Dungarvan UDC Calls For Extra Gardaí To Patrol Council Estate

Dungarvan UDC is to call on Garda Commissioner Pat Byrne to assign additional Gardaí in the town in an effort to patrol Cathal Brugha estate on a 24 hour basis.

In recent months the incidence of terrorism and criminal behaviour in the estate has become widespread, and many local residents are now deeply concerned about the future of their community.

According to local Urban Councillor and Waterford Fine Gael T.D. Austin Deasy, the situation in the Council estate has become intolerable over the past number of months with local residents living in fear of their lives. He knew of three different families in Cathal Brugha Place who, over the past fortnight, have

expressed a wish to leave the estate.

"It's an appalling situation that people would want to leave the house they have

lived in all their lives", slammed Cllr. Deasy who declared that police presence is the only way to solve the anti-social problem in the estate. Stressing that something must be done immediately to resolve the

Wheelie Bins... The Trial Run Continues

The current wheelie bin pilot scheme in Dungarvan, now into its third week, was described as a 'dry run' by Cllr. Billy Kyne at last Monday's meeting of the Urban District Council when he condemned the unhelpful way in which the bins suddenly arrived at the doors of those residents on the selected Wednesday refuse collection route.

A number of elderly people in particular, he stressed, were distressed at the appearance of these bins, some of which he claimed were lobbed in front gardens. Many houses, such as terraced houses, are

unsuitable for the wheeled refuse collection method and a number of people want the Council to take the bins back. To this effect, Cllr. Kyne urged the Town Clerk to make contact with these people.

BY AISLING CONROY

As to the question of payment, Cllr. Kyne demanded to know who is going to shoulder the cost - the Council or the public, and stressed that for the public to accept the wheelie bin, this issue must first be resolved.

NERVOUS BREAKDOWN

Also critical of the manner in which the wheelie bins

were delivered to households, Cllr. Lar Hart claimed that one local woman nearly had a nervous breakdown on receiving the bin which was subsequently taken away by the Council. There are even some householders, he stated, who still do not know what the green wheelie bin is for.

The public, he declared are the Council's customers and should be treated as such.

Know Your Rights

QUESTION

What is sexual harassment?

ANSWER

Sexual harassment is defined as "unwanted conduct of a sexual nature or other conduct based on sex affecting the dignity of women and men at work. Examples are — sexually suggestive jokes or comments, lewd comments about physical appearance, display of offensive material, suggestions that sexual favours may further someone's career or that refusal may damage it.

If you are being sexually harassed at work, get advice from the Employment Equality Agency, your trade union or a solicitor. If appropriate, tell the harasser that his/her behaviour is not welcome and ask that it stop. If it persists report the matter to your employer, to a supervisor, a manager or other appropriate officer. Keep a record of incidents as they happen.

If you would like further information, contact the Employment Equality Agency, 36 Upper Mount Street, Dublin 2. Tel. 01-6624577 who have a leaflet "Sexual Harassment and Dignity at Work" and a "Code of Practice on Measures to Protect the Dignity of Women and Men at Work."

Deputy Deasy Asks For Increased Funding For Sewerage Schemes & Treatment Plants

Waterford Fine Gael Deputy Austin Deasy tabled a question in the Dail recently asking the Minister for the Environment if he will considerably increase the amount of money available for the provision of sewerage schemes and treatment plants for small towns and villages, in order that villages such as Tallow, Ardmore, Dunmore East etc. can expect to have works of this nature carried out within a reasonable period.

Minister Brendan Howlin replied that a total of £121.8 million is being provided for water and sewerage services this year, an increase of 10% over 1995.

"This represents one of the largest investments in these services ever undertaken", he stated, "and it is contributing substantially to the provision of services in small towns and villages".

The Minister revealed that this year, up to £4 million has been set aside for urgent water and sewerage needs of small towns and villages, including two water projects in Co. Waterford.

"I have also introduced two other subprogrammes that will specifically help smaller towns and villages. The Resorts Initiative is designed to provide improved water and sewerage facilities at resort centres; schemes at 9 centres, including Tramore, have already been approved, at a cost of £3 million", revealed Minister Howlin.

The second subprogramme, he added, provides support for the use of 'reed bed technology', (involving the natural breakdown of sewerage), as a means of providing sewerage treatment facilities for small rural towns. A number of these projects have already been approved this year.

News From Dungarvan Chamber Of Commerce

At a recent board meeting of Dungarvan Chamber of Commerce, the following subjects were discussed which will in time have a profound impact on the business community of Dungarvan.

EDUCATIONAL SEMINARS

The Chamber, in conjunction with the Waterford County Enterprise Board, is currently organising a series of seminars which are aimed at entrepreneurs. Specifically, it aims to assist those people currently in employment who have a wish to become self-employed through the development of a business plan.

It is envisaged that this course which will consist of ten weekly three-hour classes covering a diverse range of subjects including market research, finance, the legal implications involved in starting ones own business, marketing and the subsequent employment of staff, will commence in mid-November and continue on through until early February.

As this project is being sponsored by the County Enterprise Board a nominal

fee of £20 per individual is the full cost of this course. For further details please contact the Chamber offices at 058-45054.

The Chamber is currently in negotiations with the Waterford Development Partnership regarding the establishment of a series of seminars which will seek to assist existing small/medium enterprises to better understand the current business environment in relation to book-keeping, taxation, health and safety in the work place etc. Further details will be advertised as they become available.

ENVIRONMENT

The Chamber is currently undertaking a study of the latest UDC traffic management plan with a view to analysing its likely effects on the business community of the town. As part of this study, a comprehensive questionnaire has been compiled (for completion by local commercial managers) to establish a general consensus as to what is viewed as being in the best interest of the business people of the town.

A comprehensive and detailed report on litter control

in Dungarvan which is being compiled by the UDC is being analysed by the Chamber to establish what part the business community can play in contributing to this effort.

Representations will be made by the Chamber to the County Manager on both of these subjects in the near future. More on these matters in next month's notes.

RETAIL

Christmas is all but upon us and the Chamber is hoping to ensure that this will prove to be a bumper season for both retailers and customers alike. A survey has recently been undertaken within the retail/service industries of the town with the aim of coordinating the opening hours for all businesses over the festive season. A number of meetings with representatives of both sectors are scheduled for the near future and details of results will be advertised in the local media.

TOURISM

We are pleased to announce that rapid progress has been made in the establishment of Waterford Tourism Ltd., with the appointment of a Chief Execu-

tive now imminent. We foresee that there will be great benefits to accrue to Dungarvan and the West Waterford area in general by the introduction of this dynamic marketing company and we wish it well for the future.

INDUSTRY/COMMERCIAL DEVELOPMENT

The Chamber is continuing its efforts to find a suitable industrial tenant for the advance factory through the worldwide distribution of the 'Dungarvan Industrial Brochure' and its support document 'The Dungarvan Profile - what you need to know'. Copies of both are available from our office. We have just purchased a funding database software package which will assist small, medium and large enterprises to tread their way through the grant assistance minefield.

SYMPATHY

We wish to offer our sincere condolences to Jim O'Dwyer (our PRO) on the recent sudden death of his father Peter O'Dwyer, late of Borrisoleigh, Co. Tipperary.

THE KNIGHTS OF OLD HAD THEIR NUMBER PLATES

In early days when knights galloped into battle covered in armour from head to foot, it was often impossible to tell friend from foe.

So that his men could gather round the right leader, each knight wore a special design of his shield and a small flag on his lance.

The were rather like a number plate. This was useful, too, when knights took part in great tournaments.

The heralds, umpires of the Middle Ages, were able to identify contenders by the designs (or devices) on their shields.

NUMBER PLATES

All kinds of symbols, among them animals, were used on the shields.

The famous 11th century Bayeux Tapestry shows a record of shields and banners, decorated with beasts, birds and other symbols.

From those devices grew heraldry. This happened in the 12th century, when designs started to be inherited from father to son.

A complete language of terms has come about to describe the devices and the way in which they are arranged.

Colours have special names like "or"

meaning gold, "argent" for silver and "gules" for red.

Heraldry covers all the duties of the herald. And heralds have existed since Norman times.

They are still kept busy with applications for grants or arms by corporations and by individuals, and for research.

There are also ceremonial duties as they are in charge of all royal state occasions, such as Coronations and funerals.

The Earl Marshal is the great Officer of State responsible for these.

This position is held by all Dukes of Norfolk as male heirs of the first Duke, John Howard.

Leaf-Cutter Bee

IF YOU see the work of the leaf-cutter bee, you might be inclined to think that it uses a knife or a scissors to cut with. The bee itself looks a bit like the honeybee, but unlike the honeybee, it is a lone bee.

After the female mates, she lives on her own, building herself a small nest in a wall or in a hollow stem. When she lays her eggs, she doesn't lay them in a bundle. Each one is laid individually and parceled up in a few pieces of leaf together with some pollen and honey.

When the grub hatches, it will have all the food it needs to survive and won't have to leave its leafy home until it is mature and ready to fly.

The leaf-cutter bee takes leaf pieces from the rose bushes in our gardens. You might have seen this - small circular pieces sawn away from the leaves. These pieces are removed by the bee's strong jaws

and look very regular and perfect to be the work of an insect. Two or three pieces are used to make the egg chamber for one egg. The supply of pollen and honey is put inside first, then the bee uses her saliva to glue the rolled-up pieces together. Only then does she lay her egg. She seals the chamber up and continues this process until she has eight or nine produced. The leafy egg rooms or chambers are made in small holes or crevices in garden walls. The bee doesn't nest on the rose bush itself at any time. In the USA and Canada these bees are prized highly as plant pollinators.

Waterford Co. Council Bestow Highest Honour On Ring Native

BY AISLING CONROY

A civic reception was accorded to well known scholar and Ring native Dr. Colm O hEocha by Waterford County Council last Monday.

Son of the legendary 'Fear Mór', Seán O hEocha of Coláiste na Rinne, an Dochtúir O hEocha B.Sc. M.Sc., recently retired as President of University College Galway, a position he held with distinction since 1975.

A father of six, he is now seventy years of age and has led a long, successful and internationally acclaimed career. He chaired the RTE Advisory Committee from 1983 to 1986 and served as chairman of the Local Radio Commission between 1985-87. Dr. O hEocha was also appointed chairman of the Arts Council between 1988-93.

Between 1983-84, the Ring native was chairman of the New Ireland Forum, encouraging greater cooperation between the north and south of the country.

REMARKABLE PERSONAL ACHIEVEMENTS

Attending last Monday's Co. Council meeting, Dr. O hEocha, accompanied by his wife Daiden, was honoured with a civic reception being the highest honour the Council can bestow on any group or individual.

Council Chairman Cllr. Gary O'Halloran proposed the resolution in recognition of Dr. O hEocha's "significant contribution to scholarship and the arts in Ireland

▲ Cllr. Gary O'Halloran, Chairman Waterford Co. Council, presenting a framed scroll to Dr. Colm Ó hEocha, former President of U.C.G. to mark the civic reception accorded to him by Waterford Co. Council, whilst Cllr. Nora Flynn presents a bouquet to Daiden Bean Uí hEocha. Also included is County Manager, Donal Connolly. (Rory Wyley)

and Europe; his remarkable personal achievements in academic life, and in the many educational, cultural, commercial and statutory bodies of which he was a member; and his endeavours towards peace in Ireland through his sensitive chairmanship of the New Ireland Forum".

Cllr. O'Halloran said an dochtúir has brought great honour to his native county and his native place and made an immense contribution to education during his time as President of UCG. He subsequently presented Dr. O hEocha with the crest of Waterford County Council while Cllr. Nora Flynn

presented his wife Daiden with a bouquet of flowers.

GREAT SERVICE TO COUNTRY

On behalf of the Fine Gael party, Cllr. Pat Coffey said Dr. O hEocha has given a great service to the nation and he congratulated him on all he has achieved for education.

Likewise Cllr. Paddy Kennelly of the Fianna Fail party who played on the same hurling team as Colm O hEocha in the 1940's, said an dochtúir had done Co. Waterford proud.

Labour party whip, Cllr. Billy Kyne said Dr. O hEocha had given a great service to education, industry

and the development of the country. He stressed that it is now time for the county to rekindle efforts in gaining university status for Waterford and strive to emulate Dr. O hEocha's achievements.

Delighted to have had a leathscéal to return to Dungarvan, Dr. O hEocha said he is proud to be a Waterford man and extremely honoured that the Council considered him worthy for such an award.

Waterford County Manager Donal Connolly also paid tribute to Dr. O hEocha's many achievements and said the honour is well deserved.

Cappoquin Councillor Hits Out At Hepatitis C Scandal

The sole female member of Waterford County Council has hit out at the Government's handling of the shocking Hepatitis C scandal.

Cllr. Nora Flynn passed a vote of sympathy at last week's Council meeting to the family of the late Brigid McCole of Donegal who died recently after contracting Hepatitis C.

Mrs. McCole had pursued her compensation case against the State, the Drugs Advisory Board and the Blood Transfusion Service Board through the High Court. Her last wish was to know the truth and that the people of Ireland should know what really happened in what has been described as the greatest and saddest of public tragedies since the foundation of the State.

"It has taken the death of a woman for a Compensation Tribunal to be set up", slammed Cllr. Flynn, referring to the recent move by the Government to set up a Tribunal, dealing with the claims of thousands of Hepatitis C sufferers who became infected through blood transfusions and blood products.

"Who can compensate anyone for their lack of health", she declared adding that the Minister for Health, Michael Noonan must investigate the matter fully. "Heads must roll...no expense should be spared", she declared, "and this must never again be allowed to

happen".

Stating that she was disgusted by the matter, the Cappoquin Councillor said she knew of women who "went around in a state of fret" for weeks not knowing if they might have contracted Hepatitis C.

Fully supportive of Cllr. Flynn's sentiments, Council Chairman Cllr. Gary O'Halloran said the matter has revealed the veil of secrecy rampant within semi state bodies.

Council Sends Best Wishes For Speedy Recovery

Best wishes for a speedy recovery were last week sent by members of Waterford County Council to fellow Councillor Ciaran O Riain of Knockalisheen, Ballymacabry who is currently hospitalised.

Members also sent unanimous best wishes for a speedy recovery to Mrs. Kitty Quirke, wife of Cllr. Jimmy Quirke, Inchinleamy, Ballyduff.

ADDITIONAL FUNDING FOR HOSPITALS IN SOUTH EASTERN HEALTH BOARD AREA

Brian O'Shea, T.D., Minister of State at the Department of Health has announced that an additional £350,000 has been provided for hospitals in the South Eastern Health Board area for the 1996 waiting list initiative.

This funding will bring the total allocated for waiting list funding for the South Eastern Health Board area in 1996 to £830,000.

the activity carried out under the initiative will be in addition to the baseline workload of the hospitals involved and will enable those hospitals to undertake further work to reduce the waiting lists for treatment. The funding will be of significant benefit to the people of the area in allowing more procedures to be carried out and in further improving access to hospital services.

Dungarvan U.D.C. Calls For Extra Gardaí To Patrol Council Estate

Continued from Page 1

problem, Cllr. Deasy said some of the tenants in Cathal Brugha Place are "scared out of their wits".

Speaking at last Monday's meeting of the Urban Council, Cllr. Nuala Ryan claimed that the main culprit is a person cohabitating with a Council tenant on the estate.

"INTIMIDATION IS RAMPANT"

Likewise Cllr. Billy Kyne said certain 'goings on' in the estate have put the fear of God into quiet, peaceful residents in the area.

"Some one has to stop it", he declared, adding that if he was to go out and consume 4/5 drinks, he would be under the full rigour of the law while at the same time, some one can stand up and terrorise a whole community.

Council members, he added, have been asked

questions by the public as to how certain people can co-habitate with Council tenants. A penal element must be introduced to deal with this situation, he felt.

Cllr. Tony Wright declared that intimidation is rampant in the estate and urged that the Council must face up to its responsibility.

The Government has invested an enormous amount of money in developing Cathal Brugha Place. A lot of local authorities have a full time person employed to deal directly with Council tenants and he suggested that Dungarvan UDC should consider this option.

COMMITTEE BEING SET UP

Commenting on the situation, Waterford County Manager Donal Connolly said the problem cannot be solved overnight. If that was the case, the gardaí would

have done it by now, he added.

Mr. Connolly revealed that a tenant management committee for Cathal Brugha is being set up at present, comprising of Garda members, Health Board representatives, social workers, youth workers, Council officials and the Council Chairman.

This committee would provide a system of help, support, encouragement, training and various facilities for local tenants, although Mr. Connolly stated that it will take time to work out a long term strategy of working with residents.

AN EXCEPTIONAL PROBLEM

Proposing that the Council request the Garda Commissioner to assign more Gardaí (e.g. 3 or 4), to patrol the estate on a 24 hour basis, Cllr. Deasy described

the situation in Cathal Brugha as the most serious problem the Council has been confronted with in years.

"It's an exceptional problem and it won't last forever", he stated.

His proposal was unanimously supported by members.

Meanwhile a spokesman for the Dungarvan Gardaí told the 'Dungarvan Leader' that garda members are assigned to patrol Cathal Brugha on a regular basis.

He disclosed that two matters are currently before the court in relation to the situation in Cathal Brugha, one has been forwarded to the Director of Public Prosecutions and the other matter will be dealt with by the court in the near future. He said that in light of this action, the problem in the estate has somewhat abated.

WHEELIE BINS

THE TRIAL RUN CONTINUES

WILL NOT TOLERATE CHARGE

Supporting his colleagues, Cllr. Tony Wright said that while some areas of the town are ideal for wheelie bins such as semi detached houses and estates, other areas, terraced houses in particular, are extremely unsuitable. Householders in these houses, he warned, have to drag the bin over carpets and through rooms - a totally unhygienic method, "with the dogs of the street piddling against it (bin)".

The County Manager, he stated, cannot bring in a refuse collection charge if the elected members do not support it.

"We will not tolerate a

CONTINUED FROM PAGE 1

charge", declared Cllr. Wright, "no more than we would tolerate a charge for public lighting or public sewers".

Such a charge, he felt, would be yet another tax on people who already pay on average over £4,000 a year. The funding for refuse collection has to be borne fully by the State.

Also speaking on the controversial issue of charges, Cllr. Damien Dillon said the commercial property owners in the town are already paying enough taxes and are not going to go along with another charge. He revealed that as a business man in the town he pays ten different taxes and rating systems.

He suggested that with so many different developments in the town at present, the Council could generate revenue from these projects to defray the cost of refuse collection.

FOOLISH TO IMPOSE

Cllr. Austin Flynn said it would be foolish of the Council to try to impose the wheelie bin system in areas where its not wanted, while Cllr. Michael O'Riordan highlighted the plight of residents in Friary Street, Shandon and Garvan's Terrace where the bins have to be negotiated over steps.

Cllr. Nuala Ryan stressed that old people living on their own cannot move their wheelie bin and have to leave them in the front garden.

MANAGER SATISFIED SCHEME CAN OPERATE

Responding to the concerns and reservations expressed by members, County Manager Donal Connolly said he was satisfied that the UDC delivered the wheelie bins to households in a proper manner. Each household on the selected route, he stated, was notified of the feasibility study by way of a handbill

prior to the delivery of the wheelie bins.

He accepted that some people might be concerned at the pilot scheme, and added that he has already met with a deputation of local residents.

"I'm satisfied that the scheme can operate", he stated, adding that smaller bins are available for residents of terraced houses.

The vast majority of people on the selected Wednesday route are satisfied with the wheelie bin method and Mr. Connolly said he would wait another week or two into the scheme and then consult with local residents.

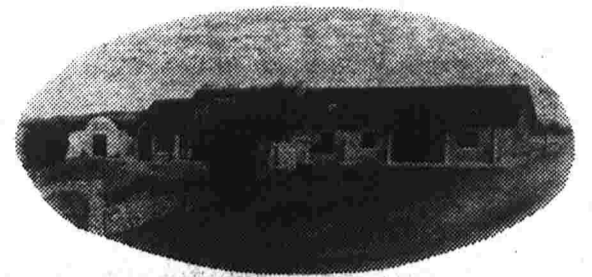

On the issue of charges, Mr. Connolly said he has not yet made a decision on whether to introduce a fee and it would depend on the overall cost of the collection to the Council.

"It may not necessarily give rise to a charge", he disclosed.

It is expected that Mr. Connolly's strategy in regard to a possible fee for wheeled refuse collection will be revealed by November 25th, the date when the Council will decide on the estimate of expenses for next year.

Meanwhile...the trial run continues.

AND THE VILLAGE CELEBRATES

The wait is over. Abbeyside hurlers' four year campaign to annex the County Intermediate Hurling Title finally bore fruit at famed Fraher Field on Sunday last and resulted in scenes of joy and elation among players, club members and supporters. At approx. 5.15 p.m. as Michael Collins lifted the County Intermediate Cup, the faces of Abbeyside people present showed they were proud to annex the hurling cup and were proud to be contesting the Senior Hurling Championship in 1997.

Michael Collins, in his acceptance speech, reminded us of the disappointment of two years ago when we stood on the pitch looking disappointingly up to the podium observing Erin's Own capt. Damien Byrne receiving the laurels of victory. However that setback had been overcome and a wiser, more mature and stronger team faces the future with confidence.

The now traditional after match meal saw the participants journey to Clonea Strand Hotel where the congratulatory notices, newly printed, were much appreciated. Club Chairman, Noel Fleming was an impressive master of ceremonies as he outlined the behind the scenes work, meetings and phone calls that propelled the club to a famous victory.

Michael Collins, having overcome the initial flurry associated with victory also spoke and was followed by sincere speeches by coach, Nicky Cashin and team manager, Dave Sheehan. For a while people stood around in groups discussing the game, remembering incidents, outlining some might have been as everyone savoured the occasion

to the full. Then it was back to the village where the celebrations continued late into the hours of darkness.

Schools Visit — On Monday morning the traditional visit to the schools took place where the Cup was displayed and the enthusiastic schoolchildren received sweets. The first school visited was Garranbane, followed by St. Mary's, Abbeyside and Scoil Garbhán. For an historic first time ever, the players visited St. Augustine's College where they received an enthusiastic reception. The atmosphere around the centre of Abbeyside was still electric on Monday afternoon and throughout the late evening a growing number of supporters ensured the celebrations continued well into Monday night.

Congratulations — To all associated with an important victory, we say well done. We remember too all the players in years gone by who wore the Abbeyside jersey with pride but without championship success. They too have contributed well to Abbeyside hurling and carried on the tradition through thick and thin. We remember too Abbeyside supporters throughout Ireland and overseas who could not be physically present but who were with us in spirit and who share in the glory.

Once again congratulations to the triumphant Abbeyside Intermediate team from Tuckey and all at The Village Inn.

RECITAL

The Dungarvan Brass and Reed Band will give a recital in Ballinroad Hall tomorrow night (Thursday), October 24th at 8.00 p.m. This should be an enjoyable evening's entertainment.

All people living in the parish of Abbeyside, Ballinroad and Garranbane are invited to attend and contribute to this very important aspect of life in the parish. Long may the work continue.

SCHOOLS GAMES

Congratulations to Garranbane N.S. on their tremendous historic first win in the Primary Schools Football Championships. Playing against Aghlish N.S. for the Michael Culloo Cup, they staged a dramatic second half comeback to overcome an experienced Aghlish team.

Abbeyside Guide Notes

TERRY FOX RUN

Once again the Terry Fox Run which was held last Saturday was a huge success. We were delighted to see so many of our Guide company turn up to walk to Abbeyside. All our members have been part of our annual fundraising effort over the past few weeks and it was with great pleasure we handed over a cheque for £243.50 to this very worthwhile cause.

GUIDE WEEKEND

This Friday night Abbeyside and Stradbally Girl Guides head to Melleray for a winter weekend.

GUIDE MEETING

Once again the guide meeting was left to our very capable Patrol leaders while Fiona and Jenny sorted out uniforms and badges. By the end of the meeting some fairly impressive model campsites were on display but the big question is where will our campsite be in 1997?

Twentieth Marathon For Local Fundraiser Dan Dineen

Clonea native and well known local fundraiser, Dan Dineen will take to the road yet again this year when he enters the Dublin City Marathon on bank holiday Monday, October 28th.

This will be Dan's second marathon appearance this year, having completed the Boston City Marathon last April when he entered the Guinness Book of Records for being the first man ever in the 100 year history of the event to complete the marathon in green wellingtons.

As a result of various fundraising nights, raffles and sponsored runs etc., prior to the Boston marathon, Dan raised approximately £2,700 in the locality for Cerebral Palsy Ireland (CPI). The funds raised have now bought a specially adapted bus for children and young adults with physical disability which will be used throughout Ireland wherever the need arises.

Grateful for the tremendous support he received locally, Dan thanked everyone who had contributed to the CPI cause.

The upcoming Dublin City Marathon will be Dan's twentieth marathon and true to form he will run in a pair of white wellies in aid of Dungarvan Technical College. Sponsorship cards can be obtained from Pat Buckley Principal, or any committee member.

Abbeyside Accountancy Graduate Honoured

Abbeyside Reference Archive

Last Sunday we added two books to our collection. The first was a book of photographs which stretched back to the last century, while the second was a book of family photos. These photos were donated to us by two Abbeyside families to whom we say thanks. One lot of photos goes back to the early 20's while the second is from the late 40's and early 50's period.

They both record days of yore and are a nice addition to our ever expanding collection.

This Sunday evening the man with the every good Waterford name of Michael Power looks after our interests at the Parish Office.

Nine from Co. Waterford were among the newly qualified accountants honoured at the ACCA (Chartered Association of Certified Accountants) graduation ceremony, held at the National Concert Hall in Dublin recently.

Among the graduates was Darren Tutty, son of Stephen and Betty Tutty,

The Burgery, Abbeyside, Dungarvan.

The ceremony was hosted by Bernard McGahan, President ACCA Ireland and the guest of honour was Gary McGann, Group Chief Executive, Aer Lingus.

Last year Darren was awarded the prestigious ACCA subject prize award

for his outstanding performance in tax planning which earned him top honours in the UK and Ireland.

ACCA is the largest internationally based accounting body operating in Ireland with over 8,000 members and is the most popular accountancy qualification amongst prospective students.

Pictured at the recent ACCA (Chartered Association of Certified Accountants) graduation ceremony in Dublin were (left to right), Gary McGann, Group Chief Executive Aer Lingus, with Darren Tutty, The Burgery, Abbeyside and Bernard McGahan, President ACCA Ireland.

Cllr. Highlights Local Drugs Situation As Two Youths Overdose

The escalating drugs situation in Dungarvan was a topic of serious discussion at last Monday's meeting of the local Urban Council when Abbeyside Councillor Nuala Ryan spoke of two local teenagers who had overdosed in the past fortnight.

