Councillor Slams 'Invasion' Of Whiting Bay Area

The Waterford County Council Councillor who hit the national headlines last year when he urged people to "have guns at the ready" to drive traveller families out of the county, has now

attacked what he has described as an "invasion" of the scenic Whiting Bay area of Ardmore by a group of New Age Travellers. Cllr. Paddy Kenneally told a meeting of the County

Council in Dungarvan last Monday that the travellers have turned the Whiting Bay location into a virtual "no go" area, with access to the popular beach being denied to members of the general public.

Cllr. Kenneally, speaking of whom he described as "this new type of tourist," said considerable damage has been caused through trespass and every landowner in the Whiting Bay area has been confronted with "a

Can We Win £1m Factory?

— County Manager Cautiously Optimistic

With a £1 million advance factory on offer to Co. Waterford from Irish Business Against Litter (IBAL) if over a twelve month period the County Council can reach a specific level of performance in a countywide anti-litter drive, County Manager Donal Connolly confirmed the impending appointment of a number of litter wardens at Monday's Council meeting.

In a report to the Councillors, Mr. Connolly said the £1m. advance factory offer has been made by Irish Business Against Litter in consultation with the Indus-

trial Development Authority. An Taisce will draw up a set of performance indicators against which the anti-litter effort of the County Council will be measured at the end of a twelve month period. "If our performance measures up to the satisfaction of the IBAL and An Taisce then the £1m. factory will be located at an agreed location within the county," Mr. Connolly said.

The Manager confirmed his intention to appoint a number of litter wardens in the near future but hadn't decided yet whether these

A Collection Of Writings From Peggy Kennedy

"Telling Summer Sins At Mount Melleray" is a collection of the writings of the late Peggy Kennedy (nee Prendergast), a native of Carrignagour, Lismore.

The book was launched at her son David's residence in Kilinney, Dublin on May 11th where over eighty invited relatives and friends enjoyed a social evening.

Compiled mainly for the benefit of her two grandchildren, the book is the brainchild of Peggy's son Cliff.

Born in 1920 in Carrignagour, near Lismore, Peggy grew up on the family farm. She attended primary school at Glengarra and Modeligo N.S. and was also a student at the Presentation Convent School in Lismore. Her brother John Prendergast and sister-in-law May continue to run the family farm at Carrignagour while her sister Una is a nun with the Good Shepherd Sisters and her brother Patrick Jnr. lives on the outskirts of Dublin.

From 1973 to 1992 Peggy penned over 100 articles which were published primarily in national newspapers. She also appeared on The Late Late Show and other T.V. programmes to speak on a number of issues such as alcoholism, single parents and mother/daughter relationships.

"Telling Summer Sins At Mount Melleray" deals with a wide range of subjects, some amusing and others provocative.

Peggy's collection of writings are a commentary on human behaviour and everyday life and highlight the humorous side of even the most mundane subjects. It is available in most bookshops at £8.

High Radon Gas Levels In South East

Very high levels of radon gas, a naturally occurring radioactive gas, have been discovered in the south east. A new study, undertaken by the Radiological Protection Institute of Ireland (RPII) examined radon levels in a sample of houses in 14 counties including Waterford.

According to the survey, most of the counties covered have areas in which houses have more than a 10% chance of having unacceptable levels of radon, although the study showed that in many parts of the South East, the risk is 20% or higher.

Radon Gas, which can cause lung cancer, can build up under houses and becomes a health danger if it is not ventilated.

Radon checks are carried out on dwellings by RPII at a cost of £15 and they can be contacted on Freephone Radon 1800 300 600.

A grant of up to £800 will be available from next January to help householders meet the cost of recommended structural changes to reduce the levels of exposure.

These cost on average between £1,000 and £1,500 and involve the fitting of a sump beneath the ground-floor or a membrane across the floor.

FAS "YOUTHSTART" TRAINEES DEPART FOR FRANCE — A group of trainees from the South East recently departed for France, as part of a transnational training programme. All of the trainees are part of a "Youthstart" Programme, which is organised by FAS South East and aims to provide skills and work experience for young school leavers who have no basic qualifications or training. During their stay the trainees will spend two weeks undergoing language training and two weeks working in French businesses. On their return to Ireland each of the trainees will be placed in food companies throughout the South East, where they will undertake further training. Front row (l. to r.) New Food Programme In West Waterford

A 'Good Food Tree for West Waterford' encompassing a number of quality eating establishments will be launched on June 16 in the Ballyrafter House Hotel, Lismore.

The purpose of establishing the West Waterford Good Food Tree is to:

1 promote the quality of Eating Establishments in West Waterford

1 improve the quality of existing eating establishments in West Waterford

1 to encourage the use of local fresh produce in restaurants menus.

Waterford Development Partnership with the support of An Bord Bia, co-ordinated the project. Georgina Campbell, Chairman, Irish Food Writers Guild was appointed to carry out the as-

sessments.

The assessment of each premises involved a detailed evaluation against a testing list of standards such as fresh food presentation, quality of the meal and value for money. The choice and balance of the menu, standards of service and facilities were also taken into consideration.

In line with this programme the Partnership will now be in a position to provide financial assistance for the upgrading of restaurants.

Training needs identified as a result of the assessments will be addressed through training programmes such as Customer Care, Food & Wine courses, etc.

This assessment process will be continued on an annual basis.

On June 16 members of the Good Food Tree will be presented with a plaque to be displayed in their premises which identifies them as a member of the West Waterford Good Food Tree.

This proposal will be piloted in West Waterford and if it is successful the project is to be extended County wide.

A comprehensive guide to good eating in West Waterford has just been published to introduce people to some of the culinary delights in the West Waterford area. This guide also features traditional house specialities.

SUPERVALU VALUES YOU

ALL YOU NEED TO KNOW ABOUT THE DEATH OF THE DINOSAUR

DINOSAURS vanished from the Earth suddenly, and why this happened is still a mystery.

Around 70 million years ago the dinosaurs ruled the Earth. Yet about five million years later, they had all died out, perhaps only in a matter of months. Scientists have put forward various theories to explain their sudden extinction, but many ignore one vital point, dinosaurs were only one of a whole range of creatures that died out at the same time, including all the swimming and flying reptiles. So any theory to explain dinosaur extinction must explain the disappearance of these groups as well.

The theories are numerous: some people think small mammals ate the dinosaur eggs. This is unlikely as it would not account for the extinction of other species. Others believe that dinosaurs simply grew tired of life on Earth and died of boredom!

THE THEORIES

One theory is that dinosaurs died out because they ate new kinds of poisonous plant.

A popular theory is that a massive meteorite from space collided with the Earth causing a huge steam and dust cloud which darkened the Earth for a long time, killing off the plants and the animals that fed on them.

If a meteor had hit Earth the impact would have had an effect rather like that of a massive nuclear war. Dense black clouds would have cut out the sun for months. Dinosaurs may have contracted cancer. Fossils have been found with cancerous tumours in the bone.

Flamingoes

THERE are a lot of different species of flamingoes. They live in large groups where the water is shallow and salty. Their necks and legs are very long in comparison with their bodies. Flamingoes are so large that if they want to fly they need a lot of space to take off. The whole flock usually takes off together as it is very difficult for one because of them being crowded so close together. A flock of flamingoes can easily be frightened away by low-flying aeroplanes. Colonies are often situated near airports as the land is flat. The colony is often deserted for this reason. When flamingoes fly - they travel in long lines with their necks and legs stretched out straight. As they fly, they make honking noises. Flamingoes usually stay in pairs, eating and sleeping together. The male is usually bigger than the female. When they want to eat, they turn their heads upside down in the shallow water. Flamingoes like small plants, tiny water animals and sometimes baby fishes. They cannot swallow anything bigger because of their big tongues and narrow throats. Flamingoes are able to stand on muddy shores with the help of their webbed feet. When it eats it traps food in a sort of comb in its beak and when it drinks it moves its head from side to side and sucks in water. The pair build their island nest in shallow water. They sit and, with the help of their beaks scoop mud and stones under them to make a mound. The birds make a hollow on top of the mound just big enough to protect the egg. The adult flamingoes take it in turns to sit on their one egg. They can fold their legs right under their bodies while sitting on the nest. If it rains, the flamingo spreads its wings over the nest to stop it from being washed away. The chick hatches after about a month. The chick sits under the parent's wing looking out. His bill is straight at first. The chick gets its food from its parent. Chicks are grey at first but it turns pink later due to a chemical in their food. When the young leave the nest, they make flocks of their own, but they still get food from their parents. The chicks' bills slowly grows and they start to feed themselves.

desperate situation." The outspoken FF Councillor said the traveller group he is referring to appear to be affluent with their English registered motor vehicles. "They have literally taken over the Whiting Bay area," he added.

The Co. Manager, Donal Connolly said he is aware of the situation and they had visited the group in question. "I understand they are preparing to move on," Mr. Connolly said.

The Chairman, Cllr. Gary O'Halloran said that until they have a proper housing programme for travellers they will never solve the problem.

However, Cllr. Billy Kyne supported Cllr. Kenneally

and said they are now having small communities around the county being swamped by invasions of travellers who don't come under the traditional "traveller" category. And while accepting that the Council must do all it reasonably can to house those that want housing, it also has to be a two-way process. "The patience of the general community is being broken when they are faced with these type of invasions," said Cllr. Kyne.

Cllr. Austin Flynn supported his colleague and said that while the Council is striving to do what it can

to house traveller families, huge numbers of them want everything for nothing.

Cllr. Flynn said these travellers aren't prepared to put one penny into the kitty in return but they are prepared to encroach onto beaches, set up home on the roadside, and then move on, leaving a mess behind.

Cllr. O'Halloran however said that he had tried to gain access for traveller children to a number of key services, including education, and he had found it to be "very slow." It wasn't easy, he said, to breach the cycle these children have been put into because they are not getting the assistance they should.

Cllr. Fahey Claims Bye-Laws Will Close Down Casual Traders

Members of Waterford Council are standing steadfast in their determination not to introduce new casual trading bye-laws that could effectively put a number of long serving casual traders countywide out of business, literally overnight.

Waterford County Manager, Donal Connolly has listed nine different locations on the national primary route where, he says, casual trading is being illegally carried on for some time. And now legal advice to the Council has warned that in the event of accidents at any of these locations there could be public liability problems for the Council.

Among the most prominent locations are Tarrs Bridge outside Dungarvan and on the Waterford side of Youghal Bridge, where the traders involved have been operating their respective roadside businesses for a long time. In the case of the Tarrs Bridge operator it is eighteen years, and councillors are adamant that any new casual trading bye-laws that would put such people out of business should not be introduced by the local authority.

However, the Co. Manager suggested to Monday's Council meeting that they should at least put the proposed bye-laws on public display for two months and invite representations on them from the people. "In the meantime," said Mr. Connolly, "we will try and work out some solution to the problems relating to the long time operators at Tarrs

Bridge and Youghal Bridge."

Cllr. Jackie Fahey said they shouldn't be in any hurry to take people's livelihoods away, and in essence that's what the introduction of the proposed bye-laws will be doing.

He said the man operating outside Dungarvan for the last eighteen years had done so in complete safety, and in all that time there hadn't even been a semblance of an accident at the location. He supported a proposal by Cllr. Michael Queally that they defer any decision on the bye-laws for two months until further discussions have taken place between the Council and the

existing casual traders around the county.

When it was unanimously agreed to defer a decision on the bye-laws for a further two months the Manager said the Councillors were only putting off the day because ultimately a decision will have to be made.

"Some order will have to be put into the operating of casual trading in a safe and proper way throughout the county," the Manager added.

Cllr. Billy Kyne however insisted that it is still feasible for the Manager to enter into discussions with the traders concerned. In that way some acceptable compromise might be reached, he said.

will be new staff appointments or whether the duties involved will be incorporated among existing Council staff.

"If we are to succeed and win our £1m. advance factory then the litter laws will require stringent enforcement as well as action against people who don't comply with the litter laws," Mr. Connolly added.

Cllr. Ollie Wilkinson welcomed the new anti-litter drive and expressed the hope that if the £1m. advance is "on" that a decision

will then be made to locate it in the Cappoquin, Lisimore, Tallow area of the county where there is an urgent need for such a facility.

Cllr. Nora Flynn agreed and said she fully supported the proposed appointment of litter wardens. "Only in that way can our targets and objectives be realised," she said.

Cllr. Dan Cowman also supported litter wardens, but wondered what they are going to do about jackdaws

and crows swooping on the litter bins. "At 7.30 this morning in Tramore these birds had emptied every litter bin in the resort," he said.

The Manager expressed cautious optimism that they can "win" the £1m advance factory if everyone plays a part in the anti-litter drive. He praised the large number of community groups who are doing a great job around the county and pledged that the Council will work "hand in hand" with them.

CLUB NOTES

County Football League, Div. 3 — Modeligo 0-10, Shamrocks 2-11 — Our last game in this league was at home on Sunday night last to the Shamrocks. For both teams it was a matter of playing out their final game as neither side would gain promotion or face relegation.

We got the better start with Adam Bending converting two early frees. However, it was the Knockanore side who dominated the game

with some neat passing movements. Despite having the majority of possession, the visitors only led by 1-4 to 0-4 at half time.

The second half followed the game pattern with the Shamrocks again emerging as the better side. As the game neared an end, we managed to mount a comeback, but the Shamrocks replied to stretch the gap again.

They wrapped things up with a second goal with almost the last kick of the ball.

With the league now over, we finished in a comfortable position having won two and drawn one game in what must be considered as a successful first outing for us against intermediate teams.

Team — Tom Kiely, Ritchie Kiely, Nicholas O'Donovan, Jessie Power, Padraig Denn, Billy Barron, Shane Denn, John Fitzgerald (0-2), J. P. Ryan, Shane Reddy, Adam Bending (0-5), Tom Ormonde, Micheál Power (0-2), Ed. Lonergan, Brendan O'Connell. Subs — Eamonn Walsh for R. Kiely, Eric Kenneally for E. Lonergan.

Deise Draw Tickets — The next Deise Develop-

ment Draw will take place shortly. This will commence a new series of draw and tickets are now available from all committee members. Tickets are £5 each per month or a year's entry can be obtained for £60 prior to the first draw.

Club Holiday — A reminder to those planning to travel on the trip to Limerick that the next instalment of payments will be collected this weekend. All monies to be given to Vince O'Donovan, John Fitzgerald, Newtown, Jessie Power or Shane Denn.

National School Football Victory — Heartiest congratulations to Modeligo National school girls on their victory over Glenbeg/Carriglea in the Roinn B final on Thursday last, June 5.

The girls had to play to their full potential to beat very worthy opponents and it is to the credit of both teams that they served up such lovely football on a terrible night.

It is Modeligo's first victory in the schools league for ten years, so it is a very welcome boost indeed. The final score was Modeligo 3-6 to 1-2 for Glenbeg/Carriglea.

The Tallow NS Trophy was presented to captain Carol Walsh by Mrs. Breeda Cleary amid scenes of great joy. The medals were then presented immediately, much to the delight of the girls and it is so much better to receive them straight away than having to wait.

Team — Anne Marie Kearns, Sarah Walsh, Mary Kiely, Carol Walsh (capt.), Dolores Condon, Jenny Buckley, Rosemary Cunningham, Julie Marks and Clare Marks. Subs — Miriam Hauwert, Niamh McCarthy, Michelle Walsh, Michelle McGrath, Michelle Marks, Niamh Hennessy, Brigid Dalton, Tara Skehan, Caitriona Fenton.

Many thanks to Peil na gCailíní officers Breda Cleary, Christine O'Keefe, Margaret Cunningham and Seamus Fitzgerald for having everything organised so well.

Thanks also to the Fraher Field officials — the field was in splendid condition and the new stand was very much appreciated on the wet night. Thanks also to a fair and impartial referee.

Many thanks to Modeligo Parents Association for the celebration after the match.

It was very much enjoyed and appreciated by all.

Finally a word of thanks to the many parents and supporters who came along to cheer our girls to victory. It all adds to the occasion and it does make a difference.

GYMKHANA

All roads lead to Jack Hennessy's farm on Sunday next when the annual gymkhana takes place. All proceeds will go to local charities. Last year's event was a big success and we expect another great turnout on Sunday. All classes will be catered for.

The Minister has also allocated a grant of £15,000 to the St. Vincent De Paul Society, Kilmacthomas towards the construction of a day care centre.

Both grants are part of the Health Department's '97 allocation of National Lottery funds.

DEASY TOPS POLL AS LABOUR SUPPORT PLUMMETS

By AISLING CONROY

There was no change in the breakdown of Dáil seats in the Waterford constituency following last Friday's General Election where Fianna Fáil retained 2 seats and both Fine Gael and Labour retained 1 each. Both Fianna Fáil and Fine Gael polled well while the PD's and Labour showed a massive decline in support among the Waterford electorate.

Sitting T.D. Brian O'Shea was only elected in the 9th count and was down 14.3% in first preference votes compared to his poll top-

ping success in the '92 election.

One of the hot favourites to win the 4th Dáil seat in Waterford, Katherine Bulbu-

lia (PD) was eliminated after the 4th count having collected only 3,083 votes. Just 2 hours into the 13-hour count, party supporters were already conceding defeat. Ms. Bulbulia, a former FG Senator, declined to say if she would contest another election for the party.

Outgoing FG Deputy Austin Deasy, a former Minister for Agriculture who has been 20 years in the Dáil, scored the highest number of first preference votes and was elected to the 1st seat on the 7th count.

Fianna Fáil Deputy Martin Cullen, who successfully contested the 1992 election as a member of the PD's, was elected without even reaching the 8,960 quota while sitting FF T.D. Brendan Kenneally successfully held onto his seat with the second highest number of first preference votes.

It was a disappointing election for Community T.V. candidate Dermot Kirwan but his first preference share of 2,946 spoke volumes of the depth of feeling held by many aggrieved voters currently without the deflector service around the county.

Whether a new Government can be formed may not become clear for some weeks, when the Dáil resumes to elect a new Taoiseach on June 26th.

This week has seen intensive rounds of lobbying of the newly elected T.D.'s. It

is possible that the Dáil will adjourn to allow more time for discussion between FF, the PD's and Independent Deputies as happened in 1989.

Eliminated in the 8th count on 5,562 votes, Waterford County Councillor Ollie Wilkinson garnered tremendous support in West Waterford. As a result of his excellent first time showing, Cllr. Wilkinson may be in line for a seat in the Seanad, a position he would undoubtedly accept with open arms.

Meanwhile Martin Cullen has been hotly tipped for a Cabinet post - possibly at the Department of the Marine, although his colleague Brendan Kenneally has also confirmed that he will be available for any position on offer.

poll with a massive 11,235 votes - a surplus of over 2,500 votes in the first count.

The final state of the parties in the 28th Dáil will be Fianna Fáil 77, Fine Gael 54, Labour 17, Progressive Democrats 4, Democratic Left 4, Greens 2, Sinn Féin 1 and Independents 7.

The percentage changes in first preference votes in the Waterford constituency are FF 35.8% (+7.4%), FG 24.6% (+2.5%), Labour 11.8% (-14.3%), PD 6.5% (-2.8%), GP 1.8% (+1.8%).

TOURANEENA NOTES

CUP A COFFEE DAY

Alice Burke's annual Coffee Day will take place on Thursday, June 19th from 9.30 a.m. until 11 p.m. This year the recipients are a nationwide charity - the Children's Temple Street Hospital in Dublin. This hospital cares for children of all ages and at the moment they are treating one of our local girls, 10 year old Christine Cliffe who is awaiting a kidney transplant. The other organisation to benefit is the Sliabh gCua/St. Mary's G.A.A. Club. G.A.A. is one of the oldest traditions in the area and we would be delighted to see a big turnout on the day. So come along and enjoy a cuppa and a chat. Adults £1 children 50p. All are welcome. Remember it goes on all day. This year the local ladies will be baking the cakes to whom we would like to say a big thank you.

HAPPY BIRTHDAY

Congratulations to Bob who celebrated his birthday last week. We wish Bob many more years of health and happiness in the years ahead.

IN HOSPITAL

We wish a speedy recovery to P. J. Queally, Touraneena who is a patient in Clonmel Hospital at the moment. Hurry up and get well, P. J.

LOTTO WINNER

Congratulations to Cathal Dunne who won £1,100 in the Lotto on Sunday night last. Well done Cathal. New jackpot £200.

CHURCH GATE COLLECTION

The Touraneena Lourdes Committee Fund would like to thank all of the people who gave so generously to the Church Gate Collection. We thank the local bars including Deckies, their musicians and supporters at these events. A special word of thanks to Helen Thompson who gave such financial aid last year and again this year. Thanks to Joe Coffey, Knockmeal Enterprises who held a successful raffle. The winners were as follows -

1st prize: Kevin Dalton; 2nd prize: Royco Ware, Ballymacarbry; 3rd prize: Mary Dalton, 13 Comeragh Crescent, Clonmel; 4th prize: Eileen Connolly, Ballydonagh, Kilmanahan, Clonmel. Thanks to the donors of above prizes.

UNDERAGE RACQUETBALL CLUB NOTES

Four rounds of the under-14 1/2 boys Summer League have now been played and things are still very close at the top of the table. The early pacesetters are Denis Coffey and Seamus Power and both are

closely followed by Stephen Cliffe, Colm Geary and Darren O'Connor. Denis was in superb form last week as he comfortably beat John Queally by 15-1, 15-3. Seamus was in magnificent form later and last Saturday evening was no different as he beat Tristan Hickey in 2 straight games. Tristan however made Seamus work for every score but he proved to be too strong winning on a 15-2, 15-8 scoreline. Stephen Cliffe produced what was possibly the best shot ever taken in the court to beat Colm Geary in a thrilling tiebreaker. Colm won the first game 15-11 and Stephen equalised with a 15-6 win in the second game. The tiebreaker was lying 10-8 in Stephen's favour when he produced an astonishing cross court dive and killed the ball off the front wall to claim victory in a superbly fought game. Colin Gleeson was also in good form when he beat Darren O'Connor by 15-11, 15-12. Webby had to pull out all the stops to beat a very determined Jack Power. 8-15, 15-9 and 11-3 were the scores. Willie Power had a 15-10, 15-6 victory over John Myles. Paul Gleeson was unlucky to lose out to Darren O'Connor. Darren recorded a 9-15, 15-12, 11-5 victory. There are 9 rounds still to be played and with prizes for the first 5 there should be some interesting matches and results in the next few weeks. The league table is as follows -

1. Denis Coffey - 8 pts., 2. Seamus Power - 8 pts., 3. Stephen Cliffe - 7 pts., 4. Colm Geary - 7 pts., 5. Darren O'Connor - 6 pts., 6. Tristan Hickey - 4 pts., 7. Colin Gleeson - 4 pts., 8. Willie Power - 4 pts., 9. John Queally - 4 pts., 10. Jack Power - 3 pts., 11. Jonathan Webster - 3 pts., 12. Sean Dempsey - 2 pts., 13. Paul Gleeson - 2 pts., 14. John Myles - 1 pt.

Five players made their tournament debuts in the under-12 boys section. Shane Hickey beat Pat Murphy by 15-0 and 15-1. James Cliffe had a 15-3, 15-5 victory over Aidan Hickey while Robbie Power beat Michael Myles by 15-1 and 15-10. The table is as follows - 1. Shane Hickey - 2 pts., 2. James Cliffe - 2 pts., 3. Robbie Power - 2 pts., 4. Michael Myles - 0 pts., 5. Aidan Hickey - 0 pts., 6. Pat Murphy - 0 pts., 7. J. J. Coffey - 0 pts., 8. Eoin Walsh - 0 pts.

In the under-18 league, Quentin Hickey is the fore runner with 3 wins from 3 games. Last week he had a 2-0 victory over Sean Dempsey. Anthony Gleeson had a 2-0 win over Maurice Keane while Denis Coffey

had a 2-0 walkover victory over Terence McCarthy. The league table is as follows -

1. Quentin Hickey - 6 pts., 2. Denis Coffey - 4 pts., 3. Anthony Gleeson - 4 pts., 4. Maurice Keane - 2 pts., 5. Terence McCarthy - 1 pt., 6. Sean Dempsey - 0 pts.

Only one match was played in the under-13 girls section. Top two players Sharon O'Connor and Aoife Hickey came head to head in the top of the table clash. In the end it was Sharon who proved to be the stronger as she recorded a 15-9, 15-6 victory. Sharon now is the strong favourite to go on and win the title. Neither Fiona Gleeson or Marie Quinlan turned up for their game so both girls lose the points and a 0-30 scoreline will be put against their aggregate score. The table is as follows -

1. Sharon O'Connor - 8 pts., 2. Aoife Hickey - 6 pts., 3. Niamh Coffey - 6 pts., 4. Julia Walton - 3 pts., 5. Mairead Hickey - 2 pts., 6. Michelle Gleeson - 2 pts., 7. Fiona Gleeson - 1 pt., 8. Marie Quinlan - 1 pt., 9. Claire Dalton - 0 pts.

In the Division 2 section, Amanda McCarthy leads the pack thanks to a 15-6, 15-5 win over Fiona Walsh. Newcomer Stacey Meere is showing some fine form as she beat Tara Skehan with a 15-11, 15-3 scoreline. Julie Skehan recorded a 2-0 victory over Natalie Woods. Sandra Fennell had a 15-10, 15-9 victory over Eileen Hickey. The table is as follows -

1. Amanda McCarthy - 4 pts., 2. Stacey Meere - 4 pts., 3. Julie Skehan - 2 pts., 4. Eileen Hickey - 2 pts., 5. Tara Skehan - 2 pts., 6. Sandra Fennell - 2 pts., 7. Fiona Walsh - 0 pts., 8. Natalie Woods - 0 pts.

