## Operation Lifesaver Targets Huge Number Of Drivers

**BY AISLING CONROY**  
The new programme aimed at reducing motoring offences - Operation Lifesaver - which was launched in the Waterford/Kilkenny Garda Division at the start of this month, has already hit motorists where it hurts. According to Dungarvan

Superintendent Aidan Reid, in the first few weeks of Operation Lifesaver a massive 1,169 drivers have been issued with £50 'on-the-spot' fines for speeding offences while a further 200 drivers have already been or will, in the near future, be. **CONTINUED ON PAGE 11**

## Residents Shocked By V.E.C. Allegations

### STRONG OBJECTIONS TO PROPOSED COLLEGE SITE

Members of the Childers Estate Residents and Management Committee who have voiced serious reservations about the location of the proposed new college at Ringnasilloge have responded this week to recent reports that they were allegedly 'set up' by people with a different agenda.

These allegations, as reported in last week's edition of the "Dungarvan Leader", shocked residents of the local authority estate who felt they were being portrayed as people who could be used as puppets "with no appreciation of the fundamental needs of their children and community".

Co. Waterford V.E.C. member Jimmy Byrne had stated at a recent V.E.C. meeting that he had a suspicion that somebody was behind the objecting residents group. He was supported in his claim by fellow V.E.C. member Lar

Hart who said he personally knew of someone who was pushing the Childers Estate residents to object to the college development.

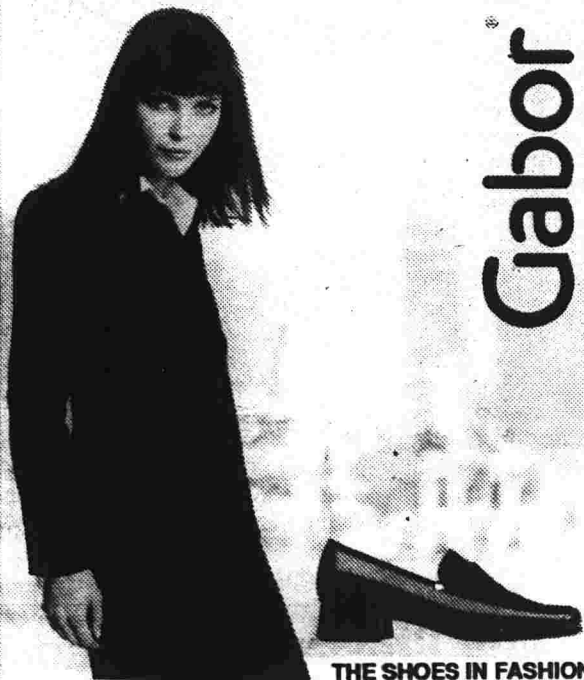

**OUTRAGED BY TREATMENT**

In a press release issued yesterday (Tuesday) members of the Childers Estate residents and management committee said they are outraged by the treatment meted out to them by the local U.D.C. and the V.E.C.

They added that residents were not consulted until after such time as they made their objections to the proposed location of the school known and after the planning application had been made to the U.D.C.

# Lismore Is Third Tidiest Town In County

The beautiful heritage town of Lismore came third overall in the county, scoring an impressive 222 points out of 300 in this year's Tidy Towns Competition. Ardmore came second on 230 while Stradbally was again adjudged to be the tidiest town in the county scoring 234 (78%).

The following is the adjudicators report for Lismore which was visited by the Tidy Towns judges on July 10th. Last year's results are in brackets.

## OVERALL DEVELOPMENTAL APPROACH 32 (30) MAX. 50

The Lismore Tidy Towns Committee must be thanked for the very well completed questionnaire and entry form, comprehensive Development Plan, including photographs, much relevant information and a copy of the booklet, A Walking Tour of Lismore, Co. Waterford. All was of great interest to the adjudicator. Great credit is due to the committee for their success in getting financial assistance and for the commitment got from the community and from FAS. Lismore has many natural advantages in the new format competition and with

their forward planning is making the best of these. The street names were very much appreciated and in addition to their usefulness they look extremely well co-ordinating with both the lamp posts and litter containers. All the proposals for 1997, when carried out will add considerably to an already very remarkable town.

## THE BUILT ENVIRONMENT 34 (34) MAX. 40

Lismore is a very fine town with beautiful housing and public buildings that fortunately have not been damaged or improved during the past decades. It is justly called a Heritage Town. There are fine urban spaces, particularly on Main Street which has been beautifully enhanced by wall planters. There is a wonderful range of building types from the Castle, Heritage Centre, St. Carthage's Parish Church and St. Carthage's Cathedral. West Street with its business premises, the new housing at Bankfield, the charming small houses on New Street,

Chapel Street and many smaller features of interest. These would include the Bridge, the Monument, the Spout, the Grotto. All the approach roads are excellent and inviting. The removal of overhead wires and the addition of new lighting standards make a tremendous difference. It is good to see this work as on going and when completed will have been really worthwhile. Every effort should be made to retain the existing stucco finishes. The lettering and workmanship on these buildings is of a very high order. They are the type of craftsmanship which can never be duplicated or replicated.

## LANDSCAPING 29 (28) MAX. 40

The landscaping throughout is excellent with good choice of containers and plant material. There are a few places which could do with some screen planting: the 38kV ESB sub-station on the Cappoquin road entrance to the town.

## WILDLIFE AND NATURAL AMENITIES 21 (21) MAX. 30

Lismore because of its location, on the south bank of the River Blackwater, has many advantages under this section of Wildlife and Natural Amenities. Because it has been a forgotten gem of Ireland's beauty spots for over 30 years, little damage has been done to the various habitats and the work that is now being carried out enhances an already rich stock.

## LITTER CONTROL 32 (30) MAX. 40

As mentioned before, the success of the community involvement, together with the commitment from the girls school in litter control is very obvious as almost no litter was noted. They are to be congratulated on an operation perfectly carried out. The fine litter bins in black and gold look very well.

## TIDINESS 15 (15) MAX. 20

On the whole there is an air of tidiness throughout the town, only marred occasionally, as for example by Floral Distributors of Ireland Limited.

## RESIDENTIAL AREAS 21 (19) MAX. 30

All the residential areas are most attractive. The new housing at Bankfield blends successfully with its older neighbours; the houses along New Street, typical tenant housing, are a good example of that type and those on Chapel Street are extremely attractive. Derelict or unoccu-

pied houses are being satisfactorily restored and construction of new houses is in keeping with the general architectural features.

## ROADS, STREETS AND BACK AREAS 29 (28) MAX. 40

Traffic flow, as a result of parking, would seem to be a problem at Main Street and Ferry Lane where the road is very narrow. Certain simple parking controls could easily solve these problems. It is noted that yellow line markings on Ferry Lane corner are proposed. All these roads, street and back areas are extremely pleasant and many unoccupied or derelict houses are being reconstructed, while successfully retaining the character of the town.

## GENERAL IMPRESSION 7 (6) MAX. 10

It is a great surprise to come on Lismore with its beautiful treed approach roads from which one enters into a town of very handsome aspect. All the houses and buildings are of excellent design and the mixture of styles and sizes has a wonderful cohesion about them. The country at large must be thankful to the citizens of Lismore who are putting in so much effort into ensuring that this wonderful heritage survives our present era when so much that is historical and beautiful has been destroyed. Very many thanks and appreciation to all involved.

## SECOND ADJUDICATION (14/8/97)

Lismore looked quite magnificent on second adjudication also. Litter control was excellent and there was a general air of tidiness and indeed festivity with the colourful flower and shrub displays. A number of residential properties along East Main Street need to be painted together with a number of boundary walls along the South Mall. From the information given in your development plan, the committee is very well aware of the projects that need to be tackled over the next few years. We wish you well in the completion of all projects and look forward to observing your progress. Congratulations on work that has been achieved to date. The public toilets look really well and they are probably the best anywhere in the country. The reopening of Lady Louise's Walk is a fine achievement and one that makes a significant contribution to the amenity value of the town.

Married recently in Abbesside Parish Church were Miss Regina McGrath, Grange and Mr. Benny Organ, Abbesside. Fr. Ahearne officiated at the ceremony. The reception was held in the Gold Coast Hotel. —(Photo: John Tynan).

## KNOW YOUR RIGHTS

### QUESTION

I am married with 3 children (18, 19, 20) in full-time education. I am in receipt of Long-Term Unemployment Assistance (£147.10). I have been offered a place on a CE Scheme, how will this affect my income?

### ANSWER

On the CE Scheme you will get £164.45, less £3.80 PRSI, leaving you better off by £13.55. You will retain all the secondary benefits you were receiving immediately before going onto the Community Employment Scheme. If you get work outside your CE worktime, then you may be taxed on your income from CE and your other work.

As you are required to pay PRSI (A9) you may come back into benefit after 13 weeks. If you are on the scheme for 12 months and then go back to sign on, and qualify for full Unemployment Benefit as your children are over 18, you will not get any Child Benefit payment (it is only paid up to 18 on Unemployment Benefit) so you would lose £39.60 and would in those circumstances not get a Christmas bonus.

You should be aware that if your wife goes on a full-time FAS training course, you will lose the Adult Dependent payment £40 and half the Child Dependent payment £19.80 (total £59.80). She would get £67.50 but no extra payment for the children as she is not on the Live Register.

# How The G Force Helps Us To Keep Our Feet On The Ground

**The pull that gravity has on our bodies is known as the G Force.**

As we go about our daily lives on Earth the normal force we experience has a strength of 1. But there are times when we feel much stronger forces. This is known as Extra G.

One common example is when we are sitting in a car and it pulls away quickly. The Extra G pushes us back into our seats.

On fairground rides we also experience Extra

G — and this is often much, much stronger. A roller coaster is an ideal place to experience a stronger force of gravity.

As the cars hurtle down the track the passengers are forced back into their seats with a pull at least twice the strength of normal gravity.

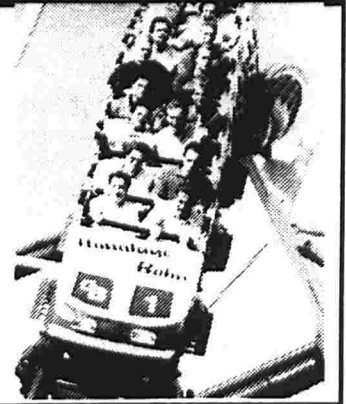

The Extra G makes their bodies feel heavier and pulls their skin out of shape — giving them long faces.

It only lasts for a few seconds, and human

bodies cannot stand it for very long — but it gives us a good idea of what it would be like to live on a planet with a stronger gravitational force.

If there are other creatures living in the universe they may come from planets that have different forces of gravity to the Earth.

If they visited us they may find they could float like we do on the Moon. Or they may find the gravity is stronger than they were used to, making it hard for them to move.

## Litter

Do you ever eat a bar of chocolate on the street? What do you do with the wrapper? Some people throw their sweet papers on the street and walk away. What do you think happens then? Usually, the paper lies there and joins up with other papers and bits of plastic and old chewing gum and cigarette ends, waiting to be picked up. The Council men clean the streets at set times, but what happens if the paper is dropped just after the Council man cleans the street? It will continue to lie there with more and more dirt around it unless it is blown to another place by the wind. What does the street look like then? The street looks dirty and untidy and people complain and say "all this litter is a disgrace, someone should do something about it!"

