner or before you rush off to support the local team. What better exercise than a comfortable distance covered in the breast stroke or the crawl and of course there is always the 'dogs paddle' for the less well able. Low and behold unlike most things today it is free — you don't have to have a licence nor can I see a uniformed figure standing at the end of the stone steps with a cash-box and a roll of tickets — not for the foreseeable future anyway. Have a bundle of fun but respect the sea and don't risk getting into unnecessary difficulties in the salt water — for all our sakes. And God forbid in case the worst came to the worst let's all respect the life-belts placed on the shoreline from Abbeyside Church to the Red Bridge by the Urban Council but may I add at our expense as we pay the taxes.

Let's hope for the best this summer — have fun — use our natural facilities and keep Abbeyside lively.

Abbeyside Scouts Notes

TROOP MEETING

Last week's meeting for the most part was held in the great outdoors namely Abbeyside beach, where we went to do a spot of canoeing. Despite a week's notice very few scouts brought their canoeing gear to the meeting — some of the harder ones went home for theirs! The water was choppy which added to the excitement and it was also a bit cool which took away from the time spent canoeing. John Paul looked very attractive in his wellies while Richie, Conal and Steven barely kept afloat, John Phelan, however, didn't! S.P.L. Conor said he definitely will only be going swimming in a heated pool in future.

Sunday afternoon saw our regional hikers head off to the Mahon Falls, taking the more difficult route to the Falls, naturally, with the S.L. leading the way. Along the way the local unit of the F.C.A got some words of ad-

vice from Tomas who told them they were in the wrong place looking for Saddam Hussein.

Next Saturday's meeting will once again be multi, everyone is reminded to bring a towel, spare t-shirt and most importantly a water pistol. A deposit is also required on Saturday from those intending to go on the G.A.S. Camp.

CUB NEWS

Saturday morning sees mothers and cubs from all over the Deise Regional gather in Melleray Scout Centre for the mother and cub weekend which promises to be another fun filled and exciting event. More news on this next week.

GENERAL

We got a look at the Troop Log last weekend and were slightly shocked to learn that the Scribe doesn't suffer from writers cramp! Our soccer players were in action in the Den Field last Sunday morning, I thought Roddy

Doyle was playing among them but S.P.L. Eamon Veale assures me he wasn't. Now that "V-Will-Fix-It" has got luxurious new transports we expect all the plans that are in the pipeline with the last months to suddenly take off like a rocket. As Foxy Paddy will tell you, he is hard to "peg" down while the S.L. wants him to take 'steps' to improve the pre-fab, others want him to 'wheel' to Glen-shelane and not get 'stoned' on the way. We await developments and will ring Kathleen (on her mobile phone — if you don't mind!) to put on the pressure if need be.

SYMPATHY

We extend our sympathy to all the relatives of Mrs. Brigid Whelan, O'Connell Street, Dungarvan, who died last week. Mrs. Whelan was grandmother of A.S.L. Tony Whelan and the three Shepherd scouts and mother-in-law of committee member Mr. Geoff Shepherd, Park Lane. — Scribe.

Abbeyside Girl Guide Notes

OVER 50'S TALENT CONTEST

Last week's Brownie meeting was used as a final rehearsal of our campfire songs. Originally we intended to entertain on Friday night but because of a change in programme we were asked to "open the show" on Thursday night. We chose ten of our favourite campfire songs which included action songs, rounds and yells.

On the night forty one uniformed girls took to the stage. This talented group included both Brownies and Guides from the Abbeyside unit. We wore a selection of our uniforms, dress, outdoor, summer camp and some of our special occasion t-shirts and neckerchiefs. Everyone on the stage gave 100% to the performance and because of this our repertoire came across beautifully.

Many members of the audience were pleasantly surprised by our talent, especially one person (who

will remain nameless, to save his blushes), who should, at this stage, be well used to us and be more aware of our talent and capabilities — ye of little faith, hang yer heads in shame!

Finally, we would like to thank all those who complimented us after our performance. We would also like to thank the parents who brought their daughters to and from the event, and the Leaders would like to thank all the Guides and Brownies who took part, and yes, Antoinette, your entertainer badge will be arriving soon!

STRADBALLY BROWNIES SLEEP OVER IN ABBEYSIDE

On Friday night 18 Brownies from Stradbally and their Leader, Mary Dunford, arrived at the Den in Abbeyside ready for an action packed sleep over. The night began with a campfire, which due to weather conditions had to be held indoors. The campfire didn't go on for long as the campfire

leader was very hoarse — what a blessing some would say! Afterwards plates of sausages were devoured by all. This was to have been a bar-b-que but ended up as indoor activity. We'd like to thank the Scouts for the use of their gas cooker (once again). Although the weather did not shine on us the evening was a great success and the final activity before bedtime was a special Guides Own and a presentation of badges to those Brownies who have been busy all year at their testwork. Everyone got some sleep but all too soon the morning came and it was time to go home.

G.A.S. CAMP

The G.A.S. Camp t-shirts have arrived and I must say that they're looking very well indeed. If you want to own one of these valuable souvenirs, then you'll have to attend the camp. The colour, design, etc. are being kept a close secret at the moment. All will be revealed on June 4.

RECENT DEATHS

Sister M. Carthage O'Dwyer

It is with deep and most sincere feelings of regret we place on record the death of Sister M. Carthage, Presentation Convent, Dungarvan, which sad event occurred during the very early hours of Wednesday morning, May 19 at the convent, after a duration of illness and at the fullness of years.

She was a very well known and a most popular member of the Community and had taught for many years at the convent school and after her retirement she still carried on in her professional role and also as a loving, caring person who gave of her best to the thousands of students who passed through her classes and whom she prepared for all walks of life.

Besides her teaching, she has also worked hard for the Missions and her name was as well known in the world's mission fields as it was in Dungarvan. Sister Carthage tried all kinds of methods to finance and help spread the Gospel on foreign shores from old postage stamps and silver paper collections, to name but a few.

She was a wonderful nun who was highly revered by her fellow Sisters in the Convent and also by the pupils, not only during their school days but afterwards as she followed their progress in the outside world. She was an institution in the religious and teaching life of the town and was imbued with a multitude of fine and endearing qualities which will ensure that she will be remembered by all.

We would like to tender our most sincere condolences to her loving Community, nieces and nephews at her passing. We quote one of the Intercession Prayers at her funeral Mass which reads: "We thank you, Lord, for the gift of Sister Carthage's life amongst us and as we give her back to you, we pray that she may be filled

with joy, happiness and peace in Your presence."

Her remains were removed on Wednesday evening to the Convent Chapel and were blessed and received by Rev. Fr. C. Kelly, C.C. and on Thursday evening were removed to St. Mary's Parish Church. A guard of honour which consisted of the school children marched at each side of the hearse. On arrival at the church her coffin was blessed and received by her nephew Rev. Fr. L. Brazil, O.S.A., Dundee, assisted by Very Rev. J. Canon Power, P.P., Rev. J. Kiely, C.C., Rev. G. McNamara, C.C., Rev. C. Kelly, C.C., Mons. P. Lannen, Very Rev. J. O'Sullivan, Rev. G. Very many Mass cards were received and some beautiful floral tributes were placed on her grave.

Music and hymns were rendered by the pupils of the Presentation Convent.

Mrs. Kathleen Crotty (Nee McGrath)

Widespread and deep regret was expressed at the announcement of the death of Mrs. Kathleen Crotty of 86, O'Connell Street, Dungarvan, which took place unexpectedly during the early hours of Thursday, May 20 at her residence.

Her death came as a great shock not only to her daughter Catherine, her brother Michael and nephews and nieces, but the whole area of the town of Dungarvan and its outlying districts as she was a well-known and popular lady attached to the business life of the town.

The deceased was relict of Gerald Crotty who predeceased her in January 1982. She was a member of a popular and widely connected West Waterford family. She was a lady who conducted a thriving bar trade at O'Connell Street for many years and it is a house well-known for its traditional Irish music and song down through the years as its proprietor had a keen interest in traditional music.

She was a lady who liked to play her game of cards and a person who had a great knowledge of local history. She was a wonderful conversationalist which she made full use of and was appreciated by her many clientele.

To her sorrowing daughter Catherine, brother Michael, nephews, nieces, cousins, relatives and friends we tender our sincere condolences.

Her remains were removed on Thursday evening from the District Hospital followed by a huge cortege which was representative of all sections of the community from town and country and on arrival her coffin was blessed and received by Fr. C. Kelly, C.C., assisted by Very Rev. J. Griffin, P.P., and Fr. G. Hickey, O.S.A.

Requiem Mass was offered for the repose of her soul on Friday morning and the interment then took place in the adjoining cemetery. Fr. Kelly, assisted by Fr. G. McNamara, C.C., celebrated the Mass and also imparted the final absolution at the graveside.

Traditional music was ren-

dered during the Mass by some of the regular musicians who played at her premises. Very Many Mass cards were received and some beautiful floral tributes were placed on her grave.

Another capacity concourse were present to pay their final respects and to sympathise with her nearest and dearest.

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan.)

Mrs. Mary J. Kearney (nee Whelan)

It is with feelings of sincere regret we record the death of Mrs. Mary J. Kearney, Fitzgerald Terrace, Dungarvan, which occurred on Thursday morning, May 20, at the Waterford Regional Hospital after a duration of failing health but at the fullness of years.

The deceased was relict of Patrick Kearney who conducted a hairdressing salon at Mitchel Street for many years prior to his death.

She was member of a very old Dungarvan family and was a gentle and retiring person. She was a wonderful neighbour, always ready to give her assistance when required.

To her sorrowing daughter, sister, grandchildren, son-in-law, daughter-in-law, nephew, cousins, relatives and friends we express our deepest condolences.

Her remains were removed on Friday evening from the Kiely Funeral Home to St. Mary's Parish Church after the prayers and Rosary were recited by Fr. J. Kiely, C.C. On arrival at the church the coffin was blessed and received by Fr. C. Kelly, C.C.

Requiem Mass was offered on Saturday morning for the repose of her gentle soul by Very Rev. G. Canon Power, P.P., assisted by Fr. M. O'Byrne, C.C., Ballinameela, who also officiated at the interment in the adjoining cemetery afterwards.

Very many Mass cards were received and some beautiful floral tributes were placed on her grave.

Mrs. Ellen Terry

We record with very sincere regret the death of Mrs. Ellen Terry, Aglish, which took place on Sunday, May 16, at the District Hospital, Dungarvan. A native of the Friary, Aglish, she was predeceased by her husband Walter by just six months.

The late Mrs. Terry was a most gentle and unassuming woman whose kind and charitable nature won for her the esteem and respect of all those who came to know her. She was a caring neighbour who was always ready to help those in need

and her death is deeply and deservedly regretted.

ARDMORE NOTES

NELLIE MOCKLER R.I.P.

Our beloved Nellie passed away last Saturday and will be missed by all. Nellie was the Sacristan for the church for many years, her favourite time being the First Holy Communion. Sadly this year she wasn't there, but throughout the Mass she was remembered.

The funeral left Egan's Funeral Home on Sunday and arrived in Ardmore at approx. 7 p.m. Fr. O'Connor said the Mass assisted by Fr. Flynn. The burial took place on Tuesday after morning Mass. Nellie is survived by her husband Paddy and daughter Sheila to whom sympathy is extended.

Nellie, you will never be forgotten for every time the church bells toll, you will always be with us.

APOLOGIES

When I wrote about the old folks party last week, I omitted one lady who did trojan work on the day, Catherine Troy. Sorry

Catherine. I only found out the other day! Each year so many people lend a hand, it's only now I am finding out who they are!

FIRST HOLY COMMUNION

The Communion took place in Grange on Thursday on a beautiful day with the Communion breakfast held as usual in the school afterwards. Ardmore children received their Communion on Sunday and I think we were lucky the rain stayed away too. The breakfast was held in the I.C.A. Hall. All the boys and girls looked wonderful.

G.A.A. NOTES

Junior Take On Dungarvan — On this Saturday evening at 7.30 p.m. our junior hurlers play Dungarvan in the junior championship at a venue yet to be confirmed. After their great victory over Shamrocks we look forward to another good performance here, though the 'Old Boro' outfit will be a much stiffer challenge, especially as upcoming exams will mean our already thin panel will be stretched even further.

On County Junior Team — Well done to Pat Bennett who has been chosen at corner forward on the Waterford junior hurling team to face Kerry in Lismore on this evening (Wednesday).

With our seniors going under to the same opposition on Sunday last we will be looking for a win here to restore moral, but the Kingdom with what is in effect their second best 15 in action, will be a hard nut to crack. We wish Pat well on his return to county colours.

YOUGHAL CBS TENNIS TEAM CAPTURE MUNSTER SHIELD

Youghal CBS Under-16 tennis team showed remarkable tenacity when defeating Ashton (Cork) in a thrilling final at a rain-soaked Tennis Village, Cork on Friday, May 21. There was precious little between both teams but Youghal's greater determination and will-to-win saw them triumph.

Ashton had taken an early lead when their No. 2 defeated the unlucky Bryan Geary in straight sets. However, Youghal stormed into the lead with a singles win from Gary Smith in three sets and a straight sets doubles win from John Gibbons and Kevin Callaghan. Ashton replied by levelling matters once again when their No. 2 doubles pairing accounting for Bryan Geary and John Gibbons. The outcome now hinged on the final doubles where Gary Smith and Kevin Callaghan were having a titanic struggle. They had taken the first

set by a narrow margin but had fallen behind in the second.