Cllr. Ryan urged that the UDC show leadership in the campaign against drugs and arrange a drugs awareness meeting for the public, in conjunction with the gardaí.

She revealed that one of the teenagers had overdosed on magic mushrooms and was admitted to hospital where he was put on a heart machine. Cllr. Ryan said the youth had admitted to smoking hash during summer but declined to give the name of the dealer as he claimed that he would be knee-capped. The second teenager, a local girl, had overdosed on ecstasy tablets.

While stressing that she did not wish to be 'scaremongering', Cllr. Ryan however warned that such 'small fry' incidents could lead to more serious problems.

Cllr. Billy Kynne suggested that as a first step, the Council should hold a number of in-house seminars with specialists in the field such as social workers, Health Board representatives and the Gardaí.

Having raised the issue on previous occasions, Cllr. Tony Wright said the Council should invest in promotional literature highlighting the problems associated with drugs which would be circulated to all schools in the area. Local sportstars of cycling, soccer, golf, football and hurling etc. could be used in this literature, he added.

County Manager Donal Connolly said he would discuss the matter with the gardaí and the Health Board and invite representatives to come and talk to Council members.

Notaí Féile Na nDéise

A host of local talent will be performing, under the direction of Nicky Power. A wonderful night's entertainment is guaranteed. Further details in the local press coming nearer to the event.

Over the past month, two outstanding Féile Na nDéise social nights took place in Dick's Bar and Bridie Dee's. Such outstanding local musicians as Tony Dunne, Martina McGrath, Mattie Fahey, Nicky Power, Micheál O'Halloran, Kevin Power, the Coffey sisters, Martin Mannion, Brendan Ormonde and a host of 'in house' singers taking part to the delight of locals and visitors. Many more such Féile social nights will be taking place in a selection of local pubs listed in our Pub Session Trail over the coming months.

This Friday, October 25th is our annual Flag Day so when you see members of our committee on the streets and local hostels, please give generously. All contributions will be greatly appreciated.

Plans are now well advanced to stage Féile 1997 which looks as though it's going to be a much bigger event than 1996. A total of 200 performers including musicians, dancers and singers, storytellers etc. are travelling from all over Ireland and some from overseas for the event. Present estimates put the cost of staging Féile 1997 to be in excess of £30,000 which in turn will give a spin-off to the town of hundreds of thousands of pounds.

Our Secretary, Margaret McGrath was in Ennis over the weekend at the annual AOIFE Conference where more than 40 delegates from festivals all over Ireland were taking part. No doubt Margaret will bring back valuable information regarding all aspects of safety for a successful festival.

In 1971, the Reds overcame Dungarvan in the Divisional Final and accounted for Rathgormack in the County decider. A social evening will follow to which all are welcome to attend for a good night of music, song and dance. Honouring successful teams of the past is something the Ballyduff club has been doing in recent years and they have proved to be an outstanding success and let's hope that Friday night will be equally as enjoyable.

RECENT DEATHS

Sr. M. Rosario Hurton Presentation Convent

"Journey is ended, a home in God is found".

We learned on Saturday, October 12th with sadness of the passing of Sr. M. Rosario Hurton at the District Hospital.

For the past decade, Sr. Rosario hadn't enjoyed the best of health and had spent periods of hospitalization in Cork, Waterford, Dungarvan. A native of Clonepower, 77 year old Sr. M. Rosario was the only girl in a family of four. Brothers Bill and Tom had some years earlier gone to their eternal rewards.

Her parents and family were industrious, hardworking and were the essence of reliability. In 1944 Sr. Rosario entered the Presentation Order of Sisters as a novice and three years later was professed. For the next 50 years, her life was spent in the Presentation Convent, Dungarvan where she was a most able cook and housekeeper. She took great pride in her work which was her true vocation. A great favourite with the other sisters, she was an outgoing person who made everybody welcome on a visit to the Convent.

In her life, she saw major changes both in religious and secular life. She tendered loving care to the Convent gardens. After a life spent among us may she now enjoy the fruits and rewards in the Divine homeland.

We offer our condolences to her brother Pat, sister-in-law Alice and her nephews and nieces on their loss. We sympathise also with Rosario's fellow sisters in the Presentation Community on her passing.

What is death?

"A wondrous mercy,
A coming home,
A divine welcome
To a well loved child"

On Sunday evening following prayers and a short service at the Presentation Convent chapel, Sr. Rosario's remains were brought to St. Mary's Parish Church where they were blessed and received by Very Rev. Fr. G. Power P.P. assisted by Rev. Fr. Michael Cullinane C.C., Rev. Fr. G. McNamara C.C., Rev. Fr. C. Kelly C.C., Rev. Fr. T. Walsh O.S.A., Rev. Fr. K. Moylan O.S.A., Rev. Fr. Hennebry O.S.A. and Very Rev. Fr. J. Sullivan.

On Monday morning, Requiem Mass was offered for the repose of her soul by Rev. Fr. C. Kelly C.C. The lessons were read by Sr. M. Regis and grandniece, Katie O'Neill. The prayers of the faithful were shared by Sr. Mary, Sr. Maria, Sr. Ann, Sr. Emmanuel, Bríd Casey, Pauline and William. The offertory procession indeed was symbolic of Sr. Rosario's life. The bread and wine brought by Ted and Tony reflected her love of the Mass, the potted plant carried by Sean, the love she had for nature and the garden in particular. The birthday cards from Sarah and Michael showed the human side, she never forgot others on their special days. The brown bread, carried by Breda, was symbolic of her housekeeping duties and indeed the great hospitality she was renowned for. She loved the Novena on Monday night and Jim came to the altar with a Novena booklet. Liam brought a Rosary, her favourite prayer, the prayers she derived her name from. Pat presented her ring, symbolic of her marriage to Christ and her love of her vocation. The candles, carried by Anne and Kathleen reflected the light of Christ which Rosario saw at her Baptism. A shell from Tramore was brought by William showed her love of the seaside. Sr. Gertrude explained the meaning of these gifts in a simple and yet thought provoking way.

After Holy Communion, Sr. Paula shared a reflection with the huge congregation present which also included Very Rev. Fr. G. Power P.P., Very Rev. Fr. W. Carey P.P., Very Rev. Fr. P. Creed, Very Rev. Fr. G. McNamara C.C., Very Rev. Fr. J. Sullivan, Very Rev. Fr. D. McCarthy C.C., Very Rev. Fr. J. Kiely P.P., Very Rev. R. T. Walsh O.S.A., Very Rev. Fr. P. Cooney O.S.A., Rev. Fr. K. Moylan O.S.A.

It was shortly after midday when Sr. M. Rosario was laid to rest in the Convent community cemetery. A guard of honour was provided on both days by the pupils of St. Mary's National School and teachers. Music was provided by Sr. M. Brenda and representatives of the other sister houses while Sr. Veronica sang the Responsorial Psalm. (James Kiely and Sons Funeral Directors).

Mr. Tom Landers

It is with feelings of deep sadness we record the passing of Mr. Tom Landers, Knockmaun, Dungarvan which sad event occurred on Friday, October 11th in his 90th year.

Mrs. Elizabeth (Birdie) Power

We record with very sincere regret the death of Mrs. Elizabeth (Birdie) Power (née Pembroke), Ballinvoher, Waterford, which sad event occurred after a short illness in the wonderful care of the staff at Maypark Nursing Home and her loving family.

Birdie was well known in West Waterford, particularly in the Ring area where she had many good friends. Relict of Thomas P., Birdie was a warm and kindhearted woman who was held in high esteem by all who came to know her. A true Christian lady, she was always ready to lend a helping hand and her passing has been the cause of much sorrow and regret among her sorrowing family and large circle of friends.

She is survived by her family Terry, Stephanie, Hilda, Roni, Alva and Patrick, was a much loved "Dan Dan" to all her grandchildren and great-grandchildren and is also deeply mourned by her sister Maura, her sons-in-law, daughters-in-law and all her relatives and friends to whom we extend deep sympathy on their very sad bereavement.

Beannacht Dé ar a hanam dilis.

PRETTY WEDDING

The beautiful parish church of Saint Mary's of Newcastle was the scene of a very pretty wedding on Saturday, October 12, the Feast of Saint Wilfrid, when Paraic, son of Mr. Sean and Mrs. Breda Spillane, Tullamaine, Fethard, was united in matrimony to Fiona, daughter of Mr. Seamus and Mrs. Catherine Hackett, Liam Lynch Terrace, Newcastle. The marriage ceremony with Nuptial Mass and Papal Blessing was solemnised by Rev. Fr. James Denmead C.C., Fourmilewater/Newcastle assisted by Rev. Fr. Ryan C.C., Cashel/Rosegreen and Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena in the presence of a large number of the relatives and friends of the contracting parties.

The bride, given away in marriage by her father, was attended by her sister Sinead Hackett as bridesmaid. The bestman was Michael Spillane, brother of the groom, the flowergirl was Aishling Brophy, cousin of the bride and the soloist was Kathleen Johnson, Ardfinnan. The organist was Mary Murphy, Newcastle.

With the church ceremony over the entire party left for the Hotel Minella, Clonmel, where the wedding reception took place and where a most enjoyable and musical time was had for many hours. After the cake was blessed the toast of the bride and bridegroom was appropriately honoured and felicitous speeches given by many guests present. Later in the evening the happy couple left on their honeymoon which is being spent in the Canary Islands. As they left they were accorded a most congratulatory and enthusiastic send-off accompanied by the best wishes of all present for a life of unclouded happiness in the years to come.

COMMUNITY ALERT

Recent meetings of Ballymacarbry Community Alert have taken place arranging for the distribution to elderly people living alone of alarm systems. It is hoped before the long nights set in to have those people supplied with some security in their homes. Today many of our senior citizens live in fear, they are afraid that they may be assaulted by thugs or criminals in their own home. They are afraid to leave their homes in case their home is broken into while they are out. They are also afraid that if they collapse due to ill health that it may be days before some body calls to see them. It is a sad reflection on us as a society that our elderly citizens have these fears. The Gardai in the Ballymacarbry area are doing trojan work for those people, they are calling on them all through the year, that is giving those people some courage. Those elderly people can also take steps to reduce the risk by doing the following in the event of strangers calling to their homes.

Be on your guard when answering the door to strangers, don't open the door until you are satisfied who they are. Keep your door locked at all times, don't part with money to them. In an emergency, officials may call without appointment, check their identity. If strangers call to you in a car or van and you are not happy with who they are, get the registered number of the vehicle, write it down and contact your local gardai who will have it checked out. And a last warning — don't keep money in your home.

ANNUAL SALE OF WORK

THE BABS KEATING STORY

"Babs, The Michael Keating Story", is a frank and forthright account of the life of a phenomenon in Irish sport. The hurler, Gaelic footballer, racegoer, gambler, confidante to the sporting superstars and family man tells his remarkable story. It is not just a sporting story but a valuable chronicle of life in modern Ireland. From Grange, Babs Keating emerged at the start of the swinging sixties as the most exciting young talent the game of hurling has ever seen. Over a period of fifteen years, he earned himself legendary status in the game as one of its greatest ever artists.

When his playing days were over, he became a coach and team manager and presided over the most exciting and controversial episodes in the modern history of the game. This book brings us from Tipperary to Croke Park, New York to Bombay, he gives a behind the scenes look at major games over a thirty year period involving his teams and others. He takes us to the worlds race tracks, the exotic and the mundane. It is the story of a man who has experienced triumph and despair and, ultimately is a winner. It is a riveting and revealing account of the life of an Irish hero.

LATE MR. RICHARD POWER

It is with deep and sincere regret we record the death of Mr. Richard (Dick) Power, Mount Carmel, Ardfinnan which sad event took place at St. Joseph's Hospital, Clonmel, on Sunday 13th October.

Deceased was a member of an old and respected South Tipperary family. A man of outstanding qualities, he possessed a wonderful warm personality and made friends with ease. He was a wonderful neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of his courteous and easy-going nature which endeared him to all. He was a true gentleman in every sense of the word and a host of friends who appreciated his company, advice or assistance in any way now truly and justifiably grieve for the loss his demise leaves.

That his memory will be cherished was truly indicated on Monday evening as all walks of life were represented in the large concourse of mourners who were present when his remains were removed from Condon's Funeral Parlour, Clonmel to the Parish Church of the Holy Family, Ardfinnan.

On Tuesday morning, the feast of St. Teresa, Requiem Mass was celebrated for the repose of his gentle soul. After Mass the funeral took place to the New Cemetery, Ardfinnan, where he was laid to rest in the presence of another concourse of sympathisers, who united in a fitting tribute with family, neighbours and life long friends paying their respects to a Christian friend.

LATE MR. FRANK CRONIN

It is with deep and sincere regret we pen the death of Mr. Frank Cronin, Michael Collins Row, Old Bridge, Clonmel, which sad event took place suddenly at Saint Joseph's Hospital, Clonmel, on Tuesday 8th October.

Deceased who had reached the allotted span was a member of an old and respected Old Bridge family. A man of many charming traits of character, his gentle good humoured and obliging nature, mild manner and unassuming disposition commended him to all fortunate enough to have made his acquaintance. He possessed a most charitable outlook on life and was an excellent neighbour, always ready with the hand of help and the district is the poorer at his passing. The respect in which deceased and his family are held was amply illustrated when all walks of life were present when his remains were removed on Wednesday evening from Condon's Funeral Parlour, Clonmel, to SS. Peter and Paul's Parish Church, Clonmel. On Thursday morning, the feast of Saint Francis, Requiem Mass was celebrated for the repose of his soul. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel, where he was laid the rest in the presence of a large concourse of mourners who came to pay their respects to a Christian friend. COMPULSORY M.O.T. ON ALL CARS

United Farmers Association regards the imposition of an E.U. designed compulsory M.O.T. on all cars over four years old as a further turn of the screw in the persecution of the ordinary people of rural Ireland. People who live in the countryside need a car every day to carry on with normal living. Those on low incomes manage to get by economically and safely using older cars which may look slightly dilapidated but are mechanically sound. Despite commercial propaganda from the vested interests in the motor trade there is no evidence that older cars constitute a road hazard. In fact, it is very obvious that the more serious road accidents are very often caused by new, high powered cars driven at excessive speed. This new imposition is a further example of German regulations for Irish people. Our Government and politicians generally seem to have forgotten or choose to ignore the fact that the average

German income is three times the average Irish income. The new regulations will present no problem to the rich of this country but will leave many poorer families in situations where they will not be able to afford a car. It is particularly amazing that political parties of the left have allowed this penal imposition to be foisted on people who are struggling to live with dignity on low incomes. Where are the champions of the poor if the modest comfort of a cheap, old car is to be taken away from those who have no prospect of ever affording a new shiny model?

Our T.D.'s seem to have lost touch with reality.

Nursing As A Career Option

Nursing as a career option has for many a vocation about it. It is also true that many of those seeking to pursue it cannot find places in Irish hospitals and look to the UK to find a career. In fact, there is a great tradition of dedicated Irish nurses in the British Health Services.

However, there are two major choices to be made by the young people — one involves the choice of nursing as a career, the other involves the decision to emigrate. Both need to be informed and responsible decisions.

The Irish Episcopal Commission for Emigrants and the Irish Chaplaincy in London have for some years now set up a series of 22 seminars around the country on nursing in the UK which give the necessary information and guidance on both these decisions. These seminars are made possible with the invaluable help of chaplains who have worked in Britain, guidance counsel-

lors and youth information workers. Again, the seminars will be conducted by Liz Whelan, Nursing Sister in casualty at the Whittington Hospital in London who hails from Castledermot.

This year has already seen some changes in the system. The cost of the application package has increased to £10 sterling; availability of county council maintenance grants for students going to college abroad, and, from next summer — Project 2000 applications will be requested from and processed through UCAS. Liz will have all the up-to-date information at the seminars.

The seminar in Waterford will be held at Mount Sion Hall, Barrack Street, Waterford, on Thursday, November 7, at 2 p.m. Local contact: Fr. Michael Enright 052-41489.

If you can't make it — the IECE office in Dublin will have booklets available and help with any queries you may have.

Wright Slams Proposed MOT Test For 4 Year Old Cars

BY AISLING CONROY

The recent announcement by the Minister for the Environment Brendan Howlin that compulsory MOT car testing will come into force in 1998 has been strongly condemned by Dungarvan Councillor Tony Wright.

Speaking at last Monday's Waterford County Council meeting, Cllr. Wright proposed that the Council signal its opposition to the Minister's proposal which he described as "way overboard".

The new system will make it mandatory for all cars of

four years of age or more to attend a specific testing centre which will be franchised by the state to carry out the work on its behalf. The estimated cost of the MOT test is £40 and motorists will also be obliged to pick up

the tab to cover whatever problems may emerge.

According to Cllr. Wright however, for many people, workers in particular, a four year old car is considered new. The proposed test, he added, would create

a monopoly situation for local dealers with serious financial repercussions for motorists.

His proposal was seconded by Cllr. Jimmy Quirke and received the unanimous support of members.

PROPOSED ROUNDABOUT DESIGN FOR KILRUSH JUNCTION

Waterford County Council is currently finalising a design and cost estimate to replace the existing traffic lights at Kilrush junction with a roundabout.

Further discussions will then take place between the Council and the National Roads Authority about its feasibility and financing.

That's according to Waterford County Councillor Billy Kyne who has been informed by Michael Tobin, Chief Executive of the NRA, that a roundabout at this location is likely to be quite costly bearing in mind the topography and existing develop-

ment in the immediate vicinity.

Following a number of traffic accidents including a tragic fatal accident in November 1995, the present traffic light system at the busy Dungarvan bypass junction has been the cause of great concern to local residents. Indeed, the matter has been repeatedly raised at both Urban and County Council level.

Now however, Waterford County Council see merit in replacing the existing traffic light control and this has been the subject of some discussion between the Council's engineering staff and NRA staff.

LISMORE BADMINTON CLUB NOTES

Ladies first division made the long trip to Dunmore for their first outing of the year and after a very late start, they pushed the Dunmore girls all the way with two games going to the deciding set before Dunmore could be sure of all 4 pts.

Team: N. O'Sullivan (Capt.), M. Morrissey, A. Curley, A. Dunne.

This team were at home to Waterford on Monday night last and again their games were very exciting with some great rallies. Angela and Nora went down 7-15 and 13-15 going very close in the second set. Mag, with Jo Jo subbing for Ann, worked hard before going down 9-15, 7-15. Third ladies Angela and Jo Jo went close on the first set losing 13-15 and were ahead in the second set before being beaten 15-10, 8-00 n.m.

Nora and Mag had the game of the night losing 9-15 in the first set. They won 15-1 in the second and were unlucky to finish 10-15 behind in the decider. So no points yet for first ladies but they certainly are enjoying their great games.

Division Two mens team have had to withdraw from their league due to unforeseen circumstances. Division One men played away to Waterford on Monday night. Division Four ladies and mens teams play their first games this week. The ladies are away to Holycross with the men at home to Ardmore. Division Five ladies travel to Touraneena for their second game on Wednesday night. Social night from 8.00 p.m. - 9.00 p.m. tomorrow night (Thursday) and juveniles from 7.00 p.m. - 8.00 n.m.

PRESENTATION CONVENT PRIMARY SCHOOL NEWS

Camogie — Following our recent victory in the Fitzgerald Cup, Ballyduff came to play us in a challenge game. We won comprehensively with these players all having their part in it.

D. Barry, D. Keane, R. Geoghegan, N. Ryan, S. Murphy, O. Daly, M. Landers, E. Fleming, C. Byrne, O. Roche, N. Morrissey, L. Buckley, C. Houlihan, N. Byrne, L. Leahy, G. Leahy, R. Walsh, N. Dooley.

This week we'll be returning the visit with some of the above travelling along with some new girls who have been training hard and looking for places on school teams.

Football — For the first time ever we changed codes last week and made an attempt at playing with the bigger ball. We were quite pleased with our performance and surprised the other schools in our group not to mind ourselves. We beat Tallow well in our first game which got us off to a great start. The score in this game was 5-2 to no score. Ballyduff were tough opposition and always looked dangerous. We were narrowly beaten by two goals to no score. Despite this defeat, we rallied again in our final game against Cappoquin to come from behind and draw the game at one goal each.

Ballyduff won out the group and went forward to the Western semi-final of the I.N.T.O. Mini-7's.

A Good Time For Planting Fruit Trees

This month is a very good time for planting fruit trees. The season for planting extends from the time the leaves fall in autumn until active growth starts in spring.

But I've always preferred October planting because trees that have been settled in the ground for some months can take better advantage of the spring growing weather than those that have only just been planted.

Many of you will be thinking about planting apple trees. If you haven't already got any in your garden, then it will be fun to pick your own crops over the years.

But do remember that apple trees — and any fruit tree for that matter — will be permanent features in your garden. It's going to be there for a very long time, so you must choose carefully where you plant them.

There are so many different varieties of apples that you might wish to get some expert advice from your nurseryman. For instance, some apples taste best when they're taken straight from the tree, while others can be stored for a while and still retain their freshness and juiciness. Then again, you may want some cooking apples.

The planting sites for all fruit trees (apples, pears and plums) should be well prepared by digging 2 ft. deep, then, if the soil is poor, spreading a little rotted manure on the surface and forking this in. If you don't have any manure, rotted compost will do fine.

Cut back all the broken roots and spread these during planting, to their widest extent, covering them with fine soil. Provide a stake for each standard and half-standard tree, making sure you insert it before you cover over the roots.

You can get special ties for fixing the tree to the stake, but I still prefer the good old fashioned method of using some stout weather-proof twine, having first wrapped a piece of sacking around the stem to prevent chafing.

With apple, pear and plum trees, plant standards 30 ft. apart and half-standards 18 ft. apart. Fan-shaped and espaliers 12 ft., bush 10 to 15 ft. cordons 4 ft.

When it comes to pear trees, you really can't beat the good old Conference, especially as it is a good cropper.

And for a single plum tree, then stick to the best known — Victoria. There are many who will tell you it has its faults and can be susceptible to silver leaf, but even so, I think it's the best all-round plum of the lot.

But again, you can always consult your nurseryman or garden centre who will be only too happy to give you all the information on the varieties of fruit trees now available.

Good Turnout At Teagasc Beef Producer Meetings

A total of 300 beef farmers attended three successful Teagasc Beef Advisory Meetings in Co. Waterford recently. The meetings were addressed by Teagasc Advisers Patrick O'Brien, Tom Fallon, William McCarthy, Peter Comer, David Wallis and chaired by John Moloney, Chief Agricultural Officer.

Farmers were told by Patrick O'Brien that the current drop in beef prices could lead to a drop in gross margin of £80 per suckler cow for the weanling pro-

ducer. However, this drop could be offset by improvement in efficiencies, especially in the area of grassland management. Increased use of rotational grazing systems will result in grazed grass becoming a larger part of the total diet of beef animals and thereby reducing total feeds costs. One of the more startling figures highlighted at the meeting was that 1 kg. of daily gain cost £1.04 when animals are indoors and £0.21 when animals are grazing. These figures

clearly emphasised the importance of extending the grazing season as long as possible, consistent with good grassland management.

According to David Wallis, a recent Teagasc survey revealed that it is costing £2.23 to produce a kg. of beef in a calf to beef system. This same kg. of beef is being sold for £1.81 at present. This is not a sustainable situation and again through improved grassland management, costs can be reduced by at least 13p per kg. The price which is being paid for calves must also be reviewed in the context of current prices. On the controversial issue of cattle slaughter weights it was pointed out that 40% of Irish steers are over fat and that leaner carcasses with a fat score of 3 or 4 L are what the market requires in the future. These objectives can be achieved without changing from the existing beef breeds, if they are slaughtered at lighter weights.

The meeting was told by Tom Fallon that the relatively low stocking rate on many cattle farms provided an opportunity for dry stock farmers to avail of the Rural Environment Protection Scheme (REPS). If cattle farms do not require to spend large sums of money on pollution control, then by farming according to a REPS plan, income could be supplemented to the tune of £2,000-£3,000 per annum for 5 years. Tom also em-

phasised the need for care in calculating the stocking rate for the farm when applying for the beef premia as small errors can be expensive if the farmer disqualifies himself from extensification payments.

A lively debate followed the talks given by the speakers, with the questions focussing on the values of stock in various categories for finishing and the relative value of feedstuffs. In closing the meeting, John Moloney emphasised that people should not change from their existing systems of beef production. Instead each individual should focus on maximising his/her income from his/her existing system by reducing costs and improving efficiencies.

Waterford Foods Competition

The following are the winners of the competition on the Waterford Foods Stand at the World Ploughing Championships held recently in Carlow:

Weekend for two in any Jury's Hotel — Redmond Foley, Coolbagh, Clashmore.

One year's supply of GAIN Dog Food — Margaret Kelly, Hayestown, Taghmon, Co. Wexford.

DAIRYING

LAMENESS

If lameness is a problem, preventative hoof paring should be carried out by the Farm Relief Service a few months before calving. Bad cubicles and rough concrete surfaces are major causes of lameness and should be avoided. Seriously lame cows should be taken off concrete and put in a straw bedded house.

MILK FEVER

If milk fever is a problem with Autumn calvers, feed one ounce of Cal Mag or equivalent magnesium for about one month before calving. Also, avoid having cows too fat and do not feed mineral containing Calcium. Drenching with 4 ounces of limestone flour at calving and again 12 hours later is also helpful.

Cows should be introduced to low levels of concentrates for 1-2 weeks before calving to avoid digestive upsets.

PREMIA APPLICATIONS

Farmers applying for the Special Beef Premium in October or November should check that they do not exceed their stocking rate restrictions, i.e.:

Basic Premium	Maximum of 2 L.U./Ha (1.24 ac./L.U.)
Extensification	Under 1.4 L.U./Ha (1.76 ac./L.U.)

TILLAGE

CROP NUTRITION

Since the introduction of seed-only sowing systems, many farmers are leaving P and K application until Spring. This is fine at high soil levels of P and K but at lower levels the P and K needs to be incorporated at sowing (see table):

Index	P Level PPM	K Level PPM	P and K Application
1	0-3	0-50	Incorporate at Sowing
2	4-6	51-100	At Sowing
3	7-10	100-150	Any time Pre Ploughing - Spring
4	Above 10	Above 150	Not Required

A soil test is the only sure way to know your soil fertility. At Index 4, considerable savings can be made on the cost of P and K fertiliser.

Trace elements may be required in the back end where severe deficiencies exist, Zinc, Manganese and Copper should be applied, preferably in chelate form, where known deficiencies exist.

FARM SAFETY

SLURRY GAS IS DEADLY:

Many farmers are now emptying the slurry tanks before the onset of winter. This is a very dangerous job and every precaution must be taken to avoid a build up of Hydrogen Sulphide within the house, resulting in death of animals and humans alike.

