Dungarvan Of Interest To National Developers

As the present Urban Renewal Scheme now moves into its eleventh month, it was revealed last week that the scheme's various financial incentives have attracted a number of interested national developers.

That's according to Co. Manager Donal Connolly who further disclosed that proposed developments for the local 12 acre designated

area will arrive at the planning stage in a matter of months.

Those areas included in the scheme are the Mary

Street block, the Quay block, the Tannery block and the Convent block. The package of incentives offered under the scheme is geared towards attracting employment back into urban areas and encouraging people to return to live in town and city centres. The scheme also encour-

Heatwave To Last Weekend

By AISLING CONROY

What's seldom is wonderful according to the old maxim which is certainly true of the present heatwave expected to scorch the country for the rest of the week and continuing over the weekend.

A spokesperson for the Meteorological Service told the 'Dungarvan Leader' that the highest temperature recorded in the South East was 17°C on Monday last in Rosslare while inland, Kilkenny sweltered under a massive 27°C that same day.

Famous sun resorts such as Las Palmas, Madrid, Paris, Gibraltar, Toronto, Malaga and the Costa Del Sol have similar temperatures in the mid-20's range in line with the sunny south east.

GOOD NEWS

The good news is that the soaring temperatures are set

QUESTION

Who is entitled to Adoptive Benefit and for how long is it paid?

ANSWER

An adoptive parent who is in insurable employment at the start of his/her adoptive leave and who is entitled to adoptive leave under the Adoptive Leave Act 1993 and who meets the PRSI requirements is entitled to Adoptive Benefit.

The PRSI requirements are the same as for Maternity Benefit. You must have:

- At least 39 weeks PRSI paid in the 12 months immediately before the date of placement of your child, or—

- At least 39 weeks PRSI paid since first starting work, and—

- At least 39 weeks PRSI paid or credited in the relevant income tax year (for a claim made in 1995 this would be the 1993/4 tax year).

This Benefit is paid for 10 weeks from the date of the placement of your child. The minimum weekly payment from June '95 is £75.70 and the maximum is £162.80. You won't be paid less than the rate of Disability Benefit you would be entitled to if you were claiming Disability Benefit. (With Disability Benefit you could be paid increases for your adult and child dependents).

You should claim at least 5 weeks before your leave is due to start on claim form AB 1. A certificate of placement must also be submitted as evidence of the placement of your child. In the case of a foreign adoption you must submit a copy of the declaration of suitability issued to you by the Adoption Board.

If the adoptive mother dies within 10 weeks of the placement the father may be entitled to some Adoptive Benefit if he qualified for Adoptive Leave and provided he satisfied the PRSI requirements on his own insurance record. The payment would be calculated on his earnings in the relevant year.

Application forms and further information is available from: Adoptive Benefit Section, Government Buildings, Ballinalee Road, Longford. Telephone 043/45211 or 01/8748444.

NRB Opens New Office In Waterford

Mr. Brian O'Shea, T.D. Minister for State at the Department of Health, performed the opening ceremony of NRB's (National Rehabilitation Board) new local centre at Galdstone Street, Waterford recently. Located in a central location in Waterford City, the centre is ideally placed for public use and is fully accessible. NRB will use the new offices to provide a range of services free of charge to people with disabilities, their families and anyone whose work affects the lives of people with disabilities, in Co. Waterford and South Kilkenny.

Marius Cassidy, NRB, Area Manager, said NRB offers support for anyone affected by disability directly or indirectly. "We have always provided a hearing service and also provided assistance to people with disabilities to find suitable training programmes. We have extended the services available to include occupational guidance, to assist people think through the options to the kind of lifestyle they want to achieve. Peoples needs are changing and increasingly they want a greater say in the kind and range of services available to them. NRB is now perfectly placed to offer a greater range of quality services to meet these changing needs."

"The fact that our new building is so accessible will, we hope, encourage everyone from builders/architects looking for information on build-

ing design to representatives of voluntary groups looking for information on sources of funding to school children doing school projects, to drop in and see what is available. NRB sees the building as a resource to people with disabilities and we intend to develop our services on an on-going basis to meet changing needs. NRB wants to hear the views of people with disabilities on the services we provide and we want to extend our links with all organisations active in the field of disability."

NRB services available include:—

- Facilitating people with disabilities to identify training and employment options.

- Hearing testing and the fitting and repair of hearing aids for school children and eligible adults.

- Providing information and advice on equipment designed for people with disabilities.

- Providing information about services and financial supports available to people with disabilities and where to find them.

- Creating an awareness of the importance of good building design so that environmental barriers are removed.

- Creating an awareness of the issues which affect the lives of people with disabilities and the kinds of initiatives which are required to change these.

- Administration of E.U. funding in respect of people

with disabilities in the South East, including approval and monitoring of training programmes.

"NRB is well known as the State body that addresses the wider issues of disability nationally and internationally.

We also provide services which are individual and local. This new centre will provide a regional focus for individual and groups involved in the area of rehabilitation in Co. Waterford" — Marius concluded.

JRs Restaurant Scoops Top Hygiene Award

IQA NATIONAL HYGIENE AWARDS — The Minister for Trade and Tourism, Mr. Enda Kenny, T.D. presented certificates to recipients of the Irish Quality Association Hygiene Mark at a reception in the Conrad Hotel, Dublin recently. The recipients received their awards for outstanding performance in the area of hygiene management and they now comply with the new EU Food Regulations which gives them a competitive advantage. Pictured from left to right are Mr. Pat O'Neill, Chairman IQA, Mr. Enda Kenny T.D., Minister for Tourism and Trade, Mr. John Ryan, owner of JR's Hamburger Restaurant, Dungarvan, who received the IQA Hygiene Mark and Mr. Sean Conlan, Chief Executive IQA.

JRs Hamburger Restaurant, Dungarvan, is the Fast Food Restaurant Category Award winner of the 1995 Irish Quality Association National Hygiene Awards.

The award was presented to John and Caroline Ryan, owners of JRs by Mr. Enda Kenny, T.D., Minister for Tourism and Trade at a function in the Conrad Hotel in Dublin. The Minister also presented awards to 14 other companies who came out top in their categories. The Fast Food category

covers Fast Food Restaurants from all over the country and all the large and multi-national companies take part, i.e. McDonalds, Supermacs and others. This award has been won every year by a McDonalds Restaurant since 1986. However, this year, JRs (the smallest of all the Fast Food Restaurants in the category) has taken first place for 1995.

JRs — SIMPLY THE BEST!

Winning the overall award in the Fast Food Category of the 1995 Irish Quality Association National Hygiene Awards is a tremendous honour for JRs. It is well deserved as JRs is a restaurant which has consistently maintained the highest standards as demanded by the Irish Quality Association.

JRs was founded in 1983 by John and Caroline Ryan carrying a staff of three. From the earliest stages there was a commitment to produce quality food in the most hygienic conditions. This is highlighted by the fact that in 1984 JRs was the first Fast Food Restaurant in the South East to be awarded a Hygiene Award by the South Eastern Health Board in association with the Irish Hotels and Catering Institute. This accolade was bestowed on JRs on two further occasions.

Applying for the "H" or Hygiene Mark was a natural progression, and achieving two Triple Hygiene Certificates and eight Hygiene Certificates since 1988 has been a source of great pride to John and Caroline. They

would point out that the strict standards required by the Irish Quality Association has resulted in continual up-dating of systems and work practices in JRs. They place major importance on staff training, sourcing out of the best possible cleaning equipment, cleaning agents and maintenance of premises.

In 1994 JRs underwent major refurbishment. Drawing from their ten years experience, John and Caroline designed their premises with a view to maximising customer and staff comfort. More seating was installed and staff work in a more efficient and spacious work area. Storage and freezer space has been expanded, and not surprisingly, special emphasis has been placed on hygiene facilities with the provision of showers for the staff and further improved toilet facilities for the JRs customer.

Winning the Overall Award in the Fast Food category is an outstanding achievement for an outlet which boasts a staff of just fourteen with some seasonal variations. John and Caroline Ryan greatly appreciate their staff's commitment and loyalty, but also feel that the Irish Quality Association had a major influence in the success of their business. After all, two triple Hygiene Award Certificates, eight Hygiene Award Certificates plus other accolades neatly displayed does instill a lot of confidence in the customer! The "H" mark says it all!

Last Chance To Sow That Lawn!

July is the last chance for any groundwork if you plan to sow a lawn in August — considered to be the best time for a DIY lawn.

Preparation is vital to ensure that the grass establishes well before winter and endures the year ahead, come snow or drought.

You should start preparation some six weeks before sowing by digging over to one spade depth.

MECHANICAL DIGGER

It can be hard work after warm weather, but don't be tempted to use a mechanical digger as they tend to spread weeds and compact soil.

You also need to avoid compacting if the soil is wet — use a broad plank to stand on and support your weight as you work.

While digging, work in well-rotted compost or manure before raking the newly-turned site into a fine crumbly consistency. Then leave it for a few weeks, apart from removing new weeds.

BOWLING GREEN

Meanwhile you should also decide on the type of lawn you need — what you have pictured in your mind is probably in the bowling green class and the required mixture will be something with fescue and bent varieties.

However, you must be realistic if you have a family and pets who are likely to give the lawn a pounding. In this case, choose a coarser rye grass mixture which will establish and recover from damage quickly.

Of course, there are 'shades' between both extremes and you will find many mixtures in shops and garden centres — check the packaging or ask for more advice there.

DICTATE

At least by sowing a lawn rather than laying turf, you can more accurately dictate the type of lawn you end up with.

Once the seed is chosen, wait for a calm day when the soil is moist — a course of watering beforehand will help — and sow around an ounce and a half per square yard unless there is a recommended density for the particular mixture.

Gently rake the soil to cover the seed and protect from birds. Use fine netting and string out some foil and other debris to flutter in the breeze — don't rely on reassurances that the seed has been treated with repellent!

OBSTACLES

Cats can be put off digging the soft ground by laying canes and sticks at random over the site — the fussy felines will find somewhere with fewer obstacles.

When the blades of young grass reach 1.5 inches high, give them a light rolling in dry conditions, but do not mow until they reach three inches.

Once the lawn is established, look after it by never cutting it short in dry weather, keeping it well watered and occasionally adding a liquid feed.

Rural Ireland To Benefit From ESB Investment

The board of ESB has approved a plan to refurbish its rural low and medium voltage networks.

The first phase covering 25% of the country's network will be implemented between 1996 and 2000 at a cost of £233M. The quality of supply to all rural customers will meet the recently revised and approved

European Standard. The move will put in place an electricity infrastructure which will meet the increase in demands of customers. The complete programme will bring benefits to half of ESB's 1.4 million customers

The project represents a major commitment by ESB to the development of rural Ireland, put in place, as it

will, the electricity infrastructure required for the expansion of agribusiness, modern tourism and the needs of industrial and commercial customers.

Rural electrification started in 1946 and the bulk of the programme was implemented in the 50's. These networks are now under severe strain. Sustained load

growth over the years has led to overloading and lack of capacity to cater for further growth. Many poles, wires, cross arms etc. are near the end of their service life and will be replaced.

ESB plans to start work on the renewal project in 1996 covering such areas as Dungarvan, Clonmel and Tipperary etc.

Here's A Pie That Cheers

(it's got tea in it)

CREAMY PIE FILLING

The delicate, slightly scented flavour of jasmine tea makes this creamy pie filling deliciously different.

Ingredients

6oz (175g) crushed digestive biscuits
3tbs (45ml) sugar
6oz (175g) melted butter or margarine
2tbs (30ml) Jasmine tea
1pt (500ml) boiling water
4oz (125g) castor sugar
2 envelopes unflavoured gelatine
2 egg yolks

2 egg whites, stiffly beaten
1/2pt (250ml) double cream, whipped and orange slices

Method

In mixing bowl, combine crumbs, sugar and butter or margarine. Press mixture evenly into the bottom and sides of an ungreased 23cm (9in) flan dish. Chill.

Steep tea in boiling water for five minutes and strain. In bowl, mix sugar and gelatine. Stir in hot tea until gelatine dissolves. Beat in egg yolks. Chill mixture until just thickened. Fold in egg

whites and whipped cream. Pour into pie shell and chill until firm.

Pipe whipped cream round edge of pie and decorate with orange slices.

ages people to return to living on the upper floors of business premises which are currently vacant.

DISCUSSIONS CONTINUING

Confirming that a number of developers were looking at various properties in the designated area, Mr. Connolly added that discussions are continuing between local property owners and very interested local and national developers.

While still some way off from showing visible signs of development, according to Council officials the fu-

ture is looking good for Dungarvan for the remaining two years of the scheme.

CASTLE LANE

Speaking to the 'Dungarvan Leader' Designated Area Co-ordinator and Town Clerk Ray Moloney stressed that negotiations were still at an early stage.

With regard to the proposed creation of a Castle Lane from the existing quay car park to the gate of the castle, Mr. Moloney said the Council have requested all

potential developers to make a provision for such a pedestrian link in their construction plans.

The Council intends that the existing historic lanes leading from the medieval Main Street to the Quay will be more actively used and complimented by such a newly created Castle Lane.

Meanwhile, Mr. Moloney confirmed that the exploratory excavation dig at St. John's Castle finished last week. A report on the findings will be available before the end of the year.

Heatwave To Last Weekend

to continue until the weekend and possibly into next week. Thundery weather however, coming up from the Bay of Biscay may hit the southcoast this weekend but it will remain warm.

An easterly breeze is keeping temperatures cooler along the coast. Surprisingly the blistering heat did not lead to increased admissions to the casualty department of Waterford Regional Hospital. A hospital spokesperson said the number of people in for burns had not increased in the past week. To avoid the painful, red lobster look that is so prevalent among the pale skinned Irish, people

are strongly advised to protect themselves from the harmful rays of the sun. Choose a suitable sunscreen factor which allows you to tan without causing sunburn.

NO REPORTED FIRES

Station Officer at Dungarvan Fire Brigade, Bernard Moynihan reported no gorse fires in the area and highlighted the dangers of discarding matches, glass and lighting cigarettes in dry grass or wood in very hot weather. County fire brigades however had to contend with a fire last Sun-

day in the Tramore/Dunmore East area as a result of a car leaking petrol onto the road.

BEACH CLEAN-UP

As masses of sun-starved holiday-makers flocked to the local beaches last weekend, one was reminded of a tropical island resort. Sadly however, that image soon faded to be replaced by mounds of rubbish, wrappers, plastic bags and litter of every sort as seen at Clonea Strand last Sunday.

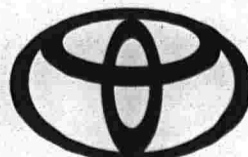

Beach users are asked to make use of the existing rubbish bins and keep our county beaches clean for the sake of hygiene, tourism and safety.

Abbeyside Scouts Notes

MONDAY NIGHT CUBS

This week's meeting started at the usual time of 7.00 p.m. with fall in, and the Cub Scout Prayer. Subs were then collected and then the Cubs were asked who was going on the up coming Father and Cub week-end, which was to be held in Mount Melleray Scout Centre. The numbers were down on other years but the week-end still looked like being a good one. All the Cubs were given notices to bring home about the week-end just in case more wanted to go.

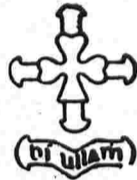

The meeting continued with a few indoor games, as the weather was against us, but the meeting flew and before we all knew it the meeting was almost over. It was announced that this meeting was our second last meeting and that the one after the Father and Cub would be our last until September. The meeting ended with the prayer being said and fall out. All Cubs were reminded to be up in Melleray by 9.00 p.m. and were given their lists of things to bring.

FATHER AND CUB WEEK-END

This years Father and Cub week-end saw a smaller number than usual, but that was not going to affect the fun on the week-end, as all those who took the time out to come were here to have a fun packed week-end with their son or daughter. The week-end couldn't have been better with the sun still high in the sky at 9.00 and the heat of the day still in the air.

Everyone was in good form and after everyone knew where they were sleeping there was a small hike, with Brian (Muller) leading the gang. This was to the Glen where we had a campfire which was ready and waiting thanks to some of the leaders from the 4th. With the campfire over it was time to head back for some tea and to hit the beds as tomorrow would be a long day.

A strange noise was to greet the fathers in the morning, it was that of our intrepid Camp Chief Muller blowing his bugle much to everyone's surprise but it got everyone up and out at the flag pole. They headed down to the centre for breakfast and after this headed for the bus for a mystery trip to the Cinema in Dungarvan. All enjoyed the film (Street Fighter) and were happy heading back to Melleray for some lunch. After lunch it was down once again to the Glen for the afternoon of activities, which did involve getting very wet at times, but everyone got stuck in, and after the initial shock of the cold water no one seemed to mind as it was so hot. All went well and we hope everyone enjoyed it, some people kept falling into the river at the canoe base - don't know why! Back once again to the centre for food and to change some very wet clothes. After dinner the Fathers and Cubs were broken into 4 teams for the night games of rounders. This went well

with some of the fathers getting very emotional about the refereeing. After this all the Cubs were brought down to watch videos while the Fathers headed for some liquid refreshment and a sing song in the Cats, where the crack was good.

After a good nights sleep and a big breakfast all headed for the Glen, this time to the North side for some map work but someone from Abbeyside still managed to get lost. Ask the other Fathers to find out who it was. Back yet again to the centre for Sunday dinner and for the Mass said by Regional Chaplin Fr. P. Ahearne. After Mass the speeches of thanks were made and hopes of seeing all the Fathers next year. The tents were taken down and packed away and it was time for home to a well earned rest. This year was the 12th year of the Father and Cub week-end and one of the best so far. We would like to thank those who were on crew for the week-end, who cooked as good as any hotel and fed everyone well, even those who arrived late for their dinner. All in all it was a great week-end with a good atmosphere and great weather.

SATURDAY NIGHT SCOUTS

There was no meeting this week as the Scouts went to see Street Fighter in the cinema on Saturday morning with the Father and Cub week-end.

As Annual Camp is only a few weeks away the push is on for all the gear to be ready and with the hope of good weather like we have had the last few days. The PL's for Camp are Tiger Patrol Garvan McCarthy, Wolf Patrol Ronan McCarthy, Panther Patrol Graham Shepherd, Kestrel Patrol Michael Fives. With 25 scouts making the trip and a number of adults also paying visits over the two weeks between the 23rd July and the 5th August, the big count down is on with the camp booklet nearly ready and the Scouts getting ready all should go well. - *Scribe.*

Deputy Deasy On Illegal Fishing

Dungarvan Deputy, Austin Deasy asked the Minister for the Marine, Sean Barrett the following questions regarding illegal fishing in the Dáil recently.

To ask the Minister for the Marine if he will define what constitutes a serious offence under the Fisheries Acts with regard to illegal fishing by foreign trawlers,

the number of Spanish trawlers which have been apprehended by the Navy on two or more occasions for illegal fishing and which have been found guilty of serious offences under the fisheries acts,

and finally the maximum penalties applicable to foreign fishermen in breach of our fisheries laws.

Minister Barrett replied "statutory Penalties for offences under the Fisheries Acts, which are the highest in the European Union, are specifically designed to deter illegal fishing irrespective of nationality. They reflect our determination to ensure that all vessels fishing in Irish waters comply with fishing regulations.

The penalties available to the Courts for fishery offences have been substantially increased under the 1994 fisheries Amendment Act. Serious offences relating to incorrect capacity plans and undersize nets now carry maximum fines of £200,000 and £50,000 respectively. The Act also doubled the maximum fines for having undersize fish on board and logbook offences, including under recording of catch, to £20,000. Gear and catch are automatically forfeit as well. In addition the 1994 Act provides for the ultimate sanction of confiscation of the vessel where the offences are deemed by the court to represent a particularly grave abuse of conservation.

The actual imposition of penalties, including confiscation, is a matter for the Courts in the final analysis. Overall the regime of fines, fishing days lost, and forfeiture of gear and catch amount to a substantial financial loss for fishermen. Fines imposed, for example, for underreporting of catch are usually well in excess of market value of the catch. In addition to the increased fi-

DEPUTY AUSTIN DEASY

nancial deterrents, the Irish fisheries surveillance capability has been significantly enhanced this year with the coming into service of the 2 new Casa aircraft operated by the Air Corps. This has already contributed to more focused and effective deployment of the Naval Service vessels in fisheries surveillance.

Finally I can advise the Deputy that since 1991 a total of 29 Spanish vessels have been convicted on two or more occasions of serious fishing offences.

Deputy Deasy replied: "The questions I asked have not been fully answered by the Minister, I cannot understand why the courts are not implementing the maximum penalties outlined in the reply from the Minister. Generally the fines are only a small fraction of the maximum and in no case has a boat been confiscated, despite the fact that 29 Spanish vessels have been convicted on 2 or more occasions, of serious fishing offences since 1991.

BISHOP TO CELEBRATE MASS AT HISTORIC WELL

Most Rev. Dr. William Lee, Bishop of Waterford and Lismore, is to make the first visit in living memory by a Bishop to St. Patrick's Well, Clonmel, this week.

