## Co. Council To Take Water Charge Defaulters To Court

BY AISLING CONROY

In an effort to recoup over £400,000 owed in water charges by a small minority of consumers in the County, cash starved Waterford County Council have embarked on a legal course of action.

Due to the legal implications of disconnecting consumers (a method used previously by the Council), it has now been decided to collect outstanding water charge bills through the court.

This is the first time ever that the County Council has resorted to court action against water charge defaulters and it is understood that a number of cases will

be heard in court at the end of this month.

According to the Council Finance Officer, Paul Clerkin, resistance to water charges is confined to a small percentage of consumers, namely 15 - 20%. The outstanding bill of £400,000 stretches back over a period of almost 5 years.

Mr. Clerkin revealed that all Co. Waterford con-

sumers have paid something towards their water charge bill, mainly due to the previous threat of being disconnected. Indeed in excess of

## KNOW YOUR RIGHTS

### QUESTION

I have a disability and I cannot leave the house. Can I get on the Special Voters List?

### ANSWER

Application forms - SV1 - for the Special Voters List are available from your County Council, City or Town Hall. Applications made now must be in by 25th November for inclusion in the Electoral Register which comes out on 15th February '97, so you will not be on the List as a Special Voter for the Referendum in November.

The Special Voters List is for electors with a physical illness or disability who are unable to go in person to vote at the polling station and their condition is likely to continue for the duration of the Register of Electors (12 months).

There are 2 parts to the application form: (A) to be completed by the applicant, (B) by a doctor.

All applicants will be notified by their Local Authority of the decision on the application and if it is refused, will be given the reasons for the refusal.

If you are approved to go on the List, at the time of an election or Referendum, a ballot paper will be brought to your house by a Special Presiding Officer accompanied by a member of the Gardai. Having made a declaration of identity, you will mark the ballot paper in secret and place it in a sealed envelope which the Special Presiding Officer will convey to the Returning Officer of the Constituency.

# Great Night Of Variety And Craic As Dungarvan MS Visit Carroll's Cross

Saturday night, October 12th was one of the worst nights ever on the weather front but this did not dampen the enthusiasm or joviality of the very large crowd that attended this fundraising night for Dungarvan Multiple Sclerosis. "The Hoodlums", who are a very talented band, responded to the crowd and gave a star studded performance that had the floor full for the night.

As with all our nights we try to have as much variety as possible and this was no different. Sally Kiely and her set dancers gave a great bit of jizz to the proceedings and the large crowd raised the roof for this one. We had Pat Coffey giving his usual accomplished performance on the box. Ken Weable played the fiddle and what a fiddle player he is. Sally Kiely finished the variety section with 'Seanachie' and she gave a haunting performance and enjoyed it every bit as much as the crowd. The band finished off the night to great acclaim and another successful and enjoyable night was had in Carroll's Cross.

As with all successful nights, many people and many hours are put in beforehand. We thank Louis Dunne for giving us his usual great welcome and his staff for their courtesy and support. Louis is not short when it comes to putting his hand in his pocket and is always very generous to us. Margaret Mulhearn gave us the use of her shop to sell raffle tickets prior to the night and for this we are

very grateful. Thanks is also due to Helen McCarthy for helping to sell the tickets and putting up the posters. The band on the night were brilliant and we thank them for making the night enjoyable. Where would we be without our variety artists and we thank Sally for doing 'Seanachie'. Pat Coffey is a lovely box player and it was great to hear him play on the night. Thanks is also owed to Ken Weable.

The raffle on the night was very successful and we

thank all those who sponsored prizes, Paul and Phyllis Morris, John Roche, Francie and Pat Kiersey, Jerry Kirwan, Sally Kiely, Catherine Keighery, Michael Joy and Phil Flynn.

We always leave the best wine until last and in saying this we thank Pat and Mary Coffey and Pat Power for doing a tremendous job here and making the night a marvelous success. They also spent a day prior to the night selling raffle tickets and it's people like these showing

great heart and commitment that are the bedrock of our very successful branch. See you in 1997.

We had planned on having a night in Corcoran's in Kill, but we decided to cancel this night as the hospice are having a fund raising night in Corcoran's around the same time. They too are a very worthy cause and we therefore decided to cancel our night and we hope everybody comes to support this cause. We will be coming to Corcoran's in 1997.

# HELP! WE'RE BEING INVADED BY MICE!

**The thought of a mouse scurrying around the house fills many people with horror.**

So imagine what it would be like to be invaded by an army of mice.

This actually happened in Australia. Farmers began to notice armies of mice on their land in 1969.

"They were like a moving carpet in places. A farmer could trap 300 or 400 a night!" says Jane Ferguson in her book *A Book of Disasters* (Hippo, 70p).

In the wheat-growing belt of the Malee in the State of Victoria, farmers have never known anything like it. Mice had never before eaten crops that were actually growing.

Not only did they attack the stored foods, but did enormous damage to the sheeps stubble grazing, rice and maize, as well as fruit and vegetables. All farmers could do was to wait for winter and hope the frost would kill the mice, or that they would eat each other.

They finally disappeared as mysteriously as they had come. But 10 years later they were back on the rampage.

Not content with eating the harvest, they moved indoors. People found dead mice in baths, sinks and water tanks. Sleeping children were having their hair pulled out to line the mices nests.

One farming family returning from holiday found their house devastated.

Cushions, blankets, bed spreads,

clothes in drawers and on hangers were all eaten. Dead mice were in drawers, mattresses, under pillows and furniture. Mouse droppings were piled in corners, on kitchen benches and window-sills 1 1/4 cm. thick.

Again, they eventually disappeared. Nobody knows where they came from — nor if they will return.

## What To Do If You Are Lost

**If you ramble a bit off the beaten track and get lost, don't panic!**

**Look for a full grown tree standing on its own. Study the bark. The south side of the tree has bark that's harder, lighter and drier than the north side. And invariably you'll find lots of moss growing on the north side among the roots, especially if the tree is an oak or elm.**

But you're still lost? Remember, the leaves on the north side of a tree in summer are greener and longer, having lighter vein patterns than the ones on the south side. Look for a tree stump that will show you north and

south. On the south side the rings will be

thicker so that the heart is nearer the north side.

No trees at all? Take a look at the stones. If they've been in the same spot for a long while, they invariably have moss on the north side. Take a look at the vegetation on the hills. The greenest is always on the north side.

Up to your boots in marsh mud? Try to find small bushes. Where they face north the limbs and leaves look much greener. If you're rambling in winter look for a tree with a rough bark.

### Does a cow have four stomachs?

A cow does not have four stomachs. It's stomach is divided into four compartments, which seems to be almost the same thing.

Cows, goats, sheep, antelopes and camels all have the habit of swallowing their food and later bringing it back up to the mouth. They then can chew their food at leisure. These type of animals are called "cud-chewing" or ruminants. The reason why these animals developed this method of chewing is because their ancestors were easy prey to stronger flesh-eating beasts. Thousands of years ago these animals would eat their food quickly and then go into a hiding place to chew in their own time. They protected themselves in this way.

Chewing the cud is made possible by the cow's complicated stomach. It has four compartments - the paunch or "rerun"; the

"reticulum", or honeycomb bag; the "omasum", or manyplies; and the "abomasum" or true stomach.

When the animal first swallows it's food, it is in the form of a coarse pellet which goes into the paunch which is the biggest of the four compartments. It is made softer there and goes into the reticulum. It is moulded here into "cuds" of convenient size. Later they are passed back up into the mouth by regurgitation. After they have been chewed, they are swallowed a second time, passing into the third stomach and then finally into the true stomach.

Cows, goats or sheep have no front teeth in the upper jaw. Instead the gums make up a tough pad.

## Alcoholics Anonymous 50 Years in Ireland

On the 18th of November 1946 a very unusual event took place in Dublin. A few heart-broken drunks, battered and mystified and having exhausted all their

will-power, shuffled their way to a humble home of an alcoholic in the suburbs of Dublin. They went there with little hope, because in the past their hopes had been raised by taking the pledge, going on retreats, going on the hospitals and a variety of other 'cures,' but somehow or other they had always returned to their fatal obsession.

But here in this small kitchen they were to meet Conor F. and they were there to discover that when one alcoholic speaks to another, something magical happens. They all made the discovery which thousands of AA's in Ireland have made, that we need each other, that you cannot will yourself sober, but, that you can will yourself to a meeting where you will get sober.

To celebrate 50 years, closed meetings will be held at all venues in Ireland next Monday night, November 18. The closed meetings for the Dungarvan area are — Fatima Hall, 8.30 p.m. (closed meeting); Friary Church, 8.30 p.m. (closed meeting); Abbeyside Parish Office, 8.30 p.m. (closed meeting).

(Photo: Sean Byrne).

1996 being the 25th anniversary of the founding of Lismore/Cappoquin Credit Union Ltd., throughout the year various activities were held to celebrate this event which culminated in us having a special day/night on Friday, October 18.

Throughout the day of October 18 both Lismore and Cappoquin offices were open to the public where light refreshments were served to all the visitors including many school children.

In the blessing Rev. Fr. Arthur P.P., Cappoquin performed the blessing of the Cappoquin Office and Frank Lynch, Vice-President, Irish League of Credit Unions declared the office officially open. This followed the blessing of the Lismore Office by Rev. Canon Nugent and again Frank Lynch declared the Lismore Office officially open.

Following this, special guests and members gathered in the Lismore Hotel for a social evening. A very pleasant meal was served by the Lismore Hotel. Our own Donal Kennefick acted as a very able M.C. for the night. He welcomed everybody including special guests and our friends from neighbouring Credit Unions and introduced the speakers — Frank Lynch, Vice-President, Irish League of Credit Unions, Kathleen Halpin, Chairperson, Chapter 10 and Bernard Leddy, Chairman, Lismore Town Commissioners. They all, in turn, praised the success of our Credit Union and wished us continued progress.

Our Chairman, Gerard Walsh, gave the following account of our Credit Union:

Our Credit Union was founded on 19th of February 1971. The idea of forming a Credit Union in Lismore, initially, came from the late Kieran Fenton as a result of him watching a documentary on television about Credit Unions. At that time Kieran was a very active member of the Lismore Town Commissioners and through them it was decided to invite the then Field Officer, a Mr. O'Crowley, of the Irish League of Credit Unions, to come to Lismore to discuss the possibility of forming a Credit Union.

As a result of this, a study group, which included people from every social class, was set up in October 1970 to learn the Credit Union Rules. During the study period the study group was given tremendous help and advice by the Field Officer and members of Tallow, Dungarvan and Carrick-on-Suir Credit Unions which were at that time well established. A few months after the formation of the study group the late Fr. Keating, was transferred as Curate to Lismore and joined the study group — he had an amount of experience of Credit Unions in Cahir and Clonmel.

Soon afterwards an application was made to start a Credit Union with the Irish League of Credit Unions and friendly societies. The application was successful.

The initial organisation

meeting was held on February 12th, 1971 to elect the first Board of 7 Directors. In addition to this the Supervisory Committee of Paddy Vaughan, Tony Bolger (RIP) and Patsy Bransfield were appointed. On Friday, February 19th, 1971 the Board of Directors held their first meeting when the officers were decided: Chairman — Tom Doocey; Vice Chairman — Kieran Fenton (RIP); Hon. Secretary — Dermot O'Leary; Asst. Hon. Secretary — Rose Champion; Treasurer — Johnny Ryan; Asst. Treasurer — Paddy Lawton. The Credit Committee comprised of Rose Champion, Frank Geoghegan and Tommy Whelan (RIP).

On March 20th, 1971 "Lismore Credit Union Ltd." opened to the public for business in rented offices and East Main Street, Lismore. The business growth in Lismore went from strength to strength and as a result of promotional work in Cappoquin many new members joined from the Cappoquin area. As a result of the business growth from the Cappoquin area, it was decided to rent and open an office in Cappoquin and at the A.G.M. in 1973 it was agreed that the name of the Credit Union be changed to "Lismore and Cappoquin Credit Union Ltd."

In 1975 the first premises was purchased in Chapel Street, Lismore. In 1986 a premises was purchased in Barrack St., Cappoquin. In

1990, due to increased membership, a larger premises was purchased in Main Street, Lismore.

On the 25th anniversary of our founding we pay tribute to the founder members of our Credit Union for their foresight and tremendous hard work. It must be gratifying for those members to now note that Credit Union membership is presently at 2,800 and growing continuously and that members continue to give freely of their time, working as tellers, promoters, etc., to ensure that the Credit Union continues to go from strength to strength. The assets of the Credit Union now stand at approx. £2,500,000.

Gerard then presented an inscribed pottery bowl, produced locally, to the founder members or their spouses in appreciation of their services given so freely down the years. There was a special presentation made to Mrs. Patsy Bransfield being the longest active account holder in the Credit Union and also to the youngest member born closest to the foundation date i.e. Mark Leddy. The weekly draw prize winners were also presented with their prizes on the night.

Donal Kennefick thanked the hotel for the lovely meal and wished everybody an enjoyable night. Music was rendered by the wonderful "Society Four" and many spot prizes, kindly presented by local businesses were given out. A most wonderful night was had by all present.

# RECENT DEATHS

## Mr. Liam Murray

It is with deep and sincere regret we record the death of Mr. Liam Murray, Ballyguiry, Dungarvan, which sad event took place peacefully at his residence on Friday, November 1 last, following a period of illness. The sad news of the passing of Liam, who was predeceased by his loving wife Eileen in August 1995, left a cloud of sadness in Ballyguiry and surrounding area with the loss of a well humoured, kind, warm-hearted, sensitive and caring man who was liked and loved by everyone who knew him.

The deceased, who was in his seventy-eighth year, was well known throughout the farming community. He was a highly respected, enterprising farmer all his life and took pride in his work and his farm. He continued to take interest in the farming business, long after his retirement and kept up his hobby of welding and other activities around the farm which he enjoyed so much.

Liam was a former member of the Dungarvan Local Defence Forces. He was on duty during the Emergency of World War 2. He later became a keen game shooting enthusiast, a pastime he kept all his life. He was a wonderful card player and he never lost his skills at 45 which he enjoyed immensely.

Liam was also a lover of amateur drama and he did several lead roles in the Irish

language with Glenbeg Drama Society including their overall award winning play at Féile Drámaíochta Gaeilge in Waterford in 1953.

Liam's devotion to his late wife Eileen, their three sons was never ending. He was a dedicated, kind and considerate father and an ever-loving husband. He valued his family dearly and they in turn treasured their loving father. The loss of Liam's wife Eileen in 1995 left Liam in a great sorrow from which he never fully recovered. We pray that Liam and Eileen are now happily together in heaven with God.

To their three sons Frank, Pat and Conor and all Liam's relatives and friends we extend sincerest and deepest sympathy.

The measure of the esteem and high regard in which the deceased was held was clearly evident by the large concourse of mourners who called to the Murray residence on Friday and Saturday to pay their final respects to their deceased friend.

On Saturday evening, November 2, Liam's remains were removed from his home and farm at Ballyguiry to St. Mary's Parish Church, Dungarvan, where they were received and blessed by Fr. Kelly, C.C., assisted by Fr. Moylan, O.S.A. and Fr. O'Sullivan.

Funeral Mass was celebrated on Sunday morning by Fr. Kennedy, C.C. and also in attendance was Archdeacon G. Power, P.P. Readings were read by sons Pat and Conor. The responsorial psalm was sung by son Frank and daughter-in-law Maura. Appropriate music was rendered by Lorna Jane Daly. Burial took place in the adjoining cemetery. Fr. Kennedy officiated at the graveside in the presence of a large crowd.

The chief mourners were Frank, Pat and Conor (sons), Eileen and Margaret (sisters), Maura (daughter-in-law), Alice (sister-in-law),

Sean (brother-in-law), nieces, nephews, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Mr. James Walsh

Profound and sincere feelings of regret were widely expressed at the news of the death which occurred after a short illness borne with true Christian fortitude at his residence on Saturday, November 2, of Mr. James Walsh, Coolnasmear, Dungarvan. Some weeks ago he had only celebrated his 63rd birthday.

A man of outstanding qualities he possessed a wonderful, warm personality and made friends with ease. All callers to his home were made to feel truly welcome, as he was a caring neighbour and friend who made an immediate and lasting impression by virtue of his courteous and easy-going nature.

He was a loving husband, brother and father and his passing will be sadly mourned by his loving wife and family. James had a lifelong association with the GAA, and his beloved Kilgobinet. He held a number of key administrative posts in the Kilgobinet Club including the Chairmanship for 17 years and his biggest achievement was being involved in the purchase of their playing field at Inchindrisla. From 1991 until last January, James had been County Board Treasurer and before that he held a similar position with the West Waterford Board.

The measure of the esteem and high regard in which the deceased was held was clearly evidenced by the large concourse of mourners who were present on Sunday evening when his remains were removed to Kilgobinet Church where they were blessed and received by Rev. Fr. M. Kennedy, P.P., assisted by Fr. Nicholas McCarthy, P.P., Fr. Doherty, P.P., Fr. Ryan, C.C. and Fr. Kelleher, P.P. and other visiting clergy.

On Monday evening Requiem Mass was celebrated for the repose of his gentle soul. The chief celebrant was Fr. Kennedy, assisted by Fr. Kelleher, Fr. Butler, C.C., Fr. Kennedy, C.C., Fr. Collender, O.S.A., Fr. Byrne, P.P., Fr. Fitzgerald, P.P., Fr. Cooney, C.C., Fr. Walsh, P.P., Fr. Barry, C.C., Fr. McCarthy, P.P., Fr. Tim, Chaplain of W.R.T.C., Fr. T. Smith, O.D.C., prior of Glasgow Carmelites and other visiting clergy.

Some members of his fam-

ily assisted in the Mass. The Lessons were read by his son Bro. Patrick and daughter Catherine; the Psalm was sung by his son Michael; the Bidding Prayers were recited by his son Kevin, daughter Breda, daughters-in-law Marguerite and Helen and nieces Brigid and Sinead. The Offertory procession was led by his grandchildren Claire and Paul, along with his son Aidan and good friends Willie and Mike.

After Mass he was laid to rest in the family plot alongside his son John who predeceased him in 1984, in the adjoining cemetery. Fr. Kennedy, P.P., officiated at the graveside, assisted by Fr. Kelleher, in the presence of a large gathering of mourners paying their final respects to a dear friend whose memory they will cherish. At the graveside there were superb orations delivered by his fellow clubman and neighbour Eamonn Byrne and by the Chairman of the County Board Paddy Joe Ryan.

To his beloved wife Brigid, sons Jim, Bro. Patrick, Michael, Aidan and Kevin, daughters Nora, Breda and Catherine, son-in-law Thomas daughters-in-law Helen, Isabelle, Marguerite, grandchildren Claire, Paul, Seany, Áine, brother John and sister Eileen and extended relatives, we extend our deepest sympathy. Ar dheis Dé go raibh a hanam.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Sergeant Major Michael Gowan

We record with sincere regret the death of Sergeant Major Michael Gowan, formerly of Lissarow, Ardmore, which occurred in Galway on Monday, November 4. A member of the defence forces, he had been stationed in Galway for many years.

He joined the army in the 1960s as a member of An Chead Chath and he served on several tours of duty abroad, including two in the Congo, and had attained the rank of Sergeant Major. A fluent Irish speaker, his death is made all the more poignant by reason of the fact that his brother Phil predeceased him just five weeks ago.

Member of a well known Ardmore family, Michael was held in high regard by all who came in contact with him during his lifetime. He will be sadly missed by all

but more especially by his sorrowing family and relatives to whom we extend deep and sincere sympathy.

Removal was from University College Hospital, Galway, on Tuesday evening to the Garrison church, Renmore. Following funeral Mass on Wednesday morning, removal was to Drohan's Funeral Home, Dungarvan. Removal same evening took place to Grange Church where the remains were received by Fr. Pat Butler, C.C. Following funeral Mass on Thursday morning celebrated by Fr. O'Connor, P.P., assisted by visiting and military clergy, the burial took place in the adjoining cemetery. His coffin was draped with the national flag and his remains were carried to the graveside by his army colleagues. Fr. O'Connor officiated at the graveside. Full military honours were rendered at the obsequies.

Chief mourners were Liam and Oliver (brothers), sisters-in-law, nephews, nieces, colleagues in An Chead Chath, the defence forces, relatives and friends.

(Funeral arrangements by O'Flahertys, Galway and Tom Drohan, Dungarvan.)

## Council To Take Water Charge Defaulters To Court

CONTINUED FROM PAGE 1

85% of people in the County pay their full charges. He added that the approx. cost of sending a warning to defaulters is over £1, which covers staff time, post etc. In the past, the Council received a 'good' response through final warnings although a small percentage continue to default on their water bills.

### WILL CHARGES BE RETAINED

In advance of next Friday's estimates meeting where a further increase in

commercial or domestic water charges or service charges etc. for 1997 could well be on the cards, Council members have sought clarification on whether or not water charges are to be retained by the Government.

Raising the issue at last Monday's County Council meeting was Cllr. Con Casey who said it was not clear if water charges are to be retained, a fact which could put members in an awkward position at the annual estimates

meeting where a rate for the County must be struck.

He subsequently urged that the Council write immediately to the Department of the Environment seeking clarification on the matter before Friday's meeting.

Acting County Secretary, Peter Carey however revealed that the Council has already written to the Environment Minister, Brendan Howlin and his Department and no reply had been received as of Monday.

### MANAGER IS ADAMANT

County Manager, Donal Connolly said he intends to pursue the outstanding debt of £400,000 until such time as the Government makes a decision in relation to service charges. He stressed that the Council must work within the ambit that the water charges are still being enforced in 1997.

"If we want to improve and increase services as people demand, then the cost of providing them must come from a Government grant or from the public," he stated.

Mr. Connolly added that if the Government makes a decision to abolish water rates after the Council's estimates meeting, then the Environment Minister would be obliged to pick up the tab in revenue loss to the Council in lieu of the consumers.

With regard to the upcoming court cases involving water charge defaulters, Mr. Connolly said that any possible objection that can be raised will be raised by the defaulters. However according to Mr. Clerkin, Council officials have 'no reason to think there will be any problem' in bringing the consumers to court.

### BADMINTON CLUB NEWS

The Mens League is very evenly balanced and more difficult to predict results as we reach the halfway stage.

Our first mens team of Jimmy McGrath, Jessie Power, Micheal Power and Shane Reddy had a 3-1 result over De La Salle last week. They haven't lost any match to date and we hope this trend continues. They played at home on Tuesday night to Dungarvan and meet Holy Cross next week.

The second mens team suffered a defeat to the experienced Tourin side last week. Holy Cross was the challenge this week and unfortunately luck was not on their side this time either. Their next match is away to De La Salle on November 19th.

Our third mens team continue to keep a consistent result if nothing else !! Dunmore were the opposition last week and this week they play away to Ballyduff. Keep up the good work, lads.

In the Ladies League both teams recorded victories over their opponents. Team two had a four point win over neighbours Touraneena as they commence the last leg of this competition. This week's opponents were Waterford and what a competitive game it turned out to be. Modeligo were again victorious, dropping just one point. The final league match for this team is against Dunmore on November 22nd.

The first ladies team of Ide Walsh, Breda McCarthy, Siobhan Walsh and Bernie Troy recorded a four point win also in their home match against Dunmore last week. This team is very comfortable leading into the second half of their league challenge. Wednesday sees them away to Touraneena 3 and let's hope they continue increasing points.

## DUNGARVAN SCOUT NOTES

### TROOP MEETING

The meeting began with a few notices. The main item discussed was a possible trip to Funderworld in late December. Once subs were collected we played some games. We played shoot the basket. Conor Power and Paul Sheridan did well here. Text work was next on the agenda. The lads doing the tracker badge practised their scout salute and handshake.

They also learned their scout prayer and promise. The lads doing the explorer badge practised body signals and they talked about survival kits and at the end of their session they had to make a stretcher.

While this was going on, Jonathan took the older scouts for merit badges. A few more games followed and the meeting ended at 8.45 p.m.

### LEADER TRAINING

Three leaders from the unit attended a regional training course in Mount Melleray last weekend. They covered pack holidays, map work and other different leadership skills. Those who attended were Paul Sheridan (scouts) and Majella Dwane and Sean McCarthy of the Cub section.

## NEWCASTLE PARISH COUNCIL

The inaugural meeting of Newcastle Parish Preliminary Council was held recently in the Curate's house and groups in the parish were invited to send representatives. Most groups did and over twenty individuals gathered. They discussed to the best of their ability what it was they were about and worries and fears were discussed and dealt with. No officers were elected because the group is not permanent and will be dissolved in six months time.

Its primary purpose is to create a constitution for the running of the council and also to set in motion a procedure by which the council will be elected from the parish and how best that election should be run. Its activities will be directly supervised by the Priests. Thanks to all the people who came to the meeting and the groups who sent representatives and, indeed, thanks to anybody who submitted opinions. The reality is that they are a long way from creating a council, but if their first step is anything

to go by, then things are looking good and they hope that people will give it their enthusiastic support and remember that its success or failure will depend on us all.

Many people mentioned that there could have been an open meeting and indeed, while they entertained this and other possibilities, they decided that in order to constructively get some where fast, then this was the best road to take and people will just have to trust on that. This group will meet again on Wednesday, November 27 at 8 p.m. in the Curate's house. The speaker on the night will be Monsignor Michael Olden P.P., S.S. Peter and Paul's, Clonmel on whose wisdom it is they will be drawing as Mons. Olden successfully set up a parish council in Kilkshellan during his time there as parish priest.

Fr. Denmead C.C. will keep the parish informed as best he can about the progress. While people may not understand, or may have varying opinions, or maybe just resistant to change, then all is needed is trust. Trust

primarily in the Holy Spirit that this indeed is work of Christians who are now gathering to initiate a parish council which will cater for the temporal and spiritual needs of the parish and trust that they can successfully pilot this group through the muddy waters of preparation with a guarantee that all houses in the parish will eventually have a say in how the parish council should be constructed and after that, when the foundation of the house is laid, will decide how the house is built.

## ANNUAL SALE OF WORK

The Annual Sale of Work in aid of St. Patrick's Hall, Ballymacarbry will take place on Sunday next, November 17 at the Hall, beginning at 2.30 p.m. You are asked to come along and help this the annual fund raising event for the Hall.

## HISTORY OF THE FRANCISCANS

The Franciscans came to Carrick-on-Suir in the year 1336. James, first Earl of Ormond, gave his castle as a Friary to them. During the intervening centuries there were years of peace and years of persecution. Friars came and went and lived in different dwellings. The present Friary House is 100 years old this year and to mark the occasion and to commemorate the long association with Carrick, a talk will be given in the Heritage Centre on Thursday, November 21 by Patrick Conlon OFM on the Franciscans in the town.

## LIAM LYNCH MEMORIAL

## IRISH WHEELCHAIR ASSOCIATION

The Irish Wheelchair Association have over 100 members throughout County Waterford for whom they provide a wide range of services which include weekly youth and sports club, day and weekend trips, holidays, training and educational activities. They plan to open a day activity centre in Dungarvan to get the members there. They also hope to start a centre in Waterford City — this is again when transport is available.

## BALLYMACARBRY COMMUNITY ALERT

A meeting of Ballymacarbry Community Alert took place in Melody's Loft, Ballymacarbry on Monday night last. There was a large attendance present. The committee are now almost ready to instal sixty Emergency Response Phones to the elderly and to people living alone. This has been brought about by a 90 per cent grant from Social Welfare and the remainder being raised through donations from firms and business people. The response to this is very good. The unit are also installing phones to seven people with the cost to be met by the Community Alert. The Emergency Response telephone has been designed to help ease some of the worries often associated with personal support, such as living alone, security and physical challenges. This is an advanced emergency telephone system incorporating special features that summon help and provide reassurance instantly. Those elderly people will be fully briefed to know what to do to summon help and to whom to alert, be it a member of the family, a neighbour, the gardai, the family doctor or the clergy. We now hope that those people will feel a little more secure facing the long winter months, thanks to the many generous firms and kind hearted people.

