## County Roads On Verge Of Collapse

Co. Waterford's 1,573 miles of road, currently valued at £410m., are deteriorating at a rate of 3% a year because of the insufficient investment to renew them.

That's the disclosure contained in Waterford County Council's Road Works Scheme for 1993 prepared by the County Engineer, Mr. John O'Flynn, and made public last week.

The report has brought a warning from one of the Council's longest serving members that some county roads will collapse unless emergency repair programmes are undertaken on them.

Mr. O'Flynn's report reveals that the County Council has available to it just over £9.5m. this year for expenditure on the road network — only 9% of which is funded directly by the Council itself. Of that £9.5m., however, only 25% has been earmarked for the county and regional roads, many of which are now in an extremely poor state.

Waterford's county and regional roads amount to 2.8% of the national total, but has received only 2.1% of the grants provided nationally for these roads in the current year.

The Co. Engineer, in his

detailed Road Works Scheme, has placed considerable emphasis on the ongoing deterioration of these roads and clearly pinpoints the cause — sustained underfunding from Government since 1978.

Mr. O'Flynn's report also confirms that yet again Waterford is one of a small number of counties who have been excluded from receiving a £5m. supplementary improvement grant for regional and county roads.

"This grant is now being given to counties whose roads deteriorated seriously, but it is being given at the expense of counties like

Waterford who strove to maintain a tolerable level of service in the face of continuing cutbacks. Our exclusion from this grant is disappointing," the Co. Engineer states.

Mr. O'Flynn is also highly critical of this year's grant of £86,500 for the surface dressing of regional roads. That's a reduction of 28% on the 1992 allocation and will only allow for 7.3 miles to be completed.

Put into perspective, that would entail a 28-year cycle to complete the entire network when in fact it should be completed over a seven-year cycle.

## Residents Parking Charges Too Expensive

An annual charge of £35 for a parking permit for residents of the streets presently governed by the Council's parking regulations was rejected on the grounds of it being "too expensive" at Monday night's meeting of Dungarvan Urban Council.

Cllr. Austin Hallahan said that while the £35 appeared to be a "standard" charge, he believed it is forever too much to expect people to pay for parking their cars outside their own doors. He suggested an annual charge of £10 would be much more reasonable.

Cllr. Billy Kyne said the County Manager is empowered to waive rates and water charges in certain circumstances.

## Begging Now Prevalent In Dungarvan

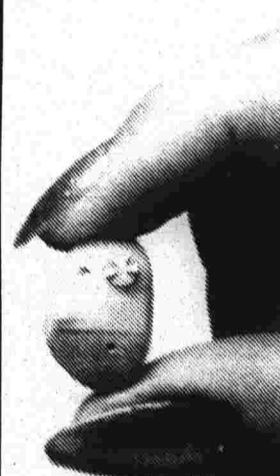

People openly begging around the town has now become a problem in Dungarvan, Cllr. Austin Hallahan told Monday night's Urban Council meeting. Asking if the UDC as a body can do anything to stop it, Cllr. Hallahan said begging has become particularly prevalent in the area of their car parks.

"These people are a nuisance to visitors who will get the wrong impression of the town," he added.

Mr. Ray Moloney, Acting Town Clerk, said they had referred the particular problem to the garda authorities previously and will do so again.

# REMEMBERING OTHER DAYS

For our "Remembering Other Days" feature this week we go back to the 1920's. The photograph, taken in 1920, shows the Abbesside hurling team of that era and includes many players who were household names in county G.A.A. circles at the time. Picture shows: back row (left to right) — P. Woulfe, W. Burke, P. O'Leary, J. Burke, S. Power, S. Hennebry, A. Halley, P. Beatty, M. Gambon; middle row — T. O'Mahoney, P. Burke, T. Power, A. ## Know Your Rights

**Question** — I would like to attend my GP during my pregnancy. Can you tell me what maternity services I will be entitled to and will I be eligible for a Maternity Grant. I don't have a Medical Card?

**Answer** — Since June 1991 all women are entitled to Maternity and Infant Care Services free of charge. An expectant mother can choose to be treated by any doctor who has an arrangement with the Health Board to provide these services. Most family doctors undertake this type of work.

Under this scheme you will be covered for 6 visits before the birth and one visit after the birth for yourself, and one visit for the baby during the first 6 weeks of life. Most Boards allow for additional visits where the GP considers them necessary.

The GP is entitled to charge non Medical Card holders for visits which are not related to the pregnancy.

It is necessary to apply to be accepted into this scheme before the visits start. The special application form MCA should be available from the GP or Health Board. When the approval comes from the Health Board the visits can start. Ideally these should commence around the 16th week of pregnancy.

The Maternity Grant of £8 which is payable by the Health Board is only paid to Medical Card holders.

In-patient and Out-patient services in public hospital in respect of motherhood are completely free and you don't have to pay the daily charges.

From the 1st July the Dept. of Social Welfare will pay a grant of £200 on the birth of twins. They presently pay a grant of £300 to £400 respectively on the birth of triplets or quads. These grants are paid automatically when the claim form for Child Benefit is sent in.

## LETTERS TO THE EDITOR

### BOSNIAN APPEAL

Dear Editor,  
I refer to Fr. Peadar O'Callaghan's letter which you carried in your letter page last week in connection with the Bosnian conflict. In fairness to the people of Counties Waterford and Cork who have been, and continue to be, extremely generous in their aid to the victims there, I feel I must reply.

I am however only speaking on behalf of the Áine Burke Bosnia Aid Appeal of which I have been privileged to be one of the Irish Organisers, but I must immediately assure people that—

(a) The aid which they have given has all got through to the areas which we are trying to help, i.e. Mostar, Ulog, Zagreb, Suuja, to name but a few; (b) has been distributed on the basis of the community there; (c) only the cost of phone, shipping and land transportation, medical supplies and food is taken from monies collected.

I have travelled at consid-

erable risk to these areas in recent weeks to ensure the safe passage and proper distribution of aid, all my air travel expenses were taken care of by people who would prefer to remain anonymous, and who have been extremely generous to me.

I am not naive enough to think that in any war situation all sides are blameless — recent wars in Vietnam, The Falklands and the Middle East will show that. But the people usually are, and it is the victims of this war we are helping, regardless of creed or nationality.

Fr. Peadar O'Callaghan has been very selective in his quotations and it would be well to remember that it was the Serbs who started this conflict as they did in Croatia and Slovenia, when these states looked for independence. They have tried to expand their own area of domination and have perfected what has now become known as "ethnic cleansing."

The black bearded, black

beret Croations Fr. Peadar refers to are a Croatian guerrilla group.

I am not, and neither do I think, are the fine groups of people in towns and villages around Waterford and Cork and other counties, who collect food, medical supplies, clothes and money for Bosnia, interested in either politics or military affairs in Bosnia Herzegovina, and do not support aggression. We are, however, interested in the hungry, dispossessed, orphans, widows and those who have been raped in the Serb concentration camps. I ask for aid in the name of God, and it is in His name it is given. It is distributed to help His people, all His people, and that is the way it will continue.

I have been petitioning the President, the Minister for Foreign Affairs and Government parties to accept more refugees in this country. Many of these will be Muslim, as are many of those who are resident in this country.

All our aid has got through to starving mouths and to the Mostar Hospital, where casualties of all denominations are treated. I wonder whether the international agencies have as good a record as this! After that I leave it to the generous people to decide.

Yours faithfully,

# Further Tributes To Late Michael C. Nagle

Many further tributes were paid to the late Michael C. Nagle, Editor/Proprietor of the Dungarvan Leader by members of Dungarvan Urban Council last Monday night.

The formal vote of sympathy to the Nagle family was proposed by Cllr. Declan Goode who said the familiar face of Michael Nagle was, sadly, missing from their meeting tonight. His death is a great loss to the town and the townspeople, he said.

Cllr. Goode said he hadn't always seen eye to eye with everything he wrote but everything he wrote was from his heart and was always fair and constructive. "He will be remembered with affection by all of us," said Cllr. Goode.

Seconding the vote of sympathy, the chairperson, Cllr. Nuala Ryan, said that through the death of Michael Nagle they had lost an excellent journalist.

Cllr. Ryan said everything about Michael's writing bore the hallmarks of a quality reporter and he was a credit to the profession of journalism.

Cllr. Ryan then proposed that their meeting be adjourned briefly as a mark of respect to him.

Cllr. Richard A. Walsh described the late Michael Nagle as a "very fair" reporter, a first class journalist and newspaperman, and a man who was forever denouncing the vandals and their vandalistic acts. "His cutting pen will be greatly missed in that respect especially", said Cllr. Walsh.

"He was fair, sometimes controversial, but his integrity was always above reproach," said Cllr. Michael O'Riordan. As the words of the well-known song go "I did it my way", and that could always be said of Michael Nagle.

Cllr. Billy Kyne said the many tributes that had been

paid to him by the various clubs and organisations reflected the high esteem in which he was held. To all the councillors he was a good friend and will be missed.

All the other members joined in the tributes to the man who had been covering meetings of the Urban Council for all of thirty four

years. On the proposal of Cllr. Declan Goode the meeting also extended sympathy to Jimmy and Mary O'Gorman Nagle, O'Connell Street, on the recent untimely death of their son Seamus.

Cllr. Goode said the deceased's father had been on the staff of the U.D.C. for

many years. Sympathy was also extended to the Presentation Convent Sisters on the death of Sr. Carthage.

Cllr. Austin Hallahan said she had given years of outstanding teaching service at the Presentation and her death is a great loss to the town and to the community at the "Pres".

Miss Christine Coleman, Caseyville, Dungarvan and Mr. Kevin Norris, Lismore, who were married recently in St. Mary's Parish Church, Dungarvan. Fr. Kiely, C.C., officiated and the reception was held in Lawlor's Hotel.

## No Justification For Telephone Charge Increases

At a time when Bord Telecom is making substantial profits there could be no justification for the proposed "significant" increase in telephone charges, Cllr. Austin Hallahan told this week's meeting of Dungarvan Urban Council.

Cllr. Hallahan was supporting a notice of motion moved by Cllr. Richard A. Walsh deploring the Govt. decision to sanction a "four

fold" increase in local telephone charges.

Cllr. Walsh said it is mainly the poor, the elderly and those living alone that will be most badly hit by the proposed increases. He believed however that if there is strong enough nationwide opposition to them, the government will not go ahead with them, just as they had abandoned plans a few years ago to

close down rural post offices.

"With Telecom making £2m. profit a year, they have the audacity to seek more for our phone calls," said Cllr. Hallahan.

Cllr. Mary Dixon urged Telecom to forget about the expensive sponsorships the company has entered into and instead keep telephone charges at a reasonable level.

# Fighting The Baddies In Your Garden

The Irish are not the only garden lovers who adore roses — the bugs do too! June is when the 'ugly bug ball' swings to fast tempo and threatens to wreck showy displays in your rose garden unless you pick off the pests before they take over.

Rolled-up leaves are one warning sign that 'the ball' might be about to start — they indicate the presence of Sawfly larvae or Tortrix Moth caterpillars and should be removed and destroyed or consigned to the dustbin.

Nibbled buds and leaves may reveal the presence of caterpillars and any you find should be picked off and disposed of, but there are other pests which are more difficult to budae:

#### CHAFER BEETLES

The cockchafer can be more than an inch long and the garden chafer about half its size but both varieties can disfigure shrubs and trees.

If left alone they will also infest your garden with grubs which feed off the roots of border plants. You will need to spray to keep control over these serious pests.

#### RED SPIDER MITE

Red spider mite can be very persistent on the underside of leaves, especially during dry weather. Warning signs are yellowing and falling leaves and this pest can seriously weaken roses. An insecticide needs to be applied regularly but will keep aphids at bay too.

#### APHIDS

Aphids not only disfigure plants and cover them in sticky honeydew but also weaken them and carry other disease. If infestation has already taken hold then surgery will give you a good start before applying insecticide.

Dewy evenings can also encourage fungal infections which need to be controlled by application of systemic fungicide.

Having brought the main pest under control you can then enhance the health of your roses by foliar feeding, working rose fertiliser into the soil above the root area, and regular watering — saturate the soil if dry weather continues.

A mulch of crushed bark or something similar will help retain moisture in the soil and keep weeds down. If you wish to cut blooms for display then make a clean cut just above an outward facing stem bud. Infected or dying flower heads must be cut away.

There are basically five rose categories: hybrid tea — known for large showy blooms, floribunda — less showy but more plentiful blooms, miniature, shrubs and ramblers/climbers.

The first two are most popular and hybrid teas can be made even showier by disbudding — gently pinching out side buds on shoots producing more than one bud. It produces spectacular single blooms but does not work for other rose types.

## Brian O'Shea T.D. On National Lottery Health Allocation

The following statement was issued by Brian O'Shea, T.D., Minister of State, Dept. of Agriculture: "I was delighted to learn that the South Eastern Health Board has received £208,000 out of National Lottery Funds for distribution to the local voluntary bodies operating in this region.

"I understand that any organisation, that believes it would qualify for an allocation from these funds,

should write, in the first instance, to the Director of Community Care for their local area, outlining its activities and need for funding. Such written submissions should be made within the next few weeks.

"It is particularly gratifying that the South Eastern Health Board received the third highest allocation in the country exceeded only by the allocations for Dublin and Cork."

## Upper Crust Treat

### VICTORIAN BEEFSTEAK PIE

THE Victorians certainly knew how to cook delicious, filling dishes like this pie.

It's the sort of pie that was lovingly prepared by all the "Mrs. Bridges" in big old kitchens we saw in TV's popular *Upstairs Downstairs* series.

Your family will love it.

#### Ingredients:

1 1/2 lb (700g) chuck steak  
1/2lb (225lb) carrots, cut into chunks  
2 onions, sliced  
1 tbs flour

1 1/2 lbs beef dripping  
1/2 pt pale ale  
1/2 tsp thyme  
1 bay leaf  
salt and black pepper  
**Suet Crust**  
8 oz (225g) self raising flour  
4 oz (110g) suet  
1/4 tsp thyme  
cold water to mix

#### Method:

Cube steak and toss in flour together with vegetables. Melt fat in a saucepan and brown meat and vegetables. Stir in pale ale, thyme, bay leaf and seasoning. Simmer gently for 2 hours, or until meat is tender. Make up suet pastry in usual way. Place meat filling in a pie dish, roll out pastry to cover. Garnish with leaves cut from pastry trimmings, and glaze with egg or milk. Make a hole for steam to escape and bake at 425° F, 220° C or gas mark 7, for 30 minutes. Serve with creamed potatoes — *Serves 6*.

#### STOP 21 OF THE TOWN TRAIL

## Walton Causeway Park And Moresby Buoy

On the left as we come over the bridge is the new "Walton Park" named after

Professor E.T.S. Walton who was born in Abbeyside and was awarded the Nobel Prize for Physics in 1951. Here one can relax and enjoy the view of the harbour. In the green area at the end of the Causeway is an unusual looking object, this is known as the 'Moresby Buoy' which was restored and placed here as a memorial to commemorate the ship 'Moresby' wrecked in the harbour in 1895. This buoy was used to mark the site of the wreck, which was a danger to ships entering the harbour.

Turn right just beyond the buoy and this will bring you over to Shell Cottage and

the Augustinian Abbey. This part of the town is known as Abbeyside (Dún na Mainistreach — Fort of the Monastery). The fort refers to McGrath's Castle. Before the bridge was built, the river was fordable at low tide and there was also a ferry at 'Cúl a tSailín' opposite the castle.

### THE PUT DOWN

Your manuscript is both good and original; but the part that is good is not original, and the part that is original is not good.

### A FUNNY STORY

The Boston tourist was furious at the delay in serving his meal, unaware of the Irish motto that when God made time he made plenty of it. He insisted on making a complaint.

'Was your waiter grey-haired?' asked the manager.

'Not', said the Bostonian with venom, 'when he took my order.'