Showing true grit, they proceeded to save two sets points to level matters at five games each. The match eventually went to the tie-break where each point was fiercely contested. The Youghal boys showed tremendous composure under extreme pressure and eventually triumphed by seven points to five. A never-to-be-forgotten match had concluded after 3 hours and fifteen minutes.

Results (Youghal CBS names first) — G. Smith beat I. Mulcahy 4-6, 6-3, 6-2; B. Geary lost to S. Locke 3-6, 3-6; J. Gibbons and K. Callaghan beat I. Mitchell and D. Daly 6-3, 7-5; G. Smith and K. Callaghan beat I. Mulcahy and D. Daly 6-4, 7-6; B. Geary and J. Gibbons lost to I. Mitchell and S. Locke 3-6, 2-6.

Overall result: Youghal CBS 3, Ashton 2.

DEATH OF MRS. NELLIE MOCKLER

Sadly we record the death after a brief illness of Mrs. Nell Mockler, Main Street, Ardmore at Waterford Regional Hospital on Saturday, May 22. A very popular lady in this area, Nellie was a very efficient sacristan who took great pride in her work and enjoyed every minute of it.

Right through the recent Mission in Ardmore, Nellie was present at the early morning services and she never complained. She was busy and active right up to the time she was taken ill two weeks ago.

She will be greatly and sadly missed by everyone in the parish and by her loving husband Patrick who was also a part of the team taking care of the church, and her daughter Sheila.

We wish to extend our deepest and heartfelt sympathy to both of you and all the family on their great loss.

Funeral Mass took place on Tuesday in Ardmore church. May she rest in peace.

REMEMBERING OTHER DAYS

The photograph for our "Remembering Other Days" feature this week takes us back to the early sixties, the dawn of the cultural revolution, flower power, the hippie movement and the birth of rock n' roll. It shows one of the first rock groups to come out of Dungarvan and the forerunner to the showbands, notably the Royal Aces, who came into being shortly after. The group was called "Ricky And The Rocking Boys" and they played in most of the venues around the area including the Boathouse, Cappoquin, where the photograph was taken and they had built up quite a large following before they disbanded. On guitars were Tony Dunne (on left) and Ricky Keohan (on right), Jerry Bullfin on saxophone, Des Baumann on trumpet and James Ducey on drums. We are sure many readers will remember the 60's with fondness and the music of the era which is still popular to this very day.

Kilmacthomas Notes

FOOTBALL PROGRAMME COLLECTOR

Tony Beatty, formerly of St. Anne's Terrace, Kilmacthomas and founder member of the local soccer club, hit the headlines once again in England recently when he put his collection of football programmes up for auction at a packed Bonhams Auction House in

Honiton, Devon. The sale raised £25,000, a figure inflated beyond expectation by Lot 32: Aston Villa's first programme, a 1906 gem, bought by a private collector for a staggering £1,000, ten times more than its estimate and an auction record.

Tony started collecting football programmes in 1948 when, as a member of the Kilmacthomas club, he received Chelsea and Arsenal programmes from a sports publication. As a schoolboy he was already a staunch football fan and considered that collecting programmes would give him a great understanding of the game. The collection grew larger and larger and many times over the years Tony experienced the thrill and excitement of pursuing and finding rare programmes.

Sadly, due to health reasons, Tony has not been able to devote as much time to collecting programmes as he would have liked. So this, and the fact that his collection took up a lot of space at his home, resulted in his decision to dispose of the programme and allow them to be enjoyed by a new generation of collectors.

From all his friends in Kilmacthomas we wish Tony continued success and improved health.

CAPPOQUIN TENNIS CLUB NOTES

At the recent A.G.M. of the above club the following officers were elected — Chairperson: Margaret Troy, Secretary: Ann McCarthy, Treasurer: Mary Coughlan, P.R.O.: Phil McGrath. It was decided at the meeting that something should be done to encourage more young people to play tennis. So to that end free coaching sessions are being organised for the 9-14 year old age group. These sessions will take place in mid June, more details later. All are welcome.

The mixed doubles tennis evenings will take place on Wednesday evenings this year, starting Wednesday 2nd June. These evenings are always very enjoyable so do come along. Membership fees are as follows — Adults £10; Family £20; Child £5. Membership to be paid to Mary Coughlan.

The tennis courts are for everyone so do make use of them.

CONNRADH NA GAELIGE

At a recent meeting of the County G.A.A. Board delegates were reminded by Mr. Nioclás Mac Craith that this year is the hundredth anniversary of the founding of Connradh Na Gaelige.

Here in Cappoquin in the fifties there was a very active branch of this organisation spearheaded for the most part by two people sadly no longer with us. They were Pádraig Ó Fianúsa and Tomás Lincoln. Pádraig was an Irish teacher employed at the local vocational school while Tomás was a National teacher and worked in Stradbally. Feiseanna were organised and held in the open air at the sportsfield. One can recall the huge number of competitors who came from all around the county especially for the stepdancing competitions. There were also singing competitions as well as instrumental music as well as some less popular items such as recitation and a test in oral Irish. Also included was a hurling match between local clubs. The day was always rounded off with a Céili Mor na Feise at the Boathouse, an event usually packed to the rafters.

Of course, the branch had

many other functions such as the weekly Irish Language classes, dance classes and drama. They also organised a highly successful Drama Festival which was held for a number of years at the Boathouse and was the first of its kind in the county.

There were many local people involved in Connradh in one way or another some no longer with us. The survivors can now look back with pride on an enriching period in their lives.

BEREAVED

Sympathy is extended to Mrs. Angela Kenny on the death of her husband Paddy which sad event occurred at Ashford Co. Wicklow on Friday last. Angela (nee Morrissey) is a native of Coonacreeva, Cappoquin.

LATE PATRICK CONNERY

The death took place on Saturday last of Mr. Patrick Connery, O'Kyle, Cappoquin. Pad was a member of a well known and respected Camphire family. An employee of the Tourin Grass Drying Station and later of the Jameson Estate he was highly regarded by employers and fellow workers alike. A very pleasant outgoing person Pad could always be relied upon to give a helping hand when needed.

His remains were removed from the residence to St. Mary's church on Sunday evening where they were received and blessed by Very Canon Phelan, P.P., assisted by Rev. Fr. Lloyd, C.C., and Rev. Fr. McSweeney, C.C.

Following Solemn Requiem Mass on Monday morning burial took place at St. Declan's Cemetery. The final prayers at the graveside were recited by Very Rev. Canon Phelan, P.P. and Rev. Fr. Lloyd, C.C.

Sympathy is extended to his wife Mary, daughters, brothers and sister, nephews, nieces, grandchildren and other relatives. May he rest in peace.

AFFANE/CAPPOQUIN G.A.A. NOTES

Another Victory For Junior Footballers

Affane 0-9 Ring 1-5

Our junior footballers are certainly doing us proud this year chalking up another victory last Friday night in Clashmore against Ring. Having played three games - winning two - losing one - has kept our interest alive in this competition. With some of the players outstanding particularly Frank McLoughlin the main ingredient of this win was the team effort which eventually carried the day for us. F. McCarthy, B. Breathnach, J. McGrath, S. McCarthy also shone.

If only this group of players would come to training en-bloc they would certainly improve no end. They have the ability and the determination and the training would complete the "jigsaw". So how about it lads.

Team — J. McGrath, S. McCarthy, L. Lacey, B. Breathnach, E. Flynn, M. Lacey, M. Browne, G. Morrissey, Martin Lacey, F. McCarthy, E. McGrath, F. McLoughlin, A. Gilligan, M. McCarthy, T. O'Sullivan. Subs. — T. Stapleton for A. Gilligan also E. Hickey, J. McCarthy, E. Fraher.

Heavy Defeat For Seniors

We suffered a heavy defeat at Leamybrien last Monday evening. A Stradbally side firing on all cylinders ran us ragged for the majority of the game. This fit Stradbally team really showed Affane up in most departments and brought home forcibly the point that 10 players in a panel is not enough at training. The en-

tire squad will have to have a big rethink on their attitude.

Our team was understrength due to players exam-tied and on holiday but in fairness to the players on duty they did not give up but hadn't the "legs" to match our opponents. On the credit side we started well and played well for ten minutes before half-time and on the resumption we showed we can play football with the best but in between we lost our way and were punished in no uncertain terms.

Team — C. Cullinane, J. Buckley, M. Reddy, S. McCarthy, K. Veale, B. Murray, F. Murray, L. Costin, F. McLoughlin, G. Morrissey, M. Power, C. Prendergast, P. J. Veale, D. Cullinane, J. Mason. Subs. — D. Cummins for F. McLoughlin (inj.) also M. McCarthy.

Rev. Bro. Dormer

The club has learned with regret that Bro. Dormer of Lismore C.B.S. is being transferred to another teaching post in Co. Limerick.

The Rev. Bro. was a frequent visitor to the Sportsfield with the many Lismore teams and was always noted for efficiency and punctuality and general preparedness for matches. He was a good friend of our Club in many respects and was always willing to help us out in the many areas in which he is an expert. He was also an excellent County Board Officer and in this capacity was always available to clubs with advice and guidance.

This writer would like to thank him for the many kindnesses and wish him every success in his new post.

CAPPOQUIN BOWLING NEWS

Minister O'Shea then addressed the meeting. At the start of his long speech he said how delighted he was to be at the A.G.M. of the Branch. He also thanked the branch for the special meeting which they held for him after his great victory in the General Election and his appointment as Minister

of State. At the end of the meeting a most interesting "Questions and Answers" took place. Minister O'Shea was delighted with the most interesting questions which were put to him and he answered them to everybody's satisfaction.

SHOW JUMPING SUCCESS

Congratulations to Mr. Michael Buckley on his show jumping success in the English For Hunters Championship at Hickstead Show. With his mount Griffins Hill he recorded two wins and was placed on three occasions.

Michael who is only twenty years old has been involved in this sport for a few years and enjoyed other notable successes in this country. We wish Michael - who is son of Sean and Addie, Ballyhane - many more show jumping triumphs.

ANOTHER YEAR

Last Sunday a large number of people from the area travelled to Walsh Park to see our hurlers in the first round of the Munster Senior Hurling championship. Many of these supporters have been going through this ritual for a long number of years. On a few occasions we have won but in most cases we have lost but never in the memory of anyone have we lost to Kerry. In fairness the Kingdom side are much improved this year. We can only wait and see how they will perform against Tipperary. We have seen our hurlers play better - we have also seen them play much worse. Or is it all too easy now to with hindsight to castigate players and mentors and the County board. One can give a thousand reasons why a match is lost. Everybody has a theory to put forward. We the supporters are in the happy situation that we do not have to endure the jibes, the criticisms and downright abuse which will no doubt, be leaped on the people who played and who were in charge last Sunday.

Walsh park on the day lacked atmosphere. There was no band, there wasn't even taped music which are usually associated with such occasions. There was no match programme except for a team sheet which was handed out free of charge. This hand-out was inaccurate, especially as regards to the curtain raiser which was a senior football game Waterford v. London. There were people playing who weren't on the list and there were cases of players wearing shirts with different numbers to those listed. The game was attended by some four thousand patrons, most of whom would presumably have purchased official programmes. This must represent a lost opportunity for the County Board or for one of its subsidiary bodies which usually arranges such things.

Credit Union Celebrate Silver Anniversary

With Champagne from Tallow's Twin, Pont-St-Pierre, the Directors, Supervisors, Volunteers and Staff celebrated the Silver Anniversary of Tallow Area Credit Union on Sunday night last. Mrs. Helen McCarthy evoked memories of days long gone when as she said "an unthinkable thing happened, the people of the area were asked to entrust their money to people totally inexperienced in the matters of High Finance - for the

benefit of other members of the Community. Thankfully the trust of those loyal members and the extraordinary vision and commitment of our Founder Directors has not been misplaced. Today we have a thriving Credit Union with assets in excess of £2.5 Million". Mrs. McCarthy paid tribute to the Founders and many Volunteers who had given of their time and talents throughout the 25 years. "Organisations like people

must live out of the past but dare not live in it. The Directors of Tallow Area Credit Union have never been afraid to grasp the nettle of change and move forward to accept whatever demands were made in implementing services for the benefit of the members. In recent years the Credit Union has been most supportive in fostering enterprises and job creation through its support and encouragement to the Enterprise Group". Mrs. McCarthy went on to say "it is more than friendship which brought us together to-night, so to the young people I say we hope that your commitment will continue to inspire future generations to offer hope and a sense of dignity to all people - Ní neart go cur le céile".

BOOK LAUNCHED

A souvenir Booklet of the Credit Union's past 25 years was launched by Mr. John Hogan, Chairman of Promotion and Development Committee. The Book was dedicated to those who had the courage and vision to introduce Credit Union to Tallow and to the late Nora Herlihy Credit Union Founder who restored the spirit of the 'meitheal' to Ireland in 1958.

"We are very honoured to have on the back cover of this booklet a Tribute from another of the National Credit Union Founders - Mr. Seamus McEoin", said Mr. Hogan. Copies of the

booklet will be available free of charge to all members.

Lismore Notes

WEST WATERFORD FESTIVAL OF EARLY MUSIC

18TH-20TH JUNE, 1993

Householders in the Lismore, Cappoquin and Tallow area would be well advised to think twice about hanging out their washing

overnight - particularly sheets!