- ◆ Pick a windy day and open all doors and outlets to ensure high and low ventilation. Do not enter any poorly ventilated space where gas build-up could occur.

- ◆ Evacuate all persons and stock from the building. Children in particular should not go near the building or agitation point.

- ◆ Stay away from the agitation point for the first 30 minutes of mixing, especially after breaking the crust as this is when most Hydrogen Sulphide is released.

- ◆ A special full face mask fitted with a B2 canister gives a high level of protection against Hydrogen Sulphide, if properly used.

- ◆ Never go into a slurry tank without suitable breathing apparatus and a harness attached to a lifeline controlled by at least 2 adults.

IFA Calls For Action From Minister Yates On Sheep Policy Review

Speaking following a meeting of the IFA National Sheep Committee in Dublin recently, Waterford Committee Chairman, Harry Gray said that the Minister for Agriculture Ivan Yates was allowing the Irish EU Presidency slip by without tackling the real policy problems in the sheep area. Mr. Gray said the Minister's failure to act on this issue will come back to haunt sheep farmers in future years when it again becomes apparent that the present sheep policy particularly on ewe premium is fundamentally flawed.

COUNTY ICMSA NEWS DIGEST

BAN FARMERS WHO USE ANGEL DUST
Farmers convicted of using angel dust should receive a life ban from owning livestock said Waterford ICMSA Chairman, John Skehan, who is a member of the South East Regional

Committee with representatives from Waterford, Wexford, Kilkenny, Carlow, Laois, Wicklow and Kildare.

Mr. Skehan said farmers who use angel dust are traitors who are holding the entire agriculture sector to ransom.

But he added that 99.9 per cent of farmers are totally against the use of illegal growth promoters. Mr. Skehan said the new legislation incorporating higher fines and jail sentences should be used to the full against the greedy minority who use angel dust.

ICMSA WELCOMES RUSSIAN BEEF EXPORT AGREEMENT

ICMSA President, Frank Allen, welcomed the announcement by the Minister for Agriculture, Ivan Yates, of the signing of an agreement which will allow for the export of beef to Russia. However, he said that the exclusion of beef from three named counties is regrettable. He expressed the hope that this temporary arrangement would be ended in the near future.

Mr. Allen acknowledged that the overall outcome

was the best that could be achieved at this particular time. "The important achievement was clearing the way for beef exports by demonstrating to Russia that our beef is safe."

Mr. Allen expressed the hope that the Saudi Arabian and Iranian markets will be active in taking produce in the near future.

ICMSA DEMANDS BIG REDUCTION IN COSTS OF LEASING QUOTA

The price of quota leased next year under the Temporary Leasing should not exceed 20 pence per gallon, said ICMSA Dairy Committee Tommy Cooke.

He proposed that a meeting of the Quota Review Group be convened as soon as possible so that the price reduction can be put in place before the end of 1996.

Mr. Cooke said ICMSA has consistently argued for a lower price for temporary leasing at the Quota Review Group meetings, but were told by the Department that higher temporary leasing prices were required to compete with land leasing.

Cllr. Calls For Extension Of Stamp Duty Relief On Farm Transfers

The planned governmental withdrawal of stamp duty relief on farm transfers on 31st December next was strongly criticised by Cllr. Jimmy Quirke at last week's Waterford County Council meeting who proposed that the Council call on the Minister for Agriculture, Ivan Yates, to extend the relief scheme.

The Ballyduff Councillor warned that the withdrawal of the stamp duty relief will incur huge expenses on farmers transferring land to their sons.

Supporting the motion, Cllr. Willie McDonnell stressed that for many young farmers taking over land, the withdrawal of the scheme in December will add thousands of pounds to their bills. "If we're to give any chance to rural Ireland, we must give a chance to small farmers", he added.

The motion received the unanimous support of members.

1996 SUCLER COW PREMIUM SCHEMES

Farmers who did not apply for Suckler Cow Premium earlier this year and who intend to apply for such Premium during October 1996 using the application forms now available from Local Offices of the Department of Agriculture, Food & Forestry, are reminded that the closing date for receipt of applications in those offices is Thursday, 31 October 1996.

Therefore they should ensure delivery of their applications to their Local Offices by that date. If posting their applications, they should obtain Certificates of Posting from An Post as proof of posting in time to reach their Local Offices by the 31 October deadline.

BEECHERS TO THE FORE AT KILL

As the showjumping season approaches the end, the Beecher family are still in top form having taken the "Horse of the Year Show" at Kill by storm last week. Heading Diane's success was a victory in the A.B.C. Popular Class on Loughnatousa Gus bred by Jim Fitzgerald, Clashmore. This combination jumped a superb round in the jump off with a fraction of a second dividing the first seven placings.

Then on to the Grade E Championship. Here Diane was just unlucky to have the last fence down in the jump off in the fastest time of the class.

On to the Derby and Diane, riding Loughnatousa Bruno, bought from Tom Cummins of Stradbally as a three year old, took on Ireland's showjumpers and gave a beautiful performance with just the final

fence down in the second round. This was Diane's first Derby and no doubt not her last !!

Diane clocked up numerous other successes in the novice classes. Well done and good luck for the remainder of the season.

Tadhg and Paul were also in the prizes at Kill. In the 148 class, Tadhg took third in the championship on Alternative Jazz while Paul was fifth in the 138 championship with "Three For A Girl". Well done to you both.

HOME FROM HOSPITAL

Continued good wishes to Brian Murray who is now home from hospital and well on the road to recovery following his recent injury which he sustained in the Clashmore/Ring game. Hope to have you back on the field soon, Brian.

CLASHMORE/PILTOWN/BALLYCURRANE SCHOOLS

Our Primary School boys gave a wonderful account of themselves in overcoming An Rinn in the Schools Football Final in Fraher Field, Dungarvan on Saturday last. Credit must go to both teams for serving up such superb football in conditions which were far from ideal.

Early in the game An Rinn proved to be the stronger side and led by 4 pts. to 1 after 10 mins. At this stage our midfielders Paudie O'Rourke and Marcus Prendergast started to get a grip on things and with a better supply going into our forwards, the tide slowly turned. The accurate kicking of Sean Fleming was a notable feature of this phase of the game, his point scoring was a joy to behold. With minutes to go to half-time, we were on level terms and then the move of the half finished with Joe Collins shooting to the net. We were leading by 4 pts. at half-time but we knew we were not out of the woods yet.

In the second half, Ring came back with a vengeance. They had the lions share of possession but were finding it difficult to get scores. Eventually after a sustained bout of pressure, they got a goal which had them on level terms. Then the true character of the Clashmore side showed itself. A great run down the wing by James Ledingham, who then transferred to Jim Flavin, a pass to Sean Fleming who rattled the back of the net - we were back in front. An Rinn were not giving up the ghost - they engineered another goal. Another movement upfield led to a magnificent goal by Jim Flavin who dived at the ball in flight and punched it to the net - reminiscent of Pat Spillane in his heyday. We were back in front and survived some tense moments to hold out for a 2 pt. win.

It was a superb team performance by the Clashmore boys. Our goalkeeper Mark McGrath and defenders Gary Kelly, Jason Seward and Mark Burke were solid all through and never panicked under pressure. Midfielders Paudie O'Rourke and Marcus Prendergast gave their all and got some wonderful moves going. Up front we had sterling displays from Joe Collins, Jim Flavin, James Ledingham and especially Sean Fleming.

In our moment of triumph, we must give due recognition to the boys of An Rinn. There was very little between the teams on the day - a pity there had to be a loser. I'm sure these two teams will meet again in underage competition - the prospect of a re-run is simply mouthwatering !!

Great to see a former worker of this scheme back with us again, Humphrey Langford. Here's to another successful and progressive year.

TOURANEENA NOTES

SLIABH gCUA/ST. MARY'S G.A.A NOTES

We will be holding our annual Church gate collection next weekend. 1996 proved to be a costly year for the club especially the drainage of Kirwan Park so we ask everybody to be as generous as possible. We would like to thank you for your generosity in the past and look forward to it in the future.

ST. MARY'S NATIONAL SCHOOL NEWS

Last Tuesday in Abbeyside G.A.A. grounds, the young girls team competed in the Mini 7's competition. The first of our three games was played against Ring. Ring won the toss and with the strong wind at their backs, scored two goals in the first half. In the second half, Marie Quinlan scored two points as Fiona Gleeson scored a goal. At the final whistle just a single point separated the two teams.

It was the same situation in the second game against St. Pats. Over the years the games between the two teams have always been very exciting and this game was no different. In the closing stages of the game, we were two points ahead after Marie Quinlan had scored two points and Avril Hickey, a hat-trick of goals but three late points gave the Pats a one point win on a scoreline of 3-2 to 3-3.

Our third game was against a very good Ballymacarbry team. At this stage we had played three games in an hour and our players were getting very tired. We were heavily beaten but it would have been a lot worse only for Michelle Gleeson who had a brilliant game in goal. Our panel of players were as follows -

Michelle Gleeson, Sharon O'Connor, Fiona Gleeson, Marie Quinlan, Aoife Hickey, Christina Cliffe, Eileen Hickey, Amanda McCarthy, Avril Murphy, Pearl Grace and Deirdre Kiely.

We would like to thank the following who provided transport for the players and without whose help the pupils could not partake in the school championships each year -

Mrs. McGrath, Eleanor Hickey and Brigid Quinlan.

Yesterday (Tuesday) the boys played their games in the mini 7's and depending on how well they played, could be playing again tomorrow (Thursday) in the semi-final and final.

CARDS

The results of last week's '45' Drive held in Dunford's Lounge are as follows -

Winners: George Foran and Nancy Kiely, Bob Keane and Tommy Condon; Lucky Table: Clare Murphy and J. P. Fitzpatrick; Last Game: Johnny McGrath and

Aidan Fitzpatrick; Raffle: Nancy Kiely, Alice McCarthy, Teresa Fitzpatrick.

UNDERAGE TOURNAMENTS

5 rounds of the indoor soccer tournaments have now been completed. 13 players played in the boys Division Four section and this game produced a 1-1 draw. Patrick O'Donovan put the Celtic team one goal ahead but a last minute free kick, scored by Shane Foley levelled the scores. These players seem to be enjoying the games every Tuesday evening and come the night of the finals, this division will probably attract the biggest crowd.

Teams - Celtic: Frankie Condon, Eanna Power, Donnacha Coffey, Patrick O'Donovan, Kevin O'Neill, Kevin Gleeson, Dermot Tobin.

Rangers: Michael Nugent, Jamie Troy, Kevin Nugent, Donal O'Donnell, Shane Foley, Cormac Condon.

The first game in the Division Three section saw J. J. Coffey hit top form as he led his team to a 7-2 victory over Jason Hodnett's Southampton team. J. J. hit 6 goals and Kieran McCarthy got one for the winners while Jason and Niall Power scored one each for Southampton.

The second game saw Jamie Cullinan's Leeds team being beaten for the first time by a very determined Sheffield Wednesday team led by their captain John Power. Leeds had two goals from Johnny Buckley. John Power (2), Declan Queally (1) and Paul Coffey (1) were the Sheffield Wednesday scorers. This victory moved Sheffield Wednesday into pole position in the table. The performance of the night came from Frank Woods who gave a faultless display in goal for the Leeds team. J. J. Coffey, Declan Queally, John Power and Johnny Buckley also gave excellent performances. The table reads as follows -

Sheffield Wednesday: 8 pts.; Leeds: 7 pts.; Westham: 44 pts.; Southampton: 1 pt. The top scorers are J.J. Coffey (19), Eoin Walsh (12) and Paul Coffey (11).

The three games in the Division Two section produced some top class entertainment with the skill level in all three games been of the highest standard. First up were Jack Power's Arsenal team and Sean O'Neill's Man Utd. team. Jack and Sean scored a hat-trick each but a goal by Shane Hickey proved to be decisive as the Man. Utd. team won on a 4-3 scoreline. The Chelsea and Everton game saw three players score 4 goals each. Jack Cummins and Aidan Cliffe scored four each for Everton while John Boyle got four and James Cliffe getting two for Chelsea.

Next up was the top of the table clash between Newcastle and Liverpool. This meant that the divisions most lethal sharpshooters were head to head for the first time. These are Newcastle's Shane Troy and Liverpool's Tristan Hickey. Tayto won this battle scoring 6 goals as Shiner struck 5 but it was Shiner's Newcastle team that won the war as they went on to win on a 9-6 scoreline after a thrilling 20 mins. play. Finnean grace hit two while Newcastle were also gifted with two own goals. On the night, the most outstanding performance came from James Cliffe with Tristan and Shiner not far behind. Others who impressed were Sean O'Neill, John Boyle, Jack Cummins, Shane Hickey and Shane Hourigan. The table reads as follows -

Newcastle: 10 pts.; Liverpool: 8 pts.; Man. Utd.: 5 pts.; Arsenal: 4 pts.; Everton: 2 pts.; Chelsea: 1 pt. The top scorers are Shiner Troy (23), Tristan Hickey (18) and Sean O'Neill (16).

Jonathan Webster's Spurs team are now the only team to have a 100% winning record and this makes them red hot favourites to clinch the Division One title. Colm Geary (4), Stephen Cliffe (2) and Webby (4) scored their goals in their 10-3 victory over Aston Villa in which Denis Coffey, John Queally and Tristan Hickey got one goal each.

Neil Fenton's Blackburn team beat Derby by 7-5. Paul Gleeson (2), Stephen Cliffe (1) and Darren O'Connor (2) were Derby's scorers. Colm Geary's superb display was the best performance of the night with John Myles, Paul Gleeson, Stephen Cliffe, Colin Gleeson and Jonathan Webster giving impressive displays. The table reads as follows -

Spurs: 10 pts.; Blackburn: 5 pts.; Aston Villa: 4 pts.; Derby: 1 pt. The top scorers

are Colm Geary (24), Tristan Hickey (11), John Myles (10), Colin Gleeson (10), Paul Gleeson (10).

Mairead Hickey's Middlesbro team broke the Leicester team's 100% record when they beat them 6-5. Gillian Gleeson and Julia Walton got a hat-trick each for the winners while Leicester's goals all came from the boot of Helen McCarthy. Sandy Walsh ran riot in Wimbledon's 10-2 victory over Sunderland. Sandy scored 6, Valerie Power (2), Sharon O'Connor (1) and they also got an O.G. Clara Cashman scored Sunderland's two goals. Sandy Walsh was the star player of the night closely followed by Gillian Gleeson, Julia Walton, Helen McCarthy and Onora Cummins. The table reads as follows -

Leicester: 8 pts.; Wimbledon: 5 pts.; Middlesbro: 5 pts.; Sunderland: 2 pts. The top scorers are Sandy Walsh (12), Helen McCarthy (10) and Edel Halley (6).

The Swinson team retained their top of the table position thanks to a 7-0 victory over Norwich. Aoife Hickey hit five and Sarah Walsh got one. Niamh Coffey hit a superb hat-trick in Q.P.R.'s 4-0 victory over Man. City. Marie Quinlan got the fourth goal. Delores Condon scored five goals as Bolton beat Wolves by 5-3. Amanda McCarthy (1) and Claire Dalton (2) were Wolves scorers. Niamh Coffey, Aoife Hickey and Delores Condon all gave outstanding performances. Others to impress were Eileen Hickey, Eimear O'Connell, Tara Skehan, Maire Quinlan and Sarah Walsh. The table reads as follows - Swindon: 8 pts.; Q.P.R.: 8 pts.; Bolton: 6 pts.; Wolves: 4 pts.; Man. City: 2 pts.; Norwich: 2 pts. The top scorers are Delores Condon (18), Aoife Hickey (13), Claire Dalton (12).

Dungarvan Scout Notes

TROOP MEETING

The meeting began with some notices. The main topic was where Tom Power A.R.C. for scouts presented the Melvin team with their Regional Hike Badge. This is a great achievement for the lads as they had to show a lot of compass and map work skills as they hiked through the Comeragh Mountains.

Once subs were collected, we played some games. We played Blind Man's Buff and a spoon relay test-work was next on the agenda. The lads doing the explorer badge were doing ground to air signals while the lads who are doing the tracker badge practised their knots. Tom examined David Noonan on part of his electronics merit badge while the remainder of the lads finished off their fire safety board. The meeting ended at 8.45 p.m.

The court of honour had a busy agenda to cover. They picked the new P.L.'s for the year. They are Johnny Murphy, Brendan Wright and Paul Power. The A.P.L.'s are Seamus Hayes, Paudie Power and Ronan Flynn. It was also decided that Paul Power will represent the unit in Larch Hill in November. They also decided to fix up the table tennis equipment and a league could start up shortly.

ANNUAL QUIZ

The unit will be holding a Quiz Night on Thursday, November 7th. It will begin at 9.00 p.m. in Lawlor's Hotel. There will be great prizes so parents and friends put this in your diary. Remember all funds raised go towards your child's beaver, cub and scout unit. More details in the coming weeks.

TALLOW NOTES

Tallow G.A.A. Notes

Monday Next FINAL OF SENIOR HURLING TOURNAMENT

The eagerly awaited final of the McDonnell Bros. Senior Hurling Tournament takes place on Monday next (Bank Holiday), October 28th at 2.30 p.m.

Due to both the Ballyduff and Lismore clubs involvement in the County championship latter stages, it wasn't possible to stage this prestigious game any sooner and with both the semi-finalists and finalists in action, it has all the makings of another classic.

A large crowd is anticipated for what should be a thriller and we hope that the weather will be kind to us. A holiday voucher to a destination of the winners' choice is on offer. A worthwhile prize indeed and one for which we are extremely grateful to our sponsors. Tournaments such as this were very popular at different periods down the years, the Keaneland Cup being one which we well remember, giving championship stature to the games and some of hurling's finest fare produced. Like other things in life however, with time it lost appeal so now we feel that the time is right to re-ignite the local passion and rekindle the rivalry which properly exists to attempt all in an effort to do honour to one's own parish. We welcome the hurlers of Ballyduff and Lismore. May hurling with all its glory be the victor.

Déise Development Draw TWO MORE LOCAL WINNERS

Once again we have had some winners in this monthly draw or draws to be more precise. For whilst there is one monthly draw for a large number of big prizes (first prize: £10,000 or a car) there are in fact a total of nine draws in all. Two each week on every Thursday and Saturday for your chosen Lotto numbers. On the last Thursday draw, Tom McSweeney shared some of the £250 on offer while on the Saturday, Bridget Beecher scooped £500. Great value indeed for a mere fiver per month and at the same time contributing to our County grounds and Club finances. Be in for the last few before Christmas. Contact Timmy Sheehan or any Club Officer.

FIXTURES

U-21 Hurling Championship against Fourmilewater this Saturday in Cappoquin at 1.30 p.m.

U-13 Hurling: Tallow v Fermoy in special Castlelyons tournament on Saturday next in Tallow at 11.30 a.m.

Monday at 2.30 p.m. Tournament Final McDonnell Bros.

COMMITTEE MEETIN

Committee meeting tomorrow (Thursday) in St. Patrick's Hall at 9.00 p.m.

U-13 HURLING TOURNAMENT

You will notice from the above fixture list that our U-13 hurlers are in action. Already they have played five games and won five in the tournament involving Castlelyons (the host club), Fermoy, Ballyduff and ourselves. They have qualified for the 'A' final which will be played in Castlelyons on the first Saturday in November. This is a well organised effort by the Castlelyons mentors who are doing their utmost to further the growth of the game in their area. Come along and see the lads in action.

UNDERAGE NEWS

U-8 And U-9 Hurling And Camogie — Training continues every Tuesday and Wednesday at 3.30 p.m. sharp in the field. A couple of more weeks and we will be going indoors so keep up the good work lads. Thanks again to Ned Power for all his help in this area.

U-13 HURLING

Last Monday week we played away to Castlelyons and were very lucky to come away with the points. A much improved Castlelyons outfit took on the Tallow boys and we had a cracking game right up to the final whistle. The scorers were Robert Geary (3-0), Paul O'Brien (0-2), Michael Norris (0-1), Kieran Norris and Michael Keating (1-0) each. Great credit is due to our rock solid goalie Patrick Sheehan who brought off some spectacular saves in the first half to keep us in the match.

On Saturday morning we played at home to Ballyduff. This game will definitely be remembered as a nerve-wrecking, tension filled encounter (on the sideline!) with only minutes to go. The determination and eagerness on the faces of the 30 young lads over the hour was a joy to

watch. Michael Curley goaled in the first few minutes only to be followed a few minutes later by the equaliser for Ballyduff. Paul O'Brien, Michael Norris and Seamus Mills all pointed for Tallow and Michael Keating and Michael Curley goaled.

It must be said that Kieran Norris gave a fine display of good solid ground striking on this wet day and crossed in some lovely balls from the wing to set our corner forwards up for goals. However during the last 10 mins. we were showing signs of fatigue which resulted in the Ballyduff midfielder going right through to land the ball in the net on two occasions. But we held on and won 4-4 to 3-2.

Even though we fielded understrength in both these games, we have a lot of work to do to improve our game again for the last round of the league which is at home to Fermoy on Saturday morning, October 26th. Training continues this evening (Wednesday) and Friday at 5.00 p.m.

On Monday next (Bank Holiday), we will again line out in the 'curtain-raiser' to the McDonnell Bros. tournament. Our opponents will be the Killeagh team that beat us last year in the U-12's. So no doubt both sides will be eager to get a crack at each other again. We look forward to a great game of hurling here (weather permitting!!) so why not come along and lend your support to the young lads who have put in a lot of hardwork during the past few months. Throw-in here will be at 1.30 p.m.

Under-12 Football

Our last game in this league was due to take place last Sunday morning but due to adverse weather conditions, this was postponed until next Sunday. Players will be notified of the time in school.

"NORTHERN NEWS"

Congratulations to the U-14 hurlers from Ballinascreen, Co. Derry on winning the County Final recently. The Ballinascreen boys were our visitors during Féile '96 last June and went on to win out Section C of the Féile competition. Their County Final win over archrivals Lava was a sweet victory (and very much unexpected!!) thus leaving their U-14's an unbeaten track record for 1996. Well done lads.

BRIDEVIEW UTD. A.F.C. NOTES

MUNSTER JUNIOR CUP

United Defeat Crusaders After Thrilling Game

CRUSADERS 0 BRIDEVIEW UTD. 2

This Munster Junior Cup game saw Brideview Utd. pull off another marvellous win over Waterford side, Crusaders to advance to the third round. All 14 players turned in excellent performances here.

Utd. started well and a John Doyle cross was volleyed just over by Terence McSweeney. At the other end, Billy Sheehan twice denied the home-side with great saves.

A Stuart Barry shot after 24 mins. came back off the post and was cleared. Utd.'s opening goal was a beauty and came after 42 mins. John P. Grey put Dermot Henley clear down the left with a great pass and Henley's cross was crashed home by Barry who had run all of 30 yards and got in behind the defence. The visitors held this lead till the break.

Crusaders came at Utd. straight from the kick off and were denied by the post in the 47th min. Sheehan again denied them in the 50th min.

Perhaps the turning point came in this game in the 54th min. when a penalty to Crusaders was brilliantly saved by our young keeper, Sheehan. This lifted Brideview but the cityside still kept the pressure on Utd.'s defence.

After this onslaught, Utd. settled down and came more into the game. Brian Henley, Philly Curley and Stuart Barry all went close for Utd. The second goal that Utd. so badly wanted came after 75 mins. when a Philly Curley corner was headed home by Paul Curley who rose high above the defenders.

The final quarter saw Crusaders defenders come under a lot of pressure from Utd. and the Tallow side were unlucky not to add to their two goals.

At the end of a thrilling game, there were great scenes of jubilation from Utd.'s players and large number of supporters. Here on behalf of the players we would like to thank the big number of fans who travelled by bus and car and gave the lads such terrific support.

As I said earlier, this was a real team effort. Billy Sheehan had an outstanding game in goal. His defenders of Brian Henley, Denis Martin, Peter Henley, Paul Curley and Terence McSweeney all played their part in this thrilling victory. Our midfielder of Dermot Henley, Stuart Barry, John Doyle and John P. Grey excelled while captain Philly Curley gave the cityside's defence some

anxious moments.

Brideview introduced all three reserves namely Ger Sice, Stephen "Buddy" Curley and Eoin Murphy. All three played their part in this great victory for the Tallow club.

The supporters as I already mentioned, played their part too in encouraging the players throughout the game. Indeed many of them were in full voice some hours later in a city hostelry. Hold on to those voices, folks, we will need them again.

Team: B. Sheehan, B. Henley, D. Martin, P. Henley, P. Curley, T. McSweeney, S. Barry, D. Henley, J. P. Grey, J. Doyle and P. Curley (Capt.). Res. (all used): G. Sice, S. Curley and E. Murphy. Other res. S. Pratt and R. Henley.

Happy Events — Congratulations to Mr. and Mrs. Aidan Ryan and Mary Murphy on the happy events, the birth of baby girls.

Also to Kieran Ryan who now lives in England. He is now a dad and yes, you guessed it another baby girl. Well done, folks.

U-14 League Result Inch 8 Brideview Utd. 0

A very much understrength Utd. side (due to a variety of reasons) never troubled a very strong East Cork side on Saturday last. The nearest Utd. came to scoring came in the second half when a Paul O'Brien volley struck the Inch crossbar but was cleared. To be fair to the lads, they tried hard despite being short so many regulars.

Team: P. Sheehan, D. Casey, M. Keating, T. Ryan, P. O'Brien, M. Curley, P. Ahern, M. O'Brien, W. Curley, A. Daly.

Great News — The club are delighted to be informed last weekend that we were awarded with a Lotto grant of £5,000. This is a marvellous boost for the club and we would like to thank Austin Deasy and Brendan Ormonde for their help as well as our local councillor, Willie McDonnell. Thanks a thousand, lads.

This money will go towards the erection of dressing rooms which the club will commence after Christmas. It's only nine weeks down the road, folks.

Sympathy — The club extends its deepest sympathy to the relatives and friends of Anna Ryan who passed away last weekend.

May Anna rest in peace.
Speedy Recovery — Yes

we would like to wish a speedy recovery to the following —

Denis Tobin, Miss Hartigan, Joe O'Keefe and Mary Pratt. All four are in hospital as we write these notes but hopefully all four will be back home soon. Get well soon, folks.

Happy Birthday — Yes this coming Friday night will see one of our favourite girls celebrating. No stranger to our news at hand column, we can now announce her birthday on Friday. The party is going on in the house. I suppose the postman will be giving out the invitations during the week. If you do not get one, just turn up at the house and bring your own beer or so we are informed. Her age, well her father says that she seems to be around for ever. I must admit that Colette does not look thirty. Well maybe 25 years, I said. Anyway happy birthday, Colette Donnelly.

