## New School Sanctioned For Scoil Garbhain

Brendan Kenneally

Deputy Brendan Kenneally has been informed by Niamh Bhreathnach, T.D., Minister for Education, that she has sanctioned a new 5-classroom school for Scoil Garbhain, the all Irish School in Dungarvan.

"I am very pleased with this news as a long battle has been fought to try and secure this approval. The conditions under which this school was operating always put its future in jeopardy but this announcement will mean

that such fears can now be put to one side" said Deputy Kenneally.

The Minister also informed Deputy Kenneally that £65,000 was being allocated to Lismore C.B.S. for roof repairs, which again he welcomed.

Married recently in Dungarvan Parish Church were Miss Angela Heslin, Windgap and Mr. Eugene Whelan, Ballyduff. Fr. Conor Kelly officiated at the ceremony and the reception was held at the Park Hotel, Dungarvan. (Photo: John Tynan)

## LISMORE TAKE THIRD TITLE

Lismore were crowned senior hurling champions of Waterford at rainlashed Walsh Park, Waterford on Sunday last when they beat Passage by the narrowest of margins 0-8 to 0-7 in a pulsating clash played in a veritable quagmire. It was Lismore's third time winning the

title, they last won it in 1991, and not even the atrocious conditions could dampen the enthusiasm of their jubilant supporters who gave vent to their feelings after a nerve wrecking final few minutes as they held on by their teeth to their narrow lead.

## John Treacy To Run In Dublin Marathon

Alex Sweeney - Golden Pages Dublin Marathon Director - announced at a Special Press Lunch held in the Central Hotel, Exchequer Street, Dublin that Olympic Medalist John Treacy will run the Golden Pages Dublin Marathon.

Villierstown born Treacy, is an athlete of real world stature. He won the World Cross Country Championship in 1978 and 1979. His performance in winning a silver Olympic medal at

the Los Angeles Olympics in 1984 in 2hrs 9mins 56sec. was probably the greatest performance ever by an Irish Sportsman.

In 1988 he smashed the Irish Record when finishing 3rd in the Boston Marathon in a time of 2hrs 9mins 15sec.

This is a man who fears nobody in a pair of running shoes; he is in great shape and looking forward to running 2hrs 11 mins over this new and fast two lap Dublin course.

# Villierstown Tidy Towns Report

The picturesque village of Villierstown showed improvement over the 1992 adjudication. Their 173 marks was three more than the 1992 figure. They showed improvement in four of the categories, losing a point however for tidiness.

The following are the adjudicator's comments, 1992 marks in brackets.

**Effort (32) 33** — It was again a pleasure to visit Villierstown as it is a village which has great potential to do well in the competition. It was encouraging to see that you have sustained and indeed further improved on last year's standard. With a little more attention to detail, finally resolving the dereliction problems and with all of the community's assistance you would be among the top ranking towns in the country. Your response on the questionnaire and particularly the clear map were most helpful during adjudication.

**Tidiness (32) 31** — The village centre was again commendably litter free but here and there along grass verges on the approach roads a few papers were to be seen. Any construction sites such as the one on the Dungarvan approach must be kept as tidily as possible during the works. Any building materials, heaps of sand, etc., no longer required should be removed immediately. There were a few side areas/laneways which could have been tidier. The disguising of derelict buildings by boarding up and decorating the windows is a good idea as others such as on the right hand side of the Clashmore approach generated an untidy appearance.

**Presentation of Buildings (30) 31** — The improvement of one derelict building at the top of the street was noted. An Cruiscin Lan and the buildings beside it looked very well. The National School was well presented but the entrance area was somewhat weedy and long grass had not been trimmed against the boundary wall in front although the grass verge had been neatly cut. The simple presentation of the Post Office was admired. The formally positioned, yet strangely modest (in terms of its visual impact on the village) church was admired. At least one of the monuments had grass growing from the top. Remember to present outbuildings/sheds to the same standard as the main buildings.

**Presentation of Natural Amenities (28) 29** — The quayside was neatly presented but for a few weeds here and there, particularly beneath the seats. The removal of overhead telephone lines is a good idea. There is scope however for better maintenance of the green area here. The standard of the main street was good with well mown greens, mature trees and incidental planting in tubs and

hanging baskets. To be commended are all those who invest their time in the maintenance of green areas and planting. The young trees on the green down the hill opposite the church are most welcome. The 'square' at the telephone box looked well but the surface needed weeding. It is suggested that the open space at the crossroads on

the corner between the Clashmore and Dungarvan roads be developed to the same standard as the opposite corner.

**Appearance of Approach Roads (31) 32** — The roadside verges of the Clashmore approach were well presented. Those on the Dungarvan approach were becoming at the time of adjudication overgrown

except for the area at the village name-sign. The Cappoquin road was quite overgrown. The road down to the quay was reasonable in places and overgrown in others. The new stone walls at the bottom of the village have been very well built. There is scope for clearing other walls such as on either side of the greens at the top end of the vil-

lage. The standard of street furniture was generally good.

**Presentation of Residential Areas (17) 17** — There was great inconsistency under this heading. While some properties were exceptionally well presented others seemed quite neglected in comparison. The stone house opposite the telephone box was

one which was particularly liked. Quite a few boundary walls were in need of painting. Also a number of entrance/roadside areas needed weeding.

Congratulations on another increase of marks. You must eliminate altogether for next year any litter and also achieve a more consistent standard generally.

We would like to welcome home Samantha who was on holiday in England and Greece for the past two months. Hope to see you at the next club night.

### MR. DUNGARVAN 1993

Well, it's nearly time. Yes, this Friday night when up to 20 local young men take part for the first time ever in the Mr. Dungarvan contest. This, is without doubt, our top fundraising event this year.

The response has been fantastic and great credit to the organising committee for putting together this great night.

To our sponsors, Kiddos and The Bistro, a special thanks. Without their help we would not have been able to go ahead with the venture. Also we must thank the committee of Dungarvan Crystal Social and Sports

Club for kindly giving this year's winner a year's membership to their fantastic facilities out in Kilrush. To all the local clubs and businesses for sponsoring our contestants we are all in Dungarvan Youth Club very grateful. A full list of sponsors and contestants will appear in next week's notes.

We honestly believe that with some of the characters who have entered and with Micheál O Faoláin and Michael Wright as MCs for the night the place to be is in Club 2000 this Friday night.

### FOOTNOTE

Running Dungarvan Youth Club is a costly business. Here is a breakdown in our insurance alone for this year: Insurance for the building is over £1000, disco cover is another £600, insurance for our FÁS employees is £500, plus we have to affiliate to the Regional Youth Council.

As you can see insurance alone takes a lot of fundraising and despite our best efforts we are at the present moment unable to meet these commitments. This is why we are appealing to the public to come and support us this Friday night.

## Coffee Mornings In Aid Of Hospice Home Care Association

This Thursday, October 7 the coffee cups will be clinking as a number of coffee mornings have been organised as part of Ireland's Largest Coffee Morning, the proceeds from which are going to the West Waterford Hospice Home Care Movement.

In the Dungarvan area, the Causeway Tennis Club, Abbeyside, have very kindly agreed to hold one, so if you are in the vicinity on Thursday why not call in for a coffee. It will be a £1 well spent. Other sporting organisations holding similar events are Dungarvan Golf Club in Knocknagrangh

and the Brickey Rangers G.A.A. Club in Bushy Park. The Ballinroad I.C.A. are holding a Coffee Morning in the Clonea Strand Hotel. All the events will commence at 10 approximately.

In the Tallow area, Baylor Motors are hosting a morning, while if you happen to miss out on Thursday, why not go along to St. Declan's Hall in Ardmore on Saturday morning next.

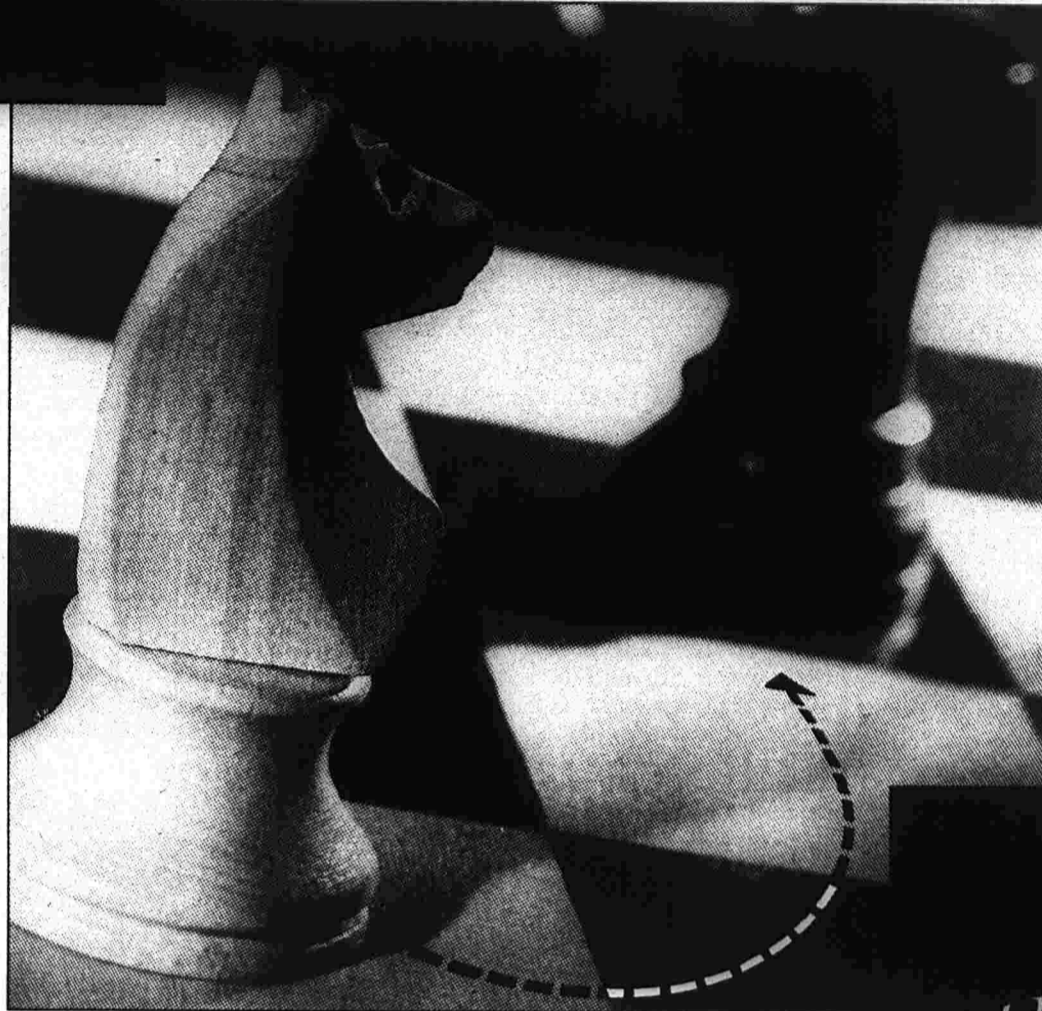

The response from the local firms has also been very encouraging. So remember, Thursday, October 8 — get into the act and participate in Ireland's Largest Coffee Morning.

## Now for the nasty jobs

OCTOBER is a thankless month for the gardener — winter digging is looming and must be completed by Christmas, while the recent growing season has left many rotten jobs.

● **Hedges** — clear out hedge bottoms thoroughly and burn or bag up debris. Otherwise you encourage pests and diseases to lie dormant over winter before causing new havoc next year.

If your hedge is deciduous, you could use the clear out as a chance to plant snowdrops and primroses for a cheerful start to next spring.

● **Conifers** — now is the best time to plant but take special care in preparing the site. Thorough planting now will ensure strong and healthy growth for many years.

● **Harvesting** — lift and store the last of your potato and carrot crops and keep picking apples and pears as they ripen. Never store any produce when damp and always ensure that it is well-ventilated.

Keep checking for mould or rot — the expression 'one rotten apple...' applies to any stored produce.

● **Geraniums** — can survive to the first frosts but prepare for overwintering now by moving to a frost-free greenhouse or a windowsill indoors. The latter should be sunny but not in a well-heated room.

A shed with a decent window will do but lack of light may cause dropped leaves.

Another method is to dig up the plants, shaking off soil, pruning back to six inches high, and cutting off leaves. These 'skeleton' plants are then planted close together in trays of slightly moist peat. Watch for and remove shoots or plants which die but most should survive and revive next spring, ready for repotting or planting.

● **Frost** — all frost prone plants should be raised by now. Bulbs, tubers and corms should be dried and stored while complete plants are overwintered in a greenhouse or where frost cannot reach them.

● **Lawns** — must be kept clear of fallen leaves. If you haven't already done so, work over with a spring rake to remove flattened and dead material before spiking or slitting for aeration.

Follow up with a proprietary phosphate feed.

Trim newly-sown lawns at two inches high and again a few weeks later.

● **Repairs** — make repairs to all garden fences, gates, brickwork and paths before winter sets in and prevents you working as well as increasing existing damage.

● **Storage** — many tools and machines will be stored away now for several months. Make sure they are clean, well-oiled and put away carefully and safely. Repair now rather than wait until needed.

— Arthur Hines.

# New Training Venture For Local Youth Service

Waterford Regional Youth Service, which provides a comprehensive range of services for young people in the geographical area consisting of Waterford city and county are happy to be in a position to run an accredited youth work course at local level. The Certificate Course in Youth Work Studies is an extra mural course from St. Patrick's College, Maynooth. It is de-

signed for adults involved in voluntary or paid youth work and who are taking up study after a break or thinking about degree or diploma level studies in the social sciences or related areas. Run on a part-time basis between October and Easter, it aims to give participants a broad theory and practice and practical skills for working with young people. It is hoped to base the

course in Carrick-on-Suir which is central to the region.

Over the past year the Irish YouthWork Centre (N.Y.F.) researched and developed a trainer's resource pack and trainer's familiarisation programme which enabled youth service staff in a number of regions around the county organise the course at local level. Speaking at the launch of the programme at National Youth Federation headquarters in Dublin recently, John Lawless, Information Officer with Waterford Regional Youth Service said:—

"Youth organisations throughout the country depend upon the goodwill of volunteers. The thousands of volunteers who operate neighbourhood youth clubs, special projects and infor-

mation services bring an enormous contribution to the development of local communities through the time, energy and enthusiasm which they bring to this work. It is appropriate that the youth agencies with whom they work will provide them with relevant training and opportunities for personal development. We are delighted that we have been chosen to run this course in the Waterford Region. It is a major boost to our youth service and over the years will help our volunteers to reach even higher standards in their work."

To receive further information about the course, please contact Triona Foley, Dungarvan Youth Resource Centre, Friary Street, Dungarvan. Tel. 058-41698.

# BALLYMACARBRY NEWS

## BALLYMAC' GIRL ON REGIONAL TEAM

Presentation Convent Clonmel school girl Paula Walsh, Creggane, Ballymacarbry, has been chosen on the Midlands Regional basketball team that will compete at trials in Killarney next month. This selection is a huge boost for the Ballymacarbry girl who has now placed herself in contention for international recognition. Prior to the trials in Killarney the various regional teams will travel to Portlaoise this weekend for training sessions under na-

tional coach Jimmy Clarke. In May of this year all the schools in the region, the largest in the country, were invited to send their top under 15 players to trials in Portlaoise. Eighty nine players attended and this was later short-listed to thirty five for more intensive training over the summer when the final cut for the regional team was made. Tipperary had two players from Thurles, one from Tipperary town as well as Paula on the list of thirty five, but

Paula was the only one to make the team itself, a significant honour for herself and her school and her parish of Fourmilewater. She is cousin of Pat and Tom Walsh, Ger and Pat Walsh, Ian and Alan and Bernard Walsh, all players with Fourmilewater and Nire and Waterford.

## VETERAN'S OUTSTANDING GAME

Veteran former Fourmilewater hurler had an outstanding game on Sunday last at full back for Fethard in their South Tipperary junior hurling championship game against Killenaule when they drew for the third time. The replay is next Saturday. The player was 48 years old Liam McCarthy, Graignagour, Ballymacarbry, now domiciled in Fethard.

## FIRST OPEN DAY IN 158 YEARS

History was made at St. Luke's Psychiatric Hospital, Clonmel, last week, when for the first time every in the 158 years of the hospital's establishment, an open day was held which brought family and friends of patients together with the nursing staff and residents. St. Teresa's Ward, a long stay, rehabilitation ward, was the ward chosen to host the open day. There was a large turnout of relatives who came at the invitation of the sixteen residents.

The day began with Mass in the temporary church, usually the residents dining hall. The setting throughout the day was informal and relaxed, even during the Mass, where everybody sat for the entire proceedings, including the priest. The celebrant of the Mass was Rev. Fr. Abbie Kennedy, a former staff member of St. Luke's. Fr. Kennedy came all the way from Portlaoise in Galway to celebrate the Mass for the residents. Fr. Kennedy said that he recognised many of the faces in the room despite the fact that it had been sixteen years since he had worked in the hospital.

The purpose of the day was to encourage more communication between residents and relatives and to give the relatives an insight into the quality of life which

## WEDDING BELLS

The beautiful church of St. Joseph, Leyton, London, was the scene recently of a very pretty wedding. The contracting parties were John, son of Mr. John Joseph and Mrs. Alice McGeady, Walthamstow, London, who was united in matrimony to Catherine, daughter of Mrs. Margaret and late Mr. Patrick Hally, Middlequarter, Newcastle.

The marriage ceremony with Nuptial Mass and Papal Blessing was solemnised by Very Rev. Fr. Hall P.P., St. Joseph's, Leyton, in the presence of large number of relatives and friends of the contracting parties. The bride, given away by her father, was attended by Ann-Maria Quinn, friend of the bride, as bridesmaid and by her sister Carmel Renwick as matron of honour. The bestman was Paul McGrath and flowergirl was Christine Horne, niece of the groom. We wish the newlyweds every joy and happiness in the years of that lay ahead.

