V.E.C. Members Claim Objectors Being Set Up

By AISLING CONROY
According to several members of the Co. Waterford V.E.C., a group of residents from Childers Estate who have expressed reservations about the siting of the proposed new Technical College on the seafront near their estate are being 'set up' by people with a very different agenda.
That's according to V.E.C.

member Jimmy Byrne who spoke out on the subject at last Monday's meeting of the committee. Mr. Byrne said he has a suspicion that somebody was behind the residents group. He was supported in his claims by Cllr. Lar Hart who said he knew personally of someone who was pushing the Childers Estate residents to

Villierstown Tidy Towns Report

The following is the adjudicators report on Villierstown which was visited by the Tidy Towns judges on July 11. Last year's results are in brackets.

OVERALL DEVELOPMENTAL APPROACH 30 (23) Max. 50

Thank you for a well filled in form and for the information contained in it and for the useful map. Villierstown, a former linen town, is a delightful village. It forms a complete entity on its own, separated from the surrounding countryside by two quite charming entry points, one from Cappoquin through Dromana Drive and the other from Clashmore. All

the work being done very much enhances the tranquility of the village. Poles and overhead wires are however very discordant and their removal should be a primary objective.

THE BUILT ENVIRONMENT 28 (26) MAX. 40

The Gate Lodge was a delightful and surprising entry to this village. The only other large buildings, the old Court House, the Church and the School are all well presented. The plaques explaining all items of interest are a wonderful addition. They bring the form and character of the whole village into focus. The colour schemes chosen

are most successful and add vibrancy. The treatment of unoccupied buildings is very satisfactory. Rather than being discordant they blend in with the existing housing and shops.

LANDSCAPING 32 (29) MAX. 40

The clearing and restoration of grass at Dromana Drive has been most successful and this together with the Green give the village a wonderful sense of greenness and order. They are very well presented with suitable shrubs and trees. The link road to the Quay is also very attractive.

WILDLIFE AND NATURAL AMENITIES 22 (21) MAX. 30

Villierstown is fortunate in its location and setting to be able to include many natural amenities. The proximity of the River Blackwater is a major asset in this regard. The small area of marshland that has been set aside close to the Quay to encourage waterside life is highly commended, as is the policy regarding hedge cutting.

LITTER CONTROL 28 (28) MAX. 40

Litter control was excellent except for one black spot at the Quay where the small bin was overfull and the litter had spilt onto the ground. A larger bin might solve this problem.

TIDINESS 15 (14) MAX. 20

Again at the Quay, there was a problem. The cord from the pole to the life buoy was grossly tangled, making the life belt useless. It is important that this always be kept in perfect condition even though one of the facts of contemporary living is that items like this life buoy seem to get vandalised. There was a slight clutter of signs at the end of the village. The finger sign directing to the Quay is difficult to read. Perhaps the readjustment of these signs

could be considered.

RESIDENTIAL AREAS 20 (19) MAX. 30

The residential areas are extremely well presented. The colour schemes used are most successful and together with the delightful gardens and green areas add vibrancy and unity to the whole village.

ROADS, STREETS AND BACK AREAS 25 (26) MAX. 40

The finger sign directing to the Quay is difficult to read. Perhaps the readjustment of these signs could be considered. The drive down to the Quay from the village is very pleasant, with earthen banks and hedge. Ferns proliferate on these banks.

GENERAL IMPRESSION 6 (6) MAX. 10

The general impression is one of pleasure at such a delightful village. The sense of co-ordination and pride among all those involved in very obvious. All are to be highly applauded.

SECOND ADJUDICATION ON AUGUST 14

Villierstown was excellent in its presentation on second adjudication also. Margins and grassed areas were neatly trimmed, flower displays and shrubs were being well maintained and young trees are maturing nicely. A number of residential properties on the road to the school could have been improved in respect of their roadside boundary walls. One or two untidy sites were noted on the northern entrance to the village (Clashmore). We wish you well in your objective of developing a riverside walk and connecting this to the village by reopening an old pathway. It is very definitely a worthwhile undertaking. We also wish you well regarding derelict sites and buildings. Thank you for your continued participation

QUESTION

My husband has had a stroke and cannot manage to get upstairs. Can't I get assistance to put in a toilet downstairs?

ANSWER

You should contact your County Council or borough Corporation for information on Disabled Persons Grants. Disabled Persons Grants are payable where alterations need to be made to a house to make it suitable for a physically disabled or mentally handicapped or mentally ill person. Alterations could include making the dwelling wheelchair accessible, moving light switches, door handles, installing a ground floor bathroom and toilet. The cost of the alterations must exceed £200.

Grants can be made for either local authority or privately owned homes which are at least one year old. In the case of local authority housing, the entire cost will be covered. For private homes up to two thirds of the cost may be granted, subject to a maximum of £8,000. As with other Department grants, work must be carried out by a registered contractor.

In planning extensions or adaptations to their homes, people with disabilities should ensure that they apply for a grant in good time — the grant will not be made if work has begun before formal approval of the application has been received.

Local authorities do have discretion in regard to these schemes.

Technical advice may be available from the National Rehabilitation Board, 25 Clyde Road, Dublin 4. Tel. 01-6684181.

County Register Goes On-Line

Last week, Waterford County Council became the first local authority in the country to provide an on-line countywide service to the register of electors.

This new service was launched by Council Chairman Lar Hart at a reception in the Dungarvan branch library.

According to County Librarian Donald Brady, the register is one of the largest, most useful and current of the information services provided by local authorities. It contains 41,386 records at present and will be automatically updated each spring when the new register comes into force. It is now possible on a name or address basis to check details on a countywide basis at every automated branch library in the county.

Enquiries, can be carried out by the public as well as the staff and telephone enquiries will present no difficulty. Potential voters can check if they are on the official register and what polling station they attend.

Cllr. Hart complimented Mr. Brady and the library staff for taking this new project on board.

Where Drinks Float Out Of Their Cups

It is difficult to imagine a world without gravity — there would be nothing to keep your feet on the ground.

Each time you took a step you would float off into the air — eventually heading out into space.

The Earth has powerful gravity but on the Moon is it much weaker, only about a tenth of the strength.

Astronauts who have been there found they

could bounce into the sky. A movement that would have been a small hop on Earth was a giant leap on the Moon.

In space there is hardly any gravity at all — and when astronauts leave their spacecraft there is a real danger they could drift away into the darkness.

To stop this they wear a special rocket engine pack which pushes them in the direction they need to go.

Tools, drinking cups — even food and drink — will float away unless something holds them in place.

When an astronaut wants a drink and there is no gravity he cannot hold a cup to his mouth like we do on Earth. The liquid will not pour, it will simply float off into the cabin.

To stop this happening, astronauts must suck their drinks through a tube — and food has to be pushed straight into their mouths.

The rules of movement they are used to on Earth cannot be used in space.

Where was Joan Of Arc Burned To Death?

Joan of Arc, the peasant girl who brought the French to victory at Orleans and Charles VII to his coronation, was burned to death as a heretic by the English May 31st 1431, in the Place Vieux Marche in Rouen. Her great deeds of heroism and leadership played a major part in the revival of France at the crisis of the Hundred Years War against the English. She claimed to be inspired by the voices of three different saints.

She was born in 1412 at Domremy, a village situated between Champagne and Lorraine on the banks of the Meuse. She was a happy young girl, who brought cattle to the fields and played with people of her own age. When she was 13, she began to hear voices and see visions. Later these voices persuaded her to go to Orleans and raise the siege of the city. She received approval from the church entered Orleans and defeated the besieging English.

After a well known battle at Patay in June 1429 she led the French to victory and she persuaded Charles the Dauphin to go to Rheims where he was crowned king. Joan the Maid of Orleans, was in attendance and stood near the altar during the ceremony holding her banner aloft.

Joan was captured by the Burgundians in a fight on May 30th 1430 and they handed her over to the Bishop of Beauvais. She was questioned by the church and then handed over to the English. Throughout her ordeal until the moment she was about to be burned she claimed that the voices were sent to her by God. The executioner said later that her heart wouldn't burn and that it was found intact in her ashes. This story is part of the legend of Joan of Arc.

Council To Examine Roads In Springmount/Lisfennell Area

A report on the traffic situation in the Springmount/Lisfennell area in Dungarvan has been requested by Waterford County Councillor Jackie Fahey.

Cllr. Fahey, who is a resident of the area, told last week's

Council meeting that traffic in this particular location has increased enormously with the construction of Lisfennell Close and numerous other private houses.

"People are continuously trav-

elling narrow roads at high speed", said Cllr. Fahey who pointed out that there are many exits, entrances and cul-de-sacs around the area, making it extremely dangerous for drivers.

He requested that the County Engineer John O'Flynn examine the situation and that a report be submitted by the engineering staff at the October meeting of the Council.

Mr. O'Flynn agreed that the roads at Springmount/Lisfennell are too narrow and said that

more houses are expected to be built in the area. With such a large number of houses, Mr. O'Flynn said it would be a ridiculous situation not to have adequate roads to deal with additional traffic. It would be a flaw in planning if a local authority was to allow a huge number of houses in an area.

Likewise, Co. Manager Donal Connolly said that if planning permission is granted to a project, adequate roads are required for proper access.

Kyne Calls For Local Authority Houses In Villierstown

Waterford County Council are to examine derelict sites in Villierstown with a view to building local authority houses in the area.

Speaking at last week's Council meeting, Co. Manager Donal Connolly said he agreed fully with the sentiments of a notice of motion moved by Cllr. Billy Kyne that the Council's housing policy would include houses to be built in Villierstown availing of derelict sites or other available land as a matter of urgency.

Cllr. Kyne disclosed that is a strong community group in Villierstown who work hard to raise funds and make the area more attractive. The Council, he suggested, could endorse their actions by building houses in the village which would be wel-

comed as a great support and encouragement to the community.

"The Council could look at the feasibility of developing derelict houses", he added.

Worst Road In Knockanore Area?

Described as one of the poorest roads in the area, Cllr. Willie McDonnell has requested Waterford County Council to resurface the road at Ballyphilip, Knockanore, leading to Mary Moloney's, Liam Ahern's and Tomas Moloney's.

County Engineer John O'Flynn confirmed that the Council will fill in the pot holes and cut the sides of the road in the coming week.

SNIPPETS FROM DUNGARVAN UDC

BY AISLING CONROY

BROKEN GLASS ON BEACH

At last week's meeting of Dungarvan UDC, Cllr. Nuala Ryan highlighted the problem of broken beer bottles on Abbeyside beach. Cllr. Ryan said she had walked the beach prior to the Monday night meeting and had found broken glass from beer bottles at the base of the wall down by the new road.

COUNCIL TO PART-FUND CHRISTMAS LIGHTS

Members of the Urban District Council have unanimously agreed to award a grant of £5,000 this year to Dungarvan Chamber of Commerce towards the cost of Christmas lighting in the town.

The existing lights, first used in 1992, were financed by contributions from local businesses and supplemented with a term loan. Since then the festive lighting with an annual maintenance cost of around £9,000 has continued to be funded by local businesses.

These contributions however have not been sufficient to meet the ongoing costs of the lights and the Chamber has accumulated a loss of almost £11,000 over the five year period.

In a recent letter to the Council requesting financial assistance, the Chamber said that the Christmas lighting provides an atmosphere and serves as an attraction to all individuals in the Dungarvan and surrounding areas.

Recommending that the Council make a contribution of £5,000 to the Chamber was County Manager Donal Connolly who said that the Christmas lights are a major asset to the town from a commercial point of view.

Members agreed that the £5,000 grant can be offset by a comparable rise in the commercial rate - approximately .20p.

DANGEROUS JETTY ON QUAY

The jetty at the Dungarvan quay has been described by the UDC Chairman as an accident waiting to happen.

Speaking at last week's Council meeting, Cllr. Austin Flynn said the jetty is now at a stage where it is about to fall down. The high tides and heavy rain of the summer have weakened the structure, moving the stones apart.

Cllr. Flynn warned that the jetty needs urgent treatment to make it safe and in the interim, he urged that barriers should be erected preventing the public from walking onto it.

£2,000 TOURISM CONTRIBUTION

Dungarvan UDC have made a contribution of £2,000 to Dungarvan Tourism Ltd. for 1997 which was already provided for in the estimate of expenses for the current year.

MS CYCLISTS CONGRATULATED

The 32 cyclists who took part in the recent 130 mile sponsored cycle in aid of Dungarvan Multiple Sclerosis were congratulated last week by UDC Chairman Cllr. Austin Flynn.

Cllr. Flynn said the cyclists, including the Council's Acting Town Clerk Joe O'Flaherty, had gone to a lot of trouble in preparation for the gruelling course.

"They are all to be congratulated on their achievement", he declared.

TRAFFIC MANAGEMENT MEETING

A special meeting of Dungarvan UDC dealing specifically with traffic management proposals for the town will be held on October 6th at which members of the Gardai and the County Engineer will be present.

The various proposals to ease the congested traffic situation in the town centre include the introduction of one way system at Western Terrace, provision of single yellow lines at Church Street and New Chapel Street, on and off-loading bays for lorries at O'Connell Street and the introduction of a residents parking permit, etc.

Draft car park bye-laws for Davitt's Quay and Scanlon's Yard car park will also be considered by members at this meeting.

The Council is currently awaiting observations from the Dungarvan Chamber of Commerce who are at present carrying out a detailed survey of local business reaction to the traffic management proposals.

GREEN LIGHT FOR NEW GUESTHOUSE

Planning permission has been granted to Mr. P. Spratt, Failte House, Rice's Street, Dungarvan for a two storey guest house comprising 15 guest bedrooms, lounges, dining room, kitchen, service areas and housekeepers quarters together with car parking sites and signage on his lands adjoining Failte House on the Youghal Road.

RAT INFESTATION

A high incidence of rats in the vicinity of the railway line near Kyne Park, Abbeyside was described last week by Cllr. Nuala Ryan as an 'infestation'. Cllr. Ryan asked when the Council will

clean up the abandoned railway line and rid the area of this problem.

County Manager Donal Connolly said clean up work will be "put in hand very soon". The Town Engineer Ray O'Dwyer, explained that the Council intend to remove an entire embankment behind the houses which, he said, is inhabited by rats and mice.

PRaise FOR PATTERN

The recent annual Abbeyside Pattern received strong praise by members of Dungarvan UDC last week. Proposing a vote of congratulations to Chairman Johnny Hourigan and the organising committee was Cllr. Michael O'Riordan who said the event is going from strength to strength.

Council Chairman Cllr. Austin Flynn who attended the official opening of the pattern was also loud in his praise of the event.

DUMP BREAKING SKYLINE?

The rapid enlargement of the town dump at Ballinamuck was highlighted last week by Cllr. Michael O'Riordan who said the dump now resembles a three storey building.

"It's gone out of all proportion", he stressed. "We'll be prosecuted for breaking the skyline soon enough".

County Manager Donal Connolly said the Council intends to phase out the dump and replace it with a new central landfill catering for both the county and city waste.

A 150 to 200 acre site has yet to be identified for this purpose. This total acreage includes the area required for offices, recycling facilities, treatment plant and a generous buffer zone to adjoining properties. The actual site of the landfill may be in the region of 50 acres over the 20 to 25 year life span of the site.

REPORTS DUE ON HARBOUR

Responding to a query raised by Cllr. Damien Dillon at last week's meeting, Town Engineer Ray O'Dwyer said a report on the silt study in the harbour and the condition of the quay walls is due sometime this month.

The Council is currently considering two options of improving access to the harbour, either by ploughing the harbour or by pumping the silt out of the quay. The reports will be considered by members at their October meeting.

LADIES TEAM A CREDIT TO COUNTY

Dungarvan UDC are to write to the team members

and mentors of the u-16 Waterford ladies football team who recently became All-Ireland champions. Proposing the vote of congratulations was Cllr. Lar Hart, seconded by Cllr. Nuala Ryan who said the girls are a credit to the county.

VIRTUALLY RADON FREE

A recent survey carried out by the Radiological Protection Institute of Ireland has found that levels of radon gas in Dungarvan is less than 1%, the lowest category measured in the country.

That's according to Town Engineer Ray O'Dwyer who read out the report at last week's Council meeting.

Concerns about the levels of radon in the area were previously raised by Cllr. Lar Hart who was skeptical of the Institute's findings. Having researched the subject, Cllr. Hart said it is almost impossible to measure radon in an area as each individual house has to be tested.

For people worried about the level of radon gas in their home, Cllr. Hart said it costs £15 to get a house tested for radon and the problem can be remedied. He added that he has application forms for a radon test if anyone is interested.

ABBEYSIDE HERMITAGE- A GREEN OASIS?

The ongoing saga of the derelict green area known as the 'Hermitage' in Abbeyside was raised once again by Cllr. Nuala Ryan at last week's meeting. Cllr. Ryan enquired whether the owner of the site has been served with a notice under the Derelict Sites Act or the Dangerous Buildings Act.

County Manager Donal Connolly said that such an action had not been taken by the local authority 'at the moment'.

Cllr. Michael O'Riordan declared that the 'hermitage' problem has been ongoing since the early 80's.

Likewise Cllr. Billy Kyne said the situation is beyond acceptability. The whole area of Abbeyside, he said, is being built on at an extremely fast rate and he added that it would be good long term value for money if the UDC were to acquire the site as a green 'oasis' area.

"It's a project we should consider", urged Cllr. Kyne who felt that such a green area would act as a buffer zone for the nearby Abbeyside school.

Mr. Connolly said he would examine the matter but admitted that such an acquisition would be expensive.

Famine Memorial At Reilige An tSléibhe

Photo shows (l. to r.) Mrs. Connolly, Tom Morrissey, Nora Fahey, Donal Connolly, John Creagh, Martin Curran and John Kiely.

On Sunday, August 31st there was a special Mass at Reilige an tSléibhe, Pulla, Dungarvan by the Seanacaf Bar and Restaurant. This was in memory of the terrible famine period with this year marking the 150th anniversary of the worst disaster in our recent history.

There is a proposal for a memorial to register our lament for all those who died in this disastrous period. It is to be located beside the entrance to the graveyard by the Seanacaf on the side of the main Waterford-Cork road the N25. The proposed memorial has been designed by scul-

tor John Creagh who has a home locally on Helvick Head. The concept is based on the influence of the poem by Maire Ní Dhroma c. 1845. The proposed sculpture will include three figures and a representation of a coffin on which a line of the poem will be inscribed. The proposed

sculpture will be cast in bronze with stone surround. The work will commence on the final memorial as soon as the remaining funds can be raised. In the meantime, a temporary structure was unveiled by members of the committee to introduce the concept, in this, the anniversary year.

McDonnell Opposes Dana Nomination

Former Eurovision song contest winner, Dana, has sought the backing of Waterford County Council in her nomination for President of Ireland.

Her nomination however struck a chord of discontent with Cllr. Willie McDonnell who told last week's Council meeting... "if we want to sing our way to Aras An Uachtarán then there would be no prob-

lem". Cllr. McDonnell said Dana would not be suitable as the President of Irish people in this modern age.

Cllr. Gary O'Halloran however said he would respect her nomination and would not prevent anyone from entering the race.

No decision was made by members and Dana's appeal for the Council's support was marked 'read'.

Lismore Bell Festival

The bells of Lismore Cathedral had fallen into disuse through lack of anyone to ring them, when a chance meeting led to a sudden and dramatic revival. Millie Balding (nee Sutton) now in her 80's, is the daughter of the verger who used to ring the bells before the war. She lives now in England but while on holiday in Lismore three years ago, she attended the Harvest Festival Service. Her lively account of her father's bell ringing inspired Jason Turk from Knockanore, then nine years, to try his hand—literally! He was barley old enough to reach the ropes but he found that he really loved ringing! He was soon joined by his elder brother Robin, and Martin McNamara from Lismore, who was inspired to join in when he heard the bells ringing. They were all greatly encouraged by the response of the townspeople who were amazed, delighted and—in the case of some of the older people—deeply moved to hear the bells ring out once again.

The three boys, Jason now just twelve, Robin and Martin both fifteen, have been ringing ever since. They are all talented musicians, Martin has his own rock band, Robin plays classic guitar and sings with Cór Coláiste an Chraioibhín, Jason is county champion at the Fleadh, on tin whistle, piano and mouth organ. They play the bells as they have probably never been played before—jigs, reels, ballads, Bach minuets, Beethoven sonatas, jazz and spirituals as well as modern hymns like Lord of the Dance—the fast ones especially requiring considerable physical agility as there is no keyboard and every bell must be pulled by hand.

The bells are 100 years old this year, and on October 4-

5 a Centenary Bell Festival will be held to raise money for urgently needed repairs to the belfry and overhaul the the bells. This event is the first of its kind in this area and promises to be a great occasion. The young people will be playing a very big party in this festival. In addition to recitals on the bells by the three young bell ringers, two harpists, Marie-Claire O'Sullivan, aged fifteen years an RIAM silver medalist, and Una Whyte, aged twelve years, both from Youghal, will be playing in the Cathedral. On Saturday evening the prize winning young people's choir Cór Colaiste an Chraioibhín offer an exciting programme of sacred music in lively, evocative modern settings, with flute and guitar accompaniment. The popular local choir, Blackwater Singers, will also be singing. On Saturday afternoon, Dr. Jan Van Putten, Cathedral organist, will be giving a recital. There will be historical displays of "Lismore in the Famine" and "Celtic Saints" in the Cathedral and floral displays on both days.

There are craft demonstrations in the Parish Hall—wood turning, jewellery and weaving—and as a big attraction for the young at heart, Robin and Jason will be presenting their model railway layout, a working scale model of a pre-war station and landscape, which they have been building themselves over two years. The teenagers Evelyn and Tara Coady and their friends are offering their highly skilled services as face painters—their novel approach to this art proved very successful at the recent Lismore Community Festival. They have a special link with the Cathedral as Harry Sutton, the pre-war bell ringer,

Jason Turk (12 years) ringing the bells

was their great grandfather.

To coincide with the festival Trinity student Sarah Dungan is launching her lively new guide to the Cathedral, based on her experiences as a tour guide. This will certainly help you enjoy your visit!

The Castle Gardens will be open both days, by kind per-

mission of the Duke and Duchess of Devonshire and this is an excellent place from which to hear the bells.

Mrs. Balding, the lady who inspired the present bell-ringers, will be returning to Lismore for the Centenary Bell Festival and will be an honoured guest.

PARISH PRIEST ELECTED TO VEC

Dungarvan parish priest, Fr. Nicholas O'Mahoney, has joined the committee of the County Waterford VEC.

The new parish priest was elected to the VEC at last week's meeting of Waterford County Council on the proposal of Cllr. Billy Kyne, seconded by Cllr. Tom Cunningham.

DUNGARVAN CHAMBER OF COMMERCE NEWS

TRAFFIC MANAGEMENT PLAN

We in the Chamber have long been aware of the large exodus of people to other towns and cities on a regular basis to purchase their weekly/seasonal shopping, a fact which was confirmed to us most strongly by the results of a Shoppers Survey we conducted in late 1996 early 1997. From this survey we established that one of the main reasons for this was the inadequate Parking/Traffic facilities available in and around the town centre. It should be stated that this was by no means the only reason cited, however, it represented an area within which the means for correction were readily accessible to both the Chamber and the U.D.C.

Recently the U.D.C. have put forward a number of proposals for the implementation of new bye-laws, in an effort to ease the overall traffic congestion experienced on an almost daily basis in and around the town centre. The Chamber fully appreciate the good intentions of the Council, but on viewing the proposals it became immediately apparent that some of these were not perceived to be in the best interests of the business people of the town. We immediately undertook a survey of the commercial interests involved, the results of which confirmed our worst fears, i.e. many of these proposals were not considered to be "Pro Business".

As might be expected from such a survey, a number of suggestions were put forward as to the long-term solution to Dungarvan's Traffic problem, ranging from the widely held belief that a major requirement was the provision of multi-storey car park which would alleviate a considerable amount of the pressure on the existing car parks to one-way systems/pedestrianisation of certain major thoroughfares. Based on an analysis of these results, a detailed submission was presented to the Town Clerk (Ray Moloney) for discussion by the U.D.C. members at their next meeting on October 6. We trust that the Councillors will give due consideration to the opinions of the business community when arriving at their final decisions. It must, of course, be emphasised that any bye-laws introduced at this stage can be viewed as being only a temporary solution. The fact being that given the current level of development (both currently underway and those in the pipeline), the commercial centre of the town is being relocated in a north-eastwardly direction, encompassing the Quay and the Lookout. This relocation will play a major role in future traffic flows and as such the entire traffic situation will need to be totally reviewed in light of these developments. It is envisaged that at this stage a fully comprehensive "Traffic Management Plan" will be introduced which will incorporate many of the suggestions mentioned above. Copies of the Chamber proposals are available to all businesses through our offices in Church Street.

Finally we would like to point out that we are at this present point in time very actively pursuing the AWG amalgamation in relation to its impact on the town of Dungarvan. A development committee is currently compiling statistical information and will shortly publish a document detailing their findings and setting out the outline for the future development of the commercial and industrial sectors of the town. Any individual, company or group or organisations out there who would like to make representations for inclusion in this document, should contact Leo O'Donnell at 21 Church Street, Dungarvan. Tel. 058-45054.

Knockanore Man Assaulted By Robbers

Gardaí are following a definite line of enquiry following a break-in at an elderly man's home in Knockanore.

84 year old Patrick Kelly who lives on his own just a stone's throw from the peaceful village of Knockanore was left badly shaken after the incident.

Two teenagers broke into his home at around 7.30 p.m. on Sunday evening, September 7th, demanding that he hand over money. Mr. Kelly acceded and gave them £60 which is all he had in the house at the time. The robbers immediately left and Mr. Kelly alerted a relative in Co. Cork who in turn alerted the Gardaí.

Minutes after they left the two teenagers returned to

the house and roughed Mr. Kelly up demanding further money. The alarm was raised shortly after 8 p.m. but the criminals had departed the scene on foot before the Gardaí arrived.

The incident has shocked the rural residents of Knockanore who have expressed anger and revulsion over the cowardly behaviour of the robbers. Many people in the area may have noticed any suspicious activities or may have seen the two teenagers prior to and after the event. Gardaí in Tallow and Dungarvan have appealed to the public for any information which may help them in their case. Gardaí in Tallow can be contacted at 56222 or contact Dungarvan Garda Station at 42370.

SCOUT NOTES

The meeting started back in earnest last Friday. It was decided to keep our meetings to a Friday as it was most convenient for the majority of the scouts. This year will be a busy one for the scout troop as we will be taking part in Unit weekends and day hikes. We also have scouts doing their next phase of their badge work. We hope to have more star scouts and also hope to have some national scouts as well. Remember lads it is up to you to achieve these awards.

REGIONAL MASS

The Regional Mass will take place on Sunday, September 28. The beavers, cubs and scouts sections will be attending and we hope to make a day out of it.

NEW MEMBERS

New members are always welcome. Beavers age category is 6 to 8 years; Cubs 8 to 10 1/2 years and Scouts 10 1/2 to 15 years. So if you are interested why not come down to a meeting and see for yourself. Beavers begin at 6.45 every Thursday night, Cubs at 7 p.m. on Monday nights and Scouts on Friday at 7 p.m.

BEAVERS NOTES

Beavers started back enthusiastically. We started the meeting with "Art Attack". We made pictures of our summer adventures. The most common scenes were of rain, roller-coasters and rockets. Then we played the much requested game "ship to shore". It must have been a long summer as all the rules were forgotten and much confusion followed until Danny explained all.

RECENT DEATHS

LATE MR. JOHN LAWLESS

It is with deep and sincere regret we pen the death of Mr. John (Sonny) Lawless, John Paul Place and late Short Street, Clonmel which sad event took place on Thursday, September 4th after an illness of some duration. The deceased was truly one of nature's gentlemen of a friendly, good humoured and generous disposition, his assuming wit, rich fund of anecdote and a remarkable facility in recalling and relating to experiences of days gone by. He was a postman in the Ballymacarbry Nire Valley district for many years, a post in which he was held in with high regard by the people of the district.

On his rounds he would visit the old and the housebound to find out if they needed any message for help or provisions. He was father of Rev. Fr. John Lawless C.C. who was curate in Fourmilewater/Newcastle for a number of years.

John possessed a most charitable outlook on life and was an excellent neighbour always ready to lend the helping hand and his demise is deeply and justifiably mourned by all who were privileged to have known him. The measure of the esteem and high regard in which deceased and his family are held was clearly visible on Friday evening by the large concourse of mourners who were present when his remains were removed from Condon's Funeral Parlour, Clonmel to SS Peter and Pauls, Clonmel.

