# It's not so difficult to build a pond

MANY gardeners find winter frustrating and itchy to get outdoors and find jobs to do.

Here's one to keep the fidgets busy for some time and enhance the garden — building a garden pond.

They are cheap if you do the labour yourself. They can also fit any garden scheme providing the chosen site is not beneath a large tree — the pond will quickly become choked and breed bugs and pests.

Also weigh up whether your new feature is likely to endanger small children — either family, neighbours or visitors. Once decided, most of the heavy preparation work can be done now while the weather is not too warm for labouring and not too cold to put you off work altogether.

Don't be too conservative about size and shape — larger ponds make more impact and, perhaps surprisingly, are easier to maintain.

The choice of materials is: **FIBREGLASS** — rigid liners come in many shapes and sizes and can save a lot of time and effort. Simply choose the site, dig the hole required and line with sand to pack and support the liner — though the latter part is often more troublesome than you would think.

**FLEXIBLE PLASTIC** — sheeting able to adapt to the most ambitious shapes. It comes in many grades depending on the life span demanded.

The pond shape is dug and lined with sand but care must be taken to avoid leaving any sharp points which might puncture the plastic membrane.

The plastic is then stretched across the hole and weighted at the sides before being gently filled

with water. Once filled, the plastic overlap can be trimmed away.

**CONCRETE** — lasts for decades and also allows flexibility in design, but care must be taken to install without risking later cracks and contamination of the pond.

It is best to consult a specialist book before using this method.

If you opt for plastic or concrete yet have trouble visualising your creation, try marking out the site using a car tow rope of the garden hose.

Having then settled and marked the shape, excavate to at least 18 inches in the centre. That's the minimum depth required for everyone's favourite pond plant — lily pads.

Step the edges at around 9 inches to allow you to grow a range of marginal plants.

Paving stones or bricks can then be used as an attractive and secure edging for the pond, though it is worth adding a rockery as a backdrop to break up the regularity of paving.

Go one step further and use the rockery as an excuse to install a pump and waterfall gushing into the pond! It's an attractive feature and keeps the pond fresher.

After creating your new pond feature over the next few weeks or months, you can then plan the planting and stocking, which can start in April.

Following a wonderful performance in the national final of the Siucra/ICA Golfing Competition, we offer our congratulations to Bernie Keating and Marie Grubb from Tramore Guild who came third in the competition. The final was held in Clontarf recently.

**ONE WORLD QUILT**  
Four members of Waterford Federation, Margaret Butler, Ballinroad; Bernie Keane, Ardmore; Maureen Guiry, Old Parish and Cathy Murphy, Kilrossanty, under the direction of Nancy Toomey, Tramore, have made a section of the "One World Quilt." These ladies, along with members from

federations all over Ireland, will be meeting the President of Ireland, Mrs. Mary Robinson on November 17 to formally send off Ireland's contribution to the quilt.

## NEW WLR PROGRAMME A SUCCESS

The best of Irish, the new evening show featuring all Irish music and presented by Nick Flynn is proving to be a real success with WLR listeners, especially in County Waterford.

"There is no doubt that there has been a massive revival of interest in all types of home produced music, and I think the positive response we have had from listeners in the county is one indication of that," Nick Flynn told the Dungarvan Leader.

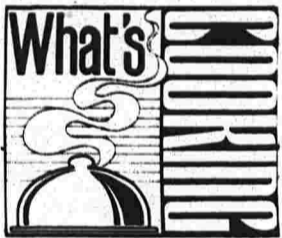

The Best of Irish is broadcast each weekday from 6.15p.m. to 8.00p.m. and features a broad cross-section of Irish music. Styles range from traditional to country, and listeners re-

quests have played no small part in shaping the sound of the show.

Apart from the music, there is regular news of upcoming musical events on the show. In this regard Nick Flynn has one request to make to Dungarvan Leader readers.

"With Christmas coming up I want to ask people organising events to contact me early with news of what they are planning. There will be so much happening in December I will need as much notice as possible if we are to give everybody a mention," he told us.

Readers can write to Nick Flynn with requests and announcements at WLR, Georges Street, Waterford.

## SAUCY PORK CHOPS

The fewer ingredients a recipe calls for, the faster you can prepare it — and more time you have for other things. And if the recipes are taste treats like this you've got it made!

### SESAME PORK CHOPS

Bottled barbecue sauce and apricot preserves make an easy sauce for these grilled chops.

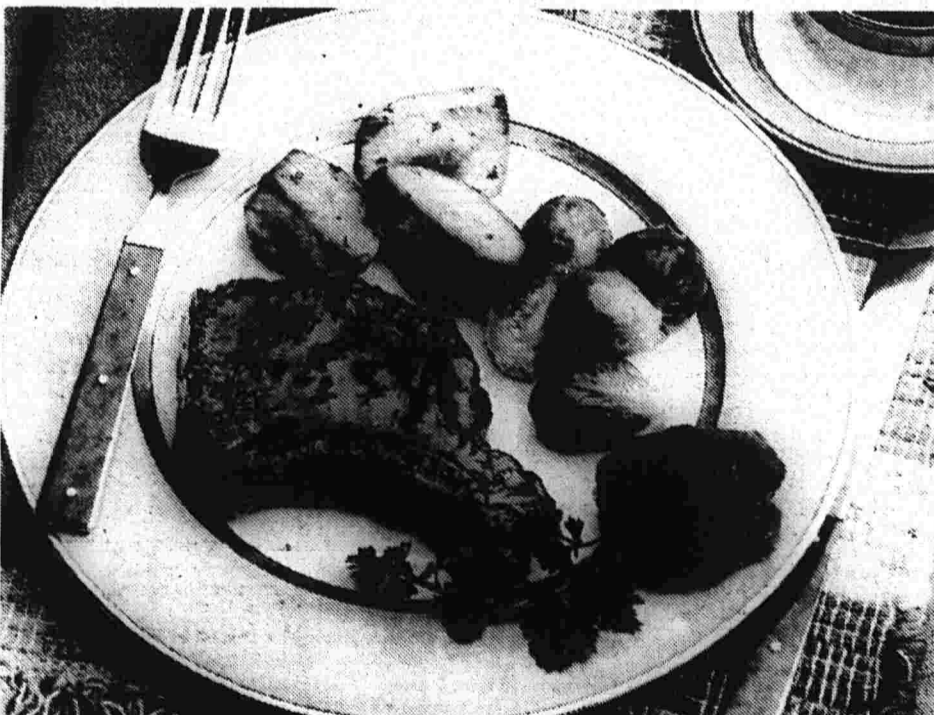

Combined preparation and cooking time: 30 to 35 minutes.

#### Ingredients:

- 1/4 cup bottled barbecue sauce
- 2 tbsps, apricot preserves
- 1 tbsps, sesame seeds, toasted
- 4 pork loin chops cut 3/4 inch thick (1 1/2 to 1 1/4 lbs total)

and apricot preserves. Cook over low heat just until preserves melt. Stir in sesame seeds. Remove from heat. Trim

fat from chops. Season with salt and pepper. Grill for 10 minutes. Brush chops with sauce. Turn chops over.

Grill 10 to 15 minutes more or until no longer pink, brushing with sauce during last 5 minutes. Serves 4.

# Road Damage — Council To Appeal To Environment Minister

## Local Station Officer Retires

**JOHNNY AND PHILOMENA HAMILTON**

After a most distinguished career serving as Station Officer with the Dungarvan Fire Brigade, Mr. Johnny Hamilton decided to "call it a day" and retired on September 30 this year. Johnny Hamilton of Boreenatra, Dungarvan, joined up as a fire fighter in 1967 when the Fire Station was situated in the Council Yard. That same year, the Fire Brigade moved to new premises across the road at Shandon. Five years later in 1972, Johnny was given his first promotion to Sub-Officer, which he held for ten years. The highest point of his esteemed career came on March 1, 1982 when Johnny was made Station Officer, a position which he has held for the past eleven years.

Johnny is one of only 2 surviving members of the Brigade when it was situated in the old County Council Yard in Dungarvan (Oliver Walsh being the other member). To mark his retirement a Mass was celebrated by Rev. Fr. Kiely CC in the new Fire Station premises at the Shandon by-pass on October 28 at which all members and all former members of the Dungarvan Fire Brigade were present. Later on the party adjourned to the Park House to enjoy the night's entertainment. The high esteem in which Johnny Hamilton was held was reflected by the attendance of so many Fire Department representatives from all over the county.

Members of Waterford County Council will make an urgent appeal later this week when they meet the Minister for the Environment for additional funding to be made available to meet the cost of repairs to roads damaged around the county by torrential rain during the first week of October.

In a report to last week's Council meeting, the County Engineer, Mr. John O'Flynn, confirmed that it will cost £141,855 to repair roads damaged in the Ballymacarbry, Tramore and Lismore areas by the floods. Mr. O'Flynn said the collapse of an embankment into the river Nire at Ballymacarbry is the most serious damage and the overall repair cost will come to £70,000.

"Coming near to the end of our financial year we do not have the resources to meet the cost of the remedial works that are necessary," said Mr. O'Flynn who also disclosed that their representations to the Dept. of the Environment for additional funding made on October 19 had met with a negative response. "The most pressing of the work has started but the rest will have to wait because we have no money," the County Engineer added.

**VERY DISAPPOINTED**  
Cllr. Kieran O'Ryan said he was "very disappointed" with the Dept.'s refusal to come to their assistance. The damage caused had been the result of an act of God and could not have been foreseen by the Council when they sat down to finalise their estimates for 1993 almost a year ago. It was agreed that members of a Council deputation who will be meeting the Minister for the Envi-

ronment later this week on another matter will urge him to make funds available for the road repair programme.

## Irish Heart Foundation Notes

Having completed a successful walk in Turkey in October, the Irish Heart Foundation has selected Italy for its next sponsored walk. Walkers will fly Dublin-London-Rome on Thursday, March 31, 1994 and transfer by coach to Assisi, the birth place of St. Francis. Over the following five days walks will be organised and many places of interest will be visited. The party will then move to Rome for three more days where tours of the city will be arranged. On Wednesday, April 6, the party will attend the mid-day audience with Pope John Paul II in St. Peter's Square. This promises to be a memorable trip and anyone interested should contact the Irish Heart Foundation, 41, MacCurtain Street, Cork (phone 021-505822). The Foundation is dedicated to the eradication of premature heart disease and depends on public subscriptions to promote its work.

# New Food Science And Technology Course Launched For Employees In The Food Industry

It is well recognised that education and training for those employed in the food industry are vital if Irish food products are to compete successfully in the world marketplace.

FAS in association with a number of companies in the South East region has identified a need for the Continuing Education and Training of employees in the food and drink sector. In response to this need University College Cork has launched a new one year Adult and Continuing Education Certificate Course in

Food Science and Technology which will be held in Waterford for employees of the food and drinks industry in the south east. The course will run from November 1993 to June 1994.

Mr. Brian O'Shea, T.D., Minister for Food and Horticulture launched this Certificate Course at a reception in the Conference Room, Waterford Crystal Sports Centre, Waterford on Monday, November 1, 1993. The reception was attended by the course delegates in addition to

representatives from the food industry in the region, from FAS and from University College, Cork. Companies represented on the course included Cow & Gate, Wexford Creamery, Munster Proteins, Lismore Foods, India Ireland, Compsey Creamery, Flahavans, Inistioge Ice Cream, Avonmore Foods, Cappoquin Chickens, Top Table Foods, Waterford Foods, Kiely Meats and Showerings.

## DUNGARVAN LIONS CLUB NEWS

### Over 55 Contest A Great Success

Dungarvan club has been very busy lately. First we had the preliminary rounds of the Lions sponsored "over 55" competition, the area final and the annual Halloween Concert.

We held the first round of the contest on Friday, October 22. There was an entry of 11 contestants. In the event, 10 took part, as one (Mossie Noonan) had to cry off owing to a cold. Four were selected to go forward to the area final. The four were Ester Barry, Joan Sullivan, Thomas Cunningham and Michael Moynihan. We had splendid musical accompaniment from those well-known entertainers Jim Duggan and Jerry O'Dwyer. Incidentally, following the contest we had a very enjoyable dance with the music supplied by the same duo.

The area final was held in Lawlor's Hotel on Wednesday, October 27. There were six entrants from the Waterford area. Only three from Dungarvan took part, as Ml. Moynihan cried off because of a bereavement due to the death of Mrs. Nora Street, R.I.P. Danny Lenihan was the very able M.C. for the contest, Willie White and his band provided the music, and a member of Telefis Eireann was the adjudicator.

Waterford came well prepared as well as bringing

first class artists, they had a huge following.

The contest provided first class entertainment. At the end Ester Barry was declared the winner and a lady from Waterford was also selected to contest the national semi finals.

The jubilant scenes that greeted the result should have been seen to be believed. The jubilation was widespread as I think everybody enjoyed Essie's wholehearted rendering of "Patsy Fagan". Essie and the Waterford lady now go forward to the All-Ireland semi-finals which will be broadcast live on "Live At Three" in January next. As far as I know, votes from viewers will be very important at that stage. However, I will have that checked out, and if this is so, I will be looking forward to the great turnout we had, when a few years ago, Annette Geoghegan Quinn and Jim Duggan contested the finals. Incidentally, both Annette and Jim were present to cheer Essie on. In the ensuing dance, to the dulcet tunes of Willie White and his band, Annette sang several songs, and she is as good as ever!

#### ANNUAL HALLOW'EEN CABARET

The other event, the Annual Halloween Cabaret, was an outstanding success. At first, hesitantly, we decided to go for a big star. I say hesitantly, because we were apprehensive because of the higher admission price. However, we were proved right, and the full house on the night proved that our loyal supporters did not mind the price, if the star was good. Judging by the reaction of the patrons, Finbar Wright was an outstanding success.

The club expressed its appreciation to the following sponsors of the prizes at the Cabaret:—Dungarvan Crystal, Hotel Conrad, Dublin, Richmond House, Cappoquin, Waterford Consort Manor Hotel and E.S.B., Dungarvan.

The proceeds from the Cabaret are very welcome at the moment, as we have some outstanding appeals for financial help. The club has also been instrumental recently in helping to form a Leo Club. This is actually a Young Lions Club, catering for both sexes. In fact they have started with mixed membership.

We are now in the eleventh month of the year, which means Christmas is really around the corner. This will be a busy time for the club as the Christmas Food Appeal is coming up. We will have W.L.R. on the Square on Friday, December 17. More about this later.

## Ardmore-Grange ICA Notes

The competition for the prestigious AIB/ICA Guild of the Year project 1993 took place on Thursday, November 4 in Lawlor's Hotel, Dungarvan. Twelve guilds in Waterford Federation participated and the standard was extremely high.

All competed in six of the categories: (1) Job Creation, (2) Something Old From Something New, (3) Healthy Eating (Brown Bread, Lunch Box, Bottle of Wine, Jam, Jelly or Preserve made from Fruit of the Wild), (4) Flower Arrangements using only flowers and plants from Autumn Hedgerows, (5) Local Place Names, Christian Names, Surnames and their meanings presented in Irish, also Five Proverbs, (6) An AI Site Map of a Walk in the area outlining attractive and unattractive features and suggested environmental improvements, (7) Production of a Social Half Hour as it would have been in the Opening Night of the Guild for Ardmore-

Grange in January 1953 and the production of clothes, oil lamps, etc. occasioned great hilarity in the preparations.

The exhibits were arranged and judged on Thursday morning and were on view to the public after that. At 7 p.m. the social half hour took place and a great evening's entertainment followed. There was great jubilation when Ardmore-Grange and Tramore were declared joint winners of the over-all competition. Glenbeg came next.

Mrs. Bernie Keane, along with members from Federations all over Ireland, will be meeting Mrs. Mary Robinson, President of Ireland, to send off Ireland's contribution to the "One World Quilt." Arrangements have been made to begin patch work classes early in the new year. Don't forget the "goodies" for our Christmas Party at the next guild meeting. Mrs. Frances Dunphy gave us a very interesting talk on "assertiveness."

## Placement For Health Science/Nursing Studies Students

Post Leaving Certificate courses are a rapidly growing area for students who have completed their second level education. Students receive practical job-related skills in areas such as Accountancy, Engineering, Secretarial Studies, Hairdressing, C.E.R.T. and Health Science.

Currently 50% of students enrolled in

Dungarvan Technical College are following Post Leaving Certificate Courses. One of the more popular is Health Science/Nursing Studies and we are glad to report that nearly 20% of this year's enrolment have already been placed in Nurse Training, including the following:

# No Solution At Estimates Meeting

The annual Waterford Co. Council Estimates Meeting held last Friday ended in a stalemate as the members failed to strike a rate for 1994 in the midst of a worsening financial situation.

The Councillors were faced with a gloomy prediction of a £100,000 deficit to be carried forward as over expenditure into 1994, and an adverse balance of £466,000 in the revenue account at the end of last year.

Cllr. Kieran O'Ryan described it as "the most difficult estimates meeting" he had ever attended and added that they, the Councillors were "in a powerless position faced with figures they found impossible to grapple."

In his report, the Acting Co. Manager, Mr. Brian J. McNally, disclosed that their rate support grant for 1994 is £4,065,087, which is up 2.5% on the current year. Anticipated expenditure however is set at £15.82m in 1994 with income put at £9.78m.

The Council then learned that a rate increase of 18%; 15% increases on both domestic and non-domestic water charges and an increase of .50p per refuse collection tag was advised to cope with these figures.

"We have totally run out of options" added Mr. McNally, and we must now seriously consider disengaging from some areas of service."

The meeting was then told that redundancies may be necessary especially in the area of temporary staff. The suggestion of laying off 26 workers on the county roads and switching them for 13 full time staff met serious resistance, however, from several members.

Cllr. Paddy O'Callaghan warned the council of the "hardship and trauma" created by unemployment, "especially at this time of the year in the run-up to Christmas". Cllr. Coffey however felt "if it has to be, it has to be, we have to try to cover our own permanent staff".

Cllr. Billy Kyne proposed that the council contact the Minister for the Environment before making a final decision about the workers. "There should be an alternative for even one of the workers; he urged, "maybe a week on/week off basis or part-time". It was unanimously agreed to write to the Minister and highlight Cllr. Kyne's points.

Cllr. Kyne then went on to suggest that they should have quarterly financial meetings in addition to the estimates meeting. At least that way, he added, "we wouldn't be in the trouble we are today". "A yearly

meeting is a waste of time" he declared.

A proposal was then made by Cllr. O'Callaghan and seconded by Cllr. Jackie Fahey "to; 1. not let temporary workers ago and 2. not dispromote members of permanent staff to work on county roads while temporary staff are moved to National Primary roads".

The motion was deferred, however, and the chairman, Cllr. Con Casey said that the proposal could be put when they finally come to adopt a rate.

It was decided to convene again on 22 November, 13 days before the December 5 deadline to strike a rate.