## AMERICAN TRIP

By Richie Walsh

Robert Liet, General Chairman, 1993 International Convention Host Committee, states in an article that bidding for a Lions International Convention is a five year process. Among the requirements are 10,000 first class bedrooms, what type of convention centre would be required; is there enough volunteer labour available; a guaranteed shuttle bus system between the convention centre and 40 to 50 hotels. (This year Minneapolis St. Paul provided over 2,000 volunteers).

Parade route approval and indeed many others, including a booking fee of \$1 million. The other contestants for the 1993 convention were: Singapore, Mexico City, Vancouver and several US cities. The International Committee made no mistake in choosing Minneapolis St. Paul for the 1993 convention as it was truly a great convention and the people of the metropolis "City of Water" gave all of us a truly warm welcome. It is reported to have been worth \$27 million to the city.

However, the convention over, the time had come for us to depart and truthfully, we did so regretfully.

My next port of call was Denver, capital of the State of Colorado, one of the Rocky Mountain states, a city of over one and three-quarter million people. Colorado became a state on August 1, 1876, exactly one hundred years after the signing of the Declaration of Independence. Therefore, Colorado became known as the Centennial State. It is one of the highest states in the US (average elevation 6,800 ft.)

Colorado has almost a perfectly rectangular shape, with an east-west extent of 387 miles and a north-south extent of 276 miles. It is bounded on the east by Nebraska and Kansas, on the south by Oklahoma and New Mexico, on the north by Wyoming and Nebraska, and on the west by Utah. It is twice the size of England and slightly larger than the 3 states of New York, New Jersey and Pennsylvania combined.

The three major physiographic regions of the United States are represented by Colorado. In the east are the level rolling lands of the Great Plains. In the west are the plateau and basins known collectively as the Colorado Plateaus, and in the centre are the mountains of the Southern Rockies.

Here, slightly west of the crest of the mountains lies what is known as the Continental divide. This irregular watershed splits the State into two roughly equal sections. The altitude of this whole area is over 12,000 ft. I have stood by a large plaque, by the watershed, which shows the origins of many famous rivers, some of which are about 200 ft. apart, but owing to the divide, end up in the ocean, 2,000 miles apart.

The great Colorado River and its major tributaries in this area flow down the western slope of the Pacific Ocean. The South Platte, Arkansas and Rio Grand, flow down the eastern slope, all eventually reaching the Atlantic Ocean.

In the central portion of the State lie the Southern Rocky Mountains, a vast wilderness of high, rocky and snow-capped peaks, more than 50 of which exceed 14,000 ft., nearly five miles high. The highest are: Elbert, 14,423 ft., Harvard 14,420 ft., Massive 14,404. One of the most famous of these is Pike's Peak, named after Lieut. Zebulon Pike, who discovered the mountain in 1806.

In 1820, Dr. Edwin James made the first recorded ascent. In the 1850's "Pike's Peak Or Bust" became the slogan of the Gold Rush seekers. In 1873 the US Army Signal Corps built a weather observatory on the summit. Until 1899 this was manned year-round by a lone enlisted man who was replaced periodically after a short tour of duty. One of these was Sgt. John O'Keefe who gained national notoriety with his tall tales about duty on the peak. His most famous (or perhaps infamous) story was about his baby daughter "Erin" being devoured by "mountain rats" a complete hoax! With a name like that and a vivid imagination, I feel he must have been an Irishman!

The original roadway was built in 1886-'88. This is now a modern macadamised roadway. But there is an easier way of getting to the top. In 1889-'90 a business tycoon built the Manitou and Pike's Peak Cog Railroad, which is still going strong. My son drove me to the top and we were not long there when the trusty old cog-way arrived, with its two coaches of passengers. The drive is a pretty scary one, with long stretches of unprotected roadway and very, very sharp bends.

Once at the top, one can take advantage of the 2 to 3 acres plateau which the powers that be laid out by leveling the top. On this man made plateau area a number of shops, and restaurants now stand. Although not the highest peak (14,110 ft.), it has one major advantage: the mountain stands out on its own, with no other peaks near, thus giving an unparalleled view of the surrounding countryside, and even as far down as Colorado Springs, Colorado's second city.—(TO BE CONTINUED).

## VILLAGE TOPICS

### EXTRACTS FROM TIDY TOWNS REPORT RELEVANT TO ABBEYSIDE

Presentation of Natural Amenities — The main amenity areas within the town looked well. Causeway Park is a laudable development of what could have been a wasteland area.

Green areas were well maintained and with attention to details such as trimming edges around trees etc, contribute much to the ambience of the town. The car park on the other side of the river near Abbeyside was neat although there were a few building materials left at one end.

The 'Welcome to Dungarvan'

display with box hedging on the Waterford approach created a good impression. The screening of the County Council Yard on the by-pass is effective; hopefully other yards might now be similarly treated.

Presentation of Residential Areas — Bright paint has been used quite effectively on many of the street houses but those which are drab tend to detract from them. Most of the estates were well presented; many residents display a keen interest in the presentation of their property, especially

gardens. Sea Park had excellent green areas. (Continued next week)

### ABBEYSIDE TEACHERS RETIRE

On Friday night last a retirement dinner was held for Eithne Keever, Coolagh Road and Noirin Bean Ui Chionaola, Cuan Muire to mark the occasion of their retirement from teaching. Friends and teaching colleagues gathered for the social function where presentations of Waterford Glass vases were made to both. Making the occasion a gala Abbeyside affair was the fact that the function was graced by the presence of the new President of the Association of Secondary Teachers of Ireland, Mary Dowling, Monang.

### ABBEYSIDE NATIONAL SCHOOL

Pupils from the local school will take part in the R.T.E. 2 television programme 'The Work' on Thursday night next, October 7 at 5 p.m. We look forward to seeing them scoring their 'iowtas' to decide whether they will return home with a keyboard or a set of encyclopaedias for the school.

medals and plaques being presented. Denis O'Shea, Director of the Scout Centre, thanked everyone and hoped to see them again next year. Everyone then left for home, happy and slightly disappointed, but determined more than ever to be back again next year!

#### ATTENTION

All scouts are reminded to be at the den at 7.10 p.m. in full uniform for our first Mass Parade of the Year.

Saturday night's meeting begins at 8 p.m. as it is the Troop's birthday party. This night will see the NCB and the Scout and P/L of the Year being awarded plus the highlight, which should be this year's camp slides. More on this next week. — SCRIBE.

#### FÉILE '93

Last weekend under the leadership of John Paul Cosgrave, Eamon Veale and Martin Whelan, our Féile panel of sixteen scouts travelled to Melleray Scout Centre to take part in the fourteenth annual Féile na nGasóg which is a national CBSI competition in which the scouts take part in athletics, football, basketball and culture.

Since 1979, when this competition began, we have taken part every year and for the last few years we have come second, this year being no exception.

On Saturday, with things getting under way in the Friary College, John Paul rallied the lads and we reached the final of the football, only to be narrowly beaten by a good Cork team. Our basketballers meanwhile reached the semi-final stage, while in squash Brian McNamara held onto the All-Ireland title we have held for the last number of years by playing good and confident squash.

Saturday night, along with the other teams, we put on our sketch which we had hoped to do well with. However, this was not to be as we were beaten by the Third Cork with their cave-man sketch.

Sunday saw the athletic events taking place and in these events we did well, with Conor Foley winning the handball, Eamon Cashin, Michael Fives, John Phelan and John O'Connor winning the 4x400m relay, Eoin Hayes winning the 1500m, and Ronan McCarthy winning the 800m.

In the 3-legged race Brian McNamara and Padraig Conroy came second while Stephen McNamara, Joe Curran and Garvan McCarthy came home third in their respective events.

At 3 p.m. the closing ceremony took place with the

### Abbeyside Guide Notes

Last week the Brownies were busy painting the stones which they had previously collected at the beach. The Guide meeting was based on the Law and Promise. A variety of puzzles kept everyone busy on this theme.

#### HIKE

Sunday saw us out and about in the Colligan area. We were driven from the Den to the Equestrian Centre where everyone (well all the Guides anyway!) went pony trekking. Although some were "terrified" at first, all soon settled into it and many would like to "do it again"! Great courage was shown by Elizabeth, Christine and Sandra. Antoinette on the other hand was more interested in her stable boy, Anthony, than the pony!

After the packed lunch we had to head off hiking home — in the rain, and boy did it rain! But true to form we didn't let the weather dampen our spirits. As per usual the sun was beginning to shine through by the time we got home! The hike, although wet, was a great success and it definitely taught the newer members the real meaning of "top to toe" wet weather gear!

#### FEILE

Congratulations to all the lads from the 4th Waterford who took part in Feile last weekend in Melleray. They came second overall and won many of the individual sports events. A splendid performance by all team members. Well done.

#### REMEMBER

Browne and Guide meetings next week will cost £1 per member. This money will be donated to the Irish Cancer Society in order to fund research into the disease.

### OUR LOCALITY

Garranbane, the white grove, is the largest townland in our parish. It is nearly three times the size of Abbeyside. It stretches from a little north west of the Pike southwards to the marshland below Garranbane Church. You enter the townland having passed Garranbane School on your way to Waterford. The school itself is in the townland of Clonloskoran (Coskran's Meadow). It you take the south fork off the main road leading to the church you also enter the townland at a borheen which leads to a farm on the left, but continue on past

the hill to the church and soon you will be in Kilbeg. Only a tiny portion of Garranbane is south of this road. Parallel to the main road a stream rises in the dip south of the Pike. This feeds a reservoir near the main road. The stream flows on down by the church and into the marsh below. It bounds Dunlough, the fort of the Willows on the east and Clonea Lower on the west. The stream crosses under the Clonea Road east of the "Crooked Bridge" and can be seen at the sluiceway entering the sea near the car park.

### AN INSIGHT INTO BEING LORD MAYOR OF LEICESTER

We have had some correspondence regarding an Ardmore man, now deceased, who was Lord Mayor of Leicester in 1988-89, and extracts from his correspondence with an Ardmore woman give an insight into the workload of being chief citizen of such a large English city. His name was Guy Collie whose mother was the former Madeline McKenna who lived in Ards House for a period. Unlike Henry Dunphy whose wife Rose is mayoress Guy had his 22 years old niece Patricia as mayoress as he himself was a bachelor. In a letter of June '88 Guy says, "This Lord Mayor business is quite tough, about 900 engagements in the year. Quite the worst ordeal is chairing the monthly meeting of the City Council. I think I made quite a clearance in Purgatory that night. "I have 35 engagements this week (Dec. 16 1988) and a similar amount next

week. I've carried out over 400 engagements so far. Of the religious events not so many Catholic ones, quite a few Anglican and a number of Hindu ones, only two Muslims . . . In July I had the World Jain Congress for 1988 and a Jain Temple was opened here that year. I went to five Jain events."

I'm sure Henry Dunphy and Rose would have similar experience to recount and it is obvious from the above that they are living in a society that is culturally, religiously and socially quite different from our own parish environment.

### G.A.A. NEWS

# Waterford Foods Expands Its UK Dairy Business

Waterford Foods plc announces that it has acquired the Durham Dairy liquid milk business from Dairy Crest for a cash consideration of Stg£7.4m. (IR£7.8m.).

The business being acquired operated as a division of Dairy Crest and was not separately audited. The Directors are satisfied that the liquid milk business had an annual turnover of approximately Stg£18m. (IR£19m.) and annual operating profits of approximately Stg£2.5m. (IR£2.6m.) based on the unaudited financial information of the business. It is estimated that the fair value of the net assets of the business, which is being acquired on a debt free basis, is approximately Stg£4.5m. (IR£4.8m.).

The Durham Dairy liquid milk operation processes approximately 9 million gallons of milk annually and produces a full range of whole and low fat milks for sale to wholesalers, households, retailers and schools in counties Durham and Northumberland. The business which is based at Stonebridge, South West of Durham, employs 110 people

and services 220 milk rounds for 22 distribution depots.

## OUTSTANDING OPPORTUNITY

Commenting on the acquisition, Stephen O'Connor, Managing Director of Waterford Foods plc, referred to Waterford's stated aim to increase its share of the U.K. liquid milk market. Mr. O'Connor said that the acquisition of the Durham Dairies "is an outstanding opportunity for the Group to expand the geographic spread of our operations and to obtain a broader base for future growth and development."

As part of the business Waterford is also acquiring the ex-farm milk haulage operation which principally services the business being acquired.

The business will operate as part of Waterford Dairies, the Group's U.K. dairy division, based in Manchester. The existing management team of the acquired business will continue to manage the Durham Dairy.

The enlarged business of Waterford Dairies will have approximately 5% of the liquid milk market in England and Wales.

## Waterford's Dungarvan Mill Wins ISO Accreditation

**DUNGARVAN MILL WINS ISO AWARD** — Minister for Food Brian O'Shea presents ISO 9002 certificateds to the managers and staff of the Waterford Foods Gain animal feed mill in Dungarvan at the Waterford Foods stand at the National Ploughing Championships last week.

The Minister for Food, Mr. Brian O'Shea, has presented certificates to representatives of Waterford Foods Gain Animal Feed Mill in Dungarvan at the Waterford Foods stand at the National Ploughing Championships.

Waterford Foods are the first company in Ireland to have two feed mills attain ISO status as the Gain Animal Feed Mill in Clonroche

achieved ISO status earlier this year.

The Dungarvan Mill produces about 30,000 tonnes of feed annually which is sold either as bulk feed or as bagged rations.

Aidan O. Dempsey, Group General Manager of Waterford Foods Trading Division said that Gain management and staff are now at the cutting edge of quality control in provender milling.

"This is as clear a demonstration as possible of our commitment to high quality animal feeds. Our customers can see evidence of this both through our ISO accreditation and through the success of the Gain range of products."

"The move towards carefully controlled animal feeding and balanced diets has been matched by an increase in the level of sophistication

in animal feed products. Gain products are to the forefront in that process. We ensure the highest possible quality at this vital, early stage of the food chain."

Waterford Foods personnel who received the ISO Certificate on behalf of the company include Peter O'Neill, Group Milling Manager, John Byrne, Area Manager and Jack O'Hare, Mill Manager.

## County Waterford ICMSA News

County Secretary, Mrs. Anne Kirwan outlines below the submission made by ICMSA to the Department of Education recently. In a detailed submission to Dr. Donal de Buitléir, Chairperson of the Advisory Committee on Third Level Student Support, at the Department of Education, the ICMSA has called for an end to the blatant discrimination against farm families inherent in the calculation of farm income to determine eligibility for third level grants.

Among its recommendations, the Association is calling for an appeals mechanism which would enable farm families who are refused grant aid to have their application appealed within days.

The fundamental point raised by the ICMSA is the fact that the Department of Education uses a different method to the Revenue Commissioners to calculate farm income and in so doing excludes many families who would otherwise be entitled to grant aid.

**RECENT DEATHS****Mr. Edmond Flynn**

Widespread and deep regret was expressed at the announcement of the death of Mr. Edmond (Ned) Flynn, late of Lacken, Dungarvan, which sad event occurred on Monday evening, September 27 at St. Joseph's Hospital, after a duration of illness borne in true Christian spirit and fortified by the Rites of Holy Church.

The deceased was a very well known and popular gentleman who made friends easily by reason of his many fine qualities. He was a wonderful neighbour who was always ready to help when the occasion demanded. But his greatest quality was that of a good husband and a wonderful father.

The late Ned Flynn suffered the loss of his beloved wife Mary eighteen years ago which was deeply felt by himself and his family. He was an employee of the State Forestry prior to his retirement where he enjoyed wide popularity among management and his fellow employees. He was a native of Bohadon and a member of a popular and widely connected family.

In his youthful days and at the early age of seventeen years he answered the call of his country in her struggle for freedom and joined the Colligan Company of the Old IRA and was the last surviving member. He was a regular attendant at the Annual Liam Lynch Memorial Mass at Newcastle up to the time of his final illness.

To his sorrowing daughters Hannah Flynn and Mrs. Margaret Cummins, his sister Mrs. Allie Hickey, Bohadon, grandchildren Frances, Mary, Delia, Tina, Margaret, Marguerite, David, Patrick, Philip, Edsie and Vincent, great-grandchildren, nephews, nieces, sister-in-law Mrs. Elsie Curran, Strandside North, Abbeyside, we extend our sincere and deepest condolences.

His remains were removed on Tuesday evening from St. Joseph's Hospital to Kilgobinet Church after the Rosary and requiem prayers were recited by Rev. P. Ahearne, C.C., Abbeyside and followed by a very large cortege representative of all sections of the community. The coffin, draped in the tri-colour, was blessed and received by Very Rev. R. Doherty, P.P.,

Abbeyside.

Concelebrated Mass was offered on Wednesday morning. The chief celebrant was Fr. Doherty and co-celebrant was Rev. P. Connolly, C.C., Kilgobinet. After the Mass the interment took place in the adjoining cemetery beside his beloved wife.

Very many Mass cards were received and some beautiful floral tributes were placed on his grave. Another large concourse was present.

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan.)

**Mrs. Mary Power (née Ducey)**

We record with very sincere regret the death of Mrs. Mary Power (née Ducey), Lissarrow, Ardmore, which sad event took place at Waterford Regional Hospital on Saturday, September 25.

A native of Monatoukeh, Ballinamult, she was most popular amongst all sections of the community. The late Mrs. Power was a quiet and hardworking woman and as a neighbour she had few equals. She was always ready to help those in need and her generous disposition and kind nature won for her a huge circle of friends during her lifetime.

Following Rosary recited by Fr. Reid, C.C., removal was from Drohan's Funeral Home on Sunday evening to Ardmore Church where the remains were received and blessed on arrival by Fr. Reid, assisted by Very Rev. Fr. O'Connor, P.P.