Dr. Lee had previously visited this Holy Well before he became Bishop, but this week he will make his first official visit when he celebrates Mass there on Thursday, June 29 at 7.30 p.m. The Mass marks a major development at the beautiful and historic well, which has been drained and resurfaced over the past six months in a joint effort by the St. Patrick's Day Society which maintains the well, and South Tipperary County Council and F.A.S. The improvements to the area around the well involved draining the whole site. During the work the sod was scraped away from the site, and the workers laid down a four inch layer of stones and topped that with a four inch layer of clay which has now been reseeded.

This is the biggest project carried out at this popular St. Patrick's Well since 1960. Bishop Lee will present the prizes in a childrens poetry and art competition organised to co-inside with the resurfacing which attracted 700 entries and was sponsored by the Nationalist Newspaper and Avonmore Foods. The winning poems will be read aloud during the Mass. After Mass his Lordship will be accorded a mayoral reception in the Town Hall, Clonmel by the Mayor Alderman Seamus Healy who is secretary of the St. Patrick's Day Society. It will be one of Mayor Healy's last official functions before he steps down as Mayor of Clonmel.

VINCENT DE PAUL OUTING TO KNOCK SHRINE

An outing to Knock Shrine has been arranged by the Ballymacarbry/Newcastle Branch of St. Vincent de Paul to take around thirty senior citizens to the Shrine of Our Lady at Knock. They will travel from Ballymacarbry to Thurles by bus and then by train to Claremorris and then by bus to Knock on Friday, June 30. On the following day Saturday, they will return by bus and train to Thurles. Anybody who travelled last year are not eligible for the trip this year.

MUINTIR NA TIRE MEETING ADJOURNED

At a specially convened meeting of Newcastle Guild of Muintir Na Tire held in the Community Hall, Newcastle, on Monday evening, a vote of sympathy was extended to the Fenton family, Rathokelly, Newcastle. Prayers were said as a mark of respect to their chairperson, the late Margaret Fenton. The meeting then adjourned and all activities in the Hall have been cancelled for one week, as Margaret was prominently associated with Muintir Na Tire, and it was this lady who was solely responsible for its revival in Newcastle in the sixties. She was a tireless worker and held many positions including secretary and chairperson on many occasions. At the A.G.M. last year she was again elected chairperson. She was the driving force in getting a new graveyard for Newcastle.

RECENT DEATHS

Late Mr. Philip Fahey

Profound and sincere feelings of regret were widely expressed at the sad news of the death of Mr. Philip Fahey (Snr.), Gleskin, Kilganey, Clonmel which sad event took place at his residence on Tuesday, June 20.

Deceased was a member of an old and respected Co. Waterford family. For some time he had not enjoyed the best of health, but bore his illness with true Christian fortitude. The term "nature's gentleman" was coined with men like Philip in mind. He epitomised the true meaning of the word loyalty during his years of employment with Chadwicks, Clonmel, where he was a loyal and trusted employee, a favourite with management and fellow workers. A man of many charming traits of character, his gentle, good humoured and obliging nature, mild manner and unassuming disposition, commended him to all fortunate enough to make his acquaintance and his demise has evoked feelings of sincere regret among his family, his neighbours and his many friends.

Many tributes have been paid to his memory but perhaps the finest was provided on Tuesday evening as all walks of life were represented in the vast concourse of mourners who were present, when his remains were removed from O'Donoghue's Funeral Home, Clonmel, to S.S. Peter and Paul's Parish Church, Clonmel. On Wednesday morning the Feast of St. Aloysius Requiem Mass was celebrated for the happy repose of his gentle soul. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel, where he was laid to rest, again in the presence of a large concourse of mourners who came to pay their final respects to a dear Christian friend

whose memory they will cherish.

To his wife Nellie and family, his brothers and his many relatives, we tender to them our sympathy. I liontaib De go gcas-tair sinn.

Late Mr. Cornelius Morrissey

The district learned with regret of the death which occurred after a long illness borne with true Christian fortitude at St. Teresa's Hospital, Clogheen, on Saturday, June 24 of Mr. Cornelius (Con) Morrissey, Russelstown, Kilmanahan.

Deceased was the last surviving member of an old and respected County Waterford family. Possessed of an old world charm he was always welcome in whatever company he found himself. He was truly one of nature's gentlemen of a friendly, good humoured and generous disposition. He was an excellent and caring neighbour who was always ready with the helping hand. He will be sadly missed by all who were fortunate enough to make his acquaintance.

That his memory will be cherished was truly indicated on Sunday evening when all walks of life were represented in the large concourse of mourners who were present when his remains were removed from O'Donoghue's Funeral Home, Clonmel, to St. Laurence's Parish Church, Fourmilewater. On Monday morning the Feast of S.S. John and Paul (Martyrs) Requiem Mass was celebrated for the repose of his gentle soul. After Mass he was laid to rest in the family plot in the adjoining cemetery, again in the presence of a large concourse of mourners who came to pay their final respects to a dear Christian friend whose memory they will cherish.

To his relatives we tender our sympathy. Solas na Soillse dan a anam.

MAYOR POST FOR FIANNA FAIL MEMBER

The annual meeting of Clonmel Corporation of which the new Mayor for 95/96 will be elected will take place on Tuesday, July 4. At this stage it would appear that the Fianna Fail nominee Alderman Tom Ambrose will be elected with the unanimous approval of the members.

Alderman Ambrose is a secondary teacher at the High School, Clonmel. He has been a Fianna Fail member of the Corporation and of South Tipperary County Council for the past twenty one years. He was Mayor of Clonmel ten years ago. He is also a member of the South Eastern Health Board and he is extremely concerned at the moment that the trojan work he and his colleagues have put in to getting the £12.5m for upgrading of hospital services in South Tipperary/West Waterford is currently being jeopardised by an appeal to the Supreme Court.

BINGO

The bingo in aid of the Nire football club took place at St. Patrick's Hall, Ballymacarbry on Wednesday night. The major prize winners were Lorraine Ryan, Curtiswood and Maria Power, St. Martin's Place, Ballymacarbry.

THOSE TREES ARE NOT DEAD

Several worried peoples attention have been drawn to the fact that the trees at Kilmacomma on the side of the main Clonmel/Dungarvan road appear to be dead. They have been in contact with retired forester Seamus Gavigan, Kilmacomma, who has assured them that the trees in question are not dead but they have been attacked by a Green Spruce Aphid, something which happens every four of five years, particularly after a mild winter. Mr. Gavigan has never before seen this so severe on older trees, but he is quite confident that most of the trees which are just discoloured will recover. An "Aphid" is any small homopterous insect which feeds by sucking sap from leaves, stems or roots of plants.

West Waterford Drama Festival Committee's Famine Commemoration

West Waterford Drama Festival Committee opens its Great Famine Commemoration project titled Ocras with a concert by the brilliant Russian Gypsy band Loyka, in the Blackwater Lodge Hotel, Ballyduff, on Friday July 14th. This mixing of cultures and nationalities is not coincidental. The Russian nation has, like Ireland, suffered greatly throughout its history. Even more importantly, exactly

one hundred years after more than a million people died of famine-related diseases in the Ireland of the 1840's, in an era that should have been more civilized, almost half a million gypsies died in the Nazi extermination camps of Auschwitz, Belsen, Treblinka and others during World War 2. However, no more than the Irish spirit has been subdued has the gypsy one been dimmed. Truly, the violins have never

stopped playing.

Loyka's music has been described as "pure brilliance". Mary Russell in the Irish Times said "it shreds the heart-strings, takes your spirit to places you never knew existed and stills the restless mind". Two of the band are cousins born near the Russo-Chinese border and the third is Siberian. They are in Ireland following on a four month European tour in such as Vienna,

Munich, Frankfurt and Berlin. They have appeared on "Kenny Live", performed on albums with Christie Hennessy and are the subject of a documentary film narrated by John Hurt. Their lives, to say the least, have been exciting - their music ever more so.

Tickets are available on a first-come, first-served basis. Enquiries to Shirley Flynn at 058/60378 or Richie Walsh at 058/60367.

Dungarvan Toastmasters

Dungarvan Toastmasters congratulate Toastmaster Ray McAndrew on his recent promotion to the position of Chief Superintendent in the Garda Síochána. Ray was already an experienced Toastmaster when he came to Dungarvan in 1990, and he had been President of the Engineers Club in Dublin. Along with members of D.L.S. and Waterford clubs, he started up Dungarvan Toastmasters in Autumn 1990 and was our founder President, setting very high standards. His aim as President was to "lay good foundations" and this he certainly achieved.

On Friday, June 23 at the Gold Coast Hotel, a most enjoyable function was organised in Ray's honour and Dungarvan Toastmasters were delighted to attend. On behalf of the club, Dorothy Hughes (President) presented a gift to Ray and all club members wish him and his family the very best for the future.

RECYCLING

We live in a time where people are becoming increasingly concerned about recycling. This is an encouraging thought but our society is still needlessly consuming far too much. The more we consume the more waste we produce. The more waste we produce the more problems there are with storage, collection and disposal.

Thus Waterford County Council wishes to advise the public of its recycling facilities. At the land fill sites in Dungarvan and Tramore and at the Civic Amenity Site in Lismore the following facilities are provided:—

- Bottle banks for clear, brown and green glass
- Can Banks for aluminium cans
- Textile banks for old clothes, shoes, carpets, curtains
- Containers for old newspapers
- Containers for old domestic fridges and freezers
- Compounds for scrap metal and old cars
- Storage tank for waste oils (Lismore only)

All these facilities are free of charge. Recycling extends the life and usefulness of natural resources and educates public opinion in a visible and practical way on the need for a more sustainable approach to use of materials.

Please avail of our recycling facilities and encourage your family and friends to do likewise.

CAPPOQUIN BOYS' SCHOOL SPORTS RESULTS

The Boys' School Sports took place on Friday last June 23rd by kind permission. Fellows were tired after their trip to Cork Jail and Fermoy Pool among other places but the commitment to the various activities at the different bases was total from everybody. The sixth class boys had all in readiness and the sun was very hot. The Rat in the Pipe was a difficult customer this year escaping down the Glen in the end. The Bowley Wheels proved impossible for some no matter what walloping they did. The Long Jack races exhausted everybody leaving no strength for the Poc Fada i lár na páirce.

The Soccer Skills and penalties caused much controversy and led to the referee becoming cheated off. The Tug O War threw up some promising athletes hitherto unnoticed by anybody and the golfers were laid back in the far corner pitching rabbits out of bunkers with great aplomb. All sporting activities seemed to be covered on the day and it was just as well we finished up early as all the teachers were burned. A memorable day's enjoyment in pleasant surroundings with no losers was had by all.

SENIOR LEAGUE

The senior league football has reached the crunching stages at last. It has been an enjoyable exercise for all teams and perhaps disappointing too for some. Eoin O'Donoghue's "Boolakiely Boys" presently top the table with the help of Kenneth Foley, Kevin Looby, Ivan McLoughlin, Conor Heffernan and Stephen O'Donoghue. They are closely followed by two well-balanced teams, Tony Fahery F.C. and Brendan Scanlan (T.), upholding the Tourin end of the parish. Backing Fahery F.C. are Shane Ormonde, Paul Maher, Michael Power, Stephen Power and Michael Burke - some combination. Brendan Scanlan is helped by Stephen Hogan, Martin Gilligan, Pat Quinn and Eoin Kearns. The demise of the duo has been quite alarming, from a position of unassailable strength in his early games he has fallen behind. He is ably assisted by Noel Lynch, Alan Hogan, Rory Tobin and Christopher O'Brien.

The dark horse of the competition Shane Barry, shone forth briefly. Barry's F.C. on two points has run out of games. But with footballers like Brendan Kiely Scanlan, Stephen Kett, Barry O'Sullivan, Pascal Kiely and William Maher an upset might yet occur. Matching them on the table of results is Michael Fraher's disappointing outfit of good footballers - Alan Morrissey, John Fenton, Patrick McGrath and David Sheehan. The table below shows the standing of the various teams to date. Final games to be played off this week.

Team	W	L	D	P	Pts.
D. O'R	2	2	0	4	4
M. Fra.	1	3	0	4	2
B. Scan	3	1	1	4	5
Barry F.C.	1	3	0	4	2
Fahery F.C.	3	1	1	4	5
Donnchú	3	0	2	4	6

JUNIOR LEAGUES

The Orlando Style weather is adding a World Cup atmosphere to the 1st, 2nd and 3rd class league. As the league enters the final stretch Alan Lucas leads the league with 5 pts. but it is very tight at the top with Thomas Curran and Adrian Cliffe joint second with 3 pts. Next comes Joseph Byrnes outfit on 2 pts. followed by Mickey Morrissey on 1 point and Paddy Ryans team propping up the table.

The standard is exceptionally high with the lads showing excellent skill. Rumour has it that Cross Channel teams have the scouts keeping a close eye on developments with a £10 million deal being negotiated by the agents. More importantly perhaps the boys are thoroughly enjoying the league and eagerly look forward to the games.

Team	Played	Pts.
A. Lucas	3	5
T. Curran	2	3
A. Cliffe	3	3
J. J. Byrne	2	2
M. Morrissey	2	1
P. Ryan	2	0

A beautiful 3 rigged ship is handed over by Paddy Kenneally to Michael Morrissey on Sunday last. Paddy says the ship was originally built by a master craftsman about 100 years ago, with a lovely carved sleek hull. The ship was owned by the late Paddy Joe Morrissey, solicitor, grandfather of Michael and will be moored in The Lady Belle in his memory. KILROSSANTY G.A.A. NOTES

SENIOR FOOTBALL — Our seniors had a comprehensive victory over Kilmacthomas in the

championship last Sunday evening in Kill on the score of 3-10 to 0-5. Two early goals from Neill O'Connor and Niall Kirwan and a converted penalty from Jim Maher left us with a handsome 3-5 to 0-2 lead at half-time. We continued to dominate in the second half and with our backs in top form the result was never in doubt. We are now in a good position in the group with six points and if we pick up another couple against Gaultier should see us qualify for the quarter finals. The Gaultier game is fixed for Saturday July 22 in Kilmacthomas. Team: A. Kirwan, P. Hayes, M. Fitzgerald, B. Whelan, D. Mulhearn, M. Kiely, B. Kirwan (0-1), W. Power (0-1), P. Whyte (0-2), E. Flynn, G. Walsh (0-1), N. O'Connor (1-0), N. Kirwan (1-0), P. Power, J. Maher (1-5). Subs—D. Kiely for J. Maher, B. Lennan for P. Hayes, G. Houlihan for N. Kirwan, T. Prendergast.

JUNIOR FOOTBALL — Our juniors were beaten by Ballinacourty in the championship last Friday evening in Stradbally on the score of 1-15 to 2-7. The lads put in a great effort but a Ballinacourty goal midway through the first half left us trailing by 1-7 to 0-3 at the break. We had a lot more possession in the second half and two goals from Padraig Veale and Jack Kiely brought us back into the game but unfortunately Ballinacourty finished strongly to win by five points. This was our final game in the championship and we thank the players and the selectors, Pat 'Harry' Quinn, Tom Keaver and John Kiely for

the effort they put in this year.

Team—R. Hayes, T. Hallahan, P. Keating, J. Power, K. Hogan, G. Houlihan, S. Coffey, T. Behan (0-2), P. Barry, C. Keating, Pat Whyte, J. Kiely (1-0), P. Walsh (0-1), T. Keating (0-3), P. Veale (1-0). Subs R. Whelan (0-1) for P. Veale.

TALLOW G.A.A. NOTES

UNDER-16 RESULT

WINNING START FOR TALLOW

FOURMILEWATER 1-1 TALLOW 5-8

Tallow U-16 team got off to a flying start when they travelled to Ballymacarbry on Monday night and came home with the points. It was a great team performance from our lads who took the game to Fourmilewater straight from the start.

Sean Slattery opened the scoring from a free in the very first minute and William Henley followed up one minute later with a great goal to put Tallow in the driving seat. Slattery added a point in the 16th minute and Ronan Cronin crashed home the ball after 17 minutes to be followed by another Tallow goal by Shane McCarthy in the 19th minute.

Fourmilewater had their only score (a point) in the first half after 26 minutes but William Henley got his second goal and Tallow's fourth before half time to leave Tallow leading 4-2 to 0-1.

Henley added a point after 32 minutes before Wayne Conroy crashed home Tallow's fifth goal in the 40th minute. Slattery added four points (one from a free) before the homeside scored a goal after 49 minutes. Slattery had the last score for Tallow after 51 minutes and they ran out comfortable winners.

It was a good team performance with Power in goal bringing off two good saves. The full back line of McDonnell, McCarthy and O'Brien were outstanding. The half back line of Ryan, Murray (James) and O'Brien gave the homeside's half forwards few chances. In centre field Slattery and Henley were always on top.

The half forward line of Capt. Cronin (Paul), McCarthy and Murray (Paul) set up numerous chances for their full forward line of Cronin (Ronan), Conroy and Henley.

Ian O'Brien, Rory Hennessey and Paul O'Brien all did well when introduced in the second half.

Tallow — B. Power, W. McDonnell, S. McCarthy, M. O'Brien, M. Ryan, J. Murray, D. O'Brien, S. Slattery, R. Henley, P. Cronin (Capt.), S. McCarthy, P. Murray, R. Cronin, W. Conroy, W. Henley. Subs. — I. O'Brien, R. Hennessey, P. O'Brien and K. Keating.

DEDICATION

The Rugby World Cup final has come and gone having reached its exciting climax in last Saturday's great game in Johannesburg. Be not alarmed gentle reader at rugby's incursion into our G.A.A. column. The days of the negative dog-in-the-manger ban on "foreign" games is, buíochas le Dia, well gone even if the ban mentally still persists in places where the siege mentality of puny minds still flourishes. Most people nowadays accept the right of every field game to co-exist with its rivals. Personal preference can be given full rein without a stigma of any kind attaching to one's choice. It is only as it should be in a civilised society.

In the 50's I got to know a rugby player very well. Tim McGrath from Herbertstown, Limerick was his name and he was a valued member of the management team at the Shandon Dairy, Dungarvan, humble predecessor of today's giant Waterford Foods. Tim, God be good to him, loved rugby, was very dedicated to training and was, by our standards, fanatical in pursuit of complete physical fitness.

I joined him on a couple of training stints and marvelled at his single-minded approach to a tough programme designed to achieve the goals he set for himself. And achieve them he did. His great club displays led to his selection for Munster and for Ireland. He had the ultimate satisfaction of playing on a winning Ireland team against Wales, the aristocrats of rugby in those days. I was delighted, of course, and sought every opportunity to boast of my miniscule and I'm sure irrelevant, part in his physical preparations and was content to bask in poor Tim's reflected glory.

Tim had a love of hurling too and only the ban precluded him from playing it. He was particularly interested in Waterford's hurling fortunes because of his acquaintance with Tom Cunningham, Austin Flynn and some more of us, and never failed to watch our games. He was at liberty to watch our matches but, sadly, we daren't risk attending one of his in case a "spy" saw us and reported us. That would mean 3 months enforced absence from hurling.

I thought of Tim on Saturday as I watched the big game on television. Whether your interest in that game is great or marginal the huge commitment of those great players was enormously impressive and recalled for me

the willing sacrifices Tim and others like him made, sacrifices above and beyond the scheduled training sessions so that he could realise his potential. A spectacle like that final wouldn't be possible without total single-minded dedication to every aspect of preparation - dietary, physical, psychological and life style. The enjoyment and satisfaction were commensurate with the investment of effort and both teams could be equally proud of their part.

Of course, Tim played to win but his enhanced state of fitness allowed him to derive immense satisfaction from playing at any level - club, interprovincial or international. His attitude was the true sportsman's. I once heard that sporting sentiment expressed on the sands of Lahinch by another great Limerick sporting hero, Pat Hartigan prince of full backs. We were on holiday there one summer when Pat, on a seaside day trip, joined us. The conversation, of course, turned to our mutual love, hurling. "No matter what honours we won or failed to win", said Pat "aren't we the lucky fellas to have been able to play and enjoy a game like hurling". Playing to his customary high standard richly recompensed Pat for all of the hundreds of hours he trained. Amen to that sentiment Pat.

In the 50's and 60's Tipperary were the team to beat and their centre back Tony Wall was outstanding. As well as his coolness and intelligence he had great strength and stamina. I often wondered about his training methods. It was only in the mid fifties on the occasion of a Railway Cup final that he revealed to me his strict training regime. An army man he did more training on the beach at Clontarf (he was based in Dublin) and in the army gym than he did at the formal team sessions. When most players took a complete break in December and January Tony was pounding the sands of Clontarf and weight training indoors for body building purposes. When hurling activity resumed in mid February Tony had a huge advantage over the hibernators and that advantage remained throughout the playing season.

Of course, every rival hurler likes to keep secret that he worked on fitness outside of the playing season. One Tipperary fellow I was friendly with (they were few in number!) was a pupil of the Tony Wall school of physical fitness

but was careful to hide the fact. "I don't know when I saw a hurley last", he used to say, little realising that I knew all about his secret pre-season preparations.

