## Local Oyster Growers Receive Emergency Aid Package

BY AISLING CONROY

Due to abnormally high seawater temperatures and the hot weather spell experienced over the summer, shellfish producers around the country and particularly in the Dungarvan area have reported a massive increase in the level of oyster mortalities.

Indications are that in excess of 60 million seed from a range of Irish and European hatcheries has been lost in recent months at diverse locations around the coastline. Indeed, some local producers have reported losses of anything up to 100% for their 1995 Pacific (c. gigas) oyster seed inputs.

Analyses of shellfish samples from a number of the affected areas have ruled out any underlying disease or fish health problem and

according to the Marine Department's Fisheries Research Centre, the heavy mortalities can be attributed to the aforementioned exceptionally hot weather and high seawater temperatures which led to a decrease in oxygen in the water.

**£300,000 TO BE DISTRIBUTED**

Difficulties experienced by oyster producers were outlined to the Minister for the Marine, Eamon Gilmore by

the Irish Shellfish Association and the IFA Shellfish Committee last September. Following the meeting, the Marine Department, in conjunction with an Bord Iascaigh Mhara (BIM), undertook a survey of the unprecedented losses around the coast. Their response to this serious situation was the implementation of a £300,000 aid package which has been warmly welcomed by local producers.

The aid package which will be implemented through BIM will assist growers to restock farms and help restore production potential.

# Celebrating 21 Years Of Charismatic Renewal In Dungarvan

Dungarvan Charismatic Renewal celebrated its 21st birthday with 100 participants at an afternoon of prayer and praise held at Ard Scoil na nDeise on Sunday, October 15.

The group has long since come of age and many of the 100's who have passed through down the years returned to remember and celebrate. There were visitors from prayer groups all over Waterford including Tramore and Ballyneale. The high point of the day was the Mass celebrated by Fr. Matt Cunningham, spiritual director for Charismatics in Waterford.

Sr. Loretto recalled the

**By AISLING CONROY**  
birth of the Dungarvan group in 1974, when she and a friend Bernadette O'Donoghue, heard about 'a new spirit', went to the Tramore group to find out more. There they found people praying as the apostles did at Pentecost — aloud, freely, without fear and in tongues. Charismatic Renewal in essence was new outpouring of the Holy Spirit in the Church.

In subsequent meetings in Dungarvan, Sr. Loretto recalled how scripture, the gospels came alive for those present and how the silences during the meeting were great for 'sosing' things out

with God.

Both the history of the local group and a sense of what Charismatics are about came out strongly during the afternoon. As one person explained, the singing and praise prayers said spontaneously and some in tongues, is to 'lift up the Lord', and when 'He is lifted up He will draw all people onto Him'.

Others spoke of how being part of a charismatic group helped them through illness and difficult situations with prayer and support. One woman spoke of how she had prayed for a couple who were having difficulty in adopting a child and exhausted all avenues. After prayer with the group a solution was miraculously found, the couple now have two adopted children. Others spoke of the experiencing of God's love and with it a new self-esteem and fullness of life.

The music and singing for the afternoon uplifted and gave a great sense of joy from the outset. One of the participants suggested that this aspect of Charismatic Renewal could be a gift for the local parishes and challenged the group to bring that sense of joy and praise into the local churches.

Dungarvan Charismatic Prayer Group meets every Wednesday at 8.30 p.m. in the Mercy Convent.

## NEWSBITS FROM DUNGARVAN UDC

### CONFIDENT ANSWER

There was a confident air to Co. Manager Donal Connolly at last week's meeting of Dungarvan UDC when he replied to queries by Cllr. Tony Wright regarding the establishment of a local development committee.

Cllr. Wright moved a notice of motion last February that the Council be instrumental in setting up a Development Committee whose sole objective would be to actively promote and encourage employment creation in Dungarvan. Following a lapse of 8 months however with no steps apparently being taken to set up such a committee, Cllr. Wright claimed that the wishes of the Council were being ignored.

Pointing to the recent jobs boost in Gorey, Co. Wexford, the concerned Councillor felt that the town was being left behind. "We have to look after ourselves", he urged, "there are a lot of young unemployed people being demoralised in this town. They have nothing to do and all day to do it", he added.

Assuring Cllr. Wright that the Council's wishes have not been ignored, Mr. Connolly said both the IDA and Forbairt are satisfied with progress to date. "The more silent you do the work, the better", he added. Remaining tight-lipped on the subject, Mr. Connolly promised to come back to members with a full report on the matter.

Indeed, the Manager's pol-

icy of quietly working behind the scenes paid off recently following the IDA's approval of an advance factory for the town. Who knows what's around the next corner...

### ROUNDABOUT AT PARK HOTEL

Designs for a badly needed roundabout on the N25 at the junction near Waterford Foods and the Park Hotel have been submitted to the National Roads Authority. Funding for the project will hopefully be forthcoming

from the NRA in 1996. That's according to Co. Manager Donal Connolly who described the junction as the most dangerous in town.

Summing up the majority of members views, Cllr. O'Riordan said that a roundabout was absolutely essential at the junction.

Cllr. Austin Deasy suggested that the Gardaí control traffic at the junction during mart hours on Mondays as the area is particularly chaotic at that time.

## Pretty Wedding

Tomás Wright, McCarthyville, Abbeyside and Maria English, Murphy Place, Abbeyside who were married recently in Abbeyside Church. Fr. Kelly, C.C. officiated at the ceremony. The reception was held in Lawlor's Hotel.

## Know Your Rights

**QUESTION:** I am aged 60 and have been self employed since 1976. Prior to that I had been an insured worker and paid stamps. My business has now failed and I have no income. What social welfare benefits am I entitled to? If I managed to get work for odd days could I claim something for the other days?

**ANSWER:** As a self employed person you would have been insured at class S. This class of PRSI only covers you for Survivor's and Contributory Old Age pensions. If you are available for and actively seeking work you can sign on the employment exchange and be means tested for Unemployment Assistance. You will be asked for accounts/details of your income for the previous year and after allowing for any expected changes an estimate will be made of your income for the coming year. This amount will be assessed against you as means and your rate of assistance will be reduced accordingly. If you disagree with these figures or it turns out that you don't get any work you can ask for a review of your means.

While you are waiting on a decision you could apply for Supplementary Welfare Allowance to the Community Welfare Officer at the local Health Centre. You could also apply for a Medical Card.

The contributions you paid as an employee since 1953 will be combined with your Class S contributions when you reach age 66 and apply for Contributory Old Age Pension or if you have to claim Survivor's Pension. You may already have enough contributions to maintain entitlement to those pensions. However, it would be advisable to write to the Pension Services Office in Sligo and ask them to confirm how you stand regarding these pensions.

If you need further contributions you can then opt in as a voluntary contributor in case you cannot get insurable employment/self employment.

When writing to the Pension Services Office you should quote your date of birth, RSI and old insurance numbers, and maiden name (if married woman).

## Teacher Appointed At Cappagh

In reply to a recent query by Deputy Austin Deasy with regard to staffing levels at Whitechurch National School, Cappagh, Education Minister Niamh Bhreathnach said she was pleased to announce the appointment of a teacher to the school.

## FINE GAEL EXECUTIVE MEETING

The Lismore District Executive Fine Gael held its meeting recently in Mr. Richie Tobin's Lounge Bar, Ballyduff. It was a memorable evening because of its very large attendance and its constructive debate on many national and local issues. When Mr. John Heneghan, Executive Chairman, finished the meeting at 10.30 p.m. an impromptu social evening followed in which all customers on the premises participated.

Public representatives present were, Deputy Austin Deasy, Councillors Willie McDonnell and Nora Flynn and Town Commissioners Davy Whelan and John Heneghan. The Chairman opened discussions with a report on the new school for Lismore, saying that the merger of Lismore CBS, Presentation Convent and St.

Ann's Mercy Convent was very much on track. Planning permission has been granted (thanks to our two Councillors) and work on the project will soon commence.

Town Commissioner Davy Whelan criticised officials of Waterford County Council for their vague replies to most of the questions at Commissioners' meetings. He said that many of the replies received from them were often not worth the paper they were written on.

Deputy Austin Deasy spoke of a possible general election - sooner rather than later. He recounted aspects of dissatisfaction of being in government with the Labour party and gave examples of where Fine Gael policy was not being implemented. This country would be better served by a Fianna Fail/Fine Gael partnership and

would be in the best interest of the Irish people.

Cllr. Nora Flynn spoke on the problem of derelict sites in our towns and also on the problems inherent in the social welfare system. Many people, she said, were in dire need of housing and yet little is being done with the derelict sites in our towns and villages. She said the social welfare system left a lot to be desired as it did not give recipients of social welfare any incentive to work. She called for a more flexible system.

Cllr. Willie McDonnell referred to the new Rural Environment Protection Scheme for farmers. He said that the change announced by the Minister for Agriculture Ivan Yates, extending the one year to 3 years in which to implement the proposed work, is of great

enormous benefit. This REPS is of financial benefit to many farmers in our country. He stated that an approved applicant with 100 acres of land is entitled to an annual payment of £4,800. When the work is completed it will have added to the value of the farm and help keep our young farmers on the land.

Cllr. McDonnell then congratulated Lismore Tidy Towns on their success in this years Entente Florale and complimented them on their increased marks. Lismore has never looked so well and we must pay tribute to all the Tidy Town Committee members and their helpers, to Waterford Co. Council officials and to the outdoor staff of the Council in Lismore for their efforts in promoting the town. PRO-District Executive

## Dungarvan Toastmasters News

### HUMOROUS SPEECH AND TOPICS COMPETITION

On Saturday, Dungarvan Toastmasters went to Ennis-corthy for the area speech competitions. John Foley was our representative in the humorous speech section and he performed very well. His speech was a lovely combination of words and action. It contained some lively descriptions of humorous situations.

Mary Murphy represented the club in the 'topics' session. Although topics speeches are short, they are performed without any previous preparation. Mary's topic was the question of possibly banning boxing in the light of recent deaths in that sport. Mary gave a powerful thoughtful answer. The club can be pleased with both of our speakers.

The most surprising part of the evening was the spectacle of a male Toastmaster from Kilkenny during a speech entitled "If I Were A Woman." He managed to change from jeans and shirt into a Bet Lynch style costume. Not a sight for those with weak nerves!

Don't forget, Dungarvan Toastmasters are at the Park Hotel every second Thursday.

# DUNGARVAN SCOUT NOTES

## TROOP MEETING

The meeting started at 7.15 p.m. and each patrol was given 15 minutes patrol time. Most of the lads were studying their scout law and prayer, but I think a little more practice is needed. Our A.S.L. Jonathan gave a short talk on international scouting, as this is all to do with his project for his Advanced Woodbadge. He then asked each patrol to carefully draw a map of a country of their choice. These maps will be used for his project.

It was now time for some games. As Jonathan was running the meeting as part of his project, he decided to play some mind-teasing games. Some of the games played were block building, a quick quiz and pyramid building with playing cards. Raymond O'Sullivan won the block building while John Charles proved he was quick with his cards. Paul Power and Derek Murphy proved to be the brains of the troop during the quick quiz.

The meeting was coming to a close so we had our weekly drill competition. Johnny Murphy was our winner this week with Brian Duggan, Shane

## J.O.T.A. (E195 JAMBOREE DUNGARVAN)

Last weekend we took part in Jamboree On The Airwaves. This was an international scout event and 500,000 scouts worldwide participated in this event. Dungarvan was to be no exception and with the help of local, and not so local. H.A.M. Radio Operators who were Jim Farrell (Dungarvan), Pat Geoghegan (Cappoquin), John Joe Cahill (Touraneena) and Peadar Rosney (Naas), the 11th Waterford were heard on the airwaves. Thanks to these men we linked up to the following countries, Germany, Japan, Finland, Sweden, Thailand, Romania, Newfoundland and the biggest achievement was contact with E.B. 95 Scout H.Q. in Geneva.

Some of the scouts like Ronan Flynn were talking to other scouts in other

countries about their hobbies and, of course, about scouting, while Dane Power and Wayne Hayes talked of their hobby, no not scouting, but of ballet. Now lads you can't deny this, as it was heard over the airwaves. These were only a small number of the countries that were logged over the two day Jamboree. Also the I.R.T.S. Radio News which is transmitted weekly all over Europe by morse code, was sent from Dungarvan by Pat Geoghegan. This was the first time that this was sent from Dungarvan.

For the scouts who took part in this event a signed certificate will be presented to each of them. At this stage the 11th Waterford would like to thank Jim, Pat, Peadar and John Joe for their expertise and time during this event. This is E195 JD signing off for another year.

# Wonderful Waterford Food

On 1st November An Bord Bia will join forces with Waterford Development Partnership in organising a Regional Food Seminar specifically for the Caterer. The Seminar will highlight locally produced food, small food producers and speciality foods which are of particular interest to the Caterer.

The seminar will take place in the beautiful surrounds of Carrigahilla House in Stradbally, between 10 a.m. - 2.30 p.m.

For the Caterer, using locally produced foods, has many advantages. It offers a taste of the Region to tourists and all customers which is exactly what is required according to current research on tourism. Prices are more competitive as transportation costs etc. are kept to a minimum.

In turn, for the food producers, there are advantages too - a constant local customer base, listing on the menu of a quality restaurant can provide a very positive profile without incurring advertising costs. Customers will experience produce in many innovative ways, which in turn will encourage follow-up business at retail level. In all it provides a very positive boost to the local economy.

The An Bord Bia seminar will open with  
- Minister of State at the Department of Agriculture, Food and Forestry Jim Deenihan.

- John McKenna, Food Writer and Author Bridgestone Guide Series, will address the seminar on 'Today's Tourist'.

- Georgina O'Sullivan, An Bord Bia, and Guest Chef Michael Clifford, winner of the 1995 Egon Ronay Irish Food Award, will present ideas for the Caterer, using locally produced food.

The seminar will also have an exhibition of Regional Foods. For progressive caterers a morning not to be missed!

Registration Fee £15. For further details tel. Ann Ryan or Jean Duffy at 058-54646.

The Board of The Partnership consists of representatives from the local communities, the social partners and the state agencies. Waterford Development Partnership is committed to developing the economy of Co. Waterford. To this end they are hosting The Deisebites Food Seminar with the objective of increasing the awareness and the use of local foods among the food establishments of Co. Waterford.

The Partnership would like to thank in particular Georgina O'Sullivan, Bord Bia, John McKenna and guest Chef, Michael Clifford. In addition they would like to thank all participating in the event and sponsors, Waterford Foods, Showerings of Ireland and Grants of Ireland. This project has been funded mainly by Waterford Development Partnership through The European Global Grant fund.

## LOCAL PARTICIPANTS

As seen from the various advertisers, participants in the Food Seminar, are representative of a wide range of food establishments and food companies.

From well established restaurants such as Merry's and Richmond House to the more informal atmosphere of Paddy Mac's and the Bride View Bar, the County boasts a high standard of fresh, locally produced cuisine.

While at the seminar, watch out for trade stands of our advertisers such as Helvick Seafood and the famous Crinnaughtaun Juice Company.

Through its wholesale facility, Helvick Seafood supplies hotels, schools and restaurants etc. with quality fresh fish and shellfish. The company also trades through its retail outlet at Davitt's

The Blackwater Valley Fine Food Producer Group is comprised of cheese makers, apple juice makers, honey growers, jam producers and bakers all from the scenic Blackwater region. These separate local food producers came together to promote the fresh, delicious and home made produce of their region and have experienced tremendous success to-date.

Barron's Bakery also produces a range of high quality confectionery products. These are hand-

made daily using only the freshest and best quality ingredients. Ring Esther for your Wedding Cake, Birthday Cake or a cake specially made to your choice.

Enjoy the Halloween week-end with a Barron's Barn Brack. These handmade bracks have the traditional taste of real bracks.

## IDEAL OPPORTUNITY

The seminar is an ideal opportunity for the food establishment in the county to meet with producers. As space is limited, places can only be retained for staff or management of food or catering establishments. If you feel it would be of benefit to your establishment please contact Waterford development Partnership (058) 54646.

## UNIQUE SEMINAR

Minister of State at the Department of Agriculture, Food and Forestry, Jimmy Deenihan will officially open the seminar at 10.30 a.m. In a recent statement, Minister Deenihan said the seminar will serve as a forum for members of local food establishments and food producers to meet and discuss how best to promote all aspects of the Waterford food industry.

"Visitors to this seminar," he said, "will have an opportunity to see and sample some of the finest food from the Waterford region which possesses many inherent natural advantages for the production of high quality food such as a well maintained environment".

In conclusion, Minister Deenihan congratulated all those involved in organising the event. "I am sure that this food seminar will be of immeasurable benefit to both food and tourism industries in Waterford, now and in the future", he added.

## CO. WATERFORD GIRL TO COMPETE AT WORLD EVENT

A thirteen year old County Waterford gymnast has been selected to represent Ireland in the World Sports Acrobatic Championships in Poland next month. Three years after being introduced to the sport at the presentation Convent in Clonmel, Melissa Walsh, Caherbawn, Kilmacomma, is ready to take on the best gymnasts in the world in Wroclaw on November 6th. Her meteoric rise in the sport has seen Melissa capture a number of prestigious awards, including Munster and All Ireland titles. Selection on the Senior Irish team for the World Championship is her biggest achievement in what has been a glorious three years.

Last year Melissa won a gold medal for County Tipperary at the community games final, she was named Weetabix young gymnast of the year, won a Cidona award, came fifth in the British open championships and was selected on the Irish Senior team for the first time. This year Melissa has won another gold medal in the community games and came third in the British Open championships in the Senior Womens titles. Her selection on

the Irish team at such a young age is a remarkable achievement given that her two team mates for the World Championships are 22 and 26 years of age. It will cost Melissa in the region of £1,000 to travel and stay in Poland. Her family has made an appeal to local companies to sponsor her trip.

## COMMUNITY GAMES

Ballymacarbray Community Games will hold a Halloween Dance in the Hidden Inn Roadhouse, Kilmanahan on Saturday October 28th. Fancy dress optional. Spot prize for the most appropriate Halloween costume. Your support will be greatly appreciated.

## PRESENTATION TO MAYORAL CANDIDATES

Fourmilewater Hurling club made a donation of £50 to each of the three candidates in the race for the Mayor of Ballymacarbray, Dan O'Rourke, White House Quarter, Joan Wall, Knockounbrandun and Andrew Bourke, Kilmacomma. This is in aid of the school building fund at Ballymacarbray National School.

## COMHAIRLE CEANNTAIR MEETING

A specially convened meeting of Ballymacarbray Fianna Fail Comhairle Dail Ceanntair was held in St. Patricks Hall, Ballymacarbray, on last Monday night. It was the unanimous decision of the meeting to vote against the divorce issue in the forthcoming referendum to be held on November 24th. The meeting also felt that the Hierarchy of the Fianna Fail Party were (or was) completely out of touch with the grass roots of the party. The decision taken at Headquarters to vote and support the Government in having it passed through the Dail was seen to be dictatorial and being out of touch with its supporters. It was decided at the meeting to ask all the grass roots of the Fianna Fail Party to vote No to the divorce.

Matters relating to Housing in the area and the condition of roads were discussed. A vote of sympathy was passed to Patrick Phelan, Shanballyanne on the death of his sister Bridget which took place in England recently. Councillor Kieran O'Ryan was asked to preside at this meeting by the Secretary of Fianna Fail, Pat Farrell because there was an attempt to have the Ballymacarbray Comhairle Ceanntair amalgamated into the Kilmacothomas Comhairle Ceanntair. This issue was opposed by all cumann members present. Some other matters of local interest were discussed as follows at a recent meeting of Waterford County Council Cllr. Kieran O'Ryan raised an important matter of having public lights erected in the Kilmacomma area from Pollards Saw Mills to the housing estate. The County Engineer Mr. John O'Flynn informed him that a duct had been laid at a point on the road to connect if money became available. Cllr. O'Ryan has been raising this matter for years without any success, those matters the meeting decided never appear on Dungarvan papers. If they were Dungarvan, Tramore or any other part of the county it was felt they would get head line news. In future if there is no response Cllr. O'Ryan said they would have no option but to request the Clonmel Nationalist to send a reporter to County Council meetings.

## PHONE LINK WITH NIRE VALLEY ENDS

Telecom workers during the past week removed the Phone Kiosk from the Nire Valley. The reason they gave the people who use this service was that it was not paying its way. That we can deny for the phone coin box was full of coins and no matter how you tried you were unable to insert a coin to make a call. We would like to know who is responsible for collecting the coins from this box. It is so sad that no notice was given by Telecom about the termination of this service. It is about time that the T.D.'s who represent this district took up the matter and try to have the service restored to the Valley. Some time ago the school went, the shops went, now the phone. What's next?

## COMMUNITY ALERT MEETING

A meeting of Newcastle Community Alert took place in the Community Hall, Newcastle on Monday night last. Mr. Mattie McGrath (Chairman) presided. The large attendance included Garda Donal Foley, Ballymacarbray Garda Station. A long discussion took place on the continuing vandalism in the village of Newcastle and the surrounding districts. Many people present spoke on the specific incidents and how some of our youth were setting out on a path of crime. Garda Foley outlined the legal situation and asked for full co-operation of all householders. He also spoke on the plight of people living alone, especially in cases of illness and other emergencies. He requested that members of Community Alert should visit all persons living alone, and discuss with them naming a relative or neighbour to be notified in an emergency. The Gardai would retain a list and keep it updated. It was agreed that members of Community Alert would carry out a Parish survey over the next few weeks.

## LOTTO

## SEAN TREACY HONOURED

A lasting political settlement in the North will be realised only if the highest respect and tolerance are accorded to each tradition, M.E.P. Gerry Collins said at the Killfeacle graveside of War of Independence hero Sean Treacy last Sunday. Mr. Collins gave the oration at a commemoration marking the 100th anniversary of Treacy's birth and the 75th anniversary of his death. He told the large crowd present, that imagination and courage were called for on all sides if a lasting solution was to be found.

The parade was led by the Liam Lynch Pipe Band, Anglesboro, the last post was sounded by Tommy O'Brien and a decade of the Rosary recited in Irish by Helen Grogan, New York. Wreaths were laid by Carrie Acheson on the commemoration committee and by Connie McGrath of the O.N.E.

## PEACE PROCESS IN CRISIS

Sinn Fein Chairman Mitchel McLoughlin lashed out at the British Government for its unwillingness to engage positively in the peace process when he spoke at Kilfeacle on Sunday at the second ceremony organised by South Tipperary Republican Commemoration. A wreath was laid on the grave of Sean Treacy by Cllr. Michael Browne, Chairman of Cashel UDC.

## NO TO HALTING SITE

Any proposal to locate a halting site on the Dungarvan road, county Waterford side of Clonmel, looks to be a dead duck, it emerged at a crowded public meeting on last Friday. Most of the 11 acre site is currently zoned under the Town Development Plan for Urban Forestry. One section of the site has been zoned for housing, but the County Council proposal is for a halting site to be located in the Urban Forestry zoned area. There were nine councillors present at the meeting attended by over 150 people who unanimously promised to oppose such a contravention if it came before them.

## BINGO

The bingo is aid of the Nire football club took place on Wednesday night at St. Patricks Hall, Ballymacarbray. The major prizewinners were Kathleen O'Brien, Adramone, Leamybrien and Justin Kearns, Curtiswood, Ballymacarbray. Jackpot this week £420.

## LATE MR. THOMAS O'DWYER

It is with profound and sincere feelings of regret we pen the death of Mr. Thomas (Tom) O'Dwyer, Park Villa, Western Road, Clonmel, which sad event took place at St. Josephs Hospital, Clonmel, on Sunday 15th October. Deceased was a member of an old and respected county Waterford family and for some time he had not enjoyed the best of health. For many years he was a member of the workforce of Bulmers, Clonmel. He retired from that position some years ago. His wife is the former Kitty Nugent, Deerpark, Ballymacarbray. One of his family is Mr. Thomas Walsh, Renadaumpaun Commons, Ballymacarbray. One of nature's gentlemen he was a man of outstanding qualities who possessed a wonderful, warm personality and made friends at ease. A loving husband and father his family were his pride and joy. A caring neighbour abounding in Christian Charity he made an immediate and lasting impression by virtue of his courteous and easygoing nature which endeared him to all. Many tributes have been paid to his memory, but perhaps the finest was provided on Monday evening when all walks of life were present in the large concourse of mourners who were present when his remains were removed from his residence to St. Marys Parish Church, Irishtown, Clonmel. On Tuesday morning the feast of saint Margaret Mary, requiem Mass was celebrated for the repose of his soul. After Mass the funeral left for St. Laurences Cemetery, Fourmilewater, where the interment took place, again in the presence of another large concourse of Mourners who came to pay their last respects to a dear Christian friend whose memory they will cherish. Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle officiated at the graveside assisted by Rev. Fr. Michael Kennedy, P.P., Kilgobinet and Rev. Fr. John O'Brien C.C., St. Marys, Clonmel.

To his wife and family, his brothers and sister and his many relatives we extend to them our sympathy.

Suimhneas Siorai da anam uasal.

## LATE MR. EDMUND LYNCH

The district learned with regret of the deeply regretted death which occurred after an illness of some duration borne with true Christian fortitude at the Regional Hospital Waterford on Monday 16th October of Mr. Edmund (Eddie) Lynch, Curraghunavoher, Ballymacarbray. Deceased was a member of an old and respected Fourmilewater family. He was one of the district's most respected citizens. A farmer by trade he practised very little, but if a neighbour needed a repair to a machine or had a horse to shoe he paid a visit to Eddie where he was greeted with a friendly smile. A most thoughtful neighbour he was always ready with the helping hand. His integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was a true gentleman in every sense of the word and a host of friends who appreciated his company, advice or assistance in any way now truly and justifiably grieve for the void his sad demise leaves. Many fine tributes have been paid to deceased but the finest tribute was provided on Wednesday evening by the large concourse of mourners who were present when his remains after the recitation of the Rosary were removed from Condon's Funeral Parlour, Clonmel to St. Laurences Parish Church, Fourmilewater where they were blessed and received by Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle.

On Thursday morning the feast of St. Paul of the Cross requiem Mass was celebrated for the happy repose of his gentle soul. The celebrant was Rev. Fr. Edmund Tobin P.P. After Mass a loving man was laid to rest in the family plot in the adjoining cemetery in the Autumn sunshine in the presence of a large concourse of mourners who came to pay their final respects to a dear Christian friend whose memory they will cherish. To his sisters Kathleen, Mary and Nora and his many relations we extend our deepest sympathy.

Leaba i measc na naomh go raibh aige.

## LATE MR. PATRICK MAWN

It is with deep regret we pen the death of Mr. Patrick Mawn, Loughill West Co. Limerick, which sad event took place at Tall Trees Nursing Home, Limerick on Sunday 15th October.

The deceased was father of Pat Mawn, Knocklofty Hill, Clonmel, whose wife is the former Ann Morrissey, Knockahoola, Ballymacarbray. On Tuesday evening his remains were removed from Healsys Funeral Home, Glin to Loughill Parish Church and on Wednesday after requiem Mass at noon the funeral took place to Relig Mhuire Churchyard, Askaton, Co. Limerick, where he was laid to rest. To his sons and daughters we extend our sympathy.

## CHIMPANZEES

Chimpanzees are the animals most like humans and are very clever. They are a kind of ape. The ape does not have a tail. Chimps eat seeds, fruit and leaves. Sometimes they kill and eat small animals. They spend most of the day on the ground playing and cleaning each other. When looking for food, they use sticks and stones as tools — these are used also for fighting with. Chimps are very affectionate and demonstrative animals. When they meet,

they often hold hands, kiss and hug each other. If one is very upset or frightened, it runs to the other chimps for comfort. They touch and pat it to calm it down. When they are very excited, chimpanzees bark loudly and jump up and down waving

their arms in the air. They talk to each other by making grunting and hooting noises. A mother chimpanzee is very protective of her baby and takes great care with them. She feeds and cleans it and teaches it to do lots of different things. The baby suckles and sleeps close to her for at least four years. Grown-up chimps like insects called termites. They get the termites out of the

mound by poking a long stalk of grass down the holes to catch them. They also use grass stalks and long, thin sticks to collect honey from bees nests and to get ants out of ant-hills. At night all chimps with the exception of the babies, make nests of twigs and branches to sleep in. Sometimes they make pillows out of clumps of leaves. Chimps usually run and walk on all fours. Sometimes they run downhill swinging their legs between their arms. They can go much faster like this.