## Abbeyside Girl Guide Notes

### GUIDE MEETING

We had hoped to have our outdoor activities last Thursday, but due to the atrocious weather, an indoor programme has to be implemented instead. A few rounds of Blockbuster Quiz questions kept our teams "The 125's" and "Riorgan" thinking, as they battled it out for the very desirable and expensive prize! A wide variety of topics were covered by the questions including an interesting one on Scout rallies. In the end the "125's" made it by just one point but being Guides, they shared their prize with the losers. The big question still remains — "who would get your last Rolo?"

We had very few Guides at last week's meeting due to school tours and exams, but we hope that everyone will be in attendance next week as we intend to plan new activities for the coming weeks. The Guides will be taking summer holidays during the month of August following annual camp.

### ANNUAL CAMP

Please pay balance of fees now. Parents consent forms will be available soon.

### LADYBIRD DAY

Abbeyside Ladybirds are all set to go! They're off on their day trip next Sunday, so we'll let you know how they go on in our notes next week.

# Camogie Blitz In Abbeyside

Saturday last was a beautiful sunny day and the well laid out Abbeyside/Ballinacourty Grounds was the perfect venue for the camogie blitz run by the West Waterford Primary Schools Board and their coach Peter Power. The teams taking part were Lismore, Garranbane, Ring, Abbeyside, Ballinameela, Scoil Garbhán and Glenbeg.

The teams were divided into two groups and the series of games commenced with the co-operation of team mentors Anne Marie Gorman, Don

Shiel, Marcella Walsh, Mary Murphy, Maureen Morrissey, Breda Cleary and Sylvia Ní Mhurchú. The referees Jonathan Moore, Peter Power and Seamus Fitzgerald kept the proceedings going and as the games progressed one could see the standard improving. Lismore and Ballinameela emerged victorious in their sections with Ballinameela scoring a comprehensive win in the final. Peter Power, the schools hurling coach presented the cup and medals to the winners and runners up.

## ABBEYSIDE SCOUT NOTES

### TROOP MEETING

Saturday's meeting was full uniform and culinary skills from each patrol were very much in evidence as all patrols set about some backwoods cooking. S.P.L.'s Conor and Michael set up altar fires in the field and for those who do not know what backwoods cooking is, it involves cooking some food without the use of utensils of any kind. John Phelan's Panther Patrol showed the best initiative by improvising a frying pan and indeed the rest of the patrols quickly latched on to this idea! By the end of the exercise every scout had sausages to

eat, mind you some were burnt, some were half cooked, some were well smoked, but mostly they were nice, just ask David Shepherd or Steven "Mackie." For the last few minutes of the meeting a game of soccer was played with a prize of one of our new t-shirts going to the highest goal scorer who proved to be none other than that dynamic goal scoring machine, Colin O'Connor.

At the C.O.H. held on Sunday morning upcoming events such as our flag day, the regional scout competition and, of course, annual camp '93 were discussed and we say thanks to scout Tomas Kiely for his help in producing the parental permission to camp forms, also thanks to our very own "staff" photographer who has been busy working on our camp booklet.

All scouts are reminded that this week's meeting will be a multi one and weather and tidal conditions

being favourable, hopefully we will get in a spot of canoeing.

### GENERAL

Our Log Book No. 10 is now up to date and is all set to travel to Chalfont Heights for annual camp where the 63rd camp of the 4th Waterford will be recorded. We thank all who lent a hand to up date the Log and the G.A.S. Camp writing of our Guide Leader makes interesting reading. We hear she is getting very fond of the pen!

This weekend we welcome Joe Nugent and the Clonmel Cubs on their second trip to Glenshelane. We hope they get some of our recent G.A.S. Camp weather when the sun shone for us.

Finally we end by saying we hope our S.L. gets lessons next week on bugle calls from a bugler from Roscrea who is paying us a visit for a week. We look forward to no "Banshee wailings" at Chalfont '93. — Scribe.

### ON HOLIDAYS

On holidays from America at his home in New Line Abbeyside is Vincent Walsh, his wife Lisa and children Elena, Orion and Corey. They toured the West of Ireland, The Burren, The Cliffs of Moher, Ailewee Caves and also took in Blarney and Dublin.

We hope they have a very enjoyable stay in Abbeyside.

FATHER AND SON 1985 — No it's not a mistake — back in 1985 no girl cubs existed in the Deise Region, so the heading is correct. Now however on the tenth anniversary of this camp to be held on the 2nd, 3rd and 4th July in Melleray Scout Centre, the heading apart from fun and friendship is most definitely the "Tenth Annual Father And Cub Camp." See you there!

## TRANSFER OF POPULAR CURATE

News has reached the Nire Valley during the past week of the transfer in the near future of Very Rev. Fr. Robert Power, C.C., Nire/Touraneena to a Waterford City Parish. Fr. Power came to the parish in July '92 and while there made many friends. We wish him well in his new appointment. Also on the move is Very Rev. Fr. Charlie Scanlon, C.C. S.S. Peter and Paul's, Clonmel. He is taking up a new post as Director of Family Services. Fr. Scanlon has been in Clonmel for the past 11 years and is a native of Tourin, Cappoquin. And on the move from Cappoquin is Very Rev. Fr. Francis Lloyd, C.C., who has been curate there since April '89. Fr. Lloyd is popular Secretary of the Nire Valley Gun Club.

## LATE MRS. KATHLEEN FENNESSY

It is with deep regret we record the death which occurred at her residence Bank Place, Clonmel on Monday, June 14 of Mrs. Kathleen Fennessy (Nee Gough).

Deceased, a member of a well known and most respected family the Gough's of Kilmacomma, was sister of Mr. John Gough, Vicarstown, Modeligo. A very estimable lady of many charming traits of character, her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all fortunate enough to make her acquaintance and her sad demise has evoked feelings of sincere regret among her family, her neighbours and her many friends. Testifying to the esteem in which the deceased and her family are held over a wide area, a huge and representative cortege of mourners accompanied her remains on Tuesday evening when they were removed from O'Donoghue's Funeral Home, Clonmel to S.S. Peter and Paul's Parish Church, Clonmel. On Wednesday mornings Requiem Mass was offered for the repose of her gentle soul. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel, where she was laid to rest in the family plot beside her husband John, who predeceased her by just six months, in the presence of another large concourse of mourners paying their final respects to a dear Christian friend. To her family, her brother and sisters we tender our sympathy. Go ndeana Dia trocaire ar a hanam dilis.

## NIRE LADY ATTENDS MAYORAL RECEPTION

To commemorate European Year of the Elderly the Mayor of Clonmel, Cllr. Dominick O'Hara held a reception for the elderly in the Town Hall last week. Groups from Marian Court, The Irishtown Day Care Centre and Meals on Wheels were at the Mayoral reception and those there were all over 85 years of age. One lady from the Nire Valley who attended was Mrs. Annie Brazil, Glenanore. The Mayor paid tribute to them saying "we, the younger generation, owe so much, it was your work for our country that, despite our present economic difficulties, has ensured we live in one of the best countries in the world." He also remarked that when he was growing up he was always instructed to show respect to the elderly and said "I believe that elderly people are entitled to this consideration not just because they are older people, but because they have accumulated such wealth of experience that we should consider their opinions seriously." Two of the Mayor's children were present as the Mayor believed that it was time to strengthen communications between the young and the old.

The Mayor added that if the senior citizens who were present could get through the 1916 Rising and The War of Independence then there was hope for this country. The Mayor concluded by presenting those present with a plaque to commemorate the year of the elderly.

## PRETTY WEDDING AT NEWCASTLE

The beautiful Parish Church of St. Mary's, Newcastle was the scene of a very pretty wedding on Saturday, June 12 when Kieran, son of Mr. and Mrs. Patrick Burke, Clonmel Road, Cahir, was united in matrimony to Susan, daughter of Mrs. Margaret and the late Mr. James Clancy, Crohan, Newcastle.

The Marriage Ceremony with Nuptial Mass and Papal Blessing was solemnised by Very Rev. Fr. Edmund Tobin P.P., Fourmilewater/Newcastle assisted by Very Rev. Fr. Patrick Barry, C.C., Cahir. The bride was attended by her sisters Catherine O'Dwyer and Helen Ryan as matrons of honour. The bestman was Michael Burke, brother of the groom, while the groomsman was John Reidy, friend of the groom. The pageboys were

Masters James Ryan and James O'Dwyer, nephews of the bride and the flower-girl was Emily Jane Long, cousin of the bride.

After the church ceremony the entire party motored to the Park Hotel, Dungarvan, where the wedding reception took place and where a most enjoyable and musical time was spent for several hours. After Rev. Fr. Tobin P.P. had blessed the cake the toast of the bride and bridegroom was appropriately honoured and felicitous speeches given by many of the guests present. Later in the evening the happy couple left on their honeymoon which is being spent in Florida. As they left they were given a most congratulatory and enthusiastic send-off accompanied by the best wishes of all for a life of unclouded happiness in the years to come.

## UNITED FARMERS ASSOCIATION

United Farmers Association welcomes that part of E.R.S.I. report which recommends that headage payments should be paid on a family income basis rather than on acreage and livestock numbers basis. This concept is in line with U.F.A. policy of tiered price and subsidy payment in order to maintain maximum numbers on the land. It is most inequitable and immoral that very large operators within the agricultural arena can acquire land and quota at will, while small farmers at the other end of the scale are being forced out daily because of lack of income. It is unconstitutional that the means of making a living from the land should be up for grabs in this fashion. U.F.A. calls on our government to implement the E.S.R.I. recommendations with regard to family farm incomes for the weaker section of agriculture and also to extend the concept to price support. The vast majority of milk suppliers are in the small to medium category and need a tiered price system if they are to continue in farming.

## Farmers Remain Sceptical On Beef Premium Centralisation — IFA

Waterford IFA Livestock Committee Chairman, Maurice Donovan has warned farmers that despite major IFA reservations, the Department was determined to proceed with centralisation of the Male Beef Premium Scheme. Mr. Donovan said: "Farmers are understandably sceptical about the Department's attempts to overhaul the Beef Premium Scheme, considering the unsatisfactory record of long payment delays in the past. Only speedier delivery of payments will change farmers' minds in this regard."

Mr. Donovan said that in response to IFA objections to the retention by the Department in Dublin by BTE cards, the Department had "agreed to facilitate farmers who need cards quickly for testing by returning the cards to farmers following a request by telephone."

The IFA man said that the Department had also agreed that there was no need for BTE cards to be held for the full 60 day retention period. "The Department has given IFA a guarantee that cards will in fact be returned to farmers within one month following receipt of applications by the Department in Dublin."

"The Department has confirmed to IFA that all local Livestock Offices will be computerised and linked to the central computer by the end of this year." Mr. Donovan said this was "a critical step in speeding up payments and enabling local offices to resolve query cases on the spot."

## Occupiers' Liability: Farmers Take Care

Mr. Tom O'Dwyer, President of the ICMSA, welcomed the thrust of the Consultation Paper on Occupiers' Liability published by the Law Reform Commission.

However, Mr. O'Dwyer advised farmers not to be misled. He said that this Consultation Paper in itself

changes nothing and we are a long way from a change in legislation.

"While there may be those who advocate no change in the law, farmers should not be misled by those whose sole objective is to gain entry to their lands under the protection of the current state of legislation.

## IFA Call On Minister To Send Submissions To Brussels Immediately

Following a Protest Meeting in the Green Isle Hotel, Dublin last week attended by IFA on the Disadvantaged Areas Extension, Waterford IFA Rural Development Committee Chairman, Anthony Ryan has called on the Minister for Agriculture, Joe Walsh, to immediately send Ireland's submission for a major extension of the Disadvantaged Areas to Brussels so that the aid benefits would apply to farmers in 1993. He also called on Minister Walsh to disclose of the results of the town-

lands under appeal which were surveyed to the applicant groups immediately.

According to Mr. Ryan many farmers were frustrated and deeply concerned that 2 years had elapsed since they first appealed for inclusion in the E.C.'s Disadvantaged Areas. While the Appeal Panel has analysed the areas very thoroughly, Mr. Gillis said there was an urgency now to ensure that the Irish Government submission was made to Brussels without further delay.

Mr. Ryan stressed the im-

portance of the extension, pointing out that up to 10,000 farm families on low incomes on poor land desperately needed to get into the Disadvantaged Areas, as the aid and benefits involved would help ensure their survival in farming. Farmers in Disadvantaged Areas receive assistance through headage payments on livestock, increased Ewe Premium and higher farm development aid. The average payment through the headage mechanism works out at £950.00 per farm family.

## IFA Leader Welcomes Law Reform Body's Report On Occupiers Liability Law

Following a preliminary examination of the Law Reform Commission's 150 page report on the Occupiers Liability law, IFA Deputy President, Tom Parlon welcomed its acknowledgment of the widespread problems the farming community face and the urgent need for reform of this outmoded law. However, the IFA leader expressed serious reservations about some of the main recommendations of the Commission's report which proposes that all entrants onto land should be classified into two categories, namely visitors and trespassers, and that a special duty care must be owed by Occupiers towards children.

He said: "Farmers and other landowners may now be faced with the dilemma of refusing entry to persons they formerly welcomed in order to reclassify them as

trespassers, thereby reducing their legal liabilities where a lesser duty of care is owed by the farmer."

In addition, the Law Reform Commission's report proposes that children, who have been at the cutting edge of the law in this area, should be provided with a special duty of care by landowners. The IFA Deputy President expressed concern, however, that farmers would unreasonably be expected to act as "guardian angels" for children entering their lands without either their permission or parental control. He said: "Parents must have the ultimate responsibility for the supervision and safety of their own children. Why should farmers and landowners be forced to accept this role when it is clearly a matter for parents?"

# RECENT DEATHS

## Late Kathleen Kelleher

Widespread and deep regret was expressed at the announcement of the death of Kathleen (Cissie) Kelleher, late of Glen Lower, Modeligo, Cappagh, who died on Wednesday, June 16, at St. Joseph's Hospital, Dungarvan, after a duration of failing health.

The deceased was a member of a very well-known and popular Cappagh family. Kathleen was Post Mistress at Cappagh Post Office for many years prior to her retirement where she gave wonderful service. She was a charming lady, always ready to help those who required her assistance at the office and telephone exchange prior to the automatic system coming into existence.

To her sorrowing sister Mrs. Mary McCarthy, her nephews, nieces, relatives and her large circle of friends we tender our deepest condolences.

Her remains were removed on Thursday evening to Ballinameela Church after the Rosary and prayers of requiem were recited by Fr. J. Kiely, C.C. and on arrival were blessed and received by Fr. Kiely, assisted by Fr. M. O'Byrne, C.C.

Requiem Mass was offered on Friday morning for the happy and eternal repose of her soul. The celebrant was Fr. Kiely and also present were Fr. O'Byrne, Very Rev. M. Barron, P.P., Modeligo and Fr. J. Purcell, Modeligo.

## Mr. Hugh O'Keefe

It is with deep and sincere regret we record the death of Mr. Hugh O'Keefe, Knockgarron, Modeligo, Cappagh, which occurred on Saturday, June 19 at the District Hospital, Dungarvan, after a very short term of hospitalisation but at the full span of life.

Hugh had spent the greater part of his life in the USA, but he always made regular visits back home to Knockgarron. He was a man who helped his country during the War of Independence. He was a true Irishman in all his outlooks and took a keen interest in Irish culture, Irish dancing and Irish music.

While in New York he was deeply involved in the Waterford Association and during the burial of the late John F. Kennedy, President of the United States, Hugh was the chosen member of the Waterford Association to place its wreath on the President's grave at Arlington Cemetery. Another one of his great interests was that of Irish Bloodstock and his keen judgment was widely sought.

To his sorrowing sister Ann McGovern, nephews and nieces, cousins, relatives and friends we tender our deepest and most sincere sympathy.

His remains were removed on Sunday evening to Modeligo church with his coffin draped in the tri-colour and followed by a very large and representative cortege and on arrival were blessed and received by Very Rev. M. Barron, P.P., assisted by Rev. J. Purcell, C.C. and Very Rev. N. McCarthy.

## Mr. James (Jimmy) Manahan

We regret to record the death of Mr. James (Jimmy) Manahan, Ballinagoul, Ring, which occurred on Sunday, June 13 at Dungarvan Hospital.

