# Dairy Giant Merger To Proceed

## WATERFORD FOODS CONFINED TO HISTORY PAGES

By AISLING CONROY

The huge corporate merger of Avonmore Creameries and Waterford Foods received an emphatic thumbs up by shareholders of both groups at their separate meetings last Friday.

The combined businesses with a turnover of some £2.5 billion will now be known as the Avonmore/Waterford Group (AWG) and represents the biggest merger in the history of the Irish agricultural industry. The traditional dairy stronghold of Dungarvan will play second fiddle to the new Kilkenny headquar-

ters which raises many unanswered questions about the future role of the Main Street administrative offices and the huge co-op plant at Shandon, parts of which are reputed to be out-dated. Outright jubilation at the success of the merger has therefore been somewhat constrained among local businesses and co-op employees until the town's future is made clear with regard to cut-backs in jobs, sponsorship and economic contribution.

Meanwhile at a simultaneous meeting in Kilkenny, the Avonmore shareholders ratified the merger proposal by an overwhelming 98.9%.

### ANTI-CAMPAIGN CRUSHED

Fears that Friday's confirmatory meeting in Waterford might attract a lower turnout than the initial poll on July 11th were not realised as shareholders upped their yes votes by 3% on the first meeting.

The entire meeting was meticulously supervised by ICOS who had a 20 strong staff present. To ensure all-

## KNOW YOUR RIGHTS

### QUESTION

I am working at present but am reaching retirement age. I want to know if I will qualify for a Contributory Old Age Pension.

### ANSWER

People often want to enquire, in advance of reaching pension age, about their pension entitlements, whether their record to-date is adequate, etc. If a person writes in, the Department will provide this information.

Of course if a person has reached pension age or is within three months of pension age, he/she should simply apply for the pension.

To make an enquiry, write to Correspondence Section, Pension Service Office, College Road, Sligo, giving the following details:

- Name.
- Maiden name if married woman.
- Present address
- Date of birth
- Old (pre-1979) National Insurance number (if this is not known, give the address at the time the person first started work).
- RSI number.
- Periods of insurable employment since 1953.
- Periods of insurable employment in other EU countries.
- Periods of insurable employment in countries with which Ireland has Bilateral Social Security Agreements. Bilateral Agreements are in operation with the following countries: Australia, Canada, New Zealand, Quebec and United States.

NOTE — Periods of residence/insurance in Australia, Canada and Quebec can be combined with Irish insurance.

## Stop Smoking Achievement Award

Dungarvan smokers who give up the habit during 1997 can enter a newly launched annual achievement award. The Nicorette Stop Smoking Achievement Award, which will be presented to Ireland's most inspiring smoker to quit the habit during the year.

Singer/songwriter Frances Black announced the launch of The Nicorette Stop Smoking Achievement Award during the weekend when she spoke of her own personal fight to give up cigarettes. She had been a confirmed smoker of 20 cigarettes per day for fourteen years when she decided she had had enough. The Nicorette Stop Smoking Achievement Award has been designed to motivate smokers who want to give up cigarettes, to encourage them to feel good about quitting and to be reminded that conquering the habit is a major achievement towards better health.

As an ex-smoker, Frances

Black will be one of the judges of the Nicorette Stop Smoking Achievement Awards. The overall winner of the awards will receive a holiday for two to Mexico. Two runner-up prizes of weekends away for two in Ireland will also be awarded. Entry forms are available from pharmacies; by calling Nicorette on 1850-45-1995 (all calls charged at a local rate), or by writing to the Nicorette Stop Smoking Achievement Awards, Pharmacia and Upjohn Airways Industrial Estate, Dublin 17. Entries must be received on or before 1st December 1997.

To enter The Nicorette Stop Smoking Achievement Award, smokers must be over eighteen, resident of the Republic of Ireland; have stopped smoking during 1997; have been stopped for at least three months before entering and have smoked more than 10 cigarettes per day when they did smoke.

## Call For Lismore Advance Factory

Chairman of the Lismore Mochuda Development Group, Bernard Leddy, has called on all relevant authorities to award the advance factory promised to Co. Waterford by the Irish Business Against Litter, to Lismore town.

The Mochuda group congratulated the effort of Lismore Tidy Towns, Lismore Town Commissioners, Waterford County Council and the people of the Lismore area in significantly reducing the litter problem in the area.

In a press statement issued on behalf of the group

by Mr. Leddy, the group said: "We are confident that Co. Waterford will meet all the criteria for litter free status next year and will win the prize factory. We are calling on those relevant authorities to recognise the effort in the area by awarding the factory to Lismore town.

The development group went on to say that Lismore is the only town of its size in the county without any significant industry and the community would benefit from an environmentally attractive factory.

# KIDS STUFF — A Speed Boat That Really Powers Across The Water

This simply made speedboat with its racing crew will make waves in a pond or swimming pool, or even in the bath.

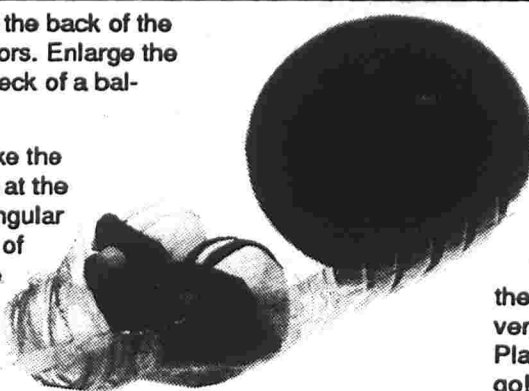

Powered by Balloon, the boat will streak across the water as if jet propelled.

**What you need:** Plastic bottle, Balloon, Scissors, Plasticine.

1. — Using scissors, cut a plastic bottle in half, lengthways.

2. — Pierce the back of the boat with scissors. Enlarge the hole to fit the neck of a balloon.

3. — To make the boat watertight at the front, cut a triangular shaped wedge of plastic from the part of the bottle you have discard-

ed. Crease it down the middle and attach it to the neck of the bottle with sticky tape to act as a prow.

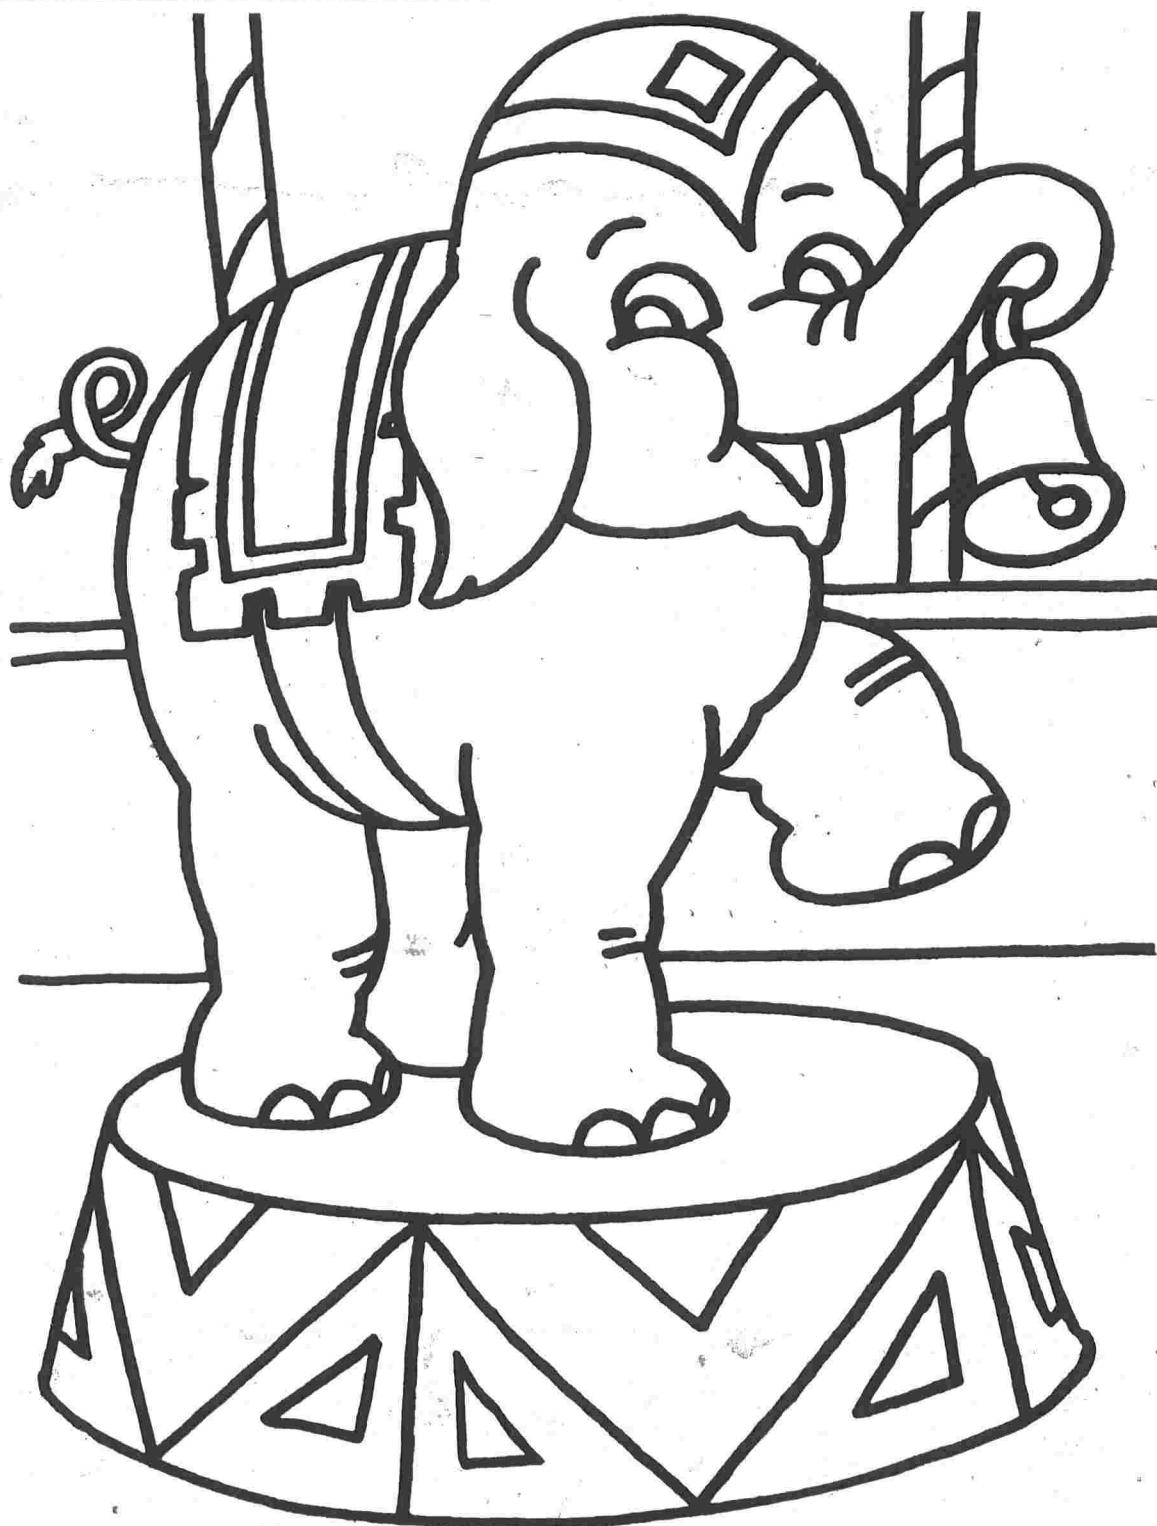

4. — Push the neck of the balloon through the hole you have made in the rear of the boat. You will need to weight the boat to stop it capsizing.

5. — Line the front of the boat with a lump of plasticine, and make plasticine passengers. Place them in the prow (front) of the boat too.

To test out your speed boat, blow up the balloon. Hold the neck of the balloon tightly between your fingers to prevent air from escaping. Place the boat gently on the water and then let the balloon go!

#### Why do we need passports?

We need passports to identify ourselves if we are travelling into another country. The adoption of the passport as an essential travel document is about 50 years old. When having a passport to travel was made compulsory, it was accompanied by the introduction of visas. If you don't have a visa you won't be let into states e.g America. The original meaning of the word passport was it meant permission to leave a port or sail into it. This was extended later to include a general permission of exit and entry.

# Success Again For Dungarvan Brass Band

Following on from their success in the National Band Championships, the Dungarvan Brass Band took the lion's share of the prizes at the 18th Annual South of Ireland Band Championships held in Clonakilty recently. The band put on a magnificent performance which included "Prelude for an Occasion," "Clowns," "Gymnopedie No. 1," and "O'Donnell Abú," to beat off stiff competition from all over the country.

In the main competition, the band won the Dan Lordan Trophy for the Best Intermediate Band. Announcing the result, one of the adjudicators, Evelyn

Grant (Cork School of Music), described the band's performance as "a magnificently performed, very rounded programme, with just a fantastic choice of music, huge range and it presented a challenge to the band as well as showing off all the musical elements of the band. A most enjoyable performance from Dungarvan Brass Band." Also adjudicating was Capt. Liam Daly, conductor of the Band of the Southern Command and the Barrack Street Concert, Waterford. This was a great achievement for the band, who won the junior section in the National Championships last April.

The victory was a tribute to the hard work put in by all the members of the band both young and old, and also the musical director, Mr. Liam Walsh, who was appointed to the position permanently at the recent AGM.

In addition to the main competition there were a number of special awards presented, of which the band won three. Eric Rochford received the Jack O'Mahoney Trophy for the Best Soloist for his performance of "Clowns," a piece for Eb Tenor Horn arranged by Liam Walsh. The band's bass section won the Patsy O'Driscoll Trophy for the Best Bass section. Liam Walsh picked up the prize for the Best Arrangement, with his Irish march "O'Donnell Abu," which was given one of its first public performances by the band at this year's St. Patrick's Day Parade in Dungarvan where the band won the award for the Best Marching Group.

According to the Band's Chairman, William Dee: "The band's success in Clonakilty goes to show the development of the band as a competent musical group, who can take on competition from all parts of the country. The band is something that the people of Dungarvan should be proud of, as not many towns can boast a group as successful as this." The success of the band is also testament to the generosity of the people of Dungarvan, without whose support this would not have been possible. Hopefully, with this continued help, will come continued success.

### 1916-21 CLUB

A Chara,

I am writing on behalf of the 1916-21 Club. The Club was founded in 1946 to bring together veterans of the War of Independence and the Civil War in a spirit of comradeship. We organise commemorations, lectures and tours for members of the club on a regular basis.

As 1997 is the 75th anniversary of the Civil War, we intend to mark the occasion with a unique day of commemoration. Unique in that we hope to bring together as many surviving veterans from the period 1916-23 at one gathering in Dublin. Apart from the veterans we have on record, I feel sure that there are a number of unrecorded survivors throughout the country who would like to take part in the commemoration. Before planning commences for the day, I would urge any veteran or indeed relatives of veterans to contact me at the address below.

This commemoration will probably be the last of its kind to gather people together who took part and witnessed the foundation of the state. Details for the day will be in regional and local press nearer the time.

Mise le meas,

PADRAIC Ó CUANA

## Council To Move On Western Water Supply

Waterford Fine Gael Deputy Austin Deasy has asked the Minister for the Environment the current position in relation to the pro-

vision of national and EU funds for the proposed West Waterford regional water supply.

In reply, Minister Noel Dempsey said his Department recently issued guidelines to County Councils, including Waterford County Council, for the preparation of Strategic Rural Water Plans which will deal with

the provision of an adequate water supply to rural areas. Proposals for the West Waterford Regional Water Supply Scheme now have to be addressed by the Council in the context of the preparation of their Strategic Rural Water Plan. £86,000 is being provided to Waterford Co. Council this year to assist in the work.

## KNOCKMAHON NS TO RETAIN SECOND TEACHER

Waterford Deputy Brendan Kenneally has been informed by Micheal Martin T.D., Minister for Education, that Knockmahon NS, Bonmahon, will retain its second teacher for the coming academic year.

Commenting on the news, Deputy Kenneally said he was delighted as during the general election campaign he called to the school and assured the teachers there that Fianna Fail would honour its commitment and allow the school to retain two teachers. "That promise has now been delivered on and hopefully this will allow Knockmahon NS to continue in existence and develop further in the future," said the Deputy.

## Report On 'Jenalisa' Sinking Due September

A report on the results of the inquiry into the tragic sinking of the fish-

ing vessel 'Jenalisa' off Dunmore East in February last year is expected to be

available by the end of September.

That's according to the Minister for the Marine, Dr. Michael Woods, who was responding to a query raised in the Dáil recently by Waterford Deputy, Austin Deasy.

Dr. Woods said the wreck of the 'Jenalisa' was raised to progress the investigation into its sinking. As well as carrying out a number of tests and experiments, the Dept.'s marine survey office recently completed a stability assessment of the vessel to establish how the accident happened.

Expressing his disappointment at the extent of the delay in publishing a report of the investigation, Dr. Woods said he appreciates that uncertainty about what happened their loved ones adds very much to the trauma of loss for the families of the three bereaved fishermen.

Further to a request made by Deputy Deasy, the Minister agreed to arrange for a senior official of his Department to speak with the families and inform them of the situation.

**Rock Garden  
A Blaze  
Of Colour**

If you have a sunny south-facing slope in your garden on which little will grow, why not turn it into a rock garden?

A rockery can make an attractive feature in any garden and in the summer what might otherwise have been unsightly waste ground can come alive with a blaze of colour.

Earlier this century it was fashionable to build a rock garden adjoining the house but this went out of style as it caused walls to become damp and encouraged insects into the building.

So for the past thirty years it has been fashionable to create a rockery in a corner of the garden.

It is essential your rock garden should have a southern exposure where it will catch plenty of sunlight.

**PLANNING YOUR ROCK GARDEN**

Where possible choose a naturally sloping site that will provide good drainage. A series of rocky outcrops with gullies running between is highly effective and a rock garden can even be designed around an elevated pond with steps leading up to the water. A footpath in your rock garden is always an interesting feature.

Careful placing of rocks at the construction stage will provide a wide range of planting areas and rocky niches to meet the needs of many different alpine plants.

**CREATING A ROCKERY**

After you have dug over the site, put a six inch layer of rubble all over the area to form a mound and improve drainage. Cover the mound with inverted turves to prevent soil being washed down into it. You can then cover the upturned turves with a nine inch layer of top soil.

You can design your rock garden at several different levels with each tier containing different features.

Use a spade to dig out hollows for each large piece of stone to make them more stable when placed in position. Ensure your large stones are well supported, wedging them with smaller stones underneath. It is important stones are firmly in place and don't move when you step on them.

Infill between the stones with good quality soil, making sure at least a third of each rock is buried beneath the soil. Add a layer of specially prepared compost to the soil, making sure areas between the rocks are well covered. The compost should consist of equal parts of loam, garden compost and sharp sand or grit.

The garden, once completed, should look as natural as possible. It should also provide a variety of levels and aspects to suit different types of plant.

**PLANTING**

Alpines and rock plants are almost always purchased as pot plants and may be planted at any time of the year. It is best not to plant them when the ground is wet or frozen or during very warm and dry periods.

Water the plants thoroughly before planting and allow them to drain. Slide each plant carefully out of its pot and loosen the root ball before planting. Make a hole in the soil with a trowel, making sure it is big enough to accommodate the roots. The plant should sit with its collar just above the surface of the soil. You may need to take extra care when planting in crevices and it is sometimes better to plant during the construction stage.

**ROUTINE CARE**

Even when your alpines and rock plants are established, it is essential to care for them. They must be kept free from weeds but will not need feeding for some years. Rock garden plants do not normally need more watering than is provided by average rainfall. In droughts, however, the area should be thoroughly soaked. Never water in frosty conditions or during the heat of the day. Early morning or late evening is always the best time to water.

**Rockery: recommended plants**

**To plant:** Daphne, Shamrock, Helianthemum, Dianthus, Hebe pinguifolia, Anthyllis montana, Narcissus tete-a-tete, Crocus, Iris, Aubretia, Origanum, Saxifraga, Campanula, Gypsophila, Trillium, Sempervivum.

**Rock plants which can be sown from seed:** Anemone, Codonopsis, Corydalis, Cyclamen, Dodecatheon, Hepatica, Meconopsis, Primula, Pulsatilla, Ranunculus.

## Health Board Refutes Claim Of High Cancer Rate In Dungarvan

A recent claim made by Dungarvan Urban Councillor, Lar Hart, that there has been a substantial increase in the number of cancer cases in the locality in recent years has been emphatically rejected by the South Eastern Health Board.

Cllr. Hart, who is also Chairman of Waterford County Council, had previously called for a full scale investigation into the matter by the health board after he was 'reliably informed' of the alleged situation.

"There is considerable concern among the community," Cllr. Hart told a recent meeting of the UDC.

The health board's rejection of the claim has been backed up by statistical data, and in a letter to the UDC, Dr. Paul Gannon of the S.E.H.B. has confirmed that there is no reported increase in cancer in the Dungarvan area in the most recent data analyzed by the National Cancer Registry in 1994.

"Cancer deaths now account for approximately one-fifth of deaths annually in Ireland and are made up of many different cancers with different causes," Dr.

Gannon stated in his letter to Dungarvan Town Clerk, Ray Moloney.

In documentation supplied by the health board to the UDC, it was disclosed that the number of cancer incidences in the Dungarvan area are within the "expected range", although for males it was somewhat less.

The health board report disclosed that in 1994 the

number of new cases of cancer in the Dungarvan area was 74 - nine less than the expected figure, based on national incidence figures. The report concluded that approximately 50 of these new cases will be treated and recover.

The findings of the health board have been welcomed by the UDC members. UDC chairman Cllr. Austin Flynn

said the findings will dispel the understandable concerns that existed following recent claims in the public domain.

Cllr. Hart said he believed it was right and proper to publicly raise the matter. The response to it by the health board, he said, had been swift and positive, and like everyone else he too welcomed the findings.

## Deasy Denied Extension To Salmon Season

The Minister for the Marine has refused a request made by Waterford Fine Gael Deputy, Austin Deasy to extend the salmon season to 15 August for net fishermen in view of the inclement weather conditions during the month of June.

Speaking in the Dáil, Deputy Deasy said the atrocious weather during June, which was the worst on record, had seriously curtailed drift netting for salmon.

Allowed to operate in June and July only, the wet, cold and windy June conditions meant that draft net salmon fishermen had their fishing confined to July only.

Minister for the Marine, Dr. Michael Woods, said that extensions have not been granted to the draft net salmon season since 1978.

Based on the poor state of salmon stocks generally and reports from the Marine Institute on fishing activity during the commercial salmon season to-date this

year, Minister Woods said he did not consider that there is a case for granting extensions to the current drift net season beyond 31 July.

"I accept that weather has not been suitable but according to scientific information, it is not the weather but the stocks which are causing the problem," said the Minister, "especially given the use of monofilament nets and new methods of fishing which were approved this year."

## MASS TO BE CELEBRATED AT PENAL DAY SITE

The Holy Sacrifice of the Mass will be celebrated at Cnoicin An Aifrin (Little Hill of the Mass) which is about some 4 miles from Newcastle on Saturday, August 9th at 3 p.m., the feast of St. Romanus (martyr).

St. Romanus was a soldier in Rome at the time of the martyrdom of St. Laurence, the patron saint of the parish of Fourmilewater. Seeing the joy and constancy with which that holy martyr suffered his torments, he was moved to embrace the faith and addressing himself to St. Laurence was instructed and baptised by him in prison. Confessing aloud what he had done, he was arraigned, condemned and beheaded

the day before the martyrdom of St. Laurence. Thus he arrived at his crown before his guide and master. The body of St. Romanus was first buried on the road to Tibur but his remains were translated to Lucca where they are kept under the high altar of a beautiful church which bears his name. The Mass site is mentioned in Canon Power's place names of the Decies.

Mass was celebrated at this location in Penal times. This site is on the farm of Willie Morrissey who is no longer with us. (He died in a house fire some time ago). It was he who pin pointed the site in August '76 that the Annual Commemoration of Penal

Days began in the area. Fr. Paddy Hallinan, retired from the Foreign Missions, said the Mass then in '76 and each year since. We invite you to this sacred spot on the slopes of the Knockmeal-down Mountains.

### CONFERRED WITH DEGREE

Congratulations are extended to Mrs. Bridget Kay (nee Dwyer), Garrencasey, Newcastle, daughter of Con and Madeleine who was conferred with B. Sc. 1st Class Hons in Mathematical Science at the Wembley Business Centre on Tuesday, July 15th.

Bridget, who has been a student at University of Middlesex received her early education at St. Louis Convent, Aylesbury and completed her primary education at Newcastle National School. Bridget attended secondary school at the Presentation Convent, Clonmel and at the Central Technical Institute Clonmel. Before going to England, she was employed with South Tipperary County Council, Clonmel.

### LATE MRS. KITTY O'MEARA

Profound and sincere feelings of regret were widely expressed at the sad news of the death of Mrs. Kitty O'Meara (nee Ryan), William O'Brien Street, Old Bridge, Clonmel which event took place at the Cottage Hospital Nursing Home, Irishtown, Clonmel on Tuesday morning, July 22nd after an illness of long duration borne with true Christian fortitude.