Marie Coffey was in fine form as she had a comprehensive 2-0 victory over Marie Gleeson in the under-16 girls section. Mairead Hickey recorded a 4-15, 15-10, 11-6 victory over Jean Dunford while Julia Walton beat Gillian Gleeson by 15-9 and 15-14. The table is as follows - 1. Marie Coffey - 4 pts., 2. Mairead Hickey - 3 pts., 3. Julia Walton - 2 pts., 4. Gillian Gleeson - 2 pts., 5. Jean Dunford - 1 pt., 6. Marie Gleeson - 0 pt.

SLIABH gCUA/ST. MARY'S G.A.A. NOTES

Group C School League Final - Touraneena 1-4 Ring 3-4. - On Saturday evening last a well supported girls football team from the primary school took on the Ring counterparts in the Group C School League Final at rain-drenched Fraher Field.

The Touraneena side showed a complete contrast in their form from the League game in Kirwan Park 2 weeks earlier as they showed great heart and commitment and proved they had more than the 3 good players as mentioned in last week's Primary Schools G.A.A. Notes in last week's newspaper. At half-time 4 pts. separated the teams.

The second half opened brightly for the Touraneena side as within the first 6 mins. they had brought the scoreline level. Within a short space of time Ring scored 2 goals, 1 of which was extremely lucky to go in to put them back into the lead. However the Touraneena girls never gave up and fought hard for every ball to the very end.

Two of the panel are in 6th Class this year and over the past few years were unlucky not to have won winners' medals with the school. Both Michelle and Sharon are fine footballers and will go on to win honours with Na Déise.

There are some very good players in next year's panel who will attempt to make

up for the disappointment of this year. Again some of these players will go on to win honours with Na Déise with some good enough to win honours with Waterford at various levels.

The panel of players for the final was Michelle Gleeson, Sharon O'Connor (0-3), Marie Quinlan, Deirdre Kiely, Aoife Hickey (1-1), Fiona Gleeson, Tara Casey, Christine Cliffe, Eileen Hickey, Pearl Grace, Avril Murphy and Karen Cliffe.

Colleges G.A.A. - Last Tuesday evening in Fraher Field, St. Augustines and Dungarvan C.B.S. clashed in the County Under-14 Colleges Hurling Final which was won by C.B.S. by 24 pts.

Some local boys played on both sides. Man of the match was Dungarvan C.B.S. full-back John Ahearne who gave an outstanding display of hurling. The players on view are the players who are shining for Naomh Bríd under-14 team and when the County Selectors saw them play Ferrybank recently, they were very impressed. Congratulations to all the lads who played.

Déise Draw - Déise Draw tickets for the new series of Déise Draws are now on sale from any Committee member or promoter. The money for the first draw should be with Sinead by next weekend. Anybody wanting to join can ask any Committee member for details.

Jimmy O'Keefe Cup - Both semi-finals of the Jimmy O'Keefe Cup will be played in Kirwan Park on Saturday night.

At 6.30 p.m. Sliabh gCua meet Brickey Rangers and at 7.45 p.m. the holders Ardmore take on Modeligo. The date for the final depends on who reaches the final. Our thanks to John and Mary Dunford who have again come up trumps in the way of sponsorship.

County Senior Football League - Sliabh gCua 3-4 Dunhill 0-8. - We played our final game in the County Senior Football League on Saturday night in Kirwan Park when Dunhill were our visitors.

Having got off to the perfect start when John Hallinan converted a penalty in the opening minute, Dunhill, with the aid of a strong wind, clawed their way back and at half-time were 2 pts. up.

We were under strong pressure for most of the second half but Dunhill were found guilty of some wasteful kicking. In the end we have to thank two pieces of fine goalkeeping by Eamonn Condon for keeping us in the game.

Team: Eamonn Condon,

Eamonn Lonergan, John Hallinan (1-1), Tom Condon, Johnny McGrath, Dec Kiely, Joe Lawlor, Tomás Condon, Tom Queally, Aidan Fitzpatrick (1-1), Peter Fitzgerald (0-1), Michael Mulcahy, Kieran Hallahan (1-1), Royco Ware and Seanie Kearns. Sub: Pat Hearne.

In the League over 8 games we had 11 different scores who were Kieran Hallahan (2-14), David Whelan (2-9), Ian Dunford (1-10), Aidan Fitzpatrick (1-10), J. P. Fitzpatrick (0-9), Peter Fitzgerald (2-3), Seanie Kearns (2-1), John Hallinan (2-1), Tom Queally (0-2), Michael Mulcahy (0-2), Dec Kiely (0-1).

Pitch - With all the rain over the past few days, the pitch was in perfect condition for last Saturday's game which proved that it was money well spent to get it drained.

Plate Champions - Congratulations to Naomh Bríd under-10 team on winning the Plate Final at the Ballyduff Hurling Festival last Saturday. Some of these players in the next 10 years are going to find their way into one of our club jerseys.

Junior Football - Over the past few weeks the Junior team have played 3 games. We lost out to Old Parish by a small margin in a challenge and were well beaten by Dungarvan.

Western Junior Football League - Sliabh gCua 2-12 Melleray 2-4. - On Sunday we travelled to Melleray to play the host club in the Western Junior Football League and came home with a 7 pts. win.

We had some good performances during the game with Mike Hearne and Royco Ware outstanding. The highlight of the game was a spectacular goal scored by sub Eamonn Dec Lonergan midway through the second half.

We now have just 1 League game to play against Kilrossanty B. The top 2 teams in the League will go on to play in the League Final. As we have 3 wins from 3 games we are almost certain to be in the final, probably against Kilrossanty who have just 1 defeat so far.

The team against Melleray was Eamonn Condon, Mike Murray, Seanie Kearns, Mike Hearne, David Meaney, Tom Condon, Eamonn Lonergan, Dermot Lonergan (0-1), Peter Fitzgerald, Michael Mulcahy (0-1), James Connors, Pat Hearne (1-4), Dermot Hally (0-1), Eoin Butler (0-1), Royco Ware (0-3). Subs: Quentin Hickey, Aidan McGrath, Paddy Corcoran, Paul Ahearne, Donnadh Dunne, Eamonn Dec Lonergan (1-1).

I.F.A. Supports Avonmore/ Waterford Foods Merger

Following a meeting in Waterford last Monday night between senior I.F.A. officials in the Avonmore/Waterford catchment area and senior Avonmore/Waterford Co-Op Personnel, the I.F.A. said it now fully supported the proposed merger of Avonmore and Waterford Co-Ops as the best option for farmers and shareholders to develop a strong competitive entity in the face of world market challenges.

I.F.A. President John Donnelly said the Irish dairy and food industries are facing immense future challenges as the GATT agreement erodes EU supports for dairy products. He said milk price and the price of other farm commodities because of greater world competition would inevitably come under pressure. He added that a strong, farmer-controlled Irish agri-business was essential to secure the long term future for farm families.

"It is vital that the structure of the dairy industry be properly consolidated to realise the savings and re-investment needed to allow the continued payment of the highest possible milk price in the long interest of dairy farmers," Mr. Donnelly said.

He added that now that the farmer controlled boards of Avonmore and Waterford had agreed the terms of the merger, I.F.A. supported their decision and believed the proposed merger would result in a strong processing industry with the necessary resources to successfully penetrate into international markets.

"With proper farmer control, we want the coming together of Avonmore and Waterford to offer such long term protection to their suppliers and shareholders," he concluded.

The I.F.A. delegation was led by President John Donnelly and included Deputy President Michael Slattery, Vice-Presidents Rosemary Smith, Gerry Maguire, John Dillon and Sean Clarke, Dairy Chairman Liam Foley and Liquid Milk Chairman Gilmer Hamilton. The Avonmore/Waterford delegation was led by Avonmore Chairman John Duggan and Waterford Chairman John Dowley and included Chief Executives Pat O'Neill and Matt Walsh and Waterford's Managing Director - Food Ingredients, John Maloney.

INFORMATION PROGRAMME

As the countdown to the crucial vote on the Waterford Foods/Avonmore merger continues, Waterford Co-Operative Society has embarked on an information programme to brief

fully its 5,000 shareholders in counties Waterford, Wicklow, Cork and Kilkenny on details of the merger proposal.

The programme will include local information meetings and a team of dairy and trading advisory personnel have also been fully briefed to discuss the proposal with individual shareholders.

Chief Executive of Waterford Foods Matt Walsh confirmed at a recent special meeting for advisors that the Board of the Group believe the £2.5 billion merger is in the best interests of suppliers and shareholders in Waterford and Avonmore.

Mr. Walsh explained that the merger provides a unique opportunity to create a world leading dairy company which is both Irish and farmer controlled. It will have the valuable resources to provide both enhanced milk process and growth prospects in the longer term. In addition Mr. Walsh felt the proposal fairly values the Waterford group and provides equality of representation which reflects the spirit of partnership that is the hallmark of this proposal.

Waterford Co-Op has now set up a central information line for shareholders. The Freephone Helpline number is 1800 37 47 57.

NO RUSH TO AXE JOBS

The Chief Executive designate of the proposed giant food company, Pat O'Neill Avonmore Chief Executive has stated that there are no immediate plans to dispose of assets or to lay off large numbers of staff.

He acknowledged that the efficiencies which would be achieved by the newly merged entity would have an impact on employee numbers but said the shape of the new business would influence manning levels over time.

"When Avonmore acquired the Rooskey pig processing business in 1989, there were 290 people employed. There were job losses initially after we took over but following implementation of our development plans, there are 430 people working there now," said Mr. O'Neill.

The two companies combined would employ approx. 11,000 workers worldwide.

UNIONS AGREE JOINT STRATEGY

Union Shop Stewards and Officials representing the employees of Waterford Foods and Avonmore met last Friday to review developments in the proposed £337m merger of the two companies.

At the meeting, representatives of the ATGWU, SIPTU (acting on behalf of the AEEU and the TEEU) agreed on a joint strategy to deal with the likely implica-

tions for the workforces of both dairy groups should the merger be agreed.

The meeting confirmed the view of the employees that there had been little or no consideration or concern for their interests in the processing of the merger proposal to date.

The unions have now determined to act collectively in defence of their members jobs and terms and conditions of employment in the event of the merger receiving the backing of shareholders.

The primary objectives of the unions involved will be to secure advance agreement from Avonmore and Waterford providing for -

- The continuation of a policy of no compulsory redundancies

- Improved terms for voluntary redundancies

- Guarantees on pay and terms and conditions of employment

- Implementation of the terms of Partnership 2000 including employee involvement and participation together with a provision for the workforce to share in the financial benefits of the merger.

In a statement issued on behalf of all four unions, they pledged to act in solidarity in opposing any attempt by the new company to impose change without agreement or to recoup the costs of the merger and produce increased profits at the expense of employees.

BALLYMACARBRY NEWS

FIFTY YEARS IN THE PRIESTHOOD

We extend our congratulations to Fr. Patrick Hallinan, Aughavoulivone, Ballinamult on celebrating the 50th anniversary of his ordination to the priesthood. He was ordained with and was a life-long friend of the late Cardinal Tomás Ó Fiach. They were ordained on June 8, 1947.

During his ministry, Fr. Paddy worked in Papua, New Guinea and later in Newcastle, Australia.

He was baptised, made his first Confession and Holy Communion and later received his Confirmation at St. Laurence's Parish Church, Four-Mile-Water and it was in that church he offered his Mass in June 1947.

Some years ago, Fr. Paddy retired and came home to roost among his people where he was born and reared. He is now a born-again farmer and is a general "all-rounder." He is being

requested regularly for pilgrimages around the world and to lead Prayer Group meetings. Fr. Paddy is known, loved and respected the length and breadth of Ireland and many other parts of the world. He is blessed with good health, he has a brilliant memory and always was and still is a very devoted servant of Our Lady. He gives many hours with pilgrims at Mount Melleray Grotto.

We wish him many more years in the vineyard of the Lord.

PARISH PASTORAL COUNCIL

This week we conclude the information regarding the election and constitution of the forthcoming Parish Pastoral Council, reminding you once again if you have any problems or difficulties please have a talk with Fr. James Denmead, C.C., Four-Mile-Water/Newcastle.

Committees of the Council — 1. — The Council will set up, from among its members, committees to deal with special areas of parish life.

2. — The council will be obliged to set up the following committees, but may set up others which may be considered necessary from time to time.

(a) — Committee for Liturgy; involving the laity in the community worship; selecting and training readers at Mass and other services; encouragement of music and choir activities; suggesting special forms of worship for particular seasons and feast days; advising as to times of Masses.

(b) — Committee of lay apostolate; helping co-ordinate and encourage existing parish organisations; suggesting new organisations that might be introduced; encouraging youth activity in the parish; having special regard for the old and the sick; relating to newcomers to the parish, a welcoming committee.

(c) — Committee of Finances: having an overview of parish finances; making decisions concerning the collection of necessary monies; establishing priorities as to

the expenditure of parish monies; arranging and publishing parish accounts.

(d) — Committee for Parish Property: Supervising parish property and buildings; making decisions as to their needs and upkeep.

(e) — Committee for Communications: Keeping the parish well informed as to parish hopes and needs; canvassing, perhaps through occasional questionnaires, the views of the people on every aspect of parish life; issuing occasional news sheets informing those at home and away of parish activities; actively encouraging Catholic reading (newspapers, pamphlets, perhaps a parish library); establishing good relations with boards of managements of the schools in the parish; encouraging parental involvement in the religious education of the children.

(f) — Committee for Youth Affairs: responsible for identifying the spiritual and recreational needs of the youth of the parish.

3. — There will be at least two members of the parish council on each committee, but the committee may co-opt members of the parish whose expertise would be helpful in performing the task.

4. — Each committee will elect from its members a chairperson and secretary.

5. — The committee will submit regular reports to the Parish Council. The committee's recommendations will have no binding force until they receive the approval of the Parish Council.

RECENT DEATHS

LATE MR. MICHAEL POWER

It is with deep sadness we pen the death of Mr. Michael Power, Mothel, Carrick-on-Suir. The deceased was a man of no direct descendants, but his care for his extended family was exemplary.

During his long life as a farmer, he never tired of working at what he knew best, striving to get the best out of land and animal. He did so in a manner which recognised the sacredness of both, given to us by the Almighty for our use and benefit, not for abuse or cruelty. He was never wasteful, neatness and tidiness were his watch-words.

Together with his sister Molly, who for many years shared his daily devotion to duties on his farm, he respected all who visited his home in Mothel where neighbours always found a helping hand. In later years he no longer found it possible to continue living in Mothel so he adopted to a new life in Carrickbeg. Close by is the Franciscan Friary where he loved to spend some time each day. Devotion to religious duties were always taken seriously by Michael. Quietly he retained his faith and hope, although he was not spared suffering or set backs. It is in the hands of God is how he would put it. Ar dheis Dé go raibh a anam.

LATE MR. PETER REILLY

Many old friends learned with regret the death of Mr. Peter Reilly, Dromore Drive, Mallow, Co. Cork and late Garrynoher, Ballyjamesduff, Co. Cavan which sad event took place at Cork University Hospital, Cork on Tuesday, June 3rd after an illness of some duration.

The deceased, a retired Sergeant Defence Forces, served as a training N.C.O. with E/Coy 13th Batt. F.C.A. where he came in contact with fellow members from Dungarvan and Ballymacarbry over the years.

On Wednesday evening his remains were removed from the Hospital Mortuary to the Church of the Resurrection, Mallow and after requiem Mass on Thursday, the funeral took place to Crosserlough Cemetery, Ballyjamesduff, Co. Cavan where a soldier and gentleman was laid to rest.

Tá síocháin agus suaimhneas bainte amach aige.

LATE MRS. MARGARET O'LEARY

Profound and sincere feelings of regret were widely expressed at the news of the death of Mrs. Margaret (Maggie) O'Leary (nee Murphy), Clashganny West, Newcastle which sad event took place at her residence on Thursday, June 5th.

The deceased, in her early 90's, was a member of an old and respected Co. Waterford family, a lady of outstanding qualities who possessed a wonderful warm personality and made friends at ease. All callers to her home were always made feel truly welcome as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her easygoing nature which endeared her to all.

Possessed of an old world charm, she had a most charitable outlook on life and her passing has evoked feelings of sincere regret. Many tributes have been paid to this lady but perhaps the finest was paid to her on Friday evening when all walks of life were present in the large concourse of mourners who were present when her remains were removed from Condon's Funeral Parlour, Clonmel to St. Mary's Parish Church, Newcastle.

On Saturday morning, the feast of St. Claude, requiem Mass was celebrated for the repose of her gentle soul. After Mass she was laid to rest in the family plot in the adjoining cemetery again in the presence of a large concourse of mourners who were present to pay their final respects to a dear Christian friend whose memory they will cherish.

To her husband Mattie, her daughters, sister and her many relatives to them we extend our sympathy.

FR. AHEARNE'S DEPARTURE A LOSS

There was a sense of shock throughout the parish of Abbeyside/ Ballinroad/ Garranbane last weekend when the news broke that our esteemed curate Fr. Ahearne was to leave the parish to take up an appointment elsewhere as parish priest.

However, deep down we knew it was a move that was imminent for a few years now and we can rejoice that his stay among us was possibly longer than is usual or was expected.

Fr. Ahearne was appointed curate to the parish of Abbeyside/Ballinroad/Garranbane 16 years ago and served under Rev. Canon Farrell who was parish priest. That was the time of major renovations to the churches and schools in the parish and Fr. Ahearne as curate was involved in the considerable fundraising

that had to be done to pay for the improvements.

Fr. Ahearne was also involved in the first Parish News booklet and it has been produced monthly without fail. He has been Chaplain to Abbeyside Boy Scouts during his time among us.

Another first was the setting up of the Reference Archive and this labour has borne fruit in the last 3 years with an exhibition of the Archive material every Sunday in the Parish Office.

Fr. Ahearne was and still is to the present day a driving force behind the Senior Citizens Committee which has done such wonderful work throughout the parish for our senior citizens. We remember the annual social in Clonea Strand Hotel after Christmas, the annual outing during the summer and this year the additional a tea party in Lawlor's Hotel

which took place just a short few weeks ago.

In recent years Fr. Ahearne took a personal interest in the modernising of Ballinroad Hall and with the help of the FAS Scheme, major improvements have taken place which place the hall in the position of being the best of its kind anywhere. To ensure the maximum use of the updated facilities, the Ballinroad Talent Competition was recently successfully concluded for the 3rd year in a row.

As well as his priestly duties, Fr. Ahearne was also Chairman of the Board of Management of Garranbane N.S. and was a regular visitor to Abbeyside N.S. to help with the preparations for ceremonies such as First Holy Communion and Confirmation.

All in all Fr. Ahearne has contributed a massive amount of solid work over a long period of years to the locality and yet the man himself would not look at it from that view point as to him it was a labour of love. No doubt we will learn of other works of mercy done quietly and unobtrusively during the next few weeks and again that would be the nature of the man.

At this stage we would like to wish Fr. Ahearne the best of luck in his new parish and many years of health and happiness.

PRIMARY SCHOOLS GAMES

Congratulations to Garranbane N.S. who won the final of the boys hurling last week when they defeated Villierstown at Fraher Field.

GENERAL ELECTION

Voters attended at Abbeyside School, the Tennis Pavilion or St. Laurence's Hall, Ballinroad. Interestingly enough voters in the Burgery area had to cast their votes in the Sports Centre, Dungarvan. There was a complete absence of party activists outside the polling stations and consequently there was a lack of atmosphere in the whole process of voting.

4th Waterford Abbeyside Scouts Notes

NAME CHANGE

At the recent meeting of National Council it was decided to change the name of the association to Gasóga Catoilcí na hÉireann or in English Scouting Ireland C.S.I. It is important to state that the association is not called Catholic Scouts of Ireland and this wording should not appear on any documentation. Catholic Scouts of Ireland is the explanation of the initials C.S.I., however the title of the association is Scouting Ireland C.S.I. and neither Scouting Ireland or C.S.I. are correct but rather the combination of same within the title. Our unit here in Abbeyside will now be titled 4th Waterford S.I.C.S.I. or Scouting Ireland C.S.I. 4th Waterford Unit.

The association badge is the cross and shamrock logo with scroll and is the traditional badge of the association.

OUR LOCALITY

In December 1945 St. Augustines had a brisk A.G.M. that promised a better year ahead. Enthusiasm ran high and plans for 1946 were laid with real gusto. The officers elected were -

President: Very Rev. Fr. Roche, P.P., Vice-President: Rev. M. Power C.C., Chairman: P. Burke, Hon. Secretary: John Hayes, Hon. Treasurer: Tom Ryan, Committee for Junior Hurling: L. Condon, M. O'Connor, T. Waters, J. Waters; Committee for Minor Hurling: Pax O Faoláin, J. Grant, P. Brett, D. McGrath. It was decided to enter Minor Hurling, Minor Football and Junior Hurling teams.

BLUE AND GOLD

March 31st 1946 is a date to go down in the record books because it was the first time Abbeyside wore the blue and gold jerseys which have been theirs since. The new jerseys were given their first airing in a challenge game against Éire Óg both sides being in preparation for their first championship outings.

Junior Hurling Championship Round 1 — St. Augustines beat Touraneena comfortably. The game was succinctly summed up by An Runaidhe in the "Dungarvan Leader" -

".... young Fraher and Johnny O'Connor were the pick of the players."

Round 2 - St. Augustines 6-8 Modeligo 0-3.

Round 3 - St. Augustines 3-7 Dungarvan 4-2. This was a famous victory and the bonfires were blazing that night in the Village. Training and preparation had been intense, no stone was left unturned. The public houses were scoured on the Saturday night lest anyone be guilty of weak resolve. Only one team member was found drinking lemonade !!

The Dungarvan Brass and Reed Band was there under Mr. T. Costin. Bro. Murray threw in the ball. Micheál Mac Carthaigh (Tipperary) and Michael Kehoe (Wexford) who were in Ring College for the summer acted as officials. Kehoe, who was an umpire, took special pleasure ever afterwards in recounting the manner in which he had been roundly denounced by an Abbeyside supporter who ended by declaring - "You know nothing about the rules".

(Mr. Kehoe was, at the time, Chairman of the Leinster Council and later to be President of the G.A.A.)

ABBEYSIDE A.F.C. NOTES

LOTTO

Numbers drawn by Michael Cosgrave, Sarsfield Street were 7, 10, 20. There was no winner. Next week £1,100.

SCHOOLBOY NOTES

Bill Organ Tournament
On Sunday evening last Abbeyside under-11's and under-12's played a four team knockout tournament for the Bill Organ Memorial Trophy. The pre-tournament favourites Declan Burns side were beaten early on which left the tournament wide open for Eamonn Hennessey and Aidan French. Peter Phelan's side also went out in the first round. The 3rd and 4th place play off went to Peter Phelan's side. The final was won by Aidan French's team after some brilliant football from both sides.

John McGovern presented the trophy to the winning captain on behalf of Matty Organ. Through no fault of his own, he could not make it on the day. A big thanks to John Mullarkey and Nobby Drummy for refereeing the games on Sunday, also a big thanks to Tony

Mahony, Cycles for the new bibs, Dirk Baumann and Susan Dalton for their kind gesture of medals and also Joe Foley for his kind spon-

sorship. Last but not least a very special thank you to Pakey and Angela Drummy for their great help and support throughout the season.

Abbeyside Reference Archive

Last week we received a copy of a book for the Archive. We already have twelve similar books but we were still delighted to receive this copy. It had a light blue cover and the gold writing on the spine reads "Abbeyside Parish News 1996". We again thank Fr. Ahearne and his team for supplying us with this "mine of information" to add to our ever growing stock. We are glad to report that the Sylvia Burke book of Abbeyside poems which was out of print is now back in stock once again.

This Sunday evening Moll Shields will be minding our treasures at the Parish Office where all visitors will be most welcome.

G.A.A. NEWS

Ballinacourty Senior football team were defeated by St. Saviours 3-9 to 0-10 in the top of the table clash in Division 2 of the new football league. Ballinacourty now have to defeat Kilmacthomas in their final game to ensure promotion to Division 1.

Lismore Notes

LISMORE CAMOGIE NOTES

Under-12 — Our under-12 team had a super win over St. Saviours on Tuesday last to secure their place in the semi-finals of the Under-12 Championship.

The Lismore girls got straight down to action in this game. Knowing they had to win they started in determined fashion and soon were ahead. They continued to dominate leading 3 goals to 1 at half-time. Deirdre Barry and Laura Buckley hit top form in this game and Lismore well deserved their 5 goal to 1 goal victory.

Team: A. O'Brien, L. Leahy, T. Morrissey, C. Houlihan, N. Byrne, D. Barry, L. Geoghegan, N. Morrissey, L. Buckley, M. Hennessy, O. Roche, C. Byrne (capt.), L. Fitzgerald, N. Dooley, E. Morrissey, J.

Murphy, M. Twomey, R. Leddy.

These girls now play Tramore in the semi-final on Monday, June 23rd.

Under-11 Tournament — Quite a number of the same girls were in action on Monday night in the St. Saviours run Under-11 Tournament. We had 2 games to play on the night with Ferrybank and Gaultier providing the opposition.

In the first game, once again we dominated from the start having a number of wides before Laura found the net. Niamh pointed and Olivia goaled before half-time.

We continued in the same vein in the second half scoring 1-1 to leave the final score Lismore 3-3 Ferrybank 0-0.

We had to wait 40 mins. before Gaultier organised themselves to take the field and pretty soon afterwards they wished they hadn't. Once Olivia found the net Lismore were on their way. One slip-up in the back-line left Gaultier get their only score of the game to equalise 1-1 but after this it was all Lismore. Olivia got her hat-trick, Laura got a couple, Niamh got a cracker, Deirdre joined in the scoring and Lismore finished up 9-1 to 1 goal ahead at the final whistle with Niamh Ryan getting the Player of the Match Trophy from the Saviours Club. We now play either Butlerstown or Dunhill/Fenor in the semi-final on Saturday evening.

Team: A. O'Brien, T. Morrissey, E. J. Willoughby, C. Houlihan (capt.), K. O'Sullivan, D. Barry, L. Geoghegan, N. Morrissey, L. Buckley, N. Ryan, O. Roche, L. Fitzgerald, M. Twomey, R. Leddy, C. Morrissey.