The Lismore Dramatic Society are taking on the job of organising the 17th century wedding pageant scheduled to take place on Sunday, the 20th June as part of the West Waterford Festival of Early Music, very seriously indeed.

Sheets are being dyed at a terrific rate and transformed into period costumes while determined members are searching through old skips full to brimming with costumes from their earlier productions.

"We want everything to be as authentic as possible" says Joan Bolger, Hon. Secretary of the Society "and we are hoping that members of other dramatic societies in the area will dress up and join in the fun on that Sunday.

The official bridal party are wearing costumes specially hired from Normac in Waterford "and" laughs Joan "there will be many peasants on the streets because these are the easiest to dress.

The idea of a 17th century wedding procession through

the streets of Lismore has caught the imagination of the general public and large crowds are expected to converge on Lismore to witness the spectacle and join in the fun.

Apart from the bridal party proper, attendants, bishops and guests, there will be trumpeters, a recorder ensemble from Waterford "Intrada" and special guests The Travelling Morrice, comprising of a group of sixteen Morris Dancers who will have arrived in Lismore early on Sunday morning from Cambridge, England.

While all this is taking place, there will be a Fair on the Mall, with plenty of food available for hungry onlookers, an Art Exhibition, and an Early Music Instrument Fair in the Parish Hall and many more events.

And, music lovers who travel to Lismore are not forgotten either. At 6.30 p.m. in Lismore Cathedral, choral Evensong with the Choir of St. Finbarre's Cathedral Cork, conductor Colin Nicholls.

The final concert takes place on Sunday night sponsored by Bulmers so it is all happening in Lismore from June 18th to the 20th.

DEATH

The death took place at his residence, O'Kyle, Camphire, Cappoquin on Saturday last 22nd May 1993 of Mr. Patrick (Pad) Connery.

LISMORE GOLF CLUB NOTES

The Tuesday Fourball this week produced great scoring, Billy Nugent and Patsy Horsom winning on a breakdown from the Conna father and son partnership of P. J. and Barry Rumley, both pairings returning 28 1/2 pts. In third position with 26 pts. were newcomers B. Shanahan and Noel Landers. Lismore created a bit of history this week with the Barton Shield team defeating Clonmel on Thursday evening at Dungarvan Golf Club, qualifying to meet National Champions Tramore in the area semi-finals defeat was to be our lot in this match. A very good performance considering this is only Lismores second year competing in this highly rated competition. For the record this is the team who created its own bit of history - Ken Madden, Paddy Duggan, Tim Murphy, Richie Ormonde.

The Friday Mixed Foursomes was this week won by the mixed specialists Jim Crowley and the youthful Colette Ormonde with a great score of 27, Jim holding in one at the fifth. In second place the pairing of Tom O'Grady and Joanie Walsh returning a 31 and in third position the husband and wife partnership of Tony and Mary Shalloe returned a 32. On Sunday we had our first major of the year kindly presented by Vice-President Mr. Paddy O'Flynn. Paddy had a very large turn out for his big day, over 120 players going to the starting post. First past the post returning a wonderful 44 pts. was left hander Dan Howard. This was great golf from Dan on the day and he now joins his brother George as a major winner in the club. Well done Dan.

In second place playing off a 21 Handicap the cool Michael Burke carded a wonderful 42 pts. beating Cappoquin man Michael Brackett on a breakdown into third position. Gross went to Tim Murphy who shot a new course record of 3 under par returning 41 pts. off 2

handicap. In fourth position on 39 pts. was Jim Crowley and only for a little difficulty on 17 and 18 he would have finished much higher up the ladder. In fifth position was Modeligo's Billy Nugent also carding a very good 39 pts. The first nine went to Michael Byrne with 23 pts. and second nine to Frank Corcoran also with 23 pts. Sonny Landers produced the shot of the day holing in 1 at the fifth. Next Saturday our open week begins with an 18 hole open fourball competition.

Hopefully Waterford will have a better result than last Sunday.

Speaking to a fellow county colleague on Monday morning - now domiciled in the Rebel county - he said the only consolation in Waterfords defeat is that we won't have to suffer Waterford getting hammered by Cork this year. Some consolation.

Tramore Tourism Committee Launched Tourist Guide

Last October a meeting of interested parties was called by South East Region Tourism in The Grand Hotel in Tramore with a view to getting a concerted and co-ordinated approach to tourism in the resort and surrounding areas. Out of this meeting a committee was elected representing various sections of the community including catering, leisure, accommodation and business interest.

The committee quickly got to work with a major fund

raising drive. The commercial life in Tramore was, once again, very supportive and some £12,000 was raised.

The main focus of effort over the following months was on putting together a Holidaymakers Guide which would highlight Tramore as the ideal centre for touring the South East and its many attractions. Next Monday this 16 page Guide entitled 'There's so much more to Tramore' will be launched by our own Minister, Brian O'Shea.

IT HAS BEEN ESTIMATED THAT, EVERY YEAR, FOUR TIMES AS MUCH PLANT LIFE GROWS UNDER THE OCEAN AS GROWS ON LAND!

IT IS QUITE NORMAL FOR PERFORMERS ON STAGE TO TAKE EXTRA "CURTAIN-CALLS" WHEN THE AUDIENCE CONTINUES ITS APPLAUSE BUT THE 1964 PERFORMANCE OF "SWAN LAKE" IN VIENNA, WAS EXCEPTIONAL. IT BROUGHT 89 CURTAIN-CALLS!

THE STORY OF THE SIEGE OF TROY WAS THOUGHT TO BE FICTION UNTIL 1873 WHEN A GERMAN IDENTIFIED THE SITE AND EXCAVATED NINE CITIES BUILT ON TOP OF ONE ANOTHER! THE SEVENTH ONE IS BELIEVED TO BE THE ONE FROM AROUND 1200 BC WHEN HELEN OF TROY WAS FOUGHT OVER.

New Images Youth Club Notes

LAST WEEK
Last week the club attended a disco held in the Friary Hall by Dungarvan Youth Resource Centre. The clubs who attended with ourselves were

Girls on the Move Youth Club, Get Up and Go Youth Club, Childers Estate Junior Club and New Line Junior Club.

This was a very successful joint venture by local youth clubs and let us hope that we may do the same again in the future. Thanks to Trina Foley who organised the DJ and the minerals and crisps also.

NEW LEADERS

We have two new leaders in the club. They are Michelle Burke and Valerie McNamara. A big welcome to the two girls and let's hope their stay will be a long and happy one. Also, I hear that more leaders are on their way. More details next week.

At the moment we now have five leaders so we could do with a few more members. If you are between 12 and 15 years of age and interested in joining a youth club, please contact any club leader for an application form.

NEXT WEEK

We will not be having a club night on Thursday night because of our involvement in the Regional Games in Waterford on Sunday next.

REGIONAL GAMES
On Sunday, May 30, the

Regional Games take place in Kilbarry, Waterford. We have two teams entered in soccer — one boys and one girls. A bus will leave the Dungarvan Youth Resource Centre at 9 a.m. on Sunday and will arrive back before 12 midnight.

Four leaders will be with the teams in Waterford: Brian, Valerie, Jim and Patricia. Members are advised to bring a packed lunch and we will be going for chips at tea time.

The cost of the bus is £2.50 which each member

should have. Games entry fees and disco admission will be paid for out of club funds amounting to about £2 per person.

CONGRATULATIONS
Congratulations to Jackie Walsh, Kerry Holt and

Deirdre Travers who were early spot prize winners at the disco last week and also to Catherine Kenneally who celebrated her birthday during last week. Until next week. — PRO.

In Memoriam

CASEY — Twenty-fourth Anniversary — In loving memory of Jodie Casey, late of Headborough, Knockanore, who died on May 26, 1969. Masses offered. St. Anthony pray for her.

We often sit and think of you,
And think of how you died,
To think you could not say
goodbye,
Before you closed your eyes.
May you rest in peace, dear
mother,
In that heavenly home above,
With the Sacred Heart of
Jesus,
In His own eternal love.
(Always remembered by her
loving family.)

EARLEY — In memory of Michael Earley, 54 Murphy Place, Abbeyside, whose anniversary occurs about this time.

Will those who think of him
today,
A little word to Jesus say.
(Inserted by son Donal,
Josephine, David and Paul.)

LAMBERT — Seventeenth Anniversary — In loving memory of my dear sister, Noreen Lambert, 27, Caseyville, Dungarvan, who died in London on May 27, 1976. R.I.P.

They say there is a reason,
They say that time will heal,
But neither time nor reason,
Will change the way I feel.
A million words won't bring
you back, Noreen,
I know because I tried,
If only I could see my sister,
For just a little while.
To tell her how much I miss
her,
Or just to see her smile,
I never thought to see this day,
When you would have to go,
I love and miss you so.
(Always remembered by your
loving sister Hanna and sons.)

LAMBERT — Seventeenth Anniversary — In loving memory of my dear sister, Noreen Lambert, 27, Caseyville, Dungarvan, who died on May 27, 1976 in London. R.I.P.

A golden gate was open,
On that unhappy day,
With farewells left unspoken,
You quickly passed away.
In a garden of tender memo-
ries,
Where teardrops fall like dew,
There are roses that will
bloom forever,
In memory of you, Noreen.
(From your sister Mary, Jackie
and family in London.)

MURPHY — Ninth Anniversary — In loving memory of Michael, late of 56, Caseyville, Dungarvan who died on May 30, 1984. Sacred Heart of Jesus have mercy on his soul.
(Sadly missed by his loving wife Alice and family.)

MURRAY — Third Anniversary — In loving memory of Jimmy Murray, late of Convent Street, Tallow, who died on May 31, 1990.

We hold you close within our
hearts,
And there you shall remain,
To walk with us throughout
our lives,
Until we meet again.
So rest in peace, dear loved
one,
And thanks for all you've done,
We pray that God has given
you,
The crown you've truly won.
(Always remembered by his lov-
ing wife Peggy, daughters Mary
and Michelle.)

PANKS — Ninth Anniversary — In loving memory of our sister, Bridie Panks (nee Power), late of Lincoln and 16, Congress Villas, Dungarvan, who died on May 28, 1984.

God must have thought you
special,
To take you the way He did,
They say He only takes the
best,
And this He surely did.
Look around Your garden, Lord
For an angel with a smile,
She won't be hard to recog-
nise,
She must stand out a mile.
So put Your arms around her,
Lord,
And kiss her smiling face,
For she is very special,
And can never be replaced.
(Sadly missed by her sister
Molly, brother Christy, sister-in-
law Phyllis, Breda, Liam and
family.)

SHANLEY — Tom, Kilminion South — Fourth Anniversary on May 31, 1993.
Always in our thoughts.
(Kay and family.)
Anniversary Mass, 10 a.m.,
Saturday, May 29, in Abbey-
side Church.

WALSH — First Anniversary — In loving memory of my dear husband, William, who died on May 27, 1992. R.I.P., late of 1, Boreenatra, Dungarvan.

Gone from my home that
smiling face,
The cheerful, happy ways,
Lonely is the home without
you,
Life is not the same,
All the world would be like
heaven,
If we could have you back
again.
(Never forgotten by his loving
wife and Annie.)

WALSH — First Anniversary — In loving memory of my father Willie Walsh, No. 1, Boreenatra, Dungarvan, whose first anniversary occurs on May 27.

For many years the family
chain
Was closely linked together,
But oh, that chain is broken
now,

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. — G.H.

Special Beef Premium Scheme Must Be Kept Local

Waterford IFA Livestock Committee Chairman, Maurice Donovan, has called on the Minister for Agriculture Joe Walsh to reverse the decision of the Department of Agriculture to remove the administration and control of the Special Beef Premium Scheme from all local Department of Agriculture Offices throughout the country.

Mr. Donovan said: "Farmers must have the facility to make their Special Beef Premium application to local Department Offices. In addition the 2,000 Waterford farmers involved in this scheme must be provided with the necessary service at local level to ensure that their individual problem cases can be dealt with."

Mr. Donovan added: "It is totally unacceptable to live-

stock farmers that the Department would attempt to centralise the Special Beef Premium Scheme behind closed doors and out of reach of farmers on the ground. Such a move could only increase the number of unresolved and unpaid problem cases."

Mr. Donovan said that if the Minister continues to pursue this policy of removing an essential local service, farmers will react strongly against it.

The IFA man called on all livestock farmers to lobby each and everyone of their local political representatives to ensure that an adequate service is maintained in their county. No local politician can reasonably support a case for the removal of a now vital local service.

Know Your Rights

Question — Are you allowed to do part-time work while you are getting the Pre-Retirement Allowance?

Answer — No, you cannot draw this allowance if you do any work.

The Pre-Retirement Allowance is a means-tested payment which can be paid from age 55 to those on long-term Unemployment Assistance. In effect it replaces your Unemployment Assistance and instead of having to sign on at the exchange you are paid by way of Pension Book. One of the conditions for getting this payment is that you consider yourself as retired.

So, if you do any work you break this condition and must return the book and resume signing on at the exchange for the days you are unemployed.

Your means would be re-assessed to take account of your earnings. A certain amount of your earnings will not be counted. At present the amount disregarded is as follows:

From your nett earnings (after tax and PRSI) subtract the daily rate of Unemployment Assistance for each day worked, plus £15 per day (was £120 per week prior to 6 April, '93.)