When Donie Nealon was playing midfield he took the precaution of readying himself for the rigours of midfield play. That year he spent three months engaged in building work - shovelling sand and cement, mixing, lifting and pushing a full wheelbarrow. He was strong as an ox in every game. You can imagine my astonishment in one of our matches when he simply jumped back on to his feet after receiving a Larry Guinan special - a full blooded shoulder - which flattened him.

So I thought of Tim amidst all the colour and tension and excitement of the absorbing World Cup final. He had influenced my attitude to physical fitness some 40 years ago. He showed that there's no short cut to fitness. You'll play as you've trained.

Only what you've practiced in training will you repeat in a game. Players who want to fulfill themselves as sportspeople know in their hearts that you get out of a game only in proportion to your input and the successful athlete knows that in the last analysis effort is generously rewarded. No player in hurling, football, rugby or soccer doubts for a moment that extra curricular activity is essential for any ambitious sportsperson.

COFFEE/TEA MORNING TO HELP THE CARMELITES

The Carmelite convent stands silent and empty. The bell no longer rings. Signs of neglect and absence are already apparent within the Convent grounds. This is a sad departure for the people of Tallow who have been blessed with the presence of the Carmelite order since 1936.

Fortunately, this sad state of affairs is only temporary. The Carmelite Sisters have received full planning permission from Waterford County Council for the building of their new monastery. Tendering for the job of building the new monastery will take place in the next few weeks. Soon we will witness the laying of the foundation stone of the new Monastery for Carmelites who will continue the work of praising the Lord for many generations to come. It is with this hope and faith that the Carmelite Sisters have taken the necessary steps to ensure the continuance of their presence in Tallow.

A Coffee/Tea morning will be held in St. Patrick's Parish Hall on Saturday next 1st July - 10 a.m. - 12 noon. The draw for the week-end for two in Sea View House Hotel, Bantry (for which tickets are now in circulation) will take place at 12 noon in the hall. Very Rev. Fr. Farrell, P.P. will draw the winning ticket.

Local produce will be on sale in the hall. This will include homemade cakes, jams, cheeses, fresh fruit and veg and produce from the Convent gardens. Homemade scones and jam and cakes will be served with the tea and coffee. All proceeds from the event will go to the Carmelite Monastery Rebuilding Fund.

So please come along to St. Patrick's Hall on Saturday morning and support our efforts to help build the new Carmelite Monastery. Your contribution is valuable. "Little drop of water, tiny grains of sand, make the mighty ocean and the pleasant land".

At the annual graduation ceremony held in Ard Scoil na nDeise recently the pupils of the Tenth Vocational Preparation Training Programme were presented with their Certificates in the various disciplines which they had undertaken through the course of their Fourth Year studies.

Pat Doyle, Chief Psychologist and Inspector with the Department of Education presented the sixteen successful students with their VPTP Certificates and congratulated each of the students on their achievements in this special year.

"What is unique about this programme," said Mr. Doyle is the collaboration between the teaching staff, the business and commercial life of the town, the voluntary and statutory services, the parents and students. It could almost be described as a meitheal approach to education."

He emphasised the better 'heart' which is instilled in the students as a result of their 'time out' year.

Mr. Doyle continued: "There seems to be a general consensus now that young people are very pressed by the consumerism of the twentieth century, which used to happen in their teens but now occurs in the middle of their primary school years through the influence of television and other sources. This course could be said to stop that rot and sends the graduates out into the community with a greater heart.

Sometimes if they were to go right through the secondary programme without this break, they would be absorbed by the points system and getting to University and that is still consumerism. One of the values of this course is that it provides a break from that mentality."

He then interviewed the girls on aspects of their

course and their hopes and intentions for the future.

The ceremony was preceded by a Liturgy led by their Religion Teacher Ms. R. Gallen in which all the students took part and which was inspirational, moving and wholly appropriate to the purpose of the evening.

The prayer, 'Christ has no hands and no feet only yours' was recited and signed by the girls in a very moving way, and was followed by prayers of the faithful.

Described as a year in which they took time out to reflect on their abilities and to ponder their future before resuming their academic studies, the girls demonstrated more than adequately how their year had been fruitfully spent in the pursuit of goals which were not all attainable in the exam hall.

At the outset, Mrs. Joan Clancy, at her usual efficient best as MC for the evening, welcomed students, parents, tutors, teachers and guests to the Graduation ceremony which is the formal end to the special year of studies which the Fourth Year girls had undertaken.

"This training programme", she said, "consists of three main components in the programme approved by the Department of Education, general studies, vocational studies and work experience. The students have taken several courses of studies within that programme and their tutors will present them with their certificates."

"Let us not forget the employers who were always so

understanding with our girls", she continued, "and who were always responsive to their needs often reacting at a moment's notice."

Mrs. Rosemary Cusack presented certificates for Cookery; Mrs. Breda Conway for Beauty Culture; Ms. Triona Foley from the Youth Resource Centre for Developmental Education; Ms. Helen Cotter for French Drama and Mrs. Clancy for Speech and Drama.

Through the course of the evening the girls regaled their audience with some of their elocution exam pieces and a playlet entitled 'Ecstasy' on the subject of drugs which they had prepared under the guidance of their Drama Teacher Mr. Ted O'Regan.

School Principal Ms. Mgt. O'Brien praised the work of the VPTP team and said that the girls benefited greatly from this unique course. She thanked all who had contributed to making the year special, productive and worthwhile for the students and that their contribution had been part of what made the programme so successful.

Course Co-ordinator, Mrs. Mgt. Radley paid tribute to the girls who had undertaken the course over the previous ten years.

"It was hard work at times but I was often very encouraged by the results we were achieving and the way the girls responded to the course. I have had great support from all the teachers and tutors who have been involved over the years and in many cases they have been working with the girls for all of the last ten years. The employers have been a great support and without their help we could not have

managed."

She paid a special tribute to Mrs. Mgt. O'Brien, Principal of the School who on her arrival had continued the support and encouragement she had been receiving for the course, and to Class Tutor Mrs. Simmons with whom she had worked very closely and productively.

"They have been behind us all the way and I know the girls appreciate their active support too," she concluded.

During the year the girls also prepared and completed their Gaisce Award Projects and were the recipient of their medals in Jury's Hotel, Waterford recently.

The sixteen graduates are: Patricia Cleary, Nicola Fennell, Joanne Fitzgerald, Orla Fitzgerald, Edel Guiry, Sinead Keohan, Jacinta McCarthy, Elaine Monaghan, Janice Moore, Caitriona Nugent, Kim O'Mahony, Orla O'Shea, Lydia Power, Aideen Quinlan, Jackie Walsh and Michelle Whelan.

A TRIBUTE TO FR. JIM KIELY

Fr. Jim Kiely, one of Sliabh gCua's best loved sons died in London on June 16th. He will be fondly remembered by all in his native Sliabh gCua but especially by all those in the G.A.A. Club with whom he formed a close friendship.

Fr. Jim was educated at Touraneena National School and later at St. Augustines College, Dungarvan. At an early age he developed a great love for Gaelic Football and won a minor football county championship with Ring. He also played with the Munster Colleges while at St. Augustines.

At this time his reputation as an outstanding footballer had become established and he represented Waterford at minor, junior and senior levels in the one year - an achievement unsurpassed to this day.

As a seventeen year old he helped Sliabh gCua to a Junior Football League Medal

in 1953 beating Mocollop by the unusual score of 0-2 to nil.

In 1955 Fr. Jim decided his future lay in the priesthood and he joined the Augustinians. After his ordination in 1962 he was sent to the mission fields of Nigeria where he spent seven years. On returning he took up a post in Drogheda and resumed his football career. Due to the fact that there was no club in Sliabh gCua at the time his services as a footballer were much sought after. He played with Affane and won a county Intermediate Football medal.

In 1972 he resumed playing with the reformed Sliabh gCua club and helped them to a County Junior Final, their first in 37 years.

After 13 years in Drogheda Fr. Jim moved to London as Director of the Irish support and Advice Centre. The full extent of Fr. Jim's work for the Irish in London will never be really known to us

but to say it was considerable would be an understatement. His loss to the underprivileged and homeless will be immense.

Those of us lucky enough to have known Fr. Jim will miss a man of great character, a man who was known for his wit and humour and of his love for his native place and people. A man who could mix with young and old alike and loved the craic and the Irish nights on his visits home. He is gone from us now but in truth he will never be gone for his spirit and memory will always live on in his beloved Sliabh gCua.

To his sisters, relatives and friends we extend our sincere sympathy.

Mass for Fr. Jim will be celebrated in Touraneena on Saturday July 1st at 4 p.m. Reception afterwards in Sliabh gCua Community Centre.

THIS WEEK TEAGASC Says

MILKING MACHINES

Liners should be changed twice yearly, July is about the halfway stage in the milking season, so it should be time to change them now on many farms. This is expensive, but it is a lot less expensive than under-milking the cows or higher cell counts, under-milking during the year contributes to the rise in cell counts that occurs towards the end of the year.

The list of liners that is now recommended by Moorepark includes only very good liners, they milk cows fast and milk them out well and do not slip off or hurt cows' teats.

Eddie O'Callaghan in Moorepark is now investigating the effects of ageing on liners and the effects of not changing liners in time and how this affects cell count and the milking out of cows. Also in the context of milking cows out completely, cluster weight is very important, The cluster should be 3 Kg even at 2.8 Kg, there is a small reduction in milk yield of 0.5 - 1 litre per day. Clusters of 2.5 or thereabouts will not milk out the milk, they are slow and can creep up on the teats/udder. Modern clusters from all of the machine companies are good and are heavy enough, but many of the older ones are not. The liners on the Moorepark recommended list do not perform well in light clusters.

ACCIDENTS ON THE FARM

The fact that most family farms have resident or visiting children means that avoiding risks to them must be a priority. As well as ensuring that slurry and sheep dipping tanks are properly fenced, attention needs to be given to the risks from machinery. Bitter experience shows that children and moving farm machinery are best kept apart.

With larger and higher capacity machines, operators need all their concentration for the job on hand and cannot reasonably be expected to look out for children in the work area. The answer lies in providing a safe and supervised play area, where they can still see enough to satisfy their natural curiosity - from a safe distance.

It is highly dangerous to carry young children on tractors, yet despite some horrific accidents in recent years, this practice is still common. Even the most modern cabs are not designed for this purpose. Most accidents of this type occur when the cab door opens, a child falls out and is run over. There is the risk of interference with controls and children are also vulnerable in the event of the tractor overturning or objects being thrown up by machinery.

Unguarded machinery and unsafe electrical installations are proven causes of serious and fatal injury. Greater vigilance is constantly needed on farms to keep equipment in better condition and take advantage of available safety improvements. Recent legislation requires that greater emphasis is placed on regular exami-

nation and safe use of equipment. Manufacturers are also required to play their part in improving safety standards.

SHEEP

Culling unsuitable and unproductive ewes is much easier if records are available. Consult your adviser for details of Teagasc record charts.

Weaning Lambs—By the time the lamb is 12 weeks old, worm infestation of pasture has built up and there is increasing competition between ewes and lambs for available grazing. It makes sense to wean lambs, dose them and put them on to "parasite free" pasture. A suitable sward for weaned lambs should be leafy with a good clover content. Short grass is best and such grassland can be stocked up at to 20 weaned lambs per acre.

Management Of Ewes At Weaning—The flock should be conditioned scored. Some prolific milky ewes may require good grazing to regain flesh before mating. Overfat ewes are a problem where lambing is early. These should be 'slimmed down' by tight grazing or they may be housed and fed on a low quality fodder diet for up to 3 weeks.

Always have fresh water freely available. Undue restriction of nutrient intake is unnecessary and harmful. The aim should be to have ewes in a fit and thriving condition at mating.

SUCKLER COW FERTILITY

Suckler cows in moderate body condition should show heat about 60 days after calving and if they have not been observed in heat, it is likely that they were not detected. If cows lose too much condition, it may take 2 1/2 to 3 months after calving before they show heat and this will result in a calving interval of more than a year and a slippage in mean calving date.

Where cows are still thin, they need better feeding. More high quality grass is the obvious remedy. Apply one bag (or a high nitrogen compound where phosphate and potash is low) after grazing down a paddock or field.

Use a controlled grazing system to manage and ration grass more effectively. Land that has been cut for silage or hay responds well to fertilizer. Apply about 40 units of nitrogen per acre plus P and K if required to this land to boost your grass supply.

The presence of the calf in the suckling situation delays the return to heat. Trials by Dr. Michael Diskin at Belclare, show that this effect is more pronounced on thin cows. In some herds, it may be possible to separate calves from cows that have not come in heat and allow them to suckle once or twice per day. After the cow has been mated they may be allowed to suckle ad lib again.

Where the problem is a combination of poor heat detection and low body condition, the heat synchronisation process, using progestogens, may help fertility. Consult your veterinary practitioner for details.

Farmers Will Not Pay £400,000 Classification Cost — ICMSA

The Chairman of the ICMSA Sleep Committee, Mr. Eamonn O'Rourke, said recently that the Minister for Agriculture, Food and Forestry, Mr. Ivan Yates, has jumped the gun by suggesting that some farmers would not object to a charge of 10p/lamb for a carcass classification scheme.

Mr. O'Rourke said the discussions on the scheme have not even begun and yet the Minister seems to be setting pre-conditions with regard to funding.

"A charge of 10p/lamb would amount to an annual cost of almost £400,000 on sheep farmers at a time when the sheep sector is already on its knees.

"Farmers are currently paying 55p per lamb in levies to the Department of Agriculture for veterinary inspections, or £2.2 million on approximately 4 million lambs slaughtered and exported live. Surely there are savings which would be made in this area to fund a classification scheme," said Mr. O'Rourke.

He also made the point that factory personnel are currently involved in grading lambs in all factories

and that people could be trained to carry out carcass classification at no extra cost to farmers.

CALL FOR INDEPENDENT INSPECTORATE

Mr. O'Rourke concluded by calling for an independent inspectorate to be put in place to provide assurances to farmers about the independence of classification and to promote farmer acceptance of the scheme.

I.C.M.S.A. Welcomes New Animal Transport Regulations

The Chairman of the ICMSA Livestock Committee, Mr. Nicholas Ryan, has welcomed the adoption of regulations governing animal transport by the EU Council of Agricultural Ministers.

Mr. Ryan said the welfare of all animals in transit was always an issue of great importance to Irish farmers. He said Irish farmers are the most dependent within the EU on the export of livestock, due to our high volume of production relative to home consumption.

"However with the adoption of the new regulations we are now guaranteed the best possible transport facilities and consequently our customers can be assured of animals arriving on their farms in excellent health.

"For Ireland the agreement on these regulations means a continuation of the regulations which the Minister, Mr. Yates wisely introduced earlier this year. That the regulations will now apply throughout the Community is an assurance of all animals receiving the same high care and attention.

FARMING LEADER

IFA Accuses Department Of Forcing Farmers Out Of Pollution Scheme

The Waterford Chairman of the IFA Rural Development Committee, Anthony Ryan, has accused the Department of Agriculture of trying to force farmers who are awaiting approval of their application for CFP, to give up their application in order to receive their REPS payment.

Mr. Ryan said that up to 500 farmers who have applied for REPS and have an unapproved CFP application have been told in a letter from the Department that they will only be paid their REPS payment if they agree to proceed with necessary works while forfeiting their CFP application. "IFA has been inundated with complaints from farm-

ers complaining of the Department's tactics, many of whom could not afford to proceed with the pollution control work in the absence of the CFP aid.

The Waterford IFA Rural Development Leader said that this particular situation affects farmers who should be entitled to conditional approval on applications lodged before December 1994, as well as those who had an application lodged prior to April 27 1995 when Minister Yates suspended the Scheme.

Mr. Ryan called on Minister Yates to intervene in the matter. He said that this latest move by the Department of Agriculture was causing great concern to farmers.

"Forcing people out of CFP must not be used as a way of tackling the funding cri-

sis that has led to the scheme's suspension," he warned.

Minister Yates Must Make 1997 Slaughter Premium Qualification A Priority

Waterford IFA Livestock Committee Chairman, Maurice Donovan said last week that the Minister for Agriculture, Ivan Yates, must make Ireland's qualification for the 1997 Slaughter Premium a priority issue on his Brussels agenda.

Mr. Donovan said that if Ireland is to be sure of quali-

fying for the £58.58/head Slaughter Premium in 1997 we would need a total steer kill well in excess of 730,000 head of steers for this year. "With the factory steer kill this year to date up by 63,000 head or 27% already, it is going to be extremely tight to reach the necessary target of slaughtering 40% of the total

steer kill during the months of September-October-November."

The Waterford IFA Livestock leader said that the solution to this problem is for Minister Yates to obtain a reduction in the 40% qualification trigger down to 35%. "Only in this way can Ireland be guaranteed of the long term continuity of the Slaughter Premium."

Mr. Donovan said that the Winter Slaughter Premium of £58.58/head is crucial to the future viability of Winter finishers. "Minister Yates is well aware of the tight margins for Winter finishers and he knows that without the Slaughter Premium Winter finishing would be completely unviable."

CO. WATERFORD ICMSA NEWS

Mr. John Skehan, Chairman of County Waterford Executive of ICMSA said that ICMSA have called on the Minister for Agriculture, Food and Forestry to immediately announce the details of the 1995 Milk Quota Restructuring Scheme and the Subsidy Scheme.

While appreciating that the delay in announcing the scheme is due to the difficulty in getting agreement in Brussels, the County Chairman said that already farmers have supplied over one-third of the 1995-96 milk quota.

"Individual farmers need to know now how much extra quota they will qualify for and if they will obtain a subsidy to part fund the cost of the quota."

The ICMSA preferred op-

tion is that all farmers who qualify for the Restructuring Scheme should get a subsidy of 50p per gallon. Last year the general limit for the subsidy was 20,000 and 22,000 gallons in certain cases.

Meanwhile, the Chairman of the ICMSA Sheep Committee, Mr. Eamonn O'Rourke, rejected out of hand any consideration being given by the Minister of State at the Department of Agriculture, Food and Forestry, Mr. Jimmy Deenihan, T.D., to charging farmers for sheep scab eradication.

"This proposal is simply a mechanism for the reintroduction of the old Local Authority charges and must be rejected outright. However, I have absolutely no problem with the Minister's

proposal to increase the penalties for those who fail to comply with the regulations.

"The vast majority of farmers who complied with the compulsory scheme are still treating these sheep for scab, however, it is the few farmers who won't comply with any scheme who must be penalised. The concept that the polluter pays must apply to sheep scab eradication. The welfare conscious farmer who treats his sheep against scab should not be asked to pay on the double for the sins of his negligent neighbours," said Mr. O'Rourke.

The closing date for entries for the Family Farm Environmental Conservation and Safety Award is June 30 and all entry forms

should be given to ICMSA officers or Teagasc.

The winner of the award will be announced at the Dungarvan Show and will be presented with a specially commissioned trophy and £500.

The County Chairman reminds farmers that while the control of farmyard pollution scheme is suspended, applications are being processed on the Dairy Hygiene Grants and those wishing to carry out work should apply to their local Department office.

The County Chairman also reminds farmers that we are entering the holiday season and extra care should be taken as many school goers will be helping on their farms during the summer months.

Cappoquin Notes

SR. M. BERNADETTE CROWE R.I.P. CAPPOQUIN

The death has occurred at Ardkeen Hospital of Sr. Bernadette Crowe, Convent of Mercy, Cappoquin. A native of Cooraclare, West Clare, Sr. Bernadette was the youngest member of a large family, three of whom entered the religious life. She was pre-deceased by her nine sisters and brothers.

Sr. Bernadette entered the convent in 1934 and spent her entire religious life in Cappoquin where she was involved in the various works of the mercy apostolate. She visited the old and sick in their homes and in the local hospitals - her "white mini" was a familiar sight in and around Cappoquin.

When the Day Care Centre opened in the town she visited there on a daily basis and enjoyed a game of bingo with the members. She was also involved in organising the weekly Mass in the centre. All this she did as well as attending to her duties in the convent and in St. Michael's where she worked for some time.

Sr. Bernadette was a woman of deep religious faith. It was this faith which sustained her all through her life. This faith she endeavoured to share with her religious community, the people of Cappoquin and her many nephews and nieces who were always so devoted to her. While she will be greatly missed by all who knew her, we trust that she is now enjoying the reward of a life well spent in the service of God and his people.

On Friday, 16th June, her remains were removed to St. Mary's Parish Church, Cappoquin for Requiem Mass. The chief Celebrant was Rev. C. Kelleher, C.C., Cappoquin assisted by Very Rev. B. Canon Phelan, P.P., Cappoquin, Very Rev. T. Canon Nugent, P.P., Lismore, Very Rev. K. Mulcahy P.P., Ballyduff Upper, Rev. E. McSweeney, C.S.Sp. Cathedral Waterford, Fr. Francis O.C.S.O., Mt. Melleray, Rev. R. Fitzpatrick O.S.A., Nigeria, Fr. Wm Meehan, C.C., Clonmel, Rev. Fr. Holmes, C.C., Ballycahill.

