## Council Members Warn Of Massive Traveller Invasion

Waterford County Council have strongly criticised what they have termed as a "massive invasion" by the travelling community, particularly in the Western end of the county. The recent influx of new age travellers and illegally parked caravans in scenic areas around the county was the subject of a lengthy and at times acrimonious discussion at last Monday's meeting of the Council.

**BY AISLING  
CONROY**

The overwhelming message arising from the meeting was that the majority of rural based public representatives are fed up with the Council's limited powers to deal with the situation and claim that rural Ireland is living in fear as a result of this recent "invasion."

The entire debate was sparked off by the newly published "Task Force" Report on the travelling community which puts forward various recommendations on the needs of travellers,

such as the immediate provision of permanent halting sites for travelling traders, in an effort to give the settled community a deeper insight into the culture and lifestyle these people enjoy.

The report however was given a critical review by many members, including Cllr. Billy Kyne, who stated that by providing sites for travelling tradespeople, the Council would in effect be spending money to subvert people who have left their homes to compete with

local bona fide established traders who pay taxes and rates. "It's beyond belief," he exclaimed.

"SOUL DESTROYING" In the last few months, Cllr. Kyne said, he had seen "young able-bodied men and women" with children,

begging in Grattan Square. "It's soul destroying to see a child singing in a supermarket for money," he said, adding that these children were being severely exploited by their parents.

"The level of hostility towards the travelling community is...

A quantity of cannabis plants was found by Dungarvan Gardaí last Thursday, August 24, on private property in a wooded area in the Knockanore district.

The illegal plants, from which the soft drug cannabis resin is made, was found through excellent police intelligence.

## Letter To The Editor

### AN ENTERTAINING AND INFORMATIVE READ

Dear Sir,  
Having just spent a thoroughly enjoyable holiday in the Dungarvan area, I had occasion to read your newspaper.

I found it most entertaining and informative and learned a lot about your part of the world through the pages of the Leader.

One thing irked me though, if you'll forgive me for being slightly critical. I refer to an item in the Lisamore Notes. It had to do with a possible visit to that district by Prince Charles of England.

Whatever about the pros and cons of such a visit, it

was the language used which I found offensive. A litany of "His Highness", "His Grace", etc., I found totally out of place in an Irish newspaper. The grovelling toady approach would have been more at home in the Belfast Telegraph or some such publication. I thought Waterford folk were made of sterner stuff!

Anyway, sorry I have to be critical. Keep up the good work!

Yours sincerely,  
MARY IVEAGH,  
32 Lr. Kimmage Road,  
Harold's Cross,  
Dublin 6w.

## You And Your Money

### THE POUNDS AND PENCE OF GOING TO COLLEGE

The CAO offers are out and the places have been secured. Now the scramble for accommodation, registration and getting the books together. It's money at every turn. The abolition of college fees from next year will be welcomed by most parents. For the remainder of this year, fees will be charged at half the rate and next year there will be no fees for most third level students. But what of the living expenses for students? These are increasing all the time. On average, the college year is about 36 weeks. A rough guide to the weekly costs is as follows:

Student living at home:  
Their keep at home £13  
Books/equipment £8  
Clothes/laundry £6  
College food £15  
Pocket money £10  
Travel £8  
Total: £60  
Student Living away from home:  
Rent/Food (or digs) £50  
Books/equipment £8  
Clothes/laundry £6  
College food £15  
Pocket money £10  
Travel £18  
Total £107

It must be stressed that this is a very rough guide indeed and will vary significantly from situation to situation. For students who qualify for a maintenance grant, the shortfall to be made up by parents can well be in the region of £60 per week, i.e. over £2,000 per year. If cases where there is no help towards maintenance, this bill can rise to £4,000+. This constitutes a hefty blow to most family budgets. A wise precaution at this stage is for parents to work out in detail the way this will affect their finances over the coming months. Students, too, must work out their budget plan and have a major responsibility to keep spending well within the limit of what their parents can afford. Stories of students being unable to manage their finances and

cutting back on essential food items are all too common. Going to college is an exciting time indeed but commonsense must prevail.

The Money Advice & Budgeting service is there to help you work out either a family or an individual student budget.

Notes for this column are supplied by the Money Advice and Budgeting Service, 36, Lower Main Street, Dungarvan. Telephone 058-44922. The main purpose of this service is to assist people in dealing with their existing debt difficulties and to help to begin to manage their own resources. It is part of the national MABS network. The service is free, confidential and independent and appointments can be arranged for any area throughout West Waterford.

munity is rising," he warned. "It's enough to make people sick, seeing people in the Square begging," he added.

Another flaw in the taskforce report, claimed Cllr. Kyne, was the lack of funding identification to enable local authorities carry out these proposals. All that is put forward in the report, he claimed, is a collection of "pious platitudes" towards the travelling community.

As a more practical solution to control the movement of transients, Cllr. Kyne submitted that a register be drawn up to identify where particular travelling families reside in the main, and their location at any given time.

## GRAVE PROBLEM

Tallow based Councillor, Willie McDermott, claimed that in the past 6 to 8 weeks the districts of Tallow and Lismore had been invaded by members of the travelling community, "Public houses have to close their doors when travellers are in town and private property owners are living in fear," he declared. "Gardai are urging people to lock up, and the situation needs to be addressed — it is a 'very grave problem,'" he said.

Likewise, Cllr. Nora Flynn, who said she was inundated with complaints about new age travellers, declared that halting site residents should pay rent and water taxes, just like Council tenants.

The Cappoquin publican claimed she had received a telephone call last week telling her to close up her

premises because of a "ram-page" in Lismore.

## RIGHT TO REFUSE SERVICE

Continuing, Cllr. Flynn spoke of her concerns over the proposed legislation by the Minister for Equality and Law Reform, Mervyn Taylor which would effectively scrap business people's right to refuse a service without giving a reason.

Included in the list of recommendations set out in the report is CR 3.1: "that the Equal Status Legislation would prohibit:

— policies and procedures that discriminate against Travellers' culture and identity;

— the exclusion of Travellers just because they are Travellers, from the normal benefit of goods, services and facilities;

— the segregation of Travellers in the general provision of goods, services and facilities unless this is for reasons of positive action."

Another recommendation outlined in the report is CR5.1 "that Equal Status legislation would clearly identify that neither direct nor indirect discrimination against Travellers could be justified on the grounds of potential financial disadvantage to the provider."

In light of these recommendations which, she claimed, would severely damage the livelihood of countless businesses throughout the county, Cllr. Flynn proposed that the Council call on Minister Taylor "to ensure that the

proposed Equal Status legislation is balanced and fair and does not seriously undermine business confidence and unnecessarily clog the courts with litigation and claims for damages and discrimination."

The proposal was seconded by Cllr. Jackie Fahey.

## IMBALANCED DOCUMENT

Also strongly critical of the Taskforce Report, Cllr. Austin Flynn described the document as being "totally unbalanced" with no reference to travellers responsibilities.

Citing the example of Ballinard beach near the Ballinacourty lighthouse, Cllr. Flynn said a number of New Age Travellers are currently encamped on the site, where, he claimed, they are living in "absolute squalor." "You can't drive down or walk down there," he stressed, "equality has a price tag and that's responsibility."

While supportive of travellers who don't interfere with the environment, Cllr. Flynn said a large number of caravans are illegally parked in grass margins and scenic spots around the county which they have despoiled with debris and rubbish. "If I emptied the boot of my car in Grattan Square, I would be prosecuted, and it's time that the laws of the land should be made equal."

"Respect," he added, "goes both ways."

## LOCK ON EVERY DOOR

Citing the long, hot summer as a major reason for the influx of travellers, Cllr. Ollie Wilkinson warned members that the current situation West of Dungarvan in the Youghal, Tallow and Ballyduff areas is very serious. "There's a lock on every door in rural Ireland," he stressed.

Reechoing Cllr. Kyne's suggestion of a special register to monitor the movement of the travelling community, Cllr. Wilkinson felt however that the taskforce's recommendation of the provision of halting sites was a definite non-runner.

## ONUS ON COUNCIL

Meanwhile, in total support of the Taskforce Report's recommendations, Cllr. Tony Wright described the document as worthwhile. Instead of embroiling themselves in 'emotional talk,' Cllr. Wright said Council members should instead be trying to identify a suitable halting site for travellers.

Irish society, he added, has to acknowledge their existence and while a certain element of travellers were involved in petty

crime, Cllr. Wright urged members to put things into perspective.

With regard to the current situation in the Ring/Windgap area, where residents are up in arms over an illegal influx of caravans, Cllr. Wright said the travellers were there as there was no other site available.

"It is the responsibility of the Council to provide a halting site. From Passage East to Knockanore, Dungarvan is the only town with a halting site," he further added.

In support of Cllr. Wright, Cllr. Ciaran Ó Riain said travellers were human beings and that the Council should report back to the Department that unless and until finance is received, there's not much the Council can do to alleviate the current impasse.

## HANDS ARE TIED

Responding to the many concerns voiced by members, Acting Co. Manager, Brian McNally, reported that 1995 had been a particularly bad year with regard to the inflow of travellers to the county. This summer, he said, caravans had spread to many areas which had previously remained untouched by the travelling community.

Fourteen families were camped at Caliso Bay, Ardmore, while only one caravan remained at Goat Island, he disclosed. Plans are currently underway to erect barriers at Caliso Bay which, Mr. McNally claimed, would be an effective method of keeping caravans out.

The Council's hands in the matter are tied however, as both the Gardai and local authorities have very limited powers when dealing with illegally parked travellers.

Mr. McNally revealed however that after a certain time frame of approximately 30 days, the Council can prosecute the land owners on which the travellers are encamped for allowing them onto the land — which of course is not normally the case.

With regard to the provision of halting sites, Co. Engineer, John O'Flynn revealed that the Council has looked at 14 possible sites, one on the outskirts of Waterford City.

The powerlessness and frustration of members was summed up by Council Chairman, Cllr. Oliver Coffey who said there was not an awful lot the Council can do at this moment but let time play its part.

It's clear however that the old 'laissez-faire' attitude of public representatives towards travellers is gone for good.

# Store Vegetables Carefully

When vegetable harvest-time comes round, it makes all your previous hard work seem worthwhile. But it can still be undone if you fail to store produce carefully.

Rot may set in if you don't keep it aired and at the right temperature and you must take precautions against mice and other vermin which can quickly ruin and contaminate it.

As the first line of defence it is advisable to store vegetables under cover and behind wire mesh. After that you need to tailor storage according to your crops and keep checking for and removing 'bad uns' in case they affect others.

Most root crops will be ready to lift by the end of the month and need brushing down to remove earth — the possible source of damp and disease.

**CARROTS** — should be carefully cleaned and the green tops cut away about half an inch above the crown. Store them in trays of dry peat or sand in dry, cool and frost-free conditions.

**BEETROOT** — many people like to leave these for harvest when needed, as with parsnips, but they must be protected against early frosts. The best way is to heap straw on top of the soil.

However, if you do want to harvest, make sure they are carefully brushed or washed free of soil before storage in the same way as carrots.

**LEEKs AND CELERY** — early frost is also a worry with these, so earth them up in their trenches for protection.

**BRASSICAS** — More durable against a cold snap but broccoli and brussels in exposed parts of the plot can be caught out by strong winds and should be supported.

**TOMATOES** — cold and wind can also ruin the last of your tomatoes. Harvest now rather than take the risk. Even green fruit can be ripened if you place them in paper bags in a warm place such as the airing cupboard.

You'll wait longer if you follow the tradition and line them up on a window sill — warmth ripens rather than sun.

**POTATOES** — the main harvest of the month is likely to be potatoes and they will still be coming right in October as tops yellow to signify the end of the tubers' growth below ground.

Needless to say, use the fork gingerly to avoid damaging the tubers when lifting and try not to leave any behind to harbour pests for next year's crop.

Lift the tubers in dry conditions too, allowing clinging earth to dry for a few hours before brushing off and storage in a cool, frost-free place.

Lay them out in trays and cover to exclude light — today's ever-plentiful black plastic sacks are useful but jute sacks allow air to circulate more freely.

## MASS CELEBRATED AT MOUNTAIN MASS ROCK

On a beautiful August evening the Feast of Saints Cyprian and Justina (martyrs) the Holy Sacrifice of the Mass was celebrated at the Mass Rock in the Glen near Dun Na Gaoithe overlooking Newcastle. The celebrant was Rev. Fr. Paddy Hallinane, retired foreign missions, and a native of Aughavoulivane, assisted by Rev. Fr. Laurence Wren, Atlanta, U.S.A., Rev. Fr. John Wren, Plymouth, England, and Rev. Fr. Edmond Tobin P.P., Fourmilewater/ Newcastle. Some beautiful hymns were rendered by the Fourmilewater Church Choir assisted by Tom O'Donoghue, Melleray on the accordion. There was a large attendance present on the mountainside. It was Fr. Hallinane who revived this Mass in 1976. In his homily he spoke of the devotion the people had for the faith in the dark days when the priest was hunted down and it was only in places like this that it was safe to celebrate Mass. It is probable that the executed Fr. Nicholas Sheedy of Clogheen said Mass here as he was a curate in the parish of Newcastle. Fr.

Hallinane thanked the choir and the people for attending in such fine numbers.

### A DOUBLE WIN

Billy is Chairman of Fourmilewater Hurling Club while Aidan is a playing member of the same club.

### LIAM LYNCH COMMEMORATION

The commemoration of the memorial erected some sixty years ago at the spot where General Liam Lynch gave his life on the Knockmeal-down Mountains for the freedom of the country he loved will take place this year on Sunday, September 10 at 3 p.m. The speaker this year will be Carrick-on-Suir historian Dr. Patrick C. Power.

## U.F.A. MEETS MINISTER ON FARM ISSUES

A United Farmers Association delegation consisting of Paddy Phelan, Toureigh, Ballymacarbry National President, Michael O'Callaghan, National Chairman, Barney Gallagher, National P.R.O., Catherine Beglin, National Secretary, Paddy Boylan, Leinster Vice President and Daniel O'Donnell, Donegal, recently met Jimmy Deenihan, T.D. Minister of State at the Dept. of Agriculture, Food and Forestry. The meeting which took place in Agriculture House covered a broad agenda. On Disadvantaged Areas the Minister gave an assurance that farmers who will be successful under the current appeal will be in a position to benefit from increased payments in 1996. President Phelan put it to Mr. Deenihan that current agricultural policy was creating a new breed of native landlord and that capping and tiering of price supports and headage was the only way to bring equity into the systems. On Rural Renewal Minister Deenihan agreed with the U.F.A. delegation that small farmers should be encouraged to stay on their holdings. The Minister gave the delegation the most up-to-date synopsis of Leader II and recommended a positive approach by everybody in order to achieve the best results for Rural Ireland.

On the T.B. issue the Minister informed the delegation that the current situation was that the vets were not co-operating with rotational testing and that the Department were employing an extra forty vets. Daniel O'Donnell expressed fear of a full scale strike by the I.V.U. and suggested that a regular test once a year should be quite adequate for control of T.B. He again made the case that all reactor animals other than factory-ready cattle returned only 50% or less of their real value to the farmer. The Minister reported that the work was proceeding on his proposed Land Use Policy and that it could be published in the Autumn. The Minister said he was aware of the difficulties that small dairy farmers had in acquiring essential quota and he promised to keep this area under constant review.

## BACHELOR AWARD

Mr. Kieran Heaney, Garranlea, New Inn and Cherry-mount, Clonmel, was undoubtedly one of the main personalities last weekend. Not only did he scoop the coveted award at the Queen of the Suir Festival at Golden of "Most Eligible Bachelor" at the bachelor hoedown on Saturday evening, but he also ran away with the best adult entry in the grand parade on Sunday for his hilarious characterisations of Tina Turner. We congratulate Kieran on his success as he is well known in Ballymacarbry and district as he is the local representative of the Irish Life Assurance plc there.

## STUDENTS HAPPY WITH RESULTS

Many students from Ballymacarbry district who attend school in Dungarvan and Clonmel were happy with their results on Thursday week last, and relieved that the wait is over. Many pupils were in a state of shock when they opened their brown envelopes and found their results so good, and the consensus among school principals was that students who worked hard got the results they deserved. National trends of lower marks in maths and a high failure rate in Irish did not apply to any of the local schools.

## LATE MRS. JOSEPHINE AHEARN

It is with feelings of sincere regret we pen the death which occurred after a long period of illness at St. Joseph's Hospital, Dungarvan on Friday 18th August of Mrs. Josephine (Jocie) Ahearn (nee Hally), Red Gate, Modeligo. Deceased, in her late eighties, was member of an old and respected Sliabh gCua family. Her passing is all the more poignant as her late husband John predeceased her by just some three weeks.

A lady of outstanding qualities, she possessed an old world charm that was refreshing for all. All callers to her home were made to feel truly welcome, as she was a caring neighbour who possessed a most charitable outlook on life. That her memory will be cherished was truly indicated on Saturday evening by the large concourse of mourners who were present when her remains were removed from the Hospital Mortuary, Dungarvan, to Our Lady of the Assumption Church, Modeligo. On Sunday morning, the Feast of Saint Bernard, the 11.15 Mass was celebrated for the repose of her gentle soul. After Mass she was laid to rest beside her husband John who passed to his reward three weeks ago, again in the presence of a large concourse of mourners who came to pay their final respects to a dear Christian friend, whose memory they will cherish. To her family we tender to them our sympathy.

Suimhneas siorrai da h-anam uasal.

### SYMPATHY

Sympathy of the district is extended to James Moloney, Castlequarter, on the recent death of his nephew, Patrick Kelly, Middlequarter, Newcastle, which sad event took place in America.

Also sympathy is extended to the McGrath family, Curtiswood, Ballymacarbry, on the death of Patrick Grogan, whose late wife was Margaret McGrath. His death occurred in England recently.

## New Garda Recruits For Dungarvan

By Aisling Conroy  
While there has been growing concern in Munster over Justice Minister Nora Owen's deployment policy of new garda recruits, there has been no such worries in Dungarvan, where two new garda graduates are set to increase the district's garda force to an acceptable

strength. Since March 1994, seven classes of new recruits have graduated from the Garda College in Templemore with just 36 of the 519 new garda members being deployed in Munster.

Waterford city and Dungarvan each received five recruits compared to just

four in Cork city, while Clonmel fared best in the province with 7 new recruits since 1994. These figures however are in stark contrast to the massive figure of 373 recruits deployed in Dublin.

Templemore's class of '95 has granted 2 recruits to Dungarvan — Lorraine Kelly of Arklow, Co. Wicklow and Ronan McDonald of Co. Mayo — who both completed phase 4 of their garda training in Dungarvan before returning to Templemore for 6 weeks where they graduated on August 18 last.

Commenting on this latest recruit deployment, Superintendent Pat Quinn of Dungarvan Garda Station said he was very pleased with the return of Gardaí Kelly and McDonald to the local district where they have already served with distinction.

# Near Fatal Collision At Shandon

A Touraneena family had a narrow escape on Monday night, August 22 last when their car collided with a horse near the halting site, Shandon, Dungarvan. The incident, which occurred around 10 p.m., was recounted by Touraneena man, Robert Walton who was travelling home in the Kilgobnet direction after collecting his wife and 2 children at the bus stop. Visibly shaken, Mr. Walton said he was accompanied by his wife Catherine who was a front seat passenger and their two children Sean (4) and Julia (11). Driving on the 'straight' after the Shandon bend, Mr. Walton claimed he didn't even have time to brake when a dark brown mare wandered directly into his path.

The full impact of the animal shattered the windscreen and back windows and smashed in the roof. "The car is a total write-off," he declared, "it's a miracle how we survived."

An animal lover, Mr. Walton told the "Dungarvan

Leader" that he was absolutely shocked and devastated as a result of the crash. "My daughter loves horses and pony riding," he said, adding that the dead mare had a foal at foot.

Obviously shocked at how close his family had come to a fatal encounter, Mr. Walton said something will have to be done about the problem of animals on the public highway.

After the accident the Gardaí arrived promptly and the entire Walton family was hospitalised overnight with minor cuts and bruises.

### HIGHLIGHT DANGER

Mr. Walton said he wanted to publicise the incident to highlight the potential danger of the Shandon area. "Street lights should be erected," he urged "and the public should be warned of the dangers." Describing the entire area as a "deathtrap," Mr. Walton said he will not let the issue pass until the problem is resolved.

Dungarvan Gardaí investigations into the accident are continuing.

### NEW PROPOSALS

Meanwhile proposals to control wandering horses have been finalised by the Dept. of Agriculture, Food & Forestry. The proposed measures, which represent the culmination of 4 months work within the Department and wide-ranging consultation with interested parties, are set to become new legislation as soon as possible.

These proposals include provisions for the licensing and identification of horses; a ban on the sale of horses to minors; the disposal of horses which have been repeatedly confiscated by local authorities and the recovery in full of confiscation costs and other appropriate penalties.

One of the main advocates of this new legislation is Deputy Austin Deasy who raised the issue on numerous occasions in the Dail.

Deputy Deasy told the "Dungarvan Leader" that he had been promised that the new legislation will be introduced at the forthcoming Dail session which will be held during the coming weeks.

## Miss Jean Martina Elstead

Heartfelt and sincere sympathy is extended to Jack and Ann Elstead, Park Lane, Abbeyside, Dungarvan, on the loss of their elder daughter, Jean Martina Elstead, who died on August 15 following a car accident while she and her companions were touring in Australia. Her passing at such an early age of 24 years leaves a heavy cross to carry, more especially for her parents, brother, sister, grandmothers, aunts and uncles and her very many friends.

Her remains were flown home and arrived at Cork Airport on Friday afternoon, August 25 and were removed from there to the Kiely Funeral Home, Dungarvan where reposing took place until 4 o'clock on Saturday when the funeral took place to Abbeyside Church after prayers and rosary were recited by Very Rev. ## Mr. Billy Quinn

It is with sincere regret that we record the death of Mr. Billy Quinn, which sad event occurred in London on Saturday, August 12, following a long illness. Formerly of St. Thomas Terrace, Dungarvan, Bill was member of an old, well known and highly esteemed Old Boro' family.

He held a life long love of the arts. From a very young age he loved the Irish language and knew and loved every opera. He worked at Dickens Leather Factory in Dungarvan prior to joining the Shannon Players. He then went on to join the Louis Dalton Play Company, making his debut in the Cork Opera House in the Irish premiere of the Winslow Boy.