## The Scientist Who Made Insects

NOBODY was quite sure what scientist Andrew Crosse was up to in his lonely country mansion — but people were convinced it was something sinister. His servants had strict instructions never to enter the rooms where he conducted his mysterious experiments. And people on and around his Broomfield, Somerset, estate feared him. Neighbours and farm workers in the rural 19th century community knew only that Crosse was dabbling with newfangled electricity. They often saw flashes over the Crosse mansion. People called him the thunder and lightning man, and claimed that devils danced on the wires he had strung around his home. They concluded he was practising black magic and blamed him for poor harvests and a potato blight. In fact, Crosse was a genuine seeker after scientific truth. Even so, one day in 1837 something happened in his laboratory that convinced his neighbours they'd been right all along. And the incident has baffled the world of science ever since. Crosse, it seemed, had accidentally created life. According to author Peter Haining, Crosse had done something like the notorious Dr. Frankenstein of horror film fame who created his own monster. In his book, *The Man Who Was Frankenstein*, Haining tells how, in the middle of an experiment, Crosse noticed strange, tiny objects on an electrified stone. They grew over the next few days and Crosse noted they were sinister, bristly insects with up to eight legs. Hundreds appeared on the stone during the weeks that followed. Crosse now accepted, writes Haining, that he had achieved what no man had ever done before — he had created life. What was most frightening was that his insects proved they could breed. Another electrical expert, W. H Weeks, was invited to repeat Crosse's experiments. Soon Weeks saw similar insects crawling over his work-table. But where then came from neither he nor Crosse could say. And it remains a mystery to this day.

# Official Opening Of Killineen/Deelish Road

Pictured at the official opening by Councillor Oliver Coffey were Fr. Michael Kennedy, P.P., Mr. Donal Connolly, County Manager, Mr. Brian McNally, County Secretary, Cllr. Billy Kyne, Mr. Tom Lineen, BSE and members of the Killineen/Deelish Residents Association.

At the November 1994 estimates meeting of Waterford County Council, County Manager Donal Connolly, proposed the provision for community involvement in county roads. The scheme itself was first advertised in the local papers in February 1995 inviting applications from anyone interested in taking part in the proposed scheme. Cllr. Billy Kyne had been involved in a previous attempt to have our road upgraded, and it was he who suggested to us that we should put in an application for the scheme. Cllr. Kyne was of great assistance to us right through the whole project.

In all 31 applications were received by the Council, 12 of which were from the Kilmacthomas area. At that stage it was decided by the Council to divide the £100,000, which was available for these projects, between four electoral areas, Kilmacthomas, Tramore,

Lismore and Dungarvan. At the June meeting the Killineen West/Deelish Project was selected and approved to be the project for the Kilmacthomas area.

Following that decision, a meeting was arranged by Cllr. Oliver Coffey between the residents representative Michael Flynn, the Council Engineers, Tom Lineen B.S.E. and Larry Fraher, Area Engineer. Agreement was reached on the work which had to be carried out, both by the Council and residents. A times scale was also agreed for the completion of the work which the residents had to carry out.

A meeting of all the residents involved was held in early July. It was at this stage that the residents decided to carry out as much as possible of the work themselves. After studying the estimates which were received for the main earth moving work and purchase of material needed, the residents decided to collect

from each family an initial payment of £260 to cover costs.

It was a great boost for the project, when news of a favourable response to our request for funding was received from Coillte. The residents received great assistance from Coillte representatives, Pat Harrington and Ted Murphy. The whole project would never have taken place but for the cooperation received from the two landowners affected by the project. With the kind consent of Jimmy Lynch and Michael Flavin, the project got underway.

A local contractor was employed to do the heavy earth moving. A total of 360 yards of fence had to be removed and dumped. This part of the job took about four days to complete. The replacement railing, a concrete post and rail type, was the next stage to be tackled. This was a back breaking task. In time the railing was completed. A J.C.B. was hired to do some tidying up work. All the small bits and pieces, that had to be looked after were soon completed. The deadline for the completion of the residents work, had been met.

It was now time for the Council to move in and start their work. The main selection of road was strengthened, then two layers of tar and chips were applied. This work was soon completed. Throughout the whole project the weather had remained dry, which made the work that bit easier to get through.

The residents were absolutely delighted at the way that the job had turned out. They decided to hold a ceremony to mark the completion of the project. On Friday 20th October 1995 Fr. Michael Kennedy, P.P., performed a blessing of the road. Many officials from Waterford County Council attended including County Manager, Donal Connolly, Brian McNally, Tom Lineen, Cllr. Billy Kyne., Waterford County Council Chairman, Cllr. Oliver Coffey, performed the official tape cutting. A small reception was held at "The Old

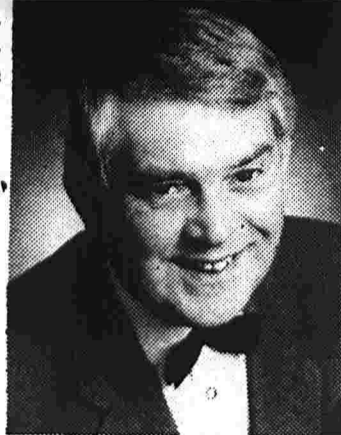

Pike Inn" following the ceremony on the road. The residents of Killineen/Deelish hope that their project will be an inspiration to the people of County Waterford, who themselves may be thinking of starting such a project. It is an example of what can be achieved when the people co-operate with the Council.

## Dynamic Choir Hits The High Notes

Early September, saw Lismore Choir back to rehearsals for this season and within a few short weeks, they performed with their usual high musical ability at Christ Church Cathedral, Waterford. The Cathedral was the venue for 'Songs of Praise', a service of music and song, where the choir sang in conjunction with St. Patrick's Brass Band.

The service commenced with band, choir and congregation singing 'Praise To The Lord', 'Thine Be The Glory'. The choir then gave a beautiful rendition of Stainer's 'God So Loved The World'. This was followed by band, choir and congregation singing 'The Lord's My Shepherd' and 'Ave Verum' and the service concluded with a joint rendering of 'Now Thank We All Our God'. The choir was directed by Cian O'Carroll (B. Mus.).

We eagerly await the annual Christmas Carol Concert in the beautiful setting of Lismore Castle, for which the choir are now preparing. These concerts will take place on the 16th and 18th of December and were sold out well in advance last year, so book your seats early.

## LISMORE G.A.A. NOTES

### Lismore Are Western Junior Football Champions

#### LISMORE 3-5 KILGOBINET 1-7

This was a victory fashioned by a committed team that refused to say die even when it looked like a famous victory had almost eluded them. Playing against the wind in the first half Lismore had the lions share of possession but failed to convert that possession into scores. Even so there was a sense of relief that level scores two points each at half time was to Lismore's advantage with the wind to play with in the second half. However, in the second half Kilgobinet started the stronger and raced into a three point lead. Chances were missed and it looked like we were in trouble. Selector Edward Fenton was introduced and scored a goal which lifted the whole team. Kilgobinet replied immediately with a goal of their own and again it looked all over. This was when Lismore really showed their character and took the game by the scruff of the neck and when K. Hornibrook goalied to put Lismore one point up everyone looked to the ref for the final whistle. Having played all of 6 minutes extra time Lismore had the last say with a goal from O. O'Dowd and a great victory was achieved. While all on the team played their hearts out the performance of Captain Emmet Quann was spectacular. All the selectors and all involved with this team deserve great credit and none more so than trainer Johnny Flynn. Thanks also to team sponsors Red House.

Team — B. Landers, P. Barry, J. J. Duggan, A. Whelan, J. Whelan, E. Quann, P. Brennan, J.

Roche, P. J. Coughlan, R. O'Sullivan, S. Prendergast, O. O'Dowd, K. Hornibrook, J. Begley, E. Power. Subs. used — J. MacNamara for J. Whelan, E. Fenton for E. Power.

#### County Finals

We now have 3 county finals to look forward to—minor, junior hurling and junior football. See elsewhere for dates and times for matches.

**Under 13 Hurling Championship** — This new competition will start next Monday when we play Dungarvan at home. This competition has been initiated to help clubs prepare teams for next years Feile which will be held in Waterford.

**Waterford Senior Hurling** — Well done to M. O'Sullivan, M. Hickey and S. Daly who played so well with the seniors against Clare.

**County Intermediate Final** — We would like to take this opportunity to wish our neighbours Cappoquin the best of luck in the final this week-end, everyone from the West will be behind them.

#### GOLF CLASSIC A HUGE SUCCESS

Our Annual Golf Classic attracted a record entry to the picturesque Lismore Golf Club last week-end and once again was widely acknowledged as an unqualified success from start to finish.

Spread over three days, in excess of 300 participants battled it out in ideal autumnal conditions for a beautiful array of Waterford Crystal generously sponsored for the occasion.

Competition, as always was keen, and friendly rival-

ry was the order of the day with some good scores being returned and rumours of even better being bandied about. As it happened the rumours held good and the final analysis produced a winner by the narrowest of margins.

The three-day festival of golf culminated in a social evening at the Lismore Golf Clubhouse where the prizes were presented to the lucky punters by the main sponsors - Waterford Crystal, Michael Ormonde, Eamonn Walsh, Lismore Hotel and Lismore G.A.A., to whom we are deeply indebted.

On the same theme we are most grateful to the very many "tee sponsors" who supported us through advertising which was the subject of much favourable comment - to our catering committee who kept the army marching- and not least the captain and committee of Lismore Golf Club for putting the facilities at our disposal for the week-end. Thank you one, thank you all. For results see golf notes.

Promoters Prize, Mrs. Hyland. The next draw will be held in the Red House on Monday 30th October at 8.00 p.m. All are welcome to attend. (Adv.)

#### LISMORE LOTTO

## LISMORE BADMINTON CLUB NOTES

The 1st division mens team started their league campaign away to Hillview last week. Kieran and Brian, playing together in first division for the first time this season, put up a strong challenge before going down in 2nd mens. 3rd division men were also defeated with Pa and Colin at 1st men claiming the only point of the night — score 1-3. The men then had to travel to Waterford to take on a Dunmore team sporting two Internationals on Thursday night. The Dunmore men were in top form on the night and the Lismore lads had to come home without a point 0-4. Let's hope for better fortune away to Tallow on Tuesday night.

Ladies D team also played their first league game last week away to Holy Cross. On the night they fared no better than the men with some close games going the home sides way — score 0-4. Team — Y. Power, S. O'Gorman, J. Kearney, R. Coleman.

Both ladies D and G teams play at home on Monday night and are hoping for their first points to set them on track.

The ladies B team kept up their winning ways on Monday night when they had a fine 3-1 win away to De La Salle. Nora and Ann

had a 15/13, 15/11 straight two setter, Jo Jo and Mag took no prisoners, 15/10, 15/3. Nora and Mag after a shaky first set took the second one comfortably 15/14, 15/9. Ann and Jo Jo having lost the first set fought very hard in the second set before going down 11/15. This gives these girls another 3 valuable points and their away match next Tuesday night at Lady Lane, Waterford will be very important to their league hopes.

This Thursday night take note Juveniles will be on court from 7 to 8 and not 8 to 9 as stated last week. We hope to continue this time 7 to 8 for the Juveniles on Thursday nights from now on. They will be supervised age 12 upwards, beginners welcome £1 per night.

From this Thursday night on we are also holding a 'social hour' from 8 to 9 with at least two courts available for any adults, beginners, team members and non team members to come along and 'take the court' for an hour. We hope to see some new faces along with some familiar

ones for the mix and match hour. £1 per person on the night. - P.R.O.

## LISMORE SOCCER NOTES

On Sunday morning last we had newly promoted Ballybridge as visitors to the Castle Farm Grounds for our first league game of the season. The away side did not enjoy their first taste of the top flight as they caught Lismore in rampant form. Lismore totally outplayed their opponents and were 3-0 up at half time, the goals coming from Bo Bo Ormonde, Kieran O'Gorman and Barry Prendergast. The second half was no different from the first for the away side as the homeside kept their foot on the gas with man of the match Paul Quinn instrumental in every move and we coasted to a 6-0 victory with 3 more goals in this half thanks to 1 from Michael Shanahan and 2 from Bo Bo Ormond, giving him a hat-trick.

A very satisfying morning for the management team of Pat Fitzgerald and Dave Landers who have 4 more senior players to bring back into the squad. This will keep everybody on their toes as should be.

Exciting Debate — Last Saturday night there was a very enjoyable debate between two Ballyduff teams. The results will be available next week. After the debate we held a meeting. At this we discussed the up coming rally, competitions, and entertainment.

Our 3rd pool team were in action last Friday night, unfortunately things didn't go too well for them.

Next Wednesday night there is a carpentry course starting in Lismore C.B.S. This starts at 8.00 p.m. All are welcome. Swimming will be starting shortly. Lessons will be on Tuesday nights in Dungarvan. 8 people are needed per lesson, if you are interested contact Martin Kenny. The Macra Rally this year is on in Limerick. There are 6 members from Ballyduff going for the week-end. There is also a bus going from the County. This will be passing through Ballyduff at 3.00 p.m on Saturday. It will be arriving

back Sunday evening 6.30 p.m. approximately. Anyone who wishes to travel on the bus, can give their name to Martin Kenny. The cost of the trip is £22.

Next Friday night Ballyduff are hosting the Quiz, Know Your Agriculture. This is on in the Hall at 8.45 p.m. All members are asked to attend.

The Y.F.A. are organising events, the first of these is a Farm Walk on John Cashman's Farm in Dungarvan. If you are interested contact Alan Martin.

I would like to thank all people who took part in the pool tournament, especially Phil Hannon, who won her game last Friday evening. I would also like to remind Phil that she has her job of P.R.O. back next week.

New Members — I would like to welcome Cathy Hoyer and Kenneth Kearney to the club. New members are always welcome to come along to any meeting.

**BALLYDUFF G.A.A. NOTES**

The County U-21 (A) hurl-

ing final against Mt. Sion will take place on Saturday week November 4th in Walsh Park at 1.30 p.m. This will be a big occasion not alone for the team but the club also as it is the first time that we are contesting an (A) grade final at U-21 level.

The team have played a few challenge games and are continuing to train twice a week. It is very difficult to get all the players together with a number away at college.

More details re: arrangements next week.

Tom Feeney and Mossy Casey were members of the Waterford senior hurling panel for the game v. Clare last Sunday. The team put in an excellent performance and the end scoreline did not do them justice.

Our U-13 hurling competition is commencing this week-end. On Sunday morning, Ballyduff play Brickey Rangers in Bushy Park at 11.30 a.m. Players to be in the Village at 10.30 a.m.

There will also be games against Kilrossanty, Ardmore and Clashmore.

The club would like to extend sympathy to the relatives of the late Jimmy Barry, Sean who died recently.

**BALLYDUFF SOCCER CLUB NEWS**

Last Sunday we started our league campaign away to Tony Bolger Cup finalists, Pinewood Rangers and came away with a great 6-1 victory. Scorers Owen Corcoran (2), James Scanlon (2), Brendan Cotter and Paudie Prendergast. Pick of the goals would have to be Brendan Cotter's 30 yarder. See Red House League Notes for this Sunday's fixture.

The club would like to congratulate Conor Feeney of Waterpark on his win in our soccer draw in association with Seaview Celtic and to thank all those who supported in the draw.

## AFFANE/ CAPPOQUIN GAA NOTES

COUNTY INTERMEDIATE HURLING FINAL  
CAPPOQUIN V ST. MOLLERANS

The stage is set for the County Intermediate Hurling final in Walsh Park, Waterford on Sunday next. Our opponents will be St. Mollerans. It has all the ingredients of a 'cracking' match. The Carrickbeg area has always produced good sides and this one is no exception. Our lads will have to be on their game from the outset and every player will have to work his 'socks off' from start to finish. There can be no hiding place for anyone on Sunday - they will have to stand up and be counted.

The improvement in our team has been gradual as the season progresses. But there is more in this team

### COFFEE MORNING IN AID OF CYSTIC FIBROSIS

and we fervently hope they will produce it all on Sunday next.

The appearance in the County final has generated tremendous excitement and anticipation in the entire locality. It certainly has given Cappoquin hurling a 'shot in the arm' but what a boost a win would be as we would be back in senior ranks once again after a lapse of some years. We wish the team the very best of luck.

#### SUPPORTERS

We urge our supporters to descend on Walsh Park in force on Sunday with colours proudly flying. There is no doubt that good support will always lift a team so let us see Walsh Park covered in a sea of red and black, cheering on our local heroes.

Jack McGrath, Market House has presented the team with a beautiful set of jerseys; Noel Cummins, Turf Accountant has presented matching knicks while Eamonn Cliffe, Faulty's Bar completed the set with matching socks. ### GLENVIEW UTD F.C.

## Glenview Share Spoils In Opening Encounter

#### GLENVIEW 2 BLACKWATER RANGERS 2

We started this game very slowly and after ten minutes we were two goals down. Lack of concentration, poor defending and some good play by Blackwater accounted for this.

However, we woke up after this and when we pulled one back through Pat Hallissey we were well on top. Both sides had chances after this, but there was no more scoring. Half time Glenview 1 Blackwater Rgs. 1.

Once again we started slowly in the second half and were lucky not to concede a couple of goals. But Glenview kept battling and with twenty minutes left Johnny Kett blasted the equaliser to the Blackwater net. Both teams seemed happy enough to settle for a draw.

Team—Paul Coleman, Ger Power, Hugh O'Donnell, Eddie Budden, P.J. Dolan, Tomas Murphy, Tony O'Donnell, Aidan Power, Conor Donnelly, Phil McGrath, Pat Hallissey. Res: J. Kett for Murphy.

#### NEXT WEEK

We travel to Castlelyons to play the locals, meeting in Lismore at 10.30 a.m.

### AFFANE A.F.C. NOTES

## Poor Start To League Campaign For Affane

The league began on Sunday last but it was not a good start for us as we went down by three goals to one in Clashmore.

Playing into a strong wind in the first half we were under pressure for long periods but our defence held out well until the 30th minute when Clashmore took the lead. We got more into the game after this and played reasonably well up to the break.

In the second half we had most of the possession but failed to make any head way up front until the 25th minute when a brilliant shot by Ian Millea from 25 yards out found the top corner of the net. At this stage we were thinking of a winner but with seven minutes to go a long clearance out of the Clashmore defence bounced

awkwardly in front of our keeper and ended up in the back of the net. Clashmore added a third on the stroke of time to run out winners.

This was not a good display by us and we looked very ragged at times. We have a lot of new players in the side at present and it will take time to get a settled side.

We would like to congratulate E. O'Shea on his win in the Seaview Celtic Super Draw.

Team—E. McGrath, R. Prendergast, P. O'Gorman, K. Reddy, B. Dunne, I. Millea, T. Hennebarry, C. Cunningham, B. Hennebarry, J. McGrath, T. Kiely. Subs: E. Quinn for B. Hennessy and J. Crotty for P. O'Gorman.

## FASHION SHOW

On Wednesday night last we held a very successful fashion show. It was a very enjoyable night for all present. We wish to thank the shops involved: Mairead's Fashions, The Closet and Noel Devereux Men's Wear. All the models were local people, most of them on stage for the first time. They did a brilliant job.

We also wish to thank those who sponsored prizes for our raffle — Noel, Mairead, Isabel, Waterford Foods, AIB, ACC, Shaws, M. J. Curran and Mary Jean Kelly.

## SYMPATHY

We extend our deepest sympathy to our curate Fr. Barry on the sudden death of his brother James during the week.

## CONGRATULATIONS

Congratulations to Fr. Finbarr Lucey on winning £1,000 in the Deise Lotto on Saturday last.

## UNDER-21 FOOTBALL

We played Ballinacourty in the Under-21 Football Championship in Leamybrien on Saturday last. Ballinacourty got two early goals and led by 2-4 to 0-2 at half time. In the second half Ballinacourty again got the early scores and finished on a score of 2-15 to 0-7.

It's a disgrace that the game had to be held up for about seven minutes because of a dog running on to the pitch.

The team — Kevin Cunningham, Kevin Coffey, Eamonn Clancy, John Coffey, Paul Kiely, Thomas Walsh, Johnny Curran, Oliver Costelloe, Alan Curran, Niall Curran, Stephen Cunningham,

Trevor Costelloe, Trevor Curran, John McGrath, Brian Cleary. Subs. — Stephen Keane for Kevin Cunningham, Mark Fitzgerald for Eamonn Clancy.

He said Raymond was a very good friend of the club and a great supporter of all teams in every grade. He gave us sponsorship whenever needed and is a big loss to the club and the community in general and the club would do their very best to remember him.

# Strong Criticism Of Live R.T.E. Radio Broadcast From Dungarvan

By Aisling Conroy

The controversial AIDS story which rocked the town of Dungarvan last September has again resurfaced, this time due to strong local criticism of a certain live RTE broadcast from Dungarvan in which an RTE radio presenter signed off his show from what he termed the "AIDS capital of Ireland".

A letter of complaint regarding the incident has already been sent to Joe Barry, Director General of RTE from Dungarvan UDC Chairperson, Cllr. Nuala Ryan.

In the letter Cllr. Ryan stated that she had been asked by a number of residents to raise the issue with RTE regarding the reported use of the phrase "AIDS capital of Ireland", by RTE radio presenter Joe Duffy as he signed off from a broadcast during the height of the AIDS story.

"If the phrase was in fact used, even in jest", wrote Cllr. Ryan, "then it was in the worst possible taste and gave both a wrong and un-

fair impression of our town to both an Irish and British audience. We have striven to raise the quality of life for our citizens for many years and have tried to promote our town in the most positive light".

The letter continued, "RTE rightly has a reputation for balanced broadcasting and, unlike some of the print media, you largely discharged that responsibility during the recent controversy in and about our town". However the concerned Abbeyside Councillor said that if the alleged remark is true, then it is "especially hurtful to our people". She concluded the letter by stating that she would wel-

come Mr. Barry's comments so she could put the record straight.

As yet Cllr. Ryan has not received a reply from the Director General.

## 'A GIGGLE AND A LAUGH'

The Cathaoirleach's sentiments were reechoed at last week's meeting of Dungarvan UDC by a number of Councillors who also voiced their dissatisfaction at RTE's handling of the story, live from Grattan Square.

Chairman of the South Eastern Health Board, Cllr. Billy Kyne claimed that Joe Duffy had made a "giggle and a laugh" out of the town's predicament. The radio presenter's live interviews on the Square, he said, had trivialised the whole issue of the serious and shocking AIDS revelations by Dungarvan curate Fr. Michael Kennedy.

"I don't think our national medium (RTE) did the town any favours", he further declared while adding that it was regrettable to see press reports homing in on and targeting certain people.

## BRANDED FOR LIFE

His Labour colleague, Cllr. Lar Hart said he condemned those people who claimed they knew the so-called 'Angel of Death'. The Dungarvan Councillor said he had heard 9 names banded about as media speculation of the woman's identity intensified. "Those people are now branded for the rest of their lives", he claimed.

Cllr. Michael O'Riordan however was unwilling to let the AIDS scandal resurface and said the story should be left die a natural death. "We're none any the wiser on the subject since the last Urban Council meeting", he stated.

## FEEDING FRENZY

President of Dungarvan Chamber of Commerce, John Walsh was interviewed recently on an edition of the RTE Radio 1 programme 'Soundbite' by presenter Brian Farrell. The programme which features a weekly review of the media, focussed this time on Dungarvan in the wake of the media blitz and the general effect on the town of being in the international media hotspot.

Speaking on the programme, Mr. Walsh said he was very concerned about the image of the town in the aftermath of the AIDS scandal. A local retailer in the town, Mr. Walsh said he was bewildered at the audacity of the media and particularly certain foreign press who misled the world on certain aspects of the story. "A feeding frenzy went on...they (media) were chasing shadows...we were very annoyed at the way they brutally

chased certain individuals...it was very unedifying," said Mr. Walsh who said the media didn't interview these people, they interrogated them.

Apart from the foreign media, Mr. Walsh told presenter Brian Farrell that he felt a little let down by the Irish media with such terms as 'AIDS capital of Ireland', etc. being used.

The Chamber of Commerce and other various agencies, he said have been working hard for a number of years. Last year the town received urban renewal status and was recently given the go ahead from the IDA for the construction of an advance factory which has yet to be filled. While stressing that inward investment is terribly important for Dungarvan, Mr. Walsh claimed that in the wake of the media blitz, potential developers may have second thoughts about investing in the town.

With what he termed 'open season on the clergy', Mr. Walsh said that unfortunately Dungarvan was "the vehicle that was used and one could say abused for this purpose".

## Polling Day For Divorce Referendum

Brendan Howlin, T.D., Minister for the Environment has made an order appointing Friday, November 24, 1995 to be the polling day for the referendum to be held on the proposal for the amendment of the Constitution contained in the Fifteenth Amendment of the Constitution (No. 2) Bill, 1995. Polling will take place between the hours of 9 a.m. and 10 p.m.

Any person who was eligible for inclusion in the register of electors for a constituency on the relevant qualifying date (1 September 1994) but was not registered may apply for entry in the supplement to the register in order to vote at the referendum. Application should be made to the relevant registration authority (County Council or City Corporation) before 9 November.

Electors are reminded that they are likely to be required to produce evidence of identity when they attend to vote. The documents which will be accepted for this purpose will be listed on the polling card to be sent to each elector and on posters which will be displayed at all polling stations.

## THIS WEEK

# TEAGASC Says

### CATTLE

**Winter Feeding:** With the first taste of winter, it will soon be time to commence winter feeding. Intensive producers will have the bigger cattle housed to avoid weight loss on bare pastures. Suckler cows, stores and weanlings are often neglected at this time of year, they perform badly or even lose condition. Most suckler cows should be weaned about now, the only exception being late calvers (May/June) or where there is very good pasture.

**Weaning** reduces the nutrition requirement of the cow considerably, thus saving body condition, or it can save pasture supply by tightening up weaned cows that are in good condition and forcing them to clear off pastures. Where weanlings are left outdoors, feed 1 to 2 kgs. meal per day at grass.

**Cow Condition:** The target condition score for suckler cows at weaning is 3.0 i.e. well fleshed. Cows that are not up to this level of condition require extra winter feed or will calve down too thin. Thin in turn has implication for breeding performance next year. Supplement scarce pasture with some hay or silage.

**Hoose:** It is good practice to dose weanlings for hoose (which also covers stomach worms). Respiratory diseases can be aggravated where there is lung damage due to hoose infection.

**Grass Tetany:** The change in weather conditions increases the risk of tetany for cows that are still suckling calves. Protection against tetany is provided by feeding magnesium supplements. The most suitable options for suckler cows are:-

(i) A home-made lick made up of 50:50 mixture of molasses and calcined magnesite. The mixture is put in troughs or tubs and left to cows ad lib. It should be stirred well at least once per day as the magnesite settles. In very wet weather, remove accumulated water. When introducing the mixture, start with about 75% molasses in the mixture to get cows accustomed to using the lick. Use a very fine grade of magnesite as it stays in suspension better than coarse grades.

(ii) Provide commercial magnesium licks or blocks. These are available at local merchants and Co-Ops., are more expensive but are very convenient.

(iii) A small amount of commercial compound nut or a home-made ration supplement with magnesium is probably the most reliable method of getting magnesium into cows, as each cow gets the required dose.

(iv) Dispenser systems are available to provide magnesium in the drinking water.

### SHEEP BREEDING

**Repeats:** 25 to 35% of ewes will usually repeat in any flock. Numbers very much higher than this, can indicate a ram problem - ewes are being served but are not going in lamb. A change of ram is the most likely solution. It is obviously impossible to identify repeats unless the harness crayon or raddle colour has been changed between 2 and 3 weeks after ram introduction.

The mating season should extend to at least 50 days in order to allow 2 repeat opportunities to each ewe. Curtailing breeding to a shorter period will increase the proportion of barren ewes.

**Rams:** When changing harness crayons or renewing raddle, always check rams for any problems which might reduce libido or impair performance. Loose harnesses are particularly common and can destroy good rams. Lameness and breast sores also frequently occur. Rams found to have any such difficulties should be withdrawn from the flock as they can interfere with the activities of their colleagues.

**Ewe Lambs:** Should ewe lambs be bred or not? It is a difficult question, now that eligibility for ewe premium is no longer dependent on pregnancy. The biggest objection to breeding on most farms is the prolonging of the lambing season - often up to 4 weeks and well beyond the patience of even the most committed operators.

The compromise might be, well-timed sponging with just one mating opportunity. Ewe lambs sponged three weeks after the commencement of the main flock breeding season would lamb with the last of the mature ewes. It does make more sense than having all those idle ewes around the farm.

Scan ewes at about 50 days. Non-pregnant sheep can be stored over winter.

## Dungarvan Walking Club

### NIRE VALLEY FESTIVAL A SPECTACULAR SUCCESS

The very unfavourable weather conditions ailed to dampen the spirits of a strong club representation who took part in the 2nd annual Nire Valley Autumn Walking Festival which took place recently.

The Friday night slide show and lecture which gave the walkers an excellent insight into the entire mountain range was given by Michael Desmond who was also to prove an excellent guide for the weekend.

On Saturday club members took part in all the 3 graded walks with the Nire school as our starting point. The grade A walk was along the Monovillage/Comeragh walk from the Maa-Ma road along a 15 mile mountain and bog path that passed along the many lakes and coombs in the area. Our first stop took us to the summit of Seefin for a well earned rest before moving on to Coumfer and Coumlocha where despite the very poor visibility our guide Martin Healy was a very reassuring presence. Our group B headed for Moanyacha Bog and on to Knockanaffrin Ridge. Our grade C group took a track from Nire Church to all the places of historic interest which included the Toureen Bronze high stone circles and the Glenrheiry Circuit.

