# Guinness Féile na nDéise In Dungarvan This Weekend

BY AISLING CONROY

Making plans for the May Bank Holiday weekend? - well don't go too far because there's a hooley planned for Dungarvan this weekend as the second ever Guinness Féile na nDéise hits town.

Last year over 8,000 traditional féile fans converged on Dungarvan for a fun weekend of music, song and dance which was certainly reflected in the crowded pubs, streets, B&B's and hotels in the area. This year even more events are planned including variety concerts, outdoor stage entertainment, a torchlight procession, street busking mania, pub trails and much more!

Indeed judging by the success of last year's event and the huge programme of events planned for this year, the festival is well set to become the biggest money spinning cultural event in the Sunny South East.

### LIMITLESS ENTERTAINMENT

The limitless entertainment on offer varies from busking groups, to traditional Irish bands so prepare for a hectic weekend of late nights, seisiúns and craic starting this Friday and continuing over the weekend until Monday May 6th.

With a selection of fourteen pubs, 3 hotels, 8 workshops and 16 music sessions to choose from, no matter where you go in town this weekend, you'll find plenty of entertainment and a friendly, festival atmosphere. For the second year running, Dungarvan will enter the limelight of the traditional Irish scene,

drawing from a wealth of talented storytellers, dancers, Sean Nos singers, master musicians and classic entertainers of which this part of the country has a long and proud tradition.

### PUB SESSION TRAIL

Encompassing over thirteen venues in Dungarvan and Abbeyside, the pub ses-

sion trail begins at 8 p.m. on Friday May 3rd, continuing both daily and nightly over the weekend. The cream of genuine Irish entertainers will perform in this session trail and invited guests include; Johnnie Leary, Seamus Creagh, Bobby Gardiner, Shaskeen, Aidan Coffey, Brian Gallagher, Joe Carey, Pip Murphy, Nicky Power, Matty Fahey, Brendan McCarthy, Ciaran Gal-

## £2,000 Drug Seizure In Dungarvan

Dungarvan Gardai have seized cannabis resin with an estimated street value of £2,000 in a weekend raid on a house in a Dungarvan estate.

On Friday evening last, a party of uniformed and plain clothes Gardai from Dungarvan searched a house in Childers Estate, Dungarvan. They were in possession of a search warrant under the Misuse of Drugs Act.

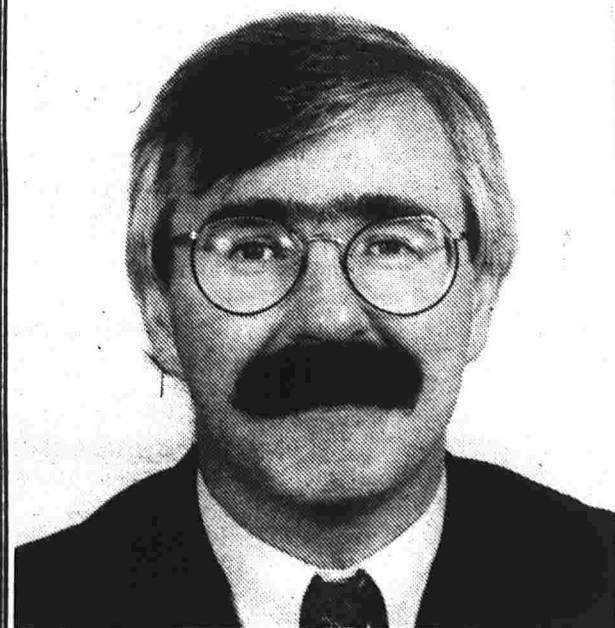

During a search of the house, the Gardai recovered a substantial amount of cannabis — over 200

grammes — which constitutes the biggest seizure of cannabis resin ever in Dungarvan.

A local man was subsequently arrested and detained for questioning at Dungarvan Garda Station. He was later released without charge and a file on the matter has been prepared and forwarded to the Director of Public Prosecutions.

This significant seizure is part of an ongoing garda supervision of drug related activities in Dungarvan which has proved most successful to date.

The Minister for Enterprise and Employment, Richard Bruton, T.D., officially opened the new offices of the South East Business and Innovation Centre Ltd., at the Industrial Park, Cork Road, Waterford recently.

This is the latest Business & Innovation Centre to be established in Ireland, joining those already established in Cork, Derry, Dublin, Galway and Limerick.

The Centre was established with the support of the European Commission, local public organisations and the private sector to provide advice on Business Planning, Strategic Management, Financial Management, Business Development and Accessing Capital, to start-ups and small businesses in the South East region.

The new Centre is committed to assisting individuals and companies to develop and implement successful enterprises which will contribute significantly to job and wealth creation in the South East.

## MACRA NA FEIRME NEWS

### Dungarvan's Gerry Burke Seeks Mastermind Title

Waterford Macra may not be represented at the National final of the 1996 NDC Macra National Talent Competition which takes place on this coming Sunday night in the National Concert Hall in Dublin. But the Decies county will nevertheless have a big interest since Gerry Burke, from Grawnfadra, Dungarvan, represents the City of Dublin Macra branch in the Mastermind event.

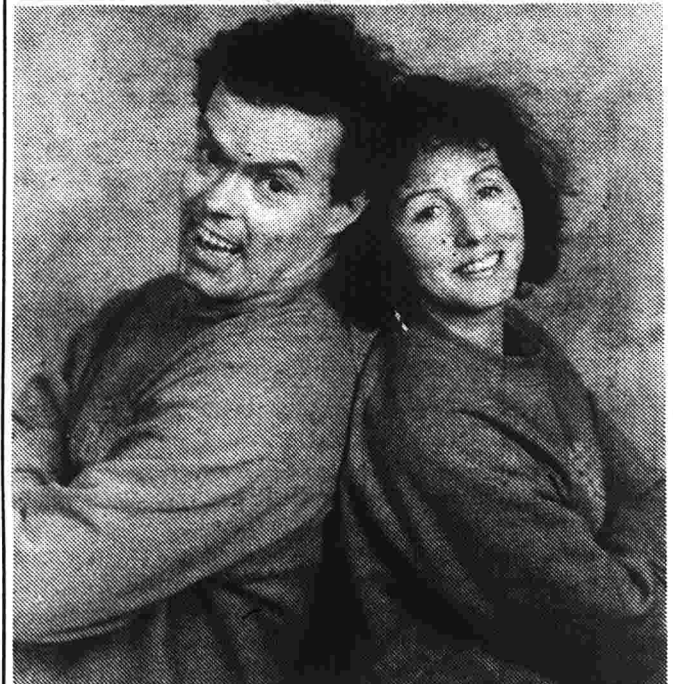

The Mastermind is but one of eight separate events which make up the NDC Macra National Talent Competition, which is organised by City of Dublin Macra and sponsored for the fourth successive year, by the National Dairy Council.

This in fact is Gerry's second year to feature in the Mastermind final. He was runner-up to John O'Flaherty from Abbeydomey, Co. Kerry, last year and hopes to go one better this year.

Gerry's specialised topic is Irish Sport. His two opponents on Sunday, night are John McCarthy from Ballybrown, Co. Limerick and Pat Fennessy from Nenagh, Co. Tipperary, thus making it, in effect, an all Munster final.

Gerry Burke reached this year's national final by virtue of victories in the Dublin County Final and in the national semi-final in Dublin on March 31, where he defeated opponents from Offaly, Wicklow, Monaghan and Cavan. His very impressive score of 44 points (i.e. questions) in the semi-final was very much the highest score from the three semi-finals and on that basis, allied to his experience of last year's final, makes the Lucan based civil servant favourite to bring glory to both Waterford and Dublin on Sunday night.

vin and many more. Visiting Sean Nos dancers are Seamus Devanny & friends from Connemara.

A new concept in this year's festival is the old art of storytelling recreated by visiting Seanachís with music, song and dance. This event takes place on Sunday May 5th at 8 p.m. in Lawlor's Hotel. Visiting master storytellers include Pat Speight, Bob Jennings, Sean Dunín, Paddy O'Brien, James Lennane and Henry O'Keeffe.

**OFFICIAL OPENING**  
Micheal O Muircheartaigh, top GAA commentator and Chairman of Bord na Gaeilge will perform the official opening of the Féile tomorrow night, Thursday 2nd May in Lawlor's Hotel. The opening will be followed by a Cabaret Cheoil, featuring part of the well known Booley House Dance Group, The Spuds Are Boiling (winners of last year's busking competition), Sliabh gCua set dancers, Ciaran Galvin & friends and Henry O'Keeffe.

The interest shown by RTE and festival sponsors Guinness Group Sales in

the festival has proven beyond a doubt the enormous undertaking this Féile represents and the amount of interest it has generated around the country.

## GRAND CONCERT

Another main highlight of the festival is the Grand Variety Concert with Bodhrán, which takes place at the Park Hotel on Friday 3rd May. Special guest artists on the night are Gorumna, famous Irish dancers Oriel O'Dwyer of Dungarvan and Gillian Norris of Kilmacthomas, Alice Fitzgerald, Gerard Butler and Louise Hennigan of the Brush Dancers.

Meanwhile on Saturday night watch out for the ancient Bealhaine Festival of Fire recreated in pageantry, music, song and dance in Grattan Square. This will be followed by a torchlight procession of Bodhrán players to Dick's Bar.

## RTE RADIO LIVE

One of the main attractions of last year's festival was the live RTE Radio One broadcast with presenter Kieran Hanrahan, one of the founder members of Stock-

ton's Wing. Mr. Hanrahan returns to the '96 Féile on Saturday night in Davitt's the Quay with his live show 'Céilí House' featuring Shaskeen and a host of local musicians.

Immediately after the hour long broadcast, a Céilí Mór (set dancing) will take place in the Clonea Strand Hotel again featuring Shaskeen. A Féile courtesy bus will leave for the Céilí from Grattan Square at 9.45 p.m.

## FAMILY DAY ON SUNDAY

The organisers of Féile have designated Sunday as a family day during the festival which means there's something for everyone to see and do. Day long crowd entertainment throughout the town will be provided by busking groups, face painting, an open air concert in the Square with Bobby Gardiner, Shaskeen, Nicky Power and many more musicians. Set dancing, Brush dancing and Sean Nos dancing will also take place.

On Saturday and Sunday, the buskers will line the streets at designated venues in Dungarvan and Abbey-side with music, singing and brilliant crowd entertainment activities. On Sunday evening the final of the busking competition will take place in Lawlor's Hotel. There is £1,500 worth in prize money to be won so get your entries in now.

## MEET THE COMMITTEE

The following is a list of the members of the organising committee who, through hard work and long hours, have succeeded in staging the festival for the second year at a cost of over £20,000;

Chairman John Foley; Vice Chairman Eamonn Martin; Secretary Margaret McGrath; Treasurers John Kelly, Aine O'Riordan; PRO Jim Joe Landers; Committee members Muiris O Críostóir, Michael Kirwan, Michael O'Donnell, Rita Brennan, Nora Fahey, Michael Tobin, Donal Flynn, Christy O'Neill, Michael Burke, Matty Fahey, John McGrath and Jim Mullins.

In a message to all Féile na nDéise goers, Chairman Mr. Foley, whose original idea to simply promote the town has snowballed into this annual event, extended a Cead Míle Fáilte to all visitors and performing artists.

Thanking all the festival sponsors, Mr. Foley said that with their continued support and with the Féile's motto - 'People working in harmony can achieve anything' - this festival has the potential to become the biggest traditional and cultural event of the South East.

Once subs were collected, we played some games. Soccer was the main event of the night. (After all, we got a new Liverpool football). Once the games were over, the Patrols had some Patrol time and the meeting ended at 8.45 p.m. A C.O.H. was held by the P.L.'s after the meeting. The main item discussed was the June Bank Holiday weekend and an overnight camp for the S.P.L.'s and members over 14.

# It's The Rarest Species Of The Bear

The cuddly panda is the symbol of wildlife conservation but its existence is hanging by a thread. It feeds on bamboo, but bamboo lives for only a certain number of years before it flowers and dies.

Under natural conditions, the pandas moved to other bamboo areas, but today the animals are hemmed into small reserves surrounded by intensively farmed valleys.

WHEN whole bamboo forests vanished in western China in 1975, more than 150 pandas died of starvation. Only about 1,000 pandas are still alive.

THE 5 ft. tall panda has lived in China for over 600,000 years and once ranged widely

across the country. But today it is only found in the inaccessible areas of the Secouan Province in western China.

UNTIL the middle of the 19th century, pandas were unknown outside China.

THE giant Panda is the rarest species of bear. Until recently it was believed to be a member of the raccoon family. In 1973 it was officially declared a bear after experts studied the blood and tissue samples taken from the famous Chi-Chi after her death at London Zoo in 1972.

GIANT pandas do not behave like bears. They do not hibernate and they bleat rather than roar. Any self-respecting meat-eating bear would turn up its nose at the giant panda's diet of bamboo.

PANDAS feed and sleep throughout the day and night and in a 24-hour spell can tuck away about 33 lbs. of bamboo. They have to eat so much because they don't digest bamboo all that well and gain little nourishment from it. Nevertheless, an adult panda can weigh around 18 stone.

PANDA cubs are usually born in September and are blind and toothless at birth. Just 4 inches long, they weigh 5 oz. But they grow quickly and are more than 60 lb. within a year.

FEMALE pandas raise one cub every two years and not all of these survive.

PANDAS are a notoriously unprolific species, which isn't helping their survival chances.

IT IS against the law in China to hurt a giant panda, let alone hunt it. Pandas must not be sold, but occasionally are given to zoos in other countries.

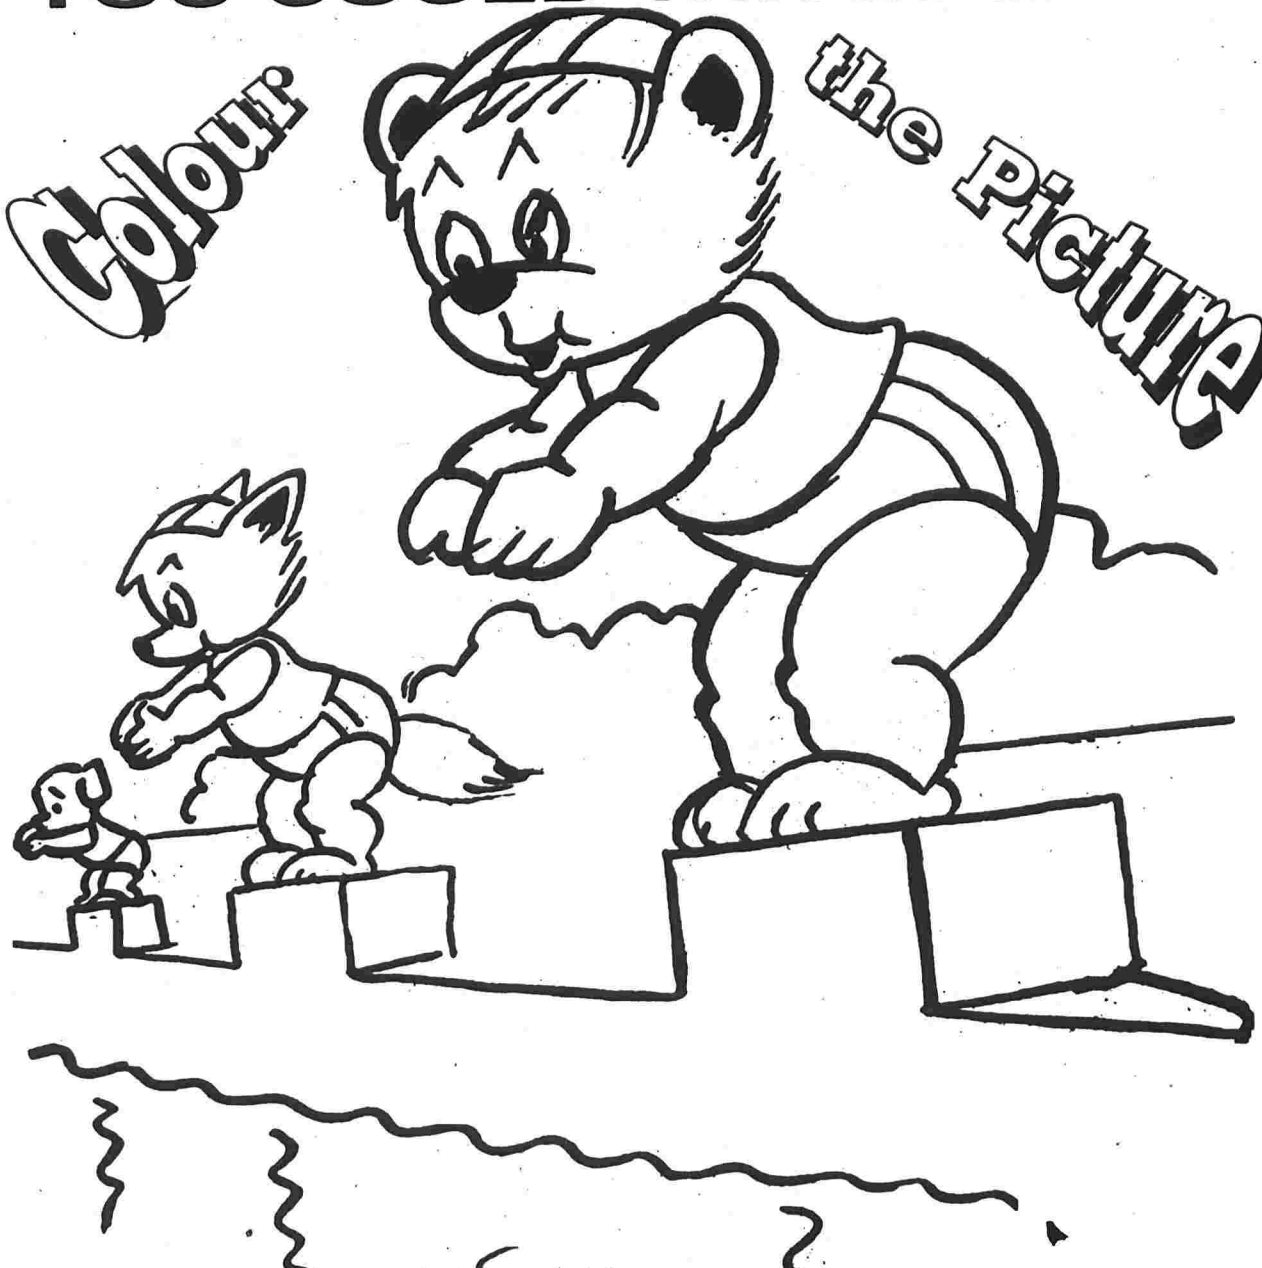

BECAUSE of their bamboo-only diet, giant pandas are rarely seen in captivity.

# Molly Keane Laid To Rest In Ardmore

Renowned writer Molly Keane was remembered with prose, verse, hymn and violin last Thursday before being laid to rest in her beloved seaside village of Ardmore.

A huge gathering attended the service at St. Paul's Church of Ireland in Ardmore, which was conducted by the Rev. Desmond Warren.

Among those present were Ms. Keane's two daughters Sally Phipps of Cloyne, Co. Cork, her husband George and London-based Virginia Brownlow, her husband Kevin, actor Hurd Hatfield, local Parish Priest Canon Donal O'Connor and Commdt. Dermot O'Connor who represented President Mary Robinson.

One of Ireland's best-

loved literary figures, Ms. Keane was a talented novelist and playwright of "Good Behaviour" fame which was nominated for the prestigious Booker Prize.

Stage producer, James Roose-Evans, a close friend and confidante who has a home near Ardmore, said the Irish government had declared Molly Keane as a "national treasure". In a moving tribute, he pointed out that Molly had become infinitely more precious to the people of Ardmore among whom she had lived for the past 40 years.

Three family wreaths were placed on her coffin, all of yellow primroses, inside the thronged hillside church.

Following the service, the 91 year old humorist was buried in the church

grounds. Her grave was fringed with fresh rhododendron flowers and dozens of floral wreaths.

As in the words of her good friend Mr. Roose-

Evans, it was fitting that Molly Keane be buried among the people who knew her best and loved her so deeply as she loved them.

# Make Your Lawn A Cut Above The Rest

The choice of a mower, whether it is a rotary, a cylinder or one of the hover machines, depends on your lawn and the way you want it to look.

A lot of people don't want a billiard-table lawn, especially if they have children who like to use it for games. The rotary is ideal for them and cutting is a bit like running a cleaner over a carpet.

If you want a short back and sides cut, with measured lines, then the cylinder machine with its roller is fine.

And lightweight rotary cutters save a lot of sweat if you have to mow a grass bank.

At the same time, unless you have a massive lawn, the seemingly old-fashioned high-wheeled cylinder push mower remains invaluable. Then there's the Rolls-Royce class of mower — a nice little saddled machine on which you can ride around the garden.

However you cut your grass, it's always a job to get it started. You should have started by now, but for the first cut make sure your blades are set high, so that you leave a good 2 inches of grass. Anything shorter will either tear bits out of wet soil or leave the grass yellow.

After one cut, roll the lawn, but not if wet. Then leave it and start with shorter cuts on really dry days.

With the growing use of power mowers in gardens, accidents have increased over the years. Many could be avoided by following a few strict rules.

Don't wear canvas shoes or sandals (or go in bare feet!) when mowing.

Don't go up and down a steep bank — going down, your feet could slide under the blades; going up, the mower could run back on you. Mow horizontally.

Don't lift a mower when the engine is still running.

Don't let children stand by while cutting or leave a mower with engine running with small children around.

Don't run a live electric cable across soaking wet grass.

Do wear leather shoes or heavy gardening boots when mowing.

Do store a power machine under lock and key to stop youngsters using it.

Do have an automatic cut-off plug when using an electric mower.

Do switch off before refuelling a petrol engine mower.

Do mow when the lawn is dry.

Incidentally, now's a good time to spring-feed the lawn; there are many proprietary preparations available and, when using, do follow the instructions carefully.

Dressing of lawn sand is advised where your lawn is infested with daisies and similar weeds. It also has some feeding value.

There are different sorts of lawn sand available and all will turn the grass black for a few days, but it will soon become green again, so don't worry.

"And then I thought why stand up all day when we can lie down...!"

# Dine In Style At . . . . blackwater lodge

UPPER BALLYDUFF, Co. WATERFORD. TEL: 058 - 60235

The Blackwater Lodge in Upper Ballyduff is probably far better known abroad than it is at home. As one of the foremost salmon angling centres in these islands, it attracts visitors from all over the world.

Since taking over the Lodge in 1986, Ian and Ute Powell have invested considerable time, effort and resources in bringing the Lodge, its restaurant and the fishing facilities to the standard they are today. Offering a superb view of the Blackwater, the restaurant comfortably seats nearly 50 guests or about 70 for functions.

Apart from servicing the needs of the Lodge's guests, the restaurant is ideally placed to cater for the growing local need for a good restaurant, consistently serving the finest food at sensible prices.

### FOOD FOR THOUGHT

A particular coup for the Lodge was the recent appointment of Tom Walsh as Head Chef. Tom hails from Kilkenny and has 22 years of experience as a Chef. He's passionate about food and its presentation and since his arrival he has enthralled everyone with his fascinating blend of the innovative and the traditional. The Lodge, of course, is the only salmon fishing hotel in these islands

with its own in-house smokery.

### HOW'S THIS FOR STARTERS?

The home produced Gravad Lax (Scandinavian marinated salmon) is a real culinary revelation. Other exciting starters include Crab Gratin, Seafood Spring Roll and Garlic Mushrooms. Most starters come at a very reasonable £2.50. The smoked Salmon salad is a little more at £3.50, while the Sauté of Helvick Prawns in Garlic Butter are a real treat at £4.50.

### THE MAIN ATTRACTION

If you think your starter was delicious, just wait till you experience the main course! Try 'Chicken Pascale' or how about Tom's 'Pork Marsala'. Needless to say, fish features strongly on the Lodge menu with tempting offers like Blackwater salmon with Hollandaise sauce. If your palate favours the old reliables, you won't be disappointed because Tom's skill and flair brings a special extra something to steaks, lamb cutlets and roasts. A magnificent selection of the freshest vegetables come at no extra cost and there is no service charge either.

### SWEET DREAMS

The temptation never stops at the Blackwater Lodge restaurant. The home made desserts just have to be experienced! Indulge in a little Tiramisu, or wallow in Banoffee Pie or fresh fruit salad. All of these gastronomic experiences come for less than £3.

Ian Powell has had a lifelong interest in wines and his personally chosen wine list is a splendid blend of all that's good in wine.

### SPOILT FOR CHOICE

In addition to the A La Carte menu, there is also a tempting 'Fisherman's Menu' priced at a very attractive £14 and for a quick snack, the bar food menu is imaginative, quick and very tasty.

# Fans Crowd Tallow For McCarthy's Homecoming

BY AISLING CONROY

At least the crowd was livelier in Tallow last Friday than the turnout in Prague for Ireland v Czech Republic last week. Despite two defeats out of two matches, new Irish soccer manager, Mick McCarthy was given a hero's welcome by delighted fans as he arrived via helicopter in Tallow. Mick was accompanied by his father Charlie, who grew up in the Brideside town and his 8 year old son Michael.

The mixed assortment of flags, bunting and decorations hanging from nearly every Tallow household would lead one to believe that Ireland had just won the World Cup while the presence of R.T.E. presenter, Alf McCarthy lended an expectant air to the occasion.

Following Mick's touchdown in the G.A.A. field, he and his party were chauffeur driven - limousine style - to the Square where a crowd of supporters were gathered around a central stage. On his arrival, R.T.E. linked up live with the Telethon People In Need programme, hosted by Gay Byrne.

It was obviously an emotional experience for Mick's father Charlie who last visited his hometown in 1953 for his father's funeral.

Greeting the residents of Tallow, Big Mac thanked everyone for organising the homecoming. "It means a lot to me but it means more to my Dad .... he's delighted," said Mick.

Waterford County Councillors Willie McDonnell, Ollie Wilkinson and Chairman Oliver Coffey welcomed Mick and his family to Tallow while committee members of the Brideview soccer club formed a guard of honour to bring the famous visitors into the Tallow

Community Centre. Also present was Inspector Michael Blake of Dungarvan Garda Station.

Star of "Fair City" soap, Seamus Flavin, better known as Gary who manages the Pizza Palace in the series was also on hand to sign autographs and pose for photos. The actor originally hails from Co. Waterford and visited many locations around the County on Friday where various Telethon activities were taking place.

## KEEP THE STUBS!

Inside the Community Centre, Mick took to the stage for the next R.T.E. transmission which saw Michael Curley, Chairman of Brideview Utd. making a Waterford Crystal presentation to the soccer supremo on behalf of the club. Welcoming Mick and his family, Mr. Curley wished the soccer boss every success as Ireland's soccer manager. In return, Mick presented him with 20 tickets for his own testimonial - an Irish selection against Glasgow Celtic - on May 26th at Lansdowne Road. Handing Mr. Curley the tickets, Mick showed a strong sense of humour when he urged the club to "please keep the ticket stubs." Mick, of course, was recently banned by the English F.A. from buying F.A.

A section of the large crowd at the Tallow Community Centre who welcomed Mick McCarthy

Cup Final tickets for the next 10 years. Trading standards officers at a match last season discovered that two £60 tickets sold to Mick McCarthy through his former club, Millwall had been sold on by a tout to Norwegian supporters who had paid £350 each to get into the game. Speaking later to the "Dungarvan Leader", a rather cynical Mick said he had passed the comment with "tongue in both cheeks".

## A FAMILY REUNION

As the crowd of young autograph hunters, friends, McCarthy relations and supporters gathered together in the Community Centre, Mick's father Charlie had a

chance to meet with his brother Tom who resides in West Street and many of his old schoolfriends.