News To Hand — One of our Division One players has come down with the love bug. Yes both are to be seen now in public and smiling from ear to ear. However we understand that he is keeping late hours and this will have to stop. Some of the lads in the team are saying he is not playing as good as he was. Shame on you.

Major Sponsorship On The Way — We are well informed that some major sponsorship is on the way for the club. More on this very soon.

It's worth a try !!! The £10 winners were Jim Walsh, Ballyhane; Carmel Dalton, Graigemore; Ailish Lenane, Welcome Inn; Deirdre Duggan, Welcome Inn; Emer Curran, Clashmore.

NEW ARRIVALS

Congratulations to Liam and Louise Power, Cork and formerly Carrowgarraffe, on the birth of their baby son recently.

Also congratulations to Jimmy and Catherine O'Brien, Boherawillin on the baptism of their baby daughter, Ellen over the weekend.

Best wishes to you all for the future.

SYMPATHY

We extend sincere and heartfelt sympathy to the family, relatives and friends of the late Michael Fitzgerald, Ballymacmague who was laid to rest last week.

May he rest in peace. **JUST MARRIED**

We extend congratulations to Marguerite Ryan, Vicarstown and Michael Walsh, Coolnasmear who were married last Saturday. Wishing you every happiness for your future together.

DESIGN A CREST COMPETITION

We would like to draw your attention to a novel idea. If you fancy yourself as a designer, this could be your big chance.

We are asking you to design a suitable crest to represent Modeligo. We would envisage that this crest could be used by any organisation within our community i.e. on playing gear, jumpers, school uniforms, headed club notepaper.

The design of the crest should therefore cover the possibility of all clubs adopting the logo and therefore should be representative in its interpretation.

It can be entered on A3 or A4 paper and it may contain colour. There is no age restriction and you can enter as many times as you like. There will be a prize of £50 for the winner, kindly sponsored by Pat Denn, Agriculture Ltd. to whom we are very grateful.

The committee reserve the right to change or amend the winning entry if it so wishes. Closing date for receipt of entries is November 18th. Entries may be sent to Modeligo National School or given to any committee member. Best of luck.

BADMINTON CLUB

It was all systems go last week and a great start for

all teams in competition with full points gained in each match. Ladies team 1 were first on court and came away with a clean sweep against Lismore. Their first home match on Monday night against Dunmore gave them some tough competition and resulted in a draw. Their next game is away to near neighbours Touraneena on November 1st.

Our ladies team of Carmel Buckley, Deirdre Hennessey, Patricia O'Donovan and Noreen O'Brien secured full points over Touraneena in their opening game. They now travel to Lady Lane on

Thursday night for their first away match. Let's hope they continue on their way with more good games.

It was a case of burning the midnight oil when our first mens team travelled to Holy Cross last week. Despite the late hour, they achieved full points both staying awake and match result so we now know that all those late nights do benefit sometimes !!! Well done, lads.

They faced our second mens team at home on Monday night in a match that was sure to prove interesting. A thriller from start to finish, keeping their supporters on the edge of their seats

!!! Team 1 came away winners on the night. They are at home to Tourin on October 28th and team two will be away to Dungarvan on Tuesday night. Team 2 had a 3-1 victory over De La Salle last week also.

Our third mens team of Jack Hennessey, John Hickey, P. J. Hickey and Fergus Moloney play their first league match this week against Touraneena. The very best of luck to you, lads.

No juvenile training this Saturday as members are involved in the G.A.A. Western Final and we wish them all the very best.

Dungarvan Toastmasters

Our last meeting on October 10 was very well attended. The humorous speech contest was superb. The speeches were hilarious, particularly the wedding speech deemed appropriate for the tactful guest of honour. Our second speaker conveyed all the excitement of a bus journey of yesteryear by matching a witty turn of phrase with highly dramatic gestures. A journey of a different kind was that related by John who told of his search for the elusive Murphy's guesthouse in Renvyle in Connemara. Our topics for the evening were varied and interesting. Two of the themes were the virtue of punctuality and the failure to acknowledge the courtesy shown to us by others. On a lighter note the members were invited to outline the memories they associate with certain songs. On Friday our club travelled to Waterford to participate in the final of the humorous speech and table topics contest hosted by the D.L.S. Communicators. There were contestants from Carlow, Kilkenny, Waterford and Dungarvan. We congratulate Louise, a member of our club, on winning the contest. From here she will go forward to the regional final in Portlaoise. Our next meeting will be in the Park Hotel on Thursday, October 23. All are welcome to attend.

can look forward to more improvements for the coming season '97.

LEADER FEATURES

Beauty Basics

Facial Skin

Our general state of health is generally mirrored in our facial skin. The skin reacts to polluted atmosphere, central heating, sunshine, wind, some medications and hormonal imbalances. However, as well as reacting to outer abuse, the skin will also show any inner disturbance or illness. If you are sick your body may try to get rid of infection through the skin, usually resulting in spots. Women will often notice a difference in their skin before menstruation such as whiteheads,

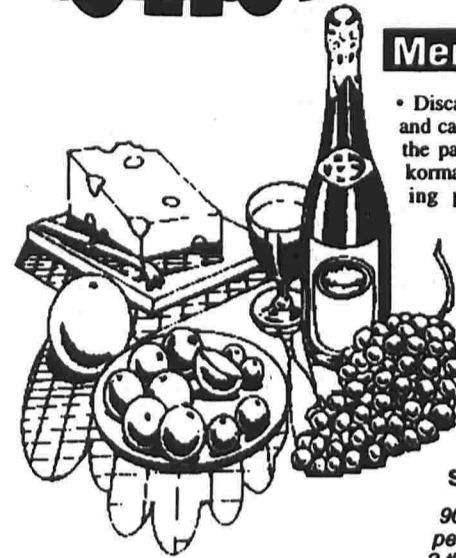

dryness or spots. From the time we reach thirty the skin begins to lose its unwrinkled, soft youthful look. Skin cells do not shed themselves as quickly. The skins collagen starts to lose its flexibility. Once the skin starts to deteriorate, it is important to seek advice on how better to look after your skin. To keep the skin nourished, smooth and looking well it is vital to apply a good moisturiser after thorough cleansing. A professional beauty therapist or an aromatherapist

will give you advice on what is best to use on your skin. A monthly facial at a beauty salon will work wonders for you. Most facials include a facial massage which will help to increase blood supply to the skin as well as nourishing it. Eating healthy foods and regular exercise will also help increase blood supply. Facial skin needs constant attention to keep it at its best. Inner health will be portrayed in our face. If using cosmetics on the skin especially on a regular basis it is important to cleanse the skin thoroughly at night, so that the skin may breath and relax while you sleep.

Chef's Corner

Menus for the week

- Discard cinnamon stick and cardamom pods from the pan, and transfer the korma to a warmed serving platter lined with cooked rice. Sprinkle the flaked almonds and chopped coriander over the top and serve immediately with mango chutney and poppadums.

Cooking: 20-25 minutes
Serves: 4

900g/2lb potatoes, peeled and cubed

• Add the corned beef and continue mashing until well-combined. Season with salt and freshly ground black pepper and stir in the spring onions and breadcrumbs.
• Divide the mixture into 4 and shape into burgers. Heat the oil in a large frying pan and cook the burgers for 2-3 minutes on each side until crisp and golden.
• Place on warmed serving plates and sprinkle with freshly ground black pepper. Serve immediately with mixed salad, pickled baby gherkins and smooth French mustard.

Chicken Korma

Preparation: 20 mins
Cooking: 45 mins
Serves: 4

1 1/2lb/675g boneless, skinless chicken breasts
8oz/225g onions, peeled and chopped
1 in/2.5cm piece of root ginger, peeled and chopped
3 garlic cloves, peeled
1 1/2oz/40g butter or margarine, melted
1 tsp ground coriander
1 cinnamon stick, broken
5 cardamom pods
juice of 1 small lemon
salt and ground black pepper
1 1/2oz/40g ground almonds

2 tbsp freshly chopped coriander

METHOD

- Wash the chicken, then pat dry and slice into 1 1/2 in/4cm pieces. Blend onion, ginger and garlic in a food processor for a few seconds to form a smooth paste. Heat the fat in a large frying pan and fry the onion paste, stirring frequently, for 2-3 mins, or until softened.

- Add the almonds to the pan, along with the coconut, and mix well. Gradually add the yogurt, a spoonful at a time, stirring constantly to blend the yogurt into the mixture. Continue to cook for 1 min, then add 1/4pt/150ml water to just cover chicken and simmer gently for 15-20 mins, or until cooked through.

Family Health

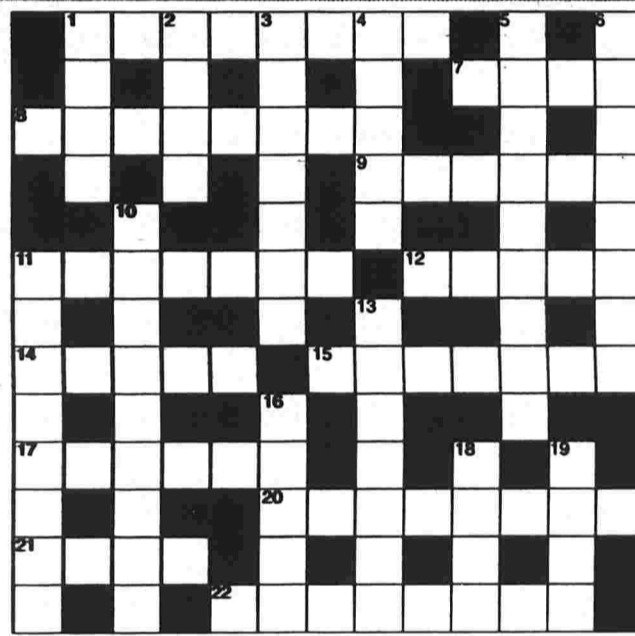

Q. My son, who's almost six years old, has become very hurtful towards me. He frequently has terrible tantrums, yelling that he wishes I was dead. He says I love his sister more than him. I'm expecting another baby, which I think is making it worse. I love him dearly and he's doing well at school. What do you think is the problem and what can I do about it?
A. It's a hard time for children when there is a new baby on the way. Your son is afraid that he's going to lose your love, so he's rejecting you before you can reject him. Taking away toys or privileges and punishing him will only convince him that this has already happened. It's good that he's letting you know how he feels, rather than bottling it up or having problems at school. You and your husband need to establish something good together with him, something he knows won't disappear as soon as the new baby arrives. Reassure him of your love

and interest in him. Even if he has tantrums or pushes you away, stick with it. He'll soon get the message about how much you love him.
Q. My son has epilepsy. He's on medication and hasn't had any more fits, but we're worried about how it will affect him in the future.
A. There are many different forms of epilepsy, but it is reasonable to say that the vast majority of people with this condition had a fairly normal life. He should be able to attend an ordinary school as his fits are controlled. Caution will have to be exercised over things such as swimming or climbing in the gym, though. You should discuss this with his neurologist as well as his teachers. Sometimes the flicking of a TV or video can trigger an attack, so mention this, too. As he gets older, driving and his choice of career may be affected depending on how well controlled his condition is.

Dungarvan Dramatic Club Notes

With three weeks to go the pressure is on to learn lines, collect props, build the set and make all the necessary preparations that go into a successful dramatic production. This week allow me to give you a brief resumé of the plot of our play, 'The Gingerbread Lady', which will run for four nights from Tuesday to Friday inclusive.

The play centres around the character of Evy Meara, (played by Margaret Dennehy), a recovering alcoholic who returns home after a six week stay at what she calls "a sanitarium for drunks". Whilst she has had considerable success in han-

dling her weight problem, her success in coming to terms with her alcoholism and other emotional problems remain to be seen. She has been supported in her recovery by Toby Landau (Orla O'Keeffe), but it soon emerges that she too has her own insecurities and indeed 'hang ups' and is badly in need of support, which Evy unfortunately cannot give her.

A third character, Jimmy Perry (Brian O'Sullivan), makes up this trio whom disaster seems to follow, as Jimmy too reveals, early in the play, his inability to cope with his own inadequacies as

an actor.

Onto this scene arrives Polly, (Shirley Foley), Evy's 17 year old daughter and also at various points throughout the play, Lou Tanner (Joe Kelly), Evy's ex-lover and Manuel (Henry O'Keeffe), who happens to be the Spanish delivery man who has the misfortune of having to deliver groceries to this motley crew.

Hopefully this has whetted your appetite for more and further installments will be given during the coming weeks. So watch this space!

Remember also that our opening night will be in aid

of the Lions Club Christmas Hamper Appeal and we look forward to your company for the cheese and wine reception after the play. More next week.

Aglish Dramatics**

This autumn's production "The Gentle Island" by Brian Friel is well underway and all the cast are frantically learning lines, remembering positions, even practising dance routines. Rehearsals are proving to be enjoyable, if exacting, and we look forward to a seasoned, polished performance.

The play is an enthralling story of life on a remote Donegal island, now only with a handful of inhabitants. Henry O'Keeffe is now the aged Manus Sweeney, surrounding himself with maritime memorabilia in an effort to bury his long-hidden secret and trying to relive his lost youth through his son Philly (played by Pat Ryan). John Stack plays the younger

brother Joe, a poignant symbol of hope throughout the play, the only one who is untainted and beautifully innocent. Sheelagh McGrath is Sarah, Philly's wife whose mundane island life is disrupted by the arrival of Shane (William O'Brien) and Peter (Michael Stack). For a while it seems that Shane has brought new life and hope to the other characters with his constant comic bantering, until we realise that he too may have a secret, and a chain of events ensues with ultimate tragic consequences.

"The Gentle Island" is a very powerful play, yet at times hilariously comic. Its strong scenes reflect its depth of feeling which all audiences should enjoy. More details later.

**Dungarvan
Musical &
Choral Society
Notes**

To say that Dungarvan Musical and Choral Society will live on for decades to come is certainly one of the understatements of the year. Following our recent request for children to audition for parts in 'The Sound of Music,' to be staged in February, we were delighted with the response.

The CBS Hall could hardly hold the amount of talent shown at our first get together. Never could we have imagined there would be such interest. Our Producer, Pat McEvoy had an extremely difficult task,

but he has chosen the children for the parts and the Dungarvan audience is in for a treat.

To all the children who came along, thank you very much. Every single child was brilliant, but at the end of the day, there are only a certain amount of parts. To the parents, thank you for your time. I hope you will all come back to see the end result in February.

Time is running out now to return the quiz sheets in order to be in with a chance to win. Completed entries to be in by the end of the month.

NOVENA

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity: there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. Grateful thanks to the Blessed Virgin for favour received.

IN MEMORIAM

BURKE — Ninth Anniversary — In loving memory of Breda, late of Carrigeen, Ring who died on October 24, 1987. R.I.P. Masses offered.

No need for words except to say,
You are missed and remembered every day,
Will those who think of her today,
A little prayer to Jesus say.
(Always remembered by your Mam and Dad, also your sisters and brothers, also your Nanny.)

DUFFY — Second Anniversary — In loving memory of my mother, Josephine Duffy, 43, Childers Estate, Dungarvan, whom God called home on October 24, 1994.

If I could visit heaven, on this our saddest day,
Maybe for a little while, our pain would go away,
The mother we love is missing,
The voice we love is still,
The hands that did so much for us,
Are resting at God's will.
You never failed to do your best,
Your heart was true and tender,
You simply lived for those you loved,
And those you love remember.
You left us precious memories,
Your love is still our guide,
Although we cannot see you,
We know you're by our side.
Loved now and forever.
(Your daughter Frances and your son Melvin, grandchildren Amanda, Marie and Louise.)

DUFFY — Second Anniversary — In loving memory of my dear mother, Josephine Duffy, late of 43, Childers Estate, Dungarvan, who passed away on October 24, 1994.

Look around your garden,
Lord,
For an angel with a smile,
She won't be hard to recognise,
She must stand out a mile.
So put your arms around her,
Lord,
And kiss her smiling face,
For she is very special,
And can never be replaced.
We do not need a special day,
To bring you back to mind,
For a day without a thought of you,
Is very hard to find.
Wherever life may lead us,
In everything we do,
Part of us will always cry,
For yesterday and you.
(From your loving daughter Vera, son-in-law Albert, grandchildren Paul and Nicola.)

DUFFY — Second Anniversary — In loving memory of my dear wife, Josephine Duffy, late of 43, Childers Estate, Dungarvan, who left me so suddenly on October 24, 1994.

Your end was sad and sudden,
I often wonder why,
The hardest part of all,
We never said goodbye.
The blow was hard, the shock severe,
To part with you I loved so dear,
My loss is great, I'll not complain,
But trust in God to meet again.
It was a sudden parting,
Too bitter to forget,
Those who loved you dearly,
Are the ones who can't forget.
You gave me years of happiness,
Then sorrow came with tears,
You left me lovely memories,
I will treasure through the years.
(Never forgotten by your loving husband Adam.)

DUFFY — Second Anniversary — In loving memory of my dear mother, Josephine Duffy, late of 43, Childers Estate, Dungarvan, who died on October 24, 1994.

If all my prayers were answered,
And all my dreams came true,
These last two years would not exist,
And I would still have you.
Falling tears and aching hearts,
Are things I have to bear,
But losing you the way I did,
Will always seem unfair.
There's much more to this verse,
Than just the words you see,
It's filled with happy memories,
Of days that used to be.
There is a daughter who loved you,
In a house where you used to be,
A daughter who wanted to keep you,
But God willed it not to be.
All my life I will miss you,
No matter where I go,
Forever you will be in my heart,
Because I loved you so.
Will all my mother's friends today,
A little prayer to Jesus say.
(Sadly missed by your loving daughter Mary and Jon Joe.)

DUFFY — Second Anniversary — Special memories of my best friend and wonderful mother, Josephine Duffy, late of 43, Childers Estate, Dungarvan, who died suddenly on October 24, 1994.

Look around your garden,
Lord,
My Ma won't be hard to find,
She has a face that's full of love,
And a heart that's good and kind.
Tell my Ma that I love her,
And when you see her smile,
Put your arms around her,
Lord,
And hold her for a while.
For when the emptiness of losing you,
Is more than I can bear,
I whisper, Ma I love you,
And then I feel you here,
For in my world of memories,
You fill my heart with pride,
I'll never feel alone again,
Now you are by my side.
I will always love and miss you, Ma.

(Your ever-loving daughter Sue, son-in-law Paddy, grandchildren Lorna, Suzanne, Colleen and Shauna.)

DUFFY — Second Anniversary — In loving memory of my dear sister Josephine Duffy, late of Childers Estate, Dungarvan, who died on October 24, 1994.

A sudden call from God on high,
You had no chance to say goodbye,
Without farewell you fell asleep,
But memories of you we will always keep.

(Loved and remembered by your brother Christy, Noreen, nieces and nephews.)

DUFFY — Second Anniversary — In loving memory of Josephine Duffy, late of 43, Childers Estate, Dungarvan, who died on October 24, 1994. R.I.P. Masses offered.

The gates of heaven stood open,
One year ago today,
The angels stood there waiting,
For a special person who was on her way.
God called your name so gently,
That only you could hear,
No one heard the footsteps,
Of the angels drawing near.
Many things have happened, Josie,
Since you went away,
All the things you would have shared with us,
If God had let you stay.
Tears in our eyes may not glisten,
Our faces may not look sad,
But deep in our hearts there's a longing,
For a wonderful sister we were so lucky to have.
Will those who think of her today,
A little prayer to Jesus say.
(Sadly missed by your sister Bernadette, John, Ann Marie, Jonathan, Shane.)

It was a sudden parting,
Too bitter to forget,
Those who loved you dearly,
Are the ones who can't forget.
We often sit and think of you,
And think of how you died,
To think you could not say goodbye,
Before you closed your eyes.
Your life was one of kindly deeds,
A helping hand for others needs,
Sincere and true in heart and mind,
Beautiful memories left behind.
The blow was hard, the shock severe,
To part with one I loved so dear,
Our family chain is broken now,
But as God calls us one by one,
The link shall form again.

DUFFY — Second Anniversary — In loving memory of my dear sister, Josephine Duffy, late of Childers Estate, Dungarvan, who died on October 24, 1994.

A year has passed since that sad day,
You closed your eyes and slipped away,

And broke the hearts of all of us.
Each Sunday night you loved to go out to the soccer club,
To draw the lotto numbers — that was your favourite job.
(Always remembered by your sister Philomena and Micheál.)

So treasure her, Lord, in your garden of rest,
For when on earth she was one of the best.

Our thoughts of her from day to day,
Though absent, she is always near,
Still loved, still missed, still very dear.

I often lie awake at night,
When the world is fast asleep,
And take a walk down memory lane,
With tears upon my cheeks.
My life goes on without you, Kay,
And things are not the same,
It's hard to lift the heartache,
When someone speaks your name.
Some will say as time goes by,
The heartache will subside,
But the feeling in my heart today,
Will never go away.
Those words I write are nothing of the way I really feel,
But in silence I will always remember you.

(Always remembered and never forgotten by your loving sister, Theresa.)

IN MEMORIAMs

O'BRIEN — Fourth Anniversary — In loving memory of a dear mother, Mary O'Brien, Ballysaggart, Lismore, who died on October 28, 1992.

You were always there when we needed you,
No task too great or small,
With loving hands and loving hearts,
For us you did it all.
We speak your name with love and pride,
We smile through tears we cannot hide,
The love you gave and the way you cared,
Thank you Mom for the years we shared.
Will those who think of her today,
A little prayer to Jesus say.
(Always remembered and sadly missed by your loving family.)

STREET — Third Anniversary — In loving memory of a dear wife and mother, Nora Street, 22, Kilrush Park, Dungarvan, who died on October 25, 1993.

A loving mother most sincere,
Loved by all she knew,
She loved us all so very dear,
And we all loved her too.
But God in His mercy will give us hope,
And help us bear the strain,
Of the one we cherished, loved and lost,
To meet in heaven again.
As down the road of memories,
We gently tread today,
Our loving thoughts are with you,
As life goes on its way.
Will those who think of her today,
A little prayer to Jesus say.
(Always remembered with love and affection every day — your loving family at home and away.)

STREET — Third Anniversary — In memory of my dear and loving mother, Nora Street, 22, Kilrush Park, Dungarvan, who died on October 25, 1993.

When your heart of gold stopped beating,
And your smiling eyes took rest,
God broke our hearts to prove to us,
He only takes the best.
But when the pain and emptiness of missing you,
Is more than we can bear,
We whisper Mam we love you,
And always find you there.
So rest in peace, dear mother,
And thanks for all you've done,
We pray that God has given you,
The crown you've truly won.
The family chain is broken now,
Nothing seems the same,
But as God calls us one by one,
The links will join again.
(Forever in my thoughts and prayers — your loving son Johnny, Kathleen and family, Tampa, U.S.A.)

Our lives go on without you, Mam,
But things are not the same,
It's hard to lift the heartache,
When someone speaks your name.
Some will say as time goes by,
The heartache will subside,
But the feelings in our hearts today, Mam,
Are the same as the day you died.
The words we write are nothing,
Of the way we really feel,
We miss you more than any word,
Could ever quite reveal.

LISMORE CAMOGIE NOTES

The finals of our U-12 tournament went ahead on Saturday morning last with the weather conditions improving just enough to allow players and supporters to remain dry.

The first game was the 'B' final with Ciara's team, captained by Diane Keane playing Brid's team, captained by Sinead Bennett. The first half was totally Sinead's in this game. She dominated and took some great scores to lead at half-time by 6-1 to 1 goal.

Ciara's team improved in the second half scoring a goal before Deirdre Barry settled the issue scoring again for Sinead's team. The final score was 8-1 to 2 goals.

Ciara's team: Diane Keane (Capt.), Noelle Byrnes, Lorraine Geoghegan, Olivia Roche, Kelly-Anne O'Sullivan, Lorraine McNamara, Niamh Dooley, Tracey Barry, Kate Prendergast.

Brid's team: Sinead Bennett (Capt.), Tanya Morrissey, Deirdre Barry, Rachel Walsh, Laura Leahy, Michelle Hennessey, Sandra Prendergast, Anne-Marie Hennessey.

The 'A' final turned out to be a thriller keeping the parents and supporters on the line enthralled until the final whistle. Lynne's team, captained by Sinead Murphy, took an early lead going 2 goals up before Ber's team, captained by Liz Fleming, scored. Sinead scored again before half-time to leave the score 3 goals to 1 goal.

The second half was tit for tat with Niamh Ryan and Mairead Landers having a great battle. Grace Leahy worked very hard at centrefield with Orla Daly mastering the backline for Lynne's team. Ber's team goaled with only 1 goal between them. The commitment from both sides was tremendous.

Laura Buckley was just wide of the posts for the equaliser on two occasions. Liz's shot was stopped on the line before, once again, Sinead broke through to score the winner with a minute to go to much delight from her team mates and manager. The final score was Ber's team 2 goals, Lynne's team 4 goals.

Lynne's team: Sinead Murphy (Capt.), Orla Daly, Lorraine Hennessey, Mairead Landers, Leah Casey, Claire Houlihan, Marissa Twomey, Aoife Fitzgerald.

Ber's team: Liz Fleming (Capt.), Nicola Morrissey, Niamh Ryan, Laura Buckley, Grace Leahy, Carol Byrne, Cliona Morrissey, Gemma Tobin, Aine Cronin.

All teams were presented with medals afterwards with the winning team getting a perpetual trophy. There was also drinks and crisps for all, kindly sponsored by "Jessica's" and "The Cabin". This was appreciated by everyone indeed. There was a special presentation of "Player of the Tournament" which was presented to Orla Daly for her great displays and behaviour and teamwork throughout the tournament. Well done to all concerned especially the managers who turned up every Saturday giving their free time to look after their teams. Also thanks to our sponsors and the parents who helped out and turned up to support the girls on the day.

Next weekend sees the start of our indoor season with players organised into groups to hopefully sort out a squad for next year's Feile team.

LISMORE SOCCERNOTES

RED HOUSE LEAGUE

On Sunday, November 3rd Lismore open their defence of the Red House League when they travel to Inch to play their first game in this season's competition. With the first division out to 8 teams this year, it is imperative to collect points away from home while winning their home games. So with last year's squad available, Lismore should fancy their chances of retaining the championship in this the 25th year of the competition.

CONGRATULATIONS

The club would like to congratulate neighbours, Brideview who had a wonderful victory last Sunday in Waterford against Crusaders in the Munster Junior Cup.

W.L.R. CHARITY MATCH

Finally on Monday night last at a delegate meeting of the Red House League, a cheque for £541 was presented to St. Carthage's House, the proceeds from the W.L.R. fm Red House League selection charity game in Lismore in early September.