What should we do about litter? One answer to this question is that we should not make litter in the first place. We should be like the little girl in the picture and put our rubbish into a litter bin. If there is no litter bin nearby, we should take our rubbish home with us and put it in our own bins. We should ask our family and friends to do the same.

Sometimes people organise groups to make a special effort to pick up litter that is already on the streets. For example, a group of primary school children collect litter from the streets in Cappoquin every day. They are proud of their work and everyone admires them. Another example is a group of people that live near the Comeragh Mountains who collected a huge amount of litter from the Comeragh Drive last Easter.

For the next few months, Waterford County Council will be making a special effort to control litter in the county. They will asking for the help of every man, woman and child in this project. If they succeed, a group of business people named IBAL will build a brand-new factory worth £1,000,000 in the county. A new factory will mean more employment and, in a few years time, you and your friends may be working there.

So, the next time you are out on the street with "chewed-out" gum in your mouth, think before you spit it out; think before you throw your frozen drink wrapper over your shoulder; think before you drop your empty chips carton on the ground! Use a litter bin or take your rubbish home with you - KEEP THE CRYSTAL COUNTY CLEAN!

# Stradbally First In County For Tidiness

The scenic village of Stradbally which always scores well in the annual Tidy Towns Competition was again to the fore in this year's awards, achieving the highest marks in the county (234 out of a maximum of 300). The following is a report by the adjudicators who visited Stradbally on 12th July. Last year's results are in brackets.

## OVERALL DEVELOPMENTAL APPROACH 30 (29) MAX. 50

The committee is thanked for their completed application form and for their proposed work plan for the next 3-5 years. Stradbally, which has so successfully, over the past number of years, undertaken so many projects, now, in addition to their ongoing tasks within their own village, plans to extend their horizons and include an area approximately one mile from the village. The committee is to be much applauded for their wider interest and their concern for the common good. This is a very worthwhile undertaking and the committee and community are to be congratulated on previous achievements and are wished every success with their new undertaking.

## THE BUILT ENVIRONMENT 32 (31) MAX. 40

The ambience of Stradbally is very charming with its

well kept houses and gardens. The very successful colour schemes used on their houses is delightful. The ball alley is quite a dominant feature but has been extremely well handled by the use of ivy and creeper on the high walls and some screening to the open side. Some stone walling within the village is not of the standard design of local walls. The stone capping of vertical stones at 150-200mm centres is quite discordant. The removal of the overhead wires and the installation of very nice street lighting has added tremendously to the visual impression of the village.

## LANDSCAPING 33 (33) MAX. 40

On the whole this is very satisfactory but it is suggested that more emphasis be put on ground planting, thereby encouraging gardens for all seasons. Additionally if more trees are to be planted these should be larger types of trees that reflect those in the surrounding countryside. One of the problems in Ireland is that people are not inclined to plant indigenous trees in their towns and gardens, even when there is plenty of room to do so. Variegated poplars should be avoided as they look very alien in the Irish scene.

## WILDLIFE AND NATURAL AMENITIES 23 (22) MAX. 30

The concern with bird life is to be commended. The plant-

ing of suitable berried shrubs is excellent. Perhaps the addition of those shrubs and flowers which attract butterflies could also be considered. With such a pollution free atmosphere many butterflies should be attracted.

## LITTER CONTROL 34 (34) MAX. 40

Litter control is excellent within the town but in outlying areas some litter was noted. This is a very real problem as in all probability the offenders are visitors.

## TIDINESS 16 (15) MAX. 20

The general impression is one of tidiness and this holds for the approach roads and the surrounding areas despite the difficulties encountered at the neighbouring coves.

## RESIDENTIAL AREAS 22 (21) MAX. 30

The residential areas are all charming, delightful and well kept, with a wonderful sense of colour both in painting and in the landscaping.

## ROADS, STREETS AND BACK AREAS 35 (35) MAX. 40

All the approach roads are very inviting. An existing natural environment has been accentuated by appropriate maintenance.

## GENERAL IMPRESSION 9 (9) MAX. 10

The general impression of Stradbally is excellent. It is of a village where the community is concerned and cares both for its own but also for the surrounding places.

## SECOND ADJUDICATION (15/8/97)

A number of nameplates (one on the Bonmahon entrance just past the clubhouse) need to be painted. The stone wall which lines both sides of the road between the church and the village might be exposed with the intention of further revealing and highlighting it as an attractive feature of this entrance to Stradbally. The presentation of the Stradbally Cove is excellent. Well done on the resurfacing of streets and the repaving of footpaths. The public toilet looks well also. The water garden is a lovely feature and offers welcome shade on a hot day. We wish you well in the completion of your playground project. Both the Rockville and Viewmount residential areas are presented to an excellent standard, everyone concerned is to be commended. All flower and shrub displays around the village look beautiful, but the one most pleasing to the second adjudicator was the one at the library.

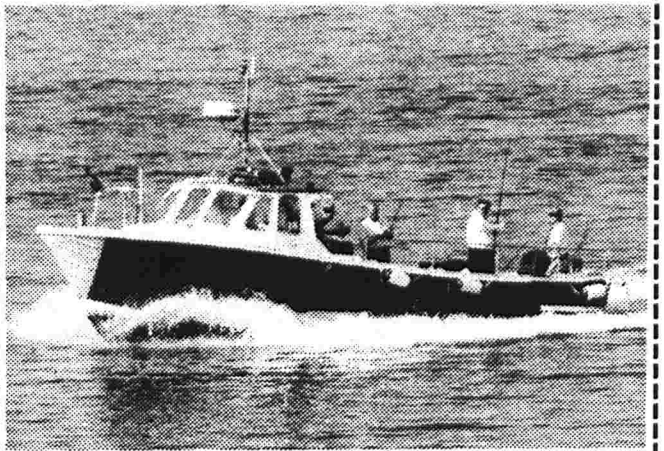

# Dungarvan Men Nominated Top Skippers

A leading English fishing magazine has awarded two Dungarvan men as top skippers of the month.

John Tynan of the Enterprise Bar and Eoin McGarry of Main Street, Dungarvan who are joint owners of 'Avoca', were nominated for the super skipper award by magazine reader Peter Critchley.

Mr. Critchley nominated the pair for providing him and his friends with great sport and plenty of fish despite some disappointing weather during their recent stay in the area. The five-rod party caught pollack, huss, ling and conger even when forced to fish in-shore.

John and Eoin went out of

The "Avoca" leaving Dungarvan Harbour

their way to help the visitors, providing cheap B&B To book a trip, phone John or Eoin on 058-42657 or The Enterprise Bar, Grattan Square in the evenings on 058-41327.

A group of anglers who participated in the Enterprise Bar Fishing competition. Standing: Tom Conway (2nd) 228 pts., Eoin McGarry (Skipper, Avoca), Francis McCarthy (winner) 282 pts., John Tynan (sponsor), Jimmy Maher; front: Anthony McCarthy, Tommy Reynolds, Marian Maher and Benny Organ (3rd) 202 pts.

# Clampdown On Beach And Strand Activities

Waterford County Council has made a number of bye-laws concerning public health and safety on various beaches and strands throughout the county.

Under these bye-laws, which came into operation on June 1st last, it is now prohibited to light fires on the beach, throw stones, ride a bike, play football, hurling, tennis, golf, volleyball or any other game, or use a radio, mobile players, etc., in a manner as to cause a nuisance to other beach users.

Other prohibited acts are

burying animals on the beach, using a jet-ski or fast power-boat within 200 metres of the water's edge, except for the purpose of rescue, and spreading any nets, baits, boxes, fishing gear or shells on the beach.

The bye-laws also prevent people from parking a caravan, etc., overnight on a road or car-park at the beach or to lead, wash, or ride any horse, pony, ass, mule or any similar animals onto the beach.

Dogs are not allowed to roam unattended, while cars,

motor bikes, vans, trailers, trucks, wagons or lorries are not allowed to be driven on, or left on the beach.

Anyone who contravenes a provision of these bye-laws will be liable on summary conviction to a fine not of less than £1,000.

Beaches and strands to which these bye-laws apply include Clonea, Ballydwane (Stradbally), Helvick, Stradbally Cove, Baile na nGall, Monatrae, Whiting Bay, Ballinacourty, Ballyvooney (Stradbally), Goat Island and Caliso Bay.

# Dungarvan Multiple Sclerosis Cyclists Complete 130 Mile Cycle

A group of very happy, if tired, cyclists who completed the 130 mile round trip sponsored cycle in aid of the Dungarvan Branch Multiple Sclerosis. Included in the photo are Lar Hart, Chairman Waterford Co. Council, Austin Flynn, Chairman Dungarvan U.D.C., Garda John Collins, Motorcycle escort and supporters of Dungarvan Branch M.S.

At 6.30 a.m. on Saturday, September 6th, seven women cyclists along with five of the men cyclists lined up for the start of the 130 mile cycle and after Fr. Kiely blessed them and wished them well on their journey, former chairman Seamus Ahearne dropped the green flag and the 1997 cycle got underway. The remainder of the cyclists took to the road at 7.15 a.m.

All the way to Waterford City both groups cycled in unison, and the first group entered Waterford at 8.20 a.m. followed closely by the second group at 8.40 a.m.

From here on all the cyclists would be together and while they were happy to be in Waterford everyone knew that the cycle was only warming up. Paul Byrne of WLR interviewed a cross section of the cyclists and Susan Carey, our secretary.

At 9.20 a.m. the cyclists headed out on the second leg of the journey.

The leg would take the cyclists through Carrick-on-Suir, Clonmel and onto the 'Barn Restaurant' outside Clonmel. A major surprise for the cyclists came in the form of the detour at Waterford bridge, which meant they had to negotiate a severe climb a mile and a half long at the beginning of the stage. After that climb the cyclists formed into a large group of 33 cyclists.

Terry Keohane was keeping us all in tune with her great humour and flow of speech. The three Brickey women, Martina Ryan, Mary and Anne O'Donnell were concentrating on the many trials ahead. The two 'Park Hotel' women, Bernice Cooney and Breda Hogan were enjoying every minute of the cycle and looking forward to the upcoming climbs. The lone Af-fane woman Dolores 'the pocket rocket' Coughlan,

was showing her experience in the saddle.

Everyone was in great shape as the cycle went through Carrick and headed out the Clonmel road. The tactics of keeping the group tight for time was working well at this stage and was being well marshalled by Paddy O'Donnell and Eamonn Doherty, who did trojan work all day.

It was with great delight and relief that the cycle pulled in to the 'Barn Restaurant' on the Cahir road where they were greeted by Michael Anglim, Chairman South Tipperary County Council.

Motor cycle Garda John Collins had joined us in Waterford City and was doing a great job in getting the cycle through various towns and villages. Allied to this we were given a patrol car escort through and out of Waterford City, Carrick-on-Suir and Clonmel.

On the next section to Cahir the Tipperary cyclists were on home ground and were enjoying the support they were receiving from the people along the route. Again the cycle was escorted by a Garda patrol car to the outskirts of the town.

