# Body Of Ballinamult Man Exhumed

BY TOM WALSH  
AND AISLING CONROY

A Touraneena family who were troubled over the death of their 21 year old son in a drowning tragedy in the Canary Islands successfully obtained an exhumation order for a full medical investigation by experts. State Pathologist Dr. John Harbison carried out a post mortem examination last Friday night on the remains of Garry Walton, The Lodge, Cahernaleague, Ballinamult who it was claimed lost his life when he fell overboard on a cruise boat in Tenerife last November while on holiday.

Forensic experts from the Garda Technical Bureau were present when the deceased's body was exhumed on Friday last at St. Mary's Cemetery, Touraneena and taken to the Regional Hospital, Waterford. The de-

ceased's parents, Bobby and Catherine Walton have been unhappy about the circumstances of their son's death and the inquest carried out by the Spanish authorities. A verdict of accidental death was returned at the inquest and the body was flown home and interred in St. Mary's Cemetery, Touraneena on November 17th.

Garry was one of family of four, two girls and two boys, and his death was received in the area last year with feelings of profound shock and sorrow.

The deceased's father and other members of his family have travelled to the Canaries on several occasions to investigate. The order to exhume the body was granted by the Minister for Justice, John O'Donoghue to the Coroner for West

# Helvick Lifeboat To The Rescue

SMILES ALL ROUND AS GIRLS  
ARE BROUGHT TO SAFETY

On Saturday last, August 30, at approximately 5.30 p.m., the Helvick Head Lifeboat was called to the assistance of five teenage girls, who were reported to be stranded at a local cove called Faill an Staicín. The five girls had gone to the spot earlier and were cut off by the incoming tide.

The Helvick-based Atlantic class Inshore Lifeboat with its crew of three, was launched immediately and approached the girls from the sea. It was not desirable to allow the girls to wait for the tide to recede and climb back up the cliff. This was considered too dangerous given the rocky ascent and

the oncoming darkness. The area is known locally for its rocky shoreline and has been the scene of tragedy in the past. It took some time for the crew to manoeuvre the lifeboat in between the rocks and effect a rescue. Although the weather was fine, there were waves breaking on the shore which made access more difficult.

Happily, all five were taken on board the lifeboat and brought safely to Helvick harbour by 7.30 p.m. where they were reunited with their families.

Three of the girls are members of the same Co. Cork family who are sum-

# Local Driver Killed By Falling Tree

The wild storm and flash floods experienced on the night of Tuesday, August 26th left a path of destruction around the county and had tragic implications for one local farmer, Thomas Whelan of Kinafrehan, Dungarvan.

The 57 year old was driving home along a road in Coolnasmear Lower during that stormy night, when a tree fell on his car. Mr. Whelan, who lived alone, was only within half a mile of his home.

His body was found the following morning at 8.30 a.m.

Karen O'Donnell, daughter of Kathleen and Michael O'Donnell, Salterbridge, Cappoquin, who recently graduated from John Moore's University Liverpool with a Dip. H.E. in Nursing Studies. Karen is currently nursing at the Royal Liverpool University Hospital.

# Extra Funding To Cut Hospital Waiting Lists

An additional grant of £482,909 has been secured for the South Eastern Health Board area under the Government's Waiting List Initiative for hospitals.

Welcoming the securing of additional funding for hospitals in the region, the Minister of State, Martin Cullen T.D. said that "the extra money represents a clear indication of the Government's commitment to cut hospital waiting lists in the South East and throughout the country."

The expenditure is part of a national package of £8 million which is being made available by the Department of Health to tackle waiting lists.

The range of activities

which will be carried out under the initiative will be in addition to the 'baseline' workload of the hospitals involved and will allow the hospitals to carry out further work to reduce waiting lists for treatment. The funding will enable more procedures to be carried out and further improve access to services.

In addition, under a separate initiative, the Department of Health is also providing an additional £110,000 for the development of services for people with sensory and physical disabilities in the South Eastern Health Board Area. This includes additional funding for centres in Waterford, Kilkenny and Tipperary.

# Tragic Death Of Diana Princess Of Wales

BY AISLING CONROY

Last Sunday the country awoke to the tragic news of the death of Diana, Princess of Wales.

The highly popular and much loved Princess died in a French hospital following a high speed car crash in Paris which also claimed the lives of her close friend Dodi Fayed and their chauffeur.

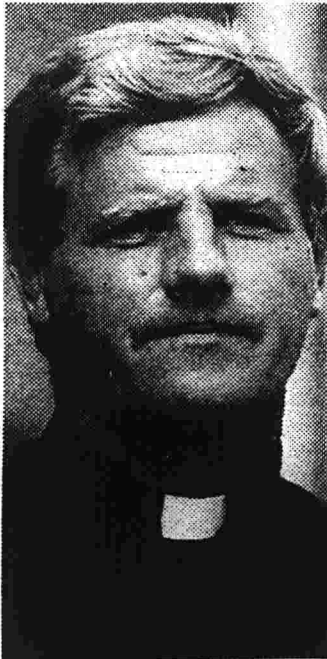

Doctors battled for hours to save the life of the 36 year old Princess. She died of cardiac arrest at 0200 GMT.

Beloved by millions around the world for her support and involvement in charitable work, Diana was a leading humanitarian in AIDS work, leprosy, the anti landmine campaign and a huge host of other charitable causes.

Her death has been greeted with an unparalleled outburst of grief and dismay, both at home and abroad with politicians reflecting the anguish of millions.

## Local Priest Urges Massgoers To Boycott Tabloids

PRINCESS GAVE HIM  
MORAL SUPPORT

Dungarvan curate, Fr. Michael Kennedy, who broke the controversial Dungarvan AIDS story in 1995, said the Princess of Wales telephoned him personally to lend her moral support in the face of the "hounding" he was receiving from sections of the tabloid press two years ago.

Speaking from the pulpit at last Sunday's Mass in St. Mary's Parish Church, Fr. Kennedy urged Massgoers to go out and boycott the tabloid newspapers for at

least a week or two.

The Gospel of the day and the theme of Fr. Kennedy's Sunday sermon was the story of how Jesus described the scribes and leaders of the church as hypocrites.

Fr. Kennedy spoke of the tragic local deaths of Paul Hickey, Kilbrien and Tom Whelan of Kilnafrehan and the pain and grief experienced by their families and friends.

He said that everyone must also feel a sense of terrible loss at the shocking news of the death earlier that morning of Princess Diana.

Fr. Kennedy then told his congregation that in the days following the Dungarvan AIDS story, he received a personal telephone call late one night from the Princess of Wales. She gave him her full support and said she knew what he was going through because of the constant media 'hounding'.

The Princess told Fr. Kennedy not to allow the media to destroy him and to trust only the genuine reporters covering the story.

Continuing his off the pulpit sermon, Fr. Kennedy said Diana's death was a sad loss for everyone.

Referring back to how Jesus called the scribes hypocrites, Fr. Kennedy urged Massgoers to boycott the tabloid newspapers for at least a week or two.

"That," he said, "would be a sign of the greatest respect all of us have for the Princess of Wales."

### DEEP PRAISE FOR PRINCESS

In a later interview with the "Dungarvan Leader", Fr. Kennedy said he was delighted that the Princess had taken time out to telephone him personally, adding: "That is the type of person she was".

He found her to be a very warm person and her gesture in calling him showed her true compassion.

In the 5 to 8 minute phone conversation, Fr. Kennedy said the Princess told him that she had lived her life hounded by sections of the media as well, making her life a daily hell.

Asked if Massgoers last Sunday had taken his advice to boycott tabloid newspapers as a mark of respect, Fr. Kennedy said that only a few people had actually bought such papers after Mass.

With regard to the controversial AIDS story, Fr. Kennedy said the Princess had felt that the real story was being twisted and distorted by some sections of the media.

In September '95, the Dungarvan priest had claimed

from the pulpit that a young local woman had been infected with the HIV virus while in England. She had subsequently returned to her home town and set out to pass on the killer virus to as many men as she could.

Fr. Kennedy praised the Princess for giving so much to charitable causes during her life and said she had broken the stigma associated with HIV and AIDS.

Fr. Kennedy disclosed that in his own case when the AIDS story attracted worldwide publicity, some reporters gained access to his private telephone account and itemised it. They had subsequently telephoned each phone number which appeared on the account during that period.

Condemning the tabloid press for entering into the private lives of genuine people, Fr. Kennedy said that such sections of the media are there for entertainment and in competing with t.v., they chase juicy stories and 'nitty gritty' scandals behind closed doors.

Yet, he added, so many people go out and buy them.

Fr. Kennedy said he would support the enacting of a Privacy Bill when people will go to such lengths and overstep the boundaries of privacy.

### CO. WATERFORD CONNECTIONS

Two third cousins of the late Princess of Wales are currently domiciled in Co. Waterford. The Marquis of Waterford resides in Portlaw and is expected to attend the funeral on Saturday. Another third cousin to Princess Diana is Nicola Meehan of Englishtown, Stradbally.

Speaking to the 'Leader',

Ms. Meehan described her cousin's death as a tragedy and a terrible waste of life, coming especially at a time when she seemed so happy.

She had never met her royal cousin and said she would not be travelling to the funeral.

### UNIQUE FUNERAL ARRANGED

Buckingham Palace have decreed that Princess Diana will have 'a unique funeral for a unique person.'

She will be honoured at a funeral service on Saturday in Westminster Abbey and her body will then be taken to her Spencer family's estate for a private funeral.

United in sorrow and shock at Princess Di's tragic death, people all over the country have honoured her memory by signing books of condolences which will be forwarded to the Princess' family.

People of Dungarvan and surrounding areas have paid their respects to the late Princess and two books of condolence have been opened in the town. They are available to the public at David Walsh, Office & School Supplies, Lower Main Street where over 200 people have already signed their names and given their comments. Dungarvan Tourist Office in Grattan Square has also opened a book of condolence.

Hundreds of Co. Waterford residents have also paid their respects at City Hall, Waterford City where the Corporation have opened a book of condolence. The book is available to the public until Friday, September 5th between the hours of 9 a.m. to 12.45 and 2 p.m. to 5 p.m.

Waterford, Dr. Cantillon on the basis that in his opinion the death occurred in a violent manner.

Speaking to the "Dungarvan Leader", a spokesperson from the Department of Justice confirmed that the Minister had issued an exhumation order on August 28th in respect of Mr. Garry Walton, Ballinamult. The order was made under the provision of Section 47 of

the Coroners Act 1962.

State Pathologist, Dr. John Harbison declined to discuss details of the post mortem with the "Leader". Asked when a report on his findings will be published, Mr. Harbison said that due to the current backlog, a report on Mr. Walton's post mortem could take 'quite a while'.

Garry Walton's body has since been reinterred in St. Mary's Cemetery, Touraneena.

# How Kite-Flying First Started - More Than 2,500 Years Ago

Since the first Chinese kites soared into the air 2,500 years ago, kites have captured the imagination.

Today kite flying is enjoying a new phase of popularity. Stunt flying is a fast growing activity enhanced by the imaginative designs of the kites themselves.

Kite flying is the perfect 'green' hobby. It can be practised by anyone, young or old, in the town or countryside.

The story of kites begins in the Far East. The

earliest kites were often bird-shaped.

Kites spread to the west with travelling traders. The precise origins of kites are lost in legend, but the first recorded reference comes from China in about 5000 BC, when a craftsman built a wooden bird kite.

The early Chinese kites were magnificent constructions of silk and bamboo, but with the introduction of cheap paper around the second century AD, the kite became more widely available.

in the Far East, kite-flying formed a central role in ceremonies to celebrate the birth of a child, as well as festivals to invoke good weather or rich harvests.

Kites also have a military history. Around 200 BC a Chinese general used a kite to judge the distance between his forces and the walls of an enemy castle, so he could dig a tunnel of the correct length.

## Did You Know?

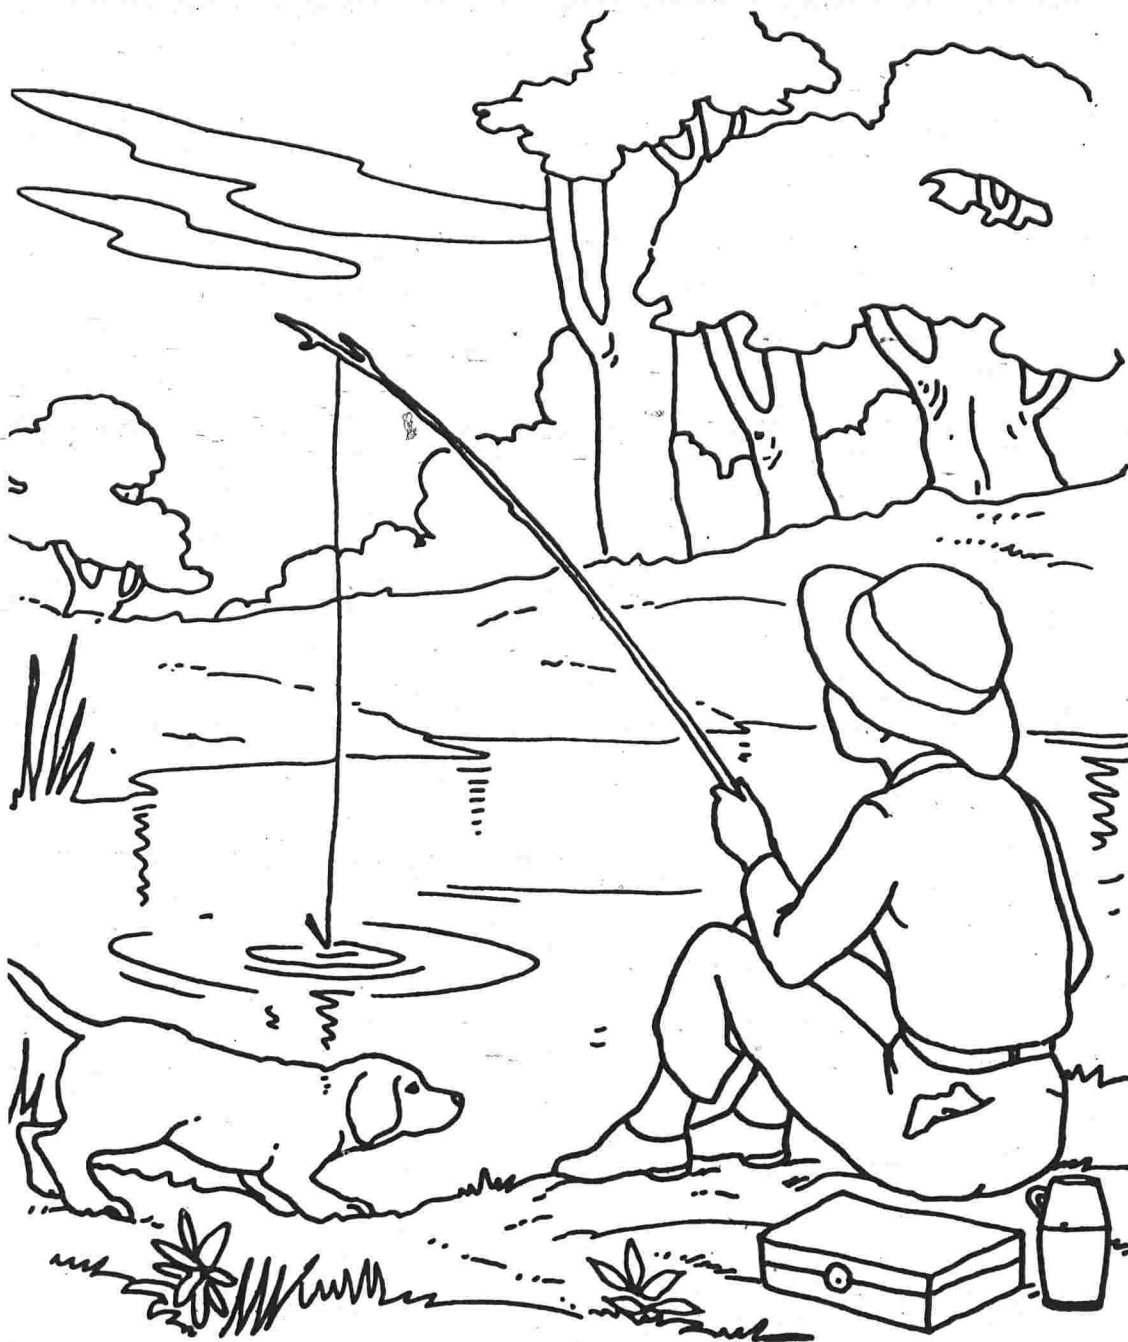

The longest kite ever flown was 1,034.45 metres — flown in France in 1990.

The fastest kite travelled at 120 mph — flown in Maryland, USA, in 1989.

The greatest number of kites flown on one line was 11,284 — flown in Japan in 1990.

## Junior Encyclopaedia

### Where Are The Largest Animals Found?

The largest living animals are the blue whales. They are found in most parts of the world from the polar caps to the Equator. Those who live in the colder seas normally migrate to warmer waters for the duration of the winter. Their measurements are almost beyond belief! A blue whale can weigh more than 200 tons and some have been found to measure over 100 feet in length. The tongue alone in a female whale found in Antarctica can weigh over four tons.

In the 1930's it was estimated that there were nearly 40,000 blue whales in the world, yet by the 1960's it thought that there were fewer than 1,000 alive. The reason for this was that they became popular victims for the misdirected efforts of over-enthusiastic hunters.

For the first time in quite a while Dungarvan Brass Band will open its doors to beginners. Previous musical experience is not necessary although the ability to read music is an initial advantage. Candidates will not be required to buy their own instrument. The Band caters for Associated Board of the Royal Schools of Music practical and theory grades but these are not compulsory for membership. All our instruments are recognised by the Department of Education for Junior and Leaving Certificate practical examinations and we can prepare candidates for these tests. The normal minimum age for entry is 9 years old although adults are very welcome. The first of our registration meetings will be held on Tuesday, September 9th at 7.30 p.m. in the new bandroom on Davitt's Quay. A second will take place on Sunday, September 14th at 11.30 a.m. If you are interested but unable to attend, we will continue to take on throughout September and you can contact any member of the band for further information.

The Band has 26 members and is the current I.A.B.M.B. National Junior Brass Band Champion and also the current South of Ireland Band Champion. We are primarily a concert brass band although we do march as the occasion requires. Our role is to teach music and to per-

form music for the people of Dungarvan and the surrounding areas. If you have never played a musical instrument but wish to or are currently looking for a second, then the Band may be for you. We invite all those interested to attend our registration meetings where the instruments will be demonstrated and all questions answered. Parents are particularly welcome.

## More Pulling Power To Cappoquin

Title holders of the last two years, Cappoquin successfully defended their All Ireland Macra Na Feirme tug-o-war title in the mens section last Sunday.

Thirteen teams took part in the mens section with five ladies teams also competing in the All Ireland finals which were held at Ballyduff.

This was the first time that the event was staged in the Deise county, hosted by the local Macra Branch.

The victorious Cappoquin team were presented with the Sean Kenneally Memorial Perpetual Trophy by Macra Na Feirme's National President, Tom McGuire.

## Memorial To Be Erected At Famine Graveyard

A special Mass was celebrated at the Famine burial place in Pulla, Dungarvan (by the Seanachai public house), last Sunday, August 31. It was a memorial of the terrible famine period, with this year marking the 150th anniversary of the worst in our recent history.

There is a proposal for a memorial to register our lament for all those who died in this disastrous period. It is to be located beside the entrance to the graveyard (by the Seanacha) on the side of the main Waterford-Cork road.

The proposed memorial has been designed by sculptor John Creagh who has a home

locally on Helvick Head. The concept is based on the influence of the poem by Máire Ní Dhróma c. 1845. The proposed sculpture will include three figures and a representation of a coffin on which a line of the poem will be inscribed. The proposed sculpture will be cast in bronze, with stone surround. The work will commence on the final memorial, as soon as the remaining funds can be raised.

In the meantime, John Creagh has privately funded a temporary structure to introduce the concept in this the anniversary year. It was unveiled by members of the committee at the service last Sunday.

## FAMOUS HEALER ON TOUR

The nationally famous natural healer Mr. Arthur Broomfield, from County Laois, will visit the Dungarvan area next week. Acclaimed for his success in the treatment of arthritis — osteo and rheumatoid — he appeared on R.T.E. TV and had his treatment praised in the Irish Independent. Mr. Broomfield relies heavily on the advice of some of the top arthritis professors in the world. "In a real sense they're the healers", says the modest Laois man, "top medics who've developed from nature, treatments far superior to the damaging steroids and anti inflammatory drugs used in orthodox medicine."

Mr. Broomfield's healing success does not stop with arthritis. He's had such success treating the distressing and embarrassing conditions irritable bowel syndrome. Psoriasis and acne are well within his field of expertise as are asthma, bronchial and livers problems.

Mr. Broomfield will attend clinics in the Park Hotel, Dungarvan on Tuesday, September 9th from 7 to 9 p.m. He may be contacted at 0505 23420 or 0502 55343.

## Blackwater Singers Start New Season And Prepare For Rome

The Blackwater Singers start their new season on Tuesday, September 9 at 8 p.m. The first choir practice of the season will take place in Lismore Cathedral. After that the choir will meet weekly in its attractive usual venue, Lismore Golf Club.

Just before the summer the Blackwater Singers — founded in 1993 — gained very satisfactory results

with a variety of pieces, serious and light, in the International Choral Festival in Cork and the AIMS Choral Festival in New Ross. These pieces, together with other attractive compositions will also be performed during a concert in Lismore Cathedral on Saturday, October 4 in aid of the restoration of the bells and the belfry of the Cathedral.

The main event in the

coming season, however, will be a trip to Rome where the choir will join with singers from all over the world in the Voices of the World Festival. This event will take place in April 1998 in the week after Easter. Apart from the gigantic sing-together in one of the main stadiums of the Eternal City, the choir will have performances of its own, representing Co. Waterford with a number of special pieces. One of these pieces will be "Prayer" by the Waterford composer Eric Sweeney to a text by the Waterford born poet, the late Sean Dunne, commissioned by the Blackwater Singers in 1995. Another of these pieces will be "An Tom" by Seamus de Barra, sung in Gaelic the way they speak it in An Rinn.

Ring is one of the many places where members of the Blackwater Singers have their domicile. Members come from all over West Waterford, East Cork and South Tipperary, Lismore, Cappoquin, Villierstown, Dungarvan, Ring, Tallow, Fermoy, Kilworth, Newcastle, Clonmel.

If you are interested in joining the Blackwater Singers, come to Lismore Cathedral on Tuesday, September 9. Particularly male singers will be very welcome.

## Princess Diana — A Tribute QUEEN OF HEARTS

(1961 - 1997)

Your touch was something special,  
Your smile beyond compare,  
You helped the sick and suffering,  
In a world that seemed unfair,  
But no one knew your loneliness,  
You had to hide it well,  
The family you were part of,  
Just wouldn't let you tell,  
No matter where you went in life,  
Or what you had to do,  
The press would always follow,  
They kept on haunting you,  
You gained a lovely title,  
Right from the very start,  
Rest in peace Diana,  
Our true Queen of Hearts.

# New Look Shaws Store To Greatly Enhance Dungarvan

It's now just one week to go until the re-opening of the completely re-developed Shaws Department Store which is due to open its doors at 11 a.m. on Thursday, September 11th at Main Street, Dungarvan.

Local architect Muiris O Christoir, based in the Old Library Building in Friary Street, who has been involved with the project since day one, is delighted with the way the building is progressing. "We're right on schedule", said Muiris, "and soon all will be revealed. We are confident that Dungarvan will be quite pleased with the finished look", he continued, "and that the new two storey building will greatly enhance the existing street architecture."

The opening of the new look store in Dungarvan ties in with the Shaw family's redevelopment of many of their stores throughout the country including work on Shaws in Waterford City — and, of course, the opening of a brand new store recently in Tralee, Co. Kerry.

The new store in Main Street will cater for all those departments which the people of Dungarvan have come to know, but shopping at Shaws will now be more comfortable for the shopper than ever before. Many de-

partments will double in size with extra emphasis being put into the area of ladies fashions with many new quality labels being added. A sophisticated heating and cooling system will ensure shopper comfort, like never before.

A unique feature of this state-of-the-art development is the elegant staircase approach to the first floor, complete with glazed roof giving natural light. The area is a natural focal point and there are plans to use this feature to best advantage with fashion shows planned for some time hence.

Known historically as the 'Irish Woollen Hall' the proposed transformation of the existing Shaws outlet will greatly enhance Dungarvan as a shopping town creating many spin offs for other local businesses.

"We are in the middle of developing the interior of the new store", John Nee, Manager of the store reported. "We were most grateful to have had the use of the Friary Hall for the last num-

ber of months, but we will all be glad to get into the new store."

"The artists impression gives a fair idea of what the customer can expect", said John, "although there will be no substitute for seeing the real thing," he laughed.

The store will open at Main Street on Thursday, September 11 at 11 a.m. WLR Fm will broadcast live from 12 noon to 4 p.m. with Geoff Harris on the day and there will be free face painting for the kids in the childrens department as well as one or two 'unusual characters' to be seen around the town of Dungarvan. Friday and Saturday, September 12th and 13th there will be live music from 2 to 5 p.m. and the face painting will continue.

Meanwhile tune into Geoff Harris on WLR FM and you could have the chance of winning a £500 Irish Ferries Voucher and other great prizes from Shaws. All you have to do is write a Limerick about the store. So get your thinking caps on!

## THE MAID OF ERIN

Ballycoe were regraded Junior at the beginning of 1947 and Ballinacourty entered the championship for the first time. The newcomers sharpened up with a couple of challenge games against Kilgobinet.

Round 1 - Ballinacourty 2-3 Sliabh gCua 1-5 At Dungarvan 1.6

The "Dungarvan Leader" commented -

"The Ballinacourty combination is a very useful team and we would not be surprised to see them go a long way in the championship."

Round 2 - Brickey Rangers 2-4 Ballinacourty 1-5 At Dungarvan 24/8

Ref.: P. Sheehan (Wexford).

An objection followed that 7 Brickey Rangers players were illegal - not registered until a few days before the game. The Brickeys responded that the paper used

was not Irish watermarked bearing an image of Britannia. Objection ruled out. But an appeal to the County Board revealed that the image on the Ballinacourty paper was not Britannia but the Maid of Erin!! Brickeys forfeited the match. Magnanimously Ballinacourty offered a replay. Tommy Parsons scored 2-1 off his own boot in that game.

Replay - Ballinacourty 4-5

Brickey Rangers 0-1 At Dungarvan 28.9

Round 3 - Dungarvan 2-6 Ballinacourty 1-4 At Dungarvan 5.10

Ballinacourty: P. Daly, S. O'Brien, J. Byrne, J. Terry, M. Terry, D. Terry, T. Walsh, T. Roche, T. Parsons, T. Drummy, M. Drummy, T. (Benny) Murphy, G. Foley, M. Foley, J. Waters.