Question — Is there any tax advantage in

getting married in March?

Answer — Special tax rules apply in the year of marriage. For all of that year both spouses are taxed as single people. Then, after the end of that tax year, they can have their case reviewed and if they have paid more tax than they would have paid if they had been taxed as a married couple, they would get a refund which would be paid in proportion to the period of the year they were married.

Whilst there is generally no tax advantage in getting married at a particular time of year where both spouses have sufficient income to use up all their tax free allowances and rate bands, there could be a tax advantage in getting married before the 6 April if one spouse was unemployed or likely to be made redundant or on a low income and not able to use all their tax free allowances or rate bands. In this case they could arrange to transfer their unused tax free allowances from 6 April whereas if they married after 6 April they would have to wait until the following 6 April to do this.

ICMSA Calls On Cowen To Re-Think Phone Charges

The Minister for Communications, Mr. Brian Cowen has been urged by the ICMSA to look again at the Bord Telecom changes in telephone charges.

CHARGES ANTI SOCIAL

Mr. Tom O'Dwyer, President of the ICMSA said that the increase in local call charges will result in even greater isolation for people living in isolated parts of the country and most especially for elderly people living alone. He said that unlike in towns and cities where there is a

great amount of social contact, people living in rural areas depend largely on the telephone as a means of social interaction.

"To hike the charges up in this way is anti-social," said Mr. O'Dwyer.

PROVISION SOUGHT FOR CALLS TO GOVERNMENT DEPARTMENTS

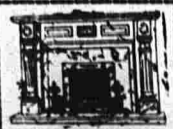

He also called on Minister Cowen to introduce either a free phone service or a single charge at the cost of one call unit irrespective of the length of the call, for calls to Government Departments.

Monica Leech, WLR and Joan Power, Rehab, presenting a cheque for £2,200 to Margaret Meehan, Kilminion, a winner in the Rehab Radio Bingo. Included are Danny Lenihan, Danny's Foodmarket, Abbeyside (where the winning card was bought), Eddie Meehan and Tomás and Biddy Morrissey.

ST. OLIVERS G.A.A. CLUB NEWS

DOUBLE TROUBLE

Dungarvan 6-4
St. Olivers 1-8

St. Olivers took on Dungarvan at a well laid-out and spacious Dungarvan G.A.A. grounds in the junior ladies football championship last Tuesday. The first chance fell to Julie Conroy who shot across. By the 4th minute, Dungarvan had gained a 2 goal lead, but this was quickly reduced. Patricia Veale pointed St. Olivers' first score of the game, then Dungarvan responded with a point. Emma Barrett, Ann Joan O'Brien and Niamh Scanlon all kicked over to cut the gap to 3 points. Breda Morrissey passed in to Emma Barrett who shot off the bottom of the post. Patricia Veale pointed before Niamh Scanlon's effort was palmed over by the goalkeeper for a point, and it brought St. Olivers within a point of the hosts. Dungarvan had a fisted shot saved well by Aileen O'Mahony. Breda Morrissey fired in a shot which bounced across goal and just wide, and Emma Barrett had her shot saved. But a 10 minute scoreless spell came to an end when Dungarvan goaled from a free. Valerie Carlton and Breda Morrissey scored late points to make the half-time score: Dungarvan 3-1, St. Olivers 0-8.

With 7 minutes left in the game, Breda Morrissey had her shot blocked, and Valerie Carlton bulleted in the rebound. That was St. Olivers' only score in the second half, which was dominated by Dungarvan who won by double scores: 6-4 (22) to 1-8 (11).

St. Olivers — Aileen O'Mahony, Lorraine Maher, Bernie Kiely, Eleanor Osborne, Kay Hallahan, Aoife Scanlon, Margaret Ronayne, Niamh Scanlon (0-2), Aine Davis, Cathy O'Mahony, Valerie Carlton (1-1), Ann Joan O'Brien (0-1), Emma Barrett (0-1), Patricia Veale (0-2), Julie Conroy (sub. Breda Morrissey 0-1). Subs. — Maura Kiely, Theresa O'Donovan, Sharon O'Shea, Catherine O'Brien, Bridget O'Brien, Esther Ware. Referee: Nicky Sheehan (Dungarvan).

... BUT THEN A WIN St. Olivers 5-8 Dunhill 3-2

News of Waterford's defeat at Walsh Park was filtering through by the time St. Olivers v. Dunhill got underway in Aglish last Sunday. St. Olivers took the lead 3 minutes into this junior ladies football match when Niamh Scanlon's long shot bounced in for a goal. A tight-angles shot from Breda Morrissey went just wide and Patricia Veale hit the post before the next score, a long-range point from Niamh Scanlon. After Valerie Carlton was fouled, Patricia Veale pointed the

free.

Two points from Ann Joan O'Brien gave the home side a 7 point lead, and the chances kept coming. Breda Morrissey had 2 shots saved and scrambled away, Emma Barrett on the turn kicked just wide and Patricia Veale pointed. Then came 4 goals in the space of 5 minutes. Emma Barrett goaled after 21 minutes, but Dunhill kept up with the leaders with a goal. Valerie Carlton passed on to Breda Morrissey to rocket home from 20 metres out. St. Olivers virtually wrapped up the match when Ann Joan O'Brien kicked into the square, Dunhill's defence was in a muddle, and Patricia Veale grabbed the goal. Breda Morrissey pointed from a tight angle, and in the last minute of the half, Dunhill bulleted in a goal. St. Olivers led by 4-6 (18) to 2-0 (6) at half-time. The rain began to pelt down immediately after the restart.

The first chance of the second half went just wide from Emma Barrett. Aileen O'Mahony dived down to make a good save before Dunhill pointed. St. Olivers then pointed through Ann Joan O'Brien. The visitors

pointed again after 2 more fine saves by Aileen O'Mahony. A shot from Helena Scanlon dropped down and was cleared by the keeper only as far as Emma Barrett who shot in off the post for goal number 5. Dunhill then hit the post, and in the last minute scored their third goal. This came after Helena Scanlon hit her shot just wide and after Niamh Scanlon pointed. St. Olivers in the end won by 12 points - 5-8 (23) to 3-2 (11) - and earned their second win in three matches so far in a game of goals.

St. Olivers — Aileen O'Mahony, Theresa O'Donovan, Bernie Kiely, Eleanor Osborne, Margaret Ronayne, Kay Hallahan, Pamela Landers (sub. Aine Davis), Niamh Scanlon (1-2), Cathy O'Mahony, Ann Joan O'Brien (0-3), Helena Scanlon, Valerie Carlton, Emma Barrett (2-0), Patricia Veale (1-2), Breda Morrissey (1-1). Referee: Paul Connery.

U-14 HURLING

In thunderous conditions last Saturday week, St. Patricks beat St. Olivers by five points in Aglish. This was St. Olivers' first match in the 1993 U-14 hurling championship.

Dungarvan Sea Angling Club Notes

On Saturday, May 15 we held our first bar-b-que in the Moorings. Unfortunately we clashed with the Eurovision and numbers were not up to expectations. We did have over fifty attending and they enjoyed themselves greatly in spite of the heavy shower. John and Theresa supplied excellent music in the form of "Shades Of Autumn" and all enjoyed their easy style. We were well supported by local traders who sponsored nearly all the great food. We take this opportunity to thank all of them for their kind generosity. We hope to hold another bar-b-que in

the near future, details at a later date.

The "Inter-Firms" sponsored by Baumann Jewellers was held on Sunday, May 23. Six boats with the twelve teams left the Quay to venture out into a nasty easterly wind. There were casualties on all boats — some went beyond the Island but all but one returned to the shelter of the Harbour. The doggies got a bit of a bashing all day. The presentation of prizes took place in the Anchor Bar with the very popular Warren Electronics team taking the laurels. This was Breda's first big win and

hopefully not her last. Well done to all winners and competitors.

The club would like to wish the Anchor Bar and the Shanley family a happy 10th birthday and best wishes for the future.

There were 48 anglers, 6 boats, 211 fish caught with 4 of variety. The results were as follows:

1st John Warren Electronics — Eoin Russell, Breda Warren, Noel Hackett and Donna Hackett 375 pts; 2nd Traders — Frank O'Beirne, Tony Crowe, Sev Baumann and John Molloy 205 pts; 3rd Irish Permanent — John O'Brien, John Cronin, Tony Elstead and Pat Buckley 200 pts.

Our next competition is on Sunday, June 6 with the Queen of the Sea and King Neptune. Presentation of prizes in Merry's.

Finnisk C.C.E. Branch Notes

At the recent County Fleadh, the following members qualified to take part at the Munster Fleadh in Ennistymon, Co. Clare.

Catherine O'Mahony (piano accordeon), Diarmuid O'Mahony (banjo), Michelle O'Brien (tin whistle), Eleanor O'Brien (piano), Martin Curran (piano accordeon), Louise Foley (piano accordeon), Mairead Keane (bodhran) and Pauline Fleming (concertina).

Best wishes also to our other members of the Branch who are part of the U-12's, U-15's and U-18 Grupai Ceol who will also be taking part.

Congratulations to our ladies set who won their competition. But pride of place must go to our U-12 set dancers who will be taking part in the Munster finals. It is the first time in the history of the Branch that we have won a county final in set dancing. The set consists of Caroline O'Brien, Doireann Carr, Clodagh Carr, Marie O'Donovan, Raymond Connery, Kevin Guiry, Eamon Mernin and Angus Murray. We wish all those taking part every success.

Our first stage night will be held on June 6. More details next week. — P.R.O.

Scór Notes

We were well represented in the All-Ireland finals in Millstreet on Saturday night last by our instrumental group from Old Parish and the Bonmahon figure dancers. Although we did not win any of the two titles, both groups performed very well on the night.

RTE televised the event and it will be shown at a later date.

IOMÁNAÍOCHT BUNSCOILE

An Rinn/Sean Phobal 5-0
Gearrán Bán 2-3

Bhí an ghrian ag taitneamh i nDún na Mainistreach nuair a d'imir na buachaillí an cluiche seo ar thráthnóna a bhí oiriúnach don iománaíocht. D'éirigh leis an dá fhoireann an sliotar a bhualadh agus a phiocadh gan mórán trioblóide. Mar a bhí an chéad lár, bhí lár pairce agus na tosaithe ag gníomhú ar a ndícheall freisin, agus tháinig na cúl chucu, in aineoin iarrachtaí misniúla an chúlbaire eile. Bhain na tuismitheoirí a bhí

i láthair taitneamh as an gcluiche agus as an ndea-aimsir agus as tiomantacht na mbuachaillí. Beidh bhúr dtacaíocht ag teastáil arís le linn na seachtaine seo nuair a bheidh cluiche no dhó ar siúl sa chomórtas seo. Na príomhoidí Pádraig Breathnach agus Proinsias Ó Domhnaill a bhí i bhfeighil na fóirne. Molaimid iad.

An fhoireann — Sámus Ó Lonáin, Cormac Ó hUallacháin, Tomás de Faoite, Éamonn Ó Cuirrín, Cian Ó Conchúir (1-0), Pádraig Ó Drócháin, Eoin Breathnach, Brian Ó Faoláin (2-0), Pól de Bhial (1-0), Alan Ó Manacháin. Ionaduithe — Mike de Paor, Shane Ó Murchu (1-0), Cillian Ó Murchadha, Niall Ó Faoláin.

We continue to urge the parents to come along and see your youngsters participate in the games. They deserve your interest and your support.

IOMÁNAÍOCHT FAOI-14

An Ghaeltacht 2-1
Naomh Pádraig 1-4

Foireann Naomh Pádraig a thug cuairt orainn sa Rinn ar lá breá gréine, an La saoire Eaglaise. Bhí slua deas ón Rinn ann chun tacáíocht a thabhairt. Bhí an scór íseal go leor mar b'iad na cosantóirí ón dá thaobh a bhí in uachtar. It was anyone's game as the play swung from one end to the other, finally resulting in a draw.

Bhí Séamus Ó Lónáin ar fheabhas sna cúl. Bhí na cosantóirí ar fad - Éamonn Ó Cuirrín, Seán Ó Drócháin, Baithí Ó Tóibín, Pádraig Ó Drócháin, Daithí Ó Tóibín, Eoin Mac Craith, Séan Ó hÉanaí - agus na fir lár pairce — Cormac Ó Muiríthe (1-1), Séamus Mac

Aodha - ar fheabhas.

Dhein na tosaithe a gcuid féin den rith agus den iarracht nuair a tháinig an sliotar ina dtreo. B'iad na tosaithe ná Pól de Bhial, Tomas Breathnach, Mike de Paor, Eoin Breathnach, Séan Ó Cuirrín, Brian Ó Faoláin (1-0). Ionaduithe — Alan Ó Manacháin, Tomás de Faoite, Cian Ó Conchúir, Shane Ó Murchú.

Guímid rath ar imreoirí agus ar gach duine a bhaineann leo.

PEIL NA SÓISEAR - DARA FÓIRNE

An Rinn 1-5
Ath Mhéan 0-9

A mhalairt de scéal a bhí againn leis na Sóisir an tseachtain seo i gcluiche a cheap a lán daoine gur cheart a bheith buaite againn sa chéad leath. A litany of missed opportunities earlier on left us stranded against an Affane team that appeared to adjust better to the prevailing conditions, as the game progressed. Dheineamar tosach maith le cúlíní ó "Huckle" agus Colm. Cé go raibh an cuid is mó den imirt ag An Rinn sa chéad fiche nóimead den leath, níor éirigh leo aon scór eile a aimsiú. It was towards the end of the half that Affane scored their two points, the second from a close-in free, to bring the teams level at the interval.

