## Exciting New Plans For St. Joseph's Hospital

[BY AISLING CONROY]

The eagerly awaited extension to St. Joseph's Hospital, Dungarvan is now one step closer to fruition following last week's lodgement of a planning application for a 27-bed extension with Dungarvan U.D.C.

A strong supporter of the proposed £700,000 extension, Chairman of the South Eastern Health Board, Cllr. Billy Kyne, has strongly welcomed the planning application. Speaking to the 'Dungarvan Leader', Cllr. Kyne who is also a member of Dungarvan U.D.C., said he had discussed the application with Waterford County Manager Donal Connolly and Dungarvan Town Clerk Ray Moloney. "They have both assured me that this application will be processed with all possible

haste", he stated.

The Health Board is now committed to advancing to the tender stage as soon as possible. Indeed Cllr. Kyne enthused he will continue to work with the Health Board's technical services section to ensure the hospital extension comes rapidly on-stream. "I'm particularly pleased that during my Chairmanship of the S.E.H.B., the long awaited commencement of this 27-bed extension is now entering its final stage," he added.

Watch this space for more details on the planned extension - exactly what is proposed, the implications for the town and county and how the famous St. Joseph's landmark will look following the proposed major structural changes.

## Tight Rein Kept On Council Finances

Waterford County Council's proposed Book of Estimates for 1996 is a major improvement on the sweeping service charge increases of last year. County Manager Donal Connolly has kept a tight rein on Council finances throughout the year and while cutbacks in certain areas such as road cleaning have been the source of strong criticism, his 'tightened pursestring' policy seems to have earned some rewards.

The 1996 Estimate of Expenses, together with Mr. Connolly's detailed report makes much better reading than the rates hike of last year when harried Council

members were picketed by angry ratepayers and householders who faced staggering rate increases of 23% for domestic water charges and 33% for refuse collection charges etc.

Indeed, in framing the estimates for 1996, Mr. Connolly said he was conscious of the substantial increase for both the rate in the £ and service charges adapted in 1995. **TOO DEPENDENT**

On Monday, November 13th, Council members will vote whether to accept Mr. Connolly's recommendation of a 3% increase in the rate in the £ from £35 to £36 and an increase of £5 on domestic water charges, both of which are in line with the rate of inflation. No increase is proposed in the cost of refuse collection. In proposing these increases, Mr. Connolly states in his report that the Council's finance are still a "major cause for concern" and

make it very difficult to provide and maintain a level of service which is acceptable to the public. While stressing that it is essential that expenditure continues to be tightly controlled, Mr. Connolly declares in his report that local authorities are "far too dependent" for funding on State Grants.

### MINIMUM NECESSARY

Concluding his report, the Manager says he is satisfied that the provisions contained in the Book of Estimates is the minimum necessary to provide a reasonable level of service for the County in 1996.

It remains to be seen, however, how Council members and ratepayers will react to the proposed £5 increase in water charges, although this year's estimates meeting should prove to be a speedier process than that of the past two years.

## KNOW YOUR RIGHTS

### QUESTION

I have worked and paid full PRSI for 8 years. For family reasons I may have to take a career break. What affect would this have on my social welfare benefits and what benefits could I claim?

### ANSWER

A person going on a career break would remain entitled to certain social welfare benefits for up to 1 or 2 years depending on how late in the tax year they leave work. If you don't start your career break until after you have your 39 weeks of PRSI in this tax year you will be in benefit until the end of 1997.

You would not be entitled to claim Unemployment Benefit as you would not be regarded as being unemployed because your job is still there. If you become ill you could claim sickness benefit and should submit medical certificates to the Department of Social Welfare. You would be entitled to Dental/Optical Benefits for as long as you satisfy the PRSI requirements; this could be up to 1 or 2 years (a person aged 25 years or over needs 260 PRSI contributions).

If you have a gap of two complete tax years in your insurance record, i.e. you have no paid or credited contributions recorded for two consecutive tax years, then you will have to work again for 26 weeks before you will qualify for credited contributions. When you resume employment it could be two years before you will come back into benefit.

Years spent working in the home (from 6 April 1994) caring for a child up to 12 years or for an incapacitated person will be disregarded in calculating the average for pension purposes.

# Cappoquin Supermarket Wins Top Quality Award

Kelleher's SuperValu Supermarket, Cappoquin has won the 1995 SuperValu Hygiene Award and the prestigious Irish Quality Association Hygiene Mark. The award was presented to Denis Kelleher, proprietor of the Cappoquin outlet, by the Minister of State at the Department of Agriculture, Food and Forestry, Jimmy Deenihan at a ceremony in Dublin recently.

Presenting the awards, Minister Deenihan paid tribute to the commitment of SuperValu to hygiene and training which, he said, were essential for staff development while also benefiting the consumer. The Minister stressed that to compete effectively in today's business world, quality and hygiene were essential and important ingredients.

"The retailers who have received their awards here today", he declared, "are letting their customers know that they value their business and that they will continue to provide the highest

standard in their stores".

### RECORD BREAKING PERFORMANCE

In what can only be described as a record breaking performance, a total of 78 SuperValu Supermarket owners were presented with Hygiene Awards and Certificates at the ceremony - an unprecedented number to any one retail group.

1995 is the ninth year of the SuperValu Quality Awards, a programme designed to promote hygiene and safety standards in food retailing. Run in conjunction with the Irish Quality Association, the awards are in recognition of consistency in

hygiene controls in all aspects of the supermarket's business.

More SuperValu stores continue to hold the distinction of having been awarded the IQA Hygiene Mark than all other branches of all other supermarket chains combined.

### UNRIVALED STANDARDS

Also speaking at the ceremony in Dublin, Chairman of the SuperValu group, Seamus Scally, claimed he was very proud to be part of an organisation which he said, is unrivaled in its standards throughout the industry.

Meanwhile, Sean Quish, the Deputy Chief Executive of SuperValu, said the award winning SuperValu supermarkets had proven themselves years ahead of the best comparable standards in the UK or in Europe. He said the store owners went to

great lengths and made considerable financial investments to achieve excellence and to win the awards. Mr. Quish also complimented the supermarket managers and the staff of the stores and said that they deserved great credit for their consistent efforts.

# AN BUNREACHT

## Le Pádraig O Braoin

Agus an Bunreacht i mbéal an phobail na laethanta seo, níor mhiste féachaint siar ar a stair agus ar an dóigh inar fhás sé ó thosach.

Tá an cuntas sin le léamh go mion sa Bheathascéal oifigiúil ar leathanach a 321 agus ina dhiaidh.

Bhí de Valera míshásta le bunreacht an tSaorstáit. Bheartaigh sé é leasú ach dul go mall chun gan scoon a chur ar éirne agus chun gan aighneas idirnáisiúnta a adhaint.

### CURSA

Ar an 23 Aibreán, 1933, nochtadh sé a chúrsa leis an bhfógra seo; "Ní foláir é fhógairt don saon nach ngéillimid dár ndeoin d'aon ghnás ná d'aon siombail atá bunoscionn le ceart na hÉireann mar náisiún ceannasach. Cuirimid na gnása sin i leathaoibh ceann ar cheann i dtreo go mbeidh an Stát seo ar a bhfuilimid i gceannas ina Phoblacht dáiríre agus nach mbeidh i bhfógairt na Poblachta nuair a thioctaidh an lí ach deasghnáth, deimhniú foirmiúil ar stádas a bheidh bainte amach againn cheana féin".

### RUNDACHT

Níor luaigh de Valera conas a dhéanfadh sé an t-athrú seo. Bhíodhas ag baint ó ghnása agus ó Shiombail ghalka cheana féin. Bhí a chumhacht bainte de Shéamas MacNeill, Fear Ionaid an Rí, agus bhí an post le cur ar ceal ar fad ar ball.

Níorbh aon tairbhe dul níos sia ar an gcúrsa sin ag síorleasú Bunreacht an tSaorstáit. Bhí an oiread sin leasaithe déanta air cheana féin go raibh an dlí bunreachtúil in achrann go mór.

### MRS. SIMPSON

Bhí rian Mímh de Valera go trom ar an mBunreacht agus é á dhreachtadh. Fuair se dréachta ó mhóran scoláirí. Orthu sin bhí

an tAthair Eamonn O Cathail, S.J. agus an tAthair MacUáid, CSSP. Rinne sé leasaithe áirthe ar na dréachta sin.

Bhí an chuiche ar siúl go dúthrachtach ach i lár báire tháinig Rí Shasana ar pháirc na himeartha. I Mí na Samhan, 1936, tháinig an scéal faoin gcorrbhuais go léir i Sasana go raibh Edbhard VIII ag tabhairt suas do choróinn Shasana.

Chonaic de Valera láithreach go bhféadhfaí faidhm a bhaint as an suaitheadh seo go léir thall chun an Rí a scaradh ar fad ó ghnóthas intire na hÉireann. Bhí sé ar thaobh an pósadh a cheadú agus an Rí fanacht ach gan Mrs. Simpson a bheith ina banríon.

Tionóladh an Dáil gan mhoill agus ritheadh billí a ghearr an Rí amach ó reachtaíocht Éireannach.

### SCRUDUCHÁN

Nuair a bhí an suaitheadh thall i Sasana thart, luigh de Valera isteach ar an obair le dúthracht arís, ag ceartú agus ag leasú mar ba ghlé leis. Tugadh aire faoi leith do na haltanna sóisialta.

Rinneadh scrúdú doimhin ar bhunreacht íasachta chomh maith, ar cháipéisí na hOstaire agus na Pólainne agus na Fraince. Blianta móraighnis ba ea na blianta sin. Bhí préamhú an chumannachais agus an sóisialachais ar an MórRoinn agus iad ag fáil greama ar aigne na ndaoine.

### REILIGIÚN

Fágadh na haltanna a bhain le reiligiún go dtí an deireadh mar bhíodar an-chasta ar fad. B'éigean dul i gcomhairle leis an Ardeasbog Gregg, ceann Eaglais na hÉireann féachaint cén teideal a cuirfí ar dhaoine nár Chaitlicigh iad. Níor mhaith le cuid na grupáir sin go luafai mar Phrotastánaigh iad. Socraíodh sa deireadh gach Eaglais a luadh faoin teideal a thug sí uirthi féin. Bhíodar go léir sásta leis an socrú sin.

An Cáirdínéal Pacelli, Pius XII níos déanaí, a bhí ina Rúnaí Stáit sa Róimh ag an am. Cuireadh Seosamh P. Breathnach, Rúnaí Gnóthas Eachtracha, go dtí an Róimh leis na dréachta a bhain le cúrsaí reiligiúin. Bhí an-fháilte ag an gCáirdínéal rompu. Chiallaigh sin nach raibh aon bhac ar an mbóthar ar aghaidh.

### CEANNLÍNE

An socrú seo i dtaobh cúrsaí reiligiúin ba cheannlíne é do lucht dréachta bunreacht ina dhiaidh sin. Bhí sé ina eisemlár do bhunreacht Burma deich mbliana in dhiaidh sin. Sa bhaile, ámh, bhí doichead ar roinnt dhaoine roimis. Bhí mionlach beag Caitliceach mí-shásta leis agus bhíodar ag cur ina choime ar feadh i bhfad.

Chuir an cáineadh sin buairt ar a lán daoine ach ghlac fúmhór na ndaoine gur chairt é an Bunreacht a bhí sásta agus go raibh níos mó den Chríostaíocht agus den Chaitliceas ag roinnt leis ná le haon Bhunreacht daonlathach eile ar chláir na cruinne.

An spiorad muintearais sin a bhí mar threoir do dhreachtóirí an ailt sin ar an reiligiún, ba thuar é don spiorad eiciúiméineach a nochtadh go hoifigiúil sna heaglaisí an ghlúin ina dhiaidh sin.

### AN TEAGHLACH

Tá Airteagal a 41 soiléir go leor. Admhaíonn an Stát gurab é an Teaghlach is buíon-íonad píomha don chomhdhaonacht agus gur foras morálta é ag a bhfuil cearta doshannta dochloífe is ársa agus is airde ná aon reacht daonna.

Os é an Teaghlach is fotha riachtanach don ord chomhdhaonach agus ós éigeantach é do leas an Stáit agus an Náisiúin, rathafonn an Stát údarás agus comshaoimh an Teaghlach a chaomhnadh.

Ní cead dlí ar bith a achtú a bhéarfadh cumhnacht chun pósadh a scaoileadh.

Seasóidh nó tífídh an corás seo leis an Reifreann.

## Dungarvan Drama Club Notes

With only two weeks to go to the opening night of "Dancing at Lughnasa" things are beginning to hot up and the cast is busy rehearsing to ensure our audiences will be transported back to Donegal 1936.

Finbar, our producer, is

certainly putting us through the reels (literally at times). As in all good studies, getting back to the root of things is always a must, and so last Sunday saw us congregate on the grounds and premises of the Touraneena Heritage Centre.

The ladies donned aprons and we all certainly got into the atmosphere of things, thanks to our hosts who had kindly lit the authentic turf fire! Pat Crowley, our photographer, used the setting to its best advantage for mood photographs. The morning was rather cold and the hot coffee from the heritage centre crew at the end of the photo session was very much appreciated. Many thanks.

Our first night this season will be in aid of the Dungarvan Lions Club. A cheese and wine reception will be held after the play and a great night is guaranteed as usual. Your kind support for this local cause would be appreciated. Tickets will be available shortly from Arch Fashions, Main Street.

## Dungarvan Macra Notes

It has been a very busy few weeks for the club. Our pool team won the competition outright. The team consisted of Mary Barron, Vincent O'Brien and Tom Kiely. We also had a team entered in the Know Your Agriculture Quiz. They had a good night, even though the questions were a bit trying at times.

Congratulations to Colette Flynn and Marion Kiely who won the Ladies Farm Tasks in Cappoquin. Both girls put in a marvellous effort and I am sure they will make excellent farmers wives! All enquiries to Dungarvan Macra: minimal agents fees assured!

I would like to wish Catriona Kiely the very best of luck in Queen of the Land competition.

## THE CHEETAH

The cheetah is to be found in the grasslands and semi-desert regions of Africa, the Middle East and Southern Asia. It resembles a light-weight and streamlined leopard with its thin, long body, long legs, small head and powerful muscular shoulders.

The cheetah has quite a remarkable 'extending' backbone which functions like a spring when the animal is in full stride. An adult male weighs approximately 39-65kg. (86-143lbs.) This cat is best known for its speed, as it is rated the fastest creature on four legs over a compar-

atively short distance of up to half a mile. A speed of 62 mph is quite within the capabilities of the cheetah. It is the only member of the cat family with blunt claws. The reason for this is that the cheetah has to use its claws when changing direction at high running speeds. It is thought the claws have to also act as brakes.

Up to the age of about six months, cheetahs can climb trees. After that they follow their mother on hunting

expeditions — and with the claws mostly extended and in contact with the ground they soon become blunt.

The female has a litter of between one and eight 10oz. cubs which are born after 95 days gestation. It is left to the female to bring the young up on her own as after mating the male has no more to do with the female.

The mother has to go hunting for food, leaving her cubs very vulnerable to attack from both hyena and jackal, who would kill and eat the cubs. Cubs which reach adulthood may stay with their mother for up to two years before leaving the nest.

### DID YOU KNOW?

by AL 766

A RISK YOU MIGHT NOT THINK OF IN A TALL BUILDING IS BEING STRUCK BY AN AIRCRAFT, BUT THIS HAPPENED IN FOGGY NEW YORK IN 1945 WHEN A BOMBER HIT THE EMPIRE STATE BUILDING KILLING 13 PEOPLE.

THE FIRST VEHICLE TO TRAVEL ON THE MOON'S SURFACE WAS THE RUSSIAN LUNOKHOD 1 WHICH WAS REMOTELY CONTROLLED FROM EARTH AND OPERATED FROM NOV. 1970 TO OCT. 1971

OF THE EIGHT MAIN RELIGIONS OF THE WORLD, JUDAISM IS THE OLDEST AND ISLAM IS THE YOUNGEST. CHRISTIANITY IS, IN FACT, THE SECOND YOUNGEST.

## ALL TALL STORIES

A motorist slowed down to pick up a hitch-hiker, but seeing he was a tramp, drove off. He heard a bang on the glass of his hatchback car as he accelerated. When he got home he found that the rear window was broken and inside the car was a freshly severed hand. The story appeared in several West German newspapers, each claiming that the incident took place in a different town.

According to a German professor, Klaus Merten, of Glessen, it is only one of many stories that circulate and which the teller of the story says happened to a friend. The professor is trying to find out how these stories start and why they are told as fact.

## Duck In To Dine

There is a restaurant in the Chinese capital, Peking, which seats 2,000, has a staff of 700 — and serves only duck.

The meal starts with cold savouries made from the duck's liver, wings and feet minced and mixed with duck egg. Then there is duck soup, followed by fried duck heart.

The main course is roast duck in tiny slices inside pancakes, served with a sauce.

The Peking duck is a special variety bred for such meals.

Each duck should be 65 days old when killed and weigh 5 1/2 lb. For the last three weeks of its life, it will have been fed four times a day with a rich mixture of millet, moss and wheat chaff.

Preparation for cooking takes four days. After cleaning, the duck is hung. Then compressed air is forced between the skin and flesh, so that it will become crispy when cooked. Then the outside is brushed with malt sugar and hung to dry for 24 hours.

## Peaceful Demonstration By Liquid Milk Producers

Liquid milk producers from Co. Waterford, Wexford and South Kilkenny converged on Waterford Foods headquarters, Dungarvan last Thursday where they held a peaceful demonstration for an overdue .5p per gallon increase.

Over 100 farmers, representing almost 70% membership of the Waterford & Wexford Liquid Milk Producers Associations, were present at the Main Street venue where they demonstrated for nearly two hours, with loudspeaker and placards.

The event was part of a series of national demonstrations organised by the IFA Liquid Milk Committee Chairman, Gilmer Hamilton, who stated that Ireland's 5,000 liquid milk suppliers are determined not to let the dairies continue their 'foot dragging' on the long overdue price increase.

"Farmers are tired listening to the hollow claims by dairies that they should willingly follow, but not lead a price increase", said Mr. Hamilton. "These statements are now seen by suppliers as a cynical ploy", he added.

### FEEL DISENCHANTED

His views were shared by Sean O'Keeffe of the Waterford & Wexford Liquid Milk Producers who led the Dungarvan demonstration. Speaking to the 'Dungarvan Leader', Mr. O'Keeffe said he hoped the demonstration would achieve positive results and prompt action from Waterford Foods. The group also held a demonstration at the Snowcream bottling plant in Waterford last September.

In a press statement the Association stated that liquid milk producers supply a top quality product for 365 days in every year, to have fresh product available on the market every day.

"This is persistent and demanding work without any seasonal break whatsoever", claims the Association. "Liquid milk is a highly profitable product for the dairies. The suppliers require a fair share of the price and not one which is constantly being eroded in favour of the retail trade".

The Association argue that while creamery milk received a .6p per gallon increase since last April, liquid milk producers received nothing. The door-step price of liquid milk today is .23p per gallon higher than it was in 1989, yet the producer's price for liquid milk today is .1p per gallon less than it was in 1989.

## Marriage breakdown is with us today even though divorce isn't.

People marry in the full expectation that it will work for them; it's one of the saddest aspects of life that some marriages break down irretrievably.

Over 80,000 people in this country are in marriages which have broken down. Many have formed second relationships and they have children

The adult partners in these relationships have few legal rights. They are not in a position to

give their relationship the status of marriage.

The courts have powers to grant decrees of judicial separation following on which the spouses live apart from each other for the rest of their lives. But they do not have the right to remarry.

Marital breakdown is a reality and the consequences are being dealt with every day. A yes vote would allow those whose marriages have broken down for at least 4 years the right to a fresh start and to remarry if they so wish.

The Government is asking you  
to vote Yes on November 24th.

# Waterford Macra Na Feirme Notes

The Social and Sports Committee recently held a secrets night. A good crowd turned up to witness the crack. A total of 3 teams took part on the night, i.e. Ballyduff — Martha Leamy and Colin Barry; Cappoquin — Mary Kiersey and Tom Cliffe and Dungarvan — Marian Kiely and Tomas Horgan.

First up, it was the mouth to mouth egg relay race. All three teams did extremely badly in this with Tom and Mary winning with a grand total of three eggs transported. Next it was the sink your drink, run around the brush task. Tom got this off to a good start when he staggered across the floor. Marian Kiely bit the dust when she slipped on the remains of an egg, however, she quickly recovered and Tomas and herself went on to win this section.

The next section was made very memorable by the Dungarvan duo, it was of course, the egg up your leg, well suffice to say one egg stayed up the leg. Eggs were still on the agenda for the next task which was the egg across your top. Tom Cliffe was too smart for this section, he obviously knew his

way around. Tomas managed to break two more eggs here bringing his total of broken eggs to an even dozen. Colin and Martha, the Ballyduff couple did better here, at least the egg did not get lost this time. We dumped Tomas and Marian at this stage. Colin and Martha proved themselves the biggest suckers in the next competition, i.e. the baby bottles. We then had the balloon shaving, unfortunately no balloon burst. We then had garters and at the end of it all Cappoquin emerged victorious, well done and thanks to all three couples for taking part. Also well done to the Social and Sports Committee for organising same.

The Farms Tasks competition took place recently. Nine teams took part in the gents section, the questionnaire was slightly rough going according to competitors but well done to Kinsalebeg on winning, I'm sure you will do us proud in the next round. The Kinsalebeg team comprised of John Hynes, Eamonn Flavin and Nicholas O'Connell. We had a new twist to the competition this year in that we had a ladies section. Three teams

took part in same, two teams from Ballyduff and one from Dungarvan, again the questionnaire was deplorable, but according to all, the winning duo of Collette and Marian from Dungarvan were quite apt in the practical side of events. Well done to Dungarvan on winning. Also thanks to Cappoquin Club for hosting this competition.

The "Know Your Agriculture" competition took place at St. Michael's Hall, Ballyduff. A good crowd turned out for same. Well done to the winning Ballyduff team of Dave Ahern, Pat Kenny, Seamus Cunningham and Alan Martin. Best of luck in the next round. Also a word of thanks to Ballyduff Club who hosted this competition.

The final of the Pool League was held at "The Cats Bar", Mount Melleray. Teams involved in the final were Kilmacthomas, Dungarvan and two Fenor teams. The winners on the night were Dungarvan, comprising of Mary Barron, Tom Kiely and Vincent O'Brien. Runners-up on the night were Kilmacthomas. Thanks to all teams who took part over the past few weeks. Also a special word

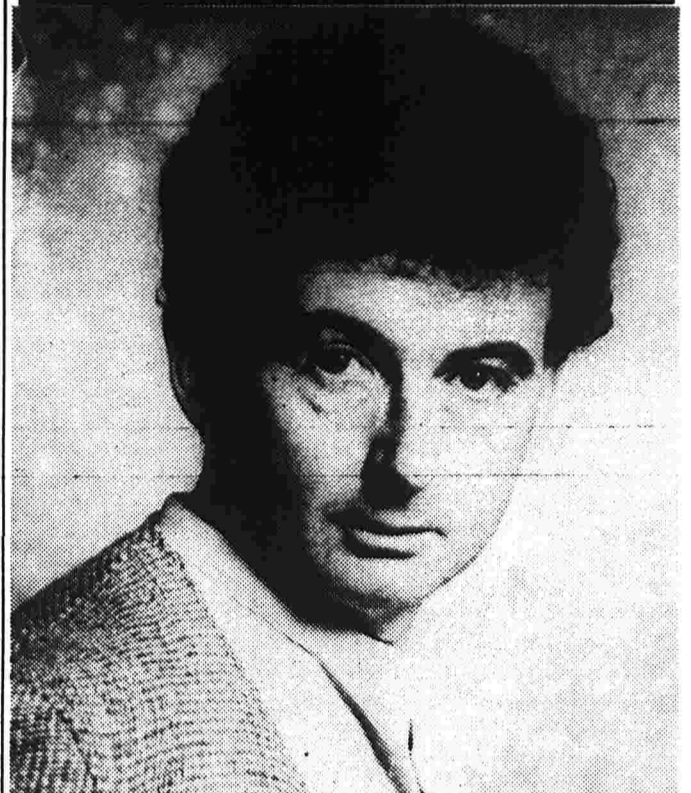

of thanks to "The Cats Bar" who very kindly sponsored the league. It was very much appreciated. This is the second year in a row that "The Cats Bar" have sponsored this league, the proprietors have always been most helpful and courteous to us at all times, again sincere thanks for same.

At the recent County Officers Course in Lisdoonvarna a competition was held for the best way to seduce a pint and needless to say our County President won. According to reports, Pat Kenny has patented all rights to the dance he performed to the Guinness advert music. Joe McKinley had better start looking for a new job.

The Social and Sports Committee are planning on holding a "Traditional Session" on Friday, December 1, that's one for the diary. More details on same later.

Rumour has it that Dungarvan are plotting and planning for a big weekend ahead, i.e. the Queen of the Land which will be held in Tullamore, Co. Offaly. Club member, Marian Kiely will represent the County at same. Best of luck Marian, hope you all enjoy yourselves.

## Jimmy Crowley At The Park Hotel

## Dungarvan Scout Notes

[11th Waterford]

### TROOP MEETING

The meeting began with a few notices. The main topics were uniforms and a commitment to scouting. As testwork is on the main agenda at the moment, we went through the scout law once again and it looks as though we are getting places.

It was now time for a few — games our S.P.L.'s Paul and David organised these. We had a balloon relay but really we should have called it a balloon breaking relay. Shortly after 8 o'clock Maurice Fennell from Touraneena Scout Troop came down with four members of his troop and they teamed up with four members of our troop who were participating in the Regional Hike. Maurice went through map and compass work in preparation for the hike. While this was going on the rest of the troop practiced rope work. With a lot of new scouts, the older lads went through the basics with them. The more adventurous were doing lashings, e.g. square, sheer, diagonal lashings.

The meeting ended with a game of bulldog. Don't forget to read up on your scout promise and principles for next week lads.

### REGIONAL HIKE

At 9.30 a.m. we assembled at the den. The team consisted of four members from each troop, Simon Flynn, Shane Duggan, Derek Murphy and David Noonan represented our troop. Tom drove the team to the base of Crohaun where we met up with the Touraneena troop. From our base point we took our first compass bearing to FARBREGA of 42° approx. and the distance was 11/2 miles. It took 75 minutes to climb to the first point and we were still fresh. From here we took

a bearing to Barnanmaddra Gap which was 0° North, distance 1 mile approx. It took us 20 minutes to get to our next point. Here we had a short break and the big question of the day was from Shane Duggan. He wanted to know "where did all the heather come from?"

It was now time to descend. We followed a bearing of 234° and with a distance of 11/2 miles. From this point we took a bearing of 165° to bring us back to our starting point.

The total distance travelled was 61/2 miles through rough terrain and it took 61/2 hours to complete. That was not bad for a wet and foggy day. Simon's hot chocolate came in handy after all!

The hike was tough, but it was a challenge and it was enjoyed by both troops. — Bi Ullamh.

## Tribute To Jimmy Earley

Together again in a distance place,  
Hand in hand once more,  
Side by side as they were in the past,  
Forever and ever more.

Jimmy is gone where he wanted to be,  
Away from a lonely old life,  
Gone from this world in a moment of time,  
Free from all sickness and strife.

Together once more, as they were before,  
But far from earthly life,  
Terry and Jimmy united,  
In a new eternal life.

## RECENT DEATHS

### LATE MRS. MARY McCORMACK

It is with deep and sincere regret we pen the death of Mrs. Mary McCormack (nee O'Brien), Barrack Street, Ardfinnan, which sad event took place at Portiuncula Hospital, Ballinasloe, Co. Galway on Sunday 29th October. Deceased was a member of an old and respected South Tipperary family. She was a lady abundantly endowed with all the true Christian traits of character. Of a quiet and at all times pleasant demeanour, she possessed a most charitable outlook on life and was an excellent neighbour, always ready with the helping hand. That her memory will be cherished was truly indicated on Monday evening when all walks of life were represented in the large concourse of mourners who were present when her remains were removed from her residence to the parish Church, Ardfinnan. On Tuesday morning the feast of Saint Quentin (Martyr) requiem Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to the New Cemetery, Ardfinnan, where she was laid to rest in the family plot, again in the presence of a large concourse of mourners who come to pay their final respects to a dear Christian friend whose memory they will cherish. To her family we tender our sympathy.

