£300 CHARGE ON CAR WASH FACILITIES

A new £300 charge levied on premises with car wash facilities payable to Waterford County Council was questioned at last Monday's Council meeting by Cllr. Billy Kyne who said that members should first have been informed of the new charge before it was introduced.

The new charge is based on the principle that the polluter pays and in the case of car wash facilities, the garage owner is obliged to pay the charge to compensate for releasing cleaning chemicals etc. into

the environment.

Cllr. Kyne stressed that Council members should first be made aware of any charges introduced in the future.

"It's unacceptable," he slammed, "it should have been explained to us".

Cllr. Tony Wright queried the income the new charge would generate for the Council throughout the county.

County Manager Donal Connolly said he would present a report on the new car wash charge at the July meeting.

Coastal Erosion Bill Amounts To £950,500

It is estimated that over £950,500 of damage to the Co. Waterford coastline has occurred as a result of exceptionally heavy and prolonged rainfall and storms earlier this year.

A detailed report on the areas has been submitted by the Council to the Department of the Marine with a

request for 100% funding towards coast protection work at fourteen separate locations within the county. Severe erosion to the county coastline and to non national roads occurred last January and February when the South East in particular

Malicious Fires Started At Dungarvan Leather Factory

For two nights in a row, Dungarvan Fire Service has been called to the scene of malicious fires started at the now abandoned Dungarvan leather factory on the Quay.

Shortly after midnight on Sunday, three fire brigade units, (two from Dungarvan and one from Cappoquin), dealt with a fire on the second and third floors of one of the factory's disused buildings. The fire, which was started by persons unknown, resulted in damage to the timber floors. A spokesman for Dungarvan

Fire Service told the 'Dungarvan Leader' that access to the building was very limited and firemen had to wear breathing apparatus due to heavy smoke. The fire was brought quickly under control.

The following evening at approximately 6.30 p.m. two units from Dungarvan Fire Station were again called to the leather factory, this time to contend with a minor fire which was again started maliciously. No major damage was caused to the building.

QUESTION

Myself and my wife are old age pensioners, concerned about our security. We were not covered by the budget provisions regarding installation of alarms. Have there been any further developments?

ANSWER

The Working Party established by the Minister for Social Welfare has made a number of recommendations, one of which has been incorporated in the Finance Bill 1996, that is, that tax relief will also be given to the relatives of pensioners who install an alarm on their behalf.

Monies are to be made available in grants by the Department of Social Welfare to voluntary groups to support the installation of security equipment. Details on this are not yet available.

We understand that the Department of Social Welfare will be writing to all pensioners in receipt of Living Alone Allowance but not the Telephone Rental Allowance with in offer from Telecom of a reduced installation fee of £75. The letter will include an application from which will have to be returned to Telecom if the person wants to avail of the offer.

Coillte Reports Improved Performance In 1995

Coillte has announced a record £12.5 million profit for 1995, reflecting the improved performance of the group. The value of the Coillte's net assets, including the value of forest growth, increased to £869 million while revenue was also up by 18% to nearly £68 million.

According to Tom Purcell, Region Manager in the Kilkenny area which covers counties Waterford, South Tipperary and Kilkenny together with parts of Carlow, Laois and

Limerick, Coillte planted 1,328 ha. of forests and upgraded or built 32 km of roads in this area. Overall, the region injects over £7 million per annum into the rural economy and employs over 700 people between staff and contractors.

Martin Lowery, Coillte's chief executive, said the good result in '95 has strengthened the group's position in achieving their long term objective of becoming an Irish based international forestry and forest products company.

Pharmacists Warn About High Incidence Of Hayfever

Waterford pharmacists are mounting an information campaign, this month, which runs throughout the summer months, about our most allergic condition - Hayfever. It is a condition which is most prevalent in late Spring and early Summer.

"It is estimated that between 10% and 20% of people are affected at some stage in their lives" says Waterford pharmacist Richard Phelan. "But there are a number of useful hints which can be followed to considerably ease the problem."

Hayfever is caused by an allergy to pollen. It is commonest in young people and generally starts in the teens. It declines as people get older; about one in six teenagers suffer compared to about one in 12 people aged 30 or over. Hayfever tends to run in families and sufferers are most likely to develop it if they were born slightly before or during a pollen season.

"The main thing is not to confuse the condition with the common cold" says pharmacists "because many of the symptoms are the same, sneezing, runny nose, congestion/swelling of the nose and itching of the nose and eyes. In addition, there may be sore throat, swollen eyelids and headache or a "muzzy" head; and wheezing and breathlessness in those who suffer also from asthma.

"By noting when you suffer from Hayfever, you can work out which pollens you are allergic to. In Spring, mostly April and May, the commonest cause is tree pollen; between May and early July, it is likely to be grass pollen. Hayfever in the Autumn may be due to pollen from weeds, fungal spores or herbaceous plants" says Mr. Phelan.

A number of hints may be followed which may help sufferers cope with Hayfever.

Pay attention to the media for pollen count predictions; A pollen count of about 50% or above will generally be expected to result in symptoms, but some may experience symptoms with counts as low as 10; Sunglasses may cut down on pollen reaching the eyes. And remember, seaside holidays are generally more pollen free than inland holidays. People who get hayfever should go indoors, shut the windows, change their clothes and shower to remove pollen from hair and skin. Sufferers who require additional information should ask their pharmacist.

Smoking 'Out Of Order' At Committee Meetings

Smoking may be ruled 'out of order' at meetings of thousands of committees throughout Ireland, as a result of a new campaign aimed at reducing the health hazards and discomfort of passive smoking.

Even before the campaign was officially launched by Minister of State for Health Promotion Brian O'Shea T.D., almost 3,000 committees agreed to put on the agenda for their next meeting a proposal to adopt a voluntary policy declaring their meetings 'smoke-free'.

In the coming weeks, local groups - political, community, business, professional, sporting and voluntary bod-

ies - will be asked to come on board the 'Going Smoke-Free - the Popular Choice' campaign.

Committees which adopt the voluntary policy are being supplied with a policy statement, in Irish and English, which declares, "All meetings of this organisation are to be smoke-free", for display at all future meetings.

Campaign Coordinator for STAG (Smoking Target Action Group), Maura McNally said that if arrangements have to be made to accommodate smokers then this can be decided by all concerned.

"We want the 'smoke-filled' rooms, so long a feature of the meetings of

political, business and voluntary committees, to be a thing of the past", she stated.

Council Housing In Clashmore

Deputy Brendan Kenneally has been informed by Waterford County Council that the Council is at present trying to acquire land in the Clashmore area for housing. If the authority succeeds in acquiring a suitable site then the matter of erecting houses in Clashmore will be considered when the 1997 Housing Programme is being drawn up early next year.

The Puffin

YEARS ago, the puffin was pickled and eaten by the upper classes as a delicacy. Today they are still eaten in Iceland and the Faroe Islands. Large gulls have also a preference for puffin meat.

The puffin is brilliant at fishing for food. It dives into a shoal of fish and surfaces a couple of seconds later with as many as eight or nine fish in its beak. If the fish are small the puffin may have as many as fifteen in its beak. The puffin nests in a burrow among the dunes or on the land above the cliffs. The puffin may choose a burrow previously used or even an old rabbit burrow. The mating puffins choose their nesting site together and examine it thoroughly before moving in.

Sometimes, the sea can become blackened and oily caused by oil spillage. Many seabirds and puffins die as a result. An oil spillage can wipe out a whole puffin colony.

The female puffin lays only one egg, so it takes ages for a colony to re-establish after disaster.

Around the Irish coast there are twenty puffin colonies. The largest one is in county Kerry, where there are an estimated 7,000 to 10,000 breeding pairs.

The puffin looks to be buoyant and compact on water, but when it lands, its splayed feet give an awkward appearance. The call of the puffin sounds like a low-pitched growl.

Why Many Thought Paganini Was The Fiddler On The Roof

Many people believed he was the Devil in human form. It was said that at the age of five he suddenly sat up in his sick bed and called for a violin.

And although he hadn't touched one before, he played it like a master.

Many years later it was claimed that his violin had strings made from the intestines of a woman he had murdered.

He toured Europe thrilling and frightening audiences with his chalk-white face, deep-set burning eyes and lank hair falling over his shoulders.

He sounds like a fiction-writer's dream. But Nicola Paganini was real enough.

Nineteenth century musical writers described him as the greatest violinist who ever lived and he inspired composers like Rossini, Chopin, Berlioz, Liszt and Rachmaninov.

His compositions for violin were so bizarre and difficult that few performers attempted to play them.

COMPOSITION

He once played his own composition, *Perpetual Motion*, in three minutes and three seconds — and that worked out at faster than 12 notes a second.

The stories about his being the Devil were so convincing that for 13 years after his death in 1840 his son carried his body all over Europe looking for a final resting place.

It's difficult to establish what was fact and what was fiction about Paganini's reputation.

But it is sure that he taught himself to play the violin and played it in public at the age of 11.

He did serve a sentence for killing a woman and, while in prison practised on a violin that he had made himself.

HYPNOTIC

He had a hypnotic effect on audiences and an ability to perform the fiendishly difficult violin pieces he had composed while standing on the stage apparently in a trance.

When he died at the age of 57, his son Achillino took the body to Villefranche in the South of France, while he appealed to the Papal Court in Rome for permission to bury it. This, however, was not successful.

But the townspeople broke into the house, carried the coffin to the beach and left it in the sea, hoping that the waves would carry it away.

RESCUE

Achillino was tipped off, rescued the coffin and buried it secretly in a headland cave. A year later, he decided to take the body to Paganini's birthplace, Genoa. But when he arrived there the authorities wouldn't let him take the body ashore.

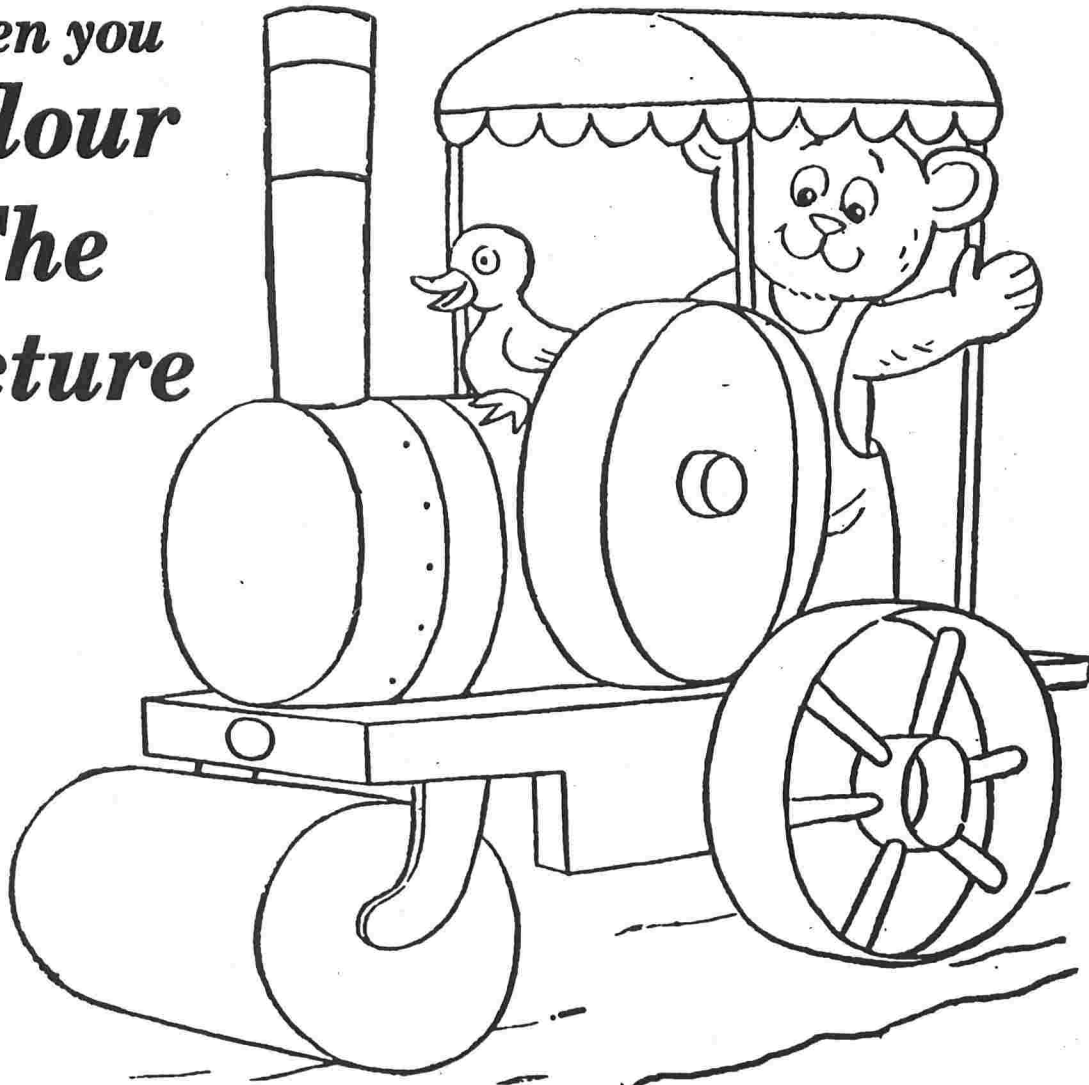

Altogether, the body was moved 10 times and buried six times before the Empress Maria Louise, then Duchess of Parma in Italy, agreed to burial there.

It was not until 1876 that permission was given by the Vatican to have Paganini's body buried in consecrated ground.

In great state, the body was exhumed and carried to an ornate tomb in one of Parma's churches.

Co. Waterford was awarded three Blue Flags this year at Clonea, Bonmahon and Counsellor's Strand-Dunmore East. Tramore was also entered but failed to achieve blue flag status due to the proximity of the dump to the

beach. At these aforementioned beaches, visitors can expect clean bathing water, litter management, toilet facilities, life-saving and first aid equipment, etc. During the 1996 season, all three blue flag beaches in

Co. Waterford will undergo rigorous tests for water quality. Fortnightly samples will be analysed for total and faecal coliform and faecal streptococci. The public can then be assured that they can swim and play on the beaches which pass

these tests without worrying about the quality of the water. Meanwhile other nearby beaches which were also awarded the Blue Flag are Garryvoe, Claycastle, Youghal and Front Strand, Youghal.

Traditional Music Concert At Mooney's Pub

On Saturday, June 15th all roads lead to Mooney's Pub, Ring for a live concert featuring Paul McGrattan, Paul O'Shaughnessy, Brendan Begley and Noel

O'Grady. The two Paul's have just released a new album from Claddagh Records titled 'Within A Mile Of Dublin' which was recorded at Liam Clancy's

studio in Ring. Both musicians have been prominent on the Dublin traditional music scene for a number of years, McGrattan playing flute and O'Shaughnessy playing fiddle. No doubt they will be playing many of the tracks from their new album at Mooney's Pub.

Paul McGrattan has already made a fine solo album called 'The Frost Is All Over'. He has taught a new generation of flute players for the past number of years and plays in every part of Ireland and abroad.

Paul O'Shaughnessy played as a member of the group Atlan for a number of years and continues to play at sessions all over Dublin.

McGrattan and O'Shaughnessy have known each other since the mid-80's when they discovered that they shared much of the same repertoire and their mutual enjoyment of Donegal music created a musical affinity. Claddagh Records

believe that this new album will be among the best records of 1996; the playing is so assured and tasteful that it will be hard to beat it.

Also playing at Mooney's on the 15th will be Brendan Begley from the Kerry Gaeltacht. His vibrant style of accordion playing has made him highly popular on the dancing circuit for many years. Brendan has many recordings to his credit both as a soloist and with groups such as 'The Chieftains' and 'The Boys Of The Lough'.

Noel O'Grady will also appear in the upcoming Ring concert. He provided the accompaniment on Paul McGrattan's debut album and has also teamed up with the two Paul's on their latest recording 'Within A Mile Of Dublin'.

The concert at Mooney's kicks off at 9 p.m. and admission is only £4. Don't miss a great night out!

RECENT DEATHS

Mr. Thomas Harty

Widespread and deep regret was expressed at the announcement of the death of Mr. Thomas (Tom) Harty, Ballinamona, Old Parish, which occurred on Wednesday morning, June 5, at his residence after a period of failing health but at an advanced age. The deceased was a very well known and popular gentleman and a member of a very old Ballinamona family.

The late Tom Harty was deeply involved in many sports all his life, especially where the horse was concerned. He was a founder member of the Dungarvan Point-to-Point Committee and was still a member up to the time of his death. He was recognised nationwide as an exceptionally great judge of a horse and his advice was widely sought. He had bred many a horse who later became famous in the racing world.

The homestead at Ballinamona became a very famous name as the greyhound Highland Rum, winner of the English Greyhound Derby in 1939, was reared and owned by the late Jim Harty (who was a brother of Tom) at the farm in Old Parish.

But besides Tom's attachment to sporting activities, he was a man of the people who was always ready to listen and to give advice when required. He was a perfect gentleman by reason of his retiring disposition and his behaviour towards others, rich or poor alike, and as a neighbour he had few equals.

To his sorrowing brother Doctor Michael Harty, U.S.A., his nephews, nieces, sisters-in-law, cousins, relatives and friends we extend our deepest condolences.

His removal took place on Thursday evening from the Kiely Funeral Home, Dungarvan after rosary and prayers were recited by Very Rev. C. Daly and on arrival at Old Parish Church his coffin was blessed and received by Fr. Daly.

Concelebrated Mass was offered on Friday morning for the repose of his soul. The chief celebrant was Fr. Daly and co-celebrants were Very Rev. J. Kiely, P.P., Very Rev. Denis O'Donovan, P.P., Dunmanway (brother-in-law of Dr. M. Harty) and Rev. C. Fives, O.S.A.

After the Mass the interment took place in the adjoining family plot. Fr. Daly imparted the final absolution at the graveside, assisted by the full choir of clergy.

Large attendances were present at the removal, Requiem Mass and burial, which were representatives of all sections of the community and members of some sporting clubs.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

Mr. Brendan Walsh

It is with great sadness we record the death of Mr. Brendan Walsh, late of Glenbeg, Dungarvan, which took place during the early hours of Friday morning, June 7, at St. Joseph's Hospital, Dungarvan after a duration of illness. The deceased was a well known personality and a member of a popular Glenbeg family who were mostly attached to the teaching profession.

The late Brendan Walsh was a gentle and retiring person who was employed by Telecom as postman in the Brickey country area and who carried out his work in a most efficient manner until he retired some time back.

We wish to express, and join with the many who have already done so, in extending our deepest and sincere condolences to his brother, sister, nephews and niece at the loss of Brendan.

His removal took place on Friday evening from the hospital after prayers were recited by Very Rev. G. McNamara, C.C. On arrival at St. Mary's Parish Church his coffin was again blessed and received by Fr. McNamara.

Requiem Mass was offered on Saturday morning for the

repose of his gentle soul, after which the funeral took place to the family burial plot at Abbeyside Cemetery, followed by a large and impressive cortege. Fr. C. Kelly, C.C., officiated at the graveside.

Many Mass cards were received and some beautiful floral tributes were placed on his grave.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

Miss Ann Marie Lynch

News of the passing of Miss Ann Marie Lynch of Coolnav, Cappagh, was received in the area and far beyond with feelings of profound sorrow and regret. Her death at the early age of 21 years occurred at her residence on Thursday, May 23.

Marie had attended Ballinameela National School and the Mercy Convent, Dungarvan, where she was extremely popular with her fellow pupils and the teaching staff. She had a keen interest in sports and was a valued playing member of St. Olivers and her other main interests were reading and socialising with her friends and her nephews and nieces were a great joy to her also.

She also travelled a lot and spent three summers in the Isle of Man and some time in Galway with her brother.

A most charming young woman, Ann Marie proved herself very popular with all those who came in contact with her during her all too short life. She will be sadly missed by all her friends but more especially by her heartbroken parents, brothers and other relatives, to whom we extend deep and sincere sympathy on their sad loss.

Following rosary recited by Fr. G. Desmond, C.C. on Friday evening, removal was from Drohan's Funeral Home to Ballinameela Church where the coffin was received and blessed on arrival by Fr. Desmond, C.C., assisted by Fr. Lucy, P.P.

Following Requiem Mass on Saturday morning celebrated by Fr. Desmond, burial took place in the adjoining cemetery. During the Mass the Readings were read by Eileen Lynch, Ann Marie

Guiry and Breeda O'Sullivan and the Offertory Gifts were borne to the altar by Mandy Whelan, Ann Marie Guiry, Rosemary Wright and Joan Burke.

The chief mourners were Dick and Marie (parents), Michael, Pat and Francis (brothers), Eileen, Jackie and Jillian (sisters-in-law), Michael Murray (grandfather), Maurice Lynch (uncle), Nancy Keane (grandaunt), Sarah and Nicole (nieces), Kieran, Ruari and Evan (nephews), cousins, relatives and friends.

Perhaps you sent a lovely card,
Or sat quietly in a chair,
Perhaps you sent a funeral spray,
If so, we saw it there,
Perhaps you spoke the kindest words,
As any friend could say,
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts,
We thank you so very much, whatever the part.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

Mrs. Mary Crowley

It is with deep sadness we record the unexpected death of Mrs. Mary Crowley, Townspark East, Lismore, on Monday, June 3. The deceased had spent fifty years of her life in England where she worked as a cook, returning to her native Lismore nine years ago.

Possessed of a kind and sincere nature, her greatest qualities were those of a kind and loving mother and grandmother. She was an extremely popular lady, both in the land of her adoption and also in her hometown of Lismore. She was a person who enjoyed good company and was a well seasoned traveller. She was a lover of gardening and her garden was her pride and joy. She was a true Catholic and her greatest pleasure in life was her daily Mass.

To her sorrowing son Brendan, daughter-in-law Marie, grandchildren Brendan, Jason, Susan, Bernadette and

husband Martin, brothers Michael and Jack, sister-in-law Hannah, nephews, nieces, cousins, relatives both in England and America, and good friends, we tender our deepest condolences.

Her remains were removed to St. Carthage's Church from St. Carthage's House, Lismore on Tuesday evening after prayers were recited by Very Rev. Canon Nugent and were followed by a very large cortege. On arrival her coffin was blessed and received by Canon Nugent.