(Other games: W. Halley, J. Kirwan).

## NEW HOUSING ESTATE AT LANDS END

Work commenced last week on the development of a new estate on the land there previously owned by Mrs. P. I. Power. A steel fence was firstly erected between the property of Mrs. Power and the land to be developed. A section of the wall and fence bordering the road was knocked by a J.C.B. and this is just large enough for machinery to enter the land acquired by Clancy & Co. Ltd.

The houses to be constructed will vary in price from £120,000 upwards to £180,000. The site contains a number of mature broadleaf trees such as the sycamore and most of these are to be incorporated into the landscaping of the new estate.

This new estate is a further boost to the growing population in the Abbeyside area and should ensure that services such as the school and church continue to be used to their maximum capacity.

## Abbeyside Reference Archive

The Archives hold a variety of photographic material, a maritime and sporting section, records, artifacts and other memorabilia which are intended to convey to the visitor a sense of the history, culture and lifestyle of people who lived and worked in the parish for generations. We hope it will give you an image of old Abbeyside.

The material on exhibition is designed to create local public awareness of our history and heritage and much of it has been donated or loaned by interested patrons of the Archive, whose interest, like ours, lies in the preservation and conservation of what is available and what is left of our history.

The accumulation of all the material on exhibition has taken many years and it has involved much research and some finance, but it remains a labour of love for those of us whose ambition and intention it is to build a museum-style Archive that will be worthy of our past and a tribute to all the people who were part of our community in times past.

This Sunday evening Seamus O'Brien will bring along to the Parish Office his vast knowledge of the local area where all visitors will be most welcome.

## Abbeyside Guide Notes

Where did the holidays go? It's almost time for Guiding action again. So dust down those uniforms and get down to the Den for fun, fun, fun! As of yet we don't know how many (if any) spaces will be available for new members but we should be clearer on the situation by the first week in October. Until then if your daughter wishes to join, her name can be given to any of our leaders for inclusion on our waiting lists.

Last year's Ladybirds who are now aged 7 years and older should present themselves at our Brownie meeting, likewise older Brownies should now attend Guide meetings. Members who do not re-register with any of our units during September risk losing their place.

Of course all the usual fun filled activities are in the pipelines with a few sleepovers planned for very soon!

So, finally, please note our new meeting times - Ladybirds: Monday 5.45 to 6.45 p.m. (as and from September 8); Wednesday 6 to 7 p.m. (as and from September 10); Brownies: Tuesday 6 to 7.30 p.m. (as and from September 9); Guides: Friday 6 to 7.30 p.m. (as and from September 12).

For further information on any of the above you can contact our District Commissioner Jenny Power on 058-44273. See you soon.

# BALLYMACARBRY NEWS

## SILVER AND BRONZE FOR BALLYMACARBRY

This week we offer our congratulations to the excellent team from Ballymacarbry who performed so well at the All-Ireland finals of the 1997 Community Games in Mosney, Co. Meath last weekend. Each competitor is a star in his/her own way and it was indeed a big achievement to reach the All-Ireland representing not only the Community Games in Ballymacarbry but also their county. A very special thank you must go to the ongoing dedicated Community Games Committee who work so hard in Ballymacarbry each year, to all the sincere parents who cooperate with the Committee and support their fundraising events which are so necessary for the upkeep of the games in Ballymacarbry. We say well done to each competitor who participated at local level and also to those who qualified at the County Final. They also deserve medals as they worked so hard even during their summer holidays from

school. They have given up months of their spare time trying to get art, swimming, running, modelling down to the finer points to be in control for the final "throw in" at Mosney. Each one of you gave 100% and for that we are proud of you.

The time that Claire Murphy from Newcastle has given to Community Games in Ballymacarbry over the years has encouraged each 'artist' every step of the way and she has brought out the best in all her students, not just this year but over the past years. The Committee, parents and students say a big thank you to Claire for what you have done for Community Games in Ballymacarbry and in Co. Waterford.

### OUR MEMBERS ARE THE FORGOTTEN PEOPLE

The United Farmers Association have demanded a formal place at all State and EU agri-negotiations and have warned that they will not be 'snubbed' by the main farm organisations.

U.F.A. National President Michael O'Callaghan claimed that the U.F.A. is the voice of the small farmer. The current proposals by the EU for the reform of the Common Agriculture Policy (CAP) will have a greater impact on the small farmers we represent than any other group in the agri-sector. He expressed concern at the fact that the Association depends largely on courtesy and kindness from the Department of Agriculture and the Government to include them in the talks process. "Minister Joe Walsh, like Minister Ivan Yates before him, has been very generous in his time to the U.F.A.," Mr. Callaghan declared, "but we should not have to depend on the kindness and generosity of the Government of the day to be included." He warned that the U.F.A. will not tolerate being snubbed or kept out of official policy negotiations by any other farm organisation. Our members are the forgotten people of the farming sector. We won't tolerate this being repeated under the upcoming C.A.P. reforms.

### LOTTO

The Lotto draw in aid of the Fourmilewater Hurling Club took place at the Oriel Bar, Ballymacarbry on Saturday night. The numbers drawn were 8, 13, 16. There was no winner. The five winners of £20 each were Danny Crotty, Rathgormack; Sean Whyte, c/o Merriot, Clonmel; Eileen Ryan, Clonanav; E. Fogarty, c/o Barlo's Clonmel; The three stuges, c/o Oriel Bar. Jackpot this week is £400.

## RECENT DEATHS

### LATE MISS KATHLEEN HART

It is with deep and sincere regret we record the death of Miss Kathleen (Kitty) Hart, Graigueemore, Modeligo which sad event took place on Monday, August 25th after an illness of some duration.

The deceased was a member of an old and respected Modeligo family. A very estimable lady of many charming traits of character, her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all fortunate enough to make her acquaintance. She was a lady who possessed a most charitable outlook on life and was an outstanding neighbour always ready with the hand of help. The district is the poorer at her passing.

The measure of the esteem and high regard in which the deceased and her family are held was clearly indicated by the large concourse of mourners who were present on Tuesday evening when her remains were removed from the Hospital Mortuary, Dungarvan to the Parish Church of Our Lady's Assumption, Modeligo where they were blessed and received.

On Wednesday morning, the feast of St. Joseph Calasanctius requiem Mass was celebrated for the repose of her gentle soul. After Mass she was laid to rest in the family plot in the adjoining cemetery again in the presence of a large concourse of mourners who were present to pay their final respects to a dear Christian friend whose memory they will cherish.

To her sisters, nephews and nieces and her many relatives we extend our sympathy.

I gcomhluadar na aingil go mbeidh sí.

(Undertakers: Walsh's, Cappoquin).

### LATE MRS. BRIDGET BROWNE

Profound and sincere feelings of regret were widely expressed at the news of the death of Bridget (Biddy) Browne, Main Street, Ardfinnan which sad event took place at St. Teresa's Hospital, Clogheen on Wednesday, August 27th after an illness of some duration.

The deceased was a member of an old and respected South Tipperary family. She was a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease. All callers to her home were made feel truly welcome as she was a car-

ing neighbour abounding in Christian charity. She made an immediate and lasting impression by virtue of her courteous and easygoing nature which endeared her to all who were indeed privileged to know and respect her. All now deeply and justifiably mourn her demise and long cherish her memory. That she will be sadly missed was evidenced on Thursday evening when all walks of life were represented in the large concourse of mourners when her remains were removed from the Hospital Mortuary, St. Teresa's, Clogheen to the Parish Church, Ardfinnan where they were blessed and received.

On Friday morning, the feast of the Beheading of St. John the Baptist, requiem Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where interment took place in the presence of a large concourse of mourners.

To her son, brother and sister and her many relatives we extend our sympathy.

### LATE MRS. MAUREEN BURKE

With deep and sincere regret we pen the death of Mrs. Maureen Burke (nee Cormican), Catherine Street, Clonmel which sad event took place on Monday, August 19th.

The deceased was a member of an old and respected South Tipperary family. She was mother of Patrick Burke, Principal teacher, Newcastle National School.

A very estimable lady who was most charitably disposed, her outgoing sin-

cere nature, courtesy and great depth of human kindness marked her out as a true Christian. A thoughtful and helpful neighbour who was always ready with the helpful hand, she is now deeply and justifiably mourned by all who held her in the warmest regard.

Many tributes have been paid to this fine lady but perhaps the finest was paid to her on Wednesday evening when all walks of life were represented in the large concourse of mourners who were present when her remains, after the rosary was recited, were removed from Fennessy's Funeral Home, Clonmel to SS Peter and Paul's Parish Church, Clonmel.

On Thursday morning, the feast of St. Jane Frances, requiem Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where she was laid to rest in the family plot in the presence of a large concourse of mourners paying a fitting tribute to a Christian lady. To her family, brothers, sisters and many relatives we extend our sympathy.

### LATE MR. PAUL HICKEY

A wave of sadness came over the entire district on Saturday morning with the sad news of the tragic death of Mr. Paul Hickey, Ballinakill, Ballinamult when his car was involved in an accident with a combine harvester at Modeligo.

To his parents, brothers and sister we extend our deepest sympathy.

Full obituary next issue.

## PRETTY WEDDING

The beautiful parish church of St. Laurence at Fourmilewater was the scene of a very pretty wedding on Friday, August 29th, the feast of the Beheading of St. John the Baptist. The contracting parties were Francis, youngest son of Mary and the late Joseph O'Rourke, Ballygullane Upper, Lismore who was united in matrimony to Roseita, youngest daughter of David and Joan Halley, Curraghclooney, Ballinamult.

The marriage ceremony with Nuptial Mass and Papal Blessing was solemnised by Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena assisted by Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle in the presence of a large number of the relatives and friends of the contracting parties. The bride, given away by her father, looked charming and was attended by her sisters Catherine and Breda Halley as bridesmaids. The best man was Tony O'Donnell (stepbrother) and the groomsmen were Liam Walsh, nephew of the groom. Some beautiful hymns were rendered by Mount Melleray Folk Singers and music supplied by Mairead Cullinane. After the church ceremony the entire party left for the Park Hotel, Dungarvan where the wedding reception took place and where a most enjoyable and musical time was had by all for many hours.

After the cake was blessed by Rev. Fr. Cornelius Kelleher P.P., the toast of the bride and bridegroom was appropriately honoured and felicitous speeches given by many guests present. Later in the afternoon the happy couple left on their honeymoon which is being spent in Cyprus. As they left they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years to come. The bride is attached to the Department of Social Welfare at their offices in Cork while the bridegroom is attached to the staff of Pat Denn (Agriculture) Ltd., Carrigeen, Cappoquin.

## MASS AT KNOCKBOY ANCIENT CHURCH

The annual Mass at Knockboy Ancient Graveyard will take place on Monday evening, September 8th, the feast of the Nativity of the Blessed Virgin at 7.30 p.m. The celebrant of the Mass will be Rev. Fr. Anthony Hickey who has laboured for over a quarter of a century in the Mission fields of Brazil. This Mass is a continuation of the famous Old Pattern, the Lá Féile Mhuire, Cnocbúf and was started by the late Rev. Fr. Thomas O'Brien P.P. in the early seventies. As usual the souls of the dear departed will be prayed for as well as old friendships renewed and refreshments will be served. So if you have a relative laid to rest in Knockboy or have never been to the Ancient Graveyard you might think of attending the Lá Féile Mhuire.

# Five People Involved In Traffic Accident At Pike

Five people were transported to Waterford Regional Hospital last Thursday evening following a traffic accident near Houlihan's The Pike, Dungarvan.

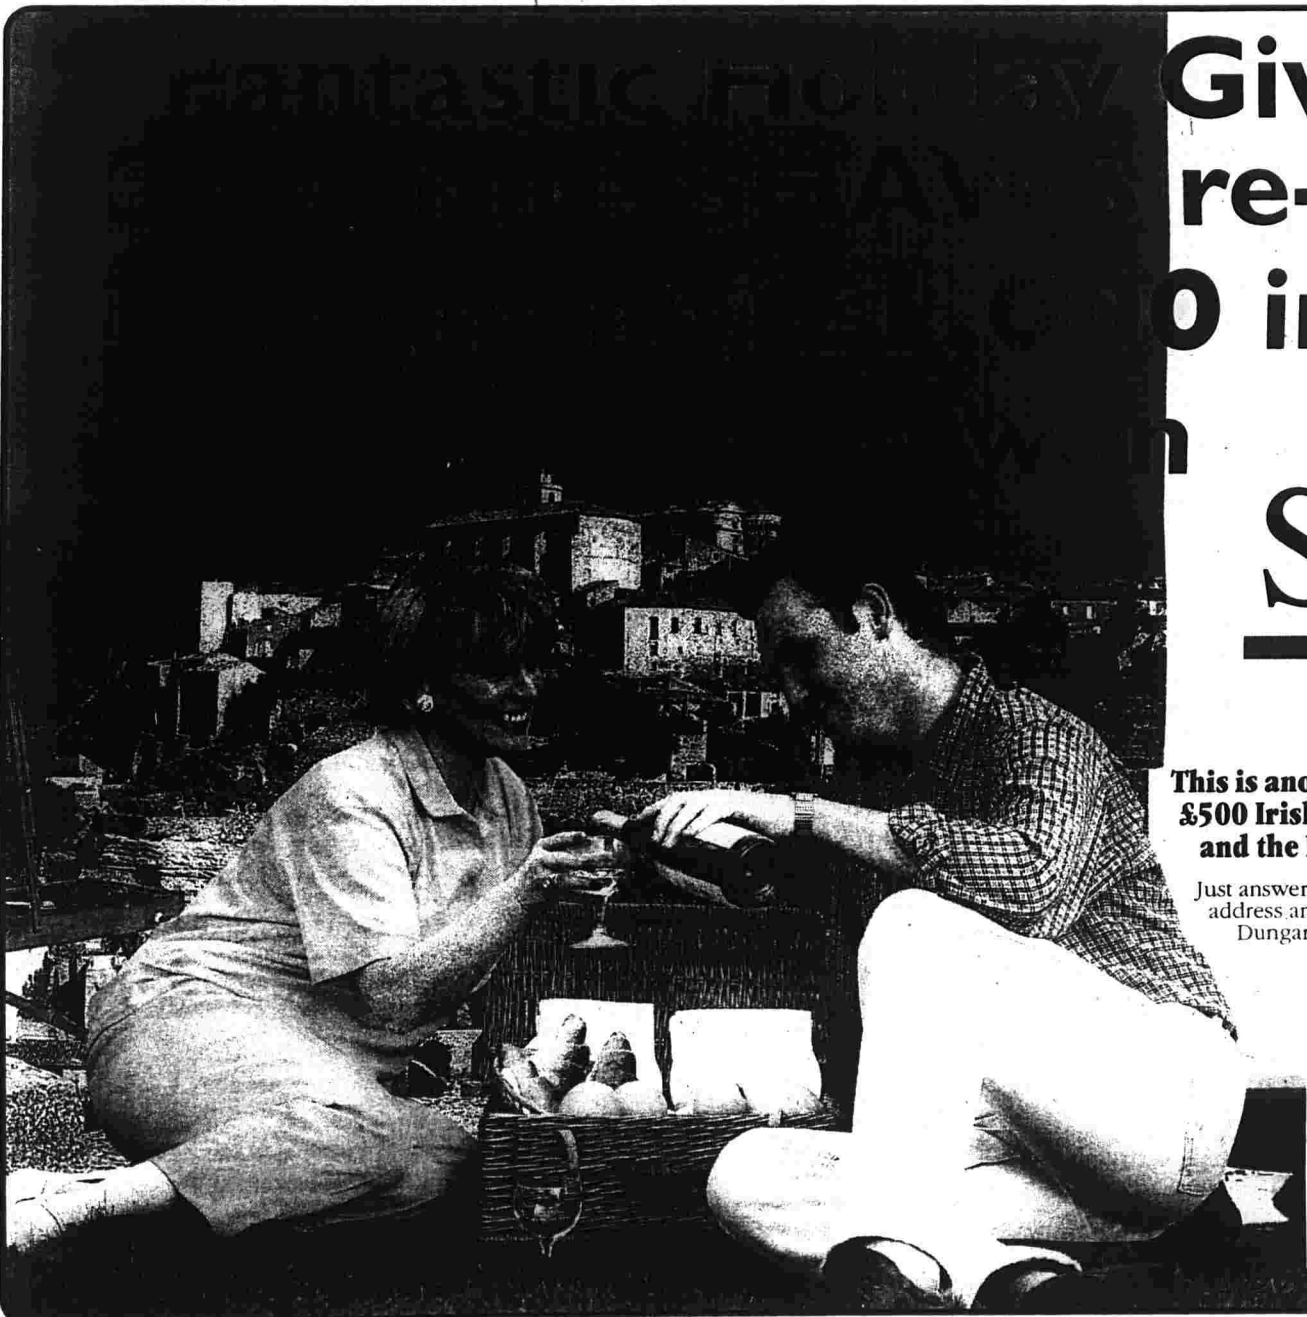

The accident occurred at around 6.30 p.m. and involved a male driver from Dungarvan who was travelling in the Dungarvan direction and a driver from outside the county who was travelling from the Military road.

Fortunately, none of the five people involved in the crash sustained serious injuries.

Assistant County Chief Fire Officer Des O'Brien reported that a specialist rescue vehicle and a fire unit from Dungarvan Fire Station arrived on the scene at approximately 6.53 p.m. One of the car doors was stuck and fire officers had to prise it open. The reason for the time difference, he said, is that sometimes, members of the public forget to call the fire brigade in their haste to contact an ambulance.

At the time of the accident, the Dungarvan Fire Service were also called to two separate incidents in Grattan Square. At 6.26 p.m. they attended a cooker fire at a premises in the Square, while four minutes later they were informed of smoke at a different premises in the Square which proved to be a false alarm with good intentions.

Mr. O'Brien paid tribute to the voluntary fire officers who turned up in great numbers for all three calls.

## ART EXHIBITION

On Monday night last in The Courthouse Theatre at Lismore Heritage Centre, the Barrymore Painters had their art exhibition officially opened. The Barrymore Painters - a total of 8 - are drawn from Ardmore, Fermoy, Castlelyons and other paintings in water colours, oils, pastels, street scenes, flowers, landscapes etc.

Winnie Hallahan, Chairperson welcomed all present and introduced Carla Blake who officially opened the exhibition. In a very witty and light hearted speech, Carla complimented each of the painters. She

went on to say the exhibition is of a very high standard and she can see all the paintings sold at the conclusion of the exhibition. Carla paid a special compliment to Pat Ferguson for the beautiful frames on the paintings.

The exhibition will run until Monday, September 15th and we would advise anyone to pay a visit to see the paintings, many of which include street scenes of Lismore and while our knowledge of art is very limited (nil one might say) what we saw last Monday night was most impressive and we wish each of the exhibition-

ists the very best and long may their work continue.

## LISMORE CRICKET CLUB NOTES

Both Minor League games scheduled for August 30th/31st were called off. The game against University of Limerick was called off because their pitch was not available and the game against Kerry was called off due to adverse weather conditions. We hope to play both games at a later date as they will have a big bearing on whether Lismore can add the Minor League trophy to their success in the Minor Cup. We are well placed in the Minor League at present. Lismore played their last Minor League game at Kerry on August 17th where they picked up their 6th Minor League win of the season. This report failed to make the "Leader" as it got lost in the post.

Lismore Cricket Club would like to thank Mike O'Leary of the Red House, Lismore and Brendan Baylor of Baylor Motors, Tallow for their generous sponsorship with the Lismore cricket shirts used in the Minor Cup Final.

Lismore Cricket Club would like to extend sincere sympathy to the family of the late Mr. Ronald Doyle. Ronald was a lifelong member of the club.

## ST. CARTHAGE'S HOUSE '45' RESULTS

Monday, September 1st — Winners: Noel Pratt and Bobby Mangan, Joe and Cissie Power, Kathleen Coleman and Moss Morrissey, Niall Maher and Pad Walsh, Jim Russell and Mrs. Murray; Raffle: Pat O'Connor; Lucky Tables: Linda McCormack and Rose Prescod, Eamonn Morrow and Jo Lineen.

## CONGRATULATIONS

Sincere congratulations to Lismore Cricket Club on winning the Shannon Estuary Ports Minor Cup Final at Harlequins Park, Cork when they defeated Jordans of Waterford on Sunday week last. This was a well deserved victory for the club.

The club lost a life long member last week with the death of Ronald Doyle. Ronald's association with the club goes back many years to the era of the Feeney brothers, Matt Gough, Gus Kingston, John Crotty, Trevor Enderzen etc. and this writer can recall asking Ronald to be 12th man on a number of occasions and always obliged. To his relatives we extend sincere sympathy.

## LISMORE COMMUNITY GAMES NOTES

Congratulations to Thomas Bennett on winning the Gold medal for the boys under-17 6 miles marathon. It is great for Lismore/Ballysaggart Community Games area to have another All-Ireland Community Games medal in the area and who knows we might be looking at another John Treacy in the future.

Also well done to our athletes who competed so well in the under-10 hurdles and to our two relay teams boys under-14 and boys under-17, not forgetting our two managers Dick Ahearne and Jennifer Hannon who did a marvellous job over the week. Congratulations to all concerned.

## ROSES VISIT LISMORE

Last week we reported on the visit of the entrants for the Rose of Tralee to Lismore Castle on their way to Tralee. This was the first visit ever to Lismore by the Rose of Tralee Committee and as we reported they were delighted with the reception they received from everyone connected with the town.

The town itself looked its very best and the pity was that there were no T.V. cameras present to capture the beauty of the Castle, the town and the surrounding areas. We spoke to many of the Rose entrants and some told us they would definitely take in Lismore when holidaying in the south of Ireland.

The Texas Rose told us that castles are a novelty to her as there are no castles in Texas. Overall we think Lismore did itself proud once again and it can only further increase tourism in the years ahead.

## BACK TO SCHOOL

Monday and Tuesday last saw the return to school for all the children of the area and for many it was 'first day' in school. When the return to school comes around, this is a sure sign that the summer is gone, not that we can say very much about this summer. No different to other years with more of the rain than sun. But it is what we now come to expect from an Irish summer.

# RECENT DEATHS

## Mr. Mick Walsh

With deep sympathy and with feelings of great sadness we write on the passing of Mr. Mick Walsh, Ballinagoul Cross and late of Ballinacourty, which occurred on Sunday, August 24, after a duration of ill-health. One of nature's true gentlemen, Mick enjoyed immense popularity and was held by everybody in the highest esteem. A native of Ballinacourty, Mick was aged 66 years and was employed for many years with Waterford County Council where his attention to his duties won him the acclaim and admiration of management and colleagues alike. For a period he was a valued member of the staff of Tomás Walsh, Building Contractors.

A very likeable man, Mick was the essence of good company. He loved his music and could relate a yarn or story with personal embellishment. He knew the local history of Ring and Ballinacourty areas and was the source and a mine of data regarding same.

His home in Ballinagoul was a very welcoming one. He enjoyed meeting people and having a chat. Sadly, over the last year or so, Mick hadn't enjoyed the best of good health. The loving care he received from his wife and family did not go unnoticed. It is our prayerful wish at this time that the Lord will console and strengthen them in the weeks and months ahead.

Thug a bhean chéile agus a chlann aire thar barr do Mick nuair nach raibh sé aige féin. Bhí an suim agus spéis ag Mick i cursaf Cumann Lúth Chleas Gael, go hairithe iarrachtaí foirne na Rinne. A keen GAA man, Mick loved to listen to Sunday Sport on his radio, chat about the salad days of Déise hurling supremacy and, needless to say, attend all the major and local GAA fixtures. Only weeks ago he was present to see Ring in action in the senior football championship. In the early 70's he was a leading light in St. Nicholas AC.

We express our deepest sympathy to his wife Síle, family and very many rela-

tives and friends on their cross of bereavement.

On Monday evening rosary and prayers were led at Mick's residence by Fr. J. Kiely, P.P., after which the removal took place to Ring Church. A guard of honour was provided by CLCG Na Rinne. Fr. Kiely conducted the funeral rite in the presence of a huge concourse of mourners who had come to pay their respects to a much-loved member of the community.

Fr. Kiely was chief celebrant at the Requiem Mass on Tuesday morning assisted by co-celebrants Fr. F. Lucey, P.P. and Fr. F. Lloyd, C.C. The Lessons were read by Sinéad Walsh, Finona Walsh and Tommy Charles, USA. Prayers of the Faithful were shared by Olive Croke, Dearán Ó Droma, Ann Curran, Mary Curran, Antóin Breathnach, Anthony Simms, Michael Curran, Máire Ní Chraith, Sinéad Ní Reagáin. His five grandchildren Jennifer, Aoife, Liam, Shane and Roisín brought the bread and wine, hurley, football and spikes to the altar as Offertory gifts.

Mick loved music, how appropriate therefore that Carthach Mac Craith, Ann Mulqueen, Seán Óg Mac Craith gave of their vocal talents, while Mac Dara Mac Donnchadha (pipes), Darán Ó Droma (tin whistle), Martin Curran (accordion), Klaus Botzum (guitar) and Carol Guiry (bodhrán) all played their tributes so beautifully.

After Mass the coffin was shouldered to its final resting place by sons Richie, Liam, Nickie, Paudie, son-in-law Nioclás Óg Mac Craith and daughter Mary.

At the graveside Fr. Kiely imparted the final blessing before Mick Walsh was laid to rest. Ar dheis láimh Dé go raibh Mick.

Chief mourners — Síle (wife), Richie, Liam, Nickie and Paudie (sons), Mary (daughter), Tom and Dick (brothers), Maura and Bridget (sisters), Nioclás Óg (son-in-law), Sinéad, Finona, Sinéad (daughters-in-law), Jennifer, Aoife, Liam, Shane, Roisín (grandchildren), Tommy and Cathy Charles, USA (relatives) and a wide circle of other relatives including sisters-in-law, brother-in-law, nieces, nephews, relatives and friends.

## Mrs. Rosamund Patricia Nason Crofts-Greene

We record the death of Mrs. Crofts-Greene, much-loved wife of Dr. Crofts-

Greene and loving mother of Nigel Crofts-Greene. After a long illness patiently borne, she passed away very peacefully on Monday evening of August 25 in the loving and devoted care of the matron and staff at Drumhills Nursing Home, Dungarvan. The Crofts-Greene family lived for over thirty years at Strancally Castle, Knockanore, Co. Waterford.

There was a large attendance at the Service in St. Mary's Church, Fountain, Knockanore on Thursday, August 28, which was conducted by Very Rev. Dean Healy (Dean of Lismore) who also conducted the burial service in the adjoining graveyard.

We offer our sympathy to the family and relatives.

(Funeral arrangements by Maurice J. Noonan & Son, Funeral Directors, Cappoquin.)