On Saturday morning, the feast of St. Eleutherius (Abbot) requiem Mass was celebrated for the repose of his gentle soul. After Mass the funeral took place to St. Patrick's Cemetery where he was laid to rest in the presence of another large concourse of mourners who were present to pay their final respects to a Christian friend whose memory they will treasure. To his wife and family and his many relatives we extend our sympathy.

I líontaibh Dé go gcástar sinn.
(Undertakers: Condons, Clonmel).

LATE MR. JOHN RYAN

It is with deep regret we place on record the passing of Mr. John (Jack) Ryan, Heywood Road, Clonmel and late Carrigahorig, Lorrha, Co. Tipperary.

The deceased was in the shop trade in Clonmel where he was held in high esteem by the public. His favourite pastime down the years was mountain walking and his favourite mountains were the beautiful Comeraghs and those he walked many hundred times and his dying wish was that he be laid to rest in Fourmilewater Cemetery as it is in view of the

Comeragh Mountains.

On Sunday evening his remains were removed from Fennessy's Funeral Home, Clonmel to St. Mary's Parish Church, Clonmel. On Monday morning, the feast of the Nativity of the Blessed Virgin, requiem Mass was celebrated for the repose of his soul. After Mass the funeral left for St. Laurence's Cemetery, Fourmilewater and his wishes were carried out, he was laid to rest in view of the Comeragh Mountains. Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle officiated at the graveside in the presence of many of his friends who were present to pay their final respects to a good and honest friend.

Toil Dé go ndéantar.
(Undertakers: Fennessys, Clonmel).

LATE MISS JOSEPHINE MULCAHY

Profound and sincere feelings of regret were widely expressed at the news of the sudden passing of Miss Josephine (Josie) Mulcahy, Curraheenavoher, Ballymacarbry which sad event took place at her residence on Saturday, September 6th.

The deceased was a member of one of the districts best loved and respected families. A very estimable lady of many charming traits of character, her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all. A deeply religious lady, she rarely missed Mass or a function in the church at Fourmilewater most times on foot.

Josie was possessed of an old world charm and had a most charitable outlook on life. A wonderful neighbour,

she was always ready with the hand of help if the need arose and she is now deeply and justifiably mourned by all who held her in the warmest regards. The respect and high regard in which the deceased and her family are held over a wide area was evidenced on Monday evening by the large concourse of mourners who were present when her remains were removed from O'Donoghue's Funeral Home, Clonmel to St. Laurence's Parish Church, Fourmilewater where she had worshipped the Lord for over 60 years. Her remains were blessed and received by Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle.

On Tuesday morning, the feast of St. Omer and Blessed Peter Claver, requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Edmund Tobin P.P. assisted by Rev. Fr. Patrick Hallinan retired Foreign Mission. After Mass she was laid to rest in the family plot beside her late father, John who predeceased her by some 27 years. Fr. Tobin P.P. officiated at the graveside and Fr. Hallinan recited a decade of the Rosary in the presence of another large concourse of mourners who were present to pay their final respects to a dear Christian friend.

To her mother Ellen, her sister Alice, her aunts and her many relatives, we extend our sympathy.

Go raibh loistin den scoith aici i measc na naomh.

LOCAL LADIES TAKE THE REINS

Two very enterprising ladies Mary Cronin and Peg Power, Kilmacomma have taken over the reins of one of the finest licensed establishments around these parts, namely the Road House, Hidden Inn, Kilmanahan.

This tiny hamlet of Kilmanahan is situated some four miles west of Clonmel on the Dungarvan road in the county Waterford. The lounge and bar is situated in a picturesque area of the countryside and if the climate is sunny, one can sit outside and have a drink and a chat. The previous incumbents of the premises P.J. and Marian O'Neill, Russelstown made a fine job of the Hidden Inn and built it into the grand venue it is today. We wish the best of luck to those two ladies Peg and Mary.

A major pool tournament has got underway to honour the memory of Johnny Gleeson, Clonagegale, Ballinamult who lost his young life in an accident at Touraneena some months ago. Some 90 players have entered and the games got underway on Monday night last. The proceeds are in aid of the Spina Bifida Research.

V.E.C. Members Claim Objectors Being Set Up

object to the college development. Cllr. Hart said he was considering whether or not to reveal the identity of the person in question.

Likewise Cllr. Paddy Power also expressed the view that other people were working with the Childers Estate residents. He pointed to the fact that a deputation of residents had met with arriving Council members prior to their meeting last week and claimed that someone associated with the Council had given the meetings agenda to the residents "whatever their motive had been," he added.

Earlier this month the V.E.C. lodged an application for planning permission with Dungarvan U.D.C. for the erection of a single storey vocational school at Ringnasilloge. At a subsequent meeting of the Urban Council, mem-

bers agreed to publish a public notice in the local papers informing people of their intention to rezone the area at Ringnasilloge to allow for the construction of the college.

The area in question is zoned in the Dungarvan Development Plan for recreation and amenity. Therefore in order for Council officials to ever consider granting planning permission for the college, a change in land zoning is the first priority.

These public notices were published last week and the Council is waiting on any submissions or observations from members of the public up to the start of October.

The matter will then be voted on by U.D.C. members at their October meeting. Should members agree

to grant planning permission to the project, potential objectors would then have a month to lodge any objection with An Bord Pleanála.

Meanwhile Acting Chief Executive Officer at the Co. Waterford V.E.C., Kieran Heffernan is currently in the process of arranging meetings between V.E.C. representatives and the Childers Estate residents with a view to ironing out any difficulties which may arise.

Spokesperson for the concerned Childers Estate group Jerry Collins, said the proposed £1m plus college would bring problems to the area such as increased transport services, noise and vandalism. He claimed the college would greatly interfere with the progress being made in the estate between the residents and the Coun-

cil under the estate management programme.

Meanwhile the existing V.E.C. college at Wolfe Tone Road which will eventually be replaced by the new facility continues to deteriorate. Condemned by the fire authorities, conditions at the school have depreciated so much that only last July some members of the V.E.C. were even contemplating the closure of the school for the safety of students and teaching staff.

A total refurbishment of the 60 year old building would cost in the region of £117,000 which an electrical overhaul of the building has been estimated at well over £24,800.

The Department of Education are very reluctant to sanction large amounts of money on the Dungarvan College in view of the fact that the replacement school is now at the planning stage. The committee is still awaiting approval from the Department to proceed with limited repairs on the windows and electrical work.

Local Drama Club Scoops Major Award

Dungarvan Dramatic Club has scooped the prestigious Waterford Crystal/W.L.R. FM Arts & Entertainment Award.

This award is given out to various arts and entertainment groups four times a year and to date the adjud-

cators have had a tough task in deciding between the credentials of competing nominees.

For the first time in its history, the Dungarvan Dramatic Club produced one of the great Shakespearean dramas, "The Merchant Of

Venice".

The local club was one of three nominees shortlisted for the award, the other two being Waterford Music Theatre and the Waterford Institute of Technology staff art exhibition.

Announcing the winner at a reception in the Waterford Crystal Gallery recently was Finance Director, John Fearon. Mr. Fearon related how the Dungarvan Dramatic Club was founded 56 years ago in the dim days of the Emergency when, before television arrived, entertainment was live.

Directed by Pat Halloran and starring Siobhan Buckley as Portia and Brendan Morrissey as Shylock, the Dungarvan Dramatic Club's production of

"The Merchant Of Venice" played to packed houses for a five day run. Over the years the club has produced works from Priestley to Wilde, from Synge to O'Casey.

"It may have taken them 56 years to get round to the genius of the Bard of Avon," said Mr. Fearon, "but I think everyone will agree that it was a superb choice of production and one that was suitably rewarded by being sold out. I am delighted that the award is going to the west of the county and it gives me particular pleasure to present the Waterford Crystal/W.L.R. Arts & Entertainment Award to Dungarvan Dramatic Club."

Lismore Notes

LISMORE ARTS CENTRE OFFICIALLY OPENED

On Friday night last the official opening of Lismore Arts Centre at Dromroe was performed by Peter Murray, curate of the Crawford Gallery, Cork. Mr. Murray told the large selective audience he was very honoured to be asked to open the Arts Centre. He went on to say Lismore had a history dating back to St. Carthage when the town had a university and concluded by saying he wished the new Art Centre the very best and could see from the courses already having taken place how successfully the centre will be.

The Lismore Art Centre is the brainchild of Wisly Martin and Susie Wingfield and the latter in a brief address welcomed all to the opening. She thanked the very many who had helped and paid special tribute to the

"LEADER" for their help and work in the planning etc.

The studio was originally an old barn converted into its present beautiful state. Eleven courses have taken place since June 6 comprising courses in Landscape, Flower Arranging, Botanical Painting, Life Drawing, Beginners Course which was a resounding success, Improvers Course, Basket Weaving and two weekend courses with Arthur Maderison which proved a great success tourist wise also as there were visitors from America, England, Northern Ireland, West Cork and Dublin present for both weekends. Also outstanding was a children's paint shop.

Courses planned are this Wednesday, September 17 - Gardening With Nature by Mike McKenna (Blackwater

Garden Centre) and Water Colour Weekend with Meriel Nicall and Creative Colouring and Machine Embroidery by Kerry Pocock.

We take this opportunity to wish both Susie and Wisly the very best with the Arts Centre.

LATE MRS. MARY HALLISSEY

The death took place on Monday, September 1 at her daughter's residence in London of Mary Hallissey (nee Clancy), relict of Michael Hallissey, Ballinara and Parks Road, Lismore.

The remains were removed on Thursday, September 11 last from St. Carthage's House Mortuary to St. Carthage's Church and the burial was on Friday, September 12 after 11 a.m. Mass to St. Carthage's Cemetery.

The deceased is survived by her daughter Mary, son-in-law Michael, granddaughter Louise, relatives and friends to whom we extend sincere sympathy.

SYMPATHY

We extend sincere sympathy to Mrs. Nora Hogan and Frank Geoghegan, Fairfield, Lismore on the death of their brother, Joe Geoghegan which sad event occurred in Tralee last Thursday, September 11.

CONGRATULATIONS

Heartiest congratulations to Lismore Cricket Club on winning the Towns League Cup Final in Lismore on Sunday afternoon last when they easily defeated Coolmountain in the final.

LISMORE BRIDGE RESULTS

September 10 - 1st: Teresa Doocey and Brid Bergin, 2nd: Marjorie O'Brien and Mai Burke, 3rd: Geraldine Canning and Kay Barry. Enquiries re Bridge Lessons for beginners phone 54139 or 56387.

BEST OF LUCK

We wish the Lismore senior hurlers the very best when they play Passage in the County Semi-Final next Sunday. What does seem ridiculous to us is that they must travel to Walsh Park. What is wrong with Dungarvan? Do those at the County Board level ever think of those who have to travel?

DRAMATIC SOCIETY NOTES

Our Annual General Meeting will take place in the Courthouse Theatre on Thursday next, September 25 at 9 p.m. We will have a full review of the past year's very busy schedule and also plan for the coming year.

Over the last three seasons we have produced three very different musicals, "Little Shop Of Horrors", "Jesus Christ Superstar" and "Oliver". We have secured the nights to a very exciting musical which we will perform in late February next year. We expect all our regular members to be involved in the show but we extend a particularly warm invitation to anyone who would like to be involved in any aspect of our production. Audition dates will be announced at a later date but we need a lot of support as well backstage and front of house. So don't be shy - come along and experience a wonderful theatrical experience - Thursday, September 25 at 9 p.m.

LISMORE SOCCER NOTES

Lismore played their first game of the season on Sunday morning last when they had Gortroe as visitors in the first series of games in the Tony Bolger Cup.

Fielding very much under-strength and with a young side, Lismore held the East Cork side until 17 mins. from the end when the visitors got the all-important score. Try as they might Lismore could not get the equaliser they deserved.

The young and inexperienced players will have learned a lot from this encounter as it is a big step up from underage football to senior football.

Team: K. Hornibrook, P. Fitzgerald, J. Ryan, A. Meagher, M. Caples, A. Landers, M. Ormonde, M. Kearney, T. Veale, P. Howard, D. Howard. Subs: K. Landers, P. Walsh, Martin Ormonde.

Next Sunday Lismore play away to Cappoquin in the second series. Kick-off 11 a.m.

On Saturday night, September 27 in the Red House, Lismore, the first draw in the Red House League Confined Draw will take place. Draw will commence at 9 p.m. Joe Tobin and Dave Landers have still a few tickets left so contact them before the weekend if anyone wants a ticket which are only £5 per month or £20 for the draw for all fully paid up members.

Finally the club would like to sympathise with the Budds family, Inch on the tragic death of Martin which sad event occurred recently.

LISMORE G.A.A. NOTES

SENIOR HURLING SEMI-FINAL

On Sunday, September 21 at 2.15 p.m. we play Passage in Walsh Park in this year's Senior Hurling Championship. The team (kindly sponsored by Decie Fuel) have trained hard for this clash with our eastern rivals and at the time of writing these notes report a clean bill of health and while we all disagree with the venue (completely out of our control) we appeal to all our supporters to travel in strength to support the team.

On next Saturday, September 20 in Cappoquin at 5 p.m. our Junior hurlers play Abbeyside in the championship. So let's hope we start the weekend on a winning note.

LISMORE BADMINTON CLUB NOTES

Now that the aches and pains of the first night back are out of the way, it's down to serious business. With teams being picked this Thursday night, everyone is working hard to impress the selectors. Anyone interested in going on a team must let Mag know before Thursday night. It's great to see so many back on court, also our beginners are getting into the swing of things already. If you have played before or would like to start now Monday and Thursday nights from 8 p.m. to 10 p.m. are the times to come along to the Community Centre.

Juveniles are being catered for this year on Saturday mornings starting next Saturday, September 20 from 11.30 a.m. to 1 p.m. Children must be 9 or over. They will be supervised. £1 per session. Newcomers welcome.

Finally people have been asking me over the last few days is it true? It couldn't be! Yes, I can confirm it - she really is 40. Hard to believe I know when she's at the top in her sporting career at the moment. Well as our Chairperson says, "there's nothing like fun and games to keep you young". He has proved the point that 'life begins at 40' though some of us feel that he's stretching it a bit at the moment!! Congratulations, Mag, enjoy.

LISMORE TIDY TOWNS NEWS

At a well attended meeting of Lismore Tidy Towns Group on Thursday, September 11, a happy mood prevailed on reading the Adjudicator's Report for Lismore Town in the National Tidy Towns Competition. With an increase of 11 pts. this year, Lismore achieved 3rd place in the County Awards with 222 pts. This placing would not have been attained had it not been for the hard work and huge effort put in by members of the Tidy Towns Group, Waterford County Council, FAS workers and Student Summer Employment Scheme. Sincere thanks also to those people who co-operated with our requests to paint and generally upgrade their property.

This is Lismore's first time to achieve a 3rd placing and with continued support from the local community our sights are set on a higher placing next year.

The adjudicator (the full report which will be published next week) was very impressed with the overall aspect of the town and stated that the county at large must be thankful to the citizens of Lismore who are putting so much effort into maintaining their heritage.

Dustin and E.S.B. Join Forces For Energy Awareness Week

Dustin the Turkey drops his drills and dusts off the dirt to join forces with E.S.B. to let punters know how to save a few bob by using electricity - right !!

National Awareness Week which runs from Sunday, September 21 to Saturday, September 27 is a specially designated week to focus our attention on the practical benefits to be gained from using energy more efficiently.

Dustin and E.S.B. are launching a major campaign to put across their message about the benefits of being more efficient in the way we use energy and let's face it Dustin has not much energy to spare and is always interested in finding out the best way to cut corners !!

Dustin will be popping up in all E.S.B. outlets nationwide with his CFLs and lagging jackets so call in for some handy tips on how to be more energy efficient.

Throughout Ireland new energy efficient appliances are replacing older and less efficient ones. A Compact Fluorescent Lamp (CFL) uses 80% less energy and lasts 10 times longer than an ordinary bulb of equal light output. Even simply placing a lagging jacket around a hot water cylinder can save up to 30% of waterheating costs.

Energy efficiency is not only confined to domestic users. Businesses have quickly realised the benefits of energy efficient lighting and better energy house-keeping resulting in huge savings. In fact since 1993 both homes and businesses have saved £36m by being more energy efficient.

One of the main activities in the southern region is the launch of National Awareness Week at the sponsored open day at Fota Wildlife Park on Saturday next, September 20. This is a family fun day not to be missed with entertainment for both young and old. Be energy aware use electricity - right !!

PEOPLE OF THE YEAR AWARDS

Dungarvan UDC has nominated Olympic gold medalist Michelle Smith for the 1997 People of the Year awards.

Proposing the world class swimmer at last week's Council meeting was Cllr. Billy Kyne who said Michelle is the ideal person to receive such an award not least for her achievements in her field of sport, but also for her "lack of hype" in retaining a common touch despite instant stardom, her interest in the Irish language and her success in overcoming a lack of training facilities.

His proposal was seconded by Cllr. Lar Hart.

AT THE SPORTSFIELD

Tallow Win Western Minor 'A' Hurling Final

Tallow 1-7 Abbeyside 0-8.
On Saturday evening as part of a double header, Abbeyside and Tallow clashed in the Western Minor 'A' Hurling Final. Tallow ended Lismore's ten year reign at this grade to reach the final while Abbeyside qualified after a series of games with Dungarvan so a great contest was expected. Tallow, aided with the breeze, opened their account with an M. Walsh point. Abbeyside roared back with four pointed frees from P. Landy after 18 mins. Tallow were struggling, in need of a break and they got it. A Tallow sideline cut was deflected to the net to draw the sides level. Tallow finished the half strongly with points from J. Baldwin, two pointed frees from P. Murray and P. Tobin to leave the half-time score Tallow 1-5 Abbeyside 0-4.

After the restart R. Henley extended the lead, the same player moments later hit a rasping shot for a goal but the woodwork denied him. P. Veale and P. Murray exchanged points to leave Tallow 5 pts. ahead with 14 mins. left. The last quarter belonged to Abbeyside. Three more pointed frees from P. Landy narrowed the gap to 2 pts. with 5 mins. left. The Village men threw all into the attack to get that precious goal, balls rained into the Tallow square but they held firm with Lady Luck smiling on them to win on a final score of Tallow 1-7 Abbeyside 0-8.

After the game Mr. Seamus O'Brien, on behalf of the Western Board, presented the Cup to Tallow captain J. Murray amid jubilant scenes. Playing well for Tallow were S. Slattery, J. Murray, M. Ryan, P. Murray, J. Baldwin, P. Tobin, R. Henley and S. McCarthy. For Abbeyside S. Burns, J. P. Keohan, P. Landy and E. Cashin all performed well.

Tallow: B. Power, S. Tobin, S. Slattery, D. O'Brien, S. McCarthy, J. Murray, M. Ryan, P. Murray, J. O'Donovan, J. Baldwin, P. Cronin, S. McCarthy, M. Walsh, P. Tobin, R. Henley. Sub: P. Henley for P. Cronin.

Abbeyside: S. Burns, B. Hayes, J. Phelan, J. Walsh,

M. Kiely, J. P. Keohan, E. Cashin, G. Hurney, J. Hayes, P. Veale, P. Landy, D. O'Dea, B. Mansfield, M. Murray, E. Hayes. Subs: G. Lyons for J. Walsh, R. McCarthy for E. Hayes.

Referee: J. J. Landers (Affane/Cappoquin).

Verdict — To be fair both teams did not play to potential. Tallow missed a number of good chances in the first half as did Abbeyside in the second. For excitement and commitment though this game was second to none. I felt Abbeyside at times looked tired after the exertion at the semi-final games. The Village men just did not score enough from play, this and bad luck proved their undoing.

Tallow, now in the County Final, will have to improve but as seen in the semi-final, I know they can. Down the middle, they're very strong and their forwards looked dangerous with good supply. Tallow will appreciate this tough close game and will be better from it, on song they will win the County title.

Noel Cummins best price - Tallow 5/4 to win County Minor title.

Intermediate Football Semi-Final

Ardmore 5-13
Modeligo 2-5.

The second game at the sportsfield was the Intermediate football semi-final between Ardmore and Modeligo. Ardmore, playing with the breeze, scored 3 pts., all frees from K. Flavin in the first quarter. S. Reddy opened Modeligo's account moments later but in reality Modeligo should have been well in front. After missing 6 scoreable frees, O. Flavin and P. Fitzgerald exchanged excellent points to leave 2 pts. between the sides with 10 mins. left. The remainder of the half belonged to Ardmore with K. Flavin's trusty left peg adding 5 pts. from play and placed balls also a point from O. Flavin to leave the interval score at Ardmore 0-9 Modeligo 0-2.

Soon after the restart Mod-

eligo's comeback chances were dealt a blow when O. Flavin sweetly finished a goal to the corner of the net. For the next 8 mins. Ardmore failed to muster an attack with Modeligo laying siege on their goal. P. Fitzgerald pointed to narrow the gap and they missed two excellent opportunities for goals.

On Ardmore's next attack a high ball kicked across the square was fisted home for a goal by O. Flavin. The game turned sour with a number of unsavoury incidents. Ref. E. Cunningham's patience was really tested and he had no option but to send a player from each side off. C. Hennessey and K. Flavin pointed to extend Ardmore's lead. Suddenly within a minute Modeligo scored two goals - one from an A. Bending penalty after being fouled himself and the other a P. Fitzgerald shot deflected to the net to leave 8 pts. between the sides. Another Modeligo player was then sent off and they completely lost their shape. J. Conway goaled for Ardmore then added a point and then another point from O. Flavin, B. Barron and P. Fitzgerald reduced the arrears.

In the dying moment that man O. Flavin scored another goal for his hat-trick and S. Veale finished the scoring by blasting home a penalty to leave the final score Ardmore 5-13 Modeligo 2-5.

Ardmore had some great performers, Owen and Karl Flavin gave an exhibition of shooting, scoring 3-11 between them. Also J. Conway, P. Gallagher, M. Supple, C. Hennessey, N. Keating. For Modeligo N. Donovan, P. Fitzgerald and D. Morrissey all played well.

Referee: E. Cunningham (Tallow).

Ardmore: S. Prendergast, P. Gallagher, M. Supple, M. Hennessey, K. McCarthy, A. Aherne, N. Keating, A. Sullivan, J. Hennessey, K. Lenane, K. Flavin, C. Hennessey, O. Flavin, S. Veale, J. Conway. Subs: P. Walsh for K. Flavin.

Modeligo: T. Kiely, J. Barron, N. Donovan, J. Power, S. Denn, B. Barron, D. Morrissey, J. P. Ryan, J. Fitzgerald, P. Denn, E. Power, P. Fitzgerald, A. Bending, E. Loneran, S. Reddy. Subs:

M. Power for P. Denn, R. Kiely for J. Barron.

Verdict — A difficult game to give a verdict on. Modeligo were disappointing after their great showing in the first round. The scoreline does them no justice considering they missed a stack of frees and several glorious chances at goals.

Ardmore did not have that problem as their attack were just lethal, they shot very few wides from play or placed balls. The scoreline is somewhat misleading for Ardmore though, they struggled for long periods in midfield and in half-back line. Their fouling rate was huge which was never punished. They also have suspension worries for the final.

Modeligo caused them all manner of problems when running at their defence and this, coupled with stupid fouling, will be and must be stamped out for their final. Ardmore had an excellent fitness level and must fancy their chance with such fire power in the final. I said last week that Lismore, playing as well as they did, would not be beaten and a great final is in prospect at the Sportsfield. Lismore will have to be at their best to win. I tip them to do so.

Noel Cummins best price Ardmore 4/5, Lismore evens, draw 9/1.

AFFANE A.F.C. NOTES

We played our first game in the Bolger League Cup last weekend when we were at home to Inch. We were short several players going into this game and not surprisingly we were under pressure early on. Inch had a couple of good chances before they took the lead after 20 mins. We recovered well after this goal, coming far more into the game and creating some good chances. With a bit of luck we could have been level at the break.

We started the second half well but self destructed after 10 mins. We were awarded a free in our own box but played a stupid ball across our own goal and let an Inch player in for the simplest of goals. Inch could have scored on several occasions after this as we went to pieces. They got a third goal midway through the half but we came more into the game after this and had a goal disallowed before the end but the outcome of this game was never in doubt.

This was a disappointing opening to the season as we looked very ragged in this game and a drastic improvement is needed before the league starts if we are to challenge for promotion.

Team: B. Dunne, B. Denn, R. Prendergast, K. Reddy, D. Twomey, T. Hennebry, S. Coughlan, T. Kiely, C. O'Mahony, B. Hennebry, M. Prendergast. Subs: E. O'Shea, A. McGrath.

A Brief Guide To "Garden Talk"

Are you ever stuck for words? If you are new to gardening you will have noticed gardeners have their own words and phrases.

To take the mystery out of "garden talk," here are some of the most common terms:

Acid and Alkaline — An acid soil is one that is deficient in lime, and an alkaline soil one that has enough lime. Most vegetables do well in a soil that is slightly alkaline.

Aphids — A general term for greenfly, blackfly and the grey cabbage aphid.

Blanching — The practice of excluding light from the stems and/or leaves of a vegetable to improve the flavour.

Blind — A 'blind' plant is one without a growing point, sometimes the case among the brassicas.

Bolting — Vegetables go to seed before their time are said to 'bolt.' This sometimes happens with lettuce, particularly after transplanting in a dry period and also affects beetroot and carrots.

Brassicas — The term for greens and Brussels sprouts. Swedes, turnips, kohlrabi and radishes are also members of the brassica family.

Catch Crop — A crop grown quickly between the rows of a slower crop.

Compost — Manure made by the rotting of waste vegetable matter. The word is also used to describe a particular medium for seed sowing or potting.

Cordon — A method of training fruit, especially apples and pears, that keeps plants to a single stem.

Dibber — A steel pointed stick, about 30cm. long used for making holes for plants.

Drill — A narrow furrow, made with the corner of a hoe, into which seeds are sown at intervals.

F1 Hybrid — A first cross of two plants that have been inbred to "fix" certain desirable characteristics. In vegetables, F1 hybrids are usually of better colour and shape than non-hybrids, and are also more uniform in size.

Foliar Feed — Feeding a plant through the leaves by spraying or watering with a proprietary solution.

Green Manuring — Growing a crop such as rape or mustard to dig into the soil to improve the humus content.

Humus — The dark, residual material of decayed vegetable matter or animal manures.

Liquid Manure — This can be made by putting some manure in a hessian bag and suspending it in a tub of water. Leave it for several days, stirring it well, you should dilute it until it is the colour of weak tea.

Loam — Ideal garden soil - neither too clayey or too sandy.

Mulch — A layer of compost, lawn mowings, peat, sawdust, well-rotted manure or black polythene put between rows of vegetables.

Set — A small, immature bulb - an onion, for example - planted to grow on.

Spit — A spade's depth of soil. To dig 'one spit deep' is to turn the soil over to the depth of the spade.

Stopping — Halting the growth of a plant by pinching out the growing point. This is done with tomatoes when the plants have set as many trusses of fruit as are likely to ripen.

Tilth — Soil worked down to receive a crop. 'A fine tilth' is soil that has been raked down fine and even.

RESEEDING Weed Control

- Timing of reseed. At this stage the sooner the better. Later reseeds will have lower tiler counts next March.
- Weed seeds will germinate in tandem with grass seeds in new leys. Monitor all reseeds.
- Seedling docks, chickweed are the main problem areas.
- Where clover is present use either Legumex Extra at 5 pint/acre, Acumen at 3.5 pts./acre or Nintex at 5/0 pts./acre.
- Where clover is not important use either Duplosan or Astix at 1.0 - 1.5 pts./acre or other CMPP brands at 3.0 pts./acre. Use 25 - 22 gals. of water per acre.
- Generally spraying occurs 6 weeks approx. post seeding. However new leys are very advanced this year so again monitor the reseeds.
- Check for fritfly particularly where reseeding was done with minimal cultivation. The fritfly will eat the central shoots of the new seedling. Control using either Dursban, Gammacol, Clinch, Grubber, Decies.

CATTLE

Castrating Weanlings

To castrate or not that is the question. Teagasc studies indicate that there is no long term weight gain advantage in delaying castration.

Selling Weanlings

Most male weanlings are sold entire and the vast majority of weanlings are castrated after purchase.

The demand for weanlings for bull beef is limited. Over 25 - 30,000 young bulls are finished each year. The live export trade for weanling bulls looks very uncertain. Exporters prefer top quality heifers. Many farms purchasing male weanlings would prefer to purchase castrated animal.

* If not castrating, separate strong male and female weanlings. Fast growing heifers can go in calf at 7 - 8 months or earlier in extreme cases.

* If castrating, do it at least 4 weeks before weaning to minimise stress.

TILLAGE: Crop Damage Assessment 1997

Teagasc has been requested by the Department of Agriculture and Food to assess the losses on farms where cereal crops have become unharvestable as a result of the recent bad weather. Tillage farmers who have incurred serious losses of this nature should contact Teagasc, Dungarvan (058) 41211 with a view to inspecting the affected crop.