The homily was delivered by Sr. Francis Crowe (niece of Sr. Bernadette, Provincial Counsellor Presentation Order). Music for the Mass was rendered by the Primary School Choir, conducted by Mrs. B. Duggan, Organist Sr. M. Evangelist. A beautiful rendering of the Responsorial Psalm "On Eagles Wings" was sung by Aine Byrne, Mt. Melleray.

Following Requiem Mass, Sr. Bernadette's remains were laid to rest in St. Declan's Cemetery in the presence of her community, family, friends and many members of

the Mercy Congregation.

The final prayers at the graveside were recited by Rev. C. Kelleher, following which all present joined in the singing of the "Salve Regina". May Sr. Bernadette rest in peace.

SCHOOL TOURS 95

Wednesday, 14 June was a day to remember for all the pupils at the Convent Primary School, Cappoquin. 3rd, 4th, 5th and 6th classes set out for Tramore, Co. Waterford at the early hour of 8.30 a.m. Our first venue was Celtworld where the moving theatre, 3D glasses, Tuan, the guide and the talking heads made a lasting impression. From there we went to Splashworld and had much fun in the water. The afternoon was devoted to orienteering in Ballyscanlon wood. The route was organised by instructors from Dunmore East Adventure Centre. A new experience, this was hailed by the pupils as the highlight of the tour. Our last port of call was McDonalds. We arrived in Cappoquin ahead of schedule, exhausted and memory-laden.

Meanwhile, the pupils from Junior Infants to 2nd class travelled to Parson's Green Adventure Centre. They were given a guided tour and were treated to boat rides and rides in pony traps. En route they paid a visit to a local farm in Tourin and saw deer and the chicken factory. They also visited Lismore Library where the story of Jack and the Beanstalk was narrated and they met characters in medieval dress.

CAPPOQUIN ATHLETIC CLUB (QUINNERS A.C.)

Four members from this small, recently formed club competed in the Shanagary 5 mile race. Those who competed were: Trevor (Nobby) Mason - with a personal best of under 30 minutes; Paul (Fox) McGrath - in his first competitive race with a personal best of 32 minutes; Gerard Fitzgerald - noted mountain runner and founding member of Quinners A.C., again another personal best achieved without any training in recent weeks due to commitments; John (Electric) Cahill - in his first competitive race with a static run of just over 36 minutes.

This was quite an achievement overall for such a small club. However, members are particularly committed to their training under the able guidance of Gerard Fitzgerald. The other members of the club would like to take this opportunity to thank him for all his efforts. There is a lot of local interest in athletics at the moment and the club hopes to extend membership soon, hopefully going from strength to strength in the field of athletics.

AFFANE - CAPPOQUIN G.A.A. NOTES

S.F.C. Affane 1-9 Butlerstown 0-5

Affane never looked in danger of losing this game in Dungarvan last Tuesday evening. The team was sound in all departments but the worrying factor is we have not got a consistent place kicker in the side. In all our games to date we have missed quite a number of frees which can always prove costly. Thankfully on this occasion it did not matter. Undoubtedly P. J. Veale was our star performer. Liam Costin had a fine game at full back while John Buckley was once again outstanding.

Tom Mansfield and Kenny Mason played quite well at midfield. All in all a satisfactory result which hopefully consolidates our senior status.

Scorers — P. J. Veale (1-4), C. Prendergast (0-2), M. Power, G. Morrissey and T. Mansfield (0-1 each).

Team — C. Cullinane, E. Murphy, L. Costin, A. McCarthy, J. Buckley, S. Costin, K. Veale, T. Mansfield, K. Mason, J. Mason, G. Morrissey, M. Power, P. J. Veale, B. Murray, C. Prendergast.

Ballinacourty 2-16 Affane 0-5

Affane turned in a pretty dismal performance against Ballinacourty in Colligan last Saturday night. Our lads looked a disinterested bunch and made things very easy for our opponents. We played against a very strong wind in the first half (probably the only venue in the county there was wind that night) which Ballinacourty took full advantage of.

On the turnover we never even tried to make use of the wind. We persisted in the short passing game - getting nowhere. Mind you we had plenty of scoring chances but seemed to lack the confidence to shoot and among those were there or four goal chances. Shane Fraher when introduced was very unlucky when his shot crashed back off the upright.

The team was the same line-out as the previous Tuesday night but what a difference in the two performances.

U-16 HURLING

Our Under 16 hurlers were defeated by Stradbally last Monday evening. We fielded a very young team (nine are under 14 years). Maybe, it was the inexperience which hampered their first half efforts as they allowed their op-

ponents far too much room all through the field and suffered the consequences. Stradbally raced into a big lead in that first half despite the efforts of our over-worked defence.

Fr. Kelleher's half-time talk seemed to work as the young lads tightened up and worked their socks off right to the end. Such was their efforts against a physically stronger team we only conceded 3 points in the second half.

It must be said Niall Maher played a captains part and ran himself into the ground - Kevin Foley, Noel McCarthy, Paul Morrissey and Shane Coughlan were very impressive in defence. Also a great performance from John Ahearne in the attack especially as John is a relatively newcomer to the game. Damien McCarthy, Paul Coffey and Richard Scanlan were others to catch the eye.

Team — D. O'Rourke, P. Morrissey, N. McCarthy, K. Foley, R. Scanlan, S. Coughlan, P. Coffey, D. McCarthy, K. Mason, M. Scanlan, N. Maher, J. Dalton, S. Curran, J. Ahearne, L. McLoughlin. Sub. — K. Coleman.

G.A.A. Golf Classic - The Waterford Supporters G.A.A. Golf Classic was held last week-end. All clubs in the county were invited to participate. Sadly quite a few were absent but all in all it proved a tremendous success with forty teams taking part. Our team included Denis McCarthy, Maurice Kelleher, Sonny Landers and Eddie Fraher, and we must congratulate them on a great performance as they finished in fourth place. It was an all local effort and all the lads are all former players who gave great service to our club. Last week's display at Dungarvan Golf Club brought further honour to Affane - Cappoquin and the lads efforts were rewarded with some nice prizes of Waterford Crystal.

Minor Football — Our minor footballers resume activity on Friday night against Brickey Rangers. All players are requested to take note of the date.

U-16 Hurlers — Our U-16 hurlers are in action again on Monday next against Naomh Brid.

AT THE SPORTSFIELD

There was only one game at the venue last week-end, this was the Saturday evening meeting of Melleray and Ballinwillin in the junior football championship.

Melleray even before this game were seen as favourites to win the 'B' championship while the Tourin men's main focus has been on junior hurling. Nevertheless this was a local derby with much more than two points at stake.

David Moore opened the scoring with a point for Ballinwillin in the first minute. Tony O'Donnell equalised in the 6th his shot being deflected over the bar by the goalkeeper. The Tourin men looked better at this stage and tacked on three further points, two from David Moore and one from Darragh Wilkinson. The only other score of the first half fell to Melleray when midfielder Fitzgerald pointed in the 24th minute. Half time score Ballinwillin 0-4 Melleray 0-2.

Kieran Wilkinson extended his side's lead with a point in the 3rd minute of the second half but this was to be their last score.

Aidan Power and Tom Duggan had points for Melleray then the decisive score came in the 13th minute when Tony O'Donnell's free dropped short and was parried by the backs but was blasted to the net by the inrushing Jason Cavanagh. To make doubly sure they had another goal in the 17th minute this one scored by promising corner forward Coleman who flicked on a good ball from Tony O'Donnell. Fitzgerald and Duggan added further points and the final honour fell to substitute Byrne who pointed with time running out. Final score Melleray 2-7 Ballinwillin 0-5.

Melleray — D. Kiely, M. O'Reilly, J. Nugent, J. Keu, J. Power, G. Power, P. Hallissey, P. Fitzgerald, K. Curran, T. O'Donnell, T. Duggan, A. Power, P. Coleman, J. Cavanagh, M. O'Gorman.

Ballinwillin — J. Collender, B. O'Sullivan, P. O'Keefe, W. Leahy, C. Scanlan, K. Wilkinson, J. D. Leahy, L. McLoughlin, K. O'Donnell, C. Cunningham, D. Moore, Kieran Wilkinson, B. O'Sullivan, M. Morrissey, D. Wilkinson. Referee — L. O'Donnell (Clashmore).

Death of Popular Ballinamult Priest

It is our sad duty to place on record the death of Rev. James (Jim) Kiely, O.S.A., which sad event occurred on June 16 last at Mount Alvernia Hospital, Gilford, England.

Fr. Kiely hailed from Ballinamult and was a student at St. Augustine's College, Dungarvan.

Gaelic football was his great love and by the age of seventeen he was playing inter county football in all grades — minor, junior and senior — all in the same year. While a boarder in Dungarvan, he also played for the Munster Colleges.

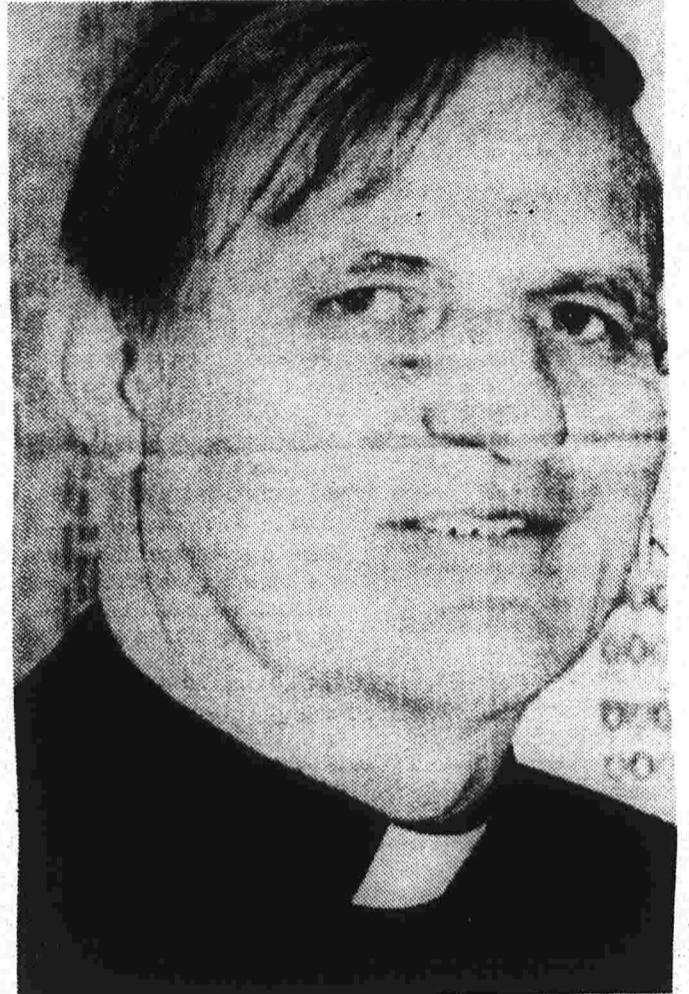

After his decision to join the Augustinian Order, Fr. Jim studied philosophy in Dublin and theology in Rome, before being ordained and appointed to the mission fields of Nigeria. Here he worked throughout the Biafran War, spending all seven years in Africa.

Following the sudden death of his father, Fr. Jim was sent to Drogheda where he spent a total of 13 years, involving himself with his usual zeal in the work of the church, and especially in the youth ministry.

In 1985 he was appointed to Hammersmith as Director of the Irish Support and Advice Centre.

Fr. Kiely took up the position of Director of the Irish Chaplaincy in Britain in January of 1992. He will be remembered most for his active involvement with the needs of the Irish community in Britain and his battle against homelessness for Irish immigrants.

Fr. Jim is sadly missed by his sisters, Sr. Angela

REV. JAMES (JIM) KIELY, O.S.A.

(R.S.M.), Sr. Ann (F.M.D.M.) and Sr. Maria (F.M.D.M.), his Augustinian confreres, colleagues and friends in the Irish Chaplaincy in Hammersmith Parish and in Austin House Hostels, his relatives and friends in Britain and Ireland.

Removal was to St. Augustine's Church, Hammersmith on Tuesday, June 27. Requiem Mass in Hammersmith today, Wednesday, June 28 at 11.30 a.m. with burial immediately afterwards in Mortlake Cemetery.

Lismore Notes

DOWN MEMORY LANE WITH LISMORE CRICKET CLUB

Last week we were given a copy of one of the Evening National Papers with sporting section of "Down Memory Lane". We read that this week 30 years ago Lismore Cricket Club defeated Cork Church of Ireland at The Mardyke in the 1st round of the Munster Junior Cup. The team was Tom O'Sullivan, Ian Cooke, Trevor Enderson (Capt.), Garrett Minch, Maurice Thompson, Paddy Pollard, Paddy Scallan, Jack Feeney, Michael Crowley, Pad Feeney, David White.

This team went on to win the Munster Cup and completed the double by also winning The Munster Junior League, a wonderful achievement at that time for a small club.

Two players from that side

also completed the senior double some years later - senior cup/senior league - Trevor Enderson with Cork Wanderers and Paddy Pollard with Waterford Cricket Club.

DIOCESAN CHANGES

Last week news broke that Rev. Fr. Willie Ryan is to be transferred from the parish. At the week-end Masses Fr. Ryan told the parishioners that he is being transferred to Waterford to the Cathedral, after 5 years as curate in Lismore/Ballysaggart.

We take this opportunity to wish him well in his new appointment and welcome Rev. Fr. Michael Walsh who replaces Fr. Ryan.

LARGE CROWDS IN LISMORE

The fine weather last week-end saw large crowds in Lismore on both Saturday and Sunday and speaking to some on Sunday evening all praised and commented on how beautiful the town is looking.

It is indeed a credit to everyone and let us hope it can be maintained up to the 10th of August when the judging for the Entente Florale will take place. Even after the judging we would hope that the commitment will not slacken off, and that the town can still look well.

HAPPY RETIREMENT

We wish a very happy retirement to Mrs. Danaher who retires from her teaching post at Lismore Presentation Primary School this Friday.

Mrs. Danaher has been teaching at the school since 1979 and we know we can speak on behalf of all the past pupils in wishing her all the best and every happiness in her retirement.

SENIOR CUP IN CLONMEL

On this coming Saturday our Senior Cup team are in action taking on Thurles in Clonmel.

SUPERB COUNTY CLUBS WIN

On Saturday last our Country Club team played Carrick-on-Suir in the sweltering heat at Clonmel. The heat of the day was matched only by the intense heat of the competition.

Frankie Corcoran led the way and with the match all square Frankie was most unlucky to go under on the 19th. Albert Corcoran was next off but found his opponent in rare form and had to give best.

John Madden gave us our first win and did it in style with a 6 and 4 victory. Seasoned campaigner Jimmy Hornibrook leveled the tie with a win on the 18th. Dave Murphy continued the good work to put us ahead for the first time with a fine win on the 16th. Paul McCarthy came from 4 down at the turn to see the match going to his opponent who holed a miracle putt on the 18th. 3 each with one still out on the course. That match involved team manger Pat Norris and the match was level as they stood on the 18th tee. Three wood nailed from the rough set up the birdie which won the match and settled the tie 4-3 in Lismore's favour. This was a marvellous team performance with travelling reserve Dan Behegan very much part of the squad providing invaluable moral support on the day.

JUNIOR GOLF

On Saturday 8th July we play Clonea in Fraher Field and the following Saturday July 15th we play Passage in the final game of the league section. If the Waterford minors win tonight and the best of luck to them especially Dan Shanahan, Dave Bennett, Eoin Bennett, Eugene O'Brien and Tom Veale the Clonea match goes back to the Tuesday night 11th July.

Under 12 Hurling Lismore/Ballysaggart 5-4 Colligan 0-3

This was the under 12's third win in a row and are now among the favourites to reach the final. Jamie Dalton the pocket rocket again led the way with his usual scoring blitz and he was ably assisted by John O'Donnell and Ross Power. The backline were well marshalled by Brian Doocey and Donal O'Keefe and well supported by Ross Kelleher and Mark O'Reilly. Keep it going lads.

The club would like to gesture in presenting the thank Mr. and Mrs. M. J. club with footballs and O'Donnell for their kind hurling balls.

COMMUNITY GAMES NOTES

At Ferrybank our boys U-12 team from Lismore took the gold medals in the Boys U-12 relay and so they go to Butlins in September for the All Ireland Community Games final.

Jonathan Troy won the Boys U-12 100m sprint so he represents Waterford in two events. The other members of the relay team are Mark Ferguson, Brian O'Connell, Kevin O'Donoghue and Jonathan Troy.

In the mixed relay we got the third medals. We had Donna Troy, Liam Greenslade, Vickey Kernan, David Barron.

PATRICIA CAHILL WINS ALL IRELAND JUNIOR TITLE

While the rest of the club were performing so well on Sunday last at the Community Games in Ferrybank Patricia Cahill was representing the club at the All Ireland Junior (U-19) Championships in Tullamore. Patricia competing in the triple jump had an excellent win and so brought gold home to Lismore. She now has completed the double at Junior all Ireland level, having already won indoor titles earlier this year. When you take into account that Patricia is not yet seventeen, this represents a marvellous achievement, and is due reward for the many hours of training she puts in every week. She is indeed a credit not only to the club but also to the town which she represents so well. Well done Patricia.

Further good news this week, when it was announced that Patricia has been selected for the Munster Senior team which will be taking on amongst others, the Australian Junior team which is doing a short tour of Ireland. The competition is due to take place this Wednesday night, at the Limerick University track, where we wish her every success.

LISMORE ENTENTE FLORALE COMMITTEE

We would like to say how well the town is looking with all the decorating and other improvements. We would like to commend and congratulate all of those people who have put a real effort into the competition. We would like to remind readers that Entente Florale is an entirely voluntary effort, we win or lose by our own efforts. We need more people to help us over the next 6 weeks until the judging on August 10th. Also the annual Tidy Towns competition is being judged at the moment.

All of the window boxes have been delivered, please water them if you can, use either full strength "Phostrogen" weekly, or half strength "Phostrogen" twice weekly.

Letter to the Editor

Collection For Priests Of The Diocese

My dear brothers and sisters in Christ,

Next Sunday, at all Masses in the diocese, a collection will be taken up to meet the ever increasing needs of the diocese and also our obligations towards the upkeep of the Holy See. I know full well that it is not an easy time to raise funds. I am also very much aware of the many demands being made on you; but, this year, could I make a special appeal to your generosity.

The cost of meeting all the demands of the diocese continues to increase every year. There are continuing calls on our finance, calls that cannot go unheeded. I would like to draw your attention to some of these:

1, Basic administrative and secretarial costs; 2, Support for diocesan service ministries such as Family Ministry, Cura, Accord, Catholic Marriage Counselling Service (formerly CMAC), Youth Ministry, Catechetical Ministry, Vocations Ministry and other services; 3, Our share of the cost of running National Church Commissions and organisations; 4, The education of our diocesan students for future life and work as priests in the diocese; 5, The ongoing education of the clergy; and 6, Charity.

The demands of the Holy Father are also on the increase with the result that he depends more and more on our continued generosity.

All this means that we need over £200,000 annually.

Over the years, many people of this diocese have been most generous with their gifts towards diocesan needs. Many, too, have left monies in their wills towards the diocese of Waterford and Lismore. For such generosity, may I say how grateful I am and, could I ask you to continue to remember the needs of the diocese with your gifts and in your wills.

However, without your annual generous support in next Sunday's collection, it would be quite impossible to meet our many increasing commitments.

May the Lord continue to bless you and your families and may I again express my deep appreciation of your goodness and kindness always.

Yours sincerely in Christ,
MOST REV. WILLIAM

LEE,

Bishop of Waterford
and Lismore,
Bishop's House,
John's Hill,
Waterford.
20th June, 1995.

REMEMBERING OTHER DAYS

The photograph for our "Remembering Other days" series this week takes us back to the 1950's when Waterford hurling was in the ascendancy. The photograph was taken in September 1959 after Waterford had drawn with Kilkenny in a never to be forgotten All-Ireland Senior Hurling Final clash, when Seamus Power's last gasp goal earned Waterford the right to a replay, which they won, giving the Deise County their second senior title. The photograph was taken on the train home from Dublin and shows local Waterford supporters in relaxed mood. (Note the paper hats which were a feature of intercounty games in those days). Among those identified are John Fennell, Raymie Duggan, Noel Halley, Joe Duggan, Mattie Fitzgerald, Willie "Ray" Byrne and his twin brother Paddy Byrne.

Dungarvan Scout Notes

TROOP MEETING

The meeting began with a few notices. It was a hot evening so we decided to go up to the Brothers field for a Sports Night. Rugby and Basketball were the main activities. We split the troop up into age groups. They were Under 13 and Over 13. Tom and Jonathan took the lads for rugby while Brendan took the lads for basketball.