The deceased, in her late eighties, was a member of an old and respected family from the County Waterford side of the river. She was relict of the late John (neighbour) O'Meara who predeceased her by some 24 years. They conducted a thriving bar trade in the Old Bridge.

A deeply religious woman for many years, she was a regular at the 10 a.m. Mass at the Friary. Although a young girl at the time, she took an active part in the fight for Irish Freedom as a member of Cumann na mBan and many the man on the run dined at her home before he made the trip across the Comeragh Mountains.

She had a great love for music, country and western and her favourite singer was Johnny McEvoy. Her favourite pastime was the game of 45 while she was able, she made the trip to Ballymacarbry, at that game she was an expert player. She was a very estimable lady of many charming traits of character. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all fortunate enough to make her acquaintance.

She was possessed of an old world charm that was refreshing for all. It was as a neighbour that she was best known. If a person was sick or indisposed, she had a Mass offered for their intentions. The district is the poorer at her passing.

Many tributes have been paid to this grand old lady but perhaps the finest was paid to her on Thursday evening when, after the Rosary was recited by Rev. Fr. John, Friary, Clonmel, her remains were removed to SS Peter and Paul's Parish Church, Clonmel accompanied by a huge concourse of mourners.

On Friday morning, the feast of St. James (apostle), requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. John Treacy C.C. SS Peter and Pauls, Clonmel assisted by Rev. Fr. Michael Cullinane C.C., St. Marys Clonmel and Rev. Fr. John Friary, Clonmel.

After Mass, with her coffin draped in the Old Bridge colours of red and black, the funeral took place to St. Patrick's Cemetery, Clonmel where she was laid to rest with her son, Walter who died accidentally some 29 years ago in a tractor accident. Fr. Treacy C.C. officiated at the graveside in the presence of another large concourse of mourners who came to pay their final respects to a dear Christian friend.

To her sons and daughters and her many relatives, we extend our sympathy.

Go dtugadh Dia solas na bhflaitheas da hanam. (Undertakers: Condons, Clonmel).

A huge crowd of invited

guests packed the newly renovated showrooms at Kilrush where a vast array of Audi, Mazda, Mercedes-Benz and Volkswagen cars were on display.

The building was officially blessed by Fr. Nicholas O'Mahoney, Dungarvan's newly appointed parish priest, following which the Chairman of Dungarvan UDC, Cllr. Austin Flynn wished Tom Murphy his family and staff every success for the future.

Cllr. Flynn described Tom Murphy's move as a vote of confidence in the prosperity and future of Dungarvan and said it augurs well for the economic well being of the town and the jobs of the people working

in the company.

Likewise, Deputy Cullen said Tom Murphy is well known for his excellent standards in the motor trade.

Established in 1979 with a small staff of two, the company subsequently grew to become the first motor company to be awarded prestigious ISO 9002 quality status which, said Deputy Cullen, speaks volumes for the sort of quality and dedication that exists through Tom Murphy and his staff.

Tom Murphy said the opening was a proud moment for himself and his fellow directors and an important milestone in the development of the business.

The company's move to Dungarvan he said is, "an expression of our faith in the county and the town of Dungarvan and a demonstration of our confidence in Dungarvan as an important

trading centre".

The new showrooms were designed by Waterford based architect Oliver Dempsey and built by Dungarvan builder Dave O'Riordan.

"This development will be an asset to Dungarvan and the West Waterford area", declared Mr. Murphy, "...it allows staff to tend the needs of our customers in a manner befitting to the products".

## ANNUAL MASS AT RELIGIN DEGLAN

A large crowd of local people attended the annual Mass in Religin Deglan, Dromroe, Cappoquin on Thursday last. This was the 4th year that the Mass has been held there on the Saints feast day. The chief celebrant was Rev. Fr. Arthur assisted by Frs. Rogers, Sweeney and Monsignor Michael Olden.

Fr. Arthur welcomed the large crowd and asked them to remember Jack Geoghegan and Billy Walsh in their prayers, Jack was amongst the first to clean up the Religin and he passed away about this time last year, may he rest in peace. Billy Walsh is recovering from a minor operation, we hope that he will have the patience to allow himself a full recovery before he resumes his passion of tending his land.

Monsignor Michael Olden, delivered a memorable ac-

count of the life of Saint Declan and reminded us that it was here in Dromroe, Christianity found its greatest champion in the 4th century. The Religin is a direct link to the man who led the Decie nation to Christianity and who is remembered in all parts of the country to this day. The Religin has been overshadowed by the fame of Ardmore and it would be right that attention should be drawn to Dromroe so that this important site is preserved and remembered. Monsignor Olden recalled visiting the Religin with Nellie Cliffe many years ago and they had to hack their way through a jungle of briars and bushes to get into it. He praised the work which has been done there to restore it to the people as a place of worship. The Religin is the final resting place of an unknown number of

children, their graves marked by field stones, gone are the thorns which covered them, replaced by a green carpet of neatly kept grass and a profusion of native wild flowers. It is fitting that this site which saw the birth of Saint Declan and with him the birth of Christianity in the Decie should now hold the remains of Innocents of generations past.

The attendance at this annual Mass has been growing over the years, this year, visitors from as far away as New York made the trip to Dromroe. In conclusion Fr. Arthur thanked everyone who had made the occasion possible, Billy Walsh, John O'Brien, Pa Griffen, Pat Denn Ltd, Berry Walsh, the 16th Waterford Scouts, Walsh's Hotel, Gerald McGrath and family, John Joe Donnell and family, and all those who attended the Mass.

Team: P. Casey, A. McCarthy, M. Reddy, M. Buckley, S. Costin (0-2), J. Buckley, F. McLoughlin, M. Lacey, D. Cummins, T. Mansfield, M. Power (0-4), S. Fraher, P. Landers (0-2), P. Lacey (1-1), C. Prendergast. Sub: B. Tobin.

Ballyduff 7-A-Side — We entered a team in the Mike Quirke Memorial 7-A-Side in Ballyduff on Monday night. We had a comfortable win over Ballygiblin in the first game.

In the second match we had to pull out all the stops against Ballysaggart. At half-time we were behind and facing into a strong wind but the lads turned in a storming finish to win by 2 pts. The final of this tournament will be played on Monday next.

Under-12 Hurling — What a busy weekend for our under-12 hurlers. They played in the Western Final against Ballyduff on Friday night but our side were comprehensively defeated by a very good Ballyduff outfit. They battled hard right to the end but couldn't make any headway against an excellent defence.

Team: T. Looby, P. Barry, P. McGrath, G. Coughlan, D. Dransfield, S. Kett, P. Murray, K. O'Rourke, C. Wilkinson, T. Curran, J. Cunningham, S. Fives, D. Wilkinson, A. Dalton, C. Hefferman. Subs: E. Fives, G. Morrissey, J. McLoughlin.

The following day (Saturday) we travelled to Bushy Park for the Brickey Tournament. In our first game we never got into our stride and a very big Brickey side were comfortable winners.

The second match was against St. Olivers but unfortunately we conceded a few early goals and try as they might could not get back on level terms.

In the second half there was a vast improvement in our team. The effort was great but actually both sides failed to score in this half.

In the third game of the day we played Colligan and again we went behind by 1-1 to 0-0 but a terrific fightback, led by the inspirational Stephen Kett, Paul Murray, Daithi

Wilkinson and Shane Fives, brought just rewards and the game finished all square.

It was a great tournament and it did our lads the world of good. They were a tired bunch at the end but nevertheless enjoyed every bit of the blitz.

Our thanks to Brickeys for the invitation and their hospitality on the day. Our panel of players included Tim Looby, Eoin Fives, Peter McGrath, Gearoid Coughlan, Donal McGrath, Stephen Kett, Paul Murray, Cathal Wilkinson, Kevin O'Rourke, Thomas Curran, Alan Dalton, Shane Fives, Daithi Wilkinson, Paul Barry, John Cunningham, Glen Morrissey, Daniel Dransfield.

Unfortunately we lost Gearoid through injury in the first match but he is fully recovered now and we missed the services of Conor Hefferman who was ill.

### Minor Hurling Colligan 3-5 Cappoquin 3-3.

Despite fielding a depleted side, the lads left this game behind them as chances were there in abundance but were not converted and we suffered the consequences. A very nasty incident saw John Ahearne injured and he had to be hospitalised. Amazingly the offender never got his marching orders. Disgraceful!!

Even in the closing minutes, victory was there for the taking but the chances were scorned and also the woodwork came to Colligan's rescue.

Team: D. O'Rourke, N. McCarthy, S. Landers, P. Morrissey, S. Coughlan (1-1), S. Hanrahan, N. Maher (1-0), K. Foley, P. Landers (0-1), G. Foley, K. Mason (0-1), L. McLoughlin, J. Ahearne (1-0). Subs: S. Curran, S. Morrissey,

M. Fraher.

### Under-16 Hurling Cappoquin 1-9 Colligan 2-6.

This game ended in a draw but Cappoquin were denied a legitimate point in the closing stages which would have given victory. It took a magnificent 65 from Shane Coughlan to secure the draw but in truth too many of our players were off colour on the night and it was left to the gallant few to carry the burden. However all is not lost and we are still unbeaten in this grade for two years now.

Team: D. O'Rourke, K. Looby, S. Landers, P. Coffey, B. Scanlon, S. Coughlan (1-4), S. Morrissey, K. Foley (0-1), B. Coughlan, S. Hogan, J. Dalton (0-1), M. Scanlon (0-1), B. Scanlon (Affane), M. Fraher (0-1), L. McLoughlin (0-1).

Our next under-16 hurling fixture is against Stradbally in Stradbally next Monday night.

Speedy Recovery — Best wishes for a speedy recovery go to John Ahearne from everyone in the club. Also to Karl Mason who injured his arm in the same match.

Déise Draw — Promoters are reminded the next Déise Development Draw takes place on August 6th so collect subs and hand receipts in to our Co-Ordinator, James Morrissey in good time.

Club Lotto — There was no winner of this week's £400 jackpot. The letters drawn were Q, H, O. The 3 consolation prizes of £10 went to Lola Cahill, Mill Street; Brian Henneby, Shanbally; Mary Murray, Barrack Street. Next week's draw will be held in the Blackwater House at 9 p.m. sharp. All are welcome.

## AT THE SPORTSFIELD

### Intermediate Hurling Championship An Rinn 1-12 Ballysaggart 1-6

On Sunday evening in the Intermediate Hurling Championship, last year's divisional finalists, An Rinn met Ballysaggart in a game An Rinn were expected to win well.

An Rinn started brightly after 20 mins. to lead 0-6 to 0-1 with points from the excellent C. Mac Craith, D. Breathnach and Colm Breathnach. Ballysaggart picked up their game with a scrambled goal from Mickey Kearney and 2 pts. from Adrian Maher. They were now level. C. Mac Craith gave An Rinn the lead again and at half-time, they led 0-7 to 1-3.

The second half began with rather poor shooting but Ballysaggart were starting to come on top with Tom Veale, centre-back, outstanding. For almost 10 mins. there was no score with both teams playing tough uncompromising championship fare between two great rivals. At this stage An Rinn backroom team (with Lismore's Sean Prendergast as coach) made a number of shrewd switches, Seamie Mac Craith to centre-forward and Eamonn Crotty to corner-forward. Also sub P. O'Reilly was starting to win good ball at full-forward. S. Mac Craith curtailed the dominance of T. Veale and E. Crotty went to town at corner-forward. Crotty scored 1-2 in 5 mins. al-

though Adrian Maher pointed two frees for Ballysaggart. An Rinn had a 4 pts. cushion lead with 10 mins. left. An Rinn soaked up all Ballysaggart's pressure although they survived some hair-raising goalmouth scrambles. D. Breathnach, S. Mac Craith and E. Curran, now at full-forward all tacked over points during this spell. T. Veale pointed for Ballysaggart but unfortunately it was too little too late and An Rinn ran out winners on a score of 1-12 to 1-6.

For An Rinn C. Mac Craith ran the show from midfield. Others who played well were S. Mac Craith, Lorcán O Muirí, D. Breathnach, E. Crotty, T. Maher. For Ballysaggart P. Ryan, T. Veale, A. Maher, P. Carey, K. Kearney all played well.

An Rinn: Noel O Murchú, Eoin Mac Craith, Liam Curran, Eanna White, T. Maher, Lorcán O Muirí, Joe Harty, Catharach Mac Craith (0-4), E. Curran (0-1), R. Finnegan, E. Crotty (1-2), D. Breathnach (0-3), C. Breathnach (0-1), D. O'Connor, S. Mac Craith (0-1). Sub: P. O'Reilly for D. O'Connor.

Ballysaggart: P. Ryan, J. Cashel, K. Hale, K. Kearney, D. Nugent, T. Veale (0-1), P. Carey, T. Landers, E. Ormonde, P. Fitzgerald, E. O'Brien, M. Maher, F. Maher, A. Maher (0-5), M. Kearney (1-0). Subs: S. Kearney for P. Fitzgerald, S. Clancy for J. Cashel.

Referee: P. Walsh (Four-

milewater).

Verdict: A most enjoyable game, with some luck in front of goal, Ballysaggart could have been much closer. An Rinn, now in the semi-final, must fancy their chances in this grade. They must be pleased with the way their younger players stuck to the task. Overall they were well disciplined, frustrating Ballysaggart with great tackling and for 15 mins. of the second half, they were brilliant in attack. While they had some wayward shooting, they will certainly improve from this game and if they don't win this championship, whoever will beat them will.

# Kyne Urges Swift Progression To Next Stage Of Hospital Project

The first stage of an overall £6m hospital development programme for Dungarvan and West Waterford is now at a visibly advanced stage.

O' Brien Construction Ltd., Waterford are the main contractors for the project which includes the provision of a new 27 bed unit, including treatment room, office, accommodation, nurses station and outpatient facilities, at St. Joseph's Hospital, Dungarvan.

The new unit will eventually be linked to the main hospital building by a glazed corridor link. When finally completed, stage by stage, the new building will

house an impressive 108 bed nursing and rehabilitation unit to replace the existing St. Joseph's geriatric facility. Four 6 bed wards and three single bedrooms make up the present 27 bed facility.

Speaking to the 'Dungarvan Leader', Waterford County Councillor, Billy Kyne revealed that significant progress has been made in securing the second phase of the hospital project.

A member of the South Eastern Health Board, Cllr. Kyne said the original project team have now been granted permission to prepare plans for the second to prepare plans for the second stage in-

volving 22 new beds. The plans will subsequently be submitted to the Department of Health and it is expected that approval will be granted in 1998 for capital programme expenditure.

Similar to the first stage of the development, the second stage is again at an estimated cost of over £1m. In an interview with the 'Leader' Cllr. Kyne commented on the obvious advantages of retaining the original project and building teams which would save time and money if an immediate move can be made on to the second hospital phase.

"I have been encouraged

by progress made to-date," said Cllr. Kyne, "but everyone in Waterford who can move this second phase along must give their full backing if we are to be successful."

Referring to the 'Celtic Tiger' scenario of the late 1990's, Cllr. Kyne said he has lobbied the new Dept. administration as he believes that a new Dungarvan hospital is fully justified and badly needed in our buoyant economy.

"The local commitment of the health board to staff and patients," he added, "needs and deserves a national delivery of the second phase 22 bed extension".

# DAIRY GIANT MERGER TO PROCEED

Continued from Page 1

gations of personation - levelled after the first meeting by some of the anti-merger side - could not be repeated, Jerome Kennedy of KMPG chartered accountants officially scrutinised the count.

The enhanced 'yes' vote devastated Waterford merger opponents who had hoped that a small turnout would allow them to secure the 26% minority required to scuttle the deal.

Prior to Friday's 12.00 noon meeting, the anti-mergerites again mounted a last ditch campaign, handing out leaflets to farmers entering the meeting and using a PA system to broadcast their concerns.

As hundreds of farmers applauded the final outcome of the vote announced by Co-Op Chairman, John Dowley, the 'no' voters were gracious in their defeat.

John Cashman, a prominent spokesman and chairman of the Waterford Farmers Action Group (WFAG) congratulated the company's management on getting the result they had set out to get. However he said the vote did not change one iota the reservations held by himself and others about the merger agreement. They would now be endeavouring to ensure that the objectives as set out by the pro-merger people would be honoured in every way.

Another dissent voice, Michael Queally, member of Waterford County Council, said that while he accepted the result, he hoped it would work better than he and his supporters anticipate it will.

Paddy Phelan, P.R.O. of the United Farmers Association claimed that the Dungarvan based dairy giant, Waterford Foods has now been 'submerged'.

"It is a decision their farmer/shareholders will re-

gret," said Mr. Phelan. The United Farmers Association was the only farmer organisation to campaign against the proposed Avonmore/Waterford merger.

## MERGER SUBJECT TO APPROVAL

The huge merger process of the two companies is expected to be completed by September 1st although this could be delayed by a month if the matter is referred to the Competition Authority by the Department of Enterprise and Employment who will be considering the merger under the Irish Merger Act.

The authority could recommend that the Minister accept or reject the merger subject to certain conditions and may examine the combined group's position in the Dublin market where AWG's share has been estimated at up to 70%.

The Chief Executive of the new entity Pat O'Neill however said he was confident that the group would win merger approval while Waterford Foods boss Matt Walsh said the process is not expected to give rise to any difficulties.

## DOWLEY STANDS DOWN

Last Friday's meeting was a particularly momentous occasion for Waterford Foods Chairman, John Dowley who presided over his last function before standing down yesterday.

Mr. Dowley said it was a great day for Waterford Foods and for himself personally, after more than 40 years of direct involvement with the co-op movement including a 20 year stint on the board.

In announcing the result of the ballot, Mr. Dowley, urged all farmers, regardless of their position on the merger, to unite and contribute to the success of the new entity.

## CUT BACKS EXPECTED

As the fourth largest dairy group in the world, AWG is expected to cut costs by £20 million in the current year.

These savings will be achieved by rationalising the milk collection system, better use of plant facilities and a lower number of employees. Some market sources estimate that up to 500 jobs could be axed throughout the merged entity's businesses in Ireland, U.K. and U.S. operations.

Both companies however have confirmed that they will operate a policy of no compulsory redundancies and will bring about change through the use of the normal negotiating machinery.

Further talks between the management and unions are expected to take place shortly.

Commenting on the weeks and months ahead, Avonmore boss Mr. O'Neill, who will head up the new entity until his retirement in 2 to 3 years time, said work will begin immediately to knit the businesses together and create a unitary state at management farmer and employee level. This process could take 12-18 months.

He added that the companies will now be assessing their markets and their presence in them and will start to target acquisitions in the U.S. and Britain within about 18 months.

It is predicted that the new company will be listed on the stock market in September and shares are initially expected to do well.

At present the food companies shares reflect market approval of the merger with Avonmore up 10p in the last week to 310p and Waterford gaining 12p to close at 177p.

## CHAMBER VOICES CONCERN

Reflecting the concern of the local community, the

Dungarvan Chamber of Commerce has offered a cautious welcome to the merger.

Like many businesses in the town, the Chamber has serious concerns relating to the future of the existing operations at the Dungarvan plant and its back-up management resources.

"It is imperative that the board of this new company (AWG) recognise and acknowledge the substantial contribution that the town of Dungarvan has made to the success of Waterford Co-Op and subsequently to Waterford Foods plc.," stated the Chamber.

To this effect, the Chamber has sent a request to AWG boss, Pat O'Neill seeking an urgent meeting with him to discuss the future of the Dungarvan facility.

The Chamber said it wished to emphasise to the new board that the merger should be seen as an opportunity for expansion of its Dungarvan operations.

"We wish to see no reduction in the existing processing capacity, rather we would envisage a potential increase rather than a diminution in existing staff levels," the Chamber declared.

Voicing the concerns of the majority of Dungarvan residents, the Chamber claimed that any potential reduction in staffing levels would have a far reaching knock-on effect in many areas of commercial life in Dungarvan such as the service industry, consumer purchasing power, property prices etc.

In conclusion, the Chamber said it would wish to be given the opportunity to work closely with the new company in determining the future for Dungarvan.

# Lismore Notes

## LISMORE COMMUNITY FESTIVAL

The annual Lismore Festival commences this Saturday, August 2nd and will continue until Sunday, August 10th. All the proceeds from this year's festival will go towards the building cost of amalgamating Lismore C.B.S. and Presentation Pri-

mary schools.

The festival has something to suit all tastes with Fancy Dress, art competitions, Fete in Castle Gardens, Kiddies Discos, Céilí, Microwave Cookery Demonstration, Uni-Sex Soccer, soccer match Waterford Utd. v

Kilkenny City, ladies football Waterford v Wexford, barbecue and Family Day in G.A.A. grounds, 45 Drive plus many other events.

It is a wonderful programme and great credit is due to the hardworking committee. All is needed now is the weather to smile on Lismore for the week.

The festival is affiliated to A.O.I.F.E. - Association of Irish Festival Events and the proceeds are towards a very worthy cause this year, that is the amalgamation of both primary schools. So hopefully the crowds will turn out to support the building cost and at the same time enjoy themselves with the events that are planned for the week.

### LISMORE SOCCER CLUB NOTES

The club would like to extend sincere sympathy to Shamie Casey of Waterford on the death of his wife, Mary which sad event occurred last week.

Shamie, who is currently on the committee of the Waterford Junior League, gave many years sterling service to Waterford League of Ireland and played here in Lismore in the first of the Waterford/Cork Hibernian challenge games played at the cricket field in the late 1960's during the festivals.

At the funeral we met the current manager of Kilkenny City, Alfie Hale who is bringing his team here to Lismore on Wednesday, August 6th to play Waterford Utd. during the Lismore Community Festival which starts this coming Saturday, August 2nd. Alfie told us he is looking forward to coming to Lismore again as he has many happy memories of playing here with the Blues when they ruled League of Ireland football.

We remember him being interviewed on national radio when he said the surface on the cricket pitch was in the top six if it was used for League of Ireland football. This was a compliment and praise coming from an ex-International.

Finally tickets are on sale for the Red House League confined draw and may be purchased from Dave Landers, Joe Tobin or any of the committee.

## LISMORE CRICKET CLUB NOTES

### Shannon Estuary Ports Minor Cup Semi-Final University of Limerick 161 All Out Lismore 187 For 3

All the Lismore team can take pride in the way they defeated the University XI, from Allen Sheane who found himself relegated to 12th man after the Lismore skipper had tested the artificial wicket (Allen took the decision like the sportsman he is) to Paddy Byrne who had been dropped for this match but still made the effort to come and support the side. Ray Bryan had a lean time with bat but made up for it with his fielding. Ray unlucky not to have run out one of the U.L. batsmen, hitting the base of the stumps but failed to dislodge the bails.

Batting first, Lismore got off to a sluggish start having to adjust to the artificial wicket. Ray Bryan was bowled for 6 with the score at 29. David Ind then joined John Ind and soon the two of them settled down for a stand of over 100 runs. John was run out for 74 and his decision to promote Sam Fuller to number 3 batsman soon paid off. Settling down to help David, Sam soon began to punish any loose ball and made a very quick 16 runs before being bowled. Bruce Coker joined David for the last remaining 4 overs to finish 8 not out with David 71 not out.

U.L. started their innings with a gusto openers Moore and Nestor really going for it. Lismore kept their nerve and the bowlers stuck to their task. U.L. lost Nestor, then their no. 3 Kennedy and Moore. By the time they had reached 150 they had run out of batsmen and wickets were falling cheaply and were bowled out for 161. Lismore Glen Hughes 1-29, David Ind who bowled his last three overs with a broken finger 2-34, John Ind finished at 2-54 and Brian Power 3-41 including a brilliant caught and bowled. Two run outs ended the U.L. innings. Lismore now wait for the result of the Clonmel-Waterford Jordan's match to see who they meet in the final.

Next week's Minor League game (also against U.L.) has been rearranged for a later date so Lismore are hoping to play either a Towns League game or another Minor League Club.

## LISMORE LITTER FREE

We have lauded Lismore many times by the effort from everyone in keeping the town litter free. Speaking to Bernard Leddy over the weekend, Chairman of Lismore Mochuda Development Group, he told us that he would like to congratulate the efforts of Lismore Tidy Towns, Lismore Town Commissioners, Waterford County Council and the people of Lismore for their success in significantly reducing the litter problem in the area.

Mr. Leddy went on to say that Co. Waterford will meet all the criteria for litter free status next year and will win the main prize and he hopes all the relevant authorities will recognise the effort by Lismore by awarding the town a factory.

Lismore is the only town of this size in Co. Waterford without any significant industry and Bernard went on to say that the community would benefit from the environmentally attractive factory that is in the pipe line. This is a £1m advance factory with an industry guaranteed.

Would it not give us great pleasure to be able to write of a factory for Lismore after years of writing in these columns of broken promises by politicians of what they would do if elected.

Hopefully the Lismore Mochuda Group will keep the pressure on to achieve this factory.