Féile Blitz — The Féile Blitz held in Lismore on Saturday last was a great success. Eight teams took part with County champions Butlerstown taking the title and Dunhill/Fenor winning the Plate section.

Lismore had a 3-1 to 1 goal win over Dunhill/Fenor in their first game but suffered a 4-2 to 1 goal defeat at the hands of Butlerstown in the semi-finals. Our girls worked hard and hopefully this will give them some much needed practice for the real Féile in 2 weeks time.

Team: C. Byrne, N. Ryan, L. Leahy, O. Daly, M. Lancers, D. Keane, L. Geoghegan, S. Bennett, E. O'Grady, S. Murphy, L. Fleming, M. Hennessey, L. Buckley, N. Morrissey, G. Leahy, R. Walsh, D. Barry, B. Murphy, T. Morrissey.

Our thanks to everyone who helped out on the day i.e. Peter Power, Dave Bennett, Lynne Heaphy, Ciara, Ber, Anne-Marie, Mary Hennessey and to the G.A.A. and soccer clubs for the use of their fields, also to Tallow Camogie Club for the use of their goalposts.

Training — Senior training goes ahead this Wednesday and Friday night at 8 p.m. with the Juniors playing a practice match at home to Tallow on Thursday night at 7.15 p.m.

Juniors be at the field at 7 p.m.

FF LISMORE COMHAIRLE CEANNTAIR

On Saturday last in the Butler Community Hall, Waterford we saw the Waterford electorate return 2 Fianna Fáil Deputies to Dáil Éireann. Congratulations to Brendan Kenneally and Martin Cullen who were elected after the 9th count and jubilant scenes in the hall. The third Fianna Fáil candidate, local man Ollie Wilkinson, polled an excellent 4707 first preference votes and when Ollie's votes were distributed, it copperfastened the 2 seats for Fianna Fáil with a huge transfer of second preference votes. While Ollie was disappointed, he must be proud of his huge vote, at the first attempt, justifying the delayed decision to add Ollie to the ticket. Many thanks to all those who helped Fianna Fáil canvass around the Lismore area to ensure 2 Fianna Fáil Deputies in Waterford and a Fianna Fáil led Government with Bertie Ahearn as Taoiseach.

LISMORE CRICKET CLUB NOTES

Towns League — Lismore v Tower (Blarney).

Lismore found themselves playing at home last Sunday (June 8th). The trip to Limerick had to be postponed to a later date.

Opening the batting on a sluggish wicket, Lismore found runs hard to come by. The ball very seldom rose above knee height. Captain John Ind finished top scorer at 21 with David Ind second on 11. The side bowled out for 77 runs.

Tower also found the going hard and with Lismore bowler Brian Power on top form, Lismore's 77 runs suddenly looked a hard score to beat. Tower were bowled out for 62 runs.

Brian Power finished on 5 wickets for 16 runs off 6 overs. David Ind had another good day with the ball finishing at 4 wickets for 15 runs after 10 overs including 4 maidens. Allen Sheane finished off the Tower innings thanks to a very low diving catch by David Ind. Allen finished a 1 wicket for 13 runs off 3 overs. Lismore's other bowler Glen Hughes finished 0 wickets for 15 runs after 6 overs.

A great day for the Lismore bowlers who kept things very tight defending the 77 runs. Next Sunday sees Lismore playing Cork County in a Minor League game at Lismore.

THE GENERAL ELECTION

Friday last saw the General Election take place. The 3 booths in Lismore had a 70% poll while the constituency recorded a 63.2%.

Voting was brisk early in the day in Lismore but the weather disimproved in mid afternoon and this had a disastrous effect on the voters coming out in the heavy rain. We were asked once again is it possible to have some other location in the town that can be used as a polling station. While the facilities at the C.B.S. are first class, some voters told us the school is too far for them to walk to especially from the other side of the town. We wrote on this same subject at the second last referenda. So hopefully the powers that be might take note once again. It has never been our practice in our notes to delve into the realms of politics and speak about individuals or parties. We feel we must make an exception and compliment local Councillor Ollie Wilkinson on his outstanding performance. As was said to him on W.L.R., congratulations and commiserations. As a past pupil of Lismore C.B.S. it would have been a great honour for the area had he been elected.

BALLINVELLA COMMUNITY CENTRE NOTES

Congratulations to the following children who received the Sacrament of Confirmation recently -

Cappoquin Notes

AFFANE/CAPPOQUIN G.A.A. NOTES

Paddy Buggy Visits Cappoquin

In conjunction with Féile na nGael every school in the County promoting our national games is being visited by G.A.A. dignitaries. A very welcome visitor to the Convent Primary School last Monday was Paddy Buggy, former G.A.A. President and All-Ireland medal holder with Kilkenny. He was accompanied by Paddy Joe Ryan, Waterford County Chairman; Stephen Power, Chairman Féile na nGael (Waterford); Peter Power, Hurling Coach; Dave Bennett, Waterford Senior Hurler; Caitriona Caples, Waterford Camogie player. All spoke on various G.A.A. aspects to a very enthusiastic audience. Paddy Buggy was very impressed by the welcome he received - the pupils formed a guard of honour with hurleys and with a piper (Marguerite Fraher) adding a traditional touch. The hall was bedecked in Cappoquin and Affane colours with the young

pupils wearing caps which they made themselves in club colours. Their efforts must be applauded.

The pupils entertained our visitors with Irish songs and recitations and their own composition singing the praises of coaches Peter, Michelle and Liam was greeted with great applause.

During the visit Paddy Buggy had a little prize for the winner of a little quiz. He also spoke of his clashes with our own All-Ireland hurlers Mickey O'Connor and Mick Lacey who he was delighted to meet again after all those years.

At the end of the visit Eddie Fraher, Chairman Underage Club thanked our distinguished visitors and a special word of thanks for Sr. Agnes, Maire Kearney, Ann, Devine, Rebecca O'Riordan and Sr. Mary for the wonderful organisation on the day and above all for their interest in G.A.A. and the wonderful work they are doing promoting our national games within the school. Everyone had

light refreshments to round off a great visit.

Representing Cappoquin/Affane G.A.A. Club at the visit were Mick Lacey, John Fraher, James Morrissey, Paddy Cahill, Eamonn O'Shea and Eddie Fraher.

It was also nice to see a sprinkling of parents. Cans of coke were distributed to the children compliments of Coca-Cola who are the main sponsors of Féile na nGael.

No Team !! — Where are all our players? It was a sad day for our club last weekend when we failed to raise a team for our County Senior Football League match against Gaultier and had to concede a walkover.

I know we have a big injury list, players on holidays and circumstances can alter cases but surely to God there should have been 15 players available for selection.

Our Championship game against the Nire is just a short few weeks away so we sincerely hope players will respond to this challenge. This is knockout - one chance only to advance so we expect everyone to knuckle down and make a supreme effort to carry our club colours with pride.

Under-12 Hurling Cappoquin 2-1 Shamrocks 1-0.

Cappoquin under-12 hurlers travelled to Knockanore last Sunday morning and recorded a good win. It was a keenly contested match with very few scoring chances and at the half-time break, either side failed to raise a flag.

However in the second half our lads found the goalposts but outfield exchanges were still very tight indeed. This victory was a great boost for these youngsters as the team is picked from a very limited panel.

Team: D. Dransfield, P. Barry, M. Sheehan, T. Looby, D. McGrath, P. Murray, C. Wilkinson, S. Kett (0-1), T. Curran, S. Fives (1-0), D. Wilkinson (1-0), J. Cunningham, K. Looby, I. McLoughlin.

Well done to each team member who tried their best all through.

Under-14 Hurling — Our under-14 hurlers received a walkover from St. Olivers last weekend.

Weekend Fixtures — Our under-12 hurlers play Ballyduff next Saturday morning while our under-14 hurlers play away to Ardmore next Saturday at 3 p.m.

Council Demands Investigation Of Multi-Channel T.V. Service

One of the first demands to land on the desk of the Minister for Communications in the Government will be one from Waterford County Council for an in-depth investigation into the entire multi-channel television service being provided by the Irish Multi-Channel Company in parts of the West Waterford region.

Political party affiliations were set aside this week at a meeting of the Council when Fine Gael's Cllr. Nora Flynn voiced scathing criticism of the present multi-channel service being provided by the company in different areas of the West Waterford region.

By way of notice of motion, the Cappoquin based Councillor called for the new Communications Minister to initiate an investiga-

tion into the quality of the service and reception and the charges being demanded of customers.

Cllr. Flynn said just one word would describe the existing service being provided by the Irish Multi-Channel in West Waterford - "deplorable". The cost too, she said, is "enormous".

She claimed that the reception and general service in her region is "inferior" to what people are getting in other areas served by the cable system. "The people of West Waterford are paying more than enough for what is essential a deplorable service," she said.

Cllr. Flynn said that as a matter of urgency, the Council should demand that the incoming Minister for Communications initiate a fullscale investigation into

the multi-channel situation in the western end of the county.

Cllr. Paddy Kenneally (FF) supported his colleague and said he had received numerous complaints about the service from angry and very disgruntled customers.

Ironically while the voters of Donegal South West gave a thumping mandate to Community Deflector candidate Tom Gildea by electing him to the new Dáil, their Waterford counterparts failed to deliver on the candidature of another Community T.V. candidate, Dermot Kirwan who is Managing Director of the South East Community Deflector Association.

He polled a disappointing 2,946 first preferences and was eventually eliminated on the 5th count.

Second Motor Tax Office Needed

A demand that a second Waterford County Council Motor Taxation Office be established in the rapidly expanding seaside resort of Tramore, was made this week by local Fine Gael County Councillor Con Casey.

Cllr. Casey told the monthly Council meeting that the setting up of such an office should be included as a goal in a new Strategic Management Plan for the county.

He said that all the essential Council services should not be centralised in Dungarvan. There is now a very substantial population in the Tramore area and the town itself has been the fastest growing urban centre in the county for a number of years.

Cllr. Casey pointed out that in Donegal the County Council has set up a range of services around the county and he believed Waterford should consider doing something similar. "The provision of a motor taxation office in Tramore is a facility that should definitely be considered," he added.

County Manager Donal Connolly said it is something he is presently looking at. If motor taxation becomes computerised - which

it is expected to become within 2 years - then he would most definitely consider having an office in Tramore.

Cllr. Con Casey warned that the Post Office is "lobbying" for the motor taxation business, while Cllr. Billy Kyne said he wouldn't like to see it ending up with that body.

The Manager said they are looking at every possible way they can to make the motor taxation service "customer friendly".

Cllr. Ollie Wilkinson urged that Lismore should also be considered as a central location for a motor taxation office if the decentralisation of the service is to be considered.

Workers To Take Industrial Action

As announced in last week's edition, C.A.B. Ltd. at Davitt's Quay, Dungarvan is to shut down on Friday, June 27. This long-established garage, is located in a prime urban renewal area with many multi-million residential developments taking place along the seafront site.

Workers employed at C.A.B. who are members of the ATGWU, have been offered state redundancy entitlement only. By secret ballot they have now voted to take industrial action and to pursue their claim for improved redundancy terms.

Their Union, under District Officer, Tony Mansfield has arranged a meeting between management representatives S.I.M.I. and the ATGWU this Thursday, June 12, in an attempt to avoid a dispute.

This Week In The Garden

Prune Flower Shrubs

Any shrubs that flowered during May or early June can be pruned, but this is not to say that pruning is always necessary. Much depends on the purpose for which the shrub is being grown and the amount of space that you can spare for it.

Take Pink Pippings

Now is the time to propagate pinks by cuttings. Select healthy looking, non-flowering shoots 10 to 13 cm long and pull them out at a joint. This is known as taking a 'pipping'. Insert these pippings firmly, 5 cm deep and about 10 cm apart each way, in sandy soil, preferably in a frame, but failing this in a shady border outdoors and keep well watered. They should be well rooted and ready for planting out by the end of September.

Sow French Beans

Make a sowing of French beans in a sheltered place outdoors. Sow the seeds singly about 15 cm apart in drills 5 cm deep. An economical method is to have two drills about 23 to 30 cm apart, then an alleyway about 75 cm wide, then another couple of rows and so on.

Stop Cutting Asparagus

It is most unwise to cut asparagus after the third week in June. Allow the plants to make foliage now so that new crowns may be formed for next year. Give the bed a small dressing of any good compound fertiliser.

Spray Apples Against Codling Moth

If in previous years grubs have been found feeding inside apples during July and August it is probable that the codling moth is responsible, and steps should be taken now to prevent further damage. Spray all apple trees at once with derris carbaryl, fenitrothion or malathion making sure that the fruitlets are covered. It would be a good idea to spray again in about 3 weeks time to catch any later-hatching grubs. This pest is easily confused with apple sawfly.

Hosta Gives Life To Shady Spots

SHADY borders can be a bit of a struggle for even the most green-fingered gardener.

You can choose carefully from the nursery or garden centre and try to bring a spot of color — but even with "shade" plants, often the results are at best disappointing.

Many gardeners end up abandoning the patch as "too difficult" and accepting that it is never going to be a stunning attraction — opting instead to focus their attention on the sunnier spots.

But you can use shady areas to your advantage by choosing specialist plants such as hostas.

They thrive in those dark and damp areas nothing else likes, beneath trees and in the shadow of the house or fence.

And their foliage — variegated or in an array of shades of green — offers a refreshing alternative to bright flower borders on a hot, sticky summer day.

Hostas — also known as plantain lilies — come in hundreds of varieties.

For maximum effect a selection planted together can offer a spectacular display.

Typically they will grow to around two feet in height and spread, disappearing beneath the ground in winter and emerging in larger clumps during mid to late spring.

During August many varieties produce a stem of white or lilac coloured, funnel-shaped flowers. But the real attraction is the abundance of beautiful foliage that remains throughout the summer.

Little maintenance is needed — apart from fending off the slugs which can be very harmful — and few weeds will penetrate the dense sea of leaves.

Welcome Retreat — Hostas in a shady border offer a refreshing alternative on a hot day

RECENT DEATHS

Mrs. Philomena O'Mahoney (née Condon)

With profound feelings of sadness we write on the passing of Mrs. Philomena O'Mahoney (née Condon), Lickybeg, Clashmore, at St. James Hospital, Dublin, on Tuesday morning last, June 3 after a short duration of illness. Aged 66 years and a native of Mitchel Street, Dungarvan, Philomena was daughter of the late Michael and Mary Condon and married late in life to James O'Mahoney who predeceased her by a number of years.

Two of Philomena's sisters, Theresa Landry and Helen Cooney also went to their eternal reward in the recent past.

Philomena enjoyed great popularity and was a very good neighbour. For many years she was employed at the local cinema.

We offer our deepest sympathy to her brothers, sisters, stepchildren and many other relatives on their loss.

On Tuesday afternoon last, Philomena's remains were brought from St. James Hospital, Dublin to the Kiely Funeral Home. On Wednesday evening, following prayers and rosary recited by Fr. G. McNamara, C.C., the removal took place to St. Mary's Parish Church. Requiem Mass was celebrated on Thursday morning for the happy repose of her soul. The lessons during the Mass were read by Caroline Lynch (niece), John Cooney and Michael O'Mahoney (nephews). The Offertory Gifts were brought to the altar by Louise Moloney, Mary O'Mahoney and the O'Mahoney children.

Following graveside prayers shared by Fr. McNamara and Very Rev. M. O'Gorman, P.P., the interment took place in the adjoining cemetery.

Chief mourners were Gerard, Don, Paddy and Tony (brothers), Peggy, Kitty and Frances (sisters), John Joe, Tony O'Mahoney and

Eileen Kenneally (stepchildren), and a wide circle of other relatives, including sisters-in-law, brothers-in-law, nephews, nieces, relatives and friends.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

Mr. Denis Roche

It is with deep regret we record the passing of Mr. Denis Roche, Stradbally which sad event occurred at his residence on Friday, May 30, following a period of illness.

Dinny was aged 69 years and a native of Loughfouder, Knocknagoshel, Co. Kerry. He left his home place in 1948 to become a member of the Garda Síochána. During his 42 years of service in the Force, he spent time in Ballinure and Ballingarry, Co. Tipperary, Portlaw, Co. Waterford and finally Stradbally where he spent the last 33 years. He retired from the Garda Síochána in 1990.

While serving in Ballingarry, Dinny was a member of the senior football team which won the Tipperary SF Championship in 1951. He was a member of the Tipperary SF team from 1952-1955. He is also the holder of an All-Ireland football medal with the Garda team in 1969.

He was a founder member of the Stradbally Tidy Towns. While over the years Stradbally won many major awards, Denis always hoped for the elusive national title

for The Village. A keen gardener all his life, Dinny also loved a good game of forty-five.

On Saturday evening, following rosary and prayers recited by Fr. Cooney, O.S.A., removal took place from his residence to the Church of the Holy Cross, Stradbally. En route, the hearse was flanked by members of the Gardai. A large cortege walked the distance to the church. The remains were received and blessed on arrival by Fr. Tom Coffey.

On Sunday morning at 10 a.m. Mass was celebrated by Fr. Jim Griffin. The readings were read by grandson Jamie Queally and granddaughter Amy Roche. Offertory gifts were presented by William and Peter Queally, Serena Roche and Michael Sheehan. The Stradbally Choir led by Mary Dunphy sang many beautiful hymns during the ceremony.

After Mass interment took place in the adjoining cemetery. Final prayers were recited by Fr. Griffin and numerous floral tributes were laid on the grave. There was a large and representative congregation present from all walks of life to pay their last respects to Dinny and to sympathise and support his family on their sad bereavement.

Chief mourners — Eileen (wife), Kevin and John (sons), Teresa, Margaret, Assumpta and Bernie (daughters), Ned (brother), Maura (sister), grandchildren, sons-in-law, daughter-in-law, mother-in-law, brothers-in-law, sisters-in-law, nephews, nieces, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

Late Kitty Cantwell (née Glavin)

It is with a deep sense of sadness that news of the passing of Kitty Cantwell, Ballinroad, Dungarvan was received on Thursday, May 22.

Kitty was a well known and popular member of the community, a wonderful character greatly respected and held in high esteem by all who knew her.

In her early days she was employed as a cook in the Isle of Wight and later she was in employment at Minnie Squash Courts where she enjoyed wide popularity among colleagues, management and players alike. She was a wonderful wife and loving mother. Kitty always had a kind word for everyone and her passing leaves a void in our community that will not be easily filled. May she rest in peace.

Following Rosary recited by Fr. Ahearne C.C., removal was from Drohan's Funeral Home on Friday evening to Ballinroad Church where the remains were received and blessed on arrival by Fr. Ahearne C.C. and followed by a large and representative cortege of mourners.

Following requiem Mass on Saturday afternoon, celebrated by Fr. Doherty P.P., interment took place in the adjoining cemetery again in the presence of an immense gathering. The lesson was read by Eddie (son) and Angela (niece). Appropriate music was rendered by Christina Tobin and Nicky Power.

Chief mourners: Tommy (husband); Kieran, Eddie, Eugene, Thomas, (Dungarvan), Raymond (London) (sons); Rosita (daughter); Patrick (Clonkerdon) and Vincent (London) (brothers); Mary (sister-in-law); daughters-in-law, Johnny, London (uncle); grandchildren; greatgrandchild; nephews, nieces, relatives and friends.

(Funeral arrangements were by Tom Drohan, Funeral Directors, Dungarvan.)

Mr. Jack McCarthy

Jack McCarthy, Allen Street, one of Cappoquin's grand old gentlemen, died peacefully on Saturday, May 31. Jack was in his 96th year and had been cared for during the last six months of his life by the wonderful staff of Padre Pio Rest Home, Cappoquin. Although totally blind in his last years, Jack bore that terrible affliction with the same calm dignity and Christian conviction which had epitomised his entire life.

"We that are young shall never see so much, nor live so long."

Jack's remains were removed from the Padre Pio oratory to St. Mary's Parish Church, Cappoquin on Sunday evening, June 1. Fr. Arthure, P.P. and Fr. Rogers, C.C., officiated. Members of the Affane-Cappoquin GAA Club formed a guard of honour in the church

Jack was first and foremost a teacher. "The Professor" taught Latin, Greek, English, Geography and History at Mount Melleray for forty-five years in all with a period at St. Anne's, Cappoquin after his retirement. It was a source of great pleasure to him that all his children followed him into teaching as well.

Jack was proud of all his former students. He particularly enjoyed a chat with the many Melleray old boys who called to see him from time to time from as far afield as South America, Hong Kong, Africa and Australia. Amazingly, even in his final years of darkness he seemed to remember them all.

Jack McCarthy was also a sportsman of great versatility. He was a founding member of Cappoquin Hurling Club and played football too. He played cricket for Lismore and was a past captain of Dungarvan Golf Club. He played both tennis and badminton as well as billiards and snooker. He gave many years of service to the rowing club and was instrumental in the introduction of road bowling to Cappoquin.

Jack's love of sport brought him to countless race meetings, regattas, GAA games and cricket test matches over the years. He particularly loved athletics and often recalled going to the London Olympics in 1948 with his friend Danny McGrath to see his hero Emil Zatopek win gold. Over decades of judging and coaching athletics, Jack also came to number great Olympic champions Pat O'Callaghan and Peter O'Connor among his friends.

Above all else, Jack McCarthy was a great Cappoquin man. He was deeply involved in the development of the local GAA field and in the fund-raising for the church renovation work in the 1960's. He served in the Local Defence Force during World War 11 and later as a local Civil Defence Instructor. Furthermore, many Cappoquin householders owe Jack a huge debt of gratitude for the work done by him and others like him in "Colta" to rid the town of the scourge of ground rents.

"We that are young shall never see so much, nor live so long."

Jack's remains were removed from the Padre Pio oratory to St. Mary's Parish Church, Cappoquin on Sunday evening, June 1. Fr. Arthure, P.P. and Fr. Rogers, C.C., officiated. Members of the Affane-Cappoquin GAA Club formed a guard of honour in the church

grounds.

Requiem Mass was celebrated on the following morning at 11.30 a.m. The chief celebrant was Fr. Arthure and he was joined by other priests from Mt. Melleray and elsewhere, some of whom were past pupils of Jack's.

Monsignor Michael Olden gave a most moving homily on the life of Jack McCarthy, while the Cappoquin Choir sang beautifully all through. After Mass, Jack was laid to rest in the cemetery at Mt. Melleray, the place where his heart had been for most of his life.

Jack's beloved wife Eileen had predeceased him by twenty-two years.

His passing is deeply regretted by his daughter Lily, sons Frank and Kevin, son-in-law Michael, daughters-in-law Dymna and Patricia, his eight grandchildren, niece Joan and her husband Michael Lacey, other nieces and nephews, relatives, in-laws and a wide circle of friends.

Jack's family has been deeply touched by the large numbers of people who attended his funeral, sympathised with them and helped them in their time of grief. May he rest in peace.

(Funeral arrangements by Ca Murray & Sons, Undertakers, Cappoquin. Tel. 058-54339.)

Mr. Patrick (Paddy) Prendergast

The death of Mr. Paddy Prendergast, Fermoy took place at Fermoy Hospital on Saturday, June 7, after a short illness but in the fullness of years. A native of Cooldeane, Lismore, he was one of nature's gentlemen, always ready to help others. His wife Mai (née Griffin of Lyre East, Cappoquin) predeceased him by some years. May they both rest in peace.

The removal took place from Fermoy Hospital to Fermoy Parish Church on Monday evening followed by a very large cortege of relatives and many friends. Fr. O'Brien, C.C., Fermoy received the remains.

ARDMORE SCOUT NOTES

BEAVERS — At 6.30 p.m. the Beaver group left Ardmore to visit the Dungarvan Fire Station. The first stop was JF's and the 'gang' were 'fueled' up for the evening. Donal led the Beavers on a tour of the station and then on to the fire engine. Each one of the Beavers was given the chance to ride the engine and some even got to ring the siren.

From the report that I received via my own Beaver 'it was cool' and they had a great time. Many thanks to Donal and the Dungarvan Fire Station.

CUBS — Activity was the order of the day for the cubs, from bench ball and bull dog to freeze. They had two guests, Brendan and Brian, who presented the cubs (senior) with medals from the soccer blitz which they won recently.

Not only did the senior cubs receive presentations, but Amanda also presented some of the cubs with Merit Badge.

All in all, it was a very busy meeting and plans are afoot for the Father/Cub and also the summer camp. More next week on that.

127 COMPLAINTS FROM COUNTY TO OMBUDSMAN

Ombudsman, Kevin Murphy, published his third annual report last week in which he provides a summary of the year's work and describes a number of individual cases.

During 1996 he received a total of 127 complaints from individuals in Co. Waterford 39 of which were outside his jurisdiction.

The highest number of complaints in the county concerned the civil service with 24 cases involving Social Welfare, three against the Revenue Commissioners and the Dept. of Agriculture and four complaints against the Department of Education and other civil service departments.

Thirty-three complaints without seeking permission, were made to the Ombudsman in Kerry Co. Council had

the county while ten people in the county made complaints against the health boards.

Telecom Eireann was the subject of five complaints by aggrieved Co. Waterford residents and 2 cases concerned An Post.

Of the 71 cases finalised in 1996, fourteen were resolved and in 14 cases assistance was provided. A total of 26 cases in Co. Waterford were not upheld and a further 17 cases were either discontinued or withdrawn by the complainant.

While individual cases pertaining to Co. Waterford were not included in the Ombudsman's report, one interesting case involved a farmer who complained that,

widened the road at a bend by cutting into his land by a number of feet. The Council had removed some of the soil and rock and dumped a considerable amount of it on his land destroying terraced paths used by sheep. The cost incurred in carrying out this work was £1,000 which the Council charged the complainant. The Ombudsman's examination showed that the Council's roads department had made no effort to find out who owned the land nor did it serve a notice on the farmer under the Roads Act. Eventually the Council agreed to withdraw the charge of £1,000 for works done and to pay compensation of £1,500 to the farmer.

