# Hedgecutting Onus Now On Landowners

Waterford Co. Council is to take a sterner line with landowners who fail to lawfully maintain grass verges and hedges on land adjoining county roads.

That's the message from County Manager Donal Connolly who told last Monday's Council meeting that notices will be served on landowners who fail to shoulder this responsibility and eventual court action will be taken.

Mr Connolly said he had attended a meeting with the Irish Farmers Association

where he had pointed out the new responsibility of landowners regarding the upkeep of hedges and verges on their land. He told the representatives that the Council is prepared to cooperate in future with farmers on this issue.

From July 1st to August 1st, limited hedge/verge cutting will be carried out

by the Council. "From 1996 on, I expect a more formalised type of arrangement", said Mr Connolly.

#### WILL GET WORSE

Warning that the present situation of County roads "will get far worse", Cllr. Willie McDonnell stressed that the local authority will have to come up with proposals and go halfway towards helping the farmers.

"It's no good throwing the onus onto farmers", he stated, adding that the roads were in a terrible state after 3 years of neglect. Supporting Cllr. McDonnell's news, Cllr. Ciaran O Riain said the roads in his electoral area around Ballymacarbry were diabolical. "They have broken up to such an extent that they're impassable", he de-

# Nire Area Relieved At No Discussions On Dump

Ballymacarbry and Nire Valley residents are now breathing a collective sigh of relief following news that South Tipperary Co. Councils have not entered negotiations with Waterford Co. Council with regard to the location for a dumping site in the northern part of the county.

The issue was raised at last week's Council meeting by Cllr. Ciaran O Riain who represents that area of the county.

The concerned Councillor told members that there was a lot of ongoing speculation

among residents of the areas in question who believed that the South Tipperary Councils would try to locate a land infill site in or around the Rathgormack area.

The Tipperary Council's

## Bord Pleanala To Decide On 'Beeches' Development

By Aisling Conroy

The future of the former Hackett Estate, commonly known as "the Beeches", O'Connell Street will now be decided by An Bord Pleanala following an appeal lodged against the proposed housing development on the derelict site.

News of the planning application for a 15 house private estate at 'the Beeches' generated much excitement among local residents who consider the O'Connell Street site to be a long familiar eyesore in the town.

The application which proposes the construction of 15 three-bedroomed semi-detached houses complete with garages, was lodged last February by Cork based architect Tony Dennehy on behalf of Richard O'Hanlon, Bishopstown, Lismore.

As part of the proposed development, the once state-of-the-art building, now sadly dilapidated, which has stood on 'the Beeches' site for the last 158 years would be demolished.

### THE APPEAL

Last April Dungarvan UDC issued a notification of the decision to grant permission but prior to the deadline of April 27th, an appeal was lodged by Elizabeth and Matthew Connolly who reside in the house next door to the proposed housing estate at 'Ravensdale', Shandon.

The appeal against the granting of planning permission was lodged with An Bord Pleanala who in turn informed the Urban Coun-

cil. In the appeal, Mr. and Mrs. Connolly state that the applicant, Richard O'Hanlon failed to indicate in the site/layout plan, the proper position of an extremely high sycamore tree situated in the eastern boundary of the development site. The appellants maintain that this tree is indicated on the site/layout plan as being situated within the development area (house no. 2).

The couple also appeal against the proximity of the proposed houses no. 1-3 to their residence and point out that the granting of planning permission permits the erection of these houses at a distance of 16 metres from their residence. "The normal distance from an existing residence in a development of this type is 30-40 metres as per Foras Forbatha 1983 recommendations", reads the appeal.

Speaking to the 'Dungarvan Leader', Acting Town Clerk Joe O'Flaherty said the development is now in the hands of An Bord Pleanala who have a total of 4 months to come to a final decision.

Whatever the outcome however, Mr. O'Hanlon already has planning permission for the erection of 18 houses on the O'Connell Street site. He was granted this permission by the UDC in May of 1993 but later decided to change the original house plan and layout to allow for an increased size of 1,366 sq. feet per dwelling.

## Conna Castle Concert

The line up for the concert in the Conna Castle grounds on Saturday 24th June has now been finalised.

Dogabone, Aghada's finest, open the concert at 9 p.m. sharp with their high energy performance. They starred at this years Cork Rocks week-end over the June Bank Holiday, and are attracting interest from a number of record companies. Dogabone will certainly satisfy the rockers in the crowd.

Blink, who take the stage at 10 p.m. with their melodic indie-rock set, seem set for huge international success with their album "A Map Of The Universe", which they are promoting heavily on the American airwaves. "Cello", their IRMA award winning single, has to rate as one of the best ever Irish rock videos, and is now getting even more airplay through the Sound Crowd Orchestra remix.

4th Dimension will raise the tempo and the temperature at 11.15, when they make a return after the success of last years show. "Storm" with its famous Sharon Shannon samples, and "Once Again" were just two of the highlights of their set, so expect them to go down a storm once again.

Aslan, anthemic pop-rock leaders, complete the line up from about 12.30 a.m. to 1.45 a.m. - though they might be persuaded to add on a song or two "This Is" and "Crazy World" should produce an outbreak of swaying, scarf waving community singing. "Crazy World" earned them a gold disc for sales and also a Smithwicks/Hot Press critics award, and the album "Goodbye Charlie Moonhead" has won awards and critical acclaim from all quarters.

Gates open at 8.30 p.m. Admission is £8.00 at the gate, and no bottles are allowed into the venue. A superb evenings entertainment is assured.

cer-in-chief of accommodation and organising the efficient provision of meals in conjunction with the Lismore Hotel.

Many local households have generously offered bed and breakfast to performers and it is Mandy's job to co-ordinate that the right people go to the correct homes. A difficult enough task at any time, but when the visitors concerned are complete strangers it makes the task that bit more difficult!

Caroline Hickey at the Heritage Centre is now coping with an ever increasing demand for tickets and information about accommodation and in the background final plans are being made for the smooth and efficient running of concerts, recitals and the popular Pageant.

Banners are receiving the final stitches and Joan Bolger of the Lismore Dramatic Society can be seen searching the highways and byways for a donkey's head to complete the colourful costumes for Sunday's Pageant!

Participants in Sunday's Fair on the Mall are organised and ready to go and right now the many workers involved in the festival are taking a collective deep breath before everything swings into action.

"Most musicians, singers and dancers will arrive in Lismore as strangers," says Musical Director, Jan Van Putten, "but there is no doubt that they will leave here as friends."

One aspect of this special weekend of early music in Lismore over which the or-

ganisers have absolutely no control is the weather! It is fingers crossed for blue skies and sunshine as Lismore plays host to thousands of visitors.

## Local Areas To Benefit From Grant Scheme

The following county areas have been included in the County Plan for Village and Urban Renewal Schemes: Ardmore, Cappoquin, Stradbally and Tramore. The plan will be available for the end of September 1995 and will also include a scheme for the Dungarvan urban area. The firm of Brady, Shipman and Martin have been retained to give the necessary architectural and urban planning advice on the scheme generally.

In Ardmore work will focus on the upgrading of the area from Main Street to the Beach at a cost of £72,000.

Cappoquin will see an upgrading of the Square (£40,000) and the upgrading of Twig bog and river area (£30,000). Meanwhile, Stradbally will receive a £75,000 grant to cover the undergrounding of services and general improvements to the Square.

The overall County Plan will provide for improvements in the remaining towns and villages in the county over the period 1996-1999.

Co. Manager Donal Connolly said that it should be pointed out that every effort will be made to include the maximum number of towns and villages within the scheme.

# Pests — Wage Your Own War Of The Roses

Roses are not only a favourite bloom — they are also popular with garden pests.

So it is vital that gardeners stay vigilant and hit back at the intruders as soon as they appear.

One warning sign is a rolled-up leaf, indicating that sawfly larvae or tortrix moth caterpillars have moved in. These can be simply cut away without resorting to insecticides.

Unfortunately, nibbled flower buds and leaves mean more serious effort as they show that chafers and slugworms are feeding and the tree needs spraying.

Even more difficult to dislodge is red spider mite, which infests the underside of leaves, particularly when conditions are hot and dry.

They cause leaves to yellow and drop, weakening and disfiguring the tree.

Diligent spraying of both sides of the tree leaves is needed to rid your stock of these pests.

But this painstaking effort will at least go towards keeping the season's second wave of pests such as greenfly at bay.

Trouble does not only come from the insect world either. We are still prone to humid and dewy conditions at the moment so fungal infection is a risk. Hit back during June with a couple of applications of systemic fungicide.

Meanwhile, don't neglect the staple requirement of the rose during this month — regular watering and a foliar feed.

You can help by applying a mulch of peat, pulverised bark or even lawn clippings to the soil surface around the trees, thereby keeping moisture in and the heads of weeds down.

Dying or infected blooms should be promptly and cleanly cut away along with the trailing stem above the next series of buds or shoots, so that the rose keeps blooming strongly.

The display can be enhanced by an application of rose fertiliser on the soil immediately above the root circle, which is denser away from the point where the main stem enters the ground.

Work this in with a hand fork and then water gently to get the goodness into the plant promptly.

For rose novices, the family broadly divides into several categories:

- hybrid tea - known for large showy blooms
- floribunda - less showy but more prolific bloomers
- miniature
- ramblers
- climbers

For my money there is no better display than a climber trained around a cottage door or pergola, but the first two types are the most popular and especially the hybrid tea, which can produce some spectacular flowers.

Experienced growers can enhance the display by 'disbudding' or pinching out side buds to allow the end bud to grow to mammoth size, but this practice should not be tried with other rose types.

— Arthur Hines.

## A QUESTION OF LITTER WARDENS

The following is a question tabled by Deputy Austin Deasy in the Dail recently regarding the appointment of litter wardens.

"To ask the Minister for the Environment if he will make it obligatory for local authorities to appoint Litter Wardens in an effort to control and reduce this widespread and increasing blight on urban and rural areas."

Minister for the Environment, Brendan Howlin T.D.

replied, "I am concerned that not all local authorities employ litter wardens at present. I intend to develop a sustained and effective anti-litter initiative and I will be strongly encouraging local authorities to employ full-time litter wardens as part of an action programme to combat the persistent and visible problem of litter.

"I will be announcing specific measures in the coming months as part of the anti-litter programme."

## Public Lecture On Eczema

For the first time, the National Eczema Society will host a free public lecture in Kilkenny on matters relating to the management and control of eczema. The public lecture will take place on Tuesday, June 20 in the Newpark Hotel, Kilkenny at 8.30 p.m. sharp. It is being sponsored by Vaseline Dermacare.

The lecture entitled "The Modern Management of Eczema" will be presented by Dr. Nicholas Walsh, consultant dermatologist. The presentation will be followed by a question and answers session.

Eczema is the most common skin complaint in this country. It most frequently occurs in babies, many of whom outgrow the condition, but it can continue throughout childhood and adult life. Eczema can be extremely difficult to live with, not least because of the severe itch which often accompanies it. Eczema is non contagious.

# Deasy Slams 'Scandalous' Non Use Of Customs Boat

**Fine Gael TD, Austin Deasy, has strongly hit out at what he described a 'scandalous situation' regarding the non-use of the Customs and Excise boat based in Waterford.**

The following is his Dáil speech on the issue:

The Maritime Unit of Customs and Excise in Waterford are equipped with a sea-going boat to combat smuggling and in particular the importation of drugs, which is causing considerable problems in the city and surrounding areas. Unfortunately, due to a disagreement amongst staff the boat has lain idle since August 1994.

In the wake of the Maastricht Treaty, the duties of Customs and Excise officers have changed in many cases but there has been a reluctance to accept change by some staff. In this particular instance, a dispute has arisen as to who can operate the boat.

Pre-Maastricht it would have been the duty of outdoor staff; post-Maastricht the duties can be shared between indoor and outdoor staff.

As a consequence, the boat and gear which cost £60,000 approximately,

have not been used for the past ten months.

In addition, a jeep for hauling the boat and costing £25,000 is also lying idle. The cost of storing the equipment in question is somewhere in the region of £8,000 to £10,000 per annum.

There are two major scandals involved here — (i) waste of public money; (ii) a reduction in the capacity of Customs and Excise to prevent the smuggling of drugs. As I understand it, no blame attaches to senior management who have done everything in their power to resolve the problem.

I am asking the Minister to intercede immediately to ensure that this scandalous situation is rectified without delay.

### MOVE TO CORK

In reply to Deputy Deasy's question, the Minister for Finance, Ruairi Quinn TD, stated: "The position is that the Waterford Maritime Unit, in common with the units located in Dublin, Cork, Limerick and Sligo, is used mainly to act on information received and to support intelligence gathering operations. The semi-rigid inflatable craft are suitable only for in-shore use or for use close to the shoreline. Their use is also restricted depending on weather conditions. They are not suitable as patrol craft."

"The Waterford maritime Unit has not operated in recent times because there has been no operational requirements for its use in the Waterford region. The costs involved are the normal maintenance and running costs which are determined by the extent to which the craft is used and rent for the secure storage of the craft. The Unit is staffed on a part-time basis with staff being assigned, as required."

"The Commissioners have had under consideration the location of their Maritime Units from the point of view of their effectiveness. They have now decided that the craft located in Waterford should be relocated to Cork. They consider that having two craft in Cork would be a more effective use of resources, having regard to the dangers faced by the level of drugs smuggling encountered along the South West coast. It is also the situation that the training of staff for maritime duties is carried out in Cork and having two craft located there will en-

sure that one is always available for operational purposes if the other is in use for training.

"It is also pointed out that all the craft are capable of being transported between location and launched to meet operational requirements."

## Nire Area Relieved At No Discussions On Dump

Continued from Page 1 former dump at Ballytrasna was abandoned owing to the complaints and resentment of the nearby local community.

Since then, the neighbouring County Council has tried to locate a more suitable dump site amid speculations that the Council may cross the Co. Waterford border in its search for the ideal site.

### PLANNING PERMISSION REQUIRED

Ending the speculations and rumours on the controversial dumping site, Co. Manager Donal Connolly said no discussions have taken place between officials of both Councils. At the moment, Waterford Co. Council is still in discussion with Waterford Corporation for a joint landfill site. He hoped to get back to Council members with a report on this joint venture by September next. Should South Tipperary Councils locate suitable dump site in the county, Mr. Connolly submitted that they would then have to apply to Waterford Co. Council for planning permission.

# BALLYMACARBRY NEWS

## NEW BOOK BY BALLYMACARBRY AUTHOR

A new book which has just been published is the work of Rev. Canon Robert B. McCarthy of Suirmount, Kilmanahan, and a past pupil of Newtown National School. It's titled "Ancient and Modern" a short history of the Church of Ireland. It began as six public lectures delivered by Canon McCarthy at Kilkenny. In only sixty pages he manages to trace the Church from earliest times right up to the eve of the 21st century. He notes in his book that in the 18th century there was only sixteen Church of Ireland places of worship in the diocese of Lismore but the availability of generous Government building grants at the beginning of the 19th century ensured there was 37 in 1869. In the year 1970 the number was 15, the same as two centuries before. He concludes by quot-

ing Archbishop James McCann, the major issues of evangelisation in a secular and large non Christian world completely eclipse the relatively minor subjects debated by our forefathers. This beautiful book is published by Four Courts Press, Blackrock, Co. Dublin and costs £3.95.

## LOTTO

The Lotto draw in aid of Fourmilewater hurling club took place at the Oriel Bar, Ballymacarbry on Saturday night. The numbers drawn were 4, 8, 17. There was no winner. ## TOMORROW THE FEAST OF CORPUS CHRISTI

Till the thirteenth century the Church had not thought of establishing a special festival in honour of the Blessed Sacrament, being satisfied with celebrating on Holy Thursday the institution of this divine mystery. At that period, however, as heresiarchs dared to attack the Real Presence of Jesus Christ in the Eucharist, and numerous miracles and special revelations had occurred to concentrate the attention of the Christian world on this dogma, Pope Urban IV, decreed, in 1244, that a special feast should be instituted, which by its solemnity and pomp, should be as a protestation in favour of the unwavering faith of the church, and should, at the same time, offer an honourable reparation for the blasphemies of impious men. But this pontiff happening to die soon after, the Bill had not all the effect intended, and it was only after the Council of Vienne, held in 1332, that the Feast of the Blessed Sacrament, or Corpus Christi, was definitively established throughout the Catholic world. The Holy Council of Trent newly approved in a formal and earnest manner both the worship itself and its attendant pomp. The Feast of Corpus Christi is then a solemn act of faith in the Real Presence of Jesus Christ in the Blessed Eucharist; and this belief, to which the Church attaches an importance of the highest moment, is the very ground work of Catholicity, or rather is the very essence of all Christianity; for if Jesus Christ be not present really and corporeally under elements of bread and wine, as He has Himself formally told us, His word is no longer reliable, He is no longer God, and there remains of religion naught save a beautiful but sterile philosophy, which each one can remodel after his own mind. If it be allowable, as Protestants contend to interpret in a purely allegorical sense words of such clearness that there are not, throughout the whole of the Gospel, any more positive or precise, it is permissible to interpret everything at Will, and the Gospel remains an enigma, the solution whereof is nowhere to be found. It is furthermore the intention of the Church to make an avowal of her love and gratitude to Our Saviour Jesus Christ, and to offer reparation for all the profanations and sacrileges to which this adorable Sacrament has been exposed.

## LATE MISS MARGARET DORAN

It is with deep regret we pen the death of Miss Margaret Doran, Rochestown, Ardfinnan, which sad event took place after an illness of short duration but in the fullness of years, on Friday, June 2.

Deceased was a member of an old and respected South Tipperary family. She was a very estimable lady of many charming traits of character. Her gentle good humoured and obliging nature, mild manner and unassuming disposition commended her to all fortunate enough to make her acquaintance and her demise has evoked feelings of sincere regret among her many, many friends.

The respect in which deceased and her family are held was evidenced on Saturday evening by the large concourse of mourners who were present when her remains were removed to the Parish Church, Ardfinnan.

On Sunday morning the Feast of Saint Francis the 10 a.m. Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to the Ancient Churchyard at Newcastle where she was laid to rest in the family plot within the walls of the old church, again in the presence of a large concourse who came to pay their last respects to a dear Christian friend whose memory they will cherish. To her family we extend our sympathy. Ar dheis De go raibh a h-anam.

## LATE MR. DAVID TOBIN

The district learned with regret of the death of Mr. David Tobin, Shanakill, Rathgormack, which sad event occurred on Thursday last at St. Brigid's Hospital, Carrick-on-Suir, after an illness of some duration borne with true Christian fortitude.

Deceased in his late fifties was a member of an old and respected Rathgormack family. He spent many years in England where he was employed in the timber trade. Some years ago he retired and returned to his native land. He was a man of outstanding qualities who possessed a wonderful, warm personality and made friends at ease. He was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of his courteous and easygoing nature which endeared him to young and old alike.

Many tributes have been paid to his memory but perhaps the finest was provided on Friday by the large concourse of mourners who were present when his remains were removed from Joe Walshes Funeral Home, Carrick-on-Suir, to the parish church of the Sacred Heart, Rathgormack.

On Sunday morning the Feast of St. Barnabas (Apostle) the 10 a.m. Mass was celebrated for the repose of his soul. After Mass he was laid to rest in the adjoining cemetery in the family plot, in the presence of another large concourse of mourners who came to pay their final respects to a dear Christian friend whose memory they will cherish. To his father Martin, his brothers and sisters, his aunt and his many relatives we extend to them our sympathy. Solas na soilse don a nam.

# Deputy Kenneally On Serious Problem Of Coastal Erosion

The following is a speech by Deputy Brendan Kenneally on the serious problem of coastal erosion in parts of Co. Waterford—

"As matters stand at present, primary responsibility for coastal protection lies with the property owner, whether it be a private individual or a Local Authority. The Dept. of the Marine's role is to work in conjunction with the Local Authorities on the management of the coastal zone rather than individual sites.

"Unless and until we get away from this concept, we will never be able to seriously tackle coastal erosion in this country. Land owners and Local Authorities are in a helpless position. They cannot cope with the power and energy of the sea and the resources of Government are needed if a serious attempt is to be made to tackle this worrying and escalating problem. I support the call by our spokesman, Michael Smith, for the setting up of a National Coastal Authority within an existing

Government Department. If we are serious about this problem, this needs to be done as a matter of urgency.

"I believe that there is not

a sufficient awareness of the scourge of coastal erosion. A study was undertaken in 1992 by the County & City Engineers' Association which showed that out of a total national coastline of 5,800 kms., over 1500 kms. are at risk from erosion and some 490 kms. required immediate attention at a cost of £125 million. These are the figures quoted by the Minister for the Marine and they don't appear to have been updated since 1992. This in itself reflects the lack of urgency there is in relation to the problem.

"Nationally, a total of £5.092m. has been included over the period 1994-1999. This amount alone would be needed in my own county of Waterford where about 170 kms. of the coastline is in some need of protection.

"Waterford County Council spent £984,404 on coastal protection works in 1990/91. Of this amount, the Department of the Marine provided £414,250 grant aid, £60,000 was expended from Dept. of Environment grants and £510,154 was borrowed by the Council. The effect of these borrowings on the Council's ability to fund other services has been im-

mense and an unfair onus is being placed on coastal Local Authorities in this regard. I feel that protection of the nation's coastline with its attendant advantages for tourism, agriculture, etc., is a national and not a local responsibility. It is an essential ingredient of the infrastructure supporting economic development and it should be 100% funded by the State, in common with other infrastructure, such as roads, water supply and sewerage, etc.

In Waterford the following areas need to be protected — Clonea, Ardmore, The Cunnigar, Bonmahon, Abbeyside, Tramore, Burrows, Woodstown, Annewstown, Ballyvoile, Whiting Bay, Dunmore East, Passage East, Kilfarrassy, Garrarus, Ballymacart, Ballinagoul, Ballyquin, Ballinard, Glencorin and Rathmoylan.

"I wish to mention two areas in particular. The first one is The Cunnigar just outside Dungarvan. If this is breached the complexion of the whole town of Dungarvan will change. It is the protection for the town. As far as I am aware it is not an immediate problem but if it is not attended to now it can be a problem in the future.

