£5m. Hospital Announcement For Dungarvan

Health Minister, Michael Noonan's first official visit to Dungarvan last Saturday was highlighted by a £5m. shock announcement apropos a new hospital facility for the town and county.

The long-awaited disclosure was appropriately revealed by the Minister at the old St. Joseph's Hospital, which has served the area since famine times.

Although the confident word prior to his official visit was that Mr. Noonan would confirm the go-ahead of a hospital development project, no one could have anticipated the sizable financial allocation involved.

NO LONGER SUITABLE

The modern £5m. hospital will replace the nigh-on 150 year old St. Joseph's geriatric facility which currently caters for 112 patients.

Phase one of the project is estimated at £1m. and construction work is expected to commence by the end of this year. The multi-million pound development will

BY AISLING CONROY

cater for the entire West Waterford region.

Following a brief tour of St. Joseph's, the Minister acknowledged that there was a great need for a modern hospital in Dungarvan and subsequently announced plans for a new 27 bed nursing unit plus day care facility. Patients located in the upper storey of St. Joseph's will then be transferred to the new unit. The gradual development of the new hospital will take place on a site adjoining the existing facility and will expand in conjunction with each new unit.

Addressing the gathered crowd of delighted councillors, Health Board officials, hospital staff members, etc.,

Minister Noonan said he was happy to announce that the brief for the new unit has been approved. "I am now sanctioning the appointment of a design team to carry this scheme through to completion in

1996."

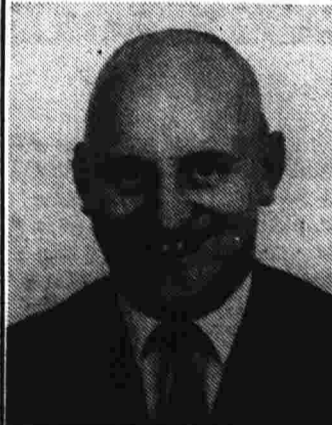

He went on: "The project should be ready to go to tender towards the end of this year or early in 1996."

BETTER CARE OF ELDERLY

Hoping to channel more funds into the care of the elderly, Mr. Noonan said

KNOW YOUR RIGHTS

QUESTION

My aunt sold her house in 1992 to go into a private nursing home. Her capital is rapidly being used up and she is concerned that she will not be able to meet the costs of the home. Would she be entitled to a subvention from the Health Board? What will happen when all her capital is used up?

ANSWER

It is quite difficult to qualify for a subvention towards the cost of private nursing homes. The rate of subvention depends on your means and the "level of dependency," i.e. ability to carry out tasks of daily living and the level of social support you have, e.g. housing conditions, ability of people in your household to care for you.

There are three rates of subvention and the maximum rates are: Medium Dependency £70 per week; High Dependency £95 per week; Maximum Dependency £120 per week.

The means of your children aged 21 or over who are living in this country are also taken into account and your subvention can be reduced to take account of what they may be deemed to contribute. Whether or not they do actually contribute is not relevant.

You must apply for the subvention before being admitted to the nursing home. However, this rule does not apply if you entered the nursing home prior to the date these Regulations came into effect — September 1993.

In your aunt's case, if she has capital of more than £20,000 remaining, she is unlikely to be considered until her incomes goes below this amount. We cannot really say what will happen when, even with the subvention, she can no longer afford to pay the fees to the nursing home. She could apply to the Health Board to be transferred to one of their Welfare Homes. Not all Health Boards have Welfare Homes. A medical assessment will be carried out and she will be put on a waiting list.

We do know of one situation where the particular Health Board involved was very sympathetic to the case of a person in her nineties who had been in a particular home for a considerable number of years where they undertook to make up the shortfall in her income for the remaining time left to her.

This was just one individual case and we do not know the practice/policy of the various Health Boards on this issue. We can only assume that if the Health Board cannot accommodate the person, that the private nursing home may have to keep the person even if the fees cannot be met in full.

Answer: Totally, information can be given to others only with your written permission, or on foot of a court order.

Question: My father died recently and we had to sell a parcel of land to pay the "inheritance tax." Is there a way to alleviate this liability for my children?

Answer: Yes. There are special life assurance plans available to alleviate this problem. It's a complicated area and you could speak to one of our consultants about it. Contact any Irish Permanent Branch.

Question: Why don't all Irish Permanent offices have a cash dispenser in the wall.

Answer: Now, every Irish Permanent cash card can be used at all Bank of Ireland cash dispensers.

"SHOE STRINGS"

Many people would have a burning desire to perform on stage in the Cork Opera House. Few would have their desires realised, and fewer still would get the opportunity to do it twice in a lifetime, never

mind twice in a couple of weeks!

A group of our Transition Year Students performed their dance in the Opera House on March 22 in the Schools' Dance Celebration '95. It is a

piece of contemporary dance titled "Shoe Strings," put together by the students and their teacher Jean O'Donovan from Árd Scoil na nDéise, Dungarvan.

As a result of their per-

formance, the students and three more groups were chosen to perform again in the Opera House on May 3 in the "Dance Showcase" — a week of international dance in Cork.

Seasafe Courses At Bonmahon

For the past 2 years, members of the Bonmahon Life-guard Club and Inshore Lifeboat have conducted Seasafe Courses for members of the public at Bonmahon Beach.

The Seasafe programme incorporates a variety of interesting talks and videos on various aspects of Beach Awareness.

Included in the programme are the following; (1) beach games, (2) waterwork (including basic rescues), (3) first aid, (4) cliff walks (where dangers such as rip currents, wave patterns, cliff erosion etc. are pointed out), (5) lifeboat talk (lifeboat and equipment is put on display and questions relating to the boat, equipment, operating procedures are answered).

The emphasis at all times during the course is on safety and alerting people to the dangers involved in dealing with the sea. Enjoy the beach, but be safe is our policy.

This course is invaluable to any person that visits a beach. It heightens awareness to potential dangers. It is of particular value to parents, teachers, youth leaders who may be in charge of groups visiting beaches,

scouts, guides etc.

The course is a one day course which will run every Saturday throughout the summer commencing on June 17th to mid August. The day course begins at 11 a.m. and finishes at 4 p.m. approx. There is a big demand for this course so booking is essential. Thirty is the maximum group number. To book, contact P.J. O'Shea at (051) 72525.

Guided Tour Of Colligan Wood

1995 has been designated European Nature Conservation Year by the Council of Europe. As part of the Conservation year, Coillte Teoranta is organising guided tours which will be led by local foresters in various forest areas around the country. The theme of the tour will be 'Commercial Forestry in Harmony with the Environment—a working forest'.

The Co. Waterford tours will take place at the following locations - Faithlegg Amenity Site car park (3.5 km. north of Passage East) and Colligan Wood (Wooden Bridge) (8 km. north of Dungarvan on road to Clonmel).

Coillte's aim is to further incorporate nature conservation into everyday forest management. It will be an ideal opportunity for people to learn the life cycle of a forest from seed to final felling. The Colligan Wood tour will be attended by a wildlife officer from the O.P.W. and will take place on Sunday, May 28th at 3 p.m. Assembly point at Colligan Wood.

PLANS FOR FUTURE

The company is planning to ensure that the year will also leave a lasting impact on nature conservation by setting up three nature trails, drawing up a regeneration plan for a semi-natural oak wood in Scaragh near Cahir and the development of two areas for conservation and recreation.

The year 1970 was the first designation and focused on having areas of scientific and natural interest protected by law with the establishment of areas such as Nature Reserves and National Parks. The internationally accepted theme for 1995 is "nature outside protected areas", and will emphasise and promote awareness of nature in the broader countryside and urban environment.

Letter To The Editor

Alleged Attack On Young Girl

Dear Sir,

With reference to the unfortunate alleged attack on a young girl in our toilets last Tuesday, May 16. It has been established that this girl was not a customer of ours at that time and neither was the attacker, and that they both gained access to the toilets via the front door and hallway directly to the toilets.

This access has now been stopped and in fact we were

in the process of closing this public access when the incident occurred; another 24 hours and it would not have been possible.

Access from now on will be for customers only via a separate access.

We do, however, feel sorry for the young girl and we also know her family and my wife and I offered her every assistance and comfort we could, telephoning the guards, doctors, and her family as well.

We hope she will soon recover from her traumatic experience.

Yours sincerely,
Jim and Elizabeth King,
The Ormonde Hotel,
O'Connell Street,
Dungarvan.

£5m. Hospital Announcement For Dungarvan

CONTINUED FROM FRONT PAGE

many of the geriatric hospitals around the country were outdated and no longer suitable, with many built in the middle of the last century, such as St. Joseph's (1847). "As you may be aware," said the Fine Gael Minister, "care of the elderly is one of my own personal priorities and I hope to embark on a capital programme over the next few years which will improve long stay Health Board care facilities for the elderly in each of the eight Boards."

Mr. Noonan then invited the South Eastern Health Board to meet with him this time next year to discuss the second phase of the hospital development.

HISTORIC DAY

Thanking Minister Noonan, SEHB Chairman and Dungarvan UDC Chairman, Cllr. Billy Kyne said his announcement made it an historic day for the town and for West Waterford.

Cllr. Kyne also paid tribute to former Health Minister, Brendan Howlin who allo-

cated £100,000 towards the planning stage for the proposed development and everyone who had contributed over the years and who had helped to finally turn the dream into a reality.

"LONG OVERDUE"

Describing the multi-million pound news flash as a 'fantastic' announcement for the town, Fine Gael Deputy, Austin Deasy reiterated the Minister's guarantee that the hospital project is not just a promise — but a decision.

The issue of a new hospi-

tal for the West Waterford area, he said, has long been a 'hot potato' among members of the SEHB — a contentious subject which has received ongoing attention for the better part of 25 years. "The announcement is long overdue," Deputy Deasy added.

Likewise, Minister of State at the Department of Health, Brian O'Shea, T.D., said he was happy to see that £750,000 is being allocated in phase one to what he described as a "much-needed and worthwhile project."

It's A Month When There's Plenty To Do

MAY can be a month of back-bending and breaking — everything seems to be growing at once!

There is planting to be done quickly, trimming or pruning of existing plant stock and, above all, war declared on weeds and pests.

TULIPS

It is best to start with the plants that have already had their day this year, such as tulips.

- Lift the tulips from beds needed for summer blooms and replant elsewhere to allow the greenery to whither naturally, before finally lifting the bulbs for storage.
- Indoor bulbs can be 'finished' too with a spell outside before storage, but remember they must now become outdoor bulbs and be replanted in Autumn — they can only be forced for indoors once.
- Lift and divide primroses so that they strengthen and add more blooms next year, but avoid new sites prone to dryness and direct sun.
- Despite the risk of frost, particularly on the east side of the country, you can then boldly plant biennials such as Sweet William, wall flowers and Canterbury Bells.

Stand by with clothes or newspaper to protect half-hardy annuals and dahlias on potentially frosty nights, but all is not lost if you are caught out.

SALVAGE

You may salvage the situation next morning if you water them with tepid water first thing, using a fine rose on the watering can. This reduces the effect of the sun's heat so soon after the touch of frost.

- It is also not too late to establish conifers and evergreens. Simply soak the root ball overnight before planting in soil enriched with moist peat or good well-rooted garden compost. Then make sure they are well-watered every day if the weather is dry.
- Help roses by yanking up sucker shoots — the pale and extra thorny ones which sap the strength of the tree.

INSECTICIDE

Then check and wipe out pests such as greenfly or aphids, and leaf-rolling sawfly. You will have to use an insecticide, so spray on a calm day, keep pets and children away, and cover all bare skin.

- Hedges such as privet will be starting to grow quickly and need gentle trimming and shaping.
- The lawn may also look patchy and in need of a cut, but avoid trimming new lawns until the grass is about two inches high.
- Attack weeds by hand at first or dab them with a paintbrush dipped in weedkiller. The last resort is a selective weedkiller that should keep them at bay for the rest of the summer. You may need something more potent to stop weeds and grass growing up between paving slabs and through paths, but always use a hoe elsewhere if you possibly can.

£40,000 Grant For Ardmore Public Toilet

The Minister of State at the Department of Health, Mr. Brian O'Shea, T.D., has announced that the Minister for the Environment has approved a grant of £40,000 to Waterford County Council

for the provision of a public convenience at Ardmore beach, Co. Waterford.

The public convenience is incorporated in a multi-purpose building, which also includes an information of-

fice and a meeting room/lifeguard lookout.

The other elements of the project are being funded by Waterford County Council and local group Ardmore Development Association.

Mr. O'Shea said that this project will improve the tourism product offered in Ardmore and will result in increased economic activity in the area during the tourist season.

Tallow Woman Addresses National Conference

Photo shows a group of children enjoying themselves at the Tallow Childrens Centre under the supervision of Rosemary Kavanagh

Last Saturday, May 20th, Rosemary Kavanagh was guest speaker at the Irish Preschool and Playgroup Association (IPPA) meeting in Dublin. She told of her experience in Tallow and encouraged other playgroups to further promote the importance of play to children.

In the immediate future, Rosemary is looking forward to the National Playgroup Day on May 23rd when fun and games will be the order of the day. "It's to make people aware of Playgroups", she said, "to let them appreciate the value of play".

Since starting with the Tallow Group three years ago, Rosemary Kavanagh has experienced tremendous success. Situated in the Tallow Enterprise Centre, Rosemary runs a playgroup/creche - Tallow Childrens Centre and is one of the many success stories of the Tallow Enter-

prise Group who have helped people like Rosemary set up business on their own and create their own employment.

With the help of two assistants, Rosemary supervises a playgroup session of 17-20 children from 9.30 a.m. to 12.30 p.m. five days a week and a creche on Friday afternoons from 2.30 p.m. to 6 p.m.

Catering for children within a 7/8 mile radius the playgroup has certainly established itself firmly in the area and was recently awarded ADM funding which has gone towards upgrading and equipping both the spacious indoor and outdoor facility. In June, Rosemary hopes to add an extra creche session on Wednesday afternoon.

FUTURE PLANS

Next Saturday, May 27th the regional meeting of IPPA

will be hosted in Tallow Enterprise Centre. Representatives from counties Waterford, Wexford, Carlow, Kilkenny and South Tipperary will be represented.

From September '95 Rosemary is planning to hold a parenting course which will help parents to improve their parenting skills and enhance the quality of family relationships. Plans are also underway to form a women's group who will look at the education, support and information available to women.

If you are interested in being part of this move, Rosemary will be delighted to hear from you.

Tallow Enterprise Group has been delighted to assist this project for the past number of years and wishes Rosemary every success for the future.

Local Student Wins Top Food Award

A fourth year research student in U.C.C., Thomas Harty of Ring son of Eileen and Tommy Joe Harty, Gortnodima House, Ring, recently scooped top prize in the prestigious West Cork Food Business Enterprise Awards.

Together with four fellow U.C.C. students Thomas created a luxurious custard style

yoghurt-ice cream, reportedly suitable for a health conscious market.

Named after a residential property some of the group rented in Cork, "Alverna" is a natural flavoured recipe created from a product supplied by Irish Youghurts Ltd.

Thomas and his group shared the top £1,000 prize

and are expected to give "serious consideration" in the not-too-distant future, to taking further steps towards a possible market launch of the innovative yoghurt-ice cream product.

BALLYMACARBRY NEWS

ASCENSION DAY

Tomorrow we celebrate the Ascension Day, the mystery which the Church honours on this day is at the same time that of the triumph of Jesus Christ and the hallowed hope of his disciples. The Saviour after having accomplished his mission on earth, ascends to Heaven to put His manhood in possession of the glory due to it, and to prepare for us an abiding-place. He ascends thither as our King, Liberator, Chief and Mediator, our King, because He has purchased us at the cost of His blood; our Liberator, because He has conquered death and sin, and has ransomed us from the thralldom of Satan, our Chief, because He wishes that we should follow in his footsteps, and that we should be where He is, even as He has Himself declared; our Mediator, because we can have access to the Father only through Him. He ascends thither as Our High Priest in order to offer unceasingly to God the blood which He has shed for us in His character of man and to obtain for us

through the merits of His Sacrifice the remission of our sins.

Let us, then, by means of faith, follow Him in his Ascension to Heaven, and abide there henceforth in heart and spirit. Let us remember that Heaven is wholly ours, as our inheritance; and, amid the temptations and miseries of this life, let us think often of His home of peace, of glory and of bliss eternal. We must not flatter ourselves, however that without earnest efforts on our part we shall have any share of the Kingdom of Jesus Christ. There are many mansions in the house of our Heavenly Father but there are not many roads leading thither. Jesus Christ has traced out for us the way of humiliation and suffering, and it is only one that conducts to eternal peace. If the hardships of the journey and the sight of our own weakness strike us with dread, we should gather energy by leaning on the promises of the God-Man. He will be with us even unto the end, and if we love Him all will become easy.

Late Mr. Daniel P. Crotty

It is with deep regret we record the death of Mr. Daniel P. Crotty, Albert Street, Clonmel, which sad event took place on Thursday, May 11, at his residence. Deceased was a member of an old and respected Co. Waterford family. A man of outstanding qualities, he possessed a wonderfully warm personality and made friends with ease. He was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of his courteous and easy-going nature, which endeared him to all.

That his memory will be cherished was truly indicated on Friday evening by the large concourse of mourners who were present when his remains were removed from O'Donoghue's Funeral Home, Clonmel to SS. Peter & Paul's Parish Church, Clonmel.

On Saturday morning (Feast of St. John the Silent), Requiem Mass was celebrated for the happy repose of his gentle soul. After Mass the funeral took place to St. Patrick's Cemetery where he was laid to rest.

To his family we tender our deepest sympathy. I liontaib Dé go geastair sinn.

Deceased was a member of an old established family, highly respected in the district. He was a staunch member of the Ardfinnan Anglers Club for many years. He was a gentleman to his finger tips, he never sought the limelight but came forward only if he could offer the helping hand. No unkind or harsh word ever passed from his lips. An intelligent conversationalist, he sought perfection in any task he performed. Fishing with rod and line was his favourite pastime and those who shared that hobby were amongst his closest friends.

A Day At The Zoo For Lismore School

The pupils of 5th and 6th class, Scoil Muire na Toirbhirte, Lismore, visited Dublin Zoo as part of their prize for the winning entry in the Irish Cancer Society's nationwide "Healthy Lunchbox" competition.

The competition, which was held as part of last year's European Week Against Cancer was circulated to all primary schools nationwide with the aim of encouraging school children to eat more fruit and vegetables. Prizes were awarded to schools in eight health board areas, from which, one national winner — Scoil Muire in Lismore — was chosen.

Classes were asked to study a colourful classroom poster of different fruit and veg and give their suggestions as to what they thought constituted a healthy lunch box.

For their winning entry, the pupils of Scoil Muire each received a colour long sleeved "fruity" t-shirt and won the overall prize of a trip to Dublin Zoo. "For many of the pupils this was their first trip to Dublin Zoo and indeed to Dublin itself. The excitement in the classroom has been growing all week," said teacher, Miss O'Shea.

Presenting them with their prize at Dublin Zoo was Avril Gillatt, the Society's Health Promotion Manager who said, "We are delighted with the response to the Healthy Lunchbox competition. We want school children to be aware of the important role that fruit and vegetables play in providing us with a healthy diet and in lowering our risk of developing cancer."

Lismore Town Commissioners Meeting

Present at the May meeting of the above were Messrs. P. Dowd, R. Canning, D. Coughlan, B. Leddy, D. Whelan, J. Roche, Mrs. M. Fenton-Morrissey, Mrs. M. Ryan; Eric Flynn (Town Clerk) and B. McNally (Acting Co. Manager).

Without the presence of the chairman who was unavoidably delayed, it was agreed on the proposal of D. Canning, seconded by J. Roche that P. Dowd fill the position of chairman to commence the meeting.

At the onset, Mrs. M. Ryan was welcomed to the meeting, having been co-opted to replace Owen Madden.

FOOTPATH BANK FIELD TO BANK OF IRELAND

Mrs. Fenton-Morrissey again highlighted the dangers involved in having no footpath here. She went on to state that at a time when money can be found for other works in the town, it was time that this short section of path took precedence as it was no longer safe for young children.

The Clerk stated that he had made several representations to the Council on this matter, to no avail. It was agreed that B. McNally would have another look at this problem with the County Engineer.

VICE-CHAIRMAN ELECTED

Included on the agenda for the meeting was that the Commissioners fill the vacancy of Vice-Chairman, created by the resignation of Owen Madden.

Mrs. Fenton-Morrissey stated that before this position be filled, she wanted to propose that the Commissioners return to the old system of rotating the Chair between all the parties.

J. Roche stated that in the

last term, the chair did not rotate strictly in accordance with this procedure, which initiated a lively discussion. The Clerk listed the chairperson over the last term.

It was agreed that in the past not all the parties had filled their full complement of seats on the Commissioners and that it was a party matter as to what individual filled the chair when it was their turn.

The Chairman then requested each member to state their feelings on the matter, which were generally favourable. He then went on to call for harmony and flexibility for the rest of the term.