After the celebration of Mass on the following day, interment took place in St. Carthage's Cemetery, the celebrant again being Canon Nugent.

Very many Mass cards were received and some beautiful floral tributes were placed on her grave.

Chief mourners — Brendan (son), Marie (daughter-in-law), Brendan, Bernadette, Susan and Jason (grandchildren), Martin, Michael and Jack (brothers), Hannah (sister-in-law), nephews, nieces, relatives and friends.

(Funeral arrangements by John Troy, 6 New Street, Lismore.)

Mrs. Annie Nugent

The death occurred on Wednesday, June 5, of Mrs. Annie Nugent (née Millea), Dromana, Cappoquin at her son's residence, after a long illness and in the fulness of years. A member of the farming community, she was a much loved by all who knew her and was of a kind and gentle nature.

Her removal took place from her son's residence on Thursday evening followed by a huge cortege to Aglish Church and the interment took place in the adjoining cemetery after funeral Mass on Friday afternoon. Very Rev. Fr. F. Lucey P.P. officiated on both occasions.

To her grieving family, son, daughter, daughter-in-law, son-in-law, grandchildren, nephews, nieces and other relatives we tender our deep and sincere sympathy.

(Funeral arrangements by Maurice J. Noonan & Sons, Funeral Directors, Cappoquin. Tel. 058/54044 and 54317.)

Mrs. Margaret Morgan

It is with deep regret and sadness that we write of the passing in her 96th year, peacefully, at her daughter's residence Maghera, Ardfinnan, Co. Tipperary, of Mrs. Margaret Morgan, Ballyhane, Cappoquin. Predeceased by her husband by just three years, she was known to her many friends as Maggie. She was a lady of many fine qualities, notably her kindness

and generosity shown to others at all times. She was never selfish, but always kind and considerate, putting others before herself.

Maggie was a regular visitor to Cappoquin on her High Nellie bicycle to do her weekly shopping, as well as travelling to Mass, a journey she never failed to make.

She was a wonderful wife to her late husband Dick, as well as being a devoted mother to her only daughter Mary. She was an inspiration to her three grandchildren with the many stories from her younger days, stories that they will never hear in this generation again.

Maggie will be very sadly missed by her daughter Mary, son-in-law Tim and grandchildren, with whom she resided.

On Friday evening the remains left the hospital mortuary Dungarvan for Affane church, where on arrival they were received and blessed by Fr. Barron, P.P.

On Saturday afternoon Requiem Mass was celebrated by Fr. Barron and following Mass, Maggie was finally laid to rest in the family plot beside her late much loved husband Dick and parents. May she rest in peace. Ar dheis Dé go raibh a hanam.

To her daughter Mary, son-in-law Tim, grandchildren Mary Frances, Thomas and Richard, niece Carmel Allen, we extend our deepest sympathy. (Aidan Walsh & Sons, Undertakers, Cappoquin.)

Mr. Michael (Mike) Ahearne

The death took place unexpectedly on Tuesday, June 4, at his residence, of Mr. Mike Ahearne, Kereen, Cappoquin. The removal took place from the hospital mortuary, Dungarvan to Aglish Church where on arrival the remains were received and blessed by Fr. Lucy, P.P. Following Mass on Thursday morning the burial took place in the adjoining cemetery.

To his wife Mary, sons Mike, Pat, Thomas, David, Kevin, daughter Marie, brothers, sister and families, we extend our sincere sympathy.

Full obituary next issue. (Arrangements by Aidan Walsh & Sons, Undertakers, Cappoquin.)

Mrs. Margaret (Peg) Hally

In the obituary regarding the late Mrs. Margaret (Peg) Hally (née Devereux), Woodhouse, Aglish, published in last week's issue, the name of Mrs. Birdie Houlihan (sister) was inadvertently omitted from the list of chief mourners.

Full Steam Ahead At Curraglass

Following on the success of last year's inaugural event, the Curraglass Heritage Association are now keenly looking forward to the 1996 version of their Steam Threshing, Vintage Car and Machinery Display which will be held at the Plough Bar, Curraglass on next Sunday, June 16th at 2 p.m. The organisers have lined

up a myriad of attractions but undoubtedly much of this will centre around a steam threshing display featuring a Marshall Portable Steam Engine dating back to 1916 and now owned by Kinsale man Tim Nagle. The machine appeared prominently in the hit movie 'Far and Away' which starred Tom Cruise and

Nicole Kidman. The thresher used in the display is owned by local man John Fouhy. Other attractions include a stone crushing exhibition, a tractor display plus a number of interesting sideshows. All proceeds from the days events are being donated to St. Patrick's Hospital, Fermoy and St. Carthage's Residential Home, Lismore.

So whether you are a threshing enthusiast, someone who is seeking that great car boot bargain or simply looking for somewhere to bring the family for a great day out, then there is no doubt that all roads lead to Curraglass on June 16th where an unbeatable day's entertainment is guaranteed.

In Search Of Musical Excellence

In amateur musical theatre an adjudicator's job is long and arduous. The scale of an average stage musical is so vast that the 72 musical societies entered in the AIMS/First National Building Society Awards Scheme could not bring their productions to the adjudicator so he had to travel over 13,000 miles to see all the shows for himself.

Barry Kavanagh, the adjudicator for 1995/'96, also travelled to Dungarvan to see Dungarvan Musical and Choral Society's recent production of 'Carousel'.

The outcome of this musical odyssey is a shortlist for Awards in 24 categories which cover every aspect of theatrical production.

Under the category 'Male Singer', Pat Doherty of Dungarvan Musical and Choral Society has been nominated for his role as Billy in the society's recent production of Carousel. Pat is among three other nominees for this title and will have to wait until June 22nd, when the winners will be announced at the AIMS Awards Banquet in Galway.

REMEMBERING OTHER DAYS

This week for our "Remembering Other Days" series we go to the Cornerstone town of Cappoquin. Featured is a group taken at the West Waterford Hunt Races held in Cappoquin on February 18, 1938, the year before the outbreak of the Second World War. The photo shows Miss Ann Hickman, M.F.H. (centre) who presented the prizes at the meeting and the cup holders (from left to right) are J. Hyde, T. O'Donnell, T. J. Guiney and R. Sheehan and the successful riders W. Treacy and E. Flynn.

Dungarvan District Executive Of Fine Gael

A meeting of the Dungarvan District Executive of Fine Gael was held on Monday, May 25th at Lawlor's Hotel.

There was an excellent turnout for this meeting which was attended by Councillor Dick Power M.C.C. and Cllr. Gary O'Halloran M.C.C. Deputy Austin Deasy T.D. sent his

apologies to the meeting for being unable to attend.

The meeting was informed that since the introduction by the party of a "One member can vote" system in relation to selection conventions etc., that a number of branches throughout the District have amalgamated. This move was widely welcomed as it should lead to

stronger and more active branches within the party.

A wide ranging and informative discussion took place in relation to a variety of issues affecting the area. This discussion proved to be a very positive and most constructive one.

The meeting learned that Avril Doyle T.D. would be visiting Dungarvan in July.

We would warmly welcome this visit to Dungarvan by one of the party's most popular and hardworking T.D.'s.

Congratulations were warmly extended to the seven local prize winners in the National Draw. This draw was held recently at the 1996 Ard Fheis and we would like to thank all who subscribed and we look forward to your continued support in the future.

At the conclusion of the meeting, expressions of sympathy were passed to the following -

Denis Murray, Grange on the death of his brother Sean Murray; the family of the late Ciss Fleming, Grange; the O'Shea family, Wolfe Tone Road on the death of Willie O'Shea; both the Crotty and Kirwan families on the death of Dinny Kirwan, Comeragh Crescent; the Lynch family, Cappagh on the death of Anne Lynch; the family of the late Willie Fitzgerald, New Line, Abbeyside; the Fraher family, Caseyville on the death of Birdie Fraher and the O'Callaghan family, Mitchel Terrace on the death of Biddy O'Callaghan.

May they rest in peace.

A Woman's World

'A Woman's World: Beyond The Headlines' is a new collection of articles by Irish women in which they write of challenges facing women in the developing world. The book was recently launched in the Oak Room of Dublin's Mansion House.

The best known contributor is the brilliant award-winning journalist Maggie O'Kane, whose "Brick By Brick: Rebuilding Mozambique" deals with that country's many tragedies. Ann Kiely, a native of Cappoquin, also has a fine piece entitled 'Meeting Women's Needs: The Challenge of Afghanistan' in which she writes of the difficulties facing the people of that unfortunate country. It is based on her experiences while working with the women of Kabul who, like the rest of Afghan women, are the chief sufferers of the effects of almost 20 years of war, ruin and poverty.

The book was launched by Ms. Joan Burton, Minister of State at the Department of Foreign Affairs. In her speech she singled out one of the greatest curses of the developing world — the land mine. Ms. Burton was very hopeful that an international ban would be achieved and she detailed the efforts of the Irish government to secure this aim.

However, as we all know now, the international conference was held, but the agreement was so watered down, despite the efforts of the UN, Ireland and even President Clinton, that the deadly fields of mines will still be sown all over the world.

Ms. Burton was followed by Ms. Mina Jilana, a human rights lawyer from Pakistan. Her offices at home had just been bombed, but she accepted it as an occupational hazard. Ms. Jilana noted the rise of women political leaders in the modern world and particularly in Asia, but she emphasised that all this meant nothing unless the new leaders did something for human rights and women's rights.

"A Woman's World" is jointly published by Attic Press and Oxfam Dublin and sells at £6.99. It is edited by Mary Van Lieshout and has a foreword by her excellency, President Mary Robinson. It is available in most bookshops and the royalties are going to Oxfam.

Emigrants Reunion News

Arrangements are now well advanced for the 8th annual Emigrants Reunion which will take place at Stonebridge Community Hall on Saturday, November 9th next. Air and ferry fares are being negotiated and will be published immediately they become available. A mid-day instead of an early morning flight is being considered. Accommodation rates are also being negotiated at the present and information on this should be

available shortly. One of the top London bands Ben Bros. has already been engaged and a 'visitors' book as well as a reunion photo album is being considered.

The Annual Welcome Home function which is increasing in popularity as the years go by will be held this year on Friday, August 2nd at Lawlor's Hotel. This event is organised to cater for holiday makers from cross-channel etc. who wish to meet their friends in a so-

cial atmosphere for a night of fun and entertainment. Those who are interested in the whole reunion idea from the combined parishes here will be very welcome to attend.

During the weekend which follows the social, tours to places of interest in West Waterford are being organised under the direction of Martin Duggan and details of these will be announced at Lawlor's Hotel on August 2nd.

Deasy Speaks Out On Protection Of Wildlife In County

Speaking in the Dáil recently, Waterford Fine Gael Deputy Austin Deasy raised the matter of more protection for wildlife which he felt is urgently needed in Co. Waterford.

"Approximately 50% of County Waterford is mountainous. It has two major

mountain ranges - the Comeragh Mountains which stretch approximately 25 miles from Dungarvan to Clonmel and the Knockmealdown Mountains which border County Tipperary on the western end of the county. In addition, there are many hilly regions, such as

the Drumhills. However, there is only one wildlife ranger to cover the county. It would be a joke if it were not so serious. The ranger does an excellent job but he cannot possibly be expected to oversee the county. It would probably take a couple of dozen people to do it effectively.

"Some species are not only endangered but have disappeared. Reed Warblers, crested wrens, the many lovely birds which were so plentiful years ago are rarely, if ever, seen. There are huge areas of the country where once common birds such as skylarks no longer exist. North Co. Donegal and north Co. Mayo are the only two places where they still naturally exist."

Speaking to the Minister for Arts, Culture and the Gaeltacht, Michael D. Higgins, Deputy Deasy stated "The Minister has not got the money or the resources to do what is necessary to protect our heritage, culture and wildlife because it is considered a way of life to shoot birds and animals regardless of whether they are endangered. This lack of will must be addressed. The wildlife rangers have an impossible job. Even with the best will in the world they cannot do anything like what is needed to protect our culture, heritage and wildlife.

He added, "I have repeatedly asked questions in the House, as the Minister is aware about the wildlife aspect of his Department and the scandalous understaffing of that section. We probably take our environment, wildlife and heritage for granted because there is so much of it. As a result, we are making some drastic mistakes. Every day we lose part of our heritage because we do not have sufficient wildlife rangers to look after it. Species of wildlife are disappearing - being obliterated - because there are not sufficient staff to protect endangered bird species."

SEAN DONNELLY AT THE OLD PIKE INN

Sean Donnelly and band will perform at the Old Pike Inn on Saturday, night 15th June.

Sean's first album called 'Back Home Again' was a huge success after which he decided to start up his own band and go full time on the road. He has already built up a large following of all ages as his music reaches out to all. One of the songs featured on his first album was

'The Old Bog Rod' the first song that Sean ever recorded and a favourite at many of his live shows. Others include 'Mary Lou' and his most recent hit 'Broken Hearts and Lonely Women' which was No. 1 in the South East Radio Charts. Don't miss Sean and his Band this Saturday at the Old Pike Inn. A great night of entertainment guaranteed!

BALLYMACARBRY NEWS

PARALYSED MAN MAKES HISTORY

Seven years after he was paralysed following a building site accident in London, a Co. Tipperary man, Michael Barry made history last Saturday when he became the first person confined to a wheelchair to be ordained to the priesthood in the Archdiocese of Cashel and Emly.

As he lay close to death in hospital, Michael who hails from Tullamaine, Fethard vowed that he would continue with his studies for the priesthood. "I never felt bitter, I never blamed God," he said after his return to Ireland. He kept his promise and now his courage and

perseverance was rewarded on Saturday last, (the feast of St. Medard) in the Cathedral in Thurles when he was ordained by the Archbishop of Cashel and Emly, Most Rev. Dr. Dermot Clifford.

Michael Barry's vocation for the priesthood seemed a long way from being fulfilled in the summer of 1989 when a steel girder fell on him on a London building site and broke his back. He spent many months in various hospitals in England and received further treatment in the Rehabilitation Centre in Dun Laoghaire. At no time did he give up on his vocation, despite the knowledge

that he would be confined to a wheelchair for the rest of his life.

Fr. Michael Barry has been appointed curate in the parish of Borrisoleagh. May we wish him many happy years in the vineyard of the Lord.

LITTLE SHOP SERVED ITS LAST CUSTOMER

The Old Bridge's best loved shopkeeper served her last customer on Friday last.

After 36 years behind the counter of her little grocery shop at Glenegad Road on the Co. Waterford side of Clonmel, Clare Meany has decided to call it a day and go into retirement.

The closing of her shop, situated at the foot of the hill leading to the Holy Year Cross on the Comeragh Mountains was greeted with sadness by her devoted customers and many friends in the area.

For many Old Bridge residents, particularly the older generation, Clare's shop was a great meeting place for the chat. She remembers that it was on Easter Monday that she took over the shop and that her first customer bought a packet of twenty "Craven A" cigarettes.

Last Friday the Old Bridge Residents Association made a special presentation to Clare to mark her retirement. Chairperson Alice O'Brien said there was no one like Clare Meany. She was a fantastic person.

A TREASURE CHEST OF MEMORIES

A treasure chest of memories was how Sean Treacy T.D. South Tipperary/West Waterford described a lavishly illustrated book on Clonmel which was officially launched at Hearn's Hotel, Clonmel last Saturday morning.

The 220 page large format book contains an estimated 5,000 faces among its more than 350 photographs which includes many unfamiliar views all taken by Justin Nelson while a member of the staff of "The Nationalist", Clonmel.

The book is titled "Faces And Places - Clonmel 1955 - 1960." The author signed copies of his book on Saturday last.

BEEF INDUSTRY CRUMBLES IN STATE OF CRISIS

Agriculture Minister, Ivan Yates stands idly by while the beef industry crumbles in the worst crisis ever says South Tipperary/North West Waterford T.D. Noel Davern.

Not alone will farmers be affected but up to 15,000 workers in the meat and subsidiary industries will lose their jobs, Mr. Davern claims. As we can only consume 14% of our meat production, we need to export 85%. The failure of the Minister to visit countries where our beef was traditionally bought will result in the acceleration of this crisis, he said. Libya, only in the last week has bought 2,000 cattle and 500,000 sheep from Australia. Mr. Davern went on: The Arab countries will only entertain the rank of the Minister.

The government would do well to take the example of former Taoiseach Charles Haughey when he visited Libya and former Minister, Michael O'Kennedy visited Iran successfully to sell our beef in similar circumstances.

He criticised the failure of the Minister to get adequate compensation for many who will be left with no income and even more frightening when animals can't be sold. Massive and immediate intervention is needed short term and in the long term, a strategy and plan of where the future of the beef industry is going. "Leadership is sadly lacking and is obviously not available in this government."

LOTTO NUMBERS

The lotto draw in aid of the Fourmilewater Hurling Club took place at the Oriol Bar, Ballymacarbry on Saturday night. The numbers drawn were 2, 3, 13. There was no winner. The five £20 winners were Master Conor Kiely, U.S.A.; Pat Foley, Eagle Hill, Ballinamult; Jimmy Flynn, Baunfawn, Ballymacarbry; Rebecca Hallinan, Russelstown; Jo Power, Ballinagulkee, Ballinamult. Jackpot this week is £300.

LATE MR. THOMAS KELLY

Profound and sincere feelings of regret were widely expressed at the news of the death of Mr. Thomas (Tommy) Kelly, Clashganny West, Newcastle which sad event took place after an illness of short duration at St. Joseph's Hospital, Clonmel on Friday, June 7th.

The deceased was in his 79th year and was truly one of nature's gentlemen, possessed of a friendly, good humoured and generous disposition. Possessed of an old world charm, he was always welcome in whatever company he found himself. After his days work was over, he loved to visit the local for a sociable drink and a chat with his friends who were many. Tommy was a true Christian man who was always ready with the helping hand and as a neighbour his equals were few. An unkind or harsh word never passed from his lips.

Many tributes have been paid to his memory but perhaps the finest was paid on Saturday morning by the large concourse of mourners who were present after Rosary was recited by Rev. Fr. John Treacy C.C., S.S. Peter and Pauls, Clonmel and Rev. Fr. Thomas Morrissey, retired P.P. Burncourt/Clogheen when his remains were removed from O'Donoghue's Funeral Home, Clonmel to St. Mary's Parish Church, Newcastle where they were blessed and received by Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle assisted by Rev. Fr. Thomas Morrissey P.P.

On Sunday morning (the feast of St. Columcille), the 11.00 a.m. Mass was celebrated for the repose of his gentle soul. The celebrant was Rev. Fr. Edmund Tobin P.P.

After Mass, the funeral took place to the Old Churchyard, Newcastle where, on a misty summers day, one of the district's best loved citizens was laid to rest in the family plot with his parents and his brothers, Ned and John who predeceased him.

Fr. Tobin P.P. officiated at the graveside in the presence of a large concourse of mourners who came to pay their final respects to a Christian friend.

To his sister Margaret, his nephews and nieces and his many other relatives, we tender our deepest sympathy.

LATE MR. THOMAS RUSSELL

The death took place in California, U.S.A. of Thomas Russell of the Post Office, Church Street, Ballyporeen.

He emigrated to the States in the early fifties and since paid regular visits to his native place and always kept in touch with the happenings at home. He was brother of the late Rev. Fr. Michael Russell P.P., Fourmilewater/Newcastle. Interment took place in California.

To his wife and family, his brother and sisters and his many relatives, we tender our sympathy.

HIGH STANDARD AMONG YOUNG ARTISTS

The very high standard among young artists received high praise from Clonmel's First Citizen, the Mayor Alderman Tom Ambrose when he presented the prizes for the 1996 STAG Junior Art Competition at Clonmel recently. The number of entries was just short of 1,000, a great credit to the organisers and the schools who encouraged their pupils to take part. STAG expressed gratitude to the competition sponsors without whose support this

event could not have taken place. The following were winners from Ballymacarbry district.
Group A (6 yrs. and under) - First: Richard Fenton, Clonnav, Ballymacarbry N.S.; Group B (7 - 9 yrs. inclusive) Marian O'Flynn, Clonnav, Ballymacarbry N.S.; Highly Commended: Michael O'Gorman, Small Quarter, Ballymacoda N.S.; Group C (10 - 12 years inclusive) - Fourth: Caitriona Fenton, Clonnav, Ballymacarbry N.S.

AN EXHIBITION OF PAINTING

The paintings currently on display at Melody's Loft, Ballymacarbry are the work of local artists. This exhibition is the culmination of a five month course hosted by the I.C.A. The course has been very successful so those ladies decided to put their work on show, they hope it will encourage others to try. The local artists were Mary Crotty, Rose Cummins, Graignagower; Josephine Halpin, Clogheen; Ann Donagher, Ellen Kelly, Ballymacarbry; Mary Desmond, Curtiswood; Una Moore, Ballyrohan; Kathleen O'Gorman, Small Quarter; Jackie Connolly, Russelstown; Aine Wall, Nire.

BALLYMACARBRY COMHAIRLE CEANNTAIR

A meeting of Ballymacarbry Fianna Fáil Comhairle Ceanntair was held recently in St. Patrick's Hall, Ballymacarbry. Cumainn represented were Fourmilewater, Bennetts Church, Knocknaree, Russelstown. Also present were Mr. Martin Cullen T.D., Cllr. Pat Leahy, Constituency delegate for Waterford and Cllr. Kieran O'Ryan M.C.C. Deputy Cullen addressed the meeting and dealt with many items of local interest. He congratulated the Ballymacarbry CC and said he would be opening a clinic in the area on a monthly basis for his constituents.

In the next general election, a large portion of Co. Waterford which had been in the South Tipperary for a number of years will be back in Co. Waterford.

Cllr. Kieran O'Ryan M.C.C. addressed the meeting and dealt with many matters of local importance. Regarding housing, he said he was pleased that the Council had now completed two houses and he hoped that further houses would be built in the area. Regarding roads, he spoke of the condition of County roads and the fact that Waterford County Council had spent vast sums of money in repairs to roads in the area as a result of severe weather over the winter months. To date, he said, the County Council had not received one penny from the Department of the Environment. An amount of work still remains to be done. One road is still closed after four months. He said he had raised this matter at Council meetings and with the County Manager and the County Engineer. He also told the meeting that £20,000 had been earmarked for village renewal in Ballymacarbry. He went on to tell the meeting that planning permission is being sought by Bord Na Mona with Waterford County Council for the erection of 12 pylons or masts in the Nire Valley for generating electricity. A lengthy discussion took place on this matter. He thanked the people who had contributed to the Fianna Fáil National Collection. The National Collection had exceeded all expectations this year, he said. Cllr. Pat Leahy presided over the election of officers for the coming year.