Ag Criost an Fomhair,

### LATE MRS. MARY CUNNINGHAM

Profound and sincere feelings of regret were widely expressed at the news of the unexpected death of Mrs. Mary Cunningham (nee Ryan), Boolatting, Leamybrien which sad event took place at her residence on Friday 27th October. Deceased in her seventy ninth year was the last female member of an old and respected Bally-

macarbry family, the Ryans of Toureigh. A very estimable lady of many charming traits of character, she was a loving wife and mother so proud of her family and they of her. She was predeceased by her husband David by some five years. He was a well known sheep breeder and produced many winners at shows. Mary was a lady possessed of an old world charm that was refreshing for all. A wonderful neighbour her integrity, courtesy and outgoing sincere nature commended her to young and old alike. She was a lady in every sense of the word and a host of friends who appreciated her company now grieve for the void her demise leaves. Many tributes have been paid to her memory but perhaps the finest was provided on Saturday evening when all walks of life were represented in the vast concourse of mourners who were present when her remains were removed from Droghans Funeral Home, Dungarvan, to Saint Brigids Parish Church, Kilrossanty. On Sunday morning the feast of Saint Narcissus the 11 a.m. Mass was celebrated for the repose of her gentle soul. The celebrant was Rev. Fr. Richard Geoghegan C.C. Fewes/Kilrossanty, assisted by Rev. Fr. Michael J. Ryan P.P. Ballylaneen/Stradbally/Faha and Rev. Fr. Michael Frawley (CSSP) P.P. Fewes/Kilrossanty. After Mass as the mist came down from the Comeraghs a wonderful lady was laid to rest in the family plot in the adjoining cemetery. Rev. Fr. Geoghegan C.C. officiated at the graveside and Rev. Fr. Frawley P.P. recited a decade of the rosary, again in the presence of a huge concourse of mourners who united in a fitting tribute with family, life long friends and neighbours paying their final respects to a Christian friend. To her sons and daughter, her brother Sean and her many relatives we extend to them our sympathy.

Leaba f masec na Naomh go raibh aici.

### LATE MR. JAMES HANRAHAN

It is with deep regret we place on record the death which occurred after an illness borne with true Christian fortitude at the South Infirmary, Cork, on Tuesday 31st October of Mr. James (Jim) Hanrahan, Ballinamult, Clonmel. Deceased, in his seventies was a member of an old and respected family connected with the business life of Ballinamult for many years. Hanrahan's public house of which the late gentleman was proprietor is well known far and near. Jim, as he was affectionately known was one of nature's gentlemen whose unassuming courtesy and outgoing sincere nature were readily appreciated by all who knew him and who frequented his licensed premises. He was a wonderful neighbour who never sought the limelight but came forward if he could offer the helping hand. No unkind or harsh words ever passed from his lips. He was also an intelligent conversationalist. Many tributes have been paid to his memory but perhaps the finest was provided on Thursday evening, when people from far and near were in the huge concourse of mourners who were present when his remains were removed from Kiely's Funeral Home, Dungarvan, to St. Mary's Parish Church, Touraneena.

Prior to leaving the funeral home the rosary was recited by Rev. Fr. John Kiely, P.P., Old Parish/Ring (cousin). Also present was Rev. Fr. Brendan Crowley, C.C., Ballybricken.

On Friday morning, the Feast of St. Hubert, Requiem Mass was celebrated for the repose of his gentle soul. After Mass, one of the district's best loved citizens was laid to rest in the family plot in the adjoining cemetery, again in the presence of family, friends and neighbours as they united in a fitting tribute to a Christian friend whose

memory they will cherish.

To his brother John, his sisters Margaret and Mary and his many relatives we tender to them our sympathy.

Crabh an ti ar lar grasta agus trocaire ar a anam uasal.

### LATE MR. EDMOND COFFEY

The district learned with regret the death which occurred after an illness borne with true Christian fortitude at Our Lady's Hospital, Cashel on Friday 3rd November of Mr. Edmond (Neddy) Coffey, Curtiswood, Ballymacarbry.

Deceased, in his mid-seventies, was the last surviving member of an old and respected Ballymacarbry family. He was predeceased by his wife Catherine by some twenty-eight years. For some years he had not enjoyed the best of health. Of a quiet and at all times pleasant demeanour, he possessed a most charitable outlook on life. He loved to visit the local in the evenings and meet his friends and to discuss the topics of the day.

An exceptionally kind and popular neighbour, he will be sadly missed by all who were fortunate enough to make his acquaintance. Testifying to the esteem and high regard in which deceased was held locally a large concourse of mourners were present on Saturday evening when his remains were removed from O'Donoghue's Funeral Home, Clonmel, to St. Laurence's Parish Church, Fourmilewater. On arrival they were blessed and received by Rev. Fr. Edmund Tobin, Fourmilewater/Newcastle.

On Sunday morning, the Feast of St. Bertille, the 11 a.m. Mass was celebrated for the repose of his soul. The celebrant was Fr. Edmund Tobin, P.P. After Mass he was laid to rest in the family plot in the adjoining cemetery.

To his relatives we extend our sympathy.

Solas na soillse da na anam.

## FINE GAEL MEETING AT BALLYMACARBRY

There was a large attendance at a recent Fine Gael meeting which took place at the Oriel Lounge Bar, Ballymacarbry. Amongst topics discussed were the changes in the constituency boundaries and how they will affect the local area and the forthcoming Divorce Referendum. Those in attendance included Austin Deasey T.D. and Oliver Coffey M.C.C. Chairman Waterford County Council. Deputy Deasy paid glowing tributes to the way Teresa Ahearn T.D. represented the people of this area and welcomed the fact that this part of County Waterford will be back in this area again after the next general election. A social night will be held in the Hidden Inn Road House, Kilmanahan on Saturday 2nd December.

## WEDDING BELLS

The beautiful parish church of St. Helena in the Nire Valley was the scene of a very pretty wedding on Thursday 26th October the feast of Saint Evaristus when Jimmy, son of Michael and Phylis Durme, Ballyduggan, Nine-Mile-House was united in matrimony to Deirdre, youngest daughter of Michael and Peg Wall, Toureen East, Ballymacarbry. The marriage ceremony with Nuptial Mass and Papal blessing was solemnised by Very Rev. Fr. Pat Hayes C.C., Nire/Touraneena, assisted by Rev. Fr. John McGrath P.P., Mullinahone, in the presence of a large number of the relatives and friends of the contracting parties. The bride given away by her father was attended by her sister Mary and her cousin Teresa as bridesmaids, while the best man was John, brother of the groom. Another brother, Michael was groomsman. With the church ceremonies over the entire party left for Hearn's Hotel, Clonmel, where the wedding reception took place and where a most enjoyable and musical time was spent for many hours. After the blessing of the cake the toast of the bride and bridegroom was appropriately honoured and felicitous speeches given by many guests present. Later in the evening the happy couple left on their honeymoon which is being spent touring the country. As they left they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years that are to come.

The bride belongs to grand old Nire Valley stock and for some time was a shop assistant at Dooceys, Ballymacarbry, while the groom comes from the farming community of South Tipperary. We wish them many years of happy married life.

## SCHOOLS AMALGAMATION

The parents of the pupils of Lismore C.B.S. and Presentation Primary Schools received a progress report from the Boards of Management and Parents Councils of both schools on the schools amalgamation.

There were six points:-

(1) Formal confirmation was received from the Department of Education that funds would be available for the amalgamation project during 1995.

(2) Last June work was completed on the plans for the new building and alterations to the existing building following visits from Department inspectors and architects.

(3) The plans were submitted to Waterford County Council and final planning permission was granted on 30th August 1995.

(4) Quality Surveyors are now working on a detailed costing of the project.

(5) Negotiations between the Christian Brothers, and the Department of Education re. the sale of the Christian Brothers School and site have yet to be completed.

(6) As neither the cost of the building project nor the amount that will be available from the sale of the Christian Brothers site are not yet available the amount of money that is required to be raised by way of a local contribution is not known.

What is known is the local contribution will be 15% of the capital costs. We are led to believe that the local

contribution may be more than anticipated or than figures which were quoted to this correspondent 18 months ago at various meetings.

We will keep our readers posted on all future happenings.

## LISMORE A.F.C. NOTES

On Sunday last Lismore were away to Valley Rangers. Lismore played very well, with brilliant ball play by the midfield and it was a midfielder who gave the lead to Lismore. Paul Quinn hit a thunderous 30 yard drive that gave the keeper no chance. The score stayed the same until half time. Five minutes from time, another midfielder Barney Prendergast, headed home from a great cross by Keith Hornbrook to secure the points for Lismore. This was an excellent team performance and if they keep this up, we could surprise a few people. The panel was — Busty Fitzgerald, Frank Power, Bobo Maher, Paul Prendergast, Kieran O'Gorman, Alan Dunne, Paul Quinn, Barney Prendergast, Eoin Madden, Bobo Ormonde, Brendan Landers, Pat Fitzgerald, Keith Hornbrook.

Next match, at home to Inch at 11.00 a.m. Players to be at the pitch by 10.30 a.m. The Under 12's had a good away win at Ardmore with a hat-trick by John Heneghan and Kevin O'Donoghue. Final score — Ardmore 1 Lismore 4

We wish the minor hurlers the best of luck and it is good to see the Red House League Chairman out and about again after his operation.

We had no winner in the Seaview Celtic Super-draw held in Lismore Saturday night last!

## LISMORE G.A.A. NOTES

**Junior Hurling** — We were probably unfortunate to come up against an exceptional Ferrybank in the County final and we struggled throughout the field in a one sided encounter. Brendan Landers in goal brought off some marvellous saves and we hope he will be in the same form next Sunday. The junior hurlers deserve great credit for their achievement in winning the West after a 28 year gap and great credit must go to the selectors and trainer. This is a very young team with a couple of exceptions and we look forward to their campaign next year.

**Minor Hurling** — The County final will be played in Walsh Park next Sunday at 1.00 p.m. as the curtain raiser to the Munster Club semi-final. We meet a Passage team that disposed of a fancied Mount Sion team in the Eastern final. We have lost too many minor finals since 1990 and we must approach this game with the right attitude and bring the cup back where it belongs.

**Under 13 Hurling** — We play Cappoquin in the second round of this championship in Cappoquin at 10.00 a.m.

**Weekly Draw, Week No. 43** — £50 Mrs. and Mrs. Dave Lee, South Mall; £30, O'Brien family, Mallow; £20, David Barry Jnr. Garrybrittas; £15, Mrs. Elizabeth O'Gorman, South Mall; £10, Master John McGrath, Main Street; £10, Mr. Ger Kennedy, South Mall. Promoters Prize — S. Bransfield. The next draw will be held in the Red House on Monday 13th November at 8.00 p.m. All are welcome to attend. (Advt.)

**Lismore Lotto** — The winning numbers this week were 1, 5, 14, as there was no winner the jackpot next week will be £400. The voucher for £25 was won by Siobhan O'Gorman, for goods to be purchased at West End Bar.

## BADMINTON NOTES

The ladies 4th division team claimed their first point in the League last week when they had a 3 - 1 win at home to Old Parish. The girls played some great badminton on the night and were unlucky not to take all 4 points. Things didn't quite go their way in the next match when a very strong De La Salle team went home with 4 points on Thursday night. Two of the games went to 3 sets but Sharon, Yvonne, Jacinta, Connie and Rebecca will have to wait for this weeks away game to add to the points tally.

Division 6 ladies went down 1 - 3 to Modeligo at home last week with Mary and Jacinta at first ladies winning their first league point. This pair took another point away to Dunmore on Thursday night with Jacinta and Jennifer also winning to make it a 2-2 draw. Kathleen and Mary playing well together in 4th ladies were defeated in 2 sets.

The mens division 1 team also played two away games over the last weeks. Pa and Colin kept up their winning ways in Tallow in first mens with Lismore coming away with a 3-1 victory on the night. They then had the long journey to Tullaghought on Thursday night where Pa and Colin again claimed a point. Pat and Brian fought very hard before going down in 2nd men, Pat and Colin took 3rd men in convincing fashion and Pat and Brian finished the wrong side of a two setter, final score 2-2.

Ladies 2nd division team held their top of the table position with a 2 all draw with second placed Lady Lane, Waterford. Both teams played

some thrilling badminton and aces were very hard to come by. Ann and Nora were pipped in a top class 1st ladies. Mag and Jo Jo finished ahead in a three setter 2nd ladies, Nora and Mag won a nailbiting two setter 3rd ladies before Ann and Jo Jo not playing to their best went down in 4th ladies. Now at the half way stage in the League Lismore are just 1 point ahead. They travel to Dunmore this week looking for another victory to stay one step ahead of the rest.

We would like to see some more juveniles on court on, Thursday nights from 7 to 8 o'clock. Beginners welcome 12 years upwards £1 per night.

## INFORMATION NIGHT

This Friday night 10th November at 8.00 p.m. in the Lismore Hotel an Information Night will be held for any parents/adults interested in helping to start a Feroige Club in Lismore. We are all aware that the young people in the Lismore area are much in need of some positive activities over the winter months. This is your chance to encourage those who are willing to take on the roll of leaders to start a club that has varied activities to cater for the needs of all the youth in this area. No committee will be formed on the night but we need your attendance to ensure one is formed in the near future.

## LISMORE BRIDGE CLUB

Results from 25th October — 1st, M. Murphy and M. Linnen; 2nd, Gretta Barry and A. McCarthy; 3rd, Niall Costin and M. Radford.

## CAPPOQUIN MACRA NA FEIRME NEWS

It has been a hectic few weeks for Cappoquin Macra Na Feirme with the climax being last weekend in Limerick.

### RALLY '95 IN LIMERICK

Rally '95 started on Thursday for two of our members, Tom Cliffe and James Meagher, who headed off as delegates and stayed from Thursday to Monday. The rest of us headed off on the bus organised by the County on Saturday afternoon. After checking into the hostel, it was time to check out Limerick city. At 8.30 p.m. we headed out to the Limerick Inn Hotel where the rally was taking place. Here, we met all our friends from the various clubs in the county and country. Sunday morning showed a few pale faces but most managed breakfast. After Mass, we walked around the city for a while and at 2.00 p.m. we headed back to the 'Limerick Inn'. Some people attended 'The Great Debate', more watched the line dancing and one brave or should I say daft Cappoquin man got onto the 'bucking bronco'. Congratulations must go to Tom Cliffe in coming second in the go karting championship and also for staying up on the bucking bronco.

Finally, at 5.30 p.m. we said goodbye to our friends as more of them were staying for Sunday night's banquet. After

a great weekend, "Roll on Rally '96" was ringing in our heads.

### KNOW YOU AGRICULTURE QUIZ

On Friday 27th Oct., club members headed to Ballyduff for the 'Know your agriculture quiz'. The club was represented by two teams. Team A—Michael O'Donnell, John O'Donnell, Robert Collender and Richard Prendergast. Team B—Gavin Hallahan, Eoin Collender, Michael Prendergast and Eddie Byrne.

### TABLE QUIZ, WALKS AND WOODWORK

Last Wednesday November 1st, some members took part in a farm walk on John Cashman's land. There the lads saw the new Cashmac feeder in action which was designed by John. The YFA chairman Tom Cliffe would like to thank John for his time.

Also on Wednesday, three members, Richard Prendergast, Hazel Hallahan and Anita Meagher headed to Clashmore to compete in Kinsalebeg's fund raising night. More members hit Lismore for the woodwork course. This is taking place every Wednesday night in the C.B.S., Lismore at 8.00 p.m.

### FORTHCOMING EVENTS

The Macra calendar is bursting at the moment, with a number of interesting events.

### SWIMMING LESSONS

Eight of our members are

taking swimming lessons next Thursday 9th November at 8.30 p.m. at the Coole Pool in Kilgobinet.

### SOCCER

Those heading to Conna should note that there will be no soccer on Sunday 19th November as the hall is unavailable. However it will resume next Sunday 12th and Sunday 26th November onwards.

### CROSS COUNTRY QUIZ

Next Saturday November 11th, the cross country quiz takes place at the Decies Bar, Clashmore at 9.00 p.m. We will have a team competing in this.

### WEST WATERFORD WOMEN

The second gathering of West Waterford Women will take place at the Enterprise Centre, West Street, Tallow on Wednesday, 15th November at 8 p.m. All women are welcome, contact Rosemary Kavanagh 058 - 56445/56614.

### GLENVIEW UTD F.C.

Glenview 2 Modeligo 2  
This was a game we dominated for long periods but just couldn't break down a solid Modeligo defence. The strong wind made this a very difficult game to play and as a result both defences were very much on top. Half time score 0-0.

Modeligo had the breeze behind them in the second half which made it a more open game with chances coming at both ends. With a half hour remaining the visitors had a man sent off and they surprisingly took the lead shortly after. P.J. Dolan brilliantly headed home a Phil McGrath corner to put the teams level with ten minutes left. Modeligo took the lead again they didn't hold the lead for long though and after a defensive mix up Phil McGrath slotted home the equaliser for a deserved draw.

Team—Pat Casey, Hugh O'Donnell, Mick McBride, Jimmy Power, P.J. Dolan, Ger Power, John Kett, Conor Donnelly, Aidan Power, Phil McGrath, Pat Hallissey. Res: T. O'Donnell for McBride, T. Murphy for Power.

Next week: We play Gortroe away. Meeting in Lismore at 10.30 a.m.

### BOYS SCHOOL CARD RESULTS

1st John and Joan Bennett, 2nd/3rd Willie Cunningham and Mick Pratt, Tom Tobin and Paddy Farrell. Lucky tables—Fr. Kelleher and Mary Ellen Condon, Johnny Corkery and Eily O'Neill. Raffle—Rory O'Connor, Michael Cullinane and Peggy Moore.

Usual game next Sunday night. Next boys school game Sunday Dec. 3rd at 8.30 p.m.

### AFFANE BRIDGE RESULTS

30-10-95 — 1st, Addie Buckley and Betty Kelleher; 2nd, Monica O'Sullivan and Lil Costin; 3rd, Mary Fives and Brid Bergin; 4th, Pat Murphy and Fr. Barron.

### MELLERARY DRAMATIC 45 CARD RESULTS

1st, Liam Coleman and Michael Cullinane; 2nd, Jimmy McCarthy and Leo O'Donnell; Denis McGrath and Mary O'Rourke; Moss Morrissey and James Devine.

Lucky tables—Mick Cahill and Mattie Coffey; Eddie Byrne and Mick Halley.

Tickets—Jimmy McCarthy, Anthony Hennessy and Jim Greaves.

Next week's 45 drive's proceeds will be given to Bothar Rwanda appeal. The object of this Charity is to raise funds to purchase a heifer which will be transported to Rwanda.

The Annual General meeting of the Dramatic Society will take place on Monday night next 13th November at the Cats Bar commencing at 8.30 p.m.

### AFFANE A.F.C.

Two goals just before the break and one straight after sealed our fate when we travelled to Gortroe to take on the homieside last Sunday. We came more into the game in the first-half but a penalty early in the second half left us three down. We pulled one back with a great Mike Buckleyheader by gortroe added a fourth for a deserved win.

Our four big problems this season is we have so many enforced changes each week and until we can get a settled side it is hard to see us improve. Next Sunday we are at home to Castlebridge at 11.30 a.m. players are asked to be at the venue not later than 11.00 a.m.

Team—E. McCarthy, P. O'Gorman, P. Fitzgerald, F. McCarthy, M. Buckley, B. Dunne, K. Reddy, T. Hennebry, T. O'Sullivan, C. Cunningham, J. Crotty.

### CAPPOQUIN AND DISTRICT DART LEAGUE

We had the second series of games in the league last weekend. In division one the big game of the night was in Lindsays where the Tavern A were the visitors. This was a close game and not surprisingly it ended in a four all draw. Barry's made their trip to Aglish well worthwhile with a four all draw against the Village Inn and show they can hold their own with the best. Deckies bounced back from the disappointing start with a five-three win against Morrisseys away while Paddy Macs A got their first win with a five-three victory in Kereen.

In the second division the Deice Bar had a good five-three win over Dunnes in the Deice. The Castle Lodge and the Marine drew four all while Paddy Mac's B had a very good six-two victory over the Cruscin lounge. The Tavern B were at home to the Village Inn B and won by five games to three.

### CAPPOQUIN A.F.C.

Field Development — We are pleased to report that the progress on this front has been good. The field has been ploughed, prepared, seeded and fenced. As I write the seeds are up and growing and the field looks very well indeed. The response from our players and other members has been excellent. When we needed help people were willing to give of their time and energy. All we needed to do was ask.

However we are not finished yet! There is still a couple of Saturday's "picking more stones" and other small tasks.

When everything is done and the field is rolled we will have a pitch to be proud of. One that will serve many generations of soccer players in Cappoquin. It will be a monument for many years to come to all those that helped.

Football Fantasy — The above competition is proving a huge success. The current one is our second, and twice as big as our first. Again this time round Eamonn Cliffe has been very generous in sponsoring the weekly prize each for the duration of the competition. The weekly prize winner plus a full up to date, League Table, is available far viewing in Fawly's Bar, from each Friday night on.

Match Reports — Both junior teams were defeated at home last Sunday. However, it must be stressed that both teams put in solid performances, despite the results.

Division 1 — The A panel is without seven of last years panel and it will take a few games for the new team to blend together. Nevertheless, the spirit, determination and skill shown by them on Sunday, deserved more from the game and augurs well for the rest of the season. Best on the day were Kavanagh, Costin and Walsh.

Division 2 — The B team also has many new faces, and under the management of "The General" Gossy Mason showed 100% improvement on previous performances. The 0-3 scoreline does nothing to explain the trend of the game or the performance of the players. Indeed had we taken our chances in the first half the result could have been totally different.

Eugene McLoughlin showed that he is still as good as the best with a tremendous performance at centre half, partnering a very competent Mike Morrissey. Others to catch the eye were Michael Prendergast (our only scorer to date, with a great individual goal against Youghal), Eddie Byrne, Brian Whelan ('keeper) and Paddy Leahy. The manager it must be said should have scored in the first half.

U-16 — This team had to field with nine against Bride View due to unavailability of eight players. While the score may have been disappointing there was enough good impressive performances, to give high hopes of a result next Saturday, when the full panel will be present. Michael Looby will be expecting a full turnout for the 2.00 p.m. kick off at home on Saturday. The panel is very impressive and will make a big impact on their league. Provided they are disciplined, determined and willing to learn. Their ability is unquestionable. We'll see you all Saturday lads!

### CAPPOQUIN FLOWER AND GARDEN CLUB

On Tuesday next November 14th the club will hold the highlight of its years activity, its Christmas floral demonstration. Our demonstration is former flower arrangers of the year Theresa Collins of Tipperary town. Theresa was with us a number of years ago and those of us who were there on that occasion will remember her beautiful Christmas ideas, suggestions and exhibits. The true meaning of Christmas came to life with flowers and candles.

Our meeting Tuesday next is in Our Lady's Hall by kind permission of the Sisters of Mercy at 8.00 p.m. This is an Open night, everybody is welcome.

Club competition of the night is "Winter Magic" max width 18", fresh and/or artificial material allowed.

### BOYS SCHOOL LOTTO

Last week's winners of tenners were—Patrick Crotty, Affane; Joseph O'Rourke, Mellerary.

This weeks winners were—Michael Burke, Monoygorm, Cappoquin, Theresa Moore, Shanbally, Margaruie Fraher, Shanbally.

Jackpot now stands at £250.

### 45 DRIVE IN AID OF BOTHAIR

#### HELPING PEOPLE TO HELP THEMSELVES

On this Friday night November 10th a 45 drive will be held in the Cats Lounge in aid of the above.

The organising committee have bought a 2 year old heifer in calf and will be sending it to Uganda to a family who is in most need of it. A heifer in calf not only provides a daily milk supply but the off spring will continue to enhance their lives down through the years for anyone who is associated with livestock will know what the cost of buying a 2 year old heifer in calf is. On December 5th all organisers will bring their heifers to Limerick racecourse/showgrounds from where they will be taken to Uganda.

A cake sale and draw for Christmas Cake will take place during the next few weeks. Watch out for further details, don't forget this Friday night at the Cats Lounge.

Super spot prize to be won on the night. Your support will be great appreciated.

## AFFANE/CAPPOQUIN G.A.A. NOTES

IN RETROSPECT — Looking back at the county intermediate final many aspects of the game has been discussed over and over again. The game is over now and nothing we say can change the result. On the day we had our chances but in reality too many of our players just did not rise to the occasion and if we are truthful to ourselves St. Mollerans were the better side on the day. We wish them well in senior ranks.

However we must thank the panel of players for the wonderful effort they put in from the end of January until county final day. To team manager Ned Heffernan, trainer, Tom Considine (who certainly had our lads very fit) selector, Denis McCarthy all of whom deserve the highest praise for all the work they put into the team. Last but not least Peter Power who following a juvenile training session voluntarily took charge of the adult session and liked what he saw so he returned again for a number of sessions. To say the least he certainly improved the hurling skills of our lads one hundred fold and had the respect of the entire panel. Thanks Peter for your invaluable contribution.

U-21 FOOTBALL — Our performance in the u-21 football replay was very disappointing to say the least. Granted the day after the county intermediate hurling final was not the ideal timing for such a game. The players certainly were not in the proper frame of mind but in saying that surely to God with the talent at our disposal we should at least be competing for Western honours in this grade. Now sadly we are left pondering at what might have been.

GOLDEN GOAL — Our golden goal on the I.H.F. was an outstanding success. Receipts paid for an after match meal for players, selectors, wives and girlfriends thus saving our club extra expense. To the golden goal committee of Jack Cullinane, Eddie Fraher, Mary O'Donoghue with great support from James and Maria Morrissey we say well done.

# Mouthwatering Experience At Stradbally Food Fair

By AISLING CONROY

Carrigahilla House, Stradbally was the scenic setting last Wednesday for the first ever seminar of its kind in Ireland, the Deisefood Fair, organised by Waterford Development Partnership in association with An Bord Bia, An Bord Glas and BIM.

As one entered the spacious surrounds of the famous Stradbally landmark, a mouth-watering assortment of delicious scents and aromas greeted each guest, lending to the relaxed, homely atmosphere of the seminar. Located throughout the building Co. Waterford food producers displayed their ware at various stands to chefs and proprietors of local food establishments, B.&B.'s and hoteliers. In all the fair proved to be a tremendous success having encouraged the many catering establishments in the area to maximise their usage of quality local trade.

**IMPRESSIVE DISPLAY**  
Officially opening the seminar Jimmy Deenihan T.D., Minister of State for Agriculture, Food and Forestry said the seminar was an opportunity for food

producers of Waterford to display their produce to local caterers and to discuss how the two sectors might cooperate in the future. Delighted to be at the seminar, the Minister described the many food stands as an 'impressive display'.

The Irish food industry is a key player in the economy contributing almost £9bn annually to national output and provides jobs for almost 200,000 people including farmers. These figures, he stressed, were two very good reasons why all of us must do all we can to support, maintain and develop our food industry.

Minister Deenihan continued, "recent research indicates that there is a strong correlation between contact with Ireland...and positive perceptions of Irish food. It follows therefore that there

is an onus on both food producers and caterers at all levels to ensure that the overall "Irish experience" for international visitors is a positive one".

In conclusion, the Minister congratulated Waterford Development Partnership and the agencies involved for their dedicated efforts in organising the event.

## A HOST OF WATERFORD RECIPES

Following the opening, guest speaker John McKenna who is a food writer

with the "Irish Times" and author of the "Bridgestones Guide Series", gave an interesting talk on the importance of Irish regional menus and the need for marketing Ireland abroad as a green, clean environment with wholesome, natural foods and dishes.

Georgina O'Sullivan of An Bord Bia and Guest Chef Michael Clifford, of Clifford's Restaurant, Cork together gave a regional food presentation. Mr. Clifford prepared several appetising recipes using locally produced food such as; 'Dungarvan pork, bacon and mushroom pie', 'Blackwater smoked fish salad with Ardsallagh yoghurt dressing', 'black pudding with smoked bacon and Deise farmhouse cheese', 'Waterford spiced beef' and 'smoked loin of bacon braised with apples and Crinnaghtaun apple juice'. The aforementioned represent just a few recipe ideas to enhance local food establishment menus and encourage visitors to sample the region's unique dishes.

As each dish was being prepared, Ms. O'Sullivan interviewed individual food producers who displayed their ware to the packed seminar. Some of those attending included Barrons Bakery, Blackwater Valley Fine Food Producer Group, Waterford Foods Plc, Crinnaghtaun Juice Company, Lismore Foods, Dungarvan Shellfish Ltd, Helvick Seafood, Seamus Corcoran,

Meadowfresh Foods and many more. Meanwhile food establishment representatives included the Bride View Bar, Richmond House, Anchor bar, Eamonn's Place, The Old Pike Inn, Merry's Restaurant, Shamrock Restaurant, Paddy Mac's and the West End Bar etc.

Following on from the success of the seminar, it is now intended to use the event as a starting point for other local promotional events. Perhaps in the future, the organisers might even consider staging the Deisefood fair on an annual basis.

Both Ann Ryan and Jean Duffy of the Waterford Development Partnership should be well pleased with the success of the event - their careful planning and diligent organising certainly paid off in the end.

# Taylor Appeals For "Yes" Vote In Divorce Referendum

By AISLING CONROY

The Minister for Equality and Law Reform, Mervyn Taylor paid a visit to Co. Waterford last Friday in the run up to the November 24th divorce referendum. The Labour Minister was interviewed live on WLR FM before meeting with Press representatives around the county. His early afternoon visit to the offices of the 'Dungarvan Leader' enlightened this reporter on a number of issues surrounding the proposed legalisation which has caused confusion and controversy among anti-divorce campaigners.