Following funeral Mass on Monday morning celebrated by Fr. O'Connor, assisted by Fr. Reid and Fr. Ahearne, C.C., burial took place in the adjoining cemetery. The Lessons were read by her daughter-in-law Margaret and grandson Raymond.

The chief mourners — Paddy (husband), Pat, Mike, Declan, David and Dermot (sons), Ellen and Peggy (sisters), Pat and Mick (brothers), daughters-in-law, brother-in-law, grandchildren, nephews, nieces, relatives and friends.

(Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.)

**KILL NOTES IN HOSPITAL**

In hospital at the moment is Chrissy Fitzgerald, Georgestown, Kill. She is undergoing a hip operation and we hope everything will go well and see her out and about soon.

**CONGRATULATIONS**

To Martina Whelan, Carrickphilip, Kill and Philly Noonan who were joined in holy matrimony at Newtown church. The reception afterwards was at Clonea Strand Hotel.

**WELCOME HOME**

Welcome home to Ackie Lennon, Carrigeen and Lena Corcoran who are home from hospital and out and about again.

**GET WELL WISHES**

Get well wishes to Paddy Corcoran, Kill, who is presently in hospital in Ardkeen. We hope Paddy is out and about again soon.

**COFFEE MORNING**

On Thursday morning, October 7, a coffee morning will be held in the Community Centre from 9.15 a.m. to 11.30 a.m. in aid of the Waterford Hospice Movement. This is a very worthy cause and well worth attending.

**CARDS**

The cards are starting again in the Community Centre every Thursday night at 8 p.m. This is a right sign of the winter coming when the cards begin.

**ST. MARY'S G.A.A.**

Under-12 Hurling — On Saturday last the under-12s travelled to Clonea to take on Clonea in the under-12 championship. At half time the lads had a commanding lead and ended up winners on a score of 9-2 to 2-0. Well done, lads.

**BACK FROM HOLIDAYS**

We hope Fergus Torpey enjoyed his holiday in America for two weeks.

**Local Stores Go Hi-Tech**

John Walsh, O'Connell Street, Dungarvan and Mulcahy's, Newline, Abbeyside have installed a new hi-tech ordering system whereby orders are recorded electronically on a had-held terminal and transmitted overnight by telephone for next day delivery.

**KILROSSANTY NOTES****DEATH OF POPULAR MAN**

News of the death of Philip Keating, Carrigeengerragh, which occurred following a short illness bravely borne at Beaumont Hospital, Dublin, on Saturday night, sent shock and sorrow throughout the entire area of Kilrossanty and the surrounding areas. He was aged 57.

One of nature's gentlemen he was a very caring person who was ever ready to help those in need. Farming was his way of life. Philip was primarily a great family man. He was a loving husband to Nora and a loving father to his one boy and seven girls.

His death at an early age has come as a shattering blow and we tender our deep and sincere sympathy to them and to all his relatives. He had many interests but the first love of his life was the Dungarvan Farmers Hunt which he founded some years ago. He was also a member of the Waterford Sheepbreeders Association and a member of Kilrossanty Cumann Fianna Fail. His friends and colleagues will miss his presence great. He was also on the Kilrossanty School Board of Management some years ago.

His remains were removed from his residence on Sunday evening led by his mare and huntsman Noel Fraher. Guards of honour were formed by Waterford Sheepbreeders Association, Kilrossanty Fianna Fail and Dungarvan Farmers Hunt. The cortege was the largest seen in Kilrossanty for many long years thus testifying to the wonderful popularity of the deceased.

His remains were blessed and received by Fr. O'Brien C.C. also present were Fr. Ml. Frawley P.P., Fr. Collender and Fr. P. Ahearne. Requiem Mass was offered on Monday morning by Fr. G. Desmond, Fr. Ml. Collender and Fr. J. O'Brien. The readings were done by Catherina and Clodagh (daughters). Offertory gifts were brought to the altar by Breda, Eileen, Christina and Philippa (daughters). His coffin, draped with the Hunt flag and on top his hat and bugle, was carried to its resting place by his son, brothers and friends to the adjoining cemetery where prayers were recited by the three priests. A bugle was sounded at the graveside. Large sheaves of Mass cards and letters of condolence were received and many floral tributes were placed on the grave.

Chief mourners were — Nora (wife), William (son), Catherina, Breda (Iannotta), Rosarie, Eileen, Clodagh, Christine and Philippa (daughters), Nicholas, Billy, James, Noel, Tom (brothers), Bridie Beresford, Minnie Fennell, Eileen Greenberg (sisters), Stephano Iannotta (son-in-law), Maurice Quinlan (uncle), nieces, nephews,

**KILROSSANTY LADIES FOOTBALL UNDER-14 COUNTY FINAL**

Ballymacarbry 3-9  
Kilrossanty 2-4

This game was played at the Modeligo venue last Saturday week. It was a very entertaining game and even though Ballymac' won by 7 points the Kilrossanty girls never gave up. The first half went very much in favour of Ballymac' as they chalked up a commanding lead of 3-5 to 0-2 by the interval. We had a number of good scoring chances but did not avail of them.

In the second half however the girls stepped up a gear and two goals midway through the half brought us back into the game. The Ballymac' girls once more came back and kicked over some good points and even though we did add a further 2 points before the end, it wasn't enough.

Overall this was a good sporting game and maybe if we had taken our chances early on it may have been a much closer contest. Each and every girl gave 100% during the game and cannot be faulted for commitment throughout.

Team — Lea Mulhearn, Clare Walsh, Madeline Power, Christine Keating, Fiona Power, Martina McCarthy, Clodagh Keating, Tanya Kirwan, Michelle Crotty, Martina Walsh, Triona Whyte, Roisin Keating, Louise Power, Michelle Fraher., Colette Fraher, Paul Walsh, Stephanie Hallihan, Marie Walsh, B. Hannigan, C. Cotter, Denise Power, N. O'Brien.

Under-16 League — We have now reached the semi-final of the Under-16 League and await to see who we will meet in our game. Hopefully this will be played over the next week or two.

Sympathy — Sincere sympathy is extended to the family of the late Philip Keating R.I.P. and especially Clodagh and Christine, both members of our Under-14 team. May he rest in peace.

Our club would like to extend congratulations to our near neighbours, Lismore, on their great victory in last Sunday's County senior hurling final. We would also like to wish them the best of luck in the forthcoming Munster Club Championship.

#### GATE COLLECTION

The following will be on duty for week commencing Sunday 10th October: D. Power, M. Byrne, D. Flynn.

### AFFANE F.C.

We played two challenge games in the last two weeks in which we played Youghal and Modeligo.

Last Sunday week we played Youghal at home and this game turned out to be a cracking match. We lost on the scoreline of 3 goals to 1.

Last Sunday we played Modeligo away and lost 5-1.

The first half was good and the scoreline was 1-1 at the break, but the second half was a disgrace in which we conceded four goals.

We are at home next Sunday in our first league match and there will have to be a big improvement if we are to get anywhere this season. Players are requested to be at the field at 10.50 sharp. Field duty is Eamonn O'Shea and Tommy Stapleton at 10.00 sharp. Kick off 11.30.

## Cappoquin, Lismore & Tallow Labour Party Dance Great Success

The above branches held their Annual Dance in the Lismore Hotel on Friday night last. The music was by the very popular band "Cheers". It was really a fantastic night's enjoyment for the very large number of people who attended. People travelled from Waterford City, Tramore and all the branches in the east of the county, also from Ballymacarbry were Larry and Mrs Markley, Vincent and Mrs. Kearns and friends. The function was attended by Brian O'Shea,

T.D., The Marine Junior Minister and Michael Ferris, T.D., The Labour Party Chief Whip. Other dignitaries who attended were Adlman Liam Curham from Waterford City's Alderman Sean Lyons and Alderman Billy Byrne from Clonmel. The members of the Waterford Labour Party Constituency Council who attended were — The Chairman: Jackie Walsh; Secretary: Michael O'Brien and also Seamus Upton. Local Councillor Nora Flynn also attended.

An unbelievable amount of prizes were given in for the raffle by the business people of Cappoquin, Lismore and Tallow. During his speech, Brian O'Shea paid tribute to Pat and Milo Murray who won two gold medals at the F.I.S.A. World Masters Championships in Vienna. He also wished Lismore well in the senior county hurling final on Sunday. The organising committee would like to say "Thank You" to all who attended and gave in prizes.

### CAPPOQUIN F.C. NOTES

## Cappoquin Go Down To Brideview

Bride View United A 3 Cappoquin A 1

On Sunday morning last our A side travelled to Tallow for a Bolger Cup semi-final clash with the home side. This game was played there because no neutral venues were available due to heavy rainfall causing water logging.

Although the scoreline suggests otherwise this was indeed a very closely fought out match with little to choose between the sides.

We trailed one-nil at half-time, Bride View having scored from a set piece midway through the half. Although we dominated most of the first half we failed to create enough scoring chances.

The minutes into the second half Bride View scored their second goal through Taffy Curley.

Five minutes later Gossie Mason split the Bride View defence sending Fintan Murray through to score for us. Martin Power was unlucky not to equalise for us after sixty five minutes, his left footed effort going just inches wide of the post. Garry Morrissey also came close to equalising for us but the Bride View defence withstood all the pressure we inflicted on them. With only minutes remaining they scored their third goal after a scramble in the penalty area.

It's always disappointing to lose out in semi-finals but hopefully our lads can mount a serious challenge for the league title which has to be their main priority for the season.

Team — Liam Morrissey, Liam Lacey, Garry Morrissey, Darren Mason, Dave Power, Brian Murray, Martin Power, Gossie Mason (Capt.), Rhiney Walsh, Fintan Murray, Donagh Cummins, Subs. — Martin

Lacey for Rhiney Walsh, Ken O'Donnell, Dean Morrissey, Anthony McCarthy.

#### NEW STRIP

Our thanks to Helen and Tom Morrissey who kindly sponsored our A side's new jerseys.

The strip is not dissimilar to AC Milan's even if the style of play is. Apparently 'Motch' now believes he not only plays the part but now very much looks the part as well.

This new strip means we now have three sets of jerseys all kindly sponsored by local publican's The Central, The Tavern and Buttons Bar (Morrissey's).

#### NEXT WEEKS

#### FIXTURES

Our A side kick off their league campaign at home to

Mogeely while our B side make the short trip to Lismore. Kick-off times can be found elsewhere in this paper (Red House League Notes).

#### ANSWER TO LAST WEEKS QUESTION

Liam Brady was the last outfield player to be sent off while playing for the Republic. The year was 1987 and the opposition were Bulgaria incidentally we still won 2-0. And it was a European Championship qualifier.

#### THIS WEEKS QUESTION

In the Eighties three captains could not lead their sides out for F.A. Cup Finals due to suspensions. Can you name them and their clubs?

### CAPPOQUIN FLOWER AND GARDEN CLUB

For the October meeting the club will host a cookery demonstration by Margaret Browne of Killeagh, former winner of the Calor Housewife of the year competition. This will be held in the Day Care Centre at 8 p.m. on Tuesday next October 12th. This is an open night so everybody is welcome.

### CAPPOQUIN AND DISTRICT DARTS LEAGUE

The A.G.M. of the league took place recently in Morrissey's. This season we have two new clubs. The Red House enter for a first time and the Castle Lodge are back in action again. We will have eight teams in the first division and ten in the second with the second division starting on October 15, and the first division starting a week later on October 22. This is due to the extra teams in the second division.

### CAPPOQUIN AND DISTRICT DAY CARE

We would like to thank most sincerely all who supported our charity auction on Sunday last, all who came to give and all who came to buy and all who are supporting our draw. A special word of thanks to Barry and John who excelled themselves. Your generosity is greatly appreciated.

### FOOTBALL TEAM

Cappoquin Boys' School football team defeated Tallow by the narrowest of margins in the Gaelic field on Thursday last. Tallow went into an early lead but were pulled back slowly to level terms. The football was a joy to watch with Michael Scanlan outstanding for Cappoquin. Only when Kevin Foley joined him at midfield and Keith Millea guarded the posts, did Cappoquin get the upper hand. Both teams distinguished themselves in a fast, sporting game. Well done to the local lads and good luck in your next outing against Ardmore/Grange.

Team — Keith Millea, Brian Coughlan, Kevin Foley, Paul Coffey, David Lenane, Colin Millea, James Murray, Michael Scanlan, Liam McLoughlin, Martin Sullivan, David Ormonde, Donal O'Rourke, Denis Byrne, Brendan Scanlan.

## THE LATE TOMMY FOLEY

It is with great sadness we record the death of Tommy Foley, Ballybrusa, Grange. Having endured an illness with great courage in recent months, Tommy died peacefully in the perfect care of his family at home on Sunday, September 12.

Some years ago Tommy took early retirement following a long and distinguished career as driver with Waterford County Council. For all of his working life, Tommy was a hard working and widely respected member of the staff. It was indeed sad that Tommy did not get all the time to spend with his family and enjoy his retirement as he would have wished.

Many fine tributes were paid to Tommy who was one of nature's gentlemen, a wonderful neighbour and friend, always ready to help those in need. He enjoyed the simple pleasures of life. In former years he was a great lover of traditional music, song and dance and was a member of the local set dancers.

Reposing was at Egan's Funeral Home, Youghal. On Monday evening the removal took place from the Funeral Home to Grange Church followed by a large cortege. Again on Tuesday morning there was a packed congregation for Requiem Mass following which Tommy was laid to rest in the adjoining cemetery.

Our deepest sympathy is extended to his broken hearted family, his wife Mary and all his eight

daughters Mary, Sheila, Bridget, Catherine, Patricia, Geraldines, Majella and Monica, his brothers Eamonn and Billy, his grandson Garry, son-in-law Maurice, all his family relatives and friends.

## DEATH OF KNOCKANORE MAN

We wish to extend our deepest sympathy to Sally Coughlan, Youghal Bridge and to her sisters Nellie, Bridget and Josie on the unexpected death of their brother Johnny at Shalom House, Youghal, on September 23rd.

A native of Propoque, Tal-low, in recent years Johnny, a member of the farming community, did not enjoy the best of health. In recent times he enjoyed living in Shalom House where all the members of his family especially visited and cared for him.

On Friday evening the removal took place from Egans Funeral Home, Youghal to Knockanore Church. Following Requiem Mass on Saturday morning Johnny was laid to rest in the adjoining cemetery.

## ATHLETICS

Decided at the meeting also was that discos would continue to be held once a month for 12 to 18 years olds with the discos from 9 p.m. to 11.45 p.m. Fr. O'Connor told the members that as the groups were now in existence for nearly two years, it was expected that the members themselves would take more interest in the running of the groups themselves and not wait for the leaders to do all the work. The adult leaders were thanked for their commitment and dedication to the youth of the parish.

## IN THE LOCAL LIBRARY

The people of Youghal are lucky to have a Librarian of the calibre of Mrs. Marian O'Halloran, Kinsalebeg. Not only is she most courteous, efficient and obliging but does a lot of good work for the area, above and beyond the call of duty.

Every year, in conjunction with book week, Marian organises an essay competition for the children in the local schools, with the kind sponsorship of Power Products and the Youghal Lions Club.

This year the project will be slightly different because this is the year of the elderly. All children of 5th and 6th classes in every school within a ten mile radius are being encouraged to take part. They will visit the older members of the community to discuss the life-styles which prevailed while these pensioners were children. Conditions and behaviour like working conditions, wages, food, living conditions, transport, pastimes, amusement will be just some of the topics remembered. No doubt the efforts will yield positive results including:

1 — To show the elderly people that they are not left-overs from life but that their memories, thoughts and opinions are sought and treasured.

2 — The children will become more aware of how interesting and entertaining their elders can be, when given a chance.

3 — Hopefully, there will come out of all this, some gems of stories and maybe even a few old photographs, which would otherwise have been lost to us.

Marian deserves every encouragement and support in her efforts to celebrate this "Year of the Elderly", in a fitting manner and we wish her great success.

# BALLYDUFF NOTES

## BALLYDUFF MACRA NA FEIRME — READ THIS

Another busy week has come and gone for club members and some are still suffering from the after effects of late nights from the previous weekend. Isn't that right, Seamus, Pat K and Niall.

On Wednesday, September 29, Noel and John Leamy represented Waterford in the ESB Energy Awareness Competition which was held at the National Ploughing Championship in Clonmel. Although the day was very wet and mucky it did not dampen John and Noel's skills at cooking and answering questionnaires.

They got through to the finals which were held the next day and they did themselves proud again by cooking the finest Chicken Kiev you ever saw or tasted and got 9 out of 10 in the questionnaire. They beat off stiff competition to take the title of "All-Ireland Energy Awareness Cooking Champions." What more can I say but congratulations, you have done the club and county proud. For their troubles, they got a midi hi-fi system each and a Sony 21" TV for the club.

Other Ballyduff members were also successful at the Ploughing Championships. In the Cattle Section, Kenny's Simmental Bull came in a very close runner-up in the All-Ireland Young Simmental Bull Competition. They might have the right breeding strain, but it is a pity they are on the wrong side of the river. Good land could make a

difference.

On Friday, a bus load of Macra members headed off to Crotty's, Leamybrien for a session (sorry, Karaoke) which was held by Waterford County Macra. There was some strange singing from some members like Ba-Ba instead of La-La Bamba. Matty, you can't sing, you can't play, you ——. Carmel and John Leahy or was it Leamy, came second in the competition and Carmel also won a drum of oil! A great night was had by all and we then headed off to a local night club and danced the night away.

Carpentry Course started Wednesday night, October 6, in the Christian Brothers School, Lismore. For more information please contact Pat Roche at 56373 or Martin Kenny at 60218.

Soccer league next Friday, October 8, at 9 p.m. sharp. Teams playing: Michael Leamy v. John Leamy, Martin Kenny v. Denis Drislane.

Macra Capers practice — tune in next week for more details.

