# Council Fail For Second Time To Strike Rate

As the grim financial facts of life were again spelled out in their most stark form, the members of Waterford County Council failed for a second time last Monday to strike a county rate for 1994.

They will meet for the third time next Monday — a mere three days before the deadline date set by the Dept. of the Environment for the striking of the rate. Failure to do so would al-

most certainly result in the abolition of the Council and its replacement by a Commissioner appointed by the Minister.

It's unlikely in the extreme that that will be the

ultimate scenario, but members openly acknowledged at Monday's meeting that the Council's overall financial position is now a "hopeless" one.

In his detailed report to the previous estimates meeting, the Acting County Manager, Mr. Brian J. McNally, had disclosed that to balance the books and retain

employment and service levels a rate increase of 18% would be needed. Additionally water charges would have to be raised by 15% — bringing them to about £127 annually — and an increase from £1.50 to £2 per refuse collection tag.

Before Monday's meeting was a further report from

## KILMACTHOMAS G.A.A. NOTES

**1921 Team** — During the celebrations of our junior hurling victory in the county final recently, I was handed the names of the players that last won the championship for Kilmac' way back in 1921. Incidentally, the only surviving member of that team is Paddy O'Reilly, Main Street, Kilmacthomas who played at left half back, the same position as his grandson Patrick played in this year's county final.

The full team was as follows and I'm sure it will jog a few memories — Willie Hayes, Paddy Kelleher, Eddie Power, Jimmy Whitty, George Kiely, Jim Kelleher, Paddy O'Reilly, Moat Kirwan, Jim Kirwan, Davie Power, Willie Power, John Walsh, Danny Reilly, John-Andy Power, Mark Kiely.

## County Final On Video

— A video of our recent junior hurling county final win plus exclusive post match interviews, will be shown in Keating's Bar, Kilmacthomas on Friday night next, November 26, at 9 p.m. I can assure you that this is great viewing with '92 "Culchie of the Year" Tony Coffey commenting and match interviews out of this world.

After the Requiem Mass the interment took place in the family plot at Ballyduff cemetery. Again a large cortege were present. Fr. Curran and Fr. Langford, C.C., officiated at the graveside.

# Pat Noctor Memorial Trophy For "Supreme Young Sportstar"

Pictured drawing up plans for the "Pat Noctor Memorial Trophy" are (standing, left to right) — Dave Sheahan (Chairman Dungarvan District Garda Social Club), Jim Joe Landers, Kieran O'Connor and John A. Murphy (adjudicators); seated — Mary Ashe (adjudicator) and Eddie Fitzpatrick (Dungarvan District Garda Social Club). —(Sean Byrne Photography).

A Dungarvan-based garda who gave so much of his time to helping young people and whose untimely death last March robbed the Force of one of its most exemplary officers, is to be remembered and honoured in an appropriate way by his colleagues.

The Pat Noctor Memorial Trophy and replica will be presented annually to the "Supreme Young Sportstar of the Year" by the Dungarvan Garda District Social Club, and the inaugural presentation will be made at a function in Dungarvan next January.

The age limit will be under 18 years on January 1 and will be confined to boys and girls living in the Dungarvan Garda District which embraces Cappoquin, Lismore, Tallow, Ring, Aghlish and Ballymacarbery.

Garda Noctor, a native of Gorey, Co. Wexford, died on March 6 last, a victim of the motor neurone disease. He was aged 53.

He served for twenty-six years in Dungarvan where he enjoyed the esteem and respect of the entire community. He was the Garda Juvenile Liaison Officer for twelve years from 1981 until his death eight and a half months ago.

Sport was one of his great social loves and he himself excelled at several different sports. He played football with his native Wexford and was a hurler of considerable ability too. He was an exceptionally talented handballer, a sport at which he garnered many honours over the years.

Sgt. David Sheahan, Chairman of the Dungarvan District Garda Social Club, said they had decided that the presentation of a memorial trophy annually to a young sportstar would be a fitting way on honouring Garda Noctor's memory.

"He loved sport, he worked closely with young people in his job, and this annual award will honour his memory in a way we, his colleagues, believe he would like," said Sgt. Sheahan.

The panel of adjudicators comprises Jim Landers of WLR FM, Kieran O'Connor of Waterford Foods plc, Mary Ashe of Árd Scoil na nDéise and "Cork Examiner," journalist, John Murphy.

A "short list" of nominations will be finalised in mid-December and the first "Supreme Sportstar of the Year" for 1993 will be named at a function in Dungarvan in January.

## Waterford Features In Top 100 Irresistible Weekends

Waterford has won a place in the Kellogg's Crunchy Nut Corn Flakes Guide to 100 Irresistible Weekends.

A new concept, edited by Judith Chalmers with data and maps researched by the Automobile Association, the guide combines for the first time, everything needed for planning "irresistible" weekends — places to stay, where to eat and things to do, all on one page, for everyone and every pocket.

Waterford is among 100 prime locations throughout England, Scotland, Wales, Northern Ireland and the Republic of Ireland, to be selected.

For each location the guide recommends two places to stay (Waterford Castle and Richmond House, Cappoquin, are included); three places to eat (Prendiville's Restaurant, Waterford and the Candlelight Inn at Dunmore East, are among the recommendations); and two sites to see. And for each location, an irresistible option of the most indulgent activity in the area (the Waterford Crystal factory).

# Council Fail For Second Time To Strike Rate

CONTINUED FROM PAGE 1

Mr. McNally on the implications of introducing a "four day week" at the administrative headquarters in Dungarvan. The possibility of its introduction had been mooted by Fine Gael's Cllr. Gary O'Halloran at the last estimates meeting.

Mr. McNally disclosed that there could be a saving of £300,000 a year by such a move, but to achieve that there would have to be trade union negotiations, legislative change to protect the superannuation of staff and a complete rescheduling of current procedures to ensure that payments and payroll requirements were met.

The "four day week" suggestion, however, came under stinging attack from several councillors.

"Ridiculous" was how Cllr. Tony Wright described it. "It's totally idiotic" said Cllr. Austin Flynn.

At the outset of the meeting a letter from the Minister of the Environment confirmed members worst fears - there would be no additional funding to the Council in the coming year.

That led to Cllr. Jimmy Quirke (FF) commenting that the recent deputation they had sent to meet the Minister had been a waste of both time and money. But he warned that unless Central Government provides local authorities with adequate funding to run their affairs they will be in a dire situation out of which they will never come.

His Fianna Fail colleague, Cllr. Kieran O'Ryan, said he was acutely disappointed with the Minister's negative response. Damage caused to their county roads by the rains of last month had come to £141,000 and the Council simply doesn't have the resources to meet that cost.

The County Manager, Mr. Dan Hurley, told the meet-

ing that pay increases negotiated at national level will have a significant cost implication for the Council in the coming year. However, while their rate support grant had been increased by just £95,000 their overall increases, which must be met, run close to £500,000.

Mr. Hurley stressed that he, like the councillors, wants to retain their entire labour force but to do so they will have to provide the money to pay them. "We are trying to provide a level of services which the Department, through its inadequate rate support grant, says we cannot afford", he added.

Mr. Hurley said that if they were to adopt a rate increase of 2.5% and a similar increase for water there would be a financial shortfall of £346,000, while a 5% increase would leave the shortfall at £283,000.

A 1% rate increase will bring in just £13,400 for us, whereas in Cork it will bring in £160,000", he said.

The chairman, Cllr. Con Casey, said it seemed to him that they haven't a snowball's chance of balancing the books.

Cllr. Tony Wright (Democratic Left) then proposed that they abolish service charges in 1994 - a move that would further reduce the Council's income by £750,000. He was seconded by FF's Cllr. Jackie Fahey who stressed that he had always been consistent in his opposition to these charges.

Mr. Paul Clerkin said that over the past decade the water charge collection has been 93% throughout the county.

Mr. McNally warned, however, that such a measure would put the entire organisation at risk.

"If the proposal is carried it will bring fierce unemployment to county Water-

ford", warned Cllr. William McDonnell (FG). "Those who support the abolition of service charges are supporting the mass laying off of Council staff".

The chairman said if the Council is abolished it is the very people they are trying to protect that will become the victims.

Cllr. Wright's proposal for the abolition of service charges was overwhelmingly rejected on a 19-3 vote, with FF's Cllr. Pat Leahy also voting for their abolition.

Cllr. Pat Coffey said it is ironic that at a time when the Government is preparing to go on the biggest spending spree in the history of the State through the National Plan the councillors are racking their brains to try and keep their staff at work. "It is a fiasco", he added.

Replying to Cllr. Pat Leahy, Mr. Clerkin, disclosed that they are losing £65,000 a year on their refuse collection service.

When Cllr. Leahy said they couldn't afford that level of loss, the Manager agreed but said it is one of the prices to be paid to retain the staff.

Finally it was agreed to adjourn to a third meeting next Monday. In the interim the County Manager will prepare a "position paper" in which he will put forward suggestions where cuts might be made in areas that will not affect employment within the Council and on the basis of a rate increase in the area of 4% to 5%.

It was also agreed, on the proposal of Cllr. Quirke, to ask the Minister for the Environment to make an advance payment of part of the 1994 rate support which will enable the cash-strapped Council to make savings on its bank charges.

# Get those odd jobs done before winter

NOVEMBER is generally the lull before the winter storm and popular with gardeners as a chance to complete odd jobs before really cold weather arrives. Digging is the major task and benefits from weather to come breaking up the turned clods, but the task can be spread over the next few months if you find more pressing tasks for November. Before you do any, remember these dos and don'ts:

Don't walk on and compact the grass if you can help it. It is especially vulnerable and brittle after frost.

Do clean and oil tools before putting them away if you don't think you will need them for the next few months.

DO try and support your weight by standing on a board when digging or working on beds and borders.

And here are a few of the jobs you may be facing:

Clearing leaves and garden debris. If left on the lawn they will mark it, while rubbish beneath hedges and bushes allows pests to over-winter and plague you next year.

Woody waste such as fruit canes and rose cuttings, together with diseased material, should be bagged up for the tip or burned — ash can be dug into borders to replace nutrients lost during the growing season.

Apart from tulips, most spring bulbs should be planted now.

Rub skins to check for mould and cut out any traces before dusting with fungicide. Bad cases are a waste of time and may infect others — throw them into the dust bin.

Repair the lawn by cutting and lifting sections with broken edges and rotating to allow the damaged part to regenerate while facing inwards. Replace bald patches with similar but new turf from other parts of the garden. Turfed lawns can be laid now providing the site has been prepared and is well-drained, but frost is a risk and turf is expensive. Alternatively, sow a new lawn in spring.

Perennials in the herbaceous border should have stems cut back. Sturdier stuff such as golden rod, asters or Michaelmas Daises thrive until late but can now be added to the compost heap. Rotted compost can be forked into the same borders before covering with a mulch of pulverised bark or chippings to deter weeds.

Plant deciduous trees, shrubs, roses and hedges now. Conifers are best left until spring. A cool greenhouse can over-winter less hardy plants and he made more effective by lining with 'bubble-wrap' packaging to create a crude double glazing — ideal for fuchsias and geraniums.

Deciduous climbers such as Virginia Creeper and honeysuckle can be planted now, but allow for the root spread by siting at least a foot away from walls. If you keep fish, watch for ice and carefully lift it out rather than breaking it — shock waves can kill fish.

# AMERICAN TRIP

By RICHIE WALSH

When dealing with Chicago's famous buildings it is hard to know where to begin. However, to me there is one outstanding building, not so much the building itself, but what it contains. It is the "Museum of Science and Industry," which is one of Chicago's great attractions. The museum, founded by Julius Rosenwald, occupies the reconstructed Fine Arts Building of the World's Columbian Exposition of 1893.

In its beautiful setting in Jackson Park, this structure is one of the finest examples of classic architecture in the world. With a total floor area of approximately 14 acres, it is host to an average 3,000,000 visitors who pass through its spacious portals each year.

Here, you can see anything from the proverbial "needle to an anchor." An idea of its size can be seen in the Hall of Flags. Here, suspended from the ceiling like butterflies, hang two of the actual planes used in World War 11, the immortal RAF Spitfire of the Battle of Britain fame and its nearly as famous German rival, the Stuka Bomber. High along the four walls of this room fly the many flags of the United Nations.

Of interest to agriculturists, is the beautiful lay-out in the farm section. Here can be seen the world's first reaper. It is a crude horse-drawn machine with a bare-foot boy astride the horse. It was fitted with the original version of the modern section type cutter bar, behind which was attached a kind of platform onto which a man on foot tried to gather into bundles the falling stalks.

As a boy I often worked on a future development of this idea. This was the side-harvesting equipment for making shaves on the old mowing machines. Only

this time I did not have to walk as a seat was placed over the wheel behind the cutter bar. In fact, I became quite expert at the sheaf making, due to the great ease and comfort of the binders. Appropriately enough, this contraption was invented by Cyrus McCormack, the founder of the great harvester and agricultural machinery empire. Side by side, with this exhibit stands a beautiful replica (life size) of the headquarters section of a modern fully mechanised 160 acre Mid-Western farm. Giving it authentic realism are the rolling fields, fully equipped farm building and fleet of up-to-date agricultural machines in similar operation.

In common with many thousands, I was thrilled to watch an actual birth at the museum. This is constantly taking place at the "Food

For Life" exhibit where you can watch the chicks emerging, bit by struggling bit, from their shells. In another exhibit one can see inside a human cell, which is magnified millions of times. Here too, you can walk through a giant replica of the human heart, you can see how its principal parts work, as they do in your body, and you can actually hear it throb!

Another very large room is occupied by a nearly life-size miniature railroad. It is the old Santa Fe Railroad which straddled the old US from coast to coast. In this model there are five fully automatic operational trains, continually moving through tunnels, in and out of stations, automatic signals, whistles, etc. In fact, one would be excused for thinking that one was standing in a very busy railroad terminus!

Next week I hope to illustrate the museum's greatest pride.

# Full of Eastern Promise

A poussin full of Eastern promise, this dish is easy and economical to prepare, and will evoke gasps of admiration from your guests as you unveil it.

Poussin is perfect for parties, as it looks so different and special, and is so quick to prepare. Simply pop your poussin in the oven around half an hour before you are ready to eat. A single poussin which weighs around 1lb, costs between £1.45 and £1.60 in most retail outlets, and will feed one person very comfortably, or two if you are also providing a starter and pudding. Mogh-

lai Poussin is prepared using a lightly spiced yoghurt marinade perfumed with saffron — redolent of its Persian origins, and very similar to a tandoori style. The dish is best prepared the day before and left to marinade overnight, leaving you with next to nothing to do on the evening of your party.

### MOGHLAI POUSSIN

#### Ingredients:

2 Poussin  
1/2 tsp saffron threads  
2 tsp mild curry powder or paste  
Seeds of 1 cardamom pod, crushed  
2.5cm/1" piece fresh ginger, peeled and finely chopped  
1 clove garlic crushed with 1/2 tsp salt  
125g/5oz carton natural yoghurt

#### To Garnish

Onion rings, lime or lemon wedge, quartered tomatoes.

Preheat oven to 220°C/425°F/Gas mark 7.

#### Method

Soak saffron in 1 tbsp boiling water for five minutes. Mix spices together and stir in the yoghurt and the saffron threads and liquid. Slash breasts and legs of the poussins and rub all over with marinade. Cover and leave to stand for at least five hours or overnight in the fridge. Scrape off the excess marinade and roast on a rick set in a roasting dish for 25-30 minutes, until the juices run clear. Serve with rice, onion rings, lime or lemon wedges, tomatoes and a green salad. Serves 2 to 4.

# Another Successful Emigrants Reunion

This was the 5th annual Emigrants Reunion held in London by the people of the parishes of Dungarvan/Abbeyside/Stradbally/Touraneena/Kilgobinet/ Ring and Ballinameela and it was probably the most successful to date.

More than 90 people travelled over by air and sea and joined with the hundreds from the London area and well beyond who assembled at the Stonebridge Community Centre for a thoroughly enjoyable social evening in which acquaintances were renewed and news about family and friends on both sides of the Irish Sea, exchanged.

Before the function, a large crowd attended the special Mass at the Church of the Five Most Precious Wounds which is adjacent to the Centre in Stonebridge.

The Mass was offered up by Very Rev. Fr. Finbar Lucy, P.P., Aglish/Ballinameela and the co-celebrants were, Very Rev. Fr.

M. J. Ryan, P.P., Stradbally who preached the Homily with emigration and the need to maintain the link with home, as the theme, Rev. Fr. John Kiely, C.C., Dungarvan, Rev. Fr. Peter Ahearne, C.C., Abbeyside and Fr. Michael Enright, C.C., Waterford.

Hymns were sung by Dungarvan man Charlie MacAllister and Michael Bulfin, Abbeyside who also provided the music on the guitar.

On Sunday night, the majority of those who travelled over attended a dance and social evening at St. Augustine's Community Centre in Hammersmith where they met many emigrants who could not make it to the Stonebridge Centre

on the previous night. Here again, our group thoroughly enjoyed the function and the hospitality accorded by Rev. Fr. Jim Kiely, formerly of Touraneena and whose labours on behalf of the homeless, the lonely and depressed in the English capital is widely acknowledged.

On Monday night the group travelled to another place of entertainment, which is run by a Dungarvan emigrant and which was also thoroughly enjoyed.

In between these engagements, the 'trippers' visited families and friends and moved around the shopping centre and markets and seeing the many places of great interest in the English capital.

Having returned to base all travellers expressed themselves very pleased with the arrangements and the total success of the reunion.

## TAX AMNESTY SCHEME 1993 — How It Works

The Tax Amnesty Scheme 1993 became law on July 14, 1993 and it applies to periods ending on or before April 5, 1991.

The Scheme has two direct parts:

1. — A "15% Incentive Amnesty" which applies to Income Tax, Levies and Capital Gains Tax owed by individuals for periods ending on or before April 5, 1991.

2. — A "General Amnesty" which waives interest and penalties on a wide range of taxes outstanding for periods ending on or before April 5, 1991.

Both amnesties are obligatory and must be claimed if applicable.

Probably the most important feature of the "15% Incentive Amnesty" is that it is not confined only to individuals who have undisclosed monies put away over a number of years. It can also be availed of by individuals who have simply fallen into arrears with payment of tax for periods up to and including April 5, 1991.

Certain individuals and tax who were subject to investigation or audit or proceedings on May 25, 1993 are excluded from the amnesty.

Q. — Do I need to bother with the Amnesty Scheme at all?

A. — Yes, if you have unpaid tax liabilities up to year 1990/91 inclusive, you must avail of the amnesty. It is obligatory.

Q. — What must I do to avail of the amnesty?

A. — You must, by November 30, 1993, if you

are claiming the "15% Incentive Amnesty" give the Chief Special Collector a full and true declaration of your income and chargeable gains coming within the terms of the amnesty on the prescribed Form A-2 and send on to him 15% of the amounts declared by January 14, 1994.

If you are availing of the General Amnesty, you must pay all arrears of taxes up to and including the year 1990/91 to the Collector General on or before January 14, 1994. You must also submit a correct Tax Return for 1992/93 on time.

Q. — Where do I get Form A-2?

A. — From the Chief Special Collector, 26, Harcourt Street, Dublin 2 (Tel. (01) 4783777), or local Tax Office: Tel. (051) 73565.

Q. — How can I be sure that confidentiality under the terms of the amnesty will be observed?

A. — The Office of the Chief Special Collector operates completely separate from the normal Revenue operations. The Chief Special Collector and his staff are bound by a statutory declaration of confidentiality. As a result, they are obliged not to disclose, whether to anybody within Revenue or outside, any information on a person's affairs which was obtained in the course of administering the amnesty.

Q. — What are the benefits of the "15% Incentive Amnesty?"

A. — (i) — Where you

have tax due on undeclared income or Capital Gains up to April 5, 1991 or where you have unpaid tax, levies or Capital Gains, a payment of 15% of the amount of income or gains will fully satisfy your liability.

(ii) You will enjoy complete confidentiality.

(iii) You will have the right to block investigation of your tax affairs for the years covered by the amnesty.

Q. — How can I show that I availed of the "15% Incentive Amnesty?"

A. — On receipt of Declaration on Form A-2 and the settlement amount, the Chief Special Collector will issue you with certificate confirming that the amnesty was availed of.

Q. — Can the benefits of the amnesty be withdrawn?

A. — Yes, if (i) Declarations are not true and correct; (ii) The correct taxes due up to April 5, 1991 are not paid; (iii) You fail to lodge a correct tax return for 1992/93 on time.