The tone of the cycle switched to a different level now as the cyclists began their preparation to tackle the infamous Vee Climb which was now only twelve miles away as the cycle headed for Clogheen.

As the cyclists approached the Vee it would be well to remember that at this stage they had at least 85 miles of cycling done.

There was complete silence as the cycle went up the Vee and I can assure that blood, sweat and tears were shed before all the cyclists arrived at Beal Loch at the top of the Vee. It was a gruelling climb for them all but special mention must be made of the

women cyclists as they stuck to their task and made every inch of that climb. After a short break they set off on the long descent into Lismore town where a welcome was laid on by our very good friend and supporter Rose Dowd of 'Rose's West End Bar'. A Garda escort was provided by Pat Norris.

The cyclists were cheered out of Lismore by Jim Lineen and a large group of Pat Fitzgerald's supporters.

Again the cyclists stayed together in one bunch as they passed through Tallow, where they were facing another major climb on the road to Youghal Bridge.

As the cyclists made the four and a half mile climb out of Tallow, every one dug deep.

The descent to Youghal Bridge was welcome relief and all were in good shape as Garda John Collins, marshalled them on the main Youghal-Dungarvan road. The cyclists and the whole entourage met at the new bridge to regroup for the last stage to Dungarvan. The final stage was now in progress, and everybody was upbeat and looking forward to finishing in Grattan Square, Dungarvan.

Kevin Forde and Joe Flaherty were going strong while the two Faha men, Pierce Casey and Liam Connors paced themselves perfectly throughout the cycle. That greater competitor and elder statesman Rory Wyley, was as fresh as a daisy and going strong. Derek Trumann, one of the younger cyclists, showed a remarkable level of fitness and was looking forward to the finish. The only Abbeyside man on the cycle, Martin Veale, showed great determination and did the village proud again this time. A man who did trojan work during the cycle was Eamonn Doherty, and his experience

was welcome on the day.

The cycle left the 'Marine Bar' headed by a Garda patrol car from Dungarvan and preceded by Garda John Collins on the motorbike. A carnival atmosphere abounded as the cycle went down Mary Street and headed towards Grattan Square with hundreds of people there to cheer them in. Urban Council Chairman Austin Flynn and County Council Chairman Lar Hart were also there.

Cllr. Austin Flynn made a very fitting and sincere address to the cyclists and congratulated them and the whole branch on their achievement. He was followed by Cllr. Lar Hart who gave particular attention to the severity of the route and thanked them on behalf of the whole county. The cyclists then went to the Park Hotel. A great night was had by all.

This was the first year of the new cycle and it proved to be an unqualified success for all concerned and has once again put the branch on a very firm footing for 1998.

Many people are owed thanks for not only the success of the cycle on the day but for the organisation that went into it. Every cyclist is due a tremendous amount of credit and gratitude for their commitment and support to the cycle and also for raising sponsorship. To the back-up team of Frank Murphy, Pat Barry, Eamonn O Mairtin and Denise Murphy, the second back-up van of Patrick Daly and Pat Veale and the floating car of Anne O'Brien and Mairead McGrath. We must thank Patricia Veale for the video and Michael Hogan for the amplification. To the radio stations and all the local newspapers and also John A. Murphy of 'The Examiner'.

The generous people who sponsored the food and drinks for the day, fruit mer-

our former chairman Seamus Ahearne for all his help during the day.

A special word of thanks is due to Garda John Collins (motorbike garda) who stayed with us throughout the day and ensured that everyone was safe. We also thank the Garda patrol cars which brought us through the towns and villages and a big thank you to our own member Julie Power who organised all this.

To the Barn Lodge Restaurant, Rose's West End Bar, The Marine Bar and the Park Hotel we say thanks for providing refreshments and food on the day and also the Park Hotel for the use of its leisure centre.

To Chairman Richie Pratt and all his willing helpers who made the bucket collection so successful — the Branch is indebted to you. Last, by not least, to Ger Wyley who was on hand to take photographs after the cycle, and to all our supporters who welcomed us back to Dungarvan and sponsored our cyclists, our thanks to you.

Roll on cycle 1998.

chant Johnny Lynch, Mulcahy's Spar, Abbeyside, Gerry McGrath's shop, the Deise Service Station and the Cash and Carry, a big thank you to all.

Thanks to Fr. Kiely, who comes to the Square each year at 6 a.m. to bless the cyclists and wish them a safe journey. Thanks also to

David Condon, Helvick and Ide Ní Ghríobhtháin, Ring, who were married recently in Ring Church. Fr. Kiely officiated and the reception was held in The Park Hotel. —(Photo by Claire Cusack).

# BALLYMACARBRY NEWS

## TIDY TOWNS REPORT 1997

### Overall Developmental Approach

No written Development Plan to guide the adjudicator was submitted either this year or last. This is a great pity. As pointed out last year, the Tidy Towns Competition has adjusted its emphasis to a point where it is positively encouraging centres to give thought and energy to the development of a two or three year programme or possibly longer for the better presentation of the centre. Ballymacarbry is a delightful village and would benefit very much from having a structure phased development approach particularly in relation to creating a better sense of cohesion in such a long drawn out village. It is appreciated that it could be difficult to prepare such a plan, spread over three years because much of what has been done here is continuous on-going type of care but with such a plan, the Committee could more easily approach public bodies for help and advice.

### The Built Environment

Most of the buildings in Ballymacarbry are very well presented. The housing, particularly at St. Martin's Place, is extremely nice and the type of floral displays are excellent and very much in keeping with this rural atmosphere. Melody's Bar is very successful and almost creates a centre in the village. St. Patrick's Hall is good though the doorway still needs attention. Pinewood is very well screened from the village and the newly reconstructed building looks extremely well with sandstone, brick and fine windows. It would be nice to think that the remainder of the complex would be similarly reconstructed in time. The Co-Op shed on the main road contrasts badly with the rest of the village. The yard in which fertilisers etc. are stored could easily be screened with solid screening. Doccey's Bar looks

very well and is in keeping with the rest of the village. There is a very pleasantly developed car park opposite Melody's Bar and Equestrian Centre. The seating enhances the atmosphere. It is suggested that some litter bins be provided as there was some litter in the grassed area adjoining the car park. The bridge coming into the town is very successful with its yellow and black markings. At the other end of the village, the grotto is a very pleasant, tranquil little spot and is well tended.

### Landscaping

The landscaping within the village is very satisfactory fitting in very well into this rural environment. The landscaping of the individual houses is first class and their choice of planting is good. A few trees could be planted in the car park opposite Melody's Bar with advantage.

### Wildlife And Natural Amenities

One cannot appreciate and see the river Nire from the main road but it is very lovely looking down on it with its shingle beach and small rapids and the sound of water is most pleasing. Because of the tranquility of the village, this is a place to expect and to see wildlife as one is encouraged to with the river and picnic area. It is suggested that a riverside walk from Melody's Bar to the Co-Op could possibly be considered and the long term planning could be carried out over a number of years. The whole atmosphere of the village is working with the environment rather than against it.

### Litter Control

Litter is well controlled. There was a little in the carpark but this could easily be overcome by providing litter bins as mentioned previously.

### Tidiness

Almost everything in this delightful, tranquil village has the air of being well tended and cared for. The verges and banks on the entry roads are all nicely trimmed. Traffic signs, road

markings and markers are all well kept.

### Residential Areas

The residential housing is of a very high order. St. Martin's Place is particularly attractive. All the gardens are tastefully landscaped with colour schemes that relate very well to this tranquil, rural atmosphere.

### Roads, Street And Back Areas

The approach roads are extremely pleasant with uniformly well tended hedges and verges. As already mentioned, the bridge at one end and the grotto at the other make very attractive entry points. The village name was very well presented.

### General Impression

Ballymacarbry is an extremely pleasant tranquil village that obviously takes great pride in its environment. It was a great pleasure to visit such an attractive village and all concerned are to be highly commended. It would be much appreciated if next year the entry form could be completed and some information given on the activities and workings of the Tidy Towns Committee, the level of liaison with public bodies and the extent to which support is got from the community in general.

Ballymacarbry Tidy Towns would like to thank County Council Overseer, John Foley, his work men, both Council and FAS for a job well done.

### BALLYMACARBRY NATIONAL SCHOOL

The Board of Management of Ballymacarbry National School and the school teachers would like to thank most sincerely Francis Connolly and his good wife Nuala for the amount of work they have done for the school over the past number of years. The school was always spick and span inside and outside. They spared no effort to have it what it has been, a credit to them. Also thank you to Catherine Morrissey who has been the school secretary for the past two years. A new FAS Scheme has commenced at the school on Monday last.

### LOTTO

The Lotto draw in aid of Fourmilewater Hurling Club took place at the Oriel Bar, Ballymacarbry on Saturday night. The numbers drawn were 10, 11, 15. The five winners of £20 each were Eileen Grant, St. Martin's Place; Marie Sullivan, Ballydonagh; Gary Power, Clogheen; John Coffey, Curraghteskin; Mary O'Brien, P.O. Ballymacarbry. Jackpot this week £400.

## RECENT DEATHS

### LATE MRS. MARY MURPHY

It is with deep and sincere regret we record the death of Mrs. Mary Murphy, Killballygorman, Ardfinnan which sad event occurred at the Mercy Hospital, Cork on Saturday, September 13th.

The deceased was a member of an old and respected South Tipperary family, a lady of outstanding qualities who possessed a wonderful warm personality and she made friends with ease. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all fortunate enough to make her acquaintance.

She was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easygoing nature which endeared her to all. That her memory will be cherished was truly indicated on Sunday evening by the large concourse of mourners who were present when her remains were removed from the mortuary at St. Theresa's Hospital, Clogheen to the parish church of the Holy Family, Ardfinnan where they were blessed and received.

On Monday, the feast of St. Catherine, requiem Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to the New Cemetery, Ardfinnan where she was laid to rest again in the presence of a large concourse of mourners who were present to pay their final respects to a Christian friend. To her sons, brother and many relatives we tender our sympathy.

### LATE MR. CON HAYES

Profound and sincere feelings of regret were widely expressed at the news of the unexpected death of Mr. Con Hayes, Rices Street, Dungarvan and late Crookstown, Co. Cork which sad event took place at the Regional Hospital, Waterford on Friday evening.

Con, a member of the Defence Forces, came to Dungarvan in the late fifties to take up the position of Company Quarter Master with C/Coy 13th Batt. In early 1960 one of his first duties was to get Ballymacarbry company re-established as it was a former centre with Clonmel. This he did when he recruited some 21 members, a group of F.C.A. members he was proud of.

Con was acknowledged over the years as one of nature's finest gentlemen whose unassuming courtesy and outgoing sincere nature were readily appreciated by all who knew him and now deeply and justifiably grieve for the void his sad demise

leaves.

Many tributes have been paid to his memory but perhaps the finest was paid to him on Sunday evening when all walks of life were represented in the large concourse of mourners who were present when his remains were removed from Kiely's Funeral Home, Dungarvan to St. Mary's Parish Church, Dungarvan. On Monday, the feast of St. Catherine, requiem Mass was celebrated for the repose of his soul. The celebrant was Rev. Fr. Michael Kennedy C.C., Dungarvan.