Kenneally Slams Delay In New Technical College For Dungarvan

Waterford Fianna Fáil Deputy, Brendan Kenneally spoke out recently in the Dáil on the current delay in getting the long awaited Dungarvan Technical College at Quann's off the ground. Deputy Kenneally outlined the deteriorating condition of the present school and pre-fabs at Wolfe Tone Road and said he felt there was a deliberate policy on the part of the Department of Education to frustrate the project.

Addressing Education Minister Niamh Bhreathnach, the Waterford Deputy gave a brief account of the history of the college and the increasing shortage of suitable accommodation for students.

OVERCROWDED PREFABS

Dungarvan Technical College was built in 1938 to cater for approximately 100 pupils. "At that time", reported Deputy Kenneally, "it contained a Woodwork room, Metalwork room, Domestic Science room and four general classrooms. These seven permanent classrooms are still there and have not been updated since. The school has had to do with the addition of 11 prefabs in the meantime.

"First, two prefabs were built and a Mathematics room was provisionally adapted to a Science room. In the 1970's two more prefabs were built and the Typewriting room was updated. In the 1980's further prefabs were added."

Continuing, Deputy Kenneally said that the Co. Waterford Vocational Education Committee are currently renting accommodation at the Presentation Convent primary school to

house 56 VTOS students. Rooms have also been taken from Waterford County Council to house an Adult Learning Centre.

"This school built for 100 pupils initially is now accommodating 370", he stressed. "Some of the prefabs are in a particularly deplorable condition and evidence of this has already been supplied to the Department of Education. Indeed, I am informed that the teachers are now refusing to occupy two of those prefabs and this will become a problem from the next school year in September", he disclosed. Meanwhile other prefabs are leaking with buckets strategically placed and these also tend to be extremely cold.

'WASTE OF MONEY'

Deputy Kenneally urged Minister Bhreathnach not to waste additional money on new prefabs to get over this temporary crisis.

Since 1985, approx. £200,000 has been spent on prefabs at the school and the Fianna Fáil Deputy warned that it would be a 'total waste of money' to go down this road any further.

"At least the Building Unit of your Dept. are

aware of the urgency of this project but it is obvious that the political will is not there to deliver on promises previously made", he submitted.

THE SAGA CONTINUES...

Deputy Kenneally then went on to highlight the lack of progress made so far with regard to the various planning stages involved in the new college and the numerous changes in plan by the Department.

In September '95 a plan was submitted to the Dept., at their request, with regard to the proposed extension to the present school. This initial first option however was later knocked when the problem arose with the purchase of additional land. The Dept. would not pay an extra sum of £20,000 to get a field beside the school in order to allow an orderly development there. It was subsequently decided by the Department that the proposed school should move to another area in the town at Ringnasilloge, near Dungarvan Sports Complex, which was previously purchased by the VEC. Approximately £40,000 was paid to acquire this. Drawings were requested from the Design Team for a 2 storey school at this location.

"Everyone accepted this in good faith", said the Waterford Deputy, "and assumed that finally progress would be made - not so".

After this submission in February 1996, the Dept.

came back in March and decided that they had changed their minds again and now wanted a design for a single storey building. These new plans are now with the Department.

TIME FOR ACTION

Deputy Kenneally went on, "prior to all this and going back as far as 1985, the project was again ready to go to tender but at that time an embargo was put on everything by the then government. This means that we have reached the stage where we have reached tender stage for the fourth time. I am asking the Minister to now give the go ahead for this project in order to proceed for planning permission.

"In relation to a reply given to earlier parliamentary questions, we were first of all told it would be considered in the context of the 1995 estimates - it never made it. The VEC persisted and had great hopes for inclusion in the 1996 Building Programme but again were left out. Hope has been renewed that there will be provision in the 1997 Estimates which should be finalised later on this year".

Stating that it is now time for action, the Waterford Deputy said if he didn't get a positive response from the Minister to his plea, then he will ask her to accept a deputation comprising of the four T.D.'s in Waterford and representatives of the VEC.

The wedding took place in Douglaston, New York on May 18th of Philippa Gaines, daughter of Phil and Tony Gaines to Michael Cantillon, son of Maurice and Peggy Cantillon formerly of Tralee, Co. Kerry.

Philippa is daughter of Phil (nee Bolger), Cappoquin and niece of Frances Bolger who travelled to New York for the wedding. It was a Bolger family reunion as all members of the family had not met for 25 years. Gerry came from Sydney, Joseph and Stella from London and Teresa, Loretto and Phil are living in New York. A great celebration was had by all and we wish Philippa and Michael many years of happiness together.

16th WATERFORD C.B.S.I. NOTES

Fun Day In Twig Bog — On the Monday of the June Bank Holiday, under glorious weather, we held our Fun Day in Twig Bog and what a fantastic turnout. Young and old got a great crack out of the penalty shots, clothes pegs, horse shoe throwing, sack racing, wheel racing, skipping, splat the rat, crazy golf and ball down the pipe. But pride of place must go to Jenny and Fiona and the girl guides of Abbeyside who manned the alter fires all day and gave a great display of backwood cooking. They kept everybody happy with home baking, sausages and burgers. The Guide movement should be very proud of them as they proved to be great ambassadors for them. They were very popular in Cappoquin. We finished up with a camp-fire with Brendan and John Paul leading the sing song.

We would also like to say a very special thank you to Mr. M. Burke and his staff in the County Council for the great job they did cutting the grass for us. This contributed enormously to the day. We would never have done such a good job ourselves. Thanks also to the parents, leaders and anybody else who helped to make the day such a great success and last but not least our two goalies, Rory Tobin and Ivan McLoughlin. They were quite prepared to take on young and old. Well done lads.

Tuesday saw the Beaver Colony in action and the cubs went to Clonea swimming on Thursday night.

Best Wishes — Before we close the notes, I would like to wish Jim Shine, who is in hospital in Cork, a speedy recovery. Jim is Chairman of Abbeyside Unit Council and a great friend to scouting down through the years. Our prayers are with you, Jim. So much for these notes, until our next. God bless - be prepared.

Railway Athletic F.C. Club Notes

UNDER 11 LEAGUE Railway 6 Dunmore 1

Our under 11 A team played their last league game on Saturday morning last at home to Dunmore. This was a very close game. The first half ended all square after we missed some chances but harsh words from the assistant manager got our lads going and the second half was totally ours. Paul Maher hit a superb hat-trick. We hit Dunmore for three more goals from Alan Hogan who secured the second hat-trick of the game.

TRADERS TAKE INTER FIRMS

In what proved to be a popular tournament ran by Dungarvan, the traders beat Waterford Crystal on Friday night last. We had three players playing Paul Ormond, Dermot Dee, and Tommy Pratt. It was indeed Tommy's night as he scored both goals.

Cappoquin Chickens had a team also with most of the team coming from our club. It was the Traders who beat

Cappoquin Chickens in the semi final.

COMING TO AN END

Our long season is coming to an end with only the under 15 team in the school boy league left to finish and of course our second Junior team have the matter of a Cup semi-final (tonight).

Our first division side once again finished up the table and it was our first time putting in a second junior team and what

a success this has been. Fixture: Tonight Marquis Cup semi final. Railway v Portlaw, Ozier Park 7.00.

Ring Dramatist Travels To England For Training Course

Meagail Bhreathnach from Baile na nGall, An Rinn (pictured above on extreme right) was among ten Irish language dramatists who travelled to England last under the EU Kaleidoscope programme to take part in a week-long training course with "Horse and Bamboo" theatre company in Lancashire. The group, headed by Joe Steve O Neachtain from Udaras na Gaeltachta, represented Gaeltacht-based theatre groups from Waterford, Galway, Mayo, Meath, Donegal and Kerry. The Kaleidoscope was established to examine the needs of rural, Irish language theatre companies through workshops and training on an international level. The scheme is funded by the European Union and administered by Udaras na Gaeltachta.

Dungarvan Scout Notes

OVERNIGHT TO ARDMORE

Seven of the older scouts travelled to Ardmore recently for sun, travel, and sea. Well, they had the travel and sea anyway. On arrival they set up their tents and made themselves at home. Four lads hiked to Ferrypoint while the others went body boarding. The surf was not great that day, but when they woke on the Monday morning the surf was brilliant. Jonathan and Bonzi went body boarding. They think they are professionals now. We had a soccer game arranged with the Ardmore scouts but they did not show up. The questions asked were were they afraid of losing? Only joking.

Other activities were cliff jumping and cliff jumping (Don't ask)! A great weekend was had by all and it was good for the older lads to get away and show their independence. Special thanks to parents for the lifts to Ardmore. P. Hayes, M. Noonan, F. Murphy and of course his trailer. Also thanks to the O'Brien family and Mrs. Moloney for their help.

SWIMMING AND BOWLING

Last weekend the scouts travelled to Clonea Leisure Centre for swimming and bowling. The lads are getting fairly handy at the bowling. Seamus Hayes, Paul Power and Shane Walsh showed some great

skills here. The best part of the day was the swimming because it was raining outside. Thanks to Mr. Walsh, M. Moonam, Mr. Bagley and Mrs. Hayes for the transport.

BEST WISHES

Best Wishes to Jonathan Regan who is recovering from his recent injury. We hope that he is back in action soon.

NEXT MEETING

The scout meeting will

begin this Friday at 4.30 p.m. because weather permitting we will be going on a hike to Helvick. Wear old clothes and bring your swimming gear. Jonathan will be in touch. Also, there will be a parents meeting next Tuesday at 8.00 p.m. The topic that will be discussed is our Annual Camp to Lough Dan. All parents of scouts that are going on camp should attend.

Lismore Notes

MUSIC FESTIVAL

On Thursday night last, June 6th The A.I.B. Music Festival in Great Irish Houses opened in Lismore Castle. The capacity audience were treated to a wonderful evening of rich musical soufle by violinist Alan Smale and pianist John Gibson. Highlight of the evening for many was Elgar's "Chanson de Nuit" and "Chanson de Matin".

A coach load of first nighters made the trip to Lismore from Dublin and all

were loud in their praise of the Castle as a venue for the first of the music festivals eleven nights throughout the country. The banqueting hall was a splendid setting with good acoustics enhancing the enjoyment.

Once again, Lismore has proved to be a wonderful centre piece of music, to suit all tastes as the previous week, we had Candy Devine enthraling an audience of 300 in Lismore Cathedral. With concerts and recitals

such as this, Lismore can only improve with the publicity generated and help to bring tourists into the town and area.

What a pity The Early Music Festival should fall through for as we wrote some months back what an opening six months Lismore would have had to 1996.

FIRST HOLY COMMUNION

This coming Saturday at 11.00 a.m. Mass in St. Carthage's Church, the first class boys and girls of Presentation Convent will receive their First Holy Communion.

LISMORE RURAL TOURISM

On Tuesday, May 28th at Lismore Heritage Centre, Lismore Rural Tourism Committee was launched. Chairman of the committee is Mr. Michael Penruddock, Lismore Castle.

Waterford County Manager, Mr. Donal Connolly, who launched the Lismore Rural Tourism Committee said the people of Lismore are sending a clear signal of their commitment and intent to proactively influence and control their own destiny.

The Committee's first public initiative is a photographic exhibition of Co. Waterford by John Denby which is open to the public until the end of June in The Courthouse Theatre at Lismore Heritage Centre.

Mr. Connolly concluded by saying we must know where we are coming from to go forward. What better endorsement of Waterford Heritage is there than John Denby's comprehensive collection of Waterford's best scenic beauty. Individual scenes remind us of childhood memories and prompt us to re-focus on what until now were forgotten moments of our lives.

Lismore Photographic Exhibition

A photographic exhibition of Co. Waterford by photographer John Denby was opened to the public recently in the Courthouse Theatre at Lismore Heritage Centre.

The exhibition, which is Lismore Rural Tourism Group's first public initiative, will be open for the month of June. The local tourism group is chaired by

Michael Penruddock of Lismore Castle.

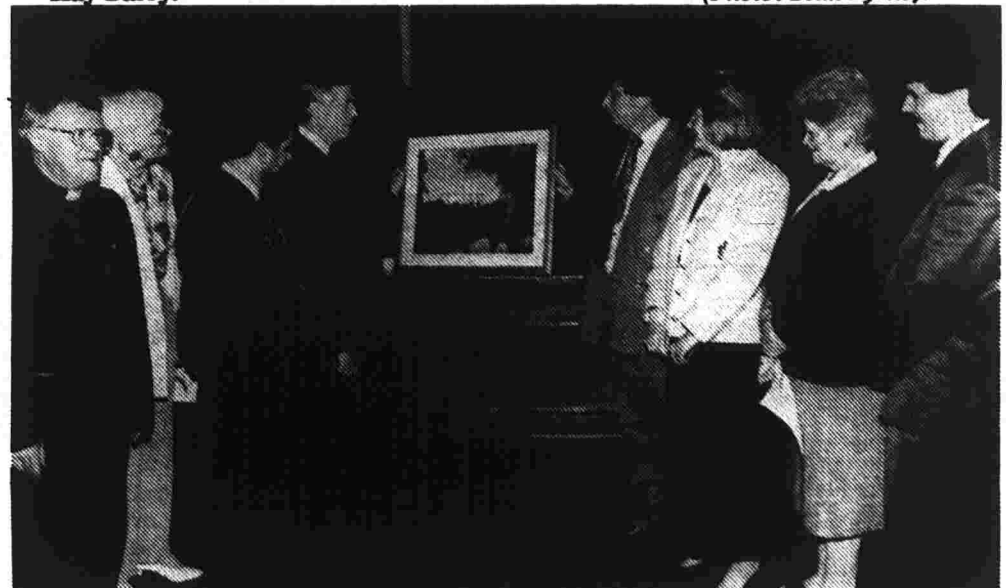

Launching the exhibition was Waterford County Manager Donal Connolly who said the people of Lismore are sending a clear signal of their commitment and intent to proactively influence and control their own destiny.

Mr. Connolly said the photographic exhibition was a

most appropriate first step for a group committed to going forward. What better endorsement of Waterford's heritage is there than John Denby's comprehensive collection of Waterford's best scenic beauty. Individual scenes remind each of us of childhood memories and prompt us to re-focus on until now forgotten moments of our lives.

KIRWAN PARK IS OFFICIALLY OPENED

On Bank Holiday Monday, June 3rd, Kirwan Park in Touraneena was officially opened by Mrs. Minnie Kirwan, wife of the late Mr. Eddie Kirwan whom the field is named after.

Fr. Brendan Crowley P.P. who was one of the founder members of Sliabh gCua/St. Mary's G.A.A. Club in 1970 then blessed the ground. This was followed with speeches from Brendan Tobin and County Board Chairman, Paddy Joe Ryan.

The main event of the evening was an intercounty U-21 hurling tournament game between Waterford and Kilkenny. This was an excellent game of hurling which was viewed by over 600 people. There were some excellent performances in the game particularly from Lismore's James O'Connor who was judged to be man of the match. The result in a very close and exciting game of hurling was 1-10 to 0-10 in Waterford's favour.

Many people were thanked on the night. Sliabh gCua/St. Mary's G.A.A. Club would like to thank all who made the evening a big

success. The Community Employment workers who have been working in the field for the past number of weeks were not thanked for their help, on the night. Their work is much valued within the club. Many other names may not have been mentioned for their valuable work. We would like to take this opportunity to thank each and everyone of them.

SLIABH gCUA/ST. MARY'S G.A.A. NOTES Senior Football Championship Sliabh gCua 0-5 Nire 2-21

In the fourth round of the Senior Football Championship on Sunday, our senior footballers were hammered in the local derby against Nire.

We started brightly with an Aidan Fitzpatrick point within two minutes. The Nire replied with four points before Kieran Hallahan pointed a free. The Nire scored two further points. Kieran Hallahan scored a final point for us in the first half with the Nire scoring five more to leave the half-time score 0-3 to 0-11.

Within two minutes of the restart, the Nire struck two further points before our top scorer, Kieran Hallahan scored his third point of the game. Five minutes into the half, Vivian Lonergan made the first of his two great saves. In the 8th minute, Kieran Hallahan scored our final score of the game. After this, the Nire scored 2-7 in which time Vivian made the second of his great saves.

Sliabh gCua 1-6 Dungarvan 3-10

We went into this game with our first win under our belts, having beaten Old Parish 4-6 to 0-16 on Tuesday evening.

We started brightly winning the throw-in and bringing the ball up the field. Dermot Halley then received the ball in the full forward line and scored a goal inside the first 60 sec-

onds of the game.

Dungarvan brought the ball down field from the kick-out and scored a goal. After this, Dungarvan scored a further point and from there, never lost their lead. At half-time, the score was 2-5 to 1-3.

Sliabh gCua played well in the second half scoring three points. We were unlucky not to have scored more as we hit a few scoreable chances wide.

Team: Quentin Hickey, Brendan Tobin, Paul Condon, Mike Hearne, Mike Murray, Tom Condon, James Connors (0-1), Tom Whelan (0-1), Peter Fitzgerald (0-1), Pat Ahearne, Eamonn Dec Lonergan (0-1), Anthony Gleeson, Donnacadh Dunne, Eoin Butler, Dermot Halley (1-2). Fixture: On this Sunday, St. Mary's will take on Ring in Intermediate hurling at Fraher Field, Dungarvan. Throw-in is at 7.30 p.m.

MIXED FOOTBALL LEAGUE

In the Mixed Football League which is being sponsored by Gleeson's Excavation, Christine Cliffe's Meath team were the first team to qualify for the final when they beat the Dublin team by 6-2 to 1-4 in the Division Three section. J. J. Coffey hit form again scoring 4-2 of his team's total and Eoin McCarthy scored the other two goals for Meath while Avril Murphy had a superb game for Dublin, scoring her team's total of 1-4. The Meath team have now won their five games and they must be

favourites to win this section. So far they have scored a total of 24 goals and 17 points and have only conceded 6 goals and 5 points.

Tara Skehan's Offaly team guaranteed themselves a place in the semi-final with a 0-3 to 0-1 victory over Eoin Walsh's Kildare team. Michelle McGrath had a brilliant game scoring two points for Offaly and Sean Fitzpatrick scored their third. David McCarthy scored Kildare's point. Both Kildare and Dublin still have a chance of gaining the second semi-final spot. There were outstanding performances from Sean Fitzpatrick, Michelle McGrath, Avril Murphy and J. J. Coffey. Others to play well were Eoin McCarthy, Eileen Hickey, Marguerite McCarthy and Tom Cashman.

In Division Two all four teams still have a chance of qualifying for the knockout stages going into the final round. If Cork win their last game, then they qualify straight to the final. Last week, they played a 1-4 to 2-1 draw with Kerry. Tomas Fenton scored 1-3 for Kerry and John Boyle got a point. For Cork, Susan Nugent got 0-1, Shiner Troy 1-0 and Michael Myles 1-0. Eddie Condon put on a marvellous individual display scoring 3-3 of Clare's 3-4 in their five point victory over Waterford. Shane Hickey got Clare's other point while Richard Nugent and Deiores Condon got 1-1 each for Waterford.

On the night there were superb performances from Eddie Condon, Susan Nugent, Shiner Troy and Deiores Condon. Others to impress were Niamh Coffey, Michael Myles, Tomas Fenton, Shane Hickey and Ann Marie Kearns.

The result of the last

round game between Derry and Tyrone will determine which team will qualify for the final in Division One. The Down team are guaranteed a place in the semi-final as well. The first game between Derry and Down was a classic game played at a terrific pace. It was score for score right up to the final whistle with Derry earning a 3-4 to 3-2 victory. Sean O'Neill gave the best performance of the night, scoring 2-2 for Derry. Derry's other scorers were Denis Coffey (0-1), Colin Gleeson (0-1) and Stephen Cliffe (1-0). For Down, Colm Geary got (1-2) and John Queally and Matthew Cashman got a goal each. Two points also separated the Tyrone and Donegal teams at the final whistle with the result being 4-3 to 4-1 in Tyrone's favour. Denis Coffey (1-0), John Queally (3-0) and Neil Fenton (0-1) were Donegal's scorers while the Tyrone scorers were Paudie McCarthy (0-2), John Myles (0-1), Clara Cashman (2-0), Colin Gleeson (1-0) and Jonathan Webster (1-0). Playing well on the night were Denis Coffey, Sean O'Neill, Stephen Cliffe, Colin Gleeson, Colm Geary, John Queally, John Myles, Clara Cashman, Kerrie Cliffe and Sandy Walsh.

MUNSTER CHAMPIONS

Congratulations to Marie Coffey and Eibhlis Ahearne who were in the Ard Scoil athletics team that recently won the Munster Junior girls 4 x 100 metres relay final. In winning this event, they were only one second off the All-Ireland record time. They also gave superb performances in the All-Ireland final when they finished in an excellent third position.

MIXED FOOTBALL LEAGUE

Round four of the mixed football league produced some excellent football and also produced a few shock results. Division 3 players were first up and this is proving to be a very entertaining league with the standard of football being very high. The Dublin and Kildare teams were first to play with Kildare scoring a 2-2 to 1-1 victory. The other game in this division saw the top two teams - Meath and Offaly meet and Meath won on an impressive 4-3 to 2-0 scoreline.

In division 2, the results of the games went in reverse to the way they went in the opening round. The first game was between the Kerry and Clare teams. The Kerry team were very unlucky not to equalise as they had a few very near misses in the final minutes. The game between the Cork and Waterford teams also proved to be a very close and exciting game with Cork winning out by 1-5 to 1-1.

The first match in the division one between Down and Tyrone produced the biggest surprise of the night when Down had a six point victory over the table toppers. The Derry and Donegal game was also played at lightning pace and it took a last minute goal by Denis Coffey to earn a victory for Derry.

SYMPATHY

Deep and sincere sympathy is extended to the husband Peter; sons Very Rev. Fr. Brendan P.P., Kilmacthomas, Gerry and Tom; daughter Mary; numerous relatives and friends of the late Birdie Crowley, Ballinacourty, Dungarvan whose unexpected death occurred recently. May she rest in peace.

Our A.R.C. for scouts, Tom Power, and A.R.C. for camping, Brendan Kiersey, will be planning and organising this year's competition.