## BALLYDUFF G.A.A.

Ballyduff GAA will host a reception for the victorious 1953 junior hurling and football teams in St. Michael's Hall on Friday, November 19. A big night is planned to pay tribute to

the historic achievement. Ballyduff is one of the few clubs to record this double. It was also the first hurling championship won by the Village. They had reached the final in 1937 but were beaten by a Passage side powered by "Doyle" Walsh and Vin Baston.

This double was achieved by a small panel of players. In hurling they defeated Mount Sion and in the football championship the club, under the Mocollop tag, defeated Dunhill in the final.

Most of the surviving members are based locally but Pat Rafferty, now domiciled in London, will travel and it should be a night to remember for all the players involved, and all club supporters are invited to join in the celebrations.

## BALLYDUFF/ BALLYSGAGGART COMHALTAS NOTES

## CONGRATULATIONS

Sincere congratulations to Lismore senior hurlers who won the county final on Sunday last at Walsh Park by defeating Passage on the score of 0-8 to 0-7. A full report appears elsewhere in this issue. While this was a team performance, we selected Mark O'Sullivan as our man of the match and were delighted to hear that our selection agreed with the judges on the day as Mark gave an outstanding performance of comer back play.

Conditions were atrocious and it is a credit to both sides that they were able to play such good exciting hurling.

Reading through an excellent programme which incidentally was printed in Lismore by Willow Design and Print, Ballyrafter, in the Co. Chairman's address he wrote "that followers will more than likely be the last spectators at a county senior hurling final to see Walsh Park as it has been over the last half century or more." It definitely had a half century appearance when one had to pay £3 to stand in muck.

By virtue of their win Lismore will now represent Waterford in the Munster Club Championship and their opponents on Saturday, October 30 will be the Kerry champions, Ballyduff.

Finally, congratulations to Sean Daly who has been selected as full forward on the Munster team to play Ulster in The Railway Cup. Sean is the first player from the Lismore club to don a Munster jersey since Ned Daly represented the province in the late 40's.

## SCHOLARSHIP AT U.C.C.

Congratulations to Davnet Dennis, daughter of Sean and Mary Dennis, South Mall, on being awarded a Postgraduate Scholarship at U.C.C. We wish Davnet continued success in her academic career.

## LISMORE BADMINTON CLUB NOTES

The team selectors have been busy over the last week and have picked three ladies and one mens team for the up coming leagues.

Teams are as follows:

Mens 1st division — Colin Coleman, Pa Morrissey, Pat Ahearne, Brian O'Gorman and Denis Martin.

1st division ladies — Nora Morrissey (Capt.), Ann Dunne, Breda Lyons Jnr., Margaret Morrissey.

3rd division ladies — Angela Curley (Capt.), Breda Lyons Snr., Jo Jo Tobin, Connie Dowd.

5th division ladies — Cinta Kearney (Capt.), R. Ahearne, Yvonne McNamara, S. O'Gorman, A. Barry.

Fees must be paid before October 18th to Margaret Morrissey, Catriona O'Donoghue, Connie Dowd or team captain. Thursday nights will be social nights from 9 o'clock on. Wednesday night juniors from 7 o'clock to 9 o'clock. Team practice can be booked by the hour by team captain.

Our Senior Hurlers defeated Passage last Sunday at Walsh Park by the narrowest of margins and in the most atrocious weather conditions. Though the conditions were anything but conducive to good hurling both teams gave everything in a rip roaring display. Passage got off to a good start and went 0-3 to no score ahead in the first 9 minutes of the game. Lismore fought back and were only a point beyond at the interval 0-4 to 0-3.

Early in the second half, Lismore clawed ahead and on three occasions both teams were level. The weather conditions began to take its toll on the players and several scorable frees were squandered by both sides Passage being the greater culprit. With minutes to go Declan Landers stopped a certain point, the ball dropping on the goal line only to be cleared by Mark O'Sullivan. This incident was the highlight of the game and the omens looked good for Lismore. Passage were awarded two frees in succession in the dying minutes of the game from well within scoring range. Luckily for Lismore they missed both chances. The final whistle was greeted with jubilant scenes of delight as the Lismore fans swarmed onto the pitch to congratulate their heroes on their great achievement.

County Board Chairman, Eamonn Murphy made the presentation to team captain Paul Prendergast. We would like to take this opportunity to thank all the many supporters who travelled to Walsh Park on Sunday. Special word of thanks to our selectors Willie Lineen, Mike McGrath, John O'Gorman and team coach trainer Sean Prendergast for their endless hours of training and preparation that went into achieving this well deserved victory. Passage were gallant losers and perhaps there must be some truth in the saying "You must loose one to win one". No doubt their day will come.

## THE HOME COMING

Later in the evening, the team and mentors were guests at a special dinner at Lawlors Hotel where they were joined by many supporters and well wishers. Club chairman, Ml. Quann welcomed everybody and formally congratulated the panel and selectors on their outstanding achievement. Declan Doocey, Decies Fuel being the clubs official sponsor also congratulated

all involved for such a great success. Thanks was also expressed to Ml. Burke of Lawlors Hotel for his hospitality and generosity as sponsor of the championship.

After the meal the "entourage" headed home to a tumultuous reception from the Townspeople of Lismore who had gathered at the "Monument". Ritchie Cahill provided the transport to convey the victorious team and mentors through the streets of Lismore. Club Chairman, Ml. Quann addressed the huge gathering and introduced the team to the supporters. Tributes were paid to our selectors and coach Ml. McGrath, Willie Lineen, John O'Gorman and Sean Prendergast.

## MAN OF THE MATCH

On Monday evening Mark O'Sullivan was deservedly awarded "Man Of The Match" at Lawlors Hotel. We would like to take this opportunity to congratulate Mark on receiving this prestigious award for his outstanding display on Sunday.

## CONGRATULATIONS

Congratulations to Sean Daly on being picked as full forward on the Munster Hurling Team. This is an outstanding achievement

and honour which he richly deserves. Ned Daly, an uncle of Billy Lee was the last Lismore man to be selected for the full forward position.

## GET WELL

### SOON

The club expresses best wishes and speedy recovery to Mike Whelan who is at present in Ardkeen Hospital.

## THANK YOU

We thank most sincerely the many people who contributed so generously to our County Final Fund, our sponsors, benefactors, those who contributed to the church gate collection and those who supported the forecast result on the match. We would also like to thank those of you who sent messages of congratulations. Special word of thanks to our supporters who travelled on Sunday and in particular to Rev. Bro. Dormer whose presence had an uplifting effect on the players.

## FIXTURES

At Tallow on Saturday 9th October — Lismore v. Ballyduff, U-21 Western final at 3 p.m. Munster Club Championship — 1st Round — Lismore v. Ballyduff (Kerry) on 30th October at Castle Farm grounds, Lismore.

## LISMORE CAMOGIE NOTES

The Lismore girls reached another Co. final last Saturday when they defeated arch rivals Butlerstown in the U-18 semi-final. Butlerstown have ruled the roost at Under age level in Waterford for the last number of years and it took a superb team effort from the girls in Black and Amber to seal this victory. This competition was played on a 15 a side basis this year and after beating Portlaw in the first round in a very haphazard game the girls had a much better idea of how to take advantage of the extra numbers and space in this game.

Though Butlerstown broke through for an early goal, the Lismore girls, with the wind behind them and L. Heaphy on top form, were a well deserved 2-3 up at half time. They had to face that same wind in the second half and Butlerstown pressure brought them to within 2 points of Lismore before G. Barry pointed to leave a goal between the sides.

Some superb defensive play kept a number of Butlerstown attacks at bay until the final whistle. Score Lismore 2-4 Butlerstown 2-1.

Panel — C. Ormonde, J. Walshe, N. Roche, D. Bennett, B. Pollard, B. O'Keefe, E. Ormonde, G. Barry, C. Ormonde, C. Howard, L. Curley, C. Tobin, E. Dunne, L. Heaphy, A. Howard, J. Hannon, J. Roche, C. Murphy, G. Walshe, C. Nugent.

This win will be for nought, however, if we don't have a repeat performance on Saturday next when we play Ardkeen/Mt. Sion in the Co. Final fixed for Waterford at 1 o'clock. Our players will once again have to raise their game and show the rest of Waterford just what the people of Lismore are made of — Men and women. Our thanks to the supporters who travelled and we hope to see a few more of you on Saturday. Good luck girls and well done boys.

Winner of the Ben O'Neill/WLR Pop Brain of the South East, Robert McKenna, receiving his prize of a Sony Camcorder.

## BRIDE VIEW UNITED A.F.C. NOTES

### Tony Bolger Cup Semi-Finals

# An All Bride View Final

It was another marvellous week-end for the club with both junior teams qualifying for The Tony Bolger Cup Final. Our Div. One team won at home but our Div. Two side produced the shock of the day when they defeated Valley Rangers in Conna with an under-strength side.

### RESULTS

#### Bride View United A 3 Cappoquin A 1

This game was played in Tallow on Sunday morning and the homeside continued their winning ways with another great win. With the rain falling throughout the game it was not the best morning for football but both sides served up a good game.

Billy Sheehan came to United's rescue early in the game but the only goal of the first half fell to United in the 26th minute. A Philly Curley corner was headed home by Bride View's capt. Maurice Hartnett.

Three minutes into the second half the homeside went two goals up when scorer in chief Philly Curley scored a great goal but in doing so picked up an injury and had to leave the field. Kieran Murphy came on and played well. Cappoquin fought back and scored a great goal in the 53rd minute.

Both sides went flat out after this and Sheehan saved well in the 64th minute. Paul Curley and Dermot Henley went close for United but the home fans had to wait until the 87th minute to make sure of victory when Mark Geary scored from close range.

A good win for United and it was nice to see Paul Curley back in action again. Manager Liam Fraser, however, will be hoping that injuries to David Henley and Philly Curley will improve during the week. Both players look doubtful for Sunday.

United — B. Sheehan, T. McCarthy, G. Sice, I. McIntosh, M. Henley, G. Hogan, M. Hartnett (Capt.), M. Geary, J. P. Grey, P. Curley and D. Henley. Res. — Murphy for P. Curley (inj.), P. Curley for M. Henley (inj.).

Valley Rangers 0 Bride View United 1

The biggest shock of the season so far took place in Conna on Sunday morning, when our B team qualified for the cup final by defeat-

ing the homeside. Manager Seamus O'Brien short the Doyle brothers (who were in Anfield watching some team called Liverpool right lads) was facing an uphill battle but Seamus and the lads pulled off a marvellous victory against all the odds.

The sides were scoreless at the break. Rangers had a lot of chances in this half but their front men failed to put them away.

Twenty minutes into the second half Denis Flaherty scored a great goal for United. In the closing minutes the Tallow side could have increased their lead when Terence McSweeney and John Sheehan both went close.

A great victory this for our B side who now face the A team in the final.

United — J. Fitzgerald, S. Hampton, D. Martin, P. McDonnell, E. Cusack, P. Henley, S. Barry (Capt.), P. Murphy, D. Flaherty, L. Aherne and T. McSweeney. Res. — J. Sheehan, for E. Cusack (inj.), D. McGrath for F. Murphy.

### FOOTNOTE

One sad aspect of this game was the injury to Eamonn Cusack. We hope it's not as bad as we all thought it was.

### LOTTO

Last week's numbers: 10, 13, 18. There was no winner. Lucky dip winner: Mrs. Cronin, Convent Street. Jackpot next week £300. Draw in John Lyon's Bar.

### Best Wishes

All in the club wish Eamonn Cusack a speedy recovery. Eamonn picked up a serious ankle injury on Sunday morning in Conna. Also best wishes to David Henley and Philly Curley. Get better soon lads - please.

### Back Home

Glad to see Tom Mulcahy and John Henley back home from hospital. The wives had a great time when you were away lads.

## U-14

### Challenge

#### Bride View United 4 Fermoy 2

This challenge game was switched from Fermoy to Tallow on Saturday evening. The homeside ran out winners in a very entertaining game. The Cronin brothers were on form for United with Paul and

Ronan scoring two goals each. Wayne Conroy United's keeper played very well bringing off three marvellous saves.

United — W. Conroy, R. Henley, B. Power, S. Tobin, S. Slattery, D. Howard, P. Cronin, P. Tobin, R. Cronin, J. O'Brien and S. McCarthy. Res. all used — W. Henley, S. McCarthy, R. Hennessy.

## Preview Munster Junior Cup

### DUNGARVAN WILL START FAVOURITES

Sunday next in Dungarvan, k. off 3 p.m.

Dungarvan United v. Bride View United

Dungarvan will start firm favourites here against our Division One side.

Bride View had a good win against Villa in the last round but Dungarvan will provide United with a good game. They are a stronger side than Villa but who knows what will happen on the day. If Bride View can

perform as they did in the last round, then they could give the homeside a game. United will put a lot of faith in their frontmen; Henley, Curley and Grey. These players have been finding the net but they will not get too many chances against a very strong Dungarvan defence.

Bride View's defence will have to be in top form to hold a skillful Dungarvan frontline. The game may be won and lost in midfield.

Dungarvan United will start this game as firm favourites and it will be a major shock if the Tallow side get a result here. We wish them the best of luck on Sunday.

Injuries hit United hard last week with David Henley and Philly Curley very doubtful for Sunday. These players would be a big loss to the Tallow side.

## Fixtures

## DID YOU KNOW?

by AL 655

COPPER HAS BEEN MINED ON THE ISLAND OF CYPRUS SINCE ANCIENT TIMES AND IT WAS THE GREEK WORD FOR COPPER "KYPROS" THAT GAVE THE ISLAND ITS NAME.

AROUND 3,800 B.C. A CLAY TABLET MAP WAS MADE SHOWING THE PATH OF THE RIVER EUPHRATES IN IRAQ. THIS TABLET HAS SURVIVED TO THE PRESENT DAY AND IS THE OLDEST MAP IN THE WORLD!

IN THE HISTORY OF THE PAPACY THERE HAVE BEEN MANY ASSASSINATIONS WITH TWENTY SIX POPES BEING THE VICTIMS.

## Fashion Show With A Difference

Last Wednesday night saw ten children stand up and show the general public that they can take their place alongside professional models. This is the integration that their parents and teachers know they are capable of. These boys and girls attend school daily in St. Martin's Special School in Waterford City and Sesame Pre-School. Some of them started their schooling in Sesame Pre-School in Dungarvan. It was to raise funds for these schools that the fashion show was held. The clothes were provided by Shaws and the show took place in the Park Hotel in front of a capacity crowd. The children enjoyed themselves thoroughly and the crowd responded to their enthusiasm. Ms. Cait Christopher (Principal of St. Martin's School) thanked the audience and sponsors for their ongoing support and stated that the school required at least £12,000 above Government grants, which comes from voluntary fund raising. There are 20 travel-

ling from West Waterford to St. Martin's daily. Sesame Pre-School based in Dungarvan depends almost entirely on the good will of local support. Thank you, people of West Waterford, for your continuing support.

## WLR For TSB Opening

## Dungarvan Musical And Choral Society

Last Sunday week, Sept. 26 saw us launch our first fund raising event. The day remained dry — a near miracle at the moment — which made the discovery of the many cryptic clues very pleasant. A great day was had by all and our congratulations to all the winners. A special word of thanks to the two men who put endless hours into the planning of the route, to Pat O'Sullivan and J. D. Hally your efforts were greatly appreciated. Rehearsals begin next Tuesday, October 12 in the C.B.S. Hall. The men start at 8 o'clock and the women at 9 o'clock. We look forward to seeing all our members present and don't forget new faces are always welcome!

JERRY AND KITTY TWOHIG and family wish to thank most sincerely all those who helped at the scene of Jerry's accident; also those who helped in any way since.

### NOVENAS

**NOVENA TO ST. MARTHA** — (Never known to fail) — O St. Martha, I resort to thee and to thy petition and faith. I offer up to thee this light which I shall burn every Tuesday for nine Tuesdays. Comfort me in all my difficulties through the great favour thou didst enjoy when Our Saviour lodged in thy house. I beseech thee to have infinite pity with regard to the favour I ask (mention favour). Intercede for my family that all may be provided for in all our necessities. I ask thee St. Martha to overcome the dragon which thou didst cast at thy feet. One Our Father and three Hail Marys, and a lighted candle 9 consecutive Tuesdays and the above prayer made known with the intentions of spreading devotion to St. Martha. This miraculous Saint grants everything before the nine Tuesdays are ended, no matter how difficult and favours granted if published before Novena is finished. Firm believer. — M.D.H.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — F.P.

**HARTY**, Rita, late of 66, Springfield, Dungarvan — thinking of you on your birthday.

Look around Your garden,  
Lord,  
For an angel with a smile,  
She won't be hard to recognise,  
She must stand out a mile.  
So put Your arms around her, Lord,  
And kiss her smiling face,  
For she is very special,  
And can never be replaced.  
(Always in our thoughts from all your family.)

**WALL** — Birthday Remembrance of Ann Wall (née Power), late of 30, Comeragh Crescent, Dungarvan whose birthday occurs on Sunday, October 10.

Part of us will always cry,

## CAMOGIE

# Lismore Under-18s Through To County Final

LISMORE 2-4 :-: BUTLERSTOWN 2-1

Lismore are through to the final of the U-18 championship. They defeated Butlerstown in Abbeyside last Saturday in another very exciting and close game. Both teams played some great camogie and it was a nail biting experience for spectators who found it difficult to judge what was going to happen next and who was going to be the victorious team. It so happened that Lismore, with their great skill and determination came out with a three point win. The final will be played on Saturday next in Fenor at 1.00 p.m. Ardkeen are the other finalists having received a walk over from Gaultier in the semi-final who unfortunately were unable to field a team. The final should prove to be most enjoyable and worth while attending. Good luck to both and may the best team win.

### U-16 CHAMPIONSHIP - FINAL

Tramore and St. Saviours will battle it out for the U-16 championship title this year. This match will also be played in Fenor next Saturday at 2.45 p.m. So get

yourselves out there and give these teams all the support they deserve.