Con Ryan, who hurled with Charlie during the 1940's in the Brideside town told the "Dungarvan Leader" that Charlie was a brilliant hurler in his youth. "He was nicknamed after the famous Jimmy Langton of Kilkenny fame for his ability as a wonderful ball player," said Con.

Charlie emigrated to England a short while after where his strong involvement with hurling continued. He played successfully for the Barnsley St. Joseph's hurling club with four other Tallow men - the late Jimmy Barry, the late Sean and Eddie Prendergast and Mattie Mulcahy who incidentally was Charlie's next-door neighbour in Tallow.

To mark his reunion with Con Ryan after an almost 45 year absence, Charlie presented him with a sliotar used when the Barnsley team won the Yorkshire Championships in 1950.

Obviously delighted to be among old friends and family members, Charlie's only regret was the short nature of his visit as he didn't get an opportunity to see the McCarthy family home in Chapel Street and the small West Waterford town where he spent his childhood days.

His brother John in Youghal was unable to travel to Tallow to meet him due to illness while Charlie's great friend, Harry Ronayne was also unable to attend the homecoming. Mr. Ronayne was an outstanding Tallow

hurler in his day and lived across the road from Charlie. As children, they both played hurling together in the road.

## RETURN VISIT

In an interview with the "Dungarvan Leader", Mick acknowledged how much the homecoming meant to his father. "It's been great for my father .... it's been very emotional for him," he stated. "It's great to be back," said Mick, "and I hope to come back to Tallow on a more low key affair when I can visit the town and walk around the streets," he added.

In between signing autographs and photocalls, the smiling soccer manager remained courteous and friendly, giving no indication of the current pressure on the Irish team to string a few victories together. With four defeats in a row behind them, the Irish soccer side is currently experiencing its worst patch in 11 years. But as Mick said, the next two years are going to be hard. He was previously quoted as saying that he will do his job his way and hopefully that will be successful.

## LOADSA MONEY

Also present on the night was the newly elected F.A.I. Vice-President Milo Corcoran who presented Mick with a beautiful Crystal vase. Cheque presentations in aid of Telethon were made by W.L.R. FM (£1,400), Tallow Credit Union (£500), Macra mock wedding (£1,200) and many more, including a cheque for £2,600 from the Waterford Foods Sports Club which was made by Anne

Fielding. The club raised the money through cards, darts tournament, company donation, a draw, Easter egg raffle, a coffee morning, fishing competition and The Tropics Telethon revival. The Knockanore, Glendine, Kilwatermoy Community Council also made a cheque presentation of £1,200. The final figure of money raised on the night is not yet known.

## LOCAL CLUB PLEASED

P.R.O. of the Brideview Utd. club, Liam Fraser said that overall the club was reasonably pleased with the homecoming. The time factor however, was beyond the soccer committee's control. Mick and his family left early at 10.00 p.m. and were unable to visit Charlie's brother in Youghal. "We're very hopeful of getting him down again," said Liam.

In the meantime the club is organising a bus to the upcoming McCarthy testimonial in Dublin. More details on this will be revealed at a later stage.

Mick's son Michael was not forgotten on the night as he was presented with togs and jersey of the Brideview schoolboy colours by local lads William Curley and Paul O'Brien.

In all, the McCarthy's were made feel completely at home by the crowds of supporters and organisers and hopefully they will make a return visit in the near future.

In next week's issue we will include a full page pictorial on Mick McCarthy's visit. Don't miss it!

Pictured above is William Curley and Paul O'Brien who made a presentation of togs and jerseys from the Brideview United Schoolboys soccer team to Mick McCarthy and his family.

# Meeting Of Lismore Town Commissioners Meeting

The following is the report of the April meeting of the Lismore Town Commissioners.

## FAMINE PLAQUE

B. Leddy proposed that a plaque be erected to the memory of the famine victims. In proposing this motion he stated that he felt that there should be a suitable commemorative plaque erected in the famine plot in the graveyard. It was pointed out that the decision had been made by the County Council in relation to their proposal. J. Heneghan felt that it would not be in keeping to spend money on such a plaque, instead he felt that something symbolic by a local craftsman would be more fitting. It was agreed to look at this possibility and to have proposals for the next meeting.

## JOCKEY HONOURED

The Commissioners are to present an appropriately inscribed scroll to Ken Whelan in his magnificent achievement of riding a winner on his first ride at Cheltenham. J Heneghan stated that Ken Whelan, a past pupil of his, had brought significant honour and esteem to the town in riding a winner at his first attempt at the Cheltenham Festival Meeting.

## CALL FOR ENTERPRISE UNIT

Lismore Town Commissioners are to call on Forbairt to establish a small enterprise unit building on its land at Mayfield. Proposing the motion, J. Heneghan stated that Forbairt was set up as an arm of the IDA to encourage local indigenous business. He was now calling on Forbairt to build a unit in the IDA site in Lismore that would house several smaller units that could be used as a base by local

entrepreneurs. Mr. B. Leddy stated that only recognised community groups who had completed training would be eligible for help by Forbairt, who in addition would require sizeable local contributions for any new buildings. Proposed by Mr. Heneghan and seconded by Mrs. M. Fenton-Morrissey and resolved that the above proposal be submitted to an Forbairt.

## OLD LISMORE HOSPITAL

The Commissioners are to call on Waterford County Council to develop its recently acquired property at the Old Hospital for use as holiday accommodation and a craft centre in conjunction with the relevant agencies and private enterprise.

Mr. J. Heneghan felt that this centre could be modeled on the thatched cottage scheme which was a community based project which encouraged tourist numbers through the provision of accommodation. Such a scheme would give a great boost to the local economy.

Mr. B. McNally, County Secretary, stated that architects had been appointed by the Council to determine the best possible use for the centre and their report was not yet completed.

It was unanimously agreed to refer this proposal to Waterford County Council.

## MORE RESIDENTIAL LAND

Mr. J. Heneghan moved that Lismore Town Commissioners request that there be an increase in the amount of land zoned residential in its development plan. Mr. Heneghan stated that he felt that planning permission for private building around Lismore was restrictive and he felt that it should be easier to

obtain planning permission for a single site. He went on to state that much of the land zoned for residential use in the recent development plan could be used by just one person. In addition, he felt that there was direct conflict between public and private development in the town.

It was unanimously agreed to refer this motion to the Council and in addition to request that they also provide serviced sites for private housing use.

## LOCAL DEVELOPMENT

The Commissioners are to request Waterford County Council to consult with the Commissioners where possible prior to any major development work being undertaken in the town. Referring to previous developments in Lismore, eg, Heritage, Cobblelock, Lighting, Ballalley and Hospital, Mr. Heneghan felt it would be nice if the Commissioners were consulted before such developments took place. He went on to state that the Commissioners should have information at the earliest possible time and before such items become general knowledge.

Mr. McNally stated that most decisions need County Council approval and need to go before the Council members.

## VOTE OF SYMPATHY

On the proposal of Mr. B. Leddy it was agreed to extend the Commissioners sympathy to all those involved in the Dunblane tragedy in Scotland.

## CITIZENS ADVICE BUREAU

Mr. B. Leddy proposed that Lismore Town Commissioners seek to provide a Citizens Advice Bureau. In proposing this motion he felt that everyone should

have access to the best possible advice on any aspect of life today.

Mr. McNally gave an outline of the type of service that could be provided and hoped to report back with further information at the next meeting.

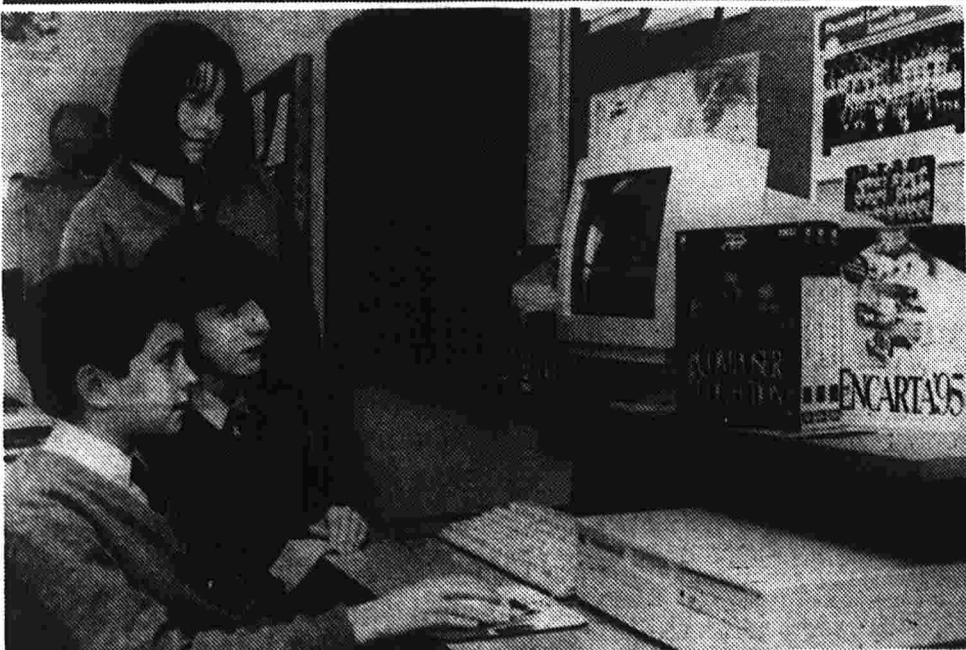

## CONGRATULATIONS

Congratulations were expressed to the Waterford badminton team, which included three Lismore players, Pat Morrissey (gold and silver), Pat Ahearn (silver) and Colin Coleman (silver) on their success at the All-Ireland Badminton Championships held in Galway recently.

# BALLYMACARBRY NEWS

## WELCOME DECISION OF MINISTER

United Farmers Association welcomed the decision of Minister for the Environment, Brendan Howlin to reduce from 200 hectares to 70 hectares the threshold where an Environmental Impact Assessment (EIA) becomes mandatory for tree planting.

While this is a move in the right direction it is not an adequate response to the concern being expressed by a large cross section of rural and urban dwellers about the silent scourge of Sitka Spruce which is creeping stealthily over the face of our beautiful countryside. This blanket afforestation threatens to blot out light, view of sky and indeed, whole sections of our rural population along with our natural flora and fauna. It is a recipe of death for whole townlands and even parishes.

Minister for Agriculture, Ivan Yates should now put in place, the long awaited Land Use Policy. UFA again calls for priority for farming over forestry when land is offered for sale or lease. Ireland is an agricultural country and despite subtle attempts to categorise trees as a farm crop, it is as plain as a pikestaff to the general populace that blanket afforestation is a not so subtle mechanism to push maximum number of small farmers off the land permanently.

This pushing of small farmers from their holdings by land and money starvation is unconstitutional and should be stoutly resisted by all farmer organisations.

Coillte and private forestry companies have been driving a coach and four through the democratic rights of rural residents to have a say in matters where proposed developments such as forestry will have a major impact, often negative, on their environment for ever more. If a farmer decides to build a house on his own land, he has to comply with strict planning regulations, yet his neighbour is still free to plant 70 hectares of trees without let or hindrance. There is a very visible anomaly apparent in a situation where every development except afforestation is subject to strict planning regulations.

## DAVERN SELECTED

The Fianna Fáil Convention to select a candidate to contest the next general election in the South Tipperary/Waterford constituency was held recently at Cahir House Hotel.

Mr. Michael Martin T.D., Shadow Minister for Education presided and Mr. Noel Davern T.D. was unanimously selected as the Fianna Fáil party candidate.

Deputy Davern thanked the delegates for their support and made a promise to work hard to repay the confidence placed in him. He then spoke at length on various topics of local and national importance which needed to be addressed. He was, he said, pleased that the leader, Bertie Ahern T.D. had taken his submission on board and had adopted as party policy that adjudication on applicants for medical cards should be based on nett disposal income. He was saddened that the Minister for Education didn't see fit to include Clonmel High School for funding in the 1996 estimates. He had, he said, asked many questions on the subject in Dáil Eireann and he would continue to press the case until its successful conclusion.

# RECENT DEATHS

## LATE MR. MICHAEL MORONEY

Profound and sincere feelings of regret were widely expressed at the news of the unexpected death of Mr. Michael (Mick) Moroney, Knockatreelaun, Ballymacarbry which sad event took place at St. Joseph's Hospital, Clonmel on Thursday afternoon, April 18th.

The deceased was in his late sixties and was a member of an old and respected family, popular in the farming community. He was truly one of nature's gentlemen, possessed of a friendly, good humoured and generous disposition. A true Christian man, he never sought the limelight but came forward only if he could offer the helping hand. An intelligent conversationalist, he was an expert in tracing family history and the district is the poorer at his passing.

Of a quiet and at all times pleasant demeanour, Michael possessed a most charitable outlook on life and he was an excellent neighbour whose demise is deeply and justifiably mourned by his brother, John, his neighbours and his many, many friends.

Many tributes have been paid to his memory but perhaps the finest was provided on Friday evening when his remains (after prayers for the bereaved were recited by Rev. Fr. Brian Power C.C. St. Mary's, Clonmel) were removed to St. Laurence's Parish Church, Fourmilewater where they were blessed and received by Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle. Also present was Rev. Fr. Sean Melody, Director of The Castle Communications Institute at Ireland (cousin). On Saturday morning, the feast of St. Marcellinus, requiem Mass was celebrated for the repose of his soul. The celebrant was Rev. Fr. Edmund Tobin P.P. assisted by Rev. Fr. Sean Melody (cousin). After Mass, the funeral took place to the Ancient Burial Ground at Bennett's Church where he was laid to rest in the family plot at the rear of the little school house where he received his education. Rev. Fr. Sean Melody (cousin) officiated at the graveside, (also present was Fr. Tobin) again in the presence of a large concourse of mourners who came to pay their final respects to a Christian friend whose memory they will cherish.

To his brother John and his many relatives, we extend our deepest and sincere sympathy.

## LATE MR. THOMAS HALLY

The district learned with regret of the unexpected death of Mr. Thomas

(Tommy) Hally, Knockperry, Newcastle which sad event took place at St. Joseph's Hospital, Clonmel on Saturday, April 18th.

The deceased who was in his early seventies, was a member of one of the districts best known and most respected families. A man of outstanding qualities, he possessed a wonderful warm personality and made friends with ease. He was the essence of good humour and established lasting friendships.

He was connected with Newcastle G.A.A. Club for many years where he was a trojan worker and for years was associated with their non-stop draw. A thoughtful neighbour, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He loved the chat with the sociable drink. He was a true gentleman in every sense of the word and a host of friends who appreciated his company, advice or assistance in any way now truly and justifiably grieve for the void his passing leaves.

The respect and high regard in which the deceased and his family are held over a wide area was evidenced on Friday evening when, after the Rosary was recited by Rev. Fr. Sean Nugent P.P. Lisronagh/Powerstown, his remains were removed from the Mortuary, St. Joseph's Hospital, Clonmel to St. Mary's Parish Church, Newcastle where they were blessed and received by Rev. Fr. James Denmead C.C. Fourmilewater/Newcastle. On Saturday morning, the feast of St. Marcellinus requiem Mass was celebrated for the repose of his soul. The celebrant was Rev. Fr. James Denmead C.C. assisted by Rev. Fr. Thomas Morrissey (retired P.P. Clogheen/Burncourt), Rev. Fr. Brown C.C. Kilsheelan and Rev. Fr. Patrick Hallinan (retired foreign Mission). After Mass, he was laid to rest in the family plot with his late parents and brother Paddy who predeceased him by some years, again in the presence of a large concourse of mourners who came to pay their final respects to a dear Christian friend whose memory they will long cherish. To his brothers, sister and his many relations we extend our sympathy.

Solas na soilse do na anam. (Undertakers - O'Dwyers, Newcastle).

## LATE MR. EAMONN RYAN

A wave of sadness cast its shadow over the entire district on Thursday, April 18th with the news of the death of Mr. Eamonn Ryan (Jim), Knockalisheen, Ballymacarbry which sad event took place at a London hospital where he underwent surgery recently.

The deceased who was in his 74th year, was a member of an old and respected family. He was truly one of nature's gentlemen, possessed of a friend-

ly, good humoured and generous disposition. His unassuming wit, rich fund of anecdote and a remarkable facility in recalling and relating experiences of his earlier years that held the fortunate listener enthralled, endeared him to all with whom he had contact. Eamonn came from a family steeped in the lore of the G.A.A. His brothers were outstanding players with Fourmilewater but the deceased's favourite pastime was set-dancing at the house dances of long ago and he could hold the floor till morning.

He was a man possessed of an old world charm that was refreshing for all. He spent many years in England where he was married but each year he paid a visit to the homeland.

On Tuesday evening, the feast of St. George (martyr) requiem Mass was celebrated at St. Laurence's Parish Church, Fourmilewater for the repose of his soul. The celebrant was Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle assisted by Rev. Fr. Nicholas McCarthy (retired English Mission and cousin) and Rev. Fr. Michael Kennedy P.P. Kilgobinet/Colligan/Kilbrien. His interment took place in Ealing Cemetery, London on Wednesday.

Many relations and friends travelled to England for the obsequies.

May the sod of his adopted country rest lightly on his grave.

To his brothers Paddy, Bill and Jimmy, his sisters Kitty, Eileen and Bridie and his many relatives, we extend our sympathy.

Leaba í measc na naomh go raibh aige.

## LATE MRS. ANNIE WALL

With regret, we pen the death of Mrs. Annie Wall (nee Harte), Lyreanearla, Clonmel which sad event occurred at her daughter's residence Mountain Road, Clonmel on Friday night.

On Sunday evening her remains were removed from her daughter's residence to SS Peter and Paul's Church, Clonmel and the funeral took place after 1.00 p.m. Mass on Monday to St. Patrick's Cemetery, Clonmel.

## (Full obituary in next issue.) LATE MISS ANNA WALSH

The death has taken place following an accident at St. Vincent's Hospital, Dublin of Miss Anna Walsh, Ballybrazil, New Ross, Co. Wexford.

She was daughter of Mr. Pat Walsh formerly of Clogheen, Ballymacarbry. On Sunday evening her remains were removed from her home to the Parish Church, Horsewood and after 2 p.m. Mass interment took place in Horsewood Cemetery.

# The Rising, Ring And The Maynooth Connection

On Sunday next, May 5th a ceremony will take place in The Square, Maynooth which will have a particular significance for people of Dungarvan and Co. Waterford.

80 years after the event, a monument will be unveiled by Mgr. Matthew O'Donnell, President of Maynooth College which will commemorate the 15 volunteers from the area who took part in the Easter Rising of 1916.

Amongst those 15 was a man named Domhnall Ua

Buachalla who later went on to become the last Governor-General of the country. His son Joe, later married Kathleen Curran of The Quay, Dungarvan and his grandson still lives in Maynooth, the proprietor of a hardware shop there.

The 15 who are to be commemorated assembled under their leader Domhnall Ua Buachalla on the evening of Easter Monday 1916, to march to Dublin to take part in the momentous events taking place there.

They set out with a shot-

gun each and about two dozen cartridges. Amongst those who also took part in the events of that historic week were Liam O'Riagain from Ring, then a supervisor in O'Buachalla's shop in Maynooth and John Graves who worked in the O'Buachalla business as well. With Domhnall Ua Buachalla, Liam O'Riagain got two years in Frongach camp in Wales for his activities and but for his escape from the G.P.O. in the latter stages of the campaign, John Graves would have joined them. He was arrested two weeks later in Maynooth and given six months with hard labour in

Mountjoy. He died in 1971 aged 78 years and is buried in the family plot in Ring.

The bronze memorial column will be ten feet in height, of a blue/green colour and will be highly polished at the top. The names of the fifteen will be prominently displayed and it will also carry an explanatory plaque at the bottom.

Regrettably, none of those original volunteers will be present on the occasion but will be well represented by their families. Amongst those who will travel from Ring will be members of the immediate Graves and O'Riagain families together with a wide circle of friends.

### U-16 WESTERN FINAL

Last Wednesday evening, An Gaeltacht U-16 football team travelled to Stradbally to take on the Brickey's in the U-16 Western Final.

An Gaeltacht team were well prepared for the game and at half-time, it looked as though it could only go one way.

The second half was a similar story and long before the final whistle, the Cup was bound for An Gaeltacht. The final score was 2-11 to 1-1.

Team: M. de Grás, C. O hUallacháin, N. Tóibín, C. O Murchú, E. Breathnach, T. O Meachair, R. Turraoin, M. de Paor (0-1), P. O Drocháin (0-0), R. de Goch (1-0), T. Breathnach - Capt. (0-4), C. O Conchubhair (1-2), A. O Manacháin (1-1), A. de Paor (0-1), B. O Faoláin. Subs: T. de Faoite, P. O Háirta, D. de Paor, C. Mac Eochaghan, C. Breathnach.

After the Final, the Chairman of the Western Board presented the Cup to the captain, Tomás Breathnach.

### U-16 COUNTY FINAL

On Saturday last (three days after the Western Final), An Gaeltacht travelled to Portlaw to play Rathgormack in the U-16 County Final.

An Gaeltacht arrived at the Portlaw venue at 2.30 p.m. to find a camogie match about to start. The game, which was timed for 3.00 p.m., didn't start until 3.40 p.m. There were no side lines, end lines or squares marked out on this pitch and all the supporters were allowed inside the railing - a very unsatisfactory set-up for a County Final. However, this did not affect the young team. An Gaeltacht played some great football

and led 0-6 to 1-0 at half-time.

They held on to this lead up until ten minutes to go, when unfortunately for An Gaeltacht, Rathgormack scored two goals, taking the lead for the first time. An Gaeltacht fought back to the best of their ability but were unable to regain their lead as Rathgormack were a very big physical team. This was undoubtedly An Gaeltacht's best display of football this year. Congratulations to all involved and well done to Micheál Tóibín (trainee-selector), Donal O Murchú and Pádraig Breathnach (selectors). The final score was Rathgormack 3-3 An Gaeltacht 0-8.

Team: M. de Grás, C. O hUallacháin, N. Tóibín, C. O Murchú, E. Breathnach, T. O Meachair, R. Turraoin, M. de Paor, P. O Drocháin (0-2), A. Manacháin, T. Breathnach - Capt. (0-3), C. O Conchubhair (0-2), T. de Faoite (0-1), A. de Paor, B. O Faoláin. Subs: P. O Háirta, D. de Paor, C. Mac Eochaghan, G. Breathnach, R. de Goch.

## AT THE SPORTSFIELD

Last Sunday saw the kick-off of the Junior Hurling Championship when two local teams - Ballinameela and Tourin - met at the venue. Tourin did very well at this stage of last year's championship and were still in contention at the knock-out stages. Ballinameela were also strong contenders last year so a good game looked in prospect.

Tourin looked the better side in the first half and were four points up before Ballinameela had their first score - a point - by Jerome O'Brien in the 24th minute. Brendan O'Sullivan added another point for Tourin who went in at half-time, leading by 0-5 to 0-1.

Ballinameela looked better in the second half and points by Fogarty, Glavin, E. Walsh and J. O'Brien saw them level the match in the 38th minute. The turning point of the game came in the 41st minute when Ballinameela were 'gifted' a soft goal, gladly accepted by D.

Glavin. Jerome O'Brien put his side further ahead with two points to which Glavin added another. In the 49th minute, there was another soft goal, this time to Tourin and scored by Brendan O'Sullivan. However, Ballinameela were not to be outdone. They had points from Fogarty and Jerome O'Brien. Fittingly it was Jerome who finished the scoring with a fine goal to make the final tally Ballinameela 2-10 Tourin 1-8.

Ballinameela team: J. Maher, T. Power, J. J. O'Brien, J. Fletcher, P. McCarthy, M. Fogarty, M. Walsh, W. O'Brien, A. Aherne, D. Glavin, E. Walsh, M. Walsh, T. Aherne, J. O'Brien, E. Radley. Sub: M. Power (used for T. Aherne).

## CONVENT PRIMARY OPEN SCHOOL QUIZ

The teams that came out on top were for third and fourth classes - First: St. Mary's, Dungarvan; Second and Third: Coolnasmear teams; For fifth and sixth classes - First: Coolnasmear; Second and Third: St. Mary's, Dungarvan. Both the Cappoquin boys and girls schools had teams coming in very close behind. This was the first quiz held by the Convent school and was organised in full by the parents of the Parents Committee with the co-operation of the teachers who helped on the night. Go raibh maith agaibh. A míle buíochas must go to our generous sponsors of the lovely trophies and plaques for the winners - Waterford Foods, Barron's Bakery, Tom Feerick and to St. Anne's for their fine hall.

## AFFANE A.F.C. NOTES

We were away to Glenview last Sunday morning in what was our last game of the season. Unfortunately it was not a happy end to the season as we lost 2-1 in a very poor game. We had most of the play in the first half but made no use of it and it was scoreless at the break.

The homeside went in front three minutes into the second half but we equalised after a quarter of an hour with a Brendan Henneby header. Glenview got what proved to be the winner on the half hour and while we had some excellent chances, we couldn't get the equaliser.

Team: E. McGrath, R. Prendergast, P. J. Veale, K. Reddy, B. Dunne, K. Veale, J. Meagher, C. O'Mahoney, B. Henneby, J. Crotty, P. J. Reddy. Sub: C. Cunningham (used for R. Prendergast).

As the season is now over, we can look back at what was a very difficult one. At the start we had our pitch and had lost several players. However, at the A.G.M., it was decided to keep the club going. We secured a pitch from the Abbot of Mount Melleray for which we were very grateful.

The early stages of the league were difficult as we had only the bare team with several new players and suffered some very heavy defeats. However, our players remained loyal and determined.

As the season progressed our panel began to increase and the results improved. By the end of the season, we had used 26 different players - a fact which shows the interest which was in our club.

To all the players, we are grateful and to all who supported us in any way through the season. We can now look forward to next season with some degree of optimism.

## AFFANE/CAPPOQUIN G.A.A. NOTES

### MINOR HURLERS WIN

#### Cappoquin 2-9 Naomh Bríd 1-5

Cappoquin minor hurlers upset the form book by decisively beating Naomh Bríd at Colligan last Friday night. We struggled for long periods in the first half and chances were squandered but some shrewd positional switches finally paid dividends as we proceeded to dominate the second half. Our Man of the Match was surely Darragh Wilkinson and he got great assistance from a rock-like defence of Noel McCarthy, Eamonn McGrath, Michael Murphy, Glen Arrigan and Ward Fraher, Paul Lacey led the attack with fierce determination where Shane Coughlan and Richard Scanlon also starred.

Team: D. McCarthy, N. McCarthy, E. McGrath, M. Murphy, J. Manahan, W. Fraher, A. Barry, N. Maher, D. Fraher, P. Lacey, S. Coughlan, G. Arrigan, D. Wilkinson. Sub: R. Scanlon.

### MINOR HURLING CHALLENGE AGAINST DUNGARVAN

Our Minors played a hurling challenge against Dungarvan last Tuesday night and with players unavailable, we took the opportunity to try out the younger lads. With nine U-16's on duty, it was a good performance from our lads although we were well beaten in the end.

Team: D. McCarthy, P. Morrissey, N. McCarthy, G. Foley, R. Scanlon, J. Manahan, W. Fraher, E. Byrnes, N. Maher, D. Wilkinson, R. Mason, S. Coughlan, S. Hanrahan, J. Ahearne, J. Dalton.

### MINOR HURLING CHALLENGE AGAINST ABBEYSIDE

Our Minor hurlers were again in action on Monday night and again with players away and others injured, the U-16's were called up for duty. We were well able to contain our opponents up to half-time but our lads got visibly tired in the second period and the stronger fitter Abbeyside lads took control to run out easy winners. But it was a great practice match for our lads who can only learn from matches like these.

Team: D. McCarthy, P. Morrissey, J. Lynch, N. McCarthy, M. Murphy, E. Byrnes, W. Fraher, N. Maher, D. Wilkinson, D. Fraher, J. Manahan, S. Coughlan, R. Scanlon, J. Ahearne, J. Dalton. Sub: S. Hanrahan.