## Primary Teachers "125"

Primary teachers throughout the country are celebrating the 125th anniversary of the founding of the Irish National Teachers Organisation and in the Waterford area "one of our own" has been invited to address members. Dungarvan's Michael Moroney, as General Treasurer of the INTO, has served the teachers of the country admirably during his 25 years at the organisation's headquarters in Dublin.

Michael has seen much change in Irish education and speaks highly of the INTO's contribution to the recent National Convention, where it was clear that Primary Teachers are proudly leading the discussions on many areas of national policy. The accumulated wisdom of the thousands who show commitment and dedication to their daily work in the country's classrooms was reflected at the convention.

While he is widely travelled and experienced in education and trade union affairs, Michael Moroney has not forgotten his native town, where he is remembered fondly. He is held in high esteem by teachers everywhere and says that he is eagerly awaiting his visit and the opportunity to address teachers from the Dungarvan, West Waterford and Waterford City branches of the INTO. "I look forward to sharing reminiscences of people and events at the county's many fine schools," he concluded.

## VILLAGE TOPICS

### OUR LOCALITY

The most southerly point in the parish is Ballinacourty Point where the lighthouse stands. Ballinacourty townland was once in the parish of Clonea. It extends from where the Goldcoast stands, in a northerly direction, touching the main road to Clonea Hotel and containing all the lands south of this except for the small townland of Kilgrovan.

Ballinacourty means "Homestead of the Mansion." The mansion in question is probably Ballinacourty House stand-

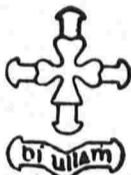

ing on part of the Quigley Magnesite land but it could have been the old clubhouse of Dungarvan Golf Club (demolished by fire) which was once a coastguard station. The golf club is now run by Goldcoast Holidays Ltd.

The entire peninsula is commonly known as Ballinacourty but north of the actual townland and adjoining the Clonea Road are the following townlands: Ballynahassery North (Homestead of the half ploughland N), Bally-

nahassery South (Homestead of the half ploughland S), Scart (Thicket), Scartore (Golden Thicket), Ballyrandle (Homestead of the Rundale), Acres (Acres), Tallacoolmore (Corner Summit big), Tallacoolbeg (Corner Summit little), Kilminion South (St. Minin's Church South), Garrynageragh East (Garden of the Sheep).

Except for Acres these are all Irish placenames. A second division of Ballyrandle is situated north of the Clonea Road, the Dungarvan Rugby Club grounds comprising most of it. A rundale was a division of land into adjoining strips.

### TROOP MEETING

Last week's meeting began with uniform inspection and both Tony and Mark reported back on a very good turnout with only the odd beret missing here and there.

As it was a cold night some run around games were played to warm people up followed by the candle game where each patrol had to light candles placed around the den in the fastest time possible. John Phelan's Tigers proved the best on the night with new scout Shane Carty showing some great skill at this game. Unfortunately this game ended abruptly when the A.S.L.'s matches ran out.

Each patrol were then given a large sheet of paper and a heading based on the Tracker Badge tests such as scout craft and prepared a flow chart on this theme in order to make it easier for the new Link Badgers to understand the testwork. There is no truth in the rumour that A.S.L. John Paul wanted to do a chart on the rules of the road or that S.L. Brian wanted to do one on bumper cars! S.P.L.'s Martin Whelan and Mick Verling finished the meeting as the S.L., A.S.L.'s P.L.'s and A.P.L.'s went to the church to do a practice run through of next Friday night's Mass for deceased members.

### NEWS

We welcome Tony Whelan back to the Troop after his "holidays" down under in "Oz". His team seems somewhat faded at this stage. No doubt the Irish summers will soon put it back!

### CAKE SALE

Parents are reminded that the den will be open between 4.30 and 6 p.m. on Saturday to receive donations for our cake sale to be held on Sunday outside Abbeyside Church after 10.30 and mid-day Mass.

### CUBS

Sunday, November 21 sees the cub section travelling to Melleray Scout Centre to take part in the Regional Cub Fun Day. A great day is promised for all and we should have a report of how things went for next week.

### SCOUT MASS

All scouts and cubs are to be in the Den at 7 p.m. this Friday night in full uniform for the annual Mass for deceased members and supporters of Abbeyside scouts which takes place at Abbeyside Church at 7.30 p.m. As always the general public are welcome to attend. — *Scribe*

## Abbeyside Girl Guide Notes

### BROWNIE WEEKEND [Code Name — "Murphy's Law"]

Last weekend eleven Brownies and two leaders travelled to Waterford for their Winter Weekend. The low number was due mainly to a sudden outburst of flu. Of those who attended two fell prey to the same virus while quite a few others suffered mild doses! Despite this and the atrocious weather conditions we managed to have an enjoyable weekend. We spent Saturday morning in Adventure Land and in the afternoon we travelled to Splashworld. Both these activities proved very popular and successful. After such a busy day, we all settled down to bed quite early and by 11 p.m. all you could hear was the occasional cough among the snores!

On Sunday we were welcomed to Mass by Fr. Martin Keogh. Afterwards we headed down to the "Beefy King" for dinner. After a good feed it was back to the Den for the final clean-up before heading home. We hope that following this wet weather everyone (including parents) now realise why we insist on top to cover wet weather gear!

### GUIDES

Don't forget to bring your sashes and badgework to tomorrow's meeting.

P.S. — Watch out there's something fishy about this week's meeting.

### SCOUT CAKE SALE

Next Sunday, November 21 Abbeyside Scouts will hold a cake sale outside Abbeyside Church after the Masses. We hope that all our members, their family and friends will support the scouts in this fundraising venture.

# Abbeyside-Kill Wedding.....

Pictured above after their wedding at Our Lady of Mount Carmel Church, Kill, are Mr. Sean O'Brien, son of Mr. and Mrs. John E. O'Brien, Monang, Abbeyside, and Miss Alison Power, daughter of Mr. and Mrs. Martin Power, Ballingarry, Kill. The Nuptial Mass with Papal Blessing was concelebrated by Canon G. Power, uncle of the bride, assisted by Very Rev. Fr. R. Doherty, P.P. and Very Rev. Fr. W. Carey, P.P. The reception was held in The Park Hotel.

## THE PUT DOWN

Prose writers, no less than poets and dramatists, took full part in the literary fray: Swift knew whereof he spoke.

I cannot but conclude the bulk of you natives to be the most pernicious race of little odious vermin that nature ever suffered to crawl upon the surface of the earth. — Jonathan Swift (1667-1745) in Gulliver's Travels.

## MARRIAGE

Congratulations are extended to Michael O'Sullivan, Lismore and Onra Enright, Tallacool, Clonea, who were married recently.

## Tress Causing Damage

At the recent meeting of Dungarvan U.D.C., the matter was raised by Cllr. Mary Dixon of the damage being caused by 43 year old trees in Murphy Place, Abbeyside.

The roots of these trees, declared Cllr. Dixon, were doing "serious damage to the footpaths." Furthermore she added, as the tress were not being kept pruned, the

branches were now "shading the streetlights."

"They should be allowed to be cut down if the residents so wish," Cllr. Dixon urged.

The Town Clerk, Mr. Bertie White agreed to review the situation and said he would look into the possibility of replacing the existing trees by a smaller, slower growing variety.

## A FUNNY STORY

The doctor decided to put Mrs. Mulligan on a diet. "You can have three lettuce leaves," he said, "one piece of dry toast, a glass of orange juice and a tomato."

"Very well, doctor," said Mrs. Mulligan meekly. "Do I take them before or after meals?"

# Englishman Pleads Guilty To Possession Of Cannabis

A District Court Judge said last Friday that while people from Britain and elsewhere will always be welcome in Ireland they most definitely will not be welcome if they bring the drugs habit with them into this country.

Judge Michael Pattwell was commenting at Tallow Dis-

trict Court where a 30 year old Englishman, Sean Huttley, with an address of Kilcronat, Ballynoe, Co. Cork, pleaded guilty to having possession of cannabis resin in contravention of the Misuse of Drugs Act on June 28 last.

The court was told that gardai found the cannabis resin in the defendant's car

which they searched at 2 o'clock in the morning in the village of Conna.

Convicting Huttley, Judge Pattwell said people from England, Scotland, Wales and elsewhere are more than welcome in Ireland. Sometimes, however some of them bring habits to this country that are not welcome

and which they then pass on to young Irish people.

"We have enough problems besides those that some people from other countries bring here," added Judge Pattwell who imposed a fine of £150 on the defendant.

Inspector Michael Blake prosecuted.

Sarah McGoey, Cobh and Tholim O'Leary, Colligan, Dungarvan who were married at Norwood Church, Cobh, recently. Fr. Donal Leahy officiated and the reception was held at RinnRonan Hotel, Cobh.

## BALLYDUFF NOTES

### BALLYDUFF MACRA NOTES

Last Wednesday night in Lismore Hotel our two Ballyduff teams did battle in the Senior Debating County final.

Battle is an understatement to describe the happenings. It was "brother against brother". Team A was Terence Kenny, Catherine Harris, Nial O'Brien and Martin Kenny. Team B was Dave Ahern, Pat O'Sullivan, John Kenny and Paddy Ahern. Both teams worked very hard defining words with the help of the Oxford Dictionary which we saw so much of that night. At the end the judges were nearly afraid to make a decision. But when they did, they complimented Martin's fine mind, Paddy Ahern got best speaker on the night and Team B won the title. So congratulations lads and I hope the eyes are opened after the final.

**Farm Tasks** — On Sunday 9 teams turned up to take part in the County Farm Tasks final. It started in the Hall where each team member had to answer a questionnaire. Then everyone hit for Glencairn where each team had to hang a gate or at least try; back a roller; stack and unstack a pyramid of round bales; lift a bucket on a stake with a loader and complete a power fencing

competition. Over all everyone did their best.

**Queen Of The Land** — The Queen of the Land competition is on all next week-end. It was hoped that we would bring a bus but there was insufficient interest shown. So there will be cars going up and anyone interested in travelling contact Martin at 60218. On behalf of the club I would like to wish best of luck to Catherine Leamy.

**County Macra** — The County are holding a quiz next Friday night in the Park Hotel. Ballyduff will have one team of brain boxes going down. Best of luck lads. On Sunday next the County Dairy Stock-judging will be on in Cappoquin, cars leaving the village at 7.00 p.m. There was a 45 drive on Friday night in Dungarvan. It was a great success and I'm sure there will be more. Congratulations to Willie Quinn and Colin Barry who were joint third on the night.

**Club News** — There will be Macra Capers practice next Friday night at 9.00 p.m. in the Hall. All involved please come. There will be no soccer in Conna next Friday night. There will be no woodwork course this Wednesday night due to the match. And finally anyone with affiliations not paid should please do so as soon as possible.

P.R.O.

### BALLYDUFF 45 DRIVE

## Charlie Who?

—ROALD DAHL CLASSIC IN BALLYDUFF

Roald Dahl must be every child's favourite author at the moment, and Ballyduff is as ever on top of the most topical, so it comes as no surprise to everyone that they are presenting a Roald Dahl Classic "Charlie and the Chocolate Factory" in Ballyduff on November 26, 27 and 28. This fun filled show promises to be a wealth of humour and magic. A family show, where the young will be enthralled and the not so young amused. Last year Jo Duffey from the "Gay Byrne" show popped in on this versatile, talented group and their subsequent radio programme was a great success. Schools are encouraged to book early for this

and see this Roald Dahl book come to life. Meet the Oompa Loompas, and the ever evil Slugworth and discover the magic formula of Willy Wonka's Chocolate. But who is Charlie? — in this presentation the character of Charlie is being played by Maurice and Joseph Coughlan, pupils of Colaiste an Chraoibhin. Maurice and Joseph are twins, both enthusiastic and excited about the forthcoming production, they would not divulge any information on the hidden secrets at Mr. Wonka's Factory!

So don't forget or you will regret not booking your seat in time for "Charlie and the Chocolate Factory." Ring 058-60208. See advertisement for details.

## Dungarvan Musical And Choral Society

## I.C.A. Hold Inter-Generational Afternoon

On Wednesday 10th November to celebrate the European year of solidarity between generations the Waterford Federation of the I.C.A. held an Inter-Generational afternoon at the Deise Centre, Dungarvan. It commenced with a table-quiz, competitors were from the Day Care Centre and pupils of local schools, many prizes were won. This was followed by afternoon tea, and at 3.30 p.m. we were entertained by four young ladies from Ballinroad district who gave a superb demonstration of Irish Step Dancing. This was a splendid afternoon with people of all generations enjoying one another's company. The afternoon was funded by the Irish Co-ordinating Committee and The European Commission.

## Dungarvan Dramatic Club

On Monday next, November 22 "Canaries" will open in the Park Hotel, Dungarvan. Monday night's performance is in aid of the Deise Day Centre and will be followed by a cheese and wine reception. So please come along and support this very worthy cause. An added attraction on the night is that the author Bernard Farrell will be in attendance. We welcome him to Dungarvan and hope he will enjoy his stay with us. Also a pre-theatre supper will be available in the main bar of the Park Hotel each night from 6.30 p.m. to 7.30 p.m.

As you see by now the members of the cast have fully immersed themselves in their roles! They have

been ably directed by Mary Kelly who, you may remember, directed the very successful "Stags And Hens" last year.

The cast is again as follows — Margaret Dennehy (Marie), Michael Hennessey (Tommy), Siobhan Buckley (Jane), Allen Flynn (Richard), Liz Morrissey (Erica), Micheal O Cionnfhaidh (Hans), Pat O'Halloran (Fergus), Hank Regan (Dad), Patricia Kiely (Contessa) and Brendan Morrissey (Carlos).

The play runs from Monday, November 22 to Thursday, November 25.

## Bridget King Wins Carling Voice Of The Pubs

At a packed clubhouse on Sunday last Bridget King (representing the Ormonde Hotel) was the inaugural winner of the Carling sponsored Voice of the Pubs Contest. Twelve contestants made it through to the final and it was one of the best night's entertainment in the club for some time.

The full house signs were up early as the contest got underway at 9.45 p.m. Each contestant seemed better than the next and certainly judges Noel Brennan, Mick Walsh and radio personality Timmy Ryan had a very hard job picking a winner from the ten contestants on the night. But when the winner Bridget King was announced, it proved to be a very popular choice. Her two songs "Power of Love" and "I guess It Doesn't Matter Any More" showed what a powerful voice Bridget has. We look forward to seeing her again at the Gala Variety Concert at the Park Hotel on Sunday, December 19.

Paddy Buston, Carling Rep., presented Bridget with the Carling trophy and a cheque for £100. Our thanks to all the contestants for a wonderful night's entertainment, to the judges, the band Ivory Sound and M.C. Tony Wall, who did a great job on the three nights. Not forgetting special guest artist, the one and only "Alfie".

The finalists in order of appearance were: — Joe Pratt (Soccer Club), Mary Hughes (Dick's Bar), Jenny Quinn (Bally Inn), Bridget King (Ormonde Hotel), Sylvia Flynn (Paddy Foley's), Pat Langan (Pat McGrath's, Ardmore), Derek Lanigan (Shandon Arms), Deirdre Murphy (Central Bar), Sean Wall (Bally Inn), Buddy Power (Park House).

Two contestants Ann O'Donnell (An Gabha) and Christy Havens were unable to take part due to 'flu.

## Gratitude Extended To Retired Duo

At the monthly meeting of the D.U.C. last week, Cllr. Austin Hallahan expressed his gratitude to two retired members of the council staff, Paddy Finn and Sean Sheehan for their diligent work in improving the area. Cllr. Hallahan described them as being "consistent men" who had helped Dungarvan to increase its marks for the Tidy Towns Competition.

Cllr. Billy Kyne also commended the duo and wished them both well in the retirement.

## RECENT DEATHS

### LATE MR. JAMES WHELAN

It is with deep regret we pen the passing of Mr. James (Jimmy) Whelan, Marian Court, Clonmel and late of Harney's Cross, Co. Waterford, which sad event took place at St. Joseph's Hospital, Clonmel, on Thursday, November 11.

A shoe-maker by trade for many years he had his place of business at Bridge Street, Clonmel. Deceased was a member of an old and most respected North/West Waterford family. A thoughtful neighbour, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was a true gentleman in every sense of the word and a host of friends who appreciated his company, his advice or his assistance in any way now truly and justifiably grieve for the void his sad demise leaves. Although he carried a handicap since birth (he was dumb), he loved the game of 45 at which he was an expert player. He also followed the fortunes of Waterford G.A.A. affairs. That his memory will long be cherished by all who knew and respected him was evidenced by the large and representative concourse of mourners who attended the removal of his remains on Friday evening from Condon's Funeral Parlour, Clonmel, to the Parish Church of S.S. Peter and Paul's, Clonmel. On Saturday morning Requiem Mass was celebrated for the repose of his soul. After Mass the funeral took place to the family burial ground in Gambonsfield Churchyard where a friend of the people was laid to rest.

To his brothers and sisters we tender our sympathy.

### LATE MR. DAVID QUINLAN

Much sadness was felt in the district at the news of the regretted death which took place at St. Joseph's Hospital, Clonmel, on Thursday, November 11 of Mr. David Quinlan, Kilsheelan and late of Manginstown, Carrick-on-Suir.

Deceased was a member of a family highly esteemed among the farming community. He was a gentleman endowed with all the true Christian traits of character, he was a thoughtful neighbour possessed of an exceptionally kind and gentle, unassuming and courteous disposition. Accordingly, he is deeply and justifiably mourned by all who were indeed privileged to know him. Testifying to the esteem in which deceased and his family are held in the district a large and representative concourse of mourners attended the removal of his remains on Friday evening from the Mortuary of St. Joseph's Hospital, Clonmel, to the Parish Church, Gambonsfield (Kilsheelan).

On Saturday morning Requiem Mass was celebrated for the repose of his soul. After Mass he was laid to rest in the family plot in the adjoining cemetery, again in the presence of another large concourse of mourners paying their final respects to a Christian friend.

To his wife, his son and daughters, his brothers and sister we extend our sympathy.

### LATE REV. FR. EDMUND SHINE P.P.

The death has taken place of Very Rev. Fr. Edmund Shine, P.P. of St. Philips Kersal, Salford, England and late of Ballylaffin, Ardfinnan. On Sunday evening his remains were removed from Costigan's Funeral Parlour, Cahir to the Parish Church, Dunhill. Celebrated Mass was offered for the repose of his soul on Monday evening after which the interment took place in the adjoining cemetery.

(Full obituary next issue.)

### LATE MR. RICHARD MOORE

A wave of sadness was cast over the district on Saturday morning last with the news of the death, which occurred at St. Joseph's Hospital, Clonmel, of Mr. Richard (Richie) Moore, Deerpark, Ballymacarbry.

Deceased in his late eighties was one of the surviving members who were the founders of Fourmilewater Hurling Club back in 1926. On Sunday evening his remains were removed from O'Donoghue's Funeral Home, Clonmel to St. Laurence's Parish Church, Fourmilewater. Requiem Mass for the repose of his soul was celebrated on Monday after which the funeral took place to the Ancient Burial Ground at Cillcloggin where interment took place.

(Full obituary next issue.)