Cúilín an duine ó Chiarán agus Huckle i dtosach an tarna leath a thug dóchas úr dúinn. Fuair Áth Mhéan cúilín. Bhí seans againn ansin ar chúl nuair a cuireadh an pheil isteach sa chearnóg. But, it was a free out. Affane scored two points to bring them back into contention. Bhí seansana againn í chiceanna 45 méadair agus ó chic sleasa nár scóráileamar astu. Fuair Richie cúilín ó chic saor agus bhíomar ar chomhscór arís.

Bhí an choimhlint ag éirí níos déine ansin. A player from each team was sidelined. A spectator involved himself in the "sorting-out" process and mayhem ensued. Good sense quickly prevailed and an order was thankfully restored. Bhí sé soiléir gur chuir an eachtra seo isteach ar na himreoirí óga. Fuair Áth Mhéan an lámh in uachtar anois le trí chúilíní.

Raid Domhnall an pheil go laidir isteach óndtaobhlíne agus chríochnaigh Huckle isteach sa líon é. Bhí siad ar chomhscór athuair. Ghnóthaigh Áth Mhéan cúilín eile. Lean imreoirí na Rinne leis an iarracht go dtí an fheadóg dheireannach ach theip orthu scór a fháil. Bhí sé thart agus bhí sé cailte againn.

An fhoireann — Daithí Ó Condúin, Sham Ó Manacháin, Dómhnall Ó Murchadha, Paddy de Faoite, Pádraig Ó Tóibín, Eanna de Faoite, Colm de Faoite, Lorcán Ó Muirí, Richie Ó Fionnagáin (0-1), Colm Breathnach (0-1), Donncha Góch, Pádraig Ó Manacháin (1-2). Fir Ionaid — Aodh Mac

Craith do Sham (gortaithe), Míchéal Ó Cuirrín do Dhoncha, Seán Breathnach, Ciarán Mac Craith, Shay Mac an Óige.

PEIL IDIRMHÉANACH An Rinn 2-11

Na Gearaltaigh 1-8

Bhí bua sásúil againn sa tarna cluiche den sraith-chomórtas. It was, on the whole a greatly improved performance, with some excellent passing movements, crowned by a variety of lovely scores. For a time, however, it seemed that the wasteful ways of our Juniors were going to persist with the Intermediates also, as a number of scoring chances went a-begging. Mar sin féin, chríochnaíomar an chéad leath le cúl agus seacht gcúilín agus ní raibh ag na Gearaltaigh ach cúl agus cúilín. Ach, thosnaigh siad siúd go láidir taréis na hidirlíne, nuair a fuair siad dhá chúilín. Bhí seans maith ag An Rinn cúl a fháil ach bhuail siad an cuaille. Ach tháinig an tama cúl sa deire, le gluaiseacht maith idir tosaithe agus na fir lár pairce. Trí chúilín as a chéile a fuair na Gearaltaigh gan freagra uainne. An additional four wides and four points from An Rinn completed the scoring while Affane added two wides and two points to their total tally. It was an enjoyable encounter - on the whole a free-flowing game, with some fine individual performances.

An fhoireann — Noel Ó Murchadha, MacDara MacDonnachadha, Míchéal Ó hAodha, Breandán de Faoite, Diarmuid Ó Drócháin, Seán Ó Cuirrín, Mike Ó Suilleabhain, Séan Ó Condúin, Carthach Mac Craith, Liam Ó Currín, Éamonn Ó Crotaigh, Daithí Ó Cuilleánáin, Míchéal Ó Droma, Eugene Ó Cuirrín, Nioclás Mac Craith. Fir Ionaid — Domhnall Ó Murchadha do Bhreandán, Pádraig Breathnach, Daragh Ó Conchúir, Seán Mac Craith, Colm Breathnach.

Ní bheidh aon pheil go ceann tamaillín anois. Comórtas peile na Gaeltachta a bheidh acu deire seachtaine Meithimh.

St. Garvans Ladies Football Club Notes

Disappointment was our lot in the county final of the under-16 ladies football championship against a physically stronger Ballymacabry team. Though we attacked straight from the throw-in we did not notch the score that would have helped settle our side against our vastly more experienced opponents. The final score was not a true reflection on our contribution to a good hour's football. Our players contested every ball right to the end

and in this respect the team can feel proud of its performance.

Our girls enjoy their football and will be back again next year.

Team — Marie Shaw, Patrice Moore, Breda Veale, Aisling Power, Lisa Linnane, Andrew Travers, Ann Marie O'Brien, Mary C. Curran, Martina Hayes, Ann Marie Cullen, Josephine Terry, Fionnola Egan, Claire Morrissey, Mary Connelly, Samantha Gough.

Prizewinners in the Abbeyside Shore Angling club's Fishing Competition sponsored by Shanley Electrical Contractors were — back row (left to right) Tony Crowe (Senior) 1st, Larry Curran (3rd), Frank Hayden (Sponsor Shanley Electrical Contractors Ltd), Pat Buckley (Chairman Abbeyside S.A.C.), Brian Mansfield (2nd); front row — Garry O'Shea (4th), Bridget Tobin (1st Lady), Pat Maher (2nd Juvenile), Damien Wall (1st Juvenile). —(Pat Crowley).

Outstanding Open Week

The Causeway Tennis Club Senior Open Week was an outstanding success both from a playing and an administrative point of view. The entry was 407 — up on last year — and although the Premier A section was scrapped due to the small entry, the average Joe Soap club player turned up in abundance.

A special word of thanks to the main sponsors Comeragh Oil (P. J. Ryan) who was sponsoring us for the fifth year in succession and to JR's, with Maxwell House, AIB, Bank of Ireland, Nugent's VG, Park Hotel Central Dairies and the Moorings who all generously sponsored events.

A special word of thanks to Jennie McGrath, Tournament Director, for her patience and forbearance in dealing with the odd difficult clients and finishing the week on Saturday night.

The social ambience was a great success with the bar-b-cue well supported despite some inclement weather. Our mid-week disco was a sellout. Our newly decorated club house with pink walls, matching curtains (very expensive), floral arrangements (are we overdoing it?), new picture portraits and the club was agog with social activity for the week.

The results threw up a few surprises with Ger Cusack and John Moran winning the men's doubles, Liam Crotty and Teresa Keane beating

the Briggs from St. Annes, Waterford in a pulsating final — winning 8-6 in the third set, watched by a large attendance. Teresa Keane won the ladies singles in a close encounter with Patricia Flanagan. John Ryan won a very competitive men's singles. The ladies doubles was a tough encounter with Teresa Keane and Patricia Flanagan beating the administratively over-burdened Jennie McGrath (Tournament Director) and Theresa M. Keane (our Vice-President) 6-1, 6-4.

Michael Walsh, Coolnagour is an extraordinary man. Far from being in the flush of youth, this vintage model is in superb condition. A late vocation to tennis, racquet ball and squash, he is showing all the young fellows how to it should be done, winning the men's C singles in brilliant fashion, playing a tenacious baseline game with an occasional foray to the net for the odd volley or smash. His service, although not the stereotype, is reminiscent of him drawing with the camán on the high ball for the Brickey Rangers twenty-five years ago. He put away P. Morrissey, Willie Dunford, and Colin Carty in the C singles. Congratulations Mick.

The mixed doubles (section) was won by Eleanor McBride and Eugene O'Sullivan (Tramore) beat-

ing our own Lena Walsh and Michael Prendergast. The ladies C doubles was won by Anne McNamara and Elizabeth Donnelly, beating Niamh Scully and Helen Murphy (Kilsheelan) in a tough two-setter. The mixed doubles D section was very interesting from both the tennis point of view and as a psycho-social phenomenon with no fewer than seven married couples and two brothers and sister combatants competing. So, truly, tennis must be a family sport. So, all you golf widows out there, encourage your men to take up tennis. On doing a social survey afterwards, all seven couples agreed that the experience had helped their marriage. Incidentally, Jean and Denis O'Donovan beat Liam and Anne Fitzgerald in the final.

In the ladies D doubles, Esther Barron and Bridget O'Shea beat Christine O'Keeffe and Maria Moloney in a very exciting final. In the men's D singles Noel Brennan beat Liam Fitzgerald. Men's C and D doubles — Eamonn Butler and Michael O'Riordan (from Aghada) beat Noel Brennan and Joe Conway in a dour struggle. Ladies C and D singles — Jean O'Donovan narrowly defeated Christine O'Keeffe in a 2-setter — the last rally here must have gone on for forty strokes. Marian Moloney won the C and D

singles plate from Maria Kiersey.

So congratulations to all competitors, as they say, it's the winning that counts, not the competing! So roll on now to the Inter-Firms Ten-

nis Week with over twenty firms competing. This year it is being organised by our friends in Ballinroad. This is a fun tournament, more a social than a competitive event, with an A and B sec-

tion.

In a fortnight time there is St. Laurence's Tennis Club's Senior Open Championships. So, a feast of tennis lies ahead. — T.H.

Friary Take Waterford U-15^{1/2} Football Title

St. Augustine's 0-10 Cnoc Sion C.B.S. 0-9

St. Augustine's, Dungarvan, retained the U-15^{1/2} football championship with a hard fought, but deserved victory over Cnoc Sion at Walsh Park. Never more than two points separated the teams throughout, and the Friary boys trailed by one, with six minutes remaining.

Mt. Sion playing with a stiff breeze in the first half dominated the early stages, and led by four points to two at the quarter hour mark. A free by B. Cliffe and an excellent point from play by P. Mullaney levelled the scores, but Mt. Sion finished the stronger and led 6 points to 5 at the interval.

The second half saw the Friary midfield partnership of D. Hayes and L. Hurney finally come to grips, with a

physically stronger Mt. Sion pairing, and the Friary forwards began to move more fluently. Two points by M. Hickey and another by sub. I. Dunford put them in command, but Mt. Sion battled back and three quick points restored their lead. The final minutes were tense and exciting as play swung from end to end. The decisive scores eventually fell to the Friary as D. Hickey and N. McGrath pointed from play. For St. Augustine's M. Kiely was solid between the posts and the full back line of B. Power, J. Organ and V. O'Rourke gave little away. Benny Cliffe completed a strong half line. D. Hayes and L. Hurney worked tirelessly at midfield, Michael Hickey and P. Mullaney were the best of the for-

wards, and the yeceived solid support from N. McGrath, D. Hickey, N. Burke, D. Foley and sub I. Dunford.

St. Augustine's Team and Scorers — M. Kiely (Abbeyside), B. Power (N. Brid), J. Organ (Abbeyside) capt., V. O'Rourke (Clashmore), B. Cliffe (Abbeyside), M. Cliffe (N. Brid), T. Queally (N. Brid), D. Hayes (Abbeyside), L. Hurney (Brickeys), P. Mullaney (Stradbally), N. Burke (Newcastle), N. McGrath (Affane), M. Hickey (Abbeyside), D. Hickey (Brickeys), D. Foley (Abbeyside), Sub. I. Dunford (N. Brid).

Scorers — B. Cliffe 0-2, D. Hickey 0-2, M. Hickey 0-2, P. Mullaney, D. Hayes, I. Dunford, N. McGrath 0-1 each.

INTERNATIONAL FOOTBALL FOCUS

The Longest Of Journeys Starts With Albania v. Ireland

THE FIRST STEP

Ireland's first step in their bid to win 3 away matches is the problematic trip to Albania. The logistics of playing in Tirana as experienced by Northern Ireland in February created many problems and all Jack Charlton and the Irish players will want to do, is get into Tirana, play the match, hopefully win, and leave as quickly as possible.

Northern Ireland, despite their accommodation problems, went there played reasonably well and won 2-1 thanks to their goalkeeper Tommy Wright and a missed Albanian penalty.

The Albanian's can play neat skillful football as we saw in Lansdowne almost a year ago.

In that game they frustrated Ireland for almost an hour before John Aldridge got on the end of a Roy Keane cross to head past Avenier Dani their 2nd choice goalkeeper. Before that crucial breakthrough Albania had teased Ireland with some neat play orchestrated by their captain Suleman Demollari in midfield and dogged defensive work at the back led by Rudi Vata who on that performance was signed by Liam Brady for Glasgow Celtic.

Albania had many problems when they played Ireland but were also reputedly short 5 first team players who were stranded in Greece.

How are Ireland prepared for this difficult away fixture on a pitch that by all accounts should suit their play more than the home team.

In my view it will be the most difficult of the 3 games with Albania being able to field a full strength side now that most league championships are finished.

Ireland don't want to give away the lead goal on this occasion and most attention will focus on the form of the defence and Packie Bonner. Already the instruction has gone out from Charlton to minimise back-passes because of the state of the pitch and Bonners first time kicking. The return of Terry Phelan will be a boost but my contention is that the Irish defence has to some extent being compromised by Bonner's recent uncertainty.

That for Ireland will be the big test. Don't give the fickle home side the encouragement of the lead goal, then the 2 points can be won.

Because of accommodation difficulties the Irish panel has being cut to 17. John

Sheridan has withdrawn with David O'Leary and Alan McLoughlin being brought in with a slight doubt still remaining about John Aldridge.