After Mass the funeral took place to the Old Cemetery, Dungarvan where in a September mist, a great soldier and Irishman was laid to rest in the family plot with his wife Mary who predeceased him. Fr. Kennedy C.C. officiated at the graveside in the presence of a large concourse of mourners, many of his old army comrades who came to pay their final respects to a Christian friend.

To his sons, daughters and his many relatives we extend our sympathy.

Ag Chríost an síol, ag Chríost an fómhair, in iothlaimn Dé go dtugtar sinn.

(Undertakers: Kiely's, Dungarvan).

### LATE MR. WILLIAM LONERGAN

It is with deep and sincere regret we pen the sudden death of Mr. William (Sonny) Lonergan, Hogan Square, Cahir, Co. Tipperary which sad event took place on Tuesday, September 16th.

## A TALK ON THE FAMINE

A large crowd attended at St. Patrick's Hall, Ballymacarbry on Friday night last where an overview of the Famine (1845 - 1849) was presented by Jack Burchell, Waterford. It was most interesting to hear of its effects on Co. Waterford. Part two will take place on Friday evening next starting at 8 p.m. sharp. It will feature the Famine in the Comeraghs by Sean Murphy and the census of 1841 and 1851 and the Famine in Fourmilewater by Michael Desmond.

# Operation Lifesaver Targets Huge Number Of Drivers

CONTINUED FROM FRONT PAGE

summoned before the courts for more serious speeding offences.

The nationwide launch of the new scheme, has made the courts very aware of clamping down on serious motoring offences such as speeding, careless, dangerous and drunken driving.

Speaking to the 'Dungarvan Leader' last Thursday, Supt. Reid said that since the launch of the scheme in this garda division, 339 people have been stopped for driving without seat belts which also constitutes a £50 fine. Up to now, Gardai have been lenient with respect to the wearing of seatbelts, but all occupants of a car must now comply fully with the law.

In the same period, there have been 43 arrests in respect of suspected drunk driving and 20 people have been charged with dangerous driving offences. Gardai have issued cautions to 1,145 drivers, although it is anticipated that action rather than caution will be the norm in the future.

The scheme has certainly created a more visible Garda presence throughout the division with a marked increase in checkpoints, speed traps and more inspections of licensed premises.

The covert Gatso van is also in operation throughout both counties. Located off the road, undetected by motorists, the van's hi-tech equipment records car registration numbers of offending drivers.

On average, 430 people die each year on Irish roads with 20 fatal accidents in the Waterford/Kilkenny division last year.

As a result of Operation Lifesaver, Supt. Reid said he expects to see a reduction in the number of fatalities on roads.

He pointed to the Louth-Meath Garda Division where the scheme has been very successful in making people more aware of speed and the dangers of drinking and driving. The operation will continue to be reviewed on an ongoing basis.

## Residents Shocked By V.E.C. Allegations

declared.

### VESTED INTEREST ?

The planning application for the construction of a single storey £1m plus vocational college is currently being considered by the Urban Council. The college is earmarked for a greenfield site adjacent to Childers Estate and Dungarvan Sports Centre. Members of the Council are expected to vote on the issue at their October meeting. The proposed location for the college which is owned by the Co. Waterford V.E.C. is zoned for recreational and amenity use in the Dungarvan Development Plan. At the October meeting of the U.D.C., members will therefore be voting whether or not to rezone the seafront site to allow the construction of the college to proceed.

Should Council members agree to grant planning permission to the project, any

CONTINUED FROM FRONT PAGE

objectors would then have one month in which to lodge their submissions with An Bord Pleanála who would have the final say in the matter.

While the Childers Estate residents appreciate that the final decision is not for the U.D.C., they are nonetheless seriously concerned about the partial overlap between the members of the V.E.C. and the U.D.C., many of whom occupy seats on both committees.

The residents have asked if these people will have an influence on the outcome of something which, they claim, they have a 'vested interest' in.

Concerned residents of the estate have also requested the Council to commission an environmental impact report from an independent agency. They are

currently awaiting a response as to whether or not this will be forthcoming. Furthermore, the residents intend to object to the rezoning of the land at Ringnasilloge and to object to the planning application.

### NOT AVERSE TO SCHOOL

While wholeheartedly endorsing the building of a new school by the V.E.C., residents of Childers Estate, adjoining the proposed greenfield site have expressed strong reservations about the proposed location of the school. "It is the proposed loss of this vital amenity that we vehemently object to," they stated.

The residents and management committee have already made huge strides in improving Childers Estate and view the green area of Ringnasilloge as vital to their progress. "It is a safe place for our children to play, for people to walk and the pursuance of many other activities. Our primary fear is that without this area, our children will be forced to resort to the busy streets for a playing area," highlighted the press release.

"It is the location of the proposed site that we are objecting to and not the proposed construction of a school. We merely wish to preserve the status quo of our community's amenities. We fully support the building of a new school for the area but not on a site that has been zoned for recreation and, in particular, not one that is crucial to the basic needs of our estate."

## AT THE SPORTSFIELD

### JUNIOR HURLING B FINAL Tourin 1-13 Abbeyside B 1-5.

On Saturday afternoon Tourin and Abbeyside B clashed in the Junior Hurling B Final. Tourin qualified courtesy of two replay wins while Abbeyside, reigning champions, cruised to the final and a tight game was expected. Tourin, aided with a strong wind, started well with 3 pts. from C. Scanlon and K. Wilkinson after 20 mins. P. Veale opened the Village account and they were coming on top but unfortunately for them an acute angle free from C. Scanlon went straight to the net. Moments later W. Leahy finished the half-time scoring with a point to leave the score Tourin 1-7 Abbeyside 0-1.

After the restart again Tourin started well. Two points from a C. Scanlon free and M. Scanlon extended the lead to 11 pts. B. Mansfield and C. Scanlon exchanged, B. O'Sullivan scored a wonderful point from an acute angle. S. Lombard and K. Wilkinson exchanged points again. With 7 mins. left S. Lambert goaled for Abbeyside after a series of goalmouth scrambles. P. Landy pointed a free, M. Scanlon responded with a point for Tourin and P. Landy finished the scoring with a pointed free. The final score was Tourin 1-13 Abbeyside 1-5.

After the game Western Board Chairman, Mr. Paddy Walsh presented the trophy to J. D. Leahy amid joyous scenes.

Tourin had some star performers. Once again the full-back line were outstanding also their two star forwards K. Wilkinson and C. Scanlon, who just scored everything that came their way. For Abbeyside W. Kiely, E. Cashin, J. Hurney and S. Lombard all played well.

Tourin: P. Scanlon, J. Dalton, P. O'Keefe, P. Leahy, D. Moore, J. Fives, E. McGrath, K. O'Donnell, J. D. Leahy, D. Wilkinson, C. Scanlon, M. Scanlon, W. Leahy, K. Wilkinson, J. Collender. Subs: B. O'Sullivan for J. Collender.

Abbeyside: W. Kiely, M. Horan, J. Mulligan, J. Organ, M. Kiely, K. Tobin, E. Cashin, J. Hurney, J. Hayes, S. Lombard, J. Donovan, P. Veale, B. Mansfield, M. Keohan, R. Cliffe. Subs: P. Landy for J. Donovan.

**Verdict** — Thankfully Tourin won as I was beginning to feel that my predictions were giving teams the kiss of death. Abbeyside were always up against it, ten players were unavailable from the '96 team. They were coming into the game but a lucky goal knocked the stuffing out of them. Much credit must go to Abbeyside for fielding both teams on the day with so many players unavailable. Tourin were worthy winners, their accuracy was excellent from play and placed balls. The non stop determination of their defence will make it difficult for teams to score against them. Tourin also deserve great credit as earlier in the year there was talk of them not fielding. While some of their players are getting long in the tooth and may be needing "just for men," but they showed good fitness and are now playing Lismore which will be a tasty match. Ref.: J. M. Kelly (Shamrocks).

### SECOND STRING FINAL

Lismore 4-6  
Abbeyside A 2-5.

The second game at the Sportsfield was the second string final between Lismore and Abbeyside. Abbeyside playing with the wind were soon trailing when T. Kennedy pointed and G. Keane goaled after 9 mins. Four minutes later Abbeyside were a goal in front, M. Reynolds pointed a second goal from P. Landy and a 21 yard free blasted home by P. Breen.

P. Landy put over another point but P.J. Coughlan narrowed the gap to one point with a goal. P. Breen and B. Walsh exchanged pointed frees to leave the half-time score Lismore 2-2, Abbeyside 2-3.

Just after the restart B. Walsh drew the sides level. P. Landy and D. Howard exchanged points and with 18 mins. left, P.J. Coughlan goaled again. R. O'Sullivan and D. Howard pointed to extend the Lismore lead to 5 pts. Almost all Abbeyside's attacks were snuffed

out by the outstanding E. Quann at centre-back. In the last minutes F. McGovern pointed a free but Lismore's J. Roche finished the scoring to leave the final score Lismore 4-6 Abbeyside 2-5.

Playing well for Lismore were B. Ormonde, J. J. Duggan, P. Barry, E. Quann, D. Howard, R. O'Sullivan and P. J. Coughlan. For Abbeyside P. Breen, P. Landy, J. Hurney, F. McGovern all played well.

Lismore: B. Ormonde, J. J. Duggan, J. McNamara, T. Murphy, P. Barry, E. Quann, J. Whelan, J. Roche, D. Howard, B. Walsh, D. O'Gorman, G. Keane, R. O'Sullivan, P. J. Coughlan, T. Kennedy. Sub: T. Barry for T. Kennedy, P. Fennessy for T. Murphy.

Abbeyside: E. Byrne, T. Walsh, J. Shields, B. Donovan, P. Breen, O. Keohan, J. Walsh, J. Hurney, B. Keohan, P. Landy, M. Reynolds, G. O'Connor, L. Brennan, F. McGovern, P. Duggan. Subs: P. O'Brien for O. Keohan (inj.), D. O'Dee for M. Reynolds (inj.).

**Footnote** - O. Keohan was stretched off the field when he accidentally crashed into a Lismore player. He seriously hurt his neck but the prompt arrival of Dr. Pat Hill (Cappoquin) and the professional work of a Dungarvan ambulance crew soon had him as comfortable as possible at the hospital and I wish him well. Ref.: L. O'Donnell (Clashmore).

**Verdict** — Abbeyside, while defeat was their lot, in fact they were well in the game but injuries to key players and some poor shooting proved their downfall. Lismore, now in the Junior hurling quarter-final, are difficult to give an opinion on. They played really well in patches but then would fall asleep. They have a solid defence and in attack have nippy forwards who always looked like scoring. The problem for Lismore with a light team the later the championship runs with soft underfoot conditions, physical teams could prove a problem for them. Of the teams left in the Junior, they are the most skillful in particular in tackling. They now face Tourin in a local derby which both teams are looking forward to playing.

For the first time this year I cannot make a prediction as it's just too close to call. Best price Noel Cummins 4/5 Lismore evens Tourin 9/1 a draw.

## AFFANE A.F.C. NOTES

**Tony Bolger Cup** — A superb goal by Donal Fraher 10 mins. from time gave us our first victory of the season last Sunday when we played away to Ardmore in the Bolger League Cup.