He then travelled extensively throughout Ireland with various play companies, including Anew McMaster and the Dublin Repertory Company.

Following this he worked with the Blue Star Luxury Liner Company and then worked for Shell Oil during which time he travelled extensively around the world. He later worked in the Irish Club in Eaton as a chef. He worked for a time as head wine waiter at Regines Night Club in London and then worked in Castlegar House in Galway in the employment of Jean Pierre Mark, until he retired due to ill health.

Billy, who made countless friends wherever he travelled, never lost interest in his native birthplace, where, in common with all other places he lived during his life, he was held in high regard and esteem by all

sections of the community.

His death has been the cause of much sorrow to his many friends, but more especially to his sorrowing family and relatives to whom we extend deep and sincere sympathy on their sad loss.

Billy's remains were flown into Cork Airport on Tuesday, August 22 and were conveyed from there to St. Mary's Parish Church, Dungarvan, where, on arrival, the coffin was blessed and received by his nephew, Fr. Richard Geoghegan, C.C., assisted by Fr. David Gibson, Limerick.

Appropriate music and hymns were rendered by Libby Flynn and Mrs. Gerie Morrissey and after Mass Paddy Dooley recited a lament dedicated to Billy called "Goodbye To the Fit-Ups."

## Mrs. Eileen Murray

A deep sense of shock and disbelief was cast over a wide area of the Brickey Valley on Sunday, August 20 last on the news of the sudden and unexpected death of Mrs. Eileen Murray of Ballyguiry, Dungarvan. Eileen was taken ill shortly after the celebration of 10 o'clock Mass at the Friary Church, Dungarvan, where she had attended. A little while later she was rushed to Ardkeen Hospital, Waterford, where sadly and with profound regret she was pronounced dead shortly after her arrival there.

She was a dedicated family woman, a loving wife and loving mother to her three sons. She was so proud of them and they of her.

Born on October 2, 1928, on the family farm of her parents Patrick and Mary Condon of Coole, Cappagh, she was, from an early age, full of life and energy and ever popular with everyone she knew. She will be remembered by all those who knew her as a kind and unassuming person always ever willing to help anyone in need. She loved to stroll along the road, meeting neighbours and friends, with an open smile, ready for a friendly conversation.

Eileen was a founder member of the Ballinameela ICA Guild in 1949. She always took a keen interest in all the activities of the ICA and later became a founder member of the Glenbeg ICA Guild in 1968. She remained an active and dedicated member of this organisation up to the day she died. (A guard of honour was provided by Glenbeg ICA).

Arts and crafts were amongst her favourite hobbies. Her home at Ballyguiry is filled with beautifully created artwork of Eileen's making, which today are treasured possessions for her family. Perhaps her greatest pride was her garden. She loved all kinds of flowers and plants and often spent many hours on end in the garden of her home. The garden was her pride and joy.

She was a person with deep religious feelings which she treasured all her life and lived accordingly.

Removal was from Drohan's Funeral Home on Monday evening, August 21 to St. Mary's Parish Church, Dungarvan, where the remains were received and blessed on arrival by Fr. Kennedy, C.C., assisted by Fr. Moylan, O.S.A.

The funeral Mass on Tuesday morning was celebrated by Fr. Kennedy, C.C., assisted by Fr. Moylan, O.S.A., Fr. Deasy and Fr. McNamara, C.C. Also in attendance was Fr. Michael O'Byrne, P.P. The Readings were read by Pat, Frank and Maura and the Psalm by Conor.

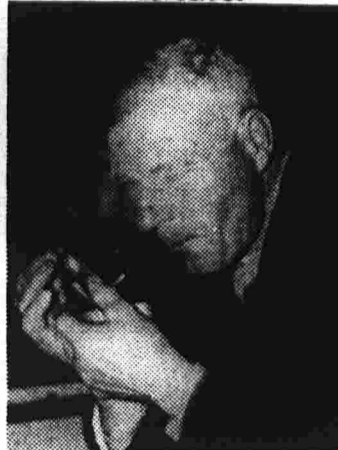

The Offertory Gifts were brought to the altar by the Tobin boys. Flowers from her garden were brought by Mary Walsh and a sample of her craft work was brought up by Kitt Kiely. Her homemade bread was brought up by her son Pat. Appropriate music was rendered by Lorna Jane Daly and Maura Burke. Burial took place afterwards in the adjoining cemetery.

The chief mourners were — Liam (husband), Pat, Conor and Frank (sons), Alice (sister), Sean (brother), Maura (daughter-in-law), Rita (sister-in-law), Pat (nephew), relatives, friends and neighbours.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## LATE MRS. NORA (NONIE) POWER, (NEE DUNFORD)

It is with feelings of deep regret we record the passing of Nora (Nonie) Power, Coolnasmear, Dungarvan, which sad event occurred on Saturday 19th August 1995 at St. Joseph's Hospital, Dungarvan, following a short duration of illness but at the fullness of years.

Nora or as she was more fondly known Nonie was daughter of the late Dan and Bridget Dunford, Bohadon and relict of Eddie Power who predeceased her by some eight years. Having reached her 93rd year Nonie was a lady of many fine qualities, mainly her kind and gentle disposition. She was a wonderful wife and loving mother always hard-working and industrious. A sincere and caring neighbour her door was always open. She had a wonderful interest in all that went on in the area and there was nothing she enjoyed more than a chat and a cup of tea, she also, enjoyed a good game of 45. A talented musician she played the fiddle and accordion with tenacity, a talent she passed down to her family. An avid reader she could converse on any subject. Her death is all the more poignant due to the fact that her son Danny and granddaughter Finola predeceased her in the past months. A woman of deep faith whose religion meant so much to her she bore her final illness with a true Christian fortitude. Her passing is much regretted. May she rest in peace.

Following prayers at Dungarvan Hospital Mortuary on Sunday evening removal was to Colligan Church where the remains were received and blessed on arrival by Fr. Ml. Kennedy, P.P. and followed by a huge and representative cortege of mourners.

## LATE ELLEN (NELLIE) POWER

With profound sorrow we record the passing of Nellie Power, Boolavouteen, Ballinamult which sad event occurred at Cork University Hospital on Wednesday 16th August 1995. Nellie was a quiet, gentle, unassuming lady, held in high esteem by all who had the pleasure of knowing her. She was wife of Liam and mother of Denise, Brian, Niall and Justin.

She trained as a nurse and spent many years of devoted service in St. Luke's until her marriage to Liam when she came to reside in Boolavouteen. A wonderful loving wife and mother, there was always a welcome in her home. Though she had not enjoyed the best of health for some time, her illness was borne with a true Christian fortitude.

She was a person with deep religious feeling which she treasured and lived accordingly. She also had a great love of music. Her passing leaves a void in the community that will not be easily filled. To her sorrowing husband and family we extend our sincere sympathy. May she rest in peace.

Her remains were removed from the Drohan Funeral Home on Thursday evening to Touraneena Church where

# BILLY QUINN - A TRIBUTE

On Tuesday evening August 22nd as I drove from Dublin to Dungarvan, the wonderful weather we had been enjoying seemed to have gone for good. Dark menacing clouds scurried across the sky, bringing high winds and rain. That weather persisted all through my journey.

Passing Leamybrien on that lovely drive into Dungarvan, with the Comeragh mountains on the right, the lush grasslands, that are a feature of that part of Waterford on the left, the sea beyond, suddenly as if I had waved a magic wand, the sun appeared. It had begun to set in the west casting a long beam of light across the sea towards Youghal. I knew, that it was a guiding light pointing towards Cork Airport, where one of Dungarvan's favourite sons, was making his final journey home.

Ten o'clock in Dungarvan, groups of people were making their way out to the Cork Road, where they gathered into a large crowd at the Garda Station. Silence now, as the hearse approached, slowed to walking pace as the cortege moved off to St. Mary's Parish Church. It was now 10.30 p.m. The crowds had grown larger, as we arrived I thought of Billy, as he had done so often on the stage, he had drawn his biggest audience yet.

At the church his nephew Fr. Richard was in charge, at the reception of the remains the coffin was shouldered into the beautiful church, which is St. Mary's. By now the church was full, the prayers were said. The entire congregation came to sympathise with Pat, Annette and the family. People whom I had never met before shook my hand saying to me, "we all loved Billsie". I knew they meant what they said. During all the years I have known him he spoke highly of them, his beloved friends from Dungarvan.

Wednesday morning at 11 a.m. St. Mary's was thronged for the Mass, which, Fr. Richard said, was a celebration of Billsie's life. The beautiful ceremony was bright, joyful and sad. Fr. Richard was celebrant accompanied by Fr. David Gibson, Fr. Gerard Chestnutt, Diocesan Sec., Fr. Gerry McNamara, and Fr. Jim Sullivan, Dungarvan. Reading and prayers of the faithful were read by Billy's son Mark and other members of the family. The

singing of the chosen hymns were beautifully preformed by well known singers Libby Flynn accompanied by organist Mrs. Gertie Morrissey.

In his homily, Fr. Richard said of Billsie. "He was a very good actor. His love of people was a joy to behold. Billsie enriched all our lives by knowing him". At the end of this never to be forgotten ceremony, Libby Flynn sang "Bring In The Clowns", one of his favourite songs. When it finished, the entire congregation burst into applause. A recitation or lament was then recited entitled "Farewell To the Fit-Ups", as the touring theatrical companies were called. The final prayers, the blessing of the coffin finished, Billsie's remains were taken to the cemetery at the rear of St. Mary's, to join his mother and father. After the prayers and a decade of the Rosary, Billsie was finally laid to rest. The cemetery looks out on a wonderful setting, of little villages, farms and houses, rolling valleys and hills. Looking at that peaceful scene one couldn't help remembering Billsie in his prime, loving this countryside, when the sounds emanating from that rural setting in those days, was the horse and cart going to the creamery in the early morning, and the elusive sounds of the cornrake.

### POSTSCRIPT

Billy Quinn was a star artist, all through his life. His mission in life was to bring happiness to everyone he came in contact with. He succeeded. Despite all he know and they were many, he never forgot, the people of Dungarvan, they were all family to him. The town where a "star" was born seventy years ago, turned out in style to welcome him back home.

He would have been very proud. We are grateful to Fr. Richard and his fellow clergy and those who made the ceremony so great for us all. It was a privilege to have known Billy for 50 years. We will never see his likes again.

Fear no more, the heat of the sun,  
Nor the furious winters rages,  
Though thy worldly task is done,  
Home art gone and taken thy wages,  
Golden lads and girls all must  
As chimney-sweepers come to dust.  
May His Soul Reside In Heaven  
— PADDY DOOLEY.

# Lismore Notes

## ENTENTE FLORALE NEWS

We were delighted to welcome back our delegation from Tullin, Austria on Monday night last. Proudly they returned with news of our special award for Effective Use of Flowers. The judges commended Lismore for the great hospitality shown to them. All of the eighteen towns received a scroll honouring their entry. The overall big town prize was won by Bournemount, U.K. and the Austrian town won the prize in the small town category. Lismore's achievement was honoured with the presentation of a

special commemorative plaque. Our delegation led by Mrs. Rose O'Dowd and Mrs. M. McBride were welcomed back at a V.I.P. reception at Cork Airport. The Clonakilty delegates were also honoured for their achievement in the competition.

Now that we know the results of this year's event we would again like to thank everyone who have helped over the past year. We would like to thank Waterford County Council for their contribution to our success and Mr. P. Stam for his professional advice. The people

who painted and decorated their houses, shops and premises must be mentioned as well as the many voluntary workers who have helped make the town look so well and the support of our many sponsors and supporters of our fund raising events were also much appreciated and finally the real winners are the town and people of Lismore. Níl neart go cur le chéile.

## JUNIOR CERT CELEBRATION

The results of the Junior Cert Examination 1995 are due to be published on Tuesday September 12th and hopefully there will be cause for celebration of the achievements by the students involved.

With this in mind the respective parents' councils of St. Anne's, Cappoquin, C.B.S., Lismore and Presentation Convent, Lismore have come together to organise a junior cert celebration night at the new Lismore Community Centre on results night.

A sub committee representing students from the three schools has been given the task of arranging the night's entertainment and has come up with an exciting line up for the occasion.

Pat McAuliffe (of Conna Disco fame) will kick-start proceedings at 8.30 p.m. with a selection of chart topping hits to set the mood for an "electric" performance by live rock band "Citrus", fresh from the recording studios and about to embark on an international tour.

A free raffle will take place on the admission ticket and spot prizes will be the order of the night. A mineral bar will operate in the hall to supply light refreshments and strict supervision will be provided by responsible adults. So come along for a fabulous night out.

Admission tickets (£3.00) will be available only in advance through the respective schools and you would be well advised to acquire yours as soon as possible to avoid disappointment.

## LISMORE GOLF CLUB PRESIDENT'S PRIZE

The President Mr. Kevin Ryan put his prize up for competition last week-end and a real cliff hanger it proved to be.

Play began on Friday afternoon and quickly two things became obvious. Firstly a lot of people were finding it difficult to score and secondly others were relishing the tricky conditions. This was the trend right through to the end of qualifying on Sunday lunchtime.

At the end of qualifying John O'Gorman led the 39 qualifiers on 43 pts. with Alf Barden and Kevin Whelan just a point behind. These were followed by a group of 5 on 40 pts. and so on down to those who scraped in on best 34 pts.

So on to the 12 Hole play-off and as usual in the majors the tension and excitement mounted as the main contenders entered the field to play their final four holes. The Captain was making a break from the pack and mounting a serious challenge while John O'Gorman was remaining steady. Others too were battling on and excellent scores were being posted. At the end of the day when the fractions were totted John O'Gorman had captured the President's Prize with 70 1/3 pts. with the Captain Billy Arrigan in second place on 67 pts. and Alf Barden third on 65.

So the final major of the year was won and lost, enjoyed by all and our thanks to the President for an excellent week-end's golf.

## LISMORE G.A.A. NOTES

### SENIOR HURLING

#### LISMORE 3-17 FOURMILEWATER 1-10

The scoreline suggests that this was an easy victory but when you consider that we were behind at half time on a scoreline of 0-4 to 1-5 it can be gathered that we did not have things all our own way. A huge improvement from all will be required if we are to give Ballygunner a game of it in the semi final on the 10th of September. Then again it may not be the 10th even though we had been given that as a definite date for the last month. Perhaps we are now willing to change our dates because of an under 21 All Ireland that Waterford are not in. If the date is changed it will be to Saturday evening 16th showing again that the supporters are held in the same esteem as the players by the powers that be. Whatever the date let's hope that the traditional Lismore support will be out in force encouraging the team into the County final.

### ALL IRELAND TICKETS

The draw for these will take place in the Clubhouse at 9.00 p.m. sharp. All fully paid up members are entitled to submit their name for the draw.

### WESTERN MINOR FINAL

We are led to believe that this will take place on Thursday 7th in Cappoquin. We will confirm next week.

Weekly Draw, Week no. 33: £50, Miss Bridget O'Connor, c/o M. Quann; £30, Mrs. Kathleen Kavanagh, Parks Road; £20, Mr. Eamonn Power, New Street; £15, Mr. Finbarr O'Flynn, Cork; £10, Masters D. and G. Pratt, New Street; £10, Mr. Sonny Bransfield, East Main Street. Promoters prize — Michael Quann. The next draw will be held in the Red House on Monday 4th September at 8.00 p.m. All are welcome to attend. (Adv.)

## DUNGARVAN WALKING CLUB

# St. Declan's Way In Glorious Sunshine

The sweltering heat of the past number of weeks brought about a change to the planned walk to Knockanaffrin on Sunday, September 20 and instead we were off to Ardmore to walk a section of the beautiful St. Declan's Way which stretches from Ardmore to Cashel covering a total of 94 kilometres.

The walk itself has a long and checkered history stretching back to 350 AD when, it is believed St. Declan came to Ardmore to baptise the people of the area. The modern St. Declan's Way is as faithful as possible in following the route of ancient folklore and highways, following along a track of country lanes, boreens and riverside tracks and it is hard not to feel a deep sense of history as we travelled along and witnessing at first hand the ruins of old paths, churches and the Old Mill at Glenlickey.

We started our walk at Grange along a section known as Bothar na Riolog along a dirt track which took us to the beautiful set-

ting across the River Lickey where, it is reputed one stone close to the river crossing bears the foot print of St. Declan.

Our guides for the walk, Michael and Fintan gave us a full and detailed account of all the historic landmarks along the way with Michael making continuous reference to the excellent map produced by Ardmore Enterprise which details every historic landmark and places of interest along the way. Other points of interest on the walk included the Old Mill at Glenlickey, the souterrains, which were used for cold storage in times past and of course St. Declan's Well at Toor which is reputed to carry a cure for eye ailments.

I believe I speak for the entire group of 16 who took part in the walk when I say it was by far our most enjoyable and relaxed walk we have undertaken since the club was formed and this was due in no small way to the excellent manner in which our guides took us along the 11 mile route. We

were delighted to be joined on our walk by Maureen Veale who now resides in Mallow but still retains strong links with the club, and was without doubt the principal driving force behind setting up the club last March and is always a welcome guest. We finished our walk at Knocknaskagh in Kereen where the local bar provided us with much needed refreshments and time to relax and reflect on a most pleasant journey.

On Sunday last we were off to Melleray with George Harney once again as our guide along a forest track which took us out into woodland and open mountain tracks covered in a carpet of magnificent heather in full bloom. The scenery along the 6 mile track was simply breathtaking giving us a clear view of the Knockmealdown and Comeragh Mountain ranges. We had another Cork guest for this walk as we were joined by Alice Curran who revelled in the underfoot conditions throughout the entire walk. Once again thanks to

George whose deep and considerable knowledge of the mountains and woodlands is of invaluable assistance to the club. A feature of the walk was the route of the main water supply system that leads to the abbey whereby the supply appears to defy logic and flow up the mountain and when one considers that this work was carried out over 150 years ago we can wonder at their determination and ingenuity.

On Sunday, September 3 we have a special grade C walk organised for Colligan Wood and is designed for anyone interested in joining the club. We leave the Car Park at T.S.B. at 2.30 p.m. sharp, so why not come along. Also on Mondays, Tuesdays and Thursdays from September 4 we start back on our night walking sessions leaving from Lawlors Hotel at 8 p.m. sharp.

Our next meeting for club members is on Tuesday, September 5 at 9 p.m. in Lawlors Hotel.

## Plans Continue For St. Joseph's New Unit

The Minister of State at the Department of Health, Brian O'Shea T.D. has announced that approval has been given to proceeding to the next stage of planning (stage 3) for the new 27 Bed Unit at St. Joseph's Hospital, Dungarvan.

The Minister announced that the revised planning brief provides for an increased floor area in the day/dining room and additional area is provided for to accommodate mechanical and electrical plant. A new budget cost allowing for these increased areas is set at £743,000. An allowance of £100,000 to cover integration and fire works has also been made.

Mr. O'Shea stated that this approval represents a further progressive step in bringing the new unit at St. Joseph's, Dungarvan, to fruition.

Chairman of the South Eastern Health Board, Cllr. Billy Kyne has also warmly welcomed news of the approval for the next planning stage.

A strong lobbyist of the project since its early days, Cllr. Kyne described the planned 27 bed unit as a badly needed development for both the town and county, and particularly praised the day care facility as a welcome addition to the local hospital services.

# Cappoquin Notes

## Affane/Cappoquin G.A.A. Notes

# Mixed Luck For Under 21 Hurlers

U-21 HURLING: CAPPOQUIN 2-14, ARDMORE 2-9

A very youthful U-21 side accounted for Ardmore at the seaside venue last week by a five point winning margin. Slow to get into their

stride our lads were seven points down at half time. But a rejuvenated team pulled out all the stops in the second half to whittle away

that lead and take control to surge ahead for victory. Team—N. Maher, J. Dalton, B. McCarthy, W. Fraher, J. Lynch, A. McCarthy, A. Barry, C. Cullinane, B. Tobin, C. Prendergast, K. Mason, A. Gilligan, P. Lacey, M. Croke and D. Wilkinson. Sub: E. Byrne.

### NAOMH BRID 1-7 CAPPOQUIN 0-5

A vastly changed team showing several positional switches and five changes in personnel took on Naomh Brid in Colligan on Saturday night. But we came away disappointed as at least half the team never played to their potential. Despite our attack never really functioning with at least four golden scoring opportunities scorned. We were always struggling at midfield but our defence to a man were never found wanting. Special mention to Anthony McCarthy and Ed Byrnes both of whom hurled themselves to a standstill from start to finish. Their commitment to the cause was total.

The team can look back at this match and ask questions? It was a match definitely thrown away.

Team—J. Monahan, J. Dalton, A. McCarthy, G. Arrigan, J. Lynch, C. Scanton, E. Byrnes, K. Mason, C. Cullinane, C. Prendergast, B. Tobin, F. McLoughlin, P. Lacey, B. McCarthy and D. Wilkinson.

Phelan Cup—The Nire defeated Affane in the Phelan Cup competition recently in a lack lustre game.

## Died In The U.S.A.

The death has taken place in the U.S.A. of Mrs. Alice Kiely (nee O'Donoghue). Alice was a member of the O'Donoghue family, Crowhill Cappoquin. She is survived by her sons, Jerry (Pennsylvania) and Maurice (New York) and their families, also by her sister Mrs. Mary Walsh (New York). Alice was predeceased by her sister Mrs. Josie Flynn, Ballynoe East, Cappoquin just five months ago. To her sons, daughters-in-laws, grandchildren, great grandchildren, sister, relatives and friends sincere sympathy is extended.

## Mass Lane Cup 1995

Four teams of ten players are taking part in this years Mass Lane Cup. Team captains are Noel McCarthy, Niall Maher, Damien McCarthy and Shane Coughlan. The competition is run on a league basis and started on Wednesday 23rd with two games at the sportsfield. In the first game Noel McCarthy's team took on Niall Mahers team and after a very close first half Nialls team went on to win on the scoreline of 4-6 to 0-4. Outstanding for Nialls team was Kevin Coleman, Kevin Foley, Justin Dalton and of course Niall himself. On a hard working Noel McCarthy's team, who unfortunately have Paul Coffey out of action, Michael Scanton, Michael Fraher, Shane Barry and Rory Tobin plus Noel gave of their best.