It was unanimously agreed on the proposal of Mrs. Fenton-Morrissey, seconded by B. Leddy, that the Commissioners rotate the position of chairperson and vice-chair in the order of FG, FF, Lab., Ind., for the term of the Commissioners and that the position of Vice-Chair be filled by a nomination from the group next in order.

In line with the above, P. Dowd was elected Vice-Chairperson on the proposal of D. Coughlan, seconded by Mrs. Ryan, there being other proposals.

Mr. Dowd thanked everyone for their support.

"GRANT OF ARMS" FOR LISMORE

It was agreed that the Commissioners would go ahead with their application for a grant of arms for Lismore following a letter from the Chief Herald of Ireland. A proposal was made by Mrs. Ryan, seconded by Mrs. Fenton-Morrissey and resolved that "we the members of Lismore Town Commissioners hereby petition the Chief Herald of Ireland for a grant of arms for the town of Lismore."

"LIOS"

It was agreed to apply to the National Heritage Council for funding in the case of the "Lios" at Lismore. This was decided following a letter from UCC.

SERVICE CHARGES

Mr. Leddy moved on notice to "consider change of Local Authority powers in respect of Service Charges" when he outlined the new requirements in relation to cutting off water supplies issued by the Department of the Environment.

It was generally agreed that Waterford County Council operated the basic structure as outlined at present.

REGISTER OF EMIGRANTS

Mr. Leddy moved on notice re Progress report on register of emigrants. He stated that work on collection of data would commence this summer and it was hoped that this would take place locally.

ALCOHOL ABUSE PROGRAMME IN SCHOOLS

It was stated that there was no take up in the schools regarding this programme. Mrs. Fenton-Morrissey stated that there had been a very informative meeting on drug awareness recently in the Presentation Secondary School.

There was a general discussion on the many points related to this subject and it was felt that the parent councils of all schools should be contacted again at the beginning of the new school year.

FAMINE PROJECTS

The Clerk stated that he had received an outstanding response for projects from the Presentation Secondary School on the matter of the 150th anniversary of the famine. Also, projects were received from the Presentation Primary School with some from Mary England

(Lios Mor Mochuda) school to come.

It was agreed to have the projects judged by the end of May and try and have them displayed for the summer.

OTHER MATTERS

The following other matters were raised at the meeting—

Abhna Shad Swimming Pool — Mrs. Fenton-Morrissey requested that the swimming pool be dug out earlier this year in order to give the children time to acclimatise to the water.

Cobble Stones — Mrs. Ryan asked where did all the cobble stones go after the making of the flower bed at the hotel? and also as to why no commemoration was held on Easter Sunday?

Old Gates — B. Leddy stated that he had an interest in having the old gates of the Cathedral restored as part of the Urban Renewal Scheme. It was agreed that P. Dowd would liaison with B. Leddy on this matter.

In addition, B. Leddy felt that Commissioner events should be covered more often in the local press.

Parking at Junction — J. Roche highlighted the position of parking at the junction of Ferry Lane and Main Street.

Banks — It was agreed to write to both banks in the town and request the amount of transactions required to necessitate an ATM machine.

Extra Seat — R. Canning requested an extra seat be provided at West Street near the telephone box to facilitate people waiting for the bus. It was agreed to write to Waterford County Council on the matter.

Parking — On the proposal of P. Dowd, it was agreed to write to Telecom Eireann with regard to the constant parking of a number of vehicles in West Street as it was beginning to have a detrimental effect on the traders on the street.

RECENT DEATHS

Mr. Michael Salmon

It is our very sad duty to record the passing of Mr. Michael Salmon, Grallagh, Grange, who died on Tuesday, May 16 at the University Hospital, Cork, following a road accident. The news of his death caused widespread sorrow and regret over a very wide area, especially in his native district of Grange, where his popularity had no limits by reason of his gentle and retiring disposition.

He was a friend of all, rich and poor alike, always with a kind and caring word, and a wonderful neighbour always at the ready to help when required. He was a man with great faith and a regular attendant at all his religious duties.

To his sorrowing brother Maurice, nephews, nieces, cousins, relatives and his very many friends we tender our sincere condolences.

His remains were removed on Thursday evening from the Kiely Funeral Home to Grange Church after the Rosary and prayers were recited by Very Rev. D. Canon O'Connor, P.P. On arrival, his coffin was blessed and received by Canon O'Connor.

Requiem Mass was offered on Friday morning for the repose of his gentle soul and the interment took place afterwards in the adjoining family plot.

Miss Nellie Drummy

It is with deep feelings of sincere regret we record the death of Miss Nellie Drummy, Inchindrisla, Kilgobinet, who answered the great call on Friday morning, May 19, at Waterford Regional Hospital after a very short illness but at the allotted span.

The deceased was a member of a widely connected and popular Kilgobinet family. She was a lady with many charming qualities, especially her gentle and retiring disposition which won for her wide popularity. She was a person with great religious beliefs, which she practised all her life. She had a great love of her parish church, namely Kilgobinet, which she supplied with flowers for the altar and shrines.

To her sorrowing brothers, sister-in-law, nephews, nieces, relatives and her many life-long friends we express our sincere and deepest sorrow at her passing.

Her remains were removed on Saturday evening from the Kiely Funeral Home to Kilgobinet Church after the prayers at the funeral home were recited by Very Rev. M. Kennedy, P.P., Kilgobinet and were followed by a large and impressive cortege. On arrival, her coffin was blessed by Fr. Kennedy.

The last Mass on Sunday morning was offered for the repose of her soul and the interment then took place in the adjoining family plot. Fr. Kennedy was celebrant of the Mass and also imparted the final blessing at the graveside. Another large attendance was present to pay their final respects to a dear neighbour and friend.

Patrick (Pad Joe) Daly

It is with deep and sincere regret we record the passing of Patrick (Pad Joe) Daly, late of Carrigeen, Lackaroe, Youghal who died in the Cork University Hospital on Friday, May 5 at the early age of 60 years.

Pad Joe was a strong and determined man who lived life to the full. He raised a large family in difficult times very successfully. This was mainly due to his expertise as a fisherman and his vision in providing a mini bus service when very few were willing to take such risks. He had a great interest and love for traditional music and travelled far and wide to hear and enjoy the different groups and musicians. He was also a great man for game hunting and very few could match him for a shot.

He will be sorely missed by his wife and large family and also by his many neighbours whom he never failed to lend a helping hand when needed.

In his younger days he was known far and wide for his prowess in the agricultural machinery field, and at one time when combine harvesters were few and far between, he drove a combine from Youghal to the level plains of Kildare, harvesting many a field on his way.

Pad was one of the founder members of the Youghal Fishermans Co-op and also was one of the founder members of Youghal Comhaltas Ceoltoirí Eireann.

On Friday evening at 8 p.m. there was a recital of the rosary at Egan's Funeral Home, Youghal, which was led by Fr. Magnier and attended by a very large circle of friends and relatives.

On Saturday evening at 7.30 p.m. prayers were said by Fr. Donal Roberts of St. Colman's College, Fermoy and Pad's remains were removed from Egan's Funeral Home to Glendine Church, where they were received by Fr. Magnier and Fr. Donal Roberts. The coffin was brought into the church by his six sons flanked by a guard of honour formed by pupils of Colaiste Eoin, Youghal and the Dungarvan Branch of Multiple Sclerosis. The funeral was given a Garda Escort from Youghal to Glendine by Garda Tom Fahy, Youghal.

On Sunday morning a very beautiful and moving funeral Mass was celebrated by Fr. Magnier and Fr. Mulcahy, P.P. The readings were read by his three sons-in-law Brian Cullen, James Cahill and John O'Brien, and the bidding prayers were recited by his grandchildren and god-children Shane O'Brien, Marie Cahill, James Cahill Jr., Linda Cahill, Enda Cullen, Catherine Roche, Sharon Ennis and Alan O'Brien. There was a most moving offertory procession with each of his sons and daughters bringing many items which were hallmarks of Pad to the altar, e.g. his cap, his fishing net, his watch, his driving licence, etc.

In his homily Fr. Magnier paid a fitting tribute to Pad's life and assured the congregation of his place in Heaven at the right hand of God.

The music which was part and parcel of his life, complemented the beautiful Mass was provided by Michael Connery, Maura Govers, Martina McGrath, Seamus Whelan, Mickey Dalton, Tomas Clancy and Ned Keane.

Pad's coffin was carried to the top of Glendine by his many relatives and friends and his daughter Anne carried his much loved oar in front of the coffin.

The cortege then moved off for Ardmore cemetery escorted once again by Garda Tom Fahy and followed by one of the largest funerals seen for many a day.

The cortege stopped on Youghal Bridge to give Pad one last glimpse of his beloved Blackwater and then moved on to his final resting place in the beautiful setting of Ardmore. After the final prayers Pad was laid to rest to the sound of appropriate traditional music with many wreaths and his oar covering his grave.

Chief mourners — Mary (wife), Michael, John, Brendan, Patrick, Kevin, Aidan (sons), Anne, Mary, Theresa (daughters), Brian Cullen, James Cahill, John O'Brien (sons-in-laws), Margaret and

Carmel (daughters-in-law), James (brother), Kathy, Nellie (sisters), Anne Ennis (sister-in-law), Anthony O'Shea, Tommy Murphy and Paudie Murray (brothers-in-law) and a large section of relatives and friends.

(Funeral arrangements by Egan's, Youghal.)

The Lessons were read by Concepta (sister) and Tom Rock and the Prayers of the Faithful were recited by Eileen Martin, Mary Martin and three nurses from Stuarts Hospital and sister-in-law Mary. Burial took place in St. Michael's Cemetery afterwards with Fr. Mulcahy officiating.

Large and representative corteges were present at the obsequies.

(Funeral arrangements were by J. Ryan & Sons, Lismore. Phone 058/54145.)

Mrs. Margaret Peg Walsh

With sadness we record the passing of Mrs. Margaret Walsh, Curradoon, Ballinamult, which sad event occurred on Monday, May 22.

Sr. A. Wendolen Curran

It is with deep regret we announce the recent death of Sister A. Wendolen Curran, S.M.G., of Glenmore, Dungarvan at her Community hospital, Chapelizod, Dublin. Sr. Wendolen gave her entire life as a nurse in the care of the sick and disabled poor, both young and old.

As a young Sister in Lourdes Hospital in Liverpool, she witnessed the great bombing of the Liverpool docks during the Second World War.

She was transferred to Rathdrum, Co. Wicklow in the early seventies where her Community was about to build a new home and hospital and she saw the old workhouse type hospital being torn down (to her heart's delight) and the new hospital put in place.

Sr. Wendolen spent the remainder of her working life there, caring for the sick, the poor and the disabled. She was loved and honoured by all who got to know her. She was a Sister of the Poor Servants of the Mother of God.

A few years ago she was admitted to their Home and Hospital in Chapelizod as her health was failing and she died on May 17. She had fulfilled what she wanted to do in her lifetime, — to help others to live.

May her noble soul rest in peace.

SUMMER CAMP

Answer To Summer Boredom

Is it not strange how schoolchildren spend their days after Easter looking forward to the Summer Holidays, yet on the second Monday of their freedom, the cry will go up that they are bored out of their minds.

Parents will say that they did not have time to be bored when they were young, but they know that times have changed and that children today expect that they will be entertained from morning to night. It is not possible to do that these days and very often parents do not have the time to see to their child's constant entertainment. They know that junior is bored and that they need some remedy, and fast.

Enter the concept of Summer Camp, that wonderful and relatively new institution in this country where children from 6 to 12 can mix with their friends, or at least other children of their age group, with whom they will become

friends in five minutes.

That at least is what happens at the County's biggest and brightest (modesty forbids their claiming to be the best) Summer Camp at Dungarvan Sports Centre which this year offers six different weeks of unconfined joy to the little ones who attend. This year, supported by Dungarvan Credit Union Ltd., there is a much expanded programme on offer.

From July 3rd just after they get their holidays, the Sports Centre and the playing fields around it, will respond to the squeals of joy from the eighty or so children who will attend for the five days to take part in a programme which has been added to and taken from over the last twelve years until it has been refined into

the most enjoyable, entertaining, informative and educational package to appeal to children.

There is no doubt that the most attractive activity for children today is swimming and on four of their days at the Camp, the children will swim at the Park Hotel Executive Leisure Centre under the eagle eyes of the resident lifeguards and their ever attentive group leaders.

On Wednesday, their coach will take them to Splashworld in Tramore where they can spend up to two hours in the attractive surroundings of the waterworld complex, using the large and small slides, whirling in the "millrace" or diving into the waves which rush to the shore from the giant wave-maker. The fun is endless and even when two hours and a great deal of energy have been disposed of, the children will call out for more.

But it is not all activity and sport, there are the quieter moments when they retire to the art room to draw and paint their favourite pictures. Even those whose talents do not lie with brush and palette will be encouraged to experiment and produce their own personal masterpieces. A further addition this year is music, and one of the leaders will take the children each day for group singing.

Although Friday is the last day of Camp, it is the most hectic. The "Staff versus Campers" football match which the Staff never seem to win, takes up the period immediately prior to lunch, which this year for the first time will take the form of a barbecue. Copious quantities of sausages, burgers and buns will restore energies for the most looked forward to part of the week.

The Great Summer Camp Waterfight, which by now

has become a legend in itself is the shortest part of the programme, but is universally declared to be the most enjoyable. Leaders who have arranged activities, led games, nursed cuts and grazes all week are now fair game for the water bucket and there will not be a dry T-shirt or shorts when the water runs out.

The week is full of genuine fun for children, worthwhile games and activities and gives them a chance to try a variety of sports to which they might not otherwise have access. They will enjoy themselves and parents can be confident that while they are at Camp they are engaged in some activity which has something positive to offer.

So confident are the Sports Centre people that the children will enjoy

AFFANE-CAPPOUQIN G.A.A NOTES

JUNIOR FOOTBALL CHAMPIONSHIP
Dungarvan 3-12 Affane 2-8
Although missing a number of players this was a much improved performance by our

junior team in Bushy Park on Friday 19th. We started well with two points from T. O'Sullivan. With the teams level we were awarded a penalty which T. O'Sullivan

took but was saved. This had a bad effect on the team and we failed to score for the rest of the half. Half time score 1-8 to 0-2.

In the second half we again started well. Eddie McGrath at midfield with Ken Mason were winning good supply of ball. Frank McCarthy, M. McCarthy, K. Mason, T. Henneby, T. O'Sullivan all added points and two well worked goals by T. O'Sullivan and Frank McCarthy and we were only trailing by three points. But Dungarvan regained their composure, goaled from a penalty and yet another goal came from a good forward move which for our lads was too much to recover from. In the dying minutes S. Fraher soloed 80 yards and pointed a great score. This was the final action in the game, final score Dungarvan 3-12 Affane 2-8.

Played Well — M. O'Donoghue, P. Casey, S. Fraher, M. Buckley, T. O'Sullivan, K. Mason and Frank McCarthy.

Team — M. O'Donoghue, E. Cliffe, P. Casey, S. Fraher, M. Brown, M. Buckley, M. Lacey, K. Mason, T. Henneby, F. McCarthy, M. McCarthy (c), T. O'Sullivan, E. McGrath, J. McGrath, B. Cunningham.

SYMPATHY

Sympathy is extended to Mrs. Vivian Uniacke, Main Street and family on the death of her brother which took place in England at the week-end.

LATE MISS NELLIE CLIFFE

The death took place on Friday last of Miss Nellie Cliffe, Main Street, Cappoquin. One of the town's oldest residents Nellie endeared herself to everybody who knew her. She was a lady of great gentility, a person who was never known to raise her voice in anger. For more than half a century she was organist in St. Anne's Church and also acted in this capacity in the Church of Ireland Cathedral in Lismore.

She had an infinite knowledge of liturgical music. She was also something of an expert on Classical music and appreciated modern, especially Jazz or indeed any form of the art.

She did parttime work for Cappoquin Estates in area of Rent Collection where she was very well liked by the many tenants.

Sympathy is extended to her relatives and friends.

CONVENT PRIMARY SCHOOL NEWS

National Healthy Eating Week - May 14th-20th was marked by a series of interesting and educational events at the Convent Primary School, Cappoquin.

1. The week began with a practical and enlightening talk given to 5th and 6th class pupils by Home Economics teacher Mrs. O'Brien on the theme of 'Healthy Eating and Nutrition'.

2. Healthy lunches consisting of a variety of sandwiches, fruit, yogurt and popcorn were much in evidence throughout the week.

3. Students in classes 1-4 enjoyed a special shared class meal with an emphasis on healthy food.

To coincide with Healthy Eating Week, Barron's Bakers ran a successful 'Healthy Baking' competition for the pupils of 5th and 6th class. They were asked to submit entries under 3 categories: cakes, brown bread and scones and their entries were on display in Barron's Bakers from 17th May to 19th. Winners were announced at a presentation ceremony at the Convent Primary School on Friday 19 May at which each pupil received a certificate of participation. The winners: Grace Farrelly from 5th class and Jennifer Scanlan from 6th class were presented with plaques.

A sincere thank you to Barron's Bakers for organising this event and also to parents whose co-operation was invaluable in making 'National Healthy Eating Week' such a success.

AT THE SPORTSFIELD

The only game at the venue last week-end was the Saturday evening meeting of Lismore and Modeligo in the junior football championship.

Both of these clubs have done well in this competition in recent years but county honours have so far eluded them. In Lismore's case football has always been over-shadowed by hurling. For Modeligo the first love would be the big ball and indeed they have been Western champions on at least two occasions.

Modeligo raced into an early lead and were three points up after ten minutes thanks to two points from Shane Denn and one from midfielder Bending. In the 15th minute it was all square when Kieran O'Gorman found the net from 10 yards. Nicky Donovan edged the Greens ahead with a point in the 21st minute. However they conceded another goal in the 24th minute when Dan Shanahan set up Paul Quinn who kicked a great goal from 14 yards. Seamus Prendergast and Quinn added two points to leave the half-time score Lismore 2-2 Modeligo 0-4.

Lismore set up a good movement at the start of the second half which resulted in a point by Seamus Prendergast in the 34th minute. Slack marking by the Modeligo backs caused the next score. A fifty yards pass from Quinn found Billy Landers unmarked and the corner forward was only too willing to put the ball in the net. To their credit Modeligo fought back and scored three points in rapid succession by Denn, Reddy and Donovan. Seamus Prendergast had a point for Lismore but Denn helped with a similar score for the opposition. Then in the 54th minute the Lismore 'keeper misjudged the bounce of the ball and Martin Reddy punched to the net. The lead was now cut to two points but Modeligo didn't score again whereas Lismore had two further points from Quinn and Landers. Final score — Lismore 3-6 Modeligo 1-8.

Lismore — D. Twomey, J. Whelan, J. J. Duggan, Sean Prendergast, K. Hornibrook, B. Prendergast, B. Ormonde, P. Prendergast, J. O'Connor, M. Hickey, D. Shanahan, P. Quinn, B. Landers, K. O'Gorman, Seamus Prendergast. Sub. — B. Crowley for Hornibrook.

Modeligo — N. Troy, T. Kenneally, P. Troy, J. Power, B. Barron, M. Reddy, J. P. Ryan, N. Donovan, A. Bending, B. Power, S. Denn, J. Fitzgerald, S. Reddy, T. Burns, P. Fitzgerald. Referee — M. Curley (Tallow).

LISMORE G.A.A. CLUB NOTES

Senior Hurling — This week-end we play Roanmore in the 3rd round of the championship in what will be a make or break match for our seniors. Nothing but a totally committed display will ensure that we can look forward to a Summer of hurling or on the other hand we could end up being purely observers for the next 4 months. To our players we say let's see the real Lismore, to our supporters come and get behind your team.

Under 14 Hurling — Having defeated Dungarvan in the Feile we lost by 6 points in the championship in our own field. This was a very poor display by all concerned and if we are to have any hope of regaining the western championship much improved performances against Cappoquin and Tallow and Fournilewater will be required.

FEILE SEMI FINAL
Lismore/Ballysaggart 3-F
Tallow 3-0

We qualified to meet Abbeyside in the Western

Feile Final after this fortunate victory over Tallow in Cappoquin. Trailing by a goal with just over a minute to go Thomas Bennett scored a brilliant goal and with time almost up Peter Howard scored a close in free to give us the spoils by the slenderest of margins.

The final will be played in Cappoquin this evening at 6.00 p.m. The players would appreciate a big turn out in support.

Under 14 Championship
Lismore/Ballysaggart 1-1
Brickeys 1-8

Even though we lost this match we played well with what is basically an Under 12 team and it is nice to see that we had 36 players togged out in the U-14 championship. In the second round we got a walkover from Kilrossanty and this Monday we play Ring.

Junior Football — The junior footballers had another fine win over Modeligo by 4 points and so we are progressing nicely in the competition.

LISMORE A.C. NOTES

Patricia Cahill Wins Munster Senior Championship — Patricia Cahill had a very successful day on Sunday last when she won the Munster Senior triple jump event. Having completed a very successful indoor season, this was Patricia's first outdoor event of the year. Patricia must be delighted with the manner of her win, because in so doing set a personal best distance of 11.15 metres, being her first time over the 11 metre mark. This is exceptional triple jumping for a girl of her age, and this win will give her every confidence for the coming season. In addition she also had a third place in the long jump to complete her day.