"The other area I would like to speak about is at Ballyquin, which I visited on Saturday, June 3 last. Ballyquin is a couple of miles from Ardmore which was Ireland's tidiest town in 1993. I hadn't been out to Ballyquin for some time and was appalled at the damage that was inflicted since my last visit.

"There is one small farmhouse quite close to the edge of the coast and daily it is getting closer. The particular family involved are watching their farm being eaten away literally inch by inch. The extent of coastal erosion here has progressively worsened over recent years and unless something is done this entire holding will be wiped out in ten to twenty years and the house will literally fall into the sea.

"There now seems to be no real difference between Spring tides and slack tides and that means that this land is being buffeted all the time. I have been making repeated representations to various Ministers about this matter but all to no avail.

"I feel that the Coast Protection Act 1963 is outmoded, inflexible and unsuitable and I would urge the Minister to replace it with more modern and comprehensive legislation."

# Retirements at Árd Scoil na nDéise

This year sees the retirement of two members of staff — Sr. Loreto and Miss Gabrielle Morrissey.

Sr. Loreto has given many valuable years to the teaching profession and was always furthering her studies both in French and Cathetics. She spent many of her summer holidays in France, some at the Institute Catholique, Paris, others in Normandy

and in other convents in the South of France.

Miss Gabrielle Morrissey will be sadly missed by the Art Department. Her contribution to the cultural education of her students has been an enriching experience for them. Her knowledge of Art and Culture is vast and consequently our students had a great love for the subject. Her endless energy during

pantos and musicals, providing back-drops for the various scenes, showed yet another side to this very talented individual.

A very enjoyable end of term staff outing was held at Carrigahilla House, Stradbally, where presentations were made to Sr. Loreto and Gabrielle Morrissey in recognition of their many years of teaching.

## Dungarvan Musical and Choral Society

The standing ovation at the end of the night certainly said it all. They had promised us a spectacular night's entertainment, and that's what we got. Carrick-on-Suir's "Hits From the Shows", performed in the Friary Hall on Thursday night last, was, without doubt, a night to remember. The audience were transported to the West End and Broadway, as the Carrick-on-Suir Amateur Operatic Society presented a breath taking show packed with all the razzmatazz associated with international productions. Many congratulations to all those involved in this most wonderful production. It certainly set D.M.C.S. well on its way to the Festival of Light Opera in Waterford next September. Many thanks are due to so many people for helping to make our first fund raising event such a resounding success. Firstly, to all our members who sold the tickets, to the committee of the Friary Hall Theatre for their hospitality, to Jane Casey for tickets sales, to Seamus Ahearn for box office, to Mary Power for flowers, to our wonderful M.C., Joan Sheehan, to Waterford Crystal, the Park Hotel and Waterford Foods for sponsoring the raffle, and last, but by no means least, to all of you who turned up on the night we hope you enjoyed it as much as we did.

Do please keep your eyes peeled for further fund raising events during the summer. The cost of taking 'The Pirates' to Waterford is enormous, so we know we can count on your support.

# Dungarvan Scout Notes

## 11th WATERFORD

We started the meeting last Friday with a few announcements. The first was in relation to the Corpus Cristi procession which will be held on Sunday, 18th June 1995. All Scouts must be in the den at 11.30 a.m.

Also all Scouts must be in the den at 10 a.m. on Saturday, 17th June 1995. On the day we will be pitching all the tents that Carriglea have repaired for us - many thanks to the staff of Carriglea and of course not to forget the wash-up of all the pots and pans all part of preparation for our annual summer camp, which is just around the corner.

After the announcements we played a quick relay game to get us moving. Ronan Flynn and David Walsh P.L. decided to clean the den floor with their backsides and Paul Twohig looked as though he was about to lay an egg. Now it was time for concentration. We practiced semaphore for about 30 minutes sending words and messages to each other. The last game of the night was organised by Johnny Murphy P.L. It was a miming game, well done Johnny. Next week it is David Walsh's turn to organise a game, start thinking now David.

## APPEAL

We have been lucky enough to come across a canvas top marquee with poles. Unfortunately we have no walls for the marquee. If you know of anyone who could help us out by giving us or loaning us tarpoline for the walls of the marquee we would really appreciate it. You can contact any member of the Dungarvan Scout unit.

## HIKE TO COLLIGAN

12 Scouts, 1 S.P.L. and 1 A.S.L. met at the den at 10.00 a.m. We headed for Colligan and our first stop was master McGrath where we had about 10 mins rest, then on to Colligan. We had a game of follow the leader on bikes. We then cycled into the wood and headed to the top of "Hamburger Hill". Here P.L. J Murphy and a few Scouts collected fire wood. We lit a fire and Jonathan (A.S.L.) showed us how to do some backwood cooking eg. rashers cooked in orange skin and sausages in banana skins. We then had a few runs down hamburger hill. We then went for a hike along the river bank. We came across a small cliff which we named "Sheridan's Leap" as Paul Sheridan fell (or was he pushed) down the cliff and into the water. We then had a game of manhunt with Paudie Power and Johnny Daly being found last. Overall we had a good day, but we have a few questions to ask:

Where is the duck? Who climbed the highest tree? Who were the two bodies splashing in the water? Who is the undefeated champ? — Bi Ullamh.

# Plastic Driving Licence?

As from July 1, 1996, several European Union countries may introduce the plastic driving licence, resembling the credit cards issued by banks.

The fact is that the European Commission recently proposed the introduction of a standard European plastic driving

licence which EU member states could use to replace paper licences from July 1, 1996.

Launched in 1986 and modified in 1991, the Community model for national driving licences is currently in the form of a document printed on pink paper and folded in three sections. The directive would only come into

force if adopted by the EU Council which is made up of Ministers of the 15 EU countries.

The proposed standard European plastic driving licence can be used throughout the EC and could incorporate a microchip at some future date.

Members States however would be under no obligation to adopt the plastic driving licence. Countries wanting to retain the current model may do so.

# Graduation Night At Lismore Presentation

The transition year students of the Presentation secondary school, Lismore held an enjoyable graduation night recently at which various certificates and awards were presented. The transition year certificates were presented by the school principal Mr. Edmund O'Donovan.

Guest speaker on the night was Adi Roche, director of the Chernobyl Children's Project. Ms. Roche gave an inspiring talk on Chernobyl and outlined the problems suffered by the people of the areas surrounding the nuclear plant. It is now estimated that 3-4 million children are at high risk of contracting

leukaemia and cancer of the thyroid. According to research in Belarus there has been a 2,400 % increase in cancer of the thyroid, blood disorders and general immune system problems. In Belarus only 10-15% of childhood cancers can be cured compared with 80% in the West.

"We are alarmed constantly at the general deterioration of children's health and therefore our aid programme is very child centred which is of course imperative as, unless the children are saved, their race will cease to exist", said Ms. Roche.

She then spoke of the latest £400,000 convoy to Belarus - 'Operation Hope' - consisting of 12 ambulances, 2 trucks filled with medicinal aid and 24 humanitarian workers. The Chernobyl Children's Project are currently in the

process of bringing 500 children from Chernobyl affected areas to Ireland this summer. It has been

scientifically proven that the children's life span will be increased by 2 years following their stay in a

'Clean Air' environment. To date the Project has brought 1,000 children to Ireland.

**AFFANE - CAPPOQUIN G.A.A. NOTES**

## Championship Win For Junior Hurlers

**CAPPOQUIN 6-8 BRICKEY RANGERS 0-3**

Our junior hurlers scored a facile victory over Brickey Rangers and indeed surprised everyone with the quality and manner in which they set about achieving this win. Any kind of a win is always a welcome boost to any team, and these dedicated lads fully deserved this one.

Team scorers — M. Mason (2-1), P. J. Veale (1-3), B. Cunningham (0-4), E. O'Shea, M. Lacey and T. Hennebry (1-0 each).

Team — E. McGrath, E. Cliffe, L. Costin, M. Lacey, K. Veale, M. McCarthy, P. Cullen, G. Morrissey, C. Cullinane, B. Cunningham, E. O'Shea, M. Mason, P. J. Veale, M. Murray, T. Hennebry. Subs. used — L. Lacey, Martin Lacey and N. Uniacke.

### Junior Footballers Beaten

**KILROSSANTY 4-15  
AFFANE 1-11**

A very experienced Kilrossanty had too many big guns for our lads scoring a very comprehensive win over us. But once gain the lads kept plugging away and their tally of 1-11 was a good scoring effort.

Team — M. O'Donoghue, E. Cliff, S. Fraher (1-6), M. Buckley, M. Lacey, M. McCarthy (c), D. Morrissey, K. Mason, J. Lynch 0-1, T. Sullivan 0-2, B. McGrath 0-1, F. McCarthy 0-1, B. Cunningham, B. Hennebry, J. McGrath. Subs. — L. Lacey used.

### Senior Footballers Go Down

**ST. SAVIOURS 2-12  
AFFANE 1-9**

Without a doubt this was "one that got away" as we always seemed to have the upperhand all through - but we often gave away possession with careless passing and once again did not put away scoring chances from frees and general play. Coming up to halftime we were in command and leading by four points when to the utter amazement of everyone the referee awarded Saviours a penalty which they converted. Even the Saviours players could not believe it, as they knew

their own player threw himself on the ground.

The second half took the same pattern but we gave the opposition far too much space and paid the "piper". The sides were level going into the last five minutes but we conceded 1-3 leaving the team pondering on how this game was left slip.

Team — C. Cullinane, E. Murphy, L. Costin, A. McCarthy, J. Fleming, J. Buckley, K. Veale, S. Costin, T. Mansfield, M. Power, G. Morrissey, D. Cummins, P. J. Veale, J. Mason, C. Prendergast. Subs used - S. Fraher.

U-14 Hurling Championship

**LISMORE 2-8  
CAPPOQUIN 0-5**

This was a very good hurling game and highly entertaining all through. Never at any stage in this match were our lads outplayed as from the outset despite conceding physical advantage they never let up in their efforts and contested every ball. We sadly missed Stephen Landers and Stephen Morrissey who were absent and this caused a reshuffle in the side which considerably weakened our attack. We are picking from a small panel of players so it is to the eternal credit of all those player that they never allowed their heads to drop and hurled defiantly to the finish.

They all played their part none more so than Donal O'Rourke with some top class saves. Shane Coughlan at centre-back gave quite an immaculate performance and his point was the score of the game. Richard Scanlan though small in stature but big in heart produced some lovely hurling skill.

With Paul Coffey, another pocket dynamo who does not know the meaning of defeat. But for me Kevin Foley a diminutive full back gave a mammoth display repulsing wave after wave of Lismore attacks and Lismore tried a variety of opponents on him, all to no avail. Undoubtedly our man of the match.

There was never more than a few points between the sides until the last ten minutes and Lismore scored their second goal on the stroke of full time. Our display was all the more meritorious considering Lismore were narrowly beaten by Mt. Sion in the Féile na nGael final.

Team — D. O'Rourke, N.

Hennessey, K. Foley, B. Scanlon, M. Scanlon, S. Coughlan, M. Fraher, R. Scanlon, P. Coffey, D. Ormonde, J. Dalton, L. McLaughlin, J. Murray, K. Millea, S. Barry. Subs. — C. Millea and B. Coughlan.

#### HOSPITALISED

We wish a speedy recovery to our club chairman Jack Cullinane who is hospitalised following a motor accident last week-end.

Jack is a tireless worker for our club and we hope his stay in hospital will be brief. Also in hospital at the moment is committee member Paddy McGrath to whom the club also extends good wishes.

## DOUBLE HEADER AT THE SPORTSFIELD

The venue staged a double header in the Intermediate football championship on Sunday afternoon.

The opening game was the meeting of Faha and Shamrocks. Faha from the Eastern end of the division do not play very often in the Sportsfield so their visit was looked forward to with some interest by the locals. The Knockanore men play regularly at the venue and we know that they are more than hopeful of lifting a title in this grade this year. However on Sunday neither Dan Casey or Liam Dalton were available to them. Any could would find this a severe handicap and for Shamrocks it was a disaster. Faha scored 1-5 in the first half due mainly to the cunning play of Kieran Power at full forward who had a hand in every score. Shamrocks failed to score during the period.

The Knockanore men did better in the second half and managed three points in the first three minutes. Then Kieran Power had one for Faha followed by two from Enda O'Regan and when Pat Power had their second goal in the 11th minute the game was as good as over. Shamrocks did manage five further points but they were still three goals in arrears at the final whistle which according to our time came with only 23 minutes of play in the second half.

Final score — Faha 2-11 Shamrocks 0-8.

Teams:-  
Faha — T. Jeynes, P. Kearney, P. Casey, D. Organ, L. Connors, G. Casey, P. Organ, K. Lonergan, T. Veale, P. Power, M. Scurry, J. Burke, G. Power, K. Power, E. Regan. Sub. — P. Dunphy for Connors.

Shamrocks — K. Aherne, E. Flanagan, T. Roche, K. Aherne, T. Hickey, F. Roche, M. Hourigan, K. O'Keefe, E. Murphy, P. Murphy, J. O'Neill, S. Murphy, J. Aherne, J. Baldwin, S. Tobin. Sub. — M. Hunt for Tobin. Referee — L. O'Donnell (Clashmore)

The second game was between Geraldine and An Rinn. The Aglish side though steeped in a great traditions of football haven't been doing too well in the grade for the past few years while An Rinn have contested the last two county finals without success but, of course, they are Western champions with a title to defend.

It was Geraldines who scored first with a point from Paddy Corkery. This was balanced out when Carthach Mac Craith pointed a 45. Corkery was back again with another point in the 6th minute but Carthach levelled, again with a point from a free. The same player put his side ahead with another pointed free in the

11th minute but Geraldines with most of the play were awarded a penalty which Nicholas Downing converted in the 17th minute. An Rinn squared the match with two further points from Carthach but following points from Eddie O'Grady and Corkery Geraldines led at half time 1-4 to 0-5.

Corkery put the Aglish men three ahead in the 4th minute of the 2nd half but again Carthach pulled two back from frees. Roger Ronayne pointed for Geraldines and the razor sharp Eddie O'Grady tacked on three more before Carthach pulled a point back in the 17th minute. At this stage champions or not it was obvious that the Gaeltacht side were not going to win this one. They were being outpaced all over the field by a much fitter opposition. Their inside backs were under constant pressure from O'Grady and Corkery. They also eventually lost the battle at midfield where David Cullinane did well for Geraldines. Up front only Carthach Mac Craith offered any serious threat to a well drilled back line in which Pat O'Donovan excelled.

Final score — Geraldines 1-10 An Rinn 0-8

Teams:-  
Geraldines — K. Cotter, J. Tobin, S. Ronayne, P. O'Donovan, S. Meskill, N. Aherne, M. Walsh, D. Cullinane, N. Downing, E. Scanlon, R. Maher, R. Ronayne, R. Ware, P. Corkery, E. O'Grady.

An Rinn — N. Murphy, D. MacDara, M. Hayes, B. White, P. Walsh, S. Curran, D. Drohan, C. Walsh, L. Curran, R. Christopher, E. Crotty, E. Curran, P. Knightly, C. Mac Craith, D. Cullinane. Subs. — N. MacCraith for Cullinane, J. Harty for Christopher, M. Maloney for Hayes. Referee — J. M. Kelly (Shamrocks).

The Sunday evening game was in the junior football championship. The contestants were Modeligo and Kilgobinet. With both sides in urgent need of points to stay in contention a keen contest was assured by those two great championship rivals.

Nicky Donovan opened the scoring with a point for Modeligo in the 3rd minute but Kevin Walsh levelled with a similar score from a 45 a minute later. Jim Walsh put the Greens ahead with a fisted point in the 8th minute but following a scoreless twelve minutes Shane Reddy made it 0-2 each. Two minutes later Jim Walsh edged his side ahead with a point. Then in the last minutes of the first half there was a goalmouth scramble at each end which resulted in a goal for each side. Tom Ormonde finished Modeligo's effort while the honour fell to Kilgobinet's full forward Flynn. Half time — Kilgobinet 1-3 Modeligo 1-2.

Shane Denn had the sides level with a point from a free in the second minute of the second half. Then what was probably the decisive score of the game came for Modeligo when wing forward Bending scored a good goal from 21 yards. The same player added a point a minute later. Kevin Walsh and Martin Curran had points for Kilgobinet to leave just two between them. Nicholas Troy made two good saves in the Modeligo goal and they were a little unlucky when a good shot from John Fitzgerald came back off the post. Nicky Donovan and Kevin Walsh exchanged points from placed balls before the end and Modeligo managed to stay in front by two points. Final score — Modeligo 2-5 Kilgobinet 1-6.

Teams:-  
Modeligo — N. Troy, R. Kiely, P. Troy, M. Reddy, B. Barron, J. Fitzgerald, J. Power, S. Denn, J. P. Ryan, S. Reddy, E. Power, A. Bending, T. Ormonde, N. Donovan, P. Fitzgerald. Sub. — P. Denn for S. Reddy.

Kilgobinet — S. Fennell, J. Walsh, M. Fahy, K. Byrne, C. Lyons, J. Byrne, J. Nugent, K. Walsh, T. Burke, K. Walsh, M. Walsh, M. Flynn, M. Troy, J. Walsh, M. McCarthy. Subs. — M. Hamilton for Flynn, M. Curran for Troy, P. Byrne for K. Byrne.

### DARTS

The semi final and final of the Mary Walsh (Perpetual) Memorial Cup, presented by Deckie and Chrissie Walsh, will take place on Friday next, June 16. This tournament has drawn many competitors and will prove a very competitive final. We wish them all the very best of luck.

### NA DEISE LADIES FOOTBALL

Last week proved very busy for Na Deise when our under-14 team played both the semi final and final of the championship.

We played Ballymacarbry on Tuesday, June 6 at the Friary grounds. Our girls stamped their mark for a place in the final within fifteen minutes and followed up with a succession of scores to lead at half time

by a substantial margin.

Ballymac' to their credit were not going to give us the game easily and in a wind assisted second half tested our backline. But their valiant effort could not claw back our lead and the game ended 3-11 to 2-3 in our favour. We now face old adversaries, St. Anne's, in the final.

### UNDER-14 COUNTY FINAL

Old Parish was the venue on Thursday, June 7 for the final against St. Anne's. Even with a strong team, the absence of Gillian Gleeson through injury was to play a significant part in St. Anne's victory.

Na Deise showed great enthusiasm and we led at half time by a point but the margin could have been much greater had we converted a penalty and lady luck shone more favourably on us.

The second half continued with excellent competitive and skillful football from both sides. St. Anne's ran out winners on a scoreline of 3-6 to 1-3.

While we lost, the performance of our girls must not be underestimated and we look forward to a very competitive A section under-14 league.

While many players showed exceptional talent, the performances of our goalie and back was superb. Other players to shine were Marian Troy, Angie Walsh, Natalie Bending and Jean Dunford.

Na Deise — Helen McCarthy, Maria Gleeson, Catherine Fitzgerald, Avril Grace, Michelle Meaney, Lillian Queally, Bridgid Condon (capt.), Marian Troy, Angie Walsh, Alison Casey, Jean Dunford, Natalie Bending, Emer Casey, Tamsin Bending, Louise Dalton, Clara Cashman, Sandra Walsh.

# Famine Commemorations Continue

St. Mary's Church of Ireland, situated, according to oral tradition, on the site of St. Garvan's early Christian monastic settlement from which the later town of Dungarvan developed, will be the venue for an Ecumenical Service of Remembrance of the Great Famine on Wednesday 28th June at 8 p.m.

The interdenominational service of Choral Evensong (order of compline with hymns and readings) is at the request of Dungarvan Museum society and forms part of its year long Great Famine Commemoration which commenced last February when the Programme of Events was officially launched by Luke Dodd, of Strokestown House Famine Museum.

The service, to which all are welcome, will be conducted by Very Rev. Cecil Weekes, Dean of Lismore, and will, in remembrance, recall the great work of the religious and lay men and women who laboured tirelessly to alleviate the hardship and misery of the many thousands of victims of the failure of the potato crop in 1845 and following years, at, in some cases, the cost of their own lives. One such was Rev. William Wakeham, Rector of Kin-

salebeg, who died in 1847 having contracted "famine-fever" in his ministering to his parishioners and neighbours as his tombstone in Kinsalebeg old cemetery testifies to this day. Fr. Jeremiah Hally, Parish Priest of Dungarvan at the time of The Great Famine, who ministered in Dungarvan for over fifty years, sought all possible aid and availed of all government work schemes to provide employment for the needy - Fr. Hally's Road and Bridge on the northern slopes of the Drum Hills commemorate his great efforts. In Ring the memory of the Rev. James Alcock, then Rector of the Parish is held in high esteem and was officially commemorated there last year during Dail na Mumhan. Fr. Twomey's Road in present day Dungarvan and Fr. Twomey's Well recall the labours of the Augustinian who blessed, and administered

the last rites to the dead being removed from the nearby workhouse for burial at Relig-a-tSleibhe. Rev. Morgan Crofton, Rector of Dungarvan, died in 1849, weakened by the exertions of his ministry. Members of the Religious Society of Friends were also prominent in famine distress relief work and assisted financially the Dungarvan Famine Relief Committee, of which Fr. Hally was Chairman. Their introduction of new fishing techniques and weatherproof clothing to the fishing communities in Ring, and assistance in obtaining larger boats, enabled the fishermen to venture further to sea in safety and secure larger and more varied catches resulting in better prices returns. Also at that time Fr. Fogarty, P.P., Lismore, who had earlier been curate in Dungarvan, and, in Lismore, had been largely responsible for bringing the Benedictine Monks from Rathmore in Co. Kerry to found their great Monastery of Mount Melleray where many thousands of hungry famine victims were fed, secured

works schemes for Lismore area as did Fr. O'Connor, then P.P. in Kilgobinet.

The many known and unknown, religious, doctors, nurses, administrators and others who laboured to alleviate starvation and suffering at a tragic time in our national history will all be commemorated in this Service of Remembrance on Wednesday, 28th June.