Looking relaxed and at ease despite the media pressures of the past few weeks, the Minister exuded an air of quiet confidence as he explained the 'ins and outs' of the proposed constitutional change.

Himself a happily married man for the past 35 years, Minister Taylor spoke of spiraling marriage breakdown figures and the decreasing number of people entering marriage. Since the coming into effect of the Judicial Separation and Family Law Reform Act, 1989, there have been over 9,500 applications for judicial separation - almost 3,000 separations a year.

For those people living apart from their spouse, leading totally separate lives, for battered wives or for deserted wives and husbands, the Minister said that divorce would give them a chance to make a fresh start, the right to remarry and start a new family life.

Asked what he would say to members of the public who will vote 'No' to divorce in the upcoming referendum, Minister Taylor said he would appeal to them to consider what a 'No' vote means. For those people who are not as fortunate and lucky as others in a happy marriage, he asked if 'No-voters' would deny these people the chance of a fresh start rather than carrying on living in legal limbo.

## COMPASSIONATE PLEA

The Minister then gave an example of an ICA member who spoke out recently at a public meeting in Portlaoise at which he was present. Her husband had walked out on her ten years ago, leaving her with two children. Since then, the woman said there had been no contact between them and claimed it would be a comfort to have the option

Minister for Equality and Law Reform, Mervyn Taylor

of divorce. Her comments were met with warm applause by all at the meeting.

In appealing to the public to vote 'Yes' to divorce, Minister Taylor described it as a compassionate plea. "It's cruel to say to a battered wife or a deserted husband - remain in loneliness," said Minister Taylor, rather than giving them the option of breaking free from what is in every respect a dead marriage.

## IRRETRIEVABLE BREAKDOWN

Stressing that divorce does not cause marital breakdown, the Minister submitted that divorce instead gives legal recognition to those marriages which had ended years ago. Under the terms of the proposed amendment of the constitution, a court may grant a decree of divorce in circumstances where: the couple have lived physically apart from one another for a period of 4 years during the previous five years; there is no reasonable prospect of a reconciliation and proper provision has been made for the spouses and children etc. In this respect the Government's proposal differs from divorce in many other countries where it is available after only short waiting peri-

ods.

According to the Labour Minister, divorce is similar to existing legal remedies such as judicial separation in every respect except one - the right to remarry. With regard to social welfare provisions a divorced person will not lose out on his/her entitlements such as widows' and widower's pension; lone parents and deserted wives schemes, family support supplement and prisoner's wife's allowance etc.

## QUICK AND EASY SOLUTION

Responding to claims by Des Hanafin, Chairman of the Anti-Divorce case that the government had drowned the public with "slick misleading advertisements, paid for by themselves," Minister Taylor said the government had put out factual and informational advertisements, which had been carefully drawn up on a 'need to know' basis.

Mr. Hanafin had previously stated that spending "£500,000 of taxpayers' money to manipulate the people into voting the way it wants is the death knell of democracy".

Meanwhile in a recent press statement, the Anti-Divorce campaign disclosed that Northern Ireland has experienced a large increase in marriage breakdown since the introduction of no-fault divorce in 1979.

According to the anti-divorce lobby, the jump in the divorce rate "is clear evidence that where no-fault divorce is available, more and more people in unhappy marriages will avail of it as a quick and easy solution to their problems. Minister Taylor's response to these comments was that the level of marital breakdowns had almost doubled in Ireland since 1986 even without the introduction of divorce. The Central Statistics Office Labour Force survey of 1986 showed that the marriages of some 38,600 individuals had effectively come to an end at that time, (this covers those who are deserted, those who are legally or otherwise separated, those whose marriages have been annulled and those who have been divorced abroad). By 1993 this figure had increased to 75,400 individuals.

Indeed, the Minister pointed out that in case of Italy - a predominantly Catholic country - divorce rates there were less than the number of marriage breakdowns in Ireland.

## INFORMED DECISION

Ending his flying visit to Dungarvan the Minister, accompanied by Department officials and Alderman Pat Hayes of Waterford City

Corporation, again appealed to the public to make an informed decision on November 24th - whether to pretend that marriage exists even where both parties live apart or to help those people who are trapped in irretrievable breakdowns.

## LOCAL RESERVATIONS

Not everyone however is willing to answer Minister Taylor's call. The Dungarvan branch of the Anti-Divorce Campaign has expressed serious reservations about the proposed constitutional change.

In a recent press release, the branch pose a number of questions, comparing the divorce experience in Britain and the U.S. The branch asks, "do you think that their societies have been enriched by the divorce experience or that ours will if we follow that path?"

Reflecting a widespread fear, the branch stated that there are many people in Ireland who are having difficulty in their marriages and who fear that the introduction of divorce will present an attractive and simple solution to their partners.

Should the divorce proposal be defeated, the branch admits that some people who are in second relationships and who wish to remarry will be disappointed. In looking at any serious national issue however, the branch stressed that the overall impact on society has to take precedence.

"If divorce could be controlled," the 'anti' lobby argue, "there is no doubt that a majority would favour it for a limited number of good cases. That is not the experience elsewhere however, and hence has to be rejected."

## CHECK REGISTER

Meanwhile the Department of the Environment has urged people to check that their name is on the current register of electors. Those who are not registered will not be entitled to vote at the referendum on 24 November next. If your name has been omitted, but you are eligible to vote, you can apply now to be included in the supplement to the Register. Those wishing to be included in the supplement should apply to Waterford Co. Council before 9th November.

Those wishing to check whether they are entered in the current register may inspect the register at their local Garda station, Post office, Public library, courthouse or local authority office, where application forms for entry in the supplement may also be obtained.

# Kilmac' Farmer Gets Insight Into European Opportunities

John Hobbs, Kilmacthomas, representing Waterford on the 1995 IFA/FBD European Scholarship Tour pictured in a lock on the river Mosel in Western Germany with one of the famous Rhine barges full of coal in the background

Waterford winner of the five-country 1995 FBD/IFA European Scholarship Tour, John Hobbs of Kilmacthomas was one of 40 farmers drawn from 900 IFA Branch Registrars for their voluntary work in developing the Association's membership. Here he writes of his experience and outlines some of the challenges and opportunities Europe poses for Ireland's food industry.

"The 1995 FBD/IFA European Scholarship took over 40 farmers from every county in the Republic of Ireland through 5 countries to see for ourselves the potential for Irish agricultural produce on the continent. We also observed the different ways in which farmers overcome problems and get the best out of their land and stock on the different terrains of Germany, Luxembourg, Belgium, France and Holland. We looked at the way in which Irish food is marketed on the continent and how An Bord Bia and the Dairy Board are attracting customers and entering markets.

"We also got to the heart of European politics in Brussels and saw the effectiveness and professionalism of IFA's European operation and see the significant influence IFA has on European agricultural policy. Throughout the trip we also got to see the many and varied landscapes and types of farming along the 1700 kilometre route.

## FANTASTIC TOUR

"Overall, my impression of the FBD/IFA European Scholarship Tour, was that Europe presents many opportunities and challenges for Irish farmers. I learned that while we consider ourselves to be good farmers with efficient food companies and a clean green image with consumers, this counts for very little in the enormously competitive international food market. Our reliance on exports, our distance from the main markets and the proximity of millions of consumers to continental farmers leaves us at a big disadvantage.

"However, we have the advantages of a top quality product, an ability to adapt to niche markets, and a good sales force abroad. Our biggest job is to maintain and aggressively sell our green image (which every other country also claims) ensure a consistent product for our consumers and have a professional approach with our customers.

"Overall it was a fantastic tour. I had the pleasure of spending a week with farmers from every part of Ireland and hearing of their experiences. I would like to take the opportunity to thank FBD and IFA for this trip of a lifetime and allowing me to see what Ireland is up against in Europe and the opportunities and challenges in front of me".

### BADMINTON CLUB

Last week saw our teams get a win, lose and draw, as the phase goes. The first mens in Section E had a three point win over Tourin last Thursday. Well played and a deserved victory that gained much needed points. They are away to Touraneena on Wednesday night so good luck to them.

The Section F men sadly lost their first match in the tournament to date when they were defeated by Ard-

more. A tough game that didn't do them any favours. Better luck in the next match, which is away to Touraneena on Thursday 9th November and away to Holycross on Friday night. The draw came from the first ladies, Section E, who equalled with Tourin on Tuesday last. A game that proved a strong challenge and gave a fitting result. Their next match was at home to Dungarvan on Monday 6th November, where they had a convincing four point win. It's hard to beat these ladies when they are playing well together.

Our second ladies had a week free from competition but return to the court on Tuesday. This a home match against Dunmore, the first meeting of both teams. Then on Thursday they must travel to Carrick. We wish you all luck in your games this week.

Juveniles don't forget practice every Saturday 2-4 p.m. All welcome.

## Nursing Seminar

Just as, sadly, nearly five thousand students, unable to find places in Irish universities, are starting in third level in the UK, so to o there will be a demand for places in nursing schools in the UK for those who want to follow the nursing vocation. As you know from your own experience, it is important that young people be helped to make an informed choice. This seminar helps them to look realistically at the two main elements in that decision — to nurse or not to nurse, to emigrate or not to emigrate.

We are fortunate in having yet again the services of Liz Whelan, a Carlow-born nursing sister who holds a senior position in the famous Whittington Hospital in London. Liz tells it as it is; about her profession and about being an emigrant. She is obviously deeply fulfilled in her own profession and secure in her identity as an Irishwoman who has successfully integrated into life in London. It is from this background that she can tell of the challenges of the study and the training and of leaving home.

Seminar will take place in Mount Sion Hall, Barrack Street, Waterford on Thursday, November 23 at 2 p.m. Contact Fr. Michael Enright 052-41489.

## CLASHMORE RAMBLERS

### UNDER-18

On Saturday last Ramblers U-18 played Castlebridge Celtic. After conceding two early goals the captain Eric Trihy pulled a goal back. However, Castlebridge scored again to make it 3-1 at half-time. In the second-half it was all Ramblers, as the lads played their best football yet. A great header from Donal O'Keefe made it 2-3 and then Roger Ryan scored from a penalty to level the game. As we pushed forward to win the game Castlebridge scored what proved to be the winner with 8 minutes left. This was a very good performance from the young Ramblers who are improving with every game. Best for Ramblers were Eric Trihy, Karl Power, John Foley and Shane Allen.

### Clashmore Ramblers 1 Bride View United 5

This was a very poor performance from the lads with most of them playing below par. Bride View always had the upper-hand and well-deserved their win. Ramblers scorer here was Kevin O'Rourke. Training next Saturday morning for all players at 11.00 a.m.

Everyone played their part.

### JUVENILE G.A.A.

Under 10 Football — On Saturday last our Under 10's took on Gortroe, in a re match at the G.A.A. field. On a wet and miserable morning in Clashmore we lined out without a few regulars (due to the rain!!).

Gortroe were first to score with a clever shot from a penalty. Clashmore dominated and led at the break thanks to points from Paudie O'Rourke, a goal from Nick Beresford and another goal from Paudie O'Rourke. Half time score Clashmore 2-2 Gortroe 1-0.

Playing against the wind in the second half Clashmore displayed a much better attitude and put some nice moves together. Two goals from Captain Joe Collins another from a Sean Fleming penalty and points from Paudie O'Rourke and S. Fleming saw the Red and Green record a good victory against an improving Gortroe fifteen.

Final Score: Clashmore 5-4 Gortroe 3-4

# Be Ruthless With Fruit Trees

Those final leaf falls should be the trigger to think about next year's fruit crop. If you already have fruit trees then be ruthless in cutting away canker and dead wood, which can harbour disease.

After cutting and pruning, always coat exposed sap wood to reduce infection and speed healing — bark grows surprisingly quickly over most wounds.

Apples and pears need brave pruning or you risk sparse and spindly fruit — main shoots can be cut by half of last season's growth and lesser ones by even more.

Aim for a well-spaced tree shape while cutting away inner branches — which are unlikely to fruit — and criss-crossing branches, which can cause wounds and infection. Pests and disease will try to ride out winter in the tree's nooks and crannies, so spray with tar oil before late December — don't forget to cover up, protect your eyes and avoid windy days when spraying.

### LIMIT

Up to the end of the year is also a good time to plant fruit trees and shrubs.

March is the true limit, but you might as well make the most of your outlay and labours by giving fruit stock the best chance of survival.

Unless you know which varieties you want, go to a good garden centre or nursery where stock and its characteristics are well labelled and usually selected for garden use — commercial types may be too big.

### EASY PICKING

Dwarf types are ideal for training into fans or espaliers against walls and fences. Some are actually available without branches — literally, easy-picking.

Beware stock that has weeds or moss growth on its soil or looks too pot bound. Then plant carefully.

- Dig out slightly more than the depth of the root ball and ensure that the base of the hole is broken up for good drainage.

- Fork in compost or manure.
- Place the tree in the hole and fill with extracted soil and compost/manure in equal parts so that the trunk is at the same level as it stood in the nursery's pot.

- Tread down firmly.
- Secure free-standing trees with a stake driven in the ground at 45 degrees and bind together with a wide plastic or rope tie to reduce cutting into the bark. The tree needs this support against winter winds.

- Trees or shrubs being trained must be supported from the start.

- Water well if the soil is dry.

You needn't stick to apples and pears. Mild weather lovers such as peach can be grown against sunny south-facing walls.

If space is the problem, they try growing the hybrid loganberry or fussier raspberry.

## BRIDE VIEW UNITED A.F.C. NOTES

### MIXED WEEK-END FOR UNITED

It was very much a mixed bag for United last week-end. Our Division One side went down at home to Ardmore while our Division Two side had a big away win in Clashmore.

Our U-18 side go top of the league as they won to away Inch. Our U-14 side suffered a defeat in Inch.

### BRIDE VIEW UNITED A.F.C. NOTES

#### Division One

Bride View United 2 Ardmore 4

Twice United were in front here but Ardmore got on top in the second half and ran out winners. Two of Ardmore's goals were out of the top drawer as it were.

Brian Henley put United in front after just 6 minutes and were well on top in this half. J. P. Grey had a free kick which bounced off the crossbar Philly Curley had a shot taken off the line as well as another just graze the far post before Ardmore got a rather soft opening goal. Philly Curley restored United's lead in the 43rd minute when he scored from the penalty spot to give United a 2-1 lead at the break.

Ardmore equalised in the 48th minute and further goals for them in the 60th and 83rd minutes saw them run out winners.

United — B. Sheehan, D. Martin, J. P. Grey, G. Sice, T. McSweeney, M. Geary, S. Barry, S. Curley, B. Henley, P. Curley and S. Murphy. Res. — M. Norris and S. Pratt both used.

#### Division Two

Clashmore Ramblers 1 Bride View United 5

Our Division Two side had a terrific away win on Sunday morning last. First half goals from David Doyle, Pat Murphy and David Henley saw United go in 3-1 in front at the break.

Further second half goals from Denis O'Flaherty and Michael Henley saw United clinch all three points and keep the smile on manager Seamus O'Brien. David Henley was United's man of the match here.

United — W. Conroy, D. Doyle, G. Hogan, I. McIntosh, R. Henley, P. Murphy, G. Beecher, D. Henley, L. Murphy, M. Henley and D. O'Flaherty. Res. - J. Fitzgerald and K. Donnelly both used.

#### U-18 League

Inch 0 Bride View United 2

United were well on top here in the opening half but failed to score. The first goal came in the 50th minute when Seamus Tobin sent over a terrific cross that was crashed home by the inrushing Stephen Pratt. Shane McCarthy wrapped up the points for United in the 72nd minute when he scored from close range.

While United played well they are capable of playing much better and while this win puts them on top of the table there is still a long way to go.

United — W. Conroy, R. Cronin, J. Murray, D. Howard, R. Henley (Capt.), S. Curley, E. Murphy, S. Tobin, J. Donovan, T. Mulcahy and S. Pratt. Res. used — J. O'Brien and S. McCarthy.

#### U-14 League

Inch 4 Bride View United 0

Inch led 3-0 at the break and added a fourth late in the second half. It was a poor performance from the Tallow side and to add to their misery they missed two penalties at vital times during the game. If these were scored then anything could have happened. It was not to be and Inch ran out deserving winners.

United — J. McGrath, K. Leahy, P. Kearney, S. Mills, D. Aherne, W. Henley, E. Renehan, A. Kearney, G. Howard, D. Keniry, P. O'Brien. Res. used - P. Geary.

**Lotto** — Last weeks numbers 23, 2, 14. No winner. Voucher was won by Sean Burke. Jackpot next week is £400. Vouchers are Turkey and Ham. What an easy way to get your Christmas dinner. Draw takes place on Friday night in The Corner House at 9.30 p.m.

## TALLOW G.A.A. CLUB NOTES

**Important Points** — Billy Morgan is a football coach with a pretty high profile and possesses many fine qualities. Cork's All Ireland football successes of 1989 and 1990 can, to a large extent be attributed to him. A qualified physical education instructor Billy always has his panel at a high level of physical preparedness. He committed his great passion for football to his men and is an excellent motivator whose enthusiasm infects all who come under his influence. He is particularly effective at coaching support play and those title-winning sides displayed the fruits of his dedicated work to rich effect in the All Ireland finals against Mayo and Meath. Their style of play was a variant of the style developed by Billy's club Nemo Rangers whose exciting fleet-footed interplay won them admirers among football lovers and was the envy of their rivals. I watched Cork footballers in training more than once and one and one element of his training session always surprised me: the low priority he gave to point scoring.

The ability to kick points is to my mind the football skill which should top the priority list of any coach of that game. In hurling sending the ball between the uprights should be a forward's all-pervading thought and it was noticeable at Birr last Sunday how Clare outplayed Offaly by 15 points to Offaly's seven.

Goals come from fast combined play but you need the defensive weaknesses of the opposition to provide the opportunities and exploiting mistakes made by the opposing defence provides those opportunities. Points can be scored by the hand only from close range but the long-range point results from a perfectly kicked attempt and, of course, only a good footballer can execute the skill successfully. And that player needs to constantly practice shooting for points in training if he is to have the confidence to shoot in an important game.

A feature of the Kerry master team of the '70's and '80's was the ability of Spillane, Sheehy, Moran, Liston, Jack O'Shea, and even Paudie O'Shea on his occasional sorties upfield to score points. Yes they got goals too, great goals, but their points tally was always high. Remember too, the points from the Meathmen Flynn, Stafford and Colm O'Rourke? Each one of those forwards had not only the ability to find the posts in major games but to put the ball over with both left and right foot.

So it baffled me that such an astute operator as Billy Morgan, and such a serious thinker of the game, should spend a disproportionate amount of time in training on all other aspects of team preparation to the neglect of scoring practice. Perhaps he has already redressed that imbalance. This line of thinking was prompted by a series of interviews with Billy which the Cork Examiner published last week. In the course of the interviews he expressed himself, among other

things, on Cork's failure to Dublin this year in the All Ireland senior football semi-final. He quite frankly admits that he and the other selectors made mistakes on the sideline that day, an admission that does him credit because few, very few, selectors ever concede that they made an error of judgment.

One mistake, he thought, was taking off Popsie O'Mahony left half forward marking Paul Curran. His reason for replacing O'Mahony was the wing forward's reluctance to try for a point when a scoring chance presented itself. Popsie had plenty of possession and I wonder now why did a player like him, holding the upper hand against a quality player like Paul Curran not have sufficient self-belief to try a shot? Had he done enough target-practice in training? If he had there is no way that he would have spurned point scoring chances on that day. He wouldn't even countenance the idea of failure such would be his conviction of his own ability.

The best point I saw in 1995 was scored in the semi-final between Galway and Tyrone. The Tyrone sub McGleenon was the scorer. At a stage in the second half when the game was delicately poised he got possession wide on the right. Denied the chance to kick with his favoured left foot he turned to the right, took a look at the posts and drilled a sweet shot over the black spot on the crossbar. The cameras were on him and we couldn't fail to notice how still he kept his head throughout the shot and how fully he followed through to a high finish. He had come on in an earlier round and in the Ulster final to record vital scores so not playing him from the start that day against Dublin was a mistake. It was obvious that he had paid great attention in training to the game's premier skill, kicking, and had practised it.

Morgan also admitted that it was a mistake to allow John O'Driscoll to remain sitting with the rest of the subs for the full 70 minutes. Of course, John should have been introduced because he is a splendid fielder and good kicker of the ball and leaving him to languish and fret on the sideline was a major error. But Billy was honest enough to concede the error and, God knows, anybody who ever experienced being a selector knows that the importance of the occasion and the sheer pace of the game at that level leave little enough time for calm assessment or cool judgement. Sometimes the wrong player is blamed when the basic flaw is elsewhere. The player on your team being exposed could very well be the victim of a weakness further afield. For instance a forward who fails to pressurise his opponent and allows that back to carry the ball out of defence unchallenged and make the extra man, creating a knock on affect up to the other half forward line, is far more at fault, 90% at fault, than his poor half back colleague who is faced with the end product - an opponent running at him. The ability to read

the trend of play and identify a problem like that and come up quickly with the correct solution demands full concentration and has nothing to do with emotional displays or racing up and down the sideline.

Paudie O'Shea has taken over in Kerry. A Munster title and nothing less is the minimum he seeks. If anyone can inspire the Kingdom it is the Ventry publican whose passion for football should elicit the best from the Green and Gold. He'll want points from his team and can sell the pints afterwards. Unless Billy Morgan puts a greater emphasis on point scoring and includes drills geared towards achieving that aim in his training schedule then I'm afraid further disappointment lies in store for him.

#### U-13 HURLING

##### Abbeyside 2-2 Tallow 1-3

Our first game in the new U-13 hurling league away to Abbeyside last Sunday morning saw us go under by 2 points on a wet and cold morning in Abbeyside.

This was a game which we should have won easily but missed chances and a very good goalie plus the fact that a 30 yard free went to the back of our net in the last minute of the game, didn't help.

A word on the competition - while the concept of an U-13 hurling league - the idea is to see early the boys who will represent Waterford in the 1996 Tony Forristal Tournament U-14 - is excellent, I do not feel it should be run in November/December. Not hurling months for boys this age - a fact which has been borne out by 5 clubs already having withdrawn from the competition.

Scorers for Tallow — Michael Curley 1-0, Wm. Henley 0-3 points.

Team — Patrick Sheehan, David Ahearne, John Feeney, Aidan Kearney, Michael Keating, Paul Kearney, Seamus Mills, Paul O'Brien, Wm. Henley (Capt.), Dermot Casey, Edmond Renehan, Wm. Curley, Mark O'Brien, Alan Tobin, Michael Curley. Sub. — Pat Aherne for Michael Curley.

Congratulations to Shamrocks/Tallow U-21 footballers who defeated Kilgobinet last Sunday by 4-9 to 2-4 and have reached the Western final - our combined minors and U-21's have reached all 4 western finals this year - the future looks good. Next U-13 hurling: Home this Sunday 12th at 11.15 a.m. to Four-milewater.

Committee Meeting — 8 p.m. sharp on Wednesday 8th at Chairman's house.

U-12 football training will take place on Friday night at 8.30 p.m. in Tallow pitch.

### SOUTH EASTERN HEALTH BOARD

#### INVITATION DEVELOPING A POLICY FOR WOMEN'S HEALTH

Earlier this year the Minister for Health launched a discussion document "Developing a Policy for Women's Health." The Minister's intention is that there should be consultation with as broad a cross section of women's organisations as practical and with other bodies interested in women's health. It is proposed that the consultation should build on the contents of the discussion document and should identify priorities for inclusion in the plan for women's health to be drafted by the Minister and adopted by Government.

The discussion document deals inter alia with, The Objectives of a Women's Health Policy; The Health of Irish Women; Eligibility of Women for Health Services; Health Issues particular to women; Health issues which predominantly affect women; Health issues which affect women differently to men; Access to Health Services for Disadvantaged Women and Consultation and Representation of Women in the Health Services.

The South Eastern Health Board, with the assistance of the National Women's Council, is now commencing the consultative process in its area. Women's organisations, and other bodies interested in women's health, who would like to make a submission are invited to write to the address given below and they will be given guidelines on making submissions.

The Board also intend to hold a number of half day workshops on women's health over the coming weeks. Organisations which would wish to send representatives should write to the address given below, for details. The workshop will be a listening forum with opportunities for those attending to express their views on a policy for women's health. There will be a limited number of places available at the workshops.

Organisations who wish to make written submissions or who would like to send representatives to the workshops should write for further details to:

Believe it, or believe it not, but the I.C.A. are guests on R.T.E. 'Live At Three' Show on Monday November 13th, so you can rest assured the Tam ratings will rise dramatically on Monday next.

Keep us in mind and say a wee prayer that we will do our guild and our parish proud.

We were delighted to be able to help on the day of the Bishop's visit. It was a great day for everyone and the cup of tea and the chat in the Hall afterwards was very relaxing. We thank Fr. Mulcahy for inviting Bishop Lee. It was great to see the residents of St. Carthage's House, out for the evening devotions and blessing of the sick. It was surely a memorable occasion for the Parish.

At tonight's meeting we expect representatives of the Tallow and Ballyduff Credit Unions. More details on this later. - P.R.O.

#### BALLYDUFF G.A.A. NOTES

The U-21 hurlers gave a wonderful performance to draw with the reigning champions Mt. Sion in the County final at Portlaw on Saturday last. We opened the scoring with a point, they came back to go a goal in front but it was Ballyduff who led at the break by 0-8 to 1-2. When Brendan Hannon goalied in the 43rd minute we went six points in front 1-11 to 1-5 but Sion scored four points without reply to leave us two ahead. Then they struck a goal to put them one point in front with less than 4 minutes left to play. On the stroke of full time Alan Martin pointed to leave the scores at Ballyduff 1-12 Mt. Sion 2-9 (see full match report elsewhere). There was both relief and disappointment afterwards but everyone felt proud of the way that the team played. The replay goes on in Portlaw on Saturday week at 1.30 p.m. with extra time if necessary. On Saturday evening last the team members and supporters returned to the Park Hotel,

Dungarvan for a lovely meal. The arrangements will be the same next time round, and again any parents or supporters who wish to join the official party will be welcome to do so. Names can be given to Dave Barry or John Jackson. The U-21 footballers are back in championship action this Sunday morning when they play St. Olivers in Cappoquin at 11.30 a.m. This is a semi-final game with the prize for the winners a place in the final against Shamrocks. Players to be at the venue at 11.00 a.m. The club would like to thank the following who have sponsored the club during they year — Pat Flynn, Hardware, Ballyduff; Dave Feeney and Sons Builders, Kilcoran, Conna; Phillias Bar, Ballyduff; Kearneys Golden Grill, Tallow; The Log Cabin, Ballyduff; Lindsays Bar, Ballyduff; Decie Fuel, Lismore; Castlelyons, Co-Op and McDonnell Bros., Fermoy and others who wish to remain anonymous. This support has been greatly appreciated by all concerned.

#### BALLYDUFF SOCCER

Last Sunday we travelled to new look Inch and were defeated by 1-0. The game never really got going due mainly to the strong breeze. It was another disappointing game from us and if we are to have any hopes of league honours we'll have to start winning a few starting from now. Next Sunday we play Ardmore at home. Last Sunday's team — T. Scanlon, P. Molumphy, B. Cotter, R. Walsh, K. Geary, G. Hickey, J. Quirke, D. Bolger, O. Corcoran, J. Scanlon, K. Barry. Subs. — B. Bolger and B. Farrell.

## TOURANEENA NOTES

### UNDER AGE SOCCER TOURNAMENT

The Everton team which is captained by Paul Coffey went clear leaders of the under ten soccer league on Tuesday evening last. Seamus Power scored five goals to bring his tally to thirty one in seven games. They beat Arsenal by ten goals to two with Shane Hickey scoring the other five goals. Liverpool and Newcastle played out an excellent game with the Barker brothers on opposite teams. Tristan stuck a double hat-trick to record Liverpool's third victory of the league. Jack Power scored four goals for Chelsea in a 7-2 victory over Leeds. Man United and Blackburn played in the best game of the night. The game was flowing from end to end with the standard of soccer of a high quality. Robbie Power struck the opening goal after six minutes. Sean O'Neill equalised with an excellent goal. Jack Cummins struck the crossbar with a thunderbolt shot. Robbie had an effort disallowed for scoring inside the no scoring area. Jack Cummins gave Blackburn the lead with a brilliant goal and Blackburn were very unlucky not to have gone further ahead when Finnean Grace's shot came back off the post. There was only a minute to go when J. J. Coffey gave a brilliant pass to Sean O'Neill and Sean made no mistake and scored to give the teams a share of the points. We are now half way through the league section and no team is yet guaranteed a place in the knockout stages. The league table is - 1. Everton 11 pts.; 2. Man Utd. 10 pts.; 3. Chelsea 9 pts.; 4. Arsenal 7 pts.; 5. Liverpool 6 pts.; 6. Blackburn 6 pts.; 7. Newcastle 5 pts.; 8. Leeds 2 pts.