The aim of the amnesty is to give those who have failed to meet their tax obligation a final opportunity to put their tax affairs for years up to 1990/91 inclusive in order, without the imposition of interest and penalties.

If you would like further information about the amnesty, you can contact Waterford Tax Office, Amnesty Section, Government Buildings, The Glen, Waterford. Tel. No. (051) 73565.

## OIREACHTAS '93 —A GRAND BASH

For 10 days in October Oireachtas '93 transformed Galway City. More than a thousand members of Ogras joined thousands of their elders to celebrate the 100th birthday of Ireland's biggest cultural festival.

Galway City seized the opportunity to put the year's gloomy news behind it and celebrated in style. The sheer scale of the Oireachtas festivities were staggering. No way could a person attend all the events and revelries, seisiúin agus comórtaisí.

There was a concentration on events for youth the first weekend. Céilis and rock concerts were scheduled each night. There were

table quizzes for the kids, debates, swimming competitions, basketball and football games, hurling and camogie.

And all this was only the beginning....

Get ready, Dungarvan! Next year OIREACHTAS '94 happens right here!

# BALLYMACARBRY NEWS

## NIRE'S HOUR OF DESTINY

On Sunday next at the Gaelic grounds, Cappoquin, the Nire meet Dungarvan in the Waterford senior football final. While Dungarvan are in search of four-in-a-row, the Nire are in search of their first. On Saturday evening last we watched the Nire go through their training campaign. An old Nire supporter remarked that it will take a good team to beat them on

Sunday.

Two players did not take part in the training, — Tom Walsh and Tom Guiry, one with a foot injury and the other with 'flu.

So, wishing the wearers of the Blue and Gold all the best for Sunday. The final is covered by the "Leader" in detail for Sunday.

## BALLYMACARBRY NATIONAL SCHOOL

This year we celebrate the 21st anniversary of the opening of Ballymacarbry National School and the teachers at the school would like to thank the pupils, their parents for their kindness and co-operation down through the years. Now in 1993 we hope to enter a new era of even closer co-

operation with parents. In accordance with the Department of Education guidelines, the Board of Management wishes to facilitate the formation of a Parent-Teacher Association for Ballymacarbry National School.

It is proposed to hold a meeting of all parents with

children attending the school on Wednesday night, November 24 at 8.15 p.m. The meeting will discuss the function and structure of the PTA. Ms. Ann Shorthall of the National Parents Council will attend. As this is one of the most important

meetings to be held in the school, it is hoped that every parent in the school area will attend.

Gabhaimid buíochas díobh go léir as ucht bhur gcabhrach í rith na mblianta agus guimid rath Dé ar an obair atá romhainn amach.

## "A FOOL FOR CHRIST"

One of Co. Tipperary's best known and loved priests who died last year, is the subject of a new book written by a fellow priest and long time friend. Rev. Fr. James Meehan, former Parish Priest of New-Inn, has been described as many things — man for all seasons, a champion of the poor and in the words of St. Paul, a fool for Christ. The latter description has been taken by his friend for many years, Rev. Fr. James A. Feehan, Parish Priest of Boholahan who has taken this as the title for his new book — "A Fool For Christ," which was launched on Friday night last in the Park Avenue Hotel, Thurles, by poet and writer, Rev. Fr. Jerome Kiely, a class mate of the late Fr. Meehan who was born in 1922 in Dromard, Co. Tipperary.

He was educated at Clonmore National School, Templemore CBS, St. Patrick's College, Thurles and Maynooth where he studied for the priesthood. His curacies were in Glasgow, New Inn where he spent six years, and finally 22 in Thurles. In 1982 he returned to New Inn

as Parish Priest and in 1991 one year before his death he stepped down from the parish priest's office to serve the people of New Inn as Curate.

## RECENT DEATHS

### LATE MR. RICHARD MOORE

A wave of sadness cast its shadows over the Parish of Fourmilewater and the surrounding districts on Saturday morning with the news of the death of Mr. Richard (Richie) Moore, Deerpark, Ballymacarbry, which sad event took place at St. Joseph's Hospital, Clonmel, after a brief illness.

Deceased in his late eighties, was one of two surviving founder members of Fourmilewater Hurling Club in 1926 and it was on a field of his farm that Fourmilewater hurling team played their first game against neighbours Newcastle. At the time of his death he held the position of Vice-President of the club.

In the thirties he spent some years in England and at the outbreak of War he returned home and joined the Defence Forces in whose ranks he held the position of Adjutant.

He was truly one of nature's gentlemen, a true Christian man, who never sought the limelight, but always came forward with the helping hand. He was of a man possessed of an old world charm, and was always welcome in what ever company he found himself. He was a friendly, good humoured and generous disposition and he had a remarkable facility in recalling the parish history and in relating experiences of his earlier years, that held the listeners enthralled. That his memory will be cherished was truly indicated when all walks of life were represented in the vast concourse of mourners who were present when his remains draped in the Blue and White the colours of the club he helped to start some 67 years ago, were removed on Sunday evening from O'Donoghue's Funeral Home, Clonmel, to St. Laurence's Parish Church, Fourmilewater. A half mile from the church, Fourmilewater Hurling Club formed a guard of honour and shouldered his remains to the church. In the attendance was Mr. Eamon Murphy, Chairman of the Waterford County Board G.A.A. At the church his remains were blessed and received by Rev. Fr. Edmund Tobin, P.P., Fourmilewater/Newcastle, assisted by Rev. Fr. William Callanan, P.P., Grange / Ardfinnan / Ballybacon.

On Monday morning Requiem Mass celebrated by Rev. Fr. Edmund Tobin, P.P. assisted by Rev. Fr. William Meehan, C.C., St. Marys, Clonmel, was offered for the repose of his gentle soul. After Mass the funeral took place to the Ancient Burial Ground at Cill Cloggin where a great Gael and a friend of the people was laid to rest in the family plot. Rev. Fr. Tobin, P.P., officiated at the graveside and a decade of the rosary was

recited in Irish by Rev. Fr. William Meehan, C.C.

At the graveside some of his favourite tunes, "Down by the Glenside", "The Sally Gardens" were played on the tin whistle by his daughter Alice and his grand-daughter.

To his wife Mary Ellen, his sons Eddie, Martin and Ignatius, his daughters Breeda and Alice we extend our sincere sympathy. Go ndeana Dia trochaire ar a nam dilis.

### LATE MRS. MARY BURKE

It is with deep regret we pen the death of Mrs. Mary Burke (nee Hahessy), Chapel Road, Lisronagh, which sad event took place at Woodside Nursing Home, Kilsty, on Sunday, November 14.

Deceased was a member of a well-known and respected North/West Waterford family the Hahessy's of Glenpatrick and was a lady abundantly endowed with all the true Christian traits of character. Of a quiet and at all times pleasant demeanour, she possessed a most charitable outlook on life and was an excellent neighbour whose demise is deeply and justifiably mourned.

Testifying to the esteem and high regard in which the deceased and her family are held locally, a large and representative cortege accompanied her remains on Monday evening when they were removed from the Nursing Home to St. John the Baptist Parish Church, Lisronagh, where they were blessed and received by Rev. Fr. Sean Nugent, P.P., Lisronagh/Powerstown.

On Tuesday morning Requiem Mass was celebrated for the repose of her gentle soul, the celebrant was Rev. Fr. Sean Nugent, P.P. After Mass she was laid to rest in the adjoining cemetery, again in the presence of a large number of mourners as they joined old friends and neighbours in a final tribute to a Christian friend. To her family and brother we extend our sympathy.

### LATE MR. EDMUND CONNOLLY

The district received the sad news on Saturday last of the sudden passing of Mr. Edmund (Eddie) Connolly, Curraheenavoher, Ballymacarbry, whose death occurred in London where he has been domiciled for some years.

Full obituary next issue.

### BALLYDUFF I.C.A. NOTES

The meeting on October 5th was chaired by the President Mrs. Biddy Clancy. We were very glad to have all members present. There

were many more ladies in attendance too, and they were well rewarded for their visit, as on the night, Mrs. Diane Sandes gave a most interesting talk on Antiques, Silver etc.

Mrs. Sandes must come back again, and she has agreed to do that. We say a sincere "Thank You" to Mrs. Sandes, and if her request on cheque is being forwarded to St. Carthages House fund in Lismore.

All the members thoroughly enjoyed the trip to the Cork City Hall Concert. It was a memorable night out. A packed City Hall, the very best in entertainment, a special welcome from the assistant city manager, who is our very own Maurice Moloney. Thanks again to Maurice and his wife Mary. Then to crown the whole event for us, didn't one of our members win first prize in the raffle - some people have all the luck and we hope that Norah and Ned took advantage of their lovely prize.

The coffee morning in aid of the hospice movement was a great success, and donations will still be welcome for this very worthy cause.

Thanks to everyone who helped in any way.

The next meeting is on Tuesday December 7th at 8 o'clock, after the meeting approximately 8.45 Tessy O'Brien from Fermoy will give a talk and demonstration on the Microwave Oven. This comes just in time for the Christmas Cooking and wouldn't we all love to make it as easy as we possibly can. This is open to everyone, so be there. We hope to have the newly elected ladies, of the Community Council at the meeting, as the main item on the agenda will be the organisation of the Senior Citizens dinner. This event is arranged each year under the auspices of the Community Council in co-operation with all other organisation. Meeting 8 o'clock Tuesday December 7th, demonstration 8.45.

## DUNGARVAN HOCKEY CLUB NOTES

### U.C.C. 0 DUNGARVAN 4

Dungarvan continued their winning run with a fine 4-0 trouncing of U.C.C. in Cork last Sunday. From the start Dungarvan showed that they were determined to win by putting continual pressure on the U.C.C. defence. No fewer than four times in the first 20 minutes the U.C.C. backs had to

clear the ball wide to stop Dungarvan scoring. Just when U.C.C. thought they had escaped Mary Ronayne made a great run into the circle and crossed the ball to Christine O'Keeffe who scored. This spurred Dungarvan on. Within minutes Christine O'Keeffe played a one-two with Anne Brennan, who beat the defence and scored a great centre

forward goal. The third came when Tess Reynolds cut in from the right and crossed for Christine O'Keeffe to score her second goal.

Five minutes into the second half, team work between Mary Ronayne and Tess Reynolds, resulted in Mary scoring a great goal. Shortly after this Susan Brosnan came on in her debut game and it was not long before she forced the keeper to make a good save. Michelle Clancy played well on the left and created some good chances for Dungarvan.

This was a great team performance.

In goal Leonora Fitzgerald did not have to make a save. In defence Lucinda Fraher, Avicé Kiely, Rosine Foley, Cathie O'Mahoney, Angela Cashin and Nollaig Sheehan all played well. In midfield Mary Ronayne, Martina Moore and Karen Dempsey were on top. Up front Tess Reynolds, Christine O'Keeffe, Anne Brennan, Susan Brosnan and Michelle Clancy all played well.

Players of the Match — Anne Brennan and Mary Ronayne.

Winning time for Golden Goal competition was 21 minutes and 27 seconds.

## REGISTER NOW CAMPAIGN

Last month the Minister for the Environment, Mr. Michael Smith T.D. launched a publicity campaign about the 1994/95 register of electors which will be used for all elections held between February 1994 and February 1995.

Persons are advised to check the Draft Register to ensure that they are correctly included. The Register is available for inspection in Post offices, Garda Stations, Public Libraries, Court-houses and Local Authorities from November 1-25.

If people find that they are omitted or incorrectly entered, they can then make

claims for changes in the Draft Register up to November 25.

The campaign is aimed particularly at households which have received forms but have not yet returned them to their local authority and also at people who have changed address recently or who will celebrate their 18th birthday by February 15 1994.

"It is up to individuals", the Minister said, "to make sure that they are correctly included in the register. That's why the theme of this year's campaign is; 'Register Now. It's the only way to vote'."

# ABBEYSIDE

## VILLAGE TOPICS

### OUR LOCALITY

This week we move to the most northern townland in the parish namely Deelish Mountain. There are no roads or buildings to be found here now but in the late 19th century 23 people lived in the area. The sheep have the land all to themselves among the ferns, heather and hurtleberries or hurts. It is bounded on the west by a tributary of the Deelish River. Three prominent rocks are the only identifiable landmarks. These demarcate the northern part of the townland. On the slopes of Cruachán (Little Pile) as

seen from Abbeyside this peak predominates. The two lower ridges to the right are in the townland of Deelishmountain. The first of these is well over 1,000 feet above sea level. On the second, to the right of this, there is a forestry plantation covering the east flank. This is the townland and parish boundary, the green of the trees showing clearly the part of the ridge which is not in our parish. The highest point here is Farbregagh which means "simulated man." If you look carefully, on the right slope of Cruachán you will

notice a sudden dip in the outline of the slope against the skyline.

This is the most northerly and the highest point in the locality — "Carrig na Fuinneoige." (The Rock of the Window). Just below and to the right of this the outline if Carraigaul stands out against the skyline. It is translated "Rock of the River Fork." The third prominent rock is "Carrig na Gaoithe" (Rock of the Wind) but this is not visible from Abbeyside.

### CO. MANAGER RETIRES

It is with regret we learn of the departure of Mr. Dan Hurley from his position as County Manager early in the new year. Mr. Hurley is resident in our area but will be retiring to Cork. Locally Mr. Hurley gave his full support to the development of the Causeway Tennis Club and Park and these have been an outstanding success. Meanwhile he resisted immense pressure to construct a swimming pool, sauna and jacuzzi in Dungarvan and in this he proved correct as two local hotels have adequately provided these facilities. Again Mr. Hurley gave substantial support to the development of the area as a golfing centre and as a result we have two new 18 hole courses to complement the 9 hole course in Ballinacourty. It is a matter to regret that Mr.

Hurley will not be around to establish this latter project on a sound footing.

### BIRTHS

Congratulations to the parents of the following new born babies — Róisín McComb, Pinewood, Nathan Hayes, Garranbane, Ronan Deegan, Seapark, Mary Kate Coleman, Glendine Drive and David, Evan and Niamh Collins, Knockateemore.

### GOLF

Local winners for the Christmas Hamper competition played at Knocknagránagh last Sunday were — 1st V. Tobin, Ballinroad (9) 71 nett; 3rd P. Breen, Seapark (15) 72 nett; 4th Ed. O'Connor, Ballinacourty (13) 72 nett.

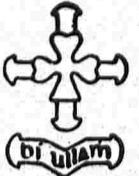

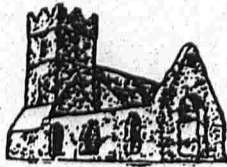

### Abbeyside Shore Angling Club Notes

The club held its second Christmas competition last Sunday, November 21 in the Harbour. A total of 27 anglers took part in what was a very cold night indeed. A total of 35 fish were weighed-in with a variety of two, coalfish (34) and codling (1).

Results were as follows — 1st John Whelan, 2nd Alan Mulcahy, 3rd Bernard O'Grady, 4th Tony Crowe. Ladies — 1st Monica Wall. Juvenile — 1st John Paul Molloy. Pool winner for heaviest round fish was Bernard O'Grady. Winner of draw for bottle of whiskey was Gail Sandford.

Our juvenile competition will be fished on Saturday, November 27. The venue for this competition is Abbeyside Beach, fishing time is from 3 p.m. to 5 p.m. Check-in and weigh-in at Stokes Field. The following day, Sunday, November 28, our seniors will be back in action for our last Christmas competition in the Harbour. Fishing time is from 2 p.m. to 5 p.m. Check-in and weigh-in at the Pond. Prizes for all our Christmas competitions will be presented at our Christmas Party. More details will be in press later. P.R.O.

# Abbeyside Scout Notes

ual scouts were then played to finish off the somewhat short version of the troop meeting!

### CUB DAY

Last Saturday the cubs along with leaders John Mullarkey and Brendan Kiersey travelled to Melleray to take part in the Regional Fun Day. Each cub pack had to come dressed for the occasion and Abbeyside's theme was "Aliens" and what a bunch of aliens they were. Cub Sean De Fusco was adjudged the best dressed in his section and picked up his well deserved prize. Following this a number of games were played with Maura's follow the torch

### TROOP MEETING

Last Saturday's meeting began with somewhat of a hiccup when at seven o'clock with very few people appearing in uniform, the starting time was delayed in order to allow those scouts without uniform to go home and get it. At seven thirty the meeting got underway with each patrol working together to beat the clock to try and assemble a two hundred piece jigsaw, the Kestrel Patrol ended up worthy winners.

A few games which tested the strength of individ-

proving a big hit. Lunch was served at one o'clock, then it was back to business. Games were again played until four when everyone sat down to a mug of soup at the campfire circle and then sang their hearts out for the next hour. Five o'clock came all too quickly and in a flash everyone was gone after what was an enjoyable day.

### CONGRATULATIONS

Well done and congratulations to our cub friends from Ardmore who finished ninth overall at last weekends National Cub Quiz in Larch Hill, Dublin.

Congratulations also to James Moloney Unit Leader of the Ardmore Unit on his recent appointment to the job of Regional Commissioner. We are sure the region, overall, will continue to grow and prosper under his guiding hands.

### THANKS

We would like to thank all the people involved with our Scout Mass which was held last Friday night — Fr. Ahearne, Troop Chaplain, the Folk Choir and Mr. Francis Kenneally and all who made this a special night in the 4th Waterford scouting year.

We would like to thank those parents who supplied cakes for the Cake Sale. Unfortunately very little help was forthcoming for the sales effort. Were it not for the very hard work done by Eileen Shepherd, who baked the very beautiful Christmas Cake, and by Lily Cotter and Mary McGovern, we would not have had success either in the draw or sales. If we had had more cakes we could also have sold quite a lot - after the 12 o'clock Mass.

### DRAW

Results — 1st prize (Christmas Cake), Ms Kathleen Browne, Seapark; 2nd prize (Christmas Pudding), Mr. Ben Conway, Park Lane; 3rd prize (Box of Biscuits), Mr. John Butler, Park Lane Avenue.

### Abbeyside Girl Guide Notes

#### SOMETHING FISHY

Both Brownies and Guides had a fishy theme to their meetings last week. The Brownies had a lucky fish quiz — if you picked a lucky fish, you got an easy question. This was followed by "design a fish", which brought out everyone's artistic talent. Due to the fact that 20 of our Brownies were out with 'flu, we had a "survivors party" for those who attended this week's meeting. We hope all the rest recover quickly and are

back in the Den soon.

The Guides completed the "second something's fishy trail." This was in fact a slightly adapted version of a trail previously used by Abbeyside Scouts. There was great excitement when the prize was revealed — Mac the Goldfish. (Although one particular observant P.L. was not surprised!) The surprised and delighted winner was Christine Noonan who brought Mac home to meet "Sharky" — I do hope they

get on well!

#### KEEP IT FREE!

All Ladybirds, Brownies and Guides must keep Saturday, December 11 free, as our Regional Commissioner Mary Stack will be visiting us. This is a very important occasion and therefore correct dress uniform will be necessary. You have been warned! More details to follow.

#### INSURANCE

Any member who has not yet paid their annual insurance and affiliation fee should do so this week.

#### CONGRATULATIONS

Congratulations to James Moloney on his recent appointment to the post of Na Deise Regional Commissioner. We wish to express our thanks to Maurice O'Brien for all his work and help during his term of office — best of luck in the future.

#### CLOWNING AROUND?

We hear that a certain scout leader was seen clowning around over the weekend. Any excuse to wear the shirt!

the Catwalk began last week-end and all involved are eager to begin their modeling careers on Friday 3rd.

Mr. Liam Fraser, who is taking the microphone to introduce our male models, has been researching and keeping his ear to the ground to get information on our lads. He has discovered very interesting fads indeed.

Our twelve mini-models are tuning up with Trevor Sheehan. I am told that they intend to entertain as well as model. All the children are asked to be at the Square in Tallow at 9.00 a.m. on Saturday to go for a fitting.

While this is going on, our elegant ladies are twisting and turning under expert tuition.

All looks ready for a great night, why not come along for plenty surprises.

### OUTSTANDING DONATION HONOURED.

Mrs. Helen Condon of Kilmacow, Tallow, was honoured recently at a special reception in the Silver Springs Hotel, Cork, for her outstanding donation to the Blood Transfusion Board.