## RECENT DEATHS

### Late Mrs. Margaret Markley

A cloud of sadness crept over the district with the news of the death of Mrs. Margaret (Madge) Markley (nee Landers), Deerpark, Ballymacarbry, which sad event took place at the Assessment Unit, St. Patrick's Hospital, Cashel on Friday, November 1, the Feast of All Saints.

Deceased, in her mid fifties was a member of an old and respected family, the Landers of Villierstown. A lady of outstanding qualities she possessed a wonderful warm personality and made friends at ease. All callers to her home were made feel truly welcome as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all.

A loving wife and mother she was so proud of her family and they were so proud of her. She was a lady possessed of an old world charm and had a most charitable outlook on life and her passing at such an early age has evoked feelings of sincere regret among her family, neighbours and her many friends.

Many tributes have been paid to this kind hearted lady but perhaps the finest was paid to her on Saturday evening when all walks of life were represented in the huge concourse or mourners who were present when her remains, after the rosary was recited by Rev. Fr. Edmund Tobin P.P., Fourmilewater/Newcastle, were removed from her residence to St. Laurence's Parish Church, Fourmilewater where they were blessed and received by Fr. Tobin. On Sunday morning the Feast of Saint Hubert the patron Saint of hunters, the 11 a.m. Mass was celebrated for the repose of her gentle soul. The celebrant was Rev. Fr. Edmund Tobin P.P. assisted by Rev. Fr. Finbar Lucey P.P., Aglish / Ballinameela / Mount Stuart. The lesson was read by Jim Joe Landers, well known G.A.A. personality, brother of deceased. After Mass as they sun shone from a November sky one of the district's best loved citizens was laid to rest.

May the soil of Fourmilewater rest lightly on her grave. Fr. Tobin and Fr. Lucey officiated at the graveside in the presence of yet another immense concourse of mourners. Family, friends and neighbours wept openly as they mourned the demise of a dear Christian friend whose memory they will cherish.

To her husband, her sons and daughters, her mother, brothers, sisters and many other relations we tender our sympathy. Go raibh laistin den scoith aici i measc na naomh.

(Undertakers Condon, Clonmel.)

### SYMPATHY

Sympathy of the district is extended to the Walton family, Cahernaleague Lodge, Ballinamult on the tragic death of their 21 year old son Garry, who lost his life in a drowning accident in Tenerife in the Canary Islands on Thursday, November 7.

## F.C.A. HITS THE HALF CENTURY

Over 600 people paid a visit to Kickham Barracks, Clonmel on Sunday week last for the 3rd Cavalry Squadron F.C.A. open day to commemorate the Golden Jubilee of the F.C.A. The day began with the presentation of long service medals to four members of the 3rd Cavalry Squadron, Captain Denis Fahy, whose late mother hailed from Ballymacarbry, received 2 bars for 21 years service; Lt. John Power, Sgt. Jim O'Meara and Corp. Francis Keogh each received a single bar for their 14 years service.

# Planning Application Dropped For Melleray Wind Test Systems

Proposals by an English-based company to erect two temporary wind monitoring systems - with 40 metre high masts - on the Knockmealdown Mountains in West Waterford have been abandoned in the face of massive local opposition.

Colham Energy Ltd. of Bristol had applied for planning permission to Waterford County Council last March to erect two wind farm test sites at Tooranahreen and Glen-

fallia on the lands of Sir Richard Keane of Cappoquin Estates.

Located within a short distance of the Cistercian Abbey at Mount Melleray, neighbouring residents voiced their concern at the proposed development which they maintained would interfere with the rugged and currently unspoiled mountain range.

Waterford County Manager Donal Connolly was expected to give his decision

on the applications by the end of May. However, he subsequently requested additional information from the company - a request which was never fulfilled.

Last week, a senior spokesperson for the Council's Planning Department said that the wind farm applications have now been dropped.

The Department was apparently flooded with over one hundred objections drawn from a very wide

area, to the Colham application, spearheaded by the Knockmealdown Protection Committee.

Committee Chairman Willie O'Donoghue had feared the plan would be the forerunner for a permanent wind farm development which would seriously interfere with farming interests throughout the area. The objections were also primarily based on the negative visual impact of the proposed masts.

## Construction To Begin On Dungarvan Hospital Plan

CONTINUED FROM PAGE 1

through in the quarter of a century fight for a new hospital.

Stage one of the £5m. development plan for Dungarvan will see the construction of a 27 bed nursing and rehabilitation unit including day care and outpatient facilities. It is expected that Minister Noonan will announce the successful contractors for the development on Friday.

**CLASH WITH ESTIMATES MEETING**  
Welcoming the positive development on the road to a new hospital extension was Cllr. Billy Kyne who has worked tirelessly to bring this dream to reality. Speaking to the 'Dungarvan Leader' Cllr. Kyne said it is an unfortunate coincidence that the turning of the sod at 3 p.m. on Friday clashes with the most statutory annual meeting of Waterford

County Council, that of the estimates meeting, which is due to be held at 2.30 p.m. in Dungarvan Courthouse on the same day. The estimates meeting however is to convene at the aforementioned time and will then be adjourned until 4 p.m. when a full membership is expected to be in attendance.

**PLAYED PIVOTAL ROLE**  
The Abbeyside councillor first raised the matter of an extension to the existing 150 year old St. Joseph's with the former Health Minister Brendan Howlin, T.D., over 3 years ago.

"I make no apology to anyone when I say that the Labour Party vote in Dáil Éireann, Waterford County Council and Dungarvan UDC, played a pivotal role in overcoming many obstacles to get a start made on this major project," said

Cllr. Kyne. He said it had given him great personal satisfaction that his position in the South Eastern Health Board, especially as a former Chairman, has contributed significantly to this major advancement for the people of Dungarvan and West Waterford.

Continuing, Cllr. Kyne declared that he is committed to continuing to drive on the next phases of the development.

"I trust that any misguided people in the city that still feel I have not worked hard enough, might now change their opinion," he quipped.

"Next Friday is an historic day for the town," he added, "but we must always remember the tremendous understanding and support of the staff and patients who have worked in very trying conditions over many years."

## Water Up To Standard In Lismore

Local concerns about a sudden colour change in the Lismore drinking water supply have now been alleviated by Waterford County Engineer, John O'Flynn.

The issue was raised at last Monday's Council meeting by Cllr. Willie McDonnell who claimed that the water in Lismore recently developed a brownish tinge.

Likewise Cllr. Jimmy Quirke said that local residents in Lismore were very concerned at the quality of the water.

Mr. O'Flynn however revealed that the water supply in Lismore comes from an upland source and following heavy rain, the supply tends to turn brown.

The quality of the water from a drinking point of view, however is up to standard, he added.

# LISMORE COMMUNITY FESTIVAL

1997 - AUGUST 3rd - 10th

## Lismore Notes

### LISMORE SOCCER NOTES

**Red House League** — Lismore had a busy weekend with their Red House League side and U-16 team playing and both successful.

The Senior team, playing their second away fixture in the League, travelled to Clashmore and collected their first points with a four goal to one goal victory. Their display was a much improved performance to their previous week's defeat against Inch. A Dan Shanahan hat-trick and a Paul Prendergast goal were the Lismore scorers all in the first half.

In the second half, Lismore with the points secured let Clashmore into the game but were the better team all through. However to retain their league championship trophy they will still have to improve especially when they meet stronger opposition.

Team: Michael Fitzgerald, K. Hornibrook, P. Meagher, K. O'Gorman, D. Howard, Paul Prendergast, P. Quinn, A. Dunne, B. Prendergast, Michael Caples, D. Shanahan. Subs: B. Walsh for Meagher, B. Landers for Howard, B. Quinn for Prendergast, W. Cunningham (not used).

Next Sunday Lismore play their first home league game of the season when Mogeely will be the visitors. Kick off is at 2.30 p.m.

**U-16's** — On Saturday last, Lismore's U-16 team had Inch as visitors in the Imokilly sponsored League. Lismore led at the break through a Tom Landers goal.

In the second half, Lismore played outstanding football scoring three more goals with Liam Greenslade scoring the first in the half and what a goal. This was, without a doubt, one of the best seen at this venue for many years in any grade and it was scored from all of 25 yards. Other great scorers were David Benson and Peter Howard.

Team: M. Landers, M. Coleman, V. Ormonde, L. Greenslade, J. Tobin, B. Leahy, P. Howard, M. Keane, E. Pollard, T. Landers, M. Coleman. Subs: D. Daly, S. Knoble, L. Casey, M. Whelan.

**U-16 Trial** — Good news for the Club is that 9 players have been selected for an U-16 trial in Tallow on Sunday evening next. This is the first trial to select players in the league who will be playing in February with scouts from England in attendance for three well known English league clubs. This is a wonderful honour for the League and especially for the players who will be selected.

The 9 players to attend in Tallow on Sunday are Michael Keane, Peter Howard, Martin Coleman, Vincent Ormonde, Edward Pollard, Liam Greenslade, Tom Landers, Tom Bennett, David Barron. Players must be in Tallow at 2.30 p.m.

**Fixtures** — Club fixtures for this weekend are as follows - Saturday, November 16th - U-18 team at home to Valley Rangers. Kick off is at 2.30 p.m. U-14 team away to Kilworth. Kick off is at 11.30 a.m.

Sunday, November 17th - Red House League: Lismore v Mogeely. Kick off at 2.30 p.m. U-16 trial in Tallow at 2.30.

**Seaview Celtic Draw Winner** — Finally congratulations to team manager Dave Landers who won £100 in the Seaview Celtic Draw which was held in Conna on Saturday night last. Next draw in Central Bar, Cappoquin on Saturday, November 30th. Tickets are available from Joe Tobin or Dave Landers.

**Best Wishes** — The Club wishes the very best to two injured players. U-14 player Aaron Doocey and Senior player Gary Keane. Hope to see both back playing soon.

**Sponsored Cycle** — This Saturday the long cycle takes place. Joe Tobin, Pat Fitzgerald, Michael Shanahan and Michael O'Leary will leave Cork at 11.30 a.m. and cycle to Lismore, arriving at the monument at 2.00 p.m. approx. (with those times, Sean Kelly need have no fear !!) Anyone who wishes to join them will be more than welcome. This is a sponsored cycle to raise funds for the underage section of the Club. Hopefully they will receive a big and happy welcome when they reach Lismore. First aid will also be in attendance !!

# Council Pass Votes Of Sympathy

A vote of sympathy to the wife Kathleen, son John, daughter Maureen and relatives of the late Denis McGrath, Affane, Cappoquin was proposed at last Monday's meeting of Waterford County Council by Cllr. Ollie Wilkinson.

A native of Cappoquin, Cllr. Wilkinson described the late Mr. McGrath as a staunch G.A.A. man who was a former Chairman of the Western G.A.A. Board. He was a member of numerous G.A.A. committees as well as a loyal supporter of the Fianna Fáil party and Treasurer of the Lismore Comhairle. Mr. McGrath

was an esteemed correspondent of the "Dungarvan Leader" for many years.

The vote of sympathy was seconded by Cllr. Nora Flynn, who said she was indebted to Mr. McGrath for the training and education he gave her in the Cappoquin G.A.A. Club. "A good friend has been lost to us", she added.

Jimmy Quirke, who worked with Denis McGrath for many years also sympathised with the McGrath family on their bereavement.

On the proposal of Cllr. Oliver Coffey, the Council also extended sincere sympathy to the wife Bridgid,

sons Jim, Michael, Kevin, Aidan and Bro. Patrick, and daughters Nora, Breda and Catherine on the death of James Walsh, Coolnasmear, Dungarvan. The late Mr. Walsh was a prominent figure in the Kilgobinet G.A.A. Club where he held the position of Chairman for many years.

The A.G.M. of Cappoquin Pork and Bacon Co. Blackwater Cycling Club was held in the Community Hall, Aglish on Friday, November 1st. Chairman, Denis McCarthy thanked everyone for turning up and went on to outline another successful year for the club. Highlights of the year were another race night held in the Village Bar, Aglish on Saturday, March 9th which is proving to be very popular and will be held again in '97.

The Club also promoted its annual road race over a new course. Despite the weather conditions, cyclists came from all over the country to support our race.

The Club are grateful to the McGrath Bros. of Cappoquin Pork and Bacon Co. for their continuous sponsorship and interest in the club, without their help it would not be possible to travel all over the country to the various races.

The officers of the Club were returned to serve for another year. Tom Moore and Willie Hogan were elected to the boards of the South East Cycling Federation and attended meetings in Kilkenny over the year. Tom Moore has the job for development of underage cycling in the region for the coming year.

David Geary had an outstanding year in the U-14 category winning the All-Ireland Road Cycling Championship in Tuam, also winning a second All-Ireland medal for the competition based on three events over two days. David also won the Cork two day race in June winning three out of the four events over two days and winning races in Dundalk, Listowel, Kanturk and Youghal to crown a marvellous year.

Our U-16 team of Thomas Hogan, Brian Moore, Patrick Doherty and Paul

Geary won the team gold medals in the All-Ireland Road Cycling Championships.

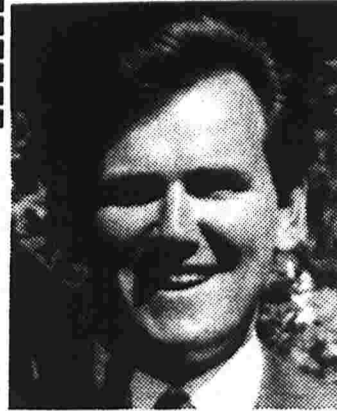

Brian Moore won the U-16 section of the South East League held over the summer months. Patrick Doherty won the u-16 section of the Cidona League held in Clonmel and Carrick-On-Suir.

In September our cyclists took part in a charity cycle from Mitchelstown, Fermoy, Youghal to raise funds for St. Raphael's Hospital, Youghal.

The Club are making an all out effort to recruit new members in the coming months. Various schools will be visited in an effort to get people out on bikes for leisure, mountain biking or racing. So anyone out there who is interested or knows of anyone who might be interested in helping out the Club can contact any of the Club Officers.

## RECENT DEATHS

### Mr. James Maher

It was with a deep sense of shock and sadness that the people of Cappoquin and surrounding areas learned of the unexpected passing on Monday, October 21, of James Maher, Allen Street, Cappoquin and late of Affane. A member of a well known and highly respected family, James was an employee at Cappoquin Chickens where he worked loyally for many years. During that time he made many good friends.

James was a very quiet and easy-going person who always put others before himself. Never selfish, always kind, he always found time to stop and have a friendly chat with his neighbours. His lovely beaming smile will always be remembered and his untimely death at such a young age has come as a great shock to his parents, brothers and sisters and their families.

On Saturday evening, November 2, the remains were removed from the hospital mortuary, Dungarvan to St. John the Baptist Church, Affane, where, on arrival, they were blessed and received by Fr. Walsh, C.C. A guard of honour was formed on arrival at the church by many co-workers of James from Cappoquin Chickens.

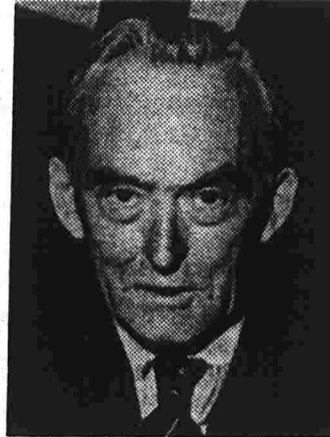

On Sunday morning the 10 o'clock Mass was offered especially for the repose of James's soul, celebrated by Fr. Barron,

P.P. Following Mass, James was laid to rest in the adjoining cemetery in the presence of a very large attendance and many beautiful floral tributes were placed on his grave. May he rest in peace.

To his parents James and Mary, brothers Christopher and William, sisters Margaret, Pauline, Mary and Muriel, brothers-in-law Tony Curley and Joe Walsh, sister-in-law June Maher, nephew Ronan Curley, uncles, aunts, other relatives and very many friends, we extend our sincere sympathy.

### Mr. Patrick (Paddy) McCarthy

It is with deep regret and sadness that we write of the unexpected passing on Friday, November 1, at Waterford Regional Hospital of Mr. Paddy McCarthy, Mill Street, Cappoquin. A native of Castlegregory, Co. Kerry, Paddy came to reside in this area 45 years ago where he worked as a drainage inspector for the Dept. of Agriculture in the West Waterford area up until his retirement in 1985.

Paddy was very well known and a most obliging gentleman and no task was ever too great for him. In his earlier years he played junior football with the Kerry team as well as doing a bit of boxing. During his time in Cappoquin, Paddy played football with various clubs in

the area. He was an avid reader and also liked to listen to good music. He was a good and kind neighbour, always willing to lend a helping hand to a neighbour when most in need, as well as being a devoted husband to his wife Rita and loving father to his nine children by whom he will be very sadly missed.

On Saturday evening the removal took place from Ryan's Funeral Home, Lisimore to St. Mary's Church, Cappoquin, where on arrival the remains were received and blessed by Fr. Rodgers, C.C.

On Sunday morning the 11.30 a.m. Mass was offered especially for the happy repose of Paddy's soul, celebrated by Fr. Rodgers, assisted by Fr. Arthure, P.P. and Fr. Eamon McSweeney. The Lessons were read by Fergus and Angela McCarthy and during the Mass some beautiful hymns were sung by Irene Cahill and the members of the Cappoquin Choir assisted by Mairead Cullinane on the organ.

Following Mass, Paddy was taken on his final journey to St. Declan's Cemetery, where he was finally laid to rest. May he rest in peace. Ar dheis Dé go raibh a anam.

Chief mourners — Rita (wife), Michael, P. J., Fergus and Pierce (sons), Anne, Marguerite, Bernadette, Geraldine and Deirdre (daughters), Jimmy (brother), Mary O'Donnell, Anne Marie Russell (sisters-in-law), Peter, Ashari, Michael (sons-in-law), Joyce, Jan and Angela (daughters-in-law), Neil, Brian, Conor, Owen, Sean, Vincent, Luke, Sean, Daniel and Christopher, Josie, Lisa, Rachel, Dawn and Lisa (grandchildren), other relatives and many friends, to all of whom we extend our deepest sympathy.

(Arrangements by Aidan Walsh & Sons, Undertakers, Cappoquin.)

### Mr. Denis McGrath

The death took place on Sunday, November 10 of Mr. Denis McGrath, Coolaneen, Cappoquin. Denis was the esteemed Local Correspondent for the Dungarvan Leader. The remains were removed on Monday evening from the hospital mortuary, Dungarvan, to Affane Church. Following the 11 a.m. Mass on Tuesday morning the burial took place in the adjoining cemetery.

To his wife Kathleen, son Jack, daughter Maureen, brother Paddy, sister May, daughter-in-law Marie and grandson, we tender our deepest sympathy.

(Full obituary in next week's issue.)

# Cappoquin — Chanat - La - Mouteyre

▲ **FRENCH CONNECTION FOR CAPPOQUIN** — Pictured at a civic reception in Cappoquin for the French visitors from Chanat-La-Mouteyre, on the occasion of their first visit to Cappoquin are members of the French delegation, members of the Cappoquin Community Development Company Ltd. and members of the Twining Committee. Seated in front are (l. to r.) — Rev. Robert Arthur P.P., Cappoquin, Cllr. Nora Flynn, representing Chairperson of Waterford County Council, Mme. Marthe Hebrard, wife of mayor, Cllr. Oliver Wilkinson, Chairman, C.C.D.C., M. Hubert Hebrard, Mayor of Chanat-La-Mouteyre, Ms. Maire Kearney, Twinning Co-Ordinator, Tom Hackett, C.C.D.C. and Donal Connolly, Waterford County Manager. (Photo: Sean Byrne)

Arrangements for this visit were carefully put in place. The eleven French visitors from Chanat-La-Mouteyre came to Cappoquin and it can be said that they thoroughly enjoyed their stay. Unfortunately, weather conditions could not be programmed.

The heavy rain did not dampen spirits or enthusiasm however and in the words of one of the French guests: "Irish people have in their hearts the sun which is not in the sky."

On Saturday, October 26 the 11 French visitors arrived at Cork Airport and were greeted there by members of Cappoquin Community Development Company Ltd. They then travelled to Cappoquin by minibus. At the Day Care Centre in Cappoquin they were introduced to and welcomed by their host families. The blazing fire, hot scones and apple pie created a good Irish atmosphere.

Sunday, October 27 began with the celebration of Mass in the parish church, Cappoquin, where the guests were welcomed, both in Irish and in English by Rev. Robert Arthur P.P. The entire congregation was moved by the liturgy, the beautiful singing of Cappoquin Adult Parish Choir and in particular by the rendering of the psalm "S'é an Tiarna m' Aoire" by Orison Carlisle and the musical accompaniment.

A visit to Mount Melleray took place in the afternoon where the French guests were warmly welcomed by

Fr. Brendan and Fr. Michael. They were given a history of the monastery with references to its many links with France. Tea and refreshments were served afterwards.

On Sunday night a civic reception was held in the Parochial Hall, Cappoquin. The hall was appropriately decorated for the occasion. The evening's proceedings opened with the French National Anthem. A number of guest speakers addressed the audience and guest artists provided a wide variety of entertainment including poetry, music, song and dance. A presentation of a Waterford Crystal Glass bowl was made to H. Hebrard, Mayor of Chanat-La-Mouteyre on behalf of the Cappoquin Development Company Ltd. In return an antique map of Clermont Ferrand on enamelled volcanic stone from the region was presented to Cllr. Ollie Wilkinson, Chairperson C.C.D.C. Ltd. by M. Hebrard on behalf of the French Twining Association. The programme concluded with the Irish National Anthem followed by light refreshments.

On Monday the destination planned was the Ring of Kerry. The day was marred by extremely wet and windy weather and on the advice of our tour guide the trip around the Ring of Kerry was replaced by a visit to Muckross House, Killarney. Thanks to our intrepid driver the journey was made as pleasant as possible.

Tuesday was spent in the vicinity of Cappoquin. The

morning began with a visit to the Convent of Mercy where the guests were given a hearty welcome by the Sisters of Mercy. The history of the Mercy Order was presented by Sr. de Lourdes Gogarty and the guests were most appreciative of the warmth and hospitality they received.

A visit to Knockanore Cheese Farm followed where the guests were given a comprehensive tour of the cheese making plant and courtesy of Eamonn and Patricia Loneragan they were treated to a sumptuous lunch.

That afternoon, guests were given a guided tour of Cappoquin House and Garden by Sir Richard and Lady Keane. Luckily, weather conditions were most favourable.

An 'Irish Night' hosted by Nora and Danny Flynn took place in The Central Bar on Tuesday night. Musical entertainment was provided by local musicians and guests were treated to a traditional

Hallowe'en meal of spare ribs and colcannon.

Waterford was the venue on Wednesday and this included a guided tour of Waterford Glass Factory and some free time in the city. That night the guests were treated to superb Irish cuisine at Richmond House, Cappoquin.

On Thursday we bade farewell to our French guests. For some among them, the highlight of their visit was the civic reception, for others the Irish Night. However, they all agreed that it was "La generosite, la gentillesse et l'accueil chaleureux (this translates as the generosity, kindness and warm welcome) which made their visit to Ireland so unique and so special.

Our sincere thanks to all who contributed to the success of this venture which we hope will continue as a friendship exchange between Cappoquin and Chanat-La-Mouteyre.

## O'Shea Welcomes Management Initiative For Childers Estate

Brian O'Shea, T.D., Minister of State, has welcomed the news that a grant of £2,500 towards a comprehensive training package, focussed on estate management for a committee of elected residents in Childers Estate, Dungarvan, has been approved by the Minister for the Environment.

Minister O'Shea stated that under the terms of the Scheme, 50% of the expenditure incurred by local authorities on approved projects, will be recouped by the Department of the Environment. He added that the involvement of tenants in the running of their estates must be encouraged.

## Dungarvan District Executive Of Fine Gael

A meeting of the Dungarvan District Executive of Fine Gael took place in Lawlor's Hotel on Monday, November 4th. This well attended meeting was addressed by Billy Walsh, Constituency Organiser during which he spoke at length on various forthcoming events. The first event he spoke of was the young Fine Gael National Conference which is to take place in the Tower Hotel, Waterford from November 15th to 17th.

The meeting welcomed the fact that it is being held in Waterford this year and great credit is due to the Waterford branch of Young Fine Gael who are one of the most active and vibrant branches of young Fine Gael throughout the country. The conference which will be addressed by an Taoiseach, John Bruton T.D. will be opened by Austin Deasy.

A discussion then took place on the upcoming referendum on proposed changes to the bail laws. The overwhelming view of the meeting was that the proposed changes are long overdue and we will be urging all our supporters to vote yes to ensure that these proposed changes are brought about.

During a discussion on local issues, the meeting was informed by Ardmore members that in the recent past, the water supply in Ardmore

had been cut off on a number of occasions with no prior notice being given to residents. This situation, it was felt, was not acceptable and it was unfair to the residents of Ardmore.

Members of the Dungarvan/Abbeyside branch spoke of the developments taking place at present on the quay and the proposed development by Shaws department store at Main Street which can be seen not only as a major boost to the economy of the town but a vote of confidence in Dungarvan also. The meeting agreed that an extension to the present Urban Renewal Scheme would be most welcome and would further enhance the prospect of major financial investment in Dungarvan.

This year's Church Gate Collection was taken up at various churches throughout the District during the summer and once again proved most successful.

Before the meeting concluded, votes of sympathy were expressed to the following families -

The wife and family of the late Jimmy Jones, St. Martin's Terrace, Dungarvan; the wife and family of the late James Walsh, Coolnasmeear, Dungarvan; the family of the late William O'Keeffe, Coolishal.

May they rest in peace.

## Waterford Regional Hospital To Play Key Role In Tackling Cancer

"Waterford Regional Hospital will play a key role in tackling cancer," according to the Minister of State at the Department of Health, Brian O'Shea T.D.

Following the announcement of a set of initiatives in relation to cancer by his colleague the Minister for Health, to be implemented on a phased basis, Brian O'Shea confirmed that it is proposed to base the South Eastern Health Board's Regional Director of Cancer Services at the Waterford Hospital. The Regional service will be organised around Waterford Regional Hospital, which will also co-ordinate the work of the other hospitals in the region in the field of cancer.

Minister O'Shea emphasised that one of the main aims of the National Cancer Strategy, which was recently approved by Government is to eliminate the shortage of specialist oncology services

outside the Dublin area. This will include the appointment of a Consultant oncologist and support staff at Waterford Regional. A Consultant post in haematology, with support staff, will be appointed as well as a Consultant Specialist in palliative care, with support staff. "These specialist services, when in place, will do away with the need for people in the region to have to travel to Dublin or Cork for treatment", the Minister added.

Mr. O'Shea also welcomed the initiatives planned in the area of targeted national screening programmes for breast cancer and cervical cancer.

In concluding, the Minister of State stressed that the initiatives announced were designed with the needs of patients and their families in mind. He was confident that the strategy would ensure a patient focus in all aspects of cancer services.

### "HOURS OF GLADNESS"

From time to time various items are donated to us and last week we received a copy of the newly published book "Hours of Gladness" 40 years of St. Laurence's Hall. We were delighted to receive this book as it covers an area of the Parish not already well represented in our Archive. We congratulate Fr. Ahearne C.C., Tom Keith and their team for putting the spotlight on Ballinroad, Garranbane and Ballinacourty for a change!

The book contains a large number of photographs and spans the era 1956 to the present day. In some instances it covers three gen-

erations of the one family from the rural section of Abbeyside.