A strong wind blew across the pitch but despite this, both sides served up a lively and entertaining game. We started this game well and created some good chances early on. After 20 mins. we took the lead when James Maher scored with an excellent volley from 25 yds. for a deserved lead.

We continued to control the game until the break but could not add to our lead. After the break Ardmore came much more into the game and equalised in less than 2 mins. when one of their players was allowed a free shot at goal from the edge of the box following a corner.

As the half progressed we seemed to tire and lost the grip on midfield that we had in the first half. With time running out it looked like we would have to settle for a share of the points but then came the all-important goal. T. Hennebry played a great ball into the box for Donal Fraher to run on to and he beat the advancing 'keeper with a superb flick to clinch the points.

This was a far better team performance than the previous week and we played quiet at times in the first half but we seemed to tire in the second. Let's hope we can continue this improvement next week.

Team: J. McGrath, R. Prendergast, D. Twomey, E. O'Shea, T. Hennebry, M. Prendergast, J. Maher, K. Reddy, C. O'Mahony, T. Kiely, J. Crotty. Sub.: D. Fraher for C. O'Mahony.

# 1949 - WESTERN FINAL AGAIN

St. Augustines had been threatening and promising success for a number of years now and not quite fulfilling. Spectacular campaigns as far as the western semi-final or final, only to lose finally can be frustrating and worrying. There were already pessimists who whispered that they hadn't got what it takes.

In 1949 once more St. Augustines lost in the Western Final, this time against Tourin. But what many were too quick to forget at the time was the remarkable ill luck St. Augustines had in meeting - especially in 1948 and 1949 - such unusually good opposition. In the case

of Tourin, their 1949 conquerors, the proof of that pudding made unpalatable eating for powerful Mount Sion before a year had passed.

Round 1 - Bye

Round 2 - St. Augustines 11-9 Brickey Rangers 1-2 at Dungarvan 14.8. Ref.: D. O'Sullivan.

Round 3 - St. Augustines beat Fourmilewater at Cappoquin 21.8.

Round 4 - St. Augustines 6-7 Éire Og 0-1 at Dungarvan 11.9. Ref.: M. Hayes.

Western Final - Tourin 4-3 St. Augustines 1-2 at Dungarvan 23.10. Ref.: Jim Hunt.

Replay - Tourin 3-6 St. Au-

gustines 2-7 at Dungarvan 13.11. Ref.: M. Hayes.

Tourin had two illegal players - P. Ahearn and M. Regan - who were unregistered. It emerged that the non-registration was through genuine error and the chairman of the Western Board, C. Curran felt that it would be hard on Tourin if they lost the match. Yet if Abbeyside pressed the matter, he would have no alternative but to award them the game. J. O'Connor for Abbeyside said they agreed to a replay and never wanted any other outcome other than another tilt at a legal Tourin team.

### Overall Development Approach

Thank you for a very well filled in application form. The 3 - 5 year work programme and a map of the town which was quite helpful. Unfortunately the street names were difficult to read and additionally many of the streets do not have street name signs. The Committee is to be very much congratulated for their success in liaising with Dungarvan U.D.C., Dungarvan Chamber of Commerce, Dungarvan Museum Society, the local authority and individual residents associations. This is quite an undertaking for the 10 members of the committee. The 3 - 5 year programme is excellent and you are wished every success in its implementation.

### Litter Control

It is appreciated that in a large town, litter control is quite a problem. Your efforts in this regard are to be commended and your awareness campaigns are wished every success.

## ABBEYSIDE BEACH

At the September meeting of Dungarvan U.D.C., Cllr. Nuala Ryan highlighted the problem of broken beer bottles on Abbeyside beach. Cllr. Ryan said she had walked the beach prior to the Monday night meeting and had found broken glass from beer bottles at the base of the wall down by the new road.

## 4th Waterford Abbeyside Scout Notes

### TROOP MEETING

Last week's meeting was mufti with the main focus being on the Féile team. The meeting started at 7 p.m. with the Scout Prayer being said. Subs were then collected and two black bags of clothes which were left behind by scouts on camp. Tim collected the best part of one bag. It was then down to the matter of the 'play' for the Féile with 16 scouts going on the weekend of sport and drama. The sketch must contain elements of dance, song, music and drama. This year's play is being directed by our own Thomas Kiely who is drawing on all his skills. While the play was being done, the rest of the troop Brendan Meehan, Mark Foley and Pádraig Cullen were busy cleaning and tidying the office. It is now neat and tidy but the committee room is now a mess. The meeting ended with the scouts being told that the Regional Mass is now on October 19th in Mount Melleray.

### SUNDAY ACTIVITIES

At patrol meetings on Sunday morning the play was being practiced and after dinner football was played with Michael Fives and John Phelan running things.

# Lismore Notes

## LISMORE LOSE SEMI-FINAL

On Sunday afternoon last Lismore were defeated by Passage in the semi-final of the County Senior Hurling Championship at Walsh Park by 17 pts. to 1-12. Report of game will appear elsewhere in this issue.

From our point of view - hurler in the stand - the better team won. Too many Lismore players just did not perform on the day and Passage gave the impression they were hungrier for success. The eastern side were totally on top at midfield and they pulled a master stroke in this writer's opinion when they brought a third midfielder for puck-outs from either goal in the final 10 mins. Lismore never reacted to this which meant the defence were always under pressure in the closing minutes and conced-

ed needless frees which were punished by Anthony Fitzgerald. Overall there can be no disputing the better side won and also the standard was much lower to the standard of the second semi-final in which Ballygunner defeated Mount Sion. One must question the wisdom of the powers that be in arranging the Lismore semi-final in Walsh Park. Could this not have been played in Dungarvan. Result wise we are not speaking about, mainly the 90 miles return for Lismore supporters. After all if they had won on Sunday, all the supporters would have to travel to Waterford again for the final.

County Board officials please note - apart from us supporters travelling, we also have to pay at the gate.

## LISMORE CRICKET CLUB NOTES

### Lismore Win Minor League And Finish Runners-Up In Towns League

Representatives of the club travelled to Cork last Saturday for end of season awards. Lismore, secure in the knowledge that they had already won the Shannon Estuary Ports Minor Cup and M.C.U. Towns Cup found, to the club's delight, they had secured the Minor League trophy therefore winning a historic double. Lismore also received a plaque for runners-up in the Towns League.

Lismore have had their best season for many a year. Unfortunately capt. John Ind had to depart early so it was fitting that vice-capt. Michael Hickey (Lismore's long standing stalwart) was present to receive the four trophies on behalf of the club, each award greeted by warm applause. All the representatives of the other Munster teams delighted to see Lismore doing so well.

1997 has left pleasant memories for both players and followers alike. The able captaincy of John Ind, his attractive and dependable batting have been major factors in the club's success. His opening partner Winston Boyle gave his full support when the two of them went out in search of a good foundation of runs. Should (as it sometimes happens) one or the other have an off day, there was always other Lismore batsmen to fill the breach. David Ind, Bruce Coker, Ray Bryan, David Dungan, Brian Power and Michael Hickey all of them have at one time or another steadied the ship and gone on to make good scores when they were needed. Sam Fuller took the bowling apart in the cup semi-final at Limerick. Lismore bowlers did their part, the dependable Glen Hughes and Allen Sheane fighting back from an unexplained loss of form halfway through the season.

The quick, accurate pace of David Ind and the slower deceiving bowling of Andrew Malcolm and Brian Power, all of them taking wickets at crucial times. Good field placings have seen some brilliant catches taken by Paddy Byrne, Ray and Allen Bryan and Sam Fuller. "Certain" boundaries stopped by the young and very quick David Dungan. Run outs by the accurate throw-ins of David Ind and Andrew. All this has helped Lismore to be in the position they now find themselves. All the team can take a bow, they have been a credit to Munster cricket.

Next Saturday (weather permitting) sees the start of the 20 Over Round Robin Tournament between Lismore, Clonmel, Jordans and the Central Bank of Ireland. This concludes at Clonmel on Sunday.

Sunday, October 5th should see Lismore play their final game, the annual end of season match against a Cork County XI who have promised to bring a strong team.

## TIDY TOWNS REPORT

Everyone in Lismore was delighted to read the report of the adjudicators for Lismore for the Tidy Towns 1997. Lismore came third in the county and increased their points by almost 4% which is due to the hard work and effort by not only the committee but by the townspeople themselves. When reading the heading General Impression it concludes by saying "the country at large must be thankful to the citizens of Lismore who are putting in so much effort into ensuring that this wonderful heritage survives our present era when so much that is historical and beautiful has been destroyed. Very many thanks and appreciation to all involved." Need we say more?

## KEEPING LISMORE LITTER FREE

Without any doubt Lismore can pride itself as being the most litter free town in the county. Not only do we say this but so many tourists have remarked this also.

Two weeks ago we met a sporting colleague of 30 years from Limerick who told us he has seen Lismore improving over all these years and told us he has on so many occasions sent tourists from Limerick to Lismore for the scenery coming over the Vee is second to none. He did tell us (although not involved in tourism) that Lismore can hold itself up with any area as a litter free town.

This is good news for those who are doing their utmost to keep the town litter free. Lismore will be a strong contender to win the litter free town in Co. Waterford.

The prize as we have already written is a £1m factory - not just an advanced factory but with a business. This prize is organised by Irish Business Against Litter.

We can honestly say as we have on numerous occasions in these notes Lismore is the one area in West Waterford without any type of industry and we feel has the greatest need for same. But we appeal to everyone to keep up the good work and keep Lismore litter free for hopefully in a few months the effort will be worthwhile.

## TOURIN G.A.A. CLUB NOTES

On Saturday last we went to the Sportsfield, Cappoquin for the Junior Hurling Championship B Final. Our opponents were Abbeyside. For the first time this year we had a full panel of players to pick from. We lost the toss and Abbeyside chose to play against the wind. We opened our account early and with great accuracy from placed balls by C. Scanlon, we went in at the break leading by 1-7 to 0-1.

The second half was like the first with our backs as mean as ever letting nothing past with midfield in total control and the forwards putting almost everything between the posts. It was a good all round performance. The final score was 1-13 to 1-5.

Straight after the game the cup was presented by Western Board Chairman, Paddy Walsh to the winning captain J. D. Leahy. Our fitness has improved over the last four matches and we are now reaping the benefits of Ray's training and with a little more effort, we might even reach peak fitness this year. The selectors and the backroom team did a fine job as usual. The supporters were as vocal as ever.

We celebrated after the game and long into the night at the Sportsmans and would like to thank John and his staff for their generosity and for the use of the function hall as a changing room.

On Sunday night we went to Rose's where everyone was in fine voice. It's not the first time the club has brought a cup to Rose's and it won't be the last. We would like to thank Rose, Mary and staff for a wonderful night. We last put a trophy on the sideboard back in '93 and for a small club one every couple of years isn't bad and who knows we might get a partner for it before the end of this year.

Team: P. Scanlon, P. Leahy, P. O'Keeffe, J. Dalton, B. Mermin, C. Scanlon, E. McGrath, J. Fives, D. Moore, J. McGrath, J. D. Leahy, K. O'Donnell, E. Hickey, M. Scanlon, B. Leahy, D. Wilkinson, W. Leahy, C. Wilkinson, K. Wilkinson, J. Collender, B. O'Sullivan.

