## Housing Minister On Brief Visit To Dungarvan

Minister for Housing and Urban Renewal, Liz McManus T.D. paid a short visit to Dungarvan last Friday where she was guided by County Manager, Donal Connolly; Town Clerk, Ray Moloney; U.D.C. Chairman, Paddy Power and Council members on an informative tour of various locations around the town.

With the exception of the Park Hotel, the afternoon schedule took the Minister and her entourage off the beaten tourist track to take in such sights as the halting

site at Shandon, the new Respond housing development at Spring Marquis, Childers Estate, construction work at Davitt's Quay and new Council houses at

## Cappoquin Man's Body Recovered From River

Following an exhaustive ten day search, the body of 31 year old James Maher of Allen Street, Cappoquin, was taken from the river Blackwater between Cappoquin and Villierstown last Friday afternoon.

An employee of Cappoquin Chickens, Mr. Maher was a single man and a well known and popular figure in the community.

He was reported missing on Monday, October 21 last when his car was seen

parked for some time at the 'Kitchen Hole', Cappoquin.

Local gardai subsequently conducted a search of the neighbouring woods, the Blackwater and the Finnisk.

They were soon joined by the Garda Underwater Unit, the Civil Defence, local divers, friends and co-workers who patrolled the river on boats.

The severe rain and flooding of the past week however significantly reduced

## KNOW YOUR RIGHTS

**Question:** Who can get a Rent Allowance and how is it calculated?

**Answer:** A Rent Allowance is a means tested Supplement available to those who are in private rented accommodation. It is administered by the Community welfare officers in Health Centres. You will not normally qualify for a Rent Allowance if you are working full-time, in full-time education or involved in a trade dispute (your adult dependent may). Students on Vocational Training Opportunities Scheme or the 3rd Level Allowance Scheme are allowed to retain their Rent Allowance while studying full-time.

In deciding whether or not to pay a Supplement the Community Welfare Officer will take into account a number of factors - The size of your accommodation and of you are over accommodated, whether alternative arrangements can be made. If you have recently moved from your parental home and if so the reason why? If you have moved from less expensive accommodation. If you are sharing the accommodation with other tenants, if you are over accommodated you may be asked to find cheaper accommodation or to sublet. The amount of Rent Allowance you will get will depend on your means. You will be asked to complete a claim form and produce evidence of rent - Rent book, Receipts for Bank Statements. Your landlord may be asked to complete a form stating how much rent you pay (It may also ask for the landlord's registration number with the local authority but as 90% of Landlords have not registered, this is a matter for the local Authority, to deal with and the Community Welfare Officer cannot refuse a Supplement because the Landlord is not registered).

If you are in receipt of Long Term Unemployment Assistance £64.50 for instance, this is £2.10 over the basic Supplementary Welfare Allowance (C.S.A.) which is £62.40 Supplementary Welfare Allowance has £6 towards rent, so you will have £8.10 towards the rent. If the rent is £40 a week, the most you will receive is £40 minus £8.10, or £31.90.

Social welfare has a leaflet SW28 "Do you need help paying your rent or mortgage" and the Irish National Organisation of the Unemployed (INOU) have a booklet "Everything you need to know to get a Supplementary Welfare Allowance."

## Successful Information Evening and Careers Exhibition in Dungarvan

The four Dungarvan second-level schools co-operated to organise two events for senior pupils recently. On Wednesday, October 16, an information evening was held in the Park Hotel for Leaving Cert pupils and their parents. The session was chaired by Mary Dorgan, Regional Manager of FAS. Martina Mannion, Guidance Counsellor in the Mercy Secondary School in Waterford spoke on getting the most out of Leaving Cert year. John Cunningham of Ard Scoil na nDeise led people through the intricacies of the CAO/CAS system. Sr. Paula, also of Ard Scoil na nDeise gave an account of Post Leaving Cert available to school leavers. Anne Prendergast from the Ursuline Secondary School in Waterford dealt with applications for 3rd Level courses in the UK.

On the following day a Careers' Exhibition was held in the Sports Centre for senior pupils of the second level schools of Dungarvan and neighbouring towns. There were 28 stands representing 3rd level colleges, Post Leaving Cert courses, FAS, the Gardai, Army, etc. In all, over 1,000 students passed through the exhibition on the day.

The exhibition was offi-

cially opened by Paddy Power, Chairman of Dungarvan UPC, who encouraged the students for whom the exhibition was organised to make the most of their visit. He also commented on how happy he was to see the four second level schools of the town co-operating in the venture. He also paid tribute to the sponsors of the events — Co. Waterford VEC and the Waterford Development Partnership.

## Rural Electrification 1946-1996

# ESB CELEBRATES GOLDEN JUBILEE OF THE 'QUIET REVOLUTION'

When the ESB was established in 1927, it was given the task of bringing electric power to the Irish people. Now, 69 years later, the ESB supplies electricity to 1.3 million customers.

It must be remembered that during the first 20 years of the ESB's existence, electricity supply was only available in the cities and towns. There was no electricity supply available in rural areas, except for

some individuals who had private generating facilities.

The absence of a generally available electricity supply severely restricted growth in the rural economy where the way of life had changed very little for generations. Farming for most was of a subsistence nature and there was little in the way of industry. Tourism was undeveloped, emigration sapped the life-blood of the community and, in the home, many of the basics that were beginning to be taken for granted among town dwellers, such as running water, refrigerators, an electric iron or kettle etc., were simply not available.

### GREATEST SOCIAL REVOLUTION

In 1941 at the request of the Government, the ESB began a special study of the problem of extending electricity supply to reach the farming community. In 1944 they were asked to proceed with plans for widespread rural electrification over a ten year period to begin when the necessary legislation was enacted. The Board was authorised to spend up to £5 million on bringing supply to rural areas.

When the war ended in 1945 the basic organisation for carrying out the Rural Electrification programme was established. It was decided to carry out this ambitious scheme by developing areas of about 25 square miles at a time - one in each county. Many people will remember the demonstration units which visited these areas prior to "switch-on" to show farmers how electricity could benefit them.

The job of supplying rural areas was enormous in terms of manpower and other resources. By the end of 1949, almost 10,000 new rural customers were connected to the ESB network. This was to be the beginning of what has been described as the 'greatest social revolution in the country'.

Ballyduff was one of the first rural areas in the country to be connected up to the electrification scheme.

On 1st March 1952, the Ballinamult Creamery of the Knockmeal Cooperative Society became the hundred thousandth rural customer while Ballyduff was lit up on 20th August 1948.

the official switch on of electricity in Ardmore, Old Parish, Ring, Grange and Kinsalebeg. Electricity was already available in Dungarvan since August 21st 1921, supplied by the local Dungarvan Electric Light Company, who were based near St. John's Castle.

Local workers employed with the ESB who played a major part in the Rural Electrification Scheme were Christy Coleman, Monny Coleman, Nicky Cleary, Jim Patterson, John Feeney, Mick Higgins, Joe Devine, John Dumphy, John O'Leary, Andrew Wright, Michael Fleming, Thomas Kiely, Matty Power, Sean Power and Jack Douris.

Many people will remember the late Monny Coleman who held a longstanding record of 52 years service with the electricity industry up to his retirement in 1975. Monny often had to cycle from Dungarvan to Lismore, Cappoquin and Tallow with all his rolls of cable, wire and materials across the bicycle to wire the houses of these towns.

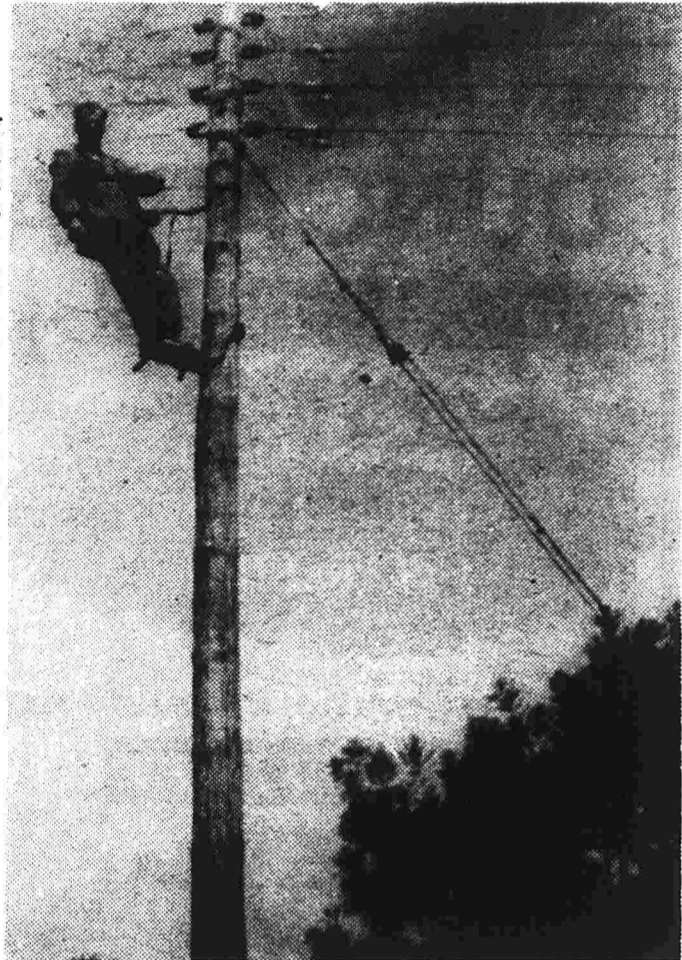

### A TIME OF INNOVATION

Amongst the rural population, it was found that the replacement of old methods of lighting was the main reason for installing electricity. People tended to restrict their use of supply in the early stages but gradually extended it to out-offices and farmyard lighting.

The labour saving value of appliances such as kettles, irons, cookers in the house and grinders on the farm, were quickly appreciated. The iron was without doubt the most popular item. This was a time of innovation - many farmers probably remember making an electrically heated chicken brooder on the basis of specifications supplied by the Board.

In these early days of rural electrification rural consumers read their own electricity meters and posted the readings to the ESB. This helped to keep down the cost of providing what was for the Board an expensive service.

However, with the more widespread use of electricity by the rural consumers the price per unit fell from 3.38 old pence in 1951 to 2.92 pence in 1952.

Pictured above is John Feeney who worked for the Ballyduff Rural ESB, seen connecting the wires to one of the new wooden poles in 1948

### FROM KETTLES & IRONS TO PUMPS

By the end of 1954, more than 100,000 rural consumers were supplied with electricity. Bringing supply to these consumers involved the erection of over 300,000 poles and 16,000 miles of power lines.

The changes which this supply brought to people's lives are evident from figures from 1954. Three quarters of rural consumers had mains radios, two thirds had electric irons and almost half had electric kettles. About one in ten farms used infra red lamps, water pumps and pulpers. Milling machines and grain grinders were also becoming popular. The problems of persuading people in rural areas to take supply, (which were considerable in the early stages of the Rural Scheme), had all but disappeared when the advantages of an electricity supply became well known. Indeed, by

the early 60's most of the rural areas throughout the country were provided with electricity.

Work on the Rural Electrification Scheme continued up to the late 1970's bringing supply to even the most

### BENEFITS AND OPPORTUNITIES

The arrival of electricity in rural areas was a cause of great celebration at the time. Of greater significance however were the benefits and opportunities which followed on from its availability.

Perhaps the most significant of these at the time was the development of piped water in rural areas which was never possible without access to electric water pumps. Many rural dwellers will remember with excitement the first supply of piped water which eliminated the drudgery associated with carrying water from the well.

The widespread availability of electric power also laid the foundations for future industrial development. As the supply was extended throughout the country, it enabled industry to come to the small centres of population and helped to stem the tide of emigration. The local forge was converted to a workshop with the aid of electricity. The workshop grew into a small engineering industry which employed more people.

None of these developments would have been possible without a secure and reliable electricity supply.

## ESB SHORT STORY COMPETITION

The rural electrification scheme which started in 1946 and was completed over a period of 30 years has been described as the greatest social revolution in Ireland since the Land Reforms of the 1880s and 1890s.

The coming of electricity to rural Ireland brought about fundamental changes in the lives of people and opened up opportunities for rural development. As part of the programme to commemorate this great event, ESB are inviting entries for a Short Story Competition on the broad theme of Rural Electrification and its effects on rural life in Ireland.

### ENTRANTS

Entrants must be over 18 years of age at the time of entry, must not have earned an aggregate of more than £10,000 from their writing during the last ten years. Employees of ESB are not eligible to enter. Entries must be the original and unpublished work of the entrant which has not been submitted for publication or for any other competition or award.

### PRESENTATION OF MANUSCRIPTS

Entries must be between 1,600 and 1,800 words, typed on single sides of A4 paper and fronted by a title sheet stating entrants name and address. A completed entry form must be attached to each entry.

# UNDERWATER HANKY NEVER GETS WET!

Put your handkerchief under water and it will get wet. Or will it? Not necessarily. Here's a trick that your friends won't believe possible, says Derek Hall in his book *How To Make A Rainbow* (Hamlyn).

Push your hankie firmly into the bottom of a glass so it takes up as little space as possible.

Turn the glass upside down and put in a bowl of water, keeping it as straight as you can. The water will rise only a little way up because the air inside the glass holds it down. Your hankie will stay dry.

Here's another amazing water trick — performing moth balls.

Fill a glass nearly full of water. Add a tablespoon of baking soda and stir until dissolved. Put a tablespoon of vinegar into water.

Drop three moth balls into the solution, watch what happens. Bubbles of gas form on the moth balls and they will float to the surface.

Some bubbles will float to the sur-

face and some will burst into the air. Then the moth ball to which they were attached will slowly sink. More bubbles will form on the moth ball and it will rise again then fall.

This is because the mixture of vinegar and baking soda forms carbon dioxide gas. Bubbles stick to the rough moth ball surface and act as floats.

With water you can make your own stalactites and stalagmites, which are the beautiful formations found in limestone caves.

Place a tall jar on either side of a cardboard box (an old shoe box will do).

Tie four pieces of string to two nails, making sure strings are long enough to reach from the bottom of one jar, over top of box, to the bottom of the

other jar.

Dissolve as much Epsom salts as you can in water (enough to fill the two jars). When no more salt will dissolve it will settle on the bottom.

Fill each jar with solution and place a nail in each with strings draped over top of box. Soon the solution will start to creep up the strings.

As the water evaporates from box and string, the salt left will slowly make stalactites hanging from the string and stalagmites grow up from the bottom of the box.

## A PAW DEAL

Everybody has heard of boxing kangaroos, but 38-year-old housewife Ottilie Rheins from Bergneustadt, Germany, claims to have trained hers to play cards.

Punkchen not only plays a mean game of poker, but can also whistle. "She even seems to know the value of each card," says Ottilie. "We started as a joke, but she really can play and thoroughly enjoys it. "The only trouble is she sometimes eats the cards as well!"

### Why Does Wood Rot?

Wood decays or rots because it is an organic substance which means it is a living thing made up of little box-like units called cells. Like all living cells - these die. Two of the most common causes of decay are attacks from insects and the growth of fungi.

In leaves or flowers the cells are usually square or round in outline. In timber or wood they are usually long and narrow because they have to serve as tubes for carrying sap from the roots up to the tree trunk. The cell walls are strong and fibrous because they have to support the weight of the leaves and branches of the tree. They connect to make the strong and pliable substance known as wood. The cells don't carry sap for the lifetime of the tree, because the trunk and boughs grow bigger and soon contain more cells than are needed or required. As a result the inner part of the trunk and branches stop carrying sap, and the cells fill up, over time, with gums and resins which make them harder, stronger and better able to fight off decay and rot.

When the wood is cut or sawed the cells are full of watery sap. This timber is left stacked outside for several months, or in a special drying-room, called a kiln, for several days. It is then "seasoned" and can be used.

### Why do Butterflies rest in the sun?

During the summer, you will sometimes see a butterfly sitting on a leaf or a twig with its wings spread out. It does this to heat the blood in its wings and raise the temperature of its body. If a butterfly is not warm enough, it will not be able to fly. The heat from the sun provides the energy that the butterfly needs to fly from flower to flower in search of nectar. The butterfly needs nectar for energy.

### How does a homing pigeon find its way home without using a map?

The type of pigeon that we see in our towns can be trained to find its way home if it has been given special training while still young. These type of pigeons are called homing pigeons. Homing pigeons live in big wire cages outside. There, their owner gives them food and water and, after a while, they realise that the cage is their home. Then the pigeons are taken some distance from where they live and are let go. The pigeons can tell from the position of the sun or stars, the countryside and the direction of the wind how to find their way home. It has also been said that there is a compass in a pigeon's brain that can tell the direction in which to fly when going home.

## TAXI DRIVER HAILED A HEROINE

A taxi driver is being hailed a heroine after transporting an unconscious two year old boy to the Regional Hospital, Waterford, with his mother fearing for her son's life during a traumatic journey. Breda Kennedy phoned for an ambulance when her son Jamie began to vomit blood. Instead of an ambulance a taxi turned up at her home at Highfield Grove, Clonmel. The child kept getting up huge amounts of blood in the taxi, and at Kilsheelan the boy lost consciousness. From Clonmel to Kilsheelan, the taxi driver Joan Lonergan, Upper Irishtown, Clonmel and formerly Hallinan of Knockragha, Ballymacarbry was in constant contact with the ambulance control centre at St. Joseph's Hospital, Clonmel, pleading for an ambulance and a medical back-up. The mother said she thought her child was going to die, the taxi driver was brilliant. The taxi driver decided in Kilsheelan to take the back road to Waterford to avoid children coming out of school in Piltown, Fiddown and Mooncoin and to avoid the Bridge in Waterford being open. When they got to the Regional Hospital, Waterford, the doctors could not believe that the child came by taxi, he did not have oxygen or any other medical facilities. We salute this lady driver, she saved this boy's life.

## CRIMINAL JUSTICE A QUESTION OF BALANCE

United Farmers Association proposes that the traditional policing policy used in rural Ireland be maintained for the following reasons. The system of having a local Garda Barracks staffed by a Sergeant and a number of Gardai worked very well in crime prevention and detection and should not now be discarded. Under this system, the local gardai knew everybody in their area and know almost everything that normally happened in an area. Therefore Gardai were in a great position to spot any strange people or unusual activity in their area and to take immediate action to detect or deter crime. If a member of the community had any fear or reason to believe that a crime was contemplated the matter could be raised in a confidential chat with a personally known garda and very often serious crimes were nipped in the bud in this manner.

Most people do not like talking into machines mounted on a barrack wall, if they wish to seek advice or assistance, or if they wish to make a complaint or report a crime. The idea of having squad cars from towns and cities making the occasional foray into the countryside is not adequate policing and is not acceptable to rural dwellers. This system means that the gardai do not know the people or the area properly and consequently are not in a position to be fully effective in detection and prevention of crime. Very often criminals will have long flown when the squad car arrives. When there is not a constant local garda presence, criminals can establish soft targets living very often alone in remote areas and move in for the kill when the time is right.

Among the recent spate of murders, robbery with violence and some times torture, there are classic examples of serious crime that could have been detected or deterred by local gardai. Our elderly, isolated and vulnerable people are entitled to the protection and comfort of local gardai.

## RECENT DEATHS

### Late Mrs. Bridget Usser

It is with deep and sincere regret we record the death which occurred suddenly on Thursday, October 24 of Mrs. Bridget (Biddy) Usser (nee Sullivan), Southampton, England and late of Kilsheelan, Clonmel.

Deceased, in her seventy seventh year, was a member of an old and respected Kilsheelan family with many Nire Valley connections. She was sister of the late Mrs. Peggy Wall and the late Michael Sullivan, Knockaun and she was aunt of Mary Walsh, St. Martin's Place, Ballymacarbry and Thomas Wall, Knockaun.

The interment took place in Southampton on Friday. Sympathy is extended to her brother Jim, Kilsheelan, her sister Phyllis Hackett, Marfield and her family in England.

Solas na soilse da na hanam.

### Late Miss Mary Norris

Profound and sincere feelings of regret were widely expressed at the news of the death which occurred after a long illness borne with true Christian fortitude at the Padre Pio Nursing Home, Holy Cross, Thurles on Monday 28th October of Miss Mary Norris, Whitesport, Kilmanahan. Deceased, in her eighty-third year was the last member of an old and respected family, the Norris's of Whitesport.

A very estimable lady who was most charitably disposed her outgoing sincere mature, courtesy and a great depth of human kindness marked her out as a true Christian. She was a deeply religious lady and rarely missed a function at St. Laurence's Church, Fourmilewater. Mary possessed a most charitable outlook on life and was an excellent neighbour and her demise is deeply and justifiably mourned.

The measure of the esteem and high regard in which the deceased was held was clearly evidenced by the large concourse of mourners who were present on Tuesday evening when her remains were removed from Fennessy's Funeral Home, Clonmel to Saint Laurence's Parish Church, Fourmilewater where they were blessed and received by Rev. Fr. Edmund Tobin, P.P., Fourmilewater/Newcastle.

On Wednesday morning, the Feast of Saint Marcellus (Martyr), Requiem Mass was celebrated for the repose of her gentle soul, the celebrant was Rev. Fr. Edmund Tobin, P.P., Fourmilewater/Newcastle. After Mass she was laid to rest in the family plot in the adjoining cemetery. Fr. Tobin, P.P. officiated at the graveside in the presence of a large gathering of mourners paying their respects to a dear friend whose memory they will cherish. To her relatives we extend our sympathy.

### Late Mrs. Mary O'Hickey

The district learned with regret the news of the death which occurred after a long

illness borne with true Christian fortitude at Brambley Private Nursing Home, Cahir on Tuesday 29th October of Mrs. Mary (Minnie) O'Hickey (nee Halpin), Glen Patrick, Kilsheelan. Deceased was a member of an old and respected County Waterford family. Some months ago she had celebrated her 90th birthday. A lady of outstanding qualities she possessed a wonderful warm personality and made friends with ease. All callers to her home were made to feel truly welcome, as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easygoing nature. She was a loving wife and mother, a lover of music and dance and it was at many the function that herself and her husband took the floor. Her passing even at a fine old age will be mourned by her husband Philly, her family, neighbours and her many friends.

Many tributes have been paid to this grand old lady but perhaps the finest was paid to her on Thursday evening when all walks of life were present in the large congregation of mourners who were present when her remains were removed from Condon's Funeral Parlour, Clonmel to the Parish Church of The Sacred Heart, Rathgormack.

On Friday morning, the Feast of All Saints, Requiem Mass was celebrated for the repose of her gentle soul. After Mass she was laid the rest in the adjoining cemetery in the presence of a large gathering of mourners who were present to pay their respects to a fine lady whose memory they will cherish.

To her husband and sons and her many relatives we extend our sympathy. Ar dheis De go raibh a hanam. (Undertakers, Condon's, Clonmel).

### Late Mr. Michael Harney

The district learned with regret the news of the sudden death of Mr. Michael Harney, Knocknaree, Ballymacarbry, which sad event took place in America where he was domiciled for over forty-eight years.

Deceased, in his sixth-eighth year was a member of an old and respected family of the Nire Valley, the Harney's of Knocknaree. He was brother of Mrs. Mary Haugh, Nenagh and of Mr. John (Jackie) Harney to whom we extend our sympathy, also to his wife and family. The interment took place in America.

## Gala Book Launch For St. Laurence's This Friday

What promises to be a gala and nostalgic occasion takes place next Friday night in St. Laurence's Hall, Ballinroad, when the local community celebrate the fortieth birthday of the founding of the Hall.

The celebrations will commence in St. Laurence's Parish Church, Ballinroad with a special Mass of Thanksgiving at which the chief celebrant will be Very Rev. R. Doherty P.P., assisted by Rev. P. Ahearne, C.C., President of the Hall Committee with Rev. Michael Walsh, Tallow, Rev. Paul Murphy, Vice-President, St. John's College and Rev. Nicholas O'Mahoney P.P., Clogheen, all past Presidents of the Hall Committee.

Later in the Parish Hall, nearly two hundred parishioners and guests will assemble for a social evening, the highlight of which will be the launch of a book commemorating forty years of the hall and detailing some of the events which took place there.

The book has been compiled by local author Tom Keith, who has recorded a wealth of material in the 350 page volume. In that task he has been assisted by a special sub committee of the Hall consisting of Fr. P. Ahearne, President, Michael

Fraher, Chairman and Moll Shields, Secretary. The book contains over two hundred pages of text filled with history, anecdotes and humorous recollections of some of the people who played key roles in the building and administration of the Hall over the last forty years. It is supplemented by over two hundred photographs spanning activities in or around the Hall since 1956.

Hall President, Fr. Ahearne is very pleased with the finished work and thinks it a fitting tribute to the contribution of generations, not only on behalf of the Hall, but also in the various social and sporting organisations whose histories are recorded between the covers of the handsome volume.

In the book's foreward, author Tom Keith says that: "It has been a particular pleasure to research and write this book about the affairs of St. Laurence's Hall. Because of the diverse nature of its constituent clubs and associations, the book is

events and happenings in the rural part of the Parish, than just a record of the events held, and decisions taken, within the walls of the Parish Hall."

This is Tom Keith's second book this year, having published an extensive history of the Christian Brothers in Dungarvan last May.

It promises to be a gala oc-

casion. Tickets for the launch have been sold out for almost three weeks now and the lucky two hundred have a special occasion to which to look forward.

People are welcome to come to the Ceili afterwards from 10 p.m. and the book will also be on sale at the three churches in the parish on Sunday next.

# RECENT DEATHS

## Mr. Fintan Condon

We write with deep sympathy on the unexpected passing of ever-popular Mr. Fintan Condon, 72, Murphy Place, Abbeyside, on Sunday morning, October 27. A native of 'The Village,' Fintan was Abbeyside through and through. He loved every blade of grass, grain of sand and pebble or stone that made up his beloved Dún na Mainistreach.

All his life he was a valued employee with Waterford Foods until his retirement in 1992. A man who loved the simple things of life, Fintan's passing has made us all the poorer as in truth he was one of nature's gentlemen.

Very much an outdoor person, he took a deep interest in the bird life that inhabit the sea shore at Abbeyside and he loved to walk and cycle. The company of his friends at Alice O'Connor's he greatly appreciated; a keen GAA man, he followed Abbeyside/Ballinacourty fortunes with keen interest. In his younger days he enjoyed scouting with the 4th Waterford Troop.

We tender our deepest sympathy to his sister Bernice (Bournemouth) and aunt Mrs. Kitty Lowe and a wide circle of cousins including the Whelan, Gibbs, Curran and Cooney families.

It was a wet and windy Monday evening when Fintan's remains were brought from the Kiely Funeral Home to Abbeyside Church where Very Rev. R. Doherty, P.P., assisted by Rev. P. Ahearne, C.C., celebrated the funeral liturgy.

Requiem Mass was offered on Tuesday morning for the happy repose of his soul, after which Fintan's remains were brought via Murphy Place to St. Mary's Parish Church Cemetery for interment. Over the past number of years the Whelan family has suffered many bereavements, some in close proximity to one another, and this necessitated Fintan resting with his grandparents in St. Mary's.

The Lessons at Fintan's Mass were read by Joan Whelan and Bunny Gibbs. Friends from Alice O'Connor's were pall bearers.

