## Education Minister Should Be Renamed "Minister For Blunders"

Shocked members of the County Waterford Vocational Education Committee this week reacted angrily to a decision by the Minister for Education, Niamh Breathnach that the Committee will be administered on a temporary basis by the Chief Executive Officer of the Waterford City VEC when the present CEO, Mr. Donal Kelleher, retires on August 31.

The letter went on to state that in reaching her decision the Minister was having regard to the proposals in the Programme for a Partnership Government involving the democratic intermediate structures for the management of first and second level education.

The Ministerial decision was conveyed to them in a letter from a senior Department official which they were given when they turned up for the monthly meeting on Monday.

It led to a barrage of criticism from several members, most vociferous of whom was Labour's Jimmy Byrne who said Ms. Breathnach was a disgrace to the Labour Party and should be renamed the "Minister for Blunders."

The Minister emphasised that her decision is a "temporary arrangement" and will be reviewed after the publication of the White Paper on Education.

The Chairman, Cllr. Billy Kyne (Labour) said he had to express his total disappointment at such a proposal coming from a senior

## Opening Of New Facilities At Waterford Regional Hospital

Monday 19th July, saw the opening of several important new facilities at Waterford Regional Hospital and will mark the completion of another major phase in the development of the hospital as one of the most modern and best equipped hospitals in the country.

The new areas of the hospital which will open on July 19th are: the Main Entrance and Hospital Concourse, Out patient Clinic Suites, Radiology (X-Ray), Accident and Emergency, Central Admissions and General Administration.

The opening of these new facilities will involve some changes in procedure and access, according to Mr. Peter Finnegan, General Manager of Waterford Regional Hospital. "The most important change is that patients for admission (other than Accident and Emergency), most Out Patients and those attending for X-

Ray will access the hospital through the new Main Entrance", says Mr. Finnegan. The hospital is circulating a colour brochure detailing the changes to all households in Waterford City and County in order to familiarise the public with the new facilities.

The Main Entrance will open from 7.30 a.m. to 9.00 p.m. every day. All patients coming for admission will report to the Central Admissions Department in the Hospital Concourse. All emergency cases and patients for admission after 5.30 p.m. will enter the hospital by coming to the Accident and Emergency

Department.

The Accident and Emergency Department is situated at the southern end of the main hospital and has its own SEPARATE ENTRANCE. It will be open and staffed 24 hours a day, 7 days a week.

The Radiology Department is accessed through the Main Entrance.

All Out Patients Clinics, other than E.N.T. and Ophthalmic, will be accessed through the main entrance.

### CAR PARKING

Due to the phased development of the hospital, car parking adjacent to Main

Entrance will be limited to SET DOWN ONLY. This will apply until the end of 1993 when further car parking in the area will be available. Visitors are requested to use the car park on the left of the main entrance driveway.

The Hospital Concourse includes Reception and Waiting Area, Snack Bar and Shop. A policy of no smoking will apply in all areas of the hospital.

The building of Waterford Regional Hospital commenced in 1987 and is due for completion at the end of 1994. Costing £50 million, the new hospital has 470 beds, both public and private, and boast some of the most modern equipment and technology in the country.

## KNOW YOUR RIGHTS

**QUESTION** — Do you have to be working for your employer for a particular length of time before you are entitled to maternity leave?

**ANSWER** — There is, generally, no length of service qualification for entitlement to maternity leave. But, in order to fulfil the requirements of the Act (Maternity Protection of Employment Act) a woman must provide notice in writing to her employer of her intention to take maternity leave at least 4 weeks before the leave date. Regular part-time workers, who have worked at least 8 hours a week for 13 weeks for the same employer are entitled to the statutory maternity leave but can only give the 4 weeks notice when they have met this condition.

## Youth (15) Charged With Sexual Assault On Nine Year Old Girl

A 15 year old Co. Waterford youth who is presently serving eighteen months detention in St. Patrick's Institution, made a brief appearance in custody last Wednesday before Judge Michael Pattwell on sexual assault and unlawful carnal knowledge charges.

The youth is charged with (1) that between October 1 and December 25 1992 at Childers Estate, Dungarvan, he sexually assaulted a nine year old girl contrary to Section Two of the Criminal Law Rape Act 1990, and (2) between the same dates he had unlawful carnal knowledge of the nine year old girl contrary to Section II of the Criminal

Law Amendment Act 1935. He was returned for trial to the next sittings of the Waterford Circuit Criminal Court on November 16. The youth was granted free legal aid including counsel. Inspector Michael Blake represented the Director of Public Prosecutions, and Mr. Niall King, Solr., appeared for the accused.

## ACCESS TO CLONEA STRAND CUT OFF BY TRAVELLERS

Public access to popular Clonea Strand via what is known locally as the "back road" has now been all but cut off by travellers, it was claimed by members of Dungarvan Urban Council this week.

Cllr. Austin Hallahan told the monthly meeting that there are caravans, horses and dogs all over the road and people simply cannot pass in safety to get to the strand. Demanding that they call on Waterford County Council to take whatever measures are necessary to get them to move on, Cllr. Hallahan said he knew of a local woman who had gone to Clonea for a swim and could not then return because of animals wandering all over the road.

must act to remove them and provide the free access the public are entitled to on this road." Cllr. Paddy Power supported his colleague and said what is presently taking place on the road is disgraceful.

He claimed that the travellers had even taken their horses onto the strand at Clonea and people had to scatter all over the place. "These people have no regard for the rights of other people or their safety," Cllr. Power added. It was unanimously agreed to demand County Council action to move the travellers out of the area.

Inspector Blake spoke of the tremendous co-operation and support the gardai had always received from him. "His illness was brief and his death saddened the entire community," Inspector Blake added. Ms. Mairead O'Neill on behalf of the District Court Staff also associated herself with the tributes to the late, outstanding, newsman.

## Court Tributes To Late Michael C. Nagle

A District Court Judge, a representative of the legal profession, and a member of the District Court staff all joined in paying fulsome tribute to the late Michael C. Nagle, Editor/Proprietor of the Dungarvan Leader at last Wednesday's sitting of Dungarvan District Court.

Mr. J. P. Gordon, on behalf of the legal profession in the area, said the late Michael Nagle had been reporting, accurately and fairly, the proceedings of both the District Court and Circuit Court for many decades. In that, he fulfilled a very important function and his reports always gave a true and fair reflection of the proceedings.

"He could always hone in on all the important points of a case," said Mr. Gordon. "He was too, at all times, most accommodating to the legal profession and our sincere sympathy is extended to his wife and family."

Judge Michael Pattwell said that he had heard of Michael Nagle's death with regret, and while he hadn't personally known him he

had heard all about him.

Judge Pattwell referred to how very well served the West Waterford region is by the local press and it must be a tribute to the quality of the local newspapers that so many of them can survive.

The Judge said he wished to be associated with the sympathy extended to Mr. Nagle's family and friends.

Inspector Michael Blake on behalf of the Garda

Siochana said they had always found Michael Nagle to be most helpful, and he had reported each and every court case and story accurately and fairly.

Inspector Blake spoke of the tremendous co-operation and support the gardai had always received from him. "His illness was brief and his death saddened the entire community," Inspector Blake added.

Ms. Mairead O'Neill on behalf of the District Court Staff also associated herself with the tributes to the late, outstanding, newsman.

# A bright encore for summer

IT may seem grim to look forward to the end of summer but even that can bring garden colour if you act by planting autumn-flowering bulbs.

They will give you a bright encore to summer colour and compliment the lovely brown shades of autumn. Some varieties also make good cut flowers to cheer the house as temperatures fall and nights grow longer.

### Well-Drained

Most prefer sunny and well-drained sites in order to withstand the colder and wetter autumn conditions, but fussiness is probably not the reason why many gardeners have not bothered to check them out.

It is more to do with confusion — autumn bulbs have been stuck with some odd labels.

Take Autumn Crocuses. Some are real crocuses and belong to the iris family, but others are Colchicums — a group producing cup-shaped and mostly pink-coloured flowers.

The most interesting are probably the Speciosum, which usually have rich mauve flowers although there are hybrids producing white and lighter shades of mauve.

Plant them now or during August, about three inches deep and six apart in well-drained soil — they will also endure partial shade.

But if you thought that was the end of the Autumn Crocus/Speciosum story, you should also be aware that there is another variety called Crocus Speciosus — a true crocus with mauve flowers!

This should be planted in July about three inches deep.

No less confusing are the Belladonna and Diamond Lilies — South African natives which actually belong to the amaryllis family.

### Investigating

Belladonna Lily is worth investigating for its large pink and creamy blooms produced on stems as high as 18 inches.

Plant in August, about four inches down and a foot apart in a warm spot such as the base of a wall. Insulate the bulbs against frost with a layer of mulch over the soil and the plants will survive and keep their greenery through winter until 'sleeping' in summer.

Diamond Lily, more correctly known as Nerine Bowdenii, also requires planting in August in a warm well-drained spot at the same depth, but bulbs can be clustered as close as four inches apart.

### Crowned

The 18-inch stems are crowned by delicate pink flowers.

The drawback with some of the above suggestions is that they need space which may be currently occupied, so the alternative is to select autumn plants which can thrive beneath or close to your fading summer plants and shrubs.

Try the hardy miniature version of Cyclamen, Hedonifolium, which can be planted next month in shallow scoops three inches apart to create a colourful carpet of delicate blooms.

# Education Minister Should Be Renamed "Minister For Blunders"

Labour Minister. There was "no way" they could continue effectively without their own chief executive officer and they should not aid or abet the Department in any way to bring that situation about.

Mr. Jimmy Byrne (Labour) said the Minister should be totally ashamed of herself. "She is a disgrace to the Labour Party, she has made blunder after blunder and should be renamed the Minister for Blunders."

Cllr. Kyne said the letter, given to them just minutes before the meeting, was a "bombshell." It behoves them now more than ever, to appoint a temporary CEO to take over from Mr. Kelleher on August 31.

"This is the first step to downgrade the Co. Waterford VEC," said Cllr. Michael O'Riordan (FG). "We have always had our own CEO and it would be a very backward step to have the City and County VECs administered by the one official."

Cllr. Paddy Kenneally said they should convene a special meeting to consider "this bombshell."

**ACRIMONY AND VERBAL EXCHANGES**  
Subsequently the members went on to consider the situation that will apply after the retirement of the existing CEO at the end of next month.

It led to acrimony and verbal exchanges and there was even a ten minute adjournment to enable some members discuss, in groups, what steps should be taken in relation to making a temporary CEO appointment.

There were a number of proposals including two that named existing employees of the Committee be appointed on a temporary basis. Eventually, however these were not put

CONTINUED FROM PAGE 1

because all the terms governing such appointments under Standing Orders were not being complied with.

It proved too much for Cllrs. Nora Flynn (FG), Paddy Power (Labour) and Mr. Byrne who staged a walkout in protest at the course the meeting was taking.

Finally it was agreed (6-3) on the proposal of Cllr. John Carey (FG) seconded by Mr. Noel O'Doherty that a special meeting be convened on July 30 to appoint a temporary CEO from within the Committee's own teaching and administrative staff. Each will be written to by registered post notifying them of the impending vacancy.

That, however, is in conflict with the Minister's decision to make the

Waterford VEC's chief executive officer responsible for the affairs of the Committee from September 1.

The stormy meeting ended on yet another sour note with the Chairman, Cllr. Kyne, speaking of the "great torment" he had to go through in recent months over what should have been a straightforward appointment of a temporary CEO.

Cllr. Kyne said he felt that the Committee had been reduced to the level of a Ballymagash in relation to what he termed "this critical appointment."

The CEO, Mr. Kelleher however insisted that all the correspondence in relation to the matter from the Department of Education had not been of his making. He had merely fulfilled all the obligations that governed his position as CEO.

## Council's Expenditure Reaches £1.78m

Despite the financial difficulties every Local Authority in the country has been confronted with in recent years, the members of Dungarvan Urban Council were given reassuring news at this week's meeting.

Presenting the abstract of the accounts for 1992, Mr. Bertie White, Town Clerk,

disclosed that they had had a "pretty successful" year in which the Council's expenditure had reached a record £1.78m.

"We had a nett over-expenditure of just £3,000 and that has been regarded as very good," the Town Clerk

said. Mr. White went on to say that financially the Council is doing "alright." "They have been minding the halfpennies, we are getting the work done and there is no danger of going into liquidation," he added.

The abstract of accounts were unanimously adopted on the proposal of Cllr. Paddy Power.

## Grant For Colaiste Na Rinne

Deputy Brendan Kenneally has been informed by Pat the Cope Gallagher, Minister of State, Department of Gaeltacht, that he has sanctioned a grant of £16,000 to enable Colaiste na Rinne, Ring, to build a new Basketball and Tennis courts.

"I am particularly pleased with this allocation as it means that Colaiste Na Rinne can continue to expand the range of facilities it has available for its students", stated Deputy Kenneally.

## Tenant Purchase Scheme A Disaster

The new Local Authority Tenant Purchase Scheme recently announced by the Junior Environment Minister, Emmett Stagg, was described as "an absolute disaster" by the Chairman of Dungarvan Urban Council at this week's meeting.

Cllr. Tony Wright said that in the last scheme launched in 1988 there was a purchase discount of up to 50%, but this latest one has a maximum discount of only 30%. In addition tenants will have to organise their own mortgages under the scheme.

Cllr. Wright said that while Minister Stagg is on record as saying that he wants as many people as possible to own their own homes, the scheme he has come up with is not in tune with the people at all.

He added that he did not see many people taking up the scheme, so disappointing is it overall.

Cllr. Mary Dixon also expressed reservations about the new scheme and said it could in no way compare with the last one in 1988.

However, Cllr. Michael O'Riordan said that despite all its warts, he welcomed it and he hoped there will be a good response to it.

It was agreed to circularise all details of the scheme to the Council's eligible tenants.

## Teagasc Income Report "Sorry And Sordid Reading"

The results of the Teagasc National Farm Survey published on July 12, which showed that more than half those surveyed had an annual income of less than £5,000, make sorry and sordid reading, according to the Chairman of the ICMSA's Rural Development Committee, Mr. Dan McCarty.

Mr. McCarthy said that the results of the Teagasc report highlighted the need for a farm income supplement as applies to the PAYE sector.

He said that the continued denial of a family income supplement; the absence of a land use policy; the fact that there is no off farm income limit for the payment of headage and that there is no worthwhile attempt to channel milk, suckler cow or ewe quotas to small scale producers, indicates the level of Government disinterest in the weaker sector of the farming community.

## Land Annuity Buy-Out Offer Should Be Open-Ended

The Chairman of Waterford IFA Rural Development Committee, Anthony Ryan called on the Minister of State for Agriculture, Liam Hyland to extend the Land Commission Annuity Buy-Out Scheme indefinitely, similar to the Department of the environment offer to Local Authority tenants to buy out their homes.

Mr. Ryan said the Land Annuity deal has helped 12,500 farmers so far in buying out their commitments to the Land Commission at 50% of the capital amount remaining. Many more farmers would have opted for the buy-out arrangement if the deadline date of May 31 last had been extended indefinitely.

Unfortunately, many farmers were unable to come up with the necessary finance by the May deadline then, but if given time would still

opt to participate.

Mr. Ryan called on Minister Hyland to take a leaf out of the Department of the Environment's policy for Local Authorities tenants which allows them to buy out at any time into the future. This type of scheme would have worked very well in the Agriculture sector as farming incomes fluctuate from one year to another. IFA estimate that there are still about 11,000 farmers in the Land Annuity system, many of whom would opt for a buy-out arrangement when the opportunity presented itself.

## FARMING LEADER

### 5.3 M. Gallons Of Milk Quota Must Be Carefully Allocated

The Chairman of the ICMSA Dairy Committee, Mr. Con Scully has stressed that the 5.3 million gallons of milk quota which is to be allocated free of charge to small scale producers, must be distributed to producers with less than 30,000 gallon quotas who are committed to dairying and who are dependent on dairy farming for their livelihoods.

Mr. Scully said that this 5.3 million gallons would be a life line for a number of farmers if properly allocated. The ICMSA view is that farmers who (a) are at a lower end of the production scale, (b) who have demonstrated a commitment to dairying, in that they have filled, or almost filled, their quota entitlement in the past and (c) small scale farmers who depend on dairying for their livelihoods, should receive priority in the allocation of this quota.

### O'Rourke Warns On Excessive Margins For Vet Supplies

The Chairman of the ICMSA Sheep Committee, Mr. Eamonn O'Rourke has criticised some suppliers of veterinary products to sheep farmers for taking excessive margins.

Mr. O'Rourke cited the price of sponges and PMS for controlled breeding in ewes, as an example where there is a large variation in price from one region of the country to another. He said that his experience shows that prices vary from below £2 per ewe to over £4 per ewe.

"At the higher end of the scale suppliers are obviously taking an enormous margin per ewe," said Mr. O'Rourke.

Mr. O'Rourke said that with more farmers using controlled breeding methods to have lambs ready for the market early in the year, suppliers should be able to reduce price due to larger volumes of sale.