In the second game on Wednesday evening Damien McCarthy's team took on Shane Coughlans team and here substitutions had to take place because Shane and Richard Scanton both on the same team were training for the U-14 county teams, taking part in the Tony Forristal tournament. Niall Maher and Kevin Foley substituted for Shane and Richard but despite their efforts Damiens team ran out convincing winners by 8-5 to 4-2.

Best players for Damiens team were Paul Morrissey, Karl Mason, Peter McGrath and Kevin Looby along with Damien and David Sheehan who scored two goals.

James Murray who scored a great goal, Patrick Morrissey, Gavin Foley, Eoin O'Donoghue and John Cunningham played their hearts out for Shanes team.

On Friday evening the second series of games were played. In the first game Noel McCarthy's team took on the favourites for the title Damien McCarthy's team. This game started off at a cracking pace and the ball was going from end to end for the whole of the first half. However Noels team who are still hampered by the loss of Paul Coffey turned in the second half and were on the losing end of a 5-5 to 0-4 scoreline. Donal O'Rourke, Liam McLoughlin and Brian Coughlan gave great displays for the winners and even though his team lost Noel gave it his all as did Brendan Scanton (Ballyhane) Conor Heffernan and John Ahearn. In the second game on Friday evening first round winners Niall Maher took on Shane Coughlans team. This was a mighty close game with very close hard marking and hard hitting right throughout the game. Scores were very hard to come by in this game with much of the play being centered around the center of the field. In the end Shanes team won by one point 2-1 to 1-3. Niall Maher and Kevin Coleman had a great battle in this game with Richie Scanton and Gavin Foley. Keith Millea scored one of the best goals in the league so far for Nialls team.

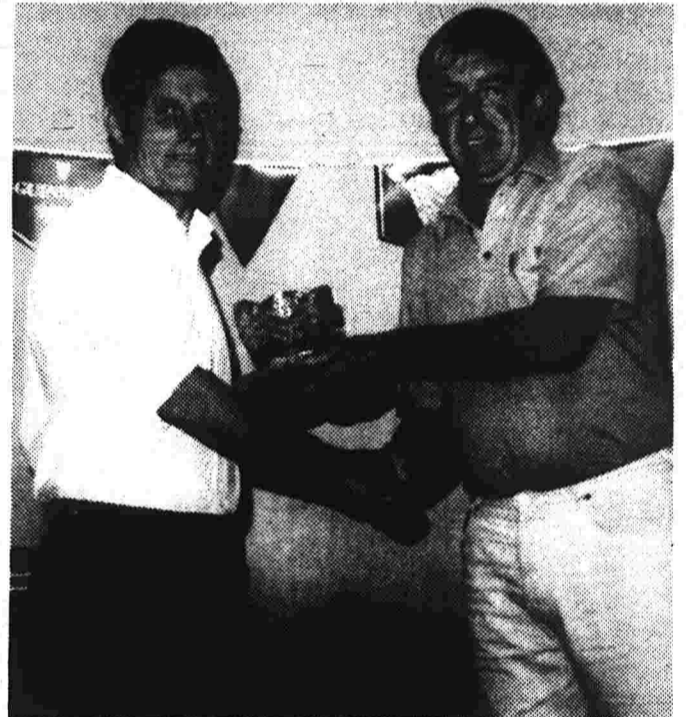

But it was the opportunism of Liam McLoughlin who substituted for Shane Ormond who was the savior of Shane Coughlans team. On the night Paul Morrissey and Martin Gilligan also contributed greatly to this important win. So after two series of games the points stand Noel McCarthy 0 points, Niall Maher 2 points, Damien McCarthy 4 points and Shane Coughlan 2 points.

So we look forward eagerly to next Wednesday evening at the sportsfield when we have round 3 of the league.

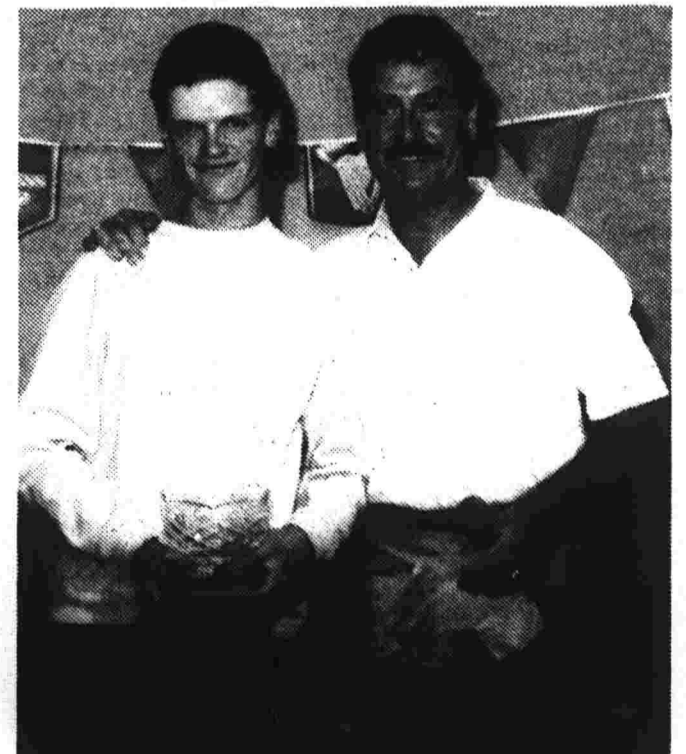

Noel McCarthy takes on Shane Coughlans in the first game. Shane must win this one to be in contention for the Mass Lane Cup.

Damien McCarthy takes on Niall Maher and this too is a crunch game for both teams. It looks like that there may have to be playoffs before the A finalists will be known. So don't miss the action in the sportsfield on Wednesday 30th August 7 p.m.

## Ballinacourty 'A' v Ballinacourty 'B'

This game of football is a quarter final match in the Western junior football championship. It is an historic contest as it is the first occasion two teams from the same club have met in this or any other championship. Ballinacourty 'B' enter this game fresh from their triumph over Melleray in the final of their section of the championship for which captain Michael O'Riordan

received a large plaque. Ballinacourty A's line up comprises of some of the up and coming minors who were successful in last year's championship and a sprinkling of more experienced players like captain Brendan O'Gorman, Pat O'Brien, Timmy Organ, Frank McGovern and the evergreen Dave Sheehan. It should be an exciting contest between two evenly

matched teams and there will also be a battle of wits between the two sets of selectors as they strive to select the proper combination of players that will produce a winning formula.

Interest in the game extends far outside the local area. It is the game of football that matters however and it is hoped it will be a clean, fair and sporting contest.

### JEAN ELSTEAD R.I.P.

Sincere sympathy is extended to the family of this young girl who was laid to rest at Abbeyside cemetery after two o'clock Mass on Sunday last. May she rest in peace.

### Coaching Course At Abbeyside

Last week the local Abbeyside G.A.A. Grounds hosted a football course for young boys and girls and it was a tremendous success. The continuing excellent summer weather contributed hugely to the enjoyment of the programme. These coaching sessions are going from strength to strength each year and hopefully Abbeyside will be a centre again next year.

# ABBEYSIDE GIRL GUIDES

### FUN CAMP, SUN CAMP

Banish those back to school blues, come camping! This weekend our guide company will be enjoying an overnight camp in Glenshelane. Those attending should remember to pack uniforms, bedding gear, unbreakables, wet weather gear, toiletries, etc. A full kit list and parents consent form can be obtained from Jenny. So don't delay or risk missing the best little camp this year.

### STONE DETERMINATION

This stone has always challenged us to our limits. Originally it was how to make it, then how to engrave it, later how to paint it and now how to photograph it. This stone has even had a postcard written about it. This stone has twice eluded photographic attempts. This stone will be my chosen subject yet again next weekend, and I'll be damned if this stone beats me!

### MUSICIAN TAPED

It took quite a few bank notes, but a well known local singer was taped last week! Congratulations on overcoming your fear of talking to machines.

### QUOTE OF THE WEEK

From a parent to a guide leader at a recent Debs Ball

"I bet you don't recognise them, you're more used to seeing them covered in mud! Well, mud has long been associated with beauty treatments and they certainly looked beautiful.

### HAPPY NEW YEAR

Next week we will print details regarding our meeting times and dates of recommencement so watch this space.

## Students Clean Abbeyside Beach

The Town Clerk's Office informed me that students were employed throughout the summer to remove litter from the beach. This is an excellent idea and all involved are to be complimented.

## Abbeyside Reference Archive

At the moment we are putting together a book on the monuments of Abbeyside. This will be a one off edition containing black and white and colour photographs of all the monuments in the parish with as much information as we can gather on each one. We hope to have this book available on Sunday evening, November 26 at the Archive to mark our first year in operation at this venue. We then hope to turn our attention to the thatched houses of the parish and do a similar operation. This Sunday James Young will be in attendance at the Parish Office, 2.30 p.m. to 5.30 p.m. If you have any maritime or general questions or just wish to come and browse through the scrapbooks and photographs, etc., James will be delighted to see you.

### GLENSHELANE

This weekend we welcome the Abbeyside Guides who camp at Glenshelane on Saturday and Sunday. As usual Jenny will pull out all the stops to make this an enjoyable camp and the weather prospects look good, so all should be well.

We had a very nice "thank you" card from the Welsh Scouts who really enjoyed their trip to the South East of Ireland recently.

Note — Scouts are not noted for sending "Thank You" cards but this is the second troop to send us one so we must be doing something right at Glenshelane.

### MORE RECOLLECTIONS

Many years ago we asked a young friend how he rated scouting in his scale of values. He thought for a moment, then said: "It is my second life". We have often wondered what he meant.

It seems ages since anyone sent us a design for a really crazy camp gadget. What's wrong? Can it be that we are all taking our scouting too seriously?

Ten years ago a distinguished scout leader in Canada told us that one of his constant preoccupations was 'keeping the humdrum out of the weekly troop meeting.' Yes, indeed. We have all had some experience of that.

### A THOUGHT

If nobody smiled and nobody cheered, and nobody helped us along, if each and every minute looked after himself,

And the good things all went to the strong,

If nobody cared just a little for you,

And nobody thought about me,

And we all stood alone to the battle of life,

What a dreary old place this would be. Scribes

## A Seminar On Autumn Management Of Suckler Herds

This seminar will be held at the Park hotel on Tuesday 5th September at 8 p.m. Personnel from the veterinary, Teagasc and farming community will attend this very important meeting. All are welcome.

Weanling Sales At Dungarvan Mart Commence On Thursday September 21st

Both Cork Marts and Teagasc are very keen to promote Good Management of Suckler Herds so that weanlings are presented at our marts in the best condition for sale. This will ensure a good supply of quality stock for buyers thus avoiding problems after purchase.

## THIS WEEK

# TEAGASC Says

## WEANLING MANAGEMENT

Events that occur around this time of year inflict considerable stress on the suckled weanling. The major stress factors are associated with weaning, transport and sale of weanlings.

**Losses** — It is reckoned that losses due to poor weight gain, respiratory diseases, veterinary and treatment costs amount to over £20 million in suckler herds or in farms where suckled weanlings are purchased. Buyers say that the good bull weanlings are the more prone to respiratory diseases, probably because they suffer more stress and are more highly disturbed when mixed with other similar animals at marts and new farms.

An average death rate of 2 - 3% has been reported with purchased weanlings with standard veterinary bills of £8 - £10 per head. Losses in animal performance would amount to at least as much again.

**Teagasc Campaign** — Against this background Teagasc have initiated an intensive advisory campaign, in co-operation with local livestock marts, to address the problems of respiratory diseases, lack of thrive, loss of condition in suckler cows and cow losses due to tetany.

**Reducing Stress** — Maximum stress is exerted on weanlings that have a change in diet, environment, that are mixed with strange stock and weaned at the same time. This happens when a weanling is taken off the cow and sold at mart. To minimise this stress, do not make all these changes at once.

Ideally, the weanling should be weaned before sale but most suckler producers would be reluctant to do this due to a reduction in thrive and condition post weaning. However, creep feeding can go a long way in breaking the bond between the calf and its dam. Farmers who creep feed find that calves are much less dependent on the cow and are "half weaned" when the cow is taken away.

**Creep Feeding** — This is a very worthwhile practice. As grass supply is falling in the autumn and as the cow's milk yield drops there is a good response to meal feeding at 1 - 2 kg meal per head per day. Apart from the straight economic response, animals that are fed will look better at sale. However, a more important aspect could be the reduction of stress at weaning and especially if sold, meal fed weanlings settle much faster when taken to the new farm.

**Vaccination** — The other prong of the Teagasc programme is to encourage vaccination of weanlings pre-sale against respiratory diseases, especially the viruses IB, R, P13 and RSV. Producers should consult their vets in relation to the most appropriate drug to use.

**Certification And Sale** — Where weanlings have been vaccinated, the seller should get a certificate from his/her vet showing details of date of treatment and drugs used. A declaration of meal feeding should also be produced in writing and handed to the mart.

## CATTLE

There are a lot of cattle on farms that will finish over the next two months. It is very important that these cattle are kept thriving.

Daily liveweight gain on grass normally falls in September. As the prolonged dry weather has significantly reduced grass growth, good autumn grass will be scarce this year. On good autumn grass, cattle liveweight gain of about 0.7 kg/day can be

got, but in poor conditions, this is likely to drop below 0.5 kg a day, which means low carcass gains and slow finishing.

Under finished cattle should be kept thriving at 0.9 to 1.0 kg a day. Supplementary feeding will be necessary to achieve this unless grass quality is excellent.

**Meal Feeding** — Examine finished cattle regularly and sell the ones that are finished. These are only competing for grass with other stock and they may also become overfat. The response to meal feeding at grass can vary a lot. The best response will be got from the higher priced cattle e.g. quality continental crosses. The response could be poor on small fleshy cattle, especially if grass is fairly good.

Where cattle are not fit for the factory, there are a few options:

1. Feed meal at grass and sell as they become fit. This is satisfactory on good dry land but may be a bit awkward if there is a large group of cattle. Feed 2 - 4 kgs a head daily, depending on stock type and grass quality, meal should be introduced gradually, the high rates to be fed to large continental cross cattle.

2. House the heavy cattle and feed silage and concentrates for a period. This may be the best option where grass is scarce or of poor quality, e.g. on a farm where there is plenty of quality silage that is capable of giving a higher rate of gain than the grass. Grazing would then be prolonged for other stock of lower productive requirement e.g. suckler, cow, weanlings.

## SILAGE QUALITY

On most farms silage is the key source when planning winter feeding programmes as the level of animal production, the need for purchased concentrates and profits will depend on the amount and quality of silage available. The quality of grass silage can vary quite considerably in terms of preservation and digestibility. Some silages are capable of supporting 0.8 kg a day liveweight gain or 2.5 gallons a day milk yield, while others may not be capable of even supporting the maintenance requirements of livestock.

Silage analysis has a role to play in planning your winter feeding programme with the aim of optimising farm profits. An accurate silage test will help to determine the following:-

- What performance can you expect from animals fed silage?
- What quantity and type of concentrate supplements are required?
- Is there enough silage to meet winter feeding requirements?
- Is it necessary to review grassland management or silage making techniques for next year?

The accuracy of the silage analysis is important because vital management decisions (e.g. supplementation levels) are based on the results.

Teagasc provide a comprehensive silage testing service which includes proper sampling of the silage pit and accurate analysis of the sample using the in-vitro dry matter digestibility technique through its laboratories at Grange Research Centre. The service is backed up by the expertise and experience of Teagasc advisers in both interpreting the results and helping to plan winter feeding strategies for your farm.

In order to avail of this service, you should contact your local Teagasc adviser to arrange sampling of the pit and the appropriate analysis.

## FARMING LEADER

# Donnelly Moves Quickly To Assure Farmers On Cattle Testing And Sale

Following a meeting in Dublin on August 17 with senior officials of the Dept. of Agriculture, IFA President, John Donnelly has moved quickly to assure farmers that there will be no hold-up of cattle sales this autumn due to the refusal of private vets to test cattle.

Mr. Donnelly said following the meeting that he had secured from the Department a guarantee that all farmers requiring TB tests prior to selling their cattle

this autumn would be facilitated on request. "Farmers can be satisfied that sales of cattle this autumn will not be disrupted by the IVU's industrial action against the TB scheme."

The IFA President said he was in constant contact with the Department to ensure that all steps are taken to facilitate the orderly marketing of cattle in spite of the IVU's strike action on testing.

Referring to a telephone poll published in last week's Farmers' Journal which

showed mixed views on the rotation of TB testing, Mr. Donnelly said he was not surprised by the response given to the question that was asked and the massive lobby carried out by IVU on their farmer clients. He said that despite the intense IVU propaganda, only a quarter of the farmer respondents felt the vets had a case on rotation.

The IFA President stressed that the real issue was the establishment of an effective TB eradication scheme, with EU funding, which the IVU

was trying to sabotage yet again. Mr. Donnelly said £15 million of EU funding was at stake in the present industrial action by IVU vets who were blocking reductions in disease levies in pursuit of their own narrow interests.

Mr. Donnelly said "the message coming loud and clear from the IFA grass roots network is the demand for an immediate slashing of the £30 million annual bill in disease levies and real progress against TB."

## Substantial Scope From Improved Markets For Higher Pig Prices

Waterford IFA Pigs & Pigmeat representative, Ian Tierney, has said there was definite scope for higher pig prices in current market circumstances. Mr. Tierney pointed out that international markets were short of product and that demand for pig supplies is very strong.

The IFA man said that the UK market was very short of middles and backs and that prices had risen sharply in recent weeks. "Import prices to Ireland for pigmeat products are at an all-time high due to scarcity," he explained.

Mr. Tierney pointed out that the German pig market was also very short of supplies and that the extended spell of warm weather had increased demand for grilling meats. He explained that German pig prices had increased strongly during the past 2 weeks.

"Attempts by some Irish slaughterhouses to bring down pig prices are totally at odds with the market reality and should be vigorously

resisted," continued Mr. Tierney. "It is in fact the case that prices should be rising," he said.

The Waterford Pigs representative explained that pig supplies were tight due to slow thrive and hot weather. "Slaughter weights have fallen but the best advice for producers is to keep moving pigs to reduce stock density and maintain a consistent supply to what should be a very buoyant market," he added.

Mr. Tierney said "the continuing warm weather will unfortunately disimprove sow fertility resulting in smaller litter sizes. This, in turn, will lead to a reduced supply of slaughter pigs next April and May."

"The combination of tight international supplies, slow pig growth in Ireland and huge demand for product in Japan and other markets have together created an opportunity for improved prices which producers are clearly justified in demanding at this time," concluded Mr. Tierney.

## Co. Waterford ICMSA News

Mr. John Skehan, Chairman of County Waterford Executive of ICMSA, welcomes the public liability premium reduction for farmers. Farmers who erect a farm notice on Occupiers Liability will get a special premium discount on their farm insurance.

PMPA are offering farmers a £30 special discount on their Public Liability cover if they erect the farm notice designed and sponsored by ICMSA. This offer is the first reduction in premium of any type offered by an insurance company as a result

of the new Occupiers Liability Act which was passed by the Dail last June.

ICMSA, who negotiated many improvements to the Bill, succeeded in getting a provision in the Act which allows a farmer to reduce his obligation to visitors if a proper notice is erected at the entrance to the farm. The ICMSA sign was written by the Association's Legal Advisors. It informs visitors to the farm that the farmer excludes his duty of care to visitors as is allowed in law. The effect of the notice is to reduce the likeli-

hood of the farmer being successfully sued for compensation by a visitor who is injured on the farm.

Mr. O'Dwyer, the ICMSA President, said that ICMSA are pleased to be associated with PMPA in a joint effort to encourage farmers to erect the sign and so reduce their obligations to visitors who might suffer injury on their farms. Mr. O'Dwyer complimented PMPA in being the first insurance company to react favourably to the new law on Occupiers Liability. Mr. O'Dwyer said he hoped that the new law would lead to a general reduction in the cost of Public Liability insurance for farms.

Vouchers for the special discount are available at PMPA offices nationwide or from ICMSA. The farm signs are available from ICMSA and can be obtained by contacting officers in the county: John Quigley, Area officer at 051-22303, or head office at 061-314677.

The ICMSA said that it had arranged with the Department that any farmer whose herd was listed for testing but which was not tested because of the dispute between the Department and Vets, can write to their District Veterinary Office (DVO) requesting a herd test.

Mr. O'Dwyer said that he was pleased that the Department had accepted the ICMSA suggestion that any farmer who writes to the DVO would have his request for a test dealt with. While the Department have an official request form (ER 88A), it would be unreasonable to expect farmers to have to write away for such a form, complete it and return it again before his request is even considered by

the DVO. Mr. O'Dwyer repeated his view that the Minister must ensure that all requests for such tests are carried out within one week.

## Livestock Charter Will Be Tested In September

Waterford IFA Livestock Committee Chairman, Maurice Donovan has said that the first real test of the Minister of Agriculture's commitment to farmers in the Charter of Rights will come in September.

Mr. Donovan drew attention to the fact that from September 1, the Department of Agriculture was due to implement morning and afternoon opening hours (9.30 a.m. to 12.30 p.m. and 2 p.m. to 5 p.m.) in all local offices instead of morning only opening. In addition the Department was due to begin making advance payments of headage to farmers in September and, according to the Charter, payments are to be completed by the end of October.

"In line with Minister Yates's commitments in the charter of rights, farmers are looking forward to a further improvement in the Department's performance on payment over last year which itself represented a new level of efficiency," Mr. Donovan said.

The Waterford IFA Livestock Committee Chairman referred to the fact that some farmers may have received letters from the Department seeking

clarification on aspects of their suckler premium and headage applications.

"I would advise farmers to respond speedily to the Department's enquiries. If a farmer doesn't under-

stand the query, he should immediately seek clarification from the Department so that his application can be processed quickly and payments can be issued on time."

## Need To Underpin The Confidence Of Grain Growers

Waterford IFA Grain Committee Chairman, Alex Heskin, has said that 1995 has provided "the first decent harvest weather in years which should give a badly needed boost to the grain sector."

"With satisfactory yields and firm prices, this harvest should help instill some real confidence in the key grain sector, which has suffered an unacceptable decline since CAP Reform," Mr. Heskin said.

The Waterford IFA Grain Chairman said however: "If we are to capitalise on the more positive mood in the grain sector at present, we need to build the confidence of growers for the future by adjusting the inadequate CAP Reform framework in order to match EU regulations to Irish conditions."