Midfield picks itself but up front Aldridge still has not returned to his past club scoring form. For that reason the omission of David Kelly from the original travelling panel is difficult to understand, after a great year with Newcastle (26 goals) he may well get a late call up if Aldridge fails to shake off a slight injury doubt.

Jack Charlton knows this trip is fraught with danger. Most people expect a win, the realists know it is not that simple — nothing short of an excellent team performance will get that crucial away victory.

Team — Bonner, Irwin, Moran, McGrath, Phelan, Keane, Townsend, Houghton, Staunton, Quinn, Aldridge.

SOUND NO PICTURES

R.T.E. failed to get agreement with the Dutch agency Inter Sport who have the television rights for all the Albanian home games.

At lunch time on Saturday it was confirmed that an Irish consortium had made a deal with the Dutch to show the game live in 70 venues throughout Ireland, one of them being Dublin's Point Depot. The going rate for admission according to the group will be about £10 per person.

It is not clear if any local interests may take up this option. If not it will be back to the old days of Radio coverage.

Radio coverage for many was Tony Sheehan's Soccer Survey and the most colourful of all commentators Philip Green. If it has to be radio coverage I hope R.T.E. retain Gabriel Egan whose radio coverage of international games is excellent.

DAVID O'LEARY

David O'Leary's second F.A. Cup medal was a fitting reward, two nights after his 2nd Arsenal testimonial had netted him in excess of £150,000. O'Leary the now unusual one club player deserves it all. His Irish international testimonial game takes place next Saturday against Hungry at Lansdowne Road. Added to Charlton's panel, a part in an Irish away victory is all that is needed for a truly monumental two weeks of football for Ireland's David O'Leary. — B.K.

DUNGARVAN UNITED — YOUTHS LEAGUE

Youths Defeated At Rathgormack

RATHGORMACK 2 DUNGARVAN 0

Short a number of regulars the Blues went down 2-0 away to Rathgormack on Sunday morning last. Dungarvan got this game brought forward from this Friday as they have a vital U-17 match on Sunday next versus Tramore.

It was evident from the start that Dungarvan had other things on their minds and they also 'rested' a number of regular players for this game.

Rathgormack scored a goal in each half and deserved their victory. Dungarvan had chances but the crossbar and some glaring misses saw them defeated.

Our goalkeeper Morgan Cummins was injured in this game in an accidental collision with one of his

own players and had to retire. It was later learned that Morgan has sustained cracked ribs and will be out for a number of weeks. All the lads wish him a speedy recovery.

We also hope Richie Finnegan will have recovered from an eye injury in time for this game, while Brian Elstead is ruled out through an ankle injury.

Dungarvan — Morgan Cummins, Enda Donnelly, David Wall, Micheal Cowming, Finbarr O'Rourke, Ciaran Curran, Jason Hyslop, Timmy Kiely, John Power, Micheal Downey, Michael French. Res. — Mark Hyslop for Jason Hyslop (half time); Alan Beatty for Morgan Cummins (65 mins., inj).

SMITHWICKS INTER-FIRMS SOCCER TOURNAMENT

Fourteen teams have entered the Smithwicks Factory League which will begin on Tuesday, June 2 for the Joan O'Dwyer Shield. Traders will defend the trophy which they won last year but with a number of key players not available this year we feel there will be a new name on the Shield. Smithwicks, this year's sponsors, have do-

minated track-suits for the winners and we are indebted to John Hales, Area Representative for his generosity.

The following are the teams entered in this year's competition — Radley Engineering Ltd., Traders, Waterford Foods, Waterford Joinery, Public Bodies, Unemployed (1), Unemployed (2), Irish Tanners, Builders,

Cappoquin Chickens, Waterford Crystal (1), Waterford Crystal (2), Teachers, Sterling Winthrop.

DRAW MEETING

A meeting to hold the draw, at which a representative from each team must be present, will take place in Paddy Foley's on Friday, May 28 at 7 p.m. sharp and not Thursday, May 27 as stated last week.

JOHN FRAHER TOURNAMENT CUP FINAL

Powerful Second Half Display By Dungarvan

DUNGARVAN UNITED 4 TEACHERS 1

On Saturday evening last the John Fraher Cup final (1992) was eventually played after a very prolonged delay. Ballinroad was the venue and one must comment on the splendid facility that Ballinroad have now and the pitch was in immaculate condition. The game had a 7 p.m. kick-off and Tony Wall had the job of marshalling this game.

The Teachers, who had gathered a very strong team (a number of Dungarvan's 3B side), were in a fiery mood and had Dungarvan in all sorts of trouble in the first half. Alan Simms opened the scoring very early on with a terrific strike and Benny Wade was most unfortunate to see his fine strike rebound off the crossbar and to safety. Dun-

garvan never really got going and Benny Wade and Johnny Hughes were dominate in midfield.

Thomas Donovan and Alan Sheehan, up front for United, were always likely to give the Teachers a run for their money and on several occasions Kealan O'Neill had to come off his line to divert the danger. The first half ended with

Dungarvan looking very ragged and a shock looked on the cards.

Some very harsh words at half time and some positional changes by John Walsh, the Dungarvan manager, saw a transformation of the team and Dungarvan were, at last, in the right frame of mind.

Dungarvan got the breakthrough in very fortuitous

fashion when a free-kick saw Pat Tutty fire goalwards and the ball deflected off a defender and trickled over the line to bring the game to parity.

Dungarvan now had the bit between their teeth and began to dominate in all sectors. Willie Coward and Kieran Foley were unpassable at the heart of Dungarvan's defence and full backs Pat Tutty and Gary Burke showed their true class launching attack after attack. In midfield Darrell Donnelly and Billy Coleman were the engine room of this success and with Billy Sheehan and Ger Beresford causing havoc up the flanks it was only a matter of time before the goals would come for Thomas Donovan and Alan Sheehan.

GOAL ROUT

An Alan Sheehan hat-trick in the last quarter of the game sealed a very impressive second half performance by this Dungarvan side with Alan's third goal a real cracker. Gary Burke had made a marvellous run down the right flank and fired over a cross for Alan to head powerfully home. Jason Hyslop made a brief appearance late in the game and Dungarvan United would like to thank Jason for helping us out in our hour of need. The game ended with United in total control.

PRESENTATION

After the game John Fraher presented the cup to the Dungarvan captain, Billy Sheehan and each player of the panel received a very nice memento of the occasion. Dungarvan United would like to thank Ballinroad for inviting them into the competition and they look forward to being involved very shortly again.

FIXTURES

Thursday, May 27 — Charity Match, W.L.R. FM versus Dungarvan Selection, kick-off 7.15 p.m. Sunday, May 30 — U-17 League, Tramore v. Dungarvan, kick-off 11.30 a.m.

TWO CUP SEMI-FINALS

We bowed out of two cup semi-finals on Saturday last at Kilrush Park. In the morning our U-13's went down 2-1 when a goal in injury time of extra time gave Southend victory. In the evening our U-15 side went out on the same score to Rathgormack. The lads never got going in this game and an early injury to John Paul Donnelly left them an up hill battle to the finish.

On Saturday, June 5 we play away to Johnville in the U-16 Cup final at Ozier Park. Ben and Joe Wall will have their players fired up for this one and if this side play up to scratch and have a bit of luck, they could well pull it off!

JOHN FRAHER CUP FINAL

Dungarvan's Div. 1A team eventually overcame the Teachers in this 1992 Fraher Cup final played in Ballinroad on Saturday evening last. Alan Simms gave the Teachers an early lead which they held until half time.

Pat Tutty got the equaliser from a free-kick which was deflected off a defender. In the final quarter the Blues got on top and Alan Sheehan scored a hat-trick to give Dungarvan a 4-1 victory and capture the Fraher Cup for the second year in succession.

VITAL U-17 GAME

The club have only one competitive game this weekend when our U-17 side are away to Tramore in a vital league match, kick-off 11.30 a.m. A win for Dungarvan will see them crowned league champions but they face stiff opposition in Tramore who beat them 1-0 in the cup a few weeks ago. But we feel that the will be the hungrier side on the day and if they play up to form and get the breaks they could well be champions on Sunday. A bus will leave the clubhouse at 10.15 a.m. for anyone wishing to travel.

CARDS

One winner of cards on Saturday, May 22, Mick Power and Jim Walsh. Jackpot this week is £240 on 15 games at 8.30 p.m. sharp.

DUNGARVAN UNITED A.F.C.

UNDER-13 CUP SEMI-FINAL

Brave Effort Just Fails

The Blues were very unlucky to have lost this game, especially after a brilliant second half performance that had city side Southend chasing shadows, and believe me, Southend are a good side.

The first half was fairly even with Southend dominating early on but failing to breach a stubborn Blues defence, who gradually pulled themselves back into the game. Chances were few and far between in this half and neither keeper had much to do.

In the second half the Blues switched Nolan to centre forward and Sullivan to right wing and this switch made a tremendous difference to the game. Playing some

DUNGARVAN 1 SOUTHEND 2 (after extra time)

great passing football, Dungarvan tore Southend's defence to ribbons, but all this dominance needed a goal, and despite shots coming in from all angles, it wasn't forthcoming and so to extra time.

Dungarvan started extra time in whirlwind fashion and after a great passing movement got the lead goal from V. Sullivan. In the second period it looked as if the Blues were through to the final, bit with two and a half minutes to go a Southend forward was left unchallenged and

he rifled the ball to the net. Just on full time they got what was the winning goal after a mistake in the Blues defence. As I said earlier the Blues really played well especially in the second half, but football can be cruel sometimes, and it was for the Blues in this game. Southend had three chances in this game, they put away two. I counted six scoring chances for the Blues, but they only put away one.

DUNGARVAN — W. Duggan, P. Foley, C. Hayes, C. Murray, M. McGovern, B. Crotty, K. Walsh, D. Keating, J. Nolan, V. Sullivan, P. Halpin. Subs. — O. Morrissey, O. Casey, R. Halpin, M. Ahearn, P. Deegan, R. Gough.

Dungarvan Ladies Football Club Notes

DUNGARVAN 6-4 ST. OLIVERS 1-8

This was our juniors second game in the championship. We got off to a flying start with a goal after two minutes. St. Olivers came back strongly and ended the first half only a few points down. However, Dungarvan raised their game strongly in the second half and with the half back line of Suzanne Nagle, Fiona Sinnott and Kay Kirby holding out St. Olivers forwards we dominated much of the half.

The team was as follows — Carol Fraher, Bridget O'Mahoney, Karen O'Connor, Michelle Power, Suzanne Nagle, Fiona Sinnott, Kay Kirby, Geraldines Hayes, Deirdre Nagle, Rachel Byrne, Jackie Murphy, Fenella O'Flynn, Sharon Murphy, Geraldine Foran, Grace Owens. Subs. — Deirdre Murphy for Grace Owens; Deirdre Duggan for Kay Kirby (injured), Linda Ahearne, Rachel Walsh, Esther Whelan, Ann Ryan, Julie Brennan.

DUNGARVAN 8-4 ST. PATRICK'S 3-8

This game was played at home on Friday evening last and has given our juniors top spot on the championships table. St. Patrick's got off to a flying start

and were seven points up before Dungarvan responded with a goal from Sharon Murphy. St. Patrick's led at half time by two points.

On the turnover Dungarvan gave a more spirited display and despite two late goals by St. Patrick's, it wasn't enough to give them victory.

The team on Friday night was — Carol Fraher, Bridget O'Mahony, Karen O'Connor, Michelle Power, Suzanne Nagle, Fiona Sinnott, Deirdre Duggan, Geraldine Hayes, Deirdre Nagle, Rachel Byrne, Jackie Murphy, Sharon Murphy, Geraldine Foran, Rachel Walsh. Subs. — Sinead Byrne for Geraldine Foran (injured); Elaine Fraher for Rachel Walsh.

We will be starting a seven a side league amongst ourselves next week. Keep a check in the clubhouse for the list of teams.

Best wishes for a speedy recovery to Jim Cunningham, husband of our Chairwoman, Margaret, who came home from hospital last week.

Under-16's — Our under 16's played their last game of the league on Saturday evening last when they earned a draw against Old Parish.

MORRIE FERNCOMBE WINS SCRATCH CUP

The Park Hotel Scratch Cup brought out an excellent number of players all week in the qualifying rounds. The standard of scoring was exceptionally high all week. The 36 hole final on Sunday morning was a very exciting affair for all 16 players involved.

The honours went to Morrie Ferncombe (100 gross) in the end. He had a ding-dong battle with Pat Tutty (102 gross), with Morrie just getting home with two shots to spare. Both won really handsome prizes as did Paddy O'Neill (109 gross) who was 3rd and Lenny Duggan (109 gross) who was 4th. Congratulations to Morrie on his great win.

Cappoquin Pork & Bacon Blackwater Cycling Club Notes

The first mid-week race of the season took place at Mallow on Wednesday evening last. The event was promoted by Cork Cycling Club. Six of our riders took part. First to the line was the under-13, David Geary who had an excellent race finishing in 3rd place. Thomas Hogan and Patrick O'Doherty were our representatives in the under 14 race. Thomas finished 6th and Patrick just behind in the bunch. Bryan Geary, Shane Motherway and Vincent Lombard were our three riders in the under 16 race. Bryan finished 4th, Shane and Vincent finished just outside the prizes.
On Sunday we travelled to Tipperary Town with a smaller than usual team as some of our cyclists are down with various illnesses and we wish them a speedy recovery. Four of our under 14's turned out — Thomas Hogan finished 5th while Marc Flavin, Patrick O'Doherty and John McCarthy finished in

the bunch. Our three under 16's Shane Motherway, Vincent Lombard and Keith Walsh had a very

good race and finished well up in the bunch. Racing next Sunday is at Caherconlish, Co. Limerick.