CUB NEWS

Well done to the cubs in the region for taking part in the regional soccer blitz and of course to the winners Abbesside. The father and cub weekend will take place at the end of June. A good weekend is planned.

BEAVER NEWS

The beavers had their cinema day last weekend and a good time was had by all. The A.R.C. for beavers, Danny Cunningham, is busy planning the beaver and parent day out which is scheduled for June.

SCOUT MUSEUM MOUNT MELLERAY

In the autumn of 1994 it was decided to house the Association's archives and to establish a museum of scouting in Mount Melleray Scout Centre. The objective was to preserve the written and spoken record of what has gone before since 1927. As we approach our 70th birthday it is sadly the case that many of the scouts, and particularly the leaders, of the early days have gone to their reward and it is essential that we record and preserve what is left of those days and also do the same for the later years.

A special unit has been constructed to hold the archives and it is hoped that work on listing, collating and indexing the very considerable volume of records will start soon and that this will ultimately lead to all the material being recorded on computer.

The work on the museum/archive has up to now been mainly directed towards fitting out the museum room and housing and displaying those items of memorabilia which we have received.

We have in fact had donated and loaned to us quite a number of items - flags, colours, trophies and items related to particular events in the last 70 years. Two of our major prizes are the first uniform shirt ever issued in CBSI and the Association's first flag.

From various sources we have received a number of 'manikins' which enable us

Pictured above is Wille Gallagher, A.R.C. for Cubs, planting a tree during a ceremony for International Year of Peace which took place recently.

to show the evolution of our uniform since the beginning.

We have a substantial amount of material, presented by and on behalf of Joe Carey who was CBSI's first Scoutmaster.

We have on record the reminiscences of some of the leaders of the early days, as well as of relatives of Fr. Tom Farrell and Professor J.B. Whelehan, our second Chief Scout. Other such records are being actively pursued around the country.

A very interesting and colourful display of Scout Stamp 'covers' associated with different jamborees and

other scouting events which graces the walls of the conference room is the gift of Lef Klinkenberg of the SAI, to whom we are very grateful. We also have on our walls a series of displays of badges, not merely CBSI but British, American, Australian, New Zealand and Fijian.

All this might sound as if our space is fully taken up, but this is far from being the case and we are appealing to all leaders and other adults in CBSI, and particularly commissioners, to let us have any memorabilia they or their troop or cub

pack may have so that our display and collection may be as complete a record of the past as possible. Details of the background of items will be especially welcome. Material may be (a) donated, (b) given on permanent loan or (c) given on short term loan. The rights of the donors to recover items at any time is unquestioned. The 'ball' is in your court!

You can contact us at Melleray at 058-54322 or 54688. The postal address is Mount Melleray Scout Centre, Cappoquin, Co. Waterford.

Biggest Treasure Trail On Earth

On bank holiday Monday, June 3rd, two treasure hunters accompanied by two Dalmatian dogs passed through Dungarvan on a 400 mile treasure trail around Munster.

"The Biggest Treasure Trail on Earth" is expected to raise £50,000 over twenty days during which time the two hunters and their support crews will travel through most towns in Munster as part of a major fund raising effort for the Lavanagh Centre (formerly Cork Spastic Clinic). The Centre's pool is urgently in need of refurbishment and

upgrading.

The trail started on June 1st in Cork and arrived in Youghal the next day before heading to Ardmore where a car treasure hunt was held. Hidden along the 400 mile route are medallions ranging in value from £100 to £500. The group arrived in Dungarvan on Monday and a Treasure Trail Craic Evening was held in the Marine Bar at which some of these 'new found' medallions were raffled as prizes.

Other towns on the route are Carrick-on-Suir, Clonmel, Cahir, Millstreet, Rosscarbery, Clonakilty

and Bandon etc. The treasure hunters start off before 11 a.m. each day and allow 20 minutes per mile. The trail finally ends on June 21 in the Lavanagh Centre. Billy Downey whose son David has Cerebral Palsy and attends the Lavanagh Centre regularly for treatment is accompanied on the trail by his two dogs and by Colm Doyle who is a personal assistant at the centre.

The trail organisers are encouraging people to walk with the hunters and therefore take part in the world's biggest treasure trail.

Grassland Management — June To September

The two main concerns in summer grazing are to keep leafy pastures in front of cows and to plan good production and utilisation from August onwards. Growth rates are reduced and can be very variable particularly in coastal areas of the county during this period. Skilful management is required if pasture quality and milk yields are to be sustained.

The grazing area can be increased to around 0.65 acres/cow during the June to late July period and to about 1 acre/cow from early August onwards.

The prudent use of Nitrogen i.e. 25-30 units/acre/rotation and adjustments in rotation speed between 21-25 days are the main tools for keeping a constant supply of grass in front of the cows.

HEIGHT

Grazing severity is not as critical from July 1 onwards provided paddocks have been well grazed earlier in the season. The recommended post grazing height at this time is 3-3.5 inches. The milk yield effects of pasture quality and grazing intensity mid-season have been well researched at Moorepark. The clear message is that quality grass grazed to 3-3.5 inches will give excellent milk yields.

Meal feeding should not be necessary mid-season where high milk yields are required or pasture quality is poor.

EXTENDED GRAZING

Extending the grazing season involves a planned approach to producing good quality grass in October/November and a grazing system that allows high utilisation. On drier soils both of these are achievable.

All farmers should adopt a sensible strategy for lengthening the rotation from mid-August onwards. The driest paddocks should be well grazed or topped. Apply 36 to 40 units of nitrogen to all paddocks capable of being rested for over 30 days. Nitrogen application should cease around mid-September.

The paddocks grazed in early to mid-September should get their last grazing in late October/early November. A good roadway and easy access to grazing areas is vital for effective utilisation.

Be Careful With Animals

Animals account for some accidental deaths on farms most years. When you are dealing with male animals or with female animals with young, be careful at all times. Accidents happen because farmers fail to treat their animals with due caution.

Never trust a bull — the quietest animal is potentially a killer — always be careful and never get into a position where you can be trapped.

A bull should never be left "unringed" after he is ten months old. When buying a bull, find out about his temperament from his former owner.

Housing should be such that it could withstand any strain which the bull might enforce — always have an escape route.

When leading a bull, position yourself to one side and slightly behind the bull's head. If he is grazing, have a chain attached to his nose.

Some bullocks and cows, especially heifers with calves, can also be dangerous.

Silage Effluent — Remain Vigilant

Everyone is well aware of the serious pollution that can be caused by silage effluent. While effluent production peaks 3-4 days after the grass is ensiled, considerable quantities of effluent continue to be released for 3-4 weeks after ensiling. It does not end there, even small quantities of effluent continue to be released right through to feeding time. The simple message is to remain vigilant.

● Continue to safeguard against overflowing tanks by checking effluent levels regularly and emptying them in good time.

● Continue to check for leaks from silos, tanks and effluent channels and examine nearby waterways, drains and drainage systems, as effluent can seep underground for considerable distances.

● Be prepared to take immediate action to intercept and contain any escaping effluent.

FARMING LEADER

County Waterford I.C.M.S.A. News

The Co. Waterford ICMSA held their executive meeting in Lawlor's Hotel, Dungarvan, on Wednesday, June 5th last. The meeting had Tommy Cooke, National Chairman ICMSA Dairy Committee, as guest speaker.

The main issues discussed were TB testing, superlevy, report on meeting with Waterford Foods, disadvantaged areas and update on reorganising in the county.

On the question of TB testing and the cost involved, the meeting felt that charges had gone up and it was important that vets would hold the price of testing at a realistic level considering the difficult time livestock farmers are going through.

The County Chairman, John Skehan reported on the executive's recent meeting with Waterford Foods.

Tom Hickey, PRO for Co. Waterford ICMSA, said that he was very disappointed with the outcome of the review of disadvantaged areas and said many parts of the county are still excluded and should have been in years ago. He also spoke on the need for something to be done for the disadvantaged farmer outside the disadvan-

tagged area and said the ICMSA will be taking up this issue.

John Quigley, Area Officer with ICMSA, gave an update on the progress of canvassing in the county. At present there are 661 members signed up on the new membership. The last time the county was canvassed in 1986, there were up to 1,000 members. Many milk suppliers still have to be canvassed in the county. At present about 85% of milk suppliers called to are members of the ICMSA.

The County Chairman,

John Skehan, thanked the farmers in the county for their support and said that the executive will do all they can to help farmers. Anyone who needs assistance should contact John Quigley, area officer on 051-22303, who is working full time in the area.

The meeting was then addressed by Tommy Cooke who covered such items as super levy, milk quotas, milk prices and the ICMSA proposal for a dairy cow premium. This was followed by a question and answer session.

The meeting also had a long discussion on the ownership of co-ops and felt farmers would do well to own their own coops.

ICMSA will have a stand in Kildalton on Thursday 20th June and all farmers are invited to call.

ICMSA Meeting With Waterford Foods

Representatives from the County Waterford executive of the ICMSA met with Waterford Foods recently. The ICMSA delegation included County Chairman, John Skehan, Tom Cronin, Tom Hickey, John Cusack, Milo

Murray, John O'Donnell, Tom O'Dwyer and Ger Doherty from the South Kilkenny area and John Quigley Area Officer with ICMSA.

The ICMSA delegation met with John Dowley, Chairman of Waterford Foods, Michael O'Neill and Maurice Nolan.

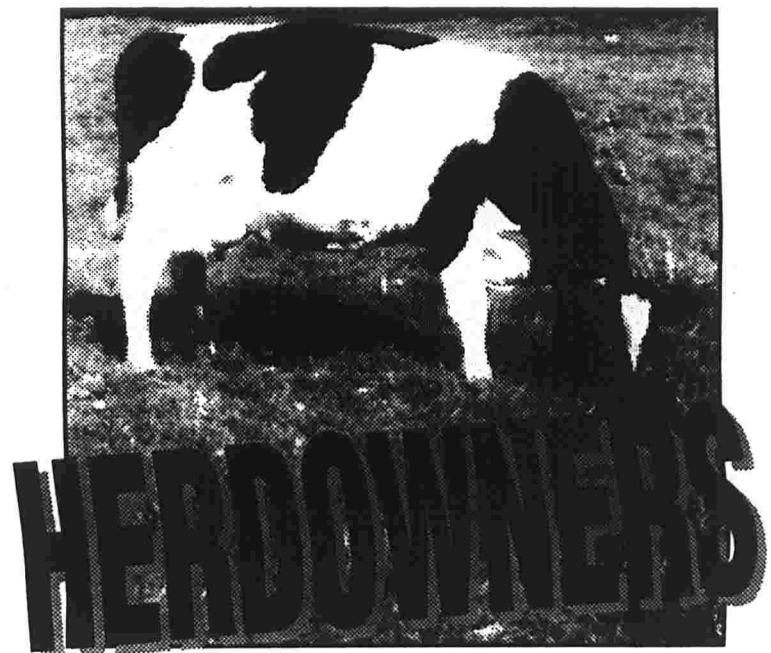

The main issues discussed included milk prices and the need to inform suppliers of the changes in price in relation to changes in butter fat and protein levels, temporary leasing milk scheme, milk restructuring scheme, trading and discussion groups.

The County Chairman, John Skehan said that it was very important for the coop to hold prices as farmers are going through a very difficult period and any more cuts in milk price would have major consequences for farmers.

Special IFA Meeting In Clonmel

A special IFA meeting to discuss the extension of the disadvantaged areas and the severely handicapped areas will take place on Wednesday, 19 June in the Minella Hotel, Clonmel at 8.30 p.m. sharp.

Dermot Leavy, Chairman of the IFA National Rural Development Committee and Gerry Gunning, Secretary, will be present to answer whatever queries you have on this matter and to discuss the steps that can be taken. All are welcome to attend.

SCHOOLS LEAGUE WIN

The girls of and Ballycurrane schools have finished the years football competitions on a high note by winning Division 'A' of the Primary Schools Competition.

When you consider that their opponents in the field were none other than Ballymacarby, the Kingpins of Ladies Football in Waterford, then you realise that their achievement is deserving of our highest praise. Furthermore this was the first time that a team from our locality played in Division 'A'. This bunch of girls not only played in Division 'A' but won it out without losing a game.

The final was played in Fraher Field on Thursday, May 30th - an evening most unsuited to football. There was a gale-force wind blowing and it was wet. In the first half, we were playing against the elements. It was during this half that the foundation for victory was laid. Ballymacarby were first to score with the assistance of a strong wind. However our midfield pairing of Ciara Murphy and Una Leahy began to dominate and with a good supply of ball going into the forwards, we managed a few hard earned scores.

Goals scored by Michelle Keogh and Una Leahy proved vital. Our defence made up of Yvonne Coughlan, Aileen Barron, Marie Trihy and Lorraine O'Brien gave sterling performances and limited Ballymac' to three points - this proved to be critical as we led at half-time by 2-1 to three points.

In the second half, we had wind assistance but scores were slow in coming. Mary O'Rourke was playing a key role and succeeded in scoring a few valuable points.

Midway through the half, Jean Byrne scored another great goal and from then on, we were in control. Aileen Clarke and Marie O'Connell also gave great displays on the night, as did the substitutes Sandra Foley, Karen Whelan and Evelyn Trihy.

We were worthy winners on the night on a scoreline of 4-8 to 0-6. Well done girls, it was a fantastic victory.

A word of thanks also to the primary schools board, the organisers of the competition and to Joe Cleary, the referee on the night.

COMMUNITY GAMES ATHLETICS

Sincere apologies to all the readers of this column for the absence of notes last week and all those trying to contact me with news items. This was due to a major break in the phone service here. All should be back in order by the weekend.

MINI SEVENS VICTORY

The girls of Clashmore/Kinsalebeg also achieved a very prestigious victory in the Mini Sevens County Football Competition earlier in April.

In the final of this competition, we faced a very stern challenge from the girls of Ballyduff Lower. It was a tough, physical type of game in which every ball was keenly contested.

Our girls showed greater ability in getting scores and going into the second half we were ahead by two goals. We went further ahead early in the second half but Ballyduff came very much into the game in the last quarter when they scored three goals. It finished on a score of 5-6 to Clashmore/Kinsalebeg and 5-1 to Ballyduff. Victory was achieved but it was hard earned.

Our panel of ten on the day were as follows - Aileen Clarke, Una Leahy, Lorraine O'Brien, Ciara Murphy, Marie Trihy, Mary O'Rourke, Aileen Barron, Michelle Keogh, Marie O'Connell and Jean Byrne.

Following our victory at County level, we then went on to Clonmel on May 16th to take part in Munster trials.

Here we didn't take part as a team. Six teams were selected with two from our panel on each of the five teams. Our players gave a good account of themselves in the trials and we expect a few of them will be selected to play in exhibition games which are played in Croke Park on All-Ireland semi-final and final days. This will be a great honour for the young lady footballers from our parish. The names of those selected are not yet known.

COMMUNITY GAMES NEWS

Swimming — Congratulations to Jamie Fitzgerald on winning a silver medal (U-14) in the County swimming finals held recently in Waterford and to the swimming squad of Yvonne Coughlan, Saoirse Fitzgerald, Sarah Daly and Aileen Barron who took bronze in the U-13 relay.

Soccer — Clashmore/Kinsalebeg 5 K.C.K. 1

On Friday evening last, our U-12 soccer team played K.C.K. in the County semi-final in Ballinroad and had a marvellous win.

A goal by Brian Guilly in the opening minutes provided a great start and the Clashmore/Kinsalebeg boys played marvellously against good experienced opponents. James Ledingham scored just before half-time and this really made us quite confident. More great play in the second half with goals from Pdraig O'Rourke, Sean Fleming and again James Ledingham. The boys are now into the County Final which will possibly take place next week. Sean Kearns has put a lot of time and work into training this young team over the past number of weeks and it is indeed greatly appreciated and the benefit of this training showed in the match against K.C.K. when each member of the panel played a great game. Good luck boys in the final.

The U-12 panel was as follows: Cillian O'Keeffe, Nick Beresford, Pdraig O'Rourke, Marcus Prendergast, Kieran Connery, Jason Seward, Joe Collins, Mark McGrath, James Ledingham, Sean Fleming, Brian Guilly, Conor Coughlan, Jim Flavin, Declan Allen, Sean Kelleher and Richard Dee.

Clay Modelling — The County Finals of the U-10 and U-14 modelling will take place in Old Parish on this Saturday, June 15th at 11.00 a.m.

U-10 And U-12 Football — U-10 team will play Dungarvan in the first round shortly and our girls U-12 team will play Abbeyside.

Mosney Weekend — Our recent trips to Mosney proved very enjoyable. We had our young members taking part in the quiz project and sports induction. Olympic Hand and Uni Hockey proved very popular with some of our younger folk. Cycling, basketball, badminton, draughts and drama were also availed of.

Good Time For Shrub Cuttings

Now is a good time to take cuttings of shrubs for propagation.

With flowering soft-wood varieties such as buddelias, mock orange, keria and forsythia, cut off the tip of a young shoot, just below a joint, to a length of about three inches.

Remove the lower leaves and dip the base into one of the proprietary hormone rooting aids. These hormone preparations do a great job in getting a good root formation to form quicker.

They come as powder or liquid. Make sure you follow the maker's instructions carefully.

I always put soft-wood cuttings into a cold frame which has a sandy bed. Plant about one inch deep and say, three inches apart.

If you don't have a frame, then you can plant your cuttings in a shady spot in the garden, but make sure you've prepared it properly. Fork it over and mix in lots of sand. When you've smoothed it over, spread a thin layer of sand on the surface.

You can propagate all kinds of shrubs and it will save you a good deal of money next year when you have your own supply of healthy young plants available.

Shrubs such as green, gold and silver box, olearias and escalonias, and some forms of conifers, are very easily propagated by pulling off two inch long side-shoots. When you pull them, you should get a little bit of the parent stem. Trim it gently before planting close together in two-and-a-half inch deep boxes filled with moist sand.

These boxes should go in a shaded cold frame. Or you can put them in a shady part of the garden, but if you do, don't forget to dampen them overhead on bright days. Later on, when roots have formed, you should transplant your cuttings, nine inches apart, in a border that has been well-prepared.

Layering is another easy way to increase your ornamental shrub stock. Layering is when you slit and bend a healthy low-down branch into the ground or into a mound of good soil on the ground. It sounds complicated but is very simple to do, in fact.

You should layer a shoot nine to twelve inches below the tip. Cut a longitudinal slit in the stem — from one to three inches according to the thickness of the stem — making sure it has a tongue or loose end.

Before you make the slit, remove all the leaves four inches on each side of where you're going to make your cut. It's a good idea to place a matchstick in the slit to keep it open.

You now want to get the stem with the slit in it into the soil without breaking it. The best way not to force it is to make a six inches wide, five inches high mound of good soil into which a little sand and peat have been mixed. Bury the cut part of your stem into the top of the mound and peg the stem down on the parent's side with a wooden or wire hook.

If the stem is strong you'll probably need to use two hooks.

Cover over the stem with more soil and press down fairly firmly.

If all goes well, the layers will have rooted and be ready for cutting off and planting next March.

TALLOW NOTES

TALLOW G.A.A. CLUB NOTES

Féile Na nGael 1996

The convocation of U-14 hurlers from each of the 32 county units and from Britain to celebrate the game of hurling in competition over one weekend annually was the inspired concept of Jim Ryan or more formally Séamus O Riain, Uachtarán Chumann Luthchleas Gael, that quiet, gentle, genial Tipperary man who led our association so well during his tenure of office. Jim loved hurling, played it, supported it, nurtured it over very many years. Féile Na nGael stands as a fitting memorial to this great man's love of hurling and of young people.

In 1971, his dream became a reality thanks to the pioneering zeal of those in Tipperary who shared his vision and a mighty hosting of young hurlers gathered in Tipperary for a glorious few days - Thursday to Sunday, when hurling was played, watched and discussed by thousands. The young boys were thrilled with themselves and still, many years later, retain many happy memories of those blissful days and now love to recall them in their adulthood.

Of course none of this would be possible without generous sponsorship. Fortunately this financial support was readily forthcoming from that powerful international bottling company Coca-Cola whose business tentacles have penetrated every area of the world and yet they have continued year after year to pour considerable resources into this national festival. They have been wonderful and their extraordinary generosity has ensured the continuing success of Seamus O Riain's original idea. Féile Na nGael sponsorship by Coca-Cola is an expression of their commitment to the development of young people and to the promotion of hurling. Many of their employees are hurling men and Donal Hickey and Jim Whelan are enthusiastic G.A.A. men as well as being personable and efficient executives of Coca-Cola.

Each year since 1971 some new development has been linked to the basic idea, giving the festival a wider appeal and attracting more young people to active participation in the various events. Nowadays as well as hurling, there are camogie competitions for the girls, schools' quizzes are organised, visits by leading

G.A.A. personalities are made to the schools, handball (great game) gets rightful recognition, skills competitions in camogie, hurling and handball are presented and the colourful and spectacular Féile Parade of all teams takes place on the Saturday, this year on June 22nd in Waterford at 3.30 p.m. So Féile has itself grown and developed into a celebration of our distinctiveness, our Irishness, with the spotlight firmly focussed on our youth. And our young boys and girls have no hang ups, no inhibitions, so we got from them genuine sincere effort which, with its complete absence of cynicism, endears underage hurling to everyone.

There are four divisions in Féile with all of our county's clubs being assigned to the division appropriate to their strength. The visiting team becomes quickly assimilated into the local community and there is a strong bonding between visiting and local hurlers.

The teams in Division One include Fourmilewater, Lismore, De La Salle and Mount Sion. They compete for the Christy Ring Trophy, the premier award, one that any club would love to win. This impressive trophy is a representation of the Tower of Cloyne hand fashioned in sterling silver with the figure of Christy Ring worked in gold. It is only fitting that the great Christy should be commemorated because apart from his legendary place among hurling's immortals, he played a significant role in the staging of the national Féile finals in Cork in 1975 and 1976. This beautiful trophy commissioned in 1979 honours Christy's deep commitment to hurling and to Féile Na nGael.

The Canon Fogarty Trophy goes to the Division Two winners. Ballygunner, Roanmore, Dungarvan, Abbeyside, Cappoquin and Colligan will be among those striving to get hands on this fine symbol of success, a tribute to the Tipperary priest who devoted so much of his life to hurling and to young people.