With over 300 pages and selling at £5, it is very reasonably priced and will make an ideal Christmas present for many people.

We will gladly add "Hours Of Gladness" to our ever growing local book collection.

Last Sunday we had our special bottle display and it proved enjoyable for all our visitors. We would like to say thanks to Marlene Daly for staging this exhibition for us. This Sunday it's back to normal when Emma Flynn will be minding our treasures at the Parish Office on Sunday afternoon.

## Guide Notes

It was definitely a week for good and bad news for guiding in Abbeyside. Our good news was the arrival of our computer — all the way from Dublin no less. We would like to take this opportunity to sincerely thank the Frost family who arranged for this to be donated to us. We are extremely grateful and guarantee you that it will be put to good use!

The not so good news came when we heard our leader and Area Commissioner Ann Power had ended up in Cork University Hospital. Her orders are that everything should carry on regardless and therefore all meetings will continue to run as normal. We send her our best wishes for a speedy recovery and we hope to see her back in the den soon.

# "HOURS OF GLADNESS" LAUNCHED

It was a gala occasion at St. Laurence's Hall, Ballinroad on Friday night last November 8, 1996 as forty years of history of the locality which had been assembled and documented by local author Tom Keith was launched in book form and was accepted enthusiastically by all those present.

An attractive green and white cover featuring a photo of St. Laurence's Hall itself, the adjacent tennis courts and soccer pitch complexes inspires one to look inside the cover designed by Anthony Walsh m.i.a.t. The quality paper used enhances the clear print to make reading easy on the eyes. The many, many photographs are all of exceptional quality and without doubt this is a book that should be on the shelf of every house not only in the locality of Ballinroad but in all the surrounding areas as well. The twelve chapters are composed on a theme by theme formulae and not in a year by year account so that having read chapter 1 'In the Beginning' one could continue reading at chapter 4 'The I.C.A. Contribution' or chapter 11 'Time for Renewal' if one felt so inclined.

### MASS

The evenings proceedings commenced with concelebrated Mass at Ballinroad Church, the chief celebrant being Fr. Doherty P.P. For the offertory procession the following gifts were brought to the altar: bread and wine

(Bridget Morrissey), sod (Gusty Foley), trowel (Paddy Joe Morrissey), spirit level (Sean O'Brien), minute book (Sally Walsh), key of hall (Kitty Foley), drama script (Jimmy Fraher), chalice (Peggy Hanrahan).

In his homily Fr. O'Doherty mentioned some significant facts relating to the history of the hall (the others could be read in the book) and also thanked all those who had made the ceremony special.

On the completion of the spiritual event the proceedings continued at Ballinroad Hall where a splendid meal was placed before the guests by the capable staff from Lawlor's Hotel. The Hall itself complete with modern lighting and heating and freshly painted into the bargain, was the perfect setting. One noted the set comprising of an old-fashioned dresser and delf painted on to the wall at the back of the stage.

### OFFICIAL LAUNCH

Fr. Ahearne C.C. introduced the speakers, the first being the Chairman of the Hall Committee, Michael Fraher, who stated that the Hall was built by the people of the area on land donated by Gerald and Thomas Morrissey, Ballinaskaha. The culture of the people in rural communities was kept alive in halls of this nature. He asked all those involved in the first and second committees of the hall to stand up and glad to relate a

sizeable number of them were present.

Mrs. Peggy Hanrahan announced that the first ever committee held their meeting in Clonea and to raise funds they held hops, non-stop draws, house to house collections and their very own social.

Author Tom Keith stated that the book comprised 12 chapters, 68,000 words and 255 photos and he empha-

sised that any omissions were due to lack of space. He thanked the Hall Book Sub Committee of Fr. Ahearne C.C., Moll Shields and Michael Fraher and he believed the Hall tonight was as the people of 40 years ago had envisaged it. Tom praised Moll Shields for her work in collecting the photographs and putting names on all the people therein was an onerous task

indeed. With that Tom Keith launched the book with the well chosen words "with all its imperfections you have Hours Of Gladness."

Following that a coloured photograph of St. Laurence's Hall was presented to Tom Keith along with a beautiful bouquet of flowers for his wife. A bouquet of flowers was also presented to Kitty Morrissey wife of Thomas Morrissey on whose

land the hall was built.

People then spent some time perusing the book and recalling pleasant memories while photographs were being taken etc. Liquid refreshments of all kinds were available in the bar specially set up for the occasion. The Lyre Ceili Band provided music for those wishing to dance and the fun continued until the early hours of the morning.

# It's A Very Good Time To Lay Lawn Turves

November is a very good time indeed for all matters concerning the lawn, especially laying turves. Yes, I know that lawn turf can be laid any time up to the end of March, but I've always found they knit together so much better in the wetter winter days.

Prepare the site as carefully as you would if you were laying seed, even down to the raking of the surface to a fine tilth. As the new lawn is going to be a permanent feature, it always pays to buy the very best turves you can afford. Good quality weedless turf is what you want.

There is a definite knack to laying down lawn turves: position them so that the cross-joints in one row don't come into line with the cross-joints in another.

Get your first row down and then, with the new one, don't start at the extreme edge of the site, but about six inches from it. This means, obviously, that each cross-joint in the second row will be six inches farther along than the cross-joints in the first row.

With your third row, start at the very edge; the fourth row six inches in, and so on.

Because all your turves are the same size, there will be a six inch length projecting at the far end with each alternate row. Simply cut them off and use them for filling the gaps at the beginning of these rows.

If you have trouble in fitting the turves right close up to each other, don't worry. Fill in all the crevices with some fine soil and press it in firmly with the edge of a thin piece of board.

If there isn't any prospect of rain in the next couple of days, give the turves a reasonable watering in.

Now let's take a look at your established lawns. After all the summer wear and tear, it's more than likely the edges are looking very ragged. It isn't always practical to cut away enough of the turf to provide a neat line because that would possibly mean it would be well away from a neighbouring path or bed.

You can easily renew damaged lawn edges by taking off the turf in a foot-wide strip all down the lawn edge, and replace it with new turves. But before you lay the new turves, make sure the hard soil you have revealed is softened up by digging or, better still, by replacing with new soil to about a depth of four inches.

Another way you can repair ragged edges without buying new turves is to cut out the damaged edge in a neat square of lawn and turn the square round, relaying it with a straight edge along the existing lawn edge.

That'll mean your damaged edge is now inside your lawn and all you have to do is sprinkle it with some fine soil and it will soon heal itself by next spring so as not to be noticed.

Finally, don't forget to spike your lawn now, about four inches deep with a garden fork, or you and buy a special tool for the job. For large lawns you might want to consider hiring a spiked roller.

## UNDERAGE TOURNAMENTS

A goal from Eanna Power proved to be the only score in the eighth round of the division four section of the indoor soccer tournaments. It was a very entertaining game with each of the 13 players enjoying it immensely. The teams were as follows -

Celtic: Frankie Condon, John Barron, Donnacha Coffey, Eanna Power, Dermot Tobin, Donal O'Donnell, Shane Foley.

Rangers: Paddy O'Donovan, Jamie Troy, Kevin O'Neill, Cormac Condon, Kieran Power, Kevin Gleeson.

The knockout spots in division three are now known unless there is to be some shock results in the last round. John Power's Sheffield Wednesday team guaranteed themselves a place in the final with a 6-3 victory over Jamie Cullinan's Leeds team. Leeds had a hat-trick from Johnny Buckley with all three strikes being very impressive goals. Sheffield Wednesday had a hat-trick each from Paul Coffey and Declan Queally with Paul scoring one of the most impressive goals of the tournament to date. In the second game, a win for Stephen Kearn's West Ham team would qualify them for the semi-final. It all looked good in the first half when the brilliant Diarmuid Walsh fired West Ham into a two goal lead. Southampton however, led by their captain Jason Hodnett, made a great comeback and had excellent goals from Niall Power and Stephen Coffey.

A draw then looked the likely result but a superb goal from Kieran McCarthy gave West Ham a 3-2 victory and a place in the semi-final. On the night there were outstanding performances from John Power, J. J. Coffey, Paul Coffey, Declan Queally, Diarmuid Walsh and John Buckley but the star performer in round eight was Kieran McCarthy. The table is as follows -

Sheffield Wednesday: 12 pts., West Ham: 8 pts., Leeds: 7 pts., Southampton: 5 pts. The top scorers are J. J. Coffey (22), Paul Coffey (16), Eoin Walsh (14).

Leeds look like they will clinch the second semi-final spot. They must play Southampton in the last round and if Southampton are to qualify, they would have to win by 16 goals. Only one goal separated

the teams in each of the games in division two. In the first game Willie Power's Everton team had a very impressive win over Tristan Hickey's Liverpool game. Everton seemed to have the game wrapped up early in the game when they ran into a four goal lead. Liverpool narrowed the lead with goals from Tristan Hickey and Pat Murphy but on the night it wasn't enough as Everton emerged victorious on a 6-5 scoreline. Everton had goals from Aidan Cliffe (5) and Jack Cummins (1) while the Liverpool scorers were Tristan Hickey (1) and Pat Murphy (4).

The second game was between Man. Utd. and table toppers Newcastle. Newcastle were extremely lucky to get a result here as it took a goal from Shiner Troy with virtually the last shot of the game to clinch an 8-7 victory. In fairness to the Man. Utd. team, they didn't deserve to lose this game. They had goals from Sean O'Neill (4) and Shane Hickey (3). Newcastle's goals came from Shiner Troy (6), Eddie Condon (1) and Finnean Grace (1).

The last game also produced an 8-7 classic. Arsenal ran into a 6-0 lead but the Chelsea team, inspired by the brilliant Seamus Power, fought back and made a terrific comeback. Again it was a very lucky last minute goal that won it for Arsenal. Jack Power (2), Tomas Fenton (4) and Michael Myles (2) were Arsenal's scorers. Chelsea had goals from Seamus Power (4), James Cliffe (2) and Denis McGrath (1). Star of the night was Shiner Troy, closely followed by Sean O'Neill, Tristan Hickey, Aidan Cliffe and Seamus Power. Others to impress were Tomas Fenton, James Cliffe, Michael Myles, Jack Power, Pat Murphy, Shane Hickey, Robbie Power and Willie Power. The table is as follows -

Newcastle: 14 pts., Liverpool: 11 pts., Man. Utd.: 7 pts., Arsenal: 7 pts., Everton: 5 pts., Chelsea: 4 pts. The top scorers are Shiner Troy (43), Tristan Hickey (25) and Seamus Power (24).

If Newcastle were to beat Everton in round nine then they would qualify straight to the final. Liverpool have qualified for the semi-final while the other semi-final spot could go to any of the four other teams. The last 100% winning record went last Sunday night as Spurs crashed to a 10-9 defeat by Aston Villa. Four goals each from Denis Coffey and Tristan Hickey and a double strike from John Queally capped a magnificent team performance by the Villa

team. Spurs had goals from Colm Geary (6), Sean O'Neill (1) and Jonathan Webster (2).

In the other game, Darren O'Connor capped a superb performance by leading Derby to a 6-3 victory over Blackburn. Darren scored four and John Myles and Paudie McCarthy scored one each. The Blackburn goals were scored by Colin Gleeson (2) and Stephen Cliffe. The star performers were Stephen Cliffe and Darren O'Connor while Denis Coffey, John Queally, Tristan Hickey, John Myles, Paudie McCarthy, Kieran Organ and Colm Geary also impressed. The table is as follows -

Spurs: 14 pts., Aston Villa: 10 pts., Blackburn: 5 pts., Derby: 3 pts. The top scorers are Colm Geary (37), Second is Tristan Hickey, Denis Coffey (20).

Spurs are in the final and Villa are in the semi-final. The last spot depends on next week's results. Blackburn have a better goal difference of 11 over Derby.

In the girls division one, Wimbledon qualified for the semi-final with an 8-5 victory over Sunderland. Sandy Walsh (4), Valerie Power (3) and Sharon O'Connor (1) were the victors scorers. Clara Cashman (2), Michelle Power (1) and Eimear Casey (2) were Sunderland's scorers.

Middlesbro recorded a 3-2 victory over Leicester with goals from Gillian Gleeson (1) and Clara Cashman (2). Helen McCarthy scored Leicester's two goals. Sandy Walsh was the star performer of the night. Gillian Gleeson, Clara Cashman, Edel Halley, Valerie Power and Michelle Power also played very well. The table is as follows -

Leicester: 12 pts., Middlesbro: 11 pts., Wimbledon: 7 pts., Sunderland: 1 pt. The top scorers are Sandy Walsh (19), Helen McCarthy (17), Edel Halley (17).

In division two, the Q.P.R. team moved two points clear with a 3-1 victory over Bolton. Niamh Coffey (2) and Marie Quinlan (1) were Q.P.R.'s scorers while Jenny Buckley scored Bolton's goal. Swindon and Wolves played a 3-3 draw with Aoife Hickey and Claire Dalton grabbing a hat-trick each.

In the third game, Man. City moved into third position with a 3-2 victory over Norwich. Amanda McCarthy (2) and Eileen Hickey (1) were City's scorers while Ann Marie Kearns and Christine Cliffe scored Norwich's goals. Best on the night were Niamh Coffey and Marie Quinlan. Others to impress were

Aoife Hickey, Claire Dalton, Jenny Buckley and Christine Cliffe. The table is as follows -

Q.P.R.: 14 pts., Swindon: 12 pts., Man. City: 7 pts., Bolton: 6 pts., Wolves: 5 pts., Norwich: 4 pts. The top scorers are Aoife Hickey (26), Delores Condon (21), Claire Dalton (15), Niamh Coffey (13). Next week Q.P.R. play Swindon and if Q.P.R. win they will qualify directly to the final. Both teams are guaranteed a knockout spot. The other spot can go to any of the other four teams.

## STEPHEN O'GRADY TOURNAMENT FINAL

The third annual Stephen O'Grady Memorial Darts Tournament is presently well underway in Dunnes Bar, Touraneena. After an original entry of 16 teams, only two remain to contest the final next Sunday.

Teams from West Waterford and the Dungarvan leagues contested some great matches. The Dunnes 'B' team, led by the tournament sponsor, Pat Cliffe were the first into the final by winning a very exciting darts match against the Tavern Bar, Cappoquin. This match went to the wire with Pat Cliffe and Thomas O'Grady pulling all the stops to record the decisive game of the night.

In the other half of the draw which was by far the hardest and toughest side with three Dungarvan league teams drawn in that half, they were Tigh an Cheoil, An Rinn; Bridie Dees, Dungarvan and the hot favourites the Park House, Dungarvan. The Dunnes 'A' team were drawn in this half of the tournament and realistically no one gave them much of a chance. However this Dunnes 'A' team, led by Shane Dunne, with their backs to the wall, took on the pride of Dungarvan darts and beat them in the most exciting and thrilling match of the tournament. The hero for Dunnes was Donnachadh Dunne who stuck the double two in the play off game to record a memorable victory for Dunnes 'A'.

The second semi-final encounter between Bridie Dees and Dunnes 'A' was again a hotly contested affair but Dunnes 'A' proved too strong in the singles for Bridie Dees and ran out four to one victors over Dees, the singles winners being Paul Ahearne, Shane Dunne, James Connors and Philip O'Mara.

To say that there will be a little tension in the final between the two Dunnes teams would be an under-

statement but it's great to see the two home teams battling it out for the honours. The Dunnes 'B' team will be very difficult to beat having a proven and well balanced line up of Maurice Cliffe, Pat Dunford, Thomas O'Grady, Ian Dunford, Pat Cliffe and Mush Cliffe but the smart money must be on the 'A' team having beaten the tournament favourites.

It would be a foolish man or woman who would bet against any of these two teams but one thing is for sure, this will be a cracking final and one not to be missed.

The proceeds from the tournament this year will go to Conquer Cancer and the total amount raised will be published next week. So all roads lead to Dunnes next Sunday for what should prove to be the game of the season. If you think Tyson and Holyfield were good you haven't seen anything yet.

Dunnes 'A' team: Shane Dunne, Paul Ahearne, James Connors, Philip O'Mara, Fr. Lloyd, Donnachadh Dunne, Pat Grace, Cathal Dunne.

Dunnes 'B' team: Maurice Cliffe, Pat Dunford, Thomas O'Grady, Ian Dunford, Pat Cliffe, Mush (Maurice) Cliffe.

## Sliabh gCua/ St. Marys G.A.A. Club Notes

### CONGRATULATIONS

Congratulations to the Naomh Bríd U-12 football team who, for the third year in a row, have qualified for a Western Final.

The team this year is very young with just six of a panel of about 30 over age for next year's championship. The final will be a local derby as the boys will be playing Kilgobinet or Af-fane. These boys are the future of both the Sliabh gCua/St. Marys and Modeligo clubs and should be supported by all as many as possible. The final will probably be played in the Fraher Field within the next few weeks.

### SYMPATHY

The Club would like to sympathise with the Walsh family, Coolnasmear on the death of former County Board Treasurer, James Walsh last week.

We also sympathise with the Walton family, Cahernaleague on the death of their son Gary who died during the week.

Ar dheis Dé go raibh siad.

### MICHAEL KIELY TOURNAMENT

# FARMING LEADER

## Co. Waterford ICMSA News

### WATERFORD FAMILY FARM AWARD PRESENTATION

The County Waterford ICMSA in conjunction with Teagasc recently presented the Award for the Family Farm Environmental, Conservation and Safety Award.

The winner of the award was Mr. and Mrs Martin Power, Ballygarran, Kill. The Waterford Glass lamp and cheque for £500 was presented by Minister Jimmy Deenihan at a function in the Park Hotel, Dungarvan, on Tuesday,

November 5 last.

County Chairman, John Skehan thanked Teagasc, especially Brian Hilliard and Tom Hickey, ICMSA, for the work they put into organising this award.

Mr. John Dowley, National Council representative for County Waterford ICMSA thanked the sponsors which included Roadstone, Waterford Co-op, Dawn Meats, AIB, ACC, Jim Quinn, East Cork Oil, Johnson Products, Pat Denn and Ciba Geigy Agro Ltd.

Prior to the presentation, a

short meeting included speakers from Teagasc and the Health and Safety Authority.

Mr. Dave Lineen, Teagasc, spoke on farmyard management. Mr. Eamonn Egan, Inspector with the Health and Safety Authority, gave a very informative talk on the dangers associated with farming.

Mr. Brian Hilliard gave a slide presentation of all the previous winners of the ICMSA/Teagasc promoted award which also included this year's winners.

Mr. John Skehan, County Chairman ICMSA said that one of the most effective ways of enhancing the reputation of Irish beef as a quality product is to introduce the strictest possible controls on the importation of cattle from other countries.

Mr. Skehan said the EU should seriously consider establishing a special disease-free livestock sanctuary in Ireland.

Mr. Skehan concluded by saying: "The BSE calamity has highlighted the vulnerability on the entire European beef industry to a major disease outbreak. The establishment of a livestock sanctuary in Ireland, providing disease-free seed stock for the rest of Europe would result in a major economic benefit for Irish agriculture and would help to enhance the reputation of beef produced in the EU."

The meeting was followed by a beef promotion organised by ICMSA PRO, Mr.

Tom Hickey, who had beef burgers for all who attended the function.

### NATURAL FARMING IS THE WAY FORWARD — ICMSA PRESIDENT

ICMSA President, Mr. Frank Allen, said the production of "elephant"-sized livestock must no longer be tolerated by the EU Commission.

"It is time to revert to the more natural type of farming which results in the production of healthy food and supports the maximum number of farm families working on the land. Science in agriculture must move over and allow some room for mother nature to do her work," he said.

"We must have an end to both the era of the factory farm and the offering of incentives to farmers for producing "elephant" animals. Instead, rewards must be diverted to farmers who let nature take its course, by allowing their stock to grow and thrive in the natural way. Economists will have to learn there is no cheap way of producing good quality and natural foods."

To restore consumer confidence, Mr. Allen said a quality assurance system — tracing the animal from birth to the kitchen table — must be introduced as swiftly as possible. "I have no doubt that, with such a system in place, farmers will quickly discover which meat the consumer wants to eat and will adjust his enterprise to suit the consumer."

## Minister's Failure To Meet Area Aid Payments Deadline Is Totally Unacceptable — IFA

Waterford IFA Grain Chairman, Alex Heskin strongly criticised the failure by the Minister for Agriculture, Ivan Yates, to complete all arable aid payments by October 31 as promised in the Department's Charter of Rights.

The Waterford Grain Chairman said: "The bottom line for grain growers is that they need these payments immediately to repay back loans and pay off creditors. Today I am calling on the Minister to do whatever is necessary to honour his commitments and issue payments immediately."

Mr. Heskin said: "The reality is that the delay in making payments to grain growers in 1996 is unprecedented. Ever since the direct payment system was introduced for cereals in 1993, the vast majority of growers have been paid by October 31. This in spite of the much publicised 'new era' in making payments when the Department's Charter of Rights was launched in the Spring of 1995."

Mr. Heskin confirmed that he had written to the Minister requesting an immediate solution to the current payment crisis."

## Retention Of Stamp Duty Relief Vital — Says IFA

Waterford IFA Farm Business Committee Chairman, Gerry Murphy has said that the retention of relief from stamp duty charges on purchases and gifts of land to young farmers is essential and forms a key element in IFA's 1997 Budget Submission.

He said "stamp duty relief for young trained farmers was introduced in the 1994 Budget and provides two thirds relief from stamp duty on the transfer of farmland to trained farmers aged under 35 years. This means that the maximum stamp duty rate on an inter-family transfer can be reduced from 3% to just 1%."

"It was introduced originally for a period of just

three years from the 7th January 1994 until the 31st December 1996. This means that the relief is due to run out at the end of December this year unless it is reinstated in the 1997 Budget."

"This important relief allows new entrants into farming retain as much scarce cash resources as possible for investment in their new business and help to secure their long term viability in farming. Its retention is a central IFA demand in the current negotiations with Government on a new social programme and also forms an important part of the IFA's submission in advance of the 1997 Budget," he added.

## ICMSA Says Lamb Imports Hitting Incomes

Eamon O'Rourke, Chairman of ICMSA Sheep Committee has said that the present trend in lamb imports into the EU was hitting the incomes of Irish producers and other sheep farmers in the Community.

Mr. O'Rourke said the sheepmeat import quota from Third Countries, which is in excess of 300,000 tonnes, is expected to be filled in the current year. "What I find objectionable is that Third Country imports, in particular from New Zealand, appear to be targeting the Christmas and Easter periods, resulting in depressed prices for EU farmers during these periods," he said.

This problem could be resolved by dividing the quota into 12 equal amounts over the 12 months of the year, said Mr. O'Rourke. Such a system would help to stabilise the market at home. Mr. O'Rourke called on the Minister to introduce this measure immediately.

## BRIDEVIEW UTD. A.F.C. NOTES

### RED HOUSE LEAGUE

# Utd. Bring Off A Double

Yes Utd. pulled off the double on Sunday morning last when both of our Junior teams won.

Our division one team won away in Ardmore while our division two side recorded a big home win so it was a case of a winning start for both of Utd.'s junior teams.

#### Results Division One: Ardmore 0 Brideview Utd. 2

This was a very poor game and one expects much more when these two clubs meet. Both sides were short regulars and with a repeat meeting of these sides again next week in the semi-final of the Tony Bolger Cup, perhaps they were holding back something for this one.

Maybe it was the Munster Junior Cup games over the last few weeks but Utd. failed to lift themselves for this game. To be fair they did create some good chances but they failed to convert them.

The Tallow side got off to a great start when Philly Curley scored direct from a corner kick after just 6 mins. This was a tonic start for our lads but they failed to capitalise on this great start. Curley's goal still separated the sides at the break.

We took the game to Ardmore in the second half but once again we failed to convert our chances. We had to wait until the 82nd min. when a John Doyle cross was headed home by John P.

Grey. So Utd. ran out winners but we will have to improve if we are to win the league this season.

Team: B. Sheehan, B. Henley, G. Sice, D. Martin, T. McSweeney, P. Curley, S. Barry, J. P. Grey, J. Doyle, P. Curley, D. Henley. Res.: R. Henley (used).

#### Division Three: Brideview Utd. 7 Cappoquin 'B' 0

There was no shortage of goals in Brideview Park on Sunday morning last which pleased manager Maurice Hartnett. Utd. were well on top throughout this game and first half goals from McCarthy, O'Flaherty and Grimes put them in a comfortable position at the break.

The Tallow side kept the pressure up in the second half and were rewarded with further goals from Beecher, Pratt, McIntosh and Tobin. This was a marvellous start for our division three side and if they can continue this performance over the looming months, then they should be well up there challenging for promotion.

Team: J. Fitzgerald, W. Murphy, T. McCarthy, L. Ahearn, L. Murphy, J. Beecher, P. Murphy, J. Hart, S. Pratt, T. Grimes and D. O'Flaherty. Res.: I. McIntosh and S. Tobin.

#### U-16 League: Kilworth 3 Brideview 2

After a lapse of form and determination over the pre-

vious few weeks, there was a brilliant performance by Brideview. The result may have been against us but the signs that are there are positive from our U-16's.

Mossy McGrath enjoyed one of his better games and scored twice. His first after 10 mins. was the result of a goalmouth scramble. After 15 mins. Mossy powered home a header from a corner. Paul Murray's power and speed was running Kilworth ragged.

On 40 mins. Kilworth scored from the penalty spot and also scored early in the second half. Brideview were by no means giving in to defeat but an injury to Eric McCarthy ruined the pattern that Brideview were settling into. We still had enough chances to win this game but an error late in the game gave victory to Kilworth.

What should be taken from this game is the tremendous spirit in the Brideview team. The results will come right for these lads once this spirit remains.

Team: Geary (6), Mills (7), Tobin (8), Ahearn (6), A. Tobin (6), McCarthy (7), Henley (7), McGrath (8), P. Murray (8), Reneghan (6), Walsh (6). Subs: McCarthy (7), Donovan (6) not used Heskin, Keniry, Fitzgerald, Walsh.

#### U-12 League: Youghal 8 Brideview Utd. 0

A very young Tallow side made the short trip to Youghal but came up against a very strong homeside who ran out winners. Our two girls Tanya Hallahan and Sandra Giles played their part as indeed our two new players Daniel and Jodie O'Neill in a game in which the result mattered little.

We had a big number of players so we played Youghal in a second game and they ran out winners with two late goals. The final score was 3-1.

Panel: E. Fitzgerald, P. O'Brien, D. O'Neill, P. Forbes, S. Grady, S. Giles, K. Casey, J. Daly, E. Hickey, E. Condon, C. Hickey, L. McCarthy, J. Ryan, T. Hallahan, S. Giles, W. Whyte, A. Giles, J. O'Neill.

Players On Trial — Trials will take place in Tallow and Youghal on Sunday next for our 15 - 16 year olds. Maybe we have another Republic of

Ireland player in our midst. The following players are asked to attend the soccer field on Sunday next at 2.30 p.m. with boots, togs, socks and shinguards - Shane McCarthy, Pdraig Tobin, Maurice McGrath, William Henley, Alan Walsh, Edmund Renehan, Paul Geary and Paul Murray.

Fixtures — Saturday, November 16th. U-14 League: Castlebridge Celtic v Brideview Utd. Kick off at 2.30 p.m.

U-18 League: Clashmore Ramblers v Brideview Utd. Kick off at 2.30 p.m.

Sunday, November 17th. Tony Bolger Cup Semi-Final In Youghal: Brideview Utd. v Ardmore. Kick off at 11.00 a.m.

Division Three: Affane v Brideview Utd. Kick off at 11.30 a.m.