CYCLING

Third Win For Power

Abbeyside cyclist Robert Power scored his third success of the season when he won the Slattery Cup in Tipperary on Sunday last.
Riding with Paddy Buckley Solicitors, Blarney, Power showed a welcome return to his best form, winning the sprint to the line at the end of the 70 miles race.

the six mile laps and was joined by Paul Butler (Tipperary Crystal), Brian Quinn and Bob Murray (Maddens Milk) and Barry Sutton and Bobby Power, Cidona Carrick Wheelers.

JUNIORS BOUNCE BACK

The junior footballers bounced back into championship contention with a well earned win over Killossanty by 1-10 to 0-9, at the Stradbally venue on Saturday evening last.

Full credit to all the lads who produced a determined effort, to secure a play-off game with Saturday's opponents.

The team was — A. Landers, T. Reynolds, J. O'Riordan, J. Shields, P. Hayes,

P. Ormonde, T. Walsh, D. Cliffe, K. Killigrew, C. Clancy, A. Ryan, A. O'Connor, P. Duggan, J. Brennan, T. Organ. Sub. — G. Collins for P. Hayes.

DIFFICULT TASK

Our senior football tie with Clashmore, which was fixed for June 27 has been brought forward to Sunday afternoon next at Ardmore (throw-in 3 p.m.)

Our young side were defeated last time out by Stradbally and have a difficult task on their hands

against our far Western rivals. There is rarely much between championship meetings of Clashmore and ourselves, so it will be vital that we produce another spirited and determined effort.

UNDERAGE NEWS

The winner of the club's U-14 hurling skills competition was Paul Veale, who amassed 28 pts, followed in 2nd place by Brendan Mansfield 24 pts and Paul Landy 3rd with 22 pts.

Paul went forward to the Feile Na Gael Skills competition on Saturday where he acquitted himself well and qualified for the county finals.

In the Western Feile Na Gael final on Tuesday week last we were defeated by Dungarvan after a thoroughly exciting game. On Monday last we again faced our 'Old Boro' rivals in the divisional championship, hopefully we will be reporting on a win next week.

All our sides are currently preparing for the forthcoming championships with much activity at minor under 16 and under 12 levels, while record numbers of young hurlers are turning out for our very popular under 10 sessions on Saturday mornings.

Best wishes are extended to one of these young hurlers, Jimmy Moore, who is currently out of action and on crutches.

Shamrocks G.A.A. Club Notes

INTERMEDIATE FOOTBALL CHAMPIONSHIP (3rd Round) Faha 0-5 Shamrocks 0-4

We suffered our first defeat at Abbeyside on Friday evening. A number of our players didn't seem to strike form on the evening and in the second half Faha were the better team.

We have three more games to play and would need to set back to winning ways again to have any hope of qualifying for the knockout stages of the championship.

JUNIOR FOOTBALL CHAMPIONSHIP (3rd Round) Brickey Rangers 2-5 Shamrocks 0-4

Played at Ardmore on Saturday evening our young players were not good enough for an experienced Brickey team.

DEISE DEVELOPMENT DRAW

The 4th draw will take place at Tallow on this Friday night and we hope to see our members paid up before then. Anyone who hasn't done so please contact Johnny Baldwin, Club Co-ordinator immediately.

G.A.A. NOTES

BY "COMMENTATOR"

Football News

On Saturday last the members of the senior county panel had an afternoon long session with Donegal's All Star and captain Martin McHugh. The Texaco Award winner was impressed with the player-potential, but felt that their level of fitness was way below what it should be for big-time football.

Martin may be paying another visit down south soon. Larry Tompkins was in action with the under 21 squad at St. Augustine's College grounds on Friday evening and a very tough three-hour session did not deter the players from turning up for a challenge game with the juniors at Bushy Park on Saturday morning. The junior team, being trained by Jim McGrath, scored a big win in the trial.

WATERFORD v. LONDON

The last occasion on which Waterford played

London in football was about five years ago when we clashed in the McGrath Cup final at Ruislip, in London. London surprisingly won the game and the cup.

It was a very enjoyable match between them at Walsh Park on Sunday and a very entertaining curtain-raiser to the championship match which followed. London had come down from Wicklow where they surprisingly beat the Wicklow team who are currently preparing for the Leinster championship.

Both fielded their strongest available sides and Waterford were in front at half time thanks to the two goals scored by Martin Power and Liam Dalton in the 8th and 28th minutes. It was 2-7 to 0-4 then. London came more into the game in the second half and added 1-5. Waterford's final tally was 2-11 to 1-9.

Scorers: Waterford — M.

Power 1-3, L. Daniels 1-0, E. O'Brien 0-3, P. Ferncombe 0-2, M. O'Brien, G. Walsh and J. Maher 0-1 each. London — R. Henneby 1-0, T. McGuire 0-3, J. Landy 0-2, E. Printer 0-2, Lar Molloy 0-2.

Waterford — T. Brennan, M. Sheehan, T. Walsh, F. O'Brien, Ml. O'Brien, G. Power, L. Dalton, G. Walsh, D. Casey, L. Daniels, E. O'Brien, Jn. Power, P. Ferncombe, Martin Power, J.

Maher. Subs on — M. Fenton, P. Hynes.

The London selection was — J. Collins, E. Marry, G. McCormack, M. Carr, G. Ferran, F. Down, P. Guinann, M. Heslin, L. Molloy, E. Printer, T. McGuire, N. Harrington, R. Hennessey, T. McBride, J. Landy, J. Costello, T. McDermot, M. McLoughlin, J. Collins.

Referee — Pat Moore, Abbeyside/Ballinacourty.

RESULTS

There were some good games in the intermediate football championship over the week-end and the results will have the effect of opening up the entire championship here in the division. The league table will make very interesting reading. As the results go at the moment, Ardmore are the only club without a win. All the others have won and lost.

An Rinn who were defeated by Shamrocks in round one, scored a good win over the Geraldines who had recently beaten Ardmore. This game was played in Bushy Park and played to a good standard.

Ballinameela who scored a good win over Faha two

weeks ago had a decisive win over luckless Ardmore in their third round match and Faha showed a return to form again following their big beating by Ballinameela. They beat Shamrocks who already have a couple of good wins to their credit.

JUNIOR FOOTBALL

There were a number of good second string matches played and some interesting results were thrown up. Ballinacourty's win over Kilrossanty will mean that the sides must meet again and in the other section there is likely to be a three-way play-off involving Brickeys, An Rinn and Affane.

Matches On T.V.

The Munster senior football semi-final, will after all be televised on Sunday next when champions, Clare meet Cork at Ennis. It has been officially announced that television rights would not be granted but in a compromise deal it was decided to put the game back to 5 p.m. and to have it televised at that time in order that there would be the least interference with other big games on the day. A total of 22,000 tickets were out on sale for the game and were snapped up immediately. Waterford got 50 tickets and these were distributed to people who had requested them.

This is the beginning of Clare's defence of their title which they won after a 75 years wait.

During last weekend it was officially announced that there will be live coverage of games right through the season in 500 close circuit venues in the U.S.A. and Canada. Also from early July games will be available to homes throughout North America on a same day, pay per view basis. Semi-finals will be screened free on sports channels in the U.S.A.

Venues in Brussels, Paris, Munich and Copenhagen will also be showing games on a weekly basis. The G.A.A. are certainly moving out in the world.

No Luck In Scor

A high standard of performance and presentation by both Bonmahon and Seana Phobal was not enough to win a victory for either of our representatives in the All-Ireland Adult Scor finals at Millstreet Stadium on Saturday night. Both clubs had tremendous support at the venue.

Scholarships

The biggest number of applicants in recent times sat for the interview for the ten scholarships applicable to the third course at Colaiste na Rinne in July/August.

At Portlaw there were 18 interviewed and at Dungarvan a total of 27 turned up. The examiners at Portlaw told me that the standard was never higher.

The examiners feel that because of the special year that is in it, the number of scholarships on offer should be increased from ten (6 boys and 4 girls). This is the centenary of Connradh na Gaeilge and because of this a special case might be made.

G.A.A. NOTES

WEEK-END GAMES

Full Resumption Of Senior Football Championships

With the senior hurling team gone from the championships at this early stage, more time will be available to play the club championships this year and as a step towards reaching an early finish, the fixtures committee have decided to bring forward round 3 of the football championship and play all games on next week-end.

The emphasis from now on will be mainly on football and with the seniors and under 21's and juniors all in Munster finals, the selectors will be keeping a close eye on what happens on the football scene during the next couple of weeks. For a number of senior football clubs, we are now approaching the situation when the results will begin to determine their future as far as progression or elimination is concerned in the present championship.

DUNGARVAN v. GAULTIER

Most people who saw Dungarvan beat Kilmacthomas at Leamybrien have sent them into the winners enclosure for their four in a row even at this early stage, but they have a long road ahead of them and some tough games to come before they get to another county final. One of these will be on Sunday next when they play Gaultier at Kill on Sunday. Gaultier considered themselves a bit unlucky to have lost by a couple of points to Kilrossanty recently and had some fine championship wins in last year's championship. They will push the champions further than Kilmac' did. Still Dungarvan should win. This game is timed for 7.30 p.m. at Kill.

RATHGORMACK v. STRADBALLY

Two of the strong contenders for Dungarvan's title, these teams are certain to serve up some spectacular football at Kilmacthomas on Sunday evening. I don't think that these clubs have clashed in senior football for at least four years, so making a comparison is not easy. Rathgormack's three games against Dungarvan gave them a very high profile on the list of top clubs, but Stradbally's record against Dungarvan is almost

Twelve Teams In Action On Interesting Programme

as imposing, they having played in two county finals and semi-finals against them. Stradbally looked quite impressive against Ballinacourty two weeks ago and perhaps looked better than did Rathgormack against Dunhill. Against St. Saviours at Portlaw, Rathgormack looked to be recovering some of their best form.

This is a very open game and by all accounts it will be a cracker. Rathgormack will be slight favourites, but that might mean very little in a match involving these teams.

NIRE v. SLIABH gCUA

A local derby that will bring out the best in both these neighbouring sides. The Nire have two points for the narrow one point win over Kilmac' and the Touraena based side have a point from a draw with Tramore but dropped two against Kilrossanty.

If the result is decided by last year's form, the Nire must be given the vote as in 1992 there was little comparison between the teams with Sliabh gCua struggling almost all the way after giving a first round fright to Stradbally.

This will produce exciting stuff and an amount of good football, but the Nire should take the points.

AFFANE v. ST. SAVIOURS

At the time of writing, I don't know how Affane fared against Stradbally on Monday night, but judging by their form against Butlerstown, I would rate them a bit behind St. Saviours who recently played a thrilling draw against Rathgormack. I have been told that St. Saviours have notions of taking the title this year and if they are speaking that confidently, they must be a bit better than they were last year. The city team are given the vote to collect the points.

BALLINACOURTY v. CLASHMORE

Clashmore have played two games and have won one, giving themselves two points while Ballinacourty have played and lost one match.

The sides have met on a number of occasions in the championship in Ardmore over the past few years, so both are reasonably well accustomed to the venue which seems to be growing in popularity over the years.

In their last two meetings at the same venue, Ballinacourty have won rather comfortably scoring 2-13 to 0-10 in '91 and 1-16 to 1-9 last year. However, Clashmore's very fine performance against Rathgormack in the first round and their deserved four points win over Butlerstown two weeks ago show that Clashmore are an improved team and here it could be third time lucky against Ballinacourty, who in their only match so far were beaten by Stradbally.

Nevertheless Ballinacourty's display for 50 of the 60 minutes was very good and had they been able to maintain the pressure on Stradbally, the result might have been different. This will probably provide one of the closest games of the senior week-end programme. It can go either way but the odds probably favour Ballinacourty achieving a hat-trick of successes against Clashmore at the venue.

KILMACTHOMAS v. DUNHILL

Kilmacthomas have lost their first two matches and will need to start winning now if they are to say in touch on the league table. They have had two of their toughest assignments over but still have a number of difficult challenges to be faced in Sliabh gCua, Gaultier and Kilrossanty.

Their easiest matches will be against Dunhill and Tramore (even though neither will be overcome without a tough fight). On

Sunday they play Dunhill who have also lost their two first round games and who will be fighting for their lives here.

Against the champions, Dungarvan, the Kilmac' squad were certainly not fully fit and were made look leg weary by a superbly fit opposition. They could be without midfielder Ned Power on Sunday as he is unlikely to have fully recovered from his shoulder injury which forced him to retire early in the game at Leamybrien.

It is a game that Kilmac' will need to treat with caution. They haven't met for three years in the senior football championship, but when they did last meet, Dunhill looked good value for their 1-7 to 0-7 victory. They are renowned battlers and are never done until the last whistle blows. Kilmacthomas should win the game as if they don't their chances of being involved at the closing stages of the championship are almost gone.

