## Flynn Takes Over U.D.C. Chair

By AISLING CONROY

Whatever the colours of the new Government may be, the longstanding pact between Fianna Fáil and Labour persevered for yet another term in Dungarvan Urban Council.

Last Monday night's Annual General Meeting of Dungarvan U.D.C. saw Fianna Fáil's Cllr. Austin Flynn taking over the chair from outgoing Labour Chairman Cllr. Paddy

## HART ELECTED VICE-CHAIRMAN

Power.

The position of vice-chair went to Cllr. Lar Hart who incidentally is also Vice-Chairman of Waterford County Council. While there were no major upsets in voting patterns, the first hint of unrest with the existing FF/Labour agreement however began to show with a second nominee for

the vice-chair, Cllr. Michael O'Riordan being proposed by Independent Cllr. Damien Dillon, seconded by Fine Gael's Austin Deasy. When put to a vote however, Cllr. Hart was elected on a 5-3 majority.

Described by members as a highly impartial and fair chairman during his 12

## Ring/Helvick Water Supply Polluted

RESIDENTS TOLD TO  
BOIL WATER

BY AISLING  
CONROY

The water supply in the Ring/Helvick area has been deemed unfit to drink by Waterford County Council following evidence of some contamination in the system earlier this month arising from an agricultural pollution source.

Water in this large catchment area is sampled independently by the South Eastern Health Board on a regular basis.

On June 13th last, however the Health Board reported evidence of some contamination in the Gaeltacht water supply and immediately contacted the Co. Council who initiated a comprehensive protection plan.

Information leaflets advising householders to boil water for 10 minutes before drinking or cooking were hand delivered to all resi-

dents in the affected areas of Ring and Helvick. The water, however was later deemed suitable for washing, flushing and bathing.

Residents in Ring feel naturally aggrieved by the situation with one caller to the 'Dungarvan Leader' declaring that she has had to buy water since June 13th.

She complained that no further circular had been sent to residents by the Council stating whether or not the water was suitable for bathing or washing purposes, and asked why the Council didn't deliver water to houses as was the case in Nenagh last year when their water supply was contaminated.

## KNOW YOUR RIGHTS

### QUESTION

For several weeks in the course of the last tax year I paid the income levies (1.25% Health Levy and 1% Youth Training Levy). I now understand that since my income in that year may have been less than a prescribed figure, I may be entitled to a refund on these levies. Could you confirm if this is the case and how would I go about claiming my refund?

### ANSWER

Currently, levies are collected on your income in any week that your income exceeds £197. The figure for last year (1996/97) was £188 per week. However, if your overall income over the year is less than £10,250 for the current year (£9,750 for the year 1996/97) then any income levies you paid can be refunded to you.

If you have paid levies and believe you may be entitled to a refund because your gross income for the year was less than the prescribed threshold, then you can apply for a refund to:

Office of the Collector General,  
Central Services  
Sarsfield House  
Francis Street  
Limerick City.

Your application must be accompanied by the relevant end-of-year Form P60 or by form P45 if appropriate.

# Rose Of Tralee Party For Waterford

Following a request by Waterford Crystal to the Festival of Kerry Executive Committee, the entire entourage of Roses representing 32 centres in 10 countries will visit Waterford en route to Kerry on August 21.

John Foley, Sales and Marketing Director, Waterford Crystal, welcomed the Executive's decision to include Waterford in the official itinerary for the first time ever saying that the visiting party and accompanying media will project a positive image of the Crystal County as a first class visitor destination.

Barry Rafferty, General Manager, Jury's Hotel, Waterford, announcing sponsorship of the visit said that Jury's was delighted to join with Waterford Crystal and Waterford Tourism Ltd. to successfully attract this high profile group despite competitive counter bids from other quality destinations around Ireland.

Mr. Rafferty added that the programme of quality events will ensure a memorable visit to the Deise for the participating Roses including the Waterford Rose,

Ruth O'Connor of Springfield, Dungarvan.

Monica Leech, Chief Executive Waterford Tourism Ltd. outlined the programme of events. The Rose party are expected to arrive in Waterford at lunchtime on Thursday, August 21 for a lunch hosted by Waterford Crystal. Following a tour of the Kilbarry facility they will transfer to Jury's Hotel for a gala banquet hosted by Peter Malone, Group Chairman, Jury's Hotels Ltd. The Roses will depart for Tralee early on Friday morning, stopping for a reception at Lismore Castle.

The Roses, accompanied by their official chaperons will then proceed to Tralee for the commencement of the selection procedure.

The press launch was at-

tended by Kerry Association Chairman Michael Greaney and Festival of Kerry President Seamus O'Halloran, both of whom paid tribute to Jury's and Waterford Crystal for supporting the Rose of Tralee Festival. Mr. O'Halloran, in conclusion, congratulated the local committee for their superb efforts on behalf of the Festival and wished Waterford Rose Ruth O'Connor every success in this year's event.

## Dungarvan Harbour Difficult To Enter

Dungarvan councillor Austin Flynn has requested the UDC to place a number of buoys along the outer harbour to guide visiting skippers into the town.

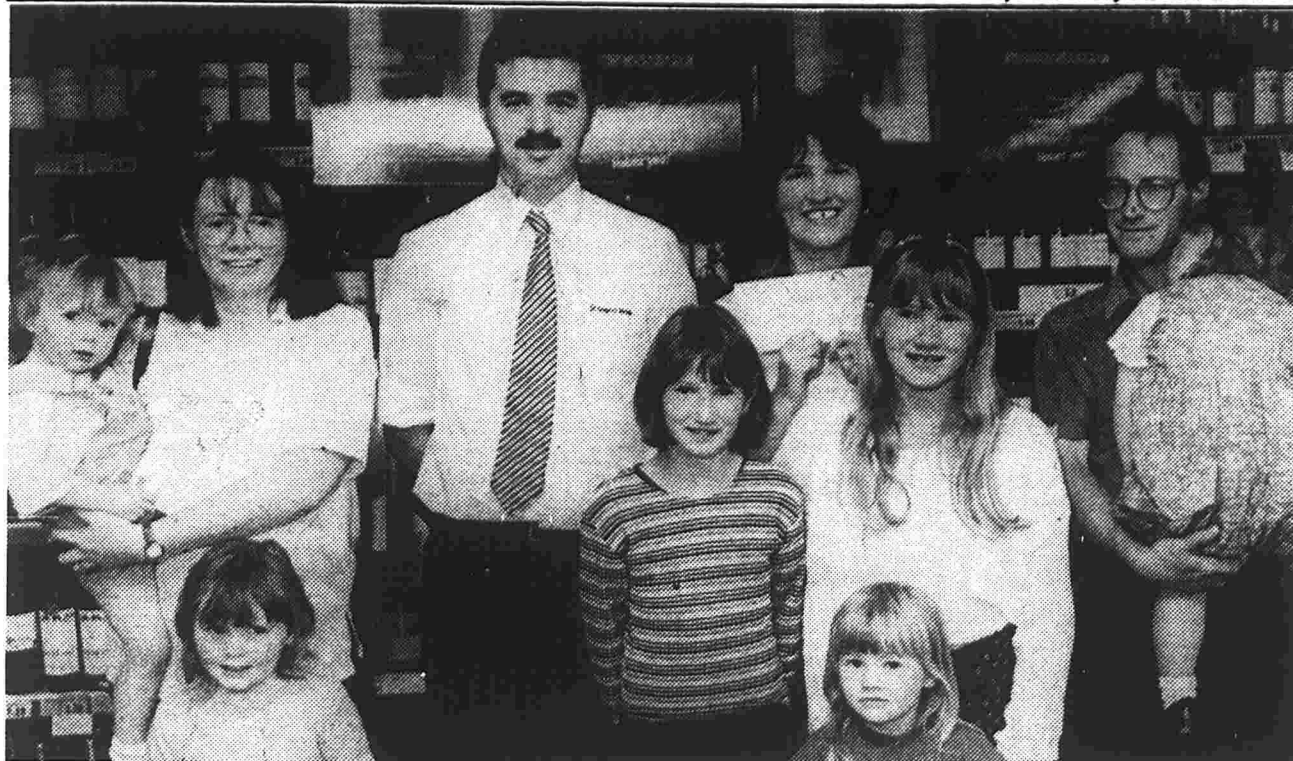

Speaking at last week's Council meeting, Cllr. Flynn said the message being transmitted on VHF radio to boats at the moment is not to enter Dungarvan harbour unless one has local knowledge of the area.

This negative message, he said, is even being picked up in Wales and already has had an effect on the number of visiting boats in the quay.

County Manager Donal Connolly said he will look at the situation and see what can be done.

# Council To Get Tough On Litter Problem

Waterford County Manager, Donal Connolly is currently looking at the possibility of appointing a litter warden for Dungarvan town or alternatively assigning such duties to existing Council staff members.

Under the new Litter Pollution Act which will come into operation on July 1st, the litter warden, members of the Gardai or the dog warden can enforce on-the-spot fine notices of £25 which have to be paid within 21 days to avoid prosecution.

The new Act strengthens the law in relation to litter enforcement and gives empowerment to both the Urban and County Councils to establish Waterford as the first litter-free county in Ireland, and indeed Dungarvan as a litter-free town.

In this regard the Act will play a crucial role in Waterford's attempt to meet the litter-free challenge set down by the Irish Business Against Litter which are offering a prize of a £1m. factory if this challenge can be met over a period of 12 months. From the start of next month Councils will be empowered to serve notice on take-aways, petrol filling stations, banks, shopping centres, bookies, schools and bus stations, etc., requiring them to take special measures to control litter in and around their premises.

Where the local authorities have to clean up after any event at which large numbers of people are present, they may recover the costs in court.

The Act also prohibits fly posting, placing advertising material on car windscreens without the prior consent of the owner, and strengthens

the power of the Council to deal with such instances.

There is also an obligation on the person in charge of a dog to clean up after their pet in areas such as public roads, school grounds, beaches, recreational areas or near a dwelling.

Offenders under the Act face fines of up to £1,500 and a fine of up to £100 per day for a continuing offence.

An important aspect of the Act is that the onus will now be placed on the owner of waste deposited other than in a proper place for collection, to prove that a prosecution is not justified under this Act.

Mobile outlets are also obliged under the Act to keep the vicinity of the outlet free of litter for up to a 100 metre radius and to provide adequate litter disposal facilities.

Town Clerk, Ray Moloney told last week's UDC meeting that all sectors of the community will firstly be advised of their new and onerous duties under this legislation and they will then be called upon to meet their obligations in a new partnership approach to eliminate the scourge of litter.

As part of the Act the Urban Council are required to prepare a comprehensive Litter Management Plan before the end of this year which must specify the

measures to control litter, encourage public awareness and for community involvement, etc.

Mr. Moloney said it is

hoped that a draft litter management plan will be brought before Council members for their consideration at an early date.

# COULD ANY FORM OF LIFE SURVIVE NATURALLY ON THE MOON?

**It is extremely unlikely that the Moon could support any form of life.**

Scientists have carried out experiments to find out if any living organisms could survive on the Moon's surface.

They built special chambers in which these conditions were copied exactly. Even simple bacteria died.

The life-forms that are familiar to us need air and water, as well as protection from some dangerous rays sent out by the Sun.

The Moon has no atmosphere, no water

on its surface, and it is completely exposed to space.

Also, the temperature at midday is higher than that of boiling water.

However, as a precaution in case some microscopic life-forms existed there, the first Apollo landing crews were immediately put into quarantine on their return to the Earth, and were kept under observation. Nothing harmful was found. The Moon seems to be totally lifeless.

When you look at the Moon from the Earth you always see the same side.

This is because the Moon turns on its axle in the same time that it takes to orbit around

the Earth — so the same face is always pointing inwards.

When the Moon was young and molten — a mass of liquid — the Earth's pull raised tides in it. The dense rock below the lighter crust was forced into a slight egg-shape.

The Earth pulled on this extra material, trapping the Moon into its present 'locked' state, so that we always see one side.

However, the Moon's surface does appear to swing to and fro by a small amount. This is caused by its elliptical orbit.

It moves fastest when nearest the Earth, but its speed of rotation does not change so the two do not get out of step.

### Pelicans and Cormorants

Pelicans and Cormorants are fishing birds and usually live in big groups or colonies. They can be found all over the world on both fresh water lakes and sea coasts. They move slowly on land because of their short stumpy legs, although they fly well. After they have dived for fish, they stand with their wings spread out to dry. White pelicans fish and fly together. They glide over the lakes with the help of their huge wings and use their large bills to scoop up fish. The pouch of the bill can hold up to 13 litres of water. Pelicans can trap fish and eat them at the same time. They do this by swimming towards each other and joining to make a circle. The fish that are trapped have no chance. An adult pelican can catch up to nine kilos of fish a day. A brown pelican is the smallest of the pelican and cormorant group. To catch their food, they dive straight down into the water and catch fish in their pouches. When the pelican surfaces he swallows the fish whole. There are gulls hovering around, at this stage, hoping to steal some of the catch. Adult pelicans regurgitate the fish to feed their chicks. The chicks put their heads inside their parents' pouches. Another member of the family is the shag. They live in nests in crowded colonies on rocky cliffs. Their nests are made from twigs and seaweed. The female lays up to three eggs and then she and her partner take turns to sit on them until they hatch. When the chicks are born, they are naked, but after a few days they begin to grow dark brown downy feathers and they open their eyes also. They learn to fly in up to seven weeks. The Guanay cormorants live on a group of islands of the Coast off South America. The ground is covered in their droppings and these are rich in nitrate.

The Information is updated daily and covers every aspect that would influence a persons choice of home.

We have a unique, easy to use rating system in use which at a glance tells people the difference in quality of bedrooms, disabled facilities and medical equipment. An average pack would include five or more different homes. Each pack is tailored to suit the individual needs of the patient. Our Database can select the optimum available choices. Whether a convalescent bed or long term, how much?, are pets allowed?, what exactly is included in the tariff?, which homes accept payment by credit card or direct debit? and many more questions that a person would like to know to help reach a decision.

Our fully staffed Helpline, backed up with the very latest technology, operates 7 days a week. The service is confidential, we post the information direct to the customer or in more urgent cases, send a fax to the contact point (i.e. the local hospital). Simply call our Helpline 1560 222324.

The final archaeological dig on King John's Castle, Dungarvan is currently underway by the Office of Public Works (OPW).

When completed, the site will be completely refurbished as a visitor/interpretive centre with £500,000 allocated towards this development work.

That's according to County Manager Donal Connolly, who was responding to a query raised by Cllr. Billy Kyne at last week's meeting of Dungarvan UDC.

Cllr. Kyne enquired as to the up-to-date situation regarding Dungarvan Castle and whether the 12th centu-

ry building will be made into a solid structure. Mr. Connolly confirmed that the castle will be totally refurbished and will eventually be open to the public. He said he would contact the OPW with a view to ascertaining further information on the matter.

# A TRIBUTE TO THE LATE JOHNNY GLEESON

On Sunday morning the 15th of June a great cloud of despair was cast over the small village of Touraneena as the news spread of the death of Johnny Gleeson. A tragic accident on the outskirts of the village left the whole community in shock and without one of its most loved teenagers, Johnny.

Suddenly our lives were put into perspective everything else was immaterial and the one question we kept asking was Why Johnny?

Johnny was born in May of 1978 prematurely, weighing just 2.5 lbs and gave the first five weeks of his life in an incubator. He was just seven when he lost his five year old sister Geraldine. He received his primary education at Touraneena National School. He was a bright student and mixed well with all the other pupils but it was here that he met his best friend of all, Brendan McDonald. The two were inseparable, one very short and the other very tall and on that fateful night it was Brendan who drove with Johnny on his final journey home.

Johnny received his secondary education at the Technical College Dungarvan. He left school to work with his father for some time but with great courage and determination Johnny went back to school to sit his Leaving Certificate. Johnny's trade mark at school was his shirt tail hanging out and no matter how

many times he was told to put it in it always ended up out again. Having sat only half of his exams he came home Friday evening fully confident that he had done his best and would pass.

Johnny was a most unassuming person. He was friendly both to young and old. He accepted things as they were and if the world was caving in around him he remained cool and collected. Kindness and love were so much a part of Johnny's character as both John and Imelda know. He was his fathers best friend. Always giving, never taking Johnny accepted life as it was and never put undue pressure on his parents for things that were beyond their means. He was always mannerly with the words "Please and Thank you" being very much a part of his vocabulary. Johnny lived life to the fullest. His family meant the world to him especially his sisters, Michelle, Emma and Gina. He loved sixties music and pool and looked forward to a future in his fathers business with the Hy-mac. From a very early age Johnny loved diggers and when his father John purchased his second machine Johnny spent more time than ever doing what he loved most. On Saturday, the day before he died Johnny did his first complete job at Desmonds in Ballymacarbry and returned after a hard days work and parked his ma-

chine at Quinlans ready for the next day.

Johnny we will never forget you. You won the hearts of all that knew you. We will remember you when we pass your grave going to church on Sunday or when we pass the spot where you had your accident. You will always be in our minds when we see people playing pool at Dunfords or hear your favourite song, "American Pie". Your good looks, your lovely smile, your caring personality, we have all the memories. We will never understand why someone who fought so hard to come into the world was taken away so quickly, Johnny we are all heart broken you gave us plenty of laughs but most of all you were a gem.

*Your cousin and friend.*

# Cappoquin Notes

## CAPPOQUIN MERCY PRIMARY SCHOOL NEWS

The school year is drawing to a close and students at the Mercy Primary School have been engaged in a myriad of exciting educational activities.

**Swimming Course** — Friday, June 13th was the occasion of the final session of the 10 week swimming course organised for the students of 5th and 6th Class. The course, which began in February, was held at Clonea Leisure Centre on a weekly basis and under the expert tuition of Martin Lacey and Eoin O'Riordan, the girls made remarkable progress in the acquisition of swimming skills. Many of their parents came along on the last day of the course to see a demonstration of their skills and the presentation of certificates of participation to the girls. A very sincere thank you to the staff and manager of Clonea Leisure Centre for all their help during the course.

**Tidy Team Trip** — As a reward for the effort and commitment made by members of the Tidy Team, Mercy Primary School to keep Cappoquin litter free, a 'mystery' trip was organised for Monday, June 16th. The venue, which remained a well-kept secret until the moment of arrival, was Leahy's Farm Museum, Cnoc a Cheo, Dungourney. Eleven girls from 5th and 6th Class, accompanied by their teacher Miss M. Kearney and Tidy Team Co-Ordinator Mr. Tom Hackett, travelled to Cnoc a Cheo after school hours and were brought on a very interesting and comprehensive tour of the farm by the proprietor Mr. Eddie Leahy. The girls were fascinated by the wide variety of animals and fowl on view, the different pieces of farm machinery and the reconstructed farm cottage. The tour ended with a very pleasant boat ride and a short spin on the tractor-driven carriage. Everyone enjoyed a hearty, appetising meal at the coffee shop afterwards. We say míle buíochas to the Leahy family for a most enjoyable evening.

**Sponsored Walk** — On Thursday, June 19th a sponsored walk in aid of school funds was held. Pupils, teachers and members of the Parents Committee set off from the school at 9.30 a.m. and followed a designated trail through Cappoquin Estate. For pupils from Junior Infants to 2nd Class, the destination was Masseys and for the pupils from 3rd to 6th Class the destination was The Cat's Bar, Melleray. During the walk pupils were on the lookout for clues to help them to complete the Observation Trail worksheets. Refreshments for everyone were supplied en route by members of the Parents Committee at The Cats Bar carpark. When energy stores were replenished, the pupils returned via the same route and completed their walk. Well done to our hardworking Parents Committee for organising this very successful school fundraising venture.

**End Of Term Tour** — A special end of year treat for the girls in 5th and 6th Class took place on Friday, June 20th. The destination was Dublin and places visited included Croke Park, Dáil Éireann and the National Museum. The girls were most impressed and enjoyed the tour very much. Our heartfelt thanks to all who helped in the organisation of this memorable tour.

**Primary School Sports** — Well done to all our pupils who participated in the West Waterford Primary School Sports Finals on Tuesday, June 20th in the Friary Grounds, Dungarvan. Congratulations to Sarah O'Brien (4th Class) who took 2nd place in the 80m Sprint, Kate O'Brien who took 3rd place in her event. A special word of thanks to Michael Lacey, Lr. Main Street for all his help.

**Cookbook Awards** — The girls from 2nd, 3rd and 4th attended the prizegiving ceremony in the South Tipperary Art Centre on Friday, June 20th. 2nd Class who took 1st place in their category were presented with a beautiful globe and certificate, 3rd and 4th (highly commended) received maps of the world. Refreshments were served by the Galloglass Theatre Company. Thanks to all the parents who provided transport to Clonmel, also Mrs. Devine (teacher) and Sr. Mary Hanley (Board of Management) who attended also.

**Open Morning For Junior Infants** — A big welcome to all our incoming infants who paid us a visit with their parents on Tuesday morning, June 24th. They had an opportunity to meet Mrs. Reardon and to take in their new surroundings. We look forward to seeing them in Junior Infants when school re-opens on September 1st.

We ended our year's events with a school Mass which was celebrated by Fr. Arthure on Tuesday, June 24th in Our Lady's Hall.

# AFFANE/CAPPOQUIN G.A.A. CLUB NOTES

## Féile Na nGael '97

Féile Na nGael '97 once again proved an outstanding success. Organisation was top class. It was quite an ordeal catering for so many children. Our own club can feel proud of their efforts as our grounds were in immaculate condition. With bunting and flags making a careful entrance to the grounds, the pitch trimmed to perfection and games run off like clockwork, it was no wonder praise was lavished on us. Munster Council Chairman Noel Walsh, Pat Daly, Croke Park (no stranger to our pitch) and Jimmy O'Gorman, Council delegate and Mark O'Sullivan, Waterford Inter-County player were very impressed with our well laid-out grounds and paid us glowing tributes.

We were hosts to Co. Louth club Naomh Moninne and it is a credit to their dedicated members Aidan Kerrigan, Gerry Dunne, Frank Kearney, also Micheál O'Brien, Louth County Board that their players were so disciplined and well behaved during their visit. They had a wonderful time and made great friends with our lads. On behalf of our club, I would like to thank most sincerely all the parents who housed the visitors during Féile. Your generosity was much appreciated.

Our Club Chairman must surely be exhausted after the weekend. Jack Cullinane did trojan work to ensure everything went according to plan. He got assistance from Eddie Fraher, Mick Lacey, Eddie O'Shea, Paddy McGrath, John Fraher, John Mansfield, Michael Fraher, Eamonn O'Shea, John Joe Scanlon. A sincere thanks to one and all.

## THE GAMES

**Naomh Moninne 2-4 Cappoquin 1-1** — In our first match we played Naomh Moninne. The rain poured from the heavens making it difficult for the players. The visitors were the stronger side and the heavy going suited the players. But our lads put in a storming last 10 mins. and could have snatched victory but failed to finish off some great goal chances. With Shane Ormonde and John Fenton outstanding in defence, Kevin Looby at midfield, David Sheehan and Stephen Kett in attack, it was not enough to get the win we desired.

**Cappoquin 4-4 St. Olivers 1-4** — Our lads really turned on the style in this match despite falling behind to some early Olivers scores. Every player raised

their game and indeed should have finished with a bigger tally. A magnificent display from Brendan Scanlon inspired this win with Shane Ormonde, John Fenton, Kevin Looby, Stephen Kett, Martin Gilligan outstanding, but the remaining players all did their bit in victory.

**Celbridge 7-5 Cappoquin 0-1** — The lads faced a heavy early bombardment from the physically huge Kildare outfit but our lads gallantly fought their way back into the game and but for some frantic goal line clearances, we could have been on level terms at half-time.