#### SHEEP DIPPING SCHEME

On the issue of sheep dipping Mr. O'Rourke criticised the Minister for Agriculture, Food and Forestry for not making any changes to the sheep dipping scheme for this year. He said that the present scheme is expensive to comply with and is not having the desired effect as evidenced by the increasing incidence of sheep scab in recent years. In 1985 49 cases of sheep scab were reported while in 1991 134 cases were reported.

would be revised for this year but this has not happened.

He concluded by calling for immediate action to ensure that an effective system of eradicating sheep scab would be in place for 1994.

# Historic Photo-Archive Exhibition Opens At Dungarvan Museum

The recently elected chairman of Dungarvan U.D.C. Mr. Tony Wright was guest of honour at the official opening of the Richard Edward Brennan Photo-Archive Exhibition at Dungarvan Museum on Monday 12th July. Welcoming the large attendance of local councillors, representatives of Heritage Societies in Waterford, Youghal and Carrick-on-Suir, guests and society members museum president Mr. Matt Connolly paid tribute to the generous donation of the recently discovered glassplate negative collection of over 350 photographs, the work of Richard Edward Brennan (1846-1917) by Mr. Donal Lynch, South Terrace, Dungarvan.

The collection, he said was a unique record of life in Dungarvan and environs at the turn of the century and its importance was comparable to that of the Lawrence collection in the National Archive and the

Fr. Brown, S.J., collection recently the subject of a national tour, sponsored by Allied Irish Banks.

U.D.C. chairman Cllr. Tony Wright thanked the museum society for its invitation and extended con-

gratulations on its work over the last decade in providing, as a voluntary organisation, a highly successful museum for the town and district and its many tourists.

The provisions of this ser-

vice and the summer guided walking tours made a major contribution to tourism in the area, he said, and is much appreciated when heritage and history are now of great interest to all. He had, he said, much plea-

sure in declaring "The Richard Edward Brennan Exhibition" formally open.

## LOCAL

### PHOTOGRAPHERS

Mr. William Fraher, organiser of the exhibition, spoke on the numerous photographers who have captured the streetscapes and people of Dungarvan over the years. He stated that the first of these photographers was George F. Power who had "The National Studio" in Main Street. He was active from about 1875 to 1900. More familiar is the name of Edmund Keohan who came from Tramore in 1875. He started doing photography on a professional basis after 1890. In 1924 he wrote the first history of Dungarvan. Another photographer was George J. Hughes who had a studio at Park Terrace in the early 1900's. In more recent times Tom Tobin (1926-1989) recorded the places and personalities of the town and county in the 1950's. The museum hopes to mount an exhibition of his work in the near future.

Mr. Fraher then gave a brief sketch of the Brennan family. Richard Edward (1846-1917) was a son of Edward Brennan who was post master and lived at Devonshire Square (Grattan Square). Edward made an important discovery of mammoth and other remains at Shandon caves near Dungarvan in 1859.

His son Richard Edward became postmaster in turn. In 1873 he set up his own painting works and later acquired the building on the square now occupied by Curran's Furniture. In 1882 he printed a monthly magazine - "The Dungarvan Journal and General Advertiser".

Among his many interests was cycling. In 1869 he founded the first cycling club in Ireland - "The Dungarvan Ramblers". In the same year the club ran a 4 mile bicycle race, the first cycle race for a challenge cup in the British Isles. The cup was presented to the Museum by Father Columba O'Donnell, O.S.A. and is on display in this exhibition.

### INTERESTING PRINTS

The exhibition reveals another of Brennan's many talents that of photographer. This exhibition consists of a selection of the more interesting prints taken between 1900 and 1910. Included are views of Dungarvan Square and Quay and interior views of the old post office. There are excellent views of Abbeyside Castle

and a beautiful view of "The Hermitage" in Abbeyside, once the home of Sarah Purser (1848-1943).

Also included are sporting groups, country houses and views of Ring, Stradbally, Ardmore, Carrick-on-Suir etc. There is an interesting group of photos taken at the Cork Exhibition of 1902/1903.

Brennan retired as postmaster in 1913. His son David was manager of the labour exchange in Dungarvan.

He was also interested in photography and took several of the photos in this exhibition.

Mr. Fraher ended by thanking his colleagues - Donal Lynch, William Whelan, Valerie Beresford and Bernadette Sheridan for their help in preparing the exhibition.

## FAS SCHEME

On current Museum affairs the president, Mr. Connolly, informed the attendance that the society was presently engaged in a Fás Scheme researching the records of Dungarvan workhouse in the great famine period, recording the genealogy of old Dungarvan families, documenting its entire collection for computerisation whilst providing five day museum opening, daily town trail walks and off-season tourist information service. He thanked society member Mr. Andy Kelly, KilmacThomas who processed the photographs from the glassplates and exhibition organiser, Mr. William Fraher.

The society, he said, was delighted at the placement of two late 18th century cannons from Dungarvan castle in the museum forecourt and congratulated town clerk, Mr. B. White and the U.D.C. on this initiative. As president he was particularly pleased to congratulate the Mulcahy family, Abbeyside on being awarded "The National Spar Retailer Of The Year 1993" trophy and thanked them for providing the reception for the exhibition opening, the third successive year the society had benefited from the generous patronage.

The photographs on exhibition have created great interest following the official opening and already a number of events and persons which had been unidentified have now been dated and identified. The "Richard Edward Brennan Photo-Archive Exhibition" at Dungarvan Museum is open to the public daily (9-1, 2-5) Monday to Friday inclusive.

## Perjury Committed In Assault Case

At the conclusion of an assault case at Dungarvan District Court last Wednesday Judge Michael Pattwell commented that there had been perjury committed either by the complainant in the case on the one hand or by the defendant and the independent witness who gave evidence on his behalf.

Sean McGrath, Sexton Street, Abbeyside, Dungarvan, pleaded not guilty to assaulting Maurice Kiely, Kyne Park, Abbeyside, at Bridge Street on the night of March 11 last.

There was a complete conflict of evidence in the case, leading Judge Pattwell to make the comment that in his view somebody had committed perjury.

The Judge said he had to have a doubt in his mind and he dismissed the charge against McGrath.

Maurice Kiely had told the court that as he drove from Dungarvan to Abbeyside on his Honda motor cycle he

was beckoned by the defendant who was walking in the company of another person.

Kiely said he stopped and got off his motor cycle and without reason or provocation was assaulted by McGrath. The defendant, he said, caught him around the neck and put him to the ground and then verbally abused him and threatened he would break his f. . . . neck.

The defendant however said it was Kiely who pulled up alongside him and his friend and asked if his (def.) friend had been watching him that

night.

McGrath said Kiely began shouting and roaring at him

and came towards him with his motor cycle helmet in his hand. "I caught him and held him, and when he asked me to let him go, I did so. He threw himself to the ground and said he was going to the gardai," the defendant added.

Inspector Michael Blake prosecuted.

"This group is part of a new moneylending project which is about to be announced."

Friday, July 9 when Gerard, son of Mrs. M. O'Callaghan and the late Mr. O'Callaghan, Mallow, Cork was united in matrimony to Carmel, daughter of Mrs. Kathleen Hickey and the late Mrs. James Hickey, Clashganny, Newcastle.

The marriage ceremony with Nuptial Mass and Papal Blessing was solemnised by Very Rev. Fr. Aidan O'Donovan, uncle of the bride, assisted by Rev. Fr. J. J. Fennessy (cousin), Rev. Fr. Cornelius Kelleher, C.C., Fourmilewater/Newcastle and Rev. Fr. M. Fitzgerald, Mallow. The bride was attended by her sister Breda Donegan as matron of honour and the bestman was Tom O'Callaghan, brother of the groom. Soloist was Edel O'Regan and the musicians were Peter Burke, Billy McSweeney and Denis O'Sullivan.

After the church ceremony the entire wedding party motored to Hotel Minella, Clonmel where a reception took place and where a most enjoyable and musical time was spent for several hours. Later in the evening the happy pair left on their honeymoon which is being spent in Tunisia. As they left they were accorded a most congratulatory and enthusiastic send-off accompanied by the best wishes of all for a life of unclouded happiness and prosperity in the years that are ahead. Carmel, S.R.N., is on the nursing staff at St Joseph's Hospital, Clonmel.

## PRESENTATION TO WATERFORD FOOTBALLER

A presentation was made to David Phelan (Nire) on being a member of Waterford's under-21 football team. Walter Kearney, on behalf of the Nire Football Club, presented David with a beautiful inscribed mantle clock. He said it was an honour for the club to have a player of outstanding ability on the Waterford team and he wished him well against Kerry in the Munster final.

David is son of Paddy Phelan, Toureigh, Ballymacarbry, President of the United Farmers' Association. The presentation was made at an Irish Night in the Oriel Bar, Ballymacarbry.

## LATE MR. JAMES KENNEDY

It is with deep regret we pen the death of Mr. James (Jamsie) Kennedy, Bahernaugh, Newcastle, which said event took place at Our Lady's Hospital, Cashel on Thursday, July 15.

Deceased was a member of an old and respected South Tipperary family, abundantly endowed with all the true Christian traits of character. Jamsie was a thoughtful neighbour possessed of an exceptionally kind and gentle, unassuming, courteous disposition which commended him to young and old alike. He was a true gentleman in every sense of the word and a host of friends who appreciated his company now truly and justifiably grieve for the void his demise leaves. The respect and high regard in which deceased and his family are held over a wide area was truly evidenced by the large concourse of mourners who were present when his remains were removed on Friday evening from Condon's Funeral Parlour, Clonmel, to St. Mary's Parish Church, Newcastle. On Saturday morning Requiem Mass was offered for the repose of his gentle soul after which the funeral took place to the Old Churchyard at Newcastle where a friend of the people was laid to rest, again in the presence of another large concourse of sympathisers who united in a fitting tribute with life long friends and neighbours paying their respects to a Christian friend. Sincere sympathy is extended to his brother and sister and many other relatives.

## PRESENTATION TO CURATE

A presentation was made to Rev. Fr. Bobby Power, C.C., Nire/Touraneena. It took place in the Community Hall in the Nire Valley after a farewell Mass celebrated in St. Helena's Church, Nire Valley, by Fr. Power. He was presented with a beautiful camera and a wallet of notes by his Parish Priest, Very Rev. Fr. Michael Power, P.P., on behalf of the kind people of the Nire parish.

In his homily, Fr. Power, P.P. said he was sad to see a

wonderful curate leave the parish after such a short stay. Since he came to the parish just over six years ago, he has been called on to make presentations to three curates leaving the parish, Rev. Fr. Frank Lloyd, C.C., Rev. Fr. Martin Keogh, C.C. and now Rev. Fr. Bobby Power, C.C.

Fr. Power, C.C., left the parish on Thursday, July 15 for St. John's Parish, Waterford City. The people of the Nire Parish wish him well in his new appointment.

## Ballyporeen Priest's Golden Jubilee

76-year-old Rev. Fr. Joseph Bracken, A.P., Ballyporeen recently celebrated his golden jubilee of the priesthood. Fr. Joseph celebrated a special jubilee Mass in the Church of Our Lady of the Assumption, Ballyporeen, last Saturday night watched by 78 of his relatives from all corners of Ireland and the United Kingdom.

Later they were to attend a special function in the nearby Parochial House where the retired parish priest now lives.

Born in the town of Clonmel on June 27, 1917, he was ordained in Maynooth in 1943 and took up his first appointment across the water in Slough near London from 1943 to 1944. He then came back to Faithlegg, Co. Wexford to the De La Salle Scholasticate for the next two years before moving on to St. Patrick's Parish, Waterford City for the next seven months. Old Parish/Ring was his next appointment where he remained from 1947 to 1956 and from there to Four-Mile-Water/Newcastle for the next sixteen years.

It was in Four-Mile-Water Parish that Fr. Joseph established himself as more than a bit of a songwriter, soon to become renowned for his musical talents. It was then that he wrote the song "April 1916" which won the Munster Comhaltas organised song contest and which was subsequently recorded by several leading artistes. In 1968 his composition "Ar An Sli Go Cluain Meala" won the Castlebar

open competition and subsequently he wrote many successful musicals, including "The Return of the Gobán Saor," and several pantomimes, the most outstanding of which was the "Pirates of Ballymacarbry" — a skit on the ESB's rural electrification schemes.

He was then appointed curate at Ballylooby/Dunhill for four years. From there he was transferred to Dungarvan and subsequently he was appointed Parish Priest of Newtown/Kill/Sallen from 1978 to 1986. The parish of Ballyporeen was then fortunate to get the services of the jovial, much-loved priest in June 1986 and he headed the parish until his retirement in July 1992. Even though officially retired, he still keeps busy as an "Associate Pastor."

He states in his own words: "apart from that, I'm keeping occupied, writing more musicals. It's a way of passing the time. I love Ballyporeen and I hope to stay here for the rest of my days, and God willing, I will be buried here," he told us.

The parish of Ballyporeen hope that Fr. Joe will be around for many, many

years. The people of the parish presented Fr. Bracken with a special plaque to mark his golden jubilee.

## SILVER JUBILEE

Very Rev. Fr. J. J. Fennessy, Kilnacarriga, Newcastle, recently celebrated the silver jubilee of his ordination with his parishioners in St. John's, Neuman Parish, Atlanta. Sincere congratulations to him. He is at present on vacation in his native Newcastle.

## VISIT OF NEW YORK U-16 FOOTBALL TEAM

An under-16 Gaelic football team from New York will visit the Ballymacarbry-Touraneena area from July 26 to July 29. The visiting team hopes to play games against Naomh Bríd, Nire, St. Patrick's and Cahir and to

stay in the homes of local players for the duration of the visit.

Former Four-Mile-Water Gael John Phelan of Graignagour and New York, who is organiser of the trip, and a small party of adults, will travel with the team.

## MASS FOR THE DEAR DEPARTED

On last Wednesday evening, July 14 Mass was celebrated at the Ancient Burial Ground at Cillcloggin, Ballymacarbry. The celebrant was Very Rev. Fr. Edmund Tobin, P.P., Fourmilewater/Newcastle. There was a large attendance present and included in the attendance was Very Rev. Fr. Maurice O'Gorman, P.P., Clashmore/Piltown.

On Thursday evening Mass was celebrated at Bennett's Church churchyard. The celebrant was again Very Rev. Fr. Edmund Tobin, P.P., who thanked the many people present. He also thanked the Waterford County Council workers for their help in cleaning the old cemeteries.

On this Wednesday evening, July 21 Mass will be celebrated at Kilronan Ancient Church at 7.30 p.m. You are requested to attend.

# ABBEYSIDE

## VILLAGE TOPICS

### OUR LOCALITY ABBEYSIDE

A pretty village by the sea,  
Unchanged by time at least, to me.  
The scenic views are truly grand,  
From every point around that land.  
The hills, the sea, the Church and strand.  
Lovely harbour, peaceful bay.  
Famous archway, quaint old quay.  
All joined up by the old Causeway.  
Dear old pond where I loved to play,  
Or watch the ships berth at the quay.  
Same old walks, the lodge, Lands End.  
The cove with strand just round the bend.  
Happy days I oft recall.  
Friendly neighbours good and kind,  
Who helped the sick, the lame and blind.  
That village spirit soaring high,  
Like seagulls to the clear blue sky.  
To those still there,  
God stretch your lease.  
To those departed,  
Rest in peace.

K. Lowe

### CAMP THUNDERBIRD AT THE FRIARY COLLEGE

Are you between the age of 5 to 12 years? Come the last week in July do you think you might be bored of the holidays especially if the weather continues to be broken as it has been over the last few days. Well CAMP THUNDERBIRD situated in the 45 acres surrounding the Friary College in Duckspool may provide the solution to your problem. From Monday 26th July for one week John Kett and his team of 5 leaders will provide a wide range of activities for 100 children. Sports involved are Gaelic Football, Soccer, Gymnastics, Tennis, Basketball, Volleyball, Athletics, etc. The children will also be given the opportunity to dabble in the sport of Orienteering where the young athletes will have to make their way from station to station by following a

map of the college grounds. As usual there will be a day trip to the swimming pool in Fermoy. This is the tenth anniversary of Camp Thunderbird and it promises to be the most successful and best organised to date. It is satisfying to see the well laid out grounds of the Friary College being used during the Summer months to provide properly supervised activities for the children of the locality.

#### TROOP MEETING

Saturday's meeting was shorter than normal as the meeting was given over to preparations for camp, mainly to do with personal gear. All camp neckerchiefs and booklets were handed out as well as t-shirts, and now no one should be in any doubt as far as what to bring to camp is concerned. Uniforms were looking tidy and smart and anyone missing even the smallest piece of uniform should acquire it before leaving for camp.

Next Saturday evening Fr. Ahearne will say Mass for us in the Den before we leave on the bus, this Mass starts at 5.15 p.m. and all parents are more than welcome to attend. All scouts should bring their camping gear with them to the den at 5 p.m.