## GROW Self Help Group

'GROW' holds self-help group meetings every Monday night at 8 p.m. and Tuesday afternoon at 2.30 p.m. at the Presentation Convent, Dungarvan. If you suffer from stress, depression or anxiety you are very welcome. Meetings are also held at Dominican Priory, Bridge Street, Waterford and at Mercy Convent, Waterford. Everyone welcome. Come along and see.

# Lismore Notes

## LARGE CROWDS EXPECTED

This week-end should see the town thronged with visitors as from Friday 16th to Sunday 18th June Lismore will be hosting the 3rd West Waterford Festival of Early Music.

The two previous Festivals were outstanding, and this year will better those ones. The Festival starts on Friday 16th at 12 noon with a concert at Lismore Cathedral. From then until the final concert on Sunday night it will be non stop. The highlight for most will be the pageant on Sunday with the theme "The Fairy Queen" which will start at Lismore

Castle at 2.30 p.m. and proceed through the Main Street to the Mall. Taking part will be Lismore Dramatic Society, with participating musicians Netherlands Slide-Trumpet Ensemble, The Blackwater Singers, Piped Music, Limerick School of Music Early Music Consort, Harmonia Brass and many others. Special guests will be Dublin City Morris Dancers on Sunday afternoon and this is a family day out with something to suit all tastes. So the week-end promises much and hopefully, the weather will be kind.

Camogie Blitz — Our girls gave a great display of camogie at the West Waterford camogie blitz last Wednesday. There are certainly some players for the future here, who will be stars if they continue to play the way they do.

## PRESENTATION CONVENT PRIMARY SCHOOL

In our first game, we were up against it when drawn to play title-holders Ardmore, who had beaten us in the final last year. We got stuck in from the start and with a great game from Donna Feeney in the back-line, Karen Brennock in the centre and Sinead Murphy up front, Ardmore proved only a minor obstacle.

With our first game behind us, we faced Glenbeg next. We made hard work of the first half, but in the second-half, Elizabeth Fleming, Jovita Lyons and Esther Cahill moved up a gear, and we came away with an easy win eventually.

So we headed into the final, facing Ring, who had beaten us by a point in the INTO final just a short time ago. We looked good in the first half, we were winning most of the ball, but were only marginally ahead at half-time as Ring managed to score from the limited possession they had. This was to prove costly in the end, as Ring really turned on the power in the second half and pulled away. With Nicola Barry playing the game of her life in the back-line, Niamh Ryan making a fine school debut in goal and Sinead Bennett playing her heart out up front, as well as the others on the field, we did score a goal and a point before the finish, to leave us a point in arrears. How disappointing to hear the final whistle to find the score 3-0 to 2-2 in Ring's favour, after such a gallant display, having been ahead 1-1 to 1-0 at half-time.

The girls can be proud of their display, and pleased to know that they have done as well as our other school teams that entered this 7 a side competition. In the four years it has been running Lismore has reached the final. Our record there remains intact. Well played.

Panel — Jovita Lyons, Donna Feeney, Tracey Hefernan, Nicola Barry, Karen Brennock, Sinead Bennett, Sinead Murphy, Elizabeth Fleming, Esther Cahill, Niamh Ryan.

## CRICKET CLUB BEATEN

On Sunday afternoon last Lismore Cricket Club played hosts to University of Limerick in the Munster Junior League. Both sides were understrength for this clash.

Batting first Lismore could only hit up a very low score of 46 runs on an ideal wicket for batting. Ray Bryan was the only Lismore player to achieve double figures.

The Limerick side passed this total for the loss of 4 wickets.

Lismore team — W. Boyle, B. Power, R. Bryan, B. Dungan, E. Flynn, J. Sheenan, C. Crowley, A. Shane, D. Dungan, J. Sullivan, D. Edwards.

Next Sunday Lismore play away to Clonmel while on Saturday week June 24th they play in Woodstown in the cup.

## LISMORE ENTENTE FLORALE COMMITTEE

We are appealing for more people to volunteer for litter patrols and sweeping duties. We will be selling strawberries and cream in the Mall on Saturday, your support is requested. The town is looking more colourful as the weeks go by. Please remember Thursday August 10th is judging day.

## ANSWER TO SOCCER QUERY

Last week we wrote of Pat O'Connor director of Maeve Binchy's "Circle of Friends" and said how he was a member of the Lismore team that won a trophy for the Lismore Soccer Club - the first trophy in their existence. We asked could any explayers or readers remember the competition or year.

The answer is a Lismore Festival competition on the 4th August 1970 when Lismore defeated Killeagh in a tournament sponsored by Lismore Hotel - owned and managed at that time by the Scott family.

The team was — Billy Cunningham (goal), full backs - Pat Healy and Johnny Ryan; half backs - J. F. O'Sullivan, J. P. O'Sullivan, J. O'Connell (Happy), forwards - Denis Atkins, Ronnie Keating, Paddy Pollard (capt.), Paddy Mason, Jimmy O'Connor.

Subs. — Pat O'Connor, Johnny Whelan, Marty McNamara, Paddy Scanton.

The score was 2 goals to 1 goal with Keating and Healy scoring. The referee was Trevor Enderson.

Some nights later this same team defeated a Cork A.O.H. selection as part of the Festival with the Cork side including a number of League of Ireland players. This was billed as an exhibition game with Lismore winning by 3 goals to 1 goal.

# Local Businesses Urged To Make Extra Effort

Dungarvan Chamber of Commerce in conjunction with Dungarvan U.D.C. would like to appeal to all property owners within the Urban Area to brighten up their premises and forecourts.

Over the past five years Dungarvan has improved it's marking dramatically within Board Failte's Tidy Town Competition and an extra effort will have to be made this year to sustain or improve on last year's performance.

a few black spots in the Town Centre where a lick of paint would do no harm so please enter the spirit of welcoming our visitor's to a bright and progressive town.

Already this year painters have been at work brightening up shop fronts in and about the Town Centre with imaginative colour schemes. Window boxes filled with flowers have appeared on many a window sill courtesy of Willie O'Connor and the businesses who co-operate in the window box scheme, are to be congratulated for it is this feature of our town which impacts most positively on our tourists.

We lose marks every year because of the litter problem. Litter bins are supplied and it behoves all citizens to keep our streets clean. A more insidious development in recent years has been the spoiling of our beautiful cobble lock brick footpaths with chewing gum. We can only appeal to those who discard this gum onto our footpaths to be more considerate in future.

With an anticipated increase in tourist numbers this year of 30% to 40% it is not unreasonable to expect a similar increase in participation in the Window Box Scheme. There are still

We don't want to dwell on the negative aspect only to say that if Dungarvan portrays a vibrant colourful progressive image not alone will it attract more tourists but it could be the decisive factor in attracting inward investment with more jobs and a better standard of living for everyone.

# More Job News From FHS

Food Hygiene Systems Ltd (FHS) the 10 week old Dungarvan based company, which last week was described by Mr. Bertie Ahern "as already an outstanding success and a company he expects to power from strength to strength" has announced the creation of 81 new jobs, in addition to the 25 people already employed bringing a total of 106 by early 1996.

The 106 new jobs will be based throughout the country with 51 of same in Dungarvan. This figure is

comprised of the 17 already employed in Dungarvan, 20 new positions advertised last week and an additional 14 Sales, Installation and Assembly positions.

The balance of these jobs will be based in FHS companies in Kilkenny and Thurles and FHS Joint Ventures in Cork, Kerry and Galway. The positions will be comprised of Sales, Customer Services, Installations and Assembly Personnel.

The above is Phase 2 of FHS 4 phase development plan, Phase 3 will involve

FHS opening operations in the North East and Northern Ireland. Phase 3 plans will be finalised in August 1995 and will be announced in early September. This will involve the creation of further jobs.

Phase 4, will be announced in November 1995 and will involve the company launching a range of products for the commercial and domestic markets in Ireland.

### NEW COMPANY BY JULY

Business Development Manager Michael Morrissey explained the above jobs all

involved the company's current range of Upgrade Systems. FHS is already planning to launch Food Electrical Service Division in July and supply Electrical Upgrades to Dairy Farmers and Food Processors. Depending on the success of this new company it could boost jobs further. He also added a word of caution, that, in business nothing is guaranteed and FHS's ability to create the additional jobs will depend on its success in maintaining Quality and Customer Service objectives while still managing its aggressive growth plans. The company will also need State support.

## Munster Superintendents Demand Pay Increase

Garda superintendents from Munster have met to discuss their demands for an increase in pay from Justice Minister Nora Owen.

They have complained that in some cases their salaries are less than what is being earned by those in the lower inspector rank.

Members of the Association of Garda Superintendents from all over Munster and Kilkenny met in Mallow

where they voiced their frustration over lack of progress on their demands for higher salaries.

Almost every superintendent from these areas attended the meeting which was addressed by members of the national executive, including the president Fred Garvey, vice president Michael Needham and the treasurer Tony Finnerty.

Villierstown Church was packed to overflowing last week for a delightful musical evening hosted by Lismore Choir. On this occasion, the choir were joined by the Kingsley Choral Group from Dagenham in Essex, who travelled over to West Waterford at the invitation of Lismore Choir. The evening proved to be one of choral excellence, a symphony of sound, and well undoubtedly go down as one of the most enjoyable evenings entertainment to be heard in West Waterford for a long time. This was reflected in the tremendous applause given by the very appreciative audience.

Deirdre Hallahan, chairperson of Lismore choir opened the evening by extending a "Cead Mile Failte" to the KCG. She continued, "We hope they enjoy our Irish hospitality and our Irish weather. We live in historic times when it seems that peace will be possible at last in our country.

Tonight, we join together in song and celebration".

Tom Johnson, director of the KCG responded by thanking Lismore Choir for the fantastic welcome accorded to the KCG and for the marvellous hospitality extended to them by Lismore Choir.

The concert opened with several numbers sung with great vocal verve by the KCG. Among the pieces were the Irish airs "My Love's" and "Arbutus and "How are Things in Glocca

Morra." Lismore Choir excelled with their lively renderings of "The Kerry Dances", "Ching a - Ring Cha" and "My Fair and Rare One". The two choirs combined beautifully to sing "I Know Where I'm Going", "Laudate Dominum", and "To Night" (West Side Story). The KCG displayed their diverse talents yet again in their interpretation of "The Nearness Of You", "New York, New York" and "In the Still of the Night". The evening concluded with both choirs combining to sing "Gloria in Excelsis Deo" from Vivaldi's "Gloria".

Altogether, it was a splendid evening with excellent accompaniment from Colin Nicholls and Carol Lucas on piano. As one long time follower of Lismore Choir remarked "Lismore Choir can justly claim to have made an immense cultural and musical contribution to the West Waterford area over the last thirteen years".

The KCG arrived at the Park Hotel, Dungarvan on Friday evening and were greeted on their arrival by the members of Lismore Choir. The following morning, they were brought on a scenic tour along the coast road to Ardmore and Youghal, were the various places of interest were shown to them by Deirdre Kennefick and Deirdre Hallahan. In Midleton, they toured the Jameson Heritage Centre. They arrived back in Villierstown for a sumptuous lunch with Lismore Choir, and were entertained to a fine display of Irish dancing by the Villierstown Dee School of Dancing. After the musical evening, Lismore Choir hosted a splendid meal for the KCG in West Waterford Golf Club, followed by several hours of musical merriment. On Sunday morning, the KCG were brought on a tour of the Heritage town of Lismore, where they were shown the places of historical interest by Deirdre Kennefick. At St. Carthage's Cathedral, Lismore, they were greeted by Rev. Dean Weekes and were brought on a tour of the Cathedral. The Dean made presentations of Celtic Crosses to both Choirs. He explained that the oak used in these crosses was the original wood of an oak tree planted in the seventeenth century when the Cathedral was rebuilt. The joint choirs sang the "Laudate Dominum" at the service of Holy Communion.

After refreshments in the Cathedral, the KCG said farewell to Lismore choir and departed. Lismore Choir have been invited to visit Dagenham early in 1996.

## THIS WEEK TEAGASC Says

### BALED SILAGE

While much of the early first cut silage is now made, baled silage making is only starting. There was a huge increase in the amount of baled silage made in the past 2 to 3 years, mainly because of poor haymaking weather.

Baled silage is most suited to

- (i) Where light cuts are taken, as the charge is on a per bale rather than a per acre basis
- (ii) Good wilting conditions, as the cost is lower due to fewer bales per acre from wilted material and good preservation can be obtained without additives.
- (iii) Farms where there are no silos.
- (iv) Where small quantities of surplus grass can be conserved as silage late in the season.

### DRY MATTER

Baled silage is basically a wilting system. In the absence of wilting, problems can arise with silage preservation, effluent production, wrapping and bale shape stability. Cost also escalates at low dry matter because of the higher number of bales per acre compared to wilted material.

For example a 12 tonne crop of grass baled directly will produce about 18 bales per acre, which at a baling and wrapping cost of £5/bale, amounts to £90/acre. If the same crop is wilted to 30% D.M., the number of bales will be reduced to about 11 per acre which brings the baling and wrapping cost back to £55/acre. Wilting eliminates the need for an additive to aid preservation, even in leafy crops, provided the dry matter is got up to about 24% D.M. In relation to effluent, there should be no accumulation in baled silage, at or above about 23% D.M. This is a lower threshold D.M. level for effluent production than in clamp silage, as the compaction in bales is only general, therefore, aim at dry matter level to 25% to 35% D.M. at calving

### DISADVANTAGES

The main disadvantages with a wilting system are:

- (a) It is weather dependent.
- (b) Field losses occur during the wilting period.
- (c) Feed utilisation is lower.

Trials by Dermot Forristal at Oakpark show that any treatment that spreads the swath out over the total area speeds up drying.

In good weather a swath left undisturbed after mowing is likely to increase in dry matter by 2 - 3 units over 24 hours. Tedding twice will at least double the drying rate.

### SHEEP DIPPING

Ewes need to have at least 2-3 weeks of wool regrowth before dipping. The job should be done on a dry, but not very hot day. Dipping is a job that can be done well or done badly. The same amount of work is involved either way, but there is no comparison in the result.

Make up the bath according to the dip manufacturers' recommendation, if you do not know the capacity of your tub, you can calculate it as follows:

Average Width (ft.) x Average Length (ft.) x Liquid Depth (ft.) x 6.25, gives your answer in gallons.

Always replenish the wash according to the specifications on the container as dipping proceeds. Most unsatisfactory dipping results from non-adherence to this aspect, or to insufficient time in the bath ideally one minute but not less than 45 seconds.

### POLLUTION

Spent dip is a pollutant. Dips which contain Phenols are particularly dangerous around rivers and streams. Dispose of spent dip by dilution and spraying from vacuum tanker - 1 part dip to 3 parts slurry or water.

The R.E.P.S. Scheme insists that outlets at the bottom of dipping tanks must be permanently sealed. Always wear protective clothing when dipping.

### POST DIPPING LAMENESS

Non-phenol dips need a Bacteriostat, if the wash is to be used on consecutive days. This is important - postdipping lameness can be a significant problem where it occurs. Inclusion of Alum or Zinc Sulphate in the wash at 10 Lbs. or 5 Lbs. respectively per 100 gallons will control mycotic dermatitis (lumpy wool). This condition has become very common in recent years.

### SPRING BARLEY

There is a wide variation in growth stage and vigour of crops. Early sown crops are now at full flag leaf and growing well. Those late sown were slow to establish and develop and are now at ground first node stage. Mildew is widespread and severe in unsprayed varieties. Rynchosporium is present at trace levels in localised areas and BYDV symptoms are widespread at low levels. Fungicide choice and rates will depend on mildew levels.

Photographed recently at the summit of Ireland's highest mountain, Carrauntoohil, Co. Kerry, were mountain climbers Elaine and Eamon O'Brien from Mitchelstown and Jack and Raymond Clancy from Dungarvan. A tall metal cross dominates the summit of the 3,414 foot high mountain

# IFA Dairy Chairman Says VAT On Temporary Leasing Causing Unnecessary Confusion

Waterford IFA Dairy Chairman, Gerald Curran, expressed concern at the level of unnecessary confusion among farmers on the issue of the VAT treatment of temporary leasing of milk quota through co-ops.

The IFA man stressed that following clarification from the Revenue Commissioners, it was a fact that very few dairy farmers would be in any way affected by VAT on quota leasing.

He pointed out that most dairy farmers are not registered for VAT and that they will not be liable for VAT when leasing temporary

quota to their co-op. Only farmers earning more than £20,000 from non-agricultural services, such as leasing or contracting, are obliged to get a VAT registration.

The IFA man explained that the Revenue Commissioners have, however, granted a concession whereby over and above his agricultural income, a dairy farmer may earn up to £20,000 from temporary leasing alone, and earn additional income from other service activities (provided these do not exceed £20,000) without becoming liable to

register for VAT.

A non-registered dairy farmer who earns more than £20,000 by leasing his quota to his co-op must register for VAT. To earn this level of income, the farmer in question would have to lease more than 74,000 gallons at 27p per gallon, a situation that will only arise for a small proportion of dairy farmers.

A farmer who leases quota from his co-op will not have to pay VAT, whether or not he/she is VAT registered. This is because the co-op carrying out this quota redistribution

is acting as the agent of the Minister for Agriculture, who is exempt from the point of view of VAT.

In the very few instances where VAT is charged by VAT registered farmers, the VAT element will not result in dearer temporary leasing. In fact, all the indications are that the temporary leasing price will be a maximum 27p per gallon, including 21% VAT.

"Farmers who are leasing quota with land are not affected by these rules, as land and quota transactions are exempt from VAT," Gerald Curran concluded.

## 1995 May Be Best Ever For Milkers Says Dairy Board

This year will be one of the best, if not the best ever, for our dairy farmers, according to Irish Dairy Board (IDB) managing director, Dr. Noel Cawley.

The board has been returning the highest price ever to co-ops at the equivalent of £1.24 per gallon — and it looks as if current prices paid to farmers should continue for the important peak supply months of May and June.

This good news emerged when IDB's impressive results for 1994 were announced recently. It had a record surplus before tax of just over £19 million, an increase of 4.3 per cent on the previous year, even though turnover was down by 4 per cent to £1.16 billion.

It was quite clear from Dr. Cawley's report that the board is not afraid of the

challenges that lies ahead. Record prices for milk cannot last forever, especially with so much change taking place through both CAP reform and GATT, but the board is actively involved in an assessment of future CAP policy and market framework for the dairy industry.

This means a change of course in order to tackle any problems that may arise. In fact, IDB is at present undergoing an entire refocusing of its dairy export strategy, especially as regards product mix and market outlets, making sure that there are no unpleasant surprises down the road in an already competitive world market.

In overall terms, said Dr. Cawley, the Irish Dairy Board is well structured to face the demands of the future, whatever they may be.

## Co. Waterford ICMSA News

John Quigley, Area Officer with ICMSA for South East region outlines below the provisions in the 1995 Finance Bill and Disease

Eradication.

### THE 1995 FINANCE BILL PROVISIONS

The Bill provides for special tax treatment of profits

resulting from the disposal of livestock due to statutory disease eradication programmes. The special treatment is in two parts.

1. — Profit (reactor sales and reactor compensation less the book value of animals) will be excluded from income for tax purposes in the accounting period in which the disposals took place.

This profit will instead be deemed to arise in two equal instalments in each of the next two account periods.

Example: 1995 Opening value of livestock, £45,000; Reactor Sales and Compensation, £54,000; "Profit", £9,000. This profit figure of £9,000 will not form part of income for the 1995 accounting period. In 1996 £4,500 will be deemed to arise, and will be included as income for tax purposes.

2. — 100 per cent stock relief will apply in the two year deferred periods, subject to the amount reinvested in replacement stock.

The special allowance will apply to disposals which took place on or after April 6, 1993.

Following the publication of the Finance Bill, ICMSA met the Department of Finance and Revenue Commissioners representatives. Among the changes to the Bill sought by ICMSA were:

1. — The special provisions should apply in cases of disposals of part of the herd, rather than being confined to total depopulation;

this is required in any event in the case of Brucellosis.

2. — The deferral period should be longer than two years.

3. — The two equal instalments provision is too rigid and may not provide for all cases where farmers are rebuilding their herds following disease.

Following the ICMSA meeting the Minister for Finance introduced an amendment at the Committee Stage of the Bill, which allows the special measure to apply in the case of Brucellosis where all eligible are disposed of, even though male animals may remain in the herd.

Despite detailed suggestions by ICMSA on how the special measure could apply in cases where part only of the herd is removed, the requirement for total depopulation remain for TB.

The combination of the tax deferral and 100% stock relief will in most cases result in no additional liability to tax arising because of animal disease and disposal of stock.

ICMSA will monitor the operation of this measure during the year and will seek necessary changes as part of our 1996 Pre-Budget Submission.

Meanwhile the Co. Waterford Executive wish to announce that entry forms for the "Family Farm Environmental and Conservation Award" are now available from Teagasc or ICMSA officers. The winner will be announced at the Dungarvan Show.

## IFA Says "Huge Opportunities" For Irish Light Lamb On Spanish and Portuguese Mar-

"Huge opportunities exist for increasing the sale of Irish light lamb to Spain and Portugal," according to Waterford IFA Sheep Committee Chairman, Harry Gray.

Mr. Gray said: "The establishment of contract arrangements between Irish producers and processors is one of the best roads forward to maximising the full potential of this market. In this way, specifics regarding weight range, meal feeding, management and disposal dates can be tailored to meet exacting customers requirements. In addition, prices can also be agreed to take account of management and feeding costs, minimising the exposure to producers."

Mr. Gray pointed out that the market requirement in Spain is for a carcass weight of 10-13 kg. and light mountain meal-fed lambs suited for this trade. "The production system for meal-fed lambs involves feeding concentrates to store lambs for 30-40 days to ensure the

carcass meets Spanish retail specifications."

Mr. Gray said that IFA would continue to pursue the potential for this trade by bringing together the major exporters, light lamb producers and feeders.

The Waterford IFA Sheep Committee Chairman pointed out that meal-fed lambs were supplied for the first time from Ireland in significant quantities last year.