On the resumption our lads were battling like demons. Tim Looby was magnificent between the posts making breathtaking saves time and again. His brother Kevin, now at wing-back, was blotting out Celbridge's dangermen. Shane Ormonde was brilliant at full-back. Brendan Scanlon was making a mighty effort at midfield but our attack, brave as they tried, could not penetrate a solid Celbridge defence. It was 11 mins. into the half before our opponents scored and our lads continued to hurl defiantly but cruelly 2 deflected goals in the final minutes put an unreal look on the scoreline. But the team must be complimented on a mighty effort.

Our panel of players were Tim Looby, Alan Dalton, Shane Ormonde, Peter McGrath, John Fenton, Stephen Kett, Eoin O'Donoghue, Brendan Scanlon, Kevin Looby, Gerry O'Connor, David Sheehan, Alan Hogan, Martin Gilligan, Rory Tobin, Conor Heffernan, John Cunningham, Tommy Curran, Kenneth Hanrahan, Daniel Dransfield, Gearóid Coughlan, Pat McGrath, Paul Barry. Well done lads.

**Minor Football League** — We suffered a heavy defeat in the Minor Football League to Clashmore last Monday night. Our lads never got to grips with the game and Clashmore dominated from start to finish.

Team: C. Millea, S. Foley, K. Foley, N. McCarthy, P. Coffey, D. McCarthy, S. Hanrahan, P. Scanlon, N. Maher, L. McLoughlin, M. Fraher, P. Landers, S. Coughlan, J. Ahearne, S. Coughlan. Subs: S. Byrnes, S. Curran, S. Barry.

**Intermediate Hurling — Cappoquin 1-4 Ballysaggart 0-6.** — The scoreline speaks for itself, a game best forgotten. The condition of the pitch was almost unplayable, in fact it should never have been played and

the game suffered as a consequence. The sliothar was just plugging in the ground. Frees were constantly off target in the windy conditions that prevailed. Players were unable to play their natural game. It was a lottery with Cappoquin just edging the spoils.

Team: P. Casey, S. McCarthy, L. Costin, A. McCarthy, J. Buckley, S. Costin, F. McLoughlin, J. Allen, M. Power (0-3), S. Fraher (1-0), B. Tobin, M. Lacey, C. Prendergast, P. Lacey (0-1), P. Landers. Sub: T. Mansfield.

Our next game in the League is against St. Marys on Tuesday night.

**Junior Football** — Our Junior footballers play Brickeys this Friday night while we haven't any date for our Junior hurlers game against Tallow.

**Presented Socks** — A word of thanks to Jack McGrath, Market House who presented the under-14 hurling team with socks for this year's Féile Na nGael. Míle buíochas a Sheán !!

**Club Lotto** — There was no winner. Letters drawn were V, J, S. The consolation prize winners were John Fraher, Shanbally; E. Ronayne, Conna and Eddie Fraher, Shanbally. Next week's jackpot £1,000. Venue The Tavern Bar on Thursday, June 26th at 9 p.m. and all are welcome.

# Flynn Takes Over U.D.C. Chair

CONTINUED FROM FRONT PAGE

**CLLR. AUSTIN FLYNN  
NEW CHAIRMAN OF  
DUNGARVAN U.D.C.**

months tenure as Dungarvan's first citizen, Cllr. Power said he had enjoyed a very good year. He received great help from the staff and officials in the Town Hall as well as from his fellow Councillors. Cllr. Power paid particular tribute to the organising capabilities of the Manager of Dungarvan Sports Centre, Tom Keith who he said, never ceases to amaze him.

On the proposal of Cllr. Nuala Ryan (FF), seconded by Cllr. Hart, the chain of office was then officially handed over by Cllr. Power to former Vice-Chairman Austin Flynn.

**A DAUNTING TASK**

A teacher at Dungarvan Technical College, Cllr.

Flynn is a member of the Co. Waterford V.E.C. and Waterford County Council. He resides at Ballinamuck West, Dungarvan and was first elected to the Urban Council in 1994.

On his election to the chair, Cllr. Flynn described it as a tremendous honour and privilege and said he faced a daunting task following in the footsteps of the three preceding Chairmen, Cllrs. Billy Kyne, Nuala Ryan and Paddy Power.

"I hope to work well with staff and members in the coming year for the good of the town," he added.

**JOB WELL DONE**

Outgoing Chairman Cllr. Power received many glow-

ing tributes from members. County Manager Donal Connolly complimented him on an excellent year as Chairman and said he represented the U.D.C. with honour and distinction at the various functions he attended over the past year.

Likewise Town Clerk Ray Moloney said Cllr. Power was a pleasure to work with and represented the town in a professional and dignified manner in his capacity as Chairman.

As the position of chairmanship gets more demanding with each passing year, Cllr. Billy Kyne said Cllr. Power's year was a busy one and reflected well on himself. "He's now free to rejoin his family," he

quipped.

Cllr. Nuala Ryan said the outgoing Chairman served the Council and the town very well and he should be proud of his record for the year.

# Ring/Helvick Water Supply Polluted

CONTINUED FROM FRONT PAGE

Speaking to the 'Dungarvan Leader' yesterday, Brian White, Administrative Officer, with the Environment Section of the Co. Council said the local authority is now actively investigating the source of the pollution and is working with landowners to ensure the problem does not reoccur.

A high dosage of chlorine was pumped into the Ring/Helvick supply to counteract the bacteria, and in the process of cleaning out

the water supply, the Council also had to scour water pipes and clean filter beds in the system.

"There is now only a very slight level of residual contamination", said Mr. White who confirmed yesterday that the Council expect the drinking ban to be lifted within the week.

Of three water samples taken by the Health Board yesterday at Colaiste na Rinne, Ballinagoul and Helvick only the sample from Helvick showed mild contamination.

This indicates that the water source is clear of pollution and that some residual contamination remains in the pipe line.

These pipes in the Helvick area are again being scoured by Council workers, and Mr. White hoped that the boiling notices will be lifted before the end of the week.

"We can't lift the embargo until the Health Board Tests are clear for a number of consecutive days", he explained.

Responding to local concerns Mr. White said that

had the need arisen if the water was seriously polluted, then the Council would certainly have tankered water around the houses. He stressed however that when boiled the water is 'absolutely safe'.

Since the contamination was first discovered, the Health Board had tested the water supply every day. Information bulletins on the situation were also broadcasted on WLR and Radio na Gaeltachta.

## RECENT DEATHS

### LATE MRS. BRIDIE McDONAGH

The district learned with regret the news of the death of Mrs. Bridie McDonagh, Sutton Road, Mansfield, Notts, England and late Boolabrien Lower, Ballymacarbry which sad event took place on Monday, June 9th.

The deceased, who was in her 85th year, was a member of an old and respected Ballymacarbry family, the Ryans of Boolabrien Lower, a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease.

For many years this lady, with her now deceased husband, Charlie, made the trip each year to the old home-stead at Boolabrien. She was abounding in Christian charity and she made an immediate and lasting impression by virtue of her courteous and easygoing nature which endeared her to all.

Possessed of an old world charm, she held a Christian outlook on life. That her memory will be cherished was truly indicated when all walks of life were represented in the cortege of mourners who were present on Sunday evening when her remains, after they were removed from Dublin Airport on Sunday morning, were removed after the Rosary was recited by Rev. Fr. Pollack C.C. St. Oliver's, Clonmel from Condon's Funeral Parlour, Clonmel to St. Laurence's Parish Church, Fourmilewater where they were blessed and received by Rev. Fr. James Denmead C.C., Fourmilewater/Newcastle.

On Monday morning, the feast of St. John Francis Regis, requiem Mass was celebrated for the repose of her gentle soul. The celebrant was Rev. Fr. James Denmead C.C. After Mass on a beautiful June day, a gentle lady was laid to rest beside her husband Charlie who predeceased her by some 4 years. Fr. Denmead C.C. officiated at the graveside again in the presence of a large concourse of mourners who were present to pay their final respects to a dear Christian friend whose memory they will treasure.

To her brother Paddy, her sisters Ciss and Josie and her many other relatives, we extend our sympathy.

Craobh an tí ar lár grásta agus trócaire ar a hanam uasal.

(Undertakers: Condon's, Clonmel).

### LATE MRS. NORA TERRY

News of the death which occurred in Chicago, U.S.A. of Mrs. Nora Terry (nee Ryan) formerly of Knockalisheen, Ballymacarbry was received with deep and sincere regret.

The deceased, daughter of the late Edward and Ellen Ryan, was in her 92nd year and was a member of one of the district's best loved and respected families. This lady emigrated to the United States in the late twenties and since then she paid just one visit to the homeland.

Her late husband was a native of Rathgormack. Interment took place in Chicago. To her family, her sister Anne and her many relatives, we extend our sympathy.

Ar dheis Dé go raibh a hanam.

### LATE MASTER JOHNNY GLEESON

A cloud of sadness descended over the district on Sunday morning, June 15th with the news of the tragic death of Master Johnny Gleeson, Clonagagale, Ballinamult which sad event occurred in the early hours of Sunday morning when his motorcycle was in collision with another motorcycle.

The deceased, who was the only son of John and Imelda Gleeson, had recently attained his 19th birthday. He was one of the district's best loved and respected youths and was his parent's pride and joy. He helped his father with his job as an agricultural contractor, he was an expert handler of a mechanical digger and it was only on Saturday evening I saw him removing a machine to have it in place for work on Monday.

He was, at present, sitting his Leaving Cert. exams at the Technical College, Dungarvan. One of his favourite pastimes was a game of pool at which he was an expert player. The district of Touraneena/Nire/Ballymacarbry are the poorer due to his untimely death.

Many fine tributes have been paid to this young chap but perhaps the finest was paid to him on Tuesday

evening when one of the largest concourse of mourners seen for many a day were present when his remains were removed from his residence to St. Mary's Parish Church, Touraneena. His remains were shouldered the last half mile to the Church where they were blessed and received by Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena. Also in attendance were Rev. Fr. Brendan Crowley P.P. Kill/Newtown/Salleen, Rev. Fr. William Ryan Adm. Cathedral, Waterford; Rev. Fr. Michael Kennedy C.C. Dungarvan; Rev. Fr. Francis Lloyd C.C. St. Pauls, Lisduggan; Rev. Fr. Martin Keogh C.C. Sacred Heart, Waterford.

On Wednesday afternoon at 12.30 p.m., the feast of St. Marcus (Martyr), requiem Mass was celebrated for the happy repose of his gentle soul. The celebrant was Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena. Also present were Rev. Fr. Brendan Crowley P.P. Kill/Newtown/Salleen, Rev. Fr. Pierce Ahearne P.P. Lisronagh/Powerstown, Rev. Fr. Paddy Hallinan, Retired Foreign Mission, Rev. Fr. Michael Kennedy C.C. Dungarvan; Rev. Fr. Pat Moran O.S.A., Dungarvan, Rev. Fr. Francis Lloyd C.C. St. Pauls, Waterford.

After Mass as the summer rain came across from Dyrrick, one of the district's best loved was laid to rest in the family plot with his sister Geraldine who predeceased him by some 12 years and his grandmother who died some 32 years ago. Fr. Kelleher P.P. officiated at the graveside with the other clergy in the presence of another immense concourse of mourners testifying to the esteem and high regard in which Johnny and his family are held.

Family, neighbours and many friends from near and far wept openly as they mourned the demise of a dear Christian friend. Paddy Phelan and Brendan Tobin, cousin) spoke at the graveside and one of Johnny's favourite songs was sung by his uncle Michael F. Whelan. To his heartbroken parents John and Imelda, his sisters, uncles, aunts, grand-aunts and uncles and his many other relatives we extend our heartfelt sympathy.

Go raibh loistín den scoith aige i measc na naomh.

(Undertakers: Walsh's, Cappoquin).

### LATE MR. RICHARD STAPLETON

It is with deep and sincere regret we pen the death of Mr. Richard (Dick) Stapleton, Moorstown, Cahir which sad event took place at his residence on Thursday, June 19th after an illness of some duration.

The deceased was a member of an old established family, highly respected in the farming community, the Stapletons of Glenegad, New Inn. The term nature's gentleman was coined with men like Dick in mind, he was a man who was most charitably disposed. His outgoing sincere nature, courtesy and great depth of human kindness marked him out as a true Christian. He had 4 sisters in the Ballymacarbry district, Bidy Power, Alice Whelan, Josie Kennedy and Mary McCarthy, all of whom have passed to their eternal reward.

He was a loving person who had a host of friends who appreciated his company, advice or assistance in any way and who now truly and justifiably mourn for the void his demise leaves. The respect and high regard in which the deceased and his family are held over a wide area was evidenced on Friday evening when all walks of life were represented in the vast concourse of mourners who were present when his remains were removed from Lonergan's Funeral Home, Cashel to the Parish Church of Our Lady, New Inn.

On Saturday morning, the feast of St. Aloysius Gonzaga, requiem Mass was celebrated for the repose of his soul. After Mass he was laid to rest in the adjoining cemetery again in the presence of a large concourse of mourners who were present to pay their final respects to a Christian friend whose memory they will cherish. To his wife Teresa and family, his brother David, his sister Ann and his many other relatives, we extend our sympathy.

I bparthás na ngrást go rabhaimid.

(Undertakers: Lonergan's, Cashel).

### LATE MR. JOHN BYRNE

With regret we pen the death of Mr. John (Galligan) Byrne, McDonagh Crescent, Old Bridge, Clonmel and late Kilganey.

On Saturday evening his remains were removed from Condon's Funeral Parlour, Clonmel to SS Peter and Pauls, Clonmel and on Sunday after Mass the funeral took place to St. Patrick's Cemetery, Clonmel.

## TOPICS

### Rodents Rampant in Abbeyside Back Gardens

Councillors have expressed concern at an invasion of rats in gardens in Abbeyside.

According to Dungarvan UDC member, Nuala Ryan, the rodents have converged at the rear of the Kyne Park housing estate. It's understood that their origins are an area of overgrown waste ground adjacent to the old railway walk which has become an unofficial 'dump' in recent years.

Cllr. Ryan told a recent Urban Council meeting that the property was a potential health hazard and an urgent 'clean-up' was needed. Cllr.

Michael O' Riordan said the council were urging the public to keep Dungarvan tidy and in the the same breath paying 'lip service' to the Litter Act.

He said the area in question was littered with cans and broken bottles covered over by 3-4 years growth. "My advice to people is don't go near the railway walk, which is a shame because it could be developed into a fine amenity," he said.

County Manager, Donal Connolly said a lack of manpower resources to clean up the mess was the main obstacle. However,

there was the option of disposing of the site to the adjoining landowners. He would see what could be done to alleviate the vermin problem in the short term.

### Local History Project

Research has been undertaken on an ongoing basis over the last sixteen months on the families resident in the rural areas of the parish i.e. Ballinacourty, Clonea, Ballinroad and Garranbane in an effort to preserve the family trees, folklore, placenames and local history of these areas.

The material is being collected by Eddie Cantwell with the support of David Walsh, Ballinroad. Eddie is visiting the households in the above areas and he will be intensifying this aspect of the work in the foreseeable future. When Eddie calls to your home it would be appreciated if you could accommodate him to the best of your ability.

Specifically, Eddie is attempting to identify the families who lived in the areas during the 1850's and then pinpoint their exact locations. It is intended to link them to their ancestors who live in the respective areas today. The research will cover the folklore of the areas - fact and fiction and resurrect some of the colourful characters who lived in the area up to the 1960's and will include those who have departed this life. The pictorial aspect of the project is also vitally important and again the co-operation of the public would be appreciated. On publication of the project the general public will find the comparison between the populations in the various townlands before and after the famine very interesting. In the course of the research it is possible that some unsung hero's of the time could be brought to life.

All the material will be collected into book form and so preserved for the future generations.

### Ballinroad Hall Walk

On Sunday, June 29th the third Ballinroad Walk, organised by Fr. Ahearn and the St. Laurence's Hall Committee, takes place. Anyone who was on the first will not forget it while the second one proved a much easier day out.

What will Sunday hold in store for us? We will just have to go along and find out. We know it's in aid of Ballinroad Hall with sponsorship cards doing the rounds. We also know the bus leaves The Pond, Abbeyside on Sunday morning at 11.15.

The walk is from the Nire Carpark to Power's the Pot with Jim Daly in charge of operations. Distance 6 miles approx. We hear light refreshments will be provided so the only thing we don't know about is the weather!!

If you wish to walk, sponsorship cards are available from any Committee member or if you prefer you can just pay £5 entry to the bus on the morning at The Pond.

Hoping to see you in glorious sunshine on the beautiful Comeragh Mountains on Sunday evening next for what promises to be another day to be remembered.

### OUR LOCALITY

The new school at the Pond in Abbeyside was opened on Monday 22 August 1892. By the end of the school year, June 1893 there were 99 boys and well over 100 girls on rolls. Records show that Fr. Coffey came and examined both boys and girls in the school on the 21st. and the 27th. April 1893; there were 39 boys present for the first day and 69 girls present on the second occasion. The inspector, Mr. S. C. Stronge called to the boy's school at 10 am on 19th May of the same year but only stayed 20 minutes. A comment was written in the Daily Report Book by the curate Fr. D. F. Walsh on 15th July 1893 on visiting the boys. "Order very good," so we can safely assume that the pupils were behaving themselves and that those in authority were well satisfied.

Of the pupils who attended classes the day the school opened 45 had fathers who were sailors. Quite a number of children were orphans. The following is a list of occupations of the men of Abbeyside during those times as compiled from the school registers: Sailor, Shoemaker, Farmer, Cooper, Pensioner, Shopkeeper, Soldier, Butler, Clerk, Labourer, Fishdealer, Fishmonger, Telegraph Official, Policeman, Light-keeper, Fisherman, Overseer, Railway Official, Gentleman, Steward, Signalman, Police Pensioner, Traveller, Excise Officer, Linesman, Carpenter,

## SCOUTS NOTES

### REGIONAL SCOUT COMPETITIONS

The De Búrca and O Fearghail Shields were held last weekend in Mount Melleray Scout Centre.

Five teams in all took part, two for the De Búrca Shield and three for the O Fearghail. De Búrca entrants were Dungarvan (11th Waterford) and Ardmore (34th Waterford). O Fearghail entrants were Abbeyside (4th Waterford), Dungarvan (11th Waterford), Ardmore (34th Waterford). Winners of the De Búrca were 11th Waterford who are now qualified to go to the Melvin in Larch Hill later this summer. We wish them all the best. The winners of the O Fearghail were 34th Waterford (Ardmore). Well done to the boys and girls there.

A few questions have come up after the weekend -

1. What was Seanie McCarthy really doing on Friday night last and who else was involved? (By the way, Seanie is a Cub Leader from Dungarvan)
2. Why was Eddie calling out for Simon on Friday night and why did he want to get out of his tent on Saturday night?
3. Who was the girl Tomás Cashin was 'talking' to on Saturday night and what did he want to feel?
4. What did Paul do in his sleep with Seanie's jumper?
5. Did Sean Crawford get his fellow scouts lost or did the examiners go to the wrong place?

If you want to get the answers to these questions and everything else that really happened on the weekend, ask those who were there.

The Abbeyside team were P.L. Tomás Cashin, A.P.L. Aidan French, Eddie Casey, Simon Hanrahan, Pdraig Cullen and Peter Phelan. Well done to all who took part and to all the leaders of the region, both cub and scout who helped out.

We have the sad news that A.R.C. Scouts Tom Power has now retired. Best of luck to him and thanks to him for his efforts.

### FATHER & CUB CAMP

The Annual Father and Cub Camp takes place next weekend in Mount Melleray Scout Centre. The weekend starts at 9.30 a.m. on Friday night and ends on Sunday at 3 p.m. More details can be got from the leaders.

### NEWS

No scout meeting this week. All those scouts going to camp should have their bikes ready for the next scout meeting on July 5th. Father and Cub Weekend in Mount Melleray. — Scribe.

# Abbeyside National School Fun Night

The premises and grounds of Abbeyside National School became 'user friendly' on Monday night last June 23rd when the Parents Association staged a fun night for children and parents. A party atmosphere prevailed as teachers, parents, grandparents and children mixed socially and got to know each other better as a result. On the lawn inside the front gate one was greeted with a line of small children waiting to attempt a similar obstacle course. The pupils had to crawl under a line of four chairs, walk along a bench, climb up four steps, stand on a horse and finally jump down onto a mat. Of course there was a sweet for each child having completed the course.

In the school yard there were a number of side shows to entertain the pupils i.e. pin the tail on the donkey, skittles, lucky golf, guess the number of sweets

in the jar, soccer skills and basketball skills. All these were supervised by parents.

The Fancy Dress attracted great attention. First in the junior infants to second class section was Rapunzel with Jack Charlton in second place. In the senior classes The Smurfs were placed first with the Spice Girls second.

A mini sports took place and included a tiny tots race, jnr. infants boys and girls, piggy back races, 3 legged races, egg and spoon races, a mothers race, teachers race and finally a dads piggy back race.

Drinks were on sale from an outlet situated inside the school building itself and I can tell you there was a queue all evening. A raffle for school funds also took place and it was well supported.

The event was graced with lovely sunshine and really this is what summer evenings are all about and

the happy occasion will be remembered for some time to come.

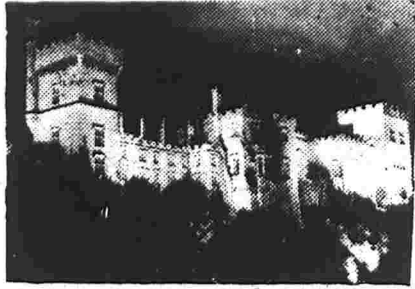

### Abbeyside Reference Archive

Last week the local Folk Group donated a book to us which traced their history since they were first established in 1982. This book contains many photographs and is a good record of a very active group. We thank Kathleen Condon for this long awaited Volume I and look forward to receiving Volume II which is promised to follow shortly.

This Sunday evening A. N. Other will be minding our treasures at the Parish Office at the usual 2.30 p.m. - 5.30 p.m. time.

I'm sure if you visit, you will find him or her most helpful.

Goals from Deirdre Barry (2) and Michelle Hennessy (2) and a point each from Laura Buckley and Niamh Ryan. We were 4-2 to nil ahead at half-time. We eased off somewhat in the second half with Niamh's 1-1 and Carol Byrne's goal the only scores though we were on top throughout the game. The final score was Lismore 6-3 Tramore 0-0.

This win gives us a place in the County Final on Saturday evening against either Butlerstown or Gaultier who play tonight (Wednesday). The final is fixed for 6.15 p.m. in Dungarvan G.A.A. pitch on Saturday evening. We expect to see a large turnout from Lismore on the sidelines giving the girls what may be the deciding factor - your support!!

There were over 60 travellers this year and all made their way to the 'sunny South East' on Friday evening. Pat Ryan and Connie Dowd led the way home in the unofficial practice round.

Saturday saw the 18 Hole Singles got underway. Ray Rochford won the gents with Connie Dowd again showing the way home.

The meal served up on Saturday evening was superb and much appreciated. The now traditional Special Category prizes were distributed and there followed a marvellous night of music, song and dance enjoyed by all which was evident on the 1st tee on Sunday morning as the team event got underway. The winners and losers were presented with prizes before the wagons headed west.

To Tom and Margaret, a big thank you for a lot of work and a most enjoyable weekend and thanks to all for their co-operation over the weekend. What about '98??!

## LISMORE CRICKET CLUB NOTES

**Minor League** — Lismore v Limerick. Limerick 154 for 3 after 40 overs, Lismore 153 for 4 after 40 overs.

Winning the toss, Limerick decided to bat first on a wicket, despite taking a lot of water from the week's poor weather was in good condition. Both the Lismore opening bowlers got some lift. After 12 overs the bowling of Glen Hughes and Allen Sheane had contained Limerick to 25 runs. Glen did very well only giving away 6 runs.