We have a special interest in the trophy which goes to the champions of Division Three, the Michael Cusack Trophy, presented to honour the memory of one of our association's founders. We compete in this division which includes Kill, Clonea, Tramore and Passage from the east who will battle it out with ourselves, Ballyduff, Ardmore, Ring and the teams

representing Kildare, Derry, Meath, Carlow, Louth and Donegal.

The Dr. Birch Trophy is presented to Division Four winners. Dr. Birch was a Kilkenny man whom I met in St. Kieran's on one occasion. He was a warm, caring man who had an informed interest in and genuine love of hurling and those who played it. He was convinced of hurling's efficacy in developing the character of youth and had a high regard for Féile Na nGael. Féile champions of Cavan, Monaghan, Leitrim, Fermanagh as well as Ferrybank, Kilkrossanty, Stradbally, Ballysaggart, Brickey Rangers and Shamrock's will try might and main to take away the Dr. Birch Trophy.

The winners of Division Five will be presented with the McMahon Memorial Trophy and this section of Féile has an international flavour with the participation of London and Warwickshire. I'd love to see our English visitors playing but sadly it won't be possible because all the games in this small section, comprising Sacred Heart, Mount Sion 'B' and the two English teams takes place in Poleberry, Waterford. Still isn't it great to know that hurling is alive and well across the water and without the slightest disrespect to their hosts may I wish well to the hurlers from across the Irish sea.

Féile in Waterford meant the setting up of a Féile Executive Committee as far back as last autumn and it was most fortunate to appoint as its Chairman, Stephen Power, Coolnasmeear. Stephen has all the attributes of the ideal cathaoirleach and he is singularly committed to making Féile a success. He has familiarised himself with the work of every sub-committee and has maintained regular contact with the chairman of each, encouraging, supporting, facilitating and motivating. His innate courtesy and quiet efficiency are both impressive and highly effective. You could not fail to respond to Stephen's gentle urgings if there was any shred of decency in you. At meetings, he never adopts a hectoring autocratic tone. He always ensures that every viewpoint receives a sympathetic hearing and he conducts meetings with patience, understanding and decorum. Only God and

Telecom Eireann know how many dozens of phone calls he has made in the discharge of his Féile duties. We are all proud of our Chairman and grateful that he so willingly shouldered the burden of what is a most demanding co-ordinating role.

This man's job description is national secretary Féile Na nGael but Pat Guthrie has a far wider brief than that of secretary. He, in fact, is Féile Na nGael, nationally and is recognised throughout the land as the heart of Féile. After his 25 years as national organiser, there is no aspect of Féile which is new to him. Any conceivable problem that could arise, he has already experienced it and dealt with it. He has attended many meetings with our club representatives and with the County Executive Committee over the last nine months which has entailed long drives and late hours because he lives in Templeogue, Dublin where he keeps those voluminous Féile files and other relative material. Pat is a stickler for punctuality (thank God) and chairs those big meetings with great skill and expedition. A hard task master, he makes stringent demands on himself and expects equally high standards of others. Being a highly organised fellow himself, Pat possesses brilliant organisational skills and a vast knowledge of all that Féile entails. His control and key involvement guarantees the success of Féile Na nGael 1996 in Waterford.

Next week we shall take a closer look at the constituent parts of Féile and its emphasis on friendly competition, sportsmanship and skill.

JUNIOR FOOTBALL CHAMPIONSHIP

Tallow 2-6 Kilgobinet 1-5
On Sunday last in Cappoquin, our junior footballers had a well deserved win in our opening round of the championship. The game was overall a tough and uncompromising one and the quality of football belied the slippery underfoot conditions.

Playing fast, open football, we took the game to Modeligo right from the start and a well taken point within five minutes by Stephen Curley gave us the lead we never relinquished. Every ball was hard-fought for with Stuart and Jason Barry doing some powerful work. Always lads who give 100%, their contribution was outstanding.

nior hurling team with the personnel in the backline and here David Doyle, James Beecher, Terence McSweeney, Colin Cunningham and Ger Sice proved just as adept with the big ball. Brian "Basher" Henley gave an outstanding performance and covered a large amount of ground for the full hour. He began many a move which led to some of our scores, notably two well-placed goals by Stephen "Buddy" Curley and Roy Henley.

We turned over at half-time six points in front and as expected, Modeligo threw everything into the game and put us under constant pressure. A nasty facial injury restricted Jason Barry's performance. Indeed many another player might have asked to be substituted. Not this lad. Two brilliant saves by Kieran Murphy in his unaccustomed role of goalkeeper helped us maintain our lead. Here again the sharpness of the eye developed over many years of hurling proved of enormous benefit. That's my philosophy anyway !!!

Under a lot of pressure however, our goal did final-

ly fall to a powerfully hit shot and left us just two points ahead with six minutes remaining. However, we rallied again with Dermie Henley and William Murphy sending over two points to secure a welcome win.

Paul McDonnell, Stephen Pratt, Fachtra McCarthy and Florence O'Gorman completed our forward line and here again for a lad who is still so young, Stephen Pratt is another in the never-say-die mould and always gives it everything.

I never have subscribed and never will to this so-called man of the match thing so if some of our lads were better than others on Sunday, this was once again, as has been for many a long day here in Tallow, essentially a team effort. We have a lot of training and hard work to do from here on in and won't it be worth all the effort at the end of the year.

ABBEYSIDE TOPICS

SHARON CUNNINGHAM TOPS AT BALLINROAD

From an entry of over 80 competitors, the overall winner needs to produce a performance of special quality and this is exactly what Sharon achieved at the finals of the Ballinroad Open Talent Competition which took place at St. Laurence's Hall, Ballinroad on Friday night last, June 7th.

In winning the trophy for the Best Overall Performance in the talent competition, she had to overcome stiff competition from Robbie Daly, Kathleen Murray and Liam Nolan. However, judging from the reception to the winner from the audience, it is acknowledged that the decision of the adjudicators was indeed a popular one and we congratulate

Sharon on her night of glory.

There were many other prize winners on the night as there were ten categories in all and so a wide range of performances were allowed the chance to perform equally in their own area of expertise. Robbie Daly won the trophy for the Voice of the Competition. In the section for U-12's, the Dungarvan Ballad Group were nominated as winners with Sinéad Fahey in second place and the trio of Anna Young, Louise Landers and Jenny Maher in third position. The U-21 category was well supported and it must have been very difficult for the judges to select the prize winners but at the end of the day the Folk Choir was their choice

for first place, Deirdre Whelan in second and Stephen Moore third.

Other Categories — In the Over 21's, Liam Nolan was the winner, Bridget King took second place and Kim Cordery third. The ever popular Kathleen Murray received first prize in the Over 50's category with Gertie Hayes second and Eddie Moore third. Jimmy Fraher retained his title in the event for Over 70's and the popular Joan Kirby in second position made him fight all the way.

Dancing Categories — The judges stated that in making their decisions, everything was taken into consideration i.e. poise, timing, leg placings etc.

Michelle Maher was nominated in first place in the U-12's, Louise Tobin and Emer Walsh second and Orla Burke third. In the U-21's the adjudicators selected Niamh Barry in first place, Anna Fitzgerald second and Rachel Power third while in the set dancing, the Comhaltas Set were to the fore with Ballinroad I.C.A. set close behind.

The competition gave us three nights of enjoyable unsophisticated entertainment and the committee are to be congratulated for all the hard work they put into it to ensure the success of the venture. It also demonstrated the importance of the Hall in Ballinroad and the talent competition and other events organised there to ensure the facility is used to its maximum.

CORPUS CHRISTIE PROCESSION

This year's procession was preceded by Mass at 7.30 p.m. in Abbeyside Church. A reasonable number of parishioners followed the Brass and Reed Band along Friars Walk to Abbeyside School. The monstrance containing the Blessed Sacrament was carried by Fr. Colin Fives O.S.A. under the canopy which was held by Vincent O'Brien, Miguel Garcia, Pat Donovan and Seamus O'Brien (Jnr.) Also present were all residents in the Abbeyside section of the Parish.

About halfway along the route the canopy bearers handed over to four parishioners from the Ballinroad/Garranbane area, namely Eddie Meehan, Kevin Meehan, Kevin Dwane, Eamonn Ryan and Mick Carroll. Fr. Dee was the monstrance bearer from that point on. In the school grounds, the Rosary was recited. The first decade was led by a group of five First Communion girls attired in their white first communion dresses and veils. A group of First Communion boys recited the second decade. To round off the ceremony, the Band played two hymns - "Nearer My God To Thee" and "I'll Sing A Hymn To Mary" while the Abbeyside Choir led the congregation in singing the hymns.

ABBEYSIDE GIRL GUIDE NOTES

First off, Fiona and I would like to thank Laura French for our super new pen which she brought us back from her holidays. It was a lovely thought and indeed a most useful gift.

BROWNIE SLEEPOVER

Although our Brownies are now on holidays, happy memories of our recent sleepover in St. Laurence's Hall fill our thoughts.

On Friday night, May 31st 40 brownies and their leaders spent the night in Ballinroad Hall. After travelling from Stradbally and Abbeyside, the night began with some games and songs. After Mrs. Brown's hen had well and truly laid her egg, we headed down to the main hall where Fiona conducted a wonderful craft session. Dave's mobiles could be seen decorating every corner of the hall by bedtime. Once again this activity reminded us that this is the year of peace.

As the early hours of Saturday morning dawned, a certain Guide leader begged to be allowed to go to bed obviously showing her age !!! Soon enough there were rows of sleeping bags but not many sleepy heads !!! The all important "midnight" feast had to be completed first. Eventually we all caught some "22's" !!! What a lovely way to end another fun-filled action packed Brownie term.

We would like to thank Fr. Ahearne and the Parish Hall Committee for the use of the hall. It is a very comfortable venue and a credit to this hardworking committee.

Go raibh míle maith agat.

THANK YOU

All involved in Guiding in Abbeyside would like to take this opportunity to thank Lyle and Mary Buchanan of Sparks, Nevada, U.S.A. who recently donated a marvellous first aid box to the unit. This kit contains everything an active unit could ever possibly require and we all know the importance of having a well stocked kit in our possession at all times. "Ann's Guides" First Aid Kit has already travelled thousands of miles to get to us and from now on it will continue travelling with us wherever we go. I do hope it likes Curragh Chase, Co. Limerick !!!

MELLERAY WORK CREW CATERING WEEKEND

Yes the crew were in Melleray again last weekend but who says it has to be all work and no play? Still a few questions remain like who kept Foxy Paddy's bed warm, what do you do with a sleep unit leader, does Brendan really snore, where do sleeping bags go when they go for a walk, who framed Killian Phelan and why are Lizzie and Jenny still watching their backs?

BEST WISHES

Best wishes to Jimmy Shine. We hope to see you back in action soon.

Abbeyside Reference Archive

A few weeks ago we reported the publication of a new look on Sarah Purser. We now have that book for sale any Sunday evening, it's a quality production with many colour plates and costs £12.50. The title is "A Portrait of Sarah Purser" by Mary Brennan - Holahan and is a very nice addition to our "book shop".

We have to congratulate James on getting the Visitors Book into double figures last Sunday.

This Sunday Seamus O'Brien will be in charge of our treasures from 2.30 p.m. to 5.30 p.m.

Beauty Basics

A THOUSAND WAYS TO IMPROVE YOUR IMAGE

Nail Care

To keep your nails healthy, shape them by filing gently, do not cut your finger nails as this may weaken the nails. You can file your nails to look round or square. If a nail cracks or splits, file it immediately, so it doesn't get any worse. If you have very wide or square nails, make them look longer by putting a deep colour nail polish down the centre leaving the sides free from colour. When painting your nails, always start with a coat of base polish. This evens the nails as well as preventing the nails from becoming discoloured. If you haven't any base coat, use a top coat or clear varnish as an alter-

native. Nail polish should be applied to the nail in three strokes. Don't apply too much polish to the nail. Apply two coats of polish, allowing each coat a couple of minutes in between to dry. Finish by applying a top coat, this will help to give a finished look and protect the varnish from chipping. If you don't have a varnish to suit your lipstick, mix different shades of varnish until you get the appropriate colour. Pale nail varnish looks good with dark skin, In the summer lighten your polish with a pearl coloured polish. Remove your nail polish regularly with a good nail polish remover. Most are oily removers which are gentle on the nails. Chipped

nail polish looks awful. If you want a French manicured look, but haven't time to have a professional manicure, use a white nail pencil underneath the nail tips, this will make them look extra clean and attractive.

HOUSEHOLD TIPS..

- Stop glass mirrors steaming up by rubbing with a little neat washing-up liquid.
- Glass vases, carafes, cruets or decanters that are stained or cloudy should be filled with water containing a teaspoon or two of household ammonia. Leave to stand for a few hours then wash and rinse with clean water.

Chet's Corner

Menus for the week

a large pan of boiling, salted water for 10 minutes or until just tender. Meanwhile, heat the oil in a large frying pan and fry the chipolata sausages until they are lightly browned. Remove with a slotted spoon and slice. Return the sliced sausage to the pan with

the spring onions and sweetcorn. Fry for 2-3 minutes then stir in the tomatoes and the chopped chives. Season to taste. Simmer for 10 minutes. Drain the pasta and stir into the sausage sauce. Toss well to coat the pasta and serve immediately.

Spicy Vegetables

Preparation: 15 minutes
Cooking: 35 minutes
Serves: 4-6

CARAWAY CABBAGE

- 1 small Savoy cabbage, chopped
 - 6 rashers smoked streaky bacon, rinded and chopped
 - 2 tsp caraway seeds
 - 2 tbsp white wine vinegar
- ### SPICED MARROW
- 900g/2lb marrow, peeled
 - 2 tbsp oil
 - 1 tsp ground cumin
 - 1 tsp ground coriander
 - a pinch of chilli powder
 - 1 (225g/8oz) can plum tomatoes
 - fresh chopped parsley to garnish

METHOD: To make the caraway cabbage, place the cabbage in a steamer - or in a metal colander or sieve over a pan of simmering water. Cover and simmer for 7-15 minutes until cabbage is just tender. Meanwhile, fry the bacon

in a pan, in its own fat for 10 minutes until crisp. Drain off any excess fat. Stir in the caraway seeds and white wine vinegar. Put the cabbage in a warmed serving dish and toss in the bacon mixture. Season with freshly ground black pepper. To make the spice marrow, cut the marrow in half lengthways and, using a spoon, scoop out seeds and centre fibres and discard. Cut marrow into chunks. Heat the oil in a frying pan and stir in the spices. Add the marrow chunks and cook gently for 15 minutes until just browned, stirring regularly. Stir in the tomatoes and simmer gently for 2 minutes, breaking tomatoes into pieces, until the marrow is tender and tomatoes are warmed through. Season to taste with salt and freshly ground black pepper. Serve garnished with fresh chopped parsley.

Plum & Almond Conserve

Preparation: 20 minutes
Cooking: about 40 minutes
Makes: about 2.3kg/5lb

- 1.8kg/4lb red plums grated rind and juice of 2 lemons
- 1.4kg/3lb granulated sugar
- 100g/4oz blanched almonds
- 4 tbsp brandy or almond liqueur

METHOD: Halve the plums and remove stones. Break the stones with a nutcracker and place in a pan with 300ml/1/2 pt water to draw out pectin. Bring to the boil, cover and simmer gently for 10 minutes. Strain the juice (discarding the stones) and place in a large, heavy-based saucepan with the plums, lemon rind and juice. Cook gently for about 10 minutes until the fruit has softened, stirring frequently. Add the sugar and heat gently until the sugar dissolves. Stir in the almonds. Bring to the boil and boil rapidly until the setting point is reached. To test for the setting point, remove from the heat and spoon a little of the syrup on to a chilled saucer. Chill for 1 minute then push gently with a finger. If the syrup wrinkles, setting point has been reached. If not, return to the heat for 5 minutes then test again. Stir in brandy or liqueur and leave for 10 minutes. Turn into prepared jars. Cover and label.

Swirly Pasta Sausage

- 450g/1lb pasta spirals
- 1 tbsp sunflower oil
- 350g/12oz chipolata sausages
- 1 bunch spring onions, trimmed and diagonally sliced
- 8 baby sweetcorn, sliced or 6 tbsp canned sweetcorn kernels
- 1 (400g/14oz) can chopped tomatoes
- 2 tbsp fresh chopped chives

Family Health

By Dr. DAVE BARRY

Q. Since our children went back to school last September we've had more than our fair share of head lice. I treat them, but they get them again and again. I'm really fed up with this and don't know what else I can do. Have you any useful hints?

A. I think nearly every school I have heard about have been overrun by head lice since the start of the school year for some reason. Head lice have nothing whatsoever to do with hygiene - in fact, they thrive in clean hair. They are passed on during head-to-head contact and can spread quickly through the whole class and family. It's very important that every parent takes steps to treat the whole household once word is passed on through school that it is doing the rounds, and that parents then in turn inform the school when it is found their children

have it. The female louse lays tiny eggs which hatch out after 10 days and the egg cases (the white specks that stick to the hair) are left behind. The lice itch most, and can be found especially around the nape of the neck and behind the ears. Its best treated with both lotion and shampoo. There's no sure way to avoid head lice but the following tips should help:

1. If you do find lice - treat immediately and inform the child's teacher.
2. Reassure the child that it's not their fault - lice prefer clean heads.
3. Use a fine-tooth comb regularly on everyone in the house - this injures the lice and prevents them hatching.
4. Watch out for itching especially at the back of the neck and behind the ears.
5. Check the family's hair once a week for signs of lice.

Villierstown Primary Schools Clipboard Quiz

Carriglea N.S. who came second in the 5th Class Quiz with trophies sponsored by East Cork Oil. From left to right: Kevin Curran, David Hickey, Elaine Casey and Peter Queally. Also included are Ned Keane (Quiz Master), Breda Clancy (Chairperson, Villierstown Parents' Association), Margaret Cunningham (Principal, Villierstown N.S.) and Johnny O'Brien (East Cork Oil, Sponsors.)

The Villierstown Primary Schools' second Clipboard Quiz took place in Villierstown Church or Villierstown Community Centre as it is known as nowadays on Tuesday, 21st May and Tuesday, 28th May. It was a resounding success with a total of 75 teams in attendance. Sixteen schools participated in our Quiz and they are as follows: Glenbeg N.S., St. Mary's (Dungarvan), Girls' N.S. (Cappoquin), Boys' N.S. (Cappoquin), Carriglea N.S., Ballinameela N.S., St. Joseph's N.S. (Dungarvan), Coolnasmeear N.S., Aghish N.S., Modllo N.S., Scoil Gharbhain, Ballycurrane N.S. Lios Mor Mochuda, Presentation Convent (Lismore), Ballyduff Upper and Villierstown N.S.

On Tuesday, 21st May our quiz was for third and fourth classes and the following teams emerged victorious: — Third Class 1st. Coolnasmeear N.S. with 39 pts, 2nd Ballycurrane N.S. with 36pts, 3rd Glenbeg N.S. with 34 pts.

As can be seen from the above score, there was a clear cut result here with no ties and therefore no further rounds to contend with.

Fourth Class — 1st St. Mary's (Dungarvan) with 43 pts, 2nd Coolnasmeear N.S. with 43 pts, 3rd St. Joseph's (Dungarvan) with 41 pts.

We actually had a tie among the first two teams, St. Mary's and Coolnasmeear for first place. After an extra round St. Mary's occupied first place with a score of 4 pts while Coolnasmeear took second prize by scoring 2 pts.

Two teams from St. Joseph's tied with Glenbeg N.S. as the three teams had a score of 41 pts each. Another round of questions had to be called and St. Joseph's 'A' team tied with Glenbeg once again as both teams got 1pt each. Eventually St. Joseph's narrowly defeated Glenbeg by 1 pt and won the coveted prize of 3rd place.

Our next big night was Tuesday, 28th May and teams from 5th, 6th classes made their appearance and the following schools were successful.

Fifth Class — 1st St. Mary's with 45pts, 2nd Carriglea with 39 pts, 3rd Scoil Gharbhain with 36 pts.

As you can see St. Mary's came first with a marvellous score of 45 points out of a total of 50 pts. They were followed close behind by Carriglea and Scoil Gharbhain who both occupied second and third place respectively.

Sixth Class — 1st Coolnasmeear with 48 pts, 2nd Ballyduff Upper with 44 pts, 3rd St. Joseph's (Dungarvan) with 41 pts.

Coolnasmeear had a superb victory here as they scored a total of 48 pts which was a brilliant achievement when one considers that the maximum score was 50 pts. Ballyduff Upper performed very well also considering that it was their first time attending our Quiz. We would like to welcome them to our Quiz and hope that we will see more of them in the near future.

We had a thrilling finish for third place. We had to have an extra round of questions to decide who would emerge victors as Glenbeg and St. Joseph's had each a score of 41 pts. However, St. Joseph's defeated Glenbeg by the narrowest of margins and so occupied 3rd place. There was great excitement and tension as the final score was announced for the best performing school. Coolnasmeear emerged as the best overall school with a total score of 130 pts and they won the long sought after Megavision Shield.

The teams from each night were also presented with the following perpetual trophies: — Best 3rd Class (East Cork Oil Trophy) was presented to Coolnasmeear N.S., Best 4th Class (East Cork Oil Trophy) was presented to St. Mary's (Dungarvan), Best 5th Class (John Cunningham Trophy) was presented to St. Mary's (Dungarvan), Best 6th Class (Rita Ronayne Trophy) was presented to Coolnasmeear N.S. Best Performing School (Megavision Shield) was presented to Coolnasmeear N.S. We would like to extend our sincere thanks to the following who helped out on the nights concerned. Quiz Masters: Tom Scanlan and Ned Keane. Many thanks also to the Quiz Panel, collectors, photographer, score-keepers and receptionists, all of whom comprised of parents, teachers, past-pupils and friends. Everyone was delighted to see Rita Ronayne out and about again and enjoying the Quiz. We would also like to thank all the teachers who encouraged their schools to participate in the Quiz as the last term is a very hectic one with all the hurling matches, girls' football matches, camogie matches and Primary Schools' Sports. Many parents were amazed at the high standard of General Knowledge among their children as the final scores on each night were very high, the highest score being 48 pts out of 50 pts which is no mean achievement. We would like to congratulate the teachers on inculcating such a high standard of General Knowledge in their schools and supporting us over the last sixteen years. Our Quiz would not be such a success without your great commitment to your schools and pupils.