#### YE OLDE TROOP KETTLE

The 4th Waterford Troop kettle (i.e. the modern, electrified version) found its way into our possession on a recent weekend away. Anyone associated with the 4th will know the high ranking importance of this piece of troop equipment.

My grandfather (R.I.P.) was to blame when the kettle was forgotten and left in Kilmeaden on Easter Sunday 1939. I hasten to add that he and Seamus were quick to return to Kilmeaden to rescue it!

A tale I have heard recounted many a time and one which can be read in its entirety in "50 Years of Abbeyside Scouting" (in a well-documented scout troop like Abbeyside, such incidents are not easily forgotten.) Now, I'm not saying that the kettle's recent excursion to Cappoquin caused concern and I'm not saying that they didn't trust us, but the sentence "ye will remember to bring home the kettle," became rather familiar to us!

I'm glad to report that this VIP (Very Important Possession) was returned safe and sound to the village on the Sunday evening, so ye can all breath a sigh of relief (just like I did)!

Let's hope that the Power name and our reputation as "minders of the kettle" can now be restored to its former glory, 56 years and three generations later! — Jenny Power.

#### BROWNIE OUTING

We have rumours of a Brownie outing to Youghal on Saturday, November 18. Full details will be discussed at this week's meeting, so, Brownies, watch out!

## Abbeyside Scout Notes

### 4th WATERFORD, ABBEYSIDE SCOUT NOTES

#### SATURDAY NIGHT MEETING

The meeting this week started at 7 o'clock, the troop fell in for the Scout Prayer. Subs. were then collected by Brendan while uniform inspections were done by Paddy. Steven MacNamara went round to each patrol and got a list of uniform parts required from the scout shop. Insurance money was collected from those who had it, this was the last week for collection of the £10 insurance. While subs. were being collected the patrol scribes wrote out a report on their patrol hikes over Halloween for this week's notes.

#### TIGER PATROL REPORT BY DECLAN FIVES

We left the den at 10.30 a.m. and went down by the Old Railway track. When we got to Clonea we went swimming. At 12.00 p.m. we went to the beach for our lunch. Then we went to the snooker alley. Tim got the snooker balls. We played pool until 3.00 p.m. then we played computer games. Then we went home and arrived at the den at 4.00 p.m. On the hike were Liam Fraher P.L., Tim O'Donnell, John Foley, Declan Fives.

#### WOLF PATROL REPORT BY DONAL WALSH

We left the den for Clonea at 12.00 p.m. after waiting for Steven MacNamara and Scott to turn up. First we went swimming after we arrived at Clonea. We stayed till one o'clock, after that we went to go bowling but the place was closed. We then decided to go to the golfing range because the bowling alley didn't open till three o'clock. We left for home at about 3.00 p.m. Those present were P.L. Steven Griffin, David McGrath, Sean Kiely and Donal Walsh.

#### PANTHER PATROL REPORT BY TOMAS CASHIN

We left the den at 10.30 a.m. and headed for Clonea. We arrived and met Liam Fraher's patrol and went in together. We went down to the deep end and did some lengths. Killian threw a 2p coin and somebody had to get it in 20 seconds. We got changed and went down to the beach and had our lunch. After that we went back to the hotel to play snooker and video games. About an hour later Liam and Killian said it was time to go. We went up the railway track, around the GoldCoast and headed back to the den. We arrived at quarter to four.

#### EAGLE PATROL REPORT BY AIDAN LONERGAN

We left the den at 10.45 a.m. We cycled to the GoldCoast driving range. We left the GoldCoast at 11.20 p.m. and arrived at Clonea at 11.50 p.m. We played cards till 1.00 p.m., then we had our lunch. We played bowling at 3.00 p.m. until 4.30 p.m. when we went home.

#### S.P.L.'S HIKE TO CORK - REPORT BY EAMONN CASHIN

We departed Dungarvan at approximately 9.00 a.m. (via bus). We arrived in Cork at 10.15 a.m. We went and bought buns, which were much enjoyed by Paddy. We went shopping and then went to McDonalds, after which we went bowling where Ronan, Steven and Rasher capitalised. We went to the Man. Utd. Shop where Rasher bought a cool hat and Michael bought a "King Cantona" poster. We went to the Colliseum where we played "air hockey" and "Quazar". Rasher and Steven came out tops. Michael, Paddy and "Sharp shooter" Macie, with his broken gun were excellent in "Quazar". We went back to McDonalds where Michael's burger vanished and Paddy ate someone else's burger. We departed Cork at 6.00 p.m., where Paddy, on the way home had an exchange of ideals with Rasher, with Rasher proving the better at this. Paddy was silent for the journey home. Those present at the eventful day were S.P.L.'s, Ronan McCarthy, Steven "Macie" MacNamara, Eamonn "Rasher" Cashin, Michael Fives and Patrick "Paddy" O'Dea J.A.S.L.

At the meeting tonight (Saturday) there was no member from the Kestrel patrol who was on their patrol hike so hopefully we'll have a report before we go to print but if not we'll have it next week.

The troop meeting continued with a relay game involving knots. The standard was not as high as it might be with Aidan Lonergan showing the older scouts how it should be done.

After this it was time for a game of blind man, this was a game organised by S.P.L. Eamonn Cashin. This game lasted about 20 minutes then the patrols went to S.P.L.'s for an instruction session on knots. Each patrol went to an S.P.L. for a few minutes at a time.

The patrols had patrol time where they were to plan their patrol meetings and tent work they were going to do. Each scout was asked where he was on the tent work scheme and the next tent he planned to do. After patrol time the troops fell in for final notices and the Scout Prayer. Names were collected for sports on Sunday and for the regional quiz.

Court of honour was held after the meeting and patrol meeting were held on Sunday morning.

#### NOTES

Next week's meeting is full uniform. There is a parents meeting on Thursday night for parents of cubs and scouts. — Scribe.

## Superfluous Hair

Many women have a problem with unwanted hair on the body. The most common factors which influence hair growth are puberty, pregnancy, menopause, surgical, medical and emotional problems. During puberty an increase in hormones may result in hair growth on the face or other areas of the body. They are usually just long fine fair hairs and may only be temporary. In such cases it is advisable not to touch these hairs. Pregnant women undergo many hormonal changes which may result in unwanted hair growing on the chin, upper

lip and sides of the face. Not long after child-birth the hormonal imbalance is restored and the new hairs will disappear. Therefore it is not advisable to have these newly acquired hairs treated. Unfortunately excessive hair growth is a frequent accompaniment of the menopause. Not all the hairs which grow will remain but some of the stronger hairs will have to be treated. The surgical removal of sex glands in

women after puberty brings about an artificial menopause which frequently results in facial hair growth. Some hormonal medications can cause unwanted hair growth; for example cortisone is a common cause of the problem, as are birth control pills. It has been found that people under extreme stress often develop heavier growths of hair than they would in normal circumstances. In such cases hairs that are not lost should be treated. Some medical problems may cause excess hair growth. In such cases medical advice should always be sought.

# FAMILY HEALTH

By Dr. DAVE BARRY

**Q:** My 14 Year old daughter has put on nearly two stone in the past year. She eats a lot anyway, and now binges on crisps and chocolates. She says she's unhappy and that's why

she overeats. How can I help her?  
**A:** Your concern is justified. This pattern of self-harm is hard to change. First tell your daughter you're worried and you've decided to get some help for her. It's important not to ask whether she wants help. She's doing herself harm and needs parents who will take a firm stand in acting on her behalf. Contact your G.P. He or she can provide a general health check for your daughter and advise where she can get help with her diet. He may be able to refer you to a dietician who can talk to your daughter about developing healthy eating habits. She also needs practical help with her emotional problems. Don't delay, this is a very serious problem. Start helping your daughter now.

lived with parents who smoked. To overcome the problem of your younger child missing out on sleep, perhaps you could stagger their sleeping times (if a

separate bedroom is out of the question), so your younger child is asleep when the older one goes to bed.

## Chet's Corner

Menus for the week

Put the size 3 eggs in a large heatproof bowl with the 50g/2oz sugar. Set over a pan of simmering water and whisk until thick and creamy and the mixture leaves a trail when the whisk is lifted. Sift in the flour and gently fold in with the orange rind. Pour into the tin and bake in the preheated oven for 15 minutes until risen and golden. Turn out on to a wire cake rack. Remove lining. Meanwhile, place the orange juice, 2 tbsp sugar and Grand Marnier (if using) in a pan. Warm until sugar has dissolved. Add orange slices and simmer gently for 2-3 minutes.

## St Clements Flan

2 eggs, size 3  
 50g/2oz caster sugar  
 50g/2oz plain flour  
 grated rind and juice of 1 orange  
 2 tbsp caster sugar for syrup  
 1 tbsp Grand Marnier (optional)  
 1/2 orange, sliced, with each slice halved

**Filling**  
 2 tsp powdered gelatine  
 grated rind and juice of 1 small lemon  
 1 egg, size 2, separated  
 25g/1oz caster sugar  
 2 tbsp double cream  
 mint leaves to decorate

**METHOD:** Preheat the oven to 190°C/375°F/Gas Mark 5. Grease a 20cm/8in-diameter sponge flan tin. Place a circle of greaseproof paper in the base then dust with flour.

Remove slices with a slotted spoon, cover and reserve. Spoon the warm syrup over the sponge flan. Leave to cool completely. To make the filling, sprinkle gelatine on to the lemon juice in a heatproof bowl, leave until spongy. Stand the bowl in a pan of simmering water until the gelatine has dissolved. Cool slightly. Place the size 2 egg yolk, sugar and lemon rind in a heatproof bowl. Whisk over a pan of simmering water until thick and creamy. Remove from heat and whisk in the cream. Stir in the gelatine. Whisk the egg white until stiff and fold in. Spoon into the flan case and chill for about 30-35 minutes until set. Decorate with the reserved orange slices and mint leaves.

## SPICY MINCED LAMB

**Preparation:** 20 mins + chilling  
**Cooking:** 2 hrs 15 mins  
**Serves:** 6

1 1/2 pt (850ml) milk  
 6oz (150g) semolina  
 4oz (100g) fresh Parmesan cheese, grated  
 Pinch of mustard  
 1 egg, lightly beaten  
 1lb 8oz (680g) lean minced lamb  
 2 onions, chopped  
 2 garlic cloves, crushed  
 14oz (397g) can chopped tomatoes  
 2 tbsp (30ml) tomato puree  
 1 tsp (15ml) chilli seasoning  
 1/2 pt (300ml) red wine  
 2 tbsp (30ml) fresh parsley, roughly chopped  
 14oz (400g) can whole red pimientos, drained and roughly chopped

**METHOD:** • Bring the milk to the boil with 1 tsp

(5ml) salt. Reduce heat, add the semolina and simmer for 3 mins, stirring, until thick. Beat in the cheese, mustard and egg. Pour into a greased swiss roll tin. Chill for 1 hr.  
 • Dry-fry the mince in a large pan until brown. Add the onion and garlic and cook for 2 mins. Stir in the tomatoes and tomato puree. Season with black pepper and add chilli seasoning.  
 • Add wine, parsley and pimientos. Simmer for 1 hr. When cheese mix is chilled, use a 2in (5cm) plain pastry cutter - or the rim of a small glass - to stamp out as many rounds as you can.  
 • Pour the minced lamb into an ovenproof dish. Arrange the cheese circles around the edge. Cover with foil and bake at 400°F/200°C/Gas M. x 6 for 45 mins. Remove lid and cook for 15 more mins.

## Household Hints

1. Keep good quality wooden furniture out of direct sunlight and well away from damp walls.
2. Whiten yellowed knife handles by rubbing them with a cut lemon dipped in salt. Rinse in warm water and dry. Apply a little silicone cream. Never immerse such handles in water when washing.
3. When sewing on plastic, put wax paper over the seam and the sewing machine will not stick to the plastic nor pucker. The wax paper will tear off easily when the job is done.
4. Wash glazed tiles with soapy water, rinse and dry thoroughly. Never use an abrasive cleaner which can damage the surface. Apply a little cream furniture polish after cleaning and they will remain bright longer.
5. Treat hot water marks on a Japanned tray by rubbing them with vegetable oil until they disappear. When dry, polish the tray with a little flour and soft cloth.

## Ballinameela/Aglish Dramatics

Production is well under-way for B.A.D.'s forthcoming play "Sive" by J. B. Keane. Michael Scanlon is painstakingly putting the players through their paces and as usual, all the hard work and dedication will be worth it as he reaches his usual and renowned level of perfection.

The play tells the story of the pitiful and ultimately tragic plight of the young girl Sive (played by Julie Conroy) who, despite her affection for another is manipulated and hounded into a

match with the old and feeble Sean Doite, (Henry O'Keeffe). Mina, her aunt (played by Mary Dee) sees nothing obscene in the match and cares only about Sean Doite's wealth.

Throughout the play, Sive shines through as the only character with goodness and sensitivity, she is the only ray of light and hope where almost all the other characters are consumed with greed and ambition.

The play will take place from Thursday, November 30 to Sunday, December 3 at Carriglea Convent Hall. This is undoubtedly one of Keane's most powerful and provocative plays and this polished performance will once again be worthy of a rapturous reception. More details later.

# † IN MEMORIAM †

**BRAY — Third Anniversary** — In loving memory of Mary T. Bray, late of Barrack Street, Cappoquin, who died on November 10, 1992. R.I.P. Masses offered.

Life goes on from day to day,  
But in our hearts you will always stay.  
One year comes, another goes,  
But the gates of memory never close.  
(Always remembered by your loving parents, brothers and sisters and daughter Pamela.)

**BRAY — Third Anniversary** — In loving memory of Mary T. Bray, late of Cappoquin, who died on November 10, 1992.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,  
That someone is our sister,  
The best beyond compare.  
(From her sister Cathleen, brother-in-law John and Ivan, Rachael.)

**BUCKLEY — Twenty-fourth Anniversary** — In loving memory of my sister Phyl (née Twohig), late of Whitechurch, Cappagh, who died on November 7, 1971. R.I.P.

God called your name so gently,  
That only you could hear,  
No one heard the footsteps,  
Of the angels drawing near.  
You left us all so suddenly,  
We could only wonder why,  
For the saddest part of all,  
We never said goodbye.  
(Never forgotten by your sister Máirín, Jimmy, Suzanne and Paul.)

**DUGGAN — Thirtieth Anniversary** — In loving memory of my dear mother, Bridget Duggan, late of 27, Caseyville, Dungarvan, who died on November 11, 1982. Mass offered. R.I.P.

Somewhere beyond the sunset,  
Where loveliness never fades,  
She walks in a wonderful garden,  
Beneath the blue of the skies.  
And we who loved and lost her,  
Will treasure her memory forever,  
Until we meet again, mother,  
God bless you.  
Will those who think of her today,  
A little prayer to Jesus say.  
(Always remembered by your loving daughter Mary, Jackie and family in London.)

**DRUMMY — Ninth Anniversary** — In loving memory of Margaret Drummy, late of 38, Congress Villas, Dungarvan, who died on November 8, 1986. R.I.P.

The gates of heaven stood open,  
Nine years ago today,  
The angels stood there waiting,  
For a special person, who was on her way.  
God called your name so gently,  
That only you could hear,  
No one heard the footsteps,  
Of the angels drawing near.  
Many things have happened, Mam,  
Since you went away,  
All the things you would have shared with us,  
If God had let you stay.  
Tears in our eyes may not glisten,  
Our faces may not look sad,  
But deep in our hearts there's a longing,  
For a wonderful mother we were so lucky to have,  
(Always remembered, never forgotten by your loving husband Jimmy, son Michael and daughter Margaret.)

**FOLEY — Eighteenth Anniversary** — In memory of Monica Foley, late of 10, St. Patrick's Crescent, Dungarvan, who died November 5, 1977.

Quietly today your memory we treasure,  
Loving you always, forgetting you never.  
(Always remembered by your loving husband Joe and family.)

**FOLEY — In loving memory** of my dear friend, Monica Foley, St. Patrick's Crescent, Dungarvan, who died on November 5, 1977. Mass offered.

A Mass, a prayer, are all I can give, Mon,  
But these you shall have as long as I live.  
(Never forgotten — your friend Theresa.)

**KILLIGREW — In loving memory** of our dear father, James Killigrew, late of Kilcannon, Cappagh and Cappoquin, whose anniversary occurs at this time.

Will those who think of him today,  
A little prayer to Jesus say,  
(Always remembered by your loving family.)

**MARTIN-AHERN — Sixth Anniversary** — In loving memory of Denis Martin and his wife Mary (née Ahern), Kilclare, Conna, who died on November 6, 1989. R.I.P. Masses offered.

May the God of love and mercy,  
Care our loved ones who are gone,  
And bless with consolation,  
Those left to carry on.  
(Sadly missed by their parents, sisters and brothers at home and abroad.)

**MCGRATH — Ninth Anniversary** — In loving memory of Joe McGrath, Monatrim, Lismore, who died on November 7, 1986.

God came and stood beside your bed,  
He took your hand and gently said,  
You have suffered more than you can stand,  
So come with me to my heavenly land.  
(Always remembered by his loving family.)

**MURPHY — Sixteenth Anniversary** — In loving memory of Johnny Murphy, 10, St. Garvan's Terrace, Dungarvan and formerly Railway Lodge, Abbeyside, who died on November 19, 1979.

Will those who think of him today,  
A little prayer to Jesus say,  
(Never forgotten by his loving wife, sons, daughters-in-law and grandchildren.)

**TOBIN — Third Anniversary** — In loving memory of my husband, James Tobin, Ballinroone, Ballyduff, who died on November 13, 1992.

At night the silent stars look down,  
On a grave not far from here,  
Where sleeps the one I can't forget,  
And will always love so dear.  
You left me very suddenly,  
Goodbye was not to be,  
But the memories you left me,  
Are locked with a golden key.  
I think of you in silence,  
I often speak your name,  
But all that is left to answer,  
Is your picture in a frame.  
It grieved me to lose you, Jim,  
But you did not go alone,  
For part of me went with you,  
The day God called you home.  
(Always remembered by your loving wife, Jo.)

**TOBIN — Third Anniversary** — In loving memory of our father, James Tobin, Ballinroone, Ballyduff, who died on November 13, 1992.

A smile for all, a heart of gold,  
One of the best this world could hold,  
Never selfish, always kind,  
These are the memories you left behind.  
Memories we keep, one by one,  
Things you have said, things you have done,  
They bring a smile and often a tear,  
But always a wish that you were here.  
Although we sadly miss you,  
We know we're not alone,  
For you are watching over us,  
From a place you now call home.  
Wherever life may lead us,  
Whatever we may do,  
Part of us will always cry,  
Dad,  
For yesterday and you.  
(Never forgotten by your loving daughter Margaret, son Jackie and son-in-law Pat, New York.)

**TOBIN — Third Anniversary** — In loving memory of my dear father, James Tobin, Ballinroone, Ballyduff, who died on November 13, 1992.

A father is a special gift,  
One you think will stay,  
You never dream the day will come,  
That he will pass away.  
To day is the day I remember so sad,  
Of a father I lost and wished I still had,  
Time has passed, life goes on,  
But in my heart you are never gone.  
Sweet Jesus take this message,  
To my father up above,  
Tell him how much I miss him,  
And give him all my love.  
(Always remembered by your loving daughter Siobhán.)

**TOBIN — Third Anniversary** — In loving memory of our dear brother, Jimmy Tobin, Ballinroone, Ballyduff, Co. Waterford, who died on November 13, 1992.

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,  
Are the ones who can't forget.  
Your life was one of kindly deeds,  
Sincere and true in heart and mind,  
Beautiful memories left behind.  
We often sit and think of you,  
And think of how you died,  
To think you could not say goodbye,  
Before you closed your eyes.  
Will those who think of him today,  
A little prayer to Jesus say,  
(Never forgotten by your loving sisters and brothers.)

**TUTTY — In loving memory** of my dear mother, Ellen Tutty, 53, Congress Villas, Dungarvan, who died on November 7, 1976. Masses offered.

We think about you often, Mam,  
We talk about you still,  
You know you are not forgotten, Mam,  
You know you never will.  
Will those who think of her today,  
A little prayer to Jesus say,  
(From your loving daughter Theresa, son-in-law Johnnie, grandchildren and great-grandchildren.)

**TUTTY — In loving memory** of my dear father, Stephen Tutty, 53, Congress Villas, Dungarvan, who died on November 14, 1955. Masses offered.

For as long as we live,  
We will always be glad,  
For the wonderful father,  
We wish we still had.  
(From your loving daughter Theresa, son-in-law Johnnie, grandchildren and great-grandchildren.)

**WALSH — In loving memory** of my father, Patrick Walsh, late of 25, Caseyville, Dungarvan, who died on November 7, 1981. R.I.P.

Our lives go on without you, Dad,  
But nothing seems the same,  
We have to hide the heartache,  
When someone speaks your name.  
Although we will always miss you,  
I know we are not alone,  
For you are watching over us,  
From a place you now call home.  
(From your loving daughter Maura, son-in-law Tim, grandchildren Timothy, Aidan, Karen, Maria and Fergal.)

## Acknowledgment

### JEAN ELSTEAD Parklane, Abbeyside

The family of the late Jean Elstead wish to thank most sincerely all those who sympathised with them in their recent sad loss; those who attended the rosary, removal, funeral Mass and burial and travelled long journeys; to her very many friends who travelled from USA and England and those who sent Mass cards, perpetual enrolments, letters of sympathy and floral tributes; who telephoned and called personally to the house. A special word of thanks to Fr. Doherty, P.P., Fr. Ahearne, C.C., Fr. Moylan, O.S.A., Fr. Moran, O.S.A. and other local and visiting clergy; Sr. Mary Ormond and the Sisters of Mercy, Cairns, Fr. P. Hayes, O.S.A., Cairns, Fr. Ted McCarthy, Sharon O'Brien, Charmaine O'Brien and all the people of Cairns; to our wonderful and very kind neighbours and friends; Jim Walsh; management and staff of Waterford Crystal; management and staff of Minnies; the choir and musicians.

As it would be impossible to thank everyone individually, please accept this acknowledgment as a token of our grateful appreciation. The holy sacrifice of the Mass will be offered for the intentions of all.

**WALSH — In loving memory** of my Dad, Patrick (Paddy) Walsh, late of 25, Caseyville, Dungarvan, who died on November 7, 1981. R.I.P.

Do not stand at my grave and weep,  
I'm not there, I do not sleep,  
I am the thousand winds that blow,  
I am the diamond glints on snow,  
I am the sunlight on ripened grain,  
I am gentle autumnal rain,  
When you waken in the morning hush,  
I am the oft uplifting rush,  
Of quiet birds in circled flight,  
I am the soft stars that shine at night,  
Do not stand at my grave and cry,  
I am not there, I did not die.  
(Never forgotten by your loving son Pat, daughter-in-law Marion, grandchildren John, Valerie, Deirdre, Mark, Patricia, Angela and Nicola, great-grandchildren Craig and Aaron and also son-in-law Michael.)

## NOVENAS

**MAY THE SACRED HEART** of Jesus be adored and glorified throughout the whole world, now and forever. Amen. Say 6 times a day for 9 days in front of a lighted candle. Any favour granted. Publication promised.

**NOVENA** — Ask St. Clare for three favours, one business, two impossible. Say nine Hail Marys for nine nights with lighted candle. Pray whether you believe or not. Publish on ninth day. May the Sacred Heart of Jesus be praised, adored, glorified and loved today and every day, throughout the whole world, forever. Amen. Say six times daily for nine days. Your request will be granted, no matter how impossible it may seem.

**PRAYER TO THE SACRED HEART** — Dear Heart of Jesus, in the past I have asked you for many favours, this time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then in His merciful eyes it will become your prayer, not mine. Amen. Say this prayer for three days and promise publication and favour will be granted. — N.K.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. Grateful thanks. — E.G.

## Thank You

I, PHILOMENA MCCARTHY, would like to thank my sisters and family, neighbours, friends and everyone who have been so kind, considerate and good to me since my accident; visiting me in hospital or at home; sending me Mass bouquets, get well cards and get well phone messages; and everyone who are still helping me in different ways.

As a token of my gratitude and appreciation the holy sacrifice of the Mass has been offered for your intentions. Again thanking you one and all.

**RECENT DEATHS**

**Mr. Kieran M. Clancy**

It is with deep and sincere feelings of regret we record the passing of Mr. Kieran Michael Clancy, late of Springfield Park, Tayford, Reading and formerly Mitchel Terrace, Dungarvan, which occurred on Monday, October 30, at Royal Marsden Hospital, Chelsea, after a duration of illness and at the early age of 45 years. He was a wonderful patient who bore his illness in a true Christian way and he was fortified by the Rites of Holy Church.

Kieran was an extremely popular young man in his native town and in the land of his adoption where he made legions of friends by reason of his charming and cheerful disposition.

To his sorrowing wife Anna Christine Clancy, his son Simon, his father Denis, sisters Claire, Ursula and Bernadette, uncle, aunts, nephews, niece, relatives and friends we tender our sincere condolences.

His coffin was flown into Cork Airport on Saturday afternoon and from there removed to St. Mary's Parish Church, Dungarvan, followed by a very large and most impressive cortege and on arrival the remains were blessed and received by Rev. C. Kelly, C.C., assisted by Very Rev. James Griffin, P.P., Sacred Heart Church, Waterford.

Concelebrated Mass was offered on Sunday morning at 11.45 a.m. by Fr. Griffin and Fr. Kelly. After the celebration of Mass the funeral took place to Kilcass Cemetery thus fulfilling Kieran's wish to be interred beside his late mother Mrs. Mary Clancy (née Bartley) who predeceased him by some years.

The readers at the Mass were David Power (nephew) and his cousin Ms. Camilla McCarthy. Suitable hymns were rendered by Tom McShane, accompanied by Claire Maher on the organ.

Another large and most representative concourse were present to pay their respects and to sympathise with his nearest and dearest. Fr. Griffin imparted the final absolution at the graveside.

Very many Mass cards were received and some beautiful floral tributes were

placed on his grave. (Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

**Mr. James Hanrahan**

Deep feelings of regret were widely expressed at the announcement of the death of Mr. James (Jim) Hanrahan, late of Ballinamult, which took place at the South Infirmary, Cork after a rather short duration of illness, on Wednesday evening, November 1.

The deceased was one of nature's gentlemen by reason of his gentle and retiring disposition. He was a man of great intelligence and possessed a store of general knowledge, especially in the field of local and world affairs, in which topics he could excel.

He was a member of a very well known and popular Ballinamult family. He conducted a licensed bar business at Ballinamult for most of his life, a premises which was well known, especially for the manner in which it was managed.

Our sincere sympathy is extended to his sisters, brother, nieces, sister-in-law, cousins, relatives and friends.

His remains were removed on Thursday evening from the Kiely Funeral Home to St. Mary's Parish Church, Touraneena, followed by a very large cortege and on arrival were blessed and received by Very Rev. Nicholas McCarthy, assisted by Very Rev. John Kiely, P.P., Ring and Old Parish (cousin), Very Rev. J. Boyle, P.P. (cousin) and Rev. Fr. Denmead, C.C.

Concelebrated Mass was offered on Friday morning for the repose of his soul. The chief celebrant was his cousin Fr. John Kiely and co-celebrants were Fr. L. Walsh and Fr. F. Lloyd, C.C.

After the Mass the interment took place in the adjoining cemetery. Fr. Kiely, assisted by the choir of clergy, imparted the final absolution at the graveside.

Chief mourners — John Hanrahan (brother), Margaret Hanrahan, Mrs. Mary Morrissey (sisters), Josephine Mulvanny, Eileen, Teresa and Margaret Hanrahan (nieces), Hannah Hanrahan (sister-in-law) and a large circle of cousins, relatives and friends.

His remains were removed on Sunday evening from the hospital to Kilrossanty

Church. Burial took place on Monday after Requiem Mass in the family plot at St. Patrick's Cemetery, Clonmel.

**Mrs. Mary Cunningham**

We record with regret the death of Mrs. Mary Cunningham (née Ryan), Boolattin, Kilrossanty, which took place on Friday, October 27 at her residence.

She was a native of Toureigh, Ballymacarbry and a member of a very old and highly respected agricultural family. A kind and helpful neighbour and friend, she was a deeply religious woman who made the pilgrimage to Knock Shrine annually.

Possessed of a kind and charitable nature, she was held in high esteem by all who knew her. Deep sympathy is extended to her sorrowing family and relatives on their sad loss.

Following rosary recited by Fr. W. Ryan, C.C., on Saturday evening, removal was from Drohan's Funeral Home to Kilrossanty church where the remains were received and blessed by Fr. Frawley, P.P., assisted by Fr. Geoghegan, C.C.

The funeral Mass on Sunday morning was celebrated by Fr. Geoghegan, C.C., assisted by Fr. Frawley, Fr. Ryan, P.P., Stradbally. Readings were read by

Therese Cunningham and Sharon Cunningham.