Fintan Condon, son of the

Village, we're glad you passed this way.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mrs. Margaret Lenane (née Dunne)

It was on Saturday morning that the Grange/Ardmore parish awoke to the sad news of the passing of Margaret Lenane, Cush, Grange, which occurred at the Mercy Hospital, Cork. She was predeceased by her brother Jack last year, by her husband Edmond a dozen years ago and by her son Paddy Joe whose passing was mourned some thirty-four years ago.

A native of Ballyguiry, Margaret was aged 92 years and enjoyed immense popularity in the area. She was held in the highest esteem by all who had the pleasure of her acquaintance. Active in the very recent past, she loved her bingo at the Sports Centre, Dungarvan and her shopping trips to town.

All her life she was a hard working, industrious person who gave of her very best. Her housework she accomplished with the minimum of fuss, she enjoyed the cooking and indeed ran her turkey station in a most professional manner. Times in the past were hard and Margaret rose to the challenge and did her best for her family. Talking to her immediate family, it is very obvious to all the appreciation, gratitude and affection that Margaret enjoyed with her very own. Despite her years, Margaret travelled to Boston on four occasions since 1976.

A deeply religious person, Margaret loved her God and Church and how fitting that daughter Maudie is the sacristan at Grange Church. Margaret may have taken her leave but her influence will continue to live on and indeed flourish as people such as Margaret Lenane are special.

May I extend my sympathy to her son, daughters, sisters, brother and other relatives on their loss.

On Saturday evening following Rosary and prayers recited by Very Rev. Canon O'Connor, P.P., and Bro.

Patrick (Dom), Argentina (nephew), the removal took place to Grange Church prior to Saturday Vigil Mass. Grandchildren John Burke and Gail Lenane read the lessons.

On Sunday morning Canon O'Connor was celebrant at the Requiem Mass for Margaret. Siobhán Aherne (granddaughter) and Claire Costigan (greatgranddaughter) shared the liturgy of the word with the huge gathering who had come to bid farewell to this loved member of the community. The Offertory Gifts were brought to the altar by Willie, Peggie, Maudie, Alice (family), Michael and Elaine O'Brien and friends provided the musical tributes. Grandsons Tomás and Niall O'Brien were altar boys.

Margaret Lenane was renowned for her love of gardening and flowers in general. She was a holder of the Lucy Franks Trophy on two occasions for her gardening feats, so how appropriate then that the altar in Grange church for Margaret's funeral was beautifully adorned with such a variety of flora. Breda O'Brien tended tastefully to such matters.

Canon O'Connor imparted the final blessing at the graveside, after which Margaret Lenane was laid to rest.

Chief mourners — Willie (Cork) (son), Peggy (Ardmore), Maudie (Grange) and Alice (Boston) (daughters), Nora (daughter-in-law), Jack Burke, Tom Aherne and Neil O'Connor (sons-in-law), Biddy, Hannah and Mary (sisters), Jim (brother), and a wide circle of nephews, nieces, grandchildren and greatgrandchildren that now reside in Grange, Maryland, Boston, San Francisco and London.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Simon O'Brien

With deep regret we record the passing of Mr. Simon O'Brien, Ballyduff, which occurred at Waterford Regional Hospital, on Monday, October 28 after a dura-

tion of illness. In the past, Simon was hospitalised in the Mercy Hospital, Cork, St. James's Dublin and Waterford Regional.

An employee with Waterford Co-op, Simon was a great favourite with colleagues and management alike. An exemplary worker, he carried out his duties with vision and in a most responsible way. His retirement in 1982 was felt by everybody as all were enriched by Simon's presence at the creamery.

A quiet man, Simon lived for his wife and family. A man of action, Simon tended to the everyday chores of a householder with relish, his gardens and the appearance of his home have all been touched by the master. It is almost half a century since Simon took up residence in Ballyduff.

An avid reader, he was deeply interested in history and read extensively re modern day international matters. He also possessed the Midas touch with car maintenance. He loved his God and looked forward to the visits of Very Rev. Fr. Power, P.P. to his home.

We offer our deepest sympathy to his wife Eily, family and relatives on their loss.

On Tuesday evening following rosary and prayers at the Kiely Funeral Home recited by Rev. C. Kelly, C.C., the removal took place via Ballyduff to Ballinameela Church. The cortege paused for a moment or two outside Simon's residence in prayerful tribute. A huge concourse of mourners was present at Ballinameela for the funeral liturgy. The numbers in attendance which included Fr. C. Kelly and Fr. G. Desmond, C.C., spoke volumes for Simon's popularity.

Concelebrated Mass was offered on Wednesday morning. Fr. Kelly was chief celebrant while Very Rev. M. J. Ryan, P.P. and Very Rev. C. Daly, P.P., co-celebrated. Also in the large attendance were Very Rev. F. Lucey, P.P. and Rev. G. Desmond, C.C. Daughter Bernadette and granddaughter Anne Marie shared the Liturgy of the Word. It was shortly after midday when Simon O'Brien, husband, father, relative and friend, was laid to rest.

Chief mourners — Eily (wife), Luke (son), Mary, Bernadette and Margaret (daughters), Lolo (sister), Michael Hickey and Joe O'Riordan (sons-in-law), Mary (daughter-in-law), Valerie (niece), Vincent (nephew), and Simon's grandchildren who all meant to much to him and other relatives and many friends.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Jack McGrath

News of the death of Mr. Jack McGrath, The Alcove, 27, Mary Street, Dungarvan, which occurred on Saturday, October 26, was received in Dungarvan and its environs with feelings of profound sorrow and regret.

Jack was a builder by trade and he worked in maintenance with Waterford Co-op until his retirement. Although living in Dungarvan, Jack was a Brickey man to his fingertips and his love for the GAA and the trojan work he did for the Brickey Rangers Club was well noted.

Jack loved the game of football and took great pride over the years in the achievements of the Brickeys. Not content to sit back, Jack worked tirelessly to ensure the success of the club and he was one of the main driving forces behind the development at Bushy Park, something which now stands as a fitting tribute to his memory.

As a person, Jack possessed a most likeable personality and he was held in the highest regard by all who came to know him. As a neighbour he had few equals and was always ready to help those who were in need of assistance.

Jack was a great family man who worked hard for his wife and family. A devoted husband and father, he will be sadly missed by Máiread and all the family, to whom we extend deep and sincere sympathy on their sad loss.

Removal was from Drohan's Funeral Home on Saturday evening to St. Mary's Parish Church, Dungarvan, where the remains were received and blessed on arrival by Fr. Griffin, P.P., Fr. McNamara, C.C., Fr. Kelly, C.C., Fr. Ahearne, C.C., Fr. Moylan, O.S.A., Fr. O'Sullivan and Mons. Lannen.

Con-celebrated Mass was celebrated on Sunday morning by Fr. Ahearne, Fr. Griffin and Fr. Ryan, P.P., assisted by Fr. Lucy, P.P., Fr. Desmond, C.C., Fr. Moran, O.S.A. Fr. Kelly, Fr. Walsh, O.S.A. The responsorial psalm was read by Jean McGrath (granddaughter). The readings were given by his son Johnny and Michael Quilty and appropriate hymns were sung by Jim Keohan.

Burial took place afterwards in the adjoining cemetery with the same clergy in attendance.

Chief mourners were — Máiread (wife), Jim, Jerry, Johnny and Albert (sons), Kay and Joanne (daughters), Joe (brother), Alice (mother-in-law), brother-in-law, sisters-in-law, sons-in-law, daughters-in-law, niece grandchildren, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Mr. John Murphy

With regret we record the death of Mr. John Murphy, Bleach, Villierstown, Cappoquin, which sad event occurred on Friday, October 25. A native of Aghlish, he was a fisherman by trade and he also did some gardening. He had retired a few years ago.

One of nature's gentlemen, John was a great neighbour and friend who was always ready to help those in need.

He will be sadly missed by all but more especially by his brother and other relatives, to whom we extend our deep sympathy.

Following rosary recited by Fr. Lucey, P.P., removal was from Drohan's Funeral Home on Saturday evening to Aghlish Church where the remains were received and blessed on arrival by Fr. Lucey. Following funeral Mass on Sunday morning, celebrated by Fr. Lucey, burial took place in the adjoining cemetery. Fr. Lucey officiated at the graveside, assisted by Fr. Desmond, C.C. The readings during the Mass were given by Eileen and Marie.

The chief mourners were his brother Richard, cousins, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Mr. Liam Murray

With sadness we record the passing of Mr. Liam Murray, Ballyguiry, Dungarvan, which sad event occurred on Friday, May 1. Removal was from his residence on Saturday afternoon to St. Mary's Parish Church, Dungarvan. Following funeral Mass on Sunday, burial took place in the adjoining cemetery.

To his sons Frank, Pat and Conor and relatives we extend our deepest sympathy.

# Local TnaG Launch A Huge Success

Above members of Dungarvan Branch of Conradh na Gaeilge celebrating oscailt Telefis na Gaeilge at Ostan na Pairce. Cutting the cake is Noirn Uí Chlonaola, cathaoirleach. (Photo Ruairi Wyley).

The local launch of the long awaited Irish language television channel - Teilifis na Gaeilge took place in the Park Hotel last Thursday night where a huge crowd gathered to witness the historic occasion.

For the Gaeltacht area of An Rinn the event held special significance and many gathered at Tig an Cheoil for a night of caint, craic agus ceol.

### LOCALLY MADE PROGRAMMES

TnaG's arrival heralds the creation of hundreds of new jobs, opening up substantial opportunities for Irish independent programme makers. Most of the programming investment of £9m is being directed to the regions, including Gaeltacht areas,

giving further impetus to the audio-visual sectors there.

Ring television company Nemeton is set to benefit substantially from Ireland's third T.V. station particularly in the area of sports news. Founded in 1993 by local journalist Irial Mac Murchú, Nemeton now employs five full-time and as many more part-time people.

Last Monday night saw the first in the Nemeton made weekly series of "Olé Olé" which brought viewers all the action, passion and drama from Spanish Premier Division Football. Local man, Micheál O Domhnaill from Ring presented the show while Corkman, Brian Tyers provided the commentary.

In this, the first week of

TnaG's transmission, Nemeton will have three programmes shown on the new channel. These are "Olé Olé", "Ard San Aer" and "Dhá Chamán". Many readers will remember the excitement and interest generated by the filming of "Ard San Aer" in Dungarvan Sports Centre. In this sporting programme, two well known guests will drop in each week to take a look back at their favourite sporting memories.

The archive material, drawn from a very wide range of sports, is run in its original language. The series is hosted by popular T.V. personality Cynthia Ní Mhurchú and will run for 15 weeks beginning tomorrow night (Thursday), November

7th. Meanwhile the third programme made by Nemeton, "Dhá Chamán" is a two part documentary which takes a look at the common history and shared similarities of hurling and shinty.

Nemeton has already televised several scenes in the Waterford Gaeltacht such as "Dhá Chamán" and a number of county finals. With over one million Irish speakers in the country, it has long been recognised that an Irish T.V. station would be of great benefit to them and to many new learners of the language. It is a service open to everyone with all recorded programming being subtitled in English so bain usáid as do chúpla focal Gaeilge and tune into Teilifis na Gaeilge.

## Modeligo Notes

### LOTTO

Numbers drawn were 2, 8, 20. As we had no winner the jackpot on Saturday is £300. The odds are better for winning this jackpot than the lottery so it's worth investing a pound. You never know the next jackpot winner could be you !!

The £10 winners were Cormac O'Grady, Dungarvan; Mrs. Carmel Dalton, Graiguemore; Pat Collins, Clashmore; Joe Cashman, Modeligo; Pat Nugent, Castle Farm.

### SYMPATHY

We extend heartfelt and sincere sympathy to Mrs. B. Walsh and family, Coolnasmear, Dungarvan on the passing of James Walsh last week. May he rest in peace.

### NEIGHBOURHOOD WATCH

With winter just approaching, just a little reminder to keep a friendly watch over your area. Particularly be aware of elderly neighbours who may require an extra hand preparing for the long nights ahead. Ensure that they have plenty firing and means to get shopping brought home. It's nice to keep a friendly eye on each other.

### BADMINTON CLUB NEWS

A mixed bag of results last week. Our second ladies team of Carmel Buckley, Deirdre Hennessey, Patricia O'Donovan and Noreen O'Brien had a runaway victory over Dunmore. This team is going from strength to strength and proving a well balanced side eager to make it to the final. Their second encounter with Touraneena takes place on Thursday night and let's hope things keep improving for our girls.

The first ladies team had a convincing win over Touraneena 4 last week. No surprises in this match and the result will stand to our ladies. They played at home to Dunmore on Monday, November 4th and their next match is away to Touraneena 3 on Wednesday week. Both first and second mens teams drew with their opponents over the Hallowe'en weekend. Team 1 were at home to Tourin and did extremely well to get a draw off this experienced Tourin side. They played away to De La Salle on Tuesday night, November 5th.

Team 2 of Sid Power, John Hourigan, Tom Kiely and Kenneth Reddy had another exciting match against Dungarvan and were happy to gain two points from the scoresheet. They played away to Tourin on Tuesday night also. Their next match is at home to Holy Cross and should give a good verdict after Modeligo 1 secured four points in their away match at the start of the league.

Team 3 continue to give great spectator entertainment and are improving gradually with each match. Unfortunately Old Parish didn't concede any points to them last week. They played at home on Tuesday, November 5th to Dunmore. Every success to them !! Beginners are welcome to come along any night and try out our hospitality. You will enjoy the experience !!

### CÉILÍ CLUB NEWS

An E.G.M. of the Céilí Club will be held on November 13th. If our club is to continue as successful as it has been, your support is greatly needed. Meeting will be held in the Hall at 7.30 p.m.

## Letter To The Editor

Editor,  
Dungarvan Leader

### Confusion About Edmund Rice Mass

Dear Sir,  
I write to you with a sense of anger and disappointment with the organisers of the recent Mass in Dungarvan to celebrate the Beatification of Blessed Edmund Rice.

In the 'Dungarvan Leader' dated Oct. 18th, there were two conflicting advertisements for the Mass which was to be held in St. Mary's Parish Church on Oct. 24 at 10.30 a.m. This Mass was open to pupils, ex-pupils, their families, teachers, ex-teachers, etc.

However, the following week, an advertisement stated that the Mass was to be held in the C.B.S. at 10.30 a.m. for the pupils and their parents. After making a number of enquiries, I failed to find out where the Mass was actually being held.

As a past pupil of the Christian Brothers and a priest of this diocese, I never got to attend the Mass on Oct. 24th.

I suggest that the organising committee or the P.R.O. take a good look at their organising skills, so that in future, on such an historic occasion, people may not be as confused and angered as I was.

Yours sincerely,

Fr. Richard Geoghegan C.C.,

Mahon Bridge,  
Kilmacthomas,  
Co. Waterford.

## Safety on the Roads

The National Safety Council of Ireland, through Waterford County Council, offer the following winter safety advice on the roads—

★ Do not make the journey if roads are icy unless it is essential. Clean all vehicle windows and mirrors of frost/condensation before departure.

★ Check your tyres to ensure minimum tread depth of 1.6mm and ensure correct tyre pressures.

★ Your use of speed must take into account your capability and road and weather conditions.

★ Dipped headlights should be used when travelling in fog and at all times of poor visibility.

★ Always keep a safe distance from the car in front.

★ Do not drink and drive — alcohol does affect your driving.

★ Never allow children to use the front seat of your car — put them in the back and fit the proper child safety seats.

★ Keep your car roadworthy — have your brakes, steering, lights, tyres, etc. checked.

★ Drive with care and caution — expect the unexpected.

★ If jogging, walking or cycling at nighttime wear bright clothes and reflective arm and body bands.

★ Always switch on your front and rear lights when cycling at night.

★ When cycling always wear an approved cycle helmet.

# Lismore Notes

## LISMORE CANAL

Looking back on the report of the Tidy Towns for last summer one area that can be improved is the Canal. We wrote on this many times, the last time about 18 months ago. We did some research into the history of the canal over 2 years ago and it makes fascinating reading especially for anyone interested in the history of the town.

The canal in Lismore was commenced in 1800 and opened around 1814. The full length of the canal is one mile and a third and the approx. width is 10 1/2 ft.

The canal was used for exporting corn with warehouses - still to be seen - at the canal head. There was also traffic in coal and timber and the canal was self-financing with a toll of 2 1/2 new pence (4 - 6 old pence) being levied at the lock.

The canal fell into disuse in 1925 as railway transport and the coming of lorries began to take over. We will again in future notes look more closely at the history of the canal for we believe the canal can be developed into a scenic asset for the town and as a heritage town,

canals are part of our native heritage both functional and historical. The historical integrity of canals must be protected as they represent a landmark in our native historical engineering and also the canal is of great archaeological interest, especially to present day students.

As we have said we will return to the subject of the canal in the next few weeks and maybe some of our readers might be interested in commenting and making suggestions of what should be done to improve the canal and make it a more attractive amenity.

## LISMORE SOCCER NOTES

What can only be described as the worst possible start, Lismore were defeated by Inch on Sunday last in the first series of games in the Red House League. Playing in Inch against a side who were lucky not to be relegated last season, Lismore were favourites especially as they are the reigning champions.

As we wrote last week with just eight teams in this division, points are a must in each match, for lost points can mean a struggle to avoid relegation at the end of the season. Score on Sunday was Inch 2 Lismore 0. Next Sunday Lismore play away again this time to newly promoted and last year's second division winners, Clashmore. Both sides met in a Cup game last season with Lismore coming out on top.

In normal circumstances next Sunday's fixtures should be an easy win for Lismore, however after last Sunday's defeat Lismore will be more cautious. Kick off on Sunday is 11.30 a.m.

Lismore U-16 game away to Castlebridge was cancelled on Saturday morning last by the Committee of the underage section. On Saturday next Lismore underage teams will be back in action. See league fixtures elsewhere in soccer notes for times etc.

## LISMORE BADMINTON NOTES

Division five ladies were host to Dunmore on Thursday last and after four very competitive games, Lismore had to give way to a very strong Dunmore team. The final score was Dunmore 4 Lismore 1.

Team: M. Pratt (Capt.), S. Twomey, J. Dunne, K. Ryan.

The division one mens team travelled to Tullaghoch only to find the home team short two players on the night. Only one game could be played, first mens, which Lismore duly won and Lismore returned with all four points, which I feel sure they would have taken anyway.

Team: P. Morrissey (Capt.), C. Coleman, P. Ahearne, J. Pratt.

Division four ladies visited neighbours, Kilwatermoy for their away game last week and finished up with a very strong creditable 2-2 draw. Christine and Sinead (first ladies) and Christine and Jacinta (third ladies) took the points on this occasion. On Monday night Touraneena provided the opposition for this team in Lismore. After a close first ladies which Touraneena won 15/12, 15/8, Lismore took the remaining three games, second ladies 15/5, 15/10, third ladies 15/7, 15/7 and fourth ladies 15/11, 16/18, 15/3. Team captain Jacinta Kearney said (as she was doing all the washing up alone !!) "We are now half way through the League and are determined to better our scores in the remaining half to qualify for the knockout stages of this competition". Let's hope Jacinta, Christine, Sinead and Rebecca do just that !!

Division four men (or Robbie's team as they are better known) made the long journey to Waterford for their game last week. Robbie and David took first mens in their only win of the night with the remaining three setter games going the home team's way. This team are pushing very hard in all their games and with a little bit of luck could be well in contention for play-offs.

Team: R. O'Sullivan (Capt.), D. Bourke, N. Aird, L. O'Hara.

Finally our division one team had Dunmore as visitors on Monday night. First ladies Angela and Nora came from behind in a great game losing the first set 10/15. They won the next two 15/10, 15/11 for a well deserved victory. Mag and Jo Jo lost out in two sets 9/15, 12/15. Mag and Nora won their first set easily 15/2 before the East Waterford girls got going to take the second set 7/15. The third set was a cracker with Valerie and Geraldine forging ahead at the finish to clinch Dunmore's third point of the night. The final score was Dunmore 3 Lismore 1.

At the moment we have quite a few members up 'socialising' on Monday and Thursday nights. Any new or old members are welcome to join them from 8.00 p.m. - 9.00 p.m. on Mondays and Thursdays. Juveniles on Thursday from 7.00 p.m. - 8.00 p.m.

# ABBEYSIDE TOPICS

## Tidy Towns Plan

This year responsibility for organising the National Tidy Towns Competition was transferred from Bord Fáilte to the Department of the Environment. As a result there was a change of emphasis in what was required by the adjudicators in each area. They are no longer satisfied with a short term approach to the competition whereby some towns and villages did a quick facelift shortly before the adjudicators were due to arrive as was the fashion years ago when the 'stations' were due to take place in a household.

In future a long term plan will have to be submitted to the Tidy Towns Committee and marks will be awarded each year on progress made in implementing sections of the plan. This year Murphy Place, Abbeyside was selected as a pilot area that would benefit from improvements suggested in such a long term plan. For instance when Murphy

Place was constructed the trees planted on the grass margins were Parkland Trees (Horse-Chestnut, Ash, Sycamore, etc.) which were not at all suitable for suburban planting. This is evidenced by the way the base of the trees have swollen out through the steel tree-guards and the lifting of the footpaths by very strong roots. The growing roots

also protruded under the walls and gardens of the houses and in some instances the garden walls had to be replaced. The branches of the trees also required severe pruning by chainsaw and the resulting stumps were not aesthetically pleasing. The pilot plan suggests the replacing of these trees in the foreseeable future. If the Murphy Place Plan is successful then similar improvements could be recommended for other estates and streets in Abbeyside.

## Ballinroad Book Launch

On Friday night next the much awaited book recording the history of Ballinroad Community Complex will

be launched. The book will be 350 pages of memories told in words and pictures. Extensive research has been done by local author Tom Keith. He has spent hours interviewing people and gathering material.

The night will start with Mass at 7 p.m. in Ballinroad Church. The Mass will be offered especially for all the people who gave of their time and energy to the Hall and the Community and who have passed onto their eternal reward. The Mass will be followed by an American style Tea Party. Due to the capacity of the Hall it will be an all ticket event. The launch will be followed by a dance at which the Lyre Ceili Band will provide the music. The book itself will cost £5. It will be on sale on the night and also outside the three churches in the parish on the following Sunday.

A limited number of books will be printed, so you are encouraged to buy early to avoid disappointment. The limited edition of the book will cost over three thousand pounds to print and to help defray the cost sponsorship has been sought from local businesses in the form of advertisements in the book.

Visiting the current projects under the Urban Renewal Scheme in Davitt's Quay, Dungarvan last Friday were left to right: Ray Moloney, Town Clerk; Donal Connolly, County Manager; Cllr. Paddy Power, Chairman Dungarvan U.D.C.; Cllr. Tony Wright; John O'Flynn, County Engineer; Liz McManus, Minister for Housing and Urban Renewal; Cllr. Nuala Ryan and Cllr. Lar Hart.

## Housing Minister On Brief Visit To Dungarvan

CONTINUED FROM FRONT PAGE

halting site at Shandon where the Minister met with local traveller families and saw at first hand the high level of involvement and co-operation between the local authority and residents of the Shandon site.

According to U.D.C. Chairman, Cllr. Paddy Power, in the very near future the Council will submit proposals to the Minister's Department for the upgrading of the existing halting site.

"The Dungarvan halting site," he stated, "has not been without its problems in the past but with co-operation between national and local agencies and the voluntary sector as well, I am certain we can make progress on our own local problems."

Cllr. Power said the work of the local Shandon site committee is already beginning to bear fruit and in time he felt that the Council will have services of a very acceptable standard for the travelling community at Shandon.

### SUCCESSFUL URBAN RENEWAL

Following her visit to the halting site which was well kept and neatly ordered on the day, Minister McManus was escorted to Davitt's Quay where she viewed current construction work on a number of urban renewal projects. The Council had previously requested the Minister for an extension of the Urban Renewal

Scheme deadline which is due to end next July. Under the scheme, McInerneys plan to build a hotel and apartments on the site of the former Leather factory while Clancy Construction is in the process of building a major residential/retail development also on Davitt's Quay. To qualify for valuable tax incentives, however these projects have to be completed by July 31st next year. Describing the projects on the Quay as ample evidence of a thriving private sector in the construction industry, Cllr. Power said the Urban Renewal programme has been highly successful in the town, if a little slower than the U.D.C. would have liked.

"I take this opportunity of asking you, Minister to look favourably on our request of a month ago for an extension of time for this scheme," he stated. "The special nature of the problems encountered by the developers are somewhat exceptional and worthy of consideration," he added.

In reply, Minister McManus promised to make a decision on the Council's request as soon as possible. She revealed that in the next 6 weeks a major assessment of the existing Urban Renewal schemes throughout the country will be published by her Department.

"The present Urban Renewal scheme in Dungarvan

has been extremely successful," she stated adding that while she is sympathetic to the points being made by the U.D.C., the scheme is due to finish next July. She felt that one of the main reasons behind the scheme's success in Dungarvan was the pro-active role of the local Council in promoting and encouraging investment by private developers.

Following a brief visit of the newly developed local authority estates at O'Connell Street, the tour progressed to the 31 house Respond estate at Spring Marquis now nearing completion. The Minister complimented Fr. Pat Cogan of the Respond Voluntary Housing Agency and said he had pioneered a fundamental change in housing policy with his approach to estate management.

### £2,500 TO CHILDERS

The final destination on the Minister's packed agenda was Childers Estate where she saw at first hand the work of the recently established estate management group. Encouraged by this example of partnership between the Council and the community, Minister McManus announced that her Department has allocated £2,500 (a figure to be matched by the local Council) to the Childers Management Group.

Her brief visit ended, Minister McManus was obvi-

ously impressed by her fact finding mission to Dungarvan. The officials and members of Dungarvan U.D.C. acquitted themselves extremely well and an indelible impression of a committed, progressive and positive community.

To mark the occasion, Cllr. Power presented Minister McManus with an exquisite piece of Waterford Crystal.

## Lions "Wright Choice" Is Best

Those who make the Lions Annual Cabaret at the Park Hotel their Hallowe'en destination, are accustomed to the best in entertainment and this year the organisation's choice of Finbar Wright was nothing less than inspired and had to have been based on the success of his last visit to the venue, just three short years ago.

Accompanied by two young musicians, Antoinette Healy on the concert flute and Kevin Walsh on piano, two superb artists in their own right, the trio constructed a most entertaining, always enjoyable and truly memorable evening for the capacity audience.

The first half of the programme was rendered very capably and very enjoyably by Dungarvan Brass Band under the baton of Liam Walsh and it was a pleasure to listen to the young members of the band continue the band's proud tradition of almost a hundred years.

From the time Finbar opened with the evergreen "Some Enchanted Evening" from South Pacific, to his second encore, which was the haunting "Danny Boy," he, or his talented young guest flautist, never allowed the programme to flag, or their performance to be less than committed.

Finbar delivered a most impressive first half in which his young flautist partner gave a passionate rendering of "Brian Boru March," made popular by James Galway and "Humoresque" by Dvorak. Pianist Kevin Walsh contributed an Al Jolson medley, the three artistes co-operated on "Cielito Lindo," while Finbar completed his programme with "Summertime" and "Love's Old Sweet Song."