Fashions by The Closet, Dungarvan; Elegance Boutique, Fermoy; Kids Fashions by Shaws and Sheila Power Fashions, Tallow. Local models will be used on the night. The annual general meeting of the GAA Club will be held on December 16 at 8 p.m. in St. Patrick's Parish Hall. It is important from the club's point of view that we have a large attendance for the AGM. A lot of things will be discussed and if you can make a contribution to the meeting then Thursday, December 16 in St. Patrick's Hall is the place to be.

At a recent meeting votes of sympathy were passed to the Moroney family, Chapel Street and the Cox family, Convent Street on their recent sad bereavements.

The club wishes John Geary (Snr.) a speedy recovery. John was recently hospitalised and is now recovering at home. We hope to see you on your feet and out and about soon.

## FARMERS SNUBBED IN GOVERNMENT/TRADE UNION MEETINGS

"Seeking bi-partisan agreement between Government and Trade Unions on the abolition of the 1% income levy is not the way forward in the development of a consensus approach to a future national programme for economic and employment development strategies," said Mr. Tom O'Dwyer, President of the ICMSA recently.

Mr. O'Dwyer said that he is strongly critical of the Government for allowing this impasse to develop and to gather a life of its own, thereby ignoring the other social partner groups.

"Each social partner group should have the same status. The abolition of the 1% income levy is as much a concern for farmers as it is

for PAYE persons. The ICMSA rejected the 1% levy when it was first mooted in this year's Budget. Therefore, any agreement reached on its abolition must be acceptable to farmer representatives.

"I am strongly of the opinion that insistence on the delivery of pre-conditions by one social partner group or another, does not lead to a good climate for national consensus. It is my opinion therefore that the conditions governing the abolition of the 1% income levy should be for discussion and settlement in the context of an overall agreement between all the social partners on a new national economic and development programme.

## RECENT DEATHS

### Mrs. Kate Kelly (née Tobin)

It is our sad duty to pen these lines on the passing of Mrs. Kate Kelly, 29 Tarling House, London and late of Ballyreilly, Ring, which occurred on Wednesday, November 17, at St. Joseph's Hospice, Hackney, London, after a relatively short period of illness. A native of Ballyreilly, Kate was a member of the well known Tobin family, a family who have won far-flung fame for Gaeltacht na Rinne as singers, especially in the sean-nós style.

A sister of the renowned Nioclás Toibín, Kate herself appeared on many television programmes and indeed no less than Tony McMahon himself remarked that Kate was the best traditional singer he ever heard.

In 1937 Kate won the sean-nós competition at the Oireachtas. The year previously she had the privilege of singing for the Taoiseach Eamonn de Valera when he visited Coláiste na Rinne for a special function.

Her wonderful singing voice was always appreciated and over the years she sang on many a link-up by telephone from London on Radio Na Gaeltachta. Predeceased by her husband Con in 1964, Kate was aged 68 years and had spent most of her life in London.

Bhí an ghrá ag Cáit don tír seo, chloigh sí le tanga agus nosanna a sinsear i gconaí. Críostaí thar barr abea í, bhí gaol speisealta idir í féin agus an Cruithneoir. Cosúil le alán daoine thug sí an bothar go Londúin uirthi féin. Bhí árd áthas i gconaí uirthi nuair a tháinig sí ar laothanta saoire go dtí an Rinn. Bhí ardmheas ag na daoine ar Cháit. Bean le croí mór flaitiúil, bhí atmosféar an charadais le mothú inti.

Faoi bhrat na Maighdine go bhfuil sí.

We offer our deepest sympathy to her daughter Margaret, son-in-law, granddaughters, sisters and brother on their loss.

Requiem Mass took place last Saturday morning at St. Mary's & St. Michael's Church, Stepney, London, after which Cáit's remains were transferred to Kiely's Funeral Home, Dungarvan. Later that evening Cáit was brought to Ring Church where Very Rev. C. O'Daly,

P.P., conducted the funeral service. Following Requiem Mass on Sunday morning Cáit was laid to rest in the family burial plot. Fr. O'Daly recited the graveside prayers in the presence of a large and representative gathering. Carthach Mac Craith, Seán Óg Mac Craith, Anne Mulqueen and the Coffey sisters Marion, Kathleen and Breda all paid musical tributes to this very special person.

Go ndeana Dia trócaire uirthi.

Chief mourners — Margaret (daughter), Pat Kiely (son-in-law), Alana and Erin (granddaughters), Alice Power, Old Parish, Bella Larkin, London (sisters), Nioclás Toibín, Dungarvan (brother), and a circle of other relatives including Isabella Larkin and the Larkin family, Monaghan who travelled long distances to attend the funeral obsequies.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

### Mr. Edward Gerard Crotty

With shock and regret we record the passing of Edward Gerard Crotty, 19 Comeragh Crescent, Dun-

garvan, following an accident on Thursday, November 18. Removal was from Drohan's Funeral Home on Saturday evening to St. Mary's Parish Church. Following funeral Mass on Sunday morning burial took place in the adjoining cemetery.

To his heartbroken wife Jackie, sons Stephen, Kevin and Shane, sisters, relatives and friends we extend our deepest sympathy.

Full obituary next issue. (Funeral arrangements were by Tom Drohan, Funeral Directors, Dungarvan.)

Full obituary next issue. (Funeral arrangements were by Tom Drohan, Funeral Directors, Dungarvan.)

# Lismore Notes

## LISMORE CAMOGIE NOTES

All systems are now go for our "Celebration Evening" this Friday evening in the golf club. Things have come together and a good evening consisting of a four course meal, medal presentations with music by Sound Wise, is guaranteed. We would ask that people not leave their decision to go until the last minute as they may be disappointed. Orders for tickets will be taken by any committed member (adult £8, secondary students £5), or by contacting Orla Flynn 54681, Patricia Bolger-Mc-

Carthy 54327 or Anne-Marie O'Gorman 54284. Please let us know you're going as quickly as possible, up to Thursday evening by 6 p.m. at the very latest. All must be seated by 7.45 p.m.

Looking forward to the continued support of families, friends and supporters who have always been there for us. This is the one opportunity we get to show you our appreciation and reward you for standing by and backing up our many players and ex-players through the years.

A civic reception has also been organised for this Saturday at 8.30 p.m. in recognition of the club's achievements. This is mainly due to the senior panel recording their second three-in-a-row in nine years, while contesting eight of those nine county finals and winning seven of them. This is no mean feat as everybody knows, and, finally, all those concerned with the senior panel are getting their just reward.

Convention is also being held this Sunday in Lawlor's Hotel, Dungarvan at 2.30 p.m. Many interesting nominations and various motions have gone forward which could make for a long evening and could prove very influential in the future. Let's hope our club officials can think straight after the escapades of both Friday and Saturday nights — to say the least they're in for a very busy weekend!

Finally, hard luck to the Waterford team which lost narrowly to Tipperary in Tramore in the National League last Sunday. A great effort was made, especially in the second half, but a goal shortly before the end by Tipperary killed off the Waterford challenge.

Our club was represented well by Anne-Marie O'Gorman (captain), Catrióna Caples, Catrióna Ormonde, Geraldine Barry, Mary Murphy and Caroline Ormonde.

Also, congratulations to Catrióna Caples, the only Waterford girl to make the starting fifteen, for her great display on the Gael Linn Munster team in Co. Meath last weekend. Munster were well in contention, being only a point behind going into the last five minutes. However, two goals were scored in those last five minutes to put distance between the sides, finishing up 2-6 to 0-5. Well played again, Catrióna.

## BALLINVELLA NOTES

Card results — 1, Dan Casey and James Hoare; 2, Eily and Rita Doocey, John Grey and Timmy Flaherty. Table prizes — 1, Esther Walsh and Cassie Hyland; 2, Bertie Neville and Paddy Moore. Tickets — 1, Mary Mangan; 2 and 3, Mike Mangan.

Sincere sympathy is extended to all the Hennessy family on the death of Joan. Joan was a regular attendant at the Centre when she lived in Bishopstown and will be sadly missed by all who knew her. May she rest in peace.

## LISMORE G.A.A. NOTES

**Weekly Draw No. 46** — £50, Mr. Kevin Ryan, South Mall; £30, Mrs. Rose O'Dowd, West Street; £20, Mr. Patsy Quinn, Camphire; £15, Mr. Eamon Power, 38 New Street; £10 each — Miss Orla Norton, Lismore Hotel; Mrs. Mary O'Rourke, Parks Road; Mrs. Alice O'Keefe, Parks Road. Promoters prize, Sonny Bransfield.

The next draw will be held in the Red House on Monday, November 29 at 8 p.m. All are welcome to attend. (Advt.)

**Progressive "45" Winners** — Brian Cahill, Mary Willoughby, Pad Lineen, Tom Brennock, Willie Murphy, Nora Ryan, Pat O'Connor, Mick Pratt, Mrs. Murray, Mattie Coffey, Joan Hannon, John Hickey. Lucky tables — John Maher, Pad Walshe, Cissie Power, Jo Power.

Tickets — Brian Cahill, Jack Crowley, Willie Cunningham.

**Junior Football Final** — Our junior footballers had a notable achievement on Sunday last when they defeated a more fancied Kilgobinet side in the Western final of the championship. This was indeed an historic victory as it is believed that the last time we won this competition was in 1911, all of 82 years ago.

The game was played in ideal conditions and before a good crowd. Kilgobinet took an early lead and looked like they would dominate, in the first quarter, when we were lucky not to concede more scores. However, our lads began to click when young Don Shanahan got us going with a great point in the 13th minute, quickly followed by two more points from Kieran O'Gorman and Paul Quinn. We were then denied what could have been a great goal when Michael Hickey's piledriver came back off the post, but Seamus Prendergast made no mistake in the 20th minute when he found the net after good outfield play.

Brendan Lawton tapped over a nice point and shortly afterwards Paul Quinn added another to leave us in front by 1-5 to 0-3 at half time.

The second half started with Kilgobinet applying the pressure and they were rewarded with a good goal, well worked from the middle of the field. That signalled the end for Kilgobinet as our backs were in no humour to concede any more scores and completely dominated from them on. Kilgobinet failed to score again and Lismore turned on the style in earnest, playing great combination football which produced points from Quinn and Shanahan before a mini free-for-all erupted in the middle of the field.

Frustration was undoubtedly the reason

for this and Lismore kept their heads and proceeded to take over as their opponents seemed to fall apart. Two great goals followed from Dan Shanahan and Michael Hickey to put the result beyond doubt and the last five minutes saw Lismore give an exhibition of possession football until the man-of-the-match Paul Quinn slotted over his fourth point just before the final whistle.

Congratulations are duly deserved by the whole panel and in particular the management team of William O'Donnell, Joe Tobin and Barry Prendergast which kept a very low profile all year in preparing the team in spite of the great demands as a result of the long involvement in the senior hurling, etc.

The Lismore team on duty was — Gerry Toomey, Mark O'Sullivan, Frank Power, Sean Prendergast, David Landers, Brendan Prendergast, Brendan Ormonde, Paul Prendergast, Sean Daly (Capt.), Michael Hickey, Don Shanahan, Paul Quinn, Brendan Lawton, Kieran O'Gorman and Seamus Prendergast. Subs — Bernard Dooley, Johnny Whelan, Brian O'Gorman.

Referee: Pat (Tyler) Walsh.

We now meet De La Salle in the county final which is scheduled for weekend of December 4/5.

**Under-21 County Final** — Next Sunday, November 28 we're on the road again when we take on Portlaoise in the county final at Walsh Park at 2 p.m. So get out the flags and rosettes again!

We wish the team and selectors the best of luck and look forward to what should be a great game.

**FAS Scheme** — The above scheme commenced on Monday, November 22. The club are employing four persons at the moment and hope to get the grounds, club house, dressing room and Community Centre, etc. into shape after a very busy year with so many members so involved with the teams.

**Committee Meeting** — There will be a meeting of above at the Community Centre this Wednesday night, November 24 at 8 p.m.

## LISMORE BADMINTON NOTES

This week our first division men suffered their first defeat away to Dungarvan, 3-1. They now will have to pull out all the stops if their title hopes are to be realised. Team — P. Morrissey, C. Coleman, D. Martin, B. O'Gorman.

The 2nd div. ladies, with Jo-Jo subbing for Ann Dunne this time, had another 3-1 victory at home to Waterford. Nora, Meg and Breda are playing well and with only one more game to be played they are strong favourites for the 2nd division title.

3rd division ladies played a 2-2 draw at home to Dungarvan. This leaves them a couple of points behind the leaders with two vital away games coming up next week. Team — A. Curley, Jo-Jo Tobin, C. Dowd, B. Lyons.

The 5th division ladies kept their flag flying with a great 3-1 win at home to Dunmore. Yvonne and Sharon got off to a great

start with a 15/1, 15/10 win. Then Ann and Jacinta won 15/10, 15/4. After some great rallies, Yvonne and Ann went down 6/15, 8/15. Jacinta and Sharon took the court last and stormed through the first set 15/1, but the opposition rallied in the second set and a 15/11 win for them gave us a thrilling third set in which the Lismore girls, with some great shots, clinched the third point for the team. Rena, with nerves jangling, sat this one out but will be back in

action next week to keep the girls on target for a county title. — PRO.

## LISMORE C.B.S.

This Wednesday, November 24, Lismore CBS play Sexton Street CBS, Limerick in the Dr. Harty Cup in Ballygiblin. Sexton Street are the current holders of the Munster Colleges blue riband hurling championship.

Hopefully, by the time these notes are in print, Lismore will be one step closer to creating hurling history in the CBS.

In the schools soccer league Lismore defeated De La Salle, Waterford 4-2 on penalties after drawing 2-2. This win has Lismore CBS playing in Cork, probably next Wednesday, December 1. We wish them well and like the hurlers, hope they create their own piece of history.

### FIFTH ANNIVERSARY CELEBRATIONS

These celebrations will take place for the Senior Citizens of Affane and surrounding areas at their 5th Christmas Dinner on Thursday 2nd December in Affane Hall. This one, it is hoped will be special as the club are 5 years in action, and going from strength to strength. The Association started 5 years ago, when nine people met hoping to start a small social club for the over 55's. Amongst their Annual activities are an Easter Concert, Summer Outing, Autumn Mass and social for a visiting Senior Citizens Club and the Christmas Dinner.

A small variety show is performed annually for the Patients of the Local Padre Pio Rest Home. Committee

members also visit the patients of the local hospitals, and people in the Parish living alone. Without our Local Musicians, singers and dancers, the show wouldn't go on, this proves to be successful, a mixture of the young and the old. Many local parishioners help out at functions and a special word of thanks to our sponsors down throughout the years. The Association has over 30 members, hope all will be in party mood for the 2nd.

Get well wishes to Mrs. K. Prendergast, Dromrue and Mrs. P. Prendergast, Paulbatuia who are both home from hospital and well again.

To finish on a sad note, the committee and members

of the Association would like to convey their sympathy to Mr. T. Hennessey and family, Affane, on the death of Mrs. J. Hennessey R.I.P. She has been with us for the five years, and we enjoyed every minute of her company and she will be sadly missed. May she rest in peace.

#### DEATH OF MRS. JOAN HENNESSY

We record with sincere regret the passing of Mrs. Joan Hennessy, Kildeersheen, Cappoquin and formerly Bishopstown, Lismore at the residence of her daughter Breda at Tourin, Cappoquin after a short illness in the early hours of Sunday last November 21.

To her sorrowing husband Tom, her sons Noel and Donal, her daughters Breda and Geraldine and other family members we tender our sincere sympathy.

(Funeral arrangements by Maurice J. Noonan and Son, Funeral Director, Cappoquin, Tel 058/54044 and 54317 or Fax 058/54081)

#### LATE MRS. MARGARET CHANDLER

The death took place in London of Mrs. Margaret Chandler. Nee Byrne Margaret or Gretta as she was better known was a member of a well known Affane family. She left to work in England many years ago where she met and married her husband George. The couple came regularly to holiday in Cappoquin over the years and were well known locally.

Sympathy is extended to her husband George, brothers Mick, Tom, Joe and Bill, sisters Betty, Breda, Eileen and Tess, nephews, nieces and many relatives and friends. May she rest in peace.

#### SINGING SUCCESS

### AFFANE/CAPPOQUIN G.A.A NOTES

#### J. J. RETIRES

It came as something of a surprise to Club officers when Jim Joe Landers announced that he was retiring as a referee. For a quarter of a century J. J. has graced the playing fields with distinction and was indeed a proud standard bearer of our club. He took charge of many major games including Munster Finals, All-Ireland semi-finals and at least one All-Ireland final. He also visited the U.S. as an all-star ref. The number of County, Western and Bord Na Óg games at which he was the man in the middle is beyond counting.

During this long period he has had his critics, just as everybody else who ever blew a whistle, but every fair minded player mentor or spectator would admit that he was a great referee. He was always fair and impartial and his main concern was always the safety of players in his charge.

A few clubs and individuals didn't see eye to eye with his decisions and unfortunately brought their grudges far beyond acceptable levels. We believe that this was a factor in his decision to retire now when he might have continued for a few more years. He has always had the unswerving support of this club. We are proud that one of our own reached such dizzy heights in an area of the Association where there is very little room at the top. We wish him a happy retirement and we are certain that his many talents will not be lost to our club or to the Association.

#### NEXT SUNDAY

Our club will have the honour of hosting the County Senior football final Dungarvan v. The Nire on Sunday next. All committee members are requested to be at the venue no later than 1 p.m. This also applies to programme sellers and scoreboard operators and members who will be acting as stewards.

### CAPPOQUIN FLOWER AND GARDEN CLUB

As the festive season approaches the flower club prepares for the highlight of its years activities namely its Christmas floral demonstrations. This year's event takes place on Tuesday next November 30th at 8.00 p.m. in the Mercy Convent Hall (note venue). Our demonstrator is Mary O'Brien A.O.I.F.A. from Cobh. The

club competition for the night is "Unto us a child is born" max width 30", french and/or artificial material may be used.

This is an open night so all are welcome to attend. The flower club will have a "Sales Table" so you can acquire you own "bits and pieces" to enhance your Christmas arrangements.

### CAPPOQUIN F.C. NOTES

#### CAPPOQUIN A 1 INCH 1

On Sunday morning last we were hosts to East Cork side Inch. Having played the majority of the match with ten men we were reasonably happy with the final outcome.

We started very well and were one-nil up after only five minutes. Gossie Mason picked up a loose ball on the right wing, beat a couple of Inch defenders before slotting the ball into the path of Fintan Murray. Fintan struck the ball to the back of the net from all of thirty yards.

In the 20th minute Darren Mason was dismissed from the field of play for deliberately handling the ball just outside our penalty area.

As a result of this we found ourselves under pressure for long periods of the first half. Eventually Inch got the equaliser five minutes before half time. A long range effort which swerved into the back of the net eluded the grasp of Liam Morrissey in our goal.

The second half was more or less evenly matched with most of the play compacted into the midfield areas. Goalmouth incidents were a rarity and the scores remained one-all. Best for us on the day were Brian Murray and Wattle Moore.

Team — Liam Morrissey, Liam Lacey, Ken O'Donnell, Darren Mason, Garry Morrissey, Brian Murray, Wattle Moore, Fintan Murray, Rhiney Walsh, Gossie Mason (Capt.), Dean Morrissey. Subs. — Martin Power for Gossie Mason, Anthony McCarthy for Rhiney Walsh.

#### PINEWOOD RANGERS 4

#### CAPPOQUIN B 1

Having defeated Bride View A the previous week our B side travelled to Pinewood on Sunday morning last hoping for a perfor-

mance of a similar nature but unfortunately this did not turn out to be our day.

Surprisingly enough Michael Lacey gave us the lead after twenty minutes. 'Lassie' is hardly what you would describe as a prolific goalscorer in fact if I'm not mistaken he usually gets about one goal every two seasons. Amazingly this was his second goal in two weeks. (That's probably his quota for this decade). Apparently it was a very well taken goal "a bullet to the top corner". Guess whose description of the strike that is.

Unfortunately for us this was the only bright spot in an otherwise forgettable performance.

Two-on down at half time, Rangers added two more in the second half.

This side is undoubtedly good enough to start climbing the table and with a bit of luck over the next few weeks that's exactly what will happen.

Team — Billy Tobin, Michael Morrissey, Eddie Budden, Mick Walsh, John Cahill, Michael Lacey (Capt.), Pat Cullen, Seamus McCarthy, Eugene McLoughlin, Billy O'Shea, Conor O'Leary. Subs. — Martin Lacey for Pat Cullen, Mike Looby for Eugene McLoughlin, Joe Walsh.