## Mrs. Kitty Hart

It is with deep regret we record the death of Mrs. Kitty Hart, Graiguemore, Modeligo, which sad event occurred on Monday, August 25 at Waterford Regional Hospital. Kitty was a quiet and gentle lady, a good friend and neighbour, always ready to lend a helping hand.

She was a good wife to her husband John who died on January 5, 1992. This was a great shock to Kitty and a great loss as they were so united.

Kitty's remains left Dungarvan hospital mortuary on Tuesday evening for Modeligo Church where her coffin was received and blessed by Very Rev. Fr. Barron, P.P.

The Requiem Mass on Wednesday morning was celebrated by Fr. Barron. The Lessons were read by her grand-niece Jo Ann O'Donovan and Marion Troy. The graveside prayers were said by Fr. Barron as Kitty was laid to rest in the family plot next to her husband John.

We extend our deepest sympathy to her sister Jo, to Mary and Bridget, nephews, nieces, nephews-in-law, nieces-in-law, grand-nieces, grand-nephews, relatives and friends. May she rest in peace.

(Funeral arrangements by Aidan Walsh & Sons, Funeral Directors, Cappoquin.)

## Mr. Tom Whelan

The unexpected passing of Mr. Tom Whelan, Kilnafrehan, Dungarvan, on Wednesday last was the source of much sadness in the locality. Aged 61 years and a native of Kilnafrehan, Tom farmed all his life. A member of the IFA, Tom was the essence of good company and was extremely popular with every-

body. He enjoyed his social drink and was a kind and sincere neighbour who will be missed.

We extend our deepest sympathy to his brothers Jim and John, sister Chris, sisters-in-law Nuala and Joan, his nephews, nieces, relatives and friends. R.I.P.

Removal took place on Friday evening last from the Kiely Funeral Home to Kilgobinet Church. Following Requiem Mass on Saturday morning the interment took place in the adjoining cemetery.

(Full obituary next issue.)  
(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Jim Moloney

A member of a well known Ardmore family, Jim's demise is deeply regretted by his wife Joan, daughter Deirdre, sons John and Daniel, mother Kitty, brothers John, Tom, Declan and Neill, his sisters Eileen, Maura, Catherine and Rita, his mother-in-law, sisters-in-law, brothers-in-law, nephews, nieces, relatives and friends.

Removal this Friday evening at 7 p.m. from the Kiely Funeral Home to St. Declan's Church, Ardmore. Requiem Mass on Saturday at 11 a.m. Interment to follow in the new cemetery, Ardmore. May he rest in peace.

### NA DÉISE LADIES

### FOOTBALL NOTES

We wish our under-16 county team all the very best as they take on Monaghan next Saturday in the All-Ireland final. It is a specially proud occasion for the club and parish as inter county star Marian Troy captains the Waterford team. Angie Walsh and Catherine Fitzgerald have also played vital roles in Waterford's march to the final and take their place also in the lineup for Saturday's All-Ireland clash.

Hopefully Waterford ladies will capture their third under-16 title in as many years.

Another Na Déise club member Olivia Condon played her usual class game with the senior panel last Saturday when they defeated Meath in the All-Ireland semi-finals. We wish Olivia and the senior ladies team the very best of luck as they face Monaghan in their All-Ireland clash.

# Cappoquin Notes

## CAPPOQUIN MACRA NOTES

**A.G.M.** — Last Wednesday night the 45th Annual General Meeting of Cappoquin Macra was held in Affane Hall. The outgoing Chairman, James Meagher complimented the club on the outstanding year which we enjoyed. The club's many wins throughout the past year include junior public speaking, ladies basketball and men's volleyball. One of the high points of the year was Dungarvan Show where the Cappoquin Club was justly awarded Club of the Show.

Two Cappoquin members, Anita Meagher and Tom Cliffe represented the county in Miss Macra and Ideal Bachelor competitions. The officers for '97/'98 are as follows -

President: Michael O'Donnell, Chairman: Daniel O'Donnell, Vice-

Chairman: Eamonn McGrath, Secretary: Norma Smiddy, Asst. Secretary: Annette Cliffe, Treasurer: Richard Prendergast, Asst. Treasurer: Eddie Byrne, P.R.O.: Mary Cliffe, Asst. P.R.O.: Therese Byrne.

**Tug-O-War** — Well done to the Cappoquin men's tug-o-war team who reached the All-Ireland semi-finals in Ballyduff last Sunday.

Team: Eamonn McGrath, Eoin Collender, Liam Begley, John O'Donnell, Mike O'Donnell, Pa Walsh, Pat Hennessey, Micheál Prendergast, Tom Cliffe (sub).

A ladies team of Hazel Hallahan, Anita Meagher, Edith Prendergast, Therese Byrne, Mary Cliffe, Grainne Moynihan and Elaine Prendergast (sub) also participated on the day. Well done to both Ballyduff teams (mens and ladies) who were run-

ners-up this year. Monaghan were the winners in the mens section while Carlow won the ladies section.

Congratulations to Pat Kenny who is the new Baron of Ballyduff.

**Table Quiz** — Two teams from Cappoquin are travelling to Ballysaggart on Friday night for a Table Quiz which is being held by Ballysaggart Macra in the Hall at 9 p.m.

**Basketball** — The ladies basketball team continue to train every Thursday night in Lismore Community Centre from 9 p.m. to 10 p.m.

## RITCHIE RYAN BOWLING FINAL

Next Sunday, September 7th at 5 p.m. is the date fixed for the final. This year we have no scratch played in the final. All players are playing off a long handicap mark of 1-3-5.

Mike O'Connor recorded a time of 24, P. Fitzgerald 26, J. Mason a time of 27 approx. to qualify for the final. However the final is handicapped with all things taken into consideration and rumour has it that the handicap will be 2 and 4 from O'Connor but this is not official as yet.

**Form** — Mason has dominated the C grade for the last few years and finds himself in yet another final. With 4 bowls of odds, he has to go close especially if he secures one of the better advisers on the road. He has been let down in the past by bad marking and advice.

O'Connor has plenty of experience but it's 4 years since he last played in a final when he started at 1/1 favourite but failed to deliver the goods. Perhaps his followers will try to recoup losses. He will start favourite again and rightly so has more speed than the opposition but convert this into handicap terms 'has it all to do'.

Fitzgerald started the first round 'a no hoper' but a series of wins in his section has earned him a place in the final. He is physically well capable of going very close but may lack experience. It is over 10 years since he last played in a final and the psychological strain may prove too much on this occasion. However Fitzgerald has been chief adviser to many a tournament winner and perhaps one will render their services on Sunday next to

## AFFANE BRIDGE CLUB NOTES

## IRISH HEART FOUNDATION

The organisers would like to thank most sincerely everybody who helped in any way to make it such a success and are delighted to report that the sum of £5,128 has been sent to the Irish Heart Foundation. We would also like to thank the organisers of the Irish Night in Dungarvan of Touraneena and the people who supported it in any way and for their contribution towards the above amount.

## AT THE SPORTSFIELD

### Junior Hurling B Championship Semi-Final Replay — Tourin 1-10 Melleray 0-7.

On Saturday evening with perfect conditions for hurling, Tourin and Melleray played in the Junior Hurling B Championship Semi-Final Replay. Both teams had changes in personnel due to injuries and players unavailable. The early exchanges were even and after 20 mins. the sides were level with C. Scanlon and A. Power scoring 2 pts. each from placed balls. D. Wilkinson edged Tourin ahead but Melleray were coming on top with points from K. Curran and T. Pratt. Tourin were under real pressure and can count themselves lucky to be only trailing by 1 pt. at the break. The score at half-time was Melleray 0-4 Tourin 0-3.

Some stern words must have been spoken in the Tourin camp during the interval as they were vastly improved after the restart. Two excellent points from D. Wilkinson and J. D. Leahy put Tourin back in front. From a goalmouth scramble J. Collender goaled, two more points from M. Scanlon and W. Leahy left Tourin with a commanding 6 pts. lead entering the last quarter. Melleray threw all to the attack but there was just no passing the Tourin half-back line in particular J. Fives. The trickle of ball that did reach Melleray's inside line was dealt with by the outstanding P. O'Keeffe.

For their persistence Melleray were awarded a 21 yd. free. D. Kiely made the long trek from his goal and unfortunately his rasping shot went just over the bar. While making his way back, D. Kiely picked up the ball in midfield, soloed up the field and again Melleray were awarded a free 30 yds. out. David again took the free only to see it sail over the bar. With 9 mins. left, Melleray now trailed by 4 pts. and were hoping for a repeat of the comeback as in the first game but it was not to be as this was as close as they got. Tourin finished much stronger and tacked over three more points from C. Scanlon, M. Scanlon and W. Leahy. A. Power pointed for Melleray in the dying seconds to leave the final score Tourin 1-10 Melleray 0-7.

Tourin had a number of fine performers. All six backs were outstanding in particular P. O'Keeffe who finished the first half on the flat of his back but recovered to play a stormer all through, also C. Scanlon when moved to centre-forward, D. Wilkinson, M. Scanlon and J. D. Leahy and K. O'Donnell all played well. For Melleray D. Kiely, N. Maher, T. Murphy, E. Byrne and J. Nugent once again were solid as a rock at half-back.

Melleray: D. Kiely (0-2, frees), N. Maher, J. Nugent, T. Murphy, G. Power, J. Power, J. Kett, P. Hennessey, A. Power (0-3 frees), K. Curran (0-1), T. O'Donnell, M. O'Gorman, M. Murphy, T. Pratt (0-1). Subs: S. O'Donnell for M. Murphy.

Tourin: P. Scanlon, J. Dalton, P. O'Keeffe, P. Leahy, D. Moore, J. Fives, E. McGrath, K. O'Donnell, J. D. Leahy (0-1), C. Scanlon (0-3, 0-2 frees), W. Leahy (0-2), D. Wilkinson (0-2), M. Scanlon (0-1), J. McGrath, J. Collender (1-0). Sub: Kieran Wilkinson for J. McGrath.

**Verdict:** While Melleray were disappointed with defeat being their lot, I must say up to half-time they looked as if they were going to win although to be fair they were never at the races in the second half but some early wasted chances and bad luck in front of goal proved costly.

Tourin, now in the divisional final, struggled in the first half but were brilliant in the second half. With 5 out of 6 forwards scoring, their accuracy from play was excellent while their backs conceded only 3 pts. in the second half, all frees. Another plus for Tourin was how well a number of switches made by their backroom team worked. Tourin, helped by 4 championship games to date, have steadily improved. They will also have Kevin Wilkinson available for selection in the final. I believe the blood and bandage will prove a real handful for Abbeyside in the final and I tip them to win.

# Cabbage Patch Is Just The Kiddy

**Autumn cabbage**      **Red Summer Cabbage**

**Savoy cabbage**      **Spring Cabbage**

The versatile cabbage is the most common and popular of all green vegetables. Cabbage leaves can be cooked or eaten raw when sliced in salads. Some varieties of cabbage can be pickled and some types of winter cabbage can be stored. Most cabbages are grown as annuals. They grow best at 15 to 20 degrees centigrade and they should not be planted in temperatures above 25 degrees. The hardiest plants may survive temperatures as low as minus 10 degrees centigrade for short periods. Cabbages are not normally grown under cover. To grow well, cabbages need soil that is fertile, moisture retentive and humus-rich with a pH level above 6. Spring, summer and fresh winter crops need very high nitrogen levels.

# This Week In The Garden

## Sow Hardy Annuals

Some of the hardy annuals can be sown outdoors now which will stand the winter and flower in May and June next year. Sow them thinly where they are to flower and cover lightly with soil. Thin the seedlings out to 8 or 10 cms apart as soon as they can be handled, but leave any further thinning until March or April. Among the best varieties for sowing now are alyssum, calendula, candytuft, clarkia, cornflower, godetia, larkspur and cardinal poppies.

## Sow Annuals For The Greenhouse

Many annuals make excellent pot plants for the cool greenhouse. If sown now they will start to flower in early spring and continue until May. Sow thinly in well drained seed trays and germinate in your unheated greenhouse or frame.

## Plant Anemones

Make a first planting of anemones. If these are put in in successional batches, it is possible to extend the flowering season. The tubers should be planted 8 cm deep and 15 cm apart.

## Pot Up More Freesias

Make a potting of freesia corms. If these are placed in a frame and are protected from frost with lights, but no attempt is made to force them, they can be introduced to the warm greenhouse a few at a time from November onwards and will supply a succession of flowers in winter and early spring.

## Pot On Primulas and Calceolarias

There may be quite a lot of potting on to be done if growth during August was fairly good. Greenhouse primulas from the April sowing should be about ready for their final pots, while the June sown primulas are also likely to need potting singly into 8 cm pots of John Innes potting compost No. 1.

## Pot Hippeastrums

Pot specially prepared Christmas flowering hippeastrums, one bulb in a 10-13 cm pot of John Innes potting compost No. 1 or a peat-based equivalent and put the pots in a light room or greenhouse.

# TALLOW NOTES

## TALLOW JUVENILE G.A.A. CLUB NOTES

### UNDER-14 PEIL AWAY TO CLASHMORE Tallow 3-4 Clashmore 3-7

In the first game of '97 under-14 football, which is played on a league basis, our boys went under by a single goal. On a beautiful Monday evening in Clashmore, a very entertaining game of football was played on a good surface and with great heart and commitment by both teams. Perhaps this was a game that could and should have finished 'honours even'.

Clashmore opened the scoring with a well taken

point in the 5th min. This was equalled within a minute with a fine score by our full forward Michael Keating. Although Clashmore dominated for the next 5 - 10 mins. nevertheless it was Tallow who scored next when William Curley, from the hand, caught the home defence napping with a quickly and well directed free kick to the roof of the net. Clashmore had 3 pts. in quick procession to level the score before our best move of the night saw the ball travel from midfield via Paul Kearney, Paul O'Brien, Seamus Mills,

Paul O'Brien again and finally to full forward Michael Keating who billowed the net from 10 yds. a great goal. Not to be outdone Clashmore struck back right on half-time with a good goal of their own to leave the sides level 1-4 to 2-1 at the interval.

Clashmore opened the scoring in the second half with a 'minor' followed shortly with another point. This was reduced by a further Michael Keating point before Tallow were awarded a penalty. This was converted with a superb kick again to the roof of the net by

Michael Keating. Tallow 2 pts. up.

Paul O'Brien at right half forward pointed from 25 yds. after a good solo run. A goal up we again hit the back of the net only for the goal to be disallowed for a 'square' infringement. The home team then hit a purple patch scoring a goal and 3 pts. without reply to go 3 pts. ahead. Michael Keating got our last score of the game, a point, to reduce the deficit to only 2 pts. Clashmore however had the final say with a point 5 mins. from the end.

A tremendous match played in a fine sporting manner and with everybody on the team giving his all a repeat performance next week from goalie Patrick Sheehan who made several outstanding saves to corner forward Eamonn Forbes we are sure will bring our first victory.

Team: Patrick Sheehan, Pat Ahearne, John Feeney, Mark O'Brien, Dermot Casey, Brian Walsh (capt.), Aidan Kearney, Seamus Mills, Paul Kearney, Paul O'Brien, Michael Norris, William Curley, Michael Keating, Eamonn Forbes. Subs: Kieran Norris and Robert Geary.

Finally again grateful thanks to all our drivers Finn and Loretta and Liam who gave their time and provided the transport for the team.

### KNOCKANORE MACRA NA FEIRME NOTES

On Sunday last, August 31st we attended the All-Ireland Tug-O'-War and came out on top of our league to meet Ballyduff in the semi-final but after two pulls, Ballyduff on the third pull gained the upper hand which unfortunately ended our campaign. However that didn't deter us from entering one other competition The Boat Race which resulted in four sturdy Knockanore men bringing great honour to the club as the fastest pint drinkers in the west. The closest fought battle of the day however was between two Knockanore Romeos seeking the hand of a certain young lady who will remain anonymous.

The club would also like to thank Pat Lee for all the time and effort he spent coaching the Tug-O'-War team.

## MIGHTY CRAIC IN TALLOW

Yes the craic was mighty in Tallow last week as the local festival took place. The crowds were up on the previous year but so too was the entertainment. Thankfully the weather only brought the cancellation of two events. The Ladies Soccer Tournament was won by Angela Curley after a penalty shootout. Victory over Marion Forbes side. Spin The Wheel was new and while the crowd could have been bigger, those that did turn up really enjoyed themselves. The outdoor stage proved to be a big hit and The Memories, Mo Connors, Tap The Barrell and Gina kept the big crowds entertained.

**Winners** — There were plenty of winners during the festival. Connie Henley got to spin the wheel and other winners were Fiona, Noreen, Claire, Eleanor and Seamus.

Chairman of Tallow Point-To-Point Committee, Jim Clancy made a presentation to Jimmy Mangan of a Waterford Glass lamp while John Ahearn made a presentation to Debbie the groom.

**Fancy Dress** — The kiddies fancy dress sponsored by the Tallow Credit Union drew a big crowd and there was no shortage of Spice Girls and the Youghal Brass Band also played their part when they led the parade.

The kiddies disco drew a big crowd of children to the Tallow Community Centre. The Underage Soccer Blitz was won by Youghal while the under-10 Cup Final saw our lads go out after a penalty shootout.

**Thanks For The Sponsorship** — The club would like to thank Guinness Breweries; Murphy's Brewery; Beamish; Kearney's Golden Grill; the Tallow publicans; A.I.B., Tallow; Tallow Credit Union, all the local businesses. ## LADIES FOOTBALL NOTES

### Under-14's Reach County Final Kilrossanty 1-5 Old Parish 0-4

Following a well contested game played in Leamybrien last week, Kilrossanty came out on top and booked their place in the A Final. This championship was run on a league basis with each team playing 5 games and the top two qualifying for the final.

Going into the game against Old Parish, the girls knew only one result was good enough to stay in the championship and this was a win. The girls had already been well beaten by Old Parish in the League Final and this was not going to be an easy assignment.

From the throw-in they gave it their all and were duly rewarded for their hard work when the final whistle went. This was one of the best displays from the team to date and now we await the outcome of the Clash-

more v Old Parish play-off to see who our opponents are in the final. We won this game however at a price because just in the dying minutes of the game, our midfielder Aoife Murphy picked up a nasty hand injury, a broken wrist which will keep her out of action for 6 to 8 weeks. We wish Aoife a speedy recovery. The final will probably be played early next week.

**Training** — All players are requested to attend training on Thursday evening at 6 p.m.

**County Duty** — Congratulations to all players who are members of the various Waterford teams. Next into action are the under-16's who play Monaghan in the All-Ireland final next Saturday. Best of luck to Tanya, Leigh, Denise and Kristina. Waterford will be hoping to make it three-in-a-row at under-16 level and when they run on to the pitch on Saturday, Tanya will be bidding to win her third under-16 title also.

## G.A.A. NEWS

On Friday evening last our footballers played Brickey

Rangers in a tournament game in the local field. The underfoot conditions were atrocious after the week of heavy rain but despite this it was quite an entertaining game. Brickeys ran out winners on the scoreline of 2-10 to 0-10. The trophies were presented later at a social night in the Ballyvera. This function was a fundraising night for Pat Fitzgerald's forthcoming sponsored cycle in aid of M.S. Dungarvan. This was a very enjoyable night and we had Tom O'Brien and his "helpers" running an auction during the night. Quite a few people went home with some unexpected purchases. The moral is don't even blink or scratch your nose if Tom O'Brien is selling things! We wish Pat and all the other cyclists the best of luck on Saturday.

# Dungarvan Chamber Of Commerce Notes

### CHAMBER TO PROVIDE LOCAL EMPLOYMENT SERVICES

Waterford Development Partnership operate a number of LES projects throughout the county whose function it is to offer advice and assistance to individuals who are currently unemployed but who gen-

uinely seek employment. Under this scheme a number of project co-ordinators dispersed throughout the county are busy compiling a comprehensive database of prospective employees (age, sex, educational qualifications etc.) with a view to matching these persons with prospective employer requirements.

To date this project has worked very well but Waterford Development Partnership has identified the need for a similar service to be made available to employers. Kieran Eaton (Project Manager) approached the Chamber of Commerce with a view to establishing such a scheme. The Chamber drafted a detailed plan on how this service would be provided in an efficient and effective manner and submitted a tender to oversee its implementation based upon this plan. We are delighted to announce that we have been successful in our endeavours and that as and from last Monday, September 1st this service will be made free of charge to all existing and prospective employers in the County.

The principal function of the Chamber within this project will be to compile a detailed and comprehensive database of all employers in the county and to disseminate information to these employers on what schemes are currently in place which might enable them to expand their employment levels in a cost effective manner. It is our intention to further expand this service by identifying any shortfalls which exist (from an employers point of view) in training/educational facilities currently being provided. We would hope to build upon the good working relationship which we presently enjoy with the local V.E.C. and other training bodies with a view to meeting these requirements.

We would ask any employer who is currently recruiting staff to contact our office in confidence at (058) 45054. Over the course of the coming period all employers will receive a questionnaire from us seeking information re current and future (perceived) staffing levels, education, training,

etc. We would very much appreciate it if these forms could be completed and returned as soon as possible in order to expedite the set-up procedure.

We shall also distribute to employers information leaflets outlining what advantages and incentives may be available, further details and assistance of which will be made available on request through this office.

We would like to emphasise that this is primarily an employer orientated operation and in this respect (although the ultimate aim is to create employment) it differs considerably from other similar schemes. The criteria which we have set ourselves is that in recommending a candidate for interview he/she must

(a) Have a genuine wish to enter into employment

(b) Have the perceived qualifications to perform the tasks involved.

Employee registration with the LES is entirely voluntary and no pressure is brought to bear on anybody to register so if there are any individuals out there who are currently unemployed and have been for the past 6 months or more and who genuinely wish to seek gainful employment, give us a ring at (058) 54054.

### CONGRATULATIONS

Finally congratulations are in order to a number of individuals Mario Flavin and Jim O'Dwyer on their official appointments as President and Deputy President respectively and the Chamber is also pleased to announce the appointment of Leo O'Donnell as its full-time Chief Executive. We would like to take this opportunity to wish Leo a long and prosperous future in his new capacity and we look forward to working with him over the coming years.

### CEREALS

A very significant proportion of the crop in Co. Waterford remains to be harvested. Crops have been decimated by the weather and every opportunity must be taken to salvage as much grain as possible. Harvest crops up to 25/26% moisture at any opportunity. Many crops are now sprouting and unfortunately there is nothing can be done about it.

### SETASIDE

September 1st marked the end of the core setaside period. This means growers are now permitted to graze the setaside with their own animals or are allowed to harvest hay or silage for use on their own farms. Cuttings remaining after a topping which took place before September 1st should not be harvested. In the case of land coming out of setaside, growers are free to do as they please.

### SAVE ON WINTER FEED COSTS

Barley at £70 per tonne off the combine is good value. It can be stored easily with Propionic Acid costing £5 - £7 per tonne depending on moisture content. Anyone fattening cattle should seriously consider this option because the money isn't in wintering to justify higher meal costs per tonne. Barley on its own is good enough to fatten cattle.

Get your silage analysed so that you can best plan your winter feed programme. Calculate the kgs of dry matter in your pit because cows will require about 8 - 10 kgs. of dry matter per day.

### GRASS

The more grass you have from now in the cheaper it will be to feed cows and cattle for the next 3 months.

\* Grass is three times cheaper than silage.

\* It is a lot easier to manage animals on grass.

\* They undoubtedly will be healthier.

### Nitrogen Makes Grass Grow Better

1 kg. of Nitrogen (costing 40p) grows 10 kg. of grass DM (worth £1.50 milk). The amount of grass grown decreases as the weather gets older. Apply 20 - 40 units of N up to September 10th on cold farms and up to September 20th on light, dry farms. Allow the rotation to drift out to 35 to 45 days. Be careful if the growth rate is very good because the amount of grass cover at 40 days will result in leaves rotting.

Remember "grass grows grass" therefore keep the rotat on reasonably long so as to grow more grass at a time when grass growth is decreasing.

### REPS

\* From August 1st hedge maintenance can be done on REPS farms. Ideally you should wait until January or early February to cut hedges.

\* If you didn't cut hedges outlined in your plan in Spring, you should do them now before an inspection.

\* Make sure your slurry tanks are half empty. Beware of silage effluent or yard washings refilling your tanks.

\* If you are spraying a herbicide (e.g. Paraquat) on stubble ground, make sure you don't spray into the hedge bottoms.

\* Nitrogen - Check your records to see if you have scope to spread. The cut off date for spreading on grassland is mid September.

## WATERFORD COUNTY I.C.M.S.A. NEWS

John Quigley, Area Officer with ICMSA in the South-East region outlines some of the ICMSA pre-budget proposals for the Government's autumn budget.

### INVESTING IN THE FARM BUSINESS

**Farm Grants** — The absence of farm grants and the unfavourable tax treatment of on-farm investment have created the most anti-farm business climate ever. Most of the investment now required is related to environmental protection and new standards and as such will not yield an increased income to the farm family. The investment required cannot be funded from declining farm incomes. It is essential that the Control of Farmyard Pollution and the Dairy Hygiene Improvement Scheme are re-introduced with adequate

funding as a matter of priority.

Capital allowances for pollution control, improved dairy facilities and animal welfare — The restriction on capital allowances is severely affecting farmers who have recently or who are currently undertaking on-farm development work to control pollution, to upgrade their facilities to comply with the EU milk hygiene regulations, or to meet new animal welfare regulations.

### ICMSA PROPOSALS

1 — ICMSA is proposing that a special accelerated capital allowance of up to 100 per cent (free depreciation) be provided for on-farm investment, for upgrading farm facilities and to comply with the provision of the EU Regulations on milk hygiene,

animal welfare and pollution control.

2 — The special capital allowance should apply to expenditure on plant and equipment, farm buildings and facilities undertaken to meet the requirements of Irish and EU regulations.

**Expenditure on Milk Quotas** — Expenditure on the purchase of additional quota is not allowable as an expense for income tax purposes. Milk quotas are treated as part of the capital of the farm for tax purposes.

**ICMSA Proposals** — Expenditure on the purchase of milk quotas should be allowed as a deductible expense for income tax purposes, under the following conditions:

1 — The quota was purchased through a Milk Quota Restructuring Scheme approved by the Minister for Agriculture and Food.

2 — In the event of the farmer disposing of his milk quota within a certain period any tax relief obtained under the proposed provision would be clawed back.

3 — The farmers should have the option to use up to 100 per cent of the expenditure as deductible expense for the year of purchase. Any remaining amount to be used in the following year or years.

ICMSA will have a stand at the Piltown Show on Thursday, September 4.

## Keenan In Association With IFA To Hold On-Farm Demonstration Of Home Mixing Of Rations

With greater emphasis now being placed by livestock and dairy farmers on reducing feed costs, Keenan in association with IFA, are to hold a countrywide series of on-farm demonstrations on formulating minimum cost rations for cows and livestock this winter.