By the 20th over Limerick were 50 and Lismore were thinking of a Limerick score of around 120 by the 40th over. By the 30th over with the score 87, the 120 still looked on the cards. Unfortunately helped by some wayward bowling, Limerick picked up the tempo and runs came freely, 67 off the last 10 overs. Limerick finished on 154 for the loss of 3 wickets. David Ind 1 for 31, Allen Sheane 1-25, Andrew Malcolm 1-21.

Opening the Lismore innings, John Ind and Ray Bryan soon settled down and soon had the score rattling along and with the score at 43 after 14 overs, down came the rain. Play was held up for half an hour. With the resumption of play and with their concentration broken by the stoppage, a mix-up resulted in the run out of Ray for 19. Bruce Coker joined John Ind. By the 20th over, Lismore were ahead in the run rate having scored 63. The trouble at this stage the wicket was wet and both batsmen were in danger of slipping. What would have been easy two runs, Bruce and John were having to settle for the single. By the 30th over with the score at 98 and still ahead on run rate, both batsmen started to hit out and with score on 144 with 2 overs left, Bruce was out, caught for 43 runs. John, who was playing a captain's innings was joined by David Ind and was soon run out and with the score 152, David Dungan joined David Ind. Two balls left. A single from David and then with a quick run on the last ball to tie, the match was run out leaving Lismore 2 runs short of victory. Perhaps if the rain had stayed away, Lismore would have made the target but take nothing away from the Limerick side, they kept their heads under severe pressure.

Lismore: John Ind 76, Bruce Coker 43, Ray Bryan 19. Next week Lismore play at home in a Minor Cup match. Opposition not yet known.

We are also trying to arrange a Towns League game against rivals Coolmountain on Saturday, June 28th.

## LISMORE COMMUNITY PLAYGROUP

A very successful meeting of the playgroup was held on Tuesday, June 17th. A lot of new and interested faces were seen. It appeared from the meeting that it wasn't commonly known that the playgroup is actually run by the parents and governed since last June by the Health Board. The Health Board has set out guidelines for all childcare/playgroup facilities to ensure that the leader, assistants and committee behave in a proper manner which establishes a friendly, relaxed atmosphere for all concerned. A stimulating and varied programme should be provided to enable children to learn socialising skills, educational development through play and instill in them a feeling of security, confidence and trust and make that huge step to big school less traumatic for children and parents. Another year is coming to a close and on Friday next, June 27th we are having a Teddy Bears picnic for the kids so if you have any small ones and a teddy at home, come along, have a cup of coffee, see the set up and let the kids have some fun. At this point I would like to thank Pauline for her committed service during the year and wish her the best in the future. A lot of interest has been shown in the position available (play leader) and the I.P.P.A. advisor and her assistant will be holding interviews in July so all those who applied, you will be hearing from us in July. Our assistants will also be leaving in October so anyone qualified for the FAS Scheme who feels that they have the commitment to children, should apply to Liam Flynn, our FAS Supervisor at the Community Centre.

Our thanks also to the G.A.A. Club for the use of the Clubhouse. It's ideal for the children allowing space to play indoors and out. During the past year new heating has been installed and new equipment purchased. There is lots of scope to improve things further which we are confident the new committee will still improve upon. Our final meeting for this year will be held on Monday, June 30th so again all interested please do come along.

Anyone from the locality can come in on the meeting. Good luck to all our past pupils and looking forward to meeting new enrollments for next year. See you on Friday next, June 27th or Monday, June 30th at our Committee Meeting. A special thanks to all involved in Féile for leaving the premises spotless when they left.

This Week In The Garden

Lift Tulp and Hyacinth Bulbs

Tulips and hyacinths will now have completed their growth and can be lifted and cleaned. Lay the bulbs in shallow trays and stand them in a dry, cool, airy place, but not in full sun. Dead tops can be removed.

Spray Potatoes

Do not wait until disease attacks your potatoes, spray them now with Bordeaux mixture. The potato blight disease is common and some plants are likely to become infected unless you take this precaution.

Sow Carrots

A small sowing of carrots made now is often justified, especially if the season happens to be a bad one for carrot fly. This fly does all its damage early into the summer, and seedlings from a July sowing usually escape. Sow stump rooted or intermediate varieties.

Complete Thinning of Apples and Pears

Now is the time to complete the thinning of apples and pears. Reduce the fruits to one, or at most two, per spur.

Finish Planting Celery

All remaining celery seedlings should now be planted out in the trenches as soon as possible. The last plants to be dealt with will be those from the April sowing in a frame.

Mulch and Spray Runner Beans

Runner beans will benefit from a fairly thick mulch of well rotted manure spread on the ground for a distance of at least a couple of feet on either side of the row. When the plants begin to flower, spray them every evening with tepid water. This will help the flowers to 'set' and so ensure a good crop of beans. Keep this up all through the month and on into August.

Spray Apples Against Codlin Moth

Repeat an application of one or other of the sprays recommended by the manufacturers and used in June.

Adding Flavour To Your Garden

Fresh herbs are always useful and one of the best ways to cultivate herbs is to grow them in pots.

So whether you have a large garden or just a small backyard it is possible to create your own herb garden next to your kitchen. Then, whenever you need a particular herb for your cooking you can pop outside and pick it from your own supply.

Most herbs will grow happily sharing a pot with other herbs but make sure you always grow mint in its own pot as it will always overpower other herbs. But you may decide for your own convenience that it is best to grow each herb in its own separate pot and this is to be recommended.

PREPARING YOUR POTS

Fill the bottom of the pots with coarse gravel and cover this with a layer of finer gravel. Cover the fine gravel with a layer of soil, then top up the pot with high quality compost.

Depending on the plant, it may be necessary to propagate the seeds indoors. But all your pots should be moved outdoors by late spring so you will have a constant supply of herbs in your kitchen garden throughout the summer.

RECOMMENDED HERBS

Chives leaves have a mild onion flavour which made it a perfect garnish or flavouring for soups, cheese, dips and salads. Sow seed in the spring.

Dill — Hardy annual. Use the leaves in soups, sauces, salads and pickles. Do not plant near fennel as cross pollination could result in the loss of its distinctive flavour. Seeds should be sown in spring and early summer.

Horseradish — The stout white roots have a pungent flavour which can be used in dips and coleslaw as well as horseradish sauce. Propagate by seed. Harvest roots in autumn.

French Tarragon — Half-hardy perennial with narrow leaves used for tartar sauce and to flavour egg and chicken dishes. Propagate by division of rhizomes in the spring. Seed is not available. The seed sold as Tarragon is the Russian variety which can have an inferior flavour.

Coriander — Hardy annual with an unpleasant smell — should not be grown indoors. Lower leaves are used in curries and chutneys, sauces and salads. Seeds are sweet and spicy and can be used in baking chutney and sausages. Sow by seed in the autumn or early spring.

Fennel — Hardy perennial. Use the leaves for salads, meat and fish dishes. Sow by seed in the spring.

Mint — The most popular and widely used herb. There are numerous species but it must always be grown in its own plot or container away from other herbs or plants. The leaves are used to make mint sauce, to flavour drink, potatoes or peas and can also be used in salads. Propagate by stem cuttings planted in spring or summer.

A number of quality eating establishments launched the West Waterford Good Food Tree on Monday, June 16th in Ballyrafter House Hotel in Lismore.

The objective of the group is to promote and improve the quality of their premises while encouraging the use of local fresh produce in their menus. To compliment the event there was a display of local food products to include cheeses, honey,

apple juice etc.

Each member of the Good Food Tree was presented with a plaque by Michael Duffy, Chief Executive of Bord Bia. John Barry, Chairman Waterford Development Partnership announced that funding under the Leader II programme will be available for the upgrading of eating establishments in the West Waterford Good Food Tree and subject to complying

with the guidelines set down by Waterford Development Partnership.

This programme will be piloted in West Waterford and if it is a success, the project will be extended county wide.

Ken Buggy, Chairman West Waterford Good Food Tree wrapped up the event by thanking Bord Bia, Georgina Campbell and Jean Duffy, Waterford Development Partnership for

their assistance in getting the group established.

A comprehensive guide to good eating in West Waterford has just been published to introduce people to some of the culinary delights in the West Waterford area.

This guide also features traditional house specialities. Copies of the guide are available in the Tourist Offices or contact (058) 54646.

## MILKING MACHINES

Liners should be changed twice yearly, July is about the halfway stage in the milking season, so it should be time to change them now on many farms. This is expensive, but it is a lot less expensive than under-milking the cows or higher cell counts, under milking during the year contributes to the rise in cell counts that occurs towards the end of the year.

The list of liners that is now recommended by Moorepark includes only very good liners, they milk cows fast and milk then out well and do not slip off or hurt cows' teats.

Also in the context of milking cows out completely, cluster weight is very important. The cluster should be 3 kg even at 2.8 kg there is a small reduction in milk yield of 0.5 — 1 litre per day. Clusters of 2.5 or thereabouts will not milk out the milk, they are slow and can creep up on the teats/udder.

Modern clusters from all of the machine companies are good and are heavy enough, but many of the older ones are not. The liners on the Moorepark recommended list do not perform well in light clusters.

## SUMMER MASTITIS

In-calf heifers, and dry cows in liquid milk herds are prone to getting a severe mastitis during the summer. It is most frequent in July and August, so it is considered to be caused by flies that congregate on little scratches and scrapes on the teats. The condition is usually very serious, resulting in a blind teat or a light quarter. This is a big loss, it is not unusual for a couple of heifers in a group of 10-15 to be affected by summer mastitis.

This problem can be reduced by grazing in-calf heifers and dry cows in high breezy fields, away from briars, bushes and long thistles. They should be checked every day for signs of a swollen quarter or sickness. The earlier it is noticed, the better chance of curing it. Fly repellents should be used as well — sprays, ear tags, tapes and pour ons. Stockholm tar is troublesome to put on the teats but it should be helpful.

## BIG BALE SILAGE TIPS

- 1 — Don't mow too bare as this can cause soil contamination. Similarly tedder tines can scratch the ground and throw soil onto the grass.
- 2 — Aim for a well-shaped solid bale that is easier to seal.
- 3 — Wrap bales soon after making (within 2 hours). If left unwrapped, they loose shape and start to heat.
- 4 — Ideally, wrapping should take place at the storage site. Otherwise collect wrapped bales and store as soon as possible. Transporting bales that have settled may disturb the seal.
- 5 — Inspect and seal any damage to the plastic cover with adhesive tape.
- 6 — Store in a sheltered site and fence securely.

## MIND THAT CHILD

School holidays are here. The children are helping out on the farm and the city cousins have come to visit. All the machinery is very busy — from the tractors and trailers to the forage harvesters and balers. All this adds up to a very dangerous time on the farm and a time when extra care is needed. As well as ensuring that slurry and sheep dipping tanks are properly fenced, attention needs to be given to the risks from machinery. Bitter experience shows that children and moving farm machinery are best kept apart.

With larger and higher capacity machines, operators need all their concentration for the job on hand and cannot reasonably be expected to look out for children in the work area. The answer lies in providing a safe and supervised play area, where they can still see enough to satisfy their natural curiosity — from a safe distance.

It is highly dangerous to carry young children on tractors, yet despite some horrific accidents in recent years, this practice is still common. Even the most modern cabs are not designed for this purpose. Most accidents of this type occur when the cab door opens, a child falls out and is run over. There is the risk of interference with controls and children are also vulnerable in the event of the tractor overturning or objects being thrown up by machinery.

Unguarded machinery and unsafe electrical installations are proven causes of serious and fatal injury. Greater vigilance is constantly needed on farms to keep equipment in better condition and take advantage of available safety improvements. Recent legislation requires that greater emphasis is placed on regular examinations and safe use of equipment. Manufacturers are also required to play their part in improving safety standards.

## ARDMORE SCOUT NOTES

**SCOUTS** — Well on Friday 2 teams travelled to Mount Melleray to participate in the O Fearghail and De Búrca Shields and on Sunday they returned with their trophies. The O Fearghail team came first and the De Búrca team came second. The Shields are special tests that put into practice what the Scouts have learnt during the training. I believe that there was an unusual alarm clock in Melleray, well according to Brett anyway. Something about cows that turned into elephants?! Sean, accordingly to what I have heard, should begin a new career after his 'act' during the five minute sketch for the De Búrca - a natural I have been told!! Even though things got off to a rocky start on Friday and the weather was awful, I think everybody enjoyed the experience and had fun. Congratulations to Dungarvan Scouts for winning the De Búrca Shield and a very special thanks to all the Chefs Supreme who delighted us with their culinary skill for the weekend.

The section is now closed for the Summer except for Summer Camp in August, more of that in the coming weeks.

**CUBS & BEAVERS** — There was a ceremony on Tuesday evening when 8 Beavers swam up to Cubs. There to welcome Charlotte, Neville, Kirk, Mary, Edward, Anne-Marie, Thomas and Danny into Cubs were Amanda and Marie, the leaders. Also 3 Cubs were there to enter into the Scouts so we had to say goodbye to Carol, Lindsey and Fiona. Cubs will close down for the summer after this coming Tuesday when discussions about the Summer Camp which will take place from July 3rd to July 7th. Beavers have already closed down for the summer period.

## ICMSA Urges Extension Of Quota Purchase Subsidy

ICMSA Dairy Committee chairman, Tommy Cooke said last week that Avonmore and Waterford should introduce a subsidy scheme for the purchase of milk quota, similar to the one operated by Dairygold.

Mr. Cooke said he had already been in contact with Avonmore on this issue. In the context of the discussions on the merger between Avonmore and Waterford, Mr. Cooke said that a decision by both co-ops to introduce this form of subsidy would be a vivid demonstration of the co-op's commitment to all their milk suppliers.

"I am confident that such a move by these two co-ops would receive a very positive response from farmer shareholders", concluded Mr. Cooke.

## IFA Express Concern At High REPS Planning Charges

Waterford IFA Rural Development Chairman, Mossie O'Connor has said that he was greatly concerned that some planners are overcharging farmers for drawing up REPS plans. For some farmers planning charges have become a major drain on the financial benefit from REPS with up to 20% of first year REPS payment being ought by planning agencies.

Mr. O'Connor said following the publication of an IFA nation-wide survey of REPS planning charges advised farmers to negotiate the best and most competitive price for a REPS Plan based on the amount of work that needs to be carried out by the planner and the quality of the REPS plan. Farmers should demand from the planner an indication as to the likely cost of the plan prior to the plan being drawn up.

Continuing, the Waterford IFA Rural Development Chairman said that farmers must insist upon quality plans being done by the planner so as to ensure that all aspects of the REPS scheme are fully complied with. Farmers must also ensure that their plan is of sufficient quality as to avoid

penalties for non-compliance and to safeguard second year and subsequent payments.

## IFA Advice On Valuation Of Thoroughbred Broodmares

Waterford IFA Horse Committee Chairman, Anne Waistell, said this week that the organisation has received representations from horse breeders concerning a taxation newsletter entitled "Alternative System of Mare Depreciation" which they receive from another association.

Ms. Waistell said some horse owners are of the opinion that where a breeder purchases a broodmare it is possible to depreciate the mare by 25% in the year of purchase.

Ms. Waistell added that the basis of valuation for all farming stock for tax purposes is cost or net realisable value, whichever is the

lowest. The Revenue Commissioners tax briefing issue of the 25th February, 1997 clearly states: "There is no entitlement to write off or depreciate a broodmare over a period." Where a horse breeder reduces the value of a broodmare below cost to net realisable value, he or she may be requested by the Revenue Commissioners so satisfy them that the reduced value is justified.

Ms. Waistell recommends that where breeders have any doubt concerning the treatment of a broodmare for taxation purposes they should discuss the issue with their accountant or taxation advisor to protect their financial interests.

## Code of Practice to be introduced by Pig Producers

The Waterford IFA Pigs Committee representative, Ian Tierney, has said that IFA was working closely with Bord Bia to develop a national pig production code of good practice to link in with the pig meat quality assurance, currently being revised by Bord Bia. The code of practice will cover all aspects of pig production including disease prevention and control and strategic use of medication.

He said antibiotic residue levels have been dramatically reduced to 0.2% in February, 0.0% in March and 0.4% in April, which is probably the lowest level in Europe.

## ICMSA HALF HEARTED RESPONSE TO LAND POLICY REPORT

Dan McCarthy, Chairman of the ICMSA Rural Development Committee has given a half-hearted welcome to the document titled "Towards a Sustainable Land Policy" which was launched by Mr. J. Deenihan, T.D., Minister of State at the Department of Agriculture, Food & Forestry.

Mr. McCarthy said: "A half-hearted welcome is all I can give because the document only goes half-way towards providing a worthwhile sustainable land policy."

"Any worthwhile policy on such an issue must have as its core objective measures to steer available agricultural quality land to those farmers most in need

of land to secure their livelihoods.

"Any tinkering around the borders of forestry and the Farm Retirement Schemes is only avoiding facing up to hard, but effective decisions.

"For example, the Farm Retirement Scheme, as it exists, demands the increase of every holding from which farmers retire. That compulsory provision gobbles up most available land and thereby prevents its availability to deserving farmers.

"This provision should be changed so that perfectly viable farms, from which their owners are retiring, would not be subject to forced enlargement."

# BALLYSAGGART NOTES

G.A.A.

**Intermediate Hurling** — On Sunday morning we played Cappoquin at home in the league. Under-foot conditions were terrible following the heavy rain of the previous days. Nevertheless credit is due to both teams on serving up a very entertaining, if a very low scoring game, considering the conditions. The final score was — Cappoquin 1-4, Ballysaggart 0-6.

Good to see captain Eugene O'Brien and David Nugent back again after recent serious injuries.

We meet Shamrocks this week in the league and we play Melleray in football at home again on Saturday evening.

**Sympathy** — The club extends sincere sympathy to the Ormonde family, Lismore, on the death of Michael, which occurred last week. Ar dheis Dé go raibh a anam.

**Déise Draw** — The first draw has been deferred for 2 weeks so there is still time to join. At £5 a month it is still great value and as it is our main source of income we would appeal to all our supporters to join.

**Féile Na nGael** — What a pity the weather proved a spoil sport for Féile weekend, but hopefully all our visitors to the county enjoyed their trip to Waterford. Our visitors from Cavan Gaels arrived on Thursday evening and were despatched to their various host families.

On Friday morning in conditions that would be expected in mid-winter, i.e. driving rain and wind, they played Ballysaggart/Lismore in the local pitch and beat the locals. Then back home to be dried out and get ready for the afternoon games.

Neither of the teams had any luck in the afternoon games in Ballyduff. Back again to Ballysaggart for the evening games on Friday evening where Ballyduff were the eventual winners of the group. After the games we had a most enjoyable social evening in the Ballyvera.

On Saturday morning it was all systems go as all headed for Waterford for the parade. Unfortunately, the weather once again spoiled things as the open air Mass had to be cancelled.

As our visitors had no further involvement in games they decided to head back home from Waterford as there was a "small" matter of a football game in Clones to be attended on Sunday!

So we bade farewell to them after a very short but most enjoyable visit and with a promise to visit Cavan some time soon.

On Friday morning Paddy Buggy, former GAA President, visited us, accompanied by Seamus O'Brien and Sean Whelan.

The club would like to thank all those who helped over the weekend; the families who accommodated the boys and the mentors who helped with catering; umpires, linesmen and the "mechanics" who got the bus driver out of his bit of trouble. It was once again a real community effort and our visitors were most appreciative of all that was done for them.

**Card Results** — June 19 — 1, Dan Howard and Finola Hynes; 2, Kate Browne and Mary Whelan; 3, Dan Brien and Mary Whelan, Michael Morrissey and Tom Brennock, John Prendergast and Stephen Cunningham, Maura Murray and Eileen O'Callaghan. Lucky tables — Nellie Devine and Cissie Power, Paddy Power and Joan Barrett, Stephen Cunningham and Johnny Prendergast. Raffle: Dan Brien, John Prendergast, Pad Walsh, Nellie Devine.

## Comeragh Mountain Brochure

The Comeragh Community Development Group launched their first tourist brochure recently in Crotty's Inn, Leamybrien. The group's chairman, Tom Horgan and County Council Manager, Donal Connolly, made the opening speeches.

WLR producer Noel Gallagher and presenter Billy McCarthy recorded the happy occasion with interviews, songs and music by talent from the local community. The one hour show was aired the following morning on June 20th.

The Chief Executive of Waterford Tourism, Monica Leach, expressed concern that our beautiful county is largely being overlooked and bypassed by overseas visitors rushing off to western parts of Ireland. County Waterford certainly has a lot to offer and there is a great need for promoting this area to tourism. She praised the Comeragh Community Development Group for the beautiful production of the Comeragh brochure and wished that more community groups would take the initiative and produce brochures covering their own areas.

Ms. Leach is now making the arrangements for a thousand brochures to be distributed on the ferrie crossing from Wales to Rosslare.

### DUNGARVAN SCOUT NOTES

# The 11th Waterford Do It Again!

DE BURCA SHIELD VICTORY FOR DUNGARVAN SCOUTS

Yes the 11th Waterford Scout troop have won the "DE BURCA" shield for the 2nd time in a row. The team was as follows. Paul Power (PL) Brendan Wright (ADL) Johnny Murphy (who had to be substituted in the last minute due to a sickness) Seamus Hayes. Dane Power, Paudie Power and Wayne Hayes (who filled in for Johnny Murphy) [from the Log].

With the weather playing up a bit we pitched our tents with sunshine, rain and strong winds. We then hiked to the Glen for soup and rolls. When we got back we had sausages and rolls. The next morning we were up early in order to finish our sites. Then we hiked to the Glen where we completed 5 bases which were initiative, First Aid, backwoods cooking, knots and lashings, and scouting knowledge. When we were finished we went back to site for our tea meal which

was (starters) melon. (Main Course) chicken curry; (dessert) Strawberry and Cream Flan. That night we had a camp fire where we had to sing songs and do a sketch. When this was over we all hit the canvas. Next morning we had a site inspection and went to Mass. Our uniforms were then inspected. While we all waited for the final inspection to be completed we were starting to get nervous.

The results were as follows; Best log 11th Waterford, best cook 34th Waterford, best project 34th Waterford, best first aid 11th Waterford. De Burca runners up 34th Waterford, De Burca winners 11th Waterford.

Our O Fearghail team who came 2nd to Ardmore were as follows; Ronan Flynn (P/L), Tony Sheridan (APL), Sean Og Murphy, Mark Flynn, James Fraher and Stephen Murphy. Well done lads.

BRIDEVIEW UTD A.F.C. NOTES — A.G.M. REPORT

## Ready To Roll With A New Boss

Yes, outgoing Chairman Michael Curley was glad to be able to announce at the clubs A.G.M. last Saturday night that the club is now ready to move on the new dressing rooms. The starting date is August the 18th and FAS are now ready to begin on that date.

This was the good news in what was a very good A.G.M. The outgoing Chairman Michael Curley welcomed everyone to the meeting in what was a very important one for the club as we are celebrating our 25th year. The club has come a long way in that 25 years, stated Curley and the purchase of the field was a major step forward. At last we also have a start up date for the clubs dressing rooms despite some hold ups.

The Chairman went on to thank the officers and committee and indeed the numerous people who sponsored the club during the past year.

Curley also thanked the Lotto sellers and added that the club are indebted to these people most of whom have nothing to do with the club.

I would ask everyone for another effort this season. Curley went on to state that all players will have to be insured for the coming season. No player will be allowed play unless they are insured. Curley then called for the sec. report which was read by Tomas McCarthy.

Tomas had a very comprehensive report covering all aspects of the club as well as outlining his views for the coming season.

Dave Doyle, the Club Treasurer gave a very detailed report and showed the club to be in a sound financial position but Doyle also added that the club would have to borrow money before this year is out.

The Chairman complimented both lads on an excellent report and paid a special compliment to the Treasurer's report which he said took a lot of work. Curley then stated that the next item on the agenda was the election of officers and that after 4 years as Chairman he was stepping down.

