## Gardaí Launch Major Blitz On Drivers

BY AISLING CONROY

Operation Lifesaver, dedicated to the reduction of deaths and serious injuries on the road, was launched in the Waterford/Kilkenny Garda Division by Chief Superintendent Sean O'Halloran yesterday.

The scheme, which was first launched in mid July as a pilot project in the Louth-Meath Garda Division, is now expected to be extended to the rest of the country and will last initially for 6 months.

According to Inspector Michael Blake of Dungarvan Garda Station, Operation Lifesaver will put a greater emphasis on speed traps and check points throughout the county.

The Waterford/Kilkenny

division will be assigned a covert Gatso van which will operate full-time in both counties. Benefitting from the latest in technology, gardaí in the van will be able to record and photograph cars involved in various traffic infringements such as speeding, dangerous driving, drunk driving and careless driving etc. The Gatso van will be located off the road undetected by motorists. The van's hi-tech equipment will record the

Inspector Blake stressed that the new Operation Lifesaver scheme will bring home to people the message

that speeding and dangerous driving etc. are the main cause of serious and fatal accidents.

He said the scheme has already helped to reduce the number of accidents in other

## Capacity Attendance At Liam Lynch Commemoration

The annual commemoration in memory of Liam Lynch, Chief of Staff IRA (1923) was held on Sunday, July 27 at the memorial on the Knockmealdowns. Mattie McGrath, Newcastle, presided.

Wreaths were laid as follows: Jim Grogan, New York, on behalf of Republican supporters in America; Ms. Emma Carrigan, Old Grange, for the soldiers of the Republic from 1922 to the present day; Christy O'Callaghan, Ballylanders on behalf of his mother (niece of Liam Lynch); Ms. Kitty Harney, Ballymacarbry, from the National Commemoration Committee; Peter O'Connor, Waterford, from the survivors of the International Brigade, the Spanish Civil War; Ms. Mary McGrath, Newcastle, from the National Graves Association.

A decade of the rosary was recited by Fr. Ned Tobin, P.P., Newcastle/Fourmilewater. The media were thanked for their support by the secretary of the organising committee, Enda O'Riordan who then introduced the main speaker of the day Cyril MacCurtain, West Limerick, whose spirited address was punctuated by frequent and sustained applause from the capacity attendance. He said the main stumbling block to freedom was the continued occupation of the Six Counties by British Forces against the wishes of the majority of the people in the entire island. Without foreign interference, he stated, there could be understanding and harmony and he pledged that

republicans would continue to seek a just and lasting solution.

After the lone piper played a lament, the chairman brought the proceedings to a close with the playing of the National Anthem.

## Famous Healer To Visit Dungarvan

The nationally known county Laois healer, Arthur Broomfield, will visit the Park Hotel, Dungarvan on Tuesday, August 12. He will be holding his clinic between 7 and 9 p.m.

Mr. Broomfield comes to town with an awe-inspiring reputation. Famous throughout the country for his arthritis treatment, he has appeared on RTE and has had his arthritis treatment recommended by the well known Dr. Annette Hudson.

Mr. Broomfield has also cured hundreds of sufferers of Psoriasis and irritable bowel syndrome. "I believe in natural treatment for ailments," explained Mr. Broomfield. "The cures are already there in nature," he explained. "I am only using what nature has provided," says the modest healer.

Nevertheless, impressive attendances at his nationwide clinics are proof of this success. Sufferers are advised to come early as a large attendance is expected.

See advertisement elsewhere in this issue for further details.

# £33,000 Raised For Daffodil Day

Thanks to the wonderful efforts of the people of Waterford, a total of £33,713 was raised in County Waterford, on Daffodil Day, March 21, bringing the national total for the 1997 daffodil campaign to over £1 million for the third year running. The funds raised on Daffodil Day are used to finance the Irish Cancer Society's patient care programmes which help improve the quality of care and support available to cancer patients and their families.

Over the past eight years, daffodil funds totalling £180,000 have been provided by the Irish Cancer Society to the local hos-

pice group to help support a free home care nursing service in Waterford. This service, which operates out of the General Hospital in Waterford, provides care and support for patients with advanced cancer whose preference is to stay at home with their families. The service currently receives an annual grant from the daffodil fund of £20,000.

The Society also operates a night nursing service which provides free night care to families in difficult financial circumstances who are nursing a loved one at home in their final days. In 1996, daffodil funds totalling over £5,000 were

used to provide this service to 25 families in County Waterford.

### NEW NURSING SERVICE

In addition to providing hands on nursing care and support in communities all over Ireland, the Irish Cancer Society has recently begun to introduce a new type of daffodil funded nurse who will provide psychological support to patients and families. Five of these nurses have recently been appointed to major cancer treatment hospitals and the society plans to expand this service in the year ahead.

Other projects funded by

Daffodil Day include the Society's Cancer Helpline (1800 200 700) which provides confidential advice and information to anyone concerned about cancer, cancer nurse education and the provision of patient grants to relieve financial pressures on patients and their families.

Announcing the results of Daffodil Day, Tom Hudson, Chief Executive, Irish Cancer Society, paid tribute to the wonderful voluntary effort in County Waterford which had played such a large part in the Day's success.

"Everyone who helps out on Daffodil Day can feel a great sense of pride in the improvements they are helping to bring about in cancer in Ireland," Mr. Hudson concluded.

# Have A Laugh With This Easy-To-Make Clown's Mask

Make this clown face using a paper plate. Try decorating the plate with different scrap materials to create other types of faces, for example, a chef, pirate, bandit — or even a burglar.

What you need: Wool, Scissors, Paperclip, Paper plate, Plastic lid, Paints and paintbrushes, Tinfoil tray (if you haven't a paper plate you can cut out a card circle instead).

1. — The mask should fit over

your face. To make eye holes, look in a mirror and measure the distance between your eyes with a ruler.

Mark your measurements on the mask and pierce the eye holes through the plate.

2. — Cut shapes from coloured paper to go round the eyes. Cut out the pupils. Stick on the eyes and a plastic lid for the nose.

3. — Cut out and tape on a happy smiling mouth.

4. — The clown's hat is a small tinfoil tray.

5. — Cut out a small paper flower for the hat, and tape it on. Tape or glue on strands of wool or string for the hair.  
6. — Attach the hat to the clown's head with tape or a paperclip.  
7. — Make a small hole on each side of the face under the hair.  
8. — Measure a piece of string or elastic to go round the back of your head, thread it through the holes, and knot the ends.

### Where is the Village of Oberammergau?

It is a small village in the Bavarian Alps near the border of Austria and Germany. During the winter of 1632 the village was struck by the Black Plague, which spread right through Europe. Oberammergau had a small population and one in every eight was dead by the following summer.

During those years there were elders in the village and they called anybody who could walk to the church to come and to make a solemn vow: "A solemn promise to devote one year in 10 to the preparation and presentation of the tragedy of our Lord's Passion to keep the Christian principle of the redemption of the world before men for all time."

No more deaths occurred in the village from the plague, so the villagers believed God had heard their vow.

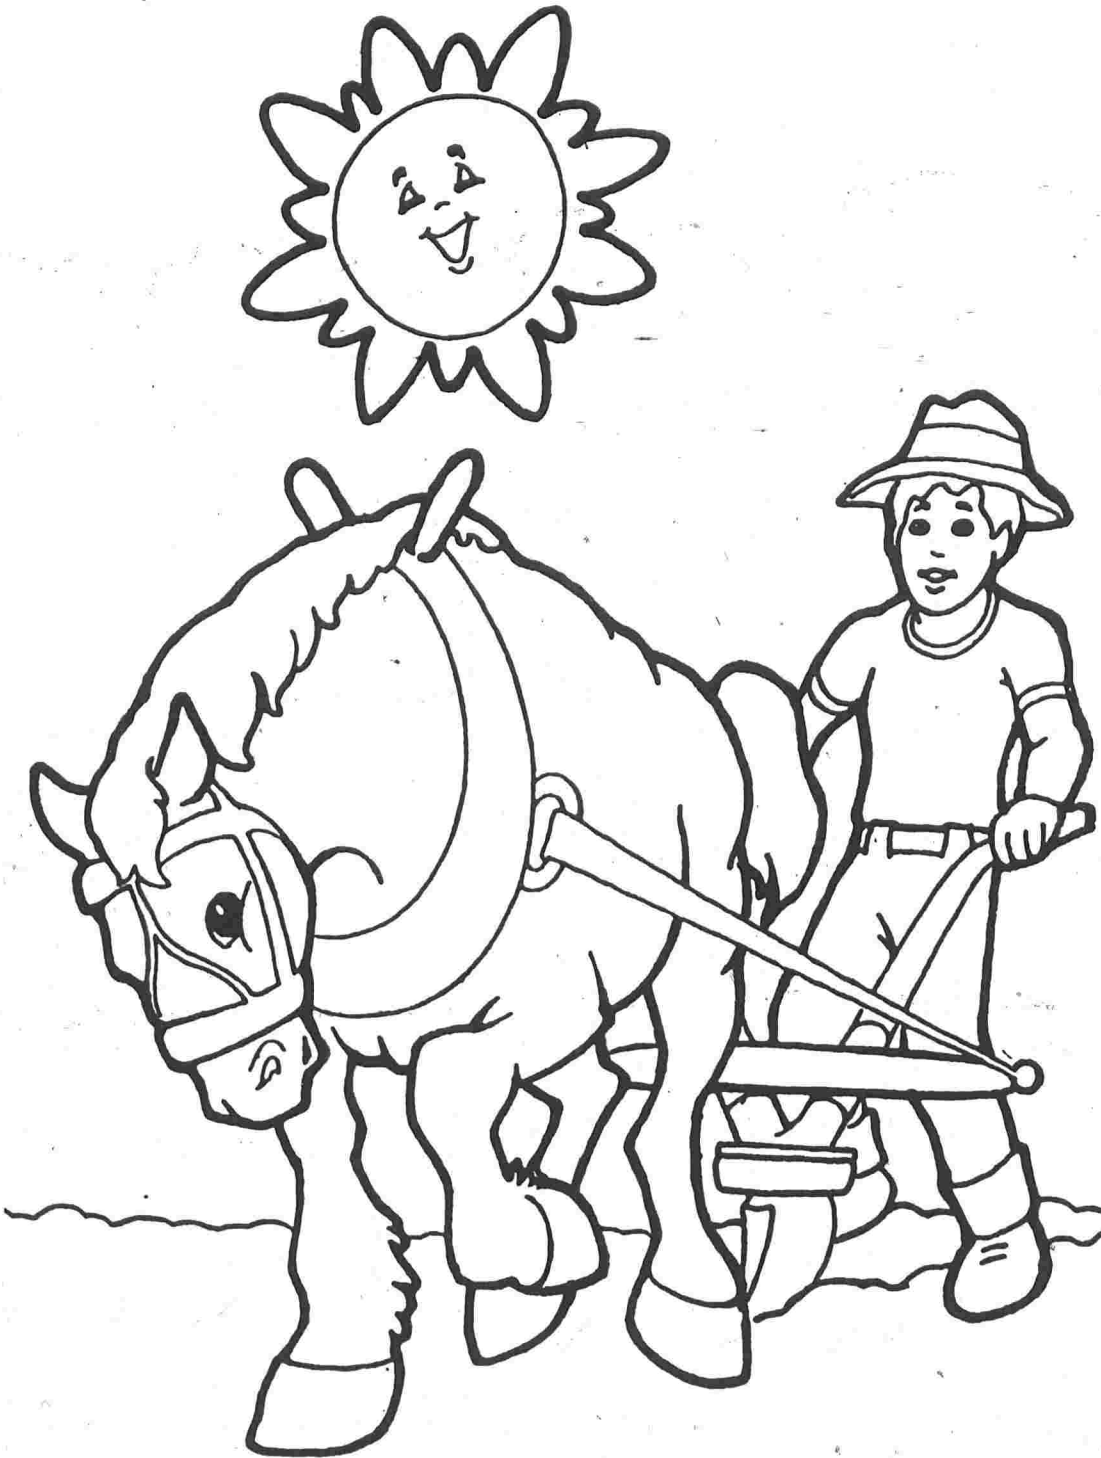

Since then, except in wartime, the village people of Oberammergau have presented their passion play every 10 years. The first performance, in 1634, took place in the church. Today there is a huge theatre which seats 6,000 people and has room on the stage for crowd scenes with 500 actors. There are 600 parts in the play and only native-born villagers may be selected. Over a year before the performance the selection of the principal actors takes place by ballot. The rehearsals then begin in May for the first performance in May of the following year.

Oberammergau is well known for The Passion Play and thousands travel long distances to see the eight-hour play.

The play is divided up into episodes. These episodes are introduced by the Passion chorus which consists of 50 singers. The whole community gets involved in the play in a completely medieval way.

# Avonmore Drops 135 Suppliers As Integration Talks Continue

BY AISLING CONROY

Just over a week after their £2.5 billion merger with Dungarvan dairy giant Waterford Foods, the Kilkenny milk cats, Avonmore has confirmed that they are to drop 135 firms from their supply network.

Suppliers to Avonmore will be notified over the next few days of their de-listing, a move linked to purchasing and credit control procedures.

Meanwhile, it is now looking more likely that the new Avonmore/Waterford super group may be ordered to sell part of their 80% plus controlling share of the lucrative Dublin liquid milk market by competition authorities. Under the Irish Merger Act, the competition authority are currently examining the combined group's position in the Dublin market and may recommend that the Minister for Enterprise and Employment accept the merger subject to certain conditions.

Avonmore's most recent delisting move has sparked fears that the firm has al-

ready started delivering on its rationalisation targets.

A spokesman for Avonmore however insisted that the de-listing decision was not linked to their merger with Waterford and was taken solely by their purchasing department in a routine review of their creditor ledger. The bulk of the 135 delisted firms do little or no business with Avonmore and are based all over the country.

The management of both groups have already initiated intense negotiations aimed at slashing costs within the newly formed entity. It is reckoned that the accounts of the AWG Group will deliver annual savings of over £20 million.

The next four weeks will see more rounds of integration talks and it is anticipated that the stock market

regulations resulting from the merger will be completed by mid September when the new corporate identity of Avonmore/Waterford becomes fully operational.

Savings of £20m a year means fewer jobs in the short term, not just on the factory floor and delivery lorries but also non-key per-

sonnel in junior and middle management.

While both Avonmore and Waterford have committed themselves to only voluntary redundancies and retirements, it is expected that the bulk of the 500 to 700 jobs will be axed within the next 18 months. The staff cuts will be located in the Group's U.K., European and U.S. holdings.

The main trade unions within the AWG have warned that they want full consultation on all job cut proposals. SIPTU and the ATGWU have asked for a commitment to maintain the maximum level of employment throughout the Group.

Likewise the Dairy Executive Association has warned that junior and middle management officials within both operations should not suffer the bulk of the predicted jobs cuts.

Much speculation remains about which executives from each company will make up the new management team. The prestige of having the headquarters of the fourth largest food company in Europe falls to Kilkenny and already an extension to Avonmore's impressive head office on Kilkenny's ring road is a reality.

The future of Waterford Foods operations in Dungarvan still remains unclear however.

Waterford officials have warned that, under stock market regulations, they cannot comment on specific plans for the merged company until all formal alliance agreements have been concluded.

# Gardaí Launch Major Blitz On Drivers

counties where it is being successfully operated.

## DRUNK DRIVING ON INCREASE

Speaking to the "Dungarvan Leader", Chief Supt. O'Halloran revealed that there were 20 fatal accidents in the Waterford/Kilkenny division last year. This year there has already been 8 fatal traffic accidents in the district. Two-thirds of last year's fatal accidents were drink related where the average amount of alcohol consumed by drivers was three times the legal limit.

Arrests made by Gardaí for drink driving are up by 50% on the corresponding

figure last year.

## £50 SPEEDING FINES

Another area in which gardaí in the Waterford/Kilkenny division have been extremely active in recent years is speeding.

The Chief Supt. revealed that on average, 4,500 motorists are prosecuted for speeding each year in the division while 5,000 notices have been issued to drivers under the on the spot fine system in place since last December.

The two other main areas addressed by Operation Lifesaver are the wearing of seat belts by all occupants

of a car and dangerous/careless driving such as dangerous overtaking, driving a dangerously defective vehicle etc.

With the aid of the new Gatso van, gardaí will be able to monitor driver behaviour. The Gatso van will operate in tandem with the usual radar speed guns, check points and speed traps. As a further measure Chief Supt. O'Halloran said they are currently looking at the possibility of static cameras.

## RESULTS SO FAR

During the first two weeks of its operation in the Louth-Meath division, 500

of the spot fines for speeding were given out by gardaí. Law breaking motorists are given a specific time frame in which to pay the fine. If they fail to do so, they face court action and a much heftier bill. Figures for the pilot scheme indicate that there were 250 prosecutions for the non-wearing of seat belts and 47 prosecutions for dangerous driving. During the same period, 800 drivers were cautioned for minor traffic infringements.

Operation Lifesaver is being carried out in partnership with the National Roads Authority, the National Safety Council, local authorities and the AA.

## U.D.C. Asked To Fork Out £5,000 For Christmas Lights

Already looking ahead to Christmas, the Dungarvan Chamber of Commerce and Industry have asked the local Urban Council to make a contribution of £5,000 towards the cost of the town's elaborate Christmas lights this year.

Just five years ago, the Chamber of Commerce were involved in the purchase of a new festive lighting system costing over £55,000 which made a vast improvement to the Christmas image of the town during this important trading season.

The expensive lights however incur maintenance costs of between £8,000 and £9,000 each year which to date, has been financed through a voluntary subscription system involving the local business community.

A shortfall of more than £10,000 now exists, and the Chamber believes it is time that the local authority came forward with a financial contribution.

Mr. Holohan, said the group considers its request to be "fully justified" and in the best interests of the entire community.

In his letter Mr. Holohan pointed out that the Chamber is not setting a precedent in asking the UDC to make a financial contribution.

"It has become well established in many towns and cities in recent years that the local authority bears some, if not all, of the costs associated with festive lighting campaigns", he added.

The Chamber's application for funding is currently being considered by the Urban Council.