So now the final countdown has begun to Annual Camp '93 the 63rd camp to be held by the 4th Waterford and the third time to

# Unique National Award For Abbeyside Supermarket

Pictured at the presentation of the SPAR Retailer of the Year Award with winners Don and Susan Mulcahy, SPAR, Abbeyside, Dungarvan were James and Rita Warren, Cork. James Warren is Sales Manager of SPAR Wholesalers Munster United Merchants.

Don Mulcahy, who operates the popular Spar supermarket at Abbeyside, Dungarvan, with the assistance of his wife Susan, sons Kevin and Chris and a dedicated staff, has been selected as Spar Retailer of the Year. This is a great honour at any time but it takes on a particular significance this year as Spar celebrates 30 years in Ireland.

Bernhard Schmidt, President of International Spar - Spar now operates in 24 countries - presented Mr. Mulcahy with a signed certificate during the International Spar Congress which was held in

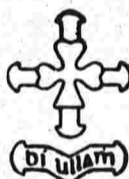

Dublin. At a subsequent dinner, attended by the Mulcahy family, Spar Ireland presented Don and Susan with a suitably engraved Irish hand cut crystal bowl.

The winning of this prestigious award confirms what the 10,000 weekly customers of Mulcahy's already know, that when it comes to local supermarket shopping, Mulcahy's Spar in Abbeyside is unbeatable with its fresh meat, delicatessen, fruit and veg., freshly baked bread and confectionery as well as extensive range of packaged groceries, health and beauty products and newspapers.

The Mulcahy family have operated a grocery store at this location for over 50 years. In 1965 they joined Spar and subsequently expanded the premises to its current spaciousness. In 1990, Don Mulcahy extensively revamped the supermarket so that today it is modern, bright and well stocked.

"We provide a superior personal service at very competitive prices and in addition, we open long hours every day, so we're here whenever customers need us", summaries Don Mulcahy's success formula.

## Abbeyside Scout Notes

#### GOOD WISHES

We send best wishes to Ann and Jenny Power and all the Guides who are on Annual Camp this week in Waterford and hope it stays fine for them. — Scribe.

camp in Chalfont Heights, London. Now all the 32 scouts and leaders need is plenty of fine weather, so keep tuned to these notes for up-dates on our adventures in London in the coming weeks!

## ACTIVITY IN DOG LEAF PARK

The Heineken Pub League still continues to attract good spectator support as the competition winds its way to the penultimate stages.

Reports also confirm that Abbeyside A.F.C. had a very successful Annual General Meeting lately which it is hoped will set the club on a secure footing for the coming twelve months. Chairman Sean Woods hopes to field an extra adult team in the coming season so this may be

the opportunity for some former players to come out of retirement.

Noteworthy too is the general clean up that has been done on the area surrounding the field which was achieved by club members with the co-operation of the Urban District Council. However, one discordant fact that remains is the graffiti on the wall at the road end of the pitch. Some of it is insulting in a personal way and should be obliterated.

## Abbeyside Girl Guide Notes

#### SPL'S GO CANOEING

Last Thursday evening four of our SPL's, one SL, one GL and one visiting scout, Pauline, went canoeing in Ballinacourty. Following a basic lesson on paddling, everyone got on the sea where they tried to catch the waves! Afterwards our canoers set off for the lighthouse, with only one slight accident en route.

All in all, everyone thoroughly enjoyed themselves and are now eagerly looking forward to their next session.

#### WATERFORD '93 — AND WE'RE OFF

Going, going, gone . . . by the time you read this we will be halfway through our camp, but you'll have to wait till next week to get the full report.

#### EXHIBITION

Abbeyside Reference Archives are due to hold an exhibition of books, etc., from August 9 to August 15. We will have a display set up in the Den to run in conjunction with this. Information on all sections will be available for new members, while past and present members might enjoy filing through our photograph collection — something for everyone, so come along — all are welcome.

#### BON VOYAGE

We wish the 4th Waterford scouts a happy and safe camp in Chalfont. They will be heading off next Saturday evening, just hours after our return, so bon voyage lads — have a good time!

# Ultratone - The Ultimate Body Shaper

## A PROGRAMME TAILORMADE TO SUIT YOU

The two "state of the art" Ultratone units are a beauty therapists dream combining the ultimate in Professional Bodyslapping and streamlining in the following programmes:

### THE ULTRAFAST PROGRAMME

This is the ultimate inch loss programme. The treatment itself lasts 17 minutes and the results, you'll be pleased to hear, are immediate. For "first timers" this is the ideal introduction treatment for effective and immediate results - clients are measured before and after the treatment.

### THE SLIMMING PROGRAMME

This is recommended as the ideal follow up to the Ultrafast programme for maintaining inch loss in all vital areas. Slack muscles are pulled in and general tone is restored. This is also the ideal programme for enhancing results gained from the Weight loss Programme.

### THE CELLULITE PROGRAMME

Most women can relate to the "orange dimpled" appearance that we know as cellulite. The Cellulite Programme provides effective stimulation of the superficial muscles thus increasing bloodflow and thereby helping to reduce fatty deposits. When used in conjunction with cellulite creams and essential oils this programme will restore muscle tone and improve the skin's texture and appearance.

### THE POST NATAL PROGRAMME

This programme is not just for use after childbirth but for anyone who has a problem in the "tummy" region. The programme effectively pulls in, strengthens and tightens the offending muscles which have become distended through childbirth or prolonged periods of bedrest - leaving you with a shapelier outline.

### THE LYMPHATIC DRAINAGE PROGRAMME

This programme effectively stimulates a pumping action which drains the body's toxins through the lymphatic system and the effect is similar to that of manual lymphatic drainage massage. Through a combination of massage and exercise muscle tone and definition is restored making this the ideal choice for all those who need to "detoxify".

### THE FITNESS PROGRAMME

This programme targets those "problem" muscles which don't get regular exercise - such as the stomach muscles by pulling them in, firming them and giving a noticeable "lift" to areas that tend to sag and remain

out of shape. It is precise and intense and ideal for reducing the waist, hip, bottom and thigh measurements through its effective tightening and toning process.

### THE WORKOUT PROGRAMME

This is the ideal choice for regular customers who want to stay in shape. The Workout Programme provides intense muscle building exercises to increase strength by tightening, firming and toning areas which refuse to respond to normal exercise - areas such as waist hips, bottom and thighs will receive a sleeker outline.

### THE POSTURE/THERAPEUTIC PROGRAMME

This programme uses gentle stimulation to strengthen and tone the posture muscles which are responsible for holding the body in correct alignment - thus creating a shapelier outline.

This is the ideal programme for sedentary workers and for those who lifestyles may involve a lot of driving during which time they are not sitting with correct posture.

Monday, July 26 is the Feast of Saints Joachim and Anne, parents of Our Lady. "Being a parent today brings worries and difficulties, as well as joys and satisfactions. Your children are your treasure. They love you very much, even if they sometimes find it hard to express that love. They look for independence and are reluctant to conform. Sometimes they wish to reject past traditions and even reject their faith. In the family, bridges are meant to be built, not broken, and new expressions of wisdom and truth can be fashioned from the meeting of experience and inquiry."

### KILMATHOMAS G.A.A. NOTES

**Phelan Cup** — Our senior footballers played a draw with Co. Champions Dungarvan in the quarter final of the "92" Phelan Cup in Leamybrien on Tuesday evening last 2-7 to 0-13. Feature of the game was the brilliant goal scored by minor player Michéal Downey that brought Kilmac' right back into the game and saw them a point ahead with time almost up but Dungarvan came back to score the equaliser in the closing stages. Sean Behan received a serious leg injury in this game and we hope to see him out and about in the not too distant future.

**Deise Draw** — Promoters and subscribers are reminded that cash has to be returned to Theresa Power on or before Monday night next July 26th.

**Married** — Congratulations from all club members goes to Derry and Linda who were married in Waterford on Friday last. We wish them many years of married bliss.

**On Waterford Team** — Paddy McGrath was a member of the Waterford Under 21 football panel that defeated Tipperary after extra time in Clonmel recently. They now take on Kerry in the Munster final on this Friday evening in Walsh Park, Waterford. We wish Paddy and the boys the very best of luck.

**Jim Power Memorial Cup** — The Jim Power Memorial Cup Inter County Under 14 football will be held in the local G.A.A. grounds on this Saturday evening July 24th. This tournament is kindly sponsored by Roadstone and will see teams from Kilkenny, Carlow, Waterford and Wexford (Holders) competing for the beautiful Jim Power Memorial cup. The first semi-final is at 1 o'clock, the 2nd semi-final at 2.15 p.m. and the final arranged for 4.30 p.m. Presentation of Cup and trophies after the final and refreshments will be served in Danny's afterwards.

**Under 12 Football** — Our Under 12 footballers have played a good campaign in recent week's and although Veay, Gowry and Small have still managed to qualify for the knock out stages with wins over St. Mollernas, St. Hearth, Ferrybank and a draw with Dunhill/Fenor and only one defeat by St. Mary's.

**Name The Year** — Following is a report on a match played by the local Soccer Club in the early 50's. I wonder could anyone tell the exact year?

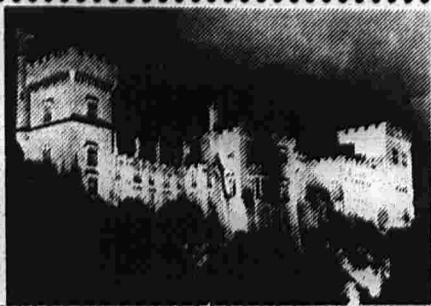

**SOCCER**  
Kilmacthomas Junior Soccer team played Gracedieu Emmetts at Scrahan on Sunday week last in the Junior League and were rather un-luckily beaten by four goals to two. The Kilmac' side, although short four of their regular players, through injuries etc., put up a good show and were in the game with a chance up to the final whistle. The conditions were all against good football, but both sides played very well, and at times the standard of play was very high.

The Waterford side took the lead in the tenth minute when their inside-right shot a good goal. After some keen midfield exchanges, the home side broke away and equalised, when R. Purcell shot to the net, in the twentieth minute. Emmetts were awarded a penalty for hands in the twenty-fifth minute. Their penalty-taker sent in a brilliant shot for the corner of the net, but the Kilmac' goalkeeper (M. Carey) brought off the best save ever seen at this venue when he dived full length and tipped the ball round the post for a corner. He was loudly applauded for his effort. Emmetts scored another goal before the interval and so led 2-1 at half time. In the second half Kilmacthomas equalised when an Emmett's defender mis-kicked and R. Purcell again shot to the net. Emmetts were awarded another penalty in the second half an M. Carey made another brilliant save but owing to an infringement the kick had to be retaken, and once again M. Carey dived full length to save. Five minutes later J. Carey sent in a shot from the wing which hit the upright and went outside, with the Emmetts goalkeeper beaten. Ten minutes from time Emmetts scored their third goal when their right winger headed a picture goal. They scored their fourth with practically the last kick of the game.

M. Carey played another good game between the posts for Kilmacthomas, for whom J. Carey and M. Power also played well.

A very large number travelled to Kilcohan Park, Waterford from this area on Sunday last to see the League of Ireland game in which Transport beat Waterford by 6 goals to 2.

On Saturday 24th July ultra distance runner Ray McConnell of Lismore A.C. will retrace the route taken by St. Carthage in 636 AD from Rahan in County Offaly to Lismore in County Waterford, a distance of 95 miles passing through Kinnity, Roscrea, Templemore, Thurles, Cashel and Cahir.

St. Carthage left Rahan with 800 followers mainly monks and students and travelled south to Lismore. He founded a settlement in 636 AD, which in the 8th century flourished to become one of the greatest seats of learning in Europe. This story can be experienced in the Lismore Heritage Centre. Here your host Brother Declan alias Nial Toibin will take you on a fascinating journey through time in the award winning 'Lismore Experience' an exciting multi-media presentation which tells the story of the town since 636. Discover more about Walter Raleigh, Robert Boyle, father of modern chemistry, even Fred Astaire. Hear the strange story of the 'Book of Lismore' dating back 1000 years and of the Lismore Crozier discovered in the castle walls in 1814.

Ray, who holds the Irish record for 100 miles, 24 hours (30) miles, 48 hours 182 miles and 6 days is using this run not only to highlight Lismore attractions but as part of his final preparations for the 100 kilometres world championship race in Belgium next month, in which he was selected to represent Ireland.

He will arrive at the Courthouse at approximately 8.15 p.m. where he will be welcomed back by Mrs. Mary Ryan, chairperson of Lismore Town Committee.

## HAZARDOUS STATE OF FOOTPATHS IN DUNGARVAN

Dear Editor,

As a mother of three young children, I wish to voice my frustration concerning the state of the footpaths in the town of Dungarvan, with obstacles of every description — bins on the side of footpaths, sandwich boards and of course bicycles, not to mention supermarket trolleys.

It's hazardous to walk with a buggy and a child by the hand as they will receive so many bumps from these inanimate objects.

Thanking you for your valuable space.

It was known almost immediately that Brendan had broken his right leg and after a lengthy hold up an ambulance arrived to take him to Waterford Regional Hospital. Brendan will be a huge loss to this junior team and also to our minor and Under 21 panels. Hopefully he can make a quick recovery and a return to football later this year. The score at the time saw Ballinacourty leading by 0-3 to 0-2.

### LADIES FOOTBALL U-14 Championship

**Kilrossanty 2-5 Dunhill 1-1** — On Tuesday evening last we travelled to Dunhill G.A.A. grounds to play the 3rd round of the championship. This was a very exciting contest with very little between the teams. At half time we led by 3 pts. Playing against the wind in the second half it was a battle all through. However, with Martina Walsh in fine scoring form with a personal tally of 1-4 we secured victory.

Kilrossanty Beat St. Garvans

In the 4th round we played St. Garvans in Leamybrien on Thursday evening. Again this was an exciting contest, St. Garvans fielding a bigger team made our girls battle all the way. St. Garvans were first to score. We didn't register our first score until the 17th minute, a goal by M. Walsh. At the interval we led by just 2 pts. In the second half, we played much better football and goals from T. Whyte, M. Fraher (2) and P. Walsh sealed the issue for us.

This win puts us through to the play-off stages of the competition.

### Presentation Of Medals

### BRIDE VIEW UTD. A.F.C. NOTES

## United Win The Flavin Cup

Uniteds U-12 team won the Flavin Cup on Sunday when the lads turned in a powerful display against the homeside Youghal.

The pitch was in excellent condition and the big crowd present added a real cup tie atmosphere.

United piled on the pressure in the first half but the homeside's defence stood firm with their 'keeper outstanding. With just 2 minutes remaining Padraig Tobin sent Paul Murray a great pass and Murray blasted the ball to the net to put United in front. Murray's goal separated the sides at the break.

The second half was keenly fought with Youghal going all out for the equaliser. However, it was United who increased their lead when William Henley set up Dave Ahearn to score a great goal. Paul Geary rounded off the scoring in the final minute when he scored from close range.

The final whistle brought great scenes of joy to Uniteds players and subs. with eighteen players in the squad it was not possible to give all the lads a game.

Our keeper P. Kearney brought off two great saves to keep us in the game while his back four of S. McCarthy, P. Tobin, D. Beecher and W. McDonnell were outstanding. Our midfielders D. and P. O'Brien as well as P. Murray had tremendous games. Up front O. Fitzgerald, C. Sullivan and W. Henley as well as our reserves who both scored namely D. Ahearn and P. Geary all played with flair and skill.

Utd. - P. Kearney, S. McCarthy, P. Tobin, D. Beecher, W. McDonnell, D. O'Brien, P. Murray, P. O'Brien, O. Fitzgerald, C. Sullivan and W. Henley. Res. - D. Ahearn, P. Geary, R. Prendergast, P. Prendergast, A. Tobin, W. Curley and A. Kearney.

## All Football Programme At The Sportsfield

It was an all football programme last week-end. On Saturday evening it was the junior championship Kilgobinet v. Tallow. This competition would appear to have lost some of its popularity as only a handful of spectators turned up, almost all of whom were from Kilgobinet. Tallow were a little late arriving at the venue and were somewhat short of players but they managed to put fifteen on the field.

The game itself was very one-sided and there was never any doubt about the result. The greens went in at half time leading on the score 3-7 to 0-2.

Tallow with wind advantage would have been expected to do better in the second-half but it was not to be. Kilgobinet dominated and ran out the easiest of winners on the score 5-16 to 0-3.

Kilgobinet — S. Fennell, P. Byrne, L. Curley, T. Kiely, J. Dunford, T. Burke, E. Phelan, K. Walsh, M. Dunford, J. Nugent, J. Moore, J. Walsh, J. Walsh, K. Walsh, M. McCarthy.

Tallow — B. Pratt, S. Hampton, S. Curely, W. Murphy, P. Henley, T. Sheehan, D. Martin, S. Hogan, E. Cusack, T. McSweeney, D.

Henley, J. O'Brien, M. Tobin, S. O'Brien, F. Murphy.

On Sunday afternoon it was the Intermediate football championship meeting of Ardmore and Brickey Rangers. Brickeys started well in this game and with former intercounty player Jim McGrath dominant they should have scored much more than they actually did in the first-half. Their goalkeeper did very well during the period with at least three excellent saves to his credit.