The Secretary Tomas McCarthy also stated that he too was taking a rest (nice one !!). A full list of officers will appear at the end of these notes.

A full discussion on many other items then took place and many firm decisions were made. However because the meeting ran late some items had to be carried over and another meeting took place during the week.

It is also hoped that work will start in the field this week, i.e. the entrance and drain as well as putting up a wall. Hopefully we get good weather.

Full list of officers and committee — President: Tom McCarthy; Chairman: Mike Ahearn; Vice Chairman: Mickey Curley; Treasurer: David Doyle; Secretary: Dominic Power; P.R.O: Lisa Fraser; Youth Officer: Liam Ahearn; Committee: James Beecher, Maurice Hartnett, Martin Egan, Pat McGrath, Tomas McCarthy; Team Manager - Div. 1: Mickey Curley, Asst. Manager: Michael Sheehan; Div. 2 Manager: Maurice Hartnett, plus an assistant. Managers for the schoolboy teams were picked during the last meeting and full list will appear next week.

**Clubs Get Together** — This takes place in the Brideview Bar on this coming Friday night at 8.30 p.m. sharp. Just a few tickets left.

**Schoolboy Results**  
**U-10 League** — Castlebridge Celtic 0 Brideview Utd. 1 — Our under-10 team had another good home win on Sunday morning last. This was a highly entertaining game with the result in doubt right up to the final whistle. Utd started well and Eamonn Forbes and Kenneth Kearney both tested Celtic's keeper early in the game. At the other end our keeper Stephen Power saved well in the 12th min. and the post kept Utd. in the game as the homeside took the game to us. Eamonn Forbes had a great free kick rebound off the post in the 18th min. At the break the sides were scoreless.

The second half produced plenty of exciting goal-mouth thrills which kept the crowd on their toes. Martin Rohan broke through the homeside defence but his effort just went wide. Power again saved Utd. before Kieran Casey was unlucky when, after rounding the defence, his well struck shot went just over in the 35th

min. Casey however made amends 2 mins. later when he shot home the only goal of the game. Kevin Henley's shot came back off the post after 41 mins. and at the final whistle Casey's goal still separated the sides.

This was a great team performance from the lads. Power was excellent in goal while his defence of Hickey, Casey, Prescod and Cunningham kept a tight reign on Celtics front lads. Our midfielders of Forbes, Condon and O'Grady all had their moments. Upfront Pratt, Kearney and Henley kept the homesides defence on their toes. The reserves of Whyte, Tobin, Ahern, Rohan all played well when called into action.

### U-8 League —

#### Cappoquin 1

#### Brideview Utd 0.

We travelled to the league leaders on Sunday evening last and were beaten by a breakaway goal despite camping in the Cappoquin goal for the final 10 mins. Tough defending from Pallister, Moroney, Bob McCarthy and Razor Hallahan had the homeside's forwards under control while our midfielders namely Thomas Fowler Ryan and Cathal Herlihy never gave up. Up front the two Shanes, Ahern and Feenly, went close to grabbing an equaliser and were unlucky. Evan Sheehan had a great game in goal and could not be faulted for the one goal that the homeside got.

Utd.: E. Sheehan, K. Hallahan, B. McCarthy, C. Herlihy, S. Ahern, B. Moroney, T. Ryan, S. Feenly. Res.: S. Barry, K. Curley and N. Cunningham.

### Challenge U-8 Game —

#### Cappoquin 0

#### Brideview Utd. 4

Manager Tomas McCarthy is being put under pressure here with reserve striker Sean Sullivan scoring twice (taking after the father), Philip Cunningham, Stephen Barry and Kevin Curley were very impressive here. Well done lads.

**Friends Who Needs Enemies** — Yes, with friends like mine who needs enemies. The age is really showing as being caught twice in as many weeks is just not on. Anyway I am now back from hibernation and looking for a bus driver and some of his friends. Thanks lads.

travelling home from Castle Lyons on Sunday last Thomas, Kenneth and Eamonn were full of stories but we will say no more lads.

**News To Hand** — Things are gone a bit quiet this week for some reason or other except to say to our visitor that next weekend would he please bring a mop and basin although he was full of his fun again last Sunday night. On a final note it's great to see so many of our committee settling down.

**Speedy Recovery** — Yes, everyone in the club were sorry to hear that one of our players had an unfortunate accident playing football on Sunday evening last, namely Eoin Murphy. Eoin is a marvellous sportsman and really gives 120% whether he is playing G.A.A. or soccer. Anyway get well soon, Eoin from all in the club.

**Well done, Mai** — Well Mai Murray appeared on "Fame And Fortune" on Friday night last and won £5,100. Many of Mai's friends and neighbours travelled to Dublin with her and by all reports they really had a ball, arriving back home around 3.30 a.m. tired but happy. Well done Mai.

**Committee Meeting** — Tonight (Wednesday), June 25th in the Devonshire Arms at 9 p.m. sharp.

**Lotto** — Last week's numbers were 8,11,12,24. There was no winner. Jackpot this week is £4,500. Match 3 - £20 plus a weekend away in Torc Hotel Killarney and £100 spending money. Due to the club's function the Lotto will take place in the Brideview Bar on Saturday night. Last weeks match 3 winners were Dawn Ahern, James Beecher, Ryan Buckley (Araglen), Alison McCarthy, John Flynn (Conna), Ben Dount (Lismore), Aidan Cremin, Gillian Casey, John McGrath, Mary Nevin, Eileen Kearney (Conna), Tara Buckley, Stephen O'Donnell, Martin Rea, Sinead Gallagher (Conna)

**Schoolboy Fixtures** — Sunday next June 29th.

U-8 League — Brideview Utd v Cappoquin 7 p.m.

U-10 League — Ardmore v Brideview Utd. Kick off 12.30 p.m.

Training for above teams on Wednesday evenings at 7 p.m.

## TALLOW G.A.A. NOTES

# LORD MAYOR ELECTION

LIAM MORONEY

This week we profile our third candidate who seeks to be the first ever to wear the chain of office. Organised by our Juvenile Committee and sponsored by Tallow Area Credit Union, this event is proving very popular since its launch and no doubt will gather more momentum as time goes by.

Liam Moroney is a formidable candidate by any means. Vice-Chairman of our main club and Chairman of our Finance Committee, Liam is indeed a very active member and his contribution over the past number of years at administration level is enormous.

Married to Siobhan they have 2 children and run their own farm a few miles outside the town. Note as a prominent member of Macra na Feirme debating teams down the years, he was at one stage chosen to tour parts of the U.S.A. to represent same. A great lover of the theatre also, he has appeared in numerous shows and concerts down the years and I can personally bear witness to the great fun we all derived from those. Sadly, his mother Ann, who appeared in those same shows, is no longer with us but his father Joe is hale and hearty and still works on the family farm.

During his playing career Liam gave sterling service over many decades and it was he who scored the only goal in that historic Senior Hurling County Final win in 1980. A keen golfer at present he is also a team selector along with all his other duties so don't be slow to support him in his efforts to sell as many tickets as possible. He has great vision and hope for the future of our club and we wish him well in this his present effort to benefit the youth amongst us. Best of luck Liam.

Congratulations to Oulart-The-Ballagh, the team we hosted from Wexford during Féile weekend. They showed marvellous skills during the weekend and winning the Div. 2 title was well deserved. They were a credit to their families, their parish and their club, the only sad note was the sudden passing away on Friday evening of their Vice-Chairman Fintan Cooney, to his family and friends and to his club our sincerest sympathy. Also this week a vote of sympathy to the Tbbin family, Dungarvan. To John and all his family our deepest sympathy is extended to you on behalf of Tallow G.A.A. Club. Ar dheis Dé go raibh a anam.

# Tallow Juvenile G.A.A. Club News

## TALLOW HOSTS FÉILE WINNERS AGAIN!

Yes it's true! for the 2 years that Féile na nGael has been held in Waterford, we have hosted teams who have won out their divisions. Last year we had the boys from Ballinascreen, Co. Derry who went on to win out Division 111 and this year we hosted the boys from Oulart-the-Ballagh, Co. Wexford who won out Division 11. In miserable conditions last Friday morning games got underway all over the county at 10.30 am sharp. We played our visitors through pelting rain and put up a great performance. Hearing fantastic accounts of these Wexford county hurling champions in the run-up to Féile we were expecting a totally one-sided game. Not so, however. The lads fought hard and fair but just weren't good enough for this small, but classy and extremely skillful Wexford side. We played Ardmore next and trailed by 2 pts. at half-time. But for some great defending by Paul O'Brien at centre-back and Patrick Sheehan in goal we would have been much further behind at the interval. The second half saw a resurgence of energy led by "Captain Fantastic" - Michael Norris and his younger brother Kieran (playing a stormer at wind forward), which put us two goals and a point up with about five mins remaining. However disaster struck! Our goalie was injured in a goal-mouth battle and had to retire and before we knew it Ardmore were level. A game we definitely should have won but nevertheless a draw was to be the outcome. We played the Laois county champions (Rathnure) in Ardmore that evening, but knowing that they were out of contention, the boys didn't seem to have the same appetite for the game. Our supporters had a great evening out all the same judging by the amount of roaring and black-guarding that was coming from the dug-out on the town side of the field!! Some English uncles and "Mayor of Tallow contenders were very voiciferous throughout the second half to spur on their team or put the opposition off their game!! Need we say more?!! Anyway thanks for the support lads. Even the boys on the pitch were eager to come off and join in on the fun and craic on

the sideline!! After the games the boys were all brought to Lismore Community Centre for a disco organised especially for the Féile hurlers and camogie girls of the area. Everyone had a great night - judging on the scamping a "dropping of hints" that went on coming home in the car!

On Saturday morning we struck off for Waterford to partake in the Féile na nGael parade for 1997. On hearing that our friends from Wexford defeated Antrim in the semi-final that morning (4-10 to 1-0), we decided to stay in Walsh Park after the parade to cheer them on in the final. Despite getting absolutely soaked in the parade (it lashed raining throughout) we sang, laughed and joked and made the most of it. Then we cheered on Oulart-The-Ballagh in the Division 11 final which they won 1-10 to 2-3. They defeated the Kerry champions, Ballyduff.

Well done to Mick Jacob and his boys. I'm sure we'll be hearing a few names from this panel again in re-

lation to county hurling championships.

**Thanks** — On behalf of the Juvenile Club I would like to extend a sincere thank you to the families who hosted the boys and mentors from Oulart over the weekend. Your generosity and hospitality was most appreciated. Míle buíochas arís! Thanks also to the ladies committee who provided teas, minerals and refreshments for the Oulart squad on arrival Thursday evening. A big thank you too to our field committee who had the field in remarkable condition over the week-end despite the inclement weather conditions on Friday. Last, but not least, thanks to the girls who sold the Féile programmes. Both the official county one and our "own production" programme (which went down a treat with players, families, friends and supporters alike).

Overall another great weekend of hurling and craic was had by all concerned. Until the next Féile in Waterford?

## LATE MR. JACK CRANLEY (M.R.C.V.S.)

On Wednesday last, June 18th Jack Cranley, one of Waterford's most renowned Veterinary Surgeons passed to his eternal reward.

It was through his long association with the sport of showjumping that we all came to know and love Jack. One of the great gentlemen of the sport, Jack gave freely of his time and knowledge and his reward was the pleasure and joy which he got in return.

Jack was one of the great characters of our time, his unique sense of humour and wittiness won him the respect of all who had the great pleasure of knowing him.

To his wife Monica and his family John Plunkett, Mercedes and Aldine, our deepest sympathy.

May he rest in peace.

## BACK FROM WALES

Home having enjoyed a short trip to Wales recently is Eddie Moloney, Tinnock. Eddie was out of action last week following his return home due to illness but great to see Eddie back at work and in top form once again.

## MEDALS FOR JAMES AND MARCUS

Well done to 2 very promising young athletes, pupils of Clashmore National School who kept the flag flying high for their school at the finals of the Primary School Sports at St. Augustine's College, Dungarvan on Tuesday evening last. The most exciting race of the evening being the Under-14 100m saw classmates Marcus Prendergast and James Ledingham neck and neck to the finish with Marcus taking the gold and James the silver.

In the Boys Under-14 800m we saw both Marcus and James take up the challenge here. James took the silver medal in this event.

Both of these students go on to secondary school next September. We wish them

well and success in their sporting careers.

## CLASHMORE RAMBLERS NOTES

**No Luck For Under-10's Clashmore Ramblers 0 Kilworth Celtic 1**

Ramblers suffered a narrow defeat last Sunday evening as a result of just a single goal. Both sides were very even throughout but it was Kilworth who scored the all important goal after 14 mins. Ramblers had their best spell in the first half but squandered 3 good chances. As the game wore on, Ramblers pushed forward and Kilworth had a couple of chances to extend their lead but there was no further scoring and Kilworth just about deserved their win at the end.

There were several good performances from Gavin Dower, Shane Dalton, Patrick Kelleher, Andrew Condon and Kevin Murphy with Stephen Mangan in really brilliant form at the back. The panel for the game was as follows -

Eoin Kelly, Sarah Flavin, William Orr, Stephen Mangan, Gavin Dower, Patrick Kelleher, Shane Dalton, Declan Coughlan, Shane Bourke, Andrew Condon, Kevin Murphy, Kieran Burke, Edmund Ledingham, Norma Kearns, Carmel Foley, Stephen Orr, Darragh Curran, William Prendergast.

**Double Disco** — Next Friday night in Clashmore Hall there will be 2 discos. The first disco is for national school children and will run from 8 p.m. to 9.30 p.m. Admission is £1 and there will be a mineral bar on the night.

The second disco is for teenagers only and will be from 9.30 p.m. to 12.00 a.m. with admission at £2. Both discos will be strictly supervised and everyone is welcome to attend.

**Happy Holidays** — Eoin and Aoife Kelly, Darragh Curran and Stephen and William Orr will all be heading for their holidays in the next few days and we're sure they will all have a great time. Best of luck to ye all.

**People To Thank** — Our field is more or less ready now and there are some people I would like to thank for their help in the last few weeks. First of all a special thank you to Eddie McCarthy and Jack Douris for keeping the grass cut almost every week. The pitch is looking better every day and we must also thank Edmund Ledingham, Paddy Kelleher, John Kelly and Eoin Power for their efforts. Finally a word of thanks to John Cunningham, Patrick, Marie and Debbie O'Connell who were of great help to me last Sunday before the game against Kilworth.

**Training** — Training for our under-8 and under-10 teams will continue every Tuesday evening at 7 p.m. and on Saturday afternoons at 2 p.m. to 3 p.m.

**Ladies Training** — There was a good turnout last Saturday for our mothers and others group and training will continue on Thursday evenings at 7 p.m. and on Saturdays at 3 p.m. There are a number of games in the pipeline and everyone is looking forward to the challenge.

**Red House League Draw** — Beginning this week, tickets will be available for the Red House League draw. The draws will take place on four nights with one of the nights to be in Clashmore. This draw presents our club with our main source of income and with 7 teams and more than 100 players, we need the support of the public more than ever. The tickets are priced at £20 or four installments of £5 each with the first draw to be held in September. The committee hope that the players' parents will contribute and we would also ask all our supporters to help our club.

**Happy Birthdays** — Many happy returns to Mairead Beausang, Mary O'Neill, Batt Curran and one of our star players Sheila Budds. Special greetings also to Michael O'Halloran who, despite his age, retains his youthful looks. Happy birthday all.

**Lucky Star** — Our latest winner of the hamper in O'Malley's Shop was Joanne Casey. Thank you for your support.

## MODELIGO G.A.A CLUB NOTES

**Déise Draw** — Tickets for the next series of Déise draws are now available from all committee members.

**Fixtures** — Western Hurling League Division 2. Thursday, June 26th away to Geraldines in Aglish.

Western Junior Hurling Championship. Saturday, July 19th away to Kilgobinet in Cappoquin.

Western Intermediate Football Championship. August 10th away to Geraldines in Cappoquin.

**Féile Na nGael** — The Féile Na nGael Under-14 Hurling Festival took place last weekend with action taking place at venues all over the county. Modeligo were hosts to the Offaly county champions. Naomh Bríd were drawn to play their games in Modeligo. Unfortunately conditions for their first game couldn't have been worse as the rain lashed down all morning.

The first game was between the local lads and our visitors from Offaly. The Royals proved too strong for a Naomh Bríd side who were short the services of a number of players due to their involvement in the

handball competition.

Thankfully the weather brightened up for the second series of games after dinner, the first of which was the local derby between Naomh Bríd and Colligan. An exciting game, it produced some great hurling with the sides ending up level at the final whistle. This game was followed by the Offaly side against Naomh Gall from Co. Antrim. Another excellent game of hurling was witnessed by those who braved the elements to cheer their teams on with Antrim emerging as winners. Indeed Antrim officials complimented us on the superb ground we have and despite the deluge of rain, the field remained free of excess water and allowed play continue uninterrupted.

The third series of games took place in the evening in Colligan where Offaly beat the homeside and Antrim swept to victory over Naomh Bríd to win the group, thereby earning themselves a place in the Division 2 final in Waterford.

All teams, including Naomh Bríd and their comrades from Offaly travelled to Waterford on Saturday to take part in the parade from the Quay through the city to Walsh Park where the Divisional Finals took place.

On returning to the parish on Saturday night, both teams were honoured with a special function held in the Community Centre. Naomh Bríd Chairman, Vince O'Donovan made a presentation to our visitors from Offaly on behalf of the club and all involved in the organisation of the competition within the parish.

The Féile Na nGael Competition put us in the public eye for a number of days and we were honoured to be visited by the G.A.A. President, Joe McDonagh whose comments on our field and facilities made all the hard work worthwhile.

It would be impossible to thank everyone who helped individually to ensure the smooth running of the event but special thanks must go to the committee members of Modeligo and Naomh Bríd clubs who were always on hand during the course of the competition. The FAS workers who took care of the field, dressing rooms and Community Centre and anybody who helped make Féile Na nGael the success it was.

Also sincere thanks to all the homes that provided accommodation for our guests from the Royal County of Offaly for the weekend. Without their help, the hosting of the competition wouldn't have been possible.

LEADER FEATURES

# Family health

By Dr. Dave Barry

**Q. What is schizophrenia? My brother has been diagnosed with this recently. The family is devastated but we want to help him all we can. What can we do for him?**

**A.** Schizophrenia is a major psychiatric illness. It is not having a split personality as is commonly thought. It is a group of disorders in which the patient withdraws from reality. They have altered perceptions of the normal things that go on around them, hear voices that aren't really there and often show bizarre, regres-

sive or withdrawn behaviour. It occurs in approximately one in one hundred Irish people and occurs in young or adults.

As a family you must support him, being careful not to over or understimulate him. Try to make sure he takes his medication as prescribed. Research has shown that in families with

greater than thirty five hours of face to face contact and in those family's that express emotion easily the schizophrenic patient is more likely to relapse despite taking regular medication. Try to make sure he makes his hospital appointments and that he attends a local day care centre regularly. If you

suspect that his condition is deteriorating then contact his doctor immediately. Do not expect too much from him, he's just not able to do things like he was before. For further information contact: The Schizophrenia Association of Ireland, 4 Fitzwilliam Place, Dublin 2.

**Q. My little son was ill recently. He had a high temperature and was off form. My doctor said he had a viral infection and**

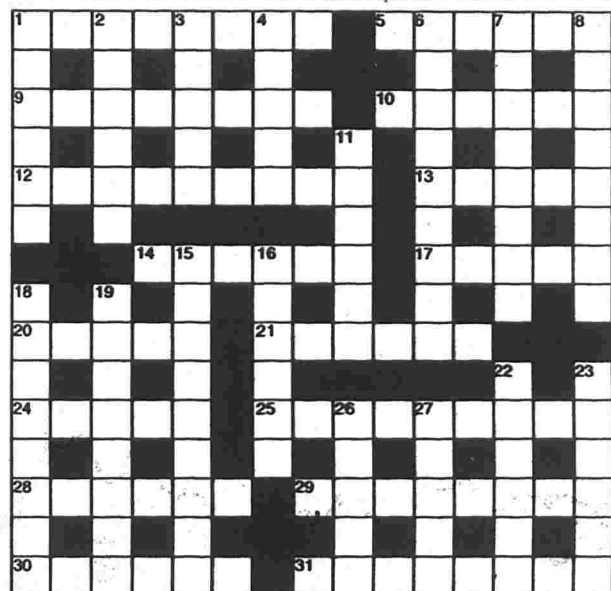

didn't need a course of antibiotics. I would have been happier if my son had some antibiotics. Do you think he should have had some?

**A.** I cannot say whether your son needed a course of antibiotics. However viral illnesses are very common in childhood. When the child is infected with a virus they go off form, lose their appetites, lack energy and become generally miserable. Their temperature may swing up and down from normal in the space of a few hours.

Viral illnesses are usually fairly mild and last a few days. The child is usually back to normal quickly. It is important to keep the temperature down as close

to normal as possible to prevent a febrile convulsion occurring. Febrile convulsions occur when the temperature shoots up quickly. If your child has a temperature give him some liquid paracetamol, please follow the dosage instructions on the label very carefully indeed. Also take off his clothes and sponge him down with lukewarm water. The use of antibiotics in viral illnesses is not recommended. Viruses do not respond to antibiotics and inappropriate use of antibiotics may cause resistance in bacteria to the antibiotic. So if you need to use that antibiotic in the future it will not work against the bacteria.

## CHEF'S corner

### Ratatouille Au Gratin

**Serves: 4**  
 6 tbsp olive oil  
 1 small aubergine, sliced  
 2 cloves garlic, crushed  
 350g/12oz courgettes, sliced  
 1 red pepper, cored, seeded and sliced  
 350g/12oz tomatoes, skinned and sliced  
 1 tbsp chopped basil salt and pepper  
 500g/1lb potatoes, boiled and sliced  
 250g/8oz Mozzarella cheese, thinly sliced

Place the potatoes in a shallow ovenproof dish and cover with the ratatouille. Spread evenly to the edges and arrange the cheese slices over the top. Bake in a preheated moderately hot oven, 190°C/375°F/Gas Mark 5, for 15 to 20 minutes, until the cheese begins to melt. Serve immediately.

### Steak and Kidney Pie

**Serves: 6**  
 5 tbsp oil  
 900g/2lb stewing steak, trimmed and cut into 2.5 cm/1in cubes  
 350g/12oz lamb's kidneys, halved and white membranes removed  
 1 large onion, peeled and chopped  
 4 tbsp plain flour  
 450ml/1/2pt hot beef stock

**METHOD:** Heat half the oil in a frying pan, add the aubergine and fry on both sides until just beginning to brown, adding more oil if necessary. Remove from the pan and drain on kitchen paper. Add the remaining oil to the pan and fry the garlic, courgettes and red pepper for 8 to 10 minutes, until softened, stirring occasionally. Add the tomatoes, basil, aubergine, and salt and pepper to taste and simmer for 10 minutes.

150ml/1/4pt stout  
 225g/8oz button mushrooms  
 450g/1lb puff pastry  
 beaten egg to glaze

**METHOD:** Heat 3 tbsp of the oil in a large pan. Add the steak, in small batches, and fry for 5-8 minutes until browned on all sides. Remove from the pan with a slotted spoon and leave to drain on kitchen paper. Fry the kidneys for 3-5 minutes until browned all over. Leave to drain with the steak.

Place the onion in a pan, adding extra oil if necessary. Cook for 3-5 minutes until softened. Return the steak and kidneys to the pan and stir in the flour. Gradually add the stock and stout and cook, stirring, until thickened. Reduce the heat, cover and simmer gently for 1 1/2-2 hours until the meat is tender.