BLUES NEWS

This week sees us sitting on top of the League on goal difference. Looking at the League table makes interesting reading as there seems to be a lot of goals conceded throughout the League. It was again disappointing not to finish the match with 11 men. Our disciplinary record leaves a lot to be desired. On Saturday night we could not break down the Kilkenny defence to score that winning goal. On Sunday our reserves recorded another good win by 6 goals to 2 in the Munster Senior League.

This weekend we play Cobh Ramblers in the Regional Sports Centre and kick off is at 7.45 p.m. We look forward to seeing a big crowd in attendance to cheer on the Blues and keep us on top of the League.

The Lotto draw takes place on Tuesday night in the Temple Bar, Michael Street. Why not pop along for a drink and you may win the £1,500 jackpot.

PEN PICTURES OF ARDMORE'S MINOR FOOTBALLERS

CATHAL HENNESSEY

DAMIEN LENANE

BRIAN LENANE

MIKE SUPPLE

PATRICK CONWAY

KILLIAN MCCARTHY

On Sunday afternoon next all roads will lead to Walsh Park as our Minor footballers seek to bridge a 30 year gap and bring the Minor County title back to the Seaside village. The task will be a hard one as our opponents Gaultier are last year's beaten finalists and have come impressively through the East unbeaten.

Our team however will, I am sure, make a determined bid for success (even though most of the panel are underage) again next year. They also have come through unbeaten. Sadly for us, inspirational midfielder Shane Dower will miss out as a broken collar bone has unfortunately ruled him out of contention and his loss could be sorely felt but I am sure the rest of the team will want to win for Shane's sake and we hope that they will play to their full potential and bring back the County title. Our panel is as follows -

CATHAL HENNESSEY (CAPT.) — Cathal could well lead our attack. He made his Intercounty debut this year against Kerry. He has won U-14 and U-16 County medals as well as many honours with his school, St. Augustine's College.

DAMIEN LENANE — Damien will guard the net on this occasion. Illness ruled him out of our Divisional Final win and I am sure this alert net minder will want to impress on his comeback and his display will be of vital importance if we are to win.

BRIAN LENANE — Brian is a teak tough defender who has a great kick and his clearances to team mates set up many attacks. Brian goes to school at Youghal C.B.S. and is an accomplished hurler also.

MIKIE SUPPLE — Fingers are crossed that Michael will be able to line out as this prince of full backs when in top form is unbeatable. His presence could be inspirational as he too has shared in our U-14 and U-16 title successes and is another St. Augustine's pupil.

PATRICK CONWAY — This unassuming young defender has come on in leaps and bounds and had a fantastic hurling campaign. We hope he can keep up the good work and at 15 years of age, he has many years of football ahead of him.

KILLIAN McCARTHY — Killian is likely to man one of our wing back positions and is a no nonsense type of player who always gives his best and is never afraid to get stuck in. He is sure to be involved in the thick of the action. Another player who has shared in all our football success.

CIARAN FOLEY — Ciaran will occupy one of the defensive berths and is a fine footballer who is more noted as a hurler but who always gives his best. A very strong tackler who is also a student of Youghal C.B.S.

AUSTIN FLAVIN — Austin is speed merchant of the team due to his athletic prowess and we will hope to put this to good use during the day when I am sure his speed will be tested to the full by the Gaultier forwards. Another St. Augustine's player who has a very bright future in

sport.

SEAMUS PRENDERGAST — Seamus was on the County Minor Hurling panel this year and at 16 years is a great prospect in both codes as his fine fielding could have a big bearing on this game. We hope that this young man can give a good performance as he has played so many games this season that, to keep turning in top class displays is difficult, week in week out.

PATRICK GALLAGHER — Gal, to date, has occupied several positions and it's anyone's guess where he will line out but wherever it is you can be sure that he will be competitive and will lead by example. We hope that as he is one of the few who will be over age next year that maybe Sunday will be our day and he can collect that elusive County medal.

DECLAN LENANE — Dec is in his second season with the club having moved into the parish last year. He is very quick and has got some vital scores in our campaign so far. We hope he keeps up the good work.

WAYNE HENNESSEY — Wayne, who is one of our U-16 stars, will probably be a marked man as his reputation has most teams on guard as he is a great football forward who is totally unselfish with the ball. We hope to see some classy football from the "Bomber" who has starred at all levels for our club and will be one of the stars of the future for both club and county.

JAMES O'DONNELL — James, who is the County U-16 hurling goalkeeper is also a useful corner forward who had a great Western final. James will be entrusted with some of the freetaking duties and we hope his eye will be in as he has the ability to win the match if we get enough chances from placed balls.

JOHN CONWAY — John has had a fine season and made it onto our Intermediate team this season with some good displays. We hope he chooses Sunday to give one of his best displays as he certainly has the ability to get scores from either foot so we wish him well.

JAMES O'NEILL — James, who is in boarding school is a fine corner forward who is capable of producing the goods and if chosen will, I am sure, give a good account of himself.

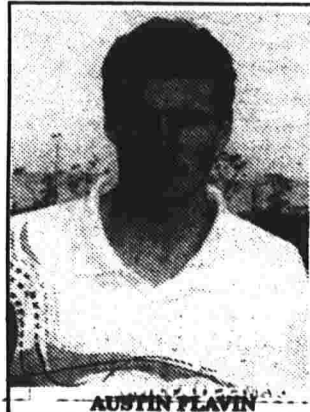

JAMIE HENNESSEY — Jamie has the flair for the unexpected and his height might be an advantage as if selected, Jamie will set up many scores with his good vision and sensible play.

ADRIAN O'DONNELL — Adrian is a nippy corner forward who, if called upon, will not be found wanting as he is very accurate close to goal.

ANDY BAKER — Andy could yet be a trump card if the conditions are difficult as his strength in possession could set up scores if the selectors give the nod.

PEN PICTURES CONTINUED

SEAMUS BUDDS — Seamus is another vital player who can play in many positions and it is this versatility which could see him in the starting line up.

SHANE DOWER — Shane is the unlucky man on the team as he has to sit the final out due to injury. Shane has starred with the County Minors this year and his loss will be huge. We hope the lads can win for Shane who, if I am sure, will again star for club and county in the years ahead.

RICHIE HENNESSEY — Another of our young guns who has plenty of ability and will be seen in action in the years ahead.

KEVIN BURKE — "Brutus", as he is affectionately known, always gives his best and if the opportunity arises, Kevin will take it with both hands.

DECLAN PRENDERGAST — Declan is a fine player who has been starring with the Waterford U-16 hurlers of late and is sure to play well if selected as he has already been selected for the County U-16 panel.

Others to see action earlier in the season were Conor Ryan and Conor McCarthy but both have dropped out.

Our selectors who will also have a major part to play are Paddy Foley, Austin Flavin, John O'Donnell, Pat Prendergast and John Hennessey who is also the trainer.

We wish them the very best of luck as they try to bridge the 30 year gap since our last success.

JUVENILE AFFAIRS

Disappointing Display By Ardmore In County Final

ARDMORE 0-5 ROANMORE 2-4

To say that we could have won this game would be an understatement as we had enough possession and chances to have own it twice over. To be critical would also be wrong as everyone did their best but on the day nothing seemed to go right especially with the forwards who took the wrong option on most occasions.

Our big stars failed to sparkle and we shot five bad wides before Billy opened the scoring in the 10th min. from a free. Another point in the 15th min. by Billy extended our lead but a pass to Tomás would probably have yielded a goal. Roanmore took the lead with a goal from a free in the 18th min. and followed in the 24

min. with a point to leave it 1-2 to 0-2 at half-time.

Second half substitutes with the exception of Grace O'Brien made little difference and Vincent McCarthy kept us in the game with terrific saves. Billy brought us back into the game with points in the 3rd, 5th and 10th mins. to level the score but we could not take the lead. Roanmore went ahead again with a 15th min. goal which our defence failed to clear. This score gave the city men new impetus and they added two further points to run out winners by 2-4 to 0-5 which on the balance of play was very flattering to the city side as, if we had converted the many chances we had, we would have won.

Our defence was shaky with only Philip Beausang doing well while at midfield, we failed to play as well as we can, while up front only Billy was able to score and he also had some bad misses but this can happen to the best marksmen and he will strike again. Our man of the match was wing back Niall O'Brien who was outstanding in both defence and later in attack and while defeat was their lot, this squad had a great year.

ARDMORE G.A.A. CLUB NOTES

THE BIG '40' !!!

Congratulations to Davy "the great" Hennessey who celebrated his 40th birthday in style last weekend with a great party. Also to his sister Geraldine who was also celebrating her birthday although a couple of years younger. A great night was had by all.

DÉISE DRAW

A reminder that money is now due and should be handed in to Kevin as soon as possible.

CLUB MEETING

Many important items were dealt with at last week's meeting with our A.G.M. being set for November 24th. Details later about this important event.

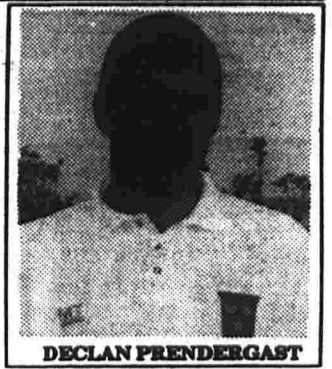

GOLDEN GOAL

The club will be running a Golden Goal on the Senior Football County Final on Sunday between Rathgormack and Gaultier with a first prize of £200 so get your tickets early. Proceeds from this will help to defray club expenses as the prize for success in reaching County Finals has a heavy toll on club finances.

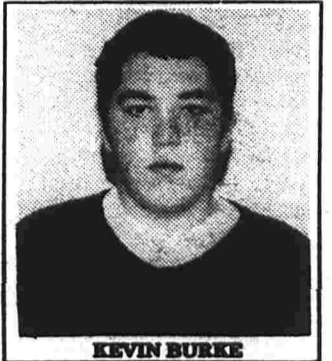

ARRANGEMENTS

We hope that the arrangements for this Sunday will be better than last Saturday as there was a change in starting time with also far too many people in on the sideline which took from the viewing for the U-14 County Final.

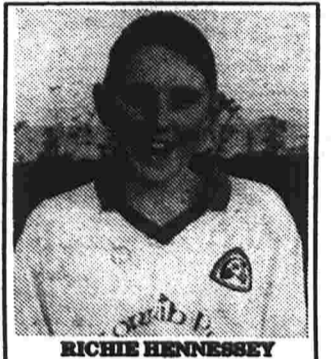

As the clocks go back next Saturday, please make sure that supporters check the starting time of the Minor game as it may have a 2.00 p.m. throw in if the U-21 game does not go ahead, otherwise it will be a 2.30 p.m. start.

Some Big Games Down For Decision

Youghal Utd. v Kilworth Celtic As Ardmore have already won this group, these teams will be using this match as a final preparation for the league.

Castlebridge Celtic v Glenview Glenview need to win or draw this one to make the semi-finals but Mick McBride and company

would gladly settle for the draw as Celtic are very difficult to beat on their own ground. Glenview have performed well in their previous Bolger Cup games while Castlebridge are capable of playing much better than they have been.

Brideview Utd. 'A' v Ballyduff Utd. are flying at the moment and Ballyduff will rue their defeat by Affane as only a five goal win will put them through.

lyduff are capable of five goals but maybe not this Sunday. Home win.

Valley Rangers v Gortroe

This group is still up for grabs. Gortroe need to win their two remaining games while a victory or a draw would put Valley through.

Bohemians were up 3-0 at half-time, playing against a strong wind. The home team did not let up in the second half and although Valley did try hard to match Bohs, they could not stop another two goals being conceded.

Tycor Athletic 4 Gortroe 2

Gortroe would have been fairly confident of causing an upset on Sunday but they were in big trouble early on when Tycor opened the scoring.

NEWS ITEMS

EAST CORK WEST WATERFORD SCHOOLBOY SOCCER NOTES

U-18 LEAGUE ROUND-UP

Exciting Derby In Castlelyons

Local Castlelyons side, Castlebridge Celtic faced neighbours Mogeely and at the end of a thrilling game, the points were shared. Youghal had a big away win over Cappoquin on Saturday morning last. This was a tough but sporting game.

Kilworth Celtic had a good away win in Conna in what was a thrilling game with 10 goals. Of these 10, Celtic hit 6 to clinch 3 valuable points for their U-16 side.

Inch had a big win in their opening U-14 league programme. While the points were shared in Lismore where Ballybridge Utd. were visitors.

UNDER-16 LEAGUE

VALLEY RANGERS 4
KILWORTH CELTIC 6

There was no shortage of goals here in this U-16 game played in Conna on Saturday morning last. Both sides served up a thrilling game with plenty of goalmouth thrills. At the end of a marvellous game, Celtic defeated the Rangers and clinched the points. This win puts Kilworth sharing top spot with Youghal and Inch.

UNDER-14 LEAGUE

INCH 8

BRIDEVIEW UTD. 0

A very much under-strength Utd. side were no match for a very strong East Cork side. Inch led 4-0 at the break and went on and added four more in the second half to open up their league programme on a bright note.

LISMORE 2
BALLYBRIDGE
UTD. 2

Four goals and plenty of goalmouth thrills kept the good sized crowd on their feet right up to the final whistle. Colm Kearney gave Lismore the lead early in the first half but Utd. fought back and equalised before the break.

The second half was a real ding dong affair with both sides having their chances. Colm Heneghan restored the lead for the homeside midway through the second half but again the East Cork side struck the equaliser and at the end of a great game both sides had to settle for a point each.

RESULTS

Castlebridge Celtic 1
Mogeely 1

This game was played in a fine sporting manner between these two Cork clubs. Celtic will feel they should have won this as Mogeely's equaliser came just before the final whistle.

Both defences were on top for much of this opening half and the only goal of the half came after 42 mins. when Nigel Jacob scored for Celtic. This was the

only goal of the first half.

The second half was played at a furious pace. Chances fell to both sides but going into the final minute of the game, Mogeely struck the equalising goal and gave them a share of the points.

Cappoquin 1
Youghal 4

The scoreline does not do justice to a gallant Cappoquin eleven here. No quarter was asked or given here as both sides went looking

for the full points. The opening half was keenly fought.

The Seasiders opened the scoring but Darragh Wilkinson equalised for the home-side 10 mins. later. However the Seasiders restored their one goal advantage before the break.

After the break Cappoquin tried hard to get back on level terms. However they were caught twice on the break and the East Cork side ran out winners.

U-16 LEAGUE MATCH PREVIEWS

Away Games For Joint Leaders Inch And Youghal

Joint league leaders, Inch and Youghal both face away games this weekend. Youghal face a short trip over the bridge to Clashmore Ramblers in a local derby. On form to date, the seasiders should collect full points here but the homeside will make them fight hard for the points.

Other joint league leaders, East Cork side Inch will have to be in top form here as this homeside have improved since the league began. It's a game that could end in a draw.

Kilworth Celtic are at home to Blackwater Rangers in a game that is vital to both sides. Very little separates these sides but home advantage may shade it for Celtic and keep them in the hunt for the league title.

In other league games, Brideview Utd. are at home to Valley Rangers. The points are of little value here to either side but Utd. should be good enough to collect full points.

In the final game, Ballybridge Utd. are at home to Lismore and the visitors could get a result here over the East Cork side but it's a game that matters little to either side.

WEATHER CAUSES PROBLEMS

All Schoolboys fixtures for Sunday were cancelled due to the very heavy rain which fell on Sunday morning. These games will be played at a later date.

ABBEYSIDE A.F.C. SCHOOLBOYS NOTES

CREDITABLE PERFORMANCE BY UNDER STRENGTH VILLAGERS

Villa 2 Abbeyside 1

Abbeyside U-15's were without three of their regular players for this competition so the side was considerably weakened. Nevertheless they turned in a creditable performance against Villa at the latter's home venue on Saturday last.

Players had to be utilised in positions not normally occupied by them and so we lacked that certain edge which left the side with an unsettled feeling. A high powered performance from defenders Benny Horan, Shane Briggs and Joe Curran could be viewed as the highlight of Abbeyside's overall contribution to the game, Horan being the vehicle through which the Villagers scored their only goal and that coming from the spot.

Villa opened the scoreline through a terrible misunderstanding. A long ball played wide through the defence left the Abbeyside defenders hesitant and newly appointed goalkeeper, Liam Fraher in a likewise situation. Not so the home striker who raced Fraher to the ball and drilled to the net. Abbeyside fought back strongly in an effort to get on level terms and some good creative work by Keith Butler, Nathan Burke and Kenny Young fizzled harmlessly into nothing.

In the second period,

Abbeyside changed the formation of the side with good effect. David McGrath was pushed into midfield and Kenny Young into the centre forward position with Curran, Horan and Briggs adopting centre half positions. This had a telling effect on the homeside. Robert O'Keeffe, Liam Briggs and Garvan McCarthy combined early in the half but again we lacked that finishing touch. Kenny Young made a great break on the right brushing aside three defenders before crossing in to Burke who had raced into the box but an excellent flick from the same player went inches wide of the post. Shane Fennell was introduced to the side midway through the period and while it now looked like the sides would share the spoils, Villa sneaked in the winner with minutes to go, a hotly disputed corner kick that went all the way to the net.

Team: L. Fraher, D. McGrath, S. Briggs, J. Curran, R. O'Keeffe, K. Butler, K. Young, L. Briggs, N. Burke, G. McCarthy, S. Fennell, J. Power.

U-12 LEAGUE ROUND-UP League Still Wide Open

The U-12 League Division One is still very much wide open with five or six clubs still well in the hunt. There are some very important games taking place this weekend.

Youghal are at home to West Waterford side Lismore and the Seasiders will start favourites here.

Clashmore Ramblers are at home to Castlebridge Celtic and Ramblers should continue their winning ways here.

Kilworth Celtic have East Cork side, Inch as visitors in a vital game to both sides. It's a game where the points could be shared.

Brideview Utd. are at home to neighbours from Conna, Valley Rangers and this should be a very close game.

The final game sees Ardmore at home to Ballybridge Utd. and the homeside should collect the points from this one.

U-12 DIVISION TWO LEAGUE

Ardmore face East Cork side, Ballybridge Utd. on Saturday afternoon and the homeside should be tested here in this game.

Brideview Utd. were at home to Kilworth Celtic and the visitors look good here for the point. Also over the weekend, Ballybridge Utd. are at home to Brideview Utd. in this U-12 Division Two League.

the second period, Railway drew level through their number eight. For Abbeyside it was again a historical occasion - the introduction of Niamh Briggs to the side raised a few eyebrows. Niamh has been training on a regular basis with the U-10's and "Coach McGovern" who has an eye for talent saw a place for her on the U-12 panel. Niamh also has two brothers playing on the U-15 squad.

We meet Evergreen of Kilkenny next on this coming Saturday at a time to be arranged. A victory for us at this stage would be outstanding for last season's league winners who were slow to show this season but this solid victory against Railway plus their excellent victory against local rivals, Dungarvan have placed them firmly on the road to recovery.

Sweet Revenge For Villagers In Local Derby

Abbeyside 5
Dungarvan 4

There is nothing like a local derby to bring the best out of teams. Dungarvan had captured the points at their home venue, Abbeyside were determined on sweet revenge at Dog Leaf Park and it was a very determined side that entered the arena on Saturday morning last. Our thanks to Pakie Drummy who submitted the following report.

Abbeyside was the setting for this return local derby on Saturday morning last. The game wasn't too old when the breakthrough came. Philip

Wade placed an excellent through ball to Patrick Lynch who drove a tremendous 20 yarder all the way to the roof of the net.

The Villagers pressed their advantage and took control of the game and it wasn't long before they struck their second. A powerful 18 yard drive from the boot of Steven Drummy was fumbled out by the Blues keeper. Drummy followed through with a left footer to the bottom corner of the net. Patrick Hurney popped up for his first of his brace with a fine individual effort. Five minutes later Hurney was back to strike his fifth goal in two games.

Mark Maher, Aidan French, Brian Morrissey and Patrick Lynch played a tremendous role in maintaining the Villagers dominance. The Blues pulled one back in the 25th min. but Abbeyside weren't finished. The uncompromising Brian Morrissey set Hennessey on a run shortly after. Hennessey in turn slotted through to Drummy and Drummy, with one of his burning runs on the right, delivered a crisp effort to the far post where it was volleyed to the net by Peter Phelan.

And so at the break, Abbeyside had a comfortable 5-1 lead. Dungarvan hit us for 3 goals in the second half.

Team: D. Byrne, M. Maher, A. French, P. Lynch, B. Morrissey, A. Burke, S. Drummy (Capt.), P. Wade, E. Hennessey, P. Phelan, J. Hurney, C. Mansfield, N. Briggs, J. Young, L. Sheehan, A. Flynn.

MUNSTER JUNIOR CUP SECOND ROUND

Blues Advance In Munster Cup

DUNGARVAN 5 YOUGHAL 1
Dungarvan turned in an excellent 1st half performance against Youghal in the Munster Junior Cup at Kiltrush Park on Sunday afternoon last and recorded a fully deserved victory.

The Blues were 5-1 up at the interval and they took their foot off the pedal in the second half but were never really threatened by Youghal.

Dungarvan showed some changes from the team that went down to De La Salle the previous Sunday and created some good goalscoring chances in the opening 15 mins. Mark Crotty headed a Peter Ferncombe cross over the crossbar. A deft flick by John Donnelly put Trevor O'Mahoney clear but his shot

was blocked by the feet of the advancing Youghal goalkeeper.

The Blues opened the scoring after 15 mins. when Georgie Hamilton passed to Trevor O'Mahoney and his cross deceived the Youghal custodian and dipped via the crossbar. Captain Willie Coward again led by example and after 21 mins., his powerful header sent John "Wonka" Donnelly clear and he shot low to the corner of the net. Mark Crotty saw his chipped effort come back off the crossbar.

Youghal got back in the game after 29 mins. when, following a free on the right, Billy Daly headed home a fine goal. Five minutes later Timmy Kiely got clear on the left wing and an inch perfect pass set up mark Hyslop to side foot the ball home from 20 yards. Trevor O'Mahoney and Mark Crotty combined up the right flank and the cross to John Donnelly saw him swivel in the box to shoot to the corner of the net to put the Blues 4-1 up. On the stroke of half-time, a Youghal defender was penalised for handball on the goal-line and John Donnelly completed his hat-trick from the penalty spot.

This scoreline effectively killed off the game as a contest and the second half was a dull drab affair. The only highlight was a free kick by Timmy Kiely which came back off the post and the rebound was met by Aidan Landers but his effort was well saved by the Youghal keeper.

Our thanks to Youghal for a clean, sporting contest and both sides enjoyed the Newcastle v Man. Utd. match afterwards in the Clubhouse. The result ensured it was a very happy day for all A.B.U. fans.

Team: John Hallinan, Georgie Hamilton, Aidan Landers, Willie Coward (Capt.), Colin Walsh, Trevor O'Mahoney, Timmy Kiely, Mark Hyslop, Peter Fern-

combe, Mark Crotty, John Donnelly. Res.: Pat Dumford for Mark Hyslop, John Power for John Donnelly, T. Sheehan for Peter Ferncombe.

ABBEYSIDE A.F.C. DIV. 4B NEWS

MIXED BAG OF RESULTS FOR VILLAGERS

ABBEYSIDE 3 TRAMORE RANGERS 5 (October 12th)

Abbeyside faced a tough clash with the league pace-setters even before the weather took a hand.

Played in monsoon-like conditions, this game degenerated into a game of chance. Abbeyside played with the wind in the first half and managed to turn around at half-time 3-1 ahead. Trevor Walsh, Eddie Dee and Ollie Keoghan got the Abbeyside goals. In the conditions, it didn't seem

that a two goal lead would be sufficient and so it proved.

Tramore got four second half goals (with some assistance from the Villagers) and ran out 5-3 winners.

Team: Ormonde, Collins, T. Moore, Mulhearn, Reynolds, Walsh, J. Dec, Keoghan, Sullivan, K. Moore, E. Dec, Fitzgerald, B. Hayes, D. Hayes.

Man of the match was B. Hayes.

PILTOWN 2 ABBEYSIDE 2 (October 19th)

Dave Morrissey was the

Abbeyside hero in this encounter when he used his height to head home the equaliser over the advancing keeper two minutes into injury time in this hard fought encounter.

Abbeyside started to settle and Dermot Hayes produced a string of neat crosses from the right wing to force Piltown onto the back foot. Piltown's goal, when it came, was a fortunate affair. The ball broke loose from Moore's tackle on the Piltown striker, the Piltown player was first to recover

and stabbed the ball home past the Village keeper. Abbeyside started to force the pace of the game and if not for Piltown's accomplished sweeper would have had an equaliser well before half-time. Mulhearn unleashed a vicious shot into the bottom corner of the Piltown net.

The injured Jim Dee (get well soon, Jim) was replaced by Eoin Fitzgerald whose physical presence made an immediate impact in midfield.

Team: Ormonde, Collins, Mulhearn, T. Moore, Reynolds, Dec, Keoghan, D. Hayes, Walsh, K. Moore, J. Sullivan, T. Sullivan, B. Hayes, Fitzgerald, Morrissey.

DUNGARVAN UNITED UNDER-12 NEWS

We played Abbeyside in Dog Leaf Park on Saturday last looking for our first away win of the season. Unfortunately we ended up being beaten by 5-4 after a great second half display. We were 4-1 down at the interval.

Our midfielders struggled for most of the game and are capable of much better.

Our goalscorers on the day were Shane McGrath (2), Tony Keane and Brian Cliffe (1 each).

RAILWAY ATHLETIC F.C. NOTES

Another Superb Win For Railway

RAILWAY ATHLETIC 1 CARRICK 0

On Sunday morning last, Railway fresh from their F.A.I. Cup win against Southend last weekend, beat another premier side this time Carrick, in the second round of the Munster Junior Cup. Railway showed that they are a match for any side in the Waterford Junior League and these games can only benefit our small club.

Once again Railway weren't given a chance but all in this club know that this Railway side are capable of beating anyone on their day and showed that last week's result against Premier table toppers, Southend was no fluke at all.

Railway were under pressure from the kick off as our more experienced opponents began to get on top. Railway's back four were under pressure for the first ten minutes but weathered the storm and began to get on top in the middle of the field. Railway's first chance fell to McLoughlin after 20 mins. but he shot tamely at the Carrick keeper. Pratt then had a free kick come back off the wall and from the resulting rebound, Carrick countered. They got the ball out to the right wing and their winger got in a good cross only for Glen Arrigan to make a good full stretch save. Indeed Arrigan was to have a very good game in the Railway goal and showed that his few weeks out of action hasn't done anything to his confidence. Ken O'Donnell and Steve Quinn were a con-

stant threat to the Carrick full backs and on numerous occasions, Doc got in some very good crosses but unfortunately nothing was to come from them. Railway should have been awarded a penalty after 25 mins. when a great through ball by Prendergast set O'Donnell straight through. As he prepared to shoot, he was taken from behind but amazingly, the referee let play go on. Five minutes later, Railway took the lead. An indirect free-kick out of defence by Reddy saw the Carrick sweeper mistime his header and as the ball broke, McLoughlin was first to react. As the Carrick keeper advanced McLoughlin toe poked the ball under him to the delight of the many Railway supporters. Railway were unlucky not to add to the score five minutes later when a great move down the right involving O'Donnell and Coughlan saw Coughlan cut the ball back and the inrushing Prendergast saw his shot come off the crossbar with the Carrick keeper well beaten. Railway had the better of the exchanges in the last few minutes of the half but could not add to their tally.