The spark which Ardmore needed came in the 4th minute of the second half when midfielder M. Veale kicked an excellent point from play. The turning point came midway through the half. Following a goalmouth melee, one umpire signaled a 45 but following consultation the green flag was raised. It was deemed that the Brickey keeper had taken the ball from behind the line. Following this Ardmore defended doggedly. Brickeys were wide from two frees which on another day Jim McGrath would have converted. So by and large the luck was with the seashores and they got there by one point 1-8 to 0-10.

Ardmore — D. McNamara, T. Power, J. Power, P. Hennessey, M. Veale, E. Power, S. Keevers, M. Veale, N. Keating, A. Murphy, J. Hallahan, S. Veale, P. Walsh, J. Hennessey, P. Hallahan.

Brickeys — B. Collins, A. Murphy, P. Ryan, M. O'Brien, M. O'Connor, C. Mellor, W. Halpin, T. Halpin, T. Shanley, S. Cummins, J. McGrath, T. Lennon, B. Whelan, N. O'Connor, T. Whelan.

Scorers in the game were — D. Walsh 1-1, A. Gilligan 0-4, T. Sullivan 1-0, M. Lacey 1-0, F. McCarthy 0-3.

Team — M. Lacey, E. Flynn, P. Casey, M. Browne, P. Cullen, M. Buckley, A. McCarthy, M. Lacey, K. Mason, D. Walsh, E. McGrath, F. McCarthy, T. Sullivan, M. McCarthy and A. Gilligan. Subs. — R. Curran for Cullen, T. Henneby for M. McCarthy. Other panel members were M. Croke, K. Reddy, T. Stapleton, D. Morrissey, P. McLoughlin, J. McGrath.

**COUNTY DRAW**  
Promoters are requested to have cards and cash with draw co-ordinator James Morrissey on or before Thursday of this week.

**PLAYING FOR WATERFORD**

Best of luck to Ciarán Cullinane and Martin Reddy who will be on county duty with the Waterford Under 21 football team when they take on Kerry at Walsh Park on Friday night.

McLoughlin, M. McCarthy, R. Flynn. Subs. — K. McCarthy and M. Lacey.

**U-16 HURLERS**

Our Under 16 hurlers have had some good victories in the championship to date against Naomh Brfd and Tallow but went under by a single point to Fourmilewater last Sunday morning. This defeat is by no means the end of the road for these young lads as they must yet meet St. Pats and a good victory here would see them qualify for the final stages.

**INJURED**  
We wish injured players Michael Croke and Liam Costin a speedy return to full fitness. Also to Ciarán Cullinane who is also nursing an injury.

**JUNIOR FOOTBALLERS WIN**

Our junior footballers recorded a good win in the first play off game v. An Rinn. We were able to tog out 23 players thanks to good organising by the excellent team management.

## OLD PUB IN MAIN ST. DEMOLISHED

Early on Saturday morning last men and machinery moved in to demolish a house in Main Street. This was once a public house in the ownership of the Morrissey family. It was a well known meeting place of the farming community and was the mecca of buyers, dealers, drovers and others who attended the monthly fairs in the town. The last licensee was Miss Bridie Morrissey (later Mrs. Teeling) who carried on business there up until about thirty years ago.

The house had been unoccupied for some thirty years and unfortunately was deemed to be in a dangerous condition hence the demolition. Some of our older residents watched with a touch of nostalgia on Saturday as the walls came crumbling down. It was the final act in yet another of the well known family businesses.

## THIS WEEK'S QUESTION

## AFFANE/CAPPOQUIN G.A.A NOTES

# Intermediate Hurlers Beaten

**CLONEA 2-11 CAPPOQUIN 2-3**

We were defeated by Clonea last Sunday evening in the championship. This game was played in dreadful conditions and hurling skills went out the window as players tried to combat the treacherous slippery surface. Clonea played the right type of hurling on the night and duly won while we persisted with picking which proved a very unsuccessful gambit. We had sufficient scoring chances which we failed to convert. Also all those all missed frees proved costly at the end. We lost two players during the game through injury and this coupled with the absence of two key players from the original line-out did not help our cause.

Team — P. Casey, J. Mason, M. Croke, S. Fraher, P. Cullen, J. Buckley, P. Manahan, L. Costin, D. Cummins, A. McCarthy, S. McCarthy, F. Murray, F.

## THE LATE MRS. GABRIEL CURRAN (NEE WHELAN) TIVOLI TCE., CAPPOQUIN

On Monday evening July 12th the people of the town of Cappoquin and surrounding areas were very saddened to learn of the passing after a brief illness of a much loved and highly respected Cappoquin woman Mrs. Gay Curran, Tivoli Tce., Cappoquin at the early age of 40 yrs.

Gay was very well known and will be remembered by many for the days when she was employed at Meskill's shop prior to her marriage. Gay was a wonderful wife, mother, and a devoted daughter-in-law to Gran Curran and no better neighbour could one wish for. Gay was always there and willing to lend a helping hand when ever required, always putting other before herself. She always showed nothing but kindness to others. Gay was a great supporter of Morrisseys Dart Club, also of Cappoquin Soccer Club and where ever there was a dart or soccer final Gays voice was always heard and indeed it was proof of the high esteem in which Gay was held in our community by the guard of honour and huge cortege at her obsequies. Gay will be very sadly missed by her loving husband Pa and young family to whom we tender sincere sympathy.

On Tuesday evening her remains left the Hospital Mortuary Dungarvan for St. Marys Church, Cappoquin. On arrival in Cappoquin the cortege was met at the hurling field by a guard of honour formed by members of the soccer and dart clubs, and her coffin was shouldered through the Main Street to the Church where the remains were received and blessed by Fr. Lloyd assisted by Fr. Doocey.

On Wednesday morning Requiem Mass was celebrated by Fr. John Doocey (cousin of deceased) assisted by Fr. Lloyd and Fr. Eamonn Sweeney. In his homily Fr. Doocey spoke of Gay with great affection. The lessons were read by Pat Curran and Brendan Whelan. The prayers of the faithful by Jacinta Barry, Elaine Maher, Fiona and Olivia Coughlan. The gifts were presented by Hilda, Deirdre and Stephen Curran. The Psalm was sung by Irene Cahill. During the mass some beautiful hymns were sung by the members of the senior and junior choirs accompanied by Mairead Cullinane on the organ. As the remains were taken from the church a guard of honour was formed by the members of the soccer and Morrisseys dart club and the staff of M. D. O'Connors.

Gay's remains were then taken on their final journey the coffin draped in the soccer clubs colours being shouldered to the Boathouse. The cortege paused at Vat Buttons at the end of Tivoli Tce. At St. Declans cemetery the remains were received by Fr. Doocey and Fr. Lloyd at the graveside and prayers were recited by Fr. Doocey. Gay was then finally laid to rest there where a huge cortege was present on both occasions. Many beautiful floral tributes were received. May she rest in peace.

Chief Mourners — Pa, husband; Stephen, Tommy, Darren, sons; Hilda, Deirdre, Maria, Jenny, daughters; James and Mary Whelan, parents; John, Brian, Brendan, brothers; Helen, Peggy, Breda, Colette, Vera, Caroline, Sinead, Hillary, sisters; Gran (Curran), brothers-in-law, sisters-in-law, uncles, aunts, nephews, nieces, cousins, other relatives and a very large circle of friends.

[Funeral arrangements by Adian Walsh and Sons, Cappoquin, Tel. (058) 54008]

## LATE FR. STEVE BRENNAN

The people were saddened last week when it was learned that Fr. Steve had passed away in Australia. A member of a well known local family his late mother carried on a thriving grocery business at Main St. Fr. Steve was a member of the Cappoquin junior hurling team which won county honours in 1944 defeating Clonea-Power in the county final following a tough duel with Modeligo in the West. He maintained his interest in hurling right through his life and attended many matches when on holiday. He even took a major part in the preparation of a Cappoquin senior team, a team which with a bit of luck, could have taken county honours.

Following his ordination his emigration to down under was delayed for a

considerable period due to war time travel difficulties. He eventually left (by sea) via the Suez Canal. Sometime later his family received a cablegram to say that he had arrived safely in Capetown. He still had a long way to go but like the many great Irish priests who went before him he finally reached the place he had chosen for his ministry. It was many years before he saw his native town again but back he did come and continued to do so up to a year or two ago. He led the life followed by Irish missionaries for hundreds of years. He worked hard in the interest of his parishes in the land of the Southern Cross but his heart was always in Cappoquin with his family and the boys he played his hurling with.

Fr. Brennan was laid to

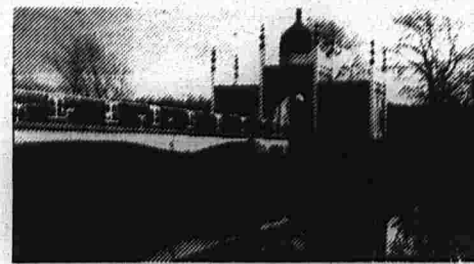

rest on Monday in New South Wales following Requiem Mass in the parish where he ministered, Glen Mns. in the Diocese of Armadale. In St. Mary's Church, Cappoquin, on Tuesday morning concelebrated Requiem Mass was offered for the repose of his soul.

Sympathy is extended to his sister Pauline and her family. May he rest in peace.

## BEREAVED

Sympathy is extended to Mrs. Marguerite Fraher, Shanbally, on the death of her sister which sad event occurred in France recently.

The time for Mass is 12 noon.

## SYMPATHY

We wish to tender our deepest sympathy to Mrs. Mary Connery, Ballinamultina, Clashmore on the death of her wonderful father Mr. Sonny Cunningham, Ballymacoda who passed peacefully from this life on Friday morning July 9th at his home. Having celebrated his 91st birthday earlier this year Sonny lived all of his life to its fullness. Having retired from farming twenty years ago his work on his garden became his pride and joy and it was a credit to him. Throughout his life Sonny enjoyed excellent health and despite his advancing years his unexpected death was a great shock to everyone.

Last year Sonny and his wife May along with their daughters Mary, Kitty, Eileen and Joan and their extended families, neighbours and friends celebrated the Golden Jubilee of their marriage.

Through their frequent visits to Mary here in Clashmore Sonny and Mary became a very popular couple. The chain has been broken, the main link has gone and it is with great sadness this close knit family parted with this kind and gentle husband and father. May the soil which you loved so much rest gently on your breast in St. Joseph's Cemetery, Ladysbridge, Sonny.

We talk about you still,  
You haven't been forgotten,  
You know you never will.

(Always remembered by your loving sisters Hannie and May.)

**BUTLER — Sixth Anniversary** — In loving memory of James Butler, late of 16, Caseyville, Dungarvan, who died on July 19, 1987. R.I.P.

Out of our lives, Dad, you have gone,  
But deep in our hearts you will always live on,  
Those who remember him, today,  
A little prayer to Jesus say.

(Always remembered by your loving family at home and in London.)

**CONDON — Second Anniversary** — In loving memory of my dear mother, Nora Condon, late of Parkdota, Tallow, Co. Waterford who died on July 23, 1991. R.I.P. Masses offered.

We lost a mother with a heart of gold,  
How much we miss her can never be told,  
She shared our troubles and helped as along,  
If we follow her footsteps we will never go wrong.

(Always remembered by your loving son Michael, daughter-in-law Margaret and family.)

**CONDON — Second Anniversary** — In loving memory of my dear Mam, Nora Condon, late of Parkdota, Tallow, Co. Waterford who died on July 23, 1991. R.I.P. Mass offered.

We would give the world if we could say,  
We are going to see Mam today,  
To hear her voice, to see her smile,  
To sit and talk with her awhile.

Forget you Mam, we never will,  
For in our hearts we love you still,  
Tears may pass and tears may dry,  
But memories of you will never die.  
(Sadly missed and always remembered by your loving son Jim, daughter-in-law Peggy and family.)

**DAYNES — First Anniversary** — In loving memory of Peggy, who died on July 19, 1992. R.I.P.

Not a day do we forget you, Mam,  
In our hearts you are always near,  
We who loved you, sadly miss you,

As it dawns another year,  
So in heaven you rest, no worries, no pain,  
God bless you, Mam, till we meet again.

So keep your arms around her, Lord,  
And give her special care,  
Make up for all she suffered,  
And all that seemed unfair.

(Always remembered by your loving family at home and in London.)

What love in life should really have been.

(Sadly missed by her loving husband, Pat.)

**WADE — Fifth Anniversary** — In loving memory of my mother, Helen Wade, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.

For every thought there is a tear,  
For a mother I miss and loved so dear,  
The tears in my eyes can be wiped away,  
But the pain in my heart will always stay.

(Always remembered by your loving son, John.)

**WADE — Fifth Anniversary** — In loving memory of my mother, Helen Wade, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.

If I could visit heaven,  
Mam,  
On this my saddest day,  
Maybe just for a moment,  
The pain would go away.  
I would put my arms around you, Mam,

And say these words so true,  
My heart has held an empty space,  
Since the day that I lost you.

And so today I pray, Mam,  
That God will let you know,  
How lonely life is without you,  
And how I miss you so.

(Never forgotten by your loving daughter Anne, Bob, Lisa, Tonya, Stacey, Jason.)

The 9 a.m. Mass in the Parish Church, Dungarvan on Sunday, July 25 will be offered up for my mother.

**WADE — Fifth Anniversary** — In loving memory of my mother, Helen Wade, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.

As down the road of memories,  
I gently tread today,  
My loving thoughts are with you,

As life goes on its way,  
Time may heal the heartaches  
Like the smile that hides the tears

But happy memories keep you close,  
Despite the passing years,  
Will those who think of her today,

A little prayer to Jesus say,  
(Always remembered and never forgotten by your loving son Tony.)

**WADE — Fifth Anniversary** — In loving memory of my dear mother, Helen Wade, late of 3, Sheare's Street, Abbeyside, Dungarvan, who died on July 24, 1988. R.I.P.

Sad are the hearts that loved you,  
Silent the tears that fall,  
Living life without you,  
Is the hardest part of all.

(Sadly missed by her loving son Danny, Jaki and grandson Dean.)

**WADE — Fifth Anniversary** — In loving memory of my dear sister, Helen Wade, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.

Your memory is precious and never grows old,  
It is locked in our hearts in letters of gold,  
Your presence we miss and memories we treasure,

Missing you always, forgetting you never.

(Always remembered by your loving sister Mary and family.)  
Mass on Saturday, July 24, at Abbeyside Church at 7.30 p.m.

**WADE — Fifth Anniversary** — In loving memory of my dear sister, Helen Wade, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.

When we find ourselves in times of trouble,  
The thing we do is pray,  
To a sister we loved so very much,  
In a very special way.

The most wonderful sister to ever live,  
Whatever she had she was willing to give,  
She never complained, she wasn't that kind,  
She was one of those sisters hard to find,  
So soft and gentle, so loving, so tender,  
A beautiful sister we will always remember,  
Quietly today your memory we treasure.

(Always remembered by your loving sister Sheila, brother-in-law Jimmy and family.)

**Touraneena Notes**

**FAREWELL TO FR. BOBBY**  
 Last week the people of Sliabh gCua and The Nire, bade farewell to Fr. Bobby Power, C.C., who had been our curate for the past twelve months. Since he came amongst us, Fr. Bobby endeared himself to everyone with his cheery smile and pleasant manner. On the Wednesday evening before his departure, there were moving scenes as he bade goodbye to the people he had served so faithfully. After Mass there was a very pleasant function in the local hall, when he was presented with some valuable gifts from the people of Sliabh gCua. We wish Fr. Bobby every blessing a happiness in St. John's, Waterford and we extend a hearty "cead mile failte" to Fr. Patrick Hayes, C.C., and hope that he will spend many pleasant years among us.

**Abbeyside Beach Is "No More" Says Councillor**  
 Because of a glut of stone and the "disappearing" sand, Abbeyside beach is "no more," Cllr. Nuala Ryan told this week's meeting of Dungarvan Urban Council.  
 Cllr. Ryan said that from the Cove to Abbeyside Church the strand is now littered with stones. There is no sand left either and in effect Abbeyside no longer has a beach, said Cllr. Ryan, who urged that at least the stones should be removed.  
 Mr. Bertie White, Town Clerk said the disappearance of the sand is because of the action of the tide. It might well reappear next week if the winds change. "It is all down to nature and we can't control nature," he added.  
 Cllr. Paddy Power claimed that sewerage is also mixing with the sand and the situation on the strand presently is "absolutely disgusting."

# Football Camps In Full Swing

The annual football summer camps are now in full swing. The first camp this year was held at the beautiful seaside resort of Ardmore and last week it was Tramore's turn, the Kilmacthomas club field is the venue this week. As was the case last year, the Dungarvan camp (from 26th to 30th July) will be held at the Abbeyside club grounds.

When I visited the sun-drenched Ardmore camp on Friday of last week the place was a hive of footballing activity. It was immediately obvious that everyone was thoroughly enjoying themselves. All 135 youngsters were bedecked in their specially designed t-shirts and were being put through their paces by five coaches - Packo Curran, Pat Condon, Ger Walsh, Eddie

O'Halloran and Eamonn Martin.