"Since the CAP Reform agreement of 1992, IFA has held a clear view that the interests of growers can best be protected through the implementation of Individual Base Areas (IBAs) and the simultaneous removal of the Eligible Land Rule."

The Grain Chairman welcomed the commitment by Agriculture Minister, Ivan Yates to present draft IBA proposals to IFA by October 1. He said IFA would give careful consideration to the Minister's proposals and the attitude of the European Commission in order to arrive at a satisfactory IBA framework to protect the rights of growers and give confidence for the future.

Mr. Heskin said: "While the recent announcement on eligible land exchange will assist some growers, that mechanism goes nowhere near solving the overall problems created by the Eligible Land Rule."

## "BOGUS WATER INSPECTORS" IN AREA

In recent weeks a team of three or four well dressed officious looking men claiming to be water inspectors from the County Council have been calling at households throughout this area. The men request permission to check the quality of the water supply in that residence while their main intention is in fact to rob the house!

We cannot stress strongly enough to everyone especially our senior citizens to be on your guard for these "Bogus Water Inspectors" and their devious crimes.

## DEATH OF WILLIAM WHELAN

The close knit community of Grange suffered the loss of one of its younger members over the week-end with the death of William Whelan, Tinalyra, Grange.

In the prime of life William had been unwell in recent times and his death at Cork University Hospital on Saturday last August 26th leaves a great void in the Whelan family.

From an early age William showed exceptional talent for farming and possessed a great knowledge and skills for everything in the agricultural sector. He spent all of his working career on the farm of John O'Brien of Knocknastooka where he was a very hard working and reliable employee and William will be greatly missed by John and all the O'Brien family.

His removal took place to Grange Church on Sunday evening last and following requiem Mass on Monday morning William was laid to rest in the adjoining cemetery.

Our deepest sympathy is extended to his brothers and sisters, aunts, nephews, nieces, relatives and many friends.

## DEATH OF MRS. MARY LYNCH - O'KEEFFE

The death occurred on Thursday last at St. Joseph's Hospital, Dungarvan of Mrs. Mary O'Keefe, 18 North Main Street, Youghal.

A native of Ballysallagh, Kinsalebeg, Mary was the last surviving member of the Lynch family in this area. Mary had reached an advanced age and had been in ill health for some time. In recent times she was lovingly cared for by the staff in St. Elizabeths Ward.

The O'Keefe's have been renowned members of the Youghal business community down through the years and Mary's late husband was W. J. O'Keefe, plumber, a trade which is still being carried on by the members of their family.

Her removal took place from the hospital on Friday evening last to St. Mary's Parish Church in Youghal. Following requiem Mass on Saturday morning Mary was laid to rest in the adjoining cemetery.

Predeceased by her daughter Mary, Mary is survived by her daughter Pat Downing (Aglis), her sons Joe, Willie and Oliver and all her relatives and friends to whom we wish to extend our deepest sympathy.

All were still in Mosney when going to press. Any success will be reported next week.

## CLASHMORE - KINSALEBEG G.A.A. NOTES

**All Ireland Tickets** — Tickets for this years All Ireland Hurling final Clare v. Offaly will be drawn in the clubhouse on this Thursday night. Any Clashmore/Kinsalebeg members interested should go along on the night.

**Under 16 Hurling** — A great display of hurling from our strong U-16 hurlers against Ring, played in Ardmore recently was not enough to gain victory and Ardmore went home winners by just two points.

**U-21 Hurling** — Once again a strong and competitive game from our Under 21 hurlers against St. Oliver's in Dungarvan last week was not enough to gain them victory but some skillful hurling from Clashmore's Francis O'Rourke, Seamus McGrath, Vincent O'Rourke and Brian Murray gave us a very enjoyable game.

## LEGION OF MARY MEETING

A meeting of the Legion of Mary will be held in the sacristy of Aglish Church on this Thursday August 31st at 8.00 p.m. All are welcome to attend.

## Warm Reception For Donncha O Dulaing

Well known broadcaster, Donncha O Dulaing who hit the headlines recently with his attempt at the first ever coastal walk of the whole island, arrived back in Dungarvan to scenes of joy last Saturday. The walk in aid of the Irish Wheelchair Association, lasted fifty days in the sweltering heat of July and August.

Prior to his official welcome on Saturday, Donncha visited Mooney's Pub in Ring where he enjoyed an entertaining evening of song and dance. The walk commenced on Sunday 9th July in Dungarvan, following a coastal route around the western seaboard, through Northern Ireland and back down to the sunny South East.

The grande finale of Donncha's much publicised charity walk took place in a crowded Grattan Square where he was greeted by the Dungarvan Brass and Reed Band together with a champagne reception.

### WALKER SUPREME

Welcoming Donncha to Dungarvan was Chairperson Cllr. Nuala Ryan said it was no mean achievement to have walked 1100 miles around the coast. "Beautiful as the scenery may have been - I know that the immense commitment you all took on, must have taken its toll on your energy and strength".

Describing Donncha as the 'suncrowned king of Ireland and the champion of a thousand causes', Cllr. Ryan said his achievements were of immense proportions. "His help for charities is legendary and the good he has done can never be fully quantified", she enthused.

"We are proud that you chose Dungarvan for the start and finish of this venture, she said "and I know, and am glad, that County Waterford has been good for your collection. I know that the people of our town will not let you down either and will help you along the way to the magic £100,000".

"Leading that effort locally, is Sadie Moynihan and her team of helpers and I would like to publicly thank them.

We are a generous nation the Cllr. said "and Donncha and his friends have found that out long before now, and it comes as no surprise to hear that they have been equally warm, friendly and generous in Northern Ireland as well. We are also very pleased that events like this can now be cross-border and cross community without any fear and we look forward to greater co-operation between the two parts of this island in the years ahead. Well done to all concerned in this magnificent effort and once more I welcome you to our town on behalf of all our people".

To loud applause, Donncha was then presented with a Waterford Crystal vase by Maurice Hallahan, Personnel Manager, Dungarvan Crystal and a major sponsor of the event.

"As well as raising our target of £100,000 from this walk to support the work of the Association", said Donncha, "it will also raise the awareness of the public to the ongoing abuse of disabled driver parking bays by a minority of people".

## Lismore Woman Is Baking Champion

The search is over for this year's All Ireland Baking Champion with the grand finale taking place at the Limerick Show on August 27th. Mrs. Joan Byrne, Lismore, Co. Waterford has been named overall champion. Premier Dairies in conjunction with the Irish Shows Association launched the event back in June with qualifying events at 32 Agricultural Shows throughout the county including the Dungarvan Agricultural Show where Mrs. Byrne was named the outright winner.

The competition was confined to amateurs and the items entered had to be the unaided work of the competitor. Qualifiers competed to bake the best traditional round brown soda bread, a fruit tart and a decorated cream cake.

"Ireland has a very strong tradition of home-baking", comments Dorothea Lazenby of the Irish Shows Association, "so this event is the most hotly contested of all domestic arts". The competition was open to both men and women with approximately 225 entrants nationwide. "We're not a bit sexist and both last year and this year, we had male finalists".

# DUNGARVAN YOUTH RESOURCE CENTRE

Pictured above are leaders, helpers, children and adults involved in the Kyn Park / Childers Estate Community Playscheme. Included are Fr. M. Kennedy, Triona Foley, Youth & Community Worker and Juliet Pickup, Playscheme Co-ordinator.

## LEADERS DAY OUT

Saturday the 12th of August as many leaders as could make it turned up to the Resource Centre at half two for a trip with a difference! This being with no young people. The idea of the event was to get away and have an enjoyable day out which it definitely was before our return to groups etc. in September. Ger organised the destination and the restaurant, the rest we decided as we went along. After a late start we headed for Cobh for a tour of the Heritage Centre which was well worthwhile. After this we joined the locals to watch Sonya O'Sullivan take gold in the World Championships. This was an added bonus to the day and helped lift spirits a little more, not that they needed to be.

We then enjoyed a beautiful meal in one of the local restaurants. On a recommendation of the owner we completed the night in Katie's where the music was lively and kept us going. Helen knew all the songs while Ger entertained everybody with her own version of "The Old Dungarvan Oak". On a late arrival to Dungarvan some braved the disco which proved to be an experience in itself.

We would all heartily like to thank Nora for driving us around and putting up with us for the day.

## KYNE PARK AND CHILDERS ESTATE COMMUNITY PLAYScheme

This year the venue for the community playscheme was the sports centre. This proved very popular with the children and was easier

to supervise from the organisers point of view.

Ninety children from 5-12 years of age participated in the week. They enjoyed many outdoor and indoor games some old and new. The highlights of the week were visits to the new fire station, Leonard Sheridan's and Liam Curran's farms and a swim in the Park Hotel leisure centre. We would like to thank all of the above for taking us, in such big numbers and helping to make the events enjoyable.

The playscheme was worked by Juliet who was the co-ordinator, eleven leaders and four helpers. The adult supervision came from parents from both areas who unselfishly gave of their time during the week. Last but not least the week was ended by mass which was said by Fr. Kennedy who managed to make it very enjoyable and involving celebration for everybody. The Abbeyside Folk Choir provided music for the mass and as always were excellent. The children all enjoyed a party and a disco afterwards while the parents enjoyed a well deserved cup of tea. The children definitely proved to have more energy than the leaders for the disco. Four o'clock came all too soon and it was time for the children to head home and the leaders to clean up. This was our second combined community venture and proved very successful for the communities and the project. It brought young and old together to cater for their own children. Well done to everybody.

## HOMEWORK CLUB NOTES

On Tuesday evening 7th June 3 cars headed for Clonea Hotel packed with enthusiastic children and leaders from the Homework Club.

As the evening moved on and the skittles fell and our young players improved. The same however could not be said for many of the leaders. During the course of the evening the kids enjoyed light refreshments and before we travelled home they all received a plaque.

Thanks must be given to Jenny McGrath who gave all the plaques for the night and to Baumans for changing the inscription. Also thanks to Clonea Hotel for letting us use their facilities. A special thanks to Jenny, Jimmy, and Maura for using their car to get us to and from the Hotel. A thanks again must be given to our leaders for the commitment to the club. See you all next year.

## WORKSHOPS

These workshops were held for 2 weeks in early July and provided entertainment and learning for the 5-12 years olds from Cathal Brugha and Childers Estate.

Activity workshops were held for the 5-7 year olds where they participated in a variety of planned events which covered art, treasure hunts, nature study, story time and many more events.

Drama workshop was run by Juliet for the 8-12 year olds, where the children expressed themselves through acting and miming. The last day they put on plays for their parents which was most enjoyable.

Art workshop catered for 5-12 year olds and in charge of this was Jeddy. This proved that a lot of children have very artistic talents by the material that was produced in the 2 weeks.

Soccer workshop was run by Liam Foley. Ann Fraher proved to be a topper on the pitch and often out ran older than her.

Many thanks to Liam Foley, Jeddy, Juliet, Glass

social and sports club for the field, Dungarvan United football club for the use of the equipment, Presentation Convent for the use of the hall and anybody else who helped make these 2 weeks a success.

## NEW VOLUNTEERS

With the opening of all our group's coming closer we need new volunteers to help

with the successful running groups. If you are over 20 years old male/female and have one night/day a week free, enjoy a challenge and hard but very rewarding work, contact the Resource Centre at (058) 41698 between Monday - Friday 9.30 - 5 p.m. or call to the office in person at the above times.

We are situated in Friary Street (across from Friary Hall) for more details. Training will be provided

for new leaders to give some initial skills for this kind of work. If your involvement and interest increases follow up training is provided. We cater for a wide range of ages and respond to needs in a lot of different ways there is a large choice to choose from.

Why not call in and find out more before Thursday 7th September. You do not have to commit yourself until you have tried it out.

# New Record High For Tidy Towns Entries

A record 704 entries have been received for the 1995 Tidy Towns competition, which is run by the Department of the Environment in association with Super Valu Supermarkets. This represents an increase of 32 over last year's entry of 672 towns and villages.

The number of participants in the Tidy Towns competition, which has run since 1958, has increased substantially in recent years. Growing interest in Tidy Towns, as indicated by the high number of entries, reflects growing awareness by communities of the role they can play in improving their own towns and villages and the key economic role that tourism now plays in Ireland.

A new feature of this year's Tidy Towns competition is the introduction of a category award to mark ENCY '95 - European Nature Conservation Year. Tidy Towns are being invited to participate in this campaign by drawing up

long-term plans for the protection of natural environment in their areas.

Adjudication is now underway in the 1995 competition, with top scoring entrants scheduled for a further inspection during August. Along with the title of Ireland's Tidiest town, the overall national winner receives £5,000, sponsored by Super Valu supermarkets, the perpetual trophy and grant-aid of a further £5,000 for an approved environ-

mental project. Awards for Ireland's tidiest village and best small and large town are also made, along with county titles and population category prizes. The current holder of the Tidy Towns national title is the village of Galbally in County Limerick and the 1995 Tidy Towns results announcement will be made at a reception in The Royal Hospital, Kilmainham, Dublin on Monday 11th September next.

Sunday night's beat on the street went down a bomb as it were. "It was like the old days" as one member of the town was heard to say. Gordan from Leeds was heard to say "I picked the right area when I came to live in Tallow". "The craic is terrific" added Gordan. Sean Cronin and family home from England enjoyed the week which left Sean gasping for air on more than one occasion.

Liam Mulcahy and daughter were down from The North and like the rest of the visitors enjoyed the week. Liam had to head back home on Monday last but we know he will enjoy reading these

notes as he does every week. Florence Singleton was back home for the week-end and again enjoyed it.

#### CHIP AND THE HONKY TONK LINE DANCERS

This group got a terrific reception from the big crowd when they came on stage. This group from Cork gave a terrific performance that left the crowd looking for more. Eileen Martin a local was given a marvellous reception when introduced to the crowd.

The night finished off with John and Chris and Beat on the Street and around 11.45 p.m. the curtain came down on the stage and drew a terrific day to a close.

The committee would like to thank W.L.R. and the line dancers for their performances on stage. Thanks also to Willie Joe Fitzgerald and son Brian who came to our rescue earlier in the evening.

Our thanks also to everyone who helped out in the field on Sunday and especially Ann and her friend. Thanks also to Joan Bolger who judged the baby show.

The festival rounds off on Sunday in the G.A.A. with a

camogie match.

Sympathy — The club extends its deepest sympathy to the Keyes family of The Old Road on the sad passing of Paddy. May he rest in peace.

## The Different Hurling Styles

Cork's hurling in the late 80's and early 90's was faithful to traditional rebel values which featured tight marking backs, good moves of the ball in midfield and quick two sided forwards who were adept at point scoring. The teams which brought titles to Cork in 86 and 90 did so with style and panache and had an approach which was so straight forward as to be the antithesis of Galway's. Johnny Clifford and Canon Ml. O'Brien were the re-

spected coaches of those sides. Both espoused what might be described as the Modh Dhircach where ground hurling was an important constituent and where a player played the ball quickly, forward rather than indulge in convoluted running and passing stratagems. Jim Cashman, Denis Mulcahy, John Fenton, Jimmy Barry Murphy, John Fitzgibbon, Kevin Hennessey and Tomas Mulcahy. They could run, pass and shoot with aplomb. It was in this era that John Fenton scored that memorable goal against Limerick when he moved the ball forward before powering an unstoppable ground shot past Tommy Quaide. Equally indelibly etched on the memory is John Fitzgibbon's goal against Tipp' in Pairc Ui Chaoimh from three simple ground touches at a time when Kenny Hogan was at his best. One was the product of power, the other subtlety, control and quickness. Johnny Clifford was a great performer as player for Glen Rovers and Cork and as coach to its minor and senior teams afterwards. His own playing style was quintessentially the Cork style of securing possession and getting the sliotar forward to the attack who took the direct option unless badly placed. Their ability (and Johnny's) to strike the ball properly from the ground or from the hand and score gave a huge boost to midfield and backs whose efforts were consequently redoubled to the advantage of the whole team. The morale of defenders crumbles easily if all of their efforts result in the ball coming right back on top of them time after time. I referred a couple of weeks ago to how little ground hurling Cork played in the 1992 All Ireland against Kilkenny. In fact they played virtually none. I can recall only one meaningful ground stroke in that game and that came from the stick of Pat Buck-

When Johnny took over 2 years ago as Cork supremo he made a very bold statement.

He said he expected Cork to become All Ireland champions within 2 years. I'm sure he meant what he said but now his words make his claim a little ridiculous. When Waterford won the 1992 Under 21 national title and our minors reached the final (which they could have won) many euphoric supporters shouted aloud that a senior breakthrough was just around the corner. This very year our county Chairman proudly asserted that a senior All Ireland title for Waterford was imminent. This was before we met Tipp in Cork, a team who apparently didn't share his view. One other statement made by the admirable Johnny which gave offence was that any given year Cork would always beat Galway. He never, I'm sure, meant to hurt Galway folk and was 'probably' saying however undiplomatically that Galway's style posed no great problem for the reds. Cork's successes in 1966 and 1990 seemed to indicate his opinion and because Galway could very well have won both of those finals if they hadn't been tied into a too rigid possession system which Cork's positive and direct play coped with successfully. And in all of this Cork made use of all of the important skills. The moved the ball on the ground, lifted and carried it, passed it, caught it in the air (Teddy McCarthy in particular) and used both sides effectively.

Only poor management denied Cork in 1992 and Kilkenny of course. Fr. Michael O'Brien was a very keen knowledgeable hurling man with a sound tactical sense. He was a strong

forceful character whose autocratic manner didn't always find rapport will all his panel. That harshness of expression and intolerance of weakness didn't always elicit the desired response from players especially from those of a retiring disposition. His authoritarian manner was needed in 1990 and bore a rich harvest. By 1992 its effectiveness had diminished (he was Canon by then) and Cork's hurling in the final and tactical approach were faulty. Where was the most effective counter to Kilkenny's slickness, quick ground striking? Why place a hurling sorcerer like John Fitzgibbon at full forward and encourage the lift and handle merchants to loft in the high ball time after time when the low ball, driven forward quickly, would be grist to 'Fitzie's Mill'? Management stood indicted in this instance and for the switches not made and the replacements not used.

Cork's 1995 style would have me less than enamoured, if I were a Corkman as would their unwieldy management team of 5. No 5 people can operate effectively on a big day given that a match slips quickly by and consultation almost impossible in the heat of battle. Where they achieve success one usually is more equal than the other 4 selectors and tends to dominate thus thrusting upon the hapless 4 the unwelcome role of yesman. This year's Cork team had no clearly identifiable leaders and lacked an experienced backbone. A team without a hard core of experience is unbalanced and young players despite all their vigour and exuberance are easily dispirited and quickly lose their composure. A Mark Mullins type of centre forward has good qualities but isn't quick enough or direct enough for the position. Will Cork return to the more traditional values in 1996? Let's wait and see.

## KILROSSANTY G.A.A. NOTES

**Senior Football**—Last Sunday evening in the Fraher field we beat Ballinacourty in the quarter final of the championship on the score of 2-7 to 0-4. We never really got going in the first half of the match and our 0-3 to 0-2 half time lead looked fragile as we played with the breeze. However our second half performance was much better as goals from Jim Maher and Neil O'Connor sealed victory. Apart from the goals the rest of the team really got going in the second half and a similar display will be required on September 10th against Stradbally in the semi final.

Great credit is due to Michael Murphy of Melleray Road, Cappoquin. Michael did most of the work in getting sponsors, which is not an easy job any day. He also made sure of the efficient organising of the race.

On behalf of Dungarvan MS, I would like to thank Tony Ryan and the Committee of the Dungarvan Athletic Club for their kind gesture in giving the pro-

ceeds of the Dromana Run to the Dungarvan Multiple Sclerosis Branch.

# Loyko To Extend Summer Tour

Russian Gypsy band Loyko are to extend their current summer tour which has brought their spellbinding music to festival and concert audiences throughout Britain and Ireland. During their recent four month European tour they have received rave reviews for concerts in Vienna, Munich, Frankfurt, Berlin and many smaller cities.

Loyko was founded in 1991 by violinists Sergei Erdenko and Oleg Ponomarev. Sergei and Oleg are cousins and belong to one of Russia's oldest Gypsy clans of musicians, singers and dancers whose traditions date back to the days when their legendary ancestor, Loyko Zabar, and his violin were still travelling around Russia. Vadim Kulitski, the guitar player, joined the band in 1992.

Since then Loyko have played hundreds of concerts all over Ireland, Britain and Germany and appeared on numerous radio and television shows such as 'Kenny Live!' on RTE and the Jools Holland Show on BBC2. They have played on al-

bums by Ron Wood and Christy Hennessey and are the subject of a documentary film directed by Michael MacSweeney and narrated by John Hurt. The magic of Loyko's music has been highly praised in many

publications including The Times and The Irish Times.

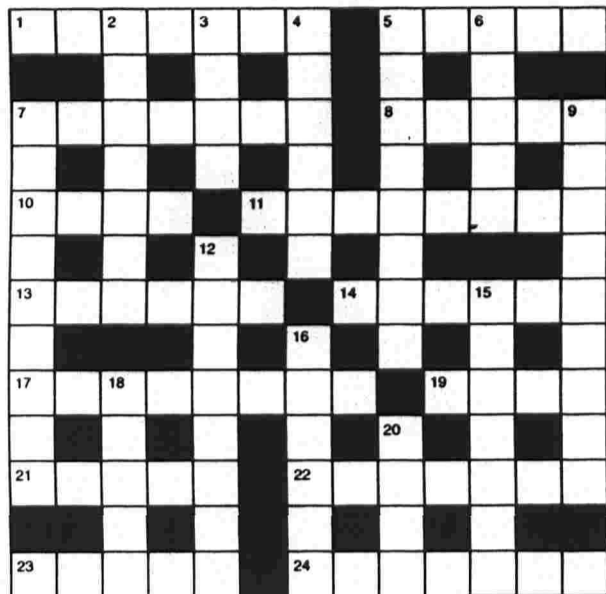

No doubt their forthcoming appearance at Mooney's Pub, Ring this Friday 1st September will see many more audiences enchanted by the Loyko spell.

# IN MEMORIAM

**ALLEN — First Anniversary —** In loving memory of Kathleen Allen, Fountain, Knockanore, Co. Waterford, who died on September 5, 1994. R.I.P.