# French Sacred Music In Lismore Cathedral

The third and final lunchtime recital in St. Carthage's Cathedral, Lismore on Thursday, August 14 undoubtedly offers the most exciting programme in the series of these recitals. It focuses on French sacred music of the twentieth century, to be performed by St. Carthage's Singers and cathedral organist Dr. Jan Van Putten.

When it comes to twentieth century organ and choral music, probably no country equals France in the number and the quality of organists who were also prolific composers. Inspired by their

great predecessor Cesar Franck and the colourful organs built by Aristide Cavaille-Coll, they showed great skill and imagination and generated compositions of the highest quality that became famous throughout the world.

Many of them were born in the first decade of this century and held lifelong posts as organist in the leading churches of Paris. At the same time it seems as if they form the end of a generation, having exhausted all resources of the romantic and post-romantic French organ tradition.

The programme for the recital of August 14 includes works by Louis Vierne (b. 1870, organist of St. Sulpice and Notre Dame), Marcel Dupre (b. 1886, organist of St. Sulpice), Maurice Durufle (b. 1902, organist of St. Etienne-Du-Mont), Jean Langlais (b. 1907, organist of Ste Clothilde), Oliver Messiaen (b. 1908, organist of La Trinite) and Jehan Alain who was born in 1911, had a short career as composer and organist of St. Nicolas de Maisons Lafitte and was killed on the battlefield near Saumur in June 1940.

St. Carthage's Singers will perform Ubi Caritas by Maurice Durufle and three Latin Psalms with their antiphons in connection with three organ improvisations from the Vespers for the Blessed Virgin by Marcel Dupre. The other works are Litanies by Jehan Alain, Choral by Louis Vierne, Prayer of Christ ascending to his Father from L'Ascension by Oliver Messiaen and, finally, Acclamations from the Suite Gregorienne by Jean Langlais.

The recital begins at 12.45 p.m. and will last approximately 50 minutes. Entrance is free, all are welcome.

## Upcoming Waterford Masterclass Festival

There are strong contenders for violin and piano recitals in the upcoming Waterford Tourism International Masterclass running from August 18-30. According to Monica Leech, Chief Executive, Waterford Tourism, a unique aspect of the event is the diversity of international musicians who travel to study with top quality tutors, as well as to participate in a masterclass which is open to the public.

Due to the nature of the festival, some of the performers and programme material for public recitals are selected during the festival by the tutors. The lineup for the violin masterclass on August 19 is very competitive. There are three Irish participants who will be joined by participants from eight different countries.

The tutor for the violin masterclass is Herman Krebbers who has performed worldwide. The tutor for the piano masterclass on August 21 is the renowned Hungarian-American Gyorgy Sebok who will tutor twelve participants from all over the world.

There are eleven events in Waterford open to the public. To avoid disappointment it is possible to book tickets in advance or, for free performances, to reserve places in advance, by calling 051-873501, extension 489.

ly values and endeavour to keep a visit to the circus, a day to remember by keeping their prices as low as possible without losing the quality of the show, their shop prices are also kept as low as they can so that a child with just a few pennies can still buy something.

## Minister Announces Increase In Capitation Fees

Last week the Minister for Education announced that there was to be an increase in the capitation fees that third level students pay at the start of each academic year bringing the sum from £150 to £250.

The question arises as to how the increase in this money will be spent and will the students benefit in

any way from this increase. As it stands various student services within the Waterford Institute of Technology are greatly underfunded such as the medical centre and the Students Union.

According to Sinead Wolfe, W.I.T. Students' Union Vice-President, "not enough of this money is given to student services in-

cluding the Students Union who provide a number of valuable services to students. For many students especially first years, the students union is the first place they come to when they have a problem. As it stands we are severely underfunded and ever dependent on our own commercial activities to fund the union and to provide the essential basic services that are so much needed by the students in W.I.T.

What is needed is clarity on where the extra money will be spent. The minister has asked the H.E.A. to give a recommendation as to how each college should allocate this money. We are assured by the Department of Education that this is not an attempt to reintroduce third level fees.

## Dispute Continues At C.A.B. Garage

The industrial dispute at the closed premises of C.A.B. Ltd., Davitt's Quay, Dungarvan is now entering its sixth week with no sign of a resolution.

The four former employees of the garage are maintaining a picket on site in an attempt to receive improved redundancy terms from their employer.

## OUR LOCALITY

## THE HURLING AND FOOTBALL CLUB IN 1946

That year there was a brisk AGM that promised a better year ahead. Enthusiasm ran high and plans were laid with real gusto.

The officers elected were: Very Rev. Fr. Roche, P.P.; Vice-President, Rev. M. Power, C.C.; Chairman, President, P. Burke; Hon. Secretary, John Hayes; Hon. Treasurers, Tom Ryan. Committee for JH, L. Condon, M. O'Connor, T. Waters, J. Waters. Committee for MH, Pax O Faoláin, J. Grant, P. Brett, D. McGrath.

It was decided to enter minor hurling, minor football and junior hurling teams.

For the second year in succession the Western Divisional board elected Hugh

Foley to the Fixtures and Disciplinary Committee of the Board.

The following were included in the panel of referees which was drawn up to serve the Division — Hurling, T. Ryan, M. Fives, J. Waters; Football — T. Ryan, M. Fives.

There was an early boost to morale with the selection of the brothers Michael and Johnny O'Connor on the Munster Colleges hurling team, a much coveted honour in those days. Tom McHugh, likewise, was chosen for the Munster Colleges football team — a distinction not often earned by Waterford boys.

**BLUE AND GOLD**  
March 31, 1946 is a date to

go down in the record books because it was the first time Abbeyside wore the blue and gold jerseys which have been theirs since. The new jerseys were given their first airing in a challenge game against Eire Óg, both sides being in preparation for their first championship outings.

## Abbeyside Reference Archive

Recently we had donated to us a shop ledger which came from a shop at Main Street, Dungarvan. The earliest date recorded in it was January 24th 1845. It will join a large book that bears the date September 30th 1895 and a small black notebook carrying the date September 17th 1874. Those three books will form a special display unit but all will require very careful handling due to their great age.

This Sunday evening Fintan Strain will be minding all our treasures at the Parish Office where all visitors will be most welcome to come along and browse awhile.

## CONGRATULATIONS

Congratulations to Joseph O'Donnell of 2, Kyne Park, Abbeyside, who competed in the All-Ireland Track and Field finals in Tullamore on Sunday, July 27. Joseph got off to a great start in the semi-final of the 250 metre hurdles, coming home a very easy winner.

All was then set for a very competitive final with the Irish record holder and the British AAA champion in the line-up and what a race it turned out to be with three athletes fighting out the finish.

Joseph ran the race of his life to come home in third place to get a bronze medal, and for a lad who only took up this event some months ago, he looks to have a very bright future.

## BALLYDUFF SALMON FESTIVAL

The festival, which was held over the weekend, had a successful beginning. Forty rods took part in the main competition and fishermen came from Dublin, Carlow, Kilkenny and Tipperary to take part. All the fishermen had a most enjoyable time in Ballyduff and were loud in their praise for the concept.

The Rylands family, father Alex and sons David and Mark had a very fruitful visit catching 7 salmon over the weekend. The winners of the four main prizes were as follows -

The casting competitions were won by Eamonn Neligan, Fermoy (single-hand) and Jason Corcoran, Ballyduff (double hand).

The organising committee were delighted with the success of the inaugural festival and at the prizegiving ceremony at the Blackwater Lodge on Sunday evening, they expressed their gratitude to all who helped to make it so successful - the fishermen, the fishing owners who gave their boats for the contest, to landowners, to sponsors and all those who volunteered to steward the competition, the owner and staff of Blackwater Lodge which was the official headquarters over the 3 days, to people who organised the ancillary events and the media, both local and national, for their coverage since the festival was launched.

The success of the festival has shown that there is potential for this type of event and the committee are already planning to make next year's bigger and better.

## TWO OLDEST RESIDENTS SADLY PASS ON

It is with sadness we record the deaths of two of the oldest residents of this parish.

Ken Johnson was in his 86th year. Approx. 20 years ago Ken, along with his wife Mary and son Mark, came to live in Ballyduff. They loved the fishing and the general atmosphere of the place and very soon Ken was involved in all the social activities. His singing voice was comparable to that of the late Count John McCormack who he had once met. In variety shows, Tops of the Town, Ken added a touch of class and we will never forget his contribution to our Church choir. His rendering of "Oh Holy Night" at Mid-

night Mass on Christmas Eve had to be one of his finest achievements.

We all miss Ken and we offer our deepest sympathy to Mary and Mark.

May the soil of his beloved Mocollup lay softly on him. May he rest in peace.

Mary Farrell was in her 95th year and lived in Coolisheal. Mary was a lovely lady and one always felt better for having a chat with her. She certainly had great memories and indeed she witnessed the hard times. She was so happy with the simple things in life, one could learn a lesson from her attitude. She especially loved the young people and they loved her. She spent the last 2 years in St. Carthage's House, Lismore where she was very happy.

To her sister Nell, nephew Tom, niece Breeda, all her relatives and many friends we offer our deepest sympathy.

Ar dheis Dé go raib a anam dilis.

## LIAM LYNCH COMMEMORATION

Last year the Liam Lynch Memorial on the Knockmealdown Mountains overlooking Newcastle was the scene of the historic unveiling of four statues of wolfhounds cast in bronze by artist Pauline O'Connor. This year, the hardworking committee who collected the funds necessary for last year's project were back. This time though not to unveil yet another addition to the monument but to remember that great Irishman General Liam Lynch and his contribution to Irish Nationalism.

On a pleasant sunny July Sunday of last week, a large crowd assembled at the monument site to hear several speakers pay homage to the dead patriot and to pray for him and all those who fell in the struggle for Irish Independence. Mattie McGrath, Newcastle was master of ceremonies, the proceedings got underway when Helen Grogan, wife of James Grogan, formerly of Cashel and presently, and for many years, a resident of New York read a short poem which was composed by General Lynch's cousin Maura L. Hyland, Cork Street, Mitchelstown on the occasion of the first anniversary of his death in 1923. After this the wreath laying ceremony took place. Wreaths were laid by Jim Grogan on behalf of Irish Republicans in the United States; Christy O'Callaghan, grandnephew of Liam Lynch on behalf of Bridget Lynch, niece of Liam Lynch; Eamonn Carrigan, Old Grange; Caitriona Ní Atairne, Baile Mhic Cairbre, Treasurer of the National Memorial Organisation who laid a wreath on their behalf; Peter O'Connor, Waterford a veteran of the Spanish Civil War International Brigade who laid a wreath on their behalf and Mary McGrath on behalf of the National Graves Association.

After the wreath laying ceremony, Enda O'Riordan, Secretary National Museum Organisation addressed those assembled and thanked them and the press for their continued support of the monument and the memorial committee. Then Cyril McCurtain, West Limerick, the main speaker for this event, took the podium. Having praised the work of the committee, he went on to encourage all those of a nationalist outlook to stand together and unite now that talks are about to get underway in Northern Ireland.

Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle then led those assembled in the Our Father and a decade of the Rosary. The event concluded with a lone piper playing a lament and the National Anthem.

## LATE MR. JOHN O'MEARA

It is with deep and sincere regret we pen the death of Mr. John O'Meara, Moancrea, Ardfinnan which sad event took place at St. Theresa's Hospital, Clogheen on Saturday, July 26th.

The deceased was a member of an old established family, highly respected in the farming community. His aunt was the late Mrs. Thomas Hallnane, Aughavoullivane, Ballinamult and he was brother of the late Rev. Canon Pat O'Meara. A wonderful neighbour, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was a true gentleman in every sense of the word and a host of friends who appreciated his company, advice or assistance in any way now truly and justifiably mourn his passing. Many tributes have been paid to this fine man but perhaps the finest was paid to him on Sunday evening when all walks of life were represented in the large concourse of mourners who were present when his remains were removed from the Mortuary, St. Theresa's Hospital, Clogheen to the Parish Church of St. Nicholas, Grange.

On Monday morning, the feast of Sts. Nazarius and Celcus (martyrs), requiem Mass was celebrated for the happy repose of his gentle soul. After Mass the funeral took place to the New Cemetery, Grange where a friend of the people was laid to rest again in the presence of a large concourse of mourners who were present to pay their final respects to a good neighbour and friend. To his wife Mary, sons James and Sean, brother Tom and his many relatives we extend our sympathy.

## LATE MR. ANDREW REIDY

The district learned with regret the news of the tragic death of Mr. Andy Reidy, Ard na Greine, Clonmel which sad event took place on Friday night, July 25th when he was killed in a head on collision with another car driven by a French student on the Cahir/Clonmel Road at Rathmore.

The deceased who was in his 74th year, was a member of an old and respected Co. Waterford family. Over the years he was well known in Ballymacarbry district as a paper delivery man and as a bread van driver for O'Briens of Clonmel. He also was a member of the workforce with Chappey's Meat Factory, Clonmel. In all jobs he was a favourite with management and fellow workers. He had a passion in life for music and ballroom dancing. Predeceased by his wife Margaret by some 9 years and by his son David who was killed in a car accident 18 years ago.

Many tributes have been paid to this gentleman but perhaps the finest was paid to him on Monday evening when all walks of life were present in the huge concourse of mourners who were present when his remains were removed from Fennessy's Funeral Home, Clonmel to the Parish Church of SS Peter and Pauls, Clonmel.

On Tuesday morning, the feast of St. Martha (virgin), requiem Mass was celebrated for the happy repose of his gentle soul. The celebrant was Rev. Fr. Pat Fitzgerald C.C. SS Peter and Pauls, Clonmel assisted by Rev. Fr. Tom Griffin P.P., St. Olivers, Clonmel.

# Strong Rural Tradition Continues At Dungarvan Show

The 82nd staging of the popular Dungarvan Agricultural Show drew thousands of visitors to the picturesque Slattery/O'Grady family lands at Ballygagin last Thursday. Despite the early morning threat of rain, the grey clouds soon gave way to brilliant sunshine, enticing a bumper attendance.

Hailed by organisers as the best Dungarvan agri show ever, this year's event attracted a record number of trade stands and entries soared in almost every category.

The free shuttle bus to and from the show and spacious car parking facilities en-

sured easier access for all to the superb 35 acre site.

Show secretary John Dwane said he was absolutely delighted with the quality and number of entries and he had no hesitation in ranking the show as the best he has been personally associated with.

The huge line up of events guaranteed that there was something for everyone from top class showjumping, delicious home cooking, cattle and sheep exhibitions, an international gun dog display, and everything from face painting, dog show and bouncing castle to the entertaining Macra na Feirme farm tasks, ably compered by the inimitable Sear Murphy.

A huge attraction was the 'One Man And His Dog' exhibition by Bill Twomey of Lismore. This champion gundog display featured national and international field champions and showed Bill's mastery over his subjects to a marvellous effect. Dog handling clinics by Bill were also highly popular among dog owners.

The Dungarvan Harriers Hunt with their hounds also received a big reception. The Harriers team was Ray Fennell, John Fennell, his cousin of the same name, and Aine Cummins. They are one of fifteen Harrier groups from Ireland and England selected to take part in a special event at today's Horse Show in the RDS, Dublin.

Judging by the Dungarvan show's enormous success and improvement on previous years, the strong rural tradition of the local Agricultural Show, is set to continue long into the future.

Among the major award winners was Nicholas Connors of Bellard, Stradbally who repeated his success of

a year ago in capturing the champion horse award with his 5 year old chestnut gelding 'Enigma'.

To top off a great day for the Stradbally trainer, another of his chestnut geldings, 'Toboggan', was named the reserve champion. At last year's show, 'Toboggan' was adjudged the best three year old gelding or filly.

In the cattle section Michael McGrath of Ballyrobin, Cloyne won the feature event, the Waterford Foods Super Cow championship worth £1,000. Mr. McGrath produced the reserve champion in this event last year.

Ireland's top international riders provided exciting entertainment for spectators at the showjumping arena where the major attraction was the £1,500 Queally Group Grand Prix. Marion Hughes, Francis Connors and Robert Splaine, reigning Heineken Showjumper of the Year, battled it out for vital points on the Heineken League Table. Francis has won the title five times in the last six years and is currently the points leader in the event. His win at last week's show gave him another ten league points to put him in an even more commanding position in the jumping table.

Six of the sixteen starters jumped a clear first round but in the subsequent jump-off it was Connors on Moon Leap who emerged victorious with another faultless round.

## TOURIN G.A.A. CLUB NOTES

### MIKE QUIRKE MEMORIAL HURLING TOURNAMENT

On Wednesday evening last we took part in the Mike Quirke Memorial Hurling Tournament. We played Shamrocks in the first game and were never really in this game with a serious chance as their level of fitness proved too much.

The second game was a different contest with the Ballyduff juniors closer to our own standard of fitness. We started well and at half-time held a 2 pt. lead but Ballyduff finished stronger and ran out winners.

We played a mixture of very young and not so young in this tournament but it was the ones in between that will have to get their act together if there is any hope for the future.

Team: P. Scanlon, B. Mernin, J. D. Leahy, E. McGrath, B. Leahy, E. McGrath, C. Scanlon, J. Collender, M. Scanlon, K. Wilkinson, D. Wilkinson, K. O'Donnell.

We would like to thank the Ballyduff Club for their kind invitation into this very well run tournament every year and wish them well for the future.

The draw for the championship was made on Wednesday night. We drew our local rivals Melleray and with a better effort from all the players we can win this one and go all the way.

## GENERAL ELECTION

We were delighted not amazed at the interest that was forthcoming after we published our analysis on the General Election in our notes a few weeks ago. We did a percentage breakdown of each candidate from the polling booths at Affane, Ballyduff, Ballysaggart, Cappoquin, Knockanore, Lismore, Melleray, Tallow. It is quite evident now from the figures we published that Martin Cullen, who became a Minister of State, was elected on the transfer of votes from Ollie Wilkinson who amassed 74% of first preference votes in the 8 polling stations. This was a massive vote by any standard and surely this vote has to be recognised by higher scholars of politics.

As we have said so many times, we are not into party politics but regardless of these politics when we see an effort by a local such as is proved by the figures, surely this has to be rewarded. Are all the senate seats gone yet?

## BAD WEATHER RUINS THE WEEKEND

Like the rest of the south of Ireland, Lismore was hit with torrential non-stop rain from the early hours of Sunday morning right through the weekend. This was the weekend the town expected to be booming with so many visitors around. On Saturday we remarked that as the drive up from the bridge to the town was chaotic with tourists and visitors everywhere. Alas Sunday changed all this. The festival programme for Sunday was switched to the Community Centre while Monday's events were just scrapped.