With cereals this harvest never better value since the mid 1970's Keenan's point out that good quality rations can now be formulated from £110/t.

In Co. Waterford, the on-farm demonstration will take place on the farm of Mr. Milo Murphy, Reisk, Dunhill at 2 p.m. on Friday, September 5.

The on-farm demonstration will examine minimum cost rations and will provide information on how to maximise native cereals in dairy and beef rations. Advice on optimum feeding levels and the incorporation of straw in rations will also be available. The demonstration will focus on Keenan sodagrains ration formulations and their role in maximising cow and livestock performance.

## Disastrous Harvest

### CEREAL AID PAYMENTS NEEDED URGENTLY SAYS COUGHLAN

Commenting after a meeting with Junior Minister for Finance, Martin Cullen last Saturday, August 30th on the farms of Pat Cummins and Evan Walsh, Kilmacthomas Waterford I.F.A. County Chairman James Coughlan said that the torrential rain that prevailed for most of August has created an absolute nightmare for the County's grain farmers.

He said that the recent rainfall has been the final nail in the coffin for many grain farmers this year. Crops have been absolutely destroyed with little hope of salvaging anything. Continuing, he said that what little crop has been harvested, moisture readings are in the mid 30's which carry very severe moisture penalties.

Commenting Junior Minister for Finance, Martin Cullen said that he was quite surprised and shocked with the level of damage that has been done and he assured growers that he would look into the situation and report back to the growers at the Executive's meeting next Tuesday night.

Waterford I.F.A. Grain Chairman, Alex Heskin commented that the I.F.A. Grain Committee has called on Minister for Agriculture Joe Walsh to make arrangements to have all cereal aid payments paid immediately and not in October as many cereal growers are undergoing serious cash-flow shortages.

Finally the Waterford I.F.A. leader said that with the current worsening weather conditions, grain prices are at an all time low and poor straw prices, some level of compensation must be made available to grain growers to keep them in business.

## Meeting With Egyptian Ambassador Confirms Need For Walsh To Visit Egypt

Following a meeting recently with the Egyptian Ambassador to Ireland, His Excellency Hassan Salem, the IFA President, John Donnelly said it was essential that the Minister for Agriculture, Joe Walsh immediately visit Egypt to resolve any outstanding issues in relation to re-opening the £150 million live cattle trade.

Commenting, Waterford IFA Chairman, James Coughlan said "It is imperative now that Minister Walsh immediately travels to Cairo, and concludes the negotiations in respect of the political direction agreed between Ireland and Egypt last June to re-open the live export trade."

The Waterford IFA leader said the Ambassador expressed optimism regarding the present negotiations and is working to facilitate the earliest possible re-opening of the live cattle market. "We now need the political impetus of a Ministerial visit to get the trade restarted without delay," Mr. Coughlan said.

With the major Autumn cattle disposal period fast approaching, Mr. Coughlan stressed the need to re-open the live cattle trade sooner rather than later.

He again pointed out the importance of the Egyptian market in providing a stable Autumn cattle trade and competitive prices for livestock farmers.

## Donovan Says Access To EU Live Cattle Market Depends On Government Action

Waterford IFA Livestock Committee Chairman Maurice Donovan has said that access to EU Single Market for live cattle is totally dependent upon positive subvention by Agriculture Minister Joe Walsh and the Government. Mr. Donovan said IFA has put a number of proposals and options to the Department of Agriculture in respect of an alternative freight ferry service and it is now up to Minister Walsh to actively pursue these and fulfill the Government's promise guaranteeing access to the EU Single Market for exporters and farmers.

Mr. Donovan said that time was fast running out for Minister Walsh and the Government on the live cattle trade. "The weanling sales will be in full swing in the second week of September and farmers will not tolerate a situation where they are being denied access to the highest price market on the Continent."

The Waterford IFA Livestock Leader said that Minister Walsh is well aware of the severe problems on access to the EU Market for a long time. "Farmers are now demanding delivery from Minister Walsh on his commitment that in office, he would make sure the Government would guarantee an alternative ferry service which would carry livestock."

## Value Of Straw Burning Should Form Basis For Straw Sales

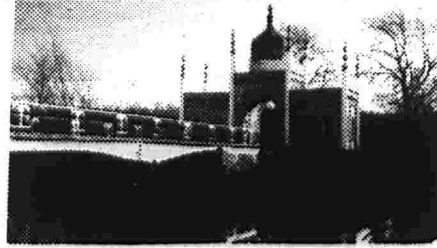

"The value of straw burning in terms of subsequent crop fertility and disease control should form the basis for all straw sales", according to Waterford IFA Grain Chairman Alex Heskin.

"Straw burning according to Teagasc is worth £20 - £23/ac. Bearing this in mind £20 - £23/ac should form the base line for all straw sales in surplus straw areas. This is roughly equivalent to over £4 per 4x4 round bale or over 40p per small square bale. Higher prices are nevertheless being paid, particularly in straw deficit areas."

The Waterford Grain Chairman pointed out that "straw will not be as plentiful as originally expected as straw yields are lower this harvest. Large quantities of straw are lying out in the fields due to the current bad weather conditions. The likelihood of some of these crops ever being baled is very remote."

## LATE MR. JIM MOLONEY

With great sadness we received the news of the death of popular Ardmore emigrant Jim Moloney (or more affectionately known to all his friends as "The Lug"). Though he lived in London, Ardmore was still home and a place very dear to his heart. He visited here regularly and always kept in touch.

A man with a great sense of humour, witty and light hearted, Jim was always the life and soul of any gathering. A very popular and most likeable person, he will be dearly missed by everyone. Jim's funeral takes place later this week.

Our deepest sympathy is extended to his wife Joan, daughter Deirdre and sons John and Daniel (London), his mother Kitty, his brothers John (Doc), Tom, Declan and Neil and sisters Eileen, Maura, Catherine and Rita and all his relatives and friends.

The death occurred on Monday morning last, September 1st of Mr. Billy Hunt, Rhiencrow. Billy had been ill for some time and was residing in Curragh Nursing Home, Cobh in recent weeks.

A well known and very prosperous member of the local farming community, Billy devoted his entire working life to the care of his stock and land. A man of deep religious faith, for Billy God was always at the centre of his life and it was this great love of God which took Billy through his darkest days. We pray that Billy is now reaping the rich rewards of that great love of God in eternal life.

A kind, gentle unassuming man who was clearly loved and greatly respected by all his neighbours and friends and by whom he will now be so dearly missed.

To his sisters Mary Hynes, Tinnock, Noreen Whitford, Dublin and all his relatives, neighbours and friends, we extend our deepest sympathy.

## TONY FORRISTAL TOURNAMENT

### Inter County Hurling

On Saturday last we saw some outstanding performances from three of Ardmore's most outstanding young hurlers in the Tony Forristal Inter County Hurling Tournament.

Billy Harty of Ardmore, a member of the Waterford team who played Offaly, Galway and Kilkenny in the under-14 tournament, led the Waterford attack and scored 2 fine points for his team. Ardmore's David Power, a member of the Waterford Sonny Walsh team who beat Wicklow and Westmeath only to lose to Laois in the semi-final, played some outstanding hurling.

In the Munster under-15 hurling competition we saw Waterford play Limerick, Tipperary and Cork. Playing in corner forward for Waterford was Eoin Foley of Ardmore who scored a great goal for Waterford against Cork.

**Under-16 Football** — The under-16 footballers drew their Division 3 final with Naomh Bríd in Lismore on Wednesday evening last. Playing with the wind and sun we led at half-time by 0-6 to 0-2 with Mark Hickey scoring 4 pts. and one each from Stephen Molumphy and Richard Canning. Thanks to 2 pts. from Stephen Molumphy, we still held a one goal advantage 4 mins. from full-time after the opposition had scored 3 second half points.

Naomh Bríd came forward in force seeking that all-important goal and were rewarded 2 mins. from time and we had to defend defiantly as they sought the winner.

**Team:** Shane Feeney, Aidan Feeney, Derek Daly, Edward Molumphy, Sean Cunningham, William Hickey, Mark Hickey, Liam McNamara, Simon Cogan, Thomas Murphy, Martin Feeney, Richard Canning, Stephen Molumphy.

The replay takes place this evening (Wednesday) in Cappoquin at 6.45 p.m.

**Under-10 Tournament** — The under-10 tournament involving 8 teams for the John Daly Memorial Perpetual Trophy had to be cancelled last Thursday evening due to the inclement weather which marred the Community Council Gala Week.

Another casualty was the Senior Hurling Tournament between Ballyduff and Boherlahan for the Eugene Hickey Memorial Perpetual Trophy on Sunday evening. It is hoped to rearrange both at a later date.

**On County Duty** — Club player Stephen Molumphy played on the Waterford under-14 hurling team that reached the semi-final of Division 2 of the Tony Forristal Tournament on Saturday last.

LEADER FEATURES

# Family health

By Dr. DAVE BARRY

**Q.** My husband is 63 years of age and recently he has been getting out of bed five or six times during the night to pass water. He finds this very frustrating as it interrupts his sleep and although he has to rush to the bathroom he passes only a little water very slowly. He is worried about this and is embarrassed to visit our local doctor who is a lady.

**A.** From your description it seems that your husband may have a problem with an enlarged prostate gland.

This gland is situated just below the bladder and the outlet from the bladder, the urethra, passes through the middle of the gland. As men get older the prostate enlarges, especially the part of the gland that immediately surrounds the urethra. As the prostate enlarges it also pushes upwards into the bladder itself. This

growth interferes with the ability of the muscles at the bladder outlet to control the outflow of urine as efficiently as normal. This causes problems like having to pass water very frequently, especially at night. Passing small quantities of water, difficulties in starting the flow of urine, a poor or stop-start type of

stream, dribbling at the end of urination and occasionally blood in the urine, although this can have other causes. As the overgrowth of the prostate continues, pockets are formed between the bladder and the prostate and urine is retained in the bladder after urination instead as being passed as normal. The continuing overgrowth, means these pockets of urine will get bigger and cause the bladder to stretch and increase in size slowly over many months. This is a painless happening. However this gradual build-up of urine and bladder stretching eventually causes damage to the kidneys resulting in renal (kidney) failure which is a life-threatening condition. Sometimes the bladder will suddenly stop being able to empty and the urine will be kept in the bladder

and will constantly be added to by the kidneys constantly. This is known as acute retention and is a very painful condition. Urine that is retained in the bladder after emptying is likely to become infected, causing pain when water is passed. A urinary infection may also cause acute retention. It is important that your husband visit a doctor and get this problem seen to. Your own doctor will not be embarrassed by your husbands problem; it's nothing she hasn't seen before. Neither should he be.

**Q.** I am ten weeks pregnant. I have been reading a lot lately about a bacteria called Listeria. It seems that it is highly dangerous to pregnant ladies and their babies. How can I avoid this bacteria? Will my baby be harmed if I am unfortunate enough to pick it up?

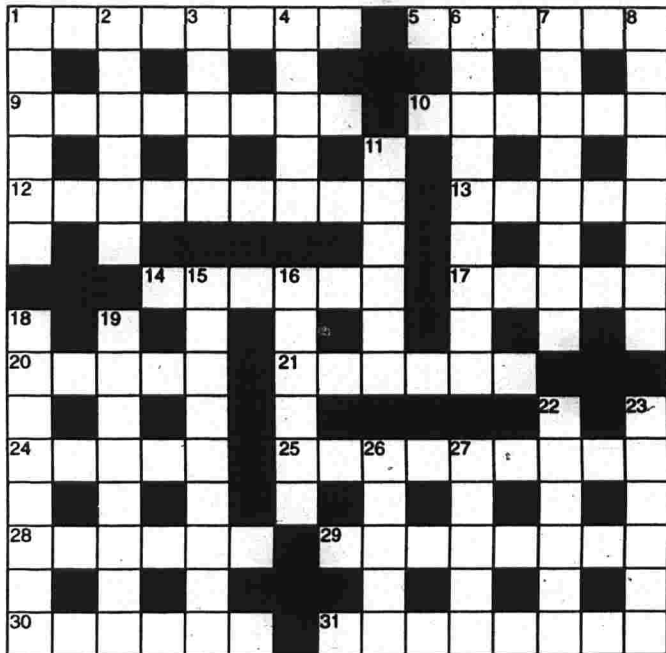

**A.** The bacteria that you have read about is called Listeria monocytogenes and it causes a disease called listeriosis. As you have read, you are among the group of people most at risk from catching listeriosis. Other people in that group would be the elderly who are debilitated and anyone whose resistance to infection is reduced, for example patients with AIDS, patients having chemotherapy or those on steroids. The Listeria bacteria can cause a flu-like illness, meningitis or miscarriage. Listeria is transmitted usually in food and is destroyed by cooking or by heat treatment. It can also be present in raw foods or foods that have not been cooked properly. It can also be spread from one food to another in the fridge if correct storage procedures are not followed. This can happen because the Listeria bacterium is resistant to cold temperatures and can grow in the fridge. Listeria is transmitted through the following foods: unpasteurised milk and unpasteurised milk products; soft cheeses and blue veined

cheeses; undercooked meats, poultry and pates; raw vegetables and sea foods. To avoid infection the following precautions should be taken; always buy food from a reliable source and check the best before and sell by dates. Avoid soft-ripened cheeses and pates and if they are in the fridge they should be wrapped and stored separately. Always wash raw fruit and vegetables well before eating. Always make sure than when you are heating up leftover food, convenience foods or ready-to-eat poultry that the food is piping hot and throw away any food that you have reheated more than once. Cooked food that is not eaten straight away should be cooled as rapidly as possible and then stored in a refrigerator. Cooked and raw foods should never be stored close together as this will encourage the transmission of Listeria from the raw food to the cooked food, cooked foods should be placed on a higher shelf than the raw food. Be sure that your fridge is working properly and that it is keeping the food really cold. Pasteurise or boil all milk. When using the microwave follow the manufacturers' instructions about standing times to make sure that the food reaches an even temperature before it's eaten and if your microwave doesn't have a turntable then you should stir food to make sure that it cooks evenly. The damage your baby will suffer depends on how far along in your pregnancy you are when you pick up Listeriosis. As I mentioned above, Listeria can cause miscarriage; this happens if you get Listeriosis in early pregnancy or if you are very ill with the disease. If you pick up Listeriosis in late pregnancy then the baby could be born with the disease. In new-born babies Listeriosis is a very serious disease and can kill. Careful attention to food hygiene and preparation will prevent this happening.

## HAIR REMOVAL Waxing

WAXING has become very popular in recent years. It is a quick and easy way of removing large amounts of hair with little discomfort. Leg waxing, under arm and bikini waxing are most popular. But waxing can also be done on the facial area and eyebrows. Warm or cool wax is usually used on large areas such as the legs. A very thin layer of wax is applied to the leg with a spatula in the direction of the hair growth. Then a fabric or paper strip is placed over the wax and rubbed so that the wax sticks to it. The fabric is then pulled up against the direction of hair growth and the hairs come with it. Usually after waxing an antiseptic soothing lotion is applied. The skin may appear red and blotchy for a few hours, so it is important not to put any body lotions on or have a hot bath until the following day. Bikini line, under arm and eyebrow waxing can be done in the same way. Sometimes hot wax is used on these areas. Hot wax is applied the same as warm wax only there is no need to use a fabric strip to remove the wax. The hot wax is simply allowed to cool and it is then pulled off against the direction of the hair growth. Allergies rarely occur from using wax. The regrowth of hair after waxing is usually fine ended and feels soft in texture. Waxing is relatively low in cost and is done in most beauty salons. It is an easy way of removing large amounts of hair quickly.

### Blackcurrant Cheesecakes

Preparation: 10 minutes + cooling  
Cooking: 5 minutes  
Serves 6

- 350g/12 oz cottage cheese
- 100g/4 oz cream cheese
- 50g/2 oz caster sugar
- grated rind and juice of 1 lemon
- 2 tsp powdered gelatine
- 150ml/1/4ot double cream
- 1 (214g/7 1/2 oz) can blackcurrants in fruit juice
- 1 tsp cornflour
- 1tbsp caster sugar
- sprigs of mint to decorate
- shortbread fingers to serve

**METHOD:** Press cottage cheese through a fine-holed sieve into a bowl. Beat in cream cheese, sugar and lemon rind and juice. Place 2 tbsps water in a small bowl. Sprinkle the gelatine over and leave for 5 minutes.

Place bowl in a pan of hot water and leave until gelatine dissolves. Cool slightly, then beat into the cheese mixture. Whip cream until it holds soft peaks. Carefully fold into the cheese mixture. Divide mixture between 6 small ramekin dishes until set. Strain the blackcurrants, reserving the fruit juice. In a small pan, blend a little of the juice with the cornflour. Add the remaining juice and 1 tbsp caster sugar. Cook, stirring, for 2 minutes until thickened. Allow to cool for 15 minutes. Spoon the blackcurrants over the cheesecakes. Cover with the thickened syrup. Chill until ready to serve. Decorate with mint and serve with shortbread fingers.

# DUNGARVAN ART GALLERY

A new concept and one that has been warmly welcomed by the local arts community is the recently opened **Dungarvan Art Gallery**, situated above **Paddy Foley's Bar in Grattan Square**.

The gallery is managed and owned by local artist Philip Duggan who was formerly based at a studio in Friary Street where he did paintings mainly on commission for the past two years.

Outlining his reasons for setting up an art gallery, Philip said that exhibitions usually take place in the town only once or twice a year. He felt

that a central location was needed where artists could exhibit their work all year round and people could drop in and view the original paintings and crafts on display.

Five weeks later and the Dungarvan Art Gallery has certainly justified the long hours put

**~ NOW OPEN ~**

in by Philip and the funding it received from the Waterford Development Partnership.

### WIDE VARIETY OF PAINTINGS

In the gallery is a huge variety of prints depicting beautiful local scenes by local and outside artists. There's an enormous range of subject matter and of prices and one can buy the most amazing things. What makes a visit to the gallery particularly interesting is seeing work by artists one hasn't heard of before. Up and coming artists aren't neglected and visitors can buy work by talented young Irish people. There's also a selection of scenic photographs, unframed and small prints to peruse.

The quality of artists work at the gallery shows the enormous potential, previously untapped that's available in the area. Philip's own paintings are also on display as well as his sketches of local historical interest.

Already a huge number of paintings have been sold and

Philip is working hard to keep the walls covered. Coming up to Christmas Philip intends to expand more into crafts and woodwork. The project has generated enormous interest with many tourists and locals alike dropping in to view the artists work.

### BACKGROUND

Well known in Dungarvan for his art work, Philip attended Dungarvan Technical College where he received great help and encouragement from the renowned artist Kieran Heffernan.

He gradually built up a reputation for hard work through his innovative Christmas frescoes which featured on nearly every shop window.

Besides running the art gallery, Philip is also well known for his murals and shop signs which he does on commission.

His murals were first noticed in 1988 when he painted murals for the very first Junior Cert. disco at Dungarvan Sports Centre. From there he started painting shop windows each Christmas until eventually he was on commission by the majority of local businesses.

By 1995 he had opened up a studio in Friary Street to cope with the huge demand for paintings and signs. For the last number of years, Philip has exhibited his work at each Dungarvan Soroptimist's Art Exhibition at Lawlor's Hotel which he said has always gone well.

Since leaving school, Philip has completed various courses in architectural drawing, an archaeology course with FAS, a City & Guilds course in building and a sales course.

PICTURED ABOVE IS THE INTERIOR OF THE DUNGARVAN ART GALLERY WHERE A WIDE RANGE OF PAINTINGS ARE ON DISPLAY.

### FEEL FREE TO DROP IN

Philip welcomes all local and outside artists to exhibit or sell their works at the gallery. Commission varies, depending on the price of each work and there is no fee to enter the exhibition. Feel free to drop in and talk to Philip about your own personal preferences.

Philip would like to thank all his sponsors who have advertised in this feature, Tom Keith for his great help and his customers, past and present

### OPENING HOURS

The art gallery is open six days a week, Monday to Wednesday 10 a.m. to 6 p.m. and Thursday to Saturday 10 a.m. to 8 p.m. Admission is free.

# CLASSIFIED ADVERTS.

## False Teachers

THE PEOPLE of the ancient town of Colosse were confused. They heard about secret knowledge that might save them, about mystical Oriental beliefs, and about human philosophies that seemed to solve the mysteries of life. Times haven't changed! We're hearing the same false ideas nearly 2,000 years later. The apostle Paul's answer to the Colossians still stands as the only solution: Only Jesus Christ can be our Saviour. He leads us from our old, sinful lives to a new, better way. Come learn about it at 7.30 p.m. tonight (Wed.) Disciples Bible Class, L&N Complex above car park, telephone 058-42963. We also meet at 10 a.m. Sunday. All welcome.

# † IN MEMORIAM †

**BURKE — Seventh Anniversary —** In loving memory of Mary Burke, late of Knockalara, Cappoquin, who died on September 8, 1990. R.I.P. Masses offered.

Nothing can dim the face we love,

The memory of your smile,  
The countless things you said and did,

To make our lives worthwhile;  
Missed in the morning of every day,

Missed in the evening as night slips away,

Missed in a thousand and one little things,

Around every corner a memory clings,  
Precious memories, tears unseen,

Wishing your absence was only a dream.

(Always remembered by your loving husband Michael, son David, daughters Ann and Helen, son-in-law Steve and your two little grandchildren Michael and Conor.)

**BURKE — Seventh Anniversary —** In loving memory of my dear sister, Mary Burke, late of Knockalara, Cappoquin, who died on September 8, 1990. R.I.P.

As down the road of memories,

We gently tread today,  
Our loving thoughts are with you,

As life goes on its way,  
Time may heal the heartaches,

Like the smile that hides the tears,

But happy memories keep you close,

Despite the passing years.

(Sadly missed by your loving sister Phil, Tom and family, also John and Uncle Paddy.)

**FOLEY — Second Anniversary —** In loving memory of a special sister Carmel Foley (née Power), Clashmore and Tramore, who died September 4, 1995, age 39 years.

Carmel, if you had spoken before you died,

These are the words you would have sighed,  
Goodbye my family, the time has passed,

My love for you will always last.

Grieve not for me but courage take,

And love one another for my sake,

As time goes by and you grow older,

My hand will rest on all your shoulders.

Don't be sad and weep for me,

Be happy my loved ones,  
When you think of me.

(With love — Breda and John.)

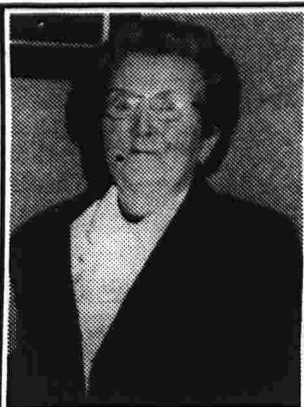

**FOLEY — Second Anniversary —** In loving memory of a Carmel Foley (née Power), Clashmore and Tramore, who died September 4, 1995.

Did the sun shine brighter than Carmel?

Was the sky more blue?  
Or was it just another world,

When we shared our lives with you.

(Love from niece Caitriona, nephews John-Paul, Diarmuid and Odhran.)

**CROTTY — Third Anniversary —** In loving memory of a dear wife and mother, Kitty, late of Lower Main Street, Cappoquin, who died on September 3, 1994. R.I.P.

We sat beside your bedside,  
Our hearts were crushed and sore,

We did our duty to the end,  
Til we could do no more.

In tears we watched you sinking,

We watched you fade away,  
And though our hearts were breaking,

We knew you could not stay.

You left behind some aching hearts,  
That loved you most sincere,

We never shall and never will,  
Forget you, Kitty dear.

God gave us the strength to bear it,

And the courage to fight the blow,

What it meant to lose you,  
God alone will ever know.

(Sadly missed, never forgotten, your loving husband Arthur, daughter Anna, grandchildren Deirdre and David.)

**HAVENS — Second Anniversary —** In loving memory of Christina Havens, late of 14, Childers Estate, Dungarvan, who died on September 3, 1995.

We lost a mother with a heart of gold,

How much we miss her can never be told,

She shared our troubles and helped us along,

If we follow her footsteps we will never go wrong.

(Always remembered by your daughter Biddy, sons Jimmy and Michael.)

**HAVENS — Second Anniversary —** In loving memory of my dear mother, Christina Havens, late of 14, Childers Estate, Dungarvan, who died on September 3, 1995.

Anniversary Mass on Saturday, September 6 in St. Mary's Parish Church at 7.30 p.m.

A mother's love is a blessing,  
A gift beyond compare,

You only know its meaning,  
When you find she is no longer there.

So hold her in your arms,  
Dear Lord,

Treasure her with care,  
For you have in your possession,

A mother beyond compare.

Will those who think of her today,

A little prayer to Jesus say.

(From your daughter Kathleen, son-in-law Dick and grandchildren.)

**FOLEY — Second Anniversary —** In loving memory of my dear wife, Carmel, late of Coolbagh, Clashmore, who died September 4, 1995.

Nothing can dim the face we love,

The memory of your smile,  
The countless things you said and did,

To make our lives worthwhile.

Missed in the morning of every day,

Missed in the evening as night slips away,

Missed in a thousand and one little things,

Around every corner a memory clings.

Precious memories, tears unseen,

Wishing your absence was only a dream,

Precious things are very few,

That's why there was only one of you.

As you were you will always be,

Very special in our memory.

(Sadly missed and forever in our thoughts, by your loving husband Redmond and sons Redmond Junior and Cormac.)

**HAVENS — Second Anniversary —** In loving memory of my dear mother, Christina Havens, late of 14, Childers Estate, Dungarvan, who died on September 3, 1995.

They say there is a reason,  
They say that time will heal,

But neither time or reason,  
Will change the way we feel.

For no one knows the heartache,

That lies behind our smiles,  
No one knows how many times,

We have broken down and cried.

We want to tell you something,

So there won't be any doubt,

You're so wonderful to think of,

But so hard to do without.

(From Peggy, Deck and family.)

**WADE — Twenty-second Anniversary —** In loving memory of our dear Dad, Danny, late of 9, Connolly Row, Dungarvan, who died September 3, 1975. Mass offered.

**HAVENS — Second Anniversary —** In loving memory of my dear mother, Christina Havens, late of 14, Childers Estate, Dungarvan who died on September 3, 1995.

We loved you Mam, dearly,  
The time you spent with us,

You were always there,  
When we wanted you,

And you never made a fuss.  
We respected you so very much,

To us you were the best,  
A mother and a special friend,

Until you were laid to rest.

We will think of you whenever we pray,

And ask God to look after you,

Until the day we meet again,  
We will treasure your memory true.

No need for words, we will never forget,

**MAHER — Twenty-second Anniversary —** In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

God came and stood beside your bed,

He took your hand and gently said,

You've suffered enough,  
more than you can stand,

You'll come with me to a better land.

You had a smile for everyone,

You had a heart of gold,  
You left the sweetest memories,

The world could ever hold.