Lotto — Last week's numbers drawn were 4, 6, 15, 20. There was no winner. Match 3 winners were Margaret O'Keeffe, Conor Donnelly, Jo Woods and Christian McCarthy. The jackpot this week is £1,300. Draw in Brideview Bar at 10.00 p.m. on this Friday night, November 15th.

News To Hand — What first division player was shot down by a Cork girl in J. R.'s on Saturday night last? Poor lad went home on his own. Well there is always next week.

Best Wishes — Best wishes to Sheila Fraser who is in hospital at the moment. Martin Renehan is still in hospital in Dublin but we are glad to report he is in good form and making progress.

Sympathy — The club extends its deepest sympathy to the Hartigan family of New Street on the sad passing of Eileen Hartigan. May she rest in peace.

Happy Birthday — Happy birthday wishes to Mary Curley who celebrates her birthday on this Thursday and Tommy O'Brien who celebrates his birthday today (Wednesday).

As both are very young, we ask them to behave themselves. Ha ha ha !!

Happy birthday to our Chairman Michael (Mickey) Curley who also celebrates his birthday today (Wednesday) and no he is not 40 !! Well not for another year or two !!

# TALLOW G.A.A. CLUB NOTES

## UNDERAGE NEWS U-13 HURLING

Last Saturday morning shone bright in more than one way for our U-13 hurlers. They took on Killeagh in the McDonnell Bros. Tournament - a game which was to be played two weeks prior to this. Nerves and tension took hold for the first 15 mins. until centre-forward Paul Kearney opened the scoring with a cracking shot to the roof of the net. He followed this minutes later with a point from a '65 and one from play; to leave the half-time score 1-2 to 0-1.

Tallow were lucky to be in front at this stage as most of the possession was with the Killeagh forwards. However goalie Patrick Sheehan denied them glory on at least three occasions.

A half-time 'pep talk' saw a total turn around in this game from a Tallow point of view. Full forward Robert Geary seemed to be in the right place at the right time throughout the second half - wasting no chances in putting four balls to the back of the net. Michael Curley added two goals to this and Paul Kearney and Seamus Mills both added two more points each. William Curley scored 1-1 and centre fielder Michael Norris 'lobbed' the goalie to put the chance of victory right out of reach for Killeagh. This was a great team performance from all 18 lades involved with our half-back line clearly left, right and centre.

Many thanks to Tommy Seward and his lads from Killeagh for coming down to play us in this tournament even though they fielded understrength on the day. Tom McSweeney presented the teams with their medals afterwards amidst great cheers of delight from the boys. Thanks also to Eddie Curley for videoing the game and to Sean Byrne for taking the photographs.

Our next outing is the final of the Castlelyons Tournament which takes place next Sunday, November 17th in Castlelyons at 3.00 p.m. Support from parents and friends would be much appreciated. Training continues on Friday at 4.30 p.m.

## U-12 FOOTBALL

The U-12 football campaign finally came to an end for Tallow last Sunday in Cappoquin where we were defeated by a classy little team from Kilrossanty.

Despite fielding understrength (we were missing our full, corner and wing-backs and our full-forward), the lads put in a mighty effort to keep the game very close until the last 15 mins. Credit must be given to Paul Forbes who took over the role of full-back in lieu of Robert Geary. He denied the Kilrossanty forwards the chance of scoring on several occasions with his powerful clearances. Well done, Paul.

Aidan Kearney and Mark O'Brien worked well together in the half-back line but we just ran out of steam towards the end. A spirited team performance all the same. However football is not completely forgotten for 1996 as we play tomorrow (Thursday) in the Western Final of the I.N.T.O. Mini-Sevens against Ring. This game will be played in Lismore with a 3.00 p.m. start. Good luck lads !!

# Robbery At Tallow Credit Union

A small amount of cash was stolen in a daylight raid on Tallow Credit Union last Friday.

Robbers made off with £200 in notes and change during lunch hour while

two female employees lunched upstairs in the same building. Fortunately the bulk of the Credit Union money was safely locked away at the time and the robbers had to contend

with loose change (up to £90 in £1 coins) and notes. Due to the small amount of cash involved, the break-in was not noticed until closing time.

The culprits however were caught red-handed on video and were also seen leaving the scene in a car heading out the Youghal road.

Sheila Ryan, Manager of the Tallow area Credit Union told the "Dungarvan Leader" that as a result of the break-in, the office is now tightening its security. She was thankful that no one was injured during the incident and has voiced her confidence in the current Garda investigation.

## "November 22nd" On November 28th

No, the calendar is not confused. It is merely a statement of fact — "November 22nd" is the new musical being performed by Ballyduff Drama Group and it opens in St. Michael's Hall, Ballyduff on November 28th. The theme of the musical, penned by Middleton brothers, Martin and John Ryan, is the meteoric rise of the Kennedy family in the United States from the arrival there in the 1840's of the impoverished emigrant from New Ross, Patrick Kennedy to the assassination in Dallas in 1963 of his great-grandson, John F. Kennedy. Both Patrick and John F. succumbed to death on the same date — hence the title of the musical.

the focus of many years of endeavour on behalf of the Ryan brothers, who saw Kennedy in Cork when he visited in 1963, and were taken over by the charisma of the man. Ballyduff Drama Group is delighted to have acquired the inaugural rights of this major new production before it heads for the professional stages. Directed by Brendan Dunlea, with design by Bill Canning, and musical direction by Deirdre Foley, the cast is headed up by Deirdre White, Billy Lee, John Leamy, Valerie O'Leary, David Anglesey, Pat Sheehan and a host of others.

The shows runs from November 28th to December 1st and patrons should please note that it cannot be extended beyond this date. Booking is at 058-60208 with performances beginning at 8 p.m. nightly. The opening evening coincides with American Thanksgiving Day and to celebrate the coincidence, a gala celebration, with a distinctive American taste, will be promised to all patrons on opening night.

It is said that, if they are sufficiently old, everybody can remember where they were in November, 1963 when they learned that President Kennedy had been killed. The name of Kennedy was held in not so much respect as in religious reverence, especially in Ireland, which laid so much claim to him. This musical, then, is

## CLASHMORE G.A.A. CLUB NOTES

U-12 Football — Sadly we watched our wonderful team of U-12 footballers bow out of the Grade 'A' Championship last weekend when they suffered a heavy defeat in the quarter-final against a stronger Ardmore team.

## CLASHMORE RAMBLERS NOTES

### Superb Win For U-16's

We had two teams in action last weekend. On Saturday our U-16 team had a fine win while on Sunday morning our Juniors slipped up at home.

U-16 League: Ramblers 3 Castlebridge Celtic 1  
Ramblers had a very good win against Castlebridge Celtic last Saturday at Páirc Micheál. Clashmore were always on top and played some lovely football, particularly in the first half. After 20 mins. Brian Maher sent in a great cross which Gerard O'Rourke finished off by scoring the opening goal.

Tomás Burke put us 2-0 ahead just before half-time to give us a deserving first half lead. After 50 mins. Michael Cliffe made the game safe with a third goal. Castlebridge did manage to pull a goal back five minutes later but Ramblers held on comfortably for a 3-1 win. Declan Hickey in goal was man of the match while William Collins and Michael Cliffe were also excellent.

### Junior League

#### Ramblers 1 Lismore 4.

Ramblers received a first half lesson from Lismore, the current division one champions. A combination of poor defending and good attacking play by Lismore saw us concede three goals early in the first half. Frannie O'Rourke did get a goal back to give us some hope but Lismore wrapped up the game with a fourth goal just on half-time.

We did do better in the second half but the game was already lost. Next Sunday we are at home to Ballyduff who are league leaders.

U-12's — There are training sessions on Tuesday and Thursday this week at 4.00 p.m. for all players.

U-16 Trials — We have six players selected for trials next Sunday. Declan Hickey, Noel McGrath, William Collins, Tomás Burke, Michael Cliffe and Gerard O'Rourke. The trials are scheduled for Youghal at 2.30 p.m. but at the time of going to press, they may be switched to Ballybridge Utd.'s ground. Players can contact me at (024) 96142 later in the week to make arrangements. There will be about 70 players on trial and this group will be reduced to about 20 so best of luck to the lads involved. Roger Ryan of our U-18 team is also due to have a trial in the very near future and we are waiting to hear a definite date for this.

Disco — We had a bigger crowd than usual last Friday as local girl and Ramblers supporter, Helen O'Rourke was celebrating her birthday and brought along a group of friends. Our next disco is on Friday, December 13th and will be our Christmas disco. It is intended to run a double disco that night with an early start for the U-14's.

Congratulations — Well done to Marie Scanlon who recently won £1,000 worth of holiday vouchers. Jessie is already planning his next visit to Liverpool.

Happy Birthday — Stephen Kenneally of our U-16 team is a year older this week. If you see him, wish him a happy birthday.

Sympathy — The Club extends sincere sympathy to Mrs. Steve Coleman on the sad passing of her uncle.

Fixtures — Junior team: Ramblers at home to Ballyduff next Sunday. Kick off at 11.30 a.m. No games for U-12, U-16.

U-18: Ramblers at home to Brideview Utd. at 2.30 p.m. on Saturday.

## MUNSTER MEDALS

Athletes from the West Waterford area featured well in this year's Munster 'A' Cross Country Championships on Sunday last at Sixmilebridge in Clare. Top of the list were the individual medal winners with James Ledingham giving an outstanding performance in the boys U-12 to take the silver. In the girls U-12 Triona Shalloe gave a super display to take the bronze behind the two Glenbower girls Sharon O'Mahony and Niamh Walsh.

Among those taking home team medals for the Ring/Old Parish Club in this area was Declan Allen. Congratulations and well done to all three of you.

## TOUR OF ITALY

Jonathan Flavin, Clashmore and Peter Coughlan of Geosh recently enjoyed a tour in Italy. Both Peter and Jonathan are pupils of Coláiste Boin in Youghal.

## SCOUT NOTES

On Wednesday evening both of our Cub troops joined up for a Hallowe'en celebration by having a big party in the Hall. Decked out in some really wonderful fancy dress costumes, the Cubs had a ball of a time. All the traditional games were played and several of the Cub's favourite games changed to make them topical. Everyone got a chance to be blindfolded and were let feel into several different boxes filled with all sorts of strange things. The box with spaghetti caused some screams as everyone thought it was a box full of worms !!!

There were heaps of refreshments for everyone and the Cubs guzzled up the Hallowe'en treats. Everyone ended up completely drenched when they bobbed for the apples and 'gold' chocolate coins. The fancy dress costumes were so brilliant it was hard to pick a winner but Laura Brabazon came a well deserved first dressed as a scarecrow with Lindsey Mooney and Carol Keane getting special prizes for being excellent witches. Russell Hosford came first in the boys section dressed as 'Grim Reaper' and Brian Keane was hardly recognisable when his famous red hair was disguised with black polish and a widows peak. False and frightening teeth were the order of the night and masks that would make your heart skip a beat. Thank you to the Cub leaders for putting so much into the organising of their fabulous party, it was enjoyed enormously by everyone.

Thursday's Beavers also celebrated Hallowe'en by having a party and dressing up. Everyone really got into the spirit of the occasion and looked brilliant. Several games were played but the Beavers especially enjoyed a game called the doughnut race. Thank you to the leaders for organising the party.

Friday's Scouts welcomed back Glem Moloney into the fold. The first item of the evening was a really great Scavenger Hunt. The leaders thought they were smart but the Scouts out smarted them every time especially with their trick questions. Imagine finding dry sand and seaweed but being banned from the beach !! They even found some 'air' and something living - aah !!

Plenty of games were played and the Scouts practiced a very rusty drill. A surprise overnight at a secret destination is in planning and the girls gave a really hard working practise at their dancing display for our forthcoming panto.

Our venturers have been busy and enjoyed a recent trip to the cinema to see "Jack" which they thought was very sad but very good. They had great craic at their Hallowe'en sleep over. Their hike was short due to the bad weather but nevertheless they looked in plenty of local sites !! The evening was spent watching videos and having a sing song and listening to music. Well done to our Cubs who came second, fifth and sixth at the Regional Cub Quiz on Sunday and congratulations to our fellow scouters, Abbeyside who came first.

## LADIES FOOTBALL NOTES

This year we join with the G.A.A. for our annual social and it will be held on November 23rd at the Park Hotel, Dungarvan. Music by Pearse and Stefan.

A THOUSAND WAYS TO IMPROVE YOUR IMAGE

## Cleansing Tips

WHEN you go to choose a cleanser there are so many different types and brands that it may be confusing. However whatever the brand most cleansers fall into categories.

Soap is probably the most commonly known cleanser, however it may be very drying on the skin, so it is best to avoid it especially on the face. If you like the idea of using soap and water to feel really clean, why not try a facial wash cream. These are mild cleansers which are used like soap but are much gentler on the skin, and have less of a drying effect, especially on mature skins.

Cleansing creams are very popular, they are concentrated and help to unclog

pores. They are creamy and leave a silky finish to the skin. They are not drying and have a moisturising effect on the skin.

Cleansing milks and lotions are ideal for removing dirt and make-up. They are probably most suited to younger skins as they are not as moisturising as a cleansing cream. A skin toner is a must. This will help to remove any traces of oil left on the skin, it will also help to close the pores and stimulate the complexion. Facial scrubs should be used

to remove dead cells, to give a brighter complexion. They are gentle exfoliants. However, they should not be used daily as this may over-activate the skin. Once a week is sufficient, a young skin may only need to be exfoliated once a fortnight.

Finally to get a deep cleanse and help to draw out impurities a facial mask should be used regularly. Moisturising masks are widely available, these will not dry out the skin or leave it feeling tight. Moisturising masks are ideally suited for mature skin. A facial mask will leave the skin feeling smooth and soft. Regular cleansing is needed to protect the skin. This may be achieved with a little attention and the right products.

## MENUS FOR THE WEEK

### Jammy Dodgers

Preparation: 30 minutes  
Cooking: 15 minutes  
Makes 12

100g/4oz butter or block margarine  
150g/5oz caster sugar  
2 egg yolks, size 3  
1/2 tsp vanilla essence  
225g/8oz plain flour, finely sifted

1 tsp icing sugar  
3 tbsp strawberry jam  
**METHOD:** Preheat oven to 180°C/350°F/Gas mark 4. Lightly grease 2 baking sheets. Cream the butter or margarine and sugar until smooth and fluffy. Beat in the egg yolks and essence. Stir in the flour. Bring the mixture together with your hands to form a firm dough. Gently knead until smooth. Halve the dough and roll out one half to 3mm/1/8in thickness.

Using a 7.5cm/3in fluted pastry cutter, stamp out 10 circles. Roll out remaining dough to the same thickness and cut out another 10 circles. Cut out a face from each of these. Reserve all the trimmings. To make the hair, roll up a ball of pastry trimmings and press through a garlic crusher to make strands. Gently press these above the eyes to give a 'fringe'. Reroll all the trimmings and cut out 4 more circles. Cut faces from 2 of these and make hair (as before) from the trimmings. Place the 24 circles on the baking sheets. Bake for 12-15 minutes until light golden in colour. Allow to cool for 5 minutes before transferring to a rack, then leave to cool completely. Dust the 'faces' with icing sugar. Spread each plain biscuit with 1 tsp jam and top with a 'face', sugar side up.

**GARNISH**  
2 red-skinned apples  
25g/1oz butter  
few fresh sage leaves

**METHOD:** Bring a large pan of water to the boil. Pour the boiling water all over the duck skin, leave to dry for 20 minutes. To make the stuffing, mix together the apples, breadcrumbs, lemon rind and juice and sage. Heat the butter in a small pan, then add the onion and fry until softened. Stir in the breadcrumb mixture and season with salt and freshly ground black pepper. Stir in the egg yolk. Cool completely. Preheat oven to 180°C/350°F/Gas mark 4. Spoon 2-3 tbs of stuffing mixture into neck cavity of duck and fold flap of skin underneath to prevent stuffing spilling out. Weigh stuffed duck and calculate cooking time, allowing 30 minutes per

450g/1lb. Place on a wire rack in a roasting tin. Lightly prick the skin all over to allow the fat to escape. Roast in the preheated oven for the calculated time. Shape the remaining stuffing into 8 small balls and place in an ovenproof dish. Place in the oven 30 minutes before the end of duck cooking time. Just before serving the duck, prepare garnish. Slice each apple into 4-5 rings and cut out the core. Heat the butter in a large frying pan, fry the apple rings for 2-3 minutes each side until just golden. Place duck and stuffing balls on a warmed platter. Garnish with apple rings and sage. Serve with apple sauce if liked.

## FAMILY health

By Dr. Dave Barry

**Q.** About a month ago I had an illness which lasted for a week. I was vomiting for five days and my doctor gave me suppositories. I was and still am under the impression that these were used for piles. Can you tell me why I had to take suppositories?

**A.** Suppositories are prescribed to people for many different reasons other than piles or haemorrhoids. Because you were vomiting oral medication could not get beyond your stomach. Suppositories are also prescribed where there is evidence that oral preparations cause irritation to the stomach. The degree of sensitivity to oral preparations varies in different people. The use of suppositories here is a satisfactory way of coping with the problem.

As with all foods, drugs have to go through the process of digestion. As they pass through the stomach, the gastric juices can render them useless. The advantage now to the doctor is to prescribe the drug in suppository form to the patient. Suppositories are often prescribed for piles and haemorrhoids but also help with constipation. They can also be used in the

helping of some forms of arthritis. Suppositories are absorbed into the blood stream, therefore they don't have to go into the stomach.

**Q.** My son is 13. My problem with him is that he hardly ever showers or changes his clothes. His twin sister spends hours in the bathroom which annoys everyone. What can I do?

**A.** Only time will take care of these problems for you. In time your son will want to impress friends and also the girls. As your daughter gets older, her social life will also take off, so she won't have as much time to spend in the bathroom. The behaviour that your twins are showing is very common in people their age as they are unsure of themselves and are learning to cope with a wider social world.

In the meantime, you can praise the twins when they are well-groomed and clean. Try and teach them some rules about living in a family. Rules about your bathroom are needed and if the twins stick to them they should be rewarded. You could also bring general tidiness in to this.

### Roast Duck with apple

Preparation: 15 minutes  
Cooking: approx 2 hours  
Serves: 4

1 oven-ready duck weighing about 1.8kg/4lb  
**STUFFING**  
2 apples, peeled and finely chopped  
100g/4oz fresh white breadcrumbs  
rind and juice of 1 lemon  
1 tbsp fresh chopped sage  
25g/1oz butter  
1 onion, peeled and finely chopped  
1 egg yolk, size 3

1. To get a firmer grip on a paintbrush. Stick a piece of foam around the handle.
2. If you live in a hard water area, put a small bit of sponge inside the kettle. This will stop it from furring up as the scale will be drawn to the sponge instead of to the sides of the kettle.
3. To stop your doors from squeaking, spray some washing-up liquid along the

- hinges.
4. When washing your net curtains, fold them into a square and leave overnight to soak in warm soapy water. Gently squeeze out surplus water and spread flat to dry.
5. To clean very grubby oven shelves, soak them overnight in biological detergent and water.

## Declan Nerney For The "Cats" This Thursday

Declan Nerney is one of the hottest live acts in Ireland today, and if anyone wants to know why, they need only pick up his latest album release "Part Of The Journey".

This album is a marvelous collection of Irish country and western standards mixed in with some new material, all infused with Declan's trademark energy and his distinctive singing style.

Up to now Declan Nerney has had magnificent success with hits like Walking On New Grass, Anna From Fermanagh, Marquee In Drumlish, indeed all his earlier recorded albums have received Gold Status. But this man's talents don't stop at just the Country and Irish market.

His new single release "Walking A Fine Line", written by Nashville (U.S.A.) composers W. Patton and C. Abert has a more Rocky style beat.

The Ritz Company which take care of all Declan's recordings are very excited

about this new development in the star's career. This song "Walking A Fine Line" has already captured the imagination of D.J.'s and the people of the music world at large. They also feel that this new hidden ability and talent that the Co. Longford entertainer possesses could see him compete with the biggest stars there is on the international stage.

Declan Nerney will appear at the Cats Lounge, Melleray on this Thursday night, November 14.

## Dungarvan Dramatic Club Notes

Our first production for this season "The Gingerbread Lady" by Neil Simon, opened in the Park Hotel last night and was extremely well received by a most appreciative audience. The play which is set in New York in the 1970's, centres around the lives of a recovering alcoholic Evelyn Meara, and her "friends" Toby Landau and Jimmy Berry, all of whom are connected with the show business world. As the drama unfolds we learn of their failure to come to terms with their own inadequacies as well as their failure in relationships. Neil Simon treats his themes with great humour and it is this which helps his characters to survive.

The play runs for three more nights in the Park Hotel at 8 p.m. So get your tickets by booking at the Park Hotel or at the door on the night, but book early to avoid disappointment — this is a show not to be missed.

We don't even try,

She did not deserve what she went through,  
Tired and weary, she made no fuss,

God came and stood beside your bed,  
He took your hand and gently said  
You have suffered more than you can stand,

Have you ever lost a daughter,  
Who meant the world to you,  
One you loved so very much  
And miss just like we do.  
If you've never had this feeling,  
Pray you never do,  
For when God takes your daughter,  
He takes a part of you.  
I think of you in silence,  
Michelle,  
I often call your name,  
What I'd give to hear your voice,  
And you to call my name.  
You may be out of sight  
Michelle,  
We may be worlds apart,  
But you are always on my mind,  
And forever in our hearts.  
Will those who think of her today,  
A little prayer to Jesus say.

I wished upon a star last night,  
I doubt it will come true,  
What I asked for was one hour,  
To sit and chat with ye;  
To tell ye what's been happening,  
Since you've been away,  
To let ye know how very much,  
We miss you everyday.  
As we travel to your graveside,  
Flowers we place with care,  
It breaks our hearts as we turn and leave ye there.  
Time may pass and fade away,  
But memories of ye, Michelle and Eamonn, will always stay.

**TOBIN — Fourth Anniversary** — In loving memory of my dear husband, James Tobin of Ballinroone, Ballyduff, who died on November 13, 1992. R.I.P.

You have crossed the flowing river,  
To the shores of evergreen,  
We would dearly love to see you, Jim,  
But the river flows between.  
Away on a beautiful hillside,  
Free from sorrow and pain,  
Some day we will go to meet you,  
And find you waiting there.  
We will know your voice among the crowd,  
And your loving smile of old,  
And our hands will meet on God's own street,  
And never more unfold.  
Will those who think of him today,  
A little prayer to Jesus say.  
(Sadly missed and never forgotten by your loving wife, Jo.)

**TOBIN — Fourth Anniversary** — In loving memory of my dear father, James Tobin of Ballinroone, Ballyduff, who died on November 13, 1992. R.I.P.

The angels sang Amazing Grace,  
The Lord came down and touched your face,  
Then he whispered soft and low,  
Come with me Jim, it's time to go.  
I did not see you close your eyes,  
Perhaps it's just as well,  
For I never could say goodbye,  
To a father I loved so well.  
When I am sad and lonely,  
And things are going wrong,  
I seem to hear you whisper,  
Cheer up and carry on.  
And when I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping.  
We'll meet again some day.  
Will those who think of him today,  
A little prayer to Jesus say.  
(Sadly missed and never forgotten by your loving daughter Margaret and son-in-law Pat.)

Our lives go on without you, Dad,  
But things are not the same,  
It's hard to lift the heartache,  
When someone speaks your name.  
Some will say as time goes by,  
The heartache will subside,  
But the feelings in our hearts today, Dad,

**ARDMORE A.F.C. NOTES**

**Poor Finishing A Major Factor In Ardmore Defeat**

The most disappointing aspect of last Sunday's defeat was the players' attitude before the game. Some didn't turn up and the manager had to call to houses for others and in fairness, that doesn't show a lot of commitment. It is not fair to a manager who is trying his best or to the players who put in the effort.

The display itself by Ardmore wasn't that bad and in fact they dominated a lot of the first half but seemed to lack the finishing touch up front. Brideview took the lead before the break when a cross caused a bit of confusion in the home defence and ended in the net via an Ardmore head. As much as the homeside tried in the second half, they didn't look like scoring and when Brideview made it two, there was no way back for Ardmore.

Adrian Yellop made a few

**ARDMORE 0 BRIDEVIEW 2**

excellent saves in goal. The defence had Seamus Veale and Cathal Hennessy having fine games. Anthony Gallagher was outstanding at midfield in the first half but tired in the second. Up front Anthony Aherne tried hardest but got no support. Next week we play the same opposition in Youghal in the Bolger Cup so let's hope for a good effort. Ardmore's best was Cathal Hennessy.

**U-12 'A' LEAGUE Ardmore Youngsters Stay Top**

**INCH 0 ARDMORE 2**

Our U-12 'A' team travelled to Inch to play a strong

homeside and came away with the points that keeps us on course for the title. First half goals by Mike Flavin and Dec Barron secured the points here. Good displays by Kevin Mahony in goal and Maurice O'Connor was back in action and gave a fine display in goal.

**TRIP TO ENNIS**

Some lads and lassies hit for Ennis last weekend and all had a ball even the lady who didn't want to leave Limerick had a ball. Meanwhile back to the previous weekend in Manchester you must know when to duck !!

**UNDER-14 LEAGUE**

**Young Blues Continue On Winning Trail**

**DUNGARVAN 4 DUNMORE 2**

This was a hard fought battle by Dungarvan. We dominated the first twenty minutes and were very unlucky not to have had six goals by half time. Dungarvan did everything they could do but could not get the ball in the net. The score stood at 2-1 at half time.

Dungarvan again took control in the second half and ran out deserving winners in the end.

Goal scorers were Ronan Keating (1), Nicky Dommelly (2) and Ger O'Brien (1).

**GAELTACHT AONTIN THE SOCCER NOTES**

On Sunday, November 2nd we travelled to Ballymac' to play Pinewood in our first League game. We were short a few regulars but the lads played well on the day. Unfortunately Pinewood were at full strength and dominated throughout the game. We were beaten on a 3-1 scoreline by the better team who scored some very fine goals for which our keeper could not be faulted. It was great to see Paudie back in action and he scored our only goal of the game from a corner. Unfortunately Joe got injured between the posts and we hope he will soon be back to full fitness. Paudie and James were best on the day for Gaeltacht.

On Sunday last, November 9th we had our first home game against Ballybridge on our new pitch and I'm sure everyone will agree that it is possibly one of the best pitches in the League this season. We would like to take this opportunity to thank Peadar and the Nugent family for allowing us the use of the pitch. It also proved to be lucky for us as we comprehensively beat Ballybridge on a 6-0 scoreline. We were three goals up after 15 mins. compliments of Aidan, Martin and an o.g. with two more being added before half-time from the boots of Leonard and Tucker. The game was put out of the visitors reach when Leonard scored goal number six five minutes into the second half. Alan pulled off a few good saves on the day and so it ended 6-0. The pitch proved lucky on the day and gooseberry jackets did not seem to hinder the performance. Any suggestions for a name for the pitch?

It was nice to see the supporters and don't worry Shay, we have no intention of charging an entry fee yet. A special mention must go to Eanna, our youngest supporter on the day, who came along with his old man who has recently hung up his boots.

**NEW POST**

Our congratulations go to M. O'Domhnaill on his new post with TnaG. It's Spanish soccer for now but who knows it may be Gaeltacht Soccer in time to come. The downside to this of course is that we will be without his services in our defence for most of the season.

**CONGRATULATIONS**

A belated congratulations to Eamonn and Rose on the occasion of their recent marriage. We hope they have many years of wedded bliss on our old pitch.

**SYMPATHY**

The club would like to extend its deepest sympathy to Luke and the O'Brien family, Ballyduff, Dungarvan on the death of Simon. Ar dheis Dé go raibh sé.