At the time of penning these notes (Monday) the Unisex Soccer Tournament will commence on Thursday evening. Tonight (Wednesday) weather permitting, a challenge game between W.L.R. and a local 'combination' will kick off at 7 p.m. to be followed by Waterford Utd. and Kilkenny City at 7.30 p.m.

If the weather improves the programme for the rest of the week should take place as planned and we feel sorry for the hardworking committee who have put so much time and effort into planning what appears to be a very entertaining festival and to see the plans washed out by the weather. Hopefully the weather will improve through the week.

# A Tradition Of Border Colour

**Hardy border plant:** Geranium Ballerina will thrive in most reasonable soils.

Geraniums and pelargoniums are so closely linked that at one time botanists grouped them together.

But though they have been cross-bred over the years, there are still marked differences.

The geranium — which draws its name from the Greek geranos — has regular flowers with petals equal in size and a straight seed pod, like a crane's bill.

Most geraniums come from the northern hemisphere and are hardy when grown outdoors in Ireland — surviving the toughest winters.

The pelargonium by contrast has irregular shaped flowers, with two upper petals frequently overlapping and three often smaller lower petals. The seed capsule is beaked, splitting into segments when ripe.

They tend to be more fleshy in stem and leaf and while geraniums are often used as border plants, pelargoniums are more frequently found protected in pots.

Native to South America, Madagascar and Arabia, almost all pelargoniums are tender and need the protection of a greenhouse in winter.

Both pelargonium and geranium come in hundreds if not thousands of different hybrids and varieties — all making a wonderful, colourful addition to a garden, patio or hanging basket that lasts the summer through.

**PROPAGATION**

Most geraniums and pelargoniums reproduce quite happily through cuttings which should be taken in August and early September.

You should choose young shoots or around 10cm long that are not carrying flowers.

Cut them cleanly, just below the joint — and stick the cuttings into a pot filled with a sandy compost, moist but well drained.

Shaded from direct sunlight, the cuttings will root very quickly and can later be potted separately and kept under glass through the winter.

Seed sown under glass in January or February will give flowering-size plants for bedding out in early June.

For pelargoniums the temperature needs to be maintained at around 18C, and either peat or loam-based compost can be used.

**CHOOSING VARIETIES**

It is possible to select pelargonium varieties which, even when raised from seed, will give spectacular bedding flowers all in one colour. These include Mustang (brilliant scarlet), Picasso (purple carmine) and Sundance (orange-scarlet).

There are 400 species of true geraniums and most will succeed in any reasonable soil.

They have been cultivated in Irish gardens for centuries and were recorded as early as Shakespeare's day — and were used to cure piles and dysentery.

Sizes and colour vary tremendously. Varieties such as G. cinereum (pink) grow in humps of no more than six inches and are ideal for a rockery, while others such as G. pratense "Mrs. Kendall Clarke" grow to three foot with violet-blue flowers.

# Cappoquin Notes

## FEAST OF ST. DECLAN

Reports in the local papers of celebrations to mark the feast of St. Declan of the Decie indicate a strong tradition still exists amongst a large group of people. Ardmore is the centre most closely associated with St. Declan. It has the physical signs of an early Christian community and thankfully the people have kept the oral tradition alive.

The Saint's birthplace in Dromroe, Cappoquin has not been preserved to the same extent. It escaped total destruction in 1881 only through the intercession of

the Very Rev. Fr. F. O'Brien P.P., V.G., M.R.I.A., P.P. Cappoquin 1881 to 1892. It was at that time considered a piece of waste ground which would be more usefully employed as part of the adjoining farm. It is likely that the site was reduced in size at that time from occupying the entire field to the small piece which encloses the church site and the graveyard. An archaeological study of the area could still reveal the full extent of the site as it might have been in the 3rd century. The site predates

St. Patrick and Mochuda and has a strong connection with Seemochuda, Ballysaggart.

St. Declan's father, Erc is mentioned on an Ogham stone found in Seemochuda and now in the care of University College Cork. Erc was not a common name and only a few rare mentions of it appear altogether.

"Religin Deglan" stands in an area known as "Mag Sciath Campum Scuiti" or the plain of the shields, in the camp of the Scots by the Bollandists. The Scots are the tribe of Gaels who landed in Ireland from Spain in perhaps 1620 - 1036 B.C. Their Queen "Scotia" died shortly after arriving and is buried in Scotia's Glen, Co. Kerry. The shields would have been used by the Scots for training soldiers. They supplied large numbers of mercenaries to other clans in Ireland and abroad and to protect their own territories in Ireland, Scotland and Wales. The name Scotland is directly related to Queen Scotia, Scotia's land and it's inhabitants were known as Scots, the Picts knew them as Scuits or dark skinned.

To fully explore the importance of this site to the early history of Ireland and it's undoubted claim to be the cradle of Christianity, with the

Front l. to r. — Amanda McCarthy (under-13 Division 2 champion), Frank Woods (under-12 Division 2 champion), James Cliffe (under-12 champion), Denis Coffey (under-14 1/2 and under-18 champion).

**Autumn Team League** — Next Friday night is the final night for entries into the Autumn Team League. The entry fee is £2 which will go towards the trophies for the winning team. After each team have played each other once, the top team qualify for the final and the second and third teams will play in the semi-final. Score difference will determine a team's position if teams are equal on points. If a player misses a game, then a 2-0 victory will be awarded to the opponent. If the same player misses a second game, then a 2-0 victory is awarded to the opposing team and also a further 2 pts. will be deducted from your own team's total. The age limit for this tournament is under-15 (boys) and under-16 (girls).

**SUMMER LEAGUES**  
 A total of 260 games were

played in the Summer Leagues. There were 7 different grades with a total of 53 players competing.

**UNDER-12 BOYS:**  
 James Cliffe was the winner of this grade in what was his first tournament. He was made fight all the way by J. J. Coffey and had only one point to spare in the end. He was unbeaten in his 7 matches. He has great interest in the game and trains every day.

**UNDER-12 BOYS DIVISION 2:**  
 Nearly all the players in this grade were beginners. After 6 games, Frank Woods proved victorious after winning each of his matches. Again Frank is new to the game but he has already shown a terrific attitude towards the game and again he practices every day.

**UNDER-14 1/2 BOYS:**  
 Denis Coffey won this title in superb style. He won his 13 matches without dropping a game. In his 13 matches he scored 390 pts. and only conceded 97 pts. Denis is regarded by many as the best player in the club. His nearest opponent was Seamus Power who finished 3 pts. behind him.

**UNDER-18 BOYS:**  
 Denis completed the double by winning this section as well as the under-14 1/2 section. He again won all his matches but he did drop one game to Quentin Hickey. Denis is now unbeaten in 33 club tournament matches.

**UNDER-13 GIRLS:**  
 Sharon O'Connor claimed this title after winning all her 8 matches. She can now add this title to her cup and doubles title which she won ear-

lier in the year. Sharon again trains regularly and is a great prospect for the future.

**UNDER-13 GIRLS DIVISION 2:**  
 Amanda McCarthy claimed victory here but was made fight all the way by newcomer Stacey Meere. Amanda won her 7 matches in superb style. Amanda only narrowly lost out in the cup and doubles tournament so this should give her a great confidence booster.

**UNDER-16 GIRLS:**  
 Marie Coffey won this title in convincing fashion. She is a very strong court player which proves very hard to beat. She proved this earlier in the year by finishing 3rd in the Under-18 All-Ireland B Championship. Marie won her 10 matches in this section and failed to drop a game.

AGRICULTURE AND FOOD DEVELOPMENT AUTHORITY

### Sucklers

#### LOOKING AHEAD

To keep suckled calves thriving as their feed supply changes progressively from milk to grass, allow them to creep graze on good grass from early August.

This will reduce the need to feed concentrates as grass and also make calves more independent of their dams, resulting in less stress at weaning.

#### PLANS

Plan for late autumn grazing. Identify the fields that will be closed up first and those that can be grazed in November/December.

Silage fields that are grazed first in spring should be closed by November.

Fields that will be grazed last in autumn should be grazed bare in August.

Apply one to 1.5 bags CAN per acre and close for five to six weeks.

### Grassland Reseeding

Modern perennial ryegrass varieties are capable of producing 100 tonnes of fresh grass per hectare per year. It is good policy to reseed at least 10 per cent of your grassland each year. Grass growing conditions are particularly good this year so it may be possible to reseed even more.

#### BENEFITS OF RE-SEEDING

- High Grass Yields With a Long Growing Season.
- Quick Recovery
- High Animal Intakes - More Palatable
- Consistent Quality - Similar Heading Dates

#### ASSESS THE PASTURES NOW

Assess the sward in at least 10 different areas of the field. Examine an area of 0.2 to 0.3 M3 (2-3 ft2) at each point.

#### CHECK FOR—

- Percentage Open space
- Percentage Of Ryegrass/White Clover
- Percentage Of Old Grasses - Bent, etc.
- Percentage Of Weeds, docks.

If the percentage of Ryegrass is low (30 per cent) with plenty of bare patches and weeds, then reseeding is necessary.

#### PREPARATION OF RESEEDING

Existing vegetation should be killed off with a Glyphosa type spray, especially if bent is present.

This spray can be applied five to six days before silage cutting, but cutting needs to go ahead as planned.

Alternatively, the sward can be left to green-up to 10cm before spraying. It can be grazed about a week later or else the decayed vegetation should be cut off before cultivation begins.

### Reps

#### DO—

- Allow escape routes for wildlife by harvesting in sections rather than working in from the field edges — this also applies to silage cutting.
- Maintenance work in the farmyard including painting and repairs to old buildings.
- Repair stone walls and other such features around the farm.

#### DON'T—

- Burn straw or stubbles.
- Dump sheep dip or allow into soakpit. It should be landspread and may be mixed with slurry to accelerate decomposition.
- Take ivy off trees unless it lends the tree liable to windblow.
- Seal off the fabric of walls.
- Burn growing vegetation between April 1 and August 30.

## COUNTY ICMSA NEWS

### PROPOSED MILK PRICE CUTS REJECTED

The dairy proposals in the Santer Package could result in Irish farmers suffering the biggest cut in price and income while compensation premiums may be limited.

This was stated by Tommy Cooke, Chairman ICMSA Dairy Committee following a series of meetings in Brussels. Mr. Cooke said that there has been a considerable amount of confused thinking in Ireland about the future milk quota and EU milk price supports.

Mr. Cooke said that Ire-

land should reject the proposed 10 per cent cut in milk price supports. "I see no reason why the present price supports can't be maintained. If cuts are introduced the reality is that export refunds will be the first to be hit and this will reduce the market returns for butter and SMP in particular. The brunt of these cuts would be carried by Irish dairy farmers."

Mr. Cooke confirmed that the EU Commission had accepted that the "world price" for dairy products did not exist as such as very little products were traded internationally. This being the case,

why are the EU attempting to lower price support?

At least the Santer proposals have removed the uncertainty about quota beyond 2000. The vast majority of dairy farmers will be pleased that the quota will last until at least 2006. "I am convinced that greater flexibility must now be applied to the quota system which will be central to milk production over the next 10 years.

"ICMSA has, for example, made proposals for long-term leasing without land and averaging of fat levels over a two year period."

### LIVESTOCK EXPORTERS LEGAL CHALLENGE SUPPORTED BY ICMSA

Frank Allen, President of the ICMSA, supported the moves by the representatives of Livestock Exporters to seek an injunction preventing Pandoro from suddenly cutting off shipping facilities. Mr. Allen urged that livestock producers and the marts should involve themselves in assisting the funding of the legal challenges. "People with direct interests in the live export of cattle should contribute, he said.

Mr. Allen challenged the government to state what role and responsibility it saw itself occupying in ensuring that shipping facilities are in place.

He said there are encouraging enquiries from the EU and from Third Countries for Irish cattle — the problem is that such enquiries cannot be fully processed in the absence of shipping facilities.

Mr. Allen concluded: "The most urgent issue facing the autumn livestock trade is access to markets outside of the island of Ireland. All sectors of the industry should unite to ensure that shipping facilities are provided and if they are, the outlook could be fairly good."

## Coughlan Says Minister Walsh Must Abolish Excessive Penalties On Premium And Headage Payments

It is an abuse of power in the extreme that a farmer not fully aware of all the detailed rules on premium and headage should be denied his total income for a two year period, because he makes a simple unintentional error on his application to the Department of Agriculture according to Waterford IFA Chairman, James Coughlan.

Calling on the Minister for Agriculture, Joe Walsh, to launch a major campaign in Brussels to have the EU penalties associated with errors under the various premium and headage schemes overturned, Mr. Coughlan said that genuine farmers who make unintentional errors are being handed down penalties as if they were criminals.

"Denying an elderly farmer his entitlements to direct payments for a two year period because he made a simple error on his application is

an abuse of power and excessive in the extreme."

Mr. Coughlan said that the penalties in place are excessive and violate the basic rights of applicant farmers. "They are completely out of proportion with the majority of problems that emerge on applications in practice."

To illustrate the excessive nature of penalties, the Waterford IFA Chairman quoted the example of a farmer who fails to meet the area aid application deadline resulting in a total denial of any premium and headage payments for a full year. "This is equivalent to denying a worker his wages for a full year because he turns up late for work one morning."

Mr. Coughlan said that Minister Walsh should immediately force this subject on to the agenda in Brussels and have the necessary changes introduced before the 1997 payments begin this autumn.

### IFA Publishes Machinery Finance Guide

IFA in association with the Farmers' Journal, has published a special Guide to Financing Farm machinery, with the support of Bank of Ireland Finance. The 26 page full colour booklet covers all aspects of farm machinery finance with clear and useful examples in the areas of outright purchases, term loans, leasing and hire purchase.

Waterford IFA Farm Business Committee Chairman, Gerry Murphy, said: "Because the choice of the right financing option for farm machinery can be critical, this IFA Guide goes into detail on the various choices and their implication for farmer taxation."

"On the issue of leasing, the guide contains details of the latest Revenue Commissioner guidelines on their correct tax treatment. We also emphasise the need to get sound professional advice on the tax consequences of finance leases before entering a leasing agreement. Starting a lease agreement early in the accounting year is another key advice note and above all do not disregard negative option letters, which if unanswered, will mean that you wish to terminate the lease agreement. Termination in this way could have hefty tax consequences."

The guide includes examples of the workings of the tax capital system and the lending security implications of term loans over hire purchase and leasing. The IFA Guide is available from IFA Regional offices and county executives, the Farmers' Journal and Bank of Ireland Finance.

## Small Dairy Farmers Who Do Not Milk-Record May Lose Out

Waterford IFA Dairy Committee Chairman, Michael Murphy (Tallow) has said small and medium-sized dairy farmers who do not milk-record may lose out considerably on a range of benefits. Not only do they not have access to the production management information which milk recording would give them, but they also lose out in terms of premia payments.

"Dairy farmers who milk record have found out for themselves that they can improve significantly the quality of their milk by

monitoring individual cows, while gaining vital information to help them maximise yields and plan production," Mr. Murphy said.

"Also, many dairy farmers with good milk yields who do not milk-record are losing out in terms of premia payments such as special beef premia, suckler cow and extensification premia. This is because their dairy-related stocking density is calculated by dividing their quota by the national average yield of 897 gallons, instead of their actual yield," he explained.

"As a result, they may be left with a far higher stocking density than they really have, and may lose hundreds of pounds in various premia payments," he said.

"Small, efficient dairy farmers could therefore gain greatly from getting involved in milk recording, and should consider this option quite seriously. In addition to the immense benefits on production management, the milk producer's ability to claim additional premia would in most cases at least cover the cost of milk recording," he

# RECENT DEATHS

## Late Ellen (Nell) Ahearne

With great sadness and feelings of deepest sympathy we record the demise of Nell Ahearne, Grange, which occurred unexpectedly at Drumhills Private Nursing Home on Friday, July 25. A native of Grange, Nell was aged 67 years and enjoyed tremendous popularity with everybody. A deeply religious person, she attended her church duties with deep devotion.

Daughter of the late David and Mary Ahearne, Nell was sister of Tom and Kit (Cunningham). For many years she was employed at Coláiste na Rinne. Bhí suim agus speis aici i athbheochain an Ghaeilge agus bhí sí i gconaf sásta usáid a bhaint as.

'A Íosa a chroí na truaighmhéile dean trócaire ar Nell.'

For some years she also worked in the nearby O'Brien's Shop at Grange. Her game of cards with her friends, be it at Flemings or at Ardmore, was part of her makeup. She enjoyed every minute of the fun, banter and comradie associated with that indoor pastime. She made many friends from her card games and all spoke of Nell in glowing terms. She will be missed.

She was a woman who enjoyed her life and who has left an indelible mark on everybody who had the good fortune of her acquaintance.

To her brother Tom, sister Kit, her brother-in-law Declan Cunningham, her nephews, nieces, relatives and friends we extend our deepest sympathy at this time.

Canon O'Connor, P.P., recited rosary and prayers at the Kiely Funeral Home on Saturday evening, after which the cortege left for her beloved Grange Church. Yards from the church entrance, the funeral paused for a minute or two outside the Ahearne household in prayerful tribute. Canon O'Connor, assisted by Fr. Reide, C.C., conducted the funeral rite.

On Sunday Requiem Mass was celebrated for the happy repose of her soul. In his homily for St. Declan's Pattern Day, Canon O'Connor

mentioned Nell's great devotion to the local saint. Nieces Phyllis and Siobhán read the lessons, while the Offertory Gifts were brought to the altar by Eileen, Carol, Noelle and Tomás (nieces and nephew). Beautiful music was provided by Grange Choir under the stewardship of Michael O'Brien. The interment followed in the adjoining cemetery. Very many beautiful floral tributes were placed on Nell's resting place.

How appropriate to conclude this obituary tribute with lines from a poem re the Card School at Flemings:

On Wednesday nights for many years,  
Friends gathered in Flemings Pub,  
To pass the time playing cards,

Games of forty-five, but not a 'rub.  
Around the table they all sat,  
Neighbours and friends true,

Enjoying their weekly friendly chat,  
And that drop of "Mountain Dew."