# DUFFY'S CIRCUS

## - Have You Been Lately?

Tom Duffy's Circus is receiving rave reviews this year for its spectacular 1997 programme. Featuring the very best in circus entertainment, David Duffy, grandson of James Duffy and Lena Kayes, daughter of Buff Bill, is proud to present an action-packed performance that is leaving audiences spell-bound.

The excitement begins with the spine-tingling entrance of five magnificent Bengal and Siberian Tigers trained and presented by Tommy and Marilyn Chipperfield. Their act features the family of five tigers born and raised on Duffy's Circus led by Czar, the largest tiger in Europe. Czar stands an amazing 9 feet 6 inches on his hind legs and weighs a massive 750lb. High in the roof of the Big Top, the three lovely Cruella Sisters, inspired by the hit motion picture 101 Dalmatians, perform a dazzling display of aerial artistry. The Cherokee Indian Troupe whoop it up in the ring with tumbling, twisting and rope-spinning. Trained goats and dogs, Welsh Cobs and Liberty Stallions are

among the many animals who share the spotlight with performances from eight countries.

No circus would be complete without clowns, for laughter is part of the circus magic. Picorette returns from Mexico for a fourth year with Duffy's Circus and he brings the house down with an array of hilarious antics. Beakers from America is Duffy's female clown. The performance closes with Web Man on the single trapeze in a heart-stopping finale.

As the seventh generation of his family to entertain Irish families, David Duffy is keenly aware of the competitive nature of the circus industry in Ireland today. He believes very strongly in presenting top-quality entertainment at an affordable price so that families can come to Duffy's Circus together and share in an unforgettable two hours, just as families have been doing for so many years. They invite everyone to come and share in the magic of the Big Top.

# Ballyduff Salmon Festival

Everything is now ready for the inaugural Salmon Festival which takes place this week-end. The Festival is being held to raise funds for the extension to St. Michael's Hall which is now nearing completion. At present the salmon fishing is

going well and a good number of salmon - including a sixteen pounder caught last Sunday - are being landed on a daily basis.

The core event of the festival is the competition to catch the heaviest salmon over three days. Valuable

prizes (Worth over £2,000) will be awarded to the owners of the four heaviest fish.

Registration and allotment of beats will take place in the Blackwater Lodge each morning from 8.30 am. Each fisherman is assured of a variety of beats over the three days. Weigh-in will take place each evening at the Lodge at 5.00 pm and prizes will be awarded for the heaviest salmon caught each day. The final prize giving will take place on Sunday evening after the weigh in at 5.00 pm.

A casting Competition will take place on Saturday and Sunday at 5.00 pm at the Blackwater Lodge. This competition will be for both single and double handed rods. Tackle will be provided by the organisers. During the competition a Casting Demonstration will be given by John Woodside and Connie Corcoran. Featured casts will include 'Overhead', 'Single & Double Speys', 'The Modified Snake Roll', 'The Duck and Roll' and 'The Catch and Roll'. A full range of Bruce & Walker

Rods will be on display during the competition. The fee for the Casting Competition (Distance only) is £2.50 and lovely prizes are on offer.

The Open Trout Angling Competition takes place on Saturday evening at 6.30 pm. This should also attract a big number of fishermen and valuable prizes on offer.

Big crowds are expected in Ballyduff over the week-end and 6l, ceol and craic will be on offer. A barbecue will take place on Friday night and Heineken are doing promotions over the three nights.

If you are a fishing enthusiast now is your time to take a well earned break in the tranquil surroundings of Ballyduff. For £120 you can enjoy fishing the famous Blackwater for three days (£40 for 1 day) and be in with a chance of winning a valuable prize. Although we can't guarantee that you will win the competition we can assure you of a warm welcome and a good time.

Non fishermen are also welcome to Ballyduff over the week-end to enjoy the atmosphere and eavesdrop on the traditional conversations of the 'one that got away'.

# RECENT DEATHS

## Mr. Jimmy Ormonde

After a duration of illness that was borne with true Christian fortitude and dignity, Jimmy Ormonde, Gortnadiha, Ring went to his eternal reward on Thursday, July 17th.

In his mid seventies, Jimmy was a native of Gortnadiha. A hardworking individual, Jimmy was employed in the Buildings in England for a number of years.

Most of us who knew Jimmy will always associate him with the Harty household in Gortnadiha. Jimmy was employed by the late Joe Harty for many years and in the recent past by Jim and Mary. He was an employee par excellence, his work and his attention to his duties were exemplary. On his retirement he took up residence in Dungarvan where he was well known and enjoyed great popularity.

On Friday evening following Rosary and prayers recited by Very Rev. Fr. N. O'Mahony P.P., the removal took place to the nearby St. Mary's Parish Church. Rev. Fr. Michael Kennedy C.C. was Mass Celebrant at the requiem Mass for Jimmy. Ita and Joe Harty shared the lessons with the concourse of mourners who had come to bade farewell to a man of deep Christian faith and principles.

Very Rev. Fr. C. Daly P.E. imparted the final blessing at the graveside after which

Jimmy Ormonde was laid to rest in Ring Cemetery.

In iothlaine Dé go dugar sin.

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan).

## Mr. John McCarthy

With heartfelt sympathy we record the unexpected passing of John McCarthy, Kilminion South which occurred on Sunday, July 20th.

Predeceased by his father Jack in 1979, John enjoyed immense popularity in the locality. His father Jack was employed at Quigley Magnesite in Ballinacourty and also assisted with land reclamation schemes with the firm of Cotter from Abbeyfeale of which Jack was a native.

John himself was employed for a time in Michael Moloney Hardware Stores and was educated at the local Technical and Augustinian Colleges. He loved his art, was an avid reader and his tapes and C.D.'s of his music were so special to him with U2 his favourites. How appropriate then that hits from Bono and company should fill the air as John was laid to rest.

We tender our condolences to his mother Nora, brother Pat, sister Mary, nephew Eoin, other relatives on their loss.

Removal took place on Tuesday evening from Waterford Regional Hospital Mortuary following a short service recited by Rev. Fr. Baptist to Ballinroad Church. Rev. Fr. M. Keogh C.C. conducted the funeral rite in the presence of a large concourse of mourners who had come to give sympathy and consolation.

John's sister Mary read the lessons at the requiem Mass on Wednesday morning while Rev. Fr. M. Keogh C.C. who was Mass Celebrant imparted final

blessing at the graveside assisted by Very Rev. Fr. Doherty P.P.

Loved with a love beyond all telling,

Missed with a grief beyond all tears.

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan).

## Ellen (Nell) Ahearne

With sadness and feelings of profound sorrow, we write on the passing of Nell Ahearne, Grange at Drumhill's Private Nursing Home.

A great favourite with everybody Nell, who was a native of Grange, was aged 67 years. She loved her game of cards in Fleming's and in Ardmore. We offer our deepest sympathy to her brother Tom, sister Kit and a wide circle of other relatives and friends.

Removal took place on Saturday evening from the Kiely Funeral Home to Grange Church. Requiem Mass was celebrated on Sunday morning by Very Rev. Fr. Canon O'Connor P.P. Afterwards Nell was laid to rest in the adjoining cemetery.

(Full obituary next issue). (Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan).

## Mr. Martin O'Grady

We record with regret the death of Mr. Martin O'Grady which occurred in St. Joseph's Hospice, Hackney, East London on Monday, June 30th.

Aged 66 and a native of Bruff, Co. Limerick, Martin was beloved husband of Bridget Moore, formerly Mitchel Street, Dungarvan. They had been domiciled in London for quite some time.

One of nature's gentlemen, Martin's passing has been the cause of much sorrow to Bridget and his brothers, sister, sisters-in-law and other relatives to whom we extend our deep and sincere sympathy.

Following requiem Mass in Knockmainey Church on Friday, July 4th. Burial took place in Bruff Cemetery.

## Mr. Tomás Walsh

With sadness we record the passing of Mr. Tomás Walsh, Ballinagoul Beg, Ring which sad event occurred on Friday, July 25th.

Removal was from Drohan's Funeral Home on Saturday evening to Ring

Church. Following funeral Mass on Sunday morning, burial took place in the adjoining cemetery.

To his wife Hannah, sons, daughter and relatives, we extend our deepest sympathy.

(Full obituary next issue). (Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan).

## Mr. Michael O'Donnell

With sadness we record the passing of Michael O'Donnell, Allen Street, Cappoquin which sad event occurred on Friday, July 25th.

Removal took place from Dungarvan Hospital Mortuary on Saturday evening to St. Mary's Church, Cappoquin. Following Funeral Mass on Sunday, burial took place in St. Declan's Cemetery, Cappoquin.

To his wife Pauline, daughter Martina, son James and relatives, we extend our deepest sympathy.

(Full obituary next issue). (Funeral arrangements were by Aidan Walsh & Son, Funeral Directors, Cappoquin).

## Votes Of Sympathy At V.E.C. Meeting

There was a brief adjournment of last week's meeting of the Co. Waterford Vocational Education as a mark of respect to the late Mrs. Margaret Hart, Kiladangan, Dungarvan who died recently.

The late Mrs. Hart was mother of Cllr. Lar Hart, a respected member of the V.E.C. for a number of years.

The Chairman, Cllr. Billy Kyne formally proposed the vote of sympathy to his colleague and said it would only be fitting that the meeting should stand briefly adjourned as a mark of respect.

Sympathy was also extended to another committee member, Jimmy Byrne of Abbeyside on the death of his brother-in-law Paddy Tobin, Connolly Row, Dungarvan.

Both committee members thanked their colleagues for the sympathy and the gesture of briefly adjourning the meeting.

**R.A.I. Fundraising** — The Racquetball Association of Ireland are sending 16 juvenile players to Florida in October to compete in the U.S. Southern State Championships. In order to subsidise this trip for the players, the R.A.I. are currently holding a draw to raise the money. The club will be selling their allocation of tickets so we are asking all the parents to support this cause as it is a stepping stone to the future of Irish racquetball.

**Touraneena 5K** — The club would like to thank everybody who bought lines in our recent fundraising event. The sponsored run which coincided with the Touraneena 5K was a huge success. It was also nice to see so many of the juvenile players competing in the 3 mile race. The Racquetball Club have agreed to hold this event next year.

## SLIABH gCUA/ST. MARYS G.A.A. NOTES

# Juniors Crash Out

On Friday evening our Junior team crashed out of the Junior Championship when Nire's second string side had an easy win against Sliabh gCua at Kirwan Park.

For most of the first half we kept in touch with the visitors but once they hit an unstoppable shot to the roof of the net for a second goal they started to pull away to lead at the break 2-5 to 0-2 with both of our scores coming from the boot of Royco Ware.

In the second half Nire continued to kick their points from all parts of the forward line. Michael Mulcahy pointed and Seanie Kearns goaled to give our scoreline some credibility. Not for the first time this year the club had to field without some of our more experienced players.

**Team:** Quentin Hickey, Ger Butler, Seanie Kearns (1-0), Mike Hearne, Anthony Gleeson, Tom Condon, David Meaney, Peter Fitzgerald, Brendan Moynihan, Michael Mulcahy (0-1), Dermot Lonergan, Dermot Halley, Pat Hearne, Eamonn Butler, Royco Ware (0-2). **Subs:** James Connors, Mike Murray, Aidan McGrath. The final score was Sliabh gCua 1-3 Nire A 2-15.

**Gleann na nDéise** — Gleann na nDéise went out of the County Football Championship after extra-time in the first round replay against Dungarvan on Friday evening last in Fraher Field. The final score was 1-12 to 1-10. Hopefully playing in the Junior Championship will stand to our players who were involved when we play Ardmore on Saturday, August 9th in Fraher Field at 7.30 p.m.

**Minors Out Of Championship** — Naomh Bríd's Minor hurling team went out of the Championship on Wednesday evening last in Cappoquin when Dungarvan had a 7-7 to 0-2 victory.

Again for one reason or another, Naomh Bríd had problems in fielding a team. As seems to be the way in most games this year only 14 players were in attendance on the night. So as that a walkover would not have to be given, Fintian Grace, who is just 12 years old, stood in for the second half. This is not the first time Fintian has had to do this.

**Tony Forristal/Tony Walsh Tournament** — During the week three Touraneena lads were selected to play in the Tony Forristal/Sonny Walsh tournaments in Waterford during August. We wish Colm Geary, John Ahearne

and Denis Coffey the best of luck in the tournament. These will not be the first Touraneena people to play in this tournament.

Nine years ago Waterford won the Division 2 final beating Laois 9-13 to 0-2 and had John P. Fitzpatrick at corner forward and Raymond Ryan in the subs for the final. Four years later both Raymond and J. P. were part of the County Minor team beaten in the All-Ireland final by Galway in Croke Park. With a bit of luck maybe the three lads this year will do the same in the next few years.

**Presentation** — At a function in the Village recently, Alice Burke presented the club with £215, the club's share of her Coffee Day in June.

Earlier in the year Alice informed the club that we would be one of the beneficiaries from her Coffee Day and raffle at a time when in-

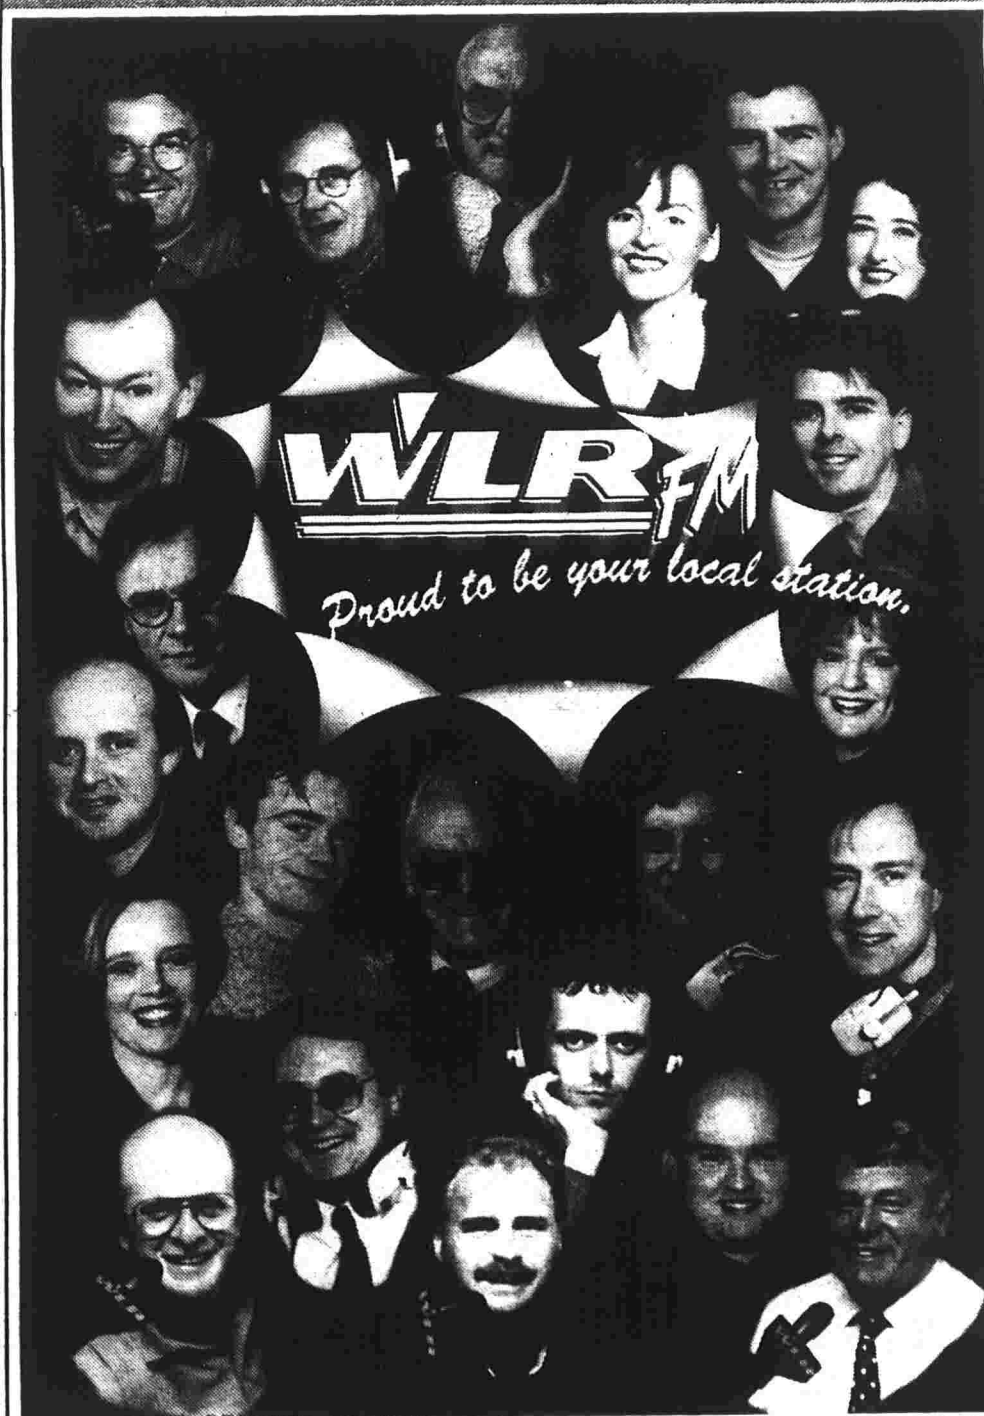

come into the club was at a low ebb as the Déise Draw was taking a two month break. This was a kind and unexpected gesture by Alice which the committee were delighted with. We thank Alice and her helpers for their time and energy in organising the event and those who supported it.

**Ladies Football** — Congratulations to the County under-16 football team of which Gillian Queally is a member on their big win in the Munster Final against Cork in Fraher Field on Thursday evening last.

On Sunday Olivia Condon was part of the senior team which contested the National Football League final replay against Monaghan in Ballinasloe. Next weekend Olivia will be bidding for her 6th Munster Final senior medal when Waterford are away to Clare.

**Déise Draw** — Money for the next Déise Draw in Waterford City on Friday night week should be in this weekend. The first draw for those who matched three symbols in the scratch cards was held on Saturday last. The first few tickets for the major prizes are drawn live on W.L.R. The club unfortunately had no major winners. New members are always welcome. Forms can be got from any committee member. Membership is £5 per month.

**Lotto** — Sliabh gCua Community Centre & G.A.A. Lotto draw. Week-ending July 27th. The numbers drawn were 16, 19, 22. New jackpot £800. The five winners of £10 each were Aidan and Lily McGrath, Touraneena; Danny Thompson, Touraneena; Tom Foley, Kilcooney; Dermot Tobin, Boolavoumteen; Martin Wall, Pinewood.

# REMEMBERING OTHER DAYS

With Dungarvan Show scheduled for this Thursday, July 31, we go back in time to 1957 for this week's "Remembering Other Days" feature. The picture shows the parade of the Dungarvan Harriers Hunt hounds at the show at the Sportsfield, Dungarvan that year. Pictured also are Joint Masters T. Kiely and L. Morrissey with Whip T. Power. There will be a parade of the hounds again this year after a lapse of over 20 years.

## ARDMORE SCOUT NOTES

### CUB CAMP

Thursday — We set off from the hall to go to camp site. On arrival we settled the boys at the far end of

the I-shaped dormitory whilst the girls had the top end of dorm. Then everybody had their packed lunch before setting off to The

Heritage Centre where everybody had great fun viewing the exhibits, listening to the life of the Pike family, visiting the farmyard, enjoying the treasure trail and finally enjoying the gardens with play area and football match.

Then home for dinner and a trip to the cinema to see Batman & Robin.

Friday — Visited Powder Mills for their 4th July celebrations which included face painting, juggler, a very tall man on stilts, balloon magic and painting posters.

After a picnic tea there was fun and games with Ballincollig cubs in the regional park.

Saturday — Visit to Murphy Army Barracks where they all had instructions on how to use the weaponry of the army and a tour of the camp. Then onto the Assault Course where the girl cubs excelled.

After lunch there was a conducted tour of the Gun Powder Mills with a quiz for all on the information and exhibits they had seen.

Sunday — Mass at Ballincollig church was the first item of the day. On returning to the cottage Marie had come to spend the day with us. After lunch we then struggled through the hurling match traffic to the Colesium for bowling and fun in the jungle. We had great fun with slippery soccer and slide before watching the film "Independence Day."

Monday the first job was to clear up the cottage before departing to the city Jail followed by lunch at MacDon-

alds and shopping spree in Douglas before returning home.

Thank you to everyone who helped make this camp so successful, especially Amanda, Breda and Wendy who took the cubs away to camp.

I'll take this opportunity to thank those scouts who helped on 'Bazaar Day' and at the 'Vigil.'

#### MILKING MACHINES

Many farmers change their liners at the beginning of the milking season. If this is the case, then it is time to change them again.

In these times of cutting costs, it may be tempting not to bother with this for another while. However, it is worth noting that good liners that are on the Moorepark list of recommended liners, combined with heavy clusters, have been a big success in reducing mastitis and lowering cell counts.

It is good to change all the lines at the same time. Then there is no confusion and none will be missed.

#### Teagasc Survey Of Farm Safety

A National Teagasc Farm Survey was completed in February 1997. The following are some of the survey findings:

Approximately 2,000 farm accidents giving rise to personal injury now occur on farms each year. This represents a 50 per cent reduction of the 1991 survey results.

Specialist dairying and tillage farms no account for a higher proportion of farm accidents. Thirteen per cent of farms (1 in 8) in these categories have accidents.

Tractors and machinery (36%, livestock (23%) and trips and falls (18%) account for over three quarters of farm accidents.

Three quarters of accidents involved the farm operator with an additional 13 per cent of accidents involving another adult member of the family.

Children still account for an unacceptably high level of serious injuries (8%).

The severity of individual farm accidents has increased since 1991 with 42% of accidents giving rise to a hospital stay.

Only 25 per cent of farmers stated they had specifically incorporated safety measures into their farming routines in the previous five years.

#### Set Aside Management

Where green cover has been established, it must be cut at least once during the period July 15 to August 15 in order to leave a covering of 10cm. (4 inches) or less.

The cutting must be left on the land, and turning or baling of the cuttings is not permitted.

Where it is intended to cut silage on set aside in September, apply 70-80 units of Nitrogen per acre or, where grazing is intended, apply 30-40 units per acre. Remember that the silage or grazing can only be used by your own stock.

Ploughing set aside to prepare for a 1998 crop is allowed from July 15 onwards, provided the crop is not harvested before May 15, 1998.

#### AgriTourism

##### Grant Structure

A further tranche of investment under the Agri-Tourism scheme which is part of the Operational Programme for Agriculture, Rural Development and Forestry 1994 - 1999 has been announced. It is hoped that the £4m EU grant will stimulate £15m of investment. Conditions remain almost the same as the previous scheme with grant aid of 50% for leisure facilities and 20% for accommodation with a maximum investment of £50,00 for an individual. The sting in the tail for accommodation is that the grant limit is determined by the investment in the leisure activity. The clause of 50% of eligible investment 'on farm' still holds. A farmer is defined as someone gaining 25% of income from farming. A group comprises of two or more farmers or a farmer with rural dwellers. Investment ceiling for a group is £250,000.

## I.F.A. Farm Family Committee Welcome Guide

Waterford IFA Farm Family Committee Chairperson, Marian Lobby, has welcomed the launch of a new iron leaflet for women after research revealed that three out of four Irish women aged between 12 and 50 have low intakes of iron. This is a problem as women of reproductive age have

high iron requirements.

Speaking at the launch of the leaflet this week, Professor Mike Gibney of Nutriscan Ltd., Trinity College, said "Women need almost one and a half times the daily iron requirement of men, their recommended daily allowance, RDA, is 14mg. per day, compared to

10mg. for men."

"The mineral iron is vital for healthy blood and normal growth and development. Low intakes can lead to iron deficiency anaemia. Symptoms of anaemia, even when mild, include lethargy and poor work performance," he added.

Simple steps on how to increase your daily intake of iron are outlined in the leaflet. Iron should be consumed in its most absorbable form in order to achieve your recommended daily allowance.

Red meat is one of the best sources of easily absorbed iron — it can be absorbed up to seven times more easily than iron from vegetables and cereals. Meat also helps to boost the absorption of iron from these foods when eaten at the same time.

The Farm Family chairperson said that women between the relevant ages should be aware of the advice given by Professor Gibney and also avail of the leaflets which are available by calling 1800-845-678.

### Waterford IFA Chairman Says Urgent Government Action Required

Waterford IFA Chairman, James Coughlan said that urgent Government action was now required to resolve the ferry access problem for the important £60m EU live export trade.

Mr. Coughlan said: "Unless there is immediate progress made in compelling Pandoro to carry all livestock on their ships out of Irish ports, then the government must provide alternative ferry arrangements without delay."

He said it is the clear responsibility of the government to guarantee both

farmers and exporters "our fundamental right of access to the EU single market."

The IFA Chairman said that "there was a real urgency at farm level to have this issue resolved before the autumn weanling sales begin in August."

Mr. Coughlan said that IFA will be raising this matter with both the Taoiseach and Tanaiste early next week. "Farmers are now demanding that our right of access to the single market be secured and guaranteed by the government."