A lot of talent was shown in the basketball especially the Under 13's. Shane Duggan showed great skill and control while Paudie and Barry Power proved to be big adversaries or should I say enemies. Paul Twohig found it hard to play rugby as he had sunburn and the lads took every opportunity to remind him of his sunburn, with a lot of pats on the back. A great night was

had in the field. At 8.30 p.m. we went back to the Den. The De Burca team did a little training while the younger lads practiced on their knots. A court of honour followed the meeting.

MARQUEE

Thanks to Tom Power the troop will have a Marquee for camp. Tom had a lot of contacts and after relentless scrounging and begging Tom came up with a second hand tent for the unit to keep. So thanks and well done Tom.

DE BURCA SHIELD

The De Burca will be held this week-end in Melleray. The troop will be sending a team of eight to participate in this competition. So good luck lads.

MONDAY NIGHT CUBS

Jonathan kindly filled in

for Oran, who was working this week. We kept some of the dues and all went to the shop for a few treats.

Shane Walsh got the best buy of the evening, buying buns for all his family. Back at the den, Jonathan was a great hit with games.

Rounders out in the car park was a big hit, where Robert Bagley got stuck in a big way, as did Paul Walsh. We finished off in the den with a few minutes of basketball.

This week-end we went to the Father and Cub Camp at Mount Melleray. Representing the Monday night cubs, were Leonard Duggan, Darren Moynihan and Tony Sheridan. It was a great week-end and the weather was fabulous.

Next Monday night will be our last night until the start of September.

PATRICK DALY Carrigeen, Lackaroe, Youghal

The wife, family and relatives of the late Patrick "Pad Joe" Daly wish to thank most sincerely all those who sympathised with them in their recent sad bereavement; those who sent Mass cards, letters and cards of sympathy, floral tributes; those who called personally to our home; those who attended the rosary, Masses, removal, funeral and burial, especially those who travelled long distances. A special word of thanks to the doctors and nurses of Cork University Hospital, Dr. Joseph Meehan, Ardmore, Dr. Kelly and Dr. Sheppard, Waterford, Fr. P. Magnier, Fr. J. Mulcahy, Knockanore, Fr. Donal Roberts, Fermoy and altar boys; also the staff, pupils and Parents Council of Coláiste Eoin, Youghal and the Dungarvan Branch of Multiple Sclerosis for their guards of honour; to Garda Tom Fahy for the Garda escort on both occasions and to the musicians who played at the funeral Mass and graveside in Ardmore. OBITUARY

Late Johanna Williams (nee Mulcahy)

We record with regret the death of Mrs. Johanna Williams (nee Mulcahy), Isle of Wight and formerly of Murphy Place, Abbeyside, which occurred in the Island on Monday, June 19.

Funeral takes place from Drohan's Funeral Home to Abbeyside Parish Church on Thursday evening and burial takes place in Ballinroad on Friday morning (times to be announced).

YOU AND YOUR MONEY

Back to school is the furthest thing from most people's minds at a time when the sun begins to shine and the children begin their summer holidays. Yet, by thinking of it now, you may be able to relieve some of the hardship associated with it in a few months times. For most parents, September brings huge bills. Books, bags, uniforms, runners — the list seems endless. If there are a few children in the house, maybe with someone starting secondary school or a Post Leaving Cert Course or Regional College or University, the costs seem insurmountable. For example, a new full set of books for a

young person starting at First Year Secondary can cost in the region of £175.

To cope with all this, regular saving is the answer. It's much better to save, hard as it may seem at the time, than to try to borrow the money at the last minute. There are a huge range of options for this. Post Office, Banks, Saving Stamps, etc. Most Credit Unions operate a "Savings Voucher" system for their members. Most of the shops which supply school books offer saving schemes, as do many of the retailers for school uniforms and clothes.

If your income is particularly low, you may be entitled to the "Back To School Clothing and Footwear Allowance." This is a special supplementary payment that exists to help ease the financial pressure at the beginning of the school year. It is available to any families on social welfare payments, Family Income Supplement and FÁS training schemes, who can pass the means test outlined below. The payment is £40 for each child attending primary school and £55 for each child at secondary school or third level, and £25 for each child at pre-school. It is also interesting to note that it may also be payable for a child, under 18 years of age, who is not attending school, providing that the parent(s) are in receipt of a social welfare payment for the child.

The income limits are as follows:

Couple + 1 child £141.10;
+ 2 children £156.30; + 3 children 171.50; + 4 children £186.70; + each extra child £15.10.

Lone Parent + 1 child £88.10; + 2 children £105.10; + 3 children £122.10; + 4 children £139.10; + each extra child £17.

To apply, contact your local Community Welfare Officer between June 1 and September 30. Obviously if a payment is received the most sensible thing to do is to buy the uniforms etc. or the school books etc. If it is spent on something else you will probably find yourself in a position in September where you have no money to meet those huge costs of "going back to school." It may seem early days, but this is the time to be practical and prepare. By doing so now you may be able to avoid hardship and worry.

Trusting this will be accepted by all in grateful acknowledgment. Holy Mass will be offered for the intentions of all.

JERRY COFFEY Ballymacmague, Dungarvan

The wife, family, brothers and sisters of the late Jerry Coffey wish to thank most sincerely all those who sympathised with them in their recent sad bereavement. We thank those who sent Mass cards, letters and cards of sympathy, also those who attended removal and burial. We wish to extend our thanks to the priests of the parish, also Very Rev. Fr. Sean Nugent, P.P., Powerstown and Rev. Fr. Michael Collender, O.S.A., New Ross. A special word of thanks to all the neighbours who were so helpful during Jerry's illness and hospitalisation. We would like to convey our sincere thanks to the doctors and staff of Waterford Regional Hospital for their loving care and attention to Jerry.

The Holy Sacrifice of the Mass has been offered for all in grateful appreciation.

RECENT DEATHS

Bro. William Paul Mulcahy 1916 - 1995

The regretted death took place in Chandigarh, India on Sunday, June 18 of Bro. William Paul Mulcahy.

Bro. Mulcahy was a native of Ballyduff Upper, Co. Waterford.

He received his early education at the local national school and later at Fermoy C.B.S. before entering the Christian Brothers.

Brother Mulcahy went to India in November 1945. Over these past fifty years he generously devoted himself to the cause of education in several parts of the country. He was a fine teacher. He understood people and related well to young and old. His whole approach to the daily task was whole-hearted and practical. Ever a man who inspired confidence, he was everyone's friend. The number of people whom he helped and encouraged is beyond reckoning. Paul gave his whole life to the people of India while always remembering with gratitude and affection the land of his birth and his family in Corrabeha, Co. Cork.

When Paul died on June 18, the St. John's School Community, Chandigarh lost one of its beloved members. Paul had been suffering from a heart condition for some years and on Sunday, June 18 he suffered a heart attack and died peacefully.

The funeral took place the same evening, presided over by the Bishop of Chandigarh, Bishop Gilbert Rego. Those in attendance at the removal of the remains from the school and also at the graveside included many staff members, previous and present pupils (who helped carry his coffin), other ex-pupils of the school as well as a large number of the Catholic community of Chandigarh. The alacrity with which word of Paul's death spread around Chandigarh was an indication of the high esteem and loving regard which people had for him.

Paul was held in high respect by a host of teachers of the schools where he taught and administered, also by thousands of former students and by many destitute whom he helped in various ways over a period of fifty years in his apostolate in India. He will be sadly missed by all his admirers.

Paul lies to rest with three other Christian Brothers and the faithful departed of Chandigarh in the Christian Cemetery, Sector 25. May his soul rest in peace.

A special Mass for Bro. Mulcahy was offered at St. Catherine's Church, Conna on Friday last, June 23.

Bro. Mulcahy is survived by his loving sister, sister-in-law, brother-in-law,

nieces, nephews, relatives, friends and religious community to whom we extend deep sympathy.

Mrs. Margaret (Madge) Byrne

It is with deep sadness and regret that we write of the passing on Friday, June 16 at Our Lady's Hospital, Cashel after a very brief illness of Mrs. Madge Byrne, Glenafallia, Cappoquin.

Madge, who was predeceased by her husband Jack, was a wonderful mother, grand mother and great grand mother always wanting the best for her family while she worked the family farm with her son John for many years.

Madge loved to have a game of cards as well as a bingo game. She liked to travel to England a lot to visit her daughters. Madge was happy once she was on the go — paying a visit to the neighbours for a friendly chat and cup of tea. She was a very kind and helpful neighbour always willing to lend a helping hand when in need.

During her stay in Newcastle and Goatenbridge with her daughters Kathleen and Maria, Madge made many good friends and indeed she will be very sadly missed by her son, daughters and family and all who knew her.

On Saturday evening the remains were removed from Condon's Funeral Home, Clonmel to St. Mary's Church, Cappoquin where on arrival, the coffin was received and blessed by Canon Wm. Phelan, P.P.

On Sunday morning the 11.30 Mass was offered especially for the happy repose of Madge's soul, the celebrant being Fr. Kelleher, C.C., assisted by Fr. Francis, Mt. Melleray. During the Mass some beautiful hymns were sung by the members of Cappoquin and Melleray Choirs assisted by Mairead Cullinane on the organ. While the Responsorial Psalm was sung by Aine Byrne, Madge's grand-daughter.

Following Mass Madge was taken on her final journey to St. Declan's Cemetery where she was laid to rest beside her late and much loved husband Jack. Some beautiful floral tributes were placed on the

grave.

The largest attendances ever seen in the area were present on both occasions. Ar dheis De go raibh a hanam.

Chief mourners — John (son), Marjorie, Kathleen, Marie, Annie (daughters), Theresa (daughter-in-law), Joe Corbett, John O'Leary, Denis Corbett, Tom Fitzgerald (sons-in-law), Lil and Alice (sisters) (America), Anthony, John, Joseph, Maurice, Kevin, John, Sean, Denis, Cyril, Vincent, Gearoid, Margaret, Catherine Margaret, Mairead, Aine, Rosemary, Mary (grandchildren), Michael and Ciara (great grandchildren), nephews, nieces, other relatives and a very large circle of friends.

(Arrangements by Ca Murray and Sons, Undertakers, Cappoquin. Tel. 058-54339.)

Mr. Patrick Clancy

We record with sincere regret the death of Mr. Patrick Clancy, London and late of Ballyin, Lismore which occurred at a London hospital on Friday, June 9, following a short illness.

Patrick had worked in Lismore Estates and had also been involved in construction work.

Possessing a jovial and kindly nature he was extremely popular in his native birthplace and also in the land of his adoption and he will be sadly missed by his many friends but more especially by his sorrowing brother, sisters, nephews, nieces and other relatives to whom we extend deep sympathy on their sad loss.

His remains were removed from Ryan's Funeral Home, Lismore to St. Carthage's Church on Saturday, June 17 and the coffin was received and blessed by Canon Nugent.

Requiem Mass was offered on Sunday morning at 9.30 a.m. for the repose of his soul by Canon Nugent. The Lessons were read by Mary O'Brien and Nessa Landers. Burial took place in the Churchyard cemetery, Lismore afterwards. Large corteges attended the funeral and burial.

(Funeral arrangements by John Ryan and Sons, Lismore. Phone 058-54145.)

Mrs. Mary Browne

We record with regret the death of Mrs. Mary Browne, Glencullen, Liss, Araglen, which occurred on Saturday, June 17 at St. Patrick's Hospital, Fermoy, following a short illness.

A very charming lady Mary was an exceptional neighbour who was held in the highest regard by all those who knew her.

A loving wife and mother she will be sadly missed by her sorrowing sons, daughter and other relatives to

whom we extend deep and sincere sympathy on their very sad loss.

Her remains were removed from Ryan's Funeral Home to St. Michael's Church, Ballyduff where the coffin was received and blessed by Fr. Mulcahy. Fr. Mulcahy was celebrant at the 11.30 a.m. Requiem Mass on Monday, June 19 and also officiated at the burial in St. Michael's Cemetery afterwards.

Huge corteges attended the removal and burial.

Chief mourners — Ned, Jim, Michael and John (sons), Katherine (daughter), brothers, sister, grand children, daughters-in-law, nephews and nieces.

(Funeral arrangements by John Ryan and Sons, Lismore. Phone 058-54145.)

Mr. John Cooney

It is with deep and most sincere regret we record the passing of Mr. John Cooney, Curraheen, Aghish and Dungarvan, which took place peacefully in the loving care of the Marton and staff of St. Vincent's Hospital, Dungarvan, on Saturday, June 10.

The deceased spent the last year of his life in retirement in Dungarvan prior to which he farmed all of his life in Curraheen. He was a well loved, kind and gentle man who loved Gaelic games. In his early years he thought nothing of cycling to Thurles or Cork for a match. In the last year of his life he never missed a match at the new Gaelic field in Dungarvan, a fact that was commemorated by a minute silence before the match on the Sunday after his burial.

He was in all practical purposes a loving father to his nephews Tony and Vincent and a grand father to Siobhan, Anne and James. He will be sadly missed by his nieces, nephews, grandnieces and grandnephew, great grandniece, great grandnephews, cousins, relatives and friends.

The Rosary was recited on Sunday evening. On Monday, June 12 the remains left the hospital mortuary for Aghish Parish Church where the coffin was blessed and prayers recited by Fr. Tracey. Following Requiem Mass on Tuesday, June 13 the interment took place in the adjoining cemetery. The graveside prayers were recited by Fr. Tracey.

The chief mourners were — Tony and Vincent Freeman, Maria Guilly, Joan Nugent, Eilish Keating, Willie Joe O'Brien, Frank Cooney (nephews and nieces), his grandnieces and grandnephews, Aileen Freeman, Kieran Guilly, Emmett Nugent, cousins, relatives and many friends.

(Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.)

TOURANEENA NOTES

SCHOOL TOUR

The 2nd class pupils recently enjoyed a school trip to Bunratty Castle. On the way to Bunratty we visited many interesting place. Our first stop was at Craggaunowen where we were greeted by a man dressed as a caveman.

We then went to see a lios, however we did not go down the connecting tunnel as the local bats had taken up residence there. Our next stop was St. Brendan's Boathouse. The boat we saw was very old and had been made from leather coated with lanolin.

After lunch we went to Bunratty Castle where we saw the dungeons and a guide told us the history of the Castle. We then visited the shopping centre to buy our souvenirs. We stopped for chips and burgers on the way home.

Everybody had a great day as it was a really enjoyable school tour. — (as told by second class pupils).

INTERMEDIATE FOOTBALL BRICKEYS 2-8 ARDMORE 2-3

Despite having a good grip on this game from an early stage the Brickeys finished very strongly to record a well deserved victory.

In truth our 1-2 to 0-3 half-time lead did little for our second half chances as we should have enjoyed a much greater lead at that stage but poor finishing cost us dearly.

Team—Declan Hennessy, Seamus Keevers, John Power, Maurice Hennessy, Tom Power, Anthony Hearne, Nicky Keating, Pat Walsh, Johnny Hennessy, Keith Morrel, Seamus Veale, Pat Hallahan, Kevin Lenane, Michael Veale and Kevin Flavin. Sub: Pat Hennessy.

WALK-OVER

Due to shortage of players we have had to concede a walk-over to Geraldines in the Junior Football Championship.

U-14 WESTERN FINAL

Was it over-confidence or just a lack of hurling ability that cost us this Western Final played at the Fraher field on Monday last.

As we congratulate St. Olivers on a fine victory and wish them luck in the County final we cannot help but think of the might have beens. Had Mary been fit to play and had things gone better for our bigger boys it would surely have made a difference but it still would have been a major task to beat St. Olivers with this display.

Line out—Declan O'Donnell, William Keane, Liam Power, Conor O'Connor, Richard Power, Declan Prendergast, Philip Beausang, Jason Lenane, Richie Hennessy, Niall Hennessy, Wayne Hennessy, Niall O'Brien, Eoin Foley, Billy Harty and David O'Reilly. Sub: Vincent McCarthy.

SYMPATHY

We extend sincere sympathy to the Daly family of Monatrea on the death of Jimmy. Go dtugadh Dia na Trocaire solas na Flaithis da anam uasal. Jimmy wore the Blue and White of our club in the early sixties and was a fine sportsman.

GOLDEN JUBILEE

On Friday evening last William Canon Phelan P.P. Cappoquin celebrated the golden jubilee of his ordination in a lavish celebration at Dungarvan's Park Hotel preceded by con celebrated Mass in Cappoquin attended by a huge congregation and at which both Bishop Russell and Bishop Lee presided.

Our club was well represented and rightly so as we owe so much to Fr. Phelan, who was the prime mover and motivator in reforming our club in 1957 at which time he was our much loved Sagart Og.

He served as Chairman of our club in its infancy and at which it was a historic occasion as he spoke with our present Cathaoirleach Liam O Loinsigh thirty eight years down the line, Liam having come into this world on the same year that Fr. Phelan arrived in the Parish.

To refresh our memories we give an extract from the minutes of that meeting in Halla Deuglan on Monday September 30th 1957—President, Very Rev. Wm. Cahill P.P.; Secretary, Paddy Foley (Monla); Treasurer, Richard Lincoln N.T.; Committee, James Rooney, Paddy Prendergast, Paddy Foley (Dysart), Paddy Mansfield, Kevin Coughlan, James Prendergast and Sgt. Frank Farrelly, G.S.

James Rooney put a field at the disposal of the club free of charge. St. Declans of Ardmore to be the official name of club and its colour to be Blue and White.

The Rev. Chairman then addressed the meeting and called for the united, loyal and unselfish support of every club member.

We salute and congratulate you Fr. Phelan on reaching this wonderful milestone in your distinguished life and wish you many years of happy retirement which you richly deserve.

On behalf of the club a presentation was made to Fr. Phelan by Paddy Foley who was his very green Runai and under-study to the great Mr. Lincoln all those years ago.

WELCOME HOME

We extend a very hearty cead mile failte to our lovable clubman the Rev. James Hurley S.J. who is home from Hong-Kong. Welcome home Fr. James.

WALK-OVER

The fact that we could not field fifteen players to play for the club in our scheduled U-12 hurling game fixed for Ardmore on Sunday is a proof positive, if proof were needed that the game of hurling at this level is in a very sad state in a lot of clubs in the West, we already having got a walk-over from Cappoquin/Affane in this competition.

With the capable coaches and money available why cannot realistic coaching be available for children who really want to play hurling i.e. help should be made available to clubs. We apologise to Dungarvan for the inconvenience caused.

Munster U-21 Hurling Championship

DISAPPOINTMENT FOR WATERFORD

CLARE 2-8 WATERFORD 2-7

Waterford's reign as Munster U-21 Hurling Champions came to a dramatic end in Thurles on Wednesday evening last when going down to Clare by a single point.

This was a game Waterford should never have lost as they completely dominated the opening quarter at the end of which they led by 2-3 to 0-1. The standard of hurling was very poor and the physically stronger Clare side wore down the champions who conceded two own goals.

Waterford's goals came from Derek McGrath after 9 minutes when he received from Daragh O'Sullivan and Barry Walsh found the net in the 15th minutes after good work by McGrath.

Waterford were eight points to the good and completely on top. Clare were thrown a lifeline in the 22nd minute when a sideline puck was deflected off a Waterford defender into his own net. Clare added a point from a free before a Paul Flynn free came back off the post in the 30th minute. Waterford led at the break by 2-3 to 1-2.

Clare pointed three times in the opening seven minute of the second half to leave only one between the sides. Paul Flynn gave the Deise side a two point advantage when he pointed a free in the 40th minute following a foul on Barry Walsh.

Disaster again struck Waterford in the 41st minute with the concession of another own goal and Clare were in front for the first time in the game on the score of Clare 2-5 Waterford 2-4. Paul Flynn levelled the scores in the 44th minute and he put Waterford back in front with a point from a free in the 49th minute. Ollie Baker and Fintan O'Shea exchanged points before Fergal Hegarty pointed for Clare two minutes from time to tie the scores at 2-7 each.

The tension was virtually unbearable as both sides tried to snatch the winning score and it was Clare who did so when Barry Murphy pointed on the stroke of time. Waterford's bid to retain the title had failed and Clare were through to play Kerry in the semi-final

DUNGARVAN LOSE TO GAULTIER

GAULTIER 2-12 DUNGARVAN 0-12

Gaultier remain on course for the knock out stages of the championship as a result of this win over Dungarvan at Kilmacthomas on Saturday evening last in a game that saw three players sent off. This defeat ends Dungarvan's chance of qualifying for the quarter-finals barring a series of results going their way and they win their last game.

Gaultier were on top from the throw in and pointed twice in the opening two minutes.

In the 8th minute Dungarvan's Martin Sheehan and Gaultier's Mossy O'Keeffe were sent off. Following this incident Dungarvan took over and Morrie Ferncombe opened their account in the 10th minute. A minute later Fergal Cunningham had the sides level. John Power and Morrie pointed to give Dungarvan a two point advantage after 20 minutes play. The Blues missed good scoring chances at this stage before Anthony Fitzgerald goaled for Gaultier when he finished a pass from his brother Paul to the net. A double exchange of points followed to leave Gaultier 1-4 to 0-6 in front at half time.