## PERMISSION FOR TRANSMITTER WITHDRAWN

Some time ago permission was given to Cork Communications Group by a Ballymacarbry farmer to erect an M.M.D.S. transmitter. We understand now that all that permission has been withdrawn, after a host of opinions were expressed by worried people about the effects Microwave Transmission would have in the surrounding areas.

## PLANNING PERMISSION BREACHED

The people of Ballymacarbry discovered at last week's County Council meeting held in Dungarvan that they are guilty of erecting a small Booster Relay Station in the wood at Deerpark over looking the village of Ballymacarbry in October 1987. # W.D.P. Reports Significant Progress

A progress report for the Waterford Development Partnership was launched last week by the Minister for Food, Mr. Brian O'Shea, T.D. at a reception in the Park Hotel.

The WDP, which reported significant progress in the achievement of their original aims also announced the exciting news of the siting of an EC Carrefour Centre in Dungarvan by the end of this year.

In his speech Minister O'Shea said he was delighted to launch the report and described the WDP as a "community response to unemployment", with the aim of "locally based dynamic organisation".

WDP Chairman Mr. John Moloney of Waterford Foods reiterated the sentiments of Minister O'Shea and reported that 95 sustainable full time jobs had been created as a result of the efforts of the Partnership.

Over 300 unemployed people have received training from the Partnership in one form or another and very significant community efforts have been mobilised to aid the tourism drive in the area.

### FUNDING

The WDP, formerly the West Waterford Development Partnership was born out of the Programme for Economic and Social Progress in 1991. Its eighteen strong board is made up of representatives of the social partners, the community and the state sector.

To-date, the company has received £300,000 from the EC and £69,000 from the Enterprise Trust. From this funding the Partnership offers a "package of support to people to minimise the threat of failure." A complete aid package includes training, financial aid, management assistance and the provision of relevant information and contacts.

£176,000 has been allocated to enterprise projects; £66,000 has been allocated to tourism projects; £45,000 has been allocated to services for the unemployed and a further £43,000 has been allocated to training. This leaves a balance of £38,700 currently being considered for allocation.

Included in the allocation of funds is a low interest rate revolving loan, available to certain business projects assessed by the WDP.

### DUNGARVAN CARREFOUR CENTRE

Serving a 5 county area, the new Carrefour Centre is

an EC supported information service specially intended for rural areas at local level.

There are 26 such Carrefours across Europe and the new Waterford Carrefour is the second for Ireland with the first Irish Carrefour set up in 1989 at U.C.G.

Mr. Aidan Dempsey of Waterford Foods described the Carrefours as bringing "a new lease of life to rural communities"

The Centre which will be operated as a joint venture with Waterford Foods plc will provide relevant information on all aspects of EC policies and measures to anyone interested in European affairs, i.e. business, agencies, community groups, schools etc. It is expected to be operational late this year.

Concluding the launch of the progress report, Minister O'Shea noted that the Partnership is now co-ordinating the country's application for the second round of LEADER funds from the European Commission. On behalf of Mr. John Moloney formally thanked the Department of the Taoiseach, ADM Ltd., the European Commission, the Enterprise Trust and Waterford Foods for their contributions to the work of the Partnership.

## Fined For Possession Of Cannabis

A 42 year old defendant, Philip Walton, Coolbeggan, Tallow, was fined £250 by Judge Michael Pattwell at Tallow District Court when he pleaded guilty to being in possession of cannabis resin on May 18 last contrary to the Misuse of Drugs Act.

The court was told that gardai searched Walton's home and seized a quantity of cannabis resin that would make 147 cigarettes.

Sgt. John Molloy said the cannabis was strictly for Walton's own use. He described the defendant as a recluse who doesn't socialise.

Having commented on the sizeable amount of cannabis seized, Judge Michael Pattwell imposed a fine of £250 on the defendant.

Inspector Michael Blake prosecuted.

## CAPPOQUIN SNOOKER CLUB NOTES

### 'The Maurice Kelleher Perpetual Trophy'

Holder: Michael Doherty  
The results of the quarter finals of this tournament are as follows: Best of 5 frames Ward Fraher 3 Anthony Keniry 1; Tom O'Brien 3 Niall Maher 0; Robert Allen 3 Christy Dalton 0; Michael Doherty 3 John Stapleton 0.

This tournament, as all others, will operate the open-draw type system i.e. matches drawn after every round.  
Results of semi-finals are as follows: Best of 7 frames Michael Doherty 4 Robert Allen 0; Tom O'Brien 4 Ward Fraher 1.

Match report - Doherty versus Allen

As can be seen from the scoreline this was a very one-sided game. Allen showing great form in his previous match against Christy Dalton could not repeat that same form against Doherty. The first frame was a very even game until Doherty came to the six colours and pulled out all the stops to snatch the vital first frame. Allen was never in the match after that, but seeing that he is only just two seasons in the club he will, no doubt, go a long-

way in future competitions in the club.

Match report — O'Brien versus Fraher

This game was very close in the early stages with Fraher putting up a good fight in his first semi-final in the club. But, it was the consistent long potting from tight on the back cushion that really sealed it for O'Brien. O'Brien has now only dropped one frame on his way to the final. This will be O'Brien's second consecutive final since he began playing only last year.

The final of this event will be played on Sunday 21st November at 2 p.m. over the best of 13 frames. It features Michael Doherty and Tom O'Brien which is in fact a repeat of last season's "Jameson Cup". Last time it was O'Brien who edged out Doherty by six frames to five frames.

Can Doherty even up the score in what should be a very closely fought match? All are welcome to see the game.

Any one interested in "joining up" can still participate in many good tournaments that are played over the season. Membership remains £5 for school goers and unemployed £10 for adults and employed.

Everyone are more than welcome to play on these magnificent tables in the club.

**A RECORD FOR CAPPOQUIN?** — Three sets of twins who are attending the Junior Infants Class at Cappoquin School. From left — Tina Coffey, Bree Coffey, Stacey Power, Keith Power, Aine Hennessy, Nollaig Hennessy.

## CAPPOQUIN F.C. NOTES

### MORRISSEY'S HAT-TRICK CLINCHES THE POINTS

**Pinewood Rangers 1 Cappoquin A 3**  
On Sunday morning last we travelled to Pinewood and as you can see from the scoreline a very good team performance saw us take both points.

We scored our first goal after twenty five minutes when Rhiney Walsh crossed to Dean Morrissey who slotted the ball past the advancing keeper.

Ten minutes later Wattle Moore put Fintan Murray through on goal. Fintan was tripped just inside the box and Dean Morrissey netted the resulting spot-kick. We were pleased to be two-nil up at the break considering we had faced a very strong wind throughout the opening forty five minutes.

In the second half we had the majority of the possession and as a result Dean Morrissey completed his hat-trick in the 70th minute.

Pinewood pulled a goal back with ten minutes remaining and that's how the scores remained.

Team — Liam Morrissey, Liam Lacey, Ken O'Donnell, Darren Mason, Garry Morrissey, Brian Murray, Fintan Murray, Anthony McCarthy, Wattle Moore (Capt.), Dean Morrissey, Rhiney Walsh. Sub. — Dave Power for Garry Morrissey.

Superb Second Half Performance Seals Victory

**Cappoquin B 3 Bride View United A 1**  
Our B side recorded their first league win of the season in Tourin on Sunday against the inform Bride View United A.

The teams were scoreless at the break thanks mainly to Billy Tobin's safe handling from a Bride View free kick.

All the action seemed to take place in

the second half. Conor O'Leary put Eugene McLoughlin through for our first goal after fifty five minutes. We were two up shortly after the hour when Mick Walsh was taken down inside the box having already beaten a couple of defenders. Mick scored himself from the spot kick.

Bride View got back into the game after this and made the score 2-1. However, Michael Lacey sealed victory for us with only a few minutes remaining. Lacey scored the best goal of the game (and let's face it probably the best goal he's ever likely to score). Beating a Bride View defender he then slotted the ball neatly past the advancing keeper. This was undoubtedly our best performance of the season so far. Hopefully we can now build on this win and start climbing the table. Best for us on the day were Mick Walsh, Pat Cullen, Billy O'Shea and Conor O'Leary.

Team — Billy Tobin, Seamus McCarthy, Michael Morrissey, Mick Walsh (Capt.), John Cahill, Shane Fraher, Pat Cullen, Michael Lacey, Eugene McLoughlin, Billy O'Shea, Conor O'Leary. Subs. — Mick McCarthy, Paddy Leahy, Michael Looby.

**This weekend's Fixtures** — Our A side are at home to Inch. Players take note this match kicks off at 11 o'clock. Match, Rhiney will give you directions to the pitch.

The B side are away to Pinewood Rangers.

**Answer To Last Week's Question** — In his 42 internationals for the Republic Niall Quinn has scored ten goals. Hopefully he can add one or two more against Northern Ireland and silence Jack Charlton's critics.

**This Week's Question** — When did Manchester United last retain the League Championship?

## AFFANE A.F.C. NOTES

### AFFANE 6 GLENVIEW CELTIC 4 GLAVIN GETS FOUR

We were away last Sunday and came away with two points. With 5 minutes gone we were one nil up with a fine header from D. Glavin who put the ball in the top corner of the net. After the kick off Glenview came at us and scored making it 1-1. With 10 minutes to the break D. Glavin got his second making it 2-1. We got a couple of more chances before the break but could not put them away. We came out in the second half and scored almost straight away, yes that man again D. Glavin making it 3-1. Glenview came at us and scored again making it 3-2. With 20 minutes gone D. Glavin got his fourth goal making it 4-2. P. J. Veale and K. Veale were our other goal scorers. Overall a lot of our players failed to strike form.

Fair play to Glenview they only started off with 9 players but for most of the the game they fought hard and deserved every goal they got.

Team — T. O'Sullivan, T. Stapleton, B. Dunne, J. Buckley, K. Veale, T. Mansfield, T. Ormond, P. J. Veale, D. Glavin, T. Henneby. Sub. — J. Crotty for J. Collender.

## AFFANE-CAPPOQUIN G.A.A. CLUB NOTES

**Gate Collection** — The following will be on duty for week commencing Sunday 21st November — E. Fraher, M. Power, and L. Costin.

**Last Sunday** — The club had the honour of being host to the Waterford v. Tipperary National Hurling League game on Sunday. While we were delighted to have the game, it involved a considerable amount of preparation, especially on account of the weather conditions on the previous days. We are most grateful to groundsman Moss Morrissey and caretaker Tom Buckley who, together with our Fás workers, managed to get the pitch in first class shape. We had a large number of helpers on the day itself. Our members were involved in collecting cash outside the ground and stewarding inside. A number of young enthusiastic boys and girls sold programmes and operated the scoreboards.

A special word of thanks is due to Tony Morrissey and the other Co. Board personnel for their help and cooperation. We requested help from a couple of local clubs and this was readily forthcoming. The Affane Parochial Hall committee helped out with some much needed furniture.

The match programme was put together by County P.R.O. John Jackson who also contributed an article as did Abbeyside man Tony Mansfield. A number of local traders placed adverts in the programme which was incidentally a sell out.

To one and all we say go raibh mile maith agaibh.

## WORK DONE

A week or two ago in these notes we commented on the fact that the sign indicating Community Alert had not been put in place. We are pleased to be able to report that the work has now been done and that the signs are there for everybody to see. A word of thanks is due to road overseer Jim McGrath and his staff who were responsible for this phase of the operation.

Lindsays still lead the way after the fourth series of games in the first division. Lindsay's travelled to Ardmore to take on Paddy Mac's A and had to fight all the way for a 5-3 victory. The Village Inn A were away to Morrisseys A and got a 4-4 draw to remain in second place two points adrift of the leaders. Paddy Mac's A are now five points behind the leaders in third place with Morrissey's A a further point adrift.

Deckies had a 6-2 win at home against Kereen to leave both clubs level on the bottom with the Tavern who had a 5-3 win over local neighbours Lalors. Lalors are just one point ahead of the bottom trio.

In the second division the Deise Bar are still on top after a 5-3 win at home against Morrisseys B. The Village Inn B won 6-2 at home against the Castle Lodge and are two points behind the leaders as are the Overflow Inn who defeated the Red House by 5-3. The Cruiscin Lan are also two behind the leaders after their 6-2 win at home against Paddy Mac's B.

# "REMEMBERING OTHER DAYS"

This week for our "Remembering Other Days" feature we go to the West of the County, to the Cornerstone town of Cappoquin. The street scene shows what was then known as North Main Street, now known as Main Street. The photograph was taken in the early part of the century and the bare sky line emphasises the absence of wires of any kind, either telegraph or electricity, which in modern instances tend to dominate photographs of this kind. The famed Corner Stone is situated at the front of the gable end of this building on the corner at left, then known as Blackwater Hotel and now known as the Blackwater House Public House.

On the right front of the photograph is the premises known as the Market House, now the shop owned by John McGrath. The photo was taken from the Square, the camera pointing towards Melleray and in the distance is Walsh's Hotel which survives to this day. The houses beyond the hotel (Barrack Street), have been demolished. Ryan's Woollen Mills were situated on the left of the street and subsequent to this, Sargent's Garage & Petrol Pumps became a well known landmark, again on the left side of the street.

Readers are asked to note the fashions of that day, the horses and carts, the principal modes of transport at the time and the lone hen in the centre, front, pecking for food. A real historical photo this.

## Accommodation For Homeless Growing Problem

Before the meeting of Dungarvan Urban District Council last Monday was a document from the Department of the Environment regarding the provision of accommodation for homeless people.

Under section 10 of the Housing Act of 1988, housing authorities now have a range of responses to meet the needs of persons who are regarded as homeless.

These are:

A. to make arrangements with approved bodies for the provision of accommodation for homeless persons.

B. to provide assistance, including financial assistance to homeless persons, and

C. if necessary, to rent accommodation, arrange lodgings or contribute to the cost of such accommodation or lodgings.

Cllr. Austin Hallahan welcomed the document but said he would like to see "activity rather than reports" in this area. "The local authority and the Health Board", Cllr. Hallahan urged, "should get together and do something positive such as building a

shelter for these homeless persons". The problem he felt "is not going to get better, but worse".

Cllr. Hallahan further pointed out the non-mention of homeless young boys in the report which he stressed is an increasing problem with so much unemployment. At present he said, there is a centre in Waterford city which deals with young homeless women and battered wives.

The Chairman, Mr. Tony Wright expressed his concern that after 5 p.m. there was no social worker on duty to deal with homeless cases. "Surely" he added "problems are more likely to arise at night time".

Cllr. Paddy Power, supported the Chairman and suggested the construction of a hostel run in combined effort by the Urban District Council and the Health Board.

This, Cllr. Hallahan agreed "would alleviate lots of problems".

Cllr. Kyne, however, a member of the Health Board, stated that caution must be exercised as such a hostel

may be "too open to people and encourage people over 18 to use it as an excuse for one night".

It was agreed that Cllr. Kyne should ask the Programme Manager of Community Care, Mr. Dermot Halpin, for a resumé of emergency referral procedures be discussed at the next months meeting.

### VOTES OF SYMPATHY

A formal vote of sympathy was passed by the members of the Urban District Council last Monday to the families of the late Pat Tobin and P. J. Rossiter. Votes of sympathy were also extended to John O'Flynn county engineer on the death of his mother Mary O'Flynn, to Helen O'Grady on the death of her husband Stephen O'Grady and also to Denis McCarthy (senior executive engineer) on the death of his mother Mary McCarthy.

The members of the Council were unanimous in expressing their heartfelt sympathy and the Chairman Cllr. Tony Wright adjourned the meeting for five minutes as a mark of respect.

## PROPOSED WORKS OF C.E.D.P.

On the agenda for the November monthly meeting of the Dungarvan Urban District Council held last Monday night, were the proposed works for the Community Employment Development Programme 1993/94.

Commenting on the scheme the Town Clerk, Mr. Bertie White stated he was pleased with the results obtained thus far and congratulated both the supervisor, Mr. Gabrielle Foley, and the participants, who he said have "developed a wide range of skills" during the course of the programme.

The scheme currently involves 24 workers and Cllr. White added that he hopes to recruit a secretary to the scheme supervisor with a view to developing computer skills.

Examples of the proposed works for C.E.D.P. include;

- the continuation of work at Fr. Twomey's Road which is being resurfaced this week,

- the development of new floral displays in the urban area,

- general site and beach cleaning,

- the completion of works at Clonea Road,

- maintenance of St.

Mary's Church graveyard, the Sports centre and also the pitch and putt course at Ringnasilloogue.

Cllr. Billy Kyne also commended the scheme, stating that it encourages employers to recruit the C.E.D.P. participants.

## Jail Sentence For Stealing Cheques

A 26 year old Co. Waterfordman who stole two cheques from the woman he was working for and subsequently obtained £1,750 by cashing them, was sentenced to a total of twenty one days imprisonment by Judge Michael Pattwell at Dungarvan District Court.

Michael Hennessey, Kilmacnagrange, Kilmacnagrange, pleaded guilty to three charges and was given three consecutive seven-day prison sentences.

Inspector Michael Blake said Hennessey had been doing odd jobs for the woman he stole the cheques from. He subsequently uttered them at Dungarvan Credit Union and obtained a total of £1,750.

# RECENT DEATHS

## Mrs. Pauline Jones

It is with deep regret we record the passing of Mrs. Pauline Jones (née Barry), Congress Villas, Dungarvan, which occurred at St. Joseph's Hospital, Dungarvan, on Sunday morning, November 7, after a rather lengthy duration of illness. The deceased was wife of Francis (Fran) Jones and was a member of a very old Dungarvan family. She was a gentle and retiring person which won for her wide popularity. She was an employee of Messrs. Thomas Power & Co., St. Brigid's Well Brewery prior to her illness where she also enjoyed the admiration of the management and her fellow employees.

Our deepest and sincere condolences are extended to her husband Fran, her brother Kevin Barry who is domiciled in England, her nephews, nieces, cousins, relatives and friends.

Her remains were removed to St. Mary's Parish Church on Monday evening after the Rosary and prayers of requiem were recited at the hospital mortuary by Rev. Fr. J. Kiely, C.C. On arrival at St. Mary's Parish Church her coffin was blessed and received by Rev. G. McNamara, C.C. and Very Rev. J. Canon Power, P.P.

Requiem Mass was offered on Tuesday morning for the repose of her gentle soul and the interment then took place in the adjoining cemetery. Fr. Kiely was celebrant of the Mass and also imparted the final absolution at the graveside, assisted by Fr. McNamara. Large attendances were present at the obsequies.

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Late Anna Grace Power

It is our sad duty to place on record the death of Anna Grace Power, St. Monica's, Belvedere Place, Dublin and formerly Ardfinnan which occurred on Tuesday night, November 9 at the Bon Secours Hospital, Glasnevin, after a rather short period of illness and at an advanced age.

The deceased was matron of the Richmond Hospital, Dublin for many years prior to her retirement, where she gave wonderful and painstaking service, always with a deep and consoling attitude towards the patients under her care. She was a native of Ardfinnan where her father was Medical Officer in the area for many years.