In accordance with Department of Agriculture and Food guidelines, Teagasc will only assess damage on farms where -

* Cereals are the main source of income on the farm.

* A significant proportion of the crop is unharvestable. Farmers must make a copy of their Area Aid applicator available during the inspection.

REPS: Preparing For Winter

You can't take risks around the farmyard in winter. Compliance checks on farms are still running at a high level and point source pollution from the farmyard will be a major focus for inspectors. To ensure you have no problem, check the following -

- Inspect concrete floors and ensure all joints are sealed. Make sure channels are not blocked and seepage tanks are empty.
- The deadline for spreading slurry produced last winter is the end of September under the REPS specifications introduced in May 1996. People who joined prior to the date and who have not had their plan revised have until the end of October. However if you are in doubt, check with your planner. Slurry should be applied to the conversation ground.
- Get out farmyard manure now. It can be spread up until the end of October. It can be stored in a compact heap 2m high and this may continue during the winter but having sheds cleaned early means ground won't be cut up in the emptying process.
- Don't spread slurry on waterlogged soil or when rain is expected within the following 48 hours. This is vital. Make sure you leave the appropriate buffer strips between watercourses, wells and rivers when spreading.

ALL LIVESTOCK INDUSTRY MUST SUPPORT LIVE TRADE

The ICMSA has expressed its concern that all sectors of the livestock industry may not be using all their efforts to secure the export of live cattle. Following a meeting of the Association's Administrative Committee the ICMSA President, Mr. Frank Allen, pointed to two issues.

(1) The failure of all sectors to fully support and work for a co-ordinated system to fund the legal challenge by livestock exporters against Pandoro's refusal to provide shipping facilities for live cattle, and

(2) The Department of Agriculture's dragging its feet on the examination of the livestock ship, "The Caroline" for the transport of cattle to European Markets.

Mr. Allen revealed that ICMSA will redouble its efforts to secure live shipments of cattle and, towards

this end, the Association is seeking a further meeting with the Minister for Agriculture and Food, Mr. Joe Walsh T.D., and with the Taoiseach Mr. Bertie Ahearn, T.D., as the final responsibility for facilities for the export of all products from this country rests firmly on the shoulders of the Government.

ICMSA CALLS FOR FARMER REPRESENTATIVES ON FOOD SAFETY AUTHORITY

Speaking at a seminar in Dublin Castle on the theme of "Building Understanding between Consumers and Producers", ICMSA President, Mr. Frank Allen, said that an intensive campaign was urgently required to educate consumers on the realities involved in good farming practice.

He said the Government must avoid giving too much weight to the views of con-

sumers in the new Food Safety Authority. "There is an urgent need for farmers representatives to be allowed to give their views to the Authority on how the problems experienced by the farming community in producing food can be solved.

Mr. Allen said farmers were currently deprived of a forum to inform consumers of the increasing difficulties they are facing in producing low cost high quality foods required by today's society.

The ICMSA President said the Minister for Health, Mr. Brian Cowen T.D., should allow farmers representatives to join consumers representatives on the Food Safety Authority. The Authority could then act as a forum to foster a greater understanding between the needs of consumers and the needs of farmers. He said farmers expertise and knowledge of food production must be given due consider-

ation in any debate on food standards and food quality.

"There is a major gap in understanding between farmers and consumers on the difficulties faced by both sectors in relation to food production. This gap could be bridged through farmer participation in the Food Safety Authority," said Mr. Allen.

Department To Make Every Effort To Pay 90% Of Area Aid Applicants On October 16

Waterford IFA Chairman, James Coughlan, has said that the Minister for Agriculture, Joe Walsh, had given a commitment at a recent meeting between IFA and the Minister that his Department will make every effort to pay 90% of area aid applicants on October 16 with remaining applicants to be paid shortly afterwards.

With regard to IFA's proposal for early payment of area aid, Mr. Parsons said "the Department argued that special permission from Brussels for this was unlikely before October 1 and for this reason the Department would commence payments

on October 16, the start of the EU financial year.

On IFA's request for the Government to match £ for £ EU revaluation aid, the Department told IFA that there were 'no funds available at the moment,' but in light of IFA's request they would look at the matter urgently. The Department confirmed that £1.2m of EU aid for the third revaluation has now been cleared by Brussels and would be issued to grain growers within the next week. This aid is equivalent to about £1.80/acre.

The Waterford IFA Chairman said the Minister agreed that Teagasc would immedi-

ately assess weather losses on the worst affected farms for cereals, potatoes and vegetables with a view to having all assessments completed by the end of September.

He said the Department also agreed to talk to the lending institutions in the interests of grain growers many of whom they acknowledged will have seri-

ous financial difficulties post harvest.

IFA Grain chairman, John O'Mahony said that in response to IFA's complaint that Irish grain merchants were exploiting grain growers this harvest by paying ridiculously low prices the Department of Agriculture agreed to speak to the merchants within the next week.

Inadequate Slaughter Capacity Must Be Addressed As Unjustified Pig Price Slide Continues — IFA

Waterford IFA Pigs and Pigmeat Committee representative Joe Flynn has said pig producers were severely worried at the continuing unjustified downward movement in pig prices this week contrary to general market trends throughout Europe. Prices at worst should have stabilised this week and viewed in the context of markets overall they should have risen. Mr. Flynn said "last week the G.B. spot prices for bacon pigs increased by 14p per kg. while the spot price for pork increased by 12p per kg (dead weight). This week, auction market prices for live pigs in G.B. are up 10p per kg. Clearly the market has

now turned and our analysis concurs with the latest Bord Bia market report."

Mr. Flynn continued "reports that slaughter houses do not have adequate capacity to kill pigs this week are a damning indictment on both the strategic planners and the large slaughterhouses. Increasing production is a gradual process the disposal of which can be planned. Killing to capacity may be a processors dream but is a producers nightmare. We must have a reasonable level of reserve capacity to cater for normal organisational and production difficulties in plants. This we do not have at the present time."

IMPORTANT NOTICE BOVINE BRUCELLOSIS ERADICATION SCHEME NEW BRUCELLOSIS COMPENSATION ARRANGEMENTS FROM 15 SEPTEMBER 1997

New compensation arrangements will apply to breakdowns occurring on or after 15 September, 1997. To encourage farmers to take appropriate measures to protect their herds, higher compensation rates will apply only in the case of eligible animals (i.e. female cattle and bulls aged 12 months or more) which have been pre-movement blood tested ('60 day tested') prior to purchase and then post movement blood tested within 30 days of purchase.

Eligible animals must be acquired from 'reliable sources' as defined by the Department. 'Reliable Sources' include purchases of eligible animals through special catalogued mart and dispersal sales or direct from farm to farm. In the case of special mart sales, all eligible animals at the sale must have been 60 day pre-movement tested, moved directly to the mart from the farms on which they were blood tested and moved directly from the mart to the buyer's farm.

In the case of dispersal/farm to farm sales, eligible animals must be moved in a single direct movement and must meet pre and post movement blood test requirements. Form ER109 must be completed by buyer and seller in a farm to farm sale at the time of sale and be received in the buyer's local District Veterinary Office prior to an outbreak of disease. Receipt of form ER109 will be acknowledged by the District Veterinary Office.

Each herdowner considering buying-in eligible animals on or after 15 September, 1997 should ensure full familiarisation with the new compensation arrangements, particularly in regard to the 'reliable sources' criteria, before buying in. The District Veterinary Office can be contacted in the event of any query.

An information pack including a copy of the new compensation rates and a summary of the new conditions is being posted to all herdowners. The new reactor and depopulation grant rates for all new disease breakdowns on or after 15 September 1997 are as follows:

TALLOW NOTES

BRIDEVIEW UTD. A.F.C. NOTES

UTD.'S 'A' TEAM COME FROM BEHIND

The opening game of the season for our junior teams was last Saturday when they both played against each other in the first round of the Tony Bolger Cup. Both sides were short players for this game.

The managers of both sides will not be too happy with this display from either side which was poor to say the least. However as this was the first game of the season, the managers will be hoping that with full panels of players, things will only get better.

Result

**Brideview Utd. A 4
Brideview Utd. B 1**

In a lack lustre first half in which the only goal fell to the B team when William Murphy set up Brian Donnelly who scored a fine goal, John P. Grey had a marvellous shot saved by Jimmy Fitzgerald after 33 mins. At the break Donnelly's goal still separated the sides.

The second half saw the A team get on top and in particular Brian Henley who scored two great goals inside 2 mins. just after the break. Dermot Henley added the third while Eamonn Cusack rounded off the scoring in the 73rd min. A good start here for the A team.

Utd. A: B. Sheehan, B. Henley, G. Sice, D. Martin, T. Sheehan, T. McSweeney, D. Henley, J. P. Grey, S. Pratt, E. Cusack, M. Sheehan.

Utd. B: J. Fitzgerald, W. Murphy, E. Cunningham, M. Ahearn, I. Farmer, L. Murphy, J. Beecher, P. Murphy, M. Tobin, T. Mulcahy, B. Donnelly.

MUNSTER JUNIOR CUP Home Draw For Brideview

When the draw for the Munster Junior Cup were

made last week, Utd. were favoured with a home draw. Utd. face a side which they beat last season in the same competition namely Crusaders. Managers Mick Sheehan and Maurice Hartnett will be hoping to do well this season although it's a very new look first division outfit for Utd. this season.

This is forced on the managers by a huge list of injuries. Out for the start of the season are Paul Curley, Stewart Barry, Eoin Murphy and Peter Henley. It is hoped that Curley and Barry will be back in action before Christmas. Peter Henley could be out for most of the season while Eoin Murphy will miss this season. All of these players will be a big loss as Utd. hope to retain the Tony Bolger Cup and the league title.

Also out this season is Stephen "Buddy" Curley who has moved to Galway. All of this is bad news so to speak for managers Michael and Maurice.

UNDER-12 LEAGUE EXCITING WIN FOR UTD.

**Castlebridge Celtic 2
Brideview Utd. 3.**

While this was a very exciting game keenly fought by both sides and Utd. just coming out on top. Utd.'s hero here was without doubt young Mark O'Brien who grabbed himself a marvellous hat-trick. O'Brien had Utd. 2-0 up inside the opening 5 mins. The first came in the 3rd min. when O'Brien shot home from close range. His second came from a fine volley out to the left. At the break Utd. still led 2-0.

The homeside fought back in the second half and

they pulled a goal back after just 2 min. Celtic's second goal came in the 39th min. and now the game really opened up. Both sides had their chances to take the lead. William Curley and Kieran Norris both went close before O'Brien struck for his hat-trick in the 46th min. and keep Utd on top of the league in what is turning out to be a very exciting league.

Team: S. Power, W. O'Neill, S. Giles, R. Geary, K. Casey, M. O'Brien, M. Curley, A. Goulding, K. Norris, R. Brown, W. Curley. Res.: P. O'Brien, C. Herlihy, J. O'Neill, C. Hickey, E. Hickey, T. Hallahan.

Our under-12 side are doing well at the moment and have lost just one game. However it's early days yet. The biggest problem that the club faces is trying to pick a squad.

We understand the league felt that because there was an under-10 league this season, that just one division would do the under-12 this season. However most clubs are now finding that there is big numbers of boys and girls turning up hoping to get a game.

We found ourselves in that position last Thursday evening and so a second game took place which ended in a 1-1 draw.

Lotto — Last week's numbers drawn were 12, 13, 17, 19. No winner. Match 3 winners - Denis Geary and Mary Pratt (22 Woodview Park). Jackpot next week £1,600. Draw takes place this Friday night in Timmy Barry's at 9 p.m.

Happy Birthday — All in the club wish Tom Kearney a very happy birthday. Tom received a surprise party on Friday night last in Pat and Mary's in Castlelyons. A big

crowd turned up and everyone had a marvellous night. Oh Tom's age, I hear you ask. Well there is an 0 in it. Ha ha ha !!

Also celebrating birthdays were Joe Woods, Shane Tobin and the name just will not come to me now. Anyway happy birthday folks.

Sympathy — The club extends deepest sympathy to the following -

the Tobin families, Birch Hill and Chapel Street on the sad passing of Annie Beecher.

the O'Connor family of Ballinaha on the sad passing of Elizabeth.

May they rest in peace.

Well Done — Well done to the local minor hurlers who defeated Abbeyside in the Western Final and now go on to the County Final. Well done, lads. This would take many of us back to the mid sixties now wouldn't it lads.

Michael Walks Tall — Yes that great Man. Utd. fan Michael O'Keefe has had plenty to celebrate over the last week or two. First of all his daughter Mary (Molly) was crowned the Queen of Ballyduff and a few days later his wife Nuala became the first Lord Mayor of Tallow. Well done girls.

Fixtures — Tony Bolger Cup - Sunday next, September 21. Brideview Utd. A v Araglen. Kick-off 2.30 p.m. Brideview Utd. B v Inch. Kick-off 11.30 a.m.

Well Done — Well done to one of our under-12 players William Curley. William played in Croke Park in the I.N.T.O. Mini-Sevens representing Waterford. William had the honour of scoring a goal for Waterford. Well done William.

TALLOW G.A.A. NOTES TALLOW ARE CHAMPIONS

Tallow 1-7 Abbeyside 0-8

After a lapse of 11 years, Tallow are once again Western Minor 'A' Hurling Champions. To the purist, this was not a classical game of hurling but as is so often in a final was compensated with commitment, courage and a nail-biting finish. Both sets of forwards found the strong wind a hindrance rather than a help as the supply of ball often came too high and too fast.

Nerves also played a part as Tallow were slow to settle. Playing with the strong breeze, we found ourselves trailing 4 pts. to 1 midway through the first half. However a piece of quick thinking saw Paul Murray give a short sideline ball to fellow midfielder, John O'Donovan whose lob ended in the net off the hurley of No. 11 Charlie Cronin. This was the spark that Tallow needed and four more points without reply sent Tallow into a 1-5 to 4 pts. lead at half-time.

Slender though the lead seemed to be, there was confidence in the Tallow dressing room that it was theirs for the taking. Ray Henley's point after the break stretched the lead to 5 pts. An exchange of points still left Tallow leading by five going into the final quarter. A Ray Henley rocked looked destined for the net only to come back off the crossbar.

Now Abbeyside threw everything at the Tallow defence and with 5 mins. remaining, had reduced the arrears to 2 pts. But disregard for life and limb in the Tallow backs was enough to keep Abbeyside at bay to record a thrilling victory.

Barry Power in goal once again kept a clean sheet and was well up to the task when called upon. Sean Slattery gave an outstanding display at full-back with Seamus Tobin (back after a cartilage operation) and young David O'Brien (remember that name for the future) not yielding an inch. Our half-back line of Shane McCarthy (Kilcalf), James Murray (capt.) and Martin Ryan was disciplined and rock solid throughout the hour.

At centre-field Paul Murray and John O'Donovan hurled their hearts out and it was no surprise that both collapsed with cramp at the final whistle. Our six forwards found the conditions and the opposition tough going but their heart and commitment saw them through at the finish. This was a team effort where everyone played their part and let us not forget to thank our neighbours, the Shamrocks whose contribution both on and off the field was huge.

Finally Tallow suffered a major blow before the final when half-back Mossie O'Brien had to cry off with a broken finger. We wish him a speedy recovery and hope to see him on County Final Day.

Team: Barry Power, Seamus Tobin, Sean Slattery, David O'Brien, Shane McCarthy (Kilcalf), James Murray (capt.), Martin Ryan, Paul Murray, John O'Donovan, Shane (Finn) McCarthy, Charlie Cronin, John Baldwin, Mark Walsh, Pdraig Tobin, Ray Henley. Sub used: Tom O'Donovan.

Déise Draw Winners — Congratulations to John and Paul, c/o Woodfab, Fermoy winners of £100 in the Déise Draw. Promoter: Liam Barry.

Sympathy — On a sad note we extend deepest sympathy to the O'Connor family, Tircullen on the sad passing of Elizabeth O'Connor, to the Hogan, Ryan and indeed O'Connor families our thoughts are with the families on such a sad occasion. Ar dheis Dé go raibh a anam.

JUVENILE G.A.A. NEWS

Under-14 Peil — On a wet and dreary Monday evening in Leamybrien, our under-14 footballers didn't leave the miserable conditions get the better of them as they played their best football so far in the above competition. Kilrossanty were our opponents as our third game got underway at approx. 7 p.m.

Straight from the throw-in Paul Kearney let the ball go to outstanding half-forward Paul O'Brien who opened the scoring with a well taken point. Our midfielders had all the possession as they worked well together in setting up their forwards and never let the opportunity of adding to the tally themselves go by as both Seamus and Paul pointed within the next few minutes. Firmly camped inside the Kilrossanty half for the next 20 mins., the Tallow boys laid siege on the home goal and were in hard luck not to score many more points but their shooting just wasn't on target. Not for long though.

O'Brien was again on target a few minutes later and the same player laid off Michael Keating for the only goal of the game - full force to the left of the mesmerised Kilrossanty goalie!! Michael Norris, who was having his best game out of three, finished off the scoring for the first half to leave the Tallow boys comfortably in front 1-5 to 0-0.

The second half saw the Kilrossanty boys come at the Tal-

low defence but the latter held solid with Mark O'Brien having a stormer in the left corner and Pat Aherne in the other, taking his team out of trouble several times in this half. On one occasion the ball was almost over the line when Pat got possession and burst his way out to see off any danger of Kilrossanty goaling!! John Feeney, Aidan Kearney, Dermot Casey and Brian Walsh all did extremely well in holding off the Kilrossanty forwards who were attacking much more in the second half. A move which began with a kick-out from Patrick carried on by Aidan to the onrushing Michael Norris at half-forward, ended up in the hands of Michael Keating who made no mistake in putting the ball between the posts. William Curley followed this with another well taken point from a difficult angle and Keating and Paul O'Brien were again on target to finish the scoring and leave the Tallow lads run out comfortable winners on a scoreline of 1-9 to 0-1.

This was yet another superb team effort and it's great to see the lads improving and playing some tremendous football with greater confidence in each game they play. So well done again lads. Thanks also to Betty, Nickey and Tom for transporting and supporting (some more vocally than others!!) the boys.

Training this week is on Friday evening at 6.30 p.m. We

play An Gaeltacht next Monday evening at 6.45 p.m.

Under-12 Football — Our first game in the above competition will take place tonight (Wednesday) in An Rinn. Players will be notified of time in school.

Congratulations — Well done to school and club player William Curley who scored a goal in Croke Park on Sunday last. He was playing with 'Tipperary' and defeated 'Clare' 2-0 to 0-1 in the I.N.T.O. Mini-Sevens Hurling Skills exhibition at half-time of the senior game.

Well done also to our minor hurlers who took home the Western Cup (after a long wait) last Saturday evening in Cappoquin. They defeated Abbeyside by 2 pts. So we now wait to see who will oppose them in the County Final.

ABBEYSIDE TOPICS

1948 Juvenile League

One of the highlights of the year was the CBS juvenile hurling league (under sixteen-and-a-half). Seven teams took part — five from the town with Abbeyside South and Abbeyside North. When each team had played all the others, it was the two Abbeyside teams who occupied the top two positions in the league table.

When they met in the final on July 6, over one thousand excited spectators cheered their respective sides as they were played on to the pitch by the Abbeyside Boy Scouts Band. Rev. Fr. Roche threw in the ball; Mr. Michael Foley, M.A., N.T., held the whistle, though he had to blow it only about five times.

A tremendous game was level at 0-1 each at the interval, but South pulled away for victory at the end by four points to one. The winners got the medals, the runners-up a set of hurleys. Bro. Murray thanked all concerned and said Waterford should be proud of teams producing such a standard.

Then the pipers struck up their marching airs and players and supporters paraded through the town; the Square re-echoed to shouts of "Up the Village" and across the bridge went the throng to scenes that beggared description.

Abbeyside South — D. Lenihan, J. Fraher, A. Flynn, B. Cullinane, J. Organ, J. Flynn, D. McGovern, M.

Farrell, D. Power, P. Clancy, N. McHugh, L. Organ, L. O'Dea, P. Shanahan T. Regan. Subs., P. Feeney, M. Burke, M. Cowming, E. Morrissey.

Abbeyside North — J. Enright, J. Crotty, T. Collender, J. Curran, J. Hogan, G. Morrissey, J. Cashin, R. McCarthy, P. Whelan, T. Curran, P. Power (capt.), T. Hayes, D. Enright, P. Cashin, T. Crotty. Subs., T. Bulfin, P. Dwan, W. McCarthy.

SENIOR CITIZENS RAFFLE

The lucky winners are as follows — 1st prize, Waterford Crystal Clock — Georgina Simms, 62 Silver-springs; 2nd prize, Waterford Crystal Tumblers — Mary Flynn, 4, St. Monica's Tce.; 3rd prize, Clonea Leisure Centre Voucher — Kitty Daly, Ballymarket; 4th prize, Dinner for 2 at Davitus — Niamh Coleman, Murphy Place; 5th prize, Five Litres of Motor Oil — Pat Lenihan, c/o Mary Flynn, St. Monica's Tce.

The Committee express their thanks to the people/firms who sponsored the prizes and to all those who purchased tickets. The draw was made by Fr. Martin Keogh at Abbeyside School.

Minors Unlucky In Western Final

Abbeyside minor hurlers had to give way to a strong Tallow/Shamrocks combination who were winning their first West Waterford minor hurling title since 1986.

Abbeyside began well against a stiffish breeze and led by four points to one after fifteen minutes. Tallow/Shamrocks scored the only goal of the game in the second quarter and this was to be the score that tipped the scales of victory in their favour.

Abbeyside failed to score for fifteen minutes at either side of half time and the forward division as a whole depended too much on the free taking of Paul Landy to secure the scores that were needed to achieve victory.

However, Abbeyside pressed strongly towards the end and there was controversy when one umpire signalled that the sliotar had crossed the Tallow/Shamrocks goalline but was overruled by the 'goal umpire' and the referee.

All in all the team had a satisfactory campaign and the three games against Dungarvan will be remembered. Hopefully three or four players will go on to play intermediate hurling with the club in the near future.

Hopefully at some future date (when all our leaders are fully trained) we may be able to restart our second Brownie pack as this would greatly relieve the overcrowding in our Tuesday pack !! So if any adults out there think they might be interested in Guiding then now is the time to get down to the Den !!

Waiting lists are in operation for Brownies and Guides. There are now places available in either of these units at present. There is a very limited number of places available in our Ladybird units and names are also being taken for Ladybird waiting list for September 1998 - that's how popular it is !!

Pictured above are Fran McGovern of 52 Murphy Place, Abbeyside and Jane Cooney, 17 Mitchel Terrace, Dungarvan who were married recently in St. Augustine's Church, Abbeyside. Fr. Ahearn officiated and the reception was held in Lawlor's Hotel.

Abbeyside Reference Archive

Our photographic collection continues to grow and recently we added two photographs to our permanent wall display. The first was the earliest photograph of Abbeyside taken in 1854, while the second is a nice snow scene of the village.

Both photographs were taken from the same place, i.e. the Causeway Bridge, looking towards Strandside South. While there is a time lapse of 140 years approx. between them, the view remains very similar with just the disappearance of McGrath's Castle and a mysterious chimney tower separating the two views.

This Sunday, Fintan Strain will be minding our treasures at the Parish Office where visitors will be most

Winners in the Bar Mans Race at Abbeyside Pattern '97 (l. to r.) Sylvia Flynn, Pattern Queen, Aidan Landers (Lawlors) winner, Milo Corcoran, Heineken, Main Pattern Sponsors, Sheila Quinn, Lady Belle (second), Pat Earley (third), Maurice Daly, Radleys (sponsors of the Bar Mans Race) and Johnny Hourigan, Pattern Chairman.

The Ledingham brothers James and Edmond got it all together at Dunhill Gymkhana on Sunday last taking first and second prize in the 138 Open and the 128 Open respectively.

In the first competition young Edmond, riding "Pirate Prince" was just pipped by a fraction of a second for victory in the 128 AB.

The 138 AB saw a total of eight ponies go through to the jump off. Fourth to go James on "Wayward Wind" went clear in the winning time. James was presented with his winning cup by Kereen judge, Mrs. Joan Keane. A great end to the season. Well done Edmond Og and James.

CLASHMORE/ KINSALEBEG COMMUNITY GAMES NEWS

Mosney Results — Our Community Games season has come to an end for this year. Even though we were not in the medals in the National Finals in Mosney, our children enjoyed themselves over both weekends. Thanks to anybody who helped in any way during the year. A lot of children got great enjoyment out of participating in the various events that is the main aim of Community Games. Our highlight of the season was winning the trophy for the Best Turned Out Area at the County Athletics Finals in Waterford and on the same day being runner-up for most successful club

of the day, just pipped by a few points. A great achievement with 13 other clubs taking part.

Finally thanks to Youghal Credit Union, our main sponsors in this area over the past few years.

JUNIOR SOCCER

On Sunday we played Dungourney in the Bolger Cup in Dungourney. The homeside started well and had us under pressure from the first 10 mins. However Clashmore got their game together and after 17 mins. we got the first goal. Donal Fitzgerald made a good run up the right and played a good ball to Frannie O'Rourke to shot home the first. Eight minutes later we were two up. Good pressure from Peter Fitzgerald on the Dungourney backs. He won the ball and sent Frannie through for his second goal. On the half hour Frannie had his hat-trick, Tom Power being the provider.

The second half was even with Dungourney getting back into the game more. Good defending kept the homeside scoreless.

Overall this was a good display from Clashmore. Best for Clashmore were Donal Fitzgerald, Brian O'Neill, Seamus Budds and man of the match, Frannie O'Rourke.

SYMPATHY

Our deepest sympathy is extended to Mrs. Esther Curran, Ballylangdon, Grange and her brother Stephen and all the members of their family on the death of their mother, Mrs. Collins.

CLASHMORE RAMBLERS NOTES Mixed Luck For Under-12 Team

Our under-12 team began their league campaign with two games last week. We won our first game but went down badly in the second game. Our ladies were also in action taking on Cobh Ramblers ladies in Cobh last Saturday. Last Sunday saw our junior team beat Dungourney 3-0 in the Bolger Cup.

Under-12 League — Ballybridge Utd. 1 Clashmore Ramblers 5*

Ramblers kicked off their league season in fine style last Tuesday evening with a magnificent display against Ballybridge. Ramblers were in control from the start and Declan Allen opened the scoring for us after 6 mins. Two minutes later Sean Kelleher scored after a fine cross from Mark Burke. Sean Fleming scored numbers three and four midway through the half and we led 4-0 at the break. We used all

our substitutes at half-time and the homeside created a few chances before pulling a goal back. Within 5 mins. Pdraig O'Rourke had restored our four goal lead with another goal after some good work from Kevin Murphy out on the left. This was a wonderful team performance with everyone playing their part. Best for Ramblers were Declan Allen, Joe Collins, Mark Burke and Jason Seward.

Ardmore 4 Clashmore Ramblers 0 — In contrast to the previous evening, Ramblers gave a poor display against a rampant Ardmore side who punished us with three first half goals. Although the game was lost by half-time, we would have suffered an even heavier defeat only for the heroics of our goalkeeper Vincent Daly. Things just did not go our way on Wednesday with too many players well below par.

The second half saw a much improved Ramblers and with a bit of luck we could have scored a goal or two. Ardmore scored a fourth goal 5 mins. from the end and we will meet them again next Friday in Clashmore with hopefully a different result. Best for Ramblers were Vincent Daly, Kieran Connery and Shane Bourke.

Training — Training for under-12 and under-14 teams on Saturday from 2 p.m. to 3 p.m. Training for ladies on Thursday at 6.30 p.m. and on Saturday at 3 p.m. Training for the under-16 team every Tuesday at 6.15 p.m.

Under-16 League — The under-16 season starts on Saturday, September 20. There are 11 teams in this division and Clashmore Ramblers are free on the first weekend so our first match will be on October 4 at home to Castlebridge Celtic. Team manager will be Stephen Coleman and training will be every Tuesday at 6.15 p.m. A reminder too that all players must pay their membership fees before they are allowed to play. This covers registration fees and insurance and the fee for each player is £8.

Under-14 And Under-18 Teams — These two teams will start their season on Saturday, September 27. Our under-18 team will begin with a home game against Pinewood Rangers in a 12 team league while our under-14 team, under Paddy Kelleher and Sean Kearns, like our under-16 team have a free date on the first weekend. Our first game here is on Saturday, October 11 away to Castlebridge Celtic. Again all players must pay

their membership fees before playing and the fees are £10 for under-18's and £3 for under-14's.