**U-12 FOOTBALL**

On Sunday morning last at the Cappelquin venue, we took on Ballyduff in the quarter final of the U-12 Football Championship. Although not performing to all our full capability we emerged victorious and have therefore qualified for a semi-final against either Abbeyside, Ardmore or the Brickeys. This game will more than likely take place next Sunday morning at 11.30 and we would appeal to all the parents and supporters to come along and give good support to the boys in blue. A much improved performance is necessary if we are to advance to the final.

Ricky Tobin received an injury last Sunday and all in the club wish him a speedy recovery and hope he will be fit and well for the next round.

**BLACKWATER RANGERS F.C. NOTES**

**U-16 LEAGUE Youghal 5**

**Blackwater Rangers 0**  
Playing league leaders away from home without some of our regulars can hardly be described as a recipe for success at the best of times and this we learned the hard way at Youghal last Saturday. A hardworking Blackwater defence kept the seaside club at bay until a converted penalty opened the homeside's account on the half hour mark. Youghal doubled their tally two minutes later to give them an interval lead of two nil.

The second half was much of the same with Youghal in

complete dominance which saw them hit our net for the fifth time with the last action of the game.

Team: Jason McGrath, Tony Kearns, Martin O'Brien, John Tobin, Dermot Irwin, Eamonn Mernin, Raymond Connery, Owen Walsh, Ken McGrath, Maurice Lynch, Michael Carlton. Subs: Paul Landers for Michael Carlton, Stephen Mernin for Maurice Lynch, Conor Christopher.

**WELCOME**

We welcome Paul Landers and Kevin Looby who have joined us recently.

**CONGRATULATIONS**

Congratulations to Mike Cullinan who was a winner in the first Castlebridge Celtic draw and thanks to Kieran Hallahan who sponsored us with a football during the week.

AFFANE 0 GLENVIEW UNITED 1

A hard fought but deserved away victory on Sunday last. Thomas Murphy scored after only 10 minutes with a low shot from just inside the area, this settled us down and set up an impressive win.

Affane had chances towards the end, but a mixture of good defending and goalkeeping kept the home side at bay. The commitment shown in this game by all the Glenview side was admirable and our new kit was baptised with a victory.

Team — Donnell (T), Power (G), Donnell (H), Buddin, Dolan, Donnellan, Hallissey, Power (A), Murphy, Leahy, McGrath. Subs. — Curran, Donnell (J), Coleman.

## RAILWAY ATHLETIC F.C. NOTES

MUNSTER JUNIOR CUP SECOND ROUND

# Railway's Brave Effort Just Fails

HIBERNIANS 2 RAILWAY 1

On Sunday morning last we were somewhat unfortunate to be knocked out of the Munster Junior Cup Second Round away to premier league side, Hibernians.

This was always going to be a very tough game for Railway because of recent results as teams are now beginning to sit up and take notice of Railway Athletic F.C.

Hibs started this game at a furious pace and pinned Railway back early on. Railway's back four were under constant pressure but weathered the storm and began to settle and play some good football.

The first chance of the half fell to Hibs. After some good build up work, the ball was pulled back to their midfielder but he shot well over from a good position. Dee came close for Railway after 20 mins. but his shot was well held by the home-side keeper. McLoughlin and O'Donnell also had some good efforts saved by the Hibs keeper. The nearest Railway came to scoring in the opening half was a Martin Reddy free kick. He hit it very well but Farrell, in the Hibs goal, got down well to make a good save. Hibs were always dangerous and on a couple of occasions, Morrissey had to be on his toes in the Railway goal. Just on the stroke of half-time, Hibs took the lead. Their number eight broke into the box and a

Railway midfielder took him down to give Hibs a penalty. Their number six gave Morrissey no chance to put Hibs one up right on half-time.

In the second half Railway upped their performance and put Hibs under pressure for most of the half. Quinn and O'Donnell were causing Hibs a lot of problems down the flanks and they put in some good crosses, one of which almost put Railway back on level terms. O'Donnell broke on the right and pulled the ball back to Coughlan. His cross brought a good save out of the Hibs keeper from Dermot Dee's header. Murphy and Manahan were working hard for Railway as they began to enjoy a lot of possession during this half. Twenty minutes into the half, Railway were back on level terms. A free kick on the right by Reddy was headed home by Tommy Pratt and boy does Tommy know how to celebrate. Five minutes later Railway should have been ahead. Dee's through ball sent McLoughlin clear but he fluffed the chance with only the keeper to beat. Railway were well on top at this stage but always had to be very alert as Hibs were very

quick on the counter. With seven minutes to go, disaster struck for Railway. A misplaced header by a Railway defender out to the Hibs sub on the right, he beat another Railway defender and his inch perfect cross was headed home by the Hibs number eleven for what proved to be the match winner. Try as they might Railway couldn't get the

equaliser and even though they forced five corners in the last five minutes, they couldn't get that goal and Hibs held on for a very lucky but deserved victory for them. This was another excellent performance by Railway and every player played his part in almost causing another major upset in the Cup.

Railway Athletic — Liam Morrissey, Diarmuid Coughlan, Eamonn Murphy, Brian Whelan, Martin Reddy (Capt.), Ken O'Donnell, Tommy Pratt, Packie Manahan, Stephen Quinn, Frank McLoughlin, Dermot Dee. Res.: Morrie Ferncombe for Manahan, Paul Ormonde, Gary Morrissey, Liam Costin, Martin Goghegan.

## U-16 LEAGUE

# Good Display From U-16's

RAILWAY ATHLETIC 2 FERRYBANK 2

On Saturday afternoon last our U-16 side put up a very good performance at home to table toppers, Ferrybank. This is a game Railway needed to get something from, as results of late have not been too good to these young lads despite their good efforts.

Railway started very well and some good work by Damien McCarthy almost set Mike Scanlon up for the opener. Shane Coughlan and Liam McLoughlin were on top in the middle of the park and widemen Hogan and Morrissey saw a lot of the ball early on. Railway were on top early on but it was Ferrybank who took the lead after twenty minutes. A shot from twenty metres somehow eluded our keeper and ended up in the back of the Railway net to put Ferrybank one up. Minutes later Railway were back on level terms.

Good work by Scanlon set up McCarthy and he drove home through a crowded goalmouth. Ferrybank restored their lead seven minutes later when once again they scored a soft goal. Three minutes before half-time Railway again levelled the score. Good work by Lenane, Coughlan, Hogan and McCarthy set up Scanlon to fire home. Railway were on top at this stage but half-time just came too soon.

In the second half it was a much more even affair with

both sides looking for the winner. Colin Millea had to make two excellent saves to keep us in the game. Railway's best chance fell to David Lenane when his twenty yard volley seemed destined for the top corner but somehow the keeper got a hand to it to put it out for a corner. This really was the last chance of the half and so the sides finished all square.

Team: Gavin Foley, Brian Coughlan, Shane Barry, Kevin Foley, David Lenane (Capt.), 'Snoopy' Morrissey, Shane Coughlan, Liam McLoughlin, Stephen Hogan, Michael Scanlon, Damian McCarthy. Res.: Colin Millea for Morrissey, David Sheehan, Martin Gilligan, Garry O'Connor.

## PINEWOOD RANGERS F.C.

Five goals offered decent value for fans at Araglen as Pinewood just nicked the points. Pinewood have maximum points from two with Araglen pointless but there is still a lot of football to be played.

M. Guiry though is still a class apart. He set up two goals and scored the third. Araglen had taken the lead in the 12th min. when some sloppy defending left in the Araglen attack. Pinewood now stepped up a gear and J. Moore passed to M. Guiry who went to the by line and crossed for A. Ryan to knock down for L. Walsh to volley home. Pinewood kept on the pressure with Guiry winning the ball in midfield, chipping over the top for the on running D. Ryan who rounded the keeper and slotted home.

Pinewood completely lost their shape in the second half but this did not stop Guiry who 'chipped' the keeper from 25 yards after J. Walsh played him a beautiful through ball. Araglen made it 3-2 with 14 mins. to go when a mix up between centre half and keeper left in a simple goal. Michael Doocey made some outstanding one on one saves during the game.

Pinewood can go all the way this season but all players must be able to realise and use their potential. Next Sunday Pinewood are at home to Youghal (who are tipped by the experts as promotion candidates) with a 11.30 a.m. kick off.

# RED HOUSE LEAGUE NOTES

## BALLYDUFF ARE TOPS

Ballyduff continued their recent good run while Lismore and Brideview 'A' also had good wins. In Division Two, Youghal, Valley and Pinewood had their second league wins and Brideview 'B' hit seven in Division Three.

### RESULTS DIVISION ONE

There were no surprises on Sunday as Ballyduff won again. Brideview made a winning start. Cappoquin defeated Inch and champions, Lismore got their first win of the season.

### ARDMORE 0 BRIDEVIEW UTD.2

The homeside never got going in this game and in fact there were very few chances for either team in a disappointing game.

Utd. took the lead after 6 mins. when Philly Curley scored direct from a corner kick. Brideview led 1-0 at the break and sealed victory with a wonderful headed goal from John Paul Grey

### DIVISION TWO ROUND-UP

## An Gaeltacht Have Big Win v. Ballybridge

An Gaeltacht had a big win over Ballybridge. Pinewood and Valley squeezed home against Castlebridge Celtic.

### ARAGLEN 2 PINEWOOD RANGERS 3

Rangers won their second league game this season when they overcame a spirited Araglen eleven. Pat Buckley put the homeside ahead in the first half but goals from Liam Walsh and Mike Guiry had Pinewood ahead at the interval.

Dave Ryan scored a third Rangers goal in the second half and Araglen reduced the arrears when Paul Mulhearn headed home a Davy Gill free-kick. Araglen had a couple of chances to equalise but luck was not on their side and Pinewood went home with the points.

### AN GAELTACHT 6 BALLYBRIDGE UTD. 0

A severely depleted Ballybridge team travelled to Old Parish last Sunday and found the home team in sparkling form. The game was all over at half-time as An Gaeltacht netted five times.

The second half was a quieter affair with just one goal being scored. Leonard

from a John Doyle cross. So Brideview get off the mark and collect three vital points.

### MOGEELY 0 BALLYDUFF 3

An excellent away win for Ballyduff who have made a great start to the season. The homeside were never really in the game and conceded all three goals in the first half.

James Scanlon and Eoin Corcoran were among the scorers for the visitors and although Mogeely played better in the second half with Pat Rooney and Dave Hickey doing well, Ballyduff would not let them back in and held out for an impressive win.

### CLASHMORE RAMBLERS 1 LISMORE 4

Ramblers were brought back to earth by champions Lismore last Sunday. Lismore were always on top particularly in the first half when a Dan Shanahan hat-trick put them 3-0 ahead.

Frannie O'Rourke pulled a goal back for Ramblers but just on half-time Paul Prendergast scored again to give Lismore a 4-1 interval lead.

Things quietened down in the second half and both teams cancelled each other out with no further scoring. So Lismore will be very happy but it's back to the drawing board for Clash-

### DIVISION THREE ROUND-UP

## BRIDEVIEW 'B' HIT SEVEN

Brideview 'B' hit seven. Glenview won the crunch game at Affane, Castlebridge 'B' had their first ever win and the Blackwater v Kilworth game was off.

### BRIDEVIEW UTD. 'B' 7 CAPPOQUIN 'B' 0

Utd. had a very easy win in a totally one sided match. Tomás McCarthy, Denis O'Flaherty and Thomas Grimes had Brideview 3-0 ahead at half-time. Cappoquin just couldn't cope with the home team who added another four goals in the second period through James Beecher, Stephen Pratt, Ian McIntosh and Seamus Tobin.

### AFFANE 0 GLENVIEW 1

Both teams have been playing well lately and in what was sure to be a close game, it was Glenview who emerged victorious with a single goal win.

### CASTLEBRIDGE CELTIC 'B' 1 MODELIGO 0

The home team were looking for their first victory against Modeligo who were playing their first game of the season. The visitors were short a few regulars but settled down quickly and had an even share of possession in a goal-less first half.

The homeside had slightly the better of the second half and only some good handling by keeper James Maher kept Celtic at bay. As the final approached, a long clearance reached Brian Cotter and he took the ball on before scoring the winning goal. Despite the limited number of chances, it was a very entertaining game with Castlebridge just deserving their win.

James Maher in goal and the back four of "Skippy" McCarthy, Joe Cashman, Owen and Jimmy O'Neill were best for Modeligo while keeper Kieran Flynn, Paul Doyle, Tom Rice, Donal O'Sullivan and Brian Cotter were impressive for Castlebridge.

### CAPPOQUIN 'A' 2 INCH 1

Visitors Inch couldn't repeat their win from the previous week as Cappoquin 'A' atoned for a defeat by Clashmore Ramblers. The homeside were 2-0 up before Inch scored. Both teams now have three points each.

### PERFORMANCE OF THE WEEK

Candidates include Brideview 'B'. An Gaeltacht, Valley Rangers and Ballyduff but the honours this week go to Lismore who got back to winning ways with a convincing away win in Clashmore.

# MATCH PREVIEWS

## BOLGER CUP SEMI-FINALS

### Ardmore v Brideview Utd. 'A'

These teams played each other last Sunday and it was Brideview who came out on top. Ardmore began the season extremely well but have faltered in the last two or three games. If they regain their form, they will be a handful particularly if Anthony Aherne and Anthony O'Sullivan can get a goal or two. Utd. have been the most impressive team so far this season. They are strong throughout and will be most people's favourites to progress. Ardmore are up against it on Sunday and Brideview are tipped to advance.

### Glenview v Valley Rangers

Division three side Glenview are the surprise packets of the tournament but are in the semi-finals on merit. Both sides will be happy to have avoided the first division teams in the semi-final and each club have good reason to believe they can make it to the final. Valley Rangers will go into the game as favourites and have a number of players who have performed in semi-finals before. They have won their opening and League games and Glenview have a tough job on their hands to overcome the men from Conna. Although it's sure to be a very tight affair, Valley might just shade it.

## DIVISION THREE PREVIEW

Three more games in this division. New club Kilworth make their League debut at home to Modeligo. Blackwater travel to Cappoquin while Affane meet Brideview at home.

### Cappoquin 'B' v Blackwater Rangers

Cappoquin 'B' have not been having much luck lately and won't get any favours from Blackwater Rangers. The homeside went down to a heavy defeat last week and will need to be at their best to contain a Rangers team who are expected to do very well this season. Blackwater have put some good results behind them already and I would expect them to win again on Sunday. Away win.

### Affane v Brideview Utd. 'B'

These teams suffered contrasting fortunes last week as Affane lost at home and

Brideview romped to an easy victory. The visitors have a tougher assignment on Sunday as they come up against a determined Affane side who will be eager to get off the mark against one of the favourites for Division Three. A tough one to predict so I'll go for a draw.

### Kilworth Celtic v Modeligo

Kilworth Celtic play their first league game of the season when they come up against Modeligo who went down by a late goal to Castlebridge last week. Kilworth did not have it easy in the Bolger Cup, suffering some heavy defeats at the hands of more experienced rivals. On Sunday they meet Modeligo and although Celtic can expect some improvement, they may be left waiting for their first points. Away win.

### DIVISION ONE

Just two games down for decision, Lismore will be looking to beat Mogeely while Ballyduff can go top if they beat Clashmore Ramblers.

### Lismore v Mogeely

This looks a home banker for Lismore as Mogeely are rebuilding at the moment and suffered a bad defeat last week at the hands of Ballyduff. Champions Lismore had a fine win in Clashmore last week and know they have to win their home games if they want to regain their crown. Home win.

### Clashmore Ramblers v Ballyduff

Following their win over Cappoquin 'A', Ramblers were quickly brought down to earth by Lismore who gave them an indication of what lies in store. Ballyduff will provide another stiff test and Ritchie Walsh's team are powering their way through teams at the moment. It will be another backs to the wall game for Ramblers as Ballyduff look to gain top place in the League. Away win.

### DIVISION TWO

We have three games on Sunday. Castlebridge and Gortroe are both pointless, Araglen look to get off the mark against An Gaeltacht while the top match sees Pinewood clash at home to Youghal.

### Pinewood Rangers v Youghal

This is sure to be match of

the day as both sides have already won both their games. Youghal will be especially pleased as they have beaten two of the more fancied teams. Pinewood will be a big test for them on Sunday with the winners likely to be favourites even at this stage to win promotion. Youghal are very consistent but I feel if Rangers play to form, it could be a home win.

### Castlebridge Celtic v Gortroe

Neither team have set off any fireworks yet and amazingly last season's top scorers, Gortroe have failed to score in their opening two games. Celtic went down to a late goal in Youghal last Sunday and both teams are better than their performances to date. Neither team can afford to fall further behind the early leaders and although we should be in for a cracker, we might just see a draw at the end of the 90 mins.

### Araglen v An Gaeltacht

Araglen were most unlucky in their opening two games and will be hoping to get their first points of the season here. An Gaeltacht picked up a useful three points last Sunday and on their day are always a handful. Both sides will be anxious for a win to keep them away from the bottom of the table and although it is sure to be another close game, Araglen's home advantage might just shade it.

# JUNIOR LEAGUE PLAYERS GET THEIR CHANCE

Paddy Pollard, Chairman of the Red House League told the club's delegates at last Monday night's delegate meeting that the better players in our league now have a chance to display their skills across the water. This follows on from the Schoolboy League who are holding trials this weekend for their 15 - 16 year olds. "What we need now," stated Pollard, "is a list of our better players in the Junior League to be drawn up. It does now look like we will have a blank weekend on either the second or third weekend in January as a

scout will be over from England on either one of those weekends." "The players requested for trials must be in the age group of 18 - 20 years of age", stated Pollard. "They must show some qualities and must be better than your ordinary league player. We hope to hold trials over the Christmas period once we have a full list of players drafted up. Who knows maybe we have another Roy Keane in our midst," added Pollard. "It's a marvellous opportunity for our league and we must do our best at this end to make sure it's a success".

# DIVISION ONE PREVIEW

This week we look at the top teams who make up Division One. There won't be any easy games and competition should be fierce as teams compete for the title or try to avoid relegation. With the new league structure, this division was reduced from ten to eight clubs. Last season Lismore emerged as champions though Brideview and Ballyduff ran them close. Ardmore and Inch started well

last season before falling away while Mogeely and Cappoquin 'A' were at the wrong end of the table more often than not. The only new faces are promoted Clashmore Ramblers. We start with Ardmore. Every season Ardmore are quietly fancied to do well and while they usually start well, they have yet to deliver. Tommy Power feels they have a real chance of winning the league this season.

Ardmore have Seamie Veale at the helm and Tommy Power lists Brideview and Lismore as the danger teams. Ballyduff's turn and for a long time it looked like they would win the league last season. However they fell away dramatically, losing games they were expected to win. Ritchie Walsh will be hoping to put things right this season and they must be in with a real chance. James Scanlon fancied Brideview and Lismore to do well.

Brideview Utd. 'A' are on everyone's short list to do well and if you are going to judge them on their form so far, it would be hard to bet against Utd. this season. Brideview have been the most consistent team for a number of years and Liam Fraser is, as always, very confident of doing well with Lismore and Ballyduff the obvious dangers.

Michael Looby thought that Cappoquin 'A' had a reasonable chance this season with a number of new players involved. At one stage last season they seemed doomed but were able to put an unbeaten run together and safely avoided relegation. Michael finished by saying that Brideview and Lismore would be the teams to beat.

Clashmore Ramblers are the new kids on the block. Last season, their first ever, they won division two and we wait and see if they are good enough for division one. Ramblers manager is Tom Kelly who would not

be drawn on the teams prospects though the general feeling is one of confidence. Tom see's Lismore as main contenders.

East Cork side Inch are often candidates for relegation but their teamwork and spirit has often pulled them out of danger. Goalkeeper Eddie Leahy was their spokesperson and he was hoping for a place in the top half. Eddie felt this team were improving each season and might do well in the Cup. He also pointed to Brideview as the most likely winners.

Lismore, of course were last season's champions. It won't be easy to regain their crown as everyone will want to beat them. Joe Tobin didn't agree as he was very confident they could repeat last year's success. One thing for sure whoever takes the title off Lismore will have deserved it. Joe finished by predicting Brideview and Ballyduff would run them close.

Finally Mogeely and Pat Costigan says they are rebuilding this season so we might not see them at their best. Pat would be satisfied to finish midtable this season but felt Brideview and Ballyduff would do well. A last word from Jim Foley who gave me Brideview, Lismore and Ardmore 'in that order'. Well done Jim and best of luck to all the clubs. Next week some comments from various individuals who will put their heads on the block.

# NO SHORTAGE OF SCHOOLBOY PLAYERS

There is a big interest in the soccer trials for our U-16 players who, for some at least, maybe called to go across the water. After Christmas over 60 players are called up for next Sunday's opening trials which will take place in Tallow and Youghal.

The following players are asked to attend the venues with boots, togs, socks and shinguards at 2.30 p.m. sharp on Sunday next, November 17th.

The following players are asked to be in Tallow—

Ardmore: Wayne Hennessey, Jason Lenane.

# HANDBALL

A number of our referees were misinformed regarding 'accidental handball'. Mr. Frank Casey, Munster Referee Inspector recently attended a referees meeting in Tallow and confirmed that there had been no change in this law. There is a law regarding playing gear which states that jerseys must be tucked inside the shorts and socks must be kept up at all times. All clubs are asked to note these changes.

# TWENTY FIVE YEARS !!

The Red House League have decided to commemorate the last 25 years with a social night. Provisional arrangements have been made for Sunday, March 16th. It is intended to award trophies to winning teams and also a "Player of the Year" award for each division. These players will be selected by the referees who from next Sunday are asked to mark their choice of player on each team card. A sub committee of Paddy Pollard, Liam Fraser, Pat Casey and Sean Kearns has been formed and any ideas can be forwarded to any of these.

**EAST CORK/WEST WATERFORD SCHOOLBOY SOCCER LEAGUE****U-16 LEAGUE ROUND-UP****YOUGHAL STRETCH THEIR LEAD AT THE TOP**

Youghal stretched their lead at the top of the league table to six points over the weekend but second placed Kilworth have a game in hand so it's still all to play for. The Seasiders had a big home win on Sunday but Kilworth Celtic came from two goals down against Brideview Utd. to record a thrilling victory.

West Waterford side, Lismore had a good home win on Saturday last against other league hopefuls from East Cork namely Inch. This was only Inch's second defeat in the league. They are however still in third place. Lismore's win moved them well up the table and are now in fourth place and have games in hand over the top three clubs which should make the run in very exciting.

Clashmore Ramblers won at home on Saturday and this win lifts them up the league table.

**RESULTS****Lismore 4 Inch 0**

Lismore's front men were on form on Saturday last when they had a convincing home win over East Cork side, Inch.

Tom Landers had Lismore in front after 15 mins. and Landers' goal still separated

the sides at the break.

The goal of the game came 10 mins. into the second half when Liam Greenslade vollied home to the net from all of 30 yards for one of the best goals ever scored at the home venue. David Barron added number three before Peter Howard rounded off the scoring for Lismore and give them a fine victory.

**Youghal 5****Blackwater Rangers 0**

Youghal continued their good run with another convincing home win over Aglish side, Blackwater Rangers. Two goals up at the break, the Seasiders added three more in the second half. The fifth goal coming in the final minute of the game. The scorers for Youghal were John P. O'Brien (2), Sean O'Connell, Sean Barry and Stephen Twohig.

**Clashmore Ramblers 3****Castlebridge Celtic 1**

Ramblers had a good home victory on Saturday last thanks mainly to their front men who took most of the chances that came their way. Gerard O'Rourke opened the scoring after 20 mins. and Tomas Burke added number two before the break to put Ramblers in the driving seat.

Michael Cliffe increased the homeside's lead in the 50th min. before Castlebridge pulled a goal back after 60 mins. Try as they did, Celtic failed to put away some good chances that came their way and Ramblers ran out winners. The homeside had good displays here from Declan Hickey, Willie Collins and Michael Cliffe.

**Kilworth Celtic 3****Brideview Utd. 2**

This game took place in Kilworth on Saturday afternoon and proved to be a very tough game. Utd., thanks to two goals from Maurice McGrath, led 2-0 before a penalty to Kilworth in the 30th min. and converted by Joe Cahill brought the homeside back in the game. The Tallow side missed some good chances before the break but they failed to take them and at the break Utd. led 2-1.

Cahill struck the equaliser for Celtic in the 56th min. and Mark Hickey turned out to be the local hero when he scored the all-important third goal for Celtic.

This was a good home win for Celtic but Utd. will want to forget this game as it was there for them especially in the opening half.

**U-12 LEAGUE DIVISION ONE****Ardmore Still The League Leaders**

West Waterford side Ardmore secured three valuable points on Sunday last away in Inch. This win keeps them out in front but with Clashmore Ramblers and Youghal in close contact, they still have to win their remaining games. Ballybridge Utd. and Youghal had also good victories on Saturday last.

**RESULTS****Ballybridge Utd. 2****Valley Rangers 0**

A goal after just 10 mins. scored by John Thomas Gould set up Utd. for victory here. This was a very entertaining game with both sides playing some good football. Gould's goal separated the sides at the break.

Midway through the second half, Ballybridge struck again when Gavin O'Brien scored a great goal. Rangers tried hard to get back into the game but

Utd.'s defence held firm and they ran out winners over a sporting Valley side.

**Youghal 8****Brideview Utd. 0**

Utd.'s tale of woe continues but to be fair to the Tallow side, they never gave up. First half goals from Sean Crowley, Brian Coakley, Mossy Clohessy, Gary Daly and Stephen Bulman had the homeside in a commanding lead at the break. Crowley, Coakley and Clohessy all got on the scoring sheet in the second half and clinched three valuable league points.

**Inch 0****Ardmore 2**

Ardmore must now be firm favourites to clinch this very exciting U-12 league title. Unbeaten in the league to date going into this game against East Cork hopefuls, Inch, who themselves were still well in the

hunt for the league title.

On Sunday morning last Ardmore scored twice in the opening 20 mins. and despite Inch putting on pressure in the second half, Ardmore's defence held firm.

The opening Ardmore goal came after just 5 mins. and this was the start the visitors were looking for. Goal number two came in the 20th min. and Ardmore were looking good for a big victory.

The East Cork side fought back in the second half and created their own chances but they failed to convert them so the league leaders clinched the points. However they still have a bit to do with both Youghal and Clashmore Ramblers breathing down their necks. Both of these club have a game in hand over Ardmore so it should be a very exciting run in.

**U-18 LEAGUE****Castlebridge Celtic Early League Leaders**

While it is very early days yet, Castlelyons side Castlebridge Celtic are the league leaders. However with some clubs only kicking off their league programme on Saturday, there is still plenty of football to be played before the title is won.

There are some very interesting games down for Saturday and the results of these will be eagerly awaited.

**SCHOOLBOYS MEETING**

A delegate meeting takes place on this coming Monday night in the Devonshire Arms, Tallow at 8.30 p.m. sharp.

**MATCH PREVIEWS****Derby Games Galore This Weekend****Clashmore Ramblers v Brideview Utd.**

Both clubs had different fortunes in their opening games. Utd. had a good away win over Inch while Ramblers suffered a heavy away defeat to Youghal.

On form one would expect the Tallow side to collect the points here but Ramblers would hope to up their performance for the league holders.

**Cappoquin v Kilworth Celtic**

Cappoquin have had a very poor opening to their league campaign and they will be hoping to change that against Kilworth.

For the visitors this is their first league game so it's hard to forecast a result here. It's a game that both clubs will be going out to win but perhaps Celtic could get something from this game.

**Youghal v Inch**

This local East Cork derby should be a cracker on Saturday. On form the Seasiders should take the points here especially with home advantage. Having said that their neighbours will not give in without a big effort but we give the vote to Youghal.