The late Anna Grace Power was the last surviving member of her family. After retiring from work she resided at St. Monica's Private Nursing Home, Belvedere Place, Dublin until her final illness when she was hospitalised at the Bon Secours Hospital, Dublin.

We would like to join the many who already sympathised with her nephew, nieces, cousins, relatives and her legions of lifelong friends. May she rest in peace.

Her remains were removed on Thursday to St. Mary's Parish Church, Dungarvan and on arrival were blessed and received by Rev. G. McNamara, C.C., assisted by Rev. G. O'Connor, C.C., Clashmore.

Concelebrated Requiem Mass was offered on Friday morning by the same clergy and the interment then took place in the adjoining family plot. Fr. McNamara, assisted by Fr. O'Connor, officiated at the graveside.

Very many Mass cards and some beautiful floral tributes were placed on her grave.

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Paul Murphy

We record with sincere regret the death of Mr. Paul Murphy of "Hy Brasil," Ballinacourty, Dungarvan, formerly of Tig An Cheoil, Ring and Tramore, which occurred in England on Monday, November 1 as the result of a tragic road accident. He and his wife Kitty were on holidays there with their family when the tragedy occurred. He was 71 years of age.

He is survived by his wife Kitty, sons Tom, Paul and Ray, daughters Bernie and Maria, sons-in-law, daughters-in-law, twelve grandchil-

dren and one great-granddaughter; also by his sisters living in Tramore, brothers and sisters living in Halifax and Australia, brothers-in-law, sisters-in-law and many nephews and nieces.

His death has come as a great shock to all of them and they are still trying to come to terms with it and we extend our condolences to them.

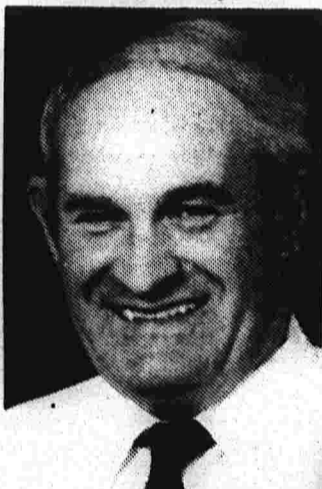

Paul is probably best remembered for his years in "Tig An Cheoil (1975 to 1985) for starting the Old Peoples Christmas Party and the Darts Club. He worked for Quigley Magnesite for a few years before joining Stafford Miller when they opened their plant on the Youghal Road.

He was of a happy and most easy going disposition and loved his fishing and a pint, and always had time for everyone. His most frequent expression was "no problem" — that was the sentiment that most adequately described his life. No matter what anyone wanted or needed, it was "no problem."

His funeral was a tribute to the great esteem in which he was held. He was buried on November 6 in the family plot in Tramore with his parents and even though he had not lived there for almost forty years, friends from far and near came to pay their respects and accompany him to his final resting place.

Paul Murphy will be sadly missed and never forgotten

## Mr. Stephen O'Grady

News of the sudden passing of Stephen O'Grady which occurred at his residence 70, Springfield, Dungarvan, very early on Sunday morning, November 7, was received with feelings of shock by all who knew him.

A native of Scart, Ballinacourt, Stephen was in his early 50s and he was his usual jovial self when he was taken ill and died.

He was a member of the driving staff of Dungarvan Joinery where he was extremely popular with the management and his fellow workers.

He was a great supporter of the GAA, particularly the Colligan Club with whom his son Thomas is a valued playing member.

Stephen himself was a

noted darts player with Dunnes Bar, Touraneena, and the Friday night before his sad passing he was a member of the team that brought home the honours from Ardmore. He also enjoyed a game of 45 which he played diligently every Sunday night in Dunnes.

One of nature's gentlemen, he was a genuine friend to all who came to know him and his passing has been the cause of great sorrow to all.

A loving husband and father his untimely passing came as a grievous blow to his sorrowing wife Helen and family and his relatives to whom we extend deep and sincere sympathy on their tragic loss.

Following Rosary recited by Very Rev. G. Power, P.P., removal was from Drohan's Funeral Home on Sunday evening to Kilbrien Church where the remains were received and blessed on arrival by Very Rev. R. Doherty, P.P.

Following funeral Mass on Monday morning celebrated by Fr. Doherty, assisted by Fr. Butler, Fr. Kennedy, P.P., Fr. Connolly, C.C., Fr. Kelly, C.C., Fr. Lloyd, C.C. and Mons. Lannen, burial took place in the adjoining cemetery.

Fr. Doherty officiated at the graveside, assisted by the full choir of clergy in the presence of a huge cortege. A guard of honour was provided by Colligan GAA Club and the Readings were read by his son Thomas, and nephew Billy. Appropriate hymns were sung by Willie White and Dessie Norris.

The chief mourners were — Helen (wife), Thomas (son), Helen (daughter), Monica (daughter-in-law), Christopher (grandson), Jamie (brother), Kitt (sister), sisters-in-law, brothers-in-law, nephews, nieces, relatives and his many close friends.

(Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.)

## Mr. Richard Burke

It was with deep sadness and shock news of the sudden death of Mr. Richard Burke (Junior), Cappagh, reached his many friends. The sad event took place on Monday, November 1, at Kilrush in the arms of his beloved sister Catherine. Richard, who was 21 years of age, was a very popular young man. Although his

life was short when measured in years, he enjoyed every minute of the time he had. He loved his work and enjoyed nothing better than a jar and a song-song with his young friends. He will be sadly missed by his heartbroken parents and family.

His funeral took place from Drohan's Funeral Home on Tuesday evening to Ballinameela Church followed by an immense cortege where they were received and blessed on arrival by Fr. O'Bryne, C.C. Following Requiem Mass on Wednesday, November 3, celebrated by Fr. O'Bryne, assisted by Fr. Lucy, P.P., Fr. O'Connell, C.C. and Fr. Kiely, C.C., interment took place in the adjoining cemetery, again in the presence of a huge gathering. The Litur-

gy of the Word was read by Richard's brother Tom and sister Catherine. The prayers of the faithful were read by Richard's girlfriend Una Nugent and cousin Patricia Veale. Richard's sister Helaine, girlfriend Una, sister-in-law Christina and brother Kenneth took part in the Offertory Procession.

Chief mourners — Dick and Joan (parents), Tom and Kenneth (brothers), Helaine and Catherine (sisters), Una (girl-friend), Roger McGrath and Jimmy O'Brien (brothers-in-law), Christina (sister-in-law), Annie and Rachael (nieces), Shane (nephew), Berty Keane (grandfather), aunts, uncles, cousins and his many friends.

(Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.)

## LISMORE BADMINTON CLUB NEWS

Our first division men kept their hopes very much alive last week with a fine 3-1 win at home to Dunmore. Pa, Colin, Denis and Brian were in very determined form here. Let's hope they can keep it up for

the next couple of weeks. Our 2nd division ladies are unstoppable at the moment. With Angela subbing for 'flu victim Nora they played some great games. Breda and Angela won 15-7, 15-6. Ann and Mag 15-

13, 15-8, Breda and Ann teamed up for a devastating 15-4, 15-3 win. The home supporters encouraged May and Angela and having lost the first set 10-15 they duly replied with a 15-12, 15-6 win to leave the score Lismore 4 Dunmore 0. With just two games left to play the girls are looking good.

The 3rd division ladies redeemed themselves a little on Tuesday night when they came away with 3 points from Old Parish, not an easy feat at the best of times. When Jo Jo and Angela were narrowly beaten 15-14 in the first game the going looked tough but Breda and Connie got the ball rolling with a straight sets win and Angela and Breda and Jo Jo and Connie duly followed with the same to finish 3 games to 1. These girls are two points behind the leaders and need to keep their winning ways to have a chance of a title.

5th division ladies once again claimed 4 points away from home. This time Tourin were their opponents. The way Rena, Jacinta, Sharon, Yvonne and Ann are playing at the moment their league opponents most certainly won't be looking forward to facing them.

## LISMORE C.B.S. SPORTING SUCCESS

On Wednesday last in Stradbally Lismore C.B.S. Secondary School created history for the school, when for the first time ever the school participated in The Dr. Harty Cup - the Blue Riband of Colleges hurling - and defeated De La Salle, Waterford and now face the current holders Sexton Street C.B.S., Limerick in the next round. This was a fantastic performance by the college team and all past pupils must feel very proud to have their Alma Mater mixing with the elite of Munster Colleges hurling.

Last week also Lismore defeated Tramore C.B.S. in the Munster Colleges soccer championship in Lismore. After both sides finished level 2 goals each Lismore won the penalty shoot out to both teams and we wish them the best in their next rounds.

## C.L.C.G. - LIOS MOR NOTES

Mark O'Sullivan, Man of the Match in the County Senior Hurling Final with his award and the County Final Cup. Also included are Mossy Hyland, Lismore Club Life President (on right) and Declan Doocey, Decie Fuel, Lismore, who is the club's chief sponsor.

### Junior Football Final

The Western Junior Football final between Kilgobinet and Lismore has been finally fixed for Cappoquin this Sunday afternoon. Lismore must play to their full potential if they are to be successful. Kilgobinet are fancied and the two games against Old Parish should stand to them. Nevertheless we are hopeful that our footballers under the guidance of Will O'Donnell, Joe Tobin and Brendan Prendergast may upset the odds. We want your full support on Sunday at Cappoquin.

### Inter County Duty

Lismore had two senior players on Inter County duty last Sunday at Cappoquin in the Division 1 Senior Hurling League. Full credit to Mark O'Sullivan (Capt.) for playing at captains role. Mark played extremely well and was not over awed when given the task of marshaling Pat Fox of Tipperary. On the day Fox was out foxed by Mark and was given little room. Paul Prendergast played well when brought on

in the second half. Waterford could have won this game but was deprived of the 2 points by the Tipperary goalkeeper who made some excellent saves. Jimmy O'Gorman county senior hurling selector and Munster representative must be somewhat disappointed as having played 3 games we have only one point where we could have had 5. Fixtures — Sunday week, 27th November at Walsh park, U-21 hurling final.

## LISMORE SOCCER NOTES

On Sunday morning last we had Ballyduff as visitors to the Castle Farm grounds. After some early pressure from the away side we finally got to grips with our opponents and Barney Prendergast was very unlucky not to score just before half time.

We were a totally different side in the second half and created chance after chance. However, it took a superb 25 yard drive from one of our youngsters on the side, Dave Bennett, to seal Ballyduff's fate. A very important win for us and hopefully a springboard to better things with some outstanding displays through the team with Dan Shanahan, Dave Bennett, Barney Prendergast and Tommy Pratt all exceptional. Final score Lismore 1 Ballyduff 0.

Team — M. Fitzgerald, P. Fitzgerald, B. Shanahan, T. Pratt, D. Landers, P. Bennett, B. Prendergast, P. Quinn, D. Shanahan, A. Maher, D. Bennett. Subs. — S. Daly and K. O'Gorman.

Next Sunday we have Killeagh as visitors to Lismore, kick off 11.30. Players are asked to be in the dressing rooms no later than 11 o'clock.

##### DIVISION TWO

Due to a death in the Youghal club our Division Two game v. Youghal was called off.

##### CHALLENGE GAME

### United Too Strong For Applied Magnetics

#### Bride View United 7 Applied Magnetics 2

The homeside proved too strong for our visitors from Dublin namely Applied Magnetics. Although United had most of the play in the first half they only found the net twice. The first came in the 16th minute when Dominic Power scored a fine goal and Mickey Curley made it 2-0 when he scored from the penalty spot in the 19th minute to give United a 2-0 lead at the break.

Applied Magnetics fought back and Joe Daly scored for them 9 minutes into the second half. At this stage it looked as if it would be a close game but this goal urged on Bride View. Francis Murphy went on to grab a hat trick. Mickey Curley was not to be outshone and he too grabbed a hat trick. In between these goals Brian Longan scored for the visitors.

##### LADIES CHALLENGE GAME

### Bride View Defeat Applied Magnetics

#### Bride View United 6 Applied Magnetics 1

United's girls defeated our visitors, Applied Magnetics, before a big crowd on Sunday afternoon. Bride View were 3-0 up at the break thanks to Angela Curley, Mary Pratt and Mary Murphy. The scoreline does not do justice to the girls from Magnetics as they went close on a few occasions.

Mary Pratt and Ann O'Brien increased United's lead before Eileen Martin pulled one back for the visitors from the penalty spot.

Mary Murphy finished off the scoring for United in this very entertaining game. Our thanks to Applied Magnetics for a very sporting game.

## TRIBUTE TO NICHOLAS BARRON

Born in U.S.A. as a young boy of just 15 years Nicholas Barron came to Ireland to the home of his father in Kilmore. Nicholas quickly adapted to the area. He took a keen interest in farming and he took great pride in his work. Being a perfectionist Nicholas was an exemplary farmer and it was a joy to watch him work. A quiet, gentle, unassuming man, Nicholas was first and foremost a father, kind and caring and always so proud of the achievements of his two children, Bernie and Roger, and in turn his grandchildren Rosmarie and Sean.

Having retired from active farming some years ago Nicholas and his wife Anne (nee Fitzgerald) remained outgoing and they enjoyed their retirement. Despite a minor illness in recent years Nicholas enjoyed and loved life to its fullness.

Two weeks prior to his death Nicholas suffered a devastating illness which left him in a coma. During those two weeks he was lovingly cared for at Cork Regional and St. Finbarrs Hospital. On Saturday morning October 30th in the presence of his family Nicholas went to his eternal home.

On Sunday evening the removal took place from Egans Funeral Home, Youghal to Clashmore Church. On Monday morning Requiem Mass was celebrated by Very Rev. Gerald O'Connor, C.C., assisted by Fr. Pat and Fr. Kevin Fleming uncles of John Fleming. The readings were read by his daughter Bernie and son Roger. His son-in-law John Fleming and grandchildren Rosmarie and Sean read the bidding prayers. Following Mass Nicholas was laid to rest in the adjoining cemetery.

Our deepest sympathy is extended to Anna his wife, Bernie and Roger his children, Rosmarie and Sean his grandchildren, John Fleming son-in-law, Julia his sister in Worcester, Mass., U.S.A. all his relatives and friends.

IN PREHISTORIC TIMES VERY LARGE TORTOISES EXISTED. REMAINS HAVE BEEN FOUND THAT SHOW THEIR SHELLS WERE AROUND SIX FEET IN LENGTH.

IT IS BELIEVED THAT THE EARLIEST EXAMPLE OF PIPED-WATER IN ENGLAND WAS AS LONG AGO AS 1233 WHEN IT WAS USED IN LONDON.

THE BIGGEST VOLCANIC ERUPTION EVER KNOWN IS BELIEVED TO HAVE BEEN AROUND 1470 BC ON THE MEDITERRANEAN ISLAND OF SANTORINI. THE EXPLOSION WAS FIVE TIMES GREATER THAN KRAKATOA'S IN 1883 AND DESTROYED THE MINOAN CIVILIZATION ON CRETE.

# IN MEMORIAM

**KIELY — Eleventh Anniversary** — In loving memory of Tommy Kiely, late of 7, Congress Villas, Dungarvan, who died on November 21, 1982. R.I.P.

A smile for all, a heart of gold,  
One of the best this world could hold,  
Never selfish, always kind,  
Those are memories you left behind.  
Memories we keep, one by one,  
Things you have said, things you have done,  
They bring a smile, often a tear,  
But always a wish that you were here.

(Always remembered by your loving wife Rita, sons Eugene and Glenn.)  
Mass was offered on November 14.

**KIRBY — Eighteenth Anniversary** — In sad and loving memory of our dear Mam and Nan, Alice Kirby R.I.P., late of Cooldoody, Ballyduff, who died on November 16, 1975. Masses offered. Sacred Heart of Jesus have mercy.

Your life was one of love and labour,  
Your love for your family true,  
You did your best for all of us,  
And we'll always remember you.  
The blow was hard, the shock severe,  
To part with the Mam we loved so dear,  
Our loss was great, we'll not complain,  
But trust in God to meet again.

(Always remembered by your loving family at home and abroad.)

**MACKKEY — Fifth Anniversary** — In loving memory of Con Mackey, Leigh, Ring, who died on November 21, 1988.

November comes with sad regret,  
The night, the month, I will never forget,  
You closed your eyes without goodbye,  
But in my heart you will never die.  
God knows how much I miss you,  
God knows how much I care,  
God knows I feel so lonely,  
Without you in your chair.  
Sometimes I feel like giving up,  
It's hard to settle down,  
And then I hear you whisper,  
To tell me not to frown,  
Five years now have passed me by,  
Your death keeps us apart,  
Your love did not escape me,  
It's still locked in my heart.  
(Always remembered by your loving wife Mary.)

**MACKKEY — Fifth Anniversary** — In loving memory of Con Mackey, Leigh, Ring, who died on November 21, 1988.

If I could visit heaven,  
On this my saddest day,  
Maybe just for a moment,  
The pain would go away.  
I would put my arms around you, Dad,  
And say these words so true,  
My heart has held an empty space,  
Since the day that I lost you.  
And so today I pray, Dad,  
That God will let you know,  
How lonely life is without you,  
And how I miss you so.  
(Your loving son, Gerard.)

**MACKKEY — Fifth Anniversary** — In loving memory of Con Mackey, Leigh, Ring, who died on November 21, 1988.

My life goes on without you, Dad,  
But things are not the same,  
It's hard to hide the heartache,  
When someone speaks your name,  
All my life I will miss you;  
My secret tears will flow,  
Oh how I really loved you,  
No one will ever know.  
The day you left me, Dad,  
My heart just broke in two,  
The smallest part still with me,  
The biggest part with you.  
If only I could see you,  
For just a minute or two,  
You could tell me if you're happy,  
And I'd be happy too.

(Forever in our hearts — your daughter Kathleen, Tony, Mark, Berni, Jenny, T. J. and Gavin.)

**MACKKEY — Fifth Anniversary** — In loving memory of my dear father, Con Mackey, Leigh, Ring, who died on November 21, 1988.

Dad, it's hard to put on paper,  
Feelings that are inside,  
Of a broken-hearted daughter,  
Who has missed since you died,  
If tears could build a stairway, Dad,  
And memories there a lane,  
I would find a way to heaven,  
And bring you home again.  
I never said goodbye, Dad,  
Perhaps it's just as well,  
I never could have said goodbye,  
To a dad I loved so well.

(Will always be loved and remembered by his daughter Greta and son-in-law Guy.)  
Look after our granddad, Lord,  
Don't leave him alone,  
Love him in heaven,  
As we did at home.  
(From your loving grandchildren Klara and Conor.)

Was the mother we lost and loved so well,  
Deep in our hearts she is living yet,  
We miss her too much to ever forget.  
Each day we think about you, Mam,  
Each night we say a prayer,  
We ask God to look after you,  
With love and tender care.  
On this your anniversary,  
We ask God up above,  
To tell you how we miss you,  
And give you all our love.