On Sunday we were back in the mountains once again with the weather much more favourable. Our A group took in the Knockanaffrin Ridge before heading for Boolrochogagh and on to Crotty's Lake before arriving at Coumshgaun. From here we crossed The Black Bog and onto The Spilage Loughs and completing the 14 mile track through The Gap. The B group took a track along The Nire Lakes with Michael Desmond as guide.

Club members who took part in the festival were Margaret O'Connor, Ann Veale, Rita Moore, Linda Tutty, Maeve Curran, Rose Whelan, Fintain Strain, Kevin Moore, George Tutty, Bridgid Broderick, Margaret Curran, Alice Curran, Michael Power, Mary Ann Power, Helen O'Connell, John Kelly, Pat Tutty and Deirdre Fennell.

**CRUACHAN WALK** — On Sunday 8th October a group of 28 club members headed for Cruachan with Tony Veale as our guide. This took us along a forest path with Tony painting out the many local points of historical interest, to the group.

**NIGHT WALKS** — Our night time walks are proving a great success and leave from Lawlors Hotel at 8.00 p.m. sharp on every Monday, Tuesday and Thursday. All walkers requested to wear reflective armbands.

**SYMPATHY** — The club extends deepest sympathy to club president Gabrielle Morrissey, Ballinaskeha on the recent death of her brother John. May he rest in peace.

### South East Region Well Represented At A.G.M.

John Quigley, Area Officer with ICMSA in the South East region said that the area was very well represented at the National A.G.M. of ICMSA held recently.

He outlined below some of the resolutions which were passed at that A.G.M.:

#### RESOLUTIONS:

##### DAIRYING

1 — In the light of the decision of the European Court on the 4.5% Case, ICMSA should renew its

determination to get additional milk quota for Ireland and to vigorously resist any further reduction in quota.

2 — Despite favourable world prices at present, market supports including intervention and export refunds are necessary to protect milk prices in Ireland. ICMSA should continue to put the maximum pressure on the Minister for Agriculture so that he does not allow the EU Commission to reduce market supports.

3 — ICMSA should resist any increase in inspection costs or levies associated with the dairy hygiene regulations.

4 — A dairy farmer with a suckler cow quota should be allowed to expand milk production beyond 25,638 gallons without any loss of suckler cow premium entitlement provided his dairy and suckler enterprise together does not exceed 100 units.

(400 gallons = 1 unit; 1 suckler cow quota = 1 unit).

##### LIVESTOCK

1 — ICMSA should rigorously pursue the full implementation of the Charter of Rights for Farmers so that farmers benefit from timely payment of all livestock premium and headage payments, simplified application procedures, a proper appeals system and a courteous information service for the Department of Agriculture, Food and Forestry.

2 — ICMSA should pursue policy changes to guarantee the continued availability of the deseasonalisation premium for Irish livestock farmers.

3 — ICMSA should play an active role in the future development of the Irish livestock industry by pursuing a policy which will allow for a proper balance between market development and competitive prices to farmers.

##### SHEEP

1 — ICMSA should vigorously pursue the implementation of a top-up mechanism to the ewe premium so as to provide prop-

er income support for Irish sheep farmers.

2 — With a ceiling on ewe numbers the route to increasing farm income is through improving lamb quality. ICMSA should pursue the implementation of a carcass classification scheme which rewards farmers for producing quality lambs.

### Yates Must Deliver To Sheep Producers

The Chairman of the ICMSA Sheep Committee, Mr. Eamonn O'Rourke, has called on the Minister for Agriculture, Food and Forestry, Mr. Ivan Yates, T.D., to account for his lack of delivery of aid to Irish sheep farmers.

French sheep producers are to be compensated for poor prices as a result of the adverse exchange rate movement of the French Franc against Sterling, Lira and Peseta, according to Mr. O'Rourke.

"It seems that the French Minister for Agriculture is prepared to pay more than lip service to French sheep producers," said Mr. O'Rourke.

He concluded by calling on Minister Yates to get off the fence and to deliver a compensation package to Irish sheep producers.

## Murphy Condemns Refund Cut

Waterford IFA County Chairman, Pat Murphy has strongly condemned the decision of the EU Beef Management Committee to cut export refunds on live cattle by 7.5% and carcass beef by 5%.

Mr. Murphy said that the passive approach of the Minister for Agriculture Ivan Yates was no longer acceptable in defence of these vital cattle price supports for Irish livestock farmers. He said: "This is the third time since the beginning of September that the EU Commission has cut refunds, with a deafening silence from Minister Yates."

Mr. Murphy said that it was no longer acceptable to allow bureaucrats make the running on beef refunds and strong political intervention by the Minister was now

called for.

The Waterford Chairman said that because of the significant volumes of pre-fixation on beef refunds there was no way processors could justify any reduction in cattle prices at this stage. "Factories are still operating on the higher level of refunds. This situation will persist until at least the end of the year with processors having prefixed up to 23,000 tonnes of refunds this week."

Mr. Murphy said that the Minister for Agriculture Ivan Yates will have to call a halt to the continuous onslaught on refunds by the EU Commission. He pointed out that since January, 1994 live refunds have been cut by £9.70/cwt (£116/head) and carcass beef refunds have been cut by over 7p/lb (£55/head).

## Preserving Our Uplands

At a conference to Explore the Long-Term Sustainability of Ireland's Uplands which was recently held in U.C.G., a paper entitled "Where Are We Going?" was read by Paddy Phelan, National President, United Farmers Association.

In his paper Mr. Phelan was highly critical of what he termed 'bribery' by Brussels bureaucrats to encourage wholesale planting of trees. He said that for the first time in our history trees are supplanting people and forestry has taken precedence over agriculture. He said that EU policies were aimed at turning Ireland into the playground of Europe with our indigenous people line up to act as beaters, gun bearers and golf caddies.

The Co. Waterford man said the proposal by Minister Ivan Yates to plant one million hectares of marginal land and to encourage tree planting by way of a tax incentive was a kick in the teeth to agriculture and to those who need extra acres to survive.

Mr. Phelan proposed that sheep farmers in overgrazed mountain areas who agreed to set a-side their grazing rights should qualify for a twenty year, tax-free premium, in order to have parity with forestry set-a-side.

Mr. Phelan concluded his paper by emphasising that we all have a duty to preserve our uplands for the economic and recreational benefit of posterity. He stated that afforestation would give us a silent countryside with pockets of isolated people.

## LORETO CONVENT PARENTS ASSOCIATION

The A.G.M. of Loreto Parents' Association was held on Wednesday 18th October. A warm welcome was extended to Ms. Mary Crotty who replaces Sister Patricia as school principal. Ms. Crotty brings a wealth of experience to our school.

She began her career as a secretary in the County Engineers Office and studied by night for a B.A. degree in English and History. She became concerned about the difficulties of the weaker children and in the 70's qualified as a remedial teacher. In the mid 80's she once again found herself attending night time lectures in U.C.C., this time studying French.

She treated the assembled parents to a very vital address on the Loreto ethos. She spoke of the visions of Mary Francis Ball for women and of the new document produced by the Loreto Order entitled "Education for Wholeness and Dignity". In Loreto Schools each student is seen as a unique person, one who is already gifted, has a past a present and a future whom God has called by a name of her own.

School education is not simply a preparation for College or work, it is a "now" experience.

One of her ambitions is for every student to be comfortable in at least one European Language on completing school.

Margaret Kenneally was chairperson of the Parents' Association for the last twelve months and filled that position with dignity and eloquence. Congratulations to Margaret on her election to the board of management along with Mr. Frank Delaney.

Secretary for the past six years, Mrs. Anne Delaney has finally been awarded early retirement for her trojan work for the school.

Mary Hackett, Treasurer and Co-ordinator of the book scheme with Margaret Kenneally has agreed to serve on the book scheme again this year with Margaret Walsh of Inch.

Parents of Loreto girls are very fortunate to be spared the trouble and expense of buying school books. Very many hours of work by the committee are spent collecting, sorting and distributing books.

The new officers of the committee are — Chairperson: Mary Cunningham; Secretary: Marion O'Keeffe; Treasurer: Bridget Keane.

Fundraising takes place this Thursday and Friday 26th and 27th. Please support our flag sellers.

## EMMA CONTINUES HER STUDIES

Back in University College, Cork to further her studies in Geography and Archaeology is Emma Joyce of Kilmaloo, Clashmore. Continued good wishes to you Emma.

## GET WELL WISHES MARCUS

Friends extend their get well wishes to Marcus Prendergast of D'Loughtane, Clashmore who is presently recovering from a hand injury.

## UNDER 10 FOOTBALL

On Sunday last we travelled to Abbeyside with two under 10 teams. For a small parish, this was a unique occasion fielding 25 boys under 10 plus two girls under 10.

In the first game our boys took on a strong Abbeyside 15 but led 0-7 to 2-0 at half-time. In the second half we continued to press forward with all our players giving their best, we ran out winner 5-9 to 4-1. Special mention to man of the match Declan Allen but also Nick Beresford who scored 2-2 on the day. This is a special group of young-lads who can go on to become champions if they keep up the effort.

Team — C. O'Keeffe, C. O'Rourke, K. Connery, E. Murray, Vincent Daly, J. Seward, Joe Collins (0-1), M. Burke (1-1), P. O'Rourke (0-3), Aileen Barron, Nick Beresford (2-2), A. Mulready, Kevin Murphy, Sean Fleming (1-1), Dec Allen (0-1). Final score — Clashmore 5-9 to Abbeyside 4-1.

In the second game our younger players also took on Abbeyside. In a close fought encounter our boys (and one girl) came out on top by six points. On the day Thomas Kroner was very good in goal. Pdraig Smiddy was brilliant at full back and Shane Dalton excelled at centre back. The mid-field pairing of Connor Coughlan and Kevin Dunne had the upper hand at midfield. The Kelly twins are two to look forward to for the future and the rest of the forwards were excellent on the day.

Team — Thomas Kroner, Michelle Keogh, P. Smiddy, S. Mangan, A. Prendergast, S. Dalton, M. Barron, C. Coughlan, K. Dunne, E. Kelly, S. Bourke, C. Kelly, A. Condon, F. Maher, G. Seward. Final score 3-4 Abbeyside 1-4.

## SEMI FINAL OF BOYS FOOTBALL

Clashmore/Kinsalebeg/Ballycurrane boys reached the semi-final of the schools competition. The opposition was Carriglea/Glenbeg. From the start Clashmore boys were up against it - Glenbeg boys showed a lot of skill and had the ability to work their way through for goals. Our boys gave their all but were beaten in the end on a score of 6-5 to 1-7.

Our team was - Sean Fleming, Una Leahy, Kieran Connery, Pdraig Connery, Seamus Barron, James Ledingham, Paudie O'Rourke, Jim Flavin, Mary O'Rourke. Subs. — Mark McGrath, Mark Burke, Joe Collins, Gerry Kelly, John Power, Marcus Prendergast, Thomas Cliffe, Killian O'Keeffe.

## CLASHMORE RAMBLERS

Social Night — The club are holding a social night at the Decies on Saturday night next October 28th. Admission is free and everybody is invited along.

Under 18's — Last Saturday we travelled to Conna to play Valley Ramblers - last years league and cup winners. Thanks to a marvellous performance it was 0-0 at half time. Early in the second half Valley opened the scoring and ended up winning 3-0. We were very unlucky to hit the crossbar 3 times. Best for the Ramblers were Mark Power, Ed Beresford, Peter Colbert, and Noel McGrath.

First Win For Junior Team — Last Sunday we played hosts to Affane in our first league game. Despite missing a few regulars, Ramblers led 1-0 at half-time, following a Seamus Allen goal. Affane equalised in the second half with a great goal but Dec. Whelan restored our lead. In the final minute Seamus Allen wrapped up the points with another fine goal. This was a particularly good team performance and manager Tom Kelly will be well pleased. Best for Ramblers were "Oggy" Hogan, Donal Fitzgerald, Peter Fitzgerald and Dec. Whelan.

## A.C.T.

## WEST WATERFORD MINI SEVENS GIRLS FOOTBALL

The girls of Kinsalebeg and Clashmore pulled off one of their greatest victories to date in winning this competition.

It began on Wednesday last when we played our group games. Here we had two easy victories over Ardmore and St. Mary's, Dungarvan. However in our match against Carriglea/Glenbeg we had to fight to the end, where we eventually won on the score of 2-3 to 1-3. With these victories we qualified for the semi-final which was played on Friday evening. Here we faced Ballinameela - it was an evenly contested game which we eventually won by 5 points.

This brought us to the final where our opponents were Coolnasmear/Kilbrien who had to go to extra time to win their semi-final over Modeligo - this was to have a bearing on later events. The game was keenly contested with scores very difficult to come by.

Coolnasmear/Kilbrien went into an early lead when they scored 1-1. Our girls kept plugging away and worked hard for their scores. At full time we were level 0-5 to our girls and 1-2 to the opposition. So it was extra-time 5 minutes each half. Here we showed our fighting spirit, allied to the fact that Coolnasmear were tiring. We were the stronger team in extra time scoring 1-2 in the first period.

Coolnasmear fought gamely to the end and had us under pressure but we held out for a famous victory. Each and every member of our team played their part. Aileen Clarke was a very reliable goalie and her long kick out was vital. In defence Marie Trihy was outstanding, she had great assistance from Marie O'Connell and Ciara Murphy who later moved to mid-field where she played a "stormer".

Throughout the series of games Jean Byrne and Aileen Barron played most of their football at midfield - they were the mainstay of many of our victories, with Jean also getting vital scores. Mary O'Rourke was our most potent forward and caused endless problems for defences throughout the competition. Others who played their part were Carol Seward, Michelle Keogh, Evelyn Trihy, Susan Barron, Stephanie Coleman, Ita Keevers, Sarah Daly, Aine Lombard and Lorraine O'Brien.

## LITTLE EGRETS (WHITE HERONS) GATHER AT STONE BRIDGE LAKE

Last week we reported the sighting of a little-egret on the new tidal lake near the Stone Bridge. Now there are three of this unusual bird to be seen together at this same spot just fifty yards from the main N25. It seems that our gradually warming climate coupled with the great small-fish life in the river, are proving attractive to this otherwise Southern European species.

Last Sunday, local photographer Bob Rock, who is also an expert on wildlife, spotted the three pure white birds as they fished away, oblivious to the passing traffic nearby. Bob also noted how often they thrust into the water for fish and the average turned out to be about once per minute per bird. This is a great rate of fishing as anyone who watches the ordinary grey

herons in action will know. The greys can stand on the one leg for ten or fifteen minutes without a thrust of the long neck into the water.

A report has also come in to say that as many as six of the little-egrets have been seen together at Shanacoolie, west of Piltown. If this proves right, we could be on the fringe of a big attraction for our locality. Seemingly the continued mild climate here over the last few years could mean a bonus of the white-herons staying with us over the Winter, instead of flying south as they are supposed to do.

No doubt, whatever about climate, it all speaks volumes for the healthy state of our river Blackwater and its ability to attract such birds. Another testimony to a river alive was shown last week-end when a Munster shore angling competition took place from it's banks and reports coming back from the many anglers, say that everybody caught at least a few fish.

# Plan That Hedge Now

"Once upon a time every house had a privet hedge . . ." Well, not quite, but the privet was a common sight, thanks to a fastgrowing habit which created a boundary line which could be kept neatly trimmed by decent shears.

Even if it did get a little unruly, a bit of elbow grease would soon lick it into shape.

But the old privet has fallen out of favour. If any variety has leadership now it is leylandii or Leyland Cypress, a hybrid created by man which has all the privet virtues of fast growth and a lack of fussiness about site.

It also looks smarter even when a little overgrown — mind you, you need more than shears to keep it properly in check.

And like privet, its popularity could soon see it dumped in favour of next year's model, whatever that might be.

Now is a good time to plan planting a hedge and there are good reasons for having one:

- hedges are efficient noise and wind breaks, yet more resistant to weather damage and rot than fences.
- they are definitely cheaper and easier on the eye than walls.
- they round off the edges of a garden and can be especially useful in the gardens of newly-built homes.
- some varieties have thorns and can help keep out intruders.
- deciduous varieties can provide a good shelter and backdrop for flowers — conifers may not be ideal companions to your blooming borders.

When choosing a variety think what height you want your hedge to reach, how fast you want it established and how much clipping it will need — privet needs a little quite often — how much can you afford.

### PREPARING

Whatever you choose, start preparing the ground now while the weather is still mild and other garden chores are becoming fewer. It will be worth the effort because a well established hedge will survive for many years.

Evergreens can be planted now while others go in later in the calendar.

Varieties to consider are:

**YEW** — expensive and slow growing but well worth the effort because it will create a magnificent hedge.

**HAWTHORN** — beat the burglar! An excellent deterrent but it can quickly look scruffy and many people prefer a stout bushy rose variety such as Rugosa which produces flowers and hips as well as thorns.

**HOLLY** — is another prickly customer but also a friendly one at Christmas time. However it is expensive and slow-growing.

**BOX** — another traditional favourite producing a dense, evergreen screen which is easily controlled. It is beloved by topiary experts, but declining interest in this strange art form mirrors the declining popularity of box.

# TALLOW NOTES

## TALLOW G.A.A. NOTES

### Professional Preparation

— To achieve success nowadays at inter-county, or even club level the preparation of teams must be put on a high level of organisation. No longer can a team with aspirations be satisfied with a haphazard happy-go-lucky attitude. The day of the three or four rounds of the field and a few sprints is gone and the whole approach has changed utterly. A "trainer" I knew would be out of business nowadays. That man's training schedule owed nothing to imagination or sophistication. He rigidly stuck to his 6 rounds of the field perimeter starting at the dressingroom door and taking a predictable anticlockwise path of boring jogging until the sixth circuit had been completed. One night I ventured to speak up as we faced the dull unvarying routine. "Why not change it a bit tonight" I suggested, "and make it a bit more interesting". "Begor", he responded, "That's a great idea. Right lads, we'll change the whole thing: run around the other way tonight". And we did.

Today's top teams - and not only the All Ireland champions - approach the preparation of their teams in a highly professional manner. Three people usually comprise the management team. Those three are individuals who may differ from one another in many ways but are ideally, united by a shared philosophy. They must be on the one wavelength if progress is to be made and each must make his own special contribution to the overall welfare of the team. Specialised areas such as diet, physical training and psychological preparation must be adequately catered for. This latter aspect of preparedness, the psychological one, has only come to the fore in recent years. Where none of the appointed management team can fulfil the role of sports psychologist then the services of one should be sought because this is an area which we neglect at our peril.

Sports psychology is a source of amusement to some and a subject for good-humoured ridicule for others. But no area of a panel's preparation is more important. Getting a panel to reach a high level of physical fitness is comparatively easy once players are dedicated, as they invariably are. Preparing their minds is far more difficult. All players suffer mentally with the approach of a big game which could, in fact, be merely a first round. They have their private fears, anxieties and doubts. Doubts about fitness, about their ability, about their opponents, about the weather, their hurleys, their boots, minor ailments and many other matters which prey on the alert mind of a player sincerely committed to his team. Players des-

perately crave reassurance and a personal conviction of their own ability to perform on the day. Fear is a very strong emotion - fear of failure to deliver, fear of defeat, fear of personal capability, fear of the unknown. If the team is to be successful the positive attributes of the players must be stressed: their speed and fitness, high skill level, team spirit, team work, experience of big days. A feeling of isolation often grips a sensitive player who doesn't realise that the outcome of the game doesn't depend on him alone, that support from equally fit and determined colleagues is ever present and that there is a shared responsibility to which he can make his own valuable contribution.

In the 1950's Waterford feared Tipperary more than any other team and weren't too confident whenever the two sides met. The players seemed to be in awe of the Tipperary men and accorded them far too much respect. Only in 1959 did Waterford play without inhibitions and record the famous victory over the then - All Ireland champions in Cork before going on to win the title. Yet it wasn't until 1962, in October, that Waterford regained their self-belief to defeat Tipperary in an Oireachtas final of rare grandeur (Donie Nealon still thinks that it was the finest hurling match he ever played in). Now with fear of Tipperary removed from their collective minds Waterford went on to defeat the neighbours on three other occasions in 1963: a tournament, a league final and a Munster final. Fear was banished, self confidence surged through the team and performances were enhanced.

This year offered us food for thought on this subject of mental preparation. Dublin are the latest team to reap the benefit to tackling their psychological problems. All honour to Donegal, Derry and Down champions of 1992, 1993 and 1994, who had unexpected success over Dublin teams which boasted all of the qualities of a champion team save one: poor mental preparation. Any fair-minded unbiased observer of the football scene couldn't fail to note how mentally strong and focussed the Dub's were this year and how confidently they coped with crises during the course of matches. Their management insisted that they were no fitter in 1995 than they had been in the previous three. Surely the input of the sports psychologist had some bearing on Dublin's firm self-belief throughout this year's campaign and tilted the balance in their favour in tight situations. Can we easily forget the mental hardness of Clare whose fitness alone could not have helped them against Cork, Limerick, Galway and Offaly. This was the county seemingly unable to do them-

selves justice on major occasions when they had the material to make a breakthrough. Until this year, that is, and what a fillip to other teams, including our own ambitions, their achievement has been. Within our own county Mt. Sion replay specialists, were confidently expected to win another title when confronting Ballygunner in the replayed final. Even without their most prolific scoregetter Paul Flynn, the 'Gunners had a super win which was distinguished by a passion and positive mental approach which withstood the fiercest Mt. Sion pressure.

Just now the Waterford team seems to have some mental blockage when confronted by Tipperary jerseys who happen to be our opponents once more in the 1996 championship. All who watched this year's meeting of the sides in Cork were shocked at the feeble challenge offered by the Decies. The most disappointing aspect of the game was the lack of will and drive and conviction. There appeared to be a passive acceptance of defeat, a concession of Tipperary's right to slaughter us. Must we endure this painful humiliating experience once more next year. No, and a resounding no must be the loud and clear answer. Tony Mansfield and his fellow selectors must give priority to the mental preparation of the team for next years repeat of the 1995 debacle at Pairc Uí Chaoimh. We are presented with a wonderful chance to make amends and to show that Waterford aren't satisfied any longer to be the whipping boys for Tipperary or any other county.

#### Corn I.N.T.O. Under 12 Football Cup Final Division B

**Tallow, 4-8 Lismore 2-6**  
Played at Ballyduff last Wednesday afternoon 19th October this proved to be a fine game.

Having played each other in Tallow some weeks ago and Lismore having won on that occasion by 5 or 6 goals the Tallow boys were rather apprehensive about the outcome. They knew that nothing short of 100% from every boy on the team would do.

The first half was pretty even with Lismore shading it on the scoreline of 1-5 to 0-3 those points coming from Paul O'Brien (0-2) and Paul Kearney (0-1) and we were also thanking the Tallow goalkeeper Pat Sheehan for 2 marvellous saves late in the first half.

Half time switch saw young Michael Curley coming into the fray and being 5 points behind we were looking to Tallow for a first score to start the fight-back. Lismore, however, had other ideas and in the first attack of the second half scored a marvellous goal to leave them 8 points ahead with only 19 minutes of play left.

This was the true test of the

Tallow hearts and how all eleven boys responded. Led by example captain Paul O'Brien (man of the match) stormed upfield for a quick point - closely followed by another point from brother Mark O'Brien reducing the deficit to 6 points. The game changed in less than 3 minutes when Paul O'Brien crashed a goal to the Lismore net followed a minute later by a solo run, half the length of the pitch by Michael Keating to score another fine goal with Paul O'Brien (scorer of 1-5 in total) sending over the lead point and from this point on there was going to be only one winner.

The Curley brothers then took over with William scoring a fine goal but not to be outdone younger brother Michael weighted in with 1-1, and Paul O'Brien had the last word with 2 more points to leave Tallow very worthy winners by 4-8 to 2-6, turning an 8 point deficit into an 8 point lead.

The I.N.T.O. Cup was presented to team captain Paul O'Brien by Seamus Fitzgerald amid wild scenes of celebration.

Team — Patrick Sheehan, Ross Tobin, Dermot Casey, Michael Keating, Kieran Norris, Paul O'Brien (Capt.), Aiden Kearney, Paul Kearney, Wm. Curley, Pat Ahearne, Mark O'Brien. Subs. — Kieran Henley, John Beecher, Paul Donnelly and Michael Curley. Tallow Notes

## TALLOW ENTERPRISE NEWS

"L.E.T.S. Do It In Tallow" — This could be the slogan when a new initiative by Tallow Enterprise Group Ltd. is up and running. L.E.T.S. which stands for "Local Exchange Trading System" allows people to trade their goods and services locally using local units of currency.

The principle of self help is not new to Ireland, of course, with its tradition of "meitheal" which in the past was used, especially in the countryside, to pay for work and services by exchanging goods and services of a similar value.

L.E.T.S. goes a stage further by using a central administration system to control the flow of services and currency units. The idea of a local currency had great success in the U.S.A., Canada, the U.K., etc., and in the past few years has spread to many communities in Ireland.

On Nov. 3 Tallow Enterprise Group is hosting a public meeting in the Enterprise Centre, West Street, Tallow to launch this new initiative.

The next issue of this paper will have more details. Don't forget — "L.E.T.S. Do It In Tallow". — P.R.O.

## POINTS SHARED IN TALLOW

### Bride View United 1 Modeligo 1

Our Division Two side kicked off their league programme at home on Sunday morning last against Modeligo. This was a very poor performance from the Tallow side although they took the game to the visitors especially in the second half.

Modeligo opened the scoring in the 30th minute but United replied straight from the kick off and Denis O'Flaherty scored from close range. David Henley had a shot well saved after 34 minutes but at the break the sides were level at 1-1.

United piled on the pressure in the second half and created some good chances with the best of these falling to O'Flaherty, Pratt and Henley.

The homeside did have a let off in the 88th minute when one of Modeligo's forwards got through but with only Conroy to beat he shot wide. At the final whistle both sides had to settle for a share of the points.

United — W. Conroy, W. Murphy, D. Henley, G. Hogan, R. Henley, L. Murphy, P. Murphy, G. Fitzgerald, D. O'Flaherty, M. Henley and S. Pratt. Res. — I. McIntosh used P. Cronin, K. Donnelly.

Sympathy — The club extends its deepest sympathy to the Morrisson family of Strancally on the very sad passing of Mary Rose Morrisson at such a young age. May she rest in peace.

#### MIXED WEEKEND FOR SCHOOLBOYS Bride View United 1 Castlebridge 5

United came up against a good U-14 side from Castlebridge on Saturday last. The visitors were two goals in front before Walsh pulled a goal back for United to leave the half time score 2-1 to the visitors.

United had their chances in the second half. Shane Kearney should have grabbed the equaliser early in the second half and it looked as if the equalising goal was coming after 15 minutes when Renehan struck a terrific shot but it came back off the crossbar and was cleared.

Castlebridge added three goals late in the game and so clinched the points.

United — G. McGrath, G. Howard, S. Mills, S. Kearney, D. Keniry, W. Henley, E. Renehan, P. O'Brien, A. Roche, J. Walsh and O. Fitzgerald. Res. all used — K. Leahy, P. Geary and M. Norris.

#### Bride View United 4 Castlebridge 0

The Tallow side turned in a marvellous performance in their opening league game. The first half was keenly fought and the only goal of this half came after 37 minutes when Seamus Tobin set Shane McCarthy up to score from close range.

The second goal came 2 minutes into the second half and was a beauty. Paul Cronin rounded the full back before shooting a terrific shot high into the net. Stephen Curley followed this up with another marvellous goal from 25 yards after 58th minutes and Roy Henley's shot after 75 minutes took a deflection and ended up in the net to round off a good win for the homeside.

United — W. Conroy, P. Cronin, J. Barry, D. Howard, R. Henley, S. Pratt, J. Donovan, S. Tobin, T. Mulcahy, M. Ryan, S. McCarthy. Res. all used — S. Curley, J. O'Brien, B. Henley.

# Minister Presents Tidy Towns Awards In Stradbally

Super Valu Endeavour Award — This award of £200 with a commemorative plaque is made to the town or village in each region which has made the greatest improvement on the previous year. Prize winning centres from all over the South East in the 1995 Tidy Towns Competition received their awards from the Minister for the Environment, Brendan Howlin, T.D., at a ceremony in Stradbally recently. Stradbally won the overall regional award for 1995 and a prize of £1,000 with 206 marks, just 4 marks behind the national winner, Glenties, Co. Donegal.

The awards ceremony was organised by South East Tourism in conjunction with the Department of the Environment and was attended by representatives of Local Authorities throughout the region, Bord Failte, and of

the major sponsors including Super Valu Supermarkets who have sponsored the national competition for the past 3 years.

The Super Valu Regional Award for Exceptional Endeavour went to Lismore, to mark the town's outstanding performance as Ireland's 'Small Town' category entry in this year's European Entente Florale Competition.