Preheat the oven to 200°C/400°F/Gas Mark 6. Heat the remaining oil in a small frying pan. Add the mushrooms and cook for 3-5 minutes until lightly browned. Remove with a slotted spoon and stir into the meat mixture. Transfer the filling to a 1.4 litre/2 1/2pt oval ovenproof pie dish.

On a lightly floured surface roll out the pastry to an oval about 5 cm/2in larger than the dish. Cut a thin strip from around the pastry oval large enough to sit on the rim of the dish. Moisten rim with water. Place the pastry strip on the rim, then moisten strip with a little more water. Lift the oval pastry lid over the pie dish and press to seal the edge. Trim and 'knock up' the edge of the pastry with a sharp knife. Create a fluted edge by making knife cuts around the rim at regular intervals, drawing the knife upwards. Roll out the trimmings and cut out decorative leaves and berries. Stick down on the pastry lid with a little water. Make 2 small holes in the centre for steam to escape. Finally, to glaze, brush the top of the pastry (not the side) with the beaten egg and bake for 30-40 minutes until golden and well-risen.

A THOUSAND WAYS TO IMPROVE YOUR IMAGE

## A Guide To Hair Removal: Shaving/Creams/Epilators

**DURING** the long winter months we all forget about our legs but once the weather starts to improve we start to think about what type of hair removal is best suited for us.

Shaving is probably the most popular method of hair removal, it is quick, easy and painless. You can dry shave but wet shaving is more pleasant. Dampen the area you wish to shave and apply some shaving foam or gel. Always shave in the direction of the hair growth. Unfortunately with shaving the hair grows back within two or three days and is stubbly which can be quite

unpleasant to touch. Shaving is an inexpensive way to treat unwanted hair.

Depilatory creams and lotions can be used almost anywhere on the body except near the eyes. When using a cream for the first time always do a patch test to check that you won't have an allergic reaction. Follow the manufacturers instructions carefully. Apply a thick layer of cream or lotion and leave for the recommended length of time, wipe off with a wet cloth and rinse thoroughly. Pat dry with a soft towel. Hair regrowth doesn't usually occur for about two weeks. Depilatory creams and lotions are quite a

cheap way to get rid of unwanted hair.

Epilators are like shavers but are designed for use on legs. Rotating heads spin around against each other gripping the hairs and pulling them out by the roots. Very much like waxing but not quite as messy. However, epilators may be quite painful. The hair takes four to six weeks to grow back. It may be expensive initially when buying the epilator but is a very inexpensive way to treat hairs.

### HOUSEHOLD TIPS

1. To reseal open packets of frozen food, clip a peg on.
2. To press your newly washed knitted garments. Lay them out flat under a chair cushion and leave for a few hours.
3. To prevent your plastic bags from sticking together, store them in the freezer.
4. To clean behind taps, dip an old toothbrush in bath cleaner.
5. To clean venetian blinds, wear old socks on your hands. Use one to wash and the other to dry.

**NOVENAS**  
**O HOLY ST. JUDE**, apostle and martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoked your special patronage in time of need, to you. To you I have recourse from the depths of my heart and humbly beg you, to whom God has given great power, to come to my assistance. Help me in my present and urgent need and grant my current petition. In return I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and three Glorias. Publication must be promised. St Jude pray for us and all who invoke your aid. Amen. This Novena has never been known to fail.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted.

**In Memoriam**  
**SULLIVAN** — Fourth Anniversary — In loving memory of Ann, late of 8, Boreenatra, Dungarvan, who died on June 24, 1993.  
 God must have thought you special,  
 To take you the way He did,  
 They say He only takes the best,  
 And this He surely did.  
 Look around Your garden, Lord,  
 For an angel with a smile,  
 She won't be hard to recognise,  
 She must stand out a mile.  
 (From her loving son Denis, daughter-in-law Marie and grandchildren Barry, Darren and Ross.)

# IN MEMORIAM

**CONNORS — First Anniversary** — In loving memory of my dear husband, Jim Connors, Sea Park, Abbeyside, who died on June 27, 1996.

Anniversary Mass, Saturday, June 28 at 10 o'clock in Abbeyside Church.

To me, who will always love you,  
Whose parting brought such pain,  
I will cherish your memory forever,  
In a world that is not the same  
With a broken heart I'll whisper low,  
God bless you, I miss you so.  
(Sadly missed and always remembered by your loving wife Pamela.)

**CONNORS — First Anniversary** — In loving memory of a loving father, Jim Connors, Sea Park, Abbeyside, who died on June 27, 1996.

Sad are the hearts that love you,  
Silent the tears that fall,  
Living life without you, Dad,  
Is the hardest part of all.  
No matter how our lives change,  
Or whatever we may do,  
We will never forget the special years,  
The ones we had with you.  
We miss you from your fire-side chair,  
Your loving smile and gentle air,  
Your vacant place no one can fill,  
We miss you Dad and always will.

(Always remembered by your loving son Michael, daughters Cathryn, Bridget, Maureen and Maria, London.)

**CURLEY — Fourth Anniversary** — In loving memory of Michael Curley, Convent Street, Tallow, who died on July 1, 1993.

Along the road to yesterday,  
That leads me back to you,  
Are memories of us together,  
And happy times we knew.  
With every day that passes,  
I always find a way,  
To wander back and meet you,  
On that road to yesterday.

(Loving you always, Cora.)

**CURLEY — Fourth Anniversary** — In loving memory of my dear father, Michael Curley, Convent Street, Tallow, who died on July 1, 1993.

No matter had I spend my days,  
No matter what I do,  
Before I close my eyes at night,  
I always pray for you.

(Your loving son Leah, Maggie, Cathleen, and Gabriella, Sydney, Australia.)

**FIVES — Sixth Anniversary** — June 25 — Cherished memories of Michael, late of the Burgery, Dungarvan. (His loving wife Maureen and family.)

**FITZGERALD — Fifth Anniversary** — In loving memory of Tom Fitzgerald, Castle Quarter, Stradbally, formerly of Kilbrien Upper, who died July 1, 1992. R.I.P.

We picture your smile,  
As we enter the door,  
The house is not the same anymore,  
We try to smile when others are there,  
But inside we cry at your empty chair.

(Always remembered by your loving son Anthony, daughter-in-law Breeda, grandchildren Mary, Anna, Tony.)

**FITZGERALD — Fourth Anniversary** — In loving memory of William, Kilbrien Upper, Ballinamult, Co. Waterford, who died July 1, 1993. R.I.P.

Your gentle nature and kindly ways,  
Leave golden memories of bygone days,  
In God's care you rest above,  
In our hearts you rest with love.

Will those who think of him today,  
A little prayer to Jesus say.  
(Always remembered by your loving nephew Anthony.)

**HOULIHAN — First Anniversary** — In loving memory of my dear mother, Bridget Houlihan, late of Crough, Leamybrien, who died on June 27, 1996. R.I.P.

What I would give if I could say,  
I'll go and see my Mam today,  
To hear her voice and see her smile,  
To sit and talk with her awhile,  
To be together in the same old way,  
Would be my dearest wish today.

(Always remembered by daughter Helen, son-in-law Jim, grandchildren Colette, Michelle, John, Kerry and Jimmy.)

Each Mass we hear, each prayer we say,

My life has been so empty,  
Since the day I lost you.

# Rising Tide Of Support For Avonmore/Waterford Merger

- CO-OP MEMBER EXPRESSES CONCERN

By AISLING CONROY

A noticeable build-up in support among farmer shareholders for the proposed Avonmore/Waterford merger has been observed by Waterford advisors in the past number of weeks.

Waterford Foods shareholders in Wicklow, Cork and Wexford in particular are said to have shown exceptionally strong support for the £2.5 billion merger package while the entire Waterford area has also begun to move in favour of the revised proposals.

This huge switch in opinion was reflected in a recent poll published in last week's "Farmer's Journal" which showed 74% of Waterford shareholders to be in favour of the merger with 26% against.

The poll surveyed 200 Waterford shareholders and 100 Avonmore shareholders, the vast majority of whom cited higher milk prices as the main benefit of a merger between the two societies.

Analysts have now speculated that this figure of 74% in favour may indeed be much higher than the poll suggests due to a series of 24 information meetings organised by Waterford, allied to the fact that the highly respected and influential farmers body, the I.F.A. recently came out in favour of the proposed merger. The "Farmer's Journal" poll was conducted prior to these events.

The information meetings ended last Monday in Dungarvan with reaction reported as being positive. Thursday's meeting for the key Kilmeaden area was described as 'very lively' due to the fact that the Kilmeaden local advisory committee continue to resist the merger offer.

### DATE SET FOR EGM

Meanwhile the extraordinary general meeting of Waterford Co-Op members is scheduled to take place on Friday, July 11th at a venue yet to be decided.

With a huge turnout expected, it is highly likely that the Waterford meeting will be held in Waterford city while Avonmore hold theirs on the same day in Kilkenny.

If at these initial meetings 75% of attending shareholders vote in favour of the merger deal, then a second and final extraordinary meeting of Avonmore and

Waterford members will be held on Friday, July 25th. Again a three quarter majority is required for the merger to proceed.

### DIRECTORS TO BENEFIT MOST

A spokesman for Waterford Foods told the "Dungarvan Leader" that the management are under no illusions that a 75% majority is a major hurdle.

A guarantee of three year fixed milk price of 3p per gallon over the Craig Gardner creamery milk price audit and the abolition of milk collection charges has swayed the votes of many shareholders.

Those opposed to the enlarged group however cite fears of a monopoly and lack of competition and fears of becoming too remote from the management structure as the main reasons for their opposition.

Some shareholders have also been angered by the share spin-out, likening it to a case of bribing members with their own money.

An analysis by the Kilmeaden advisory board shows that the 11 largest shareholders in Waterford will get an average of £200,000 while the top 49 will get an average of £129,000 in new shares. The 4,500 smallest farmers will get about £2,000 in new shares.

The 13 farmer directors of Waterford Foods are among the largest individual shareholders in Waterford Co-Op which means they will also be among the biggest beneficiaries under a share spin-out. On the basis of the 245p Avonmore share price at which the deal was struck last month, Waterford directors will get shares worth an average of £79,000. Avonmore shares however have since moved to 280p.

### BOARD MEMBER EXPRESSES CONCERN

Speaking to the "Dungarvan Leader", board member of Waterford Co-Operative Society, Thomas Hickey expressed a number of grave concerns over the proposed merger.

Mr. Hickey who lives in Carrigahilla, Stradbally is one of 34 members of the Co-Op board and claims that five board members are opposed to the merger offer.

merger offer.

He said the farming community at large is being told by administration that the merger as arranged is in the best interests of the farming community.

However having regard to the extent of Avonmore's liability, Mr. Hickey said he is of the view that the new entity will not be in a position to deliver on the promises being made to suppliers.

"Avonmore's existing debt is too large for it to deliver on the promises now being made to the farming community," he claimed, adding that Avonmore's gearing is too high to enable it to absorb the super expansion envisaged.

"Even if Avonmore were to deliver on the promises which it is now making, it is evident that the combined entity will be the subject matter of a takeover by one of the larger multinationals leaving the local farming community in a pitiful state," he stressed.

With regard to the 3 year promise of free milk collection, Mr. Hickey declared that at present, milk is collected on an 'every second day' basis. If under the new scheme, this is moved to a 'once every 3 days' basis, the Waterford Co-Op member said that it would subsequently not be possible for farmers to get top grading for their milk with the inevitable consequences.

"I have grave reservations about what will happen at the end of the three year period," said Mr. Hickey, "particularly as at that juncture, the influence of the farming community in the affairs of the corporate entity will be gravely diluted."

Another matter which he said is of grave concern to him is that the shareholding of farmers will be reduced from 67% of the plc. entity to 55% in the merged company.

"It is my belief that Waterford Foods plc. which has served the farming community well to date," said Mr. Hickey, "is with proper management of its own affairs, capable of trading out of its present difficulties to the betterment of all."

The Board member then requested voting farmers to give serious consideration to those points when deciding which way to vote in this matter.

# RECENT DEATHS

## Mr. Paddy Tobin

It is with profound regret that we record the passing of Mr. Paddy Tobin, 6, Connolly Row, Dungarvan, which sad event occurred on Saturday, June 14, at Waterford Regional Hospital.

A native of the Old Boro', Paddy was extremely well known locally and enjoyed the highest esteem in his home town of Dungarvan. Predeceased by his wife Lizzy by nine years, Paddy was a man of old values and strong beliefs who reared a family of seven daughters and three sons.

In his early years, Paddy was an employee of the Leather Factory but later became a self-employed painter and decorator. He had a great love of darts and the game of '45' and was very successful at both.

## Mr. James (Jimmy) McGrath

Jimmy McGrath, a son of Lagg, Ballinamult, who was aged 83 years, went to his eternal reward on Saturday, June 14 at Waterford Regional Hospital after a long illness. An excellent husband and father, Jimmy's passing is deeply regretted by his wife Elizabeth, son Martin, daughter Joan and many other relatives and friends to whom we offer our deepest sympathy and prayers at this time.

An outstanding tradesman, he was employed by Waterford County Council and later by William Fennell Construction. He was an exemplary employee who gave of his very best at all times, his work was indeed a true vocation to him.

He loved his old time and traditional music and was an avid reader. His beloved newspaper was part of his being. He was a keen GAA fan who followed the fortunes of the county and spoke with great knowledge of happenings on the club scene.

On Sunday evening following prayers and rosary at the Kiely Funeral Home, the removal took place to St. Mary's Parish Church. Fr. M. Kennedy, C.C., assisted by Fr. P. O'Reilly, O.S.A., blessed and received the remains.

At the Requiem Mass on Monday morning celebrated by Fr. Kennedy, the lessons were read by Bríd McGrath (daughter-in-law) and Gail Mullins (granddaughter). A large concourse of mourn-

ers was present for the funeral obsequies where following the blessing of the grave Jimmy McGrath was laid to rest. 'The Lord is my shepherd, I shall not want.'

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Gerry Murphy

The death took place on June 4, at Waterford Regional Hospital of Mr. Gerry Murphy, Ballymabin, Dunmore East and formerly of Helvic, Co. Waterford. He was aged fifty-seven years.

A native of Cork City, the late Mr. Murphy was a civil engineer by profession and up to the time of his death he was employed by the South Eastern Health Board. In 1987 he was appointed Project Co-Ordinator for the new Waterford Regional Hospital and also had responsibility for the Community Care Headquarters on the Cork Road in Waterford as well as the twenty-seven bed unit at St. Joseph's Hospital, Dungarvan.

On graduation, Gerry's first post was with Cork County Council in a temporary capacity. He then moved to Pettits for a few years and worked on projects for the company all over Ireland. In 1970 he moved to Waterford County Council as Assistant Co. Engineer and in 1973 the circumstances of the departure are still spoken of as "The Claudia Affair." He again joined Pettits until moving to the Southern Health Board from 1978 to 1984 as Project Co-Ordinator for the Tralee General Hospital. In the latter part of 1984 and early 1985 he

spent some time in Saudi Arabia. Finally he came to the South Eastern Health Board and served them well up to his death.

His father Eddie was a native of Passage East and this may have given Gerry his life-long love of the sea and land around it. He had his own fishing boat back in the seventies. A very accomplished swimmer, he represented Ireland at international level in 1957.

Removal was from Waterford Regional Hospital on Thursday, June 5 to Killea Church where the remains were received and blessed on arrival by Fr. Condon P.P. Following funeral Mass on Friday afternoon, June 6 in Ring Church celebrated by Fr. Kiely P.P. assisted by Fr. Daly P.E. burial took place in the new cemetery Ring. ## Mrs. Ellen (Lena) Fraher (née Mahoney)

With profound feelings of regret and sorrow we write on the passing of Mrs. Lena Fraher, which occurred at her residence in Mapstown, Dungarvan on Sunday evening, June 14, after a duration of illness.

Predeceased by her husband Dick by thirty-seven years, her sister Nora Street and by son Paul in more recent times, Lena had reached the great age of 91 years and was a native of Grange.

An avid reader, she relished her game of bingo and was an accomplished card player. In her younger days she was employed at Mulcahy's Restaurant (today, in that location, stands the car park). During the War of Independence she played no small part in the struggle as an active member of Cumann na mBan. She often dispatched important and vital messages to the various units of the Irish Republican Army.

She was a devoted wife

and excellent mother who took great pride in her house and its surrounding gardens. A welcoming home, this scribe can remember vividly the many visits to the Fraher household as a child, the fireside crane, bellows, country butter, all so alien to us from the town.

Her orchard was especially important and the henhouse was always a source of interest. Her brown bread, gooseberry and strawberry jam, and apple-tart, were treasures to behold. From our childhood days therefore Mrs. Fraher was extra special.

She was an extraordinary woman in many ways, a woman ahead of her time. She enjoyed a very close friendship with the Kelly family, her near neighbours. Not surprising now, her demise is deeply mourned by Máiréad and family.

The passing of Lena Fraher has severed a link with our past. To have known her is indeed much to be grateful for. We offer our deepest sympathy to her daughters Kathleen and Loreto, sons Tony, Dixie and many other relatives on their loss.

On Monday morning, following prayers and rosary recited by Fr. Michael Kennedy, C.C., the coffin bearing Lena's remains and draped in the tricolour, was brought from the Kiely Funeral Home to St. Mary's Parish Church.

The Requiem Mass on Tuesday morning was celebrated by Fr. Kennedy, assisted by Fr. R. Geoghegan, C.C. Christopher Kelly read the Lesson while the Prayers of the Faithful were shared by Eleanor (daughter-in-law), Catherine and Sharon (granddaughters) and Máiréad Kelly (close neighbour). Lorna Daly sang and played the musical tributes. At the graveside, Fr. Michael imparted the final blessing before Lena Fraher was laid to rest.

'Leaba i measc naomh na hÉireann dí.

Chief mourners — Tony and Dixie (sons), Kathleen and Loreto (daughters), Kitty Kelly, Caseyville (sister), Peggy, Teresa and Eleanor (daughters-in-law), Joe (son-in-law), grandchildren and seven grandsons based in England, while all five granddaughters reside in Ireland and two great-grandchildren; Joe Kelly and John Michael Street (brothers-in-law), and a wide circle of other relatives including nephews, nieces and many friends.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. William Morrissey

On Wednesday afternoon last, June 18, Mr. Willie Morrissey, Monagoush, Old Parish, was called from this life by his Lord and creator. Aged 91 years, Willie was very well known and enjoyed great popularity with everyone who had the good fortune of his acquaintance.

We offer our deepest sympathy to his wife Maureen, sons Páid and Liam, daughter Margaret, sister Maisie, his other relatives and friends on their loss.

Following prayers and rosary recited by Fr. John Kiely, P.P., the funeral cortege left for Old Parish church on Thursday evening. Fr. C. Daly, assisted by Fr. D. McCarthy, C.C., blessed and received the remains. Requiem Mass was celebrated on Friday morning, after which the interment took place in the adjoining cemetery.

'What better can the Master do than come Himself and take us home when our work is done.'

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. William O'Brien

On June 11, Mr. Willie O'Brien, 59, Cathal Brugha Place, Dungarvan and London, answered the last curtain call of life when he passed away peacefully at the County Hospital, Essex, after a duration of illness. Living in England most of his 64 years, Willie worked as a shoemaker for a period. He served with the Irish Army for a number of years.

A noted boxer in his youthful days, he brought many a trophy home from his exploits in the ring.

On Tuesday afternoon last Willie's remains were received by Kiely Funeral Directors at Cork Airport and were brought to their funeral home in Shandon. Later that evening, following rosary and prayers recited by Fr. McNamara, C.C., the funeral cortege left for St. Mary's Parish church.

Following Requiem Mass on Wednesday morning celebrated by Fr. McNamara, the interment followed in the adjoining cemetery.

We tender our deepest condolences to Willie's brother Pat and Danny, his sister Noreen and her husband Eddie, his nieces Kelly and Jan, his many uncles and aunts, relatives and friends, at this time.

'Those who leave us for a while have only gone away, out of a restless, careworn world, into a brighter day.'

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## BALLYDUFF G.A.A. NOTES

**Féile Na nGael '97** — Pride of place this week must go to our under-14 hurlers who last weekend reached the semi-final of Division 4 of Féile with victories over visitors Slasher Gaels (Longford), Ballysaggart and Cavan Gaels. Our visitors arrived on Thursday evening and were put up by host families until Sunday morning. The heavy rain overnight made conditions very bad for the first game on Friday morning in the field where we recorded a great win over Slashers by 3-2 to 1-4. Our second game was against Ballysaggart and we won this by 7-6 to 1-1. Then it was on to Ballysaggart where we had to beat the Cavan representatives to be sure of a Semi-final place. The team put in a mighty performance to win by 4-5 to no score and a meeting with Brickey

Rangers in Tallow on Saturday morning. Our thanks to the Ballysaggart Club for the hospitality.

A large crowd travelled to Tallow for the semi where we met a strong Brickey side. They led by 1-2 to 0-2 at half-time and ran out winners by 2-4 to 0-4. While disappointed with the result, it was back to the village with our visitors to prepare to travel to Waterford for the famous Féile parade which unfortunately was marred by the rain. A stop off at J.R.'s in Dungarvan on the way home lifted the spirits and the bus arrived home shortly after 8 p.m. After a bite to eat and a change of clothes, it was back to the village where players from the 2 teams mingled for the night.

On Friday night both teams went to a disco in Lismore. Our visitors were due to depart after second Mass on Sunday morning but first a presentation was made by Maurice Geary, our Juvenile Club Chairman to Martin Jennings, on behalf of Longford Slasher Gaels who presented each member of the Ballyduff team with a plaque and the club with an inscribed plaque. Shortly before 3 p.m. the bus departed for Longford after a great weekend for the club and a weekend which saw many new friendships made.

We would like to thank all the people who hosted members of the visiting party, provided meals, helped with transport, helped with the field and parade and who made sponsorship available and our supporters who were excellent.

The panel of players was Wayne Power, Edward Molumphy, Michael Ahearne, Philip Heskin, Neil Feeney, Conor Hannon, Kieran Keane, Stephen Molumphy, Simon Cogan, Shane Feeney, Denis Twomey, Paul Hickey, Sean Cunningham, David Condon, Conor Feeney, Patrick Murphy, Brian Feeney, Gerard Miller, Courtney Canning, Jamie Kearney, David Casey.

This Friday night the under-14 hurlers are back on championship duty when they play Dunhill/Fenor in the County semi-final at the Dungarvan clubgrounds. Throw-in is at 8 p.m. Players to be in the village at 7 p.m. We wish the best of luck and appeal for support.

**Under-12 Hurling** — The under-12 hurlers will play Abbeyside in the field on Monday night at 7 p.m. Players to be at the venue at 6.45 p.m.

**Junior Football** — The Junior footballers will play Ballinacela in the League

in Ballyduff on Saturday night at 7.30 p.m.

**Under-21 Hurling** — The under-21 hurlers will play Lismore in the Divisional A Final at Cappoquin on Sunday evening at 7 p.m. We will enter this game as under dogs as Lismore are always a strong force in this grade.

**Senior Hurling** — The Senior hurlers will play Clonea in Abbeyside at 8 p.m. in the Tedcastles Oil Senior Hurling League. Players to be present at 7.45 p.m. The Seniors defeated Cloughduv (Cork) in a challenge game last Sunday night.

**Under-10 Hurling** — The under-10 hurlers will be taking part in the Nissan Tournament in Limerick on Saturday week.

**Junior Hurling** — The Junior hurlers will play Fourmilewater in the championship on Saturday, July 12th at Cappoquin.

**Lotto** — The numbers drawn in last Tuesday night's Lotto draw were 11, 19, 23. There was no jackpot winner. The £25 prizewinners were Michael Kearney, Waterpark, Fermoy and Bernadette Twomey, Marian Terrace, Ballyduff. Next week's Lotto draw is on Tuesday night in Higgins' Bar at 10 p.m.