## G.A.A. NEWS

**Br. Dormer Transferred To Doon** — At the end of this week Lismore C.B.S. Primary School will close its doors for the summer holidays. This year it will also close the door on this clubs association with School Principal, Br. J. L. Dormer. Br. Dormer's arrival in the early '80's maintained the strong contribution the Christian Brothers have made to education in the Lismore area down through the years. Indeed Br. Dormer's dedication to the pupils and staff of the C.B.S. was there for all to see. It would be fair to say that his commitment to the G.A.A. and hurling in particular has now become almost legendary.

Success came quickly — in '81 Lismore/Ballysaggart represented Waterford in Féile and continued to make a huge impact in this competition capturing the National title in Offaly in '88 and losing out by the odd point or goal difference on many other heartbreaking occasions. During his stay Lismore/Ballysaggart became the most successful juvenile club in the county and indeed a match for anything the "stronger" counties could produce. When you consider the relatively small pool of players available it is a truly incredible achievement.

The U-12 championships was won 10 years in a row and the Primary Schools Trophy seemed to have a permanent home in Lismore C.B.S. 1990 was a historic year even by the high standards Br. Dormer set, with every underage hurling county title from U-12 to U-21 being captured. Nor indeed was football forgotten. For example, in 1985 Lismore/Ballysaggart annexed the county 'A' U-14 football title and had the unique distinction of representing Waterford on both Féile na nGael and Peil na nÓg.

Always a "Dub", Br. Dormer won many friends and admirers with his straight and fair dealing and without doubt ní bheidh a leitheid ann arís. We in Ballysaggart G.A.A. were fortunate to reap the rewards of the work he and his loyal band of workers did. We wish him well in Doon and say a warm welcome to his successor. Go mo fada bún thú, Brother, is go néirf go maith leat.

## ABBEYSIDE BUT ONLY JUST

At Cappelquin on Sunday evening last our intermediate hurlers faced Abbeyside in what was for us a make or break game. At half time, if it were a boxing match the fight would have been stopped, aided by the breeze we trailed by 3-7 to 0-2 and a record defeat looked on

the cards.

At half time, apart from trying to gauge the final scores, our supporters were no doubt trying to figure out why an excellent goal from a quickly taken free had been disallowed though few would have thought it would have made a difference at the end.

How wrong we were! Ballysaggart were a totally transformed team after the interval. We were now dominant in all areas, taking the game to Abbeyside, sharper, more hungry, fighting for every ball. In fact everything Abbeyside had been in the first half. Excitement mounted as the huge lead was whittled away, alas the final whistle came too soon and we went under by just 4 points. Another case of what might have been if only. Still a magnificent last 30 minutes will be remembered and will be very important to the team in the future.

# Cappoquin Notes OVERGROWN HEDGES

On reading the reports of the most recent meeting of Waterford Co. Council we note that our two local councillors have been trying to have hedges cut on country roads and have been told that there are no funds available for such work. The observations made by the local representatives only reflects the anger felt by the people who live on or near these roads or by people who have to use them on a daily basis.

Many of the roads in question are narrow and at the best of times difficult to negotiate. The summer growth makes them much more so. The view of bends which

would be available in winter is shut off thus creating added traffic hazards. Added to this is the growth of grass and weeds which considerably reduces the width of the carway. There most surely be an onus on the powers that be to maintain all the surface area at its original measurements. Paradoxically some years ago when there was little or no motorised traffic on them these roads were properly and constantly looked after. At that time County Councillors didn't have to concern themselves with such matters as the work was done as a matter of course.

It goes without saying that our county roads have to be maintained not only immediately but in the long term as well. The people of rural Waterford are entitled to and deserve this service. Financial constraints are hardly a valid argument where road safety is concerned.

# AFFANE/ CAPPOQUIN G.A.A NEWS

## INTERMEDIATE HURLERS DRAW

### Cappoquin 2-5 St. Marys 1-8

It was a chapter of incidents at Lismore last Saturday evening beginning with our team reduced to 14 men early in the first half. Shortly afterwards Brian Murray sustained a nasty hand injury and had to be replaced and topping that we lost mid fielder Martin Power at half-time. But such was the determination and passion of the players selected we were four points ahead at half-time. On the resumption our young side still took the game to our more fancied opponents but we missed four scorable frees early in the second half. Had we converted those St. Marys would have had a mountain to climb. But they took heart from our missed chances and laid siege on our goalmouth but our defence was magnificent. A controversial goal brought them back in the game as their corner forward seemed to foul the ball.

All St. Marys remaining scores came from placed balls while our sporadic raids proved fruitless but going into the last few minutes Sham McCarthy blasted the sliothar into the Mary's net to equalise. From the resulting puck-out Liam Costin won possession and his shot dropped agonisingly short into the keepers hand. The final whistle blew seconds after to end a pulsating game.

We in the club can be proud of our players who played their hearts out against all adversity. It was a real team effort but Gossie Mason, Pakie Manahan, Pat Cullen, Liam Costin, Sham, Anthony and Mick McCarthy, John Buckley and youngsters Frank McLoughlin and Micéal Croke were outstanding. Donagh Cummins despite injury was a thorn in St. Marys side all through. Pat Casey's first half save will long be remembered. Brian, Shane and Motch were on top of their game until their enforced retirements. Michael Buckley ran himself into the ground when introduced, also Jimmy McGrath was not found wanting when he came on.

Team — P. Casey, J. Mason, M. Croke, S. Fraher, P. Cullen, B. Murray,

P. Manahan, J. Buckley, M. Power, A. McCarthy, S. McCarthy, D. Cummins, F. McLoughlin, M. McCarthy, L. Costin. Subs. — M. Buckley and J. McGrath.

## JUNIOR HURLING CHAMPIONSHIP

We must compliment our junior hurlers who completed their section with matches against Tallow and Lismore. This team never could field a settled side with entirely different lineouts in every game through different circumstances. However, they gave of their best and were well in both remaining matches until half-time but lack of training and injuries to players saw them run out of steam in the second moiety.

One man must take great credit for organising the juniors this year and that is Eamonn O'Shea and we salute his efforts.

## JUNIOR FOOTBALL CHAMPIONSHIP

Our junior footballers are involved in a three-way play off in their section which is a good boost for the lads but unfortunately some have been promoted to the senior side due to our injury crisis. Eamonn will be working overtime to get a squad together - so come on lads give him every co-operation. We have not got any dates of yet of these fixtures.

## ON CO. JUNIOR HURLING SELECTION

We wish Donagh Cummins and Martin Power all the best with Waterford Junior Hurling team who play Tipperary in Cappoquin next Sunday evening in the Munster semi final replay. There should be a huge crowd present.

## INJURED

We wish a speedy recovery to Brian Murray and Pakie Manahan who were injured last Saturday evening in the Intermediate Hurling Championship also to Eddie McGrath who was injured in the recent Junior Hurling Championship.

## CAPPOQUIN TROUT ANGLERS CLUB NEWS

After our meeting at Walsh's Hotel we have decided to run an open fishing competition (Trout), on the River Finnisk. This will take place on Sunday next 27th June.

Entries will be taken at the Welcome Inn car-park from 12.30 p.m. (start 1 p.m.). We have special prizes for our young anglers.

So get those wellies on, those reels ready and come along for a day of great fun.

## AT THE SPORTSFIELD

There was a good crowd present on Saturday evening for the eagerly awaited meeting of Lismore and Tallow in the senior hurling championship.

Following a defeat by Mt. Sion the previous week it was anticipated that Tallow would do much better in this local derby. While they started well it has to be said that they were never in the game with any kind of chance. The Black and Amber boys were far sharper and with full forward Sean Daly in top form especially in the first half they made scoring look easy. His goal during the period was certainly out of the top drawer.

The first half too will be remembered for a few nasty incidents. A player from each side was booked - both could be considered lucky to be allowed to continue. On the stroke of half time two players were sent off as a result of what looked to be a less serious incident.

Even though facing the wind Lismore retained their control in the second half. Centre half back Seamus Prendergast gave a vintage performance as did Crowley on the wing. The other two Prendergast brothers Barney and Paul also finished the hour very well and with Daly always a threat they ran out easy winners.

Even though beaten on Saturday evening Tallow should still qualify for the knockout stages. Lismore's remaining matches look more difficult but they also should make it but with all clubs still there with a chance it's really too close to call. Referee Pat Moore (Abbeyside-Ballinacourty)

## CAPPOQUIN SNOOKER CLUB NOTES

I, as a member of the present committee would like to express the combined views of myself and my compatriots in our club.

As most of you will agree the present condition of the C.Y.M.S. Hall is most unsatisfactory. The cost of heating and maintaining the snooker hall is enormous, as you can appreciate.

A number of weeks ago, a newly formed hall committee got to work on the C.Y.M.S. hall predicament, and, so a number of steps were taken. A town circular was sent out, which to read between the lines

asked if you the general public, would 1. reconstruct the existing hall or 2. construct a completely new hall on a green field site. Well most of these forms have been returned now and the general feeling is to reconstruct the existing C.Y.M.S. hall. This, of course, will have to prove economically feasible. If this is to be the final decision I would urge and appeal to you the general public, to support the refurbishment of the C.Y.M.S. hall.

On behalf of the snooker section of the C.Y.M.S. hall,

I would ask the following questions: Would it not be a shame if two of the finest snooker tables in the country were to be left unplayed and not maintained, snooker tables which I might add date back to the early 1920's.

To you the parents would you rather see your children spend countless hours of walking the streets and complaining of non-activity in the town or would you rather see them get involved in the snooker club if interest attracts them?

To you the former members of our club who made

the club an enormous success over the past years since the clubs commencement. Would you rather see the hall close and never to re-open? I would say not.

To you the general public who so kindly contributed all those years ago to purchase the tables. Would you rather see these magnificent tables go to waste, I would say not.

Our total membership of the club this season was over forty members most of whom are school go'ers. Is the town going to deprive these interested lads of a harmless game of snooker.

### INFLUX OF VISITORS

Last weekend saw the town en fete for the Festival of Early Music.

From the moment Mike Murphy of R.T.E. declared the Festival open on Friday evening to the close on Sunday night with the final concert at Lismore Cathedral, the town was a hub of excitement with visitors thronging the streets especially on the Sunday with cars bumper to bumper on the approach roads to the town.

For once the weather was favourable for the weekend and all events were well attended with many of the concerts sold out.

A report of the weekend will appear elsewhere, but we would like to congratulate all concerned on organising a wonderful weekend for the town.

### SENIOR HURLERS WIN DERBY

In Cappoquin on Saturday evening last Lismore senior hurlers had a comfortable win over near neighbours Tallow of the score of 1-13 to 1-4. The report of this game is covered elsewhere. Lismore deserved to win and the winning margin should

have been greater if all chances were converted into scores.

Lismore showed heart, determination and commitment with every player giving 100% in a game in which Lismore were always on top. The standard of hurling unfortunately was not of a high quality befitting senior teams, or teams at this level.

Man of the match definitely had to be Brendan Crowley whose performance over the 60 minutes was faultless, and he, along with Seamus Prendergast and Mark O'Sullivan formed a match winning half back line that kept a supply of ball to the forwards. On this display Lismore should feel confident of advancing to the knock out stages.

### WALSH CUP FINAL

The Eamonn Walsh Cup Final between Lismore and Ballysaggart will take place on Friday 2nd July at Lismore G.A.A. grounds at 7.45 p.m.

Organised by Lismore C.B.S. Past Pupils Union proceeds are towards the Lismore Primary School fund.

### LISMORE CRICKET CLUB NOTES

Lismore Cricket Club began their season with a fine win over Clonmel C.C. at The Castle Farm Grounds on Sunday last. Put into bat first Clonmel were all out for 66 runs. From the start Lismore's bowling was on top, with only a 1st wicket partnership of 28 between Philip Butler and Errol Flynn (guesting for Clonmel) reaching double figures. Bowling honours were shared by Eric Flynn and Ryan Flynn together with newcomers Paddy Byrne, Scott Buckley and Daniel King.

In reply Lismore reached Clonmel's total with the loss of five wickets. Here, there were some fine contributions by Winston Boyle (10), Paddy Byrne (14) and Michael Hickey (14).

Team — W. Boyle, G. Kennedy, D. King, P. Byrne, M. Hickey, E. Tobin, D. Campion, S. Buckley, E. Flynn, D. Edwards, T. Kennedy, R. Flynn.

It was indeed heartening to see so many regulars taking part and a special welcome to our new players.

### DIED IN LONDON

The death occurred recently in London after a very brief illness of Mr. Christopher Pollock.

A native of Lismore his sudden passing has come as a shock to his family. To his brothers and sisters, his relations in Lismore and many friends we extend our deepest sympathy.

### SYMPATHY

Sympathy is extended to Mrs. Eileen O'Gorman, Carrignagour, Lismore, on the death of her brother Rev. Bro. Martin Quirke which sad event occurred last week in Dublin.

### LISMORE DRAMATIC SOCIETY

Lismore has seldom, if ever, seen such crowds as last Sunday afternoon. The high point of the Early Music Festival was the Medieval Wedding Ceremony. It took place after a procession from the Castle Courtyard. The crowds lining the route had to be seen to be believed. It was a great pleasure for us to be involved with the Festival and members undertook a lot of work making costumes etc. to have everything as historically accurate as possible. The pageant was extremely colourful and both the participants and the onlookers enjoyed the show.

Much interest was shown by the onlookers as to the identity of the many monks. It was felt that some of them would have difficulty in getting inside the gates of Mount Melleray, let alone joining the monastery.

Great credit is due particularly to Una Walsh and Joan Bolger for all their hard work, they had travelled to Cork, Waterford, Dublin and Limerick in order to get authentic costumes. Many others helped — Babe, Mamie, Ena, Julie among them and the fruits of their labours was evident to all on Sunday. Pat the peasant even brought along his tea in the shape of two rabbits.

## LISMORE PRIMARY SCHOOL CAMOGIE

Our A team put up a great performance in the West Waterford Primary Schools A competition last Wednesday. Although it took a while to get used to playing only 7-a-side the girls soon got going, and gave a tremendous performance. In our group we first beat Touraneena and then Tallow, the title holders from last year. This game was the real test as they had beaten us in the semi-final last year. We scored first, just before half-time and really settled in the second half to win well. The final saw us against the winners of the other group, Ballymacarbry. Continuing their confident play of the previous games, we were always the stronger team and emerged victorious. Well played to all.

Panel — Déirdre Bennett, Karen Begley, Sinéad Bennett, Maria Celisse, Katie Dunne, Paula Dunne, Marie Flynn, Emma Khan, Laura Roche, Marian Whelan.

The B team had their outing on Saturday in the B side of the same competition. Having come through our group games with great determination and spirit, the girls would have given anything to bring back a second cup to the school for camogie in the space of four days. Unfortunately, however, a much stronger Ballinameela team outplayed our girls and it was not to be. Yet how many schools could say they were the finalists in one competition and the winners of the other. So again well done everybody.

Panel — Jean Barry, Linda Buckley, Emma Flynn, Olivia Flynn, Susan Hannon, Aileen Kiely, Claire Linnen, Sharon Mangan, Valerie McBride, Cathriona Walsh.

# Extension Of Town Sewerage Scheme

Dungarvan Urban Council is to forward a detailed submission to the Dept. of the Environment for an extension of the town sewerage scheme to the Kilrush, Pinewood and Burgery areas. Proposing that the submission be prepared and pre-

sented to the Dept., Cllr. Billy Kyne said that to maintain the advancement of the town they must resurrect the case for an extension of the sewerage scheme to all three areas. He said that some people in the Kilrush area are hav-

ing real difficulties with the septic tanks, and the Council will have to make an extension of the scheme a priority. The Chairwoman, Cllr. Nuala Ryan seconded the proposal, which was supported unanimously.

The thirty pilgrims will also visit many of the holy wells and historical places. They will traverse some of the ancient highways of the Saints — St. Declan's Way, Bohar Na Naomh, St. Carthage's Way and Riain Bo Pádraig.

In the ancient Christian tradition, the parish and people of Ardmore will provide hospitality and refreshments. This will be repeated in the other resting places over the week. The local people will join the pilgrims in prayer and in celebrating the history and culture of the area.