I often lie awake at night,
When the world is fast asleep,
And take a walk down memory lane,
With tears upon my cheeks.
It broke my heart to lose you,
But you did not go alone,
For part of me went with you,
The day God called you home.
I hide my tears when I speak your name,
But the ache in my heart will always remain,
Although I smile and seem carefree,
No one misses you more than me.

POWER — Thirteenth Anniversary — In loving memory of my dear father, Sean Power, 45, Childers Estate, Dungarvan, who died on June 15, 1983.

CUNNINGHAM — Second Anniversary — In loving memory of a wonderful husband and father, Moss Cunningham, Ballyheeneey, Clashmore who died on June 13, 1994. Mass at home on Thursday at 8.30 p.m.

God saw the road was getting tough,
The hill too hard to climb,
He gently closed your loving eyes,
And whispered peace be thine.
A lot in life has happened,
And many things are new,
But something that never changes,
Are the memories of you.
So rest in peace dear loved one,
And thanks for all you have done,
I know that God has given you,
The crown you've surely won.
We shared so much together,
Throughout the passing years,
We had our times of happiness,
And sometimes shed some tears.
But life with you was always —
Kind words, a loving smile,
You filled my life with pleasure,
Making everything worthwhile.
(From your loving wife Peg and family.)

CUNNINGHAM — Second Anniversary — Treasured memory of my wonderful Dad, Moss Cunningham, Ballyheeneey, Clashmore who died on June 13, 1994.

Sad is the heart that loved you,
Silent the tears that fall,
Living life without you,
Dad,
Is the hardest part of all.
As I held your hand that evening,
I knew I would have to part,
With a kind and loving dad,
Whom I loved with all my heart.
You faced the end with courage,
No one knows the pain,
But I have the consolation,
Nothing can hurt you again.
Will those who think of him today,
A little prayer to Jesus say.
(Forever in our thoughts and prayers — your loving daughter Kate, Edmond and family.)

NOVENAS

ST. MARTHA — I resort to thee and to thy petition and faith. I offer up to thee this light which I shall burn for nine Tuesdays. Comfort me in all my difficulties as thou didst enjoy the favour when Our Saviour lodged in thy house. I beseech thee to have infinite pity with regard to the favours I ask (mention requests). Intercede for my family that all may be provided for in their time of need. Help me to overcome the dragon which thou didst cast at thy feet. Say one Our Father and three Hail Marys. Repeat for nine Tuesdays, together with lighted candle. — T.F.B.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — M.J.A.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — C.P.

Any Money For Potholes?

That was the question posed by one Councillor at last Monday's Waterford County Council meeting. The pothole situation is so bad on some county roads said Cllr. Willie McDonnell that people were afraid to walk let alone drive on them!

County Engineer John O'Flynn however said the bulk of the Council's road money had gone into repairing damage caused by storms and flooding earlier this year. Working with a limited budget, Mr. O'Flynn

reported that he hoped to carry out repairs to some potholes during the summer.

Cllr. Billy Kyne's suggestion that the Council tackle the more serious potholes was subsequently challenged by Cllr. Michael Queally who asked what the term 'serious' defined with one Councillor quibbling that the Council draw circles around them!

Mr. O'Flynn submitted that the more serious potholes can be reported to the engineer in charge of the particular area.

For many years Fr. Jackie wrote for the 'Irish Catholic' newspaper and he is well known in Ireland and England for his popular retreats

and missions.

The Dungarvan priest is National Vice-President of the Apostolate of Our Lady Of Fatima.

A highly respected member of the Augustinian order, Fr. Jackie has also served as Prior in Cork and Limerick and he has now returned to St. Augustine's Priory in New Ross.

The special Mass last Friday to celebrate the Golden Jubilee of his ordination was concelebrated by over twenty Augustinians as well as

Canon Gregory Power P.P., Dungarvan and Fr. R. Doherty P.P., Abbeyside. Following Mass a reception was held in St. Augustine's College at Duckspool.

On Sunday, Fr. Jackie celebrated 12 o'clock Mass in St. Mary's Parish Church.

The opening game was the under-12 semi-final which saw Team A (Arlene Kenny, Louise Feeney, Claire Miller, Sharon Lawless) defeat Team D (Lisa Daly, Lorraine Lawless, Lorraine Flynn, Niamh Ahearn) by 9 goals to 2.

The under-9 semi-final was won by Team F (Marie Feeney, Niamh Geary, Vanessa Hannon, Emma Scanlon) who defeated Team G (Aoife Walsh, Vicky O'Rourke, Kate Feeney) by 4 goals to 2.

The first final was the u-12 plate, which was won by Team B (Kate Canning, Brid Hannon, Shauna Hannon, Gillian Hogan) who proved too strong by 7 goals to 3 for Team D (Lisa Daly, Lorraine Lawless, Lorraine Flynn, Niamh Ahearn).

Next we had the u-9 plate final and after a low scoring game Team H Sheila Ahearn, Sonya Condon, Leanne Power and Breda Feeney) came out on top over Team G (Aoife Walsh, Vicky O'Rourke, Kate Feeney) by 3 goals to 1.

The under-12 final was a very high scoring contest with Team C (Veronica Kenneally, Aileen Byrne, Amy Feeney) who were the favourites from the outset, coming out on top over Team A (Arlene Kenny, Louise Feeney, Claire Miller, Sharon Lawless) by 9 goals to 7.

The u-9 final had all the drama with extra time and sudden death needed before we had a winner. It was Team E (Sharon Kenneally, Christina Daly, Elaine Daly, Aisling Walsh) who came out on top by 4 goals to 3 over Team F (Marie Feeney, Niamh Geary, Vanessa Hannon, Emma Scanlon).

Mr. Dave Barry, Chairman, Ballyduff Adult GAA Club, presented the prizes to the winners amid scenes of great excitement. The ladies committee provided refreshments for all present. Thanks to all the girls for taking part and to the parents for helping out and Mrs. Catherine Kenny, N.T. for organising the teams.

The club extends sympathy to the Casey family, Toor, Ballyduff, on the death of Johnny Casey who died at the weekend.

BALLYDUFF MACRA

Ballyduff Unlucky On Sunday — Last Sunday the Ballyduff men headed to Kilmacthomas. A large crowd turned out to see the tug-o'-war which was the main event of the day. Cappoquin won the final, but only by a small margin and Ballyduff were unlucky not to come out victorious.

Ballyduff beat Kilmacthomas but were unable to keep up the momentum, and Cappoquin came out winners. Congratulations to Cappoquin and well done to the Ballyduff lads who put up a great fight.

There is volleyball on next Wednesday night in Dungarvan from 9 to 11. All members are asked to attend.

CARAVAN HIRE IN BALLYDUFF

Elemshals Luxury Touring Caravan hire company is open for business in Ballyduff. Elemshals luxury touring caravans provide you with a complete home-from-home at a very low cost. All caravans are fitted with double glazing, cooker, fridge, heater, shower/toilet and are of a very high standard.

You can take any one of the caravans from a weekend to a fortnight. For example, a weekend in the beautiful Ring of Kerry, staying at any one of the 4 star campsites that Eleanor would be pleased to book for you, would cost as little as £75 for the whole family.

Elemshals luxury caravans are not only hired for pleasure, but for business too. Many companies are realising they can increase their company profile by taking one of our caravans to agricultural, trade shows, local community days, or indeed anywhere where a mobile office may be of use to them.

Eleanor would be pleased to quote on daily, weekend hire or tailor-made pack-

ages. So why not give her a ring on 058-60419 or Fax 058-60435 and see how quickly and cheaply you could be touring beautiful Ireland this summer.

BOOLEY HOUSE TOUR TO TURKEY A HUGE SUCCESS

On Wednesday evening last, 28 members of the Booley House Traditional Entertainment Group flew into Cork Airport on their return from Istanbul in Turkey where the previous Monday night they had represented Ireland at the 9th Mapi Krudi International Youth Festival.

The group put on a one hour show in the city's Concert Hall in front of an audience of 4,000 people. The audience were enthralled by the display of Irish dancing, traditional music and set dancing. The group received a presentation from the organisers of the festival.

The Booley House will open it's summer season performance in St. Michael's Hall, Ballyduff on Wednesday, June 26th at 8.30 p.m. and continue each Wednesday thereafter until the end of August.

In Ballyduff, the group will be putting a ninety minute show featuring the best of traditional entertainment including singing and storytelling. Last year attendances surpassed all expectations and the advice is to book early. Bookings can be made by phoning (058) 60287, 60152 or 60158 or at Lismore Heritage Centre at (058) 54975. G.A.A. NOTES JUNIOR FOOTBALL

On Friday evening last in Cappoquin our footballers were opposed by Stradbally 'B'. We started very well and led by 5 points at one stage. Stradbally got into their stride and we had some poor misses which left the half-time score 1-6 to 0-6 in Stradbally's favour. Whatever John Frewen said at half-time, we saw a much improved performance in the second half. At the end of an entertaining game we

had won on a scoreline of 1-14 to 1-7.

Next weekend it's back to hurling and we surely have a mountain to climb with Abbeyside, the opposition. They were beaten finalists last year and must be one of the favourites to go the whole way this year. One hell of an effort is needed in this one. The game is fixed for Sunday evening in Cappoquin at 7.30 p.m.

FEILE NA nGAEL

Shamrocks G.A.A. Notes

INTERMEDIATE FOOTBALL WESTERN CHAMPIONSHIP

In the second round in Ardmore on Saturday evening we were well beaten by Ring and with the type of display shown by our players on that occasion our chances of winning a championship in 1996 are very slim indeed. The Ring team dictated the game in all sectors of the field and lack of training by our players showed up in a big way.

We have one other game in our section against Lismore and are hoping to show a 100% improvement for that if we want to make any impact in the championship this year.

U-14 Co. HURLING CHAMPIONSHIP

We had a successful outing against Brickeys at Knockanore last Saturday. This was for us the last game in that championship as we had made our exit at an early stage against teams from Lismore, St. Mollerans and Ferrybank, so we will be looking forward to the Feile na nGael competition later this month.

UNDER 12 WESTERN HURLING CHAMPIONSHIP

We were beaten by St. Olivers in the quarter final on last Sunday and we wish them all the best in their remaining games.

INTERMEDIATE HURLING WESTERN CHAMPIONSHIP

We will be meeting Cappoquin at Lismore on Sunday next at 3 p.m. and we wish the lads the best of luck in this one.

FEILE NA NGAEL

We will be hosting a team from Fermanagh who will be arriving at Knockanore on Thursday evening June 20 and will be staying in the area until the following Sunday. There are four teams in our group — Fermanagh, Clashmore, Leitrim and Shamrocks and there will be a couple of games in our newly developed field which is now looking very well. A meeting in connection with the Feile took place on Monday evening at Knockanore and full particulars of events will appear in next week's issue of "the Leader".

Pat Morrissey on 37 with Albert Corcoran Gross Qualifier on 25 pts. Tallow Juvenile G.A.A. Club ran a very successful and enjoyable Golf Classic on Friday and Saturday. Many club members took part. Sunday saw a change and miserable golf weather for the Clubs 18 Hole Stableford Competition which was won by J. P. Byrne with 40 pts with Vice President Denis McCarthy second also on 40 pts.

COUNTRY CLUBS EXCITING WIN

On Tuesday last 7 good golfers went into battle with Mitchelstown for the Country Clubs Competition. Noel Foley was first off and very quickly his opponent ran out of holes 5/4 to Noel. Pat Bennett at Number Two was a winner 3 and 1, while last man out Frankie Corcoran was always in control winning 4 and 3. Therefore, we needed one more win. Maurice Cahillane never got going and lost his match. Dave Murphy was involved in a cliffhanger eventually losing out on 18. Time for a spot of nail biting. Team Manager Pat Norris was one down playing 17 and doing everything in his power to secure the vital win when the cavalry arrived with the news that Michael McGrath had won on the 20th — Lismore 4 Mitchelstown 2 — Match called in.

JUNIOR CUP

On this weekend our Junior cup team go into action at West Waterford under Manager Richie Ormonde, playing either Faithlegg or Carrick on Saturday afternoon.

CORK EXAMINER AMM-AMM

On Sunday last at Adare, Richie Ormonde, Chris Whelan, and Jim Cashman represented Lismore Golf Club in the Cork Examiner Amm-Amm at Adare. They enjoyed much better weather than we were subjected to. East Cork ran out winners with 51 pts while Richie, Chris, and Jim put up a fine performance to be just five points further back.

CLUB OUTING TO ST. HELEN'S BAY

The Clubs are polished, the bags are packed, and all is in readiness for the Club Outing to St. Helen's Bay Golf and County Club on this coming weekend. Vice President Denis McCarthy has done a wonderful job in organising the trip and if the weatherman can repeat last years performance it promises to be a weekend to remember.

LIFESAVING AWARDS AT CLONEA STRAND HOTEL

Life guards who received their bronze medallions and merit awards at Clonea Strand Hotel Sports & Leisure Centre recently. Also included are Michael O'Connor and Joe Connelly, R.L.S.S. Examiners, Nuala Ryan, Chairperson Dungarvan U.D.C., Clare Morrissey, Manageress Leisure Centre, Yvonne Lawlor, R.L.S.S. Tutor. —(Photo: Pat Crowley).

A group of local swimmers received national life-guard qualification recently after successfully completing a water safety and life saving course at Clonea Strand Hotel.

Established in 1993, the

Bronze Medallion Award course runs continuously throughout the year under instructor Yvonne Lawlor. There's now a huge amount of interest in the course which progresses from Bronze Medallion to Award

of Merit and finally to Distinction of which there is currently one class at Clonea.

Presenting the group with their bronze medallion life-saving awards was Cathaoirleach of Dungarvan

Urban District Council, Cllr. Nuala Ryan who congratulated the swimmers on having attained their goals in this important area.

The glamour attached to Baywatch she said is pure Hollywood fantasy and the

group's greatest satisfaction will be in knowing that they are giving a vital service to the public.

"Yours is a vital contribution and if you only save one life in your career, then all those hours, all that

work and all that tuition will have been worthwhile", she stated.

Cllr. Ryan also congratulated instructor Yvonne Lawlor and all the tutors who brought the group to this advanced level.

GALA VICTORY DINNER FOR C.B.S. YOUGHAL

C.B.S. Youghal rounded off a tremendous sporting year with a Celebration Dinner at the Devonshire Arms Hotel recently. The dinner was attended by 140 guests who gathered to applaud a tremendous commitment to a wide range of sports in C.B.S. Awards were presented to a variety of young men who all achieved high levels of success during the school year. The Award Ceremony was attended by parents, teachers and club mentors from the local clubs as well as Br. Tom Collins, Superior of the Christian Brothers in Youghal.

SCHOOLBOYS SOCCER

Schoolboys soccer was introduced for the first time in January when the local Soccer Club and coaches combined with the school to present four teams at Munster level. The Under 12s represented Cork County, with distinction, but unfortunately without success, in the Munster Championship in Tramore.

The Under 16s were narrowly beaten by a goal in the last minute of extra time. The Under 14s and the Under 18s both won the Munster Championship after a long and hard campaign. Winning a Double Championship in their first year was a superb achievement and deserved the highest accolades for such a novel combination.

The Senior Squad played teams from Cobh, PBC, Blarney, St. Flannans of Ennis and finally St. Declans of Kilmacthomas in the final.

The Under 14s beat Nagle Community College, Cobh, Ashton and St. Caimins of Shannon on their route to victory.

Principal, Kieran Groeger thanked the Soccer Club for their support and said, whenever a school can field a club side and have the club mentors supporting, and calling the tactics they are almost unbeatable, whether it is soccer, football, hurling or rugby. He said it was easy to enter the soccer players from Youghal United as almost the whole squad were pupils of the school and the two gaps were easily filled by the tremendous talent

available in Ardmore, Knockanore and Clashmore. This was an initiative he hoped would continue for many years.

The winning teams were presented with their medals by Alan O'Shea, himself a past pupil of C.B.S. but now a professional soccer player in Belgium. A special presentation was made to Alan in recognition of his achievements in soccer. His team have moved up a division in the Belgian League and with Alan as their goalie are proving hard to beat.

G.A.A. HONOURS

Brian Lotty, G.A.A. Development Officer and P.E. teacher in C.B.S. spoke of the exciting new initiatives he has introduced to the C.B.S. Transition Year students are trained to be coaches and work in the National Schools training boys and girls in G.A.A. skills. A new Competition has been put in place to help develop the skills of hurling and football in the Primary Schools. This is the Don

McWhinney Memorial Trophy - won this year by Aglish National School. There are individual trophies also.

This year C.B.S. competed in no less than five county finals in Football and Hurling and for this achievement alone, said Brian Lotty, the teachers and students deserved great credit.

In the past fortnight the school had again won the County Senior Hurling Championship, for the fourth time in five years - making C.B.S. Youghal a leading school in both Football and Hurling. Medals were presented to the winning team, by their Captain - Brian O'Connell.

SPECIAL AWARDS

Special awards were given to a number of students for high achievement. Stephen Tuohig won the All Ireland Boxing Championship for the second year running. Michael Butler was presented with the Golfer of the Year Award for the incredible series of wins he has

compiled in Golf. Liam Kelly, teacher and golfing enthusiast, was unfortunately absent on the night as his duties as Club Captain prevented him from personally awarding Michael with his trophy.

Paul O'Connell, Captain of the Tennis Team which was beaten by C.B.C., Cork in the Munster Final was presented with an award for his success in Tennis. Teacher and Coach, Frank Delaney, in presenting the award complimented Paul O'Connell on his dedication and hard work. Frank Delaney has introduced an exciting professional coaching programme in the school and is hopeful of major developments in tennis in the school in the coming years.

Footballer of the Year was Alan Healy who has not only served his school and club with distinction but is now also playing for Cork Minor in the years to come. Hurler of the Year was Brian Foley, who plays with the

senior squad even though he is only in Third Year. Soccer player of the year is Alan White, captain of the Under 18 Munster Winning Team. Special Achievement Awards were also made to Brian Mackey for his fantastic achievements in Rugby. He has played for Munster and is now on the Irish rugby squad. Darren Dalton and David Healy have also earned their place on the Munster panel and were praised for their effort and presented with awards.

In addition to the activities listed above, C.B.S. also competed in the Munster Pitch and Putt Championships, the All Ireland Showjumping, the Cork county Sports, and all major Schools Golf Championships. Brian Lotty complimented the boys, their teachers, parents, and club mentors for their unstinting efforts to develop sporting interests in whatever field of activity.

A very pleasant evening was had by all.

Abbeyside Are U-11 League Champions

Abbeyside are under-11 league champions. With one remaining league game to play, they have captured the under-11 B league title in a remarkable unbeaten and high scoring crusade that saw them strike some 51 goals, and only conceding seven.

A lot of pre-season training which continued throughout the playing season, was certainly a dominant factor in the side's successful run and the uncoordinated raggle taggle side of last season was honed into a superb playing machine that despatched all-comers in clinical fashion.

Wednesday evening last was to be the final game for the Villagers but Bohs were unable to field a team which was disappointing for us, but after another hard training session the team were taken to Abbeyside school for a surprise party.

The party was attended by most of the parents. Indeed it was the parents who laid out the mountain of goodies which we assumed would never be eaten — how wrong we were! The function was also attended by the Chairman of the Waterford Schoolboy League, Tom Browne, who presented the trophy to the winning captain, Brian Morrissey and medals to the players.

Disappointingly; we were left two medals short despite having ordered same, so two players were disappointed on the night. It was something we were not aware of until Tom Browne ran out of same.

Team captain Brian Morrissey then gave a short speech in which he thanked John McGovern and Ed Cantwell. He thanked Mr.

and Mrs. P. Drummy who had attended all their games over the season and his team mates for their co-operation and support over the season.

Our thanks to the parents who contributed and made the evening such a success and for helping out; to Finbarr Keohan for the use of the school, and especially to Mary-Agg McGovern who spent four patient hours in

the school.

UNDER AGE

There are a few more weeks training to go before the holidays and the Pub League. Last Thursday we pitted our under age side against "Magoo's Girls" in a friendly. The 10 year olds were a little strong so we put the seven to eight year olds in against them. They were far too strong for the girls and we lost count of the goals they scored. The girls did manage to score one goal after they borrowed some good under eleven players for the final 10 minutes.

DISCIPLINE

While there are always between 30 and 40 children at training each Thursday night, one or two continue to be troublesome and cheeky, but the remainder are very well behaved. We don't expect little saints at training and we do allow the children to enjoy themselves and the regime is far from strict, but we cannot have our decisions questioned and we will not tolerate back-chat, bullying and potential players refusing to do what they are told.

MANCHESTER UNITED SUPPORTERS' CLUB

The above committee are organising an overnight outing for the weekend of July 13 to celebrate United's double winning season. All members interested please have name and £10 deposit handed in to any committee member by June 22.

The club wishes to extend their deepest sympathy to the family of the late Mrs. Ellen Whelan, Lyre, Kilmacthomas.

CARLING INTER-FIRMS TOURNAMENT FINAL

Pratt Shatters Crystal's Dreams

TRADERS 2
CRYSTAL 'B' 1

Veteran Tommy Pratt was the hero for Traders in the final of the Carling Inter-Firms Soccer Tournament played at Kilrush Park on Friday evening last.

Pratt hit both goals after 5 minutes and 75 minutes to give his side victory over a fancied Crystal team in a very well contested final played in brilliant sunshine with a slight crossfield breeze.

Traders played in the country goal in the first half and dominated the opening minutes. Eugene Curran chipped a lovely ball over the defender for Tommy Pratt to run on to and fire an unstoppable shot to the net from 20 yards after 5 minutes. "Doc" O'Connor in the Crystal goal made a

good save from Pratt again 2 minutes later and the Lismore man was causing all sorts of problems for the Crystal defence early on. Eugene Curran's free was met by the head of Dermot Dee but was again saved by "Doc" O'Connor.

Crystal settled and got into the game a lot more in the second 20 minutes of the half. The closest they came to scoring was from a free-kick by big Jim Maher from 35 yards which John Reynolds tipped over the crossbar. So at half-time Traders still led 1-0.

Crystal started the second half very positively and Joe Salmon had a shot tipped over by John Reynolds after good work by Ber Whelan. Midway through the half, Ber Whelan's cross from the left found Jim Maher at the back post and his header hit the foot of the post and rebounded to Dermot Henley whose point blank shot was saved by the foot of keeper John Reynolds.