#### ANSWER TO LAST WEEKS QUESTION

The last time Manchester United retained the league championship was in the 1956-57 season. United were on course for a third title in successive seasons the following year when 'The Busby Babes' crashed in Munich on the 6th February 1958.

#### THIS WEEKS QUESTION

The Republic of Ireland have on two occasions under Jack Charltons management won by five goals to nil. Can you name the opposition?

### CAPPOQUIN C.Y.M.S. SNOOKER CLUB

## Maurice Kelleher Perpetual Trophy

Final Result: Michael Doherty 7 Tom O'Brien 2

The final of this event was played on Sunday 21st November at 2.00 p.m. This fixture featured Michael Doherty and Tom O'Brien which was a repeat of the Jameson Cup Final last season. With both players having come through the early rounds of this event quite comfortably, it was expected that the final would be a very closely fought match.

The first frame was quite close, both players having chances to win it but it was O'Brien with a magnificent clearance of the six colours who went one frame up.

The second frame was again very tight, but Doherty's safety play forced errors in O'Brien's game and it was Doherty who took it to level.

The third frame went to Doherty who now had really settled down in the match.

The fourth frame provided us with some great play, both players knocking in sizable breaks but it was, O'Brien who took the frame to level.

The next two frames went to Doherty quite comfortably, so at the interval it was four frames to two in Doherty's favour.

This pattern continued after the interval and Doherty went five frames to two ahead. The next two frames also went to Doherty who

was on impressive 7-2 winner.

On reflection the match did not really live up to expectations with both players well below par. Breaks were few and far between considering both players are heavy scorers when they get in amongst the balls.

O'Brien holds down (40+) breaks and Doherty (60) breaks. But the club at the moment lacks that competitive edge that is the foundation for consistent snooker.

The club would like to ex-

tend thanks to Maurice Kelleher for presenting the magnificent trophy, which he kindly sponsored. The runners up trophy was presented to Tom O'Brien.

A full report on the third place play-off will appear in next weeks notes.

### CAPPOQUIN AND DISTRICT DARTS LEAGUE

The Village Inn A have joined Lindsay's at the top of the first division after the fifth series of games at the week-end. Lindsay's were away to the Tavern and drew 4-4 in an excellent game. Morrissey's A travelled to Deckie's and came away with a 5-3 win to go into third place five points behind the leaders. Lalors had a good 5-3 win at home over Paddy Mac's A.

In the second division it is very close at the top. The Deise Bar still lead the way after a 5-3 victory at home over Dunns. The Village Inn B are just one point behind after a 6-2 win away to Paddy Mac's B. The Overflow Inn joined the Village in second spot with an excellent 6-2 victory at home over the Cruiscin Lan. ## A SPECIAL TRIBUTE TO TERESA DEWICK

Having been taken ill suddenly at her home on the Thursday of the previous week prior to her death Teresa Dewick was taken to Waterford Regional Hospital where she suddenly departed this life on Monday night November 1st.

Family, friends and neighbours were numbed and shocked to learn of Teresa's death, she having just reached the prime of life.

During Teresa's short but ambitious life she achieved much. A native of Killeagh, Teresa was well known and very popular in this area. She went to England where she pursued a successful career in nursing. While in England she met and married her husband Gwilym Dewick and they would have celebrated their 30th wedding anniversary in April 1994. Sadly this was not to be. Yet during Teresa's 50 years of life she celebrated the many successes of her family, the marriages of her sons Brian, David and Peter, and their success in business and the successful career of her daughter Margaret.

Throughout her life Teresa worked exceptionally hard and always enjoyed her work, all to ensure her family's success and she was very proud of them.

Teresa's greatest ambition was the spread of the faith of the Jehovah's Witness. She and Gwilym came to study the faith in 1975, and were baptised into the faith in 1978. Jehovah filled a great void in their lives and in recent years Teresa spent much of her time telling others about Jehovah. Teresa was one of the great preachers of the faith in this area and she will be greatly missed by everyone in the faith.

As her husband and family came to terms with her sudden departure from this life their happy memories and love for Teresa helped them come to terms with her death. Family and friends attended a special service at the Kingdom Hall of the Jehovah's Witness on Wednesday. Albert Oldfield conducted the service and paid special tribute to Teresa.

On Thursday the family said their last goodbye to Teresa before a private cremation in Dublin. Teresa will now rest with her family in the Scully's plot in Killeagh cemetery.

We would like to extend our deepest sympathy to Gwilym, Brian, Peter, David and Margaret, her daughters-in-law and grandchildren, relatives and many friends.

## “Great Give-Away” Condemned At Democratic Left Meeting

At the November meeting of the Dungarvan branch of the Democratic Left grave concern was expressed at the decision of the majority of the U.D.C. councillors to hand over free of charge the Councils fine property on a prime development site at Davitts Quay.

It was stated that this building had been purchased by the Council only three years ago for £50,000. The decision of the councillors was condemned as “the great give-away”.

It was felt that, with the present chronic shortage of housing in Dungarvan area, this building if properly

renovated could have provided thirty or so good quality apartment units for suitable candidates on the present housing list. Furthermore, it was pointed out, that if this building was renovated through direct labour badly-needed jobs would have been created during the construction phase.

There was very strong condemnation of the “audacity” of the Council to hand over free of charge a £50,000 building. The Council, it was suggested, had lost “its moral authority” to levy such taxes on the people of Dungarvan. Christy Power P.R.O.

## Where Would You be Going Without A Light On Your Bike?

In 1992 35 cyclists were killed and 780 injured, some very seriously. Many of these accidents happen at night when cyclists are at their most vulnerable.

Cycling on a dark unlit road, combined with dark

clothing and unlit bikes makes it virtually impossible for drivers to see cyclists — until it is too late.

It is essential that bikes are properly lit, it is also a legal requirement. A front and back light and a rear re-

flector are the bare minimum that is necessary.

Reflective armbands, pedal and spoke reflectors will all help cyclists to be seen. A reflective sabbrowne belt is also a must when you cycle in winter

time.

Wear a cycle helmet, manufactured to approved standards, every time you cycle. If you get knocked off your bike, or simply fall off it, the helmet could save you from a serious head injury.

## ICMSA Meets Department On Sheep Dipping

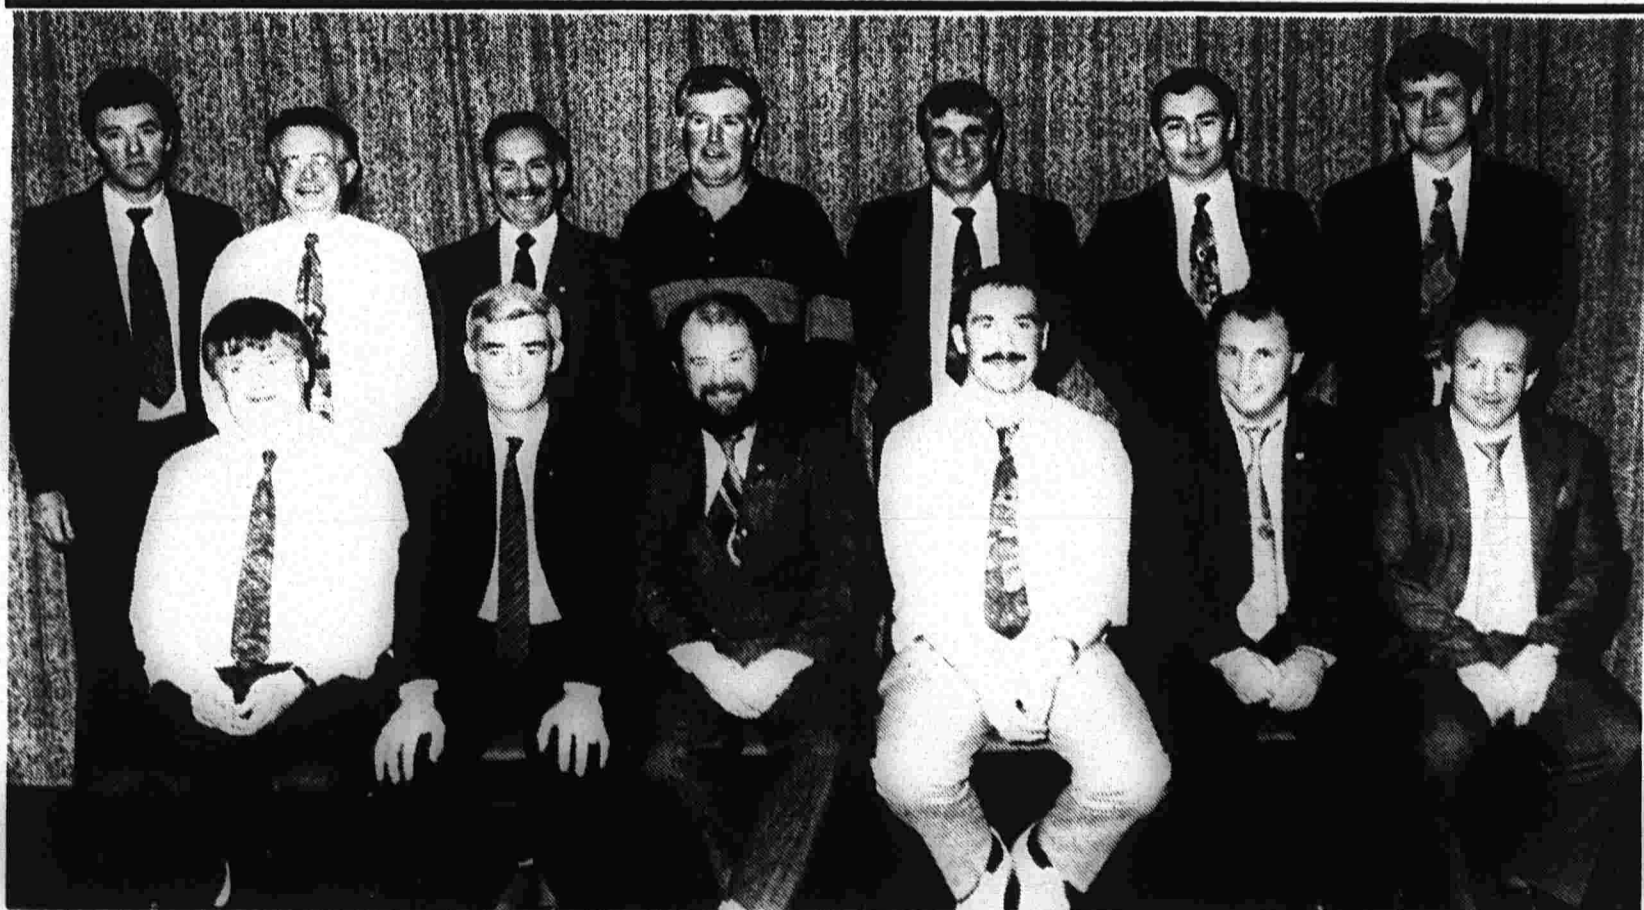

Members of the ICMSA Sheep Committee, led by Chairman, Eamon O'Rourke, met senior officials in the Veterinary Division of the Department of Agriculture, Food and

Forestry recently. Among the issues which the ICMSA raised were: identification regulations in respect of animal movement, the scrapie monitoring programme and the contentious issue of sheep dipping.

Mr. O'Rourke called on the Department to fulfil the commitment made to the Association in June 1992 to deregulate sheep dipping by the end of 1993. Mr. O'Rourke said that the compulsory sheep dipping scheme must be abolished as promised by the Minister and farmers given responsibility for dipping their own sheep.

“The ICMSA position is clear on this issue. We want sheep dipping deregulated and that sheep scab would continue to be a notifiable disease. Sheep dipping is good husbandry practice and the majority of farmers dip their sheep in the summer months to control fly strike. It is ridiculous that farmers have to pay someone assigned by the County Councils to supervise the dipping of their sheep,” Mr. O'Rourke told the Department.

The ICMSA delegation said that there should be spot checks at marts and factories for sheep scab and that anyone found with diseased animals should be unable to trade until the disease is cleared up.

Pictured at the Telecom Eireann social held in The Park Hotel, Dungarvan recently are members who received service pins for service in excess of 20 years. THE LAVISH INTERIOR OF THE MILL RESTAURANT

## THE MILL RESTAURANT

On first impressions, visitors to the Mill, Davitt's Quay, Dungarvan, will be taken aback by the beautiful stonework facade of the establishment. And when they step inside to

sample the culinary delights, customers will be just as pleased with the delightful dishes on offer at extremely competitive prices. The Mill have been

under the new ownership of Rhona O'Connor since March 1993. In this short space of time, Rhona an Alex Gardner trained chef, has strived to set new standards of excellence in food served in cosy and intimate surroundings.

All produce used in her exciting and varied menu is bought locally, ensuring that the home made taste of her dishes are of the freshest and best quality. A 3 course lunch menu costs only £3.95 and who could

resist a tempting evening meal of either pheasant, duck or lamb currently in season? Seafood also features prominently on the menu especially at weekends and choices include everything from lobster to sole.

Small parties are well catered for and there is an upstairs function room available for special occasions. The Mill also has a full wine licence with an extensive range to suit every palate and pocket and compliment every meal.

With its charming ambience The Mill is definitely a restaurant for people of good taste and its good value for money will leave you coming back time and time again.

With thoughts and plans turning to Christmas, Rhona invites you to her Christmas party nights on December 10 and 17 for live music, set menu, balloons, streamers and craic. Don't miss these "Alternative Party Nights" for a fun night out.

# The Cornerstone Of Success

## "IDEAS" Boutique

Bright and cheerful are the words that best describe 'Ideas' situated at the corner of Grattan Square, Dungarvan, where a wide range of top quality fashions are attractively displayed.

'Ideas', which was formerly situated in Friary Street, is run by Una Mulcahy who is now entering her fourth successful year of business.

Stock is logically arranged with easy co-ordination in mind so that customers can find a complete ensemble with the minimum of difficulty.

Customers can choose from super separates, colourful coordinates, fun jewelry and

Una, Rhona and Sarah toasting their success.

party wear. Be the belle of the New Years Ball in the latest eye-catching glitzy

ballgown. Whatever your taste, you'll find the complete

look at 'Ideas' for all your ideas! Deposits are now being taken for Christmas.

This week the "Dungarvan Leader" takes a look at three single women running successful businesses all on their own, in one of the busiest corners of Dungarvan. All three businesses, 'The Mill Restaurant', 'Ideas' and 'Pearls Petals' have developed a flourishing trade and built up a successful reputation for excellent service at affordable prices.

## PEARLS PETALS

"You bring the thought, we bring the flowers", is the motto at Pearl's Petals florists, Davitts Quay, Dungarvan and that is exactly what owner Sarah Gallaher has been doing since opening in Mary Street in 1990.

With a wide range of potted plants, dried flowers, exotic air plants and arrangements made to order, there is

something for everyone and every occasion.

Sarah is only too delighted to assist customers in any way possible when choosing arrangements for birthdays, weddings, Valentines Day, funerals etc. There are also selection guides available to help customers pick their choice.

"Delivered by hand,

straight to the heart"

promises Interflora and true to form, Sarah offers free delivery in Dungarvan and Abbeyside. A guaranteed two day delivery to anywhere in the world is another special feature at Pearl's Petals thanks to the innovative Interflora fax machine which sends orders out

worldwide.

Or if you want to impress a loved one with a bouquet, card and present, why not send them a 'living card' which has all three in one.

Coming up to the festive season, Sarah's attractive Christmas wreaths are a must for all proud home owners.

## ACKNOWLEDGMENTS

### TERRY EARLEY Main Street, Dungarvan

The husband Jimmy, sisters Ada and Kathleen, nieces, nephews and other relatives of the late Terry Earley, wish to thank most sincerely all those who sympathised with them on their sad bereavement; those who called to the house, attended Rosary, removal and Requiem Mass and burial; those who sent Mass cards, enrolment cards, messages of sympathy and floral tributes, and those who travelled long distances to be with us. A special word of thanks to the staff of St. Ann's Hospital, Dublin, to the staff in the Regional Hospital, Waterford; also to Dr. Brady, Abbeyside who was so kind and helpful to Terry. Also a word of thanks to Canon Power, P.P., the Augustinian Fathers of Dungarvan, especially Fr. Moylan; to Fr. Richard Geoghegan for his kindness; Fr. Jackie Power, OSA for his kindness. A special word of thanks to Benny for his beautiful tribute to Terry; thanks also to the gravediggers and to anyone who helped in their own way, and Tom Drohan Undertaker. As it would be impossible to reply individually to all, we trust that this acknowledgment will be accepted by all in grateful appreciation. The holy sacrifice of the Mass will be offered for the intentions of all.

# County Waterford I.C.M.S.A. News

The County Waterford I.C.M.S.A. organised a very successful Milk Symposium which was held in Lawlors Hotel, Dungarvan, last week.

The very well attended meeting was chaired by County Chairman, John Cusack and the guest speakers included Mr. Gerry Higgins, Department of Agriculture, Mr. Michael O'Neill and Mr. Niall Cullen, Waterford Foods and Mr. Tom O'Dwyer, President I.C.M.S.A.

Mr. Higgins, who is the Department official who will be inspecting dairies, gave a very informative talk on what is required by dairy farmers to meet the New Regulations. His advice to farmers, especially those under 50,000 gallons, was not to do any structural work until the inspector calls, as grant aid will be available to suppliers up to a certain gallonage.

Mr. Michael O'Neill, Waterford Foods, said that the Co-op in conjunction with Teagasc and the Department will be holding open days on farms in order to give practical advice on what is required. Mr. O'Neill said that Waterford Foods is 200,000 gallons over quota at present.

Mr. Niall Cullen gave an

insight into the problems associated with somatic cell count (S.C.C.). He went on to say that the Co-op have worked very close with dairy farmers and over the next six months will continue to do so where an individual farmer has a S.C.C. problem. His advice to farmers was to have cows individually tested in order to find the problem ones.

Mr. Tom O'Dwyer covered a wide range of issues which included C.A.P. and G.A.T.T. and the 5.3 million gallons of quota which is being allocated to small scale milk producers. He pointed out that there are two major anomalies in the criteria for this allocation.

Mr. O'Dwyer said the obligation for farmers to have acquired additional quota in the past number of years and by confining distribution to farmers with under 70 'map' acres is unfair and inequitable.

"For an example there are many small suppliers who could not afford to acquire additional quota, and there are some Co-op areas where additional quota was not available for farmers. Therefore, we believe that farmers who clearly demonstrated their commitment to milk production by delivering at least 85% of their quota in past years, should not be bound by this restriction."

"The restriction of 70 map acres is not equitable as 70 map acres in one part of the country can not be equated with similar acreage elsewhere, therefore, we believe that this restriction should be by 70 adjusted acres," concluded Mr. O'Dwyer.

This was followed by a question and answer session. The winner of the £50 door voucher sponsored by Waterford Foods was Mr. Tom Hickey. The County Chairman, John Cusack, thanked the panel of speakers and the large gathering for coming to the meeting.

### ALICE ABBOTT (née Neville) Coventry and New Street, Lismore

The husband Bryan, family and relatives of the late Alice Abbott, wish to thank most sincerely all those who sympathised with them in their recent bereavement; those who attended the Rosary, removal, Mass and burial; those who sent Mass cards, enrolment cards, letters of sympathy and floral tributes. A special word of thanks to Rev. Canon Nugent, Fr. Ryan, Fr. Queally, Dr. O'Mahony, John Bransfield, Undertakers. As a token of our appreciation the holy sacrifice of the Mass will be offered for all.

garding the payments of suckler cow, beef cow and special beef premia and sheep headage, Mrs. Ann Kirwan, County Secretary of Waterford ICMSA said that ICMSA have been in contact with the local office in Waterford.

From the information received from the Department, she said that the majority of these payments will reach farmers over the next few weeks.

Some payments are based on a 60 per cent advance payment on the Spring 1993 and June 1993 applications for the 10 and 22 month special beef premium.

"In the event of farmers not receiving their payments before Christmas they should contact the local Agriculture Department office to query the delay as there may be some problem," concluded Mrs. Kirwan.

"Farmers in particular and indeed owners of property generally should realise that their legal responsibilities towards people entering their properties have not changed," said Mr. Tom Hickey, County Waterford ICMSA PRO.

Mr. Hickey said that the legislation placing a heavy duty of care on farmers towards those entering their properties has not been changed despite the commitments received by ICMSA from the previous and present Taoiseach and from the previous Minister for Justice.