MOTHERS AND OTHERS IN ACTION Cobh Ramblers 4

Our ladies team made their trip to Cobh last Saturday morning to take on the local ladies. Cobh have just finished a very successful season and the experience of playing competitive football showed against a very willing and determined Clashmore side. Cobh deserved their win but Clashmore played much better than last time with good performances throughout the team. We were 2-0 down at the break and some of the girls struggled a little with the offside rule.

The second half was much more even and although we failed to score, it was only in the last 7 mins. that Cobh scored their third and fourth goals. We are now hoping for a return game with the possibility of Cobh coming to Clashmore in a few weeks time.

Team: Ann Murphy, Andrea Kearns, Siobhan Condon, Melanie Kelly, Alice O'Brien, Eithne Sheehan, Jackie Mangan, Cliona O'Keefe, Sheila Budds, Margaret Budds, Mairead Beausang, Rosemary Fleming and Anna Beresford.

Important Meeting — There will be an important meeting for the underage committee next Thursday night at 9 p.m. in the Decies Bar.

JUNIOR TEAM MAKE GOOD START Dungourney 0 Clashmore Ramblers 3

Fixtures — Friday, September 19 - Under-12 League. Clashmore Ramblers v Ardmore. 6.15 p.m. Clashmore Ramblers v Pinewood Rangers. 11.30.

Family health

By Dr. DAVE BARRY

Q. You are my last hope. I don't know where else to turn. I have a very personal and embarrassing problem and I am afraid to go to my own doctor as he is a man and I'd be too embarrassed to visit him. You see, I have a terrible itching underneath since I took a course of antibiotics about a week ago for a bad flu. As well as itching, I've noticed lumps of white cheesy material on my panties. It stings when I pass water and

I'm so miserable. Please help me!

A. You certainly sound miserable. From your description it would seem that you have an attack of vaginal thrush. This is a very common problem and one that your doctor sees practically every day. Thrush is a nuisance but is unlikely to develop into

anything serious. Thrush is caused by too much of a tiny yeast-like fungus called Candida albicans. This fungus lives inside our bodies and is kept in check by other bacteria which prevent the fungus from taking over. However, sometimes certain events occur which upsets this natural balance and allows

the fungus to grow out of control. When this happens you get thrush.

When you get an attack of thrush the vulva (underneath) becomes intensely itchy and sore. When you pass water it will sting because the salty urine stings the sore tissues and you will have a vaginal discharge, usually white and thick and often looking like cottage cheese. While the antibiotics you took killed the bacteria that caused your flu, they also killed the bacteria that keep the fungus from growing out of control. The fungus grew and you got an attack of thrush. People who are

diabetic are also prone to thrush because of the high levels of sugar in their blood and on their vulval tissues. Candida albicans feeds on sugar, so it will grow rapidly and cause thrush. If your general health isn't too good your body's defences will not be able to fight off minor infections such as thrush. If you are taking the pill or pregnant, the levels of oestrogen are higher than they normally would be; this hormone increases the sugar levels in the body and therefore increases the likelihood of an attack of thrush. If you damage the delicate skin that is underneath, your chances of getting thrush are increased.

Visit your doctor: the medication you need to cure thrush is only available on prescription. The medication usually comes in the forms of creams or pessaries (special tablets) that you insert into the vagina. There are also tablets that you take orally. Have a chat with your doctor and decide what is the best treatment for you.

Thrush thrives in moist conditions, so to prevent thrush recurring wear cotton underwear and stockings rather than tights. Don't wear tight jeans and try to keep a low sugar diet. After a bowel movement, wipe from front to back to avoid bringing the fungus from the bowel to the vagina. Don't take antibiotics unless really necessary and don't use perfumed bubble baths and soaps. Use cool water for gentle rinsing. Hot water is too harsh for the delicate skin of the vulva.

ened that she will not grow up to be a normal adult and that she will have difficulties about her driving licence etc. What is Petit Mal epilepsy and will she have it for ever?

A. Petit Mal is the old name for Simple Absence Seizures, which describes the condition very well. It is a form of epilepsy, but one that has a very good outlook. It is usually seen in girls between 6 and 12 years of age. The seizures are usually brief, lasting less than 15 seconds, and are often missed by teacher and parents alike and so can be going on for a long time before someone notices that there is something wrong. This can lead to learning difficulties and to problems with the child's friends because they may say that she is a dreamer and may exclude her from games etc. Some children can have up to 100 seizures a day, and it may be thought that they have a behaviour disturbance or are lazy. In about a quarter of cases there is a history of someone else in the family having these seizures as well. While having an absence seizure the child is completely inattentive and cannot be roused out of this state. If you talk to the child herself she will often tell you that she is aware of getting lost in conversation.

The specialist will do a test called an E.E.G. (this stands for electroencephalogram) to get a reading of the electrical pattern of the brain. With Simple Absence Seizures there is a very characteristic pattern produced by the brain. The seizures are well controlled by taking medication. Treatment should be continued until the child is seizure free for at least 2 years, when the E.E.G. will be repeated and if it is normal then medication will be withdrawn slowly. There is a small risk of relapse but the outlook is very good in that the seizures will not recur and that she will grow up to lead a normal life.

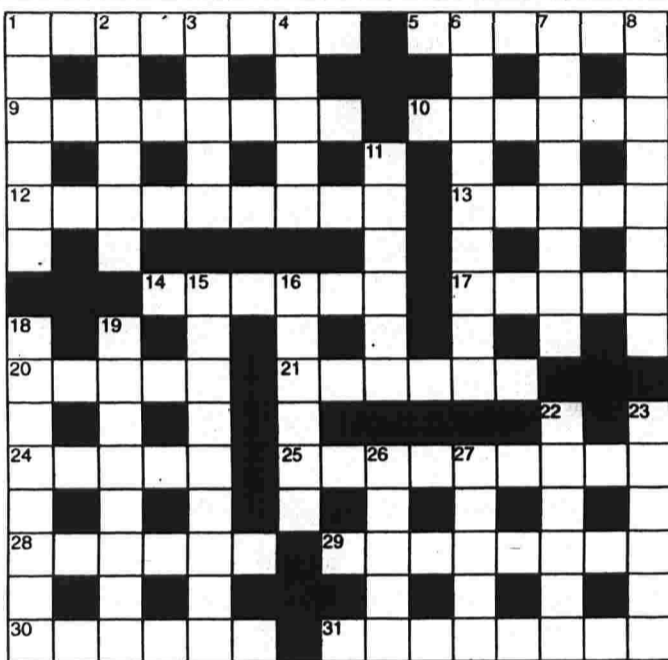

Q. I am worried about my little girl. She is seven years old and her teachers have been complaining that she is daydreaming a lot in class and that she is falling behind. I brought her to my doctor and he thinks she may have what he called Petit Mal epilepsy. He has referred her to a specialist. I am fright-

Health Tips from "Remedies"

PURPLE CONEFLOWER OR ECHINACEA
 The IMMUNE SYSTEM is our body's strength. Our Immune system protects us and keeps us healthy, active and in balance. One specific part of the immune system, simply named white blood cells, are responsible for the recognition of good and bad in the body. They then act to rid the body of unwelcome organisms, like bacteria and viruses. Many years ago, the Native American Indians discovered that the Coneflower plant contained elements that helped to maintain the body's resistance and health. Echinacea boosts your immune system and is most effective when taken as a juice or tincture to help combat all kinds of infections, such as candida, colds, flu, tonsillitis, abscesses and boils. It is also very beneficial for longer lasting problems, like acne, asthma, bronchitis and sinus disorders.

A THOUSAND WAYS TO IMPROVE YOUR IMAGE

Beauty basics

HAIR REMOVAL At Home

THERE are many ways of removing unwanted hair at home. Shaving, tweezing or chemical depilatories are all cheap and easy ways of hair removal.

Shaving may be preferred for large areas of hair removal. It is quick, easy and painless. A shaving cream should always be applied before the treatment so that no irritation will occur. However, when hair is shaved it is removed at the skin surface and within a few days stubble can be felt and all the hair can be seen at the surface. Shaving will usually have to be done regularly. Depilatories come in the form of paste, cream or powder mixed into a paste with water. They are generally used for large areas such as the legs. The powder type must be mixed according to the manufacturers instructions, the cream can be applied straight from the container. A thick layer of the depilatory is applied to the area and left for the recommended length of time, then it is washed off with warm water removing the hair with it. A skin test is always advisable before using the depilatory to determine whether the skin is sensitive to the cream or paste. To do this apply a small amount of the depilatory to an inconspicuous area and leave it for about 10 minutes. If there is no sign of redness or swelling after this time, it is safe to use. Tweezing is most commonly used for shaping the eyebrows. It is a quick way of removing small amounts of hair.

If you do not wish to remove superfluous hair you can lessen its visibility by applying an oil bleach mixed with peroxide. These are easily available from chemists. Always read the manufacturers instructions carefully and be sure to do a skin test before using them.

LOTTO

Winning numbers: 8-9-20. Winner of jackpot: (£500) — Marian Cliffe, Touraneena. New jackpot £200.

UNDERAGE RACQUETBALL

Stars of the Future — Name, Marie Quinlan; age 12, Favourite sports, racquetball, football and swimming; Favourite players, Olivia Condon, Stan Collymore, Michael Schumacher, Michelle Smith de Bruin, Phil Babb; Fav. tv programmes, Friends and Home and Away; ambition, to play in Croke Park and to win a racquetball medal.

Marie is another extremely popular person amongst her age group. She always seems to enjoy playing, no matter what the sport. Earlier this year Marie partnered Mairead Hickey to finish runners-up in club doubles cup. Marie is also a very promising footballer. She is currently on the Na Deise u-14 team and she has been progressing well under the guidance of Joe Cashman.

In the local mixed leagues she scored the winning goal in the division two final to give her team a three points victory after her team was eight points in arrears at half time. In the same tournament Marie won the division two most improved player award. She has also shown great potential on the athletics scene as she has won 4 gold, 2 silver and 2 bronze medals in school sports.

Name, Jack Power, age 12; Favourite sports, racquetball, hurling, football, soccer and handball; Favourites players, Michelle Smith de Bruin, Susan Smith, D. J. Carey, Christy Slattery and Robbie Fowler; Favourite tv programmes, Match of the Day, The Sunday Game; Ambition, to play soccer for Liverpool.

Jack is a classic example of a player who loves his sport. He is the one player in the club that is never in bad form. He is already a tv celebrity as he appeared in Echo Island earlier in the year. Jack's biggest achievement in sport to date would have to be winning the bronze medal in the All-Ireland 'A' Junior Open held in Moylagh, Co. Meath earlier this year. Jack also holds A and C Gaelic football medals and also holds an u-10 football medal. Jack was surely "man of the match" in last year's u-12 C final against Kilgobinet. He is currently on the Naomh Bríd u-12 and u-14 football teams.

Clash of Top Seeds — Last week saw the clash of the clubs two best players, when Denis Coffey and Seamus Power met for only the second time and incidentally the scores ended up exactly the same. The first game saw Denis hit superb form, winning on a 15-4 scoreline. The second was another classic. Denis had an 11-4 lead but Seamus reacted well and raced into a 13-11 lead and looked certain to equalise the match. It wasn't to be however as Denis's ability not to panic under pressure proved to be match winner as he recorded a 15-13 victory.

In the same fixture, Gillian and Maria Gleeson played out a very close game. Gillian won the first game 15-14 before Maria equalised with a 15-8 victory in the second. Gillian seemed to have the maximum points secured in the tiebreaker as she was leading 10-6, but Maria fought back to win by the narrowest possible margin.

Tristan Hickey was in awesome form as he comprehensively beat Jack Power in two straight games. Jean Dunford again showed massive improvement only to lose narrowly to Julie Walton. Full credit to Julie who produced a wonderful performance, winning in a very close tiebreaker set. Niamh Coffey produced one of her best displays to date, winning in straight games in a highly competitive game. Eileen Hickey made it two wins on the trot after beating Fiona Walsh in another close game.

Last week's results were: **Team A v. Team B** — Denis Coffey 2, Seamus Power 0 (15-4, 15-13); Gillian Gleeson 1, Maria Gleeson 2 (15-14, 8-15, 10-11); Paul Gleeson 0, Jonathan Webster 2 (14-15, 13-15); Amanda McCarthy 0, Claire Dalton 2 (3-15, 8-15); Julie Skehan 2, Sandra Fennell 1 (0-15, 15-14, 11-3); Kevin Meere 0, Frank Woods 2 (4-15, 1-15).

Team C v. Team D — Stephen Cliffe 2, Colm Geary 0 (15-2, 15-8); Jean Dunford 1, Julia Walton 2 (8-15, 15-14, 8-11); Tristan Hickey 2, Jack Power 0 (15-3, 15-6); Marie Quinlan 0, Michelle Gleeson 2 (9-15, 10-15); Michael Myles 0, Shane Hickey 2 (0-15, 4-15); Eileen Hickey 2, Fiona Walsh 0 (15-14, 15-6); Diarmuid Walsh 2, David

Flynn 0 (15-8, 15-7).

Team F v. Team G — Tara Skehan 2, Natalie Woods 0 (15-5, 15-1). **Team E v. Team F** — Aoife Hickey 0, Niamh Coffey 2 (13-15, 6-15); Robbie Power 0, Pat Murphy 2 (walkover); Stacey Meere 2, Tara Skehan 0 (15-3, 15-9).

Team E v. Team F — Aoife Hickey 0, Niamh Coffey 2 (13-15, 6-15); Robbie Power 0, Pat Murphy 2 (walkover); Stacey Meere 2, Tara Skehan 2 (13-15, 6-15); Robbie Power 0, Pat Murphy 2 (walkover); Stacey Meere 2, Tara Skehan 0 (15-3, 15-9); Daniel Flynn 0, Richard Flynn 2 (4-15, 0-15).

This week's league table sees the teams with female captains occupying the top three positions — 1, Gillian Gleeson 26 pts.; 2, Jean Dunford 24 pts.; 3, Mairead Hickey 23 pts.; 4, Seamus Power 22 pts.; 5, Colm Geary 20 pts.; 6, John Myles 19 pts.; 7, Colin Gleeson 14 pts.

One Day Blitz — Even after 15 hours of non-stop play on Saturday last we failed to finish the one day blitz. The interest in the tournament totally surpassed what was expected and with the standard of the games being of such a high standard it meant that games also lasted much longer than what was originally expected. In total 40 games were played and there are still 22 more games to go. Even though all the games had their moments of brilliance, the best game would have to be the very last game played between Willie Power and Tristan Hickey. The game was played at a blistering pace and both players showed tremendous commitment and a will to win. There were shots played that no adult player in the club could produce.

When the game ended both players literally fell out of the court with Tristan being the happier after his very narrow victory. The level of fitness in both players was unreal when you consider the tournament started at half past nine in the morning and this game was being played at half past eleven a night.

The best match in the girls section would have to be the under-13 final between Sharon O'Connor and Mairead Hickey. This was without doubt the best game ever played in the court between two female players. In Mairead and Sharon this parish possess two of the most talented individuals that you are likely to see anywhere. Again the game was played at a frantic pace, with Sharon emerging victorious by the narrowest of margins in an outstanding tiebreaker set. The full list of results to date are:

Boys — Under-8 — Kevin Meere 0, Sean Dalton 2; Daniel Flynn 2, Kevin Meere 0. Final: Sean Dalton 2, Daniel Flynn 1.

Under-10 — Aidan Hickey 2, Pdraig Moore 0; Eoin Walsh 2, Dia Walsh 1; Niall Power 0, J. J. Coffey 2; Aidan Hickey 2, Eoin Walsh 0; Niall Power 0, Eoin Walsh 2. Final: Aidan Hickey 2, J. J. Coffey 0.

RECENT DEATHS

Mr. Paddy Cashman

After a duration of illness, ever-popular and well known Mr. Paddy Cashman, 1, Murphy Place, Abbey-side, answered the final call on Tuesday last, September 9. Aged 82 years and a native of Abbeyside, Paddy was a great favourite with one and all. One of the old stock, Paddy was a deeply religious man whose many charitable works went unnoticed and he was of the school of the old Christian values.

In his younger days he was a valued member of the local Brass Band, the coronet being his musical forte. A keen set-dancer in his heyday, he loved his Irish music and his social drink in the company of his many friends.

His sporting interests centred on the turf where he relished the flutter on the 'nags.' A Vice-President of the local FF Cumann, he kept very much abreast of political happenings in the country. A family man, he could relate to both young and not so young.

For thirty-eight years he was a cornerstone in the L&N shop when situated in Mary Street. His courteous manner and diligence to his responsibilities won him many friends and customers. When the L&N closed its doors, Paddy took up employment with Liam Power on O'Connell Street. He retired ten years ago at the age of 72 years.

The passing of Paddy Cashman has severed another vital link with the past. We extend to his wife Nancy, family, relatives and friends our deepest sympathy at this time.

On Wednesday evening Fr. M. Keogh, C.C., recited rosary and prayers at the Kiely Funeral Home, after which the funeral cortege left for Abbeyside Church. The hearse, flanked by members of the local FF Cumann, was another tribute richly deserved by Paddy. The cortege paused in silence for a minute or so outside his residence in prayerful silence. Fr. R. O'Doherty, P.P., assisted by Fr. M. Keogh, C.C. and Fr.

P. Ahearne, P.P., conducted the funeral liturgy.

At the Requiem Mass on Thursday morning the Lessons were shared by grandsons Leo and Eoin. The Offertory procession saw Charlotte, Derek, Thomas and Mark bring the gifts to the altar. Fr. Keogh was chief celebrant with Fr. P. Moran, O.S.A. co-celebrant. Among the altar servers on duty was grandson Tadhg.

Following the holy sacrifice and final prayers at the graveside, Paddy Cashman was laid beneath the sod of his beloved Dún Na Mainistreach. A huge concourse of mourners was present, further evidence of Paddy's popularity and the high esteem enjoyed by the Cashman family. Predeceased by his brother Michael (Portlaw) in April, Paddy's neighbour Nan Navin, 3, Murphy Place also went to her eternal reward at the weekend. 'May they all take their place at the heavenly banquet in the company of the Lord.'

Chief mourners — Nancy (wife), Tom (Naas) (son), Susan Clancy (daughter), John and Gerald (Abbey-side), Joe (Slough, England) (brothers), Jim Clancy (son-in-law), Jo (daughter-in-law), Mark, Eoin, Leo, Tadhg Clancy, Charlotte Clancy, Bateau in France, Derek, Thomas, Ann Cashman, Jude Harken, Australia (grandchildren), Conor Harken (greatgrandson), and his many nephews, nieces, relatives and friends.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

Mr. John Devereux

With deep sadness and great sympathy we write on the passing of Mr. John Devereux, Knockenpower, Colligan, which occurred in St. Michael's Ward in St. Joseph's Hospital, Dungarvan on September 6. A native of Knockenpower, John was aged 78 years.

In his early days he farmed with his uncle in Ballinamult. Some years later Jack Dunford and himself joined the RAF (1945/47). Later he became well known as an expert builder and skilled tradesman who established

his building contractor business in Dublin. Some residences in this locality are also a legacy of John's expertise.

For a period he resided in Australia but returned to his adopted and beloved Dublin, a county whose exploits he applauded on the playing fields.

Sadly, five years ago, John's health began to deteriorate and he returned to Dungarvan and lived with his sister Birdie Houlihan at 11, Western Terrace, a home many of us knew very well from our childhood days.

John spent over a year in Dunabney and for the past three years he was hospitalised in St. Joseph's. It was in the love and care of matron and staff in the local hospital that John answered the final curtain call on the sixth of this month.

We offer our sympathy to his brothers Patrick Nagle, Ballinamult, Bill Nagle, Newbridge, Tom Devereux, Knockenpower, his sister Birdie Houlihan, Dungarvan, brother-in-law Pat Hally and his many nephews, nieces, relatives and friends.

On Saturday evening following rosary and prayers recited by Fr. Michael Kennedy, P.P., John's remains were brought to St. Anne's Church, Colligan.

Requiem Mass was offered on Sunday morning at 9 a.m. for the happy repose of his soul, after which the interment took place in the adjoining cemetery. A large concourse of mourners was present to hear Fr. Kennedy speak in glowing terms of John and to hear the Lessons read by John Houlihan (Pinewood, Monang) and Colm Nagle (Dublin). 'Ar dheis láimh Dé go raibh John.'

(James Kiely & Sons, Funeral Directors, Dungarvan.)

Miss Bridie Walsh

It is our sad duty to record the death of Miss Bridie Walsh, Coolroe, Old Parish. She died on Wednesday, September 3, in Dungarvan hospital. She was youngest of a family of six, all of whom had recently pre-deceased her, Richie, Paddy, Kattie, Mary and Deugie. Bridie's death closes the book on an

extraordinary generation of Walsh's who, by their leadership and example impacted greatly on the communities they so lovingly and unsparingly served.

Bridie was born into a farming family. Her love and knowledge of nature shone through in all her daily tasks. She selflessly looked after her aging parents, especially in their latter years and that wonderful dependable, caring person kept Fr. Wall, P.P. (4 years) and An tAth. C. Ó Dálaigh, P.P. (15 years) in good order during her career at Old Parish Parochial House.

Bridie was a thoughtful, caring neighbour. 'If a neighbour met with trouble or had taken ill, you could always count on Bridie's support'. Such was the magnanimity of this unique person, as An tAth. C. Ó Dálaigh stated in his most eloquent and moving eulogy on Bridie at the Requiem Mass on Friday. He found her a highly intellectual person, well informed on many subjects. She was a person of unquestioned integrity. Among her attributes were her concern for others, dependability, loyalty and straightforwardness, always borne with a natural dignity.

Bridie never did anything by half measure. Her great passion for GAA affairs, especially football and camogie as a player or supporter was well known and appreciated. This was very much in evidence by the huge turnout at her funeral to Old Parish church. Her family are very appreciative of the touching tribute paid her by Old Parish GAA Club and Bridie's camogie team mates from the Brickey Club, in the guard of honour on her arrival on Thursday evening.

Removal was from Drohan's Funeral Home to Old Parish Church via Coolroe where she was received by An tAth. Conchúir Ó Dálaigh, P.E., assisted by Fr. John Kiely, P.P.

Requiem Mass on Friday morning was celebrated by An tAth. Ó Dálaigh, assisted by Fr. Pádraigh Daly, O.S.A., Fr. John Kiely, P.P. and Mons. Patrick Lannen.

Lessons were read by Sinéad Ní Cadhla, Julianne French (grandnieces) and John Walsh (nephew). Prayers of the Faithful were said by Eleanor French and Catriona Breathnach (nieces), Martin Walsh (nephew), Andrew Walsh (grandnephew) and P. J. Ó Mathúna (neighbour).

Beautiful musical tributes were sung by Anne Mulqueen, Marion Gough, Kathleen Tobin and Joan Allen during the Requiem Mass. Bridie was then laid to rest in the adjoining cemetery. Ní bheidh a leitheid arís

ann. Ar dheis Dé go raibh a hanam dílis.

Chief mourners were — Alice (sister-in-law), Mary Jo and Cairfona (nieces), nieces, nephews, grandnieces and nephews, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

Mr. Joe McGrath

It is with feelings of deep regret we record the death of Mr. Joe McGrath, Curradarra, Aglish, which sad event occurred on Friday, August 29. Joe was well known in the locality. He was a carpenter by trade, a trade he learned at an early age from his father James.

In his early days he was employed by Waterford Cop until he set up his own business 'Agricultural Works,' repairing machinery; later he went on to erecting water pumps and maintaining them all over Waterford, where he was held in high esteem by all who had the pleasure of his acquaintance. He also farmed on a small scale. Joe had a full life and loved it. He was pre-deceased by his wife Mary (née Walsh) last December.

Joe was a founder member of the Vintage Rally and his late wife was secretary. His passing leaves a void in the community that will not be easily filled. May he rest in peace.

His remains were removed from Dungarvan hospital on Sunday evening to Aglish Church where the remains were received and blessed on arrival by Fr. Lucey, P.P., assisted by Fr. Treacy, C.C. and followed by a large and representative cortege of mourners.

Following Requiem Mass on Monday morning celebrated by Fr. Daly, P.E., assisted by Fr. Kiely, P.P., Fr. Lucey, P.P., Fr. Desmond, C.C. and Fr. Hallinan, interment took place in the adjoining cemetery. Fr. Daly officiated at the graveside, assisted by the full choir of clergy present and in the presence of a large gathering. The Lesson was read by

John Walsh and Albert McGrath, and Joan Walsh recited the Psalm.

On Sunday evening a guard of honour was provided by Irish Vintage Engine and Tractor Club and on Monday at the burial a guard of honour was provided by Vintage enthusiasts returning by coach from a Steam Rally in Dorset in the South of England.

The chief mourners were Maria (daughter), sister-in-law, nephews, nieces, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

Late Mary Mullaney

It is with great sadness we record the passing of Mary Mullaney, Ballykerogue, Stradbally, which sad event occurred on Thursday, September 4.

Mary was a quiet, gentle, unassuming lady held in high esteem by all who knew her. She was always hard-working and industrious and spent her life working the family farm with her brothers.

We extend our sincere sympathy to her brother Paddy and her relatives. Her passing is much regretted. May she rest in peace.

Removal was from Drohan's funeral home on Friday evening to Kilrossanty church where the remains were received and blessed on arrival by Fr. Geoghegan, C.C., assisted by Fr. Frawley, P.P. and followed by a large cortege of mourners.

Following Requiem Mass celebrated by Fr. Frawley, assisted by Fr. Geoghegan and Fr. Enright, P.P., interment took place in the adjoining cemetery. Fr. Frawley officiated at the graveside, again in the presence of a large gathering. The Lesson during the Mass was read by Enda Flynn.

The chief mourners were Paddy (brother), relatives, friends and neighbours.

WELSH THEATRE TO PERFORM IN DUNGARVAN

The Pyramid Theatre Company from Carmarthenshire in Wales are visiting Dungarvan on September 19th. They are a professional theatre company which

deals with health issues. This production is called "Other People's Children" and deals with the issues concerning parents and young people around drugs

awareness. The aims of the performance are to help parents and adults to understand their role in preventing drug misuse and to tackle the

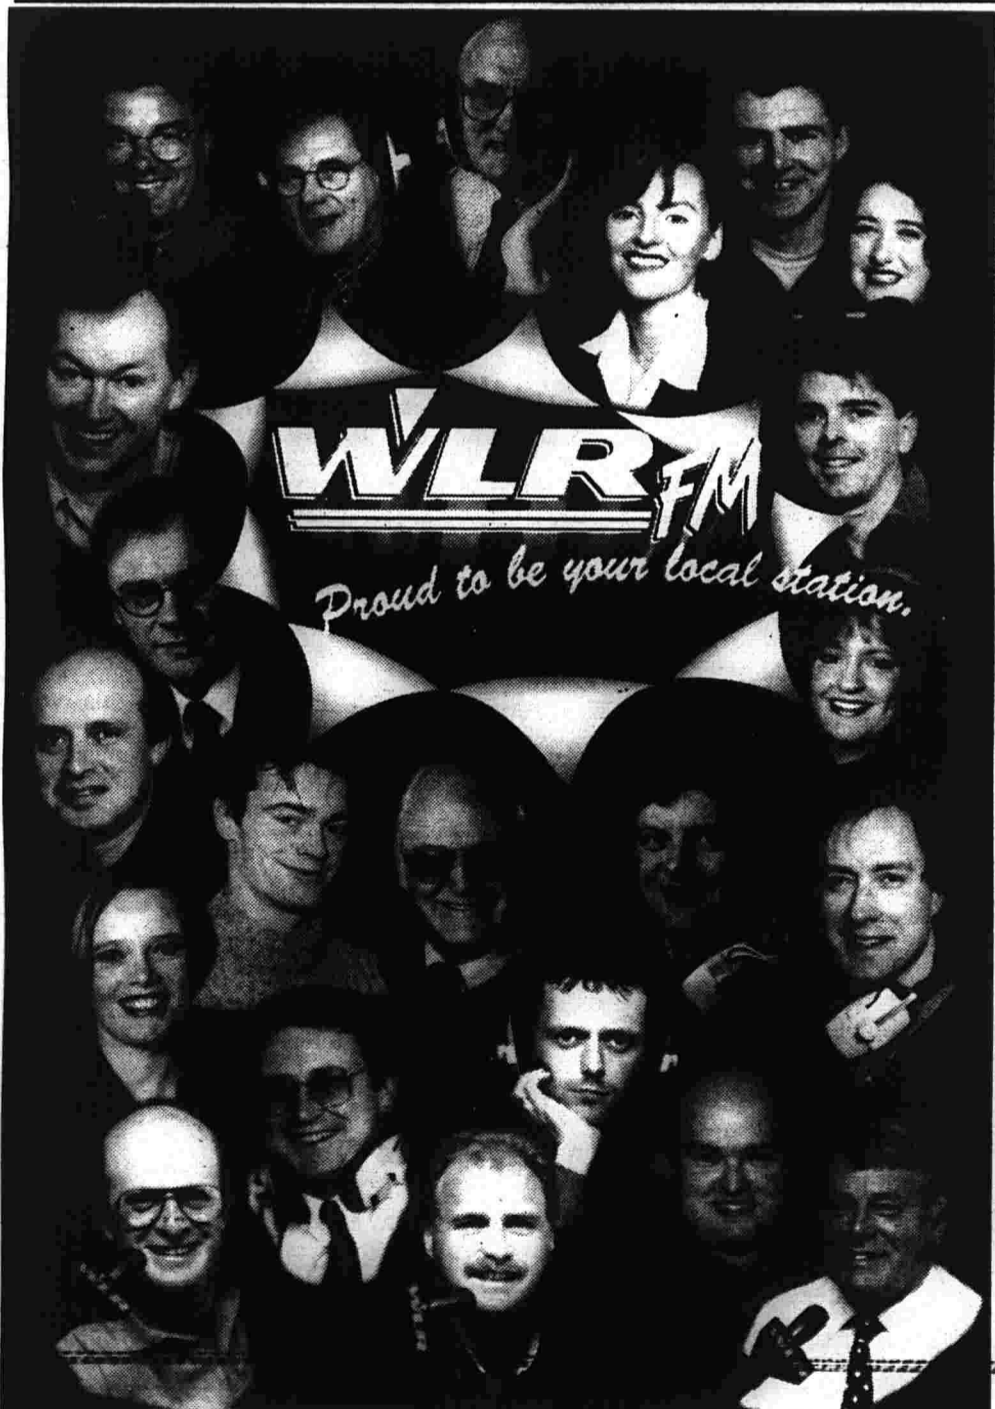

lack of communication between young people and their parents and adults about drug issues. They aim to achieve this by -

- * Combating the often distorted reporting in the media of drugs issues,
- * Giving young people an understanding of adults fears about drug usage,
- * Encouraging communication between age groups about drug related issues.