We speak your name with love and pride,  
We smile through tears we cannot hide,  
Thank you for the years we shared,  
The love you gave and the way you cared.

(Sadly missed by your loving family.)

**CROTTY — First Anniversary —** In loving memory of my dear wife, Kitty Crotty, late of Lower Main Street, Cappoquin, who died on September 3, 1994. R.I.P.

Anniversary Mass on Sunday, September 3 in St. Mary's Church, Cappoquin, at 11.30 a.m.

I sat beside your bedside,  
My heart was crushed and sore,  
I did my duty to the end,  
Till I could do no more.  
In tears I watched you sinking,  
I watched you fade away,  
And though my heart was breaking,  
I knew you could not stay.  
You left behind an aching heart,  
That loved you most sincere,  
I never shall and never will,  
Forget you, Kitty dear.  
God give me the strength to bear it,  
And courage to fight the blow,  
What it meant to lose you,  
God alone will ever know.  
(Sadly missed by your loving husband, Arthur.)

**CROTTY — First Anniversary —** In loving memory of my dear mother, Kitty Crotty, late of Lower Main Street, Cappoquin, who died on September 3, 1994. R.I.P.

I want to tell you something,  
Mam,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to be without.  
I wish I could see you Mam,  
Sitting in your chair,  
I wish that I could go in home,  
And find you waiting there.  
It seems like only yesterday,  
The wound is still sore,  
For every hour of every day,  
I miss you more and more.  
They say that hearts don't really break,  
Dear Lord, that's just not true,  
The day you took my Mam from me,  
You broke my heart in two.  
(Sadly missed by your loving daughter Anna and son-in-law Johnny.)

**CROTTY — First Anniversary —** Treasured memories of our dear Nan, Kitty Crotty, late of Lower Main Street, Cappoquin, who died on September 3, 1994.

We lost a Nan with a heart of gold,  
How much we miss you can never be told,  
She shared our troubles and helped us along,  
If we follow your footsteps we will never go wrong.  
We miss you from your fire-side chair,  
Your loving smile and gentle air,  
Your vacant place no one can fill,  
We miss you now and always will.  
You were a Nan so very rare,  
Content in your home and always there.  
On earth you toiled in heaven you rest,  
God bless you Nan, you were one of the best.  
Each time we look at your picture,  
You seem to smile and say,  
Don't be sad but courage take,  
And love each other for my sake.  
(Sadly missed by your grandchildren Deirdre and David.)

**NEVILLE —** In loving memory of my dear wife Annie, late of New Street, Lismore, who died on August 29, 1993.

You were a wife so very rare,  
Content in your home and always there,  
Your presence I miss and memories I treasure,  
Missing you always, forgetting you never.  
(Your loving husband Bertie.)

Your name is often mentioned,  
Our thoughts are with you still,  
You haven't been forgotten,  
What's more you never will.

**POWER — Twenty-sixth Anniversary —** In loving memory of Margaret Power, late of 10, Western Terrace, Dungarvan, who died on August 27, 1969.

## NOVENAS

**PRAYER TO ST. MARTHA —** O St. Martha, I resort to thee and to thy petition and faith. I offer up to thee this light which I shall burn every Tuesday for nine Tuesdays. Comfort me in all my difficulties through the great favour thou didst enjoy when Our Saviour lodged in thy house. I beseech thee, St. Martha, to have definite pity in regard to the favour I ask (mention favour). Intercede for my family that we may always be provided for in all our necessities. I ask thee, St. Martha, to overcome the dragon which thou didst cast at thy feet. Say one Our Father and three Hail Marys before a lighted candle every Tuesday for nine consecutive Tuesdays. This miraculous saint grants everything before the Tuesdays are ended, no matter how difficult. Publication must be promised. — J.L.

**A PRAYER TO THE BLESSED VIRGIN (Never known to fail) —** O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on 3 consecutive days. After days the request will be granted. This prayer must be published after the favour is granted.

## BOWLING IN CAPPOQUIN

# The Jessie Gallagher Memorial Cup Final

## Plus The Ladies Bowling Final

SUNDAY 20th  
AUGUST

We started at 10 a.m. with the ladies final. A very big crowd were on the road for this one in which Breda Fitzgerald, Mary Ann Allen and Ruth Wilkinson were competing. The final was thrown down the road. All three had good opening shots, Mary Ann with an advantage over Ruth with Breda just behind. Mary Ann threw a huge second bowl to increase her advantage. At the 'boiler' she was a bowl up on the other two, Ruth holding second place and by the 'gully' the only thing to be decided was who would be second as Mary Ann had gone two bowls up. It was a fantastic tussle for second place with Ruth clinching it with the last shot. It was a very entertaining final and all three are to

congratulated on the sporting manner in which it was played. It was time for refreshments and to prepare for the big one, the Jessie Gallagher Grand final timed for 3.30 p.m.

### "GLADIATORS" READY

At 3.30, a huge crowd had gathered at the monument. The "Gladiators" were ready, the handicaps as follows: Deige Fiannusa, scratch; Brian Cahill (+1); Timmy Fitzgerald (+3) and Thomas Cahill (+5). Fian-nusa was even money favourite, Cahill in from 3/1 to 6/4, and Fitz and Thomas Cahill at 5/2.

Deige was first away with a great shot. Brian drove his to the right and off the road. Timmy had a good shot and Thomas had an equally good one. Brian's second shot was a big one to compensate for

the first. Timmy had another good one to leave him just short of the bend. Thomas had another good one but Deige's second shot was again breathtaking. It went all the way round the bend to equal his achievement in the 'A' final. The others took another shot each to be up with Deige, so he had reduced the handicap on all three. Three more great shots took Deige to the 'boiler'. Brian also produced great shots to be there in six. The other two were there in seven. At the 'rats' there were no change in the order with Brian just a bowl off Deige, Thomas two bowls further back and Timmy bringing up the rear. Over the 'C' line in thirteen for Deige, fourteen Brian, sixteen for Thomas and Timmy. Brian now started to throw fantastic shots and was reducing the deficit on Deige with ever shot. Thomas and Timmy were now fighting it out for third and fourth, so we had two great battles in the one score. At Ahearnes Cross Brian had reduced the odds to 100 metres.

Thomas was holding off Timmy's challenge for third place. Two shots from the line Brian had the deficit down to 50 metres but Deige then produced a stunning shot to ensure victory and take the Cup. Brian's great performance would have won him most finals but he had to settle for second. Timmy went ahead of Thomas going into the last shot but in the last shot Thomas produced a 'miler' to take the third position with Timmy just two metres back in fourth.

### PRESENTATION OF PRIZES

At 10 p.m. the presenting of prizes began. A huge crowd assembled in Lawlors Lounge where the atmosphere was electric. We started with the ladies, first on stage was Breda Fitzgerald to collect her third prize of a beautiful Galway crystal bowl, Ruth Wilkinson took the second prize another Galway bowl and the winner Mary Ann Allen was next on stage to tumultuous applause to collect the winners prize of a ten inch Galway Crystal vase.

The prizes were presented by Tony Hickey on behalf of Cappoquin Estate Company

who sponsored them. The winner was then presented with a perpetual shield sponsored by the 'Tavern Bar' - Noel Farrelly proprietor presented the shield.

In the 'C' group Benny Cunningham took third prize and Christy Keohan took second. In the 'B' group Paul Flynn took the third and Pat Fitzgerald took second. In the 'A' group Mick Connors took the third place with Billy Casey second.

We were now ready for the grand final presentation. First on stage was Timmy Fitzgerald to collect a Galway Crystal vase and a cash prize for fourth position. Thomas Cahill was next to collect his prize of a Waterford Crystal clock. The runner-up Brian Cahill received a ten inch Waterford Crystal vase, all three received huge ovations but the biggest ovation of the night was reserved for the winner, - a great bowler and sportsman Deige Fiannusa. The Cup and Waterford Crystal clock was presented to the winner amid joyous scenes. The Cup was filled with brandy and champagne and sampled by all.

Tony Hickey was presented with an appreciation

award by Tommy O' Sullivan on behalf of the bowlers.

The night continued with music and craic. The bowlers club would like to thank all of its sponsors with whom the tournament could not be such an outstanding success. Also the people who marshalled the road during the final and did an excellent job. The ladies who catered for the huge crowd with all kinds of food during the presentation reception, Tommy O'Sullivan

who helped sell tickets to help finance the catering on the night, the local papers, and anybody else who helped in any way with the running of the tournament. Lastly but not least all who competed in both the ladies and the mens in such a sporting manner and hope to see them all compete again next year.

A special word of thanks is extended to the management and staff of Lawlors Lounge, who looked after us so well.

**DUNGARVAN SEA ANGLING CLUB**

# Maestro Cronin Shows The Way

Pictured above are the prize winners in Dungarvan Sea Angling Club's Panasonic Competition sponsored by Ben O'Neill, O'Connell Street, Dungarvan. With poor fishing reports over the last week or so it was even considered that Sundays double event might be put back, however as it turned out John Cronin (the new Irish team captain) blazed the way to a victory with an encouraging score of 194 points which is a good score on any outing. This was sufficient to yield first place in the Ben O'Neill Panasonic competition. Following and not too far behind was his partner in the doubles, Tony Crowe, with another excellent score of 176 points. This all goes

to show that when the chips are down the good anglers can still get the fish! Two short snippets, I was talking to one of the trawlermen during the week and he was saying that he is getting a lot of conger in the trawls six to eight miles off, a most unusual phenomenon, as this is a long way from their usual rockery habitats. He also stated that he is getting ray there as well and this is new in his (vast I can assure) experience. He puts it down to a blackness in the water, I was just wondering then if this might be the pre-

lude to the red tide which caused us such havoc last year. I'll be keeping a weather eye out and I would appreciate any explanations. The other tit-bit was from a farmer yesterday evening who informed me that the swallows lined up on their usual E.S.B. perches over two weeks ago and left en-masse, which is about a month ahead of their normal schedule. Please don't write in and tell me that you have seen a swallow as there are still quite a few strays who have stayed. I wonder if there is any scientific expla-

nations for either events or if there is a connection between the two.

The following are the results of the two competitions:

## RAILWAY ATHLETIC (CAPPOQUIN) NOTES

### RAILWAY ATHLETIC 3 RATHGORMACK 0

On Sunday morning last our 1B side picked up a valuable three points at home to Rathgormack. We started very brightly and took the lead after six minutes when Stephen Quinn forced the ball home at the second attempt. We lost striker Frank McLoughlin after fifteen minutes and he was replaced by Derri Coughlan who was to have an excellent game. We went two up after thirty-five minutes when some good patient approach work was finished to the net by John Quann. We had a few more long range efforts after this but still only led 2-0 at half time.

We wrapped the game up midway through the second half when Derri Coughlan was taken down in the area and Conor Prendergast scored from the resultant spot kick to leave us very comfortable winners.

Team — G. Arrigan, M. Browne, G. Reddy, T. Mansfield, M. Reddy (capt.), S. Quinn, P. Manahan, C. Prendergast, E. Murphy, F. McLoughlin. Res., D. Coughlan for F. McLoughlin and D. Mason for T. Mansfield (both injured).

### FIXTURES

Saturday, Sept. 2 — Div. 1B home to St. Pauls, 2.15 p.m.; Sunday, Sept. 3 — Div. 3B away to Tramore; Monday, Sept. 4 — u-15s away to Kilmacthomas.

### DRAW

### RAILWAY ATHLETIC 2 TRAMORE RANGERS 2

On Saturday last our 3B side played host to Tramore Rangers in our second league game. We played very well but twice let the lead slip.

We started very well and after two minutes Packie Manahan headed against the crossbar from a Timmy Fitzgerald cross. Railway dominated the early exchanges and after 25 minutes we once again hit the crossbar when Derri Coughlan hammered a 25 yard effort against the woodwork (with his left leg!) and was cleared to safety.

They did come more into it in the second half but were still rather fortunate to get their first equaliser when a long ball from midfield hopped in our area and went straight over the keeper into an empty net.

Tramore began to get on top for a period after this but with ten minutes to go, great work by John Lynch on the right saw him make space to cross and after a goalmouth scramble Rhiney Walsh knocked the ball to the back of the Tramore net.

Railway should have held on from here but gave away a needless corner with six minutes remaining and a Tramore player scored with a near post corner.

Team — C. Cullinane, D. Coughlan, L. Costin, D. Mason, M. Browne, D. Morrissey, G. Morrissey, P. Manahan, T. Fitzgerald, R. Walsh (capt.), J. Manahan. Res., W. Fraher for D. Morrissey, J. Lynch for G. Morrissey, P. Ormonde for T. Fitzgerald, J. Quann.

## ABBEYSIDE A.F.C. NOTES

U-14—Our U-14 game was called off over the weekend because of Bolton's failure to field a team.

Training however continues for those who are interested, times for training posted on clubhouse notice board.

Division 1B—Another mix up in fixture times resulted in this game not going ahead. Saturday 2nd September this time with a 2.15 p.m. kick off. The Villagers take on Hibs.

### U-16 LEAGUE

## McCarthy Sets The Pace

### ABBEYSIDE 3 DE LA SALLE 2

Ronan McCarthy shot the Villagers into the lead with an early goal in this the 1st game of the season for our U-16's. The team is only just starting to shape up under the management of Dwane Cantwell and Jeremy Walsh, and no doubt the team will see changes as the season progresses. Some fine individual performances from players, some who have only now just started playing together, indicates a promising side for the season ahead.

Abbeyside started the second period 2-1 up after the artful Gary Hurney slotted to the net just before the break, Abbeyside's third goal came from the boot of Colm Fennell, scoring directly from the corner spot.

Midway through the period the visitors pulled one back, so this was the score at the final whistle.

Abbeyside—D. Shepperd, J. Thomson, R. Curran, G. Lyons, Brian Hayes (Capt.), B. 'Mano' Mansfield, G. Hurney, P. Hayes, J. Phelan, R. McCarthy and C. Fennell.

Sunshine Lottery—No winners this week. The money goes up to £800 next week. The numbers were drawn at O'Connors by none other than Mossie Donovan. Mossie played a key role in the Villagers first ever league victory.

Numbers drawn were 11 - 25 - 26.

Fixtures—Wednesday 30th, youths B, Kilmac' v Abbeyside 6.30 p.m.; Saturday 2nd, 1B Abbeyside v Hibs 2.15 p.m.; Saturday 2nd, U-16 Kilmacow v Abbeyside 2.30 p.m.; Saturday 2nd, U-14 Abbeyside v Hibs 11.45 a.m.

## DUNGARVAN UTD. — DIV. 1A LEAGUE

# Shock Home Defeat For Blues

DUNGARVAN UTD 1 DE LA SALLE 2

After a dismal performance, the Blues slumped to an unexpected defeat at the hands of city side De La Salle at Kilrush Park on Sunday morning last.

After last weeks great result against Johnville this was a game that the Blues were hoping to win and with three points for a win this season it is vital to win your home games. The home side played against a stiff breeze in the opening half and the visitors applied early pressure. Dungarvan weathered the storm and seemed to take the lead after 16 minutes. A great ball from Ferncombe put Donnelly clean and as he cut into the box he was pulled back by the full back but he managed to shoot home, but the referee for some reason known only to himself awarded a free out. The ref again incurred the wrath of Dungarvan after 25 minutes when McGrath picked up the ball on the half way line, raced past the last man who brought him

down but only the yellow card was issued by referee Mahon. Although the visitors enjoyed the lions share of possession they only threatened O'Neill on one occasion when he made a fine save from the winger's rasping shot. Ferncombe had the Blues best chance just before the break, but he shot wide from a good position. Disaster befell Dungarvan 5 minutes into the second half when Cowming (who had a fine game) failed to clear and the winger shot across O'Neill into the far corner. Worse was to follow in the 53rd minute when O'Connor was dispossessed 20 yards out and the winger skipped past Sheehan and squared the ball to the intruding midfielder who gave O'Neill no chance. These were two major body blows but the

Blues responded and were unlucky when Kiely first failed to get his head to O'Connor's superb cross. The home side did reduce the deficit after 72 minutes when Donnelly headed home Ferncombes cross. Any hopes that the Blues had of saving the game evaporated with 8 minutes remaining when full back Gough was sent off for dissent. On the stroke of time however Dungarvan should have had a share of the points but Ferncombes shot lacked the power to beat the

keeper. The Blues now face four tough away games and they will have to improve considerably if they are not to be left behind.

Team—Kealon O'Neill, Chris Gough, Willie Coward, Michael Cowming, Tommy Sheehan, Timmy Kiely (captain), John Donnelly, Gerry O'Connor, Peter Ferncombe, David Wall and Denis McGrath. Res: Jason Hyslop for Wall, Colin Walsh for O'Connor, Owen Simms and Alan Beatty not used. Man of the match: Michael Cowming.

## DUNGARVAN UTD — U-15 LEAGUE

## Under 15 Teens Off To Winning Start

DUNGARVAN 4 SEAVIEW CELTIC 0

On Monday night last the Blues started their league campaign with a four nil home win against Seaview Celtic.

Dungarvan started very well with Benny Horn playing well in his new position as sweeper. The first half was not very good for Dungarvan but as the half drew to its end, Dungarvan won a corner and when the ball was headed clear, Craig Cowming volleyed the ball home. The half ended with Dungarvan 1-0 ahead.

In the second half the Blues played some lovely football with the ever willing Vinny Sullivan working hard up front. Dungarvan scored their second goal through Craig Cowming. Their third goal was a cracker from the impressive Garry Collins. The Blues scored their fourth when the ball was cleared by the Blues defence and Vinny Sullivan won the race against the keeper and as the ball came back out, Damien Power was on hand to tap the ball to the roof of the net.

This was a good team display with the old and new working very well with J. J. Kelleher outstanding.

Dungarvan — W. Duggan, C. Power, B. Horn, O.

Morrissey, M. McGovern, J. J. Kelleher, G. Collins, C. Cowming, B. Duggan (capt.), V. Sullivan, B. O'Brien, Subs. — D. Power for B. Duggan.

## DUNGARVAN UNITED — T.S.B. CUP (1ST ROUND)

# Dungarvan Leave It Slip Again

RAILWAY ATHLETIC 2 DUNGARVAN 'B' 2  
(RAILWAY WIN 4-0 ON PENALTIES AFTER EXTRA TIME)

Dungarvan 2B took on Railway, one of the favourites for the 1B league this season, at Cappoquin in the first round of the T.S.B. Cup on Tuesday evening last.

This was a game the Blues controlled from start to finish and only their own inability to capitalise on their possession stopped them from advancing to the next round.

After missing a number of good chances it came as no surprise when J. W. Power received the ball twenty yards out and he curled a

lovely shot into the top right hand corner to give the home keeper no chance. This was a deserved lead the Blues took to half time.

The second half went much as the first with Dungarvan continuing to control the game up until the visitor's defence was caught napping with a counter attack to put the home side back on level terms.

This gave Railway the boost they needed and they started to capitalise on their experience of playing on this sloping pitch.

Dungarvan substitute

David Sheehan then put in a low hard cross from the right that was deflected off a defender into the net to give the visitors a 2-1 lead. This should have been enough for Dungarvan but with minutes remaining a dangerous cross again from the right was misjudged on the sloping pitch and defenders and keeper and it broke to the incoming forward to make it 2-2 and extra time.

The best chance of extra time fell to the home team. With the visitors defence and keeper beaten a Railway player put the ball over

the bar from close range.

There was to be no excitement in the penalty shoot out, not for the Blues anyway. P. Tutty, A. Landers and K. Wall all failed to score for Dungarvan, while Railway's first four penalty takers made no mistake to give them a 4-0 win.

Dungarvan should be disappointed at leaving this game slip but they can take some consolation with their domination for most of the game. But at the end of the day results are what count.

Dungarvan — C. McGregor, S. Cummins, F. O'Rourke, P. Tutty, A. Landers, M. Ferncombe, B. Wade, W. Halpin, J. W. Power, K. Wall, E. Mansfield. Res. — P. Flynn, A. Simms, J. Downey, D. Sheehan.

Man of the Match — F. O'Rourke.

## BALLINROAD SOCCER NOTES — DIVISION 3A LEAGUE

## Five Goal Freyne Destroys St. Saviours

ST. SAVIOURS 0 BALLINROAD 7

Ballinroad gained their biggest win in years when they hit city side St. Saviours for seven on Saturday last.

Ballinroad started in whirlwind fashion when Paul Freyne gained possession on the edge of the box, beat two defenders and sent an unstoppable shot high into the net. Ballinroad had got the best possible start after only 30 seconds but for the next twenty minutes played second fiddle to a home side who played a slick passing game.

Our goal had a few narrow escapes and it took some stout defending to keep the city men out.

Somewhat against the run of play we added our second goal in the 30th minute when St. Saviours keeper

Whelan could only parry a fierce drive from Maurice Tobin and Freyne was on hand to provide the finish. Shortly afterwards we lost our influential captain Maurice Foley with a serious ankle injury which will keep him out of action for a few weeks.

Ballinroad started the second half on the attack and Paul Freyne completed his hat-trick in the 50th minute when he left the defenders for dead to rifle the net. Saviours were thrown a life line in the 63rd minute when they were awarded a penalty, but to their horror Gough's shot hit the upright and rebounded to safety. Ballinroad's defence swept the ball upfield and yes, you've guessed it, Paul was on hand for his fourth goal. With Saviours devastated Ballinroad completed the rout with further goals from

Freyne and the Tobin brothers Vinny and Maurice.

While never believing in man of the match awards the goal scoring feats of Paul Freyne had to be admired. Well done to all players on a job well done.

Ballinroad — Reynolds, Boland, McCarthy, B. Burke, Foley, Lacey, Thompson, V. Tobin, Freyne, Mcc. Tobin. Res. — Ml. Fraher, Ray Burke (both used).

On Sunday morning we face our toughest test to date when we play hosts to Portlaw. With Mor out we need a super human effort to gain victory.

### WEEKEND RESULTS

After their big win the previous week our Div. 1A side were brought down to earth with a bang on Sunday morning last when they went down 2-1 at home to De La Salle. Having played against a stiff breeze in the first half the Blues were happy to go in scoreless at half time.

However, the visitors scored 2 minutes into the second half after a defensive lapse. Five minutes later De La Salle went two nil up and after this Dungarvan were always chasing the game. John Donnelly pulled a goal back after 67 mins. and Pepe Ferncombe was unlucky not to equalise in injury time when the keeper made a fine save.