A loving father, most sincere,  
Loved by all he knew,  
He loved us all so very dear,  
And we all loved him too.  
But God in His mercy will give me hope,  
And help me bear the strain,  
Of the one we cherished,  
Loved and lost,  
To meet in heaven again.  
(Never forgotten by his sons, daughter and grandchildren at home and away.)

We cannot bring the old days back,  
When we were all together,  
But those we love don't go away,  
They live with us forever.  
The gates of heaven opened wide,  
The angels lined up side by side,  
Special guests were on their way,  
The day God called Eamonn and Michelle home to stay.  
Locked in our hearts ye will always be,  
Loved and remembered for eternity.  
(Always remembered by your friends Elaine and Donal, Kent.)

**ROCHE — First Anniversary** — In loving memory of Maurice Roche, Knockenpower, Ring, who died November 23, 1992. R.I.P.

We often sit and think of you,  
We think of how you died,  
To think you could not say goodbye,  
Before you closed your eyes.  
You left us all so suddenly,  
Without a word to say,  
So farewell for now,  
We'll meet again some day.

**INTERNATIONAL FOOTBALL FOCUS**

# Last Calls For America

Fifteen teams have qualified to date, these include: Hosts — U.S.A. Holders — Germany. Europe — Greece, Russia, Sweden, Norway. South America — Colombia, Bolivia, Brazil. Africa — Nigeria, Cameroon, Morocco. Asia — Saudi Arabia, South Korea. Concacaf — Mexico. The final 24 qualifiers should be confirmed after Wednesday night. The draw for the final places takes place in Las Vegas on December 19.

**GROUP 1** — Switzerland should beat Estonia and go through — Italy will see off Portugal in Rome.

**GROUP 2** — England's dilemma is can Poland beat the Dutch, and England score 7 goals against San Marino — they may get the goals but Holland will join Norway as qualifiers.

**GROUP 6** — France, even if they draw at home against Bulgaria, will be enough to join Sweden. They lost recently at home to Israel, it shouldn't happen again. France to qualify.

**GROUP 4** — Can Ian Rush and Wales finally qualify for a major tournament since 1958. It's complicated! Belgium just need a point in Brussels against R.C.S. A win puts Wales through in Cardiff and in the unlikely event of a defeat for Belgium, Wales must defeat Romania 2-0 in Cardiff Arms Park. The Welsh are never as near but I fear Romania. Belgium and Romania to qualify.

**GROUP 3      GROUP 3      GROUP 3**

## NORTHERN IRELAND v. REPUBLIC OF IRELAND

[Windsor Park, kick-off 8 p.m.]

This is it, our final game that has drawn the attention of so many people for so many reasons.

While travel agents, sports clothing manufacturers and the publicans may have vested interests in Ireland's fate, I believe international soccer for us is at a cross-roads.

If we fail to qualify I feel Jack Charlton may well retire — if we get to the U.S.A. he has 6 months to revitalise his selection.

**WHAT HAPPENS IF?**

By now everyone should have worked out what must happen to qualify. My fear is that while Ireland can draw in Windsor Park they have to be at their best to win. A draw in Seville which is quite possible confirms the Republic's need to win. I have no doubt that modern telecommunications will be used to link both venues this should suggest fairly cautious fist halves.

**TEAM SELECTION**

The return of John Aldridge to the panel is to be welcomed but his presence will not have the same effect on the North's defence as it could have had against the Spanish. Ireland's injury list has the further complication of a niggling calf strain for Terry Phelan that means he won't train until Tuesday.

In returning to the theme of Ireland needing to win there is the tendency for some of our greatest "results" to be reversing one goal leads.

Three times against England, against the Danes, against Holland, we have played well to get the draw. Our record against better quality teams in taking the lead goal is a cause for concern.

It has been said before, other managers and teams have counteracted our "put 'em under pressure" system — and that is the ground for my questioning of Charlton's selection system.

We have not added the extra dimension of guile and pace to our front line. The

vital final game of a championship is unlikely to see Charlton make drastic changes — it that his strength?

The opposition are well known and there are weaknesses that could be exploited and some strengths to be feared.

Billy Bingham's team has nothing to fear and that is a major psychological advantage — their defence has improved but has had an unhappy time against the Republic in Lansdowne Road. It probably will be Fleming (Barnsley), McDonald (Q.P.R.), Foggart (Barnsley) and Worthington (Sheffield Wednesday). Tommy Wright now of Notts Forest has been moved on by Kevin Keegan from Newcastle — this could be one of the North's defences weak link.

Their midfield may show some changes, watch for Michael Hughes, if he strikes form he could cause us problems.

Up front the North could employ to very similar players in Jimmy Quinn (Portsmouth) and Ian Dowie (Southampton). Dowie's honest hard working if limited by international standards, but he has a habit possibly, a skill of knocking long balls from defence up in the air. A type of second phase possession if you use a rugby expression. Any doubts between Kernaghan, McGrath and Bonner could be exposed in the kick and rush of this local derby.

**FORECAST**

This is Charlton's biggest test, can he reverse recent form, can we win? — he has guided Ireland to two championships, another on his swan-song can't be ruled out.

We need goals to win — we just can't afford to go a goal down.

My heart says yes, but I may just be a pessimist, it's a case of one game too far — and having to win. Ireland to draw and hopefully the Spanish, the team Jack doesn't like, to get the victory that will make the travel agents Christmas.

**RAILWAY ATHLETIC (CAPPOQUIN) F.C. NOTES**

**UNDER-16 S.F.A.I. CUP (2nd Round)**

# Brilliant Victory For Railway

**CLONMEL EVERGREEN 0 RAILWAY ATHLETIC 1**

Railway's Under-16's progressed to the 3rd round of the S.F.A.I. Cup after a hard earned win over Clonmel Evergreen last Saturday.

Conditions were not suitable for good football but still both sides tried to knock the ball around. We took the lead after 10 minutes when a lovely ball from Neil McGrath found Tim O'Connor and he made no mistake from close range. We could have went 2 up minutes later when another great effort from O'Connor just went inches wide. But then Evergreen came more into the game and went very close with a few efforts. Ten minutes before half time they were nearly back on level terms when, following a corner, Tim O'Connor had to clear off the line. The first half

ended with us one up. The second half started with Evergreen on all out attack and our defence had to work very hard to keep their opponents out. Goal-keeper Glenn Arrigan made a string of brilliant saves to keep us in this cup competition. Caimin Radley had two excellent chances to put us further ahead but he seemed to rush both. The full time whistle went minutes later to the joy of the Railway supporters. This must go down as one of the best performances ever by a Railway team. They also keep up their 100% record which must be very pleasing for managers

Martin Reddy and John Maher.

Team — G. Arrigan, W. Fraher, B. Walsh, S. Quinn (capt.), N. Maher, N. McGrath, D. Coughlan, E. Bennett, T. O'Connor, G. Keane, C. Radley. Subs. — J. Manahan for Keane.

**FAI SCHOOLS U-18 MUNSTER CUP**

# CBS Lismore Advance After Dramatic Penalty Shoot-out

**CBS Lismore 3 CBS Tramore 3 (Lismore win 4-2 on penalties)**

An exciting and very entertaining cup tie was played at the Castle Farm ground, Lismore on Wednesday last. The visitors, Tramore, settled best and went 1-0 up after 30 minutes. However, Lismore fought back to equalise with a fine goal by Terry McSweeney of Tallow. Despite outstanding defensive play by goalkeeper Billy Sheehan and backs John Landers, Jason Barry, John Sheehan, William Murphy, Stuart Barry and Evan Henley, Tramore began to dominate and two well-taken goals left CBS Lismore trailing 1-3 late into the second half.

A dramatic turn around took place with only 20 minutes of normal time remaining due to outstanding play by forwards John Twomey, Stephen Curley, David Bennett and Terry McSweeney. It started with the best goal of the match, a

25 yard shot by David Bennett which left the irritatingly vociferous Tramore keeper well and truly gobs-macked and upended.

Lismore continued to dominate and the equaliser came very late through a skilful piece of opportunism by Terry McSweeney after a great piece of work by the brilliant John Twomey of Ballyduff. Twomey's overall display earned him man-of-the-match.

Extra time failed to break the deadlock. However, in the penalty shootout, which had the entire attendance on its toes, CBS Lismore scored four to Tramore's two.

Penalty scorers for Lismore were John Landers, David Bennett, Stuart Barry and John Twomey. Subs., Dan Shanahan for John Sheehan; Stephen Quinn for Evan Henley. Referee: Mr. J. P. Grey (Bride View Utd.)

## Modeligo Soccer Notes

We played our sixth game of the season on Sunday last in Modeligo against Glenview United and won 6-1.

Liam Power got our first goal five minutes into the game. Vince got his first in the 25th minute and shortly after the same player got his second. That left it 3-0 at the break.

We started the second half with a much better supply of ball going into our forwards. Then Liam Power got our fourth and when a long kick-out from our goalie found Nicky Donovan, he blasted home a great goal to make it 5-0. Then a mix up by our defence resulted in a penalty which Glenview duly converted. In the final quarter we got our sixth and final goal from Vince Donovan.

Team — Jim Barron, O. O'Neill, Jim O'Neill, Joe Cashman, J. P. Ryan, Pat Foley, John Byrne, Jason Radley, Liam Power, Nicky Donovan, Vince Donovan. Subs. — John Desmond for Pat Foley (45 mins.), Tom Kiely for Nick Donovan (75 mins.); Dec Ryan, Pat Fitzgerald.

Man of the Match — Vince Donovan. Next Sunday we are away to Youghal, kick-off 11 p.m.

## DUNGARVAN UTD. SCHOOLBOYS

### UNDER-14 S.F.A.I. CUP

# Easy For Blues

## ROSSLARE 0 DUNGARVAN 14

On a day fit for ducks, the Blues made the long journey to Rosslare for the S.F.A.I. Cup game and were rewarded with a handsome 14-0 win.

In less than 20 minutes this games was as good as over as the Blues raced into a 6 goal lead. The goals coming from Alan Harty (3), Joseph Nolan and Kevin Walsh. Bernie Crotty rounded off the first half blitz when he scored number 6 eight minutes from half time.

Number 7 came straight from the kick-off as Kevin Walsh ran straight through the Rosslare defence and was promptly replaced by Dermot O'Shea. Vincent Sullivan hit his eleventh goal of the season on the 40 minute mark. Joseph Nolan rounded off his hat-trick with goal in the 45th and 50th minutes. Alan Harty scored his fourth and the Blues eleventh in the 56th

minute and three more in the space of six minutes from Dermot O'Shea, Bernie Crotty and full back Killian Lyons ended a very easy and one-sided game.

The only satisfaction that Dungarvan can get from this game is that they are in the next round of the cup, and their opponents Athy Town will be a different kettle of fish.

Panel — M. Ahearn, K. Lyons, C. Hayes, K. Walsh, M. McGovern, D. Kelleher, J. P. Keohan, B. Crotty, J. Nolan, V. Sullivan, A. Harty, P. Deegan, D. O'Shea, R. Halpin, G. Collins, P. Foley.

## DUNGARVAN UNITED A.F.C. — U-12 LEAGUE

# United Very Unlucky

### DUNMORE 2

### DUNGARVAN 0

Dungarvan were unlucky not to have shared the points in this game, which was played in terrible conditions.

Dungarvan travelled minus the services of seven of their panel and had to call on the younger members, who performed well considering the conditions.

Two late goals gave Dunmore the points and the rain and wind took their toll on the lighter Dungarvan players.

Best for Dungarvan were Craig Cowming, Dwane Tutty, Martin Roche, Brendan Horan and Alan Linnane.

Team — B. O'Brien, B. Wright, M. Roche, C. Cowming, B. O'Donovan, S. Sheridan, D. Curran, G. O'Brien, B. Horan, A. Linnane, I. Fitzgerald, D. Tutty.

## DUNGARVAN UNITED A.F.C. NOTES — F.A.I. JUNIOR CUP (4th Round)

# Dungarvan's Cup Run Comes To An End

## DUNGARVAN 2 EVERGREEN (CLONMEL) 3

Dungarvan's fine cup run came to an end at Kilrush Park on Sunday afternoon last when they bowed out to Clonmel side Evergreen at the area quarter-final stage by the odd goal in five. Overall the visitors probably deserved their victory as they created more goal scoring opportunities and it was the Blues defence who had to work hardest in the game.

The visitors started strongly and dominated play in the opening 20 minutes. Evergreen's left winger Pat Sullivan threatened early and had a shot blocked down by his marker Stan Cummins. Ben Hannigan had a shot over the bar while centre forward David Gerrard headed a ball across the goalmouth which went wide. Kealan O'Neill made a fine save after being penalised for handling a back-pass, which seemed rather harsh. Ml. Ferncombe made a good run down the left wing but his shot was cut out. In the 33rd minute a good attack by the Blues saw Killian Wall's shot

blocked by the full back. A minute later Thomas Donovan also had a shot charged down when well placed.

Pat Tutty got caught in possession down the wing but Paudie Flynn put in a great tackle to dispossess the winger. Killian Wall had an effort cleared off the line. At the other end David Gerrard shot over when well placed by Sean Brannigan. Ml. Ferncombe broke down the right and his cross was met by Killian Wall whose shot was well saved at the foot of the post by Evergreen's keeper Francis Kelly. But for all the chances created the half time whistle sounded with

the sides scoreless.

Evergreen almost caught the Blues defence napping with a quickly taken free-kick and short corner. The opening goal came in the 52nd minute when Ben Hannigan's cross from the right was parried by Kealan O'Neill and the inrushing David Gerrard scored from close range. Paudie Flynn had a shot saved. Kealan O'Neill made a good save.

Twenty minutes into the second half Alan Sheehan replaced Killian Wall and four minutes later, with almost his first touch of the ball, he put Dungarvan on level terms. Thomas Donovan battled hard and passed

to the unmarked Sheehan at the far post to score. With 72 minutes gone Kealan O'Neill brought off a marvellous save from a 30 yards pile-driver.

With 15 minutes remaining came the turning point when Paudie Flynn was rather harshly adjudged to have fouled the forward in the penalty area and Micheal Nugent put the Clonmel side 2-1 up from the spot kick. Kieran Foley replaced Geoff Allen and Kieran was unlucky with a header from a John Walsh cross. With 5 minutes remaining our hopes were dashed by Evergreen when Kealan O'Neill misjudged the flight of a free kick from out on the right and the ball dipped in under the crossbar. In fairness to the Blues they never wilted and Alan Sheehan got a second goal in injury time after good

work by Ml. Ferncombe and Thomas Donovan.

So the Blues cup run has come to an end and no doubt these games will have helped get the team together playing teams from a higher standard. This Sunday it's back to the league, which is the priority this year and a result from their game away to Mooncoin is vital to maintain their unbeaten run.

Dungarvan — Kealan O'Neill, Stan Cummins, Pat Tutty, Willie Coward, John Walsh, Paudie Flynn, Geoff Allen, John Donnelly, Michael Ferncombe, Thomas Donovan, Killian Wall. Res. — Alan Sheehan for K. Wall; Kieran Foley for Geoff Allen.

Evergreen — F. Kelly, B. Cockburn, P. Brackett, Ml. Nugent, D. Lavin, B. Hannigan, K. Burke, S. Brannigan, D. Gerrard, R. Boland, P. Sullivan.

#### DIVISION ONE Mogeely 6 Inch 0

This local derby victory for Mogeely takes them to the top of division one. Their scorers here were Christy Wright (3), Jim Sweeney, John Coady and Tom McCarthy.

#### Lismore 1 Ballyduff 0

A good win here for Lismore against a Ballyduff team who at the moment are finding it hard to put away the goals. Dave Bennett got the only goal here.

#### Pinewood 1 Cappelquin A 3

A good away win here for Cappelquin over draw specialists Pinewood. Dean Morrissey got all the goals for the winners in this one.

#### Killeagh 0 Valley Rangers 0

A point each here for two teams with very well organised defences.

#### Cappelquin 3 Brideview A 1

The surprise result of the day here as Cappelquin ran out convincing winners against a previously unbeaten Brideview team. This is Cappelquin B's first division one win. Eugene McLoughlin put them one up early in the second half. Mike Walsh made it two from the penalty spot. Michael Henley pulled one back for Brideview after 76 minutes. Then with time running out, Michael Lacey made victory safe for Cappelquin with their third goal.

#### Ballybridge Utd. 5 Grange 1

Another great performance here by Ballybridge who, even at this stage, look to be well on their way to winning promotion to the first division at their first attempt. Alan Leahy gave Grange the lead here midway through the first half. After that Ballybridge took control and scored five without reply. Their scorers were

Donal Broderick (2), Willie Hennessey (2) and Pat Hankard.

Ardmore remain in third place after this 1-1 draw. Seamie Veale gave them the lead here, only for Araglen to equalise straight from the kick-off.

#### Modeligo 6 Glenview Utd. 1

An easy win here for Modeligo against a depleted Glenview team. Their scorers were Vince Donovan (3), Nicky Donovan (2) and Liam Power. Philip McGrath scored from the penalty spot for United. Modeligo are the leading scorers in the league with 31 goals from 6 matches.

#### Affane 6 Glenview Celtic 4

## BALLINROAD A.F.C. NOTES

### DIV. 3A LEAGUE

# Ballinroad Back On Course

#### ST. PAULS 1 BALLINROAD 2

On Sunday we travelled to Waterford to play a St. Pauls team which occupied second place in the league table. On the day we produced our best display of the season, scoring a 2-1 win and taking a step nearer to putting our season back on track.

This win was especially sweet as we had already lost to St. Pauls this season in a game which we felt we should have at least drawn.

Playing with the wind in the first half, we surprised the home team by attacking from the outset. We could have been 4-0 up in the first 20 minutes as by this time Gearoid Byrne, Ray Burke and Paul Duggan had all missed chances. In the 20th minute Paul Duggan ran onto a good centre and neatly pushed the ball past a despairing effort by the St. Pauls 'keeper. A goal to the good, we continued to attack, winning a succession of corners, but as usual, failing to score from any.

We took to the field for the second half with a one goal advantage feeling that this might not be enough of a cushion as we now faced a stiff breeze. However, we started the second period in the same style as we had played in the first half, keeping St. Pauls on the defensive. We seemed to have the edge in all areas, with Gearoid Byrne playing a blinder at centre forward. We still faced our worst enemy — ourselves! — and we continued to miss chances.

Eventually disaster struck when a defensive error gifted St. Pauls with the goal they could not contrive without our help. Our right full, in a harmless situation, elected to try and dribble past his opposite number but gifted the ball to the

Pauls player who found himself inside our defence with only 'keeper Barrett to beat and beat him he did.

To our credit, not one player dropped his head and we immediately set out in search of a winner. Brendan Landers, who had refused to succumb to intimidation throughout the game, was rewarded with a free 25 yards from goal when he was illegally tackled from behind. Up stepped Colin Cunningham to stroke a "Cantona" like effort sweetly into the upper right hand corner of the Pauls net. This goal came with only 2 minutes remaining — another little irony, as it was a last minute goal which secured Pauls the points in our last meeting.