### JUNIOR COUNTY TEAM

The 1993/94 national league is upon us again. Waterford are competing on Sunday next against Wexford in the first round. The time and exact venue have

not yet been disclosed. However, I think the girls are reasonably confident and are looking forward to meeting these Wexford girls. They will go on to play Tipperary in the second round and this game will be played during the month of November. Best of luck girls.

## KNOW YOUR RIGHTS

**Question** — I have been claiming Unemployment Benefit since February 1993 when I was made redundant. I have been offered work for 2 days per week. If I take this will it have any effect on my claim when it runs out in May 1994?

**Answer** — You are entitled to 390 days Unemployment Benefit. If you work for 2 days each week you will only be signing on for 4 days per week. So, it will take you longer to use up your 390 days Unemployment Benefit?

When your 390 days are used up, you will have to get another 13 PRSI contributions paid to re-qualify for Unemployment Benefit. If you earn at least £25 per week you will be insured at the Class A rate. These 13 weeks don't have to be consecutive. As this will then be treated as a new claim, you will have to satisfy the additional requirements. This means that you must have suffered a loss in earnings and have also lost 1 day's work. Your most recent 13 week period of employment in the 52 week period before the start of your new claim will be looked at — you wouldn't satisfy this rule if you continued working for 2 days per week. In effect you would have to reduce to working one day.

If your earnings were less than £70 per week in the governing tax year your benefit would be paid at a reduced rate. A claim made in 1994 would be based on your earnings in the tax year 1992/93, and a claim made in 1995 would be based on your earnings in 1993/94. So, taking a job for less than £70 per week could have an effect on your rate of benefit in the future. You would have the option of applying for Unemployment Assistance instead of taking the reduced rate of benefit. However, this would involve a means test.

We have had quite a number of similar enquiries from people offered work for 1 or 2 days per week. Before taking this work they should check their situation. Free, confidential information is available from any Citizens Information Centre. They are listed in the Golden Pages.

**Question** — I am separated from my husband and am getting court maintenance of £80 per week, £40 for our two children and £40 for myself. Would I be entitled to the Lone Parent Allowance?

**Answer** — The Lone Parent Allowance for your size family is £89 per week. As your £80 maintenance is less than this, you would be eligible for some amount of Lone Parent Allowance. The £40 maintenance you get for the children will be disregarded, as will the first £6 of your maintenance. The remaining £34 will be assessed as means along with any other income or savings you might have. Assuming that your only income is your maintenance, your rate of Lone Parent Allowance would be £55 per week (£89 less £34), £25.20 for yourself and £29.80 for your children.

However, the Liable Relatives/Maintenance Recovery Section in the Dept. of Social Welfare could have the Maintenance Order transferred to them and depending on your husband's income, they could have the Maintenance Order brought up to the level of the Lone Parents Allowance and then pay you the full Lone Parents Allowance of £89 per week.

**DUNGARVAN R.F.C. NOTES**

# First And Second Teams Lose Away From Home

**Dungarvan 1st XV 3 Newport 6**

Two losses away from home last Sunday put a temporary damper on Dungarvan R.F.C. who were quite unlucky to lost this opening junior league tie in Tipperary.

The match was a real battle with ruck and scrum one after another and after sustained Dungarvan pressure the host side gave us a penalty which Mark O'Connor duly converted, this left us with a tight cushion of just 3 pts. We led 3-0 at half-time and made a good start to the second half with good flourishes developing from our back line.

Newport converted a penalty and left us level and the onslaught began with sustained pressure being applied by both sides until eventually Dungarvan conceded a penalty on their own 22m line and although a difficult kick the Newport lad converted with ease. Final score 6-3. Still a few positions need to be ironed out but with improved fitness and dedication a truly encouraging Dungarvan performance.

The team was — J. Coughlan, E. Fitzgerald, P. McGrath, P. Queally, S. White, T. Hart, M. O'Connor, T. Shanley, P. Foley, R. Hart, E. Lonergan, M. Lonergan, M. Shanley, R. Hallinan, F. Ahearne. Replacements — P. Fitzgerald for P. Foley 10 mins.

The second XV travelled to Clonmel for a friendly and although the team was a bit mixed there was a good performance allround. Good to see Sean Coyne back with a flourish.

The team was a mixture of experience and youth and under the guidance of Jimmy Morrissey took the game to Clonmel. The scrums were reasonable and Tom Ahearne worked well in the line outs. It is also a matter of great controversy who got Dungarvans only try, was it Tommy Ahearne or Adrian Power? So we'll give them 2 1/2 pts. each for the leaderboard table.

An encouraging start to Dungarvan's season and even better things to come.

The team was — J. Morrissey, S. Coyne, M. Daly, T. Aherne, B. Donnelly, M. Dunford, A. Power, N. Power, J. Power, P. McGrath, E. Connors, A. Harnedy, D. McGrath, M.

Keith, D. Looby.

**Fixtures**

Dungarvan 1st XV v. Mallow (J. League) home, k. off 3.30 p.m.

Dungarvan 2nd XV v. Waterpark (Friendly home), k. off 3.00 p.m.

Dungarvan 3rd XV v. Dungarvan 4th XV., k. off 2.00 p.m.

**TRAINING**

Our training numbers are well into the thirties now and good to see some old faces back. On Tuesday nights we have a professional physical coach and she doesn't spare the lads so lads make the effort. On Fridays we have ex-Irish International John Moroney and this man needs all the packs out on Friday nights no later than 8 p.m. Dungarvan is the envy of many clubs in Munster who would give anything to have these coaches and these facilities. 'Til next week.

Surrounded by his team mates, Kieran Curran receives the Western U-16 Football Cup from Bord na nOg Secretary Eddie O'Shea, following his side's exciting victory over Abbeyside at Cappoquin last Saturday week.

## Dungarvan G.A.A. Notes

**UNDER-12 FOOTBALL**

The last match in the league series will take place next Friday evening. Our opponents will be Ardmore, and the venue Ardmore, time 6 p.m. This is a vital game for us and we will need to be on our toes if we are to emerge victorious.

**UNDER-16 FOOTBALL**  
As yet no date has been fixed for our next game in this championship.

**MINOR FOOTBALL**  
Last Saturday afternoon at Bushy Park we took on Naomh Brid in the Western semi-final of the minor football championship. This game proved to be a lot different from our previous encounter in the league section, and we were lucky to emerge victorious in the end.

We will certainly have to step up on our performance if we are to retain our Western and county titles. Our opponents are our neighbours from across the water, and this local derby should once again be an exciting

encounter. Please check fixtures for time and venue in local papers.

**GOLDEN WEDDING**  
Congratulations to Julian and Mai Rheinisch, Dublin (formerly of Dungarvan), on the Golden Anniversary of their wedding, October 6 1943-1993.

**SILVER WEDDING**  
Congratulations to Michael and Lila O'Dwyer, who recently celebrated their Silver Wedding An-

niversary. We wish them many more years of wedded bliss.

**LOTTO DRAW**  
The weekly Lotto numbers drawn on Sunday were — 20, 4 and 23. No winner. Jackpot next week £600.

**WELL DONE**  
Well done to Brendan Conway and his Waterford team mates who were victorious over Kilkenny recently in the Nenagh U-16 hurling tournament.

## Dungarvan Sea Angling Club Notes

We fished the Anchor Bar Perpetual Trophy competition last Sunday. This was the last competition of the '93 season. Numbers were down from previous outings which was a pity as fishing was good. The Anchor Bar Trophy was presented by Liam to the very popular winner Tony Elsted. Kay and Alice were also present at the presentation. We thank them for taking the time to be present and for all their support during the year. Next week-end our club-mate John Cronin will do us proud by representing his country in the World Shore Championships in Sardinia, we wish him every success and we know he will use his vast experience as an International angler to the best of his ability.

## Shamrocks G.A.A. Notes

**UNDER-21 "B" FOOTBALL CHAMPIONSHIP**

Our first round game against Tallow last Sunday morning in Lismore was cancelled and we now hope that it will not be long until there will be a refixture as it is a pity to see young players trying to keep fit in wintry conditions.

**JUVENILE FOOTBALL — FR. MULCAHY CUP**

The first rounds will commence at John F. Kennedy Park, Knockanore on Sunday next at 11 a.m., unless we are involved in under-21 football.

**SENIOR VICTORY**  
Congratulations to our neighbours Lismore on their victory in last Sunday's senior hurling county final at Walsh Park.

## Waterford S.F. Team v. London

The Waterford senior football team to play London in the opening round of the National League in Ruislip on Sunday is as follows:—

Tom Brennan Tramore		
Bobby Lyons Dungarvan	Darrell Donnelly Dungarvan	Martin Sheehan Dungarvan
Pat Walsh Nire	Michael Fitzgerald Kilrossanty	M. O'Brien St. Saviours
	Ger Walsh Nire	Liam Dalton Shamrocks
Peter Queally Newtown	Ray Flynn Affane	David Phelan Nire
Peter Ferncombe Dungarvan	Jim Maher Kilrossanty	Derek Lyons Kilmacthomas

Subs. — Ciaran Cullinane (Affane), Liam Daniels (St. Saviours), Roger Power (Kilrossanty), Neil Connors (Kilrossanty), Dan Casey (Shamrocks), Ml. Fenton (Clashmore), Ian Kiely (Ballinameela).

## Abbeyside/ Ballinacourty G.A.A. Notes

**NARROW WIN**

The minor footballers had a narrow win over St. Olivers by 1-6 to 0-7 in the Western semi-final on Saturday evening last in Ardmore. We can consider ourselves extremely lucky to qualify for the divisional decider, as our performance was anything but impressive, and a good deal of improvement, and a change in attitude will have to take place before we face Dungarvan.

**HUGE TASK**

Our opponents are Dungarvan, who have been county minor football champions for the past two years. The champions have already defeated us in the league section, back in August, so Saturday's decider will be a difficult assignment for the 'Village' lads.

The game has been fixed for Saturday afternoon next and it will take a mighty effort if we hope to defuse the 'Old Boro's' 3-in-a-row ambitions.

Please check official fixture list for further details.

**DRAW WINNERS**

The four lucky members who each won £50 in the club's September bonus draw were — David Walsh, Main St., Dungarvan; Eileen Dalton, 2 Caseyville, Dungarvan; Matthew Carey, 4 Chester Green, Southways; James Morrissey, Ballinacourty.

**COUNTY UNDER-16 HURLING**

Alan Moore was part of the Waterford panel who defeated Kilkenny in the Nenagh Co-op U-16 hurling tournament over the weekend.

## Cumann Lúthchleas Gael Na Rinne

### AN GHAELTACHT - PEIL FAOI-12

#### An Ghaeltacht 1-9 Naomh Pádraig 2-4

Thuas i bPáirc Uí Shíocháin a imríodh an cluiche seo ar an Satharn. Bhí an bua ag buachaillí na Rinne agus an tSean Phobail, ach, ba bheag nár chailladar é. Aimsir cheathach a bhí ann arís agus bhí an t-ádh leo go léir a bhí i láthair gur fhan sé tirim go leor ar feadh an ama.

An Ghaeltacht a bhí chun tosaigh ag leatham leis an scór 1-3 lena (0-1) ó chic saor. Déaglán de Paor a ghnóthaigh an cúilín. B'iad Tomás, Ruadhán agus Niall a fuair na cúilíní. Thosnaigh An Ghaeltacht go láidir sa tarna leath le cúilíní ó Niall, Ruadhán agus Cian. Thainig buachaillí N. Pádraig isteach sa chluiche le dhá chúl agus cúilín. D'fhreagair Déaglán le cúilín gleoite agus fuair Cian cúilín ó chic saor. Thán-gadar san ar ais le cúilín eile. Niall a fuair an scór deireannach dúinn, cúilín ó chic saor. Bhíomar trí chúilín chun tosaigh ansin. Ach fuair buachaillí N. Pádraig cúilín eile.

B'shin deire leis an scóráil. Bhí an t-ádh ag an nGhaeltacht nár buadh orthu. Kenneth brought off a superb save when St. Pats were coming at us strongly. Team-work is continuing to improve. Tá na himreoirí buíoch des na daoine ar fad a thagann chun tacaíocht a thabhairt dóibh.

An fhoireann — Kenneth Ó Tóibín, Gearóid Breathnach, Aidan de Paor, Cillian Ó Murchadha, Mícheál Ó Dróchain, Pádraig Ó hArta, Séamus Ó Lonáin, Tomás de Faoite (0-1), Réamonn Ó Turraoin, Déaglán de Paor (1-1), Ruadhán Goch (0-2), Roibeárd de Paor, Liam Breathnach, Cian Ó Conchúir (0-2), Niall Ó Faoláin (0-3). Ionaduithe — Siún de Siúin, Deirdre Nic an Óige, Sinéad Ní Chadhla, Séamus Mac Gearailt, Mícheál Ó hAilín, Sean Ó hArta, Tadhg Mac-Murchú, Pól Ó Domhnaill, Dónal Ó Murchadha.

Ní raibh aon chluiche ag foireann na Scoile Naisiunta rith na seachtaine seo. Imreofar scoileanna ceantair N. Pádraig ar an Déardaoin. Beidh cluiche eile faoi-12 againn ar an Satharn, is lócha. Guímid gach rath ar na himreoirí go léir sa dhá chomórtas.

### IDIRMHEÁNACH - PEIL

Tá an fhoireann gnóthach an tseachtain seo ag ullmhú do Chraobh an Iarthair a bheidh ar siúl i gCeapach Chuinn an Domhnach seo chugainn, 10ú Deire Fomhair, i gcoinne Bhaile na mBialach. An bhliain seo saite buadh orainn i gCraobh an Iarthair nuair a bhí sé ar ár gcumas an cluiche a bheith buaite againn. Cloistear dúinn gur

i bhfeabhas agus i nirt ata ár gcéilí comhraic ag dul le gach cluiche a imríonn siad. Beidh iarracht mór ag teastail ó ghach duine ar an bpáirc ar an lá. Bíodh slua mór dinn ann chun tacaíocht a thabhairt. Agus, ná déanaimis dearmad gur mór an fad an díoma agus an déistean a bhíonn ar an imreoir féin a dheineam botún (agus bhféidir praiseach!) den ghluaiseacht a bhíonn idir lámha aige. Is cuma, cailliúint nó buachaint, leanfaidh cúrsaí an tsaoil leo. Mar a duirt an saoi: "Níl ann ach cluiche" sa deire. Go n-éirí gach ádh libh!

### IDIRMHEÁNACH - IOMÁNAÍOCHT

Táimid fós ag macnamh ar an gcluiche i gcoinne Chluain Fhia. As we contemplate what might have been, let us consider what has been achieved in iománaíocht sa Rinn in a few short years. In 1987, bhuaigh An Rinn Craobh an Chontae sa ghrád Sóisear "B", taréis roinnt mhaith iarrachtaí a dhéanamh. In ainneoin gur éirigh go maith linn sa ghrád Sóisear "A", níor éirigh linn an Craobh Contae a bhreith linn go dtí 1991. Dhá shéasúr, más ea, atáimid ag gníomhú sa ghrád Idirmheánach agus, i mbliana, bhíomar ar imeall an ghráid is áirde. A feature of this year's panel is the number of younger players who have been called up to serve at this level. (Of those who saw service on the field of play against Clonea, six players were in the age-group 16-20 years. A further four are between 21 and 25, while the remaining five players fit into the 25+ category). Retirement of key players possibly forced this youth policy on the club, but the skill-level achieved by, and the dedication of, the younger players obviously augurs well for the future. Since the famous Junior double of 1991, retirement and injury have claimed a number of our stalwarts - Bileste Ó Muirithe, Fionnbarra Breathnach, Tomás Ó Meachair, Déaglán Ó Muirfosa, Mícheál Ó Faoláin and Mícheál Ó Droma, who while still on the panel is no longer a regular team member. Cailliúint ana mhór dúinn ba ead san ar fad i mbliana, agus, mar bharr ar an donas, ní raibh Domhnall Ó Murchadha ar fáil toisc cnámh a bheith briste ina lámh sa chluiche peile i gcoinne na Faiche. Ach, na gaiscígh óga seo - cé go rabhadar neirbhíseach i dtosach an chluiche -, nuair a thainig siad chucu féin ní raibh aon buachaint orthu. Arís molaím an oiliúint atá faighte na hiománaithe ag gach leibhéal sa Rinn le cúpla bliain anuas. Is féidir linn bheith ag tuith le togha na hiománaíochta agus luach saothair cuí san blianta nach bhfuil ró-fhada uainn.

### CRANNCHUR AN CHLUB

Seo iad na buaiteoirí sa Chranncur mífúil: £10 an duine ag Bernie Bn. Uí Mhurchú, Breandán de Faoite. £5 an duine ag Elaine ní Mhurchú, Mairéad Uí Mhuirithe.

### COMHGHAIRD-EACHAS

Leis na daoine óga sa pharóiste go bhfuil an t-aonú bliain is fiche slánaithe acu an tseachtain seo - Éamonn Ó Crotaigh agus Majella McGrath. Bhí spórt agus scléip acu ag an gceiliúradh oíche Dé Sathairn, agus slua mór in éineacht leo.

### CRUINIÚ COISTE - DEIRE FOMHAIR

Bhí alan le plé toisc nach raibh cruinniú Meán Fomhair againn. Ochtar a bhí i láthair. Cheannaíomar na ticéadaí geata don Oíche na gCon i bPortlárge, chun tacaíocht a thabhairt don choiste tógala i bPáirc Uí Fhreachair agus i bPáirc an Bhreathnach.

Luadh an t-iarratas on gCoiste Contae ar chabhair airgid ó na clubanna chun fóirne Chontae a ullmhú. Ní raibh an cruinniú ró-mhór ina fhábhair.

Shocraíomar go mbeadh Aonach na Nollag againn ar an Domhnach, Sú Nollaig. Tíocfaidh na fo-choistí go leir le chéile chun an imeacht seo a ullmhú agus a rith. Beidh cruinniú de na coistí go léir ar an 15ú Deire Fomhair chun cursaí a eagrú roimhe.