The second half saw Gaultier introduce Eamonn Cullinane who was making a comeback after a four month lay off through injury. Dungarvan had drawn level by the 4th minute and the sides exchanged points to leave the score Dungarvan 0-9 Gaultier 1-6 at the end of the third quarter.

Liam Daniels and Anthony Fitzgerald pointed for Gaultier before Fergal Cunningham and Pipi Ferncombe levelled the scores again 0-11 to 1-8 after 52 minutes of play. Gaultier opened up a two point advantage by the 57th minute when Dungarvan lost Pipi Ferncombe who was carried off with a leg injury.

On the stroke of full time Paul Fitzgerald had Gaultier's second goal to ensure victory for his side. Dungarvan's Darrell Donnelly was sent off in the 3rd minute of

time added on.

Shock Defeat For Stradbally

TRAMORE 4-10 STRADBALLY 2-5

Stradbally senior footballers suffered a shock defeat by Tramore at Kill on Sunday evening when going down by double scores.

The Reds must now win their two remaining games to be sure of qualification for the play-offs. Tramore fully deserved their victory and are now in a position where they could force a play-off for a quarter final place if they win their last game.

The sides were level twice in the opening quarter with Brian Arrigan on target for Tramore and Eoin O'Brien and Paul Mooney on target for Stradbally. In the 18th minute Arrigan pointed a free for the team from the seaside town to put them 0-3 to 0-2 in front - a lead they never lost.

A goal from sub. M1. O'Donoghue in the 23rd minute helped the winners to a 1-5 to 0-2 half time lead. Brian Arrigan stretched Tramore's lead in the first minute of the second half when he pointed to leave seven points between the sides. Oliver Costello now at full forward goaled for the Reds in the 32nd minute and this sparked hopes of a comeback. However, these hopes were dashed in the 38th minute when Sean Martin goaled for Tramore and when Niall Brennan goaled for them in the 49th minute the result was inevitable. Stradbally were being outplayed all over the field at this stage with Tramore giving one of their best champi-

onship performances in many a long day.

Garry Goodwin had their fourth goal six minutes from time with Jamie Weldon goaling for Stradbally on the stroke of time.

Scorers: Tramore — B. Arrigan 0-6, M. O'Donoghue 1-3, S. Martin 1-0, N. Brennan 1-0, G. Goodwin 1-0, A. Reynolds 0-1. Stradbally — O. Costello 1-1, J. Weldon 1-0, N. Cusack 0-2, P. Mooney 0-1, E. O'Brien 0-1.

Goals from Neilly Connors, Neil Kirwan and Jim Maher from the penalty spot helped Kilrossanty to an easy victory over neighbours Kilmacthomas in the opening game at Kill on Sunday evening.

The winners led by 3-5 to 0-2 at half time with Jim Maher (2-0), Walter Power, Ger Walsh and Brian Kirwan their point scorers.

LADIES FOOTBALL NEWS

Waterford And Mayo Draw in Thriller

WATERFORD 3-11
MAYO 4-8

Waterford and Mayo served up a thrilling national league final at Cusack Park, Ennis on Sunday last. Played in sweltering heat, it produced tremendous football and both teams deserved another bite of the cherry.

The game of football was the real winner and Mayo served notice that they are very serious contenders for league and championship honours.

Everything seemed to be going according to plan as far as Waterford was concerned when they raced into a 6 point lead after just 8 minutes, the goal a result of a splendid move between Rebecca Hallahan and Geraldine O'Ryan which saw Aine Wall crash the ball to the net.

Mayo to their credit fought back and caused real problems for a hesitant Waterford defence and by the end of the first quarter they led 2-2 to 1-3. When the ball came back off the post Fiona Crotty shot to the net but Mayo replied in impressive fashion.

Waterford introduced Catherine Walsh and Anne Lisa Crotty and at the end of the first half Mayo led 4-2 to 2-7 and it was very obvious that Waterford had a real battle on their hands. Mayo

were relishing the battle and by the 40th minute they were 5 points in front and flying.

Geraldine O'Ryan and Fiona Crotty shot points to reduce the deficit as Waterford searched for a goal but sterling defensive work by Mayo denied them. With ten minutes remaining Mayo again led by 5 points. Martina O'Ryan shot a Waterford point before Fiona Crotty at last got through the defence to slam the ball to the net after a good run

by Julie Torpey.

The last 6 minutes were hectic and Marie Crotty shot the levelling point after 55 minutes. Pauline Mullen nosed Mayo in front again but Waterford kept battling and when they were awarded a close in free Marie Crotty tied the scores. Both sides had further chances before referee Johnny Hayes called time.

Waterford will be happy to get another chance as the game seemed beyond them in the closing stages. However, they will have to be very concerned to concede a total of 4-7. Granted Noirín

Walsh was missing from centre half back but they will have to show a marked improvement if they are to win the replay.

Midfield too struggled for long periods by attacking too much and leaving vast open spaces which Mayo made full use of. The Waterford attack despite scoring 3-11, never moved with the slickness and cohesion that has been their trademark over the years and they were guilty of going for goals and making a heroine out of Mayo goalkeeper Diane Horan.

On half a dozen occasions she made brilliant saves from Olivia Condon, Fiona Crotty and Aine Wall. The half back line of Sinead and Cleona Walsh and Julie Torpey battled gallantly to stem the tide and earn a replay. It would seem that Waterford have more room left for improvement than Mayo and the eagerly awaited replay takes place this Sunday, probably at Ennis.

Waterford; P. Butler, R. Ryan, S. O'Ryan, M. Fitzpatrick, S. Walsh (capt.), C. Walsh, J. Torpey, M. O'Ryan (0-2), C. Casey, O. Condon, M. Crotty (0-4), G. O'Ryan (0-2), F. Crotty (2-3), A. Wall (1-1), R. Hallahan, subs; C. Walsh, A. Crotty and C. Ryan.

MINOR NEWS

This Friday evening the minor team take on Limerick in the first round of the championship at a neutral venue and they should be strong enough to advance to a semi final clash with Clare.

JUNIOR NEWS

The junior championship fixture with Clare goes ahead on Sunday, probably as a curtain raiser to the league final replay. John Mullarkey has been training the side over the last two months and it should be a very interesting game. Waterford won the corresponding fixture last year.

RESULTS AND SCORES

In the nett Alfred Ebanks won this with a fine score of 70 nett. Alf who played very steady all week got the vital scores by mid-week to head the leaderboard. Player after player tried in vain to catch him no one could. It was left to one man to mount a serious challenge and that man was Philip Regan. He gave it his best shot but could not get the vital score he needed. Alf produced one more great round on Sunday to settle the issue. Well done Alf.

IN THE GROSS

What a battle this turned out to be between Leonard Duggan and Paul Regan. Paul and Leonard played trojan

stuff all week. By the weekend they fought out a thrilling finish over the last few holes, with Paul Regan just getting the better of Leonard Duggan with a score of 13 gross to win by one shot. Well done Paul.

YOUTH FIXTURES

At a time of year when all should be relaxing after an extraordinary long season, our youth team are still playing games. On Sunday last they were due to play Tramore at Kilrush Park in a league game, but the opposition failed to show up.

On this Thursday, June 29 they travel to Carrick to play the locals in a league match at 7 p.m. while on Sunday next they travel to Waterford to play Bohs in the Egan Cup final.

This is something that Junior League will surely have to look at for next season and not let games go on into July.

BOWLING IN CAPPOQUIN

JESSIE GALLAGHER MEMORIAL CUP

On Thursday, June 22 at 7 p.m. the first bowl in this year's tournament was thrown by the holder Brian Whelan. Trying to dethrone him was Lismore man Billy Casey. Casey led by three metres after the first shot, but both failed to open the big bend with their second. Casey was holding an advantage after the third. Both men were playing well and at the "gully" Casey was fifty metres ahead. At the "boiler" Casey, with superb bowling, increased his lead to a bowl. Whelan was not producing the bowling we know he is capable of and at the "rats" Casey was almost two bowls in front and bowling true to the mark came home comfortably ahead to take the score.

Friday, June 23 — "A" Score — Deige Fianusa v.

John Michael Kelly — Kelly threw first, a big shot, but Fianusa had a fine shot to take a slight advantage. They were around the big bend in three with Fianusa still holding the advantage. Shot for shot they matched each other and at the "boiler" Fianusa had increased his lead to fifty metres. Kelly then threw two huge shots to get back level at the "spout" and led the road at the "boreen" to take a three metre advantage into the last shot. But it's hard to beat Fianusa. He produced a devastating shot which Kelly failed to pass, and so he advances to the next round.

Sunday, June 25 — Seamus Murphy v. Mick Connors ("A" Score) — With a big gallery present, both men pleased their backers

with good opening shots. Around the big bend little separated them with Connors slightly ahead. Connors was thirty metres ahead at the "boiler" but Murphy produced a big shot into the "rats" bend to get back on level terms. Connors then produced a big shot to lead again at the spout, a lead he held to the line. Well done to both contestants for a most entertaining contest.

FIXTURES

Thursday, June 29 at 7 p.m. Scores — Brian Cahill v. John Walsh v. Tom Goulding.

HEINEKEN PUBS LEAGUE 1995

Record Entry For 1995

A record 34 teams have entered this year's pub league sponsored by Heineken for the prestigious O'Brien Cup. From the antipodes of the county Fawltys and Cove Bar have renewed their interest in this competition. Paddy Mac's have launched the Ardmore challenge while Mooney's and The Marine constitute the Ring/Old Parish challenge.

The question is who can wrest the cup away from the steely grip of Foley's. A number of pubs spring to mind, the always strong Minnies, the newly resurgent Shandon Arms or maybe the Park House. Or maybe Power's, Davitts or the Lady Belle can make an impression. Don't discount the men from Bridie Dee's who it is rumoured are all out for victory with some close season signings and a very successful training session during the Brickey Barbeque. Dick Brennan feels his team can triumph while Pat King of the Ormonde is quietly confident. Michael O'Brien has his troops well marshalled and across the road the ever ebullient Roy Barton is brimming with confidence. In the Village as well as Minnies the Village Inn's proprietor Matt Organ is optimistic as ever while John Melay up the road is assembling a team of great power and style. The Ballinroad connection at the Gold Coast is sure to make for a serious contender while Bridgie Terries cannot be discounted. Rumours that Willie Whelan will line out for Downey's has seriously shortened their odds and Maurice Casey and John McGrath are said to be quietly confident. Former champions Anchor Bar are something of an unknown quantity but cannot be discounted.

CARLING INTER-FIRMS SOCCER TOURNAMENT

Final Takes Place This Friday

All is in readiness for the final of the Carling Inter Firms soccer tournament on this Friday, June 30 at 7 p.m. The semi final draws took place last week and resulted in Public Bodies v. Irish Tanners and Traders v. Unemployed 'A'. These games took place on Tuesday night last and we predict a win for Irish Tanners and Traders to contest the final. However, the Public Bodies and Unemployed 'A' will have a lot to say about this and don't be surprised if either or both reach the final as there is very little between the four semi finalists.

Best of luck to all concerned and let's hope football will be the winner.

QUARTER FINAL RESULTS

PUBLIC BODIES 1 WATERFORD FOODS 1
(Public Bodies won 6-5 on penalties)

The first quarter final on Tuesday evening was very evenly contested. The first

half ended scoreless with neither side looking likely to score. Waterford Foods introduced Pepe Ferncombe after the interval and pushed the evergreen Jim "Bimbo" McGrath up front. It was not long before the big Brickey man found the net with an unstoppable drive from close range. However, back came the Public Bodies and Brian Collins equalised with 15 minutes remaining.

It was high drama in the penalty shoot-out and it went all the way to sudden death spot-kicks.

Derek Lyons, "Pops" Wright, Des Foley, Tommy Wade, R. Dwyer and A. Linnane scored for the winners, while Pepe Ferncombe, Alan Beatty, Jim McGrath, Mick Shalloe and Ross Power scored for the losers.

TRADERS 0 STERLING 'A' 0
(Traders won 6-5 on penalties)

The second match on Tuesday night was also decided on sudden death penalties. Both defences were on top particularly Sterling's where goalkeeper Ml. O'Dwyer made some

excellent saves from Traders sharp-shooter Micheal Downey. John Reynolds in the Traders goal was also called on to make a number of saves. In the end neither side could get the all important goal, so it was down to the dreaded penalty shoot-out.

Kieran Foley, Owen Simms, Aidan Landers, Eoin Mansfield, Micheal Downey and David Sheehan all scored for the Traders, while Mor Foley, Paul Freyne, Kieran Hallahan, Mick McCarthy, Jack Doyle scored for Sterling. Michael Dwyer was the unlucky one to miss the sudden death penalty.

IRISH TANNERS 3 UNEMPLOYED 'B' 1

The first game on Wednesday evening saw the favourites Irish Tanners record a 3-1 victory. But they were made fight all the way by Brian Wall's side. The first goal came after only 5 mins. when John O'Shea's long range free kick slipped through Joe Wall's grasp. John "Foggy" Walsh scored the second with a close range effort after 30 mins.

However, the Unem-

ployed didn't give up and the second half was evenly contested and John "Foggy" Walsh headed in a right wing cross to give the Leather Factory a 3-0 lead. Martin Power got one back before the end and they also missed a couple of chances before the finish.

UNEMPLOYED 'A' 6 TELECOM EIREANN 3

The second game on Wednesday evening saw Unemployed 'A' record a big 6-3 win over Telecom. Unemployed got off to a flying start with Matty Ducey and Tony Sullivan scoring in the first half to give them a 2-0 interval lead. Boots Jordan and Kevin Moore made it 4-0 before Billy Lamb pulled one back for Telecom.

Mickey Donnelly made it 5-1 for Unemployed and Billy Lamb scored with another header to leave the score 5-2. "Boots" Jordan got the sixth for his side, while Billy Lamb completed his hat-trick before the full time whistle to leave the score at 6-3 for Unemployed 'A' and a place in the semi finals.

OPEN FORTNIGHT

Friday June 30th to Sunday July 16th means Open Fortnight in Dungarvan Golf Club. In 1994 we split the Open, holding a week in July and a week in September. However, many golfers particularly visitors, were disappointed as the first fortnight in July had always been penciled in for golf in Dungarvan and many arrived during the second week only to find it was all over. Thanks to the generosity of our many sponsors who are helping us to promote an extra week of competitions, the club can again host an Open Fortnight of golf in July in addition to our week in September, which was such a success it could not be dropped.

Dungarvan Golf Club welcomes the support of members and visitors during the Open. This year the extended spell of good weather has given the Course Committee and their staff an opportunity to prepare the Course magnificently. We can guarantee that golfers of all levels will be very impressed and most definitely challenged. The good weather is also enabling the members to get in plenty of practice and sharpen up their game. During the course of the year, a good number of our newer members have begun to find their touch and will no doubt present a formidable challenge to our more established players. Good luck to one and all.

WEST WATERFORD GOLF CLUB NOTES

Internationals At West Waterford

On Tuesday last over one hundred and eighty golfers took part in the Super Valu Golf Classic. This very popular event run by local Super Valu outlets raised considerable funds for local charities. In conjunction with this event four of the countries leading amateurs played an exhibition four ball — Eddie Power

(Tramore), Tom Cleary (Fermoy), Gary Murphy (Kilkenny) and Graham Spring (Tralee).

A large gallery followed the match and were treated to some outstanding golf. Gary Murphy, who is turning pro in October, was four under par after six holes, but in the end had to be satisfied with a one

under par round of 71.

Our thanks to Super Valu for giving us the opportunity of seeing the best in action, also to the players themselves for a wonderful evening's entertainment.

NESTLE TAILTEANN GAMES

Whyte and Rockett Win For Munster

The Tailteann Games, so much part of the history of Irish Athletics, proved to be a happy hunting ground for St. Augustines College students Triona Whyte and Donny Rockett in Santry Stadium, Dublin last Saturday. This schools Inter-provincial brought the top

under 17 athletes of the thirty two counties together and Munster finished second in both categories to Leinster (girls) and Ulster (boys).

To win at this level confirms the athlete's pedigree and Triona Whyte, a member of a legendary Kilrossanty sporting family, did

extremely well to win the 800 metres final. Triona clocked a very promising 2 mins 18 secs to come home a clear winner by over 10 metres from W. Davis (Ulster) and M. Sheridan (Leinster). She was also a member of the Munster 4 x 300 metres team that finished second.

Donny Rockett's victory was equally if not more emphatic in the Hammer event when he threw 58 metres even to relegate Ulster hope Brian Urquhart by over three metres with his team mate M. Grace in third spot. The Tramore born Rockett completed a good day by finishing second in the Discus competition, less than half a metre behind the winner. Donny threw 41.70 metres.

EXCELLENT LOCAL PERFORMANCES

Orla Costin received a late call up for the 'Games' and she duly obliged by finishing a very good third in the 2k walk in 10 mins and 18 secs. Linda Guilly continued her recent show of good form when she finished third in the 300 hurdles event in 47 seconds even. Linda was also a member of the Munster 4 x 100 metres team that finished second to Leinster.

Eamonn Cashin refuses to finish outside the top three at the highest level and he again took full advantage of his call up to the Munster side when he clocked 9 mins 18 secs to finish a very good third. Deirdre Travers once again proved that she can mix it with the best when she finished a good second in the 3000 metres events. In the process she clocked a personal best time of 10 mins 47 secs for the distance.

Austin Flavin clocked a fast 57.9 seconds to finish third in the 400 metres hurdles and this is an event where he can figure prominently in the future. Mark Deevey again featured in the top three when he finished second in the Pole Vault, just 15 cms behind the winner at 3m 30 cms. Morgan Hamm finished third in the Javelin competition with a throw of 47.28 metres.

Well done to all the local athletes who represented Munster to the best of their ability and to their coaches Br. Patrick Lennon and Mary Ashe for the time they give to these our senior athletes of the near future.

OVERALL RESULTS

Girls—1. Leinster 139.5 pts, 2. Munster 95 pts, 3. Ulster 64 pts.

Boys—1. Ulster 132 pts, 2. Munster 121 pts, 3. Leinster 114 pts.

SYMPATHY

COMMUNITY GAMES ATHLETIC FINALS

The annual Credit Union Waterford Community Games Athletic Club Finals were held in brilliant sunshine in Ferrybank's Clover Centre last Sunday. With places in Butlins in September at stake, competition was keen between the twelve communities taking part. The best overall community was K.C.K. A.C. with Abbeyside in second position. The best turned out community was Ballyduff upper.

ALL IRELANDS IN TULLAMORE

Jason Flynn (K.C.K. A.C.) won the All Ireland Junior Shot and Discus double in Tullamore last Sunday, Jamie Costin (West Waterford A.C.) won the Junior walk title and his clubmate Shane Scanlon won the U-23 Hammer championship. He was also third in the discus competition. Derek Hayes also of West Waterford A.C., was second in the Junior 10 metres hurdles final, Larry Morrissey (Ferrybank A.C.) won the Junior 1500 metres title.

DUNGARVAN ATHLETIC CLUB

Juveniles Win Ten Munster Titles

The Club enjoyed its best championships at provincial level in Kilkenny on Saturday and Sunday week last when our promising fifteen to eighteen years old athletes won ten Munster titles as well as a number of fine minor placings in various events.

Eamonn Cashin continued his rate of progress in race walking when he won the under 15 title. Recently the 'village' athlete was just three seconds behind a Junior schools record set some years back by Jamie Costin and this gives a fair indication of his potential in this discipline. Garry Hurney won the under 15 Pole Vault title and his dedication to training is currently reaping its rewards.

At under 16 level Donny Rockett scored a notable double in the Discus and Pole Vault and he was also second in the Hammer and third in the Shot Putt. Michael Murray won his first Under 16 B.L.O.E. Munster title and his progress will be watched with great interest. He was also third in the Discus event.

At under 17 category Mark Deevey gave a fair indication of his allround ability in winning the Pole Vault and Hammer titles as well as being second in the Triple Jump and third in the Shot and Discus. Morgan Hamm continued the list of successes when he won the Javelin title in this category.

At under 18 level Derek Hayes claimed yet another Munster title when winning the 110 metres hurdles event and he was also third in the High Jump. Mark Radley broke the two minutes for 800 metres for the first time when he clocked 1min 57 secs on a solo run.

Munster medals were also won in Kilkenny by Deirdre Travers, 3rd under 15, 3000 metres, Paula Keohan, 3rd under 16, 1500 metres, Sandra Clancy, 2nd under 16, High Jump, Andrea Travers, 3rd under 17, Triple Jump and 2nd in the Javelin, Michael Morrissey, 2nd under 16, Discus and Shot Putt and third in the Hammer.

In total Waterford athletes won thirty titles, nineteen silver and eighteen bronze medals, proving their high standing in the juvenile athletic scene at the present time. The Athletes from Dungarvan A.C., Cappoquin/Ballinameela A.C. and Ring/Old Parish A.C. travelled together to the championships and this is a very welcome development.