Our 3B side scored another impressive 3-0 victory away to fancied Seaview Celtic side on Saturday afternoon last. The sides were scoreless at the interval but captain Thomas "Pops" Wright put the Blues one up a minute into the second half. Two minutes later John "Foggy" Walsh got goal number two and Paul "Kidney" Sheehan got the third and final score in the 58th minute. So a good start for Liam Sandford's side with two away victories.

Our Div. 2 side put up a great display away to Railway "A" on Tuesday week

in the 1st round of the T.S.B. cup. From reports we hear Thomas Duggan's side should have won this game with Railway equalising in the last minute and then winning on penalties.

Our under 16 side got their league campaign off to the best possible start on Saturday last with a 5-0 victory over Rathgormack at Kilrush. J. D. O'Shea's side dominated this game from start to finish with goals from John Paul Keohane (2), Kevin Walsh, Vincent O'Sullivan and Donie Kelleher (pen).

Our under-15 side also got their league programme off to a winning start on Monday evening last with a fine 4-0 victory.

## Battling Blues Take Points

### SEAVIEW CELTIC 0 DUNGARVAN 3

Dungarvan travelled down the coast road on Saturday afternoon last and can consider themselves somewhat lucky to come away with a rather flattering 3-0 victory over a very good Seaview side.

Seaview started well and had the Blues defence of Ber Whelan, John O'Shea, Michael Hart and John Power under pressure for long periods of the opening 20 minutes, but seldom caused Johnny Sheehan in the Blues goal any great problems. The visitors had a real let-off on the half hour when from a Seaview corner their midfielder rose high on the edge of the box and his header flew just past the post. Soon after this Johnny Sheehan brought off two good saves to keep the Blues on level terms until half time.

The second half was only a minute old when Dungarvan, with the wind at their backs, kicked a high ball into the Seaview penalty area, the centre back failed to control the ball and it fell to Tomás Wright who scored from close range. This goal was a great boost to the Blues as it came against the run of play. In

football you've got to take your chances!

Six minutes later Ber Whelan floated a free kick into the Seaview area which fell to John Walsh, who made no mistake for a well taken goal. Now two up, the Blues began to relax a little and play better football. On the 13th minute minute Mark Walsh received the ball on the right of midfield, he crossed a good ball into Paul Sheehan who coolly glanced the ball into the corner of the net past the advancing keeper.

By now the Dungarvan midfield of P. J. Drummy and Matty Ducey were doing well but the Seaview attack never gave up and even though 3-0 down they still came at Dungarvan at every opportunity, but lacked penetration.

Dungarvan — Johnny Sheehan, John O'Shea, Ber Whelan, Michael Hart, John Power, P. J. Drummy, Matty Ducey, John Walsh, Tomás Wright (capt.), Thomas Donovan, Paul Sheehan. Res. Colin Walsh for John Walsh, Vincent Tutty for Tomás Wright, John Kyne for Ber Whelan, James Cooney.

## ATHLETICS BY RACE LEADER

# West Waterford Win Mazda National Finals

Formed less than two years ago, West Waterford Athletic club announced its arrival on the National scene in style last Sunday week when winning the mens division 2 final of the Mazda Irish Senior Track and Field Leagues in Tullamore.

This club was organised to consolidate and protect the presence of athletics in the West Waterford area by keeping the under age athletes of Cappoquin/Ballinameela A.C., Dungarvan A.C. and Ring/Old Parish A.C. involved in the sport after juvenile ranks. In doing so it has also produced a unifying effect among the athletes of all three clubs and it has made little of the notion that combinations such as this just do not work.

## FITTING PRESENTATION

Both West Waterford's mens and womens teams who on the day were sponsored by those long time friends of athletes Waterford Foods, qualified for these National Mazda League Finals. While the ladies team did not figure among the honours list this time around, the experience of competition at this level will stand to them in future campaigns.

The mens team who had qualified fifth out of eight finalists for Tullamore really rose to the occasion when relegating the fancied teams to the minor positions. The team was captained by Frank O'Brien from Dungarvan and it was fitting that it was he who received the Mazda trophy from David Pickering as over the years Frank has given great service to his sport. Last Sunday weeks presentation was in stark contrast to the lonely hours that Frank has spent over the years in the shot and discus training circle at St. Augustines College. He also made a telling contribution on the day in winning the shot putt with a throw of 13.13 metres and the discus with a mark of 44.04 metres.

Individual wins were also recorded by Jamie Costin in the 5k walk in 21.50, Derek Hayes in the 110 metres hurdles in 15.26 secs, Mark Deevey in the pole vault with a leap of 3.40 metres and Sean Foley guesting from Waterford A.C. in the 5k run in 15.43 secs. These victories in varied events, were a great boost in achieving overall victory.

## TEAM EFFORT

The team title and promotion to division one next year was won with a total of 114 pts. with the pre competition favourites from Donegal, Finn Valley second on 111 pts. In such a tight match every point scored

was a winning one and it was a solid team effort that eventually carried the day.

Leo Clancy showed his speed over the shorter distances when clocking a speedy 11.68 secs in the 100 metres in fourth position and 23.63 secs in the 200 metres in third spot. Brian Swaby scored points in the 400 metres and 1500 metres as did Kevin Healy in the 800 metres in 2 mins 12 secs. Tony Harty rallied to the cause in the 3k steeplechase and Austin Flavin scored points in the 400 metres hurdles. Valuable points were secured in the relay events with such as Edwin Flavin, Michael Morrissey, Alan Kirwan and Kevin Corcoran displaying impressive form. The 4 x 100 metres team clocked 46.06 secs in second position and the 4 x 400 metres team finished sixth in 3 mins 52 secs.

In the field events Derek Hayes was denied a double when finishing second in the javelin, a position also occupied by David Murphy, guesting from St. Pauls A.C. in the triple jump. A new look Shane Scanlon was second in the hammer with a heave of 45.34 metres and he scored further in the 56 lbs. for distance with a mark of 5.44 metres. His newly grown beard attracted a suspicion of illegality from some officials but this mix up was quickly sorted out. Though not competing in the finals at Tullamore other athletes who took part in earlier rounds included Morgan Hamm, Derek Kenneally, Michael Ahearne, Walter Galvin, Trevor Walsh, Philip Harty, Dermot Keyes and Mark Radley.

## LONE MUNSTER WINNERS

On the day West Waterford A.C. were the lone Munster winners with the other three victories coming from the province of Leinster. The win was a just reward for the organisational efforts of team manager John McGrath while the coaching input of Bro. Patrick Lennon once again paid dividends. The West Waterford involvement was completed by Ned and Mary O'Brien who were active in a judging capacity.

## LADIES LEAGUE

Ailish O'Brien completed a family double in the league finals when winning the discus with a throw of 37.35 metres and she was also fourth in the hammer

competition. Guesting from K.C.K. A.C., Triona Whyte was just pipped in the 800 metres final in 2 mins 24 secs and another guest from Lismore A.C., Patricia Cahill was a good second in both the long and triple jumps. Patricia was leading

up to the last round in the long jump, eventually going under by just three centimeters. Sandra Clancy was a good third in the high jump with a leap of 1 metres and 45 centimetres. Others to compete in what was their second league

final for some were Laura Dower, Martina Hayes, Andrea Travers, Paula Keohan, Oliviere Walsh, Sandra Mulcahy and Dolores Noonan.

## VICTORY SOCIAL

Pride of place on the top table for the West Waterford

Athletic Social club on Friday 13th October will be the Mazda Cup which by the way is not perpetual. The venue is the Park Hotel and the music will be provided by Gents from Waterford. It will be a night not to be missed.

## KILROSSANTY ROAD RACE

# Tight Finish In Warm Conditions

A mere four seconds separated the winner Bill Lacey (St. Saviours Kilmacow) and Philip Harty (West Waterford A.C.) at the end of the second annual Kilrossanty five miles road race held in the very warm conditions on Sunday week last. The race finished with two laps of the sports field during which the youthful Harty closed the gap by six seconds on the Kilkenny man who also won this race last year when the event was staged in Leamybrien.

The sizzling weather took its toll on the forty participants with finishing times down by one minute at least. Bill Lacey's finishing time was 27.13. Third place was won by the consistent

Gerry Cantwell in 28.45 as he begins his preparations to win back his Dungarvan Cross Country title in October.

Another notable performance came from Finbarr Kelly who was fifth overall behind Clonmel A.C.'s Sean McCarthy. Finbarr used his local knowledge well to move nicely through the field and he finished full of running which was for him the first under 38 prize. The first lady to finish was Rebecca Harty of West Waterford A.C.

The race was run on an age category basis and the following winners were recorded in this order of finishing.

Under 26, Sean McCarthy

(Clonmel A.C.) 29.07; under 38, Finbarr Kelly (West Waterford A.C.) 29.16; under 53, T.J. O'Loughlin (Comeragh Harriers) 29.20; under 23, Lorcan Halpin (Comeragh Harriers) 29.33; under 41, Tom Meehan (West Waterford A.C.) 29.38; under 44, Christy Ryan (Comeragh Harriers) 29.46; under 32, James Veale (Individual) 29.55; under 35, Martin McCarthy (West Waterford A.C.) 31.13; under 20, Brendan Moroney (U.S.A.) 32.18; under 50, Pat Hennessy (Kilmeaden) 34.20.

There were no entries in the U-29 and U-56 age groups. The first local runner was Dermot Guinan (34.49) with Pat Collender second in 37.16. An interesting entry

was one P.J. Guinan who, a number of years ago was a very promising juvenile with Cappoquin/Ballinameela A.C. The presentation of prizes were kindly provided by the Walsh family who were also involved in the sponsorship of the race.

## Community Games Finals

Good luck to all Waterford's representatives in the Credit Union National Community Games Athletic Finals in Mosney this weekend.

# Early Days Of County Waterford Athletics

by AISLING  
CONROY

As Ireland's Sonia O'Sullivan races to emphatic wins in Gothenburg and Zurich, at home there has been a swift resurgence of public interest in the whole area of athletics.

Seeing at first hand how the Cobh girl easily beat the world's top middle distance runners has inspired determination and hope in many budding young Irish athletes.

Household names like Ronnie Delaney, Eamonn Coughlan, John Treacy, Frank O'Mara and Ray Flynn have all achieved international acclaim in modern times — but what of the early days and the early heroes? We need look no further than John Joe Barry and Danny Fennessey — two of the best athletes this country has ever produced.

## PAT DUNNE RECALLS

A man widely experienced in the field of athletics is Ballysaggart native Pat Dunne who is a veritable hive of information on the subject of early athletics in this county and particularly the glory days of the 1940's.

Former Chairman of Ballysaggart A.C., Pat served as President, Chairman and Secretary of the NACAI Munster Council while also serving as Chairman of the Waterford NACAI Board and Vice-Chairman of the Tipperary County NACAI Board.

His deep love of athletics is evident as he recalls vivid memories of the sporting heroes and characters that shaped the athletics of today in County Waterford.

Speaking to the 'Dungarvan Leader', Pat said the work of the NACAI is similar to many national organisations.

"In its earlier years it catered for people between 16 and 30 mainly, now there are people from 8 to 70 participating in athletic events organised by the association," said Pat.

"About 20,000 active, competing athletes are members of the association as well as other non-participating members. A high proportion of athletes involved are juveniles as one might expect," he added.

Speaking on the club structure of the former National Athletic and Cycling Association, Mr. Dunne said it was closely related to the parish unit.

"I would remind G.A.A. people that it was athletes rather than hurlers and footballers who founded organised athletics in Ireland. The founders of the G.A.A. included Maurice and Pat Davin and Michael Cusack who were all athletes and they were the main lights of the G.A.A. during its early years," said Pat.

Moreover, he continued, the first All Ireland Championship competition, organised in 1884 was not comprised of hurling or football contests but rather athletic championships held in Tramore in 1885. "Perhaps there may be some distant relations of some of the athletes who competed that day now living in Ballysaggart," said Pat.

## OFF SHOOT OF G.A.A.

According to Pat, the NACA is more or less an off shoot of the G.A.A. In 1922 when the possibility of Ireland becoming involved in international athletics became a likelihood, the G.A.A. set up the NACA to take over the athletic side of things.

One of the first and most intelligent moves of the NACA, said Pat, was to have Ireland's independent status declared at international level. Michael Collins and Arthur Griffith wired Ireland's application for membership to the International Amateur Athletic Federation as a 32 county entity. The story does not end there however as Ireland's application was accepted until 1934 when the British challenged Ireland's status as a 32 county unity in Stockholm and succeeded in having the country debarred.

## A QUESTION OF UNITY

An issue dear to Pat's heart is the whole question of unity in athletics. Talks, he submitted, should be instigated to devise a formula whereby Irish athletics might be united across 32 county lines, on a basis that would be acceptable to the International Amateur Athletic Federation.

"Athletic unity would be of great benefit to Ireland because it would allow economies of scale in the utilisation of the scarce resources that are available in the island as a whole," claims Pat.

After the Stockholm incident, Ireland refused to compromise and accept a 26 county status until some years later a group called the Amateur Athletic Union of Ireland came into being. This was a body composed mainly of people involved in amateur athletics in Dublin with a few rural branches. According to Pat the Union continued in that capacity until 1957, when an attempt at unity was made. "That attempt failed because the main thrust of it involved the acceptance of the 26 county arrangement," he said.

Recalling the early attempts of a North/South athletic unification, Pat went on to describe how adopted talks were initiated to find a formula acceptable to the IAAF which would involve Ireland being recognised as a 32 county unit. The idea of a British Isles amalgamation was considered but found to be unacceptable. Another plan devised in 1967 to end the impasse proposed that athletes from the Irish Republic would attempt to freeze out N. Ireland athletes from participation in international fixtures. "This was impractical however because Northern Irish people would get around the embargo by going to Scotland and operating from there", revealed Pat.

## THE OLD DAYS

Having competed many times at international level, Pat is adamant that athletics is needed more today than ever, and claims that not enough is being done to promote this sport generally.

Praising Sonia O'Sullivan for her vital input into athletics, Pat said she has finally reaped the rewards of her perseverance, training and dedication. "She's a real ambassador for Ireland," he enthused.

Looking back to star athletes of the past, Pat spoke of the famed Danny Fennessey, or 'Donnelly' as he was known. A small dairy farmer in Ballysaggart Danny took care of his old uncle and maintained the small family farm. When competing in athletic events in Waterford City, Danny would have to cycle the 60 miles from Ballysaggart with a bad bicycle on bad roads. On one such occasion, after handmilking the cows in early morning and then cycling to Waterford, Danny competed against college athletes to win the All Ireland Mile Flat. He returned home by bike, tended the cows and later that evening cycled another 8 miles to Araglen.

"He was an athlete of distinction with a great sense of humour," said Pat, who went on to describe how Danny would run back down the line in the 6 miles cross country team event to offer guidance and encouragement to his fellow team members before returning to front the bunch and win the race. "Never since have I seen any athlete run back down the line during a race to help his friends," said Pat. "If he had the same facilities available to today's athletes such as proper diet, training and running shoes, he would have been one of the greatest Irish athletes."

Another sporting hero of that era was the Ballincurry Hare — John Joe Barry, who won minor, junior and senior Tipperary cross country championships as well as junior and senior Munster and All Ireland titles in the 1946 season alone!

Like Fennessey, John Joe lived on a farm with his mother and family. In 1943 he competed in his first sporting meeting in Gortnaghue where he won the 3 miles event. Before the meeting he had to travel to the local creamery, walk 3 miles to and from Mass and then walk the seven miles to Gortnaghue!

John Joe went on to win national championships in England, Scotland and America and on more than one occasion he defeated Horace Ashenfetter who later won a gold medal in the 1952 Olympics.

As in the case of Danny Fennessey, John Joe's career was hindered by the lack of facilities available to athletes in Ireland at that time. Selected to represent Ireland in the Helsinki Olympics, the Ballincurry Hare called it a day, when due to financial difficulties, Ireland was unable to bring him from New York to Dublin to join the rest of the Olympic team.

Barry died earlier this year at the age of seventy but for Pat Dunne his memory and that of the great 'Donnelly' will live on as a shining example to all Co. Waterford athletes.

## BALLYCOTTON SUMMER SERIES

# Head Of The Harty's Breaks Barrier

By RACE LEADER

It's easily known where the Harty family from Ballycotton get their running from as their father Anthony, who only took up running last January has himself made great strides in recent months.

only a matter of a few months. His clubmate Kieran Cahill also ran well with a 33.42 performance. The ever consistent Paul Keating ran his fastest time of the series with a 31 mins and 03 secs run.

## SERIES OVERALL RESULTS

Senior men—1, Michael Cotter (Leevale); Senior ladies—1, Mary Sweeney (St. Finbarrs); Vets men—1, Tim Goulding (Leevale); Junior men—1, Philip Harty (West Waterford).

The following are the finishing times of the local runners—10, Philip Harty (26.04); 29, Tony Harty (27.45); 37, Tom Meehan (28.19); 52, Alan Whyte (29.27); 53, Martin McCarthy (29.29); 56, Anthony Harty (29.44); 58, Ray McConnell (29.46); 62, Colin Lyons (30.03); 75, Paul McGrath (30.35); 80, Michael Dwyer (30.52); 85, Paul Keating (31.03); 90, Martin Sandford (31.16); 100, Anthony Dwyer (31.57); 105, Tommy Egan (32.19); 125, Kieran Cahill (35.54); 165, Raymond Phelan (36.20); 174, David Power (37.26); 176, Stephen Curran (37.38); 184, Raymond Curran (38.18); 206, Stephen O'Rourke (43.37); 211, Ger O'Keefe (44.12); 215, Collette Fitzgerald (50.51); 216, Eoin Russell (50.52).

\*Michael Roche's vets record of 26.05 from 1990 was beaten by Liam O'Brien who finished third overall in 25.15 behind Providence College students Andy Wedlake from Bournemouth and David Healy from Leevale A.C.

\*The next major Ballycotton event will be the annual ten miles event on March 10th 1996 (D.V.).

ANTHONY HARTY

On Thursday evening last in Ballycotton he realised a great ambition of his when he broke the thirty minute barrier for the five miles distance. In clocking 29.44 Anthony beat his previous best time by twenty seconds and he was in good West Waterford A.C. company as on either side of him were Martin McCarthy, Alan Whyte and Ray McConnell all of whom ran equally good races on the night.

Anthony's son Philip ran a personal best time of 26.04 as he continues to defy predictions that he is running too much too soon. He finished as second junior with Michael McGovern from Mullingar coming home directly in front of him in a fast 25.53 which was just four seconds outside the course record.

Another personal best time was recorded by Cappoquin's A.C. Paul McGrath who clocked 30.35 which is a super time for one running

## Tourin G.A.A. Club Notes

### TOURIN 3-5 CLASHMORE 1-14

We played Clashmore in our penultimate game of the league section of the junior hurling championship at the Cappoquin venue on Sunday, August 13. A good result here would confirm our place in the knockout stages of the championship. As the 3 point defeat shows, this was not to be. The performance over the 60 minutes was very bad and a few late goals put a better look on the scoreboard. We were deservedly beaten by a more committed team.

### TOURIN 1-6 KILGOBINET 1-6

This was our final game in this section of the championship. Again a good result was imperative to ensure qualification for the knockout stages. Played at Cappoquin on Sunday, August 20 in a low scoring encounter, we gained the point that we required. The level of performance and commitment was much improved from our previous encounter. Should this continue we can look forward to our next outing with optimism. This fixture has yet to be made.

### CONGRATULATIONS

Congratulations to all of our young players who were successful in their recent Leaving Cert exams. May their future careers go successful also. — P.R.O.

# Park Hotel Sports Star

The Park Hotel Sports Star of the Month Award for July goes to Waterford cyclist Declan Lonergan. During July Declan won the King of the Mountain Sprint Award at the Fitchburg 4 Day Classic in Massachusetts. He won a 50 laps points race at an international track meeting in Lehigh County Velodrome, Pennsylvania, and also broke the Irish 500m and 1000m track record at the same meeting.

Finally at the Colorado Springs Velodrome on July 25, Declan again smashed the Irish record for 1000m covering the distance in 1 min. 6 secs., thus qualifying for entry to the World Championships in Columbia in September.

## Ardmore G.A.A. Notes

### GLEESON CUP

The annual East v. West under-14 hurling game for the Liam Gleeson Cup was a real non-event this year. Postponed from its usual March date, there seemed to be a lack of interest, especially amongst the Western players, despite the best efforts of Pat Moore, Darragh MacDarra and Richie Harty and so it was that the East ran out the easiest of winners in a one-sided game.

Ardmore players on the West Waterford team were our star goalkeeper James O'Donnell, midfielder Seamus Prendergast and wing forward Cathal Hennessy. Ciarán Foley was unavailable on this occasion.

Kieran Gleeson, who was sporting a hurling injury on the night, presented the cup to the winning captain and once again on behalf of the club we thank the Gleeson family for their very kind sponsorship.

### SYMPATHY

We extend sincere sympathy to the Whelan family of Tinalyra on the death of William. May his gentle soul find eternal rest.

### UNDER-21 HURLING

The point has so often been made in the past that this championship is of no benefit to small rural clubs, and this was emphasised once again this year when we played Cappoquin last week in Ardmore. We had a few first class hurlers, some fifteen and sixteen year old players and some who picked up a hurley for the occasion. This cham-

pionship serves no purpose for small clubs with so few eligible players.

### INTER-COUNTY HURLING

Last weekend saw the showpiece of under-age hurling in Waterford with the staging of the Annual U/14 Tony Forristal and Sonny Walsh tournaments at various venues in the city.

The Tony Forristal Cup is for the "A" competition and attracts all the top counties in the country. Waterford, though playing great hurling, came up against a splendid Cork team in their first game and so got off to a difficult start.

In the "B" competition for the Sonny Walsh Cup our county went all the way to the final which they unfortunately lost to a very strong Antrim team that one felt should be in a higher grade.

It was a wonderful weekend superbly organised as usual with hurling being the real winner. We congratulate the organising committee on another job well done. Our club provided two players for this festival, Declan O'Donnell was sub goalkeeper on the "A" team and very deservedly so, while paying superbly at full back on the team which reached the final was Declan Prendergast.