CONFIRMATION

Congratulations and best wishes are sent to those who received the Sacrament of Confirmation recently - namely - Kevin Leahy, Mark Kingston and Paul Kingston.

The time has come round again for the special celebration of First Holy Communion for the boys and girls of First Class.

TOURIN G.A.A. NOTES

We played Geraldines in our second game of the junior hurling championship on 28th April at the Fraher Field, Dungarvan and won by 4 points.

Eire Og 3-8 Ballinwillin 1-4 — This game was played at the Fraher Field on Saturday night May 13th and was our first outing in the football championship. As the score-line suggests we were well beaten on the night. Junior Football B Championship

Ballinacourty 1-14 Ballinwillin 2-6 — We played Ballinacourty in our 2nd game of the B championship at Clashmore G.A.A. field on Friday night last May 19th. This was our second defeat in this championship and the 5 point defeat does not truly reflect the effort we put into this game.

LISMORE GOLF CLUB

The Vice Presidents Prize presented by Mr. Maurice Cahillane was played for over last week-end. Apart from a little drizzle on Sunday conditions were ideal with the course in magnificent shape. Off the back sticks it proved a stiff test of golf and 66's were the best achieved on Saturday. Sunday saw this score matches but bettered only twice, once by Tallow storeowner Patsy Heaphy and once by Lismore man John Madden with Patsy edging out John on the back 9. Third was Denis McCarthy on 66, winning on the back 9 from Philip Walton also on 66 in 4th place.

The gross competition was also a very tight affair with T. W. Murphy off 3 winning with a 72 on the back from 4 handicapper Ken Madden. The full list of prizewinners was as follows:-

1st, P. Heaphy (18) 64 (b9); 2nd, J. Madden (13) 64; Best Gross, T. W. Murphy (3) 72 (b6); 3rd, D. McCarthy (24) 66 (b9); 4th, P. Walton (19) 66 (b9); 2nd Gross, K. Madden (4) 72; 5th, J. Dungarvan Scout Notes

(11th WATERFORD)

TROOP MEETING

The meeting started with a few notices about annual camp. We then played a game called "Warriors and Brigands." Our Leader Brendan got two new games books and he wanted to try some of the games out on us. This game was very active with Raymond Sullivan giving the orders. The eventual winner was Steven Crotty.

We then sat down to some test work. We talked about the scout sign, salute and handshake. The scout principles were also discussed.

It was time for another game called "Hop 'n' Bash." The object of the game was for two players to stand on one leg in a defined area. They had to knock the other person out of the area by any means possible. Sean O'g Murphy and Johnny Murphy proved to be good opponents.

We then practiced some drill movements. Brendan took the older lads while Jonathan took the younger lads. I think we still need some more practice.

The meeting ended at 8.45 p.m. and a court of honour followed.

SWIMMING AND BOWLING

We left the den at 1.30 p.m. We arrived at Clonea Leisure Centre in good time. Even Paul Twohig made it despite the size of his bike! We started the evening off with a game of bowling. Jonathan was a little upset as he did not get a strike. Brendan Wright then threw the ball so hard he nearly followed the ball down the laneway. A great time was had in the bowling alley.

Next was our swim. We had one hour in the pool. Barry and Paul Power proved to be very capable swimmers, while other people (I won't mention their names) clung on to the rail bars!

A great day was had by all. We would like to thank Paula and Catherine for their assistance, especially for looking after the lads while the Leaders enjoyed a sauna!

MONDAY NIGHT CUBS

Monday night, May 15, saw most of the troop complete the work for the Artists merit badge, which they received on Monday night last, May 22. Once again Darren Moynihan showed a lot of artistic ability and all made a very good job of what they did.

We continued with drill work and everyone is improving a lot at it. Later on it was Badge Work time, this time fitness being the work in hand. The Cubs found doing the press ups difficult enough, with David Moloney mastering the technique very well.

This weekend the Mother and Cub weekend was held at Mount Melleray. We went swimming at Ferryhouse on Saturday afternoon and Sunday morning saw a hike and campfire at the Glen. Everyone had a very relaxed and enjoyable weekend.

Next Monday night, May 22, we hope to go by car to the Glen for a hike, camp fire, cooking sausages, etc.

DUNGARVAN TOASTMASTERS

▲ The above photo was taken on the occasion of the club "Tall Tale and Topics" contest held by Dungarvan Toastmasters — back row (l. to r.) John Considine, Louise Neylin, Tom McHugh, Joan Ronayne, John Foley, Nora Curtin, Winston Boyle, Marita Collins, Maurice Kearney; front row (l. to r.) Ray McAndrew, Mary Murphy, Anne Gleeson, Jimmy McCarthy (Tall Tale winner), Geraldine Veale, (Toastmaster), Michael Clarke (Topics winner), Dorothy Hughes (President), Eddie O'Halloran.

The Toastmasters meeting on Thursday, May 9 was a special one as we held our Club Tall Tale and Topics competition as well as our annual general meeting. The Toastmaster for the evening was Geraldine Veale.

A "Tall Tale" is a very unlikely, humorous story (3-5 minutes) with an unusual twist at the end. The three competitors were Louise Neylin, Winston Boyle and Jimmy McCarthy, the win-

ner being Jimmy with a tall tale entitled "Those Bloody Aeroplanes!"

Three new members, Mary Murphy, Helen Kiely and John Foley were among the several participants in the Topics competition. Each competitor had to speak for two minutes on the topic "Leisure." The winner was Michael Clarke, with Mary Murphy in second place.

It is fantastic to see new members taking part in

competitions and we wish Michael and Jimmy the best of luck in the next round of the competition in Waterford.

ANNUAL GENERAL MEETING

After the break, the officers of the outgoing committee gave their reports and then the new committee positions were filled without delay. From July 1, 1995, the President of Dungarvan Toastmasters will be Anne Gleeson; Vice-President for

Education will be Winston Boyle; Vice-President for Public Relations, Louise Neylin; Vice-President for Membership, John Considine; Secretary, Marita Collins; Treasurer, Geraldine Veale; Sergeant-at-Arms, Joan Ronayne and immediate past president Dorothy Hughes. We wish Anne and her team all the best for the coming year.

Remember, guests are always welcome at Dungarvan Toastmasters meetings.

LADIES CLUB

At the monthly meeting held on Tuesday last a minutes silence was observed for the late Mary Ormonde (R.I.P.).

Our guest speaker was Mrs. Joan Nugent, Castle Farm, Modeligo. Joan gave us a very interesting talk on her family run Farm Guesthouse, located at Millstreet — "a restored wing of a 15th century castle, formerly known as Mountain Castle, which is surrounded by the River Finisk". The farm guesthouse was opened 16 years ago and Joan praised her husband Emmet and their family for the support they have given her over the years.

They have guests visiting from home and abroad, many regulars are now considered as old friends. Typical menus might include fresh salmon, home produced lamb and beef and continental dishes are often

requested.

The house has been recently refurbished to a high standard of elegance and comfort. Joan has received several awards including, Regional Tourism Awards, Irish Hotel and Catering Awards and a National Award of Excellence.

We thank Joan for taking time from her busy schedule to talk to us and we wish her continued success.

Thanks to our hostessess Eileen and Mary. Lucky raffle winner was Mrs. Mai Troy.

A vote of sympathy was expressed to Elma Walsh and family on the recent passing of her father.

The annual outing will take place in July to Wexford. More details can be got from Kay or Mary, book your seat this week for a guaranteed good day out!

NA DEISE LADIES FOOTBALL

U-16 'A' County Final
NA DEISE 1-5
ST. ANNE'S 1-5

The final was played on Tuesday 16th May in Fraher Field, Dungarvan. As the scoreline suggests this game proved to be a thriller with both teams producing football of the highest calibre.

Na Deise were first to score with two points in seven minutes. Then St. Anne's struck back in the 15th minute with a goal. At this

stage the pace of the game was electric with both sides exchanging points to leave the score at half-time 1-1 to 0-3 in favour of St. Anne's.

The second half began full of energy with Na Deise striking a superb point to draw the sides level. At this stage the game see-sawed from end to end, and finally the break came when we were awarded a free just outside the penalty area. The ball was blasted to the net leaving Na Deise a goal ahead.

St. Anne's replied with three points leaving the sides level again with just ten minutes remaining. Na Deise forwards continued to press and scored another great point and again St. Anne's levelled the score. With Na Deise mounting their final attack on St. Anne's goal line, the final whistle blew leaving the scores tied at 1-5 each.

Again we thank our supporters who were again out in force and provided the girls with fantastic support throughout the game. A well played match, well done girls.

Na Deise — Elaine O'Grady, April Walsh (Capt.), Catherine Fitzgerald, Kate Gleeson, Amy Kearns, Gillian Gleeson, Angie Walsh, Breda Morrissey, Sarah Gleeson, Gillian Qually, Marian Troy, Nicola Dalton, Ciara Dunne, Aileen

Emigrants Association

At a recent meeting of the Dungarvan and Combined Parishes Group of the above, it was decided to organise the annual welcome home function for Thursday, June 3 next. The function will take place at Lawlor's Hotel and all interested in coming are welcome.

Last year the organising committee were delighted to welcome a very big number from Britain and the USA, many of whom came specially for the occasion. Hopefully, this year's social will see an even bigger number present at the 'home' reunion.

For those returning home for the event, tours to the many places of interest in West Waterford will again be organised.

The annual reunion in London is being organised for the weekend of November 11 and further details will be announced later.

THIS WEEK TEAGASC Says

STOMACH WORMS IN YOUNG CATTLE

Dose young cattle under one year of age every three weeks after turnout for stomach worms. (3 and 8 weeks for Ivomec). Suckled calves born this year and suckling their mothers throughout the summer will not require dosing until housing.

Dosing and moving young cattle to clean silage aftermaths in July will avoid the need for further dosing until housing.

Boluses are attractive for use in cattle grazed in remote areas with poor handling facilities, in that one bolus at turnout covers the greater part of the season. Boluses are far more expensive than white drenches and some injections, however, the reduction in labour, hassle and possible loss in cattle thrive may justify the extra cost in certain circumstances.

If coughing was observed in 2 year old cattle at the end of the last grazing season, it may have been caused by an outbreak of lungworm.

There is evidence to suggest that some of the most efficient wormers may not allow sufficient immunity against lungworm to develop in the young animal during its first year at grass, leading to lungworm outbreak in later life. Overcoming the problem may require a change in your dosing policy or grazing management. Consult your veterinary surgeon regarding the most effective strategy for your situation.

CLEAN GRASS FOR YOUNG CATTLE

Stomach worms are often responsible for the loss in performance in young cattle under 18 months old. Worm larvae survive on the land over winter and calves going out to grassland which carried cattle the previous year are bound to become infected. This can be prevented by

- Ensuring that young calves go out onto clean grass in spring where they need not be dosed.

- Making silage aftermaths available for grazing.

In early July, just before the worm larvae 'explosion' the calves are wormed and moved onto clean aftermaths.

CEREAL DISEASES

Timing of fungicide sprays in relation to disease development can have a large influence on grain yield response. Aim to inspect crops regularly to identify disease problems early and enable a fungicide to be applied before they become established. Delaying fungicide application until disease infestation reaches high levels will result in reduced grain yield response when compared to earlier applications. Fungicide spraying for foliar disease control should be completed shortly after yew emergence when grain reaches the watery ripe stage. Spraying later than this is unlikely to be cost effective with most products.

EDUCATIONAL STUDY TOUR TO NEW ZEALAND

Teagasc Co. Waterford have arranged an Educational Tour to New Zealand in November of this year. The main purpose of the tour is to study the New Zealand system of low cost milk production. If you are interested and would like details of tour, please contact Teagasc Office, Dungarvan, (058) 41211 - places are limited and priority will be given to clients.

POTATO BLIGHT CONTROL

The year 1845 marked the arrival of potato blight in Ireland - 150 years on, growers are much better equipped to deal with this potentially devastating disease, thanks to scientific advances.

Growers must plan ahead to avoid trouble later on. Check that seed tubers are free from blight, avoid excessive nitrogen fertiliser and destroy dumps before growth starts. Choice of variety also has some influence. With very blight susceptible varieties e.g. Kerr's Pink or Pentland Dell, spray intervals must be kept short, some newer varieties are slight more resistant.

From the beginning of June, be ready to spray. Start as soon as crops meet within drills, or when a blight warning is issued, whichever is the earlier.

Starting the spraying programme with two or three applications of systemic spray helps protect plants when they are growing fastest.

For crops where some blight is present or which have been sprayed with Mancozeb - containing products for most of the programme, a Fentin based fungicide remains the best choice to complete the programme. No fungicide can eliminate blight once it is established in the crop. If infection exceeds 5% burn off as soon as possible and wait at least three weeks after haulm death before lifting.

It is essential to follow instructions on the approved label when handling, storing or using any crop protection chemical.

Pasture Supplements Significantly Improve Blood Profiles Of Dairy Cows

An 11% increase in blood Copper, 122% increase in GPx (Selenium) and 259% increase in PII (Iodine) status in treated dairy cows over untreated animals is the message coming from a simple Summer feed trial in 1994 carried out by GAIN Animal Feeds and Dr. Phil Rogers Teagasc, Grange.

Mineral deficiencies in animals are primary (simple deficiency or secondary (induces deficiency)). The latter is caused by the presence of antagonistic factors in the soil, plant or animals. These factors reduce the absorption of the minerals in the target tissues of the animals.

Over the last number of years, soil, herbage, blood and milk samples analysed at Johnstown Castle, Grange, and other laboratories throughout the county have shown a widespread national problem with multiple mineral deficiency common on many farms. Many forages also have excessive amounts of antagonistic factors (Nitrogen, Potassium, Sulphur, Molybdenum etc.).

The most important trace element deficiencies in Irish cattle are those of Copper (No excess), Selenium, Iodine and Cobalt and these may result in calf mortality (abortions, perinatal deaths, neonatal deaths), puerperal disorders (slow calvings, retained placenta, metritis), infertility, illthrift, reduced milk yield and reduced immunity

(increased susceptibility to pneumonia, mastitis, diarrhoea and other infectious diseases).

Maintenance of normal mineral status in blood depends on direct supplementation of the mineral intake of the animals and it must be recognised that higher levels of supplements are needed to correct the effects of antagonistic factors than to correct simple deficiencies.

Special pasture rations are ideal vehicles to provide a fixed rate supplement of minerals and vitamins to cows at grass.

GAIN Summer feeds markedly improved the Copper, Selenium and Iodine status of supplemented cows as compared with unsupplemented youngstock in the same herds as can be seen in table 1.

11 herds were selected in counties Waterford, Cork, Wexford and Wicklow. Within each herd there was a control group which consisted of 10 unsupplemented yearling cattle. The control group represented 10 dairy cows receiving either Gain Pasture Milkmore or Summer Dairyboost. At 3-4 months after introduction of summer feed, blood samples from both groups were submitted to Grange.

It is also apparent from the results that other types of cattle may need routine mineral supplementation if there are unexplained problems of animal health or productivity which could relate to mineral deficiencies.

Congratulations to Elaine Meagher, Pádraig Fitzgerald and Leonard Nugent who received the Sacrament on Sunday morning. We hope

the drizzly weather did not dampen their enjoyment.

FARMING LEADER

I.F.A. County Chairman, Pat Murphy, led the Waterford I.F.A. contingent who joined 8,000 farmers at the I.F.A. demonstration to restore the live export trade in Dublin last week.

IFA Calls On Minister Yates To Implement New TB Scheme Immediately

The Irish Farmers' Association has urged the Minister for Agriculture, Ivan Yates to proceed immediately with his promised effective TB eradication scheme which will avail of £10 million EU funding to reduce the burden of levies on Irish farmers.

Waterford IFA Animal Health Committee Chairman, Ned Murphy said the comprehensive new TB scheme must remove all sources of TB infection, including TB infected wildlife.

"It is unacceptable that farmers have to remove infected cattle while infected wildlife such as badgers, deer and goats are allowed to remain on farms and forestry plantations to recycle the disease to healthy cattle", he warned.

"Farmers are fed up to the back teeth with a flawed TB programme where their disease levies are being squan-

dered in financing a TB eradication scheme that will never actually succeed in eradicating the disease."

He pointed out, "Ireland is the only EU country being offered Brussels funding for TB eradication. It is imperative that the TB programme agreed by the EU Standing Veterinary Committee is implemented this year to remove the scourge of this disease and its financial burden from the backs of Irish livestock farmers".

Mr. Murphy added, "the IFA has received a commitment from the EU Commission that future EU increased funding of up to 50% of the costs of TB testing will be available to Ireland provided progress in TB eradication is achieved during 1995. It is vitally important that the EU funding is drawn down to reduce the £28 million in disease levies paid by farmers each year".

County Waterford ICMSA News

Mr. John Skehan, Chairman of County Waterford ICMSA said that dairy farmers who have insufficient quota to cover their likely level of milk deliveries in the current year should avail of the Temporary Leasing Scheme before the first phase of the scheme closes on 31st May. It is important that these farmers apply for quota in the first phase because it is highly likely that the quantities of quotas available later in the year

will be very low. The County Chairman said that ICMSA had sought an early finalisation by the Department of the rules for the Subsidised Restructuring Scheme for the current year. The Department is still awaiting approval from the Commission and no decision is likely in the near future. "Dairy farmers are unsure of their position. They do not know whether or not they qualify under the Subsidised Restructuring

Scheme and if they wait for the details of the Scheme to be announced, they will be late for the Temporary Leasing Scheme and may not get adequate cover for their deliveries during later phases of the Scheme. ICMSA has proposed to the Department of Agriculture that if a person takes quota under the temporary leasing scheme now and if he buys quota later under the Restructuring Scheme, he will be allowed to lease

back the quantity of quota he had taken without losing his entitlement to flexi milk. The County Chairman said that normally people who ease out their quota to the Temporary Leasing Scheme cannot avail of flexi milk. He added that if this proposal is adopted by the Department it will overcome the present difficulties faced by farmers because of the late announcement of the Subsidised Restructuring Scheme.

Prime Farmland Not Suitable For Dumps Says IFA

Launching IFA's submission to Government on a National Waste Policy, the Association's Industry and Environment Committee Chairman, David Butler, rejected the use of prime farmland for municipal landfill dumps.

mission Waterford IFA. Industrial Committee, Matt Cunningham said: "Farmland is a scarce and valuable asset which farmers need to generate incomes for themselves and their families, and wealth for the Irish economy as a whole. Landfill dumps on prime farmland can have

a negative impact on the high quality standards in Irish farming today by threatening water and air quality, increasing dust levels and posing a potential for disease spread. The Association wants to see landfill sites located in non-agricultural areas which should preferably be isolated from the communities around them."

IFA has also demanded that planning scrutiny of the siting of potential dumps should be taken out of the hands of local authorities. IFA is calling for a close involvement of the Environmental Protection Agency in site selection and management of dumps. "It must be the job of the EPA to monitor management standards at dumps to ensure these meet with the highest standards of safety and hygiene for all human, animal and plant health, Mr. Cunningham said.

IFA has launched its waste policy in advance of the expected publication of the long-awaited Waste Bill. The Waste Bill, which has been in preparation for over 2 years, is expected to be the most comprehensive piece of legislation dealing with waste ever brought forward by any Government. It is expected that the new Bill will give the Minister for the Environment special powers to target different types of waste and waste generation.

Mr. Cunningham highlighted the fact that in its submission, the IFA was also seeking clear guidelines on the safe disposal of all forms of farm plastics and a derogation from legislation restricting the use of certain non-agricultural waste products, which are already being effectively and safely reused on Irish farms.

IFA Welcomes Statement On Animal Rights Protest

Waterford County Chairman, Pat Murphy welcomed the recent statement from the Minister for the Marine, Hugh Coveney guaranteeing the safe passage of livestock exports through Irish ports.

Mr. Murphy said, "following IFA's meeting with Minister Coveney, the Minister has now made it categorically clear that the full force of the law will be used to ensure that the Government's open port policy for all legitimate trade including livestock exports will continue unimpeded."

Mr. Murphy welcomed the fact that Gardai will be present at protests by animal

rights activists and the Minister's determination to ensure that Government policy is not frustrated.

The IFA said that there was no stomach or support in this country for the actions of extreme animal rights groups such as has occurred in the UK. He said that extremist animal rights activists from Britain were not welcome in Ireland. In response to reports that animal rights activists have been invited to protest in Ireland this weekend Mr. Murphy said, "the message is clear, they are not welcome and should stay away".

Waterford IFA Dairy Chairman Welcomes Waterford Foods 4p Price Increase

Waterford IFA Dairy Chairman, Gerald Curran welcomed the recent decision by Waterford Foods plc of a 4p milk price increase from April, which puts the creamery's base price, net of VAT, at 106p per gallon.

"I welcome this step by Waterford to pass on some of the current market buoyancy to their suppliers" the IFA man said.