**MAHER — Twenty-second Anniversary —** In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

God must have thought you special,

To take you the way He did,  
They say He only takes the best,

And this He surely did.

Look around Your garden,  
Lord,

For an angel with a smile,  
He won't be hard to recognise,

He must stand out a mile.

(From your loving son Liam, daughter-in-law Angela, granddaughter Annalee.)

**MAHER — Twenty-second Anniversary —** In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

Behind the gates of heaven,  
There is someone special there,

A dad we loved so dearly,  
A dad who will always care.

You gave us all you had to give,

Gifts both big and small,  
But most of all you gave us love,

The biggest gift of all.

The tears in our eyes we can wipe away,

But the pain in our hearts will always stay.

(From your loving daughter Noreen, son-in-law Richard, grandchildren Jason and Jessica.)

**MAHER — Twenty-second Anniversary —** In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

God chose to take my father,  
He wanted one so fine,

Oh God above, please tell me

Why it had to be mine.

To know him was to love him,

His kind and loving smile,  
To have him as my father,

Made everything worthwhile,  
No length of time will heal my grief,

My love for you is far too deep,  
With broken heart I whisper low,

God bless you, Dad, I miss you so.

(From your loving daughter Catherine and son Thomas.)

**MAHER — Twenty-second Anniversary —** In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

I know all my life I'll miss you,  
For you meant the world to me,

I have such great memories of you,  
That others cannot see.

They are mine to keep forever,

From which I'll never part,  
I'll hold them very close to me,

Locked deep within my heart.

In heaven one day I'll find you, Dad,

And all this hurt will go,  
I'll put my arms around you,

And say Dad, I've missed you so.

(From your loving daughter Mary, son-in-law Michael, grandchildren Kayleigh, Eoghan, Eadaoin.)

**MAHER — Twenty-second Anniversary —** In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

I seldom ask for miracles,  
Dad,

But today just one would do,  
To leave my door wide open,

And see you just walk through.

My heart still aches with sadness,

My eyes shed many a tear,  
God only knows how I miss you,

As it dawns another year.

A prayer, a Mass, are all I can give,

And those you shall have as long as I live.

(From your loving daughter Ursula, son-in-law David.)

**MAHER — Twenty-second Anniversary —** In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

Anniversary Mass in St. Augustine's Church, Abbeyside on Sunday, September 14, at 12 noon.

Like falling leaves the years go by,

But memories of you will never die.

Sunshine passes, shadows fall,

But memories of you outlast them all.

In the centre of God's garden,

There is someone special there,

That someone is my husband,

The best beyond compare.

Will those who think of him today,

A little prayer to Jesus say.

(From your loving wife Mary.)

**O'CONNOR — Fourth Anniversary —** In loving memory of Michael O'Connor, late of 17, Parks Road, Lismore, who died on September 4, 1993.

Those special years will not return,

When we were all together,  
But those loving memories within our hearts,

Will stay with us forever.

(Always remembered by his wife Kathleen and family at home and in England.)

There is someone special there,  
That someone is my mother,  
The best beyond compare.  
(From your loving daughter Margaret, husband Pat, Alaná, Erin and Patrick.)

**WHELAN** — Birthday Remembrance of John Whelan, 45, Cathal Brugha Place, Dungarvan on August 31.  
There is no night without a dawning,  
No winter without a spring,  
And beyond death's dark horizon,  
Our hearts once more will sing.  
For those who leave us for awhile,  
Have only gone away,  
Out of a restless world,  
Into a brighter day.  
(Remembered always by his son David, Mai and children.)

**POWER** — Birthday Remembrance of Jack Power, Kilrush Park, Dungarvan, on September 8.  
Your memory is precious and never grows old,  
It is locked in our hearts in letters of gold,  
Your presence we miss and memories we treasure,  
Missing you always, forgetting you never.  
Will those who think of him today,  
A little prayer to Jesus say.  
(Always in our thoughts — loving wife Bernie and family.)

## Hectic Weekend For Ballyduff Macra

On Saturday, August 30th we saw our Harvest Queen Martha Leamy representing the club and did the club proud or should I say two clubs ??  
Sunday, August 31st was a great success for Macra where we saw teams from all over the country and our National President, Tommy McGuire attended. Both ladies and gents teams put up a great performance throughout the day. Ballyduff had gents and ladies teams taking part. The ladies team proved a great team. Well done to Mary Kearney, Martha Leamy, Grainne Barry, Moira Scanlon, Moira Broderick and Mags Flynn.  
What can I say about the gents team. They couldn't quite pull it off but well done to Michael O'Donnell, John Leamy, John Scanlon, Martin Kenny, Michael Broderick, Pat Kenny, Liam Feeney, John Kenny on getting to the final. Thanks to all the teams who came to Ballyduff. Some teams had a long journey and to face into tug-o-war, it was not easy for them. Only for the teams coming we wouldn't have this competition. Thanks to the committee who put a lot of hard work into organising this event over the last three months, it paid off very well.  
That night the main attraction was the Baron and a big congratulations to Pat Kenny who became Baron of Ballyduff.  
**Engagement** — Congratulations to Carmel Casey and Dermot Flynn on their recent engagement.  
**Wedding Invitation** — The club has been invited to Paddy Ahern's afters of his wedding on Friday, September 5th in Springfield Hall, Mallow at 8 p.m.

## TOURIN G.A.A. CLUB NOTES

On Sunday evening last we went to the Sportsfield, Cappoquin for the replay against Melleray. We started well but with both defences on top, the forwards found it hard to score. Charlie Scanlon opened our account with a pointed free in the 7th min. and 5 mins. later rose the white flag again before Ken O'Donnell got our first point from play which left us trailing 3 pts. to 4 pts. at the break.

After a serious talking to at half-time which we needed, we came out for the second half and 10 mins. later a move which saw Charlie come to the half-line and Will Leahy to corner forward worked very well as Charlie fired over his third point followed by 2 pts. from William Leahy and Mike Scanlon, one from Darragh Wilkinson and one from J. D. Leahy and to finish off, a goal from Jimmy Collender straight out of the top drawer. The backs at this stage were clearing everything. Peter Scanlon in goal, James Dalton, Paul O'Keefe and Paddy Leahy in the full line were like a brick

wall. Outside them David Moore, John Fives and Eamonn McGrath cleared everything that was hit at them. Ken O'Donnell and J. D. Leahy were well on top at midfield. The forwards were moving well and wasted nothing. With the whole team playing well going into the final few minutes, we were never going to be caught this time. The final score was 1-10 to 7 pts.

Team: P. Scanlon, J. Dalton, P. O'Keefe, P. Leahy, D. Moore, J. Fives, E. McGrath, J. D. Leahy, Ken O'Donnell, D. Wilkinson, C. Scanlon, M. Scanlon, J. McGrath, J. Collender, W. Leahy, E. Hickey, B. Mernin, C. Wilkinson, B. Leahy.

Training for everyone on Tuesday and Thursday nights at 7.45 p.m.

Congratulations and best wishes to Kevin and Niamh on their recent wedding.

Tourin Field Day will be held at the G.A.A. Field on Sunday, September 7th at 2 p.m. With lots of fun for young and old all we need is the weather and you to make the day a great success.

## MELLERAY G.A.A. NOTES

### Junior Hurling Championship B Glen Rovers 0-7 Tourin 1-10

A good crowd gathered in Cappoquin to watch this semi-final replay. Tourin settled better and opened up an early lead. Glen Rovers finished the half stronger to take the lead and but for a disallowed goal (unlikely I thought) we would have had a bigger half-time lead.

We were always struggling to keep pace with Tourin in the second half and when they goaled midway through, our fate was sealed. This was a hard fought but fair game and I would like to take this opportunity to wish Tourin well for the remainder of the championship.

### IRISH DANCING CLASSES

Irish dancing classes will commence in St. Mary's Hall, Melleray on Monday evenings at 6 p.m. beginning on Monday next, September 8th. Newcomers welcome.

## AFFANE/CAPPOQUIN G.A.A. CLUB NOTES

# Under-16 Hurlers Capture County Title

CAPPOQUIN 1-7 CLONEA 0-7

Our under-16 hurlers captured the Under-16 Hurling B County title at Walsh Park, Waterford on August 23rd and they won it in great style. These young hurlers rose to the occasion and were never overawed by the mammoth task that faced them.

Clonea were raging favourites but how our lads responded to the challenge and in the process played a beautiful brand of hurling that excited and delighted everyone. Clonea were a good side but on the day Cappoquin played as a team and their first time hurling, laced with terrific combined play, brought the title back to the Cornerstone town for the second year in a row.

Hurling is a team game and our lads played as a team all through which was the basis of a great win. There were many candidates for man of the match but really the team must get the honours. - Verdict - Man of the match - Cappoquin under-16 hurlers.

Donal O'Rourke is fast becoming a great net minder, remember it was his third game on the trot without conceding a goal. Of course defence has to take credit. Stephen Landers at full-back was soundness personified and was flanked by two corner-backs, Paul Coffey and Kevin Looby who were so quick and tidy. This line was always alive to any dangerous Clonea attack.

Our half-backs of Brendan Scanlon, Shane Coughlan and Stephen Morrissey hurled a variety of opponents and never flinched their duties, always intercepting and clearing their lines with confidence. At midfield the combined efforts of Kevin Foley and Brian Coughlan gave us a pull in this sector. A great partnership, Kevin was under every ball and was rarely beaten and Brian was a real will o' the wisp with his clever ball skills.

Our half forward line of Liam McLoughlin, Michael Scanlon and Micheál Fraher worked hard, tackled well and kept the ball moving to our inside line. Richard Scanlon once again was a great captain. He led the attack with style and determination with corner men Justin Dalton and Colin Millea always in the thick of the action and Colin's goal was a real "D. J. Carey special".

Our scorers were R. Scanlon (0-3), M. Scanlon (0-3), C. Millea (1-0), L. McLoughlin (0-1).

Our panel throughout the campaign were all the

O'Rourke, P. Coffey, S. Landers, K. Looby, B. Scanlon, S. Coughlan, S. Morrissey, K. Foley, B. Coughlan, L. McLoughlin, M. Scanlon, M. Fraher, J. Dalton, R. Scanlon, C. Millea. Subs: B. Scanlon (Affane), S. Barry, S. Hogan, D. Sheehan, N. Hennessey, N. Lynch.

Following the game Richard Scanlon was presented with the Cup which was greeted by a crescendo of noise. Richard thanked his team mates for a great effort and was loud in his praise for trainer Mick Lacey and selectors Eddie Fraher, J. J. Scanlon, Billy Lee and Mick Murphy.

The team received a great welcome from everyone as the bus paraded through the town to the strains of "We Are The Champions". Flags were flying and crowds cheering. Team and officials were then treated to a meal at McLoughlins after which the team and mentors travelled to Affane Church to attend Mass on Thomas Scanlon's anniversary. It was a nice gesture from the team. Thomas Scanlon's name will forever be etched in our club never to be forgotten.

A disco was held for the victorious team at The Sportsmans and was thoroughly enjoyed by all.

**Double For Under-16's** — The hurlers victory provided the double as the lads had already won the under-16 championship football earlier in the year. Well done, lads.

**Well Done, Mick** — We salute Mick Lacey for once again training an underage team to county honours. It is fitting reward for a man who spends many long hours in the field with the young lads. Well done, Mick.

**Under-14 Football** — We play our first game in this championship next Monday night. We hope by then to have a few training sessions so we hope a full panel of players will attend. Eddie O'Shea will be in charge of training.

**Celebration Night** — We learn that our excellent Ladies Committee have met and are busily organising a celebration night for our victorious under-16 teams. These ladies are a great boost to our club and we certainly appreciate their efforts.

**Mass Lane Cup** — The battle for the renowned Mass Lane Cup took centre stage this week and the participants did not leave us down as we were treated to an exciting game.

The first half saw Kevin Looby's Reds take control

with Shane Ormonde, Timmy Looby, Paul Murray, Keith Landers giving their captain great assistance and led at half-time 1-2 to 0-1.

On the resumption they added a further two goals to increase their lead but then came the fightback. Brendan Scanlon gave his Blues side an injection of faith with great goals. Daniel Dransfield kept his side in it with some great saves. His counterpart in the Reds goal, Timmy was also in great form. The Reds tacked on a further point but David Sheehan answered with a goal. It was end to end stuff now and time was running out. Then Brendan Scanlon added on a point and then scored a cracking goal to level the match. The Reds made one final assault on the Blues goal but Eoin O'Donoghue who made some great clearances during the game was there again to repel the attack.

Referee Eddie Fraher blew the final whistle which was greeted by sighs, groans, relief you name it but maybe it was a fitting result. Anyway they both have a chance once again in the replay this week. The final score was 3-3 to 3-3.

Reds team: K Looby (capt.), S. Ormonde, T. Looby, K. Landers, P. McGrath, P. Murray, J. Cunningham, M. Murray, T. Curran, C. Wilkinson, M. Morrissey, D. McGrath.

Blues team: B. Scanlon (capt.), D. Sheehan, M. Gilligan, E. O'Donoghue, R. Wilkinson, K. O'Rourke, R. Hanrahan, M. Fraher, D. Dransfield, I. McLoughlin, P. Barry, D. Wilkinson, C. Heffernan.

**Great Help** — Just a word of thanks and praise to a few more people who gave great help to Mick Lacey and the mentors during the year. John O'Connor hardly missed a training session and was a real livewire, always available and ready with hurleys, sliotars, bibs etc.

Also Bridget Murray who was our First Aid Officer and a girl always available to assist in any way possible. It is these people who are the backbone of the club.

**Lotto** — Cappoquin G.A.A. Club Lotto. There was no winner of this week's Lotto draw in The Sportsman's Bar. This week's jackpot is £1,000 and the draw will take place in The Toby Jug at 9 p.m. sharp. All are welcome. The 3 consolation prizes of £10 each were won by Peter Scanlon, Killahala; Mick Henneby, Cappoquin; Anne Crowley, Ballynagard.

## SOUTH EAST CLASSIC

# Dungarvan MS Sponsored Cycle September 6th

### BIOGRAPHICAL NOTES ON OUR WONDERFUL VOLUNTEERS

**Martina Ryan** — Martina Ryan is one of the large Brickey contingent again in this year's cycle. A plucky cyclist with a big heart and will enjoy the challenge in this cycle.

**Dolores Coughlan** — The Cappoquin woman has a mighty engine and is well used to the long cycles. The "Pocket Rocket" as she is known in cycling circles, will chew up the many climbs in this year's cycle.

**Bernie Gooney** — Bernie is very cool on the bike and enjoyed last year's trip to Dublin. She has been training steadily over the last months and will be ready and able on the day.

**Mary O'Donnell** — Mary is one half of the 'terrible twins' along with her sister Anne. A veteran of many a cycle, she has been showing good form in the 'Credit Union Time Cycle' and will not be found wanting on the day. Mary is another tough Brickey woman.

**Anne O'Donnell** — Anne is cycling better than ever and has shown that the winter training pays dividends. A very tough competitor and along with her sister Mary, will test the courage of every other cyclist as they love big climbs.

**Breda Hogan** — A newcomer to the cycle she is leaving nothing to chance in her preparation. Her son Thomas who is an up and coming cyclist, will give her plenty of help and encouragement. Breda has been doing very well in the 'Credit Union Time Cycles' and will be ready on the day.

**Terry Keohane** — Well known Dungarvan business woman, another newcomer to the cycle and her jovial disposition will be a welcome addition to the cycle. Terry enjoys cycling and will undoubtedly enjoy this year's route.

**Tony Murray** — Hails from the Brickey valley, a very strong cyclist, he enjoys the sport and will be very able for the route. A newcomer to our cycle and we hope he enjoys the trip.

**Eamonn Doherty** — Another of the newcomers, but a very experienced and accomplished cyclist. His father and sisters are doing a magnificent job organising and running the 'Credit

Union Time Cycles' which have been a great help in preparing for the cycle. Eamon is a very outgoing lad and will enjoy the cycle immensely.

**Martin Veale** — The Abbeyside man is a veteran on the bike and is looking forward to the challenge which this cycle is offering and he will not be found wanting on the trip. Martin is a quiet man but enjoys the 'craic' none the less.

**Kevin Hubbard** — The South Tipp man is involved with the scouts in Cahir and is really looking forward to the cycle, very much an amateur cyclist, but with plenty of heart.

**Sean Deegan** — The first Dub to cycle and we welcome the man from the metropolis to our club, a very athletic man, an ex-rugby player and a very good cyclist, he resides outside Cahir.

**Rory Wyley** — Rory is the elder statesman of the cycle and has completed the Dublin cycle on two occasions — a great achievement for keeping fit and cycling. At 67 years he has no fear of the cycle ahead.

**Tony Ryan** — A veteran cyclist at this stage as he has completed three trips to Dublin, he is every bit as good a cyclist as he was a runner. He has a great mental toughness which will stand him on this cycle.

**Pat Enright** — The Cahir cyclist is a keen GAA player and enthusiast. His parents run a very successful pub in Cahir and as his little sister Caroline has MS, he will not

complete this cycle.

**Niall Carey** — Niall is a very quiet and determined cyclist, husband to branch secretary Susan Grey. He completed the trip to Dublin a few years back and will be equally determined on this cycle.

**John Treacy** — The Youghal man is a very experienced cyclist having been to Dublin on three occasions. We are glad to have him back for this cycle as his experience will be vital on the day. He runs a very successful courier and petrol business on the outskirts of Youghal.

**Pierce Casey** — Another good servant to the branch, completed the Dublin cycle on four occasions, a very solid cyclist who will enjoy every minute of the cycle and the scenery.

**Jerry Niland** — One of the great characters of the cycle, always full of wit and really enjoys the cycling, Jerry will encourage everybody on the day and will have the training put in on the Tipperary hills.

**Martin Kennedy** — Did the trip to Dublin last year, is a great set dancing enthusiast and dancer along with his wife Geraldine. Martin will love cycling through his home territory and will enjoy testing his Tipp colleagues.

**Liam Connors** — The Faha man is teak tough and is training for his trip to Vancouver at the moment. He will enjoy the change of climate and tempo when his returns. A great competitor and supporter of the cycle and has completed three

trips to Dublin previous to this.

**Derek Trumann** — A young man with a lot to live up to as his mother Josephine did the trip to Dublin last year. Derek is very fit as he is training with the Dungarvan minor hurling team and doing a fair amount of cycling as well. If he is any way as tough or committed as his mother this cycle will hold no fear for him and he will be back in Dungarvan for the celebrations.

**Mick Kelly** — Mick is a fitness fanatic and works as a fitness instructor in Rockwell. He enjoys running as well and will be very familiar with the cycle course and will enjoy the whole day.

**Mick Mackey** — Namesake of a former Limerick hurler, but Mick is a very proud Tipperary man and loves the 'set dancing' and traditional music. The cycle will be a great challenge to Mick but knowing the quiet determination of the south Tipp man he will be there at the end.

**Aidan Daly** — Along with Derek Trumann, he is the youngest cyclist this year. Aidan is very much an amateur cyclist and has picked a real gem of a cycle to make his debut. He has the added incentive in that his sister Anne O'Brien and his brother Kevin have in the past completed the Dublin cycle! So keep pushing that bike.

**Brian Fitzgerald** — A very accomplished cyclist and we are glad to have the Youghal man on board. Brian is fit and will relish every mile of this cycle and

his experience will be of great benefit on the day.

**Anthony O'Brien** — Like all Tipp men there is always some connection with hurling. Anthony is a hurley maker and his late father John Joe was known far and wide for his hurley making. Well used to cycling and keeping fit, he is another welcome addition to this year's cycle and we hope he will enjoy it.

**Paddy O'Donnell** — Bachelor Paddy is a well known farmer in south Tipp and keeps himself in very good shape. I am sure Paddy will cast a good eye over the ladies in the cycle and be more than willing to help them along the road. A keen cyclist and a good athlete, the trip will hold no fears for him.

**John O'Brien** — Another veteran of the Dublin cycles, returned to the bike for a very successful 'Credit Union Time Cycles' and is training away steadily. John is looking forward to enjoying another good day on the bike.

**Kevin Daly** — The elder of the Daly brothers in this year's cycle, Kevin completed the Dublin trip a few years back and word has it he is doing a lot of training for this one. A quiet fellow but with a steely determination and will not be found wanting on the day.

**Dermot Maguire** — Dermot hails from the Cahir area and is a keen runner as well as cyclist. A newcomer to the cycle and he has the necessary attributes to complete the cycle with flying colours.

colours.

**Tom Aherne** — Tom puts the all Munster aspect to the cycle as he hails from Kilmallock, Co. Limerick. Tom does quite a bit of cycling and will be very welcome on the day.

**Geoff Landers** — Like all Bansha men he is made of tough stuff, he works with SAP and plants all the beautiful trees and shrubs on the by-pass roads. He is involved with the GAA in the area and I am sure they will not be found wanting in relation to sponsorship for Geoff. He will enjoy the 'craic' on the day and night.

**Joe Flaherty** — Works in the local Urban Council offices, a good man to know if you get a parking ticket! This is Joe's first cycle and with his jolly disposition will add to the atmosphere. Keep those pedals pumping, Joe!

**Kevin Forde** — Originally from Newmarket and now resident in Abbeyside, Kevin knows about bikes as he works in the Carrick bicycle factory. A very quiet fellow but gritty, and a good cyclist, he will enjoy the trip.

**Pat Fitzgerald** — Has a big task to emulate the Ballysaggart men who completed the Dublin cycle on two occasions, but I am sure that Pat Veale and Mick Clancy will give every encouragement to Pat and ensure the hat-trick for the Ballysaggart men. Pat enjoys playing soccer and likes to keep himself in good shape. We'll see you

complete the cycle with flying colours on September 6th 1997.

## SLIABH gCUA/ST. MARY'S G.A.A. CLUB NOTES

# WESTERN FINAL ENDS ALL SQUARE

Last Wednesday evening the 13-a-side Grade C western under-16 hurling final between Naomh Bríd and Ballyduff in Lismore ended all square.

On the night Naomh Bríd were slightly the better of the two sides but for some reason the sliotar failed to go between the posts when most wanted to. In the first half Ballyduff took a goal-bound shot off the line and in the second half Colm Geary saw many of his frees either go wide or fall into a Ballyduff hand. The best score of the night came in the last minute of normal time when Adrian Lonergan sent a huge clearance into the forward line where Paul Gleeson and Walter O'Grady worked hard drawing their markers into the corner and then along the ground to send an inch perfect shot to John Ahearne who gave the 'keeper no chance to tie up the scores.

Naomh Bríd had several good performers on the night but none compared with Patrick Organ who was outstanding in goal in everything he did.

Team: Patrick Organ, Mike Tobin, Denis Coffey, John Ahearne, Walter O'Grady, Jimmy Buckley, Sean Dempsey, Aidan Dalton, Colm Geary (0-4), John Ahearne (1-1), Patrick Coffey, Adrian Lonergan, David O'Donovan. Subs: Colin and Paul Gleeson.

## UNDERAGE RACQUETBALL NOTES

**STARS OF THE FUTURE** — This week we feature both Frank Woods and Niamh Coffey.

Name: Frank Woods, Age: 11, Favourite Sports: Racquetball and Soccer, Favourite Players: Ian Wright and David Seaman, Favourite T.V. Programmes: James Bond and Robin Hood, Ambition: To win a Munster or All-Ireland racquetball medal.

Frank's first tournament was this year's Summer League. He entered into the under-12 Division 2 section and after 6 games he remained unbeaten and he proved to be a very popular winner. Frank practices every day and is very eager to learn the game. He has also played in the local indoor sports tournaments in which he proved to be a very promising goalkeeper.

Name: Niamh Coffey; Age: 11; Favourite Sports: Racquetball, Hurling and Soccer; Favourite Players: Christy Slattery, D. J.

Carey, Michelle Smith de Bruin, Susan Smith and Ken Doherty; Favourite T.V. Programme: Eastenders and The Bill; Ambition: To win an All-Ireland racquetball medal and to play camogie for Waterford.

In the recent under-13 Division 1 Girls Summer League, Niamh had some superb performances to finish in 3rd place. She was one of the youngest players in this section and she is still under 12 next year, so it could be a very successful year for her.

Niamh is also a very promising camogie player and she is improving greatly under the guidance of Declan Fitzpatrick and Peter Power. Niamh has also been very prominent on the athletics scene in which she holds many club and school medals. She holds a county cross country silver individual medal. Niamh has also won many prizes in the local Mixed Leagues and Indoor Soccer

Tournaments. This is a player that you are sure to hear a lot more about in future years.

## POWER BROTHERS PRODUCE A CLASSIC

The second round of the Autumn Team League produced an absolute classic match between Seamus and Willie Power. As expected Seamus won the first game by 15-6. The second game saw Willie produce a brilliant individual performance to level the match at a game each with a 15-10 victory. The tiebreaker was a superb spectacle and it was score for score up to 8-8. Seamus then got a lucky break and recorded an 11-8 victory. The never say die attitude was brilliant to watch as both players chased down every shot. Hopefully we will see a few more of these matches before the end of the league. The best girls match was between Mairead Hickey and Julia Walton. Mairead was in awesome form as she won in two straight games. Full credit must also go to Julia for her performance as she produced some excellent shots and made Mairead work for every score. Another impressive performance was that of Maria Gleeson who showed great improvement against Marie Coffey. Darren O'Connor produced one of his best performances to date when he beat Colm Geary by 2 games to 1. Last week's results were as follows -

Team A v Team E - Gillian Gleeson 0 Sharon O'Connor 2 (4-13, 3-15), Paul Gleeson 2 James Cliffe 0 (15-13, 15-10), Amanda McCarthy 0 Aoife Hickey 2 (0-15, 2-15), Aidan Hickey 2 Robbie Power 0 (15-6, 15-1).

Team B v Team G - Seamus Power 2 Willie Power 1

(15-6, 10-15, 11-8), Maria Gleeson 0 Marie Coffey 2 (0-15, 8-15), Claire Dalton 0 Fiona Gleeson 2 (walkover).

Team D v Team F - Colm Geary 1 Darren O'Connor 2 (15-3, 11-15, 2-11), Julia Walton 0 Mairead Hickey 2 (1-15, 3-15), Michelle Gleeson 0 Niamh Coffey 2 (Walkover 0-15, 0-15), Shane Hickey 2 Pat Murphy 0 (15-0, 15-3), Fiona Walsh 2 Tara Skehan 0 (walkover 15-0, 15-0), David Flynn 0 Richard Flynn 2 (3-15, 11-15).

The league table is as follows (teams represented by capt.'s name) -

1. John Myles 13 pts., 2. Colin Gleeson 10 pts., 3. Gillian Gleeson 10 pts., 4. Seamus Power 10 pts., 5. Colm Geary 9 pts., 6. Mairead Hickey 8 pts., 7. Jean Dunford 6 pts.