Waterford Family Farm Award

The search is on for the best run family farm in County Waterford, with the staging of the annual Family Farm Environment, Conservation and Safety Award Competition organised by Waterford ICMSA and Teagasc.

Entry forms for the competition are available from Teagasc in Dungarvan or any leading ICMSA official in the county. The closing date for entries is June 30 and the presentation to the overall winner will be made at a function in September.

AGRICULTURE AND FOOD DEVELOPMENT AUTHORITY

GRASSLAND

Graze Quality Grass

High quality grass is essential to maintain high milk yield and high weight gains in cattle (1 kg. per day) and calves. June is a very hard month to maintain the quality of grass. Even with good management June/July grass is 4-6 DMD units lower than April/May grass but with poor management in May, grass in June will have a stemmy "butt" and go to seed. Once animals are asked to graze that material performance will decrease.

Therefore if grass is too strong on the next paddock being grazed and grass is plentiful on subsequent paddocks, then you skip one or two of the strong paddocks and graze the next quality paddock. Cut and bag these strong paddocks as you meet them in rotation. This advice goes for cows and cattle. But make absolutely certain (by walking them) that there is adequate grass on the paddocks you will be grazing in 9 to 11 days time. If they are light you are likely to be short of grass in 2 weeks time and that will not look too good for you having gone to the expense of cutting and bagging and then having to feed it back to animals.

To Top Or Not ?

Many farmers are under-stocked while others under-graze resulting in a lot of tall grass area in paddocks. In a 21 day rotation, most (at least 2) of the leaves left after grazing will die and be replaced by new leaves before the next grazing. In itself, this is wasteful but worse still it encourages stem which has poor feeding value and when grazed or topped later in the year leaves the sward thinner. A lot of nitrogen put on to fields where the tall grass area is increasing from one grazing to the next is wasted because the grass is not being grazed.

Therefore topping can be justified in the above circumstances. There is a milk yield response on moderately stocked farms to topping. Set the topper low 2.5 to 3 inches, otherwise it is a waste of time. We have to recognise it as another mechanical chore which results in extra cost and labour.

SHEEP

Weaning

March born lambs should be weaned within the next couple of weeks - 12-14 weeks old is probably the best age. Select any lambs fit for sale before weaning takes place as some setback is inevitable and further disposals will not usually take place for 3-4 weeks. Separate the remaining lambs from the ewes and if at all possible, transfer them to clean grazing or aftergrass. Dose against stomach worms and cobalt. This is the most effective worm treatment of the entire year provided that clean grazing is available.

Ewes should be confined to bare pasture or housed as far as possible away from their lambs. If housing, provide hay and water. Straw, at least initially after weaning is not recommended, the sudden switch from nutritious grass to poor quality straw can cause metabolic upsets and deaths. It is not humane to leave ewes without water to encourage drying off. Milking should not be necessary but individual ewes which appear very full can be drawn sufficiently to relieve the pressure on a couple of occasions.

Within 3 days of weaning, all ewes should be checked for signs of mastitis as part of next year's flock selection process. Dry quarters and lumpy udders which are perfectly obvious now can be a lot more difficult to detect in September.

Grassland

Weaned lambs need access to liberal supplies of grass if maximum thrive is the objective. Significant growth responses are obtained up to 9-10 cms or about 4 inches. This is roughly double the sward height target for ewes in early and mid lactation. A significant clover content will boost performance even more. Starting at this height a stocking rate of 12-15 lambs per acre should be possible until mid August.

Co. Waterford ICMSA News

MEETING OF SOUTH EAST REGIONAL COMMITTEE

A meeting of the South East Regional Committee of ICMSA was held in Hotel Kilkenny on Wednesday, June 3 last. This committee included representatives from counties Wexford, Waterford, Kilkenny, Laois, Kildare, Wicklow and Carlow.

The main items for discussion were Avonmore/Waterford merger, ICMSA demands for farmers from election candidates and County shows in the region.

The meeting was addressed by Frank Allen, President of ICMSA, who outlined the ICMSA pre-election demands from all candidates.

On the merger of Waterford and Avonmore the meeting felt that farmers should study the proposals before making any decision one way or the other and then make their decision as farmers. The meeting decided to attend County shows in the South East region in 1997.

ICMSA CALLS FOR PAYMENT OF SECOND INSTALMENT OF EWE PREMIUM IN JUNE

Mr. T. J. Nally, Chairman of ICMSA's Sheep Committee, called on the Minister for Agriculture to pay the first two instalments of the 1997 Ewe Premium in June. Mr. Nally said he was disappointed with the Ministers statement which indicated that the second instalment would not be paid in June but later in the year. In 1994 and 1995 the first two instalments were paid in June. In 1996 the second instalment was delayed due to budgetary pressures resulting from the BSE crisis. Mr. Nally said that in 1997, there is no reason to delay the payments of the second instalment and he called on the Minister to ensure that sheep farmers receive the second instalment in June.

Mr. Nally also expressed concern regarding the calculation of ewe premium, which does not adequately protect Irish sheep farmers. The current calculation is based on the average EU price. As Irish lamb prices are normally amongst the lowest in the EU, a premium based on the aver-

age EU price does not adequately support sheep farmers, Mr. Nally said. This policy flaw needs to be addressed to ensure that sheep farmers have a viable future, Mr. Nally said, and he called on the Minister to ensure that the necessary adjustments are made.

IFA Win Concession On Headage Forms For Un-Tagged Animal

Waterford IFA Chairman, James Coughlan has said that the IFA has got concession from the Department of Agriculture to enable farmers to apply for cattle headage on eligible cattle that have not yet been officially ear-tagged.

Mr. Coughlan said that this concession is necessary given the fact that in some regions of the country farmers are still awaiting their full supply of tags for calves born on their farms during 1997. Farmers are advised to send in their normal cattle headage forms and to accompany it with a letter stating the number of untagged cattle specifying the tag number of the dam, the breed of the calf and the sex of the animal.

Waterford IFA Chairman said that no farmer must suffer a penalty as a result of problems associated with tags.

Murphy Welcomes EU Milk Promotional Funds

Farmers Encouraged To Reduce Risk Of Skin Cancer

IFA President John Donnelly has encouraged farmers to take special care while farming in the sun during the summer months. The President was speaking at the launch of the Irish Farmers' Association's Sun Campaign 1997 - "Sun On the Farm, a Burning Issue" in conjunction with the Irish Cancer Society.

Mr. Donnelly said "the aim of this campaign is to raise, particularly among farm families, of the need to take care in the sun. Farmers have a much higher incidence of skin cancer than the general population. Because the bulk of farmers' time is spent working out-

doors, they are vulnerable both to the long term and short-term effects of the sun's rays."

Skin cancer is the most common cancer in Ireland with approx. 7000 new cases every year. One in seven men and one in nine women develop skin cancer. However, it can be avoided. The "1997 Sun Smart Campaign" encourages farmers and their families to keep covered while working outside. Wearing a hat and a long sleeved shirt will go a long way towards minimising their risks of developing skin cancer. The Cancer Society also recommends that farmers try to plan their day and work in the shade during the hottest

period.

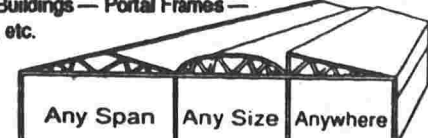

The IFA leader said the Irish Farmers' Association is pleased to be associated with the excellent work of the Irish Cancer Society in helping the farming community avoid the risks of skin cancer.

Marian Looby, Chairwoman of the Waterford IFA Family Committee said that members of her committee would be organising a series of Seminars throughout the country on "Reducing the Risk of Skin Cancer" to be addressed by experts from the Cancer Society. The "Sun Smart Campaign" brochure will be distributed to IFA's 85,000 members.

TALLOW NOTES

TALLOW G.A.A. CLUB NOTES

Senior Hurling League — Tallow 3-7 Passage 3-15. Passage defeated Tallow by 8 pts. in this Senior Hurling League match played in Dungarvan on Wednesday

night last. Passage made all the running in the first half and were well on top at half-time Passage led by 7 pts. 1-9 to 1-2, Tallow's goal coming from J. P. Grey

midway through the half.

Passage scored a couple of points on the resumption but a Tallow goal rocked them and had them leading by 4 pts. 2-4 to 1-11 but a Passage goal put a bit of daylight between themselves and Tallow. Back came Tallow again for another goal. A marvellous save by Martin Murphy but unfortunately the Passage corner-forward had it in the net before our backs could react to the loose ball. From there on Tallow tried very hard for scores but it was Passage who finished the stronger and ran out winners by 8 pts. J. P. Grey had a personal tally of 3-4 with Brian Henley (2 pts.) and John Beecher (1 pt.), a marvellous performance from John Paul with 2 of the goals excellent scores.

The team as a whole played really well and maybe if they got the break they could have had Passage in trouble.

Team: Martin Murphy, Stewart Barry, Trevor Sheehan, Ter McSweeney, Colin Cunningham, James Beecher, Peter Henley, Brian Henley (0-2), Mark Geary, J. P. Grey (3-4 - 2 pen. 0-2 65's), Dermot Henley, J. J. Henley, John Beecher (0-1), William Murphy, Roy Henley. Subs: Stephen Pratt and Florrie O'Gorman (used).

They play De La Salle in the next round of the League.

TALLOW G.A.A. JUVENILE NEWS

Under-14 Hurling — Our under-14 hurlers were back on the winning track this week with 2 more matches played. The first (against Kilworth) was played at home on Thursday evening last. Despite the atrocious weather conditions, it was a good clean match with the Tallow lads running out winners by 2 pts.

A word of thanks to the Kilworth lads for travelling to Tallow and we wish them the best of luck in the final they will contest next week.

We played our second last league game on Saturday afternoon in Dungarvan. This was a game we needed to win after losing to Clonea the week before. Playing against a strong breeze in the first half we found it difficult to notch up the scores and only led by a point at half-time (1-1 to 1-0).

However the second half saw each and every boy step his performance up a gear and we eventually got the scores we deserved. The final result was 6-6 to 2-0 in our favour.

Team: P. Sheehan, K. Henley, D. Casey, W. Curley, R. Tobin, P. O'Brien, M. Norris, S. Mills, M. Keating, A. Kearney, P. Kearney, R. Geary, K. Norris, B. Walsh, M. O'Brien, M. Curley, R. O'Brien, E. Forbes.

Our final league game is away to St. Mollerans on Friday evening, June 13th at 7.30 p.m.

Best Wishes — Best wishes to 2 of our under-14 players who are on the 'injured' list at the moment. Robert Geary battled hard and fought bravely last Saturday and ended up getting 5 stitches for his troubles!! John Feeney is laid up with a threatened appendicitis. Let's hope you'll both be back in good shape this week boys.

Under-9 Hurling — All roads lead to Aghlish this Saturday morning for the under-9 hurling blitz organised by St. Oliver's G.A.A. Club. The following players are to be at the Square at 10.15 a.m. -

Tom Feeney, Kenneth Kearney, Stephen Power (the 2 of them!!), Thomas Ryan, Shane Feeney, Keith Hallihan, Barry Moroney, Shane Aberne, Bob and Jim McCarthy, Shane Power, John Aberne and Damien Pescod.

Any parents willing to lend a hand transporting the boys to or from the venue please contact Rachael Ryan before Friday.

Under-16 Hurling — We have been invited to participate in a one day under-16 hurling blitz in Carlow town on Saturday, July 5th. Fifty teams from around the country will participate and we are one of the 4 from Waterford. What makes this tournament all the more worthwhile is the coaching aspect. Well known and respected G.A.A. men such as Liam Griffin, Martin Storey, Brian Whelehan, Larry Murphy, Adrian Ronan etc. will be giving their time, talents and skills on the day to promote the game amongst our 16 year olds around the country. This is a fantastic opportunity for our lads and comes at just the right time - before our own Under-16 Championship. Each team will be guaranteed at least 4 games on the day. More on this later.

4th Class Hurling Blitz — Ten lads from 3rd and 4th Class, Scoil Mhuire travelled to Youghal on Monday evening to participate in a hurling blitz in the new field. Playing in Division 1, we opposed Scoil Coráin in the

first game. Having almost all the possession here it was a shame we couldn't score. The opposition scored a point from a 21 yard free to snatch victory.

Our second game against Kilkredon N.S. had us in much better form with Mark O'Brien and Luke McCarthy dominating in mid-field, Kieran Casey and Eamonn Forbes defending marvellously in front of goalie Eric Hickey. Michael Curley and Shane Power goaled up front (2 and 1 respectively). Shane O'Grady defended staunchly when called upon and Jamie Ryan and Eoin Condon both had a few attempts on goal stopped.

Our 3rd game was against Bunscoil Mhuire, Youghal and after a tough battle the game ended all square. It's a pity the games were so short (6/7 mins. a side) as the boys only seemed to be getting into it when the time was up!! Full credit to Aidan and the lads in Youghal for their organisation of the tournament.

On behalf of the Tallow lads, I'd like to thank them again for our invitation to participate. Even though the boys didn't win it out, they all had a great day's hurling.

LORD MAYOR ELECTION: CON RYAN Community Centre

Connie Ryan who will represent the Tallow Community Centre in the forthcoming Mayor of Tallow Election. — (Photo: Sean Byrne).

Following on the launch of this event by our Juvenile Club and sponsored by Tallow Area Credit Union, it is full steam ahead over the coming months by the 6 candidates to attempt to become the first ever person in Tallow to wear the chain of office. It is of course basically a bit of fun whilst also raising some funds for the candidates own club or society. Best of luck to them all.

This week we profile our representative from the Tallow Community Hall. The name Con Ryan needs little or no introduction to anyone. Married to Theresa with 7 children in family, Connie is now retired as a butcher where he carried on his business in West Street. 'Twas many the tale that was spun over that butcher shop table down the years and no doubt everyone of those same yarns 100% true!! It was one of Connie's many traits that he coincided his business with a word and a chat for everyone, that same chat often interspersed with a song or two as well. His son Frank continues the business to this day.

Outside of business, Connie has always been deeply involved in community affairs. He has worked tirelessly over the years in the purchase and development of our local Community Hall and 'twas many the tops of the town and other concerts he appeared in within that very same hall. Fifty years or more of involvement at community level surely speaks for itself and we look forward to his active efforts for many years to come.

A great G.A.A. man both as hurler and mentor down the decades, his love of all things Gaelic is as deep as ever.

A tennis player of note also in his prime, he now enjoys the more leisurely game of golf and when he is not packing all such activities into a day, you will find him amongst the choir in our own Parish Church. By now you will have a fair idea of this man's unbounding energy so don't be alarmed when you see that ticket in front of you with Con Ryan for Mayor of Tallow. Just get ready to part with £1. You may not escape otherwise. Best of luck, Connie.

**BRIDEVIEW UTD.
A.F.C. NOTES**

**Victories For
Both Schoolboy
Teams**

Yes it was a great week for our under-18 and under-10 teams as both recorded victories to keep their league hopes alive.

RESULTS

**Under-10 League — Brideview Utd. 2
Kilworth Celtic 1.**

This was a real thriller with Utd.'s winning goal coming in the final minute of the game. Utd. were under pressure early in the game and indeed the post denied the visitors in the 10th min. and our 'keeper Stephen Power brought off a terrific save after 13 mins. to keep us in the game.

Despite the early pressure, we came more into the game afterwards and indeed took the lead in the 19th min. through Eamonn Forbes. We were unlucky not to go in at the break another goal or two in front as both Kenneth Kearney and Eoin Condon both had great shots well saved by Celtic's 'keeper.

Celtic took the game to our lads in the second half and got back on level terms in the 36th min. The game looked to be heading for a draw but Kieran Casey had other ideas. Casey picked up a great pass from Forbes and ran at the visitor's defence beating the 2 centre-halves and struck a tremendous shot from the edge of the box that ended up in the Celtic net.

Time ran out for the visitors to get back in the game and Utd. held on for a great win. This was a great team performance. Stephen Power was excellent in goal while his defence of Eric Hickey, Kieran Casey, Damien Prescod and John Ahearn kept a tight rein on Celtic's front men. Our midfielders of Eamonn Forbes, Eoin Grady and Eoin Condon all played their part in this win while up front Jamie Tobin, Kenneth Kearney and Willie Whyte all played well and kept Celtic's defence.

Team: S. Power, E. Hickey, K. Casey, D. Prescod, J. Ahearn, E. Forbes, E. Grady, E. Condon, J. Tobin, K. Kearney, W. Whyte. Res.: R. Rohan.

**Under-8 League — Valley Rangers 0
Brideview Utd. 1.**

Brideview travelled to Conna on Wednesday evening last desperate for a win. At the end of a great battle they triumphed 1-0. This was a great display from Utd. with top class performances throughout the field.

Eoin Sheehan in goal made a magnificent save in the first half to keep us in the game. Bob McCarthy, Cathal Herlihy and the midfield of Thomas Ryan (who scored the only goal) with Barry Moroney setting up wave after wave of attack for the twin strike force of Shane Feeney and Shane Ahearn.

The goal came midway through the second half scored by Ryan and our lads held out under pressure till the final whistle. Well done lads.

Valley Rangers B 0 Brideview Utd. B 0.

In a second game, the younger lads did very well to hold a bigger Conna side scoreless. Once again we had outstanding displays from Kevin Curley, Philip Cunningham, Micky Connolly, Thomas Daly, Sean O'Sullivan, Chris Sheehan, Stephen Barry and Christopher Murphy.

Lotto — Last week's numbers were 5, 21, 23, 24. There was no winner. The weekend away winner was Sean Noonan, Conna. The match 3 winners were Ger McCarthy; Dymphna Hickey; Mick Bennett, Castlelyons; Adrian Costigan, Mogeely; Mary Byrne; Brendan Jacob; K. Ahearn, Conna; Matt O'Connell. The jackpot this week is £4,300. Draw takes place in Luke McCarthy's on this Friday night at 9.30 p.m.

News To Hand — Is it true that one of the club officers was seen giving away money last weekend? Maybe we should have a collection for him.

Happy Birthday — Happy birthday to Owen Riordan and not forgetting our own Liam Fraser who celebrated his birthday on Tuesday.

WEST WATERFORD NOTES

CLASHMORE RAMBLERS NOTES

MIXED FORTUNES FOR YOUNG STARS

Our under-8 and under-10 teams were in action last Saturday in Conna against Valley Rangers. While we won the under-8 game, our under-10 team suffered a heavy defeat against a very impressive Valley Rangers.

Under-8 League — Valley Rangers 0 Clashmore Ramblers 3.

Our under-8 side followed up last week's win with another victory last Saturday. It took the lads a little while to settle but once Edmund Ledingham put us ahead after 14 mins., we took control and never looked back. Michael Cunningham made an impressive debut and made it 2-0 just before half-time.

Again we made a number of changes in the second half and although Valley came back at us, Michael Cunningham wrapped up the points for us with his second goal after great work from Kieran Burke. Apart from the scorers, Eoin Kelly, Gavin Dower, Stephen Orr and Kieran Burke played best for Ramblers. We were due to play Valley at home on Tuesday and we will have Brideview Utd. as visitors on Sunday morning at 12.00 noon. Training on Saturday from 2 p.m. to 3 p.m.

Under-10 League — Valley Rangers 8 Clashmore Ramblers 1.

Valley scored within a minute of the start and this goal set them on their way to an easy win. We were 4-0 down when Andrew Condon and Emmett Kelly combined to set up Kevin Murphy for a wonderful goal. The score was 4-1 at half-time and Valley piled on the pressure in the second half and there was little we could do to stop them. Kevin Murphy and Emmett Kelly played well up front while Darragh Curran, Stephen Mangan, Andrew Condon and Gavin Seward all played well. Our next game is at home to Castlebridge Celtic on Sunday at 7 p.m. There will be no training for the under-10's this week.

Fixtures — Saturday, June 14th: Under-10 League at home to Castlebridge Celtic. Kick-off at 7 p.m.

Sunday, June 15th: Under-8 League at home to Brideview Utd. Kick-off 12.00 noon.

Training — Training for under-8's only on Saturday from 2 p.m. to 3 p.m.

Mothers And Others Training — We will be stepping up our training in the coming weeks with a couple of games to be played. The ladies have done really well to date and are starting to 'shape' up. New players are always welcome and training continues next Saturday from 3 p.m. to 5 p.m.

Happy Birthday — The birthday list this week includes Bríd Maher, Niamh Roche, Margaret Foley, Anna Beresford, Cathal O'Keeffe, Ciara Dower, Redmond Foley, Sarah Flavin, Norma Kearns, Jimmy Condon and Liam Darbarshire. Best wishes to you all.

Belated birthday wishes to Kieran Allen, our ex-DJ.

Great Support For Club — It has been wonderful to see so many parents travelling to our under-8 and under-10 games recently.

Our under-12 team last season was very well supported both at home and away and once again the parents are turning up in force with their cars to bring the children to the matches. Without this support we may not be able to field so many teams and the club are very grateful for all the help from our supporters. The level of interest in the small leagues has been very high and the entertainment is wonderful for all the spectators so if you get a chance, come along and support the boys and girls when they are playing.

Exams Are On — Best of luck to everyone who are doing their Junior Cert. and Leaving Cert. exams at the moment.

Congratulations — Well done to Seamus Budds, one of our under-18 players, who was chosen as the Hurler of the Year in Youghal C.B.S.

RALLY SUCCESS

Well done to John Beresford and co driver Tom Mansfield who competed the circuit of Munster Rally in Limerick recently. John, who was driving his Toyota Corolla G.T., finished 5th in his class and 26th overall out of 130 competitors. John and Tom are presently in 3rd place in the West Coast Championship and were one of the many Corollas that actually finished. Better luck next time.

BERNARD EXPRESSES HIS THANKS

It is wonderful to see Bernard Moloney of Piltown out and about and back behind the wheel again following his recent road accident.

Bernard would like to extend his thanks to all his wonderful neighbours and great friends who came from far and wide to visit him at home and in hospital, those who sent Mass Bouquets, get well cards and letters, the wonderful nurses and staff in G.B. Ward Cork University Hospital and Mr. McGuinness. A special Mass will be offered for all of you.

IN APPRECIATION OF KITTY RYAN

Profound shock and deep regret was occasioned throughout our community on Friday, May 30th with the tragic death of Kitty Ryan, Shanacoole, Kinsalebeg.

Though Kitty resided all her life in this parish, her boundaries extended far beyond this area. A very gifted and talented lady, Kitty was renowned for her cooking and interior decorating skills. Her position as cook at the Sacred Heart Nursing Home, Youghal and the care of her husband Pa and her family home was more than enough to keep the average lady occupied but not Kitty. This outgoing and prosperous, well organised lady was never too busy to give of her time and help to neighbours and friends when called upon.

Her work at the Sacred Heart went far beyond the call of duty. Kitty was well known even on her time off to go to great lengths to ensure a patient was granted any special request they might want from the kitchen even on Christmas Day.

As a wife, mother, daughter, grandmother, great-grandmother and sister, her love and care knew no bounds. Kitty was the nucleus of this family circle keeping her family at home and abroad united through her letters and phonecalls, always encouraging them and taking great pride in their success.

As a friend and neighbour Kitty's gifts of kindness and willingness to help were renowned especially among the elderly. Whatever the chore you could rely on Kitty to do a top class job in record time. In times of trouble she excelled, organising the Parish Outing, a listening ear, some sound advice, a friend to all, her contributions to life were endless and all our lives are the poorer at her passing.

As news of Kitty's tragic death spread throughout the town on a busy Friday morning, the town almost came to a standstill. People stood around in a state of shock, unable to believe that a lady so full of life just moments earlier was now no longer with us. Even the bright warm sunshine failed to warm the chill in our hearts.

The high respect and love in which Kitty and her family are held was reflected in the very large attendance at the Rosary at Egan's Funeral Home on Friday night. The removal on Saturday night to Piltown Church and following requiem Mass on Sunday afternoon and burial in Piltown Cemetery and the huge volume of floral tributes placed on her place of rest.

To her broken-hearted family, her husband Pa, her son Pad, her daughters Helen, Patricia, Teresa, Rachael and Anne, her mother Mrs. Nan Hogan, her brother and sisters and all her family and friends we extend our deepest sympathy.

FÉILE AN tSAMHRAIDH

Congratulations to Eoin Kelly, Clashmore 2nd prize winner in the written competition poetry under-10 and Mary McGrath of Clashmore 3rd prize winner in the under-10 poetry-written competition. Continued success to you both. Eoin and Mary were both presented with their prizes on Sunday last.

ON THE HILLTOP TEAM

Good wishes to Carol O'Sullivan, Kinsalebeg who commenced work at the Hilltop Hotel, Youghal last week. Carol joins an already popular staff at the hotel and we have no doubt you will be very happy, Carol.

GET WELL WISHES

Our very good wishes to Fr. Lucey from Aglish who is presently recovering from illness. We wish him a speedy recovery.

LEADER FEATURES

Family health

By Dr. DAVE BARRY

Q.I have plaques of psoriasis on my scalp. I use lotions the doctor gave me but they're messy and make my hair very greasy. Is there anything I can do to make my hair less greasy while still helping my psoriasis?

A. The lotions your doctor prescribed for you will clear the plaques from your scalp. The lotion should be left on the scalp for five to six minutes. Lotions used for severe psoriasis must be used every night, left on for more than eight hours and then washed off with a tar

shampoo. If you use hot water the greasy compounds will dissolve easier - the shampoo may have to be applied twice. After washing the scales and plaques will be loose and may be combed out gently, although the lotions are messy if you use them diligently the plaques will disappear in about three

weeks. Unfortunately the psoriasis may recur, however, weekly applications of the lotions will help keep the scalp controlled.

Q. My son had a very itchy rash recently. My doctor said it was scabies and prescribed a lotion that he rubbed all over himself. He's now

fine but I'm so afraid the rest of the family will get it. How can I prevent this happening?