Déise Draw Winner — Congratulations to Gary Morrissey who was a lucky prize winner in last month's Déise Draw. Let us hope we continue to get winners each month.

On County Junior Hurling Team — Club players who lined out for Waterford Junior hurling team in last Saturday night's challenge against Galway were Anthony McCarthy, John Buckley, Billy Tobin, Martin Power and Tom Mansfield. All the lads put in sterling performances.

Billy Tobin has also been in action with Waterford U-21 hurlers in recent weeks in challenge games against Cork and Limerick and has done very well.

### CAPPOQUIN JUNIOR HURLERS WIN

#### Cappoquin 3-6 Dungarvan 0-6

Cappoquin Junior hurlers created a surprise in the manner in which they disposed of Dungarvan's challenge at Cappoquin last Sunday evening. Our opponents had a good few seniors in their team but the all-round balance of our team kept them on the back foot for the entire game. In truth our lads should have finished with a bigger tally but poor finishing left us down - but the lads did their stuff and finished worthy winners.

Team: E. McGrath, L. Lacey, L. Costin, E. Cliffe, Martin Lacey, B. Murray, P. Cullen, F. McLoughlin (0-1), C. Cullinane, F. Murray (0-1), M. McCarthy (0-1), K. Veale, M. Mason, C. Barry (3-1), P. J. Veale. Subs: Michael Lacey, J. Lynch, A. Barry.

Outstanding for Cappoquin were Martin Lacey, Brian Murray, L. Costin, F. McLoughlin and top scorer was Charlie Barry.

Fixtures For Weekend — Our Junior footballers are in action this weekend when they take on Kilrossanty at Dungarvan Clubgrounds.

Our Minor hurlers play Ardmore in Tallow on Friday night at 7.00. Transport leaving the Square at 6.30 p.m.

### TOM CALLS IT A DAY

Over 40 years of employment with Waterford Foods and loyal service to the local community came to an end last weekend with the retirement of Tom Ahearne, Grange.

Tom first came to work at the branch as an assistant in 1955 and has no doubt seen many great changes in farming since then. At that time Grange was the main intake point for milk for all the farmers of Grange, Ardmore, parts of Kinsalebeg and Old Parish. As farming progressed and all milk collections take place on the farms, the branch became solely a trading point for feeds, fertiliser and other farm goods. Here Tom took full control of the branch. Needless to say, Tom gave a service second to none. He was always on call 24 hours a day seven days a week, his service to the farming community went far beyond the call of duty and he will be greatly missed by everyone.

Grange branch was unique as it offered the services of a grocery shop and following Maura Hourigan's retirement in the late seventies, Clashmore lady Mary Flavin took up the position. February of this year saw the closure of the shop and Mary was transferred to Dungarvan.

Friday last, Tom's final day at the branch was marked with a gathering of the local farming community and Kieran O'Connor, John Byrne and Justin Spratt representing Waterford Foods came to the branch to say a special thank you to Tom. Tom was presented with a beautiful Crystal clock and a wallet of notes by Mossie Hallahan on behalf of all the farmers as a token of their appreciation. It was a very touching moment for Tom and all present. While we know Tom as a man seldom at a loss for words, on this occasion he was totally overcome. Tom's wife Maudie was then presented with flowers.

A second presentation of a beautiful Crystal bowl and flowers was made by Michael Keane on behalf of the farmers to Mary Flavin in appreciation for her help and assistance down through the years and all wish her well in her new post.

Tom Ahearne is a man who has always taken great pride in his work, always busy, proficient and a perfectionist at anything he does, a keen gardener and a great family man. There is little doubt, Tom will have little time to be idle but we do wish him a long and happy retirement.

### BERNARD STEPS OUT OF THE DRIVERS SEAT

After 43 years of loyal service as a driver with Waterford County Council, Bernard Moloney, Kinsalebeg retired last week.

The occasion was marked with a surprise retirement party at the Aglish depot where Bernard was presented with a beautiful piece of Clashmore Crystal from his work mates. It was then on to Clashmore where Bernard was again wished every happiness by Clashmore Tidy Towns committee and the people of the village.

Bernard has been a landmark around the village for many years, always there with a word of welcome and even a tip for the day's racing if you wanted it !!! A regular prize winner on the W.L.R. FM Radio Bingo, we wish you continued success with the numbers, Bernard.

All join in extending Bernard every good wish, health and happiness in his retirement and many years happy motoring in his new car.

### CLASHMORE RAMBLERS

Division Two Champions — Last Sunday morning we set off to Modeligo on a mission. Our rivals Castlebridge were also playing and they needed a victory to keep up the pressure. Modeligo made things difficult for us and after many missed chances, Tiger O'Neill volleyed home a wonderful goal. It was 1-0 at half-time and within a minute of the restart Tiger set up Frannie O'Rourke for a well-taken goal. Shortly afterwards, a misunderstanding in the Clashmore defence saw Modeligo put the ball in the net. This goal unsettled us for a while but Barry Murphy started and finished a move which gave us a 3-1 lead. Brian Murray had a good run up the left but ended up with a tame effort a goal. Chances were missed before Peter Fitzgerald set up Pat Lombard for a well deserved fourth goal. Best for Ramblers were Barry Murphy, Tommy Power, Brian O'Neill and man of the match Pat Lombard. The lads asked me to mention our physio "Oggie" Hogan. They really appreciate his efforts to keep them up and running especially the "Honey Monster" who might not have played but for "Oggie's" magic hands.

Our final game is next weekend against An Gaeltacht. We will play at Páirc Uí Tucker at 11.30 a.m. on Sunday morning. Further details will be advertised in The Village or ring Finbarr at (024) 96188. The team will be presented with their winning

trophies and there will be music in The Old Still Bar. We hope to see all our supporters for this last game of the season. Also available for this game are tickets for a golden goal which cost £1. Tickets can be purchased at The Old Still or The Decies Lounge or at Páirc Uí Tucker before the match.

### LADIES FOOTBALL

On Saturday afternoon we played St. Pat's at home. Unfortunately we had only 14 players. All players gave their best but St. Pat's beat us on the day and they are now through to the County Final.

On Sunday we played St. Garvan's. We started very slowly but in the second half we dominated play and were unlucky to lose by one point. Scores came from Mary O'Rourke 0-2, Margaret Foley 0-1, Trish Seward 1-2, Jean Byrne 0-1, Una Keogh 0-2, Lorraine O'Brien 0-2, Ciara Dower 0-2.

Training tonight (Wednesday) at 8.00 p.m. for Juniors. The U-14's will start their Championship this weekend and best of luck to them.

### TALK ON CHILD AND TEENAGE DEVELOPMENT

On Tuesday next, May 7th, Dr. Tony Humphries (Psychology Lecturer at U.C.C.) will come to speak with all parents at Clashmore Hall at 8.00 p.m.

Dr. Humphries will speak on Child and Teenage Development and will be followed by a buffet. Parents from both parishes are welcome to attend and we are hoping for lots of support.

## LISMORE A.C. NOTES

### Munster And All-Ireland Gold For Patricia Cahill

The outdoor season began last week and what a start and indeed week it has been for Lismore athlete Patricia Cahill. Patricia has proven time and time again that she has the talent required to make the grade and in the past week she has really excelled herself with a string of impressive performances.

Just a week ago, the season began with Patricia travelling to Antrim for the All-Ireland InterVarsities Championships. Patricia, specialising in the triple jump on this occasion, received a silver medal in a very close competition. Leading the competition until the very last round, this was a splendid achievement and qualifies her to take part as a member of the Irish University side which will be involved in two international events later in the year.

After a short break, it was back up the country again, this time to Tullamore to take part in the All-Ireland Regional College Championships. Continuing her fine form, this time the gold medal was hers in the triple jump. Just to show how versatile an athlete she can be, she also won silver medals in both the long jump and the 100 metre sprint. To

round off an unforgettable day, Patricia was part of both the 100 metre and 400 metre relay teams that also won the gold medals. Overall, three gold and two silver All-Ireland medals on one day summed up a memorable days athletics.

Finally, to complete the week, it was off to Cork for the Munster Junior Championships. It was unfortunate that this competition was scheduled at the end of such a demanding week for Patricia. There are very few athletes who train and prepare themselves with the dedication and commitment that Patricia gives to her athletics. It was this preparation that again paid handsome dividends on Sunday last with a splendid double win. The long jump competition

was a very tense and close affair with Patricia coming to the fore at the end. In the triple jump she again showed her superior ability and mastery of the event in winning to bring to an end another very successful day.

In the space of eight days, Patricia has won 3 All-Ireland gold medals, 2 Munster gold medals and 3 All-Ireland Silver medals, a considerable achievement and a week that she will remember for a long time. It is great to see hard work being rewarded and nobody is more committed than Patricia who represents all of us here in Lismore so well. Congratulations and well done.

**Well Done** — Well done to Tanya Morrissey and Sarah O'Brien who won medals in the Cork Regional Track on Sunday last. Tanya won the 80m sprint and Sarah got second in the sprint and a medal in the 300m.

**Training** — Training every Monday, Wednesday and Friday nights at 7.00 p.m. at the Brother's field weather permitting.

#### LISMORE TENNIS CLUB NOTES

**Subscriptions** — Members are again reminded that subscriptions are now overdue. Subscriptions for the 1996/1997 season are as follows - family: £15; single adult: £8; children: £5. Keys cost £2 each. Subscriptions can be paid to any member of the committee.

**Causeway Inter Firms** — We were represented by two teams in the 1996 Causeway Inter Firms.

In Section 'C' we had Cappoquin Chickens and in Section 'B' we had Neil Twomey & Co. Congratulations to the Cappoquin Chickens team on reaching the final of Section 'C'. Unfortunately they were beaten in a close final by a stronger Waterford Glass team. Both teams played some magnificent tennis and all players did their club proud. We all hope Neil will be back on court soon after suffering a slight injury. Many thanks to The Causeway for their hospitality and sportsmanship.

**Club Night** — Thursday night has been set aside as Club Night. Beginners and new members are very welcome. Matches start at 7.00 p.m. sharp.

#### BALLROOM DANCING IN LISMORE

The recently formed Ballroom Dancing Group took their Bronze Certification Examination on Sunday, April 21. Everyone either passed or was highly commended. Grateful thanks are due to the teacher, Lesley Dunne of Castletownroche. The group is now looking forward to further progress in the autumn.

It is hoped to form a beginners group at the end of September. Anyone interested in joining should telephone Sheila Brown on (058) 53136.

#### BLACKWATER SINGERS IN CORK FESTIVAL

The Lismore based Blackwater Singers, under their conductor Dr. Jan Van Putten will compete in the National Competition for mixed voice choirs at the 43rd Cork International Choral Festival on Saturday, May 4th. Their competition pieces include "Tu Pauperum Refugium" by J. des Prez and "I Got Rhythm" by George Gerswhin.

A highlight for the choir will be their performance of the late Sean Dunne's poem "Prayer" set to music by the Waterford based composer Mr. Eric Sweeney. This piece, which was specially commissioned by the Blackwater Singers will receive its first public performance during the Choral Festival. Last week composer Mr. Eric Sweeney came to Lismore to listen to the choir performing his work and his comments were very positive.

This year the choir faces a bigger challenge than a year ago when they entered for the first time. Conductor Mr. Jan Van Putten has selected a far more difficult repertoire - however he is confident, given the dedication of the members, that the choir will give a good account of itself and keep the flag of West Waterford flying high !!!

#### NATIONAL ASSOC. OF WIDOWS IN IRELAND - WEST WATERFORD BRANCH

**PLEASE NOTE** - A Committee Meeting will be held at 7.30 p.m. at Lismore Hotel on Tuesday next, May 7th. Committee members are requested to attend. This meeting will be followed by our monthly meeting which will also be held on the same night and same venue at 8.00 p.m. A full attendance of members are also requested as final arrangements and deposits will be taken for our annual outing to Killarney. Date and departure time to be finalised at the meeting.

Members are welcome to bring along friends on the outing. Friends who are interested can contact Mrs. Elsie Power (Chairperson) at (058) 54103 or Pat Conroy (Secretary) at (058) 54564 or any member.

## LISMORE F.C. NOTES

### Almost There!

By the time these notes are in print, hopefully we will have been crowned Red House League Champions for 1995/1996. With two games remaining, we need just one point from six to end years of frustration attempting to win the league.

On Thursday night last in Lismore, we played Ardmore and while the seashiders made us fight all the way for 70 minutes, we eventually ran out winners by 3-0, Dan Shanahan netting himself a hat-trick. The score at half-time was 1-0 and this arrived midway in the half when a brilliant cross from Paul Quinn could only be parried by the goalkeeper to the feet of Shanahan.

In the second half after 20 minutes play, a wonderful passing movement between Paul and Barney Prendergast which started in the Lismore half saw young Gary Keane run into the Ardmore box and beat both the full-back and 'keeper for Shanahan to score into an empty net. Shortly afterwards Shanahan completed his hat-trick.

All the team placed well with Daly outstanding at centre-back and Paul Quinn in total command at midfield, ably assisted by Paul and Barney Prendergast and Meagher.

Team: M. Fitzgerald, K. Hornibrook, S. Daly, D. Prendergast, P. Quinn (Capt.), B. Quinn, Dan Shanahan, A. Meagher, M. Hickey, T. Molumphy, B. Prendergast. Subs: G. Keane (used for B. Quinn), J. Whelan.

We will have played Cappoquin in Tourin and are due to travel to Ballymacoda to complete our league programme against Ballybridge this week.

The Cappoquin game has been arranged for last Tuesday, April 30th and the Ballybridge game tomorrow (Thursday), May 2nd at 7.00 p.m. So all we need is one point to bring a championship to Lismore for only the second time in 24 years.

Next week we will hopefully be writing of the league success.

#### CUP FINAL ON MONDAY

Next Monday (Bank Holiday), May 6th all roads lead to Tallow for the final of The Dungarvan Tyre Centre Cup against neighbours Brideview Utd.

This game had to be postponed a fortnight ago due to the pitch being unplayable after non-stop rain. Unfortunately we will have players who have picked up injuries since then. Kieran O'Gorman, Brendan Landers and Brian Shanahan all have suffered injuries with Landers the only one with an outside chance of playing. Hopefully come the weekend, we will have The Red House League wrapped up and can concentrate on enjoying the Cup Final from the onset.

Both Pat Fitzgerald and Dave Landers emphasised the league was what they wanted the players and club to win and put all their efforts into achieving this goal and to win each round of the cup would be an added bonus. Now they are just 90 minutes away from winning the cup for the eighth time.

Lismore have defeated Brideview twice in the league this season but the cup is a totally new ball game. Both sides have met in Cup Finals before with Lismore coming out on top in both games.

Next Monday should be a cracker with two teams totally committed to playing attacking football. Kick off in Tallow on Monday is at 3.00 p.m. and we would appeal to our loyal supporters to make the short journey to cheer us on and come 5.00 p.m., see Paul Quinn accept The Dungarvan Tyre Centre Cup from John Faherty.

The committee of The Red House League have asked us to mention in our notes a sincere thanks to John O'Gorman who very kindly presented the league with a beautiful trophy for the Man of the Match.

The Lismore club would like to thank the many sponsors in the town who contributed to the Cup Final programme.

**Golden Goal** — Lismore F.C. will run a Golden Goal in the Cup Final on Monday next (Bank Holiday), May 6th.

#### MAY DAY FAIR

A fine day with lovely Spring sunshine is hoped for next Monday (Bank Holiday), May 6th when a fun-filled fair day will be held in the grounds of Presentation Primary School. Entertainment, stalls and art and craft displays will be among the many attractions on offer.

The Fair will be open at 2.00 p.m. so be sure to join us at some stage for an enjoyable family afternoon.

#### TIDY TOWNS

The Committee wish to thank all those who so generously supported our annual church gate collection last weekend.

Now that May has arrived, we hope everyone is considering planting and cleaning for this year's competition. Remember the main help we can all give is to KEEP LITTER UNDER CONTROL.

Feel free to join us at any work night from Thursday next, May 2nd at 7.00 p.m. at the monument.

#### HANDWRITING CHAMPION

Congratulations to Ciara Hennessy, Ballygalane Upr. who has been awarded first prize for her handwriting in the I.N.T.O./E.B.S. Competition.

Ciara and her parents will attend the prize-giving in Dublin on May 25th. Ciara's teacher, Mrs. Phelan and her class must also be congratulated.

#### "HUNTING THE STRAWBERRY TREE"

Many children from Presentation Primary enjoyed this play by local writer Sylvia Cullen. A number of children from the school attended the prize-giving ceremony for the Art Competition based on this event.

Sharon Heffernan and Elaine Meagher were fortunate enough to be among the main prize winners. The children are to meet with Mrs. Jean Kennedy-Smith as a result of involvement in this event.

# ABBEYSIDE

## TOPICS

# ABBEYSIDE G.A.A. IN 1938

Last week we outlined Abbeyside's victory over a strong Dungarvan team in the first round of the Junior Hurling Championship.

In Round Two, Abbeyside faced St. Anne's (Kilmac-thomas) whom they had defeated narrowly in a pre-season practice game. The second round game was played at Dungarvan on August 21st with Willie Barron (Dungarvan) as referee. The match ended in a draw, Abbeyside 4-0 St. Anne's 2-6. The replay was also played at Dungarvan with the same referee.

### Abbeyside 5-3 St. Anne's 0-5.

Abbeyside were lucky enough to draw the first day for St. Anne's were mostly on top. In the replay however, the tables were turned completely and Kilmac' were fighting a losing battle all the way. They had fine players in Downey (goal), Andy Fleming and Dalton (midfield) and the robust and energetic Berkie Power up front.

Abbeyside team: M. Cashman, T. O'Gorman, M. Coleman, Jim Burke, E. Daly, A. Burke, P. Hurley, P. Nagle, M. Noonan, M.

Burke, P. Whelan, J. Kiely, L. Noonan, T. Ryan and Johnson Burke.

### Western Final

Abbeyside 4-2 Lismore 4-2 at Tallow on Sept. 18th. Ref.: J. Cunningham (T).

The replay was held at Villierstown on October 9th with J. Moloney (Dungarvan) as referee. Lismore 4-1 Abbeyside 3-0.

A much bewailed result by all those in the Abbeyside team who felt that they had a County Championship side that year. Neither of the games against Lismore suited their style. The first was one of numerous frees and stoppages; the second was played in conditions which clearly favoured the heavier Lismore team.

## ABBEYSIDE BALLINACOURTY G.A.A. NEWS

**Golf Society** — Arrangements were being finalised by the Committee for the groups second outing which will take place at Gold Coast Golf Club on Saturday next, May 4th.

The Society is open to all former and current players and officials who served with the local club. However, everyone intending to play in the competition must have a current handicap with a recognised golf club.

Generous sponsorship has been received and there will be prizes for first, second, best gross, third, fourth, fifth, sixth, front nine, back nine, non-local visitor and best high handicapper. There will also be a number of spot prizes to be raffled between non-prize winners.

Many former club players living now in various cities and towns throughout Ireland have indicated their intentions of travelling to play and share a meal with former team-mates in an atmosphere of fun and friendship.

Eligible local golfers are reminded that they must indicate their intentions of playing by writing up their names on the posters on display at Knocknagranagh and Gold Coast. £10 will cover all expenses on the day while students can partake for £5.

## Abbeyside Guide Notes

### ADVENTURE TO THE END OF THE RAINBOW

Our ever active Ladybirds are off again. On Sunday week, May 12th we will be out and about searching for the crock of gold at the end of the rainbow. So watch this space to see how we get on !!!

### CAKE SALE

We will be holding a fundraising cake sale outside Abbeyside Church this Sunday, May 5th after 10.30 a.m. Mass. Cakes etc. for the sale may be handed in to The Den on Saturday afternoon between 4.00 p.m. and 6.00 p.m. We ask everyone to support us in this venture.

### GOOD LUCK

Best wishes to Ladybird Leader, Paula Hackett as she takes up her new nursing position in St. James' Hospital, Dublin.

### OPERATION CAN CAN

Our can collection is going well with our first bag being filled this week. This was mainly thanks to the Ladybirds and Aidan Duff-White. We urge all our members to get involved in this worthwhile challenge.

### GUIDE MEETING

As summer approaches, camping springs to mind and one way or another a camping theme has recently featured in our guiding programme. Last Friday we began the meeting by designing a campsite. Funnily enough, the leaders tent was often positioned well away from the Guides - wonder why ?!!! Still, it proved to be a very educational exercise which explained where we position our tents and why. You'd be surprised what some Guides wanted to put beside the toilet block !!! All this campsite talk gave Emma itchy feet and it seems we have convinced her to attend Camp Limerick 1996.

Next off, we learned about gadgets and square lashings. Following this lesson, it was a case of many hands make light work when everyone participate in the construction of a dresser !!! Although time was against us, the finished product was reasonably recognisable (but collapsible) !!!

Guides are reminded that this Friday we will be having an outdoor uniform inspection and a peace badge presentation so bring your sashes.

### GUESS WHO

Who will be the mystery visitor to our Guide meeting on Friday week, May 10th and what badge will he test ?

# Abbeyside Scout Notes

4th Waterford

### TROOP MEETING

The meeting began at 7.00 p.m. with the Scouts falling in for the Scout Prayer, after which each patrol was told to revise about camping and campsites. The patrols then went back to their corners. Subs were taken and any money for camp was also collected. With all this done, a few notices were given. It was then out to the field where the S.P.L.'s were in charge. The troop was divided into two with Stephen Griffen in charge of one team and Garvan McCarthy in charge of the other team.

The teams were each to pitch a ridge tent and then pack the tent away again. The fastest team was the winner.

The camping session is fast approaching and the first camp-out will be in The Glen on the Regional O Fearghail Shield. There are only three teams entered this year but it promises to be a great weekend.

The meeting ended with final notices and the Scout Prayer.

### REGIONAL MASS

This year's Regional Mass is due to be held in Mount Melleray Scout Centre on Sunday, May 19th at 5.00 p.m. This is two weeks later than previously announced so everyone note this in your diary. It is planned as this is the year of peace to plant a tree in the grounds of the centre. A bus will be provided by the unit to transport members that are making the trip.

### PATROL MEETINGS

There were no Patrol Meetings on this weekend. Wolf Patrol are on Care of the Den this week.

### MOTHER AND CUB WEEKEND

This weekend saw Mount Melleray host this year's Mother and Cub Weekend. The weekend began with a cup of tea or coffee for the mothers at 10.00 a.m. There was around 70 mothers and cubs up for the weekend and 20 of those had made the trip all the way from the Village. The group were wel-

comed by Camp Chief for the weekend Brian Mulvihill who handed over to the A.R.C. for cubs Willie Gallagher who said a few words. Brian then introduced the leaders for the weekend. It was down to action with some fun bases around the centre. The weather could not have been better. It was then time for lunch which was cooked by some, if not, the best cooks on this island (by the way, they are from Abbeyside).

After lunch, it was on to buses from Hallahan Coaches to head for a relaxing evening in Ferryhouse. There was first of all a game of soccer which the leaders from Abbeyside took on some of the cubs - three leaders against six cubs - the leader eventually won. There was swimming and other activities to do. It was then back to Melleray for dinner. There was then more 'street games' and after this, it was a video for the cubs and entertainment in The Cats Bar for the mothers.

This was done by the very talented Brian Mulvihill with a 'blues' solo by Fran. This was most popular.

Sunday morning saw a hike to The Glen for some backwoods cooking. Back to the centre for dinner after which a tidy up. It was off to the church then for Mass which was celebrated by Fr. Ahearn, Regional Chaplain. A quick few speeches and then it was home for a long rest after a good, fun packed weekend.

### NOTE

Wolf Patrols are on Care Of The Den. Next week's meeting is multi. Special thanks to Mark Shepherd, from the cub leaders for taking time out this weekend.

### SYMPATHY

## ABBEYSIDE REFERENCE ARCHIVE

Last week we received an envelope from Woodford Green in Essex. It contained extracts from the Dublin University Magazine of 1849 entitled "The Comeragh Mountains Their Lakes And Legends" which ran to twenty three pages. The accompanying letter explained that the writer felt it might add to our store of Comeragh information.

We took the writer's advice and added it to The Comeragh's, Refuge of Rebels by Sean and Sile Murphy. A Visitors Guide to the Comeragh Mountains by Patrick Warner. A Guide to the Comeragh Mountains by Declan McGrath; and so our store of "Comeraghiana" to use the writer's own word is much increased.

This Sunday Jennifer McCarthy will be minding our valuables from 2.30 p.m. to 5.30 p.m. As usual all are welcome to pay us a visit.

# New PLC Course At Dungarvan Technical College

A new Post Leaving Certificate course will commence in Dungarvan Technical College during 1996/97 school year subject to obtaining sufficient numbers. This course is designed for students interested in securing employment in the sport and leisure industry. The sport and leisure sector provides excellent employment opportunities for young people.

Students who successfully complete the course will get a Level 11 Certificate from the National Council for Vocational Awards, and also a First Aid certificate from the Irish Red Cross/Civil Defence.

Examinations are by continuous assessment and final papers at the end of the year.

The modules of the course consist of a mixture of practical and academic subjects. Approximately 70% of the course will be conducted outside of the classroom. Modules such as Gaelic games coaching, Exercise and Fitness — an introduction; Exercise and Fitness — further studies; and Sport/Recreation studies, will all be conducted in outcentres, e.g. a gym, sports hall or playing field. The other modules — Communications, Anatomy and Physiology, Computers and Operations Manage-

ment are classroom orientated.

Students will spend one day each week on work experience. This will give them practical experience in the many sport and leisure complexes in the Dungarvan area.

The aim of the course is to help students either gain employment in this field or to provide them with the opportunity for further study in third level colleges. Successful candidates will be able to find employment in Health and Fitness centres, Hotel Leisure centres, coaching, leisure and bowling centres and outdoor pursuits centres. This course

will help students to obtain places on the Sport/Recreation Management course organised by third level colleges. A certain number of places are available on the National Certificate in Exercise and Fitness course organised by the University of Limerick for successful PLC students.

There is no fee charged by the college for this course, but students will be expected to pay their exam fees and a minimal fee for photocopying.

Interested applicants should apply to: The Principal, Technical College, Dungarvan, Co. Waterford. Phone 058-41184. Interviews for the course will be held in the first week of September, 1996.

## Area Aid

All crops must be sown by May 15, 1996 in accordance with normal husbandry standards (i.e. the land must be prepared and seed sown in a way and at a seed rate expected to produce a normal marketable crop) and be properly maintained until at least the beginning of flowering — Oilseeds and Protein Crops must be maintained until June 30 unless harvested at full agricultural maturity before that date.

## Dairying

### A TIGHTER CALVING PATTERN

Traditionally, there is one peak calving period in Co. Waterford dairy herds, i.e. February/March, where the advantage is lower winter feed costs with a high proportion of milk produced cheaply from summer grass.

There are however very many dairy herds where calving dates have slipped, with too many cows calving in April and May. While in theory, the month of calving should not adversely affect profitability, provided cows are properly managed, it is difficult to get the best out of cows calving in May and June. These animals are reaching peak yields when grass quality begins to decline and milk yields are not easily sustained when grass quality and quantity begins to decline. The result is a considerably reduced lactation yield for late calvers which tends to lower profit margins per cow. The aim should therefore be to cull late calvers and replace them with early calving heifers.

### FIRST CALVERS

First calvers can be the first to suffer in tough grazing conditions. They will have reduced intakes and will lose body condition. This will result in reduced fertility and late calving. Check cow condition regularly and pay special attention to heifers. You have to give first calvers preferential treatment. They may need extra feeding. In large herds, consider grazing first calvers and lighter cows separately.