After the interval, he opened with a musical visit to three different European cities. He sang three different songs from three different countries in three different languages.

Even in his finale, Finbar added a further element when he sang, in Italian, "Arrivederci Roma" to the enthusiastic applause of the capacity audience.

"You'll Never Walk Alone" has enjoyed three eras of popularity since it was first written for the hit musical Carousel in the 1940s. Last Thursday night, Finbar Wright lent his own unique style and drew a huge reaction from his audience for what was a very popular choice.

Master of Ceremonies, John Coade's special request for "Valencia" came too late in the night and with a thin fog of smoke hanging in the air, Finbar chose to complete his programme with the less demanding 'Danny Boy.'

After the show he expressed his appreciation for a very receptive audience and their wonderful singing and spoke of what is 'down the line' in his career. In January he will try what is for him a new aspect of showbusiness, when he goes on a cruise in the Caribbean with Phil Coulter, in which they will be stars of the show on the cruise line.

"Of course the audience will be all Americans, probably rich Americans, so how they will react I do not know," says Finbar. "The package has been put together by American Travel Agent, Mike Landers, who is originally from Tralee, so the passengers will probably be Irish Americans. I do not know what to expect, but I'm looking forward to the new experience."

Antoinette Healy was equally full of praise for the audience, with whom, she said, it was possible to have a special rapport. They were very responsive and very warm and obviously they were enjoying themselves. "It made it very easy to play for them."

At the end of a superb evening, President of Dungarvan Lions, John O'Hanlon thanked their many sponsors and congratulated the Cabaret Committee under the leadership of John Coade on another successful evening.

He thanked in particular the young musicians of Dungarvan Brass Band under the baton of Liam Walsh, who had performed beautifully in the first half of the programme. "It is great to see so many young members in the band," he said, "and very pleasing to see that there is such a bright future ahead of Dungarvan Brass Band."

It was, as the Lions predict each year, a night to remember. Given the successful choices of artiste by that organisation over the last two decades or so, it would be a reasonable bet, that if the tickets for next year went on sale today, they would still, without knowing what artiste was engaged, have a full house. And now might not be a bad time to secure those tickets!

## IFA Welcomes Establishment Of Food Safety Board

The IFA President, John Donnelly, has welcomed the Government's announcement of the immediate establishment of an independent statutory Food Safety Board to ensure the highest standards of food safety and hygiene.

Commenting, the Waterford IFA County Chairman, James Coughlan said the new Board would have a central role in reassuring consumers of the safety of Irish food and guaranteeing compliance with the strictest standards to protect public health at all times.

Mr. Coughlan said farmers would co-operate fully with all necessary measures to safeguard public health and reassure consumers of the safety of all Irish food products. "The only way the Board can operate in the best interests of public health and food safety is, if it is fully independent of all vested interests and has the necessary resources and legal powers to ensure compliance," he said.

The Waterford Chairman said that in order to have credibility with consumers at home and abroad, and guarantee the safety of Irish food, the Board must be scientifically based and comprise of independent experts in public health, food science and animal and plant health.

The new legislation should provide for a separate consultative mechanism through which consumers, producers and the food industry can make known their views and concerns.

## COUNTY ICMSA NEWS

Compiled by John Quigley, Area Officer with ICMSA in South East

**INDEPENDENT INSPECTORATE FOR IRISH FOOD**  
Mr. Donal Murphy, General Secretary of ICMSA, advised all the parties in the Irish

Food Industry to give highest priority to having established an independent inspectorate which would guarantee every aspect of food production from inside the farm gate to the consumers plate.

Mr. Murphy said: "Farmers must accept that even in the

immediate future it may not be the price of farm products but their acceptance by the consumers, that will determine the viability of farming.

"The reckless use of some substances in the food chain by a few producers - be they farmers or processors - cannot be tolerated. The only way of preventing irresponsible actions is through a combination of information and heavy penalties on the wrongdoers.

### ICMSA CONDITIONS FOR NATIONAL AGREEMENT

The principal issues put forward by Mr. Frank Allen, President of the ICMSA at the start of negotiations on the new National Programme were:

1. The delivery of better public service in terms of volume and quality within the ceiling of a 2% increase in public expenditure.

2. A strategy on EMU which will shelter farmers from carrying a disproportionate share of the costs in the event of a UK opt out.

3. The establishment of a forum to provide the opportunity for unified advice from the overall agricultural industry on the issues of (a) EMU; (b) EU Enlargement and (c) Autumn World Trade Agreements.

On specific issues Mr. Allen said ICMSA requires:

A. Increases in personal allowances and reduction in tax rates.

B. Personal allowances for farmers equal to those applying in the PAYE sector.

C. Removal of the high tax compliance costs especially

for farmers with no tax liability. D. Application of the Family Income Supplement Scheme to farmers and

E. Arrangements to allow all farmers who have paid PRSI to qualify for Contributory Old Age Pension.

Mr. Allen said that ICMSA will examine the progress made on these issues and will make its decision on whether or not to be party to the National Agreement, based on the degree of progress made.

### ICMSA CONSIDERS CHANGING QUOTA YEAR

The ICMSA have proposed that a major study should be undertaken to examine the implications of moving to a calendar year basis for the milk quota. The Chairman of the ICMSA Dairy Committee, Mr. Tommy Cooke said that in the past, April to March year was considered the best option. However, things have changed and there is now a view that a calendar quota year may provide dairy farmers with the best basis to manage their dairy enterprise and produce milk at a lower cost from grass and stay within their quota.

## £50m Headage Payout Already Made - IFA

Waterford IFA Western Development and Less Favoured Areas Committee Chairman Michael J. Walsh said that up to £50m has already been paid out in headage payments to 40,000 livestock farmers and 12,500 sheep farmers. IFA has now been assured by the Department of Agriculture that all remaining headage worth a further £60m will be paid to all eligible applicants by the end of the year.

Mr. Walsh said headage payments had commenced at the end of September but had been stalled due to payments being made to farmers under the BSE

compensation package. Since October 16th payments have recommenced and it is now expected that all eligible cases would be paid by the end of the year.

The Waterford IFA Western Development leader said that headage payments represented a vital component of income support in the poor land areas of the country. It is expected that total headage payout will be of the order of £110m and IFA is now calling for all payments to be made out as quickly as possible given the very serious income crisis that is facing farmers particularly in the Disadvantaged Areas.

## Allen Blames EU For Slow Progress On BSE

From Luxembourg recently, Frank Allen, President of ICMSA said that the EU Council of Agricultural Ministers is dragging its heels in dealing with income support for cattle and beef farmers.

He said "It is impossible to understand the slowness of progress being made. Income support for cattle and beef producers is of urgent importance. The EU should act decisively and put an overall programme in place to rid the Community of BSE. The longer discussion drags on, the more difficult it will be to retain consumer confidence."

Mr. Allen concluded, "there are too many political issues preventing a resolution to income support for farmers. They are the real sufferers. If the EU is not seen to act with a well thought out programme to quickly eradicate BSE, Ireland in particular will bear a heavy cost as we are so dependent on beef and cattle exports."

# DUNGARVAN SCOUT NOTES

Last Friday the Scout troop had a sleep-over in the Den. The meeting started as normal and once the notices were read out, Jonathan started up some games. Since it was Hallowe'en time we kept to the tradition and the flour and basins were taken out. First of all the lads had to search for an object in the flour but there was only one little problem, they could only use their mouth. Once they found the object they had to drop it in a basin of water. You can imagine the state of their faces with a mixture of flour and water. A number of other activities were laid on for the night. We had table tennis, darts and some of the lads brought down their sega mega drives.

There was plenty to entertain the lads for the night. At around 12.00 a.m. the lads sat down to watch a video and by the time this was over it was 2.00 a.m. The lads were still full of life but the leaders were not as energetic so we had lights out.

We all woke up at 9.00 a.m., had breakfast and cleaned up the Den. We all left for home at 10.00 a.m.

# It's Easier Than You Think To Breed Your Own Roses!

Have you ever thought of breeding your own roses? It's easier than you might think. The right time to do it is in summer, but I thought that if I tell you how to do it now, it's something you can look forward to doing once the boring winter months are over.

Pick as your female plant a rose which you know produces seed pods (rose hips).

Select a rosebud just about to open and carefully remove all its petals. This will reveal a ring of male stamens which carry the pollen, around the stigmas, which are the female part.

Emasculate the flower by snipping off all the stamens with a small pair of scissors and blow them away. To protect the flower from insects bearing unwanted pollen, put a polythene bag over it and tie this around the stem. By the next day the stigmas should be sticky and ready for impregnating.

Now comes the sexy bit. Remove the bag, and from an open rose of the other variety you intend to use, pick up some pollen on a small brush — or on your finger — and dab it on the stigmas of the bud you've just bared.

Replace the bag and leave for a week or so. Then remove it or there will be a danger from mildew. By then, fertilisation should have taken place and pollen-bearing insects won't matter.

Label the stem of the bud to remind yourself of the two varieties you used.

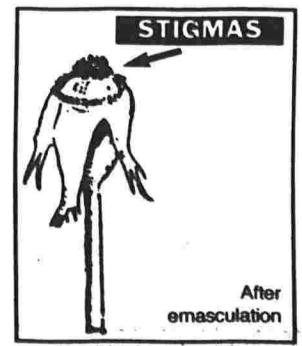

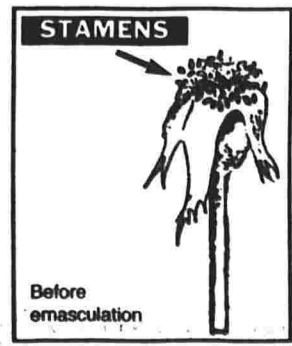

Eventually the bud will turn into a seed pod which will be red when ripe. Detach this from the plant, put it into a small box of sand (an old margarine container will do) and bury it in the garden with a labelled marker.

The seeds need winter frosts to help them mature properly. You could put the seed pod in sand in a polythene bag in the fridge — not the freezer — for the winter. But don't forget the label!

In spring, the seeds can be removed from the pod — there will be about 25 — and planted in seed boxes.

Transfer the resulting seedling to pots. They should flower in July or August.

That's the exciting time when you will discover if your efforts have been rewarded with a superior unique rose that could earn you a fortune!

## BRIDEVIEW UTD. A.F.C. NOTES

### MUNSTER JUNIOR CUP

# United Go Down Fighting

PORTLAW 3 BRIDEVIEW UTD. 1

Utd.'s great run in the Munster Junior Cup ended on Sunday morning last away in Portlaw. For much of this game Utd.'s large bunch of travelling fans must have thought it was going to be another great day for the club but it was not to be.

Brideview played with a strong wind in the first half and looked good in the opening half. After just 7 mins. Stuart Barry shot wide and Utd. took the lead in the 17th min. A Philly Curley corner right into the goalmouth saw Paul Curley get the important header to put Brideview in front.

While Portlaw had their moments in this first half, they tested Sheehan only twice. At the other end, John Doyle shot into the side netting in the 34th min. Barry had a powerful header just go over in the 37th min. and Dermot Henley set up Stephen Curley after 39 mins. but the latter shot over. At the break Utd. led thanks to Curley's goal.

The homeside, aided by the strong wind, put the visitors defence under pressure in the second half and Sheehan denied the equaliser in the 12th min. when he brought off a great save that looked destined for the net.

Portlaw's equaliser came from the penalty spot after one of Utd.'s defenders handled the ball in a goalmouth scramble. This came after 63 mins. Utd. had hardly time to draw their breath when Portlaw struck again in the 67th min. and they wrapped up the game in the 75th min. with a third goal.

So Utd.'s great Cup win was brought to an end but to be fair to the players they played their hearts out and perhaps if they had scored a second goal in the first half, things might be different but then that's football.

The players would like to thank the supporters who, despite an early start, turned up in big numbers. One big supporter was missing and that was of course Mary

Pratt. Get well soon, Mary. Team: B. Sheehan, B. Henley, G. Sice, D. Martin, P. Curley, S. Curley, S. Barry, J. P. Grey, J. Doyle, D. Henley, P. Curley. Res. (all used): P. Henley, E. Murphy, T. McSweeney.

## Under-16 Result

Ballybridge Utd. 3  
Brideview Utd. 1

Two early goals for the homeside gave them a great start and they added a third before the break. The Tallow side came more into the game in the second half and Oliver Fitzgerald pulled a goal back early in the second half but it failed to lift our lads and the homeside ran out winners.

Team: P. Geary, D. Ahern, P. Tobin, M. McGrath, A. Tobin, S. McCarthy, W. Henley, S. Mills, O. Fitzgerald, E. Ranehan, D. Keniry.

## Under-12 Division Two League

Brideview Utd. 3  
Kilworth Celtic 3

What a thrilling game this was by our young players. A goal down after just 3 mins. they battled back and were unlucky to give away a goal in the final minute. Celtic led 1-0 at the break.

Utd. stormed back in the second half and Colm Hickey and Kieran Casey both had good shots saved before Eamonn Forbes scored the equaliser for Utd. four minutes into the second half. Eoin Condon put our lads a goal in front after 39 mins. but Celtic struck the equaliser after 43 mins.

Rory Brown once again put Utd. ahead but Celtic brought the sides level again in the final minute. A great game of football here from our stars of tomorrow.

Team: S. Power, P.

O'Brien, P. Forbes, E. Hickey, J. Hallahan, K. Ryan, R. Brown, K. Casey, C. Hickey, E. Condon, E. Forbes. Res. (all used): J. Ryan, S. O'Grady, J. Hampton, W. Whyte and M. Cashman. Our two girls Tanya and Kate played well here again.

Lotto Last week's numbers were 1, 3, 12, 23. There was no winner. Match 3 winners were John Cremin, Carmel Burke, Dominic Murphy, Mick O'Neill. Jackpot this week is £1,200. Match 3 - £20. Draw this Friday night in The Corner House Bar at 9.30 p.m.

## SPEEDY RECOVERY

All in the club would like to wish Martin Rohan a speedy recovery. Martin is in hospital in Dublin at the moment. We are thinking of you, Martin.

## NEWS TO HAND

One of our division one players is now operating near home we understand. Indeed I saw for myself on Sunday evening last when this player was again asking this girl for a date. I wonder did she accept.

The postman was very confused last week. Not for the first time, I hear ye saying. Anyway he spent about one hour looking for D. D. Miati, this person from some foreign country. Someone told the postman it sounds like an Indian name. Maybe we have some visitors but like the good postman that he is, he traced Mr. D. D. Miati and I assure you he is no Indian but indeed he is a Tallow man. This would make a great quiz question - who is he?

Another of our division one players was seen window shopping last week. What's new I said. Well said my informant, they were all jewellery shops. Well for Christmas, I suppose.

It was great to see one of our 'emigrants', Dessie Herlihy making the effort to cheer us on in Portlaw. The club appreciates these sort of supporters.

# TALLOW G.A.A. NOTES

## UNDERAGE NEWS

U-12 Football — We played our final league game last Thursday afternoon away to St. Olivers. A strong wind kept scoring to a minimum and we trailed by a point at half-time.

A St. Olivers goal in the second half saw them lead almost up to the final whistle when a thoroughly deserved Tallow goal finally landed in the back of the Olivers net. The teams finished on level terms (1-4 each). This means that Ballyduff now go through in division one and we go on to compete in division two. This game takes place next Sunday at 12.30 p.m. in Cappoquin against Kilrossanty.

## U-13 HURLING

Our U-13 hurlers had their first break since early September this weekend. We are now awaiting the result of the Castlelyons/Ballyduff game to see who will meet us in the final. This was due to be played last weekend but it didn't go ahead and so we may have to wait another week or two before a date is set for this final.

Meanwhile the game, which was to be played before the McDonnell Bros. Senior Hurling Final last Monday week (Bank Holiday), now goes ahead next Saturday morning in Tallow at 11.00 a.m. Our opponents are from Killeagh and hopefully this should be another cracker of a game. So why not come down to the field on Saturday morning to cheer on the lads who have battled hard in all their games up to now. Remember 11.00 a.m. Saturday morning. Medals for this tournament are kindly sponsored by McDonnell Bros. and will be presented after the game.

## TRAINING

Training for U-8 and U-9 hurling commences this Tuesday and Wednesday at 3.30 p.m. sharp in the Hall.

## DRAMA NOTES

### New Musical For Ballyduff

Yes when it comes to something big and new Ballyduff Drama Group are never afraid to take it on. St. Michael's Hall, Ballyduff will be the setting for a major new musical. The musical which tells of the meteoric rise of the Kennedy family will have its premiere in Ballyduff on November 28th and will continue for four nights only ending December 1st.

"November 22nd" the title of the musical is also a date of great significance. Most people old enough to remember will be able to tell you what they were doing on that fateful afternoon when J. F. Kennedy was assassinated. For the Kennedy family themselves this date is charged with even greater significance as exactly 105 years earlier the President's greatgrandfather Patrick Kennedy, recent emigrant from Wexford, died in a Boston seafront tenement, a young man leaving his family poorly provided for. Within two generations the clan had been catapulted into the premier league of the super rich. Joseph P. Kennedy's inexorable drive for the White House, which he saw as the ultimate Kennedy destiny, took its toll and resulted in the destruction of many of the traditional values the old famine Irish held so dear. In this musical Patrick, the first Kennedy emigrant, in the company of his greatgrandson J. F. Kennedy, observes the development of the Kennedy clan and asks the question was it all worth it?

With a cast of up to 40 people rehearsals are already in full swing. Written by Middleton man, Martin Ryan, the music is by his brother, John who both have a great

passion of the Kennedy family. Brendan Dunlea as director of the show is no stranger to Ballyduff Drama Group with numerous acting awards under his belt.

While this may be his first production for Ballyduff Drama Group, he has already staged three very successful musicals with the C.B.S. School, Lismore.

I can assure you that this is going to be one hell of a show. Be warned. "November 22nd" is the name. November 28th, 29th, 30th, December 1st are the dates. Four nights only. Booking will open a week prior to the show.

# Michael Sargent late of Cappoquin and Fermoy

## AN APPRECIATION

A final salute to a friend from another time and a better generation. Michael Sargent was full of life from the beginning and as a "little nipper" he caused consternation among the older generation of his day in Cappoquin. He was known to most of them as "Duffey."

When he grew up he became famous for his feats in motorcycle racing with his brother Willie who was more into road racing as Michael specialised in grasstrack racing. He was the person to beat if you were to win a race.

While Willie was winning the big races on the road, Michael was the man that tuned the engines for him as he was a super mechanic. It was a sport that cost him the life of his brother. He was later in life to suffer an even greater tragedy with the loss of his son Edmond.

He was also very involved in the rowing club over a long period of his life and worked like a slave to make a success of many a regatta.

During his business years in Cappoquin, as main agents for Morris Cars, many people in the county and outside bought their first Morris Minor from Michael. He was a most courteous and kind person to do business with, but with the changing attitudes of the coming generation he was no longer thanked for his help and he closed his business in Cappoquin some twenty-five years ago before taking up a position in Fermoy where he was more successful. Fermoy gained and Cappoquin was the loser as the life went out of that part of the town.

His life-long interest and past-time was "the River" and a boat. He could go up and down the river all day and still want to go again tomorrow. He, with Pat Grubb, was the first to introduce water skiing to Villierstown where both of them would ski to Youghal and back in mid-winter!

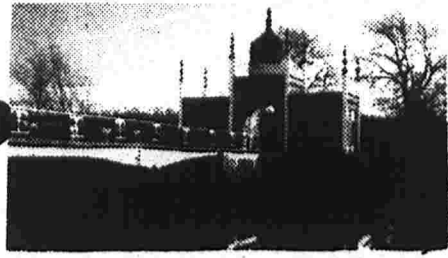

He was one of the first to start shark fishing from Youghal and Dungarvan and his ability to tell how big they were, how to gaff a shark and what they did when he had it in the boat, were legendary to those that knew him and understood his technical terms.

When he recalled the stories of characters from the past he seldom realised that in his ability to make the stories so realistic that he was a character in himself. He was a great teacher in many respects, as he could teach how to handle a boat, fish, drive a car and the technical knowledge of the motor trade as many successful men of today learned under his keen eye and quick comments which was not forgotten.

As he was laid to rest in St. Declan's Cemetery, the river was calm and gentle as if in respect to somebody who was sailing out for the last time.

To his son Martin and his wife Mercy their loss is great. May he sail forever on calm water over the oceans of time to a calm harbour in paradise. Be good, lad.

# WEST WATERFORD NOTES

## COME WALK WITH DONNACHA

## CLASHMORE RAMBLERS NOTES

### BIG WINS FOR JUNIORS AND U-12'S

We had four games over the weekend. Our U-18's had a heavy defeat, our U-10's played a thrilling draw with Youghal while our U-12 and Junior teams had big wins.

U-18 League — Youghal 8 Ramblers 2. A disappointing start against Youghal's bigger and physically stronger side. Things went wrong from the start as Eoin Power's team had to line out without their crucial players. Youghal got off to a flying start with three goals in the first ten minutes. The game seemed beyond us at this stage but Tom Byrne put us on the scoresheet to leave the half-time score 3-1 to Youghal. For a brief period Ramblers were on top and Peter Colbert scored to reduce the arrears to just a goal. However the effort took a lot out of Ramblers and Youghal scored four times in the last fifteen minutes to give them a very flattering win. Best for Ramblers were Ed Beresford and Seamus Budds.

### U-12 League — Youghal 1 Ramblers 6

We exerted some revenge for the earlier defeat of our U-18 team in this vital league game when we had a comprehensive victory over the home team Youghal.

The game started at a brisk pace and after 6 mins. Ramblers were ahead. Jim Flavin finished in fine style after good work by Marcus Prendergast and James Ledingham. We were 2-0 ahead after 15 mins. when James Ledingham scored after a run brought him past three defenders and he fired home an unstoppable shot. It remained 2-0 into the second half and Ramblers defence, superbly marshalled by Joe Collins and Jason Seward, kept the home-side's forwards at bay.

Fifteen minutes into the second half James Ledingham made the game safe with a third goal and minutes later Jim Flavin scored his second and Ramblers fourth. Youghal kept on trying and were rewarded with a goal five minutes from the end but Ramblers had the last word when James Ledingham rounded the keeper to score his hat-trick and leave the final score 5-1 to Ramblers. It was a particularly good team performance with outstanding displays from Kieran Connery, Joe Collins and of course James Ledingham but man of the match was Marcus Prendergast.

U-10 Challenge Game — Youghal 4 Ramblers 4. Following the U-12 game, we

## POOL TOURNAMENT

Mossie Curran took home the bird (the feathered one of course!!) when he won last Thursday night's game in the eight week pool tournament at Decies which is attracting huge interest at present.

Mossie joins the two previous week's winners Pa McCarthy and Ed O'Rourke for the final of the tournament with a grand prize of a weekend away for two at the Old Ground Hotel in Ennis.

played Youghal's U-9 team. Our own team had a few 10 year olds to even things up a little and it was Cillian O'Keefe who put us 1-0 up with a lovely chip after ten minutes. Youghal managed an equaliser after a corner and at half-time it was 1-1.

Youghal were well on top at the start of the second half and deservedly scored three times to go 4-1 ahead. With just eight minutes remaining we pulled a goal back when Eoin Kelly scored and two minutes later it was 4-3 when Joe Collins tapped home. Just before the end Brian Guilly scored to give us a 4-4 draw.

It was decided to have a penalty shootout and this also ended in a draw 9-9 with most players having a go. All in all everyone had a good time and again everyone played well particularly Gavin Dower, Colm O'Rourke, Declan Allen, Sean Kelleher and Shane Bourke. So well done to both teams and we should have another U-10 game in the next few weeks. Thanks also to the parents who brought children to the match and to the many parents who attended. I'm sure you all had a good time. There will be training sessions for U-12's on Thursday from 4.00 p.m. to 5.15 p.m. weather permitting.

Junior Team Division One League — Cappoquin 'A' 3 Clashmore Ramblers 5. Ramblers made a great start last Sunday in Cappoquin. Pat Lombard put us ahead before Cappoquin equalised. Frannie scored another before the homeside equalised again. Kevin O'Rourke put us 3-2 ahead with a 30 yarder and Pat Lombard made it 4-2. Yet again we left in Cappoquin but sub Tiger O'Neill wrapped up a fine victory with our fifth goal.

Best Of Luck — This week we had a quick look at our Junior panel who achieved promotion at their first attempt, losing just two of their 22 league games. They face a step up in this class this season but with last season's experienced manager, Tom Kelly again at the helm, ably assisted by selector Pat Ryan, there were high hopes of further success. Last season's panel was Marty Flynn, Liam Hogan, Donal Fitzgerald, Brian Murray, Dec Whelan, Eoin Power (Capt.), Seamie McGrath, Tommy Power, Eric Trihy, Karl Power, Ger Ryan, Kevin O'Rourke, Vincent O'Rourke, Peter Fitzgerald, Frannie O'Rourke, Pat Lombard, Michael Costin, Brian O'Neill, Barry Murphy, Roger Ryan, etc. etc.

## WEST WATERFORD PONY CLUB NOTES

A.G.M. — The West Waterford Pony Club held its A.G.M. at Aglish House on Monday, October 28th. 20 intrepid travellers braved the gales and rain to hear a review of the year given by the retiring District Commissioners Julia Keane and Alison Trigg.

The highlights of the year included two instruction days at Ballyrafter and two days instruction at Skevanish and Ballingarane during the Christmas holidays and a series of five instruction evenings at Ballyrafter during February. At Easter there was a showjumping day at Monatrea, cross country instruction at Grove, hunter trials and an Easter Egg hunt as well as a 'B' Test Assessment Day and a 'C' Test. In addition to regular rallies during the summer holidays a very successful and happy camp was held at Fortwilliam. 30 members attended. The summer was a time for competitions. Laura Griffith was the chef d'equipe and looked after everyone splendidly, training them at Monatrea Equestrian Centre. The showjumping team of Emma Curran, Liz Fuller, Sarah Murray and Bella York did well to qualify in the area Robbie Bailey competition and represented the West Waterford Pony Club at the Pony Club Festival at Fairyhouse. Emma Curran and Susie Colbert were our representatives at Ballindenisk, the Pony Club One Day Event Championship having successfully qualified by having clear rounds at a minimum of two previous events. We were very proud of Emma Curran's first at Emly and of Susie Colbert first in her arena at Ballindenisk. Alison thanked all the parents who had given their day to act as stewards.

The accounts were presented by the Treasurer, Primrose Sandes.

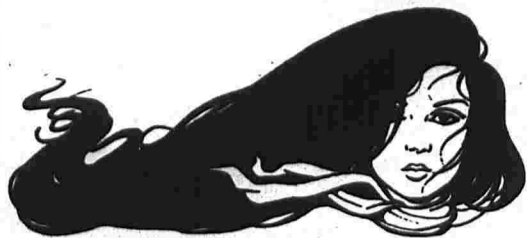

We then came to a momentous moment in the evening with the official resignation of Julia and Alison. They were presented with books as a memento and appreciation of all they have done for the pony club. Alison has been associated with the West Waterford Pony Club since it started in 1967.