## LISMORE G.A.A. CLUB NOTES

### Tame Exit By Senior Hurlers

Turning in their poorest display for a long time, our senior hurlers were defeated by Passage in this year's senior hurling semi-final at Walsh Park last Sunday. While everyone realised that this was going to be a tough battle (I hope the players and mentors did !!!), nevertheless supporters were hoping the locals would shade it. But Passage, showing a greater appetite for the game, won by the narrow margin of 2 pts.

On behalf of the club, we wish Passage every success in their quest for county honours. The final score was Lismore 1-12 Passage 0-17.

Team: B. Landers, Michael O'Sullivan, D. Barry, A. Whelan, Mark O'Sullivan, S. Prendergast, J. O'Connor, S. Daly, P. Quinn, P. Prendergast, D. Shanahan, D. Bennett, B. Prendergast (capt.), K. O'Gorman, E. Bennett.

Junior Hurling Championships — Lismore 4-6 Abbeyside 2-5.

Our Junior hurlers continued their winning way with a fine victory over Abbeyside in the Western Championship at Cappoquin on Saturday last. They now play neighbours Tourin in the next round at the Cornerstone venue on Saturday, October 4th.

Intermediate Football — On next Saturday, September 27th at 5 p.m. in the Fraher Field we play Ardmore in the Western Final. While Lismore will enter the fray as outsiders, this is a game we can win and bring the first Intermediate title to the club. So we ask all players to put the disappointment of last Sunday behind them and win this one for your supporters.

Golf Classic — Just to remind all golfers that our annual golf classic will be held on the Lismore Golf Course on the weekend of October 10/11/12.

Sponsors — On behalf of the club we would like to thank the sponsors of our two adult teams still in the championship. They are Intermediate football (Castledodge) and Junior hurling (Red House).

## LISMORE SOCCER NOTES

Tony Bolger Cup — Lismore collected their first points in the Tony Bolger Cup on Sunday last when they defeated Cappoquin 3-2 in a highly entertaining encounter in Cappoquin on Sunday morning last.

Fielding a very youthful side, Lismore played some superb football and deserved their half-time lead through an Alan Landers goal. Two second half goals by Tom Veale and Michael Ormonde gave Lismore a 3 goal lead but with 15 mins. remaining 2 goals by Charlie Barry (a penalty and a free-kick) brought Cappoquin back into the game. But some wonderful defensive play saw Lismore hold out for a well deserved win.

It would be unfair to single out any players as each gave of their best and if this team can be held together and with two or three more experienced players to come back, then Lismore can be a force when the league commences.

Team: K. Landers, A. Meagher, J. Ryan, M. Caples, A. Landers, Michael Ormonde, G. Keane, P. Howard, T. Veale, M. Kearney. Subs: Martin Ormonde, P. Walsh, Michael Shanahan.

Next Sunday Lismore play their third series when they travel to Ballymacarbry to play Pinewood Rangers. Kick-off 11 a.m.

Under-16's — On Saturday last the under-16 team got off to a winning start in the underage section when defeating Castlebridge 2-0 away. Liam Greenslade scored both goals.

Team: T. Landers, Michael Ormonde, Shane Kearney, M. Coleman, M. Landers, P. Howard, L. Greenslade, A. Roche, L. Kearney, D. O'Keeffe. Subs: J. McGrath, S. Rotte.

Fixtures For This Weekend — Saturday, September 27th - Under-14 League at home to Castlebridge. 12 noon. Under-18 League at home to Castlebridge.

Sunday, September 28th - Tony Bolger Cup away to Pinewood Rangers. Kick-off 11 a.m.

Saturday night in Red House, Lismore - First draw in Red House League Confined Draw at 9 p.m. All are welcome.

## LISMORE JUVENILE G.A.A. CLUB NOTES

**Under-11 Hurling** — Our under-11 hurlers took part in the Examiner Cup Hurling Blitz run by the Bishopstown (Cork) club on Saturday last. This was an 8 team tournament with teams in two groups of four. Lismore were grouped with Bruree (Limerick), Durlós Óg (Tipperary) and Bishopstown. Scores in these games were as follows -

Lismore 4-7 Bruree 0-0, Lismore 0-3 Bishopstown 0-1 and Lismore 2-3 Durlós Óg 2-3.

As Durlós Óg had better score difference, these were paired against Blackrock in one semi-final which our opponents were Sarsfields (Cork). We qualified for the final after defeating our famed rivals and faced Durlós Óg in the final. This was a thrilling game in which Durlós Óg captured the Examiner Cup. It was unfortunate that we had to travel to Cork without two of our top players, Shane Byrnes who suffered a broken hand and Shane Bennett with an eye injury. We wish both players a speedy recovery.

**Team:** Ken Cashel, Nicholas O'Keeffe, P. J. Brennan, Chris O'Keeffe, Michael Coleman, Christy Murphy, Brendan Bennett, Kevin Power, Eamonn Nugent, Matthew Prendergast, John Nugent, Austin Dowd, Mark Landers, Paudie Hale, David O'Sullivan.

**Under-10 Hurling** — Because of our involvement in Cork we had to send an understrength team to Ballyduff in this under-10 tournament (John Daly Cup). However our lads acquitted themselves well winning four matches and qualifying for the semi-final where we were defeated by the host club.

## Cummins Selected For Presidential Committee

In what is seen as a small select committee formed to coordinate and plan Fine Gael's presidential election campaign, former Taoiseach John Bruton has chosen Waterford's Maurice Cummins to sit on the committee.

It is believed that the committee will comprise of members including a media consultant, general secretary of Fine Gael, Jim Miley, Phil Hogan Parliamentary Party chairman, a representative of the candidate and one or two others. This high powered committee will be responsible for the successful election of FG candidate Mary Banotti to Aras an

Uachtarán.

Cllr. Cummins said he was honoured to sit on such a prestigious committee and to be chosen by John Bruton.

The move is seen as a personal endorsement of Maurice Cummins by John Bruton who visited Waterford on two occasions during the general election and strongly campaigned for a Fine Gael seat in Waterford city which the party has failed to win since 1987.

Cummins is seen as the obvious successor to Austin Deasy having polled so well in this years general election and failed narrowly in the Senate Election.

# National Ploughing Championships

The 1997 National Ploughing Championships will take place on the farm of Pdraig and Grace Grennan, Parkmore, Fivealley, Birr, Co. Offaly.

This year it will be held over three days - Tuesday, September 30th, Wednesday, October 1st and Thursday, October 2nd. The Championships are very much the 'social event' of the year for the ploughing folk and is fondly referred to as the 'farmers annual holiday'. It's a place to meet people, make friends and

have a good time. Over the three days ploughmen from the four corners of the country will compete against each other in the 17 different classes which are being catered for. Alongside the ploughing classes, there will also be many other events - music and song, dancing on the bandstand, fashion

shows, best dressed lady and gent, sheep dog trials, hunt chases and tug-o'-war to mention but a few.

There will be 45 acres under machinery display and demonstrations of a lot of this machinery will be going on over the three days close to the exhibition area. There will also be vintage machinery displays and ploughing going on, also livestock exhibitions of pedigree cattle. A number of business arcades at the site will give the

crowds the opportunity of meeting a number of exhibitors under one roof.

Waterford will not be found wanting when it comes to competitors this year. We have participants in all classes from the under-21's to the vintage sections who will display their techniques of ploughing over the three days. Competitors of this kind cannot be successful without the backing of a generous sponsor. This year is no exception where the Avonmore/Waterford Group (A.W.G.) are concerned. They have been the sole sponsor for Waterford County Ploughing for a great number of years and this year (1997) is no exception. The following is a list of those competing at Birr -

Intermediate - Tom Kirwan, Kill; Phil Murray, Dunhill; Under-28 - Nicholas O'Connell, Grange; Under-21 - Niall Connery, Clashmore; Farmerette - Mrs. Helena Hynes, Clashmore; Three Furrow Open - James Prendergast, Ardmore; Three Furrow Standard - Patsy Kearney, Lismore; Reversible: Patrick Prendergast Jnr., Ardmore; Single Furrow Vintage - Maurice Walsh, Knockanore; Two Furrow Hydraulic - Paddy O'Brien, Ardmore; Two Furrow Trailer - John O'Neill, Youghal.

On behalf of Waterford Ploughing Association I would like to wish all those ploughing at Birr the best of luck and hope that some will be mentioned in the prize money. God speed the plough. Seamus McGrath P.R.O. - Waterford Ploughing Association.

### CLUB MEETING

At the club's meeting on September 5th the following officers were elected -

Vice-Chairperson: Michael Coyne, Asst. Secretary: Marianna Griffin, Asst. Treasurer: Colm Broderick, Asst. P.R.O.: Hugh McGrath.

I know that when these officers are required, they will do their jobs to perfection. The club's next meeting will be held on Friday, September 26th at 9.30 p.m. sharp.

### WATERFORD EXECUTIVE A.G.M.

At Waterford Executive's Annual General Meeting held on September 3rd, three of our club members were elected as follows - County Secretary: Caroline Smiddy, V.E.C. Rep. & Arts Officer: Edel Smiddy, Young Farmers Chairman: Michael Flavin.

### CLUB NIGHT OUT

Well it was just like the song "Oh What A Night" !! Twelve members met in Clashmore to get the bus for a mock stag and hen night to Waterford as arranged. After a long and heated discussion, it was decided we would go to Midleton. When we arrived in Midleton, we headed for Joe's Bar. Here it was noticed that our Chairperson went missing from the rest of the group for a

while, leaving some of us to believe that maybe she was trying to recruit new members !!

After a few glasses of orange, we headed for Bakers nightclub in The Park Hotel. On route to the hotel and while in the company of the 'hen' and four other members including the bestman and bridesmaid, the 'stag' tried to run a horse race by trying to gain on three fillies. After a hard race and a few cracks of the whip, he eventually passed them coming to the last furlong and said they weren't up to his pace anyway !! Maybe they're with the wrong trainer.

While the 'stag' was getting 'up close and personal' with some of the bridal party, the 'hen' got an offer of a dance which she declined on when she found out he had a small milk quota. Then she got another offer of calving a cow, naturally not with a 'jack'. Now there's a new chat-up line for you boys !! Unfortunately she didn't have time to talk in detail about this offer as it was time to go for some food.

Overall the night was enjoyed by everyone and hopefully we will have another night out soon.

By the way where did that scrunchie go all night ?!!

### CATTLE

#### Managing Autumn Grass For Drystock

At a Discussion Group Event at Kildalton College last week, one of the stands discussed managing Autumn Grass for Drystock.

#### ● Nitrogen

It is now getting too late for nitrogen application. Grass production will therefore depend on climatic conditions.

#### ● Intake And Utilisation

It is important to continue to graze rotationally. Longer rotation length of up to 40 days is not a problem at this time of year. Post grazing height should be around 6 cm.

#### ● Minimise Ground Damage

Grazing autumn grass can be problematic during wet spells. Be prepared to move stock to next paddock as grass becomes soiled even if it means leaving a lot of grass. House heavy stock first, weanlings and sheep do comparatively little damage. Plan grazing so that areas prone to wetness are grazed as opportunities arise.