The burial took place in the adjoining cemetery. Fr. Geoghegan officiated at the graveside, assisted by Fr. Frawley and Fr. Ryan.

The chief mourners were — Frank and Eddie (sons), Nora (daughter), Sean (brother), daughters-in-law, son-in-law, nephews, nieces, grandchildren, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

**Mr. Paddy Moore**

With sadness we record the passing of Mr. Paddy Moore, Coolnasmear, Dungarvan, which sad event occurred on Sunday, November 5. Removal was from Drohan's Funeral Home on Monday evening to Old Parish Church. Following funeral Mass on Tuesday morning burial took place in the adjoining cemetery.

Full obituary next week. We extend our deepest sympathy to his wife Mary, sons, daughters and relatives.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

**Mr. Jack Whelan**

It is with sadness we record the death of Mr. Jack Whelan, Dromore, Aghlish, which took place at St. Joseph's Hospital, Dungarvan, on Friday, October 27. Jack was a fisherman all his life. He loved to go for a trip on the Blackwater.

His remains were removed on Saturday evening from the hospital mortuary, Dungarvan to Aghlish Church where they were received by Fr. O'Connor.

Following 11 o'clock Mass on Sunday morning celebrated by Fr. Lucey, Jack was laid to rest in the family plot.

## ARDMORE A.E.C. NOTES

# Super Display By Ardmore

BRIDEVIEW 2 ARDMORE 4

Whatever the outcome of this season, Ardmore's performance against Brideview on Sunday last will count as their finest in many years.

In a game of fast flowing skillful football served up by both sides, Ardmore came out on top to show that their intentions of holding their own in the top flight are very serious indeed.

The game was only eight minutes old when Brideview took the lead. Ardmore held their composure and proceeded to play some fine football and were rewarded when a Kevin Flavin shot was saved by the keeper only for Anthony Sullivan to tap it home to level the score. For the rest of the half Ardmore defended against a strong wind and were performing well, but with time running out Brideview were rewarded when the referee awarded a penalty. The kick was scored to make it two to one for Brideview at the break.

The second half began with Ardmore looking very positive and five minutes into it a brilliant headed goal by Anthony Ahearn brought it all square. Ten minutes later the same player laid on the lead goal for Clinton Hennessy. The next twenty minutes saw an excellent spell of football from both sides and with ten minutes remaining Clinton Hennessy secured the points with a cracker of a goal to give Ardmore a very valuable win.

This was beyond doubt Ardmore's finest performance and a great team effort got them the result they deserved.

There was no bad performance by anyone on the team and it shows that they are playing well when there are so many candidates for man of the match. Great performances by Chippy Hennessy, Anthony Sullivan and Clinton Hennessy, but it must be given to Anthony Ahearn who gave a five star performance.

## CUNNIGAR PITCH AND PUTT NOTES

On Sunday, November 6 our turkey competition got underway in very windy conditions. Despite the wind we had some very fine scores returned by many of our players.

### RESULTS & SCORES

In the gross the partnership of Lenny Duggan and Sean Lucas were winners with a fine score of 5 gross. Lenny, who is on the crest of a wave can do no wrong and had the right partner in

Sean to win the gross in fine style. Well done lads.

In the nett the partnership of Jimmy Cockwell and Mick Prendergast came out on top with a score of 98 nett. Jimmy and Mick played some wonderful stuff in the conditions to record a great score. On their performance I am sure they can look forward to a great 1996 season. Well done lads.

## ABBEYSIDE AFC NOTES

U-16 LEAGUE

# Classical Display By Village Eleven

ST. OTTERANS 0 ABBEYSIDE 3

In their continuing quest for league honours, Abbeyside dispatched St. Otterans at the latter's home venue on Saturday evening last, the Villagers, carrying several injured players could only field 11 players for the competition, two of those - Joe Thomson and Robert Drummy bravely fielded on the day and indeed were instrumental in what was to be a classical display by the Villagers and their finest performance to date.

"Straight for the jugular" was the advice given to the players before kick-off, and directly into the attack they went, "Whammy Shammy" powering down the left wing, crossing into the box for the on-coming Eoin Hayes. Hayes's shot was blocked by the home keeper and cleared high down the field. Ronan Curran - the winner of many an aerial battle in the contest, climbed high and headed back to E. Hayes, Hayes in turn set Joe Thomson in motion for a rattling drive that just went wide. This then was to be a prerequisite to an unfolding tableau that saw Abbeyside take the Otterans side apart with

passion and skill and left them trailing two goals down at the break.

The home side did have their moments of potential glory, but their fire was swiftly quenched by the rock like Olan Casey and Ronan Curran. Drummy broke from defence in the 10th minute, capitalised on an opening through the home defence and slotted through to McCarthy on his way, but the player was just beaten by the keeper. Abbeyside continued to harry the homeside creating attack after attack and forcing the homeside to concede free kicks. It was through one such free kick that Abbeyside went ahead in the 13th minute courtesy of Sheehan. In a well rehearsed move, John Fifi Phelan skillfully played Seamus who rattled the netting from a good 25 yards. McCarthy was again unlucky two minutes later in a creative move orchestrated by Casey and involving E. Hayes. Moments later Thomson split the home defence wide, when he flicked past the advancing keeper only to see the effort go barely wide, and on the 15th minute the

ever vigilant "Nobby" Drummy turned provider for Seamus Sheehan who duly netted a delightful low rifling shot from outside the eighteen yard box hurdling the Reds into a two goal advantage. Abbeyside now settled down to play some exhibition football, they were clearly in command and carried this mode of football through to the second half. Playing a lovely passing game, they kept possession for prolonged periods, kept the ball moving and always creating good scoring opportunities, but maybe a little too happy to sit on their two goal lead and not willing to take too many chances that the hosts might capitalise on. The second half also saw the home side coming into the game for short periods and the dynamic Brian Hayes who had a very quiet first half was called into action more as the game progressed, particularly in the early stages. Hayes had to throw himself to the far corner of the post when a long distance shot looked earmarked for the net and Drummy headed a certain goal off the line. These lit-

tle mishaps helped Abbeyside tighten up their game and there were no repeats of same. Garry Hurney was unlucky when he fired through the central defenders and aimed for the corner but his effort hit the woodwork. Garry Lyons had a striking run through the centre of the field, back heeling to Shammy who sent in a beautiful cross to Hurney who shot wide. An excellent move spear headed by Phelan who had a spectacular run on the right looked like a certain goal when Lyons lofted over the advancing keeper allowing Sheehan through but celebrations were premature, the off-side whistle brought an end to the potential goal scoring opportunity. Lyons, E. Hayes, Sheehan and Hurney were all involved in further well coordinated moves, Olan Casey in one of his one many crusades stormed the length of the pitch and found Eoin Hayes at the far post but the latter's header went over the top. Abbeyside remain unbeaten now with four wins and two draws to their credit and if they continue their present trend they could bring league honours to the Village.

Team—Brian Hayes, Robert Drummy, Olan Casey, Ronan Curran, John Phelan, Seamus Sheehan, Garry Lyons, Eoin Hayes (capt.), Garry Hurney, Joe Thomson and Ronan McCarthy.

## SUNSHINE LOTTO

JACKPOT £1,700

Jackpot £1700, no winner. Numbers 1 - 6 - 24, drawn by Pat "Bella" Beatty. Next weeks draw at Radleys 9.45 p.m. sharp. Jackpot £1800.

## TEASER

Last week we asked you how a player could score 3 goals without anyone else touching the ball.

Answer—After scoring an own goal he places the ball on the centre spot. In a rehearsed move he boots the ball down the middle for his centre-forward to run onto. Out comes the opposing goalie who misses the ball but brings the forward down. The player who scored the o.g. retrieves the ball and scores the penalty sending the keeper the wrong way. He goes in and grabs the ball as the referee blows for half time. He takes the ball back out for the second half (it's his kick off) and does exactly the same as he did for the second goal. Improbable but possible.

## DUNGARVAN UNITED — DIVISION 3B LEAGUE

# Missed Chances Prove Costly

DUNGARVAN 0 BOHS 1

Dungarvan played hosts to top of the table Bohs on Sunday afternoon last and in truth should have picked up the three points but a few missed opportunities proved very costly.

The visitors started best but the opening chance fell

to Matty Ducey after a good through ball from Mark Crotty saw the Bohs keeper turn the ball just the other side of the post. Bohs had the best of the play from that moment onwards and were unlucky with some long range efforts and the Blues were well satisfied going in at half time on level terms.

The Blues seemed a different team in the second half and took the game immediately to Bohs. John Walsh put through Thomas Donovan only to see the ball come back off the foot of the post. Fifteen minutes later the Blues attacked up the left wing, Matty Ducey crossed to the back post for P. J. Drummy to head to the Bohs net, but to everyone's amazement the referee ruled him offside.

Shortly after this with Bohs pushing out looking for the offside, Thomas Donovan with more time than he thought, shot straight into the keepers

hands.

With fifteen minutes remaining the Blues had a let-off, Bohs broke down the right wing and quickly switched the play to the other wing. A good cross into the Blues box saw the midfielder's volley come back off the crossbar. The Blues again had a great chance in the final ten minutes when John O'Shea put Liam Sandford through, but he shot wide when he seemed to have all the time in the world. The Blues were dealt a killer blow in the final minute of the game, when Bohs scored from a corner kick.

Dungarvan — Johnny Sheehan, John Kyne, Ber Whelan, Paul Sheridan, Michael Hart, Thomas Wright (capt.), John Walsh, P. J. Drummy, Mark Crotty, Mattie Ducey, Thomas Donovan. Res. — John O'Shea for Thomas Wright, John Dixie Power for John Kyne, Liam Sandford for Mark Crotty.

**BALLINROAD A.F.C. NOTES**

**DIVISION 3A LEAGUE**

**Ballinroad Win **BALLINROAD 2 STRADBALLY 0** Cracking Local Derby**

**Ballinroad overcame their toughest test of the season on Saturday last when they beat a gallant Stradbally side.**

With both sides looking resplendent in their new playing strips, this was a game which was played in a cup tie atmosphere throughout, and both sides must be complimented on their sporting nature throughout the game.

Ballinroad got an early grip of the exchanges and their incessant pressure paid off in the 9th min. when Lacey's run at the visitors defence ended in a foul challenge by Costello and as Maurice Foley neatly tucked away the resultant spot-kick, we thought we were on course for a feast of goals.

This false illusion was quickly put out of our heads, as Stradbally battled

even harder and when Liam O'Brien fired a shot, on the turn, inches wide in the 30th minute, we were counting our lucky stars.

We forced a series of corners but in truth we found it difficult to break down a stubborn visitors defence.

The second half turned into a dour midfield battle with few chances being created by either side. Stradbally had a half chance from a corner kick but an alert John Reynolds was on hand to smother the danger. In the 67th min. Paul Freyne rounded the keeper and looked certain to score, but Paul Mooney came from nowhere to avert the danger.

Freyne was also in the

thick of the action in the 75th min. but his brilliant shot on the turn, struck the crossbar and went wide.

Ballinroad finally wrapped up the game in the 85th min. when Maurice Tobin showed great composure and no little skill as he lobbed the ball over the visiting keeper for a peach of a goal.

Ballinroad were glad to hear the final whistle in this one and good luck to the Stradbally lads for the coming European Championship game.

Ballinroad — Reynolds, B. Burke, McCarthy, Boland, Fraher, Landers, Foley, Lacey, V. Tobin, Freyne, Duggan. Res. — M. Tobin, Power, Burke, Thompson.

**UNDER '12'S**

**Ballinroad 2 Tramore 2**  
A good result for our

young lads who with a bit more goal scoring ability should prove a handful for most sides. Scorers were Patrick Brown and William Morrissey.

**SEAVIEW CELTIC DRAW**

**DUNGARVAN UNITED AFC NOTES**

**RESULTS**

Munster Youth Cup (3rd round) — Dungarvan 1, Bohs 4; Div. 3B League — Dungarvan 0, Bohs 1.

**FIXTURES**

Junior — Saturday, November 11 — Div. 1A league — De La Salle v. Dungarvan (2.15 p.m.); Sunday, Nov. 12 — Div. 2B league — Dungarvan v. Crusaders (11.30 a.m.)

Schoolboys — Saturday, Nov. 11 — SFAI U-15 Cup — Dungarvan v. St. Anthony's Boys, Kilkenny (2.30 p.m.)

**DOUBLE DEFEAT BY BOHS**

Last weekend our two matches against city club Bohemians saw us suffer defeats at youth and Div. 3B level.

On Saturday our youth side met Bohs in the 3rd round of the Munster Youths Cup and went down 4-1. The scoreline does scant justice to the young Blues side.

The visitors took the lead with the last kick of the first half. Bohs went 2-0 up in the 55th minute. Leroy Simms pulled a goal back in the 65th minute from a free kick, but Bohs finished the stronger and scored two more goals late in the game.

It was a good display by a very young team who were only entered into this youth cup competition to gain experience. All did well but Kevin Walsh and Bernie Crotty (both 16 years old) were outstanding.

On Sunday afternoon our Div. 3B side entertained the black and reds in a league match. We missed this game but we are informed that it was a game Liam Sandford's side should have got a share of the spoils from. The visitors scored in the last seconds of the match when a corner was headed to the net.

**WEEKEND FIXTURES**

On Saturday our Div. 1A side are away to De La Salle at 2.15 p.m. The side desperately need points and they will find it tough going at the De La Salle pitch. Back in August when the sides met at Kilrush the city club won 2-1 and Tom Walls side be looking to reverse this result.

Also Saturday our under-15 side take on St. Anthony's Boys (Kilkenny) in the SFAI Cup 2nd round. Ben and Joe Wall's side defeated Dundrum (Tipperary) in the last round, also at Kilrush, 5-3, after extra time. We know very little of the Kilkenny side but that they are a renowned club and are sure to give us a very tough game. Kick-off time is 2.30 p.m. and we would appeal to all our supporters to come out and cheer on the lads.

On Sunday, November 12, Thomas Duggan's Div. 2B side are at home to Crusaders at 11.30 a.m. in a league game. This side have only been defeated once this season and that was away to St. Josephs, so let's hope they can stay up in contention with the league leaders.

They have a number of injuries at the moment which were picked up in a challenge game last weekend.

**SEAVIEW CELTIC DRAW**

The second draw in the current Seaview Celtic draw took place in Lismore on Saturday last and glad to relate we had three winners — £100, Seamie Flynn, c/o Waterford Foods; £100, Kealan O'Neill, c/o Dungarvan Ltd.; CD Radio/Cassette, Dungarvan Utd. Schoolboy Committee. Congratulations to all.

**RAILWAY ATHLETIC CLUB NOTES**

**DIVISION 3 B**

**Railway Hit Four**

**RAILWAY ATHLETIC 4 KILBARRY RANGERS 0**

**Kilbarr Rangers were visitors to the Danesfield on Sunday morning last. Considering this city side were unbeaten in their previous six outings we were well aware of the challenge they would offer for our young side.**

The opening exchanges were fast and furious with both sides doing their utmost to make an impression on the scoreline. Paul Ormond gave us the lead in the twenty second minute finishing crisply from close range after some excellent approach play from both Liam Costin and Rhiney Walsh. Packie Manahan added our second a few minutes later to leave us in a satisfactory position going into the interval.

With the stiff breeze at their backs Kilbarr started the second half in determined fashion. After a torrid opening to the half Rangers seemed to lose heart when time and again they were thwarted by our resilient back four. With Niall Maher in superb form between the posts Railway were simply not going to lose their grip on a game in which three points were an absolute necessity.

With fifteen minutes remaining Kilbarr almost got back into the game, their striker was bearing down on goal with just our keeper to beat but Maher made a magnificent save at the opposing forwards feet to keep Railway on track for their second win in as many weeks. Minutes later Dermie Coughlan opened his account for the season with a well taken goal after being put through by

Rhiney Walsh. Substitute Alan Gilligan rounded off the scoring with our fourth and best goal of the game just before the final whistle. Garry Morrissey started off the move finding Liam Costin on the left wing. After exchanging passes with O'Donnell, Costin played a perfect pass into the box to present the "Gleeful" Gilligan with the simple of tap ins. (No doubt "Gilly" will credit this goal to his predatory instincts).

With no fewer than sixteen players available for selection for this fixture it goes without saying that competition for places is hotting up. I'm sure manager Tommy Pratt will have a difficult job picking the starting eleven for our next outing. Dean Morrissey, James Manahan and Alan Gilligan played well when called upon and with a fully fit squad available for our next fixture, rather you than me Tommy!

**UNDER 12 T.S.B. LEAGUE**

**SEAVIEW CELTIC 4 RAILWAY 2**

Our young under 12 side made the long journey to Annestown to take on Seaview. We were short a lot of players, however our lads took the game to Seaview and scored midway through the half, a great goal from Kevin Looby. Minutes later

Seaview got the equaliser. Just before half time. Kevin Looby got his second goal.

However the second half was totally Seaview when they hit us for three goals. Our young team could not keep the pressure on a big home side.

Team—Eoin Kearns, Derek Browne, Pat Quinn, Paul Maher, Adrian Cliffe, Alan Hogan, Paul McGrath, Timmy Looby, Rory Tobin, Stephen Power, Kevin Looby, Barry Sullivan for Cliffe.

**UNDER 14 T.S.B. LEAGUE**

**Railway 2 Ferrybank 2**

Our u-14 team would have went top of this league if they could have beaten Ferrybank at home on Saturday last. However this was not to be, 10 players turned up for what was our most important game of the season and we cannot understand why those players did not turn up after we have had all of them from the start. It just goes to show what appreciation they have for their team mates and the management. But I must praise the ten players who gave 100% effort. We took the lead just after 3 minutes of play when our player was taken down in the box. Liam McLoughlin made no mistake to open our account. It was all Railway pressure for the half and we made it two nil just before half time

when a brilliant free kick from Liam McLoughlin hit the back of the net. We started the second half still attacking but as the half was going on you could see our ten players getting tired. Ferrybank got one back with 6 minutes remaining. Alan Hogan who played an u-12 game in Seaview came on to give us to 11 players, however with only 2 minutes remaining disaster struck, Ferrybank scored. Never mind lads we have 5 games to go and we will be up there. You could not pick our man of the match, it was a team of the match.

Team—C. Millea, M. Landers, K. Foley, D. O'Rourke, B. Coughlan, L. McLoughlin, M. Ormonde, P. Landers, M. Scanlon, S. Hogan and A. Hogan.

**UNDER 9, 10, 11**

On Sunday morning next our U-9, 10 and 11 will train together. We are thinking of entering an under 11 B team but players who want to play on our B team must turn up.

**RED HOUSE LEAGUE NOTES**

# Powerful Performance From Ardmore

Joint league leaders Ardmore travelled to Tallow to take on the league holders and turned in a marvellous performance before running out winners 4-2. Ardmore now go top of the league because other point leaders Mogeely were involved in The Munster Junior Cup.

Lismore had a good away win in Conna while Inch shocked visitors Ballyduff. Cappoquin went down to East Cork side Ballybridge by 1-0. Clinton Hennessy and Anthony Aherne scored two terrific goals in Tallow. Hennessy got two in this game.

### RESULTS

#### VALLEY RANGERS 0 LISMORE 2

Lismore made the short trip to Conna on Sunday morning last and went home with the points. Barney Prendergast gave Lis-

more the lead in the first half and they kept this lead till the break.

Lismore had the better of the second half and Paul Quinn added goal number two for Lismore. While Rangers defence did well they were put under pressure by Lismore's front runners. A good away win here for the West Waterford side.

#### BRIDE VIEW UTD. 2 ARDMORE 4

Ardmore turned in a tremendous performance in Tallow on Sunday afternoon and scored two of the finest

goals seen at the Tallow venue for some time. Twice in the first half Utd. went in front. Bride View went in front in the 6th minute when Brian Henley scored. Bride View had most of the play early in this half as they played with the wind. Anthony O'Sullivan equalised for Ardmore in the 21st minute but Philly Curley restored Utd's one goal lead when he scored from the penalty spot in the 43rd minute. At the break Utd. led 2-1.

Three minutes into the

second half Ardmore got a classic goal. O'Sullivan sent in a great cross that was brilliantly headed home by Anthony Ahearn. Clinton Hennessy vollied home a terrific goal in the 60th minute and Hennessy was in again with another marvellous goal after 83 minutes. A great win this for Ardmore.

#### INCH 1 BALLYDUFF 0

Inch pulled off a marvellous home win on Sunday morning last over West Waterford side Ballyduff. Ballyduff got their league campaign off to a flying start when they won their opening league game but they have failed in their last two league games. The sides were scoreless at the break.

Coleman Galvin got the all important goal here in the 75th minute to clinch the points for Inch.

#### CAPPOQUIN 0 BALLYBRIDGE 1

Despite chances falling to both sides in the first half neither side was able to find the net.

The pattern was much the same in the second half but Ballybridge through Luke Swayne clinched the points with the only goal of the match. This was a game that could have went either way but the visitors will be happy with this away win.

#### GORTROE 4 AFFANE 1

Gortroe secured a place on top of the league when they defeated Affane on Sunday afternoon. Alan Geary was again in top form for the homeside and rounded off a vintage performance with two great goals. Alan Downing and Colin Broaderick were also on the scoresheet here for Gortroe.

This win puts Gortroe on top of the league but it's early days yet. However Gortroe have a good squad of players especially up front and they have scored eleven goals in their opening three games. In this period they have conceded just 3 goals.

#### MUNSTER JUNIOR CUP 3RD ROUND

### Mogeely Put On Fine Performance VILLA (WATERFORD) 2

**MOGEELY 0**  
Mogeely made the trip to Waterford on Sunday afternoon and turned in a marvellous performance against first division side Villa. Villa led 1-0 at the break and added a second midway through the second half. Mogeely had their chance and Tom McCarthy was denied twice by the keeper when he looked certain to score. Bernard Tynan and Dan Barry also did well here for Mogeely.

### DIVISION TWO ROUND-UP

# Home Win Puts Gortroe Top Of League

Gortroe moved into the top of the second division when they had a big home win over Affane but there is still a long way to go. Bride View had a big away win in Clashmore over the local Ramblers.

Castlebridge had a good away win in Aglish against the local side while the draw specialists Modeligo did just that again for the third week on the trot away to Glenview. The Youghal versus Aragen did not take place as the referee down for one of the games was out and fixture Secretary, Jim Foley was left with no alternative but to cancel a game.

### RESULTS

#### CLASHMORE RAMBLERS 1 BRIDE VIEW UTD. 5

Utd. had a good away win on Sunday morning last against newcomers Clashmore Ramblers. First half goals from David Doyle, Pat Murphy and David Henley gave Utd. a 3-1 lead at the break. Kevin O'Rourke headed home Ramblers goal here in the first half.

Utd. were on top in the second half and further goals from Denis O'Flaherty and Michael Henley saw Utd. turn in a terrific performance.

#### GLENVIEW 2 MODELIGO 2

Draw specialists Modeligo continued for the third successive week when they shared the points with Glenview.

There was no goals in the opening half but Joe Cashman put the visitors in front early in the second half. P.J. Dolan got the equaliser for Glenview shortly afterwards.

James Maher restored Modeligo's lead in the 86th minute but with time almost up Glenview's scorer in chief Philip McGrath, popped up to get an equaliser. Modeligo had a player sent off here.

#### CAPPOQUIN 0 AN GAELTACHT 3

Both sides had their chances here in the opening 45 minutes but the one goal of the half fell to An Gaeltacht when Dermot Drohan scored from a free kick.

The visitors created some good chances in the second half and added two further goals from Drohan again and Curran. Cappoquin for their part played well and on another day could have got something from the game.

#### BLACKWATER RANGERS 1 CASTLEBRIDGE CELTIC 3

Celtic newcomers to the league got their first league win on Sunday last away to Blackwater Rangers. Celtic had been unlucky in their opening two league games but they made amends on Sunday last when they recorded a good win.

#### YOUGHAL V ARAGLEN

This game was called off late on Saturday night.

## BALLYDUFF AT HOME TO LEAGUE LEADERS ARDMORE

Ballyduff face a tough test on Sunday morning next when they entertain league leaders Ardmore. Lismore and Inch face one another on Sunday and both of these sides are on winning runs. Who falls in Lismore? It's a local derby in Cappoquin where Bride View are the visitors. Mogeely are at home to Valley Rangers and Pinewood entertain Ballybridge. In division two Clashmore Ramblers have neighbours Blackwater Rangers as visitors.

League leaders Gortroe are at home to Glenview while other games take place in Tallow, Modeligo, An Gaeltacht and Affane.

### PREVIEWS DIVISION ONE

#### LISMORE V INCH

Lismore will be hoping to get all three points at home against East Cork side Inch. Both sides have had their moments to date but we feel the homeside should take the points here.

#### PINEWOOD RANGERS V BALLYBRIDGE UTD.

These two sides will go looking for victory on Sunday. A victory is vital to both sides here as neither Rangers or Utd. have got the start they would have wanted. Rangers in particular had a terrific run in The Tony Bolger Cup but they seem to have lost their form since then.

#### MOGEELY V VALLEY RANGERS

These two sides always produce the goods as it were when they meet. Mogeely can feel well pleased with their season to date. Rangers are always in there challenging for league honours although they have given some younger players a run this season. Mogeely at home are hard to beat and we give them the vote for Sunday's game.

#### BALLYDUFF V ARDMORE

This West Waterford clash should be a thriller between two sides who could very well be in the running. Ballyduff lost a two goal advantage two weeks ago against Valley Rangers. Ardmore have got off to a great start and it will be interesting to see if they can keep it up. Every club will be looking to see if Ballyduff can do them a favour and defeat the league leaders.

#### CAPPOQUIN V BRIDE VIEW UTD.

We usually see plenty of goals when these two West Waterford sides meet. Cappoquin are never easy to beat in Tourin but with Utd. having a full side on Sunday they should clinch the points here but it should prove to be an exciting game.

### DIVISION TWO PREVIEWS

#### BRIDE VIEW UTD. V CAPPOQUIN

This is a game that could go either way. Utd. have had an indifferent start to the season but most of the side are young and may need a season before they knit together as a team. Their visitors on Sunday may find Utd. too good for them.

#### CLASHMORE RAMBLERS V BLACKWATER RANGERS

This local derby should attract a good crowd to the Ramblers venue for what should be an exciting game. Ramblers have been improving with every game. However we give the vote to Rangers but anything could happen between these neighbouring sides.

#### Affane v Castlebridge Celtic

A new look Affane side versus newcomers Celtic should prove to be an exciting game on Sunday. It's a very young Affane side this season and on Sunday they face a bigger Celtic side who just may take all three points.

#### AN GAELTACHT V YOUGHAL

The homeside have had some hiccups this season and on Sunday they come up against an experienced seaside team hoping to do well this season. An Gaeltacht will be hoping to collect all three points on Sunday and they may just do that.

#### MODELIGO V ARAGLEN

The homeside have been picking up some points this season mostly from drawn games. Their visitors on Sunday namely Aragen are in top form this season and should take the points on Sunday.

#### GORTROE V GLENVIEW

East Cork side Gortroe can on their day become unbeatable. Alan Geary is in top form for them and can be counted on for a goal or two on Sunday. Glenview will depend on Duggan and McGrath to find the net for them. If Gortroe can contain these two them the points should be theirs.

EAST CORK/WEST WATERFORD SCHOOLBOY SOCCER

Ramblers And Celtic Serve Up A Thriller

Clashmore Ramblers and Castlebridge Celtic both newcomers to the league fought out a thrilling u-18 game on Saturday last with Ramblers coming out on top by the odd goal in seven. Bride View went top of the league by winning in Inch while Youghal and Ballybridge shared the points.

In the u-14 league Inch had a big home win as Ballybridge Utd. and Blackwater Rangers both share top of the table spot.

Valley Rangers got off to a flying start when they defeated joint leaders Ballybridge.

RESULTS U-18 LEAGUE

INCH 0

BRIDE VIEW UTD. 2

Utd. went close in the opening half but found Inch's keeper O'Mahoney in top form. On at least three occasions during this half he denied Utd. taking the lead. At the break the sides were still scoreless.

The opening goals came 10 minutes into the second half. Seamus Tobin beat the full back before crossing a superb ball to the in-rushing Stephen Pratt whose shot for once beat O'Mahoney although he did manage to get a hand to the shot. O'Mahoney again denied Bride View in the 62nd and 66th minutes with terrific saves but there was very little he could do to stop Utd's second goal when Pratt set up Shane McCarthy to score Utd's second. A good game this and while Utd. were on top Inch looked dangerous on the break. Utd now go top of the league table but it's early days yet.

YOUGHAL 1

BALLYBRIDGE UTD 1

Ballybridge took an early lead here through Dermot Walsh in the fifth minute and held this lead till the break.

The seaiders stormed back in the second half but found the visitors defence hard to break down. The goal they so badly wanted came midway through the second half to leave the sides level 1-1 with 20 minutes to go. Both sides had their chances in this period with John Rogers going close for Ballybridge but at the end of the game both sides had to settle for a share of the points. Youghal's scorer was Eddie Hennessy.