Primrose Sandes was unanimously elected by the Committee as District Commissioner and took the chair. Joan Vaughan was elected Treasurer and Susie Wingfield remains as Secretary. The Committee is Esther Curran, Laura Griffiths, Hal Chavasse, Anthony Cross, Joan Dahill, Johnny Cashman, Anne Waistell and Pat Murray.

Sarah Murray had a win at the recent hunter trials at Stradbally.

Do you have a pony and an interest in learning more about riding and looking after your pony as well as having fun in the company of others? If you are aged between 7 and 17 years would you like to join the West Waterford Pony Club? The subscription is £25 a year and application forms are available from Mrs. Primrose Sandes, the Mill Flower Hill, Ballyduff at (053) 60127.

A THOUSAND WAYS TO IMPROVE YOUR IMAGE

## Look Good - Feel Good

From time to time most of us are unhappy about the way we look. This can leave us feeling depressed and fed up with ourselves. Here are a few tips on how to keep yourself looking and feeling good.

Yoga and massage are great for mental and physical relaxation. Join a local yoga class and visit your beauty salon regularly for a relaxing massage. Yoga will also help to keep your muscles toned and body firmer thus improving your figure. Eat well and exercise to increase your energy.

Look after your skin by protecting it from the sun, wind, pollution and

dryness. Why not pop along to your local beauty salon and treat yourself to a relaxing facial. This will help to improve the texture of your skin as well as revitalising and toning it.

Be sure your make-up colours and techniques are up-to-date. Natural is usually best. If you are in doubt ask a professional beauty therapist to advise you on what best suits you. Ask advice on

your clothes and hair also as they all play a part in how we feel.

If you really feel miserable about the way you look why not try cosmetic treatments such as collagen injections. These will help to rid the face of fine lines and wrinkles. Always be sure that you are being treated by a qualified cosmetic surgeon. Before starting any treatment always consult a professional therapist, she will give you proper advice and tips on what treatments are best suited to your skin and lifestyle.

## MENUS FOR THE WEEK

### Hot Custard Fritters

Preparation: 10 minutes + chilling  
Cooking: 10 minutes  
Serves: 4

600ml/1pt milk  
6 tbsp custard powder  
50g/2oz caster sugar  
a few drops of vanilla essence  
150g/5oz Madeira cake crumbs  
1 tsp mixed spice  
1 egg, size 3, lightly beaten  
100g/4oz unsalted butter  
**RASPBERRY SAUCE**  
225g/8oz frozen raspberries, thawed  
finely grated rind and juice of 1 small orange  
50g/2oz icing sugar  
demerara and icing sugar for dusting

**METHOD:** Place all but 3 tbsp of the milk in a small pan and heat until almost boiling. Meanwhile, in a heatproof bowl, blend the remaining milk with the custard powder, caster sugar and vanilla essence. Stir the hot milk into the blended mixture. Return

to the pan and cook until very thick, stirring constantly. Line a 18cm/7in square shallow cake tin with greaseproof paper. Pour thick custard into the tin. Level the surface. Cool slightly. Chill in the fridge for 2 hours or until firm to the touch. Cut into 12 squares. Mix the cake crumbs with the mixed spice and place on a flat plate. Pour beaten egg on to another plate. Dip the squares in the egg and then completely coat them with the crumbs. Melt the butter in a nonstick frying pan. Fry the coated custard squares for 3 minutes on each side until crisp and golden. Drain on absorbent kitchen paper. To make the raspberry sauce, sieve the raspberries to make a puree. Stir in the orange rind and juice and icing sugar. Serve hot fritters

sprinkled with a little demerara sugar and dusted with icing sugar, if liked. Serve with raspberry sauce.

### Ratatouille Quiche

Preparation: 20 minutes + chilling  
Cooking: 1 hour  
Serves: 6

225g/8 oz shortcrust pastry  
3 tbsp oil  
2 garlic cloves, peeled and crushed  
1 large onion, peeled and cut into large wedges  
1 large red pepper, seeded and cut into thick strips  
1 large courgette, trimmed and sliced lengthways  
2 eggs, size 3, lightly beaten  
150ml/1/4pt double cream  
soured cream to serve (optional)

**METHOD:** Preheat oven to 200°C/400°F/Gas mark 6. Place a baking sheet in the oven at the same time. Lightly grease a 12.5 x 30.5 cm/5 x 12in loose-based, fluted, rectangular tin. Roll out the pastry on a lightly floured surface and use to line the tin. Trim the edges and chill for 20 minutes. Meanwhile, heat the oil in a large frying pan and add the garlic and onion. Cook for 4 - 5 minutes. Add the pepper and courgette and cook for a further 3 minutes until softened. Remove with a slotted spoon and drain on absorbent kitchen paper. Leave to cool. Line the pastry case with greaseproof paper and fill with baking beans. Bake blind on the hot baking sheet for 10 minutes. Remove the beans and paper and cook for a further 10 minutes. Remove from the oven. Cool. Reduce the oven temperature to 180°C/350°F/Gas mark 4. Arrange the vegetables in the pastry case. Beat the eggs and cream together and season well with salt and freshly ground black pepper. Pour over the vegetables. Bake for 30 minutes until the custard has set. Serve warm with soured cream, if liked.

### HOUSEHOLD TIPS

1. To get rid of stains on your oven door, rub with bicarbonate of soda on a damp cloth.
2. To remove dried-on-food from plates or dishes, sew a button onto the edge of your dishcloth and rub with this.

## FAMILY health

By Dr DAVE BARRY

**Q.** I am fifty-years-old and have been using a sunbed for the first time to keep up my tan. Unfortunately, I now have light brown patches on my arms, legs and back. Will these fade in time or should I go to my doctor?  
**A.** If they are just flat, roughly round, coffee-coloured areas, then more than likely they are café-au-lait spots. These are brought on by exposure to sunlight, whether it is real or artificial. I don't think there is any need to show them to your doctor. They are very common in older people who have spent a lot of time in the sun. They can appear on any exposed area of the body, but are most common on the back of the hands and on the forearms. They tend to fade or go away during the winter but come back in the summer. A sunbed usually brings them on quite strongly and once

you have got them, they're usually permanent.

**Q.** How can I teach my son to say thank you when he is given something? I am very embarrassed with his behaviour as people think he is very rude.  
**A.** There are two things you can do. You and the other members of your family can begin by speaking politely to one another and thanking each other for gifts or for even a cup of tea. Show your son that being thanked gives pleasure. He will want to do the same then. The other thing you can do is practice with him. Make up games such as he invites you to tea or you invite him. You will both enjoy this and in the course of the game he will learn how to say please and thank you. Children learn a lot at this age by copying what adults do and this is also a good way for them to develop social skills.

# Notáí Féile Na Déise

## FLAG DAY

We got a tremendous response to our recent flag day returning a record £649. Even though the weather was at its worst with torren-

tial rain all day on Friday, even that did not deter either the collectors or the public from contributing to a very worthwhile day. A special thanks to everybody who

collected and to all those who thought it worthwhile to contribute. Overall it was a fine example of team work at its best. Some of our local musi-

cians are presently either touring or just back from performing abroad. Martina McGrath has just returned after spending some time in Australia, also David Power and Ciarán Galvin delighting audiences in far off Japan while Brendan Ormonde has temporarily left us and is currently singing and playing music in O'Brien's Irish Pub in Zurich, Switzerland. Brendan, who only started playing the box less than 2 years ago, has made steady progress since. We wish all those young ambassadors of Irish music well and hope to see all of them back for Féile '97.

## FEILE NA nDÉISE CHRISTMAS SEISIÚN

Don't forget Thursday night, December 5th at the Park Hotel where the first Féile Na nDéise Christmas Seisiún will take place in a relaxed and homely setting. A wonderful night of music, story, song and dance performed by local artists in a party atmosphere. Book your tickets early from any member of the committee as only a limited number of tickets are available. Watch local press for further details.

### NEW MEMBERS

We are delighted to welcome the following new members onto our Committee - Liam Lynch, Brid Kennedy, MacDarra MacDonagh and a special mention to the hard working Tom McGrath back on board.

### SYMPATHY

The Committee wish to express sincere and deepest sympathy to our P.R.O. J. J. Landers on the recent death of his sister, Mrs. Margaret Markley of Ballymacarbray. Ar dheis Dé go raibh sí.

## Plays Published by Co. Waterford Playwright

Two plays by Co. Waterford playwright Maurice Connolly of Cullinagh, Kilmeaden, have received rave reviews in the national media.

The revised version of "Ebbtide" which was first premiered in Waterford in 1965, is a lively and original story based in a small fishing village in rural Ireland. An excellent read.

The second play, 'The Magic Maker' was written by Mr. Connolly in 1995 and centres on a number of highly imaginative characters in a small village.

Any theatre company or group, professional or amateur, wishing to produce either of these plays, should contact the author. If a copy of "Ebbtide & The Magic Maker" is not available in your local bookshop, it can be obtained by sending £5.50 to the author at Dumanore, Foulksmills, Co. Wexford.

## Ballinameela/Aglish Dramatics

Rehearsals are now hotting up as we enter the month of November for our production of "The Gentle Island" by Brian Friel. Our set design team are frantically hammering (we hope!) and our set dresser is searching the country for items like airplane seats, Dutch freighter clocks, etc. So if anyone has them handy, contact us!

The production takes place from Thursday, November 21 to Sunday, November 24 in Carriglea Convent Hall and patrons are advised (as always) to book early. Watch this spot for details.

On behalf of all our members we would like to congratulate Marguerite Ryan and Michael Walsh who were recently mar-

Michael, John and Cyril Stack, who star in B.A.D.'s "The Gentle Island," by Brian Friel

ried. Marguerite starred in several of our past productions. We wish them every happiness.

# IN MEMORIAMS

**BUCKLEY** — Twenty-fifth Anniversary — In loving memory of my sister Phil (née Twohig), late of Whitechurch, Cappagh, whose anniversary occurs at this time.

We think of you always,  
We talk about you still,  
You'll never be forgotten.  
You know you never will.  
Will those who think of her today,

A little prayer to Jesus say.  
(Always remembered by your loving sister Máirín, Jimmy and family.)

**DRUMMY** — Tenth Anniversary — In loving memory of Margaret Drummy, late of 38, Congress Villas, Dungarvan, who died on November 8, 1986. May she rest in peace.

Your life was never selfish,  
For us you only lived,  
Not for what you received,  
Only what you could give.  
I never asked for miracles,  
But today one will do,  
To leave the door wide open,  
And see my Mum walk through.  
You taught me many things,  
Mam,  
That I would have to do,  
But you never taught me how to cope,  
With the sorrow of losing you.

(Always remembered, never forgotten, by your loving husband Jimmy, daughter Margaret, son Michael and grandsons Aaron and Jamie.)

**DUGGAN** — Fourteenth and Second Anniversaries — In loving memory of Michael and Bridget Duggan, late of Caseyville, Dungarvan. R.I.P.

A tribute of love to a mother and father so dear,  
So close to my heart each day of the year,  
I still have memories to treasure and hold,  
Of a wonderful mother and father more precious than gold.  
No longer in my life to share,  
But in my heart ye are always there.

(Sadly missed by your daughter Mary, Jackey and family in London.)

**FOLEY** — Nineteenth Anniversary — In loving memory of Monica Foley, late of 10, St. Patrick's Crescent, Dungarvan, who died on November 5, 1977.

(Always remembered by her loving husband Joe and family.)

**FOLEY** — In loving memory of my dear friend Monica Foley, St. Patrick's Crescent, Dungarvan, who died on November 5, 1977. Mass offered.

But these you shall have as long as I live.

(Never forgotten — your friend always — Theresa.)

**MARTIN-AHERN** — Seventh Anniversary In loving memory of Denis Martin and his wife Mary (née Ahern), Kilclare, Conna, who died on November 6, 1989. R.I.P.

Care our loved ones who are gone,  
And bless with consolation,  
Those left to carry on.

(Sadly missed by their parents, brothers and sisters.)

The most wonderful husband ever to live,  
Whatever he had he was willing to give,  
He never complained, he was not that kind,  
He was one of those husbands so hard to find.  
Look after him Lord, as he takes his rest,  
For he was my husband and he was the best.  
Will those who think of him today,

A little prayer to Jesus say.  
(Always remembered by your loving wife, Helen.)

**O'GRADY** — Third Anniversary — In loving memory of my dear father, Stephen O'Grady, who died on November 7, 1993, late of Springfield, Dungarvan and Scart.

A father's love is a blessing,  
A gift beyond compare,  
You only know its meaning,  
When you find he is no longer there,  
So hold him in your arms, dear Lord,  
Treasure him with care,  
For you have in your possession,  
A father beyond compare.  
Will those who think of him today,

A little prayer to Jesus say.  
(Always remembered by your loving daughter Helen Louise.)

**O'GRADY** — Third Anniversary — In loving memory of Stephen O'Grady, late of 70, Springfield, Dungarvan, who died on November 7, 1993.

## TOGETHERNESS

Death is nothing at all — I have only slipped away into the next room. Whatever we were to each, that we are still. Call me by my old familiar name, speak to me in the easy way which you always used. Laugh as we always laughed at the little jokes we enjoyed together. Play, smile, think of me, pray for me. Let my name be the household word that it always was. Let it be spoken without effort. Life means all that it ever meant. It is the same as it ever was; there is absolutely unbroken continuity. Why should I be out of your mind because I am out of your sight? I am but waiting for you, for an interval, somewhere very near, just around the corner. All is well. Nothing is past; nothing is lost. One brief moment and all will be as it was before — only better, infinitely happier and forever — we will all be one together with Christ.

(Missed dearly by his son Thomas, daughter-in-law Monica and grandchildren Christopher and Stephen.)

**TUTTY** — Forty-first Anniversary — In loving memory of my dear father, Stephen Tutty, 53, Congress Villas, Dungarvan, who died on November 14, 1955. Masses offered.

We think of you often,  
We talk about you still,  
You'll never be forgotten,  
You know you never will.

Will those who think of him today,

A little prayer to Jesus say.  
(Always remembered by your loving daughter Theresa, son-in-law Johnnie, grandchildren and great-grandchildren.)

**TUTTY** — Twentieth Anniversary — In loving memory of my dear mother, Ellen Tutty, 53, Congress Villas, Dungarvan, who died on November 7, 1976. Masses offered.

The precious years won't come again,  
When we were all together,  
But the love and care you gave to us,  
Will stay with us forever.

Will those who think of her today,

A little prayer to Jesus say.  
(Always remembered by your loving daughter Theresa, son-in-law Johnnie, grandchildren and great-grandchildren.)

**WALSH** — Fifteenth Anniversary — In loving memory of my dear father, Patrick Walsh, late of 25, Caseyville, Dungarvan, who died on November 7, 1981. R.I.P.

Anniversary Mass at 7.30 p.m. on Saturday, November 9, in St. Mary's Parish Church, Dungarvan.

Life is not measured by the years you lived,  
But by the love you gave and the kind things you did,  
Loving smiles, heart of gold,

These are the memories we tenderly hold.

We never part from those we love.

No distance can divide,  
For every day along life's way,

We still walk side by side.

Just a prayer from a family who loved you,

Just a memory fond and true,

In our hearts you will live forever,

Because we thought the world of you.

Will those who think of him today,

A little prayer to Jesus say.

(Always remembered by your loving son Billy, daughter-in-law Nora and grandchildren David, Jacqueline, Claire and Siobhán.)

## NOVENAS

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. ## Brickeys Ladies Football Notes

# BRICKEY LADIES CAPTURE INTERMEDIATE TITLE

It was the finest game of football played this year. Both teams were determined to be victorious. Each team had players from Waterford's U-16 and U-18's winning All-Ireland teams. It was a 'close encounter' for the second time. The Brickey team lined out against Dunhill/Fenor yet again. Both teams meant business. At half-time we were one point down (1-1 to 0-3).

The second half started and we played football like true champions. The final whistle blew and each player and supporter sighed a sigh of relief. Our goalkeeper Catherine Kiely had a cracker of a game. The full-back line was Sharon Foley, Mary O'Donnell (Capt.) and Leigh Mulhearn. Very few balls passed these girls, all of them played exceptionally well. The next line, you could say, was all sewn up. Triona, June and Colette Whyte made sure there was going to be three County Final medals in their house this year or is it that sisters play well together or are we following in Rathgormack's footsteps? Our midfield was a Kirwan duo as Sinead and Tanya made their presence felt from start to finish.

Next onto our fantastic forwards - Monica Power, Sarah Hickey and Siobhan Cullinane were all able to get to the ball and if they couldn't use it they would pass it on to the last (but not least) of the team. Deirdre Nagle, Mary Longan and Connie Hearne were also well able to catch the ball and put it to good use. Martina Walsh was introduced in the second half instead of Connie Hearne. Martina proved she was able for everything that was thrown at her.

A team is only as good as its subs because when in need, they are called on to prove their worth so next on to the super subs of Ciara Kiely, Yvonne Whelan, Aoife Murphy, Grainne Enright, Ann O'Donnell (injured), Eileen Dee, Martina McCarthy, Martina Ryan and Laura Kelly. The final score was Brickeys 0-14 Dunhill 1-4.

Thank you to the Cove Bar, Stradbally; Danny's, Kilmac' and Bridie Dee's, Mary Street for filling the Cup and joining in in the celebrations. Also to Johnny Kirwan - you're a star and Nora you are a saint. Thanks also to the mens

club for their help and generosity throughout the year.

### SYMPATHY

The club extends its deepest and sincere sympathy to the McGrath family on the death of Jack and also to all the friends and family of Simon O'Brien, two fine men who will be sadly missed.

### "THE FINAL"

The Brickey Rangers are no strangers to this County Final, From Bridie Dee's we'll kick and beat the challengers arrival  
Out on the pitch the ref is seen to crown these final champions,  
A bottle breaks and drinks are raised - Hail Glorious the Black and Amber.  
No opposition will ever sprite June, Colette and Triona Whyte  
And Yvonne Whelan, watch her go she'll twist and turn and ebb and flow.  
Katie Kiely is mighty firely when determined for a win.  
Lee Mulhearn, Chaulkey Foley and Aoife Murphy will play the

wing.  
Spurred on by Johnny Kirwan, the Rangers truest football king.  
Nora Kirwan, Paco Curran wanting scores with every run.  
Sarah Hickey bright and tricky keeping Brickey's number one,  
While Captain Mary stars the show to Bushy Park this Cup must go.

Martina Ryan, Martina McCarthy, Siobhan Cullinan a slight injury hitch,  
Like Eileen Dee today sadly will not be seen upon the pitch.  
Tanya Kirwan, Sinead Kirwan, Deirdre Nagle, Connie Ahearn,  
Martina Walsh and Ann O'Donnell will all perform like Mike O'Connell.

Monica Power, Grainne Enright, Ciara Kiely and Mary Longan will Throw feet and shin to help the Brickey Rangers to an outright win.

Pat Foley.

## KILGOBINET G.A.A. CLUB NOTES

### JAMES WALSH R.I.P.

It was a sad day for the Kilgobinet Club with the passing of James Walsh. Every club or organisation has one leader figure that stands above everyone else and for the Kilgobinet G.A.A. Club that was James Walsh.

In his playing days he wore the green and white with distinction but will probably be remembered most for his trojan work for the Club down through the years. He was our Club Chairman for 17 years in which he was the spearhead in getting our own pitch.

James went on to become Treasurer of the Western Board and later on held the position of County Board Treasurer for many years, never failing to get re-elected. A most popular official who turned around the financial affairs of the County Board.

It was a proud moment for our small rural club to have an official at the highest level. The stature of this man can be seen from the huge attendances at his removal and burial.

Many thanks for everything James. You were simply the best. We extend our deepest and sincere sympathy to B.B. and the Walsh family. May he rest in peace.

# Superb Performances

**DUNGARVAN II 2  
FERMOY 1**

Dungarvan kept up their winning sequence with another impressive home win against Fermoy on Sunday last. Dungarvan were one up after 15 minutes when midfielder Marie Sheehan scored following a short corner. The home side were in complete control during the first half and should really have been further ahead at half time.

The second half was only 7 minutes old when, follow-

ing another short corner, Marie Sheehan scored her second goal. Although Fermoy scored after 20 minutes, Dungarvan were worthy winners.

In goal, Carol Fraher dealt capably with whatever came her way. In defence, captain Eva Quinlan, Emma Daly, Eleanor Moore and in particular, Louise Conroy, were outstanding. At midfield Karen Dempsey, Marie Sheehan and Gillian Conroy dominated. Up front, Mary Dee, Sharon Murphy and Lindsay Keane kept the Fermoy defence under constant pressure.

Best for Dungarvan were Louise Conroy, Karen Dempsey and Marie Sheehan. Special mention must be made of junior player Lindsay Keane whose skilful performance marks her down as a player of the future. Thanks to Tom Gartland for umpiring.

Player of the match: Karen Dempsey.

**KAREN DEMPSEY****MARTINA MOORE****DUNGARVAN 1 0  
COBH 0**

A game that was always going to be tough was made all the more difficult when Dungarvan had to play without four regular team members. Cobh settled immediately and had the home defence under pressure from the start. Some very resolute defending by Dungarvan kept the scores level at half time. The second half was a more even contest with both sides giving their all.

The closest either came to scoring was when Cobh were awarded a penalty stroke. However a superb save by home keeper Emma Daly earned Dungarvan a well deserved point.

This was a most impressive Dungarvan performance when one considers that four of the home players were playing their second game of the day. While all players were outstanding, those deserving special mention are Emma Daly, Lorraine Hayes, capt. Martin Landers, Jillian Dalton and Louise Conroy. Thanks to Tom Moore for umpiring.

Players of the match Emma Daly and Martina Moore.

Team — Emma Daly, Karen Dempsey, Louise Conroy, Avice Kiely, Lorraine Hayes, Gillian Dalton, Martina Landers, Ann Brennan, Marie Sheehan, Therese Larkin, Mary Dee, Sharon Murphy.

# Blues Advance To Next Round After Solid Display

**WATERFORD 2  
CORK A.U.L. 1  
(a.e.t.)**

Waterford had a deserved victory over Cork in this first round game at Ozier Park last Sunday. A strong wind made it difficult for both sides but it was the home side who displayed the better technique and eventually got the better of the Leesiders. Waterford took the lead after 42 minutes when Dungarvan's Joseph Nolan beat the offside trap and squared the ball for David Brennan to chip the keeper for a well taken goal. The lead was shortlived however as Cork equalised in the 45th minute with a scrambled goal after Waterford failed to clear a corner.

The Suisiders enjoyed the better of the second half but neither keeper was seriously threatened as both defences were well on top. After just four minutes of extra time Boh's John Frost beat the Cork offside and coolly beat the keeper for what proved to be the winning goal.

Waterford will now play Tipperary in the second round in Ozier Park.

Waterford — Alan Doherty (Johnville), Joseph Nolan (Dungarvan), Sean Dunne (Carrick), Kevin Walsh (Dungarvan), Damien Gaffney (Bohs), Keith Sheridan (Johnville), David Brennan (Bohs), Karl Upton (Bohs), Bernie Crotty (Dungarvan), Alan Walsh (Carrick), John Linnane (Southend). Res. — Alan Ryan (Carrick), Vincent Sullivan (Dungarvan), John Frost (Bohs).

# Blackwater Rangers F.C. Notes

**U-16 LEAGUE REPORT  
KILWORTH CELTIC 3  
BLACKWATER RANGERS 0**

We may be correct in saying that a three goal difference doesn't give justice to Rangers in this U-16 game played at Kilworth last Saturday as it just happened to be one of those days when what can go wrong will go wrong.

Trailing 2-0 at half-time after being outplayed by a much bigger and more physical homeside, we had already suffered the double blow of losing keeper Jason McGrath in a collision with a Kilworth forward which led to the first goal and thus player Raymond Connery to fill the number one jersey in which he much more than adequately adapted to.

An uphill battle for the second half seemed on the cards but with a new playing formation and new found heart, Rangers outplayed Celtic for long periods of the second half but unfortunately while some days we may talk about blunders in defence, on this particular day it was some outrageous mix-ups in attack which cost us dearly and we were punished by a third goal in the dying moments.

Team: Jason McGrath, Aidan O'Connell, John Tobin, Eoghan Walsh, Dermot Irwin, Ken McGrath, Raymond Connery, Owen Walsh, Eamonn Mernin, Maurice Lynch, Martin O'Brien. Subs: Tony Kearns for Jason McGrath (injured), Conor Christopher for Dermot Irwin, Paul Walsh.

We would like to thank both Kilworth Celtic and Lismore for their sportsmanship at the last delegate meeting.

**RED HOUSE LEAGUE****CASTLEBRIDGE CELTIC 1  
BLACKWATER RANGERS 3**

On Sunday morning we travelled to Bridesbridge to play local side Castlebridge in the kick-off of this season's league campaign.

Rangers started in fine style and took the lead after five minutes when a pin point pass from Michael Cummins set up Colin Cotter to find the net. After this bright start, we unfortunately became sluggish and finished the first half all square, the equaliser coming on the quarter hour mark following what might be considered a harsh penalty decision.

The second half saw Blackwater step up a few gears and with Cummins again setting up Cotter to restore our lead early in the half, we went on to more or less control proceedings and with 20 mins. remaining, Michael Cummins netted our third to secure the points and cap a fine individual debut for himself.

Team: Kieran Cotter, Brendan O'Connell, Tom Scanlon, Franny Cotter, Jimmy Tobin, Roger Ronayne, Dave Cullinane, Mikey Ware, Vinny Lombard, Michael Cummins, Colin Cotter. Subs: Donnacha Tobin for Vinny Lombard, Alan Ronayne for Colin Cotter, Stephen Ronayne for Paul Connery.

# Easy Win For Lismore

**LISMORE 4-14 TALLOW 0-7**

At Cappoquin on Saturday afternoon, Lismore had a facile win over Tallow in the semi-final of the U-21 'A' Hurling Championship. The winners led by 2-8 to 0-3 at half-time with goals from Eoin Bennett and Dan Shanahan. The winners led by 0-5 to 0-1 at the end of the first quarter. At the three quarter stage, Lismore led by 2-11 to 0-5 and as a contest the game was over. Further goals from David Howard and Michael Kearney gave the Cathedral town side the most comprehensive of victories.

## ABBEYSIDE A.F.C. NOTES

### DIVISION 2A LEAGUE

# Ferncombe Fires Reds With Double Blast

## DUNGARVAN 1 ABBEYSIDE 4

Abbeyside recorded an emphatic victory over local rivals, Dungarvan in a one-sided local derby at Kilrush on Saturday last. The Villagers were too strong for a gallant Dungarvan combination who tried to the last but were unable to stem an almost non-stop barrage of pressure from the visitors.

The game was a personal triumph for Jon Jon Ferncombe who netted twice and gave an assured performance all through.

Abbeyside began the game on fire and with Brian Kirwan dominating the midfield exchanges and Derek Foley tormenting the Blues left back, an early break was inevitable. After five minutes Kirwan split the defence to find Derek Foley and he slammed home from close range. Abbeyside increased their lead when after a melee in the Blues box, Ferncombe picked up the loose ball and curled it superbly past Hart to bulge the back of the net.