Welcoming Minister Howlin and other guests to the ceremony, Austin Crowe, Chairman of South East Tourism, paid special tribute to Bord Failte for its role in initiating and organising the Tidy Towns Competition over more than three decades.

He said the competition could only go from strength to strength in its new home within the Department of the Environment.

South East Regional Tourism Manager, Joe Palmer, paid tribute to the Local Authorities and their engineering staff in particular for their great commitment to the competition. However he said Tidy Towns would not exist were it not for the huge voluntary effort of the local communities where countless people invested their time and effort in a totally unselfish way to better their environment for themselves and for visitors.

# New Seafood Marketing Campaign Launched

A major new BIM marketing campaign was launched recently by the Minister for the Marine, Sean Barrett T.D.

The campaign, which has been developed to encourage more seafood consumption on the home market, will include TV and radio advertising and the distribution of over half a million recipe books.

Irish consumption of fresh fish had been relatively static over the last number of years. The main objective of the new campaign is to increase consumption from 8.25 kilos per head per year to 9.5 kilos by the end of the century.

The second objective is to broaden the range of species eaten. Research indicates that more than one in two purchases of fish for home cooking is either cod or whiting.

The theme of the campaign is based on the variety of fish available for every day of the week. Mackerel, Hake, Whiting, Sole, Trout, Mussels and Salmon are all featured and for each, there are appetising and easy cooking suggestions.

The slogan for the campaign is "Make Friends With Fish" and retailers all over the country will be featuring the campaign on stickers, posters and other promotional material. The recipe books will be distributed, free of charge, through the retailers.

### DID YOU KNOW?

According to a nationwide research on fish consumption in 1994 on behalf of BIM:

1 Two out of three housewives serve fresh fish nowadays. Frozen fillets, steaks and portions, canned fish, shellfish and fish fillets are the most popular types of fish served by housewives.

1 Overall, meat and poultry remain the most important food stuff within housewives serving repertoires. However, it is encouraging that the total category of fish, including fresh, frozen, smoked and canned varieties, is served by almost 90% of housewives. Evidently, fish (in a generic sense) is still considered to be an essential constituent of our diets, in whichever form it is consumed.

1 Of those who serve fish in their homes nowadays, two-thirds do so at least once a week. The most frequently served products are fresh fish and frozen fish, fillets, portions and fish fingers with about 1 in 2 housewives serving these types of fish at least once a week. The most popular species of fish served nowadays are cod, salmon, whiting and plaice.

1 The focus on "Fish on Fridays" is less important

now than in previous years although serving fresh fish on Fridays is still traditional in some households. Apart

from Fridays, Wednesdays and Thursdays are becoming more popular days for serving fresh fish.

### OUR LOCALITY WEDDINGS

The ancient Church in Abbeyside was founded about the year 1290. The Chancel (the part of the church where the altar is placed) was built in the 13th century and the tower was constructed in the

15th century.

After the suppression of the monasteries in the 16th century the Friars were driven from the Abbey and the land surrounding it. By the year 1654 the building was ruined and destroyed.

The present church was built around 1820 and the Chancel was repaired in 1923.

The ruin is known locally as the "The Cloghas".

Next week we will be discussing some old street names and where they are located. Do any of our readers know where An Bothrin Caoch (The Blind Road) is located and what is its present day name?

Catherine Fitzgerald, Ballykerogue and Bernard Moyles, Cloughjordan. Thomas Wright, McCarthyville and Marie English, Waterford. Ann Cowley, Dungarvan and James McDonagh, Waterford.

### A FUNNY STORY

Phelim had been a champion jumper and now he suffered from pneumonia. The doctor came and took his temperature. "How high, doctor?" asked the patient. "One hundred and three and a bit," answered the medical man. "What's the record?" came the anxious response.

### RECENT BIRTHS

Congratulations are due to the parents of the following new born babies: Jake Hyslop, Murphy Place; Frances Whelan, Middlesex; Russell O'Brien, Glendine Drive; Katie Mulcahy, Sexton Street.

## Abbeyside Scout Notes

### SATURDAY NIGHT SCOUTS

This week's meeting started at 7 o'clock with fall-in and the scout prayer. Each patrol was then given tasks to do at their patrol corners while subs were being collected and a uniform inspection was carried out. Subs were collected by J.A.S.L. Paddy O'Dea and inspections were made by S.L. Brendan Kiersey. A list of uniform parts is being made and from what we have so far, the scout shop profits for this quarter will be high.

The meeting continued with each patrol sorting out transport for the troop hike on Sunday morning to a mystery destination with Unit Leader Brian Mulvihill in charge. With transport sorted it was time to sort out test work. S.P.L.'s Michael Fives and Eamonn Cashin took the new scouts who are getting ready for the tracker badge into the back to see how far they had gotten and offer advice on the test work. S.L. Brendan and S.P.L. Steven McNamara went over tests with the rest of the troop and merit badges that they wanted to do. They were joined by U.L. Brian and J.A.S.L. Paddy. With the troop happy and ready to do major test work over the next few months the new scouts came back and Brian told everyone what they would need for the troop hike but the destination was still a secret even to the other leaders. "The Great Abbeyside Mystery Tour" but Brian knew exactly where he was going, or so he told us and we believe him! Not!

Next, the time had come in the meeting for October drill competition — would Steven Griffin make it 2 in a row — would the Panther Patrol take most of the marks or would someone else stand out? All will be revealed.

With 34 scouts present it was going to be anyone's guess who would win. It all started nice and simple with simple commands and eventually it was down to the last four of Steven Griffin, Tomas Kiely, Michael Fives and David Cashin. Steven Griffin was first to fall, followed by David, then Michael, but taking the honours was

Tomas Kiely. Well done Tomas. Well done also to Sean Di Fusco who nearly went the distance.

The meeting ended with final notices and prayers and the troop fell out. Court of honour was held after the meeting.

### "THE GREAT ABBEYSIDE MYSTERY TOUR"

**Sunday Morning** — The day had come, months of planning had all come together for this one day. Where was this hike to? How long would it take? Who was going? What would we be doing there? All would be revealed by Unit Leader Brian. It was with bated breath that we waited. The troop gathered at the den at 10 o'clock approx. where everyone waited for Brian to come. When Brian arrived it was announced that the venue for the hike was to be the Glen.

All were at the Glen by 11 o'clock and were ready to go. Shortly after it was up to the Castle where each patrol gathered ready for the hike with Brian leading the way and Michael Fives S.P.L. taking up the rear. Brendan and Christina were at base looking after things there. (Drinking tea we hear and reading magazines etc.) The scouts headed off into the forest where they entered North Glenshelane before they circled back towards South Glenshelane while stopping for lunch en-route and crossing the river several times. At this time I should point out it was Unit Leader Brian who brought the scouts on this hike so any complaints to be forwarded to him. There was a water display in the car park by some of the scouts. They were back at the caravan by 2.30 p.m. all slightly damp, they got changed and ready for home. All went home happy with some presents for their parents. — Scribe

## Abbeyside Student Awarded Top Scoring Prize

Darren Tutty, the Burgery, Abbeyside, was this week awarded a prize by the Chartered Association of Certified Accountants (ACCA) for the top score in the ACCA Tax Planning examination. Son of Stephen and Betty Tutty, Darren's outstanding mark of 75% was the highest score achieved from 6,100 students who sat the exam in the UK and Ireland. Professor Mike Harvey, President of the ACCA, presented Darren with his prize in an awards ceremony at the ACCA Head Office in London on October 16.

Having studied accountancy at Waterford Regional Technical College for the past three years, Darren, 21, currently works as an audit

assistant with Fitzpatrick O'Dwyer & Co. Chartered Accountants in Limerick. He attributes his superb results in the examination to his tutor, John Quigley. Darren said, "Mr. Quigley was instrumental in teaching me all aspects of the Tax Planning syllabus. I have no doubt that his help and guidance contributed greatly to my success."

In addition to receiving a plaque for his excellent mark, Darren was presented with a cheque for £150 from the publishers of a magazine. With this success behind him, Darren commented that he hopes to complete the remaining ACCA exams in as short a time as possible. He is eager to gain his professional

qualification as a Certified Accountant and progress with his career.

The President of the ACCA Irish Region, Vincent Clarke, said he was delighted that Irish students were so successful in the exams. Irish students won three of the fifteen prizes awarded worldwide by the ACCA.

## ABBEYSIDE GUIDE NOTES

Did you miss us? While the omission of last week's notes may have caused slight discomfort to our loyal and addicted readers, we are confident that the pictorial Scouting spread provided adequate compensation. And yes, this scribe has recovered and is feeling much better this week just in case you were wondering. Now to the guiding matters.

The paper-mache masks which the guides started a few weeks ago are now near completion. A double meeting will be held this coming Friday (7-10 p.m.) where all the finishing touches will be added to these Halloween master pieces.

Just in case a double dose on Friday night was not enough, a Halloween sleep-over and hike has been organised for Saturday and Sunday. All in our guides section will be kept busy this weekend.

The Halloween spirit seems to be affecting all our sections as Halloween parties seem to be the order of the day, and a full report will be published next week so don't forget to tune in.

### OTHER NEWS

Mid term breaks will be in

operation for one week following our Halloween capers. Meetings will return to normal on the following dates: Monday, Ladybirds return Monday November 6th; Tuesday Brownies return on Tuesday November 7th; Wednesday Ladybirds return Wednesday November 8th; Friday Ladybirds return Friday November 10th; Guides return Friday November 10th.

A regional fundraising ef-

fort is presently underway and our guide section is 'shoe shining' at £1 a pair, as part of this each guide is expected to polish 3 pairs of shoes. So girls please remember to bring your £3 on Friday.

### OVERHEARD

Quote of the week came during our paper-mache craft session. "I have warts around my nose," now not many teenagers would admit to that.

## ABBEYSIDE REFERENCE ARCHIVE

We are the Isle of Saints and Scholars or so our history tells us. Well, I don't know about the Saints but we definitely had the scholars at the archive last Sunday. Two young and studious villagers made good use of our reference material proving yet again that we have something for everyone, the young and the not so young.

Now, as another long and lazy weekend approaches remember to make a note of our opening times, Sunday's 2.30 p.m. - 5.30 p.m., the ideal way to spend the afternoon. Master of ceremonies this week will be the Archive himself, Fintan Strain, and no better man to answer all your questions.

# RECENT DEATHS

## Late Mary Bridget Mulcahy

It is with sadness we record the death of Mary Bridget Mulcahy, Ballinaskaha, Dungarvan, which occurred at the District Hospital, Dungarvan on Saturday, October 14.

She was a very cheerful lady, much loved by everyone who knew her. Bridget was regularly seen at the local bingo halls with her only sister Ellen who devoted her entire attention to her over the years during her illness.

We extend our deepest sympathy to Ellen and all other relatives and friends on their sad loss.

Her remains were removed from the District Hospital on Sunday, October 15 to St. Laurence's Church, Ballinroad, followed by a large cortege and were received and blessed by Very Rev. R. Doherty, P.P., assisted by Rev. P. Ahearne, C.C.

Requiem Mass on Monday, October 16, was celebrated by Fr. Ahearne, assisted by Fr. Doherty. Hymns and music were rendered by the Parish Choir conducted by Mrs. Tobin. The above clergy officiated at the graveside. May she rest in peace.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Paddy Walsh

With great sadness and a deep sense of loss we write on the passing of Mr. Paddy Walsh, Mount Odell House, Dungarvan on Thursday, October 12 at Drumhills Nursing Home after a relatively short illness.

A native of the Brickey Valley, Paddy was a most popular individual who will be greatly missed by one and all. He was predeceased by his brothers Tom, Michael, sisters Hannah Mooney and Alice O'Donovan in the recent past.

A hard working man all his life, Paddy took a great pride in the agricultural developments on his farm. He was very much into dairying, beef and tillage. He was an excellent judge of stock and kept very much up-to-date with modern developments in farming.

He was a deeply religious man who loved his ten o'clock Mass each Sunday

## St. Mary's Parish Dungarvan

Final session of Novena to Our Lady of Perpetual Help will be held on Mon., Oct. 30 at 7.30 p.m. in St. Mary's.

**WEDNESDAY, NOV. 1**  
[Feast of All Saints — Holyday] Masses: St. Mary's — 7.30 p.m. (Tues.), 9.00, 10.30, 11.45 a.m. and 7.30 p.m. Friary — 6.15 p.m. (Tues.). 8.00, 10.00, 11.30 a.m. and 6.15 p.m.

and indeed his Christian values were a shining example to all. He was a social person who enjoyed a joke, story and to talk of yesteryear. He loved all sports and attended fixtures and events locally and during the salad days of Waterford he attended Munster and All-Ireland fixtures.

For many years he was a selector with the Brickey Rangers, a club whose fortunes he followed with mustard keen interest. In his youth he hunted with the Aglish Harriers and later in life attended racing.

Those of us who knew Paddy always associated him with his greyhounds. All his life he was a valued member of Dungarvan Coursing Club. Indeed his wife Nancy (née Ahearne) was a most capable treasurer of that club in the recent past. Paddy loved his longtails and many a good one came from his Mt. Odell kennels. Trial Stakes were won at Cappoquin, Fermoy, Grange, Youghal, Waterford and Rathgormac. Twice he ran up in the Deise Cup. His 'Rainbow' prefix reached the last eight in both the Derby and Oaks at the National meeting at Clonmel with Rainbow Waver and Rainbow Zest. Paddy also provided the runner-up in the Select Bitch Stake at Charity Meadows; he was most unlucky not to secure outright victory.

Both Nancy and himself were very much to the fore with fundraising re the restoration of the famed Master McGrath Monument. Wherever coursing people meet and reminisce, they will hold fond memories of a man such as Paddy Walsh.

On the track he saw the winners enclosure at Youghal, Cork, Thurles, Kilkenny, Waterford and Clonmel. He produced a finalist in the Easter Cup, the Laurels at Cork and the Tipperary Cup. He reared and raced in partnership with Fr. Michael Ryan, the great 'Citizen Supreme' who was later to stand at stud with the Fitzgibbons of Newmarket, Co. Cork. He attended the World Federation of Greyhound Sports when held in Dublin.

His passing has robbed the greyhound world of one of its greatest exponents. He wished everyone well and always loved to see the locals doing well.

To have known a man like Paddy Walsh is much to be grateful for, we are all the richer for that acquaintance. May Paddy rest in peace after life's journey.

On Friday evening Paddy's remains were brought from the Kiely Funeral Home to St. Mary's Parish Church. A guard of honour from the Dungarvan Coursing Club and Brickey Rangers GAA Club flanked the hearse. Fr. McNamara, C.C., conducted the funeral liturgy, assisted by Fr. B. Crowley, C.C., Fr. T. Walsh, O.S.A. and Rev.

Fr. J. O'Sullivan.

Requiem Mass was offered on Saturday morning for the happy repose of Paddy's soul. Fr. C. Kelly, C.C. was celebrant, while Paddy's son Pat and nephew Hugh Walsh read the Liturgy of the Word. Terry Dalton was soloist, assisted by Gertie Morrissey (organist). A large concourse of mourners was present for the graveside prayers recited by Fr. Kelly, Very Rev. R. Doherty, P.P., Fr. Ahearne, C.C., Very Rev., J. Kiely, P.P., Very Rev. G. Power, P.P., Very Rev. J. O'Sullivan and other visiting clergy were also present.

We offer our deepest sympathy to Nancy, Pat and Paddy's other relatives on their cross of bereavement.

Chief mourners — Nancy (wife), Pat (son), Concepta (daughter-in-law), Aidan, Conor, Ian (grandchildren), Joe (brother), Margaret, Mary May, Ann, Kathleen, Eileen (all based on London) (sisters), Seamus, Frank, Michael and Pat Ahearne (brothers-in-law), Alice O'Brien, Joan Walsh and Hannah Walsh (sisters-in-law), and a wide circle of nephews, nieces, relatives and friends, many of whom travelled long distances to say farewell to a very dear friend and relative.

(Obituary by David Kiely.)

## Late Mary Walsh

Mary was born and reared in Ring. She later went to England to live. She was one of a family of seven and is survived by her sister Anne in Boreenatra, Dungarvan.

A lady of many estimable qualities, she will be sadly missed by all her friends, but more especially by her sorrowing family and relatives to whom we extend deep and sincere sympathy on their sad loss.

Removal was from Drohan's Funeral Home on Monday, October 23 to Clashmore Church where the remains were received and blessed on arrival by Fr. O'Gorman, P.P. and Fr. O'Connor, C.C. Following funeral Mass on Tuesday morning celebrated by Fr. O'Gorman, burial took place in the adjoining cemetery. Fr. O'Gorman officiated at the graveside.

The chief mourners — Tony (son), Teeny (daughter-in-law), Darryll, Donna, Derri, Daxeen, Deke, Dani, Donna, Martin, John, Simon (grandchildren), Chloe, Charlotte, Jack Anthony, Jake, Calum, Carrieanne, Casey Dax and Destiny (greatgrandchildren), Annie (sister).

## Mrs. Maisie Kinneen (née Daniels)

It is with feelings of profound regret we record the passing of Mrs. Maisie Kinneen (née Daniels), 1, Youghal Road, Dungarvan, which sad event occurred at the District Hospital, Dungarvan, on Thursday, October 12, following a period of failing health.

Maisie was well known in the locality having run a bar and grocery and undertaking business with her husband Gerry at Grattan Square for many years. Her late father, Jack Daniels, was also an undertaker in the town.

She was a quiet, gentle, unassuming lady, much loved and respected by young and old. She was a loving wife and mother and her door was always open. She was the best of companions, affable and generous with her time and good nature. There was nothing she enjoyed more than a game of bingo. Though she did not enjoy the best of health for some time past, she bore her final illness with a true dignity. May she rest in peace.

Prior to removal on Saturday evening, prayers were recited by Fr. Jim Mountain (nephew). The remains were then removed from Drohan's Funeral Home to St. Mary's Parish Church where they were received and blessed on arrival by Fr. Mountain, assisted by Fr. Moylan, O.S.A., Fr. Ahearne, C.C. and followed by a large cortege of mourners.

Concelebrated Requiem Mass was offered on Sunday morning for the repose of her soul. The chief celebrant was Canon Power, P.P. and co-celebrants were Fr. Mountain and Fr. J. Griffin, P.P. Internment took place in the adjoining cemetery immediately afterwards. The Lessons during the Mass were read by Gerard McCarthy (grandson) and Gerry Kinneen (nephew) and Kenneth Hardy, Dublin.

The chief mourners were — Gerry (husband), P. J. (son), Margo, Josephine and Ann (daughters), Lily Mountain and Monica O'Reilly (sisters), Michael Daniels and Tom Daniels (brothers), daughter-in-law, sons-in-law, sisters-in-law, grandchildren, great-grandchildren, nephews, nieces, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Mr. Maurice (Monnie) Dalton

Maurice passed away after a long illness patiently borne at Milford Hospice, Castletroy. He will be sadly missed by his friends and family.

His coffin, draped with the flag of the O.N.E., left Cross's Funeral Home accompanied by a guard of honour of his O.N.E. comrades to St. Joseph's Church, Limerick. After Requiem Mass on Thursday he was laid to rest in Mount St. Laurence Cemetery. His army friends, his wife, sisters and brothers, nieces, nephews and many friends bid him a last farewell as the bugler sounded the Last Post. May

his gentle soul rest in peace.

Deepest sympathy is extended to his wife Bridie, brothers Jimmy and Micky, sister Maudie, cousins and his many friends.

## Captain A. F. Nicholson

The death took place at his residence Little Bridge, Inces, Cappoquin on Sunday, October 15, of Captain Alfred Francis (Nat) Nicholson. His death indeed came as a great shock to the many people who knew him as it was unexpected as it was untimely.

A man of great character and of a quiet and gentle nature, we offer sincere sympathy to his wife, daughter, sons and other relatives.

## KILL HAPPENINGS

### GET WELL SOON

We wish a speedy recovery to Paul Keeffe of Kill Village, who had a recent spell in Waterford Regional Hospital. We hope to see Paul out and about soon again.

### INTERMEDIATE HURLING SEMI FINAL

Last Saturday afternoon in a lovely day for hurling, Kill travelled to Walsh Park to take on St. Mollerans in a replay after an outstanding match the previous week. The lads got off to a good start, and got a few quick points and a very good goal from Anton Lennon. In the first 10 minutes, John Power had to retire, because of a hamstring problem, in which Bernie O'Brien came on. Brian Mooney had a back problem, but played his best throughout the match. Joe Kennedy and Brendan Mooney also had to pull out of the match with the flu. Kill put up some good hurling, and were leading by 1-6 to 1-4 at the time.

In the second half the Mollerans came back and dominated the game right throughout the half hour. But still Kill hung on, and narrowed the score down, but St. Mollerans hung on and won by a mere 1 point.

Scorers A. Lennon 1-7 and R. Hennessy 0-1. Hard luck to the lads. The lads now look forward to the intermediate football county final, in which they will place either Faha on Clashmore. This will take place in about a fortnights time. Best of luck to the lads.

### GREAT SUCCESS

The supporters buffet in aid of Kill G.A.A. Club which took place last Friday week proved to be a great success. Music was provided by Teddy and Dessie, and a disco also by Michael Rockett. The Kill G.A.A. club would like to thank all the ladies, who helped in organising the food, and also all the sponsors who donated spot prizes. A great night was had by all.

# Age Beauty

## NORMAL SKIN Its care and maintenance

Normal skin results from a well balanced diet and correct skin care and hygiene. To maintain a normal skin it is important to practise a proper skin care routine. Proper cleansing, toning and moisturising morning and night are essential. A visit to your local beauty salon once a month will benefit. Usually a facial including a cleanse to remove dead cells and a massage will be given. It is important that dead cells are removed from the surface of the skin regularly and that all impurities are removed from the follicles. Facial

massage will stimulate the skin and improve the metabolism of the skin. You will also be advised about products which will suit the skin that can be used at home between visits to the salon. In order for the skin to continue functioning in a normal way regular care must be given.

The appearance of a normal skin is very clear, translucent and healthy. It is a glowing pink colour neither shiny or dull, not too dry or oily.

Normal skin is usually free from blemishes which need extensive treatment. It is fine and even textured with no shiny areas. Spots very rarely develop on a normal skin as there are no greasy areas. A normal skin is always in good condition: it is firm to look at and soft to touch and has a healthy appearance.

1. Follow a correct skin care routine.
2. Visit a beauty salon for treatment and advice.
3. Ensure you follow a balanced diet to maintain the healthy appearance of the skin.

# FAMILY HEALTH

By Dr. DAVE BARRY

**Q:** I do a lot of walking and have developed a very painful foot. I've tried all sorts of supports and pads but to no avail. My G.P. referred me to an orthopaedic surgeon who suggest removing part of one of the nerves. Is there an alternative to this? as I feel this is rather drastic.

**A:** You may have what is called a Norton's neuroma. In this condition, fibrous scar tissue builds up around one of the little nerves in the foot, producing pressure and pain when walking. The cause is unknown and it usually effects the nerve between the third and fourth toes. It is more common in women. A support pad often relieves the discomfort, but many cases require surgery to remove the thickened area of nerve. If you are still unsure a second opinion before making up your mind often helps.

**Q:** I've had the same G.P. all my life he's a family friend and we have always got along well. The problem is that I now have difficulty discussing things like contraception with him. How can I change to another G.P. without hurting his feelings.

**A:** I would think your doctor may have anticipated your difficulties in this area. If he has a partner, you could consult him/her on any issue you find difficult to discuss with your own G.P. or you could always go to a different practice. However, your doctor's feelings may be hurt if he thought you had a medical need that wasn't met by him because you felt inhibited. If you do change drop him a note to explain.

**Q:** Our doctor won't give my children antibiotics until they are practically at death's door. Is this standard procedure or should I change doctors?

**A:** Antibiotics are very powerful, often life-saving drugs. They are, however only effective against bacteria, not viruses. Since it is often impossible to say whether an infection is viral or bacterial, the doctor may base his decision to prescribe on general factors, such as how ill the child is. Over prescription can cause the bacteria to become resistant to the drugs. Your doctor may be simply being cautious.

**Q:** My son developed quite bad dandruff and now the entire family have it. We've tried anti-dandruff shampoos and different brushes and combs, but we can't get rid of it!

**A:** Seborrhoeic dermatitis seems to be the basic disease in the common variety of dandruff. This is when scales form more readily than normal. The shedding of these scales is what you see on your shoulders and in your hair. The rate at which your scalp skin sheds is genetically determined,

so probably all the family have the potential of developing dandruff. Now it is thought that the cause of a flare-up in dandruff, or where it appears badly for the first time, may be a secondary infection by

fungus. Preparations containing selenium can be bought at the chemist and should help improve the dandruff. If not, your doctor can prescribe a more effective anti-fungal shampoo.

## Chef's Corner

Menus for the week

**METHOD:** Preheat oven to 200°C/400°F/Gas Mark 6. Heat oil in a large pan and add the onion and garlic. Cook for 3-4 minutes until soft. Add mushrooms and cook for a further 3-4 minutes until just soft. Stir in pine nuts and parsley and season well to taste; cook for a further 3 minutes. Cool for 5 minutes.

Take 4 sheets of pastry and place on 2 nonstick baking sheets. Brush pastry edges with a little egg, place a fillet steak in the centre and top with a quarter of the mushroom mixture. Place remaining sheets of pastry on mushrooms; press edges to seal. Trim with a sharp knife, reserving trimmings. Make a scalloped edge by pushing your index finger between thumb and index finger of your other hand.

## Beef Wrapped In Pastry

- 2 tsp olive oil
- 1 large onion, peeled and finely chopped
- 2 garlic cloves, peeled and crushed
- 225g/8oz flat-cap mushrooms, wiped and thinly sliced
- 3 tsp pine nuts
- 4 tsp fresh chopped parsley
- 8 (21.5cm/8 1/2 in) square ready-rolled sheets of puff pastry
- beaten egg for glazing
- 4 (175g/6oz) fillet steaks
- Gravy
- 25g/1oz butter
- 1 small onion, peeled and thinly sliced
- 25g/1oz plain flour
- 300ml/1/2 pt beef stock
- 2 tsp mushroom ketchup
- 3-4 tsp dry sherry
- Steamed baby carrots and thin strips of leeks tossed in butter and thickly sliced sauteed potatoes sprinkled with fresh chopped parsley to serve

Brush parcels with egg. Roll trimmings and cut out 20 diamond shapes (for leaves) from remaining pastry, then score 'veins' with tip of a knife. Arrange 5 leaves in a flower shape on top of each parcel; brush with egg. Place on a wetted baking sheet and bake for 20 minutes until pastry is risen and golden. To make gravy - melt butter in a large pan. Add onion and fry for 3-4 minutes, until soft. Stir in flour and cook, stirring, for 1 minute. Away from the heat, gradually stir in stock. Return to heat and bring to the boil, stirring, until thickened.

Add mushroom ketchup and sherry and strain through a sieve (discarding onion) into a clean pan. When beef parcels are cooked, arrange on warm serving plates with carrots, leeks and potatoes. Heat through gravy and pour a little over each parcel. Serve with remaining gravy.

## CHOCOLATE PUDDING

- For the topping:**
- 2oz/50g plain chocolate
- 2 tsp double cream
- For the sponge:**
- 6oz/175g butter
- 6oz/175g caster sugar
- 3 eggs, size 2, beaten
- 6oz/175g self-raising flour
- 4oz/100g plain chocolate
- 2 tsp milk
- For the brandy sauce:**
- 2 tsp soft brown sugar
- 2 tsp caster sugar
- 1 tsp cornflour
- 1/4 pt/150ml milk
- 1/2oz/15g butter
- 4 tsp brandy
- grated zest of 1 orange

• Grease a 2pt/1.2 litre pudding basin with butter. To make the topping, melt the chocolate in a bowl over a pan of simmering water. Stir in the cream, then spoon into the pudding basin.

• To make sponge, beat butter and sugar until fluffy. Add eggs, one at a time, beating well between each addition, then fold in flour. Melt chocolate in a bowl over a pan of simmering water. Beat in milk, then fold into sponge mixture.

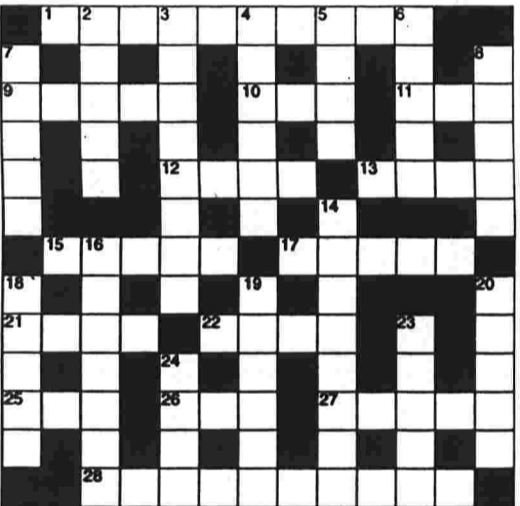

• Spoon the sponge mixture over chocolate in pudding basin. Cover with grease-proof paper, then with foil, and secure with string. Place in a steamer over boiling water, then cover and cook for 2 hrs, topping up water as required.