**Mogeely v Ballybridge Utd.**

Another East Cork derby here and again the fans

**FIXTURES FOR THIS SATURDAY, NOVEMBER 16th****U-18 LEAGUE**

Clashmore Ramblers v Brideview Utd. Kick off at 2.30 p.m. Ref.: T. Sullivan.

Cappoquin v Kilworth Celtic. Kick off at 2.45 p.m. Ref.: P. Marks.

Youghal v Inch. Kick off at 2.30 p.m. Ref.: M. Curley.

Mogeely v Ballybridge Utd. Kick off at 2.30 p.m. Ref.: M. Jacob.

Ardmore v Castlebridge Celtic. Kick off at 2.30 p.m. Ref.: E. Leahy.

Lismore v Valley Rangers. Kick off at 2.30 p.m. Ref.: P. Walsh.

**U-14 LEAGUE**

Ballybridge Utd. v Blackwater Rangers. Kick off at 3.00 p.m. Ref.: S. Kearns.

Castlebridge Celtic v Brideview Utd. Kick off at 2.30 p.m. Ref.: M. Shanahan.

Kilworth Celtic v Lismore. Kick off at 11.30 a.m. Ref.: P. Molumphy.

Valley Rangers v Inch. Kick off at 11.30 a.m. Ref.: D. Ruxton.

**U-12 LEAGUE DIVISION TWO**

Ballybridge Utd. v Ardmore. Kick off at 2.00 p.m.

should be in for a thrilling game. Mogeely lost their opening league game against, perhaps one of the favourites for this title, Ardmore. For Utd. this is their opening game. The clubs maybe happy to share the points here.

**Ardmore v Castlebridge Celtic**  
Both clubs won their last league games in flying colours so this should be a big test for both clubs. It's

not an easy game to predict but home advantage may just shade it for Ardmore. However a win for Celtic would not be a major upset.

**Lismore v Valley Rangers**

This is the opening game for both clubs. Lismore are never an easy side to beat at home and, provided that a full squad is available, then they should be too strong for the Conna side.

**U-14 LEAGUE PREVIEWS****Home Game For The League Leaders**

The U-14 league leaders Mogeely and Ballybridge Utd. have a home tie against Blackwater Rangers on Saturday. Another East Cork club, Inch, lying in second place, face the short trip to Conna and this should be an attractive game. Other league games take place in Castlelyons and Kilworth.

**PREVIEWS****Ballybridge Utd. v Blackwater Rangers**

Utd. will be hoping to continue their unbeaten run on Saturday next at home to their visitors from Aglish. This is Rangers first game so it's not an easy game to forecast but we give the vote to

Utd. going on form to date.

**Castlebridge Celtic v Brideview Utd.**

While it's early days yet and many clubs have yet to produce their best form, Celtic may just about shade this one.

**Kilworth Cel. v Lismore**

Just a point separates these clubs in the league table. Lismore may get a result here but Celtic are not an easy side to beat at home. A draw.

**Valley Rangers v Inch**

This local derby should produce plenty of exciting football on Saturday. Inch are a strong side and they should collect full points in Conna.

## DUNGARVAN UNITED UNDER-12 NOTES

We took on our rivals from last year at Kilrush on Saturday last looking to maintain our 100% home record.

Dungarvan got off to a great start when Tony Keane beat the offside and slotted past the advancing Carrick keeper. Soon afterwards it was 2-0 when John O'Keeffe ran onto a through ball after a good passing movement in midfield. Tony Keane added a third and it looked over as a contest. However, Carrick fought back well and scored just on half time.

The second half saw lots of Carrick pressure but we hit them on the break with a goal from Shane McGrath. Again Carrick fought back with two goals but we held on for a deserved victory.

## DUNGARVAN UNITED A.F.C.

### F.A.I. YOUTHS CUP (2ND ROUND)

# Superb Performance By Dungarvan Youngsters

## DUNGARVAN 5 SOUTHEND 0

Dungarvan took on high flying Southend at Kilrush Park on Sunday last and as the scoreline suggests, this was a pretty facile win.

The Blues took the lead after 15 minutes when Diarmuid Keating was put through by Dermot O'Shea to score. The second goal came on 34 minutes, Dermot O'Shea sent over a corner straight to the head of John Paul Donnelly who sent the ball crashing to the back of the Southend net.

On the restart Dungarvan carried on where they left off playing some lovely one touch football and they added to their lead after 64 mins. "Copper" sent Mark Coles away on the right and he knocked a lovely ball in for Vinnie Sullivan to score.

The game as a contest was over 2 minutes later when following a Southend corner Owen Morrissey cleared the ball to Vinnie Sullivan on the half way line, who then put Joe Nolan clear to shoot past the advancing keeper.

Right on full time Dungarvan put the icing on the cake when following good work by Kevin Walsh, the ball was pulled back for Diarmuid Keating to score Dungarvan's fifth and final goal.

Dungarvan — D. White, M. Coles, B. Crotty, O. Morrissey, D. O'Shea, G. Collins, K. Walsh, J. Nolan, J. P. Donnelly, D. Keating, V. Sullivan. Res. — D. Kelleher for G. Collins; J. P. Keohan for J. Nolan; A. Harty for V. Sullivan.

## ABBEYSIDE A.F.C. NOTES — YOUTHS LEAGUE

# Brilliant Reds Run Riot At Tycor

TYCOR 1  
ABBEYSIDE 9

Abbeyside Youths, who started the season slowly and threw away some soft points, are quickly making up the lost ground with some great results. This outstanding performance against Tycor has sent ripples through the Youth League and with a large league programme still to go through, who knows what will evolve.

The 'Villagers', carrying a panel of 22 players under the leadership of Duane Cantwell, are sure to have some impact in this particular league before the season finishes.

Abbeyside dominated this game with some fine attacking football. Good opening rounds were fired by Ronan McCarthy and Paul Hayes before Dunne did the business with a lethal effort after being sent on his way by Pike man, Paul Hayes. 'Super Mac' and Kieran Mac were twice denied before Richard Eno conceded a free kick that could have caused problems but was swept away by McCarthy. Bending was called on to bring off an important tackle in the area before a pulsing shot from Hayes was saved by the keeper. 'Famous Sheamus' Sheehan drilled one straight to the keeper's waiting arms before Paul Hayes sent a sizzler to the far corner of the net in the 15th min. Ten minutes later, Adam Bending whipped one to the net from 12 yards. Eoin Hayes made no mistake minutes later when

Sheehan knocked one over the wall and Hayes sent a screamer to the back of the net. Just before the break Tycor tried desperately to poke one home and Brian Hayes was called on to make his usual high powered contribution to the game.

Abbeyside kicked off the second period and again took the fight to the home-side with the double Mac's combining and Kieran sending a beautiful chip to the net. A great save from Brian Hayes was to deny Tycor before Shammy's effort was cleared off the line in the 52nd min. Tycor again pressed forward but some important defending by Casey kept the wolves from the door. Joe Thomson's free kick caused some problems in the box, the main one being 'Super Mac' who drilled home the sixth for the Reds. Thomson's long distance effort was forced away for a corner in the 60th min. and McCarthy's second goal of the game was disallowed.

Adam Bending came close with a free kick before scoring the goal of the match with a powerful header from 12 yards that rocked the keeper on his heels. 'Super Mac' struck a mighty effort from 20 yards in the 67th to make it eight and the very unlucky Ronan Curran had two goals disallowed - one with some good assistance by David Hickey. 'Whammy Shammy' brought the curtain down with a fine goal capitalising

on 'Skipper' Hayes through ball. Abbeyside are next away to Crusaders on this Sunday, November 17th. Kick off at 11.

Youth team: B. Hayes, J. Thomson, O. Casey, A. Bending, R. Enright, E. Hayes, P. Hayes, K. McCarthy, S. Sheehan, R. McCarthy, S. Dunne, R. Curran, D. Hickey, J. Walsh, R. Drummy.

## U-12 LEAGUE ABBEYSIDE 3 SOUTHEND 1

A powerful drive from Niamh Briggs early in this competition was to be the prelude to some fine attacking football in a game that was dominated by Abbeyside Utd.

There were several changes in the side that was ousted in S.F.A.I. Cup against Kilkenny side, Evergreen. For those not familiar with the result of that particular game, the Villagers were beaten by two goals to one after the side was reduced to nine players 8 mins. into the game. This local game also saw the introduction of the Veale twins (Nicholas and Brian) whose contribution to the game was inspiring. Philip Wade, who was shifted back as sweeper, had an inspiring game holding the centre with Brian Morrissey.

Captain Steven Drummy opened the scoreline with yet another remarkable goal. Breaking from midfield, he whipped down the right wing, outstripped the defenders, rounded the

keeper and chipped to the far corner of the netting. Philip Wade stepped up to convert from the spot after Drummy was grounded when he broke through the middle with a splendid delivery from Niamh Briggs.

Drummy got Abbeyside's third when he lobbed the keeper from the spot. James Young was Abbeyside's keeper for the day and the scoreline illustrates his performance. So all in all a good result for Abbeyside.

Team: J. Young, E. Hennessey, P. Wade, B. Morrissey, A. French, L. Sheehan, N. Briggs, A. Burke, N. Veale, S. Drummy, B. Veale. Subs: P. Whelan, A. Flynn, M. Maher, C. Mansfield, P. Hurney (all used).

## U-10 NEWS

Our U-10's played hosts to Ballinroad on Sunday morning last and were sadly beaten in an entertaining game. Abbeyside had 21 players on the panel and this makes it a little difficult to have a solid team. So in an effort to sort this problem out, it is one intention to split the team into an 'A' and 'B' team. So any parents or interested parties that would like to become involved in coaching or helping out, please contact us.

## DIVISION 4B

Our fourth division side continue to have some very close encounters to date. This coming Sunday they are away to Kilmacthomas. Fitzy and Willie are confident going into this one.

## BALLINROAD SOCCER NOTES

### DIVISION 4B

# Ballinroad Extend Their Unbeaten Run

## BALLINROAD 6 PILTOWN 0

Ballinroad took their goals tally for the past two games to a remarkable 14 as they brushed aside a luckless Piltown outfit in Ballinroad on Saturday last. However the opening 20 mins. showed Piltown to be a good side as they had the better of the exchanges. But with John Moloney showing up well against his old team mates, Ballinroad finally got a grip on the game and when Fergal Fraher crashed home the locals' first goal, the match took a dramatic transformation. Kevin Lonergan made it two from a free kick after 30 mins. and when Fergal Cunningham got the third just before half-time, the points were safely in the bag.

The second half was all one way traffic with Fergal Cunningham adding to his tally and Martin Troy got in the act in the 60th min. John Moloney netted a brace of goals to add to Piltown's misery on a day when

Ballinroad showed themselves to be championship material.

Team: Kiely, M. Flynn, J. Crotty, Flynn, P. Keohan, Fraher, F. Cunningham, Troy, Moloney, Hayes, Lonergan. Res.: Duggan for Hayes, J. Kiely for Crotty, M. Fraher for Troy.

**Dungarvan Hockey Club Notes****WINNING STREAK CONTINUES****DUNGARVAN 1 3 ASHTON 0**

On Saturday last Dungarvan played hosts to Cork side Ashton at Augustine's College. The local side were determined to repeat their good performance of the previous week. The game was only 12 mins. old when impressive right winger, Sharon Duggan was fouled inside the circle. Ann Brennan 'coolly' converted the penalty stroke to put Dungarvan into a 1-0 lead. The homeside were 2-0 up ten minutes later, Therese Larkin driving home a fine shot following a cross from the right by Sharon Duggan. The second half was a continuation of the first only some fine goalkeeping by the Ashton keeper kept the

Dungarvan forwards at bay. However the constant pressure paid off when near the end, left winger Therese Larkin scored her second to leave the result 3-0 in Dungarvan's favour. A well deserved home victory. Those who impressed in a fine team performance were Louise Conroy, Sharon Duggan and Anne Brennan. Thanks to umpire Ann Bones. Player of the match: Ann Brennan.

**HARLEQUINS 0 DUNGARVAN II 3**

Dungarvan travelled to Cork on Sunday last to play a Harlequins side that had begun their league campaign in impressive form. Dungarvan were intent on proving that 'they' were the better team. Harlequins began as expected and put the visitors under some early pressure but were unable to pierce an outstanding Dungarvan defence. Once the Waterford side settled, Harlequins knew they were in 'a game'. Dun-

garvan went 1-0 ahead after 18 mins., Sharon Murphy scoring after a fine individual run.

The second half was in the main dominated by Dungarvan. Midway through this period, Mary Dee played the ball in for skillful centre-forward, Lindsay Keane to score her first ever goal for the club. Soon after Mary Dee added a third from close range for a convincing 3-0 away win. Player of the match: Louise Conroy.

## Autumn Showjumping League At Ballyrafter

The finals of the Autumn Showjumping League for ponies at the Ballyrafter Centre, Lismore last Sunday gave a full days superb entertainment with each final being extremely competitive and no awards were easily won.

Local riders Gemma Phelan, Cappagh; Patrick Harrington, Cappoquin and Tadhg Beecher, Tallow took the novice awards. Two of the opens went to Cork, Lindsay Daly and Jordan O'Neill and Jennifer Lalor, Clonmel took the other.

The 138 Novice Final was the first to be jumped out and had the most competitive jump off. 13 went through to the third timed round. Cliona Magner, Fermoy set a fast target of 41.65 with "Bob a Long" but young Thomas O'Gorman, Mallow and "Ballyclough Ruby" sped round in 41.61 to gain a narrow advantage. However Gemma Phelan had a good try with "Rustick" but this time round with "Dromana Mist", she rode with extra determination to come home a worthy winner in 41.08.

For a long time it looked like there would be no clear rounds in the 128 Open Final but in the end, five went through to the jump-off. Jennifer Lalor and "Fantastic" had won the last qualifier and was not going to be denied the final when she sped round in 31.40. Frank O'Neill, Cork had to settle for second with 31.54 and fellow Cork rider Sean Walsh took third on "Sexy Lady" in 36.58.

Over a strong course for the open competitions which included a water ditch, the initial finalists were divided in half for the 138 Open Final. Lindsay Daly, Glanmire, having her second last show on "Veronica" made it a winner all the way having set an unbeatable target of 33.08 and took third as well with "Peaceful". Hayley Power, going second with "By Eastwood Lady" came closest to take second in 34.24.

In the 148 Open, Jordan O'Neill, having his very last ride on "Bowler Brigade" as he moves on to horses next season also won from the front having taken every option open to him to score the winning time of 32.37. Another rider going out of ponies Geoffrey Curran, Fenor took a close second with Thomas Harty's "Little Switch" flying round in 33.95 and Liam Keniry, Killeagh going last had a brave try and took third in 34.57.

From 34 finalists in the 148 Novice, 10 got through to the third timed round. Jordan O'Neill deputising for the injured Stevie Keane took the ride on Tommy Veale's "Hunter's Forge" and set the first real target of 47.13. Patrick Harrington got narrowly beaten here in the spring so he was out for compensation and with "Mid West Magic" answering every question, he scorched round in 38.27 for a convincing win. Young Danielle Lyons, Ballyporeen has produced "Volcanic Dancer" herself and all the efforts paid off on Sunday when she took second spot in 43.60. Tommy Veale, Affane had the distinction of owning three of the six ponies in the final line up.

The 148 Grade 'D' ponies were also give the opportunity to jump off against the clock and five got through to fight it out. The experience of Tadhg Beecher showed through taking the stallion "Loughnatousa Swift" round in 43.20. Christina Lombard, Mallow gave him a good run with "Boherduff Sasha" coming home in 44.85 for second and Ember Wardrop, Kells in Co. Kilkenny made the journey worthwhile taking third in 45.34 with "Knocks Light".

Seven young riders divided the 128 Novice Final who included Louise Keniry, James Keating, Emma Jennings, Tomas O'Brien, Jonathan Duggan, Gemma Phelan and Robbie Splaine.

The season continues at the Ballyrafter Centre with a now very popular Winter Tournament starting for ponies on November 22nd and the horses start November 23rd. A Dressage Tournament also commences on November 19th so plenty to look forward to including the Christmas Show.

## TALLOW G.A.A. CLUB NOTES

## HURLEYS

Growing up in 'the good old days', we were never as fortunate as young hurlers and camogie players are nowadays who own at least two hurleys as indeed every player with pretensions and ambitions should. Forty or fifty years ago a lad was lucky to possess one hurley and demand for a second stick would have caused eyebrows to raise and provoked a short stinging sarcastic retort. Besides hurleys were expensive in those days, relative to money values and parents were reluctant to hand over the few shillings required to purchase a stick which mightn't even survive one day's combat. So whatever reservations we might have about the present day expense of providing hurleys for teams, it would be fair to say that the cost of a hurley in 1996 is still relatively cheap. The senior stick at £8 or £9 is still reasonable, bearing in mind the acute and perennial scarcity of ash, the difficulty and expense of locating a supply of suitable raw material, the cost of transport to the manufacturer and the long, slow, time-consuming process of providing a finished marketable product. Most hurling and camogie clubs have their own subsidy scheme which facilitates the purchase of two hurleys each for active members and ensured that generous encouragement is given to all to be properly equipped at the outset of the championship campaign. The younger players are, generally speaking, well catered for nowadays with many schools and clubs subsidising the hurley cost to them thus placing the acquisition of a stick within the rang of any young boy or girl.

The player who loves the game of hurling loves his own hurley and treats it with care amounting to reverence. After a vigorous tackle in a match, just note how a young hurler will glance quickly at his stick to reassure himself that it has emerged unscathed. I remember that so attached to my hurley was I that nobody could loan it from me, not even my mother whom I loved dearly. You may have noticed that in the wild abandon and extravagance of All-Ireland victory celebrations, the players being hoisted on supporter's shoulders always retain a firm grip on their precious hurleys.

It's not easy to get a stick to suit you. Suitability isn't easily defined and has much to do with feel. Many players, adult players I mean, have an individual preference for some specific man-

ufacturers product. Once you find out which type of hurley best suits your needs then no other has the same appeal for you. The handle, the grip, the shape of boss, the length, the weight, the spring and the balance are the chief considerations when choosing a stick. It is a rare accomplishment to find your perfect camán and once you do, there is an anxiety to prolong its life as much as possible and to prepare another for the day when time and the rigours of the game take their toll of the first one. Nowadays too, there is no shortage of craftsmen skilled at repairing hurleys and at a fraction of the cost of a new one. So unless the hurley is broken straight across the handle or waist, its life and effectiveness can be restored. Moreover the repaired stick is even better than the original, most times.

Goalies should not need to buy a hurley very often. The one goalie's hurley should last a full season at least because it is not subjected to the stresses inherent in tackling outfield. I know many goalies who have been using the same hurley for a number of years. Trying to get a suitable goalie's hurley is no easy task especially at the present day when the emphasis on the big boss tends to make the whole stick too heavy and unwieldy in many cases. The goalie whose hurley is too heavy (in fact any player whose hurley is too heavy) is at a huge disadvantage. He hasn't a chance of dealing speedily with the kind of situation which will always arise around goal where control and quickness are called for. Only a hurley which is virtually an extension of your arm, which can be used one-handed (and that's the acid test) will suffice in tight goalmouth situations. Quite apart from the cumbersome overweight hurley the other grievous mistake for a goalie is attempting to play with a stick which is not his own. The goalie who attempts to use a hurley which he is not used to is heading for disaster and if the game is a big one, he will rue his mistake for many a day subsequently.

Do you remember a Tipperary goalie named John Sheedy? It's over a dozen years since he stood between the posts for the blue and gold. He was a good goalie but sadly many will remember him in the context of the 1984 Munster Hurling Final in Thurles. Tipperary were playing Cork and against all the confident predictions of a comfortable Cork victory, it was the Tipperary men who set and maintained a crack-

ing pace so that, with a few minutes remaining, a Tipperary victory looked the likely outcome. The game turned on two incidents. Michael Doyle, in possession, turned infield and when confronted by two Cork defenders essayed a handpass - to no one in particular. Denis Mulcahy gratefully accepted this piece of Premier county charity to drive out of defence well upfield. John Fenton's shot for a point was sailing over the bar when John Sheedy put up his hurley. The ball rebounded from his stick out into the square, right into the path of the rushing Seanie O'Leary who wasted no time and dispatched it to the net. That shock ended Tipperary's chance of glory.

Now the significant point about that score was not that it came from one goalkeeping mistake. The one mistake of a goalie is always recalled rather than the many outfield blunders anyway. It was that John Sheedy's hurley was one which he didn't regularly play with, one which he couldn't exercise full control with. John didn't play regularly in goals for his club (Portroe or Silvermines I think) and wasn't used to the big goalie's hurley which he had for that match. He was unable to control the high ball with either one or two hands and very likely held the stick tightly which ensured that the sliotar would rebound firmly from it. If he had been more familiar with the stick, he need only have slackened his grip allowing the sliotar to drop straight down into his waiting hand. This

slackening of the grip is what 'deadens' the hard shot. Of course as with every single skill, it would need to have been practised again and again and again. Noel Sheehan was probably the best that I ever saw in that position (Ollie the most exciting) and Noel was an expert at dealing with this high ball. Noel used to move his wrists gripping the hurley backwards a fraction at the precise moment of impact with the ball to 'deaden' the sliotar. It needed great co-ordination and precision and didn't happen by accident. When I asked Noel how often he practised this piece of hurling sorcery, I wasn't too surprised with his reply. "Thousands of times," he said. Not dozens, not hundreds.

So you can see it was a big mistake for John Sheedy to use a virtually untried stick in such a major game. Stopping the ball after all was only one part of his job, controlling and clearing the other essential part. It is for this reason that I can never understand the merit of having two wide-bossed hurleys in the net behind the goalie for use in the event of the concession of a penalty. Usually the two defenders chosen to defend with the goalie take one each. Firstly there is no guarantee that the sticks will suit the user from the point of view of length (vital) and weight and balance. Secondly those using them would lack the experience with the new sticks which is bound to undermine their confidence. Small points really but it is the little things, the trifles which make perfection. And perfection is no trifle.

## MUNSTER JUVENILE CROSS COUNTRY

## Touraneena Boy Wins Munster Title

The great athletic traditions of the Sliabh gCua area were once again brought to light last Sunday when young David McCarthy won the Munster U-8 Cross Country Championship at Sixmilebridge, Co. Clare.

A member of the K.C.K. Athletic Club, David was a double winner on Sunday as he also led Waterford to the gold medals in the Inter-County event with a five point win over Cork. Son of Laurence and Rose McCarthy, this talented young runner looks set for an exciting athletics career.

Waterford had a second winner at the championships when the promising St. Pal's runner from Lisduggan, Joe Hendry won the U-16 championship after a great race. Other notable individual performances were supplied by James Ledingham (Ring/Old Parish) who was a very good second in the boys U-12 race and Triona Shalloe (Ring/Old Parish) who ran equally well when finishing third in the girls U-12 event.

At Inter-County level Waterford were second in the U-18 boys championship and third in the boys U-10 and U-14 races. The Ring/Old Parish club won the silver medals in the boys U-18 club championship.

## KCK Athletic Club Notes

MUNSTER TITLE FOR  
DAVID MCCARTHY

The club's under-8 athletes had a brilliant performance in the Munster juvenile cross country championships held in Sixmilebridge, Co. Clare on Sunday last. David McCarthy had a brilliant run to take his first Munster title with a clear-cut win as he led from start to finish. He also led his Waterford team to the inter county team title.

Also having brilliant runs were Nial Kennedy in fourth place, Conor McGrath 13th, Steven Kearns 26th, Diarmuid Walsh 27th, Owen Walsh 39th and Gearoid Veale 58th.

We had only one athlete in the girls under-8. She was seven year old Tracey Smyth who had a fine run to finish in the first thirty home. In the girls under-10, Louise Veale had a fine perfor-

mance to finish in 22nd place with fine running from Shelley Smyth in 32nd place. In the boys under-10 we had fine running from Michael Veale, Paul Flynn and David Halley to finish in the first 50 athletes home.

In the girls under-12, Niamh Foley had a fine performance to finish in 32nd place with Caroline Walsh in 74th place. In the boys under-12, Mark O'Donnell had a super run to finish in seventh place. This was a great performance from Mark considering that he broke his arm a few weeks ago and only got the plaster off last week. After last Sunday's run Mark will be a member of the Munster team for the All-Ireland Championships in Santry in a few weeks time and I am sure he will do his club and province proud. Also running well in

this age group was John Stephen Quinlan, Michael Flynn and Nicholas Veale.

In the girls under-14, Helen Reilly had a very good performance to finish in 19th place, with Ailish Ahearne in 30th place, Fiona Prendergast 32nd and Siobhan Veale 74th. The boys under-14, Eamon O'Donnell, Joseph O'Donnell and John Ahearne had a brilliant run.

In the girls under-16 Marie Veale and Stephanie McCarthy ran very well to finish in 41st and 53rd places. Muriel Cummins was our only athlete in the girls under-18. Muriel was also running a year out of her age group and she had a brilliant run to finish in 12th place, which qualified her for the All-Ireland as a member of the Munster team. This was Muriel's

best run for a while and we wish her and Mark the best of luck in their quest for national honours in Santry. In the boys under-16 Nicholas Walsh had his usual good solid run to finish among the first 25 competitors.

Ring/Old Parish  
A.C. Notes24 MUNSTER MEDALS FOR  
RING/OLD PARISH

On Sunday last we travelled to Sixmilebridge, Co. Clare to compete in the final day of the Munster Championships. It was another brilliant day for our club taking home 24 Munster medals on a day when competition was high and the top athletes in Munster were in action. With individual medals for the first 12 in each race and also County and Club medals to be won, we were there amongst the top clubs in Munster as a result of our great performances at the end of the day.

James Ledingham took the silver medal in the boys U-12 race after running one of his best races ever. James was with the leading group right throughout the race and well deserved his silver medal for his great ability and determination. Liam O Lionain had a super race here also and well done to this promising young athlete who finished in the medals in 8th place. Good running also from Shay Drohan and Marcus Prendergast.

Triona Shalloe had a marvellous U-12 race taking the bronze medal here for her great effort. Triona is a very dedicated and competitive young athlete and ran a great race from the beginning.

Deirdre had a wonderful race here also up into the medals in 12th place. Deirdre is a very consistent athlete and shows great determination. Good running here also from Lia Ni hAodh, Yvonne Coughlan and Nicola Drummy.

Eanna Donnelly, another of our great runners had a marvellous U-10 race to finish up in the medals in fourth place. This was a superb performance by Eanna. Great running here also in this race from Michael Tobin and Declan Allen and well done to these three boys on being members of the County team to take bronze medals. Good running also from Jason Seward and Thomas Grace. Aine Lombard and Eilís Ni hArta both ran well in the girls U-10.

William Harty had a super U-14 race up into the medals in 12th place. Considering William was running a year up on his age shows his great ability and of course William took the U-13 title the previous Sunday. Great running here also from Robert Veale and well done to both boys on being scoring members of the County bronze medal team.

Philip Harty had a marvellous U-18 race finishing up in 4th place. This was a great performance from Philip. Kevin Healy had a super race here also just unlucky to be pipped for an individual medal. Kevin is a very dedicated athlete and is running very well at the moment. Dermot Keyes and Trevor Walsh both had really great races also and well done to these four boys on being scoring members of the County team to take silver medals. These are four very dedicated athletes and well deserved their medals and to add to this, these boys, along with newcomer Brian Foley, took second club medals also for their fine performances.

Our U-16 girls Rebecca Harty, Orla Costin, Mairead Costin, Aisling Weldon, Anne Ledingham, Kelly Shalloe and Michelle Healy also ran well.

Ferdia O hAodh and Peter McGrath both ran fantastic races in the boys U-8 and well done to these two boys on being members of the Waterford County team to win gold medals for their great performances. Great running here also from Edmond Ledingham, Declan Coughlan and Niclás O Lionain.