## COUNTY WATERFORD ICMSA NEWS

### ICMSA SEEKS FARMER REPRESENTATIVES ON BOARD OF FOOD SAFETY AUTHORITY

ICMSA President, Frank Allen, has written to the Minister for Health, Brian Cowen, pointing out the need to have farmer representatives on the Board of the Food Safety Authority.

Mr. Allen has requested a meeting with the Minister "to put the case of having farmer representatives on the Board."

Mr. Allen said ICMSA is committed to food safety and has promoted wholesome and healthy food at every opportunity.

"I have pointed out to the Minister that failing to have farmer representatives on the Board will mean the farm organisations will not be aware of the thinking of the Food Safety Authority and will not be aware of the reasons behind some of the decisions made by the Board.

"The Minister has been made aware of my view that it is not going to be an efficient arrangement if the farm organisations have to meet with the Food Safety Authority to clarify decisions made by the Board. It would be much more efficient if farmer representatives were appointed to the Board," said the ICMSA President.

### ICMSA HIGHLIGHTS APPEAL SYSTEM FOR LAND DESIGNATIONS

Maurice Harvey, Chairman of ICMSA's Farm Services Committee reminded farmers that the deadline for the submission of appeals against land designated as Special Areas of Conservation (SAC) and Special Protection Areas (SPA) is 30 July, 1997.

Mr. Harvey said the appeal system was open to farmers who contend that their land, or part of their land, should not be designated under these headings. Farmers could also appeal if they felt that their land, or part of their land, should be designated as a SAC or a SPA.

ICMSA Farm Services Committee Chairman said farmers with problems on this issue should first approach the local wildlife ranger to see if matters can be resolved. If unsuccessful, the landowner can approach the District Officer of the National Parks and Wildlife Service or this Service's head office in Dublin.

Ultimately, if failing to get satisfaction by going through this process the landowner can lodge a formal appeal which s/he must do before today 30 July, 1997.

### ICMSA Says Changes Will Be Made In Santer Package

ICMSA President, Frank Allen said that changes will have to be made in the so-called Santer Package to ensure that Ireland's farmers receive adequate rewards for their labour.

Speaking in Brussels after a series of meetings with EU officials and Irish MEPs, Mr. Allen said the document "Agenda 2000" — which sets out the future proposed strategy by the EU in relation to matters such as structural funding and agriculture supports to member states — was not a definitive document.

"Agenda 2000 is a framework document which forms a starting point for a wide range of discussions and lobbying to take place before anything final is agreed in relation to structural funding for member states or changes in the agriculture supports structure."

Mr. Allen said ICMSA will be putting its own proposal to the European Commission to secure the introduction of policies which provides a bright future for farming and rural communities and which discriminates in favour of those most in need.

### Strong Grower Dissatisfaction With Grain Prices —IFA

Speaking after a meeting of the National Grain Committee last week, Waterford IFA Grain Chairman, Alex Heskin said there was very strong dissatisfaction at the level of prices currently being indicated to growers by the grain trade.

"The Committee views prices of £70-£73/t. as unrealistic and do not relate to the potential market for grain. Yields to-date for winter barley are disappointing with many growers failing to reach 3 tonnes/acre. Many growers report average yields down by one-third to a half tonne/acre. In addition it is generally expected that average yields for all other

crops will be down.

"These factors, taken in conjunction with minimal carry-over stocks, greater grain usage in rations and strong interest from northern buyers justifies prices well in excess of those currently being quoted."

The Grain Chairman added "Growers are tired of being told by merchants that they will pay "the going price." It is time for the market leaders and larger buyers, in particular those who utilise what they buy in compound feeds, to come out with strong prices over and above those currently being suggested to growers."

## FINANCIAL COMMITTEE NOTES

**Ballyduff Salmon Festival** — The place to be next weekend, that's Bank Holiday weekend is Ballyduff Salmon Festival.

The main competition gets underway on Friday, August 1st until Sunday, August 3rd. There are fantastic prizes for the winners plus daily prizes for the heaviest fish caught.

As well as the competition there will be a casting demonstration, rod making and a tackle fair over the weekend. For all anglers there will be a trout angling competition on Saturday, August 2nd at Ballyduff Bridge at 5.30 p.m. For further information on any of the above you can ring (058) 60325.

**The Baron Of Ballyduff** — The baron race has got underway. It's a two horse race with Pat Kenny in the Macra colours and the outgoing Baron, Paddy Jim Feeney representing the Community Council. Macra have hit the ground running believing in the old adage "that a good start is half the race", while Paddy Jim is relying on the theory of the "old dog for the hard road and the pup for the puddle".

The bookies have made the outgoing Baron, Paddy Jim even money to retain his title with Pat Kenny having an outside chance at 4 to 1, but it's early days yet and it's all to play for.

To vote for either candidate you can buy a ticket for £1 and you can vote as often as you like. A great debate between the two candidates is proposed for next month where both runners will get a chance to outline their respective strategies on becoming the Baron of Ballyduff.

Avail of your democratic right to vote for the best candidate. Don't spend a penny when you can spend a pound.

## BALLYDUFF CAMOGIE CLUB NOTES

Double victory for our girls against Tallow. Last Wednesday evening our U-9 and U-12 girls travelled to

Tallow in winterish conditions. Just as the rain cleared our U-9 team took the field. Our girls ranging from 9 to 5 years showed their determination and skill coming home with a 5-0 to 0-0 victory.

Team: Leanne Power, Emma Scanlan, Marie Feeney, Helen O'Donovan, Kate Feeney, Aisling Walsh, Elaine Daly, Michelle Kenneally, Grainne Walsh, Breeda Feeney, Lorraine Hannon, Christina Daly.

The U-12 team then took on a strong Tallow team. They played very well in the first half with some great passes and two lovely goals. At half time the score was even 2-2. They entered the second half with confidence and determination. With some great play from our backs and goalie, they kept the ball mostly above with the forwards and mid-fielders and we got a further 3 goals and 1 point. Final score was 5-1 to 2-0.

Team: Leanne Power, Sharon Kenneally, Elaine Sheehan, Brid Hannon, Aoife Walsh, Tara O'Flynn, Louise Feeney, Lisa Daly, Vanessa Hannon, Karen Hannon.

## BALLYDUFF G.A.A. NOTES

**Under-12 Hurlers Are County Champions** — Another chapter of club history was written at Fraher Field on Sunday morning last when the under-12 hurlers captured the first County title for the club at this level. We had a comfortable 6-1 to 1-0 win over Dunhill/Fenor in a game we totally dominated and in the process played some excellent hurling. We got off to a great start with Seamus Hannon goaling, Conor Feeney added a point and further goals from Wayne Power and Paul Murphy had us 3-1 to no score in front at the break.

Even though Dunhill/Fenor came more into the game and were rewarded with a goal, Wayne Power completed his hat-trick of goals and Conor Feeney also found the net. This was a fine team performance and congratulations to each and every member of the panel and the team mentors Seamus Hannon and John Jackson.

After the game, team captain Shane Feeney was presented with the shield sponsored by the All-Ireland Ex Hurlers Association by Sean Whelan County Chairman Bord na nÓg to the delight of the large Ballyduff following. Thanks to our supporters who travelled in such large numbers to both the Divisional and County Finals.

In the Divisional Final at Cappoquin on Friday night we had a 6-5 to 0-1 win over the homeside after we led by 3-2 to 0-1 at half-time. The scorers were W. Power (2-5), J. Kearney (3-0), C. Feeney (1-0).

Team captain Shane Feeney was presented with the cup by John O'Brien on behalf of West Bord na nÓg.

For posterity the panel of players for both finals was Adrian Power, Michael Ahearne, Paul Hickey, Eoghan Geary, Seamus Kenneally, Conor Hannon, Thomas Byrne, Shane Feeney, Wayne Power, Gerard Miller, Seamus Hannon, Mark Feeney, Conor Feeney, Jamie Kearney, Paul Murphy, Gerry O'Donovan, Brian Feeney, Michael Moroney, Kieran Keane, Shane Hannon, Anthony Feeney and Courtney Canning.

## Under-14 Hurlers Are County Champions

The first leg of the county double was achieved by the under-14 hurlers when they defeated Brickey Rangers by 2-0 to 0-5 in the final at Cappoquin. It was a case of third time lucky as we had been beaten by the same opposition i.e. the league and the Féile semi-final. Some excellent defensive

play ensured we only trailed by 0-4 to no score at half-time.

Brickeys stretched their led with a further point but we struck for two quick goals to snatch victory from the jaws of defeat. Again another great team effort with some fine individual performances. Congratulations to the panel of players and the team management of Maurice Geary, Michael Hannon and Michael Kearney on winning the club's 3rd title at this level.

After the game team capt. Simon Cogan was presented with the cup by Eddie O'Shea, County Secretary Bord na nÓg. Then it was back to Ballyduff for the celebrations.

Team: Shane Feeney, Conor Hannon, Edward Molumphy, Denis Twomey, Paul Hickey, Sean Cunningham, Neil Feeney, Simon Cogan, David Condon, Philip Heskin, Stephen Molumphy, Brian Feeney, Patrick Murphy, Conor Feeney, Jamie Kearney, Gerard Miller, Kieran Keane, Michael Ahearne, Wayne Power, Seamus Hannon, Courtney Canning, David Casey.

**Junior Football** — The junior footballers lost out to Kilrossanty in the Division 1 League Final at Cappoquin on Saturday night last by 0-10 to 1-5. We trailed by 0-7 to 0-1 after 17 mins. play and by 0-8 to 0-4 at half-time. We had cut the deficit to 2 pts. 2 mins. from time when we were awarded a penalty. Unfortunately we failed to convert it and Kilrossanty held on for victory. There will have to be a big improvement before we play

Faha in the championship on Sunday, August 17th.

Team: K. McNamara, M. Drislane, T. Scanlon, G. Feeney, P. Molumphy, T. Feeney, T. Molumphy, G. Hickey, P. Prendergast, J. Twomey, M. Molumphy, O. Corcoran, K. Barry, J. O'Neill, B. Hannon. Subs used: D. Hannon, A. Martin, J. Scanlon.

**Senior Hurling** — The seniors hurlers, following their opening round championship win over Portlaw by 1-2 to 1-6, will play Mount Sion in the county quarter-final at Fraher Field on Sunday, August 24th at 6.15 p.m. One worrying aspect of the Portlaw game was the fact that we failed to score for nearly 20 mins. of the second half.

**Junior Hurling** — The junior hurlers have two league games still to play in the league against Tallow and Tourin.

**Under-16 Hurling** — The under-16 hurlers lost out by a single point to Naomh Bríd in Modeligo on Monday night. They had defeated Kilrossanty in the field the previous week.

They have one game still to play against Brickey Rangers in Ballyduff and this will be played on Thursday, August 7th.

**Under-9 Hurling** — The under-9 hurlers had a fantastic day at the St. Olivers Tournament at Aghish. They drew with the homeside 1-0 each in the opening game, lost to Lismore by 5-5 to 3-1 and defeated Dungarvan 3-3 to 2-0.

These results put us through to the semi-final where we defeated Abbey-side by 1-2 to 1-1 in a classic game of hurling having

trailed by 1-1 to 0-1 at half-time.

In the final we went under to St. Olivers by 2-0 to 0-2. We held the winners scoreless in the second half but we only added a point to our first half tally. Thanks to St. Olivers for the invitation.

**Lotto** — The numbers drawn in last Tuesday night's Lotto draw were 7, 9, 14. There was no jackpot winner. The £25 prizewinners were E. Bancroft, Ballyduff and Bidy Quirke, Ballyduff. Next week's Lotto draw on Tuesday night next in Phillie's Bar at 10 p.m.

**Under-13 Hurling** — The under-13 hurlers will play Lismore (away) in the Fitzgerald Cup on Friday night at 7 p.m. Players to be in the Village at 6.30 p.m. We hope to play Tallow in the same competition on Tuesday night next.

**Mike Quirke Memorial Tournament** — The annual Mike Quirke Memorial 7-A-Side Hurling Tournament got underway on Monday night and the results were as follows — Cappoquin 7-4 Ballygiblin 2-2; Cappoquin 4-7 Ballysaggart 4-5; Ballysaggart 1-6 Ballygiblin 1-3.

Both Cappoquin and Ballysaggart now go forward to the semi-finals of Division 2 next Monday. On tonight (Thursday), Lismore, St. Catherines and Cloughduv are in action with the first game at 7 p.m.

The semi-finals and finals of both divisions will take place on Monday afternoon next with the first game at 1.30 p.m. The presentation of prizes will be at 5.15 p.m.

# Narrow Escape For Dungarvan Soldier In U.S.

A Dungarvan man had a narrow escape in America recently when he suffered a life-threatening laceration from a circular saw.

Fergus Duggan, son of Martin Duggan, Spring Marquis, Dungarvan is currently recovering and undergoing physical therapy in a top U.S. hospital.

A combat engineer with the U.S. marines, Fergus was injured across his abdomen and thigh while he was doing woodwork with a circular saw during the reconstruction of horse stables at the Laurel Bay military housing area.

Fergus joined the Marines in December 1993. He has one brother Paul (Chicago) and two sisters Catherine (London) and Ursula Donovan (Dungarvan).

According to a report on the incident in the "Tri-Command Tribune", only quick thinking and rapid re-

sponse by marines and sailors from the air station succeeded in saving Fergus' life.

SSgt. Kenneth Gibson who played an important role in the rescue, said that when he ran over to LCpl. Duggan, "he was standing there with his hands up and blood was down to his elbows".

Also on the scene was fellow combat engineer LCpl. Corey Robison who said they immediately laid Duggan down until rescue personnel arrived.

"I thought we were in trouble seeing all the blood that was being lost," he said.

Military policemen, air station emergency medical technicians, the local fire department and the Beauford County Emergency Medical Service were quickly on the scene. Robison and Gibson both continued to apply pressure on the wound and talked to Fergus to keep him

awake.

When medical personnel arrived, they put mass trousers on the injured marine, which are designed to place pressure on the lower extremities to pump blood to the upper extremities. As is generally the case with this type of traumatic accident, Fergus was in shock and had to be calmed down.

HM2 Russell Scott, who was the first emergency medical technician on the scene, gave a great deal of credit to the Marines Gibson and Robison who were there first with Fergus.

"If it weren't for the marines and firemen .... the accident would have been fatal," he stated.

LCpl. Robison who knows Fergus on a personal level said that after the doctors told them he was going to be fine, he felt a lot better.

"He's a friend and we work with him," he said, "he's one of us so it felt good to know that he's still going to be around with us."

## RAILWAY WALK

The grass cutting undertaken by the Council has unveiled a litter problem at the Abbeyside end of the walk. Small pieces of broken glass on the tarmac path is also a problem at this end. The area behind Kyne Park where some children have constructed a hut is in a scandalous condition. The construction of the hut is not in itself a problem as it is something many children do during holidays from school but the area around the hut is causing a severe litter problem. One would think the school children would have pride in the hut they have built and keep the surrounding area clean and tidy and litter free. The opposite, however, is the case and the environment is an unhealthy one for the children involved.

### BACK ENTRANCES

Walking towards Sea Park one notices that some households have developed rear entrances to their houses from the railway. Decorative trees have been planted at either side of the entrances and the grass in the area is being mowed on a regular basis. The overall effect is excellent and it is an idea that could be taken on board by the other residents.

### WEEK - DAY MASS

There will be a daily Mass in Ballinroad Church at 10.00 am for the months of July and August. The usual morning mass at 10.00 am will continue in St. Augustine's Church, Abbeyside.

### CHURCH IMPROVEMENT

Two fans have been installed at either side of the sanctuary in Abbeyside Church. This is an area that must have been congested air-wise as the grotto lights would use up quite an amount of oxygen from the air in that part of the church.

### CONGREGATION PARTICIPATION IN SINGING

In order to encourage the congregation at Mass to participate more in the singing - Bulfin stood at the lectern and led the community in singing 'The Bells of the Angelus' at the entrance procession and 'Soul of my Saviour' during the reception of Holy Communion. The response from the people was good though I would suggest that one verse in the Final Hymn would be sufficient for the majority of people.

### GARRANBANE GO TO THE RACES

The Parents Association of Garranbane National School are holding a Race Night in Clonea Strand Hotel on Friday 8th August, commencing at 9.00 pm.

So if you made money at Galway Races or just want to recoup your losses then Clonea Hotel is the place to be.

Entry is by race card only at a cost of £3 per card. These will be available on the night at the door.

It should be an excellent social occasion and at the same time help provide an adequate school library for the children attending Garranbane School.

## AGLISH ESTATE NAMED

The new local authority housing estate in Aglish has been named 'Bothar na gCránn' as requested by the local Residents Association.

The name was formerly adopted by members of Waterford County Council at their meeting last week and is supported by the vast majority of the residents.

## CAPPOQUIN MACRA NA FEIRME NOTES

**Bachelor Of The Year** - If the club aren't busy enough, they are also heading to Castlepollard, Co. Westmeath on August 8th for the Bachelor of the Year Competition, as Tom Cliffe is representing the County. This promises to be another fun filled weekend and again best wishes go to Tom.

I think Cappoquin members might be scarce for the next few weeks! — P.R.O.

## Abbeyside Reference Archive

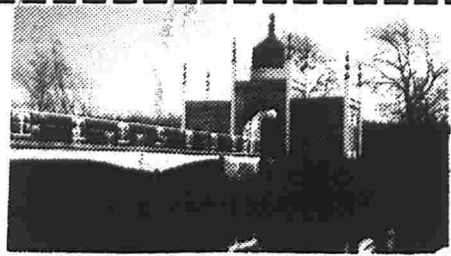

Last Sunday our French visitors arrived in force, they came from the city of Nantes and were amazed at the amount of information we had on that city. The fact that the local 4th Waterford Scout Troop camped at nearby St. Herblain in 1984 weighted heavily in our favour.

### INFO SNIPPET

The railway came through the village of Abbeyside in the year 1875 and we saw the last train pass in March 1967.

This Sunday evening Theresa Breen will get off her bike and be at the Parish Office 2.30 p.m. - 5.30 p.m. where visitors, be they French, Irish or of other nationality will be made most welcome.

# WEST WATERFORD NOTES

## LATE NELL AHERNE

Once again it is our sad duty to record the death of one of our best loved parishioners who has passed to her eternal reward. The death took place at Drumhills Private Nursing Home, Dungarvan where she had been a resident throughout her months of failing health on Friday last, July 25th of Nell Aherne, Grange Nr. Youghal.

A quiet, inoffensive lady, obliging, helpful and of deep religious faith, though Nell had no family of her own, she shared the upbringing of her nieces and nephews. She took great pride and joy in their careers, successes and achievements. Nell was very popular with all her neighbours and friends and loved nothing better than a good game of 45.

The huge crowd of relatives, good friends and neighbours who attended the removal from Kiely's Funeral Home on Saturday evening and the requiem Mass on Sunday and burial afterwards were ample testimony of the esteem and admiration in which this lovely lady was held within our community.

To her brother Tom Aherne, her sister Kitt Cunningham, her sister-in-law Maudie, brother-in-law Declan, all her nieces, nephews, relatives and friends we extend our deepest sympathy.

### BIRTHDAY WISHES

### LATE MRS. HANNAH MURPHY

On Friday morning last a huge crowd gathered in Grange to join in the celebration of requiem Mass and bid a fond farewell to a great Grange lady, Hannah Murphy as she was laid to rest alongside her late husband, Johnny.

Hannah's death occurred at St. Finbarr's Hospital in Cork on Tuesday evening, July 22nd after an illness.

A witty, good humoured, outgoing and friendly lady, Hannah devoted most of her life to the care of her husband and family. A hardworking woman, always willing to lend a helping hand.

Her late husband Johnny was a well known bone-setter, a gift which he practised right to the time of his death. Theirs was a house where you always felt welcome.

Reposing at her home in Knockmealmore, Grange, Hannah's removal took place to Grange Church on Thursday evening and following requiem Mass on Friday, Hannah was laid to rest in the adjoining cemetery.

Our deepest sympathy is extended to her sons Michael, Willie, Paddy, Johnny and Nicholas; her daughters Mary and Margaret, Frances and Alice and all her relatives and friends.

They were very impressed with the developments and improvements in and around the Village especially the Grotto, the Well, the Old Graveyard. ### CLASHMORE RAMBLERS NOTES

## Great Entertainment In Youghal

We were the guests of our near neighbours Youghal last Saturday evening and we played three challenge games - two under-8 and one under-10 - winning two of them.

**Under-8 B Match** — Clashmore Ramblers 3 Youghal 0.

We put on a great display in this game where, because of the 11-a-side format agreed, we found ourselves a little short on numbers. We used three or four of our A team and they made all the difference at the end. Declan Coughlan scored twice, one in each half and Eoin Kelly scored the first goal of the game. Our three girls Aoife Kelly, Niamh Condon and Danielle Mangan all played very well. Others to shine were James Mansfield, Mark Cunningham, Thomas O'Keefe, Patrick Cunningham and Aidan Trihy.

**Team:** James Mansfield, Aoife Kelly, Mark Cunningham, Declan Coughlan, Niamh Condon, Thomas O'Keefe, James Flanagan, Edmund Ledingham, Danielle Mangan, Patrick Cunningham, Eoin Kelly, Gavin Dower, Michael Cunningham, Aidan Trihy.

Our thanks to James Flanagan who guested for us on the night.

**Under-10 Match** — Clashmore Ramblers 3 Youghal 5.

This was undoubtedly the best game of the night with Ramblers very unlucky not to win. Youghal scored first but goals from Shane Dalton and Thomas Ledingham put us ahead at half-time.

Early in the second half Thomas Ledingham scored Ramblers' third and many of us felt that we were going to get a long overdue win. Youghal hit back with two goals in a minute and they finished the stronger by scoring another two goals before the end. Despite losing, the lads deserve a lot of credit for playing their part in such an entertaining game and this was definitely their best performance to date.

Thomas Ledingham showed what a good player he is and it's a pity he lives in Scotland. Darragh Curran was again in very good form and made several important saves. Andrew Condon and William Orr played well in the full-back positions and Maurice Trihy and Shane Bourke did well in midfield.

The three girls Norma Kearns, Sarah Flavin and Carmel O'Keefe in particular had very good games as well but Colm O'Rourke was outstanding and he gets the man of the match award. (It must have been the team talk).

**Team:** Darragh Curran, Andrew Condon, Stephen Mangan, Colm O'Rourke, William Orr, Patrick Kelleher, Shane Bourke, Maurice Trihy, Thomas Ledingham, Kevin Murphy, Shane Dalton, Sarah Flavin, Norma Kearns, Carmel O'Keefe.

**Under-8 A Match** — Youghal 0 Clashmore Ramblers 0. Ramblers win 3-2 on penalties.

This was another great game between two very good sides. Neither team managed to dominate though both sides had some good chances. With four of our lads playing for the second time, it was only natural that they would tire near the end but with our defence playing so well, Youghal had few chances to score. At the games end, it was decided to take 5 penalties each and Declan Coughlan, Eoin Kelly and Edmund Ledingham converted their kicks while Youghal could only score twice. Best for Ramblers were Eoin Kelly, Gavin Dower, Declan Coughlan, Stephen Orr, Edmund Ledingham and James Flanagan.

**Great Set Up In Youghal** — The weather provided a perfect setting for our games in Youghal and everyone from Clashmore were very impressed with the layout of the pitches and the facilities at Ardrath Park. Our thanks again to Youghal for the challenge games and to John Neaphy and Ray Fraser who were on the whistle. Finally we would all like to congratulate Billy Cotter who celebrated a special birthday last week. (Alright wack?)

**Training** — There will be training as usual for under-8 and under-10 teams on Thursday from 5.30 p.m. to 7 p.m. and on Saturday from 2 p.m. to 3 p.m. Ladies training is on Thursday at 7 p.m. and on Saturday at 3 p.m.

**Happy Birthday** — Bernie Lynch celebrated her birthday last week and thought we didn't know. Best wishes from the ladies team.

**Red House League Tickets** — Almost all of our tickets have now been distributed and many have been returned. It would be very much appreciated if you could return your ticket to the seller as soon as possible and we would like to thank everyone who has so far supported the draw.

**Mini Sports Camp** — The club will soon be announcing details of a Summer Sports Camp and it is hoped to cater for all ages (boys and girls) up to 14 years of age.

LEADER FEATURES

# Family health

By Dr. DAVE BARRY

**Q.** I'm very worried about my dad. He smokes 20 cigarettes a day, at least. His breath always smells horrible and his clothes smell of smoke too. I did some sums the other day and I reckon that he spends about a thousand pounds a year on cigarettes. We have tried to persuade him to give them up but with no success, maybe you could say something in your column to make him see sense.