• To make sauce, place sugar and cornflour in pan. Whisk in milk over a low heat and stir until boiling. Beat in butter, then stir in brandy and orange zest. Turn pudding on to a plate and serve with sauce.

## Household Hints

1. Grass stains on washable material or white fabric shoes can usually be removed by rubbing with a clean cloth dipped in methylated spirits. Test man-made fabrics first on a part that is hidden.
2. Wash crystal separately as it scratches easily. Wash in warm, sudsy water. Rinse in plain water and then dry with a linen glass cloth.
3. Before putting clothes away, empty pockets, do up zips and fasten buttons. The garments will keep their shape much better.
4. If you have over-salted the soup, cut a raw potato into four, drop them into the soup and bring it back to the boil. The potato absorbs the salty flavour so remove it before serving.
5. Prevent wicker furniture from turning yellow by washing it with a solution of tepid salted water. Apply a drop of lemon oil occasionally to prevent from drying out. Wicker needs moisture and is likely to crack in over heated or extremely cold rooms.

## West Waterford Music Concert

The inaugural concert of West Waterford Music, in association with Waterford Crystal, will take place on November 4 at St. Carthage's Cathedral, Lismore at 7.30 p.m. sharp. Performers are Rachel Brown (flute) and Malcolm Proud (harpichord).

West Waterford Music, the brainchild of Lismore resident, Dr. Jan Van Putten, will stage a variety of concerts throughout the winter and spring. The concerts will be held both in St. Carthage's Cathedral and the Banquet Hall of Lismore Castle and will be followed by a candlelight supper in Lismore Hotel.

"This first concert with music by J. S. Back and F.

Couperin will certainly attract all Bach lovers" says Jan "and I am delighted that well known flutist Rachel Brown will be flying in from London to perform.

"Malcolm Proud needs no introduction to music lovers," Jan continued, "he is organist at St. Canice's Cathedral in Kilkenny and is a full time lecturer on the BA degree course in music at the Waterford R.T.C."

"We want to make these musical evenings a very special occasion" explains Jan "and to this end we are de-

lighted that the newly appointed chef at Lismore Hotel, James Gilson, is creating a very special menu for the candlelight supper after the concert."

Eithne Sheehan, manager of the hotel is another new appointee and she and James guarantee that the candlelight supper will be the perfect ending to a wonderful evening's music.

Jan has many exciting and unusual groups to introduce

to audiences in the coming months, ranging from classical music to jazz and gospel singing. "I am confident that West Waterford Music will liven up the dark months of winter and I am extremely grateful to Waterford Crystal for their support and encouragement."

Further information and tickets available from Bridane Cottage, Lismore (tel. 058-54416) or Lismore Hotel (058-54304).

## Ballinameela Aglish Dramatics

Autumn swings around again and finds B.A.D. launching its production of "Sive" by J. B. Keane. Another of Keane's hugely popular plays, it embodies the poetic dialogue, the beautiful imagery, and the hilarious humour that makes all of Keane's plays so unique. "Sive", however, more than any of his other plays, depicts rural Ireland at its most coarse and unyielding.

This year we welcome Michael Scanlon our new producer who ably directs a fine cast, among them some newcomers also. We are delighted to welcome Julie Conroy who plays Sive, Henry O'Keeffe who plays Sean Doite and Michael Culloo as Liam Scuab. Other regulars feature too, like Mary Dee, Jim McGrath, Michael Stack, William O'Brien, Emma Barrett (in her first major role) and that old crowd-puller Patsy Fleming of Clashmore fame. Incidentally, Patsy plays the part of Tomasín Sean Rua, the match-maker and he undoubtedly brings a wealth of experience to the role.

The play will take place at the end of November, and over the coming weeks we will chart the players' progress and learn more about this interesting play.

Loved and remembered every day.

(Always remembered by your loving son John, daughter-in-law Eileen, grandchildren Kenneth, Christopher and Kieran.)

**DONNELLY** — In loving memory of Paddy Donnelly, late of Congress Villas, Dungarvan, whose anniversary occurs at this time.

Anniversary Mass on Saturday, October 28, at Ring Church at 7.30 p.m.

Deep in our hearts,  
You will always stay,

Every day.

(Sadly missed by Mam and Dad, also your sisters and brother, also your Nanny.)

**CONNORS** — Sixth Anniversary — In loving memory of a dear husband and father, Con Connors, late of 64, Childers Estate, Dungarvan, whose anniversary occurs at this time.

They say there is a reason,  
They say that time will heal,  
But neither time nor reason,  
Will change the way I feel.  
For no one knows the heartache,  
That lies behind my smile,  
No one knows how many times,  
I've broken down and cried.

We want to tell you something,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to be without.

We cannot bring the old days back,  
When we were all together,  
The family chain is broken now,  
But memories live forever.

(Always remembered, never forgotten by your loving wife Breda and family at home and away.)

**CASHELL** — Eighth Anniversary — In loving memory of my dear husband, Michael Cashell, late of Coolisheal, Ballyduff, who died on October 19, 1987. R.I.P.

Quietly today your memories I treasure,  
Loving you always, forgetting you never,  
Deep in my heart you will always stay,  
Loved and remembered every day.

(Your loving wife, Nora.)

**DUFFY** — First Anniversary — In loving memory of Josephine Duffy, late of 43, Childers Estate, Dungarvan, who died on October 24, 1994.

You were happy, smiling and always content,  
Loved and respected wherever you went.

You were always helpful, loving and kind,  
What wonderful memories you have left behind.

Memories are something no one can steal,  
We are left with a heartache no one can heal.

Some may forget you, now that you're gone,  
But we will remember no matter how long.

Will those who think of her today,  
A little prayer to Jesus say.

(Always remembered by your loving sister Bridget, brother-in-law Liam, nephews Jason and Jonathan and niece Marie.)

**DUFFY** — First Anniversary — In loving memory of my dear sister, Josephine Duffy, late of Childers Estate, Dungarvan, who died on October 24, 1994.

A year has passed since that sad day,  
You closed your eyes and slipped away,  
You left us quietly and made no fuss,

And broke the hearts of all of us.  
Each Sunday night you loved to go out to the soccer club,  
To draw the lotto numbers — that was your favourite job.

(Always remembered by your sister Philomena and Micheál.)

**DUFFY** — First Anniversary — In loving memory of my dear sister Josephine Duffy, late of Childers Estate, Dungarvan, who died on October 24, 1994.

A sudden call from God on high,  
You had no chance to say goodbye,  
Without farewell you fell asleep,  
But memories of you we will always keep.

(Loved and remembered by your brother Christy, Noreen, nieces and nephews.)

**DUFFY** — First Anniversary — In loving memory of Josephine Duffy, late of 43, Childers Estate, Dungarvan, who died on October 24, 1994. R.I.P. Masses offered.

The gates of heaven stood open,  
One year ago today,  
The angels stood there waiting,  
For a special person who was on her way.

God called your name so gently,  
That only you could hear,  
No one heard the footsteps,  
Of the angels drawing near.

Many things have happened, Josie,  
Since you went away,  
All the things you would have shared with us,

If God had let you stay,  
Tears in our eyes may not glisten,  
Our faces may not look sad,  
But deep in our hearts there's a longing,

For a wonderful sister we were so lucky to have.

(Sadly missed by your sister Bernadette, John, Ann Marie, Jonathan, Shane.)

**DUFFY** — First Anniversary — In loving memory of Josephine Duffy, late of 43, Childers Estate, Dungarvan, who died on October 24, 1994. R.I.P. Masses offered.

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,  
Are the ones who can't forget.

We often sit and think of you,  
And think of how you died,  
To think you could not say goodbye,  
Before you closed your eyes.

Your life was one of kindly deeds,  
A helping hand for others needs,  
Sincere and true in heart and mind,  
Beautiful memories left behind.

The blow was hard, the shock severe,  
To part with one I loved so dear,  
Our family chain is broken now,  
But as God calls us one by one,

The link shall form again.

(Always remembered and never forgotten by your loving brother John.)

**EARLEY** — Second Anniversary — In loving memory of my dear aunt, Terry Earley, late of 22, Main Street, Dungarvan, who died on October 25, 1993.

A lot in life has altered,  
A lot in life is new,  
But the things that never alter,  
Are memories of you.

It isn't what we write, it isn't what we say,  
It's how we feel inside, when we think of you today.

Will those who think of her today,  
A little prayer to Jesus say.

(Always remembered by Catherine, Anthony and family.)

**FOLEY** — Sixth Anniversary — In loving memory of Marie, Mill Street, Cappoquin. Mass offered.

Time moves on but memories stay,  
You are always remembered, especially today.

(Your loving mother Mary, David and Ursula.)

**FOLEY** — Sixth Anniversary — In loving memory of Marie, late of Mill Street, Cappoquin who died on October 27, 1989.

Time slips by but still you stay,  
As near and as dear as yesterday,  
No longer in our life to share,  
But in our hearts you are always there.

(Always remembered by your friends Michael, Bernie, Stephen, Louise, Eoin and Marie.)

**FOLEY** — Sixth Anniversary — In loving memory of Marie, late of Mill Street, Cappoquin who died on October 27, 1989.

October is here with sad regret,  
The day, the month, we will never forget,  
Quietly and sadly came the call,  
Without farewell you left us all.

(Always remembered by your friends Rose and Danny.)

Will those who think of her today,  
A little prayer to Jesus say.

(Always remembered by her loving brothers and sisters.)

**McGOVERN** — Thirty-second Anniversary of Kitty McGovern, late of Murphy Place, Abbeyside, whose anniversary occurs at this time.

If memories could build a stairway,  
And tears could make a lane,  
I'd walk right up to heaven,  
Mam,

And bring you back again.

(Sadly missed by her daughter Mary and all her family.)

**MESKILL** — Twenty-second Anniversary — In loving memory of Thomas Meskill, Castle Street, Cappoquin, who died on October 27, 1973. Masses offered.

The happy hours we once enjoyed,  
How sweet their memory still,  
But death has left a vacant place,  
This world can never fill.

(Lovingly remembered by all the family.)

**MORONEY** — Ninth Anniversary — In loving memory of my dear mother, Kathleen (Kay) Moroney, late of 22, Boreenatra, Dungarvan, who died October 24, 1986. On her soul sweet Jesus have mercy.

As time goes by without you, mother,  
And days turn into years,  
They hold a thousand memories,  
And many a silent tear.

Things have changed in many ways,  
Since we were all together,  
But memories of those happy days,  
Will live with us forever.

Will those who think of her today,  
A little prayer to Jesus say.

(Always remembered by your loving daughter Laurann, grandchildren Tara and Shane.)

**MURPHY** — First Anniversary — In loving memory of my dearest husband William Murphy, Ballyhamlet, Tallow, who died on October 25, 1994. R.I.P. Masses offered.

The pain I feel today Willie,  
Is the pain I've learned to hide,  
For only God alone knows,  
How deep I hurt inside,

I'll never get used to losing you,  
I won't even try,  
I'll just go on missing you,  
Until the day I die,

And if there is another life,  
And we are born once more,  
All I ask of you dear Lord,  
Is the husband I had before,

To me he was someone special,  
What more is there to say,  
I only wish with all my heart,  
That he was here today.

(Loved and remembered always, your loving wife Ann.)

**MURPHY** — First Anniversary — In loving memory of my dear Dad, William Murphy, Ballyhamlet, Tallow, who died on October 25, 1994. R.I.P.

A year ago today Dad,  
You left without goodbye,  
The memory of that lonely day,  
Makes me want to cry,

But then I stop and think,  
Of all the good times that we shared,  
The laughs, the jokes, the happy times,  
The way you showed you cared.

I always was so proud of you,  
And though we had to part,  
You never really left me Dad,  
Because you are always in my heart.

(Sadly missed by your loving son Barry and Bernie.)

**MURPHY** — First Anniversary — In loving memory of my dear Dad, William Murphy, Ballyhamlet, Tallow, who died on October 25, 1994. R.I.P.

You can only have one Dad,  
Patient, kind and true,  
No other friend in all the world,  
Will be the same as you,

When other friends forsake you,  
To Dad you will return,  
For all his loving kindness,  
He asks nothing in return,

As we look upon his picture,  
Sweet memories we recall,  
Of a face so full of sunshine,  
And a mile for one and all,

Sweet Jesus take this message,  
To our wonderful Dad up above,  
Tell him how we miss him,  
And give him all our love.

(Always loved and missed by your loving son Pat, daughter-in-law Lorraine and grandchildren Christopher, Jamie and Richard.)

**MURPHY** — First Anniversary — In loving memory of my dear Dad, William Murphy, Ballyhamlet, Tallow, who died on October 25, 1994. R.I.P.

One year has passed,  
Without you by our sides,  
We did not know that morning,  
What heartache it would bring,

When that loving heart stopped beating,  
We could not do a thing,  
You left us quietly,  
And made no fuss,

And broke the hearts of all of us.

(Sadly missed, never forgotten by your son Liam, daughter-in-law Siobhan, grand-daughters Melissa and Aisling.)

**MURPHY** — First Anniversary — In loving memory of my dear Dad, William Murphy, Ballyhamlet, Tallow, who died on October 25, 1994. R.I.P.

No last farewell was spoken Dad,  
No time to say goodbye,  
For you were gone before we knew,  
And only God knows why,

You taught us many things in life,  
That we would have to do,  
But you never taught us how to cope,  
With the hurt of losing you.

Will those who think of him today,  
A little prayer to Jesus say.

(Never forgotten by your loving son Micheal, daughter-in-law Ann-Marie, grandson Andy.)

As we look upon her picture,  
Sweet memories we recall,  
Of a face so full of sunshine,  
And a smile for one and all,

Sweet Jesus take this message,  
To our dear mother up above,  
Tell her how we miss her,  
And give her all our love.

(Sadly missed by all her family.)

# IN MEMORIAMs

**O'DOWD** — Eleventh Anniversary — In loving memory of my dear father Gerard O'Dowd, late of Sunlawn, Affane, Cappoquin, who died on October 27, 1984.

A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years.  
(From your daughter Mary, son-in-law Philip, and Jer and Conor.)

**O'DOWD** — Eleventh Anniversary — In loving memory of my dear father Gerard O'Dowd, late of Sunlawn, Affane, Cappoquin, who died on October 27, 1984.

A father is a special gift,  
One you think will stay,

God bless you Dad, you were one of the best.  
(From your loving son David.)

God called your name so gently,  
That only you could hear,  
No one heard the footsteps,  
Of the angels drawing near.  
You left us all so suddenly,  
We could only wonder why,

We never said goodbye.

I'm not there, I do not sleep,  
I am the thousand winds that blow,  
I am the diamond glints on snow,  
I am the sunlight on ripened grain,  
I am gentle autumnal rain,  
When you waken in the morning hush,  
I am the soft stars that shine at night,  
Do not stand at my grave and cry,  
I am not there, I did not die.  
(Never forgotten by his loving wife and family.)

**STREET** — Second Anniversary — In loving memory of a dear wife and mother Nora Street, late of 22 Kilrush Park, Dungarvan, who died on October 25, 1993.

A mother's love is something,  
That no one can explain,  
It's made of deep devotion,  
Of sacrifice and pain.  
A mother's love is all these things,  
It's the greatest treasure known,  
And the greatest mother in all the world,  
Was the one I called my own,  
As near as a heartbeat,  
As close as a prayer,  
Whenever I need you,  
I feel you are there,  
You are not a memory,  
Or part of the past,  
You are mine to remember,  
As long as life lasts.  
(Loved and remembered every day, your loving son Johnny, Kathleen and family, Tacoma, U.S.A.)

**STREET** — Second Anniversary — In loving memory of my mother, Nora Street, late of 22 Kilrush Park, Dungarvan, who died on October 25, 1993. R.I.P.

Quietly today your memory we treasure,  
Loving you always, forgetting you never,  
Deep in our hearts you will always stay,  
Loved and remembered every day.  
Sweet Jesus take this message,  
To our Nana above,  
Tell her how much we miss her,  
And give her all our love.

Time has passed, life goes on,  
But in my heart you are never gone.  
Sweet Jesus take this message,  
To my father up above,  
Tell him how I miss him,  
And give him all my love.  
(From your loving daughter Bridie, son-in-law Pat and family.)

**STREET** — Second Anniversary — In loving memory of a dear wife and mother, Nora Street, late of 22, Kilrush Park, Dungarvan, who died on October 25, 1993.

You were always there when we needed you,  
Mam,  
No task too great or small,  
With loving hands and loving heart,  
For us you did it all.

We wish that we could see you, Mam,  
Sitting in your chair,  
We wish that we could go back home,  
And find you waiting there.  
But wishing gets us nowhere,  
And the loneliness remains,  
So we'll hold you close within our hearts,  
Until we meet again.  
Sweet Jesus take this message,  
To our mother up above,  
Tell her how we miss her,  
And give her all our love.  
(Too dearly loved to be forgotten — your loving family at home and away.)

God must have thought you special,  
To take you the way He did,  
He only takes the best,  
And that He surely did.  
Look around your garden, Lord,  
Find two angels with a smile,  
They won't be hard to find,  
They must stand out a mile.

# BIRTHDAY REMEMBRANCES

**SPILLANE** — Birthday Remembrance of Peggy Spillane, late of 64, Murphy Place, Abbeyside, on October 28.

Always willing to understand,  
With a loving heart and a helping hand,  
She was gentle and kind right up to the end,  
A wonderful mother and a truly great friend.  
(From all your children and grandchildren who miss you very much.)

**EARLEY** — Birthday Remembrance of Jimmy Earley, late of 22, Main Street, Dungarvan, whose birthday occurs on October 27.

We did not see you close your eyes,  
We did not see you die,  
All we knew was that you were gone,  
Without a last goodbye.  
It was a sudden parting,  
Too bitter to forget,  
Only those who loved you,  
Are the ones who will never forget.  
The happy hours we once enjoyed,  
How sweet their memory still,  
But death has left a vacant place,  
This world can never fill.  
Your life was one of kindly deeds,  
A helping hand for others needs,  
Sincere and true in heart and mind,  
Beautiful memories left behind.  
(Always remembered by Catherine, Anthony and family.)

## BADMINTON CLUB

The first item of news is our Annual night out which will be held in Deckies on Sunday 29th October. On this occasion the trophies for the inhouse league, kindly sponsored by James O'Shea of Finnisk Joinery, will be presented to the winners and runners-up. So, for a great Bank Holiday week-end don't miss this night out, music is by Har-money.

The inhouse league is at the final stages with a few challenging matches left to

play. No partnership is giving an inch so great badminton can be seen each night. It is a race to the finish with no sure bets to be named yet.

At the county leagues we had three teams playing on Monday night. The first mens, in Section E, were at home to Dungarvan and unfortunately went down to them. They put up a good fight but as against Touraneena last Tuesday just couldn't capitalise the play. Better luck on Thursday when they are away to De La Salle.

The second ladies team were away to Lismore where they had a good three point result in their favour. Lismore met the challenge well and tried hard but our ladies were ongoing and won well. They are at home to Touraneena on Tuesday night so we wish them well.

The second mens team were at home to Holycross last week and had a great match. Not willing to drop a point they played with great determination and got a de-

served draw for their efforts. They are at home to Touraneena on Tuesday night so more good matches are expected to result.

The first ladies had a convincing four point victory over Dungarvan last week. A good foundation to start the league and we hope it continues. They were away to Tallow on Monday night and even bringing three matches to three sets were just narrowly beaten. A long

tough night that was unfortunate not to produce more points. Better luck next time.

Their next meeting is on Tuesday next when they are at home to Tourin.

Best wishes to all the teams. Don't forget juvenile badminton every Saturday from 2-4 p.m. All youths are welcome to attend. It's a great sport to enjoy and keep you active over the winter months.

## Dungarvan Drama Club

A closer look at the Mundy family. Fr. Jack, the only brother, drifts aimlessly in and out of the living quarters and though at first he has little to say, as the play goes on he has his own story and piece by piece this is revealed. Kate is "the boss" of the house and is the only wage-earner. She is a very prim and proper lady with very defined views and expresses them in no uncertain terms. Maggie is the entertainer of the family and certainly brightens the day with her quick wit and endless supply of riddles - her Wild Woodbine supply, unfortunately is not so endless. Aggie, in contrast is a quieter more reserved character, possibly the quickest knitter in Ballybeg, though she cherishes a few secret thoughts of her own. She has taken on the role of special protector to her sister Rose. Rose is distinctive character in her own right. She is deemed as not too "clever" but through her eyes we can see the locality in a different light. She is important as she has a very uncanny knack of bringing out each character's personality. Christina is the youngest member of the family. Having the most youthful outlook of her sisters she symbolizes change and even though she has brought a certain 'shame' of sorts on the family she is loved dearly by her sisters who have compassion for her as she is so easily led by Gerry Evans. Suave Gerry, a jack of all trades but master of none. He is consistently searching for something and breezes in and out of the lives of the family like the music from "Marooni" their unpredictable wireless set.

And finally we turn to Michael. He narrates the story, fills in the unsaid words of the sisters, links the story together and also speaks through the eyes of a child of seven growing up with his mother and aunts in 1936 in Co. Donegal. May I take this opportunity to wish Finbar Hannon, our

producer, the very best of luck in Youghal's production of "Arsenic and Old Lace" which is running this week. Break a leg Finbar!

## RATHGORMACK STUDENT RECEIVES NCEA AWARD

Twentyone year old Thomas Martin Power of Rathgormack was awarded the NCEA Student of the Year Award at the conferring of academic awards at Waterford Regional Technical College last week.

Thomas was conferred with the National Certificate in Environmental Engineering with distinction.

During his two years at WRTC, he achieved a consistently high academic standard, ranking top of the class throughout the course.

Thomas is now continuing with his studies in the college where he is doing the National Diploma in Environmental Engineering.

It is rare for an NCEA Award to be given to a student from the very first set of graduates of a new course and it is therefore a tribute to Thomas that he has put Environmental Engineering on the success trail so quickly.

## Cold Hands And Feet?

As cold weather approaches, thousands of people whose hands and feet are badly affected start taking preventative measures. Raynaud's, a painful condition in which the blood supply is interrupted by the cold, affects one in ten people, mostly women. ## DERBY TRIAL STAKE VICTORY FOR DUNGARVAN SYNDICATE

The Derby Trial Stake at Cashel Coursing Meeting, on Sunday 15th October, was won by "What's in a Name" owned by a syndicate of twenty members of Dungarvan Coursing Club. The dog is trained by local man John Kiely who is now based in Cork. Tom Horgan received the Cup on behalf of the syndicate. In an exciting final the local dog came from behind to win by two lengths from the original favourite. The winning flag was the signal for the start of celebrations for the large

number of supporters who had travelled from Dungarvan. The members of the syndicate were delighted to secure qualification for the Derby so early in the season.

The members of the victorious syndicate are: D. Brennan, M. Brennan, E. Dixon, C. Dunford, G. Enright, J. Enright, A. Hallihan, J. Harty, J. Healy, T. Horgan, M. Hourigan, R. Keane, J. Kiely, M. Kiely, N. Kiely, S. McGrath, A. Mulcahy, B. O'Connor, J. O'Connor and D. Power.

## Popular Local Man Runs In Dublin City Marathon

Watch out for Dan Dineen on your tv screens next Monday night. Dungarvan Marathon Man is taking to the streets of Dublin once again in the familiar white wellies. Dan is once again contributing the proceeds of his run to Dungarvan Technical College's equipment and book-loan fund. Last year, Dan's efforts resulted in the purchase of a computer, a lathe, and a substantial part of the renewed book stock. This is Dan's 18th appearance in the marathon.

You can support Dungarvan Technical College funds by sponsoring Dan. Students from the college are asking sponsors to "buy-a-line."

A big "thank you" to Dan from the Parents' Council, staff and students.

## You And Your Money

### A LOAN OR NOT?

The dark nights are here again. Halloween is upon us and the run up to Christmas is now getting into full gear. Many will lament the fact that Christmas has become so commercialised. It's impossible to escape from the ads, the offers and the enticements.

A timely word of warning is in order. Put at its simplest it is "Do not borrow for Christmas unless you are sure that you are in a position to repay the loan". Understandably, the pressures are enormous for many people. If you are on a low-income you are particularly vulnerable because more than likely you will have little cash in hand. The "Tally-man" will be anxious to entice you onto his/her books (yet again) with promises and free offers. This issue is "How much do I really pay for the £100 that I borrow?" Even more surprising is "What's the actual rate of interest?" Interest rates of 39% and additional charges for door to door collection fees, are not uncommon. When you work out the actual rate, the so-called "free" offer loses much of its attraction. Alternatively, if you are thinking of borrowing from a bank or credit institution you need to work out carefully how much you will have to repay and how you are going to do this in practice.

There's still time left for the alternative i.e. SAVE. Save a set amount every week: it all adds up. Many local shops have excellent saving schemes. Even if the sum you save looks small, at least you are not in debt and you then know accurately the amount you can afford to spend on the Christmas goodies. That's being realistic. More often than not, getting a loan is a quick fix solution. A little common sense can go a long way towards keeping you out of a debt that will bear you down for the best part of 1996.

Notes for this column are supplied by the Money Advice and Budgeting Service, 36 Lower Main Street, Dungarvan. Tel (058) 44922. The main purpose of this service is to assist people in dealing with their existing debt difficulties and to help to begin to manage their own resources. It is part of the national MABS network. The service is free, confidential and independent and appointments can be arranged for any area throughout West Waterford.

## Waterford G.A.A. Supporters Club

### CLARE 3-8 WATERFORD 1-7

I cannot give personal comments as I was not present at the game, but from what I've read and heard our lads gave a spirited performance but lack of concentration on a few occasions let us down again — missed frees and poor marking. To our selectors I say now is the time to weed out those players who are not giving 100% (no more complaints or excuses, we need workers not show-offs). We have a crunch game against Cork — it must be won for the pride of our county and for the future of hurling in Waterford. Supporters, selectors and players, together we can succeed — the final word goes to the players (get fit and keep fit).

### WEST I.F.C. FINAL REPLAY

#### Faha 2-11 Clashmore 1-10 (after extra time)

Congratulations to Faha after two and a half hours of hard football to finally come out winners. Hard luck and thanks to Clashmore (your turn will come).

### J.H.C. FINAL (WEST)

#### Lismore 3-5

#### Kilgobinet 1-7

This game had some very good hurling. Well done to Lismore and with a little luck Kilgobinet would be closer.

### MEETING

Meeting at Clonea Strand Hotel on Thursday, November 2 at 8.30 p.m. This is a very important meeting and apart from committee members, any paid up supporters are welcome. At this meeting arrangements will be made for the club's A.G.M.

## Dungarvan Rugby Notes

### YOUTHS SHOW THE WAY

Dungarvan RFC are proud to congratulate its youth section on having no less than five of its members selected for the East Munster U-17 team to play the English tourists.

The five, whose diligence in training has been rewarded, are David Considine, Daniel King, Paudge McGrath, Paddy O'Dea and Shane O'Sullivan. Indeed, David Considine and Paudge McGrath are figuring successfully on the club's 1st XV at prop and scrum half respectively.

In contrast, the by now traditional mid-league campaign slump continues with the defeat of our senior 1st XV by Kanturk. Once again this was a match that could and should have been won easily, but despite the best efforts of Frankie Ahearne and Michael Lonergan in

particular, the team failed to deliver.

The absence of key players, particularly a specialist kicker, continues to frustrate coach Tom Lyons and injured captain Mel Shanley and Committee from executing the moves and game plans worked out in training. Players need to address themselves to this issue if the club is to progress.

### FIXTURES

Friday, October 27 — Training 7.30 p.m., followed by poker classic and monthly social.

Saturday, October 28 — Youth Section training, 11 to 1 p.m.

Sunday, October 29 — 1st XV v. Presentation, 2.30 p.m.; 2nd XV v. Kinsale, 2.30 p.m.

Note — Dart team away to Dungarvan Oak — 8 p.m. start to allow participation in poker classic. — LOOSE HEAD

## Kilrossanty Ladies Football Notes

### INTER. CO. FINAL — BRICKEYS V. KILL

This game goes ahead on Saturday at 12.30 p.m. in Bushy Park. Last year the Brickeys won the junior county final and have now qualified for the intermediate final. This will be a very tough game to win as Kill have played and won the intermediate championship a number of times over the past few years and will be hoping to retain the title again this year.

The Brickeys played some good football against Na Deise in the semi-final but will have to step up a gear or two if they are to be in with a realistic chance of taking the title from Kill.

### LADIES FOOTBALL VICTORY SOCIAL

The presentation of Munster and All-Ireland medals to the various victorious teams will be held on November 11 in Lawlor's Hotel. The following players from the club have medals to receive — Under-14: Tanya Kirwan, Kristina Keating, Leigh Mulhearn and Roisín Keating; Under-16: Martina McCarthy, Triona Whyte, Martina Walsh and Tanya Kirwan.