Senor Morilla, President of Mercadona Supermarkets, said he was very satisfied with the quality of lamb he purchased from Ireland last year and hopes more Irish farmers will respond to this new market opportunity.

Mr. Gray said that Spain has a market requirement for up to 18,000 tonnes of sheep meat imports annually. In 1994, Ireland exported 1,800 tonnes to Spain, the equivalent of 140,000 head of light lambs and there is significant potential for further growth in this market in 1995.

## IFA/AIB Launch Loan Scheme For Farmers

A low cost loan package aimed at helping small to medium-sized dairy farmers to purchase additional milk quota through their co-op under the Milk Quota Restructuring Scheme was jointly launched by the IFA and AIB recently.

In welcoming the package, IFA President, John Donnelly called on the Minister for Agriculture, Ivan Yates to urgently finalise the details of the 1995/96 restructuring scheme, particularly the amended criteria governing eligibility for the 50p per gallon subsidy, to allow dairy farmers gain the earliest possible access to the restructured quota.

The AIB/IFA Milk Quota Loan Package he said meets a defined need in the market place as identified by the

IFA, provides a business opportunity for the bank in a key sector of the industry and is supportive of national policy to assist dairy farmers to improve the viability of their farming enterprises.

AIB's head of agri-policy, Lorcan Blake, said AIB were pleased to support dairy farmers participating in the milk quota restructuring scheme by providing the loan package at less than commercial rates.

The special loan package offers dairy farmers, availing of the 1995/96 milk restructuring scheme, a variable interest rate of 9.25%.

In addition, as part of the package, Mr. Blake said AIB will offer tax efficient leasing facilities from 3 to 5 years for any additional dairy equipment required.

## TALLOW G.A.A. CLUB NOTES

# Under 12 Hurlers Get Off To A Great Start

TALLOW 5-2 ST. OLIVERS 0-0

Tallow made the perfect start to the Under 12 championship with a clear-cut win over a very small young St. Olivers team at Tallow on Wednesday evening last, an ideal evening for hurling.

Playing into a stiff breeze in the first half Tallow got off to a bright start when captain and man of the match Paul O'Brien, leading by example from midfield, crashed home a goal in the second minute. Not to be outdone Paul's midfield partner, Paul Kearney, had the ball in the Oliver's net 8 minutes later. Five minutes later Paul O'Brien had a point and then just before half-time Mark O'Brien whipped on a ball to notch a goal in his

first full match in the Blue and Gold, leaving Tallow 3-1 ahead at the interval.

When the game restarted Tallow were once more into the attack and Paul O'Brien scored his second goal within five minutes. William Curley got his name on the score-sheet when he scored a fine point on the run and five minutes from the end Paul O'Brien had another goal to close the scoring.

Full marks to St. Olivers who battled with great spirit all through. It was a mismatch because twelve of the Olivers are eligible again next year and physically

they were at a big disadvantage.

When next year comes they should give a very much better account of themselves.

A good start for Tallow to a campaign which will be a testing one. They meet Abbeyside (away) on Saturday 10 June and then look forward to the home game against Fourmilewater on the following Saturday 17 June.

Special thanks to Mickey Curley who trains the young lads.

The Under 16 hurlers open their campaign at the end of the month, 26 June to be precise, so the usual

training nights, Tuesdays and Thursdays at quarter past six with Colin.

Tallow — Patrick Sheehan, Ross Tobin, John Feeney, Kieran Henley, Michael Norris, Seamus Mills, Brian Walsh, Paul O'Brien, Paul Kearney, William Curley, Aidan Kearney, Kieran Norris, Pat Aherne, Dermot Casey, Mark O'Brien. Subs. — John Beecher, Robert Geary, Michael Curley, Luke McCarthy.

**Sympathy** — Condolences to Batt Beecher, one of our most faithful and enduring supporters, on the recent death of his brother Pat Beecher, R.I.P. of Mt. Fair.

**Feile Skills** — Congratulations to Paul Murray, West Street on a gallant and unlucky bid to win the Feile County Skills competition recently. He proved himself the best in the West and in the county final was, ironically defeated by the Abbeyside boy who was second to him in the Western final. Hard luck Paul. Congratulations to Mutty Curley, Woodview Park on his £100 win last week in the Deise Development Draw. Tallow's success rate in this particular draw is quite impressive. Ensure you're in for the next one.

Tallow G.A.A. Club Benefit Night at Youghal Greyhound Track brought joy to Libby McCarthy, West End, who is richer now by a £100 which she won on the ticket draw. Our club would like to express its sincere appreciation of all the work put in by those involved in the Dog Night.

**Wedding** — Many happy years of married contentment to Trevor Sheehan and Karen Cronin who were wed on Saturday last in the Church of the Immaculate Conception, Tallow. Trevor was a loyal servant of our club both as a player and officer (he was secretary for a spell). Hurling is in his blood. His grandfather Francie Fitzgerald was a very fine hurler who distinguished himself in the Tallow jersey during the 1930's. The Cronin's have always been associated with Tallow G.A.A. Club and Karen's grandfather Micky Cronin, donned the Blue and Gold over a long number of years. Rath De orthu.

## JUSTICE

Let me say straight away that I commend the Munster Council action on that flare up at Pairc Uí Chaoimh on 21 May. For the life of me I cannot understand those who go on about "trial by television" or who claim that the investigation was, in effect, passing a vote of no confidence in the referee.

Since 1990 Rule 148 of Treoraí Oifigiúil specifically empowers the relevant authority (the Munster Council in this case) to view video evidence in investigating incidents so trial by television is nothing new at all. This rule has been invoked throughout the country over the last 5 years.

Have we forgotten that well-known Derry forward Damien Barton was suspended after the Derry/Tyrone National League game on the evidence of a video of the game. The referee hadn't spotted the foul and Damien, in fact, was invited to use the video evidence to clear himself. The Games Administration Committee thus acknowledged the importance of video film in identifying the misdemeanour. There was no protest from Derry or the player suspended.

In the Dublin/Clare All Ireland senior football semi final three years ago two players, Dave Foran and Tom Morrissey, committed personal fouls. The referee failed to spot either incident but the cameras revealed the truth and both received suspensions. Both Clare and Dublin accepted the punishments.

In 1993 when Derry and Cork met in the All Ireland senior football final there were two well-publicised incidents. The video evidence exonerated Tony Davis (he had been sent off) and convicted Niall Cahalane (he clashed with Joe Broolly early in the game). Belated justice was done.

Last year's O'Byrne Cup match between Laois and Dublin at Portlaoise was marred by an incident involving

quite a few players. Although the referee took no action the Leinster Council subsequently imposed suspensions on the chief protagonists after viewing a video of the game.

Very few referees - good ones I mean - arrogate to themselves the Almighty's prerogative of seeing and knowing everything. All should accept that, as Terence Murray remarked, "the ref, can only see so much on the day". Or as the Kerry referee Tommy Sugrue said "people do get away with things and if video helps to stop that I don't have a problem". Of course, I'd expect nothing else from experienced honourable officials like them. They would reject the opinion of the unnamed Waterford official "whose anger could not be concealed" that the match referee had been over ruled and made to look as though he failed to do his duty.

In no way did he fail in his duty. In the heat of battle (unfortunate choice of words) he couldn't always be certain of the precise identity or extent of the involvement of up to 10 players. He didn't wish to apply the advice of the indulgent mother to the teacher in regard to the disciplining of her unruly son: "if he gives you trouble slap the boy next to him". It was important that the guilty parties were clearly identified and justly punished.

I have too great a regard for the great game of hurling to do other than to applaud those whose responsibility it is to maintain discipline and who are determined that our games aren't traduced.

Hurling, an old player was fond of reminding me, is a man's game but not a madman's. Those with a genuine sense of fair play and a care for our Irish games should fully support all efforts to present them to the highest standards. Not alone should justice be done; it should be seen (on video if necessary) to be done.

## U-14 A Hurling Win For Tallow

ABBEYSIDE 2-2 TALLOW 6-4

Abbeyside was our final game in the U-14 hurling league system. Both sides were hoping on other results to bring them back into the championship.

Tallow started the better and for the first 20 minutes took total control. We opened the scoring with a point from Shane McCarthy after 5 minutes. Then after 10 minutes we got our first goal again from Shane who was hurling well at full-forward. After 15 minutes Paul Murray got a great long range point but that was to be our last score of the first half. Abbeyside then started to get going and got a brilliant goal from their midfielder which gave Paul no chance in goal. And with a minute remaining Abbeyside got a point so after having most of the play in the first half we were only a point up at half time leading 1-2 to 1-1.

We put our possession into scores in the second half getting two goals within the first 5 minutes from Shane again. Then David O'Brien decided to get in on the scoring knocking in 1-1. Paul followed his brother David by getting a goal after 15 minutes. Abbeyside then broke upfield and totted up another goal and a point to give them some chance to get back. But McCarthy said no to his and in the last five minutes got another goal and a point to bring his tally to 4-2. These were to be the final scores of the game. In the end the result stood Abbeyside 2-2 Tallow 6-4.

Overall the team played really well and in our last couple of games really showed what they were made of. Some unlucky results at the start of the league may have knocked us out of the championship.

Tallow team and scorers — Paul Kearney, Brian Walsh, Mossy McGrath, David Ahern, Michael Norris, William McDonnell, Kevin Keating, Paul Murray 0-1, David O'Brien 1-1, Paul O'Brien 1-0, William Henley, Alan Tobin, Paul Geary, Shane McCarthy 4-2, William Curley. Subs. all used — Pat Ahern, Patrick Sheehan and Mark O'Brien.

The team and selectors would like to thank the following people for transporting the players around. John Murray, Jack Ahern, Maura Ryan, Tara Ryan, Rachael Ryan, John McDonnell, Liam Henley, Sean Sheehan, Billy Sheehan, Mickey Curley, Tom McSweeney, Colin Cunningham and anybody I may have forgotten.

## Mrs. Elizabeth (Lizzie) O'Keeffe (nee Hurley), Newtown, Ballynoe R.I.P.

The recent death of Elizabeth O'Keeffe of Newtown Cottage, Ballynoe, evoked much sadness in the parish and its immediate environs where she was deservedly popular. She was wife of the late Tommie O'Keeffe who predeceased her a number of years ago.

In failing health for some time, her great perseverance as a regular Mass goer despite all weathers was one of her outstanding qualities and she portrayed that true Christian neighbourliness with her kindly smile and abounding generosity always. Her departure leaves a void in the area and fond thoughts of her will forever linger in our minds.

Our deepest sympathy is extended to her daughters Mrs. Nellie Casey, Newtown and Mary, Newtown Cottage, son, Fr. John O'Keeffe, S.J. Limerick, brother, Billy (England), sister, Bridie (England), son-in-law Pat Casey, grand-children, aunt, sister-in-law, nephews, nieces and many relations and friends.

Her funeral, after Requiem Mass in St. Catherine's Church, Ballynoe, celebrated by her son Fr. John O'Keeffe, S.J. Limerick assisted by several priests from the Jesuit Order from Dublin and Limerick as well as the local priests, Fr. Lomasney C.C. and Fr. Kelleher P.P., Fr. Buckley, Middleton, took place to the family plot in Ballynoe cemetery and was of large dimensions indicating the great esteem in which she was held. I lathain De go mbeidh si feasta.

# Tallow Company Scoops Prestigious Award

Photo shows Ms. Noreen Hynes, Chief Executive Consolidated Holdings Ltd. presenting a sculptured piece to Sean Tobin, Managing Director Goalpost Ireland. The beautifully sculptured award represents "gentle strength."

Tallow based company Goalpost Ireland Ltd. was the proud recipient of a client award recently under the UCD Marketing Development Programme.

Since its inception in 1983, the programme has worked closely with more than 650 client companies. The most successful of these client assignments were chosen at the programme's second annual Client Award Ceremony, attended by over 350 guests.

Representing Goalpost Ireland, was Managing Director Sean Tobin who accepted the beautifully designed award in the entrepreneurship category.

As part of the UCD programme, recent marketing graduates work on real marketing and management problems for clients. The undoubted success of the programme is reflected in the stature of some of the award winning clients such as Jet Oil, An Bord Gas and Tallow's own Goalpost Ireland.

## SUCCESSFUL DEVELOPMENT

Sean recognised the need for a manufactured product for his Engineering Business very shortly after starting Tobin Engineering in Tallow in 1980. After early over exposure to the Agri-Market his company positioned itself as the resident anchor engineering fabricator for the main local factories. But the company was still only a fobbing shop responding dynamically to customer crises and maintenance projects.

The successful development of Goal Post Ireland in 1990 stabilised the operation. The company could now plan production in response to Goal Post seasonality factors.

Manufacturing their own product consolidated the workshop production flow. Goalpost was Sean Tobin's first product success. A number of earlier product efforts proved not to be feasible.

After five years Goalpost Ireland has positioned itself as the specialist Goalpost de-

signer, manufacturer and supplier to Ireland's major sporting organisations GAA, FAI, IRFU, HOCKEY.

The real success came from action. The company pro-actively sold its products and gave the service they promised. The safety, probability, ease of assembly, storing bags and precision design features satisfied an obvious need in the Irish market.

The establishment over time of Goalpost Ireland as the national specialist design and supplier to all sporting denominations inevitably led to further new support related products.

The small Co. Waterford specialists company has benefited from research studies before each launch by the

Smurfit school students. Each research study identified a number of mis-assumptions by the promoter. Whilst initial reaction was sometimes hostile, experience has conditioned the company to accept more readily research findings. They now treat them as early warning signals which are addressed immediately.

Independent formal market research is now an inherent element of the company's product development process.

The successful use of Goalpost products by the GAA and Cummainn na mBunscoil during the All Ireland finals every year has been of great market assistance to the company which was also featured during the R.T.E. series of 'Up and Running'.

# Touraneena Notes

## WOMEN'S GROUP

At the last meeting there was a large attendance. Plans were made for the coming months up to Christmas. Line dancing is going very well as also are the other games. It is hoped to have first aid classes for the winter. Shane Houlihan gave a very interesting talk on car maintenance and Mary Tobin was the lucky winner of the raffle prize. A reminder to all that the tea party is on this Friday night.

## ST. MARY'S TOURANEENA NATIONAL SCHOOL NOTES

On Wednesday night we

played St. Mary's from Dungarvan. St. Mary's started this game kicking two early points but Touraneena responded in the best possible way with a Valerie Power goal. Our other scorers were Sharon O'Connor with a great goal, while Michelle Power kicked three points one of which was score of the game and Julia Walton with a point. In the last minute of the game Touraneena were within six inches of winning the game when the ball was heading for the net but was cleared off the line and was brought up the field and St. Mary's scored a point to leave them winners on the scoreline of 2-7 to 2-4.

### SATURDAY NIGHT SCOUTS

This weekend the troop were on the move. It was the first weekend for the troop under canvas with 24 scouts making the trip to the Glen. The troop were to be in the Glen at 7.00 p.m. The patrols were to organise their own transport up. The gear was brought up by an old friend of the 4th Waterford, Tomas Walsh Jr. Many thanks to Tomas for his help. The marquee was already up since Thursday with the help of Fintan, Paddy and Brian under adverse conditions (being eaten alive by the swarm of flies). The patrols were given their tents and their sites. The campsite didn't take long to take shape with the patrols working like beavers to get the tents up. The fire areas were also issued. Five ridges were pitched and two frame tents. There were only 3 patrols for the weekend - the P.L.'s for the weekend were Ronan McCarthy, Graham Shepherd and Garvan McCarthy. The night was finished off after all the gear and food was stored away with a short camp fire and a story from Brian. The Scouts had supper before the camp fire. All the Scouts went to bed but not all to sleep after the campfire.

ers. The troop returned the way they came to find the missing Scout was already there. Tracking signs were done next on a timed basis ( I bet the lads will listen to Tomas Kiely in future.). All enjoyed this. It was then time for lunch. After lunch all the Scouts went for a 'quick' swim with Brian and Tom. After the swim there was some free time and at this time we were joined by Ray Moore and his little helper (who didn't want to go home). Ray was up to mark the troop outdoor cooking competition. The cooking started at 4.30 p.m. All the patrols got straight to it and produced some great food, well done lads. The standards were very high as always in the 4th, with only a few points between 1st and 3rd and only one point between 1st and 2nd. The winners were Graham Shephard's patrol. Well done lads. After the tidy up was done and the final inspection, the Scouts went on a hike after the test meal. When the Scouts came back from the hike they had their supper and went town to the campfire which was burning and a campfire started with all the patrols getting involved although it took longer for some. It was then time for bed.

Saturday started with rise around 8 a.m. with the first thing on the cards being breakfast. After breakfast the Scouts got ready for a hike which as Brian said "was shaping up to be a good hike". When a head count was taken it was found a person was missing. The Scout who went missing had gone back to the campsite, where the P.L.'s were preparing other activities and said nothing to the hike lead-

Sunday morning was a late start. At 9.30 a.m. the Scouts had breakfast and after this bases were done around the Glen but time was against us. Lunch was at 1.45 p.m. and after this a uniform inspection was carried out. We were joined by Fr. Ahearne Troop and Regional Chaplin who celebrated Mass and after Mass the site was taken down and Tomas arrived to collect the equipment. Special thanks to all who helped in any way over the weekend or in the run up to the weekend. Scribe.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. Grateful thanks to the Blessed Virgin for favour received. — A.B.E.

O'Donnell. A fine display of walking by both boys boys held their 1st and 2nd positions respectively throughout the race. Tish Coady, Karen Power and Lia Ni hAodh went well in the girls under 13 walk.  
 William Collins took two medals coming 3rd in both the 100 and 200 metre races. Good running from Jonathan Murphy also.

**Letters to the Editor SEARCH FOR SISTER**  
 Dear Sir,  
 I hope your readers will be able to help us in our search for our sister Mary Barry, born 1934 in Fulham, England, to Stephen Barry and Mary Barry, formerly Thompson of Lismore, who married in England in 1934.  
 Mary Barry/Thompson died on the birth of her daughter Mary and the child was sent back to live with relatives approximately 1935/36.  
 We understand Mary Barry/Thompson had a sister in New Street, Lismore, but the child was not returned to her. There was also a brother (name unknown). My father remarried to my mother and we were not aware of our sister's existence until my mother told us shortly before her death.  
 We have been searching for several years and visited Ireland to try and trace our sister. If any reader has any information on Mary Barry or any living relatives, please contact Mrs. Josephine Vincent (née Barry), Apple Cottage, 7, Weydon Lane, Farnham, Surrey GU98QG, England.  
 With thanks,

## IN MEMORIAM

**CROTTY** — Thirteenth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

What she suffered she told but few,  
She did not deserve what she went through,  
Tired and weary she made no fuss,  
But tried so hard to stay with us.  
I sat beside your bedside,  
My heart was crushed and sore,  
I did my duty to the end,  
'Til I could do no more,  
In tears I watched you sinking,  
I watched you fade away,  
And though my heart was breaking,  
I knew you could not stay.  
You left behind some aching hearts,  
That loved you most sincere,  
I never shall and never will,  
Forget you, mother dear.  
(Sadly missed by her son Willie, Nellie and family.)

**CROTTY** — Thirteenth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

A thousand words won't bring you back,  
We know because we've tried,  
Neither will a million tears,  
We know because we've cried.  
Sometimes we think we're dreaming,  
We cannot believe it is true,  
That we can all go on living,  
Now that we no longer have you.  
(Sadly missed by her loving daughter Mary, and grandchildren Maria and Stacey.)

**CROTTY** — Thirteenth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years.  
It does not take a special day,  
For us to think of you,  
Each Mass we hear, each prayer we say,  
Is offered up for you.  
We cannot bring the old days back,  
When we all together,  
The family chain is broken now,  
But memories live forever.  
(Never forgotten by your daughter Kathleen, Locky and family.)

**CROTTY** — Thirteenth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

God saw you getting weary,  
A cure was not to be,  
He put His arms around you,  
And whispered come to me.  
So keep your arms around her, Lord,  
And give her special care,  
Make up for all she suffered,  
And all that seemed unfair.  
We prayed for a miracle, but all in vain,  
For God to make you well again  
We tried to smile and help you along,  
Knowing tomorrow you might be gone,  
We laughed out loud but sobbed inside,  
For the awful truth we had to hide.  
We seldom ask for miracles,  
But today just one would do,  
To leave the door wide open,  
And see you walking through.  
There comes a time for all of us  
When we must say goodbye,  
But faith and hope and care and trust,  
Can never, never die.  
Although the curtain falls at last,  
Is that a cause to grieve,  
The future's fairer than the past,  
If only we believe.  
Trust in God's eternal care,  
So when the Master calls,  
Let's say that life is still more fair  
Although the curtain falls.  
(Never forgotten by her loving daughter Pearl, Willie and family.)

**CROTTY** — Thirteenth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

You have only one mother,  
Patient, kind and true,  
No other friend in all the world,  
Will be the same to you.  
When other friends forsake you,  
To mother you return,  
For all her loving kindness,  
She asks nothing in return.  
Sweet Jesus take this message,  
To our mother up above,  
Tell her how we miss her,  
And give her all our love.  
(Always remembered by your loving daughter Breda, Paddy and family.)

**CROTTY** — Thirteenth Anniversary — In loving memory of my dear grandmother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

If I could have just one wish,  
Here's what I would say,  
I'd ask to have my love back,  
Just like the good old days.  
I never ask for miracles,  
But today one would do,  
To have my front door open,  
And to see my Granny walk through.  
(From your granddaughter Bids and great-grandchildren Kelly, Stacey and Gerald.)

**CROTTY** — Thirteenth Anniversary — In loving memory of my dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

As time goes by without you,  
And days turn into years,  
They hold a thousand memories,  
And a million silent tears.  
You showed us love and kindness,  
You showed us how to care,  
You bound us all together,  
With a love few families share.  
Someday we will meet again,  
Where sorrow is unknown,  
We will fold our arms around you,  
And tell you we've come home.  
May the God of love be with you, Mam,  
And grant you eternal rest.  
(Always remembered by her loving daughter Ann, Joe and family.)