As partners all sat down to play,  
The chatter did suddenly stop,  
Cards dealt out, eyes turned one way,

To the card upturned on top.  
Sadly now poor Nell has gone,  
To meet those who once made six,

Jackie, Ned, and John O'Brien,  
Tom Ryan and Jack Foley known as Switch.  
If and when we meet again,

There will be one vacant chair,  
Let us think of those who died,  
And for them say a prayer.

'Ar dheis Dé go raibh siad go léir,  
Is go maire an chluiche go deo.'

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Tiobóid Breandán Ó Braonáin

Bhí sé luath go leor maidin 17ú Iúil nuair a chuala mé an

nuacht go raibh Breandán Ó Braonáin, Dún Laoghaire, Carn an Bhua, Co. Chill Mhantáin agus Rinn Ua gCuanach, imithe ar shlí na firinne. Ní raibh sláinte an bhradáin ag Breandán le tamall agus i Ospidéal Príobháideach Naomh Uinsíonn i mBaile Átha Cliath a d'éag sé. 'Leaba i measc laochra agus naoimh na hÉireann go raibh aige.'

On Thursday, July 17, Brendan Brennan answered the final curtain call of life at St. Vincent's Private Hospital, Elm Park, Dublin, where he had been a patient for a relatively short time. A native of Carnew in the Garden County, Brendan, who was aged 69 years, received his formal education at Carnew NS, Rochestown College in Cork and continued his further studies at Bolton Steet Technical College, Dublin.

A quantity surveyor by profession, Brendan's services, counsel and advice were sought widely. An expert in his field, his reputation and diligence to detail won him much praise and many admirers. He took a great pride in his work, his efforts were always spoken of with the highest acclaim. A man of exemplary character and first rate ability, we are the poorer for his passing.

Son of the late Thomas, T.D., and Sally Brennan, Brendan grew up in a politically oriented household, where love of one's God, Church and country were so important. From an early age he took a deep interest in Irish history. He quickly realised the importance of 1798 and the Fenian Rising of 1867 in the struggle for Irish freedom and independence. He was an avid reader and collected books, papers of the day, journals, postcards and other historical artefacts.

On a number of occasions he displayed publicly some of this memorabilia at the request of Conradh na Gaeilge, Gaelscoileanna éagsúla agus freisin Dáil na Mumhan. He always attended the Liam Lynch Commemoration and the Liam Mellows Remembrance in Castletown. A valued member of the 1798 bicentenary commemoration committee, Brendan's infectious enthusiasm for the challenge on hand was a source of great encouragement to those around him.

Bhí grá speisialta aige do Chumann Lúth Chleas Gael agus i gcomhlúadar leis na Hillbillies Tomás Ó Cadhla, Tomás Ó Cuirrín, Tomás Mac Craith, Páid Ó Donnchadha agus Nollaig Ó Cionnfhaoilaidh. Chuaigh siad go dtí na Cluichí aitiúla agus cluichí cheannais i

bPáirc an Chrocaigh gach aon bhliain le fada anuas. Comhlúadar iontach be ea an dream seo. Mar óganach agus fear óg ghlac Breandán páirt ins na cluichí féin. D'imir sé ar fhoireann na gColaistí Mumhan 1945/46. Bhí sé páirteach le Club Naomh Fionnbarra i gCorcaigh nuair a bhí sé ag feastal an Choláiste Rochestown. Bhuagh sé bonn mionúir leo i 1944. Sa bhaile i gCill Mhantáin ghlac sé páirt ins na comórtais leis na Carnew Emmets agus fuí amháin nuair a bhí conaf air i mBaile Átha Cliath is leis an Civil Service a d'imir sé. Bhí sé d'ónoir aige freisin geansaí Chill Mhantáin a chaitheamh sa grád Sóisear sa pheil agus iomáint. Bhuagh Craobh Laighin leo sa pheil 1949, iomáint i 1954. C6-imreoir leis ab ea Willie Barron as na Déise. Bhí ainn in airde aige mar láithcheasaí go hairithe i gcursaí 880 slat. Cé nár tógadh é leis an nGaeilge chuir sé an speis i Athbheochain na teanga.

A deeply religious person Brendan had a great devotion to Our Lady. Predeceased by his sisters Sr. Bernadette and Maura some years ago, Brendan Brennan's passing has left a void that will be impossible to fill.

Deinimíd cómhbrón lena bhean chéile Neans (Ní Réagáin) agus a dheartháireacha An Ath. Crispin, O.F.M. Cap., Paudge, Mick a dheirfúireacha An tSiúir Francis, An tSiúir Immaculata agus Dolores. Méala mór a bhás freisin do na dheartháireacha chéile, dona dheirfúireacha máithair chéile Peig, a gaolta agus a cháirde go léir.

'Go ndeanfaidh Dia trocaire speisealta ar a anam.'

On Friday morning following prayers and short service at St. Vincent's Hospital mortuary, Brendan's remains were brought to Tomacork Church, Carnew. Many hundreds of mourners, friends, acquaintances including centenarian Johnny Davis waited to pay their respects to one who was a dear son of the Parnell County. A guard of honour was provided by the Carnew Emmets GAA Club.

Fr. Crispin (brother) was chief celebrant at the Requiem Mass while Fr. Cahill, C.C., was master of ceremonies. A full choir of local and visiting clergy and religious were present: Fr. McCarthy, P.P., Carnew, Fr. P. Browne, C.C., Brazil, Fr. M. Brennan, U.S.A., Fr. J. Byrne, P.E., Fr. Scanlon, C.C., Canon P. Foley, P.E., Fr. Braoders, Enniscorthy, Fr. Fr. T. Doyle, P.P., Fr. Angelies, Fr. Paul, Fr. Salvator, Fr. Senan, Fr. Dermot, Fr.

Giles, Fr. Donatus, Fr. Benjamin, Fr. Simon, Fr. Christopher, Br. Oliver, Br. Thomas Br. Ignatius, Fr. Terence, Fr. Paul Murphy, all OFM Cap.

The overflowing congregation also included Kevin Boland, former government minister, Dick Roche, T.D., Seán Sherwin, FF. organiser, Paddy Kennedy, ex-MP, Belfast, Seamus Cullimore, T.D.. Music at Tomacork was provided by Mary Brennan (organist) with soloists Ann Sheridan and Jacinta Kavanagh.

The liturgy of the word was shared by Josephine Gallagher, Bríd Callaghan (nieces), while the Prayers of the Faithful were read by Rosemary O'Loughlin, Maura Brennan, Iseult Gallagher, Bríd Ní Reagáin and Neans. The Offertory Gifts were brought to the altar by Conall Gallagher, Paudge Brennan, Dolores Callaghan. The bread and wine symbolising Brendan's love of the Eucharist, the programme of the Leinster hurling final Kilkenny v. Wexford an suim a bhí aige ins na cluichí agus the memoirs of Miles Byrne (North Wexford 1798 leader) an baint, an speis a chuir Breandan i gcursaí staire.

For well over two hours Brendan's remains lay in repose among his own, the outpouring of grief and affection for Brendan was sincere and of great consolation to all his loved ones.

Bhí sé ag druidim chun a sé nuair a thugmar an bóthar linn go leach Tórraimh Uí Chadhla i nDungarbhán, áit a raibh comharsana, cáirde, gaolta i láthair chun an Coróin Mhuire a rá leis an Ath Ó Dálaigh, P.E.

All through Saturday very many people called to the Kiely Funeral Home to sympathise, to pray, to pay their respects. Fr. Daly, P.E., recited prayers and rosary, after which the remains of Brendan Brennan were brought the six miles to his beloved Ring.

Ar an Domhnach bhí Aifreann na Marbh ann ag a 11 r.n. An Ath Ó Dálaigh a bhí mar príomh-cheiliúirí. Thug an Ath. Crispin an seanmóin, bhí an Ath. Carthage, Ruth, Bede, Benjamin Buckley, Capestran, Dermot OFM Cap. iad go léir i láthair. Bhí a lán cleirigh eile a tháinig ó chian is ó chonger ann freisin. Thar chionn an Taoisigh bhí an Capt. Muiris McQuillin. Ón lucht polatafochta bhí Martin Cullen, T.D., Brendan Kenneally, T.D. agus Harry Blaney, T.D. a tháinig dúinn as Tir Chonaill. Bhí muintir Radio agus Telefís na Gaeltachta ann freisin. Léigh Sinéad Ní Reagáin,

Thug Roisín Ní Reagáin, Aedeamair Ní Ghallachobhair, Conall Ó Gallachobhair, Paudge Ó Braonáin, Maighread Ní Reagáin agus Deirdre Ní Bhraonáin na h-iobairtí chuig an altóir. Bhí an Cailis, an tAran Naoga, Iól, geansaí, sliotar camán, peil, cabhar leis an teideal Éire Auach na nDaoine i Loch Garman 1798 acu. # RECENT DEATHS

## Mr. Tim Leader

We learned with great personal sadness of the death of Mr. Tim Leader, 'Richmond,' Abbeyside, Dungarvan, who passed away peacefully at the District Hospital, Dungarvan on Sunday, July 13.

Tim was born in Rathmore on the Cork/Kerry border and served his time to the drapery trade in Millstreet, Co. Cork, following which he came to work at Clinton's Drapery, Clonmel, where he remained for over fifty years. In 1992 he retired to live in Dungarvan, but sadly he did not get too long to enjoy retirement as his health deteriorated during the last few years.

Tim Leader arrived in Clonmel in the early 1940's, settled quickly and became part of the business, social and sporting life of the town. He was a long time member of the Rowing Club and a keen tennis player. In 1949, he married Hannah Lalor, Kilmac-thomas who was also in the drapery trade, and they made their home in Irish-town.

Tim was a loyal employee of Clinton's and very popular with customers from a wide area, many of whom became personal friends. Having come from farming stock, Tim took great interest in the land and developed gardening as his main hobby. He took much pride in his gardens both in Irish-town and Abbeyside.

Tim's remains were received by Fr. R. Doherty, P.P. at Abbeyside church on Monday evening, July 14 and burial took place in Faha cemetery on Tuesday after concelebrated Mass. Chief celebrant was Fr. Doherty, assisted by Fr. L. Leader, P.P., St. Patrick's, Cork (cousin), Fr. P. Ahearne, P.P., Fr. P. Moran, O.S.A., Fr. Crowley, P.P., Newtown, Fr. O'Mahoney, P.P., Dungarvan, Fr. Kehoe, C.C., Abbeyside. Liturgy of

the Word was shared by Tim's niece Kate McCarthy and his godchild Dermot Leader.

Fr. Doherty in his homily quoted from the Letter of St. Paul to the Romans: "The life and death of each of us has its influence on others." He said he had known Tim as a friend for fifty years. "He was a committed Catholic, a member of the Franciscan Third Order and the St. Vincent de Paul Society."

Tim is survived by his wife Hannah, sisters Mary McCarthy and Hannah Coakley (Rathmore), brother Jack Leader (Killarney), nieces, nephews and a wide circle of relatives and friends.

## Mr. Michael O'Donnell

After a duration of illness that was borne with true Christina fortitude and dignity, Michael O'Donnell, Allen Street, Cappoquin, went to his eternal reward on Friday, July 25.

Michael was born in Ardmore and some years later the family came to reside in Cappoquin where he was employed by M. D. O'Connor & Son for a number of years and later Michael worked at the Bacon Factory until its closure in September 1980.

Michael loved to play snooker for which he held many trophies and he took a great interest in bowling and he liked to have a flutter on the horses. Michael was always faithful to his duties and led a truly Christina life.

He was a good and loving husband to his wife Pauline and a tender and caring father to his children, James and Martina. Michael was a good neighbour and friend and was always ready to lend a helping hand, and this was evidenced at his funeral by the large atten-

dance of mourners.

The removal took place from Dungarvan hospital mortuary on July 26. The rosary was recited by Sr. Anne, Mercy Convent, Cappoquin and prayers were said by Fr. Jed McCarthy, Australian Mission and Fr. Eamon MacSweeney, Cathedral, Waterford. On arrival at St. Mary's Church, Cappoquin, the remains were received and blessed by Fr. Rogers, C.C., assisted by Fr. Arthur, P.P.

On Sunday the 11.30 a.m. Mass was offered for the happy repose of his soul. Mass was celebrated by Fr. Rogers, assisted by Fr. Arthur. Some lovely hymns were sung by Cappoquin Parish Choir and the Lessons were read by Joan Mason and Michael Tobin (family friends). The Bidding Prayers were read by his grandchildren Aisling, Sinéad, Conor and Eoin.

We extend our deepest sympathy to his wife Pauline, son James, daughter Martina, sister Stella, son-in-law Tadgh O'Reilly, daughter-in-law Patricia, sister-in-law Mollie, grandchildren Aisling, Sinéad, Jimmy and John O'Donnell and Conor and Eoin O'Reilly, nephews John and Richard Donovan and Desmond O'Donnell, niece Stella Carroll, relatives and friends. May he rest in peace.

## Mrs. Bridget Ivers

The passing of Mrs. Bridget Ivers, 30, Caseyville, Dungarvan on Thursday morning brought great sadness to the locality. One of the old stock, Bridget, who passed away at the District Hospital had reached the wonderful age of 94 years.

Dick, Paddy, Jimmy and Michael and her many relatives at this time.

## Mr. Tomás Walsh

It is with feelings of deep regret we record the passing of Tomás Walsh, Ballinagoul Beg, Ring which sad event occurred on Friday, July 25th.

Tomás was well known and a great friend to all who had the pleasure of knowing him. In his youth he worked the land for which he had a great affection. He joined the Irish Army during the second World War after which he took up employment with the outdoor staff of Waterford County Council. He was also caretaker

of the local waterworks. His motto for life was whatever you do, do it well.

A keen sportsman, he played hurling with the Brickeys and football with Ring and Ballinacourty in the '40s. He was a wonderful family man, always in good humour. Following his retirement, his life centred around horses and he had a keen eye for a good one with a great interest in breeding lines. He enjoyed nothing more than a day at a Point-To-Point meet and travelled to meetings in Waterford and Cork. It is symbolic that when God called him home, he was tending his horses. His passing leaves a void in the community. May he rest in peace.

His remains were removed from Drohan's Funeral Home to Ring Church on Saturday evening where they were received and blessed on arrival by Fr. Daly P.E. and followed by a large cortege of mourners.

Following requiem Mass on Sunday, celebrated by

Fr. Daly P.E., interment took place in the adjoining cemetery. Fr. Daly P.E. officiated at the graveside again in the presence of a large gathering. The lesson was read by grandchildren Clare and Tom Walsh. The Psalm was sung by Sibéal (granddaughter). Paidie Breathnach played the pipes. Offertory gifts of a bridle and photograph of his horses were brought to the altar by his grandsons, Fiachra and Jamie. Seán Óg Mac Craith sang at communion.

The chief mourners were wife Hannah, daughter Mairead (England), sons Maurice, Jimmy and Sean (Ring) and Tony (England), brothers Mick (Jersey), Paddy (Athy) and Sean (Wicklow), son-in-law John, daughters-in-law Mai, Josie and Dolores, grandchildren, nephews, nieces, brothers-in-law, sisters-in-law, relatives and friends.

(Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.)

## BALLYSAGGART NOTES

### BALLYSAGGART MACRA NOTES

And although Johnny didn't succeed this time at the wood chopper competition, he says next year third time lucky.

To round off the day the clubs attended a dinner dance in Clonea Strand Hotel followed by a disco. This was certainly enjoyed by everybody.

**7-A-Side Football** — As the Macra year comes to a close, the club are heading away for a mad weekend and the destination is Co. Westmeath. The club are going up to represent Co. # TALLOW NOTES

## BRIDEVIEW UTD. A.F.C. NOTES

### Winner Alright As £5,000 Jackpot Is Won

One could feel the tension on Friday night last as the club's Lotto hit a staggering £5,000. The club had intended in doing a double draw on the night but it was not needed as the winning numbers came up in the first draw.

Chairman of Brideview Utd., Milo Aherne said that the club were delighted that someone won as the committee were under a lot of pressure for the last few weeks. I think the committee will breathe a sigh of relief. Sure the sales will drop but at least the lads and lassies can now take a well earned rest.

While the jackpot reached £5,000 on Friday night last, it was a real miracle that it did. Many people were unlucky during the past few months. The girl that put in the the kids birthdays but one of them celebrated his birthday during the week and she just forgot to put in his new age on the ticket. If she had, the jackpot would have been gone months ago. How about the man who went away for the weekend and forgot to do the Lotto before he went. That week

his numbers came up.

There have been other stories during this jackpot but at least it is now gone. The new one is about to begin on this Friday night. We wish everyone the best of luck.

**Congratulations** — The club congratulates the winner, John O'Meara and spend the money wisely, John. The numbers drawn were 7, 12, 19, 22. The match 3 winners were Sylvia Healy, Diarmuid Halahan, Eve Murphy, Pat Beecher, Timmy Sheehan, John Lane, Mike Mellerick, Eileen Lynch, Babs Mulcahy, Adam Curley, Jo Murphy, Jamie Dalton, Brian Donnelly. Well done folks.

**News To Hand** — One of our Division 1 players stood to attention for one hour in J.R.'s on Saturday night. Some of the lads went shopping last weekend and it was not for groceries but the four of you were seen, lads.

## TALLOW G.A.A. CLUB NOTES

### Juvenile G.A.A. Notes

#### r-16 Hurling League Tallow 6-11 St. Olivers 3-8

Tallow and St. Olivers served up a great game of hurling in Aglish last week in the Juvenile League. Tallow's better balanced team just about shaded the issue. The scores were level at half-time 2-7 each. The sending off of a St. Olivers player in the first 10 mins. of the half had a big bearing on the outcome. David O'Brien determined play from centre-back plus Paul Murray's free taking kept Tallow ahead all the way through the second half. Goals from Michael Keating, Alan Tobin and Shane McCarthy settled the issue for Tallow.

Team: Paul Kearney, Michael Norris, Mossie McGrath, S. Mills, A. Kearney, D. O'Brien (0-1), K. Keating, W. McDonnell, P. Murray (0-6), W. Henley (2-1), S. McCarthy (1-3), P. Henley, B. Walsh, Michael Keating (2-0), A. Tobin (1-0).