**Déise Draw** — Tickets for this year's Déise Draw are now available from club members and all profits from tickets sold will go to the Hall Development Fund. Tickets are £60 for the year or £5 monthly. We appeal to our members and supporters to support the draw.

**Sympathy** — We extend sympathy to the Hannon families, Ballinlovane on the death of Eddie Hannon who died on Tuesday morning.

May he rest in peace.

# CAPPOQUIN/AFFANE SCHOOLBOYS SOCCER NOTES

**Under-8 League** — The past week saw us play 2 home fixtures, first against Valley Rangers on Tuesday and then Brideview on Sunday. On both occasions the teams involved had enough players for 2 teams so it was decided to play a reserve team game after the league game.

The game against Valley was played last Tuesday and with a huge crowd watching, our lads put on a great display. Shane Fives opened the scoring when Daithí Wilkinson put him through and Mark Landers scored two marvellous individual goals. Everybody played superb but Mark Landers and J. J. Devine were outstanding.

Team: David Leahy, Pa Crotty, Mark McConnell, J. J. Devine, Daithí Wilkinson, Mark Landers, Shane Fives, Michael Fenton, Kieran Flynn, Seamus Fitzgerald, Shane O'Brien.

In the reserve game Valley went on to win by 1-0 but our lads played gallantly.

Team: Kieran Flynn, Seamus Fitzgerald, Danny Duggan, Michael Devine, Pat Fitzgerald, Colm Looby, Finan Murray and Darren Curran.

On Sunday evening we saw the biggest crowd so far in the league for our home fixture against Brideview. As expected Brideview put up a mighty fight and had us defending for long periods but with Mark McConnell in goal, Pa Crotty and David Leahy in defence playing out of their skins, we kept them scoreless. The all important goal came when Daithí Wilkinson took on the Brideview defence to score a great goal. Our best player on the night was Michael Fenton who ran and ran with the ball tormenting the Brideview defence.

Team: Mark McConnell, Pa Crotty, J. J. Devine, David Leahy, Shane O'Brien, Kieran Flynn, Michael Fenton, Daithí Wilkinson, Gary Hallissey and Seamus Fitzgerald.

The reserve game was somewhat one sided with Brideview being much bigger lads but as always our lads went down fighting. Danny Duggan, Pat Fitzgerald and Darren Curran were best for us here but all played well.

Team: Danny Duggan, Pat Fitzgerald, Raymond Hallissey, Shane O'Rourke, Colm Looby, Darren Curran, Donald Barry, Michael Devine, Finan Murray.

# WATERFORD LADIES FOOTBALL NOTES

**UNDER-16 CHAMPIONSHIP**  
Waterford v Tipperary At Cahir On  
Friday Next At 7.45 p.m.

The Under-16 Championship begins this weekend when Waterford put their Munster and All-Ireland titles on the line with a trip to Cahir to take on Tipperary. Waterford are bidding to win their 3rd title in a row. They can call on 8 members of last year's side and the bulk of the under-14 team of 1995 who won the Munster Championship.

Preparations have gone very well under Brigid Grant, Nicky Sheehan and Brian Wall. Training has been well attended and they appear to have a formidable side. Mary O'Donnell, Marion Troy, Karen and Niamh Barry, Angie Walsh, Ann Morrissey and Catherine Fitzgerald are accomplished footballers and playing at their best, they should advance.

Not much is known about the Tipperary side but ladies football is definitely on the way up as far as they are concerned. They beat both Waterford and Cork in this year's Under-14 Championship, yet only a couple of this group made the under-16 panel which suggests that they have a very strong side. They have the advantage of a home venue and will prove difficult to beat.

## SENIOR LEAGUE FINAL

**Waterford v Monaghan At Ballinasloe On July 6th**  
July 6th in Ballinasloe brings the League Final when Waterford and Monaghan battle for league honours. These two teams have dominated ladies football over the last 6 years winning 5 Championships and 4 League titles between them.

Waterford are certain to be without Marie Crotty who got injured in early March. A reliable free taker, she is a big loss and it remains to be seen if they can overcome this handicap. They have trained very hard and are determined to reverse last year's results when Monaghan defeated them in both the league and championship semi-finals.

## SYMPATHY

Recently we lost one of our best supporters when Mrs. Nellie Hannigan passed away. She became a great follower of ladies football when St. Pats Club was founded about 10 years ago. She travelled the length of the County and when St. Pats' players began to represent Waterford, she took to the highways and byways along with Noreen and Willie.

Croke Park, Moate, Tinahoe, Ennis or any other venue was no bother to her. At club matches she patrolled the sideline, such was her enthusiasm that she often stepped a couple of yards on to the pitch and we will all miss her cheerful smile and support. Waterford have some truly great supporters and Nellie was up there with the best of them. Our sincere sympathy is extended to her family and friends.

Our sympathy is also extended to the Gleeson family in Touraneena on the tragic death of Johnny following a road accident. His cousins have been valued members of Na Déise Club over the years, indeed Sarah won under-16 and Minor All-Ireland medals with Waterford in 1996.

As fine a young man as one could wish to meet, he made a lasting impression on those of us who were fortunate enough to have known him. Deepest sympathy to his family and friends, the people of Touraneena, his fellow pupils and teachers at Dungarvan Technical College. The turnout at both the removal and burial spoke for itself.

May both Nellie and Johnny rest in peace.

## GOLF CLASSIC

Our Annual Golf Classic took place last weekend at West Waterford Golf Club and was an outstanding success. Forty three teams took part and Bridie Dee's team emerged winners. Kieran O'Connor, Waterford Foods presented the prizes. Many thanks to Kieran and Waterford Foods.

Thanks also to all the groups who put in teams, supplied refreshments, those who played, Austin Spratt, Billy Nugent, Jim Ryan and all at West Waterford Golf Club and anybody who helped in any way. The support was very much appreciated.

At The Launch of Munster Community Games, back row (l. to r.) — Thomas Hassett, Waterford & Munster Treasurer; Margaret McDermott, National Treasurer; David Reynolds, President Waterford Community Games; Peggy Reynolds, County PRO; Bernie Fleming, Co. Chairperson; Anthony Fitzsimons, Chairman of Munster Community Games; front row (l. to r.) — Chrissy Dwan, Chairperson of Chapter Ten Irish League of Credit Unions; George O'Toole, President of National Community Games; Sean Kelly; Frank Lynch, Vice-President Irish League of Credit Unions, and Tony Colbert, Dungarvan Credit Union.

## WATERFORD COMMUNITY GAMES

# The Launch Of Munster Community Games

World famous cyclist, Sean Kelly, launched the Credit Union Munster finals in Hearn's Hotel, Clonmel. Clonmel is the venue for this year's finals and the launch was attended and addressed by the Mayor of Clonmel, Cllr. Ted Boyle, the Chairman of South Tipperary County Council Cllr. Jimmy Hogan, the National President of Community Games George O'Toole and the Vice-President of the Irish League of Credit Unions, Frank Lynch.

All counties in Munster were represented and personnel from many Credit Union Chapters also attended.

The Chairman of Tipperary Community Games, who will also act as Games Director for the finals, Joe Keane, opened the proceedings by welcoming all the guests and expressing a wish for successful games.

The Mayor and Chairman of South Tipperary Co. Council both stated that they were delighted to host the finals in Clonmel and praised the work of the Community Games organisation.

The National President of Community Games paid tributes to the Irish League of Credit Unions who have been provincial and national sponsors for the last 5 years and hoped the sponsorship would continue. She criticised the lack of government support.

Frank Lynch in his address agreed with the National President about the lack of financial assistance from the government given

to Community Games and praised the organisation and how it ran its provincial and national finals.

The Chairman of Munster Community Games, Anthony Fitzsimons paid tribute to the Credit Union for their support at area level which was vital at that level. Referring to the special guest of the evening Sean Kelly, he recalled a holiday in France when he was proud to watch the Tour de France with two great competitors Stephen Roche and Sean Kelly who were tremendous ambassadors of sport for Ireland.

Closer to home, Anthony recalled Sean's participation in the Nissan Classic in his home town of Shangolden when local children were allowed out from school to watch the race which was the subject of many Community Games art pictures over the next few years.

Sean Kelly, while launching the games, remembered that climb up the hill in Shangolden and wished Community Games contin-

ued success.

Present also at the launch

was National Treasurer of Community Games, Margaret McDermott who presented a cheque to Munster Treasurer Thomas Hassett for the running of this year's finals.

The Master of Ceremonies was Bridget Kelly, Munster Community Games PRO.

Don't forget, all roads lead to Waterford on Sunday next, June 28 for the county finals of Track and Field

# STRADBALLY A.F.C. NOTES

## 6-A-SIDE FOOTBALL TOURNAMENT

We are hoping to run the annual 6-A-side tournament on the weekend of the 12/13 July for the Raymond O'Reilly Perpetual Cup. This cup was presented to the club by Betty O'Reilly in memory of her husband Raymond who along with Betty greatly supported our club over the years. The tournament teams are formed from townlands and areas from within Stradbally Parish only. Carrigahilla were our inaugural winners and there will be many teams hoping to free Carrigahilla from the Cup. Entries can be had from both shops in Stradbally Village and must be returned with a list of names before Wednesday the 9th July. There is a possibility that the tournament date may be moved back depending on circumstances but the entry form must be returned by the 9th July. No entries will be entertained after this date. List of rules available in either shop.

### SECOND TEAM

There has been much talk of a second team for a number of years. Younger players coming up are not getting a chance of getting on our 3B team and more experienced players who have kept our club going for years are finding it hard to get on the 3B team but are still very much interested in playing. We have discussed this and if there is sufficient interest we will put in a second team. Any player wishing to play please put your name down at Kev's shop. It is only by putting your name down that we'll know the level of interest.

### SCHOOBOY COACHING

Seaview Celtic are running a soccer summer camp at Celtic Park, Annewstown every Monday and Thurs-

## day from 10.30 am to 3.00 pm.

Participation fee per day is £3.50 per day which is good value as it covers Participation Risk Insurance Cover and course is conducted by an FAI appointed coach who has also been involved in Management of Irish under-15 sides for many years. Our club would encourage school-boys between the ages of six and sixteen to participate. Parents could arrange some kind of rota of transport to Annewstown. The camp runs from presently to the end of July.

### LEAGUE AGM

The Junior League AGM was held last Thursday in Waterford and a number of rule changes were made affecting us. From now on the club must hold a list of

membership paid before they can be registered. The secretary of the club must sign and send off the registration form. So remember to have membership ready before season.

The clubs have given the league permission to borrow up to £70,000 to build dressing rooms and develop our headquarters at Ozier Park. The total development will cost £115,000 and already the bulldozers have knocked the old dressing rooms. We wish the League the best in their ambitious plans.

Our own AGM will be held in early July, date and time yet to be decided.

### CONGRATULATIONS

Congratulations to Tadhg and Mary Crowley on the birth of a son.

## 7 A-SIDE PLATE FINAL Sunnyside Fruit Farm 2 v. Meeting Place 2. Sunnyside win 3-1 on penalties.

In this game the curtain raiser to the cup final the Meeting Place seemed to have this game won when they lead 2-0 mid-way through the second half. Raymond Hegarty reduced the lead with a goal from a free kick. With time almost up Brendan Maher scored the equaliser to take the game to a penalty shoot out which Sunnyside won 3-1.

### U-10 LEAGUE

#### Castlebridge C 0 v. Brideview Utd 1

On Sunday morning last we were at home to Bride View in the current league. With very little separating the teams it was a case of whoever got the first break was going to win the game. Bride View scored mid-way through the second-half. They held on to win the game after some intense pressure from the home team.

# East Cork/ West Waterford Schoolboy Soccer League

**VICTORIES FOR  
ARDMORE,  
BRIDEVIEW AND  
KILWORTH**

The Under-10 League continued last weekend and there were victories for Ardmore, Brideview Utd. and Kilworth Celtic. This league is a very tight league but Ardmore must be favourites to win.

In the Under-8 League Cappoquin had a close call at home to Brideview Utd.

## RESULTS UNDER-10 LEAGUE

**Castlebridge Celtic 0  
Brideview Utd. 1**

A second half goal here by Kieran Casey saw the visitors collect full points. This was a real thriller with the result in doubt right up to the final whistle. Best for the winners were Stephen Power, Kieran Casey, Eric Hickey and Martin Rohan. Celtic had good players in James Sexton and Gerald O'Brien.

**Clashmore Ramblers 0  
Kilworth Celtic 1**

This was another close game and for most of the game it was a ding dong affair with both clubs having chances. At the end it was the visitors who collected the points when they scored the all important goal in the second half.

**Ardmore 5**

**Valley Rangers 1**

This was a vital game for both sides with Ardmore coming out on top. Rangers were fancied to do well here but on the day the Seasiders deserved the points.

## UNDER-8 LEAGUE

**Cappoquin 1**

**Brideview Utd. 0**

League leaders Cappoquin were made to battle all the way here for the points. This was a very exciting game between these two neighbours and the home-side were delighted to collect full points from this one.

## FIXTURES

## PUB LEAGUE ENTRIES '97

**Anchor Bar - Winners** in 1991. Always the dark horse of the tournament. This year the Svengali figure of John Fitzgerald at the helm. Top player: Timmy Kiely.

**Park House - Can be a real threat** this year. Richard Ferncombe is assembling a strong squad to challenge for the title. Top man: J. J. Ferncombe.

**Downys - Willie Whelan** has a point to prove after a somewhat shaky managerial debut season. Don't rule him out, rumours of a training camp in the Comeraghs cannot be discounted. Top man: Ber Burke.

**An Gabha - Can cause a surprise** with their efficient style of play. Top man: P. J. Drummey.

**Dick Brennans - Can they make their mark** with

veterans like Pat Morrissey. Top man: Mossie Quinn.

**Paddy Foleys - The Liverpool** of the tournament with a total of 5 wins. Cannot be discounted and are among my tips for the eventual prize, the O'Brien Cup. Top man: Michael Wright.

**Lady Belle - Paudie O'Riordan** is putting together a team of great quality and some top names have been mentioned. So watch out !! Top man: Gavin Keane.

**Davitts - Declan and Pat** are reputedly lining out themselves and an imported Italian superstar of Series A. Will this mean ultimate success, who knows. Top man: Gianni Falcone.

**Kielys - Maurice Kiely** is already scouring the pub for soccer talent. Can he do it? Don't rule him out !!

**O'Briens - Jim Hackett** is hard at work and if he can overcome the obvious difficulty in scoring his team has, they can win. My outside bet for honours this year. Top man: Tommy Pratt.

**Poc Ar Buille - Jim McGrath and Tom Shanley** are sure to have a strong Brickey influence here in their debut appearance in the tournament. Sure to be strong challengers. Top man: Not known.

**Beanna Leanna - Brid Kennedy** is putting together a strong squad or so she says !! An unknown quantity, could be very dangerous to some of the more fancied sides.

Next week: the rest.

**CARLING INTER-FIRMS SOCCER TOURNAMENT**

# SmithKline Capture O'Dwyer Shield

**SMITHKLINE BEECHAM 'C' 2  
ST. DECLAN'S COLLEGE, KILMAC' 0**

Smithkline Beecham proved too strong for St. Declan's College, Kilmac, in the final of the Carling Inter-Firms Tournament played at Kilrush Park on Friday evening last. Although the college side tried hard and never gave up they could not match the physically stronger Smithkline side whose two goals came in the first half.

The winners played with the wind in the first half and dominated proceedings, Paul Freyne and Kevin Mulcahy saw shots go wide early on. The opening goal came in the 15 minutes when a Kevin "TANK" Mulcahy shot was blocked but it rebounded to the same player and he gave Kealan O'Neill no chance with a low drive to the corner of the net. As Smithkline continued to press the second goal came in the 23rd minute when a poor clearance by Ger O' Sullivan saw the ball go straight to another Nire man Pat Walsh and he drilled a low shot to the corner of the net to put his side in the driving seat.

Back came St. Declan's and Ger Power had a header tipped onto the cross bar by Keeper Ollie Costelloe and rebounded back into play in the 24th minute.

A good cross from the by-line by Damien Cliffe saw Neilie Connors head over from close range and the half end with Smithkline 2-0 up.

St. Declan's had the advantage of the elements in the second period but despite the majority of possession they never created enough clear goal scoring chances. Ollie Costelloe made a fine catch following a corner when he was put under a lot of pressure. Pat

Walsh had a free-kick blocked by the wall. Jason Hyslop replaced JJ Henley and with almost his first touch saw a lobbed effort go inches wide.

Brian O' Leary had a fierce shot shave the upright for Kilmac' and Paul Leahy had an effort blocked. At the other end Neilie Connors brought a fine save from Kealan O'Neill. Substitute Mark O' Leary had a great effort well saved by Ollie Costelloe near the end as Smithkline held out for a fully deserved victory.

Goalkeeper Ollie Costelloe, Michael Cosgrave, Pat Walsh and captain Mark Hyslop were excellent for the winners while John O' Leary, captain Paul Mulhearn, Ger Power and centre forward Brian O' Leary were outstanding for St. Declan's.

Ref: Tony Wall, Linesmen: Ber Whelan, Paul Marks.

**Smithkline Beecham 'C'** — Ollie Costelloe, Colin Cunningham, Dermot Bolger, Michael Cosgrave, Pat Walsh, J. J. Henley, Neil Connors, Mark Hyslop (Captain), Kevin Mulcahy, Paul Freyne, Damien Cliffe, Res. Jason Hyslop, Michael O' Brien, ( On for Freyne) Brian Crotty. Manager: Michael O' Callaghan, Assistant Manager: Kieran Hallahan.

▲ Pictured above are the victorious SmithKline Beecham team who won the Carling Inter Firms on Friday night last. ▼ Below are the gallant and youthful St. Declan's College, Kilmacthomas team who made their more illustrious opponents battle to the final whistle in what was a well contested final.

Our thanks to all teams who took part and made it the most successful tournament for some years with all games and fixtures going to play. A special word of thanks to our referees and linesmen who did a marvellous job over nine nights.

Congratulations to Michael O' Callaghan and Kieran Hallahan's side on the victory and hard luck to Kealan O' Neill's young side.

## CUNNIGAR PITCH AND PUTT CLUB NOTES

### CUNNIGAR PLAYERS REACH ALL - IRELAND FINALS

Once again it was a fabulous weekend for our players. As in Ashgrove in the National Gents Strokeplay not one but three of our players qualified for the All-Ireland finals in Seapoint in a few weeks time. In the Inter Grade John Power and Mike Daly got through to the finals with a wonderful display of pitch and putt. Mike Daly can feel very pleased with this performance, as the intergrade is very keenly contested at the moment, and John Power, what can you say, only that he gave an excellent performance once again. John will give it one hundred per cent at the final, so, to Mike and John, the very best of luck.

In the Junior Grade, Deaglan De Paor qualified for the Final. Deaglan is enjoying great success and is playing wonderful pitch and putt. In the Final, I am sure he will give it his all to win the title for the Cunnigar Club. The very best of luck to you.

FIXTURES — On Sunday June 29th, the Carrolls team club qualifying rounds gets underway. Teams of four V-par. Tee-off 2pm. sharp. We ask all players taking part to be in the clubhouse within that time. Course closed all day Sunday June 29th.

LOTTO REACHES £2,000 — No Winner of our big jackpot last week. The numbers drawn were, 19-22-27-29. Three lucky winners of £20 each were Richie Tobin, Jimmy Cahill, Dick Ahearne.

## WATERFORD CRYSTAL JUNIOR SCRATCH CUP

Low handicappers had pride of place on the course on Saturday last as the best of our own golfers competed with low handicappers from other clubs in a battle royal to annex the coveted Junior Scratch Trophy for 1997. With approx. 100 golfers in contention, it was going to take exceptional golf to be top of the pile and so it was as Pat Keane (West Waterford) playing off a handicap of six covered the 18 holes in 78 shots and consequently became the hero of the day. Golfers playing in the Junior Scratch must be within the handicap range 5-11 inclusive and interestingly enough all the gross prizes were won by golfers playing off handicaps 5 or 6.

At a very sociable presentation ceremony, Mr. George Brett, Waterford Crystal stated he was delighted to be associated with such a prestigious competition and would be delighted to continue the sponsorship. Dungarvan Golf Club are lucky to have such sponsors as Waterford Crystal.

### J. F. RAWLINS TROPHY

Donal Williams (6) overcame the disappointment of having an 8 at the 14th on Saturday while playing the Junior Scratch Cup to record a score of 43 Stableford points on Sunday and so secure victory by 2 pts. Hopefully this helped Donal overcome the disappointment of Cork's defeat by Clare in the Munster Senior Football Champi-

# A TASTE OF ATHLETICS

Over 500 Primary School children representing 25 schools enjoyed a taste of athletics, some for the very first time, at the annual West Waterford finals in St. Augustine's College, Abbeyside last week.

Over 2 hours of non stop activity featuring 58 races, there were numerous thrilling finishes, impressive performances, unexpected winners and most of all loads of fun in this their 10th year of these annual sports. The new mixed relay events achieved their purpose with the schools for which they were intended featuring in the finals.

In the overall competitions, Ballyduff Upper National School proved best as they won the boys award for the best small school for the third year in a row and they were joint winners with Glenbeg National School in the girls category. There is surely the makings of a fine athletic club in the Ballyduff area and the many fine performances from their red vested athletes last week once again proved this.

In the Girls Sprint Finals, Ballyduff had winners in Vanessa Hannon (under-10) and Aqife Walsh (under-11) and they also won the Girls Under-10 Relay final. In the boys events Patrick Kear-

ney won the Under-10 Sprint and their Under-8, 9, 10 and 14 teams won their relay finals.

Glenbeg N.S. came with a very strong late challenge in the girls category to take a deserved share of the spoils. Early on Emer Walsh and Triona Shalloe were second and third respectively in the Girls

Under-12 and Under-14 Sprint Finals and towards the end of the sports, the Under-12 Relay team had a great win followed by a second placing by the under-14's. When Munster champion Triona Shalloe won the 60m final, the teams finished level on a thrilling 22 pts. each.

In the big schools section, St. Mary's Dungarvan avenged their defeat by Scoil Mhuire in 1996 to score a thrilling 1 pt. victory over their local rivals on a 45 1/2 pts. to 44 1/2 pts. total. This was an excellent competition with both teams excelling throughout. St. Mary's had impressive sprint winners in Sinead Crotty (under-10) and Mary Foley (under-14) while their under-8, under-10 and under-11 relay teams scored good wins. Mary Foley completed a fine double when winning the Under-14 600m Final.

Scoil Mhuire, Abbeyside had sprint victories by Kim Whelan (under-8), Sarah Keane (under-9) and Claire Cashin (under-12). Claire completed a great double in the 600m final while their relay teams struck gold in the under-9, 12 and 14 age groups.

The Abbeyside boys team won the A.I.B. Cup for the 5th year in a row with a sound 57 pts. to 41 pts. win over their keen rivals St. Joseph's, Dungarvan. Star of the Village team was capt. Willie Morrissey who scored a splendid win in the Under-14 Sprint. He was second in the 600m final and he led his team to victory and Lismore and Dungar-

van in the relay. He received able assistance from fellow winners David Power (under-8), David McCarthy (under-9) and Paul O'Donnell (under-10). The Abbeyside teams won every relay final except the boys under-12 event. Both Abbeyside teams looked very well in the singlets of the former Abbeyside Parish Athletic Club and like Ballyduff there is no doubt they have the makings of a strong athletic club in the Abbeyside/Ballinacourty area.

Overall the situation in the big schools categories is not satisfactory with such few entries and already plans are afoot to improve the situation for 1998. The organisers of the sports wish to thank everybody who assisted on both nights ensuring that these popular and important sports are carried on from year to year.