**CROTTY** — Thirteenth Anniversary — In loving memory of our dear mother, Margaret Crotty, 51 Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

We sat beside your bedside,

We did our duty to the end,  
'Til we could do no more.  
In tears we watched you sinking,  
We watched you fade away,  
And though our hearts were breaking,  
We knew you could not stay.  
You left behind some aching hearts,

Forget you, mother dear.  
(Never forgotten by John and Joseph.)

**CROTTY** — Thirteenth Anniversary — In loving memory of Margaret Crotty, late of Congress Villas, Dungarvan, who died on June 7, 1982. R.I.P.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,  
That someone is our mother,  
The best beyond compare.  
(From your loving daughter Eileen, Maria, John-Paul and Craig.)

**CROTTY** — First Anniversary — In loving memory of Eileen Crotty, Kiely's Cross, Grange, who died on June 14, 1994.

The blow was hard, the shock severe,  
To part with you we loved so dear,  
Our loss is great, we'll not complain,  
But trust in God to meet again.  
(Always remembered by your loving husband Tommy, son Michael, daughter-in-law Margaret, grandchildren David and Lorraine.)

**CUNNINGHAM** — First Anniversary — In loving memory of Moss Cunningham, Ballyheeny, Clashmore who died on June 13, 1994.

We hold you close within our hearts,  
And there you shall remain,  
To walk with us throughout our lives,  
Until we meet again.  
So rest in peace, dear loved one,  
And thanks for all you've done,  
We pray that God has given you,  
The crown you've truly won.  
Will those who think of him today,  
A little prayer to Jesus say.  
(From your loving wife Peg and family at home.)

**CUNNINGHAM** — First Anniversary — Treasured memory of my wonderful Dad, Moss Cunningham, Ballyheeny, Clashmore who died on June 13, 1994.

Sad is the heart that loved you,  
Silent the tears that fall,  
Living life without you, Dad,  
Is the hardest part of all.  
As I held your hand that evening,  
I knew I would have to part,  
With a kind and loving dad,  
Whom I loved with all my heart.  
You faced the end with courage,  
No one knows the pain,  
But I have the consolation,  
Nothing can hurt you again.  
(Forever in our thoughts and prayers — your loving daughter Kate, Edmond and family.)  
First Anniversary Mass in Clashmore Church on Wednesday, June 14, at 7.30 p.m.

**KIERNAN** — Sixteenth Anniversary — In loving memory of my dear father, Peter Kieran, late of 14, New Street, Lismore, who died on June 3, 1979. R.I.P.

I want to tell you something, Dad,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to do without.  
I wish I could see you, Dad,  
Sitting in your chair,  
I wish I could go back home,  
And find you waiting there.  
It seems like only yesterday,  
The wound is still so sore,  
For every hour of every day,  
I miss you more and more.  
They say that hearts don't really break,  
Dear Lord, that is not true,  
The day you took my Dad from me,  
You broke my heart in two.  
(Sadly missed and never forgotten by your loving daughter Mary, Phil, Deldre, Liam and Laura.)

**KIERNAN** — Sixteenth Anniversary — In loving memory of my dear father, Peter Kieran, late of 14, New Street, Lismore, who died on June 3, 1979. R.I.P.

A special day, another year,  
A loving thought, a silent tear,  
A little prayer to keep in touch,  
With the one we love and miss so much.  
(Sadly missed and never forgotten by your loving son Peter, Jakkil, Vicky, Robert, Adam and Shauna.)

**LEAHY** — First Anniversary — In loving memory of John Leahy, late of Ballintlea, Old Parish, who died on June 20, 1994.

We sat beside your bedside,  
Our hearts were crushed and sore,  
We did our duty to the end,  
'Til we could do no more.  
In tears we watched you sinking,  
We watched you fade away,  
And though our hearts were breaking,  
We knew you could not stay.  
You left behind some aching hearts,  
That loved you most sincere,  
We never shall and never will,  
Forget you cousin dear.  
(Inserted by all cousins at home and abroad.)

**MANAHAN** — Second Anniversary — In loving memory of James Manahan, late of Ring, Dungarvan, who died on June 13, 1993.

A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years.  
(From your loving wife Biddy and family.)

**MANAHAN** — Second Anniversary — In loving memory of James Manahan, late of Ring, Dungarvan, who died on June 13, 1993.

I miss you, Dad, I always will,  
Your vacant place no one can fill,  
As long as life and memories last,  
You will live forever in my heart.  
So forgive me, Lord, if I still weep,  
For a wonderful Dad, I could not keep.  
(Love you always — your daughter Breda, your son-in-law Clifford and grandchildren Natalie and Keith-James.)

**MURRAY** — Third Anniversary — In loving memory of Hannah Murray, late of Kilmurray, Dungarvan, who died on June 11, 1992. Masses offered.

As time goes on without you, Mam,  
And days turn into years,  
They hold a million memories,  
And a thousand silent tears.  
For we who loved and lost you,  
And whose parting brought such pain,  
We will cherish every memory,  
In a world that is never the same.  
(Never forgotten by her sons Noel, Michael and Dan.)

**MOLONEY** — Thirty-first and Eighth Anniversaries — In loving memory of Edmond and Margaret Moloney, late of Cushcam, Dungarvan, who died on June 11, 1964 and June 15, 1987. R.I.P. Mass offered.

As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you both,  
As life goes on its way.  
Time may heal the heartaches,  
Like the smile that hides the tears,  
But happy memories keep you close,  
Despite the passing years.  
Will those who think of them today,  
A little prayer to Jesus say,  
(Always remembered by their loving sons and daughters at home and away, also their grandchildren and great-grandchildren.)

**O'ROURKE** — Fourth Anniversary — In loving memory of our dear mother, Johanna O'Rourke (nee Nagle), late of 14, Cathal Bruga Place, Dungarvan and Wembley, Middlesex, who died on June 15 1991.

If you had spoken before you died,  
These are the words you would have sighed,  
Goodbye my family, my life has passed,  
My love for you will always last.  
Grieve not for me but courage take,  
And love one another for my sake.  
As time goes by and you grow older,  
My hand will rest upon your shoulders,  
Don't be sad or weep for me,  
Be happy my loved ones when you think of me.  
(Never forgotten by your loving daughters Catherine, Mary, Lizzie, Pat and son Tommy.)

**POWER** — Twelfth Anniversary — In loving memory of Sean Power, late of 45, Childers Estate, Dungarvan, who died on June 15, 1983.

If just for a few more years.  
(Never forgotten by his son John and daughter-in-law Susan.)

**POWER** — Twelfth Anniversary — In loving memory of Sean Power, late of 45, Childers Estate, Dungarvan, who died on June 15, 1983.

Your needs were simple,  
Your wants were few,  
If your family were happy,  
So were you.  
A heart of gold, a life so full and true,  
Loved and respected by all you knew.  
Always willing, helpful and kind,  
What lovely memories you left behind.  
Your parting was so sudden,  
We often wonder why,  
Life must go on, we know that's true,  
But life's not the same, Dad,

## KILROSSANTY G.A.A. NOTES

**SENIOR FOOTBALL**  
Our seniors scored an impressive 0-13 to 1-5 victory over Dungarvan in the

championship last Saturday evening in Stradbally. This was a game that the lads controlled from the start and with the forwards especially Jim Maher and Roger Power, in magnificent form we built up a 0-6 to 0-2 lead by half time. Dungarvan came more into the game in the second half but apart from a soft goal our backs gave nothing away and our five point winning margin was no more than the lads deserved.

Overall this was a good display by the team and hopefully we can continue on our winning ways when we face Nire in our next game. This game is due to be played next Saturday evening in the Fraher Field.

Team: A Kirwan, P Hayes, M Fitzgerald, D Mulhearn, B Whelan, M Kiely, B Kirwan, W Power, P Whyte, E Flynn, G Walsh, R Power (0-3), N O'Connor, P Power, J Maher (0-10). Subs: B Lennon, D Kiely, G Houlihan.

## JUNIOR FOOTBALL

Our juniors kept their knockout hopes alive when they beat Affane in the championship last Friday evening in Colligan by 4-15 to 1-11. The lads totally dominated the first half and led at the break by 3-9 to 0-3. The onslaught on the Affane goal continued in the second half but with three substitutions and some positional changes our opponents staged a late rally in which they scored a goal and missed a penalty.

This was a good perfor-

mance with some fine individual displays especially by some of the forwards. Some kind of record must have been set in this game as Tom Keating and his fifteen year old son Ciaran played in the full forward line together with both getting some great scores.

We have two more games left to play against Dungarvan and Ballinacourty with four points from both games vital if we are to have any chance of qualifying for the knockout stages.

Team: R Hayes, T Hallahan, P Prendergast, P Walsh, N Hayes, P Keating (capt.), S Coffey, Pat Whyte (0-1), G Houlihan (0-2), P Barry (0-2), J Dempsey (2-4), J Kiely (0-2), P Veale, T Keating (2-0), C Keating (0-2). Subs: R Whelan (0-1) for T Keating, N Fahy for Pat Whyte, G Foley for P Prendergast, Pa Walsh, T Flynn.

## UNDER 10 FOOTBALL

Our youngest set of players beat Clashmore in the semi final of the championship last Wednesday evening in Bushy Park by 3-7 to 4-0. At half time the lads led by 2-4 to 2-0.

Team: A Carroll, P Keating, S Prendergast, J Flavin, M Kirwan, S Crotty, M Veale, P Curran (capt.), K Ryan, C Hayes, D Power, S Ryan, M O'Donnell, T O'Brien, M Walsh. Subs: T Keating, W Hurton, P Power, B Kirwan, W Power, F Walsh, D Veale, D Curran.

## CLOTTO

Clotto next Sunday night in Crotty's Inn for £100.

# Naomh Brid G.A.A. Notes

## UNDER-12S

Both under 10 teams brought big support to see this outstanding game of football. From start to finish, both teams gave 100% and provided great entertainment for the supporters. Mossie opened the scoring with a point and goals from Tristan, James and Mossie gave us a 5-3 to 2-1 lead at half time. Our half back line of Robbie, Willie and Eddie were in outstanding form throughout the game. In the second half Ring put our backs under pressure but each one of them coped very well. Shiner sealed the victory for us with a well taken goal and a point. Overall it was an outstanding team performance. Training continues every Tuesday and Thursday nights and it is good to see an attendance of twenty five plus every night.

Team: Paul Coffey, Johnny Buckley, Jack Cummins, Richard Nugent, Robbie Power, Willie Power, Eddie Condon, Sean O'Neill (0-1), Aidan Cliffe (capt.), Seamus Power, Shane Troy (1-2), Shane Hickey, Tristan Hickey (2-0), Tomas Fenton (2-1), James Cliffe (1-0). Subs.: Mark Dalton, Michael Myles, Mark Fra-

her, Pat Murphy, Aidan Hickey, Shane Hourigan, Niall Power, Jamie Barron, Finnean Grace.

## MAN OF THE MATCH

Willie Power from start to finish, Willie gave an outstanding performance. Playing at centre back, he showed his ability to read the game. His long clearances and passes set up most of our scores. Willie is an outstanding prospect for the future and hopefully he can produce this form in future matches.

## UNDERSTRENGTH

### U-12's BEATEN

We played Dungarvan in a challenge match on Sunday morning last. We were missing five of our regulars but their replacements hurled very well. John Queally and Denis Coffey hurled very well in the backs and Colin Gleeson played very well in the forwards. The final score was Dungarvan 4-1, Naomh Brid 0-1.

Team: Neil Fenton, Darren O'Connor, Jimmy Buckley, John Queally, Justin Power, Denis Coffey, David O'Donovan, Paudie McCarthy, John Myles, Aidan Cliffe, Paul Gleeson, Colin Gleeson (0-1), Willie Power, Stephen Cliffe, John Boyle.

## ANNUAL CHARITY SOCCER MATCH

# Dalton Shield Returns To Kilrush Park

Dungarvan's successful season continued at Kilrush Park on Wednesday evening last when our veteran eleven won the Dalton Shield for the first time in four years. Right from the first whistle by referee Tony 'Briar' Wall the Blues showed that they were in no mood to let WLR FM win the four in a row.

The large crowd in attendance enjoyed the football played in the sunshine and most importantly over £1,200 was raised for the local District Hospital.

Pat 'the Fireman' Morrissey headed a spectacular first goal for Dungarvan and this was the only score at half time.

Captain "J.C.B." Crotty played a fine pass to Tony Sullivan in the second half and he duly shot home past Johnny Matthews in the visitors goal to put the Blues 2-0 up. A change of referees saw Jim Joe Landers step in the middle and almost straight away he awarded WLR a penalty which was scored by Tommy O'Keefe. That was the end of the scoring but not the end of the 'action' as WLR FM manager Eddie Wymberry

suffered a 'Cantona' like attack from Anselm Hayes and both were shown the red card and were escorted from the field.

The final whistle sounded and after the match captain John Crotty was presented with the Dalton Shield to add to the five other trophies won this season.

## CARLING INTER-FIRMS SOCCER TOURNAMENT

The 5th Annual Carling Inter-Firms Soccer Tournament commenced last Thursday night with the two preliminary round games. Due to shift work the Glass 'A' had to give a walk over to Unemployed 'B' (C.E.D.P.)

**PUBLIC BODIES 1 STERLING WINTHROP 'B' 1**  
(Public Bodies won 4-2 on penalties)

The Public Bodies were made fight all the way by Sterling Winthrop 'B' in the second match. Paddy Dolan put Public Bodies ahead following a free kick in the first half. The Bodies had a lot of possession and went close to scoring but could not find any way past Sterling's defence. Shortly before the end John Joe Henley was unlucky when he saw his shot come back off of the crossbar. He made amends with the last kick of the game when he scored from close range.

The penalty shoot out resulted in a 4-2 victory for the Public Bodies. Scorers for Bodies were: Paddy Dolan, Derek Lyons, Tom Mansfield, Conor Prendergast. While Sterling's scorers were John Joe Henley and Michael O'Brien. Pub-

lic Bodies now play Radley's in the quarter final on this Thursday, 15th June at 7.45 p.m.

Cosgrave put the 'Electricians' ahead. With only ten minutes remaining John Power scored the equaliser for Unemployed to send the game to penalties.

In the penalty shoot out Killian Wall, Tony Jaynes, Gerry Power and David Wall scored for C.E.D.P. while only Ml. Cosgrave and Dermot Drohan scored for Shanley's.

Unemployed 'B' now play the winners of Irish Tanners or Glass 'C' on Wednesday, June 21st at 6.30 p.m.

**STERLING WINTHROP 'A' 2 BUILDERS 1**

The second game on Monday saw one of the favourites Sterling 'A' gain a narrow 2-1 victory over

Vincent Tutty's Builders. An own goal by Garry 'Fab' O'Donnell and a well taken shot by Brian Frayne gave Sterling a 2-0 lead. However, back came Builders through George Lenihan to score and it was a close contest in the second half but there was no further score.

## DUNGARVAN UTD. A.F.C.

### U-18 YOUTH LEAGUE

# John Paul Donnelly Spot On

### JOHNVILLE 1 DUNGARVAN 2

Dungarvan's youth team travelled to Curran Park last Friday evening last with just the bare eleven players but turned in a fine spirited team performance to run out winners by 2 goals to one.

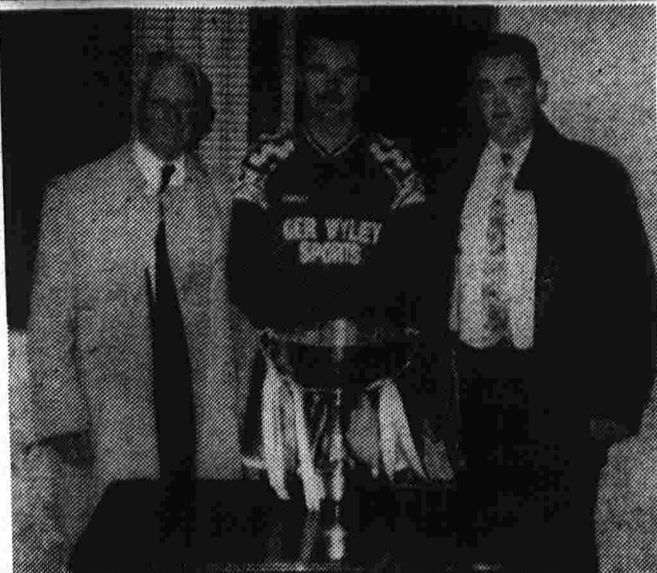

Johnville started the brighter side but goalkeeper Mickey Ahearne brought off some fine saves to deny them an early lead. The home side scored from a free kick from 16 yards in the 30th minute.

However, the Blues fought back and captain Aidan Landers got the equaliser when he chipped the ball over the advancing keeper.

The second half was an evenly contested affair and the winning goal came 10 minutes from time when Aidan Landers was chopped down in the box and John Paul 'Copper' Donnelly made no mistake with the penalty kick sending the keeper the wrong way.

Dungarvan: Mickey Ahearne, James Cooney, Aidan Landers (Capt.), John Kyne, J.P. Donnelly, Owen Simms, Mark Coles, T. Butler, Nickey Thompson, Christy Connelly, Maurice Tobin.

## Cunnigar Pitch And Putt Notes

**LADY CAPTAIN'S DAY**

On Sunday, June 11th our Lady Captain's Day got under way on a fine but breezy day. May I say all of our ladies played very well over the eighteen holes. At the end of the day there was very little in the scores by the end of play. May we take this opportunity on behalf of our lady captain Tracy Ebanks to thank most sincerely the following people whose sponsorship made this day possible.

The tournament committee of the Cunnigar Club, The P.R.O. Cunnigar club, John Walsh Spar Stores,

O'Connell St., Michael Burke, Lawlors Hotel, the Pound Shop, the Merry-Go-Round and the lady captain herself. May I say a big thank you to all the ladies for taking part.

**RESULTS AND SCORES**

In the nett, the ladies champion for 1995 is Madge O'Keefe with a score of 45 nett. Madge had a super round of Pitch and Putt playing very steady over the eighteen holes. She got a string of three's over the last few holes to come home in fine style. Well done Madge.

In the gross, Patricia

Regan won in great style with a score of 56 gross. Patricia played wonderful stuff and what a great back nine she had coming home in 25. Patricia has been a great servant to the club over the years and fully deserved her win. Well done Patricia.

**FIXTURE**

Our charity week will get under way from the 19th - 25th of June in aid of the Irish Cancer Society. I am sure we will have a big turn out of players for this event. Any of our ladies interested in taking part in our charity week should please hand in their name at the club house

before the 19th of June.

**COUNTY LEAGUE**

Well done to our county league team who did very well last week, and to Patsy Hackett who won the nett. Our team travel to St. Otteran's this Wednesday to do battle. We wish them well.

## CLONEA BOWLING NOTES

**CLONEA LADIES BOWLING**

This month's competition will be the last one before the ladies take a break for the summer months. There were only 14 ladies bowling last Tuesday morning and already it seems that it is going to be close once again. Last month's winner Margaret Hogan wasn't present but the runner-up Joan Moloney was present and bowled a good score of 110. Peggy Hanrahan went one better and bowled 115 to claim this week's top spot. Libby Walsh bowled 102 and sits in third spot with Kathy Gough 6 pins behind in 4th spot. One pin behind Kathy is Ivy Ahearn with Hannah Walsh 3 pins behind Ivy in 6th spot. Mary Looby is 1 pin behind Hannah with Francis O'Brien 3 pins behind Mary. There are only 4 weeks in this month's competition with the best 3 scores being taken.

All you ladies that were missing, make sure you're there next week and make the last competition a close and interesting one.

The top 11 placings after week one are as follows — (1) Peggy Hanrahan 115, (2) Joan Moloney 110, (3) Libby Walsh 102, (4) Kathy Gough 96, (5) Ivy Ahearn 95, (6) Hannah Walsh 92, (7) Mary Looby 91, (8) Frances O'Brien 89, (9) Eileen Gwin 85, (10) Mary O'Neill 85, (11) Breda Bannon 85.

## Bowling In Cappoquin

The final of the Tavern Tournament took place on Sunday, June 4. After an exciting contest in which all three contestants looked likely winners, Stephen Cavanagh emerged the winner from John Walsh and Tommy Sullivan.

Presentations were made later in the Tavern Bar, the cup being filled by the new proprietor Noel Farrelly.

The draw for the third running of the Jessie Gallagher Memorial Cup will take place in the Tavern on Friday, June 16 at 8 o'clock. All are welcome.

## BRIDE VIEW UNITED A.F.C. NOTES

### DOES IT EVER END?

It's a good question because while the soccer season is now over as such it's been a busy week for many of the clubs committee with all sorts of meetings taking place both inside and outside of the club and we will have more details of these meetings in the very near future.

**Lotto** — Our weekly lotto will now take place on a Friday night instead of Wednesday. Apologies for not announcing this on last week's notes. Last weeks numbers were 19, 20, 11. There was no winner. Voucher winner: Lily McCarthy. Well done Lilly.

**Schoolboys Football** — Our U-6's and u-8's travel to Youghal on this Friday night. Players note we leave the square at 6.15 p.m. Training for all U-10 players continues in the soccer field on this Thursday evening at 7 o'clock. Our U-10 team are at home to Youghal on Saturday morning next at 11.30 a.m. All players are welcome to attend these training sessions and matches.

**Summer Camp** — The club are holding a summer camp in the soccer field for all players during the first two weeks of July. All underage players are asked to give in their names to Michael Curley, Liam Fraser, Brian Power, Tomas McCarthy or Seamus O'Brien if interested in taking part. There is no charge for taking part in this course and we will have more news and hopefully some surprises over the next week or so.

**News To Hand** — Last week-end was a real crazy one in Tallow with a wedding and a 21st birthday party taking place which made it easy to write this weeks news to hand. We begin with the wedding. Two local lads were delighted when two vodkas were put up in front of them. What they didn't know was that the vodka was in fact water. When the barmaid convinced them that it was vodka the lads ordered a mixer and grinning from ear to ear they threw back the vodkas only then to find out that in fact it was only water. It was lovely to watch the lads expressions. However, the lads got their own back on Sunday when they threw the buyer of their vodkas' out of bed. Shame on ye. One of the lads did a lot of reminiscing at the wedding. Some of his stories were really funny but then it was the way he told them but he still shouts for Waterford so he said. Another young couple have found a new way to communicate. It's called yawning to each other. A soccer supporter was giving out about the £10 he had to give over to an Everton supporter.