#### Under-13 Hurling League Dungarvan 4-1 Tallow 1-5

Tallow were beaten by 5 pts. in their first game last week in Tallow. It was a great game between two evenly matched teams. Tallow led by 0-5 to 1-0 at half-time, all Tallow's scores from Paul Kearney. When the same player added a goal on the resumption, it looked like Tallow would hold on but two late goals sealed a great win for Dungarvan. All the players acquitted themselves very well.

Team: Eric Hickey, Richie Rohan, Mark O'Brien, Raymond O'Brien, Eamonn Forbes, Aidan Kearney (capt.), Eoin Condon, Paul Kearney (1-5), Kieran Norris, Colm Hickey, Robert Geary, Luke McCarthy, Kenneth Kearney, Paul Forbes, Shane O'Grady. Sub: James Hampton for Colm Hickey.

LEADER FEATURES

# Family health

By Dr. DAVE BARRY

**Q. I am 70 years of age and in fairly good health. My only medications are for high blood pressure. My problem is that I have difficulty sleeping at night. I go to bed at my usual time, about 10.30 pm or so, but no sleep seems to come. It is often one or two in the morning before I finally nod off. I am getting very concerned about this problem. Have you any suggestions to help me sleep?**  
**A. As we get older, it is quite natural for us to need less sleep. From the age of 50 on**

*it is increasingly common to wake up at some stage of the night. Don't worry if you can't get to sleep or if you wake up during the night. Here are some tips that may help you.*  
 1. Take some exercise, especially in the afternoon or early evening. Make a short walk part of your daily routine and you will be

*surprised how much more relaxed you will feel at bedtime.*  
 2. Try to establish a regular routine before going to bed as it trains the mind to recognise that once in bed it's time to sleep.  
 3. A warm milky drink at bedtime is relaxing and can help you sleep more soundly.

4. Catnapping during the day is not a good idea. Your body only needs a certain amount of sleep during the day and if you catnap then you may not sleep through the night.  
 5. If you do wake early, don't lie in bed worrying about it. Very early morning can often be the best time of the day, especially in summer-time.

*If your sleeping problems persist then consult your doctor for advice.*

cystitis and they are making my life a misery. When I have to pass water it is agony. I have taken numerous courses of antibiotics which only work for a short while; then I'm back to square one. Is there anything I can do to lessen the frequency and severity of these attacks? My doctor told me that I need to see a specialist in order to find a reason for the attacks.

**A. Cystitis is due to an inflammation of the bladder and causes, as you describe so well, a burning sensation when you pass water. The bladder inflammation also makes you want to pass water more frequently even though you may not pass very much. Because of the inflammation the bladder and its outlet pipe, the urethra, may bleed slightly and you may find blood on the toilet-paper or in the toilet bowl. At least half of all women will suffer an attack of cystitis once or more in their lives. Some women will suffer repeated attacks. To reduce the frequency of the attacks the following advice may be of some help;**  
 1. Drink at least two litres of water every day to maintain a good flow of urine and to flush through the kidneys and bladder.

*Empty your bladder frequently, at least six times daily, so that doesn't bacteria get a chance to grow and cause an attack of cystitis.*

2. Wash the perineum or "underneath" morning and evening and always after passing a bowel motion. It would be wise to keep a special flannel for this. Don't use soap to wash, just cool water. After a bowel motion or passing water wipe yourself from front to back.

3. If you have noticed that your symptoms are related to sexual intercourse, it may help if both partners wash with plain cool water before intercourse. Empty your bladder within 15 minutes of intercourse.

*If you do get another attack of cystitis then drink half a pint of water every 20 minutes. Each hour for three hours take a level teaspoon of bicarbonate of soda. Keep warm and rest. Be sure to visit your doctor as you may need a course of antibiotics.*

*Your doctor has suggested that you see a specialist and I agree with him. The specialist will carry out tests to see if there is any evidence of kidney damage or any abnormality which makes you vulnerable to attacks of cystitis.*

### A THOUSAND WAYS TO IMPROVE YOUR IMAGE

## Beauty basics

### Oily Skin

Oily skin can often begin at puberty and is caused by a number of different factors. Over secretion of oil from the sebaceous glands, incorrect cleansing, skin hygiene and incorrect diet may all cause oily skin. However, too much oil and grease in the diet does not always worsen or cause oily skin. It can also be linked with medical problems; in such cases a visit to the doctor is essential.

Oily skin has open pores, is discoloured and sallow. Its surface often resembles the skin of an orange and will feel thicker than dry or normal skins. It has a shiny surface with a tendency to blackheads and it is coarse to look at and to feel. Oily skin is more prone to pimples and blemishes but tends to be less prone to wrinkles and fine lines than dry skin. However, when lines and wrinkles do occur they are deeper and more pronounced.

Pimples are ducts in the skin which become infected when they are clogged up with dead cells, dirt and oil. Blackheads are clogged follicles and when they are not cleansed properly they can often lead to pimples which gives the skin a sallow appearance. It is possible for a person with oily skin to wash the face too often. It is often believed that oily skin is dirty and that washing frequently will remove the grease, yet too much washing can actually aggravate an oily skin. Excessive washing will only remove the oil and not the dirt, dead cells and bacteria underneath the skin.

1. Follow a balanced diet to help improve the skin.
2. If you think an oily skin is due to a medical problem consult your doctor.
3. An oily skin should not be washed or any abrasive scrubs used too often as they can aggravate the skin

Stir the chives into the flour, then gradually mix in the milk to form a soft dough. Turn out on to a lightly floured surface and knead until smooth. Shape the dough to a 20cm/8in circle, flattening it with the ball of your hand. Lift on to a large baking sheet. Using a sharp knife, score the scone into quarters and brush with beaten egg to glaze. Bake in the preheated oven for 25 minutes until well risen and golden brown. For the filling, grill the bacon until just crisp. Drain on

absorbent kitchen paper and cut into pieces. In a small bowl, whisk the eggs, cream (or milk) and mustard with a fork. Season well. Melt the butter in a large frying pan and add the egg mixture. Continue stirring and cooking over a low heat for 5 minutes, until the eggs are just cooked. Remove from the heat. Halve the warm scone horizontally and fill with the scrambled eggs and bacon. # ABBAESQUE LIVE AT DAVITT'S

Abba Live !! - Well almost. Abbaesque are the best Abba tribute band around. With a fabulous show including the hits "Waterloo", "Take A Chance", "Fernando", "Gimme Gimme Gimme" and "Dancing Queen" - they are a near perfect simulation of Abba, right down to the gold and white platforms and corny Swedish accents. Since their formation a year ago, they've had sell-out shows all over Ireland including Dublin's prestigious Olympia Theatre, have had numerous T.V. appearances and have had an enormous impact on the burgeoning corporate entertainment market.

Live at Davitt's Nite Club on Thursday, August 14th.

**MHURITHE — In remembrance** of Muireann Ní Mhuirithe, late of Helvic, An Rinn, who died on August 11, 1996, aged 22. She was my colleague and a friend. They say - "Take each day as it comes," Well, that's easier said than done, When your wishing tomorrow could be today, And make those dreams and wishes happen the same way. So much to live for? Yeah - that's true, So - explain to me this What was there to die for, aged 22.

I watch my lighted candle through colourful stained glass, The flame - it flickers and burns so brightly, reaching even higher, So like that lovely lass, So many fond memories I have of her, Aged 22 and still in her prime, So many plans made, All she asked for was time! I look at my candle through the coloured stain glass, I listen to music and watch time pass, And just as I watch it the flame begins to fade and fall. Through the embittered tears and through anger and through the pain, I catch a glimpse of her again, Smiling brightly. As she continues to shine through her own pain, and I realise - sadly - but comforted in the same way, Unlike my candle - she will always be - An Eternal Flame. (O do chara dilis — Audrey H.)

Whoever said that sorrow was healed by time,  
Could never have had a Dad like mine,  
These words are written with sad regret,  
From the heart of a daughter who will never forget.  
Wherever I go, whatever I do,  
I shall love and remember you,  
Beautiful memories are all I have left,  
Of a Dad I loved and will never forget,  
A gentle smile, a heart of gold,  
No better Dad this world could hold.  
I miss you more than anyone knows,  
As the year has passed, the emptiness grows,  
The tears in my eyes I can wipe away,  
But the ache in my heart will always stay.  
I miss you from your fireside chair,  
Your loving smile and gentle air,  
Your vacant place no one can fill,  
I miss you Dad, and always will.

**O'RIORDAN** — First Anniversary — In loving memory of my dear father, Paddy O'Riordan, late of 8, Keating Street, Dungarvan, who died on August 6, 1996.

He was a father so very rare,  
Content in his home and always there,  
On earth he toiled, in heaven he rests,  
God bless you, Dad, you were one of the best.  
The blow was hard, the shock severe,  
To part with you we loved so dear,  
Our loss is great, we'll not complain,  
But trust in God to meet again.

(Lovingly remembered by your son David, daughter-in-law Liz.)

**O'RIORDAN** — First Anniversary — In loving memory of our dear granddad, Paddy O'Riordan, late of 8, Keating Street, Dungarvan, who died on August 6, 1996.

He was a grandfather so very rare,  
When we needed him he was always there,  
He shared our troubles, joys and tears,  
Thank you granddad for those wonderful years.  
Forgive us Lord if we still weep,  
For a granddad we loved and could not keep,  
Perhaps one day you will tell us why,  
You broke our hearts and let us die.

(Sadly missed by your loving grandchildren Sandra, David, Tina, Catherine and Lisa, and your greatgrandson D. J.)

**POWER** — In loving memory of my dear parents, Christina, died August 14, 1966 and my dad, July, 1982. R.I.P. Late of 67, Congress Villas, Dungarvan. On their souls sweet Jesus have mercy.

No one sees the broken heart,  
That lies behind my smile,  
No one knows the loneliness,  
That is with me all the while.  
Silent tears do gently fall,  
That others do not see,  
For kind and loving parents,  
Who meant the world to me.  
But those I love don't go away,  
They walk beside me every day,  
The gates of memory never close,  
How I miss them no one knows.

(Always loved and remembered every day of my life, from your loving daughter Theresa.)

**REDDY** — Twenty-fifth Anniversary — In loving memory of our darling daughter Tricia who died on August 7, 1972, age 2½ years.

At night the silent stars look down,  
On a grave not far from here,  
There sleeps our lovely daughter,  
Who we will always love so dear.  
We are thinking of you today, Tricia,  
But that is nothing new,  
We thought about you yesterday,  
And the day before that too.  
We will think of you tomorrow,  
As we will our whole lives through,  
For the day we don't think of you,  
Will be the day God takes us too.

(Loved forever — from your Daddy, Mammy, brothers, sisters, nieces and nephews.)

**Semi-final pairings** - Division 1: Ballyduff v Lismore, Youghal v Dunhill; Division 2: Ballysaggart v Shamrocks, Cappoquin v Ballyduff.

It is hoped to play the Division 1 section this weekend.

**Under-16 Hurling** — The under-16 hurlers are in championship action this Thursday evening in the field at 7.30 p.m. against Brickey Rangers. This is a game we must win to be in a play-off for a semi-final place.

**Lotto** — The numbers drawn in last Tuesday night's Lotto draw were 2, 9, 14. There was one winner of the £500 jackpot namely Michael Walsh, Ballysaggart. The £25 prizewinners were Alan Martin, Toornageeha, Ballyduff and Jessie Tobin, Woodview Park, Tallow. Next week's Lotto draw on Tuesday night will take place in The Log Cabin at 10 p.m.

# The 1997 World Athletic Championships

BY  
WILLIAM  
DOWNING

If you're looking for a suitable theme to the sixth World Athletic Championships in Athens, the best thing to do is to amend last year's Euro 96 ditty to "Athletics is coming home." While the decision to stage the 1997 Championships in Athens was in part compensation for losing last year's Olympics to Atlanta, it does give the Greeks a great opportunity to show what they can do.

The decision as to where the 2004 Olympics are to be held will be made soon and Athens is one of five cities in the frame. However these championships are run off, things can't get any worse than they did twelve months ago in Atlanta. The home of Coca-Cola and Delta Airlines proved to be a nightmare home for the world games — the press slammed the city whenever they could (when they weren't stuck in traffic), many teams criticised conditions both at the Olympic Village and at the venues, and ultimately the organising committee didn't make a profit. At one stage the exasperated wife of one IOC official whacked a traffic policeman.

So to Athens. Irish hopes going into these championships were not as high as in previous years. Sonia O'Sullivan has had a frustrating season and as a result, Susan Smith of Waterford has been highlighted as a possible medal hope. However, O'Sullivan has succeeded in the past when not expected to.

## FAVOURITES FALL

Saturday, August 2 (Day 1) — The action begins at 9 a.m. local time (7 a.m. Irish time) with Sonia O'Sullivan involved in the very first race, the opening heat of the 1500m. Also featured here was gold medal favourite Kelly Holmes of Britain, but on the very last lap her injury jinx caught up with her again. An Achilles tendon injury from a fortnight ago had been aggravated during the race and that meant the end of her championships.

While she was being rushed to a specialist in Zurich, Sonia O'Sullivan gave herself a useful boost by winning the heat in 4m. 8.9 secs. and with Sinéad Delahunty qualifying as a fastest loser, it was a

refreshingly upbeat start for the Irish.

On the down side, Roman Lindshied made little progress in the discus qualifying, with the same fate befalling men's shot putt world record holder Randy Barnes of the United States. The final saw Aleksandr Bagach of the Ukraine earning the first gold medal of the World Championships, his best putt of 21.47m was a mere three centimetres longer than Olympic champion John Godina. The other gold medal on day one went to Mexican Daniel Garcia who literally walked to victory in his event, the men's 20k walk.

The hosts were putting up a good show too, with a number of notable Greek performances. Adonis Pavlakakis set a new Greek record in beating Olympic and World Champion Donovan Bailey in the opening round of the 100m, but something more memorable arrived in the very next heat. The athletes were at the starting blocks with the pistol about to be fired when another Greek Adonis Genovelis showed up a full five minutes after he should have. He was allowed to compete, but was allotted a false start. He eventually finished sixth.

The most impressive performance belonged to Trinidadian Ato Boldon who stormed through his second round contest in 9.87 seconds, three-hundredths of a second outside the world record. Up-and-coming Maurice Greene, Boldon's training partner, came in second at 9.90 seconds. There's no Linford Christie this year. He is filling the role of analyst for the BBC, with an interesting description coming from him on Merlene Ottey's 1997: "Merlene hasn't been training much this year because she's been doing promotional work for Puma." Now who was Christie's sponsor again?

## GREENE DAY

Sunday, August 3 (Day 2) — Ato Boldon described going into the men's 100m final how his girlfriend has always had visions of his successes before they occur. Her latest soothsaying saw Boldon winning the title in a record-shattering 9.76 seconds. Whatever about her earlier predictions, this one was spectacularly wrong. When Maurice Greene crossed the line first in 9.86 seconds, equalling the championship record, he completed a re-

markable twelve months in athletics, a sport he only took up last year.

Donovan Bailey came in second with another talented young American Tim Montgomery in third. Just out of the medals was Namibian Frankie Fredericks with Boldon way back in fifth. Surprises throughout the field.

It was the same story in the woman's 100m decider. With Gail Davis absent, Merlene Ottey of Jamaica was determined to earn her first major title at this distance. So determined, she thundered through the opening 60 metres before she realised that a false start had been called. This clearly took the wind out of her sails, with Ottey knowing with 20m to go that the race was lost.

In the end it was a head-on battle between 21-year-old former American basketballer Marion Jones and talented Russian Zhanna Pintusevich. Jones shaded it on the line, but Pintusevich was so overcome with delight that she continued to race around half the track, fooling some of the crowd, most of the photographers and RTE's George Hamilton. But it was Jones in 10.83, Pintusevich came close on 10.85, with Sevatheda Fynes of the Bahamas third in 11.03.

He needed a controversial wildcard entry to compete, he's struggled since his million dollar challenge against Donovan Bailey and almost went out of the 400m tonight. Michael Johnson took it far too easy in his second round heat, slowing down when virtually assured of an automatic qualifying spot. But he miscalculated, was overtaken by Ibrahima Wade and had to sweat it out as a possible fastest loser. This he did, but only just.

Sonia O'Sullivan cruised into the women's 1500m final, fourth in her heat. Sinéad Delahunty of Kilkenny didn't have the same luck as Olympic champion, Svetlana Masterkova of Russia slumped out.

Off the track, Heinz Weis of Austria won a thrilling hammer final, edging out Ukrainian Andrei Skvaruk. Olympic champion Belaas Kiss kissed his chances goodbye in fourth. And still two days to wait for Waterford's Susan Smith in the 400m hurdles.

## WATERFORD CAMOGIE NOTES

### Butlerstown Prove Too Strong For Lismore

From the outset, Butlerstown set the pace for this 9-a-side final. Fresh from their County Final Championship victory of the week before, they played like champions and led throughout the game. Lismore struggled to keep up with their opponents and being out of championship for a month was obviously to Butlerstown's advantage. Going into a 9-a-side final (in comparison to the usual 12) was always going to be an uphill battle with a lack of competitive games for so long.

Lismore did make an impact at the start of the second half, scoring a goal and 3 pts. in the first few min-

utes and looked like they might make a comeback. Butlerstown gradually pulled out of that bad patch for them and eased their way towards victory over a tiring Lismore side and so Butlerstown repeat the double they first achieved in '96.

Butlerstown: J. Collins, L. Bennett (capt.), E. O'Connor, T. Kirwan, R. Matthews, A. Barron, L. Collins, T. Collins, S. Fan. Subs: L. Kelly, A. Hennessey, L. Matthews, M. Barron, S. Kirwan.

Lismore: C. Ormonde, B. Prendergast, C. Caples, A. M. O'Gorman, C. Ormonde, C. Enright, M. Murphy, E. Dunne (capt.), C. Tobin. Subs: J. Hannon, B. O'Ke-

ffe, L. Heaphy, G. Barry, D. Bennett.

#### UNDER-16 CHAMPIONSHIP

There were victories here for Dunhill/Fenor over Portlaw and Gaultier, for Butlerstown over Ferrybank, for St. Saviours over St. Mollerans and Lismore over Tramore (7-5 to 3-4). The semi-final pairings are as follows -

Butlerstown v Lismore in Dungarvan on Thursday, August 7th 6.30 p.m., Dunhill/Fenor v St. Saviours on Sunday, August 17th.