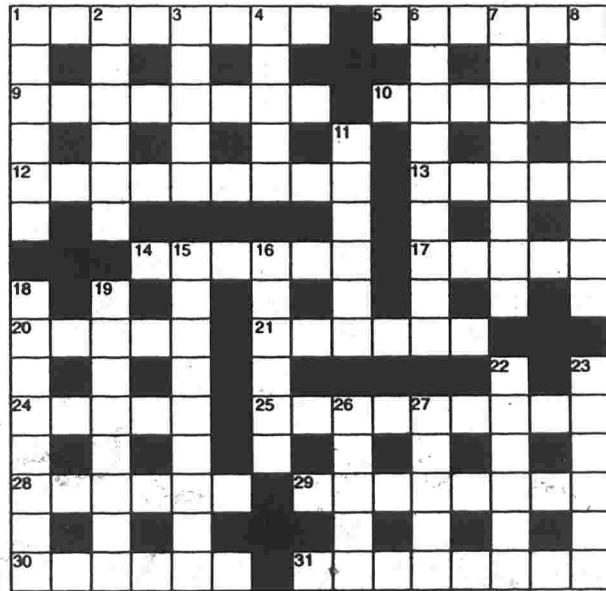

A. Scabies is a transmissible parasitic skin infection which causes intense itching. It is caused by the mite *Sarcoptes scabiei*. The female mite burrows into

the upper layer of the skin and lays eggs in the burrow. Scabies causes an intense itch, worse in bed at night - the heat of the bed causes the hatched larvae to become more active and this makes the itch worse. The burrows can be seen in the finger webs and on the front of the wrists.

Transmission is by skin to skin contact and also by sexual contact. Your doctor will recommend a good lotion for your son and the whole family should be

treated too. Follow the instructions on the label very carefully. It sounds like a terrible task to treat the whole family but it is done quite quickly and easily. Having applied the lotion exactly as instructed, the mites will be killed but the itch may persist for up to two weeks. Your doctor will recommend an antihistamine to reduce the itch. Any infection present in the burrows often clear spontaneously when the scabies is cured.

Beauty basics

A THOUSAND WAYS TO IMPROVE YOUR IMAGE

Skincare

WHATEVER type of skin you may have the winter months can take their toll on it, - from the blustery wind to your cosy central heating. Circulation can slow down as well as cell production. There are many treatments available for all different skin types.

If your the type of person who has not got a good skincare routine and who will use anything on their skin, it's worth taking in hand even just for the winter months. Firstly visit your local beauty salon and treat yourself to a good facial. Then treat yourself to a new moisturiser a basic fragrance free one will do. This will help you get the maximum benefit from your facial.

Following a good skin care routine is important, a cleanser, toner and moisturiser should be used, it

is advisable to use these products from the same range as they are designed to work together. It is worth investing in a facial mask and scrub to use once a week just to pep up your skin a little further.

If you like to use soap and water on your face you might find it very drying on your skin. Why not try a soap or cleanser especially for the face. Always use a moisturiser after washing.

Everyone no matter how good your skincare routine... should treat

themselves to a good facial at least four times a year. This will help rid your skin of dead cells, as well as deep cleansing it. It will also help to moisturise your skin leaving it feeling soft and supple and giving it a fresh healthy appearance.

There are plenty of treatments available at your beauty salon. So if in doubt why not pop along and get some advice.

Conna Castle Concert '97

It's now just over two weeks away and speaking to several young people, it's clear that this is going to be the biggest local gig of the year.

We preview Kerb Dog and Tripswitch this week. Kerb Dog come from Kilkenny and have been described as Kilkenny's answer to "Alice In Chains". Their latest single "Mexican Wave" comes from the album "On The Turn". This single is expected to be as successful as last year's single "Sally".

Tripswitch are better known to most as "My Little Funhouse". They were formed in 1991. All the members were in their teens at that stage. Their first release was a Europe only E.P. "Addicted" which was followed later by "Standunder". The reviews were very impressive, Hit Parade described them as "a band to watch". Their albums were also described as having "strong tunes that rock and grove with a joyous unre-

strained passion." "Wishing Well" reached the Top 10 on the European Rock Charts and "I Want Some Of That" and "Raintown" all did very well.

Next week we preview "Picture House".

IN MEMORIAMs

CROTTY — Tenth Anniversary — In loving memory of a dear father and grandfather, Michael (Mike) Crotty, late of Kilgobinet, Dungarvan, who died on June 13, 1987. R.I.P.

Anniversary Mass on Sunday, June 15, in Kilgobinet Church at 11.30 a.m.

Dearer to me than words can tell,

Was the father I lost and loved so well,

I know you are in heaven, Dad,

The holy place of rest,

For you were always good to me,

And the good alone are blessed.

If roses grow in heaven, Lord,

Please pick a bunch for me,

Place them in my father's arms,

And tell them they're from me.

To me you someone special,

Someone kind and true,

You'll never be forgotten, Dad,

For I thought the world of you.

Will those who think of him today,

A little prayer to Jesus say.

(Loved and remembered always by your loving daughter Mary, son-in-law Joe and grandchildren.)

KIELY — Fourth Anniversary — In loving memory of Paddy Kiely, Killeshal, Cappagh, who died on June 9, 1993. R.I.P. Mass offered.

Not today but every day,

In silence we remember,

Will those who think of Paddy today,

A little prayer to Jesus say.

(Sadly missed by his sister Mary and Patrick and boys.)

MANAHAN — Fourth Anniversary — In loving memory of James Manahan, late of Ring who died June 13, 1993.

Quietly today your memory is kept,

No need for words, we will never forget,

Our thoughts go back as they always do,

We treasure the memories we have of you.

Will those who think of him today,

A little prayer to Jesus say.

(Lovingly remembered by his wife and family.)

CUNNINGHAM — Third Anniversary — In loving memory of a dear father and grandfather, Michael (Mike) Cunningham, late of Ballyheeny, Clashmore, who died on June 13, 1994.

Anniversary Mass, Clashmore Church, Friday, June 13, at 8 p.m.

Nothing can dim the face we love,

The memory of your smile,

The countless things you said and did,

To make our lives worthwhile,

Missed in the morning of every day,

Missed in the evening as night slips away,

Missed in a thousand and one little things,

Round every corner a memory clings.

Precious memories, tears unseen,

Wishing your absence was only a dream,

Precious things are very few,

That's why there was only one of you,

As you were you will always be,

Very special to me.

(From your loving wife Peg and family.)

MY DAD

With never a nature more loving,

Never a heart more true,

I was proud you were my Dad,

I loved and thought the world of you.

I always sit and think of you,

When I am on my own,

I think about the heartache,

I wish I'd never known,

Though absent you are near,

Still loved, still missed, still very dear.

(Always in my heart and thoughts — Kate, Edmond and family.)

O'DONOGHUE — Fifth Anniversary — In loving memory of my Mam, Bridie O'Donoghue, 44, New Street, Lismore, Co. Waterford, who died on June 12, 1992.

Anniversary Mass in St. Carthage's Church, Lismore, on Saturday, June 14, at 7.30 p.m.

MAM

Today is a day of memories so sad,

Of a mother I lost and wish I still had,

Gone is the one I loved so dear,

Silent the voice I loved to hear.

To those who have a mother,

Love her while you may,

For I wish with all my heart,

That I had mine today.

(Loved and remembered always — Anne, Jim, Eithne, David and Karen.)

ORMOND — Fourteenth Anniversary — In loving memory of Tess (née Nagle), late of Abbeyside, who died on June 14, 1983.

MOYLAN — Seventh Anniversary — In loving memory of Gerald, late of 43, Congress Villas, Dungarvan, who died on June 9, 1990.

God saw you getting weary,

A cure was not to be,

He put His arms around you,

And whispered 'Gerald, come to me,'

What he suffered he told but few,

He did not deserve what he went through,

Tired and weary, he made no fuss,

But tried so hard to stay with us.

(Always remembered by his Mammy, Daddy, brothers Darragh and Steven.)

MOYLAN — Seventh Anniversary — In loving memory of our dear grandchild, Gerald, late of 43, Congress Villas, Dungarvan, who died on June 9, 1990.

Father in heaven, hear my prayer,

Look after my grandson with loving care,

A prayer each night to keep me in touch,

With a grandson I loved so very much.

I think of you in silence,

I talk about you too,

I have some lovely memories,

But I wish I still had you.

(Always missed by your loving Nana, Grandad, Mairéad, Ursula.)

O'ROURKE — Sixth Anniversary — In loving memory of our mother Johanna O'Rourke (née Nagle), late of 14, Cathal Brugha Place and Wembley, Middlesex, who died on June 15, 1991.

The saddest thing in the world to bear,

Is to want your mother and she's not there,

So with a sad heart I whisper low,

God bless you Mum, I love you so.

I did not see you close your eyes,

I did not see you go,

All I heard was that you were gone,

Without a last goodbye.

A long as I live I will always be glad,

For the wonderful mother I was lucky to have,

Mum, your memory is like the heart of a rose,

The older it gets the sweeter it grows.

(Never forgotten by your loving daughters Catherine, Mary, Liz, and your son Tommy.)

POWER — Twelfth Anniversary — In loving memory of my Mam, Bridie Power, late of Congress Villas, Dungarvan, who died June 8, 1985. May she rest in peace.

We often it and reminisce,

and share a smile or two,

Fondly telling stories of things you used to do,

We wish that we could see you for just a minute or two,

So you could tell us you're happy and we'd be happy too.

(Always remembered by your daughter Eileen, grandchildren James and Jackie, London.)

TOBIN — Third Anniversary — In loving memory of a dear wife and mother, Nora Tobin, late of Fernville, Lismore, who died on June 13, 1994. R.I.P.

There is someone special there,

(Sadly missed by your loving husband James, daughters Mary, Bridie and Noreen, sons Patrick and Noel and families.)

In God's care you rest above,

In our hearts you rest with love.

June comes with sad regret,

The day, the month, we never will forget,

No length of time can take away,

Our thoughts of you from day to day,

Though absent you are always near,

But happy memories keep you close.

(Sadly missed by your son Liam, daughter-in-law Brigid, grandchildren Liam, Joann, Deborah and Kelvin.)

Four Waterford Beaches Awarded Blue Flags

"Call us if there is a problem" was the message today from An Taisce and Irish Local Authorities as Blue Flags were awarded to beaches throughout the country which achieved the standard required for the prestigious award.

The aim is to maintain the highest possible standards on Irish beaches in this the 10th anniversary year of the awards. To achieve this, the public is being asked to join in by calling An Taisce's Blue Flag office or Waterford County Council with any observations or complaints they may have.

An Taisce are very pleased to announce that in this 10th anniversary year, the number of flags awarded to Ireland was the highest to date. A total of 70 Blue Flags for beaches and 3 Blue flags for marinas were awarded out of a total of 90 applications for beaches and 4 applications for marinas. This is primarily due to improved compliance with the strict water quality criteria required for the Blue Flag award.

Waterford was awarded 4 flags this year with Ardmore, not having held a flag since 1994, coming back into compliance with water quality criteria. The Carousel Slip Tramore,

which is part of Tramore beach, was entered but not forwarded by the National Jury due to the proximity of the dump to the beach. The three other successful beaches are Clonea, Bonmahon and Counsellors Strand, Dunmore East.

Where the Blue Flag flies visitors can expect clean bathing water, litter management, toilet facilities, life-saving and first aid equipment and the separation of different recreational activities from each other and from sensitive natural areas, as well as environmental education and activities. The Blue Flag requirements are designed to ensure that the beach can

manage whatever number of users it has, whether urban and crowded or remote and peaceful so that it stays clean and healthy.

During the 1997 season all Blue Flag beaches will undergo rigorous tests for water quality. Fortnightly water samples will be analysed for total, faecal coliform and faecal streptococci and physical and chemical parameters will also be assessed. In addition inflows affecting the bathing area will be monitored. The public can then be assured that they can swim and play on the beaches which pass these tests without worrying about the quality of the water.

Manager Says Debtors Will be Pursued

Waterford County Manager, Donal Connolly told County Councillors at the monthly meeting this week that he is "reasonably satisfied" with the present financial situation of the Council.

However the Manager has made it abundantly clear that he will be vigorously pursuing those who owe money to the Local Authority.

Mr. Connolly said every effort will be made to recover all outstanding housing loans while those in arrears with domestic and metered water charges will also be pursued for payment.

"Domestic water charges may have been abolished but those in arrears on charges that were legitimately in place over the years will have to pay them," the Manager insisted.

Dungarvan Chamber Of Commerce Notes

In the spirit of Clean Up Dungarvan Week, Horticultural Contractor Willie O'Connor has pulled out all the stops to get his flower-filled window boxes in place around the town centre in time for June 5th.

Practically all of last year's participants have had their window sills adorned again this year and again the Chamber appeals for new participants to enter into the spirit of things and let's make the town, not alone litter-free centre but also create a colourful ambience which both natives and visitors may enjoy.

CHEWING GUM PROBLEM

A joint venture between the Chamber of Commerce and the Urban Council is being planned to tackle the discarded chewing gum problem on the cobble lock footpaths in the town centre. Again we appeal to people not to throw chewing gum on our pavements or any litter for that matter as you are letting yourself, your fellow citizens, your town and county down.

It could cost us the IBAL's offer to build a £1m Advance Factory should the county remain litter free for 12 months. Your future may be secured by such a factory.

A.G.M. Of Waterford County Council

The annual meeting of Waterford County Council to elect a chairman and vice-chairman for the coming year will take place on July 7th.

Last year a planned political "coup" by Fianna Fáil to take the chair from the Fine Gael/Labour dominated Council, with the backing of one of Labour's 3 Councillors, came badly unstuck when 2 of the FF Councillors broke ranks.

It remains to be seen if the "coup" can be put in place again this time. If not the certainty is that the chair will remain within the ranks of FG and Labour.

This time however it would be the turn of Labour and the most likely nominee of that party would be Cllr. Billy Kyne - a former holder of the post.

Evans And Doherty In Park Hotel

A very well attended fundraising concert was recently held in aid of Coiste na dTuismitheoirí, Scoil San Nioclás in the Park Hotel.

The night got off to a rousing start with the best of traditional music from ex-pupils and All-Ireland champions Dearán O Droma and Ciarán O Gealbháin along with Donnchadh Gough and Donal Clancy. Guest singers were recently elected TnaG authority member Ann Mulqueen and Aine Uí Cheallaigh (Príomhoide) along with Cór na Scoile.

The main performance which was given by Evans and Doherty was a marvellous success and the duo kept the huge crowd clapping and singing for 2 hours before bringing all the musicians and singers back on stage for a final number.

Bufochas le hIrial Mac Murchú (Comhlucht teilifíse Nemeton) as bheith ina fhear a' t. Tá an coiste leis an-bhuíoch de gach éinne a thacaigh leis an gcuirme cheoil agus leo siúd go léir a thug urrafocht don gran-nchur. Bígí ag faire amach don gcéad imeacht eile !!

Points from Billy Harty in the 43rd and 50th mins. restored a one point advantage for the West. The winning score came in the 53rd when Brian Murphy, who had been moved out field from goalie, found the net to give the East a two point advantage which they held to the final whistle.

Under-10 Hurling — On Saturday last our under-10 hurlers travelled to Ballyduff to play in 2 knockout stages of their prestigious tournament in the quarter-final we had a comprehensive victory over Naomh Bríd despite an indifferent first half performance. In the other quarter-finals Youghal defeated St. Saviours while Abbeyside and Mount Sion defeated Ballygunner and St. Olivers respectively.

In our semi-final we overcame Youghal while Abbeyside defeated Mount Sion. So the scene was set for a gripping final between Lismore and Abbeyside and what a game it turned out to be. Lismore led at half-time by 1-1 to 0-1.

Abbeyside came more into the game in the second half and it took a last minute equaliser from Lismore to send the match into extra-

time. Ten minutes of extra-time failed to separate the sides so the game went into sudden death with the first team to score. Taking the laurels Lismore piled on the pressure and after 4 mins. Thomas Rose crashed home the winning goal. After the game capt. Michael Coleman was presented with the David Walsh Perpetual Cup by John Jackson, Secretary of Ballyduff Underage Club. At this point on behalf of Lismore I would like to thank Ballyduff for inviting us to participate in this tournament and congratulate them on the excellent manner in which they ran the show.

Team: Leonard Nugent, Padraig Fitzgerald, Nicholas O'Keefe, Brian Walsh, Michael Coleman (capt.), John Nugent, Terence Walsh, Thomas Rose, Daniel Leahy, Brendan Bennett, John Fenton, Philip O'Keefe, Sean O'Grady, Daniel O'Brien, Daniel Devine, Ricky Kearney, Ricky Houlihan, Leonard Oakham, Brian Buckley, Dean Pratt, Maurice Shanahan, Christopher O'Gorman.

Under-9 Hurling — Our under-9 hurlers will play in the St. Olivers tournament next Saturday in Aghlish.

Under-14 Hurling — Our under-14 hurlers suffered a 5 pts. defeat at the hands of Tramore on Sunday morning last. They must now defeat Mount Sion to stay in contention for the championship.

Senior Hurling League — Next Wednesday evening, June 18th at 7.30 p.m. in Lismore we play St. Saviours.

WATERFORD CAMOGIE NOTES

SENIOR CHAMPIONSHIP
Lismore v Dunhill/Fenor

Tuesday, June 24th in Dungarvan club field at 7.30 p.m. The first sliothar of the Senior Championship will be thrown in between the above teams in less than 2 weeks. On paper Lismore must look the favourites here. The team to beat in the late '80's and early '90's, they are last year's beaten County finalists. With players like Caitriona Caples and Mary Murphy with 8 Senior County medals already and others like Lynn Heaphy, Ber Prendergast, Caroline Ormonde and Ciara Tobin who have come up through the ranks in fine style, Lismore have a good mixture of youth and experience. Having topped the table in the recent league, Emma Dunne will lead her team out with great confidence.

Dunhill/Fenor are an unknown entity coming into this match as last year's Junior County champions. Though they are a young team, the majority of these players have many underage medals and know what championship is all about. Many of these players would have had success with the Kilmac' School team this year and are no strangers to intense competition. They will be looking to the likes of Niamh Barry, Sarah Flynn, Theresa Burns, Annette Ratter and Karen Barry to lead the way. They had a good run in the league conceding a walkover to Lismore for that future only. Winners meet Portlaw.

BUTLERSTOWN V GAULTIER

Monday, July 1st in Tramore at 7.45 p.m. The second game sees last year's County champions, Butlerstown begin to defend their County title against Gaultier. Butlerstown have done well in the league and will meet Lismore in that final at the end of July. Having won their first County last year, they will be giving everything to make it the second on the trot with players of the calibre of Trudy Collins, Eileen O'Connor, Niamh Lonergan, Claire Hennessy and Laura Collins they look a strong outfit again this year.

Gaultier however are a good championship team and are always full of great heart and commitment. Though beaten by Butlerstown in the corresponding game in the league, this will count for nothing come championship. Players such as Sinead O'Sullivan, Geraldine Kennedy, Catherine Whitty and Gail O'Sullivan would love to add another County medal this year to the ones they won in '89 and '90. Winners here will face Ardkeen.

JUNIOR CHAMPIONSHIP

Tallow v Tramore on Friday, June 27th in Dungarvan club field at 6.30 p.m.

Ardkeen v Lismore on Friday, June 27th in Dungarvan club field at 7.30 p.m.

With both games fixed for the same venue, it makes for a great evening's camogie. Both games also have the east v west element attached to them. It would be difficult to predict the result of either game.

In preparation for their first round game, Tallow entered the recent Junior/Senior League. Though not featuring prominently, they did well considering the majority of the other teams field at a senior level and the experience of the few games together may well stand to them. Tramore decided not to partake in the league but are possibly doing great work behind closed doors. Winners here will face St. Saviours.

Both teams in the second game are fielding their second string teams. Some of the players from both sides may not have participated in the Junior/Senior League and though Lismore beat Ardkeen for that match, it probably won't have any bearing on this fixture. Matches between these 2 clubs are always close and exciting. This one shouldn't be any different. Winners will play Butlerstown.

UNDER-12 LEAGUE CHAMPIONSHIP RESULT Lismore 3-0 St. Saviours 2-0

This championship is now into its semi-final stages. Lismore are clearly into the semi-finals with Butlerstown and Tramore the last qualifiers going on scores. These two games were to be played this week with the final fixed for the week of June 30th.

UNDER-11 TOURNAMENT

St. Saviours are getting a great response and some great matches have been played. They hope to have it completed before Féile. Thanks must go to major sponsors, Bewleys, Waterford Glass and Shaws.

FÉILE

All systems are go for our under-14's around the County for the weekend starting June 20th. With local Féile just completed, selectors have had a final look at their players before the big competition. Club officials are getting psyched up for hosting their visitors and we know they will make the same success that they made of it last year. We look forward to a great weekend of camogie.

Colligan Woods Make Their Mark At Fairyhouse

On Saturday, May 31st the final of the "Farmers Journal" Showjumping League was held at Fairyhouse. Eight teams from all over Ireland, representing the different regions of the country, were taking part in the final. Colligan Woods no. 1 team were the South Eastern representatives. This team consisted of Louise Moloney, Aine Cummins, Caroline Queally and Caroline Lynch.

Aine Cummins was the first of Colligan's competitors to jump the course. While the large contingent of Colligan supporters were chewing their fingernails, Aine coolly and confidently had a perfect clear round.

Next in for Colligan was Caroline Lynch riding the ever reliable "Colligan Blue Peter". Caroline went around at a lovely steady pace and notched up another perfect clear round.

In the third Caroline Queally rode very competently and was most unfortunate to have faults at the 5th jump which was at an awkward angle and had already posed a problem for some of the other teams.

The last rider for Colligan Woods was Louise Moloney. Once again no. 6 proved to be a little awkward and Louise also had 4 faults here. This completed the first round for all 8 teams. At this stage 2 of the other teams were level with no faults and 5 of the teams including Colligan were going into the second round with 4 faults.

Once again Aine Cummins rode with great determination and had a clear round. Caroline Lynch's coolness and experience were obvious as she also had a lovely

clear round. Caroline Queally was next in for Colligan and she was obviously more settled and literally sailed over the jumps to add another perfect clear to Colligan's score.

By now it was clear that there was an outright winner in the competition. Slieve Aughty from Galway had an excellent day with no faults and were the worthy winners of the league. However 2nd and 3rd places had still to be determined. Three teams had now to ride against the clock. The first of these had a very good clear round in 36.41 secs. The second team were most unfortunate to have faults and a time of 44.21 secs. It was now down to Colligan's capt. Louise Moloney to do the honours for Colligan.

As she cleared in the first 2 jumps with ease, we started to relax somewhat. She continued like lightning around the course and finished with a clear round and an excellent time of 34.80 secs. Colligan Woods had come 2nd in the competition.

At the prizegiving ceremony the judge congratulated Colligan on their excellent achievement as first time entrants to the

competition. He remarked that he felt sure Colligan would be seen in Fairyhouse again and after the sterling performance of all the team members we could only agree with him.

Once again it was wonderful to see so many supporters making the effort to go to Fairyhouse and while there, being so vocal and enthusiastic in their support. We certainly made our mark in more ways than one.

The next event to look out for on the Club Calendar is our gymkhana which will be held on Sunday, June 22nd. All club members are asked to support this event as all help will be badly needed on the day.

Another Novelty Night will be held shortly after the gymkhana. Our last Novelty Night was a fantastic success with all competitors thoroughly enjoying the events. The first event was the trotting race where competitors could not canter. The next event was the relay water balloon. The final event was the musical trot, similar to musical chairs where the last horse and rider to stand still when the real music stopped was eliminated.

At this point I would like to thank Irish Ferries for their generous sponsorship of the Colligan team for Fairyhouse.

I would like to extend deepest sympathy to the Condon family on the recent death of Tony Condon's sister. May she rest in peace.

EAST CORK/WEST WATERFORD SCHOOLBOYS SOCCER LEAGUE

Ardmore And Valley Rgs. Joint League Leaders

The under-10 league is shaping up to be a real thriller. At the moment Ardmore and Valley Rangers are both level on points with Brideview Utd. just 3 pts. adrift of the top two.

It's still all to play for and with the top teams still having to meet one another, we should be in for a real exciting finish to the league.

Edward Kenneally was the top scorer last week when he scored 4 goals for his club Valley Rangers.

RESULTS UNDER-10 LEAGUE

Valley Rangers 9
Clashmore Ramblers 1
Rangers continued their winning ways with a big home win on Saturday last against Ramblers. The Conna side are firing on all cylinders at the moment and are sure to be there or thereabouts at the end. The lone marksman here for Ramblers was Kevin Murphy. Rangers led 4-1 at the break thanks to goals from Edward Kenneally (2), Alan and David O'Connor.

Further goals from Kenneally (2), John Noonan, Alan O'Connor and Sean Barry saw the homeside run out easy winners. Man of the match award must go to Edward Kenneally who scored 4 goals. No doubt we will hear a lot more of this young player in the years ahead.

Ardmore 1 Castlebridge Celtic 0

Despite just the one goal, the big crowd were well entertained here with plenty of goalmouth thrills and a marvellous display of goalkeeping from Celtic's 'keeper Kieran Higgins. The sides went in at the break scoreless.

The only goal of the game came midway through the second half and for once Higgins was beaten. A great win this for the Seasiders.

Brideview Utd. 2 Kilworth Celtic 1

This was another thrilling game with plenty of action which again attracted a big crowd to Brideview Park. Thomas Twomey of Celtic

was denied by the post before Eamonn Forbes opened the scoring for Utd. This goal separated the sides at the break.

George Heskin equalised for Kilworth in the 36th min. but Kieran Casey scored the winner here for the Tallow side in the 39th min. and time ran out for the North Cork Side to get back on level terms. A good win for Brideview but full credit to a gallant Kilworth Celtic who had a big travelling support to cheer them on.

U-8 LEAGUE Victories For Bride View And Clashmore

Brideview Utd. and Clashmore Ramblers had victories over Valley Rangers during last week.