In the second half Carrick had most of the possession but found the Railway back four of Coughlan, Whelan, Reddy and Murphy in top form and as a result they were limited to long range efforts which never really troubled Arrigan in the railway goal. The nearest they came to scoring was when their centre back headed over from a corner. Railway had to clear a lot of ball early into spaces and Dermot Dee worked tirelessly holding it up for our midfielders to come up and support him. Railway almost got a second goal 10 mins. from time when Pratt's free-kick brought a good save from the Carrick keeper. Dee and McLoughlin also had half chances but never troubled the Carrick keeper. There were very happy scenes at the final whistle as Railway had beaten their second premier side in a

week. This was an excellent performance by Railway and if we can show some of the same commitment in the 1B League, I'm sure we can move up the table and hopefully be there or thereabouts come April.

Team: Glen Arrigan, Der-

mie Coughlan, Eamonn Murphy, Brian Whelan, Martin Reynolds, Tommy Pratt, Conor Prendergast, Steve Quinn, Dermot Dee, Frank McLoughlin, Ken O'Donnell. Res.: Packie Manahan and Martin Geoghagan.

DIVISION 3B LEAGUE

RAILWAY HALT LEAGUE LEADERS

SOUTHEND 0 RAILWAY 1

League leaders Southend were our hosts on Saturday afternoon last. This was a match we simply had to win. That's exactly what we managed to achieve albeit by the narrowest of margins.

Both defences were tested throughout the first half. Dean Morrissey got a number of quality crosses into the box from the left wing, frequently linking well with Costin. Lynch who worked tirelessly throughout the match was denied a goal by the combination of excellent goalkeeping and pure misfortune. Manahan set Lynch free on the right in the 35th min. As he skipped past the challenge of one defender he was blatantly tripped inside the area by another. To our amazement the referee waved play on. The half ended scoreless.

We got the vital breakthrough midway through the second half. Cullinane set Mansfield free down the left

win. He picked out Fitzgerald with an inch perfect pass and McLoughlin made no mistake from Fitzgerald's centre. Mansfield could have capped a fine display with a goal in the 72nd min. Unfortunately he failed to make contact with Mason's inviting cross. We survived a hectic final 10 mins. as Southend did their utmost to equalise. McCarthy, Quann and Cullinane were in top form and with Manahan and Morrissey in total control of the midfield, we held out for a deserved victory.

Team: Ciaran Cullinane, Anthony McCarthy, Tom Mansfield, Darren Mason, John Quann, Gary Morrissey (Capt.), Packie Manahan, Liam Costin, Paul McLoughlin, Dean Morrissey, John Lynch. Subs: Timmy Fitzgerald and Paul Ormond (both used), Alan Barry, Ray Curran, Mitchel Moynihan.

U-12 T.S.B. LEAGUE**WATERFORD GLASS 3 RAILWAY ATHLETIC 6**

It was back to league football for this side after our Cup exploits. This was a game we had to get something from and we started very well and put the pressure on the homeside from the first whistle.

We opened the scoring but five minutes later, Waterford Glass got back on level terms. Ten minutes before half-time, we took the lead but just before the break, Waterford Glass got the equaliser.

In the second half we were a different side and we totally dominated. We scored four goals without reply. Our goalscorers were Shane Kelly (3), Paul Maher (1), Sean O'Neill (1) and Matthew Cashman (1).

Ballinroad Hit Red Star For Eight

BALLINROAD 8 RED STAR 2

Following their recent run of draws Ballinroad got back to winning ways on Saturday last when they crushed Red Star. Ballinroad were completely on top throughout and are now in a very strong position in the league.

Half time arrived and with a 6-0 lead, the game was well decided at that stage. The second half saw Ballinroad ease up as the opposition were out classed at this stage.

Ballinroad scorers were — Paul Duggan (2), Kevin Lonergan (2), Martin Troy (2), James Hayes and Kevin Lonergan 1 each. Ballinroad — Kiely, J.

Flynn, P. Flynn, Crotty, Cunningham, M. Cunningham, Fraher, Troy, Duggan, N. Hayes, Lonergan. Res. — Ml. Fraher, R. Hayes, J. Hayes.

SUCCESSFUL NIGHT AT SEAVIEW DRAW

We took home 4 winners on Saturday night last. Our thanks to all our subscribers as once again we went over the 400 ticket sales. The winners were — Ciara Dwyer, Monang, Abbeyside who scooped the first prize of a Fiat Punto. Nora

Lynch, Scart, Cappagh won a video recorder, Tommy Treacy, Ballinacourty, J. D. Sports Voucher, Georgina Simms, 62 Silversprings, Dungarvan. Tony Elstead won the car promoters prize of £200.

BALLINROAD UNDER-13 SCHOOLBOYS

Last Saturday we played Seaview in Ballinroad. This game was a very tough one with both defences on top. There were a couple of half chances for both sides in the

first half.

The second half saw much of the same. With ten minutes to go C. Beresford on the right crossed a good ball into the goal area, the ball seemed to deceive the Seaview keeper and dropped into the top left hand corner of the goal. For the last few minutes we were under a lot of pressure but we held out for a one-nil win.

Ballinroad — S. Fitzgerald, S. Mountain, P. Hanrahan, G. Flavin, S. O'Connor, J. Gordon, T. Fitzgerald, C. Walsh, C. Beresford, D. Flavin, A. Walsh. Subs. — Willie Morrissey, D. Condon, R. McGrath.

BIRTHDAY WISHES

All in the club would like to wish Eamonn Murphy a very happy birthday. Murphy celebrated in fine style over the weekend. Also omitted from last week's notes was another birthday wish. This time Tommy "Geezer" Pratt celebrated his 21st birthday last Sunday week and for the first time ever, Tommy was stuck for words when a fine cake with the Railway crest was presented to him in the the Central Bar. The cake was made by Mary McLoughlin so get yer orders in now for Christmas cakes lads !!!

By the way, Tommy we won't tell anyone about the other 16 years missing from your birthday wish.

4TH ANNUAL MICHAEL C. NAGLE CROSS COUNTRY CHAMPIONSHIP

James Sullivan Wins With Style

Waterford runner James Sullivan confirmed his status as the leading distance runner in the South East with a commanding win in the 4th Annual Michael C. Nagle Cross Country Championship at St. Augustine's College, Abbeyside, last Sunday.

The event, which was billed as an attempt to bring back cross country and make it popular with runners of every standard was heralded as a tremendous success by the organisers, the runners and the large attendance, with 107 participants coming under the starting orders of race sponsor Colm Nagle.

The men's five miles race and the ladies 5k event received massive local support as well as numerous entries from counties Tipperary, Cork, Kilkenny and Waterford itself. To illustrate this, a total of seven teams completed the senior men's competition and a

further four teams contested the very popular local event. The individual race attracted the top athletes on the circuit but none could match the in-form Waterford man James Sullivan.

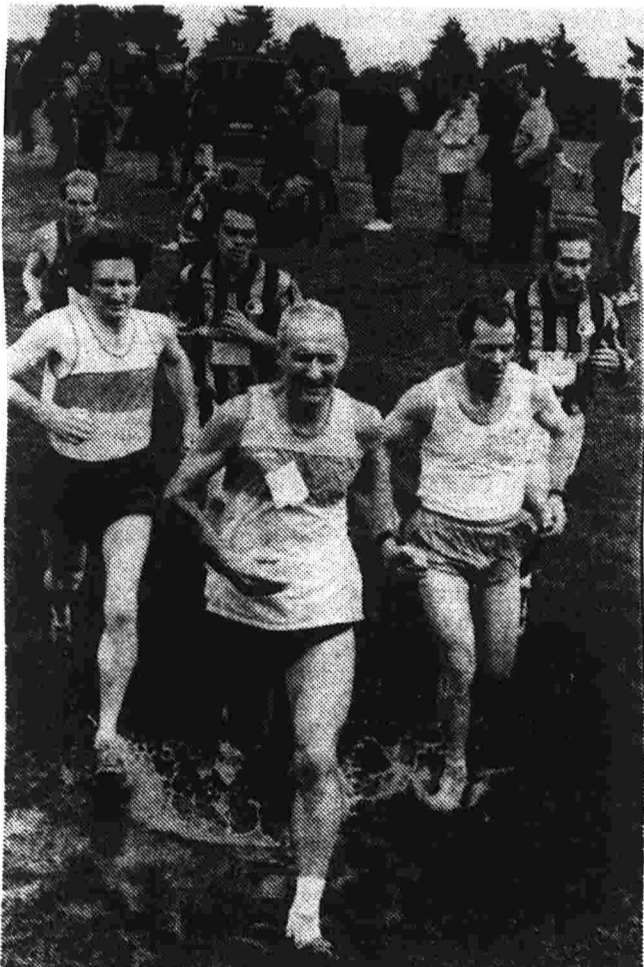

SULLIVAN MAKES IT SIX

The event got underway with Youghal runner Martin Drake setting the pace from the outset. He was joined by St. Catherine's Pat Heffernan and James Sullivan and as the laps were reeled off it was obvious that none could match the Waterford man as he opened, maintained and increased a lead that was

timed at thirty-six seconds at the finish. Despite the soft underfoot conditions he erased the course record by eighteen seconds and he collected the £100 cash bonus for setting new figures.

Top rated runners filled the next three places with former national marathon champion Pat Heffernan, East Cork's Martin Drake and St. Catherine's Michael Hassett finishing in that order. The first local finisher was 19 years old Mark Radley who finished seventh overall.

The Waterford championships were held in conjunction with last Sunday's race and in winning, James Sullivan captured his sixth senior title. He is now but one title win away from equalling the record number of wins in the county and at 30 years of age he must be set to enter the record books over the next few seasons.

TEAM EVENT

Top Tipperary club, St. Catherine's AC, Killenaule, gave the race a timely boost in entering men's and ladies teams. Their men's team is a class act and with six runners home in the top ten finishers, they collected the valuable Waterford Crystal

prizes. The local West Waterford Club finished second with University College Cork taking home the third placed prizes.

LADIES RACE

The first finishers over the line on Sunday were the lady runners whose event covered a two lap course. Una Murray (Waterford AC) was an equally emphatic winner of this race and she was crowned Waterford Senior Cross Country champion. She was the first winner of the day and she was followed home by the West Waterford pairing of Deirdre Travers and Liz Bullen.

In the team prize West Waterford scored a good victory over St. Catherine's AC with their quartet of Deirdre Travers, Liz Bullen, Rebecca Harty and Orla Costin finishing among the first five finishers. These runners should give a good account of themselves in the Munster Novice Championships at the same venue on Sunday week.

LOCAL TEAM EVENT —

RING WIN FIRST TITLE

Once again the local team event produced widespread interest on Sunday with the honours going to the Ring sextet by nineteen points from the holders the Brickets. Led home in 14th position by team captain Gerry Cantwell, their win now means that each of the local teams have now won this particular team championship.

Is fánach an áit a bhfaighféa gliomach. Helped more by a Galltacht involvement than a Gaeltacht input the Ring team produced a major shock on Sunday and with more foreign signings than the whole of the cross channel soccer league this summer, their historic victory was rarely in doubt!

The other members of the winning team were Larry Kennedy (Roanmore), Kevin O'Brien (Ferrybank), Owen Casey (Lisduggan), James Maguire (Waterford) and Trevor Mason (Cappoquin). Their outside the county signings had their visas refused at the starting line!

The Brickets team defended their title bravely before relinquishing their crown by 161 pts. to 180 pts. The scoring sextet were Philip Harty, Michael Barrett, Anthony Harty, Joe Salmon, Colin Lyons and Brian Moore. The pre-race favourites, Dungarvan, were third with Mark Radley, Thomas Bennett, Martin McCarthy, Dermot Dwyer, Paul Keating and John Bennett. Abbeyside were fourth with Michael Roche, Liam Cline, Tom Murray, Michael Dwyer, Anthony Dwyer and Ray Dwyer.

Results — 1, Ring: 14, 16, 23, 31, 33, 44, total: 161 pts.; 2, Brickets: 15, 18, 28, 35, 37, 47, total: 180 pts.; 3, Dungarvan: 7, 20, 40, 41,

48, 52, total: 208 pts.; 4, Abbeyside: 17, 22, 34, 49, 59, 61, total: 237 pts.

PRESENTATION OF PRIZES

Lawlor's Hotel was packed for the presentation of prizes where the athletes and their supporters were treated to refreshments generously provided by Michael Burke, while Willie White also gave of his time on the keyboards.

The Terry Fox Run Committee were present in force and on their behalf John

Shanahan thanked the Nagle family for their sponsorship and coverage of events in their newspaper, the Dungarvan Athletic Club and the athletes and visiting teams, everyone who raised funds over the past few weeks, the Gardaí, Civil Defence, the Girl Guides and everybody who helped in the organisation of the Terry Fox Run from Grattan Square earlier in the afternoon. John also referred to the progress being made in regard to cancer research in Ireland.

BUSY START TO DAVID WALSH INTER-FIRMS

On Monday night, October 14th our season got underway with the three person Inter Firms tournament sponsored by David Walsh Office and School Supplies, Lower Main Street. It was brilliant to be in the club that night as the place was buzzing with energy and atmosphere and despite a couple of mixups with a few failing to show, those who were present really enjoyed the occasion.

Courts three and four were dominated with Division One games. Michael Hurley's team progressed against Pat McGovern's team. Both men enjoyed a long and tough three setter. The first two sets were shared 15-11 each. In a nervy third, it was "Nipper" who just piped it 15-12. The twos, Paddy Murphy and Pat Cullen also enjoyed a thrilling three setter. Paddy Murphy had the remarkable distinction of doing the near impossible by coming back from 12-14 to win the opener 17-14. (Remember hand in and hand out both score so all mistakes are punished) Cullen levelled to take the second 15-11 before Murphy wrapped it up in the third 15-7.

Michael Tutty's nailbiter against Paddy Cummins was enough to see the favourites, Carroll Motors pull through. In a very competitive encounter, Tutty won the first 15-12. Cummins levelled to take the second 15-9 in a very tight third. Tutty wrapped it up 15-13 - a mistake by Cummins who had come back from 9-13 to 13-14 given the match to the hotwater.

For the record, at two President elect Maurice Walsh beat John Reynolds 2-0. The defending champions made a handy start to their defence as a solid display by Michael Manahan saw him beat Paddy Walsh 2-0 while at one Dermot Kelly had an impressive game as he beat Dave Power 2-1. The Council team got off to a flyer when Kieran O'Donoghue played solidly to defeat Dick Brady 2-0. Kieran deserves special praise for his annual support of this event as he has to travel home to Waterford after his games. Pat O'Brien was in quickfire form as he quickly dispatched the challenge of George Hamilton beating him 2-0. The threes Liam Moore and Jenny McGrath has a great tussle with Jenny shading it in the third.

Andrew Lally's team went through thanks to a solid display by the man himself against Owen O'Grady as he won 17-14, 15-12.

MCCARTHY WALLPAPERS CASE THROUGH

The second division also got underway on Monday night in courts one and two. Due to some misunderstandings amongst, in particular some of our beginners several walkovers were received. The biggest example was the all ladies team of June Whyte, Sharon O'Brien and Yvonne Whelan who got through despite only June playing and losing 2-0 to Evelyn McAvinue. Danny Whelan's 2-0 victory over John Dempsey was enough for his team to progress. Billy Smith's team progressed despite only one game taking place as Billy beat Ray Hahessy 2-0. Mind you his two and three Sharon Foley and Catherine Kiely made the best of the situation as they joined up with Yvonne Whelan to do some court training?

Byrnes Builders proved too strong for Trevor O'Mahoney's team - Brian Byrne beat David McGrath 2-0 while Emmett beat Trevor 2-0. In the final tie, McCarthy's Wallpapers beat the 'young guns' team. At three Anne Hennebry, making her return after a long layoff, beat Mary Walsh 2-0. At two Felie Shields was too clever for Eamonn Cashin as he won 2-0. Eamonn, especially in the first set showed many good touches and would look to have a bright future if he sticks at the game. Another player with a bright future is John Phelan who, though the tie was over, went in with Dan McCarthy - Dan was very impressed with John's skill but ever more impressed with his exceptional manner and spirit for the game.

"NIPPER" DOES IT AGAIN

The action continued on Tuesday night. In Division Two it was the clash of the big two Byrnes Builders and McCarthy Wallpapers. Though this tie ended in two matches, one feels it could have gone either way. At three, Brian Byrne was put to the pin of his collar as he just beat Anne Hennebry 2-1 while at one Dan made a very gallant effort as he also went down in three sets to Emmett.

In the first division, Kelly's Heroes from the Crystal were at it again. The tigerish Michael Manahan gave them the perfect start as he beat Joe O'Brien 15-14, 15-10. At three, Tom Landy appeared to be in big trouble as he lost the first 15-10 and was well down in the second before clawing back to sneak the second 15-12 and wrap up victory for Dermot Kelly's team winning the third 15-8. In the other, it was nephew against uncle - Kevin Tutty against Vincent Tutty. The first set was a nerve tingler all the way to 12-12 before

Kevin pinched it 15-13. The second was exactly the same but the reverse happened with Vincent nicking it 15-13. In the third Kevin pulled away to take it 15-8. At one we had Ray Moore and Michael Hurley. Ray held a remarkable sequence of not having lost under this system before this game. "Nipper" won the first 15-11. Ray levelled taking the second 15-7 but it was a very in form Nipper, playing extremely well and chasing well who took it 15-10. The semi-finals will have been played before you read these notes and the final takes place tonight (Wednesday), October 23rd starting at 7.00 p.m. so come along and watch the action or join us for a sandwich afterwards.

FIGHTING VICTORY BY MAURICE WALSH

Thursday night last, October 17th saw our Cork League team in action at home to Highfield 'A' in a vital clash. As this was the halfway stage, it was vital to get one over our nearest rivals. Toughest game of the night has to be at five as the two veterans Maurice Walsh and John Calanan did battle. John unfortunately will be remembered for all the wrong reasons from the recent Cork Open (referee number two).

The first set really did turn out to be a battle with Maurice's patience and cool being stretched to the limit by some

very dubious decisions - thankfully despite the obstacles, he stuck in there to win it 9-7. In the second, Maurice romped away 9-1 and in the third he kept it firing on all cylinders as he wrapped up a very satisfying result 9-5. Calanan is a member of the Munster Provincial Champions from last season so this was a brilliant result for Maurice. At four Pat McGovern faced Highfield's summer signing from Charleville, Michael O'Toole. Though it went to five sets and had a very tense finish, it could hardly be regarded as a close contest. O'Toole won the first 9-3 and the third 9-0 while Pat won the second 9-3 and the fourth 9-2. In a nervy finish, O'Toole led 4-1 and 7-5 before Pat wrapped up a great comeback 9-7. At three John Reynolds faced the very fit Laurence O'Donovan. John was very unfortunate to come away empty handed here and maybe with a bit of luck, J. B. specials might even have won this game but as it was he had to settle for a 7-9, 2-9, 8-10 scoreline. James Kiely at one, recovering from flu, faced another member of the victorious Munster Vets team, Noel Murphy. Here James was always in control, only a slight lapse at the start of the third when he fell 1-4 down was the only hiccup as he won 9-6, 9-7, 9-6. In the final match, Ray Moore faced Lee Healy. Ray settled

badly and looked in trouble as he lost the first 9-5 and was 5-0 down in the second before he bucked up to win it 9-6 and the next two 9-2, 9-4. So a brilliant 4-7 victory and a very useful 16 pts. bagged. This is the halfway stage and this result coupled with Falvey's close 3-2 win against Highfield 'B' means we have cut the lead back to 6 pts. The leading points are - 1. Falveys 75 pts.; 2. Minnies - 69 pts.; 3. Highfield 'B' - 63 pts.; 4. Highfield 'A' - 61 pts.

With three home fixtures and two away in the second half of the league, who knows what might happen. Next fixture is home tomorrow night (Thursday), October 24th against Orchard. Here's hoping for a repeat of the 4-1 away score. If you're around please support the team. You would be surprised how much of a lift the team gets from hearing the cheers. Well done to those who were present at the last fixture "The Motivator" Michael Tutty, the champion referee Willie Browne, Peggy Whelan and her little friends Paul Freyne, John Paul Cosgrave, Emmett Byrne and squad member Dermot Kelly who helped with the reffing. It was great to see the man from Carrick back in the 'house' and shouting on the lads.

NEWS ROUNDUP

What a brilliant but unique sight at the club last Wednes-

day night. The four courts buzzing at the same time nothing unusual about that but what was unique was the four courts were being occupied by ladies. Even in the boom boom days of the early 80's, I can't remember this happening. For the record, the ladies in question were court one Sharon O'Brien and Peggy Whelan, court two Siobhan Cullinane and June Whyte, court three Sharon Foley and Catherine Kiely and court four Pamela Kelleher and Emily Sheehan - keep it up ladies, let's see this happening more often.

Very well done to Paul Freyne and Pat O'Brien in the Cork Leagues Division One. Paul, playing with Highfield, claimed another prized scalp when he defeated former Munster number one, Billy Murphy 3-1 as his team crushed Collins Barracks. Pat was again in fine form for the Orchard as he beat Peter O'Toole 3-1. Keep it up lads.

Friday nights are booming with action as Rene di Fusco and Helen Kiely put the juniors through their paces. The numbers appear to be growing every week. Actually if any members have an hour or two to spare on a Friday night and would be willing to lend a hand, I'm sure Rene and Helen would be delighted with a helping hand.

County Waterford Handball News

A new competition for National Schools in the county will be starting soon. Noel Devereux of Mary Street, Dungarvan, presented a cup and medals for this competition. It will be confined to four or five national schools this year and hopefully more schools will come into the competition next year.

This will be a team game, eight players in all per

school. Boys and girls are eligible. This will be played as doubles, one pair must be girls.

The schools taking part this year are as follows - Kilbrien, Coolnasmear, Touraneena and Garranbane and hopefully Dunhill. These games will be played in St. Augustine's College Alley and will be 40 x 20.

I'm sure the schools will start the training programme

soon and be ready for the big day.

Many thanks to the Devereux family for this sponsorship and hopefully in the long term some of these young players will bring honour to the county. Wishing all the schools and players the best of luck.

At this stage some of our members have their gear cleaned and put away for next year. In the meantime the shore anglers are still at it and Ardmore, Abbeyside and Dungarvan were represented by John Cronin, Tony Crowe and Alan Mulcahy somewhere in Antrim, the details I don't have and I'm waiting with bated breath to know how they got on. John and Alan who fished the World Championships somewhere in Denmark a few weeks ago did very well and indeed all of our Irish 5 man

team were in the top forty of the eighty participants with John Cronin putting in the best performance at twentieth. At this level of the sport the other nations are full time professionals so it's very difficult to compete but well done and hopefully the IFSA financing will improve and encourage and sponsor anglers to be in a position to compete on a level playing pitch with the other nations. Next Wednesday night (tonight) should decide the date of the next A.G.M. which all the committee members are anxious to hold

shortly to allow time for preparations for next season, so watch the papers.

ST. DECLAN'S COMMUNITY COLLEGE NOTES

MUNSTER U-15 FOOTBALL

St. Declan's (Kilmacthomas) 2-7, Tramore CBS 2-6
St. Declan's showed great spirit in defeating Tramore in this first round game. The Kilmac' side failed to make full use of the very strong wind in the first half and led by only one point at half time. St. Declan's goal was finished by D. Power.

St. Declan's improved dramatically after the break. Forward play was fast and incisive while the defence coped well under pressure. Points from E. Galvin, S. O'Leary, A. Power and an M. Condon goal were enough for victory, despite late Tramore pressure.

Best for St. Declan's were: A. Whelan, D. Ryan, M. Condon, E. Rockett, A. Power, K. Power.

St. Declan's — R. Wade, C. Long, A. Whelan, R. Halpin, M. Hearne, J. Halpin, K. Power, D. Ryan, E. Rockett, K. Mulcahy, S. O'Leary (0-3), E. Galvin (0-2), D. Power (1-0), M. Condon (1-0), A. Power (0-2). Subs., R. Al-Masri, R. Queally, J. Ryan.

We would like to thank Ballyduff GAA Club for use of the pitch and dressing rooms.

LADIES FOOTBALL

St. Declan's 3-5, Ard Scoll na nDeise 6-7

In their first outing of the year St. Declan's senior ladies footballers were beaten by Ard Scoll on a scoreline which fails to reflect the closeness of the contest.

St. Declan's — L. Mulhearn, N. Hearne, S. Kirwan, T. Kirwan, L. Lannon, C. Ahern, L. Grant, E. Kirwan, N. Crowley, A. Crowley, C. Dee, K. Lannon, C. Landers, F. Barrett, A. M. Hearne, M. Hearne.

WATERFORD COLLEGES LADIES

FOOTBALL (JUNIOR)

St. Declan's 4-9, St. Augustine's 4-4

St. Declan's scored an excellent 5 points win over St. Augustine's College in the semi-final of the Waterford Colleges competition. Two well-taken goals by Louise Lannon and one by Noeleen Crowley helped St. Declan's to a 4 point lead at half time.

The second half proved very even with both teams exchanging scores throughout. St. Declan's defence was outstanding with Susan Cronin making vital saves in goal. In midfield Tanya Kirwan and Niamh Barry had excellent games with both taking some fine scores. In attack all of St. Declan's forwards scored and it was this ability to pick off scores that secured the victory.

St. Declan's: S. Cronin, V. O'Keefe, L. Mulhearn, A. Crowley, L. Kelly, L. Grant, F. Kirwan, T. Kirwan, C. Prendergast, A. Hearne, N. Crowley, N. Barry, S. Hallahan, L. Lannon, A. Wall. Subs., E. Mackey, J. Flynn, J. O'Donnell, H. Farrell.

CAMOGIE

St. Declan's 7-11, Colaiste Eoin 0-0

St. Declan's, in their first match as defending Waterford Intermediate Champions, had an outstanding win against Colaiste Eoin, Youghal.

The St. Declan's forward line used a plentiful supply of ball to establish a score line of 5-4 to 0-0 at half time.