**A.** As you point out, cigarette smoking is an expensive habit and this alone is a very good reason for quitting

smoking. Cigarette smoking also has a bad effect on the smokers general health and on the health of those around them. In Ireland 7,000 people die each year from smoking related diseases. This is 10 times more than the number killed each year in road accidents. About a quarter of all regular smokers are killed pre-

turely by their smoking, losing on average 10-15 years of potential life. Smoking causes three major diseases lung cancer, heart disease and chronic lung bronchitis and emphysema. 90% of lung cancer deaths are due smoking, 25% of deaths from heart disease, and about 75% of deaths from bronchitis and emphy-

sema. A woman who smokes while she is pregnant is at increased risk of miscarriage, of having a still-born or low birthweight baby. Smokers are more likely to have peptic ulcers and their ulcers respond poorly to treatment. Peripheral vascular disease, narrowing and blockage of arteries of the arms and mainly the legs, resulting in gangrene of part of the limb and maybe even amputation of the limb, is more common in smokers. People who smoke cough more, get more chest infec-

tions than non-smokers and are more likely to suffer from shortness of breath. Passive smokers, that is non-smokers who are exposed to smoke from other people's cigarettes, have at least 35% increased risk of lung cancer, and also heart and other lung problems. Young children living with smokers suffer from an increased number of lung problems, for examples colds and asthma, when compared to children living in non-smoking households. There is a very good booklet called "Health and information on smoking," available from, The Health promotion Unit, Dept. of Health, Hawkins House, Dublin 2.

chickenpox in childhood the virus lies dormant in the nerve cells of the body. Shingles occur when this virus, Varicella Zoster, is reactivated and affects one or more nerves and the area they supply. This reactivating is often triggered by stress, getting older, being run down, physical trauma and illhealth. Shingles start with a painful burning sensation along the path of the affected nerve and a mild flu like illness. After approximately a week a blistering rash appears on the affected area, this is usually the trunk but any part of the body may be involved. Clusters of new blisters will appear for about another week. Then over the following few weeks the blisters will scab over and heal. Occasionally the affected area may remain painful even after the rash has cleared up. This is known as postherpetic neuralgia and may last for some months. Visual and hearing problems may also occur but this only happens whenever shingles affect the face especially near the eye.

Your mothers grandchildren may become infected with the virus if they come into direct contact with the rash. If they haven't had it already, they will get an attack of chickenpox. Any child in good health who has had chickenpox will be fine.

**Q.** My mother got an attack of shingles recently. She had a terrible time, the rash was very painful and it got infected. Her doctor prescribed some medication for her and it helped her rash a little, however it hurt her bank balance more, as it was very expensive. We'll get over that but she is now worried that her grandchildren will get shingles from her. Could you also explain about shingles as she is uncertain as to what exactly it is?

**A.** The virus that causes shingles is the same virus that causes chickenpox in children. After an attack of

### A THOUSAND WAYS TO IMPROVE YOUR IMAGE

## Beauty basics

# Acne

Acne is a disorder of the skin which is usually related to hormonal changes and over active sebaceous glands. The two most common types of acne are acne vulgaris and acne rosacea.

Acne vulgaris usually accompanies adolescence beginning around the time of puberty and often worsening premenstrually. Both boys and girls can be affected. Acne vulgaris is characterised by greasy skin, blackheads and whiteheads, even cysts may develop. Modern studies have shown that acne can be hereditary but it can be aggravated by the environment and emotional stress. The treatment of acne includes home care such as a well balanced diet, drinking plenty of water and thorough cleansing of the skin. Beauty salon treatments such as steaming and ultra violet radiation is also recommended. Following this treatment can often be adequate, but sometimes medical treatment may be necessary.

Acne rosacea is a disorder of young and middle aged adults. It is usually associated with excessive oiliness and redness of the cheeks and nose, papules and pustules also occur. The pores of the skin become enlarged and the skin becomes coarse. Rosacea can be caused by poor digestion and too much alcohol. Over exposure to extreme climate can also cause it. Eating and drinking hot, highly seasoned foods or drinks may aggravate the condition. Acne rosacea is a medical condition and requires medical treatment.

1. Always be sure to practise a good home care routine.
2. A visit to your beauty salon will benefit acne vulgaris in the early stages.
3. Be sure to seek medical advice for acne rosacea.
4. For both conditions a well balanced diet and drinking plenty of water will benefit.

## Meaningless

THE WISEST MAN in the ancient world spent years pursuing pleasure, knowledge, wealth, women and power. At the end of his life he wrote the book called Ecclesiastes. His conclusion: life without God is meaningless, pointless, futile. In our modern age, an alien philosophy has fooled people into thinking they can live without God. The result is an entire generation growing up thinking life is meaningless. They constantly experiment with self-destructive pleasures, but nothing in this world can fill the emptiness of their lives. Only Jesus can. He says, "I have come that they may have life, and that they may have it more abundantly." Come to know Jesus and learn about Him. Disciples Bible Class, L&N Complex above car park. # IN MEMORIAM

**MCCARTHY** — First Anniversary — In loving memory of a dear son, Fergus Allen-McCarthy, late of 5, Huntly Crescent, Southways, Abbeyside, who died on August 4, 1996, aged 28 years.  
Anniversary Mass on Sunday, August 3, at Abbeyside Church, at 10.30 a.m.  
A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years.  
A day to remember, sad to recall,  
Without farewell you left us all,  
Your name is often mentioned,  
Our thoughts are with you still,  
You haven't been forgotten  
What's more you never will.  
(His loving parents Francis and Carmel.)

**MCCARTHY** — First Anniversary — In loving memory of a loving brother, Fergus Allen-McCarthy, late of 5, Huntly Crescent, Southways, Abbeyside, who died on August 4, 1996, aged 28 years.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,  
That someone is our brother,  
The best beyond compare.  
(From your loving brother Dan and sister Olga.)

**MCCARTHY** — First Anniversary — In loving memory of Fergus McCarthy, late of 5, Huntly Crescent, Southways, Abbeyside, who died on August 4, 1996.  
Along the road to yesterday,  
That leads us straight to you,  
Are memories of happy days,  
Together we once knew.  
The blow was hard, the shock severe,  
To part with one we loved so dear,  
Our loss is great, we'll not complain,  
But trust in God to meet again.  
(Always remembered by your loving brother Tim, Amanda, Rachel and Michael.)

**CONDON** — Sixth Anniversary — In loving memory of my dear Mam, Nora Condon, Parkdotia, Tallow, who died on July 23, 1991. R.I.P. Masses offered.

As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.

Gone from our home that smiling face,  
The cheerful happy ways,  
The heart that won so many friends,  
In bygone happy days.  
Lonely is the home without you,  
Life to us is not the same,  
All the world would be like heaven,  
If we could have you back again.  
In dreams we see your smiling face,  
And kiss your tender brow,  
But in our hearts we know,  
We have no father now.

(Sadly missed but always remembered by your loving son John, daughter-in-law Margaret and grandsons Aaron and Jamie.)

Remembering you is easy,  
Michael,  
I do it every day,  
Missing you is a heartache,  
That never goes away.  
The day you left me,  
Michael,  
My heart just broke in two,  
The smallest part is with me,  
The biggest part with you.  
Some say as time goes by,  
The heartache will subside,  
But the feelings in my heart today,  
Are the same as the day you died.  
(Always remembered and never forgotten by your loving wife, Helen.)

He shared our troubles and helped us along,  
If we follows his footsteps we will never go wrong.  
It does not take a special day,

For us to think of you,  
Each Mass we hear, each prayer we say,  
Is offered up to you.

A bouquet of beautiful memories,

## NOVENAS

**GRATEFUL APPRECIATION** and sincere thanks to Almighty God for wonderful favour received through the Chaplet of Divine Mercy. Thanksgiving also to the Blessed Virgin, St. Joseph, St. Rita, St. Jude and Blessed Sister Faustina for intercession.

**POWER** — First Anniversary — In loving memory of Moma, my dear mother, Teresa Power (née Allen), late of Camphire, Cappoquin, who died on August 3, 1996. R.I.P.

Anniversary Mass on this Saturday evening, August 2, in St. Mary's Church, Cappoquin, at 7.30 p.m.

One gift in life you cannot buy,  
A gift that is rare and true,  
It's a gift of a precious mother,  
Like the one I had in you.  
Your life was never selfish,  
Only for me you lived,  
Not for what you received,  
But only for what you could give.

You were always there when I needed you,  
No task too great or small,  
With a willing hand and a lot of heart,  
For me you did it all.

You can only have one mother,  
Patient, kind and true,  
No other friend in all the world,  
Will be the same to you.

Dearer to me than words can tell,  
Was the mother I lost and loved so well,  
Deep in my heart she is living yet,  
I miss her so much to ever forget.

Parting comes to let us know,  
We love more deeply than we show,  
Love in death should make us see,  
What love in life should really be.

You left me with memories so lovely and true,  
I know you are with me wherever I go,  
You come and you cheer me when I am feeling low,  
I will never forget you, you will always be near,

A long as I live I will always be glad,  
Grateful and proud of the mother I had.

(Moma, you are sadly missed and always remembered by your loving son Fin.)

**THE MIRACULOUS PRAYER** — Dear heart of Jesus, in the past I have asked you for many favours, but today I ask you this special one (mention request). Take it, dear heart of Jesus, place it in your own broken heart, where your Father sees it. It will become in his eyes your prayer, not mine. Amen. Say for 9 days and promise publication. — A.L.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted.

## BALLYSAGGART NOTES

**G.A.A. CLUB NOTES**  
**Under-21 Hurling County Final** — Best of luck to the under-21's of Lismore and Ballysaggart as they face Mount Sion next weekend in the County Final at Walsh Park.

**Intermediate Hurling** — Our Intermediate hurlers bowed out of the championship at Cappoquin on Sunday evening last. Played in ideal conditions, the game produced some very good patches of hurling. The first half ended Ring 0-7 Ballysaggart 1-3.

Ring scored a goal early in the second half and this proved to be the turning point and even though the boys battled well to the end, Ring ran out winners on a 1-11 to 1-6 scoreline.

But taking into account all our injuries during the year, it was a creditable performance from our lads. Hoping that Tom Landers and Tom Veale recover quickly from their injuries received on Sunday.

**Déise Draw** — The second draw in the series will be held on Wednesday, August 6th. So money must be in with Breeda Clancy by this weekend.

## ICMSA Secures Commitment In Brussels For Family Farms

Speaking in Brussels following the conclusion of two days of intensive lobbying by the ICMSA, the Association's President, Frank Allen, said he had received a commitment from European Commission officials that further reform of the Common Agricultural Policy would not damage the family farm type structure operating in Ireland.

Mr. Allen said: "We raised our concerns in a number of meetings we had with members of Agriculture Commissioner, Franz Fischler's Cabinet regarding the anticipated impact which reductions of structural funding and further reform of Common Agricultural Policy will have on rural communities and farm families.

"The officials have given ICMSA a firm commitment that support of rural communities and the preservation of the family farms which we have in Ireland are guaranteed under the proposed reforms which the EU must undertake between the years 2000 and 2006."

Mr. Allen added: "The officials attempted to assure the ICMSA that Ireland's farmers will continue to receive just rewards for their labour. ICMSA stressed the need for gradual reform of the agriculture supports structure and was informed that a European model of farming would be maintained and there would be no headlong rush to adopt the highly intensive and free market type of agriculture policy like that operating in New Zealand."

"ICMSA has made it clear that the Association will vehemently resist the proposed reforms if they would cause a reduction in farmers incomes or if they failed to incorporate a clear and effective strategy for creating enterprise in rural communities."

## The Whole Shabang At The Old Pike Inn

No matter which part of the world The Whole Shabang might find themselves in, there is one thing that happens for them at home each week and that is when they send in their Lotto slip because all the group and road managers are part of a syndicate.

They are certainly in with a huge chance of winning their own Lotto on the recording front because of the amazing reaction to the launch of their new album, "A Mad Hatters Ball" during their recent tour of the U.S. They are now home for a three week tour and will play at The Old Pike Inn this Saturday, August 2nd.

The early week's of August sees them heading off once again to America where they intend capitalising on the 'rave reviews' of the album as well as their ever increasing stature as a

'live' band now reaching phenomenal levels.

The Mad Hatters of The Whole Shabang are Mick Rowley as drummer as well as developing into a singer of no mean repute, Fergal "Tiny" Kavanagh features on violin and keyboards showing off his classical training to great effect, Tom Comerford is a real seller on stage whether it's playing bass, singing or just chatting the audience, Gay Brazel is the leader of the group and outstanding on many instruments and also responsible for arrangements of the recordings.

These guys have a great chemistry going between them and this, as much as their musical abilities, is what makes them so 'special'.

Don't miss The Whole Shabang at the Old Pike Inn on Saturday, August 2nd.

## I.C.M.S.A. Welcomes Decision To Merge Avonmore And Waterford

I.C.M.S.A. President, Frank Allen wished Avonmore and Waterford well for the future, following the decision taken by shareholders last Friday to allow a merger to take place between the two companies.

The I.C.M.S.A. President said that the shareholders in Avonmore and Waterford should unite in the spirit of the co-op movement and build a bright and prosperous future for themselves and their families.

"It is now in the hands of management to deliver the goods to farmers by way of milk prices, services and the best value in farm inputs. The management and board of the new entity will be judged on these issues," said Mr. Allen.

## Singers And Instruments In Lismore Cathedral

The second lunchtime recital in Lismore Cathedral, on Thursday 7th August, will host the St. Carthage's Singers, Andrew Healy, oboe and Cathedral organist Jan van Putten. Jan van Putten will play the Cathedral organ and the harpsichord.

St. Carthage's Singers will perform five chorals by J. S. Bach. One of these is the well-known choral "Jesu, Joy of Men's Desiring", to be accompanied by Andrew Healy and Jan van Putten. The four other chorals will serve as an introduction to four organ preludes on the same tunes. Two preludes are by Bach himself, from his Little Organ Book, one of the most precious jewels of the literature for organ. The other two are compositions by Johannes Brahms,

who died a century ago, in 1897. The choir will also sing the jubilant "Esultate Deo" by Alessandro Scarlatti.

Andrew Healy and Jan van Putten join forces in a Partita No. 2 in G for oboe and harpsichord by Georg Friedrich Telemann. This work was published in 1716.

The concert will be opened with Fantasia in G for organ by J.S. Bach and concluded with the Organ Sonata No. 111 by Felix Mendelssohn-Bartholdy. Mendelssohn died 150 years ago, at the age of 38.

This concert offering music for a variety of tastes, will begin at 12.45 pm. It will last appr. 50 minutes. Entrance is free. All are welcome. Info (058) 54416.

## Visit Of Devonport High School Choir To Lismore

On July 22nd the Devonport High School Friday Choir from Plymouth, Devon, made a return visit to Lismore Cathedral. The choir first sang in the Cathedral last summer, while on tour in Ireland, and they enjoyed their visit so much and received such a warm welcome that they included a return visit in this year's tour. The choir seemed to have gained in confidence and skill since last year, while, losing nothing of their youthful enthusiasm. They sang Rutter's Requiem followed by a lovely arrangement of folk songs, and they gave a spirited performance of the fascinating and unusual piece 'Rejoice in the Lamb' by Benjamin Britten the words of which were written by the 18th century poet Christopher Smart, while he was in an asylum for the insane. It is a hymn to Creation and contains some delightful pieces in praise of his pet animals.

A vocal quartet, composed of senior members of the choir, sang a selection of light and serious songs including a very entertaining rendering of the 'Teddy Bears Picnic'. This group, who also played for us last year, is called 'Fish' standing for Friends in Sublime Harmony.

At the end of the concert the Dean of Lismore, the Very Rev. James Healey, said how much we had enjoyed the performance and the evident enthusiasm of

the young people. He was delighted that they had all voted to return to Lismore this summer and hoped that this might become a regular event.

We are fortunate in Lismore that so many choirs come to sing in the Cathedral because of its excellent acoustics. Our next choral concert will be in October, a major two-choir event which will be part of the 'Festival of the Bells', to be held over the first weekend in October to celebrate the centenary of the Cathedral's peal of tubular bells. Our own popular Blackwater Singers will be joined by the young people's choir Cor Colaiste an Chraibhin from Fermoy, winners of numerous national awards including the Cork Choral Competition. They will be singing a repertoire that includes spirited and

lively religious works by modern Irish composers. One of these, the hymn, 'Let us Sing' with exciting flute, guitar and percussion accompaniment, written by the choir's conductor John Casey, will be performed for the first time at the concert. Judging by the very warm reception given to the Devonport Choir, this event is likely to be very popular.

The Devonport Choir's Musical Director, Trefor Farrow, thanked the Dean for hosting the concert and said how much the whole choir enjoyed being in Ireland. The concert then ended with a beautiful rendering by the choir of the Gaelic Blessing.

Our thanks to Dr. Jan van Putten, Cathedral organist, for arranging the concert.

## Cappoquin Man Wins Irish Senior Title

On Saturday, July 18, Oisín McGrath from Cappoquin captured the most sought-after prize in Irish rowing, the Senior Eights title. In doing so, Oisín, who rows with Neptune Rowing Club, bridged a forty year gap by becoming the first Waterford man to lift the trophy since the 1950s.

The regatta was held over two days on lake Innisceara near Coachford in Cork and attracted over 400 crews from the four corners of Ireland. The final of the Elite Eights was contested by six crews. With crews from Trinity College and St. Michael's from Limerick, it was never going to be an easy task. Indeed it was the men from Garda Siochana Rowing Club who threw down the gauntlet, leading all the way to 500m. At 700m. Neptune made their push and this proved to be a pivotal point of the race, giving them a lead that they held to the finish line.

After the race, Oisín was ecstatic and said that this win more than made up for the recent defeat at Henley Regatta when they were unlucky to lose by two feet in the final.

However, Oisín's plans do

Oisín McGrath

not stop here. As well as having won the Irish and Belgian national championships, he is currently training to compete along with his brother John in the Celtic Games in Galicia, north Spain. He is also determined to be the first Waterford man ever to win at Henley.

# Abbeyside A.F.C. Heineken Pub League

Team of the week: D. O'Connor (Park House), B. Kirwan (Crotty's A), K. Kiely (Downey's B), C. Dee (Crotty's B), M. Crotty (Foley's), M. Hogan (John Paul's), B. Whelan (Keatings), M. Kiely (Crotty's A), C. Keane (Anchor A).

## RESULTS OF THE WEEK

Crotty's A 3 - Kiely's 0,

Park House 2 - Downey's B 1, Anchor 2 - Paddy Macs 1, John Paul's 1 - Foley's 1, John Paul's win 5-4 on penalties, Marine 1 - Minnies B 0, Keating's 3 - Crotty's B 3, Keating's win 4-3 on penalties, Downeys A 1 - Bridie Dee's 1, Bridie Dee's win 4-3 on penalties, Foley's A 2 - Lady Belle 1.

## ROUND-UP

Crotty's A had a comfortable 3-0 victory over a rather youthful Kiely's selection. The experience of the Comeragh men allied to their undoubted class proved too much for a gallant Kiely's combination for whom the Abbeyside duo Lyons and O'Connor were outstanding. Park House dubbed the whipping boys of the tournament continued their amazing advance at the expense of a superior Downey's B team. J.J. Ferncombe continues to underline his claim with another superb display alongside the robust figure of Austin O'Connor.

Anchor A came through a stormy encounter with Paddy Mac's 2-1. Paddy Mac's squandered a great chance to bring this game to penalties but missed a spot-kick in the final minute to go out.

John Paul's survived the loss of class defender M1. Hogan to overcome Foley's in a sporting encounter. Willie Halpin also sustained an injury in this game and we wish both players a speedy recovery.

Marine overcame a gallant Minnies B team for whom the great Kevin Tobin starred. A late goal for the Marine broke the Minnies hearts and their interest in this years competition

ended.

Keating's came out tops after a titanic struggle with Crotty's B. Keating's raced into a 3-1 lead but Crotty's B leveled by midway through the 2nd half, through a Colin Dee penalty. Keating's eventually went through on a penalty shoot out.

Downey's B completed a fairly miserable week by bowing out to Bridie Dee's. Bridie's took the lead through Eddie O'Grady only for Mattie Ducey to equalise. A penalty shoot out ensued and it was James Donnelly's sweetly struck kick that clinched it for the men from Mary St.

Seven men Foley's A overcame Lady Belle in a shock result. Foley's very nearly didn't field but are glad now that they did. Martin Crotty ran his socks off and was my man of the match.

## SNIPPETS

A number of players are reportedly looking forward to the village barbecue on Saturday night. One player was heard to remark it would be the best value for £6 around. A certain committee member with taste for food wanted to know how many baked spuds he'd get with his coleslaw, burger and sausages. He also wanted to know what was potato salad.

## East Cork/ West Waterford Schoolboys Soccer League

Last Monday night saw the election of officers for the coming season. Those elected were as follows -

Chairman: Joe Hartnett, Secretary: Derry O'Leary, Treasurer: Pat McCarthy, Asst. Treasurer: Pat O'Reilly, P.R.O./Fixtures Secretary: Sean Kearns, Registrar: Rod Rogers, Disciplinary Secretary: Sean Sheedy. Other Committee members elected were Mick Looby and Pat Barry.

The big surprise was the unexpected retirement of Liam Fraser due to work commitments. Liam has been involved in soccer and his dedication, which was not always appreciated, will now be sorely missed. All club delegates present at last Monday's meeting expressed both surprise and regret at Liam's resignation and the Chairman, Joe Hartnett spoke for everyone who

knows Liam when he paid him a glowing tribute and spoke of the tremendous amount of work that Liam did for our Schoolboys League. It is hoped that Liam might find some time in the future to return to the committee but in the meantime, we wish him all the best.

### UNDER-12 LEAGUE TO START SOON

August 24th is the day pencilled in for the start of the new under-12 season. It is intended to play two games each week with the home team supplying an over 18 referee. Matches will be 25 mins. a side and 5 substitutes are allowed.

### REGISTRATION FEES

All clubs must pay their fees of £30 per team before the next meeting which will be on Monday, August 18th at the Devonshire Arms Hotel, Tallow at 9 p.m.

## Dungarvan Utd. A.F.C. Notes

### NEW SEASON APPROACHES

With the month of August upon us, the kick-off for the new season is almost upon us. With every new season, there comes change and perhaps the biggest change of all this season is the departure of Liam Simms as our chairman. After 6 years in the hot seat, Liam has decided that it's time to hand the mantle on to someone else and for the time being take a back seat.

The progress that Dungarvan Utd. have made over the last number of years, both on and off the field, has been staggering and it is certainly no coincidence that Liam has been chairman for that time. One only has to look at our beautiful club pavilion to see the improvements. Perhaps only those who worked closely alongside him could see the amount of work he put in, be it organising events, looking for sponsors or just cutting the fields, Liam always gave more than 110% for the cause. Only last May at our social, he was awarded our prestigious Clubman of the Year Award and this was not for the first time. Liam will be missed as chairman of Dungarvan Utd. more than he will know but we've no doubt no-one will be shouting louder for the Blues this year than Liam.

### NEW COMMITTEE

With the departure of Liam Simms as chairman, it was certainly no easy task finding a man to fill his shoes. When Tommy Wall agreed to take on the task, there was no doubt that he was just the man for the job. Tommy has always been one of our finest clubmen and his record as a manager is second to none in the Dungarvan area. Tommy hasn't been an active member for the last couple of years so it's great to see him back where he belongs. Tommy is held with great respect within the club and we've no doubt he will make an excellent chairman. The full committee for the coming season is -

Chairman: Tommy Wall, Secretary: J. D. O'Shea, Treasurer: Stan Cummins, P.R.O.: J. W. Power, Martin Walsh, Michael Early, Jimmy Kiely. Our Club President is Theresa Kiely.

### MANAGERS FOR COMING SEASON

Our Junior managers for the coming season are as follows - Premier: Dixie Deegan, Asst.: J. D. O'Shea, 2A: Thomas Duggan, 3A: Pat Tutty.

**SPEEDY RECOVERY** - We wish our Premier player Pat Walsh a speedy recovery from a nasty wrist injury he received recently.

**SYMPATHY** - Sincere sympathy to the Walsh family on the recent death of Thomas Walsh. His sister Mag is a great supporter of the club.

**YANKEE DOODLE** - Numbers on Sunday last were 11 and 89. There was one winner - Alan Shiel. Jackpot next week £100. Numbers on sale from usual sellers.

**PONGO** - Eyes down this Tuesday night at 8.15 p.m.

**CARDS** - The cards will be on as usual this and every Sunday night.

## Dungarvan Utd. A.F.C. Notes

There was a large turn out

of members for Tony's prize which was a beautiful piece of Waterford Glass which was cut by Tony himself, making it even more special. The winner, Anthony Egan playing off a handicap of 18, put two very good rounds of golf together with a 66 and a 69 holding off the challenge of Michael Troy Snr. who had a total of 136 nett. Many of the hot favourites fell by the wayside early on and Anthony who has only started playing golf in the last few months kept his cool and his nerve and came home a worthy winner. Congratulations to the winner and to all prize winners.

# KILROSSANTY JUNIORS WIN LEAGUE TITLE

Kilrossanty Junior Footballers, winners of the Western G.A.A. Board Junior A League. They beat Ballyduff 0-10 to 1-5 in the final. The league was sponsored by the Friends of Waterford Football. —(Photo: Sean Byrne).