RESULTS

Valley Rangers 0
Clashmore Ramblers 3
Ramblers turned in a great performance here and ran out winners thanks to goals from Michael Cunningham (2) and Edmond Ledingham.

Castlebridge Celtic Notes

UNDER-10 LEAGUE CASTLEBRIDGE CELTIC 0 ARDMORE 1

On Sunday evening last we were at home to table toppers Ardmore. From the start we showed a very positive attitude pushing forward looking for goals. Both teams went in at half-time scoreless with both sides having a few chances of scoring.

In the second half the much stronger Ardmore side came more into the game. Halfway through the half our top scorer James Sexton hit the post after a great run through the Ardmore defence. With 10 mins. to go Ardmore got the winner with a good long range shot. From then to the end we tried hard to level the game but time ran out. This was a great team performance but one player who gets 10 out of 10 for his performance is our 'keeper Kieran Higgins for an outstanding display.

Team: K. Higgins, P. O'Sullivan, M. Hegarty, L. O'Sullivan, B. Hoare, J. J. Murphy, L. Sexton, J. Sexton, B. O'Donovan, G. O'Brien, A. Harnett, S. O'Sullivan.

NUMBERS FOR NEXT WEEK

CARLING INTER FIRMS SOCCER TOURNAMENT

QUARTER FINAL STAGES REACHED

The Carling Inter Firms tournament continued last week with all games played at the appointed times and we have now reached the quarter final stages without any more major upsets. Fine crowds and brilliant sunshine ensured some good entertainment except for Thursday night when the weather was appalling.

**DONNELLY'S BUTLER'S SHOP 3
"DO IT IN STYLE" CALMARK 1**

BUTLERS UNITED with Manager Edward Collins. Despite their appearance there was no clowning around for Butlers Boys, as they provided a spectacular and entertaining game of soccer against Calmark.

Green wigs and grass skirts were the order of the day as Butler's took to the pitch in the second game on Thursday evening. However, they were soon discarded as Butler's got down to the business in hand.

0 interval lead with a fine strike. Michael "Sausage" Donnelly hit a second for Butler's and brother John Paul "Copper" Donnelly hit a fine shot to the roof of the net to complete their scoring.

to play. Micheal Walsh pulled one back and they were very unlucky not to score more goals as they missed a hat full of chances.

Kevin Ryan, Micheal Walsh, Shane Denn and Shane Reddy were best for Calmark.

"Copper" Donnelly gave Butler's a 1-1. It was only then that Calmark started

McLoughlin And Manahan Strike For Chickens

**CAPPOQUIN CHICKENS 3
WATERFORD FOODS 0**

The first game on Tuesday evening saw Cappoquin Chickens run out comfortable winners in the end. But they were made fight all the way by Foods who battled hard all through and it was only in the last few minutes that Cappoquin clinched it with two goals.

Chickens led 1-0 at the interval thanks to a well taken goal by James Manahan. Frank McLoughlin scored twice in the last few minutes to seal victory.

Chickens were well served by Mick Browne, Martin Reddy, Frank McLoughlin and "Growler" Daly while Mickey Hickey, Seanie Kearns and "Bimbo" McGrath were best for Foods.

SmithKline Spot On!

**SMITHKLINE BEECHAM 'C' 1
RADLEY ENGINEERING 1
(SmithKline won 5-3 on penalties)**

Radley's had a fine young side on view and were unlucky not to have caused an upset against SmithKline's strongest team. Kevin Mulcahy gave SmithKline a 1-0 half time lead. Kevin Walsh who had a fine game for Radley's scored a blistering goal for the engineers in the second half.

Penalties were needed in the end with Ml. Cosgrave, Neilie O'Connor, J. J. Henley, Oliver Costello and Mark Hyslop all successful for SmithKline, while Kevin Walsh, Mark Radley and Richard Ferncombe scored for Radley's.

Headed Brace For Liam O'Brien

CRYSTAL 'B' 3

SMITHKLINE BEECHAM 'A' 1

Crystal proved much too strong for SmithKline 'A' in the first game on Wednesday evening. Liam O'Brien headed Crystal into the lead in the 10th minute following a Billy Sheehan corner. Patrick Cummins hit the post for SmithKline in the 20th min. Jim Maher put Crystal 2-0 after 22 minutes when he shot home from close range. A good run by Billy Sheehan saw his cross headed home by Liam O'Brien to give Crystal a 3-0 interval lead.

SmithKline raised their game in the second half and Eugene Gallagher pulled one back in the 60th minute but we feel Crystal took their foot off the pedal!

CARLING QUARTER FINAL FIXTURES

Wednesday, June 11 — Cappoquin Chickens v. Dolan's Fruit & Veg., 6.30 p.m.; SmithKline Beecham 'C' v. Stafford Miller, 7.45 p.m.

Thursday, June 12 — Butler's Shop v. St. Declan's, Kilmac', 6.30 p.m.; Unemployed v. Crystal 'B', 7.45 p.m.

Semi-Finals — Monday, June 16 at 6.30 and 7.45 p.m. (Draw for semi finals on Thursday, June 12 in Clubhouse at 9.30 approx.)

Final — Friday, June 20 at 7 p.m.

PREDICTIONS

Having seen all the games so far my prediction for the semi finals are — Dolan's, SmithKline Beecham 'C', St. Declan's College, Unemployed.

However the teams are very evenly matched with only a kick of a ball between them at the end and I am sure the Cappoquin Chickens, Stafford Miller, Butler's and Crystal 'B' will want to prove me wrong!

Stafford Miller Hit Five
**STAFFORD MILLER 5
BUILDERS 'B' 1**

Stafford Miller hit five goals, the highest tally to date, against Builders 'B' also on Wednesday evening. They were 3-0 up at the interval thanks to excellent strikes from Brian Beatty (23rd min.), Aidan Landers (29th min.) and Maurice Tobin (32nd min.).

Builders pulled one back straight from the restart, but Trevor O'Mahoney hit two further goals for Stafford, the second a delightful effort when he lobbed the keeper.

Crottys' On The Mark For Dolan's
**DOLAN'S FRUIT & VEG. 4
SMITHKLINE 'B' 1**

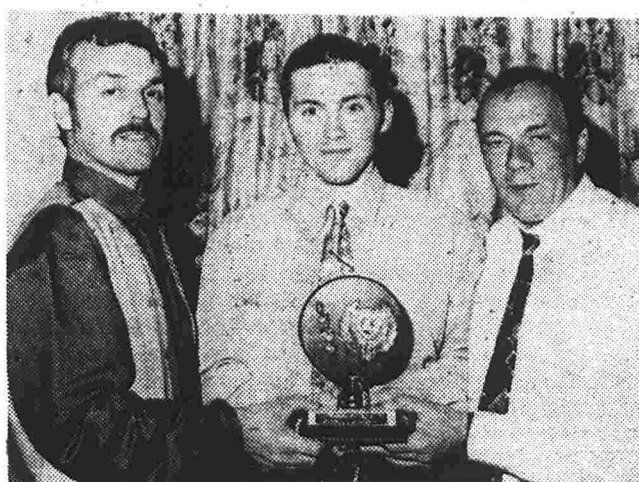

A young Dolan's team ran out 4-1 victors over a gallant SmithKline 'B' in the first game on Thursday evening in dreadful conditions. Joe Nolan gave Dolan's a 1-0 interval lead with a well taken goal.

In the second half Bernie Crotty, brother Mark Crotty and Mark Coles put Dolan's in the driving seat. But SmithKline did not give up and battled to the end and deservedly scored through Shane Russell.

THE LATE JACK McCARTHY

A Tribute By Dungarvan Golf Club

It is with sincere regret that we record the death of Jack McCarthy, Allen Street, Cappoquin which occurred on Saturday, May 31st 1997.

A teacher by profession, he was on the staff of Mount Melleray Secondary School until his retirement. He was captain of our club in 1950 at our course in Ballinacourty.

A gentleman by nature and indeed it was a pleasure to be in his company either on or off the golf course. An elegant striker of the golf ball with equipment that was far below today's technology, nevertheless with his Elvery's purchased clubs he won many a prize and notably the Captain's Prize in 1948.

We quote from an article he wrote for the publication "50 Golden Years In Ballinacourty" -

"To play the game, I bought all my clubs and golf bag at Elvery's in Cork at a time when every pound was worth 20 shillings and every shilling was worth 12p. I paid 21 shillings each for 2 woods, 15 shillings for the long irons and 12/6 for the short irons. An excellent ball called "Blue Flash" cost only 1/3p but if you wanted one of superior quality such as the "Dunlop 65" or "Toplite" the cost was 2/6".

He also refers to the hazards of travel brought on by World War II and I quote "If I wished to continue playing golf, I had no option but to sling the bag of clubs across my back and set out on a bicycle for Ballinacourty - a return trip of thirty miles (30) from Cappoquin. I'm sure many people in Dungarvan must have thought me a bit daft when they saw me cycling through the town. But a locker soon became vacated and I was very happy to put the clubs into it. Those were the days!!

In the early 1950's he acquired a motorcar and each Sunday he provided a taxi service from the Square, Dungarvan to Ballinacourty for 'four budding golfers'. Jack continued to play until the 1970's when osteoarthritis forced him to give up the game. He did continue to keep in touch with the club and he attended for a group photo of club officers in 1991 in Ballinacourty, alas, he never played golf in Knocknagranagh (our new course). May he rest in peace.

At the prize giving of the Captain's Prize on Sunday, June 1st a tribute was paid to Jack by our Captain Des Baumann and a one minute silence was observed in his honour.

Ní bheidh a leithead ann arís.

COUNTRY CLUBS

On a very wet and miserable Thursday evening last in Cahir Park G.C. we went under by the narrowest of margins to a very experienced Templemore team. Well done to all concerned with the team and the experience gained in all the G.U.I. competitions will stand the club well in the

future.

If there are any young golfers, either male or female, who would like to try their hand at golf, they are more than welcome to come out to the golf course and they will be looked after.

DUNGARVAN G.A.A. NOTES

MEETING

A meeting of the combined Adult and Juvenile Committees will take place at the clubhouse on this Thursday, June 12, to make final preparations for the Féile.

U-9 AND U-10 HURLING

This Wednesday night, city club De La Salle will be our guests when challenge games will be played in the u-9 and u-10 age group.

U-12 HURLING

We returned to our winning ways on Sunday last when we defeated Colligan at our own grounds. On Sunday morning next we take on Kilrossanty in the league section of this competition. This game will be played at our own venue.

U-14 HURLING

On Saturday afternoon last

we were comprehensively beaten by Tallow in this age group. Next weekend our final game will be away to Clonea Power.

VISITOR

On Saturday morning last a very welcome visitor to our club grounds was All Ireland and All Star hurler, Larry Murphy, who played left half forward in last year's Wexford hurling side who beat Limerick in the All-Ireland final.

He was given a fantastic reception by all the boys present. Larry gave a hand with the coaching and gave a talk to the boys on the skills of hurling. He had a very busy morning signing hurleys, sliotars and pieces of paper.

On behalf of the juvenile club we would like to thank Larry for taking time to talk

to the boys as he is presently busy training for the Leinster Championship.

SENIOR FOOTBALL

Last Saturday night we took on Stradbally at our club grounds in the Ryan's L&N sponsored football league, Division 1. This game was played in very windy conditions. We played the best football in the first half aided by the breeze. We missed a lot of scores due to inaccurate kicking and led 1-6 to 0-2 at half time. In the second half Stradbally, with the aid of the wind, started to pull back the lead and looked like winning the game until John "Snail" Power scored the goal that sealed the game for us and we won on the scoreline 2-7 to 1-8.

Our next game will be the last in the league section when we play Affane in Cappoquin.

JUNIOR FOOTBALL

On Sunday evening last at our club grounds we took on near neighbours, the Brickeys, in the junior football championship. Playing against a strong wind it was all square at half time 1-2 to the Brickeys and Dungarvan 0-5. We squandered a lot of chances in the second half going for goals instead of taking our points. Nevertheless we ran out winners on the scoreline 10 pts. to 1-3.

STUDENT SUMMER COURSE

Any 3rd level students interested in obtaining work on the Student Summer Scheme with the club please contact Paddy Fitzgerald.

DUNGARVAN LOTTO

Numbers: 23-10-16-2. No winner. Next week's jackpot is £500. Two winners of £25 each — Ann Murray, Boreenatra, Dungarvan; Michael Cooney, O'Connell Street, Dungarvan.

UNDER-21 HURLING

In preparation for our Munster semi-final meeting with either Limerick or Tipperary at Thurles or Limerick on Wednesday, July 16th the panel of players have been involved in a number of challenge matches against counties like Dublin, Kilkenny, Wexford etc.

On Tuesday evening of last week they travelled to New Ross for a game against Wexford (who were runners-up last year) and defeated by 2-16 to 1-10 in a 75 min. game.

NAOMH BRID G.A.A. NOTES

UNDER-10 HURLERS

Congratulations to our under-10 hurlers who won the Div. 3 at the hurling festival in Ballyduff at the weekend.

GOLDEN GOAL

The time of the Golden Goal at the Waterford v. Limerick match was 17.40 to be claimed by June 20. Thanks to Joe Coffey, Knockmeal for sponsoring £100 Easter Hamper.

COMMITTEE MEETING

A meeting for all committee members will be held in Tburaneena Community Centre on Friday night, June 13 at 9 o'clock.

LISMORE COMMUNITY GAMES

Lismore Athletic Club held the local athletic finals of the Community Games on Wednesday night last. Blessed with good weather, the games were very well attended, with big numbers, particularly in the younger ages. The provision of medals to those that qualified, which were presented by our own Patricia Cahill, was a big success and it was indeed heartening to see so many happy faces by the end of the evening.

The county finals are due to be held on June 27 at the Waterford Regional Sports Centre. It is intended to run

a bus to the finals which would facilitate both competitors and parents. Training for the games continues every Monday, Wednesday and Friday in the Brothers Field. Full results—

DUNGARVAN CREDIT UNION CYCLING LEAGUE

John Houlihan Takes Yellow Jersey

Stage 5 of the Dungarvan Credit Union Cycling League resulted in some dramatic changes in the overall classification. Last week's leader Tomas Curran put in a huge effort to maintain his lead but was unfortunate as he unshipped his chain and lost valuable time resulting in him dropping to 6th overall. Going into stage 6 the coveted yellow jersey of race leader will be on the shoulders of John Houlihan who by finishing 10th on last week's stage moved from 3rd to 1st overall. John, who has shown steady improvement each week will need to be at his very best to hold on to the jersey

as breathing down his neck and only three points behind is Aisling Conroy (take note Colm) while up to 3rd overall is the ever improving Stella Terry who recorded a splendid time of 49.44.

Last week's stage win went to Joe Flaherty with Siobhan O'Mahoney 2nd in a superb time of 43.56. Third on the stage was Philip Harty. Once again Robert Power shattered the course record recording a time of 35.37 an improvement of 33 seconds. Impressive times were also recorded by Paul Keating (44.54), Francis Barry (41.10) and a magnificent performance by James Veale (40.36) which earns him this week's Credit Union Cyclist of the Week.

Having reached the half way point the overall leader board has been split into five divisions with the leaders being: Div. 1 and overall — John Houlihan; Div. 2 — John Fitzgerald; Div. 3 — Colm Nagle; Div. 4 — Willie O'Driscoll; Div. 5 — Paudie Flynn.

Stage 6 will see a ten points reduction given to any rider who produces a personal best time.

Overall tables as follows (last week's stage time in brackets):

Division One — 1. John Houlihan 85 pts (51.46), 2. Aisling Conroy 88 pts (52.46), 3. Stella Terry 96 pts (49.44), 4. Michael Hourigan 101 pts (45.49), 5. James Veale 102 pts (40.36), 6. SMITHKLINE BEECHAM CUNNIGAR RUN

"The Issues Of The Conyngar"

One of the earliest references to the Cunnigar where the 5th annual Ras na Rinne takes place this Saturday at 8 p.m. appears in the Sheriff's accounts for the honor of Dungarvan 1262-1263. It refers to a rent of one pound "of the issues of the Conyngar."

A document of 1537 presented to the Royal Commission by the tenants and burgesses of Dungarvan noted that "a certain lande and a warreyn of conyes, called Congard Pointe, is withholden by the said Gerald FitzJohn, containing in length three quarters of a mile and in bredthe one bowshot, well replenished with conyes."

In 1809 a Welshman Lewis W. Dillwyn, a botanist and naturalist visited Dungarvan. In his diary he described a visit to the Cunnigar. "Monday, July 10, I rose this morning at six and employed myself till breakfast in laying out my plants etc. Soon after ten we took a boat and crossed the river to the island called Conyngar on which Gladiolus Communis is in Gough's Camden said to grow but tho' we hunted over every part of the island we saw nothing like Gladiolus nor any other plant which can be considered at all rare except Juncus Acutus, Viola Lutea Divisa. Mr. Leach found a single shell of Venus Pophia and Mactra Lutraria was extremely abundant about high water mark."

In 1861 John R. Dower purchased the Cunnigar at the sale of the Duke of Devonshire's Dungarvan land for £910 on behalf of Dungarvan Town Commissioners. However the Commissioners refused to take the land and Dower was left with it in his hands. In 1912 his son offered it to the Commissioners for the same price. The land contained 44 acres and eight perches.

In 1916 the tenant Bridget Mahony put up for sale her interest in the lands, "the tenant and her late husband Lawrence Walsh insisted on parties frequenting the Cunnigar paying a toll for some years past. They furthermore obstructed fisherman and others from Ballinagoul who had a right of way along those Cunnigar lands."

There was a plan to build a bridge to the Cunnigar and reclaim Western Bay. The idea was first suggested in the late 1820's and in 1926 Dungarvan U.D.C. were asking the local Government Department to sanction the payment of £20,000

promised by the British Government for construction of the Cunnigar Bridge. However the money was never granted to Dungarvan. Part of the scheme, the reclamation of Western Bay was still being discussed in the 1950's.

THE CUNNIGAR RACES

The Cunnigar was also used on occasions for horse racing. "The Waterford News" of 1910 carried a report on one of these races. The first race had three horses, M. Ryan's "Full Back", M. Sinnott's "Miss Anne" and F. Stephen's "Tommy". The judge, James Hayes declared the race void as none of the horses had run the entire course.

The second race was for farmer's horses — M. O'Brien's "Crookstown", M. McGrath's "Le Neve", J. Christopher's "Harmony Hall" and N. Moloney's "Lisfennell. Crookstown was the winner. The third race was won by M. Sinnott's "Miss Ammie".

The fourth race was an open pony race with nine entries. M. Costen's "Little Nell", M. O'Brien's "May Boy", James Barrett's "Miss Florin", William Ryan's "Little Jim", J. J. Harty's "Gay Lass", N. Veale's "A.B.C.", E. Dunphy's "Little Pickininy", T. Sinnott's "Miss Olive" and P. Ryan's "Topsy". The race was won by Miss Olive.

The article ends with the following comment: "Though the day's racing was a grand experience yet very many longed for the old Killossera course where the arrangements are not restricted by the tide. Had the meeting been held at Killossera we have no doubt but there would have been an exceptionally large attendance."

In 1922 a golf course was laid out on the Cunnigar and a golf pavilion constructed. Players were brought by boat from the Lookout by John Duggan or "The Lord" as he was popularly called. The golf club moved to Clonea in 1929.

THE CUNNIGAR IN VERSE

The Cunnigar is the subject of this excellent example of Pilib O Dugáin's poetry. It was written in 1987.

1. — The ebb and flow of changing tide exposes sand and Cunnigar side and Western Bay is left unclad where mud has formed from clay and sod.

2. — And yet when it is mantled bright in shimmering specks on water's light, the golden ripples shining through are glistening rays of friends like you.

3. — And Cunnigar which pierces sea, its outline clear of greenery, among those teeming grasses tall you sway and frolic with us all.

4. — With every tide, the ebb and flow, with every seed that there may grow, you're with us in our seaside scene, a sparkling ray, a blade so green.

5. — But seed is blown to distant field, so you must go where'er the need to permeate with sun's warm glow, through waters fresh that ebb and flow.

6. — The sands at Cunnigar are sod and mud and clay transformed by God who made all life to ebb and flow so may he bless you as he go.

RAS NA RINNE

Over the years distance runners have used the Cunnigar for training. The first connection with it at an organised level was in 1993 when the first annual Ras Na Rinne was staged. The event started outside the Garda Station, descended the hill at Mweelnahorna, headed for the point of the Cunnigar via the beach and returned by the back route up Mweelnahorna and finishing where the race started. The inaugural winner was local runner Gerry Cantwell from Helvick with Denis McCarthy, Ballynoe second and Alan Fox, Kilmacow, third. The same race route has been used since and it has been described as the toughest yet the most enjoyable and novel race on the local running calendar.

The picturesque Cunnigar, venue for the annual Ras Na Rinne on this Saturday evening.

COURSE RECORD

The Cunnigar race has been won by four different runners. Kieran Maher won it in 1994, James Sullivan won in 1995 when many of the runners went astray and ended up running up the sand hill. This is part of the attractiveness of the event! The grass at the rear of the Cunnigar was particularly high that year and the path wasn't visible.

The fastest runner to win the Cunnigar is Philip Harty (West Waterford A.C.) who ran a flier last year to win at his ease in the time of 30 mins. 10 secs. Philip was in a class of his own that night and it was one of the best races he ever ran. It's a mark that could last for many years. The ladies record is held by Liz Bullen at 38.34.

1997 RACE THIS SATURDAY

This year's Ras na Rinne will be held this Saturday at 8 p.m. It's the third race in the Ger Wyley Sports Summer Series and it is being generously sponsored by local company SmithKline Beecham. The winner of the race will receive the perpetual 'Duais Uf Dhroma' trophy presented by Seamus O Droma and there will be prizes for the first three men, the first over 40, 45, 50, 55 and junior men, the first five ladies and the first three graded teams of five runners as well as numerous spot prizes.

The entries will be taken at Halla an Phobail (by kind permission) from 7 p.m. on-

wards where changing facilities will also be available. The presentation of prizes takes place in Mooneys who always sponsor a number of prizes and this will be followed by a social evening in their premises.

CUNNIGAR WALK

In tandem with Rás na Rinne a non-competitive walk over a distance of either 4 or 6 miles on the Cunnigar will start at 7.30 p.m. Check in at Halla an Phobail. What better way to spend a pleasant summer's evening?

NESTLE ALL IRELAND SCHOOLS CHAMPIONSHIPS

Contrasting Fortunes For Local Schools Following Bizarre Sequence Of Events

Within minutes of one another, St. Augustine's College, Abbeyside won and then lost the College of Science Trophy for the best senior boys team at the All Ireland Schools Championships in Tullamore last Saturday and near neighbours Ard Scoil na nDeise lost and were then announced as joint winners of the junior girls cup following a piece of good detective work by team coach Mary Ashe.

The Friary boys certainly had to endure great disappointment as they were presented with the winning trophy when it was announced that they had defeated reigning champions Belvedere College on a 50 pts to 49 pts scoreline. However before long the had to hand back their winnings as a late late recheck on scores saw Belvedere as the winners on a 49 pts to 48 pts scoreline.

In the junior girls competition Mount Mercy, Cork, were presented with the All Ireland Cup when it was announced

that they had defeated the Ard Scoil on a 24 pts to 23 pts scoreline. The presentations and photos had been taken when team coach Mary Ashe brought Eibhlis Ahearne to see the photo finish of her 200 metres race where she was just pipped for the title. Eibhlis had been credited with third place in the 100 metres final but on checking the photo finish of this race it was obvious that she had finished second and not third. Thus the Ard Scoil were due another point to their total which they duly received and so the local school were later announced as joint winners of the cup on 24 pts each. This incident is perhaps the reason why the Ard Scoil were not credited with their team victory in the national papers on Sunday.

It is safe to say that the fact that these two incidents occurred at all is not good enough at this level and it certainly didn't do the reputation of these championships any favours.

ARD SCOIL WIN ALL IRELAND CUP

Ard Scoil na Deise added to their splendid provincial victory of last week when their junior girls team finished as joint winners with Cork City school Mount Mercy at the Nestle All Ireland Schools Track and Field Championships in

Tullamore on Saturday. This is the third occasion that the title has been brought to Dungarvan. It is an historic first win for the Ard Scoil while the Presentation Convent won it in two successive years in 1983-84. All three teams were guided by

local athletic personality Mary Ashe.

Last Saturday's competition could not have been closer or more exciting with both schools finishing on twenty four points. With a scoring system of nine points down to one for the winner to the eighth finisher in every event, every point was vital and so it proved to be.

PHOTO FINISH

Indeed the Ard Scoil almost snatched the title on their own as it took a relay win by Mount Mercy in the last event of the meeting to bring them back into contention. In addition it took the result of a photo finish to deprive Eibhlis Ahearne from Touraneena of the 200 metres sprint title. The KCK club athlete scored fourteen points in all of the team's total of twenty four as she also finished a very good second in the 100 metres sprint. She is no doubt a sprinter with a great future and hopefully this potential will be developed fully in the seasons ahead.

An All Ireland team title however was never won by one athlete and the Ard Scoil's relay team and field events athletes scored valuable points which ensured the title being won by the local school. Substituting for the unavailable Catherine Begley, Grainne Enright (Clonea) teamed up with Grace O'Brien (Grange), Ami McGovern (Sea Park) and Eibhlis Ahearne to finish fifth in the relay final which realised a valuable four points for the Ard Scoil's total.

A further four points were scored by Munster hammer champion Sinead Power (Kilrush Park) who finished

fifth while Charlene Binnie added two more when she finished seventh in the javelin event, a fine achievement for someone who picked up a javelin only a matter of a few weeks ago.

All Ireland titles are not easily won and so great credit is due to all concerned on their famous victory. School Principal Margaret O'Brien was present in Tullamore to witness her students' historic victory.

U-B 40

Congratulations to Villierstown twins, John Treacy and Liz Bullen who celebrated their fortieth birthday last week.