Abbeyside were now rampant with Colin Dee and Fran McGovern tormenting the home defence. Dungarvan grabbed a lifeline when the previously impressive Liam Crotty was adjudged to have handled in the box and David Crotty slammed home the resultant penalty past Mark McCarthy. Jon Jon Ferncombe restored the two goal lead when Colin Dee was fouled at the edge of the box and he curled the ball over the wall to leave Hart helpless as the ball crashed to the top corner.

Abbeyside kept up the pressure into the second half but the only addition to the scoreline was when

Derek Foley fed the superb Ross Power, whose low cross was turned past his own keeper by the luckless Chris Gough. Derek Foley hit the post again but Abbeyside eased off and only a great save from sub goalie Trevor Walsh stopped Dungarvan from reducing the deficit.

For Abbeyside Darren Lyons, Mark Reynolds, Ross Power, Brian Truman were outstanding in defence. Crotty, Kirwan, Foley and Ferncombe ran midfield and Dee and McGovern were excellent up front. Austin O'Connor

made a valuable contribution when introduced. Trevor Walsh made his first start this season when coming on for Mark McCarthy and it is assuring to have such a fine keeper as cover.

Managers O'Riordan, Fitzgerald and Morrissey must surely be relishing the next games in this league.

## LOTTO NEWS

## YOUTH LEAGUE REPORT

# "Super Mac" Strikes Twice

## PARK RANGERS 1 ABBEYSIDE 3

Abbeyside ran out convincing winners in this competition at Passage on Sunday morning last. Despite some good early attacking football from Abbeyside, it looked like the first period would produce a scoreless draw but Ronan McCarthy broke the deadlock in spectacular fashion with just minutes remaining and gave the Villagers a one goal lead at the break. Abbeyside were first to break and Rangers retaliated by launching a quick attack and put Abbeyside under considerable pressure. Joe Thompson, in the role of right full, played an excellent game and made some very important challenges in the box. Robert Drummy and Brian Loneragan held the centre with rock-like determination and allowed Richard Enright his usual scorching runs down the wing. John 'Brylcream' Byrne stood in for Brian Hayes on the day and made some fine saves.

McCarthy's goal came just before the break. He collected a back-heeler from Cummins and curled the ball over the crowded area and under the crossbar at the far side. McCarthy returned the favour early in the second period. After collecting from Cummins, he skipped past three defenders, back-heeled to Cummins who powered one towards goal which was forced away for a fruitless corner.

Abbeyside pressed for-

ward with Paul Hayes and Kieran McCarthy causing some problems at midfield. Ronan Curran took to his new found position like the proverbial duck to water and must have covered a hundred miles during the course of the game. "Super Mac" was back for his second goal 30 mins. into the half. Eoin Hayes, collecting Cummins throw-in, warded off three challenges before finding McCarthy who fired home his second. Seamus Sheehan closed the account when he rounded two defenders at the edge of the 18 yard and drove a fierce shot to the roof of the net. Abbeyside were now in complete control and played some very entertaining football. Cummins should have had two but his dilemma of close encounters continues. E. Hayes should have converted but shot straight at the keeper. Indeed the Rangers keeper played an exceptional game and but for him their defeat would have been much greater.

Team: J. Byrne, J. Thompson, R. Drummy, B. Loneragan, E. Hayes, P. Hayes, R. McCarthy, K. McCarthy, P. Cummins, R. Curran, S. Sheehan, D. Hickey, J. Walsh, N. Curran.

## SYMPATHY

Sincere sympathy is extended to Mrs. Margaret O'Riordan, her husband, Joe and all the O'Brien family on the recent death of Margaret's father, Simon. May he rest in peace.

## BALLINROAD SOCCER NOTES

### DIVISION 2B LEAGUE

# Ballinroad Keep In Contention

## BALLINROAD 3 CRUSADERS 1

Ballinroad kept the pressure on leaders Tramore when they accounted for cityside Crusaders on Saturday last. Conditions were extremely heavy but Ballinroad adapted better and were on top throughout the game. The home-side created some early chances but were undecided in front of goal. The visitors could make little headway against Ballinroad's defence in which Laurence Boland was outstanding. Ballinroad finally opened their account in the 20th min. when Martin Lacey split the Crusaders defence with a perfect pass and Maurice Tobin showed great skill as he scored from an acute angle. However Crusaders were in no mood to surrender and they shocked the homeside with an equaliser in the 25th min.

Ballinroad conceded a corner on their left and when the ball was only partially cleared, the left winger was unmarked and he drove home from 12 yards. Ballinroad's inability to deal with set pieces continues to be a worrying factor and could prove costly in a vital game. Ballinroad now needed a bit of inspiration and it came from veteran captain, Mor Foley whose surging run took him past three defenders to send Kieran Hallahan clear. "Hally" got to the bye line from where he cut back the ball for the intruding Martin Lacey to rifle the net.

The second half saw Ballinroad well on top but missing some gilt-edged chances allowed Crusaders to remain in contention. The skill of Vinny Tobin tormented the Crusaders defence and his perfectly flighted cross in the 60th min. fell for Martin Lacey and he gleefully shot home his second goal.

Ballinroad were under some pressure for the final 15 mins. or so but in truth, Crusaders never looked like scoring. The visitors had a golden chance to reduce the deficit in the 85th min. when they were awarded a penalty for handball against a defender. However their centre-half, who was their best player on the day, drove wildly over the bar and so ended their last chance of success. Each of Ballinroad's 13 players contributed their share in this latest victory and, with almost half their league programme completed, are well capable of being involved in the shake up for honours.

Team: Power, Burke, Lacey, Boland, McCarthy, Henley, Foley, Thompson, Hallahan, V. Tobin, M. Tobin. Res.: Veale and Michael Fraher (both used). Ref.: Gerry Finn.

**INJURY** — Sterling team captain, Mor Foley suffered a nasty eye injury and was detained in hospital for a few days. Everyone in the club wish him a speedy recovery.

**FAS SCHEME** — The workers of the above scheme are to be congratulated on the fine condition of the club grounds.

**SEAVIEW CO-OP DRAW** — The second draw takes place in Conna, Co. Cork on this Saturday, November 9th. All monies to be returned to Club Treasurer, Maurice Tobin before the end of the week.

**SYMPATHY** — Ballinroad F.C. wish to sympathise with Kilgobinet G.A.A. Club on the death of James Walsh. Over the years both clubs have worked together with Kilgobinet being welcome visitors to share our training facilities in winter. James was a regular member of our draw and any social event within the club.

Sympathy also to the well known McGrath family, Dungarvan on the death of Jack.

May they rest in peace.

## FIXTURES

Division 4B at home to Piltown on this Saturday, November 9th at 2.15 p.m.

## BALLINROAD UNDER-13

On Saturday we played Southend away. This was a very good side and we were under pressure from the start. Southend scored from the penalty spot after 10 mins. Against the run of play we played a long ball from midfield which put D. Flavin through and he scored a good goal. Just before half-time we let in a silly goal.

After the break we were under pressure again and it wasn't long before Southend scored their third. The final score was 5-1.

Team: S. Fitzgerald, S. Mountain, R. Hanrahan, G. Flavin, S. O'Connor, C. Walsh, T. Fitzgerald, W. Morrissey, C. Beresford, D. Flavin, A. Walsh. Subs: P. Curran, D. Cordon, J. Moloney - all used.

## RECENT FIXTURES

### CARRICK 2 STRADBALLY 2

Despite missing a number of players we put in a very good display against the league leaders and favourites for the league on Saturday last. Liam O'Brien gave us an early lead with a superb glancing header but unfortunately Carrick equalised before half time and went into the lead early in the second half but Stradbally were not to be denied and equalised through the alert Gerry Power who pounced on the rebound from a Liam O'Brien free kick.

It would be fair to say that Carrick should have scored a few more against us but for the brilliant and inspirational goalkeeping of Oliver Costello who kept us in the game at the most important times.

### RAILWAY 0 STRADBALLY 1

We came away from Cap-poquin last Sunday with a very good win. George Walsh put us into a very early lead after five minutes but we were not prepared to sit on that lead but instead went all out to add to it. Pat

Halpin and Michael O'Brien had shots well saved after solo runs from their own half. Well done to all.

## SEAVIEW CELTIC DRAW

The club would like to thank everyone who bought tickets for the Seaview Celtic Super Draw. For every ticket sold the club receives £10 which will go towards the future development of the club. It is you who keeps soccer alive in Stradbally. The first draw took place on October 19, unfortunately we had no winner this time, although our neighbours Ballinroad sold the winning car ticket. Next draw takes place on November 9 and £5 a draw ticket holders are asked to have their £5 in this week at the very latest.

**MUNSTER JUNIOR CUP (2ND ROUND)**

# Brilliant Blues Hit Bohs For Six

**BOHS (PREMIER) 2 DUNGARVAN 6**

Dungarvan United's first Div. side caused quite a stir in junior football circles with an emphatic 6-2 victory over Premier outfit Bohs at Kingsmeadow, Waterford City on Sunday morning last in the second round of the Munster Junior Cup. It must surely rank as one of the best displays by a Dungarvan junior team for many a long time.

Bohs, F.A.I. Junior Cup holders, were red hot favourites to advance but this young Dungarvan team had other ideas and turned in a truly brilliant team performance to outplay Bohs in every sector of the pitch.

From the first whistle the Blues attacked and went ahead after only 7 minutes when Trevor O'Mahony received a pass from Mark Crotty and his shot from 24 yards flew in past the keeper. Bohs equalised in the 26th min. when Browne tapped home a cross from the right. Five minutes before the break a Peter Ferncombe free from the right found Mark Hyslop and he headed home to put the Blues 2-1 ahead. In the 43rd min. Dungarvan were 3-1 up following a Peter Ferncombe corner on the right when Aidan Landers climbed highest to head home a great goal.

Playing with the breeze in the second half into the town goal the Blues totally

dominated the play with some great passages of football. Five minutes into the half a long clearance by keeper John Hallinan found John Donnelly whose shot hit the post but Mark Crotty slammed the rebound into the net. Trevor O'Mahoney got his second and Dungarvan's fifth in the 61th min. when he finished off a good passing move. John Donnelly kept his record of scoring in every game when he shot home in the 84th minute to put the Blues 6-1 up.

Bohs got a late consolation goal from a penalty kick after George Hamilton was judged to have fouled.

Dungarvan — John Hallinan, Georgie Hamilton, Aidan Landers, Willie Coward (capt.), Colin Walsh, Trevor O'Mahony, Mark Hyslop, Timmy Kiely, Peter Ferncombe, John Donnelly, Mark Crotty. Res. — Pat Dunford for Trevor O'Mahoney; Tommy Sheehan for Peter Ferncombe.

**DUNGARVAN UNITED DIV. 3B LEAGUE**

# Dungarvan Share Spoils In High Scoring Encounter

**SEAVIEW 3 DUNGARVAN 3**

Dungarvan's third team travelled to the Annestown venue on Sunday morning last and came away with a share of the spoils in a keenly contested game.

Dungarvan got the best possible start when from a Donnelly free kick, the ball fell to Simms and his first time effort came back off the Seaview upright but the ball fell kindly to Hayes who put the Blues one up after 5 mins.

For the next 40 minutes we found ourselves under a lot of pressure as the home side took the game to the visitors. Seaview were rewarded on 25 minutes when

their midfielder was allowed too much room and his shot from all of 40 yards sailed right into the top left hand corner of the net giving Whelan in the Blues goal no chance. For the remainder of the first half only some great goalkeeping by Whelan kept the Blues in the game.

It was Dungarvan who dominated the opening 20 minutes of the second half, finally getting to grips at midfield. They were rocked with 20 minutes remaining when a cross from the right saw two Dungarvan players hesitate and the Seaview forward took full advantage and headed Seaview into a 2-1 lead.

Dungarvan were back on level terms on 34 minutes when P. J. Drummy released Donnelly. Donnelly's mazy run took him past three players, the fourth stopped him in his tracks, but from the resulting free kick, Whelan gave the Seaview keeper no chance. Dungarvan now had their tails up and when Wright released Donnelly down the right, he in turn crossed the ball for Simms to put the Blues 3-2 ahead and with 11 minutes left it looked as if the Blues would take the points.

Seaview were not to be denied and made it 3-3 in the final minutes for a deserved draw.

Dungarvan — Terry Whelan, John Downey, James Cooney, Ber Whelan, Michael Hart, P. J. Drummy (capt.), Thomas "Pops" Wright, John Paul "Copper" Donnelly, Brendan Drummy, Kevin Hayes, Alan Simms. Res. — Brian Power for Brendan Drummy; John Sheehan for Kevin Hayes; Danny McGovern, Christie Connelly...

**THE WEEK GONE BY**

Our 1A side had a great result in the Munster Junior Cup at the weekend winning away to Bohs Premier side by six goals to two. A great performance this from the lads. Unfortunately things did not go as well for our 2A side on Saturday last when they were hammered at home to local rivals Abbeyside by four goals to one. The lads can have no complaints about this one as on the day they were well beaten by a far better side. Our 3B side made the journey to Seaview on Sunday morning and came away with a creditable 3-3 draw. On the score sheet for the lads were Alan Simms (2) and Ber Whelan.

Also on Sunday Waterford played Cork in the Inter Youths League at Ozier Park. The full time score was 1-1 with Waterford getting the winner in extra time for a 2-1 victory. A special word of praise for our own Dungarvan lads who played, these were Kevin Walsh, Joseph Nolan, Benny Crotty and Vincent Sullivan (sub). Well done lads and well done to their manager Kealan O'Neill.

**THE WEEK AHEAD**

Next weekend our 1A side are the only adult team in action. They are at home to Bohs in the league and they will be looking to further enhance their league position. Our youth team take on Southend in the F.A.I. Cup also at the weekend. Both our 2A and 3B sides have no competitive match.

# Local Derby Shambles

**DUNGARVAN UTD. 1 ABBEYSIDE 4**

## ABBEYSIDE CRUSH BLUES IN ONE SIDED ENCOUNTER

What was expected to be a cracker of a local derby never lived up to expectations, not for the Blues anyway. Straight from the start the visitors got on top in every department of the field. After only five minutes they were ahead when Patch Foley outpaced the home defence to get onto a through ball and he made no mistake to give Abbeyside the lead.

Just three minutes later John John Ferncombe was left unmarked inside the box and he didn't miss the opportunity to give his team a 2-0 lead. No team can have such a disastrous start and expect to win games.

After 15 mins. Dungarvan got a glimmer of hope when David Crotty made a good run and his cross found David Sheehan whose shot was handled inside the box and David Crotty brought the Blues back to 2-1 from the spot but it was to be shortlived. Dungarvan then

conceded a needless free kick just outside the box and J. J. Ferncombe curled the free-kick past the wall. It looked to be covered by the keeper but it somehow squeezed in at the near post.

To be honest the Blues were lucky to be only 3-1 down at the break as the Village boys caused all kinds of problems every time they attacked. Only the woodwork kept them at bay on a number of occasions.

In the second half, the Blues did manage to get more possession and put some moves together but it was too little too late. For their fourth goal, Abbeyside caught Dungarvan with a

quick counter attack and a cross from the right wing was deflected by the defender past his own keeper for an o.g.

This was one of the poorest and most disappointing displays for any Dungarvan team for a long time and very, very few players did themselves justice. Let's hope every player will now put his shoulder to the wheel to turn this disastrous start to the season around.

Dungarvan: J. Hart, M. Cummins, J. O'Shea, B. Coleman, C. Gough, D. Crotty, J. W. Power, D. Sheehan, F. O'Rourke, M. Donnelly, M. Ducey. Res. (all used): G. Beresford, J. Whelan, D. Callaghan.

## EAST CORK WEST WATERFORD SCHOOLBOYS SOCCER LEAGUE

## STRIKERS ON FORM

It was a good weekend for strikers and frontmen last weekend with 33 goals being scored in the 9 league games.

## U-18 LEAGUE RESULTS

MOGEELY 0  
ARDMORE 3

This game took place in Mogeely on Sunday last and the West Waterford club ran out winners. They were 1-0 up at the break and a second goal from the penalty spot early in the second half set them on the way for victory. Declan Collins was Mogeely's man of the match here.

YOUGHAL 7  
CLASHMORE  
RAMBLERS 2

A big home win here for the Seasideers who led 3-1 at the break. Ramblers did pull a goal back early in the second half and the score stayed like this going into the final 20 mins. when Youghal scored four goals. On target for Ramblers here were Tom Byrne and Peter Colbert.

CAPPOQUIN 0  
CASTLEBRIDGE  
CELTIC 4

A hat-trick from Celtic's hero Brian Fitzgerald was the highlight of this game. Fitzgerald grabbed two in the first half. The first came in the 30th min. and Fitzgerald scored his second from the penalty spot just before the break to leave Celtic 2-0 in front at the break.

Barry O'Connell put the visitors 3-0 in front after 50 mins. before Fitzgerald rounded off a marvellous performance by scoring Celtic's fourth and his third in the 53rd min. A good away win here for the Castlelyons side.

## U-16 RESULTS

BALLYBRIDGE UTD. 3  
BRIDEVIEW UTD. 1

This meeting of the Utd.'s saw the homeside come out on top. Two early goals to the East Cork side saw them dominate the opening 20 mins. The marksman for Ballybridge was John Flavin who got the opening two goals. Shane Cronin scored a third before the break.

## INCH 0 YOUGHAL 1

The Seasideers put some distance between themselves and the rest of the clubs when they defeated neighbours Inch in a thrilling game played in Inch on Saturday last.

This was end to end stuff from the word go. Inch knew this was a game they had to win. A win for them would have brought them level with Youghal at the top of the league table. The only goal of the game came

in the first half for Youghal and they held this lead till the break.

Both clubs produced some very entertaining football in the second half and chances were missed by both sides. At the final whistle, the Seasideers had held out for a marvellous victory. Full credit to the homeside who never gave up.

KILWORTH CELTIC 3  
BLACKWATER  
RANGERS 0

Plenty of good football here from both sides and the game was there for both sides but the homeside did enough to collect the points.

The opening goal came after 30 mins. when Joe Cahill beat three of Rangers defenders before crossing a great ball for the inrushing Thomas Seymour to head home. This was the only goal in the first half.

Ten minutes into the second half a great run by

Mark Hickey into the Rangers penalty area and a well struck shot flew into the visitors net to put Celtic 2-0 in front. Rangers fought back and were denied by Ned O'Brien, Celtic's keeper twice in as many minutes midway through this second half.

Celtic finished the stronger and with time almost up Seymour struck again for his second and Kilworth's third to clinch the points. A good home win here but Rangers played their part in making it a very exciting game.

## U-14 LEAGUE RESULTS

BALLYBRIDGE UTD. 1  
KILWORTH CELTIC 0

A Brian McCarthy goal in the first half proved to be the only goal of a highly entertaining game. Utd. should have made it 2-0 in the second half but they missed a penalty kick.

However they held out for victory.

VALLEY RANGERS 1  
CASTLEBRIDGE  
CELTIC 1

This local derby played in Conna on Saturday last saw both clubs go all out for victory. Despite a tame opening half in which both sides failed to score, the second half was full of good football and goalmouth incidents.

Sean Cunningham opened the scoring for Rangers early in the first half and they looked to have the points wrapped up going into the final minutes when Celtic were awarded a penalty from which they converted to leave the sides level.

Overall a draw was a fair result here but perhaps Rangers will feel that it was two points dropped.

## U-12 LEAGUE RESULTS

YOUGHAL 1  
CLASHMORE  
RAMBLERS 5

Goals from Jim Flavin and James Ledingham put Ramblers 2-0 in front at the break. Ledingham and Flavin further increased the visitors lead before Youghal pulled a goal back. Ramblers finished the stronger and Ledingham rounded off a marvellous performance when he scored Ramblers fifth and his third to clinch the points for the Clashmore side and move them into second place just 2 pts. behind Ardmore.

## U-12 LEAGUE ROUND-UP

## Inch At Home To Ardmore In Vital Game

This weekend's fixtures will see some very interesting games taking place but the East Cork club Inch should host match of the day when they entertain league leaders, Ardmore in a vital league game to both sides.

Other league games are down for Clashmore, Castlelyons, Ballymacoda and Youghal.

## MATCH PREVIEWS

## U-16 LEAGUE ROUND-UP

Tough  
Games For  
Youghal,  
Kilworth  
And Inch

The top three clubs all face tough games on Saturday next but having said that, Youghal and Kilworth Celtic, with home advantage, should collect the points. Inch face a very hard game away to Lismore while other games take place in Castlelyons and Ballymacoda.

## MATCH PREVIEWS

Clashmore Ramblers v  
Castlebridge Celtic

Both of these clubs are down the table but with the cup competition starting soon both will be looking for good performances from their players. It's a game that could go either way and don't rule out a draw.

Youghal v Blackwater  
Rangers

The Seasideers will start favourites here and with home advantage they should continue their winning ways. Their visitors from

Aglish are doing well in the league but they may have to give way on Saturday to a strong Youghal side under the guidance of Kevin Kenneally.

Kilworth Celtic v  
Brideview Utd.

On form Celtic should prove too strong for a Utd. side still trying to find their feet. Home advantage and good league form to date, suggest another tough game for the Tallow side.

Ballybridge Utd. v  
Valley Rangers

This meeting of Utd. and Rangers should produce an interesting game as little separates the clubs in the league table. Both clubs had wins over the Tallow side in previous weeks. It's a game that could go either way and both sides might be happy with a draw.

Lismore v Inch

Inch to collect the points here away in Lismore.

two clubs firing on all cylinders at the moment. A very difficult game to forecast but home advantage may just shade it for Ramblers.

Castlebridge Celtic  
v Lismore

Both of these clubs are in the wrong half of the table so the result will matter little to the top clubs. The visitors may grab the points here.

Inch v Ardmore

This should be match of the day between two of the leagues better sides. Both sides are well in the hunt for the league title so this game could be vital and both clubs will be going all out for victory. It's a very difficult game to forecast but if Ardmore can play to form then they may just shade it.

Having said that a win for Inch here will not be a major surprise but it would open up the league and leave any one of five clubs in with a chance of the title.

Youghal v  
Brideview Utd.

The Seasideers are going well and should collect full points at home on Saturday against Brideview. The Seasideers are well in the hunt for the title and with home advantage, it should be another good day for the Seasideers.

Ballybridge Utd. v  
Valley Rangers

Both of these clubs are midtable level on points at 6 pts. each. This is a game that could end with the clubs getting a share of the points.

**RED HOUSE LEAGUE NOTES**

# Good Wins For Inch, Ballyduff And Clashmore Ramblers

The league season began with some surprising results.

## DIVISION ONE INCH 2 LISMORE 0

Lismore were not given a warm welcome to Inch last Sunday. The champions lined out without one or two key players but started well and were well on top in the first half without really threatening the Inch goal. John Treacy and Ken Nolan played exceptionally well and Lismore's best chance came from a free-kick which came back off the bar.

Inch came back into the game in the second half and from a free-kick on the left, William Joyce guided the ball into the net. Lismore went all out for an equaliser but Inch stood firm and Liam Dalton made the game safe with a fine goal five minutes from the end. Paul and Brian Quinn played well for Lismore while John Treacy, Ken Nolan, Peter Savage and Liam Dalton starred for Inch.

## CAPPOQUIN 'A' 3 CLASHMORE RAMBLERS 5

A great start for Ramblers in a high scoring game. The visitors were never behind though Cappoquin kept in touch at all times. Pat Lombard scored twice, Frannie O'Rourke, Kevin O'Rourke and sub Tiger O'Neill were all on the mark for Ramblers.

## BALLYDUFF 3 ARDMORE 0

Ballyduff showed that they mean business with this convincing win over previously unbeaten Ardmore. The homeside led 1-0 at the break and two second half goals gave them the points. Scorers here were Eoin Corcoran (2) and Jerome Quirke.

## DIVISION TWO YOUGHAL 3 GORTROE 0

Youghal won this game easier than expected when goals by Stephen Barry and Kevin Lonergan had them 2-0 ahead at half-time. Youghal played very well in this game and yet another goal by Billy Daly secured a valuable home win.

## PINEWOOD RANGERS 3

## AN GAELTACHT 1

Rangers got their league programme off to a good start when they defeated visitors An Gaeltacht by 3-

1. It was a good solid display by Pinewood who led 1-0 at half-time through a David Ryan goal. An Gaeltacht equalised early in the second half but Pinewood scored twice thanks to Mike Guiry for a well deserved win. There were good displays for the homeside from Dave Ryan, Mike Guiry and keeper Michael Doocey.

## VALLEY RANGERS 3 ARAGLEN 1

Rangers continued their good run when they accounted for visitors, Araglen. The first half was a close affair and it took 40 mins. to produce the first goal when Richard O'Keefe grabbed the opening goal for Valley. It was still

1-0 at half-time and within a minute of the restart, Araglen were unlucky not to equalise when a shot hit a post and ran along the goal line before being cleared. This shook up the homeside and goals by Donal O'Leary (55 mins.) and Sean Buckley (75 mins.) made the game safe for Valley. Araglen did pull a goal back with 10 mins. remaining when Gerry McCarthy scored.

## DIV. THREE

### CASTLEBRIDGE CELTIC 'B' 1 BLACKWATER RANGERS 3

Celtic 'B' had their first ever game against a very good Blackwater Rangers

side and it was the visitors who went home with the points. The teams were level at half-time, Stephen O'Brien scoring for Celtic from the penalty spot. Rangers scored twice in the second half but Celtic were very unlucky as they hit the woodwork four times.

Due to a local bereavement the Glenview v Cappoquin 'B' and Modeligo v Affane matches were cancelled.

## PERFORMANCE OF THE WEEK

Ballyduff, Clashmore Ramblers and Youghal were all convincing winners but Inch were the team that raised most eyebrows on Sunday.

## DIVISION TWO PREVIEW

# Every Team In With Chance Of Winning Div. Two

Last week we had a look at Division Three. Now we move up to the second division. As this is the 'middle league' many feel it is also the most competitive. With two teams going up and another two teams going the opposite way every match will be important. In fact teams are so closely matched we will probably see a lot of drawn games and perhaps a play-off at the end in this 'group of death'.

We look first at An Gaeltacht who escaped last season by the narrowest of margins, despite starting very well. They had a poor Bolger Cup and Luke O'Brien wasn't exactly brimming with confidence when asked about their chances. Still they have quality and if they get off to a good start, should have a good run. Luke tipped Castlebridge, Pinewood and Valley to do well.

Araglen are next and they also failed to deliver last season. With no Bolger Cup games played, they were slow to start which is what Paul Colbert had to say when quizzed. Paul was hoping for an improvement and felt Gortroe, Pinewood, Youghal and Valley would be the teams to beat.

Next we go to East Cork and Ballybridge. Rod Roger's club suffered relegation last season and would like to get back at the first attempt. I spoke to Paul McCarthy about their chances and was surprised to hear him say he was not too optimistic and they would settle for finishing in the top half. He also said Gortroe would be the big danger along with Youghal.

Our next call is to Castlebridge Celtic 'A' who were desperately unlucky not to get promoted last season. Celtic might not score a lot of goals but they don't concede too many either. Joe Hartnett pointed out how hard the league would be to win while Maurice Jacob stated Celtic would be dangerous if they get a good start. His list of rivals included Valley, Youghal and Ballybridge.