#### FINE DISPLAY

This was a fine display with every player giving 100 per cent. We did not give up when the home side equalised against the run of play, nor did we shirk the challenges in a somewhat robust encounter. On a day when it was difficult to single out individual players as every man did his part, one player did stand out — Garry Byrne gave an exemplary display of centre forward play winning everything that came his way and foraging outfield when required. Same again next week, Garry! Fair play also to Brendan Landers who kept his head in trying circumstances.

Next week we take on table toppers Red Star. We must produce the same type of effort to get a good result. A word of caution, although we played very well on Sunday, we played a game in which we had the lions share of the chances in a tight contest.

Garry might consider investing in a pair of white shorts for our next game!

Team — Barrett, Boland, Dwyer, McCarthy, Cunningham, Landers, Foley, R. Burke, Duggan, Byrne, Reynolds. Sub, B. Burke.

# Ballinroad Gain Well Merited Point

#### SEAVIEW CELTIC 1 BALLINROAD 1

A much improved performance gained us a well deserved point in this difficult game on Sunday last. We showed a lot more urgency than in recent games and in truth we should have taken both points.

A strong cross field breeze made life difficult for both sides with Ballinroad adapting better. We had the better of the early exchanges, but failed to breach the home defence where Sean O'Brien played a leading role. Seaview's attack made no headway against our defence and it was no surprise that the game was scoreless at the break. The second half was a carbon copy of the first but Ballinroad made the break-through in the 70th minute when a corner was only half cleared and newcomer Ian Gregory scored from close range.

Ballinroad should have added to their tally but were shocked in the final minutes when Seaview equalised through their centre forward who headed home from a corner.

This weekend we play high-flying Abbeyside and really we have it all to do to get a result.

Ballinroad — Cummins, Lynch, Crotty, Keane, O'Connor, Hennessey, Fraher, Grant, Flynn, O'Grady, Mullarkey. Sub., Jordan for Grant, Gregory for Fraher.

#### UNDER-14

A very much under-strength side put up a brave performance against Athy on Saturday morning last. This game was played in terrible conditions and all the players who braved the conditions were a credit to their clubs.

#### SEA VIEW CO-OP DRAW

The next draw takes place on Saturday week, so all money to be in this weekend.

#### FIXTURES

Div. 3A at home to Red Star, Saturday, Nov. 20, 2.30 p.m.; div. 4B away to Abbeyside, Sat. Nov. 20, 2.30 p.m.

#### SYMPATHY

Sympathy is extended to former player Seamus Fitzgerald on the death of his mother.

## ABBEYSIDE A.F.C. NOTES

#### YOUTHS 'B' LEAGUE

# Refereeing Decisions Prove Costly

#### ABBEYSIDE 1 FERRYBANK 1

Patrons present at Dogleaf Park on Sunday morning last were privy to what can only be described as some very strange decisions.

These young lads have put in a tremendous effort in training since July and it was sad to see them struggling against some blatant intimidation on the field.

It is impossible to give a report on the game as it bordered on the farcical, suffice to say that the Villagers goal arrived from the trusty boot of Willie Fennell. The lads have two games remaining, home and away, against Carrick, and if both these games can be won, the title will be garnered and adver-

sity overcome.

Panel — T. Walsh, R. Power, J. Donovan, T. Mahony, D. Foley, C. Curran (capt.), K. Curran, B. Flynn, J. Burns, W. Fennell, M. Brett, M. Doocey, J. Lenihan, M. Kelleher, E. Donnelly.

#### DIVISION 4B RED STAR 0 ABBEYSIDE 7

On Sunday last Abbeyside travelled to Red Star in what proved to be a great game.

Abbeyside started well when "man of the match" Ollie Keohan latched on to a through ball by Boots only to see his effort come back off the post. This was a sign of things to come as Abbeyside took complete

control of this game.

A great passing movement which should have resulted in a goal was totally mis-cued by Kevin Moore who later was heard to blame the "poor surface."

Red Star broke up the field twice in quick succession only to be foiled by superb saves by Kevin Drummy to keep us in the game. Tommy Reynolds, Billy Keohan "Keano" and company rode out this brief storm.

After 20 minutes Keohan was brought down in the box for a clear penalty which McGully nonchalantly dispatched to the back of the net. Shortly after Liam Shanley ghosted by two defenders to shot home number two. Judging by his reaction, scoring goals is one of Liam's greatest pleasures.

Four minutes into the second half McGully hit an

inch perfect pass for "Boots" Jordan to hammer home number 3. After this the floodgates opened with Walshie adding two more with clinical finishing to leave Red Star demoralised. Kevin Moore helped out with two more courtesy of unselfish play by Frankie Keniry.

All round this was a great team performance by 13 players. A repeat of this performance is needed if we are to get a result in our local derby next week with Ballinroad.

#### DOUBLE SCORES

Week 10 — Jackpot £75, winner Danny Hyslop. Low Score £10, winner Tony Wall.

Week 11 — 1 Tottenham, 2 Aston Villa, 2 Arsenal, 4 Liverpool, 5 Leeds, 6 Wimbledon, 7 Q.P.R., 8 Blackburn, 9 Sheffield United, 10 Chelsea, 11 Manchester United, 12 Newcastle, 13 Ipswich, 14 Everton, 15 Coventry, 16 Norwich.

## SQUASH — COMERAGH OIL TOURNAMENT

First round games were held on Tuesday night with teams captained by Gerry Foley against P. Dunford and Dave Power against John Cliffe.

Playing at no. 5, Jonathan Byrne and Liam O'Doherty played out a very exciting match before Jonathan eventually won 3/0 to give Gerry Foley's team a great start. Next on were "fellow Rockies" Pat Dunford and Gerry Foley employing tactics better suited to the playing fields. This was real shoulder to shoulder stuff and neither player was prepared to give an inch in search of victory. Gerry took the first set 9/7 but Pat came back to level the match in the second set on a 9/6 scoreline. However, Gerry was not to be outdone and his greater range of shots and "superior fitness" saw him take the next 2 sets 9/6, 9/5, to give his team a 6/1 lead.

This meant that at no. 3 Vincent Tutty just had to win if Pat's team were to have any chance, but in Felix Shields he was going to get nothing easy. The long walk to the Centre did not do much to improve Felix's fitness and after a suitable resting time he came on court. In the first game Felix was in good form to take the set 9/0 and also took the second 10/8, with Vincent making a comeback to take the third game 9/4, but once again Felix proved he has lost none of his craft with a 9/3 win in the fourth set to give his team overall victory 9/2.

On court 2 team captains John Cliffe and Dave Power played out a marathon 5-set match before Dave got the better of John on a scoreline of 9/2, 2/9, 9/7, 5/9, 9/4. The no. 5 for both teams were ruled out victims of 'flu, so next on court were no. 4s Patsy O'Connell and Brian McNamara. Brian is no doubt a player who has a tremendous future in the game but had no answer for fellow junior Patsy O'Connell going down 3/0. Playing at no. 3, Liam Moore and Eoin Simms gave us a game of contrasting styles but Liam proved there is no answer for age and experience with a great 3/1 victory.

This left the score at 6/6 so it was down to the no. 2's of Bella Manahan and Pat Cullen and what a game we got from two of the fittest players in the club. Bella, who is making a comeback to the game after a long absence, has clearly lost none of his ability as he raced into a 2/0 lead and led 7/4 in the third before Pat came storming back at 2/2. In the final set both players gave their all before Pat came through 9/7 for a great win and overall victory to John Cliffe's team.

On Thursday night teams captained by Ray Moore, Stephen Lyons, Andrew Lally and Dermot Kelly were on court.

At no. 1, Dermot Kelly was another victim of 'flu to give Andrew's team a 3/0 start. At no. 4 Paul Veale was in against Fintan Cahill. Paul is yet another of the fantastic group of juniors playing from Minnies and must consider himself very unlucky to lose 3/0 on a 9/0, 9/7, 10/8 scoreline.

At no. 5 came Bernadette Dunne against David Walsh and what a game we got here. It was standing room only for the match with Bernadette's fan club all turning out in force. David took the first 2 sets 9/4, 9/7, but after some words of advice from her coach Joan, back came Bernadette to level the match 2/2. The final set saw everything at the complex come to a standstill as Bernadette stormed to a brilliant 3/2 win, taking the final set 9/4. I'm told the party is still going on here! This gave Andrew's team a 9/2 lead and overall victory.

On court 2 Ray Moore was in against Stephen Lyons. Stephen is now starting to show his true potential and his level of fitness is a tribute to his training and dedication and despite the best efforts of Ray, who is an example to all players for sportsmanship and court behaviour, Stephen scored a 3/0 win.

At no. 2, Gerry O'Connor received a w/o from Paddy Walsh who again was a 'flu victim. At no. 5 Stephen McNamara was in against Peter Flynn with Stephen coming through 3/0. At no. 4, John Whelan had a great 3/1 win over Brian Byrne so it was down to no. 3 Michael Tutty and Ray Hahessy to decide which team would go through. Here, Michael was in devastating form against a strangely out of form Ray who had no answer going down 3/0 and overall victory going to Ray Moore's team.

## NIGHTMARE NIGHT FOR "DREAM TEAM"

Our team travelled to Clonmel to take on the host club in the South Eastern League and came back a chastened outfit. However, it has to be said we were very much under-strength and had to travel with 4 players as 4 of our panel were ruled out for a variety of reasons. "Tiger where are you?"

No. 1 Brian O'Connor and no. 2 Stephen Lyons had great wins but at no. 3 Liam Dunne went down 3/2 and Dave Power was unlucky to lose 3/1. The team still held on to top spot in the league so let's hope for a full strength team for our next outing.

## CLUB LADDER

The first round in The Allrounder Ladder is now in progress with this weekend the final date for games to be played. Results to-date show few surprises but it's early days yet.

Results todate: Dermot Kelly 3-1 John Cliffe, Paddy Walsh 3-1 Jerry Lannon, John Keane 3-2 John Whelan, Eoin Simms 3-1 Paul Keane, Joe Power 3-0 David Walsh, Lar Boland 3-2 Kevin Tutty, Jim O'Dea 3-2 Dave Power, Andrew Lally 3-1 Paddy Walsh, Joe O'Brien 3-1 Paddy Cummins, Tom Landy 3-1 Helen Crotty.

## SNOOKER LEAGUE

Our league has attracted a huge entry and both tables are booked out for the next 5 weeks with Wednesday nights free. Pre-tournament favourites Peter Cusack, Sean Byrne, Tony O'Riordan and Martin Crotty have dropped vital points so at this early stage points secured now could be vital as the competition comes to an end.

However, even at this stage, my money is on "newcomer" to the game Sean Whelan who would seem to have caught the handicapper napping. — THE DOYLER

## SYMPATHY

Sympathy is extended to the O'Grady family on the death of Stephen O'Grady, Springfield, Dungarvan. His son Thomas is a valued member of the club and his wife and daughter Helen are frequent visitors to the centre. May he rest in peace.

## RUGBY NOTES

# DUNGARVAN SELF DESTRUCTS

An understrength 1st XV travelled to Galbally on Sunday 14th November for a first round Garryowen Cup tie. From the kick off Dungarvan took the game to Galbally and effectively camped in the opposition half for the entire first period. Penalty opportunities came but neither Mel Shanley nor an off form Joe Coughlan could convert them to points.

On the only occasion that Galbally managed to get into the Dungarvan half they scored albeit dubiously. An attempted clearance from out-half Tom Harty rebounded off an advancing Galbally player and was promptly touched down by a team-mate who was already in the goal area. Some fine line out play by second row Tommy Ahearne gave a steady stream of possession and judicial tactical kicking by Tom Harty kept the Dungarvan side on top right up to the interval but had only a Joe Coughlan penalty to show for this dominance. Dungarvan were dealt a severe blow when losing Captain Shane White with a badly cut face. However, he was replaced by Veteran Prop. Roy Maguire who al-

most singlehandedly turned the game Dungarvan's way. This necessitated a reshuffle in the pack with Mel "Bullet" Shanley moving to wing forward and Pat Dunphy covering the centre. The second half was less rewarding, the lines out possession dried up and with it any chance of scoring tries. Solid scrummaging and some good rolling mauls led by Austin Curran kept the Dungarvan side in contention for most of the second half. A good move by the Galbally back line brought play close to the Dungarvan line. Obstruction on a Galbally player following a chip through yielded a penalty try which was duly converted.

With 15 minutes to go and Dungarvan pressing a speculative relieving kick by the Galbally full back bounced on the Dungarvan 22. Full back Joe Coughlan ambled over to the ball and leisurely picked it up. Looking up at the advancing Galbally players he picked his nose, checked the position of the sun and the direction of the wind, considered briefly what he was going to wear to the disco and then settled to kick for touch. Sensing an impending block down

he changed his mind and his underwear. He moved to the right, moved to the left and then moved ten yards backwards as the whole of Galbally and district hit him. The ball went loose and was picked up by an old lady in a walking frame and touched down to bring the score to 17-3 at the final whistle. Once again the only team to beat Dungarvan this season was Dungarvan. Missing from the action this week were Eddie Lonergan, Tom Shanley, Eoin Harty, Mark Phelan, Ray O'Connor and Peter Queally. These added to the loss of Captain Shane White and Colm Morrissey through injury were just too much and one can only speculate on what might have been had the full squad been available, particularly as Galbally fell to Dungarvan in the league 3 weeks ago. Who said the best thing about Kojacks play is his amusing anecdotes at the post match P. up? Not me!

The seconds were badly weakened by six of their side logging out with the firsts. Add a further five defections for one reason or other and you get a third XV strengthened by 4 2nd team regulars. Nevertheless this motley

band set forth to take on Youghal in a friendly. Led by Jim Power scrumhalf hooker, wing forward and general "good ole boy" they displayed the sort of spirit and fervour that is becoming the hallmark of the seconds. Opposed by a theoretically stronger side they fought bravely and never lost touch throughout. Prominent were Ronan Hallahan, Adrian Power and Dave Jordan. Fergus Moloney scored a try under the posts after some strong running by centre Ben Dunford (who may now give 2nd row a miss) and this was converted by out half Dick McGrath. The final score 17-7 to Youghal. It has also been reported that Johnny "The Roar" Morrissey left a lasting impression on the now greyhaired referee, as he erupted from maul after maul screaming like a Banshee in labour.

Next week-end's activities have yet to be finalised but will be posted in Clubhouse on Friday night or ring Ray Maguire 43331. All over 35 players are asked to commence training to prepare for the visit of Old Abbots Vets "The Bad Habits" at Easter. More news of this and the London Tour etc. next week. Loose Head.

# Cunnigar Pitch & Putt Notes

## TESS AND PATSY TAKE THE HONOURS

Our turkey tournament took place on Sunday and amid some very cold and windy weather conditions a good number of players took part. This week saw the combination of Tess Dalton and Patsy Hackett prove victorious with some very fine pitch and putt indeed. They ran out narrow winners from the never say die pairing of Percy Walsh and Mark Reynolds. Congratulations to our winners and runners-up.

The draw for next Sunday's competition will take place in the Clubhouse on Saturday at 2 p.m., so have your names in on time.

**LOTTO**  
This week's numbers were 7, 24 and 25. We had one lucky winner, namely Tuckey Organ.

# Waterford Take A Back Seat

The home truths of the very high standard of Munster Juvenile Cross Country were experienced by the various Waterford athletes who travelled to Horse and Jockey, Co. Tipperary last Sunday with individual and team achievements very few and far between.

Splendid individual performances were given by Louise Cleary (St. Pauls, Waterford) and Larry Morrissey (Ferrybank), both of whom came home a close second in the girls u-14 and boys u-16 championships respectively. The boys u-8 and girls u-16 county teams won the bronze medals with another number of our runners finishing in the top twelve positions.

In the girls u-8 Edel Morrissey (KCK) was the first Waterford athlete to finish in 12th position. The boys u-8 race was a close run affair and for a while it looked as if Walter Mansfield (Ring/Old Parish) would give Waterford its first individual win of the season. Walter ran a fine race to finish fourth and he led the Waterford team to the bronze medals in a close team contest.

Mark Fives (The Burgery) made great strides in the second half of the race to finish tenth and he was closely followed by his clubmates Ian Prendergast (Springfield) 13th, John Paul Tutty (Congress Villas) 15th and John O'Keeffe (Silversprings) 18th. With S. O'Neill (Cappoquin/Ballinameela) finishing 19th, the Waterford team totalled 79 points and they were a very good third behind Tipperary 73 pts. and Cork 74 pts.

In a tremendously fast girls u-10 race, Ciara Prendergast (KCK) ran into eighth position while the county's first boys under-10 finisher was Billy Curran (Dungarvan) in 21st place.

### GALLANT GIRLS

The girls under-16 runners stuck to their difficult task to finish third in the inter county event. Moving up an age group, Claire Long (Ring/Old Parish) ran a mighty race and after the half way stage she occupied second position. Despite drifting, she eventually finished 11th and so qualified for the Irish championships at Abbeyside on December 12. Behind Claire, Geraldine Kiely (Dungarvan), Jacinta McCarthy (KCK), Georgina Earley (Dungarvan), Fiona Drummy (Ring/Old Parish) and Aileen Hogan (Dungarvan) gave of their best to finish third behind Clare and Cork.

### MATCHED THE BEST

Larry Morrissey (Ferrybank) and Mark Radley (Dungarvan) matched Munster's best in the boys u-16 two and a half miles event. Along with Thomas Casey

(Limerick) and Michael O'Meara (Templemore) they left the rest of the field behind as they fought out a tough four man tussle.

Inside the last eight hundred metres, Dungarvan's Radley was dropped and it looked as if it was going to be Larry Morrissey's day. However, Thomas Casey, who, two weeks previously, won the under-15 title, finished strongest, relegating the Ferrybank athlete to the runner-up position.

13, 15, 17 and senior. Marble trophies for the first twelve in juvenile events. No team prizes.

The race distances are as follows: G/B under 9, 500 mts.; G/B u-10 500 mts.; G/B u-11 1000 mts.; G u-12 1000 mts.; B u-12 1500 mts.; G u-13 1500 mts.; B u-13 200 mts.; G u-15 2000 mts.; B u-15 3000 mts.; G u-17 3000 mts.; B u-17 4000 mts.; senior ladies 3000 mts.; senior men 7000 mts.

## Once Upon A Time

### MUNSTER TITLE FOR ST. NICHOLAS A.C.

History was made at Limerick on Sunday last (November 1971) when the athletes of St. Nicholas AC, Ring, won the Munster Novice Inter Club Championship for the first time. This was a great achievement on the part of the athletes concerned and no praise is too high for Jimmy Costin, John Harty, Ray Treacy and Seamus Drummy, who were the scoring four and not forgetting Paddy Kelly and Jimmy Walsh who were also members of the team.

This is the team's first year running together and there is an ideal blend of youth and experience. Sunday's triumph was the culmination of many years of hard endeavour for Jimmy Costin and John Harty. These two have been the backbone of the club for many years and although they both had many successes at club level in Waterford, they had to wait until Sunday last to really prove their worth outside the county. This they did in no uncertain manner and are now the proud possessors of Munster gold medals as a reward for their performance.