# Primary School G.A.A. Notes

## COUNTY BOARD A.G.M.

This general meeting took place in Lawlor's Hotel on Monday night, June 16 at 8 p.m. Chairman, Declan Comerford (Dunhill NS) stated that Gaelic games in our primary schools were better organised than ever before and the structures put in place at county, provincial and national level over the last few years were working efficiently.

Secretary, Michael Rouine (Holy Cross, Tramore) reviewed the year activities with Waterford's participation in 'The Primary Game' in both football and hurling being the highlight of the year. Following our successful participation in the Primary game the teachers and pupils in Waterford would have the confidence to deal with any new challenges placed before them in the future.

## Church & General Cumann na mBunscol

The committee elected for the coming year is as follows — Chairperson, Margaret Cunningham (Villierstown NS); Secretary, Brendan Griffin (Piltown NS); Treasurer, Br. Anselm (St. Stephens); PRO, Seamus Fitzgerald; Delegate to Co. Board, Breda Cleary (Glenbeg NS).

It was decided that next year there would be a county final between the champions of East and West in Roimn A and Roimn B.

The A final will consist of 13 players a-side and the B final 11 players a-side. The committee were requested to explore avenues as to when these finals could take

place to ensure maximum exposure for the children.

The selectors for 'The Primary Game' in both hurling and football will not be confined to having equal participation from East and West for the coming year. However, there will be a minimal representation of four from either of the divisions.

### CODE OF ETHICS

Sport for children is of particular importance given its potential to promote fair play, social skills and a positive approach to competition. Through participation in sport children can have fun, develop new skills, make new friends, feel good about themselves and experience life in a way which will enhance their personal growth throughout their childhood, adolescence and adulthood.

### FEILE

We had an extremely busy

week-end with the Feile. We played hosts to the Sarsfields of Cork who arrived at our Club grounds on Thursday evening last. From then on it was all systems go. In our first game we lost to our visitors, Sarsfields who were much too strong for us. In our second game our opponents were Abbeyside and once more we suffered defeat. In our third and final game we took on Cloch Dubh and we played our best hurling all year and we were unlucky to be defeated by 2 goals.

On Saturday afternoon we took part in the Parade in Waterford. However, the weatherman proved to be a spoilt sport here. After the parade the boys were treated to refreshments at McDonalds. Last year our visitors were Coolderry who went on to win Division Two and capture the Canon Fogarty Trophy.

As stated previously this year we played hosts to Sarsfields of Cork who got to the final of Division 1 but who unfortunately were defeated by the Kilkenny Champions who captured the prestigious Christy Ring Trophy.

The organisation of a festival of hurling such as Feile is a major operation, and all concerned can take pride in the manner with which it was carried off.

On behalf of the Club I would like to express our

deep gratitude to the many people who helped on this occasion. A special thank-you to the parents who accommodated our guests, to all how helped to get the pitches in readiness for the various games, to all the Committee members who turned up on the Wednesday night to ensure that everything was in ship shape. A very special word of thanks to the wonderful ladies we have in the Club for their catering over the weekend. Nothing is too big for these women to take on. The bigger the occasion, the more efficient they become. I sincerely hope I have not forgotten anyone. Now we can take a well earned rest and hand over to Wexford for 1998. Thank you one and all.

### INTERMEDIATE HURLING

On Sunday evening last we were comprehensively beaten in this competition by Ring.

### WEDDING BELLS

From all their friends in Cumann Dungarban we extend congratulations to Ger Beresford and Geraldine Hayes who were married on Friday last. Ger was one of our star forwards in our victorious three-in-a-row football team while his Bride also comes from a family steeped in the Gaelic tradition. We wish them both many years of happiness together.

## Clashmore G.A.A. Club Notes

**LOTTO** — There was no winner of last week's jackpot of £1,100. The numbers drawn were 5, 13, 15, 17. The winners of £10 each were Ritchie Dee, Clashmore; Margaret Long, Clashmore; Joe Power, Piltown; Christy Ormonde, Clashmore; John Kereen (Jnr.). Next week's jackpot £1,200.

**JUNIOR HURLING** — Our championship date with neighbours Geraldines has been set for Friday, July 18th, just 3 weeks away. This week we play Kilrossanty in the league on Thursday evening. A disappointing aspect of the Junior Hurling League is the number of postponements occurring. We have now had 2 games postponed. This is in stark contrast to the football leagues which ran off without a hitch.

**INTERMEDIATE FOOTBALL** — Our championship clash with Brickey Rangers is fixed for Saturday, August 16th. The long break to the game will favour the Brickeys and with most of the focus on hurling over the next few weeks, this is a fixture we must approach with great caution.

### JUVENILE CLUB NEWS

**Féile** — Warwickshire were our guests over last week-end for the Féile '97 competition. Games got underway on Friday morning in very bad weather conditions. On Friday we played Kilrossanty, Warwickshire and London but unfortunately we lost to all three. Still our players have improved very much over the last few weeks and great work has been done by Liam O'Rourke and Paddy Kelleher. With virtually the entire team under 14 again in 1998, much more progress can be made in hurling with this bunch of lads.

Saturday and all were off to the parade in Waterford. Back in Clashmore on Saturday evening a pool tournament against our English guests was the main attraction of the night. Clearly our city bread guests had the upper hand in this sport too with our boys suffering a heavy defeat.

Some local pride was restored on Sunday morning when our boys (and three girls) held the upper hand in a Gaelic football match. Our thanks to all those who helped out over the weekend particularly those households who 'put up' the visitors in their homes.

**Under-14 & Under-10 Football** — Boys and girls please note that there will be football training for all age groups under 14 on Saturday morning at 11.30 a.m. in the field.

## Nire Football Club Notes

### LOTTO

Numbers drawn last week were 3, 7, 18. The lucky winners of £167 each were Thomas and Bidy Whelan, Rathgormack; Michael Walsh, Toureen; Declan Flanagan, c/o Melody's. £10 — J. Fennell/D. Guiry. Next week's jackpot £200.

### DEISE DRAW

Deise Draw tickets are still available from club members.

## TALLOW G.A.A. CLUB NOTES

# Donkeys Don't Win Derbies?

There is an Irish seanfhocal "ní féider leis an saol capall ráis a dhéanamh d'uasal" which means that not even the whole world could make a racehorse out of a donkey. Donkeys, as Babs Keating said on one memorable occasion, don't win derbies, nor is it possible to make a silk purse out of a sow's ear.

There is, however, another seanfhocal inscribed on the monument at the Square in Tallow, a piece of sculpture celebrating the historic Tallow association with horses and the annual horse fair and this seanfhocal is a source of encouragement to all who, despite an unpropitious start, strive hard and achieve their goal in life: "Is minic a dhein bromaichín giobalach capaillín cumasach" — is there in stone for all to see and is a reminder that often a ragged colt became a splendid horse.

What prompted those thoughts were recollections of some notable hurlers, stars of their era, whose introduction to intercounty fare was, to put it mildly, far from impressive. I'm quite sure that those of you who remember him as a powerful midfielder later on could hardly imagine how awkward and unpromising a player was Frank Cummins of Kilkenny when he first pulled on his county's jersey.

I watched his first serious game in the black and amber. He was big, strong, honest and committed, and, I thought, dreadful, as he floundered most enthusiastically for a full hour against Wexford, using the hurley in a most ungainly fashion. Where did they get him, was the unanswered question. Far from being even a "bromaichín gioblach," Frank looked more like a displaced carthorse who found himself unexpectedly in the company of a bunch of race horses.

His massive frame, ponderous stroke and lack of polish and fluency made up my mind for me: he would never wear the number 9 jersey for his county again.

How wrong I was. Frank's raw honesty and sincerity must have struck a responsive chord in the selectors' hearts because the rough edges were gradually smoothed and he went on to have a celebrated career and became the sheet anchor of the Kilkenny midfield for many years of the late sixties, seventies and early eighties.

His physical presence in the middle of the field allowed Kilkenny the luxury of playing a small, lighter, neater ballplayer such as Chunky O'Brien as his partner. Donie Nealon's term for a man like Frank was the old Irish word "rauchán" (rookawn) and Donie believed that the ideal midfield combination was a skilful performer counter-balanced by a rookawn. One bore the burden of hard physical contact, making room for the more accomplished stickman.

It would be a misuse of the word "sweet" to apply it to Frank's striking, but he was a formidable presence who had the capacity to absorb whatever punishment came his way and sail serenely on. He shared in Kilkenny's and Leinster's great days and was, too, a powerful cog in the great Blackrock machine which bestrode the Cork club scene like a colossus. And many would claim that he was that colossus. What I admired most about Frank was his modesty and his lack of self-importance. He never sought attention or popular acclaim but simply got on with the job with quiet dedication. It is Frank's son Alan who lined out at midfield for Cork a couple of weeks ago in the champi-

onship clash with Clare.

Another player — he too was a Kilkenny man — who, after a tentative start developed into a major influence on the game of hurling was Pat Henderson of Johnstown, a man who holidays annually in the beautiful seaside town of Ardmore. Peculiarly enough I played against him in what was his first game in his county's jersey. He had a most undistinguished debut and gave no hint whatsoever of the great centre back he was later to become. It was a hurling tournament final at Walsh Park and late in the game Pat was injured and needed a trip to Ardkeen to have a few stitches inserted. For some reason I quite forget, I was asked to accompany him to the hospital and we had quite a lengthy spell together in the waiting room where we chatted about hurling, trips to New York and many more unrelated topics.

He came across as a very agreeable fellow who loved hurling, but I thought he will hardly make his mark. As with Frank Cummins, my assessment of Pat's potential was very wide of the mark, even when next I watched him.

The occasion was a team training session in Nowlan Park where Kilkenny were preparing for a Leinster final against Wexford.

By this time he had moved from corner back to wing back to centre back. Sitting beside me was Fr. Tommy Maher, the man who pioneered hurling coaching and who popularised it and whose unsurpassed knowledge of the game was used to mastermind many an All-Ireland victory for the Cats. We watched in silence as the panel went through their paces. Pat hurled well at centre back but was a bit slow, something I mentioned to Tommy. "Just wait till next Sunday," said Tommy, taking a reflective puff from his beloved pipe, "and you'll see how slow he is." He was right of course because he knew Pat to be an intelligent reader of the play who would position himself so astutely and defend so well that his opponent, Martin Quigley would get very little soft ball from him.

That reminded me of another Kilkenny defender from an earlier era who had no great burst of speed, Jim Treacy of Bennettsbridge. Corner back Jim was so good to anticipate the incoming ball that he was a stride or two ahead of the corner forward as he went for it and was rarely shown up for lack of space.

In the nineteen forties and fifties, Waterford had Jackie Goode, a defender of style and polish, Jackie was no Donovan Bailey or Michael Johnston, but like Jim Treacy, forty years later, he could beat his man to the ball and had the skill and confidence and coolness to complete the clearance. He was a calm, patient tackler who never rashly lunged into an opponent, but sought to force him to use his weak side.

Offaly's Aidan Fogarty and Pat Fleury weren't very fast. The intelligent Aidan actually studied the play of every possible opponent, the better to cope with him if he should be faced with marking him. Aidan too set no tongues awagging in his first inter-county match, but because he was intelligent and willing to learn, he gradually acquired the experience and craft which moulded him into such a reliable defender.

All the great full backs had plenty of cop on, even if some were more physically endowed than others. Pat Hartigan was a splendid figure of a man and very

steady under the dropping ball where his strength and height gave him a distinct advantage. Bursting out to clear was easy for him but it is entirely to the Limerick full back's credit that he never used his physique unfairly.

Even in the old days of stern confrontation in the square, the best full backs were very good ball players. Some sixty years ago Charlie Ware of Erin's Own was Waterford's full back. Small for a full back in those days, Charlie relied mostly on his nimbleness of foot and quickness to think on his feet to clear the danger and had a great understanding with his goalkeeping brother Jim who captained Waterford to their first senior All-Ireland victory in 1948.

Like all good men in his position, Charlie had a safe, accurate rather than long clearance. Tallow man, Sonny Curley would have represented Waterford far more often if he hadn't been a contemporary of Ware's, vying for the number 3 jersey. Sonny had very quick hands and a great sense of position and could sweep the ball clear with style, even in the tightest of situations.

I had the honour of playing with him once. Even if he was then at the end of his career — a career blighted by a serious leg injury at work which left him with a permanent limp — he was a joy to play with, he was so supportive and encouraging as well as leading by example. He always reminded me of my all-time favourite full back, Austin Flynn. Lucky any man who played with Austin. Never would you hear a word of reproof or criticism. He was always such a source of encouragement as he strove to share the burden of blame and responsibility in that warm, comradely fashion of his. I'm eternally grateful that I had the good fortune to share closely with Austin some of Waterford's most memorable days.

There is such scant footage of those players I have mentioned that we should be grateful for the wealth of video material showing us how the modern full back operator. One man in particular stands out, Eugene Coughlan of Offaly. What a pity that the relentless passing of the years makes Eugene's displays but a memory because every full back playing today could learn a lot by watching videos of Offaly's games in which Eugene was a star performer. He never pulled or dragged, tugged or held. He was for too much concentrated on exercising his cool, patient skill and intelligent anticipation. His timing of the tackle was spot on and he was outstanding at flicking or tipping the ball away from danger just as his opponent was set to strike. His ability with the block tackle on the ground was an illustration of his timing and control. A big man, Eugene never applied his strength and height to intimidate an opponent and every short snappy clearance went to a colleague.

Could the GAA now do something which I have suggested more than once, i.e. compile a number of coaching films on the skills of the various team positions by drawing on the vast resources of videotape in the archives.

A separate film could treat each position — goalkeeping, full back line, half back line, midfield and forward play. Pat Daly has vast qualifications for such a task. There is so much to learn from the master craftsmen of the last 30 years which we oldies don't always give them credit for. Wouldn't all hurlers benefit from it?

# ABBEYSIDE/BALLINACOURTY G.A.A. NOTES

## SENIOR HURLING LEAGUE Passage 0-12 Abbeyside 0-9

Our understrength side played quite well in this league fixture played at the Kill venue on Wednesday last, June 18th. Passage finished stronger yet there was little between these teams.

Team: D. Sheehan, G. Collins, M. Collins, P. Shields, E. Murray, G. Breen, L. Hurney, B. Keohane, D. Cliffe, G. Smith, S. McGrath, M. Cosgrave, M. Enright, B. Beatty, P. Cunningham. Sub used: M. Murray.

On this Wednesday evening the Senior hurlers play Dunhill in the league at the Kill venue at 7.30 p.m. and on Wednesday, July 2nd they will be in action against Tallow at the Cappoquin venue in their final league game.

## FEILE NA nGAEL 1997

Our visitors for this year's tournament were Cloughduv of Cork. Our first game was against the Cork side on Friday morning and it

ended all square 2-3 each. At lunchtime we recorded a win over local rivals Dungarvan by 7-7 to 1-0.

On Friday evening our game against Sarsfields of Cork was the decider as the winners would advance to the Division 1 semi-finals. While we matched the Cork champions up to half-time, they ran out decisive winners by 7-5 to 2-3 and advanced to Sunday's final where they lost to Tulloran of Kilkenny.

Well done to all the players and mentors who represented the club so well in the 3 games and in the parade in Waterford on Saturday.

Our Féile panel was P. Enright, S. Byrne, R. Hanrahan, A. Murray, S. Kiely, D. McGrath, L. Briggs, J. Hurney, S. Cleary, D. Fives, G. Dunford, E. Ryan, W. Morrissey, J. Moore (capt.), P. Moore, D. Molloy, A. O'Kennedy, P. Lynch, S. O'Regan, S. Power, D. Troy.

Well Done — Well done to underage officers Tom Whelan, Pat Ryan and Larry

Cliffe who ensured that everything ran so smoothly. A big thank you is extended to all the families who accommodated our guests Cloch Dubh.

The pitch was in excellent condition thanks to the efforts of so many while we were very grateful to everyone who helped provide refreshments at the Clubhouse.

The Programme — Club Officer Pat Moore was P.R.O. of Féile and Chairman of the Programme Committee. This excellent publication and a worthy souvenir of the Festival included an interview by Pat Moore of Martin Storey while Austin Flynn shared many great memories with Seamus O'Brien while another of Waterford's greats of that era John Kiely was also profiled.

Snippets — Congratulations to Scoil Mhuire, Abbeyside on winning the Féile Quiz.

# ARDMORE G.A.A. NOTES

Wet and windy conditions failed to dampen the spirits of our Féile guests Rathdowney and they thoroughly enjoyed themselves as did our own young boys and girls who were a credit to our club and to themselves.

## SPECIAL VISITOR

Féile started early in the week for our club when on Tuesday night we had a special guest in the person of Féile National Secretary Pat Guthrie in attendance at our clubhouse for a special club visit. Our club were chosen for this special visit as a result of the amount of juvenile work which is going on in the club. As one of the best underage set-ups in the county, we were very honoured to receive this visit.

Pat, as he prefers to be called, received a big welcome and in his welcoming speech, juvenile secretary Pdraig O Foghlú thanked Pat for taking time out from his busy schedule to come to Ardmore and address the eager gathering of juveniles and parents alike.

In his address to the appreciative audience Pat Guthrie outlined how he came into contact with Féile and in his profession as a teacher how he has seen the many changes which have taken place since its inception 27 years ago.

Pat's love for hurling is probably only bettered by his love for children and it is this understanding of today's youth which Pat encouraged every parent to support. No matter what

emergency or trouble someone finds themselves in, the parents, teachers and trainers must be there to lend a hand, to listen and to advise our young people as with today's changing society comes many good things, but also an equal number of dangerous things. Pat said how sport is good for the mind and body and also how through sport and Féile in particular he had made wonderful friends over the years.

He encouraged all present to play an active part in their club and in particular for the young people to show a good example and help those younger than themselves to become involved. He also spoke about his love for hurling and its place as the fastest field game in the world.

In keeping with the purpose of his visit Pat then made a lovely presentation of a trophy to the club to be presented annually to the young person who contributes most to the club, both on or off the field. He said that he would like to return to present it to the first winner. Pat also presented a cheque to the club for which we are very grateful.

To sustained applause, Pat then had to return to Waterford and we once again thanked him for his special visit.

## RAIN FAILS TO DAMPEN SPIRITS Ardmore 0-1, Rathdowney 1-5

Our under-14s first game

in Féile was on Friday morning and despite the inclement weather, both sides served up a thrilling game, with the scoreline doing scant justice to our attack as we had several near misses. It was only in the final minutes that our guests were sure of victory.

This was a fine team display and if we had two of our players who were unfortunately on a school tour, then we could well have won.

In the afternoon we journeyed to Tallow and here again our lads hurled above themselves and came away with a very creditable draw against Tallow. Our guests were beaten by the Wexford champions Oulert-the-Bellagh who looked a class outfit and who were to be our opponents in our first game in Ardmore that evening.

After our two games we wondered if we could continue to play as well as in our first two games and we were not to be disappointed as in truth our lads again raised their game to new heights and it was only lack of penetration up front along with some good goal-keeping which kept us from being much closer at the finish.

The boys from Wexford were lovely hurlers and played with total confidence, but it was their opportunism in front of goal which singled them out as a class team as they combined well to take some fabulous scores.

Oulert finally won by 5-7 to 1-2, but our lads can be proud of their display and each and everyone of the boys and girls were brilliant all day. To single people out may seem unfair but Seamus played a captain's part all day, while David in goal was very brave. Philip and Billy covered acres of ground, while Jerry and Anthony were excellent as were u-12 players Patrick, Maurice, Michael and Alan, along with the ladies Lisa and Emer, while David at centre forward and Brian and Derek all gave their all and were a credit to themselves.

Credit also must go to those in charge and Billy Harty had the lads firing on all cylinders. Our sincere thanks to everyone. The ladies of course were kept busy, especially on such a cold day and our sincere thanks to them for their help. Our thanks also to all those who hosted the visiting teams and we are especially grateful to everyone for their co-operation with the accommodation arrangements. At a later stage we will be thanking each host in person.

On Saturday then it was time for our guests to say goodbye as they left with, we hope, happy memories. The people from Rathdowney were excellent ambassadors from Laois and we look forward to meeting them in the future. Saturday also was the day for the Féile parade and once again we thank all those who trav-

elled and especially our flag bearers who had a rough day in the prevailing wet and windy occasion.

As with any sporting occasion, every one will have their own memories and we hope they will all be happy ones. Both our club and Rathdowney made a number of presentations to each other to mark the visit which we hope was as memorable for them as it was for us and we also had some fine conversations in the local hostels in the nights, with hurling high on the agenda.

Finally, a special word of praise for our Féile officials who left no stone unturned to have everything right and Paddy and John can take a bow along with all those who helped out in any way to make it yet another success for our club.

## DEISE DRAW

The new Déise draw will be commencing shortly and all members are asked to please support your club and purchase a ticket for the valuable prizes on offer. Tickets can be had from committee members.

## U-21 WESTERN FINAL

Our under-21 Western hurling final will take place on this Friday evening in the Fraher Field at 7 p.m. This will be a great occasion for our young team and all our supporters are asked to come along and give their support.

## GROUP TEAM WALKOVER

The Gleann Bride group

team received a walkover from the city group team on Sunday evening, which was very disappointing for all concerned. To make matters worse, in the practice session between the panel, Eoin Murphy of Shamrocks broke his leg in an accidental collision.

and we wish this popular player a speedy recovery.

The team now play Tramore in the first round proper on Saturday week, July 5, at 8 p.m. at Dungarvan.

## LOTTO GOES AGAIN

Our lotto jackpot was won again this week with the £250 on offer going to Ed. O'Halloran, c/o Powers Caravan Park. The numbers drawn were 4-8-14. Next week's draw takes place in the Round Tower Hotel. We thank O'Reillys for their hospitality on Sunday night.

## CYCLISTS RETURN FROM KERRY

On Sunday evening the 12 Club Cyclists returned from Cahirciveen to Ardmore, tired but happy that they achieved their goal in fine style. We congratulate them all on another splendid effort for both the Youghal and West Waterford Hospice Movement, which I am sure were delighted by their fundraising efforts, which were well supported.

## CONGRATULATIONS

Our congratulations to Denis and Margaret Conway on their latest addition to their family. We hope mother and daughter are doing very well. — PRO.

# Start Of Senior Football Championship Cancelled

There was confusion and disappointment at Fraher field on Sunday evening last when the 1997 senior football championship double header did not materialize because of confusion resulting from a withdrawal by one of the four group teams which was due to play in the first of the two matches.

The first match involved T. F. Meaghers and Gleann na Bride and was due to start at 6.45 pm. Less than two hours before that time, the city team, T. F. Meaghers notified the

Board that they did not have a team and were conceding a walk-over to their opponents.

It appears that the 'Meaghers' team which had been given seven clubs from which to select their players, i. e. Ferrybank, De La Salle, Mount Sion, Kilmure, Dunhill, Fenor and Roanmore, found that they could not get enough players to travel to the venue for the game. It was at their request that the matches had undergone a time change from afternoon to evening.

As a consequence of this a

wrong message was conveyed to one of the two other teams, due to play in the second match and that then fell by the wayside. Gleann na Bride (who had received the w/o), lined out for the first game and the referee, Tomas O' Meachair, threw in the ball. Unfortunately during a 'kick around' by these players a Shamrocks player sustained a fracture to his leg and had to be removed to Waterford Regional Hospital.

Officers of the County Board who were present, expressed regret and apologised to the patrons and to the players who had turned up. All monies which had been collected were refunded and the second fixture—the one involving Gleann na nDeise and Fagh a Balachwill be refixed for the same venue and the winners will meet Dungarvan in the second round of the championship.

T. F. Meaghers are gone out of the championship and Gleann na Bride will play Tramore in the second round on the scheduled date. And so what was to have been a midsummer night's dream and a great start to the championships, turned out to be a bit of a nightmare. Everything would have gone ahead as planned only for the late notification of the walk-over. It is now likely that the clubs involved in the 'Meaghers' team, will not be invited to participate again in the group team.