BALLYCOTTON SUMMER SERIES

Meehan Steals The Show At Shanagarry

Despite carrying a best before date of 1987, Tom Meehan (West Waterford), continues to turn back the clock with a series of impressive runs. Never was this more in evidence than in Shanagarry last Thursday evening when the apprentice mechanic clocked his best time in recent years of 27 mins 40 secs for the five mile distance. In the process he pushed local elite runners Tony Harty and Gerty Cantwell to their limits and hands up everybody who can do that at present.

The first local runner to finish was Philip Harty (West Waterford A.C.) in tenth position. His performance of 26 mins 30 secs won the prize for the first Junior home. The ageless Michael Roche (27.13) continues to improve his times as the season progresses and he is our most consistent top runner over the sands of time.

A large percentage of every Ballycotton entry travel with the hope of breaking the half hour barrier and Anthony Dwyer achieved this for the first time in recent years when he clocked 29 mins 59 secs to establish himself as the leading 'Dwyer' on the road racing circuit at present.

Improved performances in Shanagarry also came from Finbarr Kelly, Mark Harty, Martin Hayes, Trevor Mason, Eoin O'Riordan, Michael Dwyer and Anthony Harty.

THE LOCAL RESULTS ARE AS FOLLOWS:

10. Philip Harty (26.30). 19. Michael Roche (27.13). 27. Tony Harty (27.35). 28. Gerry Cantwell (27.38). 29. Tom Meehan (27.40). 33. Pat Halley (28.12). 40. Finbarr Kelly (28.37). 49. Abbeyside Ladies Soccer Club Notes

Abbeyside played the cup final of the Matt Organ Cup against Rathgormack last Monday.

Abbeyside lined out with a different team and were without the services of Jackie Leahy, Lorna Hurney and Sharon Murphy due to sickness and work commitments. Abbeyside set to work straight away with a brilliant long pass from the injured Michelle Power to Geraldine Hayes who unselfishly knocked on to Sharon (Chocky) Foley who opened the scoring with a well taken goal. Rathgormack were quick to reply with a long ball in to their full forward who struck the ball well to level the scores. This spurred Abbeyside on and Martina Moore took down a high ball to knock it on for 'Chocky' who soloed the ball up the wing and with a blistering shot scored her second goal. At this stage Abbeyside had to switch goal-keepers with Michelle Power who was playing some excellent stuff, going into the goal with a knee injury and Vicki Mullarkey coming out field where she played very well. Geraldines Hayes collected a long ball from her own mid-field and then she took on the Rathgormack defence singlehandedly and buried the ball to bring the score up to 3. The defence for the village played very well with Maeve O'Donovan, Grace Mullarkey, Maggie Tobin

and Eleanor Moore, Sharon Foley, Jackie Cleary and Vicki Mullarkey in midfield were first to everything. Jackie Murphy and Geraldines Hayes combined very well together. Abbeyside came out in the second half with great determination. 'Chocky' broke on to a long pass out from Eleanor and rifled home the fourth. Within minutes Rathgormack were awarded a penalty which was well taken. Abbeyside kicked off again and kept plugging away at the Rathgormack defence and they were duly awarded a penalty for a hand-ball. 'Chocky' stepped up to take it and scored the fifth goal of the game for Abbeyside. Michelle Power pulled off a couple of excellent saves for her first time in goal. Abbeyside were unlucky with a couple of chances just going wide before the final whistle went. The Matt Organ Cup was back where it belonged, in Abbeyside. The team would like to thank Maurice Daly of Radleys who sponsored and presented 2 sets of beautiful medals, Magoo for helping us in more ways than one and Jim Mulhearn who was the referee - well done Jim.

Maeve O'Donovan gladly received the cup.

Team — Vicki Mullarkey, Maeve O'Donovan (Capt.), Grace Mullarkey, Eleanor Moore, Sharon (Chocky) Foley, Jackie Cleary, Martina Moore, Maggie Tobin,

Jackie Murphy, Geraldines Hayes, Michelle Power.

Congratulations to Jackie Murphy, Geraldine Hayes and Michelle Power who completed the womens mini marathon in Dublin. Best wishes from all of us to Martina Moore and Martin Landers on their forthcoming wedding.

Clonea Ladies Bowling News

After three weeks of this month's competition Joan Moloney holds onto top spot, but only just. Joan didn't play particularly well and let the rest of the ladies catch up to her. Her 46 pin lead from last week has been reduced to only 12 pins, but it is a different person in 2nd spot. Libby Walsh now holds 2nd spot but she has only a 3 pin lead over Ivy Ahern. Ivy scored this week's high score of 136 and brought herself up from last week's 10th position. 24 pins behind Ivy is Francis O'Brien in 4th spot with Nancy Daly only 3 pins behind Francis in 5th spot. Mary Looby holds 6th spot, 7 pins behind Nancy while Kathy Gough is 6 points behind Mary in 7th spot. Peggy Hanrahan lies in 8th spot only 3 pins behind Kathy, while Breda Bannon is 7 pins behind Peggy in 9th spot.

As you can see, it is very close and next week should be very interesting to see who eventually wins our last competition before we take a break for the summer. Good luck to all the ladies.

The top 11 placings after week 3 are as follows — (1) Joan Moloney 314, (2) Libby Walsh 302, (3) Ivy Ahern 299, (4) Francis O'Brien 275, (5) Nancy Daly 272, (6) Mary Looby 265, (7) Kathy Gough 259, (8) Peggy Hanrahan 256, (9) Breda Bannon 249, (1) Eileen Gwin 236, (11) Hannah Walsh 231.

MICHEL ADVANCE

It has been a busy fortnight on the playing front with the Causeway competing in 5 summer competitions all at the home venue.

On Sunday week last, June 18, our Div. 5 team of Ger and Anne Howley, Gerry McCullough and Rose McCarthy found the

going tough against a strong Nenagh foursome. This being the clubs first outing at this level, our team must surely benefit from the experience.

On the same afternoon our 'Michel' team advanced to the 2nd round by virtue of a good overall performance against Sunday's Well. Best wishes to Pat Flanagan (capt.), Margaret Cusack, Josephine Fennell and Maria Kelleher.

On Thursday evening last our Carlsberg Div. 3 team were most unfortunate when losing out to Mitchelstown. Trailing by 3 matches to 1 going into the mixed, the Causeway rallied with victories by Austin Kiely and Margaret Cusack and David McGovern and Anne O Grada to tie the match at 3 each. Our first mixed pairings of Owen O'Mahoney and Maria Kelleher brought their opposition to a 3rd set tie-break unfortunately losing by 7-4.

Playing tennis in temperatures in the high 20's is not easy and our Summer Cup team, Div. 4 experienced such conditions on Saturday last, June 24 when taking on Dromalane (Mallow) in the first round of the competition. Not disgraced in defeat many thanks to Liam Moore, Finbarr Dunphy, Jim Kiersey and Marcella McGovern who were called upon to substitute due to unavailabilities of acting captain Jean O'Donovan and Ann Dunphy, completed the

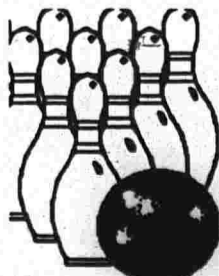

line up.

Junior captain Anne O Grada had a busy day on Sunday last, June 25 with the under-12's competing in the semi final of the Maher Cup Plate competition in the morning followed by the under-16's involvement in the Sunshine Cup. Through to the final are our under-12's being held at Sunday's Well on Sunday next by defeating Lower Aghada 6-3. Plenty of practice now during the coming week for Ursula Browne, Lindsay Keane, Aoife McGovern, Seanie Kiely, Richard Fitzgerald and Richard Mahony.

The Sunshine Cup team of John Wade, Richard Enright, Colm Fennell, Gillian Dalton, Clare Fennell and Moya Verling lost out to Bishopstown on a score line of 6-3.

A number of our juniors attended the Tipperary and Kilkenny opens last-week with Lindsay Keane winning the under 12 girls doubles partnered by Emer Clarke and running up in the under 12 singles at Tipperary. While at Kilkenny, Gillian Dalton ran up both the under-16 girls singles and doubles. Well done to all who participated.

Parents are reminded that on Thursday evening, 4 p.m., Anne Brennan will organise games for under-10 boys and girls at the Causeway, continuing throughout the summer holidays.

Under-16 Premier Football Championship

The annual U-16 Premier Football Championship was held recently at the Friary College in Abbey-side over a period of three Friday evenings. This inter-regional competition, which is now in its fourth years, has established itself as a very successful competitive championship in its own right; however its primary purpose is to help identify the best twenty one under-sixteen footballers to represent the county at the annual residential Og Pheil summer camp which will be held this year from August 22nd to 24th.

TEAMS

For the purpose of this competition the county is divided into four regions: Far West, Mid County, Urban East and Rural East. The Far West emerged as this year's winners, having won all their three matches. The player of the tournament award was won by Ed Beresford of Clashmore. This trophy is presented on an annual basis by the Gaeltacht club in memory of their two players, Pat Tobin and P. J. Rossiter who played together on the mid-county team in 1993 and who lost their lives in a drowning tragedy a few weeks later.

FINAL TRIAL

A West versus East final trial is scheduled to take place on this Saturday (July 1st) afternoon at 3 p.m. in the Fraher Field, Dungarvan. The two teams to play this match will be selected

UNDER 16 PREMIER FOOTBALL CHAMPIONSHIP WINNERS — The Far West (back row, left to right) A. Flavin (selector), J. Fletcher (St. Olivers), Ed Beresford (Clashmore), C. Hennessy (Ardmore), S. Prendergast (Ardmore), M. Supple (Ardmore), Cyril Healy (sponsor), Darrell Donnelly (referee), S. Dower (Ardmore), J. Conway (Ardmore), Tony Morrissey (selector); front — D. Linnane (Ardmore), M. Power (Clashmore), T. Power (Nire), W. Hennessy (Ardmore), S. Flavin (Ardmore), P. Walsh (Nire), S. Foley (Ardmore), B. Wall (Nire).

from the regional teams which played in the Premier Championship. Individual players will be contacted by the selectors before the end of the week. The twenty one players to represent the county at Og Pheil in Limerick University will be selected after this final trial.

SUCCESS OF OG PHEIL

"The proof of the pudding" they say, "is in the eating of it", this is certainly very true in relation to this Premier

Championship and the Og Pheil Summer Camp in Limerick as thirteen of this year's successful county minor football panel were

selected to represent Waterford at this camp two years ago. The other five counties had a similar experience in this regard.

ST. OLIVERS G.A.A. NEWS

Saints Hang On To Take Title

ST. OLIVERS 2-5 ARDMORE 1-2

Despite the drizzle and the wet conditions underfoot, nobody's enthusiasm was dampened for what turned out to be an excellent and exciting Under-14 'B' Western hurling final at Fraher Field last Monday, June 19.

St. Olivers and Ardmore, who had met earlier in the championship, served up some fine hurling in what was a good advertisement for juvenile competition. And as is shown here, as events unravelled themselves, it went right down to the wire.

Not too many chances were to be seen in the opening ten minutes. Ardmore's best came in the fourth minute when, having got possession in the Saints' half for the first time, Wayne Hennessy's long effort went across and wide. Tony Kearns hooked wide St. Olivers first chance. It was on the stroke of ten minutes when Ardmore took the lead thanks to a point from a young lad who certainly knows how to get onto the end of things. Wayne Hennessy got all of Ardmore's scores in this showcase. Following some good goalkeeping from Philip McGrath, Raymond Connery took up

possession and ran, and ran, and ran and following a 90 metre run that Jonah Lomu might have been proud of, he whipped across to Tony Kearns whose first time shot went just wide. The puck-out fell for Raymond who sent it over the bar. After the "Seasiders" had a shot stopped on the line by Eamonn Mernin, Martin O'Brien on the run pointed St. Olivers into the lead. Shots from Raymond Connery and Paul Landers both bounced wide and Ardmore clipped the post before the equaliser was conjured up from a free. At the break, it was 0-2 to 0-2.

Not for long though, 35 seconds after the restart, a deflection diverted Stevie Keane's shot over the keeper and under the bar. A goal. The next score came when Jamie McGrath pointed from a tight angle. After the goalscorer had rolled a shot inches wide, Ardmore came looking for scores, and they got one, Wayne Hennessy slipped it in with his boot. St. Olivers were ahead now by the slenderest of margins and had Michael "Babbins" Carlton and Philip McGrath to thank as Ardmore laid siege on the Saints' goal.

But the pressure was eased as first, Stevie Keane pointed a free, and then, Diarmuid O'Mahoney latched on to Tony Kearns' saved shot to wallop home to the back of the net. Stevie Keane completed the scoring with a point and St. Olivers had amassed a tally of 2-5 compared to Ardmore's 1-2 by the end.

A reversal of fortunes it was, Ardmore had won the previous encounter just a few weeks earlier by 4-9 to 0-2. Having already taken the county under-14 football title, this result means that St. Olivers have done the under-14 Western double.

To great jubilation the trophy was presented to St. Olivers captain Stevie Keane by County Bord na nOg Treasurer Sean Whelan. A quick glance at this piece of silverware shows that St. Olivers had already gained this honour in 1978, 1979, 1989, 1990. The county final, mark this in your diary, takes place in Portlaoise on Friday night, July 7, probably against defending champions Clonsilla.

After the event, all and sundry made their way to Mac's Restaurant to feast on the various delicacies on offer.

St. Olivers — Philip McGrath, Ken McGrath, Eamonn Mernin, Ger O'Donovan, Aidan O'Connell, Tom Kiely, Eoghan Walsh, Raymond Connery, (0-1), Michael "Babbins" Carlton, Martin O'Brien (0-1), Stevie Keane (1-2), Jamie McGrath (0-1), Paul Landers, Diarmuid O'Mahony (1-0), Tom Kearns. Subs. — John Murray, Liam Nugent, Kevin Guiry, Declan Roche.

Referee Roger Casey of Colligan had an excellent match.

UNDER-12 HURLING

St. Olivers faced Abbeyside on Monday, June 26 in Aglish in their fourth match of the championship. Report next week.

THE LADIES GAME

That under-12 encounter was the second St. Olivers v. Abbeyside clash of the evening. The two clubs under-14 ladies football counterparts had already met in the 'B' championship at 7 p.m. A report on this too next week.

Congratulations to the Waterford under-14's who have qualified for the All Ireland final thanks to a facile victory over Mayo. One of the selectors is St. Olivers Pat Tobin. And to round off, best of luck to Waterford who take on Mayo once more in the National League final replay.

DEISE DRAW

Friday night sees the draw come to Aglish, the host club being the Geraldines.

Naomh Brid G.A.A. Notes

UNDER-12 LOCAL DERBY

On Sunday evening last in the Mill Field we played Fourmilewater in the under-12 hurling championship. We started well with a point from Colm Geary. Fourmilewater hit us with a couple of quick goals. Our players never gave up and they fought for every ball up to the final whistle. The biggest cheer of the first half was when Matthew pulled off a terrific save. David played some excellent first time ground hurling. Denis and John played very well in the backs. Overall, everybody put in a good effort but we were up against a very strong Fourmilewater team. The final score was Fourmilewater 7-1 Naomh Brid 1-4.

Naomh Brid — Matthew Cashman, Justin Power, John Queally, Stephen Cliffe, John Myles, Denis Coffey, David O'Donovan, Colm Geary (0-1), Jimmy Buckley, Paudie McCarthy (0-1), John Ahearne (1-2), Colin Gleeson, Jonathan Webster, Paul Gleeson, Darren O'Connor. Subs. — Willie Power, Seamus Power, Neil Fenton.

UNDER-10 FOOTBALL

Our under-10 footballers are due to play Abbeyside on Thursday evening at 6 p.m. in Abbeyside. We will have two teams in action here so it is vital that everybody turns up. The bus for the players will leave Touraneena at 5 p.m. and Modeligo at 5.10 p.m.

SPONSORED WALK

The club is holding a sponsored walk in Touraneena on Friday, July 28. We are asking all players to make the effort and sell as many lines as possible.

MINOR FOOTBALL

The 'B' minor football play-off against Killorossanty is due to be played in Abbeyside on Friday evening next. The winners will play Killorossanty in the quarter final. The quarter final winners will play the winners of the Shamrocks/St. Olivers v. Ring matches.

UNDER-12 HURLING

Our under-12 hurlers play Colligan on Thursday evening in Abbeyside at 6.45 p.m.

Kilgobinet/ Colligan G.A.A. Minor Notes

UNDER-12 HURLING

We travelled to the Cathedral Town on Saturday morning last and although the sun shone brightly Lismore got the better of us and we were defeated. Our team didn't play to its usual high standard, but that doesn't take from the great skills displayed by both teams in this game.

As runners-up, we await news on who we meet next.

Team — M. Flynn, P. Norris, D. McGrath, W. Hennebry, D. Hurley, J. Wall, S. Kennedy, S. Cass, B. Flynn, B. Lynch, W. Kiely, T. O'Brien, B. Hickey, J. Hickey, J. Cass. Subs. — J. Dunford, T. Fahey, M. McGrath, A. Browne, E. Cullinane.

UNDER-16 REMINDER

Just a reminder that Bohadon is the venue to meet St. Olivers on Monday night next at 7.30 p.m.

CEAD MILE FAILTE

We are very honoured in our parish at present to have on holiday thirteen children from Belarus, Russia. They are staying with families in the parish for a month. This week they went to school in Coolnasmeear and it was a very happy experience for everyone concerned to see how well everyone integrated. I think some of us were expecting frail children and were anxious about how things would go. Well, we need not have worried, because children being children, they have won the hearts of all who meet them. There is a great exchange of English/Russian and "sign" language going on and it is a happy experience all round. Congratulations to everyone concerned and we extend a big welcome to Igor Stupakov, Alexander Savostyanov, Alexei Palevich, Andrei Karpouich, Vladislav Sidorski, Vasili Zherdetskyi, Alexander Khlushchenkov, Maria Kopylova, Iliana Ignatenko, Mariya Yashchenoi, Oksana Leschenko, Svetlana Khalynkova, Anna Maltseva and interpreter Galina Shestaeva.

PATRICIA WALSH TOURNAMENT FUND

The final of the Patricia Walsh Cup will be played on this Sunday, July 2 at 12 noon. Raymond Barron's team will play Seanie Hickey's team in this long awaited match which was due to be played since last season. It promises to be a most enjoyable and well contested battle.

Pictured above are the Dungarvan C.B.S. Rice Cup team being presented with a set of jerseys by William Scanlan in memory of his son, Thomas Scanlan, R.I.P. Dungarvan defeated Lismore C.B.S., Midleton C.B.S. and Youghal C.B.S. before losing to Limerick C.B.S. in the quarter-final of the Rice Cup. UNDER 9, UNDER 10 AND UNDER 12 HURLING LEAGUES

The finals of the hurling leagues will take place on Friday next, 30th June at the Club Grounds, commencing with the under 9 final at 6.30 p.m.

The under 9 final will play for the John Meehan Perpetual Cup. The under 10 final for the Billy Kiely Perpetual Cup. The under 12 final for the John McLoughlin Cup.

The medals for the leagues have been kindly sponsored by the local garda Siochana for which we are most grateful.

On behalf of the Juvenile Club we would like to thank all who prepared the boys for this big event over the last number of Saturday mornings. It's a pity more parents don't take an interest at this level and we would appeal to them to come forward and help with the football leagues which will commence in the autumn.

UNDER 12 HURLING

On last Sunday morning we played Ardmore in this grade and were victorious on the scoreline of 3-3 to 1-3.

UNDER 14 HURLING

On Monday night last we were defeated in the under 14 hurling championship by Fourmilewater on the scoreline of 1-4 to 0-5.

This was a very good game of hurling and it was a case of who was going to score a goal and go on to win. Dungarvan hit the cross bar, and Fourmilewater scored the vital goal thus running out winners.

We would like to wish them the very best of luck in the county final.

UNDER 16 HURLING

By the time these notes are printed we will have played Lismore in the first round of the championship. Results next week.

On next Monday night, July 3rd we travel to Tallow to take on the home team in the second round — another tough game is in store.

With six teams in the "A" division and every one fairly well balanced, it should make for a good championship with each team getting five games in the league section. The top team goes to the western final, and second and third meet in the semi-final. More details later.

JUNIOR FOOTBALL

On last Friday night at the Colligan venue we took on the Nire in the junior football championship. In a tough but sporting game where some of the best junior football was played for some time we trailed at the interval on the scoreline 0-3 to 0-7. In the second half we came back strongly and played some very good football but our finishing let us down and as a result the Nire went on to win on the scoreline of 1-7 to 1-6.

SENIOR FOOTBALL

On Saturday night last at Kilmacthomas our opponents were a very fancied Gaultier team. This was a tough game of football and we seemed to be back to playing the type of football we are capable of, but silly mistakes and lack of discipline meant we gave away some silly scores and we trailed at half time 1-4 to 5 points. For most of the second half we dominated the exchanges and once again showed how good we can be when we play football, but our lack of finishing let us down and we lost on the scoreline 2-12 to 12 points.