CLASHMORE RAMBLERS 3 CASTLEBRIDGE CELTIC 4

This can only be described as a thriller. Ramblers 3-1 down at the break stormed back in the second half to level the game but with just 8 minutes left Celtic struck what proved to be the winner.

Both sides are newcomers to the league and they are to

be complemented on their performances here in what was a very entertaining and sporting game. Scorers here for Ramblers were, Eric Trihy, Donal O'Keeffe and Roger Ryan from the penalty spot. Trihy here was in outstanding form with good displays also from Karl Power and Roger Ryan.

U-14 RESULTS

INCH 4

BRIDE VIEW UTD. 0

While the scoreline suggests an easy victory for Inch it should really have been a much tighter affair. Utd missed two penalties here. Jimmy Foley was outstanding here for Inch and without doubt is a player of the future. His running and skill on the ball was a joy to watch. He also takes his chances. Foley rounded off a marvellous performance with two goals. The first came after just 3 minutes but Utd. missed a penalty 4 minutes later which proved to

be the turning point in the game as Inch led 3-0 at the break.

Utd. missed another penalty midway though the second half but Inch finished the game with another goal to clinch the points. Scorers here for Inch were Jimmy Foley (2), Michael Kelly and Patrick Rohan.

BALLYBRIDGE UTD. 0 VALLEY RANGERS 4

John Carr hit a hat trick here for Valley Rangers and helped his side to a great victory. Rangers led here 3-0 at the break.

Ballybridge came more into the game in the second half but they could not break through a strong Rangers defence. Rangers added a fourth goal in this second half to get their league campaign off to a winning start. Colin Hogan was the other scorer here for Rangers. Emmet O'Brien and Eoin Conway played well here for Rangers.

CASTLEBRIDGE CELTIC 2 BLACKWATER RANGERS 4

A mix up in times here saw the homies take the field twice. Celtic through Stephen O'Connor and John MacKesy saw them go in at the break leading 2-1.

Rangers slowly but surely got back into the game in the second half and scored three times without reply from Celtic and so the visitors clinched the points here after a very entertaining game. Rangers now join Ballybridge at the top of the league table.

In the u-12 division one league Carrig Rangers are looking good but they cannot afford to drop any more points as they have Ballybridge and Bride View waiting for any lapse on Rangers behalf.

In division two (u-12) Ardmore defeated leaders Youghal last weekend and this puts Ardmore and Castlebridge Celtic back in the hunt as both have games in hand but Youghal must still be favourites.

The u-14 league is turning out to be a thriller with all clubs taking points from one another. The exception to this being Bride View who are propping up the table. Six clubs are still in with a real chance here.

Youghal seem to be the team to beat here but there is still a long way to go here.

U-18 LEAGUE

This league is in its early days yet and we can see some thrilling games coming up here in the months ahead. There is very little separating the top clubs here. This is a league that could go right down to the wire.

This is just a reminder to all players of the following directive: a player who assaults a referee is suspended from the moment of the assault.

The minimum suspension to be given is 1 year.

A report to the relevant body within seven days. Thankfully any of the above has not happened over the past few seasons and we do not anticipate it happening. While the above was read out at the last delegate meeting we would just like to remind all players just in case anyone was thinking of doing any of the above. Just joking lads.

Gaeltacht Soccer Notes

Our second game of the league was played away to Cappoquin on Sunday last and we came away with a 3-0 victory. While there was a marked improvement in Sunday's performance, there is still room for lots more.

The game was slow to start but after 15 minutes Dermot Drohan was pulled down in front of the Cappoquin goal and his answer was to score a great goal from the resultant free. Half time score 1-0.

Cappoquin pushed very hard in the second half and only when Leonard Whelan scored our second goal after 20 minutes of play did a win look possible. With ten min-

utes to go Dermot put the icing on the cake when he scored his second goal of the season. Final score 3-0.

Congratulations to Joe and Liz on the birth of their baby daughter last week, a little sister for James.

Michael Culloo and Ger Flavin produced a blistering back nine of twenty four for a total of forty two points early in the day. No one could get near it. Jim Hornibrook and Pat Morrissey came the nearest with a fine score of thirty nine points.

It was a most enjoyable day for all qualifiers, who all eagerly look forward to next year's event.

As can be seen, the fronts of all greens are closed off by pegs and ropes and all members are requested to take note of the various notices around the course concerning the rules to be applied. A ball which lands inside these ropes must be dropped back outside the ropes, without penalty and within two club lengths. A ball which hits either the rope of the peg must be replayed. It is imperative that all divots must be replaced and pitch marks on greens repaired. Any player in breach of the above will be severely reprimanded. It is in everyone's interest to keep the course in its splendid condition.

Timesheets are provided in order to allow golf to be played in the most organised and expedient way possible.

At the week-ends and in order to facilitate all golfers, all members wishing to play on the course are requested to place their names on a timesheet and be present and ready to play at the appropriate time. As a matter of courtesy to both their fellow players and club organisers, members unable to make their appropriate time, should contact the club as soon as possible. # Waterford Hot Rod Club Notes

On Sunday, October 22 the Waterford Hot Rod Club hosted their annual cup day at the Pike, Dungarvan. Present on this day were W.L.R. who were broadcasting live from the Pike.

This race is in aid of the W.L.R. Hamper Appeal and the Waterford Red Cross Society. Sponsorship cards are available for this event so please support the cause.

It was commented on by several people on Sunday about the good work which members of the committee have put in to make the track a safer place for both spectators and drivers.

Prize giving was at the Old Pike Inn on Sunday evening where a video of the day's events was shown. It was during this that Jerry Tobin commented on the fact that there were so many new faces and hopefully they will be back again.

## Touraneena Tournament Proved Very Successful

## Waterford Foods Sponsor Munster Boxing Championships

The Touraneena boxing tournament in aid of Cerebral Palsy Ireland was held on October 27. Organised by Dan Dineen, the event proved to be a great success and a large crowd turned out in the local Community Hall.

The clubs involved were Dungarvan, Fermoy, St. Paul's and St. Saviours. There were 10 contests in all. First in for Dungarvan was Jonathan Donovan. This was Jonathan's first fight and he was matched against Sean San Pedro of St. Saviours Crystal B.C. San Pedro is more experienced than Donovan so it was decided to pull him out after the first round as it was his first fight he only went in to get a taste of it. By all accounts he put on a very brave display and with a bit more training behind him we'll be seeing him back in the ring before long. Richard O'Leary took on

Roy Duggan of Fermoy. This was a great battle with O'Leary losing on points. Duggan seemed to beat him to the punch a few times. A very gifted boxer is Duggan and both boxed extremely well.

The first man to win for the local club was Danny Kett when he beat Sean Talbot of St. Paul's on a majority decision. This was an action packed fight by the two big men with none of them holding anything back. It was a very close fight with Danny giving away a bit of weight.

Pa Fleming took on Ian Walsh of St. Paul's. Ian is Killian Walsh's brother and is a tough strong boxer. He won the first round, but Fleming was the fitter of the two and went on to win the second and third rounds to be declared winner unanimously. Next were two novices,

Tony Harty (Dungarvan) and Mark Hannon (Fermoy). This was a great fight as novice fights as often prove to be. Both boxers were glad to hear the final bell with Tony Harty the clear winner.

Aidan Duff-White came out of retirement again, to

take on the younger and fitter Pio Duggan of Fermoy. Aidan's skill won him the first round, but Pio won the contest on fitness. Aidan said he's definitely retired now to concentrate on judging, somehow I don't believe him! The fight of the night was

between James Keohan and Keith Whelan (St. Saviours Crystal B.C.).

Keohane was a bit rusty and it took him a while to get the hang of the very strong and tricky boxer. Keith Whelan won the first round well, but in the second it was Keohane's

punches that were more accurate. In the third round, Keohane seemed to have Whelan in trouble at one stage but he soon regained himself as experienced boxers do. This was a great workout for both boxers with Keohane the well deserved winner.

**CO. U-21 (A) HURLING FINAL****Ballyduff And Mount Sion Must Meet Again**

This year's Co. U-21 (A) final needs a replay to decide who are crowned champions after Ballyduff and Mount Sion finished level at Portlaoise on Saturday last. This was a tremendous achievement by the Western Champions who went into this game as complete outsiders but they were very unlucky not to have lifted the cup for the first time.

It was Ballyduff who applied the early pressure and after an early wide, they opened the scoring in the 3rd minute when Brendan Hannon pointed a free after team captain Kenneth Geary was fouled. David Acheson equalised after four minutes of play before Ken McGrath goaled for the reigning champions in the 10th minute to put them 1-1 to 0-1 in front.

Kenneth Geary, Denis Drislane and Brendan Hannon from a free had Ballyduff back on level terms at the end of the first quarter. Tom Feeney put the reds back in front when he pointed a free from 65 metres out and Gearoid Berry put two between the sides after 23 minutes. Barry Browne pulled one back for 'Sion before Brendan Hannon on the stroke of half

time pointed a free following a foul on Ml. Molumphy to leave the Western challengers 0-8 to 1-2 in front at the break. Was a major surprise on the cards? Ballyduff fully deserved that interval lead and with a little luck could have been more in front at the break.

Within 30 seconds Ml. Molumphy pointed for 'Sion to cut the deficit to two points. However, within 3 minutes Brendan Hannon pointed twice from play to open up a 4 point gap. Gavin Foley and Roy McGrath had points for the title holders who were now under severe pressure to hold onto their title.

In the 39th minute Hannon who was his sides top scorer with 1-6 pointed another free. The score that seemed to have swung the game Ballyduff's way came in the 43rd minute when Brendan Hannon goaled after a brilliant run through the Mount Sion defence. This score put Ballyduff six points in front 1-11 to 1-5. But champions don't relinquish their title easily and in through the Mount Sion spirit the city side fought back. Points from Ken McGrath (free, 44 minutes), Shane Flynn (45 minutes) and two from Roy McGrath in the 49th and 53rd minutes left Ballyduff two points in front

1-11 to 1-9. The Eastern champions second goal came 5 minutes from time when Paul Browne who had come on as a sub. found himself unmarked at the edge of the square to put his side 2-9 to 1-11 in front. But Ballyduff fought hard for the equaliser and they were rewarded when midfielder Alan Martin found the range in the 60th minute to tie the scores. On the puck out referee Pat Walsh blew the final whistle and both sides must do it all over again. This was an excellent spirited performance from Ballyduff who can feel very proud of their performance.

Ballyduff scorers—B. Hannon 1-6, K. Geary 0-2, T. Feeney 0-1, D. Drislane 0-1, A. Martin 0-1; G. Berry 0-1.

Ballyduff—John Twomey, Tom Molumphy, Tony Scanlon, Pat Scanlon, Michael Drislane, Tom Feeney, Gerard Feeney, Patrick Molumphy, Alan Martin, Kenneth Geary, Denis Drislane, Joe Feeney, Garoid Berry, Michael Molumphy, Brendan Hannon. Sub. Kevin Barry for Gearoid Berry.

Referee: P. Walsh, Four-milewater.

The replay will go on at Portlaoise on Saturday week, November 18th at 1.30 p.m. with extra time if necessary.

**MINNIES SQUASH CLUB NOTES**

The Baumann sponsored tournament semi finals began on Tuesday October 31st.

Team H of Andrew Lally, Martin Walsh, Tom Landy, Martin Moore and Anne Dunford had a some what easy route to the final by beating team C of Dermot Kelly, John Reynolds, J.J. Henley, Kevin Tutty and Peg Whelan. Ann Dunford beat Peg Whelan a very convincing 3-0 in the first match. Martin Moore beat Kevin Tutty 3 sets to 1 while Tom Landy beat J.J. Henley 3-0. These three very good wins ensured victory for Andrew's team and a place in the final.

Team F, in the other semi final didn't have such an easy victory but nevertheless did enough to earn a place in Thursday's final. Team F of Dave Power, Paddy Walsh, Patsy Hackett, Billy Smyth and Sean O'Regan overcame the "A team" consisting of Ray Moore, Pat Cullen, Felie Shields, Pat Barron and Evelyn McAvinue.

At number 5, Evelyn beat Sean O'Regan 3-0. Evelyn's training/coaching with Jack Laffan is certainly paying off this season. Billy Smyth beat Pat Barron with a scoreline of 3-1. Paddy Walsh had a close game with Pat Cullen, Paddy winning 3-2. Felie Shields played a very 'in form' Patsy Hackett and never seemed to get on top of his game, Patsy winning 3-0. This left the number one's to battle it out on court 3. Ray Moore once again played some very good squash but it was not enough to get him through to the final as Dave Power managed to get the one set his team required to go through. A very enjoyable game of squash between Dave and Ray.

**THE FINAL**

The final of the Baumann's Tournament took place on Thursday November 2nd with team F of Dave Power, Paddy Walsh, Patsy Hackett, Billy Smyth and Sean O'Regan being victorious over team H of Andrew Lally, Martin Walsh, Tom Landy, Martin Moore and Anne Dunford. Congratulations to the winning team and many thanks to Baumann's for their sponsorship of this tournament.

**HOFFMAN'S TOURNAMENT**

The Hoffman's sponsored tournament will get underway on November 21st, 1995. The closing date for this tournament is Wednesday, November 15th. Entry fee is £2.

**ALLROUNDER LADDER**

The ladder fixtures are on display now so please have your games played before Wednesday November 22nd.

**MUNSTER OPEN SQUASH TOURNAMENT**

The Munster Open Squash Tournament was held in Cork over the weekend. Only a handful of Minnies Club members supported this tournament namely Ray Moore, Pa McGovern, Evelyn McAvinue, Peg Whelan and Paul Freyne. Ray and Pa were contenders in the B section but both players were knocked out in the first round. Unfortunately, the story was the same for Ladies C players Evelyn and Peg.

Paul Freyne was in action on Friday night against Seamus Howard, winning 3-1. On Saturday morning he continued his winning streak by beating Eddie Murphy 3-0. His winning streak ended when he was faced with the Irish number 3, Chris Collins on Saturday afternoon. Despite playing some of his best squash this season, Paul went down 3-1 to Chris. On Sunday afternoon Paul lined out against Abbeyside man, Munster player, Brian O'Connor for the third and fourth play offs. Brian was victorious beating Paul 3-0. Congratulations to Brian and Paul on their success in Cork.

**Dungarvan Hockey Club Notes****MUNSTER HOCKEY LEAGUE****Dungarvan 3 Harlequins 0**

Dungarvan continued their winning ways with a well deserved victory against Cork side Harlequins at St. Augustines college on Saturday last. The home side dominated from the start and it wasn't long before they went a goal ahead, centre forward Sharon Murphy flicking past the keeper after a great solo run. The score was 1-0 at half time. Left winger Jane Keane, on her debut for the team, scored twice to leave Dungarvan convincing winners. Player of the match: Kate O'Sullivan. Thanks to umpire Ann Bones.

Team—Eva Quinlan (capt.), Gillian Dalton, Deirdre Nagle, Lorraine Hayes, Clare Fennell, Louise Conroy, Diane Behan, Sharon Murphy, Carole Tobin, Sandra Leo, Alison Leo, Moya Verling, Clare Morrissey, Kate O'Sullivan, Ciera O'Hare, Mary Dee, Ciera Morrissey, Eva Carthy, Marie Sheehan, Jane Keane and Susan Brosnan.

**MUNSTER INTERMEDIATE A LEAGUE****Dungarvan 0 Lansdowne 0**

Dungarvan with three play-

ers missing, captain Roisin Foley, Aine Cummins and Therese Larkin were expecting a tough home encounter against the Limerick side on Saturday last. The home side were determined to do well following the previous away defeat to University of Limerick. In a game that was very exciting to watch, Dungarvan matched their opponents in terms of skill and commitment. The closest either team came to scoring was when the Lansdowne keeper made a brilliant save from a powerful Gillian Dalton shot following a short corner.

This was a superb performance by Dungarvan, with all players contributing. Lenora Fitzgerald in goal was ever alert and made a splendid save. In front of her the defence of Avice Kiely, Martina Moore, Lucinda Fraher and in particular Nollaig Sheehan were outstanding. The midfield trio of Christine O'Keefe, Mary Ronayne and Ann Brennan worked skillfully and tirelessly to keep Dungarvan in control. The three forwards Gillian Dalton, Moya Verling on her debut for the team and Lorraine Hayes had the experienced Lansdowne defence in constant trouble and were ex-

tremely unlucky not to score. Player of the match Nollaig Sheehan. Thanks to umpire Ann Bones.

Team—Roisin Foley (capt.), Lenora Fitzgerald, Avice Kiely, Martina Moore (Lancers), Mary Ronayne, Aine Cummins, Christine O'Keefe, Ann Brennan, Lucinda Fraher, Nollaig Sheehan, Therese Larkin, Louise Conroy, Gillian Dalton and Clare Fennell.

**MUNSTER LEAGUE MEN'S HOCKEY C of I I****Dungarvan/Clonmel 1**

D/C played their second league match of the season away to Cork side Church of Ireland in Garryduff last Sunday.

C of I were in control during the early stages and went 1-0 ahead, following a sustained period of pressure. D/C equalised after ten minutes, John Ryan scored following a short corner. An away draw score means D/C have 5 points from a possible 6. A very good start indeed. Thanks to umpire Ann Bones.

Team—Tony Bones, Tom Gartland (capt.), Tony Kenny, Stephen Dunne, Simon Drummy, Richard Hanna, Gerry Foley, John Ryan, Anthony Bones, Philip Major, Peter Doyle and Brian Murphy.

**Clonea Bowling Notes****LADIES MORNING BOWLING**

Last Tuesday mornings final week had the excitement that has come to be expected on finals of all ladies competitions. Mary Walsh did not show up so Joan Moloney straight away had a slight edge before any ball was bowled. Joan, so many times has come so close and she wasn't going to let it slip away this time. She didn't

produce one of her high scores, as she has done in the last few weeks. But she didn't need to. With the best 3 scores taken Joan Moloney had won the October competition by 21 pins, putting Mary Walsh into 2nd place, the first time in a month that she has been off top spot. We must, however, congratulate Joan on her fine win. Hannah Walsh grabbed 3rd place with Libby Walsh taking fourth place. Thanks to all the other ladies who took part and we hope you all play in the next competition, the "Christmas Hamper". It is starting this week and running over 7 weeks with the best 4 weeks being counted. This competition will end on Tuesday 19th December. The placings after the final week are so follows: (1) Joan Moloney 350; (2) Mary Walsh 329; (3) Hannah Walsh 311; (4) Libby Walsh 304; (5) Ivy Ahern 298; (6) Nancy Daly 292; (7) Breda Bannon 292; (8) Peggy Hanrahan 281; (9) Mary O'Neill 262; (10) Joan Curran 252; (11) Eileen Gwin 247; (12) Kathy Gough 243; (13) Frances O'Brien 236; (14) Eileen White 232; (15) Carol McAndrew 219; (16) Patricia Donnelly 198; (17) Mary Mannion 188; (18) Nellie Moloney 176; (19) Alice Butler 172; (20) Pattie Ormonde 168; (21) Margaret Kiely 153; (22) Mary McGee 150; (23) Nell Cullinan 146; (24) Margaret English 145; (25) Biddy Young 58.

**MIXED DOUBLES**

This competition is starting next week and names are now being taken. If you don't have a partner don't worry as partners are been drawn from a hat. A handicap system is used which benefits new bowlers, so why not give it a go. Ring

PRIMARY SCHOOLS G.A.A. NOTES

# Abbeyside Win First Division 'A' Title

A little bit of history was created at the Fraher Field on Saturday, October 28, when a team of young boys raised the Div. A Cup in triumph for the first time. In a close, tense-fought encounter, they eventually overcame a determined Ballymacarbry challenge to win on a scoreline of 4-4 to 2-3.

On a day when conditions were perfect for football, both teams were giving nothing away in the early exchanges. Abbeyside missed an early chance, but it was Ballymac' who broke the ice with a goal from Shane Whelan. Sean Cleary pointed for Abbeyside from a pass by David McGrath. Generally, it was a scrappy game as most of the play was confined to an area up and down the middle of the pitch.

Sean Kiely shot to the net to put Abbeyside in the lead for the first time. Simon Wall evened the scores for Ballymac' and when Eamonn Morgan kicked a well taken penalty, the country team reached half time a goal ahead.

Ballymac' were first to settle as Patrick Walsh struck a sweet point with his left leg. The blue and whites should have had another point but the free-taker opted to try to rattle the net through a crowded goalmouth.

A beautiful combined movement put Aidan Walsh through for a point for Abbeyside. A minute later when the ball hit the post, John Hurney was on hand to strike to the net. John Hurney pointed and so did Marc O'Donnell when Sean McGrath fisted on a well taken sideline kick.

The tension and excitement created an electric atmosphere in the stand. William Morrissey had a

well taken goal after a melee in the goalmouth. Abbeyside introduced Conor Moran as substitute and they held on well for a famous victory. In a game that was close, tense but exciting David McGrath was Abbeyside's most effective player and he got good support from John Hurney and Sean Kiely.

## GLENBEG/CARRIGLEA WIN DIV. C PAT FLYNN SHIELD

GLENBEG/CARRIGLEA 3-3 AN RINN 1-6

The game commenced at a steady composed pace with both teams probing for an opening. G/C opened the scoring with a long range point. Cathal O hUallachain pointed a free for An Rinn. An Rinn played the direct game with long balls into the forwards but it was not paying off at this stage as William Murphy made a number of vital interceptions. Aoife Murphy carried the game to An Rinn on a number of occasions with strong solo runs. Dermot McGrath breached Ring's

rearguard with a ground shot that found the net.

Liam De Grás shot wide from a good position. Simon De Cogan advanced to make a brave save from the inrushing G/C forwards. Bhí Seán O hArta ag imirt go hiontach sa tréimhse suas go dú leath-am.

Díreach i ndiaidh an sos ghnóthaigh Pól O Cuirín cúilín deas. Tony Halpin shot over a peach of a point having soloed along the end line. Then Shane McGrath, with a side-step and solo scored an important point.

Antón De Siúin gave away the ball with a slack pass but Liam De Grás compensated when he shot powerfully to the net.

Gerry McGrath pointed out to teacher Breda Cleary that Ring had switched their big player to centre forward. Simon De Cogan made a miracle save to keep An Rinn in the game. Bhí Cúilín eile ag An Rinn agus cheap mé go raibh an-seans acu an cluiche a bhuachaint. C/G 1-3, An Rinn 1-2.

Ring attacked in numbers but the player on the ball opted to shoot himself rather than pass to a free team-mate. His shot was saved. It is in incidents like this that matches are won and lost. And so it proved on this occasion also as from the breakaway attack Tony Halpin secured the vital goal. An Rinn sent a free wide before Liam De Grás scored a point.

Pádraig O Catháin shot two points with the sweetest left leg in primary schools football. G/C had the final say in an enjoyable encounter when Shane Nugent threw a leg at the ball in a goalmouth scramble to score what proved to be the winning goal.

# TERRY FOX RUN ON SUNDAY

On Sunday, November 12 the Dungarvan Terry Fox Run for Cancer Research, organised by the Irish Cancer Society, will take place from The Square to St. Augustine's College at 2.30 p.m. The run, walk and buggy push will be led off by Dungarvan Brass Band and upon arrival at St. Augustine's refreshments and goodies will be available to everyone. The second part of the evening's activities will be the annual Michael C. Nagle Dungarvan five miles cross country championship at 3 p.m. in aid of cancer research. A social evening will be held afterward in Dick Brennan's, The Square.

Terry Fox, a young Canadian who had his leg amputated because of cancer, died in 1981 during his famous attempt to run across Canada to raise funds for cancer research. Today, annual runs are held in Terry's memory in over 45 countries worldwide, making the Terry Fox Run the world's single biggest fundraising event for cancer research.

**SONIA O'SULLIVAN**  
Ireland's top class athlete, Sonia O'Sullivan has agreed to lend her support to the Irish Cancer Society by acting as patron for the Terry Fox Run for the third year in succession.

## SONIA O'SULLIVAN SUPPORTS 1995 TERRY FOX RUN

World class athlete, Sonia O'Sullivan pictured with Jennifer Lawton (8), and Joshua Kane (9) at a reception to announce her patronage of the Irish Cancer Society's 1995 Terry Fox Run for Cancer Research, which takes place in over 130 locations countrywide during November.

The Irish Cancer Society, the major funder of cancer research in Ireland, introduced the run to this country in 1993 and, to date, the event has raised £270,000 for Irish cancer research projects.

Prof. J. J. Fennelly, Consultant Medical Oncologist and Chairman of the Irish Cancer Society said, "The field of cancer research has changed dramatically over the years and nowhere is this more evident than in the areas of genetics and molecular medicine. Since cancer is a disease with a clear genetic basis, the ability to manipulate or replace genetic material within the cells using gene therapy will have a tremendous impact on the practice of medicine in the future."

Prof. Fennelly stressed the importance of clinical research particularly in evaluating newer types of treatment for patients with cancer. "A most exciting area at the moment lies in evaluating new drugs such as Taxol and Taxotere, which are proving to be of particular value in the treatment of breast, lung and ovarian cancer.

Prof. Fennelly also highlighted the importance of newer agents to prevent the symptoms of treatment — such as anti-vomiting drugs. Over 15,000 people develop

cancer in Ireland every year, however, thanks to cancer research about 50% of those go on to lead normal lives.

If you would like more details of the Dungarvan Terry Fox Run for Cancer Research please contact the Irish Cancer Society on 1850 60 60 60.

The following letter was forwarded to the Dungarvan Branch of the Terry Fox Run by Terry Fox's mother, Betty L. Fox, Honorary Chairperson of the Terry Fox Foundation.

"It is a great privilege for me to write to you to thank you so very much for your wonderful support of the Terry Fox Run. I know that the continued success of the Run is due to the hard work and dedication of you and many others around the world. It is no exaggeration to say that without your support there would not be a Terry Fox Run.

Terry's belief that each one of us can make a difference is reflected in the growth of Terry Fox Runs worldwide. Terry's Marathon of Hope and the past 14 runs have raised over \$144 million for cancer research. In 1994 an amazing 15,000 Run organisers mobilised over half a million supporters to raise \$9.2 million. We are overwhelmed by this outpouring of commitment and dedication in Terry's memory to end the suffering that cancer causes.

Ireland has become a shining example to all of us. The wonderful giving spirit of the Irish people has long been known, but your hard work and marvellous dedication is an inspiration to all of us.

On behalf of my family I send you my heartfelt thanks."

## No Waterford Teams For National Inter Counties

Following the recent poor entries at the Waterford senior and junior championships in Ballygunner, County Board officials have decided not to enter any teams for the National Inter County Championships at Killenale on Sunday week. While this decision is understandable to a point, especially regarding the seniors, it is common knowledge that there is in the county junior mens and womens teams capable of running well in Killenale. Six junior men and five junior women competed in Ballygunner and following last Sunday's successes by the Waterford under 23 teams, all of whom are eligible for junior (under 19) bar one, it is a pity that these runners will not be competing in Killenale.

## MICHAEL C. NAGLE CROSS COUNTRY CHAMPIONSHIP

# Village Victory On The Cards

## Kieran Maher The Man To Beat

The third Dungarvan Athletic Club Cross Country Championship held in memory of former Irish sprint champion and our first club chairman Michael C. Nagle takes place in St. Augustine's College, Abbeyside this Sunday at 3 p.m. as part of the Terry Fox Run in aid of Cancer Research.

The run will be held over a four lap route covering five miles and it includes individual and team categories. At individual level Kieran Maher, representing Ring, showed his hand a week early last Sunday when he defeated the top local runner of the season Philip Harty (The Brickeys) in the Munster Under 32 championship. A repeat of that form will surely win him the magnificent perpetual Michael C. Nagle trophy on Sunday. Other runners who should figure prominently in the individual race on Sunday include the inaugural winner Gerry Cantwell, Tony Harty and Abbeyside's Michael Roche. The reigning title holder Mark Radley will be a non starter due to injury.

Race forecast — 1 Kieran Maher (Ring), 2 Philip Harty (The Brickeys), 3 Gerry Cantwell (Ring).

An amazing statistic about last year's team winners Dungarvan is that all six runners are currently out of action, three through injury and three on a career break. This opens up the team championship and on all known form it looks as if the Villagers from Abbeyside will win their second title. In Michael Roche, Liam Cline, Liam Rossiter, Seamus Healy, Caseyville emigrants Finbarr Kelly, Michael and Anthony Dwyer and

Tom Fitzgerald, Johnny Whelan, Eoin O'Riordan, John Clarke, Tom Fitzgerald, Ger Wyley, Tony O'Mahony and James Moore, to name but a few, they possess the strength in depth to win overall honours.

The Ring team of Kieran Maher, Gerry Cantwell, Michael Murphy, Jamie Costin, Trevor Mason and Tom Fitzgerald were only beaten by two points last year but it remains to be seen if they can muster a team of this strength again this year. If they can, then a surprise victory is possible.