"All processors must now reflect the continuing improvements in market returns by paying base prices (including VAT) of at least 110p per gallon," he concluded.

TALLOW NOTES

TALLOW G.A.A. CLUB NOTES

Inquest — Last Sunday's overwhelming defeat in Cork has left Waterford supporters bewildered, stunned even. It was not that we were beaten - God knows we have become almost inured to that position over 30 years - rather was it the nature and extent of our demise. Some would claim that we didn't deserve to receive such a drubbing, that we came within six points of Tipperary shortly before the roof caved in on us. Such crumbs of comfort of self-delusion serve no purpose. That reading of the situation ignores the significance of Tipperary's first half dominance when, if it hadn't been for a resolute defence, we might have conceded more scores including a couple of goals. No, it's better to be honest and admit that Tipperary were far too good for us almost everywhere.

Tipperary had many advantages going into this game. The background to their preparations meant that they could focus on their meeting with Waterford for the last 8 weeks. No distractions like league quarter finals and semi finals which with many players are an end in themselves and conceal the fact that other teams not participating in those games (Limerick and Tipperary for instance) are still very good teams whose appetite is being sharpened with every passing day. Last year Tipperary had a glorious victory in the league and were still basking in its reflected glory when they met Clare. After Clare dumped them out of the championship some said that the absence of some Tipperary stars caused the upset. Maybe, but I don't believe that. It was the poor mental and complacent physical preparation, I think, which left them vulnerable to a more determined Clare whose fitness, alertness and freshness won them the day. And remember that this was, basically, the same Clare team which was annihilated by Tipperary in the previous year's Munster final!

Tipperary were very quiet over the last couple of months. No reports, no publicity but plenty of homework which was facilitated by Waterford's two Thurles outings, against Galway and against Clare when the Tipperary management got two good looks at the opposition and had plenty of information on the Waterford approach. They obviously trained very well but so I'm sure did Waterford and those in charge of our preparation spared no effort to ensure that our team was as ready as possible.

The composition of the rival combinations made the greatest difference between the two. Tipperary had a blend of the richly experienced and the promising potentially good

younger players.

Just look at the spine of the Tipperary outfit. Noel Sheehy, Conal Bonner, Aidan Ryan, Colm Bonner, John Leahy, Declan Ryan, Nicholas English and Michael Cleary. Not just good hurlers but winners, senior All Ireland, League and Oireachtas winners, used to successful Munster and All Ireland campaigns. Add George Frenn, Michael Ryan (lucky to finish the match), Raymie Ryan (man of the match) and Tommy Dunne to Tipperary's wounded pride and you have the ingredients to a display of power, finesse and accuracy which is well-nigh irresistible.

Our team had quite a bit of experience too but at a level which couldn't match Tipperary's and we seemed much slower to react, much slower to the ball or with the ball. I watched the teams emerge from the dressing room on to the field. Tipperary raced out; Waterford came out, I noted particularly how Fergal Hartley one of our more gifted stickmen, jogged slowly out with that long loping stride of his and it crossed my mind that if he couldn't quicken that stride to match pace, then Tommy Dunne would have the advantage. And so it came to pass. Our team is now slow - many of our players would do quite well over 100 yards against Tipperary's fastest - but we are sadly lacking the explosive start in a race for the ball, the essential quickness over the first three or four strides. When in possession especially around midfield, we didn't seem able to move away quickly enough to allow time and space to use the ball properly. Even then we were inclined to strike the ball forward in a straight line, vertically as you might say, rather than angle it diagonally as Tipperary did. The diagonal ball into English or Cleary reaped a bountiful harvest. One clearance by Tony Browne (he didn't let us down) went straight up his own wing drawing all the play towards the right wing. A glance across to the left wing showed it empty, Flynn and Greene were in the full forward and centre forward positions distorting the shape of our attack, leaving no width to our play. Had the ball come across, the area in front of goal would have been too crowded for penetration of the Tipperary rearguard. Understandably that particular attack yielded no fruit.

We had problems under the dropping ball. Our motto should have been "one Waterford man under the dropping ball", preferably the man coming forward. Instead two contested the air ball leaving an opponent loose. When the ball broke, as it invariably does in those situations, the Tipperary man capitalised.

Their two second half goals - Aidan Ryan's and Michael Cleary's - came from exploiting that scenario. To compound the folly one or two Waterford men tried to catch the ball every time.

He wasn't allowed to do so, of course, because the Tipperary hurley (any hurley) went higher than the upstretched hand. You bet Pat Fox didn't try putting up his hand to Michael Cleary's accurately centred free. Up went his stick to flick home a great goal. The quick option again.

We had one forward who couldn't strike from his right. In his position it was imperative that he have a good right-sided stroke. He tossed up the ball and missed it completely. In that same first half he found himself on the endline. He pulled from the right and drove it well wide. That's a basic skill. Interestingly I reminded that player five years ago that he should do something about his weak right side. His response was to tell me that his right side was as strong as his left. I got the message: "shut up".

We can come back but we have much to improve on, to quicken up: our thinking, our reading of play, our decision-making, our striking on the ground (we saw very little of that) and from the hand. Unless our players are aware of their shortcomings and set about overcoming them no progress is possible. Please let us not take the easy option of blaming the management. They never have enough time to do the immense work which needs doing, not in the two-hour training session twice a week. No, our thanks to Peter, Joey and Tony for their selfless dedication to Waterford.

We must pursue the basics relentlessly. Concentrate on speeding up their performance once so that in a match situation a player can be positive and confidently move to any ball at speed, control it and use it.

Congratulations to our local man Tom Feeney of Ballyduff. He did very well, more especially given the chaos around and in front of him. Tom is a completely sincere lad who takes hurling seriously, thinks about his game, is ever trying to improve and is eager to listen to advice.

U-14 HURLING FEILE NA GAEL SEMI FINAL

Lismore 3-1 Tallow 3-0
Tallow and Lismore served up an exciting game at Cappoquin last Thursday night in the Under 14 semi-final of the Feile Na Gael. Tallow started the scoring with a goal from William Henley after five minutes then Lismore replied after ten minutes with a goal. Tallow took the lead again after 20 minutes with a goal from Paul Murray but before the break Lismore equalised

to leave the score 2 goals a piece.

Lismore started the better in the second half but some great work by Paul in goal and our defence held them at bay. Then we broke and got a great goal from Shane McCarthy and with ten minutes gone we were a goal ahead. We missed a couple of silly changes which were to cost us dearly at the end. With only 3 minutes remaining Lismore got a great goal to make the sides level. From the puck out Lismore got a free which was converted to make it 3-1 to 3-0 in favour of Lismore with time about up. Our boys had no time to respond and Pat Moore blew the final whistle.

Tallow team — Paul Kearney, Seamus Mills, Mossy McGrath, David Ahern, Michael Norris, David O'Brien, Kevin Keating, William Henley 1-0, William McDonnell (capt.), Aidan Kearney, Shane McCarthy 1-0, Edmund Reneghan, William Curley, Paul Murray 1-0, Paul Geary. Subs. — Pat Aherne for Reneghan (injured), Patrick Sheehan.

BRIDE VIEW UNITED A.F.C. NOTES

MARATHON A.G.M. FOR CLUB

One of the best ever seasons for Bride View United has finally ended. It has been a very long season for all clubs but for Bride View it was a very successful one.

Our Division One side retained the first division title while our Division Two side won The Dungarvan Tyre Centre Cup. Add to these our U-12 side who won the Luke McCarthy Shield. All of these great victories were celebrated in true Bride View fashion and on Friday night last the club held its A.G.M. in The Devonshire Arms Hotel to review the past season and draw up plans for the coming season.

Marathon Session — In the twenty three years of the club last Friday nights A.G.M. created its own bit of history in being the longest running A.G.M. since the club was founded. It ran for almost three hours and in that time everyone at the meeting had their say on where the club should now go from here.

Committee Changes — For the coming season there has been some new faces drafted in to the club and these are very welcome. It's also good to have new people on a committee as with them they bring new ideas which are welcome to any club. We will list these at the end of the notes.

Report — Club Secretary Tomas McCarthy gave a full run down on the clubs activities during what has been a very successful season for the club. Tomas also stated that Philly Curley was the clubs top scorer. Philly found the net thirty times from twenty six games.

The 'treasurers' report from Mickey Curley showed the club to be in a good financial position but added Curley we will need every penny and more before the year will end. The lotto was the clubs main money maker and he thanked everyone for the effort which was put into this during the past year especially people who were not directly involved in the club.

Schoolboy Football — Tomas McCarthy gave a full account of the schoolboy teams and congratulated the U-12 team on winning the Luke McCarthy Shield. I would appeal here added McCarthy for more people to get involved in the running of the schoolboy teams.

Both Tomas and Mickey were thanked for their reports which brought loud applause from all those present.

Election Of Officers For Coming Season — The following is the committee set up to run the club for the next season and it shows some changes from the past season: - Chairman: Mickey Curley; Vice Chairman: Seamus O'Brien; Secretary: Tomas McCarthy; Treasurer: Dave Doyle; P.R.O.: Liam Fraser. Committee — Eamonn Cusack, Maurice Hartnett, Milo Ahern, Pat McGrath, Liam Aherne, Dominic Power.

Clubs Playing Pitch — The clubs playing pitch drew a lot of debate from the floor. At the moment the club are trying to purchase their own ground. Many problems have cropped up regarding the purchase of the clubs pitch but it is hoped that most of these will be sorted out shortly. Some of the clubs members met with Waterford County Council Engineer - John Sweeney on Friday last and this helped to sort out some of the problems.

Thanks — Here the club would like to thank Willie McDonnell for his help and also to John Sweeney for his time on Friday last.

Other Business — There were many other items which were brought up at the meeting and the following are some of them and because of time some of these will be discussed at the next committee meeting, clubs teams including schoolboy teams, summer camp for schoolboys which will be held for the first two weeks in July and we will have more news on this later, trip to England for the junior teams and a trip to France for one of our schoolboy teams, players insurance, Fas Scheme, F.A.I. ten year tickets, club jumpers, sponsorship.

After what was a marathon A.G.M. new Chairman Michael Curley finally drew the meeting to a close as he felt some of the lads were getting itchy feet. Well after all it was eleven o'clock.

Lotto — Last weeks numbers 14, 10, 11. No winner. Voucher winner — Maureen McCarthy of Convent Street. Well done Maureen. Jackpot this week is £300. Draw in the Corner House, voucher is for Diamond Cutz, West Street.

Congratulations — It breaks this P.R.O.'s heart to write the following so I will be brief. Well done Blackburn and Everton but we will be back.

Congratulations — To postman Liam O'Hara and Christine Tobin (I got it right this time) who got married on Saturday last and the big crowd enjoyed every minute of it.

News To Hand — This story is true. Two ladies were enjoying the wedding but they got short taken in the bar so they went to find the loo. They found it alright "The Gents". In there they saw the biggest ones ever. Now, now girls.

Everton Win — While the P.R.O. just mentioned it briefly, it was great to see all the A.B.U. fans supporting Everton last week-end. To the true Everton fan it was a most satisfying victory. Pity I couldn't get to the Corner House on Saturday night - I'm sure they would have been delighted to see me. While I'm sure nobody knows who is writing this piece - if I can continue to get my hands on the Bride View soccer notes, I'll keep you up to date on Everton. Bet you're all looking forward to that. - Everton Spy.

REMEMBERING OTHER DAYS

Our "Remembering Other Days" feature this week takes us back again to the war years. The year was 1942 and the photograph shows some of the pupils at Dungarvan C.B.S. who were confirmed that year. The picture which was taken in the field at the front of the school shows (at back, left to right) — Tom Cunningham, John Boyle, Joe Clancy, Michael Mansfield; 3rd row — Michael O'Kelly, Paddy O'Connor, Martin Looby, Sean O'Brien, Gerard Riordan; 2nd row — _____, Michael Nagle, Paddy Kenneally, Liam Giblin, Tommy Broderick, Liam O'Brien, Michael Burke; front — Jim Drummy, Paddy Cahill, John Regan, John O'Flynn, Ray Liddane. One pupil remains unidentified so if any of our readers recognise him perhaps they would contact us with his name.

Snippets From Dungarvan UDC Meeting

NEW GRAVEYARD LAND

Trial holes have been dug to test the suitability of land to provide an extension to the existing graveyard at St. Mary's Parish Church. That's according to Co. Manager Donal Connolly who told last week's UDC meeting that an area of land was subsequently deemed suitable for the new cemetery.

Mr. Connolly is currently discussing the graveyard issue with Rev. Fr. Gregory Power. Any extension of the existing cemetery, he felt, should be natural and easily accessible.

PROBLEM OF LITTER VANDALS

Under the item 'Any Other Business' at last week's meeting Cllr. Damien Dillon informed members of a number of traders in Mary Street who are currently experiencing difficulties with the early morning refuse collection. Due to the early hour of the collection, the traders were forced to leave their bags of rubbish in the street overnight. As a result, Cllr. Dillon

said the bags were often vandalised at night and on one occasion the rubbish was even set on fire. "It's a major contributor to litter around the town", he stressed.

Speaking on the same subject of litter, Cllr. Michael O'Riordan said the Council should contact people who fail to use some kind of lining in galvanised bins. Cllr. O'Riordan made a particular reference to those who dump ashes in unlined galvanised bins. When collected by the Council refuse workers, the ashes then blew in all directions.

"It's not fair to the workmen or to passers by", he declared, "...there should be a liner or a bag in the bin".

£60 SMOKE ALARMS

Dungarvan UDC is soon to install electrical fire/smoke alarms at a cost of £60 each in the homes of senior Council tenants. The issue was raised by Cllr. Tony Wright at last week's Council meeting when he requested a report on the position regarding the installation of such alarms in the homes of senior tenants.

Co. Manager Donal Connolly said smoke alarms are generally recommended for all houses and added that the Council is committed to their installation.

ABBEYSIDE FOOTPATHS IN BAD SHAPE

Abbeyside Councillor Michael O'Riordan has urged the Council to instigate a long term plan for the maintenance and upgrading of footpaths in Abbeyside.

Speaking at last week's UDC meeting, Cllr. O'Riordan said that while attending the official opening of the newly developed Abbeyside AFC grounds recently, he had noticed many footpaths in the area which were badly worn, sunk and warped.

Likewise, Cllr. Nuala Ryan said she saw the footpaths in question almost everyday and agreed wholeheartedly that they should be repaired.

Referring to the problem of overgrown trees digging up the pavement at Murphy Place, Chairman Cllr. Billy Kyne said the problem was now going on for too long. Co. Manager Donal Con-

nolly said he would come back to the Council with a programme over the next few months and said that it will not be necessary take away the trees in Murphy Place.

STUDENT SUMMER JOBS SCHEME

Dungarvan UDC has applied to the Department of Social Welfare to be included as a sponsor under the Student Summer Jobs Scheme '95. Open to third level students, the scheme allows various local groups such as the Council to register as sponsors to carry out worthwhile projects and at the same time provide part-time work for students during the summer holiday period.

The type of work to be offered by the Council includes; survey of fire hydrants, litter control, beach cleaning and the management of public conveniences. Sixteen students are required for the local scheme and each entrant must first satisfy a means test.

Students taken on under this scheme will be super-

vised by Council staff and will be required to work a maximum of 200 hours over a 6 to 16 week period. The hourly rate of pay is £3 which is not subject to tax or PRSI and the maximum number of hours to be worked in any week is 35.

Last year the scheme was a huge success with over 2,300 sponsors offering in excess of 11,200 jobs. As 3rd level students can no longer draw the dole while on summer vacation, the scheme offers a substitute income to jobless students and last year over 9,000 people took part.

Commenting on the scheme at last week's UDC meeting, Chairman Cllr. Billy Kyne said the Council should match the students skills or area of expertise to the job on hand.

Likewise, Cllr. Tony Wright, said the management of public conveniences was not a very attractive job for students. "They shouldn't be taking the place of workers", he stressed, "...the cleaning of public toilets is a workers job".

Co. Manager Donal Connolly said the Council won't employ students to replace the work of normal employees.

The list of schools in the Waterford area which will qualify for an increased allocation with effect from the beginning of the 1995/96 school year is as follows:

BRAVE SEAMEN OF YOUGHAL

On Thursday May 25th a book on the Maritime History of the Port of Youghal will be launched at the Devonshire Arms Hotel at 8 p.m. by Mr. Colm Keane of R.T.E. Because it includes a long list of those who lost their lives at sea or in the course of their travels, it is a remembrance and memorial of those loved ones.

One hundred and twenty pages, including fifty-eight photographs, gave an in-depth record of the high risks involved and the terrible price that was paid. The book is not all maritime affairs and the later chapters deal with characters of Youghal long ago like Joe Hallissey, Johnny Walsh and Padeen Kiely. The photos are rare and show vessels like the "Kathleen and May", "Nellie Fleming", "Janadab", "Ceres", "Ascuro", "De Wadden" and "Happy Harry". The warships included are "H.M.S. Afridi", "H.M.S. Exeter", "H.M.S. Barham" as well as many lifeboat shots of the past.

This history of a seafaring community is the result of a concentrated research and analysis by the sailors, fishermen, navel personnel, R.N.L.I., Irish Lights, and maritime historians connected with the Youghal area.

"Brave Seamen of Youghal" is in a shop near you from May 26th.

From a West Waterford point of view, as well as the fishermen who were drowned from Ardsallagh and Monarea, there is a lighter piece about Clashmore Distillery. Also included is a lovely poem about Clashmore written by Mrs. Mary Ellen Norris of D'Loughtane many years ago. The fifty eight photographs include a lovely shot of the "Janadab" sailing down the Blackwater just by Ballynatray House and another shows Maurice, Pats and Tom Moylan of Caliso Bay standing outside their home in the 1930's.

VICTORY FOR CLASHMORE LADIES

On Tuesday May 16th we played the ladies football county B final in the Fraher Field, it was a historic evening for the club, as we captured our first County title. The evening was cold and overcast but spirits were high as we lined out against St. Pat's. From the start we dominated the play but failed to put a score on the board until well into the first half. After that our confidence continued to grow and we had some very good scores from Mary O'Rourke 2-1, Deirdre O'Rourke 0-1, Una Keogh 0-1, Niamh Murphy 1-0.

It was a proud moment for our trainers Jimmy O'Rourke and Conor O'Riordan when Noel Buckley presented Margaret Foley captain, on behalf of the team with the Noel Buckley Cup. Well done to St. Pat's on a fine performance but on the night they met a superior and more determined Clashmore team who fashioned a memorable victory for the club.

The victorious team were Maura Hickey, Paula Kelly, Helen O'Neill, Donna Hurton, Roisín O'Connor, Louise Halahan, Ciara Dower, Margaret Foley (capt.), Maura Lombard, Una Keogh, Caroline Barron, Deirdre Curran, Niamh Murphy, Mary Leahy and Mary O'Rourke. "EDDIE CHAMPION OF CHAMPIONSHIP"

At the Munster championships held over the weekend at the Regional College grounds in Cork local athlete Eddie Mulcahy won the 100 metres sprint and the shot putt in the veteran class. In the senior class he won the silver medal after a long and lengthy tussle with Kerryman Pat O'Connor in the 56 lbs over the bar. So good was the competition in the 56 lbs distance that only 45 cms divided the winner from Eddie Mulcahy who ended up in fourth place being beaten for the bronze by 5 cms. This was a great start to the year for Eddie.

His win in the 100m veteran class was indeed a great occasion for him as it was exactly 52 years ago since he lined out and won the same event at an open sports in Clashmore. But on last Sunday he achieved something not done before in Ireland and that was that no man had even won a Munster medal in such a strenuous event as the 56 lbs shot in a senior championship.

Asked recently by a reporter as to how he can keep going Eddie's reply was as always I don't drink or smoke. Good living and good plain food. That is the key to it.

Array Of Talent At Ballinroad Hall

The qualifying stages of the talent competition took place at the well situated Ballinroad Hall on Thursday and Friday nights of last week. A huge entry meant that the organisers had to be sharp and efficient in running off the show and this was accomplished in brilliant fashion.

Pride of place must go to the over 70's category and here Jimmy Fraher, Essie Barry and Mr. Kirby qualified.

Those to secure places in the over fifty section were Eddie Moore, Joan Power, Pam Lonergan, Kathleen Murray and Mary Fitzgerald.

In the seventeen to fifty competition their performances earned Sharon Fra-

her, Brian Mulvihill, Robbie Daly and Maura Burke a place in the finals.

The under 17 category attracted a huge entry and those to win through were Sharon Cunningham, Claire Cosgrave, Carlie Dalton, 'The Three Amigo's', Emer Tobin, 'Two of a Kind', The Four Non Blondes and Tir na NOg Ceili Band.

The committee produced a programme each night and patrons for the finals can expect the same high level of organisation as was evident on Thursday and Friday last. Please come along on Friday night next May 26 and help raise finance for the renovation of the hall. As well as that you are helping to promote local talent and Irish Culture. If you do in-

tend coming along bring a friend.