On Saturday evening last at the sun drenched Cappoquin venue, Kilrossanty and Ballyduff served up a real thriller in the final of the Western Junior football league division 1. Kilrossanty started in whirlwind fashion, with Dermot Kiely and Ger Houlihan dominating at midfield and their fast moving forwards ran the Ballyduff defence ragged. Two excellent frees from Thomas Kiely and a point from play by Paul Hayes had them three points up after five minutes. Michael Molumphy had Ballyduff's first point after 8 minutes. Two more points from frees by Thomas Kiely and two from play by Paul Hayes and Ger Houlihan stretched Kilrossanty's lead to 7pts. to 1 after 18 minutes. John Twomey pointed two frees for Ballyduff. Thomas Kiely and John exchanges points from frees to leave the half time score 8 pts. to 4 pts. in favour of Kilrossanty.

Ballyduff made numerous changes in the second half and showed the real Bally-

duff fighting spirit as they clawed their way back into this wonderful final. Thomas Kiely again from a free in the 2nd minute stretched the lead, stalemate ensued until the 15th when the brilliant John Twomey scored an opportunist goal, 0-9 to 1-4. Two minutes later Eamon Flynn increased the lead to 3 pts. John Twomey narrowed the gap to 2 pts in the 25th minute. The last 5 minutes were packed with excitement as Ballyduff laid siege to the Kilrossanty goal, and with one minute remaining they were awarded a penalty, which was kicked badly wide. The Kilrossanty defence held out bravely for a famous win for the green and gold colours. This final was a wonderful advertisement for Junior football played in the proper sporting spirit by two famous clubs who gave their all in quest of the title. After the game Chairman of the Western Board, Paddy Walsh, presented the Cup to the Kilrossanty captain Tom Prendergast amid scenes of

excitement. The Cup was presented to the Board by the friends of Waterford Football.

There was some outstanding individual performances on both sides. For Kilrossanty, Pat Hayes led by example he was awarded the "Man of the Match" trophy. Tom Prendergast, Tom Behon and Seamus Veale also stood out in a heroic defence. Dermot Kiely was hugely impressive in the 1st half making some fine fetches. Ger Houlihan also played his part, and scored a fine point. The full forward line of Kieran O' Connor, Paul Hayes, and Thomas Kiely showed a lot of pace, and young Kiely's free taking was a joy to behold. The experienced Ger Walsh also had his moments. For Bally-

duff, Paudie Prendergast when he went to centre back gave a herculean performance, surely no club has had a better servant. Full back Tony Scanlon played will in the 2nd half when he went to full forward. Tom Molumphy and Tom Feeney also stood out in defence. John Twomey was brilliant at wing forward and got most support from Michael Molumphy, Brendan Hannon and Eoin Corcoran.

Both clubs won 7 games out of 8 in the league. Kilrossanty had by far the best average for and against. They scored 26 goals and 108 points in the 8 games and conceded 5-46; that's an average of 24.5 points against 7.5 points, they are worthy league champions.

# CLASHMORE GAA NOTES

## MINOR HURLING

We played the first round of our Minor Hurling Championship last Wednesday night in Old Parish. Kilrossanty were our opponents. From the throw in Clashmore took the game to Kilrossanty and as a contest the game was over after 15 minutes. Half time score, Clashmore 3-8, Kilrossanty 0-2. In the second period it was the same story with Clashmore completely dominating in all sectors. Final score was Clashmore 4-11, Kilrossanty 0-4. Best for Clashmore were Karl O' Keeffe, Thomas Burke, Brian Dunne and man of the match, Roger Ryan.

Team and scorers: Gerry O' Rourke, Shane Allen, Pa Troy, Donal McGrath, Karl O' Keeffe, Noel McGrath, Ed Beresford 1-4, Stephen Barron, Michael Cliffe 0-1, David O' Keeffe, Tomas Burke 0-3, Roger Ryan 2-2, and Brian Dunne 0-1, Subs used: Christopher Coughlan

for Brian Dunne, Barry Dunne for Michael Cliffe and Andrew Murray for Donal McGrath. As this is a knock-out competition, I don't know our opponents in the next round.

## DEISE DRAW

Tickets available for the next Deise Draw from any committee member. Remember for as little as £5 per month you could win £12,000 or one of the numerous runner up prizes.

## MINOR FOOTBALL

We open our account in the Minor Football Championship on this Wednesday night in Abbeyside at 7.30 pm. Our opponents are Affane.

## JUNIOR HURLING

Our eagerly awaited replay with the Geraldines in the Junior Hurling Championship takes place on Friday night in the Fraher Field. If the replay is half as good as the first game we are in for a cracker of a game. In the first game we saw some of the finest Junior Hurling

ever played in the Fraher Field. It was end to end with plenty of goalmouth incidents. Both teams had chances but in the end a draw was a fair result. So next Friday night its all to play for again. We are injury free so we should be able to select from a full squad. Once again I would ask all our supporters to come out in force and cheer the lads on. If level at full time extra time will have to be played. Throw in at 7.30 pm.

## LOTTO

No winner of last weeks jackpot of £1,600. Numbers drawn were 1,5, 7,19. Prize winners were Nellie Landers, Aglish, Tommy Kehoe, Piltown, Kitty and Assumpta, Piltown, J.J. Fitzgerald, Claddagh and Pauline Roche, Newtown. Each receive £10. Next weeks jackpot £1,700. Saturday nights draw takes place in The Rising Sun at 11.00 pm sharp. Tickets £1, available from usual outlets.

## JUNIOR FOOTBALL

On last Friday night we played our neighbours, Ardmore in the first round of the Junior Football Championship in a splendidly laid out Old Parish pitch. From the throw in we dominated this game but some terrible shooting up front meant our dominance did not reflect on the score-board. In the first half we had 4 points from Mark Coughlan and a goal from Michael Costin. Half time score, Clashmore 1-5 Ardmore 0-3.

The second half was a much different story as Ardmore took over completely

and narrowed the gap to a point at one stage. We gradually got a grip on proceedings and a fine goal from Mark Coughlan in the 20th minute put us on the road to victory. Over all this was a poor display and a big improvement is necessary if we are to progress further in the Championship. Clashmore 2-8, Ardmore 1-8.

Team and scorers: P. Troy, O. Murray, A. O' Rourke, N. O' Connell, P. Allen, P. O' Halloran, P. Hickey, M. Power, E. Beresford. M. Costin 1-0, T. O' Keeffe, R. Ryan 0-2, S. Barron 0-2, J. Kelly and M. Coughlan 1-4. Subs used: H. McGrath for M. Power. Best for Clashmore were D. Murray, A. O' Rourke, E. Beresford and man of the match, Mark Coughlan.

## Kilrossanty Ladies Football Club News

### U-14 CHAMPIONSHIP

The under-14 championship got underway recently and is being run on a league system. To date we have played two games. The first round was against Ballymacarby and this game was played last Wednesday week. Kilrossanty came out on top on the scoreline of 6-10 to 1-6. At half time we were ahead by just four points and the girls turned on the style in the second half to come out easy winners.

The second round was played in Kilmacthomas against the home side on Thursday last. This game was a very one-sided affair and Kilrossanty ran out easy winners again.

### FIXTURES

### MUNSTER U-16 CHAMPIONS

Congratulations to the Waterford u-16s on retaining the Munster title for the third successive time. Well done to our club girls who played their part. Once more Leigh Mulhearn had a fine game in goal and Tanya Kirwan produced a top class performance at centre back and to Kristina Keating and Denise Power, both members of the panel.

Best of luck to the minors who play Cork in the Munster final tonight (Wednesday) and to the senior team who play Clare in the Munster final on Sunday next.

## RICHIE RYAN BOWLING TOURNAMENT CAPPOQUIN

The first semi-final of the C grade was played last Wednesday, July 23rd between Michael Murray, Tommy Sullivan and Eddie Hickey.

Sullivan opened the scoring with a fine shot. Murray was next with an equally good shot with Hickey slightly in arrears. The next series of shots were similar until Murray got a chance to go a bowl ahead. However he made a bad mistake and left the opposition back in to score. It was O'Sullivan who took full advantage and punished Murray with a series of good shots to go a bowl clear with 4 shots to go.

Murray, next to throw, played one of his better shots and reduced O'Sullivan's lead to a throw of odds. O'Sullivan threw a mere 60m on Murray but it seemed enough. With 3 shots to go, Murray threw an amazing 3 fast shots which put him in to the lead. O'Sullivan's second last shot went round the long bend to the left and Murray lost his lead by 20m with one shot to go.

Murray, first to play, made one last trojan effort and produced a fine shot. O'Sullivan now had to pass the shot to secure victory and his effort seemed destined to do so but as it entered the newly chipped road, it suddenly came to a halt which secured victory for Murray by 1 1/2m.

The second semi-final of the C grade was played last Sunday P. Moore v Gossie Mason. Mason won in the last shot by 50m but this was a close score all the way to the line.

The third semi-final of the C grade is due to be played this Thursday, July 31st Denis Walsh v E. Coffey v Denis O'Leary.

## Dungarvan Sea Angling Club

It is always heartening to know that someone is reading your notes, after the Shanley/Guinness Group inter pubs competition, I got a number of phone calls pointing out that the name of the winning pub was omitted and of course as we all know the winning pub was Downey's - sorry about that.

During the Interfirms competition on Sunday sponsored by Baumann's Jewellers and Tackle Shop, I gained insight into same drift angling techniques from a debate/discussion on board Maurice McGraths 'Barbara Ann'. When Maurice was questioned as to why he took a different line from a previous drift he advised us that the fish that were caught could not be caught again! Later we drifted a line for about a half an hour without any sign of a fish, some wise guy suggested that we should therefore repeat this drift as the fish that were not caught could be caught again the second time, as they were not caught the first time! The mind boggles and I am sure this is one for far great philosophical debate in pubs and at sea for some time to come.

Anyway down to less serious matters, such as the Munster Open and the Yoplaít 2 day Gold Medal International, both of which are sponsored by Waterford Foods Plc. At a special meeting on Wed. 30th there will be a review of entries and I know for a fact that all the local entry is not in, the question will be if the numbers can be accommodated. If you haven't got your entry in you can't expect to be included. By the way I know Nora and Ann have been out shopping for the prizes and a fine array is guaranteed, remember medals only for first, second and third overall and the overseas winners. This promises to be the best 'Yoplaít' in a long time.

Results of the Interfirms Competition teams of 4. Sponsored by Baumann's Jewellers and Tackle Shop: 1st team — Traders: John Cronin, Sev Baumann, John Paul Molloy, Damien Wall (701 points). 2nd team — Sea Star Products: Richie (6) Walsh, Alan Mulcahy, Tony Crawe, Sean Hackett, (688 points) Best Juvenile: Patrick Kauba (90 points) There were seven varieties of fish, including 42 Conger, 16 Ling, 16 Pouting, 16 Pollock, 23 Whiting, 11 Cuckoo Wrasse, 1 Garfish.

## GER WYLEY SPORTS SUMMER SERIES

# James Sullivan Can Clinch Title At Ballymac'

The 6th race in the West Waterford AC summer road racing series will be held in Ballymacarby on the bank holiday Monday, August 4, starting at 7.30 p.m. (Joe and Tony). James Sullivan has won on each of his four race appearances to date and if he makes it five wins on Monday he will have won the series overall with two races left to run. James already won this series in 1995 with Philip Harty coming out on top last year.

The Waterford runner has certainly proven to be the form runner this summer despite the close attentions of Pat Heffernan (Tipperary), Martin Drake (Youghal) and Jason O'Connor (Wexford). In the over 40 section, Tom Burns (Waterford) should also claim overall victory on Monday as he currently has a low total of 26 points from five races which is the second best overall from all the categories.

The ladies section, after a poor beginning, is turning out to be as equally interesting as the other two categories. There are eleven entries and although Waterford's Geraldine Guiry is the only runner with the five required races completed to date, the issue is far from resolved with Wexford's Vanessa Molloy and Jackie Stamp poised to challenge for overall honours. This category could well go down to the last race in Ardmore on September 5.

## LEAGUE TABLES

Runners appear on the league table in their category after they have completed five races in the series. After the Ballymac' race this Monday a further nine runners (under 40), eleven (over 40) and two (ladies) will have five races com-

pleted. This would fill the division one in both the under and over 40 categories and it would create further divisions two and three. Between now and the remainder of the series, promotion and relegation will be in operation in all the divisions.

## BALLYMAC' BONUS

Any runner who beats his/hers finishing time in the Dromana 5 in Ballymac' on Monday will receive a ten points bonus.

## SUCCESSFUL SERIES

This year's Ger Wyley Series has achieved unprecedented success with 71 runners still actively involved in the competition. Many runners from counties Waterford, Cork, Tipperary, Wexford and Kilkenny have given much of their summer's racing to the series, a support the West Waterford club are very grateful for.

## DATE CHANGE

Runners are reminded that the Waterford to Tramore road race, number 7 in the series, will be held on Sunday week, August 10 at 2.30 p.m. (Joe and Tony) and not on August 17 as previously advertised. The date change is due to Waterford AC's involvement in the Masda National Track and Field League finals on the latter date.

## Waterford AC Teams Qualify For League Finals

The Mazda National Senior and League finals will hold plenty of interest for Waterford athletic followers in Tullamore on Sunday fortnight, August 17. City club Waterford AC will feature in both the men's and women's Division 2 finals following impressive displays in Cork and in Waterford in recent weeks.

Reorganised last year to put the club back on the athletics map, the fruits of the labour are already there to be seen and it is a big boost for athletics in Waterford in general to have a strong base in the city. Of the two teams the ladies will be the best bet of challenging for honours in Tullamore if 400 metres hurdler Susan Smith will be available for the finals.

## Clonmel Ten Miler

An open ten miles road race takes place in Clonmel this Thursday, July 31 starting at the rowing club at 7.30 p.m.

## K.C.K ATHLETIC CLUB Two National titles each for Ailish Ahearne and Niamh Cummins

The national B.L.O.E. track and field championships were held in Tullamore last weekend and it was a huge success for the club winning four national titles. Niamh Cummins was first in to action on Saturday morning in the 80 metre hurdles. Niamh was drawn in the second heat and came home a very comfortable winner, with Sarah Kelly from Galway winning the first heat. Those two girls tied for first place in the under 14 age group last year. On this occasion Niamh made no mistake with a super run to come home a very easy winner with some three metres to spare. Sarah Kelly was second with Emer Flannery third, both from Galway. Niamh had a very good time of 12.4 seconds for 80 metre hurdles.

Ailish Ahearne was next on to the track in the girls under 15 200 meters. This event had the best under 15 200 metres runners in the country, Ann Marie Lynch, Avril Kelly, Zita Murphy, Fiona Friel, just to mention a few. Ailish easily won her heat. In the final Ailish had a brilliant win in a very good time of 25.9 seconds, which was only one second outside the national record. Avril Kelly, Leevale, was second in 26.3 and Zita Murphy, Dublin, third in 26.4 seconds.

On Sunday morning both girls were back on the track for the 250 metre hurdles. Niamh Cummins easily won heat one with Ailish Ahearne taking fourth place in heat two. In the final, Niamh had a brilliant run to take her second gold medal in a brilliant time of 36.7 seconds which was only seven-tenths of a second outside the National record. Ailish Ahearne had a fine run to finish in seventh place. Ailish only took up the hurdles a few months ago and has made great strides in the mean time.

In the girls under 15, 100 meters, Ailish Ahearne had a very good win in her heat. In the final Ailish had another brilliant performance to take the Gold medal in a very good time of 12.3 seconds. Zita Murphy was second, Fiona O'Friel was third, both girls from Dublin.

In the boys under 17, 1500 metres, Nicholas Walsh had a very good performance to finish in seventh place, and well done to former club member Joseph O'Donnell who had a fine performance to take third place in the boys under 15, 250 metre hurdles.

Next weekend we play hosts to our friends from Wales, Preseli Harriers Athletic Club who will arrive on Friday morning and will depart on Monday evening. There is a travelling group of 50 and most of them will compete as guests at the national B track and field championships in Waterford on Sunday and Monday next.

**WATERFORD CAMOGIE NOTES**

SENIOR COUNTY FINAL

**Butlerstown Win A Thriller****BUTLERSTOWN 3-5  
DUNHILL/FENOR 0-8**

The final score would suggest that Butlerstown may have had it easy in winning their second county title. It says nothing of a gallant Dunhill/Fenor team who took the game to Butlerstown and gave it everything in a competitive and exciting county final.

It took both teams some time to settle. It went point for point with Aileen Barron scoring from play first for Butlerstown, Karen Barry from a free for Dunhill/Fenor, point from a 30 for Butlerstown and Lucy Fowler scoring a point from Karen Barry's short pass from a 30 for Dunhill/Fenor. Dunhill/Fenor piled on the pressure at this stage but Laura Collins was left loose inside and struck the net for Butlerstown. Aileen Barron pointed again from play for Butlerstown with Karen Barry's pointed free for Dunhill/Fenor keeping them in touch leading up to the break. The half-time score was Butlerstown 1-3 Dunhill/Fenor 0-3.

The second half saw Butlerstown pile on the pressure in the Dunhill/Fenor backs but took 7 mins. to score through a point from Sylvia Fann, missing an open chance of a goal during this time. They looked home and dry. Little did we know that Butlerstown wouldn't score for another 10 mins. Dunhill/Fenor suddenly came into their own and took on the Butlerstown defense at every chance. Two frees from Karen Barry began to change the appearance of the game. Some lovely play from their back line-up saw Dunhill/Fenor squander a goal chance but they pointed again from an Aoife Drohan pass to level the game and amid great applause, the same Aoife Drohan scored a marvellous point from out-field to put Dunhill/Fenor ahead for the first time in the game. With eight nailbiting minutes to go, Butlerstown levelled the game again with a pointed free. It looked like anyone's game but Dunhill/Fenor were the ones creating all the play. They fought for possession, chased everything and created some marvellous opportunities to score through lovely passing movements. Had they scored here, they may have won. The Butlerstown back-line was solid however and allowed nothing through. Their blocking down in particular stood out and for 4 mins. survived the

onslaught of Dunhill/Fenor. Then with 4 mins. left, a clearance from Butlerstown saw their Trudy Collins totally unmarked and with only the goalie to beat, she goaled. Dunhill/Fenor never gave up but the same player was on hand to goal again for Butlerstown 30 secs. from the end, capitalising on the first mistake the goalie made all day and putting the game out of reach of Dunhill/Fenor. The final score was Butlerstown 3-5 Dunhill/Fenor 0-8.

Linda Bennett played the captain's role for Butlerstown at full-back with Eileen O'Connor and Aileen Barron doing well at centre-field. Dunhill/Fenor had great displays from Tracy Hutchinson at centre-back (capt.), Niamh Barry at centre-field especially in the second half, Karen Barry at right half forward and Aoife Drohan who gave a marvellous display despite breaking her thumb prior to the final.

Butlerstown: J. Collins, L. Bennett (capt.), E. O'Connor, R. Matthews, T. Kirwan, M. Barry, T. Collins, A. Barron, L. Collins, S. Fann, A. Hennessy, L. Matthews.

Dunhill/Fenor: C. Farrell, T. Burns, F. Sullivan, T. Hutchinson (capt.), A. Power, L. Fowler, N. Barry, A. Raheer, K. Barry, N. Flynn, H. Murphy, K. Hannigan. Subs: A. Drohan, A. Murphy, J. Bagge, C. O'Neill, B. O'Brien.

**JUNIOR COUNTY FINAL  
Close One For Tramore  
Tramore 2-5  
Butlerstown 1-4**

The curtain raiser saw a very close exciting game between Tramore, who had beaten St. Saviours earlier in the week (5-5 to 3-1) and Butlerstown, who had a convincing win over Lismore in their semi-final.

The scoring opened with a Tramore goal from Lisa Guiry. Butlerstown had at least four wides before Karen Kelly opened their account with a point. Butlerstown were unfortunate to have many more wides in this first half while Tramore tacked on two more points through Lisa Guiry and Janet Burns. The score at half-time saw Tramore ahead 1-2 to 0-1.

Butlerstown however came back with a bang on the resumption with a goal from Claire Hennessy. With renewed vigour, Tramore gathered themselves and Janet Burns added on two more points (one from a 30) to put them three points clear.

Yvonne Lonergan was unlucky not to score a goal for Butlerstown but when Kristen Farrell goaled from her opportunity for Tramore to put 6 pts. between the sides, it was plain to see that the difference between the two sides was Tramore being able to make the most of their chances. Yvonne Lonergan was again unfortunate in front of goal but Butlerstown did score one more point before Lisa Guiry scored the last Tramore point following lovely play from her backs. Butlerstown added two more points (one from a 30) before the final whistle but it was too little too late. It was a game where Tramore were always ahead. The final score was Tramore 2-5 Butlerstown 1-4.

Other players to feature for Tramore were Ann Piper (especially her puck-outs), Patrice Clancy and Elaine Clooney while Karen Kelly, Aoife Murphy and Niamh Lonergan did trojan work for Butlerstown.

Tramore: G. Hutchinson, A. Piper, P. Clancy, R. Byrne, G. O'Halloran, J. Burns (capt.), E. Clooney, E. Guiry, L. Walsh, S. Drohan, L. Guiry, K. Farrell. Subs: M. Doyle, J. Flavin, C. O'Connor, J. Clooney, M. Feehan, C. English.

Butlerstown: E. Maye, A. Kelly, L. Kelly, S. Lonergan, N. Lonergan, M. Gahan, S. Kirwan, A. Murphy, V. O'Keeffe, C. Hennessy (capt.), Y. Lonergan, K. Kelly. Subs: P. Mackey, L. Mulhearn, C. Doherty, G. Murphy, A. Fann.

Full marks must go to the Walsh Park Committee for having the grounds in splendid order. What with the fabulous weather and great exhibitions of camogie in both games, the large crowds couldn't have asked for more.

**SENIOR/JUNIOR  
LEAGUE FINAL**

The title holders Butlerstown, would love to do the double as they did in '96, and add this to the championship title. They must go in as favourites and will look to much the same players as starred for them against Dunhill/Fenor. They will relish a chance to defeat Lismore whom they failed to meet in championship.

Lismore are the only team to come out of this league on full points, however, they proved that league performance counts for nothing come championship.

Obviously devastated by their first round defeat by

Dunhill/Fenor over a month ago, they've had to swallow a bitter pill and wait without a competitive game for this final. They will look for a better overall team performance and look to established players such as C. Ormonde, M. Murphy, C. Tobin, B. Prendergast and A.M. O'Gorman for leadership. It could be a very interesting game in Dungarvan, on Friday July 25th at 7.30 p.m.

**U-16 CHAMPIONSHIP**

The draws have been made and are as follows -

Portlaw v Dunhill/Fenor in Butlerstown on Tuesday, July 22nd at 7.30 p.m. Winners v Gaultier in Butlerstown on Monday, July 28th at 7.30 p.m. Butlerstown v Ferrybank in Fenor on Saturday, July 26th at 3 p.m. St. Saviours v St. Molleran's in Portlaw on Monday, July 28th at 7.30 p.m. Lismore v Tramore in Dungarvan on Tuesday, July 29th at 7.30 p.m. Current holders are Dunhill/Fenor.

**U-12 COUNTY FINAL  
Gaultier 3-0 Lismore 2-0**

In wet conditions recently, Gaultier overcame a strong Lismore challenge to claim their first County title for a while. They scored their first goal soon after the ball had been thrown in and when they scored again fifteen minutes later it looked all over for Lismore. However they came back with a goal just before half-time and were looking good. Against the run of play Gaultier scored on the resumption and though Lismore goaled again, they couldn't get the edge over a strong, tough Gaultier side.

It was a game that Lismore were always chasing, may have been lucky to draw, but never looked like winning on the night. So, the second County title of the year went to Gaultier.

**Shamrocks G.A.A.  
Club Notes****INTERMEDIATE  
HURLING WESTERN  
CHAMPIONSHIP  
Shamrocks 2-10  
Cappoquin 1-9**

In the first round at Lismore on Saturday evening, we had a 4 pts. win in a hard fought game in which Cappoquin had the upper hand for long periods. In fact they looked like winners with 10 mins. remaining when our lads took over and with their never say die spirit, scored 2 goals, one from a free by Kieran O'Keeffe and another by the evergreen Liam Ahearne who had come on as a sub and a point from O'Keeffe must have left Cappoquin wondering what hit them.

We are now into the semi-final some time next month. We had to play this game without Eoin Murphy and John O'Donovan who received an ankle injury in a minor game on Wednesday evening and also John Murphy who went to New Zealand on Thursday for 6 months on a Macra na Feirme Scholarship. We wish him all the best.

A feature of the game on Saturday was the return of Michael Neville who was absent with the past 4 years and we are pleased that he hasn't lost his touch and

caused the Cappoquin backs many headaches.

Team: Liam Murphy, K. Aherne (capt.), T. Roche, J. Hickey, M. Motherway, L. Dalton, M. Ryan, D. Casey, K. Murphy, S. Murphy, J. Baldwin, P. Murphy, K. O'Keeffe, M. Neville, P. Tobin. Sub: L. Aherne for P. Tobin.

**MINOR HURLING  
WESTERN A  
CHAMPIONSHIP**

In the first round at Lismore on Wednesday evening, our minors were assisting Tallow and had a 1 pt. win over Ardmore with the score Tallow 0-9 Ardmore 0-8.

**MINOR FOOTBALL  
WESTERN A  
CHAMPIONSHIP**

On this Wednesday evening, the first round will take place at Cappoquin with Shamrocks and Ardmore in opposition. Throw in 7.30 p.m. All players to be at the venue not later than 7 p.m.