Sterling clubman, John O'Donnell, as a Waterford selector, put a lot of time and effort into the preparation of these teams and we compliment him on his efforts and dedication. — Pádraig Ó Foghlú, PRO.

## Naomh Bríd G.A.A. Notes

### UNDER-21s QUALIFY FOR WESTERN FINAL

Our under-21 hurlers qualified for the Western 'B' final after defeating Cappoquin by double scores on Saturday evening last at the Colligan venue. Again we had a poor turnout of players, with five of the starting fifteen still underage for under-16s. Every player hurled with great heart and determination and the overall performance was much improved from the previous week.

Our six backs were brilliant while Pat Fitzgerald was the more impressive of the forwards. Hopefully, we can turn around the disappointment of last year and bring home the Western title next weekend.

Team — J. Connors, J. Power, J. McGrath, P. Condon, D. Lonergan, J. Fitzgerald, V. Lonergan, J. P. Fitzpatrick (0-1), D. Whelan (capt.), I. Dunford (0-2), A. Fitzpatrick (0-1), P. Fitzgerald (0-3), M. Power, M. Cliffe (1-0), E. Condon. Sub., B. Whelan.

The final score was: Naomh Bríd 1-7, Cappoquin 0-5.

### FIXTURES

Our minor hurlers play against Fourmilewater this evening (Wednesday) in the Fraher Field at 7 p.m. This is the 'B' semi-final. Our under-21 hurlers are due to play St. Oliver's in the Western final at the Fraher Field next Saturday at 3 p.m.

### GLEESON CUP

We had three players on the u-16 Western hurling team last Friday evening. They were Pat Fitzgerald, Paul Condon and Dermot Lonergan.

### TONY FORRISTAL CUP

Our club played host to the Westmeath under-14 hurling team over the weekend. They went on to beat Down in the Division 3 final on Sunday morning last. The club would like to thank the parents who provided accommodation for the team.

### ALL-IRELAND TICKETS

Anybody looking for All-Ireland tickets must give their names to Sean Whelan or Pat Keane before Friday evening.

## TONY FORRESTAL TOURNAMENT

This under 14 inter county hurling tournament took place in Waterford City last weekend. Teams from the four provinces participate each year. It has become a very popular event. Waterford had two teams taking part. Your Supporters Club sponsored a set of shorts

and socks for one team and the County Board sponsored the second set. To some of the players and officials at Clonea Strand Hotel on Friday evening last, Willie Barron made the presentation on behalf of the Supporters Club and James Walsh represented the County Board. The tournament is sponsored by Waterford Crystal.

## LADIES FOOTBALL

During the week I paid a visit to the ladies training ground at the Mill Field, Ballymacarbry and presented them with Waterford Supporters t-shirts — they were delighted and thankful for the gesture. I spoke with Michael Ryan and some of the ladies as they prepared

for another training session. These young ladies are to be admired for the time and effort they put into training. I can assure all supporters when the next game arrives, these ladies will not be found wanting. Good luck to all concerned and I know you will wear the Blue and White jersey with pride and passion.

**Meeting**—A meeting of the juvenile committee will take place at the clubhouse on Tuesday 5th September at 8 p.m.

A meeting of the executive will take place this Wednesday evening 30th August at 8 p.m.

**U-16 Hurling**—Now that the championship is over

and we are crowned champions we would like to look back at a well run tournament and Bord Na n-Og are to be complimented on the manner, the closeness of the teams in standards and with every game played within the time span resulting in a very well run championship. Through the championship

we played a total of eight games scoring a total of 27-70 for with 11-39 against.

The main scorers for the team were Alan Harty 2-31, Dermot Keating 7-9, Donie Kelleher 5-5, James Burke 3-6, Paul Radley and Mickie Power 2-3 each, Martin Power 2-0, Bert Ahearne 0-5, Graham Nagle 0-3, Derek Truman 1-0, E. Morrissey 0-2, David Morrissey and goalie Paul Ahearne 0-1, Michael Fitzgerald 0-1. Our goalie Paul Ahearne, backs Alan Harney, Owen Sheridan and John Flynn really got on top of the forwards, with Jason O'Mahoney, David Morrissey and Captain Brian Shanahan stopping everything coming through from mid-field. When you look at the scores against they really gave nothing away and all the subs played a big impact in winning.

We would like to thank our supporters for the great support they gave for every game, the ladies committee for the meal in the clubhouse after the Western final and the players for the commitment over the year.

Next Saturday we travel to Dublin for the All Ireland sevens under 16 and hope to do well. Last Monday night a sponsored cycle took place to help defray the cost of travelling to Dublin and we would like to take this opportunity to thank all who

contributed.

**U-16 Football**—The first round of the U-16 football championship will take place on Monday 4th September when we are at home to our neighbours Abbeyside, at 6.45 p.m., another local derby which should prove to be very exciting and should attract a large crowd.

**Well Done**—Well done to Seamus Cunningham and Pdraig Conroy who were members of the Waterford panel who reached the B final in the Tony Forrester tournament last Sunday when they played Antrim for the Sonny Walsh Trophy, and also to Terry Crowe who was a member of the A panel who also reached the final.

Well done also to club member, Hud Kelly who won an All Ireland hurling medal with the Garda Siochana team.

Nice to see Margaret Cunningham out and about again after her recent stay in hospital.

**Lotto**—The weekly lotto numbers drawn on Sunday were 20 - 23 - 12, one winner, Thomas Duggan, 35 Comeragh Crescent, Dungarvan £600, promoter Phil Morrissey. Next weeks jackpot £100.

**Sympathy**—We extend our deepest sympathy to the Elstead family on their recent tragic bereavement.

## INTERMEDIATE FOOTBALL WESTERN CHAMPIONSHIP 6TH ROUND

**Ring 3-17 Shamrocks 1-5**  
On last Saturday evening we lined out to fulfil a fixture as our interest in the championship had ended in the previous round. We found it hard to put a team together as a number of our players were absent for various reasons so we thank the subs who filled in at short notice and for the first half put it up to Ring. In the second period, however, the winners really took over. We have one other game to play against Geraldines.

## UNDER 21 A HURLING

**Tallow/Shamrocks 5-15 Colligan 4-4**  
This game was played at Cappoquin on Monday Au-

gust 21 and was much closer than the score reads. An improvement is needed if we want to make an impact in the championship. The next round will be against Abbeyside.

## UNDER 14 HURLING TOURNAMENT AT BALLYDUFF

On last Friday evening we took part in a tournament against the home team which we lost by 2-2 to nil.

## DEISE DRAW

The August draw took place on last Friday night at Ring, but we had no luck on the night.

## SYMPATHY

Deepest sympathy is extended to James Tobin, Club Chairman and his family on the death of his sister Mrs. Mary Ahearne, which occurred last week in Cork. Ar dheis De go raibh an hanam.

# Waterford v. Kilkenny

It now seems reasonably certain that the Waterford County Board will agree to a request from Kilkenny to play their opening hurling league match on Saturday, October 7, instead of on the following day.

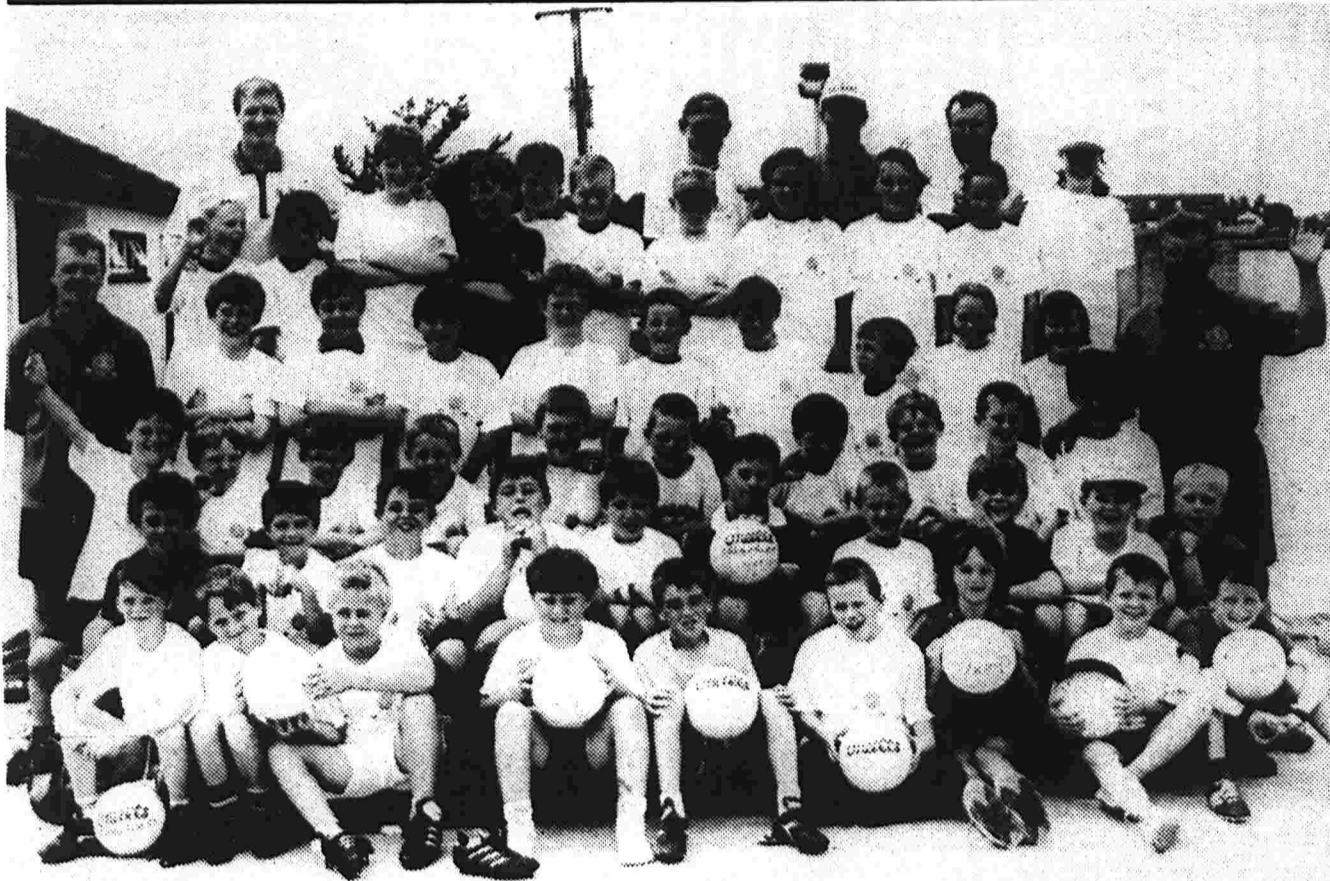

Kilkenny have fixed their county semi finals for Sunday, October 8 and would not like to play an 'away' league game as a counter attraction.

The game is fixed for Walsh Park, but no announcement has been made about the availability of the ground for this game. Hopefully it will be ready on time.

The news on the football front is that former Railway Cup player Jim Wall, the Nire, will partner Vinny Kirwan and co. on the senior football selection committee. Jim has been a selector with the county before and there is no need to spell out his excellent track record in the football business. His appointment will be welcomed by footballers in all clubs.

# FIVE MATCHES

There was day long activity in Fraher Field on Sunday last when, for the first time ever, a total of five matches were played at the venue on the same day. Starting at 11.30 a.m. we had Ring versus St. Olivers in under 21 hurling and this was followed by Passage v. Ballyduff and Lismore v. Fourmilewater S.H. games in the afternoon. In the evening, St. Saviours played Bonmahon in the Phelan Cup and then to finish we had Kilrossanty v. Ballinacourty in the S.F. quarter final. What a change from last year when venues throughout the county were out of commission because of wet weather. Long may the good weather continue.

## ST. OLIVERS G.A.A. NEWS

# Back From The Brink

### ST. OLIVERS 4-8 CLASHMORE 1-6

Despite a poor first half showing, St. Olivers came from behind at the Fraher Field last Tuesday night to earn a place in the Western under-21 hurling semi final the hard way, in a local derby quarter final against Clashmore.

Fifty seconds had elapsed when Michael Murray pucked over a 20 metre free to give St. Olivers the lead, but Clashmore responded with interest when Brian O'Neill doubled a shot magnificently to be back of the net. A moment which spurred the red and greens onto further attacks, some of which were stunted by fine clearances from Tholm Keane, Tomas Curran and Stephen Ronayne, the best of which resulted in two points from Kevin O'Rourke and one for Michael Costin, which boosted Clashmore's lead to 1-3 to 0-1; and fine long range efforts they were too. St. Olivers best chances in the opening thirty minutes came towards the end of the half when a low dropping Michael Murray shot was stopped by goalkeeper Francis O'Rourke, who made a good save from a later Mickey Ronayne turn and strike.

Clashmore led by five points at the break.

A minute into the second half, Tholm Keane pointed to edge into the lead, only

for a Kevin O'Rourke point to restore it. Following a good attacking combination by Sheamie O'Rourke and Michael Baker which Saints keeper Laurie Maher cleared out, Brian O'Neill and Kevin O'Rourke both pucked over to establish a six point lead. The turning point came when Pat O'Donovan played into Mikey Ronayne whose shot was blocked, it rebounded to Vincent Lombard who buried it. A pointed 50 metre free from Michael Murray was followed by a 65 floated into the square by Vincent Lombard. The goalkeeper was blinded by the sun and it dropped in for a goal. Deckie Carlton took advantage of defensive confusion to wallop home goal number three. Two long balls from Tom Power, having a great game, set up two points for Roger Ronayne before Pat O'Donovan registered a white flag. Mikey Ronayne with a goal and Tholm Keane with a point completed the scoring, though the win was marred by a sending off in the last minute.

St. Olivers — V. Lombard (sub. L. Maher), T. Curran, S. Ronayne, J. Tobin, M. Walsh, B. Fitzgerald, T. Keane (1-2), T. Power, A. Ahearne, R. Ronayne (0-2), D. Carlton (1-0), P. O'Donovan (0-1), M. Ronayne (1-1), M. Murray (0-2), D.

Tobin (inj. sub. V. Lombard 1-0).  
Referee — Pat Moore (Abbeyside).

### SAINTS WIN BY A SCORE

ST. OLIVERS 5-11  
AN GAELTACHT 0-6

The Western semi final which got underway on Sunday morning at 11.30 a.m. saw an improved St. Olivers performance, and a ticket to the final thanks to a twenty point victory over gallant An Gaeltacht.

It was all wrapped up in the first half with goals from Kieran Cotter, Pat O'Donovan, Donnacha Tobin and Michael Murray (a close range effort), and points from Donnacha, Kieran, Tholm Keane and Michael Walsh (from a 65). An Gaeltacht pointed a free on the stroke of half time to make it St. Olivers 4-4 An Gaeltacht 0-4 at the interval.

An Gaeltacht registered another cuilin just after the break, but this was cancelled out when a high Michael Murray effort bounced off the upright and Donnacha Tobin, who received seven stitches from an accidental collision in the quarter final, doubled over the bar.

An Gaeltacht hit out a point and then hit the post as they went looking for scores, but the scores came at the other end. Pat O'Donovan pucked over from 75 metres out, Michael Murray pointed first from 60 metres, then from a 20 metre free. Michael Walsh

raised a white flag from a 55 metre free before up went the green flag in the 43rd minute. Tom Power from 30 metres out whipped across goal and hit the post; Donnacha Tobin was on target, kicking home the rebound. A booming 90 metres effort from Michael Murray went wide, but a further lengthy attempt from the sideline went over to wrap up the scoring, and it came just after a point from Deckie Carlton.

So, a red letter day is upon us: the Western Under-21 hurling final between Naomh Brid and St. Olivers next Saturday at 3 p.m. at the Fraher Field, but do check later in the week in case of a fixture change. And check again just to make sure.

St. Olivers — L. Maher (sub. Kevin Cotter), T. Curran, S. Ronayne, J. Tobin, R. Ronayne, A. Ahearne, M. Walsh (0-2), T. Keane (0-1), sub. T. Cullinan), T. Power, D. Carlton (0-1), Kieran Cotter (1-1), P. O'Donovan (1-1), V. Lombard, M. Murray (1-3), D. Tobin (2-2, sub. A. Morrissey). — Sub. — A. Walsh.

Tony Forristal Tournament — Well done to Stevie Keane who was in the Waterford A team for last weekends hurling festival and to Michael "Babbins" Carlton, who was in the Deise B team.

The League — St. Olivers faced Abbeyside in a home ladies football league match last Monday.

Under-16 Football — Tallow v. St. Olivers in Tallow at 6.45 p.m. next Monday, September 4.

### SENIOR FOOTBALL

The senior footballers were defeated by Killossanty on the scoreline of 2-7 to 0-4 on Sunday evening last in the quarter final of the senior football championship. We started very well and played to our potential in the first period, but an injury hit fifteen failed to sustain this pressure in the 2nd period.

At the beginning of the year we set the objective of qualifying for the knock out stages, this was achieved and we can now look forward to playing in the 'A' section in 1996, and building on the progress achieved to-date.

### U-21 HURLING

The U-21 hurlers play Tallow in the Western semi-final on Saturday evening next in Cappoquin at 7 p.m.

### 2nd STRING WINNERS

The junior 'A' footballers won out the 2nd string section of the divisional championship by virtue of a 3-8 to 0-3 victory over the Geraldines on Thursday evening last.

In the process, this win has set up the unique and historic pairing of two club teams in the Western quarter-final.

### IT'S GOT TO BE US

The meeting of the 'A' and 'B' sides in the quarter-final will indeed be a special occasion and the only certainty will be that Ballinacourty will go through to the Western semi-final. The game takes place on Thursday evening August 31st, at the Fraher field. Don't miss out on a little piece of history. Throw in at 7 p.m.

### DEISE DRAW

Well done to Mrs. Mary Kiely, Kilcass, Ballinacourty and Michael Kiely, Ballycoe both of whom won £100 each in last weeks Deise Draw.

### BUSY WEEK

An U-10 trip to Youghal, playing host to both the Meath U-14 hurling team and U-12 teams from Swords contributed to quite a busy week at under-age level.

On Tuesday evening the U-10's travelled to Youghal where they played the locals in a series of games.

Our thanks to the Cork club for their much appreciated hospitality during our numerous trips over the year.

Our friends from Swords, Co. Dublin visited us also, and played U-12 games at both hurling and football. Underage chairman Joe Cleary and secretary Pat Moore are to be complemented on the arrangements and we are already looking forward to the return trip.

Over the weekend we played hosts to the Meath U-14 hurling team who were taking part in the Tony Forristal tournament in Waterford. Our thanks to all the households who took in players for the two nights, and who were very grateful for the welcome and hospitality they received.

Both the minor and U-16 footballers punched in numerous sessions in preparation for the much awaited championships, which will be getting underway shortly.

### CONGRATULATIONS

Congratulations are extended to clubman Fr. Brennock who this week celebrates the silver jubilee of his ordination, he gave many years of loyal service to the club and still retains a keen interest in our affairs. Also celebrating his silver jubilee is Fr. Moran, principal of St. Augustines College who have always been obliging to the club.

It was also noted with satisfaction that Fr. Colin Fives has been appointed vicar general of his diocese in Nigeria.

Congratulations are also extended to Ronan McDonald who has lined out with the senior footballers, who recently passed out at Garda training college in Templemore.

### SYMPATHY

Sympathy is extended to the Crotty family on the death of Seamus Crotty. Seamie guarded the 'Village' net for a number of years, and indeed was between the posts during the junior hurling campaign of 1946, when Abbeyside captured the Western title against Ballyduff before losing to Butlerstown. SENIOR HURLING CHAMPIONSHIP QUARTER FINAL

# Ballyduff And Passage Finish Level

BALLYDUFF 0-9 PASSAGE 0-9

This was only the fourth senior hurling championship draw of the season and for the G.A.C. it was an unwelcome result as it upsets the championship plan to a certain extent. It will, for instance mean that the county semi final which involved Mount Sion against the winners of the replay cannot now go ahead on next weekend as expected.

However, a draw was a fair result as neither side deserved to lose. The standard never moved above the mediocre and the general opinion after the game was that unless there is a marked improvement in the replay, neither side is likely to cause any great problems for Mount Sion.

Ballyduff were unusually slow to get their game moving and playing with the

stiffish breeze, went into arrears (0-4 to 0-1) after twelve minutes. They recovered sufficiently to draw level by halfway and at one stage in the second half, they went in front and were leading at the end of the sixty minutes only to be caught by a late Passage point from an Anthony Qualter free.

Ray Coughlan had a Passage point in the 4th minute

but Brendan Hannon equalised with a 7th minute point. Anthony Fitzgerald converted a '65', Qualter pointed another and Paul Fitzgerald had a point to put the Eastern team three points clear by the 12th minute. They were not to score again for the remainder of the half.

Paudie Prendergast pointed a '65', Ray Barry made an amazing save in the Passage goal, before Michael Walsh pointed two frees to leave the sides level at half time.

Anthony Fitzgerald pointed a couple of early frees to put Passage ahead and now with the advantage of the breeze they looked all set to coast home to a decisive win. Paudie Prendergast pointed a free and Barry Walsh for Passage had a splendid point from play. Both teams made substitutions and Michael Walsh, was again on target from a dead ball. Anthony Fitzgerald and Ger Hickey exchanged points before Michael Walsh's 55th minute free brought the sides all square. Following an off the ball incident, the Passage centre half was sent off. It was up for grabs and it looked as if the next score would decide the issue one way or another.

A sideline ball for Ballyduff and which was disputed by Passage was sent sailing over the bar by the accurate Paudie Prendergast just on the 60th minute and the game looked to be all over, but a subsequent attack by Passage saw Anthony Qualter getting the score that brought the match to a replay.

Scorers: Ballyduff — M. Walsh 0-4, P. Prendergast 0-3, B. Hannon 0-1, G. Hickey 0-1. Passage — A. Fitzgerald 0-4, A. Qualter 0-2, R. Coughlan, P. Fitzgerald and B. Walsh 0-1 each.

Ballyduff — M. Leamey, Mce. Geary, M. Casey, M. Barry, F. Hickey, T. Feeney, M. Drislane, P. Prendergast, G. Hickey, D. Hannon, R. Walsh, M. Molumphy, O. Corcoran, M. Walsh, B. Hannon. Subs. — B. Tobin for F. Hickey, D. Drislane for O. Corcoran, E. Flynn for R. Walsh.