The Brickey Rangers will have a good representation in the race with the Harty's, Anthony, Philip, Tony and Mark fronting their challenge along with the consistent Colin Lyons. However questions will be asked about the tail of their team and here Stephen Curran, Tony Ryan, Eamonn Martin and Pat Curran will have to rise to the occasion if the Brickeys are to mount a serious challenge.

The performance of the new look Dungarvan team will be awaited with interest with Martin McCarthy, Paul Keating, Martin Sandford, Tommy Egan, Johnny Mason, Dermot Dwyer, David Power and Paddy Lannon heading their challenge.

Race forecast — 1 Abbeyside, 2 Brickeys, 3 Ring.

★ The course record is held by Gerry Cantwell at 27.34.

★ The highest entry is forty runners from 1993 and the lowest winning points total is 56 pts by Abbeyside also in 1993.

## MUNSTER NOVICE AND UNDER 23 CROSS COUNTRY

# Waterford Win Silver

The Munster Novice and Under 23 mens and womens cross country championships were held in good running conditions in St. Augustine's College, Abbeyside last Sunday. The mens novice and under 23 titles were won by Gerard O'Cooney (Clare) and Kieran McKeown (Cork) respectively. Both womens titles were won by Freda Davaren (Kerry and U.C.C.).

Waterford were well represented at the championships with the mens and womens under 23 teams winning the silver medals behind Cork while at club level KCK were second in both the novice and under 23 ladies races with West Waterford third at under 23 level.

In the first race of the day Triona Whyte (KCK) ran a fine race to finish tenth and she was well supported by Jacinta McCarthy (20th), Monica Power (24th), Muriel Cummins (26th), Paula Keohan (29th), Sandra Clancy (32nd), Roisin Lynch (34th) and Andrea Travers (36th). This was the largest representation by the county at these championships for many years. In the club section KCK ran very well to capture both sets of silver medals with West Waterford consolidating the county's challenge in winning the bronze medals.

In the mens race Kieran Maher (West Waterford A.C.) showed that he has been putting in the miles in training in recent weeks when he ran a very good race to finish sixth, being just pipped for fourth position on the run-in. Kieran is not far behind the best in his category but it will take a consistent all year round involvement if he is to fulfill his potential in running. The county under 23 team finished second with solid performances also coming from Philip Harty (9th), Larry Morrissey (12th), Kevin Healy (30th), Owen Casey (33rd), Darren Drummy (36th), Trevor Walsh (40th) and James Maguire (45th). The mens novice team didn't figure among the medals but the above runners plus Tom Burns (20th) and Martin McCarthy (32nd) ran well in a very fast race.

## First Local Finisher In Dublin Marathon

Well done to Abbeyside wheelchair athlete Derry Durand, who clocked an impressive 2 hrs. 47 mins. and 45 secs. in the Dublin Marathon last week. This time made Derry the fastest local finisher by over eight minutes. This was Derry's second marathon in recent weeks as he competed in the Berlin Marathon last month. In Dublin Derry finished fifth overall in his category.

# BRICKEY RUN

**RACE MEETING** — Bridie Dee's, Mary Street is the venue this Thursday evening at 10 p.m. for a meeting to organise this year's Brickey Christmas Run. All are welcome.

**COURSE RECORD** — ODELL SUPREME — There are two legged greyhounds in Mount Odell following last Monday evening's training run as Pat Curran smashed the Powers Whiskey course record by two and a half minutes in clocking 24.12 for the training run. In ideal conditions the former inter county hurler pulled away with ease from former runner Tony Ryan inside the last half mile with a burst of speed reminiscent of other days. The ever present James Moore beat Eamonn Martin for third spot but the Kerryman is far from a spent force regarding the course record as he clocked a nippy 24.30 himself on the night. The rest of the field finished in Indian style behind these four runners.

**CHALLENGERS INVITED** — If you want to challenge for the Brickeys Beginners Powers Whiskey course record, the place to be is Bushy Park on Mondays at 8 p.m. There is also a ladies course record and changing and shower facilities are available at the venue.

## Munster Juvenile Championships

Waterford will be well represented at the Munster Under 8, 10, 12, 14, 16 and 18 girls and boys Munster cross country championships in Whitechurch, Cork this Sunday. The first race gets underway at 1 p.m.

## RING/OLD PARISH A.C. NOTES

# MUNSTER MEDALS FOR RING/OLD PARISH ATHLETES

On Sunday week last we travelled to Newcastle West, Co. Limerick to take part in the Munster Cross County Championships for the uneven age groups. It was an ideal Sunday for running and with medals for the first 12 individuals also club and county medals we were pleased to take home 20 Munster Medals, on a day when the top athletes in Munster were in action. With anything from 90 to 140 taking part in some of these races each medal was well deserved.

Eanna Donnelly was our first medal winner for the day after a super U-9 race into 8th place and this also meant another medal for Eanna as he was a member of the Waterford team to take the bronze medals here. So well done Eanna and also the other County team members. We had good running also U-9 from Mark Weldon, Declan Allen and Cillian O'Keeffe.

Our U-9 girls Aine Lombard, Brona Ní Fhaoileán, Anna Murphy, Clodagh Hanrahan, Bebhinn Nielsen and Frances Dee also ran well.

Triona Shalloe had a marvellous U-11 race into 8th place also, with a super run by Deirdre Breathnach into 13th place just out of the individual medals but this good running by Triona and Deirdre meant they were members of the county team to take silver medals, so again well done girls and also to your other team mates from the county. Lia Ní hAodh and Nicola Drummy both ran well U-11 also.

James Ledingham had a super U-11 race up into the medals in 11th place, great running James. Liam Ó Lionáin had a great race here also just missing out on the medals by a few places. Seán Dee had good running here also.

William Harty ran one of his best races ever on Sunday. William who is still only U-12 finished up in 6th place in the U-13 final. This must have been one of our best performances of the day here and William should go really well on Sunday in Cork. This fine race by William meant he was the second scoring member on the Waterford team taking the bronze medals. Robert Wade, Padraig Ó hArta, Dermot Power and Tadgh Mac Murchú all ran well here too.

Rosemarie Fleming, Aisling Kelly, Tish Coady, Susie North, Donna Hennessy, Sinéad Ní Fhaoileán, Cliona Hanrahan and Una Ní Maoileán all ran well.

We had some very good running from our U-15 girls with Aisling Weldon having a great run into 13th place.

Aisling is still U-14 and should do very well in her own age group in future events. Orla Costin, Mairéad Costin, Rebecca Harty, Michelle Healy, Kelly Shalloe and Mary Phelan all gave their best also.

We had some good running from our boys U-15 John O'Rourke, Karl O'Keeffe and Jonathan Murphy also.

Philip Harty had a marvellous U-17 race into 5th place. We had great running here also from Dermot Keyes, Kevin Healy, Walter Galvin and Trevor Walsh, and these fine boys were members of the county teams taking the bronze medals and along with Brian Swaby who also ran very well here. All these boys took the bronze medals for 3rd best club.

Claire Long was positioned very well in the U-17 race but unfortunately Claire had not been feeling the best the previous week and was unable to complete the race on Sunday.

So well done to all our medal winners on Sunday and also to those from the various other clubs in the County on their fine performances on the day and thanks to all our athletes who travelled and gave their best.

### BANK OF IRELAND TOURNAMENT

The three preliminary rounds of this tournament have now been completed and the stage is now set for the quarter finals proper. By the time these notes appear two of the quarter finals will have been played and the other two will take place on Thursday November 9th. The first preliminary round game took place on Wednesday 1st November between teams D and H captained respectively by Pat McGovern and Ray Moore. This was a one-sided affair with Ray's team going through on a 9-2 scoreline. Ray himself defeated Pat by 3-1, while at 5 the wily Willie Brown proved too strong for Martin Collinder also by 3-1. The game ended when Pat Barron received a walk-over from his opponent.

On Thursday night last the other preliminary round games took place. Andrew Lally's team E played Eoin O'Grady's team C. This was quite an exciting game which almost went the full distance. At ones, Eoin beat Andrew 3-0, the teams were further separated when Colin Cunningham proved too strong for Tony O'Mahony 3-0. The game was kept alive by John Reynolds who recorded an excellent 3-0 win over Rene di Fusco. This brought matters down to the fours David Walsh and Laurence Boland. Victory here for David was essential to keep the match alive but however, after a great struggle Laurence sent his team into the next round on a 3/2 scoreline. The final score here was 9/5 to Eoin's team, so therefore the three's of Kevin Tutty and John Keane did not need to play.

The final preliminary match was between Team J, captained by Michael Manahan and team L captained by Paddy Murphy. This contest yielded the game of the tournament between the rival captains. Paddy poached the first set 10/8. Michael fought back to win the second and third sets before the determined Murphy snatched the fourth. He kept his composure to win the fifth set and recorded an excellent victory over a super fit opponent who played his heart out. The fives of Peggy Whelan and Bridget Duggan had already played earlier with Peggy proving victorious on a 3/1 scoreline. Unfortunately this game ended as a contest when at 4 Evelyn McAviniue received a walk-over from her opponent. Paddy Murphy's team therefore advanced on a 9/3 scoreline.

Walk overs are of no advantage to anyone. Would all players please check to see when they're due to play and kindly note the order of play. This information is posted clearly in the Centre. If anyone has a problem with fixtures and if they can make suitable arrangements, the T.D.'s will try to be helpful and accommodating.

Nice to hear the courts ringing to the shouts of Paddy Cummins again. The evergreen Paddy was out of circulation during the summer months and his witticisms were sadly missed.

## PASSAGE'S PRIZE

PASSAGE 1-14 ST. OLIVERS 0-4

Despite what the final scoreline might suggest, this was a reasonably even contest, and that would have been shown on the scoreboard had St. Olivers not missed a glut of chances in the first half, mainly from frees. This under-21 'B' county hurling final was a rematch of the 1990 under-14 'B' county final, which St. Olivers won by 4-3 to 2-0. Saturday's venue, Portlawa, had never seen a victory for the united parishes club, a record which the Saints were hoping to put right in this contest.

Following a first minute close effort from Alan Ronayne, Passage took the lead thanks to a Barry Walsh point which was cancelled out less than 60 seconds later when Michael Walsh sent over a free from 60 metres out. While two frees were being sent wide by the Western champions, two points from Mark Cummins and one from Barry Walsh were putting Passage in front.

Michael Murray sent one over to cut the gap, and a free from Michael Walsh 35 metres out was deflected just past the post for a 65. It went wide. Passage went on the scoring trail after this, Anthony Brett put over a free, and following an excellent save by Paul Connery, Mark Cummins slotted it home. Barry Walsh and Damien Larkin shot points before it all became the Anthony Brett show. The Passage free-taker notched up four points in eight minutes, all from frees, as Munster's most easterly club continued piling score onto score.

St. Olivers earned points near the end of the half, when Michael Murray pucked over a free after a foul on Alan Ronayne, and Benny Fitzgerald whacked over a beauty from 65 metres. Passage led at half time by 1-11 to 0-4.

The early exchanges of the second half saw a fine block and clearance from Stephen Ronayne and Jimmy Tobin, combining well to deny the chances, and wides were shot by Michael Walsh, Deckie Carlton, Aidan Ahearne and Michael Murray as St. Olivers tried to claw back into the game, which was nearly put absolutely beyond their reach as Paul Connery denied Barry Walsh with a fine save. Michael Walsh fired in a great shot at the other end, which the Passage keeper tapped out for a 65. James Fletcher played across to the middle of the square finding Deckie Carlton who shot beyond the goalkeeper, but beyond the far post too. The only scores of the second half came from the stick of Anthony Brett, who notched up three more points to boost his tally to eight.

Most people decided to stay on for the 'A' final which proved to be a classic between Ballyduff and Mount Sion, then it was off to the Park Hotel, where all were treated to a fine meal. The club wishes to thank Kereen Bar for donating togs and socks, and Richard Hurley's shop, Aglis, for donating the half time oranges.

St. Olivers — Paul Connery, Tomas Curran, Stephen Ronayne, Jimmy Tobin, Benny Fitzgerald, Aidan Ahearne, Tholm Keane, Tom Power, Michael Walsh, Roger Ronayne, Kieran Cotter (sub. James Fletcher), Michael Murray, Caimin Radley, Alan Ronayne (sub. Deckie Carlton), Donnacha Tobin. Subs. — Anthony Morrissey, Kevin Cotter, Vincent Lombard, Anthony Walsh.

Referee — Eddie Cunningham (Tallow).

### UNDER-21 FOOTBALL

St. Olivers are due to play Ballyduff in the under-21 football semi final in Cappoquin on Saturday, however because of Ballyduff's drawn under-21 hurling final last Saturday, it may be put off for a number of weeks.

### DEISE DRAW

The club had one winner in October's Deise Draw held in Ballymacarby recently. Congratulations to William and Kitty O'Keefe, Cappagh, who won £50.

### SYMPATHY

Our sincere sympathy is extended to the family of Jack Whelan, Dromore, who died recently. May he rest in peace.

### MATCH FACTS

Who did what in the final: Passage — (1-14), 5 wides (all in the second half), 1 65, 10 frees; St. Olivers — (0-4), 13 wides, 4 65's, 13 frees.

### IN THE LEBANON

## PRESENTATION

Our under-16 hurlers will be presented with their western and county medals and also with their runners-up trophies for the All Ireland Sevens at a special function at Lawlor's Hotel on next Friday at 8.30 p.m. A special invitation has been sent out to the parents asking them to attend.

## LEAGUES

The finals of the under 8, 10 and 12 football leagues took place recently at the club grounds. This week we give a report on the under-10 final and over the next two weeks we will give a report on the under 8 and under 12 finals.

## UNDER-10

"An Ian Prendergast led Tyrone" avenged their All Ireland defeat over a Trevor Moore led "Dublin" in the Kenneally Cup under-10 football final at our club grounds. Beaten in their first two league games back in September they got their act together winning their remaining games thereby ensuring a final appearance with the once beaten Dubs. Tyrone started the final in superb fashion with the defence brilliantly marshalled by Jamie Nagle and J. P. Tutty. A constant supply of ball was sent to the forward

line which Jonathan Shaw made use of with some great scores. The Dubs defence inspired by sterling full back James Dalton and the ubiquitous John O'Keefe provided some hope in the second half when they supplied great ball to the forwards resulting in a five goal spree from John Ducey. However, at the final whistle a five point defeat was their fate and the Kenneally Cup was destined for the Prendergast household.

Tyrone — Ian Prendergast, Jason Hackett, J. P. Tutty, Jamie Nagle, Jonathan Shaw, Kevin Stack, Darren Hamilton, Trevor Whelan, Aaron Donovan.

Dublin — Trevor Moore, John O'Keefe, John Ducey, James Dalton, Andres Travers, Glen Healy, Brendan Hourigan, Danny Nagle, Christopher Troy, Ian Duggan.

## UNDER-13 TOURNAMENT

In the under-13 tournament we suffered defeat at the hands of the "Cornerstone" boys last Sunday morning by 2 points. Our next game in this competition is against Naomh Brid and will be played next Sunday at our club grounds.

## CONGRATULATIONS

From all their friends in the club we extend con-

gratulations to Tony Hamilton and Biddy Kenneally who were married recently. Tony was a member of the side that won the first of our three-in-a-row titles. We wish him and his bride many years of wedded bliss.

## LOTTO

The weekly lotto numbers drawn on Sunday last were 12, 16 and 2. We had one winner, Michael Spillane, c/o The Co-op. Promoter Paddy Foley's. Congratulations Michael. Well done. Next week's jackpot £100.

# MUNSTER U-16 FOOTBALL CHAMPIONSHIP

WATERFORD 0-4 CORK CITY 6-7

Cork had a dream start when a Waterford defender failed in his attempt to pick up the ball and Hugh Shiels cracked the ball to the net. Cork had two bad wides before a weak clearance from a Waterford defender allowed Shane Coughlan in for another major. A bad clearance from the Waterford goalkeeper went straight to Mick O'Halloran who promptly dispatched the ball over the bar. Paul Kiely beat his man in the run for possession but allowed the head high kick, slip through his hands to the surprised Shane Coughlan who punished the mistake with a point. Michael O'Halloran and Shane Coughlan smashed home a goal each before Fionan Murray was sent off the field for a tackle on Pat Fitzgerald the Waterford centre-forward. Even with an extra man, on a tight narrow pitch Waterford never used the huge spaces on the wings. As Mick O'Dwyer would say "Do ye play up and down the road at home?". James Hayes, Pat Fitzgerald and Alan Harty had points for Waterford. Even though play was shared in the second half Cork still dominated the scoring - Waterford's only reply being an excellent point from James O'Donnell. In all Cork only had 13 scores - it was the number of goals conceded that was the worrying factor for Waterford.

In the plate competition in the Pallaskeynry College

ground Tipperary played with a gale force wind in the first half and built up an irretrievable lead. The Waterford players were looking for the ball much better in this game than in the Cork one. A tendency to inferiority maybe when playing any Cork team. Kieran Keating, Kilrossanty, Mark Power and Thomas Power, The Nire were unavailable as they were assisting their clubs in the u-21 football replay. Victor O'Shea, Rathgormack was unavailable as he was attending a handball coaching clinic. The selectors present did their best considering they were appointed as late as Wednesday night when the original team manager became unavailable. All the other teams had been training together for some time and all had played practice matches. If we are to continue to participate in this competition we will have to play our under 16 championship final at least three weeks earlier and hence allow proper time for team preparation.

Waterford—Stephen Keane, Paul Kiely, Michael Supple, Tomás Meagher, Austin Flavin, Michael Ahearn, Ed. Beresford, Shane Dower, Seamus Prendergast, Cormack Murray, Pat Fitzgerald, Fergus Torphy, Alan Harty, James Hayes, Pat Morgan, James O'Donnell, Ronan McDonnagh, Wayne Hennessy, Trevor Curin, Paul Meagher, Owen M. Grath and Damien Linnane.

# SHAMROCKS G.A.A. CLUB NOTES

## UNDER 21 WESTERN 'B'

### FOOTBALL CHAMPIONSHIP SHAMROCKS/TALLOW 4-9 KILGOBINET/COLLIGAN 2-4

This semi final game was played at Cappoquin on last Sunday morning and resulted in a good win for our lads. Each of the 15 players who took part plus 3 subs gave another polished display and took all their scores very well. We had to lineout without regular goalkeeper Peter Morrison, a 'flu victim, but John Paul Grey took over and gave a faultless display between the posts. He could not be blamed for the two goals that beat him. This

game was clashing with a soccer game in which a number of our players were involved but that game was put back to a later time on Sunday and we wish to thank the management of Bride View United who facilitated us.

The following was our team on Sunday — J. P. Grey, T. McSweeney, G. Martin, T. Hickey, M. Ryan, J. Barry, F. Curley, K. Murphy, E. Murphy, James Murray, S. Barry, S. Murphy, S. Pratt, J. Baldwin, W. Murphy. Subs. — M. Hourigan, J. Murray, S. Tobin (all used).

We now play the winners of Ballyduff v. St. Olivers in the final, on a date to be fixed.

# Kilgobinet/Colligan G.A.A. Minor Club Notes

## U-12 "A" FOOTBALLERS BOW-OUT

Conditions were appalling, weather wise, in the Dungarvan pitch last Saturday morning when we met Naomh Bríd in this anxiously awaited "A" football final. On the day we were beaten by a better team and we make no excuses.

It took a while for both teams to settle down and it was eight minutes into the match when Naomh Bríd scored the first point of the game. Stephen Cass then scored a goal when the ball went in high from a free and Stephen got his fist to it. This was followed by a goal from Naomh Bríd in the 10th minute and another point before half time, which left the half time score Naomh Bríd 1-2, Kilgobinet 1-0.

The second half was tremendously exciting and there were great displays of football by both sides. It was difficult to stop Naomh Bríd's Colm Geary, Colm Gleeson and John Ahearne, but Stephen Cass, Brian Flynn and Willie Kiely from Kilgobinet certainly played their hearts out until the final whistle when the final score was 3-3 to 2-1.

Coach, Tom Kiely said his team have been exemplary in their turn-out for coaching and their commitment to the team and to himself and he felt proud that they had reached their first "A" final for the club and thanked them for their great effort. Sean Whelan, Bord Na nOg, presented the plaque to Naomh Bríd and complimented both teams on the terrific football.

Vince O'Donovan, Naomh Bríd, thanked Kilgobinet for the great game and conveyed his disappointment at the County Board's decision as late as Wednesday night not to allow the match to be played at the Fraher Field. "Did they think it was horses, not under-21s that were using the field?" said Mr. Donovan.

Michael Cass, selector and secretary of the club, felt we were the poor relations and expressed the disappointment of the teams not to have been playing in Fraher Field for the final as the boys had been really looking forward to it. Michael also thanked Eddie O'Shea and Jimmy McCarthy, Bord Na nOg, for the great contributions they made during the year.

Mr. Stephen Power, Chairman, said he would ask questions of the County Board as to why we were denied the use of the field when we would not even have been using the goalmouth of the pitch.

Maybe it's no harm to remind the County Board that our juvenile club sells 130 tickets per annum for the Deise Development Draw (not to mention the two other clubs in our parish!).

Team — Paul Norris, Alan Browne, Michael McGrath, Jamie Hickey, David McGrath, Brian Flynn, Patrick McGrath, William Kiely, Brendan Lynch, Stephen Cass (capt.) (2-0), John Wall (0-1), Mark Flynn, David Wall, Tomás O'Brien, Brendan Hickey. Subs — John Cass, Johnnie Dunford, Shane Kennedy, John Morrissey, William Hennebry, Michael Hennebry, David Hurley, Frannie Dunford, Tomás Fahey, David Browne, Edmond Cullinane.

## UNDER-21 FOOTBALL

We bow out of this championship, having been beaten by Shamrocks/Tallow on Sunday morning last.

## U-13 HURLING TOURNAMENT

We meet Abbeyside next Sunday morning, November 12, at 11.30 a.m. in Bohadon, in our first match in this series.

## CARDS

Congratulations to the three tables of eight who won last Thursday in Coolnasmear: Maggie and Michael, Breda and Josephine, Michael and Tom; lucky tables, Michael Barron and Jack Foley. Tickets: £10, Maggie Moroney; £5, Nonie Queally and £5, Mick Dalton.

## SYMPATHY

We extend sincere sympathy to Mrs. Moore and family, Coolnasmear, on the recent death of Paddy Moore. Ar dheis Dé go raibh sé.

## GET WELL

We wish Sean Whelan, Bord Na nOg, a very speedy recovery following his operation. It was great to see him last Saturday at the under-12 football final.

# Naomh Bríd G.A.A. Notes

## UNDER-12 WESTERN 'A' CHAMPIONS

Our under-12 footballers made a piece of club history when they captured the Western 'A' title. This was the club's first ever 'A' title. They faced a very good Kilgobinet side who had beaten us by a goal earlier in the season and this final proved to be a classic.

We played with a very strong wind in the first half and Colm Geary opened the scoring with a point. Kilgobinet answered back with a goal. Colm Geary ripped the Kilgobinet defence apart and delivered a ball into the forwards which Jonathan Webster finished to the net. Colm added another point to leave the score 1-2 to 1-0 a half time in our favour.

The second half was always going to be an uphill battle. We played against a gale force wind but this did not seem to affect our team. They all played for each other and wore the club jersey with great pride.

The roar went up when full forward John Queally hit the net for an excellent goal. Our next score was the score of the match. It started from a clearance from our goalkeeper. John Ahearne and Colm Geary swapped passes with John Ahearne finishing with a thirty yard run and he planted the ball in the net for a brilliant goal. Kilgobinet replied with a goal before Colm Geary sealed the victory with a point. There was a massive roar of delight when referee Eddie O'Shea blew the full time whistle.

This was probably the best team performance from any Naomh Bríd team in recent years. David O'Donovan received the shield from Vice-Chairman of Bord Na nOg and our own club chairman, Sean Whelan, after the game.

In goal, Darren did everything asked of him and he

can feel proud of his performance. Our full back line were simply brilliant. Justin and Paul played with great confidence and cleared their lines with great ease. In the other corner Paudie played the game of his life. He was brilliant in everything he did and is a brilliant prospect for the future.

Our half back line again played their best football of the year. John had a terrific game at wing back, while Denis gave yet another fantastic display at centre back. What Matthew lacked in height against his opponent, he made up for in heart. He marked his man well and gave a good supply of ball to our forwards.

Colm and David dominated midfield and kept their opponents very quiet. Our half forward line of Colin, John and Tristan worked well together. They set up scores and also helped out our backs in the second half when playing against the wind.

In the full forward line, Jonathan, John and Sean again did everything asked of them. They stopped the ball from going wide and also took their scores brilliantly. Willie had an excellent game when introduced as a sub. Our other subs were Jack and Seamus. One person who was very unlucky was our captain Jimmy Buckley. He got injured the previous day and was unable to take part in the final.

A lot of praise is also due to selectors Vince O'Donovan and John Ahearne. They have put a lot of time and effort into this team over the year. The club would like to thank the Dungarvan G.A.A. Club for making the field available at such short notice and we would also like to thank Eddie O'Shea for organising all the matches throughout the year. The final score was Naomh Bríd 3-3, Kilgobinet 2-1.

Team — Darren O'Con-

nor, Justin Power, Paul Gleeson, Paudie McCarthy, John Myres, Denis Coffey, Matthew Cashman, Colm Geary (0-3), David O'Donovan (capt.), Colin Gleeson, John Ahearne (1-0), Tristan Hickey, Jonathan Webster (1-0), John Queally (1-0), Sean O'Neill. Subs, Willie Power, Jack Power, Seamus Power.

## FRAHER FIELD

The main topic of conversation after the match was the County Board's disgraceful decision not to allow this 'A' final to be played in the Fraher Field. They deprived the 43 youngsters who were involved in this game their right to play their final in one of the country grounds. It was said that our senior Board are prepared to take £60 a year off each of their parents to refurbish the Fra-

her Field but they are not prepared to allow them to play their final there!

The reason they gave was that Waterford and Cork were to play there in a league match on Sunday. The general feeling was that everybody at the match was that 30 under-12 youngsters were not a herd of cattle and they would not have affected the field in any way.

Around the county, people wonder how come senior football and hurling are in such a pathetic state, but when you have a County Board that is liable to make such a disgraceful decision, it is easy to see why. These players are the future of the game and a lot of work is going into them from juvenile clubs and Bord Na nOg. The people working with Bord Na nOg are the people who really care about the game and they deserve better treatment from the adult Boards.

## WATERFORD G.A.A. SUPPORTERS CLUB

### BALLYGUNNER 2-8 NA PIARSAIGH 2-7

Congratulations to Ballygunner for their one point victory in the replay of their fiercely contested replay of their Munster Club Championship at Walsh Park on Saturday 4th November. This game had everything and was anyone's game up to the final whistle - 100% commitment, determination, the will to win, first time pulling, players helping out colleagues, non stop action, it was great to watch. We were proud to be Waterford.

### WATERFORD 0-8 CORK 1-15

We left the Fraher Field on Sunday very disappointed after our team's display against Cork, not because of our defeat but because of our lack of commitment in the second half, the half hearted approach of some players is not acceptable.

the selectors must act swiftly or we will end up pointless.

### BALLYMAC LADIES

Ballymac ladies had another good win at the weekend in their club championship. Congratulations ladies and well done. At our meeting at Clonea Strand Hotel on Thursday 2nd November it was agreed to hold our A.G.M. at the same venue on Thursday 14th December at 8.30 p.m. Members and intending members are asked to please make a note of the date. We would ask each club in the county to send one representative to this meeting, your support is needed for the future of our gaelic games in the county. A number of fund raising events will have to be agreed, the future of the Supporters Club depends on your help.

## ARDMORE G.A.A. NOTES

# Meet The Champions

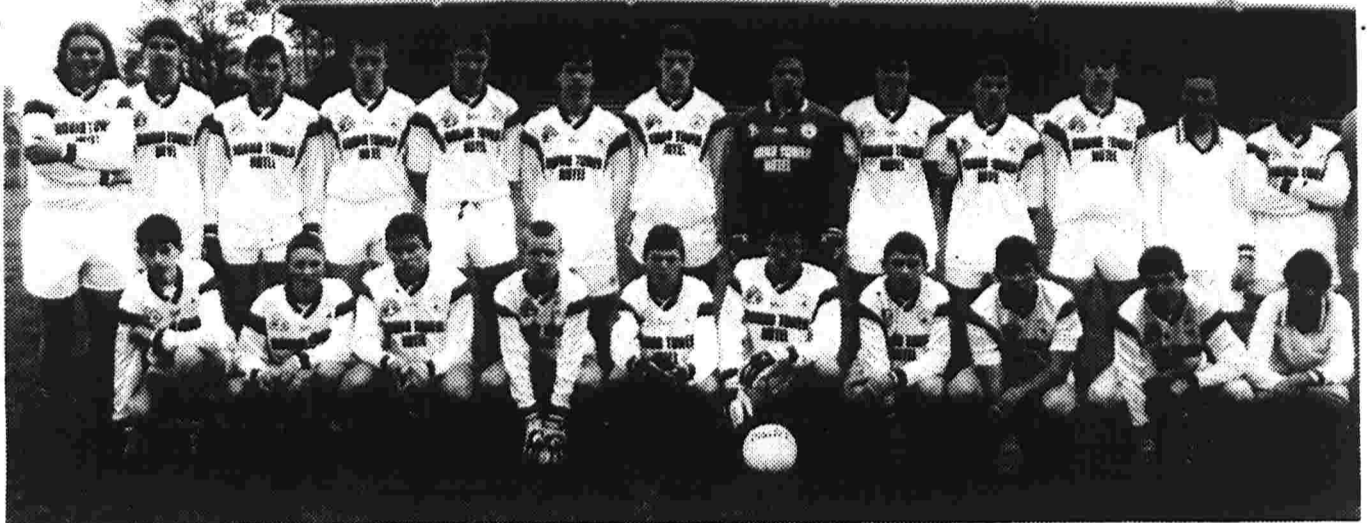

As promised we will try to give you a run down on the boys who made history in Dungarvan's Fraher Field on October 30 by winning the Under-16 Div. One football final in such convincing fashion for the very first time.