#### ● Grazing Priorities

Weanlings and breeding ewes (before and during mating) should get priority access to good quality grass. Suckler cows in good condition have a lower priority. If grass is scarce, heavier cattle should be housed for feeding.

#### ● Concentrates At Grass

Animals close to finish benefit greatly from meal feeding (3 kg.) on autumn grass particularly where grass quality is poor or the dry matter is low. Weanlings and store lambs are other categories of stock which can justify meal feeding. Supplementation of store cattle pre-housing or pre-sale is less likely to produce an economic return.

#### ● Ensuring Early Spring Grass

Areas most likely to produce utilisable early spring grass should be closed first starting in mid October. This will normally be first cut silage ground. Carrying heavy covers of grass overwinter is detrimental to sward quality in the following year and is not recommended. Graze all pastures to 6 cms, if possible plan to have early grass (i.e. close early) in convenient sheltered paddocks to facilitate early March turnout.

### DAIRY

#### Autumn Grass For Dairy Cows

At another stand in Kildalton budgeting Autumn grass for dairy cows was discussed.

#### Farm Grass Cover

This is a measure of the total amount of grass available on the farm. It is usually measured in kgs. of dry matter available per ha. (above 4 cms). Aim for an average cover of 1,100 to 1,200 kgs. DM/ha by early to mid September at 1.0 to 1.1 cows/acre. It should be possible to have adequate grass supply this year into October. Grass cover will decline from now on. The aim is reduce cover to 300 kgs. DM/ha by mid November.

#### Target Farm Grass Covers (Kgs. DM/ha > 4cms) September To November

Month	Target Cover
September	1200 to 1000
October	1000 to 500
November	500 to 300

Measuring covers is carried out with a grass cutter and quadrant or with a plate meter. Covers from paddocks at different growth stages are taken to obtain an accurate assessment of farm grass cover.

#### Cow Requirement

Dairy Cow requirements for grass is a function of cow body weight, current milk yield, stage of pregnancy and whether the cow is gaining or losing weight.

#### Dry Matter And Concentrate Intakes For Spring Calving Dairy Cows

Month	(Gals/Cow/Day)	Intake (Kgs./Hd/Day)	Concentrate Input (Kgs./Hd/Day)*
Sep.	3 - 4	16	0
Oct.	2.5 - 3.5	14	2
Nov.	2 - 3	12	1
Dec.	1.5 - 2.5	10	0

\*The overall milk quota situation on dairy farms must be considered in the context of use of Autumn Supplements.

#### Grass Allocation

Utilisation of grass in Autumn is often problematic because of a decline in ground conditions. Strategies to overcome poor ground conditions are being successfully implemented on many farms. These include -

#### Back Fencing

Protected grazed areas within a paddock or field from further trampling after it has been grazed.

#### Roadways/Cow Walks

Getting cows to and from their grazing area is an essential part of any autumn system. Aim to minimise the grass area being walked across. Cow roadways can be supplemented with narrower cow tracks where large fields such as meadows are being strip grazed.

## Weekend In Memory Of Local Poet

From the 3rd to 5th October special events will take place in memory of the great poet of the Déise, Pádraig Ó Mileadh. The local Comeraghs Comhaltas branch have an interesting programme organised, music and singing sessions, ceiliú, a commemorative lecture and a historical tour of Sliabh gCua and surrounding areas.

On Sunday, October 5th, Senator Labhrás Ó Murchú árd-stiúrthóir Comhaltas Ceoltóirí Éireann will lay a wreath at the plaque which was unveiled in honour of the poet in 1977. As well as being a poet, Pádraigh Ó Mileadh was of course a patriot who worked tirelessly promoting Gaelic Ireland. He was dedicated especially to our native language and his daughter the late Mrs. Hallahan and his grandson Monnie continued that tradition as teachers of music and dance.

The legacy of Pádraigh Ó Mileadh is that several generations in his native county have been exposed to many aspects of our traditional culture. This year is the 50th anniversary of the death of Pádraigh Ó Mileadh.

The work of Comhaltas parallels his work and it is the intention of the Comeraghs branch to create a greater awareness of this wonderful heritage in the

years ahead.

Songs and poetry have to some extent been left behind the tidal wave of our music and dance which has burst forth in recent years. The writings of Ó Mileadh were published in three books and he also made a major contribution to the collection of local folklore.

A lecture on the life and works of Pádraig will follow the official opening at 8 p.m. in Kilbrien Hall on Friday, October 3rd. The lecture will be given by Nioclás Mac Craith, údar agus scoláire. There will be a wine and cheese reception, fáilte roimh gach.

This will be followed by an Oíche Gaolach in Queallys, Bohadon at 9.30 p.m. There will be sessions in Dunfords and Dunnes, Tuar an Fhiona on Friday and Saturday nights. A ceilí dance workshop will be given by Monnie Hallahan in the Community Hall, Toura-neena from 10 a.m. to 1 p.m. on Saturday.

A bus will leave from Bearys Cross at 2 p.m. on a historical tour of Sliabh gCua. There will be a ceilí in the Community Hall commencing at 9.30 p.m. on Saturday night music by Ceoltóirí Phortláirge. See next week's issue for further details.

# RECENT DEATHS

## Mrs. Nan Navin (née Mulcahy)

The passing of Mrs. Nan Navin at Drumhills Private Nursing Home on Saturday, September 13, was the source of much sadness and sorrow. Aged 83 years and a native of Mitchel Street, Nan resided for most of her life at 3, Murphy Place, Abbeyside. A member of a well known family, Nan was the last surviving member of that household. For the past four years she enjoyed the love and care of Tom and Joan O'Leary and staff at Drumhills.

We tender our condolences to her son Michael, daughters Anne and Rose, her son-in-law Fintan Butler, daughter-in-law Catherine, her grandchildren Niamh Hannon, Gerard and Owen Butler, Patrick and Simon Navin, her nephews, nieces, relatives and friends. We especially think of Dec and Nellie Mulcahy who were so good to Nan over the years.

On Sunday evening Fr. Michael Kennedy, C.C., recited prayers at the nursing home after which Nan's remains were brought to St. Mary's Parish Church.

Fr. Keogh, C.C., Abbeyside was Mass celebrant on Monday morning at which the Liturgy of the Word was read by grandsons Gerald and Owen Butler. After the Requiem Mass the interment took place in the adjoining cemetery. May Nan rest in peace.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Paddy Moylan

We write with feelings of profound sadness and great sorrow on the unexpected passing of Mr. Paddy Moylan, Mary Street, Dungarvan, which occurred on Tuesday, September 9. In his late 70's, Paddy was a well known figure in the locality where he hailed from one of the best known families who

are held in high esteem.

In his early days Paddy worked on many building projects in London where his family ran their own contract business. Later he came to take up residence in Tramore where he bought and subsequently sold the well known "Dolphin Bar."

On his retirement he lived in Boreenatra, back indeed to his roots! Paddy was nephew of the famous Christy Moylan of All-Ireland hurling fame and of Kitty Attridge, Keating Street who, with her husband Willie ran a most successful vegetable/fruit business. Sadly all have taken their leave of us and now enjoy their eternal reward. Indeed Paddy was a great follower of Gaelic games before emigrating.

We offer our sympathies to Paddy's wife Chrissie, sons Timmy and Paddy and all his family relatives on their sad loss.

On Thursday evening Fr. G. McNamara, C.C. recited rosary and prayers at the Kiely funeral home, after which the funeral cortege left for St. Mary's Parish church. A huge concourse of mourners was present on Friday morning for the Requiem Mass which was celebrated by Fr. McNamara for the happy repose of Paddy's soul. It was almost midday when the beautiful mahogany casket bearing Paddy's remains was laid to rest in the Moylan plot in the adjoining cemetery. Very many beautiful tributes were placed on the grave.

Many of Paddy's family travelled from England to pay their last respects to Paddy. May his soul rest in peace.

Chief mourners — Chrissie (wife), Paddy and Timmy (sons), Mikey (brother), Josie, Rita and Molly (sisters), Christina, Brian, Michael and John Paul, Ailish, Paul, Katie and Daniel (grandchildren), Maria and Pat (daughters-in-law), nephews, nieces, relatives and friends.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Roy Robinson Kidd

With great sadness we write on the passing of Mr. Roy Robinson Kidd, Tower House, Reading Road, Shiplake, Henley-on-Thames, Oxon, on September 5. Aged 55 years, Roy was married to Bridget (née Kelly) who has many connections with the West Waterford area. Bridget is sister of Liam Kelly, Vega, Helvick, Tomás, Ballyreilly, Helvick, Paddy, Ring and Frankie in Australia, Mary Harty (Seaview, Ring), Kathleen Hayes (Helvick), Rita and Nellie (Dublin). Indeed many of the above relatives travelled to Shiplake for the funeral obsequies.

Roy and Bridget ran a most successful carpet and tile business in Dublin for some years before they returned to England where their private nursing home in Shiplake became very well known for the hospitality, care, thoughtfulness and attention shown to patients.

Both always looked forward to their annual holiday in Ireland and had plans to retire in the not too distant future to West Waterford, but it was not to be!

A keen sportsman, Roy was a great favourite with everybody who had the pleasure of his acquaintance. May we offer our deepest sympathy to his wife Bridget, family Saffron, Darrell, Sinéad and Dean, grandchild Amy, mother Margie, brother Jeff, sister Pat, son-in-law Jim and his other relatives on their loss. "Sleep, perfect sleep."

On September 10 the funeral took place to Shiplake Parish Church where the service was conducted by Rev. Cannop Price and Fr. Wilcox. Vanessa Brown sang Panis Anglicus and Amazing Grace while a moving, personal tribute was delivered by Roy's great friend Matt Corcoran. After Service the interment took place in Shiplake Parish Cemetery.

'Abide with me, falls the eventide,

The darkness deepens, Lord with me abide.'

(Obituary by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mrs. Cora Knox (née Walsh)

It is with great sadness that we record the death of Mrs. Cora Knox, Friary Street, Dungarvan and Slieverue which occurred on Wednesday, September 10 in Waterford Regional Hospital.

Second daughter of the late Tommy and Hanna Walsh (née Cullinan), Cora is survived by her sorrowing sister Mary Walsh to whom we offer our deepest sympathy. Widow of Jack, Cora was pre-deceased by her sister Nora and brother Paddy.

Born in Friary Street, Dungarvan on June 6, 1914, just three weeks before the outbreak of World War 1, she saw many immense changes during her lifetime.

Having trained in Waterford, she nursed in London for most of World War 11, then returned to Lismore and was one of the staffers chosen for the new Ardkeen Chest Hospital opened by Dr. Noel Browne for the eradication of TB. She remained there after it became a general hospital, and is fondly remembered for her many outstanding qualities.

'If you didn't understand something, Cora would not give out to you, but take you under her wing and patiently show you how to do it right. We were never afraid to ask her anything,' explains a former student nurse.

Blessed with a sense of optimism, fun, humour and spirit of adventure, Cora loved to travel. Her first overseas trip was an overland journey to Rome in 1950, the Holy Year. A member of the Gramophone Club in Dungarvan, one of her last theatrical outings was to the Kirov

Ballet in Waterford, on the eve of a hospital appointment. Active in the Slieverue branch of the Legion of Mary, she went on missions to inner cities in the UK where her gentle kindness was appreciated. She enjoyed country life and treasured the years spent with her late husband Jack on their farm in Nicholastown, Slieverue and the many friends she made there in Co. Kilkenny.