When I spoke to Packo Curran, the county football coach, he informed me that it only cost £10 per player and £5 for each subsequent child from the same family, each participant receives a free t-shirt and numerous prizes, cans of Coke, crisps and so on are also handed out during the week. Packo explained that they could afford to give such tremendous value as they had been fortunate to get some help from a number of generous

sponsors. From what I saw on my trip to Ardmore and what I learned from talking with Packo these summer camps certainly constitute the bargain of the year for parents.

The dates for the forthcoming football camps are - Dungarvan: 26th to 30th July (Abbeyside Venue); Waterford City: 16th - 20th August (Walsh Park); Cappoquin: 23rd - 27th August. Packo tells me that there are places left on all three camps (his number: (051) 93298).

## Naomh Bríd Notes

### IMPORTANT AMERICAN VISITORS

Naomh Bríd are delighted to announce the forthcoming arrival of "The Rangers Football Club" all the way from New York, U.S.A.

The travelling party consisting of both Under 16's boys and girls and accompanying adults will arrive in Sliabh gCua on Monday July 26th. This group is being co-ordinated by John Phelan a member of the Phelan family, Graiguenagabhar and nephew of the great Jack Phelan of Fourmilewater, Clonmel and U.S. who was a great promoter of our national game. The Phelan Cup acts as testimony to this.

At this end of the world the group is being meticulously organised by the hard working Tomás O'Mara. His endeavours have result-

ed in a warm hospitable welcome by the provision of accommodation by obliging locals.

It is planned that they will play the local U-16 teams including: Naomh Bríd, St. Patricks, Nire and possibly Cahir.

It is hoped that Naomh Bríd will be the first to have the honour of playing these far travelled visitors directly after their arrival on July 26th in Sliabh gCua.

To show our well famed hospitality it has been decided to provide refreshments in the hall in Touraneena after the match. Everyone is welcome to come along and extend their Waterford Irish welcome.

Modeligo, the other partner in the Naomh Bríd combination also expect to play host to the "Rangers Football Club" during their stay in Waterford.

### ANNUAL GENERAL MEETING

The A.G.M. of The Red House League takes place in The Red House Bar, Lismore, on this Monday night at 8.30. At this time of the year all sorts of rumors circulate regarding the chairman and the committee. Are they staying on or will there

be some new faces?

We understand that there will be some changes for the coming season. New faces will be needed on the committee and hopefully people will be willing to take up these positions.

It is important that all club's including new clubs attend this A.G.M.

### CAMOGIE NEWS

## Lismore and Gaultier For Senior Final

Gaultier are now through to the final of the senior championship having defeated Ardkeen in the semi-final last week by 3-5 to 0-5. Meeting Gaultier in the final will be Lismore who were victorious over Butler-

stown last Friday night in Kilmacthomas. Lismore played extremely well on the night to record a good 3-8 to 2-1 win. The final is on Sunday next in Kilmacthomas at 5 p.m. and should be well worth seeing.

# Ballinroad Soccer Club Notes

**ANNUAL GENERAL MEETING**  
We held our Annual General Meeting in St. Laurences Hall, Ballinroad, recently. A very good crowd attended and every one left the meeting with one goal which is to bring that long overdue league title to Ballinroad next season. We have entered two adult teams - Div 3, and 4 B and an Under -14 team. Training commences next Tuesday night July 27th at 7.15 p.m. with a game between our 3rd Div. and 4th Div. sides.

Our committee for the coming year is as follows — Chairman: Vincent Tobin; Vice Chairman: Ber Burke; Treasurer: Christina Tobin; Secretary: Ml. Fraher; Registrar: Ray Burke; Committee: Maurice Foley, Jackie Tobin, Brendan Landers, Tony Butler, Ml. McCarthy and James Veale.

**JOHN FRAHER TOURNAMENT**  
The above Tournament commences on Wednesday 4th August and all competing teams will have their fixtures this week-end.

**SYMPATHY**  
Sincere sympathy is extended to Rev. Fr. Ahearn, C.C., on the death of his mother Mrs. Alice Ahearn. Our club lost a good friend with the untimely death of John Meehan recently. A lover of all sports John was a great character in any ones company. His son Jimo played a significant part in our Dooley Cup winning team of 1987. May they both rest in peace.

# ABBEYSIDE A.F.C. NOTES

**TEAM MANAGERS**  
Anyone wishing to manage either of our junior teams is invited to apply in writing to the committee. Applications can be given to any committee member, specifying which division, 13 or 4 B, interested in.

**MINI LEAGUE**  
The U-14 league prior to the semi-finals continues under John Woods and John Kenneally. So far the games have been very tight but great entertainment is on offer for anyone who turns up early to the Pub League semi-finals. Parents are requested to turn up and give the youngsters some encouragement. We will have a report on the league next week with details on the various matches played.

**FIELD COLLECTION**  
The committee wish to thank all those who have contributed to the recent field collections. Any contribution is greatly appreciated and will be invaluable in our efforts to support an unprecedented 4 schoolboy teams and the costs associated with such a venture. Any way its cheap entertainment night in night out for practically a whole month.

**MEMBERSHIP OFFICERS**  
The club has decided to appoint membership officers for the first time and the following are same. Schoolboy: Eddie Cantwell; Adult: John Fitzgerald and John McGovern

**LOCAL CELEBRITY**  
One of the foremost local celebrities erstwhile comedian and Co-op employee Micheál Ó Faoileáin has not missed a night of the pub league yet. Indeed Micheál has brought his unique sense of humour to the occasions with his quick wit. Micheál has always helped the club with sponsorship from the Co-op and his general support is appreciated. So we wish him a most lengthy and happy retirement with his wife Phil.

**PUB LEAGUE FINAL WARM UP**  
A warm up before the pub league will be played before the first junior team to win a league title for Abbeyside against the first schoolboy team. Old stalwarts such as Tom Whelan, Rogie Cashin, Eugene Collins, John and Paddy O'Riordan and John Woods are all expected to line out. The evergreen Hubie Hyslop may not be able to play

as he is still very much interested in the outcome of the pub league. It is rumored that former great "Manno" Carlton is flying in from Kyne Park for the game.

**U-14 CHALLENGE**  
An understrength U-14 team travelled to Ballinroad last Thursday night and went under 3-1 to Ballinroad. Short 8 regulars the lads who stepped in did well and the spirit shown augurs well for the coming year.

**SPONSORSHIP**  
Any local business interested in sponsoring a football or set of jerseys for the new season for the schoolboys please contact any committee member now. All help is greatly appreciated.

## Heineken Pub League

Minnies B 2 Foleys B 3; Anchor A 1 Minnies C 2; Bridgie Terries 1 Crottys 4; Foleys D 5 Brennans 1; Semi Final — Minnies C 3

Foleys B 3 (Foleys 4-3 on penalties).

**FIXTURES**  
Thursday night, 6.15 p.m. Abbeyside 4th Div. '81 v. Abbeyside U-14 '86; 7.30 p.m. Heineken Pub League Final, Foleys B v. Crottys or Foleys D

**MINNIES B 2 FOLEYS B 3**  
Minnies young guns were too inexperienced for an improving Foleys B team for whom Alfie Egan is proving a star. Alan Sheehan got among the goals to further improve his reputation. Colin Dee was Minnies best with a series of probing runs.

**ANCHOR A 1 MINNIES C 2**  
Minnies C proved again that they are to be reckoned with after a close fought victory over a gallant Anchor A team. Paul Freyney was again amongst the goals with Fran McGovern replying for the Anchor. Minnies now go on to meet

Foleys B in the semi-final.

**BRIDGIE TERRIES 1 CROTTYS 4**  
The Kilrossanty machine rolls on. After 20 minutes this game was over as a contest as Jay Kirwan fired two unstoppable shots to the net and Ger Walsh added a header after sterling work by veteran Tom Keating. Whyte, Power and Kirwan were a defensive rock and Crottys must have a good chance of lifting the O'Brien Cup in their first year of competition.

**FOLEYS D 5 BRENNANS 1**  
Perhaps the most colourful team in this years tournament bowed out to a hotly tipped Foleys D team. Dick Brennans failed to overcome a Foleys D team with oodles of experience and skill. Players such as Ml. Hickey, D. Lyons and T. Donovan allied to the excellent Michael Sheehan. Brennans made it very close for a while with Tommy Wade and Dermot Dee outstanding but the greater combination showed by Foleys D proved decisive. No doubt we will see Brennans back next year when the horse and trap makes the trip across the causeway.

## Cunnigar Pitch & Putt Club Notes

**CLONMEL OPEN**

4 of the lads travelled to Clonmel last Sat., Jim Duggan, Patsy Hackett, Mikes Donovan and Lenny Duggan. As usual the course was in top trim condition, and the scores indeed were very high Patsy was in very good form with scores in 35-54-53 and 50, Mikes played his heart out with a fine score of 52 having six on the eighteenth. That's something he will be thinking of for a while to come. Anyway Jim Duggan was telling me that he "had a ball" playing a total of five rounds, hitting 63-62-61-60. Jim enjoyed himself so much that he is travelling to the Fermoy open, starting next Monday. Best of luck to Jim and all the lads who travel.

**CHARITY WEEK**

Our course was in very good condition all week thanks to all involved, a lot of cards were played with 30 x 4 in the running for first prize.

Thomas (Frosty) Maher and Eddie Lenihan had a great battle between them, In the end of the day the honours went to Frosty. Great to see Frosty winning and hard luck to Eddie. I am sure it won't be long before he will win a major tournament. However, I am delighted for Frosty who is always willing to give a hand in the club.

Gross prize went to Killian Power. Killian has a lot of talent for the game and I believe he will go on to bigger things in the future. So well done Killian and Frosty.

**JUVENILE TOURNAMENT**

Twelve of our members took part in our Juvenile Tournament. All the boys had a great crack. Young Morrissey took 2nd, place and Alan Harty finished in third place and the winner was William Murray who is playing hot stuff at the moment. Well done William, great to see all the young lads taking part and God knows the club needs plenty of young players.

**LOTTO WEEKLY DRAW**

The committee would like to thank everyone for their fine effort in selling tickets. Keep up the good work. Last weeks winners were divided between Jim Veale and John Halley. Next draw will take place this Sunday 7.30 p.m. Shout Fore.

## ST. PATRICK'S G.A.A. NOTES

### MINOR FOOTBALL CHAMPIONSHIP

We were beaten by Stradally 8 points to 5 points at Leamybrien on Wednesday night. This was a good performance and we were in hard luck not to draw the game with at least one goal. Michael Hurley and Michael Flynn were outstanding while Roger Casey was a big loss through injury.

We played The Briceys on Monday night in Cappoquin and were well beaten. We were without Alan Walsh and despite our best efforts our opposition were much stronger and won by 10 points.

We are now out of the championship. We were notified of three fixtures to be played within 9 days for this championship which allows for very little improvement between matches. We play Ardmore in the last match to be arranged before the week ends.

### UNDER 10'S

We had a game with Fourmilewater in Ballymacarby in Sunday evening and were beaten. These are useful work outs and the lads are very inexperienced at present. We will play another game on Saturday morning in Clonmel.

Carl Dunford is on the County panel for Under 14 football. We wish Carl the best of luck. This talented player was also on the West Under 14 hurling team last

week.

### UNDER 16 HURLING

We are playing Cappoquin in Bohadon on Monday night. We are to play Naomh Bríd this week but no fixture has been made at the time of writing. We have to win both games to stay in contention.

### LADIES FOOTBALL: UNDER 14 CHAMPIONSHIP

At Bohadon last Saturday, Kill were our opponents and after a very sporting match, we emerged winners. On Wednesday next we play Dunhill.

Team — S. Nugent, S.

Dalton, T. Queally, J. Fitzgerald, S. Dunford, H. O'Brien, A. Byrnes, A. Morrissey, M. Morrissey, E. Fraher, M. Devereaux, A. Wall, E. Hickey, N. Cass, B. Kirwan.

### JUNIOR

Last week-end we played Cappoquin and Clashmore in the 'shield' championship. Having won both matches we are now into the final.

### COMMUNITY GAMES

Next Saturday K.C.K. are representing Waterford in Limerick when they take on Clare. Best of luck to all the girls.

## Cappoquin Pork And Bacon Blackwater Cycling Club

On Saturday last we went to Kanture to try out the skills course for the All-Ireland Championship which will be held in late August. All our lads showed well with Paul Geary coming out best.

On Sunday we were in Charleville for the Grand Prix. We had twelve riders taking part in the various age groups. David Geary added another prize to his collection when he finished 2nd in the Under -12 race. The Under-14's had two laps of a tough 9 mile circuit, Thomas Hogan fin-

ished 6th, Brian Moore 8th, Patrick O'Doherty also took part. Bryan Geary, Shane Motherway, Keith Walsh, Vincent Lombard and Paul Moore went to the line for the Under-16 race which took in 3 laps of the same circuit. Bryan finished in 2nd place but was awarded 1st place when the 1st over the line was disqualified. Shane finished 5th, Keith 9th, with Vincent and Paul outside the prizes. David Heffernan gave a good account of himself in the junior race. Racing this week is at Midleton on Sunday.

## The Jim Power Memorial Tournament

The unexpected and untimely death of Jim Power, Walsh's Place, Kilmacthomas occurred eight years ago and on Saturday next July 24th he will be fittingly remembered and honoured when the Jim Power Memorial Cup Inter County Under-14 Football Tournament will be held in the Kilmacthomas G.A.A. field.

Jim's love for sport and his lengthy involvement with the local Juvenile Club are well known in Kilmac' and County Waterford. A great turn out is expected this Saturday. Jim's wife Theresa, and his family presented Waterford County Bórd na nÓg with a beautiful Cup in his honour.

The tournament was launched in 1991 with two teams - Waterford and Wexford. Over the past two years it has progressed to a four team tournament - Kilkenny, Carlow, Waterford and Wexford who are the present holders of this cup. This tournament is kindly sponsored by Roadstone Ltd. These four teams will be competing for this beautiful cup and the first

semi-final is at 1 o'clock, the second semi-final at 2.15 and the final has been arranged for 4.30 p.m. Presentation of this cup

and trophies will take place after the final, the refreshments will be served in Kirwans Lounge Bar (Danny's).

## Geraldines G.A.A. Notes

### JUNIOR HURLING CHAMPIONSHIP

Geraldines v. Clashmore at Cappoquin next Saturday evening July 24th at 7.30 p.m. We were beaten by a strong Ardmore team in the junior hurling championship last Sunday. Our team must show a big improvement if we are to qualify for the knock out stages of the championship.

### SYMPATHY

Sympathy is extended to our Parish Priest and Club Committee member Fr. Finbarr Lucey on the death of his first cousin Paddy Lucey, Kilnamartyra, Ballymackeera, Macroom, Co. Cork which sad event took place recently. May he rest in peace.

### ST. GARVANS ARE COUNTY CHAMPIONS St. Garvans 3-5 Dungarvan 1-4

Last Sunday week we played Dungarvan in the final of the Junior Football Championship in Leamybrien. We went into this game as underdogs as we had a very young and inexperienced team but after a shaky start we settled down and the half time score was St. Garvans 3-3 Dungarvan 1-1.

The second half started just as the first half finished with St. Garvans on the attack. We added two points to our half time total as against 3 for Dungarvan but our rock solid defence held up well under pressure and we emerged deserving winners.

Our goalkeeper Sylvia Flynn who came into this game with a back injury brought off some brilliant saves especially in the second-half when we were under pressure.

Our full back line of Aishling Power, Breda Veale and Ann-Marie O'Brien were outstanding throughout.

Our half back line of Patrice Moore, Mary Claire Curran and Fionnuala Egan were well on top.

Our midfielders Andrea Travers and Martina Hayes were always in control and our half forwards Claire Morrissey, Josephine Terry and Ann-Marie Cullen were a constant threat to an over-worked Dungarvan half

back line.

Our full forward line of Lisa Lennane, Mary Donnelly and Samantha Power caused panic in the Dungarvan back line everytime they got the ball.

Our subs. on the night even though they did not play can feel proud of their contribution to the team throughout the championship. The subs. were Noelle Power, Nicolle O'Riordan, Yvonne Keane, Emma Walsh, Pamela Dunne, Cora Kearney, Donna O'Sullivan, Pauline Travers, Marie Shaw and Eleanor Power.

### U-14'S BEATEN

Our Under 14 team were back in Leamybrien for their championship game against Kilrossanty on

Wednesday night last. This was a game we had to win to stay in contention for the championship but Kilrossanty proved too strong and won by 5-4 to 2-2.

Our team was — Caroline Cleary, Miriam Buckley, Pamela Dunne, Elizabeth Daly, Theresa O'Brien, Patrice Moore, Donna Dunne, Ann Marie Cullen, Lisa Lennane, Pamela Power, Claire Morrissey (1-1), Sharon O'Brien, Aine Meehan, Samantha Power (1-1), Tara Egan. Subs. — Michelle Moore, Sarah Flynn, Julie Anne O'Donoghue.