"The ICMSA will accept that reasonable responsibility may be attached to farmers in respect of invited persons. We will not accept any responsibilities towards uninvited persons," said Mr. Hickey.

It is the ICMSA view that changes in the present state of legislation governing occupiers liability are extremely urgent if farmers are expected to give access to the various categories of people who want access to their lands.

"If the legislation is altered to clearly and definitely remove the burden of liability from farmers, no restrictions will be required.

"Those who previously said that the law did not need to be changed carry blame for the delay in getting satisfactory change implemented.

"Until such time as satisfactory alterations to the present legislation is enacted, farmers will serve the best interests of themselves and their families by restricting access to their holdings only to those who are necessary to the business of the farm," concluded Mr. Hickey.

**Western Junior Football Final**

# LISMORE TAKE THE TITLE

**LISMORE 3-8 KILGOBINET 1-3**

By Our Cappoquin Correspondent

Conditions were almost ideal for the Western junior football final at the sportsfield on Sunday last. The contestants were Lismore and Kilgobinet. Both had done well in the league part of the competition. The black and amber played several games at the venue and from an indifferent first round they showed gradual improvement especially after they had won county senior hurling honours. Kilgobinet played a draw against Old Parish in the semi-final and consequently had the benefit of the replay as an extra game.

The Greens started well on Sunday and playing to-

wards the road goal against the slight breeze they were on the attack from the throw-in. They didn't score until the 6th minute when Martin Troy pointed. He should have scored again a few minutes later when he missed an easy chance following a good pass from Jim Walsh. This was cancelled out in the 12th minute when Brendan Lawton also missed a good chance. Lismore opened their scoring a minute later when the youthful Dan Shanahan pointed. They went ahead a minute later, this time a point from Kieran O'Gorman. The same player placed Michael

Hickey but again an easy chance was missed. There was no such mistake by Paul Quinn when he pointed in the 15th minute. Kevin Walsh pointed a Kilgobinet free in the 17th but the decisive score of the half came in the 21st minute when following a good movement, Seamus Prendergast scored a fine goal. Brendan Lawton took full advantage of a poor kick out when he pointed after 23 minutes. Jim Walsh and Paul Prendergast exchanged points leaving the half time score Lismore 1-5 Kilgobinet 0-3.

**STILL THERE**

Kilgobinet with the wind seemed to be still there with a fair chance and were right back in it in the 8th minute when full back Frank Power failed to reach a high ball leaving two forwards with only the keeper to beat, either of whom could have scored easily but the honour went to Martin Troy who tapped the ball into the net leaving only two points between the teams. Lismore looked ragged at this stage and can thank midfielder Sean Daly more than anybody else for keeping them in it. Gradually, however, their superior fitness began to tell. Centre back Barney Prendergast was able to outfield a tiring Martin Curran who had played himself to a standstill. Wing back Ormonde got in some fine clearances many of which fell to Paul Quinn whose devastating runs would break the hearts of any opposition. It was entirely fitting that he should snatch the next score a point in the 18th minute. This was followed by another from Dan Shanahan two minutes

later. Full forward Kieran O'Gorman had the ability to outfield all comers and his contribution at this stage of the game was enormous. In the 26th minute following a movement involving several players Dan Shanahan found himself inside everybody for a dropping ball. His height helped him to outreach the keeper and tap the ball into the net. The nearest Kilgobinet came to another score was in the 27th minute when a ball with goal written all over it was booted off the line by Mark O'Sullivan. With the game in injury time Michael Hickey at wing forward for Lismore crowned a fine performance with an excellent goal. It was left to Quinn to complete the scoring with a point in the 32nd minute.

Lismore's performance in the last quarter of this game had to be seen to be believed. They ran like hares, they combined like a senior team and indeed if they can repeat this it will take a very good junior team to beat them. Final score Lismore 3-8 Kilgobinet 1-3.

## St. Patrick's G.A.A. Club Notes

**UNDER 12 FOOTBALL**  
St. Patrick's 0-7  
An Gaeltacht 2-4

We were beaten in the "C" Final at Abbeyside on Saturday last. This was a most exciting match which produced some excellent football by both teams. We had an excellent start with Michael Moloney doing good work for Richard Kirwan who was in good scoring form. Unfortunately our backs made a blunder in the 18th minute and a very soft goal was conceded against the run of play. Having dominated the first half and scored four points An Gaeltacht were level with us at half time on a score-line of 0-4 to 1-1.

Against the wind in the second half Richard Kirwan opened the scoring and it seemed as if we were heading for victory. The game was really hanging in the balance until An Gaeltacht scored a goal and this effectively finished our chances. We continued to play good football, but on the day we were beaten by a very good team. After the game Jimmy McGrath, Chairman of Bord na nOg, praised both teams for providing an excellent standard of football.

Our lads have played a record number of matches in the past few months and much progress has been made with a very young panel. To their credit they have played well this year and the future looks bright for future years. When one considers the Under 12 hurling competition and schools matches these lads have had a great year and enjoyed themselves.

Team — Wm. Hurley,

Vincent Lynch, Brian Horsam (Capt.), Stephen Cass, Seamus O'Brien, Kenny Keane, Vincent Wall, John Wall, Willie Kiely, Pa Ryan, Michael Moloney, David McGrath, Brendan Lynch, Paul Power, Richard Kirwan. Subs. — B. Flynn, M. Coughlan, J. Hickey, D. Hurley, M. McGrath, M. Flynn, N. Queally.

**UNDER 10's FOOTBALL**

We are playing a home and away tournament with The Brickeys over the next two week-ends. On Sunday next at 12 noon we are due to play in Bohadon and on Sunday week at Bushy Park. These lads have not played a match this year and they will now be accommodated with these two matches which will finish the season.

## Stradbally G.A.A. Notes

**U-21 FOOTBALL**

After a long wait our U-21 footballers get their chance for championship glory when they take on Ring in the first round. The lads have been waiting a long time for this game and have been kept in shape by trainer Kieran Heffernan. The game has a 2.00 throw in at the Lemybrien venue.

**DEISE DRAW**

The November draw takes place next week-end. Lady luck may not have shined on the club in the last number of draws but I am sure our luck may change.

**INTERMEDIATE FOOTBALL**

Last Sunday saw one of the biggest crowds of the year turn up at the field for the Intermediate football final between Newtown and Ring. It turned out to be a very entertaining game of football with the men from Newtown just gaining the upper hand to win by the smallest of margins.

## COMERAGH OIL SQUASH TOURNAMENT QUARTER-FINAL RESULTS

### Brian O'Connor v. John Cliffe

Playing at number 5 Barry Ryan proved much too strong for Michael Breen to give Brian's team a 3-0 winning start. At number 2 Pat Cullen and Emmet Byrne played out a marvellous game before Pat's superior fitness gave him a 3-1 win and valuable points for John Cliffe's team. At number 3 Eoin Simms received a walkover from Liam Moore Jr., who again fell victim to the flu. This meant John Keane, playing for Brian's team, had to win against Patsy O'Connell. Patsy raced into a 2-0 lead but John pulled one back in the third 10-8. However Patsy took the fourth set 9-4 and overall victory for his team.

### Eddie Cashin v. Gerry Foley

Playing at number 5 Jonathan Byrne scored a great 3-0 win over Eamon Cashin to give Gerry's team the best possible start. At number 3 Michelle Mernin and Ann Dunford gave us a thrilling 5 set match with Michelle coming out on top 9-6, 5-9, 0-9, 9-7, 9-6. Next on court we had the number 2's, Pat Keane and Joe O'Brien. Here the long sleepless nights seem to have taken their toll on Pat as he went down to an inspired display from Joe on a 3-0 scoreline. This gave Gerry's team a 9-2 lead giving the number 1's and 4's an early night, much to the delight of Felix who is still recovering from his earlier round exploits.

### Georgie Hamilton v. Ray Moore

First on court here were the number 2's, P. J. Murphy and Paddy Walsh. Here P. J. seems to have recovered from his early season slump in form as he scored a great 3-2 win for Georgie's team. At number 5 Kevin Tutty was in devastating form as he overcame the challenge of Stephen McNamara 3-0 to put his team 6-2 into the lead. This really put it up to Michael Tutty playing at number 3 against Don Shiel. However Don was in no mood to give anything away and despite Michael's best efforts he could do nothing to stop Don on the night as he recorded a 3-0 win to send his team into the semi-finals.

### Andrew Lally v. Jimmy O'Dea

First on court here were the number 1's and here Jimmy had to call on all his years of craft and experience before he overcame the challenge of Andrew on a 3-2 scoreline. At number 5 Tony O'Mahoney had a great 3-0 win over Bernadette Dunne to put Jimmy's team 6-2 ahead. At number 4 Fintan Lahiffe and John Phelan gave us a great game before the "Banner Man" came home 3-0. At number 3 Helen Kiely and Helen Crotty were in action, and gave us the best game of the night. Here, both players who are very evenly matched, the result was in doubt in all four sets. Helen Kiely took the first two but back came Helen Crotty to take the third. The fourth set, however, saw Helen Kiely at her brilliant best as she eventually overcame the challenge of club ladies number 1 to take the set 9-0 and a semi-final place for her team.

## POOL KNOCKOUT

This tournament has proved a great success and we are now down to the semi-final stage. Along the way we have seen some of the favourites fall in some shock results. However the final four have fully justified their place in the semis which brings together Seamus Manahan, Wesley Fitzgerald, Brendan Downey and Stephen Lyons.

## ATHLETICS

What started out as a "fun run" exercise has very quickly developed into a race against the clock and has generated tremendous competition among the "elite." However "self appointed Race Director" Tony Ryan has now introduced a time handicap system which has provided us with even greater competition. The top group of Martin Sandford, John Joe Wright, Michael Roche, Colin Lyons, Finbarr Kelly and "squash mercenary" J. T. Kiely are having their own personal battles, but behind them Paul Keating, Tom Meehan, John Clarke, John Lyons, Liam Dwyer, Anthony Dwyer and Michael Coleman are catching up fast. More next week — The Doyler.

## SYMPATHY

The club extends its deepest sympathy to the family of the late Gerald Eamon Crotty, Comeragh Crescent, Dungarvan whose tragic death occurred last weekend. May he rest in peace.

### TURKEY TOURNAMENT

We had a great turnout for our turkey tournament on Sunday last, which saw pitch and putt played to a very high standard. Anthony Landers and Tess Dalton

were the long time leaders in the clubhouse and it wasn't until the final pairing of Andy Keohan and Martin Hayes came off the course that they were narrowly defeated. The winning margin was just 1/4 of

a shot. Congratulations to our winners A. Keohan and M. Hayes. Don't forget names in before 2 p.m. on Saturday for next week's competition. **JUVENILE RESULTS** Raymond Bannon came

home a two shot winner from Owen Mansfield on Saturday. Well done Ray. **LOTTO RESULTS** This week's numbers were 6, 14 and 16. We had one lucky winner - Mary Murray. Last tee-off 3.30 p.m.

# MINNIES SQUASH NOTES

## Francis Power Reaches Munster Open Final

On the weekend of November 12-14 the Munster Open Squash Championships sponsored by Telecom Eireann took place at the various squash centres in Cork City. Five Minnies players made the trip. In the men's 'C' Pat McGovern and Ray Moore took part while in the men's 'B' Pat O'Brien, Michael Hayes and Francis Power participated.

In the men's 'C' Ray Moore opened on Friday night with a very long, hard fought 3-0 win over Dominic White. In the second round on Saturday, Ray's best efforts were not enough as he came up against the very strong and skilful Donal Curran (seeded three). Ray went down 3-0.

Donal went on to win out the 'C' section and Dominic White won the Plate.

For Pat McGovern Friday night was just a 'spin' for he received a walkover so his open began on Saturday when he tackled Robert Hawkins of Collins Barrack. After a very close first game, which went to Hawkins 9-7, he followed up to win the second and third. This meant that Pat went into the Plate where he played a tremendous match against a very strong

hitting Ger Cotter. After a very long first game, Pat sneaked it 10-8. His opponent won the next two but a fine burst of pace saw Pat level it. In the fifth all seemed lost when Cotter went 5-0 up but Pat showed plenty of determination to eventually scrape a very close tussle 10-8 in a match that passed the hour mark.

This put Pat into the semi-final and here he came up against Brendan O'Neill, a very quick and fit left-hander. Unfortunately, Pat had nothing left in the tank and lost 0-3.

It's worth noting that Pat played his first game at noon on Saturday and was back on court for his third — yes, third game — at 4 p.m.! Need I say more!

In the 'B', club champion, Pat O'Brien opened with victory against Anthony O'Connell. In the second round Pat came up against a very strong, fit and equally young opponent in Michael Bradley. After a marathon game that took well over the hour, Pat was very unlucky and disappointed to lose 2-3.

For Michael Hayes, back playing for Minnies after more than ten years away, he had a dream start. Playing brilliant squash, Michael defeated the num-

ber one seed. Eamonn O'Keefe from Sunday's Well 3-0. Saturday morning saw Michael receive a walkover so in Saturday night's semi-final it was Michael's turn to come up against Michael Bradley. Unfortunately, Bradley was in awesome form winning 3-0.

So to Francis Power, arguably the most gifted and skilful player ever to represent Minnies. In the first round Francis came up against number three seed Tony Hackett, a very tall man who makes the court seem very small. However, Francis, once he settled into his rhythm, was not going to be thwarted as he won a tight four-setter (two games

going 10-8, 10-9. In the second round, Francis received a walkover.

In the semi-final on Saturday night Francis was involved in a marathon five setter with Munster president, Noel Bradley, but once again Francis's skill and sheer determination carried him through. So it was on to Sunday's final which saw Francis against (by now named the scourge of Minnies) Michael Bradley. Francis, after a fantastic weekend of squash, found his much younger opponent in super form, but will feel disappointed not to have pressed home his advantage more, losing in straight sets by the same 9-7 scoreline. Nonetheless, this was a fantastic achievement from the man from Emerald Terrace and well done to all our competitors.

**Michael  
O'Mahoney  
The Only  
Div. One  
Winner At  
"The Well"**

On Tuesday night, November 16, our division one team in the Cork League travelled to Sunday's Well in Cork, the team that comprehensively beat them in the league opener when Francis Power was our only victor. The sad news, I'm afraid, is our lads went under again, losing 4-1.

At five, Francis Power, still on a high after his superb weekend, never got going as he lost 0-3 to Kieran Lynch. At four, Michael O'Mahoney was our only victor on the night as he won a very tough five-setter against Eamonn O'Keefe. At three, Anthony Lyons played below par as he lost 0-3 to Tony Weir. At two, Pat O'Brien once again locked horns with one of Ireland's former greats, losing 0-3 to Richie Power. At one, Paul Freyne found Sexton Street's best, Brian O'Connor, too hot as he went down 0-3.

For the record, on Friday night, November 5, the Orchard failed to field a team against Minnies so our lads received a walkover.

### Great Start To Allrounder Ladder

Our Annual Ladder League sponsored by the Allrounder Sports Shop, Grattan Square, is now in full swing and I must say it's great to see nearly all games completed in the first brace. For those who are not familiar with the Allrounder Ladder league, what happens or what happened was we received fifty entries. These entries were graded from one to fifty and then broken into sections of five. During the space of four to five weeks each player plays the others in the group, at the end of which the top two get promoted, the bottom two get relegated and the middle player stays put, thus ensuring different opponents each month.

The scoring system for the league is 6 pts. for 3-0 win, 5 pts. for 3-1, 4 pts. for 3-2, 3 pts. for losing 2-3, 2 pts. for 1-3, 1 pt. for 0-3. If neither player plays, each gets -3 (minus) points. In the event of someone receiving a walkover they collect 6 pts., not 5 as in previous years.

While the prestige is trying to get to the top of the ladder, the "booty" or "silverware" is topping the points chart. At the end of the final league, the Top 24 Tournament (8x3 person teams) is played for. Last season the Top 24 points players qualified for the finals. Hopefully, that explains the "ins and outs."

### Entries Flowing In For Hoffman's Tournament

Our next club tournament, The Hoffman's Team Tournament, is currently posted. Last season a fantastic entry of 95 was received so we would urge and encourage all members to enter and try and surpass last season's tally. For the record, the winning team last season

was (1) Paul O'Brien, (2) Frank O'Donoghue, (3) Richie Duggan, (4) John Phelan, (5) Sharon Wyse, while the runners-up were (1) Martin Walsh, (2) John Kelly, (3) Martin Moore, (4) Tony Shalloe, (5) Leroy Simms.

Entries close this Thurs-

day night, November 25 at 8 p.m., with the action beginning the following Tuesday. So, come on everyone, get your name in, this is our last tournament of '93. Members of the Crystal are also invited to enter. Don't forget, closing date is November 25, at 8 p.m.

### Shock Defeat For Lally's Men

On Monday night, November 15, our unbeaten men's division two team travelled to Freshford to take on the team they defeated 4-1 last week. The news, I'm afraid to say, is very bad as the lads lost 1-4 and have thus put plenty of pressure back on themselves to win the title.

At five, Martin Walsh played well but had to settle for one game as he lost 1-3. At four, Maurice Walsh was an example to all the team as he showed how it is done — how to win on away turf — as he ran out a 3-1 winner. At three an "under the weather" Paddy Murphy was always struggling, as, feeling very weak, he went down 0-3.

Paul O'Brien played very well against his very fit opponent a Kilkenny minor hurler — one of those opponents who appears faster than the ball. Sadly, despite Paul's best efforts, he came out on the wrong side of a 2-3 scoreline. At one, Andrew Lally, our captain, was always up against it and as last week, his very strong opponent was a 3-0 victor. Club captain, Maurice Walsh is reported to be stocking up on the travel sickness tablets to cure the lads "away blues."

The division two team end their campaign with a home game against Dunhill on Monday night, November 29, so, if you're around, call in. Victory here would seem essential to give the lads an outside chance.

### FOUR PLAYERS TOP THE LEAGUE

With the first pair of games now calculated, we have a four-way tie at the top of the points table. From division one we have Paul Freyne 12 pts. (3-0 v. Michael O'Mahoney, 3-0 v. Francis Power); from division two Dermot Kelly 12 pts. (3-0 v. Ray Moore, 3-0 v. Pat McGovern). Also in division two Michael Hayes (3-0 v. Ray Moore, 3-0 v. Owen O'Mahoney) and in division four John Kelly 12 pts. (3-0 v. Dave Tuohy, 3-0 v. Rene di Fusco).

Leading the way in the other divisions are: Div. three, Paul O'Brien 11 pts. (3-0 v. Dick Brady, 3-1 v. Maurice Walsh). Div. five, Michael Gildea 10 pts. (3-1 v. Paul Breen, 3-1 v. John Reynolds). Div. six, Felix Shields (3-0 v. Gerry McCullagh, 3-2 v. Margaret Browne). Div. seven, Michael O'Connor 11 points (3-1 v. Jenny McGrath, 3-0 v. George Harney). Div. eight,

Tony O'Mahoney 8 pts. (3-0 v. Marie O'Sullivan, 1-3 v. Brian McNamara). Div. nine, Sharon O'Brien 10 pts. (3-2 v. Sharon Wyse, 3-0 v. Eva Quinlan). Div. ten, Claire Walsh 9 pts. (3-0 v. Karen Rimmer, 2-3 v. Barry Keane). Also Barry Keane 9 pts. (3-2 v. Clare Walsh, 3-1 v. Kate Cross).

I wonder what way things will look come March, or Christmas for that matter. A notice is currently posted on the ladder noticeboard that scores have to be written up by the appointed time unless permission is granted from ladder organiser and director Margaret Browne. If any players have any problems or queries or if you "missed the boat" and would like to "come aboard" you should contact Margaret (telephone number on board).

The second brace of games are due to be completed by next Monday, November 29, at 8 p.m.

# Dungarvan Bid For Four-In-A-Row

Champions  
Of 1945

▲ Above are the Dungarvan senior football champions of 1945. The club went on to win four-in-a-row, 1945, '46, '47 and 1948. They beat Stradbally in the final in 1945. The "Reds" had won the previous five titles, 1940, '41, '42, '43 and 1944. Incidentally we have been informed that Dungarvan beat Kilrossanty by 3-3 to nil in the 1946 championship, so the recent semi-final display was not the worst scoreline by a Comeragh side. Perhaps some reader can confirm this.

As Dungarvan prepare for their bid to write their names into the modern history books by taking four titles in a row, we take a look back at some interesting facts and statistics.