The final is fixed for Sunday, August 24th at a venue yet to be decided. Current county under-16 champions are Dunhill/Fenor.

## CREDIT UNION JUNIOR TOUR OF IRELAND

The Credit Union Junior Tour of Ireland kicked off in Gorey on Sunday last, August 3. It works its way around the country and will finish in Drogheda on August 10. With an entry of well over 100, it includes teams from Belgium, Spain, France, Holland and Britain and teams from Ireland.

Well over 600 miles will be covered. Brian Moore, Paul Geary and Thomas Hogan were all selected to represent the South East Regional team alongside another Dungarvan man, Marc Flavin of Cidona Carrick Wheelers.

While it might seem that our junior riders are getting all the attention, our under-

age riders will get a chance to shine when they face tough opposition in the All-Ireland Underage Championship promoted by Kanturk Credit Union C.C. on August 23/24.

Gearóid Terry will be fighting for gold in the under-11 race. Gearóid, who is currently leading the national league, is in excellent form after a very consistent year.

In the under-14 championship Edward Kelly who recently won the Regional Championship and his team mates Adrian Cleary and David Moore will go to the line in what is expected to be a very tough race against Ireland's best.

In the under-15 championship, defending champion David Geary, who is in great form lately, faces tough opposition against a very strong Kanturk team.

The club would like to say a big hello to John Moore and his friends in Australia.

## K.C.K. ATHLETIC CLUB NOTES

# National Titles For Niamh Cummins And Helen Reily

The National 'B' Track and Field Championships were held at the Regional Sports Centre, Waterford on Sunday last in appalling weather conditions. Again it was another very successful day for the club, taking home another five All Ireland medals.

Once again Niamh Cummins had a brilliant performance to take the gold medal in the multi event where she had to compete in five events — 80 metres hurdles, 800 metres, shot putt, long jump and high jump for a fine score of 2443 pts. Emer Flannery from Galway was second with 2331 pts with Sara Kelly also Galway in third place with 2309 pts.

Helen Reily had a brilliant performance in the girls under 15 high jump to take the gold medal in the 'B' championship with a height of 1 metre 41 centimetres.

In the boys under 14 multi event Michael Flynn was moving up one year and had a very good performance to finish in fifth place competing in five events.

The club had three girls on the Waterford under 12 team that took the bronze medals behind Dublin (1st) and Cork (2nd) and Waterford (3rd). The full team was Edel Morrissey, Claire Cashin, Claire O'Sullivan,

Aileen Barron and Tracey Shalloe, Ring/Old Parish. Well done to the five girls for a fine performance on such a bad day. It was a pity that the young athletes from other clubs did not turn out for the county, we would have come home with a bigger haul of medals.

Congratulations to Niamh Cummins and Ailish Ahearne both girls have been picked to represent their country in the Celtic Games which will be held in Newport, Wales on Saturday next, August 9. Ailish will compete in the 100 and 200 metres and relay, Niamh will compete in the 80 metre hurdles and relay. Best of luck to both girls and all the Irish team on Saturday next.

Our friends from Wales, Preselic Harriers Athletic Club arrived on Friday last and were based in the Scout Centre, Mount Melleray. They covered a lot of the scenic areas of West Waterford and East Cork on the first couple of days. A lot of these athletes competed in Waterford on Sunday in the All Ireland 'B' Track and Field Championships as guests, all had good performances, some outstanding. The disco on Sunday night was a huge success and everyone had a very enjoyable night. The bad weather spoilt things a lit-

tle as they had to leave earlier than planned on Monday when some of the Ferries were cancelled. They were delighted with their trip and I am sure they will be back again in the near future.

## CLUB LOTTO

### PUNTERS FAIL TO MATCH 3 AGAIN

Our Club Lotto continues to grow and last Sunday night in O'Reilly's Bar we again had no matching ticket for the 3 numbers drawn which were 1, 3, 11. Next week's jackpot will be worth winning so play early and avoid disappointment as if you are not in then you cannot win.

Our 5 consolation winners were Patrick Gallagher, Ardmore; Valerie Dunne, Ardmore; Charlie Hamill, c/o Koevers Bar; Ann Mooney, Ardmore and Bridget Botrel, c/o O'Reilly's Bar.

Once again we thank O'Reilly's for their hospitality and we look forward to our next visit. Next week's draw will take place in the Round Tower Hotel.

### SPONSORED WALK

We would like to express our sincere thanks to everyone who supported our juvenile sponsored walk on Saturday evening last. It was an unqualified success and the funds raised will be put to good use by the Juvenile Club.

As with any venture such as this, there are people to thank and we appreciate the efforts of the parents who dropped all the lads at the start and who were there to collect them after their swim at the finish. To Noel Faherty who organised the bucket collection after Mass. To the adults who supervised the lads on the walk and in particular to all the young boys and girls for completing the walk in exemplary fashion. To everyone who helped in any way to make this enjoyable hop and dip and I suppose to the weathermen for allowing us a perfect day.

### CONGRATULATIONS

We extend our good wishes to Joe and Christine Power and Joe and Jean Brennan on the birth of baby boys this week. We hope that these will be two more wearers of the blue jersey in the years ahead.

Further best wishes to Christine and Joe who have opened a new restaurant in the village and we wish the White Horses the best for the future.

### HOME ON HOLIDAY

We extend good wishes to all our exiles who are presently at home on holiday in Ardmore. In particular we welcome all the members of the Hennessey dynasty who have returned home for a family reunion and who are having a great few days despite the bad weather at the weekend. We hope that Declan, Johnny and Maurice will be able to put their celebrations on hold until we have played Sliabh gCua and hopefully we all will have something to celebrate on Saturday night.

### DÉISE DRAW

The second Déise Draw takes place tonight (Wednesday) and hopefully we will have a winner or two to report about in next week's notes. Good news also is that our numbers have increased which we hope will continue. All monies at this stage should be paid to Kevin Gallagher so if you have forgotten then do so quickly. Also all scratch cards should, by now, have been given out so if you have 3 matching symbols please return them so that they can be entered into the draw immediately.

### BUSY FRIDAY NIGHT

Last Friday evening saw us deployed in 3 different venues at the one time and for many it was a case of making choices as

some were due to play at both venues, others to act as selectors at both venues and yours truly who is an under-13 hurling selector and who were playing at home where they recorded a win over Stradbally. I am also an intermediate football selector and they recorded a 1-17 to 2-4 win over the Brickeys in a game played in Old Parish and finally as a sub on the 1977 winning County senior football team, I could have went to Leamybrien where our veterans had a one point win over a Kilrossanty team in a tournament game winning on a 1-5 to 0-7 scoreline. I was in Old Parish but it is great to know that all 3 teams fielded and recorded wins.

### INTERMEDIATE FOOTBALL

Our intermediate footballers this week will either kick start our season or finish it as in truth we will be very much the underdogs when we take on Sliabh gCua in our first round game on Saturday evening in Fraher Field with a 7.30 p.m. start.

If we can play to the best of our ability, I have no doubt that we can win but it will take a mighty effort from all the players for the whole game and in the week up to it to be in the right frame of mind for us to take the first step on the road back to senior football. All players are asked to be at Fraher Field by 7 p.m. and we look forward to them giving a good display and to put pride back into Ardmore's football. Come along and give the team your support.

## JUVENILE AFFAIRS

### MINOR FOOTBALL

#### Ardmore 3-14 Shamrocks 0-2

Our minor footballers return game with Shamrocks never materialised into the expected close game that was anticipated as a result of the tough hurling game the week before when only a point separated the sides but on this occasion there was only the one team in it and our lads gave the Shamrock lads a footballing lesson that they won't forget in a hurry as on this occasion the lads showed no mercy and took their scores at every opportunity.

We were dominant in all positions and a whirlwind start saw James O'Neill finish a perfect Wayne Hennessey pass to the net. Five of our six forwards scored points in the first half and when Wayne added our second goal, it left us 2-7 to 0-1 in front at the half-time break. We slackened somewhat in the second half but still scored a further 1-7 to just another point for Shamrocks whose two points were scored by James Murray.

To read too much into this win would be a mistake as our semi-final against Dungarvan will be a different ball game but to have successfully overcome this difficult first hurdle in such fine fashion suggests that our lads will make a bold bid to return their divisional title and go one better and add the County title which so narrowly eludes them last year.

**Ardmore** — Declan Lenane, Declan Prendergast, Michael Supple, Patrick Conway, Austin Flavin, Ciarán Foley, Killian McCarthy, Seamus Prendergast, John Conway, Wayne Hennessey (1-3), Cathal Hennessey (0-2), Declan Lenane, Richie Hennessey (0-3), James O'Donnell (0-2), James O'Neill (2-4). Subs used: Brian Lenane, Andy Baker and Adrian O'Donnell.

## WATERFORD LADIES FOOTBALL NEWS

# Waterford Ladies Capture Munster Senior Title After Bruising Final

## WATERFORD 2-2 CLARE 0-5

They say that fortune favours the brave and last Sunday's Munster Senior Final played at Cusack park, Ennis in atrocious conditions very definitely proved that sentiment. Waterford emerged from a bruising battle to claim their 4th senior title in a row and their 6th since 1991.

Such were conditions that the game probably shouldn't have been played. Large sections of the pitch were covered in surface water, the ball was frequently held up by that water and good football was out of the question. In such circumstances Waterford were glad to emerge from the 'lion's den' with their title aspirations intact.

In fairness referee John O'Keeffe (Cork) did a good job in allowing for conditions and both sides gave their all. Over the year Waterford's attack have won many matches but without doubt, last week's triumph was largely fashioned by a magnificent defensive display with all six producing a great co-ordinated effort in front of outstanding goalkeeper Annalisa Crotty. Annalisa produced four brilliant saves, three from point blank range, the other from a penalty. The defence showed two changes from the previous week. Sarah Hickey came in at right half back and Noirin Walsh was restored to centre half back and both players produced top class performances.

The fielding of the full back line of Regina Byrne, Siobhan O'Ryan and Deirdre O'Rourke was superb and Julie Torpey rediscovered her best form that culminated in her scoring the match winning goal in the 58th min. Highly significant also was the contribution of substitutes Mary

O'Donnell and Fiona Crotty. When they were introduced 6 mins. into the second half, Waterford were trailing and playing against the wind and they set up those two vital second half goals.

Scores were always going to be scarce on such a bad day and Geraldine O'Ryan opened Waterford's account in the 6th min. with a point from 30 yards. Clare had plenty of possession but were guilty of kicking some very bad wides. The equalising point didn't come until the 24th min. from Sharon O'Brien. Within a minute Anne Ryan put the Banner girls in front and their danger was up.

Both sides were missing chances and on the stroke of half-time, Geraldine O'Ryan pointed a long range free to level the scores. The Waterford forwards were tightly marked but the conditions, more than anything else, stemmed the normal fluency of the unit.

Within a minute of the restart, Clare were awarded a penalty but Claire Daly's rising shot was tipped over the bar by Annalisa Crotty. Carmel Bohannon added a point and Clare were sailing, the wind at their back and dominant in several positions. Enter Mary O'Donnell and Fiona Crotty.

They provided the spark that ignited Waterford. Fiona Crotty began to carry the ball at wing forward and

Pictured above are the Waterford ladies senior football team who won th Munster senior football final when defeating Clare by 2-2 to 0-5 in Cusack Park last weekend.

Mary O'Donnell, using the great positional sense, began to find holes in the Clare defence. In the 40th min. the young Old Parish girl put Geraldine O'Ryan through and Waterford's best forward on the day smashed the ball past the Clare 'keeper Mary Keane to restore Waterford's lead.

It was a life saving goal. Clare did get away with a record number of fouls on Aine Wall and Geraldine O'Ryan but that goal gave Waterford the confidence and for the last 20 mins., each and every one of the players fought with tenacity to save the day.

Martina O'Ryan and Clare's Eithne Morrissey had a real battle at midfield. Morrissey was stopped from her usual forays into attack although one such effort did lead to an equalising point in the 50th min. The last 10 mins. were played deep in the Waterford defence except for one breakaway.

They bombarded the Waterford defence with huge dropping balls but the full

back line reigned supreme. On the few occasions that they got through, Annalisa Crotty showed why she is the all star goalkeeper with the last 2 years.

Just when it seemed that Clare would win the day, Waterford broke swiftly from defence. Wing back Julie Torpey got possession 70 yds. out and carried the ball to the 21 yard line before lobbing the ball over the advancing Mary Keane for a priceless goal. Waterford did have 5 more minutes of pressure including one vital save from corner back Regina Byrne before ref. John O'Leary called it a day.

As well as the already mentioned players, Olivia Condon, Caitriona Casey, Aine Wall, Rebecca Hallahan, Claire Ryan, Deirdre Nagle and Catherine Walsh all played their part in a solid team effort. They now face Meath in the semi-final at Navan on August 31st. Meath proved too good for Laois in the Leinster Final, winning 3-7 to 0-13. No

Meath team can be taken for granted.

Waterford: A. Crotty, R. Byrne, S. O'Ryan, D. O'Rourke, S. Hickey, N. Walsh, J. Torpey (1-0), M. O'Ryan, O. Condon, C. Walsh, C. Casey, R. Hallahan, G. O'Ryan (1-2), A. Wall, C. Ryan. Subs: F. Crotty, M. O'Donnell, D. Nagle.

## JUNIOR MUNSTER FINAL

Waterford play Limerick in the Muster Junior Final at Bansha on Sunday next at 3 p.m. While it's Waterford's second string side, Limerick haven't got a senior side. They have threatened to win this title with a number of years but have failed to deliver.

Waterford can call on several players who featured on successful under-16, minor and senior teams over the years. Jane Whyte, Ann Dunford, Lorna Mooney, Helen Fitzpatrick, Paula Walsh, Triona Whyte, Sinead and Tanya Kirwan,

Mary Troy, Nuala Hearn, Carolyn Ahearn, Margaret Foley and co. won't have any big fears about facing Limerick and it is certainly a game they are capable of winning.

## MUNSTER SENIOR FINAL

Last Sunday's Munster Senior Final is featured on multi-channel's Munster game this Wednesday evening.

## MINORS

The minor side had a convincing victory over Cork and now face Clare in the Munster Final. Clare beat a fancied Kerry side and Waterford are certainly up against it.

## UNDER-16

This Saturday, August 9th Waterford play Longford in the under-16 All-Ireland semi-final. Waterford were very impressive in their Munster campaign and Longford likewise in Leinster. It's very much a 50-50 game. It's a neutral venue.

Pictured above is the Waterford minors ladies team who defeated Cork in the Munster semi final on the scoreline Waterford 7-6 Cork 2-4.

# DUNGARVAN UNITED SCHOOLBOY NOTES

It was nice to see so many young people at our disco on Friday night. Thanks to the Duggan brothers some great music was enjoyed by all. One notable absentee was our chairman Tony Wall. In his absence a very special request was played to remind us of his support to the red army "You'll Never Walk Alone". Our next disco will be on Thursday, August 28. This will be our last disco before a return to school.

Our under-9 team had two challenge games against Ballinroad on Saturday. The first game ended in a draw. Dungarvan were victorious by one goal in the second. I

would like to thank everyone who helped at this game and would like to thank Les Delahunty and Ballinroad for the game.

We are playing two Middleton schoolboy teams in challenge matches on August 17th. Under-11's and Under-15's are involved in these matches. More details next week.

Under-11 training will start on Saturday, August 9 at 2.30 p.m. I hope to see a big turnout.

Our summer camp starts on Monday, August 11 at 10 a.m. Children are asked to come early as we are expecting a big crowd. Make sure children bring a packed

lunch and a drink. Admission to the camp is £10. Two or more from the one family will get a discount.

Congratulations to Breda and Jacinta who recently passed their driving tests. I understand both are free to negotiate terms with any racing teams for the future. Well done girls.

Once again anyone interested in information on schoolboy soccer in Dungarvan United can contact any member of the committee and we will be more than willing to help.

## UNDER-8 LEAGUE

This league, which has proved very popular with many parents turning out in force, has gone right down to the last game. Long time leaders Cappoquin have set the pace and are unbeaten in the league. With one game to play, they would become champions if they could get even a draw against second placed Clashmore Ramblers.

Ramblers have improved steadily over the last number of games but need to beat Cappoquin to force a play-off. The sides have met twice already with a win each and there will be

## FRIENDLY GAMES

Both our junior teams are after playing games over the past week. On Tuesday night last we played Glasheen from Munster Senior League. This was our first game together and in the opening minutes this showed. However as the game went on, we started to play some good football against a very good side. We conceded two goals in

the opening half. We made a few changes in the second half and indeed our lads finished the stronger. Overall this was a great game to get.

On Friday last we went to Dungarvan where we played a mixture of our first and second team. This was a great game. We played well and looked sharp, much passing. We won this one 3-1. Paul Ormonde, Eamonn Murphy, C. Prendergast were our goalscorers. We

would like to thank Dungarvan for this friendly.

## MICHAEL O'DONNELL MEMORIAL CUP

# Kilgobinet Win The O'Donnell Cup After Superb Game

**KILGOBINET 1-12**

**KILROSSANTY 'A' 1-9**

On Saturday evening last at Páirc Naomh Bríd, Leamybrien, Kilgobinet defeated Kilrossanty A to win the Michael O'Donnell Memorial Cup for the first time. This game turned out to be one of the best junior games of the year to date.

Kilgobinet got off to a good start with points from Martin Troy and the impressive Michael Flynn. Pat Whyte had Kilrossanty's first score (a point) then came the first goal of the game when Michael Flynn was at the end of a sweeping movement to finish to the net 1-2 to 0-1 in Kilgobinet's favour. Kieran O'Connor and Kevin Walsh (Coolnasmea) exchanged points. Thomas Kiely slotted home a penalty, after Paudie Coffey was fouled in the square. Thomas Kiely, from a free and Seamus Veale from play, had points to leave it at the break 1-4 to 1-3 in Kilrossanty's favour.