### Prepare For Silage

It is most important to prepare well in advance for silage making. In addition to cleaning the pit and surrounding area, farm roads should be repaired and potholes filled. If left undone, these wreck expensive machinery, damage tyres, and lead to breakdowns and delays.

If roadway and gaps are not clean, muck will be brought into the yard on tractor and trailer wheels and will finish up in the pit.

Narrow gateways should be widened to avoid damage to machinery, posts and gates.

Make sure all overhead wires are removed beforehand and remember to cut down any branches that will be in the way of high trailers. The cabs of tractors are getting bigger every year and have long mirrors out to the side. Allowance has to be made for these along all routes the machinery will have to move. Where acid is used as an additive, the barrels should be brought out to the fields in good time. Leaving them in the yard for the tractor drivers to carry out will hold them up, slowing down the whole operation. The barrels can ideally be brought out in a transport box.

Finally, make sure you book your contractor in good time.

## Union Dispute Leads To Disillusion Among Farmers

### IMPORTANT NOTICE

#### 1996 EU Suckler Cow Premium Schemes and 1996 Cattle/Beef Cow Headage and Equine Headage Schemes

##### Application forms:

Composite application forms are now being posted to all registered herdowners who participated in the following Schemes in recent years;

- EU Suckler Cow Premium Scheme for non-milk suppliers.
- EU Suckler Cow Premium Scheme for Small Scale Milk Producers (with milk quotas of less than 25,638 gallons at 1 April 1996).
- EU Cattle Headage Scheme in More Severely Handicapped areas and Beef Cow Scheme in Less Severely Handicapped Areas and in Coastal Areas with Specific Handicaps.
- EU Equine Headage Scheme in all Handicapped Areas.

Any intending applicant who has not received an appropriate application form by 15 May should request one immediately from the Local Office of the Department. Intending applicants should ensure that they have completed the application form appropriate to their needs. For example, applicants whose lands were recently re-classified from Less Severely Handicapped to More Severely Handicapped should ensure that they receive and complete the application form CS 96.

##### Closing date:

Completed application forms should be returned so as to reach the Local Office of the Department on or before **31 May 1996**. There will be no extension to this closing date.

##### Retention periods

Intending applicants for the Cattle Headage and Beef Cow Scheme and the Equine Headage Scheme are reminded that they must retain the number of animals applied on for a minimum of

**2 calendar months** from the day following submission of the application. The retention period for the EU Suckler Cow Premium Scheme is **6 months** from the day following submission of the application and intending applicants are reminded that they should not apply for the Suckler Cow Premium on non-beef breed cows or in-calf heifers.

All applicants should ensure that the application form is completed carefully and fully and in particular that the correct eartag number of the animals being applied on are clearly entered on the application form.

##### Suckler Cow Quota - 1996 National Reserve allocations

Successful applicants to the 1996 National Reserve have now been awarded quota rights, on a provisional basis, subject to the applicant applying for Premium on sufficient cows to cover the extra quota plus any existing quota he/she may have.

##### Transfer and lease of 1996 Suckler Cow Quotas

Unsuccessful applicants to the reserve include those who already have sufficient quota to cover the cows on which they intend to apply for the Premium in 1996 and those farmers who do not fulfil the income requirements. Unsuccessful applicants to the reserve who do not have sufficient quota to cover the cows on which they wish to apply for Premium may now lease or buy quota. Applications for leasing or buying quota are now available from Local Offices of the Department.

The latest date for leasing or buying quota is the date on which the application for Premium is submitted to the Department.

The BSE crisis is not the only development which is leading to a chaotic build-up of cattle on Irish farms, ICMSA Deputy President, Mr. Pat O'Rourke, said recently.

He said many farmers could not sell stock due to the major disruption in the new Disease Eradication Scheme caused by the CPSU dispute.

"Farmers were encouraged under the terms of the new eradication scheme to get pre-movement tests for animals which they intended to dispose of. Now those who did so are really disillusioned because the cards from the animals tested are being held by their vets pending return of the results of their herd's blood test, which are not being carried out due to the dispute. This means that these farmers cannot sell their animals," said Mr. O'Rourke.

He added: "Farmers with breeding stock and dairy

farmers clearing their herds are really suffering now because this is the traditional time for disposing of such animals."

Mr. O'Rourke called on the Minister for Agriculture to intervene in a bid to resolve the dispute which is causing major disruption for farmers.

He said the dispute had also disrupted commitments under the Charter of Rights and led to reduced opening hours of Department offices.

Mr. O'Rourke said there is growing anxiety among farmers who, due to the dispute, cannot get official advice on how to fill up their Area Aid forms, which must be submitted to the Department by April 30.

The Deputy President said staff were refusing to give advice on telephone lines established by the Department to advise farmers on filling the forms.

## IFA Demand Compensation For Heifers And Bulls

Waterford IFA Livestock Committee Chairman, Maurice Donovan, has said that the Minister for Agriculture, Ivan Yates has completely ignored heifer and bull beef producers in the current UK BSE crisis.

Mr. Donovan said that in addition to negotiating a £150/head Slaughter Premium for steers Minister Yates must insist that this compensation is extended to cover heifers and bulls.

"Because there is no premium payment on heifers, specialist producers are losing up to £200/head."

The Waterford IFA Livestock leader said that farmers selling cattle under the new intervention arrangements must insist on payment on the day from the meat factories. "Farmers must be unequivocal in insisting on payment on the day for the sale of their stock."

## I.F.A. Call On Lamb Factories To Resist Negative Price Pressure

Waterford IFA Sheep Committee Chairman, Harry Gray, has called on the Irish lamb factories to strongly resist the huge price discounting from the French importers on lamb prices. Mr. Gray said the factories must prevent a repeat of last year's early lamb price collapse.

The Waterford IFA man pointed out that as a result of a major reduction in lamb price on the French market from 33FF per kilo 28FF

per kilo today, the Irish lamb factories have reduced their quotations from 175p/lb to 160p/lb.

Mr. Gray said the Irish lamb factories must fiercely resist this huge price discounting from France and owe it to their early lamb suppliers to ensure that prices do not drop below 160p/lb. He said it was outrageous that some factories were trying to get the price down to 150p/lb.

## NOTICE TO APPLICANTS FOR THE 1996 AREA AID SCHEME

1. Ireland has secured from the EU Commission a 15-day extension to the 1996 area aid application closing date - applications may now be lodged up to 15th May 1996. PLEASE ENSURE YOUR 1996 AREA AID APPLICATION REACHES THE AREA AID UNIT, DEPARTMENT OF AGRICULTURE, FOOD AND FORESTRY, HUME HOUSE, BALLSBRIDGE, DUBLIN 4 ON OR BEFORE WEDNESDAY, 15TH MAY 1996, THEREFORE, SO AS TO AVOID ANY LATE APPLICATION PENALTIES.
2. If you have any problems with the maps issued to you recently and cannot sort out those problems before 15th MAY, 1996, YOU NEED NOT SUBMIT THE CORRECTED MAPS WITH YOUR AREA AID APPLICATION - BUT YOU MUST FORWARD THEM AS SOON AS POSSIBLE AFTER 15 MAY. Where the maps issued to farmers this year contain errors arising from faulty mapping by this Department's agent, these errors will not give rise to penalties. Other errors - for example, those arising from faulty mapping by farmers themselves - will have to be dealt with in the usual way and could involve penalties.
3. If there are NO CHANGES to the land parcels covered by the maps issued to you recently, YOU NEED NOT RETURN THOSE MAPS WITH YOUR 1996 AREA AID APPLICATION. Just keep those maps for future reference.

## A THOUSAND WAYS TO IMPROVE YOUR IMAGE

### BLEPHAROPLASTY Eyelid Correction

Eyelid correction is often formed in conjunction with a face lift, and is quite an easy procedure. A piece of skin is removed from the upper eyelid and from the lower lid, and an incision is made on the outer side. The incisions are sutured with silk or nylon thread.

The hardest part of the procedure is deciding how much or how little skin should be removed. For example too little skin may not correct the problem, and too much might make the eye look distorted. Inside the upper and lower lids are pockets of fatty tissue, the fat in these pockets also has

to be trimmed during the operation. The exact amount of the fatty tissue must be removed to give the desired appearance.

In the case of a drooping eyebrow, a larger incision can be made toward the temple directly above the eyebrow. There is an operation which can be done if

there is a retention of fluid on the eyelids. However this procedure is not very successful as puffiness is inclined to reappear shortly after the operation.

Blepharoplasty is usually carried out under local anaesthetic and the operation lasts about an hour and half. The stitches are removed about four or five days later.

As with all cosmetic surgery only a qualified surgeon can give advice and determine exactly what procedures need to be taken to suit the patient.

### Sausage And Apple Lattice Pie

Preparation: 20 Mins  
Cooking: 35 Mins  
Serves: 6

225g (8oz) plain flour  
pinch of salt

small leek, cleaned and trimmed  
225g (8oz) cooking apple, peeled and cored  
15ml (1 tbsp) vegetable oil  
salt and freshly ground black pepper  
pinch of freeze-dried mixed herbs  
450g (1lb) pork sausages, skinned  
1 beaten egg, to glaze

- Sift flour and salt into large bowl. Cut butter or margarine into small cubes, then rub into flour using fingertips until mixture resembles fine crumbs.

- Stir in 45-60ml (3-4 tbsp) cold water to form a firm dough. Knead lightly and cover with clear film. Chill while preparing the filling.
- Finely slice the leek and chop the apple. Heat the oil in a small pan and sauté the leek and apple for 2 mins. Stir in 30ml (2 tbsp) water, cover and cook over medium heat until apple becomes mushy. Remove from heat, season to taste and leave to cool slightly.

- Preheat the oven to 200°C (400°F, Gas 6). Place the sausage meat in a bowl and season to taste. Roll out two thirds of the pastry on a lightly floured work surface, then use to line the base of a 20cm (8in) deep fluted flan tin.

## Family Health

By Dr. DAVE BARRY

**Q. I've had an abnormal cervical smear test result and now awaiting laser treatment. I haven't got a family as yet. Will this type of treatment reduce my chances of conceiving in the future?**

**A. Laser treatment is usually given only to the most superficial layers of the cervix and this is unlikely to cause future problems. If, on the other hand, a more radical procedure to remove the abnormal cells proved necessary, some scarring is possible. This would not stop the sperm getting through, so conceiving wouldn't be a problem, but it might make the cervix more reluctant to dilate during labour. Interference of any kind with the cervix, runs the risk of infection in the pelvic organs, but this is unlikely under proper surgical conditions.**

**Q. I'm 15 and for the past six months I've been making myself sick after bingeing. About a week ago, when I blew my nose a big blood clot came out. Is this related to the vomiting?**

**A. The nose bleed and vomiting are separate issues. Nose bleeds, especially in someone your age, are seldom anything to worry about. Its probable that the vigorous nose blowing ruptured a small blood vessel. It is common for blood from the nose to trickle down into the stomach and then be vomited up. The opposite, however, does not occur. Blood from the stomach would not form a clot in the nose. You are playing a very dangerous game with the bingeing and vomiting as this can cause health problems. Persistent vomiting can damage and even rupture the gullet, while stomach acid in the mouth can damage the enamel on the teeth. An urgent visit to your doctor is called for.**

# REMEMBERING OTHER DAYS

With Feile na nDeise taking place this Bank Holiday Week-end in Dungarvan, when Irish music and dancing will be to the fore, we thought it appropriate to feature the above photograph in this week's "Remembering Other Days" series. It shows the Comeragh Valley Ceili Band rehearsing in the Friary Hall, Dungarvan and the picture was taken in the year 1957. The band who were well known in the area were managed by well known Kilrossanty footballer Billy Kirwan of "Batchelors In Trouble" fame and played at venues throughout Waterford and beyond at that time. The group, captured by the lens of the late Tom Tobin shows (left to right) — Jim Duggan (piano), Tommy Norris (fiddle), Thomas Morrissey (accordeon), Paddy Quinn (drums), Mike Connery (fiddle), and his son Michael Connery (accordeon). Missing from photo is Michael Ryan of Ballymacarbry.

## Concert By London Baroque Concertino In Lismore

The London Baroque Concertino is making its Irish debut during the next few weeks with just three concerts. They will be travelling to Sligo and Omagh and their only performance in

the South will take place in Lismore Cathedral, Lismore on Sunday, May 5 at 7.30 p.m. sharp.

The concert, organised by West Waterford Music in association with Waterford

Crystal, is a highlight in the current series of musical evenings and will attract music lovers throughout the county.

The London Baroque Concertino is made up of members of the critically acclaimed London Baroque Sinfonia with Stephen Bull (violin), leader Marie Knight (violin), Imogen Seth Smith (cello), Laurence Cummings (harpsichord), with Orna Loughnane (violin) and Galina Zinchenko (viola).

Stephen Bull has brought together an interesting programme of music by Italian composers who spent time in Ireland in the eighteenth century, particularly Geminiani and Handel. The country at that time really flourished culturally and the programme will include a composition by Geminiani based on an Irish traditional tune with variations (from Opus 8). Geminiani died in Dublin in September 1762.

West Waterford Music is very proud to offer this special concert in what must be the ideal setting — Lismore

Orna Loughnane  
Violin

Cathedral.

To complete a wonderful evening's music Chef James Gilson at the Lismore Hotel has devised a carvery candlelight dinner which will be served in the Hotel immediately following the concert.

Tickets for the Concert plus dinner £14. Concert only £7 (concession £6). Tickets can be booked by telephoning 058-54416 or from Lismore Hotel 058-54304. They can also be purchased at the Cathedral on the night of the concert.

# TALLOW NOTES

## TALLOW G.A.A CLUB NOTES

### JOHN DUGGAN

Very recently a letter arrived from the U.S.A. addressed to the "Dungarvan Leader", Ned Power, Tallow Notes, O'Connell Street, Dungarvan. Didn't that address have its priorities right !!!

Colm and Michael were intrigued by this and gave me a ring. I instructed them to forward it so in due course, I received a lovely surprise when I discovered on opening it that it came from Tacoma, Washington. The writer was Johnny Duggan, a Dungarvan man who emigrated over a generation ago but whose ties with his native place remain firm and enduring. He gets the "Dungarvan Leader" regularly and reads it thoroughly, even Tallow G.A.A. Club Notes, poor sod !!!

John is a Brother's boy who was a class ahead of me at the C.B.S. and who knew a distinguished brother of mine Dr. P. C. Power (the 'C' stands for Carthage) much better than me because they were classmates. I knew Johnny too and was delighted to hear from him and to know that he had made a success of his life in the Land of the Free. Never until now did I know that his home was in Tacoma in the north western state of Washington, the only one named after a President. Washington is on America's west coast, is more than twice the size of our island and more than 6,000 miles from Dungarvan. Tacoma, John's domicile, is a very busy seaport and industrial centre. So every trip home brings a huge contrast to his life near the Canadian border, the Pacific lapping its shores.

John is married to Kathleen and I remember her too. How could I not, wasn't she Fitzie's daughter. Older Dungarvan and West Waterford people with a G.A.A. interest won't have to be told who Fitzie was. More formally he was Eddie Fitzgerald, lover of the G.A.A. and hurling whose home was near the present District Hospital in Dungarvan. Most of his leisure hours were devoted to organising hurling for young lads with special emphasis on Minor hurling. To be on Fitzie's team, you had to have a vocation: Fitzie called you. Life was always difficult for him given that his catchment area was surrounded by stronger clubs - Dungarvan, Abbeyside and the Brickey Rangers. His special relationship with the Augustinian priests led to the recruitment of some

quality material to augment his slender playing resources. Still his teams were invariably weak because of the strength of those clubs, so defeat became a constant companion. However he always cheered up his perennially defeated warriors by promising: "never mind lads, we'll win the objection !!!"

Men like Fitzie were a rare breed whose enthusiasm no defeat could dampen. He was far from state-of-the-art corporate boxes at Croke Park but his heart and soul were in the young people and in the games he loved and served so well. Soon John and Kathleen will receive a few lines from me. Meanwhile warmest good wishes and keep on reading the "Dungarvan Leader".

### ALL-IRELAND DAY

I made a trip to Dublin last Sunday to Croke Park (place of hallowed memory) to watch the All-Ireland Colleges Final between St. Colman's and St. Kieran's. There was fine local support from Fermoy, Kilworth, Castlelyons and Castletownroche as well as from Tallow and the Shamrock's in acknowledgement of the presence of James Murray and Eoin Murphy on the team and of Shane Kearney among the subs. Disappointment was our lot, I'm afraid, because the Kilkenny boys were that bit better overall and emerged clear winners in the end.

Our two local boys contributed their share to Fermoy's efforts and James Murray from West Street was quite outstanding. Pitted against one of Kilkenny's most incisive forwards, Willie Maher, James was master of his area from the start. On the rare occasion when his opponent secured possession, James followed him, pressurised him and with hook or block, stopped the attack and cleared. It was a big mistake to place James on the other wing for the second half. He also had the positive strength to go forward and show his disappointing attack how to score. Surging from defence, he drove over a fine point in the first half which must have inspired his colleagues. Even when his team's challenge spluttered in the second half, before being extinguished, James hurled defiance at The Cats. On a day on which so many of his team-mates, even the most highly-rated, failed to shine, James was splendid. He can be very proud of his first All-Ireland and we in Tallow are mighty proud of him.

All-Ireland day is an awful day within the literal meaning

of the word. It is a day filled with nervousness, fear of failure, high expectations, trepidation and a numbing sense of the enormity of the occasion. An air of almost unreality pervades the camp. Having travelled up on Saturday, they've booked into the strange environment of a city hotel. Far from the familiar sights and sounds of home, a sense of isolation heightens the tension as the hours tick slowly by. Few indeed are the players who can enjoy a sound night's sleep as the mind conjures up and wrestles with self-doubt and negative images.

It's a relief to rise early on the match morning only to meet the rest of the lads for breakfast in an environment not conducive to calming those frayed nerve-edges. A trip to Mass may, perhaps, only allow the poor intellect further scope for racing ahead to match time and all the likely and unlikely twists and turns a game might take. Players struggle for a little soothing calm and crave comforting words of encouragement or reassuring omens. The weight of psychological baggage can be too great a burden for many otherwise gifted players as match time approaches.

Reaching the dressingroom is a huge relief and the toggling out ritual provides some much needed manual therapy. Waiting to take the field is very hard on the nervous system. A very welcome change at Croke Park's new dressingrooms is the provision of an area which allows for a puck about or kick about prior to leaving the dressingroom area. A player's unspoken prayer is for a short speech from the management because each player has his own personal struggle with his thoughts and feelings and wishes to get out into the fresh air as soon as possible. What gives players confidence at this stage is their belief in themselves and the knowledge of their high sense of preparedness as a result of the huge volume of shared hard work in training. An appreciation of the interdependence of team-mates on one another, with victory not contingent on the display of any one man, should lighten a player's mental load and strengthen the team bond. Oh how emotions jostle in the players' minds before they feel the cooling breeze on their faces dashing out the tunnel onto the pitch.

Out at last !!! The green sod under the feet and a first

experience with the ball on Croke Park. The puckabout had better not be haphazard but structured and vigorous and should ensure that every panel member is fully preoccupied with ball. The free talkers should strike a few frees just to confirm and reinforce for them their readiness to assume responsibility for the placed ball. Soon enough the real music must be faced and then a player's only friends are his God and his team-mates. Preparation time and anticipation time are up.

These thoughts ran through any mind as we waited the arrival of the two teams onto the pitch for what would be St. Colman's fourth Croke Cup Final. It was a fine fast, skillful game. That St. Colman's were beaten by a better team is true. After all, they (St. Kieran's) were three points up within five minutes of the throw-in and gallantly as the Cork boys came back to lead at half-time they could manage only one point in the second half when the Noresiders took over. The main differences between the finalists were of pace and craft. Kieran's were overall the quicker side to the ball, on the ball, in the tackle, in the swing. They gave no time to big or slow swingers. It's of significance that Will O'Donoghue, St. Colman's best forward and scorer of 2-1 was a quick striker and recorded more than half of his side's total. I felt very sorry for the two key men - Luke Mannix and Timmy McCarthy who never revealed their true form. Failing to play to your potential on the big day is a huge disappointment and losing in those circumstances is a bitter pill to swallow. Niall Fitzgerald at full-back was outstanding and surpassed any of his previous displays. Kilworth's William Twomey was another Colman's star whose injury helped turn the game in favour of St. Kieran's. Leaving him (on) to continue when he was unfit for play while 10 subs sat toggled out on the sideline was a grievous mistake. Kierans, especially their forwards were very slick and crafty and dangerous every time they attacked.

A fine game but most disappointing for those from this area because it was an All-Ireland which on form to date, St. Colman's were quite capable of winning. For James Murray, first Tallow man to play in a Colleges All-Ireland and Eoin Murphy, it was a memorable occasion filled with bitter-sweet memories.

## TALLOW ENTERPRISE NEWS

The 'Learning To Study' Course — This first course was successfully run over the Easter school holidays. The tutor was Sheila Brown of Lismore. The participants thought it was extremely useful and said that it would help them to approach their exams with greater confidence.

The following topics were covered during the course:

Session One - various ideas on how to study effectively; what prevents you from learning; how to become independent in your learning; how to plan creatively (mind-mapping for compositions, note-taking, problem solving).

Session Two - how to relax before exams; thinking positively; dividing up your revision time; putting exam questions into simple language; identifying the answers in multiple choice; dividing up exam time.

The course will be repeated if there is sufficient interest. It should be noted that the course is aimed at all secondary school students. It is of particular benefit to those approaching exams, both Junior and Leaving Certificates. It is also extremely useful to young people entering third level education where they no longer have the imposed discipline of a school system.

If you are interested in attending a future course, please give your name to the Tallow Enterprise Centre at (058) 56445 who will keep you informed when the next course will take place.

Home Management Course Draws To A Close — Our thanks to Ms. Carmel Crotty, Dungarvan who gave this course in the Enterprise Centre over the past number of weeks. Topics such as cookery, skincare and beauty, health and fitness, personal taxation, home economy and hygiene. Ms. Anita Wilcox gave a demonstration on Indian cooking for the final class. It was very well received. Anyone interested in taking part in a course of anyone of the above should contact the Enterprise Centre at (058) 56445.

Young Arts Exhibition — 10 budding artists between the ages of 6 and 14 have just completed a series of 10 art and craft workshops facilitated by Julie Francis of Caravan Craft and Design. Skills studies included marbling, screen printing, paper making, paper mache, painting and drawing techniques.

Some of their work is on display until this Saturday, May 4th at the Tallow Enterprise Centre, West Street, Tallow during office hours.

### MINOR FOOTBALL WESTERN CHAMPIONSHIP 3RD ROUND

#### Shamrocks 2-12 Brickey Rangers 1-3

### MINOR 'A' HURLING WESTERN CHAMPIONSHIP 1ST ROUND

Tallow v. Lismore — This game was fixed for Ballyduff on last Friday night but was postponed owing to some of the Tallow players being involved in the All Ireland Colleges final with St. Colman's, Fermoy on Sunday last. The 2nd round game v. Abbeyside will be played on this Friday night at Cappoquin at 7.30 p.m.

### UNDER-14 HURLING WESTERN CHAMPIONSHIP 1ST ROUND

### COMMISERATIONS

Commiserations to St. Colman's, Fermoy on their 5 point defeat by St. Kierans, Kilkenny in the final of the 'A' colleges championship at Croke Park last Sunday by 1-14 to 2-6. Eoin Murphy and James Murray were our representatives on the St. Colman's team.

**BRIDEVIEW UTD. A.F.C. NOTES**

**Mick A Big Hit With Brideview**

Mick McCarthy's visit to Tallow in aid of People In Need certainly proved a big hit with the local soccer club when he presented the Chairman of the club Mickey Curley with tickets for his testimonial in Dublin later this month.

While Mick, his son Michael and father Charlie proved very popular, their visit was far too short and some well laid out plans had to fall by the wayside on the night. Unfortunately this was outside the control of the local committee.

Presentation — It was a night of presentations. The local soccer club Brideview Utd. made a presentation of a beautiful piece of Waterford Crystal. This was presented to Mick by Chairman of Utd., Mickey Curley. Murphy's Brewery also presented Mick with a piece of Waterford Crystal by their representative Milo Corcoran. Milo is now the new Vice-President of the F.A.I.

The Schoolboys Club presented Mick's son Michael with a Brideview jersey and nicks much to the delight of young Michael.

The local G.A.A. club also presented a jersey to Charlie McCarthy. This presentation was made by Chairman of the G.A.A. club Sean Sheehan. Charlie met many of his old schoolmates and friends that used to play hurling with Tallow and Ballyduff.

Due to a change of venue, some people failed to meet Charlie and we apologise to those people but again it was outside of our control.

In the Tallow Community Centre, Mick signed autographs for our schoolboys and indeed many adults as well. All photographs which were taken in the Community Centre will be available next week and we will have full details where these can be collected.

Peter McCarthy, head of the McCarthy clan in Waterford also made a presentation to Mick as indeed did many organisations throughout West Waterford. All of these were cheques for People In Need. These went out live on R.T.E.

Thanks — The committee would like to thank the following people for their help on the day, none of whom were on the committee: Sean Tobin M.D. of Goalpost Ireland, his wife Frances and staff, John O'Sullivan and Bernard O'Hara, Kay Murphy of Tallow Tyres, Denise Sheehan, Elaine and Joanne Kearney and friend and Mark Fraser. These five people sold t-shirts, hats, badges and Lottos around the town for People In Need. Thomas Mulcahy and Stephen Pratt, both of whom had a busy time helping out R.T.E. FAS

workers Gerard Hogan and Martin McCarthy, Brian and Willie, Joe Fitzgerald. Thanks also to Waterford Foods for providing the stage and the lads from Dungarvan who decorated it. To Austin O'Brien for giving us a van which we used as a base for selling all the products - t-shirts, caps etc. To the local boy scouts and girl guides for their collection of money on the street that Friday evening. To R.T.E. and staff and to all the people who supplied entertainment namely "Cheers", "Tap The Barrel", "The Lyrics", John O'Shea and The Knockanore Set Dancers. To Ben O'Neill, Dungarvan who supplied three T.V. sets and a spot prize. To Flair Plastics who also presented a raffle prize. The Latch Restaurant and Kearney's Golden Grill.

A special thanks to Milo Corcoran and Murphy's Brewery for their big sponsorship towards this event.

When one goes to thank people, usually someone is left out. I just hope this P.R.O. has not done so. If I did, then just get in touch and we will mention your name next week. Having written the above, more names spring to mind namely Sean Twomey, FAS supervisor and Tom Mulcahy, Waterford Crystal, Dungarvan and Diarmuid O'Hallihan, the local Gardai under Sargeant Pat Norris who made sure the traffic ran smoothly.

Seamus Flavin who plays Gary in the soap "Fair City" had a busy night signing autographs for his many admirers.

The boots for People In Need will be collected during the week.

To all the shops and businesses who sold tickets, t-shirts and caps, we say a big thank you. Finally to all our friendly reporters from national and weekly newspapers we say a big thank you. Not forgetting local radio station W.L.R. FM and C.R.Y. To everyone who turned out on the night and indeed to those who travelled long distances i.e. Waterford, Cork, Kilkenny, Kilmacthomas, Tramore etc. we say a big thank you. All proceeds go to People In Need.

Lotto — Last week's numbers were 3, 5, 19. There was no winner. Voucher winner: Thomas Walsh. Jackpot this week is £500. Voucher is for Corner House. Draw this Friday night in Brideview Bar.

**RED HOUSE LEAGUE NOTES**

**Division Two Result — Blackwater Rangers 2 Brideview Utd. 1**

Our Division Two side went down by the odd goal away to Rangers during last

week. Gerard Hogan was Utd.'s scorer here from the penalty spot.

Thanks — The club would like to thank Sean Walsh of Walsh's Drapery who sponsored some lovely shirts with the Brideview Utd. crest last Friday night. They looked very well, Sean. Thanks again.