**GET WELL SOON** — The club wishes a speedy recovery to J. J. Coffey who is currently hospitalised in Ardkeen. J. J. is one of the club's most promising players. Hopefully it won't be long before he'll be back in action again.

**TONY FORRISTAL TOURNAMENT** — The club would like to congratulate both Denis Coffey and Colm Geary on representing Waterford in the Tony Forristal Tournament last weekend. Denis played at wing back against Offaly, Galway and Kilkenny. Colm scored two top class points against Kilkenny. Other locals playing were John Wall and Willie Kiely of Colligan. Waterford's Player of the Tournament would have to be Fourmilewater's Shane Walsh who was outstanding in all three games.

## WEDDING BELLS

Congratulations to Ger Connors, Ballinagulkee, Ballinamult and Catherine O'Sullivan, Graigue, Clogheen who were married on Saturday last in Clogheen. Reception was in Cahir House Hotel and the honeymoon is being spent in Boston, U.S.A. We wish Ger and Catherine many happy years of wedded bliss.

**SYMPATHY** — We extend deepest sympathy to Pat and Kitty Hickey, Ballinakill, Ballinamult on the tragic death of their son, Paul-over the weekend.

**COUNTY SHIRT** — Congratulations to Colm Geary and Denis Coffey who played for Waterford in the Tony Forristal Tournament over the weekend. Unfortunately for John Ahearne, he had to pull out as it clashed with the Community Games Finals.

Hopefully it will be the start of a long career in a Waterford shirt for the boys and that they will be joined by more of Naomh Bríd's players.

**BEST OF LUCK** — We wish the best of luck to the Na Déise girls on the County under-16 football team in the All-Ireland on Saturday.

**GOING FOR 5TH MEDAL** — We wish the best of luck to Olivia Condon who, in the next few weeks, will be bidding for a fifth senior All-Ireland medal against Monaghan in Croke Park.

# Waterford Athletes Win National Community Games Titles

Waterford athletes maintained the county's proud tradition of successes at the National Community Games Athletic finals in Mosney last weekend, winning two titles in total and bringing home six All-Ireland medals overall.

EIBHLÍS AHEARNE

**SPRINT STAR!**  
Touraneena girl Eibhlís Ahearne continued her All-Ireland title haul this season with a terrific win in the girls u/16 100 metres final.

There is no doubt but she and her clubmate Niamh Cummins are the juvenile stars of the current season, with Eibhlís's sprinting ability set to give her a very successful athletic career in the year's ahead.

This year, Eibhlís has now tasted All-Ireland success at colleges, BLOE and Community Games, as well as representing her country at international level. You can't better that!

### TOM'S TITLE

In the Boys Under-17 Marathon, Thomas Bennett from Ballysaggart followed a list of previous winners from Waterford including Philip Harty, Mark Radley and John Treacy when he achieved a well deserved win. Tom had his eyes set on this race all year and his determination was duly rewarded after he led from the start to win by over thirty metres. The West Waterford AC runner has come a long way in a short time and his victory should give him

the confidence to aim for further success at national level.

### TEAM MEDALS

The Waterford team of Tom Bennett, Michael Barrett and Robert Wade were anxious to give a good account of themselves in Mosney and they delivered in style when winning the silver medals from the fancied Dublin team. Michael Barrett from Ballinameela started very well and he held his position throughout to finish in a fine ninth position. The youngest member of the squad, Robert Wade, from Portlaw was a most valuable team member and in finishing in 25th position after a great run he guaranteed the silver medals for the Deise team.

THOMAS BENNETT

### WILLIAM WINS SILVER

Waterford's sixth All-Ireland medal was won by William Harty from Ballinamult in the under-14 800 metres. William, who has enjoyed great success in the past few months, won his semi-final on the Saturday and despite being hemmed in during the final on the Sunday he recovered well to win the silver medal.

The distance may have been too short for him but he still showed he has good speed over the two lap race.

Well done to the above runners and to all the athletes from Waterford who represented their county to the best of their ability last weekend.

## PHELAN CUP

# Impressive Kilrossanty In A Mean Mood

### KILROSSANTY 1-10 ST. SAVIOURS 0-4

St. Saviours, minus the services of Albert Healy and Brian Arrigan from their championship team but boosted by the return of County Player Michael O'Brien, had no answer to the hunger and skill of Kilrossanty at the Bonmahon venue on Thursday evening last. Kilrossanty had 7 changes in personnel from the Nire game and they took this game by the scruff of the neck from the start. Colin Dee pointed a 30m free after 1 min. followed by a Jacko Kiely point after 7 mins. Sean Horan had Saviours first score after 13 mins. Kilrossanty had the next two scores by Brian Lennon and Colin Dee. Tony Corcoran and Brian Kirwan exchanged points from frees to leave the half-time score in favour of Kilrossanty by 5 pts. to 2 pts.

Kilrossanty drew first blood in the second half when Colin Dee kicked a great point from 40m. Niall Kirwan had another point in the 4th min. Brian Kirwan made it 8 pts. to 2 in the 7th min. Colin Dee, again in the 10th min., had a fine point. Eoin Hartery had Saviours first score of the half in the 12th min. Niall Kirwan had the only major score of the game in the 14th min. when he finished a fine move to the net 1-9 to 0-3. Tony Corcoran from a free in the 16th min. had Saviours last score from a free. "Kilrossanty had some bad wides in the second half (10 in total). Saviours failed to register a single wide in this half which is testimony to Kilrossanty's supremacy over the citymen. Kevin Lonergan, Darrell Donnelly and Tom Prendergast were a rock solid full-back line. Brian Lennon, Seamus Veale and Jason Kirwan were an attacking half-back line. At midfield Dermot Kiely and Kieran Whelan enjoyed total domination. Saviours had no answer to Kiely's height and strength or the powerful running of Whelan. Up front Colin Dee, Bryan Kirwan, Jack Kiely, Niall Kirwan and Eamon Flynn worked together as an impressive unit. For Saviours Albert Power, Mark Corcoran, Eoin Hartery, Michael O'Brien, Tony

Corcoran and Sean Horan tried hard.

**Kilrossanty** — A. Kirwan, K. Lonergan, D. Donnelly, T. Prendergast, J. Kirwan, S. Veale, B. Lennon, D. Kiely, K. Whelan, E. Flynn, B. Kirwan, C. Dee, N. Kirwan, J. Kiely, J. Maher. Sub: P. Prendergast for J. Maher.

**St. Saviours** — B. Power, A. Jacob, A. Power, L. Reynolds, M. O'Brien, M. Corcoran, P. Houlihan, S. Horan, S. Walsh, E. Hartery, T. Corcoran, A. Higgins, C. Murphy, D. Wyse, D. Murphy. Sub: B. Brophy.

## Shamrocks G.A.A. Club Notes

### JUNIOR HURLING WESTERN CHAMPIONSHIP 1st ROUND

On Wednesday evening of last week at Tallow, our second string were well beaten by a strong Lismore side on the score 6-13 to 0-8. It was a great tribute to a small club like ours to be able to field a second team in the championship and our thanks to those who turned out on Wednesday and tried their best against strong opposition.

### INTERMEDIATE WESTERN HURLING CHAMPIONSHIP

On next Sunday evening we will face Ring in the semi-final at Cappoquin and are hoping to turn the tables as we were beaten by the same opposition last year. At the moment none of our players are trying to shake off injuries but hopefully on Sunday we will have a fully fit team and wish them the best of luck. The game will commence at 6.30 p.m. and all players are requested to be at the venue not later than 6 p.m.

### JUVENILE FOOTBALL WESTERN CHAMPIONSHIP

Our under-14's will be in action on next Monday evening against Ballyduff in the 1st round at Knockanore and we will be looking forward to a good display in this one.

# Touraneena Athletics News

Two of the three individual medals won by Waterford at last weekend's National Finals of the Community Games held in Mosney came to the Touraneena area.

Eibhlís Ahearne had an impressive win taking the gold medal in the girls under-16 100m. Leaving the rest of the field behind after 70m she showed her strength and ability and crossed the finish line well ahead of the girl from Kerry with Donegal taking the third position.

William Harty also had a brilliant run in the final of the boys under-14 800m finishing in second position and taking the silver medal for Waterford. William, having got 'boxed in' at the start of the race had to drop back several positions in order to get to the outside and make his way to the front of the field. With 120m to go he was in fourth position and battling hard up the final straight, showing strength and determination he passed all but the

boy from Westmeath and finished second with Kerry coming in third.

A just reward for these two athletes who have been very dedicated to their sport over the last few years and who have trained very hard.

Well done also to David McCarthy and Seamus Power who competed very well but didn't 'make the medals' this year. Both boys will be able to compete in the same age group again next year and so would be in with a better chance. Also well done to John and Eibhlís Ahearne who were members of the under-15 Mixed Relay team who reached the semi-final. Fiona Walsh was a sub on this team. John Ahearne also competed in the boys under-14 100m but was unlucky not to have got to the semi-final finishing in fourth position.

Congratulations also to Thomas Bennett of Ballysaggart in taking the Gold medal in the boys under-17 marathon and in doing so led his team to take the Silver medal.

## RED HOUSE LEAGUE DRAW

All clubs so far have reported excellent ticket sales with many clubs exceeding their original estimate. This is further good news for our league and for all our clubs who could be in for a major

financial windfall. We have seen many clubs purchase their own property or even develop their own grounds recently and most clubs will be able to avail of the income from the draw to realise their ambitions. All Red House League supporters should be aware of the importance of this draw and with only three weeks to go to our first big night, a final push is now underway to sell the last few tickets. All tickets and money must be returned to the Red House League Committee not later than Monday, September 15th at our next meeting. ## East Cork/West Waterford Schoolboys Soccer League

### GARY AHERNE UNDER-10 CUP FINAL

## Cup Joy For Valley Rangers

Valley Rangers 1 Brideview Utd. 1 (Valley Win 5-4 On Penalties)

For the second successive week Brideview Utd. lost a Cup Final on penalties. Valley Rangers were favourites to win this match but Utd.'s determination prevented Rangers from stamping their authority on the game. Both sides served up a thrilling encounter which failed to produce a goal in a magnificent first half.

Valley opened the scoring 5 mins. into the second period but from then on Brideview were camped in Valley's half of the field. With less than 5 mins. to go, Utd. were rewarded with a deserving equaliser and in fact could have won the game in the final minute but were out of luck. Once again we had to face the prospect of a penalty shootout and once again the standard was very high with 9 out of 10 kicks being converted and Valley coming out on top.

It must be said that this game was probably the best of the season so far and provided plenty of entertainment throughout. Once more we have to commiserate with Brideview but congratulations to Valley Rangers.

Referee: Tommy Sullivan.

### UNDER-12 LEAGUE Ardmore 1 Inch 0

A goal midway through the second half was all that separated these two teams after a very close encounter.

### KENNEALLY BOYS DOING VERY WELL

Sean and Stephen Kenneally of Youghal are both doing exceptionally well at Millwall. Both lads set off last week for a 10 day trial and in their first game they played in midfield for Millwall against Charlton, a game they won 3-1. They have also been training full-time with the youths and the first team and have gone to several matches in London. Mick Flanagan has been very impressed with the two Youghal players and hopes are high that the lads might be offered a contract. We wish both Sean and Stephen all the best for the remainder of their trial in Millwall.

### NEXT MEETING

The next schoolboy meeting will take place on Monday, September 22nd at 9 p.m. in the Devonshire Hotel, Tallow. All clubs must have all their players registered by this date and fees paid.

## DUNGARVAN UTD. A.F.C. NOTES

### RESULTS

Division 3A - Dungarvan 1 Seaview 4.

### FIXTURES

Sunday, September 7th Premier - Carrick v Dungarvan at 11.30 a.m.

Division 2A - Johnville v Dungarvan at 11.30 a.m.

### SEASON ON HOLD AGAIN

Both our Premier and 2A sides once again failed to get their season started last weekend with the weather this time being the enemy. Severe flooding and torrential rain fell all Sunday morning and this resulted in pitches being unplayable for one reason or another.

Our 3A side did manage to get their season underway on Saturday last when they went down by a 4-1 scoreline against a very strong Seaview side, Mark Coles getting the goal for the lads.

Next week hopefully sees our Premier and 2A sides play their first league fixtures on Sunday morning. Both sides are away with our Premier side facing Carrick and our 2A side visiting Johnville. Our 3A side have no fixture this weekend.

### YANKEE DOODLE

## ABBEYSIDE A.F.C. NOTES

### DIVISION 4B LEAGUE

## Dee Hits Three

### ABBEYSIDE 6 MOONCOIN 2

Abbeyside started the season away to a very physical Mooncoin on Saturday, but managed a very good victory. At the back we were solid with Pat Walsh impressive at sweeper. We held our own in midfield but suffered in the second half from lack of fitness. Up front Eddie Dee was very sharp bagging a superb hat-trick, ably assisted by Dave Morrissey chipping in with two. The sixth goal was scored by Jim Mulhearn. When introduced Timmy O'Dea played well.

All in all a great start and with a little more fitness, this team will do very well.

Abbeyside - T. Walsh (capt.) B. Keohan, P. Walsh, T. Reynolds, C. O'Connor, K. Moore, J. Mulhearn, J. Kyne, D. Hayes, E. Dee, D. Morrissey. Sub. - T. O'Dea.

DIVISION 2B LEAGUE

# Ballinroad Open Their Season With A Flourish

**BALLINROAD 5 FERRYBANK 1**

Ballinroad opened their season with a resounding victory over a poor Ferrybank side. On a perfect day for football, the home side were quickly into their stride when Neilly O'Connor sent Maurice Tobin through and he made no mistake from close range. Even at this early stage Ferrybank were being outplayed throughout the field and when Vincent Tobin put Kieran Hallahan clear in the 15th minute he rattled the net to put Ballinroad firmly in the driving seat.

To be fair to Ferrybank they came more into the game and went close on a number of occasions.

The second half was one-way traffic as Ballinroad continued to dominate and Kieran Hallahan raced clear in the 55th minute to score a fine individual goal. Fergal Fraher set up Neilly O'Connor in the 60th minute and he scored to crown a fine display on his return to the club. Vinny

Tobin beat the offside trap in the 75th minute to put the gloss on a fine display. Ferrybank pulled a consolation goal back in the 80th minute but on the day they had no answer to Ballinroad's power.

While this was a good display by Ballinroad a lot of work has to be done in terms of physical fitness.

**SEAVIEW CO-OP DRAW**

Tickets for the above draw will be on sale from next week and all players are expected to make a major effort to sell our usual quota of 400 tickets.

**JOHN FRAHER TOURNAMENT**

**Semi final result —** Kilmachthomas 5 Abbeyside 0. The final between Kilmachthomas and Ballinroad is expected to take place this weekend.

**SYMPATHY**

The club offers its condolences to Don Shiel on the death of his father in Clonmel.

Overall we have to be pleased with the standard of football we played and this team will have a good season with some more work.

### GARETH TAYLOR MEMORIAL TROPHY

Fri/Sun. Aug. 29/31, 36 hole stroke — Last weekend despite the inclement weather conditions, our members turned out in numbers to compete for this new trophy which was presented to the club by the Taylor family in memory of their son Gareth who was tragically killed in a road accident last November.

Setting the early pace on Friday evening was Paul Lenihan who scored a magnificent nett 61 followed by Martin Murray with a nett 65, with a bunch of players

on nett 68s and 69s.

However the weather conditions on Sunday were to prove costly for the first round leaders who found the going tough, with the two White brothers from Dunhill (John and Tom) emerging from the chasing pack to record a nett 66 and a nett 70 respectively on the day to win 1st and 2nd respectively overall.

Well done to all who participated and who braved the elements over the weekend.

On behalf of Gold Coast Golf Club may we say a special word of thanks to the Taylor family for presenting this beautiful perpetual trophy to our club and in doing so ensuring to preserve the pleasant memories that we all have of their beloved son Gareth.

The prizewinners in detail as follows — winner, John White (16) 134 nett; 2nd, Tom white (17) 139 nett;

# West Waterford Golf Club

## A DAY TO REMEMBER

# Honours The Late Eddie Hackett

On Friday last, August 29th West Waterford Golf Club celebrated the life and work of Golf Course Architect, the late Eddie Hackett. Visitors from the four corners of Ireland, together with members of the Hackett family joined in the celebration of this remarkable man who has become a legend in his time.

In his earlier years, Eddie Hackett suffered from a series of severe illnesses which cut short a promising career as a golf professional. In those days Eddie played off a handicap of +2 in Portmarnock. After a short spell of emigration Eddie returned to Ireland and travelled around the country giving lessons to promising young golfers. It was then that Bill Menton of G.U.I. persuaded Eddie to try his hand at golf course design and so began the career that we celebrate at this time. Just to mention some of his outstanding creations - Waterville, Murvagh, Co. Donegal, Enniscrone, Connemara, all of which are links courses but some of Eddie's finest works are parkland like Malahide and of course West Waterford which was his 100th creation.

At the unveiling ceremony, the captain Billy Nugent welcomed everyone to this auspicious occasion. He introduced Mr. Bernie Hynes who spoke on behalf of the Golfing Union of Ireland. He recalled seeing Eddie

playing in the 1940's when he was in such awe of the man that he received his autograph. He later worked with Eddie when he designed Carrick-On-Suir Golf Club.

The Club Honorary Secretary Pat Murphy spoke on behalf of West Waterford Golf Club and his association with the great man in a very fitting and moving tribute which finished up with the following -

Eddie Hackett gave his life to golf and no Irishman has left no greater legacy to the game. A caring, kindly man, he will be remembered with great affection by all who are privileged to know and work with him. His daughter Janet performed the unveiling ceremony and went on to thank West Waterford Golf Club and especially the Spratt family for their thought and courtesy on this very memorable occasion. In a wonderful gesture the Hackett family presented a magnificent silver trophy to be known as the Eddie Hackett Memorial Cup.

Over 40 clubs were represented on the day and Mr.

Representative, Nora Spratt, Frank Walsh, President W.W.G.C., John Purcell (son-in-law), Frances Carroll, Lady Captain W.W.G.C., Ronan O'Sullivan (grandson), Janet O'Sullivan, Edwina Hamill and Diane Purcell (daughters), Billy Nugent, Captain W.W.G.C., Pat Murphy, Secretary W.W.G.C. and Pat Spratt.

Hugh O'Connor from Murvagh made a presentation on behalf of Donegal Town Golf Club. The day was rounded off with a reception in the clubhouse and entertainment and no doubt no small amount of reminiscing.

# Youghal Round The Houses Race

## A PROUD TRADITION

**JOHN KEARNEY**  
Winner

The long and proud tradition of Round the Houses road running in Youghal was maintained in style last week when ninety five athletes toed the starting line for the annual four miles event. Part of the tradition has been the participation of runners from the Waterford side of Youghal Bridge and this year was no different with a total of twenty two athletes taking part.

The Youghal event brings with it a rare atmosphere around the narrow streets of the town with the crowds coming out in the numbers to cheer on the runners. The race is held over three fast and flat laps of the one-way traffic system which lends itself to some very fast running as was the case on this occasion.

From the moment Hon. Starter Dan McCarthy fired his starting pistol the pace of the race was tremendous with no let up and responsible in a large way for this were West Waterford junior runners Tom Bennett, Philip Harty and Michael Barrett. They threw down the gauntlet to the senior runners and while they were gradually dropped from the leading bunch they were setting down their markers for the future.

**MARTIN DRAKE**  
Youghal - 2nd

The latter stages of the race were dominated by John Kearney (East Cork) who was the only runner to dip under twenty minutes when scoring a fine victory in 19.53. The Hilltop Hotel's Martin Drake was once again the leading local and he ran a solid race throughout to finish second in 20 mins. and 02. secs. In fact Martin finished very strong to close a big gap in the last mile to nine seconds at the finish. It speaks volumes for his efforts that he was thirty nine seconds ahead of Tipperary's Pat Heffernan, the second time that he finished ahead of the St. Catherine's runner this summer. The first West Waterford runner to finish was Philip Harty who figured among the senior prizes when finishing fifth overall. Philip has once again established himself as the leading local and it will be difficult to remove him from this position.

### LADIES RACE

**MARY SWEENEY**  
Ladies Winner

The ladies race was once again a personal triumph for Youghal born Mary Sweeney (nee Dempsey). A very seasoned campaigner, Mary is a great competitor and she is still running times that many of her male counterparts would like to record. Representing Youghal she was the first lady to win the Ballycotton five miles in 1979. She has run the Bally-

cotton Ten in the hour and she is currently running six minute miles as her finishing time of 24.06 for the four miles in Youghal shows. Helen O'Callaghan (East Cork) was second with a back to form Rebecca Harty (West Waterford) third in 28.16.

**FRANK CASHMAN**  
Vets Winner

### STRONG JUNIORS

The West Waterford runners supplied ten of the first two dozen finishers. Four of their first five were juniors which is a healthy sign. Tom Bennett added to his junior wins in Tramore and in Ballygarry with William Harty in second spot. Alan Ryan once again impressed when finishing in tenth place just two seconds behind Tom Bennett while a back in action Gerry Cantwell also ran well and he has a number of local runners to aim for in the races ahead.

### FRED WALSH WINS

One of the most emphatic winners of the night was Youghal runner Fred Walsh who won the over 50 category in a fast 22 mins. 28 secs. and seventeenth overall. Fred is currently enjoying a very successful season and he is poised for a top three placing when the Ger Wyley Summer Series concludes in Ardmore this Friday.

The over 45 race resulted in a win for Frank Cashman (East Cork) in 21 mins. 54 secs. with West Waterford's Michael Roche continuing his recent good form with a second placing of 22.04.

### WEST WATERFORD PIP EAST CORK IN THRILLER

The Inter Club race was an example of all that's best in team running with the host club East Cork and West Waterford battling it out for first place. East Cork were

placed 6th, 7th and 22nd and West Waterford were 10th, 12th and 13th which resulted in a draw. Victory went to the West Waterford team as their third runner finished before his East Cork counterpart. Their cause was further helped by the running of Michael Roche, Gerry Cantwell, Michael Barrett and Anthony Harty all of whom finished ahead of East Cork's third man Tim Twomey (sorry Tim!) The West Waterford 'B' team of Gerry Cantwell, Michael Barrett and Anthony Harty filled third position.

### INTER FIRM TEAMS

A novel race category saw the Power Products team of Hugh Recour, Dave Healy and Maurice Fitzgerald defeat the Central Star trio of Paudie McCarthy, Barty Murphy and Paul Fitzgerald by eleven points with Hormann Electronics in third spot.

### PRESENTATION OF PRIZES

The race video was shown in Noel and Kay Mackay's The Central Bar who were the main race sponsors. Following the presentation of prizes the proceeds from the race were donated to the Youghal Hospice Fund. The athletes were earlier treated to refreshments in the Community Centre and all in all that's what the race was, a good community effort with the future of the Youghal Round The Houses Road Race still very much on track.

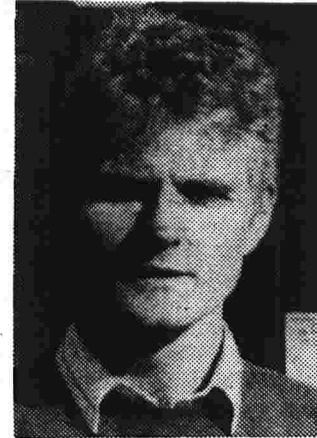

**BARTY MURPHY**  
Youghal

## ATHLETICS

## BY RACE LEADER

# 2nd Annual Ardmore Race This Friday

This Friday, September 5, sees the staging of the second annual Ardmore five miles road which will start from near the Round Tower Hotel at 7.30 p.m. It is the last race in the Ger Wyley Sports Summer Series which has proven to be a huge success this year and all the indications are that the Ardmore race will prove to be a fitting finish to the summer season with large entries anticipated in all categories.

Friday's event has plenty to offer for everyone as in addition to the five miles run there is a non-competitive walk, a very competitive 5 by 1 mile team relay and juvenile races for boys and girls in many age groups.

The Ardmore race is possible due to the generous

sponsorship of the Round Tower Hotel, Paddy Mac's Bar and the Ardmore/Grange Ladies Football Club. All the finishers will be entered into a draw for a Mercedes Benz Rally Jacket valued at £100 and sponsored by Tom Murphy Car Sales. Entries will be taken at the Round Tower Hotel where refreshments and entertainment will be provided after the race. Showering facilities have been kindly made available by the Ardmore GAA Club. The entry fees are £3 for the run and £2 for the walk and all the proceeds are being donated to the Ardmore and Grange Ladies Football Club.

#### JUVENILE RACES

Kindly sponsored by

Conor French Electrical for the second year, a number of juvenile races will be staged on the road near The Round Tower Hotel while the main race is in progress. There will be races for boys and girls under 8, 10, 12 and 15 with prizes for the first five in each race. The events are being organised by Kevin and Nora Healy and they are open to everyone.

#### 5x1 RELAY

Sponsored by Liam Gleeson, Farm Supplies, the 5x1 mile relay race will start with the main event. Last year's race was won by the Round Tower team of Michael Hennessy (capt.), Kevin Lenane, Donna Hennessy, Seamus Veale and Nicky Keating in a time of under thirty minutes from Paddy Mac's team. If the Round Tower hope to retain their title this year they will have to be on their best form as there is a definite challenge coming out from Youghal intent on bringing the title back to Cork.

#### STAR SIGN CATEGORY

The star sign category in the five miles race attracted keen interest and great fun last year. It is confined to those outside the top three men and women finishers. Last year's winners, many of whom will be back to defend their titles, were as follows: Aries (Michael Dwyer); Taurus (Fred Walsh), Gemini (Paul O'Mahoney), Cancer (Joe

Salmon), Leo (Seamus Cooper), Virgo (Larry Kennedy), Libra (Michael Roche), Scorpio (Derek Tebay), Sagittarius (Con Kelleher), Capricorn (Gerry Cantwell), Aquarius (Brian O'Flynn) and Pisces (Mark Radley).

#### SUMMER SERIES

The prizes for the Ger Wyley Sports Summer Series which has been organised by West Waterford AC will be presented at the Ardmore race. A number of finishing places and divisions have yet to be finished so it is all to run for in Friday's race. A runner who beats his/her finishing place from the Waterford to Tramore race will receive a ten points total.

To celebrate the successful conclusion of the series a great night's music will be supplied by the Power brothers in the recently renovated and comfortable surroundings of the Round Tower Hotel. So bring along the wives, the husbands, the boy friends and the girls friends, organise the baby sitter or better still bring along the whole family and be part of what is sure to be a great night out.

## John Treacy Wins Round The Houses Race In Youghal ('94)

Before a large and enthusiastic crowd Villierstown athlete John Treacy, who is currently home on holidays from Providence College U.S.A. where he is on the first year of an athletic scholarship, gave a scintillating display of top class running to win the coveted annual Youghal Round The Houses Road Race.