Kilgobinet introduced Michael Hurley to their defence in the second half and he had a big bearing on the outcome. In a very exciting and competitive second half, the lead changed hands several times. Seamus Veale, Kieran O'Connor, Tony Kirwan, Thomas Kiely and Paudie Coffey had Kilrossanty points and Kevin Walsh (Coolnasmea) with 4 pts. and Michael Flynn and John Nugent 1 pt. each left it 1-9 each with

6 mins. left. John Nugent and Kevin Walsh had 3 unanswered points to leave it 1-12 to 1-9 at the final whistle.

For Kilgobinet, Chris Lyons was their defensive hero and he won the man of the match trophy after a great 60 mins. Sub Michael Hurley, Brian Dunford and Pat Morgan, when switched and John Byrne at centre back, had fine games at midfield. Kevin Walsh (Kilnafrehan) worked like a beaver and Mark Radley also had his moments. In attack Kevin Walsh (Coolnasmea) was outstanding in the second half. Michael Flynn, John Nugent and Martin Troy were also impressive.

For Kilrossanty who battled with great heart to win the cup for the first time since 1994, none played better than veteran Pat Keating in defence. He got most assistance from Tom Prendergast, Seamus Veale, Ivor Whelan and David Whelan. At midfield Ger Walsh and Eamonn Flynn tried hard while in attack the impressive Kieran O'Connor stood out. He got most assistance from Paudie Coffey.

After the game Kilrossanty Chairman, Pat Cunningham presented the Cup to the winning capt. Kevin Walsh (Kilnafrehan) and John Kiely presented the man of the match trophy to Chris Lyons.

**Kilgobinet** — S. Fennell, P. Hayes, B. Dunford, J. Walsh, C. Lyons, J. Byrne, J. Nugent, K. Walsh, M. Radley, M. Flynn, K. Walsh, P. Morgan, M. Troy,

## RECENT RACES

Tuesday, 22nd July was a beautiful summer's evening with light wind conditions (more favourable for a barbecue and beverages on the Cunnigar). However, that didn't stop the fleet of six boats participating in the race - with only two boats to make it to the finish line, it was very close. Niall and Aidan Russell and crew played it cool and overtook Clare Morrissey, Noel and Trudi near the finish line. Unfortunately the wind dropped suddenly and prevented the other participants from finishing the race. Thanks to all skippers for helping out as we were short boats due to a great turnout on the evening. Also thanks to Kieran Donnelly and Michael Whelan for covering with the rescue launch.

Light wind conditions failed to dampen the competitive spirit of the five boats in another race on Friday 25th July. They took to the water while they could have been elsewhere discussing racing tactics.

Alex Ballot, Nessa and Catriona left everyone motionless on the start line and got well ahead. A few sandbanks ahead conspired to defeat the most willing spirits, but once in deeper water, Chris Kelly and

Anike Tyrell caught up swiftly and held their lead to the finish line. A very exciting and close call for 2nd place as Alex Ballot with his willing and able lady crew, were neck and neck with Patsy Keane, Noel and crew. Patsy pulled a few skillful tactics and was determined to get to that finish line ahead of Alex.

Well done all. Thanks to Mossey Brennock for covering with the Rescue

Launch.

## BARBECUE

A truly memorable time was had by everyone recently for our barbecue at Baile na nGall. We wined and dined to our hearts content. Some of us soaked up the blissful sunshine while others braved the water for a dip. One particular member decided to wait for his swim until he arrived back to the Pantheon. That took bottle!

(more than one I'd imagine). No names mentioned!

Following this hugely successful day out, we're planning another fun filled day of sailing, socializing and craic next Sunday 10th August, as we set sail for Ardmore for our annual cruise - departs at 10.00 am. The club launch will escort the boats and allow mooring off in Ardmore Bay. All are very welcome to come along.

## SAILING COURSE

The adult sailing course has been put forward to Monday 18th - Friday 29th Aug. (Mon-Fri). For further details please contact Christopher Kelly (058)42180. Few places left - so hurry!

Best wishes to all those who completed the Junior Sailing course last week.

## LADIES RACE

Following the success of the July Ladies Races we

are holding a ladies mini league for the Farrell Cup. Unfortunately this race had to be canceled last weekend due to the weather conditions. Further notice will be given.

# WATERFORD CRYSTAL ROAD RACE THIS SUNDAY

The oldest road racing event in the County takes place this Sunday when the Paddy Flanagan Waterford Crystal Waterford to Tramore event will be staged. The race begins at 2.30 p.m. from outside the City Hall and following a 7.5 miles run, it will finish at the car park opposite the Majestic Hotel in Tramore.

Valuable pieces of Waterford Crystal are once again on offer this year and the organisers are very grateful to the company for their continued sponsorship of this popular event. The race was first staged in 1970 when Richie Crowley (St. Finbarr's A.C.) became the inaugural winner. The race is staged in memory of former County Board race starter Paddy Flanagan from Tramore and the organisers and the runners look forward to meeting Mrs. Flanagan each year who presents the prizes including one provided by herself for a Waterford athlete.

This race will be the penultimate event in the Ger Wyley Sports Summer Series road racing series and athletes are reminded that if required, lifts will be arranged back to the city after the race and gear will be brought to Tramore in

the lead car. The Waterford to Tramore race could have a major bearing on the destination of overall honours in the Summer Series as it is the longest race in the series.

Expensive pieces of Waterford Crystal will be presented in the following categories at the Tramore G.A.A. Centre after the race.

Men - First 4 seniors, first over 35, first over 40, first over 50, first junior.

Team prize: First two teams of three outside prizewinners.

Ladies: First 3 seniors, first over 35.

#### 1996 Results

The first lady home was Catherine Hennessy (Wexford), the first veteran was Gerry Madden from Kilmacow, the first junior was Thomas Bennett (West Waterford) and his clubmates Michael Roche, Anthony Harty and Alan Ryan won the team event.

# CELTIC INTERNATIONAL GAMES

The Celtic International Games staged between Ireland, Scotland and Wales will be held in Newport, Wales this Saturday. Included on the Irish team are the K.C.K. pairing of Niamh Cummins and Ailish Ahearne whose inclusion on the squad was a certainty following their impressive doubles at the Capri Sun Juvenile All-Ireland Championships recently.

Ailish will compete in the 200m and Niamh will come under starter's orders in the 75m Hurdles. A third Waterford athlete, Mary Dalton from De La Salle, has gained selection in the Javelin event. One of the team managers is John McGrath (West Waterford A.C.) and the team physio is another West Waterford member Ann Browne. Good luck to all concerned.

#### IRISH MEDALISTS

Included in the large number of local athletes to win medals at the recent Capri Sun Irish Juvenile Track and Field Championships were Joe O'Donnell (Abbeyside) and Triona Shalloe (Ring/Old Parish).

Competing as an individual, Joe ran brilliantly to win the bronze medal in the under-15 250m Hurdles final as did Triona Shalloe

**Triona Shalloe (Glenbeg N.S.) pictured winning the under-14 600 metres at the recent West Waterford Primary Schools Sports. who recorded an excellent time of 5 mins. 03 secs. for her age group when finishing third in the under-13 1500m final. Triona was also fourth in the 800m final in 2 mins, 30 secs.

## WORLD ATHLETICS CHAMPIONSHIPS

# Sonia O'Sullivan - A Gutsy Lady

Precious little has gone right for Sonia O'Sullivan in her world of athletics in the past year. Her Atlanta Olympics were a nightmare and despite her best efforts, her career looked to be on a downward slope especially following a below par performance in Sheffield some weeks back.

The announcement that she was going to compete in both the 1500 and 5000m races at the current World Championships in Athens was met with some surprise to say the least. Many would say that if she experienced another Olympic-type disaster, she would be setting herself up for a fur-

ther fall from which she might not recover.

She is obviously determined to prove herself once again at the highest level and her performances in the heat (Saturday) and semi-final (Sunday) of the 1500m shows she possesses rare determination. Whether she does well or not in the final of the 1500m (last Tuesday), she has come a long way in the past few days for which she deserves great credit.

#### FAVOURITES OUT

The favourites for the 1500m title Kelly Holmes (Great Britain) and Mas-takova (Russia) failed to

make it to the final through injury and the title race was rated as wide open with Sonia O'Sullivan now coming more and more into the picture. Ireland's other representative, Sinead Delahunty was unlucky to lose out on a place in the final by .6 of a second. She recorded a best time of 4 mins. 7 secs. for the distance when finishing just outside the automatic qualifying places in her semi-final.

In the Javelin competition Terry McHugh finished 15th of 40 competitors in the qualifying round but despite a fine throw of 77.96m, he failed to qualify for the final round.

## BALLYSAGGART OPEN HANDICAP ROAD RACE

An athlete of many years ago once told us that one of the greatest aids in the promotion of athletics in bygone years was the inclusion of handicap events at sports meetings throughout the country. The best sprinter, for example, began from scratch which was the starting line and the other runners, depending on their ability, received a 5 yard, 10 yard or some other lead. This system made the best runner fight for his win and it also gave all the other runners a decent chance of winning the race.

The Ballysaggart Festival will be held on August 15th to 17th and the programme of events will include an open handicap 6 miles road race. Handicap times based on runners finishing times in races this summer have been organised by West Waterford Athletic Club. Each runner's handicap time will be included on a countdown watch with the fastest runner (James Sullivan) starting at scratch i.e.

30 mins. 36 secs. on the watch.

Ballysaggart runners Michael, Thomas and John Bennett will be among the runners in Friday week's race. Michael will start at 45 mins. 36 secs, John will begin at 34.00 and Thomas will start at 33.24. It is not the same system as the Col-ligan Cup. All the handicap times are currently organised. Other examples are

Anthony Dwyer (39.12), Ray Burke (39.12), Michael Dwyer (39.00), Tony O'Mahoney (38.24) and James Veale (38.24). There will be prizes for the first 15 runners to cross the finishing line. Be sure and give it a go. Remember you have as good a chance as anyone of winning the race. The race starts at 7.30 p.m. and a social evening will follow in the Ballyvera Bar.

## ANOTHER TITLE FOR NIAMH

K.C.K.'s Niamh Cummins notched up another title last weekend when she won the Munster under-14 combined events championship at a rain drenched Waterford Regional Sports Centre. The Waterford girls under-12 team won the bronze medals in the Inter County event.

## VISITORS

Visitors to our grounds last Saturday afternoon were our friends from Moyle Rovers with u-8 and u-10 age group teams. Two challenge games were played and those present were treated to a feast of hurling. We welcome all these upcoming stars of the future, some with names new to the club, others with names that go back a long way with Cumann Dungarvan.

## UNDER-13 HURLING TOURNAMENT

On Friday last we trav-

elled to Tallow where we defeated the home side in the Bord Na n-Og u-13 Western Hurling tournament. Our final game in the league section is at home to Ballyduff on Friday evening at 7 p.m.

## MINOR FOOTBALL

Last Wednesday evening we took on Naomh Bríd at the Colligan venue in the minor football "A" Championship. This was a reasonably good performance from our minors. However, it we are to

progress further in this competition our players will have to show greater commitment. The backs will have to mark closely, chase, harass and must never allow your man to have a chance to kick for goal. Centre field must move the ball quickly and the forwards must not overdo the passing and take the points.

Keep up the training lads and success will come.

Final score: Dungarvan 5-9, Naomh Bríd 2-7.

Team — G. Collins, J. Flynn, E. Morrissey, J. Veale, O. Morrissey, J. Mahony, A. Harney, J. Burke, P. Radley, B. Crotty, J. Nolan, D. Kelleher, J. D. O'Shea, S. Cunningham, V. Sullivan. Subs., G. Cusack, S. Kiersey, B. Power, J. Charles.

Congratulations to our minor hurler, Alan Harty, who was a member of the boys Munster team that won GMI boys inter-provincial matchplay championship for the first time at Nenagh on Friday, August 1. In the decider they beat Leinster by six matches to three. Alan is a member of West Waterford Golf Club.

Our next game in this championship will take place on Wednesday, August 13 at Cappoquin when our opponents will be Ardmore.

## MINOR HURLING

This Wednesday evening

we take on Abbeyside in the minor hurling championship. The game will be played at the Fraher Field at 6.30 p.m. When these sides last met in the league both teams served up some great hurling so we can be assured of another very entertaining game.

## SENIOR FOOTBALL

On next Sunday in the senior football championship we take on Ring. The game will be played at the Fraher Field with a 6.15 p.m. start.

## INTERMEDIATE HURLING

On Sunday, August 17 our opponents in the intermediate hurling championship will be Stradbally. The game will take place at the Fraher Field. Please check papers for time.

## CONGRATS

From all his friends in the club we extend congratulations to Jason Long who recently qualified as a dentist. Jason is son of Dave and Kay Long, Springmount and grandson of Mrs. Nan Moylan and the late Christy Moylan. We wish you well in your career, Jason.

## LOTTO NUMBERS

## UNDER-13 HURLING

We played Abbeyside in Bushy Park last Friday evening. Abbeyside took an early lead but the team fought back and in a very exciting game were very unlucky to be beaten by 2 pts. The final score was Brickey Rangers 6-0 Abbeyside 5-5.

Team: Johnny Cooney, Micheál Gee, David Moloney, Tomás Halpin, Ivan Murphy, Austin Cooney, Thomas Lynch, Tony Fitzgerald, Carthach Shalloe, Shane McGrath, David Hickey, Aoife Murphy, Cian Shalloe, Shane Nugent, Pdraig Lenane, Conor Phelan, Martin Lenane.

## MINOR FOOTBALL RESULTS

A striking feature of first round Minor Football Championships played last week was the fact that the results in all cases were decisive and there were no hard luck stories from the losers, all of whom are now out of this new knockout championship.

**KILROSSANTY 3-10**  
**NIRE 2-2**

The big surprise here was the big gap in the final score as it had been billed as a close contest. But Kilrossanty were far better than they had been judged to be and will now be fancied to beat Stradbally in the semi-final.

**STRADBALLY 3-6**  
**ABBEYSIDE 0-4**

The result might not have been a big surprise but the scoring gap of 11 pts. (like the above game) was totally unexpected. The matter of whether Stradbally were very good or Abbeyside very poor will be sorted out as the championship progresses.

**ARDMORE 3-13**  
**SHAMROCKS 0-3**

This produced the expected result but no one thought the game would be as one sided as to have a 19 pts. difference in the scoring. Ardmore's tremendous work at underage level is now beginning to show up in a big way.

**DUNGARVAN 5-9**  
**NAOMH BRID 2-7**

This was the third first round match to produce an 11 pts. scoring gap but here the standard of football was better than in most of the others. Dungarvan have a very good side in this championship and will certainly trouble the best of the teams remaining.

**AN GAELTACHT 3-10**  
**ST. OLIVERS 1-3**

This was the only match played in the B Minor Football Championship and the final score tells the story of the difference in standards.

## UNDER-21 HURLING

## Lismore Retain Title After Brilliant Second Half

Underage matches between these clubs have always produced splendid and sometimes spectacular hurling and their meeting at Walsh Park on Friday evening was no exception as western champions Lismore, struggling in the first half, gave a magnificent second half performance to retain a title which they had won for their fifth occasion when defeating Ballygunner by 1-12 to 1-2 in last year's County Final. They now have won this championship on 6 occasions in 11 years - 1986, 1990, 1992, 1993, 1996 and now in 1997.

Mount Sion, as always, contributed their share to this final and had their

**LISMORE 3-20 MOUNT SION 1-15**

heroes too including the great Ken McGrath who contributed a whopping 10 pts. to his club's total but which was not enough against Lismore's scoring machine when they hit top form in the second half.

Mount Sion were in top in the first half and after Ken McGrath had scored 5 pts. without reply by the 12th min. it seemed as if Lismore were going to surrender their title.

Then top scorer for Lismore, Dave Bennett sent over the first of his 9 pts. in the 15th min. and by halfway they trailed by 1-10 to 1-6, the goals being scored by Gary Keane for Lismore and Ger Cunningham for Mount Sion.

## SECOND HALF

It took just 5 mins. for the western champions to draw level, thanks in the main, to a snap goal by wing forward Billy Walsh. For quite a while after this, the contestants each tried to pull away but were hauled back to level terms again on no fewer than three occasions. Some superb scores by Dave and Eoin Bennett and the masterful Dan Shanahan, who was winning his fourth under-21 County hurling title and who fittingly sent over the final point after Gary Keane scored his second goal and Lismore's third in the 58th min. put paid to any hopes that Mount Sion might have had of retrieving the situation as the final wore on to-

wards the finish. Thirty nine scores in 60 mins., many of them of the spectacular variety was certainly tremendous value for supporters. For Lismore, it was not just the five players who figured on the scoreboard or Brendan Landers who gave a magnificent performance in goal, who made this victory possible as it was very much a team effort with every player on board playing his part. Mount Sion, who were in the game with a chance for most of the hour, had outstanding players in Paul Hammond, Shane Twomey, Kevin Knox, Dessie Achenson etc. as well, of course, the splendid Ken McGrath who gave yet another super dis-

play. All the Lismore team are available in this grade again next year.

**Lismore:** B. Landers, P. Howard, A. Whelan, M. Caples, W. Cunningham, T. Veale, S. Quinn, E. O'Brien, D. Howard, B. Walsh (1-1), D. Shanahan (0-6), E. Bennett (0-4), G. Keane (2-0), J. Begley, D. Bennett (0-9). Sub: T. Landers for J. Begley.

**Mount Sion:** T. Flynn, J. Farrell, P. Hammond, D. Walsh, S. Twomey, R. McGrath (0-1), B. Hennessey, D. Achenson (0-1), P. Browne, J. O'Meara, K. McGrath (0-10), K. Knox (0-2), E. McGrath (0-1), G. Cunningham (1-0), K. Cunningham.

Referee: Pat Walsh (Four-milewater).

## Autumn Matches

The All-Ireland 'B' Championship is due to commence on Saturday, September 20 with Waterford having a home fixture against Wexford.

Our first round national football league match takes place on Sunday, October 19. The subsequent rounds will be played on every other Sunday up to Sunday, November 30 when the league will break for Christmas.

## OIREACHTAS

Waterford will play their opening match in the Oireachtas senior hurling competition Sunday, October 12. That, in fact, will be our next hurling engagement this year.

## Under-21 Hurling 'B' County Final

**CLONEA 3-10**  
**STRADBALLY 2-6**

The eastern champions Clonea, who lost out to Colligan in a replay of last year's Under-21 B County Final to Colligan, went all the way on this occasion when they defeated Stradbally by a decisive 7 pts. at Walsh Park on Saturday evening. Remarkably the game drew a bigger attendance than the A County Final on the previous evening.