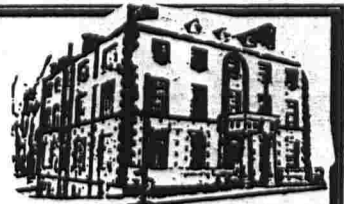

All parents, young adults and interested parties are encouraged to attend this production which deals with very important issues. This production will be held in the Junior School Hall, Ard Scoil Na nDéise at 8 p.m.

The Pyramid Theatre Company is visiting Dungarvan at the invitation of an inter-agency steering group who have come together to plan a preventative, educational drugs programme for parents and young people in Dungarvan. The responses will be run within communities covering private and local authority housing estates and within schools. These responses will not take place until January 1998. At present the group are working behind the scenes to prepare for this. The agencies and people on the steering committee are as follows - Gardai - Eddie Fitzpatrick J.L.O.; Waterford Health Promotion Unit - Tony Barden; St. Mary's Parish Social Action Group - Anne Wyer, Theresa Wright and Peggy Power; Dungarvan Youth Resource Centre - Triona Quinn and Geraldine O'Keeffe.

It is hoped that as many parents and young people as possible will attend the performance to help them educate themselves on this most important issue facing the society today.

† IN MEMORIAM †

ALLRIDGE — Chrissie and George, late of London and Abbeyside, September 17, 1972 and December 15, 1974. Padre Pio, Pope John and the Sacred Heart of Jesus watch over them.

Time passes, memories stay,
Will those who think of them today,

A little prayer to Jesus say.
(Their loving family at home and abroad.)

CASEY — Third Anniversary — In loving memory of a dear husband and father, Liam Casey, Lacken, Cappoquin, who died on September 21, 1994. R.I.P.

Anniversary Mass will be held in Affane Church at 8.15 p.m. on Saturday night, September 20,

A bouquet of beautiful memories,
Sprayed with a million tears,
Wishing God could have spared you,
If just for a few more years.
It does not take a special day,

For us to think of you,
Each Mass we hear, each prayer we say,
Is offered up for you.
We cannot bring the old days back,

When we were all together,
The family chain is broken now,
But memories live forever.

A silent grief that's in our hearts,
No human eye can trace,
For many a broken heart is hid,

Beneath a smiling face.
Will those who think of him today,

A little prayer to Jesus say.
(Always remembered and sadly missed by your loving wife Margaret, daughters Sylvia and Fiona, son-in-law Eddie and grandson Luke.)

COWMAN — Second Anniversary — In loving memory of our dear brother, Willie Cowman, late of Tilbury, London and Byrneville, Dungarvan, who died on September 11, 1995.

Time may heal the heartaches,
Like the smile that hides the tears,
But happy memories keep you close,
Despite the passing years.

Time may pass and fade away,
But silent thoughts and memories stay,
We never shall and never will,
Forget you, Willie dear.

(Always missed and fondly remembered by your loving sisters Anne and Birdie, nieces Lorraine, Teresa and families and...

COFFEY — First Anniversary — In loving memory of Johnny Coffey, late of Knockboy, Mt. Melleray, Cappoquin, who died on September 19, 1996.

When I am gone, release me, let me go,
I have so many things to see and do,
You mustn't tie yourself to me in tears,
Be happy that we had so many years.

I gave to you my love. You can only guess
How much you gave to me in happiness,
I thank you for the love that you have shown,
But now it's time I travelled on alone.

So grieve awhile for me if grieve you must,
Then let your grief be comforted by trust,
It's only for awhile that we must part,
So bless the memories within your heart.

I won't be far away, for life goes on,
So if you need me, call and I will come,
Though you can't see or touch me, I'll be near;

And if you listen with your heart, you'll hear,
All my love around you, soft and clear.
And then when you must come this way alone,
I'll greet you with a smile and a "Welcome Home."

(Always remembered by your loving wife Peggy and family.)

God came and stood beside your bed,

You'll come with me to a better land.

You had a smile for everyone,
You had a heart of gold,
You left the sweetest memories,

The world could ever hold.

A little prayer to Jesus say.

We lost a father with a heart of gold,
How much we miss him can never be told,
He shared our troubles and helped us along,
If we follow his footsteps we will never go wrong.

He was a father so very rare,
Content in his home and always there,
On earth he toiled, in heaven he rests,
God bless you, Dad, you were one of the best.

Your loving smile and gentle air,
Your vacant place no one can fill,
We miss you father and always will.

We did not see you close your eyes,
We did not see you die,
All we knew was that you were gone,
Without a last goodbye.

It was a sudden parting,
Too bitter to forget,
Only those who loved you,
Are the ones who will never forget.

The happy hours we once enjoyed,
How sweet their memory still,
But death has left a vacant place,
This world can never fill.

Your life was one of kindly deeds,
A helping hand for others needs,
Sincere and true in heart and mind,
Beautiful memories left behind.

(Always remembered by his loving daughter Karen and baby Patrick.)

Look around your garden, Lord,
For an angel with a smile,
He won't be hard to recognise,
He will stand out a mile,
So put your arms around him, Lord,

And kiss his smiling face,
For he is very special,
And can never be replaced.

The richest soil on earth.
Memory is a beautiful place,
Where thoughts and love are true,

Again and again we visit the plot,
To spend some time with you,
You left us lovely memories,
That make us laugh and cry,
But the love you placed within our hearts,

No millionaire could buy.

Seventeen years ago today.

Dungarvan Scientist Honoured by President Robinson at Trinity College

Dungarvan-born scientist, Professor Ernest Walton was paid a special tribute on Tuesday, September 9 when President Mary Robinson visited her alma mater, Trinity College, to unveil a 'Blue Plaque' in his honour. Professor Walton was the only Irish scientist ever to be awarded a Nobel Prize. 'Blue Plaques' are placed with the support of the Institute of Physics to identify buildings in Ireland and Britain associated with major scientists. The President of the Institute of Physics, Dr. Brian Manley, also attended the ceremony.

Professor Walton made a major contribution to physics in 1932 when he and Sir John Cockcroft 'split the atom' for the first time, an achievement that earned both scientists the Nobel Prize in Physics in 1951.

Originally from Dungarvan, Professor Walton studied in Trinity College, both as an undergraduate and postgraduate, before moving to the Cavendish Laboratory at Cambridge, where his revolutionary experiment worked. He returned to Trinity College in 1934 and settled there as head of physics and the Erasmus Smith's Professor until his retirement in 1974.

On his 90th birthday, September 1993, Professor Walton presented his Nobel Prize medal and Citation to Trinity College. Professor Walton died two years ago at the age of 92.

In Trinity College this week were Dr. Brian Manley, President of the Institute of Physics (left) and Dr. Thomas Mitchell, Provost of Trinity College (right) with President Robinson before the 'Blue Plaque' unveiled in honour of Professor Ernest Walton, the scientist who 'split the atom' in 1932.

Thanks

I wish to express my sincere thanks to all those who were so kind and thoughtful to me and to my family during my recent illness.

All those who called to our home, or to the hospitals; those who phoned, sent cards, Mass bouquets and good wishes.

A very special thanks to all our neighbours; to my work, sporting and political colleagues; to Jim Cooney and Nicky Power for their exceptional generosity.

As a result of my illness, I regret I will not be in a position to continue my Public Representative Role. Again my sincere thanks to all.

MODELIGO LADIES CLUB NOTES

All club members are reminded that from October onwards the monthly meetings will take place on the second Monday of each month. New members are most welcome to join us as we begin a new year's programme.

At our May meeting we welcomed P. J. Cullinane who skillfully and enthusiastically demonstrated for us the colourful art of calligraphy. So far owing to other commitments, we have failed to get a class together but there is always hope!!

In June our secretary Maura Duffy gave a pleasant summary of her life and work in the cardiac unit of an English hospital.

Mr. Tom O'Doherty who has recently expanded his company Pest Prevention Services to Dungarvan was our guest in September. He gave a very informative talk on the subject of the control and prevention of rodent, flea, cockroach and ant infestation.

Next month we are on the more pleasant topic of curtains and blinds followed by the club Annual General Meeting.

November's meeting promises the beginning of a personal awareness/development course. This is being

made possible with the help of the 1997 scheme of grants now being made available to locally based women's groups. It will take the form of four two hour sessions and is open to all ages. As places are limited, members and non members alike are kindly asked to give their name to Madge at 68054 or Maura 52095. Look forward to seeing you in October.

MODELIGO G.A.A. CLUB NOTES

Our reign of victory came to an end when we were beaten last Saturday by Ardmore in the Intermediate Football Semi-Final. It is 16 months since we last lost a football championship game so everyone felt the bitter disappointment on the night.

We felt we never got into the stride of the match even though we tried hard to keep with the play. Let's hope next year will see us back in full contention. Well done to all involved during the year.

NAOMH BRÍD CLUB NOTES

The club will run an underage hurling tournament commencing on Saturday next in Kirwan Park. Hope to see parents and children come along and get involved in our national game.

NOT THE BEST OF STARTS

As you will see from our results, our schoolboys have not had the best of starts to the season so I would like to wish all our teams the best for the future and keep fighting for these results. Again anyone looking for any information on schoolboy football can contact any member of the Schoolboy Committee and we will be more than willing to help.

Last week our notes wished a speedy recovery to our Schoolboy Chairman, Matt Wall. Matt is actually the father of Tony Wall, Executive Committee Chairman. Sorry for the error, Matt and do make a speedy recovery.

UNDER-12'S

TRAMORE 3 DUNGARVAN 1

We travelled to Tramore for the first game of the season. From the whistle Tramore attacked and we struggled to get into the game. The homeside went ahead after 5 mins. when Dungarvan failed to clear

their lines. We were two down at the break but came out strongly for the second half with Ian Prendergast and John O'Keefe looking dangerous. Ronan Dennehy battled hard and T. J. Crotty scored a great goal after running on to a through ball from Eoin Keane. Colin Houlihan was unlucky when his shot rebounded from the post. The team battled really well against a physically stronger Tramore and were unlucky not to come away with something. After the game a two minute silence was observed for the late Princess of Wales and Mother Teresa of Calcutta.

UNDER-12'S

HAT-TRICK FOR EOIN KEANE

DUNGARVAN 3 VILLA 3

Young Blues took on Villa at home last Saturday looking to improve on the previous week's performance. With the return of David Hickey we looked very solid at the back and from the whistle we had Villa under pressure. Eoin Keane opened the scoring after 10 mins. and he added another before half-time to round off a good first half performance.

In the second half we were under pressure against a stiff breeze and Villa were back in the game when we failed to clear our lines. That man Eoin Keane popped up again to complete his hat-trick shortly afterwards and we really should have held on to this lead. With 10 mins. to go however Villa were back in it and with 3 mins. to go, they levelled the score to take a share of the points. While disappointed with the result there were some great per-

formances with David Hickey and Jonathan Shaw working hard while Brian Scanlon and J. P. Tutty did well. Goalkeeper Trevor Moore stood up well and was unlucky when a good save he made fell to an incoming Villa player. Colin Houlihan had to come off injured and was a loss at midfield while John O'Keefe gave his usual 100% performance up and down the field. T. J. Crotty is shaping up well on the wing and improves with every game and with the large numbers at training every Wednesday, things are looking good for the future.

UNDER-13'S

FERRYBANK 6 DUNGARVAN 2

We travelled to defending league champions Ferrybank on Thursday last for the start of the league campaign. From the whistle the Blues looked sharp and captain Shane McGrath opened the scoring with a great effort from a free-kick after 10 mins. However we seemed to relax after this and Ferrybank were soon level after a defensive mix-up. Worse was to follow when Ferrybank were awarded a penalty which they converted. The homeside scored twice more before the break to leave the lads with an uphill struggle in the second half.

To their credit Dungarvan attacked strongly from the restart and Nicky Donnelly scored from the edge of the box. The team battled hard but Ferrybank were awarded a penalty for handball which was unlucky and this put the game out of reach. There were some good performances from Shane McGrath, Kieran O'Brien and John O'Keefe while Mark Whelan slotted well into the centre of defence and David Hickey made a welcome return after injury.

STRADBALLY SOCCER CLUB NOTES

Missed Chances Prove Costly For Both Our Junior Sides

3B MATCH

**Stradbally 1 Railway
(Cappoquin) 1**

We played Railway last Saturday afternoon at Knockrour. It was Railway who opened the scoring midway through the first half but Stephen Cunningham fired home a fine effort after a good build up to put us level at half-time. Despite having a strong wind behind us in the second half we could not put the ball in the net.

Fixtures — Sunday, September 21 away v Tycor 11.30 a.m. or 2.30 p.m. Check with Kevin Gough.

Saturday, September 27 at home v St. Otterans 2.15 p.m.

4B MATCH

**Dunmore 0
Stradbally 0**

We travelled to Dunmore last Sunday morning and came away with a share of the spoils although we could have won it with

nearly the last kick of the game. Stradbally played very good football with the ball being distributed to the wings at every available moment. This was the best decision the club has made in years to enter this second team.

Fixtures — Sunday, September 21 at home v Kilmac' 11.30 a.m.

Sunday, September 28 away v Piltown 2.15 p.m.

SEAVIEW CELTIC DRAW

Tickets for the above draw are on sale at the moment for £20 for four draws. This year of all years we must make a massive effort to sell tickets as we are gone from one team to three teams therefore catering for many people but with the added expense. We appeal to the people of the parish to buy a ticket and support us.

UNDERAGE SOCCER NOTES

Fine Display By Stradbally Under-11's

VILLA C 5

STRADBALLY 3

Stradbally had their first away match last Thursday when we took on Villa in Waterford. Philip Curran opened the scoring in the first half with a fine effort but we left Villa back into the game and they replied with five goals in the first and early second half. We dominated the game for the last 20 mins. and replied with a superb individual goal from Kevin Lawlor and with a lob from Philip Curran. If the game had gone on another 5 mins. we

felt we would have come back.

To facilitate the G.A.A. and for the good of Stradbally sport, we have switched our Wednesday game against Tramore to Friday. Although the game was fixed and a referee appointed, the flexibility of Tramore and the referee society allowed us to change it. No doubt the G.A.A. will return the compliment the next time our fixtures clash. We would encourage our players to play as many sports as possible while they are young and to attend training of any other sports they play.

Fixtures — Friday, September 17 away v Tramore 6.15 p.m.

Saturday, September 27 at home v Bohs 10.30 a.m.

There is reports of a sighting of Liam Gough last Monday in Dungarvan but it is unconfirmed at the moment.

ABBEYSIDE A.F.C. NOTES

DIVISION 4B LEAGUE

Vital Win Victory Villagers

ABBEYSIDE 1 DE LA SALLE 0

This was a very important game for Abbeyside because in this particular league you cannot afford many slip ups.

We got off to a great start imposing our game on De La Salle from the first whistle. An early corner for us was only half cleared and "Walshie" sent the ball to the net, for what was to be the only goal of the game.

When required we got people behind the ball and defended very well. The only downside was a lot of chances were created but as with last week we lacked the killer finish. So two wins and one loss keeps us up among the top teams where we hope to stay.

A special thanks to Liam Shanley and the Anchor Bar for the kind sponsorship of a match ball.

There could be no one singled out as man of the match this week as the team played well from back to front. All the training is paying off lads.

ABBEYSIDE — T. Walsh (capt.), T. Moore, T. Reynolds, B. Keohan, P. Walsh, D. Morrissey, L. Shanley, J. Kyne, C. O'Connor, J. Mulhearn, K. Moore. Subs. — D. Hayes, T. O'Dea.

DUNGARVAN UNITED A.F.C. — PREMIER LEAGUE

Blues Bounce Back With A Win

DUNGARVAN 3 BOLTON 2

Following their disappointing result away to Carrick the previous week Dungarvan's premier side bounced back at home on Sunday last with a 3-2 victory over city side Bolton.

It was their first victory in the top flight of junior football and was achieved with a combination of youth and experienced players popping up to score vital goals.

The Blues opened brightly and Kevin Walsh had two early chances which went wide. After only 13 minutes they took the lead with one of the best goals seen at Kilrush Park for some time. Young John Paul Donnelly, with his back to goal, dragged the ball back with his foot and turned all in one movement and his shot nestled in the top left hand

stanchion to give Dungarvan a tonic start. It was a wonderful piece of skill from a very talented young player. The Blues went 2-0 up after 33 mins. following good work by Timmy Kiely when Leroy Simms showed all his sharpness in the box to finish from close range. Leroy and Mark Crotty tormented the Bolton defence all through the game with their pace and close control and were unlucky not to add to their tally and at half time Dungarvan fully deserved their 2-0 lead.

A good combined move

by J. P. Donnelly and Kevin Walsh saw Leroy Simms' effort parried by the keeper and Mark Crotty shot wide from the rebound. Mark Crotty broke clear but his shot was saved by the legs of the Bolton keeper. In the 60th minute the visitors got a goal back following a good passing movement. But the Blues were still very much in the game.

Bolton were awarded a penalty in the 77th min. when John Paul Donnelly was adjudged to have fouled in the area. It seemed a very harsh decision as he had won the ball cleanly in the tackle, but Bolton scored the spot-kick and were back on level terms.

It was then that we saw the battling qualities of this

side and in the 75th minute up came big central defender Willie Coward to glance home a header following a corner on the left from John Paul Donnelly to give the Blues a fully deserved victory.

They are at home to Southend United on this Sunday morning at 11.30 a.m.

Dungarvan — Terry Whelan, Georgie Hamilton, Aidan Landers (capt.), Willie Coward, Colin Walsh, Kevin Walsh, Timmy Kiely, Alan Landers, Leroy Simms, Mark Crotty. Res. — Nick Thompson for Colin Walsh (inj. 35th min.); Alan Sheehan for Kevin Walsh; Pat Dunford, Garry Collins.

Referee — Paul Mooney.

DUNGARVAN UNITED A.F.C. — DIVISION 3A LEAGUE

Battling Blues Hold On To Gain Valuable Points

ST. SAVIOURS 1 DUNGARVAN 2

Dungarvan's 3A side ground out a good result on Sunday morning last by virtue of a 2-1 win over city side St. Saviours. The Blues needed to get a result after a 4-1 home defeat at the hands of Seaview.

Dungarvan started well playing into the breeze and had three good shots on target in the opening quarter, with Coles brining a good save out of the home keeper. We took the lead on 20

minutes, Ferncombe's good ball out of defence found Walsh, who in turn found Drummy and he drilled past the home keeper from 20 yards. (His first goal in 58 games, 167 hours, 31 secs.

to be exact, word has it he is still celebrating!). But his and Dungarvan's joy was short lived as from the kick-off the home team equalised from lack of concentration.

Dungarvan, however, took the lead again ten minutes later when great work down the right by Flynn released Hayes whose rasping shot was parried by the home

keeper and Tutty was quickest to react for a simple tap in. The same player should have made it 3-1 shortly after this when he tried to square the ball to Hayes, but the home defender read it well and cleared his lines. It stayed like this until the break.

The second half was a complete contrast to the first, as the home team now had wind advantage and from the kick off laid siege on the visitors goal. Wright replaced Hayes and with 20 minutes to go player/manager Tutty brought himself on to steady the ship. Dungarvan's only real chance of the second half fell to Coles but he shot wide from long range.

The home side almost shared the points only for some great defensive play from Whelan, Hart and Cummins and a brilliant save by Sheehan in the dying minutes.

Dungarvan — John Sheehan, Michael Ferncombe, Ber Whelan, Michael Cummins, Michael Hart, Paudie Flynn, P. J. Drummy (capt.), John Walsh, Mark Coles, Kevin Hayes, Vincent Tutty. Res. — Thomas Wright for K. Hayes; Pat Tutty for V. Tutty; Christy Connolly.

DUNGARVAN UNITED A.F.C. — YOUTHS LEAGUE

Hard Earned Win For Youths

JOHNVILLE 0 DUNGARVAN 1

Dungarvan visited Johnville on Sunday last and came away with a 1-0 win from a venue that is always hard to get a result from.

On a poor pitch and very windy conditions Dungarvan settled quickly and had a succession of chances, but a combination of bad luck and some poor finishing left the score 0-0 at half time.

Against the wind, Dungarvan battled hard and finally got the goal they deserved when Bernie Crotty cut in from the

left and drove firmly past the keeper. With John Paul Keohan outstanding in midfield, Dungarvan dealt confidently with anything Johnville threw at them.

Indeed Dungarvan finished strongly and could have scored more goals. Diarmuid Keating hit the post, Vincent Sullivan, Joe Nolan and Gary Collins all went close. In defence Donie Kelleher and Eoin Morrissey shone. Overall it was a thoroughly deserved win.

Next fixture away to Ferrybank on September 28.

BLUES OFF THE MARK

Our Premier side recorded their first victory of the season on Sunday morning last when they defeated Bolton by a 3-2 scoreline. This was a vital victory for a Blues side still not at full strength. Goals from "Copper" Donnelly and debut boy Leroy Simms, the former a marvellous effort put the Blues two up early on only to be pegged back in the second half to two each. Just when it looked like the spoils were going to be shared, up popped Willie Coward to head the winner for the Blues.

Next Sunday morning the lads are at home again this time to T.S.B. Cup winners Southend. This will be a stiff test for the lads and once again all support would be greatly appreciated.

Pat Tutty's 3A side picked up three valuable away points at St. Saviours also on Sunday morning last when they ran out 2-1 victors against the city side. Paddy Joe Drummy scored his first goal in 17 seasons for the Blues in this tough encounter. If anybody has seen Paddy Joe in the last four days please contact his spouse as she is very worried. Vincent Tutty got the other Blues goal.

Next week the lads are at home to Portlao on Saturday evening. With Kieran Foley and Killian Wall to come back into the side, the Blues will be looking to keep up the momentum.

Our 2A side had no game this weekend and so the lads just potted around the house for themselves and had a few pints if they felt like it.

Speaking of our 2A side there are unconfirmed reports that Davy Crotty O.B.E. has been appointed Asst. Manager to Thomas Duggan. With even a say in picking the team. Well by damned!!

Next Sunday evening our 2A side play hosts to league favourites Abbeyside in what is always a fiercely competitive fixture. The lads will be looking to fare better than in this fixture last season when they were well beaten by a fine Abbeyside side. Kick-off 2.15 p.m.

BALLINROAD SOCCER NOTES

DIVISION 2B LEAGUE

Power Hits Late Winner

VILLA 2 BALLINROAD 3
Having surrendered a two goal lead Ballinroad showed great spirit to grab a late winner in Waterford on Sunday morning last.

Playing against a strong wind, Ballinroad adapted better to the conditions and dominated the game from the kick-off. With Neilly playing well up front, we always had the home defence under pressure and it came as no surprise when we went ahead in the 15th minute. Joe Walsh and Maurice Tobin combined on the left and when the keeper could only parry the latter's shot, Neilly O'Connor was on hand to open the scoring. Maurice Tobin saw his effort go inches wide in the 20th minute as the younger Ballinroad side ran at the Villa defence. The home side had a few half chances but our keeper and defenders kept them at bay.

The second half saw Ballinroad playing with the wind and they continued to lay siege on the home goal. In the 60th minute our constant pressure paid off when Neilly turned sharply and gave the keeper no chance from 12 yards.

This goal should have killed off the opposition but in ten minutes of madness we allowed Villa in for two goals to tie up the game.

To their credit Ballinroad came back strongly and with Karl Power pushing forward he was in the right place in the 89th minute to finish off a good cross from Maurice Tobin.

While we did not play up to standard, it was gratifying to come away with three vital points.

DIV. 4B LEAGUE

Good Away Victory

SLIEVERUE 1 BALLINROAD 4

This was a welcome victory for Marty Foley's side who should be well in contention for league honours this season. Ballinroad scorers were Jacko Kiely (2), Paul Duggan and Martin Troy.

JOHN FRAHER TOURNAMENT FINAL

Ballinroad 2 Kilmacthomas 2

(Kilmac' win 4-2 on penalties)

This was a thrilling game played by two teams who

were evenly matched throughout the field. Ballinroad had the better chances in the first half but Kilmac' struck for the opening goal just before half time.

Maurice Tobin scored a great individual goal to equalise before Kilmac' took the lead again in the 75th minute. Ballinroad fought desperately to hang on to the trophy and Neilly O'Connor set up Jimmy Stacey for a deserved equaliser to tie up the game.

Kilmac' won the penalty shoot out but great credit to both sides for a cracking game.

FLAG DAY

Thanks to all who subscribed to our flag days over the weekend.

RAILWAY ATHLETIC F.C. (CAPPOQUIN)

Fine Display Puts Railway Back On Track

RAILWAY 3 SOUTHEND 0

We were at home to city side Southend on Saturday afternoon last and put in a fine performance to take the points. After last week's bad result we knew we had to get something out of this game and the changes made by the Railway management teams worked well as Railway went on to take the points.

We started brightly and caused Southend some

problems early on but our best chance fell to McLoughlin but he shot wide from a good position. Southend then almost took the lead when a mix-up in our defence allowed a Southend player to have a shot at goal but Morrissey did well and made an excellent save.

We took the lead after 25 minutes when good work by Quinn and O'Donnell made

room out on the right for James Manahan. His cross found its way to Conor Prendergast and he knocked the ball into an empty net much to the delight of the Railway supporters. Railway's back four were well on top during the game and any chances which fell to Southend were long range efforts which Liam Morrissey dealt with ease. Railway held their one nil advantage until the break.

In the second half Railway brought on two subs and they instantly made a difference. It was one of our subs who was the instigator of our second goal. Packie Manahan put in a fine tackle and as Quinn got onto the breaking ball his cross was toe poked home by the in-rushing Doc O'Donnell (we think!). Railway began to totally dominate in all sectors and it was no surprise when we scored our third, great work by Manahan and Quinn set the Doc clear and he slid the ball under the advancing keeper to give Railway a very comfortable win.

This was a fine performance and all thirteen players used put everything into the game and came away with the points.

UNDER-16 LEAGUE

DUNMORE 2 RAILWAY 2
On Saturday afternoon last

our under-16's were away to Dunmore and put in a fine performance to gain our first point of the season. This was a game in which we once again rued a missed penalty that would have given us all three points. We started well in the first half and Michael Scanlon put us ahead with a fine goal. Dunmore came more into it after this and got an equaliser just before half time. In the second half Dunmore took the lead but our lads battled back and Scanlon got another good goal to give our young battling side a deserved draw.

Manchester United Supporters Club News

LOCAL BRANCH HOLDS IMPORTANT MEETING

Manchester United Supporters Club are holding a very important meeting in Lawlors Hotel on Friday, September 26 at 9 p.m. It is vital that all members travelling to Old Trafford in October for the Barnsley game are in attendance. It is also vital that all monies due for the trip are paid on the night.

MODELIGO SOCCER NOTES

On Sunday last we made the long journey to Fermoy to take on Kilworth Celtic. We got off to a good start, getting the better of the early exchanges and going on the attack immediately. It was just a matter of time before we opened our account. A good cross came in from the right and the rebound from a blocked half volley was picked up by J. P. Ryan who rifled the ball in off the post from 18 yards.