So another marvellous day for our club and well done to all our medal winners and to all who competed over the two days. Next Sunday we travel to Ferrybank Cross Country.

## JOHN REYNOLDS CROWNED MUNSTER OPEN CHAMPION

On the weekend of November 1 - 3, the Telecom Eireann Munster Open took place at the various venues around Cork City. The club as usual were represented but with a smaller contingent than usual. Paul Freyne (Mens 'A'), Pat O'Brien (Mens 'B'), John Reynolds (Mens 'D') and Niamh McMahon (Ladies 'A') were our representatives.

In the Ladies 'A', Niamh McMahon played well below her tremendous ability that she showed at the Cork Open when she went down to Margaret Callanan and Jackie Kearney. I'm sure though this is just a minor 'blip' and the girl from Dunhill will bounce back. In the Mens 'B' Pat O'Brien will feel very disappointed to have gone out in the semi-finals to John Cullen 1-3, a player who Pat would normally expect to beat. It was another great weekend for Paul Freyne in the 'A' finishing a very creditable fourth. He opened with a 3-0 win over Anthony Lyons from Dunhill. He won his second 3-2 when he faced Irish team member, Chris Collins in the semis and by all accounts can feel very unlucky to come out an 0-3 loser, his efforts deserving much better. In the third and fourth play off, he faced another Irish team player again very unlucky losing 2-3 to John McKay.

The weekend belonged to John Reynolds in the Mens 'D'. He played absolutely brilliantly and with super consistency throughout the weekend as he added another string to his bow, another title to his many already won as he beat Nenagh's John de Kock 3-0 in the final. John dropped only one set all weekend as he also defeated Jimmy McCarthy 3-1 in the quarter-finals and Dave O'Donovan (Orchard) 3-0 in the semis. Very well done John, let's hope you keep this super run going especially for the last three league games.

## POSTPONED - NEW DATE

The closing date for the Baumann's five person team tournament has been extended to tonight (Wednesday), November 13th at 8.00 p.m. so if you have not already entered, get over quick and put your entry in. Also the A.G.M. has been postponed and the new date is tomorrow night (Thursday), November 14th at 8.00 p.m. Hope to see you and hear you there.

## ALLROUNDER SPORTS LADDER LEAGUE

Last weekend saw the close of the popular Allrounder Sports Shop Ladder League. Once again a very healthy entry has been received with 40 players, 8 divisions of five being received. The first set of fixtures have been posted and these must be played on or before November 16th. Once again Ladder organisers Felix Shields and Pat McGovern deserve great credit for their swiftness in posting up the Ladder. All I would ask is that all players entered return the courtesy by fulfilling all their fixtures on time. Pat O'Brien holds down top spot with very competitive divisions right through. The divisions are - 1. Pat O'Brien, Jimmy Kiely, Ray Moore, John Reynolds, Pat McGovern; 2. Maurice Walsh, Martin Walsh, Richard Grady, Paul O'Brien, Eddie Moore; 3. Pat Cullen, Pat Breen, Ray Hahessy, Jim Harty, Felix Shields; 4. Dave Tuohy, Rene di Fusco, Helen Kiely, Jenny McGrath, Michael Gildea; 5. Vincent Tutty, Justin Walsh, Sean O'Regan, Liam Moore, Michael Tutty; 6. Evelyn McAvinue, Mary Coffey, Josephine Harty, Siobhan O'Mahoney, Ger Fitzgerald; 7. Tadhg Sheehan, June Whyte, Peg Whelan, John Nee, Mary Walsh; 8. Siobhan Cullinane, Yvonne Whelan, John Dempsey, Ciara Kiely, Catherine Kiely.

Thanks once more to Pearse Moloney and the Allrounder Sports Shop for kindly sponsoring this season long event.

## NO HALLOWE'EN HORROR IN MALLOW

Thursday night, October 31st saw our Cork League team play their second last away game of the campaign when they faced the long and quite tricky match at Mallow. In the home tie Minnies won 4-1 collecting 14 pts. and I'm quite sure going to this squash outpost would have gladly settled for the same amount of points. The brilliant news is the lads won 4-1 again and bettered the points total by one to take 18 pts. but will feel both relieved and disappointed with the result - relieved because at one stage they were a match down and 2-0 and 2-1 down in two matches and disappointed because they know that for a finish, the maximum 20 pts. were there for the taking. At five Maurice Walsh faced Dave Curtin. At Minnies Dave lost 10-8 in the fifth to Dermot Kelly. This is one of these matches that slipped away. The first two sets were shared. In the third Maurice came from 1-7 down to level at 7-7 only to leave a good stroke call go and lose the set 10-8. He won the fourth and once again in the fifth was - unlucky to lose it 9-7.

The ones also went on here. James Kiely faced his old foe Gerry Sheehan - Gerry is what could be described as a very tricky opponent - his ability to change the style of game in an instant, his ability to drop the ball with accuracy from the back of the court, a real heart-break player.

The first set was very long and tactical with no ground given. In the end one error left Sheehan in to nick it 9-7. In the second James looked all at sorts as Sheehan won it easily 9-2. A stiff talking to by Mr. Motivator, the club's number one supporter Michael Tutty, got James tuned in back on the right wavelength. The third was again very close, Sheehan just holding the edge as he led 5-3 and 7-6 but a very cool Jimmy kept his head to pinch it 9-7. From there he never looked back, taking the next two 9-4, 9-5 to preserve his proud 100% record.

Pat McGovern at four was in devastating form as he inflicted another massive defeat on Tim O'Callaghan - Pat dominated from start to finish to romp home 9-2, 9-0, 9-1. At three, John Reynolds once again faced the clever John O'Driscoll. O'Driscoll outfoxed our John 3-1 in Minnies so the pressure was on. Reynolds settled very well to take early control and claim the first set 9-5. O'Driscoll recovered his composure to level. In the third it was O'Driscoll again taking the honours so it was enter the Motivator again. Reynolds bucked up to take the fourth 9-6 before clinching the decider 9-2 for a vital victory.

At two Ray Moore faced John Roche. Ray won the first 9-1. He left a 5-0 lead slip to 5-5 before taking the second 9-5. A gallant effort to recover a 3-8 deficit faded as Roche won the third 9-7. In the fourth Ray wrapped things up winning it 9-0. So an excellent 18 pts. bagged this result coupled with Falveys and Highfield 'A's' result put us to the top of the table by six points. However due to no fixture on Thursday last, November 7th, I presume we were knocked off top spot with a game in hand. That game took place last night (Tuesday), November 12th at home against Highfield 'B', the only team to beat us in the league and don't forget the crunch home fixture against Falveys this Saturday night. Kick off 7.00 p.m. and all support greatly appreciated.

## NENAGH OPEN

Finally last weekend, November 8, 9, 10 several members travelled to Nenagh for the DAPP Inn Nenagh Open. At the time of writing, the news filtering through is very good with four players having reached finals - Paul Freyne 'A' final, Maurice Walsh 'C' final, Michael Tutty 'D' final and Vincent Tutty 'D' Plate final. Next week's notes will carry a full and detailed report of the outcome when this P.R.O. has fully recovered from his cross channel experience.

# St. Declan's Community College Notes

## MUNSTER COLLEGES SENIOR HURLING Roscrea 3-12, St. Declan's 0-11

St. Declans bowed out to Roscrea in the second round of the Munster senior hurling championship on a scoreline which fails to reflect the closeness of the game.

Playing with the very strong wind, St. Declan's began nervously and conceded a controversial goal and 2 points inside five minutes. Following this, the Kilmacthomas side took control, but despite taking some good points, failed to convert numerous goal chances. Half time score: St. Declan's 0-9, Roscrea 1-2.

St. Declan's put up a spirited rearguard action in the second half. However, sustained pressure eventually told, and Roscrea scored two goals inside the last 10 minutes to secure victory.

Best for a St. Declan's team which hurled with pride and determination throughout were S. Kiely, K. O'Reilly, P. Kiely, F. Torpey, M. Hickey and T. Curran.

St. Declan's — B. Curran, S. Kiely, G. Walsh, K. O'Reilly, P. Kiely, P. Duggan, T. Costello, D. Gahan, M. Ahern, N. Curran, G. Power, F. Torpey, M. Hickey (capt.) (0-7) T. Curran (0-3), A. Kirwan (0-1). Sub, B. O'Leary.

## JUNIOR HOCKEY LEAGUE

### FJC Bunclody 1, St. Declan's 0

St. Declan's were unlucky to be beaten in this first league game of the year. The Kilmacthomas defence and midfield were well on top for long periods during the game, but the attack was unable to penetrate a well organised Bunclody defence.

A single opportunist goal midway through the second half was enough for victory for the Wexford team.

Best for St. Declan's — T. Kirwan, T. Fitzgerald, E. O'Keeffe, L. Mulhearn.

St. Declan's — A. Hearne, L. O'Brien, T. Kirwan, T. Fitzgerald, L. Mulhearn, K. Barry (capt.), E. O'Keeffe, N. Crowley, A. Power, M. Walsh, E. Casey. Subs, M. Cahill, K. Lennon, M. E. O'Hanlon, J. Hearne.

## MINOR A HOCKEY

St. Declan's 3, Ferrybank 0  
St. Declan's began their league campaign with a convincing win against Ferrybank in Waterford recently. St. Declan's had the better

of things for much of the game. A goal by Helena Coleman gave St. Declan's an 1-0 lead at the interval. Second half goals from Niamh Barry and Aisling Kelly consolidated this lead to make the final score: St. Declan's 3, Ferrybank 0.

## St. Declan's 2 FJC Bunclody 0

St. Declan's maintained their winning form in their 2nd league match with a 2-0 victory over a spirited FCJ team.

The match remained scoreless until the last 10 minutes when St. Declan's finally managed to breach the FJC defence twice with goals from Valerie O'Keeffe and Niamh Barry.

FJC also had their chances but the St. Declan's defence held firm. At the final whistle they had secured another valuable win.

Team — A. Kelly, A. Lawlor, A. Crowley, A. Wall, H. Coleman, M. Power, S. Hallahan, E. Hearne, V. O'Keeffe, A. Kearns, C. Prendergast, F. Brazil, N. Barry, S. Cronin, L. Quinn.

## UNDER-16 SOCCER — MUNSTER CUP Tramore CBS 3, St. Declan's 2

St. Declan's must be wondering how they lost this game that they completely dominated. Numerous chances were created and squandered and with Tramore taking their opportunities they advanced to the second round.

St. Declan's began well and should have been well in front but a ten minute lapse in concentration allowed Tramore to take a 2-0 half time lead. When the home side made it 3-0 just after half time the game looked over. However, Kenny Houlihan scored twice to make it 3-2 and despite almost total possession and some great chances, St. Declan's could not force an equaliser. On another day this type of performance would see St. Declan's hit double figures.

Team — D. Ryan, C. Kenny, D. O'Reilly, E. Galvin, G. Fitzpatrick, J. Kennedy, I. Barry, J. O'Leary, P. J. Houlihan, P. Leahy, K. Houlihan, Res., L. O'Brien (used), D. O'Leary (used), D. Long (used), S. Flynn, C. Downey, P. Lenihan, D. Power, J. Whelan, M. Hearne, M. Tymon, D. Carlin.

ABBEYSIDE/BALLINACOURTY G.A.A. NOTES

# The Club Working Towards A Title Success

When the euphoria surrounding the great win over Ferrybank in the intermediate county hurling final had calmed down somewhat our thoughts turned to all the work that goes into making a team.

One thinks of the hard slog during the early season with the players and mentors spending hours in the training ground, working out strategy and style, gelling the lads into a cohesive unit, working on our individual and team skills and of course working on the physical and mental fitness.

All the hard work is far removed from the glamour of the county final stage. In our post final club notes we concentrated on the players and rightly so. This week we take the opportunity to compliment the team mentors and club officers.

Team manager Dave Sheehan will be remembered for his attention to detail and driving style; Liam Enright had that balancing, quiet but very firm approach; Eddie Cashin with his recent playing days experience, brought his colour and style to bear on the scene; Frank Sweeney was quietly efficient and his hurling knowledge was vital and Nicky Cashin's concentration on hurling skill and players' confidence was a major factor in our success.

Each of the mentors had a vital quality and style all of his own but perhaps the real strength of the quintet was the manner in which they gelled together as an effective unit. The integrity and perspicacity of the group were key factors in their success.

Club Chairman, Noel Fleming too will be very pleased with his first year in office and Club Secretary, Bernard Shields after long years of service in that position, is entitled to feel a sense of pride. Club Treasurer, Tommy Treacy has given outstanding service to the club and he was indeed a proud man when the "Village" were crowned kingpins.

Over the years many people have put in a lot of work, especially at underage level, to help bring the title to the club. Looking at some old team lists one can see the u-14 teams of the late 70's and early 80's showing Jimmy Healy, Michael Collins, Conor Clancy, Sean McGrath, Justin Walsh, Michael Cosgrave, Paul Breen, etc. That's great service indeed.

Then in the early 80's we had a new wave of players coming on the scene. At that time there was a new departure to u-10 hurling leagues under the guidance of Pat Moore. Many of the present intermediate team got their first taste of hurling in these leagues which were for the O'Shea Cup. Players as young as five or six years of age were brought to the old showgrounds at the Fraher Field for the new Saturday morning leagues (we were just beginning to develop our new grounds at the Burgery

P. at this time). These leagues continued with Sean Feehan joining forces with Pat and in '84 we took our u-10 hurlers to Na Piarasigh in Cork to play in a high quality tournament. This was to be the first competitive experience for many of the present adult players.

Interesting to note, a team list for one of our games that year — Gavin Keane, Ciaran Cunningham, Brian Beatty, Gavin Breen, Jimmy Stacey, Damien Cliffe, Jonathan Moore, Pat Veale, Dermot Ryan, Barry Cliffe, James Fleming, Dwaine Moore, Brendan Landers, Johnny Shields, Eoin Murray. Subs — Alan Moore, Michael Enright,

Alan Landers, Kieran Higgins.

Just imagine, all of twelve years ago and eleven of those players went on to share in the glory of '96! Just shows you the value of the parish leagues.

The O'Shea Cup continued on and is still being played for this year. The Danny Lenihan Cup was introduced in the eighties to cater for the under-13 age group. Joe Cleary was a driving force in the late eighties when he teamed up with Pat Moore and company.

The leagues continued quietly and many of the players now playing intermediate, junior, u-21 and minor championships,

begin here. We won the prestigious Na Piarasigh in '86 and '88 under Pat Moore.

The players of the u-10's '84 moved on and were to win the u-16 "B" title in '90 under Joe Power and went on to win the minor "B" title in '91, again under Joe Power. Having come through from the u-10 leagues onto the u-12, u-14 and u-16 and minor grade, the young six year olds had progressed nicely and were now showing for the adult scene.

The current bunch blazed onto the scene in '94 and were very unlucky to lose out to Erin's Own in the county final under Tony Mansfield, Frank Sweeney,

Bernard Shields and company. 1995 saw another close shave when we went out to Cappoquin in the semi-final stage under Greg Fives, Seamus Fitzgerald, Frank Sweeney and Bernard Shields.

And so it was Dave Sheehan and the lads who finally led the way to county honours and that win will be a huge help to the u-10s under Larry Cliffe, the u-12s under Joe Cliffe and Pat Moore, the u-14s under Pakie Hurney, the u-16s under Johnny Burns, as these young players endeavour to become the seniors of the future. You see, it's all about sharing the workload and sharing the glory.

## MUNSTER CLUB HURLING CHAMPIONSHIP

# Ballygunner Through To Munster Final

**BALLYGUNNER 2-16 BOHERLAHAN/DUALLA 1-13**

Waterford senior hurling champions Ballygunner are through to this year's Munster Club Championship final as a result of their deserved 6 points win over the champions of the premier county at Semple Stadium, Thurles, on Sunday last.

The 'Gunners 2nd quarter performance which saw them score 2-4 in a five minute period was the foundation on which they built this victory.

The sides were level at 4 points apiece at the end of the first quarter before Paul Flynn put the winners ahead in the 18th min. for the first time — a lead they were never to relinquish. Within 30 seconds Billy O'Sullivan put them two ahead before David Codd had the first of their goals in the 19th min., a score created by Tony Carroll. Further points by Liam Whitty and O'Sullivan had the Waterford champions 1-8 to 0-4 ahead. A minute later came goal number two when Ml. Mahoney found the net after a pass from Codd 2-8 to 0-4. Fergal Hartley and Mahoney added further points before Philip O'Dwyer had a Boherlahan goal in the 28th min. to leave the half time score Ballygunner 2-10 Boherlahan/Dualla 1-4.

The Tipperary champions came more into the game at the start of the second half

and sent over 3 points in the opening 5 minutes of the half — 2-10 to 1-7. Billy O'Sullivan who was Ballygunner, man of the match, pulled back a point in the 37th min. before Boherlahan's top scorer Aidan Flanagan pointed 3 times in as many minutes to cut the gap between the sides to 4

points 2-11 to 1-10.

Tony Carroll had a Ballygunner minor in the 45th minute with Paul Flynn pointing a "65" in the 49th minute — 2-13 to 1-10 and these scores steadied the 'Gunners.

Brian O'Dwyer and Flanagan pointed for the home side to again leave

only 4 between them. Flynn and Flanagan exchanged points from frees before Tony Carroll and Flynn (free) pointed to seal victory for Ballygunner and set a final meeting with Wolfe Tone's of Clare in the final on Sunday week in Semple Stadium.

## ST. OLIVERS G.A.A. NOTES

# Too Many Misses Prove Costly

On Saturday last our U-21 hurlers lost out to Abbeyside by two points. Olivers dictated the play for the first half and only led by five points at the break. In the first ten minutes we had several bad wides from scoreable positions before Michael Walsh cut over a sideline cut from 45 yards out to give us the lead after 12 mins. of play. We had two more points from Caimen Radley and Pat O'Donovan and then Michael Murray pointed a 65. Abbeyside got the first score of the match in the 24th min. from Dwaine Moore. In the last four minutes of the half, Michael Murray had two points from frees to leave us five points clear at half-time.

Abbeyside almost got a goal after the restart only for Paul Connery to bring off a

magnificent save. Soon after this, Abbeyside were awarded a penalty which proved fruitless. In the 39th min. Michael Murray struck home a goal from 20 metres out.

Abbeyside hit back with a point as did Michael Murray from a free and this was to be our last score of the match as Abbeyside stormed back and only for some good defensive play by Gavin Breen, Olivers would have the match wrapped up long before the end. By the 60th min. Abbeyside were losing by one point but in the 63rd min. Abbeyside got the winning goal.

Injuries played a big part in us not having success as Tholm Keane went off. Owen Hallahan had to get stitched as did Jimmy Tobin. The final score was

Abbeyside 2-6 St. Olivers 1-7.

Team: Paul Connery, Roger Ronayne, Stephen Ronayne, Jimmy Tobin, Eoin Hallahan, Tholm Keane, Laurence Maher, Aidan Ahearne, Michael Walsh (0-1), Pat O'Donovan (0-1), Donnacha Tobin, Michael Murray (1-4), Caimen Radley (0-1), Kieran Cotter, Brendan Downey. Subs: Michael Walsh for Tholm Keane (injured), Alan Ronayne for Eoin Hallahan (injured), Anthony Walsh, James Fletcher.

## U-12 FOOTBALLERS CRASH OUT

### MINI SEVENS BOYS FOOTBALL WESTERN FINAL (BR. FARRELL SHIELD)

An Rinn v. Tallow at Lismore on Thursday, November 14 at 3 p.m.

Both teams played very good football in the semi final where An Rinn defeated Glenbeg/Carriglea and Tallow defeated Coolnasmear/Kilbrien. Ring contested the final of the Roinn C football league where they had to give second best to an excellent Clashmore/Piltown team on a scoreline of 3-9 to 2-10. Ring will be hoping to go one better on Thursday. The Ring team will line out as follows:

Seosamh ó Cuilluf, Aodhán ó Cellaigh, Daithí ó Condúin, Liam ó Lionáin, Seamus ó Drocháin, Shane ó Ceallaigh, Noel ó Murchú. Fir Ionaid — Pádraig ó Laochra, Nioclás ó Fooláin, Seán ó Dí, Seán ó Liatháin.

Tallow as yet have to finalised their team but the following are likely to play, Patrick Sheehan, Marc ó Brian, Kieran Norris, Paul and Aidan Kearney, William Curley with Michael Curley, Mark Beecher, Paul Donnelly, Robert Geary and Thomas Ryan also fight for places.

Both teams were defeated in the semi finals of the Mini Sevens last year so both schools should be all out to reach thee county final this year. Again we hope football will be the winner.

### IT'S A FACT

Four Delaney brothers played on the Laois team that was beaten by Mayo in the 1936 All Ireland final. To add to the confusion in what must have been a commentators nightmare, three brothers Jack, Chris, Mick and Bill had an uncle Tom, who played at full back. The goalkeeper was another Tom Delaney, no relation.

### A.G.M.

Our A.G.M. takes place in the Clubhouse on Friday night, December 6th at 8.00 p.m. sharp.

The A.G.M. is the most important meeting of the year as officers are put in place and trainers and selectors are appointed. Players are often conspicuous by their absence at these meetings where major decisions are made. The A.G.M. gives the players and members a platform to put their views across. The A.G.M. is the place to speak not any place else so we urge all players and members to attend and so set the wheels in motion for the year 1997 and hopefully championship success in

football and hurling. Keep Friday, December 6th free in your diary.

### UNDER-16 FOOTBALL

The Waterford U-16 football team play Limerick in the final of the Woodlands House Hotel sponsored Munster Championship next Sunday in Adare at 2.00 p.m. Club players involved are Karl O'Keeffe, Stephen Barron and Mark Power. Best of luck, lads.

### BEST WISHES

Best wishes to the Clashmore Enterprise Group on the opening of their Kilmaloo Walk last Sunday. The 8 km (5 miles) walk was officially opened by Donnacha O Dulaing and blessed by Rev. Fr. O'Gorman. It would make a nice 5 mile run for early season training. Club Secretary, Noel Nugent kept us informed of all that was happening in the world of sport during the walk as he had his transistor with him !!

## JUVENILE CLUB NOTES

**U-12 Football** — Our last remaining team in competition bowed out of the Championship on Saturday morning when we were well beaten by Ardmore in the quarter final of the 'A' grade championship. On the day a much bigger Ardmore fifteen slowly wore our lads down and completely over

ran us in the last five minutes.

Ardmore opened the scoring with a point on five minutes. Clashmore replied with a Nick Beresford point and went in front five minutes later after good work by Mary O'Rourke and Jim Flavin left Nick Beresford with a simple tap in goal. Shortly after that a leg injury to Paudie O'Rourke which subsequently restricted his movement was to play a crucial role in the outcome of the game. There were no further scores to half-time but the danger signs were there. The bigger Ardmore lads were getting a grip in midfield.

On the change over, Ardmore quickly shot a point but when Clashmore had another goal per Nick Beresford things were looking good for Clashmore. To Ardmore's credit, they came right back at us and scored two goals and five points without reply. Clashmore rallied briefly but failed to score and when Ardmore broke down field and another goal, it was all over for our lads. The final score was Clashmore 2-1 Ardmore 3-9.

So now we will take a short break from action to recharge the batteries and will resume with the parish league in a few weeks time. To these young lads we say well done throughout 1995 and 1996. The club very much appreciates your efforts and we hope you enjoy your involvement.

## Ladies Gaelic Football Association

A good well attended A.G.M. was held in Lawlors Hotel on Tuesday night last. The Chairman opened the meeting followed by the Secretary reading the minutes which were adopted. The Secretary reported on a heavy years football. The Treasurer's report showed the high cost of running county affairs.

The Chairman, in his address, congratulated the under-16 and minor teams on winning All Ireland honours, the under 14 team for winning the All Ireland Blitz in Carlow and the seniors for winning the Munster title. He pointed out that the standard of football is ever increasing, and that it takes a good team to win out in Munster and a very good team to win an All Ireland title. He thanked our sponsors for their support, the G.A.A. for the use of their pitches, especially the Fraher Field, all clubs for their help during the year, all our referees for their support and dedication to the game, and anybody and everybody who helped in anyway.

On behalf of the County Board, he offered sympathy to any member of the Association who lost a loved one during the last year.

Finally, he thanked the Secretary, Treasurer and Fixture Committee for their help during the year.

## REVIEW OF YEAR

To review any year one must have a yardstick to go by and in our case it will probably have to be the previous year. All new seasons commence with the A.G.M. and last year we had a well attended meeting with many positive things coming from it, both on the playing field and off it, giving us an early start in December.

The first group into action as they will be again this year were our juvenile Scor participants and they did very well only to have to withdraw due to the drowning tragedy which claimed the lives of Paul Dunne and Edmund Fitzgerald. This tragic event brought home to us all the frailty of life and after January Conventions our first task was to organise an inter county hurling tournament for the Disaster Fund. This game took place in February and was a fantastic success.

Also in February our friends from Boston presented us with a cheque which was the proceeds of a Stateside golf classic and this money will be used at the appropriate time for juvenile facility improvements. Our young hurlers at this stage were also going well with their indoor hurling.

March was the beginning of the new Deise Draw and once again we received tremendous support from the public. It was also the beginning of the new playing season and our adult selectors got down to business by appointing trainer Peter Kirwan who as the year developed got a very good response from the players and with a little luck could have guided us to the finals. March also saw our under 21 footballers, who had joined with Clashmore, bow out at the first hurdle when they were beaten by Ballinacourty, but if this competition had commenced a little later, then we could have done very well.

April saw our under 16's and minors commence their campaigns with some fine wins to qualify for the knock-out stages. April also saw two of our star players head for the U.S.A. and the loss of Clinton and Maurice was especially felt by our junior hurlers. Our under 16 footballers went out in the semi final to Abbeyside while our under 14 hurlers were going well in their preparations for Feile '96.

May and June saw our adult teams go into action and good victories over Faha and Ballinameela in intermediate football got us off on the right start. An examination of our hurling displays will also show that divisional finalists Kilgobinet and winners Geraldines only had a few points to spare in our games and with a bit more improvement we could be involved in the shake up this year.

Feile 96 was our major task for June and our guests from Maynooth were well looked after and left with many happy memories, while our under-14 team were improving all the time and qualified for the county final. July also saw our intermediate team beat Geraldines and qualify for a semi final tilt with An Rinn. Also James O'Donnell won an All Ireland Vocational Schools medal with the Cork hurlers. James also helped our minor hurlers qualify for the divisional final. Our under 14's were beaten by one point in the under 14 hurling county final.

August saw many ups and downs with our juveniles going from strength to strength but our intermediates bowed out after a good season to An Rinn who will be playing De La Salle in the county final replay on Sunday.

September took us into divisional finals and doubles for our minors made it a month to remember. Our under-12's were also commencing their campaign while our under-14's were quietly progressing along in their competition. Our minor hurlers just failed by two points to Clonea in the Minor 'B' county final.

October saw our under 14 footballers capture divisional honours but sadly lose out in the county final. Our minor footballers were also unlucky to lose their county final after giving a great display bringing our tally to four county final losses this year, which is definitely progress. Our under-12's remain in contention and have qualified for the 'A' semi final.

Looking back then, 1996 has been an outstanding success and only a county title in 1997 can surpass it. There were many other things which happened during the year and I am sure our officers will refer to them in their A.G.M. reports, while congratulations to all our young boys and girls who played for their county this year, especially those who won Munster and All Ireland medals.

## DEISE DRAW WINNERS

On Saturday night last we had one further winner of £250. The lucky winner was Sicco Sikken of Ballinamona and we congratulate him on his good luck. Promoters are asked to ensure that their subscriptions are given to Kevin Gallagher as soon as possible.