Back to East Cork now for Gortroe. They were last season's highest scoring team though they did draw a lot of games which probably cost them promotion. Billy Lane was expecting 'big things' this season but said his defence had to tighten up. He sees Youghal in particular and Valley, Pinewood and Ballybridge

as the teams to overcome.

Pinewood Rangers captain Dick O'Keefe has tremendous confidence. Definitely the top two, he said. He went on to explain that manager Pat Power and his assistant Martin Wall have a good squad with some new young players. Dick feels Youghal and Gortroe will provide stiff opposition.

Valley Rangers are another very confident club according to Derry O'Leary. "A good season in store" were his words and he had no hesitation in naming Valley (of course), Castlebridge and Ballybridge in that order.

Finally we go to Youghal, one of the finest football teams in the league and long overdue a trophy. Youghal were involved all the way last season and are sure to go close again. Martin Coen thinks they have a good chance but need to improve a little. Youghal will be keeping a special eye on Pinewood, Ballybridge and Valley Rangers in particular. Jim Foley tips Pinewood, Youghal and Gortroe and it just remains to wish all the teams the best of luck.

Next week Division One.

## MUNSTER JUNIOR CUP

# Brideview Bow Out!

## PORTLAW 3 BRIDEVIEW 'A' 1

Brideview's heroic run came to an end in Portlaw on Sunday. Utd. went ahead after 13 mins. through Paul Curley following a corner and couldn't get a second despite coming close on several occasions.

Thirteen minutes into the second half, Portlaw equalised from a penalty and further goals after 22 and 30 mins. from the homeside gave them victory. So the run is over but everybody connected with Brideview Utd. can be very proud of their achievements.

## RED HOUSE LEAGUE ROUND-UP

## MATCH PREVIEWS

# Some Close And Exciting Games In Prospect This Weekend

## DIVISION ONE

## Clashmore Ramblers v Lismore

Two teams who had contrasting fortunes last week. Ramblers had a fine win against Cappoquin 'A' while champions Lismore struggled against Inch. Ramblers are still learning and face a stiff task against one of the most experienced teams in the league. Lismore will start as favourites but home advantage could level things up. A draw.

## Mogeely v Ballyduff

Mogeely will be up against bang in form Ballyduff, who have been playing very well this season. Mogeely have been erratic so far and will need to be at their best to halt Ballyduff. Mogeely won this fixture last season and the visitors will be looking to reverse that result which they might do. Away win.

## Ardmore v Brideview Utd. 'A'

Two of the more fancied teams for the title clash in Ardmore next Sunday. This will be the match of the day without a doubt and much will depend on the two sets of forwards. Utd. suffered their first defeat of the season last week as did Ardmore and although both teams would like to bounce back with a win, it could be a case of settling for a point each. A draw.

## Cappoquin 'A' v Inch

Inch will travel to Cappoquin in good spirits after last week's win over Lismore. Remember too that they had a draw away to Ardmore in the Bolger Cup so they will be hard to beat. Cappoquin 'A' will be hoping for a win after their defeat against Clashmore and are always difficult opponents.

## DIVISION TWO

## Araglen v Pinewood Rangers

Araglen played very well last week in Conna despite their defeat and Pinewood could find it difficult to get something out of this. Rangers made a winning start and are a strong team when they have all their players available. Pat Power will be hoping his team go straight back up and they may be too strong for Araglen on Sunday. Away win.

## An Gaeltacht v Ballybridge Utd.

Utd. were relegated last season and this will be their first game of the season. Ballybridge are a talented team, capable of beating most teams on their day. Their opponents on Sunday (An Gaeltacht) have yet to find their rhythm and they will be hoping to win sooner rather than later. It could be Ballybridge who will prove stronger on Sunday. Away win.

## Gortroe v Valley Rangers

This should be a real thriller on Sunday. Valley came out on top two weeks ago in the Bolger Cup and Gortroe were

sunk by Youghal last Sunday. Valley's form has been very impressive and both teams are expected to do well this season. Once again Gortroe have been scoring freely but their defence has conceded even more and they will have to rectify this. A hard game to forecast but I have a feeling Gortroe might win. Home win.

## Youghal v Castlebridge Celtic 'A'

Games between these teams have always been close and it took extra-time to divide them last time. Youghal were delighted with their win last Sunday and their form has been better than Celtic to date. Castlebridge will be well aware of Youghal's strengths and we can expect another tight game with maybe just home advantage the difference between the teams. Home win.

## DIVISION THREE

## Blackwater Rangers v Kilworth Celtic

Celtic kick off their league programme with a tough assignment in Aglish against Rangers. Blackwater are one of the favourites for promotion and have been playing well and getting results. Kilworth suffered some defeats in the Bolger Cup and they may have to wait until after Sunday for their first points. Home win.

## Brideview Utd. 'B' v

## Cappoquin 'B'

Utd. will go into this game as favourites as the visitors had a poor record last season. Cappoquin's results have been good so far though they will be looking for an improvement this season. Home win.

## Affane v Glenview

Bolger Cup semi-finalists Glenview will be looking to transfer their good form to the league but Affane have ideas of their own this season. They surprised many with a win over Ballyduff and it won't be a surprise if both these teams are promoted. Home advantage could swing it for Affane. Home win.

## Castlebridge Celtic 'B'

## v Modeligo

Modeligo will be expected to win this game against their more experienced rivals. The visitors have promised to deliver this season but Celtic will be determined to grab their first points. The homeside played very well in defeat last week and many people felt they were unlucky. A hard game to forecast but Modeligo might just shade it. Away win.

## BOLGER CUP SEMI-FINALS

It is now planned to play the Ardmore v Brideview 'A' and Glenview v Valley Rangers semi-finals on St. Stephen's Day.

## RAILWAY ATHLETIC F.C. NOTES

# Railway Get Vital League Win

## RAILWAY ATHLETIC 2 PARK RANGERS 1

On Saturday afternoon last we recorded another good victory at home to Park Rangers in the league. This result keeps us in touch with the leaders in a very tough 1B league.

Railway started this game at a blistering pace and the Rangers keeper was under pressure early on. Dermot Dee, who once again had a very good game, was first to test him but the keeper saved well. Railway were playing some nice football and O'Donnell, Costin, McLoughlin, Pratt and Quinn all had good efforts narrowly go wide or saved in the opening ten minutes. Railway then found themselves a goal down after twelve minutes when they conceded a free. The ball was floated into the back post and the Rangers number 7 jumped unchallenged to head past Arrigan to give Rangers the lead.

Railway began to work a lot harder after this and the majority of the game was played in the Rangers half. It was inevitable that Railway were going to score and after twenty five minutes the sides were level. A free kick out on the right was floated in but was cleared only as far as Frank

McLoughlin, his cross was headed home by Tommy Pratt to bring Railway back into this game (by the way Frank, Tommy said to mention that he has gone another goal ahead of you). Steve Quinn was unlucky not to add to Railway's tally but his shot was well held by the Park Rangers keeper. The first half ended with both sides deadlocked at one apiece.

In the second half the game picked up in pace as both sides went all out for the three points. At this stage both defences were well on top and if someone was to get a winner, it would have to take something special. Well special we got. Eamon Murphy scored what can only be described as an absolutely brilliant goal. Murphy won the ball on the left wing and cut inside the Rangers right full, as everyone thought Murph was going to put in a cross, he unleashed an absolute rocket that left the Rangers keeper absolutely stunned as the ball went high into the top left hand corner for a great goal.

Rangers fought hard to get back into the game but Railway defended well to gain another valuable three

points. This was a very spirited performance from Railway and manager Tom Browne is very happy with his charges at the moment.

Railway — G. Arrigan, D. Coughlan, E. Murphy, L. Costin, M. Reddy (capt.), K. O'Donnell, P. Manahan, T. Pratt, S. Quinn, D. Dee, F. McLoughlin. Res. — B. Whelan for Costin; P. Ormonde, M. Geoghegan.

## ARDMORE A.F.C. NOTES

# Ardmore Start League Campaign With Defeat

Mixed fortunes for Ardmore over the weekend with the junior side losing their first league game of the season away to Ballyduff and our under 18's starting their campaign with an away win in Mogeely.

## BALLYDUFF 3 ARDMORE 0

Ardmore's league campaign kicked off with a defeat at the hands of a very competent Ballyduff side.

The first half saw the exchanges very even and Ardmore had their chances but their forwards who were having a bad day, failed to capitalise on them. As the homeside began to get on top the overworked Ardmore defence was breached just before the break to give Ballyduff, who never looked back, a one nil lead at the break.

The second half saw the homeside score two more to

give them a good start to their campaign.

Ardmore will be disappointed with the start but it wasn't all negative as the defence played well with Seamus Veale and Seamus Keavers (who suffered a head injury that needed stitching) very prominent. Johnny Hennessy's performance improved on previous outings this season and Eoin Flavin did well as sweeper. Midfield saw a man of the match performance from Keith Morrel who had a fine game and Anthony Sullivan also played well. Unfortunately up front the lads didn't go well and this is an area that will have to be improved on if results are to be got. Still there is a long season there yet and Seamus Veale has not had the full panel of players available to him yet.

## UNDER-18 LEAGUE

## MOGEELY 0 ARDMORE 3

Ardmore got off to a flyer with a hard earned victory over Mogeely. The game was much closer than the score suggests and Ardmore worked hard for the points. Goals from Prendergast, Lenane and Supple gives the Seasiders the start they needed in this competition.

## TRIP TO

## MANCHESTER

The lads went to Old Trafford to see United play Chelsea and came away from the game disappointed. But by all accounts it didn't stop them from having a good time. Reports have it that one member found it very hard to stay on a stool, they played a request for him afterwards, the song very appropriately called "Please Help Me I'm Falling".

# JACK McGRATH — A BRICKEY TRIBUTE

Jack McGrath was laid in his final resting place in the Parish church graveyard on Monday last and he was given an impressive, fitting send-off by the Brickey Club and all his many friends. It didn't surprise me that young and old and all classes and creeds turned out to pay their last respects.

Jack was that kind of man; he had a rare ability to mix and converse with young and old and rich and poor alike. To the youngsters who spent their time in Bushy Park he was a father figure; he encouraged them to kick football and, on occasions, scolded them when they got up to some devilment; it was all taken in the good spirit in which it was intended.

To us adults Jack was the 'Boss' or the 'Gaffer' as he was affectionately nicknamed; he wasn't given the label 'Gaffer' lightly as he had an uncanny ability to manipulate people into getting any particular job done. He didn't take 'no' for an answer. He was a man of action more than a talker. He was a master craftsman and was justifiably very proud of his prowess as a builder; all the jobs he was directly responsible for down through the years bear testimony to his motto that if a job was worth doing, it was worth doing well.

Jack was a clubman apart. The club wouldn't be in the healthy state that it is today without his herculean contribution. He put his heart and soul into the development of Bushy Park and the club pavilion. We all know that it was a labour of love, but it still required great dedication and persistence to bring the whole project to fruition.

Financial resources were more often than not in very short supply, but Jack had an extraordinary ability to make do with what was available. He begged and borrowed and often collected items that others had literally consigned to the dump. Usually, he was the only person who could see what possible use these discarded items would be put to; invariably, he was proved to be abso-

lutely 'spot-on.'

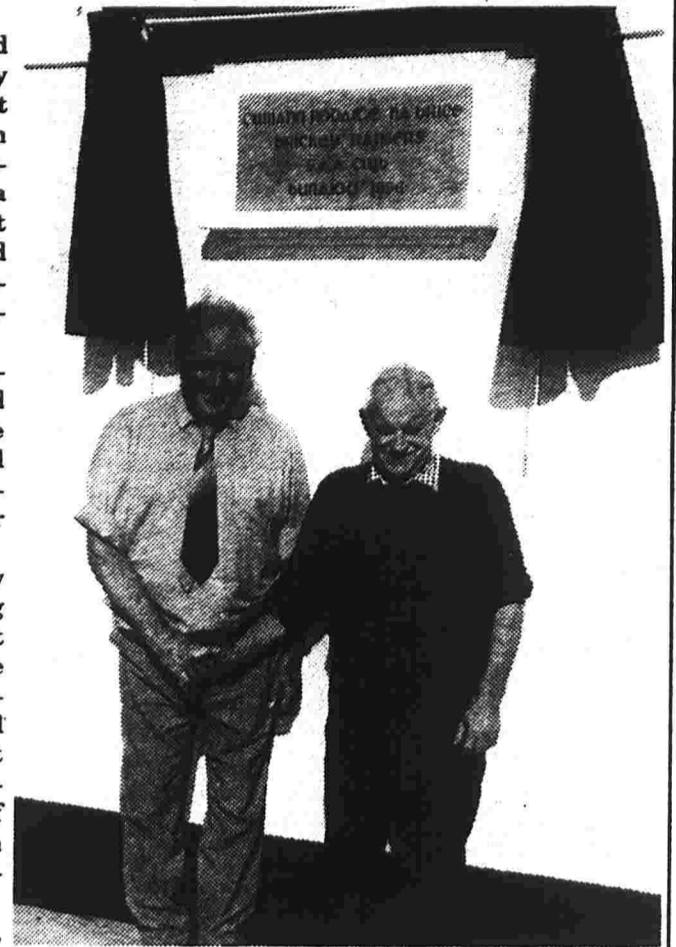

The story of the building of the club pavilion and Jack's central role in it is one that some day will be fully documented. Jack doesn't need to have a monument built to keep his memory alive; while the club pavilion exists and for as long as boys and girls are kicking football in Bushy Park, Jack will never be forgotten. Just a few short weeks ago, Jack, in conjunction with his great pal Martin 'The Captain' Curran, officially opened Bushy Park. Jack didn't admit as much, but it was obvious from his demeanour that this was one of his proudest moments.

Máiread, his life's partner and himself, were a cracking combination. Jack was a very independent-minded person, as is Máiread, and yet they complemented one another in a most unusual and effective way. It would be impossible to quantify the extent to which the Brickey Club has benefitted from the effectiveness of their combined talents.

Jack was active right up to the very end. Just a few weeks before he died he was still out and about driving the 'van' with 'Scruffy,' his little terrier, as his constant companion. This was the attitude with which he bore his final illness. Any enquiry as to how he felt was dismissed in his usual humorous way. In the end he bowed out gracefully, as if, even in death, as in life, he didn't believe in making a fuss. There was a certain completeness about Jack's death; he had reached a fullness of years; he had led a very full life; and he died at home, in his own bed, without pain and with all his family gathered around him. He deserved no less.

To Máiread his wife, to his daughters Kay and Joanie, to his sons Jim, Jerry, Johnny and Albert, to his brother Joe, we extend the sincerest sympathy of the Brickey club.

## ST. OLIVERS G.A.A. CLUB NOTES

### U-21 HURLERS GET A SECOND CHANCE

St. Olivers played Abbeyside in the first round of the U-21 Hurling championship last Saturday at the Fraher Field. Abbeyside won the toss and played against the stiff breeze. There was nine minutes gone before Abbeyside took the lead with a point. Two minutes later and Abbeyside goaled. Then Michael Walsh replied for St. Olivers with a point from a free. Abbeyside replied with a point from a 40 metre free. Michael Walsh replied with two points for St. Olivers from two frees.

Abbeyside got the last score of the half when they got a point, but it could easily have been a goal only for Caimin Radley pulled off a great save to deflect it over the bar. Half time score; Abbeyside 1-3, St. Olivers 0-3.

Within a minute of the restart Kieran Cotter whipped just wide. Then within 6 minutes Abbeyside stretched their lead to five points with two good points. Michael Walsh landed a free over before Abbeyside hit back with another point. Michael Walsh pointed from a free, as did Abbeyside, and Michael Murray scored our first point from play in the 49th minute to leave 4 points between the teams.

Three minutes later St. Olivers goaled through

Roger Ronayne as he blocked down the goalkeeper's shot after some good play by Donncha Tobin. Five minutes from time Michael Walsh hit a magnificent sideline cut over the bar from about 30 yards out to level the match. A minute later and St. Olivers were ahead for the first time in the match as Pat O'Donovan lobbed over a fine point from play, but Abbeyside levelled the match to send it to a replay on Sunday next at the Fraher Field at 3 p.m.

**St. Olivers team** — Caimin Radley, Tomás Curran, Stephen Ronayne, Jimmy Tobin, Colin Hallahan, Tholm Keane, Laurence Maher, Aidan Ahearne, Michael Walsh, Brendan Downey, Michael Murray, Pat O'Donovan, Roger Ronayne, Kieran Cotter, Donncha Tobin.

Sincere sympathy also to Mrs. Landers and family on the death of Madge Markley, Ballymacarbry, and also to Mrs. Walsh and family on the death of her husband James Walsh, Kilgobinet. May they rest in peace.

## Saints Take The Title

On last Saturday week our under-21 footballers beat Ballyduff/Butlerstown in the U-21 "B" football county final, played at Leamybrien. After two minutes of play Donncha Tobin pointed the Saints into the lead. Three minutes later and Michael Murray doubled the lead. In the next five minutes both teams had several bad misses before Caimin Radley pointed after Michael Walsh's attempt towards goal was blocked down. Donncha Tobin then pointed from play before Ballyduff/Butlerstown got their first point in the 18th minute. Five minutes later Donncha Tobin pointed from a free to leave St. Olivers ahead by four points — 0-5 to 0-1, with 7 minutes left to half time. Within two minutes however Ballyduff/Butlerstown goaled twice to leave them two points ahead at half time.

Within four minutes of the restart the Saints were level as Donncha Tobin pointed two frees from 20 metres out and 14 metres out. Five minutes later and Donncha Tobin had his side in front as he pointed from play. A minute later Ballyduff/Butlerstown were level as their

no. 12 kicked a neat point.

Then Donncha Tobin put us into the lead as he pointed from play and at this stage Laurence Maher came on for Alan Ronayne. A minute later and Caimin Radley pointed from 30 metres out. Then Aidan Ahearne pointed a free from 35 metres out and Ballyduff/Butlerstown replied with a 25 metre free from their no. 12. Six minutes later and Aidan Ahearne pointed a free to leave us three points ahead with 3 minutes left.

The play was held up as there was a free-for-all which lasted for 3-4 minutes. When play resumed Ballyduff/Butlerstown pointed to leave two points between them and this completed the scoring. Final score: St. Olivers 0-12, Ballyduff/Butlerstown 2-4.

Guests from other courses who play at the GoldCoast always remark about the magnificent condition of our greens and fairways and this can only be maintained by all players remembering the two basic fundamentals of course maintenance and they are to replace all divots on the fairway and repair all pitch marks on the greens. Players found to be in breach of these rules will be reprimanded.

Members can now look forward to our new computer facilities which will be coming on stream shortly and which will be up and running by the new year. Most clubs are now using the "Smart" card computer technology which basically means that members will enter each competition by inserting their own personalised card into the computer and after playing the round, will record their score via computer keyboard. The system is very easy to use and a number of information and training sessions will take place to demonstrate the system to all members. This new computer system will record all members scores and retain all members handicaps. The handicap committee and competition secretary will now be relieved of a lot of work and also valuable information about course statistics etc. will be gained. Watch this space for further information.

## INTER-CLUB COMPETITIONS FOR 1997

Members can look forward to GoldCoast Golf Club participating in next year's Pierce Purcell, Country Clubs Cup and the Jimmy Bruen competitions with entries already gone in for 1997 for these competitions. This will be our last year in this competition as it is only open to 9 hole clubs. # Twenty Three Year Gap Bridged As Mark Radley Leads West Waterford To Munster Novice Title

Following the success of the recent Michael C. Nagle Cross Country event, a 17 strong West Waterford Novice Mens team fielded out in the Munster Championships in St. Augustine's College last Sunday. Pitted against the best of the province had to offer, the local team ran with great spirit and determination to bridge a 23 year gap and so win this prestigious Munster Novice crown from the Clare champions Kilmurray/Bricane and the Cork Students U.C.C. A.C.

The team was led in brilliant fashion by Mark Radley who finished third overall in the race and he was recorded as second novice and third U-23 runner to finish. He ran a well judged race which saw him come from 8th place early on to finish strongly over the last two laps of this four mile event. With a long season ahead of him and plenty of training in the interim, the Cork R.T.C. student could well figure further at major championships in the months ahead.

MARK RADLEY

The West Waterford team on Sunday produced a good blend of youth and experience. It was the youthful members who led the way with Philip Harty running with great determination to finish 13th while Dermot Keyes, Thomas Bennett and Kevin Healy gave much hope for the future of local distance running by being the scoring members on their club teams that won the Novice title and were just pipped by two points by Cork club, Togher A.C. in the U-23 championship. Dermot Keyes showed great promise with a very good run in 23rd position. Kevin Healy put the disappointment of his withdrawal from the Michael C. Nagle race behind him with a great race in 36th position while Thomas Bennett, who ran in the Dublin Marathon

PHILIP HARTY

last week, moved through the field in great style to finish in 35th place and he was a scoring member on the U-23 team. The West Waterford Novice team won on 64 pts. with Kilmurray/Bricane second on 97 pts. and U.C.C. third with 101 pts.

The other members of the West Waterford team rallied to the call in style and in doing so, showed the current strength in numbers of the local club. They finished the race in the following order -

Anthony Harty (54th), Dermot Dwyer (59th), Martin McCarthy (60th), Colin Lyons (66th), John Bennett (72nd), Michael Wade (79th), Michael Dwyer (81st), Paul Keating (84th), Trevor Walsh (85th), Eoin O'Riordan (87th), Anthony Dwyer (90th), Darren O'Droma (91st). Special mention to Paul Keating, Thomas and John Bennett who turned out for the race after running the Dublin City Marathon just six days previously. All the above runners plus Billy Doyle and Kevin O'Brien from Ferrybank were members of the County team that were pipped by two points for the bronze medals in the Novice Championship.

In the U-23 race the West Waterford team of Mark

Radley, Philip Harty, Dermot Keyes and Thomas Bennett were second on 37 pts. to Togher A.C. on 35 pts. with the U.C.C., led by Ian O'Sullivan third on 44 pts. In the Inter-County contest, the above runners plus Kevin Healy and John Bennett were second on 80 pts. to Cork (36 pts.) with Clare third on 163 pts.

## LADIES RACES

The ladies races last Sunday produced some great running with Waterford well represented once again through West Waterford A.C. and K.C.K. A.C. In the Novice race West Waterford A.C. were third on 108 pts. behind West Cork on 64 pts. and Limerick A.C. on 87 pts. The scoring members of the team were Deirdre Travers (11th), Rebecca Harty (14th), Paula Keohan (39th), Michelle Healy (44th) and Ann Ledingham (45th). Well done to all the runners and especially to Michelle and Ann whose team spirit on the day reaped its own rewards.

The same runners were also second in the U-23 championship behind West Cork A.C. with the K.C.K. quartet of Muriel Cummins, Jacinta McCarthy, Maria Veale and Stephanie McCarthy winning the bronze medals to conclude a great day for Waterford athletes.

## HIGHLIGHT OF THE DAY

The highlight of the day was undoubtedly the victory of the West Waterford team in the Novice championship. For a long number of years the Novice championship has been one of the most popular events on the cross country calendar and the winning of it has always been met with great acclaim

Waterford team must be the youngest ever side to win the title with all its scoring members being under 19 years of age.

The last Waterford team to win the title was the Waterford A.C. quartet of Michael Halley, Michael Furlong, Liam O'Reilly and Charlie Foley in Kilmallock in 1992. St. Nicholas A.C. from Ring won this championship in Limerick in 1972 with a team comprised of Jimmy Costin, Ray Treacy, John Harty, Seamus Drummy, Paddy Kelly and Jimmy Walsh.

## NOT THE FIRST

The present West Waterford team are not the first West Waterford club to win the Munster Novice Cross Country title. 23 years ago in 1973 the then West Waterford club which was an amalgamation of St. Nicholas A.C., Ring; Dungarvan A.C.; Kinsalebeg A.C. and Lismore A.C. won the title in Leamlara, Co. Cork. The scoring team was John Treacy - St. Nicholas A.C. (first), Robbie Walsh - Kinsalebeg (11th), John Barry - Lismore (15th) and James Keane - Lismore (29th).

## PROMISING JUNIORS

Following last Sunday's races with both a quantity and quality of Junior mens and womens runners in Waterford, it is anticipated that the County Board Officers will enter teams for the National Inter County Cham-

THOMAS BENNETT

Pat Hefferman from St. Catherine's John Daly from Nenagh A.C. was just the last man to win the title in 1991.

## Ballysaggart's Bennetts Hit Dublin Marathon For Six

A long time ambition by six members of the Bennett family from Ballysaggart to compete in a marathon at the same time and then finish the 26.2 miles distance was finished in the 17th Annual Golden Pages Dublin Marathon last Monday week.

Former Marathon runner James, Michael and his two sons Thomas and John, Pat and Sean tackled the distance following many months of preparation and glad to say all six have reported a clean bill of health following their exertions around the roads of Dublin on Bank Holiday Monday last.

The Bennetts first came on the running scene at the Ballycotton Ten last March and they have been regulars and quick supporters of local road races during the summer months. Aided and advised by their friend and many times Marathon runner Paul Keating all six were pleased with their finishing times with the younger members of the Ballysaggart clan leading them home. Thomas finished the run in 3 hrs. 30 mins. and 55 secs. with John following soon in 3 hrs. 31 mins. 20 secs. Their uncle Sean accompanied Paul Keating for the full distance with both men being clocked at 3 hrs. 44 mins. 37 secs. Despite running into a bit of bother at 13 miles, Michael was not going to be denied after the months of preparation and he duly finished around the

4 1/2 hour mark. Brothers Pat and James though perhaps not as ready as the others for the rigours of a marathon were in no mood to let the family ambition falter and they crossed the finishing line in just under five hours to complete a unique achievement in the history of the Dublin marathon.

Well done to all six for fulfilling their ambition and the good news is that there is no talk of retirement in the air as of yet.

## Local Dublin Marathon Finishers

To the best of our knowledge, the first Waterford man to finish this year's marathon was Larry Kennedy in 2 hrs. 47 mins. and 25 secs. in 71st position. Liam Cince also had a great run in 2 hrs. 55 mins. 33 secs. Other finishing times to hand are as follows - Seamus Cooper: 3 hrs. 14 mins. 49 secs.; Trevor Mason: 3 hrs. 19 mins. 37 secs.; Alan Everett: 3 hrs. 42 mins. 19 secs.; Seamus O Droma: 4 hrs. 03 mins.; Billy Kelly: 4 hrs. 12 mins.; Dan Dinocn: 5 hrs. 42 mins. The wheelchair event was won by John Fulham in 2 hrs. 11 mins. 52 secs. John won the Dungarvan 10K in 1993 in 29 mins. 20 secs.

# MINNIES SQUASH NOTES

## "Gallant" Victory For Carroll Motors

The climax to the David Walsh sponsored Inter Firms team tournament occurred on Wednesday night, October 23 when in the first division final we had Carroll Motors against the defending champions Dungarvan Crystal, while in the second division Byrne Builders faced Mix And Match.