The other two scoring members of the team, Seamus Drummy and Ray Treacy had already tasted success at Munster and All-Ireland level while they were juveniles, but Sunday was for them also the breakthrough to higher ranks. Both have matured and are running well at senior level and no doubt will be improving as time goes on. This win has opened the way for other Waterford clubs to emulate the feat of St. Nicholas AC and ensure that Waterford will be a force to be reckoned with from now on.

On the same day John Treacy won the boys u-15 Cross Country title at Kilsrara Race Course, his third such title in three years. Michael Fitzgerald (The Sweep) was second in the u/13 championship.

## Crystal Centre Training

The thrice weekly running sessions at the Dungarvan Crystal Sports and Leisure Centre are now firmly established with close on twenty road runners circling the town each evening. The Wednesday Winter League is ready to commence and already the various rivalries are lurking in the dark of the Dungarvan nights.

Speedsters John Joe Wright and Tiger Kiely have shown their hand early and accordingly are facing a heavy handicap for the league. Other "hotshots" are playing the system well but their tactics have not gone unnoticed and the overall time handicaps for the first leg are eagerly awaited.

Due to this Wednesday's international soccer match this evening's run will begin at 6.15 p.m. Otherwise, the Monday, Wednesday and Friday sessions have a 7.45 p.m. start. All are welcome.

## Ferrybank Fixture

This Sunday's fixture will be staged at Ferrybank with a 1.30 p.m. start. The race programme consists of boys and girls under 9, 10, 11, 12,

## MINNIES SQUASH NOTES

# Three Out Of Three For Division Two Team

Our mens Div. II team in the South East Leagues made it three wins from three outings on Monday night last when they played host to Freshford thus making them the only unbeaten team representing the club this season. On the night it was a fantastic 4-1 win with twelve points plus four bonus points making it a very nice evening's work indeed.

Martin Walsh, playing at number four, shedded a big weight from his shoulders with a fantastic 3-1 win to claim his first scalp of the league. At four Maurice Walsh, though feeling a bit "under the weather" was still too strong and crafty as he ran out a 3-1 winner. At three Paddy "The Flick" and "Boast" Murphy or as one of his loyal supporters refers to him "Smurf", made heavy work but at the finish did well to run out a 3-2

winner. Paul O'Brien didn't feel a bit intimidated by his opponents hurling jersey of the Cats as once again he showed real class as he won 3-1. He is reported, however, to be a bit confused at times between games at the conflicting advice but Paul being the bright lad that he is obviously picked the right one. At one Andrew Lally was unlucky to come up against a very strong opponent who we are told would hold his place well on any Div. one team, Andrew going down 0-3.

So another sixteen points secured and as the saying goes their fate is now firmly in their own hands.

The Div. II remaining fixtures are: Nov. 15 (last Monday) away v. Freshford; Mon., Nov. 22 away v. James Stephen's; Mon., Nov. 29 at home v. Dunhill.

# Ladies Lose Four-One In Kilkenny

Our ladies Div. One team travelled to the Leisure Centre, Kilkenny on Wednesday night last, Nov. 10, where they suffered a 4-1 defeat. Our team showed two changes from the one that beat this same outfit 4-1 at home last Wednesday with number three Cindy Brady unavailable and number five Anne Hennebry out due to illness. This meant Hilary Browne coming in at number four and Mary Coffey just back from holidays playing at number five in her first outing. At five Mary Coffey reportedly looking very bronzed was in fine form as she reeled off a straight games victory 3-0. Hilary Browne, playing at four, played well but went down 0-3. At three, in the game of the night, Margaret Browne just recovering from illness played fantastic squash in a marathon game but will feel very disappointed to be just pipped 10-9 in the fifth having a few serves for the match. Number two, Michelle Fernin played up and down as she went down 1-3. While number two Helen Kiely had once again a very

tough encounter and while the history books will show a 0-3 defeat Helen and those present will realise it was a lot closer than that with two games 9-7, 9-7. Unofficially we believe the ladies team are currently one point ahead overall — so it looks like a very exciting finish.

Remaining fixtures — Wednesday, Nov. 17 at home v. Freshford (remember Freshford beat the ladies 3-2 away last month, so here's looking for a good reversal), and Nov. 24 away v. Dunhill.

On Wednesday night, November 10 our mens Div. One team in the South East Leagues travelled to Dunhill where a very close contest was fought out. Both clubs on the night had team changes. For our lads our number two was unavailable due to illness so all below moves up, Owen O'Mahoney back from Barbados practically hours, returned to fill the number four spot while Jimmy Kiely deputised at number five. The fives were first on here, Jimmy Kiely came up against John Drohan, this

was a match where Jimmy always looked in control yet for the first three games it could have gone all wrong, Jimmy took the first 10-8 after being 6-8 down, the second was a comfortable 9-4 and again in the third being 10-8 from 6-8 down. The fourth was an easy 9-1 to complete a 3-1 victory. The ones followed their team mates in the Cork Leagues Pat O'Brien and Anthony Lyons were suddenly opponents. This was billed as the match of the night and what a cracker it turned out to be. The first

set went to Anthony 9-4, Pat levelled it with a close 9-7, Anthony took the lead again with a 9-4 in the third. In the fourth Pat was awesome both players hitting the ball with fierce power but in the fourth Pat reached a different level as he dispatched the ball with ferocious power to win the game 9-1 to level it. In the fifth, it was Anthony's turn to shine as he played superb to clinch it 9-2. However in Pat's defence he is reported to have been feeling lonely without the team mascot — so come on Yvonne let's see you in

Clonmel next week! At four Owen O'Mahoney, looking lovely and bronzed after his holidays, must have thought he was in a freezer for having just returned from Barbados where he played quite a lot in very humid conditions, it was back down to earth on a cold night in Dunhill. His opponent was Waterford's former goalkeeper in hurling, John Power. John was in superb reflexive form running out a 3-0 victor. At two, Pat McGovern in his first game back after illness came up against the rapidly improving Jim Baldwin. Lack of match practice was to prove Pat's downfall, but he will feel annoyed at not winning the third game having served for the game. The threes were last on, here we had Ray Moore and Richard O'Mahoney. The match lasted over an hour and Ray was very relieved to win it 9-7 in the fifth.

So eight points won from play to Minnies, twelve points to Dunhill. Remaining fixtures — Wednesday, Nov. 24 away to Kickhams (Clonmel), December 1 at home to Dunhill and December 15 away to Crystal.

## CLOSE TUSSLE IN DUNHILL FOR DIVISION ONE TEAM

# MICHAEL GILDEA LEADS FRIENDLY VICTORY AGAINST YOUGHAL

On Friday night, November 5 a Country League type squad was selected to take on a Youghal Country League selection. The good news is our team on the night ran out four to two victors. There was disappointment on the night when only one Youghal lady instead of three showed, but not to be outdone Sinead Byrne and Jenny McGrath went to battle against one another. So Sharon O'Brien flew the flag travelling down from Cappoquin for the bout where unfortunately she went down. For the men at five, Johnny

Byrnes recovering from his Baumann's defeat the previous night went down 1-3. At four the improving and definite bright prospect for the future Gearoid Fraher won 3-0. At three Michael Gildea winning his first representative "cap" for Minnies showed great determination as he made it a winning debut on a 3-1 scoreline. At two Emmett Byrne showed true Munster class winning 3-0. While at one Maurice Walsh showed great fitness having already played racquetball he still did the business with a 3-0 victory.

# RING/OLD PARISH A.C. NOTES

## MUNSTER CHAMPIONSHIPS VERY SUCCESSFUL

The Munster Cross Country Championships for the even age groups took place in Horse and Jockey on Sunday last. There were medals for the first twelve individuals in each race. With athletes competing from clubs throughout Munster there were large entries in every race and some of our club performed very well indeed.

Walter Mansfield ran a super race in the boys under 8, taking the lead for a large part of the race and finishing up in 4th place, taking an individual medal and also a bronze team medal as Walter was a member of the Waterford team who finished in third place. So well done Walter and well done also to the other five boys from our neighbouring clubs who made up our bronze winning county team.

More of our boys who ran very well in the under 8 race were Maurice O'Connor, Sean Fleming, Joe Collins, Michael Flavin and Shane Kelly.

Our little under 8 girls Lorraine O'Brien, Louise Coughlan, Ealga Ni Aodha and Sarah O'Donnell all ran very well.

Cliona O'Keeffe ran a brilliant race in the girls under 10 finishing up in 13th place just once place outside the medals. Cliona is a great athlete and always gives her best. We had good performances here also from Sarah Murray, Rosemarie Fleming, Charlotte Mansfield, Ashling Kelly, Sandra Morrissey and Pamela McGrath.

In the boys under 10 we had great efforts from Sean Harty, Michael O'Donnell, Liam Drummy and Robert Gough.

Mairead Costin another great athlete ran a great race in the under 12's, just finishing outside the medals and we had good running also from Aisling Weldon and Joan Young.

Our under 12 boys Karl O'Keeffe, Jonathan Murphy, William Collins and Thomas de Faoite also ran very well in this race.

Our under 14 girls Orla Costin, Sarah Gleeson, Fiona Trihy, Regina Power and Michelle Healy ran well as did our under 14 boys Dermot Gough, Michael Ahearn, John O'Rourke, Shane Dower, Garret Waters, Brian Swaby, Kevin Healy and Ken Swaby.

Claire Long ran a super race in the under 16's finishing in 11th place. Fiona Drummy ran a great race also. Well done to Claire and Fiona on being members of the Waterford team who took the bronze medals and well done to the other four members of that team. Our other under 16 girls, Michelle Power, Laura Dower and Catriona Mulcahy, ran well here also.

Trevor Walsh ran well in the final race of the day.

Thanks to our athletes who travelled and well done to you all.

## Dungarvan Ladies Football Club Notes

The Dungarvan Ladies Football Team, winners of the Under-16 League Final against Kilrossanty at Bushy Park. Back row — Margaret Cunningham, Deirdre Nagle, Suzanne Nagle, Sarah Power, Catriona Hanley, Catherine O'Mahoney, Caroline Dwyer, Cloda McGuinness, Caroline Shanahan, Nicky Sheehan, Jim Nagle, Jamie Nagle; front row — Thea O'Riordan, Lian Cummins, Tara Ellard, Ellen Regan, Bridget Whelan, Lisa Power, Fiona Sinott, Niamh Harty, Trisha Sheehan.

## U/16 LEAGUE CHAMPIONS Dungarvan 4-2 Kilrossanty 0-5

Dungarvan played some of their best ever football to overcome a determined Kilrossanty team in the under-16 league final on Saturday week at Bushy Park. From the throw-in Dungarvan looked keen and determined and with two early scores (a point from Catriona Hanley and a goal from Deirdre Nagle) settled well. Kilrossanty piled on the pressure before D. Nagle settled us with a pointed free and when nearing half time we were awarded a penalty it was Deirdre who stepped up to slot it home and leave us at half time with a comfortable lead.

The second half however saw Kilrossanty storming

back and with 15 minutes played they had cut the deficit to 2 points, but with Sarah Power making some great saves and Fiona Sinott rock solid at full back, Kilrossanty couldn't find their way through for a goal. A great clearance up the field from Suzanne Nagle found Bridget Whelan who passed it in to Clodagh McGuinness and from close range Clodagh made no mistake. Five minutes later Clodagh added a second great goal to leave the result in no doubt.

It was a fantastic display by all 15 players but special mention must be given to Fiona Sinnott, player of the match and to Deirdre Nagle who ran tirelessly from start to finish.

Considering the team only played together since April,

they've come on a long way and fully deserved their great win.

Team was — Sarah Power, Catherine O'Mahony, Fiona Sinnott (capt.), Thia O'Riordan, Lisa Power, Niamh Harty, Caroline Dwyer, Suzanne Nagle, Deirdre Nagle (2-1), Catriona Hanley (0-1), Leanne Cummins, Ellen Regan, Patricia Sheehan, Clodagh McGuinness (2-0), Bridget Whelan. Subs., Tara Ellard for Leanne Cummins, Caroline Shanahan, Laura Regan, Jackie Ferncombe.

## THANK YOU

These under-16 girls owe their success to Nicky Sheehan and Margaret Cunningham who worked hard with

them all year. Many thanks to both of them for all the work they put in.

## GET WELL

## GAELIC FOOTBALL SKILLS — CATCHING

Catching is perhaps the most spectacular feature of Gaelic football. There is nothing more thrilling for the spectator to see or the individual player to experience than the clean catching of a high ball.

Catching is a difficult skill, especially when challenged in the air. Your play will be governed by the skill and speed with which you make the catch.

The factors controlling the skill of catching are: mental determination to catch and hold the ball; eyes intent on the ball; moving to meet the ball; timing and judgment which are all important to take the catch at the peak of the jump, and finally hands properly shaped to receive the ball.

Note — Moving to MEET the ball is good advice for ALL catches.

If a player is injured in the course of a game, should the referee automatically stop the play or not?

**DR. HARTY CUP HURLING**

# Lismore Well on Top

LISMORE C.B.S. 3-14

DE LA SALLE (WATERFORD) 2-5

Lismore gave a power-packed hurling display when they took on and beat Waterford's De La Salle College by 3-14 to 2-5 in their Harty Cup first round replay at Stradbally on Wednesday of last week.

Though 'Salle were short two of their established players, it is doubtful if their inclusion would have made any great difference so great was Lismore's dominance over the hour.

Lismore played some stupendous hurling over the hour and with total control in all the key areas they were much too strong for the city side for long periods.

With just three minutes gone Stephen Curley's point gave Lismore a lead they never relinquished. They had increased their lead to 0-8 to 0-2 by the 24th minute before De La Salle produced their best efforts of the game in the time leading up to the interval.

Shiel Costelloe pointed in the 27th minute and almost immediately Derek McGrath evaded the policing of Emmett Quann for the only time during the hour to score an exceptional goal.

With just two points between the sides at the interval (0-8 to 1-3) it was felt that De La Salle were poised for a comeback. But

Lismore had other ideas as within two minutes Dave Bennett shot home a great goal.

Dan Shanahan and Bennett tacked on points and when Shanahan shot home Lismore's second goal in the 40th minute Lismore were well on their way to victory.

De La Salle's first score of the second half did not come until the midway point and Clive Keane's goal nine minutes from time gave them some hope. But it was short-lived as Lismore came storming back for a goal from Shanahan and a point from Bennett to set the seal on their great win.

Scorers: Lismore — D. Bennett 1-7, D. Shanahan 2-4, S. Curley, E. Quann and E. Bennett 0-1 each. De La Salle — D. McGrath 1-0, C. Keane 1-0, F. Crowley 0-3, D. Jordan and S. Costelloe 0-1 each.

Lismore — B. Landers, J. McNamara, B. Sheehan, A. Whelan, J. Roche, E. Quann, T. Veale, E. O'Brien, S. Barry, S. Curley, D. Shanahan, E. Bennett, J. Twomey, D. Bennett, W. Murphy.

Referee — N. Barrett (Carrigtwohill).

# Weakness In Attack Costs Waterford

TIPPERARY 0-11, WATERFORD 0-10

(By Our Cappoquin Correspondent)

This game, played at the Sportsfield, Cappoquin on Sunday last, attracted a very big crowd to the venue. Despite the heavy ground conditions, there were patches of very good hurling. Both sides were intent on victory and the clashes were sometimes so intense that one was reminded of a Munster championship game.

Waterford needed the points to at least steer clear of relegation worries. The selectors experimented by playing a number of younger players and in fairness to them the gamble almost paid off.

The goalkeeper and backs were solid throughout the game and it's to their credit that Tipperary didn't manage to score a goal, although keeper Ray Barry rescued them again and again with some astonishing saves.

At midfield Tourin man Tom Fives fought out a rare duel with Tipp's first-class newcomer O'Meara, with the nod going to Tom who managed to score two good points as well.

As in so many previous games, the Deise's weakness was in attack. It says a lot that only two of the original six forwards managed to score even though the chances were there. Also, they had a tendency to try for goals when points looked the easier option. They had two penalties saved, each time by an outstanding goalkeeper.

Tipperary introduced Aidan Ryan at half time, which was for them the match-winning move. As well as playing at wing forward, he was prepared to forage behind his half backs and effect some telling clearances, as well as scoring three precious points.

The last five minutes belonged to Waterford. Following the introduction of O'Connor, Hubbard and Prendergast, they managed to whittle the lead down to two points. Then, on the stroke of time, they were awarded a close-in free.

Paul Flynn looked certain to try for a goal, but to the astonishment of the home following he tapped the ball over the bar, notwithstanding shouted instructions from the selectors. In fairness to Paul he was probably out of earshot, which would suggest that the backroom team might have been better placed. Unfortunately, there was no time for any

more and the league points went to the Blue and Gold.

Waterford mentors and supporters cannot have been too disappointed. The team played with great vigour and urgency and no doubt playing like this they will win matches. The selectors policy of trying out the younger players is obviously the correct one, even though the price may be dropping a few league points. The strategy has worked in other counties, so why not here!

# Dungarvan Footballers Lose In Clare

**KILMURRAY/ILBRICKANE 0-13 DUNGARVAN 1-2**

Dungarvan senior footballers lost to Clare champion Kilmurray/Ilbrickane by eight points in the semi-final of the Munster Club Championship at Quilty on Sunday.

The Waterford side faced an uphill battle almost from the throw-in and found themselves three points in arrears inside the opening four minutes. They were six points in arrears when Fergal Cunningham opened their account with a point after 19 minutes. Morrie Ferncombe pointed a free in the 28th minute to leave only 4 points between the sides, but the Clare side finished the half with two further points to leave the home side 0-8 to 0-2 in front at the break.

Kilmurray started the second half as they had finished the first and pointed twice in the opening 11 minutes of the half. They were 0-12 to 0-2 in front when Dungarvan substitute Peter Power goaled in the 56th minute, but it was a case of too little too late and the winners added another point on the stroke of full time from top scorer Paul Hickey, who contributed eight of their points.

Conditions were ideal for the game at the excellently laid out Quilty venue and the attendance of 1,500 showed the interest in the game.

Martin Sheehan, Eddie Burke, Martin Kelly, Peter Ferncombe and Darrell Donnelly tried hard for Dungarvan, but inability to kick points from scoreable positions was to prove costly.

Scorers: Kilmurray — P. Hickey 0-8, O. O'Dwyer 0-3, D. Coughlan 0-2. Dungarvan — P. Power 1-0, M. Ferncombe and F. Cunningham 0-1 each.

**A BIG EFFORT**

After six months of hard work by our diligent sub-committee, the fruits of their labour were unveiled at the Local Directory launch, at the Clonea Strand Hotel on Monday evening last.

Elsewhere in the issue, you can read the precise details of this very innovative project which has been underway since last April. All that remains is to congratulate and thank David Walsh, Joe Sheehan, Matt Carey, Danny Lenihan, Johnny Byrne and Larry Cliffe on a job well done.