## SCOR NA nOG

Now is the hour to stand up and be counted as this competition is about to begin. It is a great opportunity for young boys and girls to win county, Munster and even All Ireland honours and as we have seen from the school shows, scouts pantomime, etc. there is an abundance of talent in the parish.

We would appeal to interested parents or individuals to come forward to take charge of a particular item and with seven different categories there should be something for everyone. The categories are — solo singing, figure dancing, instrumental music, set dancing, question time, recitation and ballad group.

It would be a pity if we cannot put a team together especially as the finals will be held in St. Declan's Hall on December 21 with the semi finals on December

13/14 so there is a month left to organise and practice which should be plenty of time. We would urge parents to come forward or if they cannot help out then the children themselves should contact us if they wish to compete.

Kevin Gallagher is the local co-ordinator so please contact Kevin so that we can put the show on the road. Remember you don't have to play football or hurling to be good at Scor and it does give the opportunity to win major honours.

In the past it was great fun but the adjudication left a lot to be desired, but now things have been tightened up considerably and it should be a fair competition so come along and give your kids their chance to put their talent on display.

## DEISE CLUB 500

On last Saturday night we hosted members of the Deise Club 500 Committee, which is a sub committee of the County Finance Committee whose job it is to raise finance to clear the debt on the county grounds at Walsh Park and Fraher Field.

The advantages of the scheme for business and private individuals was outlined in detail and hopefully some of the attentive audi-

ence may take up membership, of course, our club has a number of members already, but as is the case from a county point of view is that every member counts and Greg Fives and Stephen Power were very appreciative of our hospitality.

## BEREAVEMENTS

During the week some more bad news come to the parish with Mary Prendergast, Curragh, losing her brother in Middleton while Michael Gowen formerly of Lissarrow, also passed to his eternal reward. Our sympathy is extended to both families, relatives and friends on their sad loss. May they rest in peace.

## NEW ARRIVALS

Congratulations to Thomas and Kathy Troy, Curragh and Margaret and Nicky Murphy, Main Street on their recent new arrivals a girl and boy respectively.

## JOHN O'REGAN TROPHY

This annual under-14 East versus West game took place on Saturday week last in preparations for the Jim Power Memorial Tournament which was held on Saturday. Niall Hennessy and Billy Harty were our representatives and both

performed very well with Niall in his new position of wing back being Waterford's most consistent player.

On Saturday, Waterford were beaten by eventual winners Tipperary in Stradbally and also lost out to Limerick in the plate competition held in Kilmacthomas. The Waterford team comprised mostly of Eastern players from the county champions and would have benefitted from a bit more preparation and this should be done in future as the Jim Power Tournament is a most prestigious competition.

## APPEAL FOR INFORMATION

Due to a gap in club records, would all those players who took part in the last Ballinameela junior football tournament played over two years in which we were runners up to Melleray in the final, please submit their names to the club secretary immediately.

## JUVENILE AFFAIRS NEWS

# Under-12's Qualify For Semi Final

On last Saturday morning our under-12 footballers staged a great second half comeback to qualify for a place in the semi finals next weekend. Both teams lined out at full strength with play flowing from end to end. Anthony Troy with a great point gave us the lead after ten minutes, but Clashmore pressure paid off with a fine equaliser. A mistake then cost us dearly as we were punished for not releasing the ball and Clashmore quickly moved the ball and scored a lead goal. It stayed like this to half time as both sides missed chances.

Some positional switches by our mentors looked doomed to failure when Clashmore with another goal extended their lead, but funilly this was to be their final score as eventually the pieces fell into place

## ARDMORE 3-9 CLASHMORE 2-1

as a Niall and Brian Power was quickly followed by a goal also from Niall. Anthony Troy then got on the end of a good ball from Alan North and punched a fine goal to put us into the lead.

Beginning to grow in confidence, the lads began to find the target and points from Niall again, Kevin Mahoney and Brian Keane with two, extended our lead before Maurice O'Connor scored our third goal to put us firmly in control. Further points from Anthony, Niall and Alan North left us 3-9 to 2-1 winners, a scoreline which did not do justice to a gallant Clashmore team who battled right to the end and had some fine displays.

Cormac in goal was excellent while our full line of

Patrick, Kevin and Stephen kept us in it in the first half. Fit again Maurice O'Connor had a terrific game as had captain Gary North along with Andy they formed a great half back line. Alan and Walter worked tirelessly in midfield and gave some great ball to the forwards. Brian and Niall with William were a little subdued in the first half but positional switches brought out the best in them as it did also for our inside line of Evelyn, Anthony and Michael who all combined well to set up some good second half scores. Dec Power also played well as did the other subs and everyone can be well pleased with this display which sets us up nicely for our semi final.

## WESTERN U-21 HURLING CHAMPIONSHIP

# MURRAY'S GOAL WAS CRUCIAL SCORE IN ABBEYSIDE WIN

ABBEYSIDE 2-6 ST. OLIVERS 1-7

A goal by Mikey Murray in the 63rd min. was the crucial score for Abbeyside who could consider themselves somewhat lucky at the final whistle as St. Olivers wasted countless possession in the first half.

With 23 mins. played, St. Olivers led by 0-4 to 0-0, their scores coming from Michael Walsh (from a sideline), C. Radley, P. Donovan and M. Murray. Dwain Moore had the 'Villagers'

only score from a free in the 24th min. but at half-time, they trailed by five points - 0-6 to 0-1 and if St. Olivers had been on target, it would be fair to say that it would have been all over at this stage.

On the turnover Abbeyside had a miss from the penalty spot but it was Michael Murray who extended his side's lead to 1-6 to 0-1 when he raised the first green flag of the day in the 40th min.

16 year old Gary Hurney grabbed Abbeyside's first score from play in the 42nd min. and his second 6 mins. later (1-7 to 0-3), Olivers point coming from Michael Murray. Paul Landy brought his side's tally to four points in the 49th min. and Laurence Hurney doubled on an overhead ball and sent it crashing to the net in the 51st min. (1-7 to 1-4). Further points from Paul Landy and Dwain Moore only left

the bare minimum (1-7 to 1-6) between the sides as we reached injury time.

Patrons certainly got good value for their money both in the drawn and replayed games with the two sides battling it out in what was a tense but exciting game, brought to its climax by the well taken goal by Mikey Murray which sealed the victory for Abbeyside.

The 'Villagers' relied heavily on several of the players who led them to Intermediate success three weeks ago with Paudie Shields, Eoin Murray, Laurence Hurney, Michael Enright, Dwain Moore and their man of the match, Gavin Breen leading the way while others to shine were Brian Donovan, James Hayes and Gary Hurney.

St. Olivers hurled well over the hour and were well served by Michael Murray, Aidan Ahearne, Pat Donovan, Laurence Maher and Tholm Keane until he had to retire injured.

Abbeyside: P. O'Dea, P. Shields, G. Breen, A. Moore, B. Donovan, B. Murray, J. P. Keohan, J. Hayes, L. Hurney (1-0), G. Hurney (0-2), D. Moore (0-2), P. Landy (0-2), M. Enright, B. Mansfield, M. Murray (1-0). Sub: K. Power for B. Mansfield.

St. Olivers: P. Comery, J. Tobin, S. Ronayne, R. Ronayne, E. Hallahan, T. Keane, L. Maher, A. Ahearne, M. Walsh (0-1), M. Murray (1-4), D. Tobin, P. Donovan (0-1), C. Radley (0-1), K. Cotter, B. Downey. Subs: J. Walsh for T. Keane, A. Ronayne for E. Hallahan.

# Munster Colleges Senior Football Championship

ST. AUGUSTINES 1-11, CBS DUNGARVAN 3-2

Fraher Field, Dungarvan, hosted this historic first round clash and after an uncompromising struggle the Friary boys advanced in the competition.

A strong wind made controlled football difficult for both sides but St. Augustines made the better start as Adam Bending goaled following good work by P. Hayes and K. O'Connor. P. Hayes quickly added a point but then a defensive mix-up allowed CBS forward Alan Harty in for an opportunist goal.

Pat Fitzgerald, who was influential throughout for St. Augustines, kicked a great point into the wind. Harty replied for the CBS and further Friary scores from O'Connor and Fitzgerald left three points between the teams at the

break.

St. Augustines, aided by the strengthening wind, dominated the early stages of the second half, but poor shooting, combined with determined defensive work by the CBS denied them further scores.

The Friary were then rocked when CBS centre forward James Keohane raced through for a further goal. Points from Hayes, Fitzgerald and Cathal Hennessy steadied Friary nerves, but a further CBS goal, this time expertly finished by midfielder J. P. Keohane, ensured some tense closing moments before Friary deservedly booked their place in the next round.

St. Augustines had impressive performers in S. Stacey, M. Supple, V. O'Shea, P.

Fitzgerald and P. Hayes, whilst the CBS were best served by P. Radley, J. O'Mahoney, the Keohane brothers and A. Harty.

St. Augustines — P. Denn, S. Stacey, E. Beresford, M. Supple, S. Coughlan, V. O'Shea, S. Veale, P. Fitzgerald (0-6), S. Prendergast, P. Hayes (0-2), C. Hennessy (0-1), G. Hurney, K. O'Connor (0-1), A. Bending (1-0), I. Dunford. Subs., T. O'Meachair (0-1), E. Hayes, M. Power.

CBS — T. Mullins, P. Radley, A. Harney, D. Mulcahy, D. O'Keeffe, J. Coffey, P. Morgan, J. O'Mahoney, J. P. Keohane (1-0), J. Stack, J. Keohane (1-0), D. Keating (0-1), P. Halpin, B. Crotty, A. Harty (1-1). Subs., R. Enright, M. Kiely, A. Kinsella.

Referee: P. Moore.

### A.I.B. MUNSTER CLUB CHAMPIONSHIP SEMI-FINAL

Many congratulations to our County Senior Hurling Champions, Ballygunner for a power packed performance of hurling at Semple Stadium on Sunday last when they defeated the Tipperary champions, Boherlahan in the A.I.B. Munster Club Championship semi-final on a score of 2-16 to 1-13.

For 20 mins. of the first half this Ballygunner team showed fitness, pride and determination. They played as a unit and were in no way over awed by the credentials of Boherlahan. This was real hurling, no quarter given or taken, no dirty strokes, there were no stars, it was a team effort. The support from all parts of the County left Thurles on Sunday proud of the 'Gunners performance and promising to return on Sunday week looking forward to the Munster Final against Wolf Tones of Clare.

## Naomh Bríd GAA Notes

On Saturday morning last our under-12 footballers did battle with our local rivals Nire in the semi-final of the 'C' football championship. Ground conditions were poor but the morning was good as both teams served up an entertaining game. We conceded a very soft goal early on but we recovered well and had points from Willie Power, Seamus Power and Sean O'Neill (2).

In the second half our lads showed great determination and skill as they proved to be stronger than our opponents. Goals from Seamus Power, Sean O'Neill, Shiner Troy and Jonathan Webster and further points from Seamus and Sean earned our team a well deserved victory.

Brian had a faultless display in goal while our full back line of Darren, Matthew and Neil all performed well, dealing with everything thrown at them. Eddie was superb at wing back with Paudie at centre-back being outstanding in everything he did.

Tomás also played very well at wing back. Jack and Willie dominated the mid-field. Seamus at wing forward was brilliant, scoring 1-2. Webby had his best game of the year while Sean gave the performance of the day at wing forward. Our full forward line of Shiner, Jack and Tayto all played very well.

Our subs all did very well when introduced. Overall, it was an excellent team performance and they fully deserve their place in the final. Final score: Naomh Bríd 4-6, Nire 2-0.

Team — Brian McCarthy, Darren O'Connor, Matthew Cashman, Neil Fenton, Eddie Condon, Paudie McCarthy, Tomás Fenton, Jack Power, Willie Power (0-1), Seamus Power (1-2), Jonathan Webster (1-0, capt.), Sean O'Neill (1-3), Shiner Troy (1-0), Jack Cummins, Tristan Hickey. Subs., Richard Nugent, Robbie Power, Aidan Cliffe, Shane Hickey, Johnny Buckley, Pat Murphy, Shane Hourigan.

We have now qualified for the final against Kilgobinet which is due to be played on Sunday, November 24 in either the Fraher Field or in Cappoquin.

# County Champions Rathgormack Take On Laune Rangers (Kerry) In Munster Club Semi Final At Fraher Field

## County Intermediate And Junior Football Finals At Walsh Park

It's been a long time since we have had a programme of high quality activity to compare with what is lined up for us at the weekend and I will be very surprised if the fare in all of the games, is not good enough to satisfy most, if not all of the critics.

All the matches listed above are very important, particularly to the clubs involved, but those people who keep their ears cocked for comment on G.A.A. matters assure me that the clash between Rathgormack and the Kerry, Munster and All Ireland club champions Laune Rangers, is the one they all want to see.

It is a most exciting prospect and I know that the visit of such a high profile club is certain to pack the stand to overflowing on next Sunday afternoon and that very few football people will want to miss this game.

From a club point of view, Laune Rangers from the Puck Fair country of Killorglan, are the glamour team in the country at the moment and seemingly, everywhere they go, they attract a huge crowd. Being the Kerry county champions and the reigning club champions made them the team which everyone wants to see.

Two weeks ago when they won the Kerry county final back to back after beating West Kerry by 2-7 to 1-9, their very excited coach and manager John Evans, in highlighting the significance of their victory, described their win as better than winning the All Ireland last year. He said that Laune Rangers were never better. That shows the kind of challenge facing Rathgormack here on Sunday.

But in spite of this, their standards might be somewhat exaggerated and here in Fraher Field that may find out that they are not the wonder team that they are made out to be.

Last year in the Munster club championship, it was only at the finish of a close contest that the Kerry champions beat their Limerick counterparts Cloughaun and in the final against Moyle Rovers they were lucky to have built

up a big first half lead that helped them withstand a lot of late pressure from the Tipperary champions, who earlier had beaten Doonbeg, the Clare champions, in what the Munster Secretary, Donie Neelon described as the best club football match played in the province last year.

Having beaten Moyle Rovers here in the Fraher Field must surely mean something to Rathgormack who are the challengers and outsiders with not a lot to lose and everything to gain. They are playing very good football at the present, they are superbly fit, despite an amount of celebrating and they came out of the Moyle Rovers game with no serious injury problems.

They're not the kind of team to become undaunted by the reputation of the opposition and when speaking to Noel Kirwan, Chairman, after their win here two weeks ago, he said that Rathgormack will relish the challenge and will come back to Dungarvan confident that they can 'take' the visitors.

That is all a part of the 'Spirit of Rathgormack', about which so much has been written over the past couple of years following their return to the top after so many years in the football wilderness.

They are fairly sure to line out as they did for the Moyle Rovers game with the reliable Pat Fahey in goal and Declan Power at full back and flanked by Jason Crotty and Kevin Power. In the half back line Brendan Curry will hold the centre berth in between Dan Crotty and Denis Hassett. Richard Power and Vinny Murray will be at centre field and up front the champions will have Joe Murray, top scorer, Martin Power, Paddy Crotty, Seanie and Ger Power and Frannie Halpin. With players like Tom Whelan, Clem Sullivan, Kevin O'Hara, Eoin Gleeson, Kevin Lynch, Ray Crotty and others on the subs bench, Rathgormack have a good back-up team waiting on the wings.

The Laune Rangers players to take note of will be Mike Hassett (centre half back), John Sheehan, Michael F. Rus-

sell, Adrian Hassett, Liam Hassett, Brian Gannon, Gerald Murphy, midfielders Billy O'Shea and Shane O'Sullivan and goalkeeper Peter Lyons. A number of the visiting side have All Ireland under 21 football medals.

It will be a major shock if the Kerry champions are beaten, but watching the spirited Rathgormack attempting to prove everyone wrong, is going to mean that we are going to have one whale of a game.

### S.H. OIREACHTAS SEMI-FINAL WATERFORD v. 1995 ALL IRELAND CHAMPIONS CLARE

There were hopes that Clare and Waterford would be allowed to toss for 'home or away' for this attractive tie, but G.A.C. in Croke Park had decided that both semi finals would be played on the same programme.

Waterford having defeated Cork and Dublin and having been given a walkover from Wexford, qualified on last Sunday week. Clare qualified after beating Galway by 3-15 to 1-15 in what was described as a spectacular game of winter hurling. It was Clare and Galway's best game of hurling since the championship and the 1995 Munster and All Ireland champions, Clare, were fully deserving of their victory.

They had most of their regulars in their line up and those to give outstanding displays were Sean McMahon, Colin Lynch, Fergal Hegarty, Liam Doyle, Seamus Ryan, James O'Connor, C. Chaplin and D. Forde at centre forward.

According to a County Board officer, this was the first time that Clare had taken the Oireachtas seriously and now that they are at the knockout stage, they will go all out to win the newly structured competition.

Waterford are unbeaten in four games, two of which were drawn and no doubt they will be hoping to do well here, even though they are sure to have the edge, standardwise.

The team won't be named in time for publication here, but it is unlikely to show much change from the side which defeated Dublin at Walsh Park two weeks ago. There is an amount of speculation about Liam O'Connor's prospects of being favoured by the selectors

as a first choice player, now that he has been recalled and tried out. There are whisperings about the former Erin's Own man being tried out at full back. This is a bit unlikely as the policy of the selectors seems to be that the placings on the teams, be persevered with and James O'Connor is playing so well in that position between his two club mates Michael and Mark O'Sullivan.

After the accolades showered on Tony Browne, Tom Feeney and Peter Queally who were the half back line against Dublin, the expectations are that the line will be left intact for this tie. Where the Ballygunner players such as Fergal Hartley (captain), Stephen Frampton, Paul Flynn will be refitted to the side has also given rise to conjecture, and it is difficult to see the team being named without these players.

Johnnie Brenner, Tom Fives, Dan Shanahan, Sean Daly, Ken and Derek McGrath, Michael White (injured against Dublin), Barry Walsh and Sean Cullinane are all players with strong claims, so that naming the team to play Clare is not going to be very easy.

In relation to this tie, it must be said that both Waterford and Clare are probably the only teams who have taken the Oireachtas seriously and fielded strong teams for their matches. Most of the other counties have played under-strength sides for some reason or other.

### INTERMEDIATE & JUNIOR FOOTBALL COUNTY FINALS

Both these finals have been brought forward to Saturday next because of the Munster club match at Fraher Field on Sunday. This common sense decision will be welcomed as it will facilitate patrons who may wish to be in Fraher Field on Sunday.

#### RING v. DE LA SALLE

By all accounts the drawn game three weeks ago was a splendid game of football, but questions have been asked about the Gaeltacht team's point scoring power as they only scored two points (as well as three goals). They did have plenty of good chances that came to nothing in the end while De La Salle had less wastage and were well worth

their eleven points.

This is a new game and may bear no resemblance to the drawn match, as starting all over again there will be different strategy, different match plans and better informed mentors on the sideline.

Throughout the divisional campaign, Ring played excellent football and for most of the way, played like a championship winning team when defeating Shamrocks (3-13 to 1-3), Brickeys by 2-8 to 0-4, Lismore by 3-7 to 2-5 and Clashmore by 2-8 to 0-9 in a splendid Western final. It will be seen from this that their points scoring in the west was far greater than in the county final and they will need to take care of this problem if they hope to win. De La Salle, like Ring, have been trying for many years to get back up to senior ranks and this year, have been making an all out effort to make the break out of the intermediate championship.

Their run through the eastern championship was as good as they could hope for. Their game against Newtown whom they beat by 1-14 to 1-10, was probably their best display of the season, but they were also quite impressive in beating Ferrybank by 1-9 to 0-5, defeating Portlaw by 3-10 to 1-4 before playing an exciting draw with Ring in the county final, which they now feel, was there for the taking. Their leading players are Eoin Dunphy, Noel Dalton, Paul Cleary, Fergal O'Brien and A. Dunne and they will depend on these and others to lead them back to senior status at the end of their replay.

The Western champions, Ring in their line-out will have young Tom Kiely in goal, Lorcan Murray, Liam Curran and Eana White in the fullback line inside Rd. Finnegan, Sean Curran and MacDara MacDonagh in the half line of defence. Micheal O Domhnaill and Carthach MacCraith will very likely remain as their mid-field pair with Eamon Crotty, Seanie MacCraith, Nioclus Og MacCraith, Colm Breathnach, Darra Breathnach, Eamonn Curran, etc., in the forward section.

#### THE RESULT?

Hopefully we will see Ring ride up the Waterford road with the cup on Saturday evening,

for, as I have written many times before, the club richly deserve a break from the hard luck which has dogged them for several years. Maybe if they can get their scoring forwards functioning as they are able, they will manage it this time, but it certainly is not going to be easy.

#### MODELIGO v. ST. MOLLERANS

A win for Modeligo in the junior football county final against St. Mollerans would certainly be one of the most popular results of the year as this club with a very small catchment area find themselves trying to win a title with a limited panel of players. In fact many of their devoted players have gone to retirement and cannot be easily replaced. Three weeks ago the team won their fourth divisional title (Doocey Cup) but have yet to make the break at county final level.

They won the western championship back in 1986, 1990 and 1992 and are back this year with what sadly may be a final chance for a few of their veteran players. The new western champions took their latest title when beating Kilrossanty in a cliff hanger that saw them a mere point ahead at full time. This was a very good display and before this their best displays were when playing a draw with Seana Phobal and in beating a fancied Tallow side by 2-10 to 1-8.

Carrying the hopes of the west will be players like Tom Kiely, who is their very dependable goalkeeper, Rodger Kiely, Eamon Power and Jim Barron, Declan Morrissey, Billy Barron, Jess Power, John Fitzgerald, John P. Ryan, Edmond Lonergan, Paul Denn, S. and K. Reddy, Tom Ormond, Michael Power, Nicky O'Donovan, Pat Fitzgerald, and with a bit of luck they will go the full distance this time.

Very little is known up here about the Mollerans, but a colleague who saw them play against Fenor whom they beat by 0-11 to 0-10 some months ago described them as a fair junior team.

Both Modeligo and Ring will carry the best wishes of all football people in this division.

# Well Merited Win For Waterford

**WATERFORD 2-9 LIMERICK 0-7**

Waterford scored a well merited eight points win over Limerick in this rather disappointing Div. 4 national football league game at Askeaton on Sunday last. Playing with the wind, Waterford completely dominated the first half and they laid

the foundations for their win as they raced to a 2-8 to 0-1 interval lead.

Right from the throw-in, Waterford midfielders Michael O'Brien and Liam Dalton had the edge over Dan Coughlan and Hawley Kenny and laid the founda-

tion for a succession of scores.

The game was only a few minutes old when Michael Downey had the opening point for the visitors and Kieran Whelan soon added a second.

After 10 minutes midfielder O'Brien beat goalkeeper Richard Bowles and now Waterford were really on their way.

Waterford stretched their advantage in 18 minutes with another green flag from Downey and it was almost half time before the home side had their first and only score of the half — a point from Pat Galvin.

Wind-assisted in the second half, Limerick threw a better shape and showing more variety in their play, began to put it up to the winners. Points from Derek Ryan, Pat Galvin and new captain Eddie Walsh brought them closer, but then Waterford tightened up at the back and Tom Gough, Daragh Donnelly and George Walsh kept tabs on their opponents.

Like Limerick, Waterford managed just one point when playing into the breeze, but the difference was they had their work done in the opening half hour.

Scorers — Waterford — M. Downey 1-3, M. O'Brien 1-1, K. Walsh 0-2, T.

Gough, L. Dalton, S. Cunningham 0-1 each; Limerick — P. Galvin 0-3, D. Ryan 0-2, E. Walsh and M. Gavin 0-1 each.

## Micheál O'Hehir Function

Two from each club were present and representing the County Board was Frankie Cullinane, Eastern Board chairman.

## MUNSTER COUNCIL NEWS

At the seminar and launch of the Munster Council Development Programme held in Limerick on Thursday night last, Waterford were represented by the chairman P. J. Ryan, Seamus Grant (secretary), Tony Morrissey (treasurer), Brendan Tobin (PRO), John O'Leary (youth officer) and Denis Hanrahan (Eastern Board secretary).

**BALLI-NAMEELA N.S.** — Clare Shine, 7 years old waits for the ball during recent coaching visit. Mrs. Morrissey (Príomh Oide) and her staff have everything laid on for visits and take a great interest in what's happening. Clare is a natural citeog, always tries hard.

## YOUNG HURLING PROSPECTS

**Ballymacartry N.S., Eibhlís Cooney, 8 years, rang III** — Very well-beloved little girl who is interested in all sports. Her home is at Toureen, the Nire. Her Dad Paddy gave sterling service to Nire G.A.A. Club. G.A.A. games are flourishing in this school with a great back-up from the Founmlewater G.A.A. Club. Eibhlís likes canoeing and her favourite hurler is Kilkenny's D. J. Carey.

**Villierstown N.S., Colin Lander, 11 years, 5th class** — Colin is a very tidy citeog who has very good basic skill. A great trier who gives his all in games. This school is well organised on visits with the grass neatly trimmed. Colin comes from a well-known family in this area. He plays corner forward for St. Olivers U-12 team and his school.

**Scoil Mhaire Dan na Mainistreach, Jonathan Nagle** — Jonathan is in junior infants and like all children is full of enthusiasm for any sport that is organised and enjoyable. He has excellent coordination and looked really happy with a hurley in his hand. The enjoyment all the children got out of the coaching visit was a delight to watch. The younger children can be shown the basics in a relaxed and fun atmosphere. Teachers are a great help to coaches especially with six and seven year olds. With many organisations fighting for the hearts and souls of our youth, primary school coaching is vital for the future.

## COUNTY BOARD MEETING

The November meeting of the County Board will be held at Lawlor's Hotel on Monday night next at 7.30 p.m. On the agenda will be the ratification of the outstanding county selectors and reports from the various committees.

The financial update will give details of recent gate receipts and will report on the progress being made with the collection of the P/L insurance.

## PROACTIVE AGENCY

Whether or not this is a positive move towards professionalism is something that will not be fully known for some time — maybe for years — but with GAA people everywhere around the country it is the big talking point.

The agency, headed by former Dublin footballer Kevin Moran, who was subsequently a leading Manchester United player, is signing up several leading players and other personalities who, it is proposed, will make money from personal appearances around the country at different functions.

The question of the functions of the agency being in conflict with the amateur status policy of the GAA is something which is being examined by a select committee at present, but many of the people involved, like Nicky Brennan, Kilkenny, Nicky English, John O'Leary, D. J. Carey, etc., etc., as well as personalities from other sports, don't see a problem.

There is no question of pay-for-play but they say that if a county can make money from publicity for county teams, then why cannot players do likewise.

It will certainly be very interesting to see what happens as the thing develops.

# Location Of Proposed Super Dump Still Unknown

BY AISLING CONROY

A suitable location for a 150 to 200 acre super dump to cater for the combined waste of Waterford city and county has yet to be identified. That's according to County Manager Donal Connolly who told last Monday's meeting of Waterford County Council that the location for the proposed £4.3m. landfill still remains unknown by the consultants John B. Barry & Partners Ltd.

It was originally expected that a number of possible sites would be identified by the consultants by last July. In the intervening period however, Mr. Connolly disclosed that the Government passed a Waste Management Bill which requires that the Council put together a comprehensive waste management plan. This

plan is expected to be before the Council in two to three months time, after which the search will resume for a central landfill site.

Locating such a huge acreage for what will most probably become a highly controversial issue will not be easy however.

Prerequisites for the dump, which will be in operation for 20 to 25 years, excludes all coastal and amenity areas, as well as water sources, etc. The search will no doubt prove an uphill battle for the local authorities involved. Wherever the super dump will be located, there are likely to be objections from neighbouring residents and communities in what will surely be a highly emotive and divisive issue.