Crystal equalised after 66 minutes when Liam O'Brien's cross found Dermot Henley who struck a perfect volley to the net. Liam O'Brien had a header flash over the crossbar after

70 minutes. As the match looked to be leading to extra time, up popped Tommy Pratt on the left and he struck a perfect shot to the corner of the net to give Traders a 2-1 victory.

Our thanks to all who made this another successful tournament especially referees, linesmen etc. and to all the firms who entered teams. It was the second year in a row that Traders won the John O'Dwyer Shield and their third time in six years to win the tour-

nament.

Prizes for winners and runners-up were presented later in the Clubhouse which was followed by an enjoyable night's entertainment.

SEMI FINALS ROUND-UP

CRYSTAL CRUSH BEECHAM

CRYSTAL 'B' 2 SMITHKLINE BEECHAM 'A' 1

A free-kick from the left flank was stopped by Beecham keeper Mark McCarthy and Pat "Scooby" Dunford was in like a flash to put them in front. Davy Crotty hit SmithKline Beecham for a second in the 29th minute with an unstoppable shot from the edge of the box to give Crystal a 2-0 interval lead. Brian Freyne gave Beecham a lifeline in the 50th minute with a well taken goal. Crystal defended stoutly and "Doc" O'Connor was called on to make some good saves.

HOLDERS THROUGH AFTER PENALTY SHOOTOUT

Traders 1 Cappoquin Chickens 1 (Traders won 5-4 on pen.)

Traders got the breakthrough in the 30th minute when Eoin Mansfield crossed for Fran McGovern to crack home. On the resumption, it was the Chickens who piled on the pressure especially in the closing stages and following a free-kick, Paul McLoughlin equalised with four minutes remaining.

UNDER-11 LEAGUE

Young Blues Just One Point Away From Title

Our U-11's moved a step closer to clinching the league title after a battling display against Bohemians in Waterford last Saturday.

Against a stiff breeze and without some key players, we went a goal down in the first half.

At the restart however, the lads piled on the pres-

sure and were eventually rewarded when captain Colin Houlihan nipped in for a well deserved equaliser. We are just one point away from the title and hopefully we can produce the same sort of performances as of late when we meet Ferrybank at home tonight (Wednesday) at 6.45 p.m.

ELEVEN MEDALS FOR RING/OLD PARISH ATHLETES

On Saturday and Sunday last the Munster Track and Field Championships which were due to take place in Limerick were instead switched to Waterford Regional Sports Centre and some of our athletes went very well indeed over the two days.

Christopher Coughlan had a great win in the U-14 walk. He gave a great performance from the beginning to take his well deserved medal.

Triona Shalloe ran a super 800m race to finish up in 2nd place on Sunday having ran an equally super 1100m race the previous day when she finished in 3rd place. Well done Triona. Tracey Shalloe ran a great 65m hurdles race and finished in 2nd position here. A great week-end for the Shalloe sisters.

Liam O Lionain ran a marvellous 1100m race to take the silver medal and Billy Harty had a great throw in the shot taking bronze in this event.

Our U/12 boys relay team of Marcus Prendergast, Liam O'Lionain, Gary Nugent and Owen Murphy ran a splendid final to take the silver medals. The team effort here was wonderful with each boy giving his best and they were well deserving of their silver medals. Patrick Trihy was team sub.

Our U/13 girls relay team of Rosemarie Fleming, Marie Trihy, Una Leahy and Sarah Phelan qualified for their final and ran well here.

Our U/11 boys relay team ran very well on Saturday. They were Jason Seward, Owen Murphy, Gary Nugent and Walter Mansfield.

Other good performances over the week-end came from Tish Coady 4th in the walk, Una Leahy ran very well in her sprint final as did Sarah Phelan. Marcus Prendergast, Owen Murphy and Gary Nugent ran well in their finals also.

Sonia Hennessy ran well in the hurdles and we had good throwing from Yvonne Coughlan in the shot. So well done girls and boys and congratulations to our medal winners.

JUNIOR FOOTBALL CHAMPIONSHIP

Easy Win For Ballyduff

BALLYDUFF 5-7 MODELIGO 0-9

In the second game at Cappoquin, Ballyduff got their championship campaign off to a winning start when they accounted for Modeligo.

First half goals from Brendan Hannon, Ml. Molumphy from a 40 metre free and John Twomey helped the "reds" to a 3-2 to 0-5 interval lead. It should be said that two of the goals were of the soft variety. Modeligo had opened the scoring in

the 3rd minute when Pat Fitzgerald pointed. Further points from Shane Reddy, Nicky Donovan, Billy Barron and Fitzgerald again left Modeligo six points in arrears.

Ballyduff led by 3-5 to 0-7 at the end of the third quarter before Ml. Walsh goaled for the "reds" in the 46th minute to kill off any hope of a Modeligo comeback. The winners fifth goal came from sub. James Scanlon in

the 55th minute to leave Ballyduff clear cut winners.

Scorers: Ballyduff — M. Molumphy 1-2, M. Walsh 1-1, J. Scanlon 1-1, B. Hannon 1-1, J. Twomey 1-0, O. Corcoran 0-2. Modeligo — P. Fitzgerald 0-4, K. Reddy 0-2, B. Barron 0-1, N. Donovan 0-1, E. Lonergan 0-1.

Two First Half Goals See Tallow Through

TALLOW 2-6 KILGOBINET 1-5

Goals in the opening half by Stephen (Buddy) Curley and Roy Henley were decisive in Tallow recording a four points win over Kilgobinet at Cappoquin on Sunday last.

The goals helped the winners to a 2-4 to 0-4 half time lead. In a low scoring second half, Tallow stretched their lead (2-5 to 0-4), within four minutes of the restart. We had to wait 12 minutes for the next score, a Kilgobinet goal from Jim Walsh to leave only 4 points between the sides — 2-5 to 1-4.

Kilgobinet were denied another goal in the 51st by Tallow custodian Kieran Murphy before Dermot Henley gave Tallow a five

point advantage a minute later. Two minutes from time Kevin Walsh pointed for Kilgobinet but Tallow ran out deserving winners.

Tallow — K. Murphy, D. Doyle, J. Beecher, T. McSweeney, C. Cunningham, G. Sice, B. Henley, J. Barry, D. Henley, R. Henley, S. Barry, S. Curley, S. Pratt, F. McCarthy, W. Murphy.

WEEKEND DOUBLE FOR FOOTBALLERS Intermediate Football Ardmore 2-13 Ballinameela 0-7

Our Intermediate Footballers recorded their second win in their group with a fine victory over Ballinameela in Old Parish on Saturday evening last.

The team announced on Thursday gave a totally committed display which is very pleasing to the selectors, the supporters, trainer Peter Kirwan and of course to the players themselves who must now see, that with the proper application on the training ground they are as good as anyone in the competition. Here's hoping that in their two remaining games they get the right results to put us in the semi-finals.

A whirlwind start saw us in control at Midfield with Johnny and Anthony supplying good ball to the forward division who proceeded to play copybook first time football with quick accurate passing. Good scores from John Cowming, Kevin Lenane (2) and Ml Veale saw us five points up before Ballinameela made their first attack.

Our Half back line was coping well with the Ballinameela attack and a further goal and a point from Cathal Hennessey left us 1-6 to the good with twenty minutes played. Ballinameela then pulled three points back when needless late tackles allowed them three frees which were duly converted. Further Lenane, Conway and Hennessey points left in 1-9 to 0-3 in front at the break having played with the assistance of the breeze.

The expected Ballinameela onslaught yielded two early points and then a tactical substitution turned the game in our favour again.

The selectors sent wing

forward Kevin Lenane and Brian Power, who had given his all, was replaced with Tony Keane being introduced for his first game this year at Corner forward. Tony showed that despite his long lay off he still has the right touches and his goal and two points steadied the team with further minors from Pat Hallahan and Kevin Lenane leaving our final score at 2-13 while Ballinameela only added a further two points to take their score to 0-7.

Paddy Gallagher did nothing wrong as goal and further practice on his kick out will make him a fine keeper. Seamus Keever, Tom Power and Brian Power gave little in the full back line but will need to tackle for the ball more, as the few frees against us came from mistimed tackles. Our half time of Mike Supple, Anthony Aherne and Nicky Keating were excellent all through giving good support to midfield and for a change giving good low ball to the forward division who showed their true worth on this occasion.

Midfielders Johnny Hennessey and Anthony Sullivan worked tirelessly and complimented each other with five displays. The half forward line of Kevin Lenane, team captain Seamie Veale and county minor Cathal Hennessey won every ball and their unselfish play saw some fine scores being set up and taken. The inside line of John Conway the experienced Michael Veale and Pat Hallahan all had their moments in a fine forward display added too by the introduction of Tony Keane.

All in all a fine all round display following on the victory of the Junior Footballers against the Brickeys on the previous night when at the same venue we had 2-5 to 1-6 victory which keeps us in the hunt in this group also.

The Darren Hennessey lid team put in a determined effort to record a well merited although close victory over a gallant Brickey team who fought to the very end. The highlight of the game was "Bundy" Powers two excellent goals and he was unlucky not to get the hat-trick.

This was a good all round performance from the blues with Darren Lenane doing well in goal, Chippy Hennessey solid at Centre Half Back, the continually improving Ml Dower at Midfield and the returned Sean O'Neill up front. This outfit now has three wins from four outings and if they can win their remaining game against the Geraldines then they will be in a play-off position.

Team: Damien Lenane, Darren Hennessey, John

Power, Raymond Power, Seamus Prendergast, Pat Hennessey, Declan Lenane, Dermot Fahey, Michael Dower, Billy O'Mahoney, Glen Moloney, Sean O'Neill, Conor McCarthy, Mark Power, Shane Lehane.

John Hennessey was sub in case of injury and with the exams over a few more of the Minors might yet be available.

HURLING RESUMES

This week-end our attention returns to the small ball when we again play Ballinameela. At this stage we must win all our remaining fixtures to qualify for the play offs and if last weeks commitment can be earned on to the Hurling front then this is certainly possible as we have plenty of good hurlers who just need a win to get us back on course. We hop this will be the start we need.

JUVENILE AFFAIRS COUNTY ACTION

Four of our young ladies who play their ladies football with "Saint Colmans" assisted the Waterford U-14 Ladies County team to a fine victory our Cork on Saturday last. Team Captain Mary O'Donnell, Lisa Prendergast, Grace O'Brien and Aisling Conway will be in action again next Saturday when the team take on Kerry. We wish them the very best of luck.

FIXTURES U-12 HURLING

Our U-12 Hurlers will play Brickeys in the semi-final of this competition on this Tuesday night in Bushy Park at 7.30 p.m. Report next week.

UNDER-14 HURLING

Our U-14 Hurlers will entertain Passage in Ardmore on this Wednesday night in the County League and this game will also have a 7.30 p.m. throw in. With our final game to be played against Ballyduff probably on Tuesday next we would appear to have a good chance of making the play off as to date we have four wins and a draw with one loss and two games to play so keep up the good work in the build up to Feile where we entertain Kildare.

FEILE 96

Find preparations are being put in place by our Feile committee with matters such as accommodation, entertainment etc., having to be worked out. Naomh Brid G.A.A. Club Notes

FEILE NA GAEL

Our club will be hosting the Ballyrovers U-14 hurling team on the weekend of the 20th - 23rd of June. Ballyrovers are from Innis Shannon which is twenty miles to the west of Cork city. They are the Cork county 'B' champions in which they beat Carrigine in the final. They will arrive in Touraneena on Thursday the 20th. The parents of the local U-14 hurling team will be accommodating this team for three nights. On Friday 21st we will be playing Ballyrovers in Touraneena at 10.30 a.m. We are to play Fourmilewater in the Mill Field at 2.30 p.m. We will then be playing the Limerick champions in Touraneena at 7.00 p.m. Also in Touraneena at 8.00 p.m. Fourmilewater will be playing Ballyrovers. For all these games, the players, mentors and spectators are asked to give full co-operation to the Feile and Field officials to ensure the smooth running of the games. On the Saturday, our team will be travelling to Waterford city for the Feile parade. A bus will leave Modeligo at 12.30 p.m. and Touraneena at 12.45 p.m. If any parents want to travel to Waterford, there will be seats available on the bus. All players must have a pair of runners for the parade.

SCANLON CUP

After beating Tallow in the first round of this tournament we played our neighbours Fourmilewater in the semi-final. It was played at the Abbeyside venue on Thursday evening last. We started at a blistering pace and outplayed our opponents in the first quarter of an hour. Colm Geary opened the scoring with a point and Patrick Coffey added another. John Ahearne put five points between the teams with an excellent individual goal. This incidentally was to be our last score. Fourmilewater then started to claw their way back into the game and scored 1-4 without reply. We had our chances in the final minutes to win the game but on the night it wasn't meant to be. Fourmilewater now play either Lismore or St. Oliver's in the final.

Team — Colin Gleeson, David O'Donovan, Aidan Dalton, Paul McCarthy, John Myles, Adrian Lonergan, Jimmy Buckley, Sean Dempsey, Denis Coffey,

Colm Geary (0-1), John Ahearne (1-0), Paudie McCarthy, Justin Power, Patrick Coffey (0-1), Paul Gleeson. Sub: Mike Kiely.

U-14 CHAMPIONSHIP

Our U-14's travelled to Lismore last Saturday to play the home team in the 'A' championship. Our opponents proved to be a far superior team and the result of the match was never in doubt. To the credit of our players they never gave up and fought on until the final whistle. This is the top division played on a county basis and our players have competed well in every match. It will be a great learning process for the future. It must be an encouraging sign for the future of the club when we are playing in division one and teams like Ballygunner, Passage and Roanmore are playing in the lower divisions. The team against Lismore was, Colin Gleeson, David O'Donovan, Aidan Dalton, Paul McCarthy, John Myles, Adrian Lonergan, Jimmy Buckley, Sean Dempsey, Denis Coffey, Colm Geary, Paul Gleeson, Paudie McCarthy, Justin Power, Patrick Coffey, John Queally. Sub: Stephen Cliffe.

SKILLSTAR

The club held the U-14 hurling skillstar competition last week. In the end it turned out to a great battle between two of the most talented hurlers that the club has ever produced. Only four points separated Colm Geary from Denis Coffey in the end. Aidan Dalton also performed very well to take the third spot. Colm now goes on to represent the club in the county final on Monday evening the seventeenth of June in the Fraher Field.

MIXED FOOTBALL LEAGUE

The results of the fifth round of the mixed football league which is being sponsored by Gleeson's excavation were: Division 1 - Derry 3-4 Down 3-2, Donegal 4-1 Tyrone 4-3, table Derry 8 pts, Tyrone 8 pts, Down 4 pts, Donegal 0 pts. Division 2 - Kerry 1-4 Cork 2-1, Clare 3-4 Waterford 3-2, Cork 7 pts, Clare 6 pts, Waterford 4 pts, Kerry 3 pts. Division 3 - Dublin 1-4 Meath 6-2, Kildare 0-1 Offaly 0-3, table Meath 10 pts Offaly 6 pts, Kildare 3 pts, Dublin 1 pt.

Play off games if necessary and semi finals will be played next Tuesday night.

Letter To The Editor**NO GAME PLAN**

The Editor, "Dungarvan Leader".
A chara,

One could not fault the Waterford hurlers for either their commitment or fitness in the championship game against Tipperary. However, it is not enough to simply say that our forwards were not good enough to break down the Tipperary defence. The fact is that there did not appear to be any game plan or strategy to open up the defence in order to create scoring opportunities. While the Waterford half backs and midfield got plenty of possession (especially in the second half), their only idea was to hit the ball in a straight line as far as possible (several times, straight into the goalkeeper's hand).

Compare this with the short but well directed deliveries from Colm Bonner. Or the way Michael Cleary repeatedly picked up knock-downs after two Waterford players went up for the ball with one Tipperary man and had all the time in the world to send low balls into the gaps in the Waterford defence. Note also the way the Tipperary half forwards regularly switched the direction of play. The naive way the Waterford seniors played also contrasts sharply with the kind of ball the U-21's have been sending into their forward line in their recent tournament games.

A couple of other points of detail are worth noting such as the low trajectory pucks into the wind by the Tipperary goalkeeper. Also, why was Paul Flynn allowed to opt out completely from the pre-match puckabout? I watched him for five minutes, apparently wandering around aimlessly, without once hitting a ball. If he had hit 30 balls in this period, would he have missed that point-blank first minute opportunity which might have done wonders to settle the team down?

The question now is, of course, where do we go from here? Already many people are expressing anxiety that we have got no return yet from the U-21 players who won the 1992 All-Ireland. However, it is worth noting that the Limerick team which won the minor All-Ireland in 1984 and the U-21 title three years later had to wait a further seven years to make a senior championship breakthrough.

However, in the case of Waterford, we should not just be looking to the 1992 teams for the breakthrough. I don't know how widely known it is that since then, Waterford has produced three further very good minor teams. Good luck as much as

anything else gave Cork victory in an excellent game in Páirc Uí Chaoimh in 1993; we beat Tipperary before losing the 1994 Munster final; while, in my view, the 1995 team was more talented than the 1992 minors but, after beating Clare and Tipperary, they failed to rise to the occasion against a great Cork team in last year's Munster final. And this year again, we have a potentially good minor team.

This, of course, is all no coincidence but is a direct product of the excellent coaching going on in our schools. The problem is that there is no proper system in place for developing this talent further at adult level. We now need to put a medium (three-year) strategy in place to get the best out of the assembly line of young talent which has been emerging in recent years. One-year appointments of selectors is not unsatisfactory. At the same time, we have to be very careful in who is appointed, in order to avoid a repeat of the wasted Leahy years.

We need to put someone in charge who is able to relate to and earn the respect of the young players of today. We need someone who can provide leadership and can get the full commitment of all the players, both on and off the hurling field. While we need someone who knows his hurling, what we need most of all is someone who can instill confidence and self-belief (as Ger Loughnane did in Clare).

I'm not sure if there are people answering this description out there, but if there are, I don't think the task of finding them should be left to one man. We need a "search committee" to consult widely with those in the know and to look into the record and background of potential candidates. And target candidates should not have assistant selectors foisted upon them that they do not want. The rule that county champions have an automatic right to appoint a selector has no rational basis and should be dispensed with.

There should be no rush in finding the man we want; we have more time than ever for the job this year. But, one way or another, we have to get it right this time. If we fail to get a successful senior team from the present crop of youngsters, I think we might as well throw our hat at it and start following Clare and Offaly, who have shown how it can be done.

Is mise le meas,
PROINNSIAS BREATHNACH,
Páirc an Ráille,

Club Notes****HURLING LEAGUE**

The Saturday morning leagues are coming to a conclusion and after next Saturday, the finalists should be known. Thursday, June 27th has been set for the finals which we hope will be a gala occasion for the U-9's, U-10's and U-12's.

U-12 HURLING

The U-12 hurlers were defeated 1-3 to one goal away to Tallow on Friday evening last. Their record going into the final game away to Abbeyside, which will have been played on Monday, June 10th stands at one win and two defeats.

U-14 HURLING

The U-14 hurlers continued on their winning way in division two with a victory over Tallow on Saturday. Two games remain in the series - away to Cappoquin tonight (Wednesday) and away to Colligan on Saturday at 3.00 p.m.

Hopefully the teams will play well in the above games and be of good preparation for Féile Na nGael on the weekend of June 21st - 23rd.

FEILE

We have now learned that our Offaly visitors will come from Coolderry. The team will be captained by Brian Carroll. Brian is no stranger to Croke Park as last year he took in the I.N.T.O./Mini Sevens. Coolderry supply full forward Pat O'Connor to the present Offaly team.

As the weekend approaches, arrangements continue apace and there will be a final Juvenile Meeting on

Tuesday next, June 18th. It will be a weekend when the club as a whole will be on show and not just any one section. With the co-operation of all under the Chairmanship of Fr. M. Kennedy, we are sure the club and indeed the community will not be found wanting.

The County Final to find a Waterford representative for the Féile hurling skills competition takes place at Fraher Field on Monday next, June 17th at 7.00 p.m. Dungarvan's representative will be Raymond Kirby of Congress Villas and we wish him every success.

JUNIOR FOOTBALL

At the Colligan venue on Saturday night last, we took on Sliabh gCua in the Junior Football Championship.

We got off to a very poor start trailing 1-1 to no score after five minutes. We eventually got our act together and started playing good football and at half time we led 2-4 to 1-3. We dominated the second half exchanges and ran out winners on the scoreline of 3-12 to 1-4.

SENIOR FOOTBALL

The Senior Football Championship game against Tramore due to be played on Sunday last was called off due to the foggy weather conditions.

SYMPATHY

On behalf of the club, we extend our deepest and sincere sympathy to John Ahearne on the death of his brother, Michael.

JUNIOR FOOTBALL CHAMPIONSHIP**Old Parish Win**

Old Parish 1-13
Emmetts 1-4

This was a good display by Old Parish who were well on top throughout against Colligan/Emmetts team that were forced to play second fiddle all the way.

At halftime the winners led by 1-5 to 0-1 and with young Timothy Power splendidly on target, were well worth their nine point winning margin.

Referee: E. O'Shea (Affane).

**Stradbally GAA
Club Notes****JUNIOR 'B' FOOTBALL**

We travelled to Cappoquin on Friday evening to play Ballysaggart. We were missing a few players as they were working late while the weather was good. Our lads played well in the first half. Two of the Senior selectors were at the match and seemed impressed with Paddy Lawlor's scoring.

However, in the second half, we ran out of steam and Ballysaggart won. The final score was Stradbally 1-7 Ballysaggart 1-14.

Team: B. Dunford, P. Hickey, K. Gough, J. Gough, G. Cummins, M. Fitzgerald, B. Lawlor (0-1), K. Heffernan (0-1), C. Barnes, P. Keane (0-1), P. Lawlor (1-3), N. Costello (0-1), M. McCarthy, J. Hickey. Sub: C. Dee.

SENIOR FOOTBALL

The weather conditions were atrocious in Fraher Field, Dungarvan for our match against Kilrossanty. Even though our back line played well, the heavy going did not suit many of the players and we were defeated. The final score was Stradbally 0-6 Kilrossanty 0-8.