**MIKE QUIRKE  
MEMORIAL HURLING  
TOURNAMENT**

On this Wednesday evening we will be taking part in the Mike Quirke Memorial 7-a-side hurling tournament and would request that selected players would be in Ballyduff at 7 p.m.

**CAUSEWAY TENNIS  
CLUB NOTES****JUNIOR OPEN WEEK**

Once again Junior Open Week is on in the Causeway Tennis Club. Children from all over Munster have descended on Dungarvan for this very popular competition. On Sunday all the under 10's got together to play a round robin. In all there were about 25 children who battled it out for a place in the finals. Some very fine tennis was played and it was an all Tramore final in both the boys and girls sections. Erica Maughan beat Andrea Maughan in a very tense close final. Andrea led in the early part of the game but the older sister eventually went on to take the cup. Andrea will still be eligible to play under 10's next and both of the girls will be participating during the week in the under 12 competition. In the boys final Eoin Purcell beat Eamon Murphy in another thrilling final which was watched by a big crowd in the clubhouse and grounds. These boys are doubles partners and will also be participating in under 12 during the week.

Tennis will continue all week with finals on Saturday 2nd August. It would be well worth anyone's while to come along and watch some great tennis locally. Some of the children are on Munster Squad teams so the standard of tennis will be very high.

Hope to see you all there.

**SENIORS**

The next event to look forward to on the senior front will be the Veterans Weekend on August 22/23rd. So all you vets get practicing now in plenty of time. Ladies morning is on Wednesday mornings at 10 am for those interested until the end of August. Don't forget that Junior Open players have priority on courts this week. Hopefully all games will be finished by 6.30 but some games may go over time so please be patient! There are still job vacancies for the week - court supervisors, umpires etc. are still required, so anybody with any free time please contact the desk in the clubhouse.

## LADIES FOOTBALL

# Waterford Just Lose Out In League Final Thriller

MONAGHAN 4-15, WATERFORD 3-13

In a truly remarkable National League final, Monaghan eventually emerged victorious at Duggan Park, Ballinasloe on Sunday last. A thrilling game that produced 35 scores, some great saves and a missed penalty and some brilliant passages of football, kept the large crowd entertained until the final whistle.

Few would have given Waterford a chance at half time as having played against a strong wind, they trailed by a massive 18 points (3-11 to 0-2). In fact they simply didn't play in that first half. Beaten in every sector by a rampant Monaghan side, they looked a very poor team.

Yet after 23 minutes they seemed in a reasonable position, trailing 1-6 to 0-2. Monaghan's goal came in the 12th minute from wing forward Edel Byrne and Angela Larkin (2), Diane Dempsey (2), Jenny Greenan and Michelle Murphy got their points. Ann Wall and Fiona Crotty had Waterford's replies.

But then the Waterford midfield collapsed despite the introduction of two substitutes and it was in this period that the 1997 league title was won and lost. Anita

O'Reilly's 23rd minute point triggered an avalanche of scores. A minute later she crashed in a goal, Diane Dempsey shot a point and Edel Byrne landed three points in a row before O'Reilly shot the third goal on the stroke of half time.

Waterford regrouped, made several positional switches and began the fight back. Catriona Casey and Clare Ryan scored points but Monaghan swept upfield and cancelled with similar scores from Diane Dempsey and Margaret Kearns. Thirty-eight minutes gone and still 18 points between the teams.

Geraldine O'Reilly pointed and then Waterford were awarded a penalty. Catriona Casey's drive was tipped over the bar by Monaghan keeper Martina Grey. Martina O'Reilly, Aine Wall and Geraldine O'Reilly shot successive points before Aine Wall hammered home Waterford's first goal in the 47th minute.

Waterford were flying with Noirn Walsh outstanding at right half back. Martina O'Reilly got another goal, but then Monaghan produced a trick they have perfected over the years. A couple of players were down, supposedly injured, and this bought

three crucial minutes. Even though the referee added this time on, the Waterford momentum was broken.

Angela Larkin and Audrey O'Reilly pointed for Monaghan, but back came Waterford and Aine Wall goaled. Martina O'Reilly, Julie Torpey and Claire Ryan all pointed. In the 62nd minute Claire Ryan shot to the net but the referee whistled back and gave a free out. It was a cruel blow.

Monaghan came again and a harmless looking lob into the Waterford goalmouth saw Edel Byrne, despite being surrounded by Waterford defenders, flick the ball home. The final act was Deirdre Nagle's last minute point and Monaghan were champions.

On Sunday we saw two sides of Waterford — very poor and brilliant. With the Munster final looming, nothing less than the second half performance will do against Clare.

Waterford — A. Crotty, R. Byrne, S. O'Regan, D. O'Rourke, S. Walsh, O. Condon, J. Torpey (0-1), M. O'Reilly (1-2), N. Walsh, C. Walsh, C. Ryan (0-1), R. Hallahan, G. O'Reilly (0-2), A. Wall (2-2), F. Crotty (0-1). Subs., N. O'Donnell, C.

Casey (0-1), S. Hickey (0-1), D. Nagle (0-1).

## MUNSTER SENIOR FINAL

Next Sunday, Waterford travel to Ennis to take on Clare in the Munster senior final. Clare defeated Laois by ten points in a challenge last Sunday. Waterford will have to show a major improvement if they want to stay in the championship. Claire Ryan is a doubtful starter after an injury picked up last Sunday.

## UNDER-16 MUNSTER FINAL

Waterford 4-12, Cork 1-1 Waterford blitzed Cork in the Munster final played at the Fraher Field last Wednesday evening. Two quick goals by Niamh Barry and Julie Keane gave Waterford a great start and Niamh's second goal gave the home side a 3-5 to 0-1 interval lead.

In the second half they continued to dominate and Angie Walsh's goal ended the Cork challenge. Goalkeeper Leigh Mulhearn, Bridget Hannigan, Ann Morrissey, Tanya Kirwan, Mary O'Donnell and Niamh Barry were outstanding for Waterford.

## MINORS

This Wednesday, Waterford travel to Ballylooby to take on Cork in the Munster minor semi-final. The game is timed to commence at 7.30 p.m.

## STRADBALLY G.A.A. CLUB NOTES

### MINOR HURLING CHAMPIONSHIP

Last Wednesday evening we travelled to Dungarvan club grounds to play An Gaeltacht. This was a good tough game and all our lads played extremely well. Half-time score was Stradbally 0-8 An Gaeltacht 1-2. With 5 mins. to go we were still leading by 2 pts. An Gaeltacht then scored a point and finally got the equalising point 2 1/2 mins. into over time. Full-time score Stradbally 0-10 An Gaeltacht 2-4.

Team: B. Curran, D. Power, S. Keane, M. Fitzgerald, J. Coffey, K. Coffey G. Power (0-1), P. Kiely, E. Curran, T. Costello, A. Darcy, T. Curran (0-9), K. Kirwan. Subs: P. Wade, M. Walsh, J. Halpin, E. Cunningham.

### JUNIOR B FOOTBALL CHAMPIONSHIP

We had a 5-11 to 0-9 victory over Eire Og in the first round played at Fraher Field last Saturday evening. Two goals from Benny Lawlor in the first half gave us a great start with goals following from Paddy Lawlor, John McGrath and Noelle Weldon who had a great game. Others to play well were

Kevin Coffey, Mark Fitzgerald, Maurice Lannon, James Keane and Adrian Kirwan.

### SENIOR FOOTBALL QUARTER-FINAL

Well done to our senior football team who had a great win over County champions Rathgormack on Sunday evening in Fraher Field. Rathgormack got off to a good start scoring 1-3 before we could reply. Eoin O'Brien scored the opener from a free and then our lads really got going with Liam O'Brien scoring the penalty when Paddy Evans was pulled down in front of goal. We went a point ahead when Eoin O'Brien fisted a great goal. The half-time score was Stradbally 2-3 Rathgormack 1-6.

In the second half Rathgormack went 3 pts. ahead before Liamo pointed from a free. Then a well taken goal by Liamo put us into top gear and we were on our way to a well deserved victory. Kevin Cunningham brought off some spectacular saves and was our man of the match. Liamo scored 3-4 and this must be near the record for scoring in a Championship match. Well done to each and every one of our players as this was

very much a team effort.

Team: K. Cunningham, T. Walsh, L. Walsh, M. Curran, P. Kiely, O. Costello, T. Costello, G. Walsh, T. Gough, P. Evans, N. Curran, N. Cusack, L. O'Brien, S. Cunningham, E. O'Brien. Subs: E. Clancy for P. Kiely, R. Gough for T. Gough.

### SYMPATHY

On behalf of our club I would like to offer our sincere sympathy to the Whelan family on the death of James Whelan. A graveside oration was given by our Chairman, Tom Cunningham which read as follows - Before we leave here today, I would like, on behalf of Stradbally G.A.A. Club to pay tribute to Jimmy Whelan, our President and friend.

Jimmy, from an early age, took a keen interest in Gaelic games and showed great promise at underage. He won his first county title in 1932 when Stradbally won the Junior Football Championship. He was one of the stallworths of the five in a row from 1940-1944. On the field of play, he was as solid as a rock and very well able to look after himself in the white heat of championship battle and whenever

football is talked about in Stradbally or anywhere else in the Decies, Jimmy's name is bound to come up. He served as Club Secretary and Treasurer and when the need arose, he made a playing field available.

Off the field, Jimmy enjoyed nature and all outdoor activities. With his dog and gun, he travelled every glen of the valley in the mid county area. He also took a keen interest in greyhounds and horses and in later years he enjoyed the odd pint and a pull of the pipe and a chat with his friends about the tough years gone by and was never short of a witty answer.

May the sod of his native place lie gently on his chest. Ar dheis Dé go raibh a anam.

### TRAMPS BALL

On Sunday, August 3rd we are holding a Tramps Ball to raise funds for our players. We have a prize for the best dressed lady and tramp so hopefully every one will dress up for the occasion.

### UNDER-21 HURLING COUNTY FINAL

## TALLOW G.A.A. CLUB NOTES

# UNDER-21 HURLING THOUGHTS

It is over a fortnight now since our one remaining county team, our under-21 side, made an inglorious exit from the Munster Championship at Thurles. There was a big representation from Waterford at the match. They travelled in strength, in confident expectation of not alone a good performance but perhaps even eventual victory. Hadn't Waterford minors performed pretty well over the last 4 years, apart that is from the Munster finals of last year and 1995 when good Cork and Tipperary teams put our performances in perspective. Those two finals underlined our lack of ability to perform basic skill quickly or with any consistency and yet had we not beaten what was essentially the same Tipperary team 3 years ago? Having mastered them in 1994, we should be well able for them now. What in heaven's name has happened to us, to them, in the meantime that there should now be such a huge disparity in scoring between us.

We have only to cast our minds back to the Munster minor final of last year, when our opponents were also the blue and gold. The simplicity, pace, power and craft of their hurling was in a different league to ours. Last year's All-Ireland winning team from Tipperary supplied this year's under-21 team with three of its stars - Eugene O'Neill fulcrum of their attack, John Carroll at midfield and Michael Kennedy at centre-forward. For lads of 19, those three were as exciting a trio as I've seen for quite some time and left an indelible impression on the scoreboard and on the game. O'Neill is an exceptional talent and will continue to amass scores against any opposition but sure didn't we know about him since last year. We were well aware of his style and capabilities but it appeared that we devised no means of tackling and limiting him.

Victor O'Shea was the man deputed to mark him. Victor is a good promising hurler who played very well for our minors at centre-back in Fermoy this year even though he is inclined to be easily drawn out of the centre thus leaving a clear pathway to goal which fast forwards can exploit. He is definitely not a wise choice full-back. Experience in full-back play is essential for the position because without experience, confidence is in short supply. Pulling on the airborne ball is a risky strategy for a full-back unless he is built in the Pat Hartigan mould and the player without enough confidence in his own inability is reluctant to play his opponent from the front, vital where O'Neill was concerned. The half-back who allows the half forward away in a run without chasing him speedily is failing in his duty. Far too often did we see this happening. That unmarked unpressurised forward upsets the whole defence, every one of the backs plus the goalie. Tipperary's half forwards didn't dominate the scoring but contributed handsomely in the build up to scores and have great potential. I saw Andy Moloney two years ago in the Tipperary Under-21 Championship match Cahir v Fr. Sheehy's, Clogheen. Until he retired injured after 20 mins. this big strong talented lad was outstanding and central to all that his team were achieving. Tipperary senior selectors have come to recognise his talent and he has already played in the league. Although out of position, Liam Cahill is a great forward and so is Phil Dwyer so the Tipperary half line of attack was a potent unit. As a consequence our half-back line was under continuous pressure because of the supply of ball emanating from midfield and the Tipperary half-back line.

Our midfield was a major disappointment. Our hurling was never simple and direct and quick. The curse of the present day game - picking and handling, running and trying to strike or pass, all from the Cyril Farrell School of Excellence - seemed to be our only approach. And this criticism applies to all Waterford teams from under-14 to

senior. The double on the ball is scorned. Why? That is one question easy to answer. It is never practised properly. You play as you train. We have club training week after week where no priority is given to this skill and there are many coaches, far too many who encourage hanging on to the ball, solo running and passing to the virtual exclusion of ground hurling. "Go!!" "Take them on!!" are the battle cries of the jennet express brigade. Not, of course, that a player should never solo or break past his marker. There are occasions when such tactics are to be recommended but my objection is to what I see as a deliberate over-emphasis on one tactic, a tactic which is the only one employed making the opposition's task so very much easier because the marker knows what to expect.

It was unfair to the player himself and a disservice to his team to place David Bennett at full forward when he wasn't going to get low quick ball in to him, the kind of ball which results from quick whipping on the ground in the midfield and half forward areas. This was David's only hope of securing possession and escaping the clutches of Shelley, Tipperary's shining defensive star in the Munster Senior Final against Clare.

David is a good hurler of excellent skill whose talents are better employed on the wing. He hadn't the slightest chance, the way Waterford played, against the abrasive Shelley. Wouldn't a switch between Shanahan and Bennett have benefitted both and their team? Significantly U.C.C. selectors position David in the half-forward line for the college and he has been scoring freely.

Dan Shanahan is blessed with fine physique, always was since he first caught a hurley but he always tries to grasp the ball in his left hand and when he does - and at this level you can't guarantee that your marker is a moron or an innocent abroad who will stand admiringly as you catch the sliotar every time - he always turns left before striking. There is no variation, it is wholly predictable. The problem really stems from his advantage in height, weight and strength throughout his early career. He was bigger than all others and could put up his hand unhindered every time. So of course he never needed to strike the ball on the ground or to develop his right side or to vary his play as all good adult forwards must when they reach inter county level. He is young, ambitious I'm sure and willing to respond to effective coaching. He needs proper direction to enable him develop into a potent forward and when next year's championship comes around, he can, if he so wishes, be a serious scoring threat to any team. Who is going to motivate him to think about his game and work on his weaknesses?

I met Willie John Daly last week. It was so refreshing to meet the Carrigtwohill man with the zest for life. He is now in his 72nd year and all the vigour and enthusiasm which characterised him are still undiminished. A most animated and interesting conversationalist, Willie John has a great interest in and knowledge of hurling, not just Cork hurling but club and inter county hurling at a national level. Chatting with him is a stimulating and rewarding experience. He doesn't hide his great admiration for the brand of hurling played by Waterford teams at their best. To be honest what appeals to me most about Willie John is his conviction, which I share, about direct, quick economical striking which good teams possess. Even in his day, the forties and fifties, a solo run wasn't scorned when it seemed the correct option but every member of his Carrigtwohill and Cork teams could strike the ball well in the air or on the ground no matter what the circumstance.

In 1952 All-Ireland Senior Hurling Final with Cork, Willie

John had a most productive and rewarding hour. I was right in line with one of his points struck from the left wing. It was a shot from his left side, under pressure. Now most right-handed strikers have difficulty avoiding a slice on a strike from that side. Willie John's soaring points from a spot near the sideline on the 50 yard line that day was like a shot from a rifle. He recorded points from his right too and on one occasion when he failed to find Ring with a pass after rounding his man, he soloed forward to the 21 before striking off the stick over the bar. I remember him whipping on the ground, left and right and doubling in the air with such ease and grace and effectiveness that he made it seem the easiest thing in the world. And it was, too, for Willie John whose training every evening - that's right, every evening, it is the only way to acquire his level of skill - consisted of practising a wide variety of skills with a preponderance of first time striking. "Do you know," said Willie John, "what Timmy Ryan, the Limerick midfielder said when he was asked by an interviewer about his game plan?" This was the incomparable Timmy, prince of midfielders during the thirties and forties, a man rarely mastered in that position. I never forgot Timmy's answer and reminded myself of what he said every time I took the field. His answer, like his hurling, was simple and direct: "when a ball came in the air, I doubled on it and when it was on the ground I whipped on it. In that way I was never in trouble." How absolutely and stunningly simple. He was "never in trouble" because the ball was gone in to his forwards. No hardships were imposed on his body nor did he slow up play.

What is the relevance of Willie John's story about Timmy Ryan? Why, of course, that the modern craze to catch everything in the air can be stymied by well-drilled opposition as can a policy of lifting, handling, running and attempting to strike under pressure. A midfielder should be an accomplished ground striker and be a competent doubler of the air ball. Not, as some might think, that the midfielder should stand under it waiting for the ball to drop. That's quite useless. The good hurler, whatever his position, will never wait for the ball, he will always go for it whether he is stopping it or doubling on it. As Ring stood under the dropping ball, he waited until the last second before moving forward, jumping in the air and making a high, short, wristy swing which had the effect of slicing the ball. This imparted spin and made it difficult for the goalkeeper to stop. One of Cork's goals in Thurles in 1961 in their Munster hurling semi-final game against Waterford came from Ring's aerial pull on the edge of the square. It ended Waterford's chance of victory and promptly obliged the selectors to justify their existence by replacing the goalie!!

I can't remember either of Waterford's midfielders or either wing forward of our under-21 team pulling properly on the ground in that Thurles game. Did they do it in training? This team, remember, held out our greatest prospect of success in 1997 and have been planning since before Christmas last. Do the selectors understand the value of this simple direct style, a style for which former Waterford teams were renowned and which struck a responsive chord in the heart of Willie John Daly and all others who cherish good hurling. Has any other effort been made to analyse our games and learn a little each time? Do you think we must endure a further chapter of failed opportunities next year? Does anyone care as year follows year while our wonderful loyal band of supporters travel far and wide in support of teams which, apparently, over many years haven't been properly prepared? Who is going to do something to address this major problem and when?

## LOTTO CONTINUES TO GROW

Once again we had no winner in Sunday night's draw held in Keevers' Bar when the following numbers were drawn - 2, 5, 17. We had the following consolation prize winners -

Ber Harty, Main Street, Ardmore; Seamus Prendergast, Glencorran, Ardmore; Martin Ruddy, Ballinamona, Ardmore; Breda Roche, Old Parish and Jacinta Power, c/o Josephine's Hair Salon, Ardmore.

Next week's draw will be held in O'Reilly's Bar, Ardmore and tickets can be obtained from all the local outlets and ticket sellers. We thank Keevers' and their staff for their hospitality on Sunday night.

## HAPPY EVENT

Congratulations to Nicky and Dervla Keating on the birth of a baby boy over the weekend, a baby brother for Seamus and Caoimhe. Nicky is of course one of our leading players and is co-ordinator for our Intermediate football team also. We wish mother and son the very best for the future.

## DÉISE DRAW

Promoters are reminded that the next draw takes place on August 6th so all monies should be collected in advance of this date and handed into the Club Co-ordinator not later than August 4th. Also all lottery scratch cards should be given out and any winning ones should be returned as soon as possible as if you have three matching symbols, you will remain in for each monthly draw.

## MINOR HURLERS BOW OUT

Ardmore 0-8  
Tallow 0-9

Our Minor hurlers were unlucky not to at least have salvaged a draw from this very competitive and entertaining match played in Lismore on last Wednesday evening. The sides were evenly matched with Tallow settling the quicker but both defences were giving little away and early scores were from frees with Wayne Hennessey converting two for us. Further scores from play from Michael Supple and Wayne left it 0-4 each at half-time.

Tallow again got the better start to the second half and raced into a 4 pts. lead before we finally began to claw our way back. Cathal Hennessey had our next

score followed by Wayne from a 65 before a Wayne free left the minimum in it again. A rather harsh free was then awarded to Tallow when our full-back executed a perfect block down and the resultant crucial score left us 2 pts. down with just minutes to play. We did add a further point from Michael Supple but a missed free was to prove costly.

We would have deserved a draw as in truth neither team deserved to lose as it was played in a sporting manner throughout. Our patrons enjoyed the game at which no gate was taken and as there was a large crowd present, the Western Board lost out.

Team: James O'Donnell, Patrick Conway, Declan Prendergast, Jamie Hennessey, Brian Lenane, Austin Flavin, John Conway, James O'Neill, Seamus Prendergast, Wayne Hennessey, Michael Supple, Ciaran Foley, Adrian O'Donnell, Cathal Hennessey, Richie Hennessey.

We wish Tallow the best of luck for the remainder of the competition.

## RIVALRY RENEWED THIS WEEK

Following last Wednesday's nailbiting affair, both sides again face each other on this Wednesday night in Cappoquin, this time in the first round of the Minor Football Championship and again it will be a very close game with hopefully the result going our way this time.

## GET WELL WISHES

We wish a speedy recovery to young Niall Hennessey who fractured his collarbone with the minor side on Sunday morning as he was filling in for some of our lads who were otherwise engaged. He will be a huge loss to our under-16 hurling side who up to now were doing very well.

## JUNIOR FOOTBALLERS ALSO BOW OUT

Ardmore 1-8  
Clashmore 2-8

Our Junior footballers gave a great account of themselves in Old Parish on Friday evening last when, after a spirited display enhanced by the availability of a large panel, they only succumbed to rivals Clashmore by one goal and with a little more preparation could easily have won the game.

This was a fine display with outstanding performances from Adrian Yellop in goal, capt. Glenn Moloney in defence, ably

supported by Maurice Hennessey while Sean O'Neill displayed plenty of skill in midfield while up front the old heads of Seamus Veale, Pat Walsh and Tony Keane along with the introduction of Dec Hennessey gave the Clashmore defence many anxious moments before they finally secured victory.

Team: Adrian Yellop, Glenn Moloney, John Power, Patrick Prendergast, Edwin Flavin, Maurice Hennessey, Cillian McCarthy, Mark Power, Sean O'Neill, Billy Mahony, Seamus Veale, Seamus Budds, Andy Baker, Pat Walsh, Tony Keane. Subs used: John Conway, James O'Neill, Dec Hennessey, also Brian Power, Tomas Power, Dec Lenane, Eamonn Flavin.

Everyone is invited to walk and parents are especially welcome.

## MEETING

A meeting of the Juvenile Club will take place on Tuesday, August 5th at 8 p.m.

## UNDER-13 HURLING

On Friday last at our club-grounds we faced Lismore in the Western Bord na nOg Hurling League. Our young team got off to a great start and led at half-time on the scoreline 2-1 to 1-2.

In the second half we continued to play first time hurling and emerged worthy winners on the scoreline 3-3 to 2-5.

Team: Jonathan Regan, John Paul Tutty, Tony Sheridan, Trevor Moore, Stephen Kirby, Justin Houlihan, Christopher Wall, Ricky Tobin, Shane Hayes, Keith Hoggart, David Ferncombe, Jamie Nagle, James Dalton, Kirk Sullivan, Sean Fitzgerald, Eddie Fitzpatrick.

Our next game is away to Tallow next Friday. Throw in is at 7 p.m.

## MINOR HURLING CHAMPIONSHIP

On Wednesday, July 23rd we took on Naomh Bríd in the Clonea Strand Hotel Minor Hurling A Championship. Conditions were misty. The game ended as a contest by half-time. Score 3-4 to 0-2. The final score was Dungarvan 7-9 Naomh

## Bríd 0-2.

Even though we won by the above margin, our players, apart from a few, did not perform near to their full potential. If the Championship is to be won, a lot of hard work lies ahead. Several chances were messed up by not whipping on the ground ball so lads listen to your selectors. Get on with the training and let the ball do the work.

Team: P. Ahearne, A. Harney, O. Sheridan, J. Flynn, G. Cusack, B. Shanahan, E. Morrissey, B. Ahearne, J. O'Mahoney, G. Nagle, J. Burke, M. Power, D. Keating, B. Power, D. Truman. Subs: D. Kelleher, S. Kiersey, E. Mansfield.

## SENIOR FOOTBALL

On Friday night last we took on Gleann na nDéise in the replay of the Senior Football Championship. This game was played in very good conditions and some very good football was played in patches. At half-time we trailed on the scoreline 4 pts. to 3 pts.

We started to dominate in the second half and going into the final 10 mins. led 9 pts. to 5 pts. Our opponents proved very strong in the final 10 mins. and the game ended on the scoreline 10 pts. to 1-7.

Extra-time was played and in the first period Gleann na nDéise pulled ahead 1-9 to 10 pts. We finished the better side in extra-time and won on the scoreline 1-12 to 1-10.