### FLAG DAY

The club would like to thank all those who made our flag day such a success last week-end.

## Ardmore Sea Angling Club Notes

We held our first summer competition on Saturday 10th July in Caliso Bay, although the cold wind made it feel more like winter. Twelve anglers made the trip to the beach which saw a total of 18 fish caught of 4 different species. These were 13 dogfish, 3 rockling, 1 wrasse and 1 conger.

### RESULTS

Senior — 1st, Tony Crowe, 7 dogs; 2nd, Johnny

Cronin, 3 dogs; 3rd, John Cronin, 3 dogs; 4th, Leo Power, 1 wrasse and 1 conger.

Juvenile — 1st, J. P. Molloy 1 rockling.

We are appreciative of the generous sponsorship of Mary Lincoln and again would like to thank the Dungarvan anglers for making the trip as they make the event a competition by their attendance which doubles the numbers.

### CYCLING

## POWER'S TWELFTH OF THE SEASON

Robert Power (Paddy Buckley Solrs., Bjarney) scored his twelfth win of the season when he won the prestigious Charleville Grand Prix on Sunday last.

Power attacked on the first lap and escaped from the bunch. He was joined by John Blackwell (Lee Strand, Castleisland) and Power's clubmate David Hourigan got across some time later.

Riding well together the three opened up a 5 minute and 15 second advantage on the nearest chasers Barry Sutton (Cidona) and Brian Quinn (Limerick).

Power and Hourigan dropped Blackwell on the final climb. Hourigan suffered mechanical trouble 50 metres from the line as they lined up for the sprint and was resigned to fill second place with Blackwell coming in third 45 seconds later.

DUNGARVAN ATHLETICS CLUB NOTES

# Jimmy Mulligan Wins Dromana Duel

▲ The first three athletes home in the Dromana 5 Mile Road Race were — (from left): Sean Foley (Waterford A.C.) 3rd, Jimmy Mulligan (Waterford A.C.) 1st and Martin Drake (Celtic A.C.) 2nd.

The inaugural Dromana Five Mile road race staged from Villierstown to Cappoquin last Thursday evening attracted a very large entry of 131 runners and it resulted in a fine victory for Clonea-Power man Jimmy Mulligan who had fought out a tough two-man duel with Youghal athlete Martin Drake before finishing eight seconds clear in a time of 25 mins. and 8 secs.

The race which was held in aid of the Bosnia Food and Medical Appeal Fund raised a total of £400 and it received great support from the Villierstown and Cappoquin areas as well as the St. Olivers Ladies Football team, all of whom finished the tough five mile course.

Jimmy Mulligan is an athlete with immense talent and from the moment that the starting whistle it was obvious that he was the athlete hard to beat and so this race, which has great potential, provided the many spectators with an entertaining duel with the Waterford athlete pulling clear within the final mile to come home a very popular winner.

Sean Foley and Michael Halley, who, along with Jimmy Mulligan, were members of this year's Waterford All-Ireland winning cross country team, finished third and fourth respectively, while Gerry Cantwell in finishing fifth was the first Dungarvan athlete home and he is really in top form at present.

Local athletes were also prominent in other categories with Liz Bullen winning the ladies over-35 race in 32 mins. even and Noreen Harty, Ring/Old Parish AC won the junior ladies race in 34 mins. and 37 secs. The junior men's race provided two fast times by very promising local athletes with Mark Radley winning in 27.27 and Darren Drummy finishing sec-

ond in 27.57.

The Cappoquin Chicken Employee race attracted a fine entry, Ray McConnell winning as expected in 29.11 and Pat Cullen and John Mason filled the minor placings.

**RACE**

**ORGANISATION**

The race organisation which was the idea of Michael and Martina Murphy, Cappoquin turned out to be a great success and this was due in no small way to our sponsors Cappoquin Chickens, Lucey Feeds, Southern Mills, Paul and Vincent Mills, Pat Denn, The Central Bar and

Waterford Foods.

The race committee acknowledges the co-operation of the Villierstown Church Community Centre authorities, the Cullinane family for the water station, the Gardaí and stewards on the course and in Cappoquin, the O'Donoghues in Cappoquin for leading the wheelchair athlete and Danny and Nora Flynn at the Central Bar whose sporting facilities were a definite advantage towards the staging of the race.

John Walsh, Ballycotton Running Promotions, measured the course, Seamus Power presided over the PA system and John Fraher made his bus available for ferrying the runners back to Villierstown. (A number of them ran the five miles back!). The race was given extensive coverage by the Dungarvan Leader, Cork Examiner and by WLR FM.

At a pleasant after race function in the Central Bar, Mr. Tom Keith spoke on behalf of the Bosnia Appeal Fund and he was presented with a cheque for £400 by Martina Murphy. With such local backing this race has a fine future and hopefully it will be on the 1994 racing calendar.

**SUMMER TOUR**

The club held three races to-date and our thanks to everybody and anybody who helped in any way, big or small, in the staging of those races. If anyone has an idea (and a sponsor!) for a race for the month of August it will receive every backing from the Athletic Club. It might be a long summer race wise yet!

**INTERNATIONAL VEST**

### IOMÁNAÍOCHT FAOI-16

Ní raibh aon chluiche faoi-16 againn an Luan seo de bharr cluiche na mfonúirí. An tseachtain seo chugainn, b'fhéidir! Traenáil ar siúl acu í gconaí!

### MIONÚIRÍ - IOMÁNAÍOCHT AGUS PEIL - AN GHAELTACHT An Ghaeltacht 2-3 Naomh Oilibhéar 4-7

Bhí an cluiche iománafochta v. Naomh Oilibhéar, i bPáirc na mBricigh ar an Aoine seo caite. Cluiche cothrom go leor a bhí ann. Babhtáí, bhí N. Oilibhéar in uachtar agus babhtáí eile bhí mfonúirí na Gaeltachta ag féachaint laidir go leor chun an cluiche a bhuaic. Ach, bhí an sean-thinneas ag cur isteach orainn! In ainneoin an méid den imirt agus de sheilbh an sliotair a bhí againn, nforbh fhéidir linn na scóranna a fháil, go mór mór sa tarna leath nuair a bhí ana chuid den imirt againn agus sinn ag brú go láidir. Olivers, in contrast, took their opportunities and scored goals at important points in the game. They led by 2-4 to 1-3 at the half-time whistle, but were held scoreless for long periods in the second-half, when it appeared that Gaeltacht might actually take control of the game. But, too many chances went a-begging, and then it was too late.

Tá foireann Oilibhéir sa leathchraobh den chomórtas anois. Tá seans eile an nGaeltacht tré Bhaile Uí Dhuibh a imirt. Go n-éirí adh libh!

An fhoireann — Dearán Ó Droma, Emmet Ó Muiríthe, Éanna de Faoite, Séamus de Faoite, Darach Breathnach, Lorcán Ó Muirí, Pádraig Ó Tóibín, Liam Ó Cuirín, Éamonn de Paor, Colm Breathnach, Micí Joe Ó Céitinn, Tomás Ó Cuirín, Cathal Ó Cuirín, Richie Ó Fionnagáin, Báidín Breathnach. Ionaduithe — Ciarán Mac Craith, Tomás Ó Cadhla, Donncha Góch, P. J. Ó Roisitéir.

### An Ghaeltacht 1-8 An Uidhir 0-6

### An Ghaeltacht 2-11 Seamróga 2-3

Tá an chéad dhá chluiche buaite againn sa sraith. I gcoinne na hUidhre bhíomar chun tosaigh ceithre chúilín in aghaidh a trí ag leatham. Bhí ár gcosantóirí foai bhrú i dtosach an tarna leath. The teams swapped points, An Gaeltacht tacking on one more extra to go ahead eight points to six. It was then that they copperfastened their victory with a well-worked victory which was touched home by Colin. Bhíomar sasta leis an mbua.

Ar an Luan seo thaistil an fhoireann go dtí an Áird Mhór chun na Seamróga a imirt. Bhíomar ag imirt i gcoinne na gaoithe sa chéad leath, mar sin bhíomar foai bhrú. Cathal, Colm agus

Richie a fuair na cúilíní sa leath seo. Tháingamar chugainn féin sa tarna leath agus fuairamar an lámh in uachtar ar an bhfoireann eile.

D'imirt na cosantóirí go maith agus thóg na tosaithe a scóranna a tháinig go fras. Dhá chúl agus ocht chúilíní a ghnóthaigh siad chun bua fíor-shásúil a bheith acu. Scóranna — Dearán (1-2), Richie (1-2), Colm (0-4), Cathal, Lorcán, M. J. Ó Céitinn - cúilín an duine.

An painéal don pheil — Tomás Ó Cuirín, Liam Ó Floinn, Seán Uada, Éanna de Faoite, M. J. Ó Céitinn, Lorcán Ó Muirín, Pádraig Ó Tóibín, Shéa Mac An Óige, Éamonn de Paor, Liam Ó Cuirín, Pádraig Ó Mathuna, Risteárd Ó Fionnagáin, Colm Breathnach, Donncha Góch, Colin Ó hArta, Dearán Ó Droma, Cathal Ó Cuirín, Páidín Breathnach, Ciarán Mac Craith, P. J. Ó Roisitéir, Oisín Mac Giolla Coda, Emmet Ó Muiríthe, Tomás Ó Cadhla, Darach Breathnach, Séamus de Faoite.

Tá cluiche amháin eile le himirt againn v. An Chlais Mhór. B'fhéidir an tseachtain seo freisin? Coimeádaigí suas an iarracht, a bhuaicail! Molaimid sibh!

### PEIL NA SÓISEAR - Dara fóirne

After having a very good run in this competition for second-string teams, our Junior footballers bowed out of the competition, when they went under to Affane, in Ardmore on Saturday night last. From the club's viewpoint, participation at this grade has been most successful, as it has provided activity for fringe-players and also for those under-age who will have to bide their time a little longer before making the team at the higher level.

An fhoireann — Daithí Ó Condúin, Séamus Ó Manacháin, Stíofán Ó Cuirín, Pádraig de Faoite, Pádraig Ó Tóibín, Éanna de Faoite, Seán Mac Craith, Lorcán Ó Muirí, Seosamh Ó hArta (0-1), Colm Breathnach (0-1), Risteárd Ó Fionnagáin (0-5, ceithre chinn dóbh ó chiceanna saora), Mícheál Ó Cuirín, Dearán Ó Droma (1-2), Colin Ó hArta, Pádraig Ó Manacháin (0-1).

Fir Ionaid — Ciarán Ó Roisitéir, Sean Breathnach, Ciarán Mac Craith, Aodh Mac Craith, Shéa Mac An Óige, Feidhlim Ó Muirí, Ros Ó Criostóir, Pádraig Mac Craith, Ray Ó hArta.

Bhí an dá fhoireann ag fáil pointe ar phointe i dtosach an chluiche. Bhí An Rinn 1-3 lena 0-1 chun tosaigh nuair a fuair Ath Mheán dhá chúl agus cúilín gan aon fhreagra uainne, ach roinnt iarrachtaí a chuaigh amú orainn. Cúilín eile ón dá fhoireann agus bhí Áth Mheán chun tosaigh 2-3 lena 1-4 ag leatham.

Thosnaigh ár gcéilí comhraic go láidir taréis an bhriseach. Bhí cúilín acu ó

chic saor. Fuair An Rinn trí chúilín as a chéile (dhá cheann acu ó chiceanna saora) agus bhí na foirme ar chomhscór. Dhá chúilín ó Áth Mheán; dhá chúilín ón Rinn; dhá cheann eile ag Áth Mheán; ceann amháin ón Rinn. Bhí se corraitheach go maith. Ansin a tharla an tubaiste a chuir deire lenár n-iarrachtaí. Agus an cluiche ag tarraingt chun deiridh, tugadh cic éirice d'ár gcéilí comhraic agus scórléadar é. Bhí an cluiche thart dúinne, agus bhí buaite orainn 3-8 in aghaidh 1-10. Dfírt díreach a bhí sa chluiche seo. Dá bhrí sin, tá deire linn sa chomórtas do 1993. Ach, bhain imreoirí agus lucht tacaíochta taitneamh as. Molaimid gach éinne a ghlac páirt sa chomórtas ón tosach.

### IOMÁNAÍOCHT IDIRMEÁNACH

Is dócha go mbeidh cluiche eile iománafochta againn an deire seachtaine seo chugainn. Naomh Muire an fhoireann atá romhainn an babhtá seo. I gCuileagáin a bheidh an cluiche, deirtear linn. Fair ar na fógraí ar na páipéaraí áitiúla. Tá traenáil ar siúl an tseachtain seo. Cuirigí chuige, a imreoirí.

Tá cluiche eile síos d'inn ar an 30-7-'93 i gcoinne Cluain Fhia. Agus ar ais chuig an bpeil ar an 8-8-'93 nuair atá cluiche socraithe v. Ród na Brice i gCeapach Chuinn.

### FOIREANN AN CHONTAE FAOI-21

Ar an Aoine seo chugainn, 23ú Iúil, beidh foireann an Chontae, faoi-21, ag imirt i gCroabh na Mumhan sa pheil, i gcoinne Ciarraí. Gúimid gach rath orthu, go mór mór ar Éamonn Ó Crotaigh. Bímis ann chun tacú leo!

### CRANNCHUR AN CHLUB

£10, Batty Breathnach agus Seán Mac an Óige; £5, Caitlín Bn. Uí Mhathuna agus Tomás Ó Gríobhtháin. Ar mhuíochas le gach éinne a thug tacaíocht dúinn. Bailiúchán ar siúl anois do mhí Iúil.

### INTERMEDIATE HURLING CHAMPIONSHIP

Our intermediate hurlers go back into the play-off reckoning with a good win over Tramore last Saturday evening in Dunhill. After an even start by both teams the lads soon go on top and played some good hurling. Goals by Eoin Phelan and Eamonn Clancy put us in a strong position at half time. In the second half we continued with the good work and finished with a score of 6-10 to 1-6.

The team was Pat Curran, Lar Walsh, Conor O'Brien, Martin Curran, Oliver Costello, Davy Kirwan, Pat Halpin, Fintan O'Brien, Eoin Phelan, George Walsh, Liam O'Brien, Eoin O'Brien, Noel Costello, Paul Foley, Eamonn Clancy. Subs. Michael O'Brien for Connor O'Brien, Alan Curran for Noel Costello.

back after some good performances in the forward line.

### SENIOR FOOTBALL

After a number of weeks of inactivity due to postponements we have a couple of busy weeks coming up with 2 senior football games down for decision. We play Butlerstown in the field on Tuesday evening the 20th of July. Over the bank holiday week-end we have two games. We play Rathgormack on Thursday evening 29th and on Sunday August 1, we play St. Saviours. ### UNDER AGE NEWS

The U-16 hurlers collected their first two pts. of the championship when they defeated St. Olivers, last week. Our two remaining games are crucial ties against Dungarvan and Ballyduff.

The minor footballers got their campaign off to a good start with a victory over Naomh Bríd. This week they

## Withdrawn

The only intermediate championship game scheduled for last Sunday was cancelled when Ballydurn, who were to have played St. Mollerans, announced that they were withdrawing from the championship. Most of the matches were mid-week fixtures and with a number of "away" players the club were finding it difficult to field. They have not won a hurling game in the past two seasons. They now intend concentrating on intermediate football.

Mount Sion have withdrawn from the intermediate football championship in the Eastern division following their defeats by Portlaw and Ferrybank. Roanmore Club have withdrawn from the minor football championship.

Here in the West, Stradbally, Kilrossanty, Clashmore, Cappoquin and Naomh Bríd have all withdrawn from the minor hurling championship. All these minor teams have suffered heavy defeats. The matter of withdrawals is now serious and needs to be looked at very closely if someone is to come up with a solution to the problem. Tallow and Shamrocks solved their problem by joining and fielding a group team. Some of the above might benefit by doing likewise.

were in action against Affane, while this evening Wednesday 21st July, they travel to Ballyduff to take on the locals.

The U-13 hurling league finals were played on Monday evening last. Full report next week.

## St. Olivers G.A.A. News

### MINORS BOOK PLACE IN SEMIS

St. Olivers 4-7  
An Gaeltacht 2-3

Friday night in Bushy Park saw the first match in the West Minor B Hurling Championship since its sponsorship by Prionnsias Breathnach - a quarter-final with the winners going through to the last four. For the first 24 minutes, it was score for score. Aidan Ahearne's pass to Michael Walsh produced St. Olivers' first point. An Gaeltacht equalised. Aidan Ahearne dropped a high ball into the square, the goalkeeper couldn't hold it and it dropped over the line. An Gaeltacht goaled themselves onto level terms. Tholm Keane had his shot tipped over for a point, this was also cancelled out. Mikey Ronayne had his effort put over by the goalkeeper, and again the maroon side pulled the match back to level terms. Also during this time, Roger Ronayne had a shot stopped on the line, and Paul Connery, Pat O'Donovan and Laurence Maher made some notable stops and blocks. Just before half time, Tholm Keane pointed from 50m out, and in a three-way chase for the touch was Mikeys. The half-time situation: St. Olivers 2-4 and Gaeltacht 1-3.