ONCE UPON A TIME

In the years 1983-84 the Presentation Convent, Dungarvan won this title on two occasions. The team consisted of two athletes, Ailish O'Brien (Mapstown) who won the shot and discus double and Tina Mulcahy, Childers Estate who took gold in the race walking final. The girls were presented with their trophy by Darcy Chillingworth, the President then and now of the Irish Schools Athletic Association. The team coach was Mary Ashe.

▲ Mr. Darcy Chillingworth, President of the Irish Schools Athletic Association presents the All Ireland Junior Girls Cup to Ailish O'Brien and Tina Mulcahy (Presentation Convent, Dungarvan). Looking on is team coach Mary Ashe.

ST. AUGUSTINE'S PIPPED IN LAST EVENT

The Phil Conway coached Belvedere College retained their Irish senior boys team title in Tullamore when they scored nine points in winning the 4 x 100 metres relay at the end of a thrilling battle with their great rivals of the nineties St. Augustine's College, Abbeyside. The final scoreline was 49 pts to 48 pts in favour of the reigning champions.

The Friary gave a great team effort with points being scored in a wide variety of

events. It was a case of so near and yet so far but there was some measure of consolation for the locals when they were awarded the Presidents Shield for the second year in a row for finishing in the runner-up position.

Their medal winners on the day were Michael Murray who was second in the triple jump and third in the hammer; Austin Flavin, third in the 400 metres hurdles; Michael Morrissey, third in the discus and Ronan Curran, third in the

pole vault.

Other Waterford medalists on the day were Róisín Quinn (Ursuline) who scored a notable double in the 200 and 800 metres; Aoife Hearne (Ursuline) who won the senior 100 metres final; De La Salle, second in the intermediate relay; Gary Hurney (St. Augustines) third in the intermediate pole vault; Sinéad Kehoe (Mercy, Waterford) third senior shot, and Sonia Tutty (Mercy, Waterford) second in the junior shot.

DUNGARVAN CREDIT UNION SPONSORED HILL RUNNING LEAGUE — Noel Doherty (Dungarvan Credit Union) presents James Moore (West Waterford A.C.) with sponsorship for the recent West Waterford Hill Running League. Also included (l. to r.) are Derek Lyons (Credit Union), Alan Harty (prize winner), Seamus Mansfield (prize winner) and Eoin Dee (West Waterford A.C.) (Rory Wyley)

ARDMORE G.A.A. NOTES

LOTTO CONTINUES TO GROW

Last Sunday night's draw at Fleming's Bar failed to find any matching ticket so our jackpot will roll on to next week. Numbers drawn were 3, 5, 18.

Due to being unable to collect from one outlet, the consolation prizes will not be drawn until Monday night also at Fleming's and we will announce the winners in next week's notes as there was no winner in this batch either and in fairness to the proprietor of Fleming's, it is only proper that they are drawn on the premises. We thank them for their continued support and hospitality and look forward to our next visit.

Next week's draw will be held in Keevers' Bar so get your tickets in time from the usual outlets and sellers.

INTERMEDIATE FOOTBALL

Clashmore 0-17 Ardmore 3-3

On Sunday evening last we completed our Ryan's L&N Super Valu Division 3 League when we went under to league champions Clashmore at their venue. On a splendid evening for football, both teams adopted the right approach and although the competitive edge of championship football was missing it was interesting all through.

We got off to a great start when Kevin Lenane, just off the boat, set up Johnny Hennessey for a peach of a goal. Clashmore were soon into their stride and some bad passes out of defence resulted in points for Clashmore. At half-time we trailed by 5 pts. and Clashmore, who were fitter, looked to be in control at this stage. Further Clashmore scores appeared to put the game out of reach but a great individual goal from Kevin Lenane and a converted penalty by Tony Keane brought us to within a point of Clashmore. Further pressure failed to yield the required equaliser and Clashmore finished the stronger to once again hold a 5 pt. lead at the finish.

Although much under-strength, this display was encouraging in that it showed that the potential is there and what is now required is that the selectors put together a panel who will properly prepare for our championship outing as it is clear that we possess enough of players to have a decent go at winning this championship.

Our sincere thanks to Clashmore for their hospitality and in particular to Michael O'Neill for his kind words to us. We would like to congratulate Clashmore on their promotion to

Division 2 but we hope to meet them again in the championship.

OVER 40'S SHOW THE WAY

If ever leadership was needed, then our over 40's showed the way with some delightful football for the appreciative audience who thoroughly enjoyed the before game entertainment when the over 40's of G.A.A. Ardmore and Clashmore put on a delightful exhibition of skill and rivalry which had the large crowd begging for more.

There were too many stars to single any individual out but one must pay special mention to Kevin and Jim for having such a polished Ardmore team at their disposal. Question marks and the pending inspection are being investigated as Ardmore may have played 'underage' players but such was the sense of fun and adventure not to mention the worthy cause that all who participated can feel well pleased with their contribution and many old acquaintances were renewed both on and off the field.

Full credit to the organising committee and we hope that our participation helped them achieve their target. Once again our thanks to Clashmore and it shows that although rivalry exists and is healthy, it is still sportsmanship which is always the winner and on Sunday evening last there were no losers only happy people who were glad to help each other for a worthy cause.

Finally we hope that Francis Keating who received a wrist injury in the Intermediate game is now okay as up to the time of his departure he was performing very well. We hope that X-rays will reveal no damage and that this popular player will be ready for action again this week.

Our thanks to all those who consented to wear the blue jersey again. We hope you enjoyed the occasion as much as the spectators appreciated it.

DÉISE DRAW

The new Déise Draw has just been launched and it contains a fantastic array of prizes for just £5 per month. As this draw is vital to the fundraising efforts of our club, we urge all of our supporters to join the draw with our club as by buying from Ardmore, you are helping your club and also your County to put in place proper facilities for the youth of the future and the supporters as well.

People who wish to pay the full £60 subscription will enter a special free draw and this is to be rec-

ommended as if you pay in full it will be August 1998 before you have to worry about it again and you will be sure that you are always in with a chance to win.

There will be a special scratch card draw this year as well as additional promoters prizes so we ask you to continue to support our club by buying your ticket locally. Tickets are now on sale so contact your promoter or any club member if you wish to join

RATHDOWNEY IT IS

Our Laois visitors from Féile 1997 will be Rathdowney from Laois and we look forward to giving them a fine Ardmore welcome. They will play 3 games against Ardmore, Tallow and Wexford champions Oulart-the-Ballagh.

Our guests will arrive on Thursday evening where they will be assigned to the houses of their hosts. Friday, June 20th will be competition day with the group winners qualifying for the knockout stages on Saturday morning. Saturday evening sees the parade take place in Waterford to Walsh Park while on Sunday all the finals will be played and a fantastic weekend's hurling will have been staged.

In conjunction with Féile our local schools were visited during the week and we will have full reports in next week's issue along with the times and venues for our games.

The Féile Committee have produced a beautiful programme to mark the occasion and they can be got from our Juvenile Secretary for the small sum of £1. As this will be Waterford's final year for a long time to stage Féile, this programme will be a lovely souvenir to collect so get yours in time.

UNDER-14 ON THE DOUBLE

Our under-14 team notched up 2 great wins against Ballyduff Lower and the Gaeltacht during the week and have now qualified for the final stages of this competition. This team have been showing steady improvement due mainly to their continued attendance at training and with a little slice of luck we can make it to the final in our division. We have one remaining game against Cappoquin, probably on Saturday and then it is knockout time with the winner taking it all.

Our under-12's also continued their winning ways when they travelled to Stradbally on Sunday last and came away with the points after a good display. The next game is at home to Fourmilewater on Sunday morning and all players

are asked to be at the field for 11 a.m. The interpretation of the rules is causing much confusion and will have to be sorted out by the Board before the concluding stages.

EAST v WEST - UNDER-14 FOOTBALL

While the Under-14 League continues, the Under-14 County footballers are preparing for a special Munster Competition to be held on July 12th and this week 4 of our players were involved with the west side who take on their Eastern counterparts on Monday and we wish them and selector Billy Harty the best of luck. Our representatives are Derek Cronin, Niall O'Brien, Philip Beausang and Billy Harty. This competition is being played under experimental rules and will be videoed by the Munster Council so it should be very keenly contested. Our group contains Cork City, Cork County and Tipperary and will be based in Fermoy.

MANY THANKS

My thanks to Noel Weldon for his kind invitation to referee in a tournament to honour the memory of his son Leigh who was tragically killed in an accident.

This Schoolboy Football Tournament was a fitting memory and Noel and his family are to be complimented on their excellent organisation and presentation of this competition which was a fantastic success.

We hope that this will be the start of something big and hopefully next year a sponsor may come forward to keep this worthwhile tournament going. Once again my thanks and appreciation for being part of this great day.

STRADBALLY G.A.A. NOTES

RYANS L&N SUPER VALU LEAGUE

On Saturday evening our senior footballers played Dungarvan in their club-grounds. Playing against a stiff breeze in the first half we contained our opposition fairly well. However in the second half a quick free kick which we did not cover, resulted in a goal which proved to be our undoing and we were beaten by two points.

Best for Stradbally in this match was Eamon Clancy. Final score were Stradbally 1-8 Dungarvan 2-7.

Team — S. Keane, T. Walsh, L. Walsh, M. Curran, E. Clancy, O. Costelloe, T. Costelloe, G. Walsh, T. Gough, N. Curran (0-2), E. O'Brien (0-3), P. Halpin, L. O'Brien (0-2), S. Cunningham (0-1), T. Curran

(1-0). Subs. — F. O'Brien for P. Halpin; P. Kiely for M. Curran.

JUNIOR FOOTBALL

On Sunday afternoon we travelled to Kilgobinet. The pitch was saturated in places which didn't allow for good football and despite the best efforts of our younger players we were beaten. Final score Stradbally 0-9 Kilgobinet 2-10.

Team — K. Kirwan, D. Power, P. Mullaney, K. Coffey, K. Coffey (Ballydwan), M. O'Brien, P. Kiely (0-1), P. Halpin (0-1), P. Casey, T. Costelloe (0-1), A. Kirwan (0-2), A. Curran (0-1), T. Curran (0-1), S. Dee, E. Curran. Subs. — N. Weldon (0-2) for E. Curran; M. Lan-non for A. Curran.

COUNTY BOARD MEETING

The Senior Board will meet at Lawlor's Hotel on Monday night next for its regular monthly session but with very little on the agenda it should be a quiet affair. Among the matters that will be discussed will be the final reports from the management committees of the Senior and Junior hurlers as well as the Senior footballers.

PRIMARY SCHOOLS G.A.A.

Peil Na gCáilíní Finals

ROINN A - I.N.T.O. CUP
Ballymacarbray 4-5
Ballinameela 0-4

Ballinameela started sprightly with Lisa McGrath playing well around the centre of the park. However it was Ballymac' who scored first with a point from the boot of Marian Ryan. Anita Walsh pressed forward and scored a point for Ballinameela. She scored again after a really brilliant solo run. Ballymac' equalised through Marian Ryan. Catherine Ahearne was playing well for Ballinameela and made some timely interceptions. Michelle Ryan received a good pass and pointed for Ballymac'. Unfortunately a mix-up in the Ballinameela defence allowed Ballymac' in for the goal that sent them on their way.

After the interval Michelle Ryan received a short pass and goaled. Some short passing between Michelle Ryan and Emily Fletcher released Rosemary Ryan for another point. Rosemary added another goal and a point and Ballinameela's only reply were 2 pts. Ballinameela, lacking in confidence at this stage, wasted good possession by giving the ball away too easily. Ciara Barrett made a treble save but Ballymac' forced the ball into the net for the final score.

ROINN B - SCOIL
MHUIRE (TALLOW)
TROPHY**Modeligo 3-6****Glenbeg/Carriglea 1-3**

Clare Marks was wide before she goaled with a brilliant ground shot for Modeligo. Glenbeg/Carriglea struggled to overcome this setback but their only reward was a point from a free by Grace Hillard. Jenny Buckley pointed for Modeligo after a poor clearance by the Glenbeg/Carriglea backs. Carol Walsh did a tremendous

amount of work in the Modeligo backline. Clare Marks pointed having received a good through ball. She found the net again following a good ground solo. Goalkeeper Elaine Casey saved a dangerous high ball for Glenbeg/Carriglea. Good defensive play by Modeligo reduced the number of scoring opportunities by Glenbeg/Carriglea. Julie Marks received from Clare Marks and pointed.

Glenbeg/Carriglea resumed in determined fashion and were rewarded with a point by Triona Shalloe. Modeligo counteracted this with another point. Glenbeg/Carriglea pointed from a free. There was some wholehearted play for Glenbeg/Carriglea by Mary Clare Walsh in defence but this did not prevent another goal by Julie Marks whose ground shot went in off the goalie's leg. Jenny Buckley played great football for Modeligo around the middle of the field. Clare and Julie Marks scored a point each before Martina Donnelly scored Glenbeg/Carriglea's only goal of the game.

Modeligo: Ann-Marie Kearns, Sarah Walsh, Mary Kiely, Carol Walsh, Jenny Buckley, Dolores Condon, Rosemary Cunningham, Clare Marks, Julie Marks, Mirjam Havwert, Michelle McGrath, Brigid Dalton, Tara Skehan, Caitriona Fenton, Niamh McCarthy, Michelle Walsh, Michelle Marks, Niamh Hennessy.

ROINN C - JOHN
CUNNINGHAM
TROPHY**An Rinn 3-4****Touraneena 1-4**

Both teams settled down quickly and got into the scoring groove early - Touraneena with a long distance point by Sharon O'Connor and Ring with a point by Clodagh Ní Mhanacháin following a lightning attacking movement. Michelle Gleeson saved well from Clodagh. Ealga Ní Aodha soloed along the end line but shot wide. A rasper from Nicola Ní Dhroma rebounded off the upright. Sharon and Clodagh again exchanged points. Marie Quinlan played some good football in the centre for Touraneena. An Rinn opened a gap as a result of a point from Nicola Ní Dhroma and a goal from

Ealga Ní Aodha. An Rinn could have gone further ahead but Ealga's shot hit the upright and Clodagh sent wide from in front of the goal.

Fiona Ní Chadhla saved well. Touraneena fought for everything and were rewarded with a cracking shot to the net by Aoife Hickey. They equalised when Sharon O'Connor pointed following a quick interchange of passes. Both teams strove for supremacy and it was An Rinn who achieved same with goals from Clodagh and Ealga. Some passing between the Touraneena backs was intercepted by Clodagh who pointed. A point by Aoife Hickey for Touraneena was the last score of the game.

An Rinn: Fiona Ní Chadhla, Caoimhe Ní Chuirín, Sorcha Nic Craith, Nicola Ní Dhroma, Ealga Ní Aodha, Clodagh Ní Mhanacháin, Beibhinn Nielson, Sibéal Ní Fhaoláin, Érin Ní Chondúin, Eibhlís Ní Arta, Proinsias Ní Dhí, Muireann Nic Eochagáin, Liadáin Nic Mhurchadha, Aoife Ní Chondúin, Niamh Ní Mhanacháin, Róisín Ní Mhanacháin.

ROINN D - THE
GAIN CUP
Ballyduff 2-1
Garranbane 1-2

Garranbane were first to score when corner-forward Emma Gordon pointed. Ballyduff sent wide after an exciting attack. Marie Raheer shot strongly but was wide for Garranbane. Emma Gordon was winning possession but just could not translate it into scores. Sharon Lawless goaled and then added a point after a nice solo. Garranbane had a point when the Ballyduff 'keeper Aileen Byrne tipped a strong shot for goal over the bar. Marie Raheer and Emma Gordon had chances for Garranbane but were out of luck with their shooting. Sharon Lawless was in lively form for Ballyduff but did overcarry on one occasion when a shot for goal might have reaped a greater reward. Half-time score Ballyduff 1-1 Garranbane 0-2.

Gillian Hogan made a good clearance for Ballyduff. Emma Gordon tried her utmost to keep Garranbane in the game and she made some good solo runs. However when Tara

O'Flynn passed to Vanessa Hannon, she set up Sharon Lawless for a good goal. Garranbane exerted pressure but Lisa Daly was strong and cool in defence for Ballyduff. Both teams had chances of further scores but found it difficult to overcome the slippery conditions. Treasa Power goaled for Garranbane to leave 2 pts. between the teams and that was the score when the final whistle

Dungarvan CBS Win U-14 "A" Hurling Final

Dungarvan CBS 8-10
St. Augustines 2-4

The Deise Development Draw Waterford Colleges U-14A Hurling Championship final was played at the Fraher Field last Tuesday night. Exchanges were close and tough in the first half with the CBS having the edge. Dungarvan CBS led by 2-5 to 1-3 at half time, having played against the slight breeze.

The Friary got off to a great start early in the second half when they had their second goal in the 33rd minute. Up to this stage John Ahearne was having a marvellous game at full back for the CBS and after this the other CBS backs came more to grips with their game and the Friary could make little headway for the remainder of the match.

At the other end, Ronan Keating tore the Friary defence apart with searing runs, notching up a score of 4-2 from play and full forward Jimmy Moore was also in devastating form scoring 3-2 from play. The CBS ran up to a score of 8-10 to finish convincing winners.

This was a great year for the CBS u-14 team with wins over Middleton CBS, Youghal CBS, Lismore CBS, Doon CBS in the Rice Cup and De La Salle Waterford and St. Augustines in the Waterford Championship. This county title was

based on an all-round team performance.

Sean Kiely was outstanding in goal all season. The six backs have been ever present for all the games as were midfielders John Wall and Christopher Morrissey. While Jimmy Moore and Ronan Keating were the stars on the scoreboard in the final, Philip Beausang broke up the Friary defence with a great performance at centre forward and Johnny Lynch, Brendan Lynch and Donal O Murchadha also worked tirelessly in attack.

Despite the one-sided scoreline the Friary stayed on contention in the game until about 10 minutes into the second half and were very well served by Brendan Scanlan at full back, Billy Harty and John Hurney at midfield with Colm Geary and Michael Walsh impressing in attack.

Scorers — Dungarvan CBS — Ronan Keating 4-2, Jimmy Moore 3-2, John Wall 1-3, Philip Beausang 0-1, Johnny Lynch 0-1, Donal O Murchadha 0-1; St. Augustines — John Hurney 1-0, Billy Harty 1-0, Michael Walsh 0-4.

C.L.G. An tSean Phobal

On Sunday last we continued our league campaign when we entertained Ballinameela at home. Ballinameela have recently come down from the Intermediate ranks and were very much an unknown quantity and we were prepared for a tough game.

Ballinameela got off to a good start but we slowly clawed our way back into the game helped by a superbly taken goal by Joe and this left the half-time score 1-2 to 6 pts.

The second half was again very even but things began to look bad as we went behind by 2 pts. towards the end of the game but again Joe came to the rescue with a goal and in the end we won on the scoreline of 2-6 to 10 pts.

This was undoubtedly our worst performance of the league to date with some terrible wides and atrocious passes. Having said that a win is a win and hopefully on another day, we will take our scores better.

Team: Tucker, Luke, Mossie, Maurice, Mike Power, Eamonn, John Foley, Joe (2 goals), Declan (2 pts.), Michael Power, Brian

Mahony, Timmy (3 pts.), Seamus, Eoin, Alan (1 pt.).

On Friday evening next in Leamybrien we take on the might of Kilrossanty at 7.30 p.m. and we will need to be in top form for this game.

BEST WISHES

Best wishes to our former Chairman Michael French who is presently hospitalised. Hope to see you out and about soon.

Best wishes also to Timmy and Ronan and all our players who are sitting exams at present.

CONGRATULATIONS

Belated congratulations to the Old Parish trio Mairead Costin, Michelle Healy and Orla Costin who were so successful recently with St. Augustines in the Schools Euro Championships.

Our committee will meet on Thursday, June 12th at 9 p.m. A full attendance is required as we finalise our Déise Draw numbers.

MAI O'HIGGINS VISIT

The Club would like to add our welcomes to our own Mai O'Higgins who visits the parish on Thursday evening. It's always nice to see one of our own being welcomed back.

Clashmore G.A.A. Notes

VETERANS CHARITY GAME

The Veterans Charity game against Ardmore in aid of the Piltown Church Building Fund on Sunday evening proved a huge success. In excess of 500 people turned up to witness what proved to be a very enjoyable game of football.

Most players on both sides were turning out for the first time in many years. Football boots were dusted off or borrowed. Togs were retrieved from the dark corners of the press (but they appeared to have shrunk !!). A quick prayer to the Almighty to survive the ordeal and the 'golden oldies' were off to the field.

A mighty cheer rang out as Eamonn Foley led out his men in the red and green. Most observers noted the increased 'strength' of many players, the years of 'weight' training has certainly paid off !!

Ardmore were first into the attack and had the ball in the net after 5 mins. Clashmore replied with a point but Ardmore kept up the pressure and led at the break 1-4 to 0-2.

Clashmore attacked from the throw-in. Dick Power, showing no ill-effects of the election result, was up-ended in the square or near enough to it anyway for referee Pat Dalton to award a penalty. Up stepped Liam O'Rourke and a goal looked certain. Liam's shot however headed towards the corner flag and that chance was lost.

Ardmore broke down field and added two more goals (at this stage goalkeeper Eamonn Foley appeared to have vacated the box). Clashmore rallied once more and Cllr. Power and the ball ended up in the Ardmore net and after some consultation the goal was allowed. For the record the final score was Ardmore 3-5 Clashmore 1-5.

Clashmore team including

subs who all played: Eamonn Foley, Jack O'Halloran, Jimmy O'Rourke, Davy Murray, John Power, Sean Coyne, Brendan Griffin, Tim O'Keefe, Roger O'Halloran, Eddie O'Halloran, Liam O'Rourke, Donal Connors, Noel Murray, Mossie Curran, Pat Hickey, Vincent O'Rourke, Eamonn Beresford, Liam Curran, Dan Leahy, Mick O'Neill, P. J. McGrath, Dick Power, John Hogan.

Our thanks to all who played and to referee Pat Dalton and to Ardmore for making this event possible.

RYAN'S L&N SUPER VALU COUNTY FOOTBALL LEAGUE

In our final outing in this year's Ryan's L&N Super Valu County Football League we played host to Ardmore on Sunday evening. Throughout the game Clashmore were on top in most quarters and yet we could have let the game slip through our fingers. As we had secured the league title in our previous outing and Ardmore had avoided relegation there was no real 'bite' in the game.

Clashmore dominated the first half and led at the break by 0-10 to 1-2. Indeed Ardmore scored their goal in their very first attack. The Clashmore attack moved the ball well in this half and could have had at least three goals but for some fine goal-keeping by the Ardmore net-minder and stout woodwork.

Clashmore started the second half where they had left off in the first and good points by Francis O'Rourke, Mark Coughlan and Mike Fenton had us firmly in the driving seat. Clashmore eased up after that and Ardmore struck back for 2 goals in quick succession both of which it must be said were as a result of bad defending. Clashmore looked in real trouble when Ardmore added a point but our lads quickly pulled themselves together

and three further points without reply per C. O'Riordan, M. Coughlan and R. Ryan sealed a 5 pt. victory. The final score was Clashmore 0-17 Ardmore 3-3 (12).

Team: B. O'Neill, O. Power, M. Hynes, P. McGrath, B. Murray, S. McGrath, C. O'Riordan (0-1), M. Shalloe (0-3), M. Fenton (0-1), K. O'Rourke, S. O'Rourke (0-1), F. O'Rourke (0-4), M. Coughlan (0-5), P. Lombard, D. Fitzgerald (0-1). Subs used: R. Ryan for M. Shalloe (inj.), A. O'Rourke for S. McGrath (inj.), M. Costin for D. Fitzgerald.

So with the league campaign finished, it's now down to the hard work of preparing for the championship. That will start in mid July and there is a lot of work to be done to get our lads up to championship readiness.

LOTTO

There was no winner of this week's Lotto (the proceeds of which went to the Piltown Church Building Fund). The numbers drawn were 3, 9, 17, 22. The winners of £10 each were Vanessa Curley, Piltown; John Corcery, Lackaroe; Carthach Shalloe, Ballyguiry; Cathy Lynch, Ard-sallagh. Next week's jackpot will be £1,000 and the draw will take place in The Old Mill Bar in Piltown.

COUNTY BOARD FOOTBALL LEAGUE DIV. 3

On Saturday evening we travelled to Modeligo for the final game of the current league and came away with full points on the score Shamrocks 2-11 Modeligo 0-10.

This was a good display from our lads and with some good preparation we should do well in the championship.

WESTERN BOARD HURLING LEAGUE DIV. 1

On Sunday evening we were away to Ring in the 5th round and had an 8 pts. victory on the score Shamrocks 2-15 Ring 2-7. We have 3 more games to play in that league which will be good preparation for the championship.

UNDER-12 WESTERN HURLING CHAMPIONSHIP

Cappoquin 2-1 Shamrocks 1-0

Played at Knockanore on Sunday morning, although beaten by 4 pts. our young team gave a very good display and with a bit of luck could be a lot closer in the end.

GOLDEN JUBILEE CELEBRATION

TALLOW G.A.A. CLUB NOTES

THURLES TRAVAIL

I was remarking last week on how despondent most people were last year following our defeat by Tipperary in Waterford when, despite only three points separating the teams, we gave scarcely a glimmer of hope except for the displays of Frampton and Hartley and the exciting promise of Ken McGrath. Following the final whistle in Thurles three weeks ago my first reaction was, of course, of disappointment. As Pat Fanning was accustomed to saying to us after gallant defeat "there is no virtue in defeat." In the context of that time he was quite correct in his efforts to compel us to aim high to regard victory as the only worthwhile objective and to reject any sense of satisfaction with putting up a good show or being content with moral victories. Pat, as I have stated already, was the catalyst who transformed a bunch of underachievers in 1957 whose impact over the next decade would earn respect and admiration for our county throughout the land and make it a time when it was good to be a native of County Waterford.