On the Sunday, at Ardmore, Bishop Michael Russell will celebrate the 11

a.m. Mass at St. Declan's Church. The pilgrims and people will then visit Ardmore Cathedral and Round Tower, An Beannachan (St. Declan's Oratory and burial place) and, at Dysert, St. Declan's Well (the site of his first monastery).

Monsignor William Lee will join the pilgrims for Liturgy at Kilcash.

On Friday to Carrick-on-Suir (via Ahenny of the High Crosses). On the Saturday the pilgrims will walk to Waterford (via Mothel and Portlaw). There will be a prayer service at Christ Church Cathedral and, at 7.30 p.m., there will be a Youth Mass.

## TALLOW G.A.A. NOTES

### EMPHATIC DUNGARVAN WIN

Dungarvan Under 14 hurlers left no doubt about their right to the Western title in this grade when defeating Tallow at Cappoquin in the final on Monday last. Dungarvan, holders of the Féile na nGael county title and Waterford's representatives at Galway Féile next week-end, ran out clear winners in the end.

The first quarter belonged to Tallow whose early pressure took Dungarvan by surprise. At this stage few could foresee anything other than a close encounter. Had Tallow led three or four goals at this stage it wouldn't have been such a shock. Sadly a combination of fine defence and poor finishing meant that Tallow led by 0-3 to 0-2 our points coming from James Murray 0-1 and Barry Power 0-2, and when Dungarvan put 3-1 with their two points before half time to give them a 3-4 to 0-3 lead at the break the writing was on the wall.

In no mood to tamely submit to any opposition Tallow opened the scoring on the resumption and despite a generous supply of the ball from the outstanding James Murray at midfield the forwards made little impression on the powerful Dungarvan backline and goalie. When scoring opportunities are squandered repeatedly the backs' determination begins to wane.

Long before the end the cause was a lost one but the Tallow lads tried to the last whistle and were quick to congratulate their conquerors at the end.

It has been an enjoyable year for the Tallow boys. There was the win over Lismore and that wonderful semi-final victory over Abbeyside on Thursday last in all the rain when Roy Henley in particular, and the backs defied a five-minute bombardment before the final whistle to give us a thrilling two-point win. Every boy and that includes the subs, shared in the fun and satisfaction of training and playing matches. Winning is great but to be able to lose graciously is even more important especially at the tender age of fourteen.

Congratulations to the victors, Dungarvan and good luck to them in the county final. And hearty congratulations and thanks to our own young hurlers who gave us many happy evenings this summer.

Tallow — Roy Henley, Maurice O'Brien, Shane McCarthy, William McDonnell, Martin Ryan, Sean Slattery, David O'Brien, James Murray (Capt.), Paul Murray, Jason Pescod, Barry Power, Eoin Mangan, Ronan Cronin, Paul Cronin, Rory Hennessy. Subs. — James Clancy, Paul O'Brien, William Curley, Paul Kearney, Dermot Casey.

Roger Casey was a fair and efficient referee.

### GOOD LUCK JAMES

Off to Galway this weekend to represent his county at the All Ireland skills competition will be James Murray, Tallow. He should do well because he won't lack skill, confidence or determination and will be well prepared. Go néirí ádh leat a Shéamais.

### SENIOR HURLING CHAMPIONSHIP

#### LISMORE 1-13 TALLOW 1-4

For the second week running Tallow senior hurlers lost out heavily this time to Lismore in Cappoquin on Saturday night last by 9 pts. Tallow started really well but missed chances were costly as Lismore started to run riot. At half time the score stood at Lismore 1-8 Tallow 0-2. Though Tallow played much better in the second half they were always fighting a losing battle and Kieran Murphy's goal eight minutes from time put a more respectable scoreline on the proceedings. Our last game against Fourmilewater takes on an added significance because if we lose this we won't qualify, where a win might see us through, though depending on other results.

Team — Martin Murphy, Tomás McCarthy, Trevor Sheehan, Colin Cunningham, Tim Sheehan, Mick Beecher 0-1, Johnny Geary, Mark Geary, Kieran Murphy 1-0, John Doyle, Philly Curley, Ger Sice, Dermot Henley 0-1, Pat Murphy (Capt.) 0-2, Steven Curley. Subs. — D. Henley for S. Curley and J. J. Henley for Colin Cunningham.

### Meeting

A committee meeting of the club takes place on this Thursday night in the Hotel at 8.00 p.m. Committee members please note.

## MR. JAMES (JIM) BARRY, CURRAGLASS AND GORTON, MANCHESTER R.I.P.

The death after a short illness, took place on Sunday 6th June, at St. Anne's Hospice, Cheadle, Manchester, of Jim Barry, formerly of Lisnabrin, Curraglass. Jimmy son of the late William and Mrs. Barry, Lisnabrin, Curraglass, enjoyed great popularity in the district when growing up in his native Curraglass. Always a lover of sport and with a passionate desire for hurling, he quickly gained a place in the Kilcronat team then and afterwards in the amalgamated parish team, St. Catherine's. A fine striker, he figured prominently with those teams and later lined out with Tallow, while serving his time to the victualing trade, at Ryans, West Street, Tallow.

Having spent some years in the Brideside town, he eventually emigrated to England, where he continued at his trade up to the time of his recent retirement. Jim had carved a niche for himself, for his concern, and work amongst the community and his church activities in his adopted Parish of the Sacred heart, Gorton, and his death now at a fairly early age will be regretted by all who made his acquaintance, and our sincere sympathy is extended to his wife Mary, son, three daughters, also to his brothers, William, Fermoy, Patrick, Shanakill, sisters, Chriss, Kilgour, Sister Augustine, Anne Moroney, Tallow and Mona, Mayo, nephews, nieces, sister-in-law, brother-in-law, relatives and friends. Interment was at Gorton, Manchester after Concelebrated Requiem Mass celebrated by Fr. Gannon, Fr. Kenirons, and Fr. Aherne.

# Bosnia Information Night Next Wednesday

An information night on the war in Bosnia and the efforts of the aid workers to relieve some of the distress there will be held in the Park Hotel next Wednesday night at 8 p.m.

The meeting will be addressed by Cork Aid-worker Mrs. Carole Wiley who will give details of the work of Aine Burke Bosnia Appeal of which she is the Irish link.

There will be video footage of the effects of the war, the hardships of the local people and the result of some of the atrocities which have been carried out against the civilian population.

This will be an ideal opportunity to see where the aid which was donated from Co. Waterford has been used and a chance to question Mrs. Wiley on conditions in Bosnia which she has seen first hand in her several recent visits there.

Because of the content of the video which is not suitable for general address, it is advisable not to bring children to the meeting. All others are not just welcome, but earnestly requested to attend.

## DEATH OF BRIDGET DOWNING

Sadly we record the death of Mrs. Bridget Downing, Dromana, Aglish at St. Joseph's Hospital, Dungarvan on Wednesday, June 9. Bridget passed peacefully from this life in the loving care of the staff at the hospital where she was a patient in recent months due to failing health. A well known member of the farming community in this area she and her late husband William were wonderful neighbours and friends who were always willing to lend a helping hand to those in need of help. A kind and gentle and a wonderful mother, Bridget will be sadly missed by her sons,

daughters and grandchildren, all of whom were very special to her.

On Thursday evening Bridget's remains were taken from the hospital to Aglish Church following Requiem Mass on Friday morning. Bridget was laid to rest in the adjoining cemetery.

Our deepest and heartfelt sympathy is extended to her sons Willie, Walter, Jimmy (Aglish), Mick (Youghal), her daughters Helen O'Donovan and Mary Morrissey, her daughters-in-law, sons-in-law, grandchildren great grandchildren, sister, relatives and friends. May she rest in peace.

Gortroe enjoyed a very successful benefit night at the Greyhound Track, Youghal on Friday night last. Sponsor of the last race was Meadow Transport, Dublin. This company is owned by Ger Cunningham, nephew of Tommy Beresford, Clashmore. Ger, his wife Barbara and daughter Clare were present on the night to present their prize. Later they and all the Beresford's from Clashmore joined in the celebrations at the Walter Raleigh Hotel, Youghal with some great music from Art Supple.

Congratulations to Pat Trihy, Kinsalebeg who was prize winner on the night.

## WELCOME TO ARDMORE

We all join in extending a warm welcome to Pat and Sandra McGrath to The Strand Bar, Ardmore. Having recently purchased this premises Pat and Sandra received lots of support at their opening night on Friday, June 11. Pat and Sandra are no strangers to this area as they come to us from Two Mile Bridge. Pat's late mother was a native of Kiely's Cross and Peg was a sister of Johnny Power a very popular publican there. It was great to see Johnny out enjoying the celebrations of opening night.

From a family steeped in business tradition Pat's father and grandfather were McGrath's Builders and they were involved in the construction of many houses in West Waterford. We know that Pat and Sandra will have lots of success in the Strand Bar and we wish them both every happiness.

## CYCLING

# Three Wins In Three Starts For Power

Abbeyside cyclist Robert Power, riding with the Paddy Buckley Solicitors Cycling Club, Blarney, completely dominated cycling in the Southern Region when he scored three wins from three starts over the weekend.

It was a dramatic return to competitive cycling for Power who was competing for the first time since pulling out of the British Milk Race through injury.

He started his winning sequence on Friday night when he came home on his own in Mallow leading in the chasing group by one and a half minutes.

On Saturday and Sunday he competed in the Festival

of Cycling in Athea, which attracted huge fields from all of the regions.

On Saturday in the Ras An tSleibhe he brought off the first leg of the Festival double when he won from Dubliner Ritchie McCauley with Power's team mate David Hourigan in third place and former national champion Paul Slane in fourth position.

On Sunday Power bounced back to take the Athea Grand Prix, the highlight of the Festival again outsprinting McCauley with Hourigan once again in third place and Brian Quinn, Maddens Milk, Limerick in fourth place.

# Dungarvan Sea Angling Club Notes

Last Sunday we fished the Waterford Glass competition on what could be considered a perfect day for boating. In contrast to other days the sea was calm and the sun shone for a while. Bait was very hard to get so it was back to frozen mackerel once again. The fish were nearly as elusive as the mackerel and competitors had to fish very hard to land them.

At the end of the day Seve Baumann and Tony Crowe had the same number of points but Tony pipped Seve with a greater variety. Our President Con Hayes presented the beautiful pieces of Waterford Crystal to the winners at Downys Bar.

The Club congratulates John Malloy on his promotion to Sergeant. Full results

# County G.A.A. Draw

Declan O'Meara, Chairman of the County Development Draw, gave the recent meeting an update on the progress of the draw and was glad to report that it was holding up well. He spoke about the tremendous co-operation being received by the units at the centres where the monthly draw was taking place.

He said that the first instalment of the allocation to primary schools had been spent on purchasing equipment for schools and all this (£14,000) had been distributed at the Park Hotel last week. He complimented Stephen Power and the

others on the committee who had organised the share-out of the items of equipment. He said the second instalment would be given out in September/October.

## Ballyduff Notes

### BALLYDUFF JUVENILE G.A.A. NOTES

On Saturday night our U-12 hurlers were defeated by Brickey Rangers in the field. The minor hurling championship begins on Saturday night when we play Clashmore (away) at 7.30 p.m. and we play St. Olivers on Wednesday night at 7.30 p.m. in Lismore.

### BALLYDUFF GOING TO THE DOGS

At a Press Conference on Monday night details of the Ballyduff Community Council Night at the Dogs in Youghal on Friday July 2nd were announced. Mr. John Kenny Chairman welcomed the attendance which included representatives of all the major sponsors. He said that the committee were indebted to their sponsors without whom it would not be possible to hold this event.

John Hogan (Tallow Credit Union) spoke on behalf of the sponsors and said they were honoured to be associated with Ballyduff Community Centre and its on-going development work.

Ballyduff Community Council in its present format was elected in 1986 and held its first meeting in July of that year. Prior to then, it was the local Muin-tir Na Tire Committee who looked after the running of St. Michael's Hall and the Community Field, which was officially opened in 1984. Since then many improvements and much development work has been

carried out. Firstly, there was the building of modern dressing rooms in the field. A facility that was badly needed and is now available to all clubs and organisations using the excellently laid out Community pitch. Next came the extension and renovation of St. Michael's Hall at a cost of £77,000. The community in the area now has one of the most modern halls in the country, with one of the finest stages in Ireland. This venue is the subject of much favourable comment during the annual West Waterford Drama Festival, which is now one of the most successful in the country. The Community Council are delighted to make these excellent facilities available to all clubs.

All development work needs money and as part of an ongoing fundraising Campaign Ballyduff Community Council "Are going to the Dogs" on Friday, July 2nd at Youghal Greyhound

track. This is the fourth year of this fundraising venture which has proved most successful over the past three years, due mainly to the generosity of our sponsors and the support of the public. This year again sponsorship is playing a vital part in our night at the dogs. We are indebted to Tallow Credit Union; Castlelyons Co-Op; Barber's Jewellers, Fermoy; Hyland Bros., Builders, Ballyduff; A.I.B. Fermoy; Maura Lindsay and Gerry Wattin. Other sponsors include — McCarthy Insurance's Fermoy, Paul O'Driscoll, M.I.A.V.A.; Log Cabin; Fitzgerald Bros., Butchers; F.D.C. Accountants, Dungarvan; Pat Flynn; McDonnell Bros., Fermoy; Decie Fuel; East Cork Oil and Donie Feeney.

Tickets at £2 each are now on sale. A Social Get-Together at the Walter Raleigh Hotel will be on after the dogs. All are welcome to attend.

Mike Murphy opening the West Waterford Festival of Early Music in Lismore. Included are Rev. Dean C. Weekes and Mrs. Weekes and Edward Lynch. —(Wyley)

The inhabitants of Lismore Town are enjoying a collective sigh of relief. The recent Early Music Festival was an outstanding success, due in no small measure to the hours of hard work put in by a great many people and the fact that the weekend proved to be warm and dry added the much needed vital touch.

"I will never forget the sight of thousands of people watching the 17th century wedding procession" said Jan Van Putten, Musical Director, "The Fair on the Mall with all the stalls, the painting exhibition, the early music being played on the streets and in the pubs and, of course, the packed churches for the various musical events, all beautifully decorated with flowers, it was truly memorable".

Visiting musicians from as far away as Belfast, Galway, Dublin, Waterford and Cork were enthusiastic about the Festival, the standard of music and the venue itself.

"But" says Jan Van Putten "without the continued support of the local press, the crowds would not have turned up. We owe them a very big debt of gratitude".

And now the big question facing the people of Lismore - will there be an-

other Festival next year?

"That's really up to everyone to decide" says Jan "it is very much a community Festival, but in the coming weeks we will make a decision. Sponsorship is very important" he

added "but I was very pleased to see representatives of our three main Sponsors this year - Balmers, Bank of Ireland and Campus Oil looking very happy at the vast crowds enjoying themselves".

### ST. MARY'S G.A.A.

**Under-14 Hurling** — On Sunday week last the U-14's took on Roanmore in the U-14 'B' play-off. From the start it was a tough contest between both teams.

Roanmore got a good start with an early goal but St. Mary's came back even better and came out eventual winners. Everyone played their best and gave it their all.

Then on Wednesday evening in Tramore, they took on Ballygunner in the semi-final. This was a very close and exciting contest with great performances from Fergal Whelan, Fergus Torpey, Brian Hannigan, Michael Ahern and Thomas

Mansfield. St. Mary's were determined to win this match and came out eventual winners. Then on Saturday afternoon we took on Ballyduff/Butlerstown in the Eastern final. This turned out to be a thrilling contest but Ballyduff/Butlerstown proved to be too strong for St. Mary's, winning on a score of 5-3 to 1-3.

Get well soon to John Bagge, who broke his knuckle in the semi-final and hopefully he'll be back in action soon.

### KILL G.A.A. NOTES

### UNDER-14 HURLING

**Stradbally 2-3 Clashmore 2-2**  
The Under-14 hurling team defeated Clashmore in the Western final last Thursday evening in Lismore. It was a thrilling game, but nail-biting, between both teams in spite of bad weather conditions. A brilliant goal by Paul Wade in the dying minutes of the game earned the Western title for the boys in "Red" by one point. Their captain Paul Kiely accepted the cup on behalf of the team. Well done boys and good luck in the county final next week.