Another of the lads was caught whispering nice things into her ear but he must have said the wrong thing as suddenly she go up and left. The young man was heard muttering something under his breath but we could not pick up what he said.

Superman stayed in the hotel after the wedding but he must have had a quite night as he was all hands on Sunday. Need we say more. Another of the lads who also stayed in the Hotel found a new use for soap because he forgot the shampoo. He was ordered by the "boss" to wash his hair with the soap and shut up and he did.

Another of the lad was like a child with a new toy. He rang all the boys at 9 o'clock telling them to get up - shame on you. We also heard that one of the vodka kids had to be put to bed. Another of the lads ran into the back of a bus and yes it was a big bus.

The 21st party was also a big success. One of the partygoers took up cycling around at six in the morning. We also understand he had a passenger on the back of the bike. She enjoyed the spin or so we are told. Breakfast in the morning was on the lawn around 7 o'clock and at this stage the voices were very weak but boy could they eat. Two of the girls did a great job cleaning up.

**Best Wishes** — To Edward Condy and Colin "Turkey" Tobin both of whom are in hospital at the moment. Get well soon lads.

### SCHOOLBOY SOCCER LEAGUES

**Early Application Vital For Clubs** — While the schoolboy soccer leagues only finished a month ago the committee are already busy behind the scenes preparing for next season. Already clubs have been in touch with members of the committee regarding the leagues for next season.

**Extra League** — There will be four age groups next season i.e. U-12, U-14, U-16 and a new league for U-18's.

**Apply Now** — With new clubs and extra teams expected next season its important that all clubs putting teams in the above leagues for next season apply now. It is hoped to begin these leagues towards the end of August.

**A.G.M.** — Notice will appear in all local weekly newspapers regarding the date for the schoolboys A.G.M. Although date has yet to be fixed it is hoped to have it in early July.

So clubs its vital that you get your name into the league before the end of June and the age group which each club is entering. Ring Joe Hartnett on 025/36928 or Liam Fraser 058/56324.

## LADIES FOOTBALL

# Munster Regain Interprovincial Title

MUNSTER 2-11 LEINSTER 1-9

Four superb points from Marie Crotty, in the closing quarter enabled Munster to regain the Interprovincial Title at Carlow on Saturday last. The sides were deadlocked at the three quarter stage when Crotty, as she has done so often in the past kicked the match winning score.

The series was played in a blitz and Munster defeated Connaght and Ulster comfortably whilst Leinster qualified to the expense of Britlain and the combined Colleges. Munster fielded eight Waterford players along with five from Clare and two from Kerry. They got off to a good start when a quick pass from Fiona Crotty before Kerry's Marie Fitzgerald shot a great goal in the 7th minute.

In a game full of great football play swung from end to end. Aine Wall scored a gem of a goal in the 16th minute and Munster led by a single point at the interval, having played against the breeze.

The opening quarter of the second half saw both teams swap scores on several occasions before Munster pulled away to clinch a very good victory.

Waterfords representation performed very well with Olivia Condon and Siobhan

O'Ryan outstanding. Julie Ann Torpey gave a performance at wing back. Marie Crotty starred at midfield whilst Catriona Casey, Geraldine O'Ryan, Fiona Crotty and Aine Wall combined very well with Marie Fitzgerald and Marie Callahan (Clare) in attack.

Munster: M Keane (Clare), O Condon (Waterford), S O'Ryan (Waterford) N Comyn (Clare), C O'Loughin (Clare), C Walsh (Clare), J Torpey (Waterford), M Crotty (Waterford), F Ruane (Kerry), M. Gallagher (Clare), C. Casey (Waterford), M. Fitzgerald (Kerry), F Crotty (Waterford), G Ryan (Waterford) A Wall (Waterford).

Sub.: M Tiernan (Kerry). Marie Crotty sustained a fractured finger in the closing minutes and that makes her doubtful for the league final v Mayo on Sunday week.

### UNDER 14's

Waterford take on Tipperary in the Munster semi final this Saturday evening at either Ardfinnan or Clogheen. Tipperary defeated Kerry by a single point last week so they will be well prepared. Waterford have put in an amount of work with Joe Flynn, Pat Tobin and Declan Whelan and have every chance.

## Waterford G.A.A. Supporters Club Notes

Things are very quiet at present on the inter-county scene. We are waiting for our junior hurlers, minor footballers, minor hurlers and under-21 hurlers. All are preparing diligently for their outings. We must not forget our lady footballers who are keeping the flag flying.

### LADIES GOLF CLASSIC

Ladies Golf Classic at West Waterford Golf Club on Sunday, June 18, £80 per team. For booking contact Marie 058-43216. Please support.

### TRIAL BY VIDEO

We have heard and read all about this since our match against Tipperary. I will not go into any details but my opinion is ban videos from all our games. We managed very well before them, let our referees do the job they are appointed to do. Referee's decision is final? (not any more!)

I read where Johnny Brenner had an outstanding game with UCC v. Youghal in the Cork senior hurling championship, scoring 4 points for the college. Well done, Johnny!

### SCHOOL FINALS

I watched some of the West Waterford Primary Schools GAA finals at the Fraher Field and must congratulate the schools on the great work being done for under age. In the hurling I was annoyed to see most players picking the ball nearly all the time. Where is our ground hurling gone? Now is the time to start with the under age players.

## CAPPOQUIN KARATE NOTES - SUCCESS IN RENSHUKAN NATIONAL CHAMPIONSHIPS

The club was recently invited to compete in the Renshukan National Championships in Cork. This event was an open one with many different Karate styles represented. Seventeen members of the Cappoquin club took part in both the Data and Freestyle competitions. The standard in these events was exceptionally high and our members acquitted themselves very well at this level, most of them winning through a few rounds in each section. This was a very successful competition for Cappoquin with 1 first, 6 seconds and 2 thirds in an event which had amongst its competitors some of the best from each Karate style.

Our first winners on the day were John and Bill Toomey. John came second in the U-14 boys Freestyle (White to Yellow Belt) and Bill came third in the U-12 section of the same event. Tracey O'Rourke, in her first competition with the club, came second in the U-12 Kata (White to Yellow Belt).

Nat York won the U-18 Freestyle event (White to Yellow Belt), coming through some very tough fights to secure victory. Gerard O'Keefe also put up a good show to come third in the U-18 Freestyle (Green to Purple Belt). Second place in the U-18 Kata (Green to Purple Belt) also went to Gerard.

In the Senior section David Lee won second place in the Senior Mens Kata (White to Yellow Belt.) This was David's first competition. Colette Fitzgerald came second in the Senior Ladies Kata (Brown to Black Belt) and also came second in the Senior Ladies Freestyle (Brown to Black Belt).

Congratulations to all our members who won events. The rest of our members who competed - some of them for the first time - also deserve praise as, without exception, they put up an excellent display in the Kata and Freestyle events. So, well done to the following:

Padraig O'Brien, James Hampton, Fiona O'Keefe, Claire Marks, Cillian Lee, Eamonn Nugent, Julie Marks, Julia Knobel, Stephen O'Rourke and John Cahill.

The club also hosted a grading in Lismore recently in Lismore under Sensei Ray Payne, the Irish team coach. The grading itself was preceded by two training sessions, the first for Black/Brown belts and the other for all grades. The training was of an excellent standard and of great benefit to all. Sensei Payne expressed satisfaction with the standard of those who graded on the night.

Congratulations are due to the following:

9 Kyu (White Belt): Justin Dowd, James Hampton, Paul Hampton, Padraig O'Brien, Fiona O'Keefe.

8 Kyu (Yellow Tip): David Lee, Cillian Lee, Dawn Smith, Sarah Cunningham, Louise Hogan, Lorraine Maher, Bill Toomey, John Toomey, Tracey O'Rourke, Jeanette Power, Claire Marks, Jason Hodnett.

7 Kyu (Yellow Belt): Sibylle Knobel, Tara Knobel, Julia Knobel, Jason Cunningham, Eamon Nugent, Alice Nugent.

6 Kyu (Green Belt): Julie Marks.

The club would also like to congratulate the visiting members of the Ballyhooley Karate Club who also graded successfully.

## WEST WATERFORD GOLF CLUB NOTES

# Munster Final Defeat

It was a tired and battle weary West Waterford team that finally succumbed to the home side in the Munster final of the Jimmy Bruen Shield at Monkstown Golf Club on Sunday evening.

After a marvellous display against Ballybunion in the morning semi final, West Waterford had it all to do over the well drilled Monkstown side. A very shaky start saw us down in four matches after nine holes. But typical of their now renowned fighting spirit they fought back, only to tire over the last four holes.

However the small West Waterford panel are to be

complimented on their magnificent performance and will learn from the experience to come back and go all the way next year.

The team panel on Sunday was — J. Murphy and W. Nugent, J. Spratt and Ml. O'Connor, A. Hally and R. Rochford, P. Keane and G. O'Grady, A. Pratt and J. Keane, T. Morrissey, E. Spratt, R. Spratt. Team Manager - F. Walsh.

### WATERFORD CRYSTAL JUNIOR SCRATCH CUP

While all the attention was on the Bruen Shield a fine entry of one hundred and

twenty players were competing for our prestigious Junior Scratch Cup, kindly sponsored by Waterford Crystal.

The fine score of three over par seventy five from Des Nangle from the Lee Valley Golf Club was two better than Austin Deasy on seventy seven.

Sincere thanks to Waterford Crystal for the awesome display of glass including the magnificent perpetual trophy.

Also to all who travelled long distances to play.

### BRICKEY'S v. JOHN MITCHELS

This very enjoyable challenge brought some very interesting pairings together, but playing with the smaller ball and on their home patch the Brickey's were too good, no doubt there will be a return match.

# Murphy's Irish Stout And Bord Fáilte Join Forces To Double The Number Of Golfing Visitors To Ireland

## IAN WOOSNAM ENTERS HIS FIRST MURPHY'S IRISH OPEN

With sponsorship support from Bord Fáilte, the Murphy's Irish Open Golf Championship will be used as a key promotional tool for attracting upwards of 300,000 golfing visitors to Ireland by the end of the century, representing almost double the current figure, Mr. Enda Kenny, Minister for Tourism & Trade stated last week. Mr. Kenny was speaking at a reception hosted by the event's sponsor, Murphy's Irish Stout, who also confirmed that Ian Woosnam would be competing in this year's Murphy's Irish Open, from 6th-9th July at Mount Juliet, Thomastown, Co. Kilkenny.

Murphy's Irish Stout has confirmed that Ian Woosnam, the Welsh Superstar, will play in his first Murphy's Irish Open next month. 'Woosie's' highly successful career includes 28 European tour victories, winner of the US Masters in 1991 and winner of the Irish Open in 1988 and 1989. Murphy's also announced that European Ryder Cup Captain, Bernard

Gallacher will also join the field.

"With a field that includes the 'Great White Shark', Greg Norman, Craig Stadler, defending champion Bernhard Langer and the Spanish Armada of Ballesteros and Olazabal, the latest additions of Ian Woosnam and Bernard Gallacher will make for an outstanding championship this year.

## COLIN MONTGOMERIE

Colin Montgomerie, winner of two successive Volvo Order of Merit titles in 1993 and 1994 has entered the Murphy's Irish Open Golf Championship.

"Monty" who won his 1994 Order of merit title with a record total of Stg. £762,719 was only replaced at the top of the current table at the weekend by the irrepressible Murphy's Irish Open defending champion Bernhard Langer who followed his PGA Championship win by taking the Deutsche Bank Open in Hamburg on Sunday last.

Since turning professional in 1987, Colin Montgomerie has had 7 PGA Tournament victories including the Volvo Masters and Heineken Dutch Open in 1993 and last

year's Murphy's English Open.

Montgomerie who finished a runner-up in last year's US Open, will be joined this week at Shinnecock Hills, the US Open venue for 1995, by other notable Murphy's Irish Open entries, Greg Norman, Bernhard Langer, Seve Ballesteros, Jose Maria Olazabal, Ian Woosnam and Craig Stadler.

Murphy's are offering a special discount on all tickets sold between now and 30th June. Advance sales of daily tickets range from £12.50 to £15 with children's tickets available from £4.

The most recent figures available from Bord Fáilte confirm that golf has become one of the fastest growing outdoor activities in Ireland. Investment in golf facilities in the past five years is estimated at £200m. providing direct employment for 4,000 people. In 1994, 170,000 visitors played golf in Ireland, which, including air and sea fares, represents a spend of £60m. or 9% of total revenue accruing from holiday-makers.

## DUNGARVAN GOLF CLUB NOTES

On Sunday last the cream of Munster golfers converged on Dungarvan Golf Club for the final of the Cork Examiner Amm-Amm. 43 qualifying 3-man teams contested the George and Thomas Crosbie Trophy being staged for the 23rd time.

This was Dungarvan's first ever hosting of the event. Dromoland Golf Club competed for the first time ever and the Clare team created history by winning the trophy with a score of 52 stableford points, a margin of 2 over Youghal, who pipped Kanturk (on back nine) for runner-up spot.

Though not in the team prizes, Dungarvan's trio of Vinnie Tobin, Martin Lynch and Robert Hyde scored a fine 48 pts. Other local club scores: Carrick-on-Suir 49 pts., Lismore 47 pts., West Waterford 44 pts.

Top individual performance came from our own Vinnie Tobin (5) who scorched around the course with a 2 under par 70. He birdied 1, 5, 11, 12, 14 and 18 to accumulate 43 pts. and was the recipient of a special award from the Cork Examiner.

Again, the club's organisational machine ran smoothly throughout the long day to ensure a perfect tournament and a most enjoyable day for the large influx of team members, mentors and visitors. Well done to all concerned!

Mr. George Crosbie, former Amateur international and Captain of GUI 1988-'90, honoured us by playing the course on Monday with president, Maurice McHugh, lady captain Betty O'Brien and Maevie Morrissey.

With his vast experience of playing internationally, he considered Dungarvan to be one of the best.

# Ardmore G.A.A. Notes

## JUNIOR HURLING TOURIN 4-9 ARDMORE 1-1

This was indeed a humiliating defeat for our junior hurlers who were grossly under strength for the third time in this campaign.

It was a real drab affair, the only redeeming features being the fine display by Pat Foley at centre back and the wonderful gesture by former greats John and Mike Hennessy in lining out to ensure that we had a game.

It was great too to see the return of Kenneth O'Brien and Billy Mahony who will have benefitted from this outing. Nicky Keating, Pat Walsh, John Power and Tony Keane never gave up and deserved a better fate.

Our scorers were: Billy Mahony 1-0 and Pat Walsh 0-1.

Team: Michael Hennessy, Brian Power, John Power, Kenneth O'Brien, Tommy Power, Pat Foley, Nicky Keating, Pat Walsh (capt.), Maurice Hennessy, Tony Keane, Anthony Ahearne, Kevin Flavin, John Hennessy, Vincent Tutty and Billy Mahony. Sub.: Pat Prendergast.

## MUNSTER FINAL

St. Augustine's had a fine victory recently in the Munster colleges U-15 hurling final when they beat Tulla, Co. Clare on a score of 5-13 to 1-8. Captaining the Priary team and playing a real captain's part was our own Seamus Prendergast - well done Seamus.

It is worth noting that Seamus's grandfather Paddy was one of the leading lights when our club was reformed in 1957 and that his father Pat was for many years an Ardmore stalwart in both hurling and football. His mother Mary was an outstanding camogie player in Cork and Waterford so briseann an dachas trí shuilleams an cait.

Richie Hennessy, Patrick Conway and Declan Prendergast were members of the panel. Congratulations to all.

## SKILLS COMPETITION

Our man in the skills final in Waterford last week Declan O'Donnell put up a great show finishing in joint fourth just three points off the mark in a very competitive final. Well done Declan.

## COLAISTE EOIN

Several athletes from Ardmore were presented with their Cork County Vocational Championship winning trophies and medals at a specially organised function held at the Hilltop Hotel last week. School Principal Donal O'Grady presided and none other than that supreme sportsman Jimmy-Barry Murphy presented the awards.

An Ardmore girl Mary

O'Donnell captained the girls team while her brother James was captain of the boys team - what an achievement for this sporting family. The other girls and boys from our club to be presented with medals were Christine Coady, Tish Coady, Marie Mahony, Trevor Morrissey, David Reilly, John Paul Troy, Liam Power, Damian Lenane and Ristead Power.

A cead mile failte was extended to all parents and guests by teachers Donal O'Grady, Liam O Laocha, Pat Flavin, Miss Troy etc., and a great night was had by all.

## LISMORE 8-6 ARDMORE 1-1

We played our opening game in the U-12 hurling competition on Sunday morning last against a very skillful and efficient Lismore team at Lismore. It was very obvious that the Lismore boys must be training for and playing hurling on a regular basis at school level but perhaps after some more training sessions we will be able to compete with the best so we would urge all the boys and girls to attend at all sessions.

Lineout: David Power, Alan North, Lisa Prendergast, Noelle Mahony, Kevin Mahony, Seamus Flavin, Maurice O'Connor, Niall O'Brien, Philip Beausang, Stephen Conway, Billy Harty, Michael Flavin, Aisling Conway, Anthony Troy and Conor Hurley.

Scorers: A Troy 1-0, B Harty 0-1.

## COLLIGAN 3-6 ARDMORE 0-2

We suffered our second defeat in the U-12 hurling competition on Sunday last when we went down to a tidy Colligan team by a margin of 13 points. As we watch this present team struggle to lift, control or strike the sliotar we must sadly ask what has gone wrong when these players can't even master the basic skills of the game - a start just has to be made somewhere if our great game is not to die a slow death. Both points were scored by Philip Beausang from mid-field.

Our lineout was: David Power, Lisa Prendergast, Seamus Flavin, Noelle Mahony, Stephen Conway, Kevin Mahony, Garry North, Niall O'Brien, Philip Beausang, Declan Power, Billy Harty, Michael Flavin, Aisling Conway, Derek Reilly and Pat Trihy. Sub.: Anthony Troy.

## INTERMEDIATE AND JUNIOR FOOTBALL

While defeat was our lot in both games last weekend we tried to the bitter end and cannot be faulted on that score. Match details next week as our notes are one week behind time.

# Ballinacourty Survive In S.F. Exciting Clash

## BALLINACOURTY 2-10 SLIABH gCUA 1-8

With never more than a score between the teams, this game was quite entertaining and produced a very exciting finish as both sides

fought desperately for the scores that would give them the league points to put them in a challenging position for qualification.

The game produced some fine scores on both sides, but equally, each team missed some great chances.

Ballinacourty opened with two Michael Cosgrave points from frees. In the 9th min. Sliabh gCua opened with a point by Kieran Hallahan and the same player followed with two more points to give the Touraeneena team the lead in the 13th minute. A Kieran Hallahan goal in the 20th min. was followed by a Sean McGrath goal in the 23rd min. Hallahan pointed in the 29th minute to give his side a one point lead at the break.

In the second half Pat Cunningham equalised for Ballinacourty in the 1st minute. From here on it was an exchange of scores all the way to the 55th minute when the teams were level at 1-8 apiece. Then points by Michael Cosgrave and Jonathan Moore in the 56th

and 59th minutes sealed victory for Ballinacourty.

Scorers: Ballinacourty — M. Cosgrave 0-5, S. McGrath 1-0, P. Cunningham 0-2, D. Cliffe, J. Mulligan, J. Moore 0-1 each. Sliabh gCua — K. Hallahan 1-7, J. P. Fitzpatrick 0-1.

# Shamrocks G.A.A. Notes

## INTERMEDIATE FOOTBALL WESTERN CHAMPIONSHIP Faha 2-11, Shamrocks 0-8

On Sunday last at Cappoquin we were well beaten, but in fairness to our younger and older players, they tried hard, especially in the second half, although Faha seemed to have the edge all the time. Prior to this game we appealed for a postponement to the Board as the majority of our players were involved in exams plus a number of players were injured, but unfortunately the Board did not see fit to grant our request.

We wish to thank the players who turned out, some at short notice.

Team — L. Ahearne, K. Ahearne, T. Roche, E. Flanagan, T. Hickey, F. Roche, M. Hourigan, E. Murphy, K. O'Keeffe, P. Murphy, J. O'Neill, S. Murphy J. Ahearn, J. Baldwin, F. Tobin. Sub. M. Hunt for F. Tobin.

## U-12 HURLING WESTERN CHAMPIONSHIP

On Saturday last we had Clashmore as visitors in the third round which resulted

in an easy win for our lads and our next game will be against Brickey Rangers at Knockanore on a date to be arranged.

Our u-14 hurlers will be involved in the Western semi-final against Ring or Clashmore on next Monday evening at a venue to be decided.

## FIELD DEVELOPMENT

Our field at Knockanore has been levelled during the past week and is looking very well. The final phase of the work which includes putting in grass seed etc. will be carried out this weekend. We congratulate Ed Moran and son on a job well done.

## CONGRATS

Congratulations are extended to Damien Irwan who has received a permanent appointment at Knockanore School. During the past five years as temporary teacher, he has done great work with the pupils in hurling and football and we wish him many years among us.

**ATHLETICS BY RACE LEADER**

# Sullivan Completes Dungarvan A.C. Double

The third annual Ras na Rinne attracted forty four participants to the Cunnigar course last Friday evening. In this, the most successful race to date, International athlete, (Waterford A.C.) completed the Marine Climb Ras na Rinne double with a typical display of front running to which his opponents had no answer.

In second place was Sullivan's clubmate Derek Tebay who is the only Waterford runner to have won Munster and All Ireland Senior Gold Cross Country team medals. The presence of both athletes has given these local races added prestige and their support will help to build these events for the future. In finishing third, Philip Harty (West Waterford A.C.) showed that he is an ever improving athlete as he was only twelve seconds behind the second placed Tebay. Gerry Cantwell and Michael Roche finished fourth and fifth respectively and both runners are well on their way back to their true form. Other local runners to impress on the night were Tony Harty, Tom Meehan, Colin Lyons, Anthony Harty and Ray McConnell while such as Michael Dwyer, Martin Sandford, John Whelan, Tommy Egan, Stephen Curran and David

Power continue to impress their finishing times.