## HAPPY EVENT

## Abbeyside \ Ballinacourty G.A.A. Notes

### U-14 HURLING COUNTY CHAMPIONS

The return of the Ned Lonergan Cup to our club after a lapse of 25 years has invoked much satisfaction within the parish. On Monday evening, July 21 our under-14s turned in their best display of the year and the very noticeable improvement in their hurling since their victory in the Scanlon Cup final some weeks back speaks volumes for the amount of dedicated work which their team mentors Pakie Hurney, Pat Moore and Joe Cleary have put in with them on the training pitch. The fact that it was Mount Sion who were overcome (by 7-3 to 2-3) certainly added to the occasion as the famous city club have been great rivals of ours going back to the early fifties.

It was a joyous journey home for the panel of players who were feted in fine style at Clonea Hotel.

Well done to our u-14 county champions — Patrick Enright, Sean Byrne, Rick Hanrahan, Eoin Enright, Aonghus Murray, Liam Briggs, Sean Kiely, John Hurney, Sean Cleary, Pat Moore, David McGrath, Eoin Ryan (1-1), William Morrissey (0-1), Jimmy Moore (capt.) (4-1), Declan Fives (2-0), John David Gordon, Patrick Lynch, Alan O'Kennedy, Stephen O'Regan, Gary Dunford, David Troy, Diarmuid Molloy.

### U-14 CHAMPIONS 1972

25 years ago at the Cappoquin venue on September 17th, 1972, Abbeyside under-14 hurlers captured the club's first county title in this grade in a thrill-packed encounter, defeating city side Roanmore by 1-3 to 1-2.

### U-12 HURLING CO. FINAL

#### Mount Sion 1-2, Abbeyside 0-0

Our under-12 hurlers shared a great county final with Mt. Sion at the Fraher Field on Sunday morning last. The city boys led at the interval by 1-1, yet there was very little between these teams as the "Village" boys came very close to getting a couple of goals late in the game.

Great credit is due to team mentors Larry Cliffe, Bernard O'Gorman and Pat Ryan for all the hard work which they have put in with this panel of players.

Abbeyside — Cian Moloney, Seamus Shields, John Kindregan, Ronan Fleming, Joey Mullin, Richard Phelan, Simon Hanrahan, Patrick Lynch, Peter Phelan, Mark Gorman, Eoin Enright (capt.), Mark Fives, Kelvin Brady, Kieran Murray, Brian Scanlon. ### GOOD TIMING

The under-14 hurlers had a warm-up hurling puck-about at the Butlerstown pitch on their way to Waterford for the county final and then travelled into Walsh Park togged out and ready for action.

Now the attention will turn to football.

### MINOR HURLING AND FOOTBALL

On this Wednesday evening the minor footballers play Stradbally in the championship at Leamybrien at 7.30

### NEW REFEREE

The club provided a new referee to Bord na nOg last week in the person of Pakie Hurney. Joe Cleary is of course treasurer of County Bord Na nOg.

# Dungarvan Survive In Extra Time Of Replay

DUNGARVAN 1-12 GLEANN NA NDEISE 1-10

The standard of football in this SFC game might not have been great but the quality of the contest was splendid and patrons at Fraher field on Friday evening certainly got value for money out of this 90 minutes of football in a replay that ended all square after 60 minutes and had to go to extra time to decide the issue. The match was featured by two super goals, one in normal time and the other in the extra time period. Kevin Walsh's 54th minute strike after a 60 yards solo had the mark of quality about it and the goal by John Ferncombe which brought Dungarvan back into contention in the 20th minute of extra time, also had a touch of class about it. It was a game of missed chances and it was a match in which luck played a major role for both sides. The group team, Gleann na nDeise probably had more hard luck than Dungarvan and at times spectators must have wondered what kept the ball from crossing the goal line. The opposing goalkeepers McGregor and Cotter brought off several great saves, and on both sides there was splendid defensive play as illustrated by the fact that over 90 minutes of football produced only a goal each. The Gleann's full back, John Hallinan, was man of the match, but there were others on both sides who contributed a lot to the very enjoyable contest that took 150 minutes to resolve, before Dungarvan, showing remarkable stamina and resilience survived to meet Ring in the quarter final in

two weeks time.

## PLAY

Ciaran Power pointed for Dungarvan in the 2nd minute and David Ryan equalised in the 8th for the group team, who exerted great pressure and missed a goal or two due to splendid defensive play by Dungarvan. Kevin Walsh added two points and John Fitzgerald added a fourth before Dungarvan came for a couple which were sent over to leave the halfway score at 0-4 to 0-3 in favour of Gleann na nDeise.

## ON TOP

From the start of the second half, Dungarvan were completely on top after a brief period of group team pressure. The club side added five points without reply with points by John Power (3), J.J. Ronayne and Jamie Burke, who made quite an impact on the game when introduced as a substitute. Eleven minutes into the second half John Fitzgerald had a point for the group team, but Dungarvan were back with a Trevor Mahony point to restore their 4 points lead. Mark Radley and John Power exchanged points before Kevin Walsh's splendid goal and a good point by Mark Radley to leave the teams level in the 57th minute. Dungarvan then were given two great chances of pointing from frees, but failed in both attempts. So the replay again ended in a draw and in accordance with rule, extra time had to be played.

## EXTRA TIME

A point was waved for the group team but the referee decided it was wide. A 55

yards free was converted by Kevin Walsh and John Fitzgerald's point put Gleann na nDeise 2 in front.

When play resumed after the break, John Ferncombe broke through for his unstoppable shot that gave Ciaran Cotter no chance. After splendid work by Derek Lyons, Eoin Cunningham pointed and Kevin Walsh had another to leave but a single point between them with only minutes remaining. John Power made it two before the group team put on enormous pressure to rescue the game and in a ruck in around the square, the ball was twice saved before Kevin Walsh hit the upright to have the ball rebound with time running out and leaving just two points between them.

The view being expressed after the match was that the whole idea of allowing group teams into the championship, proved to be very worthwhile and it now seems sure that the experiment will continue next year.

Dungarvan: C. McGregor, D. Dee, D. Burke, H. McGovern, T. Galvin, N. Conside, C. Gough, D. Lyons, E. Cunningham (0-1), J. Power (0-8), J.J. Ronayne (0-1), K. Curran, T. O' Mahony (0-1), J.J. Ferncombe (1-0), D. Callaghan. Subs: J. Burke (0-1), for K. Curran

Gleann na nDeise: K. Cotter, D. Cullinane, J. Hallinan, T. Condon, P. Fitzgerald, D. Kiely, S. Denn, M. Radley (0-2), J.P. Ryan, D. Ryan (0-1), K. Walsh (1-4), D. Tobin, C. Walsh, J. Fitzgerald (0-3), R. Ron-

ayne. Subs: J. Fitzpatrick for R. Ronayne, P. Dunford for J.P. Fitzgerald, N. Downing for J.P. Ryan. E. Spratt brought on in extra time.

Referee Robbie O' Neill (Ferrybank).

## Under-21 Hurling B County Final

This final between western champions, Stradbally and their eastern counterparts, Clonea goes on at Walsh Park on Saturday evening next. Traditionally Clonea do better in this particular grade than in any other championship as their record over the years will show.

They are reported to have another strong side this year so they will be favourites to take another title.

## WESTERN BOARD MEETING

The Western Board will convene in open session at Lawlor's Hotel on tonight Wednesday at 9 p.m.

The agenda states that referees' reports and championship and league progress will be discussed and the next round championship draws will be made.

## EDDIE CAREW R.I.P.

The great Erin's Own man who had won several county senior hurling championship titles with Erin's Own in the forties and who was a member of the first Waterford senior hurling team to win an All-Ireland, died last week after an illness of some duration.

Eddie, who was a very likeable person, played at centre field with Johnnie O'Connor on the team which defeated Dublin by 6-7 to 4-2 in Croke Park.

There was a big presence of GAA people, particularly from the city area, at his funeral on Thursday and burial on Friday. Ar dheis Dé go raibh a anam.

## Senior Hurling League Semi-Finals

Both the senior hurling league semi-finals will be played on Friday week, August 8. At Walsh Park, Mount Sion will play Ballygunner and at the Fraher Field, Lisimore will take on De La Salle. Both matches will be at 7.30 p.m.

Three of the teams, Mount Sion, Ballygunner and Lisimore, are still standing in the championship.

## NEXT WEEKEND

# U-21 Hurling County Finals At Walsh Park

## Minor Football Championship Begins In West

## Clashmore v Geraldines Junior Hurling Championship Replay At Fraher Field

Months ago when the championship schedules were being set out, it was planned to have a quiet weekend around the beginning of August but circumstances have made it necessary to make a couple of changes to the programme and now the Senior Board with the co-operation of the clubs concerned have fixed both the Under-21 Hurling County Finals for Friday and Saturday evenings next.

Playing them at this time is highly desirable as in the past number of years we have seen them being decided in winter months and in bad weather conditions. Like last year when we played our under-21 finals in December in Dungarvan.

The big Western Board game is the attractive replay of the drawn Junior hurling first round match between Clashmore and Geraldines which thrilled a big crowd at Fraher Field two weeks ago. This was an unexpected fixture for the Divisional Board who are having it replayed now in order to keep the championships on schedule.

The only other adult game listed for decision is the Junior Football B Championship game involving Melleray Rovers and Kilrossanty which goes on at Cappoquin on Saturday evening.

There is a full schedule of Minor Football Championship games listed for the different venues throughout the west on this Wednesday evening. All are timed for 7.30 p.m.

### UNDER-21 HURLING FINALS

In the A County Final it is a contest between old rivals Mount Sion and Lismore who have come to be regarded and respected as the underage specialists in the county in recent years. Their game is on Friday at Walsh Park and on Saturday Clonea and Stradbally will battle for the B county title at the same venue. It was planned to have these as a double header but they have been separated in order to accommodate players and

officials going away on holidays.

### LISMORE v MOUNT SION

This being the only game of note fixed for Walsh Park over the holiday weekend and it is certain to attract a big attendance of hurling supporters.

As I have written on so many occasions, hurling games between these old rivals have always been real fullblooded contests. Many have been described as underage classics. There is no reason for supposing that this will be any different as each club is determined to lead the way with the first hurling county title of 1997. Knowing also that they can meet in the Senior Hurling County Final in 8 weeks time, they will both want to achieve the first of a possible double ??

Mount Sion who lost out to Ballygunner in the east last year, are now back with a very strong team backboned by Ken and Roy McGrath, Paul Hammond, Trevor Flynn, Jamie O'Meara, Shane Flynn, Jonathan Flanagan, Rory Sheridan, J. P. Kennedy and company. They will possibly start favourites to take the title which is presently held by Lismore who defeated Ballygunner by 1-12 to 1-2 in Dungarvan last year.

Here in the west, Lismore/Ballysaggart again established themselves as the top under-21 team and showed their true strength of character and skill when they overcame the very strong challenge from a determined Ballyduff team in a great western final at Cappoquin 6 weeks ago.

Led by county under-21

goalkeeper Brendan Landers, Dan Shanahan, Dave and Eoin Bennett, they will have good under-21 players in the centre half-back. Tom Veale, William Cunningham (who scored three goals in the Divisional Final), A. Whelan, Michael Caples, Peter Howard, Jas. McNamara, Jas. O'Brien, David Howard and Gary Keane, all of whom have won underage championships from under-14 on to minor and are experienced players.

Whatever the result, it should be a wonderful game of hurling between two splendid teams. I feel that Mount Sion will have the edge and I make them the favourites to recapture a title which they have won on many occasions before. Lismore have won this championship on five occasions - 1986, 1990, 1992, 1993 and 1996.

### MINOR FOOTBALL CHAMPIONSHIP

There are 8 teams in this Minor Football Knockout Championship and all are due to play tonight and all 8 feel that they are in with a chance of taking the title which last year was won by Ardmore.

Because clubs lose players through the aging process in all underage championships from year to year, it is difficult to forecast the likely result of first round matches. This makes the whole affair wide open and therefore all the more interesting.

At Leamybrien, Abbeyside and Stradbally meet in their first round and while this one, like the others can go either way, Abbeyside, who have enjoyed tremendous success in this championship in recent times, will be favourites to advance.

At Fraher Field, Kilrossanty and the Nire (who won the B Minor County Football Final last year) will meet to decide which club goes forward to the next round. I have a feeling that it will be the Nire on this occasion.

Cappoquin is the venue for the Shamrocks v Ardmore clash. I can recall being told

after the County Final last year that Ardmore, who were narrowly beaten by Gaultier, had the majority of their team eligible again this year. If this is correct, then the Shamrocks/Tallow combination could find it very difficult to advance.

Colligan is the venue for the Dungarvan v Naomh Bríd game which is very likely to result in a win for the Blues.

### MINOR B FOOTBALL

Only six clubs are entered for this championship and two, Kilgobinet and Briceys have received byes.

At Bushy Park An Gaeltacht and St. Olivers will meet and the Saints will be fancied to win while at the Abbeyside venue, Clashmore will be slight favourites to account for Affane.

### JUNIOR HURLING CHAMPIONSHIP REPLAY

The replay of the Clashmore v Geraldines Junior

hurling tie at Fraher Field on Friday evening is the big attraction at this end of the county over the coming weekend. The drawn game was a thriller as the Geraldines put in a storming finish to earn a share of the spoils. On this occasion

there can be no sharing of the spoils as extra-time will have to be played if the issue is undecided after 60 mins. Those who saw the drawn game certainly won't want to miss this again and as well, the game is sure to attract many more.

## JUNIOR FOOTBALL GAMES

### BALLINACOURTY COULDN'T LOSE! Ballinacourty A 3-10, Ballinacourty B 1-1

This was probably unique in the history of football in this county when two teams from the same club met in the first round of the same championship. It was also unique for another reason as throughout the match there was no one other than the linesmen on the sidelines throughout the game. Both sets of Ballinacourty mentors remained seated in the dug-out. There could be a very good lesson in this for all the Boards.

This game was played in a fine sporting manner and the patrons in the stand were all supporting both teams so there was a total absence of rivalry.

The teams were applauded at the finish.

At half time the score was 1-5 to 0-1 in favour of the winners. Tomás O Meachair (Ring) was the referee.

### COMFORTABLE WIN Stradbally 5-11, Eire Og 0-7

Goals by Benny Lawlor in the 5th and 10th minutes and a further goal by Noelle Weldon in the 28th minute helped Stradbally to a 3-5 to 0-4 half time lead.

Eire Og tried very hard all the way but were not a match for Stradbally whose side included several very experienced players.

### NIRE TOO GOOD Nire A 2-10, Sliabh gCua 1-4

The Nire junior footballers made the journey to Kirwan Park, Touraneena a winning one on Friday evening last when they had 9 points to spare over the home side in this second string JFC game. The winners led by 2-5 to 0-2 at the break, the two goals coming from Michael Ryan and the second taking a deflection off a defender.

Sliabh gCua battled hard in the second half and were rewarded when Sean Kearns goaled. The Nire were the stronger team overall and are safely through to the next round. Referee: J. M. Kelly (Shamrocks).

## Gaultier Beat Tramore In Thriller

### Gaultier 1-8, Tramore 0-8

Gaultier can thank a glaring sun that had a dazzling affect on goalkeeper Tom Brennan who was unsighted when fellow county player Shane Bergin shot a Gaultier goal at the start of this tremendously exciting SFC quarter final tie at Walsh Park on Saturday evening before a good attendance.

The winners held a one point lead at half time and Tramore fought strongly all through the second half, but failed to get the breaks they needed to stay in contention. The winners now go on to the county semi-final.

### INTERMEDIATE HURLING CHAMPIONSHIP Shamrocks 2-10 Cappoquin 1-9

This was a splendid game of good hurling played at the Lismore venue on Saturday evening before a big attendance. The game was marred by one very ugly incident after a spectator entered the field during a brief flare-up.

Cappoquin led by 4 pts. and looked all over winners with only 4 mins. remaining but in a hectic finish, Shamrocks got the scores to win the match. Hopefully a report of the game will appear in the club notes.

### Ring 1-12 Ballysaggart 1-6

News of this Intermediate hurling tie was flashed back to Fraher Field on Sunday evening where the football game was in progress and we look to the Cappoquin Sportsfield report for an account.

## SENIOR FOOTBALL CHAMPIONSHIP

# Stradbally Shock The County Champions In Thrilling Game

STRADBALLY 4-8 RATHGORMACK 1-12

Everyone in the big crowd leaving Fraher Field on Sunday evening last were agreed that Stradbally's sensational victory over the reigning county champions Rathgormack, has thrown the championship wide open. They were also in agreement about this being the best and most exciting game in a championship that has already produced shocks, draws, replays going to extra-time, controversy and argument. They will agree also that more of this brand of football will banish forever any notion of returning to the league style championship. The knockout has given a whole new meaning and a new dimension to the competition and long may it continue so.

The demise of the champions in any grade or code brings a certain amount of sadness with their defeat and that was the case on Sunday evening when the very popular Rathgormack, who were beginning their bid for three in a row and who had represented the county in the club championship with distinction since their rise to fame, collapsed at the hands and feet of their very worthy challengers.

Stradbally who came to life after an appalling first

quarter during which they looked like being annihilated when trailing by 1-3 to no score. In fact it did seem that the champions might have put the game well out of Stradbally's reach before all the paying customers had passed through the turnstiles. Ten minutes had gone by before the ball made its first appearance into Rathgormack territory. Then Stradbally came back to life and it was Rathgormack who had to fight back to get on level terms when the half-time whistle sounded.

Rathgormack added 6 pts. in the second half but as the story of this moiety unfolds, readers will see that this was only half enough against a rampant Stradbally team who kept their best football until the final quarter.

## PLAY

Richie Power had the ball over the bar for Rathgormack's first score within a minute of the start and within another 2 mins. they were 3 pts. ahead after scores by Frannie Halpin and Joe Murray. In the 6th min. Frannie Halpin added a goal to put the champions 6 pts. in front. They had a number of wides and were in tough luck when Pat Crotty had his blockbuster shot saved by Kevin Cunningham in the Stradbally

goal in the 13th min.

It was then in the 14th min. that a Stradbally attack resulted in a free being awarded and Eoin O'Brien gave the Reds their first score. Stephen Cunningham added another in the 15th and Liam O'Brien made no mistake from a 45 metre free in the 16th min. Two minutes later the Stradbally roar was heard to great effect when Pat Evans was fouled close to goal and the hero of the night, Liam O'Brien crashed the resultant penalty to the net to level the scores. Undaunted by the sudden setback, the champions fought back and a Joe Murray point from a free gave them a temporary lead until a Stradbally attack saw George Walsh end a long run by getting the ball to Eoin O'Brien who fisted to the net for their second goal in the 23rd min. Two minutes later Pat Crotty pointed to narrow the gap for the champions. Stradbally made a change, bringing on former under-21 player Eamonn Clancy for P. Kiely and a minute later they had their first wide of the game (in the 26th min.) before Martin Power was awarded a sideline kick which he sent over for one of the best scores of the game. This ended a most extraordinary first half with a 1-6 to 2-3 score.

## BORE SIMILARITY

The third quarter bore a similarity to the first quarter when Rathgormack took complete control and in a matter of 9 mins. had raced into a 4 pts. lead after points by Martin Power, Dan Crotty, Frannie Halpin and Seanie Power. Also in the 33rd min. goalkeeper Cunningham saved a rocket from Joe Murray to the relief of the challengers. It was now 1-10 to 2-3 and the champions, having recovered their form looked to be on their way to the semi-final.

Then in the 40th min. a Liam O'Brien point from play heralded a fightback by the challengers. His brother Eoin followed with a score from a free and then a raid resulted in Niall Curran crossing the ball to the incoming Liam O'Brien who

sent to the net for a truly great goal that sent Stradbally into a lead that they were to retain all the way to the finish. Liam O'Brien again and Stephen Cunningham who was operating at centre-forward for some time, had points before man of the match Liam O'Brien had yet another goal to put the nail in the champion's coffin in the 32nd min. Stradbally now had a 6 pts. lead and Rathgormack had not registered a score for 14 mins. There were 8 mins. left when Joe Murray was fouled and Martin Power disappointingly sent the resultant penalty over the bar. Earlier Joe Murray had hit the upright with a rocket like shot and these two missed opportunities really spelt the end for the champions. The match ended with Joe Murray and Liam O'Brien exchanging points.

The champions were shattered and left the field a very disappointed group of players like people who had gone through a horrible nightmare while at the same time Stradbally celebrated what will be described as their biggest win for a very long time.

Stradbally: K. Cunningham, G. Walsh, L. Walsh, M. Curran, P. Kiely, O. Costello, T. Costello, G. Walsh, T. Gough, P. Evans, N. Curran, Niall Curran, L. O'Brien (3-4), S. Cunningham (0-2), E. O'Brien (1-2). Subs: E. Clancy for P. Kiely, R. Gough for T. Gough.

Rathgormack: P. Fahy, J. Crotty, D. Power, K. Power, D. Crotty (0-1), B. Currey, D. Hassett, R. Power (0-1), V. Murray, J. Murray (0-4), M. Power (0-2), P. Crotty (0-1), S. Power (0-1), G. Power, F. Halpin (1-2).

Referee: Pat Moore (Ballinacourty).

## OTHER FOOTBALL NEWS

The two remaining quarter-final games involving Dungarvan v Ring and Kilrossanty v Nire will be played as a double header at Fraher Field on Sunday, August 10th after which the draw for the semi-finals will be made and announced.

The draw for the Phelan Cup 1997 will be made at Walsh Park on Friday evening next following the under-21 hurling final. All 14 senior football teams will be included.

## Scéim Iomána na nÓg Notes

LISMORE SUMMER HURLING CAMP — "Nice and steady girls" — that's the message during the warm-up lap which is led by (l to r.) Roseanne Leddy, Kirstan O'Brien, Kelly Ann O'Sullivan and Laura Buckley at the Castle Farm Grounds.

## Successful Camps At Clonea And Portlaoigh

Both camps were well attended and very well disciplined. At Clonea-Power, Margaret Fogarty did trojan work organising and had the numbers spot on. Michael Walsh supervised at lunch-time and we had several clubmen visit including Chairman Peter Kenny.

At Portlaoigh Jackie Whelan welcomed us on Wednesday morning and 50% of the numbers were girls showing underage camogie is alive and well in the Tannery Town. Both clubs have won County under-14 titles recently so the 'buzz' was still around.

## Under-14 And Under-15 County Teams At Dungarvan G.A.A. Grounds

Twenty five under-15's and twenty five of a panel of fifty under-14's trained at the neatly trimmed Dungarvan G.A.A. grounds on Saturday morning. The under-14's is half of the panel of both teams. The lads called in last Saturday has no bearing on the A or B panels which will be finalised after a few matches and training sessions. Matches are arranged for this Wednesday evening against Wexford and Saturday next, two matches will be played against Limerick. Thanks to Dungarvan G.A.A. Club and especially Club Chairman, Paddy Fitzgerald for having everything laid on when we arrived.

## NED ON THE G

Well done to Irial Mac Murchú, An Rinn for producing a great programme on hurling last Thursday night. Ned Power was brilliant talking about Waterford hurling in the "Golden Era". Ned has been a great source of strength to many of us in the Coaching Scheme and a regular advisor man to man or over the phone. Ned is rated one of the top hurling coaches in the country and is always willing to pass on advice to anyone who asks for ideas on skill training.

## TEAM OF THE WEEK

Team of the week this week is Abbeyside's under-14 hurlers who dished out a 15 pts. beating to Mount Sion in the County Final at Walsh Park last Monday week. Seldom, if ever, have the famed Monastery club lost a final by such a score.

## NEXT WEEK

In the next two weeks, coaches will take a holiday which we are certainly looking forward to. Watch this space for dates of next hurling camps.

## CHAMPIONSHIP FIXTURES

The GAC have announced the following championship fixtures—

The senior football semi-finals will be played on August 31 and the hurling semi-finals on October 5.

## Munster Final Programme

There has been an amount of criticism of the Munster Council's decision to allow an independent candidate who is soliciting votes for election to Seanad Eireann. Joe O'Toole may be different as the advertisement in the Munster football final programme states, but availing of a GAA match programme to promote oneself for membership of the Seanad is certainly taking things a bit too far.

It is an full page advertisement in an otherwise excellent 56 page programme.

## Councillor Urges Twinning With Northern Ireland Town

An Independent member of Dungarvan Urban Council, Cllr. Damien Dillon has urged that the Council consider trying to put in place a twinning arrangement with "one of our Northern Brethern".

Cllr. Dillon said that following the restoration by the IRA of its ceasefire, a twinning arrangement between Dungarvan U.D.C. and some town in Northern Ireland might help to further break down the barriers. Other local authorities had made such twinning arrangements and he believed Dungarvan should now endeavour to do likewise.

The Town Clerk, Raymond Moloney said New Ross U.D.C. is presently twinned with Newcastle in Co. Down.

The County Manager, Donal Connolly said there are a number of other twinning arrangements between Councils north and south in place and he will look at the possibility of Dungarvan U.D.C. becoming involved.

The Chairman, Cllr. Austin Flynn also supported the twinning idea and suggested that if they do go ahead, it should be with a town of comparable size to theirs in the North.