Tá an t-arrbhachas socraithe againn don fhoirgneamh agus gach a bhfuil ann. Tá an clúdach árachais ann don fhear oibre, chomh maith. Deineadh Corn Mhic Fhlannchadha agus Sciath Uí Chuirrin a phlé. Is dócha go mbeidh na craobhacha againn iontu níos deanaí sa bhliain. Arís is arís eile bíonn cursaí gortaithe agus leighis faoi chaibidil againn. Tá sé deacair teacht ar réiteach sasúil.

Luamar an cluiche faoi-21 a bhí le bheith ann ar an Satharn agus a d'aistríodh go dtí meánlae ar an Domhnach, agus nár imríodh ar aon chor sa deire!

Luamar chomh maith Craobh an Chontae i bPeil na míonúirí. Is ar an 4ú Lunasa a d'imir an Ghaeltacht agus na Seamróga Craobh an Iarthair i gCeapach Chuinn. Nach fada atáimid ag fanacht?

Treaslaíodh leis an bhfoireann iomána de bharr a ngaiscí ar pháirc an imeartha i mbliana.

### CLUICHE SCOILE I BPAIRC UÍ SHÍOCHÁIN

On a wet and windy evening last week we played host to a Senior Schools' match in our parish. A busload of young hopefuls left Farranferris school in Cork City to meet up with the representatives of De La Salle. Having taken an early turn-off the main road, they found themselves in An

Sean Phobal, thinking that field to be their destination. Following directions and "assisted" by signposts, and after experiencing some difficulty in negotiating the graveyard bend, they eventually reached the field some hours late. In view of the lateness of the hour and the inclement weather, only twenty minutes per side was played. Farranferris ran out winners against a gallant De La Salle combination. It's gratifying to see our pitch and facilities in demand for this level of schools' competition. Their presence can only do further good to the games in the parish.

### PEIL NA GCALÍNÍ

Beidh slua mór ón dtaobh seo den pharóiste ag glacadh páirt leis an bpainéal atá ag ullmhú dá gcluiche sa ghrád Idirmheánach i gcoinne na nDéisibh ar an Satharn seo chugainn sa Sean Phobal. Tá alán aghaidheanna nua ar an bpainéal i mbliana. Guímid gach rath orthu!

## Old Parish Ladies Football Club Notes

On Friday evening last St. Patrick's were visitors to Pairc Colman to play or final Under-16 league match. With two defeats in the previous two games this had little importance to us, where as a win for St. Patrick's would qualify them for the final.

We got off to a blistering start with 2 goals inside the first 10 mins by Mary Kiely and Claire Power. These were soon followed by some excellent points from Yvonne, Claire, Brid and Mary. Further goals by Fiona Kiely and Claire brought the first half to a finish with the score 4-5 to 0-1. St. Pat's came more into the game in the 2nd half and kicked some fine points. A fifth goal by Yvonne sealed a well deserved victory for Parish. Final score 5-9 to 1-8. Best for Old Parish were — S. White, F. Kiely, F. Drummy, C. Power, L. Whelan, S. Drummy, B. Breathnach and M. Kiely.

Team — S. Kiely, A. Whelan, S. White, M. Power, F. Drummy, G. Wade, L. Whelan, Y. Power (1-3), F. Kiely (1-0), T. Gough, B. Breathnach (0-2), S. Drummy, C. Power (2-2), M. Kiely (1-2), C. Crotty.

On Sunday last our intermediate side travelled to Wexford to play this year's junior champions Horeswood. The atrocious weather conditions made good football almost impossible and at the end of the day we were well beaten by a very useful Horeswood side. Final score 1-6 to 4-5.

Team — U. O'Connor, G. Wade, M. Lenane, N. Murphy, J. Power, A. Power, J. Young, N. Harty, F. Kiely, Y. Power, B. Breathnach, E. O'Connor, C. Power (0-4), L. Murphy (1-2), M. Wade. Subs. — M. Mahoney, S. Drummy, F. Drummy, M. Kiely, L. Whelan, T. Gough, S. Curran.

Many thanks to Marcella Kiely who brought some of the players to this game.

### FIXTURE

Saturday, October 9 — 3rd round of intermediate championship — Old Parish v. Na Deise in Pairc Colman at 3 p.m.

## ST. OLIVERS G.A.A. NOTES

# St. Olivers Lose Out In Minor Thriller!

This semi-final was a titanic, passion-filled clash from start to finish, with the decision hanging in the balance for all of the 60 minutes. In fact it looked for a spell as if it would finish up being a drawn Lawlor's Hotel Minor "A" Football Championship semi-final; earlier in the campaign the teams finished level in Bushy Park.

Abbeyside pointed twice in the first two minutes, but immediately had their lead halved when Roger Ronayne sent over. An attempted Abbeyside breakaway was halted by a Thomas Power clearance, but the Villagers came forward again to point, and then they had a goal cancelled out because of a square ball, and after a foul on Michael Murray, Aidan Ahearn converted the 30m free. The equaliser came after 13 minutes and again it came from a free, Roger Ronayne was fouled and Aidan Ahearn sent over.

Goalkeeper Kieran Cotter cleared before Abbeyside went 4-3 in front from a free. Their lead increased thanks to a peach of a goal which sailed into the top left-hand corner of the net.

St. Olivers responded quickly. Michael Ronayne hand-passed to Kenneth Stack who placed a fouled

ABBEYSIDE/  
BALLINACOURTY 1-6  
ST. OLIVERS 0-7

Paul Connery and Paul pointed the free. The chances were flowing thick and fast. A fine Laurence Maher clearance set up a shot for Donnacha Tobin which the 'keeper fumbled, Roger Ronayne on the turn hit the stanchion and Michael Walsh cleared an Abbeyside opportunity off the line. Aidan Ahearn's shot on-the-run could only find the side-netting and after Stephen Ronayne was fouled, Aidan's free hit the upright (one of four "Saint's" chances to bounce off the woodwork).

In the last minute of the half, Roger Ronayne jinked inside and shot from 45m out, it hit the post, hit the keeper and went out for a 45, which Aidan Ahearn pointed. The score after 30 minutes 45 seconds read: Abbeyside 1-4, St. Olivers 0-5.

Immediately after the restart, Alan Ronayne found Kenneth Stack whose shot was stopped. Paul Connery fired an effort across the goalmouth and Aidan Ahearn kicked over two frees after fouls on Donnacha Tobin and Michael Ronayne. 40 minutes gone:

Abbeyside 1-4, St. Olivers 0-7. The remaining 20 minutes were amazingly tight with the crowd producing a tremendous atmosphere.

Kieran Cotter and Jimmy Tobin combined well to keep out a great Abbeyside chance and Kieran produced an excellent save to keep St. Olivers in the hunt.

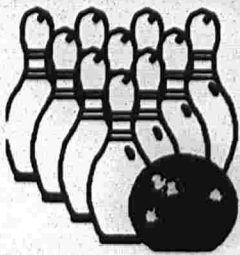

But the Villagers were the ones to produce the all-so-vital scores and after 60 minutes and 13 seconds of play, they were confirmed as the team to play Dungarvan in the Western final.

As for the minor hurling, the county final between St. Olivers and the Eastern champions will take place on Saturday, October 23.

Match facts: Abbeyside — 9 wides, two 45's, 27 frees; St. Olivers — 7 wides, one 45, 33 frees, 3 throw-ins.

St. Olivers — Kieran Cotter, Tomás Curran, Laurence Maher, Jimmy Tobin, Michael Walsh (capt.), Stephen Ronayne, Thomas Power, Aidan Ahearn (0-5), Paul Connery (0-1), Donnacha Tobin, Roger Ronayne (0-1), Kenneth Stack, Michael Ronayne, Alan Ronayne, Michael Murray. Subs — Pat O'Donovan, Fran Cotter, Kevin Cotter, Brendan Mernin, Anthony Morrissey. Referee: Roger Casey (Colligan).

# Clonea Bowling Notes

## CARLING INTER-FIRMS

This week sees the start of the Carling Inter-Firms tournament. Again there is a big entry with everyone trying their best to take the title from last year's champions which were Wholesale Electrical. There are a lot of very strong teams such as Moloney's hardware who are practicing very hard, so watch out for them. Super Valu, E.S.B., Dawn Meats, Waterford Joinery and Keohan Cleaners should all be up there fighting it out with present holders Wholesale Electrical. It should prove to be a very close battle between all teams over the next four weeks. So watch out for first round scores next week and see who will be leading.

## LADIES BOWLING LADDER

Last week saw the first week of the new points system which runs from now until Christmas and the overall winner getting her hands on a lovely Christmas Hamper. It is still not too late to enter as there is a long way to go until Christmas and finding the ladies champion.

The ladder takes place every Tuesday morning at 10.30. Coffee and tea served afterwards.

The ladies showing the early form and leading the way so far are:— 1st Eileen Gwin 30 pts; 2nd Fidelma Horsom 29 pts; 3rd Margaret Hogan 28 pts; 4th Mary Walsh 27 pts; 5th Patricia Donnelly 26 pts.

So as the scores show from above, it is very tight at the top.

## JUNIOR BOWL

Junior bowl has started again in great style. It's on every Sunday morning at 10.30 a.m. The top three placings this week went to — 1st Joe Walsh 114; 2nd David Crotty 105; 3rd Jim White 103.

The bowling, again this year, is of a high standard from these juniors.

# CAUSEWAY TENNIS CLUB NOTES

There is very much a lull in tennis activity at the moment, with a lot of members turning their attention to the winter sports pursuits, of squash, racquetball, rugby, football, etc., but don't forget the Winter Ladies and Mens Ladder will soon commence and there is nothing nicer than playing tennis under lights on a mild winters night.

The Munster Branch have appointed Joe Smith from Waterford to conduct the Winter Regional South East tennis squads in conjunction with Castleview L.T.C. Carrick-on-Suir. Joe is a real character and the children will get on great with him. He is an excellent tennis coach and he will make the sessions interesting and plenty of fun. He has played tennis for Munster at junior level and is very experienced. The tennis coaching will take place in the Causeway L.T.C. on October 17, 24, 31, November 14, 28 and December 12 — all these dates are on Sunday, which is convenient and there will be no travelling. The squads are limited to four, and it costs £20 for 6 sessions. Any junior players who are interested in being selected please contact Suzanne Dalton, our Munster Council Representative at 42459 after 6 p.m. before Friday, October 8. Interest and ability will be taken

into account for selection. This is a great chance for some junior players to improve their tennis skills and strategy.

Our Annual General Meeting is on next Monday, October 11 at 8.30 p.m. A lot of the committee are retiring this year and we are looking towards our plentiful supply of new members to become involved in the running of the club, to serve on the committee.

On Sunday, October 17 we have the outgoing President's Day. This is a fun tournament and tennis dress is not mandatory, in actual fact it is fancy dress, so get your most outrageous gear and join in the craic. Light refreshments will be available. — T.H.

## MURPHY SHINES IN SENIOR SCRATCH CUP

Jimmy Murphy shot a fine 68 gross in the Mitchelstown Senior Scratch Cup on Sunday. In miserable conditions, he came within one place of making it a memorable double for West Waterford as Austin Spratt had already won their Junior Cup. However, his second place further underlines the club's strength at this high level of golf.

On Saturday next the second major club competition will be played for, namely the President's Prize, kindly presented by Mr. Derry Twomey. The time sheet for this event is already full. Presentation of prizes immediately after the players finish.

## MUNSTER JUNIOR CUP

# Bride View Visit Kilrush

No doubt the big game of the weekend sees the 2nd round Munster Junior Cup tie between Dungarvan United and Bride View United take place at Kilrush Park on Sunday, October 10, kick-off 3 p.m.

Bride View, one of the leading clubs in the Red House League, knocked Villa out in the first round on penalties, after the game ended 1-1. They possess many fine, experienced players in the Henley brothers, Phil Curley, G. Sice, T. McCarthy and captain M. Hartnett and they certainly raised their game in front of a big home support in Tallow versus Villa. They are

sure to bring a huge following down with them and a rousing cup tie is in prospect.

Incidentally, one of the leading lights of the Tallow club and the Red House League, especially at schoolboy level, is none other than Liam Fraser. We hear Liam and his colleagues are at present in negotiations with the Waterford Schoolboy

Leagues in an effort to become associate members for the Red House schoolboy section. We wish them well in their efforts as a huge area like the West of the county certainly needs organised schoolboy soccer which after all is the lifeblood of any sporting organisation.

Liam Fraser is a former Dungarvan player and I am sure he would dearly love

to put one over on his former club.

Dungarvan under new manager Tom Wall are unbeaten after four games this season and no doubt will be looking to advance in this cup competition. Home advantage will be a big help but they cannot take anything for granted against a team that they have never played against. Cup football is all about who produces the goods on the day and we look forward to a fine game of football.

## Railway Athletic (Cappoquin) F.C. Notes

### F.A.I. JUNIOR CUP (1st Rd.) Railway 0

#### Galbally (Tipperary) 1

Our junior team had Tipperary side Galbally at home on Sunday evening last. Conditions were not suitable for good football. We put the pressure on their defence but could not score. Our lads found it hard to adjust to the heavy pitch and 10 minutes before half time we gave away a silly free kick outside the box. The Galbally player took the free kick fast and scored. This was how the half ended.

We started the second half once again putting pressure on them but we missed a lot of chances. It was not our day and we bowed out of the F.A.I. Junior Cup for this year. However it was a good experience for our lads, maybe on a better day we could have advanced.

Team — C. Cullinane, K. Mason, M. Reddy (capt.), B. Whelan, R. Curran, P. Manahan, C. Prendergast, L. Foley, J. Fleming, F. McLoughlin, D. Whelan. Res. — Greg Reddy for F. McLoughlin, Eamon Murphy for J. Fleming.

#### U-11 TOURNAMENT

Over the past few weeks Mick Foley has been running a 5 a side tournament from the age of 7 to 11 years. This has been a great success with the young lads playing lovely football. The final of this tournament will be played on Wednesday night at 6 o'clock. Stephen Landers (Liverpool) will play Tomas Smyth (Manchester United).

#### NO FIXTURES

Next weekend sees the club with a free weekend.

## Noel Brennan's Team Capture Kennedy Abrasives (Kilkenny) Table Quiz

The top brains of the town and surrounding areas were in attendance at a packed club pavilion on Thursday night last for our eagerly awaited general knowledge table quiz. The full house signs were up early as the quiz got underway at 9 p.m. with a truly magnificent crowd of 40 tables, 33 senior and 7 junior.

Quizmaster Jim Egan had everything efficiently organised and proceedings commenced at a brisk pace. The questions were both interesting, educational and at times humorous (with quips from laser-brian Ml. Wright and co. from the floor) and had the packed attendance ranking their brains for the 72 questions. It also included visual and audio rounds.

In the end the winning team with a tremendous score of 69 points, were the team led by Noel Brennan, Denis O'Donovan, Donal Lynch and John O'Shea, Runners-up on 65 pts were Johnny Hughes (capt.), Kevin McCarthy, Pat Collins and Derek Nolan.

In the junior section the winners on 46 pts were the team led by Thomas Phelan, Darren Mulcahy, James Foley and Peter Curtin. Runners-up were Paul Deegan, Eoin Sheridan, Vincent O'Sullivan and Dermot O'Shea.

We would like to thank all who turned up on the night and made it so successful. Our thanks to the aforementioned quizmaster Jim Egan; checkers, Rita Brennan and Linda Ahearne; markers, Rachel Walsh and Karen O'Connor; ticket sellers, Carol Whelan and Elaine Cummins.

The night could not have taken place without sponsorship and our grateful thanks to all who sponsored this quiz, especially to our main sponsors Kennedy Abrasives, Kilkenny, who sponsored the first prize of £100. We has a large num-

ber of spot prizes, almost one for everyone in the audience, sponsored as follows — Waterford Crystal (Dungarvan), Megavision, Shaws, Tom Fitzgerald's Menswear, Tom Curran, Jimmy O'Donnell, V.G. Super Valu, Darrers Store, Michael Curran, John Foley (Campus Service Station), The Park Hotel, First National, Credit Union, A.I.B., Bank of Ireland, T.S.B., Central Dairies, C.B.S. Secondary School.

The raffle prizes were won by — 1st Mrs. O'Dwyer, Electric Blanket, sponsored by Shopwell; 2nd Alan Landers, Clock Radio, spon. Ben O'Neill; 3rd Bottle Whiskey, Joe O'Riordan, spon. Dick Brennan; 4th Voucher McKeon's Shoes, Gerry O'Mahoney; 5th Tony Wall, Manchester United Sweat Shirt, spon. Noel Devereux.

#### ENORMOUS CONTRIBUTION

We could not let this opportunity pass without mentioning the enormous contribution that Stan Cummins and his small band of willing helpers made to the fantastic success of this quiz. Stan spent many weeks organising this fundraiser and got the fullest co-operation of all, inside and outside the club, in his effort to make this the most successful venture organised by the club for many years. The word is that it is only the first of many events to be held in the coming months and we urge all to give these hard

working people your support.

Our thanks to Mick Burke, Lawlors Hotel, for the use of extra tables and chairs.

Finally, the answers to last week's three questions, one of which was asked in the quiz last Thursday night, were — 1 James Joyce; 2 Douglas Hyde; 3 Catherine McAuley.

## RED HOUSE LEAGUE NOTES

# Double For Bride View In Bolger Cup

Last Sunday turned out to be a good day for Bride View United soccer club when both their teams earned a place in the Tony Bolger Cup final after victories over Cappoquin A and Valley Rangers.

#### BRIDE VIEW "A" 3

#### CAPPOQUIN "A" 1

This game was played in Tallow on Sunday morning. Both teams had missed some early scoring chances before Bride View took the lead after 26 minutes when Maurice Hartnett headed home a Philly Curley corner. They increased their lead 3 minutes into the second half when leading scorer Philly Curley found the net. Five minutes later Cappoquin were back in the game when Fintan Murray scored. Then with just 3 minutes remaining Mark Geary made it safe for Bride View when he scored their third.