Passage — R. Barry, E. Quann, E. Cullinane, S. Keating, J. Connors, S. Cullinane, M. Murphy, A. Fitzgerald, P. Connors, B. Walsh, R. Coughlan, A. Qualter, G. Connors, P. Fitzgerald, R. Walsh. Subs. — M. O'Keeffe for G. Connors; S. Carey for P. Fitzgerald.

JUNIOR FOOTBALL CHAMPIONSHIP QUARTER FINAL

## Ballinacourty v. Ballinacourty

It must be unique in the history of the Association to see such a caption heading an article about a championship match involving two teams from the same club and in the same grade.

On tomorrow, Thursday evening, the teams will clash in the quarter final of the championship proper and it is expected that a huge crowd will turn out to witness the event.

The possibility of this happening looked very remote when both teams started their respective campaigns several months ago but those who monitored their progress began to realise that a clash was inevitable as both were displaying good form and proving more than a handful for their opponents.

After the 'B' team had won out their championship and a meeting with the other club team became certain, a rumour went about that the club would decide to withdraw the 'B' team and play the best of that group with the 'A' team who are expected to make a bold bid for the junior title. This is not now going to happen and the game will be played in the Fraher Field on tomorrow night.

Having seen both teams in action on a few occasions, I feel confident that the 'A' team will survive and qualify for the divisional semi finals next month. The 'A' team will be selected from a panel which includes Matty Kiely, Bernard O'Gorman, Tommy Reynolds, John Organ, Nicky Thompson, Pat Ormond, Carl Power, Pat O'Brien, Alan Landers, Aidan Landers, Michael Kelleher, Laurence Hurney, Fran McGovern, Timmy Organ (capt.), Dave Sheehan, Jason Donovan, Colin Keane, etc.

The players on the 'B' team will be selected from a panel which includes Trevor Walsh, Brian Donovan, Alan

Moore, James Tobin, Michael O'Riordan (capt.), Lce. Boland, Bosco O'Mahony, Jim Ahearne, Billy Keohane, Kenny Killigrew, Pat Walsh, Brian Hennessy, Tommy Wade, Paddy Keohane, Ray Quinn, John Clancy, Myles Clancy, Obbie O'Connor, Ollie Keohane, Mel Shanley, etc.

Regular full forward Joe O'Riordan who is away on holidays and Luke Brennan who is exam tied, may have to miss the game.

Having achieved what they set out to do, there will be

little pressure on the 'B' team, who are the challengers, but the gap in standards and experience is too great for them to expect to oust their club colleagues in this unique event. Whatever the outcome of what is sure to be a very sporting event, Ballinacourty will advance to the divisional semi final when they enter the championship proper. Tomas O Meachair, An Rinn, will be the man in the middle and I understand that his appointment has pleased both teams.

### ATTENDANCES AT FRAHER FIELD

There were big crowds for both programmes at Fraher field on Sunday when approximately £4,000 was taken in gate receipts.

Throughout the five games played, the Tricolour was flown at half mast as a mark of respect to a number of people who had died in the previous week.

### Minor Hurling Semi-Finals

Both the semi-finals of the 'B' minor hurling championship will be played on this evening, Wednesday. Fourmilewater will play Naomh Brid in Fraher field and Colligan will take on Ballyduff at Dungarvan grounds.

In the 'A' Western final, Tallow have qualified to meet the holders, Lismore. No date is fixed for this game.

### Waterford Handball News

IN SIX ALL-IRELAND FINALS

The following Waterford handballers have reached the All-Ireland finals — Master B Singles — J. J. Wright; Golden Master A Singles — Mossie Butler; D. Master A — John Kiely; Emerald Master Singles — Declan Mulcahy; Emerald Master Doubles — Declan Mulcahy and Bro. F. Spring; D. Master Doubles — John Kiely and Johnny Wall.

### SENIOR COUNTY SEMI FINALS

The G.A.C. have announced that both the senior football semi finals involving Kilrossanty versus Stradbally and St. Saviours against Rathgormack will be played at Fraher Field on the afternoon of Sunday, September 10. At the same venue in an evening fixture Lismore will play Ballygunner in the second semi final of the hurling county championship. This will mean that unless there are draws, we will be ready for the county finals in both senior championships by next Sunday week and the decks will have been cleared for the National Leagues which commence on Sunday, October 8.

### Intermediate Football

Following Ring's decisive win over Shamrocks at Cappoquin on Saturday, the situation in this championship now looks pretty clear with Clashmore, Ballinameela, Faha and Ring all qualifying for the four places in the knockout stages.

### Tipperary Win Senior 'B' Football

Tipperary, who rather luckily defeated Waterford by 4 points in the semi-final two weeks ago, defeated Longford by seven points in the All-Ireland final in Birr on Sunday last. For us it was a case of so near and yet so far. It was an opportunity lost.

### Second S.H. Semi-final

A problem has arisen about the fixing of the Mount Sion v. Ballyduff/Passage semi-final and I understand that Saturday, September 16 is a likely date. I know it was hoped that the county final would be ready for September 24 and this, by all accounts, is still possible.

### Eastern Minor Football Final

The Eastern Board completed their first championship on Sunday last when Ballyduff/Butlerstown defeated Sacred Heart by 1-7 to 0-8. In the West, the minor football championships are expected to resume within the next ten days or so.

### RESULTS

Apart from the reports of the principal games played over the weekend, there were victories for Ballinacourty junior footballers on Thursday evening. First half goals by Dave Sheehan and Jason O'Donovan helped Ballinacourty to a 2-4 to 0-1 half time lead and the winners were well in control in the second half.

NEXT WEEKEND

# Quarter-Final Replay Between Ballyduff and Passage The Highlight

## No Games For Sunday Because Of All Ireland Hurling Final

Also on the list are a number of very important Divisional Board matches which will bring the championship closer to the knock out stages and the Senior Board propose to play off as many cup matches as can be fitted in.

With Sunday completely free of activity, hundreds of Waterford hurling fans who have managed to get stand or terrace tickets, will make their way to Croke Park to cheer on Clare in their bid to win the McCarthy Cup for their first time ever. This very elusive trophy was not around then. In fact it is possible that there was no trophy for the winners when the Bannermen (who were represented by Quin) defeated Laois (represented by Kilcotton) by 5-1 to 0-1, back in 1914. They did have a team inside Croke Park in an All Ireland once since then, but in the final of 1932 they were unluckily beaten by Kilkenny on a scoreline of 3-3 to 2-3.

Practically all Waterford followers will be 'rooting' for Clare who are long overdue an All Ireland title. Offaly will be difficult to beat, but may not be as lucky as last year, when they had the title handed to them by Limerick who let the game slip away from them in the final minutes.

Incidentally, it was pointed out to me last week, that of the 48 players on the Clare and Offaly panels for Sunday, a total of 20 were on the Clare and Offaly under 21 panels who lost to Waterford in 1992. Interesting and maybe encouraging as well.

Senior Hurling Championship

**BALLYDUFF V  
PASSAGE**

This will be the big attraction of the coming weekend in the West and is sure of being well patronised when it goes ahead at Fraher field on Saturday evening next. I

know that for the drawn match, Passage were very confident of winning and very many neutrals also believed that they would have something to spare against the division 2 side from the West.

As we saw, Passage were the lucky ones here, even though they might put it the other way after being denied a certain goal by the brilliance of Ballyduff's keeper, Michael Leamy who saved a real rasper in the 46th minute. Now Passage must come back and field without their top defender Sean Cullinane who was sent off in the closing stages of the drawn game on Sunday.

Also, Ballyduff can feel a bit more confident now, having stayed with the favourites for the hour.

Replays usually turn out to be different from the drawn games and this one may prove to be no exception.

Most people will feel that Ballyduff now have the better chance and will qualify for a meeting with the county champions, Mount Sion. I see no reason for feeling confident about the chances of either side.

It would be nice to have two teams from the division qualifying.

**JUNIOR HURLING  
CHAMPIONSHIP  
KILGOBINET V  
KILROSSANTY**

This attractive junior hurling tie will be played at Fraher field at 5.30 p.m. on Saturday and for both, the result is important, even though defeat will not see either side go out.

Kilgobinet are already

fully qualified with 11 league points. Kilrossanty are on 10 points along with Ballinameela. Clashmore

have 8 points but also have a match in hand. If Kilrossanty win or draw this match, then Ballinameela and Clashmore will go out.

On the basis of their three points victory over the champions, Geraldines, Kilrossanty must have a reasonable chance, but it should not be overlooked that Geraldines were a bit under-strength on that occasion.

Kilgobinet advertised their best form ten days ago when forcing Tourin to a thrilling draw in Cappoquin. There is very little between them and it is very difficult to forecast

which side will come through in what is sure to be a tight finish.

**U-21 HURLING FINAL  
NAOMH BRID V  
ST. OLIVERS**

The meeting of the saints will arouse quite a bit of interest over the weekend when the sides meet in the final of the 'B' championship on Saturday. St. Oliver had a decisive eleven points win over Clashmore and Naomh Brid had a five points win against Cappoquin, also over last weekend.

Both can show reasons why

they are going to win. To me Naomh Brid looked very good when accounting for Stradbally and for that reason I give them the vote.

**U-21 HURLING  
SEMI-FINAL**

Abbeyside and Tallow meet in the semi-final of the 'A' championship at Cappoquin on Saturday afternoon.

In the quarter-final, Tallow had a very convincing win over Colligan while Abbeyside have yet to play in this championship.

Tallow must be fancied to win here.

### SENIOR FOOTBALL CHAMPIONSHIP

## Early Goals Decisive In Kilrossanty Win

KILROSSANTY 2-7, BALLINACOURTY 0-4

Two goals in the first eight minutes of the second half, were the deciding scores in this quarter final of the senior football championship which was played before a very large crowd at Fraher field on Sunday evening last. The first half was tremendously competitive with both sides missing scoring chances. A great save by Tom Cahill from a Jim Maher rocket in the 16th minute was deservedly applauded. Jim Maher sent over from the resultant '45', Ballinacourty having taken an early lead with a Michael Cosgrave point. Maher had pointed in the 3rd minute and Brian Kir-

wan and Michael Enright exchanged points in the 17th and 20th minutes respectively to leave the halfway tally at 0-3 to 0-2 in the favour of Kilrossanty who had played with the first half breeze.

#### 2nd HALF

In the 3rd minute a Nial Connors cross found Jim Maher who stood alone on the edge of the 'square' and the goal was just what the favourites needed to boost their confidence. Michael Cosgrave pointed a 37th minute free to leave just a goal between the sides. Their lead was extended to six points in the 40th minute when Nial Connors met a

rebound to send it to the Ballinacourty net and send the Comeragh team well on their way to victory and a place in the semi-final against neighbours and rivals, Stradbally.

Gavan Keane's point in the 43rd minute was Ballinacourty's final score while Kilrossanty had minors Ger Walsh (2), Ed Flynn and Jim Maher to give them a nine points victory.

Scorers: Kilrossanty—J. Maher 1-3, N. Connors 1-0, G. Walsh 0-2, B. Kirwan 0-1, E. Flynn 0-1. Ballinacourty—Michael Cosgrave 0-2, M. Enright 0-1 and G. Keane 0-1.

Kilrossanty —A. Kirwan,

P. Hayes, M. Fitzgerald, T. Prendergast, B. Whelan, M. Kiely, B. Kirwan, W. Power, D. Kiely, E. Flynn, P. White, R. Power, N. Connors, J. Maher, J. Kiely. Subs: D. Mulhearn for D. Kiely, G. Walsh for W. Power, W. Cusack for P. White.

Ballinacourty—T. Cahill, G. Breen, J. Shields, J. Mulligan, M. Reynolds, M. Collins, J. Moore, S. McGrath, M. Enright, B. Landers, D. Cliffe, P. Cunningham, G. Smith, M. Cosgrave. Subs: B. Beatty for P. Cunningham, J. Stacey for M. Reynolds.

Referee: Brian Power, Mount Sion.

# Lismore On Top In Closing Stages

**LISMORE 3-17 FOURMILEWATER 1-10**

After 47 minutes of this SHC game the challengers Fourmilewater were only 3 points in arrears and it was only in the final twelve minutes that the hot favourites Lismore took over. Up to that point the winners were finding things very difficult and despite all their efforts they just could not break away from their very determined challengers.

In the end, there can be no doubting Lismore's superiority and their right of qualifying for a semi-final meeting with Ballygunner at Fraher Field in two weeks time.

Like in the first game, the standard was not great and the post match opinion was that Lismore will need to improve very considerably if they are going to advance to the final.

**PLAY**

Fourmilewater were first to score and within a minute Seamus Cuddy had pointed them into the lead. The next score came in the 9th minute when Tom Flynn had the ball in the Lismore net. At this point there must have been anxious moments on the Lismore bench, they having fallen into a four point deficit against the outsiders in the game.

After this, the scoring formed a tit-for-tat pattern, with Fourmilewater maintaining their four points advantage all the way to the half time whistle.

In the 10th minute Michael Hickey had a Lismore point from a free to open their account. Michael Guiry pointed from a free for the outsiders. Brendan Crowley and Michael Guiry exchanged scores and Guiry's splendid 23rd minute point put his side 1-4 to 0-2 ahead.

A great save by Owen Wall, denied Lismore a 24th minute goal. Dan Shanahan

and Michael Guiry had points to leave the half time score at 1-5 to 0-4 in favour of Fourmilewater.

At this point of the game the patrons could be excused for wondering if a second draw was on the cards.

**SECOND HALF**

The Ballymac team's lead was further extended two minutes after the resumption when Michael Guiry pointed a free. Then disaster hit the leaders when a ball rebounding off the upright was hit into their net by Alan Dunne

in the 36th minute. Points by Sean Daly and Dan Shanahan had the team on level terms for the first time.

From here on Lismore began their gradual takeover, but at no stage were there signs of surrender by the challengers. In the 55th minute the score stood at 1-15 to 1-9 and it was after that the second goal by Alan Dunne and Dan Shanahan's goal just before full time gave the game a mistaken one-sided look.

Scorers — Lismore — D. Shanahan 1-4, A. Dunne 2-0, M. Hickey 0-5, S. Daly 0-4, M. O'Sullivan 0-2, B. Crowley 0-1, B. Prendergast 0-1; Fourmilewater — M. Guiry 0-7, T. Flynn 1-1, S. Cuddy 0-1, P. Walsh 0-1.

Lismore — D. Landers,

M. O'Sullivan, D. Barry, S. Prendergast, B. Crowley, J. O'Connor, B. Ormond, K. O'Gorman, Mark O'Sullivan, A. Dunne, D. Shanahan, B. Prendergast, P. Quinn, S. Daly, M. Hickey, Sub., B. Lawton for P. Quinn.

Fourmilewater — O. Wall, I. Walsh, T. Walsh, J. Moore, E. O'Sullivan, R. Guiry, P. Walsh, G. Walsh, K. Mulcahy, P. Halpin, S. Cuddy, D. Ryan, T. Flynn, P. Walsh, M. Guiry, Sub. — T. Condon for S. Cuddy. Referee — Michael Wadding (Roanmore).

**PHELAN CUP**

## Saviours Win One-Sided Contest

**ST. SAVIOURS 6-17 BONMAHON 1-4**

This was the curtain-raiser to the evening game, but only a handful of people were there because of inconvenience of the time. It had a 5.45 p.m. start. The final score gives a clear indication of the one-sided nature of the game.

Bonmahon obviously being very pleased with their good run in the championship, went out to enjoy themselves here, while St. Saviours used the game as part of their preparation for the semi-final clash with Rathgormack, which will also take place in Fraher field.

## WESTERN BOARD MEETING

This will take place at Lawlors Hotel at 9 p.m. on tomorrow, Thursday night, following the Ballinacourty v. Ballinacourty junior football quarter final game at Fraher Field.

The correspondence before the meeting will include applications for postponements of championship games which have already been dealt with by the Officer Board, but which require full Board approval.

Draws for the knockout

stages of a couple of the championships will be made and a number of referees reports will be dealt with. The Board Secretary will give a progress report.

As the next following meeting may be the final meeting of the present Board, it is likely that a full discussion on championship structures and format, will take place and here on tomorrow night, delegates will be reminded to have their club ideas ready for submission.

## Kill Summer Camp

**Dermot Cummins, 11 years, Currabaha N.S.** — Dermot is tall for his age and has very good basic skill. A well behaved boy who loves hurling, his home is at Carrigeen, Kilmacthomas. Plays u-12 for St. Mary's Club. Starred in mini-match at camp and showed very good potential. His favourite player is Peter Queally of Ballydurn and Waterford.

**Tracey Gallagher, 10 years, Kill N.S.** — A well-behaved girl who has excellent skill. Strikes the ball very well and is a very good listener. Her favourite player is Paul Flynn. The Kill pitch was excellent thanks to Jim O'Regan, and Jimmy Torpey was a great help all the week. Also the ladies who looked after the party. Our guest visitor was Willie O'Connor, Kilkenny, whose wit and good humour went down a bomb with everyone.

**PORTLAW HURLING CAMP 95** — 8 years old Mandy Kelly, Ballyduff N.S. shows lovely balance and coordination as she strikes the ball from the hand. Mandy and her sisters, Laura, Aisling and Karen attended Portlaw and Kill Camps and are excellent camogie players

## SYMPATHY

Our very sincere sympathy is extended to former County Board Chairman, James Tobin of the Shamrocks Club on the recent death of his sister the late Mrs. Mary 'Molly' Ahearne which occurred in Cork last week. Officers of the County and Divisional Boards attended the burial on Thursday last.

We offer our condolences to the Crotty family, Abbeyside on the recent death of Seamus Crotty who was a former playing member of the Abbeyside hurling team. In the mid and late forties Seamus was the team's regular goalkeeper and on retirement from the game, he remained a staunch supporter of all Abbeyside/Ballinacourty teams in both codes. His coffin was draped in the club colours at his funeral which was attended by all available club members.

We offer our deepest sympathy to Jack and Ann Elstead on the awful tragedy which resulted in the death of their young daughter Jean in a car accident in Australia recently. The trauma of the sad event was felt by her very large circle of friends everywhere and this was very much in evidence when huge crowds turned up for the removal of her remains from Kiely's Funeral Home on Saturday and again at the burial on Sunday. Down through the years and for generations the Elstead family name has been synonymous with the G.A.A. in Abbeyside and Ballinacourty.

We extend our sympathy to Stephen Power, Coolnasmear on the recent death of his mother, the late Mrs. Nonie Power also of Coolnasmear. Stephen is a well-known member of the County Finance and Development Committee and is the present County Equipment Officer. May they rest in peace.

## Special Road Repair Programme Announced

In light of the recent £460,000 financial wind-fall granted by Environment Minister Brendan Howlin, Waterford County Council has drawn up a special restoration programme to tackle the worst hit non national roads.

The extra funding comes as the first installment of a 10 year national programme which was prepared by the Minister to tackle the £750 million backlog created by the county roads crisis nationwide.

As a result of the restoration packages from which the Council expects to benefit over the next decade County Engineer John O'Flynn claims the funding would bring the county's dilapidated infrastructure back up to the high standards of twenty years ago. While the funding has been warmly welcomed by Council members, not a few have pointed out that the £466,000 'extra' was just over the actual amount by which the Council's grant was cut earlier this year (£422,000).

### NOT ENOUGH

Congratulating Minister Howlin on this most recent allocation, Cllr. Ciaran O Riain said that at last the problem of county roads was being "taken by the scruff of the neck".

The amount he felt, however, was too small for County Waterford as some back roads he claimed have gone 'beyond repair'. "It's a well known fact that our County roads were never so bad", he added, "£460,000 goes nowhere near meeting the needs of the bye roads".

The Nire Valley councillor also expressed disappointment over the fact that Council members had not been consulted when a special restoration programme was being drawn up.

County Engineer John O'Flynn, however, said the Council had to operate to a strict deadline.

"The programme was put together in a hurried fashion", he admitted while adding that he had hoped to conduct a regional survey of the county's worst non-national roads which would qualify for the funding, but was unable to due to the early August closing date.

"We'll tackle the worst road first", he promised and then revealed that work under the special restoration programme has already commenced. The areas to benefit from this year's funding are Tramore, Kilmachomas, Lismore and Ardmore where surface dressing, road strengthening and surface restoration works will be carried out.

"The additional allocation is a most welcome intervention in arresting the decline in these roads", said Mr. O'Flynn. "A detailed survey of our regional and county roads has been completed, and this will facilitate the preparation of a 10 year restoration programme prioritised in respect of the as-

essed needs on a county wide basis", he added.

Cappoquin Councillor Nora Flynn, however, also expressed her disappointment at the non-inclusion of members input into the roads programme. "Three-quarters of the country are on holidays in August", she slammed.

A strong advocate of roadside cleaning, Cllr. Flynn said that if drainage along the roads had been maintained all along, then the Council wouldn't need a restoration programme.

Reechoing Cllr. Flynn's sentiments of roadside cleaning, Cllr. Ollie Wilkinson said he had reservations about a 10 year plan. Large injections of money, he stressed, are needed in the first five years of the programme.

### A REFRESHING CHANGE

Complimenting Minister Howlin on the impact he made on the Health Department, which was his former portfolio, Cllr. Billy Kyne said he had no doubts but that this impact would be matched in his role as Environment Minister. The Council, he urged, should write back to Minister Howlin and thank him for this initial effort in 'straightening' out the regional and county roads. "He is a refreshing change in the Department of the Environment", he said, "and I think local authorities will do well out of him".

While welcoming the additional funding, Cllr. Kyne submitted that it was very important that meaningful work be done with the money and that the increased employment content be maximised.

### DEPUTATION REFUSED

At a former meeting of the Council members had agreed to seek a deputation with Minister Howlin to impress upon him the dire situation of the County's regional roads. In a reply to the Council, however, the Minister claimed that in light of the additional funding a deputation would serve no useful purpose.

Reacting to the Minister's refusal, a disappointed Cllr. Jackie Fahey claimed that Co. Waterford was not getting a fair deal. £422,000 was cut in the Council's Discretionary Grants for non-national roads this year and Cllr. Fahey surmised that this amount was only now being restored to the Council in the guise of additional funding, with conditions attached.

Council Chairman, Cllr. Oliver Coffey, however, said the Council will have to make do with what they've got and hopefully climb higher in the national league table for funding in 1996.