Team: K. Cunningham, F. O'Brien, O. Costello, M. Curran, T. Walsh, M. McGuinness, L. Walsh, M. O'Brien, G. Walsh, P. Halpin (0-1), S. Cunningham, N. Curran, E. O'Brien (0-2), E. Phelan, L. O'Brien (0-3). Sub: T. Curran (for P. Halpin).

G.A.A. NOTES

BY "COMMENTATOR"

Barry Shows The Way

AFFANE 2-9 BONMAHON 1-8

In describing this as the better of the two afternoon matches in the Senior Football Championship is hardly paying it a compliment as in the overall, it was a rather drab programme that aroused very little excitement.

This first game saw the eastern team narrow the gap down from eight points to a single goal in the 53rd

minute and then the shouting began in the Bonmahon section of the small crowd in the stand. With Affane full forward Charlie Barry in top form, Affane dominated the first half and led by 2-5 to 0-4 at halftime. The goals came in the 3rd and 20th minute both by Barry. The second was a penalty.

Bonmahon were better in

the second half and their 53rd minute goal by Declan Power raised their hopes but not their game sufficiently to overtake the leaders.

Affane: K. Cullinane, L. Costin, M. Reddy, S. McCarthy, K. Veale, B. Murray, J. Buckley, B. Tobin, T. Mansfield, A. McCarthy, D. Cummins (0-1), J. Mason, M. Power (0-3), C. Barry (2-

5), F. McLoughlin.

Bonmahon: K. Fitzgerald, M. Queally, J. Walsh, E. Lannon, E. Mooney, S. Hearne, R. Walsh, K. Whelan (0-1), F. Whelan, D. Casey (0-1), M. Buckley (0-4), D. Power (1-0), N. Whelan (0-1), D. Flynn (0-1), R. Dalton (0-1).

Referee: P. Walsh (Four-milewater).

OTHER RESULTS

A big number of junior football ties were played over the week-end and here there were no big surprises.

The Nire club scored a football treble over the week-end when both their junior teams won as well as their seniors.

Their junior 'A' team beat Kilrossanty by a point while their 'B' team had a 1-10 to 0-1 win against Melleray Rovers.

Dungarvan had a big win over Sliabh gCua and Ballinacourty's 'B' team had an easy win against Ballinwillin.

Ballysaggart had a seven points victory over Stradbally's 'B' team and Ardmore had four points to spare over the Brickeys in their junior tie.

BALLINACOURTY TROUNCED

S/F/C Gaultier 4-17
Ballinacourty 0-3

Needless to mention, this was no contest as Gaultier had the game all sewn up at

halftime when leading by 3-9 to 0-2 against a Ballinacourty team who had to field without several of their leading players due to holidays and examinations, etc. The second half was very much a repeat of the first with Gaultier completely in control all the way.

KILMAC' BACK IN CONTENTION

Kilmacthomas 1-15
Dunhill 0-6

The result here was a mild surprise and it puts Kilmac' back into contention for a place in the top three in their group.

Kilmacthomas were without a few of their key players when losing heavily to the Nire in their first game and had to pull out all the stops to beat Bonmahon in their next match, but in this one they got it all together from the start and won deservedly.

TERRIFIC GAME

Rathgormack 2-8
St. Saviours 1-9

One report described this as the very best contest of the championship so far, with outsiders, St. Saviours putting it up to the county champions all the way. Saviours were promoted to Group 'A' at the end of last year, and were having only their second match of the championship here.

I/F/C.

LISMORE 2-6
BRICKEY RANGERS 2-5

This was a thoroughly enjoyable game of football at Cappoquin on Saturday evening when the 1995 junior county champions, Lismore ended up winners by a solitary point in the I.F.C.

At halftime, Lismore held a one point advantage, 1-4 to 1-3, Jim McGrath having scored a goal from a penalty with Paul Flynn doing likewise for Lismore.

Both were to score a goal each in the second half, Paul Quinn having Lismore's major and John Donnelly raising the green flag for the Brickeys. With only minutes remaining the sides were locked together at 2-5 a piece, but then the winning point gave Lismore the verdict.

BIG SURPRISE

Butlerstown 0-13
Kill 0-5

This was one of the big surprises of the week-end as Kill who had been doing splendidly since entering the senior scene this year, were strongly fancied to win. At halftime Butlerstown were leading by 0-10 to 0-4 and in the second half, Kill could manage only a single point.

SPARKLING FORM

Ring 3-13
Shamrocks 1-4

The Gaeltacht side were caught in sparkling form against Shamrocks on Saturday evening and won their first game of the season very comfortably on the above scoreline. A continuation of this form will see Ring as the side they all have to beat this year.

COMFORTABLE GERALDINES WIN

Geraldines 1-12
Faha 0-3

This was a second defeat for the western champions, Faha, who were forced field without a number of the players who took them to the county final last year. However, this must not detract from the fine display by the Geraldines who were always in control and never in any trouble.

UNDER-21 HURLERS PREPARE

Following their good win against Kilkenny in the opening of Kirwan Park, Touraneena, on Monday evening of last week, the county under-21 selection scored another very impressive win on Friday evening last when they finished with six points to spare over Wexford in a Waterford Crystal sponsored tournament.

At the opening of the ground in Touraneena, after the tape cutting ceremony was performed by Mrs. Kirwan and the grounds blessed by Very Rev. Fr. Brendan Crowley, P.P., Newtown, both counties fielded strong sides and while the underfoot conditions were poor due to torrential rain throughout the day, the game was a splendid contest, and

quite exciting.

In the Friday game against Wexford at Walsh Park, the selectors fielded what looked like being their championship team which is due to take on Kerry at Tralee on Friday night of next week. At half time it was 0-8 to 0-5 in favour of Waterford.

The second half produced some splendid hurling from both sides and some delightful points were sent over by both teams. Goals by Mick White in the 45th and 55th minutes helped to secure victory for the home side. Wexford's consolation goal was scored in injury time by Michael Jordan.

Waterford — P. Dunphy, O. O'Sullivan, M. Ryan, G. Breene, A. Kirwan, J. O'Connor, R. McGrath, D. Shanahan, D. Bennett, B.

Walsh, M. Motherway, D. McGrath, M. White, K. McGrath, T. Carroll. Subs — A. Lannon for T. Carroll, James O'Connor and Derek McGrath were taken off as a precaution at half time and were replaced by J. J. Ronayne and B. Hannon.

The game against Kerry has been moved to Tralee from Killarney and will be quite a journey for all concerned from this county.

In my view this brings into question the matter of the home and away agreements. Such agreements are alright at adult level when the games are played on Sundays, but for underage championships — where big support is badly needed — week night games are better played at a neutral venue.

ARDMORE IMPRESS

I/F/C. Ardmore 2-13 Ballinameela 0-7

This was a very comprehensive win for Ardmore in the I.F.C. and following their recent win against Faha, it will boost their confidence, no end.

They played some very nice football and had victory all wrapped up long before the finish.

FOGGED OFF!

It is the first time on record that fog prevented a senior football championship game being played in the month of June.

That was the case on Monday evening last when the Stradbally seaside venue was shrouded in a blanket of fog and left referee Pat Moore with no option but to declare the Dungarvan v. Tramore game unplayable.

SYMPATHY

Our very sincere sympathy is extended to Mrs. Mary Casey and family,

Toor, Ballyduff, on the death of her husband John, which occurred over the weekend. The Casey family have enjoyed a long association with the games in Ballyduff, Mossy and John figuring among the leading players on successful teams that represented the Village over the years. Ar dheis Dé go raibh a anam.

Coiste Scor Contae Phortlaige

Results of Golden Goal on Sunday, 2nd June, Waterford v Tipperary. Time of first goal was 30 minutes 23 seconds. Winning ticket to be forwarded to Moll Shields, Clash, Ballinacourty, before 20th June 1996.

NEXT WEEKEND

Sargent Cup Heading For The Last Roundup

It is going to be a very busy weekend at divisional level in both sides of the County where the officials responsible for the senior competition will be glad to see the finish of the Sargent Cup competition which resulted in quite an amount of confusion almost up until the halfway point. The finish of the Cup will make way for the start of the Senior Hurling Championship which is very eagerly looked forward to and for some clubs, cannot start soon enough.

St. Saviours v Roanmore — These sides set the weekend programme in motion on Friday when they meet at Walsh Park. Saviours have not won a game so far in the Cup and look like finishing up pointless unless they win or draw here.

Roanmore had four wins and unless a major upset happens here, they will finish with ten points.

Passage v Erin's Own — Passage are already sure of qualifying for the top two in their group, so the result here won't effect their situation but the ambitious city side will be anxious to win and remain close on Ballygunner's tail at the finish.

AT FRAHER FIELD

The Sunday afternoon programme here will be very entertaining and will provide some very keen competition.

In the opening game, Fourmilewater take on Tallow and while both are now out of the reckoning for the Cup, they are each on six points and will be keen on getting the verdict and finish up in the top half of their group. Only two points separated them when they clashed last year in the championship (it was 4-6 to 2-10 in favour of Fourmilewater) so there should not be a lot between them in this one.

Ballyduff and Portlaw will play the feature game at the venue and here we can expect another close tie. They met last year when Ballyduff won fairly comfortably but on that occasion, I recall being told that Portlaw were missing several players. Portlaw showed fair good form when beating Mount Sion in the second round. They are both propping up the table with only four points each.

LISMORE HAVE A FREE DAY

As Dungarvan have withdrawn, Lismore have a free day on Sunday and will have their points total increased

to 13 to stay level on points with De La Salle if they beat St. Mollerans.

De La Salle v St. Mollerans

I heard it said at one stage after the Carrickbeg team had won the Intermediate Hurling Championship last year that they would be a big misfit in the Senior Championship. Their record over the past three months has proved this opinion of them to be well off the mark as we found when they beat Portlaw and Ballyduff in the Cup. De La Salle are doing splendidly and are so far unbeaten and in my opinion will continue their winning sequence in this tie at Portlaw on Sunday.

Ballygunner v Clonea

The unbeaten County champions should have no bother here and must be strongly fancied to beat Clonea in the opening match at Portlaw. Any other result would be a sensation.

Mount Sion v Dunhill

Both have lost three matches so far and are lying in joint third position on the points table. The losers of this tie will move down to fourth spot and I have a feeling that it is going to be Dunhill. Mount Sion have yet to produce their best form this year and should be getting around to doing that now.

WESTERN BOARD MATCHES

Because of the fact that the Senior and Junior County footballers are in action on the following weekend against Kerry, the action switches to hurling at Divisional Board level and here in the west, a very attractive programme is arranged. It will include games in all adult grades including Intermediate hurling. This grade is a bit behind schedule for a number of reasons but as the groups are small, there won't be a problem about catching up.

INTERMEDIATE AND JUNIOR HURLING WESTERN CHAMPIONSHIPS RESUME

Stradbally v Colligan

This is a Saturday evening game and will be played at Fraher Field. Colligan, because of Jimmy Beresford's involvement with the County team, have yet to play but Stradbally have had an outing which saw them demolished by St. Marys three weeks ago. Stradbally were very short on that occasion as we reported and now back at full strength, they will prove quite a handful for the Rockies who will be slight favourites to win.

St. Marys v Ring

The Gaeltacht team were on top of their form when beating St. Marys 3-12 to 1-10 last year in the special Western Championship but when they clashed in the County Championship, the Touraneena club reversed the result when winning by three points on a 2-10 to 2-7 scoreline. In subsequent matches, St. Marys did better. They already have a big win under their belts having hammered Stradbally, so in the circumstances, they must be given the vote to win again.

Ballysaggart have already suffered a three goal defeat by Shamrocks while Abbeyside have yet to play in the Championship. When the sides met last year at Cappoquin, Abbeyside had a 2-14 to 1-10 win over the same opponents but Ballysaggart on that occasion left their effort too late and were doing their best hurling towards the finish of the game. Abbeyside will be favourites here.

Shamrocks v Cappoquin

Cappoquin, narrowly beaten in the County Final at Walsh Park last year, face the long road back when they take on Shamrocks at Lismore on Sunday and meeting a side who have had

an outing in the championship already, they won't find it easy to win here. Cappoquin's first round match against Abbeyside was postponed because of a bereavement but the Cornerstone club have continued their training and will be expecting to win. It's the kind of match that is best left to the teams as I feel it can go either way.

JUNIOR HURLING GAMES

Judging by the form of the teams in the first rounds, the Junior Hurling Championship is going to be very difficult to win this year as nearly all the clubs are taking the competition very seriously. Most of the games played have been good contests and hopefully there are many more to come.

Ballinameela v Ardmore

Ballinameela already have been the winners enclosure after a well deserved win over Tourin while Ardmore, having suffered a two point defeat by Geraldines, suffered a second defeat at the hands of Kilgobinet. So on the face of things, Ballinameela would appear to be favourites here and must be fancied to win.

Geraldines v Kilrossanty

To date, the Geraldines have won both their matches and seem to be returning to their 1994 form when they went to the County Final and lost by a point to Kill. Kilrossanty have lost both their first round matches but only just. The Comeragh side defeated the Geraldines rather unexpectedly in the semi-final last year when the Aglish side played well below their true potential.

This will surely be another close tie with Kilrossanty having to win if they are to get back into contention again.

CAPPOQUIN PROGRAMME

A very attractive double header in the Junior Hurling Championship is fixed for Cappoquin venue on Sunday afternoon where Clashmore play Modeligo in the opening match and Kilgobinet take on Tourin in the feature game later.

Clashmore, who must have notions of winning a hurling and football double this season, are on top of their form in both sides and are unbeaten in both. So far Modeligo are not doing quite as well as they would wish in hurling but they played well against the Geraldines even though losing. They will try hard here to get into a winning run but I think it is going to be a little beyond them.

Kilgobinet v Tourin

Kilgobinet have two wins to their credit so far while Tourin have yet to record a victory.

Last year Tourin won some good hurling ties but so far this year, they have failed to reproduce the kind of form which saw them beat teams like the Geraldines and Modeligo in the 1995 season's championship race. Kilgobinet will be favourites to win here.

OTHER GAMES

In the Junior Hurling 'B' Championship we have games involving Abbeyside v Brickeys and Glen Rovers v Old Parish.

The expectations are that Glen Rovers and Abbeyside will advance here.

Cork v Waterford (Senior Football)

The Cork senior football panel will be around these parts 'for a weekend away' before taking on Clare on the following weekend. As part of their preparation, they will play Waterford at Fraher Field on Saturday in a challenge and the run will also

help Waterford to prepare for their match with Kerry also on the following weekend.

An U-21 football challenge between Cork and Wexford is also being arranged locally for the coming weekend.

Sargent Cup Points Table

With six rounds completed and the results of the final round of games on the coming weekend not likely to make any differences to the top four qualifiers, the cup competition is now over.

Many of the clubs took the competition seriously and others did not so there will be mixed feelings about having it along the same lines again next year.

Financially it wasn't a success as with very little at stake, the fixtures attracted very few apart from the supporters of the clubs involved.

In the table below the clubs have been credited with the points that would have been at stake had Dungarvan continued in the competition. They withdrew after four rounds.

SENIOR FOOTBALL CHAMPIONSHIP

Kilrossanty Best In Close "Derby"

KILROSSANTY 0-8 STRADBALLY 0-6

Played in a downpour of rain, this local derby was splendidly contested but failed to produce the degree of excitement that we normally get from matches between the traditional rivals. Conditions certainly did not lend themselves to good football and both sides have played better football.

Stradbally failed to live up to the high standard displayed against Dungarvan and Kilrossanty have been better on many occasions.

Still it was a splendid contest with Kilrossanty just about deserving their win and compounding the result of their meeting with Stradbally in the County semi-final last year. Jim Maher who contributed five of Kil-

rossanty's eight scores was the dominant player throughout and his impact on the match was decisive. Both sides were very resolute in defence hence the absence of a goal but there was a dispute when one of the goal umpires signalled a Kilrossanty goal after judging that Stradbally goalkeeper Kevin Cunningham moved behind his line when saving a high lobbing shot. The umpire on the other side was not in agreement and the referee did not allow the score. Kilrossanty did not protest at the decision. The result brings Kilrossanty back into contention and they are now only two points adrift on the table.

Jim Maher pointed from a first minute free to put Kilrossanty one up but in the 7th minute, Liam O'Brien kicked over a great point bringing the teams level. Points by Pat Halpin and Liam O'Brien (free) gave The Reds a two point lead by the 11th minute before Mattie Kiely brought one back for the Comeragh side in the 14th minute. Eoin O'Brien and Niall O'Connor exchanged points and Liam O'Brien and Jim Maher did likewise before the break to leave the state of play 0-5 to 0-4 in favour of Stradbally.

Shortly after the restart, Kilrossanty were awarded a '45' which Jim Maher duly converted to level the scoring. The same player put Kilrossanty in front when converting a 43rd minute free. Maher put his side two points up in the 46th minute and 8 minutes later, Eoin O'Brien, having Stradbally's only score of the second half, narrowed the gap to a single point and here a division of the spoils looked to be on when Stradbally exerted enormous pressure but all to no avail. With just five minutes remaining, Niall O'Connor who proved to be the architect of Stradbally's semi-final defeat last year had the final say and ended the scoring to leave Kil-

rossanty a clear two points ahead when the final whistle blew.

Nire Win One-Sided Clash

Nire 2-21 Sliabh gCua 0-5

This game was as one-sided as the score makes it look and leading by 0-12 to 0-3 at half time, the Nire were well on their way to a facile win over their neighbours who were forced to field without several of their best players.

Sliabh gCua added only two points in the second half while the Nire piled on the scores and finished with the highest score that they have recorded in recent years. Ten of the Nire players shared in the scoring.

Nire: M. J. Ryan, P. Halpin, T. Walsh, D. Guiry, J. Moore, P. Walsh (0-2), J. Walsh, Ger Walsh (0-1), D. Phelan (0-2), C. Power (0-2), K. Mulcahy (0-2), B. Power (1-2), P. Crotty (0-5), M. Guiry (0-3), D. Ryan (0-1). Sub: B. Kearney (1-1) (for B. Power).

CHAMPIONS 1996 — Back row — Owen Foran, Stephen Kavanagh, Mark Mears, Jason Cahill, Shane Houlihan; front row — Noel Mackey, Fergal Fogarty, Owen Mackey, Christopher Mears, Anthony Power. The photo was taken at Clarecastle, Co. Clare on 24th May during a trial hurling competition to select a Munster 7-a-side team to play in Croke Park on All-Ireland Sunday, September.

Scoil Garbhán — Melissa Lanigan, 9 mblián, Rang 2 — Very pleasant little girl who is always in good humour and looking forward to visits. She didn't forget to remind me of a double Tipperary victory last Sunday week. Her mammy and daddy hail from Holycross in Tipperary and her Dad played Inter-County hurling for Tipperary at minor level.

This school won the Paddy Shields Cup a few weeks ago. McDara, the Galway man and all the teachers are doing great work for hurling in this school. Melissa's favourite player is Nicky English.

Portlaw N.S. — Micheal Donnelly, 12 years old, 6th Class — Micheal is a natural citeog and one of the best strikers of the ball you're likely to see. Small and tidy with good basic skill, he is a delight to watch training.

This school is involved in a titanic struggle with Mount Sion C.B.S. in Roimn (A) Eastern Schools Championship and they replay on this Wednesday evening at Walsh Park. Micheal's favourite player is Waterford's Tony Browne.

School visitations are taking place at present by top G.A.A. officials and Inter-County hurlers in conjunction with Féile Na nGael Hurling Festival.

The championship is now beginning to take shape and after another round or two, most of the qualifiers will be known. Some of the clubs already know their fate. Five will qualify from Group "A" and the top three from Group "B."

With the National Hurling League not commencing until the spring the GAA may consider finishing the football first in order to have players available to the selectors for the football league which will commence on the second Sunday in October.

Good Wishes For A Speedy Recovery

On behalf of all GAA people throughout the county, we extend our very best wishes for a speedy recovery to popular Western Board Chairman, Paddy Walsh, Colligan, who is presently a patient at Ardkeen Hospital. Hopefully, it won't be too long before the 'General' is back at the helm of things in the Division.

Our good wishes are once again extended to former County and Western Board Treasurer, James Walsh and we know that the family are inundated with messages of good will and good wishes to another great servant of the GAA in Waterford.

LIMERICK v. CLARE

The game that has all Munster excited will be televised live on Sunday afternoon, but this has not diminished the demand for tickets to the ground in Limerick and the allocation of a couple of hundred tickets to this county is not nearly enough to meet the demand. Limerick grounds will be "bursting at the seams" for this one and with the winners very likely meeting Tipperary in the final, it has the makings of a tremendous Munster championship.

Major Kilmac' Road Realignment Project To Go Ahead

Planning on a major road realignment project on the N25 Cork/Waterford road at Kilmac' Thomas is now set to go ahead. The new project at a cost of £12 million will link up with major improvement works currently being undertaken on the Leamy-brica stretch.

Three separate design routes were shown to the public and following a meeting in Tramore, 67% opted for the southern route which was also the choice of Waterford County Council's planning au-

thority.

Speaking at last Monday's Council meeting, County Manager Donal Connolly said the planning process for the realignment project is now being put in motion. Design plans for the 8.5 km stretch can be inspected by interested parties. By mid-July, Mr. Connolly said the road design staff in Tramore will have the planning documents ready. The new project is expected to cost £10.5 million, excluding contractor and supervisors fees.

Coastal Erosion Bill Amounts To £950,500

experienced heavy rainfall, flooding, high tides and gales. Emergency repairs were carried out in many places including the Ardmore seawall which was breached during the storm conditions.

Waterford County Manager, Donal Connolly, disclosed that over £4 million in funding is available nationally which has been set aside by the Dept. for coast protection work.

Meanwhile, proposals in relation to the Cunnigar and Tramore were submitted to the Dept. of the Marine by the Council in 1995 in response to requests for a list of priority works.

The following are the locations in West Waterford and surrounding areas where proposed protection

works to alleviate storm damage is proposed; Ardmore - Curragh, provision of gabion and rock armour defences (£242,500); Curragh, rock armour (£12,500); Cunnigar, gabion and rock armour protection (£222,500); Abbeyside Strand, gabion and rock armour protection (£65,000); Clonca Strand, repair existing rock armouring, strengthen existing rubble protection, gabion and rock armour (£146,500); Ballyvoile, rock armouring and repair base of sea wall (£31,000); and Bonmahon (£180,000).

The Council is now waiting on a reply from the Dept. whether or not urgent funding for coastal protection work in these areas will be granted.