Nineteen children from Garranbane National School will be making their First Holy Communion on Saturday morning May 27th at 10.00 a.m.

Last Saturday the Irish and papal flags fluttered outside Abbeyside Church as 48 children from the local school received their First Holy Communion. Congratulations are extended to all concerned.

COUNTY JUNIOR HURLING

Congratulations to Pat Cunningham of the Abbeyside club who scored a goal for Waterford in the intercounty game versus Tipperary which was played as a curtain raiser to the Senior championship game at Pairc Ui Chaoimh on Sunday last. Damien Cliffe also of Abbeyside came on as a substitute in the second half and had to perform during the tense closing stages as Waterford secured a one point victory.

COUNTY PLAYERS

As Waterford Senior Footballers prepare to play Cork in Pairc Ui Chaoimh on Sunday next we thought it would be interesting to look back at some of the footballers from the parish who were involved with the county over the years.

In 1939 Jim Fennell (the Pike) were the No. 2 jersey and Paddy Daly (Ballinacourty) wore jersey No. 5 in the Senior Football Championship game against Cork.

In 1940 Jim Fennell wore No. 6 and Paddy Daly No. 9 in the Senior Football replay victory over Clare. Both were selected to play against Kerry in the Munster Final but Paddy Daly was unable to play.

In 1943 Sean McGrath (Ballycoe) was a sub. on the Waterford Senior Football team to play Tipperary.

In 1944 J Lindsay who worked at Haddens drapery shop and who played for Ballycoe played for Waterford in the Munster Senior Football championship game against Tipperary. Ned Foley who was a sea captain came on as a sub. and Sean McGrath was a member of the panel for that game.

During 1945 Ned Foley who played his club football for Ballycoe was a regular on the Waterford Senior Football team throughout the National League. (more next week).

Abbeyside Scouts Notes

TROOP MEETING

This week's meeting started at 7 p.m. with subs being collected by Brendan and uniform inspection being done by S.P.L. Paddy O'Dea. While subs were being collected the patrols were revising backwoods cooking from the Scouting Trail for next week's meeting which will involve tin foil and other objects that the P.L.' should have told their patrols about by now but if not each scout should get in contact with his P.L. or the P.L. should contact their patrol to tell them what they need.

The patrols sent their Quartermasters up to the stage and the rest of the troop went out to the field and were given sites on which to pitch the tents they were given.

In all five tents were pitched — 4 ridges and the army tent which is in need of repair. The idea of this was to see how our tents are and how many pegs are needed. There are still a few ridges to be checked out, also the store tents have to be pitched.

By the way, if anyone has a spare house tent lying around in the garage at home which is not in use, maybe they could see their way to give it on loan to the scouts.

The pitching of the tents went well, even if one of the tents was not at full stretch. This was soon fixed by the new troop tent expert P.L. John Phelan (well done John). All the tents looked well when pitched but a person who is handy with a needle and gut will be required to fix the army tent. Everything will be sorted out "we hope".

Court of honour was held and the De Burca team was discussed. We hope to have more information for next week's notes as there is a leaders meeting on Wednesday night in Mount Melleray. Next week's meeting is mufti. All scouts to wear their neckerchiefs.

A game was played to finish off the meeting, prayers were said and the troop fell-out.

All scouts are reminded that next week's meeting is mufti and to bring the stuff for the meeting which will start at the usual time of 7 p.m. See you all then.

All scouts are reminded to pencil the June weekend in the Glen into their

diary. The dates are June 9, 10, 11.

CUB NEWS

This past weekend saw the Annual Mother and Cub Weekend which was held in Mount Melleray. This year's programme was different to other years in that on Saturday we went to Ferryhouse for a swim and other games. This went down very well. The rest of the weekend went as planned with Line Dancing being done and Greg Ash putting Garth Brooks to shame. Music for the night was provided by Brian "Muller" Mulvihill.

Sunday morning was spent in the Glen with backwoods cooking and a campfire. Mass was said at 1 o'clock by Regional Chaplain Fr. P. Ahearne. A short speech was given by A.R.C. for Cubs Willie Gallagher after Mass. Then it was time for dinner and after that it was time for home. The weekend catering crew were from Cobh and the food was top quality. Thanks lads for the good food.

GLENSHELANE NEWS

Last weekend we had a visit from the Deise Mother and Cub Group staying at Melleray. They arrived on Sunday morning to cook their sausages and do their singing in the rain act. Fran was very impressed with the strength of the milk being provided for the tea! Fires were lit very quickly despite the rain — did John or Brendan rub two sticks together to get them started?

This week John Ennis and the 32nd Cork (Youghal) Scouts arrive on Friday. It is hoped they will lend a hand in the river to make the journey of the salmon up stream more trouble free later in the year.

Finally a small Spanish Chestnut tree which we had been nurturing since last summer did a disappointing act recently — we hope who ever took it can get half the enjoyment we did out of seeing it grow.

— Scribes.

Abbeyside Shore Angling Club Notes

We held our sixth competition of the season on Sunday May 21st last at Ballinacourty. A total of 18 anglers took part from clubs representing - Abbeyside, Ardmore, Waterford Glass and Rhinnashark. The presence of a large amount of weed made it very difficult for anglers on the day, as a result fish returns were small, and only 9 Dogfish were returned to the weigh in.

Results were as follows: - Senior — 1st, Jim O'Brien; 2nd, Ger Mansfield; 3rd, Bernard O'Grady; 4th, Danny Ross.

Ladys — 1st, Bernadette Kirwan; 2nd, Marion Maher.

Juvenile — 1st, Pat Meagher; 2nd, Paul Veale.

A special thanks to Baumanns (Fishing Tackle Department) for kindly sponsoring this competition.

Our next competition is on Saturday June 24th. This is our midnight competition, the venue is Clonea and fishing time is from 10 p.m. to 1 a.m. Check in and weigh in will be at Clonea Hotel car park.

Our next club meeting will be on this Thursday 25th May.

ACKNOWLEDGMENTS

MICHAEL FITZGERALD

Ballylemon, Cappagh
The wife, family and sister of the late Michael Fitzgerald wish to thank most sincerely all those who sympathised with them in their recent bereavement; those who attended the removal of remains, Requiem Mass and burial; those who sent Mass cards, letters of sympathy and floral tributes, and those who telephoned or called personally, especially our neighbours, relatives and friends who helped in so many ways. Our thanks to Fr. John Treacy and all the priests who attended at concelebrated Mass; to the Choir, Anna Barrett chapel woman, altar boys and Tom Drohan Undertaker. We wish also to thank Dr. Maurice O'Sullivan and Dr. Isabel Brennock for their care, attention and kindness to Michael during the last number of years; also the doctors and nurses of the Bon Secours and University hospitals, Cork.

As it would be impossible to thank everyone individually, we hope that this acknowledgment will be accepted by all as a token of our sincere gratitude. In appreciation the holy sacrifice of the Mass has been offered for the intentions of all.

COMMUNION DAY 1995 IN TALLOW

Saturday 20th, May was a special day in the parish of Tallow, thirteen girls and ten boys received their First Holy Communion in the Church of the Immaculate Conception at 11 a.m. Mass. It was a joyous occasion and all the Communicants decked in their finery were a joy to behold.

From early morning the Sacristan Mrs. Kitty McCarthy was in the Church ensuring that all was in readiness for the big day. The flowers, beautifully arranged by the altar society, enhanced the splendour of the sanctuary and surrounds. Mr. Niall O'Riordan did a wonderful job as choir master and organist on the day. Very Rev. Fr. Michael Farrell P.P. welcomed all present and said how very privileged parents were to be able to bring their young children to receive Our Blessed Lord for the very first time.

The First Communicants played their part to perfection. They rendered the readings beautifully and all the gifts carried by them to the altar in the Offertory Procession were carried most carefully. Parents were given a lighted candle by Fr. Farrell, symbolic of the light of their own faith which is entrusted to them to hand on to their precious children.

The First Communicants were: Sheila and Padraig Ahern (twins), Eileen Beecher, Fiona Beecher, Siobhan Curley, Claire Coughlan, Joanne Fitzgerald, Sarah Geary, Jenny Henley, Karen Keating, Paula O'Brien, Hazel O'Donovan, Kate O'Keefe, Laura Ryan, Eoin Condon, Kevin Henley, Luke McCarthy, Shane O'Grady, Damien Prescod, Stephen Power, Wayne Pratt, Christopher Prendergast, Martin Rohan. May the precious gift of the Blessed Eucharist be a source of consolation and joy to these young children all of their lives.

KILWATERMOY ROAD

A road at Tircullen, Kilwatemoy, two miles from Tallow town was a subject of discussion at a recent meeting of Waterford County Council.

Cllr. William McDonnell told members and officials that he had received numerous complaints of a dangerous drain at the top of Ballinaha Hill which was the cause of three accidents over the winter months. Having inspected the road he said the drain was 4ft deep, 300 yards long, and on a narrow turn at the top of a steep hill. In the interests of people living in the area, and drivers who constantly use this road from Knockanore asked that it be filled with stone or piped. Mr. John O'Flynn, Co. Engineer said he accepted what had been stated, and would instruct the Council Staff to pipe the stretch of drain that has been torn away with the torrential rain last year. The work will be done this summer.

Local Teenager In "Brutal And Savage" Sex Assault

A 17 year local girl was the victim of what has been described by Gardai as "a brutal and savage attack" on Tuesday week last when she was held at knifepoint and sexually assaulted in the toilets of a local hotel.

The second level schoolgirl was on lunch break at around 1.30 p.m. when she entered the ladies' toilets in the Ormonde Hotel at O'Connell Street.

She was followed by a man in his early thirties who was armed with a knife. Brandishing the weapon in her face, the assailant removed her underclothes, cutting her clothes. When he tried to have sex with her however,

she fought him off and he fled the hotel. In the struggle, the man sustained a knife cut to the face. The teenager was badly shaken and traumatised after the attack, but did not sustain physical injuries.

DETAILED DESCRIPTION

Chief Superintendent Ray McAndrew who is leading the investigations, said they had a fairly detailed description of the assailant.

He is described as being in his early thirties, of medium height and stocky build, with short, scraggy, black hair. He was wearing a suede jacket which had a number of zips, and black

jeans.

Gardai also believe that the man will now be bearing a scar on his face from the knife cut although the extent of the injury is unknown.

It is feared that the man could repeat the attack and Gardai have appealed to the public to assist them in their inquiries.

They are especially anxious to hear from anyone who may have been in the vicinity of the Ormonde Hotel and O'Connell St. between 1 and 2 p.m. on the date in question. Anyone with any information can contact the Dungarvan Gardai on 058-42370.

BALLYDUFF COMMUNITY COUNCIL NOTES

This year we are entering the village into the Tidy Towns Competition. As we have a lovely village just along side the beautiful Blackwater it would be nice to brighten up the place and give the place a little tidy up. On this Saturday night and Sunday after the Masses we are having a little collection in aid of buying some shrubs and flowers for tubs etc. Or if anyone wishes they could sponsor a tub. Any donation will be appreciated. On next Monday night at 9 p.m. we are distributing the tubs around the village. Anyone wishing to help out could come along to this gathering. The tidy up of the village is for the benefit of every member of the community because after all we do have to pass through it a number of times in a week.

St. Declan's Community College Notes

MUNSTER COLLEGES U-16 FOOTBALL FINAL St. Declan's College 3-8 Spanish Point 4-5

St. Declan's Community college staged a dramatic comeback to gain a thrilling draw in a wonderful Munster Final played at Tipperary Town on Friday last.

St. Declan's led with two pointed frees from Paudi Pender after five minutes. However, the Clare men hit a purple patch and struck three excellent goals in a ten minute spell as the St. Declan's defence fell into disarray. In the ten minutes before half time, St. Declan's surged forward relentlessly and a great goal from Mark O'Leary, together with excellent points from Trevor Curran and Derek Gahan, Mark O'Leary, Brian O'Leary and Paudi Pender brought the scores level at half-time.

Half time score: St. Declan's 1-7 Spanish Point 3-1. In the second half, Spanish Point aided by the strong breeze edged two points ahead but were pegged back by a Trevor Curran goal. Spanish Point goaled again and now led by four points.

With five minutes remaining, a tremendous run by Mark O'Leary saw the centre-forward upended in the square. Derek Gahan scored the resultant penalty. Then, with time running out, Fergus Torpey drove over the equalising point from forty yards to the delight of the St. Declan's supporters.

The replay takes place on Thurs. in Tipperary at 2 p.m. St. Declan's — N. Barry, I. Kelly, G. Walsh, J. Curran, P. Kiely, M. Ahern, P. Mulhearn, D. Gahan (1-1), C. Kiely, F. Torpey (0-1), M. O'Leary (1-1), G. Power, P. Pender (0-3), B. O'Leary (0-1), T. Curran (1-1). Subs. — N. Sullivan and T. Costelloe.

ATHLETICS

On Thursday, 18th May the Boys East Munster Track and Field Championships took place. St. Declan's had four students competing and each of them did very well.

Our youngest representative, David Power, competed in the minor shot. David threw almost 9 metres, his best to date and finished a credible 6th from a big entry.

At Intermediate level, Brian Swaby won his first East Munster Schools title with an impressive display in the 800m. Soon after, he showed great determination to finish second in the 1500m.

At senior level, we had two students competing - Walter Galvin and Trevor Walsh. Walter had a fine run to come third in the 400m. It's good to see him back competing again after a long layoff through injury. Trevor ran in the 5000m and did very well to finish third, showing a return to form that impressed so many during the Cross Country season.

Dan Dineen For Boston Marathon

Marathon runner, Dan Dineen of Clonea-Power is currently raising funds for Cerebral Palsy Ireland the Waterford Branch.

The well known local was chosen by CPI to undertake the Boston Centenary Marathon on April 15th, 1996. First, however, Dan must raise £2,500 for CPI, £1,500 before September 30th next and the balance by June 31st by '96.

Fairly confident of reaching his goal, Dan will be holding raffles, discos and all types of fundraising events in the near future. He's also thinking of organising a concert at a later stage. Cerebral Palsy shows itself in the abnormal way a person moves and holds

themselves because there was some damage to the developing brain before, during and after birth. The love and care that is given by parents is supplemented by the therapy, education and

training given by CPI in conjunction with Health Board professionals, the National Rehabilitation Board and the European Social Fund.

To ensure programmes can continue requires a constant inflow of funds from both the private and public sector and for this reason Dan is appealing for public support in his endeavours to raise £2,500 for this worthy cause. Donations to CPI can be made at any branch of Allied Irish Bank, Account No. 93-40-70 0800 70 77 or why not buy a raffle ticket when Dan calls to your door. Your support will be gratefully appreciated. Watch out for Dan in next year's Boston Marathon.

DUNGARVAN GOLF CLUB NOTES

"JIMMY BRUEN" COMES TO DUNGARVAN

Not quite! Mr Bruen passed away some time ago but the tournament is coming to Knocknagrath as Dungarvan Golf Club stages the 1995 East Munster Region qualifying sounds of the Jimmy Bruen Shield on Saturday, May 27th and Sunday, May 28th.

Jimmy Bruen, born in Belfast and brought up in Cork, was a dominant figure in Irish amateur golfing circles between 1938 and 1951 and was reputed to be the longest hitter of his time. He was the first Irish player to win in 1936 at age 15, the Boys' Amateur Open Championship at Royal Birkdale. In 1938, he led the Walker Cup Team to a shock triumph, the first ever, for Britain/Ireland over the U.S.

In 1978 the Central Council of the G.U.I. inaugurated in his honour the J. Bruen Tournament, a foursome matchplay competition for golfers with handicaps from 6-11. Munster Champions in 1991, Dungarvan will be aiming to repeat or even surpass past performances. Keep your heads down lads.

The quest for the shield begins on Saturday with Dungarvan teeing off against Tipperary at 9 a.m. followed by subsequent matches at 40 min. intervals. Visitors are most welcome to follow the matches and avail of the clubhouse facilities.

Members please note that the course is closed all day on Sunday and until 1 p.m. on Saturday when a Mens' 18 Hole Stableford Competition will start.

Mr. Walsh said he was delighted to see so many clubs and teams participating. He also remarked on the advanced layout of the course and on the warm welcome he and other visitors had received in the clubhouse. Mr. Walsh confirmed Waterford Foods continued sponsorship of the competition.

TOM HEALY SHIELD

Great shooting by Co. Waterford schoolboys resulted in a nailbiter at Knocknagrath last Wednesday as the Tramore C.B.S. A team pipped St. Augustine's A by one point to win the Tom Healy Shield. An unforgiving course fell victim to youth and its lack of inhibitions, as a 75 gross was carded by Jerry Foley, playing on the winning team and 76 gross by both Peter Mullaney and Tom Norris, St. Augustine's

WEST WATERFORD GOLF CLUB NOTES

Cahir Park To The Fore

On Thursday evening last the eagerly awaited clash between West Waterford and Cahir Park in the area final of the Purcell Shield took place.

The standard of the golf matched that of the exquisitely prepared course.

It soon became evidently clear that this was a tough assignment for the home team who were up in two matches and down in three at the turn, but as one observer said "it all depends who performs best on the River Dance" and try as they could, West Wa-

terford could not peg back the Cahir "Cats" as they waltzed to an emphatic victory.

Congratulations to the Cahir team who fully deserved their win and a place in the Munster semi-final in Monkstown Golf Club in two weeks time, also not forgetting the West Waterford side who played their hearts out and will be back next year.

West Waterford take on Cahir again next Saturday in the Bruen Shield at Dungarvan Golf Club.

Cunnigar Pitch And Putt Notes

Great Finish To Nugent's Super Valu Tournament

On Sunday what a super finish we had to the Nugents Super Valu 36 Hole Tournament. On a breezy day we had some very fine scores returned by a big turnout of players. At the end of the day the result was in doubt right down to the final hole. We would like to take this opportunity to thank Mr. Jim Nugent for the wonderful sponsorship for this tournament. On behalf of the Cunnigar Club we wish him every success for the future.

RESULTS AND SCORES

In the nett the partnership of Philip Duggan and Heather Wright won this with a fine score of 23+. Philip and Heather proved that on the day they are the partnership for the big occasion and we wish Philip and Heather the best of luck for the rest of the season.

In the gross the partnership of Percy Walsh and Alfred Ebanks came up trumps with a score of 7 gross. Percy who is playing wonderful stuff at the moment got the right partner in Alf who is in tremendous form. Jose Maria Olazabal To Play In The Murphy's Irish Open Golf Championship

Jose Maria Olazabal has confirmed that he will join his compatriot Seve Ballesteros from July 6 - 9, 1995 to play in the Murphy's Irish Open at Mount Juliet.

This partnership won the Tournoi Perrier de Paris European a fortnight ago and Ballesteros went on to win the Spanish Open at Madrid last weekend.

The Murphy's Irish Stout sponsored Irish Open Golf Championship has a record prize fund of IR£650,000,00 and a first prize of IR£108,300.

Jose Maria Olazabal won

the Irish Open at Portmarnock in 1990 and was runner up at Mount Juliet in 1993 following a memorable play off with Nick Faldo. The talented Spaniard now seeks a first Murphy's Irish Open title at Mount Juliet in July, from a field which includes defending champion Bernhard Langer, 'The Great White Shark', Greg Norman and U.S. star, Craig Stadler.

The 29 year old Olazabal born in Fuennterrabia, Northern Spain was the exciting winner of the U.S. Masters at Augusta in 1994 a year in which he also won the

Mediterranean Open and prestigious Volvo P.G.A. Championship. Since turning professional in 1985 Jose Maria Olazabal has won in excess of STG£3 million on the European Tour alone.

Apart from the three times Irish Open winner Seve Ballesteros, other leading Spaniards who have entered this year's Murphy's Irish Open are Angel Miguel Jimenez and Jose Rivero, a member of the European Ryder Cup team in 1985 and 1987 and former winner of the French, Monte Carlo and Catalanian Opens.

1ST DIV. SHERIDAN CUP FINAL

Double Delight As Dungarvan Lift Cup

DUNGARVAN UNITED 4 JOHNVILLE 2

Dungarvan United's first team brought the curtain down on a memorable '94/'95 season at Ozier Park last Tuesday evening with a superb 4-2 victory over Johnville in the Sheridan Cup final to complete the league and cup double. On a cold and wet evening the Blues turned in a scintillating display of fast attacking football and gave their supporters plenty to cheer about.

It certainly is happy times down Kilrush Park way as only five days previously we captured the 4th Div. Dooley Cup when defeating local rivals Abbeyside and the buzz and excitement in the club right now is at an all time high and this was evident at our very successful social last Friday night with plenty of silverware on show.

It is no secret that this side gave top priority to win the league championship at the start of the season and take a step nearer our climb back to the Premier Div. This was achieved in style some weeks back, but last week's cup win put the icing on the cake for Tommy Wall and his totally dedicated panel of players.