In division two there was to be no upset as the overwhelming favourites Byrne's Builders cemented their credentials with a comfortable victory over Mix And Match. The twos, Liam Byrne and Gerry Byrne were first into action Liam (Seanie's) many years of experience came to the fore against his gutsy opponent who though quite new to the game shows plenty of prowess, Liam took the honours 2-0. The ones followed, here Danny Whelan had the awesome task of trying to thwart the challenge of former Munster underage player Emmett Byrne. Despite Danny's best efforts, the class and skill of Emmett were just too much as Emmett won 2-0. The threes Brian Byrne and Deirdre Cordy were not required to play — so for his penance Brian was put through his paces by Emmett.

In division one, the two's got the show on the road, Michael Manahan from the Crystal and John Reynolds from Carroll Motors. What a prospect this was with two of the fittest "never say die" players around doing battle. The first set shaped up as expected with plenty of long rallies, unbelievable stretches and leaps from both lads, it was even up to 6-6 before John started nosing his way in front 10-7, 13-8 before clinching it 15-10. The second began the same up to 5-5 before John, using his valuable experience he is getting from the Cork Leagues, pulled away to lead 10-7 and then serve 14-8, but it was not over yet as the determined Manahan fought back bravely to 13-14 only to lose out 15-13. The twos, Tom Landy and Michael Tutty were next, here a very determined Michael Tutty played arguably his best squash since his Sligo Open success, took the decisive first 15-11. In the second in what appeared a change in tactics, saw Landy level things up taking it 15-9. In the decider Landy got in front and despite a mini revival by Tutty he stayed in front to level up the contest 15-9. So to the ones and the decider, Munster player Paul Freyne for Carroll Motors against former Freshford champion

Dermot Kelly. What an opening set — the most delightful, yet clinical squash of the tournament saw Freyne win a faultless set by an incredible 15-0 scoreline. In the second Dermot got back into it but the class of Freyne shone out as he wrapped up the match 15-10 to give Michael Carroll Motors the title.

Special thanks to David Walsh Office and School Supplies, Lower Main Street, Dungarvan, for once again coming up with just brilliant prizes, thanks to Spurs man Michael Drummy for representing the sponsor on the night. Well done to Pat and the bar staff for the beautiful sandwiches and sausages. I think everyone had enough despite you know who getting near them!

Well done to Byrne Builders and Carroll Motors on their success and what a fine speech by Mike the mechanic on behalf of the Div. One victors, definite vice president potential on that performance and with the filofax you are well on the way mate.

## Baumann Team Tournament

If you have not entered already you had better get your skates on fast. Our first open draw tournament of the season the five person Baumann Jewellers, Mary Street closes for entries tonight Wednesday, November 6 at 8 p.m. This very popular event is always well supported and one event that ranks up at the top for its prizes.

Last season the winning team was (1) Dave Power, (2) Paddy Walsh, (3) Patsy Hackett, (4) Billy Smith, (5) Sean O'Regan while the runners-up were (1) Andrew Lally, (2) Martin Walsh, (3) Tom Landy, (4) Martin Moore, (5) Ann Dumford.

So folks, if you have not already entered get yourself across to the noticeboard fast and pop your entry into the tournament box.

## Annual General Meeting

Our Annual General Meeting for the 25th season takes place tomorrow night (Thursday), November 7 at 8.30 p.m. Once again I strongly urge all present, past and intending members to show your face and be heard at this very important meeting. The club is as strong as its committee and thankfully Minnies has always been blessed with strong hard working committees — I have no doubt that all those with any kind of an interest will make an effort and turn up on Thursday, Nov. 7. The outgoing committee of last season and who got the show on the road this season were:

President — Pepe di Fusco;

Minnies squash players who competed successfully in recent open competitions (left to right) Ray Moore ("C" winner Sligo Open), Michael Tutty ("D" Plate runner up, Sligo Open), Maurice Walsh ("D" winner, Sligo Open), Paul Freyne ("A" Plate Winner, Cork Open). Photo: Sean Byrne.

Vice-President — Maurice Walsh; Secretary — Evelyn McAvinue; Treasurer — Felix Shields; P.R.O. — Peg Whelan; Committee — Pat McGovern, Ray Moore, Ray Hahessy, Dermot Kelly, Anne Hennebray, Mary Coffey and Michael Gildea. Club captain last term was Maurice Walsh.

## Nenagh Open

The popular Nenagh Open takes place this coming weekend, November 8-10. Last season a large contingent of members made the trip though not all were playing (well good supporters are vital to any success). On the court the club did very well, Paul Freyne capped a brilliant weekend to take the 'A' title. Maurice Walsh, despite a back strain in the final, did tremendously well to beat local hero Terry O'Rourke in the 'C' final while in the 'D' final, Michael Tutty played brilliantly and was very unfortunate to lose out to Clonmel's Ray O'Leary (as Maurice would say, Michael hit the stone wall).

Best of luck to those who are competing.

## Vital Week In Cork Leagues

Due to the postponement of our home fixture against Highfield 'B' this Thursday night, November 7th because of the A.G.M., next week is going to be a hectic one for the lads. The rearranged clash with Highfield 'B' now takes place on Tuesday, Nov. 12 while on Saturday night, Nov. 16th the lads are home to Falvey's in a critical fixture. As part of the Falvey's fixture a friendly challenge between the two clubs will also take place on the Saturday night, once the teams don't confuse friendly with league game. Support on either or both nights would be much appreciated by the team — you would be surprised the lift a player gets from hearing a bit of support.

## Lead Cut To Three Points

On Thursday night last, October 24 the second half of the Cork League got underway with a home game against the Orchard S.C. The brilliant news is the lads hit the jackpot with their first maximum of the campaign and in so doing further eroded the lead held by Falvey's.

Maurice Walsh at five got proceedings underway when he faced former Cappoquin man Declan O'Connor. Maurice was still on a high from last week's brilliant performance and was very keen to keep the run going. He got the perfect start when despite letting his opponent open a 2-0 lead, he replied to take the set. In the second Maurice had a slight lapse letting a 4-0 lead turn into a 4-6 deficit but once again he won the set 9-6. In the third Maurice was always in control as he won the set 9-3. Number four Pat McGovern got things going on court four when he faced Tim O'Donovan. Pat recovered well from an indifferent start to take the open 9-5. He was in awesome form as he rattled off the second 9-0 and he kept things moving along winning the third 9-4.

Number one James Kiely was next on four against Richard "Minty" Fitzgerald. Things got off to a dodgy start as Fitzgerald in a competitive opener, took it 9-5. A very close second was retrieved by James as he won it 9-6, from here James took control as he played more to form to grind down his fit

opponent 9-2, 9-3 in the third and fourth.

John Reynolds at three was next on three fresh from his inter firms victory over Michael Manahan the previous night. John kept his great form going as he quickly rattled off the first two sets 9-0, 9-1 against opponent Declan Casey. The third was much more closely contested but John kept his nerve to clinch the match 9-5.

The final match saw number two and captain Ray Moore face Pat Keenan a summer transfer from Christie's of Blarney. Here Ray played his most devastating squash of the league as he gave his opponent just one score in the three sets.

So an amazing scoreline of 20 pts to 1. This result coupled with Falvey's 17-4 away victory to Mallow and Highfield 'A's' 16-4 victory over Highfield 'B' means that the once massive lead of Falvey's has been reduced once again to a now quite manageable total of three points with four sets of games to go. The leaderboard now reads Falvey's 92 pts, Minnies 89 pts, Highfield 'A' 77 points and Highfield 'B' 67 pts.

It would now appear to be a three horse race — with Highfield 'A' moving up to third and having both Falvey's and Minnies to play at home. This Thursday night sees our lads away to Mallow, a tricky venue, where victory is essential, while Falvey's travel to Highfield 'A' in a crunch tie.

Due to the A.G.M. on Thursday, November 7 our next home game has been rearranged for Tuesday, November 12. Also that week on Saturday night, Nov. 16th we have our final home game against Falvey's, when also being played that night is a friendly between the two clubs.

## Sympathy

On behalf of the club I would like to extend our deepest sympathy to the McGrath family of Mary Street, Dungarvan, on the sad passing of Jack. Also we send our sincerest condolences to Luke O'Brien and his family on the very sad occasion of the death of his father Sean O'Brien, Ballyduff. Ar dheis De go raibh siad.

## Allrounder

### Ladder League

The very popular Allrounder Ladder League is now posted for entries — any members or intending members whether complete beginner or Munster player are very strongly advised and recommenced to enter this super event. For those who don't know it the Allrounder Ladder League is run in mini sections of five or six — over a period of designated weeks all players in the group play each other with the winner of the group (or top two) getting promoted and the last player (or last two players) in the group getting relegated, so that each section should see the players playing difficult opponents. This has always proved a most successful event so get your names in fast, provisional closing date was Tuesday last, November 2 at 8 p.m., check noticeboard for details.

The ladder is run on a points system i.e. points for sets so this means it is not necessarily the top player who wins the ladder. Very special thanks to Pearse Moloney and the Allrounder Sports Shop, Grattan Square, Dungarvan, for once again sponsoring this event.

# COLLIGAN WOODS RIDING CLUB NOTES

On Bank Holiday Monday, October 28th Colligan Woods held their second Open Gymkhana. Unfortunately the weather on that day was extremely stormy so riders from other clubs were unable to attend. However in true Colligan spirit 'the show' went ahead with our own members.

As usual there was a great turnout of club members and spectators. The first event of the day was the Mini Showjumping. First to enter the arena was Isabelle Brennock riding "Rainstorm". Isabelle had a lovely clear first round but was unlucky to have four faults in her second round. Next in was Joe Lavan. This was Joe's "Maiden Voyage" in showjumping but after two clear rounds without any trouble, we all agreed that the R.D.S. is only a few short strides away !!! Mossie Brennock was next in this event. Mossie was also in his first showjumping event and had no trouble in his first round but was unlucky to have four faults in his second round. The experienced Mairead Kennedy was next in the arena. Mairead was also unlucky to have had four faults in her second round after a lovely clear first round. Pat Barron riding "Moll" showed his usual confidence and finished

with just three faults as did Martina McGrath riding "Sam". Mairead Lavan was last but by no means least in this event. Mairead had no bother keeping up with the high standard already set by Joe and had two clear rounds. The final result in the Mini section was - First: Joe Lavan, Second: Mairead Lavan, Third: Mairead Kennedy.

The next event of the day was the Midi Showjumping. First in here was Louise Moloney riding "Seanphobal Bob". Louise had two lovely clear rounds. Next in was Martina McGrath whose confidence was at an all-time high at this stage. She also had two very good clear rounds. Mairead Lavan, Mairead Kennedy, Kevin Roche and Anne Hennebry also had two clear rounds each. Pat Barron and Denise Clancy also rode in this section and were unfortunate to have four faults each. The final results in this section were - First: Kevin Roche, Second: Anne Hennebry, Third: Martina McGrath.

The final showjumping event was the Maxi event. Once again Louise showed her experience here and had no problem clearing two rounds. Kevin Roche who was jumping at Maxi level for the first time was, as usual, calm, cool and col-

lected and had two lovely clear rounds riding "Sammy". Aisling Ormonde and Caroline Queally were the other two entrants at this level. The eventual results were - First: Louise Moloney, Second: Kevin Roche, Third: Aisling Ormonde, Fourth: Caroline Queally.

The next competitions were the Showing classes. In the Small Hunter section the results were - First: Mossie Brennock on "Raindrop", Joint Second: Martina McGrath on "Sam" and Mairead Lavan on "Gypsy".

In the Medium Hunter class first was Pat Barron on "Moll", Second: Mairead Kennedy on "Crystal Gale"; Joint Third: Martina McGrath and Joe Lavan.

Finally in the Heavyweight Hunter class first was Caroline Queally on "Barracree Bob", Second: Denise Clancy on "Sammy" and Third: Isobel Brennock on "Apollo". The champion horse was Caroline Queally's "Barracree Bob" and the Reserve champion was Pat Barron's "Moll".

Our thanks must go to the following -

Tony Condon who had the unenviable task of judging these classes but as ever carried out the job with the utmost fairness and encouragement.

Donna Coody and Aisling Ormonde who judged the Showjumping events with their usual good humour and expertise.

Nancy Condon for quietly 'slaving' away over the hot stove and to John and Louise Moloney for the use of their splendid indoor arena and for putting up such a challenging round of jumps.

After the gymkhana, about 20 members of the club headed to the GoldCoast for a meal during which Francis Dwane presented the prizes as Club President, Henry Beresford was unfortunately unable to attend on the day. Francis was ably assisted by Secretary, Karen Flynn who, due to unforeseen circumstances, was unable to compete during the day.

The next event to look forward to is the weekend away to Adare on November 8th - 10th (this weekend). About 14 members will be heading in that direction and will have about 6 hours riding over the weekend with the renowned Clonshire Equestrian Centre.

Finally I would like to congratulate the following members who did so well in the recent Autumn League held in Colligan Equestrian Centre - Kevin Roche, Aisling Ormonde, Anne Hennebry, Pat Barron and Caroline Queally.

# DUNGARVAN WALKING CLUB

The many weekend walking festivals that now form an integral part of the walkers calendar saw club members travelling to Wicklow and The Nire Valley and despite the dreadful weather conditions encountered by both groups it failed to dampen the spirits and the walks were a great success.

The club was well represented for the third Nire Faite Festival and here full marks to Michael Desmond and Seamus Wall for a great weekend.

The past month also saw Fintan Strain with his group in familiar territory around Molleray, while Anne Russell was guide for a very enjoyable walk in Blackhill.

## Munster U-16 Football Championship

# ANNUAL UNDER-16 INTER COUNTY COMPETITION

On Saturday last the County U-16 football team travelled to Limerick to take part in the annual U-16 Inter-County competition. This competition is played in Limerick on a blitz basis. Kerry and Cork have two teams and all the other counties in Munster have just one.

In our first game Waterford were drawn against South Kerry. Most spectators were from Kerry and if they were expecting an easy game they were in for a shock. Waterford took a grip on this game right from the throw in but three good attacks only yielded three wides. Kerry broke up field and from their first attack kicked a fine goal. Brian Canty opened Waterford's account with a fine point. Playing with the wind South Kerry then tagged on three points before Ciaran O'Connor scored a super Waterford goal. James O'Donnell pointed a free and South Kerry kicked two further points to leave just three points in the game at the break.

With the wind at their backs in the second half, Waterford attacked from the throw in but again wayward

shooting was to cost us dearly. C. O'Connor and R. Hearne kicked good points and South Kerry replied with a point to leave just two points in the game. Then came the turning point in the game. Waterford were awarded a penalty. James O'Donnell struck his shot a bit too close to the keeper and his outstretched leg blocked the shot. The ball broke to a Kerry back, his long clearance was added to in the centre of the field and an alert Kerry forward had the ball in the net in a twinkling. This was a hammer blow to Waterford who now found themselves five points behind when they really should have been in the lead.

To the Waterford lads credit, they came straight back at South Kerry. R. O'Leary kicked a point but our inaccurate shooting was again in evidence as we kicked three further wides as time ran out. The final score was S. Kerry 2-6 Waterford 1-5.

Team: R. Kirwan (St. Marys), T. Dunphy (Gaultier), G. Hurney (Abbeyside), P. Mulhearn (Kilmacthomas), P. Hayes (Kilrossanty), K. O'Keefe (Clashmore), T. Costello (Stradbally), M. Aherne (St.

Marys), H. Kavanagh (Butlerstown), P. Halpin (Brickeys), T. Walsh (Ring), C. O'Connor (Kilrossanty), J. O'Donnell (Ardmore), B. Canty (Tramore), R. Hearn (Gaultier). Subs: S. Prendergast (Ardmore), D. Meaney (Naomh Bríd), M. Power (Clashmore), G. Dunphy (Tramore), S. Barron (Clashmore), W. O'Brien (Rathgormack), N. Smith (Gaultier), D. O'Keefe (Clashmore), R. O'Leary (Ballyduff), B. Sheehan (Gaultier).

### WOODLANDS HOUSE HOTEL CUP

For our second game, the semi-final of the Woodlands House Hotel Cup we travelled to West Limerick to Askeaton. Our opponents here were our neighbours Tipperary. At a windswept Askeaton, hopes were high that we would record a victory and so qualify for the final for the first time.

We played against the wind in the first half and settled down very quickly and had our first score per a Gary Hurney point. This was quickly followed by points by Ray Ahearn and James O'Donnell. After this Tipperary came more into the game and a defensive

error left them in for a goal. We had further points per James O'Donnell and Seamus Prendergast and a cracker of a goal from Seamus Prendergast before half-time. The half-time score was Waterford 1-5 Tipperary 1-2.

In the second half we completely dominated the game and we saw some wonderful passages of play. We had further points from G. Hurney, Mark Power, Paul Hayes and goals from Gary Hurney and Paul Mulhearn. Our final score came in the last minute from the boot of James O'Donnell. The final score was Waterford 3-8 Tipperary 1-6.

In this game we had some notable displays especially from Noel Smyth, Stephen Barron, Mick Ahearn, Seamus Prendergast, Paul Hayes, Ciaran O'Connor, Pat Halpin, James O'Donnell and man of the match Paul Mulhearn.

## Munster Colleges U-16½ Hurling Championship

De La Salle 2-8 Dungarvan C.B.S. 1-2

Dungarvan C.B.S. made their exit from the Munster Colleges U-16 1/2 Hurling Championship when they were well beaten by De La Salle at Kill recently. Lining out without three of their key players, the C.B.S. took the game to De La Salle in the early stages and led by 1-1 to 0-0 after 12 mins. De La Salle fought their way back into the game and the sides were level 0-4 to 1-1 at half-time.

The second half was also closely contested and De La Salle led by a point 0-6 to 1-2 with 14 mins. remaining but then two goals in a minute from De La Salle finished the game off as a contest even though the C.B.S. fought bravely to the end.

Best for Dungarvan C.B.S. were Raymond Terry, Vincent Lynch, Walter O'Grady, Padraig Conroy, Stephen Keane, Seamus Cunningham, Terry Crowe, Richard Scanlon, Eoin Cunningham and John Wall.

Dungarvan C.B.S.: Raymond Terry Capt. ## Shamrocks G.A.A. Club Notes

### UNDER-21 WESTERN 'A' HURLING CHAMPIONSHIP

Tallow were well beaten by a strong Lismore side in the semi final at Cappoquin on last Saturday. Having beaten Fourmilewater the previous week Tallow never displayed the same form on Saturday and judging by the strength of Lismore, it will take a very good side to beat them.

### JUVENILE FOOTBALL

— FR. MULCAHYCUP  
It is hoped to play the final on next Sunday morning, weather permitting, between Thomas Baldwin's team and Natt Smith's team.

### SYMPATHY

Our club extends deepest sympathy to the widow and family of the late James Walsh, Coolnasmea, Dungarvan whose death took place over the past weekend. James was a popular Treasurer of Waterford County and Western Boards over a number of years until ill health forced him to retire. Ar dheis De go raibh a anam.

## U-21 HURLING CHAMPIONSHIP Abbeyside 1-8 St. Olivers 1-8

We had a narrow escape in this one when we had to come from behind in the dying minutes to snatch a draw in our game against a fine St. Olivers side.

Going into the game we found ourselves short the services of a number of work tied players but this was somewhat balanced by the fact that our opponents too were without some players due to injuries. So all in all I suppose a draw was a fine result. The replay goes ahead on this Saturday afternoon at 2.00 p.m. at the Fraher Field. Our team was Patrick O'Dea, Michael Kiely, Gavin Breen, Pat Cummins, Brian Donovan, Eoghan Murray (Capt.), Paudie Shields, Laurence Hurney, James Hayes, John Foley, Dwaine Moore, Paul Landy, Richie Morrissey, Michael Murray, Brendan Mansfield, Donnacha O'Dea.

## INTERMEDIATE HURLING COUNTY CHAMPIONS

That great win by our Intermediate hurlers has left its mark in the parish. Everywhere village people are chatting and reliving the many great moments of the game. Quite naturally of course as you move from chatting post to chatting post, the puckouts are reaching lengths that they are long enough to go to the other end line and back again by the long route. I don't know how Eoin did it at all.

Some of the high catches were plucked from above the first layer of clouds. My God Michael, Jimmy and Hiker are mighty men to go that high. Paudie's interception was just an inch off the line and Gavin's dashing runs left anything up to 20 men in his wake. Don't ask me where they came out of, sure there are only 15 on a team. Some of our lads must have been bowled over. Steady on there, Gavin. Dermot's points landed out in the Colligan River and the accidental clatter Damien got would have felled any average ox but not our man. He just doesn't go down. By the time I got to the 'poor man's seat' Jonathan must have covered 20 acres of ground and Justin and Laurence burned up enough energy to launch a spaceship from Cape Canaveral. Dwaine's nine second half points peppered the netting behind the goals with holes and of course he scored them from distances ranging from 60 metres to somewhere back in the next field and two of them were with one-hand tied behind his

back. Be God Dwaine the imagination at the 'poor man's seat is a great thing'. Mickey's four points - well travelled so fast that the naked eye doesn't stand a chance of seeing them - will have to go 'slow motion' on the video to catch a glimpse. "Cossy" was like "greased lightning" another case for the slow motion study. And Pat in the corner. Gee, he had the fear of God in the opposition. I'd hate to be marking him for an hour. Young John and Alan when they came on they seemed to have won enough possession to last for two matches according to the lads on the 'seat'.

No doubts about it, those chatting posts in the village, not to mention the cross-roads and church gates out in the parish, well that's where good men became great and great men became heroes.

Seriously though, it has been a truly great week or two in the entire Abbeyside/Ballinacourty area. Our people are so proud of the players, the entire panel of players who have brought honour and glory to the club. The winning of our first ever Intermediate Hurling County title and our first adult hurling County title since the men of 1950 did it - a great sense of pride fills the hearts of all in our club. And the men who guided the team, those who fashioned the thinking of the players Dave, Frank, Liam, Eddie and Nicky, theirs is a job very well done.

And of course the winning of the title has given rise to a verse of song by P.O'D.

Abbeyside are champions  
!!!

Now all you loyal villagers  
May hold in new esteem  
Our Intermediate Hurlers  
This '96 fine team  
Which won the County  
Championship  
Restored our name and  
pride  
For once again we've  
hurlers  
In the village, Abbeyside

'Twas an Enright who once  
said it

So many years ago:  
"We are yearning for the  
hurling"

When our teams were  
down and low.

What the men of '96 have  
done

Or do they realise?  
For old men like Noel Mc-  
Govern

It brought tears to happy  
eyes.

Ballysaggart and the  
Shamrocks,

Cappoquin they overcame;  
St. Marys or the Gaeltacht  
men

Could not match their fire  
and flame.

**ABBEYSIDE HURLERS 1996:** Back Row: Frank Sweeney, Jim Morrissey, Tom Enright, James Power, Michael Collins, Willie Kiely, Ger Collins, Pat McGovern. Front Row: Pat Walsh, Stephen Wadding, Johnny Burns, Jimmy Healy, Eddie Cashin, Michael Mansfield, Sean McGrath. Kneeling left to right: Bernard Beatty, Michael Fives, Carl Power, Michael Kiely, Thomas Cashin, Eamonn Cashin, Alan Moore, Jonathan Moore, Kieran Lineen. Frank Sweeney and Eddie Cashin are selectors with this year's champions. Michael Collins captained this year's team. Jimmy Healy, Jonathan Moore and Sean McGrath all played on this year's teams. Alan Moore and Michael Kiely were subs on this year's team. Alan played in the semi-final game against St. Marys.

In the final they met Ferry-  
bank,

A team of great renown,  
But the passion of our  
hurling men

Could not, that day, be put  
down.

They came from seven  
points behind

To gain a victory.  
That still will be as blue as  
gold

In years to come, you'll  
see.

Their names among the  
hallowed ones,

Permed in hurling history,  
They'll be honoured and  
remembered

In the village by the sea.

To the fathers of these  
heroes

Who once swung the ash  
camán,

And to mothers who have  
cradled them

We raise a glass to all.  
For your sons by their  
achievement

Raised us up when we  
were down,

No more a dream, this  
hurling team

Can win a Senior Crown !!

## U-12

On Sunday morning last  
our U-12 footballers had a  
well earned victory over a  
strong Ardmore team played  
in very windy weather at  
Ardmore. Having won the  
toss, we opted to play with  
the wind in the first half.  
This however didn't help our  
scoring. We were only two  
points ahead at the interval.  
Playing against a strong  
breeze is never easy but  
these young footballers took  
the pitch in the second half,  
determined that they would  
win and after some excellent  
displays of football and team  
play emerged winners on a  
scoreline of Abbeyside 2-4  
Ardmore 0-5 at the final  
whistle. Well done boys.  
This win has qualified this  
team for the semi-finals of  
this competition. Best wishes  
for a very speedy recovery to  
our wingback, Aidan Walsh  
who is on the injured list.

## U-10

Saturday morning coach-  
ing sessions for U-10's have  
ended for 1996. On the final  
morning our Intermediate  
hurling captain, Michael  
Collins brought the County  
Final Cup to the field where  
it was inspected and handled  
by many of the future  
hurlers and footballers of  
our club. Michael, together  
with many more of the win-  
ning team, the team manager  
Dave Sheehan and some of  
the mentors mingled with  
the young players making  
this a very memorable occa-  
sion for all present.

# Waterford G.A.A. Supporters Club News

WATERFORD 1-12  
DUBLIN 0-9

Congratulations to our hurlers for a good performance against a very fit looking Dublin team at Walsh Park in the Oireachtas senior hurling tournament on Sunday last, especially in the second half. Our half backs once again were outstanding with Peter Queally giving his best performance to date. Tom Fives had his best game for some time. Welcome back to "Chuck" O'Connor who certainly made his presence felt when he was introduced at full forward. He was not long on the pitch when he gave an intelligent pass to Barry Walsh who scored the only goal of the game.

The real test comes when we play Clare in the semi final. Hopefully the selectors will have a full panel to select from including Ballygunner players. Well done to selectors and players, we do appreciate your hard work and dedication.

Well done to Rathgormack for their win over Moyle Rovers, the Tipperary champions, in the A.I.B. Munster Club football championship.

JAMES WALSH,  
COOLNASMEAR R.I.P.

My deepest sympathy to his wife B.B., daughters Nora, Breda and Catherine, sons Jim, Patrick, Michael, Aidan and Kevin. James was an outstanding Gael, a proud Kilgobinet man, a proud Waterford man, will long be remembered for his work as Waterford County Board Treasurer. A valued and helpful member of our Supporters Club. He was a good friend and a gentleman. We will all miss you James.

## GOLDEN GOAL

We are pleased to announce that Willie Mulcahy, College Road had the winning ticket with the Golden Goal correct time in the County Senior Football Final and his £200 prize will be presented to him this week. We would like to thank all those who supported the club by buying tickets.

## THAT TIME OF YEAR AGAIN

Yes that time of year has arrived again which is A.G.M. time. The A.G.M. is the most important club meeting of the year where officers are put in position. Plans are made for the playing season and of course selectors are put in place to manage the teams. However as has been the case players are often conspicuous by their presence so few have turned up for what should be their most important step on the road to championship success i.e. that is selecting the team management.