WEDDING BELLS

We would like to extend congratulations and best wishes for a happy married life to Sean Killigrew and Virgil McCarthy who were married recently.

SYMPATHY

From all in the club we extend our deepest sympathy to clubman John Horgan, on the recent tragic death of his aunt Anne Looney. Ar dheis De go raibh a hanam.

LOTTO

The monthly lotto numbers drawn on Sunday were 18, 16, 7. No winner. Next week's jackpot €900.

MEETING

Meeting of executive on Thursday night, 29th at 8 p.m.

Kilgobinet GAA Club Notes

JUNIOR FOOTBALL CHAMPIONSHIP

Kilgobinet 2-5
Colligan 2-9

Both teams served up a good close game with play swinging from end to end. At the final whistle Colligan had run out victors.

Our focus now switches to the junior hurling championship when we take on Modeligo on Thursday, June 29 at 8 p.m. at the Cappoquin venue.

WELL DONE

Congratulations to Kevin Walsh on scoring a magnificent goal to keep Waterford in the junior hurling championship. Best of luck to Kevin and the team in the replay.

BEST OF LUCK

Best of luck to all our supporters on Friday next in the Deise Development Draw which is hosted by the Geraldines Club.

WELCOME

Welcome to our Chernobyl visitors as many of them are guests of our club members.

SENIOR FOOTBALL CHAMPIONSHIP

Good Win For 'Courty

BALLINACOURTY 0-16 NEWTOWN 0-5

This was a very lively game and not quite as one-sided as the final scoreline indicates. Ballinacourty were clearly the better side on the night, but Newtown contested every ball and tried all the way to the end. It was played before a small crowd at Leamybrien. Ballinacourty led by 0-12 to 0-2 at half time.

Scorers: Ballinacourty — M Cosgrave 0-5, D. Cliffe 0-3, M. Enright 0-2, J. Mulligan 0-2, B. Landers, G. O'Connor, S. McGrath, J. Kiely 0-1 each. Newtown — M. Hubbard 0-2, P. Lawlor, N. Griffin, A. Hubbard 0-1 each.

Shamrocks G.A.A. Notes

INTERMEDIATE FOOTBALL WESTERN CHAMPIONSHIP

Our third round game with Brickey Rangers fixed for last Sunday at Cappoquin was called off at the weekend and we expect that it will be refixed for a later date.

At the time of writing we don't know if we will have an intermediate game for the coming weekend and we would ask our supporters to check with the Board's fixture list in this issue.

In the meantime, Shamrocks v. Tallow minor footballers will be playing St. Olivers in the 'B' championship at Cappoquin on this Friday evening.

UNDER-14 WESTERN HURLING CHAMPIONSHIP SEMI FINAL

An Rinn 4-2 Shamrocks 2-2

This game was played at Ardmore on Monday evening of last week and the score does not do justice to the efforts of four young team who, like our under-12's, had most of the play but were unable to get the scores to win the game.

UNDER-16 HURLING WESTERN 'C' CHAMPIONSHIP

We will be away to Brickey Rangers in the first round on Monday evening next, July 3 at 7.30 p.m.

Last Round Of Senior Football Fixtures

Round 7 of the senior football championships which is the final round, will be played on the weekend of July 22.

Dungarvan v. Kilmacthomas at Leamybrien, July 21 at 7.30 p.m. Nire v. Tramore at Kilmacthomas, July 22 at 6.45 p.m. Kilrossanty v. Gaultier at Kilmacthomas, July 22 at 8 p.m. Stradbally v. Rathgormack at Kill, July 22 at 7.30 p.m. Ballinacourty v. Butlerstown at Leamybrien,

July 22 at 7.30 p.m. Dunhill v. Sliabh gCua at Dungarvan, July 21 at 8 p.m. Newtown v. Affane at Fraher Field, July 22 at 8 p.m. St. Saviours v. Bonmahon at Tramore, July 21 at 8 p.m. Sliabh gCua v. Bonmahon at Fraher Field, August 6.

All going well with the above programme, the Board will be well on course for a county final well in advance of the start of the football league in mid-October.

POC FADA

The provincial final of this competition will take place before the Munster senior hurling final at Thurles on July 9.

In order to produce a representative from Waterford, a county competition will take place at Fraher Field on Monday evening next at 8 p.m. and every club is invited to send a representative. Only one rep. per club will be allowed to participate. The competition is organised on behalf of the County Board by Jimmy O'Gorman and Brendan Tobin.

The provincial winner will go forward to the All Ireland which takes place on the Cooley Mountain on August weekend.

We are one of the very few counties to have won the national Puc Fada, when Shamrock's Billy Tobin took the trophy several years ago. Our last representative on the Cooley Mountain was Michael Phelan, Modeligo. Michael was a former county goalkeeper.

Senior Football Situation

A lot of sorting out was done over the weekend and with the Nire, Dungarvan and Stradbally among the losers, a number of clubs including Kilrossanty, Gaultier and Tramore will breathe a little more easily.

As the picture become clearer in Div. 2, we can see Ballinacourty and St.

Saviours emerging as the qualifiers.

In Div. 1 however, complications are beginning to set in for two or three clubs as at the moment, Rathgormack are the only club certain to make it through to the semi finals. Stradbally's defeat by Tramore puts them in trouble as their final two games are against Gaultier and Rathgormack and in their present form their chances are anything but good. Kilrossanty with six league points will have to play Nire and Gaultier and both are tough assignments.

Tramore have an outside chance and the Nire still have a very slim chance of qualifying, but all these are depending on results of other games. Dungarvan with just one remaining match are out of contention as are Kilmac'.

Interestingly, the Nire and Dungarvan who have won the last five county titles in the nineties could produce one of the clubs to come down to Div. 2 along with Kilmacthomas.

Contrary to what was generally thought several weeks ago, it is only now that the championship is becoming really interesting.

SENIOR FOOTBALL CHAMPIONSHIP

Rathgormack Just Hold On

RATHGORMACK 0-11 NIRE 0-9

This was probably the best of the senior games played over the weekend and the result remained in doubt right up to the final whistle which saw Rathgormack just hold on for a two point win.

Rathgormack, strong in every sense of the word, went into a 0-5 to 0-1 lead in the 18th minute, but at this stage the county champions, playing against the

breeze, took over and were on level terms by half-time at 0-6 each.

After the start of the second half, the Nire continued to control things and went ahead when Michael Guiry and David Ryan pointed them into an 0-8 to 0-6 lead by the 35th minute. In the 44th and 45th minute, Rathgormack had points to level the game and them went

ahead with three Martin Power points to give them a three point lead coming up to full time when Michael Guiry pointed for the Nire from a free.

Scorers: Rathgormack — M. Power 0-6; E. MacPadin 0-2; J. Murray, T. Dee, and Dan Crotty 0-1 each.

Nire—Ml. Guiry 0-6; P. Walsh, B. Kearney and D. Ryan 0-1 each.

Final Quarter Goals See Saviours Go Through

ST. SAVIOURS 2-12 SLIABH gCUA 0-8

Two goals in the final quarter put paid to Sliabh gCua's chances after they had come within two points of the winners in this sixth round game at Fraher field on Sunday afternoon.

Saviours, who had the advantage of the breeze in the first half led by 0-9 to 0-4 at the break and on the turn over began to whittle down the difference. By the 9th minute it was 0-9 to 0-7 and the game looked to be hanging in the balance until Liam Quilty's goal in the 18th minute and which was followed by another from the boot of Michael O'Brien in the 20th minute.

Scorers: St. Saviours—L.

Quilty 1-1, A. Healy 0-3, M. O'Brien 1-1, T. Higgins 0-2, T. Corcoran 0-2, D. Jacob, J. Barden and G. Keane 0-1 each.

Golf Classic

The Golf Classic which was held over the weekend at Knocknagranagh golf course, in aid of County Board funds, was a huge success with in excess of 50 teams participating. The organisers were very pleased with the support given to the event and the County Board Chairman who was present at the presentation of prizes on Saturday night, paid tribute to the organisers and to the club for allowing the competition to go ahead over the weekend. He said from the Board's point of view the undertaking was an outstanding success, thanks to all concerned. The classic was won by the Kilrossanty club team.

Already a number of teams are definitely out of contention and for those, their matches are nothing more than a matter of form.

MOUNT SION V DUNHILL

There is little point in previewing this one which is scheduled to open the programme at Portlaw, as Mount Sion must be given an overwhelming vote of confidence to win the match very decisively against Dunhill who have yet to win a single league point.

PASSAGE V CLONEA

It is only in the last two games that Passage, who were runners-up to Mount Sion in the county final last year, have found their true form. They are said to be approaching their best now and will be warm favourites to defeat Clonea who are one step away from the bottom of the league table.

LISMORE V DE LA SALLE

Lismore had a worrying set-back in their first two matches in this championship but bounced back to their real form when accounting for Roanmore and Dunhill in their last two matches. A defeat here would leave them in trouble, but I doubt if this is going to happen. It won't help De La Salle's confidence to remember that they came off second best in a 3-16 to 1-10 scoreline when the teams clashed at Fraher field last year. This game at Cappoquin on Friday should see Lismore with a total of six points and in a challenging position for a place in the K/O stages.

BALLYGUNNER V ROANMORE

Roanmore are certainly not having the best of luck up to now, having suffered a number of very narrow defeats. At the moment they are trailing Ballygunner by six points and were beaten

by them in last season's championship, so I cannot see them upset things here and a vote of confidence is given to Ballygunner. This game will be played at Portlaw on Thursday evening.

TALLOW V ERIN'S OWN

It's been a long time since these clubs crossed camans in the senior championships and for many old timers their meeting will revive memories of clashes in the good old days.

Since their promotion this year, Erin's Own who are the intermediate champions of 1994, have suffered only one defeat and that was against Ballyduff.

Tallow have been beaten twice, but in their most recent game, which was against Four-Mile-Water, they played very good hurling and gave notice that they are not gone out of contention just yet.

A defeat here would put them out and with no chance of recovery. So this is decision time for Tallow. I'll be surprised if they fail to take the points.

DUNGARVAN V FOURMILEWATER

As far as Dungarvan are concerned, this is just a fixture that must be fulfilled as regardless of the result, they are out of contention.

Four-Mile-Water badly need to win if they are going to keep their chance of getting to the K/O stages, alive. Four-Mile-Water may be at full strength for this tie at Colligan and they should win it with something to spare, unless Dungarvan show remarkable improvement.

SAVIORS V STRADBALLY

Saviors will be favourites to win this, but it won't get them anywhere as they are already, like Stradbally, gone out of contention. Stradbally are without a point so far and look destined for relegation. A win for Stradbally could create problems for Dungarvan.

PORTLAW V BALLYDUFF

These clubs are joint leaders in Division 2 of the

league section. They each have seven points. As I see the situation, the loser of this game will likely surrender its position to Four-Mile-Water or Erin's Own, depending on other weekend results. When they clashed last year Ballyduff had the better of things and won quite convincingly on a 3-5 to 0-9 scoreline.

Both teams are playing very well this year and both are unbeaten so far. Each played a draw with Four-Mile-Water, so on this basis there seems to be very little between them. Ballyduff may have the slight edge.

J/H/C KILGOBINET V MODELIGO

Kilgobinet will be favourites here, if Modeligo's form to date is a reliable indicator. Modeligo's only victory to-date is against Glen Rovers, whom they beat by a single point. Kilgobinet, on the other hand scored a ten points victory over the same opposition. This game will be played in Cappoquin tomorrow, Thursday evening.

MINOR FOOTBALL PLAY-OFFS

The Western Board are re-servicing Friday evening next for the minor football championship play-off games. All games are in division 2 of this particular championship. St. Olivers had the unusual experience recently of scoring 6-6 in the minor football championship and losing the game to Kilgobinet. They may have better luck against the Shamrocks at Ardmore tomorrow night.

Kilrossanty will be firm favourites to beat Naomh Brid at Abbeyside and Clashmore may just about prove too good for Stradbally at Leamybrien.

Affane and Brickeys travel to Colligan to sort each other out in their play-off game and this may go Affane's way.

The four winners will play in the quarter finals of the 'B' championship.

JUNIOR HURLING GAMES

Five games are listed and some of these will provide good fare while others will be of the mediocre variety.

GERALDINES V ARDMORE

If one is to take a line through Ballinameela, then Geraldines are the form team here. Also the Geraldines narrowly defeated Kilgobinet recently and this should boost their confidence. Geraldines are the Junior champions and are in with a fair chance of retaining the title.

LISMORE V RING

This is a second string Junior hurling game and it should provide no problem for Lismore as Ring are very weak in this grade, as seen by results so far.

AT FRAHER FIELD

An interesting double-header here on Sunday afternoon should provide good entertainment for patrons of the four clubs involved.

In the first match Clashmore take on Ballinameela in what is expected to be a tight contest, Clashmore are slight favourites and will likely win.

In the second game, Tourin play Kilrossanty and again it is expected that there will be very little between them at the end.

With victories over Modeligo, Geraldines and Ardmore, Tourin are cruising along nicely and may take the points in this one also.

ABBEYSIDE V CAPPOQUIN

The second string team of these clubs are not going to set the world on fire, but for the two clubs involved, the contest will be interesting. Both have a couple of wins to their credit, so the result will help the winners up the league table.

OUTSTANDING GAMES

The G/A/C have announced that the two outstanding senior football games which were deferred because players were required by the county teams, will be played as a double-header at Fraher field on Saturday July 20th, Kilrossanty V Nire at 6.45 p.m. and Stradbally V Gaultier at 8 p.m.

When these matches are decided the league section of the championship will have been completed and the quarter finals can be played in August.

Waterford Minor Hurlers Play Tipperary

This very attractive and much talked about Munster semi final is certain to bring a huge crowd of Waterford supporters to Fermoy, on tonight (Wednesday).

Since our 2-16 to 4-4 win over Clare in a thriller at Bansha in the first round, the panel have been preparing for this one and have played some top class opposition, obviously designed to sort out a few problems which exposed themselves in the Bansha match.

There is no doubt but that the selectors heard the alarm bells sound when Clare scored four fairly fast second half goals and at the same time were able to score only a single point (from a free) in the same period.

The result of their deliberations is that three changes have been made on the side and another position has been left open while they await a fitness test on Owen O'Sullivan, Fourmilewater, before finalising the right half back position.

Goalkeeper Trevor Flynn, Owen Murphy and Tom Veale are out and on to the team comes David Fowler of Passage, who takes over in

goal, Liam Kelly, Erin's Own, at full back and the left corner position is taken by Freddie Kelly, who was full back against Clare. Shane Flynn, Mount Sion, who was introduced as a substitute in our last match, is placed at centre field where he will partner Michael Molumphy at centre field. A full vote of confidence is given to the six forwards who are positioned as they played against Clare. They are Dave Bennett who scored 8 points against Clare, Dan Shanahan who scored 1-3, Jamie O'Meara 0-3, Michael White who had a goal, Anton Lennon and Michael Murray.

Last year, also at Fermoy we defeated Tipperary by a single point in a thrilling semi-final before a huge crowd. The score on the night was 2-10 to 0-15 and what a relief it was when the last whistle sounded on that warm and sunny evening.

The team had a run on the Fermoy pitch on Saturday last and immediately after the team was announced and is as follows, without substitutes:

RESULTS ROUND-UP

SENIOR FOOTBALL CHAMPIONSHIP KILROSSANTY 3-10 KILMACTHOMAS 0-5

Following on their win over Dungarvan, Kilrossanty were caught in tip form again here against Kilmacthomas, who obviously had no answer to the power of their tremendously determined opponents who led by 3-5 to 0-2 at halftime.

The winners goals came from Nial Connors in the 5th minute, Nial Kirwan in the 9th and from Jim Maher who was fouled in the 19th minute and converted the resultant penalty. It was a good performance by Kilrossanty and it will certainly keep their prospects alive,

TRAMORE 4-10 STRADBALLY 2-5

It was Stradbally's poorest display for a very long time and their biggest defeat in years. It was a day on which any of their stars did not shine and nothing seemed to go right for the Reds who were regarded as strong challengers for the title. With Gaultier and Rathgormack to be played in their final games, the picture as far as they are concerned, is not looking very rosy, but

they have been known to raise from the ashes before. Brian Arrigan for Tramore was the tormentor in chief and kept bobbing up in the strangest of places throughout the hour.

A first kick of the ball by substitute Michael O'Donoghue resulted in a gift goal for Tramore who led 1-5 to 0-2 at halftime.

Second half goals by Sean Martin, Nial Brennan and Gerry Goodwin sealed the issue in their favour. Stradbally's goals came from Oliver Costello and Jamie Weldon, who scored in the 60th minute.

BALLINCOURTY 1-16 AFFANE 0-4

Ballincourty who fielded the same side which defeated Newtown three days earlier, were clearly on top in this game played at Colligan and a halftime were 0-10 to 0-2 in front.

Affane failed to repeat the good form which they produced for 50 minutes of the game against Saviours and were never really in with a chance.

OTHER RESULTS

The defeat of hot favourites, Dunhill by Bonmahon was as big a surprise

as one could expect and the result probably ruins Dunhill's chances of qualifying. It is very rarely that we see the intermediate county champions faring as well as Bonmahon have, in their first year in the senior championships.

Butlerstown made the news also over the weekend when winning their first game of the championship and relegating their neighbours, Newtown to the bottom spot on the league table.

WESTERN BOARD GAMES

The double-header fixed for Cappoquin on Sunday afternoon was put back until last night, Tuesday.

The intermediate football game involving, Faha and Ballinameela was played at Fraher field on Sunday evening and for most of the way, it was a very enjoyable contest. An Enda O'Regan goal in the 12th minute helped Faha to a 1-6 to 0-5 lead. Goals by Kieran Power in the 40th and 54th minutes sealed the issue for Faha. Kieran Power contributed 2-3 of Faha's total of 3-9. Eamonn Walsh scored Ballinameela's only goal with time running out. Final score 3-9 to 1-9.

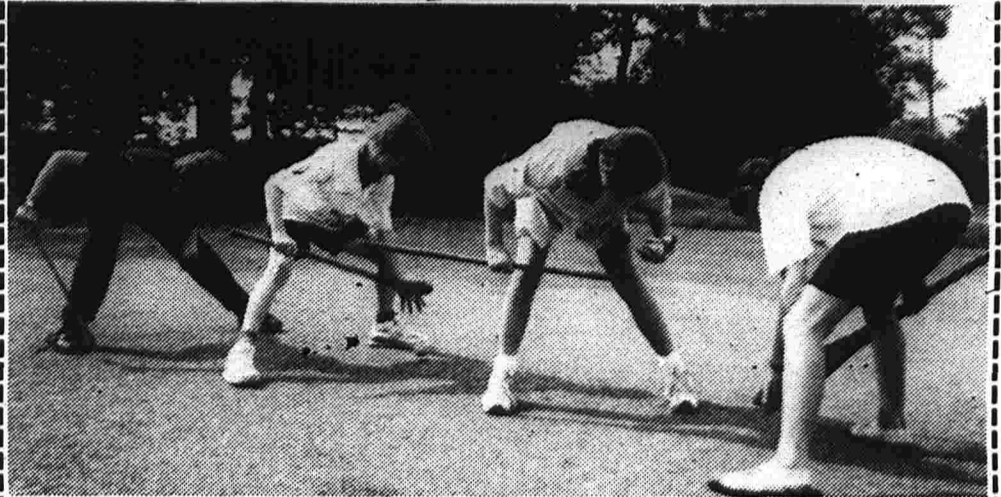

In junior football, Emmetts scored a four points win over Kilgobinet in a very well contested game at Fraher field on Saturday evening. There was quite a bit of needle in the game but it could not be described as unsporting with referee Declan Glavin keeping things under control.

Emmetts led by 1-4 to 1-2 at halftime, but an early second half goal for Kilgobinet put spice into the game which developed into a battle royal for the remaining 20 minutes. A Kenneth Walsh goal in the 51st minute changed the trend of the game in favour of the winners.

Ruling On Paul Foley

The Management Committee of the G.A.A. have ruled that Paul Foley is eligible to play football with Gaultier as well as hurling with Ballygunner. There was a difference of opinion about his situation following a letter from the player to the last meeting of the County Board and as a result it was decided to seek a ruling.

Players Of The Future

BALLYCURRANE N.S. — Boys and girls learning one of the skills under Sceim Iomana na nOg in this two-teacher school.

As the county hurling finals are due to be played at an Eastern venue this year we may have the county final as one of the first fixtures in the new Walsh Park?

SYMPATHY

Our sincere sympathy is extended to the Donnelly family, Cloneeey Terrace, on the recent death of Michael. The Donnelly family had a very long association with the games through their membership of the Dungarvan club. Ar dheis De go raibh a anam.

Referees On Duty

Pat Moore will be on duty for the Cork versus Limerick Munster minor hurling semi final on tonight.

Last week, Ballinameela referee Declan Glavin did a splendid job in handling his first inter-county game involving Cork versus Clare in junior football.