THE PLAY

Dungarvan went into this final as raging hot favourites having won the league title, while Johnville had struggled all season in Div. 1'A'. But you never beat the city side easily in a final and they put up a stiff resistance especially in the first half. It was Johnville who made the early running for the first 15 mins. But for all their possession they never really threatened the Blues goal. Dungarvan settled and it was obvious early on that the pace of Micheal Downey and John "Snail" Power was going to cause the Johnville rear-guard lots of problems. This pair combined in the 25th minute when Downey split the defence and put

Power clear and he knocked the ball over the advancing keeper to put the Blues one up.

At the other end Kealan O'Neill had to be alert to save a free-kick which rebounded off his chest and he did well to save at the second attempt. At this stage both sides lost a player when Gerry O'Connor and Whelan were sent off for what seemed an innocuous situation. Gerry had been playing well in mid-field spraying the ball around quite well. This seemed to unnerve the Blues and they were almost made to pay for some sloppy defending before the interval. But at half time they still had that one goal advantage.

SECOND HALF HAT-TRICK

The Blues commenced the second half determined to increase their lead and they had not long to wait. Micheal Downey showed a clean pair of heels to the Johnville defence and shot from outside the area to the corner of the net in the 58th min. Johnville were not going to give in easily and four minutes later were back in the hunt when substitute D. Sheridan chipped the advancing O'Neill for a well taken goal.

Johnville fought hard for an equaliser and were now playing with three men up front. However, they could find no way past a resolute Dungarvan defence with Tommy Sheehan, Willie

Coward, Pat Tutty, Chris Gough and keeper Kealon O'Neill on top of their game.

The game as a contest was ended in the 74th and 75th minutes when Micheal Downey scored two goals within a minute. First he broke down the left and left two defenders in his wake and fired home an unstoppable shot. From the kick-off John Power passed to Downey "Mr. 24 Hour Man" and with a sharp turn and shot in the area, shot goal number four from close range.

The Blues seemed to take their foot off the pedal at this stage and allowed Johnville dominate for the

Veteran Pat Tutty who had a superb game for the Blues in the sweeper position

remaining minutes. The city side, to be fair to them, never gave up and were rewarded in the 89th minute with a well taken goal.

PRESENTATION

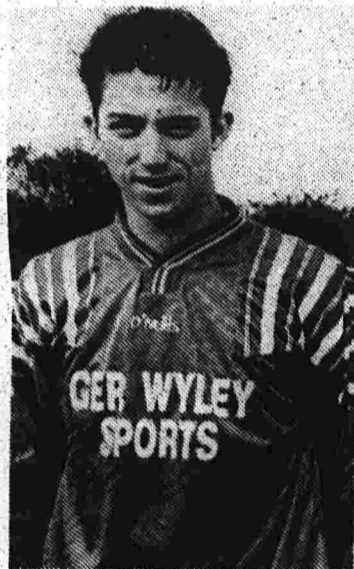

Afterwards Jimmy Searson from the Junior League and Kevin Sheridan from the sponsors (Danny Sheridan Trophies) presented the beautiful cup and medals to captain Willie Coward amid jubilant scenes.

MAN OF THE MATCH

Kevin Sheridan also presented man of the match trophy to hat-trick hero Micheal Downey which was very much deserved.

U-18 FITZGERALD CUP

Super Second Half Sees Dungarvan Reach Final

DUNGARVAN 2 SOUTHEND 0

Dungarvan qualified for the Youth Cup Final by virtue of this deserved victory over a fancied Southend at Ozier Park last Thursday. However such a victory was difficult to envisage in the first 35 minutes as Southend dominated the game and the Blues defence were put under considerable pressure. The turning point of the game came in the 39th minute when Mark Crotty beat the offside trap and his goal-bound effort was finished to the net by Owen Simms. Unfortunately Crotty had to be stretchered off at this stage with what transpired to be a broken ankle.

Substitute Mark Coles had a magnificent game and following some fine work by Owen Simms he was taken down in the area after 50 mins. Mark Hyslop duly dispatched the resultant penalty to put the Blues 2-0 ahead. Dungarvan's second half performance was probably the best football they have produced this season as the midfield quartet of M Coles, M Hyslop, J Kyne and C Walsh outplayed their counterparts while up front L. Simms and O Simms

were full of running. When Southend did get forward they came up against a very well organised Dungarvan defence in which J Cooney, A Landers, C Fitzgerald and J P Donnelly were all stars. Goalkeeper J Sheehan's handling was excellent and he produced a magnificent full length save in the 73rd minute which effectively killed off Southend's chances.

Victory means that Dungarvan will have the chance to make up for last season's Youth Cup Final defeat against Johnville. This year Bohemians will provide the opposition and it will take a repeat of the second half performance if the Fitzgerald Cup is to spend the Summer in Kilrush Park.

The final takes place on Sunday at 3.00 in Ozier Park.

DUNGARVAN: Johnny Sheehan, James Cooney, Aidan Landers (capt.), Conor Fitzgerald, J. P. Donnelly, Mark Crotty, Mark Hyslop, John Kyne, Colin Walsh, Leroy Simms, Owen Simms. Res: Mark Coles for Mark Crotty (inj) (39 mins.).

BLUES WIN THE DOUBLE

Our 1st Division side completed the
league and cup double at Ozier Park,
Waterford, on Tuesday evening last with
a comprehensive 4-2 victory over city
side Johnville. Feature of the match was
a superbly taken hat-trick by Micheál
Downey and a well taken first goal by
John Power. It was a wonderful end of
season for the Blues to lift the Sheridan
Cup to add to the league title won last
month. Congratulations to Tom Wall and
all his players on a wonderful season and
we look forward to them competing in the
Division 1A League next season. (See
full match report elsewhere in this issue).

YOUTHS IN FITZGERALD CUP FINAL

Our youths team defied all the odds on
Thursday last when they defeated
Southend 2-0 in the semi final of the
Fitzgerald Cup at Ozier Park. Southend
are top of the league and had defeated
the Blues twice in the league this season.
However, Dungarvan showed all their
cup fighting traditions to run out deserv-
ing winners. Owen Simms in the 39th
min. after a brave tackle by Mark Crotty
and a penalty by Mark Hyslop in the 58th
min. were the goalscorers.

They now meet Bohs in the final on
Sunday next 28th May in Ozier Park at
3.00 p.m. and if they show the same
commitment and will to win then they can
win this cup. We wish them well and Dun-
garvan have a good record in cup finals
in Ozier Park this season. A coach will
leave the club house at 1.30 p.m. and all
support would be appreciated.

SPEEDY RECOVERY

Best wishes for a speedy recovery to
youth and U-17 player Mark Crotty who
fractured his ankle in the semi final of the
cup v Southend last Thursday.

U-17's BOW OUT

Our U-17 side bowed out of the cup at
the quarter final stage at Kilrush on Sun-
day morning last on a 2-1 scoreline.
Without Mark Crotty, they lost John Paul
Donnelly early in the game and their
cause was not helped when Adrian Kir-
wan was also injured. They trailed 2-0 at
the interval but fought back well in the
second half but pulled a goal back too
late to give themselves a chance of an

equaliser.

DIVISION 2 WIN

Our 2nd Division side ended the sea-
son with a 2-0 victory over Kilmacthomas
on Wednesday evening last. Player of
the Year Alan Sheehan scored both
goals to leave Tom Duggan's side run-
ners-up in the league championship.

tion in Athlone last weekend when they
went down 1-0 to the eventual winners
Brenford League, Dublin at semi final
stage. Hard luck to our three representa-
tives on the panel - Martin McGovern,
Vincent O'Sullivan and Killian Lyons who
all enjoyed the weekend. Thanks to Liam
for transporting the lads up and down to
Waterford since last September for train-
ing.

RED HOUSE LEAGUE

It's Been A Long Season

Without doubt the past
season has been the longest
one yet for the Red House
League Committee. The
leagues were going well and
were on target up to Christ-
mas but then disaster struck.
The weather went from bad
to worse and a huge back-
log of games soon built up.
This backlog continued
right up to March when the
weather picked up and in
came the long evenings.

It's a credit to the league
committee and the clubs
that the leagues and cup all
finished, even if it meant
some clubs playing up to
three games a week.

Exciting End

Both the first and second
divisions proved to be very
close and exciting. In fact

the 1st division went down
to the final game of the
league. Last season's hold-
ers Bride View Utd. and
Valley Rangers were level
on points going into this
final league game.

Bride View Utd. managed
to retain their league title
when they defeated Rangers
before a big crowd in Tal-
low.

Division Two

There was another tremen-
dous finish to Div. Two be-
tween Pinewood Rangers
from Ballymacarbry and
Ardmore. At the end
Pinewood Rangers were
crowned champions and
Ardmore were runners-up.
Both sides will perform in
Div. One next season.

Tony Bolger Cup

This cup competition
kicked off the season and it

was won this season by Bal-
lyduff. They defeated Bride
View in the final.

Dungarvan Tyre Centre Cup

Bride View Utd. B won
the cup after defeating
Conna side Valley Rangers
in a penalty shoot out after
the sides finished level at 2-
2 after extra time.

Thanks

As these are the final
notes for this season, I
would like to take this op-
portunity of thanking the
editor and staff of this paper
for giving the league such
marvellous coverage during
the past season. To all com-
mittees, players, referees
and supporters — enjoy the
break!

RICE CUP U-14 COLLEGES HURLING

Dungarvan Finish Strongly To Snatch Victory

DUNGARVAN C.B.S. 4-5 YOUGHAL C.B.S. 2-4

Dungarvan C.B.S. advanced to the quarter final of the Rice Cup U-14 hurling competition with a hard earned victory over Youghal C.B.S. at Abbeyside recently. Playing with a strong wind Dungarvan raced into a 10 points lead in the first 20 minutes scoring 2-4 without reply from Youghal. With Vincent Lynch and Seamus Cunningham sending many long clearances out of the defence, Dungarvan looked completely in control in the early stages of the game. Up front James Cooney and Stephen Keane, in particular, were causing many problems for the Youghal defence. However, coming up to half time Youghal C.B.S. fought back with two goals from 20 metre frees by Wayne Hennessey. The half time score was Dungarvan C.B.S. 2-4 and Youghal C.B.S. 2-0.

In the second half playing against the strong wind the Dungarvan defense performed heroically. Youghal C.B.S. managed only one point from play in the whole game. Dungarvan goalkeeper, Warren Duggan, made a marvellous full length diving save in the 48th minute to prevent Youghal going into the lead. By the 50th minute Youghal trailed by 2-4 to 2-5 and it looked as if they were about to overhaul Dungarvan. Then two minutes later Martin O'Brien struck for a goal for Dungarvan and the Youghal challenge crumbled. Three minutes later, substitute Declan Hickey finished the ball to the Youghal net for another

goal and Dungarvan C.B.S. had reached the Rice Cup quarter final for a third successive year. In their last three Rice Cup games Dungarvan have beaten Lismore C.B.S. 3-5 to 1-4, Midleton C.B.S. 6-7 to 3-10 and Youghal C.B.S. 4-5 to 2-4 and will now meet Limerick C.B.S. in the quarter final.

Scorers: Dungarvan C.B.S. James Cooney 1-4, Stephen Keane 1-0, Martin O'Brien 1-0, Declan Hickey 1-0, Mark Shanahan 0-1 (Free), Youghal C.B.S. Wayne Hennessey 2-3.

garvan C.B.S. led by 1-4 to 0-3 at half time with the goal coming from Diarmuid Keating in the 20th minute. The C.B.S. were unlucky not to be further ahead at half time, especially when a goal bound shot by Paul Landy bounced down on the line off the cross bar.

Best for Dungarvan C.B.S. were goalkeeper, Jason O'Mahony, Paul Condon, Alan Harney and Michael Carlton were outstanding in defence, John Paul Keohane impressed very much at midfield, while Donie Kelleher, Paul Landy, John Coffey and Diarmuid Keating were the best of the forwards.

DUNGARVAN G.A.A. NOTES

UNDER-14 HURLING

We gained revenge over our arch rivals Lismore in the under-14 hurling championship last week when we ran out winners on the scoreline 3-6 to 3-0. The week previous Lismore had defeated us in the Feile competition and if this game is anything to go by there is no reason why we should not be there or thereabouts again this year.

JUNIOR FOOTBALL

We had a comprehensive win over Affane in the junior football championship last Friday night when we ran out winners on the scoreline of 3-14 to 2-6.

JUNIOR HURLING

Our next outing in this championship is against Ballyduff. This game will be played at Tallow on Saturday, May 27 at 7.30 p.m.

SENIOR FOOTBALL

This certainly was a lack lustre game played last Saturday night in ideal conditions for football. We now have it all to do if we are to remain in contention for the knockout stages. It looked at times as if it was all Tramore on the field with nobody in sight from the Blues. We had the chance to pull ahead when we went two points clear in the second half but then Tramore came back at us and we had no answer. Certainly the better team won on the night.

DRAW

The very best of luck to all our supporters in the Deise Development Draw this weekend.

GAELTACHT SCHOLARSHIPS

Application forms for the Gaeltacht Scholarships are now available and may be obtained from the secretary. Please note you have to be a member of the club to qualify.

LOTTO

The weekly lotto numbers drawn on Monday were 18, 23, 22. No winner. £400 next week.

GOOD LUCK

We wish the very best of luck to all our members who are presently doing exams, and also to all who will shortly be sitting for the Junior Cert and Leaving Cert.

SYMPATHY

On behalf of the club we extend sincere sympathy to the family of the late Michael Salmon of Grange, who died recently. Michael was a regular at our weekly bingo sessions and was a quiet unassuming person. Ar dheis De go raibh a anam.

FRIARY WINS U-14 COUNTY TITLE

ST. AUGUSTINE'S 3-11 C.B.S., TRAMORE 0-3

St. Augustine's, Dungarvan completed a fine victory over a fancied C.B.S., Tramore side which contained a number of players from the club side which won the county title. Neither side knew what to expect but the Friary were that more committed and stronger over the hour. Playing against the wind in the first half the first 15 minutes was very even, until John Mark O'Leary scored the Friary's first goal, getting a loose ball in front and crashing it high into the roof of the net. A number of points were exchanged and overall the first half was even as both sides were playing skillful, committed football.

With the wind behind them in the second half, the results was always going to be determined in the first quarter of the second half. Whatever side would make an impression in this half would go a long way towards winning. The Friary sensing this started this half very well and took some very nice scores, picking off 3 points and then a smashing goal from centre-half

forward Martin Lavin proved decisive. Others to impress for the Friary were the entire backline especially Brian Horsom, Liam Fennell, Tony Power and Ciaran Shields, a measure of their ability being the fact that the Tramore forwards were kept scoreless in the 2nd half. Friary forwards were quick and elusive and took their scores well, Andrew Donnelly scoring 1-1 on his introduction. Others to play well were J. M. O'Leary, Richie Hennessey, Shane Coughlan, and Gary Lyons.

Scorers were — J. M. O'Leary (1-4), Shane Coughlan (0-1), Martin Lavin (1-0), Shane Coughlan (0-1), Andrew Donnelly (1-1), Richie Hennessey (0-1), Tony Power (0-1), Seamus Burns (0-2), Gary Lyons (0-1).

Team — Kevin Foley, Brian Horsom, William Collins, Ciaran Shields, Michael Scanlon, Tony Power, Liam Fennell, Shane Coughlan, Gary Lyons, Richie Hennessey, Martin Lavin, Seamus Burns, J. M. O'Leary, Declan Prendergast, Joe Harty. Subs. Andrew Donnelly, William Donnelly.

ARDMORE G.A.A. CLUB NOTES

INTERMEDIATE FOOTBALL Clashmore 0-15 Ardmore 1-6

Even though a margin of six points separated these two neighbouring teams at the end of what was a fine sporting game played at Abbeyside on Saturday evening last, it was a much closer affair than this score would suggest.

The very young and mainly inexperienced Ardmore team played some very intelligent football and showed great promise for the future. We had good displays on the night from Seamus Keevers, Maurice Hennessy, Pat Walsh, Johnny Hennessy, Seamus Veale

and Nicky Keating. Our scorers were Keith Morrel 0-3, Eoin Flavin 1-0, Kevin Flavin 0-1, Johnny Hennessy 0-1 and Pat Hallahan 0-1.

Lineout — Declan Hennessy, Seamus Keevers, Eamonn Power, Maurice Hennessy, Keith Morrel, John Hallahan, Nicky Keating, Johnny Hennessy, Pat Walsh, Kevin Flavin, Seamus Veale, Kevin Lenane, Eoin Flavin, Michael Veale and Pat Hallahan. Sub. — Tony Keane.

UNDER-14 HURLING CHAMPIONSHIP
Ardmore 4-9
Stradbally 0-1
At Stradbally on Monday evening last we recorded

our second victory in this championship by a very clear cut win over a gallant and sporting home team.

It's very true that we must work long and hard if we are to figure in the knockout stages of this championship. Keep practicing your skills and sure if an odd window should come in the way — it's all for the good of the game.

Our scorers were Eoin Foley 2-1, Wayne Hennessy 0-7, David Reilly 1-1 and Vincent McCarthy 1-0.

Team — Declan O'Donnell, Billy Harty, Liam Power, Conor O'Connor, Ristead Power, Declan Prendergast, Philip Beausang, Jason Lenane, Richie

Hennessy, Niall Hennessy, Wayne Hennessy, Niall O'Brien, Eoin Foley, David Reilly, Vincent McCarthy.

We introduced three subs in this game and all three played really well making the selectors job more difficult which is a good thing. Our three were Mary O'Donnell, William Keane and Oisín Langan.

IN HIGHER PLACES

NAOMH BRID G.A.A. CLUB NOTES

BRAVE PERFORMANCE FROM UNDER-14'S

We played Colligan in the first round of the under-14 hurling championship last week in Bohadon. It was a game in which the scoreline did us no justice. It was a low scoring first half but it was very exciting and competitive. We had most of the play in the first half but failed to turn it into scores. The brilliant Paul Gleeson pulled off some outstanding saves to keep the score at 1-0 to no score at half time.

Colligan took their scores well in the second half and ran out comfortable winners, but in fairness to our lads, they deserved to be a lot closer to their opponents when the final whistle blew.

Best for Naomh Brid were Paul Gleeson, John Ahearne, Sean Dempsey and Walter O'Grady.

Colm Geary got a nasty leg injury but hopefully we will see him in action again soon.

Team — Paul Gleeson, Jimmy Buckley, John Ahearne, Paul McCarthy, Colm Geary, Aidan Dalton, Denis Coffey, Sean Dempsey, Walter O'Grady, Patrick Coffey (0-1), Adrian Lonergan, John Myles, Mike Tobin, Maurice Keane, Paudie McCarthy. Subs. — Colin Gleeson, Mike Kiely, David O'Donovan.

The final score was Naomh Brid 0-1 Colligan 4-5.

MAN OF THE MATCH
Paul Gleeson — This was Paul's first championship game in goal and he proved to be an outstanding success. In the first half Paul made a save that inter county keeper Ray Barry would be proud of. Paul is still

under twelve and with plenty of training he will improve with every game.

HELMETS

Great credit must be given to both sets of selectors for making sure that each one of the thirty players on the field wore a helmet. It is a good to see that most underage clubs will not leave a player, play without a helmet.

UNDER-14 HURLING CHALLENGE

We played Abbeyside in a challenge match on Wednesday evening last. Despite missing some regulars we performed very well and in the second half especially we showed some great heart. Best for Naomh Brid were Paul Gleeson, Paul McCarthy, John Ahearne, Colm Gleeson, Mike Kiely. The final score was Abbeyside 5-3, Naomh Brid 3-4.

Team — P. Gleeson, M. Tobin, A. Lonergan, P. McCarthy, J. Myles, A. Dalton, D. Coffey, S. Dempsey (0-1), M. Keane (1-0), J. Buckley, J. Ahearne (2-2), C. Gleeson, M. Kiely, P. Coffey, M. Whelan. Sub. — G. Lyons (0-1).

MAN OF THE MATCH

Paul McCarthy — This was Paul's best match this year without doubt. His lengthy puck out was a big asset to the team. He coped brilliantly when moved to full back and hopefully he can produce this kind of performance in the championship.

GET WELL SOON

Hopefully we will see David O'Donovan back in action again soon after a short stay in hospital. All the under-12's are hoping he will be well enough to play when the championship begins.

Rockett The Star As St. Augustine's Dominate

THIS WEEK'S FIXTURES

Thursday 25th - Ballycotton five miles Summer series in Ballyandreen at 8 p.m.

Saturday 27th - Munster Schools Track and Field Championships. Fermoy five miles road race at 7.45 p.m.

NIKE/BALLYCOTTON SUMMER ROAD RACE SERIES '95

On the evening of Thursday, May 25th next, the little East Cork village of Ballyandreen, two miles from Ballycotton, will be the venue for the first event in the Nike/Ballycotton Summer Road Race Series for 1995.

Now in its fifteenth year, the four race series is regarded as an integral part of the southern running scene. Each of the 5 mile races take place on the fourth Thursday of May, June, July and August. After Ballyandreen, the remaining events will be Shanagarary (June 22nd), Churchtown South (July 27th) and Ballycotton (August 24th).