Waterford followers left Fermoy in 1956 having witnessed their team taste bitter defeat in the championship at the hands of Cork. Many, I'm sure, had the *deja vu* feeling and succumbed to pessimism but many more, those who could make a detached analysis of the display, saw the latent potential of Frankie Walsh, Martin Og, Grimes and Power, John Kiely and Donal Whelan, Tom Cheasty, John Barron and Austin Flynn. They knew that we had men quite capable of competing with the best that any other county could offer. It is history now how faith in those men was rewarded as a new era of Waterford hurling was about to be ushered in.

The more I reflect on the Thurles match the more optimistic I become. Like the majority of our followers I was hoping for a good display with perhaps an outside chance of victory if Limerick played poorly and Waterford reached their best. As it transpired the Shannonsiders were at the top of their form setting a killing pace from the throw-in, a pace which Waterford soon matched and maintained for the rest of the game. Limerick's clear intent was to blow away any possible Waterford challenge and establish a dominance which would make the second half a mere formality. The frantic pace of the first 15 minutes was far faster than anything Tipperary produced against us last year and much faster than what we saw even in last year's All Ireland. It is a tribute to those who prepared the team that the Decie lads adjusted so quickly to the pace.

If our reading of play had been sharper our full back line would have dashed out in front of their opponents far more often and not arrive as they did, second, which is last. That failure to read the play in the first half got us into many difficulties. The two Limerick goals came from crosses which stemmed from their forwards beating our backs to the incoming ball.

In the second half Sean Cullinane played very well indeed by playing his opponent from the front and beating him to the ball every time. This is what Eddie O'Connor of Kilkenny does so well when on song. The full back line is one area of the field in need of improvement which will come with a more positive attitude.

As well as a high level of fitness our team also possessed great spirit. Few teams could have survived the concession of those two goals with morale still intact. They were enough to benumb the most experienced side. Not once in the hour did the heads drop. After Limerick's opening blitz we fought back to be only one point in arrears after 14 minutes before the first of Limerick's goals sickened us. Then came a misfortune when Billy O'Sullivan's flick towards the empty net was stopped by Mick Nash before the second shattering blow, a goal, and two more Limerick points sent them into a ten point lead. Not for a moment did the Waterford effort slacken and when Paul Flynn goaled and we forced a 65 it was indicative of our firm belief in ourselves. Behind by eight points at half time Waterford restarted in whirlwind fashion and within five minutes had reduced the lead to five points, the result of fine approach play and accurate finish. Sensing danger Limerick brought on Ciaran Carey

who drove them forward and inspired them to score six unanswered points. Surely Waterford would now hoist the white flag? Not a bit of it. During the final seventeen minutes of this splendid game Limerick didn't record a single score while Waterford pointed five times, had at least six efforts for a goal saved and fought like a team only two points in arrears. The team imbued with that spirit gives great hope for the future.

Apart from goalkeeping weaknesses goals come invariably from the ability of players to capitalise on defensive lapses and lucky breaks. Before he left the management of the Tipperary hurling team Babs Keating often bemoaned their inability to score goals. "We need to score goals", he was quoted as saying. In that respect he was, I think, quite wrong because against a good defence any team which sets out to win a match with a concentration on goalscoring uppermost in their mind is putting the emphasis in the wrong place. Good teams have the ability to score points and we need go back no further than Thurles three weeks ago to see for ourselves how Limerick's winning score was compiled. Not once did they make a conscious effort to work a goal. The two goals came from our mistakes and their alertness. When danger threatened after their lead had been reduced to five points in the second half, they launched a series of attacks with one aim — to score points. And they got six of them. Before the end we had missed points from frees and had scorned other opportunities in a desperate effort to get a goal or two. It takes disciplined single-mindedness to adhere to a game plan irrespective of the pressure to try for a goal at a time when a fair bit of leeway has to be made up. It should never be overlooked that a good points total is indicative of good forward and midfield play.

Billy O'Sullivan's great display and Paul Flynn's fine contribution confirmed my conviction that they play best the nearer they are to goal. Billy has two major assets for corner forward — quickness and skill from right and left. Paul has speed of hand and foot and poses a threat to any defence every time he gains possession. I would be far happier to see him roll-lifting the ball for frees. He missed some in Thurles because the jab-lift wasn't quite right and when taking a 65 in the first half both feet were aligned left of the goal and that is precisely where his shot went, left and wide. The jab-lift is ideal for a penalty (D.J. Carey always uses it). Admittedly there are some very good free takers who jab the ball such as Johnny Dooley and Tom Delaney but that style is better suited to the long free out of defence. Even then the taker doesn't always make proper contact if the ball is not jabbed up to the height which allows the striker to turn his shoulders and contact the ball square. James O'Connor is quite a good striker but some of his jab-lifts necessitate a hurried

stroke with the hurley in an open position resulting in backspin and loss of distance.

Waterford face an exciting future. Average age of 24 with some more young vigorous back up like Ger Harris waiting for an opportunity to strut his stuff. This league realised one of their targets. They are now in Div. One where Cork, Dublin and themselves will next time out be competing with faster, fitter opposition from Tipperary, Kilkenny, Limerick and Galway which will oblige them to adjust to first division pace with all of its benefits for next year's championship. We defeated Antrim last Sunday week to clinch promotion. Of course we weren't properly focused which is very understandable when your team takes on at home a team whose credentials aren't calculated to strike fear into the heart or send the pulse racing. Still they must be accorded respect which Waterford did from the throw-in but two early goals soon dulled the appetite for work. When we led 4-10 to 2-4 there was an enticement to take the foot off the pedal and, of course, when that happens it can be so difficult to refocus on the job afterwards.

One disappointment for me in the team selection was the placing of Peter Queally at centre forward and of Ken McGrath on the wing. Peter's qualities suit midfield or half back while Ken, to my mind, has all the attributes needed to make a good centre forward. Besides I don't know any other player of the panel of 24 who could do nearly as well in the position as McGrath. There is no greater boost to one's confidence than selection in the same position, game after game with the chance to settle and feel at ease with one's surroundings. As it turned out Peter (with Tom Feeney) was injured and didn't field.

It is time now that the main elements of the team showed continuity. Switching players during a game can have an unsettling effect. A player struggling to establish himself may react negatively to a change of position and his self confidence take a plunge. His interpretation of the move might be that he wasn't performing and results in putting pressure on him. Once a player is pressurised in this fashion there is every danger that the tension created will inhibit him from doing himself justice. I like to think that players do best when they are aware before hand of a possible change of position. Limerick over the last two years have repeatedly switched Ciaran Carey and Mike Houlihan to the satisfaction of both and to their teams benefit. I'm not saying at all that players should never be switched but I'd rather an experienced performer than one whose fixity of tenure was in doubt and would hope to have players mentally prepared for a possible resiting in another area of the field. That magical but fragile ingredient, confidence, must be nurtured at all times, if possible. More next week.

G.A.A. NOTES

BY "COMMENTATOR"

Ryan's L&N Super Leagues

Clashmore are the winners of the Div. 3 League and will be happy that they are the first football club in the county to win the type of prize that goes with winning this title. They had an unbeaten run in the league and must now be favourites to win the intermediate football championship.

DIVISION 2

**St. Saviours 3-9
Ballinacourty 0-10**

That result almost guarantees St. Saviours the Div. 2 league title and the weekend away in the Autumn. The teams went into this game at Ballybeg, each with full points. Two first half goals by Albert Healy helped the home team to a 2-5 to 0-4 half time lead. Brian Arrigan had their third goal in the 43rd minute. Ballinacourty had to field without a number of exam tied players. St. Saviours play their final game on Saturday week and will be odds-on favourites to beat Dunhill in Dunhill.

**SLIABH gCUA 3-4
DUNHILL 0-8**

Home ground advantage must have meant something

to the Touraneena side in this tie between clubs who are no longer in contention. On this display, Dunhill are unlikely to prevent St. Saviours becoming league champions on Saturday week.

**DE LA SALLE 0-10
BONMAHON 1-7**

This was one of Bonmahon's best performances in the league and they more than most other clubs have shown how the league can help to improve their standards.

**BUTLERSTOWN 0-13
KILMACTHOMAS 0-12**

This was the surprise of the weekend and one of the upsets of the entire league. Kilmac' will now have to beat Ballinacourty if they are to remain in contention for promotion to the top division next year.

DIVISION 1

In this division it is a three-way battle between Kilrossanty, Nire and the county champions, Rathgormack, who were all on ten points going into the weekend scheduled matches.

The remaining teams are in

the 'also-ran' bracket, but with one exception are continuing to battle it out to improve their placings on the league table and to get tuned up for the championship start which has now moved to the first weekend in July.

A crunch game involving Rathgormack and the Nire was due to be played on Monday night at Rathgormack. The result of this game, which was changed from Saturday to Monday at the request of Rathgormack, will reduce to two, the number in serious contention for the league title.

**DUNGARVAN 2-7
STRADBALLY 1-8**

Played almost at championship tempo, this game showed how serious both clubs are about doing well, despite the fact that already both are already out of contention. It also showed that the strong rivalry between the clubs is still very much alive. At half time Dungarvan led by 1-6 to 0-3. Stradbally improved in the second half to get within two points of the winners.

**KILROSSANTY 1-16
KILL 0-8**

There was a lot of good football in this game, but Kilrossanty went all out from the throw-in to make

sure that they would not be caught and have their chances of winning the league, ruined. Kill played nice football and took some very good scores.

GAULTIER RECEIVE A WALKOVER

All they way throughout this league, Affane must have felt that they were a bit out of their depth and rather than travel down to Passage for another possible defeat, they conceded the points and gave a walkover.

**DIVISION THREE
SHAMROCKS 2-11
MODELIGO 0-10**

This division of the L&N Super League is now completed and the feedback from the clubs who took part is very positive and all feel that they have benefitted a lot from participation.

Shamrocks certainly went out on a high note with a resounding win against an improving Modeligo who are the current junior county champions.

**GERALDINES 0-10
NEWTOWN 0-7**

Another good contest with only a kick of the ball deciding the issue at the finish. Geraldines, like the Shamrocks, went very close and can be deemed to be runners-up.

THE END OF THE TRAIL

Last Sunday week when we defeated Antrim in the final round of the hurling, it marked the end of the trail for us for 1997 as having failed to qualify for the quarter finals, we are now out of official competition until the new league begins in March 1998. In between we will have the Oireachtas and the Waterford Crystal sponsored hurling league which, although very secondary to championship or league, will help to keep the panel ticking over during the winter months.

Gerald Murphy, who has a three year contract, will now appoint his co-selectors if the County Board bestow the same rights a last year and I presume that they will. It will come as a big surprise if his present team of Mossy Walsh, John Galvin and Shane Ahearne are not kept together for at least another season.

What will be done about keeping the same panel of players is another matter and is something which is already giving rise to some speculation. Presuming that with the end of the league, the present panel has officially been disbanded and the search for new talent will continue throughout the

upcoming knockout hurling championship, I also suppose that with the dissolution of the panel that the 'banishment' order on Sean Daly, Dan Shanahan and Ray Barry is no longer effective and that they will now be available and eligible for inclusion whenever training resumes.

Overall, it was not a successful season and we should have done better. Apart from our defeat in the championship, our biggest disappointment was failing to qualify for the quarter finals of the league. We did manage promotion and we were lucky that three counties were coming down from Division 1 and three going up from Division 2, as otherwise we would be stuck in the second Division for another year and trying to succeed against the odds — the odds being the 1996 All Ireland champions Wexford and the 1995 champions Clare, both of whom were demoted with Laois whose standards are just about on par with Waterford.

Staying in contention with the likes of Kilkenny, Galway, Limerick, Tipperary, Cork, Dublin, Offaly, will certainly present major problems. These seven Division

1 matches will certainly condition us for the 1998 Munster Championships.

Note — In our seven matches in the league we scored a total of 16 goals and

101 points and we had 13 goals and 60 points scored against us. Paul Flynn scored a total of 5-42 and his club colleague Billy O'Sullivan had 5-9 to his credit.

All Ticket Match

The Munster Council has announced that the Limerick v Tipperary senior hurling semi-final at Thurles on Sunday next will be the first championship all-ticket game of the season. A crowd of approx. 44,000 is expected and for safety reasons, admission will be by ticket only.

Waterford County Board have applied for a quota and these tickets will be available from Tony Morrissey (here in the west) and from Seamus Grant in the east but only on early request. Tickets will be exchanged for cash only.

The Dublin v Meath Leinster Council football tie which is fixed for Croke Park is also an all-ticket match but as we are not entitled to allocation for this, only a very limited number will be available.

Jack McCarthy R.I.P.

He was once described as the 'foundation stone' of the Cappoquin club, meaning of course that he was the leading personality in the formation of the club in its early days. For years after that Jack worked tirelessly in promoting the games in the Cornerstone town and his role in so doing was never forgotten. He stayed with the club as a loyal member and supporter until his retirement many years ago. He also wore the club jersey with pride and distinction for a number of years. To his daughter Lily and to sons Frank and Kevin, both of whom gave sterling service to the club also, we offer our sincere sympathy.

All In Readiness For National Feile Festival

Br. Finbarr Spring, Chairman Feile Handball Committee with members of his committee admiring the Christy Ring Trophy in the hands of Jurgen Wegner, Coca Cola, official sponsors of Feile na nGael, at the launch of Feile 97 in the Tower Hotel. —(Photo: Sean Byrne).

Feile na nGael is a National Festival of hurling, camogie and handball for boys and girls under 14 years of age. It is based on the club unit.

It was started in Thurles, Co. Tipperary in 1971 and this year we celebrate the 27th Feile.

Feile na nGael is sponsored by Coca-Cola and they have been sponsors since 1971. This is the longest running sponsorship in the G.A.A. or in any other sporting event in the country.

Each year some 20,000 boys and girls take part in this Festival in all 32 counties.

When the preliminary competition is completed in each county, the winning club then travels to the host county where they are hosted by families and engage the host club in hurling, camogie and handball games.

The National Festival takes place this year in Waterford on the weekend of June 20, 21 and 22.

Since 1971 some 795,000 boys and girls have participated in this festival.

Feile na nGael is a National Movement with the primary objective of facilitating and enabling the

personal, social and cultural development of young people.

Feile na nGael emphasises cultural and community activities, leadership and training through sport.

Feile na nGael is recognised by the G.A.A. as a major festival of great importance of the promotion of hurling, camogie and handball among the Youth of the Country.

It has the full support of the G.A.A. Department of Education, Cospoir and other Government bodies and cultural agencies.

Feile na nGael places great emphasis and importance on proper presentation, punctuality and sportsmanship.

Feile reaches through the nation involving the whole community, clubs, schools, social and cultural groups, Gardai, bands, civic and religious authorities and families. It helps bond communities, forges friendships, provides educational opportunities and unearths new leaders.

This year there will be 120 teams or 4500 young people in Waterford for the 27th Feile na nGael. On Saturday, June 21, a parade of all 120 teams and their officials will take place with 20

bands through the streets of Waterford to mark this historic occasion. The famous Artane Boys Band will lead the parade.

An Coiste Stuirtha Naisiunta Feile na nGael which is the governing body of Feile is a formal established committee of the G.A.A.

The five man Executive is under the Chairmanship of Padraig MacFloinn, a former President of the G.A.A. and the Secretary is Clare born, Dublin based Padraig P. Guthrie.

THE BRONZE HURLEY

The Bronze Hurley is symbolic of Michael Cusack's dream of bringing hurling to

every parish in Ireland. The hurley, a fine piece of craftsmanship, was made at the National Institute of Higher Education, Plassey, Limerick in 1973 by Bill O'Gorman, Michael O Nuanain and Jim Ryan.

It has been taken annually from each host county to the next by a team of relay runners. The Bronze Hurley was first taken from the birth place of Michael Cusack in Carron, Co. Clare to Limerick City in 1973 to coincide with the start of the 3rd Feile na nGael.

In Celtic mythology the hurley used by Cuchulainn was also made of bronze.

SENIOR HURLING LEAGUES

Interest in the hurling leagues seems to have dissipated quite a bit and they are not attracting the same attention as the L&N football leagues. Still they are fulfilling their purpose in providing clubs with a chance of preparing themselves for the real thing when knock-out championships start in July. Round 4 was played last week and there were no real surprise in the results:

LISMORE 4-22 CLONEA 0-9

As the score indicates, this was a one-sided game that held little interest for the small crowd at Abbeyside. That kind of form will give Clonea very little chance against Fourmilewater in the first round of the championship.

BALLYGUNNER 3-14 DUNHILL 1-13

Not a bad performance by Dunhill, who can now hold out hopes of beating Tallow in the championship, but at the same time I wonder if Ballygunner were at full strength or at full stretch?

FOURMILEWATER 1-3 DE LA SALLE 0-10

Fourmilewater defeated Tallow and lost the other two matches which they have played, so another beating here puts them completely out of the reckoning for a place in the final. A very big improvement will be needed for their meeting with Clonea in the championship. De La Salle drew with both Ballygunner and Passage and beat Abbeyside, so they are certainly in there with a chance of at least reaching the league final.

PORTLAW 1-10 BALLYDUFF 1-13

Ballyduff are showing good form, but are down 3 points and will need an amount of luck if their are going to be in the shake-up at the finish. This was a well contested match that produced good hurling.

MOUNT SION 2-19 ST. SAVIOURS 2-7

Padraic Fanning received a serious leg injury that will keep him out of the game for a long time. He is hospitalised. So winning gave no joy to Sion who had strong hopes of winning the championship this year. Saviours are obviously concentrating on winning the football league.

A QUIET WEEKEND

With the football leagues beginning to wind down and the hurling leagues not being played until the following weekend, there is very little field activity planned for the coming weekend.

The Dublin/Meath Leinster Football Championship and the very attractive Limerick v Tipperary Munster semi-final at Thurles are both being televised and I have no doubt but the fixtures committee here would not be foolish enough to play matches in competition with such counter attractions.

We are going to have a lot of the same from now on with the result that most of our championship programme will be played on Sunday evenings otherwise we suffer serious financial losses.

This coming weekend we have Western Board Football League games involving Kilrossanty v Seana Phobal at Leamybrien, Ballyduff v Kilgobinet in a crunch game at Ballyduff, Stradbally will be at home for their match with Tallow and Faha and Ballinameela, both of whom are down in Junior for the championship will clash for the first time ever in this grade in the league.

Division 2 matches in this league will see Ballinacourty B face the Nire A in Abbeyside and Ardmore taking on the Brickeys in Ardmore and Affane hoping to beat Geraldines in Cappoquin.

Championships Off

The start of the Senior Football Championships which were scheduled for June 28th/29th have been deferred to a later date because of the fact that our County Junior footballers will be in action against Kerry in the Munster semi-final at Tralee on that weekend. The idea of bringing the championships forward was considered by our G.A.C. but was dropped in order to allow the Juniors free to prepare for the match against Kerry.

Insurance/Injury/Public Liability Seminar

The National Insurance Work Group which are presently examining every aspect of player insurance and public liability insurance will hold a meeting and seminar in Auburn Lodge Hotel, Ennis on tonight Wednesday and at which the three senior board officers and the Central Council delegates from all the Munster counties and from Galway, Mayo and Roscommon will attend.

The Work Group will outline the changes which have taken place and they will be open to suggestions in an Open Forum Session.

G.A.A. NOTES

BY "COMMENTATOR"

New Football League Format

The views of all counties have been sought in relation to a proposed change in the format of the Church & General National Football League for 1997/1998. The proposal is that the league be run in 4 groups of 8 teams (9 in one group to accommodate London). Each group to comprise 2 teams from the 1997 Division 1, 2 from Division 2, 2 from Division 3 and 2 from Division 4. This is similar to the system which obtained in the 1992/1993 League.

For the weaker counties it would mean top class competition and an opportunity for counties like Waterford to play Dublin/Meath, Kerry/Cork etc. in serious competition. Depending on the support it receives from the counties, it could be in operation for the upcoming league.

Now that our Senior footballers are out of the championship league they have little to look forward to accept the All-Ireland B

Championship which will not commence for some months. We have been agitating to have this competition played at an earlier time but without success. We did not take part last year. Waterford have a first round meeting with Wexford in the B Championship.

Juniors
The composition of the Junior Football County team which defeated Limerick in the championship 10 days ago has become the subject of much comment. The question is being asked about several of the players on the Junior team not being played on the Senior team which lost to Tipperary.

The truth about this matter is that several of those players were invited on to the Senior panel when training for the league and championships commenced but declined the invitation for one reason or another. As a result, the management of the Senior panel decided (and rightly so) on a policy of playing the players who trained throughout the winter and spring.

The Juniors resumed training on Thursday evening last at Fraher Field in preparation for their match with Kerry on the last Sunday of the month.

Forward Planning
Laois, who were defeated in the Leinster Senior Hurling Championships by Offaly on Sunday last, have now embarked on a long term plan that is designed to foster and promote hurling

in the County on a similar scale to what they achieved in football.

They have organised a panel of 80 players in the under-14 age group and these will be brought together once each week for 4 years to produce what they expect to be an All-Ireland winning Minor team in 2001.

The scheme is being completely funded by the Supporters Club and they will have such high profile hurlers as Johnny Dooley and Joachim Kelly, Offaly as their coaches. Laois did something exactly similar with their Minor footballers 4 years ago and of course last year Laois won the Minor football All-Ireland.

The Murder Of Sean Browne

This brutal and calous murder of Sean Browne of the Bellaghy Club, shocked the nation some weeks ago, but to a certain extent the killing of this great G.A.A. official who was on duty for his club at the time of the shooting, seems to have been given far less attention than might be expected from the Association throughout the county.

All the hype about Jason Sherlock and Paddy Delaney and the spitting incident seemed to have aroused more concern than the killing of an innocent husband and father and as a result there has been quite an amount of criticism of the G.A.A. generally. Here and there around the Association, Boards did pass votes of sympathy or observed a minute's silence (as we did here in Waterford), but the feeling seems to be that this is not enough.

What 'enough' would be, is difficult to fathom, but having every single club in every county sending a message of sympathy and support to the Bellaghy Club, to show that they are standing solidly behind the people of the North who are keeping the games alive up there under very trying circumstances and even the threat of death, might go some way towards fulfilling our obligations in this matter.

Local Seminar Report

A very detailed report of the seminar 'Leading The G.A.A. Into The Millenium' and which was organised by the County Communications Committee, has now been circulated to all clubs in the county.

The several 'Workshops' at the seminar touched on every conceivable aspect of Association activity in the county and the report clearly lists the areas in which the clubs and members are displeased about things. The report highlights the fact that almost 30 clubs neglected to send a representative to the seminar. It will be interesting to hear if those clubs have comment to make on the report?

Primary School Hurling/ Camogie Prospects

Ronan Keating, Dungarvan CBS Secondary School, 14 years old — No, this lad did not co-present the Eurovision with Carrie Crowley or doesn't sing with Boyzone, but on Thursday evening last he turned in a "Euro" performance with his school when they won the Co. U-14 (A) Colleges title with a good win over the Friary. Listed at left-corner forward, he roamed all over the field and helped himself to 4-4 from play with a delightful display of skill hurling. He lives in Abbeyside and his father hails from Kiltrossanty and his grandfather was former Old Boro legend, the late Simon Whelan.

Lismore CBS, Michael Coleman, 9 years, Rang 3 — Michael lives at Carrignagour and is tall for his age. He is an excellent striker of the ball and trains regularly. Captain of the Lismore under 10 team, who at the time of writing have reached the quarter final of the Ballyduff Tournament. Michael played at centre-back and was outstanding in the three games. His ambition is to play for Lismore and Waterford. His favourite hurler is Jamesie O'Connor (Clare).

Garranbane N.S., Richard Phelan, 12 years old, rang 6 — Big strong boy who likes to play in defence. Very long striker with a very good first touch. In the final of the Roinn D Schools final last Thursday his school defeated Villierstown N.S. in a very exciting game. Richard was the rock that many an attack foundered on. The loss of Garry Ronayne was a major blow to Villierstown and we all wish this little lad a very speedy recovery. Both schools are to be complimented on serving up good hurling on a wet miserable evening.

THE WEST'S AWAKE

Following the hugely successful Under 8, 9, 10 and 11 indoor tournaments during the winter months clubs are certainly catering for the youth in West Waterford. Lismore organised the under 11, Ballyduff the Under 10, St. Olivers the under 9, with an under 8 possibly on the cards, we

never had so many children involved in hurling.

The under 10 at Ballyduff last weekend had a thrilling finale with Lismore and Abbeyside serving up a classic which went to extra time and sudden death. Well done to Lismore who won out and Naomh Brid who won the Plate Final.

Karen Kelly (Ballyduff/Butlerstown) won the Feile Camogie skills at Lismore on Saturday last.

FEILE NA GAEL

Another outstanding hurling festival is but a week away and the lead-in to the Feile has already begun with School Visitation having started on Monday of this week. The top G.A.A. personalities visiting the schools include the Association President Joe McDonagh, Liam Mulvihill, Ard Stuirathoir, Paddy Buggy, former President.

Last year, the Feile here in Waterford was voted to be the best held so far since they began in 1971 and the hard working committee are confident that we will have good reasons for being equally proud of the 1997 Festival.

After the lowering of the Feile Flag this year, Wexford will commence their preparations for next year.

T na G Classics

Teilifis Na Gaelige are to further expand their G.A.A. coverage by screening action from the past provincial finals every week into the foreseeable future. Classics such as the third replay between Dublin and Meath in 1991, the 1987 Munster final between Cork and Tipperary and the great games between Kerry and Clare and Donegal and Derry, etc. This announcement means that viewers can once again enjoy these old classics from the comfort of their arm chairs.

T na G will also compliment all this archive material in midweek, with a further programme which will be shown on Sunday evening at 7.30 p.m. and which will feature highlights of the afternoon programmes at the major venues throughout the country.

Meanwhile, the very popular Tuesday and Thursday night programmes from the station will continue with several of the great provincial finals being featured on tomorrow, Thursday night (10.30 p.m.) we can see the Leinster football final 1992 between Dublin and Kildare.