## A DECADE AGO

Neither Dungarvan or the Nire were in contention when Kilrossanty, won their eleventh county title, defeating Ferrybank 1-10 to 1-7. But on the same day Dungarvan minors defeated Clann na Gael (1-9 to 0-3) and it is interesting to record that after ten years only four of that winning team i.e. David Burke, Derek Lyons, Dermot Callaghan and Morrie Ferncombe are still regulars on the senior side. David Burke and Derek Lyons who played centre-half back and right half forward respectively on that day are now the midfield partnership and both Dermot Callaghan, left-half forward and Morrie Ferncombe at full forward on the minor team of 1983 are still playing in the same positions.

Others from the 1983 panel who are still on the present senior group are Peter Quealy, Tony Hamilton and Denis McGrath.

Interestingly, the Nire were in the news also in 1983 when winning the new-look intermediate football championship. Having been beaten in the senior championship qualifying rounds, they played great football and took the title by beating Ballyduff East by 0-10 to 0-4. Unfortunately I have been unable to unearth the Nire team who won that day (if Sunday's final ends in a draw I'll produce it for the replay).

Martin Sheehan

It has never happened in the history of the county that we were playing our senior football county final on the same day in which our county football team were playing an important National League match. This is happening on next Sunday because somewhere along the line we made a mess of our club championship schedule in spite of the lessons that were supposed to have been learned last year.

This is the one which overshadows all other events on the club calendar for the year and has always been held as a special day for our thousands of football supporters in the county. This year it will be no different and thousand will flock to the Cappoquin venue to enjoy what must surely be a tremendous contest between the county champions, Dungarvan and their latest challengers, the Nire.

The one big difference is that the venue is Cappoquin and not Dungarvan or Walsh Park where the finals have been played for the past fifty years or so.

Two weeks ago when the Nire demolished the favourites, Kilrossanty, the vast majority of football followers throughout the county were agreed that the result of this second semi-final considerably strengthened the prospects of Dungarvan achieving their four-in-a-row. The expectations were that Kilrossanty would qualify and pose the most serious challenge that Dungarvan had come up against since reaching their first county final four seasons ago.

It is difficult to understand the logic of this view as the Nire's victory was achieved by a sparkling display of top-class football and if the Nire could inflict such a big defeat on the Comeragh team, what wouldn't Dungarvan have done to the same outfit.

Anyone who believes that there was anything 'flukey' about what happened at Kill on November 13, is not facing reality and I believe that this will be demonstrated again in the final on Sunday.

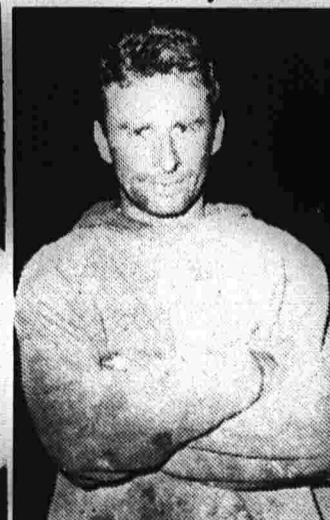

This will be the Nire's third appearance in a football county final and understandably there is countywide support for a team who have tried so very hard for so very long and still have not tasted the cup of victory. Their first county final appearance saw them lose by four points to the more experienced Stradbally side and having drawn with Kilrossanty in the 1989 county final, they lost the replay in what they describe as controversial circumstances by a single point in the lowest scoring final for twenty years.

Two final defeats damaged their morale, but nevertheless the men from the Ballymac' area came fighting back and now following a great campaign in 1993 they are back in the county final and confident enough of achieving their lifetime ambition and an historic first for the club who have won county titles in every other grade of football except senior. A victory on Sunday, would not only put the 'icing on the cake', it would wipe out all their bitter disappointments and frustrating defeats in past years. Many of the older Nire players like Jim Wall and Mick Connolly wore the county and the Munster jerseys with distinction as well as Kieran, Bill and other members of the famous Ryan families out the Nire way whose names were synonymous with the efforts of the club since back in 1942 when they won their first county title in beating Kilrossanty in junior football.

Their present standardbearers have all come up through the ranks and with one or two exceptions have been playing members of Nire teams P.T.O. ➔

from under 12 grades up to under 21 and intermediate.

So far this year, they have suffered only one defeat in their nine matches and this was when losing narrowly to Sunday's opponents Dungarvan at Cappoquin. They began with a narrow win over Kilmac' and then went on a scoring spree and shot over 20 points against Dunhill. They had good wins over Gaultier and St. Saviours, which is a credible record by any standards and something that will give them confidence in facing the champions on Sunday.

Ed. Gough will be the net minder and will be playing in his first county final. The defence will include Tom Walsh at fullback, Tom Guiry, Ml. Byrne, Tom Flynn, Pat Walsh and Ian Walsh. In the middle of the field the challengers will have Ger Walsh and under 21 player David Phelan. Tony Condon, Seamus Cuddy, Kevin Mulcahy, Michael Guiry the team marksman, Pat Walsh and Pat Crotty will be in attack and they will have a number of skilled men on the substitute bench to call on should the need arise.

## SOMETHING SPECIAL

The champions have achieved so much and been in the news so often over the past three or four years, that the players and what they have won hardly needs repeating. Being the first team to achieve a three in a row winning run in the last quarter of a century, they must have something special that the others have not got.

The teamwork which they have devel-

oped in playing together since their early underage years and the 'pass and run' style of game as opposed to the catch and kick brand which they have developed to a fine art had undoubtedly been the basis of their success to-date. Their great fitness, too, has been a factor although in the last three matches their opponents all came from well behind to run the champions close.

They are the favourites to win and to emulate the achievement of their 1945/48 team and with their recent winning record they must be favourites. The team whose names surround this article have become household names in the football orientated homes in the county. They include David O'Connor, now recovered from a bout of 'flu, full-back Darrell Donnelly, Bobby Lyons, Dermot Callaghan, Martin Houlihan, Martin Kelly, Eddie Burke, Martin Sheehan, Dermot Dee, midfield partners, Derek Lyons and David Burke and attackers Fergal Cunningham.

## THE VENUE

Contrary to popular belief, this will not be the first county senior football final to be played at the Cappoquin venue.

The 1939 replay between Stradbally and Kilrossanty in the county final was played there (Stradbally 3-5 Kilrossanty 2-2). Also the 1946 county final involving Kilrossanty and Dungarvan in a replay, was played there, as was the drawn game. Dungarvan won the title there on a scoreline of 3-3 to 0-0.

Denis McGrath, Morrie, P. P. and John John Ferncombe, Ger Beresford and a number of tried and true substitutes to call on. No one can deny but that they are a well equipped outfit and have been worthy champions since taking over leadership.

## THE OUTCOME

The Nire will revel in the role of outsiders and as one of their former players pointed out to me on Friday night in Lawlors, the Nire were not regarded as outsiders when playing in their other two county finals. They feel that they are now good enough to remove Dungarvan from their place as the top team in the county. They are fully tuned, they have the appetite for the game and they think they can match the champions in the matter of skill.

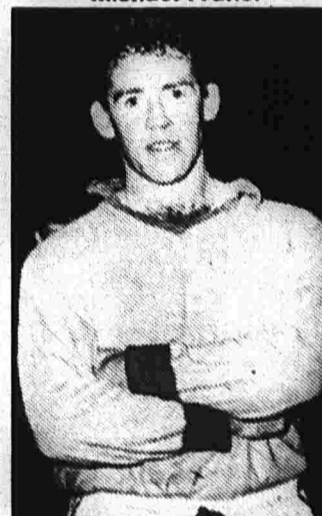

Dungarvan seem to be saying nothing — the public seem to be doing it for them. Having overcome so many difficult obstacles to qualify for their fourth final in a row, the champions are not going to let go easily and while they are by no means unbeatable, they look like achieving their immediate objective of winning the four on the trot.

By all accounts, the Nire side which Dungarvan play on next Sunday will be a far better side than that which lost to the champs a couple of months ago and this must put them in with a chance — in fact a reasonable chance of winning their first title.

A draw is not out of the question either, but from the public point of view, whatever the outcome, it should be one whale of a game of football.

Dungarvan's total score of 20 goals and 108 points going into the final is already a record score for a team in a senior football championship, but the Nire's total of 8-115 is a new record of points scoring, going into the county final. The county champions, who have played ten matches so far (they had a play-off game with Gaultier), are averaging 2-11 per game, while the Nire, after nine matches have an average of 1-12.

What makes this final a most intriguing contest is the fact that over the last four meetings in the championship only a score divided the teams on three occasions and the odd one out was the four points win for Dungarvan.

1990	Dungarvan 0-10	Nire 1-6

## The Top Notchers

Dungarvan club who won their third county senior football title just 100 years ago (1893) were a divided club for some considerable time afterwards. Rather I should say, they were a divided town as instead of one, they had two clubs and therein lies the legend of the famous Erin's Hopes and The Rovers who became great rivals until the eventual reunification about ten years later. Erin's Hopes who became the first club to achieve the four-in-a-row, were the better of the two Dungarvan teams in that era.

## 5 IN A ROW

In the 108 years of our football history or since Ballysaggart won the first Waterford championship back in 1885, only three clubs have won five senior football titles in succession — Clashmore were the first to achieve this in the years, 1903 to 1907, Dungarvan were next in the years 1926 to 1930 and the third were Stradbally whose five years of glory was brought to an end by Dungarvan who took the title in 1945, after the Reds had held it from 1940 to 1944.

## 4 IN A ROW

Four clubs have achieved this and beginning with Erin's Hopes, 1896 to 1898, we had De La Salle 1933 to 1936, Dungarvan from 1945 to 1948 and Kilrossanty in the years 1949 to 1952.

## 3 IN A ROW

Lismore are in the news here when winning the senior title in the years 1988 to 1992 (there was no championship in the year 1990) and Kill who took the three in a row in the years 1966 to 1968.

It will be interesting to see which of the above categories Dungarvan will fit into after Sunday's battle with the Nire. Dungarvan are presently a three-in-a-row team having held the title since 1990.

**ST. OLIVERS G.A.A. NEWS**

# A Major Triumph For Minor Hurlers

ST. OLIVERS 3-7 TRAMORE 0-4

St. Olivers ended 18 years of waiting last Saturday afternoon in Walsh Park when they clinched their first ever county minor hurling title by defeating Eastern champions Tramore by 12 points in the "B" final. The only other occasion that St. Olivers played in the county decider was back in 1982, when they were defeated by Portlaw. After toging off in Butlerstown, the St. Olivers coach, carrying players and fans, arrived at Walsh Park close to 2.30 p.m. and time for the action to begin.

95 seconds into the final St. Olivers took the lead. Michael Murray struck over a 20 metre free after a foul on him. The next opportunity saw Alan Ronayne playing low to Stephen Ronayne who was running on, but the effort went wide. After four minutes the Western champions went further in front when Tholm Keane played into the square and with a doubled shot, Mickey Ronayne rifled into the net to give St. Olivers a four point lead. After a ball into the square from Owen Hallahan was cleared, Tramore notched up their opening two points, one of which came from a 20 metre free. Roger Ronayne hit a long pass towards Mikey Ronayne who managed to hit the ball across, but it was cleared. At the other end a Tramore chance was halted by Pat O'Donovan. The Western champions scored again when a Roger Ronayne sideline found Donnacha Tobin who drove it over the bar. Thomas Power hit away a "Seasiders" opportunity in what was their best spell of the match, but the St. Olivers defence brilliantly stood firm to deny Tramore from taking advantage. After 23 minutes, a kicked clearance from Tomas Curran led to Mikey Ronayne hammering a shot which had "goal" written all over it, but the Michael Mac Craith goalkeeper dived full stretch to his left to produce a breathtaking save. While Tholm Keane was down with a neck injury, Tramore broke away to point. Michael Murray sent over a free in the dying seconds of the first half to make the interval score St. Olivers 1-3 Tramore 0-3.

"The Saints" increased their lead just 50 seconds into the second half when following a foul on Roger Ronayne, Aidan Ahearne sent over the free. Laurence Maher and Tholm Keane both cleared as Tramore launched their first attack of the second half. A low shot from Donnacha Tobin was saved, it reached Roger Ronayne whose effort was spilled by the goalkeeper,

out for a 65, Aidan Ahearne took it and when Michael Murray was given the chance to point, he took it. A lengthy Tramore clearance could only find Jimmy Tobin whose ball from the back set up a chance for Roger Ronayne which went wide. Laurence Maher brilliantly stopped a high goal-bound shot and produced a fine clearance as Tramore tried to claw their way back, and were still in with a shout. But with 12 minutes to go, their hopes faded.

A taste of things to come came when a cross pass from Alan Ronayne was scrambled off the line. Then, following a long puck by Michael Walsh, Donnacha Tobin had a chance in the square but was hauled down. Referee Roger Casey showed no hesitation in awarding a 20 yard penalty. Michael Murray took it, but a combination of defender and goalpost kept it out. Donnacha Tobin pounced onto the rebound to whip to the net. And after Michael Murray sent over a free, Mikey Ronayne sent the sliothar hurtling past the flailing stick of the goalkeeper for goal number three. A long clearance from Laurence Maher found Michael Murray whose shot was excellently saved. Pat O'Donovan produced a couple of clearances as Tramore came searching for goals, and Paul Connery pulled off a vital save to keep his goal intact. Alan Ronayne had to come off through injury near the end, to be replaced by Aidan Mernin, and each side added a late point with Michael Murray scoring for the red and whites. St. Olivers, denied in 1982, were not to be denied in 1993.

On presenting the champions Shield to the St. Olivers captain, Paul Connery, to deafening cheers and applause, the County Board Chairman, Eamonn Murphy, congratulated both teams on producing an excellent and sporting match.

Afterwards all and sundry enjoyed an excellent meal at the Park Hotel.

The club wish to thank all who supported St. Olivers during the run, to Butlerstown G.A.A. Club, to Richard Hurley for supplying the half-time oranges, to the Park Hotel, to shirt sponsors Megavision and JVC, and to John Fraher Coaches.

# Dungarvan CBS Narrowly Beaten

CASHEL CBS 3-3 DUNGARVAN CBS 0-8

Dungarvan CBS made their exit from the Munster Colleges hurling championship in the quarter-final against Cashel at Mitchelstown last Wednesday. In a tremendous game, Dungarvan were first to score with a point from James Connors in the 3rd minute. Within a minute Cashel, playing with the gale wind, had a goal. Dungarvan battled bravely against the gale in the first half with outstanding performances from Tholm Keane at centre back, Michael Murray at midfield, Colm Breathnach and Raymond Lynch in attack and trailed by only 2-3 to 0-3 at the interval.

The local CBS suffered a major setback in the first minute of the second half when Cashel had their third goal. Cashel continued to dominate the early stages of the second half, but could make no further progress

against the Dungarvan defence, in which Paul O'Brien and Richard Finnegan were particularly impressive and Tholm Keane continued to excel. Dungarvan bravely fought their way back into contention and despite the heavy conditions, picked off some marvellous points from Raymond Lynch with two and Colm Breathnach with one from the half forward line.

Brendan Conway worked very hard in the full forward line and was well assisted by John Foley and James Connors. Despite intense pressure, a combination of good defensive play by Cashel and close misses by Dungarvan, deprived the Waterford side of the goals they went so close to scoring which would have rewarded them for their brave comeback. This was without doubt Dungarvan CBS's

most outstanding performance of the year and it is so unfortunate that their Munster campaign has now come to an end.

Dungarvan scorers — Raymond Lynch (0-3), Dermot Kiely (0-2), James Connors (0-1), Colm Breathnach (0-1), Brendan Conway (0-1).

Dungarvan CBS team — Kenneth Walsh (St. Patrick's), Brian O'Donovan (Abbeyside), Paul O'Brien (Abbeyside), Alan Moore (Abbeyside), Thomas Power (St. Olivers), Tholm Keane (St. Olivers), Richard Finnegan (Gaeltacht), Michael Murray (St. Olivers), Vivian Lonergan (Naomh Bríd), Raymond Lynch (St. Patrick's), Dermot Kiely (Kilrossanty), Colm Breathnach (Gaeltacht), James Connors (Naomh Bríd), Brendan Conway (Dungarvan), John Foley (Abbeyside).

Clashmore-Piltown-Ballycurrane 2-5 Ballyduff 1-3

Last year's champions Ballyduff failed to make it two in a row against a well drilled C/P/B team at Abbeyside last week. The victors got off to a spright-

ly start with a Gerard O'Rourke point in the first minute. Karl O'Keeffe stormed through from centre field but shot wide. C/P/B dominated these early stages and Michael Cliffe pointed after a solo run. Only for some good blocking down by the Ballyduff backs the winners might have scored a lot more. Stephen Barron resumed the scoring for C/P/B with a long range point and the same player had the only goal of the half when he got his hand to a ball crossed by the corner forward.

Ballyduff opened their scoring account when Liam McNamara scored from a free which went over off an upright. Ballyduff surged forward and two promising dribbles just failed to yield scores. The half ended when Tom Murphy shot into the side netting after a great Ballyduff move. Half time: C/P/B 1-3, Ballyduff 0-1.

C/P/B exerted the early pressure when play recommenced and Ballyduff goalkeeper Derek Daly had to make a tremendous double save. Ballyduff attacked and in a crowded penalty area Martin Feeney pointed with a lovely overhead kick. The same player had another point from a free. C/P/B replied with points from Stephen Barron and Karl O'Keeffe from a free. Ballyduff attacked and Mark Hickey had a great ground shot saved by goalkeeper De-

clan Hickey.

Victory was ensured for C/P/B when Karl O'Keeffe goaled from a long range free.

Tom Barry prevented further scores with some great covering for Ballyduff. Ballyduff had the final score of the match when tall centre-fielder Liam McNamara raced through for a goal.

The trophy was presented to Thomas Burke, captain of the winning team by Primary Schools Chairman, Pat Curran amid scenes of great excitement.

**Answer** — If there is no danger to the injured player, he may wait until the ball goes out of play, but not necessarily.

## INTERMEDIATE FOOTBALL FINAL —

# Newtown Pip An Rinn In Thriller

NEWTOWN 0-12 AN RINN 0-11

It has been a very long time since an intermediate football county final produced the high standard of football played between Newtown and An Rinn at Stradbally venue on Sunday last.

The 0-12 and 0-11 scoreline shows how close it was

but one had to be present to see how it was. Great passing movements, some delightful fielding, splendid kicking and with a few super scores thrown in for good measure, the game gave great value to the big crowd who turned up at the well prepared Stradbally

venue on a cold and breezy afternoon.

With only a point between them at the finish, both sides must have had regrets about missed chances and there were a number on both sides.

It was Newtown's third appearance and another defeat in the final would have been frustrating for them. They made no secret of their delight at winning when they celebrated on the field immediately after the final whistle.

An Rinn, who went so very close and looked to have taken control of the game shortly after the start of the second half, must feel disappointed at losing, particularly when they might at least have snatched a draw in the closing stages. Because of the manner in which they disposed of the fancied Ballinameela in the Western final, they may have felt confident of winning here again. Being forced to field without resolute defender Donal O Murchu was something of a setback.

## PLAY

A second minute Peter Queally point was answered with a Carthach Mac Craith point to leave them level by the 3rd minute. A splendid point by Peter Queally in the 8th minute was followed with points from Tom Kirwan, Tony Joy and Michael Hubbard who was to finish up as the popular choice for the man-of-the-match award.

This left the Eastern champions ahead by 0-5 to 0-1 by the 18th minute. Also they had had most of the play up to this point, even though not having the help of the fairly strong breeze.

Points by Seamus Mac Craith and Nioclas Og Mac Craith, put a temporary stop to Newtown's gallop and had a badly needed steady effect on the Western champions team. Michael Hubbard had a 22nd minute point for Newtown before Nioclas Og had his second for An Rinn. Then Seamus Mac Craith narrowed the gap to a single point when he sent over in the 25th minute. Peter Queally and Carthach Mac Craith exchanged points in the 27th and 28th minutes and then leading into the half time break, Michael Hubbard and Carthach had scores to leave the state of play: Newtown 0-8, An Rinn 0-7.

Several positional changes gave an impetus to the Gaeltacht team's effort and

within seconds of the restart Carthach Mac Craith had the teams level. A great point by Michael Drummy in the 32nd minute put the Western champions in front for the first time in this exciting encounter and when Carthach, who had moved outfield from his full forward position early in the game, pointed a 33rd minute free, it seemed that the flow of the final had swung in their favour.