As usual, this year again there is a comprehensive list of prizes in each race, including spots. The overall awards will be based on the cumulative time over the four races, and the first fifty men and first fifteen women overall will receive a T-shirt. In addition, each runner completing the four events qualify for the special souvenir plaque, which are much sought after and highly prized.

The entry fee for the first three races is £2.00 per race, with the final race at £2.50, of which 50p goes to charity. This year's series is again sponsored by NIKE who also sponsor the Ballycotton '10'.

Last year the Ballyandreen '5' had a total of 238 finishers, including a few runners from overseas. The winner, in a course record of 24.00, was Liam O'Brien and amazingly, Liam has won this race each and every year since the inaugural event in 1981. This must surely be the longest winning streak in any one race in the country. The first woman last year was Mary Sheehan in 29.05. Although the course is not an easy one, a total of 85 runners finished under the half hour.

The Ballyandreen '5' starts at 8.00 p.m. with entries taken on the night from 6.00 p.m. The venue will be signposted from Ballycotton and runners are asked to arrive as early as possible, as parking and changing facilities are limited.

SANDFORD - ROYLE COMPARISON

Congratulations to the RACE LEADER'S favourite team, Everton on winning the F.A. Cup last Saturday after a gap of eleven years. A true victory for the underdogs of sport. The Joe Royle managed team experienced a season similar in many respects to the Dungarvan A.F.C. Division Four, Liam Sandford led Dooley Cup winners of two weeks ago. Both men tasted success on the playing fields in the past with their clubs and both turned seemingly hopeless positions for their team into a most successful season. However the evergreen Sandford went one better than his English contemporary by playing in his team's victory and scoring a vital penalty for good measure. Well done 'Liamy' who has given us a guarantee that, if he is reappointed, his full squad will be a starter in next year's Kiely Monumental Colligan Cup.

DUNGARVAN ATHLETIC CLUB

MARVELLOUS MAY FOR DUNGARVAN JUVENILES

In addition to the various schools meetings, the month of May has been a very successful time for the Juvenile athletes of Dungarvan Athletic Club with a large number of outstanding performances over the two days of the Waterford B.L.O.E Track and Field Championships.

Though the club readily acknowledges the absence of a 'medal mentality' it is fitting to record the achievements of our young members who socially and competitively enjoyed this year's championships which were held over the past two Sunday's at St. Augustine's College, Abbeyside. Clonea Ladies Bowling News

Last Tuesday morning saw some of the ladies missing, but as they were away enjoying themselves on a day trip all the other ladies were trying to get high scores in order to maintain a lead. Last weeks leader Joan Moloney didn't bowl to the high standard that she has been bowling over the past few weeks and let Breda Bannon come level on a score of 331. Joan holds onto top spot as she bowled a higher last shot. Libby Walsh lies in 2nd position, 25 pins behind the two ladies on a score of 306. A further 16 pins behind Libby is Sally Walsh on a score of 290, while Ivy Ahern is another 30 pins behind Sally. Carol McAndrew sits in 5th position on a score of 249 with Mary O'Neill 3 pins behind in 6th position. The weeks high score of 113 came from Margaret Hogan. This was Margaret's first score in this months competition, so if she turns up for the next 2 weeks she might well be in with a shout. With 2 weeks left to go it is still all to play for. The top 10 placings after week 3 are as follows:- 1. Joan Moloney 331, 2. Breda Bannon 331, 3. Libby Walsh 306, 4. Sally Walsh 290, 5. Ivy Ahern 260, 6. Carol McAndrew 249, 7. Mary O'Neill 246, 8. Francis O'Brien 214, 9. Margaret English 208, 10. Mary Walsh 183.

Dungarvan Sea Angling Club

No doubt you have seen the calender of events for the forthcoming season. The first thing you might take note of is the date of the first event 28th May, this outing is for two competitions. The Interfirms teams of four and an individual event sponsored by Casey T.V. and Video. Baumann's Jewellers, as usual are sponsors for the former.

This year we have two new sponsors, Don Mulcahy and Sons, Spar, and Dungarvan Nissan both of whom are welcome to our ranks of sponsors.

The matter of the maritime art is still being discussed between the I.F.S.A. and the Department of the Marine, but all competitions for this year will be fished under the

same regulations as heretofore. There are minor changes to our own scoring system so you are advised to check the score board before you commence fishing so that you don't get any surprises when you start totting your score at the end of the day.

The mackerel have made appearances from three weeks ago and I gather they were plentiful in Ardmore bay even in around the head. Having said that if you have bait in the freezer bring it with you. Fishing generally I believe is good with conger, ling, wrasse etc. Cormac Walsh has a specimen Cuckoo wrasse already this year so maybe this argues well for the season. Good luck and good fishing.

O'BRIEN FAMILY WIN MUNSTER TITLES

For so long the pioneers of field events in the Dungarvan area, Frank and Ailish O'Brien, Mapstown, once again hit the headlines at the Munster Track and Field Championships in Cork last Sunday. Representing West Waterford A.C., between them they brought three titles back to Dungarvan on a day that saw K.C.K.'s Jason Flynn win his first Munster Senior shot putt and Lismore's Patricia Cahill winning the Senior Ladies triple jump competition.

He completed his double when hurling the discus 43.9 metres with the up and coming Jason Flynn second on 37 metres event. Young Flynn went

FEILE NA NGAEL FINAL

The County Final of the Feile na nGael will take place on next Wednesday 31st May at the Roanmore, Cleaboy grounds at 7.00 p.m. sharp. The Feile competition, played in both Western and Eastern division with the divisional winners meeting in the county decider, has developed into a hugely successful competition with the prize for the winner being the honour of representing Portlairge at the National Feile Finals. Coupled with that honour is the very welcome exposure to top class opposition at the National finals held over a weekend. The exposure of course focuses the minds of players and team mentors on the high standard needed to compete at this level. This in turn encourages players, mentors, clubs to set high standards themselves.

This years final will be played out between Mount Sion and the winners of the Western final between Abbeyside and Lismore. Which ever one of these come through we are certain to have a cracker of a county final.

As usual we expect to have huge support at the final. The Feile finals have a little history of their own, built up over years of rivalry between top class opponents from West and East. Next Wednesday evening will be no exception. Be there for the Feile '95 Final.

FEILE SKILLS COUNTY FINAL

The final of the Feile na nGael Skills competition will be held at the Roanmore venue immediately after the game. The skills tests were run off within each division over recent weeks to culminate in a final in each division. Out of these finals have come three from each division to compete in the county final. The standard in each divisional final was particularly high this year so it looks like a top class final is in store. The outright winner will represent Portlairge in the National Feile Finals.

LONG PUCK CHAMPION

The final of the Poc Fada was held in Dungarvan last week. After a good quality competition young Evan Keane of Roanmore was winner and he now goes forward to represent Portlairge in the Munster Final to be held in conjunction with a selected Munster Championship game.

UNDER-14'S

Last Thursday night we played St. Olivers in the knockout stages of the championship. St. Olivers led at the interval by 1-0. At the start of the second half we failed to convert our scoreable chances and this was the difference between the two teams on the night. St. Olivers in the end ran out easy winners.

All our girls played well on the night, especially Edel Harney, Caroline O'Mahoney, Mary Foley and goalkeeper Laura Brett, who was outstanding.

Team — Laura Brett, Edel Harney, Caroline O'Mahoney, Jennifer Tutty, Vicky Sheehan, Tara Egan, Nicola O'Keefe, Aisling Dee, Laura Terry, Mary Foley, Jennifer Tobin, Muireann Veale, Aoife Conroy, Sinead Whelan, Tara Lambdon. Sub. — Emma Gordon for Tara Lambdon.

Training continues every Saturday at 2.30. Thanks to Jackie Murphy for refereeing the game.

WATERFORD G.A.A. SUPPORTERS CLUB

WATERFORD v. TIPPERARY (SENIOR)

All our dreams were shattered and buried at Pairc Ui Chaoimh on Sunday last when we met a Tipperary team fired up for the occasion and gave us a lesson in hurling that we will not forget for a long long time. Our forwards and centre field were wiped out, our back line performed well for a long time until in the end they had to give in under fierce pressure. I am not going to criticise the players or selectors they have suffered enough. They have done us proud all during the league — so thanks lads it's now back to basics. Everyone concerned have a serious think and do what is best for Waterford hurling.

WATERFORD v. TIPPERARY (JUNIOR)

Many congratulations to Greg Fives, his selectors and a very good junior team who gave a never say die performance to beat Tipperary by one point one Sunday last. It was great to see Shane Ahearn who played senior for a number of years and also Pat Bennett who stuck over the winning points.

MEMBERSHIP

We will carry on as usual so please keep the membership coming in. Our latest member is Jack Laffan. We will continue to support teams. All team selectors note all requests for help must be in writing to our secretary.

COMMITTEE MEETING

Will all committee members please note — meeting at Clonea Strand Hotel on Thursday, June 1 at 8.30 p.m.

WESTERN BORD NA NOG NEWS

Feile Na nGael Semi Finals Produce Exciting Fare

The Feile semi finals played out at Cappoquin on Friday night last turned out to be most entertaining with both games going right down to the wire.

The Lismore v. Tallow contest was a hugely exciting encounter. There were some superb passages of crafty hurling with young David O'Brien of Tallow being particularly impressive in the centre back role. This young lad looked very well, coached in the skills of the game and he made splendid use of his natural flair. Lismore's Peter Howard also impressed and he too gave a commanding performance in the number six position. With just one minute remaining Tallow held a one goal lead, 3-0 to 2-0. Lismore, pressing to save the game, crashed a great equalising goal and following a short puck-out from the Tallow goal Lismore gained possession to snatch a late winner.

Final score — Lismore 3-1 Tallow 3-0.

Referee — Pat Moore.

The second semi final brought Abbeyside and Fourmilewater into combat. Abbeyside had a fine player in young Martin Lavan. Martin was strong and forceful on the ball and his presence was all important to Abbeyside. Fourmilewater's Rory Rice showed all the benefits from his involvement in the Tony Forristal squad last year and his massive clearances and puck-outs were a feature of this very entertaining game. At the end of normal time

the teams were level at 1-2 each and it was a Seamus Burns point that proved to be the winner in the second period of extra time.

Final score — Abbeyside 1-3 Fourmilewater 1-2.

Referee — Bernard Dooley.

The final of Feile na nGael West will be played at Cappoquin on this Thursday at 12 noon between Abbeyside and Lismore. The winners will be presented with the recently presented and most impressive Tomas Scanlon Memorial Cup.

FEILE SKILLS COMPETITION

The final of the Feile skills competition took place at Cappoquin on Saturday morning last. There were nine competitors on view and the all round standard was very high. The nine were Denis Coffey (Naomh Brid), Declan O'Donnell (Ardmore), Seamo Burns (Abbeyside), Shane Ormonde (Cappoquin), Maurice Casey (Stradbally), Pdraig Tobin (Shamrocks), Pat Veale (Dungarvan), Paul Murray (Tallow) and Peter Howard (Lismore).

The three to go forward to the county final are 1st Paul Murray (Tallow) with 42 points. Joint 2nd and 3rd Seamo Burns (Abbeyside) and Declan O'Donnell (Ardmore) with 38 points each.

Bord Secretary, Eddie O'Shea, was the competition secretary and Pat Moore, P.R.O., was competition judge. John Murray, Tallow, was our scorekeeper

and John Heneghan, Lismore, was competition orderly.

UNDER-14 FOOTBALLERS PREPARE

The West Waterford Under-14 footballers held a trial session at Cappoquin on Saturday morning last in preparation for the John O'Regan East v. West game to be played on this Friday night at Kill. There will be a final run out on Wednesday night at Dungarvan.

GOLDEN GOAL

Club secretaries are reminded to have monies for the golden goal returned to Eddie O'Shea this weekend.

FOR THE YOUNG PLAYER

Our final piece in our helpful hints for the young player this week focuses on the full forward positions. Many of the players who fill these positions receive a lot of media attention mainly because of the scoring feats of the top class players. Our own Paul Flynn, Sean Daly, Billy O'Sullivan in hurling and Pepe Ferncombe, Eoin O'Brien and Jimmy Maher in football spring to mind immediately. On the inter county scene the Dooley brothers in hurling and Mickey Lynden, Colm O'Rourke and Joe Brolly in football spring to mind.

Points to remember are:

- 1 Contest every ball in your area.
- 2 Keep the ball from going wide.
- 3 Develop a scoring mentality.
- 4 Be prepared to shoot from the most unusual situations.
- 5 Challenge the goalie or back when they have the ball.
- 6 Learn to be where good forwards should be — where the ball is when close to goal.
- 7 Develop your flicking, quick hand-pass of the ball.
- 8 Always take a quick look at the posts before shooting for score.
- 9 Keep your eye on the back when striking or kicking.
- 10 Learn to read the game — develop a positional sense.
- 11 Have patience to be ready to take the scoring chance when it comes.
- 12 Practice the range of skills of the game.

COUNTY BOARD MEETING

P J Ryan, county chairman presided. This was the first meeting of the Board since the appointment of the new sub-committees and here we had a slight indication that as time moves on, the style of County Board meetings will change. Much of the work normally conducted by the open Board, will be attended to by the various committees and their decisions will be presented to Board meetings for approval. It will help to speed up meetings. Not that any delegate could complain about last week's meeting where a big agenda was got through in just two hours. The chairman had promised this at the outset. The main business of the meeting was about finance, championships and reports from referees and committees.

FINANCE

Treasurer James Walsh gave an update about the financial situation of the Board and detailed income from gates and national league since the previous meeting. He said the overdraft was going down gradually but it was too gradual for his liking because expenses, mostly in relation to county teams in training, were continuing at a high rate. He made particular reference to the abnormal cost of physio treatment. He said he was glad to be in a position to issue cheques to clubs who were due money and this would be done at the end of the meeting.

The county chairman spoke about the efforts that have been made over the past couple of months and which would continue for as long as was necessary to turn our financial position around. He told delegates that from now on we would cut our cloth according to our measure and some of the decisions that would have to be taken in relation to cost cutting, might prove painful, but they have got to be done and they will be done. He said he would be disappointed if he did not get the full backing of the County Board for this policy. Referring to the championships as our biggest revenue earning activity, he said that all the county finals will be played in late September or early October when the weather was fine and patrons can come in large numbers to enjoy the finals in comfort. He expected that the revenue from county finals this year, will be greater than ever, because we will play them earlier. No one, he said, should be in any doubt about the way in which the championships will be programmed in order to ensure that we will be ready for the finals on time. Only in the case of a death of a close relative will an application for a postponement be entertained. He said the G.A.C. were leaving the last week in July and the first week in August free for holidays, but this was intended to mean only one Sunday with matches.

On the matter of fund raising P J spoke about the

sponsorship of both the intercounty hurling and football championships by Tedcastle Oils and Lawlor's Hotel and which were due to be launched downstairs immediately following this meeting. He also spoke about the Golf Classic that was being organised and which will be run on the weekend of June 21st. He said that it would cost £250 to enter a team and he expected that every club in the county would enter. Meals, etc, will be supplied and Waterford Crystal were offering generous prizes for the successful teams. He hoped that the profit from this venture would yield about £20,000 to the County Board. Like the treasurer, the county chairman expressed his serious concern about the whole matter of physiotherapy and said it was being examined by Coisde Gnotha.

WALSH PARK

John Brady, chairman of the Park committee reported that work was on schedule, if not ahead of schedule and all going well, it will be ready for the official opening in a couple of months. He thanked the County Board for their co-operation all through the development programme.

FRAHER FIELD

Nioclás MacCraith, secretary reported that an estimate had now been received for the proposed work on the area known as the Show Ground which had been approved by Coisde Gnotha. This area will be used as a training ground for county teams when the main field is not available. Also it was proposed to lay a running track around the perimeter for the benefit of players in training, etc. This was included in the estimate. This work would proceed as soon as money became available.

MUNSTER COUNCIL REPORT

Jimmy O'Gorman reported on Munster Council affairs and gave information about recent suspensions imposed on Waterford players. He gave details of admission prices for our provincial championship games. He said the top admission price

for our two football games against Cork at Pairc Ui Chaoimh next Sunday will be £6, £4, £3.

He informed the meeting about the recent appointment of his colleague, Tommy Hennessey to the position of chairman of the Munster Development Committee and said it was a great honour for Tommy and for the county.

CENTRAL COUNCIL REPORT

Details of the Guinness Sponsorship were given and the meeting was told that the share out of the sponsorship cash would be decided upon within the next few weeks. It was also reported that the basic share out per county from the Bank of Ireland football sponsorship will be £6,000 per county as it was last year. S O'Brien expressed his disappointment that a majority of counties (17 as against 14) had voted against a proposition to increase the basic payment to £7,000. The G.A.A. Logo, the Thurles affair, congress 1996 in London and national league charges 1995/96 were also reported on.

COMPLAINT RE. COLLEGES MATCH

Maurice Geary, Ballyduff referred to a matter that came before the County Board towards the end of last year in connection with a Colleges game between Lismore C.B.S. and De La Salle. At the time it was reported to the Board that damage amounting to approximately £46 was done to the dressing rooms at Fraher Field. He said that subsequent to this a report was sent to the secretary of the Munster Colleges claiming damages amounting to £275. He stated that between the particular match and the submission of the bill to the Munster Colleges, about ten weeks had elapsed and many more games had been played in the field in the meantime. Also the Ballyduff delegate stated that both colleges considered it very poor form that the matter had not been discussed with them, rather than dealing direct with the Council as after all they were two Waterford Colleges. Maurice Geary said that both the Colleges involved wanted to know why or how the original figure had increased by several hundred per cent.

The county chairman said it was not a matter on which he could adjudicate without having the minutes/docu-

ments relating to the matter, but promised to have the matter examined and a report available for the next meeting of the Board.

COUNTY DIRECTORY

County P.R.O. Brendan Tobin informed the meeting that the publication of the new county directory was held because seven or eight clubs had failed to respond to a request for information. He said his committee were prepared to wait for a further four or five days and if details had not been submitted by then, they would proceed without those clubs. He said it was hoped to launch the directory at the June meeting of the Board in three week's time.

DISCIPLINARY COMMITTEE

Submissions by the 1994 County Disciplinary Committee relating to reports of two championships played at venues here in the West, were before the meeting. As a result of their deliberations two players were suspended, fines were imposed and warnings issued.

The first report referred to the county junior hurling final and here their recommendation that Dathai O Briain, Geraldines, be suspended for twelve months, was accepted. As a result of an incident in the Clashmore versus Dunhill/Fenor under 21 'B' football county final, both clubs were fined £50 and warned about their future conduct and L. O'Rourke was suspended for 2 months. Also in this report from the Disciplinary Committee, reference was made to the conduct of a County Board official who was to some extent responsible for some of the crowd being in on the sideline at the game. The problem on the day was in some way related to the presence of so many unauthorised people on the sideline. Tommy Hennessey, Munster Council said that the report should not be accepted until the County Board officer was named as until such time as he was identified, all members of the Officer Board would be under suspicion. Noel Fleming, Clashmore said the matter should be disposed of as there was little point in dragging it out. Finally it was agreed to accept the recommendation, but the Disciplinary Committee were to further investigate and have the County Board Officer named at the next meeting.

REFEREES' REPORTS

Since the recent appointment of the County G.A.C., referees' reports are dealt with, by that body and their findings reported in the circulated minutes to all delegates who will have the right to vote for or against their adoption.

The Mount Sion v. Lismore senior hurling game in which Tony Browne and Sean Daly were sent off was dealt with by the committee and suspensions of two weeks in each case was decided on. When this came before the County Board meeting, Dungarvan delegate Michael Lyons was loud and clear in his criticism of the leniency which pertained in this case and said that anyone who saw the affair would have to agree that the minimum suspension should not apply. He also intimated that an effort to have the report mitigated might have been made.

The County Board Chairman said that he certainly had made no contact with the referee since the particular match and he was not aware that any other officer had approached him either. He said the report had stated that the sending off was for rough play and the appropriate suspension strictly in accordance with general rule had been imposed. James Tobin, Shamrocks, strongly objected to the inference that the referee, who is from the Shamrock's Club, had been dishonest in wording the report and Phil Fanning, Mount Sion, also took umbrage at the criticism made. Michael Lyons said he was standing over what he had said and he referred to the inconsistency between Boards and Councils in dealing with reports.

In the report from G.A.C. relating to the St. Mollerans v. Shamrocks game which was abandoned, fines totalling £600 were imposed and both clubs were cautioned. Each was fined £100 in accordance with rule for failure to submit lists of players for the game and £200 for the incident which led to the abandonment. The Molleran's chairman apologised for the incident, but proposed that the fines be reduced as they were very severe. James Tobin, Shamrocks, also apologised to the Board and to the referee, whom he praised for his handling of the game and he supported the Molleran's chairman in seeking a mitigation of the fines. Referring to the publicity given to the particular match and the

abandonment, he said he had been instructed by his club to thank and compliment the "Dungarvan Leader" for their fair and unbiased report of the whole affair. He thanked the G.A.C. for a fair hearing and for the decision to refix the match, which was the correct one. The County Board Chairman said that a proposition to reduce the fines, would not be entertained but a moratorium would be granted in relation to the payment of the fines. This was agreed.