IN 1965 IN MISSOURI, U.S.A., JUDGE ALBERT ALEXANDER RETIRED. HE WAS 105 YEARS OLD AND WAS THE OLDEST ACTIVE JUDGE EVER KNOWN!

THE BASILISK IS AN UNUSUAL LIZARD THAT CAN RUN WHILE ONLY USING ITS HIND LEGS!

THE FIRST AND LAST LETTERS OF THE LATIN WORD "QUAESTIO" USED TO BE PUT AT THE END OF A SENTENCE WHEN IT WAS A QUESTION. THE "O" WAS LATER WRITTEN BELOW THE "Q" AND GRADUALLY EVOLVED INTO OUR PRESENT-DAY QUESTION MARK.

Help me in my present and urgent petition. In return I promise to make your name known and cause you to be invoked. St. Jude pray for us and all who invoke your special patronage. O show me therein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me, that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. - C.D.

To think you could not say goodbye,  
Before you closed your eyes.  
If I could have one wish today,

## Fostering Is Sharing With Your Family

Fostering is caring for someone else's child in your home. It is providing a family life for a child who for one reason or other cannot live with his/her own family. The South Eastern Health Board urgently needs families to care for children in the Waterford area. We are particularly interested in hearing from people who might be able to care for more than one child in a family, an older child or a child with a physical or mental handicap.

## Dungarvan Harbour Sailing Club

### A LATE BUT GREAT START TO THE NEW SEASON

The current sailing season got off to a late but exciting start this year with the first DHSC dinghy sailing race in the harbour.

Conditions were perfect for the day with a moderate north to north-easterly breeze giving the competitors an exciting but demanding sail over the course.

Five dinghies took part in what looks set to become a very popular event for the rest of the summer.

Michael Higgins, racing with his wife Eileen in their newly built Petrel, was the overall winner in a race which saw several changes in the leadership over the two hours of keen competition.

Kieran Donnelly and Ciaran Geoghegan came a very close second in a closely fought battle for the finishing line.

Liam Dwyer, Colin Shorthall and John Moloney were the three other competitors.

The veteran Cleary Cup was presented to the winners of the race afterwards by Officer of the Day, Mr. Tommy Power.

**Results: Dinghies Race 1** — M & E Higgins 10 pts. An Bean Eile; C. Geoghegan & K. Donnelly 8 pts. Rastas; Colin Shorthall DNF Aeolus; Liam Dwyer DNF Annette; John Moloney

DNF Concord.

The following day, Sunday the cruisers had their turn in what was hopefully the first of the summer weather.

A fitful wind made the going more difficult for the eight competing boats. Ciaran Geoghegan's Mischieff led from the start only to lose the lead for a short while before the weather mark to Christopher Kelly's Yambo. It was very close between Tommy Power in Autumn Gold and the other two leading boats until a bad mistake cost Autumn Gold several boat lengths. Mischieff went on to take the line honours with Yambo winning the race on handicap.

Dungarvan Harbour Sailing Club would like to invite anybody who is interested in taking up sailing to come and talk to us at any time. They are actively recruiting for members at present and intend running a sailing course to compliment the recent shore based courses held in the Park Hotel last winter. Phone 41280 or 44488.

**Results: Cruisers Race 1**  
C. Kelly 10 pts. Yambo; C. Geoghegan 8 pts. Mischieff; T. Power 6 pts. Autumn Gold; H. Foley DNF Roisin; A. Flynn DNF Caraway; J. Mansfield DNF Demon Totty I & O Walsh DNF Rosaleen; Donal Walsh DNF Lady Kate.

## Cunnigar Pitch & Putt Notes

### NUGENT'S SUPER VALU SCOTCH FOURSOMES

This weekend sees the club recommence their fixture calendar with Nugent's Super Valu kindly sponsoring us once again. This year sees a different format from last year which was a 27 hole single with the best nine to count. Last year's winner was Jessie Landers. No doubt the change of format will not hinder Jessie's attempt to make it two year's running as he is widely regarded as one of the most consistent performers for the scotch foursomes.

No doubt, the draw will be eagerly awaited with everyone in the tournament well used to this format now. The draw will be made on Friday at 8 p.m.

### VOLUNTEERS

The committee would very much appreciate any members who have a few hours to spare to give a hand to our hard-working FÁS workers. With the weather being as bad as it has recently, the work is there to get the course back to its best, so any help will

## West Waterford Golf Club Notes

On Saturday last we had our first major fourball, over one hundred players took part in this invitation event open, both men and women, and on this beautiful summer day the ladies led the men a merry dance when Mary Ronayne and Tess Reynolds scored a fabulous fifty five points to win going away from Wally O'Connor and Paul Sweeney from Tramore.

Sincere thanks to Pat and Nora for giving us all such a lovely day.

Full result of above event — 1st M. Ronayne + Tess Reynolds 55 pts; 2nd W. O'Connor and P. Sweeney 47 pts; 3rd R. Maher and D. Keane 47 pts; 4th S. Heegan + I. Hutchinson 46 pts.

Senior Grade — T. Tracey of Ashgrove took the first qualifying spot with a score of 101 gross. Tony was followed by Tony Irish of Tramore to represent the county in the national finals on the Irish Ropes Course in Newbridge, Co. Kildare. Just losing out this time was Ferrybank's Billy Aspell after a countback with both finishing on 103 gross.

Intermediate — St. Otteran's G. O'Dwyer won the intermediate category with another good score of 102 gross.

Congratulations to all three and good luck in the final on July 4.

### COUNTY BOARD LEAGUE — WATERFORD GLASS

Our league team fared much better on the scoring stakes last Wednesday, but still finished fourth on the night to take 3 points. Pride of place went to Willie Murray who won best nett prize on the night with a score of 102 gross, 82 nett. Congratulations once again to all the lads. Good luck next week in Ashgrove.

Last tee-off next week 8.30 p.m. Course closed one hour later.

## Stradbally G.A.A. Notes

### UNDER-14 HURLING

Our under-14 hurlers had a great win over Clashmore in the Western final played at Lismore last Thursday evening. This was a great game of hurling played in very wet conditions. After a hard fought first half the sides went in level at 1-1 apiece. Trevor Curran got our goal with Eoin Cunningham putting over a good point. The second half was just as close as the first with some good passages of play. With only minutes left we found ourselves down by 2 points and time running out. A free out by Clashmore fell short and Paul Wade picked up the loose ball and scored the winning goal. This was a great result with the final score being 2-3 to 2-2. Paul Kiely and Eoin Cunningham got our two other points in the second half.

The county final will be played next Saturday in Waterford.

The team on the night was — Brian Curran, John O'Mahoney, John Coffey, Kevin Coffey, Owen Brown, David Power, Alan

Darcy, Paul Kiely (capt.), Stephen Keane, Trevor Curran, Trevor Costello, Paul Wade, Michael Sheehan, Eoin Cunningham, Patrick Doyle. Subs. — John Halpin, David Condon, Dennis Doyle, Maurice Casey, Eamon Murphy. John Doyle who played in the early games was injured, but hopefully he will be fit for next weekend.

Our under 12 hurlers are out next weekend as well when they take on Ballyduff in the field.

### COUNTY FOOTBALL

There was no joy for Waterford last Sunday when Tipperary won both senior and junior games in the Munster semi-final at Walsh Park. Both teams had their chances but it turned out not to be their day.

### QUIET WEEKEND

The club will have another quiet weekend coming up with three of the lads involved with the county junior team. Pat Curran, Fintan O'Brien and Paul Foley played well in the drawn game and I'm sure will do their best next Sunday again.

## Cappoquin Pork and Bacon Blackwater Cycling Club Notes

Over the weekend, cyclists from the club took part in two events. On Friday evening we travelled to Ballyclough outside Mallow for a festival race. Four of our under-14's went to the line. Thomas Hogan was 5th with John McCarthy, Marc Flavin and Patrick O'Doherty close behind him.

In the under-16 race Shane Motherway continued to show his good form taking 6th place. Vincent Lombard also took part and finished in the bunch.

On Sunday we made the long journey to Athea in Co. Limerick. Here we enjoyed some brilliant sunshine and some very exciting racing. Thomas Hogan took part in the under-14 race but just failed to make the prizes. In the under-16 race Shane Motherway had a very good race, finishing well up in the main bunch. Vincent Lombard had the misfortune to puncture when going out on the second lap.

Well done to local cyclist, Robert Power for his three-in-a-row wins at the weekend.

Racing next Sunday is at Carrick-on-Suir and Carrigaline. — PRO.

# Park Hotel Sports Star Of The Month

The Park Hotel Sports Star of the Month for May is athlete Susan Smith, Waterford City. During May, Susan, competing in the Ivy League Finals — an association of eight colleges in the northeastern United States, comprising Cornell, Yale, Harvard, Princeton, Dartmouth, Brown, West Point Military Academy and Naval College — captured the 100m, 100m Hurdles, 400m Hurdles and 4 x 100m relay titles. As a result of these achievements Susan was nominated "Athlete of the Meeting" — the third time she received this award. She was also chosen as Brown's sports person of the year.

● Photo shows Donal Flynn presenting the May Sports Star Award to Susan Smith. Also included is Fr. Pat Moran, O.S.A., Chairman Adjudicating Panel.

# CAUSEWAY TENNIS CLUB

Many of our club's keenest and best tennis players took the long and winding road to St. Laurence's Tennis Club, Ballinroad to compete in the Senior Open Week and acquitted themselves admirably. Although there was an excellent entry, once more the premier players from Waterford and surrounding environs failed to travel and mores the pity as it gives local players a chance to see tennis players at a higher level.

### RESULTS

**A Men's League** — Liam Crotty beat Patrick Veale in A Singles final 10-8 in an exciting 3 setter.

**A Ladies Singles** — winner, Teresa Keane; runner-up, Cora Cooney.

**A Mixed Doubles** — Liam Crotty and Teresa Keane beat Michael Drummy and Cora Kirwan 6-3, 6-1 in the final.

**A Ladies Doubles** — winners, Teresa Keane and Theresa M. Keane beat Cora Kirwan and Cora Cooney 6-2, 6-4.

**A Men's Doubles** — Patrick Veale and Ger McCarthy, although inexperienced at this level, caused a surprise, beating an experienced duo, Liam Crotty and Ger Cusack in an exciting 3-setter.

**Men's B Doubles** — winners, Liam Moore and Eoin O'Regan; runners-up, Tommy Landers and Jimmy Moloney.

**Mixed B Doubles** — This was a very exciting final with Joe Power and Paula Veale beating T. Murray and Brigid O'Shea in a very exciting contest 6-3, 6-2. Joe Power showed that he can play tennis with the best of

them, although more renowned as a fearless hurling and football Gael, in fact he captained Abbeyside/Ballinacourty GAA Club twice when they won the senior football county championships in '78, '79 and '81. He was also a hurler of substance, winning an under-21 hurling county championship medal for Abbeyside. He also represented Waterford at under-21 and senior level in hurling, so drawing on the high ball is second nature to him, as he has shown since taking up tennis in '81.

**Ladies B Doubles** — Winners, Paula Veale and Suzanne Dalton beat Anne Dunphy and Mary Donnelly 7-5, 6-3.

**Men's C Singles** — Noel Brennan beat Gary Byrne.

**Ladies C Singles** — winner, Jean O'Donovan; runner-up Brigid O'Shea.

**Ladies C Doubles** — N. Scully and M. O'Sullivan beat Kathleen Barrett and Maeve O'Riordan.

**Men's C Doubles** — winners, Ray Moore and Michael Touhy; runners-up, Noel Brennan and Michael O'Sullivan.

**Mixed C Doubles** was won by newcomers Maurice Walsh (a late vocation to tennis) and Michelle Mernin who beat the evergreen Brigid O'Shea and M. Rochdale. Brigid O'Shea was a revelation in the C Section, getting to 3 finals and is becoming a pot-hunter of note.

Our 24 Hour Tennis Marathon commences on July 10, starting on the Saturday night to Sunday night at 9 p.m. The proceeds will go towards a bay window

and viewing area in front of the club house. This was a great success two years ago with people playing in the wee hours after leaving various hostelrys and discos and even some farmers playing before milking the cows, so book your hour now. Beverages will be available over the 24 hours.

We will be having our inaugural Veterans Tournament on the August weekend, 27/29. We are expecting a large contingent from Dublin and Tipperary. There will be three sections, the junior veterans, i.e. over 35 years, the real veterans, i.e. over 45 years in the men and over 40 years in the ladies, and the vintage section which comprises of men over 55 years and women over 50 years.

So discard all your knee supports, throw away your walking sticks, forget about your medication, throw caution to the wind and be nifty at fifty!

Our senior club championships commence on the third week in August, i.e. 15th to 21st. Our junior club championships commence on August 8th to 15th.

Our next big event is the junior open week sponsored by Club Orange. There will be 16 events and we are expecting an entry of roughly 250 juniors. The tournament directors are Noel Brennan and Marcella McGovern and they will have their work cut out for them. There will be a fun club night on Tuesday and Friday during tournament week.

Jack's Army Fun tournament will commence Friday, June 25 for Secondary

School children and adolescents at 2.30 p.m. and for Primary School pupils on Wednesday, June 30, at 2.30 p.m. These will be weekly events during the summer. The Fun Tournament (weekly) for the under-9s, will commence each Thursday at 4.30 to 5.30 p.m.

Adult Beginners Coaching on Thursday, June 24, at 8 p.m. This will be weekly, depending on response. There will be a Round Robin tournament for the under 10 years on Saturday, July 24. So take note of all these coming events and be in the picture.

The Nationalist team comprising of Frank Delaney, Tom Higgins, Eoin O'Mahony and John Paul Collins challenged the might of Douglas A in their own back yard last Sunday. The only joy they had was seeing the QE2 at Crosshaven. The Michel ladies team went to the Lee Tennis Village. I asked Aine O'Grada, Rita Moore, Josephine Fennell and Moyra Kelleher how they got on — there was no response! Rita muttered something about being "hosed."

Our illustrious president, John Moran has been elected onto the Munster Council of Tennis Ireland following in the footsteps of Ruth Byrne of St. Laurence's LTC and Suzanne Dalton of Causeway LTC and Alicia Browne, Causeway LTC. This could be the start of a very successful career in tennis politics!

### KNOCKNAGRANAGH

On Friday, June 18 there was great excitement for all members when we played a fun 11 Hole Scramble. The course was absolutely fantastic, the greens were super. Then afterwards a sociable drink and chat for the first time in our new clubhouse, which I must say looks just beautiful, I would like to mention our dining room now also in operation.

A great turn out of members and friends who were all made very welcome by our President, Captain and Lady Captain, Rev. Fr. Doherty was invited to Bless our Clubhouse which he kindly did, and wished every good wish and blessing for the future.

Please Note — Club Mixed Foursomes on Monday, June 28 at 6.30 p.m. Watch notice board for details.

### JUNIOR AND SENIOR LEAGUE SEMI-FINALS

Butlerstown are now through to the final of the league, having defeated Portlaw in the semi-final. These confident and overpowering Butlerstown girls were much too strong for Portlaw as they took control of the game from the initial stages, finding it no problem to keep the ball from their opponents.

Lismore and Ardkeen fought their way through wind and rain to play a draw in the other semi-final. The replay will now be played this Thursday at 7.30 p.m. in Kilmacthomas and I'm sure another fine performance will be in store.

### UNDER-14 LEAGUE FINAL

Dunhill/Fenor requested a postponement of this game until they return from Galway this weekend where they are representing Waterford in the Feile na nGael.

## UNDER-14 WESTERN FINAL

# Dungarvan Are Worthy Winners

Dungarvan took on Tallow last Monday night in the U-14 Western Final at the Cappoquin Grounds and proved very worthy winners in the end.