### GOLDEN GOAL

The winning time for the Golden Goal on the All-Ireland final is 18 minutes exactly. If anyone is holding the winning time please contact the County Secretary at 058-44955 before the weekend.

## Ladies Football News

### WATERFORD TAKE ON THE ALL STARS

Waterford return to action on Sunday next at 1.15 p.m. at Fraher Field when they take on the 1995 All Stars.

This is the Annual fixture between the All Ireland champions and the pick of the best players in the country during the season.

Waterford hope to field practically a full strength side and will relish the challenge.

### Munster Club Final

The promises to be a busy week end for the Ballymacarbry girls as they take on Glanworth (Cork) in the Munster club final at Bushy Park on Monday.

### Junior Semi Final

Last weeks junior semi final was called off when a St. Pat's Player received what looked like a nasty injury. Thankfully it wasn't as serious as it seemed and the player is well on the road to recovery. Based on last weeks game St. Pat's must have an excellent chance of victory.

Clashmore will need to show a big improvement if they are to advance to a final date with Dunhill-Fenor.

### Intermediate Final

Kill and Brickey's clash in the intermediate county final on Saturday at 12.30 p.m. at Bushy Park.

## Dungarvan Ladies Football Club

### TABLE QUIZ

Our table quiz which was due to start this Friday evening has been put back a week until Friday 3rd November. All are welcome to come along and join in the fun.

### CHAMPIONSHIP

We were drawn to play Clashmore in this years junior championship. Unfortunately for us, we had a few injuries from the Dunhill game, and looked for the match to be put back one week. Clashmore requested a walkover and at the County Board meeting on Thursday night last, they got their request so, our season is over for another year.

### THANKS

A big thank you must to go our trainers and selectors, Nicky Sheehan and Ger Beresford for all the work they have put in since last April. Although we haven't finished off on a winning note, we'll be back to try again next year.

Thanks also to Moira Sheehan, our first aid woman, and Margaret Cunningham, our number one fan. The hard work put in by all four has been very much appreciated by all the players.

Pictured above are the prizewinners in the Pool Competition run recently by the Hidden Inn Roadhouse, Kilmahanan. Group shoes (left to right) — John Shiel, Tony Hennessy, Willie O'Donnell (outright winner) and Billy Doherty.

## ARDMORE A.F.C NOTES

### Valley 0 Ardmore 1

Ardmore made their first venture in division 1 in six years and what an exciting occasion it proved to be. In a very open fast game the Seaside's came away with the three points.

This was always going to be a tough baptism for Ardmore but how well they coped. The first ten minutes Valley did all the pressing but a splendid defence kept them from getting any real chance. As the half progressed Ardmore came into the game and playing some excellent football put pressure on the home defence. The break through came when a Clinton Hennessy shot destined for the net was charged down by the Valley defender with his arm and the result was a penalty. Dec Hennessy made no mistake from the spot to score Ardmore's first goal in the top flight.

The second half saw Valley exert pressure but Ardmore stood firm and came more and more into the game. Clinton Hennessy who had an excellent second half causing all sorts of problems for the home defence, laid on an excellent chance for Anthony Sullivan who just shot over. Anthony Ahearne was also close and Kevin Lenane had a splendid volley just put out for a corner. The final whistle sounded to the delight of Ardmore who got a dream start to their return in division one and as one punter said the old man had scored. One up for the stewards I would say.

This was an outstanding performance by all concerned. Adrian Yellop looked very confident in goal. The back four never put a foot wrong. Midfield after an indifferent start settled in to play well, while up front Anthony Ahearne and Clinton Hennessy in particular had fine games.

Maurice Hennessy came on for "Chippy" Hennessy (who had a fine game) and filled in well. Nicky Keating retired injured and was replaced by Anthony Gallagher who is improving with every outing. Man of the match could have went

to any one of four or five with Nicky Keating getting the vote just ahead of Clinton Hennessy, Johnny Hennessy, Seamus Keevers, Adrian Yellop and Chippy Hennessy who all had outstanding games.

Ardmore's best - Nicky Keating.

Team—A. Yellop, J. Hennessy, P. Hennessy, D. Hennessy, S. Keevers, N. Keating, K. Lenane, A. Sullivan, A. Ahearne, C. Hennessy, K. Flavin. Subs used: A. Gallagher and M. Hennessy.

### NEWS BITS

A lot of reaction about the fishing story in last week's issue. There is no truth in the rumour that one of the fisherman left the country because of his experience. I am not sure about the other one. It seems he is a bit paranoid. He went in for breakfast in a little restaurant in Cork. He asked for his breakfast. He was reportedly asked by the nice waitress did he want his eggs scrambled or poached. He walked out - he thought she was having a go at him I think that's only a yarn but

then again?

A message for the woman who uses a toaster cooking pork chops, try grilling or frying it is much easier.

## Kilgobinet G.A.A. Club

### JUNIOR HURLING CHAMPIONSHIP

In a very competitive but low scoring first half of this western final we carried the fight to Lismore with great determination. We struggled throughout the opening half to get scores with big day nerves showing. However, our backs were inspirational closing down every attack. In a tremendously exciting second half we played our hearts out but could not impose ourselves on the game enough to take it. This was the first game we lost since last April. All the players and everyone associated with the team should be proud of the great spirit and commitment they showed throughout the year. Without doubt we will be back again next year.

Over the next few weeks

our turkey competitions will be in full swing and any player who wants to take part can hand their names in at the clubhouse.

Our next turkey competition will be on Sunday, October 22, tee off time is between 9.45 a.m. to 10.45 a.m. We ask all players to tee off within that time.

**Results And Scores** — In the nett, the partnership of

Heather Wright and Thomas Delaney won this with a score of 72 nett. Thomas and Heather played wonderful stuff to win their first turkey of the season. Indeed may I say how well Thomas Delaney played as Thomas has been off the course through in-

jury. Well played Heather and Thomas.

In the gross, the partnership of Lenny Duggan and Mick Prendergast won this with a fine score of 11

gross. Lenny and Mick played great stuff indeed. By half way they were on fire out there and by the end of play they had the gross well won. Well done Lenny and Mick.

On Sunday, October 22 our second turkey tournament was held in mild conditions. A big score was the order of the day, indeed our turkey competitions prove to be most popular over the weeks up to Christmas.

We are most grateful to our tournament committee for all the hard work they do all year round. Our next turkey tournament will be on Sunday, October 29 and all players taking part must have their names in the clubhouse by Friday, October 27, as the draw for the pairings will take place at 6.30 p.m. on that date. Now that we are heading into the last 2 weeks of this competition it is now that all the hard work is starting to show.

With 6 ladies bowling over 100, the top of the league is very close, remembering that only the best 3 weeks are being counted. ## COURSE MAINTENANCE

As can be seen, the fronts of all greens are closed off by pegs and ropes and all members are requested to take note of the various notices around the course concerning the rules to be applied. A ball which lands inside these ropes must be dropped back outside the ropes and within two clublengths. A ball which hits either the rope or the

peg must be replayed. As winter conditions approach, it is imperative that all divots must be replaced and pitch marks on greens repaired. Any player in breach of the above will be severely reprimanded. It is in everyone's interest to keep the course in its splendid condition.

**ATHLETICS BY RACE LEADER**

**Timmy Foley Wins New South Wales Championship Medals**

Ballinacourty's Timmy Foley enjoyed his best season in years recently when he won New South Wales championship medals in cross country and in the Sydney Marathon. Timmy, who started running back in the late 1970's, is well known for his high mileage training schedules and he, if anyone, deserves his current success.

Timmy is a member of the Randwick Botany Harriers Club which was founded in 1907. Recently the club travelled to Nowra for the N.S.W. 12k cross country championship with Timmy hoping to finish between seventh and tenth best club runner to put him in with a chance of a B grade medal. However, he ran his best race for some time to come home sixth best runner for his club and 29th overall which helped his team to win the State Grade A gold medals.

Three weeks later the Ballinacourty man ran in the Sydney Marathon which included the State championship. Timmy clocked 2 hrs. 50 mins. and 43 secs. in 30 degrees Celsius and he finished

TIMMY FOLEY

as fourth scorer for the Harriers who again won the New South Wales gold medals. The club also clinched the Winter Premiership which ranks the club as the no. 1 in the state for 1995.

One of Timmy's favourite events this year was the 25th annual Sydney City to Surf 14k race. Forty three thousands runners lined up at the start and Timmy finished a very respectable 203rd in a time of 50 mins. and 09 secs. which averages 5 mins and 40 secs. per mile. This is the highest profile race in Aus-

tralia with 620,000 runners having taken part in it over the past twenty five years.

Runners like Timmy Foley have kept our sport alive over the years and his recent success will be well received by all who know him on the local athletic scene.

**Liam Flynn Runs Chicago Marathon**

In the recent Chicago Marathon, Liam Flynn ran his second best marathon time ever when he clocked 2 hrs. 45 mins. Liam was in line for a personal best time at twenty miles which he covered in 2 hrs. 01 min. He ran into difficulties in the latter stages of the race and it took him eleven minutes to cover the last mile. In the lead up to the marathon, the Ring man ran a personal best time of 33 mins. 26 secs. for 10k and 16 mins. 18 secs. for 5k.

In the Chicago marathon, one of Liam's athletes, Willen Gausman ran 2 hrs. 42 mins. and this qualified her for the Olympic trial in Carolina in February. The first fifteen runners in Chicago were non American with the race being won by that well known athlete Eamonn Martin.

**Michael C. Nagle Dungarvan Championship**

On Sunday, November 12th the Michael C. Nagle Dungarvan cross country championship will be held in St. Augustine's College, Abbeyside in conjunction with the Terry Fox Run in the Dungarvan area. The holder of the title, Mark Radley, will be a definite non starter due to injury while the team title will be fought out between the holders Dungarvan, Abbeyside, Ring and The Brickeys. The proceeds from the race entries will go towards cancer research.

**Comebacks Announced**

John Treacy may have retired last week but the number of athletes taking up this demanding sport seems to be on the increase. As well as the news that cyclists Robert Power, Aidan Bell, Tony O'Mahoney and Ger Wyley have taken to the fields, word has also "leaked" through from the County Council Yard that former greats Michael Whelan from Ring and Martin Coffey from Old Parish are back to stay. They have chosen the next Ballycotton Ten as their comeback race so there is no need to get alarmed if you see this pair on the Gaeltacht roads over the winter months.

MICHAEL WHELAN

Now that his Gaelic football career is finished, Michael has expressed a lifetime wish to achieve full fitness. Martin is best remembered for an incident in the Cork Marathon some years ago when he passed a nameless local runner after five miles and, to his amazement, passed him again at the fifteen miles mark without seeing him in between.

MARTIN COFFEY

Good luck to both men on their comeback efforts.

**DUNGARVAN ATHLETIC CLUB**

**Derry Durand Doing Well**

Congratulations to local wheelchair athlete, Derry Durand from Abbeyside who has put in some notable performances in races recently. Derry travelled to Newcastle for the Great North Run over the half marathon distance where he won his Quad division in a very respectable 75 mins. and 15 secs. He later travelled to the Berlin marathon where he gave another outstanding performance in a personal best time. If Derry decides to compete in this Monday's Golden Pages Dublin Marathon his performance will be watched with great interest.

**Festival Of Juvenile Cross Country**

The biggest juvenile cross country meeting to be staged in the county for years takes place on Sunday week, November 5 in St. Augustine's College, Abbeyside with a 12.30 p.m. start. ## WEEKEND FIXTURES

On Saturday next at 2.15 p.m. our division 2 B side are away to St. Otterans in the league. To date Thomas Duggan's side have played five league matches, winning 3, drawing 1 and losing 1. Four of these games have been away from home and so Saturdays match will be their fifth away fixture. A good result from this tie will see them stay well up with the leaders.

Also on Saturday our U-15 side face a very difficult assignment away to Ferrybank at 11.45 a.m. Both sides are still unbeaten to date and this is a vital match for Ben and Joe Wall's team.

J. D. O'Shea's side face a very hard test of stamina over the Bank Holiday weekend. First they travel to St. Otterans on Sunday morning to take on the city side in the hospital grounds at 11.30 a.m. Then on Bank Holiday Monday they must travel again this time to Tramore Rgs. to play the seaside team in the league also at 11.30 a.m. If they can take full points from these two games it will put them up in the league table.

## YOUTHS BEATEN

The Waterford Youths went out of the Inter-Youths Cup at Ozier Park, on Sunday last to a strong South Tipperary side by 1-0. The winning goal came 15 minutes from full time and in truth it was no more than the visitors deserved as they were the better side on the day. Dungarvan Utd's representative on the panel was Mark Crotty, while the team is managed by our club secretary Kealan O'Neill. Another local youth who played at right full back was Abbey-side's Darren Lyons.

## LUKE BRENNAN'S TEAM WINS BRIDIE DEE'S SPONSORED QUIZ

With a fantastic score of 89 points from a possible 96 Luke Brennan's team won the annual club general knowledge table quiz (sponsored this year by Bridie Dees, Mary Street) at the Clubhouse on Thursday night last. In third place were a team representing Bridie Dees and captained by Paddy O'Keeffe, Johnny O'Connell, Pat McGrath and Dominic Clancy.

In the junior section the team captained by Dermot O'Shea won out with a total score of 65 pts. It also included Alan Harty, Michael Power and Caroline Dwyer.

Lucky winners in the raffle were Sean Woods, Garvan Kyne and John O'Connell.

Our thanks to all who supported this fundraising event especially our sponsors Kay and Jim of Bridie Dees, raffle prize sponsors and all the girls who helped out with the marking. ## DUNGARVAN UNITED — DIV. 3B

# Sluggish Blues Go Top

## DUNGARVAN 1 TRAMORE 0

Dungarvan went back on top of the league table on Sunday by virtue of a 1-0 victory over Tramore on Saturday afternoon at Killrush Park. The Blues started the game early on to the visitors. A good ball from Walsh to Donovan took him

into the Tramore area where he just shot narrowly wide after ten minutes. On twenty minutes "Copper" Donnelly made a great run down the right wing where he took himself past two defenders and he shot just the other side of the post. A good free kick on the half hour mark

by Ber Whelan brought a flying save out of the Tramore keeper. The Blues failure to dominate midfield failed to get them any more chances before halftime. The second half began almost the same as the first ended with the game being virtually played at midfield with chances few and far between. A good ball from Pops Wright with 10 minutes gone in the second half released Thomas Donovan into the Tramore area where he was bundled over by the Tramore defender. Michael Hart scored from the spot kick. This seemed to bring the visitors to life as they took the game to the Blues. Oscar Whelan was now called on to make a couple of good saves as the Blues defence of Whelan, Kyne, Sheridan and Hart came under pressure. The Blues held out in the end for a good result but by no means impressive for a top of the table team.

Dungarvan—Oscar Whelan, John Kyne, Ber Whelan, Michael Hart, Paul Sheridan, Pops Wright (capt.), John Walsh, Matty Ducey, P.J. Drummy, Copper Donnelly, Thomas Donovan. Res: Vincent Tutty for Matty Ducey, John O'Shea, Liam Sandford and Johnny Sheehan.

Our number one supporter was seen getting in through the window of a watering hole at the weekend and forgot about his mates?

## BLACKWATER RANGERS F.C.

### NEW JERSEYS

The club wishes to thank most sincerely Bob, Kitty and John Moynihan at Keereen Bar for sponsoring a set of jerseys for our u-14 side. Their continuing support is greatly appreciated by everyone involved with Blackwater Rangers.

### UNDER-14 LEAGUE Blackwater Rangers 0 Ballyduff 1

Our juvenile team played their second game of the league last Saturday morning when they entertained Ballyduff at home.

Playing in their splendid new jerseys which were kindly sponsored by Keereen Bar, Rangers dominated the game from start to finish but failed to capitalise on long periods of possession and thus had to pay the penalty for poor forward play and bad finishing midway through the second half when a great shot found the top corner of our net.

Team — Jason McGrath, Aidan O'Connell, Martin O'Brien, Eamonn Mernin, Ger O'Donovan, Eoin Walsh,

Owen Walsh, Cyril Stack, Raymond Connery, Maurice Lynch, Tony Kearns. Res., John O'Brien for Eoin Walsh, Robert McCarthy for Aidan O'Connell, Conor Christopher for Cyril Stack, Eamon Walsh, Paul Walsh.

### RED HOUSE LEAGUE Glenview 2 Blackwater Rangers 2

This was a game we started in fine style going 2-0 up inside the opening ten minutes. Colin Cotter scored the opener after just three minutes and Christy Lombard added a second after eight minutes.

Glenview scored their first 15 minutes into the first half and their equaliser came after 20 minutes into the second period of play.

Team — Alan Ronayne, Tom Scanlon, Stephen Ronayne, Brian Connery, Roger Ronayne, Jason Radley, Dave Cullinane, Franny Cotter, Paul Connery, Christy Lombard, Colin Cotter. Res., Vinny Lombard for Christy Lombard, Brendan O'Connell for Paul Connery, Mikey Ware.

# RED HOUSE LEAGUE ROUND-UP

## Shocks Galore On Opening Day Of The League

Some clubs will want to forget the opening day of the league this season and none more so than high flying Pinewood Rangers who went down to a heavy home defeat.

They were not alone however as Lismore turned on the style at home and hammered Ballybridge. Bo Bo Ormonde grabbed a hat trick here.

East Cork side Mogeely had a big home win over West Waterford side Cappoquin while in Conna home-side Valley Rangers went down to Ardmore in a very tough game. Two players one from either side were shown the red card here.

In division two Gortroe were held to a draw at home by Castlebridge and Youghal had a big away win. Clashmore Ramblers had a good home win at Af-fane's expense.

### RESULTS

#### PINEWOOD RANGERS 1 BALLYDUFF 6

Without doubt this result was the shock of the day. Ballyduff seem to be able to defeat Rangers at will, just once have Rangers managed to beat their visitors and that was earlier this season in The Tony Bolger Cup.

The game was over at the break as at this stage Ballyduff led 5-0. Goals from Scanlon (2), Cotter, Hickey and Prendergast had the visitors in command.

Conor Ryan got a consolation goal here for Rangers and Scanlon got his hat trick when he scored from the penalty spot to give the visitors a great start to their league campaign.

#### MOGEELY 4 CAPPOQUIN 0

Mogeely were never really tested in this game by an understrength Cappoquin side. While the East Cork side were well on top they were just one goal in front at the break thanks to John Coady.

Further second half goals from Bernard Tynan, Dan Barry and John Coady clinched the points for the East Cork side.

#### VALLEY RANGERS 0 ARDMORE 1

Conna was not the place for the faint hearted on Sunday morning last as the homeside and Ardmore turned out to be a very tough game.

Neither side were giving away anything here throughout the game. The goal that separated the sides at the final whistle came from the penalty spot after 30 minutes. Dec Hennessey

stepped up and made no mistake to put the visitors in front.

Two players one from either side got their marching orders here and perhaps others can count themselves lucky not to be going the same way.

Overall this was a very tough game which could have gone either way.

#### LISMORE 6 BALLYBRIDGE 0

Yes fans reading this scoreline are not gone blind. Lismore turned in a powerful performance at home against East Cork side Ballybridge.

Ballybridge had their chances early in the game but didn't take them and once Barney Prendergast put Lismore in the lead they never looked back. Bo Bo Ormonde increased Lismore's lead ten minutes later and for some reason heads began to drop in the East Cork side. Ormonde struck again before the break to put the homeside 3-0 in front and leaving Ballybridge with it all to do in the second half.

Ballybridge looked as though they had settled for defeat early in the second half and Michael Shanahan and Kieran O'Gorman both got on the scoresheet for the homeside to really kill off the East Cork sides challenge.

In between the Shanahan and O'Gorman goals Bo Bo Ormonde struck for his hat trick. The final whistle did not come fast enough for the Ballybridge side. This is a game they will want to forget but knowing them they will come bouncing back.

For Lismore this was a marvellous victory and who knows maybe they might be up there challenging for league honours at the end of the season.

### RESULTS FROM DIVISION TWO

#### BRIDE VIEW UTD 1 MODELIGO 1

This was a very scrappy game with few real chances in the game. The two goals were scored within a minute of one another. The first came after 30 minutes when J.P. Ryan scored for Modeligo. Bride View replied immediately when Flaherty scored again from close range. At the break the sides

were level at 1-1.

Utd. had the better of the second half and David Henley and Denis O'Flaherty both went close to giving the lead to the homeside. Having said this the best chance of the game fell to Shane Reddy in the 88th minute when Barrons long kick deceived Utd's defence and Reddy had only to beat Conroy but he shot wide and both sides had to settle for a point.

#### GLENVIEW 2 BLACKWATER 2

Rangers went two goals up here inside the opening ten minutes and were looking good for a victory. Pat Hallissey brought Glenview back into the game when he scored before the break.

Glenview fought hard for the equaliser in the second half and it came right for them when Johnny Kett grabbed the equaliser midway through this second half. Another game with the points shared.

#### CLASHMORE RAMBLERS 3 AFFANE 1

Seamus Allen gave the Ramblers the lead in the first half and Allen's goal still separated the sides at the break.

Affane got back on level terms early in the first half but Declan Whelan restored Ramblers one goal advantage and with time running out Allen was in again to clinch the points for the homeside. Best for Ramblers were Liam Hogan, Donal and Peter Fitzgerald.

#### AN GAELTACHT V ARAGLEN

This game did not take place due to a misunderstanding of kick off time.

#### CAPPOQUIN 1 YOUGHAL 6

Cappoquin took the lead here through Michael Prendergast when he scored a fine goal. The homeside were not at full strength for this game and once the visitors settled down they got well on top. Youghal led 3-1 at the break and added three more in the second half to run out easy winners.

#### GORTROE 1 CASTLEBRIDGE 1

Castlebridge travelled to Gortroe on Sunday morning last and can feel well pleased with a share of the points. The visitors were

well on top in the first half and went a goal up after 25 minutes thanks to John O'Sullivan. Sullivan's goal still separated the sides at the break.

Gortroe equalised from the penalty spot in the 67th minute through Billy Lane.

### PREVIEWS

## Interesting

# Games Down For This Weekend

We should have plenty of interesting games this coming Sunday as clubs battle it out to go top of the table.

#### ARDMORE V PINEWOOD RANGERS

This should prove to be a very exciting game between the two promoted sides last season.

Rangers will be anxious to put last Sunday's heavy home defeat behind them. They will know only too well what's in front of them on Sunday. In last seasons vital league game again in Ardmore, Rangers ran out winners after a thrilling game.

Ardmore will want to reverse that result on Sunday and the homeside are sure to fight tooth and nail for victory on Sunday. Will it be enough or will Rangers get back to their winning ways? Not an easy game to forecast but it should be a thriller.

#### BRIDE VIEW UTD V MOGEELY

The visitors got off to a flying start last Sunday and they will be fired up on Sunday when they visit the league champions.

This has all the ingredients of being a thriller. Utd. did not play last week and they may be forced to field an understrength side against Mogeely. It's a game vital to both sides and a draw is not out of the question but somehow we feel one of

these sides will clinch the full points.

#### BALLYDUFF V VALLEY RANGERS

The homeside caused the shock of the opening round when they defeated high flying Pinewood Rangers. Ballyduff as the saying goes were on fire with Paul Prendergast in terrific form. Rangers went down at home last Sunday and will be hoping to up their performance for their visit to Ballyduff. We give the vote here to the homeside but it should be a close game.

#### BALLYBRIDGE UTD V INCH

This local derby game should attract a good crowd to the home venue. Games between these sides are always keenly fought and Sundays fixture should be likewise.

Inch have picked up some new and exciting players this season especially in Boylor and Joyce and should improve on last season. However we give the vote to Ballybridge but they will need to up their performance on last Sunday.

#### YOUGHAL V CLASHMORE

The visitors here will be anxious to keep their good run going. They won their opening league game at home on Sunday last but they may not find it as easy away to the Seasiders. Both sides had good wins last

week but we give the vote here to Youghal.

#### MODELIGO V AN GAELTACHT

Modeligo were happy with a point in Tallow last week but they come up against one of the league contenders on Sunday namely An Gaeltacht. If they play to form the visitors should go home with the points.

#### ARAGLEN V BRIDE VIEW UTD

Tony Bolger Cup finalists Araglen will be anxious to get their league campaign off to a winning start and unless Bride View improve on last weeks performance then the homeside should pick up the points.

#### BLACKWATER RANGERS V GORTROE

Rangers lost a two goal lead on Sunday last although they did manage to hold out for a draw. Gortroe have a good experienced side and they should prove too strong for the Aglish side on Sunday.

#### CASTLEBRIDGE V GLENVIEW

This is a game that could go either way. Newcomers Castlebridge have improved with every game. Glenview came from two goals down last week to snatch a point. Castlebridge are finding the goals hard to come by but they could be good enough to get something from this game.

**EAST CORK/WEST WATERFORD SCHOOLBOYS SOCCER LEAGUE**

# Walsh Hits Hat-Trick For Bayside

Pa Walsh grabbed a hat trick for Bayside as they hit Youghal for five. Ballybridge defeated neighbours Inch. In Conna, Valley Rangers defeated West Waterford side Clashmore all the goals here came in the second half while in Tallow the local side defeated Castlebridge.

Rangers however got on top in the second half and goals from Aidan Hogan and two from Gordan Bryan clinched the points here for the homeside.

## BALLYBRIDGE 1

**INCH 0**

This was a very keenly fought game between two clubs from East Cork. Both defences were on top although chances fell to both sides during the opening 45 minutes they were not taken and it was all to play for in the second half.

James Ryan turned out to be the hero here for the homeside when he scored the only goal of the game after 75 minutes.

## U-14 LEAGUE RESULTS

### BRIDE VIEW UTD 1

**CASTLEBRIDGE 5**

Castlebridge turned in a marvellous performance in Tallow on Saturday last and after a very exciting first half in which the visitors led 2-1 at the break but they got on top in the second half and added three more

goals without reply from Utd.

Scorers here for Castlebridge were D. Sheedy (2), John Mackessey, B. Harty and D. Brophy. Utd's lone scorer was J. Walsh.

### BLACKWATER RANGERS 0

**BALLYDUFF 1**

This was a very close game with defences of both teams well on top. Both sides were still looking for the opening goal at the break.

Aidan Feeney broke the deadlock in the second half when he scored a fine goal for the visitors and gave them the points.

### BALLYBRIDGE 2

**INCH 1**

The homeside clinched the points here when they ran out winners by the odd goal in three. Inch were first to score here but Emmet O'Brien equalised before the break.

Both sides tried hard for the winner in the second half. It fell to the homeside

with just 5 minutes remaining when Eoin Kenneally scored direct from a free kick to clinch the points for Ballybridge.

# ABBEYSIDE A.F.C. NOTES

## S.F.A.I. U-16 CUP

# Dower Returns In Style

**ABBEYSIDE 2**  
**JOHNVILLE 2**  
(After Extra time  
Abbeyside 2 Johnville 3)

Duane Cantwell and Jay Walsh's squad sadly bowed out of this Cup competition when the home side were caught off guard and a last second gasp strike gave Johnville a smash and grab victory just before the final whistle sounded.

A large contingent of home supporters turned out to watch what was to be a cracking cup tie, and despite the Villagers first defeat of the season, no one was really disappointed in their performance.

From the kick-off Abbeyside went into the attack with Sheehan cutting a trail down the left wing leaving four defenders in his wake, a cracking leftfooter from him left the visiting 'keeper stranded, the resulting kick smashing off the post.

Johnville responded instantly with a threatening cross into the home area which Ronan Curran - acting purely on instinct - cleared away for a throw. The visitors continued the pressure forcing Robert Drummy to concede the corner, Drummy was again on hand clearing the danger, Hurney read the clearance well, slotting through to McCarthy whose effort was denied by the 'keeper. Johnville continued to worry the home defence and right full R. Drummy had to cry off with a hip injury 13 minutes into the half, further weakening a home defence. Drummy who has been playing some brilliant football with the Villagers this season was replaced by the ever vigilant Garry Lyons, Shane Dower came into mid-field and very soon made his towering presence felt as he dribbled through defenders at his ease wrong footing them and taking pot shots at goal that were unfortunately off target.

The competition continued with both sides applying pressure constantly, Abbeyside weren't having the best of exchanges, and the visitors broke the deadlock on the 30th minute scoring from a situation where three of their players were clearly in an off-side position. One observer was heard to say, "I thought the three of them were going home". Brian Hayes was fast off his line but the goal was inevitable. Abbeyside recovered swiftly, Paul Hayes set up the explosive Eoin Hayes (Capt.) whose blistering shot shook the cross-bar.

During the entire first period the Village defence was under considerable pressure and time and time again they fended off the many at-

tacks launched at them. Led by the un-conquerable Olan Casey who took no prisoners, as he cleared everything that came his way, on the ground or in the air, the man was clearly lethal.

Abbeyside's greatest discovery this season can no doubt be their new 'keeper Brian Hayes. Hayes who is also a remarkable out-field player, has found himself between the uprights for the last few games, some of Hayes remarkable saves have been awe inspiring, and there is no doubt that the youthful player defies the law of gravity. Despite this Abbeyside found themselves trailing 2-0 after 35 minutes.