The Chairman reported on the Munster Council meeting and the suspensions imposed on two under 21 football players who were sent off in the game against Tipperary. He said that in future, any witnesses attending such Council meetings in support of an alleged offender, would have to be vetted by County Board officers, before attending.

BRO. DORMER TROPHY

Junior Hurlers Snatch Late Victory In Exciting Tie

WATERFORD 1-11 TIPPERARY 1-10

One of the amazing features of this very closely contested first round junior hurling tie was that at no stage over the 60 minutes was there more than a single score between the teams at any stage.

It was a rather dull first half with all the excitement being kept until late in the second half when Waterford began to wear down the opposition and get on terms. Overall it was a very good display by this Waterford team who were being con-

sidered outsiders by the punters in the pre-match previews.

As a team they functioned very well and took some good scores and hit Tipperary for the vital scores at the opportune time.

What looked like a disas-

trous goal came in the second minute when a Declan Corcoran shot was touched by Anthony Waters to the Waterford net for a gift goal. We had to wait for 6 minutes before opening our account with a Pat Bennett pointed free which was followed a minute later by a great Kevin Walsh point.

In the 17th minute we were level when Pat Bennett pointed his second free. Corcoran put Tipperary in front with a point and John Ryan and Ger McGuire put them three points up before Bennett and Waters exchanged points to leave the score at 1-4 to 0-4 at half time.

Noel Kelly and Shane Ahearne had early second half points to narrow the gap before John Ryan and Shane Ahearne exchanged points by the 10th minute. Liam Cody was taken off the Waterford team with an injury and replaced by Damien Cliffe.

From here on it remained tit for tat until the 24th minute when several Waterford players combined in a move that set up Pat Cun-

ningham for the goal which brought the teams level. John Ryan put Tipperary ahead and Bennett's 28th minute point brought us level again. Then, with time running out and a replay looking certain, a free was awarded to Waterford and the unerring Bennett shot over the winner to the delight of the big Waterford following.

Waterford will now play Limerick in the Munster semi-final in two weeks time.

Scorers — Waterford — P. Bennet 0-7, P. Cunningham 1-0, S. Ahearne 0-2, K. Walsh 0-1, A. Kelly 0-1; Tipperary — A. Waters 1-1, J. Ryan 0-3, J. McGuire 0-3, C. Arrigan 0-2, D. Corcoran 0-1.

SPONSORSHIP LAUNCH

All adult clubs in the county were represented at the special function to officially launch the sponsorship of the county hurling and football teams as well as the golf classic 1995 at Lawlors Hotel on Monday night of last week.

Representatives of the sponsoring bodies were present when County Board Chairman P. J. Ryan opened the proceedings by welcoming everyone to the function.

He thanked Tedcastle Oils for once again sponsoring the county hurling teams. He said the firm had come in as sponsors last year and this year had generously decided to increase their sponsorship by 50%.

Teddy McCarthy on behalf of Tedcastles, said the company were delighted to sponsor Waterford hurlers and were thankful for having been given such good value due to Waterford's success on the playing fields, etc. On behalf of the company, he wished all Waterford teams well in the coming championships.

In announcing that Lawlors Hotel would sponsor all our county football teams this year, the County

Chairman spoke about Michael Burke's long association with football and the contribution he had made to football in this county. He said that Michael and Mrs. Mary Burke had been very generous in the matter of sponsorship to the county over a good number of years and their recent decision to sponsor all the football teams was welcomed. Michael Burke in reply said that the family were delighted to be associated with Waterford football and would continue to do everything possible for the promotion of the game in the county.

The special committee set up to organise the golf classic in aid of County Board funds were present and on their behalf, Justin Spratt gave details of the Waterford Glass sponsored competition and urged every club in the county to give their full support. P. J. Ryan, thanked all the sponsors and said that sponsorship should be a two-way business and that in all cases the beneficiaries should give their full support in return to the people who gave the sponsorship.

RESULTS

NIRE 1-9

KILMACTHOMAS 1-4

This had a dull opening half with the sides separated by an 0-4 to 0-2 scoreline at half time. The Nire were in the lead.

An early second half goal by Micheal Downey brought Kilmacthomas bang into the game, but another by Jackie Hogan for the Nire kept the champions safely ahead.

Scorers — Nire: J. Hogan 1-1, B. Power, M. Guiry, B. Kearney 0-2 each, S. Cuddy and K. Mulcahy 0-1 each. Kilmacthomas — M. Downey 1-1, B. Whelan, J. Joy and A. Rockett 0-1 each.

Referee — B. Power, Mount Sion.

TRAMORE 0-13

DUNGARVAN 1-6

This certainly was one of the big shocks of the weekend. The teams were level at 0-3 each at half time and Dungarvan went into a 2 point lead and seemed to be taking over in the second half when Tramore hit back with the ten points that earned them their deserved win.

Scorers — Tramore — A. Spillane and A. McDonald 0-3 each, N. Bohane, S. Martin and B. Arrigan 0-2 each, P. Dunphy 0-1. Dungarvan — P. Ferncombe 1-5, M. Ferncombe 0-1.

Referee — F. Whelan, Kilmacthomas.

RATHGORMACK 0-7

KILROSSANTY 0-5

This low scoring, closely contested senior football third round tie went down to the wire before a big crowd at Fraher Field on Saturday evening and in the end Rathgormack, who now have full points from all games, just about deserved their win. Too many squandered chances cost Kilrossanty a share of the points and there was a stage in the match, when it seemed that the Comeragh team were going to cause an upset. The teams were level at 0-3 each at half way and it was 0-5 apiece after 45 minutes. In the final exciting quarter, points by Dan Crotty and Vinny Murray sealed it for the Eastern team.

Scorers: Rathgormack — M. Power 0-3, J. Murray, V. Murray, T. Dee, D. Crotty 0-1 each. Kilrossanty — J. Maher 0-2, P. White, N. Connors and R. Power 0-1 each.

Rathgormack — P. Faha, D. Crotty, D. Power, D. Hassett, D. McCarthy, V. Murray, D. Crotty, J. Murray, A. Power, S. Power, M. Power, P. Crotty, T. Dee, K. O'Hara, T. Whelan.

Kilrossanty — A. Kirwan, P. Hayes, M. Fitzgerald, T. Prendergast, B. Kirwan, M. Kiely, B. Whelan, W. Power, P. White, B. Flynn, J. Maher, G. Walsh, R. Power, N. Connors, N. Kirwan.

Referee — D. Glavin, Ballinameela.

OTHER RESULTS

Dunhill recorded their first outright win of the championship when surprising Affane in their third round tie. Affane, who won their first round and failed by a single point in their second, were expecting to win here and the result will be a disappointment.

Saviours continued on their winning way when beating Butlerstown by a single point even though the losers scored three good goals, they could manage only a single point.

INTERMEDIATE FOOTBALL

Faha had a deserved six points win over Geraldines while Clashmore who were badly caught in their first round, had a six points victory over Ardmore.

Ballinameela emerged narrow winners by 2 points in their exciting clash with Brickey's.

In junior football, Ballinacourty made a bit of history when they managed a win with their 'B' junior football team when beating Ballinwillin.

G.A.A. NOTES

NEXT WEEKEND

Senior & Junior Footballers Take on Cork At Pairc Ui Chaoimh

Senior/Intermediate Club Hurling Championships Resume

Waterford senior and junior footballers make the journey to Cork on Sunday for first round championship matches and even though there is no evidence that the gap in standards which has been there for a very long time, has narrowed to any appreciable degree and there is no hope of returning victorious from the city on the Lee, a good number of our hard core football supporters will travel on Sunday to lend encouragement.

Throughout the national football league, Waterford played some good games and were unluckily beaten in some. Always there seemed to be a problem about players not being available for one reason or another and this ongoing problem which has affected us for years is not helping the game in the county. The attitude of clubs in this regards must be made to change, if we are ever going to make progress. Our most recent outing was in the McGrath Cup and while here again we were well below full strength, we almost caught the raging hot favourites, Clare on their home ground. Clare subsequently annihilated Tipperary in the home final of that competition.

At the time of penning these notes, the team to do duty had not been selected and in the circumstances, it is only a matter of speculation about who will be included in the line out. There may be some of the under 21 squad who lost to Kerry in the Munster final.

Surprise will be expressed if we do not see the majority of the team which lost to Clare three weeks ago, on the line out.

Tom Brennan, the regular keeper will likely be in goal, with Kieran Cullinane of the under 21 team on standby.

The defence will likely include, Don Mahon, Michael Fitzgerald, M. Byrne, M. Kiely, Liam Dalton and Darrell Donnelly while at midfield we could see Vinny Murray and Michael Fenton. In attack Dermot Callaghan, P.P. Ferncombe, David Burke, Fintan O'Brien, Martin Power, etc. are among the names to be considered. It will be a new experience for the majority of our players to play in Pairc Ui Chaoimh and as far as I know, most of them will be lining out against the rebel county men for their first time.

The prediction is that for the second Sunday in succession, Waterford will suf-

fer a defeat at senior level in the city by the Lee.

JUNIOR GAME

The members of the junior panel have been preparing quietly and have played a few challenge games in preparation for this tie, which is the curtain raiser to the senior match.

Cork are a grade above Waterford in all grades of football and there is no point in fooling ourselves that we have an outside chance of winning this, when really we don't. The selected players will do their utmost to represent the county in the best possible manner and we will feel proud of them for doing just that.

My efforts to get a panel of players have failed so we must await the announcement of the team before knowing who will represent us.

Hopefully, both the teams will be selected in good time for publication. Patrons travelling in support of the teams are not likely to experience the awful traffic problems which pertained in Cork last Sunday. People parked near the stadium, had to wait until around 7 p.m. before starting on the homeward journey.

SENIOR HURLING

The G.A.C. has decided to press ahead with as many hurling games as possible over the weekend and all matches not affected by the Munster championships in Cork will go ahead in round 3 of both senior and intermediate.

LISMORE V ROANMORE

Of the six games likely to be played in the senior championship, this one must be given pride of place as it is likely to be the most competitive game on the list. Also it looks like being a death or glory assignment for Lismore who are pointless after their first two matches. Defeat here would leave them with a very serious problem on their hands as the chances of getting back into contention having suffered three successive defeats, are not great.

So far Lismore have played well, but not well enough in their two first round matches against the two top teams in the championship, Mount Sion and Ballygunner. Scoring a total of seven goals and twenty points against these two teams is quite an achievement, but just the same you don't get points for losing.

The game between Lismore and Roanmore last year was a good contest and while I thought Roanmore a little unlucky, Lismore deserved the points after their 2-12 to 0-11 victory. This year, Roanmore are reported to have improved and those who saw them unluckily go down to De La Salle by a single point after a thrilling first round game (1-13 to 1-12) would agree that they have improved. In their second match they defeated Clonea by eight points, again showing very good form.

If the western team can maintain the scoring average of their first two games they may return to winning form. It is very important that they do.

PORTLAW V TALLOW

Both these clubs seem to be cruising along nicely to the knock out stages and on present form can be fancied to be involved towards the end of the championship I don't believe that they clashed last year, but I can recall seeing them serve up an exciting game at Dungarvan two years ago when Tallow having scored 3-9 emerged winners by three points. Portlaw, on the occasion had 0-15 on the scoreboard. I was impressed by the manner in which Portlaw came back to win against Fourmilewater three weeks ago. I fancy them here.

BALLYGUNNER V DE LA SALLE

Both have full points so far and this may be the one to separate them on the league table. Ballygunner with victories over Lismore and Passage have survived two tough games and must be fancied to take the points in this attractive tie at Tramore.

I.H.C. ST. MARY'S V BALLYDURN

This will be the curtain raiser at Fraher Field on Saturday evening and it will be quite a contest, if both sides

play to their best form.

Ballydurn led by Peter Queally and Michael Hubbard and co. slipped up against Kill in the first round and will try to compensate their supporters in this one. St. Mary's could only manage 4 points in their drawn game with Cappoquin and will need to get back to winning form here, if they are to do as well as they did last year. I have a slight fancy for Ballydurn.

S.H.C. STRADBALLY V FOURMILEWATER

Fourmilewater will be favourites and will need to win this one if they are to have any chance of being concerned at the finish.

Already they have been involved in two draws and have a couple of points to their credit. Two more will keep them in touch.

Stradbally, who scored 1-6 in each of their two matches to date are doing as well as they would like and are not likely to do any better here.

ERIN'S OWN V BALLYDUFF

This very attractive tie is scheduled for Fraher field on Sunday evening and is timed for 7.30 p.m. in order to allow football supporters time to get home from Cork. These teams have never before clashed, as far as I am aware and therefore it is difficult to make any kind of prediction, but the experience of Ballyduff may decide the issue against the 1994 intermediate county champions who picked up four points rather easily against Stradbally and Saviours in the first rounds.

TUESDAY GAMES

Three senior hurling championship games are listed for next Tuesday evening. This is because of the crowded weekend programme of games and the fact that quite a number of players will be involved with the county football teams in Pairc Ui Chaoimh.

MOUNT SION V CLONEA

I don't see anything here to upset the onward march of the county champions, who are playing great hurling at the moment. Clonea had a good first round win over Dunhill, but went under by 8 points to Roanmore. Clonea look to be out of their class here and I expect Mount Sion to bring their total of points to six.

DUNGARVAN V ST. SAVIOURS

Neither side has a point after two matches, but St. Saviours seem to have performed much better than Dungarvan who have a total

of only six scores from two matches so far. The team which loses this one will find it almost impossible to get back into contention. Saviours will start favourites.

G.A.A. NOTES

Waterford Outclassed By Brilliant Tipperary

TIPPERARY 4-23 WATERFORD 1-11

The above caption tells the story of what happened at Pairc Uí Caoimh on Sunday. We were outclassed by a Tipperary team whose hunger for victory was obvious from the moment of the throw-in. Their display, by any standards, was masterful and the manner in which it was achieved gave notice to all and sundry that the Premier County are back as strong challengers not only for the Munster, but for the All-Ireland title this year.

Waterford tried every inch of the way and for 50 of the 70 minutes the game was within our reach, but as the contest wore on it became more and more obvious that we did not have the answers to the splendid hurling of players like Aidan Ryan who proved to be the destroyer-in-chief throughout the first half, Ramie Ryan, Noel Sheehy, John Leahy, Tommy Dunne and Michael Ryan. The brilliant Pat Fox, who came on as a substitute late in the match and who added a personal total of 2-4 was hailed as one of the heroes in the winners camp, but in truth the game was decided at his point of entry and at which stage our defence was falling to pieces. Apart from their skill, the tactics of Tipperary in trying to 'smother us out of the game' paid off to a degree and maybe they saw Clare try the same strategy in the league with an amount of success. Who knows?

With a score of 4-23 against us, it is not easy to find words of praise for our defenders, but at the same time it must be recorded that the decision to play Damien Byrne at full back was a wise move as the Erin's Own man played himself to a standstill and over the 70 minutes was our best player. Our defence did hold firm enough during the first half, even though five of the Tipperary forwards had scored during that period.

It was in the final 20 minutes that Tipperary took over completely, adding 3-7 in this period as Waterford faded out of the game.

Being at the receiving end of a 21 points beating was a shattering experience for the players and an agonising one for the supporters and I have no doubt but that it will take a long time to overcome the disappointment. But it is something that must be faced and endured by everyone involved until the National League

time comes round in October. We were well beaten and are gone out of the championship, but it is not the end of the world.

When we won the under-21 All-Ireland in 1992 a lot of shortsighted people who were overcome with enthusiasm predicted that we would win a senior All-Ireland within a year or two. The wise people involved described this as a little nonsense and said it would take at least four or five years for these players to mature fully into a team of potential champions. It will take time to see if the wise ones were right, but we know already that the enthusiastic ones were wrong!

On average, on Sunday, our side were four years younger than the Tipperary team and that must amount to something. Our aim now must be to consolidate our position in division 1 of the league and face the challenge of the Munster championship in 1996.

PLAY

Nicky English placed Declan Ryan who pointed in the 2nd minute and they were two up when English pointed in the 4th. Tom Fives opened with a point for Waterford in the 5th minute before Declan Ryan, Aidan Ryan and Tommy Dunne had Tipperary points to give them an 0-5 to 0-1 lead by the 11th minute. Gary Gater and English swapped points as did Ger Harris and John Leahy, to leave a gap of 4 points after 16 minutes. Billy O'Sullivan and Paul Flynn had further Waterford scores while Declan Ryan, Aidan Ryan and Michael Cleary brought Tipperary's half time tally to 0-12, with Waterford having 0-5.

Throughout that half Aidan Ryan dominated the game to the extent that he must have burned himself out as he was moved to attack in the second half. We had the breeze in the second half in which

Peter Queally replaced Tom Fives and Gater was brought to midfield.

John Leahy and Tommy Dunne from a magnificent sideline cut, had early Tipperary points before Ray Barry brought off a spectacular save from English. Garry Gater had our first score of this half but English hit back with a similar score and we were now beginning to lose touch, trailing by nine points, when Tipperary full forward Anthony Cross, who was making no impression on Byrne, was replaced with Pat Fox. Peter Queally and Michael Cleary had points before a Ger Harris shot seemed to have been added to by Paul Flynn before giving us the first goal of the match in the 14th minute.

Now only six points separated the sides and hope was beginning to return when within another minute Michael Cleary hit a free that was touched by Pat Fox before going to the Waterford net, leaving the state of play 1-16 to 1-7 after 15 minutes. The lead was reduced to eight points when Tony Browne pointed a Waterford free but Michael Cleary's goal two minutes later put the game out of reach for luckless Waterford who were to add a further three points as against 2-7 for the winners.

DUNGARVAN C.B.S. SECONDARY — Gerard Hayes and Walter O'Grady sharpening their skills under the watchful eye of Mr. Pat Collins (trainer). These lads learned their basic skills in Knockmahon N.S. and Modeligo N.S. under Sceim Iomana na nOg.

Ballyduff Upper N.S., Jamie Kearney, 8 Years — This lad has made very good progress under Sceim Iomana na nOg. Good striker of the ball and always willing to listen and learn. Facilities in this school are excellent for games. Paul Flynn is his favourite.

Carriglea N.S., Brian Duggan, Rang 4 — Brian is ten years old and is a very fast boy. He is very determined and he has

very basic skill. He plays for Brickey Rangers under-age teams and he looks a good prospect if he practices regularly.

Grange N.S., Niall O'Brien, 10 Years Old — Niall is a very good all-rounder and loves most sports. A natural citeog and a real terrier in games. Plays for Ardmore club at underage. Could become a very good hurler in future years. Gets every help from home, school and club.

Minor Games At Fraher Field

GOOD WIN FOR HURLERS AGAINST KILKENNY BUT FOOTBALLERS LOSE TO STRONG CORK SIDE

A touch of history was made at Fraher Field on Friday evening when the county fielded two minor teams on the same programme.

In hurling, Waterford played Kilkenny in a tournament game for trophies sponsored by David Walsh and Sheridan Jewellers.

It turned out to be a very good contest with some very skillful hurling by both teams. Kilkenny fielded twelve of their championship side and Waterford had a similar number on their team.

At half time Waterford led by 0-7 to 0-2 and at full time we had 2-12 as against 1-6 and winning by double scores gave a fair indication of our superiority.

Scorers: Waterford — D. Bennett 0-8, D. Shanahan 2-1, M. White 0-3. Kilkenny — D. Carroll 1-1, M. Hoynes, G. Kirwan, O. Behan, R. Cahill, R. Mul-laney 0-1 each.

Waterford — J. Connors, F. Crowley, L. Kelly, E. Murphy, F. Kelly, K. McGrath, S. Curley, M. Molumphy, F. Halpin, D. Shanahan, M. Murray, J. O'Meara, M. White, D. Bennett, A. Lannon. Subs. — P. Fitzgerald for A. Lannon, S. FLYnn for F. Halpin.

Referee — J. M. Kelly, Shamrocks.

MINOR FOOTBALL

Cork 4-9 Waterford 0-7
Laois pulled out of the tournament and Cork accepted the invitation to replace them. They came with a very strong side who are fully bent on taking the All Ireland this year. They went into the game at full stretch from the throw-in and before five minutes had elapsed were 3-2 up. Waterford steadied after recovering from the early onslaught and improved as the game wore on.

At half time it was 3-6 to 0-3. At full time it was 4-9

to 0-7 with Waterford having given an improved display in the second half.

Scorers: Waterford — J. Sheehan 0-3, K. Lenane 0-2, B. Cliffe 0-1, K. Curran 0-1.

Waterford — G. Arrigan, C. Barrett, F. Halpin, J. Organ, B. Power, G. Cullinane, K. Curran, K. Flavin, D. Hayes (capt.), R. Walsh, J. Sheehan, J. Lynch, K. Lehane, J. Barry, S. O'Rourke.

Referee — D. Glavin, Ballinameela.

At the conclusion of each game the County Chairman, P. J. Ryan, presented the trophies to the winning captains.