#### VALLEY RANGERS 0

#### BRIDE VIEW "B" 1

A surprise result here as Valley Rangers, who had been playing great football

## ATHLETICS BY RACE LEADER

# Local Run To Aid Cancer Research

The forthcoming Dungarvan Cross Country Championship in St. Augustine's College, Abbeyside will link up with the 13th Annual Terry Fox Run in aid of Cancer Research. At a recent meeting in Lawlor's Hotel the Munster Co-ordinator for the Irish Cancer Society, Margaret O'Sullivan, outlined the nationwide plans for the "marathon of hope" Irish style on Sunday week, October 17.

In co-operation with the Dungarvan Athletic Club the local branch of the Irish Cancer Society, under the leadership of Mrs. Maura Shanahan and Mrs. Lily Lineen, will co-ordinate this year's run and plans are presently being finalised which will ensure that the local event will contribute greatly to the Cancer Research effort.

This is Ireland's first year to participate and funds raised will be allocated by the Irish Cancer Research Board for projects in Irish Hospitals and Universities.

## THE MARATHON OF HOPE

Terry Fox was born in Winnipeg, Canada in July 1958. At the age of 19 he was diagnosed with bone cancer in his right leg in 1977. His leg was amputated six inches above his knee. While in hospital,

Terry was so overcome by the suffering of cancer patients that he decided to run across Canada to raise funds for cancer research. His journey was called The Marathon of Hope.

Terry's Marathon of Hope took place in 1980 with Terry's simple objective to raising the awareness of all Canadians of the critical need to fund a cure for cancer. Terry's fierce determination resulted in him running 26 miles every day for 143 days. By February 1st 1981 Terry's hope of raising one dollar on average from every Canadian was realised when the Marathon of Hope fund totalled 24.17 million dollars. The previous September Terry had to stop running as the cancer had spread to his lungs. His commitment was carried on by others. Long before that day Terry had captured the hearts and imagination of the nation — he

had become a Canadian hero.

Terry died on June 2, 1991, one month before his 23rd birthday. He left everyone with a legacy of hope that continues to inspire so many today.

## THE LOCAL EFFORT

The Cancer Research effort in the West Waterford area is taking a three pronged approach. At present a number of Primary Schools are holding a weekly "Friday Bucket Collection", following lessons and videos on the Terry Fox story. Further schools wishing to get involved can contact Mrs. Maura Shanahan at (058) 42507. They may then take part in the Run/Walk/Jog on Sunday, October 17 which will start at Grattan Square, Dungarvan at 2 p.m. and which is open to everyone of all ages. Adults are asked to contribute £2 or £5 per family group with the children having already contributed in the Friday collections.

Led by the Dungarvan Brass and Reed Band the 'pelathon' will then head for St. Augustine's College where upon arrival run certificates and stickers will be distributed. Any participants still not in oxygen debt at

this stage will be invited to complete one lap of the Friary cross country course.

The local athletic club's inaugural Cross Country Championship over a distance of five miles will be started by the Chairman of the Dungarvan Urban Council, Cllr. Tony Wright and will involve keen and sporting competition between teams from Ring, Abbeyside, Dungarvan and West Waterford. Those with no athletic affiliations whatsoever will be most welcome to participate in this side of the day's events. The entry fee here is £4 with each participant receiving a cancer research t-shirt. Sponsorship cards are also available on request for the athletes and anybody collecting £10 or more will receive a t-shirt and gain automatic entry to the race. The day's events will conclude with a social evening in Brennan's Bar, The Square, where the results of the Dungarvan Cross Country Championship race will be announced.

## WE CAN DO IT

The Cancer Research Run's motto is "We Can Do It." Well the people of West Waterford can show that they want to do it on Sunday, October 17. Big day, 'led thoil.

## PRIMARY SCHOOLS CROSS COUNTRY

Over four hundred children took part in the Waterford Primary Schools Cross Country Championships in very poor weather conditions at St. Augustine's College, Abbeyside last Sunday. ## THE GOLDEN PAGES DUBLIN MARATHON

# "There's More In It For You The Older You Are"

Clonmel's T. J. O'Loughlin is a regular and very popular supporter of races in the Dungarvan area. At 49, he is looking forward to his 6th Dublin Marathon. First Veteran home in last year's race with 2 hrs. 31 mins. 33 secs. T. J. is a winner all the way. But it wasn't always so.

Just eleven years ago when he first took up the sport he weighed in at sixteen stone, drank and smoked heavily and suffered from dangerously high blood pressure. Physically, at least, he was very much a loser.

"Running has added a good ten years to my life — I'm convinced of that", says T. J., who seems to exude energy and optimism — a far cry from the depressions he

[In an interview with The Race Leader]

once suffered from. "I feel younger now than I did when I started running — it's incredible."

A firm believer that what's good for him is good for you, T. J. recommends his sport to anyone seeking to transform his life. "If you want to change your lifestyle, running is the best way to do it. Once you have felt the pleasure of being fit, of reversing the slowing down process that hits in middle age, you'll never want to go back. There's actually more in it for you the older you are. When I started I felt like 25 at 38 and I even look better! You hear people saying that they can't do it, that they haven't got it in them, but I

have seen people of all shapes and sizes take up running successfully — some of them you would hardly believe.

As long as your basic health is good and your doctor has given you the go ahead, I'd say you'll never regret it."

## Minnies Squash Club Notes

### UNLUCKY DEFEAT IN BLARNEY

On Tuesday night, September 28, our men's division one team in the Cork Leagues, travelled to Blarney where they picked up seven points and by all accounts were unlucky not to win more. The team news on the night was with Michael O'Mahoney, missing through holidays. Pat McGovern was drafted in, where, we are led to believe, he was very unlucky to lose 1-3.

Francis Power continued his good form with another excellent five-setter, winning 3-2. Anthony Lyons, playing some very fine squash, was a 3-2 winner, while one and two Paul Freyne and Pat O'Brien went down 0-3. So, seven points collected. Next game Tuesday, October 12 (home to Dukes).

### HUGE ENTRY FOR INTER-FIRMS

Our second annual Inter-Firms Tournament closed for entries on Thursday night last when a fantastic entry of 32 teams (three-person) were received. This surpasses last season by four teams. Our selection committee are reported to have been in conference for three hours as they made the "draws." It was decided to have two divisions, ten teams in the first and twenty-two in the second.

The tournament runs from Monday, October 4 to Thursday night October 7. The semi-finals are on Wednesday night with the final on Thursday night. With the scoring system changed to American style — that is hand-in and hand-out scoring, plus handicaps in operation — I'm sure we will see some if not plenty of surprises along the way.

In the first division the two Crystal teams look very strong. On the "A" team there is Dermot Kelly, Pat Dunford and defending champion Helen Crotty, although I'm sure their opponents in the first round the John Kelly Taxi team of Owen O'Mahoney, John Kent and Evelyn McAvinue will be doing their best to cause an upset.

The Crystal B team of Stephen Lyons, Tom Landy and Ann Dunford also look strong as do the "dark horses" of the Strandside Medics of Dick Brady, Dave Mahoney and Cindy Brady. Ann Elstead returns to action in division one on Moloney Hardware's team, while on the Waterford Foods B team, Michael Hayes returns to the club after a break of many years playing superb squash.

### DIVISION TWO

With twenty-two teams in division two it's going to be a bit like the Grand National, a case of close your eyes and stick a pin in the draw sheet to find the winner. Mind you a couple of teams

who have caught the eye and looking strong are Johnny Byrne's team of Frank O'Donoghue, Johnny Byrnesand Hilary Browne, the Council 'B' team of Billy Smith, Larry Kiely and Margaret Lake, the County Council C team of Timmy Burke, Luke O'Brien and last season's runner-up Teresa Hayes. Also looking strong are Waterford Foods C team of Paddy Murphy, Donal McGovern and "Sophisticut" Sharon O'Brien. It's great to see the likes of Sharon Wyse, George Harney, Felix Shields and Owen Carroll back for action again, while I also notice some star names from the tennis circuit like Michael O'Connor, Joe Power, Michael Drummey, Cora Cooney and Tom Higgins all taking part to add to the fun of the event.

So feel free to drop in during the week and enjoy the fun and don't forget the finals are on Thursday night.

### BAUMANN JEWELLERS

Our very busy secretary, Michael Gildea has been busy putting up notices for upcoming events. The first one which comes to hand is the very prestigious Baumann Jewellers, Mary Street five-person tournament which closes for entries next Tuesday, October 12 at 8 p.m. All members are encouraged to enter for this opener and let's try and surpass last season's fantastic entry of 85 — if the Inter Firms is anything to go by we shouldn't have much trouble there. Members of the Crystal are also invited to enter.

The competition will begin week beginning October 18/19. For the record, last season's winners were Pat O'Brien, Dan McCarthy, Pat Buckley, Brigid O'Shea and Brian McNamara, while the runners-up were Michael O'Mahoney, Pat Breen, Michael Tutty, Anne Hennebry and Noreen Tobin. So come on everyone — get your names in fast and let's get the show moving.

### SOUTH EAST LEAGUES

In an effort to promote and get squash moving again in the South East, a committee and league was formed to run same here. Divisions were formed to cater for as many players as possible thus giving all squash players the chance and opportunity to travel, play different players and broaden their squash horizons. At Minnies we have entered three teams in men's divisions one and two and ladies division one.

Our ladies squad which includes teams from Dunhill, Freshford and the Leisure Centre, Kilkenny, is as follows: Michelle Mernin, Helen Kiely, Anne Hennebry, Frances Carroll, Hilary Browne, Margaret Browne, Jenny McGrath, Teresa Hayes, Mary Coffey, Colette O'Mahoney, Cindy

Brady and Annette Power.

Our men's div. one squad is: Pat O'Brien, Dermot Kelly, Pat McGovern, Ray Moore, Owen O'Mahoney, Owen O'Grady and Andrew Lally. The other teams in the division include Crystal, Kickham Barracks (Clonmel), Dunhill, Leisure Centre (Kilkenny) and James Stephens (Kilkenny).

Our division two squad is Paul O'Brien, Maurice Walsh, Paddy Murphy, John O'Donoghue, Dave Tuohy, Bobby Lyons, Rene di Fusio and Dan McCarthy. The other teams include James Stephens, Freshford and Dunhill.

So the prospects look very exciting with a lot of games planned for the future. The divisions are due to commence on week beginning October 18. Club captain, Maurice Walsh has a tough job on his hands to decide the teams from these squads, especially in the ladies section.

### JUNIORS

Without doubt the biggest growth part of the club last season was our junior section. Without doubt the main factors for this were the co-operation and generosity of management in getting it off the ground with many concessions and perks given. The other main factor was the undeniable hard work and dedication of our youth officers and organisers, Mary Coffey and Owen O'Mahoney who every Sunday morning coached the juniors, organised friendly challenges, brought a huge squad to the Munster trials with great success, as well as organising three separate tournaments solely for the juniors (one sponsored by the club and the others sponsored by Ger Wyley Sports & Shoes, O'Connell Street and Michael Moloney Hardware, Bridge Street). Juniors were also allowed to enter adult tournaments and the adult ladder last season, so for many it was quite a hectic time.

The junior season officially begins this Sunday, October 10 with coaching from 12 noon until 2 p.m. again under the watchful eyes of Mary and Owen. So all junior squad players or intending squad players are invited to come along to the club where you will be made feel very welcome and give squash a go.

### OTHER NEWS

The first tournament at the Crystal — the Bank of Ireland — which contains many Minnies players is just starting and will run until Thursday, October 21. So, best of luck to all our members there. Secretary, Michael Gildea has posted a provisional set of dates for all the tournaments. This can be seen on the noticeboard. Don't forget to use your stickers next week.

### SQUASH NEWS

Stephen Lyons Victorious — The club were well represented last weekend in the Cork Squash Open. Club number 1 Stephen Lyons had a fantastic victory when he won the Mens B proper section against top class opposition. Liam O Tuama was very unlucky to lose his semi-final in the same section. Brian O'Connor put up a great performance before losing to overall winner

of the Mens A section, R. Stewart.

### ATHLETICS

Next Tuesday night sees the resumption of our winter training road running sessions. We start off with Tuesday and Thursday night sessions starting from the Centre at 7.45 p.m. Early reports suggest Finbarr, Tiger and Liam Dwyer have stolen a march on the rest of us but time will tell by just how much.

### BRILLIANT RUN BY GERRY CANTWELL

Congratulations to club no. 1 Gerry Cantwell on his

brilliant run last Sunday in the Cork/Cobh 15 mile road race. In a top class field which included many international athletes Gerry recorded a fantastic time of 84.17 for the distance. This was a mere 5 minutes behind the winner Dick Hooper, who has represented Ireland at Olympic and World Championships, so well done Gerry.

Congratulations to club members Michael and Mary Coleman and Liam and Helen Dwyer on their recent new arrivals. More next week. — The Doyler

### UNDER-14 COUNTY FINAL

#### Ballymacarby 3-9 Kilrossanty 2-4

Ballymac' and Kilrossanty served up an exciting game in the under-14 county final played at the Modeligo venue on Saturday evening week. Both teams had come through their respective groups unbeaten so we looked forward to a good game.

Kilrossanty were first to score — a point per L. Power, but their failure to convert chances cost them dearly and they were trailing 3-5 to 0-2 at half time.

Although Kilrossanty added 2-2 to their tally in the second half, Ballymac' replied with four points and held on for a good win.

After the game, County Chairman, Michael Ryan presented the cup to Ballymac' team captain, Mairéad Ryan. He complimented both teams for the sporting manner in which they played the game and also thanked referee Declan Whelan for a job well done.

# CLASHMORE TAKE JUNIOR HURLING TITLE

**CLASHMORE 0-9  
KILGOBINET 1-5**

The ground conditions were heavy on Saturday afternoon for the Western junior hurling final between Clashmore and Kilgobinet in Cappoquin. This was a repeat of the 1986 decider which was also played in the sportsfield.

Clashmore opened the scoring with a point from a free in the 2nd minute. This was countered immediately by a similar score for the opposition by Kevin Walsh. It was obvious that scores were going to be hard to come by with both sets of backs giving very little away. For Kilgobinet full back Martin Curran and centre back John Byrne were well on top, forcing the mentors to switch around the opposing forwards. Clashmore's main strength was in the half back line with Salmon and Hynes playing well and centre back McGrath having the edge over his opposite member. They could only manage two further points in the first half one from Fitzgerald in the 5th minute the other

from Michael Hynes in the 16th and they didn't score again before the break and were lucky indeed not to concede a goal when Liam O'Donnell made a fine save in the 18th minute. Tom Kiely had a point for them in the 7th minute and then went through twenty one barren minutes until Kevin Walsh had a point in the 28th minute followed by a very good point from out the wing by Michael Walsh on the stroke of half-time and therefore led at the break 0-4 to 0-3.

Clashmore played towards the road goal in the second half and had the advantage of the slight breeze. They quickly levelled the match with a Shalloe point from a free in the second minute and he put his side ahead with another in the 9th. It was all square again a minute later when Tom Kiely had a point for the greens. There then followed eleven minutes of fine competitive hurling which saw many near misses on both sides but no

scores. Then that great batter Michael Hynes put his side ahead with a point after he had fought his way past several defenders. With four minutes to go Kilgobinet were awarded a forty yards free. Kevin Walsh's shot dropped short and was scrambled away only to be picked up by John Moore who put it in the net and Kilgobinet looked home and dry with a two point lead. Then Clashmore were seen at their brilliant best their two wing forwards between them hit three great points from play two by Fitzgerald and one by Lombard and as the game edged into injury time they were on point in front. Kilgobinet came back Tom Kiely won a good ball twenty five yards out and it looked certain to put the match to a replay but unfortunately his high shot drifted wide of the far post. There was no more time left and Clashmore were 1993 Champions. Final score Clashmore 0-9 Kilgobinet 1-5.

Clashmore just about deserved their victory as we said last week they are a fit team at the moment and this is what saw them through especially in the last crucial few minutes. Kilgobinet were understandably disappointed after the goal and will no

## Stradbally G.A.A. Club Notes

### UNDER-21 FOOTBALL

Last Sunday's game against An Gaeltacht in the first round of the championship was called off at the last minute due to the adverse weather conditions which left the Leamybrien venue unplayable. This was a great pity as the team had

put in a lot of hard work and were very keen to get a game. This game could now be played on the 16th or 17th of this month.

### COUNTY FINAL

Next Sunday will be a historic day for the club when we head to Walsh Park for the intermediate hurling final against Clonea. There was a lot of hard work put into the hurling this year and we got our reward to reach our first hurling final since '87.

Our task on Sunday will be without doubt a very difficult one as Clonea are a very experienced team. This will not deter the team, as in the semi-final they were underdogs to Erin's Own but showed great character to come out on top. The players and selectors will do their best on Sunday but they will need all the support they can get, so let everyone get down to Walsh Park and cheer the lads on. Let's hope we'll have the cup in the clubhouse on Sunday night.

### COUNTY FOOTBALL TEAM

Waterford played Wexford in the 'B' championship last Sunday and Paul Foley made his first appearance for the senior footballers. By all accounts Paul held his own and even though he finished on the losing side, can feel happy with his first outing with the county team.

# Newtown Best In Foul Ridden Clash

**NEWTOWN 2-6 PORTLAW 1-5**

Although this was not an unsporting game, it was nevertheless a very foul ridden clash between two teams who have met on no fewer than four occasions in the last five Eastern finals.

In the first half each was awarded 17 frees and in the second Portlaw had 18 frees and Newtown has 15.

The standard was below par for both teams who have played much better football in the run up to the semi-final which was played at Kill on Saturday evening.

Newtown who have played in the last five divisional finals will meet their neighbours, Bonmahon in the final. Last year Bonmahon won the junior county title for their first time.