A long, high, ball, dropping into the goal area, saw it being fisted over by John Harney to bring some relief to Newtown who were now back in contention and on level terms just four minutes later when Michael Hubbard had a 50th minute point. It was 0-10 all at this stage and with both sides having it all to play for the exchanges became hectic, but sporting. Newtown were back in front with a Hubbard point in the 52nd minute but it was 0-11 apiece after a fine point by An Rinn substitute David Cullinane in the 54th minute.

Play continued up and down the field and a draw looked to be the likely result until Newtown forced a '45' which Michael Hubbard sent over for what was to be the last score of this very exciting contest in the 58th minute and with a couple of 'lost time' minutes played, referee Brian Power, Cnoc Sion, blew the final whistle with the scores standing at 0-12 for Newtown and 0-11 for An Rinn.

Brian Power, refereeing his first intermediate football final, had an excellent game.

Afterwards county board Chairman, Eamon O Murchu presented the trophy to team captain Jim Harney who had played a stormer at full back on the winning team.

**Newtown** — P. Foran, P. Dunford, J. Harney, B. Cummins, J. Dunphy, K. Dunphy, A. Hubbard, P. Queally, D. Dunphy, T. Joy, P. Lawlor, T. Kirwan, Michael Hubbard, John Harney, P. O'Donnell. Subs — N. Hally for J. Dunphy, T. Kent for P. O'Donnell.

**An Rinn** — N. O Murchu, L. O Muiir, Ml. Hayes, D. MacDonnacha, D. Drohan, S. Curran, B. Curran, M. O'Sullivan, Ed. Crotty, T. Harty, N. Og Mac Craith, L. Curran, M. Drummy, C. Mac Craith, S. Mac Craith. Subs., D. Cullinane for D. Drohan, C. Breathnach for T. Harty.

## Waterford v. Wicklow

Waterford selectors have given a vote of confidence to the side which beat Carlow when they travel to play Wicklow at Aughrim on Sunday next. The group played so well as a team in Walsh park last Sunday that it would have been foolish not to give them another go.

The result of the game is of great importance to us as if we win the two points we will be on even terms with Wicklow and if we then overcome Kilkenny and have eight points going in to our last two matches, we could be in with a chance of qualifying for divisional honours and promotion to Div. 3.

The team is — Tom Brennan (Tramore), Greg Fitzgerald (Kilrossanty), Ian Kiely (Ballinacourty), Michael Fenton (Clashmore), Michael O'Brien (St. Saviours), Dan Casey (Shamrocks), Tom Gough (Stradbally), Eamonn Cullinane (Gaultier), Liam Dalton (Shamrocks), Joe Murray (Rathgormack), Ger Power (Rathgormack), Derek Wyse (St. Saviours), Paul Fitzgerald (Gaultier), Anthony Fitzgerald (Gaultier), Derek Kiely (Kilmacthomas).

Subs — Ciaran Cullinane (Affane), John Flynn (Gaultier), Don McMahon (Butlerstown), Tony Corcoran (St. Saviours), Brendan Curry (Rathgormack), Eoin Dunphy (De La Salle), David Whelan (Sliabh gCua).

## Under-21 Final — Lismore v. Portlaw

It is a pity that this final has to clash with the senior football county final and deny very many people a chance of being at Walsh Park for what must surely be a thrilling game. In the past, the clubs have met at minor level and have produced some splendid hurling, with the Western champions coming off at the right end on a few occasions.

Portlaw are currently building up from juvenile grades and the process is well advanced, giving the club good prospects for the future. Having beaten Roanmore and Passage in the divisional championships, they must have some claim to the title and will go all out to win and give the club a very badly needed boost.

Lismore, with the senior title safely under their belt and with the likes of Paddy O'Donnell, James O'Connor, Philip Hickey, Kieran O'Gorman, Michael Hickey, Paul Quinn, Dan Shanahan, Alan Dunne, Brendan Ormond, Robert O'Sullivan, Johnny Whelan, Oliver O'Dowd, David Bennett and company all available, they must be fancied to add this title to the senior crown.

## J.F. County Final

It might have been an idea to play the junior football county final (in which Lismore are engaged) as a curtain raiser to the senior final at Cappoquin on Sunday, but as one County Board official stated "they would be taking an awful gamble because of the uncertainty of the weather."

## Western Board Meeting

The chief item of interest on the agenda for the Divisional Board meeting on tomorrow night (Thursday) at Dungarvan will be the championship structures for 1994. The matter was raised at a previous meeting of the Western Board and then it was agreed to defer a full discussion on the matter until the November meeting. Presuming that all clubs in the meantime have discussed the matter, it will be interesting to hear the views being expressed by the delegates.

Because of the fact that Divisional Board championships have to take a back seat in favour of fixtures run by the County Board, I have no doubt but that the county scene will also come under discussion there.

## PLAYERS INJURY SCHEME

The new scheme for injured players which comes into operation on January 1, will be outlined to members, all of whom will have received a copy of the brochure from the County Board. Clubs will have to find the cost to pay the increased premium by the end of December and this will not be easy for many clubs

who will not have organised their affairs until sometime in January. Fortunately the county draw commission to clubs will be a big help in this matter.

## CONVENTION ARRANGEMENTS

This is also listed for discussion. The meeting will set a date and appoint a venue for the annual event, which, of course, must take place before the county convention which will be held at the Park Hotel on the third weekend in January.

## Minor Football Trial

In preparation for the 1994 Munster championships, the county minor football selectors will hold a county trial at Stradbally grounds on Saturday next, commencing at 1.45 p.m. The selectors who functioned last year, will again be in charge and it is good to see them getting to work early.

G.A.A. NOTES

BY "COMMENTATOR"

# Great Win For New Look Waterford Side

WATERFORD 0-12 CARLOW 0-11

The result at Walsh Park certainly meant a lot more to the county than the two league points in Div. 4 of the National league. Waterford were forced to field a team that was very much a new-look side because of the absence of so many of the regular panel. Dungarvan and the Nire players were understandably not available because of next Sunday's county final and one or two had to be counted out because of the two club finals being played at other venues in the county on Sunday.

But sadly, a number of other players who are regulars on the panel and who have given splendid and very distinguished service to the county in league and championship over the years, decided to opt out of the county because of their displeasure with the management.

This, obviously is a sequel to recent happenings at County Board level and the decision of a number of people not to accept the democratic decisions of both Munster Council and County Board. According to a rumour, a circular was doing the rounds, asking players to support the re-

volt, but the move became abortive when the vast majority declined and on Sunday last it was possible to field a side made up of players who were honoured to wear the county jersey and give of their best to keep things afloat, so to speak, at a time when the county needed them.

The revolt was an individual thing and clubs, as such, were not involved. This can be clearly seen from the line-out against Carlow.

The wins over both Limerick and Carlow makes our one point defeat by London all the more unfortunate as a win over there would have left us with six points

and in joint second place on the league table.

PLAY

Carlow were also under-strength and the two evenly matched sides provided an entertaining hour's football for a small crowd at Walsh Park.

Waterford opened the scoring within 20 seconds with a point from Eamon Cullinane. They were level three times in the opening quarter and thanks to the accuracy of top scorer, Paul Fitzgerald, Waterford were in front 0-7 to 0-6 at half time.

The second half was very much a tit-for-tat battle with Waterford holding out by that single point for a de-

served win and a result that will inspire confidence in the team for their match against Wicklow on next Sunday.

Scorers — P. Fitzgerald 0-7, A. Fitzgerald 0-2, E. Cullinane, G. Power, J. Murray 0-1 each; Carlow — S. Kavanagh 0-5, J. Nevin 0-4, T. Cullen 0-2.

Waterford — T. Brennan, G. Fitzgerald, I. Kiely, M. Fenton, M. O'Brien, D. Casey, T. Gough, E. Cullinane, L. Dalton, J. Murray, G. Power, D. Wyse, P. Fitzgerald, A. Fitzgerald, D. Kiely. Sub., B. Curry for D. Kiely.

Referee: N. Whelan (Wexford).

BALLYMACART N.S., OLD PARISH — Michelle Healy and Orla Costin (Foinn 6), striking the ball from the hand at Old Parish G.A.A. Pitch during a coaching visit. Mr. Frank O'Donnell (Priomh Oide) and Mrs. Murray, N.T., make sure everything is in order on visits and the club provide a good back-up.

## Football Coaching

The county football coaching committee are pleased to announce the setting up of a new FAS sponsored schools football coaching scheme. The scheme, which commences on Monday, November 22 is based on a similar scheme which has operated in Tipperary for the past few years.

Ten coaches have been appointed, taken from the live register of the unemployed, and they go into intensive training on this Monday, November 22 in Bushy Park. The most interesting part of this scheme is the

fact that it is being administered by none other than All-Ireland dual medal winner Larry Tompkins.

The scheme is being run as a FAS, CEDP training course, and envisages coaches working in pairs visiting schools in the county every few weeks for coaching sessions.

Larry Tompkins will also visit the schools on a regular basis along with the FAS coaches. It is envisaged that in addition to skills coaching within the schools, leagues between schools and also between group of schools will be organised early in 1994.

This scheme has to be seen as a very important development in the promoter of Gaelic football in Waterford and will hopefully lead to success at national level in the future.

## Waterford Crystal Sponsorship

In keeping with a promise made earlier in the year at a sponsorship function held at their Kilbarry headquarters, the management of Waterford Crystal presented each club in West Waterford with a beautiful crystal vase during a very enjoyable social evening at Lawlor's Hotel, Dungarvan on Friday evening last. A similar function and presentation is planned for next Friday evening when the Eastern clubs will be feted.

Mr. Paddy Dunphy, a former chairman of the East Waterford Board acted as

MC and introduced the speakers and explained the object of the function.

Mr. Michael Holland, General Manager of the Dungarvan Branch of the firm, said that Waterford Crystal were delighted to be associated with the GAA in Waterford and with the thousands of supporters who followed the hurling teams whenever they were involved in competition in the championship and league. He referred to the wonderful success of the under-21 and minor teams of 1992 and said he felt confident that these young

men would spearhead the efforts of the county teams in bringing an All-Ireland title back to Waterford in the near future. Mr. Holland said that the firm, who employed a very big number of GAA club people all over the county, had given sponsorship to the Boards over the past number of years, but had considerably increased it this year. Earlier they had sponsored the

gold tournament, the Tony Forristal Tournament and the issue of blazers/trousers, etc. to the hurling panels and tonight they were presenting each club with an award that could be presented for whatever purpose the club decided — i.e. player of the year, clubman of the year or for any outstanding achievement by a club member throughout the year.

Eamon O Murchú, County Board Chairman and Ollie Wilkinson, Western Board Chairman, both thanked the company for their generous sponsorship and genuine interest in the well-being of the county and they assured the management that the gesture was well appreciated by all the clubs.

Following the presentations, a social evening followed with a buffet, etc.

At the start of the evening the Stradbally and Sliabh gCua Scór set-dancers entertained the crowd of approximately 200 at the function which was attended by club officers with partners.

### M.H. 'B' COUNTY FINAL

## Decisive Win For Olivers

ST. OLIVERS 3-7 TRAMORE 0-4

This was a decisive win for the Western champions, St. Olivers, who led all the way for a very fine and well merited victory over Tramore who had recently won the county's minor football title. This result was the end product of years of very hard work at juvenile level by a lot of very dedicated people who have been working behind the scenes at the coaching end of things and transporting the players here and there and everywhere, playing championship and challenge matches in all kinds of weather.

A report of the final appears in the St. Olivers notes.

## SATURDAY MATCHES

Two under-21 football championship games are listed for Saturday. These are Stradbally v. An Gaeltacht and Kilrossanty v. St. Olivers. The times and venues will be listed on the fixtures box.

## Lismore CBS Play Limerick In Harty Cup

Last week, when Lismore CBS team, giving a power-packed display of skilled hurling, defeated De La Salle in a replayed first round match at Stradbally, they became serious contenders in this high profile colleges competition and will be fancied to advance to the semi-final after they have played Limerick CBS in Ballygiblin, near Mitchelstown on today (Wednesday).

Limerick CBS are the holders and according to reports have another strong team in the field again this year, but a confident Lis-

more side whose spectacular display in Stradbally must have enhanced their prospects, will test them to the limit.

Limerick trainers, Pat Fluery won two All-Irelands with Offaly and Willie Moore won an All-Ireland with Limerick in 1973.

The Lismore school team have players drawn from places like Ballysaggart, Ballyduff, Knockanore, Lismore and the odd player from across the Cork border from time to time, i.e. Curraglass and Conna.

We wish them the best of good luck today.

## JUNIOR FOOTBALL WESTERN FINAL

LISMORE 3-8 KILGOBINET 1-3

The scoreline makes the victory look decisive and obviously Kilgobinet had no answer to the team who have taken all others in their stride on their way to this victory which certainly was not one of the predicted results when the clubs in the division set out on the championship trail seven months ago.

Our Cappoquin correspondent has all the details.

## COUNTY DRAW

The tenth county draw will take place at Tourin Clubhouse on this Friday evening at 7 p.m. It is expected that the finance committee will announce increased prizes for the Christmas draw which is scheduled to take place at an Eastern club centre about eight or nine days before Christmas Day.

## FIXTURES

Schoolboys: Saturday, November 27 — U-12 League, Dungarvan v. Dunmore, 10.30 a.m. S.F.A.I. U-14 Cup, Dungarvan v. Athy, 11.45 a.m. S.F.A.I. U-16 Cup, Dungarvan v. Johnville, 2 p.m.

Junior: Saturday, November 27 — Div. 2B League, Crusaders v. Dungarvan, 2.30 p.m.

## SEAVIEW CELTIC DRAW

Our thanks to all who supported this draw which takes place at Fawly's Bar, Cappoquin on this Saturday, November 27 at 9 p.m. Let's hope we will have as much luck as last month when we had three winners.

## S.F.A.I. UNDER-16 CUP

Our U-16 side duly advanced in this S.F.A.I. game at Kilrush on Saturday last with a fully deserved 2-0 victory. Playing some delightful football, this side are small in stature (in fact they had two Under-14 players playing, Kevin Walsh and Bernie Crotty and both had fine games with Bernie scoring the first goal) but are oozing with skill and confidence.

Let's hope they can repeat this result at home against Johnville in the 3rd round on this Saturday at 2 p.m. Johnville will prove much tougher opposition than Seaview, but if the lads show the same commitment and skill as they have shown to date they could advance.

## ATHY VISIT KILRUSH

On Saturday morning at 11.45 a.m. Athy make the long journey from Co. Kildare to take on our under-14 side in the S.F.A.I. Cup 4th round. We know very little of the Athy team only that they beat Ballinroad recently 5-0 in the last round. Liam Simms has put a very good side together and they have defeated Portlaw and Rosslare to reach this stage. They are also unbeaten in five league games. If they play to their full potential there is no reason why they should not reach the 5th round.

## SYMPATHY

On behalf of the club sincere sympathy is extended to the family of Gerald Crotty, Comeragh Crescent on his tragic death last week. May the Lord have mercy on his soul.

## WELCOME

We welcome back to Dungarvan Eoin Mansfield who last week signed up with the club. It would not be an exaggeration to state that Eoin was one of the most skilful schoolboys ever produced by the club. In the eighties Eoin won the McVities Player of the Month, represented us in the Coca Cola Skills Competition in Dalymount before the F.A.I. Cup final and won a number of player of the year awards.

We wish him well in his soccer career with us. We know once he gets fit he will be a big asset to our first team. Also back training with the club are Tommy Sheehan and Chris Gough and we hope to be able to sign these players after the next delegate meeting.

## CLASH OF FIXTURES

As our 1B side and our U-16 cup game are clashing on this Saturday afternoon, the schoolboy game will now go ahead as schoolboys have precedent on Saturday. The 1B game will now be either cancelled or will be played on Sunday, November 28 at 2.30 p.m.

## WATERFORD YOUTHS WIN

Limerick 0 Waterford 3  
The holders of this inter-county youth cup, Waterford, had a fully de-

served and comprehensive victory over Limerick at Jamesborough F.C. grounds on Sunday last. These sides clashed in the final of this national cup last season when the Blues won on penalties. But on this occasion Waterford proved to be the better balanced team with goals from Joe Power in the 30th min., a penalty by Declan Power in the 65th min. and a goal just before full time by substitute Anthony Rockett.

Dungarvan had four players on the team with outstanding performances from Micheál Downey, Timmy Kiely and Mark Hyslop. The other member of the squad, Alan Beatty, got a late call up as reserve goalkeeper and this is no more than this lad deserves as he has worked hard at his game since joining the club last season.

We believe this team will play away to Cork in the 3rd round some time before Christmas.

## YANKEE DOODLE

Numbers on Sun. last were 45 and 69. No winner. £280 on offer this Sunday.

## CARDS

One winner of cards on Saturday, November 20 — Pakie McCarthy and Mike Hourigan, on 14 games. Jackpot next week £100 on 15 games. Winner of turkey was Michael Flynn. Ham is the first prize on tickets next week.

## A NIGHT TO REMEMBER

Last Wednesday's result in Windsor Park, Belfast, was one to savour for all true soccer followers. Coming as it did on the back of a 3-1 home defeat to Spain, when we had certain commentators writing off the team and individual players, it was a game full of passion and emotion and it certainly had the fans suffering in a nerve-racking game.

One minute we had the despondency when Jimmy Quinn scored for the North and ecstasy when Alan McLoughlin shot the equaliser and sent the Republic to their second successive World Cup Finals in the U.S.A. '94. We are the only one of the home countries, as they are called, to qualify and for a country of our size this is a wonderful achievement for Jack Charlton and his team.

But we feel this will probably be the last swan-song for big Jack and a number of the team as alas age is catching up on them. However, they have given us many magic moments and have done a power of good for soccer in general in this country.

We can now look forward to more heart-stopping soccer action from the USA in the summer of '94 where we are sure Jack's lads will once again do us proud.

## UNDER-16 S.F.A.I. CUP

# Blues Advance To Third Round

## DUNGARVAN 2 SEAVIEW 0

Last Saturday our Under-16's took on the game their defence Seaview in the 2nd round of the S.F.A.I. Cup and won easily. It was a great day for football so we were in for a good game. The back four for Dungarvan played with confidence, especially J. P. Donnelly. Middle of the field saw T. Butler, M. Coles and K. Kiely tearing the Seaview defence apart while up front Bernie Crotty who also plays under-14, M. Crotty and L. Simms tormented their defenders.

stepped in and slotted home a lovely penalty to secure the win and put us in the next round. Overall this was a great team performance and if we keep this up who knows where we could go. Man of the match: Kevin Walsh.

## DIVISION 1B LEAGUE

# Unbeaten League Run Maintained

## MOONCOIN 2 DUNGARVAN 5

Dungarvan took the "scenic" route to Mooncoin on Sunday morning last to take on the Co. Kilkenny side in a league game. This was a top of the table clash as the Blues are on top with 10 pts. from 5 games while the home side are a few points behind in second place.

In the absence of the manager, Davy Crotty had his first shot at management and it certainly augurs well for his future career should he choose that path. Played on a narrow and uneven surface the Blues took time to settle and in fact fell a goal behind after only 13 minutes. A long ball down the right flank caught our full back out of position and the winger scored. However, Dungarvan got back on parity 10 minutes later when John Donnelly put ace goalscorer Alan Sheehan through and he flicked the ball over the advancing keeper. Thomas Donovan shot wide when well placed. Dungarvan went in front just before half time after good work by Ml. Ferncombe, T. Donovan and Geoff Allen saw John Donnelly unleash an unstoppable shot from 25 yards that the keeper hardly saw.

"Manager" Crotty introduced himself for the injured Paudie Flynn at the interval.

Alan Sheehan flashed a header inches wide from a Davy Crotty cross. Centre half Willie Coward showed that he is not just a "stop-

per" with a lovely piece of footwork in beating three players and releasing John Walsh up the line. "Foggy's" cross found Alan Sheehan to score. In the 35th minute that man Sheehan completed his hat-trick and was duly replaced by Kieran Foley. Piltown pulled a goal back when "Foggy" tried to carry the ball out of defence and got caught.

But the Blues were never in danger of losing this game and with 6 minutes remaining Geoff Allen won another great tackle and passed to "Wonka" who danced around the defender and goalkeeper to complete the scoring.

It was a fine allround team effort and if this team can learn to encourage one another rather than criticise each mistake then they can have a good season.