In the second half St. Declan's displayed a high degree of skill to notch up another two goals and seven points. Best for St. Declan's were: N. Barry, K. Kelly, V. O'Keefe and K. Barry. St. Declan's now face a stiffer test against St. Mary's, Midleton, next month.

MUNSTER COLLEGES U-18 HURLING

St. Declan's 3-8, Killaloe 1-14

St. Declan's and Killaloe played out a hard-earned draw in this game played in Cashel. The first half was evenly contested but two goals saw St. Declan's lead by 2-3 to 0-6 at the interval.

Killaloe goaled to level the game after the re-start and the game remained tight thereafter.

Maurice Maye pointed from an acute angle in the last minute to give Kilmac' the lead. However, a tenth pointed free of the game saw Killaloe snatch a draw.

The replay takes place on Thursday. Best for St. Declan's: M. Ahern, D. Gahan, N. Curran, M. Maye. St. Declan's: B. Curran, D. Power, G. Walsh, K. O'Reilly, P. Kiely, P. Duggan, T. Costelloe, M. Ahern, D. Gahan (1-1), F. Torpey, G. Power, N. Curran (2-2), M. Maye (1-0), T. Curran, A. Curran (0-3).

COLLEGE HURLING

Our club created something of a record last week when nine of our players assisted Coláiste Eoin Eochail in the Munster U-16 1/2 Hurling Championship against Templemore in Ballygiblin. For the record, the players involved were Gerry O'Rourke, Michael Cliffe, Stephen Barron, Karl O'Keeffe, Patrick O'Connell, Brendan McGrath, Noel McGrath, Thomas Burke and Padraig Daly. Coláiste Eoin had an easy win and progress to the next round. Well done lads.

INJURY

Great to see club player Brian Murray out and about after his recent stay in hospital following a collision in the Western Final against An Rinn. Get well soon, Brian.

DÉISE DRAW

U-16 FOOTBALL

Some of our club players are currently in training with the Waterford U-16 football panel in preparation for the Munster U-16 football competition. This competition takes place in Adare, Co. Limerick on Saturday, November 2nd. Waterford are drawn against South Kerry in the first round. The players involved are Barry Dunne, Stephen Barron, Karl O'Keeffe, Donal O'Keeffe and Mark Power.

ANNUAL SOCIAL

This year's annual social takes place on Saturday, November 23rd in the Park Hotel, Dungarvan. Traditionally this has been one of the social events of the year in the parish. Who can forget our last social at the Park when we honoured the men of '69. While we will not have much silverware to adorn the occasion this year, we should all work to make this year's event as large and as successful as possible.

JUVENILE CLUB NOTES

Schools Champions — The combined Piltown and

Clashmore schools had an exciting two point win over Ring in the primary schools competition on Saturday at the Fraher Field.

Ring started the stronger and led by five points to one after ten minutes. The lads from the parish were in no mood to give up easily however. Marcus Prendergast began to curb Ring's most influential player and with Paudie O'Rourke gaining more control in midfield, we got more good ball into our forwards. Sean Fleming kicked some beautiful points and Joe Collins had a fine goal to leave our lads four points ahead at the break.

At half-time, Piltown/Clashmore introduced James Ledingham and he was to make a major contribution to the victory. Even so the second half proved to be a nail-biting affair as the Ring boys fought back and when they struck for a second goal near the end, it looked as if our boys would come home empty handed. Jim Flavin had other ideas however and his well taken goal almost on full-time sealed the victory.

After the game, captain Marcus Prendergast led his happy team up the steps of the new stand to receive the trophy and the winners medals. On the day we had ten heroes. Mark McGrath was excellent in goal, the full back line of Jason Seward, Gary Kelly and Mark Burke were rock solid. Marcus Prendergast and Paudie O'Rourke had the edge in midfield and up front Sean Fleming, Jim Flavin, Joe Collins and James Ledingham from his introduction fought hard for every ball and kicked some fine scores.

Finally a word of thanks to team manager and Piltown headmaster, Brendan Griffin who continues to do trojan work with the school kids.

U-12 Football Championships — Well after the excitement of Saturday it was back to the U-12 championship on Sunday morning. The morning started wet and the game was in some doubt right up to 11.00 a.m. However with the morning clearing and the lads mad for action, the game got underway on time at 11.30 a.m. Playing in a changed strip of black and green (to avoid a clash with the red of Ballyduff), Clashmore got off to a good start with a U. Leahy point after a minute. Nick Beresford added a goal and a point before Ballyduff broke up-field to register their first score, a point. Clashmore added points from Sean Fleming (2) and Jim Flavin to Ballyduff's one point to leave the scores at half-time 1-5 (8) to 0-2 in Clashmore's favour. The second half was a closer affair with outfield exchanges about even but it was the greater ability of the

local lads to get scores that was decisive. We added 1-2 to Ballyduff's 0-2. The final score was Clashmore 2-7 (13) Ballyduff 0-4.

Team: M. McGrath, M. Burke, G. Kelly, A. Barron, K. Connery, J. Seward, M. Prendergast, P. O'Rourke (Capt.), J. Ledingham, S. Fleming, J. Flavin, U. Leahy, C. Coughlan, M. O'Rourke, N. Beresford. Subs used: D. Allen, V. Daly, C. O'Keeffe.

We are now into the play offs in the 'A' grade for the first time and this must be seen as significant in the development of underage football in the parish. As we finished second in the league behind Brickey Rangers, we will now play the third placed team in the second section in straight knockout competition.

As there is still one round of games to be played in that section, we will not know our opponents until after next weekend. Next weekend we are likely to travel away to play a game, more details in the schools during the week.

Footballers Of The Future

This week we feature our players from the U-10 team:

Stephen Mangan,

Shane Burke,

Declan Coughlan.

Dungarvan got off to a sprightly start with points from Ian Prendergast and

Lee Healy. Tony Keane pointed nicely with the inside of the foot. Shane Whelan began to dominate for Ballymac' and John English supplied the finish with a point. Tony Keane took over for Dungarvan by scoring two goals and two points. John Byrne, Ballymac' was moved to corner back in an effort to contain Tony. Kieran O'Brien scored two further points for Dungarvan before half-time.

On the resumption of play, Ballymac' attacked strongly and Shane Whelan pointed. After an impressive passing movement, John English shot to the net for Ballymac'. Glenbeg/Carriglea 7-11

Lismore C.B.S. 2-3

Shane McGrath was quickly into his stride and scored three points. Brian O'Connell kicked high over the bar for Lismore and John O'Donnell pointed nicely for them from the left-hand side of the pitch. Carthach Shalloe pointed for Glenbeg/Carriglea and they added further scores per Shane McGrath (goal), Tomas Halpin (goal) and John Gillen (point).

Lismore resumed in determined fashion and Michael Walsh fisted to the net from a Kevin O'Donoghue free. But the pattern of the first half quickly returned and Glenbeg/Carriglea added to their tally with two points (John Gillen), two points (Carthach Shalloe), three goals and a point (Shane McGrath), one goal (Cian Shalloe), one point (Carthach Shalloe) and a goal (James Cummins). Clashmore/Piltown 3-9 An Rinn 2-10

Great football from two very well coached teams who displayed all that is best in Gaelic football. Superb team work, great individual skill and a close scoreline kept parents from both teams on tenderhooks right to the end.

Ring started in lively fashion and scored two quick points. Sean Fleming replied for Clashmore/Piltown. Ring dominated and scored three points the third a beauty by Liam O Lionáin. Then it was Clashmore/Piltown who gained the upper hand and had six scores in a row one of them a goal by Joe Collins who side-stepped the corner back to smash the ball to the net.

The second half was brilliant as the tempo and pace increased leading to a climax when a punched goal by Jim Flavin with two minutes to go being the score that divided the teams at the final whistle. Towards the finish, An Rinn won five 45's in a row.

Clashmore/Piltown — J. Seward, G. Kelly, M. Burke, P. O'Rourke (0-1), M. Prendergast (0-1), S. Fleming (1-6), J. Flavin (1-1), J. Collins (1-0). Fir Ionaid: N. Beresford, D. Allen, J. Ledingham, C. Coughlan, K. Connery, V. Daly, C. O'Keeffe, M. Hickey.

Roinn 'D' - Michael Culloo Cup

Garranbane 5-6 Aglish 3-6

With the wind, Aglish had all the play and were 1-3 ahead before Garranbane managed a goal from the boot of Paul Curran in a packed penalty area. Aglish pressed forward again and Edmond Donovan scored twice. An own goal just before half-time left Aglish in a commanding position.

Early in the second period, Paul Curran pointed twice. Kieran Murray goaled for Aglish. Garranbane looked to be in big trouble. However Paul Curran pointed and Simon Hanrahan had a goal and a point from his left leg. The come back continued and the atmosphere in the stand and the support for both teams was something special to experience. Goals by Michael Flynn and Simon Hanrahan on the double secured an historic victory for Garranbane.

DUNGARVAN G.A.A. NOTES

FOOTBALL LEAGUE

The Saturday morning football leagues drew to a conclusion last weekend with the final two league games being played.

The U-8 League requires a play-off between Darren Sheehan's team and James Ducey's side with Conor Keating's team awaiting the winners. The play-off is scheduled for tonight (Wednesday) with the final fixed for this Saturday, October 26th at 11.00 a.m. sharp.

The U-10 finalists were also decided last Saturday morning when John Paul

Tutty's team qualified to face Brian Bannon's team. This final will take place also on Saturday morning at 11.30 a.m. sharp. To round off the mornings activities the U-12 final will also take place. Time: 12.00 noon.

U-12 FOOTBALL

On Sunday morning last in bad weather conditions, we played our final league game in the U-12 football championship against Ardmore at our clubgrounds. A one point victory has qualified us for a play-off or a quarter-final spot in the tournament.

PRESENTATION

At a special function held at our Clubhouse last Tuesday night, our U-16 hurlers were presented with their Western medals and also with the plaques which they won in the U-16 All-Ireland Hurling Tournament Seven-a-Side run by Kilmacud Crokes in Dublin.

The Chairman of the Juvenile Club, John O'Brien congratulated the boys on their achievement and thanked them for their dedication and commitment during the year. He said it was a good side that could pick themselves up from the disappointment

of losing a County Title and then go on and win an All-Ireland U-16 title a short time after. He said he had no doubt but that the future of hurling within the club looked good.

Sean Murphy and Pat Curran also spoke and re-iterated what the Chairman had said. The function was also addressed by Willie Barron who captained the team that brought the last Senior Hurling Title to the Club. He told them Dungarvan is a proud club and have pride in the blue jersey and he had no doubt but that in a few more years, the honour of bringing a Senior Hurling title to the Old Boro would be theirs and he was sure they would not be found wanting. Subsequently Willie presented the medals and plaques to the panel.

The team was then treated to a sit down meal and their parents to light refreshments. On behalf of the club, we would like to thank Paddy Fitzgerald and the ladies of the club for the manner with which they looked after everybody on the night.

"ALMA MATER"

On behalf of everyone in the club, we say congratulations to our "Alma Mater" on winning the Observer Cup when they defeated Ballymacarbry National School on the scoreline 2-8 to 1-3.

HAPPY EVENT

Congratulations to Jimmy and Mairead Walker on a recent happy event - the birth of a baby girl.

DUNGARVAN BEAT LEAGUE FAVOURITES

CHURCH OF IRELAND 1 DUNGARVAN 3

Dungarvan travelled with only 10 players to play a 6 p.m. match in Garryduff last Sunday. They found it hard to adjust to the astroturf. 10 minutes into the game Church of Ireland scored when Dungarvan failed to clear and were punished with a soft goal. But as the game progressed Dungarvan adjusted to the pitch surface and began to press forward.

Just before half time Church of Ireland broke through the defence only to be stopped by a fine save from Carol Tobin.

At half time Dungarvan made some positional changes. Marie Sheehan had a great game at right inner and was causing all sorts of problems with some great runs. Sharon Duggan put Dungarvan level when she ran from the half way line, beat two players and scored a superb goal. From then on Dungarvan never looked back. Soon we went 2-1 up when Daly got a fine goal from an acute angle on the left followed minutes later by another wonderful goal by Sharon Duggan.

A superb second half performance resulted in Dungarvan deservedly winning this league game. Eva Quin-

lan, Louise Conroy and Eleanor Moore were powerful in defence. Roisin Foley, Marie Sheehan and Gillian Conroy were always in control in midfield and up front Emma Daly, Lindsey Keane and Sharon Duggan were unstoppable.

Player of the Match — Sharon Duggan.

Thanks to umpire Ann Bones.

UNI. OF LIMERICK 3 DUNGARVAN 0

Dungarvan's away match on Saturday last against University of Limerick was disappointing. Down to 10 players after only ten minutes when influential midfielder Ann Brennan had to retire injured, Dungarvan could not get into their rhythm in a first half that ended 1-0 in the home team's favour.

The second half saw a much improved performance from Dungarvan, some good passing and more determination enabled the seaiders to put the UL defence under pressure. Only a very good save by the home keeper denied Roisin Foley an equaliser. Although UL scored two more goals Dungarvan's commitment in this period has to be praised.

Best for Dungarvan — Emma Daly, Lorraine Hayes, Aine Cummins and Clare Fennell. Thanks to umpire Louise Neylin.

Dungarvan — Emma Daly, Avice Kiely, Roisin Foley, Lorraine Hayes, Jillian Dalton, Therese Larkin, Ann Brennan, Aine Cummins, Martina Landers, Karen Dempsey, Clare Fennell.

T. Ua Cadhla, Lorcán, L. Ua Corraoin (0-1), Éanna, Risteárd, S. Ua Corraoin (Capt.), MacDara, Cárthach (1-1), M. Ua Domhnaill, Eamonn, Séimín, Nioclás Óg (1-0), Colm B. (1-0), Eoinín, Darach B., Ros, Seosamh, T. O Meachair.

Árd-chluiche, árd-chomórtas agus tá Rinn Ua gCuanach fós ar marthainn. Bhí sé measta ag an gcoitcheanntacht go sciosfaí maol sinn, go ndéanfadh foireann so na cathrach snáth bán dinn. Bhí sé measta agamsa ná déanfadh. Ní fheaca mé De La Salle ag imirt ach bhí a fhios agam go raibh An Rinn go maith agus má tá tusa go maith is beag beann atá agat ar an bhfear eile. Bhíomar daingean, docht, tiomanta agus gach fear díthcheallach. Thugamar le tuigsint go rabhamar go maith agus tá's ag De La Salle anois é.

Ní fheaca mise aon fhoireann ón Rinn riamh dob fheárr ná iad. Is dócha go raibh foireann '62 ní bhfeárr ná iad ach ní cuimhin liom ró-mhaith iad san, bhí mé ró-óg an tráth úd. Deir Tomás De Faoit liom ná beadh foireann na linne so ionchomórtais leo féin a chuigint.

Bhí gach fear go maith ach dar ndóigh bhí daoine níos feárr ná a chéile. Bhí T. Ua Cadhla, Liam Ua Corraoin, Risteárd agus MacDara thar bárr ag cosaint. Dhein Seán Ua Corraoin gnó leath-chúlal láir go maith. Dhein Cárthach gaisce oibre i lár na páirce agus bhí obair ann le déanamh. Níor bhfeárr aoinne an lá so againn ná Nioclás Óg agus Darach Breatnach, go mór mhór sa chéad leath i gcoinne na gaoithe. Níor staon Lorcán, Éanna, Micheál, Éamon, Séimín, Eoinín ná Colm aon uair agus sin é a bhuaidhfidh ar deire dúinn - Fir Misnigh.

Tháinig feabhas orainn ó chluiche go chluiche gach iarracht i mbliana. Feabhas beag eile sa aith-imirt agus is linn an lá. Níl na brait á n-árdacht chomh minic agus ba mhaith linn agus caithfead feachaint chuige sin. Mar aduair mé an t-seachtain seo ghaibh tharainn, ní dóigh liom go bhfuil beartas nó scéim ceart imeartha againn. Ar an 20ú lá nuair a bhí fear De La Salle i dteannta bhí triúr chun teacht i gcabhair air. Nuair a bhí fear againne i dteannta is minic ná raibh aoinne ag lorg na peile air ná aoinne a thógfaidh uaidh í. Agus níl aon mhaith in staic-i-dtalamh - caithfidh tú bheidh ag gluaiseacht agus ag gluaiseacht briogmhar - tá an domhan deifir idir sodar agus áirdriam, idir slithide agus gaoth Mháirta. Bhíonn thiar de shíor ar fhear na doige. (He who pauses is left behind).

ABBEYSIDE/BALLINACOURTY G.A.A. NOTES

Hurlers Produce Blistering Display To Take County Intermediate Title

ABBEYSIDE 0-18
FERRYBANK 0-14

In what is considered by many as one of our greatest hurling hours since 1950, when we last won a county adult hurling title our intermediate hurlers turned in a scintillating performance when beating Ferrybank in a pulsating final played at this famed Fraher Field on Sunday afternoon last. This was a proud day for Abbeyside people everywhere and those who were lucky enough to be there, well it was a moment to savour. Not since the sixties has a hurling game generated such wild excitement in the village. The run up to the final was like the "auld" days again. Everything was blue and gold. The game that has stirred the hearts of Abbeyside/Ballinacourty folk for generations was creating that buzz, flags and banners, the streamers and the pre match chats etc. It was great.

And the match did not disappoint. It was a whale of a game. Close on three thousand people packed to the new stand to witness an epic battle. Right from the second that city referee Ml. Wadding threw in the sliothar and "Hiker" and Jonathan clashed the ash, up to the final point from Dwain Moore to seal the issue, this was vintage Village stuff. A massive thirty two points total kept the attendance on their feet. Side line cuts, overhead pulling, near misses, block downs and hooks, the odd missed free, the frees between the posts, the clash of the ash, and so on. We are lucky indeed to have witnessed such a great occasion. After the game it was great to see some of the former greats making their way down to the team dressing room to offer their congratulations to a superb bunch of lads.

Our men — Eoin Murray was mighty in goal and brought off some good saves. His puck outs were huge. Michael Collins as team captain was superb. Some of his driving runs out of defence were crucial and inspiring. Paudie Shields and later Alan Ryan were excellent, both effecting good clearances. Gavin Breen on the left cut a fair dash to give a non nonsense display. Jimmy Healy at the no. 6 spot had a majestic second half in particular and brought his experience to bear on proceedings. Damien Cliffe played some

lovely touches with his sweet striking and Dermot Ryan on the left flank had a superb game and scored a good long range point.

At midfield "Hiker" McGrath was like a colossus. He was powerful. Young Jonathan Moore turned in another huge performance, scored a great second half point to complement his amazing work rate.

Laurence Hurney started in a blitz and went on to taunt the opposition with some powerful runs. Justin Walsh gave his every ounce just as Justin always does. The Knockateemore lad has had a great year and was always foraging. Dwain Moore at centre forward was our leading scorer. He walloped over a total of nine points and was, as ever, majestic in his general play. At right corner Michael Enright was excellent. He scored four wonderful points and was a constant threat to the city side's defence. Michael Cosgrave revelled in the big occasion, scored a fine point and really enjoyed the game. At top of the left Pat Cunningham lashed over two vital points and was as busy as a bee around the opposition goal. John Foley when introduced had a lovely debut. He won a lot of

vital ball to help us on our way.

Our subs too did their bit and indeed will have done more than their share. Over the campaign Conor Clancy, Alan Moore, Brian Beatty, Jimmy Stacey, Paul Landy, Paul Breen, Billy Keohan and Ger Smith saw action. A great team performance then.

Back in the senior ranks then and well worthy of it. Ironically it was none other than Ferrybank who knocked us out of senior ranks in 1983. Odd that we should beat the same Ferrybank to return to our rightful place.

Mentors — Our team mentors take a bow. Dave Sheehan as manager was brilliant all year. Liam Enright, Eddie Cashin and Frank Sweeney worked as a powerful unit and Nicky Cashin as coaching adviser was magnificent. This group of men gave more than is expected of anyone to help forge our great win. They brought a new dimension to our play and Sunday's win was no more than they deserved. Well done lads.

After the game our hero captain Michael Collins was presented with the Tom Lannon Cup by County Board Chairman Paddy Joe

Ryan amid wild excitement. It was a great feeling for us all.

Our sponsors for the final were — Kitbags from Fyffes Bananas through the good efforts of Willie Kiely Fruit Merchant, Don Mulcahy and Sons, Abbeyside, who sponsored our match togs and also placed an advt. in the match programme, Matt Organ of the Village Inn who sponsored our match socks, David Kiely Monumental Works who placed an advt. in the match programme, John Foley, Kilrush Service Station who placed his advt. in the match programme, Data Computer Systems who placed their advt. in the match programme.

Finally a word of special thanks to our supporters who were simply wonderful throughout the year. But on Sunday last you were positively brilliant and gave the village boys a huge lift when they needed it most.

Up The Village Every Time.

The players and their wives, girlfriends, friends together with the team mentors and their wives were joined by club officers and friends at Clonea Strand Hotel where a great victory dinner was enjoyed by all.

UNDER-12 NEWS

On Sunday morning last our under-12 footballers played Kilgobinet in the under-12 championship. Despite the fact that Kilgobinet opened the scoring our boys emerged winners at the final whistle. These boys have one more game left to play against Ardmore and this should prove to be a very close contest.

WELL DONE

Congratulations to the principal, teachers and pupils of Garranbane School on their victory in the Roinn "D" division of the West Waterford Primary Schools Championship played at the Fraher Field on Friday afternoon last. These boys trailed behind at the interval but in the second half they took firm control of the game and emerged deserving winners at the final whistle.

ST. OLIVERS G.A.A. NOTES

Late Rally Not Enough To Earn Replay

On Saturday last, our U-14 footballers played Tramore in Walsh Park in the 'A' County Final. It was the club's first ever appearance in an 'A' final in any grade. Tramore played with the wind in the first half and started very slow as after 15 mins. they led by two points to no score. In the next 10 mins., they added a further 1-4 to St. Olivers one point which came from Tony Kearns in the 22nd min. The score at half-time was Tramore 1-6 St. Olivers 0-1.

Tramore started the second half well and landed two quick points to leave it 1-8 to 0-1 with 20 mins. left. Paul Walsh then pointed from play which was followed by points from Paul Landers (2), Jamie McGrath and Eoghan Walsh so with 5 mins. left, it was 1-8 to 0-6. During this period, the Saints played with great heart and commitment and a never say die attitude. Ger Donovan was going towards the goal when he was brought down and Eoin Walsh goaled the resultant spot-kick to narrow the gap

to two points with 2 mins. left. Immediately from the kick out, Eoghan Walsh caught it and pointed from 35 yards to leave just a solitary point between them 1-8 to 1-7 but try as they might, they couldn't get that score that would have earned them a replay which was the least they deserved for a great spirited comeback. The final score was 1-8 to 1-7.

Team: Jason McGrath, Eamonn Walsh, Aidan O'Connell, Declan Roche, Ger Donovan, Eamonn Mernin, Martin O'Brien, Eoghan Walsh (0-2), Raymond Conery, Paul Landers (0-2) (Capt.), Eoin Walsh (1-0), Tony Kearns (0-1), Jamie McGrath (0-1), Tom Kiely, Paul Walsh (0-1). Subs: Robert McCarthy, Aonghus Murray, Cyril Stack, Michael Mernin.

HARD LUCK

Hard luck to Geraldines last weekend as they were defeated by Ballygunner in the Junior Hurling County Final at Fraher Field. The final score was Ballygunner 2-14 Geraldines 2-8.

Limerick Forced To Work For Win

Limerick C.B.S. 3-8 Lismore C.B.S. 1-9

Limerick C.B.S. held a big interval lead of ten points in this Dr. Harty Cup clash with Lismore C.B.S. at Mitchelstown and looked set for an easy victory.

But in a thrilling second half, Lismore were a transformed unit and slowly but surely whittled away the margin and there was just two points in it with as many minutes remaining. When it mattered most, however, the Limerick boys rallied their forces and three superb points earned them their ticket to the second round.

Limerick C.B.S. scorers: J.

Holmes (1-2), M. Gavin (1-0), A. McCarthy (1-0), C. Godfrey (0-2), B. Hartigan (0-2), S. O'Connor (0-1), S. Mullane (0-1).

MUNSTER COLLEGES S.H.

Disappointing Exit For Dungarvan

Templemore CBS 2-9, Dungarvan CBS 0-7

Dungarvan made a disappointing exit from the Munster U-18 Colleges B Hurling Championship at Bothar Leathan, Tipperary, last Wednesday. Despite a great start, when Paul Landy shot the Waterford side into the lead with a great point in

the 4th minute, Templemore took control of the game for the rest of the first half after scoring a very soft goal in the 6th minute. Templemore led by 1-7 to 0-2 at half time.

Dungarvan fought hard in the second half but conceded another goal in the 38th minute and had to face a real uphill battle after that. With good defending from the Tipperary side and the failure to take a few marvellous chances, Dungarvan failed to make major inroads into the Tipperary side's lead despite intense pressure for the last twenty minutes.

The scoreline somewhat flattered the Tipperary side but Dungarvan did not play to their usual form. Best for Dungarvan CBS were Pat Morgan, Eoin Sheridan and Peter Lynch in defence, while Paul Landy, Dermot Lonergan, Paul Condon and Alan Harty tried hardest in attack.

Dungarvan scorers — Paul Landy 0-5, Paul Radley 0-1, Alan Harty 0-1.

Dungarvan CBS — James Keohane (Abbeyside), Pat Morgan (Kilgobinet), Owen Sheridan (Dungarvan), Peter Lynch (Kilgobinet), Michael Kiely (Abbeyside), John Coffey (Stradbally), Graham Nagle (Dungarvan), John P. Keohane (Abbeyside), Jason O'Mahony (Dungarvan), Paul Radley (Dungarvan), Paul Landy (Abbeyside), Dermot Lonergan (Naomh Brid), Raymond Terry (Gaeltacht), Paul Condon (Naomh Brid), Alan Harty (Dungarvan). Sub., Diarmuid Keating (Dungarvan) for R. Terry.

MINOR HURLING COUNTY FINAL

Skilful Mount Sion Overpower Lismore

MOUNT SION 5-16, LISMORE 2-8

The Western champions really had no answer to the power hurling of Ken McGrath and Shane Flynn who between them contributed a total of 3-11 of their 5-16. It was Mount Sion's biggest ever winning margin over a Lismore under age team as in reality the Western champions had no real answer to the splendid skill of their old rivals, Mount Sion.

But Lismore did keep on battling and never gave up the ghost, even when the re-

sult became painfully inevitable by halfway when they trailed by 3-8 to 1-5, having played with the breeze.

In the second half 'Sion added a further 2-8, always keeping a safe distance ahead of the side who had many times been their conquerors in the minor and other under-age grades.