Supporters at this stage were getting worried, heading for the half time period the Villagers were having no luck against Division 1 favourites Johnville. Playing with the hill in the first half, things could only get harder for the home side in the second, but Abbeyside never gave up. Up to the break they continued to create chances with only seconds remaining it looked like they would pull one back after another scintillating run by "Shammy" who chipped in to the waiting Garry Lyons. Lyons back heeled to the on-coming Paul Hayes who rifled a shot from the edge of the six yard box which was only denied by the keeper's finger tips.

Speaking to the players during the break, they were full of confidence, and stressed that things could only get better in the second half, and indeed better they got. The visitors started to

look tired, while Abbeyside still looked fresh.

Again good chances created in the early stages went to waste, Garry Hurney had good chances come his way but the player was having a rare off-day. Five minutes into the half Ronan Curran dispossessed the visiting striker and picked out Sheehan but the blistering shot from the same player went wide. The Villagers first goal, in the 50th minute was a cracker. Richard Enright broke from the half-way line, dribbled through a melee of players and smartly placed the ball at the foot of Shane Dower. Dower pulled away the two central defenders, turned and sent a rocket to the back netting, that left the 'keeper sprawling. Welcome back Shane Dower after a long absence through injury.

This, of course, was the life-line the Villagers needed, and on they ploughed with time running against them. Ronan Curran found Seamus Sheehan in an opportunist position 10 minutes later and "Shammy" fired home a gift equaliser. The home side continued to dominate and Johnville were very lucky to survive some late efforts from Dower, McCarthy, Sheehan and Hurney. And so extra time, the Visitors never really posed a serious threat to Abbeyside. Abbeyside on the other hand missed several clear cut chances, and just when it looked like only the penalty situation would resolve the problem, the Villagers left their guard down in the dying seconds of the game and were punished severely for it.

Team — B. Hayes, R. Drummy, G. Lyons, O. Casey, R. Curran, R. Enright, S. Sheehan, E. Hayes, P. Hayes, R. McCarthy, G. Hurney, S. Dower, J. Phelan.

DIVISION 1 B —

RAILWAY 1 GRANAGH 1

# Railway Fail To Capitalise On Chances

Railway were hosts to Granagh at the Danesfield on Sunday morning last, where they were hoping to arrest the slide which has seen them lose their last two games in the league.

From the outset it was clear that Granagh were going to be no pushovers. A big physical side, they also possessed some good footballers, who were going to be a real threat to the home side.

Railway had the better of the early exchanges. With the impressive Frank McLoughlin dominating in midfield and the back four looking comfortable, the signs were looking good for the home side. This confidence was shattered after twenty minutes when Granagh scored very much against the run of play. Conor Prendergast took the wrong option when he tried to turn back towards his own goal close to the area. He lost possession and the ball was played out to the outside left who jinked inside and hit an unstoppable shot into the top left hand corner of the net. It may have been against the run of play, but it was a brilliantly taken goal. Railway put this setback to the back of their minds and continued to dominate. They carved out a series of clear cut chances which they failed to finish. This trend continued up to half time and Railway must have wondered how they were a goal down at the internal.

In the second half Granagh were well on top for the first fifteen minutes and it began to look as if there was going to be no way back for Railway. Eamonn Murphy and the tiring Gary Morrissey were substituted and the introduction of fresh legs seemed to lift Railway. Centre backs Brian Whelan and Martin Reddy, sensing that time was running out, pushed the defence up to the half way line, and with John Quann starting to support to good effect up the left flank, Railway again took the initiative, but the failure to take some great chances threatened to leave the home side with nothing to show for their efforts. Indeed Granagh looked menacing on the break but the pace of Whelan at centre back was a decided asset in combating this threat.

Railway equalised with twenty minutes to go with a breathtaking strike. As a posse of Railway players tried to get on the end of a cross the ball broke to the left and an acrobatic overhead kick from Timmy Fitzgerald rocketed to the back of the net.

Railway pushed forward

in numbers in an all out effort to grab the winner, but without success and the final whistle sounded with the sides locked at one all.

For a neutral observer this game would have been a great spectacle, and the overall contribution of Frank McLoughlin would have caught the eye. The quality of the two goals were a joy to behold, and with both sides enjoying

passages of domination, the game could have went either way.

For Railway, the amount of clear cut chances that were spurned were frustrating in the extreme. On a positive note, if you keep making chances they will eventually go in.

This is proving to be a sticky patch for Railway, but it is a time to keep the heads and keep playing

football. In this game and against Southend last week, Railway have played well without getting the rewards, which on another day would be theirs.

It was good to see Ray Curran play his first game for the 'B' team, and with Greg Reddy and Des Foley on the mend, another few weeks should increase the selection options of the first team.

**DIVISION 3 B LEAGUE**

# MAGNIFICENT MANAHAN

ST. PAUL'S 1 RAILWAY ATHLETIC 2

League leaders St. Pauls provided the opposition for our 3 B side on Saturday afternoon. Despite a recent run of bad results confidence was high with the players in buoyant mood, safe in the knowledge that our football has rarely been below par throughout this our first season in the league.

The homeside started the game at a frantic pace laying siege to our goal with a constant barrage of attacks. During this spell we conceded a sloppy goal after fifteen minutes. After a further ten minutes of resolute defending by our back four of Coughlan, Morris-

sey, Mason and O'Donnell we settled down and started to play some good football.

Team manager Tommy Pratt reshaped our midfield for this game and after a shaky start we began to get a grip in this area. Rhiney Walsh and Paul McLoughlin were causing all sorts of problems in the oppositions defence with their relentless and ever willing running of the ball. One of our most menacing attacking options this season has been through Dermie Coughlan overlapping runs from the right back position. Although he had to retire at half time unable to shake

off an injury he did manage to make a crucial contribution on the half hour picking out Paul Ormond with a superb pass. Paul put Liam Costin through and with the goalkeeper off his line 'Googs' got us back on level terms with an inch perfect chip over the helpless keepers despairing dive.

We dominated the early exchanges of the second half almost taking the lead on a number of occasions. Packie Manahan hit the crossbar after sixty five minutes and with Paul McLoughlin and Rhiney Walsh coming agonisingly close to scoring it looked like the winning goal was going to prove ever elusive once again.

St. Pauls began to dominate exchanges in the closing stages but with Garry Morrissey denying the opposing centre forward any space to play, there was no way through for the homeside.

With just two minutes remaining Packie Manahan (who was relishing the new midfield attacking duties afforded to him by the manager) pulled a goal right out of the top drawer. The ball broke just outside the penalty area and Packie applied the perfect finish giving the goalkeeper no chance with a wonderful chip which even the great Eric Cantona would have been proud of.

If this side continues to show the same commitment for the remainder of the season they just might be in contention when the league reaches a climax.

Team—K. Cullinane, D. Coughlan, D. Mason, G. Morrissey, K. O'Donnell, K. Mason, P. Manahan, P. Ormonde, L. Costin, R. Walsh (capt.), P. McLoughlin. Subs: J. Manahan, D. Morrissey, T. Fitzgerald (all used).

## UNDER-12 T.S.B. LEAGUE

RAILWAY 6 TYCOR 0

Our under-12 team had their first win of the season on Saturday last. Their previous performance in the first half in the last game against Hibs showed that they were getting it together. They started the game in full attack and even from the first effort could have scored. Midway through the half up springs the "Kevin Looby Show". He scored a brilliant hat-trick in 10 minutes and Matthew Cashman got no. 4 and this was how the half ended.

Tycor came at us in the second half and we had a lot of defending to do but Kevin Looby struck for his fourth and Sean O'Neill made it six.

Without doubt the man of the match was Kevin Looby.

# GRITTY DISPLAY KEEPS US ON TOP OF TABLE

PARK RANGERS 1 BALLINROAD 2

Ballinroad made the long journey to Faithlegge on Sunday morning last and had to pull out all stops to see off a strong Park Rangers challenge in this Div. 3B game.

The home side played with a very strong back four and midfield and closed down our attacking moves early on. Chances were scarce in the first half with a lot of play in the midfield area.

In the second half Park Rangers with Rogers outstanding put us under a lot of pressure and it came as no surprise when they took the lead in the 65th minute. A corner was cleared but fell at the feet of the centre forward whose well struck shot gave John Reynolds no chance. Instead of building on this goal Park Rangers were forced back on defence as Ballinroad swept forward in search of an equaliser. The home keeper made a brilliant save from Paul Freyne but could not prevent him from scoring his 14th goal of the season in the 72nd minute. Michael Fraher's pass released Paul and he left the advancing keeper helpless with a superb ground shot. We were now completely on top with Fraher and Duggan just off target with long range efforts.

With just 5 minutes to go our perseverance paid off when super sub Karl Power rose highest in the box to head home a priceless winning goal. The value of a strong panel of players was very much in evidence here as each player did his utmost to secure victory.

We have now completed half of our league programme which sees us on top of the table. Our record to date reads, played 8, won 7, drew 0 for 21 pts. Our goals tally reads scored 27 against 11.

Ballinroad: Reynolds, Boland, McCarthy, Fraher, B. Burke, Lacey, Foley, Thompson, M. Tobin, Freyne, Duggan. Res: Landers for Thompson, Power for Tobin. Ref. Mickey Lee.

We have no fixtures this weekend.

**4TH DIVISION LEAGUE**

# BALLINROAD HIT KILMACOW FOR SIX

BALLINROAD 6 KILMACOW 0

On Saturday over 4th division side recorded an impressive win against a never say die Kilmacow side. In the first half Ballinroad peppered the visitors goal hitting the woodwork on no less than five occasions. At half time the question in all Ballinroad minds must have been will it be one of those games? In the second half the players in the green and white went on to deliver a very emphatic answer.

Ballinroad opened the second half with an early goal from David Tobin who shot home having been freed by an inch perfect pass from midfield dynamo Fergal Fraher. The home side spurred on by this strike now began to convert their outfield dominance to the scores. Martin Troy an impressive performer on the day, was taken down while bearing down on the Kilmacow goal but took a quick free placing John John Ferncombe who made no mistake from close range. Shortly after David Tobin left three Kilmacow defenders in his wake before beating the advancing net minder. The home side were now playing confidently and always looked like adding to their tally which they did when John John Ferncombe cracked home his second from the edge of the eighteen yard box. David Tobin scored his third from the spot after midfielder Troy was again upended. Centre half Mark Cunningham completed the scoring powering a header to the back of the Kilmacow net after some indecisive defending from a corner.

Another win then for this team which is putting together a very good run and looking good with the season nearing its midpoint. However, most of the players have been around long enough to know that they still have a tough stretch ahead.

Team; David O'Connor, John Flynn, Dennis Crotty, Mark Cunningham, Pat Flynn, Fergal Fraher, Morrie Ferncombe, Brian Hennessy, Nicky Hayes, John John Tobin Ferncombe and David Tobin.

Subs; Martin Troy for Brian Hennessy (inj.), Jim Whyte for Morrie Ferncombe, Richie Hayes for Fergal Fraher.

## BRILLIANT U-12s BEAT LOCAL RIVALS

After an outstanding team performance, our under-12 footballers beat our local rivals The Nire and qualified for the Western "A" football final. A large local crowd turned up to support the team and they encouraged and cheered on the team from start to finish.

Colm Geary opened the scoring with a point. At this stage we were well on top of our opponents with our centre half back Denis Coffey in outstanding form. He proved to be a thorn in the Nire side throughout the entire game. Colm again drove forward and hit a shot that looked to be heading for the net, but it rebounded off one of our forwards, but lucky enough, Sean O'Neill picked up the rebound and hit the net.

John Queally and Colm Geary added on a point each with the Nire replying with three points from frees. John Ahearne had a goal disallowed for over-carrying the ball and we also hit the post

towards the end of the half. At half time we were leading by 1-3 to 0-3.

In the second half the Nire threw everything they had at us but found it very hard to break through our brilliant defence. John Queally added a point. The Nire hit back with three points to leave the score 1-4 to 0-6 in our favour.

The game was flowing from end to end. We hit the post twice and when the Nire broke out of defence and up the field, a draw looked certain. Man of the match Denis Coffey broke up the attack and drove forward to score a brilliant individual point which secured the victory.

There was a sigh of relief and the pressure was off when referee Declan Glavin blew the full time whistle.

We are now to play Kilgobinet in the Western final. This match is due to be played on Saturday morning next at 11.30 a.m. We would encourage everybody who is free on Saturday morning to come to Cappoquin and support the team, which is

trained by Vince O'Donovan and John Ahearne. These underage teams are the future of the club and they fully deserve your support.

So far this year they have seven games played and have only been beaten once which was by a goal against our Western final opponents Kilgobinet. They have scored 14 goals and 52 points and have only conceded 8 goals and 22 points.

Team — Darren O'Connor, Justin Power, Paul Gleeson, Paudie McCarthy, John Myles, Denis Coffey (0-1), Matthew Cashman, Colm Geary (0-2), Jimmy Buckley, Colin Gleeson, John Ahearne, David O'Donovan, Jonathon Webster, John Queally (0-2), Sean O'Neill (1-0). # Superb Win For Dungarvan Seconds

DUNGARVAN 3 CHURCH OF IRELAND 0

A great game to watch and with great support our Minor B team did us proud last Sunday. We attacked from the start with Diane Behan playing brilliantly on the right wing constantly creating chances but alas we failed to put them away. The second half saw us on top and soon we were a goal up when Moya Verling scored a great individual goal. Shortly after Moya was unlucky not to score again when her shot rebounded off the goal with the keeper beaten. Soon it was 2 when Ciara O'Hare scored a great goal from a cross by Diane Behan. Now it was all Dungarvan and Kate O'Sullivan made it 3-0. This was a great team performance.

Player of the match: Diane Behan. Thanks to umpire Ann Bones.

Team—Eva Quinlan (capt.), Gillian Dalton, Deirdre Nagle, Lorraine Hayes, Clare Fennell, Louise Conroy, Diane Behan, Sandra Leo, Alison Leo, Moya Verling, Clare Morrissey, Eva Carthy, Marie Sheehan, Jane Keane and Susan Brosnan.

## University of Limerick 4 Dungarvan 0

On Saturday last Dungarvan Intermediate A team travelled to Limerick to play U.L. This we knew was a tough fixture and we also had our captain Roisin Foley injured and unable to play. We started well but the class

of the opposition and their superior fitness and technique soon told and ten minutes into the game they were a goal up resulting from a good run and finish. Soon we were 2 down when from a short corner which was brilliantly saved by Lenora Fitzgerald the ball was not cleared U.L. reacted first to score. Our defence were playing well with Martina Moore and Avice Kiely outstanding but soon we were 3 down when our left back played a clearance into the centre for U.L. to score an easy goal. The second half saw us competing better but we were not fit enough and good enough and soon we were 4 down. However our defence played well. We wish our captain a speedy recovery.

Player of the match: Martina Moore.

Thanks to umpire Tom Gartland.

Team—Roisin Foley (capt.), Lenora Fitzgerald,

## MUNSTER LEAGUE MEN'S HOCKEY

### Impressive Home Win For Dungarvan/Clonmel Dungarvan/Clonmel 3 UCC 1

Dungarvan/Clonmel opened their Munster League campaign with an impressive 3-1 home victory over UCC at St. Augustines College on Sunday last. Dungarvan/Clonmel playing against a college side that has won their previous match 4-0 against Belvedere, were expecting a tough encounter. The game began at a furious pace with both sides eager to take an early lead. As the first half progressed, the home side began to put the UCC defence under pressure. Midway through the half, following another home attack, centre forward Philip Major was fouled in the circle. From the resultant penalty flick, John Ryan put Dungarvan/Clonmel 1-0 ahead. Minutes later the home side were 2 goals up. Right half Stephen Dunne won the ball in midfield and following a great solo run, scored with a superb drive from just inside the circle.

This was undoubtedly goal of the game. The first half ended 2-0.

Dungarvan/Clonmel began the second half in determined mood. They went 3-0 ahead after 12 minutes. A well worked short corner between Ger Foley and Tom Gartland ended with Philip Major drilling an unstoppable shot into the UCC net. Towards the end of the half Dungarvan/Clonmel tired a little and allowed the visitors into the game. A superb reaction save by D/C goalkeeper Tony Bones kept the visitors scoreless during this period. UCC were then awarded what seemed a dubious penalty stroke from which they scored their only goal of the game. D/C raised their game again after this setback and finished strongly for a well deserved victory. It was a very good overall team performance. Special mention must be made of the three junior players, Anthony Bones, Stephen Dunne and Simon Drummy who all performed very impressively against older and more experienced players.

Team—Tom Gartland (capt.), Tony Bones, Tony Kenny, Stephen Dunne, Simon Drummy, Ger Foley, Richard Hanna, John Ryan, Anthony Bones, Philip Major, G.G. Bhulls, Peter Doyle.

Player of the match: Richard Hanna. Thanks to umpire Ann Bones.

### U-21 FOOTBALL

The u-21 footballers advanced to the divisional decider by virtue of a victory over Stradbally at the Lemybrien venue on Saturday afternoon last. There is still room for much improvement before we meet the winners of the Nire/Kilrossanty semi final.

### GLARING OMISSIONS

When we thanked Caroline, Nicola and Linda for all their hard work last week, we inadvertently omitted Eleanor McGrath. Our sincere apologies to Eleanor who is of course a very loyal and popular club member.

Gone unnoticed also, was the generous gesture of Matt Organ of the Village Inn who provided stockings for the county minor final. Matt and Joe 'Tuckee' Organ are of course two of our most consistent supporters.

### ON THE INJURED LIST

Currently on the injured list is Mel Shanley who recently sustained a shoulder injury. Mel of course has been part and parcel of the junior football team over the past few years. We wish him a speedy recovery.

Best of luck is extended to Abbeyside N.S. who are involved in the primary schools football final against Ballymacarby on Saturday next.

### TIMES PAST

This week we re-introduce our 'Times Past' feature which over the past few years has provoked much discussion. Our first game is from 1969 and we reproduce the match report.

### 'COURTY MARCH ON IN J.F. LEAGUE Ballinacourty 1-5, Dungarvan 0-2.

Ballinacourty scored their second victory in the junior football league when they defeated old rivals Dungarvan at the CBS grounds last Sunday.

With first use of the strong wind Ballinacourty dominated the exchanges, but their youthful forwards found scoring against the strong Dungarvan defence a difficult task, and their lead of four points at half time did not appear sufficient to collect the points.

Dungarvan had reduced the leeway to two points entering the last quarter, but in an exciting finish, the superior fitness of the Ballinacourty side won on the day.

Ballinacourty—D. Byrne, B. Shields, J. McGrath, D. Flynn (R.I.P.), J. Dwyer, F. Shields, J. Foley, L. Enright, P. Flynn (0-1), M. Kiely, T. Mansfield (1-2), J. Hourigan (0-1), B. Lynch, M. Cosgrave, B. O'Brien (0-1). Subs. J. Fraher, P. McGovern, H. Kelleher.

## Dungarvan Boxing News

At the Munster Council meeting held in Fermoy recently, it was decided that the Munster Intermediate Championships will be held in Dungarvan on Sunday 5th November at the Park Hotel. This is a major event which the Dungarvan club have been after for many years as it draws boxers from every club in Munster and guarantees a very high standard of boxing. The local club will have four contenders - James Keohane at welter weight, James Keenan at light middle weight, Pat Fleming at middle weight and Danny Kett at light heavy weight.

### SUCCESSFUL FITE NITE

A recent tournament held at Crotty's Inn, Leamybrien proved to be very successful.

It was the first show of the season and it was hard to get boxers matched up as all were not fighting fit. Nonetheless some boxers went in for exhibitions and got a good work out. One such exhibition was between Frankie Keniry and James Keohane. It was good to see Frankie back and this season he boxes with St. Saviours B.C., Waterford.

One or two fights stood out; Bert Ahearn had an impressive win over D. Keane of Fermoy as he proved too strong for him and he retired in the first round. Kevin Kenneally really opened up in the last round of his fight against S. Delaney of Freshford B.C. This was a good experience for Kenneally as Delaney is around for a long time.

The fight of the night must go to James Keenan of Dungarvan and David Byrnes of St. Pauls. This fight was ac-

tion all the way, with very little between both boxers as they went into the last round. Fitness got the better of Keenan in the last as he was unable to counter any of Byrnes scoring shots. Byrnes was declared the well deserved winner, but both boxers put up a great display.

Jason Shaw boxes Keith Whelan of St. Saviours. This was a return bout for their encounter at the Abbeyside Pattern in which Shaw was the winner. This time he was not to be as fortunate. Whelan was better prepared this time and made Shaw look average. Shaw didn't help matters much by charging after him instead of standing his ground and boxing, his timing was all wrong. Having said this, it still turned out to be a close fight with Whelan the better of the two on the night.

Pa Fleming and Tony Harty, both of Dungarvan, also put on a very good display. Harty is proving to be a very good young novice.

This tournament was the first of two shows being put together for Dan Dineen in his fund raising efforts for Cerebral Palsy Ireland. The second show will be held at the community hall in Touraneena on Friday night, 27th October. This boxing tournament will be followed by a dance. A very worthy cause which should be strongly supported so come early to get your seats.

### UPCOMING EVENTS

The local club will be very busy in the next few weeks as its boxers are in big demand. Here is a list of just some of the upcoming tournaments; 27th Oct. Touraneena local; 29th Oct. Bagnalstown Co. Carlow;

3rd November Freshford, Co. Kilkenny; 5th Nov. Park Hotel, Munster Intermediate; 12th Nov. Rylane, Co. Cork; 16th Nov. Metroland, Waterford.

Watch out for posters and more details of the Munster

Intermediate.

**CONGRATULATIONS**  
Congratulations to the Irish boxing team that did the business the weekend before last in Vienna, Austria in the Multi Nations Tournament.

## Ardmore GAA Notes

### OUR BIG DAY

On Monday afternoon next we keep our date with destiny when we line out at the Fraher Field at 3 p.m. to play the Eastern champions in the Div. 1 Under-16 county football final.

As the Eastern final is not being replayed until this Saturday, we are not sure who our opponents are to be, but certain it is that whether it is to be Gaultier or Rathgormack, we are assured of a great final.

A final is always something special and that hour flies and, of course, what we have achieved up to now counts for nothing as we enter this final and the county champions of '95 will be crowned on their display over this hour.

We would like to see our supporters out in big numbers on Monday to give these fine players the support which they deserve.

### CONGRATULATIONS

We extend heartiest best wishes to Noel and Jean Conway and Thomas and Mary Power on recent very happy events.

### TIMELY REMINDER

We would remind our many loyal supporters that the annual church gate collection for juvenile club funds will, as usual, be held on November 4 and 5 and as usual we expect a very good response.

Please note that this collection is the last fund raising effort by the juvenile club in 1995 and we would like to thank you all in anticipation.

### UNDER-13 HURLING

We had our first training session on Sunday morning last under the guidance of Billy Harty. John Hennessy will be joining Billy shortly after our under-16 final, so these young players are well catered for.

We would remind parents to ensure that these players attend early Masses as all our games are fixed for 11.30 a.m. on Sunday mornings.

# Peil Na gCailini Mini Sevens Blitz Outstanding Success

On Wednesday last October 18th teachers from sixteen schools in West Waterford brought a panel of ten young girls each to the Abbeyside G.A.A. venue and for the next two hours a feast of football was provided for the 160 girls involved.

Every section of the playing arena was in use and the contrasting colours of all the school jerseys provided a wonderful spectacle in its own right. The schools were divided into groups with four schools in each and the winning schools to emerge to contest the semi finals on the following Friday at the same playing area were Balnameela N.S., Coolnasmear/Kilbrien N.S., Modeligo N.S. and Piltown/Clashmore N.S. Arrangements for the blitz went perfectly under the stewardship of chairperson Breda Cleary with ample support from her friend Nuala Fahy. Focal moladh freisin do Sylvia Uí Sheanlaoich. An roghnóir sea í agus an duine chun spríod a chur sna h-imreoirí faoina cúram.

All teams qualifying for the semi finals would be regarded as being 'fairly handy' and indeed the Coolnasmear/Kilbrien v's Modeligo game went to extra time. The final between Piltown/Clashmore and Coolnasmear/Kilbrien was decided also after a period of extra time with Piltown/Clashmore proving popular winners by the narrowest of margins.

minutes when Paul O'Brien pointed after a great run. A sustained period of Lismore pressure yielded a goal from John O'Donnell. A great combined move by the Tallow forwards resulted in another point from the boot of Paul O'Brien. Colin Kearney again pointed for Lismore following which he sent a great shot narrowly wide. Lismore were in control in every sector and Kevin Donoghue, Sean Ormonde and John O'Donnell all scored points. Paul O'Brien again replied with a point for Tallow.

Half time Lismore 1-5 Tallow 0-3.

Tallow resumed with their best player moving from centre back to centre forward. Principal teacher Mr. Billy Sheehan told me it would be just as well to lose by six goals as to lose by a point. What a wonderful attitude. Paul O'Brien scored his fourth point. Jamie Dalton struck a good goal for Lismore after the ball came back off a post. Slowly Tallow were playing better and surprisingly began to dominate the game. Gary O'Connor had to make a brilliant save to keep the Lismore net intact. However Michael Keating broke through for the first Tallow goal. This was followed immediately

by another Tallow major, 2-6 to 2-4.

Briefly Lismore regained control and midfielder David O'Keeffe pointed. But Tallow were taking the

game to Lismore and the outstanding Paul O'Brien shot to the net after a great solo-run. The Lismore challenge faded. William Curley pointed and Michael Curley shook the net for a goal. Mark O'Brien curled one over with his left leg. There was some good strong shoulder to shoulder stuff at this stage. Paul O'Brien rounded off a great final for him with another point and Paul Kearney completed the scoring with a point. Tallow had turned a six goal defeat in the league game into a satisfying victory. The Tallow pupils showed utter joy and delight with their unexpected win.

### SATURDAY MORNING LEAGUES

The finals of the Saturday morning leagues in football will take place next Saturday at the club grounds. The Under-8 final will commence at 11 a.m. The Under-10 final follows this at 11.30 a.m. The days proceedings will end with the Under-12 final at 12 o'clock.

### UNDER-13 HURLING

A tournament is being organised by Western Bord na nOg in preparation for next year's Feile na nGael which will be hosted by Waterford. Our first game in this tournament is away to Lismore next Monday morning.

### PRESENTATION

The Under-14 football team will be presented with their Western medals at a function to be held at the Park Hotel next Thursday, October 26 at 8.15 p.m. Parents are invited to attend.

### UNDER-12 FOOTBALL

Our under-12 footballers were defeated by a fine Kilgobinet side in the quarter final of the Bord na nOg championship last weekend. The boys played very well despite the absence of a few key players and gave a good account of themselves against stronger opponents. Our best wishes to Kilgobinet for the remainder of the tournament.

Our exit from the championship marks the end of a very successful 4 year reign for our under-12 footballers during which time many championship successes were achieved.

### LOTTO

The weekly lotto numbers drawn on Sunday were 8, 6, 21. We had no winner. Next week's jackpot will amount to £900. So get your tickets in time, remember if you are not in you can't win.

### U-12s THROUGH TO "A" FOOTBALL FINAL KILGOBINET 4-5 ABBEYSIDE 4-2

In a nail-biting football semi-final at Dungarvan pitch last Saturday morning our under-12s qualified for the football final to be held in Fraher Field on Saturday, November 4, at 11.30 a.m.

This was a tough match with great football on both sides. Abbeyside, a big team, kept our lads on their toes and the match wasn't over until the last kick of the ball. Half time score: Abbeyside 2-2, Kilgobinet 1-3.

A goal in the third minute of the second half for Abbeyside, followed by another in the fifth minute of the second half, certainly left us with a lot of work to do. Fortunately for us, these were the last scores Abbeyside had.

A substitute in the Kilgobinet side, Tomás O'Brien left his mark with a goal in the eleventh minute and just before full time Tomás scored another goal to put us in the lead, followed by a point by John Wall to seal the match for us. Willie Kiely and John Wall gave great individual performances, but it really was a full team performance.

This is the first time our club have got to an "A" Western final and it is a great achievement. We wish the full panel, Tom Kiely (coach) and Michael Cass (selector), the best of luck in the final when we meet Naomh Bríd. Transport arranged.

Team — P. Norris, A. Browne, M. McGrath, J. Hickey, D. McGrath, B. Flynn, S. Kennedy, W. Kiely (1-1), B. Lynch (0-1), S. Cass, J. Wall (1-3), M. Flynn, D. Wall, J. Dunford, B. Hickey. Subs., T. O'Brien (2-0), P. McGrath, J. Cass, J. Morrissey, Wm. Hennebry, Michael Hennebry, D. Hurley, J. Dunford, T. Fahey, D.

Browne, E. Cullinane.

### U-21 FOOTBALL

Sunday morning, 11.30 a.m., in Fraher Field the replay match against Clashmore is organised.