## DUNGARVAN 5-9 TALLOW 0-5

Dungarvan got off to a good start with two points from J. Burke. Tallow replied with two points to leave the sides level. Great hurling from Dungarvan brought goals from D. Keating, K. McCarthy and a further 1-2 from J. Burke. Tallow could only reply with two points to leave the half time score Dungarvan 3-4 Tallow's 0-4.

In the second half Dungarvan took control of the game and looked very impressive. A goal from K.

McCarthy and 5 points between A. Harty and J. Burke gave Dungarvan a commanding lead. The introduction of M. Shanahan for D. Kelleher brought one of the best goals scored this year in this ground, not even the net could stop it! The Dungarvan backs played a very tight second half only conceding a point from a free and Dungarvan ran out deserving winners on the above scoreline.

This continues the U-14's unbeaten run this year and

gives them encouragement as they take on the other counties in the Feile Na nGael competition next weekend.

**Dungarvan** — J. D. O'Shea, A. Harney, B. Ahearne, B. Shanahan, J. Mahony, D. Morrissey, G. Nagle, A. Harty, C. Hayes, D. Keating, J. Burke, M. Power, K. McCarthy, Martin Power, D. Kelleher. Subs. — M. Shanahan for D. Kelleher; M. Ahearn for Martin Power; D. Walsh, S. Kiersey, O. Mansfield, M. Fitzgerald, D. Truman, M. McGovern, J. Flynn.

Ba mhór againn bhur dtacaíocht agus bhur gcabhair a fháil chun áiseanna an pharóiste a thabhairt chun caighdeán gur féidir le muintir an pharóiste i gcoitinne úsáid agus tairbhe a bhaint astu. **DUNGARVAN ATHLETIC CLUB NOTES**

# Gerry Cantwell Win Rás Na Rinne

Gerry Cantwell (winner) receives his prize from Ray Treacy, Athletics Coach, Providence College, U.S.A.

Race No. 2 in Dungarvan Athletic's Club Summer tour of local road races was staged along the Cunnigar Peninsula last Tuesday week and it produced a popular local winner with Gerry Cantwell, Helvick, taking the honours from a field of forty-five competitors.

The dismal weather conditions failed to dampen the adventurous spirit of the runners as they entered the Cunnigar from Maoil na Hoirne to the cheers of the páistí from Scoil Náisiúnta na Rinne who had gathered to see them clear the water jump.

Gerry Cantwell took control of the race from the outset and it was clear that he was intent on securing a home victory. Denis McCarthy (Ballynoe), running in the colours of East Cork AC, beat Gerry in the Ballycotton race two weeks ago but it was another local runner, Dearán O Droma who was leading the chasing pack and but for a bad fall at the water jump on the return trip he would surely have claimed the runner-up position.

St. Senan's AC, Kilmacow were welcome visitors to the race as were a number of Cork runners while the local athletes once again gave a club event great support. After a tough six mile course, Gerry Cantwell had two hundred yards to spare over Denis McCarthy with Alan Fox (Kilmacow) a close third. Darren Drummy did well to recover and claim fourth position ahead of Michael Roche and Mick Carey (Leevale AC).

lady captain Fiona Ní Dhroma leading her team to third spot. Twenty-nine points separated the nine teams.

1, Michael Drummy (capt.) (34), Darren Drummy (4), Ed. Daniels (10), Paul Keating (20), Joe Doyle (29). Total: 97 pts.

2, Paddy Lannon (capt.) (45), Gerry Cantwell (1), Liam Cline (12), Anthony Dwyer (28), Pat Hennessy (19). Total: 105 pts.

3, Fiona Ní Dhroma (39), Michael Roche (5), Niall McCarthy (30), Martin Sandford (17), Tony Ryan (18). Total: 109 pts.

4, Thomas Cotter's team (112 pts.); 5, John Condon's team (118 pts.); 6, Noreen Harty's team (120 pts.); 7, Pat Stack's team (123 pts.); 8, Seamus Healy's team (125 pts.); 9, Tom Walsh's team (126).

**CUNNIGAR WALK**

Seventy-six walkers completed the four mile Cunnigar course and despite the adverse weather they all gave great support to the event and created a lively atmosphere during the rás. The following were the lucky winners in the walk raffle: Seamus O Lonáin, Declán De hArta, Sínead Walsh, Cian O Conchúir, Jillian Donovan, Sharon Hickey, Aisling Ní Cheallaigh agus Tadhg Ní Cheallaigh. The proceeds of the walk went to Scoil Náisiúnta na Rinne.

**PRESENTATION OF PRIZES**

After the race the prizes were presented in Tigh Muirthe, Heilbhic. Our thanks to Clann Uí Mhuirí for their hospitality and for sponsoring a number of the prizes. A special word of thanks to John Lyons, Carrigroe, our course director who marked the route in great detail. Ár mbuíochas freisin de Mhicheál O Catháin a thug cead don Rás dúinn agus ár mbuíochas do na daoine a thug cead dúinn Halla an Phobail a úsáid. Chuir Paddy agus Bernie an ceol in eagar i dtigh Muirthe agus thug Mary Rose Drummy an-chabhair dúinn i gcoitianta. Le cúnamh Dé, beidh an Rás ar siúl arís in 1994.

**JUVENILES WIN EIGHT MUNSTER TITLES**

## DEREK HAYES CLEARS 6'2<sup>3</sup>/<sub>4</sub>" IN HIGH JUMP

The Bro. Patrick Lennon, OSA influence on the Dungarvan Juvenile Athletic Club was seen to great effect at Munster under-15 to u/17 Track and Field Championships in Waterford last weekend with five of his young proteges winning a total of eight Munster titles over the two days of competition.

Pride of place goes to Derek Hayes, Park Lane, who won the under-16 100 metres hurdles, javelin and high jump and he was also second in the discus and third in the hammer. When a 16-year-old clears 6'2<sup>3</sup>/<sub>4</sub>" in the high jump it's time to sit up and take notice that this is an athlete with much more than just average ability. It's not that long ago that these figures were the height being cleared by the majority of seniors at national level. In metric terms the jump was

recorded as 1 metres, 90 cms. and was ratified as a new championship record.

Other Munster title winners were Mark Deevey who scored a double in the under-15 pole vault and hammer and he was also second in the discus. Patricia Cotter won the u-15 pole vault and she was second in the hurdles. Morgan Hamm won the u-15 javelin and Michael Hayes won the u-16 pole vault.

**OTHER RESULTS**

Under-15 — Andrea Travers, 3rd, shot, 4th javelin; Michelle Clancy, 3rd discus; Mark Horan, 5th 1500 metres.

Under-16 — Relay, 3rd — Patricia Cotter, Martina Hayes, Clare O'Connor, 3rd, discus; Mark Radley, 2nd, 1500 metres, 4th 3000m.; Darren Healy, 4th 800m.; Leo Clancy, 5th

100m. and 200m.; Geraldine Kiely, 5th 1500m.; Clare O'Connor, 5th 200m.

This was our most successful Munster Juvenile Championships and well done to all concerned. The National Championships will be held in Tullamore on July 10 and 11.

**SYMPATHY**

The club extends its sincere sympathy to the Moore family, McCarthyville, on the tragic death of their nephew in Thurles last week.

**ATHLETICS MATCH**

Our Annual Juvenile Athletics Match with Cappoquin/Ballinameela AC takes place this Thursday evening at 6.30 p.m. at St. Augustine's College, Abbotside. There will be sprints, long races and relays for boys and girls from u/8 to u/14. Admission is 50p and all are welcome.

First three home in Ras na Rinne (from left) — Gerry Cantwell (Dungarvan A.C. 1st), Denis McCarthy (East Cork A.C. 2nd), Alan Fox (Kilmacow, 3rd).

SMITHWICKS INTER-FIRMS FINAL

# Sterling Winthrop Are Champions

STERLING WINTHROP 1 IRISH TANNERS 0

A new name will be inscribed on the John O'Dwyer Shield after Sterling Winthrop emerged victorious in the final of the Smithwicks Inter-Firms Tournament played on Friday evening last. In a game dominated by defences and with few clear cut chances it was always going to be decided by just one goal.

Sterling opened brightly in the first half and the first chance fell to Conor Prendergast in the 13th minute when he hit the top of the crossbar with a shot from outside the area. Prendergast also saw a shot go narrowly wide of the far post in the 24th minute. The rest of the half was evenly contested with half chances being created on both sides but the half time whistle sounded with the sides scoreless.

Both sides had very speedy forward lines with the Leather having Thomas Donovan and Alan Simms, with Sterling having Kieran Hallahan, Conor White and Kevin Mulcahy. But it was defenders who were on top throughout with Willie Coward, Alan Donnelly, Pa Drummy and John O'Shea outstanding for the Leather, while John Doyle, Mick Walsh, Mick McCarthy and Michael O'Dwyer superb for Sterling.

Darrell Donnelly made a good run for the Leather and was unlucky not to get the final touch in front of goal. At the other end Kevin Mulcahy shot agonisingly wide of the right hand upright after the ball broke to him following a right wing cross. Just

when it looked as if we would have extra time up popped Conor "Ollie" White on the right wing and he cut in to fire an unstoppable shot to the corner of the net with 4 minutes remaining.

The final whistle sounded with wild scenes of jubilation for Sterling and heartbreak for the Leather who had been defeated in the final for the second year in succession.

Stephanie Frame (Smithwicks Rep.) presented the winning captain Ml. O'Dwyer with their prizes (tracksuits) while the runners-up received gear bags.

It was a unique occasion afterwards when Liam O'Dwyer presented the John O'Dwyer Perpetual Shield to his brother Michael O'Dwyer, captain of the Sterling Winthrop team.

Our thanks to all who helped with the successful running of this tournament. The referees Ml. Fraher, Anselm Hayes, Brian Wall and Ber Whelan and groundsman Liam Simms, who had the pitch in perfect condition. Special thanks to Paddy Whelan of Paddy Foley's for putting us in contact with the sponsors Smithwicks. To the local papers and W.L.R. for the publicity and Colm Nagle for the photographs.

BUILDERS 0

The first semi-final on Tuesday evening of last week saw the Leather come out on top 2-0 against a Builders side who were short a few regulars. Sterling Winthrop 0

Waterford Foods 0

(Sterling won 4-3 on penalties)

In a very evenly contested game with nothing between the sides the match finished scoreless after 70 minutes. In the penalty shootout Mick McCarthy, John Doyle, Kieran Hallahan and Conor Prendergast were all successful for Sterling, while Ian Stenson, Mick Shalloe and Eoin O'Regan scored for the Foods, while Gearoid Sexton and Francis Power were the unlucky ones to miss.

## DEREK EGAN CUP FINAL

# Blues Lose Out In Thriller

JOHNVILLE 3 DUNGARVAN 2

Our youth team ended the season at Curran Park, Waterford on Sunday last when they went down by the odd goal in five to the home side in the final of the Egan Cup.

Johnville had the better of the early exchanges and went close with a number of free kicks. Jason Hyslop had a free tipped over the bar for a corner. In the 39th min. Johnville took the lead when D. Kavanagh flicked on a near post corner for Doyle to head home from close range.

Three minutes into the second half a through ball by Ciaran Curran put Micheal Downey in for the equalising goal. Johnville regained the lead in the 55th min. when a right wing cross was dropped by Alan Beatty under pressure from a forward and R. Foley tapped the ball home. With five minutes left the

home team got a third goal but Dungarvan fought back and Timmy Kiely put Micheal Downey in to lob the out-running keeper to make the final score 3-2.

It was not one of the Blues better performances, especially in the first half, when a lot of the team looked to be tired after a long season, and Johnville fully deserved their victory.

Afterwards the Derek Egan Cup was presented to the Johnville captain D. Purcell, while Dungarvan received runners-up plaques.

Dungarvan — A. Beatty, M. Hyslop, D. Wall, M. Cowming, R. Finnegan, T. Kiely, C. Murphy, J. Hyslop, C. Curran, J. Power, M. Downey. Res. — F. O'Rourke for C. Murphy; Ml. Donnelly for C. Curran; M. French.

**SENIOR HURLING CHAMPIONSHIP**

# Disappointing Standard As Lismore Beat Tallow

**LISMORE 1-13 TALLOW 1-4**  
*By "Commentator"*

The intense rivalry that obviously exists between the sides had much to do with the disappointing standard of hurling in this eagerly awaited senior hurling clash at Cappoquin on Saturday evening last.

Apart from the one-sided nature of the game, it was too tension packed to allow any open and skillful passages of hurling. Neither side played the brand of hurling of which they are capable and this was another contributing factor to its failure to produce the hurling spectacle that we had hoped for.

Two players, one from each side, were sent to the line by referee Pat Moore in the 31st minute, following a fracas.

**PLAY**

Dermot Henley opened for Tallow in the 4th minutes and Michael Hickey's

point in the 5th made it level. Brendan Prendergast pointed Lismore into the lead with a 9th minute point and they were to stay in front all the way after this score.

The next four scores were all by Sean Daly whose 13th and 14th minute points were followed by a superb goal. In the 19th minute he had a further point to leave the state of play 1-5 to 0-1 by the 20th min. Michael Hickey and Kieran O'Gorman had Lismore points to extend their lead to nine points before Pat Murphy and Michael Hickey exchanged scores to leave it

1-8 to 0-2 in favour of Lismore at halfway.

**SECOND HALF**

Pat Murphy had a Tallow point, but Sean Daly replied with two for Lismore and another from Barney Prendergast gave them a 1-11 to 0-3 lead going into the final quarter. Then in the 52nd minute came Kieran Murphy's goal which gave some hope to Tallow, but the next score fell to the winners when Sean Daly pointed again. Tempers were high at this point and when Tallow were awarded a semi-penalty in the 57th minute centre-back Mick Beech-

er's shot went over the bar. Paul Prendergast sent over the final point of the game in the 58th minute to leave the winners a deserving nine points clear of their rivals.

**Lismore** — D. Landers, M. O'Sullivan, D. Barry, J. O'Connor, B. Crowley, Seamus Prendergast, K. O'Gorman, Brendan Prendergast, Ml. O'Sullivan, B. Landers, B. Lee, P. Prendergast, P. Quinn, S. Daly, Ml. Hickey. Sub. — P. O'Donnell for B. Lawton.

**Tallow** — M. Murphy, T. McCarthy, T. Sheehan, C. Cunningham, J. Geary, M. Beecher, Timmy Sheehan, M. Geary, K. Murphy, G. Sice, P. Curley, J. O'Doyle, S. Curley, P. Murphy, Dermot Henley. Subs. — J. O'Donoghue for Trevor Sheehan; J. J. Henley for C. Cunningham; David Henley for S. Curley.

**NOTE**

A matter that was the subject of much comment around the West over the weekend was Cappoquin Club's very strict observance of the County Board directive on sideline control at the game here on Saturday night. They decided to adopt the motto 'a rule is a rule' and so allowed no one only the bearers of official passes in on the line. The

Munster Council could certainly have taken a leaf from their book on Sunday and done something positive about the crowds getting in on the sideline. It is a fact that there were more on the sideline at Walsh Park on Sunday, than there were in the Stand at the other side of the field. How all those people got official passes is a big mystery and should be looked into.

## Abbeyside/Ballinacourty GAA Notes

### INTERMEDIATE HURLING

The intermediate hurlers clinched a further two points following their victory over Ballysaggart by 3-12 to 4-5 at Cappoquin on Sunday evening last. We produced a reasonably good first half performance but Ballysaggart never gave in and we had to battle to the final whistle to collect the points.

Our final game is against St. Mollerans on Tuesday next in Kilmachthomas and there will have to be a big improvement in our performance for this one. Throw-in 7.30 p.m.

### UNDER-14 PLAY-OFFS

It certainly was a very busy ten days for the under-14 hurlers as they played no less than three championship games in that hectic period.

On bank holiday Monday we went down to Lismore, whose victory forced a three-way play-off. Last Monday we again faced the Cathedral Town side, winning comprehensively by 2-12 to 2-4 at Cappoquin.

It was back to the Cornerstone venue on Thursday evening to play Tallow in what was a Western semi-final. On a wet evening with greasy and difficult underfoot conditions, we played superbly, but unfortunately the fresher Bridesiders took the honours by 2-2 to 1-3, their goalie denying us a late winner with a superb save.