It was an absorbing struggle from the start with a leading bunch of John Treacy, Roger Barron, Richard Crowley, Denis Manning and Denis Noonan in control of the race. They stayed together for more than two miles and then Barron and Manning were dropped and after another mile it was the turn of Noonan to bite the dust. The race was then between the young student Treacy and the more experienced Crowley.

At the bell which left one mile to run the crunch came with John Treacy leaving no doubt that he is benefitting from his four months training in America and he duly pulled away from the gallant Crowley to come home a popular and deserving winner after five hard miles of fast racing.

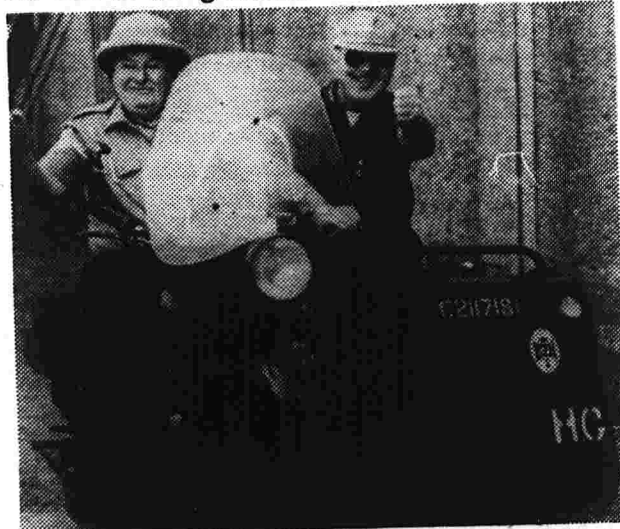

The West Waterford team of John Treacy, Roger Barron, Tony Ryan and Jimmy Costin were second team behind Leevale A.C. Other local runners to figure were Robbie Walsh (Kinsalebeg) who was second novice behind Liam O'Brien (Midleton), Tony Shalloe (Kinsalebeg) and Bernadette Prendergast (Feniens A.C.).

## LIAM O'BRIEN WINS AGAIN

East Cork runner Liam O'Brien won the 20th Ballycotton Nike five miles road race for the fourteenth time last Thursday evening. A large number of local and visiting athletes from West Waterford A.C. travelled to the race. Full report later.

## PERMIT ISSUED

B.L.E. have issued permit number 115/97 to West Waterford A.C. for the Michael C. Nagle Cross Country Championship which will be held in St. Augustine's College on Sunday, October 19th at 2.30 p.m. Preparations are already underway for the event and already there has been an early entry in the local race with a Ballinroad/Ballinacourty team of Michael Dwyer, Ray Burke, Timmy Foley, Finbarr Kelly and James Veale heading their challenge.

# Waterford Seniors Cruise Into All Ireland Final

## WATERFORD 5-11 MEATH 2-6

Waterford breezed into the All Ireland senior final with a comfortable victory over Meath in a hard fought encounter at Pairc Tailteann, Navan last Sunday. On top in virtually every sector they were far superior to the home side who were appearing in their first semi final.

The underfoot conditions were quite good but the heavy rain which fell throughout the day made handling of the ball difficult. In typical Meath tradition the Leinster champions didn't give or ask for favours and there were some tough physical challenges in which, for the most part, Meath came out second best. Indeed one of their players had to leave the field injured when she was clobbered by one of her team mates.

Waterford, in the absence of Aine Wall, made a few switches both positional and in personnel and for the most part they worked. They had the advantage of a slight breeze in the opening half. They missed a number of chances before Catriona Casey opened the scoring with a 6th minute pointed free which was cancelled when Christine O'Brien landed a Meath point in the 9th minute.

Waterford's half back line Sarah Hickey, Noirlin Walsh

and Julie Torpey began to dominate and Waterford attacked continuously. Catriona Casey scored a gem of a point in the 10th minute, Mary O'Donnell twice added similar scores before Julie Torpey's run through the heart of the Meath defence put Rebecca Hallahan in for a crucial goal. Claire Ryan and Catriona Casey from a difficult free, edged Waterford into an eight point lead 1-6 to 0-1 with twenty minutes played.

Casey pointed again before Meath enjoyed a stroke of good fortune in the 24th minute, a high centre was caught by the breeze and Waterford's centre back attempting to clear, helped the ball over the line for a Meath goal. Back came the Decies girls and Mary O'Donnell, who had a fine game, scored two great points to leave the half time score Waterford 1-9 Meath 1-1.

Any hope of a Meath comeback was dashed in the 32nd minute when Catriona

Casey broke through, drew the defender and put Geraldine O'Ryan in for Waterford's second goal. Christine O'Brien did reply with a point but Waterford were awarded a penalty after wing back Sarah Hickey was brought down and Catriona Casey calmly stroked the penalty past Meath goalkeeper Mary Fox.

Within a minute team captain Martina O'Ryan lashed home another goal and it was plain sailing from that to the final whistle. Catriona Casey and Claire Ryan tacked on points and Rebecca Hallahan scored her second goal in the 54th minute. Waterford struck the posts and crossbar four times, but Meath to their credit never gave up and did get a consolation goal from a penalty in the 58th minute.

Waterford know that the display wasn't good enough to win an All Ireland final, however they now have six weeks to prepare for the final on Sunday, October 12. No doubt they will improve significantly in the meantime.

The defence look a much better unit than they did during the summer. The midfield duo of Martina O'Ryan and Olivia Condon weren't tested on Sunday.

Up front Claire Ryan, Rebecca Hallahan, Mary O'Donnell and Catriona Casey were in top form.

Waterford — A. Crotty, R. Byrne, S. O'Ryan, R. O'Rourke, S. Hickey, N. Walsh, J. Torpey, M. O'Ryan (1-0), O. Condon, M. O'Donnell (0-4), C. Casey (1-0), F. Crotty, G. O'Ryan (1-0), C. Ryan (0-), R. Hallahan (2-0). Subs. — C. Walsh, S. Walsh, D. Nagle.

### GOLDEN GOAL

The golden goal time is 13 mins. 58 secs. Contact any committee member.

### HANORA'S COTTAGE

Many thanks to Seamus and Mary Wall of Hanora's Cottage Guesthouse who sponsored a set of kit bags for the team.

### SPEEDY RECOVERY

We wish a speedy recovery to our secretary Eleanor Hickey, no doubt she will soon be back organising the final preparations.

## UNDER-16 ALL IRELAND FINAL Waterford v. Monaghan

(Saturday in Moate at 3 p.m.)

Waterford bid to win their third All Ireland under 16 title in a row and the fifth crown in seven years when they battle with Monaghan at Moate, Co. Westmeath on Saturday afternoon. Two years ago these sides met in the under 14 final at Navan and Monaghan came out on top.

To date in this year's championship Waterford have come up with the answers when the questions were asked. A stroll against Tipperary in the 1st round was followed by a big victory over Kerry in Pairc Ui Rinn. Cork were swamped in the Munster final at Fraher Field before they overcame Longford at Stradbally in the All Ireland semi final.

Players of the calibre of Brigid Hannigan, Karen and Niamh Barry, Marian Troy, Tanya Kirwan, Mary O'Donnell, Ann Morrissey, Catherine Fitzgerald, Angie Walsh and Co., are well capable of bringing home the cup. Mentors Brigid Grant, Nicky Sheehan and Brian Wall have left no stone unturned in the preparation. Three in a row would be a superb achievement.

# COACHING AND GAMES DEVELOPMENT PROJECTS

The County Coaching and Games Development Committee will be running two projects in September and October. The first of these is intensive hurling coaching for under 13 year olds. There will be two sessions held at four different venues throughout the county and the best 70 players countywide will be chosen for a special gala coaching day which will be held in Dungarvan and will be attended by well known inter county players from Waterford and neighbouring counties. This is a follow on from our successful under 12 coaching which took place during May and June. Every juvenile club in the county has been sent details of the coaching sessions. The first of these will be held on Friday, September 5th in Walsh Park (for the city clubs) and in Abbeyside (for clubs in the Dungarvan area). These sessions will begin at 6 p.m. On Saturday there will be sessions held at Ballyduff Lower (for clubs

in Rural East Waterford) and at Lismore (for clubs in the far west). Clubs are asked to send in their best under 13 players up to a maximum of 5.

The second project being run is a special competition for under 17 players. We feel that this particular age group, especially the average players, are poorly catered for fixture wise.

This in contrast with the 'star' players of this age who are often overburdened with games. The competition will be played on a countywide basis. It will be on participation and any club which fulfills all its fixtures will receive a prize. The prizes for this competition will consist of playing gear, hurleys, hurley grips etc.

Again all juvenile clubs in the county have been circularised with full rules and regulations. The under 17 games are due to commence on the weekend of October 11th/12th.

## C.L.C.G. AN tSEAN PHOBAL

### TERRY CUP

Our semi-final against Clashmore has been refixed for Saturday, September 13th in Old Parish at 7 p.m. Meanwhile training continues each Tuesday and Thursday at 7.30 p.m.

# Clashmore G.A.A. Club Notes

## JUNIOR HURLING

We played Lismore in the final of the Western Board Junior Hurling League in Fraher Field last Monday night. We started brightly and raced into a 5 pt. lead after 10 mins. We then allowed Lismore back into the game and conceded a soft goal which put Lismore on level terms with us. We had two wonderful goals in the 24th and 26th min. from Seamus O'Rourke to put us back in front. The half-time score was Clashmore 2-8 Lismore 1-5.

We faced the breeze in the second half and it certainly upset us as we played very badly and allowed Lismore right back into the game. Lismore scored 2-4 in the second half as against 0-4 for Clashmore. It took us 21 mins. of the second half to open the scoring with a free from Mike Shalloe. We had two more points one from play and one from a free from Mike Shalloe to leave us one point adrift entering injury time. Two minutes into stoppage time Donal Fitzgerald scored a great point from a very acute angle to give us a division of the spoils. The final score was Clashmore 2-12 Lismore 3-9.

Team: Fran O'Rourke, Ger Ryan, Seamus McGrath, Nick O'Connell, Conor O'Riordan, Brian Murray, Brian O'Neill, Mike Fenton (0-2), Vincent O'Rourke, Donal Fitzgerald (0-2), Ed Beresford, Pat Lombard, Mark Coughlan, Mike Shalloe (0-7), Seamus O'Rourke (2-1). Subs: Kevin O'Rourke for Pat Lombard, James Kelly for Mark Coughlan, Paudie Allen, Pat O'Halloran, Roger Hynes.

Man of the match was Seamus O'Rourke.

Best for Clashmore were Brian Murray, Brian O'Neill, Mike Fenton, Mike Shalloe and Seamus O'Rourke. No date has yet been fixed for the replay.

## JUNIOR FOOTBALL

We played Ballinacourty A in the Junior Football Championship last Wednesday night in Bushy Park. What a game this turned out to be with Clashmore taking the game to Ballinacourty from the throw in. We had a great start when Colm Carey goaled inside 5 mins. We also had points from Tim O'Keefe, Colm Carey and Johnny Power back playing after a long layoff due to injury. The half-time score was Clashmore 1-3 Ballinacourty 0-5.

We had a dream start to the second half when Ed "Bouncer" O'Rourke crashed the ball to the Ballinacourty net to put us 4 pts. in front, a lead which we never relinquished. Our backs had to withstand severe pressure from Ballinacourty for most of the half but some poor finishing cost them dearly. We scored two further points in this half to leave the final score Clashmore 2-5 Ballinacourty 0-10. This was a great victory for Clashmore fashioned on pure guts and determination by every member of the team none more so than man of the match Colm Carey.

Team: Pa Troy, Aidan O'Rourke, Nick O'Connell, Davy Murray, Noel McGrath, Paudie Allen, Pat Hickey (capt.), Roger Ryan (0-1), Mark Power, Ger Ryan, Tim O'Keefe (0-1), Donal O'Keefe, Colm Carey (1-1), Johnny Power (0-2), Ed O'Rourke (1-0). Subs: Arthur Walsh, Donal McGrath and Andrew Hickey.

Best for Clashmore were Nick O'Connell, Paudie Allen, Roger Ryan, Johnny Power and Ed O'Rourke. We now play Kilrossanty next Friday night in Bushy Park at 6.30 p.m. sharp. All players to be in dressing room at 6 p.m.

## AIB STRIKES HILL CYCLE

# FLAVIN RETAINS YELLOW JERSEY

Tony Deegan picked up the pace to become our second AIB cyclist of the week after a 2.55 minute improvement over the Strike's Hill course last Wednesday.

The strong wind was not a factor for our cyclists who were sheltered by the narrow course although the sun shone directly down the hill and made the going quite tough. Forty two cyclists completed the course with twenty cyclists beating their previous time. Five riders were missing on the night - Danny Whelan, John Moloney, Brian Fitzgerald, Ciaran McCarthy and Ger Wyley.

Joe Flaherty managed to find the finishing line this time although Eamon Terry had difficulty even getting off the starting line! Some riders were seen covertly

pulling up sleeves to sneak a look at forbidden watches - much good it did them.

Our yellow jersey holder Mark Flavin held onto pole position despite a strong challenge by Brian Geary who was just 7 seconds behind.

Young Gearoid Turraoin, the u-11 All-Ireland league winner, caused a few embarrassed heads when he raced past under no strain whatsoever to finish up in 19.56.

After next week, riders will be divided into teams of six with the best five aggregate times to count. Thanks to Willie, Siobhan and Noel for their experienced input.

Results as follows; 1, Mark Flavin (13.04); 2, Brian Geary (13.11); 3, Joe Kelly (13.29); 4, Thomas Hogan (13.42); 5, Edward Kelly (14.51); 6, Tony Mur-

# Abbeyside Ballinacourty G.A.A. Notes

## MINOR HURLING CHAMPIONSHIP

Abbeyside 1-8  
Dungarvan 0-9

Our minor hurlers refusing to concede the issue came with a last second surge at the Fraher Field on Thursday evening last to snatch a truly dramatic victory in the second replay of the Divisional M.H. (A) championship against local rivals Dungarvan to score the only goal of another enthralling encounter.

After the game the team mentors/players while thrilled with their success, quickly switched their forces to what will be a even more difficult task in the upcoming Western final against a highly rated Tallow team at Cappoquin on Saturday, September 13 next at 5.30 p.m.

Dungarvan's team mentors also emphasised that salient fact when they visited our dressing room after the game and their sportsmanship was deeply appreciated. These two teams have met in 1991 at under-12, 1993 at under-14, 1995 at under-16 and 1997 at minor and each of these championship games have been special to all those who love the game of hurling and when all's said and done, that's what matters most.

## SENIOR FOOTBALL

Ballinacourty senior footballers overcame a determined Kilmacthomas challenge in their senior football championship play-off game at the Leamybrien venue on Friday evening last on a scoreline of (0-13 to 2-3). This was an encouraging performance by our young team who will now meet St. Saviours and all concerned must now build on this result in order that our senior status is copperfastened.

## SENIOR HURLING

Abbeyside senior hurlers face into their vital S.H.C. relegation game against Portlaw at the Fraher Field on Sunday afternoon next. The outcome of Sunday afternoon next. The outcome of this game will decide our position for the 1998 championship thus there is a great deal at stake in the encounter and a big effort will be required from all our players in keeping with the Village's great hurling tradition.

## JUNIOR FOOTBALL

Clashmore 2-5  
Ballinacourty 0-10

Ballinacourty junior footballers bowed out of the championship at Bushy Park on Wednesday evening last when they lost to Clashmore by a single point. Trailing for most of the game, 'Courty rallied strongly and could be considered unlucky not to have forced a replay here.

## UNDER-14 FOOTBALL

By the time you read these notes we will have taken on Ardmore in the first round of the under-14 football league. The game was played at our grounds last Monday. Details next week.

## MINOR HURLING

On Thursday last at the Fraher Field the epic minor hurling championship came to a conclusion for us when with the last puck of the ball the Villagers were victorious by 2 points when they scored a goal. Once again this was another hurling classic played in bad conditions. Missed chances were to prove costly at the end with the Abbeyside goal remaining intact on a number

of occasions.

We wish Abbeyside the best of luck in the Western final.

Team — Paul Ahearne, Alan Hamey, Eoin Sheridan, John Flynn, Paul Radley, Brian Shanahan, Eamonn Morrissey, Jason O'Mahoney, Graham Nagle, Alan Hart, Jamie Burke, Mickey Power, Diarmuid Keating, Bert Ahearne, Donie Kelleher. Subs. — Buddy Power, Ger Cusack, Seamus Kiersey, Derek Truman, Eoin Mansfield.

## JUNIOR FOOTBALL

We bowed out of the junior football championship last week when we were beaten by Kilrossanty.

## SENIOR FOOTBALL

On Sunday last at the Fraher Field we qualified for our fifth senior football final of the nineties when we defeated Stradbally by 1 point. At this time we must await

the winners of the Nire or Gaultier but this promises to be an exciting time for the club with the final scheduled for the Fraher Field.

## BEST WISHES

On behalf of Cumann Dungarban we send very best wishes to Sean Organ for a speedy recovery.

# Ardmore G.A.A. Club Notes

## LOTTO

Numbers drawn were 12; 16, 18. This week's Lotto was not won so our Lotto will continue to grow after last week's win. The large crowd at Fleming's then had the consolation prize draw and the 5 lucky winners were Garrett Ducey, Ardmore; Sonya Hennessey, College Road, Ardmore; Mary Kate Hennessey, College Road, Ardmore; Daniel Power, Dungarvan; Yvonne Power, Upper College Road, Ardmore.

Next week's draw will be held in Keever's Bar, Main Street and outlets so make sure that you are in or you cannot win. Once again we thank Fleming's Bar for their hospitality and we look forward to our next visit.

## DÉISE DRAW

The next Déise Draw takes place this weekend. We remind all promoters to have their money in to Kevin Gallagher as soon as possible.

## WELL DONE, JOHN

Congratulations to John Colbert who was a winner in the Scratch Card Draw associated with the Déise Draw and we hope to have more of the winners during the season.

## WELL DONE, CLINTON

Word has just filtered through that one of our former star players who is now playing in America played a leading role with the Cork team who won this season's American Hurling Championship. The player in question is of course Clinton Hennessey who is the son of our Chairman Declan Hennessey and Clinton played a starring role in goal. This Cork team is also managed by another Ardmore exile so we say well done to Michael McGrath also on this success.

Incidentally while Clinton is manning the goal for Cork, his father Declan could be manning the goal for Ardmore in the Intermediate football while his mother Rennie has been manning the goal for the St. Declan's ladies footballers and is currently out with a hand injury from which we wish her a speedy recovery.

Another former player who is making a name for himself is Francis Keating who is playing at wing-forward for his London team and we wish Francis well in their upcoming championship game and like Clinton, we hope he will bring more honour to Ardmore.

## MINOR FOOTBALL DIVISIONAL FINAL

Our minor footballers will tonight put their western title on the line when they take on Kilrossanty in the

Western Final in famed Fraher Field. We wish the team and its selectors the best of luck as they try to bring back this trophy to the village for the second year in a row. They have had two fairly easy games up to now and we can be sure that the men from the Comeraghs will be tough opponents and our lads will have to hit top form to ensure that we win and thus give us another chance of winning a County title which so narrowly eluded us last year. Our supporters are asked to travel in numbers and give these lads the support they deserve as right from under-12 they have given tremendous dedication to the Ardmore Club and have given our supporters some of our greatest highlights over the past number of years and it will be a just reward if they can go all the way and capture the County title. Without doubt they have the ability and the ambition but you always need a little luck on your side and hopefully this will be the lads year.

## UNDER-14 FOOTBALL

Our under-14 footballers will have played their first game in this year's competition on Monday night and hopefully they will have recorded a victory over Dungarvan. The importance of training must be gotten through to this group as after their fine displays in the hurling, we will be happy to do equally well in football but as this panel has a small number to work from, it is important that all the players travel and train together or at least if they have a problem, they should inform the selectors if they are not going to be present. Training will continue for our under-14, under-12 and under-10 players on Thursday nights with a 6.15 p.m. start and all our players are asked to make a special effort to attend.

## BACK TO SCHOOL

This week will also see all of our players going back to school while of course some of them will be going to new schools. We wish all the young boys and girls well in their academic work which when added to the leisure pursuits help to form the child's character for the years ahead and sport can have a major part to play for everyone as it encourages healthy and disciplined behaviour allied to a self and team learning process which over the years helps to form part of the individuals character.

## INTERMEDIATE FOOTBALL

Saturday week has been fixed as the date for our semi-final with Modeligo

with Cappoquin being the venue with a 6.30 p.m. throw in. This just gives us this week to prepare so we ask all of our players to make a special effort to attend whichever sessions the selectors have organised as it is only when everyone makes the effort that the team can reap the rewards as gone are the days when one or two good players might carry you through.

## SYMPATHY

While nationally the media will be reporting on the tragic loss of Lady Diana, here in Ardmore we too had a major shock with the news that Jim Moloney had died in England. Jim was only home on holiday at the beginning of August and his many friends were shocked to hear of his sudden death.

Jim was an out and out G.A.A. man and was looking forward to seeing Kerry take part in the All-Ireland football final. We extend our sincere sympathy to his mother, brothers, sisters on their sad loss especially to his young family who have lost their father.

Ar dheis Dé go raibh a anam.

## ALL-IRELAND TICKETS

Now that the finalists are known in both hurling and football All-Irelands, the mad scramble for tickets will now begin. Any club members who wish to be in the draw for either or both All-Irelands should give their names to Club Secretary Kevin Gallagher immediately as the draw for the club's allocation which is

usually around 4 or 5 tickets will be held early next week and as usual it will be a case that if you are lucky enough to be drawn out then you must also pay for your ticket as the club operates a C.O.D. policy on all tickets to avoid any possible embarrassment so you have been informed.

## MARY MAKES IT TWO

Mary O'Donnell has now qualified for her second appearance in an All-Ireland this year when she helped the Waterford senior ladies to a comfortable semi-final win over Meath in Navan on Sunday. Mary scored 4 pts. in Waterford's win. With the under-16 already qualifying, Mary now has a third chance when the minors play their semi-final.

## FINALS WASHOUT

The Tony Forristal and

Sonny Walsh finals fell victims to the weather on Sunday when once again Walsh Park was deemed unplayable. It was a pity as I am sure the youngsters were looking forward to the finals. The Waterford teams won one game each but did not qualify for either final. Our representatives Billy Harty on the A panel and David Power on the B squad acquitted themselves very well.

## GAMES FOR THIS WEEK

Tonight (Wednesday), September 3rd in Dungarvan at 6.45 p.m. Minor Football A Final v Kilrossanty.

Monday, September 8th in Ardmore at 6.30 p.m. Under-14 football v Naomh Bríd.

## WESTERN MINOR HURLING CHAMPIONSHIP SEMI-FINAL

# Village Boys For Final

## —LATE GOAL PROVES DECISIVE ABBEYSIDE 1-8 DUNGARVAN 0-9

The second replay between these keenest of local rivals certainly lived up to expectations. The three epic games between the sides in 1964 are still remembered today, those of us who were lucky to witness the 3 encounters in 1997 will certainly hold memories of 3 thrilling games and the dramatic finish which saw Abbeyside clinch victory after 180 minutes of hurling.

In common with both the other games, it was a dull and overcast evening and the conditions were very greasy. Dungarvan played with the aid of a strong breeze and both teams had early missed before Gary Hurney registered the opening score for the Villagers in the 9th min., with a point.

## 12 WIDES

Alan Harty levelled with a free 3 minutes later and on the quarter hour Donnacha O'Dea edged Abbeyside ahead when he floated over a point following some good work by Hurney. Both teams were hurling to a standstill at this stage but Dungarvan will certainly rue the fact that they did not translate their possession into scores. During the first period they shot a total of 12 wides to their opponents 3 and should have gone in at half time with a comfortable lead.

We had to wait until the 25th min. for the next score when Mickey Power levelled the proceedings 0-2 each, before Mikie Murray regained the lead for Abbeyside. Bert Ahearne, who lined out at full for-

ward, his leg heavily strapped having picked up an injury in the 2nd game, levelled the proceedings for the third time in the 27th min. The 'Old Boro' grabbed the lead when Alan Harty pointed a free on the stroke of half time to leave the score at 0-4 to 0-3.

## ENTERTAINMENT

The half time break was as much welcomed by the supporters as the players as it allowed the opportunity for reflection on another 30 minutes of non-stop action. It was a source of great satisfaction to see so many young people present, all of whom witnessed all that is good in a local derby between the Boro and the Village and it can only help to promote the game in the town.

Of course, many neutrals travelled to see what had become a 'mini championship'. I spoke to two well known hurling followers from the far West who enjoyed the contest but who informed me that Tallow were a far more skillful team than either team and that this would be a decisive factor come the Western final.

## THE SECOND HALF

On the turnover Paul Landy pointed a free in the 33rd minute, 0-4 each, but contrary to half time predictions, Dungarvan now playing against the breeze began to take the game to Abbeyside. Bert Ahearne had a point in the 36th minute and followed it minutes later with another (his 3rd) to leave 2 points between the sides 0-6 to 0-4.

## 15 MINUTES TO GO

By this stage Abbeyside had introduced Paul Veale and Terry Crowe but when Mickey Power pointed for Dungarvan, the signs looked ominous for Abbeyside (0-7 to 0-4) as Dungarvan were now totally dominating the exchanges. However, the Villagers luck began to change, John Paul Keohane pointed a long range free from under the stand, Paul Landy pointed a free to again leave the bare minimum between the sides before Paul Veale landed the equaliser, 0-7 apiece.

The tension was now palpable as both sides strived for victory.

## MOST IMPROVED PLAYER

Dungarvan took the initiative per a fabulous point from Mickey Power (0-8 to 0-7). The young wing forward in our view was the most improved player over the three games and contributed a handsome 3 points to this game.

Diarmuid Keating extended the lead for the 'Blues' with a point and it took a rallying point from Paul Landy to bring Abbeyside back from the dead (0-9 to 0-8). When Mikie Murray broke clear and shot for a point the game looked like it was heading for extra time, but Paul Ahearne made a marvellous grab from under the bar to deny Abbeyside the equaliser.

## THE AGONY AND THE ECSTASY

With only seconds left on the clock Dungarvan fought bravely to hold on, but a dramatic end was to deny them victory. A clearance from defence found Donnacha O'Dea whose long shot hung in the air, and as it crossed the goal area it was met by an overhead flick by Brendan Mansfield who had ghosted into position. Reactions in the stand ranged from shock to euphoria as umpire Michael Mernin raised the green flag. Time was up but Dungarvan made one last valiant effort but a resolute Abbeyside fifteen hung on for the most dramatic of victories.

## GREAT CREDIT

Great credit is due to both teams and their mentors for serving up three thrillers, which although highly competitive were played in a very sporting manner. For Abbeyside, Seamo Burns has proved to be a brilliant net-minder, he got great support from Brian Hayes, John Phelan and Joe Walsh. Their half back line is the anchor of the team, Mickey 'Do' Kiely, J. P. Keohane and Eamon Cashin all hurled well. At midfield James Hayes and Gary Hurney have become a good unit over the three games.