The game was 6 minutes in progress before Michael Hubbard opened the scoring for Newtown with a pointed free. Play moved up and down the field and there were some good saves by both keepers. In the 18th minute Robby Barry had a goal for Portlaw and a minute later Ml. Hubbard

rocked the Portlaw net to regain the lead. Veteran John Galvin had a 19th min. point to leave the sides level at 1-1 apiece and no further scores were recorded in this first half, despite some near misses.

In the second half Billy Laffin taking a pass from full-forward John Galvin, pointed Portlaw into the lead, but Michael Hubbard made the scores level with a 34th min. point. A pointed free by Michael Hubbard in the 40th minute and another by his brother Andy gave Newtown a lead which they were to hold to the finish. Jas O'Mahony had a Portlaw point in the 49th min. before substitute John Harney had Newtown's second goal in the 51st. Further points by Tony Joy and Peter Queally brought Newtown's total tally to 2-6 while Portlaw replied with two points from Jas. O'Mahony and one by Peter Queally, who had a quiet game overall.

Best for Newtown were Andy and Michael Hubbard, David Dunphy and Tommy Kirwan, and for Portlaw, Ger O'Brien, Alan Cullinane, Rob Barry and John Galvin were prominent.

## Busy Lismore

Although the celebrations will be in full swing for most of this week, club officials cannot be unmindful of the very busy schedule ahead of them in the weeks to come. As the county representatives in the Munster club championship they will take on Ballyduff, Kerry in the first round at Lismore on Saturday, October 30. The same club were their opponents in the provincial championship when Lismore were champions two years ago. Lismore won that one decisively and should they repeat this result, it will put them into the Munster club semi-final against the Clare county champions at Ennis on November 11.

As well as the above, Lismore are also still engaged in the Western Under-21 hurling final against Ballyduff, they will play Dungarvan in the junior football semi-final and have an engagement with Mount Sion or St. Saviours in the county minor hurling final. So it looks like being non-stop action for the club and maybe more celebrating to be done.

## Minor Football Final

Local rivals Abbeyside and Dungarvan will contest the divisional minor football final at Cappoquin on Saturday next.

Both qualified by winning their respective semi-final matches on last Saturday. Dungarvan were run quite close by Naomh Brid (1-5 to 1-2) at Bushy Park, while at Ardmore, Abbeyside were lucky to scrape home by a couple of points (1-6 to 0-7) from St. Olivers.

When these teams met in the league section, Dungarvan had a convincing 4-7 to 1-7 victory, so on this basis, they will start favourites to win this and retain the title which they have won for the past two seasons.

## East Minor Hurling Final Called Off

Because of the condition of the ground, following the heavy rain of the three preceding days, the divisional final in minor hurling between Mount Sion and St. Saviours which was listed as a curtain-raiser for the senior final at Walsh Park on Sunday, was called off. It has now been rescheduled for next Sunday.

The county final involving Lismore versus the winners was due to be played on next Sunday, This is now likely to be played on Saturday, Oct. 16. The National League hurling match with Down is due to be played at Walsh Park on Sunday, Oct. 17.

## Dog Night

The 'Dog Night' organised by the County Finance and Development Committee for Kilcohan Park on Saturday night last was an outstanding success and was very well supported by clubs and members throughout the county. Thanks to the many generous sponsors, etc., the venture was a financial success which will further help the grounds development programme.

# Wexford Too Good For Understrength Waterford

**WEXFORD 0-11 WATERFORD 0-7**

Because Walsh Park was not available for this semi-final game in the 'B' football championship, the game was switched to the De La Salle grounds and was played at 11.30 a.m. on Sunday morning.

Waterford were very much understrength for the game and quite a number of those selected were not available for some reason or another. The selectors feel confident that had all the selected players been available, they would have won this game.

The sides were level at half time at 0-4 each. Waterford matched the visitors for most of the second half and missed chance of equalising at a later stage of the game.

## NEXT WEEK-END

# Footballers Travel To London For National League Game

## Stradbally And Clonea Meet In The Intermediate Hurling County Final At Walsh Park

### Intermediate Football Final At Cappoquin

As well as the above programme of matches, other Divisional Board matches are planned and will be detailed in our fixtures column.

With so many of the football panel on duty with their clubs, the county selectors will have a serious problem in selecting a strong team to play London in this historic first round league match in Ruislip on Sunday afternoon. The game is historic as it marks the entry of a London football team into official league competition for their first time. The London County Board have been campaigning for this for some years and are understandably excited about being allowed in and getting a bottom of the league county as opponents for their first game in the competition and will make every effort to make the game a winning start to their first National League campaign.

The intermediate hurling county final, alone could take six members of our football panel away from the selectors, so we certainly will not have our strongest team in action over in Ruislip on Sunday. The team will fly out on Saturday and return on Sunday night. The team was due to be selected on Monday night and if available, will be published elsewhere in this issue.

#### INTERMEDIATE FINAL

Stradbally, who won the junior hurling county titles in 1974 and 1987 will play in their first ever intermediate final when they take on Clonea at Walsh Park on Sunday. Clonea were demoted to intermediate status following their poor run in the 1991 championships and lost out to Portlaw in a relegation match. They have been fighting might and main to regain senior status since then.

Both teams have some very fine hurlers in the grade as we saw in their respective semi-final

matches.

Stradbally with Pat Curran, goal, Conor, Eoin, Fintan O'Brien, Pat Halpin, David Kirwan, Oliver and Noel Costello, Paul Foley, Liam O'Brien, Eoin Phelan, etc., etc. and Clonea with the likes of Joe Cahill, Barry Power, the Hassett brothers, Denis and Michael, John Hunt, Anthony Power, Henry Skehan, Ger Power, Pat Dee and company, so the quality of the fare should be good and enjoyable.

Clonea have the greater experience at big time hurling as the majority of their side played in the senior championship for a number of years. They will start favourites, but if the Reds 'get the bit between their teeth' at an early stage in the game, anything can happen.

#### INTERMEDIATE FOOTBALL FINAL

An Rinn versus Ballinameela

This game is certain to attract a crowd to Cappoquin venue on Sunday and while the Gaeltacht team who beat Ballinameela by 3-9 to 1-6 in the league section a couple of months ago, may, because of this, start favourites, I believe that a very strong case can be made for the Ballinameela team which I saw defeat Faha in an exciting semi-final at Bushy Park last month.

#### PATH TO THE FINAL

Clonea 0-11 St. Mary's 0-10  
Clonea 0-10 Stradbally 1-7  
Clonea 1-17 Tramore 1-4  
Clonea 2-10 Cappoquin 2-3  
Clonea 3-10 An Rinn 3-12  
Clonea 2-8 Abbeyside 0-4  
Clonea 2-12 An Rinn 2-9 (semi-final).

Stradbally 3-9 An Rinn 1-8  
Stradbally 1-7 Clonea 0-10  
Stradbally 1-7 St. Mary's 2-8  
Stradbally 6-10 Tramore 1-6  
Stradbally 2-11 Cappoquin 2-9  
Stradbally 5-6 Shamrocks 3-9  
Stradbally 1-11 Erin's Own 0-10 (semi-final).

This will be preceded by the Eastern minor hurling final.

Both clubs have strong and skillful players, among them individuals with county team potential, so patrons to the Cappoquin venue should expect to see the best of football in the intermediate grade.

Predicting the outcome of this one will be difficult for anyone who has seen them both in action and while I am sure that each side is capable of taking the title, I have a slight preference for the Ballinameela side which I saw beating Faha.

#### JUNIOR FOOTBALL SEMI-FINAL

Kilgobinet v. Seana Phobal — This will be the first of the two semi-finals in

this championship and it is fixed as a curtain-raiser to the divisional intermediate football final at Cappoquin venue on Sunday next.

Way back in early May when the sides met in their first match of the championship, Kilgobinet survived by a whisker in an exciting finish to a very good game. It was 1-9 for Kilgobinet with Old Parish scoring 3-2.

After this both showed reasonably good form. Kilgobinet suffered one defeat (Lismore 2-9 Kilgobinet 1-9) and they drew with Modeligo who had previously lost to Old Parish by a couple of goals.

Striving to stay alive in two codes is no small problem for rural clubs, and this problem may have effected

Kilgobinet a bit more than their opponents of next Sunday as they have been training very hard for hurling and were disappointingly pipped for the divisional title when losing to Clashmore on Saturday last.

This one has all the signs of being another cliff-hanger with little or nothing between the sides in the end. Remember when they met in the first game only a point separated them and it could be that close again and the result favouring either of them.

#### CLASHMORE ARE CHAMPIONS

This was exciting stuff all the way and like many others, I was sorry to have missed seeing it because of another commitment. Win-

ning by a single point can add something special to a victory and losing by the same margin can be quite frustrating. Kilgobinet will bemoan their lost chances in this exciting encounter, but no one will begrudge Clashmore their overdue win in this championship after years of great disappointment.

A full report appears in the Cappoquin Sportsfield notes.

#### WESTERN BOARD CHAMPIONSHIPS

All going well with next weekend's programme, the Divisional Board should see eight of the eleven championships completed and if they are given a clear run with the remaining three, i.e. junior football and the two under 21 football championships, the full list should be cleared by the end of October.

The Eastern Board are also making very satisfactory progress and are almost in line with the West. This should facilitate the playing of all the county finals before the weather turns completely against us and before December, which clubs can claim as a 'closed season month' if they so wish.

Ollie Wilkinson, Chairman Western Board, presents the Comeragh Oil Cup to Michael Hynes, captain of the Clashmore team who defeated Kilgobinet in the Western Junior Hurling Final. —(Sean Byrne Photography).

## Senior Football Championship

This has gone very much awry and having it played before the end of next month is not going to be easy as there can be hidden problems to be overcome, like the playing of our 'home' matches in the National League. We have four games in the league which are due to be played in our venues and on Sundays before the end of November and it will be difficult to play senior football champi-

onship game in competition with these, unless we play our club games on Saturday.

It will take the full co-operation of all the clubs involved to have the championships finished before the year ends. A draw in the county final last year, created a big problem, resulting in the championship spilling over to this year. Everything possible should be done to en-

sure that this does not happen again.

So far a total of 46 matches have been played in the senior football championship and we have had only three draws and it is not outside the bounds of possibility that another draw, or more can result from the clashes which remain. The seven remaining teams are Rathgormack, Kilrossanty, St. Saviours, Stradbally, Nire, Dungarvan

and Gaúltier. Dunhill have a remaining match, but are no longer in contention.

### Co. Board Meeting

The normal monthly meeting of the Senior Board will take place at Dungarvan on Monday night next at 7.30 p.m.

# Resolute Lismore Thrilling Final At Walsh Park

**LISMORE 0-8 PASSAGE 0-7**

Played in the most appalling conditions because of the incessant rain which fell on a ground which had taken a real battering from the heavy rain of the previous week, this was a thrilling county final which will be remembered for the true courage, dedication and skill of the players on both teams who battled with the conditions as if their lives depended on the outcome.

For the final ten minutes the drenched crowd of approximately 2,500 had been gearing themselves for a draw as at that stage only a point separated the sides and scores were coming very slowly. It is also true to say that the vast majority of neutral supporters expressed their opinion in the immediate aftermath of the final that a draw would have been a fair result to this mighty battle between two lion-hearted teams. The losers Passage, did get their chances of squaring the score in the closing minutes, but uncharacteristically sent two close-in frees just wide.

But despite all the ifs and buts of the game, I must

**LISMORE — 1993 SENIOR HURLING COUNTY CHAMPIONS** (Photo by Edey)

hasten to congratulate a great Lismore team on becoming very worthy champions and regaining the title that they won in 1991 and surrendered last year. Every man of the 17 who played on the side can be given ten

out of ten for commitment and effort and can feel proud of having worn the black and amber jersey in such a hectic and memorable county final.

The wild celebrations which went on out on the

field after the game were a clear indication of what this second county senior hurling title meant to the club. The leg-weary players were besieged and hugged and mauled by their justifiably excited supporters. Luck

might have played a part, and no one will dispute this fact, but nevertheless to the people of Lismore, the winners were heroes all and deserving of the title and the celebrations that were in progress and likely to continue for a long time. Within sight of it all and certainly within earshot of these celebrations were the shattered and very disappointed Passage players who at times during the game, found reason for expecting that they were about to win their first county senior title.

That opinion was shared by many others as well, but at the end of the day Passage were the architects of their own misfortune in that they failed to take the splendid chances that came their way throughout the game. Free-taker Mossy O'Keeffe, the man who played a major role in taking the team to their first county senior final, was completely off form and sent at least six scoreable frees outside of the post to the amazement of the supporters. Mossy was understandably very disappointed after the game.

#### BROTHER DORMER'S ROLE

I recall Lismore Club President Mossy Hyland telling me at the farewell banquet for Bro. Dormer that the best send-off that they could give him would be to win the senior hurling final this year. I saw him out on the field in the minutes after the match and besieged by Lismore people who were shaking his hand in obvious acknowledgement of the major role which he played in bringing this great result about. The work done in skill-coaching and training during his fourteen years there and during which every member of the championship team had been his pupils, had now come to fruition. They had now given Bro. James the parting gift and this must be the one which pleased him most.

#### THE GAME

Lismore players were out on the field a full 17 minutes before the final was due to begin and Passage took the field about five minutes later. The rain fell heavily and patrons took whatever little shelter that

was available. The 'dug-out' was packed and with the rain blowing into that area, it was almost impossible to take notes. The light wind blew across the field, but partly favoured Passage in the first half.

Within 30 seconds Passage were awarded the first of their 23 frees and Mossy O'Keeffe gave them the lead, which was doubled a minute later when Anthony Fitzgerald sent over and just a minute later Barry Walsh (grandson of the famous "Doyle" Walsh of their 1937 team) had Passage's third point. Amazingly, this was almost half their total score for the final as they were to score only a further four points in the remaining 57 minutes.

Both sides had a couple of wides before Lismore opened their account in the 11th minute when full forward Sean Daly sent over a placed ball. Michael O'Sullivan, from play, made it two points for Lismore before Mossy had his final score of the game when he pointed a 14th minute free. It was 0-4 to 0-2 at this point and at the end of the first quarter. An injury to

Brendan Crowley delayed the game for some minutes and shortly afterwards when Lismore were awarded a semi-penalty, Sean Daly opted for a point to leave the situation at 0-4 to 0-3 at half time.

### HIT FRONT

Within seconds of the restart, Paul Prendergast was wide of the posts when striking under pressure, but made amends when he sent over the equalising point in the 32nd minute. Two minutes later Lismore hit the front with a Brendan Prendergast point, he having received a pass from Sean Daly. Anthony Fitzgerald had a 37th minute point (their first score after 23 minutes) to put the teams level again. Lismore introduced Dan Shanahan for Michael O'Sullivan at this stage.

Just on the three-quarter stage Brendan Prendergast inched Lismore in front again with a fine point but two minutes later Paul Fitzgerald had things all square again at 0-6 a-piece. Brendan Lawton put Lismore one up in the 48th minute but Martin Murphy, who had a rather quiet game to this point sent over for Passage and now with ten minutes left, a draw looked to be a likely result.

They now had it all to play for and the players realising that a puck of the ball could make the difference between victory and defeat,

threw caution to the wind in the grandstand finish that saw both miss good chances. Passage in particular had a succession of missed frees and after Brendan Lawton sent over a great point in the 54th minute they had two fine chances with close in frees but amazingly missed the uprights.

The county final was at an end and Lismore were the champions again. The only other county final without a goal being scored was in 1986 when Lismore lost to Mount Sion by 0-16 to 0-10.

At the time of writing I have not heard which player was awarded the man-of-the-match accolade, but for me this was a day when one should not be selective in apportioning credit as every one of the players gave of their best to the last ounce.

Declan Landers, didn't get a whole lot to do in goal for Lismore, but what came his way was well taken care of. David Barry with Mark O'Sullivan and Paddy O'Donnell on each side of him, protected their goal line and repulsed the onslaughts that came their way during the hour. In the half line, Seamus Prendergast (who captained the 1991 champions in the final) and his two wing men, Brendan Crowley and Philip Hickey did everything required of them as did Brendan Prendergast

and his midfield partner Kieran O'Gorman.

Billy Lee, Paul Prendergast and Michael O'Sullivan in the half forward line and Brendan Lawton, Sean Daly and Michael Hickey in the inside line all played their part in the scoring or the making of the scores that brought them this great victory. Dan Shanahan and James O'Connor, who went on as substitutes, also played their part in the win.

Ray Barry in goal for Passage also effected some fine saves and with the Cullinane brothers, Eamon at full back and Sean at centre half and James and Pat Connors, Seamus Keating and Ed. Quann also defending very well and making live difficult for Lismore; Paul Connors and Paul Fitzgerald both played very well in the middle and Anthony Fitzgerald, Noel Connors, Barry Walsh, Sean Carey, Mossy O'Keeffe and Martin Murphy played their hearts out in their do or die bid to bring the first senior title to the Dunmore East Club.

Perhaps they deserved another chance, but things just did not go their way on the day. I have no doubt but that their day will come in the next year or two and then no one will begrudge them a title.

## GATE RECEIPTS

The gate receipts were £7,400 which must have been above expectations in view of the atrocious weather conditions.

The programme was an excellent production with interesting information and statistics. It was compiled by County PRO, John Jackson who must be congratulated on a very fine effort. Despite the incessant rain, it sold very well.

The Bonmahon Pipe Band provided the entertainment and paraded the teams before the game. Many of the patrons thought that the parade might be dispensed with in such weather, but the teams obviously thought otherwise and wanted all the trappings that go with a final.

The game was broadcast live by WLR with Kieran O'Connor and Jim Landers doing the commentary. Listeners in the Gaeltacht areas of the country were able to hear intermittent reports of the progress of the game which was broadcast live from the venue by Irial MacMurchú who is the commentator for Radio Na Gaeltacht.