Their display left nothing to be desired as they treated their loyal supporters to a display of football as it should be played.

They were skillful in the extreme — in fact a joy to behold as they brushed aside the challenge of Eastern champions Gaultier who must have wondered what was happening to them. This was surely the stuff of which dreams are made — let us rejoice. Damien Lenane in goal is displaying a maturity way beyond his years — he had a great year. Thou shall not pass was

surely the eleventh commandment of our full line of defence who made the road to goal a perilous journey for the Gaultier attack. Ciaran Foley, Michael Supple and Patrick Conway didn't stand on ceremony as they made their presence felt.

Our half back line of which team captain Austin Flavin was pivot was immaculate, "tread softly because you tread on my dreams" — and nobody was going to tread on the dreams of these three fine footballers in this final. Brian Lenane was superb, Austin

led by example, while Killian had a dream year in the blue and white.

A midfield, that long standing partnership of Seamus and Shane, once again strode the scene and gave displays of classical magnitude. They were again in a class apart.

Our attack, like a well oiled machine, led by Cathal Hennessy slipped into top gear from an early stage and bam-boozled a sorely tried Gaultier defence, as they came forward in wave after wave of spirited attacks. Wayne once again showed a clean pair of heels to many defenders, while Declan Lenane in his first year with the club is a dream come true. A bang in form James O'Donnell after a fantastic season once again showed class with a capital "C". On the fringe of the square the towering

John Conway was a revelation and Gaultier failed to contain him. The classy James O'Neill at top of the left was in sparkling form once again while Adrian O'Donnell, Jamie Hennessy and Declan Prendergast all shared in this memorable final.

Cathal had to leave the field when he received a nasty knock and we wish him a very speedy recovery — the only thing you missed on Monday night, Cathal, was the food and sure you are a bit of a cook yourself anyway.

Trainer John Hennessy has proved once again that he is in a class apart and together with fellow selectors John O'Donnell, Austin Flavin, Pat Prendergast and Paddy Foley would like to thank this talented panel of players for their unswerving loyalty to the juvenile club.

County Final Lineout — Damien Lenane, Ciaran Foley, Michael Supple, Patrick Conway, Brian Lenane, Austin Flavin (capt.), Killian McCarthy, Seamus Prendergast, Shane Dower, Wayne Hennessy, Cathal Hennessy, Declan Lenane, James O'Donnell, John Conway and James O'Neill. Subs. — Jamie Hennessy, Adrian O'Donnell, Declan Prendergast, Andy Baker, Patrick Power, Liam Power, Richie Hennessy, John Paul Troy and Jason Lenane.

Referee Pat Moore, was, as usual, fair, courteous and efficient.

Scorers — J. Conway 2-2, J. O'Donnell 0-2, J. O'Neill 0-2, S. Prendergast 0-2, C. Hennessy 0-1, S. Dower 0-1, A. Flavin 0-1.

#### BUIDHEACHAS

We extend our grateful thanks to John and Michael

Dower for videoing the final. It was a great treat to watch it at Paddy Mac's on Monday night and we once again thank the Dower family for providing this great amenity. It is greatly appreciated amongst players and followers.

Captain of our 1965 senior football team Bertie Hallahan returned to Boston on Monday of last week and was disappointed to miss the county final later that day. Bert is a true blue and is always a pleasure to meet.

We will be short the services of Derek Hayes who is on international athletics duty against opponents who knocked us out of the competition last year. A massive effort will be required if we hope to take our first divisional title in the grade since 1982.

#### UNDER-13 HURLING LEAGUE

We picked our first points of the league series with a 2 point victory over rivals Tal-low by 2-1 to 1-2 on Saturday last.

The team was — James Power, David Troy, Rick Hanrahan, Alan O'Kennedy, Sean Kiely, David McGrath, John P. Gordon, John Hurney, Jimmy Moore, Simon Hanrahan, Sean Cleary, Declan Fives, Stephen Power, Eoin Ryan, Pat Moore.

Our next game is against

Colligan away, which will prove to be a difficult assignment.

#### SYMPATHY

The club extends its deepest sympathy to Mrs. Mary Fitzgerald and family on the death of her brother Pat O'Brien in England. Mary has proved to be a hard working member of the club committee for a number of years.

#### UNDER-10 HURLING

The curtain comes down on a very busy year at under-10 level on Saturday morning next at 11 a.m. when three games will be played. Activity will be contingent on favourable weather conditions. The last session of '95 is sure to be as enjoyable as ever and as a bonus some refreshments will be provided. Be sure to be there.

#### REPRESENTATIVE HONOURS

Well done to Paul Landy and J. P. Keohan who were involved in the county under-16 hurling team and

James Hayes who was on the divisional under-16 football team. As always the club are to the forefront in providing players to club and divisional teams and it is with a great sense of pride that we follow their progress.

#### TIMES PAST

In this week's feature we reproduce the match report of the 1971 Western under-16 football final.

#### Abbeyside 0-10 Eire Og 1-1

Abbeyside's under-16 footballers scored a full deserved six points victory over a strong Eire Og team in the divisional final on Wednesday evening last at Dungarvan, thus capturing the Village club's third Western title in this grade.

Eire Og made the winners fight every inch of the way for victory and they had good players in the Drummy brothers Oliver and Tom, Paddy Veale, the Walsh brothers from Ballinameela, T. Hansberry and

especially goalkeeper Tony Egan.

Abbeyside dominated the exchanges throughout and their greater field craft and team spirit were the deciding factors in their favour. Slowly but surely they built up a six point lead. Then J. Hansberry caught the winners defence flat footed and soloed 25 yards before shooting a great goal. Abbeyside struck back with a point to lead by 4 points at the interval.

The winners remained in control throughout the second half but they found scoring a difficult task against a resolute Eire Og defence and considerable improvement will be needed in this sector if the Villagers hope to take the county title.

Nevertheless this was a richly deserved success for the Abbeyside/Ballinacourty club, a victory forged by hard training by this spirited team and while every member of the side shared in the success, two players partic-

ularly deserve mention — centre half back Vincent Feeney who played a storming second half and left half back Pat McGovern who gave a wonderful display of polished ball play.

Scorers: Abbeyside — K. Young (0-3), T. Butler (0-2), P. McGovern (0-2), J. Kiely, K. Frost and D. Hourigan (0-1 each). Eire Og — J. Hansberry (1-0), L. Hickey (0-1).

Abbeyside — B. Hogan, R. Fives, J. Moloney (capt.), S. Cleary, D. Griffin, V. Feeney, P. McGovern, R. Hanrahan, K. Frost, D. Hourigan, K. Young, M. Durand, T. Butler, T. Dunford, J. Kiely. Subs. — D. McGovern, M. Kiely, J. Kiely, J. Regan, P. Murphy, K. Kiely, M. Twohig, Tomas Kiely (R.I.P.).

#### FOR THE RECORD

Abbeyside captured the county title to claim our only success at the grade by virtue of a 6-5 to 1-2 victory over St. John's Park of Waterford City, on the 19th of September 1971.

The semi final of the 'B' under 21 football championship involving Ballyduff and St. Olivers will be played on Saturday and the winners will meet Shamrocks in the divisional final. The date for the final will depend on which clubs are engaged as if Ballyduff qualify, they will not be free to play until after the replay with Mount Sion of the under 21 hurling county 'A' final.

21 football championship is moving in tandem with the championship here in the west. On Saturday last, Tramore beat De La Salle in the semi final and have now qualified to meet Rathgormack in the divisional decider.

Neil Connors, Kilrossanty who suffered a fractured jaw in the drawn match against the Nire and was hospitalised is back home but will be out of action for some time.

## Ballygunner Send Cork Champions Packing

**BALLYGUNNER 2-8 NA PIARSAIGH 2-7**

Like the drawn match on the previous Saturday, this was another rip-roaring contest between the champions of Waterford and Cork and an attendance of about 1500 at Walsh Park got tremendous enjoyment from the tie which remained in the balance until the very last puck of the ball.

Only a point — 1-6 to 1-5 — separated them at half time and they each scored 1-2 in the second half.

A semi-penalty converted by John Moran in the 12th minute gave the Cork champions the lead, but when Billy O'Sullivan shot home a goal two minutes later, the 'Gunners were back in front by a single point at the end of the first quarter. They held that slight advantage until the break.

In the second half, fortunes swayed over and back, but marking on both sides was much tighter and scoring was kept at a minimum. Ballygunner went into a four points lead in the closing stages after Paul Flynn hit a great goal in the 51st minute. Na Piarasaigh had their second goal of the match by James O'Connor in the 60th minute, but it came too late as the whistle was blown after the puck-out.

Scorers — Ballygunner — B. O'Sullivan 1-0, P. Flynn 1-0, L. Whitty 0-3, M. O'Mahony 0-2, D. Codd, D. O'Sullivan and S. Frampton 0-1 each; Na Piarasaigh — J. Moran 1-2, J. O'Connor 1-

0, M. Mullins 0-2, G. Daly, P. O'Connor and Mark Mullins 0-1 each.

Ballygunner — R. Whitty, C. Laphorne, N. Warren, D. Laphorne, S. Frampton, F. Hartley, R. O'Sullivan, L.

Whitty, P. Power, B. O'Sullivan, M. O'Mahony, T. Carroll, D. O'Sullivan, P. Flynn, D. Codd.

Na Piarasaigh — L. Connery, M. Dalton, C. Coughlan, C. Connors, S. Guiheen, L. Forde, S. Ailpin, M. Mullins, P. O'Connor, J. O'Connor, Mark Mullins, J. Lynch, M. O'Sullivan, G. Daly, J. A. Moran. Sub., K. Butterworth for M. O'Sullivan.

# UNDER 21 FOOTBALL FINAL

Ballinacourty and the Nire will meet in the western final of the 'A' under 21 championship on Saturday. It is listed as the curtain raiser to the Faha v Kill intermediate final, so early arrivals at the venue will get full value in this afternoon of entertainment.

The Nire played a semi final draw with Kilrossanty and narrowly won the replay on Saturday last by 1-5 to 0-6. They are a good lively side with a number of

good footballers in the various positions and they will certainly provide a very strong challenge to Abbey-side.

Abbeyside have played in the three last county minor football finals, winning two and this must stand very much to their advantage. In the present under 21 championship they defeated both Dungarvan and Stradbally decisively and must be strongly fancied to win here.

**J.H. COUNTY FINAL**

## Lismore Outclassed By Ferrybank

**FERRYBANK 3-20 LISMORE 0-4**

This was by all accounts a lion and mouse affair with the powerful city team caught in brilliant form and taking command of the game from the start. The score tells the story of this game which was all over as a contest well before half time.

The reports about the strength of Ferrybank were all only too true and they proved beyond any doubt that they are a cut-above the others in this grade and will certainly make a strong challenge for the intermediate title next year. For them it is a reward for perseverance as they have contested the last four Eastern finals and lost three of them.

Lismore were the first to admit that on the day they were outclassed and had no answer to the power of their opponents.

**UNDER-21 'B' CO. FINAL**

## Easy Win For 'Salle

**DE LA SALLE 1-14 ST. OLIVERS 0-4**

St. Olivers were our representatives in this county final at Portlaw and as the final score indicates, they were very decisively beaten by the Eastern champions.

Olivers began well but from an early stage it became apparent that De La Salle were too strong and by half time when the Western champions had only four points on the board it looked all up. They failed to score in the second half.

## County Board Meeting

The Senior Board will meet at Dungarvan on Monday night next for their regular monthly meeting. It is being timed to begin at 7 p.m. so that it will finish at 9 p.m. to allow members to attend a Development Committee meeting which will be chaired by Development Officer John Fraher and will deal, in the main, with invested grounds that are owned by clubs, etc., etc.

The County Board will be given a run-down on finances, especially in relation to county grounds development and there will be a discussion on the progress of the Deise 500 Club.

Also there will be reports on progress at both county grounds and details of plans to accommodate wheelchair patrons at both grounds, will be announced.

NEXT WEEKEND

# Waterford Play Limerick In N.F.L. At Leamybrien

## Ballygunner Take On Clare Champions Sixmilebridge At Walsh Park

The above list of very important fixtures does not include the western under 21 football final involving Ballinacourty and the Nire and some other under 21 football fixtures that await confirmation at the time of writing.

### FAHA V KILL

Whatever the outcome and regardless of what the standard of football will be like this intermediate football county final is going to be one whale of a game. It is a final that has aroused tremendous speculation all over the county and there is general relief at the announcement that the game is being brought forward to Saturday, in order not to clash with the Sunday fixtures.

A lot has been written about Faha already this year and particularly about their three and a half meetings with Clashmore because three of these including the western final, ended in a draw. In all cases, as far as I can recall, it was Faha who came from behind to equalise on all occasions. They seem to have developed a knack for doing this. You think you have them beaten and then you find out that you haven't. I read in their story that for them, life in the G.A.A. began when a group of 'pitch and toss' addicts held a collection to buy a football around 1920. The ball was bought for half a crown in Dungarvan and after that they were on their way. But it wasn't until 1996 that they reached a divisional final and then Sliabh gCua came along and beat them. They played their fellow-parishioners Stradbally in the 1988 divisional junior final, and again they lost. The break through came in 1989 when they beat Newtown in the county final and qualified for intermediate status. They then went and won the intermediate championship when beating

Newtown in a classic encounter in the following year 1990. This confounded all the critics who had predicted that Faha were not an intermediate side. They had jumped from junior to senior in one season. Quite an achievement. It can now become an extraordinary coincidence in that last year, Kill won the junior football county final and have now qualified for the intermediate county final. Should they win they will emulate Faha's extraordinary feat in 1990. If Faha win another extraordinary situation will result in that there will be three senior football teams in the parish of Stradbally. Already we have Stradbally and Bonmahon (which is in Stradbally parish) and Faha can become the third. If there are three, some two will have to be in the same group and they will have to meet in the 1996 championship. Only Kill can prevent this from happening? So anyway you look at it, we have an intriguing contest here in the big one on Saturday afternoon.

Kill, who might be described as the challengers, they having come out of junior ranks at the end of last year, will have a splendid team on the field. Their side will include Pat Torpey, David Power, Kieran and John M. O'Regan, Brendan Mooney, Liam Lennon, Brian Mooney, Pat Kirwan, John Power, Ray Hennessey, Anton Lennon, John Cummins, Joe Kennedy, Tony O'Regan, John Kiely, Donagh Lennon, Martin Dunphy, etc. all of whom have helped the club in the climb up to intermediate status over the past couple

## MINOR HURLING CO. FINAL LISMORE V PASSAGE AND FAHA V KILL IN I.F.F. AT FRAHER FIELD

of years.

Faha may have to field without Pat Kiersey who was forced out of their last game through injury, but the remainder of the side are reporting fit and are just rearing to go. Tony Jeynes, who has quite an amount of intercounty experience will be in goal, Tommy Veale will be at full back and Dave Organ will also be in the full line of defence. Matty Scurry, Kevin Loneragan and Liam Connors will be the half back line and at centrefield Faha will have Gerry Casey and Pat Dunphy. Up front in attack they will be very well served by their leader in attack, Kieran Power, former Mitchells star and Johnnie Troy who is the leading scorer in this intermediate championship, he having notched up a grand total of 2-23 in his last three matches. They also have Enda Organ, Brian Morrissey, Pat "Hotdog" Power who is the captain, Paudie Casey, Paul Organ, etc.

### THE RESULT ??

My view is that we will have a tremendous contest that will go 'down to the wire' and it is the kind of game that could end all square, but if there is a winner, I think it will be Faha.

### SENIOR FOOTBALL WATERFORD V LIMERICK

Very badly in need of a couple of points, the county footballers will need to improve their game quite a bit if they hope to take the two points available at Leamybrien venue on Sunday next.

Already we have lost to Carlow, suffering a bad beating at Dr. Cullen Park in the opening game and two week's ago we lost to the visiting Offaly side by 2-10 to 0-3 having been all square with them at half-time at 0-2 apiece.

Even though we were down a man for 25 minutes of the second half, our display was listless as well and we allowed Offaly to score almost at will.

We will need to improve considerably if we are not going to allow Limerick go back to the Shannon with the points.

Two years ago we had Limerick at Leamybrien in

the league and after what was our best display in the competition that year, we won by 3-13 to 2-12. It was a decisive win and well deserved after a splendid effort by our side.

Last year we went to Askeston to play Limerick and went quite close on an 0-11 to 0-8 scoreline, but we came home losers. Leamybrien has been a lucky venue for us and maybe we can manage to break our losing sequence here on Sunday.

The team is not due to be named until midweek, but is likely to go along the lines of the side that played in Fraher field two weeks ago.

Kieran Cullinane who took over from Tom Brennan in goal could not be blamed for the two goals which passed him in the Offaly game and the Affane man who played very well in the county under 21 teams over the year, will be given a vote of confidence.

Dan Crotty, Michael Fen-ton and Brian Whelan will be the guardians of our last

line of defence and outside them will be Peter Queally at centre-half back and he will be flanked by Liam Dalton and probably George Walsh. It is possible that Michael Fitzgerald will be recalled to the side and if he is, he will fill one of the berths in defence. Vinny Murray and Owen Cunningham had a fairly unhappy hour at centre field against Offaly and this can also be said about practically all the forwards. Michael O'Brien, sent off against Offaly is unlikely to be available. Shane Bergin, Matty Kiely, S. Martin, Jim Maher, Tom Doonan who scored all our three points in our last match and maybe Kevin Walsh, who was introduced against Offaly very late in the game, will be among these named for the Leamybrien tie.

There is no reason why we should not win this one and I believe we will if the players adopt a very positive attitude and take the game by the scruff of the neck from the throw-in.

### MUNSTER CLUB BALLYGUNNER V SIXMILEBRIDGE

This provincial semi final game is certain to attract a huge crowd to Walsh Park on Sunday for the feature game at the city venue.

The visit of the champions of the county who presently hold the McCarthy Cup is sure to prove a great attraction. They won their 8th county title in the past 18 years when they beat Scar-riff by 2-10 to 0-15 two weeks ago and are playing their first game in the provincial club championships this year. Their side will be led by their All Ireland goalkeeper David Fitzgerald, Flan Quilligan, Gerry McInerney (who holds 7 county medals), Danny, David and Christy Chaplin, Noel Earley and company and they will be very difficult to beat, but the 'Gunners now with their 'tails up' will be a mighty force here and must be given a good chance of qualifying for the Munster final.

### MINOR HURLING CO. FINAL

## LISMORE v PASSAGE

This will now be played as a curtain raiser to the Munster club semi final at Walsh Park on Sunday and will provide a splendid opener to a great programme. Passage who were surprise winners over Mount Sion in a great eastern final will be trying for their first county title in this championship. They have won the 'B' version, but it is not the same thing. Their win in the eastern final was a surprise in that they had been very heavily (7-10 to 2-9) defeated by Mount Sion in the league section. They played very well in this seasons eastern final and will give it all they've got in an effort to defeat the western champions whom they will regard as being the favourites because of their splendid record in the under age competitions.

Passage will have David Fowler, Brian Harte, Alan Barkin, Paul Cummins, Stephen Millea, Brian Carey, Declan Hanagan, Anthony Brett, Rory Walsh, Ian Connors, David Pepper and company who will form the nucleus of the side to represent them against the western champions.

Lismore had it very easy here in this division this year and in truth, had only one game to win. That was against Tallow in the final when they won on a 3-13 to 1-9 scoreline. In the other matches they defeated Dungarvan by 10-18 to 0-2 and Abbeyside by 9-20 to 1-3. This kind of scoring could be very misleading as the quality of the opposition was poor.

At the same time with players of the cali-

bre of Brendan Landers, Alan Dunne, Owen Bennett, Eugene O'Brien, Thomas Veale, Anthony Whelan, William Cunningham, Stephen Quinn, David Hickey, Billy Walsh and possibly Dave Shanahan and Dave Bennett, both were on the injured list and were out of commission, but as it is more than nine weeks since they played the western final, I'm sure that both players will have recovered.

The club have played in ten of eleven minor hurling county finals between 1985 and 1995 - 1986 was the odd one out. They won the championship in 1985, 1987, 1988 and 1990. In '89 they lost to De La Salle by a single point, in 1991 they lost to Mount Sion 1-8 to 1-4. The following year again Lismore were beaten in the county final by a single point by St. Saviours. In last year's thriller in Dungarvan, Lismore were in front at fulltime, but an injury time goal won the title for Mount Sion. Those photo finish defeats would have devastated a club of lesser character, but not Lismore who kept coming back and are now poised to add to the 4 championships, won in '85 when beating Ballygunner, in '87 when defeating Mount Sion in a replay again in '88 when they beat Mount Sion and their 1-12 to 2-7 victory over Roanmore back in 1990. Two years ago only a point separated the clubs when they met in the senior county final, but somehow I don't expect this one to be as close as I feel that the western champions will win decisively.

NATIONAL HURLING LEAGUE

# Waterford Well Beaten In Poor Game

CORK 1-15  
WATERFORD 0-8

Leading by a single point and very deservedly so, at half time, Waterford hurlers gave supporters the impression that they would hold out against Cork in the second half and take the points in their third round National Hurling tie at Fraher Field on Sunday last.

Their almost total collapse in the second half was difficult, if not impossible to understand. They certainly looked a different side in the second half as they went on to play second fiddle to the visitors after Brian Corcoran and Alan Browne rifled over three points with bewildering rapidity in the first three minutes after the turnover.

In the first half Waterford scored 0-6 as against 0-5 for Cork and in the next half Cork added 1-10 while we raised only two white flags.

From our point of view it was an unbalanced performance, with some players playing very well in patches, others playing all right at different periods and some not playing well at any time. There was no doubt the fact that the game exposed our weakness in attack. The truth about the

matter is that we do not have forwards who can take their scores in the manner that others are able to do. Perhaps Paul Flynn or Billy O'Sullivan who normally figure in the scoring and invariably play well, were feeling the effects of the tough replay against Na Piarasaigh on the previous afternoon?

PLAY

A very strong cross wind proved to be a spoil-sport at times and was responsible for players misjudging strikes at several stages.

Each side had a total of 3 wides before Michael Hickey opened with a pointed free for Waterford in the 6th minute. Ray Barry saved under pressure, but a free to Cork allowed Brian Corcoran to open their scoring in the 9th minute. A free to Waterford was converted, again by Michael Hickey, to

restore our narrow lead in the 10th minute. Brian Corcoran hit a semi-penalty well wide to the relief of Waterford. Ger Manley equalised for the visitors in the 15th minute and six minutes later Corcoran put them in front when he pointed a free in the 21st min. Two pointed frees by Michael Hickey restored the lead for us and when Billy O'Sullivan supplied Peter Queally with a well aimed pass, Queally sent us further in front. One of the better scores of the game came from the stick of Tony Browne who had a very quiet start. It was then 0-6 to 0-3 in our favour, but points by Brian Corcoran and Dan O'Connell brought Cork to within a point of us coming up to half time. Score 0-6 to 0-5.

SECOND HALF

Within a minute Alan Browne had Cork on level terms and before a further two minutes had passed Corcoran had put the visitors two points ahead. A great save by Ray Barry from Ger Manley went out for a '65' and Corcoran pointed. The only goal of the match came in the 38th minute when fullback Damien Byrne, who had played well for most of the hour, was rounded by Alan Browne who crashed home the score which put an end

to any hopes we had of regaining control. A minute later Billy O'Sullivan and Corcoran exchanged points and in the next two minutes, points were exchanged by Billy O'Sullivan and Ger Manley. By this time our total was 0-8 to 1-11 for Cork. Waterford failed to score after that while Cork added a further four.

## Lions Club & W.L.R. Christmas Charity

Following on the success of last year's hurling and football games for various charities, it has been decided to organise similar type matches this year with the proceeds going to the above for distribution.

In football, county champions Rathgormack will play the rest of the county and in hurling the rest of the county will take on the hurling champions, Ballygunner. The games will be played at Walsh Park on December 10. All clubs will be allocated a number of £2 tickets.

Tallow N.S. — Young Paul O'Brien looks happy at his work in the school during Sceim Iomana na nOg visit. Paul is a brilliant little hurler and is a treat to watch playing. His father Liam was a tremendous player with Tallow and Waterford. Basic skill levels are always good in this school.

INDOOR HURLING

With the long nights now with us, many clubs are turning to indoor hurling with the emphasis on coaching the youth. A set of the "nua" indoor (timber handle, rubber boss) hurleys are a must. Frank Murphy (Kilmeaden) stocks them. If any club needs a hand any night I would be delighted to help out. — Peter Power.

## COUNTY YEAR BOOK

Progress in this regard is on schedule and it is expected that the book will be launched in early December and in the various outlets in time for December 8. Only a small number of clubs have failed to submit copy for inclusion. No further material will now be accepted.

# Munster Championships 1996

Following the making of the provincial draws on tv recently, the Munster Council met in Limerick on Friday night last to arrange dates and venues for the games in all four grades.

The 'home and away' agreement which existed between Waterford and Tipperary in first round senior and junior championships, is to be honoured by Tipperary who have agreed to come to Walsh Park for our meeting in senior and junior hurling next year. It will be the first big championship game in the new Walsh Park and it is certain to attract a record crowd to the city venue.

The following are the draws and fixtures—

Senior and Junior Hurling — Waterford v. Tipperary at Walsh Park, June 2. The winners will play Kerry in Tralee on June 15.

Senior and Junior Football — Kerry v. Tipperary, winners v. Waterford in Munster semi-final at Fraher Field on June 23, 1996; winners in Munster final.

Under-21 Hurling — Waterford v. Kerry in Kilkenny on June 21, 1996.

Under-21 Football — Waterford v. Kerry at Fraher Field on April 10; winners v. Cork at Fermoy on April 19.

Minor Hurling — Waterford play the winners of Clare v. Kerry in the semi-final on June 26. If Kerry it will be in Kenmare. If Clare it is likely to depend on a home and away agreement.

Minor Football — Kerry v. Limerick, with Waterford playing the winners on July 11. If it is Kerry it will be Killorglin and if Limerick, a home and away agreement may apply.

# Recital Tonight In Dungarvan Sports Centre

Tonight, Wednesday, the Band of the Southern Command will give a recital in Dungarvan Sports Centre for the benefit of the people of the town and district. Admission to the recital is free of charge.

Based in Collins Barracks, Cork, this first class Brass and Reed Band has been a regular visitor to Dungarvan over the years and has built up a regular following for their recitals. It is expected that they will attract their usual large attendance tonight.

Playing a wide range of music from marches to

modern, from classical to pop, the band has a repertoire wide enough to suit any taste. Commencing at 7.30 p.m., the programme is filled with tunes which will stir memories and get the feet tapping and hands clapping.

Veterans of many a festival and pub event, the band is mentioned in recent versions of their magnificent playing at the Rose of Tralee during the Festival of Kerry. They will also entertain the pupils of some of the second level schools during the afternoon.

## DUNGARVAN LEO CLUB

Dungarvan Leo Club has been in existence for the last two years. We are part of a nationwide network of Leo clubs which is expanding all the time. We undertake projects that specifically benefit the local community. Since our formation some of our major projects have included:

1. — A coin chain around the square with proceeds in aid of local charities.
2. — Line dancing in the Park Hotel.
3. — Fashion show with proceeds in aid of disadvantaged children.
4. — Organising a set of mock interviews at Dungarvan CBS.
5. — Hospital visits.
6. — Monetary donation to friends of Dungarvan Hospital.
7. — Provision of draft excluders to elderly persons.

As well as the varied projects and fundraising which we do, there is a strong social aspect to Leoism in general and to Dungarvan Leo Club in particular. It is a great way of meeting people from different backgrounds and of making new friends, both locally and nationally.

We would welcome new members in the 18-30 age groups. We meet every second and fourth Wednesday at 8.30 p.m.

Anyone interested in finding out more about Leoism is invited to our next meeting on November 22, at 8.30 p.m. in Lawlors Hotel.