**DUNGARVAN TYRE CENTRE CUP**

With most of the club committee involved with the visit of Mick McCarthy to Tallow, football took a back seat as it were. However, on Monday afternoon the final takes place in Tallow. This game was cancelled two weeks ago due to the weather.

Utd. should have a full squad for this game as Ger

Sice and John P. Grey are now back fully fit in the squad.

We appeal to all our supporters to turn up in large numbers and urge on the lads.

**Fixtures — Dungarvan Tyre Centre Cup In Tallow**

Monday next (Bank Holiday), May 6th: Brideview Utd. v Lismore. Kick off 3.00 p.m. Ref.: N. O'Donoghue. Linesmen: T. Griffen and M. O'Neill.

Admission is £2 for adults and £1 for schoolboys.

Bus To Dublin — The club are running a bus to Mick McCarthy's Testimonial on May 26th. Names to be given with £10 deposit to any committee member this weekend. Hurry as the seats are going fast.

**EGAN** — Fifth Anniversary — In loving memory of Geraldine, late of 18, Mitchel Terrace, Dungarvan, who died on April 23, 1991.

A bouquet of beautiful memories,

Sprayed with a million tears, Wishing God could have spared you,

If just for a few more years. May she rest in peace, dear Jesus,

In Thy heavenly home above, With the Sacred Heart of Jesus, In His own eternal love.

(Sadly missed by Breda, Paddy and family.)

**FENNELL** — Fifth Anniversary — In loving memory of the late Walter Fennell Snr., late of Bohadon, who died on May 6, 1991.

He shared our troubles and helped us along,

If we follow his footsteps we will never go wrong.

We miss you father and always will.

**Brendan Grace Show** — We have 23 members in our guild - all talented, hard working ladies and they all have a good laugh and indeed this is what we all had recently when we travelled to Dungarvan to the Brendan Grace show.

It was a great night's entertainment and Johnny Carroll's band entertained us with some beautiful sing-along numbers.

To start off this wonderful evening, we all enjoyed a meal at The Park Hotel.

**Recent Visit To St. Carthage's Home, Lismore** — On Sunday last, April 28th the members vis-

ited St. Carthage's Home, Lismore.

## COMMUNITY GAMES

# Co. Waterford Youths Bound For Special Activities Weekend

Mosney Holiday Centre is the place to be on May 17/18/19 as 2,500 participants come together from all over Ireland to enjoy an action-packed, fun-filled programme at the Credit Union Community Games Special Activities Weekend.

While the core part of the weekend is non-competitive sports induction, plenty of keen competition will be displayed in the under-14 table quiz, under-13 mixed cross country, the project competition (under-11, u-13, u-15 and over 15) and the under-15 culture corner.

This year's programme includes basketball, set dancing, rounders, cycling, badminton, athletics, pitch and putt, drama, Olympic handball and uni-hockey.

Representing Waterford Community Games in the sports induction are the following — Luke Laffan, Cillian O'Keefe, Sean Fleming, Declan Allen,

Marie O'Connell, Aileen Clarke, Jason Seward and Joe Collins (Clashmore/Kinsalebeg), Jamie Power, Matthew McGovern, Mary Hayes, John Fitzgerald, David Crowley and Neill Guiry (Kilmacthomas).

Indoors for much of the weekend will be the under-14 quiz teams who will answer a total of 200 questions in an attempt to take All-Ireland honours. Two teams from Clashmore/Kinsalebeg will represent the county — Jonathan Flavin, Jim Flavin, Pdraig Connery, Kieran Connery, Una Leahy, Jean Byrne, Mary O'Rourke and Johnny Power.

The project competition has attracted over 100 entries. For the many spectators expected to attend there will be plenty to see and hear as the themes this year are quite varied: "Caring for Animals" u-11, "The importance of trees in our environment" u-13, "Men's Sana

in Corpore Sano" u-15, and "how to make education more relevant to the world we live in" over-15.

The culture corner competition gives u-15's an opportunity to take part in a live stage presentation entitled "Stories and folklore of my native place." Once again the project is being sponsored by the combined teachers and credit unions.

Co. Waterford participants in the project competition are u-11, Catherine Whelan, Katie Crowley (Kilmacthomas), u-13 Marie Trihy and Lorraine O'Brien (Clashmore/Kinsalebeg); u-15 John Paul McCarthy and Barry McAndrew (KCK).

# RECENT DEATHS

## Mrs. Nora Moroney (née Houlihan)

It is with deep and sincere regret we record the death of Mrs. Nora Moroney, London and formerly of Knocknacullen, Leamybrien, who died in London on April 11, after a rather short duration of illness but at an advanced age.

The deceased was a member of a very well known and popular Kilrossanty family and was a lady with many charming qualities.

While she resided in London her home was a Mecca for all Irish emigrants, especially for those who came from her native parish where a warm welcome awaited them, especially when guidance and advice were required when the many arrived in London for the first time.

To her sorrowing son Tony, daughter Mary, daughter-in-law, son-in-law, brother, sister, grandchildren, relatives and friends we tender our sincere condolences at her passing.

Her remains were flown into Cork Airport on Wednesday, April 17 and from there were taken to Kilrossanty Church followed by a very large cortege and on arrival her coffin was blessed and received by Fr. R. Geoghegan, C.C., assisted by Very Rev. M. Frawley, P.P.

Requiem Mass was offered on Thursday morning for the repose of her gentle soul, after which the interment took place in the adjoining family plot, thus fulfilling her great wish to be interred in her native and beloved Kilrossanty. Another very large concourse was present which consisted of relatives and her very many friends. Fr. Frawley was celebrant of the Mass and also officiated at the graveside, assisted by Fr. Geoghegan.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mrs. Nancy Power (née Christopher)

Deep and sincere regret was widely expressed at the announcement of the death of Mrs. Nancy Power (née Christopher), "Comeragh," South Terrace, Dungarvan, which occurred unexpectedly at the District Hospital, Dungarvan, on Wednesday morning, April 17. The deceased was relict of Joseph A. Power who predeceased her in July, 1994.

The late Nancy Power was a member of a very old Dungarvan family who were deeply involved in the commercial and business life of the town of Dungarvan. She was a general favourite over a wide area by reason of her gentle disposition and her great Christian charity by word and deed. She always had a good word, never a bad one, towards others.

To her sorrowing sons, daughter, sister, daughter-in-law, son-in-law, grandchildren, nephews, nieces, relatives and friends we wish to tender our sincere sympathy.

Her remains were removed on Thursday evening from the District Hospital to St. Mary's Parish Church followed by a large and impressive cortege and on arrival were blessed and received by Fr. C. Kelly, C.C., assisted by Mons. P. Lannen and Fr. K. Moylan, O.S.A.

Concelebrated Mass was offered on Friday morning for the repose of her gentle soul and the interment took place in the adjoining cemetery. Fr. Kelly and Very Rev. P. Creed concelebrated the Mass and also imparted the final absolution at the graveside. Another very large concourse was present.

The chief mourners — Tom, John and Joe (sons), Mrs. Ann Whyte (daughter), Mrs. Mary Power (sister), Geraldine (daughter-in-law), Michael Whyte (son-in-law), grandchildren, nephews, nieces, cousins, relatives and friends.

Very many Mass cards were received and some beautiful floral tributes were placed on her grave.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Joseph Parker and his wife Mrs. Bridget Parker (née Keane)

A great gloom was cast over a wide town and country area at the announcement of the deaths of husband and wife, Joseph and Bridget Parker, which sad events occurred within hours of each other.

Joseph Parker, 4, Sexton Street, Abbeyside, passed away to his eternal reward on Friday, April 19, at the Waterford Regional Hospital after a short term in hospital and his wife Bridget who was removed to the hospital also on Friday, April 19, died during the early hours of Saturday, April 20.

The late Joseph (Joe) Parker was a native of Touraneena Parish and was an employee of Irish Lights as a lighthouse keeper until he retired and came to reside in Abbeyside, where he enjoyed wide popularity by reason of his gentle and jovial disposition and his great love of folklore.

His wife Bridget was a member of a well known and most popular Ross, Cappagh, family and also enjoyed great popularity. She was a very devoted wife and mother who lived and laboured for her husband and family.

To their sorrowing family and relatives we wish to express our most sincere sympathy on their great losses.

The removals took place on Monday evening from the Kiely Funeral Home to Abbeyside Church after prayers and rosary were recited by Rev. P. Ahearne, C.C. and on arrival their coffins were blessed and received by Fr. Ahearne, assisted by Very Rev. N. McCarthy, P.E.

Concelebrated Mass was offered on Tuesday morning for the repose of their souls. The chief celebrant was Fr. Ahearne and co-celebrants were Very Rev. F. Lucey, P.P., Aglish and Very Rev. N. McCarthy.

The funeral of Mrs. Bridget Parker took place after the Mass to Kilrossanty Church where the interment took place later in the family plot in the new cemetery. Fr. Frawley, P.P., officiated at the graveside.

The funeral of her husband Joe took place to Glasnevin Crematorium for cremation at his own request and burial of his ashes also took place on Thursday evening, also in the family plot. Fr. Frawley again officiated at the interment.

Very large attendances were present at the obsequies. Very many Mass

cards, telegrams and telephone calls were received and many beautiful floral tributes were placed on their grave, especially two wreaths of fresh flowers, one reading "Mam" and the other "Dad" which brought to mind the double bereavement to their sons and daughter.

Chief mourners — Tom and Maurice (sons), Catherine O'Toole (daughter), John Joe Keane, Michael Keane, Pat Keane, Maurice Keane (brothers), Mrs. Eileen McCormick, Mrs. Joan Cartwright, Miss May Keane (sisters) — all brothers and sisters of the late Mrs. Bridget Parker; Ciara O'Toole, Jackie O'Toole, Merissa Parker, Aidan Parker (grandchildren), Pat O'Toole (son-in-law), Stella Parker, Angela Parker (daughters-in-law).

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Tom Cahill

The news of the unexpected death of Mr. Tom Cahill, which occurred at his residence at 9, McCarthyville, Abbeyside, on Thursday, April 18, was received in this area and in his native Rathgormack with feelings of profound sorrow and regret.

Tom had been training with Ballinacourty footballers earlier and had returned home and was watching television when he took ill and died.

In his 36th year, Tom was a native of Rathgormack and joined Dungarvan Crystal in the late 1970's as an apprentice glass cutter. An avid sportsman, he loved football and soccer and played his early football with Rathgormack with whom he won an intermediate football title in 1984. He transferred to Dungarvan in '85 and was a member of their intermediate football championship winning panel.

He later transferred to Abbeyside/Ballinacourty with whom he played senior football for ten years and during that time he proved himself an outstanding goalkeeper and clubman.

He also loved soccer and

tagged out with Abbeyside Soccer Club as a keeper and later on as an outfield player and he was a member of their second division double winning side and two years ago he won another league medal when he was a member of their 2A squad.

A fine sportsman, Tom was also well known for his outstanding sportsmanship on and off the field. One of nature's gentlemen, Tom was a highly esteemed member of the community whose outgoing nature and sense of good humour made him extremely popular with all those who made his acquaintance.

Tom was primarily a great family man, a loving husband and father, who will be sadly missed by his wife Sharon, his sons and other family relatives to whom we extend deep and sincere sympathy on their tragic loss.

Following rosary recited by Fr. Ahearne, C.C., removal was from Drohan's Funeral Home on Saturday evening to Abbeyside Church where the coffin, draped in the Abbeyside/Ballinacourty and the Rathgormack GAA club colours, was received and blessed on arrival by Fr. Ahearne.

Following funeral Mass on Sunday morning, celebrated by Fr. Ahearne, burial took place in Ballinroad Cemetery. Fr. Ahearne officiated at the graveside, assisted by Very Rev. M. Curran, P.P., Rathgormack.

During the Mass the Offertory gifts were borne to the altar by sons Mark and David. The Readings were read by Paul (son), Martin Cahill (nephew) and the Prayers of the Faithful by Aine Flynn. Abbeyside Folk Choir rendered appropriate music and guards of honour were provided by Abbeyside/Ballinacourty GAA, Rathgormack GAA, Abbeyside Soccer Club and Dungarvan CBS.

The chief mourners were — Sharon (wife), Paul, Mark and David (sons), Martin and Bridie (parents), Rebecca Organ (mother-in-law), Bob, Pat, Gerard and Joseph (brothers), Josephine Cahill, Mary McDonagh, Breda Kennedy and Tina Cahill (sisters), Cait, Kathleen and Michelle Cahill, Geraldine Flynn and Antoinette Drummy (sisters-in-law), Mike McDonagh, Johnny Kennedy, Paddy Organ (brothers-in-law), uncles, nephews, nieces, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Mrs. Catherine Sheila Downey

It is our sad duty to place on record the death of Mrs. Catherine Sheila Downey, Ardo, Ardmore, which took place on Thursday, April 25, at St. Joseph's Hospital, Dungarvan, after a duration of illness. She was wife of Paddy Downey.

## UNDER-14 FOOTBALL Dungarvan C.B.S. 5-5 St. Declan's 1-5

St. Declan's were beaten by C.B.S. Dungarvan in the 1st round of this competition played at Kilmacthomas on Friday.

Playing with the breeze in the first half, Kilmac's led by 1-3 to 0-3 at half time,

thanks to three good points by S. O'Leary and a goal by Raymond Al-Masri.

In the second half C.B.S. applied strong pressure and goaled from a penalty to take the lead. As St. Declan's pressed forward chasing the game, C.B.S. scored three opportunist goals on the breakaway.

Best for St. Declan's were S. O'Leary, J. Halpin, D. Ryan and E. Rockett.

St. Declan's — R. Wade, G. Whelan, A. Whelan, C. Long, J. O'Halloran, E. Rockett, M. Hearne, D. Ryan, J. Halpin, D. Burrows, E. Galvin, A. Power, R. Al-Masri, S. O'Leary, D. Power. Subs. — S. Lawlor and C. Nugent.

### THE FIELD

A group of 3rd and 4th year students enjoyed a trip to Cork Opera House last Wednesday to see a very good production of "The Field".

### GAISCE AWARDS

Well done to the group of 4th Year students who took part in the Waterford/Dun-

garvan leg of the Gaisce for Trocaire 200 mile cycle during the Easter holidays. The students involved were Jonathan Walsh, Emma Galvin, Shirley Ann Gilman, Caroline O'Donnell, Jennifer Whelan and Sinead Kirwan.

### TRANSITION YEAR

Transition Year students Ismay Crowley, Ann Marie Morrissey, Mark Mulcahy and Cathal Quinn were recent prize winners in the senior section of the "Challenging Images" competition organised by the National Rehabilitation Board.

At a prize giving ceremony at the Waterford Rehab Offices, the students were presented with their prizes by Minister Brian O'Shea and congratulated on their understanding of issues relating to young people with disabilities.

Congratulations to the prize winners and others in their class who completed magazines relating to sport, health care, careers, holidays and other areas of concern for those with disabilities.

## DUNGARVAN UNITED — UNDER-13 CUP

## Young Blues Bow Out

### BOHS 'A' 5 DUNGARVAN 2

This was a game that Bohs were determined to win from the time the first whistle blew.

They attacked Dungarvan very early and were rewarded with a goal after 9 minutes. Dungarvan never seemed to settle and found the defence under a lot of pressure. Bohs scored a second goal before half time. Dungarvan did get a goal as well through Nicky Donnelly but always seemed to be struggling.

Goals were exchanged in the second half with Nicky Donnelly scoring his second. The score stood at 3-2 to Bohs up to the 57th minute and then Dungarvan got caught going forward and Bohs managed 2 goals in one minute.

In all fairness the lads kept fighting and the final score did not reflect the fight and courage they showed until the end. Well done to all.

The league programme still has some games to go so we will be looking for some good results in these games.

Training as usual on Monday evenings at 5 p.m.

## ALL ROUNDER LADDER

The following are the final standings in the All Rounder Ladder series: 76 Paddy Cummins and Colin Cunningham, 67 Pat Terry, 61 Liam Moore, 58 Kevin Tutty, 57 Dave Power, 55 Andrew Lally, 54 John Roche, 53 Paddy Walsh, 49 Owen O'Grady, 47 Michael Hurley, 46 Tom Landy, 45 John Walsh and Michael Fitzgerald, 44 John Keane, 43 Michelle Mernin, 41 Patsy Hackett, 40 J. J. Henley and Don Sheil, 37 Helen Kiely, 28 Liam Collender and Martin Collender, 23 Michael Corkery, 15 Dan Whelan.

After a thrilling four round ladder competition, the evergreen Paddy Cummins and new recruit Colin Cunningham shared first place on a score of 76 pts. They were well clear of the field who were in turn led home by the youngest player ever to play in the tournament Master Pat Terry on a very respectable 67 pts.

This was a fitting reward for the years of dedication and service given to Crystal squash by the popular Kilgobinet veteran whose enthusiasm for the game is as strong now as it has ever been.

Having said that however, it is great to see a new face on the winners podium as well and no one deserves more than Colin to hold the position of joint winner. Since his arrival on the squash scene at the beginning of the season, he has made tremendous strides and his game has improved no end. No doubt Colin will be a vital cog in next season's Country League team.

What can one say about the young Master Terry? His youthful enthusiasm and boyish good looks endeared him to everyone. And if he can keep his competitive spirit going, he should be a force to be reckoned with until well into his twenties.

Finally no competition can survive without a sponsor and once again our sincere thanks go out to Pearse Moloney of the Allrounder for his continued and welcome sponsorship of this, one of the longest running tournaments in the Crystal's history.

Next week — The Top 24 tournament.

## UNDER-16 NEWS

Ballymac scored an 8-11 to 4-7 victory over St. Garbhan's in the under 16 'B' championship at St. Garbhan's pitch last Friday evening. The scoreline doesn't do justice to the losers who had plenty of possession but didn't turn it into scores.

Ballymac' led by eight points at the interval and two goals from Amy Fahey and Tara Guiry put them in control. They had fine performances in Jacinta Coffey (who is playing great football), Ann Mulcahy, Mairead Doocey and Edel Ryan.

The county final takes place on Saturday next in Dungarvan at 7 p.m. At the time of writing our opponents are not yet known.

## JUNIOR NEWS

The junior team played the Brickeys in a challenge at Ballymacarbry on Saturday evening and ran out convincing winners. Although the Brickeys were short a number of players their forwards kicked some great sores and are obviously benefitting from hard training.

However it must be said that Ballymac' are probably fitter than most teams at the moment and this will level out in the coming weeks.

Team — Patricia Butler, Aoife Brennan, Catherine Ryan, Marie O'Gorman, Jacinta Coffey, Shirley Condon, Ann Mulcahy, Ann Walsh, Ann Dunford, Amy Fahey, Mairead Ryan, Lisa Looby, Aine Ryan, Mairead Doocey, Claire Walsh. Sub. — Breda Hallahan.

## CONGRATULATIONS

Congratulations to Annalisa Crotty who won £700 in the Fourmilewater G.A.A. Lotto recently.

## SYMPATHY

Sympathy is extended to the Ryan and Wall families on the deaths of Eamon Ryan (in London) and Nanny Wall.

# Dungarvan Win Under-16 Cup Quarter-Final

## Dungarvan 1 Kilmacthomas 1 (AET) Dungarvan Win 4-3 On Penalties

Dungarvan's bid for a place in the semi-final proved to be a nerve-wracking affair. For most of the opening half, the Blues dominated with some good passing movements but anytime they reached the Kilmacthomas penalty area, they found a very resolute defence. Still this did not deter the homeside and after 25 minutes they scored the opening goal from Sullivan. Despite some good efforts they failed to add to their tally.

On the resumption of play, we saw a different Kilmacthomas team. The will to win was more apparent in their play and it was no surprise that they equalised early in the half. They were quicker to the ball and were unlucky not to go ahead on a couple of occasions. Dungarvan were giving away the ball far too easily and other teams may have punished them for these lapses of extra time it was the dreaded penalties.

Thanks to goalie Ahearne and to scorers Kelleher, Nolan Walsh and Sullivan. Dungarvan advanced to a semi-final slot with either Bohs or St. Otteran's.

Team: M. Ahearne, O. Morrissey, K. Walsh, D. Kelleher, D. O'Shea, G. Collins, J. Nolan, B. Crotty, P. Deegan, V. Sullivan, D. Keating. Subs: J. J. Kelleher (used for Deegan), D. King, D. Murphy.

## UNDER-11 NEWS

Our under elevens played a friendly last Friday evening away to Abbeyside. The scoreline ended Abbeyside 3 Ballinroad 4. Scorers for Ballinroad were David McGrath, Willie Morrissey, Billy Walsh and Chris Walsh (one goal each). Man of the match went to Rian McGrath.

## UNDER-10 VICTORY

The under-10's played a friendly match away to Dungarvan last Sunday and won on the scoreline Dungarvan 1 Ballinroad 2. Scorers for Ballinroad were Shane Delahunty and Willie Morrissey. Man of the match was Simon Hanrahan.

The club would like to thank both Abbeyside and Dungarvan for the games.

## SILVER JUBILEE SOCIAL

Our Silver Jubilee Social is on May 24 in the Gold Coast Hotel. It will start at 8.30 p.m. sharp. Tickets are available from any committee member costing £10 each and music on the night is provided by Clockwork.

## LATE TOM CAHILL

Shock and sorrow was felt within our club when we learned of the sudden passing of Tom Cahill. Tom played many a hard game against us and we have many happy memories of his never say die efforts for his team. Anyone who played on Tom Cahill knew they were in a game, but when the game was over he was the first to shake your hand. It's hard to believe that our paths won't cross again in this life but our lives are all the better for having known him. May he rest in peace.

# Clashmore G.A.A. Notes

## JUNIOR FOOTBALL

We have our first championship game in junior football on Sunday next, May 5 in Páirc Uí Bríci against Geraldines at 3 p.m. All players to be at venue at 2.30 p.m.

## JUNIOR HURLING

By the time you read this article we will have played our first game against Ardmore in the Fraher Field on last Tuesday. Here's hoping we start with a win.

## SCHOLARSHIPS

Final reminder that application forms for the scholarships to Ring may be obtained from club secretary Noel Nugent.

## FRIENDS OF WATERFORD FOOTBALL

Grand final of the poker classic takes place on bank holiday Monday, May 6 in the Park Hotel, Dungarvan at 2 p.m. sharp. All the players who qualified in the satellite games are now in with a chance of winning a Rover car or cash prizes. Anyone wishing to play on Monday may do so by purchasing a ticket from Liam

O'Donnell (024-96396). Best of luck to all our "poker sharks."

## MINOR HURLING

Our minor hurlers got their championship campaign off to a great start on Friday evening last with a good win over St. Olivers at the Capouin venue.

St. Olivers started the stronger with Pat Donovan at centre back having a "stormer" for the first twenty minutes. A shrewd switch of Ed Beresford to centre forward for Clashmore and Pat Donovan's dominance was broken. From then on Clashmore clawed their way back into the game and finished the stronger, showing great fitness in the process to run out winners on a score line: Clashmore 4-8 (20), St. Olivers 3-6 (15).

Team — G. O'Rourke, S. Allen, P. Troy, P. Allen, K. O'Keefe, Barry Dunne, Ed Beresford (2-6), S. Barron (1-0), N. McGrath, L. Dunne, T. Burke, A. Walsh, Brien Dunne (1-1). Subs used: M. Cliffe, C. Coughlin (0-1), D. Hickey.

Minor hurling on Wednes-

day evening and the second round of the championship on Friday evening.

## JUVENILE CLUB— UNDER-12 AND UNDER-14 HURLING

Training for the above championships continues this week on Wednesday at 7 p.m. and on Saturday at 2.30 p.m.

The under-12 championship fixtures are as follows — Wednesday, May 8 — away to Ardmore; Wednesday, May 15 — home to Kilrossanty; Wednesday, May 22 — away to Shamrocks.

The fixtures for the under-14 hurling are — Saturday, May 11 versus Tramore (away); Saturday, May 18 versus Ballyduff (home); Monday, May 20 versus Ring (home); Saturday, May 25 versus Clonea (away); Saturday, June 1 versus Stradbally (home); Wednesday, June 5 versus Passage (home); Saturday, June 8 versus Ardmore (away).

So with at least ten games in under 14 and 12 our boys will be very busy over the months of May and June. This should be a major help in getting our team ready for the Feile tournament later in the summer.

## UNDER-12 AND 10 FOOTBALL

On Sunday last we took two teams to Waterford city to play De La Salle at under 12 and 10. We were short a few of the regulars for a variety of reasons which weakened both our teams. In the older age group we played a very exciting game but two defensive blunders early on left De La Salle in for two goals which left us chasing the game. To give our lads credit they battled back in the second half against the wind to draw level with a few minutes remaining, but De La Salle struck back with a goal and a point to seal the victory.

Final score: De La Salle 4-4 (16), Clashmore 2-6 (12).

Team — M. McGrath, G. Kelly, K. Connery, J. Collins, V. Daly, J. Seward, M. Prendergast, P. Connery, P. O'Rourke, S. Fleming, N. Beresford, M. Burke, M. Hickey, J. Flavin, D. Allen.

In the second game (younger age group) a much older and stronger De La Salle side proved far too strong for our fifteen. Some good performances were noted on our side however and further progress can be made with the team over the coming months.

Panel — C. O'Keefe, C. O'Rourke, L. Laffin, E. Murray, M. Barron, F. Maher, K. Murphy, S. Mangin, T. Korner, S. Burke, C. Coughlan, M. Keogh, A. Mulcahy, P. Smiddy, K. Dunne, C. O'Donnell, M. Hickey, E. Kelly, C. Kelly, D. Curran, A. Condon.

## JUNIOR HURLING CHAMPIONSHIP

On Saturday evening last our championship campaign began with an important win over Kilrossanty. We stamped our authority on the game early in the first half. In a highly entertaining second half Kilrossanty clawed their way back into the game with some very accurate free taking, however we were not going to let this game slip away from us as our back held firm and our forward picked off some good scores. These two valuable points were in no small way thanks to our new young players who showed great skill and confidence.

## Waterford G.A.A. Supporters Club Dublin Branch Notes

MICK LEWIS

The premature death of Mick Lewis has been a major loss to the Dublin Branch of the Waterford G.A.A. Supporters Club. Despite his deep involvement with Monkstown Rugby Club, Mick became an active member of our Branch Committee from its inception in 1992 and was a mainstay in all our functions and events. Apart from his organisational contribution, Mick was also a great person to have on board for his warmth, wit and great crack. We will all miss him greatly. To his wife Tina, his brothers Sean and Francis and all his family, we tender our deepest sympathies.

### DEISE DEVELOPMENT DRAW

We finally struck it rich at the first of the latest series in the Deise Development Draw, held on April 26 at the Melleray Club. The first prize of £10,000 went to Catherine Brosnan of the A.I.B. on a ticket sold by our dynamic Branch Secretary Anne Ryan. Deservedly, Anne herself picked up two £100 prizes in the draw for both co-ordinators and promoters. A further prize of £60 went to Aidan Maher on a ticket sold by our Chairman, Humphrey Kelleher. Finally, the Dublin Branch itself won a prize for £250 in the special draw for fully paid-up members. Congratulations to all our winners. We put in a big effort to increase our sales this year, and that effort already appears to be well justified.

**Senior & Junior Hurlers Record Double Victories** — Our Senior hurlers were the first team to enter the fray on last Saturday evening in the Fraher Field, Dungarvan when they faced a very fit and eager Dunhill 15 in the third round of the Sargent Cup.

In a very evenly contested first half, Lismore were very lucky to be so close as Dunhill missed some very easy scoring chances. The score at half-time was Dunhill 1-7 Lismore 1-4.

The second half proved similar to the first with Dunhill continuing to dominate and looked to be in a very secure position when leading 2-8 to 1-6. Yet Lismore refused to surrender and picked off some vital points with the winning goal coming in the dying minutes. The final score was Lismore 2-11 Dunhill 2-10.