From here on in we never looked like losing the lead. After 30 minutes we doubled our lead when the Kilworth keeper failed to deal with a Walter O'Grady shot and Brendan O'Connell picked up the loose ball and buried it low into the bottom right hand corner. We kept things watertight at the back, right up until half time.

Early in the second half our lead was stretched to three when Adam Bending found the net from close range. Kilworth then put a few passes together and started to get on top but our back four held strong and were unfortunate to concede a penalty midway through the second half. However, the Kilworth player blasted it wide and we got off the hook.

Five minutes later we won a corner and a well delivered ball was headed home by 'Sid' Power. Shortly afterwards we won another corner and Adam Bending again found the net straight from the corner kick.

We took the foot off the pedal from there in and Kilworth were awarded a second and dubious penalty which they stuck away, leaving the final score 5-2 in favour of Modeligo.

It was a great team performance but Adam Bending, Shane Reddy, Shane Dean and J. P. Ryan really stood out.

A special word of praise must go to Fermoy FC on the excellent facilities at Carrig Park.

Team — E. Condon, J. Power, J. O'Neill, J. P. Ryan, J. Maher, B. O'Connell, S. Reddy, S. Denn, W. O'Grady, A. Bending, E. Power. Subs., J. Hourigan for J. Maher, P. Condon for B. O'Connell.

GLENVIEW UTD. NOTES

RED HOUSE LEAGUE Glenview 0 Mogeely 0
We started our Tony Bolger Cup campaign with a hard fought scoreless draw at home on Sunday last. We had to field an under-strength team and missing several key players, this was a very encouraging performance. The commitment, passion and luck were all on

The under-14's played Portlaw at home last week. We had a very understrength side so we lost 1-0. On Saturday last we travelled to Ferrybank in Waterford. Former member of the team that brought honour and glory to the club by winning the Golfing Union of Ireland Junior Foresome in 1985 Kieran Hogan, playing off five showed he has lost none of his appetite for the game by winning Golfer of the Autumn Open Week with an aggregate score of 118 pts. which was six clear of his nearest rival, P. GER WYLEY SERIES

A HUGE SUCCESS

The West Waterford Athletic Club Summer Road Racing Series came to a successful conclusion in Ardmore last Friday week in what was the eighth race of this Ger Wyley Sports sponsored promotion. The Series proved to be a test of stamina as much as speed with 53 of the 88 entrants completing the series by finishing 5 or more of the 8 races on offer.

WATERFORD WINNERS

The Summer Series was divided into three categories - under 40 men, over 40 men and ladies and the city club Waterford A.C. supplied each of the three winners in the persons of James Sullivan, Tom Burns and Geraldine Guiry. Because of the unprecedented entries, further divisions were included and the winners were as follows -

Under 40 Division 2 - Pat Cormack (Ballynonty), Division 3 - Michael Wade (West Waterford), Division 4 - Tony O'Mahoney (West Waterford), Over 40 Division 2 - Maurice Boland (Clonmel A.C.), Division 3 - Kieran Bolton (Clonmel A.C.), Division 4 - Jim Curtin (East Cork A.C.).

SULLIVAN THE STAR

JAMES SULLIVAN

The star of the Summer Series was undoubtedly James Sullivan who won 6 races from 6 starts. His wins were achieved at the Marine race, Butlerstown 10k, Rás na Rinne, Dromana, Ballymacarbry and Waterford to Tramore. He has been the top Waterford distance runner for the past number of years and he looks set to equal the County Senior Cross Country record of seven championship title wins at the Michael C. Nagle event in Abbeyside on Sunday, October 19th.

By virtue of his win in Ardmore and in bettering his finishing position from Tramore, Martin Drake (Hilltop Hotel) pipped Pat Heffernan (St. Catherines) by 4 pts. in the under 40 section for second place overall. When Jason O'Connor from Wexford

MARTIN DRAKE

finished fourth overall, it ensured that the top four runners in this category were from different counties which shows the appeal of this year's series and it can only go from strength to strength in the years ahead.

The results of the last race edged Martin McCarthy (West Waterford) and Ger Flanagan (Youghal) out of the top ten in Division 1 and they were replaced by the Alans O'Connor (Clonmel) and Ryan (West Waterford). The top local finisher in this category was young William Harty who is really in top form at present. He finished 6th in his category and 7th overall.

The standard in this year's series can be seen in the low total of 77 pts. for 5 races scored by the Division 2 winner Pat Cormack (Ballynonty). Pat's club are great supporters of races in the West Waterford area and it's good to see them in the winning enclosure. Division 3 was a real father and son battle with Michael Wade (Portlaw) pipping his son Robert for the title by 3 pts. Both runners performed well in Ardmore with Robert running 30.25 and Michael running 30.33. The young Wade cut his father's score by 18 pts. but experience won out at the end of the day. Division 4 produced another West Waterford winner with Tony O'Mahoney, after cycling from Abbeyside for the race, defeating his club-mates Sean Fahey and Ger Wyley for the title. Tony took part in all the races except one with a wily fish on the River Shannon responsible for him arriving too late for the Touraneena race last

July. He is a good example to all runners as irrespective of form and training (he doesn't), he takes part in all the races and he enjoys the local athletic scene to its fullest.

TOM BURNS OFF OPPOSITION

Turned veteran runner last Spring, Tom Burns has taken full advantage of his first year in his new category as his performances in the Summer Series has shown. Tom was a very clear winner of the over 40 category and in totalling a really low score of just 4 pts. for the five races, he finished 4th overall from the 53 finishers. He competed in all 8 races with a quick dash from holidays in Lanzarote ensuring his participation in the Touraneena run.

PAT HEFFERNAN

Second place Michael Roche made a remarkable recovery from serious early season injury to secure the runner-up position with gradual improvements in each race and if he can stay injury-free, the younger runners had better not rest on their laurels as this man loves to compete. He is a tough campaigner and for him a successful winter season beckons.

The minor placings produced thrilling fare with Fred Walsh (Youghal) and Frank Cashman (East Cork) tying on 49 pts. and Tim Twomey (East Cork) and Pat Dempsey (Leevale) tying on 61 pts. In these contests 3rd place and 6th place went to Fred Walsh and Tim Twomey respectively as they participated in a greater number of series

TOM BURNS

ran more than their opponents. In between, West Waterford's Anthony Harty continued his consistency throughout the series when finishing in 5th position. His clubmate Colin Lyons finished 9th in Division 1 in what proved to be a very high standard category.

In Division 2 the leader going into the Ardmore race, Anthony Dwyer was relegated to 3rd spot with Clonmel's Maurice Boland, taking the title from a much improved Jim Hallinan (Ladysbridge) who ran 30.35 in Ardmore. Another Clonmel runner Kieran Bolton won Division 3 from his club-mate Timmy O'Connor and in total the Summer Series received much backing from the South Tipperary Club. Division 4 honours went to the experienced East Cork campaigner Jim Curtin by 6 pts. from Tipperary's Kevin Collins with Butlerstown's Pat Hennessy in 3rd spot.

GERALDINE COMES FIRST

Early on in the series the prospects for a valid ladies category did not look good but this changed as the races progressed and 11 competitors figured with 6 of them completing the series. The arrival of the ladies from Kilmore Quay Club in Wexford boosted matters no end and they added some colour to the series. At the end of the day

it was a Waterford lady, Geraldine Guiry who took the honours with a deserved victory. She ran consistently throughout and by taking part in all 8 races, she availed of the many bonus points on offer which helped to give her a clear cut win.

Kilmore's Jackie Stamp was best of the visitors and throughout she received good support from her fellow club runners Yvonne and Pauline Clooney and Helen Doyle. West Water-

MAURICE BOLAND

37 pts., 10. Alan O'Connor (Clonmel) 56 pts.

Division 2 — 1. Pat Cormack (Ballynonty A.C.) 77 pts., 2. Martin McCarthy (West Waterford) 107 pts., 3. Ger Flanagan (Youghal) 109 pts., 4. Bobby Cody (St. Senans) 114 pts., 5. Joe Kelly (West Waterford) 126 pts.

Division 3 — 1. Michael Wade (West Waterford) 137 pts., 2. Robert Wade (St. Pauls) 140 pts., 3. Dermot Dwyer (West Waterford) 151 pts., 4. Ray Burke (West Waterford) 163 pts., 5. Michael Dwyer (West Waterford) 168 pts.

SUSAN SETS IRISH RECORD

Susan Smith didn't take long to get over the disappointment of running her slowest time for the 400m hurdles this season in Japan last Friday when she returned to the track within the hour to set an Irish 100m hurdles record. Susan finished eighth and last in the 400m hurdles in 58 secs. and she set a new mark of 13.22 secs. when finishing fifth in the 100m hurdles. She eclipsed Olive Burke's ten year time of 13.74 secs.

AIB STRIKE'S HILL CYCLE

Yellow Jersey Holder Sets New Record

Week four of the competition and Mark Flavin is still wearing the leaders yellow jersey as he again set a new course record of 12.04 last Wednesday night. Is there any stopping him?

Hot on his heels however is Brian Geary on 12.21 and there should be a real battle between these two top riders over the remaining two weeks. Joe Kelly lies in third position overall on 12.55 and he's certainly not out of the picture either.

The secret to Mark's success last week was bananas and pastilles - a winning combination of rocket fuel!

Conditions were calm, cool and perfect for cycling. Of the 40 riders who completed the course, thirty seven people recorded personal best times. AIB Strikes Hill cyclist of the week goes to Aisling Conroy who improved her time by 3 minutes to record 21.29.

Other cyclists to impress on the night were Pat Keane, Tony Elsted, Ger Wyley and Ivan Power who broke the magic 15 minute barrier. Beating the 20 minute barrier to join the 'teen times' were Joe O'Flaherty, John Pius Houlihan, Tony Deegan, Seamus O'Riordan, and Patsy O'Connell.

Next week, the cycle gets underway at 6.45 p.m. with riders being let off as they arrive. Many cyclists still owe the £5 entry fee which must be paid tonight, Wednesday 17th, otherwise you will not be an official member of a team.

The prize giving ceremony will take place on Friday, 26th September at the Park House. Prior to the awards, a short meeting will take place regarding the formation of a local cycling club. Watch this space for further details.

Message to Seamus - don't always believe the calculator - there are only 60 seconds in a minute, not 100!

What's this we hear about John Pius and Dusty breaking the sound barrier down the sweep. The wind has curious effects on some people.

Team positions after week 4 are; 1 Thomas Hogan 438 min. 42 sec.; 2 Eoin O'Riordan 442 min. 21 sec.; 3 Tony Murray 444 min. 15 sec.; 4 Edward Kelly 445 min. 06 sec.; 5 Ray Dwyer

Dungarvan Harbour Sailing Club Notes

Very strong blustery winds greeted the five boats who started the race on Sunday last. At the start Don Bradley with his crew John and David, made a good

getaway, closely followed by Mossey Brennock and Alex Ballot. Colin Shorthall and John A. Higgins started on a different tack. Don, Mossey and Alex were in

close order, until the first tack, when Don suffered from gear breakage. Alex and Karl decided to practice a capsizing drill at the 2nd mark, getting very wet in

the process. Colin with his crew Pat and James, unfortunately had to retire, leaving Mossey and John A. to fight it out. These two boats were in close order for the rest of the course and coping with the strong blustery conditions extremely well. Mossey and Lenny gained the upper hand and finished first, with John A and Nellie in second place.

Thanks to Christopher Kelly for covering with the Rescue Launch.

Our September League continues tonight, Wednesday, Sept. 17 at 18.45 and on Friday, Sept. 19 at 18.45. Don't forget our "Ladies Skippers" Race next Sunday, Sept. 21 at 18.45. Be there!

REMEMBERING OTHER DAYS

This week our "Remembering Other Days" series features the Dungarvan G.A.A. Club senior hurling team which contested the county final of the 1951 senior hurling championship. The venue was the famed Shandon field and Mount Sion were their opponents. Mount Sion scored a rather easy win on the day and significantly it was the last time that the Old Boro appeared in a senior hurling final. The picture shows at back (l. to r.) Michael Kelly, Percy Butler, Tom Curran, Austin Hallahan, Willie Barron, Gary Morrissey, Paul Lannon, Liam Crotty, Tommy Cashin and Tom Lannon. Clashmore G.A.A. Club Notes

MINOR FOOTBALL

We had a fine win over Brickey Rangers in the Western minor football final last Wednesday night in the Fraher Field. This was a game where each and everyone gave a 110% from start to finish.

We started the game at a blistering pace and played some delightful football. We raced into an early lead with some great points from Roger, Gerry and Ed. After fifteen minutes we led 0-6 to no score. Suddenly we left the Brickeys back into the game with two goals and a couple of points in the space of eight minutes. Our backs were now against the wall as we approached half time and having played with the breeze for the first half, things did not look good. Half time score Clashmore 0-7 Brickeys 2-3.

The second half saw a totally transformed Clashmore team as we totally dominated proceedings from start to finish. In fact we contained Brickeys to one point from a free in the second half. The end result does not do us justice and but for some wayward shooting in the second half we would have won by a much bigger score. Final score — Clashmore 0-14 Brickeys 2-4.

Everybody on the team played their hearts out but none more so than Karl O'Keeffe, Roger Ryan, Mark Power, Stephen Barron, Gerry O'Rourke and man of the match Shane Allen.

Team — Declan Hickey, Shanc Allen, Pa Troy, Donal

McGrath, Noel McGrath, Karl O'Keeffe, Barry Dunne, Mark Power, Ed. Beresford, Roger Ryan, Stephen Barron, Donal O'Keeffe, Gerry O'Rourke, David O'Keeffe and Michael Cliffe. Subs used — Alan Murray for David O'Keeffe; Brian Dunne for Michael Cliffe.

Scorers — Roger Ryan (0-6), Gerry O'Rourke (0-3), Ed. Beresford (0-2), Donal O'Keeffe, Mark Power and Stephen Barron (0-1 each).

As of yet our opponents in the county final are not known.

MINOR HURLING

On this Saturday we contest the Western minor hurling final against Stradbally in the Fraher Field, Dungarvan. Throw-in at 5.45 p.m.

JUNIOR HURLING

We won our second title of the week when we annexed the junior hurling league title by virtue of a 5 point win over Lismore in the replay played at the Fraher Field last Saturday. This was a game we were always in control of and led at half time by the score of Clashmore 1-6 Lismore 0-5. Early in the second half we scored two goals in the space of a minute from "super sub" Colm Carey and Donal Fitzgerald. At this stage we sat back and allowed Lismore back into the game but in the end we held on for a comfortable win.

After the game team captain Seamus McGrath received the cup from Paddy Walsh, Chairman of the Western Board.

Best for Clashmore were Brian O'Neill, Brian Murray, Conor O'Riordan, Mike Shalloe, Seamus O'Rourke, Donal Fitzgerald, Colm Carey and Fran O'Rourke.

Team and scorers — Fran O'Rourke, Karl O'Keeffe, Nicholas O'Connell, Brian "Tiger" O'Neill, Pat Lombard, Seamus McGrath, Brian Murray (0-1), Mike Fenton (1-1), Conor O'Riordan, Donal Fitzgerald (1-2), Ed. Beresford, Mike Shalloe (1-3), Seamus O'Rourke, James Kelly, Micheal Costin. Sub. — Colm Carey (1-0) for M. Costin.

ALL IRELAND TICKETS

Winners of All Ireland hurling tickets were Mossie Curran, Ed. O'Rourke and Conor O'Riordan.

RED HOUSE LEAGUE NOTES**NEW SEASON OFF TO A FLIER**

The new Red House League season got a big welcome last weekend with fine weather and plenty of goals and the usual odd surprising result at this stage.

SECTION A ROUND-UP**Surprises For Blackwater Rgs.****GLENVIEW 0 MOGEELY 0**

Glenview found themselves short a number of regulars but showed that they have a fine squad that can do a job when needed. Mogeely too have lost some familiar faces but they were able to introduce some new names and both teams were probably happy with their start.

AN GAELTACHT 3 BLACKWATER RANGERS 0

A mild surprise here for Rangers who, after gaining promotion, would have been hoping for a good

start. An Gaeltacht are under new management this season and hopes are high that Finbar Walsh can bring them success. Tucker Curran was brought down for a penalty that Sean Drohan put away and An Gaeltacht made it two before half-time with a magnificent free-kick from Timmy Power. Nothing went right for Rangers and they conceded a third goal through Paudie O'Mahoney to give An Gaeltacht a fine start.

VALLEY RANGERS A 4 BALLYBRIDGE UTD. 2

Valley Rangers can thank

their young guns for this victory as three of their scorers were in last season's youth team. Rangers scored after 3 mins. through Tony Harpur and although Utd. equalised after 11 mins., Rangers restored their lead 2 mins. later with a wonderfully struck free-kick from

Gordon Bryan. Shane Kearney made it 3-1 nine minutes before the break. Ballybridge narrowed the gap again with a penalty 5 mins. from the end but Valley's veteran midfielder Billy Carr sealed victory with a last minute header following a corner.

SECTION C RESULTS**Gortroe Surprise Lismore****DUNGOURNEY FALL AT HOME TO CLASHMORE****CAPPOQUIN DEFEAT PINWOOD RGS.****CAPPOQUIN 2 PINWOOD RANGERS 1**

This game only came to life after the opening goal which arrived 4 mins. from the break. Paudie Landers headed home after a corner kick to give the homeseide a half-time lead that their possession merited. Cappoquin were on top when Charlie Barry scored a magnificent long range goal after 66 mins. The homeseide should have had a comfortable last 20 mins. but a long ball by Conor Ryan was headed home by Alan Walsh to put Pinewood back in the game. Despite plenty of prompting, Rangers were unable to break down Cappoquin's well organised rearguard.

LISMORE 0 GORTROE 1

Lismore's heavily depleted side were unable to open

up Gortroe's defence and paid the price 5 mins. from the end when Alan Downing scored the only goal of the game.

Despite fielding so many young players, Lismore had plenty of chances but Gortroe were tough opponents and stuck to their task.

DUNGOURNEY 0 CLASHMORE RAMBLERS 3

Franny O'Rourke hit the first hat-trick of the season as Ramblers coasted to an easy win over newcomers Dungourney. All the goals came in the first half, the first coming after 17 mins. and the others after 28 and 30 mins. Dungourney improved as the game went on and showed plenty of promise but Ramblers were deserving winners on the day.

SECTION D RESULTS**Araglen Sink Ardmore, Inch Beat Affane****BRIDEVIEW UTD. A 4 BRIDEVIEW UTD. B 1**

Things were not going to plan at half-time as a Brian Donnelly strike after 23 mins. had the B team ahead. Things changed dramatically after the break when Brian Henley scored after 49 and 50 mins. Dermot Henley made it 3-1 after 61 mins. before Eamonn Cusack sealed victory on 73 mins.

ARAGLEN 3 ARDMORE 2

Araglen shocked Ardmore last Sunday when they took the lead from a 25th min. penalty converted by James Kearney. Worse was to follow for Ardmore when Tom Kenneally ran half the length of the field for a brilliant individual goal. Kenneally scored again after 85 mins. to give Araglen a 3 goal lead but Ardmore gave the homeseide a fright by scoring twice in the last 5 mins.

AFFANE 0 INCH 3

Inch got a fine win away to third division Affane. Inch scored early in the first half and were always dominant. Two second half goals ended Affane's interest in the game. Scorers for Inch were Colman Galvin, Trevor Murphy and Peter Savage.

SECTION B ROUND-UP**Twenty Two Goals With Away Teams On Top****KILWORTH CELTIC 2 MODELIGO 5**

Modeligo got themselves off to a flying start with this brilliant away win against Kilworth. J. P. Ryan and youngster Brendan O'Connell put the visitors into a 2-0 half-time lead and although leading scorer Gerry O'Riordan scored twice for Celtic, Modeligo pulled away with goals from Sid Power, Adam Bending and Paul Condon.

CASTLEBRIDGE CELTIC 2 YOUGHAL 5

Celtic opened the scoring after 5 mins. through Dave Stack but Youghal equalised before half-time. Youghal then went 3-1 up before Kevin Gould scored after 75 mins. for Castlebridge.

Youghal finished the strongest and added another two goals before the end.

VALLEY RANGERS B 2 BALLYDUFF 6

Ballyduff gave Valley B a hot reception in Conna last Sunday and were 5-0 up at the break. The first four goals came in the first 11 mins. which included two Noel O'Leary own goals and strikes by Eoin Corcoran and Dermot Bolger. Keith Geary scored a fifth Ballyduff goal just before the break and goals by Aidan Hogan and Alex Hurley lifted the siege but only briefly took the pressure off. John Twomey hit number six and they could have scored more but Valley's 'keeper saved a penalty before the end.

Exciting Games In Prospect

MOGEELY v VALLEY RANGERS A
Valley had a good win last week and another win here would put them in the driving seat. Mogeely will see Valley as one of the contenders for a semi-final spot and may need to win to overcome last week's draw. Valley might be too strong for Mogeely although it should be close. A draw.

BLACKWATER RANGERS v BALLYBRIDGE UTD.
Both sides were beaten last weekend and another defeat could prove costly. Rangers result was more surprising of the two and they will be keen to make amends straight away. Ballybridge are a talented side and could take all the points from this one but we might see a draw.

AN GAELTACHT v GLENVIEW
Can An Gaeltacht reproduce last week's form? If they can then Glenview will have a fight on their hands. These teams swapped divisions last season and both will be anxious to make a good start to their season. Definitely a game that could go either way and again we go for a draw.

VALLEY RANGERS B v MODELIGO
Rangers will find Modeligo more to their liking than Ballyduff but the visitors magnificent win away to Kilworth last Sunday indicates that Modeligo could be in for a good season. Valley are sure to improve after a number of games but Modeligo have a lot of experience on their side and will fancy their chances of another victory. Away win.

BALLYDUFF v YOUGHAL
Two big away wins last week for the two fancied sides in this group sets up a possible crunch meeting on Sunday. Ballyduff are always up there challenging for honours and this is a competition they would dearly love to win. Youghal are going through a transformation at the moment but showed their capabilities by beating Castlebridge Celtic

last week. If Ballyduff are on song, they should be good enough for the 3 pts. on Sunday though Youghal will make it hard for them. Home win.

CASTLEBRIDGE CELTIC v KILWORTH CELTIC
Both teams were disappointed with last week's events and this local derby could be a real battle as they go all out for a win. Anything less than victory is of little use to these teams and Castlebridge might prove a little strong for Kilworth on Sunday. Home win.

CAPPOQUIN v LISMORE
Another local derby and one that Lismore will not relish after last week's poor display against Gortroe. The visitors will be relying on some of their younger players this season but they could struggle on Sunday against a Cappoquin side who were very impressive when defeating Pinewood Rangers last week. The homeseide have introduced some youth players as well but have plenty of experi-

ence in their ranks and will be expected to win against Lismore. Home win.

CLASHMORE RAMBLERS v PINWOOD RANGERS
Rangers Bolger Cup hopes could be gone if they slip up in Clashmore. Pinewood played well enough last week in Cappoquin but were lacking up front. Ramblers made a tremendous start away to Dungourney and are capable of taking all three points if they play as well as they can. Home win.

GORTROE v DUNGOURNEY
This East Cork affair will attract many supporters to the Gortroe venue. Both sides will be playing in Division 3 this season and many people feel Gortroe will be challenging for promotion. Dungourney are finding their feet at the moment and it could be a few weeks before we see them at their best. Gortroe will be boosted by last Sunday's win in Lismore and can feel confident of another 3 pts. Home win.

BRIDEVIEW UTD. A v ARAGLEN
Araglen surprised many with their win over Ardmore on Sunday but it would be a bigger shock if they were to beat Brideview. The home team defeated their B side last week and will be a major obstacle for Araglen. Home win.

ARDMORE v AFFANE
Two teams at the wrong end of results last week and Ardmore in particular will be looking for a win. Affane were well beaten at home to Inch and won't fancy a trip to Ardmore at the moment. Ardmore will be expected to push for honours this season and should be too strong for their visitors. Home win.

INCH v BRIDEVIEW UTD. B
Inch had a handy result last week and will be hoping to add to their points tally ahead of their meeting with Brideview A. Brideview B are under new management this season and the team will be looking to impress Liam Fraser ahead of the league campaign. Inch face a tougher task than last week but might be too strong for the Tallow men. Home win.

The Schoolboys League Committee is taking a very strict line this season with clubs regarding the cancellation of matches and changing the kick-off times. Dates and times for fixtures will be called out at each schoolboys meeting and only requests made 7 days before a game concerning a change will be dealt with. Clubs must realise that there is a lot of work in organising referees and fixtures and the league must be run on a more organised basis in future.

For those club P.R.O.'s who may not already know, the League's Fixture Secretary and P.R.O. is Sean Kearns (024) 96142 and I would appreciate the co-operation of each club as regards the results of games. It only takes a minute to pick up the phone and notes for this newspaper cannot be completed until all the scores are in. Remember even if your game is called off, you must inform the Fixture Secretary. Again the League Committee has promised to penalise any club who fails to ring in their result so please make the effort for your own sake.

REGISTRATION FORMS AND FEES

All clubs must have all their players registered and their fees paid at our next meeting. Fines will be imposed on those clubs who do not fall into line. A reminder also that clubs who are not represented at delegate meetings will be fined.

NEXT MEETING

A full delegate meeting will take place on Monday night next, Sept. 22 at the Devonshire Hotel, Tallow at 9 p.m.

UNDER-12 LEAGUE RESULTS

Ballybridge Utd. 1 Clashmore Ramblers 5.
Ardmore 4 Clashmore Ramblers 0.
Inch 3 Ballybridge Utd. 1.
Kilworth Celtic 9 Cappoquin 1.
Castlebridge Celtic 2 Brideview Utd. 3.
Highlights from this week's results included a six goal haul from Tom Twomey for Kilworth and a Mark O'Brien hat-trick for Brideview Utd. away to Castlebridge. Brideview are clear leaders in Group A but Valley Rangers could still have a say. In Group B Ardmore are looking a cut above the rest and another win should see them qualify for the league final.

CAPPOQUIN A.F.C. NOTES

Tony Bolger Cup
Cappoquin 2 Pinewood Utd. 1.

Our season got off to a good start at home to Pinewood on Sunday morning. We opened the scoring when Paudie Landers headed home a corner and went two up with a long range (lucky) strike from Charlie Barry. A rare lapse in concentration by our defence allowed the visitors in to pull one back, putting us under pressure for the final 15 mins. Very impressive for us were Paul Morrissey, Martin Lacey and Paudie Landers.

B Team — Although not competing in this competition we hope to have a challenge match for the Division 3 team shortly. This team will be made up of many of our youths along with some experienced players and should account well for themselves in the league. All youth players (except the Affane lads) are expected to play for the B team if possible as it would be excellent training for their own league.

Team: Niall Maher, M. Power, L. Lacey, R. Walsh, P. Morrissey, C. Barry, D. Moore, Martin Lacey, P. Landers, B. O'Shea, J. Morrissey. **Subs:** B. Tobin for O'Shea, C. O'Leary for Landers.

CAPPOQUIN/AFFANE SCHOOLBOYS SOCCER NOTES

Under-12's — These lads travelled to Kilworth on Saturday evening last but were beaten again. On the positive front, Darren O'Brien scored our first goal of the season and it was definitely the goal of the game.

Under-8 Party Night — We held a hugely successful party for our young stars on Friday night last. All the children were present along with their parents and many of the club mentors also.

First a fun game was played between themselves followed by drinks, sandwiches, cakes, sweets, you name it, all provided by the parents. We thank each and every one of you sincerely.

Our Chairman, Mark Coffey then thanked various people that helped during the year including the parents who provided transport and support for all the games, Darragh Wilkinson, Stephen Crotty and Michael Looby (joint managers), Cha Scanton, Claire Morrissey and all on the Student Summer Scheme in Tourin for their help, Tourin G.A.A. and Hall Committee for the use of their facilities, Seamus Barry for keeping the grass cut and anybody who helped in any small way. He then presented the shield to captain Daithi Wilkinson and medals to all the players. A number of photographs were then taken and a surprise presentation was made to the mentors on behalf of the children. That was a lovely touch and much appreciated by the recipients. Again thank you.

We will take a break for a while now but will hope to return to indoor soccer soon. For the coming season we should have both under-8 and under-10 teams for the league which should not be a problem judging by the numbers we have now.

Under-16's — This team

are commencing their league campaign on Saturday next with a home fixture against Valley Rangers. Kick-off 11 a.m. Training continues with the youths on Wednesdays and Fridays at 6.30 p.m.

The Youths League commences on Saturday, September 27 with an away fixture with Valley Rangers. Time for this game will be in next week's notes.