### PLENTY OF EXPERIENCE

In total the under-14 hurlers played seven competitive games this year, two in the Féile and five in

the divisional championship. Although our name won't adorn the roll of honour, the lads played some splendid hurling; they battled bravely, never giving in, and their day will surely come.

Our panel of players who were involved in the games were: Michael Kiely (captain), Brendan Mansfield, Seamus Burns, Seanie Flynn, Raymond Cliffe, John Phelan, Noel McGrath, David Shepherd, Kevin Kenneally, John Paul Keohan, James Hayes, Michael Murray, Ronan McCarthy, Paudie Morrissey, Paul Veale, Peter Burke, Paul Landy, Eoin Hayes, Eamon Cashin, Paul Hayes, Joe Thompson, Michael Fives, Stephen McNamara, Eamon Morrissey, Seamus Sheehan.

### GREAT CREDIT

Great credit is due to the trio in charge — Team manager Pat Ryan worked tirelessly along with fellow selectors Larry Cliffe and Johnny Burns.

Everyone's spirits were raised as players and selectors were treated to a meal at the Clonea Strand Hotel afterwards as a reward for their efforts. It was well earned and richly deserved.

### WHAT'S ANOTHER WEEK

In a county where postponements are sometimes the order of the day, one would have to wonder why the under-14s were asked to play three games in ten days. It seems unfair to have these players — and one must remember they are only youngsters — playing so frequently and on full-sized pitches to boot. Hopefully, notice

will be taken.

In saying that we would like to compliment the Bórd na Óg officers for their assistance, particularly Secretary, Eddie O'Shea who was helpful and accommodating at all times.

### GUESTS

We were hosts to the young hurlers and footballers of the Fingallians Club in Dublin last weekend as they enjoyed a short break in the sunny south east.

Club officers, Pat Moore, Matt Carey, Joe Cleary and Joe Sheehan had ensured everything was in readiness for our visitors from the capital and were on hand along with underage chairman Tony Mansfield to welcome everybody.

On Saturday morning a number of very competitive and exciting games were played, while the remainder of the weekend was spent touring the locality.

Our thanks to all parents who helped make the weekend so enjoyable for all the boys and we look forward to many more visits from our Dublin friends in the years ahead.

### SUMMER CAMP

Underage coach, Peter Power, paid his last visit to Abbeyside NS for this term last week. Peter and football coach Pat Curran have spent quite some time again this year visiting both Abbeyside and Garranbane NS, coaching the children in the skills of the games. Their visits were eagerly awaited.

This year we have the honour of hosting the summer hurling camp for the Dungarvan area. Already plans are well advanced to

have everything ship-shape for Peter and his team who always ensure that the week spent in this camp is the highlight of the summer.

Anyone who has not yet returned their application form for the camp please do so immediately.

### LADIES FOOTBALL CLUB

**Under-14** — On Sunday evening our under-14 girls travelled to Bohadon to play St. Pats in this year's championship. This was a very exciting game with many displays of fine football. Our girls played extremely well but at the final whistle the scoreboard did not truly reflect their involvement in this game. St. Pats emerged the winners by three points.

Panel on Sunday — Helen Foley, Deirdre O'Connor, Aoife Carthy, Claire Fennell, Marian Power, Aisling Sheehan, Nicola Dee, Moya Verling, Rebecca O'Leary, Catherine Keohan, Sharon Foley, Elizabeth Cummins, Joanne Tutty, Sheila Cleary, Elaine Daly, Siobhán Egan, Nicola Maher, Sheila Quinn, Claire Cosgrave, Aisling Cosgrave.

**Under-16** — On this Friday evening, June 25, all roads lead to Bushy Park where our under-16 girls will play Clashmore in the semi-final of this year's championship. The winners of this game will play Killorossanty in the county final. A bus will leave from Danny's at 6.15 p.m. for players and supporters.

### ACTION RESUMES

The minor hurling championship resumes on Friday evening when we travel to Lismore to take on Tallow.

## JUNIOR FOOTBALL CHAMPIONSHIP Geraldines 4-6 Ballinameela 2-1

We had a good win over Ballinameela in the third round of the junior football championship which was played at Abbeyside on Saturday evening last. Our lads jumped into a three goal lead early in the match, but were pulled back before half time, when the score was 3-1 to 2-1. We played well in the second half to run out easy winners at the finish. It was heartening to see such a big panel of players toggled out, 25 in all, and one player out of bounds.

We now play Dungarvan in the group final.

Our line out was — Mick Heaphy, Mick O'Connell, Pat O'Brien (capt.), Brendan O'Connell, James Tobin, Mikie Ware, Thomas Curran, Edmond Scanlon, Ger Broderick, Thomas Scanlon, Donnacha Tobin, Thomas Cullinan, Colm Broderick, Richard Hurley, Mikie Ronayne. Subs. — Thomas Longan for Thomas Scanlon; Shane Kiely for Colm Broderick; Aidan Mernin for Thomas Culli-

# Aglish Take The Title

AGLISH 4-3 BALLINAMEELA 3-1

Aglish claimed their first Primary Schools hurling title since June 1988 when they defeated Ballinameela last Tuesday in an exciting end-to-end Roinn D final in Cappoquin. Ballinameela had the first shot of the game, Stevie Keane's effort being saved by Philip McGrath. After 2 minutes Aglish took the lead when Aidan O'Connell kicked over. Aonghus Murray broke away to tuck away a goal for Aglish, then Tony Kearns kicked wide at the other end. Raymond Connery pointed a free before Aglish won the first 65 of the game, which was goaled by John Tobin. Carl Daly and Tom Kiely cleared Aglish chances and Tony Kearns hit a long Ballinameela shot wide, but he was rewarded with a goal on the stroke of half time, where Aglish led by 2-2 to 1-0.

Eoghan Walsh pointed an Aglish free one minute into the second half, but Ballinameela hit back brilliantly with a goal. Damien Kearns hit the goal-bound shot and Carl Daly went in to make sure. After surviving some tremendous pressure, Aglish struck their third goal through Aidan O'Connell. A goal and a point from Tony Kearns quickly cut the White's 6 point lead to a mere 2. Damien Kearns for Ballinameela whipped just wide at a point when it was anyone's title. Aonghus Murray's kick goal decided the issue and afterward match referee Jimmy McGrath presented the Paddy Shields Cup to the Aglish captain, John Tobin. All players were presented with a medal and were well applauded. Both goalkeepers Philip McGrath (Aglish) and Patrick Harrington (Ballinameela) were outstanding.

Aglish — Philip McGrath, Eoghan Walsh, John Tobin, Raymond Connery, Michael Walsh, Aonghus Murray, Aidan O'Connell. Subs. — Brian Moore, Gerard O'Donovan, Tony Hallahan, Paul Walsh, Dermot Irwin, Tony Ahern.

Ballinameela — Patrick Harrington, Tom Kiely, Ken McGrath, Carl Daly, Jamie McGrath, Tony Kearns, Stevie Keane. Subs. — Damien Kearns (used), John Murray, Kieran Daly, Michael Barrett, Pat Ahearne, Conor Christopher.

THE LADIES GAME  
St. Olivers 0-4  
Ardmore 2-3

There was a 6 p.m. start for this ladies football U-14 championship title played last Monday night, June 14 in Aglish and by 6.01 p.m. Ardmore were already a goal up. St. Olivers edged back to within a point of the visitors, with two points from Breda Morrissey. Maura Kiely cleared well, and Sharon Walsh had a shot saved. Two more Ardmore points gave them a half time lead of 1-2 to 0-2.

26 seconds into the second half Breda Morrissey passed in for Triona Tobin to point. Ardmore broke away with the ball and had their best chance of the match well saved by Breda Ahearne. The visitors kicked over before Breda Morrissey converted a free. But there was to be no come-back for the home side, Ardmore had another break and settled the match with a goal which made the final score St. Olivers 0-4 Ardmore 2-3.

Referee — Brian Connery.  
St. Olivers — Breda Ahearne, Catriona Power, Maura Kiely, Barbara McDonagh, Jennifer Landers, Margaret Ronayne, Helena Power, Pamela Landers, Aine Davis, Sharon O'Shea, Breda Morrissey (0-3), Triona Tobin (0-1), Karen Landers, Sharon Walsh, Emer Hickey. # BROTHER DORMER — AN EXCELLENT SECRETARY

Since his arrival in Lismore CBS, Br. Dormer has gained the admiration and respect of many people. He was a dedicated and thorough teacher and a Principal who was at all times considerate of his staff.

Since he arrived in Lismore CBS, Br. Dormer has been deeply involved in the affairs of the GAA in Co. Waterford. The success of his under-age teams in the Lismore Club has been quite outstanding. He had the satisfaction of seeing the results of his efforts at under age level bear fruit when Lismore won their first ever senior hurling championship with an outstanding performance against Mount Sion in Walsh Park. Club workers at under age level do not always see the results of their efforts bear fruit at adult level.

Brother Dormer was a hard working Secretary for

the Lismore Club and it must have been a source of satisfaction to him to have so many players from the Lismore Club play an important role in the successful Waterford minor and under-21 teams in 1992.

As well as all these commitments, Br. Dormer still found time to do trojan work for 'Cumann na mBunscoileanna Portláirge Thiar' since it was founded in 1980. He has been secretary for all those years and his organisational skills have ensured the smooth running and successful completion of all our competitions year after year.

A man who expected high standards from his own players, Br. Dormer still had the vision and understanding to supervise the development of the Primary Schools Board to four divisions. The concept in this development was to give as many young children as possible a chance of win-

ning. It is fair to say that the children in our primary schools have enjoyed their competitions over the last number of years.

Br. Dormer has helped in the promotion of camogie and ladies football in the primary schools and the Lismore Christian Brothers Cup was presented for the Camogie Blitz last week.

His colleagues on

'Cumann na mBunscoileanna Portláirge Thiar' will honour Br. Dormer in Lawlor's Hotel on Thursday, June 24, at 8.30 p.m. There will be an excellent turn-out from all the schools and it is fitting that this should be so. Finally we wish Br. Dormer health, success and happiness in Doon CBS, Co. Limerick.

# Close Encounter Expected As Waterford And Tipperary Fight For Munster Final Place

A huge crowd of home supporters will travel to Cappoquin on Sunday evening next in the hope and expectation of seeing Waterford qualify for a meeting with Clare in the provincial final in two weeks time.

At Thurles, three weeks ago, Tipperary had almost all the support while we had a very meagre following. There will be no excuses this time with the game at home and the players badly needing our morale support.

Despite the fact that the game is in Cappoquin, Tip-

perary must again be favourites to win. They have eleven or twelve of the team which won them the junior All-Ireland two years ago. In the drawn match they had a total of nineteen wides, so why wouldn't they be favourites!

Still, there is little difference in standards and we most certainly matched them in the matter of grit and fierce determination. They were factors in earning Waterford a deserved draw at Thurles.

As I wrote after that game,

our display against Tipperary lends support to the logic of the Management Committee's decision to refuse us permission to field our second best team in this championship. I also wrote that our "second best team" might not have done as well.

This inter-county junior hurling championship was reintroduced ten years ago and during those years when we were allowed to play our "second best" teams, we never won a first round against any of the hurling counties (Kerry excepted).

So, already, we have fared better than when allowed our second best.

Also, it was recently stated, not being allowed our second best, gives a chance to junior and intermediate players to wear the county jersey — an opportunity that might never come their way if seniors were allowed in. I must also mention the view that has been expressed by other people in this county "that to win a junior championship with demoted seniors would be a meaningless achievement." Worth thinking about!

Since the draw at Thurles, the panel have continued to train and there is no news of additional players being drafted in, so we must expect that the team to do duty next Sunday will be selected from the same panel which travelled to Thurles. There is a whisper going about that there may be a change or two in the lineout as not all our men played as well here as they did in Lismore against Kerry.

The team will be named on Monday night and will appear elsewhere in this issue. Whatever the outcome we can be sure of a very spirited and determined display by the lads who don't spare themselves in an effort to take us to a Munster hurling final next month.

Tipperary are the favourites and are given my vote to win, but at the same time I am not discounting our chances.

**JUNIOR RECORD**

## Minor Hurling Championships Commence

### Intermediate Hurling Games On Tuesday Next

Because of the game against Tipperary on Sunday evening, a number of adult games cannot take place, but there is a full programme of minor hurling games listed for this Thursday evening and again on next Wednesday at venues all over the division.

**INTERMEDIATE HURLING**

There are four matches down for decision and the results will keep some clubs in and put others out of the running in the championship.

**CLONEA V. AN RINN**

This will take place at Leamybrien and the odds favour Clonea unless the Western team can show some improvement on their display against Stradbally in their last match. This game is fixed for Saturday evening.

**BALLYDURN V. BALLYLAGGART**

If Ballylaggart repeat the form they displayed in the second half against Abbeyside on Sunday evening, they should manage to take their first two points of the championships here. Ballydurn will be expected to show improvement on their form against Abbeyside. This game is at Colligan.

**ABBEYSIDE V. ST. MOLLERANS**

This one was the subject of controversy when it was cancelled two weeks ago and has now been refixed for Kilmac-thomas. Mollerans played very well against Ballylaggart recently and that form could put them on a par with Abbeyside who need to win this one to make sure of making the knockout stages. Both can claim to have a chance but if striking their best form Abbeyside may come through with the points.

On the basis of that kind of form, there can be little between them.

**RESULTS**

There were no big surprises in the Lawlor's Hotel senior hurling championship over the weekend, with Passage beating Ballyduff in a very well contested game at Stradbally, Lismore beating Tallow at Cappoquin and De La Salle accounting for Dunhill at Walsh Park.

**CLONEA V. TRAMORE**

In intermediate hurling, St. Marys and Cappoquin played a thrilling draw in their game at Lismore. At halfway when the score stood at 1-5 to 0-4 in favour of Cappoquin it was evident that the second half would be a cracker — and it was. Marys added 1-4 while Cappoquin had just one score, but it being a goal, it was enough to draw the game.

Abbeyside and Ballylaggart after a one-sided first half, turned in a tremendously exciting second half when Ballylaggart fought back very courageously from a 13 points deficit to come within inches of the leaders. A Pat Bennet rasper from the 21 yard line hit the crossbar in the closing minutes and a goal here would have reduced their leeway to a single point. Abbeyside held out however to score a deserved win.

**AT CAPPOQUIN**

The only two games for Sunday will be at Cappoquin where Tallow and Lismore meet in the junior football championship and judging by Tallow's poor display against Ballyduff recently they are not going to win this one unless they have improved a whole lot. In the feature game at the venue, Seana Phobal and Modeligo will clash in what might be one of the better matches in the junior football championships. They are both at the stage where they have it all to play for. In a great contest with Kilgobinet the Seana Phobal side went under by a single point and in their first round match against Emmetts, Modeligo won by two points.

## SENIOR FOOTBALL MUNSTER SEMI-FINAL

# Another Disappointment At Walsh Park

TIPPERARY 3-10 WATERFORD 0-13

With home ground advantage in so many of our championship games this season, big things were expected from a number of our county teams and that makes our disappointments all the greater when we see our senior and junior footballers failing in the same way as our senior and under 21 hurlers at our principal county ground.

Tipperary were the better team and deserved to win this semi-final clash but had we taken the few good chances which came our way and not made the blunders that cost us vital goals, the result might have been different and we could have gotten to a Munster final next month. Over the hour Tipperary had a total of 15 wides as against 5 for Waterford and while that is an important factor in showing the measure of their superiority, Waterford, because of their greater accuracy, notched up 13 points which was a respectable enough tally over the 70 minutes. Both sides were very fit and if anything, Waterford lasted the 70 minutes better and were doing all the pressing in the final ten minutes, but could not penetrate Tipperary's rock solid defence. On three occasions in the early part of the game, we missed what looked to be certain goals, before the ball went amazingly wide with the keeper out of position.

Tipperary had obviously

benefitted from their first round match with Limerick and were physically stronger in many sectors.