## CUNNIGAR PITCH AND PUTT CLUB NOTES

# Exciting Finish To Nugent's Super Valu Tournament

On Sunday, April 28, the Nugent's Super Valu 36 hole fourball v. par got under way in ideal weather conditions. A big turnout of players fought tenaciously over the 36 holes. By the end of play just a few shots separated the field. This was a wonderful tournament enjoyed by all our players and we are indeed most grateful to Mr. Jim Nugent of Nugent's Super Valu, O'Connell Street, for his generous sponsorship of this tournament.

### RESULTS AND SCORES

In the nett the partnership of Mikes 'Faldo' Donovan and Martin Walsh won this with a fabulous score of 30+. This was a wonderful partnership; they could do no wrong and their putting was outstanding. From the moment they teed-off they went for everything and by the end of play they fully deserved their victory — well done, lads.

In the gross, the partnership of Mike Daly and Alfred Ebanks won this with a wonderful score of 12 gross. Mike Daly is the man in form. He had a good partner in Alf Ebanks who played steady over the 36

holes. On form I'm sure Mike and Alf can secure more victories by the end of the season. Well done, lads!

### COUNTY BOARD LEAGUE

Our league team is doing very well. On Saturday, April 20, we finished third in the league. Philip Duggan won the nett with a score of 87. This was a great performance for us at the Waterford Crystal Club.

Our next outing will be at Tramore Pitch and Putt Club. All the best lads.

### MUNSTER GENTS STROKE PLAY

On Sunday, April 21, at Ashgrove, our players qualified for the Munster Gents Strokeplay, with the finals to be played at Clare Road on May 12. In the intermediate qualifier, Mike Daly did the business with a fabulous score of 101 gross. In the junior qualifier Jimmy

Cockwell had a wonderful score of 111 gross to qualify for the finals on May 12. Jimmy is one of the up and coming junior players in the county.

In the intermediate team event, the Cunnigar team of Mike Daly, Leonard Duggan, Martin Hayes, Patsy Hackett and Thomas Maher made it through with ease to the finals. This was a terrific result by all our players. They deserve their place in next month's finals.

Just to round off a wonderful few days for the Cunnigar Club, Mike Daly and Willie Browne got through to the next round of the Regional Matchplay in Ashgrove. Well done Mike and Willie.

### LOTTO

Our big jackpot of £1,400 last Tuesday, April 23, was won by two winners — Esther Young and Breda

Roche. The numbers were 6-12-21-29. The promoters were Jimmy Cockwell and Pat Healy. This week's jackpot will be £200.

We wish the Clonmel team well in the next round.

Our ladies all agreed that they had enjoyed the buzz of participation and will be looking forward to next year. Team members included Cass Dolan (who won her match easily), Helen Fennell, Yvonne Power, Teresa Norris and Mary Fenton. Well done ladies.

# WEST WATERFORD GOLF CLUB NOTES

On Saturday last fourteen golfers from the Kent region of England, visited our club to play an international challenge match. With handicaps ranging from three to ten, the standard of golf was extremely high. West Waterford's number one pair, Austin Spratt and Alan Harty were the first to bite the dust.

After an intriguing encounter the match overall finished in a draw. The English visitors were not interested in a nineteenth hole victory so a rematch was arranged for Sunday morning when a seven four balls teed off again at 9 o'clock. The visitors, obviously feeling the effects of the "getting to know you party" the night before, had to give best to the home side, but vowed to return, but not before the West Waterford boys play them on their home ground.

The event was a major success and many thanks to all who helped to make it so, especially Joe Kelly.

## CLONEA LADIES BOWLING CLUB NEWS

With only one week to go in this April competition Libby Walsh's lead at the top has increased once again. She now has a 50 pin lead over Carol McAndrew in 2nd place. Carol held onto 2nd place again this week as did Mary Walsh in 3rd place. Carol has only got a 10 pin lead over Mary. The gap between 3rd and 4th place however is much greater. Patricia Donnelly bowled well scoring this week's high score of 128 but it didn't change the fact that there is now a 101 pin difference between 4th position and Mary Walsh in 3rd. Francis O'Brien is only 3 pins behind Patricia in 5th place, while Joan Curran holds 6th place, 11 pins behind Francis. The top 9 placings going into the final week are as follows:

1 Libby Walsh 461, 2 Carol McAndrew 411, 3 Mary Walsh 401, 4 Patricia Donnelly 300, 5 Francis O'Brien 297, 6 Joan Curran 286, 7 Hannah Walsh 286, 8 Breda Bannan 282, 9 Lyn Ahern 282.

## MIXED FOURSOMES

The club mixed foursomes is now well under way with all first rounds completed. The major shock of the first round was the exit of the champion for the last two years, Frank Walsh, playing with Nora Spratt, who were beaten on the eighteenth by Michael O'Dwyer and Jean Sheehan.

All second rounds to be played by the weekend.

## INTERMEDIATE SCRATCH CUP

Our intermediate Scratch Cup will be played on Sunday next, May 5, kindly sponsored again by East Cork Oil. The holder, John Keane, will be unable to defend as he is now eight handicap, so a new name will go on the trophy on Sunday evening.

for both events. Phone 058-43216.

# Carling Factory League Soccer Tournament

A meeting for this year's Inter Firms soccer tournament will take place on Thursday, May 8 at 8 p.m. at Dungarvan Utd. AFC clubhouse. Any firm wishing to enter this year's competition must have a representative at this meeting.

The competition itself will commence on Thursday, May 16 (preliminary

rounds) with the first rounds proper starting on Monday, May 20. The final is fixed for Friday, June 7.

The earlier start this year is because of the European Championship starting on Saturday, June 8. Last year's winners, Traders, will be defending their title, while we also hear County Council will enter a team.

## Gaeltacht Too Strong For Araglen

We ended our home season with two games at Bayview Park at the weekend and came away with four points. The first game on Friday night against Araglen saw us picking up all three points with a 2-0 victory with a brace of goals by Alan Leahy.

The first came 25 minutes into the game to be followed by number 2 shortly after the second half commenced. Both sides piled on pressure throughout the game and there were shots on goal from both sides with the cross bar denying Araglen a penalty they were awarded when Joe was deemed to have handled the ball in the goalmouth.

Nevertheless, we were very relieved when Sean blew the final whistle as we needed the three points in our relegation battle.

### SCORELESS DRAW AT HOME

On Sunday we played host to Castlebridge and held them to a scoreless draw, which in fact denied them the league and gave victory to our near neighbours Clashmore to whom we send our congratulations.

We lined out for this game with an unusual formation which saw strikers play in defence and goal and defenders and goalie play up front. It certainly looked different but for whatever reason it seemed to work.

This was a very fast moving game and it was evident from play that both teams were hungry for the points.

Castlebridge, needless to say, were very disappointed with the result as with only one game remaining they had no hope of catching Clashmore for league honours. It must be said that despite this being a vital game for both sides, it was played in a very friendly and good humoured spirit and I would think both sets of players enjoyed the game. The spectators certainly did! Castlebridge had a large following on the day.

A win here would have guaranteed us Div. 2 football next season, but as things stand we need at least a point from one of our two remaining games. The first of these games is fixed for Tuesday night, April 30 in Tallow against Bride View at 7 p.m. Our last game of the season will be against Div. 2 winners Clashmore on Sunday, May 5, at 11 a.m. in Clashmore.

### MAN OF THE MATCH

Man of the match in our view must go to Alan whose two goals secured us the points, while Sunday's man of the match is shared between Leonard and Joe.

Sunday's unusual lineup was — J. Salmon, A. Leahy, T. Curran, T. Power, M. Power, E. Curran, T. Power, J. Donnelly, M. Quinn, D. Condon, L. Whelan. Subs., D. Mansfield, E. Power, L. O'Brien (all used).

### THANKS

We would like to take this opportunity to thank the Crotty family for the use of Bayview Park for the last two seasons and we hope Eamonn and Rose will have years of happiness in their new house.

### PITCH NEEDED

Anyone out there that would like to give us a pitch for next season? We are a very well behaved lot!

## ABBEYSIDE A.F.C. NOTES

### UNDER-16 LEAGUE

# Abbeyside Close The Gap

## ABBEYSIDE 3 PARK RANGERS 1

Abbeyside brushed aside another obstacle in their quest for league honours, it now looks like a two horse race between them and near neighbours, Kilmac'. The Villagers have now played 13 games and still remain unbeaten. However the three point system has pushed Kilmac' ahead by a single point so Abbeyside will have to beat Kilmac' at home and hope that Kilmac' will drop a point in their remaining games.

This performance against Park Rangers was not one of their best. Nevertheless they went on to win it convincingly and while team manager, Duane Cantwell was happy with the result, he found their commitment a bit sluggish on the day.

Throughout the first half, they did play some creative football but their finishing was poor. The visitors conceded at least 30 throw-ins during that period such was the pressure brought to bear on them. Nobby Drummy did come close with a header. A great break by Shane Power in the 10th was headed over by Gary Hurney. Ronan McCarthy had some excellent breaks on the right but no dividends to show for same. Hurney, missed again with the keeper off his line. Paul Hayes and Shane Dower played a critical role at the centre of midfield. They were a constant thorn in the side of the visitors. It was Dower who opened the scoreline midway through the half with a

cracking goal after some great ground work by Eoin Hayes and McCarthy. McCarthy again should have converted before the break and Hurney, after beating the keeper on the far left, missed the open goal from an acute angle. Olan Casey and Andrew Bourke remained mainly untroubled during the first half thus allowing Richard Enright and Joe Thompson the odd gallop up the field.

The second half however, was different. Abbeyside allowed the Visitors to come back at them and equalise through a simple defensive error. Abbeyside found themselves playing a defensive role for long stretches and Brian Hayes was called on to bring off some crucial saves. But Abbeyside did come back when Eoin

Hayes, instrumental at midfield with some good surges through the middle and Paul Hayes rattled in a cracking second goal after a great run by Seamus Sheehan on the left wing.

Gary Hurney hit Abbeyside's third - this time into the open net - from a great swinging cross from McCarthy. Hayes made an excellent save ten minutes from time getting down to a long and low powerfully driven shot through the crowded area. Abbeyside's next game is away to De La Salle this coming Saturday with a 2.30 p.m. kick-off.

Abbeyside — B. Hayes, J. Thompson, O. Casey, A. Bourke, R. Enright, E. McCarthy, S. Dower, P. Hayes, R. Drummy, G. Hurney, E. Hayes, S. Sheehan, M. Flavin, D. Hickey.

# Hat Tricks For Wade And Young

The early whistle brought a halt to The Village 11 who swept to victory at the St. John of God venue on Wednesday last.

Steven Drummy's blistering break from the halfway line down the right wing, his deadly calculated cross to the advancing Patrick Hurney ushered in what was to be the first of the numerous attacks that produced 13 goals. A lightning shot in the second minute from Philip was deflected to the net. Eamonn Hennessy had a great effort blocked almost immediately. Drummy trapped the kick-out in the fourth minute on the halfway line, out paced the field and slotted to the left of the advancing keeper. Anthony Flynn and Eamonn Hennessy played very dominant roles at midfield and executed some excellent attacks.

A typical Aston Villa move in the 12th minute involving Hurney and Drummy allowed Flynn through for Abbeyside's third. Wade was back two minutes later for an excellent individual goal. The relentless Drummy set Young on target one minute later. "First you see me, now you don't," said James as he jinxed his way through the melee, rounded the keeper to shoot home.

Patrick Lynch and Brian Morrissey marshalled the defence in meticulous fashion. Thomas O'Riordan and John Kindregan filled the full-back positions, cutting off any attacks from those positions. That man Flynn was back in the 25th

minute, lashing in the 6th of the game. One more from Young before the break, who volleyed from the 6 yard line.

Three minutes into the second half, Hurney blasted to the net after one of Drummy's magical breaks on the right. Young was back three minutes later completing his hat-trick again blasting from the 6 yard line after some good work by Flynn and Hennessy.

"I must get a goal," said Morro stepping up to take a penalty but missed. Three minutes later hard working Wade collected his hat-trick. It was then time to pour on extra pressure so on comes Anthony Burke to score, on comes Michael Browne to score, on comes Aidan French to score, clearing everything that came his way and on came Tony Mills in a new role as midfielder.

Brian Morrissey rattled the crossbar with a powerful drive before Lynch brought the curtain down with the 13th of the game. Another quiet day for Declan Byrne in goal !!!

Next game tonight (Wednesday), May 2nd against Kilmac' at 6.15 p.m.

Team: D. Byrne, J. Kindregan, P. Lynch, B. Morrissey (Capt.), T. O'Riordan, S. Drummy, E. Hennessy, P. Wade, A. Flynn, P. Hurney, J. Young, M. Browne, T. Mills, A. Burke, A. French.

### U-9 KING OF THE PENALTIES

Out went Jason Twohig this week. Willie John

Kiely, Brian Veale and Anthony Whelan battled it out for the honour of challenging Mark O'Gorman in the final.

After several shots against Byrne, Whelan emerged as the finalist with exceptionally placed kicks. It was the pressure that got to Anthony in the end and Mark O'Gorman is this week's king.

### Hibernian's 4 Falkirk 6

Anthony Whelan's Hibs were well ahead with ten minutes remaining. But Flynn mastered his troops in an effort to get even and managed to hit four goals in the remaining minutes, giving him a 6-4 victory. But it now appears that the referee played ten minutes over the time, so the revised score is four all.

### £180 RAISED FOR TELETHON

£180 was raised by our U-11 side for Telethon on Tuesday evening last. They took part in a skills competition accompanied by a few players who are just over the age.

There were nine events in all but no matter how skilled a player was in any event, one mistake and the points were lost. Again while there was a competitive edge to the proceedings, the events were enjoyed by all who took part.

The penalty competition was of course the highlight of the evening. It also had the added attraction of Mark McCarthy between the up rights. The sharp shooters

who were used to shooting against Tony and Declan were slightly taken aback when Charlie arrived on the scene.

Well done to all who took part in the events and raised money. Some who couldn't be here on the night. All are a credit to your team and indeed to your club.

The outright winner was John O'Donnell, David Flavin was second and James Young was third. The events were supervised by John McGovern, Ed Cantwell, John Kenneally, Duane Cantwell, Mark McCarthy.

### FIRST TEN

John O'Donnell - 34 pts.; David Lavin - 25 pts.; James Young - 22 pts.; Brian Morrissey - 20 pts.; Anthony Flynn - 17 pts.; Steven Drummy - 12 pts.; Thomas O'Riordan - 10 pts.; Eamonn Hennessy - 10 pts.; James Power - 10 pts.; John Kindregan - 7 pts.; Tony Mills - 7 pts.

### LOTTO RESULT

The jackpot last week was £400. Michael Hogan of Old Parish drew the numbers which were 12, 21, 22. There was no winner so next week's jackpot is £500.

### FIXTURES

U-11's — Tomorrow (Thursday) May 2nd: Kilmac' v Abbeyside. Kick off at 6.15 p.m. This Saturday, May 4th: Dunmore v Abbeyside. Kick off 10.30 a.m.

U-16's — This Saturday, May 4th: De La Salle v Abbeyside. Kick off at 2.30 p.m.

# RED HOUSE LEAGUE NOTES

## DIVISION ONE ROUND-UP

# Lismore Almost There

Lismore are almost there as league champions and indeed could very well be title holders by the time these notes will be read. Lismore were playing neighbours Cappoquin last Tuesday evening and a draw here for Lismore would be enough

to clinch the title. Lismore had a big home win over Ardmore during the week while Ballyduff were being held at home by Cappoquin.

### RESULTS

Lismore 3 Ardmore 0  
This win put Lismore top

of the league. Goals here from Dan Shanahan (Shanahan got a hat-trick) gave the homeside the result they were looking for.

Ballyduff 1 Cappoquin 1  
Ballyduff needed a win here to keep the pressure on their neighbours Lismore.

Cappoquin have got some terrific results over the past six weeks and are now in fourth spot in the league. Six weeks ago, they looked a good bet for Division Two. Kevin Barry was the scorer here for the home-side.

## DIVISION TWO ROUND-UP

# Clashmore Ramblers Clinch League Title

Clashmore Ramblers clinched the league title in Division Two on Sunday last when they had a convincing win away in Modeligo. The only other club in the running were Castlebridge Celtic and while Ramblers were winning, Celtic were held to a surprising scoreless away draw to An Gaeltacht.

It's no more than Ramblers deserved as they have played some marvellous football throughout the season. They never gave up the chase for the Championship although clubs like Celtic, Gortroe and Youghal pressed them all the way. However, in the end the Clashmore side held their nerve and continued to get the right results.

While Ramblers have had some great individual displays during the season, overall it was a team achievement. Manager Tom Kelly will no doubt be well pleased with his squad's display this season. Kelly has had some experienced players in his squad. Players like Marty Flynn, Barry Murphy and Declan Whelan have seen plenty of action in The Red House League.

Ramblers have plenty of

goalscorers in their squad but Frannie O'Rourke and Tiger O'Neill have rescued the Champions on numerous occasions during the season. Pat Lombard, Donal Fitzgerald (who scored his first but vital goal two weeks ago) and Seamie McGrath are other Rambler players who have played their part in this great season for them.

Other players to lift Ramblers this season were Peter Fitzgerald, Declan Kiely and Kevin O'Rourke to name just a few.

However, Ramblers celebrated in style into the early hours on Sunday morning last. We congratulate Clashmore Ramblers on their success. Congratulations also to Castlebridge Celtic who finished runners up in this division.

### RESULTS

Clashmore Ramblers 4  
Modeligo 1

Tiger O'Neill had Ramblers 1-0 up at the break. Further second half goals from Francis O'Rourke, Barry Murphy and Pat Lombard gave the Clashmore side a comfortable victory here away to Modeligo.

This win clinched the

league title for Ramblers.

Araglen 7 Cappoquin 0

The Araglen side had a big home win over visitors Cappoquin on Sunday last. Goals from Tim Keane (15th minute), Tony White (20th minute) and Robert Condon (25th minute) had the homeside 3-0 in front at the break.

Trevor Harrington put them 4-0 in front before Ger McGrath grabbed a hat-trick for Araglen all in the space of eight minutes. A big home win this.

Youghal 0 Gortroe 0

This East Cork local derby failed to produce a goal on Sunday morning last, despite both sides creating some good chances.

An Gaeltacht 0

Castlebridge Celtic 0

Celtic's hopes of clinching the league title were dashed on Sunday last away to An Gaeltacht when they failed to clinch all three points. They can feel proud in this their first season that they battled away right to the end.

Both sides created chances here but at the end of the 90 minutes, the clubs were still scoreless.

Glenview 2 Affane 1

The sides were scoreless at the break but Philip McGrath put the homeside in front early in the second half before Brendan Hennebry equalised for Affane. Ger Power struck the winner for Glenview.

### MIDWEEK RESULTS

An Gaeltacht 2

Araglen 0

Two goals from Alan Leahy - one in each half - clinched three vital points for An Gaeltacht.

Blackwater Rangers 2

Brideview Utd. 1

Rangers finished their season with a win but it still may not be enough to keep them in Division Two next season. They will have to wait another week to know their fate. So too will Utd. but their chances of survival are very slim.

Scorers here for Rangers were Paul Conroy and Jason Radley while Utd.'s marksman was Gerard Hogan from the penalty spot.

# DUNGARVAN TYRE CENTRE CUP FINAL Thrilling Final In Prospect As Lismore Face Neighbours Brideview

On Monday afternoon next (Bank Holiday), the final of The Dungarvan Tyre Centre Cup takes place in Tallow. This game was to have taken place last Sunday week but the weather caused the game to be postponed.

If both clubs play to form then we should be in for a thrilling game between these two neighbouring clubs. Lismore are chasing the league and cup double this season and indeed come Sunday, they could be League champions as they were playing on Monday night last and if they won that game then they had the league title wrapped up. Lismore are in pole position going into this Cup Final as they have already defeated the Tallow side twice in the league. Can they now bring off a treble?

Lismore are the cup specialists in The Red House League, having won the cup on six occasions. It's a very strong Lismore squad at present with plenty of skillful players. Here we think of Gary Keane, Paul Quinn, Keith Hornbrook, Owen Madden, Billy Walsh, Alan Dunne and Brendan Ormonde. Experienced players like Michael Hickey, Michael Fitzgerald, Frank Power, Kieran O'Gorman, Sean Daly, Paul Prendergast, Brendan Prendergast, Adrian Meagher, Michael Shanahan, Seamus Prender-

gast and Dan Shanahan have all seen plenty of cup action.

### INJURIES

Lismore have injury problems for Monday next. Out of action are Brian Shanahan and Brendan Landers and both of these players will be missed on Sunday next. Despite both of these players being out of action, Manager Dave Landers has still plenty of talent at his disposal.

Landers himself was a player of outstanding ability. Landers won seven medals with Lismore as indeed has his assistant Pat Fitzgerald.

Landers will have a tough job in picking his first eleven from the above players. All players have played this season at some stage. Will he go for the younger players or stick to the more experienced players?

Lismore's defence is one of the meanest in the league. If they have problems, it lies with the front men all able to create chances but they have failed to convert a large portion of their chances.

Their neighbours from Tallow will no doubt be hoping to over turn the league results between these two sides. Utd. are the cup holders although it's their Division Two squad who hold this honour.

Utd. started the season poorly but they have im-

proved somewhat in recent games. Brideview on form play a very attractive game of football. Indeed some people in the club would say that the lads try to play too much football. It's a very young Utd. side with a few experienced players in the squad.

Keeper Billy Sheehan is having a terrific season. Sheehan has rescued Utd. several times this season with some marvellous saves. Other young players in this squad are Terence McSweeney, Stewart Barry, Denis Martin, John P. Grey, Joe Fraser and Stephen Curley. While these are young players, they are not short of experience. The Curley brothers (Paul, Philly and Mickey) along with Dermot Henley, Timmy Sheehan, Brian Henley, Mark Geary and Ger Sice are all players who have given tremendous service to the Tallow club.

Manager Liam Fraser should have a full squad to pick from and this should cause him some problems, although it's a problem all managers like to have.

It's a final that is sure to attract a huge crowd to the Brideview venue for what should be a thrilling game between these two neighbouring clubs.

### MAN OF THE MATCH

This award is being sponsored by John O'Gorman of Lismore.

## DIV. 2 SIDE ADVANCE IN INFIRMARY CUP

By all accounts this was a rousing cup tie at Waterford Glass last Sunday morning when the Blues twice came from behind to get a victory that they deserved. The Blues got off to the worst possible start and were 2-0 down after 15 minutes. Mickey Donnelly pulled one back before half time. However they went 3-1 behind just after half time.

But they fought back and goals by Eoin Mansfield and Killian Wall earned them a draw at full time. In extra time Mickey Donnelly got the all important goal which now puts them into the quarter final with a home tie with Kilmacthomas. This cup match will probably take place this weekend.

## UNDER-16'S INTO CUP SEMI FINAL

Our under 16 side were made fight all the way against Kilmacthomas last Saturday in the quarter final of the cup at the Crystal pitch. Gary Collins gave the Blues the lead with a headed goal following a corner. However, Kilmac' fought back in the second half and got a deserved equaliser. Extra time failed to break the deadlock and Dungarvan won 4-2 on penalties. Donie Kelleher, Joe Nolan, Vincent Sullivan and Kevin Walsh were successful from the spot kicks.

They are now away to either Bohs or Johnville in the semi final of this cup on Sat., May 11 at 2.30 p.m.

## UNDER-11'S WIN AGAIN

Our U-11 side recorded another victory in the 'A'

league with a fully deserved win over Mooncoin at Crystal pitch last Wednesday. The lads were 2-1 down early in the match but fought back to be 3-2 up at the interval. The young Blues side dominated the second half and won comfortably. Tony Keane (2), David Ferncombe (2) and Jonathan Shaw (1) were the goalscorers.

Our under 13 side bowed out of the cup away to a strong Bohs side on Thursday night last 5-2.

Our under 10 side went down narrowly 2-1 to Ballinroad in a challenge match at the Crystal pitch on Sunday morning last. Our thanks to Ballinroad for this challenge.

## DUNGARVAN UNITED — DIV. 2 INFIRMARY CUP (2ND ROUND)

# The Great Escape

Only one of the best fight-backs ever prevented Dungarvan's season from coming to an end at Waterford Crystal last Sunday morning.

All that travelled to the game agreed that it will be a long time before they will see a more spirited and battling performance from any Dungarvan team.

Even before the Blues left for the game their problems started when they lost their goalkeeper as he was unable to travel. Alan Landers, though injured, bravely stood in to breach the gap and did a marvellous job.

Only 8 minutes into the game it looked already as if it was not going to be Dungarvan's day. A ball that should have been cleared was not and the home side won a corner. A high ball into the box was met by the rushing midfielder to head the Crystal to a 1-0 lead. High balls were always going to be a problem for the Blues against this very tall Crystal team. Worse was to follow just 2 minutes later, again a high ball through the middle was flicked on to deceive the keeper.

2-0 down after 10 minutes, surely the Crystal were heading for the quarter finals, but this was not in the Dungarvan script.

This was when they were about to show what they

## WATERFORD CRYSTAL 3 DUNGARVAN 4

could do against a team going well in a division above them, but they had to get one back before the break. After 25 minutes John Downey and David Sheehan combined well down the right, Sheehan put in a high ball into the box and pressure from Donnelly and Wall forced the defender to put it over the line for an o.g.

Half time couldn't come fast enough for the Blues to re-organise. Some hard decisions had to be made. Top of the list for some of our players was should we change our jerseys as the blue was clashing with the blue in the skyline. Thankfully the manager eventually persuaded our "Red" supporters that winning a game of football has nothing to do with the colour of a jersey.

At the start of the second half Dungarvan dug themselves into deeper trouble. Crystal started to raid down the left wing and after 5 minutes another cross was powered home to give them a 3-1 lead and they surely thought the visitors would crumble now.

But the word surrender is not in the panels vocabulary. Powered forward from the back by Pat Dunford, who had an outstanding game, he led by example and demanded more from every player,

George Hamilton was first to respond when he made a great run down the left, put in a good cross and Eoin Mansfield soared above the defence and our Bon Vivant (look it up lads) player headed the Blues back into the game.

The visitors now had the bit between their teeth and they were not going to let go. Only on the field 2 minutes John W. Power put an angled inch perfect pass (the kind he's famous for) through with the outside of his foot for Killian Wall and he coolly chipped the advancing keeper to make it 3-3 and extra time.

The Crystal side could not compete with the determination of the visitors and could not handle the relentless pressure put on from the Blues midfield where Crotty was outstanding throughout. The Blues back line had now the measure of the Crystal attack and Beresford and Cummins cleared up everything the homeside came up with.

Up front Mickey Donnelly showed unbelievable stamina and pace and it was only fitting that he was to score the winning goal. Five minutes into extra time the Blues won a corner. Ger Beresford again put over a great ball and Donnelly out-jumped the much taller de-

fence to seal a quarter final place for the Blues.

Dungarvan had to endure some final nerve-recking moments. A high ball into a crowded box saw Stan Cummins battling on his knees to clear the ball. When the box cleared Stan had been standing all along. But Dungarvan were not content to sit back and soak up the pressure. At every opportunity they attacked and John Whelan was unlucky with a shot on one of these breaks.

This was a game in which every player played his part and to pick a man of the match might be unfair, but I think no player would object if Pat Dunford and Mickey Donnelly were mentioned for their outstanding performances.

**Dungarvan** — A. Landers, J. Downey, S. Cummins, P. Dunford, G. Beresford, D. Crotty, E. Mansfield, D. Sheehan, G. Hamilton, K. Wall, M. Donnelly. Res. — T. O'Grady, P. Flynn, J. Whelan, J. W. Power.