KILROSSANTY v. TRAMORE

Tramore's two goal win over Dunhill two weeks ago will have boosted their sagging morale and prove to be a motivating factor in getting them to perform well against Kilrossanty in the feature game at the Kill venue on Sunday. Kilrossanty have won their two matches to date, but their supporters feel that their victories lack decisiveness as in both cases they have, more or less, only "scraped" through. Supporters' expectations are that the Comeragh team, with a back-up from the current under 21 county champions team, would perform better. However, as long as they continue to win, their followers must be satisfied and maybe the best is still to come. They should win here.

WESTERN FIXTURES

As will be seen from the list of fixtures published elsewhere, the matches down for decision are mostly second string games and are not likely to arouse any great excitement outside the respective clubs.

Next week, I hope to be in a position to publish a master fixtures plan for the Western division.

Waterford v. Kerry At Lismore

Kerry hurlers come back to the county on tonight, Wednesday, seeking to achieve an historic double and after last Sunday's glorious triumph at Walsh Park, we can be sure that they will be here in big numbers to support their charges.

A win for the Kingdom here would give the Munster Council the unique pairings with Tipperary v. Kerry in both semi-finals at Thurles on next Sunday week.

The game was due to be played at Walsh Park as part of a double header on Sunday, but the Waterford County Board yielded to pressure from Kerry and agreed to separate the games. This was really an extraordinary decision as the County Board had previously decided not to grant this request.

However the game now goes ahead and we are less likely to have great support (certainly not nearly as many as we had in Waterford on Sunday) at the venue. Hopefully our sup-

porters won't let us down now at a time when support is so badly wanted.

The team was selected following a challenge against Erin's Own on Sunday and is composed, for the most part of players from Western clubs. All the selected players are experienced in the grades below senior ranks and are certain to give a good account of themselves, but it difficult to make a prediction about the outcome, as we know practically nothing about the strength of the Kerry team. They are permitted to play their second best team and this will mean that a number of their named substitutes for last Sunday can be played here.

A win for Waterford would brighten up our drooping spirits at the moment and we will all be hoping that this will happen.

If we win, we go on to play Tipperary at Thurles on Sunday week in the curtain-raiser to the senior semi-final.

New National League Sponsors

Saturday last marked the end of the very successful Royal Liver League sponsorship and when the 1993/94 League commences next October, the hurling and football competitions will be known as the Church and General National Leagues. This very well known insurance company has entered into a three-year sponsorship which is even more generous than any previous sponsorship. The acceptance of this will increase financial grants to all counties in the league. So far the Association has not accepted sponsorship for the All-Ireland championships, even though quite a number of internationally known firms have submitted quotations.

Ravenous Kerry Devour Waterford

The Ecstasy And Agony At Walsh Park

KERRY 4-13 WATERFORD 3-13

All the sportswriters will give it different headlines, but it will all mean the same thing. We were beaten by Kerry on Sunday and are now out of the Munster championships in three grades of hurling for another year. I don't know how the juniors will fare against Kerry at Lismore tonight, but even should we win, a victory at this level is not likely to set the world or our supporters on fire with excitement.

Having conditioned readers for a possible defeat when previewing the match last week, I suppose it would be wrong for me to describe the result as a shock or a disaster, even though it was more of a disaster than a shock. Kerry had failed to beat one of the five Munster teams in the senior championship since 1905 and so it was understandable that their achievement was given banner headlines on Monday and tremendous exposure on television on Sunday night.

No one can say that Kerry did not win deservedly or that Waterford were unlucky. No one can for a moment deny that the better team won on the day. Their tremendous hunger for victory was evident from the throw-in and apart from a ten minute period in the beginning of the second half, they exerted enormous pressure on Waterford and this tactic, allied to their greatly improved skill, won them the game.

Waterford, fielding without Johnnie Brenner, Tom Fives, Jimmy Beresford and Tony Browne were just not good enough on the day against a team who are certainly blossoming into a top-class hurling outfit. As I wrote last week, gone are the days when Kerry were in the hurling championships just to make up the numbers. Loads of very hard slogging has gone into their development over the years and the resurgence which began at juvenile level, is now beginning to pay dividends.

This year the panel took part in just 100 training sessions and had Clare down in Kerry for a weekend of hurling early in the season. When they arrived at Clonea Strand Hotel on Saturday evening last they were very confident of making this historic break-

through. What it all meant to Kerry was clearly illustrated in the ecstatic scenes which followed the final whistle and hundreds of wildly excited supporters and officials rushed on to the field to greet their players who were heroes all. At the same time the agony of the Waterford followers was plain to be seen. Some were numbed into silence while others gave expression to their disappointment.

Kerry had made no secret of their belief that if a breakthrough was to come their way, it would happen in a match against Waterford and with four of our top players not available, this was the chance that they had been waiting for, and it all worked out so very well for them on the day.

PLAY

Kerry won the toss and decided to play against the strong breeze. An early attack by the visitors was repelled and in a Waterford attack Eamon Cullinane crossed the ball to the incoming Paul Flynn and we were a goal up after just 90 seconds. A tonic start that delighted a big Waterford following in the 3,000 crowd. A minute later Tony Maunsell pointed for Kerry and we brought one back when Damien Byrne sent all the way from a 100 yards free in the 4th minute. The very accurate D. J. Leahy pointed a Kerry free a minute later and within another minute the same player had another point. Paul Flynn sent a 50 yards free wide, but Paul Prendergast scored a fine point after making a long run from outfield. Liam O'Connor sent wide, but Paul Flynn made no mistake when sending over a delightful score to leave the situation 1-3 to 0-3 in the 9th minute.

Sean Daly and Kerry's Brendan O'Sullivan exchanged points, as did Joe Walsh and Paul Flynn to leave the situation 1-5 to 0-5 in the 18th minute. Then J. P. Hickey had his first point for Kerry and in the 20th minute Paul Flynn blasted home a great goal from a free to put Waterford five points clear in the 20th minute.

Within another minute Brendan Sullivan shot Kerry's first major from a

melee and Tony Maunsell had a point to narrow the gap before Kerry went into the lead for the first time when D. J. Leahy goaled in the 24th minute. Already the alarm bells were sounding around the ground with the visitors playing into a strong breeze and leading. Crowley and Brendan O'Sullivan exchanged points and in the closing minutes of the half, Liam O'Connor sent over to leave it 2-8 to 2-7 in favour of Kerry at half time.

The signs were ominous and the tension was obvious among the home supporters in the crowd. It was not Kerry's lead so much as the standard of hurling being played by them that was worrying when the sides came back on the field for the second 35 minutes.

WATERFORD IN CONTROL

Within two minutes of the restart Liam O'Connor pointed to put us level and after a couple of Kerry wides Noellie Crowley had what can only be described as a fantastic point to give us the lead again. Another great run by Paul Prendergast saw the Lismore man send over a relieving point in the 5th minute of this half.

Waterford were motoring very well now and Sean Daly having come out for the ball, was brought down when racing through and Paul Flynn blasted home the resultant penalty to give us a clear five points lead that was increased to six when Liam O'Connor, operating in the half forward line, sent over.

At this stage one could feel the confidence creeping back. We were completely on top and the great Kerry challenge looked to be over. A point from Brendan O'Sullivan had the effect of sparking off a Kerry comeback and when Joe Walsh goaled in the 19th minute we were back on the defensive again, with Damien Byrne, Pat Walsh, Fergal Hartley and Sean Cullinane fighting courageously against the Kerry onslaught that seemed to be gathering momentum again. A relieving point by Eamon Cullinane brought our lead back to 2 points.

Waterford fought desperately for a goal and a rasper from Paul Flynn which was

brilliantly saved by Kerry goalkeeper J. P. Hickey, could have been the turning point against Waterford, even though Liam O'Connor did have the next score to put our final tally of 3-13 on the board just nine minutes from the finish.

The next four scores were all for Kerry and the most agonising of these from a Waterford point of view was in the 32nd minute when a D. J. Leahy free was deflected by Pat Tobin past Ray Sheridan for a Kerry goal that made history for the Kingdom and spelt disaster for Waterford.

During the ensuing 4 minutes and 36 seconds Waterford threw everything they knew at Kerry who managed to hold out bravely for a win that will be spoken and written about for longer than we have been about our win over their footballers at Walsh Park in 1957.

Kerry — J. P. Hickey, S. O'Shea, M. Casey, S. McIntyre, B. O'Mahony, S. Sheehan, M. MacKivergan, M. O'Shea, N. Roche, T. O'Connell, C. Walsh, B. O'Sullivan, T. Maunsell, Joe Walsh, D. J. Leahy. Subs — L. O'Connor for T. O'Connell, D. O'Sullivan for B. O'Mahony.

Waterford — R. Sheridan, S. Frampton, D. Byrne, M. O'Sullivan, Pat Walsh, S. Cullinane, F. Hartley, N. Crowley, L. O'Connor, P. Prendergast, B. Greene, B. O'Sullivan, E. Cullinane, S. Daly, P. Flynn. Subs — P. Tobin for M. Sullivan, J. Meaney for B. O'Sullivan. Referee: W. Horgan, Cork.

MAY BE COSTLY

The behaviour of a number of officials and mentors on the sideline, particularly throughout the second half, is likely to land Kerry in some trouble with the Munster Council. Waterford are not in a position to talk about breeches of match regulations, but in this case it was so bad that it cannot go without comment, even at the risk of being accused of being called "sour grapes."

CANCELLED

In anticipation of a Waterford win, Dublin had offered to travel to Walsh Park next Sunday for a challenge game at 3 p.m. This has now been cancelled and we are unlikely

to see any senior team activity until the panel get together in preparation for the National League which begins in October. We will play in Division One of the league and unless we can show a lot of improvement we will find it difficult to survive.

WHAT NOW?

It is not the end of the world or the end of hurling in Waterford by any means. It will take time to recover from the awful disappointment of the beating, but in a year or two we should be in a position to challenge the best again if our minors and under 21's of last year mature as we all expect. We do have an abundance of good talent on the way and properly handled and properly disciplined these young hopefuls can be moulded

into as good a county team as there is around.

We have certainly come through a very bad patch in recent months with beatings by Clare at Cappoquin, Dublin in Croke Park and a hammering from Cork in Thurles and now Kerry in the championship. It must all add up to something being very wrong and an examination of the position in the county is certainly warranted, but I don't believe that anything drastic should be contemplated in a hurry.

We will have to give the usual "knockers" time to let off steam and in this connection there is a very interesting story circulating about how a certain loud mouth was appropriately dealt with on the embankment at Walsh Park when we were losing on Sunday.

analysis it was the support of Fianna Fail which enabled Cllr. O'Riordan to be re-elected.

The outgoing Chairman was proposed by Labour's Billy Kyne and seconded by Cllr. Ciaran O Riain (FF) while Cllr. Walsh was proposed and seconded by his FG colleagues Cllrs. Oliver Coffey and John Carey respectively.

Cllr. O'Riordan declined to comment this week on the challenge to his chairmanship from within Fine Gael. However, he ex-

pressed his delight at the result of the vote.

"I believe the Chairmanship role has been vindicated by the outcome," he said.

Cllr. O'Riordan had been Vice-Chairman of the Committee from 1986 to 1988 when he assumed the chair and has held it ever since.

Cllr. Walsh was Vice-Chairman from 1979 to 1986 without ever being elevated to the top post. His latest unsuccessful challenge may not, however, have been his last.

"Our primary role is to help the people of the Gaeltacht to start up their own businesses and having done so to help them to develop and expand," Mr. O Cúláin said.

McHugh, Waterford County Development Officer.

He lauded the enterprise and initiative of Ben and Bridie Brittain and said the success story that is Irish Wildlife Mobiles should be an encouragement for others in the country gaeltachts to seek to go into business for themselves with Údarás na Gaeltacht there to give every practical support and assistance.

will now do so.

"My information from a most authoritative and reliable source is that the twenty-seven County Committees of Agriculture will be back in business before the end of this year," said Cllr. O Riain.

Since their abolition he has ploughed an almost lone furrow in his campaign to have the Committees restored. "I am absolutely delighted that they are now going to be," he said.

Irish Wildlife Mobiles was set up in the heart of the Co. Waterford Gaeltacht by United States born Ben Brittain and his wife Bridie, half a decade ago. With the backing of Údarás it has steadily grown and today employs four people — in addition to the Brittains.

Cllr. O Riain described the abolition of the Committees as "a step in the wrong direction" and taken at a vitally important time for Irish farmers. "In one fell swoop," he said, "democratically elected public representatives were replaced by faceless bureaucrats in Brussels and in Teagasc who were not answerable to anyone."

A total of thirteen different hand-painted timber mobiles depicting the wildlife of Ireland, are manufactured at the Old Parish plant. Each comes complete with a description of the natural history of the animals.

Pressed to reveal the source of his information that the Committees are going to be restored by the Minister, Cllr. O Riain said he could not do so "at this stage." He repeated however that Minister Smith had given a "firm commitment" that they will be restored by the end of this year.

The Brittains market their delightful range throughout Ireland in craft and gift shops, and more recently, important export markets have been secured in Great Britain, continental Europe, the United States and Japan.

A spokesperson at Teagasc Headquarters in Dungarvan said on Monday that they had not received any official communique either from the Minister or his Department about the restoration of the Committees.

Also present at the official opening were Cllr. Billy Kyne, Chairman of Waterford County Council, Cllr. Nuala Ryan, Chairwoman Dungarvan Urban District Council and Mr. Maurice