Their forward division worked hard throughout and created many chances but they will need to improve their strike rate.

Dungarvan have shown that they have great potential. This team will back bone their efforts at adult level into the next decade. Paul Ahearne was faultless throughout. Alan Harney, Owen Sheridan and John Flynn formed a very tight marking threesome. Paul Radley was outstanding and received great support from Eamon Morrissey and Brian Shanahan. Jason O'Mahoney played an absolute stormer at midfield while Graham Nagle had his moments. Jamie Burke was the top forward, Bert Ahearne was affected by his left injury but contributed 3 points nonetheless. Mickey Power we have spoken of, Diarmuid Keating and Alan Harty hurled well over the hour while Donie Kelleher worked hard throughout.

John Michael Kelly continues to enhance his reputation as one of the counties top referees and he contributed to 3 fast flowing games with his sensible style of refereeing and fittingly has been appointed to referee the county senior hurling final.

## DIFFICULT TASK

At the end of day only a puck of the ball separated the sides. It must be remembered that this was only a semi final, the winners although well satisfied, have won nothing. The saga will have been a drain both mentally and physically (ask Meath in 1991 and '97), they have the time to recover, but remember the words of the two supporters from the far West, Abbeyside you have been warned!

Abbeyside — S. Burns, B. Hayes, J. Phelan, J. Walsh, E. Cashin, J. P. Keohane, Ml. Kiely, J. Hayes, G. Hurney, D. O'Dea, P. Landy, R. McCarthy, B. Mansfield, Ml. Murray, E. Hayes. Subs. — P. Veale for R. McCarthy; J. Crowe for E. Hayes.

Dungarvan — P. Ahearne, A. Harney, O. Sheridan, J. Flynn, B. Shanahan, P. Radley, E. Morrissey, G. Nagle, J. O'Mahoney, A. Harty, J. Burke, M. Power, D. Keating, B. Ahearne, D. Kelleher. Sub. — M. Power.

Referee — J. M. Kelly (Shamrocks).

## KILROSSANTY IN SEMI FINAL OF PHELAN CUP

Kilrossanty 1-10 St. Saviours 0-4

This game was scheduled for Kill but as the venue was not playable due to very heavy rain, the match was moved to Bonmahon. A strong wind in from the sea made conditions difficult and as well the grass was high as the club did not expect a late fixture. At half-time Kilrossanty led by 0-5 to 0-2 and helped by a Niall Kirwan second half goal, they ran out very convincing winners and have now qualified for the cup semi-final.

## MINOR FOOTBALL FINAL

On this Wednesday evening, followers will be treated to a game of exceptional quality in the minor grade when Kilrossanty and Ardmore meet in the Divisional final at the Fraher Field at 6.15 p.m.

According to reports of their earlier matches, both clubs are fielding strong contenders for the title this time round. Ardmore were very impressive when beating Dungarvan by a big score in their semi-final and Stradbally were beaten (by a single point) by a strong Comeragh club team in their semi.

I believe there are no favourites here and that both are in with an equal chance. This will make it all the more interesting.

## WASHED OUT

The weatherman proved a real spoilsport in the eastern part of the county over the weekend when fixtures had to be cancelled or switched. The Tony Forristal tournament finals had to be cancelled and the eagerly awaited Mount Sion versus De La Salle senior hurling league final which was due to be played in Walsh Park on Sunday afternoon, had also to be cancelled.

Also at Portlaoigh, games were washed out and the relegation senior hurling match between Clonea and Dunhill could not take place.

## REFIXED

The senior hurling league game between Mount Sion and De La Salle is re-fixed for Walsh park on this Friday evening and given a dry sod on this occasion, the game is sure to be a cracker and will be well worth seeing. When these teams met in the championship the match attracted a huge crowd — the biggest so far for a single championship fixture in the senior hurling this year.

## SENIOR FOOTBALL RELEGATION

BUTLERSTOWN 0-8 AFFANE 0-6

This game was switched from the Fraher Field to the Dungarvan Club grounds because of very heavy morning rain. It was due to be played as a curtain-raiser to the Dungarvan/Stradbally semi-final at the Fraher Field.

The result saw Affane go under after a brave effort against the favourites Butlerstown. Strong wind spoilt the game and made football difficult.

## JUNIOR HURLING 'B' SEMI-FINAL REPLAY

TOURIN 1-10 GLEN ROVERS 0-7

This replay went ahead on Saturday and Tourin, who were marginally in front at halfway, ran out winners by six points at the end and will now meet Abbeyside in the final. See report in the Cappoquin Sportsfield report.

## COUNTY FOOTBALL ENGAGEMENT

Saturday, September 20 is the date set for the first round of the All-Ireland 'B' football championship and in the first game Waterford will take on Wexford at the Stradbally venue.

Unfortunately for us, the county football final will not have been played by then, but hopefully, the two finalists will release their players for this important match.

## All-Ireland Hurling Final Tickets

Tickets for the All-Ireland hurling final between Clare and Tipperary will be issued immediately after the County Board meeting on Monday night next, September 8th. Tickets will issue to clubs only and no tickets are available for members of the public as the county allocation is strictly limited. Tickets will be exchanged for cash only as the County Board are required to submit a cheque in advance of the receipt of tickets from Croke Park.

## SENIOR FOOTBALL SEMI-FINAL

# Dungarvan Survive In Tough Encounter With Stradbally

**DUNGARVAN 0-8  
STRADBALLY 0-7**

Conditions were all against good football with a strong wind blowing from the southwest and underfoot conditions made difficult by the heavy rains which fell throughout the night and day.

Dungarvan who were a bit lucky to withstand Stradbally's late rally and strong pressure did cope that little bit better with the conditions and also their greater experience was a factor in keeping them in the game during the first half and in winning them the scores at a vital stage of the game.

Dungarvan started the better team and even though playing into the wind, kept Stradbally under pressure for the opening 10 mins. Throughout the second quarter, Stradbally were well on top but squandered some fine scoring chances and had some awful wides. The half-time score of 0-5 to 0-2 in favour of Stradbally was a reflection on the poor scoring power of both teams.

In the second half Dungarvan again took over for the opening 10 mins. and at the end of the third quarter, they were on level terms. From here on it was a ding-dong struggle, loaded with tension and to a certain degree exposing the rivalry which has existed between the clubs over the years. Stradbally missed several late scoring opportunities but all credit to a very courageous Dungarvan defence in which Bobby Lyons was outstanding the Blues held on in defence of their one point lead which they took in the 56th min.

Overall it was a tough, bruising encounter with neither side prepared to yield one inch to the other. On the night, a draw might have been a fairer result and I'm sure that the patrons in the crowd who paid £3,500 to see the game would have liked to see the game all over again and in more satisfactory conditions but at the same time it would be less than fair to Dungarvan to say that they were not worthy winners. They now go forward to the County Final in which they will play Gaultier or the Nire.

## PLAY

John Power pointed a Dungarvan free in the 2nd min. and after another 7, Niall Curran equalised from

play. Niall Cusack put Stradbally a point up in the 17th min. after the Reds had sent out several wides. Eoin O'Brien from a free and Niall Curran from play had Stradbally 3 pts. ahead after 25 mins. and within another minute, Tomas Gough extended this to 4 pts. before John Power had Dungarvan's second point (also from a free) in the 28th min. to leave the half-time score at 0-5 to 0-2. Just before the half-time whistle, Dungarvan missed a goal and a chance to level at the break.

## LEVEL

Dungarvan had their first point from play in the 33rd min. when Morrie Ferncombe, who was a late replacement for Denis 'Hopper' McGrath pointed. In the 38th min. Derek Lyons kicked over a point from play and the teams were level just on the 45th min. when John Power pointed a close in free. Jamie Burke who came on as a substitute kicked Dungarvan into the lead with a well taken 49th min. point and within a minute Morrie Ferncombe stretched the lead to 2 pts. Liam O'Brien from a free and George Walsh from play brought Stradbally level again in the 55th min. and at this point a draw looked very likely. A Dungarvan attack set up by David Burke saw Morrie Ferncombe kick over the lead again for Dungarvan and with 4 mins. remaining and some minutes to be added on for injury time, Stradbally mounted a number of attacks and won 3 frees that did not quite reach the crossbar and were returned outfield. Dungarvan 'keeper Cronin McGregor played a cool game between the posts and brought off a couple of great saves while at the other end his counterpart Kevin Cunningham also gave an inspired display.

**Dungarvan** — C. McGregor, D. Lyons, D. Dee, H. McGovern, B. Lyons, N. Considine, T. Galvin, D. Burke, D. Lyons (0-1), D. Callaghan, E. Cunningham, J. Power (0-3), T. O'Mah-

## Relegation Games

Relegation matches in the senior football grade involving Kilmacthomas and St. Saviours at Kill on Saturday, September 13th and Butlerstown v Kill at Walsh Park on the same evening have been announced by the G.A.C.

## SENIOR FOOTBALL RELEGATION

# 'COURTY BEST IN SPLENDID GAME

**BALLINACOURTY 0-13 KILMACTHOMAS 2-3**

Two missed penalties proved very costly for Kilmacthomas in this splendidly contested senior football relegation match at Leamyribreen venue on Friday evening last. A 6th min. penalty was spectacularly saved by the Ballinacourty 'keeper Jim White and the second penalty midway through the second half was kicked aimlessly wide by Derry Kiely.

## PLAY

Paul Mulhearn opened with a Kilmac' point but that was to be their lot for the next 25 mins. as Ballinacourty replied with points by Gavin Keane (2), Alan Landers (2), Michael Cos-

grave and Damien Cliffe to leave them 0-6 to 0-1 in front after 26 mins. Then a K. Mulhearn well taken goal narrowed the gap and an exchange of points by A. Landers and Bengie Whelan left the half-time score at 0-7 to 1-2 in favour of the winners.

In the second half an early Billy Byrne goal gave Kilmac' the lead and held it until the 45th min. when Colin Keane pointed to leave the teams level. Further points by Damien Cliffe, Dwaine Moore and Michael Cosgrave (2) were replied to by a single Kilmac' point scored by P. O'Reilly in the 55th min.

Both sides had several near misses throughout the hour for goals and points.

**Ballinacourty:** J. White, B. Cliffe, J. Organ, G. Breen, L. Hurney, D. Hayes, J. Moore, J. McGrath, D. Moore, W. Fennell, G. Keane, C. Barrett, A. Landers, M. Cosgrave, D. Cliffe. Subs played: Michael Collins, A. Landers, C. Keane.

**Kilmacthomas:** D. Casey, T. J. Power, P. O'Reilly, P. Drohan, K. Mulhearn, K. Power, C. Kiely, David Kiely, Derry Kiely, P. Mulhearn, B. Byrne, N. Barry, B. Whelan, T. O'Connell, M. Dee.

# Cork And Wexford Play Under 21 Hurling Semi Final At Fraher Field

The meeting of Cork and Wexford in the All Ireland semi final is expected to tax the capacity of Fraher Field on Sunday afternoon and elaborate planning has been carried out by a special committee under the stewardship of Greg Fives in working overtime in an effort to make sure that there will be proper crowd control and that the inflow of patrons will be carefully monitored.

With the stand holding approximately 3,000 it is expected that this side of the ground will fill up early and the majority of patrons will then be accommodated on the three banks. It is impossible to estimate the attendance at this point, but as the grounds will hold almost 10,000 there should not be a problem about people not gaining entry.

Here in Waterford we will have no particular interest in the outcome of the match, but huge numbers of Deise hurling supporters will come to enjoy a hurling spectacle in a relaxed atmosphere.

Both are now out of all other hurling championships and this may give an extra impetus to the game which is certain to produce a lot of skilled hurling. Galway are waiting in the wings and will likely have a contingent present as observers.

This game is time for 3.30 p.m.

## SENIOR FOOTBALL SEMI FINAL

The meeting of the Nire and Gaultier in the county football semi final at 7 p.m. in Fraher Field will bring a huge crowd of football people to the ground and it will surprise us if they are not well rewarded as both these teams play a nice brand of fast, open football.

We saw that on a number of occasions, but especially in the 1994 county final in which they met at Walsh Park, the final score was 2-9 to 1-8, but Gaultier, playing in their first ever senior county final lost because of their inexperience at this level. Last year, Gaultier were once again in the final and lost to the defending champions, Rathgormack, on a scoreline of 2-9 to 0-11.

Earlier in the race for the title, Rathgormack had inflicted an 8 points defeat on the Nire in a replay. On the basis of this form a good

case can be made for Gaultier who must now be reaching their peak, having qualified for senior status in 1988 after winning the intermediate title (after beating Sliabh gCua in the final). Also, almost seven years ago, Gaultier took their first under 21 football championship and practically all the players on that winning side are playing still with the club.

Over the past few years, their team has shown very little change in personnel and this helps to ensure that their teamwork will be brought to a high degree of excellence. Their line out will include players like Sean, Frankie and Eamon Cullinane, Paul Anthony and Eamon Fitzgerald, Liam Daniels, Stephen Frampton, Eoin Clifford, Michael O'Mahony, Darren Taylor, etc. and among them there is a fair share of footballing skill.

It was said about the Nire that after all their years in the game, they really did not come of age until they won their first senior title when beating the Dungarvan three-in-a-row team at Cappoquin in '93.

After this they did Waterford football proud by giving the Cork champions, Castlehaven, the game of their lives in the Munster club championship. They felt that last year they were heading for another title when playing a draw with Rathgormack in the knock-out stages, but their dream fell apart when they faded away completely in the replay.

This year the Nire had no problem in beating Affane, but not everyone was impressed with their 3-8 to 0-14 victory over Kilrossanty and to me it seems that they will have to show an amount of improvement to make sure of beating Gaultier.

If their line-out is to include the players who defeated Kilrossanty, they will have Michael J. Ryan in goal with John Moore, Tom Walsh and Ian Walsh in the

## NIRE AND GAULTIER BATTLE FOR PLACE IN COUNTY FINAL IN EVENING FIXTURE

full back line and David Ryan, Pat Walsh and Pat Prendergast in the half line. Tony Condon and Ger Walsh (who captained the club to their last title), will be in the middle of the field and up front the Nire will select from Michael Guiry, Conor Power, Pat Halpin, Kevin Mulcahy, Brendan Kearney, Pat Walsh, Billy Power, etc., etc.

Like everyone else who is talking about this game, I don't know who is going to win, but I do feel that if it is a close enough game, that Gaultier might reverse the result of their last meeting. Hopefully it won't end in a draw!

A draw in this one or worse still a draw in the af-

ternoon match, would ruin the County Board plans for finishing the championship on schedule.

### SENIOR HURLING RELEGATION

A relegation match involving Portlaw and Abbey-side will provide the curtain-raiser for the Cork/Wexford under 21 semi-final at Fraher Field on Sunday next. Abbey-side had their first game in the senior hurling championships against Passage and were well beaten, while Portlaw who are a very seasoned senior team and are up there for a very long time, also suffered a first round defeat when losing to

Ballyduff by 6 points.

On their form in their respective first rounds, Portlaw must be strongly fancied to remain up in senior ranks.

### INTER. FOOTBALL CHAMPIONSHIP LISMORE

#### V. CLASHMORE

This semi final game in the intermediate football championship is fixed for Cappoquin on Saturday evening next and while the pundits will probably bank on a Clashmore victory, there is nothing cut-and-dried about the result of this game. Clashmore didn't have a problem in defeating

Brickey Rangers while Lismore had just one point to spare against the Shamrocks who were strongly fancied to be thereabouts at the finish.

Lismore are presently gearing themselves for the county senior hurling semi final and this will be uppermost on their minds, but Clashmore would be foolish to treat this as a reason for mounting anything less than an all out effort in this tie. It should be a Clashmore victory. The winners will meet either Modeligo or Ardmore in the divisional final.

### INTERMEDIATE HURLING SEMI FINAL

## RING VERSUS SHAMROCKS AT CAPPOQUIN

It is a pity that this very attractive intermediate hurling tie has to clash with the football semi final in Fraher Field, but with the pressure of dates, times and venues, the Divisional Board had no other option.

Both these clubs have been battling for intermediate championship honours for quite a number of seasons without success. Up until a couple of weeks ago, each had an involvement in football. But now that those interests are no longer there, each will give full concentration to winning the hurling title.

Shamrocks have recently defeated Cappoquin twice in the championship and league and were impressive on each occasion. Ring, too, were seen to be nearing their best form when accounting for Ballysaggart on a 1-11 to 1-6 scoreline in their quarter final match.

A place in the divisional final is up for grabs in this one and while I don't feel very confident about the prospects of either team, I will give a hesitant vote to the Knockanore team. Someone said to me about this one, that it is the kind of match that can end in a draw, but hopefully this won't happen.

## TONY FORRISTAL HURLING TOURNAMENT

Last weekend the county and city of Waterford were hosts to the young hurlers of Ireland and witnessed another successful All Ireland U-14 inter county hurling festival.

The organisation by the local committee was superb and the 400 young hurlers, representing the 19 county teams enjoyed their participation as did the hurling folk from the four provinces. Large crowds attended the 25 games on Saturday at four city venues. The weather on Saturday was beautiful and it contributed enormously to a wonderful day of top class hurling. In this the 16th annual tournament, sponsored by Waterford Crystal, both Tony Forristal and Sonny Walsh were remembered in a manner that was fitting, in the playing of the games that they loved. However on Sunday, the terrible weather conditions forced the abandonment of 2 of the three finals. The Div. 3 final was played in a downpour and on a pitch which was not suitable because of surface water. Meath defeated Down 2-2 to 0-5, to win their first title in this competition.

A decision was then taken to postpone the Div. 2 and Div. 1 finals. The plan is to play the division one final, Galway v. Wexford, in conjunction with the All Ireland under 21 semi final, Wexford v. Cork, in Dungarvan next Sunday. It is also hoped to play the division two final, Laois v. Kerry, next weekend at a suitable venue.

### TOURNAMENT RESULTS

Div. One — Waterford 1-16 Offaly 2-5, Galway 1-7 Kilkenny 0-9, Kilkenny 4-11

Offaly 0-3, Galway 4-6 Waterford 0-4, Galway 3-6 Offaly 1-7, Kilkenny 2-5 Waterford 0-6, Limerick 2-6 Tipperary 1-6, Dublin 2-5 Tipperary 2-3, Limerick 4-3 Dublin 1-2, Wexford 2-9 Cork 1-6, Cork 5-3 Clare 2-8, Wexford 3-8 Clare 3-6.

Galway qualified direct for the Division One final while Limerick and Wexford came through their groups to meet in the semi final. In this semi final, Wexford had a big win over Limerick 5-10 to 1-5. So Wexford had qualified for their first ever division one final with Galway who have won the Tony Forristal Cup on three occasions.

Div. Two — Laois 3-7 Dublin 'B' 0-3, Kerry 0-8 Laois 0-5, Kerry 2-9 Dublin 'B' 0-4, Waterford 'B' 3-4 Wicklow 0-1, Westmeath 2-3 Wicklow 2-1, Waterford 'B' 3-6 Westmeath 0-2.

Semi Finals — Kerry 6-9 Westmeath 1-0, Laois 5-7 Waterford 'B' 2-2. Kerry and Laois qualified for the Div. 2 final.

Div. Three — Kildare 3-4 Meath 2-7, Down 1-6 Kildare 0-5, Meath 4-4 Down 0-0. Meath and Down qualified for Sunday's final. Final — Meath 2-2 Down 0-5.

The young hurlers, selectors and supporters of the visiting county teams appreciated very much their stay in Co. Waterford over the weekend. A special word of thanks to the G.A.A. clubs of Roanmore, De La Salle, Tramore, Mount Sion, Ferrybank and Ballygunner who hosted and accommodated our visitors from the four provinces.

## G.A.A. NOTES

# Discipline In Croke Park

A number of high profile managers including Ger Loughnane, Cyril Farrell and the recently retired Nicky Brennan of Kilkenny have been disciplined by the G.A.C. for ignoring the agreed Presentation of Games Regulations in recent weeks. Ger Loughnane (Clare) whose team will be playing in the All-Ireland in 10 days time is to be confined to the Dug Out and so will Cyril Farrell of Galway. Also heavy fines amounting in all to £3,800 have been imposed on a number of counties whose managers/officials transgressed the regulations. Clare County Board will pay £1,920 while the Kilkenny will pay £800 and Galway £600. Most of the fines and censures are for pitch incursions during major games. During a game a manager is permitted to move along the sideline or end line to make switches and then return to the dug out. But the degree of running on and off the field of play by the people named above and by other manager/officials is way beyond what can be permitted in the interests of control and presentation. This whole managerial involvement with teams needs to be controlled in the interests of proper control and presentation. Some managers feel that they are a law unto themselves and that they have a right to ignore regulations which are democratically formulated and agreed by every county at the beginning of every year and they (in some cases anyway) believe that they are answerable to no one. These recent impositions by the G.A.C. should show them that rules are there to be observed. The three named above should also concern themselves with the fact that their transgressions will add another £4,000 to the County Board expenses.

## WESTERN BOARD FIXTURES

In addition to the championship fixtures arranged for this weekend, the Western Board have made the following fixtures—

### NEXT MEETING

The next full meeting of the Western Board will take place on Thursday, September 25.

## Senior Hurling Semi-Finals For Walsh Park

The two semi-finals will be played in Walsh Park on Sunday, September 21st. In the first match Mount Sion will play Ballygunner at 2.15 p.m. and Pat Moore will referee.

In the second match Lismore will play Passage and Pat 'Tyler' Walsh will be the referee. This is timed for 3.45 p.m.

The County Final will be played in Walsh Park on

October 5th and the referee is John M. Kelly.

The Minor Hurling County Final will be played as a curtain raiser to the senior final and John Hunt, Clonea will be the referee.

Tomas Maher, Ring has been appointed to referee the Senior Football County Final and Robbie O'Neill will be in charge of the minor final on the same day.

### MINOR HURLING CHAMPIONSHIP

## Major Shock

CLONEA 1-16  
ROANMORE 0-8

The above is the score in the Eastern Minor Hurling Semi-Final and I mention it because it was regarded as a major shock in the east. Clonea will now play Mount Sion in the Divisional Final and the winners will play Tallow or Abbeyside in the curtain-raiser to the senior final next month.

### COUNTY BOARD MEETING

A meeting of the full County Board will take place at Lawlor's Hotel on next Monday evening at 7.30 p.m. As there was no meeting during August, there will be quite an amount of business to be transacted. Details of the new Four County Hurling League for the massive Waterford Crystal Trophy will be announced here and delegates will be informed of the arrangements for the upcoming Under-21 All-Ireland semi-final between Cork and Wexford at Fraher Field on Sunday next.

## Roanmore Hurling Blitz In Aid Of Chernobyl Ambulance Fund

The Roanmore club in Waterford City are currently raising funds to purchase and fit out an ambulance to be donated to the Chernobyl Children's Association for use in the contaminated area in the Ukraine. The club is hoping to raise in excess of £6,000 through various activities and already over half of the total has been achieved and before the end of the year two of our club members will be driving across Europe to deliver the ambulance.

As part of this fundraising, the juvenile club are hosting an under 9 and under 8 7-a-side hurling blitz on September 6 in our club grounds Pairc Ui Mhurucu, with 40 teams taking part.

The participating teams are coming from three counties, as far away as Ballyduff in West Waterford, Piltown from Kilkenny and Geraldine O'Halloran's from Wexford. The competition will be divided into two divisions and groups of four teams will play a round robin of three games with the winner emerging from each group. The emphasis will be on fun and enjoyment on the day rather than competition.

The following well known hurlers and former hurlers have agreed to make presentations — Frankie Walsh, Waterford's last All Ireland senior hurling captain, Noel Crowley, Roanmore player and former All Star, Stephen Frampton, Waterford hurler, Colm Bonnar, Tipperary hurler and All Ireland finalists in '97, Eddie O'Connor, Kilkenny All Ireland winning captain and Sean Cullinane, Waterford hurler.

Games are starting at 10 a.m. and will continue until 7 p.m. on the day and with 480 young children participating, a great day is expected. Admission to all the games will be free and a raffle will be held in the field for Waterford Crystal. All are welcome to attend.

## TONY FORRISTAL TOURNAMENT TEAMS DO WELL

Both Waterford teams did well at the weekend in the Tony Forristal/Sonny Walsh Tournaments. The A team showed very good skill when beating Offaly 1-16 to 2-4. Against Galway Waterford hurled very well but failed to get the scores that they needed to beat the tournament favourites. Against Kilkenny a last minute goal deprived them of a deserved victory. Up in Roanmore the B team showed great determination when beating Wicklow 3-4 to 0-1. Against a fancied Westmeath team they again played very well and ran out winners 4-5 to 0-2 with Donal O'Keeffe (Lismore) stopping raspers in goal and Micheál Power (St. Marys, Kill) showing great skill at centre-forward. Next we faced Laois who are being coached by former Offaly star Joachim Kelly and current star forward Johnny Dooley which is part of a five year programme in operation in Laois. As was expected the Laois first team proved a bit too strong and balanced for the Waterford second string and we lost 4-4 to 2-2. The smaller Waterford boys showed great heart in this game and made a brave bid.

Overall the performance of both teams was encouraging after the doom and gloom of the Féile results. The shock of the weekend came at 6 p.m. at Roanmore when Wexford beat raging hot favourites Limerick in the A semi-final. I watched this match with Wexford Adult Secretary Mick Kinsella who had no doubt the progress made by Wexford is due to the Schools Coaching Programme. You can be sure the recent All-Ireland win didn't do any harm either. What a pity the A Final Wexford v Galway and the B Final Laois v Kerry had to be cancelled due to a deluge of rain.

**Waterford County  
 Council To Reconvene  
 After Summer Recess**

Following the long summer recess, members of Waterford County Council will reconvene next Monday in Dungarvan to deal with many issues of interest throughout the county.

The incessant downpours, flash flooding and storms have created a backlog of problems for each individual Councillor representing his/her own neck of the

woods. A bone of contention for many members will no doubt be the washed out state of county roads.

Among the matters to be dealt with on next Monday's agenda are five notices of motion in the name of Tallow-based Cllr. Willie McDonnell. They involve the resurfacing of a road at Ballyphilip, Knockanore and improvements to the road surface at Camphire Bridge.

Cllr. McDonnell is also expected to call for a special meeting with Council planning engineers regarding the current situation in Lismore town where it is almost impossible to buy building sites for new houses.

Another issue he will raise at next Monday's meeting is the entrance to Tallow town, which he recently described as 'disgraceful.' Cllr. McDonnell will put pressure on the Council to erect a new stone wall from Tallow Bridge to Tallow. Last year he was involved in securing a £70,000 allocation for the town centre under the town and village renewal scheme. Tallow Tidy Towns Committee received verbal agreement from the County Engineer three years ago that the wall would be erected — work which has yet to be carried out.