This lead was lengthened after the break when Alan Ronayne pointed with a tennis-overhead type shot and had a shot cleared off the line minutes later. An Gaeltacht weren't in a

mood to give up. They smashed home a penalty and had a number of other chances as Tholm Keane pointed. Some good defending denied An Gaeltacht a score for the rest of the match. Michael Walsh pointed a 20m free in between two more goals, the first of which came in a goal-mouth scramble. Tholm Keane smacked a shot off the post and diving to strike home the rebound was Mikey Ronayne. Following close shots from Aidan Ahearne and Kieran Cotter, goal number four came in the 63rd minute from the stick of Roger Ronayne. The last puck of the game gave St. Olivers a 4-7 (19) to 2-3 (9) win. They now go through to the semi-finals, where either Ardmore or Fourmilewater will provide the opposition.

St. Olivers — P. Connery, P. O'Donovan, S. Ronayne, J. Tobin, T. Power, L. Maher, A. Mernin, A. Ahearne 1-0, T. Keane 0-3, M. Murray, R. Ronayne 1-0, M. Walsh 0-2, M. Ronayne 2-1, A. Ronayne 0-1, D. Tobin. Subs. — Kieran Cotter for A. Ronayne, B. Mernin for A. Ahearne, T. Curran for A. Mernin, O. Hallahan. Referee — Liam O'Donnell (Clashmore)

### SIX AT THE START

St. Olivers 6-8  
Ballyduff 0-7

Despite what the final score line may suggest, this was a closely-contested opening match in the Minor "A" Football Championship played in driving rain in Cappoquin last Wednesday. After some early missed opportunities, Aidan Ahearne

pointed a 20m free. But chances continued to be missed, although Alan Ronayne's fisted shot came very close-being saved on the line. After 8 missed St. Olivers opportunities, Ballyduff kicked an equaliser. Then Roger Ronayne drove the ball through a clutch of players and in off the post. After Kieran Cotter saved well, the rebound went over and Ballyduff kicked over two frees in quick succession to level it up..... but not for long. Roger Ronayne hoisted one into the square, Mikey Ronayne beat the 'keeper to the punch and it went in. Tomás Curran and Stephen Ronayne made good clearances, Paul Connery (50m out), Kenneth Stack and Aidan Ahearne (from a 45) added on more points with Roger Ronayne hitting the post.

Half time: St. Olivers 2-4, Ballyduff 0-4.

Michael Murray fisted over early in the second half but Ballyduff responded with a point. Then, Kenneth Stack found himself in plenty of space, he played a high ball into the square, the keeper missed it and Fran Cotter pumped it home. Ballyduff, determined to drag themselves back into the match, won 3 frees in quick succession. The first was pointed, the second hit the post, the third was blocked by Laurence Maher. Roger Ronayne, Kenneth Stack and Michael Murray (on the turn) all pointed, and Waterford's most westerly club pointed another free, twice more hit the woodwork and had a rocket free blocked by Jimmy Tobin. St. Olivers, leading by 3-8 to 0-7 with 3 minutes left, added 3 more goals, the first of which was cracked to the roof of

the net by Alan Ronayne, Kenneth Stack lobbed one in, and in the resulting confusion, a defender knocked the ball into his own net. When it ain't going for you, it ain't going for you. A poor kick-out gave Kenneth a shot on goal again the shot bounced off the same player-same result.

Tonight in Colligan: St. Olivers v. Naomh Bríd.

St. Olivers — Kieran Cotter, T. Curran, L. Maher, J. Tobin, M. Walsh, S. Ronayne, T. Keane, P. Connery 0-1, A. Ahearne 0-2, M. Murray 0-2, R. Ronayne 1-1, K. Stack 0-2 (sub. T. Power), M. Ronayne 1-0, A. Ronayne 1-0, F. Cotter 1-0. Subs. — C. Radley, O. Hallahan, A. Mernin, D. Tobin, A. Morrissey, Kevin Cotter. Referee — Eddie Cunningham (Tallow)

### U-16 A HURLING CHAMPIONSHIP

This was the first ever "A" grade match to be played in Aghlish and dominating from the start last Monday it was the visitors Abbeyside who took the points by 4-13 to 1-7.

St Olivers scorers were — M. Murray 0-4, M. Cliffe 1-0, K. Cotter 0-2, C. Radley 0-1. Referee — Jimmy McGrath (Cappoquin/Affane)

### THE LADIES GAME

The final score of Ballymacarbray 5-12, St. Olivers 3-2 in this ladies football U-14 tie doesn't quite tell the full story. After being steamrolled in the first half, St. Olivers won the second half, scoring through Emer Hickey, Sharon Walsh, Eleanor O'Brien (1-0 each) and Breda Morrissey (0-1). Referee — Bridget Grant (Ballymac)

# Shamrocks G.A.A. Notes

### MINOR FOOTBALL "B" CHAMPIONSHIP

We had a good win over Clashmore on Wednesday evening of last week in the first round, which was played at Ardmore and we now look forward to the next game v. Ring which will take place at Ardmore.

### DUNDALK TRIP

Congratulations to our intermediate hurlers who travelled to Dundalk last weekend to take part in a tournament which was played in memory of the late Colm Geary whose tragic death took place during a holiday in Greece, 12 months ago. A beautiful silver cup and a set of trophies were presented by Colm's parents, Tommy and Una Geary.

Shamrocks played against Keady of Armagh in the semi-final which we won by a point and in the final we had a good victory over Naomh Mhuire, the local Dundalk team. The club wishes to thank Tommy and Una for inviting us to take part.

Incidentally, Tommy was a former Shamrocks player before going to live in Dundalk. We also wish to thank the various club members in Dundalk for their kind hospitality to our players and club officers over the weekend — a gesture which we hope to return at a later stage.

### INTERMEDIATE HURLING CHAMPIONSHIP 4th ROUND

Shamrocks play Erin's Own on Sunday next at Leamybrien. The game commences at 3 p.m. and all players to be at the venue not later than 2.30 p.m.

### MUNSTER FINAL

Best wishes to Waterford under-21 footballers who will play Kerry in the Munster final on this Friday evening at Walsh Park. Our own Martin Murphy is a member of the panel.

We also extend best wishes to John Foley, our team trainer, who was hospitalised during the past week and we look forward to having him back in action for next Sunday's game.

### DEISE DEVELOPMENT DRAW

Just another reminder to any of our members who have not yet paid their monthly subscription to contact the promoters of our club at the latest this weekend. The sixth draw is on July 30 in Dungarvan.

## G.A.A. NOTES

BY "COMMENTATOR"

Pictured above are the Scoll Garbhán team who were beaten finalists in the Primary Schools "C" final at Lismore recently by Knockanore, on the score 2-2 to 0-5. They were trained by teacher Daragh McDonnchadh. Scoll Garbhán won the final last year.

# Coaching News

This is an excellent official publication which appears every quarter and is edited by Waterford's Pat Daly at headquarters. The summer edition which is now out contains a number of particularly interesting articles by the experts in whatever field of activity is being covered.

An article with the caption 'Rewarding Fair Play', is on a subject which is very dear to me and to which I have referred many times. It reads:

### Rewarding Fair Play

"One of the significant growth areas within the Association has been the great increase in presentation awards of one nature or another, since they were first introduced in the late 1950's, (sponsored by Texaco), for the outstanding player in the All-Ireland finals.

"There are those who believe that these awards result in increased profile for the recipient, the sponsoring body and the games in general. There are others who contend that the awards, particularly when made to individual players, are the complete antithesis of what team games are supposed to be all about. They, apart from questioning the sponsors' motives, would claim, with some considerable conviction, that it is very difficult, if not impossible, to single one player out

above another when there are no standard or objective criteria for doing so. For example, is the goalkeeper who makes a crucial last minute save more of a "man" (of the match) than the player who secures victory with the last kick/puck of the ball. And what about the midfielder who seldomly, if ever, gets an opportunity to make a spectacular save and who is more likely to be involved in setting up the scores than scoring himself.

"The reality is that it would be eminently fairer, as well as making much more sense to reward fair play on either an individual or collective team basis. It would be relatively easy to establish the number of frees conceded and by whom they were conceded as well as recording match cautions and sending offs. It would surely be within the ambit of some far seeing sports editor to initiate such a scheme.

"The recipient wouldn't necessarily be man of the match (as currently understood) but he definitely would be a man apart. There is no reason either why the sponsors of such a scheme should have their motives questioned because the game would be the ultimate benefactor. And that, in the final analysis, is the only thing which really matters.

## CHAMPIONSHIP RESULTS

### INTERMEDIATE HURLING CHAMPIONSHIP

Clonea 2-10

Cappoquin 2-3

Cappoquin who had previously beaten Tramore and drawn with St. Marys, are still chasing a place in the closing stages of their group after losing to Clonea at Clonea on Sunday evening last.

The winners, Clonea, who now head the table in the group, led by 1-5 to 1-2 at half time. In a well contested second half, Clonea added a further 1-5 as against 1-1 for the Western team.

### INTERMEDIATE FOOTBALL CHAMPIONSHIP

Ardmore 1-8

Brickeys 0-10

This was the only adult championship game played in the Western Division on Sunday and it produced some good football for the small crowd who turned up at the Cappoquin venue. The result will give a slight boost to Ardmore who were beaten in their two previous matches. Both themselves and Brickeys have now won only one match.

Lismore 2-9

Old Parish 1-9

The Seana Phobal team suffered their second defeat of the junior football championship and Lismore had their second win in two matches at Abbeyside grounds on Saturday evening. It was an entertaining game of fast open football with some good scores resulting from fine individual performances.

The Seana Phobal side led by 1-7 to 1-3 at half time, but faded noticeably as Lismore got on top in the second half. The losers fielded without regular centre-back Shay French who was in-

involved in a parachute jump in Dublin.

Referee: Pat Moore (Ballinacourty).

Kilgobinet 5-16

Tallow 0-3

This big win puts Kilgobinet joint leaders with Lismore on the league table and it puts all others on notice of the scoring power of the winners here. It is the highest score in a junior

game in the 57 junior football championship matches played in the county this year, but strange to relate, three points is by no means the lowest score in a game this year. In the same championship, teams such as Fenor, Killure, Killrossanty, Ardmore, Ballinacourty and Dunhill have all managed only two points in championship games this season.

### INTERMEDIATE HURLING CHAMPIONSHIP

## Splendid Scoring Display By Stradbally

Stradbally 6-10

Tramore 1-6

Tramore played their final match in the intermediate hurling championship when they were hammered by Stradbally who are still struggling with three or four others for a place in the knockout stages of the championship. Tramore and Ballydurn will play off in the relegation game.

Stradbally were in splendid scoring form and won as decisively as the score indicates, but having lost Eoin Phelan through injury during the game, the outing could yet prove costly.

This group of the intermediate hurling championship is still wide open with five teams — Clonea, St. Marys, Cappoquin, Stradbally and An Rinn — fighting for the three places in the knockout stages.

### ABBEYSIDE BEAT MOLLERANS

Abbeyside 2-7

St. Mollerans 0-4

Without being over impressive, Abbeyside accounted for St. Mollerans in their refixed intermediate hurling tie at Kilmacthomas last week. The winners are now through to the knockout stages but must await the outcome of the Erin's Own v. Shamrocks game before knowing their actual position on the league table.

At halfway Abbeyside led by 1-3 to 0-1, both sides having had quite a number of missed chances. Mollerans, who are now out of the running for a place in the closing stages, pressed very hard in the closing stages, but were repelled by a very resolute Abbeyside defence.

## Phelan Cup Clash Ends All Square

Dungarvan 0-13

Kilmacthomas 2-7

This was the semi-final of the 1992 senior football league and it ended all square at Leamybrien on Tuesday evening of last week and will now have to be replayed. The game was sporting and very entertaining and not at all like their meeting in the first round of the championship when the champions ran riot against an unfit Kilmac' team who were weakened by injuries.

In this game play was held up for approximately ten minutes while the injured Sean Behan was being attended to and subsequently removed for hospital treatment to his suspected fractured leg, following a skid on the greasy surface.

Pat Moore, Ballinacourty, was referee.

## GAME ABANDONED

The game between Kilrossanty and Ballinacourty in the junior football play-off at Stradbally was abandoned by referee John Kelly after a player had become seriously injured. The player, Brendan McGuire, had his leg fractured accidentally in a clash with another player after the game had been 15 minutes in progress.

## FAILED TO FIELD

Two football championship games in the Eastern Division became abortive on Saturday evening last when both Ferrybank (intermediate) and Killure (junior) both failed to field for their respective championship ties.

## MATCH BROADCAST

Patrons who are unable to travel to the Munster under-21 football final on Friday evening for whatever reason, will be glad to know that the match will be broadcast from the grounds by WLR FM. This facility will be appreciated by our supporters at home and in areas covered by the range of the station.

The winners of the game will play Galway at Ennis in the All-Ireland semi-final on August 1. If the final ends in a draw on Friday it will be replayed on the following Friday, July 30.

**SENIOR HURLING CHAMPIONSHIP**

**Late Surge Secures Win For Fourmilewater**

**FOURMILEWATER 4-11**  
**COLLIGAN 3-4**

If Colligan had not run out of steam in the closing quarter of this exciting tie on Tuesday night last Fourmile' might not have gotten the two points which put them well in contention for a play-off, possibly with Tallow, for a place in the quarter-finals of the championship. The game was level at 2-2 apiece at the halfway stage and with 12 minutes remaining only a goal separated the teams with both sides playing good hurling. At this stage, the Ballymacarbry team pulled away to win the game by ten points.

The game went for 11 minutes without a score before Jimmy Beresford converted a '65' for a Colligan point. Six minutes later Jimmy Beresford had the ball in the Fourmile' net from a long distance free. Eighteen minutes went by before the eventual winners opened their scoring with a Seamus Cuddy goal and they levelled in the 22nd minute with a Ger Walsh point.

Another goal from a free by county player Jimmy Beresford restored Colligan's lead which was further increased with a Noel Dalton point to leave it double scores (2-2 to 1-1) in the 28th minute. Richie O'Keeffe had a goal in the 29th minute and just on half time Michael Guiry added the point which left the teams level at the break.

**INTO LEAD**

On the turnover Tom Flynn pointed Fourmile' into the lead with a point and a minute later the same

player added another. Then in the 34th minute Jimmy Beresford took a free and sent another rocket to the Fourmile' net to restore Colligan's lead.

Big Pat Walsh put Fourmile' level and further points by Pat Walsh and Tom Flynn followed before Jimmy Beresford and Michael Guiry exchanged points to leave it 2-8 to 3-3 in the 47th minute and the match was far from being decided. Michael Guiry had a 48th minute point and when Paudie Halpin, who had come on as a sub for the injured Tony Condon had the win-

ners goal in the 53rd minute the Colligan challenge began to fade. Jimmy Beresford had Colligan's final point and scores for Fourmile' were added by Kevin Mulcahy, Pat Walsh and Paudie Halpin.

**Anthony Tinnelly**

Former Lismore hurler, Anthony Tinnelly, now playing club hurling with Rostrevor, Co. Down, and a member of the Down junior hurling team which won this year's Ulster junior hurling title, defeating Tyrone in the Ulster final and London in the special All-Ireland junior final played on London.

Anthony also played minor intercounty for Waterford in 1990 and 1991. He was the captain of the Waterford under-14 hurling team for the Tony Forristal Tournament in 1987. With Lismore, Anthony won county medals at under-14, under-16, minor, under-21 and senior grades.

**Inter County U-14 Hurling For Waterford**

The Waterford Crystal sponsored All-Ireland Inter-County Under-14 Hurling Festival will be held in Waterford on Saturday and Sunday, August 28 and 29 next. Details of the Festival were announced at a reception in the Waterford Glass Sports & Social Club on Saturday, 17 July.

The Festival incorporates tournaments in honour of the late Tony Forristal and the late Sonny Walsh, both formerly members of the Waterford Crystal workforce.

In all, 19 county teams — Cork, Clare, Kerry, Laois, Down, Meath, Antrim, Dublin, Galway, Kildare, Limerick, Wexford, Kilkenny, Wicklow, Tipperary, Waterford, Westmeath — will participate in the Festival.

Games will take place at the Waterford Glass Sports & Social Club, the Mount Sion Grounds and the De La Salle/Roanmore Grounds. This year will mark the

12th Festival which has grown into such an important event in the development of young hurlers of talent.

Each of the participating counties in the tournament will be presented with a superbly crafted Waterford Crystal memento of the occasion.

Waterford Crystal's support for the Festival is part of its extensive sponsorship of GAA activities in the county and nationally. Last May, Mr. Brian Patterson, chief operating officer of Waterford Crystal announced a significantly enhanced GAA sponsorship by the company.

**Stradbally Club Initiative**

A novel way of raising funds and involving clubs in a non-playing field activity has been thought up by the Stradbally Club and is being organised and run by the chairman John Crotty and a special committee.