Clonea were in the driving seat for most of the hour but were put under severe pressure in the closing stages when the western champions hit back for a couple of late goals.

## The Shield &amp; Relegation

This is a competition confined to the six club teams beaten in the first round of the championship. It will be played in two groups of three. The winner in each group will meet in the final of the Shield competition. The two bottom teams will be relegated. The two teams placed second will also play off and the loser will be relegated. These three teams will play in the intermediate football championship next year.

Group A — Butlerstown, Kill and Affane; Group B — Kilmacthomas, Ballinacourty and St. Saviours.

## JUNIOR HURLING CHAMPIONSHIP REPLAY

# Geraldines Defeat Clashmore In Thriller

## GERALDINES 3-9 CLASHMORE 2-10

It was as good a game of junior hurling as one would wish to see and the big following of supporters who paid £740 to see this eagerly awaited replay were given tremendous value for money.

They were very evenly matched teams who were level on three occasions and only once during the hour was there more than 3 pts. between the sides. At half-time only 2 pts. separated them and the same small margin was between them at the end of a most exciting encounter.

Both had their periods of supremacy and each had some hard luck over the hour. Geraldines may have been a little bit fortunate to hold out in this nailbiting finish but having taken their chances better, they just about deserved to go forward to meet neighbours Ballinameela in the semi-

final.

Clashmore too, must be given credit for their contribution to a splendid contest and with a bit of luck they might have survived.

### PLAY

The ground was in magnificent condition and only a slight breeze blew throughout. Clashmore were first on the scoreboard when Michael Shalloe pointed a first minute free. Within another minute Seamus O'Rourke had a point from play and Pat Donovan brought one back for Geraldines from a 4th min. free. It was level scores only a minute later when Pat Donovan was again on target from a free. In the 7th and 11th mins. Clashmore had points by Michael Shalloe and Seamus O'Rourke. Michael Shalloe made it 5 pts. for Clashmore in the 25th min. and in the 26th. Michael Murray scored the

first goal of the game to bring Geraldines on terms with Clashmore before points by O'Donovan and Michael Murray put them 2 pts. ahead 1-4 to 0-5 at half-time.

### SECOND HALF

Five minutes after the restart, James Kelly who had substituted Michael Hynes for Clashmore during the break, met the rebound of a ball off the upright for their first goal after Ed Beresford had set things up. Two minutes later Pat Donovan pointed a 65 and they were level again. Ed Beresford pointed Clashmore ahead in the 40th min. and they remained in front until Ned Scanlon had a Geraldines goal which was followed with a Paddy Corcery point to give the Aglish based team a clear goal lead by the 46th min. Michael and Pat Donovan exchanged points and Michael Murray and James Kelly exchanged minors. Then Michael Shalloe and Pat Donovan swapped points to leave a goal between the sides with only 3 mins. remaining. Clashmore exerted enormous pressure and had two goal opportunities going astray. In the 58th

min. Ed Costin had a point but this was followed in the 60th min. with a Donnacha Tobin goal that seemed to copperfasten the result but Clashmore never gave up, even at this stage, and a 61st min. free saw Michael Shalloe blast the ball to the Geraldines net to reduce the gap to a mere 2 pts. but it was at a point too late as shortly afterwards the final whistle sounded leaving Geraldines through to the semi-final.

## STAND TICKETS

Some stand tickets are available for the forthcoming All-Ireland semi-finals in hurling and football at Croke Park. The allocation to this county is limited because we are not involved so they will be given on a first come first served basis and only in exchange for cash. Tony Morrissey will deal with applications in the west and Seamus Grant in the east. I have been asked again to point out that for semi-finals, there is not a club allocation.

# MINOR HURLING CHAMPIONSHIP

The two semi-finals in the 'A' minor hurling championship will take place on tonight Wednesday at the Fraher Field and Cappoquin.

Abbeyside, who surprisingly received a walkover from Fourmilewater in the first round, will play old rivals Dungarvan., who, in their first round, scored a 7-7 to 0-2 victory over Naomh Bríd. Without a game so far, Abbeyside will be very hard

pressed to beat their neighbours if their form against Naomh Bríd is an indication of their standards.

### LISMORE V. TALLOW

This semi-final is on at Cappoquin, also tonight. Tallow struggled to beat Ardmore on an 0-9 to 0-8 scoreline in their initial game, while Lismore have yet to play. Lismore will likely be favourites because of their underage record in recent years, but Tallow can

still surprise.

### MINOR HURLING 'B'

Two games are fixed in this championship. Stradbally, who drew with An Gaeltacht two weeks ago, will meet for their replay and St. Olivers will take on Clashmore in their tie at the Ardmore venue. Both Clashmore and Olivers had decisive first round victories, so it would be difficult to predict the outcome of this game.

## Junior Football 'B' Championship

### MELLERAY ROVERS V. KILROSSANTY 'B'

This game was fixed for last Saturday but has been refixed for Cappoquin on this Friday evening. While this one can go either way, the neutrals will be hoping to hear of a win for Melleray whose panel of players is limited.

### INTERMEDIATE FOOTBALL

Next weekend too will see the start of the divisional intermediate football championships with an attractive game fixed for the Fraher Field on Saturday. Sliabh gCua, one of three teams relegated from senior ranks, will take on Ardmore in a first round that promises to be an exciting affair.

The Touraneena based side would normally be considered too strong for Ardmore, but as they will be without a number of their top players who are

out of the country, whatever gap might be there should diminish to give us an even enough contest. Sliabh gCua might still manage to get through to the semi-final.

## PHELAN CUP DRAW

The draw for the Phelan Cup was made at Walsh Park on Friday evening and resulted as follows: Rathgormack and St. Saviours received a bye; Kill and Gaultier; Tramore and Nire; Kilmacthomas v. Butlerstown; Affane v. Kilrossanty; Ballinacourty v. Dungarvan; Stradbally v. Ring.

All first round matches will take place on Tuesday, August 12.

## NEXT WEEKEND

# Senior Football Quarter-Finals And Senior Hurling League Semi-Finals — The Highlights

The programme of matches listed for Fraher Field on Sunday evening is probably the most attractive of all since the championships commenced. Two exciting senior football quarter-final matches involving Dungarvan v Ring and Kilrossanty v Nire.

As a curtain raiser to this double header, patrons can see the Lismore v De La Salle Senior Hurling League semi-final which has a 5.30 p.m. start to avoid a clash with the televised matches.

The Western Board commence the Intermediate and Junior Football Championships and they also play the semi-finals of the Minor Hurling Championship. So all going well over the coming days, the competitions in both codes and in all grades will make considerable progress.

## SUNDAY GAMES

## DUNGARVAN v RING

This will be the first meeting of Dungarvan and Ring at Senior Championship level since the Gaeltacht team qualified for senior status when beating De La Salle by a point in a replay of the Intermediate County Final last year. Both clubs won their first round matches by very narrow margins, Dungarvan, having to go to extra-time in a replay with the group team Gleann na nDéise before managing to

get through by just 2 pts. and Ring winning by a couple of points against Kilmacthomas' after a controversial late goal was disallowed for Kilmac'.

Dungarvan are likely to have benefitted more from their two and a half games and also they will have far more experience at this level. Also a couple of players who missed out in their last game, Bobby Lyons and Morrie Ferncombe will now be available so they will start as favourites to qualify. Ring, on the other hand, have trained very seriously for this one and are just rearing to have a go at beating their highly rated opponents. They will be expected to pull out all the stops in this one and they may even go close but I cannot see them mounting a challenge good enough to remove Dungarvan from the championship race.

## NIRE v KILROSSANTY

While neither of these sides won the title last year, both figured very prominently when the knockout stages were reached at the end of the league. Kilrossanty, who took two hours to beat Stradbally,

## VERY ATTRACTIVE WESTERN BOARD PROGRAMME DOWN FOR DECISION

lost to Gaultier in the semi-final and the Nire, who held Rathgormack to a thrilling draw in their semi-final, lost their replay.

This year the Nire, who are quietly fancied to take the title, had very little difficulty in beating Affane in their opening match while Kilrossanty were a little lucky in beating off the challenge of Ballinacourty.

At full strength and in top form, the Nire should win this one even though Kilrossanty, in keeping with a proud tradition, will battle it out to the finish. I expect it to be a great contest and probably one that will be hailed as one of the highlights of the 1997 Knockout Championships.

## SENIOR HURLING LEAGUE SEMI-FINAL

Early arrivals will be treated to an extra game in which Lismore and De La Salle will meet in the semi-final of the Senior Hurling League. De La Salle were beaten in the championship 3-16 to 0-14 by Mount

Sion. They will battle all the way here to topple the strong championship contenders, Lismore. It will be a splendid hurling contest and a game not to be missed.

**Mount Sion v Ballygunner** — This Senior Hurling League semi-final at Walsh Park on Friday evening should be another close and exciting affair and while the twice county champions, Ballygunner will be fancied, Mount Sion will go very close to qualifying for a place in the final against Lismore or De La Salle.

## ADMISSION

The admission prices to the Fraher Field programme on Sunday evening is £4 and £2 for pensioners and students on production of identification etc.

## JUNIOR FOOTBALL

**Emmetts v Ballinameela** — This will be the first match in a double header at Fraher Field on Saturday and it will be Ballinameela's first match in the junior grade since their controversial relegation from

Intermediate earlier this year.

Both teams have shown reasonably good form in the league and both will be fit but Ballinameela look to have the strength and experience to advance to the next round.

## JUNIOR FOOTBALL CHAMPIONSHIP

**Kilgobinet v Tallow** — This is also on the list for the weekend at Cappoquin and unless there is an upturn in the form book, it should result in a win for Kilgobinet.

# WESTERN BOARD

Paddy Walsh, Chairman presided at last week's meeting of the Divisional Board which took place at Lawlor's Hotel.

## MEETING

**CORRESPONDENCE**  
Following the reading of a letter from the County Board concerning the long running saga of the Gaeltacht v Western Board appeal in relation to the awarding of the Under-21 B Football Western Championship to St. Olivers, it was proposed that the board reaffirm their decision of last October and that the game be awarded to St. Olivers. The proposition was seconded and carried unanimously. The decision was not opposed by the two Gaeltacht representatives. This probably ends the longest running appeal saga in the history of the board.

ball League match where it was reported that the Faha team walked off after one of their players had been sidelined, it was decided to remove Faha from the league. Two of their players Nigel Griffen and Denis Flynn are to be disciplined by the board.

**NO DOCTORS ?**

Jack McGrath, Cappoquin raised the matter of the non-availability of doctors to treat injured players during and after matches and this led to a rather lengthy discussion during which it was pointed out that not all doctors are willing to respond. It was stated that on the spot payments were required by some doctors and that this was unreasonable when the injured player was in his 'togs'. It was also pointed out that some clubs had outstanding accounts with doctors. Delegates also reported in a few cases that doctors had, in responding to tele-

phone calls, advised the caller to have the injured player referred to his own doctor. Tom Drummy advised that the proper procedure in most cases would be to have the injured player conveyed to Ardkeen Hospital directly as after what might be a long wait, he would be sent there in any case. Reference was also made to a recent case where a Dungarvan player was injured and that no doctor was available even though the Club Secretary had made quite a big number of calls. Eventually it was agreed that the Officer Board would look at the situation in an effort to overcome the problem.

**TROPHIES PRESENTED**

The Chairman informed the meeting that trophies for the Division 1 and 2 Football Leagues had been presented to the board by the Friends of Waterford Football. The Division 1 Cup was presented to Kilrossanty who defeated Ballyduff on the previous Saturday evening.

**REFIXTURE**

The Intermediate Hurling Championship game between Dungarvan and Stradbally which was postponed because of the death of the Stradbally Club President, Jim Whelan was refixed for Sunday, August 17th.

The following semi-final draws were made -

**Minor Football Championship B - Clashmore v An Gaeltacht, Briceys v Kilgobinet.**

**FINANCE**

Board Treasurer, Bridget Clancy informed the delegates that quite a number of clubs had so far neglected to submit their £40 for refereeing as required by the league regulations. She said that some clubs had promised to forward the money but had not done so. The Chairman appealed to all clubs to forward the cash as soon as possible.

**REFEREES REPORTS**

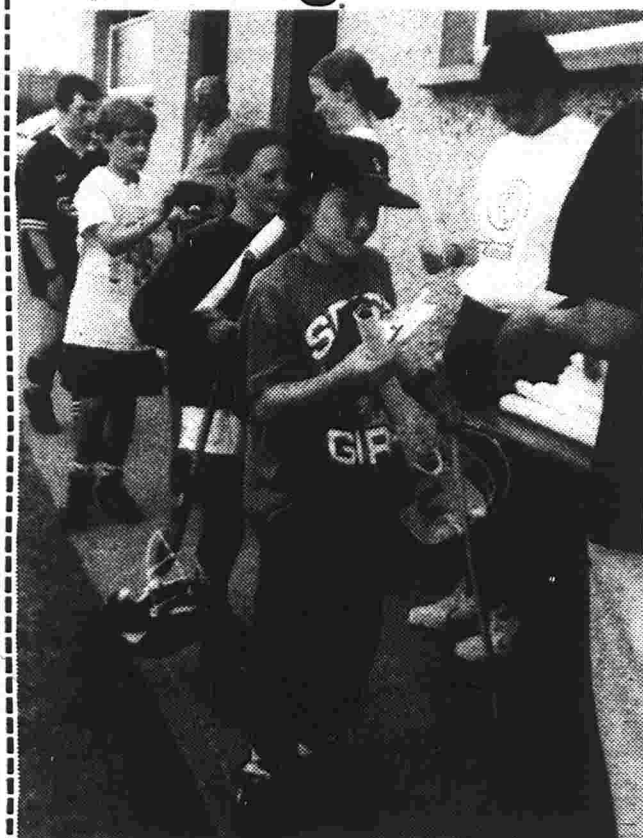

Following a discussion on the report of the abortive Faha v Tallow Junior Foot-

## S.H. 4 COUNTY LEAGUE

Permission has been granted to the Waterford County Board to proceed with the organisation of the 4 counties league in senior hurling for the magnificent Waterford Crystal trophy. Last year it was a five county league, but as four is the number allowed under rule for an inter-county tournament, the board were compelled to reduce it by one this time round.

Permission was granted on the understanding that the four participating counties will all play in the Oireachtas competition which is scheduled to commence on Sunday, October 12. Kilkenny are the holders.

## Scéim Iomána na nÓg Notes

Ballyduff Upper Hurling Camp — Aoife Walsh, whose dad Ritchie and uncles Mossy and Michael were power house hurlers with Ballyduff, collects her prize from Breffni Hannon and Caroline Hannon as a very relaxed John Jackson looks on in the background.

### SUCCESSFUL CAMPS AT BALLYDUFF LOWER & KILL

Last weeks hurling camps were held at Ballyduff Lower and Kill. The crowd was small at Kill due to a clash with swimming courses on the coast but nevertheless the camp was most enjoyable. At Ballyduff Mossy Clifford had everything laid on and we had a great crowd of very skillful boys and girls in action. It was a delight to watch the skill level of the girls from Ballyduff/Butlerstown, they are a credit to a small dedicated group of people in that area. Michael Power and Damien Clifford, who are both members of this year's county under-14 panels looked good. Joanne Fitzgerald kept us well informed about the dogs at Killohan Park and advised that a visit to that track could be worthwhile on Saturday last. How right she was, thanks Joanne.

### HURLING AT LISMORE

A good crowd of boys and girls were in attendance at Lismore G.A.A. grounds on Friday where a very successful league was run off until 2.30. Under 21 goalie Brendan Landers refereed the finals and presented the medals.

### UNDER-14'S AT DUNGARVAN

The under 14 selectors are certainly leaving no stone unturned in an effort to get the best players available for county teams. A training session and a mixed match took place at Dungarvan G.A.A. Grounds on Saturday last. The panels are gradually falling into place and will be finalised after two matches versus Limerick on Saturday next at Dungarvan grounds. Training this evening (Wednesday, August 6) at Dungarvan.

### NEXT WEEK

Our next camp will take place at the Mill Field, Ballymacabry on Monday, August 18 where Billy Walsh and co. are sure to have a big crowd lined up.

**Busy Few Months For West Waterford Hospice Movement**

What a busy June and July it has been for the West Waterford Hospice and its friends.

SmithKline Beechman (and particularly Patricia Doyle) came up trumps for the fourth year running. Their Golf Classic in aid of the West Waterford Hospice was a tremendous success and we are very grateful to Patricia and the Company for their continued support and hard work.

On June 28th there was a very enjoyable Race Night held in Paddy Mac's Bar in Ardmore. The event was organised by the Ardmore Tidy Towns Committee. A big word of thanks to all those who supported the night and to Chairperson Caroline Bowen-Walsh and her team. West Waterford Hospice Chairman John Moran was delighted to accept a cheque from Caroline and her committee — a fun night and a good cause, what could be better!

Over a dozen "Tour de Kerry" cycle veterans from the Ardmore area made it successfully on their gruelling Caherciveen-Ardmore fund raising cycle run. The proceeds were divided between the two local Hospice movements in the area — West Waterford Hospice and Youghal Hospice. The kind of community spirit demonstrated by our friends in the Ardmore peleton is an example to us all and West Waterford Hospice are delighted to be associated with

such groups.

The Dungarvan Walking Club kindly donated the proceeds of their recent George Harney Memorial Walk to the West Waterford Hospice for the second year running. Twenty six miles were covered by the walkers in this annual event which received great support. To all involved a hearty "thank you".

Helen O'Grady junior was on hand to make a donation to the West Waterford Hospice from the proceeds of a card night held in honour of her late mother Helen O'Grady senior. The Park House was the venue for the very enjoyable night in memory of a very popular lady.

The annual Spanish students visit to Dungarvan normally culminates with a night of food, music and song held in the Park Hotel to give the people of West Waterford a taste of Spanish Culture. This year was no exception and many thanks to Patricia Geoghegan and the students for their hard work and generosity in donating the evening's proceeds to the West Waterford Hospice.

And finally, may we take this opportunity to wish Eddie and Liz Holohan all the very best with their new move and thank Eddie for all his hard work over the last number of years as a valued and committed member of the West Waterford Hospice Committee.