**UNDER-12 FOOTBALL**  
Our U-12 football semi-final against the Brickeys was postponed last weekend due to the inclement weather conditions.

**TIMES PAST**

In a week that sees Western champions An Rinn attempt to capture the county intermediate football championship, it is highly appropriate to look back on the year that our two clubs combined to participate in the county senior football

**championship.**

The year was 1962 and the group selection was known as Taobh na Ghlean-na. In the 1st round they accounted for Dunhill by 3-8 to 1-2, at the Fraher Field on July 1. The Geraldines provided the opposition in the 2nd round and took the honours by 3-5 to 0-6.

The team for that game was — T. Hogan (B), S. Kiely (R), M. Kiely (capt.) (B), J. Harty (R), M. Keane (R), S. Murray (R), J. McGrath (B), P. Harty (R), S. Robinson (R), T. McGrath (R), T. J. Harty (R), J. Hogan (B), B. Curran (R), R. Curran (R), P. Hogan (B). Subs. — L. Maher (R), D. Barry (B), J. Elstead (B), T. White (R), D. Musgrave (R), P. McGovern (B), J. Leahy (R), J. Hayes (B), D. Flynn (B), D. Murray (B), M. Hogan (B), P. Barron (B).

The selectors were — J. Curran (R) and T. Mansfield (B).

We hope that this feature jogs some memories in both clubs, and also best wishes are extended to An Rinn for Sunday's final.

## NEXT WEEK-END

# Footballers Take On Carlow At Walsh Park In National League

The problems to be faced in fielding a strong team to play Carlow in round 4 of the football league on next Sunday, were clearly spelled out by team manager, Michael Brophy at last week's meeting of the County Board in Dungarvan. For the past three league matches the team had to field without quite a number of selected players for a variety of reasons.

They were short against London because the intermediate hurling county final, involving Stradbally and Clonea, was being played on the same day. They were short players against Limerick, but thankfully they played exceptionally well and won. On Sunday, Nov. 7, they travelled to Longford short 8 of the actual team and 5 substitutes because clubs still engaged in the

club championships were not willing to release players. All this, he said, was because our championships were running late. He asked if members of the Board had ideas as to how the problem could be overcome.

There will be a delay in selecting the team as the committee will have to await club decisions about availability of players.

It is unfortunate that we

are not able to field our very best team for this game as it is a match that could well be won. Our visitors, Carlow, have played only two matches so far and have been beaten. With nine counties in our division there is a fortnightly bye and they were the team not playing when we travelled to Longford. Carlow were beaten by Wicklow (0-11 to 0-9) and by Westmeath (1-11 to 0-12) but they played very well in both and will be very anxious to break their losing sequence when they travel down here on Sunday.

Backboned by champions Eire Og players (with whom Michael Brophy won minor, junior and senior honours before moving to Waterford) they will have such men as Tom Hannafin, B. Hannon, M. Birmingham, Jn. Hughes, M. Murray, T. Cullen, Nick Fallon and company.

Waterford selectors suggested that an application for a postponement of a week or so would help as it would ensure that the players involved in our county final would be available. The County Chairman pointed out that recent G.A.C. declarations and point blank refusals to grant postponements to other counties who had applied,

would make such an application a waste of time. The team is not likely to be selected until midweek, but if it does become available it will be published elsewhere in this issue.

## INTERMEDIATE FOOTBALL FINAL

At the time of writing I am unsure about this fixture, but should the eagerly awaited clash between Newtown and An Rinn go ahead, it is a match not to be missed as by all accounts it will be a cracker.

Newtown will be contesting their third final and must be strongly fancied, but the very commanding performance by the Western champions in the divisional final against Ballinameela must have convinced many that they will be hard to beat here.

## JUNIOR FOOTBALL FINAL

This fixture is running behind schedule because of a number of circumstances and there is some pressure on the Board to play it and release Lismore, who are due to play the winners of the Kilgobinet/Seana Phobal clash, for the under 21 county final against Portlaw at Walsh Park.

## Lost Time!

On many occasions throughout the year I have observed a discrepancy in the timing of championship games and there have been more than a few occasions when others drew my attention to the matter and asked for comment. I am referring to the time allowed by referees to compensate for the time lost because of players being down injured.

One of the occasions which stand out in my mind was a hurling game in the league section of the championship here in the West this year when the referee blew full-time after 30 minutes of the second half when there had been a minimum of four minutes of stoppages due to a number of reasons. One team won the game by a goal (2-8 to 0-11). The referee was given some abuse but ignored it. In writing this, I must first of all acknowledge that the referee is the official in charge and the only one entitled to judge the timing of a match.

Here is what the rule states about timing:

"To record playing time and to extend time in each half for deliberate or incidental delay, or to allow for a free — awarded before time had expired — to be taken. Should the defending team commit a further foul before the referee whistles for full-time, he shall further extend the time to permit an additional free to be taken from which a score can be made — providing no other player of the side taking the free, touches the ball."

### INJURIES AND INCURSIONS

"The referee may give his permission to a team medical officer or one authorised official to enter the field of play to examine an injured player. No other official from a team shall enter the field of play. Play shall not be stopped for injury to a player, except in exceptional circumstances to enable seriously injured players to be treated on the field or removed from the field of play. All other injuries shall be treated off the field of play.

This particular rule was introduced a few years ago to help defeat certain forms of gamesmanship and malingering. It was also designed to ensure that all club matches would enjoy 60 minutes playing time.

## SENIOR FOOTBALL SEMI-FINAL

# Nire Annihilate Kilrossanty

The Nire qualified for a senior football final clash with reigning champions, Dungarvan, when they annihilated Kilrossanty in a completely one sided semi-final at Kill on Saturday last.

Conditions were atrocious for the game but Nire adapted better to the heavy going and were fully worth their 0-9 to 0-1 winning margin.

On this form they will certainly pose serious problems for the champions when they line out against them next Sunday week.

They dominated this game from the very start and their overall superiority can be

## NIRE 0-9 KILROSSANTY 0-1

easily gauged from the fact that the Comeragh side scored just one point over the hour and that was from a placed ball.

The winners had the wind behind them in the first half and sent over points by Seamus Cuddy, Michael Guiry (free) and Tony Condon.

They had increased their lead to 0-6 to 0-1 by the interval Kilrossanty's lone score coming from a Jim Maher free just a minute before half time.

The Comeragh side made several changes at the break but they failed to show any

## FOUNDATION COACHING G.A.A. COURSE

A very important new development in the whole area of coaching has come into operation. The whole area of coaching as we know it is going to change dramatically in the near future. To avoid any possible litigation procedures, in the foreseeable future, only qualified coaches will be covered under the G.A.A. Insurance Scheme.

The National Coaching Games and Development Committee in conjunction with the Munster Coaching Games and Development Committee has launched a new range of coaching courses which have and will be given nationwide.

The initial course, termed the Foundation Course was held in Limerick University on Saturday, November 6. The tutors for the course were Brian Lotty of Cork (hurling) and John Cummins of Tipperary (football). It lasted for six hours. The aim of the course is "to provide those who have a peripheral involvement in preparing teams with a range of basic organisational and instructional skills."

It consisted of one hour's discussion about coaching in general — the who, why, what it is about. This was followed by a 2 hour outdoor session involving the passing on of the various skills. After lunch a further 2 hour session involved the structuring of a total coaching session. A one hour discussion was held to evaluate the course.

It was attended by coaches from all Munster counties. The Waterford representatives were Eamonn O Mairtin, Timmy O'Keeffe and Pat Condon (football) and Declan Murphy, Pat Moore, Macdara Mac Donacha and Joe Carton (hurling).

All who successfully completed will receive a coaching certificate from Croke Park which is officially recognised by NCTC Limerick. The next stage, a LEVEL ONE course will be held in early 1994.

As in all other counties, Foundation Courses will be held in Waterford. The hurling course, catering mainly for east Waterford, will be run in Waterford RTC on Saturday, December 4 from 10 a.m. to 1 p.m. and from 2 p.m. to 5 p.m. The fee is £10 which includes a lunch. Special application forms are available through all club secretaries and completed forms with fee should be returned to Joe Carton, 3 The Glen, Waterford.

The football course, catering mainly for West Waterford, will run in St. Augustine's College, Dungarvan, with the same times and fee. The forms for the football courses should be returned to Eamonn O Mairtin, c/o C.B.S., Dungarvan.

**N.B. — The closing date for both courses is Wednesday, December 1.**

All clubs are urged to send at least one coach to the courses, bearing in mind the new insurance regulations which are imminent. Two further courses will be held, in opposite venues, in early 1994. All those who successfully attend will receive a national foundational level coaching certificate from Croke Park.

G.A.A. NOTES

BY "COMMENTATOR"

# County Board Meeting — A Stormy Session

Eamon O Murchú, Chairman presided at last week's meeting of the County Board which was a lengthy and sometimes stormy session. It took about four hours to dispose of 17 items that had to be dealt with.

## MINUTES

Arising out of the minutes of the previous meeting, S. O'Brien referred to the County Chairman's decision to insist that a recommendation from Coisde Na Peil required a two-thirds majority despite many submissions from the floor that only a simple majority was needed. The matter, he said, had been appealed to the Munster Council, who, having adjudicated on the matter, declared that a simple majority only was required.

In view of the Munster Council ruling that the Coisde na Peil recommendation be put before the next meeting of the Waterford County Board for decision by a simple majority, he asked would the Chairman agree to have the matter dealt with at this stage. The Chairman stated that the matter would have to be left until "any other business."

Tom Hennessey complained that in relation to the same matter that he had been misquoted in the minutes by the Secretary and that he had not proposed a direct negative to the Coisde na Peil motion. The Co. Secretary stated that he had recorded what was said on the occasion. Tom Hennessey disagreed.

## EQUIPMENT OFFICER

Details of the appointment of the Co. Board Equipment Officer were given when the Chairman reported on a briefing given to the new official at a recent Coisde Gnótha meeting. He said that all equipment required for county teams will in future be purchased by Stephen Power, Kilgobinet Club and selectors will obtain their supplies of hurleys, sliothars, jerseys, footballs, bibs, training cones, etc., from him. He will purchase in bulk at the most competitive prices and supply all the needs of teams.

Stephen is a member of the County Finance and Development Committee and was the official responsible for organising the purchase of £14,000 worth of equipment for the schools earlier this year.

Details of a meeting with the Post Primary Schools were also given as was an account of a meeting with the Walsh Park Field Committee. The Chairman said that the up-to-date plans for the development of a city venue were presented to the

members of Coisde Gnótha and the approximate costs were also given. He said that the setting up of a 'ways and means' committee to raise additional funding, was under consideration by the Walsh Park Committee, but no positive decision was taken in this matter. A further meeting with the Walsh Park Committee is arranged for Monday of this week.

## FOOTBALL TEAM MANAGER

What could only be described as a very bizarre affair resulted from the appointment of a football team manager which had been the subject of much controversy over the past number of weeks.

The Munster Council ruling was that its meeting in Limerick on 3/11/93 decided in respect of the above appeal that Coisde Cho. Portlairge CLCG, was, at its meeting in October entitled to appoint a senior football team manager on the basis of a simple majority.

"Coisde Achomhrairc na Mumhan instructs Coisde Phortlairge CLCG to put before its members at its next County Board meeting, the recommendation of Coisde Peile, Phortlairge on the appointment of a senior football team manager for ratification or otherwise by simple majority vote."

Quite an amount of argument went on regarding the manner in which the recommendation should be put to the meeting. The Co. Chairman said he would accept any amendments that were put and there were several submissions that this was an improper way of dealing with the matter. It was submitted that the recommendation should be put to the meeting and then, if defeated, the Board could proceed to elect a manager, if it so wished. The instructions from the Council were that the recommendation be put to the meeting for ratification or otherwise and the majority felt that this was the way in which it should be done.

Finally the recommendation was put to the meeting on the proposition of John Jackson and the amendment was that the manager of the football team be chosen by the selection committee. A roll-call vote resulted in a 28/25 in favour of the recommendation. Others who were keeping a count did not get the same result, but all, with one exception, had a majority of at least two votes. Because there was a discrepancy in the count the Chairman ordered another vote and this caused uproar at the meeting. The Chairman kept on insisting that

another vote be taken and after a lot of arguing, it was taken and resulted in a majority vote for the Coisde na Peil recommendation. Michael Brophy, Manager, thanked the meeting and pledged himself to continue to do his utmost for football and appealed to clubs to give the selectors their full co-operation in the coming months.

## OTHER MATTERS

Tommy Hennessey raised the matter of the county football team wearing the Kilrossanty jerseys for the league match against Limerick.

He was informed that this was due to an oversight and the fact that the regular official who looks after this matter was out of the country on the day. Kilrossanty Club were thanked for the use of the jerseys (which proved lucky).

Noel Nugent, Clashmore Club, referred to the County Board policy of playing most of our important matches, semi-finals, etc. on Saturdays. He said it was not the most suitable day for everyone and our revenue was suffering as a result. The Chairman said the Board were trying to leave the Sundays free for national league games and matches had to be played as time was not on our side.

Timmy O'Keeffe, Manager Under-21 Football, stated that a panel of players had been drawn up and the committee would shortly announce details of their training schedule. He was glad to report that Larry Tompkins was again willing to assist with the training when it begins shortly.

The matter of acquisition of land in the city area for juvenile games was raised by Eastern Board na n-Og Secretary, Liam Cheasty. The matter was discussed briefly and a decision was taken as to how they should proceed. The matter is to be kept under close review.

## REPORTS

There were reports from the senior hurling and senior football committees relating to league progress and again the meeting took note of the complaints about players not being available to them because of the club championships. John Jackson raised the matter of the appointment of another junior hurling selector and it was agreed that this would be done at the December meeting.

## COUNTY CONVENTION

The County Convention date was set for Saturday, January 15 and will take place at the Park Hotel which is the venue agreed on the rota which began three years ago. On the proposition of Joe Byrne it was agreed that a small committee be set up to organise the lay-out of the hall. Nominations and motions must be back with the Secretary by December 10.

At the moment there are many rumours circulating and even if half of them are correct we can expect interesting and exciting happenings before the 1994 County Board is finalised. Erin's Own County Board delegate has already openly declared himself a candidate for the county chair and confirmed to us that he will contest the position. There are other names being mentioned around the county also and these include Tony Mansfield, James Tobin, Greg Fives, Frankie Cullinane and Declan O'Meara.

The rumours relating to the contests for the other positions will need some sorting out before they can be published, but I hope to keep readers in touch as the weeks go by.

## WATERFORD CRYSTAL PRESENTATION

As promised earlier this year, Waterford Crystal will distribute pieces of their world famous product which will be given as awards to players in adult and under-age grades as well as to all clubs in the county for presentation to the clubman of the year in all units.

The firm have now notified the Board that two functions have been arranged — one in each division — and at which the glass objects will be presented.

The function in the West will take place at Lawlor's Hotel on Friday, November 19 at 8.30 p.m. and at a Waterford Hotel on the following Friday night for the clubs in the Eastern division. Each club in the county has been invited to send two representatives to the buffet and presentation.

## AWARDS

The Awards Committee for 1993 were appointed at last Monday's County Board meeting and the composition of the group will be the same as last year. This means the County PRO, the three representatives to the Co. Board from both divisions and the divisional Vice-Chairmen. The Chairman of the Board will appoint a Covenor of meetings.

## ARDMORE VENUE CLOSED

The Ardmore Club have informed the County and Divisional Boards that their venue is closed from now until the end of February for goal resodding and general repairs. This venue, which is all-weather, has become a very popular ground over the past number of years and from a spectator point of view is very popular in summertime.

## FINANCE

County Treasurer, James Walsh gave an update on the finances since the last meeting and gave the gate receipts for the various games since the account in October. Following a discussion on the appointment of an auditor for the current year, it was decided on a vote to advertise in all the county papers at the weekend.

## LEADERSHIP/MANAGEMENT

The meeting agreed to become involved in the Leadership and Management Seminar for Club and Board Officers which will be undertaken by Croke

Park on a date to be arranged. The Chairman impressed on delegates the importance of having their clubs represented now that the Board has decided to proceed.

## COISDE NA PEIL

Coisde na Peil which has been very much in the news lately will have a bigger number on their committee when they next meet as by decision of the County Board their strength has been increased from 10 to 13.

A total of 23 were nominated and the following were elected to the new Coisde: Fr. P. Moran, St. Augustine's College; Denis McGrath; Affane; Eamon Martin and Pat Condon, Brickeys; Seamus O'Brien, Abbeyside/Ballinacourty; Timmy O'Keeffe, Clashmore; Ned Flynn, Gaultier; Noel Kirwan, Rathgormack; Tom Cunningham, Stradbally; Ger Walsh, Kilrossanty; Declan Barron, Ardmore; Jim Wall, Nire; Michael Brophy, St. Saviours.

## SPECIAL CONVENTION

All clubs are reminded to meet the discuss the document which was recently distributed and which related to the restructuring of County Boards.

The special Convention will take place at Lawlor's Hotel on next Monday week. No final decisions will be taken here but clubs, having been given a clear outline of what is proposed, will be able to formulate motions for the County Convention.

It is expected that not all of the proposals will be acceptable and particularly the proposal to set up a Games Administration Committee who will be responsible for fixtures, discipline, appeals, etc., etc. This would give far too much power to a small group of five people, whose decisions in relation to the imposition of suspensions, etc. would not be subject to Board approval.

A number of proposals are worthwhile and will likely be supported and eventually adopted. These include the development committee, a communications group, youth committee, etc.

Clubs will be entitled to be represented in the same strength as at the normal County Convention.

# Launch Of Local Telephone Directory

CONTINUED FROM FRONT PAGE

Speaking at the official launch, Mr. Matt Geary of the Directory Committee said that the "time was ripe for a new directory," especially following the increase in the number of fax machines, telephones, new companies and new housing estates.

Also speaking at the launch, Mr. Pat Moore, chairman of the Abbeyside/Ballinacourty GAA Club described the venture as a "major step forward in the development of the club," which, he said, will help provide funding for future development programmes in the Burgery grounds such as a new indoor training hall.

Mr. Tony Wright, Chairman of Dungarvan UDC, praised the "wonderful initiative" shown by the committee and commended the club for its "caring attitude" in donating a portion of the funds to the West Waterford Hospice. "I believe the directory will be an instant success as it is something people will want," he added.

Speaking on behalf of the Hospice Committee, Dr. Maurice O'Sullivan thanked the Abbeyside/Ballinacourty GAA Club. The funds, he said, will go towards the funding of three home care nurses who deal with cancer patients in the area.

The Chairman of the Di-

rectory Committee, Mr. David Walsh, stated that although the distribution outlets have not as yet been decided, any information on its availability can be obtained from his premises in Dungarvan. Phone 058/42786.

Concluding the launch, Mr. Matt Geary thanked the sponsors, Clonea Strand Hotel, printers, members of the press and all who attended the launch.

Overall it is felt that it was a very successful venture and because of the quality of the finished product, should be a very popular and useful book for many years to come.