On the night the race was started by Tom Gough and the presentation of prizes took place in Mooney's Bar who generously sponsored the team awards. The individual prizes were sponsored by Waterford Crystal. James Sullivan was the third recipient of the Seamus O Droma Perpetual Shield. **GER WYLEY SUMMER SERIES**

## THREE NEW LEADERS AS ALAN WHYTE TAKES COMMAND

Recently retired from peace keeping duties with the U.N. Ballymac runner Alan Whyte has shot into a one and a half minute lead in the under 35 section of the Ger Wyley Sports Summer Road Racing Series following the 3rd annual Ras na Rinne last Friday evening. In second place is Dungarvan runner Martin McCarthy with newcomer Tommy Egan holding down third spot from his running partner Ray Dwyer by forty one seconds.

Tommy Fitzgerald from Abbeyside has taken a clear lead in the over 50 age group and he will be very difficult to haul back over the remaining two races of the series. There is a terrific East Cork duel developing in the under 45 category with Youghal's Tim Twomey having dislodged Ballycotton's John Walsh from the top position. He now leads by thirty three seconds.

Eleven runners failed to challenge the famous Cunnigar course and thirty three participants have survived the halfway stage. There are prizes for the top three finishers in each category. ## FRAHER FIELD HOSTS FINALS WITH SPIRIT AND EXCITEMENT

### Roinn D Peil na gCallíní (The Gain Cup) An Sean Phobal 6-3, Knockanore 3-3

Old Parish dominated the play but Knockanore were first to score — a goal by Edna Geary. Seana Phobal were wide with a free and scored a goal through Úna Ní hÉalaithe and a controversial one at that. A passionate contest this with defender Ciara O'Connor popping over a free for Knockanore. June Walsh dominated the play for Knockanore but Sean Phobal struck for a vital goal from the boot of Z. Ní Murchú just before the half time whistle. An Sean Phobal 2-0, Knockanore 1-1.

Fuair Nóirín Ní Dhomhnaill cúilín díreach a ndiaidh leath-ama. Cúilín eile ó Z. Ní Murchú — ceann ó lár na páirce. An absolutely brilliant thunderbolt from Z. sheók the netting and she followed this with a minor score. Cúl eile ó bhróg Nóirín Ní Dhomhnaill. A brilliant goal from June Walsh was followed by a point from Edna Geary. Ghnóthaigh Máiréad Ní Chathbhuaidh — aigh agus Z. Ní Murchú cúl an duine. ### ROINN C BOYS HURLING FINAL — CORN UI CHRIOSTÓIR Coolnasmear/Kilbrien 1-13, An Rinn 3-4

The decision of the Primary Schools Board to use a shortened pitch for hurling finals has been justified twice over — fourteen points from Aghlish last week and thirteen from C/K this week. It suits the team with real hurling skills and the superior stickwork to score points from play — a feat that is almost beyond our county senior hurling team.

Micheál Ó Drocháin cúilín don Rinn. John Wall replied likewise for C/K. Cúl don Rinn ó Pádraig Ó hArta fear lár na páirce. John Wall and Willie Kiely pointed for C/K. A long ball in behind the defence and Jamie Hickey in true Cantona style beat the goalie to the run and tapped the sliotar home. The Ring team had some lovely hurlers. Half time: C/K 1-4, An Rinn 1-3.

Every player was wearing a helmet — sensible stuff.

Five points in a row for C/K per Willie Kiely, John Wall (2), David McGrath and Stephen Cass. Noel Ó Murchadh sent a well struck free to the net and Micheál Ó Drocháin followed with a

### ROINN B PEIL NA gCALLÍNÍ St. Marys, Dungarvan 2-7, Touraneena NS 2-4

The finals of the Scoil Mhuire (Tallow) Trophy last week were all one-sided. This week they were all close, intense affairs, with this particular game between town and country top of the list.

Tara Wilson opened the scoring for St. Marys — the score secured was a point. She followed it up with a similar score before Valerie Power scored a great goal for Touraneena. Diminutive Aoife McGovern popped over a point for St. Marys and they were followed by two more points from the boot of Aimey Kiely. Touraneena scored the final score of the half — a point from a free. Half time: St. Marys 1-5,

Touraneena 1-1.

The second period recommenced in a flurry of activity, each side striving to secure the vital scores — St. Marys to opt more daylight between themselves and the country girls — Touraneena to bring themselves back into contention. Michelle Power scored two for Touraneena — the second a great point. St. Marys replied with a goal from Grace O'Connor. A free for Touraneena and Sharon O'Connor plants the ball in the back of the net. The outstanding player on the field was surely Gillian Queally of St. Marys, while Ruth Landy kept a sound goal and made a couple of good saves.

St. Marys panel — Ruth Landy, Eimear Casey, Gráinne Enright, Kelly Hurton, Aimey Kiely, Gillian Queally, Aoife McGovern, Nicole Halpin, Tara Whelan, Sinéad Power (capt.), Mary Ann Dalton, Theresa Daly, Grace O'Connor, Aisling Duggan and Aoife Conroy.

### ROINN C PEIL NA gCALLÍNÍ — JOHN CUNNINGHAM TROPHY

Ballinameela NS 5-1,  
An Rinn 1-3

In the early sorting out period, Gráinne Ní Chuirrín cleared well for An Rinn. Ghnóthaigh Aoife Ní Chuirrín an chéad scór — cúilín don Rinn. Lorraine Hickey

Church & General  
Cumann na mBunscol

kicked wide a side line ball. A succession of wides followed for Ballinameela. Bhí cúilín ag Aisling Ní Cheallaigh don Rinn agus ceann eile aici ó saor cic.

Everything was moving nicely for An Rinn but disaster — an Emer Hickey thunder-bolt rattled the Ring net just before half time. Half time: evens.

Play was even up and down the field in the early period of the second half. When the scores came they were for Ballinameela — a Lorraine Hickey goal and an Emer Hickey shot went in off an upright following a mix-up in the goalmouth. Mí-adh don Rinn. In spirited fashion Ring fought back but were weak in front of goal. Deirdre Breathnach did poach a goal by lobbing a high ball over the goalkeepers head. The final goal was a rocket from Emer Hickey.

Ballinameela panel — Helen Cliffe, Máiréad Barrett, Ellen Schliebitz, Lorraine Hickey, Emer Hickey, Anita Walsh, Dervilia O'Connor, Mandy Walsh, Catherine Ahearne, Ann Ahearne, Yvonne Harrington, Caroline O'Brien and Caroline Cliffe.

# Dungarvan G.A.A. Club Notes

## UNDER-12 HURLING

Our next game in this grade is against Colligan. This will be played next weekend and the venue is Bohadon.

## UNDER-14 HURLING

By the time you read these notes we will have played Lismore in the semi final of this championship. If we are victorious we will take on Fourmilewater on Monday, June 19 in the Western final.

## CONGRATULATIONS

From all in the club we extend congratulations to St. Joseph's Primary School who were victorious in the 'B' final of the West Waterford Primary Schools G.A.A. hurling competition.

## JUNIOR FOOTBALL

On Friday night last we played Stradbally at Leamybrien in the junior football championship. In the first half we failed to take our chances and we trailed 1-7 to 1-3 at the interval. We scored 2 quick points at the beginning of the second half to close the gap. We squandered a lot more chances before we finally came good in the last ten minutes and ran out winners on the scoreline 2-10 to 1-9.

## SENIOR FOOTBALL

At the Stradbally venue on Saturday last once again we failed to take our chances at the start of this game. Fifteen minutes into the game Kilrossanty were well on top, and despite a very well engineered goal which originated with midfielder Derek Lyons in a lovely movement which Pepe Ferncombe crashed to the net, it was not to be our day, and we lost on the scoreline of 13 pts to 1-5.

We now have to beat Stradbally, Gaultier and Kilmacthomas if we are to make it to the knockout stages. Our next game is versus Stradbally next Saturday.

## Coolnasmear/Kilbrien Schools Do It Again!

This time they won the schools 'C' hurling final against An Rinn on the score 1-13 to 3-4. This match was played on a very tight pitch and our lads like the space. John Wall and Willie Kiely kept our scores up in this exciting match. Nicholas Queally, who substituted, deserves great credit as he did not travel on the school tour in order to aid his team, as did David McGrath and Jamie Hickey who were on the team. Willie Kiely (capt.) thanked the coach, John Kiely, the teachers and the supporters were being presented with the Shield from Mrs. Margaret Cunningham.

Team — W. Hurley, D. McGrath, P. Power, S. Kennedy, J. Wall (0-7), S. Cass (0-1), B. Lynch, W. Kiely (0-5), J. Hickey (1-0). Subs. — N. Queally and P. Norris.

## UNDER-14 HURLING

The rematch of Colligan v. Stradbally was played in the exceptionally well maintained Abbesside pitch on Friday evening. This match went well for our team and we defeated Stradbally 2-6 to 1-1. Jamie Hickey kept his record by scoring another goal. John Wall played true to form. B. Lynch, S. Cass, P. Fitzgerald and S. O'Brien all played with great heart and W. Kiely did well in goal. This match brings us into the semi final against St. Olivers on Monday evening in the Fraher Field. (Results will be known now). This is

the second semi final within a month and both involving Stradbally on the way. This match will be the fifth match for the under-12's playing on this team in eight days. The record at present is 100%. Well done boys and keep it up.

Team — W. Kiely, D. McGrath, V. Lynch (capt.), P. Power, S. Cass, P. Fitzgerald, T. Cullinane, J. Wall (0-5), S. O'Brien, S. Kennedy (1-0), P. Ryan, K. Keane, R. Kirwan, B. Lynch (0-1), J. Hickey (1-0).

## Good Win For U-21 Hurlers

Colligan 3-6  
Ardmore 0-2

It wasn't evident until the second half that Colligan

was going to have a good win in this match.

As we are trying out players at present it was good to see our newcomers getting their chance, Johnny Dunford, Brendan Hickey, Mark Flynn and Tomas O'Brien, also subs used D. Wall, J. Morrissey and T. Fahey. All seven found the going tough as this match was played at a fast pace.

Jamie Hickey had a great match, as did B. Lynch, J. Wall (capt.) and W. Kiely.

Next match on Sunday, June 18 against Dungarvan in Bohadon at 11.30 a.m.

Team — M. Flynn, P. Norris, D. McGrath, S. Kennedy, B. Hickey, S. Cass, W. Henneby, J. Wall (1-2), B. Flynn, T. O'Brien, B. Lynch (1-1), J. Dunford, M. McGrath, W. Kiely (1-3) and J. Hickey (0-1). Subs. — D. Wall, J. Morrissey, T. Fahey.

## SENIOR FOOTBALL

A narrow victory over Sliabh gCua by 1-10 to 1-8 game us our third championship win of the year on Sunday last at the Fraher Field. Qualification for the knockout stages is now well within our grasp provided we continue with the progress we have achieved to date. It was only in the dying minutes that our young side edged out Sliabh gCua in what was a very competitive game between two very evenly balanced sides.

The opportunity is now available to restore the pride of the 'green and white' and reclaim what the club feel is their rightful position in the top flight of Waterford football. However a number of tricky games lie ahead and it is up to all concerned to redouble their efforts and reach the knockout stages. We will be in action again on Tuesday next, check fixture list for further details.

## BUSY WEEKEND

The next week will be a very busy one for all the club's footballers. On Friday evening, June 16 the second string footballers take on Affane in Colligan, while on Saturday evening it's back to Colligan when the junior 'B' team play Melleray. Both games have a 7.30 throw-in. Kilrossanty and Stradbally 'B' will be our respective opponents the following week.

## UNDER-10 HURLING BLITZ

A massive turnout of 56 players resulted in a very exciting blitz series at the club grounds on Saturday morning last. We will have a detailed presentation in next week's issue.

On Saturday morning next we make the trip to Kildonerry, Co. Cork.

## UNDER-16

Under-16 training will take place at the club grounds on Saturday evening at 4.45 p.m.

## GER WYLEY U-14 HURLING CHAMPIONSHIPS READY FOR DIVISIONAL FINALS

After last Monday evening's semi-final clashes the way is now clear for the western finals of the Division 1 and 2 championships to be played on Monday 19th June. In Division 1 Dungarvan and Lismore will have battled it out in their semi final spot. The boys from the Old Boro and the Cathedral town have come to know each other rather well having played each other in the Feile and the championship over recent weeks with Lismore winning the Feile and Dungarvan winning the championship encounter. The winners will meet Fourmilewater in the final.

In Division 2 Colligan have screamed through the latter end of the championship to force a play off with Stradbally which Colligan won to qualify to meet St. Olivers in the semi final. Olivers have had a great run, losing just one game in the league style championship. The winners will meet Ardmore in the final. Ardmore, who have been showing the result of some great work at juvenile level, have looked very impressive in the league winning all their games comprehensively.

In Division 3 the final round of the league was played on Monday evening last with the clash between an Gaeltacht and Clashmore having a bearing on the placings. The final of Division 3 will be played on Monday 26th June.

## HURLING STANDARDS

It is always interesting to take note of the standard of hurling being played during the championship. In the early rounds the standard was very mediocre indeed but as the championship went on there was an improvement all round but only to a reasonable level at best. There were a few notable exceptions of course where some delightful hurling was played. That is not

to say that the games were not entertaining. In fact most of the games were hugely entertaining as games between two evenly matched teams will be. But a closer look at the skill level at the games would suggest that a bit more attention is needed in developing individual skills, team skills and natural flair so as to give a better all round team performance. On the matter of entertainment and skill levels etc. I had the good fortune to be present at, and to some extent involved in the Primary Schools finals played at Fraher Field last week. The standard of hurling on view was quite outstanding. The 'A' final between Lismore and Ballymacarbry was an enthralling encounter and was played at a blistering pace. Some of the hurling here especially the natural flair element was top class. In the 'B' final St. Josephs, Dungarvan and Tallow served up a fine final with some brilliant individual performances. The 'C' final between Ring and Coolnasmeear, Kilbrien was a cracker of a game which left this writer speechless at times (not to mention breathless all the time trying to keep up with the end to end play), and finally the 'D' final between Aglish and Touraneena. Aglish 3-14 Touraneena 1-4 - sure the scoreline tells it all. Youngsters whipping over points in delightful style. The Primary schools P.R.O. has covered the finals in detail but I would like to congratulate all involved with the Primary Schools Board on an excellent two nights entertainment at the finals. 15 goals and 36 points scored by the winning teams in the finals and 5 goals and 15 points scored by the losing finalists says it all.

Well done teachers, mentors, players and officers.

## THE PLAYING RULES

On a recent verbal check with ten players I discovered that only one of the ten players questioned has ever seen the playing rules booklet. The other nine did not know what I was talking about. In fairness to all ten players in question they all had a reasonable knowledge of the playing rules but not enough to profess themselves experts. They were prepared to be guided by the referee during games.

Of eight team mentors asked only two ever read the playing rules booklet and all agreed that the sideline pleading, castigating etc. of referees has more to do with trying to win the game than to do with their knowledge of the rules of the game. All eight were most fair and agreed that once the least of battle was over they appreciated that the referee's task is a most difficult one particularly when one considers that the referee has to be impartial. Now wouldn't it be somewhat of a help if the players and team mentors brushed up on the playing rules. Recently in these notes I posed the following:-

Did you know that if an attacker is too close to the ball when a team mate is taking a penalty kick in football or a penalty puck in hurling the referee shall....? Well now which did you

think?

Under rule 4 which governs technical fouls under rules for Foul Play Rule 4.11 states:- For hurling

'A'. For a player on the team awarded a free puck to stand or move nearer than 20 m to the ball before it is struck:

'B' for a player on the team awarded a side line puck to stand or move nearer than 13 m to the ball before it is struck:

'C' for a player on the team awarded a penalty puck to be less than 20 m from the ball or inside the 20 m line before the ball is struck:

Penalty for above:

Free puck from where foul occurred with exceptions under rule 2.2

For Football:

'A' for a player on the team awarded a free kick or a side line kick to be less than 13 m from the ball before it is kicked:

'B' for a player on the team awarded a penalty kick to be less than 13 m from the ball or inside the 20 m line before the ball is kicked:

Penalty for above fouls: free kick from where foul occurred with exception under rule 2.2.

So there you have it. Very simple. The Referee's task of course is to award the free. Very easy from the stand or the terraces, very easy from the side line where your view - whatever that might be will receive full backing from you fellow mentors. But not so easy when you are on the spot as a referee. Can you imagine giving a free out against a team who are two points down and about to take a penalty kick just because an attacker moved inside the 20 m line before the ball was struck or kicked. Yet that is the rule.

Other technical fouls are:

Hurling - To take puck out from outside the small rectangle. Penalty - A 65 m free is awarded.

Football - To take kick out after a score from outside 20 m line or to take kick-out after a wide from outside the small rectangle. Penalty - Cancel kick out and throw in the ball on the 20 m line in front of scoring space.

# Kilrossanty Best In Hard Fought Game

KILROSSANTY 0-13 DUNGARVAN 1-5

While it might not have been a classic football game, it was as good a contest as we have seen in that championship this year as both sides fought desperately for the points that would keep their prospects alive and keep them in serious contention for a place in the top four, which will be the group from which the champions are likely to come.

It was obvious that Kilrossanty were better prepared for this than for their three previous matches this season and they took the game by the scruff of the neck from the throw-in. Playing against the strong breeze which blew seawards at the Stradbally ground, they mounted several attacks which yielded four

points without reply from Dungarvan in the first twelve minutes.

Roger Power opened with a second minute point and then an in-form Jim Maher took over the role as scorer-in-chief with three points, two from frees and one from play. John Power had Dungarvan's first score when he sent over in the 16th minute, but a splendid point from play by Jim Maher restored Kilrossanty's lead. Morrie Ferncombe pointed a free and when Jim Maher and Dermot Callaghan exchanged points, scoring for the half ended to leave Kilrossanty in front by 0-6 to 0-3. Three points on the trot by the very accurate Maher extended their lead to six points and here it looked as

if the Comeragh team would coast to a very decisive victory until a number of Dungarvan players combined to set up P. P. Ferncombe for the only goal of the game in the 42nd minute.

But instead of inspiring Dungarvan to a greater effort, the goal aroused Kilrossanty who replied with three points on the trot, one from Jim Maher and two from Rodger Power — all from play. At this point the score was 0-12 to 1-3 and the issue was decided.

Substitute Damien Flynn pointed for Dungarvan and in the closing minutes Jim Maher and Fergal Cunningham had points to leave the final tally at 0-13 to 1-5.

Scorers — Kilrossanty — J. Maher 0-10, R. Power 0-

3; Dungarvan — P. P. Ferncombe 1-0, J. Power, M. Ferncombe, D. Callaghan, D. Flynn and F. Cunningham 0-1 each.

Referee: B. Power, Mount Sion.

## Good Win For Stradbally

STRADBALLY 2-10, NIRE 1-6

This was a splendidly contested first half with each side taking the many chances that came their way. Only a point separated them at half time, the county champions having the slight advantage on a 1-5 to 1-4 scoreline. The second half was altogether different

with Stradbally taking over control and adding a further 1-6 to their half time tally, while the Nire faded away and managed only a single point.

A goal and a point by Pat Halpin and a point by Eoin O'Brien gave Stradbally a five points lead before the

Nire opened with a Michael Guiry point from a free in the 6th minute. A point by Liam O'Brien in the 3rd minute was Stradbally's only score in this half, while the Nire had scores per Pat Walsh (1-1), Michael Guiry and Kevin Mulcahy.

In the second half Stradbally took over and an early point by Liam O'Brien had them level within three minutes. Four further points put the Reds safely in the driving seat before Kevin Mulcahy had their sole second half score in the 51st minute. Nial Cusack's 52nd minute goal finished any hope that the Nire might have had of coming back

into the game.

Scorers — Stradbally — P. Halpin 1-2, E. O'Brien 0-5, N. Cusack 1-0, L. O'Brien 0-3; Nire — P. Walsh 1-1, M. Guiry 0-3, K. Mulcahy 0-2.

Stradbally — K. Cunningham, E. Clancy, M. O'Brien, M. Curran, L. Walsh, F. O'Brien, T. Walsh, E. O'Brien, J. Walsh, Sean Cunningham, O. Costello, P. Halpin, L. O'Brien, P. Curran, Stephen Cunningham.

Nire — A. Gough, T. Walsh, T. Guiry, E. Wall, M. Byrne, T. Walsh, S. Cogan, S. Cuddy, B. Power, K. Mulcahy, T. Condon, D. Ryan, P. Walsh, M. Guiry.

Referee — Pat Moore, Ballinacourty.

## New Magazine A Big Hit With GAA Fans

"The Championship '95" magazine which was launched during the past fortnight, has proved a big hit with GAA followers throughout the country as they see it filling a void in the publications on hurling and gaelic football

Well known GAA writer, Raymond Smith, who has edited this once-annual 144-page publication, points out that the United States has not just one magazine but a number geared specifically to American football and the battle for the Superbowl. Up until now, there has not been a quality magazine produced specifically in this country previewing the All-Ireland senior hurling and football championships — even though they were inaugurated back in 1887.

The President of the GAA, Jack Boothman, in a special message welcoming "The Championship '95" said that the county-by-county survey of prospects is an excellent innovation. "It is fitting that the magazine should arrive on the market when excitement is really beginning to build and followers are keenly debating who will win the Sam Maguire Cup and the Liam McCarthy Cup," he added.

The magazine, which is full of interesting articles and puts the spotlight on big names like Dr. Pat O'Neill, "Babs" Keating, Eamon Cregan, Billy Morgan, Ogie Moran, Brian McEniff, Johnny Clifford and Tom Ryan, represents outstanding value at £4.99. It is available in all bookshops and newsagents.

## WESTERN BOARD MEETING

A full meeting of the Divisional Board will meet tonight at Lawlor's Hotel to be given an update on the championships and to review progress. There are also some referees' reports to be dealt with.