Cards — All members please note that our card drive is on next Friday, September 19 at 8.30 p.m. in the Sportsman Inn. Your presence is requested.

Best Of Luck, Ray — Best of luck to Ray McConnell who leaves for Athens on Friday. He is competing in a world ultra distance race and has been training for this for a long, long time now. Let's hope all goes well for you on the day. We will all be thinking of you.

LISMORE CRICKET CLUB NOTES

The Lismore side that defeated Waterford Jordons in the recent Shannon Estuary Ports Minor Cup Final. Back row l. to r. - Paddy Byrne (12th man), Ray Bryan, Andrew Malcolm, Sam Fuller, Michael Hickey (Vice-Captain), Bruce Coker, David Ind. Front row l. to r. - Dennis Mackintosh (scorer), David Dungan, John Ind (capt.), Allen Sheane, Brian Power, Winston Boyle.

Munster Cricket Union Towns Cup Final

Coolmountain 51 All Out (32.1 Overs), Lismore 52 For 1 (20.1 Overs)

Lismore collected their second trophy of the season with a fine win over rivals Coolmountain - the first win over the West Cork side after five meetings. Because of the difficulty of finding a neutral venue, Coolmountain had no objection to play the match at Lismore. They had recorded some fine wins over the host side in the past. Electing to bat, Coolmountain found the bowling of Lismore's Allen Sheane too hot to handle and soon lost two quick wickets in which they never really recovered from. With Brian Power tying the batsmen down at the other end, runs were hard to collect. A change of bowling, Andrew Malcolm, coming on to rest

Allen, resulted in Andrew claiming two quick wickets and the visitors found themselves at 20 for 4. Panic was setting in. Brian Power, claiming his first wicket, tempted Steve Jones into a big hit for David Ind to collect a fine catch at the boundary. Coming back for his second spell, Allen Sheane took the wicket of Bruce Sherlock who had been the danger-men of the Coolmountain batting. Bruce went for a hard earned 23 runs. Another wicket by Allen plus one each for David Ind and David Dungan ended the Coolmountain challenge. It was a fine piece of Lismore fielding. In all five batsmen fell to some great catches.

Lismore's openers chased 52 runs to win and soon settled down and began to hammer the Coolmountain bowlers. Winston Boyle was out for 10, unlucky enough to edge a ball to the wicket-keeper, David Ind, coming in at No. 3, soon ended the contest with a mighty six. Captain John Ind finished on 30 not out. Allen Sheane was made man of the match finishing on 4 for 10. What a fine bowler this young lad is turning out to be. Twelve wickets in his last 3 matches and on the panel for Munster under-18. Well done, Allen.

Many thanks to Frank Lynch, President of the Munster Cricket Union and member of Limerick C.C.

who travelled from Limerick to present the Cup to Lismore. Also thanks to Coolmountain who were so gracious in defeat. Best wishes to John and David Ind who have been selected to play for the President's XI v a Munster XI at the Mardyke on September 20. Let's hope the weather's kind.

Next weekend sees the end of the minor competitions. At the moment we are unsure how we stand in the league as rained off fixtures have to be taken into account. As far as we know we are second to Cork County by very few points. But we have a good chance of claiming the league as well as the Minor Cup.

BALLYDUFF G.A.A. CLUB NOTES

WATERFORD LADIES FOOTBALL

Juniors Defeated

LONGFORD 2-10 WATERFORD 1-7

Longford duly qualified for an all Ireland junior semi final clash with New York by virtue of a six point victory over Waterford at Pearse Park, Longford last Saturday afternoon. Last year's beaten finalists, they produced a very good brand of football and were worthy winners, yet Waterford should have been much closer at the final whistle.

Several Waterford players will probably feel that they could have played better and a couple of scores in the early minutes of the second half when they were totally dominant would have made a significant difference. However, it has to be said that Longford were the better all round team and deserved their success.

They played with the wind in the first half and led by three unanswered points before Monica Power notched Waterford's first score, a 12th minute point. She soon added another two minutes later. Waterford took the lead in the 19th minute when Paula Walsh's right wing cross was caught by

Carolyn Ahearn and she put Lorena Mooney in for a goal.

Two minutes later Waterford keeper Nuala Hearne made the first in a series of great saves. In the 22nd minute Fiona Blessington's point reduced Waterford's lead to a single point 1-2 to 0-4, but the Munster champions seemed comfortable enough playing against the breeze.

The game took a dramatic turn in the 25th minute, the Waterford defence was caught napping when the ball came back off the post and vigilant Longford corner forward Kate O'Brien slammed it to the net. They quickly added a point to

lead at the interval 1-5 to 1-2.

With the wind and hill at their backs Waterford's position looked very hopeful. Although Longford restarted with a quick point, similar scores from Sinead Kirwan and Carolyn Ahearn left Waterford just two points behind. Waterford then missed a couple of good chances which they were to rue.

Longford regained control and in a five minute spell midway through the half, shot 1-3 without reply to effectively decide the game. Paula Walsh, Monica Power and Sinead Kirwan scored late points but by that stage Longford were safely

through.

In fairness to Waterford they fought to the end but their lack of scoring power was to prove decisive. However they have a very young side and are sure to benefit from the experience of playing in the championship. Nobody could fault their effort or commitment.

Waterford — N. Hearne, B. Hannigan, J. Whyte, D. Nugent, T. Whyte, H. Fitzpatrick, A. Dunford, S. Kirwan (0-2), T. Kirwan, P. Walsh (0-1), C. Ahearn (0-1), M. Troy, B. Morrissey, L. Mooney (1-0), M. Power (0-3). Sub. — A. Walsh.

MINOR FINAL Waterford v. Mayo

On Sunday Waterford and Mayo meet in a repeat of last year's minor final which the Decies girls won after a rip-roaring contest. Mayo come into this game with impressive credentials, particularly after a convincing victory over Monaghan in the semi final.

To date Waterford have done nothing wrong, defeating Cork, Clare and Laois along the way. They are under 16 champions for the last three years, so they certainly have the players capable of winning. Sarah Hickey, Nuala Hearn, Karen and Niamh Barry, Triona Whyte, Sinead and Tonya Kirwan, Paula Walsh, Ann Morrissey, Angie Walsh, Breda Morrissey, H. O'Brien and co. are all formidable footballers. It all adds up to a cracking game and at the time of writing the venue hasn't been confirmed.

C.L.G. An Sean Phobal

TERRY CUP

Old Parish and Clashmore played out a most entertaining semi final on Sunday morning with Old Parish running out winners in the final 10 minutes on a 4-13 to 4-3 scoreline. The final of the tournament v. Ardmore takes place on Saturday at 6 p.m. in Old Parish.

UNDER-14 GIRLS

Well done to Sean Wade and the under 14 girls who won their third consecutive county final at the weekend.

On Tuesday of last week we played the Nire in the quarter-final of the Phelan Cup. This being a mid-week fixture, we were short the services of those players who are working away. However all the team played extremely well. The final score was Stradbally 1-11 Nire 1-9.

Team: K. Cunningham, E. Clancy, L. Walsh, M. Curran, S. Keane, O. Costello, T. Costello, G. Walsh, M. O'Brien, N. Cusack, N. Curran, S. Cunningham, L. O'Brien, T. Curran, E. O'Brien.

JUNIOR B FOOTBALL

Our Junior B footballers are western champions. On Friday evening we travelled to Fraher field to take on neighbours Kilrossanty in the final. Playing against a strong breeze in the first half, Paddy Lawlor opened the scoring in the 6th min. with a fine point. This was followed by points from Adie Kirwan and John McGrath. Then a well taken goal from Benny (Shearer) Lawlor saw us go in at half-time leading 1-3 to 0-4.

In the second half our lads upped their game considerably. Another goal from Benny Lawlor and a brace of points from John McGrath, Adie Kirwan, Noelle Weldon and Kevin Barnes set us up for a brilliant victory. Others who played well were James Keane who had a solid game at full-back and K. Kirwan, Maurice Lannon, Michael McCarthy, Mark Fitzgerald and Garvan Cummins. Nicky Connors and Brian Cleary were excellent at midfield.

Paddy Lawlor, our captain, accepted the shield from Greg Fives and gave a fine speech. Well done to all concerned.

MINOR HURLING CHAMPIONSHIP

Tallow 1-7
Abbeyside 0-8

Our minor hurlers lost out in a thrilling Western final at the Cappoquin venue on Saturday evening last. (See match report). A disputed goal in the final seconds brought us no joy. One has to state that for a Divisional final, neutral officials should be provided.

On behalf of all club members we extend our sincere thanks to our entire minor panel and team officials Pat Ryan, Joe Power and Johnny Burns for all the wonderful enjoyment which they provided us with in their four great championship games.

They again displayed marvellous team spirit in the final quarter on Saturday evening last and they can hold their heads high. Fittingly, the Juvenile Committee provided a meal for the players and mentors at Clonea Strand Hotel after the game.

Our best wishes for the county final are extended to Tallow who have always been great hurling rivals of ours on the field and true hurling friends off it.

JUNIOR HURLING CHAMPIONSHIP

It's a case of backs to the wall this week as our junior hurlers have been decimated by injuries and promotions to the senior team since their last championship outings and it's going to take an all out club effort to ensure that we can field out two teams at the Cappoquin venue on Saturday afternoon next.

All junior hurlers are to report to Kiely's Corner at 2.15 p.m. sharp and again let us emphasise that it's going to take a combined effort to line out two teams here.

FIXTURES

Saturday, Sept. 20, at Cappoquin — JHC (B) Western final: Abbeyside (B) v. Tourin at 3.30 p.m.; JHC (A) second string sectional final: Abbeyside (A) v. Lismore at 5 p.m.

ALL-IRELAND SEMI-FINAL

Pat Moore handled last Saturday's exciting All-Ireland intermediate hurling semi-final in his usual competent fashion and will again handle the replay.

UNDER-14 FOOTBALL

Last week we played round 2 of the under-14 football championship at our club grounds. The final

score — Dungarvan 3-4, Abbeyside 2-6 — does not do justice to our performance. We had most of the possession but unfortunately missed several good scoring opportunities.

This result now means we must win our remaining three matches to make the play-offs. Our next opponents are Naomh Bríd.

UNDER-13 HURLING

On Saturday last we played Ballyduff in the Fitzgerald Cup Western final. Playing into a strong breeze in the first half we trailed by 1-6 to no score at half time.

In the second half our lads worked very hard and showed great determination to get back into the game. Goals by Tiarnán Murray and wing back Declan Fives proved crucial. The game ended up a draw on the day and we were happy with that. The final score was Abbeyside 2-4, Ballyduff 1-7. Replay date has not yet been fixed.

SLIP SHOD PREPARATIONS FOR MINOR HURLING FINAL

A Chara,
I would like to make a few comments in relation to last Saturday evening's minor hurling Western final in Cappoquin. I think it's absolutely disgraceful that a referee could arrive to such an important game, a game that youngsters have been preparing for since last February, with no official linesmen or umpires.

The Western Board would need to cop itself on if they're willing to allow this sort of slip-shod preparation by one of its most high profile officials.

We also had to witness both teams (Tallow/Shamrocks and Abbeyside) wear almost identical colours, making it impossible to make out who was who.

The facts are that this sort of carry on is just not good enough and it's not fair to the youngsters and team selectors who give up so much of their own time to promote the great game of hurling.

To both teams who were involved in such a pulsating encounter great credit to you but no marks, I'm afraid, to the Western Board or referee on duty.

Dungarvan G.A.A. Club Notes

UNDER-14 FOOTBALL

Following our one point defeat by Ardmore in this championship we made the short journey across the bridge to face arch rivals Ballinacourty in our second league game. Although starting poorly we led at half-time on the scoreline 2-3 to 1-3 with our goals coming from Ronan Keating and Nicky Donnelly who proved to be a constant thorn to the Ballinacourty defence.

In the second half Ballinacourty were camped in our half but our defence held firm and our third goal scored by David Ferncombe gave us the gap we needed and we emerged victorious on the scoreline 3-4 to 2-6. We played the Nire last Monday night and on next Monday we take on Kilgobinet at home. Throw in 6.45 p.m.

Team: R. Flynn, S. Houlihan, S. Walsh, B. Power, R. Tobin, S. Hayes, A. Connolly, R. Keating, E. Murphy, K. Radley, B. Sullivan, J. Lynch, G. Crotty, N. Donnelly, T. Sheridan, P. Ferncombe, K. O'Brien, C. Considine, P. O'Connor, T. Stack, D. Power.

BRIGHDÍN NÍ

CHRIOSTÓIR TROPHY

On Friday night last the inaugural match for the Brighdín Ní Christóir Football Trophy took place between Naomh Bríd, Brighdín's old stomping ground and final resting place and ourselves at our club grounds. The game was played in very cold conditions and the level of skill displayed by many of the youngsters would warm your heart. At the end of this epic encounter, Dungarvan emerged victorious and amid jubilant scenes Austin Hallahan, representing Brighdín's family, presented the trophy to Dungarvan's captain, Colin Houlihan. We would like to thank Naomh Bríd for taking part.

Team: J. Winters, J. P. Tutty, D. O'Brien, M. O'Mahoney, B. Cliffe, T. Moore, J. Regan, J. Shaw, I. Prendergast, C. Houlihan, J. Ducey, J. Nagle, T. J. Crotty, S. Kirby, J. O'Keefe, D. Hamilton, K. Stack, S. Simms, A. O'Mahoney, J. Dalton.

INTERMEDIATE HURLING

On Saturday night last at Fraher Field we took on Collihan in the semi-final of the Intermediate Hurling Championship. This was an exciting game of hurling with the outcome in the balance until the final whistle. This young Dungarvan side led until the final 5 mins. but in the end had to give way to a stronger and more experienced team. The final score was 1-13 to 1-10.

DÉISE DRAW

We had two winners of £100 each in the Scratch Cards Déise Draw - Dave Long, Springmount, Dungarvan and Richard Ronayne, Huntley Avenue, Abbeyside, Dungarvan. Congratulations to both.

BEST WISHES

From all in the Juvenile and Adult Club we send good luck wishes to Diarmuid Curran who has left to take up employment with the Ulster Bank in Naas. Diarmuid has been very involved with the Juvenile Club over the last few years.

GET WELL WISHES

On behalf of all his friends in the club we extend very best wishes for a speedy recovery to Jack Curran, Kilrush.

CHALLENGES

On Saturday next, September 20th the under-9 and under-11 hurlers will visit Mooncoin for challenge games against the locals.

UNDER-12 FOOTBALL

The under-12 Bord na nOg Football Tournament commences tonight (Wednesday), September 17th. We have a home draw with the Nire. Throw-in is at 7 p.m.

KILMACUD CROKES

ALL-IRELAND SEVENS

After our success in this competition last year we gratefully accepted the invitation from Kilmacud Crokes to try and retain the trophy. After failing to win one game in the Western Hurling Championship we were under no illusions about the enormity of that task. So it was an enthusiastic but talented group that arrived, some courtesy of insomniac parents at 6.30 a.m. outside the C.B.S. on a

beautiful fresh September morning. You don't meet many people around at this hour and a gathering of hurlers so early led to the inquisitiveness of one Garda who, when informed of our ambitions and destination questioned our sanity but extended his best wishes.

When the full panel arrived and all equipment had been boarded, off we went. After listening to some extravagant and repetitive music and boosting the turnover of the few shops open in Wexford, we arrived at our designated venue, St. Benilous College in the south suburbs of Dublin at 9.30 a.m. We were placed in a group of four with the top team to qualify for a semi-final spot. The group included Annaghdown (Galway), St. Rynaghs (Offaly) and St. Sylvesters (Dublin).

The first game was against Annaghdown. Electing to play with a strong wind in the first half, we led at the interval by 1-3 to 1-1 and due to the tenacity of the backs and ever vigilant goalkeeper we managed to hold them scoreless in the second half and sneaked a point for ourselves with a last minute free to run out deserving winners by 1-4 to 1-1.

In the same group match, St. Sylvesters beat St. Rynaghs by one point. Our second game was against St. Rynaghs. Again electing to play with the wind, we started well. Goals from Seamus Cunningham and Brendan Horan gave us a commanding lead when Lady Luck deserted us. St. Rynaghs were awarded a penalty and from the resulting free, such was the bravery and commitment from Pat Veale, our goalkeeper, he put his body in the way of a bullet-like shot which necessitated a visit to St. Vincent's Hospital. We led at the interval by 3-1 to 1-1 and another major effort would be required in the second half.

However despite our valiant efforts, defeat was our fate on a scoreline of 5-3 to 3-2. In the same group Annaghdown defeated St. Sylvesters. Our final game in the group against St.

Sylvesters was a cracker. We emerged victorious on a scoreline of 3-3 to 2-5. Our goalkeeper in this game Mark Shanahan suffered a nasty injury to his finger which led him visiting St. Vincent's Hospital.

Our fate in the competition now depended on the result of the other group match between St. Rynaghs and Annaghdown. St. Rynaghs won and thus qualified from the group on a better points score difference. Mount Sion went on to beat St. Rynaghs in the semi-final and went on to win the competition to become Waterford winners for successive years.

Proud of our efforts, we boarded the bus, first calling to St. Vincent's Hospital to collect the wounded. Waiting around the Casualty Department certainly put the trivial matter of a hurling competition into perspective and when we finally had everyone on board, we were relieved and delighted to be on our way home. The singing on the bus was needless varied and interesting with our marvellous and patient bus driver Tom Dunne finally getting his way on the radio by playing "Céilí House" much to the enjoyment of all the lads!! We finally arrived home at 10.30 p.m. Summing up, it was a long day, tough going, great effort and great craic. Our appreciation and thanks to all who contributed in any way.

Panel: Pat Veale, John Veale, John Paul Healy, Shane O'Brien, Mark Shanahan, Seamus Cunningham, Brendan Horan, Raymond Kirby, Damien Power, David Tutty, Stephen Sheridan. Mentors: John O'Brien, Pat Veale, Chris Meehan.

Many thanks to Claire Dee who attended as First Aid Officer and also bus driver, Tom Dunne.

ARDMORE G.A.A CLUB NOTES

Ardmore Retains Western Title

ARDMORE 4-8
KILROSSANTY 0-6

On last Wednesday week our minor footballers retained their divisional minor football title when they gave a competent display to defeat a game Kilrossanty side who battled right to the end.

Playing into the town goal in the first half it took us until the sixth minute to open our account when John Conway had our first point. It was another six minutes before James O'Donnell had our second point when he tapped over after a 45 was cleared.

James O'Neill had our next two points and both were the result of quick thinking, firstly from Wayne Hennessy and then John Conway who both placed James with the opportunities and he duly obliged. By this stage the early Kilrossanty pressure had been absorbed and a pattern had developed with Ardmore playing good constructive football which in the prevailing heavy conditions proved very sensible. Further scores from James O'Donnell, James O'Neill again, Declan Lenane and then John Conway saw our half time tally read 0-8 to Ardmore while Kilrossanty 's only score of the half came from a Tom Kiely free.

In the second half we were expecting a Kilrossanty comeback but their rough-house tactics failed to work and our lads kept their cool. The boys from the Comeraghs did however score three early points to reduce the deficit to just 4 points with just five minutes of the second half played. The crucial score came in the 38th minute when a fine move ended with Declan Lenane

scoring a fabulous goal to keep Ardmore on the right track. A second goal quickly followed when James O'Donnell billowed the net when another quick free was taken following a heavy tackle which led to Wayne Hennessy having to be replaced later in the game.

We were now in full control and again playing fluent football when in the 43rd minute we scored our third goal which was finished to the net by James O'Neill, again after a Kilrossanty indiscretion which resulted in their man being sent to the line. Ciaran Keating and Dermot Kirwan added further Kilrossanty points but the icing on a fine Ardmore display was left to John Conway who had opened our account and he also closed it with a cracking goal to send us into our second county final appearance in a row on October 5th.

This was a fine team display with Damien Lenane having a fine match in goal brining off one spectacular second half save. His corner backs of Dec Prendergast and Patrick Conway never put a foot wrong while between them stood the immaculate Mikie Supple. Our half line of Austin Flavin, Ciaran Foley and Killian McCarthy stood firm at all times launching many good counter attacks. At midfield the tireless workrate of Seamus Prendergast and John

Ardmore who retained their Western Minor football title with a 4-8 to 0-6 victory over Kilrossanty in the final at Fraher Field recently. The competition was sponsored by the Park Hotel. (Photo: Sean Byrne)

Conway ensured the forwards a plentiful supply of quality ball. Dec Lenane on the wing showed his true potential while on the other wing Wayne Hennessy was a constant threat and his quick thinking caused many problems for Kilrossanty. At centre forward Cathal Hennessy worked tirelessly and unselfishly set up his team mates for many moves which led to scores. Our inside line again proved that given the right ball they can be deadly and James O'Neill, James O'Donnell and Richie Hennessy contributed handsomely to this win. Our substitutes of Brian Lenane, Jamie Hennessy and Adrian O'Donnell all played their part when introduced.

To pick a man of the match after such a fine team display might seem unfair but my choice which

is a personal one goes to John Conway who led by example and as well as scoring 1-2 from his mid-field berth, he covered acres of ground and had in my opinion one of his finest hours in the blue jersey of Ardmore.

After the game Paddy Walsh, Western Board Chairman thanked both teams and officials and Pierce Flynn on behalf of the Park Hotel, presented the cup to John Conway who suitably replied and called for three cheers for Kilrossanty. We say well done to all concerned with this fine display especially John Hennessy who has coached this side to under 12, 14, 16 and now under 18 divisional titles. We hope that on October 5 we can realise our ambitions to win the county minor title and I am sure John's fellow selectors John O'Donnell, Pat Prendergast, Austin Flavin and juvenile secretary Paddy Foley will leave no stone unturned in pursuit of this title which would be just reward for this group's efforts.

We hope too that the remainder of the panel and Shane Dower who is at present injured will also share in this success as it takes more than just fifteen players to win any championship.

Our team was — Damien Lenane, Declan Prendergast, Michael Supple, Patrick Conway, Austin Flavin, Ciaran Foley, Killian McCarthy, Seamus Prendergast, John Conway (capt.), Wayne Hennessy,

Cathal Hennessy, Declan Lenane, Richie Hennessy, James O'Donnell, James O'Neill. Subs. — Brian Lenane for Wayne; Jamie Hennessy for Dec Lenane;

Adrian O'Donnell for Richie Hennessy.

Scorers — James O'Neill 1-3; James O'Donnell 1-2; John Conway 1-2; Declan Lenane 1-1.

ARDMORE G.A.A. NOTES

INTERMEDIATE FOOTBALLERS QUALIFY FOR DIVISIONAL FINAL ARDMORE 5-13 MODELIGO 2-5

On Saturday evening last in Cappoquin our intermediate footballers gave a workmanlike performance to qualify for the divisional final against Lismore. Having to make changes before the start with injuries ruling out goalkeeper Declan Hennessy and full back Eamonn Power the team responded well to the challenge and the fifteen selected players must be congratulated on doing a fine job to achieve our objective which was to qualify for the final.

Both teams started slowly with scores hard to come by. It was left to Kevin Flavin to register our first 3 points from frees and when his brother Eoin also found his range, the team combined well and the Flavin brothers got all our first half scores with Kevin getting seven points and Eoin two. Our defence also did well and at half time we led by nine points to two.

Playing against the breeze in the second half the team played some excellent football at times, but the physical nature of Modeligo's play made it difficult to achieve continuity. Modeligo got the first point of this half but the game was put out of reach when Eoin Flavin stole in for two quick goals to leave us well in control. As can happen, the quality deteriorated and we went out of the game for a while and this allowed Modeligo in for two goals themselves. Cathal Hennessy and Kevin Flavin added points before John Conway made no mistake and scored a fine goal. With both sides being reduced numerically the open spaces were exploited by our forwards who added points through Kevin Flavin and John Conway and further goals from Eoin Flavin and a Seamus Veale penalty left us comfortable winners on a 5-13 to 2-5 scoreline.

The object of the exercise had been achieved and we must now focus our attention on the difficult task which lies ahead as Lismore, with a vast array of talent available to them, will enter the final as favourites having disposed of Clashmore in clinical fashion in their semi final. It will be a great occasion for our club and we will be looking forward to giving it our best shot and if we can play football for the hour we would hope to give a good account of ourselves.

Team — Seamus Prendergast, Patrick Gallagher, Michael Supple, Maurice Hennessy, Killian McCarthy, Anthony Ahearn, Johnny

Hennessy (capt.), Kevin Lenane, Kevin Flavin (0-9), Cathal Hennessy (0-1), Eoin Flavin (3-1), Seamus Veale (1-0), John Conway (1-2). Sub. used — Pat Walsh for Kevin Flavin.

VOTE OF SYMPATHY

Our sympathy is extended to the family and friends of the late Eddie Colbert who passed to his eternal reward over the weekend. May he rest in peace.

DEMANDING SCHEDULES

While many players complain about training, etc., one should also spare a thought for the trainers also as for the twelve teams which we field all are trained by only 3 people who give endless hours in the field with their players and enormous credit must go to John Hennessy, Billy Harty and Declan Barron for the time they put in along with their selectors, of course, who also have a major part to play. As busy as these men are they also find time to coach other teams with Billy Harty with the county under 14 footballers, John Hennessy with the county under 16 footballers and Declan Barron who was in charge of the Gleann Bride group team and is also successfully involved with the underage

section of Ardmore A.F.C. which leaves all three with precious little time for themselves, so next time you complain about training please have a think first and help everybody by being there and being on time.

LOTTO

No winner. Numbers drawn were 8, 17, 20. Players this week again failed to match the 3 numbers drawn, so next week our jackpot will again be in double figures and certainly worth a flutter. Our consolation prize winners were Eddie Irwin, Cliff Hotel, Declan Downey, Crushea, Eddie Irwin again, Olivia Smith, Farrangarrett, Clare Meaney, Cork and Curragh.

Next week's draw takes place in the Round Tower Hotel and tickets can be got in all the usual outlets. Our thanks to this week's hosts O'Reilly's Bar for their hospitality and we look forward to our next visit in six weeks time.

JUVENILE AFFAIRS

Under-14 Football — Our under 14 footballers recorded their second win on Monday evening last when they proved far too strong for Naomh Brid who were welcome visitors to Ardmore. Having been unable to take in the match, I heard that this was a fine performance and was much improved from the first game. These boys

and girls will have played their third game this Monday when they travel to play Colligan and a win here would make them a safe bet for the semi finals so we wish them well.

Under-12 Football — Our under 12 footballers go into action this week also when on tonight we entertain Stradbally in Ardmore with a 7 p.m. start. As the evenings are now closing in it is important that the games start on time and all players are asked to be at the pitch from 6.15 p.m. as this is our first game. Also in our groups are Kilrossanty, Clashmore, Dungarvan and the Nire so these young lads will have plenty of games to look forward to. This competition is run using special rules which up to now have been a great success with only one hop and solo allowed and also with all kick-outs from the hand from the small square, it makes for very quick and exciting play which the players themselves enjoy.

Congratulations — Our best wishes are extended to Johnny Hennessy who celebrated his 21st birthday on Saturday last. Johnny had a great night as he captained our intermediate team to victory earlier in the evening. — P.R.O.

DÉISE DEVELOPMENT DRAW

In the monthly Scratch Card Draw held last week we had two winners. Sean and Michael Maher and also Mary Tobin and Antoinette O'Donnell. We congratulate them.

SYMPATHY

We extend deepest sympathy to the family of the late Elizabeth O'Connor, Ballinaha who died at the weekend. She was a life-long supporter of the Shamrocks and her late husband, Mick was a founder member of the club. At her removal from her daughter's residence in Tallow to Kilwatermoy Church on Sunday evening, a guard of honour of club members were present at the church.

Waterford Juvenile Handball News

KINGDOM VENUE FOR MUNSTER FINALS

On Sunday next, September 21 Waterford's juvenile county handballers will make the long journey to Kerry to contest seven Munster finals. The venue chosen by the Munster Handball Council is the famous Ballymacelligott Handball Club near Tralee, Co. Kerry which over the decades produced many renowned handballers in the 60 x 30 code including Tom McEilstrim who had the unique distinction of winning 4 All Ireland junior titles in the one year (1966), in both softball and hardball, singles and doubles.

Waterford faces some tough opposition against winners that have emerged from hard fought contests between what could be described as counties with a

strong tradition in the 60 x 30 handballing court namely Counties Cork, Tipperary and Clare. Tipperary has dominated their end of the draw this year with quite a number of experienced players and medal winners available to them and accordingly Waterford now face Tipperary in 4 grades, Clare in 2, and Cork in 1, as follows:

Under-17 Singles — D. McAndrew v. Donal O'Riordan (Tipperary). **Under-17 Doubles** — R. Keane + W. O'Brien v. Michael McNamara + Michael Purcell (Tipperary).