## SYMPATHY

On behalf of all the 2B panel I would like to send our deepest sympathy to the Cahill family, McCarthyville and Rathgormack on the sudden death of Tom Cahill. Tom had many workmates and friends within the 2B squad. May he rest in peace.

# DUNGARVAN UNITED — UNDER-13 CUP Young Blues Bow Out

## BOHS 'A' 5 DUNGARVAN 2

This was a game that Bohs were determined to win from the time the first whistle blew.

They attacked Dungarvan very early and were rewarded with a goal after 9 minutes. Dungarvan never seemed to settle and found the defence under a lot of pressure. Bohs scored a second goal before half time. Dungarvan did get a goal as well through Nicky Donnelly but always seemed to be struggling.

Goals were exchanged in the second half with Nicky Donnelly scoring his sec-

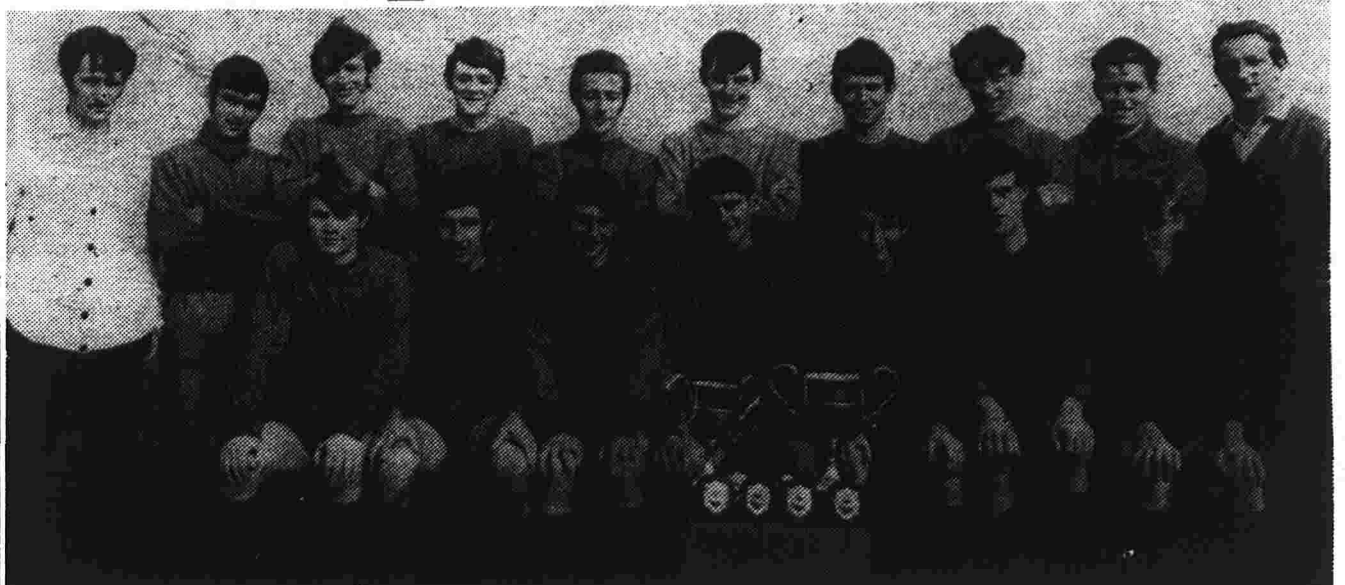

ond. The score stood at 3-2 to Bohs up to the 57th minute and then Dungarvan got caught going forward and Bohs managed 2 goals in one minute.

In all fairness the lads kept fighting and the final score did not reflect the fight and courage they showed until the end. Well done to all.

The league programme still has some games to go so we will be looking for some good results in these games.

Training as usual on Monday evenings at 5 p.m.

# Reunion Of Dungarvan Youth Cup & League Champions Of 1968/69

Pictured above are Dungarvan United's Youths team of 1968/69 who won the club's first double — Back row (l. to r.) Jackie Sandford (sel.), Martin Geoghegan, Liam Fraser, Jimmy O'Donnell, Martin Sandford, Michael Houlihan, Monnie Lennon, Pat Morrissey, David Kiely, Michael Lyons (sel.). Front row (l. to r.) Anselm Hayes, Liam Sandford, Jim Houlihan, Michael O'Donoghue (capt.), Pat Brett, Connie Murphy, Tom Conway.

On Sunday evening next at Kiltrush Park at 7 p.m. a reunion of the successful youth team 1968/69 which brought league and Cup honours to Dungarvan United will take place.

Months of preparation by a hard working committee will ensure everything will go according to plan. Former players will travel from Dublin and Cork to link up with team mates to renew memories and friendships. A fun game will take place against 'youthful opposition' after which the entire squad with selectors will be guests at a function at the club. Presentations will be made thanks to the generosity of Dungarvan Crystal. A plaque donated by David Kiely Monumental Works will be unveiled in the clubhouse to mark the occasion.

The first soccer ball most of these 'aging' youngsters would have kicked would have been below in Quann's when Sports Complexes were only a dream. No doubt fired up by the World Cup of '66 the lads formed a team, trained at Springmount (Tom Coffey's), later they were to move across the road to the present site on which stands Dunabbey.

How Dungarvan United has grown and prospered from those early pioneering days! Many of these players engaged in soccer when it was most unfashionable to do so and with bans of various sorts in operation.

Thanks to the hard work of Michael Lyons, Jackie Sandford and Tony Smith the squad was expertly coached and from small beginnings they moulded themselves into a force to be reckoned with.

On Sunday night we salute their marvellous

achievement in winning the Waterford Youth League and Fitzgerald Cup. In the Cup final they beat Wexford United 4-1 at Ozier Park. I quote from the match report.

"Eleven gallant Dungarvan minors made soccer history on Sunday night last when they turned on a display par excellence to defeat Wexford United and capture the Fitzgerald Cup. This was the first time an underage side from the club captured a trophy and therefore they carved their own niche in the history books."

Where are they today?

**Barry Wyse** — Goalkeeper. Now lives in Dublin — late father was manager of Bank of Ireland.

**Their Greatest Fan** — **Topsey Kirby** — From Cathal Brugha Place. Attended C.B.S. and was a class mate of most of the squad. A great character who was a favourite with one and all. Went to his eternal reward at a young age — honoured by club with Annual Topsey Tournament. No doubt will look fondly on tonight's happenings with approval from above.

## RAILWAY ATHLETIC CLUB NOTES

# Railway's Cup Run Comes To A Halt

### RAILWAY 1 CRUSADERS 2 (after extra time)

Two minutes to go it looked as if we were in the semi final of the cup, but unfortunately it was not to be.

We started very well and midway through the half Martin Reddy opened our account with a great header.

In the second half Crusaders dominated the opening 20 minutes and as the game went on some of our players got tired. With two minutes remaining a shot from long range hit the back of the net and our keeper had no chance as he was unsighted. This was a killer blow but our lads kept working. Crusaders, however, got the break when a shot was deflected to our net by a defender and Arrigan had no chance in goal. As before our lads went looking for the equaliser and we scored what we thought was the goal that would bring us into the penalties, but for some reason the referee blew for offside.

To say our lads were disheartened would be an understatement but some players did not shine in what was our most important game for a long time.

# Ger Wyley Sports Summer Series

The second annual Ger Wyley Sports Summer Road Racing Series was launched by Dungarvan A.C. last Wednesday evening.

The series includes many new features including an increase in the number of races to eight with the athletes best finishing places in five events determining their overall position.

The series will accommodate three categories - ladies, U-40 men and Over 40 men. There will be prizes for the top ten in each section and a souvenir memento for everyone who completes five races. The athlete's age category will be determined by his age on the date of the first race in the series, the Christy O'Neill sponsored Marine Climb on Saturday week, May 11th. A cash bonus will be awarded to the first person to beat the course record in any of the five existing races in the series - the Marine Climb, Rás Na Rinne, Dromana '5', the Ballymacarby '5' and the Glenshelane race. The entry fee to the series is £3 and entries will open at the Marine race on Saturday week and close at the Dromana race which will be the fifth last race overall.

## RACE NO. 1 - THE MARINE CLIMB

The Summer Series begins on Saturday week, May 11th at 7.30 p.m. when the 4th Annual Marine Climb Road Race takes place. The prize list in-

cludes the top three men and women and the first three teams of five picked on the night from the runner's most recent and best 10K times. This year the race doubles as a sponsored run and walk for West Waterford A.C. and a sponsorship card will gain entry to the race. The entry fee for non card holders is £3.

A social evening hosted by Christy O'Neill follows the race and each year this encourages the runners to get up the old Sweep Hill that much faster. The course record belongs to James Sullivan at 30 minutes 30 seconds.

## RACE NO. 2 - THE CLONEA CANTER

This race takes place in Clonea Strand on Thursday, May 31st (the Thursday before the June Bank Holiday weekend). The event which will begin at 8.00 p.m. will be run over a 5K distance and as well as the first three men and women, there will be prizes for the first U-23, 26, 29, 32, 35, 38, 41, 44, 47, 50, 53 and over 53 athlete to finish. The presentation of prizes will take place in Clonea Hotel.

Race No. 3 - Rás Na Rinne One of the toughest races in the series, Rás Na Rinne will be held over the Cunnigar Circuit on Saturday, June 8th at 7.30 p.m.

Pictured at the launching of the Ger Wyley Sports Summer Road Racing Series were (l. to r.) Front row, Philip Harty, Anthony Dwyer, James Veale, Ger Wyley (sponsor), Tony Ryan, Paul Keating. Back row, Michael Dwyer, Dermot Dwyer, Seamus Healy, Anthony Harty, Colin Lyons, Tony Harty, John Joe Wright, James Moore and Tom Meehan.

This will be the fourth running of the race, the previous winners being Gerry Cantwell (1993), Kieran Maher (1994) and James Sullivan (1995). The run is organised on the same basis as the Marine Climb which gives athletes of all standards an opportunity to figure among the prize winners. The presentation of prizes will take place in Mooney's. The course record belongs to Kieran

Maher at 30 minutes and 53 seconds.

## RACE NO. 4 - THE DROMANA '5'

The Dromana '5' miles road race will be held on Friday, July 5th.

This year the race will start in Villierstown and finish in Cappoquin. The course record of 23 minutes 49 seconds was set in 1994 by John Treacy. Often referred to as a 'proper' race with the usual categories, the presentation of prizes will take place in Danny Flynn's.

## RACE NO. 5 - TOURANEENA '5K'

Organised along with Pat Keane, this race will coincide with a sponsored walk in the area for the Naomh Bríd Juvenile G.A.A. Club.

The race takes place on Sunday, July 21st at 7.00 p.m. Prizes for the first three individual men and women and for the top three teams. The team event is confined to non-individual winners and the teams must include two U-40's and two over 40's. The presentation of prizes will take place in the Community Hall.

## RACE NO. 6 - THE BALLYMAC '5'

An outstanding success last year, run over one of the best courses of the season, the second annual Ballymacarby five miles road

race will be held on August Bank Holiday Monday, the 5th.

Last year's race was won by Sean Foley (Waterford A.C.) from Pat Heffernan (St. Catherine's) and Mark Radley (West Waterford). The course record of 25 minutes 44 seconds could be under threat in this one.

The after race get together will be held in the Oriel Bar.

## RACE NO. 7 THE GLENSHELANE RUN

The second annual Glenshelane race will take place on Saturday, August 17th. The organiser of this run, as with the Dromana '5' is Michael Murphy, Melleray Road and last year Michael chose a lovely route for the runners. This year's race will start and finish in Cappoquin. This event includes the Pub Championship of the south-east and the teams of three must include at least one lady runner. Now is the time to get organised. The course record is 26.20 and it was set by James Sullivan.

## RACE NO. 8 - THE ARDMORE '5'

The Summer Series will finish in style at the inaugural five miles road race on Saturday, September 7th. The event is the idea of Sean Foley while Kevin Gallagher has organised the Ardmore end of things with

great enthusiasm.

Race sponsorship has been secured via the proprietors of Paddy Mac's Lounge, The Cliff Hotel and the Round Tower Hotel. The monies from the race entries will be donated to the local Ardmore Scouting Movement.

In addition to a Juvenile section, there will be prizes for the first three men and women and so as to give all entrants an opportunity to figure among the prizes, the first runner in each of the twelve signs of the zodiac will also enter the winner's enclosure. What's your star sign? What's Philip Harty's?

The presentation of prizes for the race and for the Summer Series itself will take place in Paddy Mac's.

## SUSAN SMITH'S OLYMPIC GRANT

Last week Susan Smith received a £1,000 government grant to aid her Olympic preparations. Susan's ambition to qualify and prepare for the Olympics will leave her at a personal loss of £15,000 this year. If an athlete like Susan has the ability to represent her country in Atlanta, is it good enough in this day and age that she should suffer such a financial loss?

## WATERFORD CHAMPIONSHIPS THIS SUNDAY

The first stage of the three day Waterford Track and Field Championships will take place in the Waterford Regional Track this Sunday.

It's good to see the centre re-open to athletics. A full programme of Junior men and women events will be held and these grades, this year, will also cater for all the Junior competitors. This will be the only day of competition for these grades.

The following Juvenile events will also feature on the programme -

## SOUTH EAST LEAGUE

Following the first of two stages in the Ferrybank A.C. promoted south east league at the Waterford Regional Centre last week, West Waterford A.C. are leading Ferrybank A.C. by three points in the ladies section and the tables are turned in the mens competition with the Ferrybank squad holding a seven point advantage.

## WEST WATERFORD MEDAL HAUL

Local club, West Waterford A.C. repeated their 1995 exploits when dominating the Munster, Junior and U-23 Track and Field Championship in Cork last Sunday.

This time the medal haul comprised 22 gold, 13 silver and 9 bronze medals. Full details next week.

## JAMIE COSTIN QUALIFIES FOR WORLD CHAMPIONSHIP

Jamie Costin continued his upward trend in his race walking career last weekend when he travelled to Philadelphia to compete in the prestigious Penn Relays Meeting.

In the combined Junior and Senior 10K event, Jamie, representing his college (U.C.D.) finished fourth overall and first Junior. His time of 43 minutes and 56 seconds constitutes a new Irish Junior record and it also qualifies him for the World Junior Championships in Sydney in August.

The qualifying time is 45 minutes even and Jamie's performance was well inside the mark. The local athletic scene congratulates the Old Parish man on his latest success and he is wished well in his preparation for the World Championships.

## HILL RUNNING LEAGUE

# Paul Keating Inspires His Team To Victory

Going into the final stage of the Dungarvan Athletic Club's Hill Running League, Paul Keating's team held a five point advantage over Anthony Dwyer's team. Tackling the toughest climb during the last stage in Colligan last Wednesday, the teams were level overall which would secure honours to Anthony Dwyer's team as they held the most stage wins.

At this stage, Paul Keating led by example which saw him pass two runners, including one of his own, to cut the stage deficit to four points and so win overall by the smallest of margins - 192 pts. to 193 pts. This seventh and final stage was won by Seamus Healy's team on 24 pts with some fine running from Philip Harty, Eoin Dee, Colin Lyons, James Moore, Martin Sandford and of course the team captain, Anthony Dwyer's team scored 25 pts. with Paul Keating's team on 29 pts.

The winning team in the Dungarvan A.C. Hill Running League. (l. to r.) Dermot Dwyer, Tony Harty, John Joe Wright, Tom Meehan, Paul Keating (capt.) (Photo: Rory Wyley)

Paul Keating's victory was won by determination as much as anything else with all team members playing their part well. Tony Harty dead heated with his brother Philip for the stage win, Dermot Dwyer once again showed

his liking for the hills with a fine performance. Tom Meehan made an early return from illness to make a vital contribution and John Joe Wright once again got his timing right for the winning combination.

● The forthcoming Ma-

rine Climb should pose little difficulty for everyone who took part in this seven stage league following the weeks of tough hill climbing. The weekly training session will resume on Tues. next, May 7th with speed work at St. Augustine's College at 7.30.

# JOHN TREACY'S "GOAL" THIS SUNDAY

The Glenbower '5' Mile Road Race, sponsored by Kearney brothers of Castlelyons and with all proceeds going to GOAL, is expected to draw a large crowd of runners and walkers to Killeagh on Sunday next, May 5th starting at 12.00 noon.

The race is part of the May Sunday Festival which has been held in the village of Killeagh (familiar to travellers on the N25 Waterford - Cork route) for generations. Formerly held over the half-marathon, ten miles and '10K' distance, the event is organised by local runners Willie O'Mahony and Peter Lee with the assistance of Ballycotton Running Promotions.

GOAL fundraiser Maureen Forrest from nearby Mogeely has secured major sponsorship from Kearney brothers Farm Machinery of Castlelyons which means that the entire entry fee of £5 goes to GOAL's work in Calcutta where Maureen herself will be going in September.

Each participant will receive full value for their £5 with over fifty prizes on offer plus another fifty

'spots' consisting of GOAL t-shirts and caps. Also, each finisher will receive a beautiful Stephen Pearce pottery plate etched with the GOAL logo. But the greatest benefit will be knowing that the contribution of £5

goes to such a worthwhile and deserving cause.

Walkers are also welcome to take part over the new 5 mile circuit and they will start with the main field at 12.00 noon. The start is just outside Killeagh Village

and entries will be taken from 10.00 a.m. onwards in the local Community Centre. John Treacy, who is now Marketing Executive for GOAL will also be attending the event and will hopefully take part himself.

Meanwhile back in Thurles our U-12's were playing at Semple Stadium in the town's competition sponsored by Nestlé. CORN MHIC RUAIRI: MUNSTER COLLEGES S.H. 'C' FINAL

# One Point Win For St. Augustine's

ST. AUGUSTINE'S COLLEGE 0-9 ROSCREA C.B.S. 1-5

St. Augustine's made amends for their disappointment last year when beaten in the final of this competition by St. Joseph's, Borrisoleigh. This time round the opposition was also provided by a North Tipperary School, Roscrea C.B.S., but lady luck was shining brightly for the Friary who regained the trophy they last won in 1989.

The game was just four minutes old when Pat Nugent opened the Friary scoring with a tasty point. However, the lead was short lived as within the space of the next ten minutes Roscrea hit a purple patch and

scored a goal and three points from play without a reply.

The move of Seamus Prendergast to centre forward proved fruitful and the Friary boys began the claw-back point by point until they had levelled the scores at 0-6 to 1-3 at half time.

The cross wind ensued that the second half would be hotly contested. A pointed free gave Roscrea a short lived advantage which was neutralised by a Billy Walsh score following his move to wing forward.

A tense struggle ensued for the next ten minutes

with both sets of backs defending impressively. In the final quarter of an hour two pointed frees by Pat Fitzgerald lifted the Friary and although Roscrea replied with a point from a 20 metre free it wasn't to be their day and the Friary won through. On the day they deserved to win by a much greater margin.

This team is worthy of the Munster title which they now add to the Waterford 'A' crown, won by beating Harty Cup participants, Lismore C.B.S. Throughout the competition they have played as a team with great conviction and each member of the panel has played

his part in the success.

On this occasion Paul Ahern ably defended the Friary net, others to excel in the back line were Robert Cass, Victor O'Shea, Vinny O'Rourke and Gary Cullinan who played a captain's part. The midfielders and forwards all contributed to the victory with particularly admirable performances from Billy Walsh, Pat Nugent and Seamus Prendergast.

Friary Scorers — Pat Fitzgerald (0-3 from frees), Seamus Prendergast (0-2), Pat Nugent (0-2), Laurence Hurney (0-1) and Billy Walsh (0-1).

St. Augustine's — P. Ahearn (Dungarvan), E. Beresford (Clashmore), M. Supple (Ardmore), R. Cass (Kilgobinet), V. O'Shea (Clonea), V. O'Rourke (Clashmore), G. Cullinan (Ballygunner) (capt.), P. Fitzgerald (Naomh Brid), B. Walsh (Lismore), P. Nugent (Newcastle), L. Hurney (Abbeyside), M. Cliffe (Naomh Brid), N. Power (Ballyduff), S. Prendergast (Ardmore), I. Dunford (Naomh Brid). Subs. — C. Hennessy (Ardmore), B. O'Byrne (Kilmacthomas), A. Flavin (Ardmore), M. Horan (Abbeyside), P. Denn (Naomh Brid), S. Dower (Ardmore).

## Naomh Brid G.A.A. Notes

### U-14 FOOTBALL Ballylooby 1-4 Naomh Brid 3-3

Our U-14 footballers travelled to Ballylooby in South Tipperary to play a challenge match. It was a tough and physical game but on the day, our players proved to be the stronger and better team.

In the first half, we had goals from Colm, Paul and Denis and Patrick scored a point to give us a 3-1 to 0-3 lead at half-time. The first half also saw an outstanding save from our new goalkeeper, Colin Gleeson.

We had further points from Patrick and Colm in the second half as we went on to record a deserved five point victory.

Team: Colin Gleeson, Justin Power, Aidan Dalton, John Queally, John Myles, Adrian Lonergan, Paul McCarthy, Sean Dempsey, Denis Coffey (1-0), Colm Geary (1-1), Jimmy Buckley, Patrick Coffey (0-2), Mike Kiely, Paul Gleeson (1-0), David O'Donovan. Sub: Jonathan Webster.

### MINOR HURLING Cappoquin 2-9 Naomh Brid 1-5

At the Colligan venue last Friday evening, we started the Minor Hurling Championship against a determined Cappoquin team.

We had to field an under-strength team due to four players not turning up and one player injured and one player suspended so it was always going to be an uphill battle. We started well with points from Pat Fitzgerald and a brilliantly taken goal from Ian Dunford. This gave us a 1-3 to 1-1 lead at half-time.

In the second half, Cappoquin proved to be too strong, scoring 1-8 to our 0-2.

Team: Paudie Denn, Eamonn Condon, Kevin Quinn, David Meaney, Paul Condon, Walter O'Grady, Pat Fitzgerald (0-5), Micheál Power, Brendan O'Connell, Cian Grace, Quentin Hickey, Philip O'Meara, Ian Dunford (1-0).

### U-12 HURLING

Our U-12 hurlers travelled to Newcastle last Saturday morning to play the home-side in a challenge match. We would like to thank Newcastle for agreeing to play the ground hurling only rule. There was a massive improvement from our previous outing so the three times a week training under their coach, Ned Power is definitely paying off. It was an excellent performance throughout, the team with the best performance coming from Matthew Cashman in goal. The final score was Newcastle 2-0 Naomh Brid 4-2.

Team: Matthew Cashman, Tomas Fenton, Willie Power, Shane Hickey, Neil Fenton, Paudie McCarthy (0-1), Darren O'Connor, Jonathan Webster, Jack Power, Shane Troy (1-1), Tristan Hickey, Seamus Power, Finnean Grace, Jack Cummins (3-0), Michael Myles. Subs: Richard Nugent, Paul Coffey, Johnny Buckley, Shane Hourigan.

# ARDMORE G.A.A. NOTES

## JUNIOR HURLERS IN ACTION

Our junior hurlers play Clashmore in the Fraher Field on Tuesday night at 7 p.m. and hopefully they will get this year's campaign off to a winning start. We will have a full report next week.

Also our minor hurlers will be in action twice this week against An Gaeltacht on Monday and Naomh Bríd in Cappoquin on Friday. We will also have a report on these games next week.

## CYCLE A HUGE SUCCESS

This week we say well done to those involved in the sponsored cycle from Ennis to Ardmore which was a huge success. Although tired legs and aching limbs were the order of the day, all the lads performed well and once again show what preparation can do as most of those involved put in a huge effort in preparation for this 115 mile stint.

We also thank the Western Board and, of course, our neighbours from Clashmore for facilitating us by playing our junior hurling game this week. Once again well done to all concerned.

## CREATING HISTORY

On Friday of last week many of our young footballers created a little bit of history as they were part of the Friary College's A and B teams who reached the county final of the Waterford Colleges senior football championship. It is the first time that two teams from the one school met in a final and it proved to be a cracking good competitive game with victory in the end going to the A side, who were the slightly more composed side in front of goal. The B side had just as much possession but wasted many fine chances.

Players from our club involved were — Michael Supple, Austin Flavin, Shane Dower, Seamus Prendergast, Cathal Hennessy all of whom were on the B side while Kevin Flavin played a fine game for the successful A side.

Most of the above lads were also part of the Friary Under 18 hurling team who captured the Munster Colleges C title on Wednesday last. So well done to all the players and mentors and to Fr. Moran, Ger Walsh and company we say keep up the good work and hopefully next year will bring a Munster title.

## ON THE CORK FRONT

While all this has been happening almost unnoticed our minor hurling keeper, 15 year old James O'Donnell has been performing brilliantly for his school and has made it onto the county Cork Vocational Schools panel who defeated Kilkenny in the All Ireland 0-15 to

0-4 on Sunday last. Well done James and keep up the good work.

## DEISE DRAW

We had just three winners in the first draw held in Melleray on Friday night last and we congratulate Liam Gleeson who won £60 and Mary Varden formerly "Hallahan" of Boston and Willie Ryan who each received £250 on the full subscribed members draw. Well done.

## VOTE OF SYMPATHY

Our sympathy is extended to the Downey family, in particular, to Paddy on the death of his wife Sile last week. To all of the family both at home and abroad you have our deepest sympathy in this time of sorrow. May she rest in peace.

## FEILE NA nGAEL 1996

This spectacular festival of hurling takes place in Waterford for the next two years. It will be a wonderful occasion for all the young boys and girls involved and the massive logistical operation to stage all of the games has been ongoing with a while.

Our own juvenile secretary Pdraig O Foghlu who is one of the organising committee has been doing an enormous amount of unseen work which will never be heard about but still has to be done to ensure the smooth running of the competition.

To that end all clubs had to supply a panel of twenty players who will take part in the competition. Our chosen panel who are going to represent us are as follows —

Niall Hennessy, Vincent McCarthy, Mary O'Donnell, William Keane, Eoin Foley, Conor O'Connor, Tomas Crawford, Garry Ducey, Mark Lenane, Billy Harty, Philip Beausang, Seamus Flavin, Derek O'Reilly, David Power, Noelle O'Mahoney, Niall O'Brien, Stephen Conway, Michael Flavin, Kevin O'Mahoney, Maurice O'Connor.

I intend to do a small profile on each player in the weeks coming up to the Feile so I would ask each player to fill in the forms and attach a photograph so that you can be included in this profile spot in our notes.

## DATE CHANGES FOR YOUR NOTEBOOK

Under-14 Hurling — Ardmore v. Stradbally now on Wednesday, May 8 in Stradbally at 7 o'clock.

As a result of this change our opening under 12 hurling game will now take place on Friday, May 10 in Ardmore at 7 p.m. with Clashmore providing the opposition.

## TIMELY REMINDER

As the championship action on the hurling front is about to begin this is just a timely reminder to all of our players to have the following items in order — 1 white shorts, 2 blue socks, 3 shin guards, 4 hurling helmet with visor, 5 hurley, 6 boots.

All the above items in their own right are important but especially so the helmet as it is vital for the protection of the head and face area. The club have still some helmets

on sale for half price and can be had from any of the officers. Lastly, all club players who pay their £2 membership will receive a new hurley, so remember to pay as soon as possible as only paid up members are entitled to play on teams.

Also all selection committees should check with the membership officer to avoid any embarrassment as rules are in place for the benefit of everyone and must be seen to be implemented without exception. So make sure you are paid up before you play.

## POKER CLASSIC

Our contingent will be in the Park Hotel in force on Monday next, May 6 and hopefully one of them may drive away in a Rover Car or be £10,000 richer. We wish them all the best of luck.

## HOLY SACRAMENTS

Over the next weekend many of our young boys and girls will be making their First Holy Communion on Sunday while on Tuesday Bishop Lee will administer Confirmation to Fifth and Sixth Class. We hope everyone has a good day for both important occasions.