During the meeting, Ballinameela club will present the Board with the Harry Conway Cup which will be accepted for one of the championships and will be played for annually in memory of a man who was one

of the pioneers of juvenile hurling in this division from the early sixties onwards.

There was no greater worker in the interests and promotion of juvenile football and hurling in this county in our time and it is only fitting that this great man — a thorough gentleman — should be so honoured.

There will be a discussion on the upcoming Golf Classic which is being organised in aid of County Board funds.

## Results Round-Up

### SENIOR FOOTBALL CHAMPIONSHIP

Rathgormack 1-11 Tramore 1-8

The result kept Rathgormack at the top of the league table and now guaranteed a place in the knockout stages, but the challenge from Tramore was much more than expected and the winners, who were in front by 0-8 to 1-2 at half time, had to keep playing at full steam all the way to hold out against a very spirited Tramore team.

Gaultier 3-15 Kilmacthomas 1-9

After a poor start to the championship, Gaultier, who lost to the Nire in the county final last year, made no mistake here and gave a sparkling performance against luckless Kilmac' who now look destined to come back to Div. 2 at the end of the season.

Dunhill 3-14 Butlerstown 1-6

This victory was very deserved for Dunhill who are now there with an outside chance of qualifying. The winners led all the way and were never really threatened by their bottom of the table opponents who are now in line for relegation back to intermediate status.

Bonmahon 3-7 Newtown 2-9

There can be little doubt about the fact that Newtown will be regarded as the most unlucky team in the championship as far as 'near misses' go. Beaten by a single point in their first match against St. Saviours, they played an exciting draw with Dunhill in their second game and now another defeat by a single point after having to field without both their county players, Peter Queally and Michael Hubbard.

Bonmahon will have every reason for feeling happy about their first year in senior ranks with two wins to their credit and still holding on to a slight hope of qualifying. They are well clear of relegation.

### INTERMEDIATE FOOTBALL

#### CHAMPIONSHIP

In the double header at Cappoquin on Sunday, Geraldines inflicted a comprehensive win over Ring and Faha had a nine points victory over Shamrocks.

Clashmore 1-18 Brickey Rangers 2-2

This clear-cut victory over one of the fancied teams in the championship shows just how strong the Clashmore challenge is going to be when the final stages of this splendidly contested championship are reached. A total of 4-42 scored in three matches gives them an above average scoring rate.

Brickey's are as good as the best, outfield, but until they get over their scoring problems they won't make the progress that will bring them titles.

#### JUNIOR FOOTBALL GAMES

Running side by side with the senior and intermediate football championships, this grade is more or less left out in the cold as far as publicity is concerned. Unfortunately clubs in this grade will have to wait until the championships thin out before they get the kind of attention which they like and which they deserve. In the meantime, all that can be done is to keep readers up to date with progress. A good number of junior games took place over the weekend and no major shocks were produced.

Geraldines and Ring played one of the lowest scoring draws in a long time when they ended up 0-3 apiece after 60 minutes of effort. For Ring, it was equal to their best scoring average in their three matches so far. Already they had scored three points against Ardmore and only two against Ballinameela.

At Fraher Field on Saturday evening, Emmetts brought their total league points to three when they scored a three points win over Old Parish, who despite having a lot of the play, failed to get the ball between the posts. This was their second defeat by the same margin this year.

Lismore had their second win of the season when they accounted for Ballyduff by four points and Clashmore's juniors emulated their intermediate side when scoring a big win (2-11 to 3-3) over Ardmore in their tie.

Dungarvan also recorded their second win in this grade when accounting for Stradbally by 2-10 to 1-9 at Leamybrien on Friday.

The highest scoring junior game of the weekend was between Kilrossanty and Affane when umpires were kept busy raising a total of 31 flags. Kilrossanty were winners on a 4-15 to 1-11 scoreline.

# Junior Hurlers Play Limerick In Munster Semi-Final In Cork

**HUGE PROGRAMME OF ADULT FOOTBALL GAMES IN ALL GRADES DOWN FOR DECISION**

Our final chance of getting an adult team through to a provincial final will be decided at Pairc Ui Caoimh on Sunday next when our junior hurlers take on Limerick in what promises to be very well contested semi final. It is listed on the programme as the curtain raiser to the eagerly awaited Tipperary/Limerick senior hurling semi final and will therefore be witnessed by a capacity attendance. Their deserved victory over Tipperary in the first round, gave our players the 'feel' of the Cork venue and this should prove something of a slight bonus against the Shanonsiders, who are certain to have a huge following with both their seniors and juniors engaged.

Past records are of little help in assessing our prospects in this grade as the personnel changes quite a lot from year to year in junior and also we have not played Limerick in junior hurling for more than ten years.

In fact our record is somewhat better than theirs in this championship, but Limerick, although losing to Cork (2-17 to 3-9), did far better than Waterford who went under to the same Cork team by 3-11 to 0-5.

These facts and figures while interesting, are worthless as a guide as both counties will be fielding far different teams.

Since our win over Tipperary in Cork many training sessions have been held and a number of useful challenge matches were played.

The team to do duty had not been selected at the time of writing (Monday a.m.) but I have been told that it will be available for publication as it was due to be announced to the County Board on Monday night.

It is expected there will not be more than one or two changes from the team which beat Tipperary. Liam Coady is out as it was expected that his place at right halfback would be filled by Donnagh Cummins or Damien Cliffe, (who came on as a sub. for Coady in the game in Cork). Donnagh Cummins left the field injured in the senior football game with Affane against Saviours on Sunday evening and may not now be avail-

able. Pat Harnan, Ballygunner will be in goal and the full line is expected to see John Hallinan, St. Mary's, Paul Goff, Erin's Own and Tom Kiely, Colligan retained. Pat Ryan, Ballysaggart will be centre half back again and Liam Dalton, who has returned from the U.S.A will wear the number 7 shirt again, Eamon Crotty and Dan Casey will likely occupy the midfield berths but it is rumored that the selectors are considering a move that will bring John P. Fitzpatrick out in a minor reshuffle.

Kevin Walsh, Kilgobinet, Shane Ahearne, Ferrybank, Pat Cunningham, Abbeyside, our scorer in chief in Cork Pat Bennett and Noel Kelly who will captain the side as the Erins Own representative will be in attack.

The selectors are fortunate in having some talented players on the bench, some of whom are likely to be called upon during the hour. The selectors are, Greg Fives, (manager), Pat McCarthy, Ballygunner, John O'Brien, Portlaw, Paddy Walsh, Colligan, Billest Murray, Ring.

**THE RESULT**

It is a very difficult one to call but hopefully Waterford will survive for yet another meeting with Clare in the Munster Final.

**CLUB CHAMPIONSHIPS**

As expected all three Boards have kept Sunday free in order to allow all our supporters free to travel to Cork and this means that the programme of matches is spread over from Friday to Tuesday. Patrons should consult the fixtures column for details.

A full round of senior and junior football games with a couple of intermediate games thrown in, will make for an exceptionally busy weekend.

Also it is a weekend when the fate of several clubs can be decided and certain results could see a number out of the championship for another season.

**S.F.C. DUNGARVAN V STRADBALLY**

A win for Dungarvan here would give them just a

slight chance of qualifying even though they have suffered three defeats in a row.

Against Kilrossanty they did not show enough of their old sparkle to take control of the game at any time but there were patches of play where they briefly displayed the kind of skill which made them three times champions.

Defeat here will put them completely out, if they are not gone already but many of their supporters believe that if they are beaten here, they will be out until a number of new players come into the side.

Stradbally are unbeaten in three games and after their good performance against the champions, the Nire at Fraher field on Sunday, they must be strongly fancied to take the points. Stradbally beat the Nire by seven points and so did Dungarvan in the first match of the season when winning on a 1-2 to 0-7 scoreline. Stradbally must be given the vote here.

**NIRE V KILROSSANTY**

This is the other 'big' one of the weekend and is scheduled as one of the double headers at Fraher field on Saturday night.

A defeat here for the Nire will mean curtains for the county champions and if the Nire play as poorly as they did on Sunday and Kilrossanty play as well as they did against Dungarvan, there can be only one result.

The Nire were forced to field without five of their regulars on Sunday, Pat and Ger Walsh, David Phelan (in the U.S.A.) and J. Kearney, and if all these top players are out on Saturday night, it will be a very difficult assignment for the county champions. The Nire's second half performance against Stradbally is unlikely to inspire confidence in the team and in their circumstances it is difficult to support their prospects here.

**RATHGORMACK V KILMACKTHOMAS**

Not having scored a league point up to this stage, it is unlikely that Kilmackthomas will topple the table toppers Rathgormack her. A win for Rathgormack, which looks very likely will put them into the knockout stages, regardless of what happens later in the championship.

**GAULTIER V TRAMORE**

This is a crunch tie for both and patrons can expect a battle right to the finish. Gaultier got off to a bad start, but seem to be making

up ground, while Tramore are doing better than most people expected at the start of the season. This one can go either way.

**BALLINACOURTY V NEWTOWN**

This will be their first meeting in senior football. Newtown, with players not being available, have suffered a number of narrow defeats to date and this was particularly so of last Sunday when they were without Peter Queally and Michael Hubbard and lost by a narrow margin to Bonmahon.

Ballinacourty are joint second on the table at the moment and a win here would leave them in a pretty comfortable situation going into their final two matches. They were in good trim last Sunday and may just be good enough to manage a narrow win here again. Michael Hubbard, should be back for Newtown.

**SLIABH gCUA V BONMAHON**

Unless the Touraneena team are near full strength for this one, they will find Bonmahon very difficult to beat. The 1994 intermediate champions are a strong side and were very worthy winners of two championship games since being promoted. The experience of Sliabh gCua may be the deciding factor.

**OTHER GAMES**

Affane should be good enough to beat pointless Butlerstown in their fifth round tie and Saviours who are unbeaten so far, must be fancied to defeat Dunhill who are presently fighting for survival in the championship.

**WESTERN BOARD PROGRAMME**

The Divisional Board have a dozen games listed for various venues in the intermediate and junior football grades.

**CLASHMORE V BALLINAMEELA**

This is surely the pick of the Western Board matches with the two leading contenders for the title in opposition at Bushy Park on Saturday evening. What a pity it has to clash with the attractive Fraher field programme, but obviously there is no other option.

This should be a hectic encounter and I can see very little between them at the finish. Clashmore's senior experience might be the deciding factor, but it is a very open game.

**BRICKEYS V ARDMORE**

Both these clubs suffered defeats on last weekend, so the result of this will be vital to both. The Brickeys had four points to spare when they clashed last year and no doubt, they will hope to do likewise here.

Ardmore will need to improve on their display against Ballinameela if they are to have a reasonable chance of winning.

**JUNIOR FOOTBALL**

Kilrossanty and Dungarvan have lost a match in the early rounds and both need a win. Dungarvan will be slight favorites. It is on in Stradbally on Friday. Ballinacourty on form would appear to have the measure of Affane and will be fancied to take the points in Colligan.

Geraldines had a good win over Clashmore in this grade recently and can be expected to defeat Ballinameela at Bushy Park on Friday evening. Stradbally and the Nire renew rivalry in this lower grade on Friday and here the Nire will be fancied to reverse the result of their meeting at senior level. This game is at Abbeyside on Friday.

We also have a Thursday evening match when Brickeys and Clashmore meet at Fraher field in junior football. Brickeys had a good win over Ardmore with this team and they may take the points here also.

In the junior football championship proper we have two very attractive matches involving Modeligo versus Tallow and Old Parish v Ballyduff. So far, Ballyduff's best was a draw with the Emmetts and Old Parish apart from playing well against Emmetts had a draw with Tallow. Strictly on form there is nothing between these teams so it is a match that can go either way. An Old Parish win is overdue and very few would begrudge them the points here.

In the other game in this section of the J/F championship, Modeligo must fancy their chances of beating Tallow at Cappelquin on Saturday evening.

**J.F. 'B'**

Two matches are listed in this five team competition. The four engaged on Saturday evening have all won, so the results here will be very important. Eire Og, who won the championship last year take on Stradbally and Ballinacourty who have won two games so far will play Melleray.

## SENIOR FOOTBALL LEAGUE TABLES

The points table shows how all clubs stand after four rounds of the championship. In Div. 1, Kilmackthomas are the only side who are very definitely gone out of the equation, while Dungarvan are near enough to being gone. They need to beat Stradbally, Gaultier and Kilmack to have a chance of coming back into the reckoning. Gaultier have only 3 points, but like Stradbally, have a game in hand. Stradbally and Rathgormack both look certain to qualify and the other two places can go to any of the four or five others, Kilrossanty, Tramore, Gaultier and Nire or Dun-

garvan. There are some mighty contests in prospect here with so many clubs having it all to play for. In Div. 2, St. Saviours, who are the front runners, are certain to qualify and the battle for the only other place in the qualifying group rests between Ballinacourty, Sliabh gCua, Dunhill and Bonmahon. With the championship well on schedule, everyone of the sixteen clubs now playing in the championship, will know their fate by Sunday, July 2, which is the date on which the league section is scheduled to finish.

G.A.A. NOTES

# Munster Council Impose Penalties

Four players, two from Tipperary and two from Waterford were suspended and each of the counties were fined £500 after the Munster Council had spent almost three hours debating the referee's report and a video of the Tipperary/Waterford championship game at Cork almost four weeks ago.

Three players were summoned from Tipperary and Paul Delaney was given three months suspension, Michael Ryan was sidelined for two months and John Leahy was severely cautioned about his future conduct. The two suspended Tipperary players had been 'booked' by referee Terrence Murray following the fracas.

Waterford player, Peter Queally was also suspended for three months and Brian Greene was given one month. The other two Waterford players, Ger Harris and Tony Browne were exonerated. Because of a cock up in the announcement from the meeting, it was reported in the daily papers on Thursday that Ger Harris had been suspended for one month. The inaccuracy was corrected on the following day. Both County Board's chief officers were also summoned and Waterford

was represented by P.J. Ryan, County Board chairman and Seamus Grant, Secretary.

Tony Mansfield was present at the request of the players and spoke on their behalf, as did the Board officers. Canon Fogarty was present at the request of the Tipperary players whose stiff suspension will keep both Delaney and Ryan out of the semi final against Limerick and possibly the Munster final. According to Tipperary sources, it seems certain that they will appeal to the Management Committee against these suspensions on Saturday next.

Waterford's County Board approach to the matter was due to be decided at their monthly meeting on Monday night of this week. I feel that wiser counsel will prevail and that Waterford, at least, will decide to let it be and not prolong the agony, as the chances of an appeal suc-

ceeding are very remote in this instance. An appeal by the County Board would have to be against the £500 fine, or against the use of video evidence and ignoring the referee's report. They do not have the right to appeal on behalf of the individuals concerned.

My view is that in all the circumstances we did not come off too badly, as the television shots of the indiscretions did show that some of our players were involved in the fracas. Central Council or the Management Committee are most unlikely to see it any differently. Appealing the penalties now will only keep us in the headlines for a while longer, and goodness knows, we have got the headlines for all the wrong reasons for too long.

What is very disconcerting about the whole affair is that television has brought a new, and perhaps dangerous dimension into our games and whatever they show as visual evidence after a match, can supersede whatever report is submitted by the appointed referee on the day. Up until now the appointed referee and his six subordinates, four umpires and two linesmen were the sole judges of misconduct, or indiscretions, etc. One might also ask if we are now going to have situations where a county being beaten by a single score, can have recourse to video evidence to prove that the referee, or umpire or linesman erred in making a judgment that might have cost them an equalising or winning score.

The final point that I am going to make on the whole matter is that I cannot find a rule which allowed the Council to date the suspensions, in this case, to the date of the players last game. Paul Delaney was obviously advised not to play with his club, pending the hearing of the case, therefore his three months suspension will end a couple of weeks before Peter Queally's suspension, even though they were both punished for a similar incident, in the same match on the same day and at the same meeting. We might hear more on that one.

### FOOTBALLERS SUSPENDED

Two Waterford footballers, Don McMahon and Alan Reynolds, both of whom were sent off during the Cork/Waterford first round Munster championship game at Pairc Ui Chaoimh on May 28th, were each suspended for one month by the Munster Council, also last week.

These suspensions will date from May 28th.

## Players Of The Future

GARRANBANE N.S. — Four little girls learn how to hold the hurley at coaching session with their teacher Mrs. Cliffe, recently.

**Tallow N.S., Seamus Mills, Rang 6, Twelve Years** — Seamus lives at Glencairn and is a citeog. Very brave boy who gave his all in recent schools final against St. Joseph's, Dungarvan. If this boy practices he has the determination to make a useful hurler.

**Willie Kiely, Coolnasmear N.S., Rang 6** — Willie is a sweet striking left-hander who lives at Ballyconnery. Captained Coolnasmear/Kilbrien school team who

swept to victory in the I.N.T.O. Sevens, which was a major achievement for two small country schools. His brother Tom plays u-21 and junior for Waterford.

**Deirdre Breathnach, Scoil Náisiúnta Na Rinne** — Tá Deirdre sa Rang 5 agus tá grá aici don camogie. This school won the camogie I.N.T.O. Sevens and the Bro. Dormer Cup in recent weeks with a very good schools team where every child takes part in Scéim Iomana na nOg.

# St. Saviours Late Rally Beats Affane

ST. SAVIOURS 2-12 AFFANE 1-9

It is fair comment that the above scoreline does less than justice to Affane who were the better team in this very enjoyable contest for the greater part of the hour in this SFC clash. It was one of the team's best displays so far this year and with a bit of luck they might have taken the points.

The city side had to draw on all their experience to get on top in the final ten minutes. At half time, Affane led by 1-7 to 1-6.

Tom Mansfield for Affane and Tom Higgins for Saviours exchanged points before Affane went into a three points lead after points by Martin Power, P. J. Veale and Garry Morrissey. Tony Corcoran and O. Hartery hit back with points in the 13th and 17th minutes. Corcoran and Jacobs brought Saviours level. James Mason pointed for Affane before Donnagh Cummins had their goal in the 24th minute. In the 30th minute Tony Corcoran goaled from a penalty to close the gap just before half time.

Although Affane had quite a share of the play in the second half, they managed only two scores per John Buckley and Tom Mansfield. Saviours finished in top gear and Owen Hartery's goal in the 57th minute put the result out of reach of Af-

fane.  
Scorers — St. Saviours — T. Corcoran 1-6, O. Hartery 1-2, M. O'Brien 0-2, T. Higgins and D. Jacobs 0-1 each  
Affane — D. Cummins 1-0, T. Mansfield 0-2, M. Power, P. J. Veale, G. Morrissey, J. Mason, J. Buckley 0-1 each; C. Prendergast 0-2.

St. Saviours — T. Ryan, B. Brophy, P. Corcoran, L. Quilty, G. McCormack, M. Corcoran, K. Murphy, M.

O'Brien, J. Walsh, O. Hartley, T. Corcoran, T. Higgins, J. Keane, D. Jacob, A. Healy.

Affane — C. Cummins, E. Murphy, L. Costin, A. McCarthy, K. Veale, J. Buckley, J. Fleming, T. Mansfield, J. Costin, D. Cummins, J. Morrissey, M. Power, P. J. Veale, J. Mason, C. Prendergast.

# Hedgecutting Onus Now On Landowners

CONTINUED FROM FRONT PAGE

clared. Highlighting the considerable green growth which has occurred over the past few months, the Nire Valley Councillor submitted that the narrow 10 ft wide roads in his area were now impassable.

"Avonmore lorries have refused to collect milk from a number of farmers in the area," Cllr. O Riain added.

**CLEAR DYKES AND GULLIES**

Also joining in the heated discussion, Cllr. Nora Flynn said the Council ought to prioritise the clearance of dykes, inlets and gullies, which she maintained was the main problem behind the rapid deterioration of non-national roads.

"There are farmers who are taking up their hedgecutting responsibilities and some parts of the county are a credit to them", she said.

Thoroughly disillusioned with the current state of affairs, Cllr. Austin Flynn said the enormous increase in service charges, adopted in the 1995 estimates had been eroded by the Environment Minister who had cut back the state grants by £422,900. "We're not fighting the case at national level", stressed Cllr. Flynn.

"The Minister has pulled our teeth", he declared, "he didn't give us money for roads, and he didn't give us the means to pull our own money in by disallowing cut offs".

Agreeing with his namesake, Cllr. Nora Flynn, on the subject of clearing the dykes and gullies, Cllr. Flynn urged the Council to concentrate on these two problems and let the landowners do what they are supposed to do.

**WAKE UP CALL**

Admitting that he felt very badly over the hike in service charges and the "grossly unfair" cut in grant aid, Cllr. Ollie Wilkinson told members to forget the Minister's 10 year plan. Environment Minister Brendan Howlin had informed Dáil Eireann that he was examining the county road situation and would be reporting back to the Dáil with a view to a possible 10 year programme to restore non-national roads.

"Our roads won't be there in ten years time", warned Cllr. Wilkinson. "There's a heavy responsibility on the Minister to wake up and see what's happening".

**DONKEY AND CART ROADS**

Describing many of Co. Waterford's back roads as being suitable for donkey and carts, Cllr. Paddy O'Callaghan warned of the damage caused by heavy lorries.

"County roads were not built for 40 tonne trucks ... they do more damage than 1,000 cars", he added.

As regards a further increase in service charges in the '96 estimates, Cllr. O'Callaghan warned that the well is now dry.

**CHARGES WERE ESSENTIAL**

Responding to the Council members concerns, Mr. Connolly said additional sources will have to be found for non-national roads.

With regard to the 23% increase in domestic water charges and the 33 1/3% increase in refuse collection which was adopted by members in the estimates for '95, Mr. Connolly said these increased charges were essential or the Council would be in a 'diabolical situation'.

As outlined in the Co. Engineer's road works scheme report for '95, Mr. Connolly said money will be channelled into drainage and side clearing in the Ardmore, Kilmacthomas, Lismore and Waterford area at a cost of £140,000. Complimenting those landowners who have already cut hedges and verges on their land, Mr. Connolly said it will take a period of reeducation for all landowners to comply with the new hedgecutting laws.