Those in charge of other adult teams this year have done an excellent job in difficult conditions and I am sure their ideas and experiences will be of benefit in the season ahead but no matter what officers or selectors are in position, it is the players who must deliver the goods on and off the field. Words like commitment, dedication, application and team spirit all come to mind and it is the right blend of all of the above which is needed to win championships added to that slice of luck which often comes to teams who have prepared well.

The first steps will be taken this month on November 24th to be precise so we hope that all players and members will come along to the A.G.M. and have your say in the running and formation of club activity for 1997 in both hurling and football. We have excellent facilities, very good clubmen and very good players but we need to combine all three to achieve success as it is the players who must lead the way and give the example which will, I am sure, lead to success sooner rather than later.

Talk is easy and often things which are good are spoken about in the wrong place as the place to say them is at the A.G.M. where your role will count as it is action which speaks better than words.

## YEARLY REVIEW

Next week I will have a look back on the year and comment on the success or otherwise of the club which hopefully will put everything into focus for the A.G.M.

## SYMPATHY

Another great Gael has passed to his eternal reward and that is former County

Board Treasurer, James Walsh. James was a gentleman to his fingertips with honesty and dedication being his great qualities. We extend our sincere and deepest sympathy to his wife, family, relatives and friends on their sad loss after his illness.

May he rest in peace.

## REMAINING GAME

It is hoped to play the Donal Lenane Football Tournament between Youghal and Ardmore as soon as possible but because Youghal are going well in the Cork Junior Championship, it is exceedingly difficult to find a suitable date to stage this annual game to commemorate the memory of a great clubman but every effort will be made to stage the game this year.

## FAS SCHEME

Our present scheme is nearing completion and we would like to express our appreciation to our workers who have maintained the high standards which our pitch is noted for. Much favourable comment has been spoken by various visiting sides and it is only right and proper that we acknowledge our thanks to those responsible for the upkeep of our grounds. Of course we also have loyal clubman who contribute to this and we are grateful for their tremendous work as well.

Our new scheme will be commencing in December and at present we will have a vacancy for a worker in the G.A.A. grounds. Full details can be had from scheme supervisor, Noel Conway who will advise on eligibility requirements, allowances, tax, P.R.S.I., rates of pay etc. So anybody interested should immediately contact Noel who also has some vacancies with other groups in the scheme as well so check it out as it might be right for you.

## JUVENILE AFFAIRS

Following the fantastic success of our Minors and U-14's, our spotlight turns onto our U-12 footballers for the remainder of the season as they are now our only team remaining in 1996 competition. To date they have won four games and lost two so they have qualified for the quarter-finals.

The draw has pitted us against near-neighbours and rivals, Clashmore on Saturday next. The venue as yet is unknown but it will probably be Cappoquin or Bushy Park. Details will be available later in the week. We wish team captain Gary North and all the boys and girls on the panel the very best of luck and we will have a report in next week's notes win, lose or draw.

## ON COUNTY DUTY U-16

## FOOTBALL

James O'Donnell and Seamus Prendergast were part

of the Waterford U-16 panel who took part in the John O'Donovan Tournament in Limerick last Saturday. The team played very well unfortunately losing to South Kerry in the Tournament Proper but later having a great victory over Tipperary to qualify for the 'Plate' final against Limerick. Wayne Hennessey who was also selected but was out of the country for the weekend will, we hope, be included the next time and we wish the team and selectors the very best of luck in the U-16 football final.

## CHURCH GATE COLLECTION

We would like to thank all those who contributed to the juvenile collection last weekend as it is always difficult to raise money so near to Christmas so again thanks to everybody for your tremendous support.

## COLLEGES ACTION

We wish the best of luck to all our boys and girls who will be helping out their schools in colleges action in the coming weeks and months as these schools play a vital part in the promotion of our games during the winter months so we wish them all continued success.

G.A.A. NOTES

BY "COMMENTATOR"

# Western Board Meeting

Paddy Walsh, Chairman presided at last week's meeting of the Divisional Board which was held at the Park Hotel. Only about half of the clubs in the division were represented.

## AWARD OF MATCH

About 45 minutes of the meeting was devoted to a discussion on the decision of the Officer Board to award the under 21 'B' football game to St. Olivers after An Gaeltacht had notified the Board Secretary at 10.45 p.m. on the night before the scheduled match, that they would not be fielding.

The sequence of events which was well documented, was outlined to the meeting by the Board Secretary, Anthony Walsh.

The Chairman stated that proper notification of the fixture had been sent to the club secretary about 20 days before the match and also that the fixture had been announced at Fraher Field on the weekend before it was due to be played. He said that the failure of the club to give adequate notice that they were not going to field, left the Officer Board with no option but to remove them from the championship in accordance with the terms of Rule 109. The club were notified in accordance with rule.

Tom Curran, Secretary of An Gaeltacht Club, said that a postponement was being negotiated with St. Olivers and it was after this failed that they went about notifying the Board. They were unable to field because a number of their players were working away. Tomas O Caodhla and Nioclás Mac Craith were very critical of the Officer Board and challenged their right to decide the issue without having a meeting of the full Board. A delegate pointed out that if a meeting had to be called every time a club was penalised for not fielding after being refused a postponement, the would be mayhem.

Apart from the three members of the club and Micheal O Toibin, Seana Phobal, there was no support for the submissions made on behalf of the Gaeltacht. Subsequently, the Chairman ruled that An Gaeltacht were properly disqualified in ac-

cordance with Rule 109. His ruling was accepted by the meeting.

A member of the Gaeltacht delegation indicated that an appeal will be made to the Munster Council.

## REFEREE'S REPORTS

There were quite a number before the meeting and in all cases the minimum suspension applied where players were sent off. Nioclás Mac Craith challenged the right of the Officer Board to impose minimum suspensions with full Board approval. In this case it was pointed out that rule 141 (c) gives such authority to the Officers between meetings.

Refereeing standards and the submission of reports by referees was discussed at length.

Lismore Club wrote stating that they did not want a particular referee in charge of any match in which they were involved in future. The Chairman said that the appointment of referees was a matter for the fixtures committee, but as an item of correspondence this letter was properly before the meeting. Some delegates referred to other similar letters which came before the Board also referring to referees and said that the trend was unhealthy, considering the scarcity of referees.

The Chairman told the meeting that a letter was before this meeting from Kilrossanty Club, withdrawing their previous correspondence in which they stated that they would not play under a certain referee.

James Tobin, said that Lismore should be asked to withdraw the letter and this was agreed by the meeting.

Michael Lyons, Dungarvan, referred to a game involving Ballinacourty and Dungarvan in junior football in which a player from each side were sent off in separate incidents. He said that one of the incidents was very serious and he was amazed that the player was eligible to play intermediate hurling a short time afterwards.

An Eire Og player who was sent off during the Eire Og v. Stradbally junior football tie, gave his name as Mickey Mouse before giving his right name to the referee.

He was suspended for dis-sent (2 weeks) and club chairman Tom Drummy apologised on behalf of the club, stating that he was fully aware of the difficulties in getting referees.

James Tobin proposed that a list of the referees who are working for the Board should be included in the annual convention report.

## GAME POSTPONED

Michael Lyons asked why his club's under 21 hurling game versus Lismore was postponed recently and the Runai explained that a Lismore player was required for duty with the county hurling team. Michael Lyons said the championship should be given preference at all times over tournaments.

## GRANTS

The Board approved of special grants to county handball (£100), Bord na n-Og West (£300), Alo Curran Fund (£100).

## DEISE CLUB

### 500

On behalf of the Deise Development Committee Treasurer Greg Fives, spoke about the progress being made with the Club 500 which over the past few weeks recruited many new members. He said that when clubs like Sliabh gCua and Clonea were visited by officers of their committee, the people present on hearing of the benefits and advantages of membership of this scheme, had no hesitation in joining.

It was the intention of the committee to visit every club in the county before the end of January. He said that when clubs had agreed on a suitable date, they could contact Declan O'Meara, Stephen Power, John Foley or himself and one or two of this group would attend.

## NO SECOND BEST

James Tobin, manager of the county junior hurling team, was very critical of Central Council for refusing counties permission to play their second best teams in the intermediate hurling championships for the coming season. He said that allowing Kerry, Meath and Down to play their first teams in this championship and refusing all others to play their second best made a joke of the whole thing.

S. O'Brien said that he had protested at the refusal and was very disappointed that he received no support from any of the other four Munster counties, Limerick, Clare, Tipperary and Cork. He agreed with James Tobin that it is something of a joke the way in which it is being organised.

James Tobin said that the question of not entering an intermediate hurling team next year would now have to be raised.

## P.L.

## INSURANCE

Treasurer, Tony Morrissey stated that the clubs in the division were asked to pay their public liability insurance at tonight's meeting, but disappointingly only a small number had done so. He reminded clubs that this payment was overdue. Also the agreed £20 contribution per club towards the special function being organised in aid of Michael O Hehir well known broadcaster who has been incapacitated for over 12 years was due. Michael, whose voice is so well known to every sports person in the country, worked on contract for R.T.E. and did not receive the normal pensions, etc., etc. when he was forced to retire after getting a stroke.

# Oireachtas Win For Waterford

### WATERFORD 1-12 DUBLIN 0-9

Waterford continued on their winning way at Walsh Park on Sunday last when they scored a six points win over Dublin in a very entertaining and competitive game. The big news coming from the camp in the lead up to the game was the recall to the panel of former Erin's Own player Liam 'Chuck' O'Connor who last played with Waterford in the championships three years ago. O'Connor was introduced as a substitute when corner forward young Mick White went off injured.

## PLAY

With the strong breeze behind them, the Dublin team under new management went about their business from the start and were enjoying an 0-7 to 0-3 lead in the 28th min. before Barry Walsh shot home a rasper which was to be the only goal of the match. This brought the homeside close (0-7 to 1-3) at half-time. In the second half a superb display by all three half-backs (Tony Browne, Tom Feeney and Peter Queally) made life very difficult for the Dublinmen who were only able to manage a point from play and another from a free in this period. In the 34th min. Tom Fives sent over a great point to level the scores and from there on Waterford took control and added on a further eight points. Ken McGrath and Tony Browne each contributed four points.

Waterford: R. Barry, Michael O'Sullivan, J. O'Connor, Mark O'Sullivan, T. Browne (0-4), T. Feeney, P. Queally, J. Brenner, T. Fives (0-1), D. Shanahan, K. McGrath (0-4), D. McGrath (0-1), M. White, S. Daly, B. Walsh (1-1). Subs: L. O'Connor (0-1) for M. White, S. Cullinane for T. Fives.

Dublin: C. Cantwell, J. Finnegan, S. Power, D. McCormack, D. Benhan, P. Harney (0-1), S. Duignan, C. McCann (0-3), S. Byrne, B. O'Sullivan (0-2), M. Morrissey, G. Ennis (0-2), C. Ring, B. McMahon, R. Leahy. Subs: P. Peters (0-1) for R. Leahy.

Referee: P. Horan (Offaly).

Waterford will next play Clare in the semi-final probably at a neutral venue on next Sunday week. Clare also qualified on Sunday last when they defeated Galway by 3-15 to 1-15 at Ennis.

## NEXT WEEKEND

# Footballers Play Limerick In Round Three Of League Away

## Under 21 Hurling Championship Continues

With players from the champions, Rathgormack and runners-up Gaultier available for selection, it is possible that there will be changes from the team which represented us against Offaly two weeks ago when we travel to Askeaton to play Limerick on Sunday next. Players from Ring and De La Salle are unlikely to be available as the sides are due to meet in the replay of the County Final on the following Sunday.

If Rathgormack's victory on Sunday and their date with Laune Rangers does not mean that their players will be forbidden to play with the county by the club, it could mean that players like Martin, Ger and Richard Power, Brendan Curry, Declan Power and a couple of others will be available to the selectors and their availability could make a difference as our standards are not much different from that of Limerick at the present time.

Like ourselves Limerick have some player problems due to late finishing of the club championships but it must not be forgotten that they have an almost 100% record against us at Askeaton both in league and in the championship. Negotiations have taken place between the selectors and Rathgormack but the outcome of these is unlikely to be known until after the team is selected on Tuesday night after training at Bushy Park.

Apart from the replay of the Abbeyside v St. Olivers U-21 hurling tie at the Fraher Field on Saturday, there can be very little else in the way of field activity in the County on the coming weekend. Because of Ballygunner's involvement in the club championship at Thurles, the replay of their drawn U-21 hurling tie with Dunhill/Fenor cannot be played until the following week. Here in the west it will mean that the Fraher Field will be closed on Sunday.

### MUNSTER CLUB

Ballygunner v Boherlahan On Sunday next, Waterford county champions Ballygunner travel to where

they take on the new Tipperary champions, Boherlahan/Dualla in the semi-final of the 33rd running of the Munster Club Championship.

The 'Gunners, who scored a merited 10 pts. victory over the Cork representatives Na Piarraigh at Walsh Park three weeks ago will be playing in this championship for their 6th time while their opponents from Tipperary will be having their baptism of fire, never before having qualified to play.

This competition has proven to be an excellent championship despite the many misgivings voiced at the start after things had gone badly. Started in 1964, the final of that year between Cork champions Glen Rovers and Mount Sion from Waterford was not played until December 5th 1966. Originally the final had been abandoned because of atrocious weather and spectator problems. Referee Tommy Foran from Carrick-On-Suir called it off with three minutes remaining and Glen Rovers leading by 3-6 to 2-6. The Glen won the replay by 3-7 to 1-7.

Mount Sion were back in the final in the following year and were beaten by St. Finbar's, Cork. In the third year of the championship, Ballygunner were our representatives and also reached the Munster Final but were beaten by Carrick Davins by 2-17 to 1-11. In the fifth year of the championship, the 'Gunners were back again in the provincial final and lost to Newmarket-On-Fergus by 5-8 to 4-3. Generally, Waterford county champions have fared poorly as only once have we won the title. That was in 1981 when Mount Sion defeated South Liberties, Limerick by 3-9 to 1-4.

## County Senior Hurling Champions Ballygunner Play Tipperary Champions Boherlahan In Cup

Last year Ballygunner defeated Na Piarraigh, Cork in a replay but lost in the semi-final to Sixmilebridge. With a 10 pts. victory over Na Piarraigh under their belt, the champions, with a full squad including Ray Whitty, Cormac and Darragh Laphorne, Niall Warren, Stephen Frampton, Fergal

Hartley, Rory O'Sullivan, Liam Whitty, Paul Power, Billy and Darragh O'Sullivan, Paul Flynn, Mick Mahony, David Codd, Tony Carroll and company should be very difficult to beat even though the new and very worthy Tipperary champions Boherlahan/Dualla played wonderful hurl-

ing in their County Final against Toomevara at Semple Stadium, Thurles when winning by 1-16 to 2-12 two weeks ago. In their lineout Aidan Flanagan (the top scorer in the Tipperary County Final), team captain Philly Ryan, Michael Ferncombe, William Hickey, T. J. Dwyer, J. J. McGrath etc.

are among the players who will need watching if the Ballygunner side are to survive at the penultimate stage.

The Waterford champions were in sparkling form against Na Piarraigh and if they can manage to repeat this, they must be in with a good chance.

### SENIOR FOOTBALL MUNSTER CLUB

# Rathgormack Pip Tipperary Champions

## Rathgormack 1-9 Moyle Rovers 1-8

The underfoot conditions were not very conducive to good football but it was a splendid contest all the way and there were lots to enjoy in a game that remained in the balance right up to the final whistle which came in the 63rd min.

The game opened at a very fast pace but was slowed down by quite an amount of fouling. At the same time an amount of fouling went unpunished by the Limerick referee, William O'Mahony who had no problem with the players in this very sporting match between teams from different sides of the Comeragh mountains. The result, which was greeted by a big Waterford support in the 1,500 crowd, means that Rathgormack will now play the Kerry champions, Laune Rangers in the provincial semi-final in the Fraher Field on next Sunday week. This will be a great boost for Rathgormack and for football in the county.

### PLAY

Rathgormack won the toss and elected to play with the very strong breeze but it was Moyle Rovers who were first into the attack and they opened the scoring with a Donal Foley point in the 2nd min. There followed an awful Martin Power wide that should have been a

goal. Derry Foley pointed another for the visitors in the 8th min. before a Martin Power shot at goal was sent out for '54' which the same player duly converted to open Rathgormack's account in the 10th min. Joe Murray had another for the Waterford champions in the 12th min. and 6 mins. later they took the lead with a Martin Power free. Rathgormack had taken a grip of the game and were playing very confident football. Declan Browne for Moyle Rovers and Joe Murray for Rathgormack exchanged points before an all out assault on the Tipperary champ's goal resulted in Ger Power kicking the ball to the net to give them a four points lead in the 26th min. Declan Browne pointed a free for Moyle Rovers in the 29th min. to leave just a goal between them (1-4 to 0-4) at half-time.

### RESTORED LEAD

Joe Murray pointed from play to restore their four points lead early in the sec-

ond half but John McGrath brought one back for the visitors in the 34th min. Declan Browne reduced the gap to 2 pts. with a point in the 35th min. but following a delightful movement involving six or seven players, hero of the County Final Paddy Crotty shot over a point to leave a goal between them in the 38th min. Donal Foley had a point for Moyle Rovers before Paddy Crotty had a rocket-like shot saved when it looked to have 'goal' written all over it. Joe Murray and Martin Power had points to restore their four points lead and in the 52nd min. Martin Power, from a free, increased Rathgormack's lead to five points. Then in a grandstand finish the Tipperary champions mounted all out pressure in an effort to save the day and perhaps with a bit of luck they might have succeeded. Declan Browne had a point between them. Rathgormack, defending desperately, surged upfield and had a wide before the referee blew full-time.

For teams who had each won their respective County championship on the previous weekend and had celebrated for a few days, they put up a great performance and all credit to both.

Rathgormack: P. Fahy, Jason Crotty, D. Power, K. Power, Dan Crotty, B. Curry, D. Hassett, R. Power, V. Murray, J. Murray, M. Power, P. Crotty, S. Power, G. Power, F. Halpin.

Moyle Rovers: S. Delahunty, E. Power, P. Norris, J. McGrath, N. Wall, J. Owens, R. Boland, J. Dunne, L. Cronin, Donal Foley, Derry Foley, K. O'Connor, J. Williams, D. Browne, K. Delahunty. Subs: J. Kelly for K. Delahunty, M. J. Browne for P. Norris. Ref.: W. O'Mahony (Limerick).

### ATTENDANCE

The attendance at this game was much bigger than expected and in excess of 1,400 paid at the turnstiles.

## U-21 Hurling Semi-Final

In winning by 19 pts., Lismore had it very easy against Tallow at Cappoquin on Saturday and will now be the hottest of favourites to regain the title which may not be played until early December.

## G.A.A. NOTES

## UNDER-21 HURLING CHAMPIONSHIP

# Abbeyside And St. Olivers Finish Level

ABBEYSIDE 1-8 ST. OLIVERS 1-8

Although it took St. Olivers a full 50 minutes before they shot over their first score from play they fully deserved a share of the spoils in this close and entertaining first round game in this championship.

Aided by the stiff breeze, Olivers did most of the early pressing, but Abbeyside were the first to score and went a point ahead in the 10th min. when Laurence Hurney pointed from play. Four minutes later they went four points ahead when full forward Michael Murray had a goal. Michael Walsh for Olivers and Dwaine Moore exchanged points

from frees, before Michael Walsh had two good points from placed balls. Last score of this half came from the stick of Brendan Mansfield to leave Abbeyside in front on a 1-3 to 0-3 score at half time.

### FIVE POINTS UP

Points by Laurence Hurney and Michael Murray left Abbeyside five points up by the 40th minute before Michael Walsh and Dwaine Moore again exchanged points from frees just on the end of the third quarter.

Michael Walsh pointed for Olivers in the 46th minute and Dwaine Moore restored Abbeyside's five points lead

with an accurate strike in the 48th min. At this stage St. Olivers came very much into the game and a point by Michael Murray — their first from play in the 50th minute was followed by a goal hit in by Donnaca Tobin, following a double save by Paddy O'Dea in the Abbeyside goal (1-7 to 1-6). A sideline cut in by Michael Walsh skimmed over the crossbar to level the game for the first time in the 56th minute before a Pat O'Donovan point sent St. Olivers into the lead in the 56th minute. At this point the game seemed to have slipped away from Abbeyside but they fought back with tremendous determination and a 58th minute Laurence Hurney point from play brought the sides on terms again and there was no further score.

Abbeyside — P. O'Dea, M. Kiely, G. Breane, P. Shields, B. O'Donovan, O. Murray, P. Cummins, J. Hayes, L. Hurney, J. Foley, D. Moore, P. Landy, B. Mansfield, M. Murray, R. Morrissey. Sub. — D. O'Dea for B. Mansfield.

St. Olivers — C. Radley, T. Curran, S. Ronayne, J. Tobin, O. Halloran, T. Keane, L. Maher, A. Ahearne, M. Walsh, B. Downey, M. Murray, P. Donovan, D. Tobin, K. Cotter, R. Ronayne.

Referee — Roger Casey (Colligan).

### REPLAY

The replay of this game is fixed for 2 p.m. on next Saturday at Fraher Field. The winners will go on to play Ballyduff in the semi final on the following weekend and the divisional final against Lismore on November 24 or December 1.

The under 21 'B' hurling is also going to run a bit late due to unavoidable circumstances. The game between Colligan and An Gaeltacht went off because Ring were involved in the county intermediate final and when it was refixed for Ardmore the awful storm of the weekend of October 27 ruled it out. It was refixed for last Saturday but was postponed as a mark of respect to James Walsh. The Board Secretary said at Fraher Field on Saturday last he was satisfied with full co-operation from all the clubs, that the championships will finish in early or mid December.

### SYMPATHY

Our deepest sympathy is extended to the Walsh family, Coolmasmead on the death of James Walsh. James served his beloved Kilgobinet as a player and official all his life. He held several posts at Western and Co. Board level including treasurer. A great family man and great friend, he will be sadly missed by all who knew him. May he rest in peace. —P.P.

## James Walsh R.I.P.

Although James had been ill for almost a year, news of his death came as a great shock to his legion of friends and acquaintances all around the county where he was known and highly respected.

Because of his illness, the very popular Kilgobinet clubman decided to resign his position as treasurer of the County Board at the beginning of this year, but following his partial recovery, his visits to the Fraher Field resumed, especially when Kilgobinet were playing, and on these occasions he was again greeted by his very many friends and well-wishers.

James, who had a lifelong association with the GAA and his beloved Kilgobinet, could be described as a thorough gentleman with a personality that endeared him to everyone.

His work for Kilgobinet in which he held different officeships over a very long number of years and for the different Boards in which he held office, will ensure that his memory will live on.

For a long number of years James was a County Board Representative on the Western Board and then in 1990 became treasurer of the divisional board and resigned this post when elected treasurer of the County Board four years ago. As an administrator there was no more dedicated or hardworking official.

At the removal of his remains from his home in Coolmasmead on Sunday, a massive crowd turned out to pay their respects and at the church a guard of honour of members of his club, headed by chairman Eamon Burns and a County Board guard of honour of present and past officers, etc., was headed by County Board chairman P. J. Ryan. Also at the funeral Mass at Kilgobinet church on Monday a huge crowd were present again to bid farewell to a man who had played a mighty role on the administrative side of the GAA in Waterford.

In his oration at the graveside, P. J. Ryan described James as a man of the highest integrity and who was respected by one and all for his unquantifiable contribution to the GAA scene in Waterford.

The club colours were flown at half mast in the Kilgobinet cemetery and his coffin was draped in the green and white jersey. Also the tricolour was flown at half mast and a minute's silence observed before the big game at Fraher Field on Sunday afternoon.

To his wife Bridget ("B.B.") and family we offer our very sincere sympathy in their great loss.

## Videoing Of Games

The whole matter of allowing people into our grounds to video particular matches, is something that needs to be seriously discussed by the Boards in the county. In another county a court case is pending after a person doing a video of a game was unable to prevent the stand and camera apparatus from collapsing on a spectator, causing some injury to the individual and damage to the camera.

Recently at Fraher Field a cameraman with a visiting team was perched on the edge of the VIP section over the tunnel and the obvious danger here was remarked upon by some patrons. The County Board have regulations in place to deal with applications to video matches and for the most part, these are observed (having been given approval of both teams involved in the particular match), but there is the odd gate-crasher who can land the Boards in trouble.

## SYMPATHY

Our very sincere and deepest sympathy is extended to the following - Mairead McGrath, The Alcove, Mary Street, Dungarvan and family on the recent death of Jack McGrath who was very well known for his lifelong association with the Brickey Club and with the G.A.A. in general. Both Jack and Mairead played leading roles in the success story of the Brickey Rangers Club. In fact all Jack's family were clearly identifiable as Brickey Rangers people, all having played some role in the life of the club. Jim, Gerry and Johnny all wore the black and amber with distinction and as well as being a wellknown County player, Jim was a County Selector as well. To those and to Albert, Kay, Joan and the other members of the extended family we offer our very sincere sympathy.

The Markley family on the death of Mrs. Margaret Markley of Ballymacartry which occurred over the weekend. Margaret was a sister of wellknown referee and W.L.R. broadcaster, Jim Landers to whom and to the other members of the bereaved Markley family, we offer our deepest sympathy.

# Dungarvan Museum Society Holds Successful Annual General Meeting

On Thursday, October 17th Dungarvan Museum Society held its A.G.M. The Chairman's report reviewed the past year which was indeed another busy and successful one for the Society which included a

variety of enjoyable lectures and outings. The FAS Scheme provided four workers for the museum for the past 12 months and it is hoped that this scheme will be renewed for another year. The various town developments which are in progress at present were discussed at length and exciting plans for lectures and outings for the coming year were made.

visibility for divers. Some of these local divers included Trevor Massey, Tony Hickey and Michael and Eamonn Cathal who showed tremendous courage and commitment in braving the elements to search for the body.

The marathon search finally ended last Friday when the body of James Maher was seen floating in the water and was taken from the river by Cappoquin man Tom Morrissey.

The body was transferred by ambulance to Waterford Regional Hospital where a post mortem examination was carried out on Friday night. Gardai say that there are no suspicious circumstances.

The remains were removed on Saturday night to Affane Church and burial took place in Affane at 10 a.m. on Sunday morning.

To his parents, James and Mary, brother Christopher, sisters Margaret, Pauline, Mary and Muriel and their families, we extend our sincere sympathy.

The following officers and committee were elected for the coming year -

Chairperson: Tony Fitzgerald, Vice-Chairperson: Willie Fraher, Secretary: Jenny Power, Treasurer: Matt Connolly, Committee Members: Joan Baily, Jack English, Nicholas Graves, Pádraigín Ní Chadhla, Jim Shine, Agnes Devine, Bunda Cusack and John Kelly.

Since the A.G.M. we have had our first lecture of the new season. On Thursday, October 24th Joan Johnson gave a fascinating lecture on the Society of Friends and the Ring Fisheries during the Famine. At present two exhibitions of great local interest can be viewed in the museum. The first features Charles Smith, author of "Smith's History of Waterford" (published in 1746). Also on display is an updated exhibition on the Moresby shipwreck which includes some new and exciting exhibits.

All in all some good plans are in the pipeline for the future so watch this space for details. New members are always welcome in the Museum Society - just contact any Committee Member for more information.