## LATE CHANGE

Owing to the sudden and unexpected death of Maura Flynn our scheduled fixtures may be altered while our pitch will remain closed until after the funeral. Our sincere sympathy is extended to her son Bobby, mother and sisters on this sad occasion. May she rest in peace. — P.R.O.

## JUVENILE MEETING

A juvenile committee meeting will be held on this Thursday, May 2, at the clubhouse. Time: 8 p.m.

## BREAKING NEW GROUND

Last weekend young Jonathan Moore took the huge step when he refereed his first senior hurling championship game, taking charge of the Mount Sion v. Dungarvan game played at the Mount Sion field. Jonathan has worked his way up through the ranks having attended referees courses in the Western division and at county level before going on to the Munster Referees Courses.

Jonathan has refereed Western finals and county finals in under-12, u-14 and u-16 and refereed for Munster Council at u-16 level. He has handled minor and junior games for the Western Board. Now that he has joined the senior circuit, we wish Jonathan all the best!

# Big Win For C.B.S. Dungarvan

Dungarvan C.B.S. 5-5  
St. Declan's, Kilmacthomas 1-4

Dungarvan C.B.S. started the U-14 Waterford Championship on Friday last, April 26th.

A slow start and points by J. Moore, P. Landers and two from the boot of R. Kirby left the half-time score 1-3 to 0-4 in favour of St. Declan's.

The second half started with St. Declan's adding another point, then the introduction of J. McGrath into the Dungarvan attack. Within minutes of being introduced, J. McGrath was fouled in the square with the resulting penalty being put to the back of the net by P. Veale. A wide by St. Declan's followed. Then J. McGrath stepped up again to score two quick goals. T. Kiely added another goal with ten minutes remaining and with time running out, J. McGrath added another point to leave the final score 5-5 to 1-4 in favour of Dungarvan.

A. O'Connell, P. O hArtaigh and G. Hayes gave great display of football in the backs with R. Connery excellent in goal. T. Kiely began to play well at midfield in the second half. Up front, J. Moore, R. Kirby, J. McGrath and P. Power gave in excellent games of football with some great scores resulting.

Dungarvan C.B.S. team: R. Connery (St. Oliver's), R. Kirby (Dungarvan), P. Beau-

## Nire Football Club Notes

### NIRE FUN RUN

The annual Nire Fun Run will take place on this Sunday evening, May 5, at 6 p.m. from the Lay-by in the Nire to Ballymacarbry. All categories catered for and all are welcome.

## Waterford G.A.A. Supporters Club

At our last meeting disappointment was expressed at the poor response for membership by our G.A.A. clubs. Membership is only £10 per club. All clubs have been notified in writing so please join the club and help the future of Gaelic Games in our county. My thanks to Fenor Club for their membership, also to Kevin Gallagher, Ardmore and Denis Curry, Rathgormack.

I watched three senior hurling games over the weekend and I must say the standard was very, very poor. Players seem to have forgotten or never learned how to hit the sliothar on the ground, picking, solo running and getting nowhere seems to be the order of the day.

I would ask the County Board to explain the structure for the S.H. championship — a great number of people are confused. Eventually the only solution I can see is the knockout system.

Cork 1-26 Waterford 1-8 — Another very disappointing display by our senior hurlers in the challenge v. Cork at Killeagh on Sunday evening last. The supporters are getting anxious about our chances against Tipperary in the Munster championship. We would ask and appeal to all players to show pride and total commitment and remember it takes guts and passion to win All Irelands.

We are looking forward to much improved displays from all players in future tournaments and challenge games. Come on Waterford, we can do it.

# Western Board Start Junior Football Championship

It is going to be a holiday weekend of football with over fifty teams in action in club championships. In addition to the sixteen senior teams, the West have a full twenty four teams in action and the Eastern Board also go into action with their football championships.

## JUNIOR FOOTBALL CHAMPIONSHIP

### Emmetts v. Modelgo

This is the first match listed on the twelve game programme for the weekend and like all the other Saturday games, it has a 7.30 p.m. start. It will be at Cappoquin and it was there that the Emmetts defeated Modelgo by 2-7 to 1-8 last year. That was a very good con-

test and this may be as exciting. Verdict — open.

### Seana Phobal v. Kilgobinet

This is the evening game at Fraher Field on Sunday and based on last season's form, the odds seem to favour Kilgobinet, who were unlucky not to have gone the full distance last year. They lost in the Western final to Lismore.

### OTHER GAMES

Ballinwillin versus the Nire's 'B' team game will go on at Abbeyside and here the Tourin based teams must be fancied to account for the Nire's third group.

Brickeys and Ring will field their second string sides when they clash at the

Seana Phobal venue and here the local side should survive.

Colligan is the venue for the Sliabh gCua v. Ballinacourty 'A' game and this may be close, but a win for Ballinacourty is indicated.

Kilrossanty and Affane will come together for a meeting at the Dungarvan Club grounds on Saturday evening and here the odds will favour Kilrossanty.

The Old Parish venue will again be in use by the Board on Sunday when Ardmore and Ballinameela meet for their second string match. A win for Ardmore is predicted to be the outcome of this one.

Eire Og versus Ballinacourty 'B' is scheduled for the Dungarvan C.G. at 7 p.m. on Sunday. When they met last year, Ballinacourty came off winners and this

may happen again here.

Stradbally and the Nire, both of whom have entered three teams in the football championships, will clash with their second teams at Leamybrien on Sunday evening and at this point no one knows what the outcome of this one will be.

Melleray Rovers and Ballysaggart will play their football tie at Cappoquin in the first of the two scheduled games on Sunday afternoon and here, I believe, Melleray will be slightly fancied to win.

In the second match here, neighbours Tallow and Ballyduff will meet in what is expected to be a well contested game. Last year when they met at a very late stage of the championship, Ballyduff had a six points win in a high scoring match. The score there was 4-10 to 3-7. Ballyduff can be fancied again to take the points.

## The Betting Forecast

In recent times, betting has become a feature of public interest in the All-Ireland and National League finals and now all the leading bookmakers are laying odds. Last year they got the hurling all wrong and probably made a "mint" when outsiders Clare took the title. They don't seem to have enormous confidence in the Banner County retaining the title this time round as they are laying them at odds of 8-1.

The following betting forecast was published on Wednesday of last week — Hurling All-Ireland — Tipperary and Galway are joint favourites at 4-1; Kilkenny and Offaly are both quoted at 5-1, while the champions Clare are on offer at 8-1; Wexford are on 10-1, followed by Limerick at 12-1 and Laois are quoted at 16-1. Neither Waterford or Cork are quoted in the betting. Dublin, Cork and Derry are joint favourites to win the Sam Maguire at 5-1.

The astute bookmakers certainly showed good judgment in naming Galway and Tipperary as joint favourites almost a week before the sides both qualified for the National League Final on next Sunday.

The Munster Council officers will again visit Walsh Park this week for a further inspection when they are likely to give the ahead for the game.

## Four-County Senior Hurling Tournament

The annual senior hurling tournament in aid of St. Patrick's Hospital, Waterford, will be played over the weekend and while there is some uncertainty about one of the teams taking part, it is known that Waterford will play Kilkenny in the first semi-final on Saturday and the winner will play the other semi-final winners at Walsh Park on Monday.

This further outing will help Waterford selectors to decide on a team for the Tipperary game four weeks later. As there are no hurling (senior) games listed for the weekend, the full panel should be available on Saturday.

Waterford are expecting to have one last game before they wind down training in the couple of weeks before the Munster championship game.

## Minor Hurling Championship

The games in the 'A' minor championship were postponed for a variety of reasons last weekend, but particularly because some players were engaged in colleges games.

Two further rounds will be played before the break for the exams and on next Monday (Bank Holiday) a full round of minor games in both hurling grades will be played, all at 3 p.m.

In the 'A' championship, Abbeyside take on Lismore at Cappoquin and Fourmilewater will play Tallow at Fraher Field. Friday, May 10 is the date for the final rounds and the postponed matches will be fitted in in July.

## Information Booklet

Published by the Munster Council, the 1996 Information Booklet can only be described as a super production. It is the most comprehensive publication of its kind. It is not for sale and more is the pity since this booklet would prove invaluable to club officers as it contains lots of information on matters such as Public Liability, Accident Scheme, Grants for development and purchase.

In fact, everything that clubs would need to know is contained in the 56 page publication. They are on issue to County and Divisional Board officers.

## All Ready For Grand Final Of Poker Classic

(May 6th At 2 p.m.)

The Friends of Waterford Football organised Poker Classic will take place in the Park Hotel on Bank Holiday Monday, May 6. Poker players from all parts of the county have qualified for the final through a series of 'satellite games' held in pubs, community centres and G.A.A. halls in every part of the county. People who do not have a ticket as yet need not worry as they can purchase same at the entrance to the hall before the competition commences.

The organisers are mindful that card players from Dunmore East and Tallow will be travelling for an afternoons entertainment so a system of 'buy ins' will be in operation so they can continue playing if they loose their counterfeit money at an early stage. Each 'buy in' will cost the punter £20 and enable him to remain in the competition for the Rover Car and other cash prizes. Card players should remember though that everybody is entitled to 'buy in' including those with a substantial amount of counterfeit money in their possession.

The organisers hope to make the occasion a social as well as a financial success and with the good will of all those who participate this aim can be achieved.

Best of luck to all and here's hoping that you have a wonderful evening's entertainment.

Best of luck to all and here's hoping that you have a wonderful evening's entertainment.

## Primary Schools G.A.A. Notes

### CHURCH & GENERAL CUMANN NA mBUNSCOIL

As the children play their competitive matches against rival schools, how do they react to different situations during a game like being a point behind and the time is nearly up.

From many different areas of sport and many different challenging situations, here are some of the well-tried techniques for gaining that extra little something which (often) makes the difference between winning and losing.

\* To win, you really have to WANT to win. Champions are not often more talented, they're just hungrier.

\* To succeed, you must believe that NO situation is beyond hope. Often, many victories are merely snatched from the jaws of defeat (Nick Faldo).

\* The focus of attention in the winning mind is always on the PRESENT.

\* The primary pressure in competitive situations comes from our THOUGHTS. Realise this and you'll be half the way to winning.

\* Realise that fear is often the fuel which lifts off players to success.

\* Success comes to those who are best PREPARED.

# County Senior Football Championship Resumes

## Attractive Western Board Programme Of Games At All Venues

With round two of the Senior Football Championship having been completely washed out after just one match was decided on the Saturday evening, the G.A.C. in the County will be keeping their fingers crossed that another disastrous weekend won't put an end to their hopes of finishing the Championship on the scheduled date.

At this point all 16 teams are in the running but this too is the stage where clubs will recognise the value of getting early season league points. Assessing the known form of the teams in Division One and their potential, I see a situation arising near the finish where 6 teams will be fighting for the 5 qualifying positions in the knock-out stage. So losing points at an early stage could prove awful costly later on. I'm sure clubs realise this too.

### STRADBALLY V DUNGARVAN

This is the feature game in the double-header programme at Leamybrien and it is most likely to be described afterwards as the match of the day. They are among the top five or six teams in the football championship and I have little doubt but that one of the two will qualify. I wouldn't bank on which one this will be. Every year when they meet, they serve up great football and invariably provide a nailbiting finish to their clashes.

Last year, Dungarvan got the better of the Reds on a 1-11 to 1-8 scoreline. In the current championship, Stradbally scored a first round three points win over St. Saviour's while Dungarvan went down by four points to St. Saviour's. Led by team captain, Derek Lyons, Bobby Lyons, Darrell Donnelly, Fergal Cunningham, Peter and John Ferncombe, Niall Considine, David Burke, Kieran Curran, Pat Power and company, the Blues will try their very best to get back on a winning run that will take them back into contention for the title which they surrendered to Nire three years ago.

Stradbally's best display in a long time was when beating the eventual County

Champions, Rathgormack in a thrilling contest at Leamybrien last year. People who saw this one will agree that for sheer excitement, it had few equals in that championship. One point 0-11 to 0-10 was the difference in the score at the finish. Stradbally eventually went out to Kilrossanty in the semi-final at Dungarvan. Stradbally, who showed good form against Saviour's three weeks ago will have Liam, Eoin, Fintan and Michael O'Brien, Owen Costello, Packer Curran, Pat Halpin, George Walsh, Tom Clancy, Stephen Cunningham, Martin Curran etc. and equally determined to get the points that will keep them in contention for the title. It's a very difficult one to call, but I feel that Dungarvan, if in form might just squeeze through.

### BALLINACOURTY V RATHGORMACK

This is the curtain-raiser at Leamybrien and any result other than a victory for the County Champions will be a surprise. Ballinacourty did play surprisingly well against Tramore in the first round and with a bit of luck, they might have at least earned a draw. Very many of their players are on the young side and may still lack the experience needed at this level.

The champions were in top form against Kilrossanty in the opening round when giving notice of their determination to retain the title they won after the best part of a century in the wilderness. I expect to see the County Champions win here.

### AT FRAHER FIELD

The afternoon programme at this venue will be important to the four clubs concerned, even though any of them are not likely to figure in the final shootout for the championship.

Affane take on Dunhill in

the opening tie when the eastern side will be fancied to win unless Affane can show improved form on last year when they went under to Dunhill on an 0-13 to 1-5 scoreline.

Both had first round victories, Dunhill beating Sliabh gCua and Affane taking care of Butlerstown. This will be the better of the two afternoon matches. In the second game, both Sliabh gCua and their opponents, Butlerstown will be playing for their first brace of points. Last year, the Touraneena 15 hammered Butlerstown at Fraher Field so unless there is a big improvement in the Butlerstown outfit, the result must be something of a foregone conclusion.

### NIRE V KILL

There is a feeling around that Nire are going to dominate Division Two of the Senior Football Championship and when they trounced Kilmacthomas in the first round, this feeling was strengthened.

Kill, having played a first round draw with Bonmahon, shocked Sliabh gCua when beating them by a point in the only second round match played so far.

This will be the 1995 Intermediate County Champions real big test. Kill have to win a couple of more matches before they convince supporters that they can be seriously in contention for the Senior title. Having won the Junior title in 1994 and the Intermediate crown in 1995, it would certainly be a unique achievement if they brought off such an extraordinary treble. I don't believe that they will but stranger things have happened. Here the 1994 Senior champions, Nire must be hot favourites to take the points.

### KILMACTHOMAS V BONMAHON

This will be an interesting game between teams who are fighting to become one of the three qualifiers from Division Two.

Although Kilmac' were badly beaten by Nire three weeks ago, their final score did them an injustice as I

## Inter-County Hurling Tournament At Walsh Park

wrote at the time. They are the more experienced side and will be fancied to beat their neighbours in this opening game at the Kill venue.

### KILROSSANTY V TRAMORE

Last year's County finalists, Kilrossanty will need to show some improvement on their form against Rathgormack if they hope to win this tie in the feature game at Kill on Sunday.

Tramore opened their account with a three points win over Ballinacourty at Stradbally and with having the services of the players who won them two U-21 County titles over the past three years, the seaisiders will have notions of going places this year. They will make it very difficult for Kilrossanty and may be good enough to beat the Comeragh side on this occasion. At the same venue last

year, Kilrossanty did beat Tramore 2-11 to 1-10 but Tramore were a bit unlucky on that occasion when they conceded some costly scores from frees.

### SAVIOUR'S V GAULTIER

Gaultier are the form team in this tie which will be played at Tramore. The Dunmore East side looked very good when beating Dungarvan in the first round.

## CUP ROUND-UP

There was an amount of switching and changing because of venues being unplayable and the clubs wishing to be free to travel to Killeagh to see the county team in action, but just the same all scheduled matches were played and while there were a few surprises, there were no upsets of a major nature.

The nearest we came to having a shock result was at Fraher Field on Saturday, when the strongly fancied Lismore looked well and truly beaten by Dunhill until a late goal by Sean Daly gave the Western team a point win on a 2-11 to 2-10 scoreline. In fact over the hour, Dunhill deserved to win, but too many careless wides cost them a number of scores. Jim Landers refereed.

At Mount Sion grounds, the home team imposed a severe hammering on what was a 'make shift' Dungarvan team who came off at the wrong end of an 8-22 to 2-8 scoreline. A total of 40 scores in 60 minutes is something that very rarely happens.

At Cappoquin, strong contenders Passage, scored a decisive win over Tallow and Roanmore had a big win over Clonea while De La Salle had the better of things against Portlaw.

Although the county champions, Ballygunner, had a 4-11 win over St. Saviours who scored 2-7, it was quite a good match

which required the champions best effort to remain at a safe distance in front.

### ST. MOLLERANS 2-3 BALLYDUFF 0-6

This was a disappointing game at Fraher Field where Ballyduff led by 0-3 to 0-1 at half time. Two second half goals by Gerome O'Shea and Kenny Reide, in the 40th and 41st minutes proved too much of a set back for the Western team who missed far too many chances, particularly in the second half. The new intermediate champions continue to cruise along nicely and now have four points to their credit.

### FOURMILEWATER 2-6 ERIN'S OWN 1-7

Fielding without Seamus Cuddy, Tom Flynn, Richard and Michael Guiry, Fourmilewater had to battle all the way to win the points in this entertaining cup game at Fraher Field on Sunday afternoon before a small attendance. The sides were level at half time at 0-4 apiece.

Fourmilewater went ahead with a Pat Walsh point after 35 minutes, but Erin's Own came back to level with a Dermot Knox point before Noel Kelly broke through for the first goal of the game. However two goals by Pat Halpin put the Ballymac' side back in control and although the city side fought bravely and added on two further points, the Western team ran out narrow, but deserving winners.

Fourmilewater — O. Wall, J. Moore (man of the match), Tom Walsh, I. Walsh, O. O'Sullivan, P. Walsh, M. Connolly, G. Walsh, K. Mulcahy, D. Ryan, R. Ryan, P. Halpin, T. Condon, Pat Walsh, A. Walsh.

Erin's Own — N. Connors, P. J. Shanahan, P. Geoffs, P. Cowman, D. Robinson, D. Byrne, B. Doyle, M. Gater, P. Dowling, L. Kelly, P. Cooley, P. Walsh, A. Dowling, D. Knox, N. Kelly. Referee — D. Power, Mount Sion.

## FOOTBALLERS GET READY

The senior footballers who play Kerry or Tipperary at the Fraher Field in the Munster semi-final in both senior and junior on June 23, have now got down to serious training and have a number of good challenge games planned for the coming weeks and are now in the process of finalising their panel. On Sunday last they played Wexford in a trial game at Tramore.

G.A.A. NOTES

BY "COMMENTATOR"

# Tonight's Sargent Cup Games

The senior league being played as the Sargent Cup will have moved past the halfway stage after tonight's fourth round matches are decided.

Seven games are down for decision tonight and the other game in round 4 which involved Mount Sion and De La Salle is fixed for a city venue on Thursday.

## PASSAGE v. BALLYGUNNER

This should be the best of the eight games midweek with the champions meeting Passage at Walsh Park. Last year the 'Gunners had four points to spare at the finish of a great contest against Passage, who later made the headline when scoring an 0-28 to 0-2 victory over Clonea. Ballygunner will likely win again.

## FOURMILEWATER v. ROANMORE

The city team are showing improved form this year and

may have the measure of the Ballymac' based side in this game at Fraher Field. Fourmilewater without the services of a number of their regulars showed reasonably good form at Fraher Field against Erin's Own last Sunday and will provide opposition for Roanmore, who like Fourmilewater have four points from three matches.

## TALLOW v. ST. SAVIOURS

Both are doing poorly in the cup so far and I see no reason to suppose that they will do any better before the competition ends. Here Tallow just might be good enough to collect their second couple of points. Saviours have none so far, but on form they are not far behind Tallow and will hope for a win to open their account here at Leamybrien.

## LISMORE v. BALLYDUFF

This tie is being played at

Cappoquin and while Lismore are certainly not setting the world on fire with their displays to date, they should continue on their winning way after this game, unless Ballyduff show a sizeable improvement on last Sunday's form against Mollerans.

## OTHER CUP MATCHES

At a city venue, Mount Sion who collected their first brace of points last Saturday, will be expected to beat neighbours De La Salle, even though the outsiders here have six points from their three matches to date.

Erin's Own, on present form, will be good enough to account for Clonea who are faring as well as expected so far and at Portlaw, Dunhill and St. Mollerans will fight it out to a close finish for the points. Both are on four points at the moment.

## DUNGARVAN v. PORTLAW

Following their heavy defeat on Saturday night last, Dungarvan are unlikely to have an appetite for the game so soon again and may have to give best to Portlaw at Kilmacthomas. Either of the two sides here are most unlikely to be concerned in the finish.

## THE FINISH?

At this point in the hurling competition, it looks as if we are heading for a final showdown involving Ballygunner and Lismore, but until the County Board decides on the manner in which it will finish everyone will remain in doubt.

Up to now the competition is not working out as was planned and nowhere do we see clubs prepared to release players to play for the county as was spelled out in the proposals when the formula was introduced.

Clubs are agreeing to allow the time of their games to be changed, but this means that the selected county players have to play two matches on the same day, or certainly within 24 hours. This is hardly fair to the players and of little benefit to the county team. Clubs were pleased to learn at the start that their teams can include all grades without interfering with the status of the players, but up to now clubs seem to be full bent on fielding their best fifteen, so the privilege that was intended to encourage clubs to help the county effort, was all for nothing.

## Primary Schools Hurling Prospects

LISMORE C.B.S. SECONDARY SCHOOL — Thomas Bennett, William Henley and Martin Ormonde, three very skilful hurlers who play for Lismore Secondary School hurling teams

Primary School Hurling Prospects  
St. Joseph's Primary School, Dungarvan, James Ducey, 8 Years Old, 2nd Class — James is a very active and energetic little lad who has good basic skill. All the lads in this school get a great chance to develop their hurling skills in this great hurling nursery. His dad has a great interest in hurling and his grandad Tom Drummy is well known in GAA circles in Waterford. Favourite player, Tony Browne.

Garranbane N.S., Christopher Walsh, 11 Years, Rang 5 — Christopher's home is very near his school at Garranbane and he is a great trier. Likes hurling and football and he has made very good progress at hurling. Many lads from this school con-

tinue hurling with Abbeyside Club at the Burgery.

Gary Morahan, 10 Years Old, 4th Class — Gary lives in Georges Street and likes most sports. He is a neat striker of the ball and has good basic skill. This school is strong in hurling where Mr. Michael Curran (Priomh Oide) and his staff give every encouragement to the children for sports. Gary is on the school hurling panel and plays u-12 for his club. Favourite player is Mount Sion's Gary Gater.

## S.H. TOURNAMENT AT KILLEAGH

### Cork Best Against Understrength Waterford

CORK 1-26, WATERFORD 1-8

This game was to mark the official opening of the new Kennedy Memorial Park at Killeagh and as Waterford were forced to field a very much understrength team, the game cannot be of any great benefit to the county.

All the members of the panel, with the exception of Peter Queally, had played cup matches with their clubs over the weekend and a number were injured in games and were unable to tog out. Among those unavailable because of injury were Billy O'Sullivan, Fergal Hartley, Jimmy Beresford, Roy McGrath, Johnnie Brenner, Fintan O'Shea, Tom Feeney, Garry Gater and Sean Daly who is a 'flu victim.

Cork, although also without some of their regulars, were in sparkling form and showed a great appetite for the game and took early control to lead by 0-14 to 0-4 at the break.

Early in the second half, a Joe Deane goal helped to kill off the game as a con-

test. Waterford did get a consolation goal minutes before the finish when full forward Dan Shanahan kicked the ball to the net.

Scorers — Cork — J. Deane 1-6, D. Barrett 0-6, B. Corcoran 0-4, K. Murray 0-4, D. O'Donoghue and D. Ronan 0-2 each, S. McCarthy and M. Browne 0-1 each; Waterford — D. Shanahan 1-1, P. Flynn 0-3, T. Browne 0-2, T. Fives and M. Hickey 0-1 each.

Cork — G. Cunningham, T. Kelliher, J. O'Driscoll, F. Ryan, F. McCormack, J. Cashman, K. McGurkin, B. Corcoran, S. McCarthy, D. O'Donoghue, D. Barrett, D. Ronan, K. Murray, A. Browne, J. Deane. Subs — P. Smith for J. Cashman, B. Egan for Ronan, B. Hurley for Cunningham.

Waterford — R. Barry, S. Cullinane, D. Ryan, M. O'Sullivan, B. O'Sullivan, T. Browne, T. Browne, S. Frampton, P. Prendergast, T. Fives, P. Power, K. McGrath, M. Hickey, D. Shanahan, P. Flynn.

## Appeal For More Referees

With a spate of championship and cup matches on at the present time, referees are in great demand and Boards are finding it difficult to have referees available for all games. On last weekend several of the regular referees were on duty outside the county at the National league semi-finals and this put a strain on the other "knights of the whistle." Jim Landers, who is back from retirement to help out, was on duty on Saturday and Sunday.

Last week a referees' seminar was held at Lawlor's Hotel, but no new referees were present. At tonight's meeting of the Western Board the chairman is to again appeal to clubs to put forward the names of members who are suitable to take charge of games in all grades.

## Junior Hurling Results

The round up of results on the junior hurling front show no big surprises but from reports to hand, I believe that this will be a really good championship this year, with more than a few teams in strong contention.

Ballinameela had a good win over Tourin (2-9 to 1-5). It was better than last year's result for Ballinameela who then beat Tourin by a lucky goal.

The Geraldines look to be back in business and played well when defeating Modeligo by three points. Their victory over the same opponents last year was more decisive.

Kilgobinet had a four points win over Kilrossanty

in a very exciting contest in which both sides looked very promising. The score here was 2-8 to 1-7 and both sides missed some good chances. Both can be in the reckoning at the finish of this championship as they were last year.

Glen Rovers had a decisive win over Brickeys in the 'B' championship and in the same competition, Abbeyside defeated Seana Phobal at Bushy Park.

Ballyduff had a good win against Abbeyside in the 'A' junior hurling championship while Fourmilewater held out for a narrow win against Tallow in their junior tie.

# Sale Of Presentation Convent, Dungarvan

The Presentation Sisters wish to announce their decision to dispose of their convent in Dungarvan. The convent dates from the early 1850's and has accommodated, at different times, as many as 24 resident community members. Over the last 20 years, there had been a significant decrease in the number of members and consequently a sharp decrease in ordinary income. Indications are that this trend is likely to be the situation in the foreseeable future. Combined with these circumstances are features such as the high maintenance costs of such a very large building for a very small group of residents.

The drop in intake of new membership has brought about a high proportion of retired and elderly members in Ireland. This necessitates finding new ways of caring and nursing for those who need it. This is a serious responsibility and has to be taken into consideration. These changes in circumstances bring about the need to look at all properties being held and to determine where it is best to dispose of or to retain property. In addition some properties, by reason of their location or use, are not marketable at the moment.

Over the years, the congregation has invested considerable resources in various ministries, particularly in education in Ireland. This has been done through providing buildings and sites for educational purposes and other projects. Resources have also been used in assigning members

to minister in areas of need where little or no remuneration from any source was available. Assistance and support were frequently provided for those in need. The congregation is under constant pressure to help fund its needy projects in the different locations throughout Ireland. In addition, the sisters have always been supportive of missions overseas. Recently they have undertaken a new mission in Slovakia, Eastern Europe.

For all these reasons arising from internal and external factors, the congregation no longer finds the large convent in Dungarvan suitable for its purposes and has decided to put it on the market. The proceeds of the sale will help to defray the financial responsibilities for all the above needs. The community will be rehoused in a more economically maintained accommodation in Dungarvan.

Since its foundation in Dungarvan almost 200 years ago, the community has provided educational facilities for the town and the surrounding districts, as well as providing opportunities for pastoral and counselling services. Rationalisation of schools in the town in recent years brought its own changes to the Presentation schools. The decision to dispose of the convent property will not have any negative impact on the school situation. The sisters will continue to be involved. They will also continue in other ministries for as long as resources are available.