## Dismal Showing By Waterford Teams

The responsibility of Feile na nGael committee is to organise and plan the running of the festival, down to the most minute detail and this was done to perfection. It is a national event and not just a Waterford festival. From their point of view everything went according to plan and as I have written before they can feel justifiably proud of what has been achieved in the name of the county.

Unfortunately the results of the matches did little to enhance our hurling reputation or our prospects of making a meaningful breakthrough in the very near future. As one prominent hurling personality put it, our underage hurling standards are way behind those of other counties, judging by the results. It is not surprising that we failed to win a divisional title, although Brickey Rangers were awfully unlucky against Westport who snatched victory in the dying minutes of their final and Kilrossanty who fought bravely against London in their final at Fraher field.

What was particularly worrying about the situation was that most of the traditional hurling clubs did so very badly.

About a dozen of our clubs, including Lismore, Mount Sion, Dungarvan, Roanmore, De La Salle, Ferrybank, Portlaw, Ballysaggart, Kilrossanty, St. Olivers, all failed to register a single score in their opening rounds. Lismore who are recognised as the underage specialists for a long time, actually went through the Feile without registering a single score. The official score sheet has other alarming figures which show several of our teams being beaten by huge scores.

Of course it must be pointed out also that we here in Waterford had to field 33 teams to play the champions in under 14 hurling from the visiting counties as well as from London and Warwickshire. This is an aspect of the Feile that needs to be examined. It must also be pointed out that the other counties which have hosted the Feile, have rarely won titles in those years.

Still, the Feile 1997 gave us a very clear message that we need to take stock of our standards at club level, otherwise we are going nowhere. The Feile also tells us very clearly where we stand at under 14 level. Our future will depend on how we read that message and what we will do about it.

## SHAMROCKS G.A.A. CLUB NOTES

**FEILE NA nGAEL**  
 We congratulate everybody from the club who were involved in a very successful weekend. We were hosts to Monaghan who had an enjoyable time among us and made many friends, and we wish to thank the families who took in the visiting team to their homes, and I am sure they carried away many happy memories when departing for home on Sunday morning.

On the field our young players had no success and were beaten at home on Friday morning by Monaghan 3-3 to 1-1. On that afternoon we were well beaten by Brickeys at Bushy Park 10-3 to 1-4, while Monaghan were beaten by Sligo at the same venue.

Later that evening we were again beaten by Sligo at Knockanore and Monaghan failed against Brickeys who were the eventual group

winners. Overall, it was a very enjoyable weekend and it will be a long time again before such an event will take place in Waterford.

### WATERFORD SENIOR FOOTBALL CHAMPIONSHIP

A number of our players were involved with the newly-formed group team Gleann Bríd against a city grouping, T. F. Meaghers at the Fraher Field on Sunday evening in the first round. Our representatives were Liam Dalton, Dan Casey, Sean Murphy, James Baldwin, Eoin Murphy, Kieran Murphy.

Unfortunately, the game was not played as Gleann Bríd received a walk over.

## THIS WEEK'S GAMES

# Junior Footballers Play Kerry In Semi-Final At Tralee

The decision to allow the weaker counties to play their second best teams in the Junior Football Provincial Championships has put some life back into a competition that has been a non-event for too long.

With less than half the counties taking part, it was more or less a worthless campaign with the results in many places but especially here in Munster a foregone conclusion. Because of the system operating in Kerry whereby players participating in their Senior County Championship were eligible to play on their Junior county team, the other counties (apart from Cork) found it a waste of time and consequently had no interest.

Now that the weaker counties in all the provinces had forced Central Council to change its attitude in this matter, the Junior Championship has become a whole 'new ball' game.

It is something new to have players fighting for a place on our Junior team and it is encouraging to hear players speak fairly confidently about our prospects of beating Kerry in their favourite home venue.

Our defeat of Limerick was brought about by a very spirited display of football by a very experienced group of players all but a few of whom have or are playing Senior Championship here. Limerick had beaten Tipperary and were strongly fancied to defeat Waterford whose team was hurriedly prepared by 3 selectors who were hurriedly appointed. What a change from last year when we made a first round exit after being hammered by Kerry Juniors an embarrassing scoreline of 0-24 to 0-2 and that was little different from the hammering that we received from Cork in the previous year when we lost by 27 pts. The three selectors are convinced that this team will not throw in any towels and will fight to the end. They have advised us not to write off Waterford and they feel that a 'surprise' is possible, if not likely.

The panel is more or less the same as for the match with Limerick. The team was not named at the time of writing but it is certain that goalkeeper Alfie Kirwan will be our net minder. He played a blinder against Limerick. Jason Crotty of Rathgormack, David Burke of Dungarvan and Ian Walsh of the Nire may be given a vote of confidence in the full-back line and team captain John Fitzger-

ald from the Junior County champions team Modeligo, Pat Walsh the Nire and Dan Crotty also of Rathgormack are likely to be retained as the halfback line. Our defence did almost all that was asked of them the last day and kept Limerick to a score of 1-2 from play. To their discredit they conceded far too many second half frees (8 on the trot) against Limerick. Fortunately the visitors were poor at free-taking.

Eamonn Cullinane, Gaultier was selected to play at centrefield the last day but a mechanical breakdown delayed his arrival until late in the game. He replaced his replacement John Power who had played a good first half. Cullinane may now be included and can be named as Ger Walsh's partner in the middle of the field.

In attack, Richard Dulligan (Tramore), Liam Daniels (Gaultier), Ray Hennessy (Kill), Michael Downey (Kilmacthomas), Ger Power (Rathgormack), Eoin O'Brien (Stradbally), Jim Maher, John Power, Kevin Walsh (Kilgobinet) and Mark Bohan (Tramore) will be among those considered. Some newcomers have been added so there can be a few changes in personnel on the side.

A few challenge games have been played and training sessions at Fraher Field have been well attended since our game against Lim-

erick on June 1st.

## THE RESULT

We are fielding our strongest team in a long number of years and I am certain that we will do better than we have been doing in this grade over the past several years but whether or not this strong team of ours will be good enough to bridge the gap in standards is something that we will have to wait and see. We wish them the best of good luck and we will be keeping our fingers crossed so who knows.

## Western Board Fixtures

The divisional league will continue over the week-end and we have games in round 7 of the hurling league involving Ardmere v. Lismore at Ardmere, Garaldines against Modeligo at Aghlish, Ballinameela v. Kilgobinet at Modeligo and Kilrossanty v. Clashmore in Leamybrien.

In the divisional football league we have matches involving, Seana Phobal v. Stradbally at Old Parish, Tallow v. Faha at Kilmac, Ballinameela v Ballyduff and Kilrossanty against Emmetts at Leamybrien.

The official fixtures list will give confirmation of these fixtures and the list should be consulted by patrons before travelling.

## SYMPATHY

Our heartfelt sympathy is extended to John and Imelda Gleeson of Clonagagale, Ballinamult on the very sad tragic death of their only son, Johnny who lost his life in a road accident following a motorbike collision on Sunday morning of last week.

Very well known in G.A.A. circles, John rarely missed a game of any importance at Fraher Field and was one of Sliabh gCua/St. Mary's best supporters.

At last week's meeting of the County Board, the tragedy was referred to by the Chairman who paid tribute to him and offered the sympathy of the Board to Imelda, John and Johnny's 3 sisters. A minutes silence was observed.

Sympathy was also expressed with the Augustinian Fathers on the unexpected death of Rev. Fr. Kevin Moylan who ministered in the area for a long number of years. The late Fr. Moylan was brother of Declan, well known Treasurer of the Munster Council.

May they rest in peace...

## SENIOR HURLING LEAGUES CONTINUE

A further round of Senior Hurling League matches will be played at venues throughout the county tonight (Wednesday) when the competition will be taken to within a couple of games of the finals.

Somehow it is not attracting the same interest as the football, probably because patrons are waiting for the championship when we can look forward to seeing the best of club hurling in the county.

Most clubs are taking the league seriously and are availing of the games as an excellent preparation for the championship.

## AT FRAHER FIELD

It was intended to play 2 matches here but as the Lismore/Saviours game was played ahead of schedule (at Saviours request), the venue will host only the Tallow v Ballygunner game. The reigning County champions will be red hot favourites to win this. They have 7 pts. from 4 matches and Tallow, who lost to De La Salle by 2-15 to 0-9 last week, are still without a league point.

## FOURMILEWATER V PASSAGE

Passage at Walsh Park will be strongly fancied to win this tie against the Ballymac' side who were unable to muster a full side against Dunhill last week. Passage, like Ballygunner, have 7 pts. but the 'Gunners have a match in hand.

## ABBEYSIDE V DUNHILL

Neither of these sides are likely to be in at the finish of the league but like other clubs who are low on points, they find it an excellent way of getting tuned up for the championship. Last week Dunhill had a win against a Fourmilewater selection while Abbeyside went down by 3 pts. to their championship opponents Passage. Dunhill, who are doing slightly better than Abbeyside, will be fancied to win this one at the Kill venue.

## MOUNT SION V ROANMORE

The neighbouring clubs from the city will renew rivalry here and having to

play without Paraigh O Fainin (injured) and Gary Gater (sidelined), Mount Sion will find it very hard to beat Roanmore who are presently in need of a couple of points to keep their slim hopes alive. Mount Sion, with Lismore are joint leaders on the table at the moment.

## PORTLAW V CLONEA

This game is fixed for Dunhill and as the result won't get the winners close enough to make a difference on the league table, there will be very little interest in it outside the respective clubs. Portlaw will be favourites.

# WESTERN UNDER-21 HURLING FINALS

Unless there is a draw in one or both of the Under-21 Divisional Hurling Finals fixed for the coming week-end, the Western Board will have completed two of the championships which normally go very late in the season before being completed. As the Eastern Board are also planning to play their finals also this week-end, we could be ready for the county finals by early July.

## LISMORE V BALLYDUFF

This final has a 7 p.m. start at Cappoquin on Sunday and with no counter attraction, the venue should 'house' a big attendance. Lismore are the champions and for very many years have been more than a 'cut above' the others in the division but their most serious challengers have been their neighbours, Ballyduff in recent years. Last year we had a splendid Under-21 A Championship and a number of clubs were in with a 'shout' for quite a while. We will remember the tremendous contest between Lismore and Tallow, Abbeyside and Ballyduff, the 2 splendid hurling matches between St. Olivers and Abbeyside before the

latter emerged as the challengers to Lismore. Lismore came out on top on a 2-15 to 3-5 scoreline. This trial between the champions and challengers should live up to the high standards set in recent times.

Lismore, being the champions, will be favourites but Ballyduff will have other ideas. It will be a match well worth seeing, particularly now that we are building ourselves up for the Munster Under-21 Championship next month.

## STRADBALLY V ARDMORE

This is the B Western Final and it will be played at Fraher Field on Friday evening. Ardmere have been written about as one of the up and coming underage hurling clubs in the division and qualified for this final after beating Dungarvan by a single point in an exciting contest replay (1-9 to 1-8) and this should give them the edge over Stradbally here.

Stradbally had a 5-9 to 1-2 victory over Cappoquin in their qualifying match but it was not as good a contest as the other semi-final. This too will be a championship game worth seeing.

# Féile Na nGael Another Outstanding Success

By comparison with last year, the weather was most unkind and here and there many hardships had to be endured for all the first rounds but this did not deter the clubs, players, officials and everyone else associated with the festival from throwing themselves very wholeheartedly into the running of Féile with the result that the whole undertaking was another unqualified success.

Association President Joe McDonagh, who spent the week meeting officials, visiting schools, watching the games and keeping abreast of the progress of Féile, said he was simply amazed at the wonder of it all. It was his first Féile as President and he said it was delightful if indescribable. The way the people worked throughout the week in the schools, in the clubs, on the field and in the 'nerve centre' at Féile Headquarters in the Tower Hotel, Waterford was something that he will never forget. He said that Stephen Power and his wonderful committee, with the county at large, had every reason to feel justifiably proud of what they had achieved. It is an example to be followed said the President.

It is difficult to know where to begin when describing the Féile as there was activity here, there and everywhere. Everywhere one went around the county there was clear evidence of splendid preparation by the clubs who, without exception, had their grounds looking immaculate. The Féile colours, the national flag, the club colours and the flags of their guests were seen waving in the breeze, the grounds were lined and properly flagged.

Every venue was visited on Friday by visiting groups which included the Association President, Joe McDonagh; the Ard Stiurathoir, Liam Mulvihill, former G.A.A. Presidents Paddy McFlynn, Pádraig O Fainin, Paddy Buggy, Munster Council President Noel Walsh, Sean Whelan, Chairman of County Bord na nOg, Paddy Joe Ryan, Chairman of the County Board, Pat Daly, Manager Games Development Croke Park, Jimmy O'Gorman, Games Administration Croke Park, Mark O'Sullivan, County hurling team, S. O'Brien, Central Council etc. and each group expressed themselves very pleased with the reception accorded them and for the manner in which each and every club had prepared and presented themselves for the Féile. The visiting officials too were loud in their praises of the warm welcome and the hospitality shown them by their hosts all over the county.

## PARADE

With exactly 100 units, including the 66 hurling teams, the camogie teams, the handball teams, the bands from all over the country, the skills winners etc., the parade from the Quay through Barronstrand Street and up to Walsh Park

## ORGANISATION OF THE FESTIVAL LAUDED BY UACHTARÁIN C.L.C.G.

was every bit as colourful as last year and it added a carnival atmosphere to the event. Thousands lined the parade route and Radio Commentator, Micheál O Muircheartaigh gave a brief profile or comment on each passing unit which was applauded. The units from London, Warwickshire and from the Northern counties were all accorded a special greeting as they passed the review stand on which were seated the Association President, three former Presidents, the Féile and Bord na nOg Chairman with the Ard Stiurathoir, County Board Chairman and many other

G.A.A. and civic dignitaries.

## MASS CANCELLED

Because of the uncertainty of the weather, the Féile Committee in consultation with Very Rev. Fr. Brendan Crowley decided on Saturday morning to cancel the Mass which was due to be offered at Walsh Park as part of the Saturday evening ceremony. Events proved this to be a wise decision. Just the same, the remainder of the programme arranged for Walsh Park went ahead without a hitch.

On Sunday the highlight of the hurling festival was

the playing of the Division 1 Final which resulted in a thriller between the Kilkenny champions, Tullaroan and the Cork champions, Sarsfields for the Christy Ring Trophy. The game was won by Tullaroan on a score of 2-12 to 2-7 after a display of top-class hurling. It was described by many as the best game of hurling and the best final played in the top division since Féile was started back in 1971. (Fullback for the Kilkenny team was the grandson of the late and great Paddy Grace). Both teams were accorded a standing ovation by the large attendance. There followed the official lowering of the Féile flag which was handed over to the Chairman of the Wexford 1998 Féile Na nGael.

Before, departing the scene, the Association President Joe McDonagh

again paid tribute to the county for hosting another wonderful Féile, to the Festival Committee of Stephen Power (Chairman), Denis Hanrahan (Secretary), Pat Moore (Programme Editor), Fr. Pat Moran, Liam Cheasty (Fixtures), Bro. Griffey, schools, Marie Pollard, camogie, Bro. Finbar Spring, handball and the many other committee members. He paid a special tribute to the many referees who had officiated throughout the festival etc.

Féile Chairman, Stephen Power expressed himself delighted with the success of their undertaking and said that the manner in which players, referees and clubs responded in spite of the atrocious conditions on Friday morning was the outstanding feature which showed the true spirit of the Féile.

# CO. BOARD MEETING

P. S. O Riain, Chairman, presided at last week's June meeting of the County Board which was held in Dungarvan. The business of the meeting was completed in under one hour and only about half the clubs in the county were represented.

At the outset, the Chairman announced that an appeal lodged by An Gaeltacht club against the awarding of the under-21 'B' football Western final to St. Olivers last year was being sent back to the Divisional Board.

Taken by surprise at this announcement, some members of the Western Board said they would reserve comment until the matter has been discussed by the Officer Board of the West.

This must surely be the longest running saga of appeals in the history of the Boards as it concerns a match which was fixed for August 1996. I have a feeling that a lot more will be written about it before it is finally 'put to sleep.'

## CORRESPONDENCE

A letter from County Board na n-Og requested permission from the Board to be allowed appoint both the minor hurling and football selection committees for 1998. The letter stated that for a number of years, the Board had given the okay to the Juvenile Board to nominate the minor hurling selectors. They now wished to have minor football included. The Board agreed to give permission for the hurling but deferred a decision about the football until Coisde na Peil have been spoken to.

## REPORTS

A comprehensive report of colleges activities for the season was read and the organisers of the games in the colleges were complimented on having successfully run all their competitions. It was also remarked that this was the first occasion on which a report on colleges activities had been sent to the County Board.

## JUNIOR FOOTBALL

A report on the preparation for the Munster semi-final against Kerry was read as was a report from the senior football selectors who said that they were going to prepare seriously for the 'B' football All-Ireland which begins on September 20 when we play Wexford.

## FINANCES

Treasurer, Tony Morrissey gave members an update on financial affairs including the costings of training the

various intercounty teams. It was felt that the increasing costs are making it difficult to reduce the Board's overdraft, but the Chairman confirmed that the 5 year projection to wipe out the Board's debts would be achieved. It was stated that the revenue from the leagues this year may reach £25,000.

## DEISE DRAW

This was discussed and Chairman of the Development Committee appealed to clubs, not to over concentrate on the weekly lotto to the detriment of the county draw, which was vital just now if we are to keep on reducing the debts on both county grounds.

Declan O'Meara also referred to a complaint made by Dungarvan Club in relation to encroachment on their catchment area by a non-GAA club and he felt that this could be settled amicably.

Having further discussed the commencement of the new draw, it was agreed to defer the first draw until Friday, July 11 in order not to put too much pressure on clubs and the draw officials.

## CENTRAL COUNCIL REPORT

As both Munster Council delegates were attending a meeting in Limerick, there was no report from that body.

The Central Council report stated that the Special Congress had been put back to Saturday, November 1 and that the next Annual Congress would take place in Wexford to coincide with the commemoration ceremonies for the 1798 Rising. The report also told about an effort being made to

have greater tv coverage for Féile na nGael.

Other Central Council matters dealt with in the report related to criticism of the RTE film 'History of Croke Park' which provided a platform for a certain inner city TD to launch his general election campaign. There was also a brief report of what took place at the in-camera session of Central Council.

## SENIOR FOOTBALL REARRANGEMENT

As was announced at the meeting of the County Board last week, a rearrangement of the first round of the football championship has become necessary because of our involvement in the provincial semi-final at Tralee on next Sunday. The first round club matches will be played as follows.

Friday, July 4 — At Fraher Field, Ring v. Kilmacthomas at 6.45 p.m.; Affane v. Nire at 8 p.m.

Saturday, July 5 — At Walsh Park, Gailtír v. Butlerstown at 6.45 p.m.; Rathgormack v. St. Saviours 8 p.m.

Sunday, July 6 — At Fraher Field, Kilrossanty v. Ballinacourty 6.45 p.m.; Stradbally v. Kill, 8 p.m.

The other first round games to stand as previously arranged.

## CONDITION OF CROKE PARK

Some delegates expressed strong criticism of the decision to allow the Garth Brooks concert to be staged in Croke Park. The damage done to the surface, as was seen on tv during the Kildare v. Laois Leinster championship game two weeks later, meant that it was unfair to the players who should be given first consideration. The matter is to be taken up at Central Council.

## MUNSTER FINAL TICKETS

A limited number of stand tickets for the provincial finals next month are available on application with cash to Tony Morrissey in the West and Seamus Grant in the East.

The hurling final between Clare and Tipperary will be played at Pairc Ui Caoimh on Sunday, July 6 and the football final between Kerry/Tipperary and Clare on July 20 at a venue to be named.

For the hurling game at Pairc Ui Caoimh an allocation of 400 terrace tickets have been received and these are available to applicants on the same terms as the stand tickets.

## Primary School Hurling/Camogie Prospects

ARDMORE SUMMER CAMP — Spot The Senior Inter County Hurler — A very youthful looking Joe Deane (Cork) pictured with a group of children from the Ardmore area when he visited last year's camp.

St. Joseph's N.S., Dungarvan, areas in the County. Anyone who has not handed the completed form back to their school or club should do so this week. If you haven't, bring the form to the camp on the first day. Monday, June 30th, Tuesday, July 1st, Wednesday, July 2nd - Dungarvan G.A.A. grounds. Wednesday, July 2nd, Thursday, July 3rd, Friday, July 4th - Abbeyside G.A.A. grounds.

Brendan Hourigan, 10 years, 4th Class — Brendan lives at Kilrush Park and he is very interested in sport. Tidy hurler and he is always well behaved at sessions. All the boys in this school get a great chance to learn the skills of hurling at regular class sessions. Brendan's favourite player is Paul Flynn.

Garranbane N.S., John Stephen Quinlan, 12 years, Rang 6 — John lives at The Pike, Killineen and he has made excellent progress under coaching scheme over past few years. A real whole hearted player who gives 100% in every game. One of the stars of his school team when they won the Roinn D Final recently where his determined play was one of the highlights. Plays under-14 for Kilrossanty and his favourite hurler is Waterford's Tony Browne.

## NEXT WEEK'S PROGRAMME

### SUMMER CAMPS BEGIN

With the school year now at a close, it's Summer Hurling Camp time again. This year's camps have been shortened to 3 days which was very successful last year which allows the coaches to reach more

not handed the completed form back to their school or club should do so this week. If you haven't, bring the form to the camp on the first day.

Monday, June 30th, Tuesday, July 1st, Wednesday, July 2nd - Dungarvan G.A.A. grounds.

Wednesday, July 2nd, Thursday, July 3rd, Friday, July 4th - Abbeyside G.A.A. grounds.

### FESTIVAL OF HURLING ENDS

What a feast of hurling we saw over the weekend with matches played in almost every ground in the County. Most of the Division 1 teams ran up against very strong opposition who would be county champions in their own county. Teams in the lower divisions fared better with Clonea reaching the Division 2 semi-final, Ballyduff Upper, St. Mary's (Kill) and Brickeys reaching the semi-finals. Division 4 Brickeys went a step further and narrowly lost the final. Kilrossanty reached the Division 5 final losing out to London.

### FÉILE SKILLS

Brian Murphy, Ballygunner put up a tremendous effort in the skills final, finishing third with 46 pts., a score which would have won in another year. Christy Coulter, Armagh was the winner with 52 pts. out of a possible 56.

## COUNTY U-21 HURLING

Quite a nice crowd turned up to see Waterford play Clare in an under-21 challenge at Fraher Field on Friday evening and went home fairly impressed with Waterford's winning display. It was part of their preparation for their meeting with Tipperary at Thurles in 3 weeks time. Tipperary, who have 11 of

their Senior hurling panel available for under-21, defeated Limerick decisively in the first round of the provincial championships on Wednesday of last week. They will provide tough opposition for us at their home venue. Here against Clare we won on a 1-15 to 1-12 scoreline. Clare led by 1-10 to 1-6 at half-time.

## Presentation of Football League Trophies

The three winning clubs in the Ryans L&N Super League will each receive a perpetual cup at a special function to be held at Lawlor's Hotel at 9 p.m. sharp on this Friday evening. The clubs will also be presented with their holiday vouchers by the sponsoring firm of L&N.

It is hoped that a representative of all clubs who participated will attend the function which is the first of its kind in the county.

A special meeting of Dungarvan Urban District Council was held last Friday where members passed a formal vote of sympathy to Cllr. Lar Hart and the extended Hart family on the recent sad death of his mother, Mrs. Margaret Hart, Kildangan. Last Monday's A.G.M. of the Urban Council was adjourned briefly as a mark of respect.

Cllr. Hart, who was present at Monday's meeting, thanked Council members on behalf of his family and all who attended the removal and burial.