The standard of hurling here was excellent and augurs very well for the future of the county minor team and in the end this is what counts.

Scorers — Mount Sion — S. Flynn 2-7, K. McGrath 1-4, B. Hennessy 1-0, P. Bowe 0-2, E. McGrath 1-1, B. O'Regan 0-1, J. Kennedy 0-1; Lismore — B. Walsh 0-7, B. Landers 1-0, P. Carey 1-0, E. Bennett 0-1.

Mount Sion — T. Flynn, K. O'Connor, P. Hammond, J. Flanagan, S. Twomey, P. Browne, J. Farrell, B. Hennessy, P. Bowe, S. Flynn, K. McGrath (capt.), J. Kennedy, E. McGrath, R. Sheridan, J. P. Kennedy. Subs., G. Power

or S. Flanagan; B. Whelan for J. Kennedy, B. Knox for J. P. Kennedy.

Lismore — D. Whelan, P. Howard, M. Caples, D. Hickey, M. Cunningham, T. Veale, T. Barry, B. Landers, B. Walsh, G. Keane, P. Carey, E. Bennett (capt.), D. O'Connor, S. McNamara, D. Howard. Subs., K. Kearney for D. Hickey; M. O'Gorman for J. Keane.

Referee: P. Walsh (Four-milewater).

MARY MEADE R.I.P.

She was Mary "Mount Sion" to all her friends and was always referred to by that name when spoken to or spoken about. But she was just as much a Waterford supporter as well and hardly ever missed a game, particularly when it was played at Walsh Park. She once described herself as being part of the furniture there. She was a very good humoured lady who loved to chat about the games and sometimes about the politics of the G.A.A. She died last week at Ardkeen Hospital where she had been a patient for some weeks. Her friends from this side of the country were part of the big crowd who turned up to pay their final respects at her funeral. May she rest in peace.

All Ireland 'B' Football

After Waterford had agreed to a Carlow proposition that the counties agree to let their game in the National League produce a double result (league and All Ireland 'B') the G.A.C. in Croke Park ruled out the proposal. This meant that regardless of the result of the league match at Dungarvan on Sunday, October 13, the other match would have to take place on the following Sunday. Apparently there was a change of mind in the meantime as Carlow played Longford in the semi final last Sunday without any further consultation with Wa-

terford.

The new Carlow football supremo described the 'B' championship as a shambles and said it should either be scrapped altogether or played in mid-summer. Carlow, he said, had reached the semi final without playing a single game and in Munster, Limerick, Clare and Waterford had pulled out.

Waterford, who are the sponsors of the motion to set up this championship, are in a position to demand that it be given a proper profile and played at a proper time of the year.

WESTERN BOARD PROGRAMME

The Western Board are now reaching the winding down stage and their programme of weekend matches will take them a step nearer to a conclusion of the 1996 championship.

Junior Football Final

Modeligo v Kilrossanty

This final football game of the season is fixed for Fraher Field on Saturday afternoon. Modeligo, who recently defeated Ballyduff, will start slight favourites to beat their more matured opponents, Kilrossanty who are represented by their second string team. Both teams have played some very good football throughout the campaign during which Kilrossanty have been tremendously active and played a total of 25 matches so far this year, challenges included.

U-21 Hurling

A double header in this championship at Cappoquin will see Fourmilewater play Tallow at 1.30 p.m. and Lismore take on Dungarvan in the feature game at 2.45. On Sunday morning, An Gaeltacht will play Colligan in their tie at Fraher Field at 11.30 a.m.

G.A.A. NOTES

Co. Board Meeting

P. S. O Riain, chairman, presided at last week's meeting of the County Board at which not more than half the clubs in the county were represented.

Arising out of the minutes, Eamon O Murchu asked about the allocation of All Ireland tickets and was given a breakdown which will also appear in the convention journal.

Referring to a discussion about gate arrangements at Fraher Field and people getting in for half nothing, at the previous meeting, James Tobin complained about a comment that a well to do farmer had gained admission for less than the normal admission price and the fact that it was announced on the media on the following day. He said that he was a farmer and he resented the remark which seemed to give the impression that farmers were not prepared to pay their fair share. He said that farmers were keeping his club, Shamrocks alive and that other clubs would have the same thing to say. He further said that the farming community were angered by the comment. Michael Harney said it was only a throw-away line and not intended to offend any one.

CHAMPIONSHIPS

Joe Byrne, Erin's Own, raised the matter of the formula which had applied in the running of this year's senior hurling championship and was critical of the system. The County Chairman said the championships were run in accordance with the decision of a full County Board following lengthy debate. The subject gave rise to a 40 minute debate as to what should and should not be done. The Chairman said that what had been done was done by agreement.

The following contributed to the discussion — Declan Barron, Brendan Tobin, Ray Hennessy, Jack McGrath, James Tobin, John Lyons, Nioclas Mac Craith, Noel Fleming, John Murphy. On the proposal of James Tobin the matter was left over to the first meeting of the 1997 County Board. Joe Byrne said his club would consider bringing the matter to the notice of the Munster Council.

MICHAEL O HEHIR

Details of a dinner/dance function to be held at the Burlington Hotel, Dublin on Saturday, November 8 in honour of the great commentator Michael O Hehir who had suffered a severe stroke over ten years ago, were given in a letter from Croke Park and each County

Board was asked to contribute and to send ten representatives. It was agreed that each club will contribute £20 and eight of the ten people travelling to the function will be drawn from clubs.

SELECTORS

The under 21 hurling selectors for 1997 are Greg Fives (manager), Colm Bonner (trainer) and Phil Fanning (selector). The senior football selectors are Joe Curran (Stradbally) manager with Jim McGrath (Brickey Rangers) and a third who will be appointed after the county football final on next Sunday.

A letter from Coisde na Peil, stated that the under 21 and minor football selectors will be ready for recommendation to the next County Board meeting.

REPORTS

The first report from the new senior hurling selection committee told of their two matches to date and about their plans for winter training. The report stated that they had been given the use of the facilities for training at the Dunhill centre and for which they were grateful.

In the Coisde na Peil report permission was sought to stage an inter county senior football game between Cork and either Meath or Dublin at Fraher Field on the last Sunday in January next to raise money for football training. This was agreed.

GRANTS

The meeting approved of a grant of £4,000 to County Bord na nOg on the recommendation of Coisde Gnotha. The chairman reported on a meeting with the Juvenile Board officers when such matters as finance, All Ireland tickets, selectors, etc. were discussed.

FINANCE

An update was given by county treasurer Tommy Morrissey and it was revealed that gate receipts generally were up to expectations with a couple of exceptions — notably the Oireachtas match against Cork which attracted a gate of only £650. The need for continued vigilance in the matter of expenditure was something that would be kept under constant review, said the Chairman. Underage training will not commence until after Christmas.

MUNSTER COUNCIL REPORT

Reporting on the arrangements for the 1997 championships, Tommy Hennessy and Jimmy O'Gorman told delegates about the new system being introduced at senior and minor football

level. They said that 'home and away' matches with counties having those agreements, must be for named venues. Tommy Hennessy gave details of dates for grant applications for development and purchase of grounds, etc. The reps. were told to oppose the readmission of Cork and Kerry to the 1997 running of the McGrath Cup. It was felt that their inclusion this year, ruined the competition which had originally been intended for the five weaker counties of Munster and London.

DUG-OUTS

James Tobin referred to the dug-outs on the north side of the Fraher Field and said they were not sufficiently protective when the wind and rain was from a certain direction. The Chairman said that the Board were trying to discourage the use of the dug-outs on the stand side as it invariably resulted in people running up and down the sideline unnecessarily. John Lyons asked about the proposed shelter accommodation for wheelchair patrons and was assured that provision was being made to have them looked after.

CUPS NOT RETURNED

A list of championship cups which had not yet been returned was read to the meeting and a warning issued to the holders who were advised that the prescribed penalties would be imposed if the trophies were not returned immediately.

BORD NA NOG STATEMENT

Eddie O'Shea, Secretary of County Bord na nOg was given permission to address the meeting to refute a statement made at the previous County Board meeting concerning the selection of the under 16 football team which was selected to go to Limerick. He said that he, or Bord na nOg had nothing whatsoever to do with the selection of the said team, nor were they aware that it was being selected.

He had personally come in for a lot of criticism, particularly from eastern clubs and he now wanted to clear his name. His first knowledge of the team was when he read it in the Dungarvan Leader. The County Chairman, having paid tribute to the wonderful work being done by Eddie O'Shea on behalf of the Juvenile Bord, said he

was completely blameless in this matter. The Chairman said that there appeared to be an amount of confusion about the selection of teams in the underage grades and he would shortly set up a meeting involving Bord na nOg, Games Development, Coisde na Peil and the monitoring committee.

CONVENTION MASS

The delegates were informed that His Lordship, Most Rev. Dr. William Lee, Bishop of Waterford and Lismore, will celebrate Mass for delegates attending county convention in Dungarvan in January.

DEISE 500 CLUB

An appeal was made to clubs to get behind the Development Committee in their campaign to bring the membership of the club up to the target figure. The Chairman informed the meeting that following a recent meeting of the Sliabh gCua/St. Mary's Club in Touraneena, a total of eleven new members were enlisted. Members of the Development Committee attended that meeting to outline the benefits of the scheme and these members were available to attend any club meeting to help club of-

ficers, explain the details of the scheme.

It was pointed out that 10 hurling All Ireland tickets and 20 football stand tickets were raffled between holders of membership cards in this Deise 500 Club.

Oireachtas Cancellation

Surprise was expressed around the county in the middle of last week, when it became known that our meeting with Wexford in the Oireachtas would not take place because Wexford had not entered for the competition.

Because of a major slip-up somewhere, Waterford were not informed until after the county selectors had selected and published their team for the proposed match at New Ross. In fact somewhere along the line, the game had been brought forward from Sunday to Saturday.

Abbeyside Back In Senior Ranks

Back Row L. to R.: Brian O'Connor, Mick Kiely, Joe Power, John McGrath, Austin Flynn, Tony Mansfield, Rogie Cashin, Donal Whelan (R.I.P.). Front Row L. to R.: Denis Flynn (R.I.P.), Lar Cummins, John Cosgrave, Pat McGovern, Pat Enright, Joe Flynn, Pakie Hogan.

On Sunday last, Abbeyside regained their Senior hurling status when they defeated Ferrybank in the Intermediate Hurling Championship County Final. In times past, Abbeyside hurlers graced the Senior grade with distinction contesting four Senior County Finals in 1955, 1957, 1964,

and 1969 and in the process, they provided many fine players to the Waterford team.

Their last Senior County Final appearance was in 1969 when their fine team beset by injuries, lost out in a high scoring encounter to Mount Sion.

Our photo of that 1969

team was taken at the Fraher Field in September of that year when they recorded a famous victory over Ballygunner's greatest ever team who had been County champions in 1966, 1967 and 1968 in the Senior Hurling Championship semi-final on a scoreline of 2-17 to 0-14.

Trailpiece — It is interesting to record that Abbeyside lost their Senior status back in 1983 when they were defeated by Ferrybank on a score of 2-9 to 1-3. Thirteen years on, the Village came back to settle their account with Ferrybank who are also well known as the Village's

INTERMEDIATE HURLING COUNTY FINAL

Sparkling 2nd Half Display Wins Title For Abbeyside

**ABBEYSIDE 0-18
FERRYBANK 0-14**

This was a brilliant game of intermediate hurling which saw Abbeyside mount a tremendous second half fight back to defeat Ferrybank and win their first adult hurling county title since they took the junior final in 1950.

An all Eastern treble looked to be on the cards when Ferrybank literally ran Abbeyside into the ground in the first half by sending over a total of eleven points, many of them high quality scores, as against only four for the home team. 0-11 to 0-4 looked ominous for Abbeyside at that stage and many of their huge number of supporters in the stand were beginning to reconcile themselves to defeat.

The second half produced an amazing turn-about with Abbeyside taking over almost completely and scoring fourteen points as against only three for the losers. Still, only a single point separated the teams in the 57th minute and at this stage anything could have happened, but in the final nail-biting minutes, Abbeyside, to the relief of their supporters, got the points that clinched the issue and before the sound of the final whistle had died away, the celebrations began.

PLAY

Michael Collins won the toss for Abbeyside and decided to play against the strong breeze which blew into the road goal. Within a minute Ferrybank were ahead when Michael Sutton pointed and they were two up before the second minute after Shane Ahearne pointed a long range free. Following this score, play was held up for several minutes while Dermot Ryan, injured, was attended to.

In the 7th minute, Pat Cunningham had Abbeyside's opening point and within another minute Michael Enright had the sides level when he sent over from play. In the 12th minute a Michael Cosgrave point from out near the sideline put Abbeyside in front, but Nicky Heffernan's 16th minute point levelled the score.

Abbeyside had two wides before Mickey Enright was on target for a point, which was to be Abbeyside's final score of this half in the 20th

Pictured above is the Abbeyside team who captured the Waterford Intermediate hurling championship when they beat Ferrybank in a splendidly contested county final at Fraher Field on Sunday last. (Photo: Sean Byrne)

minute.

There followed a procession of Ferrybank points by the Sutton brothers Michael (3), Paul and Brendan, Eoin Cummins and Andy Heffernan, to give them a seven points cushion at half time, leaving Abbeyside counting their eight wides, many of which should have been scores.

CONFIDENT

Ferrybank remained on the field during the break and were obviously confident of maintaining control in the second half, but in less than a minute after the restart Dwaine Moore, who had a scoreless first half, made no mistake when pointing the first of his nine second half scores and in the 33rd minute Dermot Ryan pointed another and Dwaine sent wide before sending over his second point in the 35th minute.

Ferrybank had a near miss at goal and when Eoin Murray hit the longest of his many puck-outs it was caught by Mickie Enright and pointed to leave just three points between the teams (0-1 to 0-8) in the 37th minute.

The Abbeyside resurgence obviously sent the alarm bells ringing in the Ferrybank camp as at this point they made a number of switches on the team. Andy Heffernan pointed the Eastern champions back into a 4 points lead, but Dwaine Moore, receiving from Mickey Enright, brought one back. A great 41st point by Enright reduced the gap to 2 points. Eoin Collins and Jonathan Moore exchanged points before Dwaine Moore hit over a '65' to reduce the gap to the minimum.

A minute later Dwaine Moore sent wide, but made no mistake with the equalising score from a 51st minute free. Dwaine Moore hit a '65' and converted Abbeyside into the lead. Pat Cunningham put Abbeyside two points up in the 54th, but Brendan Sutton brought one back for Ferrybank in the 57th minute and both sides had it all to play for.

However, the Eastern champions were not to score again and three points by Dwaine Moore put Abbeyside's total to 18 points on the scoreboard, four ahead of Ferrybank.

All the players who wore the blue and gold were heroes on the day, beginning with goalkeeper Eoin Murray who brought off some wonderful saves and maximised the benefit of his long puck-outs. Team captain Michael Collins played a superb role throughout and was ably assisted in defence by Gavin Breen who denied Ferrybank a couple of major scores in defence and Paudie Shields.

The half back line of Damien Cliffe, Jimmy Healy and Dermot Ryan withstood a lot of first half pressure, but all played magnificently in the second half as did the midfielders Sean 'Hiker' McGrath and Jonathan Moore, both of whom had an uneasy first

half.

In attack Dwaine Moore, who scored nine points and Mickey Enright (who at times showed shades of his father's brilliance) may have been outstanding, but the contributions of Michael Cosgrave, Pat Cunningham, Justin Walsh and Laurence Hurney were factors in bringing about this victory. Alan Ryan and John Foley also contributed when they came on as substitutes.

Scorers — Abbeyside — D. Moore 0-9, M. Enright 0-4, P. Cunningham 0-2, M. Cosgrave 0-1, D. Ryan 0-1, J. Moore 0-1; Ferrybank — M. Sutton 0-5, B. Sutton 0-2, A. Heffernan 0-2, E. Collins 0-2, N. Heffernan 0-1, S. Ahearne 0-1, P. Sutton 0-1.

Abbeyside — E. Murray, P. Shields, M. Collins, J. Breen, D. Cliffe, S. Healy, D. Ryan, J. Moore, S. McGrath, J. Walsh, D. Moore, L. Hurney, M. Enright, M. Cosgrave, P. Cunningham. **Subs.**, A. Ryan for Shields, J. Foley for L. ney.

NEXT WEEKEND

Rathgormack v. Gaultier In Senior Football Final

— Feature Game On Three-Tiered Programme

It's going to be an all football weekend with three County finals down for decision at Walsh Park and the County team moving out to play round two of the football league. It is an unfortunate clash involving the County Final and the league and something that should be avoided at all costs in future.

A County Football Final without a western team involved has become a rarity and this will be the first time in over 20 years that we don't have a team from each end of the County involved. This does not mean that there is not countywide interest in the game or that the crowds will not flock to the venue to see what promises to be a tremendous County Final between our top football teams with the champions, Rathgormack going for their second in a row and Gaultier going for their first Senior County title ever.

The challengers, Gaultier from the Dunmore East area have won every other football title and now feel that they are poised to achieve a life-long ambition of being crowned as the top football team in the County. Two years ago they reached their first County Final and after a tremendous game of exciting football, they were forced to give best to the Nire who were winning their second title on the trot.

A look at Gaultier's very impressive path to this final must convince everyone that they are in this final with a chance of making club history. With players of the calibre of the Fitzgeralds, Eamonn, Anthony and Paul, Sean, Francis and Eamonn Cullinane, Liam Daniels, Paul Foley, Eoin Clifford, Stephen Frampton, Paul Foley, Derry Kiely, Shane Bergin, Darren Taylor, John Dunne, Mossie O'Keeffe they must be in the final with a big chance.

Rathgormack's semi-final replay match against the Nire was undoubtedly their best display of the year. They were in brilliant form as they took the game to the Nire in both halves and won most convincingly. Unfortunately their fullback, Declan Power sustained a broken jaw during the game and while he played on, he had to subsequently receive hospital treatment and must be considered very doubtful for the final. They will have Pat Fahy in goal with Donal, Kevin and Donal Power, Dan Crotty and Donal Crotty, Brendan Curry and Denis Hassett in defence. Vincent Murray and Richard Power will be at centre field and up in attack they will have team captain Martin Power, Joe Murray, Paddy Crotty, Seanie and Ger Power and Francis Halpin etc.

This will be the 65th match of the football championship and whether or not it will be the best one or not, it is the one which will be remembered when we come to talk about what happened in 1996.

On Sunday after the Conway Cup is presented, if the Final does not end in a draw, the winners will ride home in triumph to a heroes welcome with bonfires blazing and the Cup will do its rounds and the celebrations will go on and on until everyone becomes tired and weary etc.

The losers will receive three cheers from the winners and then make their way home quietly and will spend some time trying to

overcome their great disappointment and their injured pride. Once upon a time the team who came second used to be called 'runners-up' but now in the age of winner-take-all, there are only winners and losers and the side which does not win are given no credit. The huge crowd of neutrals in the stand will go home reflecting on the standard of football and wondering how it will impact itself on our Intercounty team in the present league and then, outside the winners camp, all will be forgotten until another year dawns and we begin speculating all over again.

In the scoring records for the year, Gaultier would have appeared to have fared that little bit better than the champions but experience has told us not to take this as a serious indicator. Rathgormack could reply to this by stating that they defeated Gaultier fairly decisively when they met in the league section this year.

As I have written many times in the past, finals are different and things happen in County Finals that don't happen elsewhere.

On Sunday both sides will field fit and very well prepared teams both of whom will play to the limit of their potential and as I read the form book, I believe that any one of them can win.

It looks to be a game that will go down to the wire and one that might even end in a draw. Hopefully this won't happen as we can well do without another fixtures headache. I will give my vote to Rathgormack as last year they got the 'know-how' of winning a final after trying for about 70 years but this is not more than a guess and can be very wide of the mark.

Footballers Play Offaly In National League At Birr

MINOR FINAL

Ardmore v Gaultier

This is the attractive curtain-raiser listed for Walsh Park on Sunday and by all means, it should be a classic if both Ardmore and Gaultier play to their best form. Last year, Ardmore missed a place in the County Final when losing to Abbeyside but this year they bounced back and after a splendid start with a two point win over the Shamrocks, they continued unbeaten to the western final in which they

decisively defeated Abbeyside to qualify for a meeting with Gaultier who will have the advantage of tremendous support as they are also playing in the Senior County Final.

Having seen Ardmore in the Western Final, I am satisfied that it will take a great team to beat them, if they play to form. All the western people will be rooting for Ardmore and a win for their club would be a very popular result indeed. Best of luck to them.

U-21 FOOTBALL 'B' FINAL

St. Olivers v Butlerstown/Ballyduff

This tie is scheduled to start off the afternoon programme at Walsh Park on Sunday and it should provide a very entertaining treat for early arrivals. The eastern champions qualified after receiving a couple of walkovers in their division and may not be quite as prepared as the Olivers who are the favourites to win.

FIVE COUNTY FINALS

Very bad weather leading up to Sunday gave doubts about the full programme going ahead especially at Fraher Field where three hurling County Finals were scheduled. Having rained until late on Sunday morning, an inspection of Fraher Field was asked for by the County Board and after chief steward, Greg Fives and County Treasurer, Tony Morrissey walked the pitch at around 10.00 a.m. they were satisfied that the three games would be played.

Mount Sion and Lismore for the first game and Geraldines and Ballygunner for the second were asked not to have a puck-around before their games and not to remain out on the ground at half-time in order to ensure that the pitch would hold out for the third final. All four clubs gave superb co-operation and were afterwards thanked for this.

The crowd of over 2,000 enjoyed all three finals, all of which produced some splendid hurling. The programme for the matches was very helpful in that there were just a few changes in one of the six

teams included. All three finals were very sporting and all in all it was a wonderful afternoon of hurling. By coincidence all the three defeated finalists scored 14 pts. (or 2-8).

The only note of complaint regarding the afternoon programme was the big number of people who were moving along the sideline at the stand side of the ground in the last five minutes of the Intermediate Final. The referee, Michael Wadding found it necessary to move

the spectators back from the sideline during the final three or four minutes. It is a pity to see this happening despite the efforts being made to control activity on the sidelines.

PRESENTATIONS

The presentation of all three cups were joyous affairs but particularly in the case of the Abbeyside victory when Michael Collins responded for the Intermediate champions. The County Chairman rightly complimented everyone who had been responsible for the programme of games and all six teams for three great sporting contests.

JUNIOR HURLING CO. FINAL

Ballygunner Snatch Victory From Geraldines In Closing Minutes

BALLYGUNNER 2-14 GERALDINES 2-8

With only four minutes of normal time remaining in this thrilling junior hurling final, the Geraldines were on level terms with eastern champions Ballygunner and with the title 'up for grabs' at this stage, the contest became fiercely exciting and the cheering of the huge crowd left little doubt but that the majority were 'rooting' for a Geraldines victory.

The six points winning margin was very flattering to Ballygunner as with a bit of luck, things might have gone the other way.

The Western champions, playing their best hurling of the season, were just a point behind at half time after

Paul Foley had goaled for the 'Gunnars in the 20th minute. There was great hurling in the second half as both sides fought to take control of the game and while Ballygunner, whose seniors had won the county final four weeks previously, may have been just a

shade better their lead was a mere two points in the 60th minute.

The referee allowed the game to go into the 6th minute of time added on and it was in the closing minutes that the winners scored the goal and a point to stretch their lead to six points.

PLAY

Paul Foley and Brian Connery exchanged early points and when Pat Donovan and Liam Hartley did likewise the teams were level in the 13th minute. Geraldines went two points ahead with scores by Pat Donovan and Brian Connery before Paul Foley's 20th minute goal put Ballygunner in front. Donncha Tobin brought back a point and Michael Murray made it level pegging in the 28th minute. Paul Foley and Colm Kehoe had points before Michael Murray ended the scoring to leave it at 1-5 to 0-7 at half time.

SECOND HALF

Liam Hartley had a point for the Gunnars and Pat Donovan had one for the Geraldines within another minute. Oliver Murphy and Paul Foley had points but then Donncha Tobin's 40th minute goal brought the teams level. Points by Liam Hartley, Colm Kehoe and Paul Foley stretched the lead to three points again (1-11 to 1-8), but back came the battling Geraldines and after a great move involving a number of players, Noel Downing sent to the net for

a Geraldines goal to level the game again in the 56th minute, but unfortunately the Western champions were not to score again and in the remaining minutes points by Paul Foley (2), A. Cummins (goal) and D. Fitzpatrick left the 'Gunnars with a six points winning margin.

The Geraldines certainly lost no caste in defeat. They put up a tremendous fight against a splendid Ballygunner side, many of whom had played in the senior hurling championships in the past.

Scorers: Ballygunner — P. Foley 1-7, A. Cummins 1-0, L. Hartley 0-3, C. Kehoe 0-3, D. Fitzpatrick 0-1. Geraldines — D. Tobin 1-1, N. Downing 1-0, P. Donovan 0-3, B. Connery 0-2, M. Murray 0-2.

Geraldines — P. Connery (capt.), S. Osborne, M. Kiely, S. Ronan, T. Keane, S. Kiely, L. Maher, B. Connery, N. Downing, M. Murray, B. Ronan, P. Donovan, M. Walsh, M. Ware, D. Tobin. Subs. — N. Scanlon for M. Walsh, E. O'Grady for M. Ware.

Intermediate Football County Final Ends All Square

Ring 3-2 De La Salle 0-11

This game ended in a draw giving football people another chance of enjoying the very satisfying fare produced in this very exciting drawn final at Walsh Park on Saturday. A goal from a penalty kick scored by Carthach Mac Craith enabled the gaeltacht team to go in at half-time with a point lead. The Western champions did miss some very good chances and their scoring record in the game was well below what it should have been as both their points came from frees.

Minor Football 'B' Final

The Nire were marginally the better team in this splendidly contested 'B' Minor County Final. The final score was 0-7 to 0-5 in favour of the western champions, the Nire. We may have more information on the Walsh Park programme on next week.

1997 Munster Championship Draws

All the senior championship draws for hurling and football will be made on television on Sunday night next and with the runners-up in hurling in the Munster and Leinster championships going through to a quarter final meeting with the Connaught or Ulster champions, there is certain to be unusual interest in the programme.

1997 will be an unusual year too, because the national hurling league will commence in March with seven matches being played by June.

Waterford County Council is to call on CIE to make transport available to the people of Knockanore by a once weekly bus to Youghal.

Proposing the motion at last week's meeting of the Council was Cllr. Willie McDonnell who stated that free transport is available for most people in Ireland and a bus from Knockanore to the nearest large town of Youghal would 'mean a lot' to residents in the area, particularly to the elderly and those unable to drive.

His proposal was seconded by Cllr. Jimmy Quirke.