Dungarvan — K. O'Neill, S. Cummins, P. Tutty, W. Coward, J. Walsh, P. Flynn, G. Allen, J. Donnelly (Capt.), T. Donovan, A. Sheehan, Ml. Ferncombe. Res. — D. Crotty for P. Flynn (inj. half-time), K. Foley for A. Sheehan (inj. 80th min.).

# Dismal Display By Blues

## ST. JOSEPHS 1 DUNGARVAN 0

Dungarvan came within four minutes of taking a point at St. Josephs on Sunday morning last. This was a very poor game as far as football was concerned. Our defence seemed to be all at sea on many occasions, midfield was losing the battle for possession and our front men created few openings.

Only for some very good saves by Alan Landers the Blues would have been three or four goals down at half time.

St. Josephs must have thought they were never going to score after wasting a number of good chances.

The second half was a slight improvement on the first and the Blues created some good chances especially when John Whelan ran at the home defence. Johnny Hughes made a

good run through the midfield of the home defence with ten minutes to go, his shot looked as if it was going to be the winner but it just shaved the wrong side of the post.

With four minutes to go Alan Landers made another good save but the breaking ball ran to the incoming striker who struck a powerful shot to the bottom left hand corner to give the keeper no chance.

Dungarvan could have stolen the point here but to be fair it would have been an injustice to the home side who created many more chances than the visitors.

Dungarvan — A. Landers, P. Mulcahy, M. Sullivan, M. Hickey, B. Whelan, V. Tutty, J. Hughes, B. Coleman, A. Simms, J. Whelan, D. Sheehan. Subs. — D. Wall, A. Landers.

ABBEYSIDE 3 WATERFORD GLASS 2

## Reds Shatter Glass To Go Top

A gutsy performance by the homesters in this top of the table clash saw off the challenge of the vastly experienced Glass side who boasted four players from the very successful Premier team of last year. The ability of this Abbeyside team to bounce back despite any setback is a feature of their drive to the top of the league.

The Reds began well enough and after 15 minutes Fran McGovern cleared the ball beyond the grasp of the visiting keeper from fully 20 yards to give the villagers a dream start. Abbeyside held this lead for a half hour as the Glass attacks fell on the strong determination of the Abbeyside defence with keeper Cahill in superb form. However, 5 minutes before half time disaster struck and a fiercely struck free kick eluded the home keeper to give the Glass, a rather lucky equaliser. The score at half time remained 1-1 and with the wind against the homesters it looked bleak for the second period. However, after a brief period of Glass pressure the Reds exerted their own will and when a corner from the right was whipped in Joe O'Riordan was on hand to head home past the Glass keeper. This stung the visitors into action and when a goalmouth scramble ensued from a corner the Glass centreforward forced the ball home, from the kick off. Abbeyside again attacked the Glass and with 10 minutes to go a cross from Liam O'Brien was headed on by Sean Woods to Joe O'Riordan to head to the roof of the net to give the Reds a priceless winner. This performance gives

Denis Egans chargers a great chance of league honours having generated 3 points out of 4 against their much vaunted opponents. Abbeyside — T. Cahill,

S. Power, S. Woods, T. Organ, B. Mahoney, D. Cliffe, M. Reynolds, J. Melody, L. O'Brien, Fran McGovern, J. O'Riordan (Captain).

## DIVISION 4B LEAGUE

# Just "Boots"iful

ABBEYSIDE 4 BALLINROAD 2

In a game of unrelenting pace and nerve a youthful Abbeyside eleven overcame the experience of a gallant Ballinroad team in a white hot local derby.

The Reds began well enough stretching the Ballinroad rearguard with some testing through balls from Ger McGovern who was magnificent throughout. However, the menacing figure of Kevin Moore got little charge from the combative Denis Crotty and the solid Pat Keane but when the Reds played down the flanks they found joy through Pat Walsh and Philip "Boots" Jordan who teased and tormented their direct opponents on many occasions. Then with 10 minutes gone an entirely unexpected development when after the ball was cleared after a Ballinroad attack Jordan was adjudged to foul a Ballinroad attacker and ref. Callaghan pointed to the spot. Eddie O'Grady duly smacked the kick home despite the best efforts of Kevin Drummy in the home goal. This stung the homesters into action and Boots Jordan was very unlucky to see two searing drives saved splendidly by the Ballinroad keeper. Liam Shanley and Joe Foley both had drives blocked on the edge of the box. The breakthrough had to come and after great work by Pat Walsh, Philip Jordan drove home past the despairing dive of Cummins in the home goal. Again Abbeyside pressed the Ballinroad defence and only the woodwork prevented a further goal. Then totally

against the run of play a Ballinroad throw in was rather fortuitously forced home by substitute Ian Gregory to leave the Ballinroad certingent in paroxysms of delight and the home crowd stunned. Ballinroad held on till half time despite severe home pressure.

The second half was to see a more determined Village team and with Billy Keohan and Tommy Reynolds supporting the play rich dividends were soon realised. Austin O'Connor was introduced for Kevin Moore and Pat Jordan for Ollie Keohan and the revamped formation soon made inroads on the away defence. A corner in the 20th minute was flicked on by O'Connor and Liam Shanley was on hand to smash home from a tight angle. It was not all Abbeyside and 10 minutes later Boots Jordan cut in from the right to unleash a fierce drive past a bemused Ballinroad keeper beating him all ends up. Next it was Pat Walsh who raced up the left to curl a superb cross past a static defence for Pat Jordan to head home from six yards in splendid fashion. Billy Keohan almost added another but was thwarted by a superb Ballinroad keeper Cummins who looks a real find for the visitors. Abbeyside ended the game on the attack in a frantic effort to increase the score but were very happy

to gain the points and boost their title challenge. Ballinroad had heroes in Cummins in the goal, Denis Crotty and Pakie Lynch. Abbeyside it must be said played beautiful football and all players can derive great pleasure from this win. Philip Jordan gets the headlines for two marvellous strikes but the overall contribution of Ger McGovern was outstanding and he fully deserved the plaudits heaped on him by the home fans. Manager Mulhearn must be well pleased at this stage.

Team — Drummey, Keohan, Foley, Reynolds, B. Jordan, G. McGovern, P. Walsh (Captain), O. Keohan, Kevin Moore, L. Shanley, P. J. Drummey. Subs. — A. O'Connor and Pat Jordan.

# Ballinroad Hit For Six

**BALLINROAD 0 RED STAR 6**

This Div. 3A League home game on Saturday was a great opportunity for our 3A team as a win would have seen us, at worst, sharing second place in the league table.

The game started well for Ballinroad with Brendan Landers on the right of mid-field breaking through almost at will. Only some marginal offside decision and good work by the visitor's keeper prevented Ballinroad from going into the lead 15 minutes into the first half. Ballinroad went behind completely against the run of play. A long clearance found the Red Star centre forward 35 yards from the Ballinroad goal the visitors number 9 allowed the ball to hop before hitting a speculative shot over his left shoulder, this harmless effort amazingly beat keeper Barrett dropping over his head.

We continued to play well but this goal gave Red Star the boost they needed, and in truth it was a body blow to the home team. Red Star scored their second from a penalty, a cross from the right found a loose Red Star midfielder whose shot at goal dipped over Brian Bar-

rett. Brendan Landers who managed to get behind Barrett reflexively raised his hand preventing a certain goal. Red Star sent the spot kick to the net and referee sent Brendan to the line. To lose a player of Brendan's caliber in such a match was a huge loss.

Ballinroad tried to pull a goal back and make the game a contest again but another defensive lapse saw the game slip from our group. A cross from the left which should have been easy meat for one of our defenders or our keeper somehow eluded both giving a surprised but delighted Red Star attacker an unmissable chance.

We were 3-0 down at half time. Two of the goals were early Christmas presents for Red Star. Added to this we were down to 10 men. The task of pulling back proved beyond us. In the second half Red Star used their extra man well, our midfield went out of the game and

our forwards received little ammunition. Playing with a three man defence we conceded three more goals and were lucky not to concede a further three. M. Dwyer, P. Duggan and M. Foley went close to netting for Ballinroad.

Coming hard on the heels of such a good display the previous week the manner and magnitude of this defeat was a disaster for the team.

Colin Cunningham and Michael McCarthy were the only players who played up to standard. They defended well throughout and indeed the lions share of the attacking and creating when the chips were well and truly down.

**Ballinroad** — Barrett, Boland, Dwyer, McCarthy, Cunningham, Landers, Foley, R. Burke, Duggan, Byrne, Reynolds. Subs. — B. Burke for Boland, C. White for R. Burke (both half time substitutions).

**DIVISION 4B**

# Ballinroad Lose Out In Derby

**ABBEYSIDE 4 BALLINROAD 2**

A hard fought game with near neighbours Abbeyside ended in a narrow win for the homesters.

This was a typical local derby with both sides going all out in quest of victory. Abbeyside who were the younger team started at a terrific pace but were shocked in the 10th minute when a Ballinroad player was fouled in an off the ball incident and the referee had no hesitation in pointing to the spot. Eddie O'Grady expertly placed his kick wide of Drummy in the home goal. Ballinroad got on top of the opposition at this stage but Abbeyside were causing problems with wingers Walsh and Jordan running at our defence.

Young Michael Cummins in goal made two magnificent saves from Jordan but our hopes were severely jolted in the 20th minute when sterling defender Pat Keane was forced out of the game following a clash of heads. Abbeyside equalised in the 35th minute when a mishit clearance ended up at Jordans feet and he duly planted it in the back of the net. Almost on the stroke of half time we regained our lead when a throw in from Pat Flynn was bravely head-

ed home by Ian Gregory.

Abbeysides speed was causing continuous problems but we were defending well until a corner broke to former Ballinroad player Shanley who scored a spectacular goal. We had a few half chances but could not pierce their defence. Jordan scored their third goal from an acute angle to give Abbeyside the lead at a vital time in the game. Alan Jordan had a great chance to equalise for us when he

found himself in a one to one with the home keeper but failed to find the target, and the resulting clearance was set up for his brother at the other end to finish off Ballinroads brave effort. While defeat is always disappointing we played our part in a first class local derby.

**Ballinroad** — Cummins, Lynch, O'Connor, Keane, Crotty, O'Grady, Hennessey, Foley, Flynn (P.), Flynn (J.), Mullarkey. Res. — Gregory for Keane (inj. 20th minute), Jordan for Foley.

# Modeligo Soccer Notes

**YOUGHAL 1 MODELIGO 6**

We were away to Youghal on Sunday last and came away easy winners with a scoreline of 6-1.

Youghal had most of the play in the first twenty minutes but great defending from our backline kept Youghal at bay. Liam Power got our first goal with a good cross from Nicky Donovan in the 25th minute. Our second goal came in the 32nd minute with a well placed kick-out from our

# C.B.S. Lismore Go Through After Another Epic Struggle

**DE LA SALLE COLLEGE 2 C.B.S. LISMORE 2 (a.e.t.) (Lismore won 6-5 on penalties)**

The success story of C.B.S. Lismore continued last Wednesday in the Munster Cup. Having defeated arch rivals De La Salle College in the Harty Cup hurling two weeks ago at Stradbally, Lismore repeated the dose in football and this time it was played on De La Salle's home ground, which made the victory all the sweeter.

C.B.S. Lismore were away from home for this highly entertaining cup tie. The game was played at Fr. Luke Wadding Park, Waterford, home of Bohemians F.C. and on the day weather and conditions were ideal. De La Salle had a dream start when they went 1-0 up after only three minutes, the goal was a low shot from twenty yards to the right corner well out of keeper Billy Sheehan's reach.

De La Salle settled best and put Lismore under extreme pressure. The Waterford city side went 2-0 up in the 25th minute of the first half and they looked set for a comfortable victory. Then a significant switch was made in the Lismore side that was to have a major bearing on the final outcome, Stuart Barry went to midfield and David Bennett falling back to the role of centre half. C.B.S. Lismore now fell in to their stride and due to outstanding defensive play by William Murphy on the right and John Landers on the left, David Bennett in the middle, with Joe Fraser and Stephen Curley and the ever reliable Billy Sheehan in goal De La Salle did not score again.

The Lismore attack, without the services of 'flu victim Terry McSweeney, was well marshalled by Stuart Barry and he scored the first C.B.S. goal after 30 minutes. A long through ball broke the De La Salle defence wide open and Barry's low shot found the net with the brave John

Sheehan following on to make sure. Ten minutes before half-time an incident occurred which should have led to a penalty for Lismore and the red card for the De La Salle keeper. John Sheehan rose to head a cross goalwards, however, the De La Salle keeper crashed into him feet first and with elbows flying everywhere. Sheehan played out the first half badly shaken, John Twomey was unlucky with three first class efforts, two going narrowly wide and the other just over the bar.

For 25 minutes into the second half the teams were deadlocked then after a prolonged period of Lismore pressure John Twomey crashed the ball to the net for the equaliser. At the final whistle the sides were level 2-2 and in the 10 minutes each of extra time no goal was scored. In the penalty shoot-out John Landers, David Bennett, Stuart Barry,

John Twomey and Dan Shanahan scored for Lismore and De La Salle also scored 5 out of 5. Referee John Flanagan then declared a sudden death penalty shoot out to break the deadlock. De La Salle went first and a well-taken penalty was brilliantly saved by Billy Sheehan. Stephen Quinn must have been under extreme pressure when he placed the ball on the spot for Lismore's turn, however, he rose to the occasion and calmly scooted the ball to the net to give victory to the West Waterford side.

**C.B.S. Lismore** — B. Sheehan, W. Murphy, D. Shanahan, J. Landers, J. Fraser, D. Bennett, S. Quinn, S. Curley, J. Sheehan and J. Twomey. Subs. — E. Henley, C. Coady and B. Nugent.

In the next round C.B.S. Lismore are drawn at home to Coláiste Spiorad Naomh of Cork.

Shortly into the second half Shane Reddy got our third with a long kick in from J. P. Ryan from the backline. Nicky Donovan got our fourth goal with a great effort from Liam Power. ATHLETICS BY RACE LEADER

Jimmy Mulligan Wins In Naas

Clonea Power runner Jimmy Mulligan recorded what was perhaps the biggest win of his career last Sunday when he won the Jack Hartigan five miles cross country race promoted by Naas A.C. in Co. Kildare. Outside of the season's championships this is regarded as the most prestigious event of the year and in winning same Jimmy Mulligan has once again underlined his most constant form in a long number of seasons.

The Waterford A.C. clubman won the Dromana's last July, the Paddy Flanagan road race in September and the Kilmacow cross country race in late October. In the continuing absence of James Sullivan through emigration, Jimmy has quite successfully taken over the mantle of leading Waterford distance runner and this augurs well for both his chances and those of the Waterford senior team at the National Inter Counties Cross Country Championships in St. Augustine's College on December 12.

Last Sunday Jimmy Mulligan covered the five mile distance in 25 mins. 12 secs. to finish well clear of Gerry Heery (St. Bridget's, Dublin) and Gerry Reilly (Loughrea). He also led his team to first place with Sean Foley, Michael Halley and newcomer Jimmy McHugh, son of well-known vet Myles, making up the winning team. Elaine Fitzgerald of Waterford A.C. finished 12th in the ladies race won by World Cross Country medalist Catriona McKiernan (Cavan).

ONCE UPON A TIME

Sheehan Brothers Slog It Out

Two brothers, Jim and Joe Sheehan, both members of Dungarvan A.C. fought out the finish of the Waterford B.L.E. Intermediate Cross Country Championship at Ballymorris, Dunhill on Sunday last (Feb. 1970). At the tape however it was 'big brother' Jim who had forty yards to spare over the youthful Joe with teenager Eamonn Brackett (Lismore A.C.) in third place.

The trio had drawn slightly away from the remainder of the twenty man field after a mile and after four miles the race had developed into a 'brotherly battle' before Jim Sheehan put paid to his brother's bid for a championship double, Joe having already captured the Novice title this season.

Justice was done, however, because Jim Sheehan is an athlete who has been knocking on the door of success for several seasons as a runner and as a race walker. He is also a driving force in Dungarvan athletic circles so his victory was thoroughly deserved.

The team title also went to Dungarvan A.C. who ousted the holders Lismore A.C. by fourteen points. The other team members apart from Jim and Joe Sheehan were their younger brother Nickey, Tom O'Riordan, Kilrossanty, Pa Meehan and Eddie Moore.

On the same day Nicky Tobin, Kilrossanty beat John Treacy (St. Nicholas A.C.) in the Boys U-13 race run over a distance of three quarters of a mile. 23 ran.

THIS SUNDAY'S FIXTURE

The County Juvenile 'B' Under-8, 9, 11, 13, 15 and 17 Cross Country Championships will be held in Tramore. A 'B' athlete is one who did not finish in the top three individual placings or who was not a scoring member of the winning team in the corresponding 'A' championships in Ballygunner.

CONGRATULATIONS

All their friends in the athletic world sent their best wishes to Mary and Pat Whyte, Ballinamuck, on the occasion of the birth of their baby girl last week.

SPORTS STAR

Congratulations to John Treacy on winning the Park Hotel Sports Star Award for the month of October. This is John's second time winning this Sports Star award.

SECOND IN FERRYBANK

Kieran Maher (Ring/Old Parish) was second in the senior race at the Ferrybank Open Cross Country meeting last Sunday. This is a further boost in the county's preparation for the All-Ireland's on December 12. The juvenile races were dominated by Thurles Crokes and Glenbower who are the two leading clubs in Munster Cross Country at present.

Pinewood Rangers F.C. Notes

PINEWOOD RANGERS 4 CAPPOQUIN B 1

Last Sunday we played host to Cappoquin B in Touraneena. After our 3-1 beating by Cappoquin A last week this was a game we definitely didn't want to lose. Both times our teams met last year the games ended in draws, and after their demolition of Bride View A last week Cappoquin were definitely flying high and would be hard to beat.

After Cappoquin opened the scoring 28 minutes into the game it looked like it was going to be their day, but this was not to be. Kevin Crotty got the equaliser 1 minute later when he hammered home a Dick O'Keeffe cross from 15 yards to bring his total to 6 goals in 5 starts this season. Kieran Hallahan saw

his powerful free kick go inches over the bar before Seamie Kearns scored from a similar situation 5 minutes before half time.

Fifteen minutes into the second half Dick O'Keeffe added a third, following an excellent Seamus Ryan corner, which he headed to the back of the net. Seamus Ryan got our fourth and final goal when his powerful free kick was deflected past the stranded Cappoquin keeper. The game was now beyond Cappoquin's reach but they could have added a late goal but were kept out once again by the Pinewood defence, who were excellent for the 90 minutes. Full time score Pinewood 4 Cappoquin 1.

Best for Pinewood — It

would be unfair to pick on one player as being man of the match but in a case of being best-of-the-best P. J. Mulcahy and Kevin Crotty excelled.

BEST OF LUCK

On behalf of Pinewood Rangers F.C., I would like to wish the Nire footballers the best of luck in next Sunday's Waterford senior football county final against Dungarvan. A number of our regular players are involved, and as we have no game next Sunday the team will be joining everyone else from Ballymacarbry to cheer on the lads in Cappoquin.

UNDER-12 S.F.A.I. CUP 2nd ROUND

Railway Athletic 2 Bolton 9

Our Under-12 team bowed out of this national competition when they went down to a very strong Bolton side. We were short a number of regulars and this didn't help our cause. Although the scoreline looks bad the team should have scored a lot more goals and allied to this our defence gave away a lot of silly goals. Michael Scanlan and Kevin Foley

were our goal scorers.

Team — D. O'Rourke, S. Barry, K. Milea, L. McLoughlin, B. Coughlan, K. Foley, S. Landers, C. Milea, M. Scanlan, K. Foley, P. Landers. Subs. — P. Maher, D. Sheehan, B. Browne (all used).

JUNIOR CHALLENGE GAME

Bride View United 1 Railway Athletic 2

We had a good workout last Sunday morning against Bride View United in Tallow. This was a very entertaining game with both sides playing lovely football. We were the dominant side in the first half with us having Bride View pinned down in their half for most of the half. We were 2 up at half time with well taken goals from Frank McLoughlin and Conor Prendergast. Bride View came more into the game in the second half

and they scored in the 65th minute. But still we had some great chances to go further ahead with their goalkeeper making some truly brilliant saves. The game finished with us winning by the odd goal in three.

We would like to thank Bride View United for this entertaining and sporting game.

Team — C. Cullinane, K. Mason, R. Curran, B. Whelan, M. Reddy (capt.), P. Ormonde, J. Fleming, D. Manahan, A. Gilligan, C. Prendergast, F. McLoughlin. Subs. — G. Reddy for Fleming.