Congratulations — Congratulations to Catherine Walsh on winning the GAA County Board Scholarship to the Waterford Regional College. We wish her well with her career.

Cards — The lucky table last Thursday night in Coolnasmear was T. Byrne and P. O'Brien. Results — 1, Michael Barron and Jack Foley; 2, Martin Carroll and Michael Power. Draw results: £10, T. Nugent; £5, Cora Kiely; £5, N. Queally.

### ST. PAT'S LADIES FOOTBALL

INTO Mini-Sevens — Congratulations this week goes to our Coolnasmear/Kilbrien schools ladies football team. They served up some super football.

Our opponents on the first evening were Ballymac,

Grange and An Rinn. These three games were hard won. On Friday evening we met old friends Modeligo in the semi-final and that went into extra time when we won by three points.

The final was against Clashmore/Piltown/Ballycurrane which finished level. So to extra time again when we were defeated by a point. Our team gave tremendous effort.

S. Browne, A. Dunford, N. O'Sullivan, G. Wall, A. Wall, C. Fahey, M. Maher. Subs., K. Power, M. Walsh, S. Browne, S. Morgan, E. Wall, A. O'Sullivan, M. Ryan, S. Devereux.

Junior Football — We play Clashmore on Saturday next, October 28 in the re-fixture. This is the county semi-final, so all support appreciated.

Victory Tickets — Social on November 11, tickets from Brigid.

Golden Goal — Time was 18 minutes exactly. Prize must be claimed before Sunday, October 29.

## New Seats At Fraher Field

Patrons at the Fraher Field on Sunday were pleased to find that the entire 'chair-seating' area had been refurbished and new bucket seating installed. Among other things this will facilitate the numbering of seats, when the term ticket holders come to avail of them.

It is hoped that the protective netting behind the goals will be in place for the National League matches on the next two Sundays.

Also in connection with the development, I understand that interest is growing in the Deise 500 Club and that a growing number of firms, etc., are investing. It will be interesting to see the names of these firms advertised in a prominent place in our grounds when the list is compiled.

## DEAN RYAN CUP

MUNSTER COLLEGES U-16<sup>1</sup>/<sub>2</sub> A HURLING CHAMPIONSHIP REPLAY

# Comprehensive Defeat For Dungarvan C.B.S.

SHANNON COMPREHENSIVE SCHOOL 4-8 DUNGARVAN C.B.S. 0-5

Despite the comprehensive nature of the scoreline Dungarvan C.B.S. put up a very brave performance against Shannon in the Dean Ryan Cup game played at Cappawhite, Co. Tipperary last Wednesday. Shannon got off to a great start with a goal in the 1st minute but Dungarvan C.B.S. did not panic and edged their way back into the game with points from Paul Veale, Paul Landy and David Morrissey to draw level by the 20th min. Shannon went back into the lead with a point in the 22nd minute and John Paul Keohane had the C.B.S. back on level terms a few minutes later with a point from a 65. Shannon struck for another goal on the stroke of half time to have an interval lead of 2-1 to 0-4.

The early stages of the second half were again evenly contested. Shannon opened up a six point lead with another goal in the 35th minute. A minute later Paul Landy had a point for the C.B.S. to trail by 0-5 to 3-1. Disaster was to follow a few minutes later when

Dungarvan's best forward Paul Landy was surprisingly sent off for a careless challenge on the Shannon centre back. The Waterford side were fighting an uphill battle for the remainder of the game, but fought bravely to the end. Best for the C.B.S. were Alan Harney, Paul Condon, Michael Kiely, John Paul Keohane, Paul Veale and Paul Landy.

Scorers: Dungarvan C.B.S. - Paul Landy 0-2; Paul Veale 0-1; David Morrissey 0-1; John Paul Keohane 0-1 (65).

Team—Dermot O'Shea (Dungarvan), Alan Harney (Dungarvan), Paul Condon (Naomh Bríd, capt.), Eoin Sheridan (Dungarvan), Jason O'Mahony (Dungarvan), John Coffey (Stradbally), Michael Kiely (Abbeyside), James Cooney (Brickey Rangers), Paul Landy (Abbeyside), Paul Veale (Abbeyside), David Morrissey (Dungarvan), Brendan Mansfield (Abbeyside), Diarmuid Keating (Dungarvan). Subs: Michael Carlton (St. Oliver's) for B. Mansfield, Raymond Terry (Gaeltacht) for D. Keating.

### UNDER-21 WESTERN FOOTBALL CHAMPIONSHIP

Having drawn our first round game with Affane a few weeks ago, the replay takes place next Monday, October 30 in Lismore. Throw-in 2 p.m. This game was to be played last Sunday but had to be postponed owing to the death of Mary Morrison, Strancally, whose sudden death took place at Cork University Hospital on last Friday night.

She was a sister of our goalkeeper Peter Morrison and also of our underage player Bernard to whom we extend our deepest sympathy. Also to her parents Jerry and Loreta and the other members of the family. As a mark of respect, the underage football tournament games for the Fr. Mulcahy Cup which were to have been played last Sunday morning were also postponed and will now be played next Sunday commencing at 11.30 a.m.

### J. F. KENNEDY PARK

Levelling work at our pitch in Knockanore has been completed with a few weeks and the growth of the grass is remarkable. We look forward to playing there again next summer. On behalf of the club, thanks to all who helped with the work and also the contractors Ed. Moran and Son, who did such a fine job. We also wish to thank those who contributed to our appeal for funds for the project.

We would ask all our supporters to continue their involvement in the Deise Development Draw which has been a big source of income for the work. We would also wish to remind members that the October draw takes place on this Friday night at Ballymacarby.

We are also hoping to stage a night at the races at Shamrock Inn, Knockanore in the near future. Full particulars and the date of same will appear in a later edition of the "Leader".

**INTERMEDIATE FOOTBALL FINAL REPLAY**

# Faha Victorious In Extra Time

**FAHA 2-11 CLASHMORE 1-10**

A crowd of about 1200 turned up for the attractive programme at Fraher field on Sunday and while there was nothing spectacular about the quality of the hurling and football the attendance who paid £3047 at the gates saw plenty to excite and entertain them in the two and a half hours duration of the programme.

The Intermediate football which saw Clashmore and Faha in opposition for their third time this year was tough, uncompromising stuff with no quarter asked or given, but nevertheless sporting. It had its share of drama, at an early stage of the game when Clashmore were awarded a penalty that was crashed home by Michael Shalloe and again towards the end of normal time when Faha came from four points behind in the final three minutes, to snatch an amazing draw. Ironically, for Clashmore, it was the same Faha player Johnnie Troy who kicked over the equalising score on both occasions in the past two weeks.

Like all their games, this was fought with dogged determination by both teams who seemed oblivious to the effects of the many bruising tackles that were endured during the game. In a way, the course of the game followed the pattern of their two previous meetings in that on each occasion, it was Faha who came from behind to win. Also the last two matches showed a change in tactics as far as Faha were concerned. Their chief schemer, former footballer of the year on two occasions, Kieran Power did not

figure in the scoring, but played the role of supplier of the ball and he did this very satisfactorily.

Clashmore, on the other hand lost their chance of the title when failing to hold on to their 4 points lead with less than five minutes remaining. During that spell, they did have the chance to 'put' Faha away, but somehow left the chance slip.

**PLAY**

In the 2nd minute Francis O'Rourke pointed Clashmore into the lead and they were level when Pat Power sent over in the 4th, John Troy had a Faha point before Michael Shalloe's 8th minute penalty goal. Two John Troy points brought them on terms until Brian Morrissey's 23rd minute point gave Faha an 0-5 to 1-1 lead at half time. Faha had played with the wind.

**2nd HALF**

Michael Shalloe's 33rd minute point brought them level again and when Pat Lombard scored three minutes later Clashmore were ahead. Shalloe and sub, Kieran Mansfield had points and Clashmore were 3 points up. John Troy and John Power exchanged points before Mike Fenton gave Clashmore a 4 points lead in the 58th minute. It looked all over then and I

saw people beginning to move out of the stand. Then the Faha onslaught took most of their team upfield and Derry Casey shot home the goal that inspired Faha and coming up to the 61st minute their top scorer for the year, Johnnie Troy sent over the equaliser that sent the game into extra time.

**EXTRA TIME**

Seamus O'Rourke was first to score and his point gave Clashmore a lead of one. John Troy and Ml. Shalloe exchanged points and it was 1-9 to 1-8 with Clashmore leading when half time was called.

The killer blow for Clashmore came in the 17th minute of extra time when a well aimed Kieran Power cross found John Troy who sent it to the net. Clashmore scored just once more - a point by Conor O'Riordan while Faha had points per John Troy (3) to give them a four points victory.

Faha will now meet Kill in the county final at Fraher field in about two weeks time.

**Scorers—Faha - J. Troy 1-9; G. Casey 1-0; P. Power 0-1; B. Morrissey 0-1. Clashmore - M. Shalloe 1-3; S. O'Rourke 0-2; P. Hynes 0-1; P. Lombard 0-1; K. Mansfield 0-1; J. Power 0-1; C. O'Rourke 0-1.**

## Ballinacourty Qualify for Divisional Final

BALLINACOURTY 2-15 STRADBALLY 0-7

Ballinacourty footballers qualified for the divisional final of the u-21 championships when they decisively beat Stradbally at Leamybrien on Saturday last. Stradbally were forced to field without some of their players due to work, holidays, etc. and were forced to finish with 14 players due to a sending off in the second half.

The game was very sportingly contested, but we did have two stoppages for a number of minutes while a young collie dog was moved from the field.

Players from both teams as well as Kilrossanty officials helped the referee in getting the dog out in the first instance, but despite the many precautions taken he managed to get back on to the playing field. On the second occasion, former Kilrossanty all-star, Jimineen Power captured the intruder who did not appear again.

There was no doubting the fact that Ballinacourty were the better side and having been given a gift start when Mickie Enright kicked home a goal within a minute of the start, they were never headed. Gavan Keane's 17th minute goal put them 2-2 to 0-2 ahead and by half time when they were 2-8 to 0-2 in front the game as a contest was as good as over.

Stradbally did show some improvement in the second half, but with a mountain to climb and the loss of a player in this half, they failed to make the kind of progress that would give them a chance of winning.

**Scorers—Ballinacourty - G. Keane 1-4; M. Enright 1-2; B. Beatty 0-3; C. Keane 0-2; D. Hayes, B. Keohane, M. Kelleher and J. Moore 0-1 each.**

# Footballers Play Offaly At Fraher Field In N.F.L.

## Cappoquin Take On St. Mollerans In Intermediate Hurling Co. Final At Walsh Park

Because of problems involving Eastern Board club championship games which had already been fixed, it is thought likely that the county minor hurling final, involving Lismore and Passage will be deferred until the following Sunday and substituted with the county junior hurling final involving Lismore and Ferrybank. Patrons should consult our fixtures column.

### MUNSTER CLUB GAME

Ballygunner will represent us for the second time ever in the provincial club championships and at worst will be hopeful of doing much better than in 1992 when having defeated Mount Sion by a single point at Dungarvan went out the following day to receive a hammering that they want to forget.

With a little more breathing space on this occasion they will be in the game with a chance, especially now that all their players are available to them.

### LISMORE V. FERRYBANK

If this junior hurling final does go ahead as the curtain-raiser to the Cappoquin/St. Mollerans game, Ferrybank will be strong favourites to win as by all accounts they are playing in a grade below their standards.

### I.H. COUNTY FINAL

Cappoquin v. St. Mollerans With all due respects to the two qualifiers, it is true to say that at the start of this championship some six months ago, very few would dare to predict that Cappoquin and St. Mollerans would be the clubs to reach the county final. But no one

took into account the great improvement shown by both since last season's championship in which both fared poorly.

Strange to relate, both teams won their semi final games by a single point to qualify. In fact St. Mollerans won their game by a point after they had played a draw with Kill on the first day.

A look at their 'paths to the final' will show how each team has fared in the run up to the final which is certain to attract a record attendance for an intermediate county final to Walsh Park on next Sunday afternoon.

The Mollerans who were formed in 1947 are a very progressive club who invariably command huge support and the huge attendance at Walsh Park for the senior hurling replay with the intermediate semi final, included a sizeable crowd from this club on the Tipperary border.

In the matter of support, St. Mollerans claim that themselves and Portlaw jointly hold the record attendance for a county senior hurling final. Mollerans and Portlaw played a tremendously exciting draw at Walsh Park and the replay on October 4 was reported to have attracted an attendance

of 12,000 (that figure was printed in one county paper and even if it was only half right, it would still be a record). Portlaw won on a scoreline of 1-13 to 2-8.

A very interesting fact associated with that era is that St. Mollerans and Cappoquin met in the intermediate county final of the previous year and Mollerans won by 4 points. The intermediate championship then was played on a divisional basis and in the Eastern final, St. Mollerans beat Kill. It poses the question "is history going to repeat itself?"

On Sunday morning last I spoke to St. Mollerans Chairman, Patsy Murphy, who played on the victorious Mollerans team against Cappoquin 24 years ago and he told me that they are in no way over confident of beating Cappoquin for whom they have a very high regard.

Their team is a mixture of young and very experienced players. Some are on the 17/18 year mark. They are strongest in defence but suffer because of the failure of their forwards to take the chances on offer. Against Kill in the replay they had 17 wides and this average has been a regular feature of their performances.

Their team is unlikely to show much, if any change from the team which defeated Kill in the replay. This would see Leonard McGrath in goal with Paul Quinlan, Nicholas Rowe and Robbie Dunne in the full back line and fronted by Michael Reid, Frank Doherty and Gerard Reid in the half line of defence.

Gerome O'Shea and Tony Reid are their centre field pair and both are quite accomplished performers. Both have inter county experience below senior status. John Finnucane, Kevin O'Sullivan and Kenny Reid with James Doran, Tom Dunne and Mark Reid, are likely to be given a vote of confidence in attack.

Cappoquin are a team who have come on in leaps and bounds this year since they played an 0-0 all draw against St. Mary's in a first round game on a very windy day back in May.

Their scoring average is way below that of their opponents on Sunday, but the scores against Cappoquin are also much lower. Cappoquin had to go to their third game in the championship before recording an outright first win.

How well they have learned to survive in a tight finish is clearly illustrated in

their final three matches, each of which was won by a goal or less. They were most impressive in these three games and while I did not see their display against the fancied Abbeyside team, I was very impressed with their display against Colligan. This, I believe was the day on which the Cornerstone club gave notice of the strength of their challenge for the title.

And if further proof was needed, they subsequently held out for a sweet victory over favourites Abbeyside in the semi final here two weeks ago.

Their lineout too, is unlikely to change much from their semi final team and with their sound keeper Pat Casey having such solid defenders as Michael Buckley, Eamonn Costin, Anthony McCarthy, John Buckley, Sean Costin and team captain Brian Murray to front him, the Eastern team will encounter many problems in getting scores. Billy Tobin and Seamus McCarthy will be the centre field duo and in attack Cappoquin will have top scorer Martin Power, Thomas Mansfield, Kenny Mason, Donnagh Cummins, Shane Fraher, Gossy Mason, with players like Fintan Murray, Tommy O'Sullivan, Conor Prendergast, etc., etc. also available.

A win for Cappoquin would certainly be a very popular result as they are long overdue a title, but sentiment has no place in these things and they will have to go out and win it on the field.

With Lismore also playing on the same programme, the Cornerstone side are sure of great support. Hopefully the team will emulate the achievements of their juniors back in 1945, just 50 years ago when the club won the double. We wish them the best of good luck.

### NATIONAL FOOTBALL LEAGUE

**Waterford v. Offaly**  
The visit of the Leinster team to Dungarvan should attract a good crowd to Fraher Field on Sunday for round two of the league.

Offaly who hammered the All Ireland 'B' champions, Tipperary, in the first round by 3-14 to 1-7 at Tullamore two weeks ago, were surprisingly beaten by 2-9 to 2-6 by Waterford at Leamybrien last year.

Waterford in their first game in the league got a good beating from Carlow, in Carlow, but the team on that occasion were more or less playing for their first

## Ballygunner Meet Na Piarsaigh In Munster Club Game At Pairc Ui Rinn

time together. They did not have much opportunity of training together since as the Rathgormack players were club-tied in training for their match with the Tipperary champions in the Munster club championships.

The side to do duty here is unlikely to show much change from the team which played in Carlow and this will see Tom Brennan (he played well in goal in the first round), Michael Fitzgerald, Vinny Murray, Brian Whelan, Peter Queally, Dan Crotty and Liam Dalton in defence. It is possible that one or two players will be introduced into this sector, depending on their availability.

Michael O'Brien and Matty Kiely were the mid-field pair in round one, but were changed as the game progressed. Shane Bergin,

Richard Power, Nial Connors, Owen Cunningham, Rd. Power, John Power, Michael O'Brien and co. are others who will be considered for selection when the county selectors meet on tonight, to name their team.

Offaly players who were prominent in the rout of Tipperary were Finbarr Cullen, John Kenny, Mel Keenaghan, James Greenan and Kieran McManus and are all likely to be included on the visitors team.

What was rather amazing about Offaly's defeat of Tipperary was that on the same day, the Offaly county senior football final between Clara and Edenderry was played as a curtain-raiser to the league match. The best of these players will also be available now, so it does look as if we are really up against it.

## The Munster Championship Draws

The draws for the provincial championships were made on T.V. on Sunday night and while very many do not agree with having the draws done in this way, it was interesting in that the public were shown how differently the provinces operate their championships.

Munster Hurling (Senior and Junior) — Waterford v. Tipperary, winners versus Kerry; Cork v. Limerick, winners v. Clare.

Senior and Junior Football — Kerry v. Tipperary, winners v. Waterford; Limerick v. Cork, winners v. Clare.

It will now be interesting to see how the proposed 'home and away' agreements will operate.

I have my doubts about Tipperary agreeing as they will be happy to have us back in Cork again, but Kerry might be a good proposition (if they beat Tipperary in the first round). It would be wonderful to have them here in Fraher Field as we did four years ago. One home inter county game of that calibre would certainly be worth going after.

## RESULTS ROUND-UP

It wasn't a great weekend for the county in that our hurlers were beaten by All Ireland champions, Clare in the league, Rathgormack, the football champions lost to Moyle Rovers at Walsh Park.

On the club front we had excitement aplenty at Fraher field where the programme went almost into darkness.

At Abbeyside on Sunday morning, Kilrossanty defeated Naomh Brid by 4 points in a splendidly contested under 21 football first round and in the east, Gaultier defeated Rathgormack in the junior football divisional final and qualified to play Lismore in the county final.

At Walsh Park, Passage beat Mt Sion in minor hurling.

## NATIONAL HURLING LEAGUE

# Clare Come Through In The End

CLARE 3-8 WATERFORD 1-7

With only five minutes remaining, Waterford trailed by just a single point to All Ireland champions, Clare before a 7000 attendance at Ennis on Sunday. Waterford fielded as selected, but a number of the players had been in action on Saturday in inter firms competition and club championships in the east. We began very well. A

Sean Daly goal in the 9th minute gave the Deise side a boost and at the end of the first quarter Clare were still without a score on the board. But a P.J. O'Connell goal spurred on Clare who went in at halftime only a point adrift.

Clare came out with all guns blazing in the second half and rifled over three points to take the lead. The

game continued at a ferocious pace with nothing between the sides going into the final five minutes when Fergal Hegarty's two late goals gave the game a misleading appearance. Clare were the fitter team, but it was Waterford who set the pace until they ran out of steam late in the second half.

Scorers—Clare - F.

Hegarty 2-0; P.J. O'Connell 1-2; J. O'Connor 0-3; F. Touhy, S. McMahon and C. Lynch 0-1 each. Waterford - S. Daly 1-0; P. Flynn 0-2; J. Brenner, B. O'Sullivan, M. O'Sullivan, F. Hartley, P. Queally 0-1 each.

Waterford—R. Barry, S. Cullinane, D. Byrne, E. Cullinane, T. Browne, F. Hartley, S. Frampton, J. Brenner, T. Fives, B. O'Sullivan, P. Queally, M. Hickey, M. O'Sullivan, S. Daly, P. Flynn. Subs: B. Walsh for M. Hickey, G. Gater for T. Fives.

## YOUNG HURLING PROSPECTS

**ST. JOSEPH'S DUNGARVAN — "A Welcome Visitor"** — Frank Murphy arrives with a welcome supply of new hurleys to St. Joseph's N.S. Frank is a very popular hurley maker and repair man and has been a "father figure" to many a young hurler at his workshop at Kilmeaden. Also included is Mr. Pat Curran N.T. with four budding hurlers from his class.

**Scoil Mhuire, Dun Na Mainistreach, Stephen Slater, 6 Years, Senior Infants** — Stephen is a stocky little lad and a bundle of energy. He has very good basic skill and loves hurling. Trains regularly at Abbey-side G.A.A. pitch. This school is well organised by all the teachers on coaching visits under Mr. Finbarr Keohan (Priomh Oide). Stephen's parents hail from Tipperary and Donegal but he says he likes Waterford hurlers.

**Church of Ireland N.S. Stradbally — Pamela Fitzgerald, 12 Years, Rang 6** — Pamela likes most sport and is very enthusiastic during coaching visits. She has excellent coordination and all the children get tremendous support from their teacher, who is well known in squash circles. Her favourite sports person is Kilkenny camogie star Angela Downey.

**Cappoquin N.S. Conor Heffernan** — 10 year old Conor Heffernan is a tidy little hurler. He gets great support from his parents and teachers in the school. His father Ned is one of the driving forces behind a resurgent Cappoquin hurling club and he comes from Holy Cross in Tipperary. Mr. Moynihan and his staff organise everything on coaching visits.

## JUNIOR HURLING FINAL

# Surprise Win For Lismore

LISMORE 3-5 KILGOBINET 1-7

Lismore's junior hurlers caused a surprise at Fraher Field on Sunday when defeating Kilgobinet by a couple of late goals in a very entertaining and very well contested final.

Both sides were slow to get into their strides and at the end of a low scoring first half they each had just 2 points on the scoreboard.

Kilgobinet played with the strong breeze but had to wait until the 10th minute before scoring their first of the two. Martin Curran pointed a free and 4 mins. later they were 2 points up when Jim Walsh had a fine point from play. They failed to score for the next 17 minutes of the half.

Lismore went for 25 minutes before their captain and outstanding player of the game, Emmett Quann, pointed a free and two minutes on, corner forward Eamon Power pointed from play.

## SECOND HALF

Two Kevin Walsh points

in the 38th and 40th minutes gave Kilgobinet the lead and a little breathing space until Emmett Quann pointed in the 44th and Ed. Fenton had the ball in the Kilgobinet net within 30 seconds of being brought on as a substitute for the injured Eamon Power. This lead lasted for just one minute and until Michael Walsh who had come on as a sub for Alan Fitzgerald, rattled the net at the other end of the field.

Kilgobinet were in front again, but that man again Emmett Quann pointed a free to square the match at that stage. It was 1-4 all. Ray Lynch made it 1-5 for Kilgobinet who were battling very bravely against the stiff breeze and seemed

to be coming more into the game. This looked to be the situation when Martin Curran pointed from a free and from play to give his side a 3 points cushion in the 53rd minute. Back came Lismore and a point by Quann followed by the 58th minute goal by Keith Hornibrook gave them a narrow one point lead.

The game continued for a further five minutes to compensate for injury time and in the 63rd minute Ollie O'Dowd sealed the victory for Lismore when he goaled.

It was disappointing for Kilgobinet as on the run of play they didn't deserve to lose, but all credit to Lismore who kept on the pressure all the time and enjoyed the advantage of playing the ball on the ground.

Scorers: Lismore — E. Quann 0-4, E. Fenton 1-0, K.

Hornibrook 1-0, O. O'Dowd 1-0, E. Power 0-1. Kilgobinet — M. Curran 0-3, M. Walsh 1-0, K. Walsh 0-2, J. Walsh 0-1, R. Lynch 0-1.

Lismore — B. Landers, P. Barry, J. J. Duggan, A. Whelan, P. Brennan, E. Quann, J. Whelan, J. Roche, P. J. Coughlan, R. O'Sullivan, S. Prendergast, O. O'Dowd, E. Power, J. Begley, K. Hornibrook. Subs. — J. McNamara for J. Whelan; E. Fenton for E. Power.

Kilgobinet — M. McCarthy, K. Byrne, P. Hayes, J. Walsh, S. Fennell, J. Byrne, M. Flynn, J. Moore, T. Burke, K. Walsh, K. Walsh, Jim Walsh, A. Fitzgerald, M. Curran, R. Lynch. Subs. — M. Walsh for Fitzgerald; M. Hurley for J. Moore.

Referee — Pat Walsh, Fourmilewater.

## NEW ALL STARS SCHEME

The selection process for the All Stars is to change this year and players will, for the first time, be given a say in the selection.

A roll of players who have this year played inter county hurling and football is being compiled before voting takes place within the next month or so.

Last year the hurling selection was widely criticised because Brian Whelehan of Offaly was overlooked and complaints about the incompetency of the selection group who were media personalities were widespread and there was public demand for change.

Whether or not the new system will be satisfactory, is something that we must wait for. It will mean that players will be voting for other players whom they have not seen in action. Or they will be voting for players whom they have seen, to the exclusion of great players whom they have not seen in action.

My view is that as there is no satisfactory selection process, the scheme will eventually die out and as one who is against the concept of All Stars, I won't complain when it does fade away.

## Education Awards

This award scheme which will provide career opportunities for young G.A.A. players and which is the first of its kind in the country, was launched before a very large attendance of officials from the four counties, Tipperary, Wexford, Kilkenny and Waterford at the Waterford Regional, Technical College on Tuesday night of last week.

The President of the G.A.A. Jack Boothman, said this Awards Scheme will be remembered as another important development in the history of the G.A.A. and it was wonderful to find promising young players being afforded the opportunity to pursue studies in the Diploma/Degree in Recreation and Leisure Management in W.R.T.C.

Other speakers included Sean McCaigue, Chairman, Games Development, Michael Kinsella, Secretary, Wexford County Board, Ray Griffin, Director, W.R.T.C. and Colm Bonner, who was master of ceremonies. The six successful candidates, including Waterford's Catherine Walsh, St. Patrick's Club and Ken McGrath, Mount Sion, were present.

Our very sincere sympathy is extended to Gerry and Loretto Morrison, Knockanore on the sad death of their daughter Mary Rose on Saturday last at a Cork hospital. The family have a long association with the Shamrocks club and as a mark of respect the under 21 football tie involving Shamrocks and Affane was postponed on Saturday. May she rest in peace.

## Local Oyster Growers Receive Emergency Aid Package

CONTINUED FROM FRONT PAGE

As part of the package a further £100,000 will be made available for rope mussel producers who have also experienced severe losses.

### LOCAL LOSSES OF UP TO 100%

Manager of Meitheal Trá na Rinne Teo, Sean Mac Craith told the 'Dungarvan Leader' that the high level of oyster mortalities had set the local shellfish industry back a great deal. Based in Poll A' Phuca, Ring, the company is supplied by over 33 oyster producers in Dungarvan, some of which have been badly affected by seed losses. Indeed he claimed that the local shellfish industry had experienced losses of anything between 50 to 100%.

Delighted with the Minister's aid package, Mr. Mac Craith said the money will be of huge benefit to local affected producers and is in recognition of how important the shellfish industry is to the Irish economy.

Annual production of pacific oysters and rope mussels is currently valued at £4.6 million to the national and local economies and is expected to reach £10.6 million by 1999 with EU and State aid.

### YOUNG INDUSTRY

Ring native, Caitlín Uí Aodha who is an elected member of the Irish Shellfish Association was also pleased with Minister Gilmore's aid package.

Speaking to the 'Dungarvan Leader' Mrs. Uí Aodha said the shellfish industry is still in its infancy around the coast.

Many young, previously unemployed people she said, have invested in local shellfish production/cultivation and are totally dependent on the industry for their living. In this regard, Mrs Uí Aodha said the oyster seed losses were an awful blow to the industry which had been set back by a massive loss of investment.

While the aid package will not replace all of the seed losses experienced by producers, Mrs. Uí Aodha welcomed the £300,000 allocation and said the package reflected the government's interest in this potentially lucrative industry.

National Chairman of the IFA Shellfish Association and Managing Director of Dungarvan Shellfish, Jim Harty said he had met with Minister Gilmore and Minister Sean Barrett to discuss the mortalities situation and the industry request for an emergency aid package.

Both Ministers he said, had readily recognised the problem with BIM now handling the distribution of £300,000 for oyster growers.

When applying for the emergency aid, Mr. Harty disclosed that producers will have to produce a tax clearance certificate, import licence from the Department of the Marine and a receipt from the hatchery etc.

Although one of the largest oyster growers in the area, Mr. Harty however said Dungarvan shellfish had experienced no seed losses and indeed described 1995 as an excellent year for the growth of mature oysters.

Smaller oyster growers were not so fortunate, claimed Mr. Harty, many experienced a complete wipe out of seeds while others lost over 70% of their stock.