## PLAY

In the opening five minutes Tipperary were awarded five frees, four of which were sent wide from scoreable positions and it wasn't until the 9th minute that the scoring was opened when after a fine run, Liam Dalton sent over for our first score of the game. A Tipperary free (it was their seventh) was sent over by Peter Lambert in the 11th minute, but Waterford went in front again with a splendid score by Peter Queally in the 13th minute but sixty seconds later we were on level terms again with a Mark Sheehan point. Michael O'Brien put us in front again with a good score, but an equally good effort by Mark Sheehan had the teams level for the third time in the game by the 18th minute. Two points by Derek Foley were quickly replied to by Liam Dalton and Eoin

O'Brien to level the game for the fourth time in the 28th minute. Points by Foley and Peter Lambert for Tipperary gave them an 0-7 to 0-5 lead at the break.

## NO CHANGES

There were no changes when the teams reappeared for the second half, but for Waterford Peter Queally had swapped places with Liam Dalton.

In the 1st minute Peter Lambert increased the visitors lead by a point and just five minutes later the same player blasted home a goal when keeper Tom Brennan was out of position having misjudged the flight of the ball which had been crossed from the boot of Pat McGuire. Ger Walsh had a Waterford point in the 9th min. but Tipperary brought one back when full forward Anthony Cross short-kicked the ball over the bar in the 11th minute Jim Maher who had substituted Pat Hynes in the early part of this half, pointed for us, but again

Lambert brought one back. Maher pointed a Waterford free but back came the dynamic Lambert for his second goal in the 20th minute and this put the state of play at 2-10 to 0-8 for the home team. Points by Jim Maher, Liam Dalton and Peter Ferncombe reduced the lead to five points in the 28th minute before the score that really killed us off came in the 33rd minute. This was a Mark Sheehan special after the left half forward had made a direct approach and blasted home the goal, that should have been adverted by the defence. Points by Jim Maher and Liam Dalton were well take scores, but not enough to make an impact on the scoreboard in the final two minutes of the match.

And so our prospects of ap-

pearing in a Munster football final for the first time in about 30 years have gone for another while, and having lost to a team who were better able to take their chances, we can hardly complain. We wish them well in the Munster final against Cork next month and we will watch their display with more than a little interest.

They have a number of top footballers in Peter Lambert, Pat McGuire, John Owens (who was my man of the match), Brian Burke, John Costello and Mark Sheehan. All the Waterford squad tried their hearts out, but most prominent were Tom Walsh, Liam Dalton, Peter Queally, Jim Maher and Martin Sheehan.

## FIGURES OF THE GAME

Over the 70 minutes Tipperary were awarded a total of 22 frees and Waterford 20. Tipperary had fifteen wides and we had five. The attendance was officially put at

3,080. The field was in excellent condition and the fixture was well managed i.e. good public address, band and match programme.

Scorers: Tipperary — P. Lambert 2-4, M. Sheehan 1-1, D. Foley 0-3, A. Cross 0-2. Waterford — J. Maher 0-4, L. Dalton 0-4, P. Queally, M. O'Brien, E. O'Brien, G. Walsh and P. Ferncombe 0-1 each.

Tipperary — P. Ryan, J. O'Meara, S. Collum, J. Owens, T. Macken, G. Ryan, B. Burke, J. Costello, D. Foley, P. McGuire, M. Sheehan, P. Lambert, A. Cross, D. Hogan. Subs. — J. Dunne for P. McGuire; K. Connan for D. Hogan; D. Quirke for M. Sheehan.

Waterford — T. Brennan, M. Fitzgerald, T. Walsh, M. Sheehan, F. O'Brien, P. Walsh, M. O'Brien, G. Walsh, D. Casey, G. Power, L. Dalton, P. Queally, P. Ferncombe, P. Hynes, E. O'Brien. Subs. — J. Maher for P. Hynes; D. Kiely for G. Power.

## FIELD EXTENSION

Tom Drummy, Nioclás Mac Craith and Jimmy Maher discussing the plans for the field development at Fraher Field, Dungarvan.

The distance between the goalposts at Fraher Field is to be extended by approximately 5 yards. This will be done by moving back the posts by a few yards at both ends. Nioclás Mac Craith

said he had been approached by members of two selection committees who said it should be lengthened by this distance to make it full size. County Board gave permission.

The report on Fraher Field stated that the work of removing the bank is now in progress and when completed, the contractor will move in to begin the erection of the stand.

## JUNIOR FOOTBALL MUNSTER SEMI-FINAL

## Disappointment At Defeat Of Juniors

It was no secret that Waterford were very confident of winning this game with so many top players available, and hence the big disappointment at our unexpected defeat by four points in a game that fell short of what most of our followers had expected.

Tipperary, who had defeated Limerick in the first round, turned out to be away better side than we had judged them to be and they were stronger around the middle of the field.

Many followers expressed surprise at the dropping of Bobby Lyons at half time as he had been playing very well in defence. His substitute Eddie Burke played well also when he came on, but taking off Lyons seemed to many to have been a misjudgement. Jim 'Bimbo' McGrath made a big difference when he came on at the restart and his performance aroused speculation about how better we might have fared if the Brickey

TIPPERARY 1-9 WATERFORD 0-8

man had been on from the start.

## PLAY

J. J. Ferncombe opened with a point in the 2nd minute and Ml. Grace equalised for Tipperary two minutes later. A fisted goal which showed the defence to be caught out in the 8th min. gave the visitors a lead that they were not to lose again.

Eamon Maher had two Tipperary points before Liam O'Brien gave us our second point in the 18th min. Derek Wyse and Eamon Maher exchanged points and Pat Curran and Maher did likewise before the break to leave us trailing by 1-5 to 0-4 at this stage.

## SECOND HALF

The second half followed the same pattern of play with Tipperary scoring three points as against four

for Waterford. Midway through this half we lost Dermot O'Callaghan, who has been reported by the linesman for a foul of some sort on his opponent.

Scorers: Tipperary — A. O'Meara 1-2, E. Maher 0-5, M. Grace 0-1. Waterford — P. Curran 0-4, J. J. Ferncombe, L. O'Brien and J. McGrath 0-1 each.

Tipperary — T. Maher, T. Guilfoyle, L. Macken, L. Cronin, S. Delahunty, V. McKenna, J. McGrath, S. Ryan, S. Maher, D. O'Shea, E. Maher, M. Grace, L. Mooney, C. Egan, A. O'Meara. Sub. — D. Fitzgerald for C. Egan.

Waterford — D. O'Connor, D. Dee, P. Dunford, D. Kirwan, D. O'Callaghan, B. Curry, B. Lyons, D. Burke, M. Kavanagh, E. Crotty, P. Curran, K. Whelan, L. O'Brien, J. J. Ferncombe, D. Wyse. Subs. — E. Burke for B. Lyons; J. McGrath for L. O'Brien.

Referee — P. Murphy, Cork.

# County Board Meeting

E. O Murchu, Chairman, presided at the June meeting which was held last week in Dungarvan.

## APPOINTMENT

Stephen Power, Kilgobinet Club Secretary, who is the equipment officer with the Deise Development Draw, has been appointed Equipment Officer to act for the County Board. His chief duty will be to purchase all necessary equipment for our eight county teams. It was announced that Stephen had accepted.

## CANCELLATIONS

Many complaints were made about the cancellation of a number of recent senior and intermediate fixtures. A strong letter from the Abbeyside/Ballinacourty clubs complained about the late cancellation of their game with St. Mollerans, because of reported waterlogging of the Kill pitch. The letter stated that the game had been called off after 6 p.m. on Saturday and when the Chairman was contacted by the club, he refused to fix it for any of the other available venues. Bernard Shields stated that he had inspected the venue at noon on Sunday and found it playable. Theresa Power, Kilmacthomas, said the game had been fixed for Kilmacthomas and they had prepared the pitch for the match and were never told that it was changed to Kill. Denis McGrath complained about the cancellation of the programme for the Cappoquin venue two weeks previously because of supposed waterlogging. The venue was in good condition and the club had cancelled other games in order to allow the county fixture to go ahead. He said the County Board were informed that the venue was playable. Brendan Tobin, St. Mary's Club, complained about the cancellation of their intermediate hurling game with An Rinn. The Chairman informed him that this game was cancelled because players were included on the county junior football panel for the following Sunday. Passage Club also complained about a postponement involving their club.

## MINOR SELECTORS STAND DOWN

The county minor hurling selectors who brought the team to the All-Ireland last year, having completed their term, notified the Board that they were not seeking re-election to the committee. They stated, however, that they were available and willing to take over management of the

1994 county under 21 hurling side as the outgoing selectors in that grade were not seeking re-election. The selectors are Jim Green, Mount Sion, Jack Laffan, Portlaw, Billy O'Neill, St. Saviours, Eddie Cunningham, Tallow and Pat 'Tyler' Walsh, Fourmilewater.

It was decided to appoint the under 21 hurling selectors at the July meeting. In relation to the appointment of the county minor selectors for next year, County Bord na nOg submitted five nominees of their choosing, as agreed at the previous meeting of the County Board. There were no other nominations. All clubs will have two weeks in which to submit nominations for the under 21 committee.

## SENIOR HURLING REPORT

A report from the senior hurling selection committee gave a resume of their stewardship up to the date of their defeat by Kerry at Walsh Park. The report outlined the many problems that had to be faced and these included the non-availability of players because of injury or examinations and holidays, etc.

They firmly denied all rumours about incidents of indiscipline and dissension among players. The report, which was a lengthy document, stated that they were willing to complete their term of office, if it had the approval of the Board.

A letter from county champions, Ballygunner, which could be described as a sequel to the defeat by Kerry, gave notice of their intention to move at the July meeting, that (i) the County Board terminate the term of office to the present managerial team, (ii) that a small committee comprising of the principal officer of the Board, or otherwise be appointed to examine the matter of the appointment of selectors and make appropriate submissions for discussion to the County Board.

Since this was a notice of motion for the July meeting, it was not discussed.

James Tobin, Shamrocks Club, formerly objected to the first part of the motion.

## PASSES FOR GAMES

In reply to a question from a member, delegates were informed by the Chairman, that the passes to matches, which had been approved, were now being distributed to the applicants. He also stated that the County Board could adjudicate on the matter of issuing passes

to referees, as they had not been included in the recommendations by the select committee. One delegate objected because referees were now being given a fee to handle matches. There was no other objections and the matter was approved without a division.

What was the subject of comment in relation to refereeing was the fact that since the previous meeting (five weeks) only one referee's report was submitted to the Board, despite the good number of games played.

## OTHER REPORTS

Reports were also submitted by the junior hurling and football, senior and under 21 football committees. All gave details of the preparation for their upcoming championship game.

## KILROSSANTY APPEAL

This appeal against County Bord na nOg related to the awarding of the under 14 football county title to Roanmore. They stated that they had been given insufficient notice and also that they informed the Bord that because a number of their team were committed to a rehearsal for Confirmation on the night of the fixture, it would not be possible to have a team in Cappoquin on the night.

Kilrossanty were represented by Ger Walsh and Roger Power.

John Kiely, Chairman of County Bord na nOg gave a detailed account of what transpired after the Roanmore/Kilrossanty county final ended in a draw. Both clubs had been informed of the refixture for the following Monday in Cappoquin. It was imperative that the game be played as Roanmore, because of their involvement in the City Leagues as well as other championships, would not be available again for about eight weeks. He said alternative dates were given to Kilrossanty because of the Confirmation rehearsal and these were not acceptable.

The Juvenile Board Chairman said that a total of 17 phone calls had been made in an effort to have the game played and as a result of Kilrossanty's failure to field, the Bord had no option but to rule that Roanmore be awarded the final.

Following appeals from Declan Barron, Ardmore and other delegates, the Bord asked that an effort be made by the three bodies involved (Kilrossanty, Roanmore and Bord na nOg) to have the matter resolved before the July meeting of the Senior Board. The County Chairman stated that if it was not resolved by then he would rule on the matter.

## Young Hurling Prospects

**St. Joseph's, Dungarvan, Seamus Burns, 12 years** — Small stocky boy who is an excellent goalie. Starred in recent INTO Sevens and Blake Cup victories for his school. His dad Johnny won three SF medals with Ballinacourty. Being a goalie himself naturally his favourite player is Ray Barry.

**Ring N.S. Sinead Kiely, 12 years old** — Sinead is big for her age and is a powerful striker of the ball. Played very well in camogie blitz on Saturday. Two of her puck

outs went the full length of the pitch and went wide. Her mam, Marcella provided transport and looked after the team in Abbeyside.

**Portlaw N.S. John Hartley, 11 years old** — John is a natural citeog and has very good skill. Very enthusiastic in sessions and always well behaved. Looks very like his cousin Fergal (Ballygunner). He would like to play for Waterford. Gets every help at home, school and club.

## Residents Parking Charges Too Expensive

CONTINUED FROM PAGE 1  
 cumstances and he believed it is also within the Manager's power to decide on a realistic charge of an annual parking permit.

Cllr. Tony Wright said he wouldn't support any charge because people could not be guaranteed that they would have the same parking spot outside their homes at all times.

"It seems to me that we are trying to turn the streets of Dungarvan into money-makers, and that cannot be good for the town," he said.

Cllr. Mary Dixon said a £35 parking charge would be "outrageous" and when all the other members also expressed their grave reservations about it there was unanimity in deferring the matter to the next meeting and to have talks with the County Manager in relation to it.

## County Roads On Verge Of Collapse

CONTINUED FROM PAGE 1  
 MORE SERIOUS

The situation relating to the surface dressing of the county roads is even more serious according to the County Engineer's report. Bluntly he states: "that for the seventh successive year no Council funds are available in 1993 for this work."

A total of 1,150 miles of county roads — 89% of the network — have not now been surface dressed since 1978. And because of the current financial situation only thirty miles will be treated this year.

A final, dramatic warning is contained in the report from the Co. Engineer. "There has been a reduction in the viability and operational efficiency of the Council's machinery fleet. A continuation of this trend could devastate our capacity to respond to emergencies," Mr. O'Flynn states.

The Co. Engineer's concern over the deteriorating state of the county roads especially is shared by the councillors.

One of the longest-serving of them, Cllr. Kieran O'Ryan told a recent Council meeting that he had never known many of the county roads to be in such a poor state as they presently are.

"Many of them will soon be inaccessible if something isn't done," he said.

# Council To Seek Retraction Of "Erroneous" Newspaper Report

Dungarvan Urban Council is to seek a retraction by a Dublin daily newspaper of a report which recently claimed that Clonea beach had not received a Blue Flag this year because of the quality of the water.

Angry members of Dungarvan Urban Council spoke this week of the serious damage the "erroneous" newspaper report could do to tourism in both Clonea and Dungarvan this year.

Cllr. Austin Hallahan said Clonea beach had not received the Blue Flag this year on a technicality that had nothing whatever to do with the quality of the water.

He said a leading Dublin daily newspaper had carried a report which claimed the

Blue Flag had been lost to Clonea on water quality and this could have extremely serious repercussions for the resort and for Dungarvan this year.

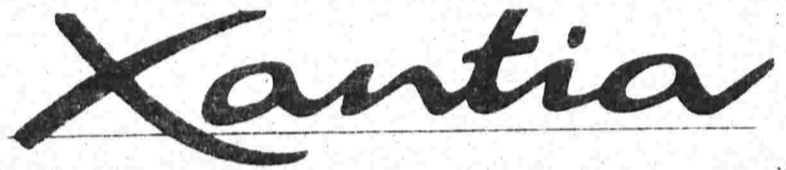

"We should demand an apology and a retraction of that report," he said.

Cllr. Billy Kyne said Clonea beach had missed out on the Blue Flag this year through an administrative mistake made in Dublin which had nothing whatever to do with Waterford County Council.

"It is regrettable that some sections of the media were so quick to put the boot into Clonea, especially when the Blue flag was lost purely on a technicality," Cllr. Kyne said.

Cllr. Paddy Power warned of the possible "irreparable damage" the newspaper report could have done as far as this summer is concerned in Clonea. "This Council should forcibly get out the message that the quality of the water at Clonea beach is of the highest," he said.

On the proposal of Cllr. Hallahan it was unanimously agreed to seek a retraction of the report by the newspaper concerned.