Under-16 Singles — T. Power v. Seamus Lawlor (Clare). **Under-16 Doubles** — K. Keane + C. Shields v. David Hickey + Noel Moroney (Tipperary).

U-15 Doubles — B. McAndrew + P. Butler v. D. O'Keefe + Jonathan Lucey (Cork).

U-14 Singles — J. Wall v. Adrian Kelly (Clare).

Under-12 Singles — J. McGovern v. Ger Coonan (Tipperary).

While team manager Brother Finbar Spring O.S.A. and his young Waterford representatives are somewhat reticent in making predictions about their chances of success given the calibre of opposition expected, there is nevertheless evidence of good determination and quiet self-confidence amongst the players. We wish all our county juveniles every possible success in Kerry and have every confidence that they will give a good account of themselves on the day.

G.A.A. NOTES

BY "COMMENTATOR"

Co. Board Meeting

P. J. Ryan, Chairman presided at last week's meeting of the County Board. It was a tremendous session and while the Chairman handled the meeting in his customary efficient manner, his job was not easy by interruptions that tended to disrupt progress.

Arising out of the minutes, Eamonn Murphy questioned the officers about correspondence pertaining to financial matters in the early nineties. When the replies from the top table did not satisfy him, Eamonn Murphy continued to hold centre-stage on the issue while the Chairman insisted that he was going to proceed with the business of the meeting. At this stage former County Board Chairman, James Tobin admonished Mr. Murphy and accused him of trying to hold up the meeting. He also referred to phone calls that had been made to his family.

The County Secretary, Seamus Grant also became embroiled in an argument with Eamonn Murphy on the subject which was being queried. Jimmy O'Gorman also became involved. After about 25 mins. the Chairman was able to proceed with the business of the meeting.

CORRESPONDENCE

A letter from Kilmacthomas Club referred to their championship football match against Ring on July 4th 1997. Speaking in support, Michael Browne said their grievance was with the manner in which the match was handled by the referee. The reference was to a goal scored by Kilmac' and which was not allowed. He said his club were very disappointed. The Chairman said that the referee's report had made no reference to the goal incident which Kilmacthomas had referred to and therefore there would be no point in discussing the matter.

LADIES FOOTBALL APPEAL

An exceptionally successful season by the ladies football in the county who have played in 4 Munster Finals and are currently preparing for the All-Irelands has made a huge drain on their resources and asked the County Board to help out financially. Following a brief discussion it was agreed to donate £500 and the meeting felt that the Divisional Boards might follow suit.

DÉISE DRAW

There was a 'readout' of the club membership of the county draw and the Chairman said it was good to see that a number of our units had increased their numbers since the last draw.

He told the meeting that

the Development Committee were considering a suggestion that a full-time or part-time organiser be appointed to canvass additional support for the monthly draw. He said that no decision had been taken and if it is, the County Board will be asked to approve. It would not come into effect this year.

Declan O' Meara, Chairman of the Development Committee gave an outline of how the draw was progressing and an increase of 400 since the first draw two months ago was encouraging. Giving the financial details of the draw so far, it said it is imperative that clubs go out and canvas more members as otherwise the period of repayment to the banks will have to be extended. Declan also appealed to clubs to push the sale of the Déise 500 club tickets. He pointed out that the holders of these tickets had free admission to all games in the county for five years and they also enjoyed other benefits including going into a special draw for 15 All-Ireland hurling and football tickets every year etc.

PROGRESS REPORT

All three secretaries gave a report of championship progress and in all cases it was reported that the competitions were moving on schedule. James Tobin complained the semi-final involving Lismore and Passage was fixed for Walsh Park which would mean over 100 miles round trip for people from the far west to see the game. John Lyons was also critical of the decision by the G.A.C. and said this never happened before. Jimmy O'Gorman said he was speaking as secretary of the Lismore Club and he was briefly stating that there was anger and resentment in Lismore over the fixture. Noel Fleming said it was not good economy. Brendan Tobin said that the decisions of G.A.C. were final and could not be changed. The Chairman explained the reasons behind the decision to play both semi-finals on the same programme in Walsh Park on Sunday, September 21st.

During this discussion P.R.O. Brendan Tobin referred to the intention to allow group teams into the championship in senior hurling for the 1998 season and outlined the problems that would result for clubs such as Sliabh gCua/St. Marys who might be expected to provide players for both. This would put a big strain on the clubs and he thought it might not be a good idea. The Chairman stated that the matter could be discussed

when a debate on the 1998 championships is held in the late Autumn.

REPORTS

Jimmy O'Gorman, Munster Council gave details of the 1998 Championship fixtures and also the Munster Club Championship programme of games. Waterford will play Cork in hurling and football and he said it was a bit worrying that the new county hurling champions here in Waterford would have to play the Cork champions on the Sunday after our County Final.

The Chairman said that our hurling final is fixed for Sunday, October 19th because the ladies football All-Ireland is fixed for Croke Park on the previous Sunday. He said the Munster Council might take a look at our situation and arrange a different date.

Both Munster Council delegates spoke about the inclusion of Cork and Kerry in the McGrath Cup which was originally intended for the four weaker counties. The meeting expressed firm opposition to these two strong counties being allowed play and the board representatives were told to make this view known to the Council. Tommy Hennessey gave the meeting information about the building of new Munster Council offices (probably in the Limerick Gaelic Grounds). The cost will be fairly substantial. In discussing this several members felt that the location of the offices was unsatisfactory for a number of reasons. Tommy Hennessey also gave details of the procedures for the awarding of scholarships.

John O'Leary, County Youth Officer spoke about the need for co-ordination of the work and activities of the committees who are catering for underage affairs. He said there was an urgent need to have all these committees brought together for discussions with members of Cois-de Gnótha.

CENTRAL COUNCIL REPORT

This included information on Phase 2 of the redevelopment programme at Croke Park, American football and the proposed holding of a World Pioneer Rally in Croke Park in 1999, drug abuse and procedures for dealing with reported uses. A progress report on the work being undertaken by the special committee dealing with registration, membership etc. and the meeting was told that a report can be expected by November 1st - the date of the Special Congress.

Also a report was made about such matters as the proposed experimental football rules, the new make-up of the National Football League and the proposals to bring about an adjustment of the concluding stages of the hurling league next year, the Powerscreen All Stars and the decision to allocate tickets for the 1998 All-Ireland semi-finals on the same basis as allocation of All-Ireland final tickets. There was quite an amount of criticism of the proposed football rules experiment but the Central Council member pointed out that these would have to be by the provincial councils before the experiments could be tried out and also if they are to be accepted, they will have to have Congress approval.

TO MANAGE UNDER-21 HURLERS

A recommendation that the present senior hurling team manager, Gerald McCarthy would also train the county under-21 hurling team was approved. It was stated that the manager had approved.

It is expected that the selectors will be put in place at the next meeting of the board. In his contract, Gerald McCarthy was given the authority to pick his own selectors.

THE GAELTACHT APPEAL

The boring saga of the Gaeltacht under-21 B football appeal was given yet one more airing at the board meeting. We are beginning to lose track of the number of times that this matter has been discussed since August last year after the Gaeltacht team were removed from the championship after they had given 17 hours notice that they could not field in the Divisional Final against St. Olivers. After an amount of heated discussion on the subject, a proposition was moved that the case be closed for once and for all by the County Board. This was carried on a vote of 18 to 12. Quite a number of delegates did not vote.

COMPLIMENTS

At the conclusion of the meeting, the Chairman complimented all the people who had helped with the organisation of the big programme at Fraher Field on the previous day. He said the visiting counties were highly impressed with the field and all the arrangements for the day. He particularly thanked Tony Morrissey, Greg Fives, Bridget Clancy, Tom Drummy, Stephen Power and others who had helped during the days leading up to the fixture.

PHELAN CUP SEMI FINAL

Stradbally Advance

STRADBALLY 1-11 NIRE 1-9

In a game that attracted a small crowd to Fraher Field on Tuesday evening of last week, an understrength Nire who two evenings previously had won themselves a place in the county final, lost to an understrength Stradbally in a very entertaining game.

It was all open and free-flowing football with Stradbally hanging on gamely to their lead in the face of a determined late rally by the Nire. At half time thanks to a Kevin Mulcahy goal, the Nire led by 1-4 to 0-6. Stradbally's second half goal was scored by Niall Curran. Referee — T. Maher.

MINOR SELECTORS

The minor hurling and minor football selectors will this year, be chosen by County Bord na nOg and then sent to the Adult Board for approval. Recently the County Bord na nOg Secretary, Eddie O'Shea, notified all clubs of their right to submit names of members who would be deemed suitable. The Bord are not too happy with the response and have extended the closing date for a further ten days. Several top-class people have been recommended, but the Bord did feel that some clubs did misunderstand that notification and think that they could only recommend names from their own clubs. This is not so and a club can nominate suitable people from any club in the county.

Abbeyside In Double Fixture

Abbeyside's hurlers are engaged in a double fixture on the Saturday afternoon programme at the Fraher Field. In their first game they play Tourin in the 'B' final and this should be a close contest. Tourin defeated Glen Rovers in a replay in the semi-final and to get to this stage, Abbeyside defeated Seana Phobal in their semi-final.

In the second string junior hurling final, Abbeyside take on Lismore and this too should provide a keenly contested game, even though Abbeyside will have lost a number of key players to their senior team in their relegation match with Portlaw. Portlaw should win this one.

KILMACTHOMAS RELEGATED

Kilmac' are the first of the three senior teams to be relegated to the intermediate grade for next year. On Friday they lost to St. Saviours by 4-15 to 1-5. Ballinacourty will now play St. Saviours and the losers here will play the second team of the other group.

Kill, who defeated Butlerstown in their first relegation game, are likely to avoid being relegated with Af-fane or Butlerstown very likely to go down.

Eastern Board Games

The Eastern Board broke with tradition on Sunday last when playing two minor hurling championship games in the forenoon and one in the evening of the All-Ireland hurling finals.

Back in the Sixties it was normal for boards to play games in the evening, mid-afternoon and even while the All-Ireland finals were in progress!

The Eastern Board may now have started a new trend.

Div. 2 Hurling League Final

Patrons who arrived early at Fraher Field on Saturday saw a little bit of history being made when Clashmore defeated Lismore in a hurling final. This was a replay of their drawn match in the Division 2 Hurling League Final. The winners deserved victory by the 5 pts. margin. The final score was 4-7 to 2-8. The trophy was presented to Clashmore team captain Seamie McGrath by Paddy Walsh, Chairman of the Western Board.

Minor Football B Final

CLASHMORE 0-14 BRICKEY RANGERS 2-4

Both sides played very fast and open football in this lively contest that brought a big following of supporters from both sides to Fraher Field last Thursday evening. Brickeys led by 2-3 to 0-7 at half-time but faded somewhat when playing into the breeze in the second half and managed only a point as against seven for Clashmore. Western Board Chairman, Paddy Walsh presented the trophy to Clashmore team captain Roger Ryan.

G.A.A. NOTES

NEXT SUNDAY

Senior Hurling Semi Finals At Walsh Park

Meeting Of Ballinameela And Geraldines Highlight Of Western Board Programme

And there are other games of lesser importance, but nonetheless vital to the clubs involved. It will be the first time that we will have a senior hurling double-header at Walsh Park in the semi final stages since the redevelopment. Patrons in the east Waterford and City area, who have missed out on a lot of the action this year because of the location of the teams in opposition up to this stage, will feel compensated by having such a mouth-watering programme in their area on Sunday.

It is interesting to note that the pairings in the semi final have clashed in county finals, also at Walsh Park, within the past four years.

We all remember the senior hurling county final of 1993, which was played in the most atrocious conditions. In that final, Passage, who were unbeaten in the league section of that championship and qualified for the final by beating Mount Sion in a wonderful replay, lost to Lismore by just a single point (0-8 to 0-7).

Patrons would have loved to witness a replay of that final on a dry sod. They now have that chance — even though it is a semi final.

On the way to this game, Passage had an easy first round victory over Abbey-side and scored a seven points win against Tallow (0-14 to 0-7) in the quarter final. They have a great panel of good hurlers, but I think it would be flattering them to say that they have been impressive so far this year. With all due respect to their opponents in those two matches, I don't think that failing to score more than one goal in two matches, can do anything to enhance their chances of becoming county champions. This could mean too, that Passage are due to play a 'blinder' because they have too much talent to continue playing unimpressively.

Our two most recent county goalkeepers Brendan Landers (Tallow) and Ray Barry, will be opposition in this game. It is interesting to note that when Ray Barry was disciplined by the senior hurling management last January, it was Brendan who replaced him. Brendan was also the keeper on our under 21 county team against Tipperary.

Ray Barry is a little older and a little more experienced than his western counterpart. He was our under 21 goalkeeper in 1993. He has conceded no goal so far this year and will go all out to maintain this record in an effort to impress the county management team that he is worthy of a recall to the panel.

Passage have other top-class players who have also worn the county jersey with a fair amount of distinction, including Sean Cullinane with brothers Eamon and Edward. Also Barry Walsh, who is one of the five top scorers on the inter county scene this year, Anthony and Paul Fitzgerald, Paul and Noel Connors. Also Pat and James Connors with Edmond Quann, Brian Carey, James Keating, Martin Murphy, etc. These men have been playing around a little bit and must be on the verge of making a breakthrough. And they deserve to make a breakthrough.

Lismore were 'seeded' along with Ballygunner as they were finalists last year. In their only game so far they defeated Roanmore by 2-20 to 4-5 and here they were very impressive, chiefly because they had a younger team out against the city team which included a number of veterans. Just the same, 20 points was nice scoring and it goes to prove what they can do when their scoring machine goes in full flow. At the same time their display against De La Salle in the league semi final was quite mediocre. So despite their abundance of talent, Lismore can have their good days and bad days.

As I wrote above, they have the present county goalie, Brendan Landers minding their net behind

Lismore v. Passage And Mount Sion v. Ballygunner Expected To Draw Big Crowds

Mark O'Sullivan, Dave Barry and Anthony Whelan who are likely to be their full back line with Michael O'Sullivan, Seamus Prendergast, James O'Connor in the half back line. Kieran O'Gorman can be played at centre-field or in attack and this might also be said about Paul Quinn. Sean Daly is being persisted with at centre field and they might decide to make this his permanent position as he has demonstrated that he is well capable of scoring from this part of the field. Dan Shanahan, who scored 1-9 against De La Salle, Dave Bennett, Brendan and Paul Prendergast, Eoin Bennett and company are all capable of scoring, but they will find it more difficult here than they did against Tallow and De La Salle.

Passage will play their best hurling in Walsh Park and lining out in the role of underdogs they will stretch Lismore to their limit. It is going to be a very tight game (not a draw I hope). Lismore will need all their luck in this one.

MOUNT SION v. BALLYGUNNER

Games at any stage of the championship between Ballygunner and Mount Sion are special not just because they bring out the best in each other, but because they produce a very high standard of hurling and their clashes are ever a showpiece of Waterford club hurling.

They will thrill the crowds again here on Sunday as they fight it out for a place in the county final against the winners of the other match at the venue. The records tell us that these clubs have met on no fewer than nine times in county finals (excluding replays) and I cannot recall a game that did not produce sparkling hurling and an exciting finish. Some have ended in a draw. Some have been won and lost by a single score.

They did not meet in the championship last year or this year, but when they clashed in the league semi final a few weeks ago, they

played a draw — a very exciting draw — but there was no replay as Ballygunner were disqualified after being refused a postponement of the replay. Mount Sion defeated De La Salle in a thrilling final of that league two weeks ago.

When they last met, it was in the championship final of 1995. It was a special occasion in that the game marked the reopening of Walsh Park. It was a splendid contest which ended all square on a 1-8 score apiece. For the replay, also at Walsh Park an even bigger crowd turned up for their third championship meeting of that year. The media described it as a game that put the drawn match in the shade as it was one of the most dramatic deciders of the modern era. In the end the victory went to Ballygunner and deservedly so by a two points margin. Coincidentally, when they clashed in the 1992 county final, they came here to Fraher Field and on a very rainy day, Ballygunner again won by a two points margin. It was the 'Gunnars first senior title since 1968 and it was the result which sent them on their way.

Like the two teams in the other game at Walsh Park on Sunday, Ballygunner and Mount Sion have for years been the backbone of the county teams in senior and under 21, so the fare in both matches must produce high class hurling.

Ballygunner, the reigning county champions will have Ray Whitty in goal and players of high repute like Paul Flynn, Billy O'Sullivan, Fergal Hartley, Stephen Frampton, Paul Power, Niall Warren, David Codd, Michael O'Mahony, Rory O'Sullivan, Cormac Laphorne, Cian Cantwell and company outfield and faced by Mount Sion's Ken and Roy McGrath, Tony Browne, Brian Flannery, John and Paul Meaney, Barry Browne, Kevin Ryan, Brian Greene, Ger Fitzpatrick, Paraic Fanning, etc.,

etc. we must be guaranteed a memorable contest — another spectacular game that will help to increase the profile of Waterford club hurling.

Such is the record of games between them, that another draw is not out of the question, but if there is to be a result, Ballygunner, the county champions may make it to the county final by a narrow margin.

ALL IRELAND 'B' FOOTBALL

This competition has not won itself the high profile that we had hoped it would when we had it introduced some years ago. I doubt if it will ever get off as a worthwhile competition while it is played so close to the National League which begins in four weeks time.

In the first round of the 'B' championship, Waterford take on Wexford at Stradbally on Saturday afternoon at 3 p.m.

I believe that Waterford have done little or no preparation, as the club championships have tied up the majority of the players who will be selected here. Wexford are likely to be caught in a similar situation.

Whatever about the outcome, the game will serve as a good trial for players who will be on the panel for the first round of the National Football League and in which we play Kildare at Fraher Field on Sunday, October 19. This can mean a clash with our senior hurling county final

JUNIOR HURLING CHAMPIONSHIP

Geraldines v. Ballinameela. This is the only game listed for Sunday next at Fraher Field and it will be played at 6.30 p.m. in order to facilitate supporters returning from Walsh Park. This will, by all accounts, be a hum-dinger of a game between neighbouring clubs both of whom have ambitions about taking the title this year.

Geraldines have had two splendid matches with Clashmore and in the draw and replay they played good

hurling as did the losers. Ballinameela defeated Ardmore in their first round game.

When these teams clashed in the championship last year, they played an 0-9 all draw, but Ballinameela did nothing much more after this while Geraldines continue to progress and in a memorable western final, they defeated Kilgobinet on a 1-10 to 0-12 scoreline.

I don't believe that the Geraldines team which I saw defeat Clashmore in the replay are going to be beaten here.

MINOR HURLING 'B' FINAL

Clashmore v. Stradbally. If a result is achieved in this game at Fraher Field on Saturday evening it will mean that the Western Board will have completed their four minor championships on schedule.

Stradbally will likely start favourites to win this one, as in defeating Colligan by 6-10 to 1-3 and then beating An Gaeltacht by 3-8 to 3-7, they showed plenty of everything that it takes to win a championship.

Clashmore won't surrender easily and just must cause a surprise by bringing off the minor 'B' double. Clashmore defeated St. Olivers by 6-8 to 1-4 in their last game.

All-Ireland Football Final Tickets

Tickets for the Kerry v Mayo All-Ireland Football Final will be distributed to clubs in the west by Tony Morrissey at Lawlors Hotel at 8 p.m. on Monday night next, September 22nd. All allocations will be issued to clubs only and in return for cash. No tickets will be available to individual applicants.

G.A.A. NOTES

RESULTS FROM SATURDAY

The All-Ireland semi-final of the intermediate hurling championship brought six or seven hundred to the Fraher Field to see Cork and Kilkenny play a draw. It was a free-flowing game with an amount of good hurling on both sides, but like the game on the previous Sunday, with no Waterford involvement, there was no local interest.

Referee Pat Moore had no problem handling the match and the Abbeyside man will again be in charge for the replay.

I.H. SEMI-FINAL
Colligan 1-13
Dungarvan 1-10

With so much activity going on elsewhere there was not a big attendance here to see Colligan score a 3 points victory over Dungarvan in a very well contested intermediate hurling semi-final.

Dungarvan led by 1-5 to 0-5 at half time and it was only towards the finish that

Colligan hit the front to qualify for a Western final against Shamrocks.

I.F. FOOTBALL
SEMI-FINAL
Ardmore 5-13
Modeligo 2-5

The Cappoquin Sportsfield report will give details of this big win for Ardmore over last year's junior county champions Modeligo. Ardmore have now qualified to meet Lismore and this final is scheduled for Saturday week.

THRILLING MINOR
HURLING FINALTallow 1-7
Abbeyside 0-8

This was a splendid game of minor hurling between two evenly matched teams and before a big crowd at the Cappoquin venue. It was played as a curtain-raiser to the I.F. semi-final.

Abbeyside, playing into the breeze, went into an 0-4 to 0-1 lead before, for them, an unfortunate goal which was

deflected by a defender, seemed to change the course of the game in the first half and allowed Tallow a 1-5 to 0-4 half time lead.

In the second half, Abbeyside improved their game and added a further four points as against two for Tallow. A disputed score added controversy to the game towards the finish when one of the umpires judged a ball to have crossed the Tallow goal-line after an Abbeyside attack. The score did not count and play continued with Abbeyside pressing for the match-winning score that did not come.

Tallow, it must be said, were very unlucky not to have scored goals on a couple of occasions when brilliant goalkeeping and great defensive play denied them what seemed to be certain goals.

Tallow are very worthy champions and will represent the Western division in the county final on October 19 at Walsh Park.

Referee: J. J. Landers (Cappoquin).

ALL-IRELAND FINALS

A crowd of 65,575 supporters were at Croke Park on Sunday last to see Clare score on historic double in winning both the minor and senior finals by the narrowest of margins.

The minors defeated Galway by 1-11 to 1-9 in a tremendously exciting final which produced some spectacular hurling. Clare had

lost to Tipperary in the Munster Final and were here through the backdoor to take on the favourites Galway, who had won their first All-Ireland in this grade in 1983 after beating Dublin by 0-10 to 0-7. (Incidentally Galway are the only county ever to win an All-Ireland Minor Hurling Final without scoring a goal and Waterford are

the only county to win a similar final without scoring a single point).

In this final young Brian McMahon, wearing number 5 jersey, was the outstanding player in the game. He was also the smallest player on the field. The final was splendidly handled by Waterford referee Michael Wadding. The senior All-Ireland was played at a blistering pace and while it must be described as a very sporting final, players on both teams were made to absorb a lot of punishment as it was a game in which no quarter was asked or given. It was a fight to a finish and while it was tough luck on Tipperary not to have won a share of the spoils - when they could have at the finish - none of the neutrals in the park will begrudge Clare their second title in modern times.

Coming through 'the front door' they had to beat Cork, Kilkenny and Tipperary, the three hurling counties with the most All-Irelands. This will probably earn them the name of being the most worthy title-holders of all time. Needless to mention, Croke Park was a blaze of colour with the Canal end packed to the seams with Clare supporters and Tipperary supporters occupying Hill 16. It was obvious from the cheering that Clare had by far the biggest support.

Primary School Prospects
In Hurling and Camogie

AGLISH N.S.— A group of boys and girls from Aglish N.S. taken during a recent coaching visit. The combined parish team has made great strides at underage hurling over the past few years.

Kilmacthomas Boys School, Currabaha, Niall Cronin, 9 Years Old — Niall lives at Union Road, Kilmacthomas and plays in goal. Starred in this position on Tuesday last. This school has turned out some useful hurlers recently, with Micheal and Nicky Power (Kilmoylan) representing Waterford at u-14 and u-16 level. Kilmac' u-10 team won a tournament in the summer beating Clonea in the final. Niall's favourite player is Damien Fitzhenry.

Kill N.S., Sinead Crowley, 11 Years Old, rang A Cuig — This girl is into sports in a big way and is a real competitor. She has excellent ability at camogie and could play any sport. His sister Noelle won an u-16 football title with Waterford last Saturday. She is always excellently behaved and keen to improve her skills. The school is very well organised and all the teachers take an active interest in the coaching.

Lismore C.B.S., Dean Pratt, 7 Years Old, 2nd Class — Dean is a tidy little lad with the most natural hurling skills you are likely to see. His control of the ball is excellent and he can strike from both sides. He is in the right school to develop his game where Sean Prendergast N.T. and all the teachers are doing trojan work

for hurling. He lives at New Street and his dad Tommy is an all round sportsman. He looks a future hurling star and gets great support from home and from his school. His ambition is to play for Waterford like Dan Shanahan and Dave Bennett.

RETIRED

The start of the school year saw the end of illustrious teaching careers of three fine ladies — Maureen Morrissey (Ballinameela), Greta Power (Tallow) and Ann McGrath (Touraneena). These ladies were a great help to yours truly over the past eight years. I will miss their friendly welcome in the schools and their advice was always welcome. Here's wishing them a long and happy retirement.

"Team Of The Week" goes to Mount Sion u-16 hurlers who won All-Ireland "Sevens" in Dublin last week-end. This victory shows we have young hurlers in the county as good as anywhere. well done boys.

Stradbally 'Juniors'
Too Good For Kilrossanty

STRADBALLY 2-14, KILROSSANTY 1-8

This was a lively and enjoyable football game, played very sportingly between the neighbouring rivals, each of whom had an amount of support in the stand.

Kilrossanty played with the wind and got off to a good start after taking an early lead with Tom Flynn's point. They added a further three points before Stradbally had their opener with team captain Paddy Lawlor's point midway through the half. A Benny Lawlor goal for Stradbally helped them to draw level at 1-4 to 0-7 at half time.

On the turnover Benny Lawlor had his second goal to put Stradbally into the lead — an advantage which they held all the way to the finish. Tom Keating had Kilrossanty's goal in the 52nd minute and their only point of this half was scored by Pa Walsh.

Kilrossanty tired in the second half against the wind and Stradbally ran out decisive and deserving winners.

In presenting the trophy to Stradbally team captain Paddy Lawlor, the Western Board Vice-Chairman paid tribute to both teams for a sporting final. He referred to

the wonderful service given to the GAA in Waterford by many of the veterans on the field in this game and said that these stalwarts had given distinguished service in the county colours in the late sixties, seventies and in the eighties and it was wonderful to see them still serving their clubs now again in the nineties.

He was referring to people like Pa Walsh, Tom and Pat Keating, Kilrossanty and James Keane and David Kirwan, Stradbally, and company.

Referee: Pat Moore, Ballinameela.

GER
LOUGHNANE

The recent ban on the Clare supremo and his confinement to the dugout for the final, became a big talking point around Munster and elsewhere over the last two weeks. Ger has now become a legend in the Banner county and will be hailed as the man who brought glory and fame to the county.

I thought he enhanced his profile last week when asked about the 'ban' and he told the media: "it is going to be harder for me than it is for anybody else. People are used to me going up and down the line. Maybe I'm just interfering with players — I don't know. Players have to get out there and perform for themselves. I am making no issue of this whatsoever. If it is the rule then that it what is going to happen."

Everyone now knows that Ger Loughnane treated the ban with utter contempt and that his behaviour was a challenge to the GAA. Not everyone will agree that his incursion late in the second half could have cost Clare dearly — at the time the referee booked him and sent him off the playing area.

I doubt though if all this will bother Ger Loughnane. He will good humouredly laugh off whatever penalties are imposed on the Clare County Board (probably a fine of three or four thousand pounds) as raising the money to pay the fine won't be his problem. He certainly did bring Clare out of the hurling wilderness but this should not give him or anyone else, a licence to do as he pleases.

**Building Sites
For Houses Needed
in Lismore**

Building sites for houses are badly needed in and around Lismore according to Waterford County Councilor Willie McDonnell, who told last week's Council meeting that very few houses are being built in the town compared to Tallow and Cappoquin.

"Lismore never looked so well as in recent weeks, there are more tourists in the town - the future is looking

good", he declared.

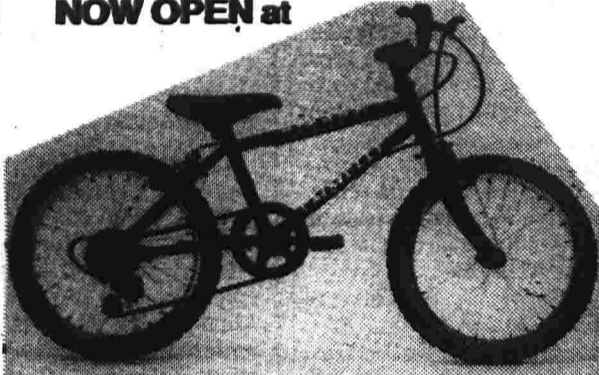

He pointed out however said Lismore lacks industry and house building sites.

County Manager Donal Connolly said he is conscious of the need for making land available for houses and added that the Council owns the former hospital property where it is intended to construct a mix of private and local authority houses.