It is a competition to find the G.A.A. 100 metre sprint champion and will take place at the club grounds on Thursday August 5th. Entries for the Bridgie Terrie Sponsored competition will close on Friday of next week and should be with John Crotty of Ballyvoile by that date.

The winning club will receive a sports voucher to the value of £300. Competi-

tors must be registered members of a Waterford G.A.A. club and football boots, as well as colours, togs and stockings must be worn when running.

A club on payment of £30 entry fee may enter 4 contestants only and they must be over seventeen.

I'm sure it will prove to be a very worthwhile venture and well supported by clubs in both divisions.

NEXT WEEK-END

# Waterford Play Kerry In Munster U-21 Football Final At Walsh Park

Despite the fact that some vital club matches are down to be decided over the coming week-end, up to Friday, all our attentions will focus on Waterford's bid to win us our first Under 21 championship by beating a high-powered Kerry side who will come here as favourites to compensate their supporters for their defeat by Cork in the senior final.

Whatever the result, this Munster final game will be the final intercounty game to be played at a Waterford venue in the championships this year. A huge crowd will travel to Walsh Park to see if Kerry will achieve their four-in-a row in the grade or whether Waterford, the challengers, will make the very long awaited breakthrough and win a first championship in this grade.

Many supporters have wondered why the final was fixed for Walsh Park, rather

than Cappoquin, as the Western venue would attract a bigger following and have a better atmosphere for a football game. The facts are that the selectors and trainer felt that Walsh Park would, for some reason, give the team a better chance. They may have had in mind the fact that when we last had a home game against Kerry (1991) we ran them very close and with some luck might have stole a march on the then All-Ireland champions at Walsh

Park where it was played.

Kerry come here as strong favourites, they being the reigning champions for the past three years and having beaten Cork in the provincial semi-final which was their first game of the season. Trained by the great Paudie O'Shea they are going for four in a row and for a crack at maintaining their unbeaten record against Waterford.

Waterford selectors, building on a strong minor side of three years ago, and engaging All-Ireland medal winner Larry Tompkins as trainer, have brought Waterford to a high standard of Under 21 football and reaching the provincial final, the hard way.

Our match against Limerick was good and it aroused countywide interest in the teams potential. Our semi-final match against Tipperary at Walsh Park was a game of two contrasting halves, with Waterford having to fight back to steal a draw after playing great stuff in the first half.

The replay showed a similar pattern at Clonmel when again, we had to fight to earn the draw which sent the semi-final to extra-time. In this period we surpassed all that had happened before and satisfied our growing number of supporters that we have talent and teamwork good enough to challenge the best when we get it right on the day.

Since the win in the semi-final the panel have continued their strict training programme and have played a couple of useful challenge matches which produced encouraging results. The players realise that this is their biggest test of all and that beating the mighty Kingdom team will take a mammoth effort on the part of every single player combining in one great team effort to win and to salvage our flagging intercounty record for 1993.

Some of our selectors saw Kerry beating Cork in their semi-final game and were impressed with Kerry's high standard, but at the same time, reckoned that they are not unbeatable. A lot will depend on the attitude of

the players going into the game and their belief in their ability to beat their opponents, regardless of who they are or what happened in other matches against the same county.

At the time of writing the team to do duty has not been named, but it is not likely to differ much from the side which defeated Tipperary in the replay at Clonmel on July 9th.

This will see Ciaran Cullinane in goal again and few can complain about the young Affane player's good goalkeeping to date.

We have a strong defence in Bobby Lyons, Darrell Donnelly and Francis Cullinane in the full line and Vincent Murray, Michael Fitzgerald and Dan Crotty outside them. It was out of defence that our final attack was mounted to earn us a draw on two occasions. Ml. Fenton and David Phelan have set up a good midfield partnership and if Phelan is recovered from the injury sustained in the semi-final replay her seems sure to hold his place.

In attack we have top scorers, Anthony Fitzgerald, Fergal Cunningham, David Whelan, Eamonn Crotty, Pat Brazil and Kieran Whelan. We have also a formidable back up group on the substitute bench should their services be required during the final.

## THE OUTCOME

Most of our supporters see it as a 'now or never' challenge as we are not likely to have as good a side together again for a long time.

Kerry, we know, are good and the proof is there for everyone to see, but no team is invincible and favourites and reigning champions have fallen before. There is growing confidence in our county that this Under 21 football team is good enough to beat a team as highly rated as Kerry, so with a might effort on the part of everyone concerned, huge support at Walsh Park and a little bit of good luck we might see the footballers emulating the feat of their counterparts in hurling last year, by taking this title. We wish them the very best of luck.

## PAST RECORDS

Our clashes with Kerry in Under 21 football have not been very numerous and we have met only on five occasions over the past 18 years with the following results:—

1975	Waterford 1-5	Kerry 0-17	Killorglan
1981	Waterford 0-8	Kerry 1-10	Dungarvan
1984	Waterford 0-6	Kerry 1-13	Gneeveneguilla
1991	Waterford 1-6	Kerry 1-11	Walsh Park
1992	Waterford 0-6	Kerry 5-19	Milltown Co. Kerry

## Sponsorship Launch

The Chairman of the Western Board, Ollie Wilkinson expressed some disappointment that quite a number of clubs were not represented at the function to officially launch the sponsorship of the divisional championships for 1993. He was speaking at a special function at Clonea Hotel on Thursday night last when he informed the gathering that all the championships in the West had now been sponsored, thanks to the generosity of a number of firms and businesses in many parts of West Waterford.

He said the Western Board were extremely grateful to all those people for their support and their interest in our games. Sponsorship, he said, had now become the in-thing and it was very encouraging to find that the

Gaelic Athletic Association were getting their fair share.

The Chairman thanked each sponsor individually and wished them well in their line of business. He appealed to members of the Association to support these firms and businesses whenever possible.

He concluded by thanking Board Treasurer Tommy Morrissey for the work done by him in acquiring the sponsorship in a number of cases.

The following are the 1993 sponsors:

Intermediate Football — Waterford Foods plc. (Dairy division); Junior Football — Park Hotel; Under-21 Football "A" — John Kiely Construction; Under-21 Football "B" — Waterford GAA Supporters Club; Minor Football "A" — Lawlor's Hotel; Minor Football "B" — Waterford GAA Supporters Club; Junior Hurling — Comeragh Oil (P. J. Ryan); Under-21 Hurling "A" — Tony Kirwan Plant Hire; Under-21 Hurling "B" — Waterford GAA Supporters club; Minor Hurling "A" — Clonea Strand Hotel; Minor hurling "B" — Prionsias Breathnach agus Anon.

Responding on behalf of the various sponsors were P. J. Ryan, Pat Nugent, Tony Kirwan, John McGrath and David Walsh, all of whom expressed their delight at being asked to become involved in the sponsorship with the Western Board.

# Full Programme Of Club Championship Games Fixed For Week-End

On the club championship front, the results in senior hurling will spell out the fate of a number of clubs, as far as the 1993 championship is concerned and it will determine the placing in the knock-out stages. By Sunday evening as many as five clubs will have gone from the championship.

Also there are a couple of important senior football games due to be decided and the Western Board have some attractive junior hurling championship matches listed. A full list of minor football games will also take place and all going well, this championship will be well on target to finish by the scheduled date.

## SENIOR HURLING CHAMPIONSHIP

### MOUNT SION V. COLLIGAN

The result looks like being a foregone conclusion unless Colligan are going to be able to rally their forces sufficiently for a final fling and surprise the favourites here. The Western team played very well against Fourmilewater for more than three-quarters of the game last week, but they are not likely to have the strength to stop Mount Sion from getting the two points which will give them ten out of a possible twelve league points and guarantee them a place in the semi-final or quarter final, depending on the result of the Lismore/Portlaw game being played also over the week-end. Colligan would need a few of Jimmy Beresford's calibre to have a good chance here. Mount Sion will make sure of fielding at full strength for this one which takes place at Mt. Sion on Saturday.

### LAWLORS HOTEL S.H.C. LEAGUE TABLES

Group 1	P.	Pts.
Lismore	5	8
Mt. Sion	5	8
Tallow	6	6
Fourmilewater	4	4
Portlaw	4	3
Dungarvan	4	2
Colligan	4	1

Group 2	P.	Pts.
Roanmore	5	10
Passage	5	10
Ballygunner	5	6
De La Salle	6	6
Ballyduff	5	4
St. Saviours	5	0
Dunhill	5	0

### LISMORE V. PORTLAW

This can be labelled the 'game of the week-end' and is certain to produce some sparkling hurling - even though Lismore have not been doing this over their last couple of games. They played a thriller at Fraher field in the championship last year and if this game is as good at Stradbally on Sunday evening, it will do a lot to restore interest in this championship, which up to now is not enjoying the best of support. Lismore have never found it easy to beat Portlaw and were doing alright in last year's championship before being beaten by four points by the Eastern side. (3-6 to 0-11)

Lismore are playing for a semi-final place. If they win and Mount Sion win also the clubs must meet to decide the top placing. Portlaw, on the other hand, are fighting to keep their championship hopes alive as if they lose here, they are gone out of the championship as a win in their final game would give them a total of only five points which would not be enough to qualify them for a place - even in the play-off stages. Mount Sion have beaten both by two points, but the other indicators show the form of both to be rather erratic. So here anything can happen. Portlaw have not been enjoying the very best of luck in their matches to date and are due a change of luck. It could happen in this one and having beaten Lismore last year, they will feel that they can do it again.

### BALLYDUFF V. BALLYGUNNER

A win for Ballyduff here would put them level on points with the county champions Ballygunner and while the champions will start favourites, a win for the Western team is by no means out of the question. With just minutes remaining they were in front of the unbeaten Roanmore at Cappoquin three weeks ago. With Roanmore and Passage already having qualified in this group, the third spot is up for grabs and will fall to Ballygunner, Ballyduff or De La Salle. De La Salle have already played their fifth and final match and this tie between Ballygunner

and Ballyduff at Cappoquin on Sunday will be their final game in the league section. The 'Gunnars' will be favourites here.

## SENIOR FOOTBALL CHAMPIONSHIP

### STRADBALLY V. BUTLERSTOWN

Stradbally are another side who are just rearing to get back into action and they should resume their assault on the title with a win over Butlerstown at Dunhill on Saturday evening. Butlerstown had a four points win over Affane and a four points defeat by Clashmore in their two matches to date. Stradbally who defeated Ballinacourty by seven points in their only game to date, had a 3-12 to 0-3 win over Butlerstown in the championship last year and I cannot imagine Butlerstown having improved sufficiently to wipe out that kind of gap without Eoin Phelan, who was injured in a hurling game last week.

### SLIABH gCUA V. KILMATHOMAS

When the same clubs met last year, Kilmacthomas had one of their best victories of the championship when winning decisively by 1-12 to 0-3 at Fraher field. This year, Sliabh gCua have beaten Tramore and went within a score of drawing with the highly rated Kil-

rossanty in the second round. In this game, Sliabh gCua were unlucky to concede a late goal which was the difference between the sides at the finish.

Kilmacthomas got a bad beating from county champions, Dungarvan in their opening round this year but failed by only a single point to the Nire in their next game. They played a draw in the senior league against Dungarvan last week and this would seem to suggest that they are coming back to form again. If they can reproduce their best form, they should account for the Sliabh gCua side, but strange things happen in the championships and it would be foolish to write off the Touraneena men before they have played.

### ROANMORE V. PASSAGE

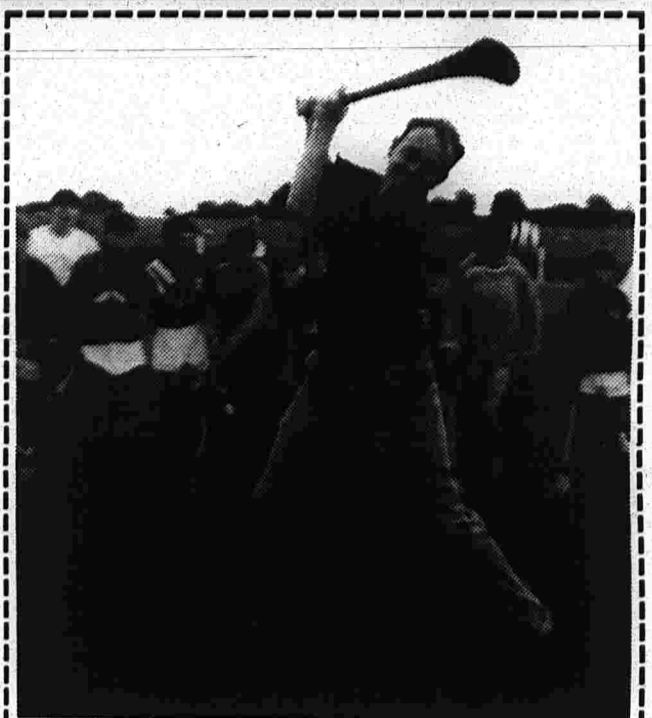

These are the joint table-toppers and this clash in what is the final game for both clubs in the league section of the championship will be a real cracker and one that is certain to attract a very big attendance to Walsh Park for the feature game on Sunday afternoon. They are the only unbeaten sides in this fourteen-team championship.

Even though both are qualified for the K/O stages, they each have a lot to play for because the winner will go straight through to the semi-finals while the loser will have to play in the quarter finals. A draw in this game would mean that both would have to meet again. I have a slight fancy for Passage whom I expect to see playing in the county final.

### DUNHILL V. ST. SAVIOURS

Neither side has won a game and for both this is their final game in the present championship. For one or other of the teams it could be their final championship match at senior level as the losers will go into a relegation battle with the bottom team in the other group. St. Saviours had a number of very near misses in a number of their matches and could be fancied to take the two points on offer here.

SUMMER HURLING CAMP, PORTLAW '93 — Fergie Shows 'em How — All-Ireland U-21 star, Fergal Hartley, shows the art of free taking when he visited the camp at Portlaw.

### RATHGORMACK V. BUTLERSTOWN

Butlerstown will have had two championship games within a week after they have played Rathgormack at Portlaw over the coming week-end. This goes to show what players and

clubs are now prepared to do when under pressure as most clubs are, now that the holiday period is just around the corner. Rathgormack, playing only their third match in the championship, will be strong favourites to win this one.

## INTERMEDIATE HURLING

A number of clubs in the intermediate hurling championship have it all to play for in their remaining matches and some of these clubs are in action over the week-end.

These include Shamrocks v. Erin's Own, who so far are unbeaten in the championships and Cappoquin v. An Rinn.

The latter two who are trailing the leaders in group 2 have a chance of winning third place in their section, but the losers here will find themselves going nowhere. This should provide the spur that both teams need to make it an excellent contest.

Erin's Own will be favourites to beat Shamrocks despite the Western team's very good display against Ballydurn last week.

# Stinging Criticism Of An Post's Counter Facilities At Dungarvan

There was stinging criticism of the counter facilities being provided by An Post at Dungarvan's main Post Office at this week's meeting of the Urban Council.

Cllr. Michael O'Riordan said the long queues that are now a regular feature at the local Post Office are a disgrace and are humiliating for the people who have to take their places in them. "All that is required is that an additional counter window be opened during busy times", said Cllr. O'Riordan. "The public are entitled to a better level of service than they are getting and we should voice our strongest possible protest to An Post."

Cllr. Nuala Ryan agreed and said they had previously been told that all four counter windows are being operated at peak times.

That, however, is simply not true.

Cllr. Mary Dixon said last Friday two out of the four windows were closed down while at the same time there was a lengthy queue of people waiting to be served.

"That isn't good enough and An Post must be told so," she added.

The Chairman, Cllr. Tony Wright said everyone in Dungarvan will back up the criticisms voiced by the members.

It was agreed to formally protest about the level of services to An Post and to demand that all available counter windows be manned during peak times.

## Visit Of National Youth Information Co-Ordinator

A recent visitor to the Dungarvan Youth Information Centre was Ms. Frances Newman who is the National Co-ordinator for the youth information service. This service consists of a national network of youth information centres whose main aim is to provide a free, comprehensive and confidential information service for young people and those who work with them. Ms. Newman's role is to co-ordinate and develop the service throughout the country. In November 1992, the National Youth Information Monitoring Committee became the Irish member of ERYICA (European Youth Information and Counselling Agency) which strengthens the links between the centres in Ireland and their counterparts in other European countries.

Locally, the information service is a project of Waterford Regional Youth Service with information centres located at Dungarvan, Waterford and Clonmel. Plans are at an advanced stage to open a new centre in Carrick-on-Suir in the near future. A unique feature of the service locally is that it is provided almost exclusively by volunteers who are trained and supported by a full-time officer of the Regional Youth Service. As such, the service is truly "community based" and voluntary in character and this model of youth information provision has aroused much interest at national level. During her visit Ms. Newman congratulated the volunteers on their dedicated work and praised the local youth service for the way in which limited resources are being used to bring a vital information service to as many young people as possible.

The Dungarvan Youth Information Centre is situated in Friary Street, Dungarvan Tel (058) 41698 and is open Monday to Friday 9.30 a.m. - 5.00 p.m.