Cora did not enjoy the best of health in recent years and was cared for by Joan and Tom O'Leary and staff of Drumhills Private Nursing Home, where her pain and discomfort were minimised by their kindness and affection. She was a person who exuded a ladylike quality which was al-

ways returned in abundance to her throughout her eighty-three years on earth.

On Thursday evening, Fr. Tom Murphy, C.C. recited rosary and prayers at Power's Funeral Home in Ferrybank, after which the large cortege left for the Church of the Assumption, Slieverue.

At Requiem Mass the following morning the readings were shared by grandniece Ciara Langan, grandnephews Brian Walsh and Oisín Langan; Joan Clancy (niece) read her own adaptation of Candle in the Wind. Cora was laid to rest beside her husband Jack in the Knox family plot in the adjoining cemetery, in the presence of a huge concourse of mourners of all ages, a testimony to her great popularity.

Chief mourners — Mary Walsh (sister), Thomas Walsh (nephew), Joan Clancy, Patricia Langan (nieces), Brian and Neil Walsh, Shane and Oisín Langan (grandnephews), Blawnin, Rayleen and Rosemary Clancy, Ciara Langan (grandnieces), nephews-in-law, nieces-in-law, first cousins, relatives and a vast circle of friends.

(Funeral arrangements by Thomas Power, Undertaker, Ferrybank, Waterford.)

## Mrs. Nuala Josephine Power (née McMahon)

It is with profound regret that we record the passing of Mrs. Nuala Power, of 76, Congress Villas, Dungarvan, a native of Newry, Co. Down, who died on Wednesday, September 10, at the early age of 52. Nuala was a very outgoing lady whose popularity and kindness was as well known in her hometown of Newry as it was in Dungarvan.

Educated at the Sacred Heart Convent in Newry, Nuala sang in the Newry Musical Society, the Dominican Choir, Newry and in Abbeyside Choir. She worked in Warrenpoint Health Centre for 20 years

and was well liked by all those with whom she came in contact. Nuala will be best remembered for her kind and gentle nature and will be deeply missed by her loving family and friends. May she rest in peace.

The removal was from Drohan's funeral home on Thursday evening to St. Mary's Parish Church, Dungarvan, where the remains were blessed on arrival by Fr. Kennedy, C.C.

The funeral Mass took place on Friday morning and was celebrated by Fr. Kennedy, who also officiated at the graveside when the burial took place in the adjoining cemetery. Appropriate music was rendered by Jim Keohan.

Chief mourners — John (husband), Desmond and twin Liam (brothers), Patricia (sister), brothers-in-law, sisters-in-law, aunts, uncles and cousins, relatives and friends.

Hand in hand in the after-life,

You walk today with God.

Where destiny brought you,

Face to face with God.

Embrace in eternal life,

Where your soul rests with God.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Mr. James (Jim) Riordan

With sadness we record the passing of Jim Riordan, 10, McCarthyville, Abbeyside, which sad event occurred on Wednesday, September 17. Removal was from Drohan's funeral home on Friday evening to Abbeyside Church. Following funeral Mass on Saturday morning burial took place in the adjoining cemetery.

# Enterprising Students Mean Business

The summer holidays are over and the school gates are open once again and for many students adventure and excitement is just beginning. All transition year students and many others in schools across the city and county have the chance of becoming involved once again this year in the Schools Enterprise Programme. What is it? you may well ask. It is a chance for second level students to

learn about running a business first hand, and those who wish may enter their business idea in the National Young Entrepreneurs competition and gain both experience and fame.

Last year over 400 students throughout Waterford set up almost 100 companies. The standard of business was very high with three Waterford groups taking prizes at the regional finals. Netsurf from the

CBS, Tramore, took first place in the senior category, while Melting Moments from the Presentation Convent, Lismore, took third place in the same category. Tourweb, also from the CBS Tramore, took first place in the intermediate category. Once again, Waterford's representatives displayed the high quality of businesses in the county by taking third place in the national finals. Many other groups set up businesses but chose not to enter competitions, allowing themselves their profits and experiences as their rewards.

This year promises to be even bigger with more schools and more students participating in the programme, gaining knowledge and skills which are not only invaluable to their studies at school, but preparing them for life after second level and giving them choices they may never have known existed. Learning through experience allows students to use their own initiative and skills to stand on their own two feet and prove that the 'youth of today' have a lot to offer.

The members of the Schools Enterprise Group, i.e. Waterford City and County Enterprise Boards, Waterford Area and Waterford Development Partnership Boards, and The Chamber of Commerce, feel that the experience gained by the students will be invaluable in their preparation for the future. That is why they initiated and funded a programme which is blossoming, in the belief that it will nurture and develop the young people throughout the county — the business people and developers of the future.

In the coming weeks the Schools Enterprise Co-ordinator, Tara Shine, will be calling to all schools throughout the city and county to speak to all those students who wish to become involved and those who have already begun in their search for the perfect business idea. She will assist and guide all of those involved, helping them to gain the most from the programme.

For further information ask at your local Second Level school or call Tara Shine, Schools Enterprise Co-ordinator at the Waterford City Enterprise Board 051-52883.

## Champion Mountain Biker With County Waterford Connections

One of the top contenders in last Friday's World Mountain Bike Championships in D'Oex, Switzerland has family connections with the Dungarvan area.

Seamus McGrath of Flamborough, Canada is grandson of the late John McGrath, Ballinameela. His father Jim also hails from Cappagh and is first cousin of James McGrath, Ashley House, Ballinameela. Meanwhile, Seamus's granduncles, Redmond and Michael McGrath, reside in Clashmore.

Entering in the newly created u-23 category, Seamus represented Canada with pride on his 24 pound titanium Kona bike, competing against top riders such as Australia's Cadel Evans and Miguel Martinez of France.

Although hoping for a top five finish, Seamus was cautiously optimistic about his chances of winning the famed World Championship 'Rainbow Jersey'.

One of a family of four, Seamus began his long trek to glory on neighbourhood trails seven years ago and entered his first competitive race just 5 years ago. Since then, his travels on the international circuit have taken him to Australia, New Zealand, Europe and across America.

His training includes intense weight lifting in the off-season and over three hours of riding per day during the season.

For those wondering how to get themselves to such a highly competitive level, Seamus says, "just ride your bike a lot, be familiar with being on it and just be prepared to live in the saddle".

# TALLOW NOTES

## BRIDEVIEW UTD. A.F.C. NOTES

TONY BOLGER CUP

### Curley And Henley In Top Form

Both of Utd.'s teams were in action on Sunday last in the Tony Bolger Cup. Our Division 1 side had a very convincing win at home to Araglen. Here Philly Curley grabbed four goals while Dermot Henley scored a hat-trick.

Our Division 2 side went down by the odd goal in three.

#### Results

#### Brideview Utd. A 7 Araglen 0

Utd. hit top form against a very much understrength Araglen side on Sunday evening last. The homeside went in front in the 15th min. when John Doyle set up Philly Curley to open the scoring. Stephen Pratt set up Curley for goal number two in the 25th min.

Utd.'s third goal was a beauty when John P. Grey sent Dermot Henley free down the right and Henley's shot gave the Araglen 'keeper no chance. This goal came just before the break and Utd. led 3-0 at the break.

Utd. kept the pressure on the visitors defence in the second half and further goals from Philly Curley (46th min. and 53rd min.) and Dermot Henley (51st min. and 76th min.) saw the homeside clinch the points.

The lads can feel pleased with themselves to date with two wins and eleven goals to their credit. This, despite being short so many of the first team players, all out injured at the moment.

Team: B. Sheehan, B. Henley, T. Sheehan, G. Sice, J. Doyle, J. P. Grey, R. Henley, S. Pratt, P. Curley, D. Henley, M. Hartnett.

#### Brideview Utd. B 1 Inch 2

Utd. can feel pleased with their display at home on Sunday morning. At this stage of the season, manager Liam Fraser is using these games to try out some players. Fraser has a big number of players signed but the problem now is to come up with a settled side and 23 players battling it out for places on the side.

Utd. had just two chances in the opening half, the first after 23 mins. when Donnelly shot wide and James Beecher shot over. At the break the sides were still scoreless.

Inch went two goals up. The first came in the 16th min. and the second after 35 mins. A Tomás Cunningham cross was headed home by William Murphy in the 89th min. but time ran out for Utd.

Team: J. Fitzgerald, J. Power, E. Cunningham, D. Doyle, M. Tobin, L. Aherne, J. Beecher, W. Murphy, T. Mulcahy, T. McCarthy, B. Donnelly. Res.: F. O'Gorman, P. Cronin, T. Cunningham (all used), S. Pratt, S. O'Brien.

#### UNDER-12 LEAGUE Marvellous Fightback By Utd.

#### Brideview Utd. 3 Valley Rangers 2

What a game this turned out to be for the fair sized crowd on Thursday night last in Tallow. This was a game that had everything - goals, goalmouth thrills and plenty of skillful football. The first half saw the visitors on top and scored twice in this opening half. Utd. did have chances in this half also and Mark O'Brien, William Curley and Rory Brown all missed chances but Rangers went in at the break leading 2-0.

Utd. came into the game 4 mins. into the second half when Rory Brown beat two defenders and shot home a great goal. This lifted the Tallow side and they piled on the pressure. Rangers defence stood firm however until the 44th min. when a great cross by Mark O'Brien was crashed to the Rangers net by the in-rushing Kieran Herlihy.

A minute later a great shot by Kieran Norris just went over the bar as Utd. now took the game to the visitors. The winning goal came in the 48th min. when another great cross, this time by William Curley, fell to Mark O'Brien who sent in a great shot that ended up in the Rangers net much to the delight of his team mates and supporters.

Rangers tried hard for a goal that would have given them a share of the points but Utd.'s defence held out and the final whistle sounded shortly afterwards. A marvellous game this from two great sides.

Manager Mickey Curley was delighted with this display from his young lads. They showed plenty of spirit tonight, stated Curley. They looked dead and buried when they fell two goals behind but they lifted themselves in the second half and we just about deserved our victory.

Team: S. Power, W. O'Neill, S. Giles, A. Goulding, K. Casey, R. Geary, M. Curley, K. Norris, M. O'Brien, R. Brown, W. Curley. Res.: K. Herlihy, J. O'Neill, K. Ryan, T. Hallahan, P. O'Brien, C. Hickey.

**News To Hand** — My spies were out again last week after their holidays and had plenty to report. First into action this week is one of the committee who fell foul of the chairman. Yes it does seem that it's affecting his attendances at meetings over the last month or so due to love and his fellow committee members felt he was due a mouthful from the chairman. This lad has promised to attend all meetings from here on in.

Parties are all the go now or so we are told (well we have not been invited to any yet). Rumour has it that last Sunday night's party was the last one for the foreseeable

ha ha ha !!

One of our Division 2 players is also very much in love but thankfully it does not seem to be affecting his performance on the field but it's early days yet.

One of our Division 1 players is playing the field at the moment. I understand he is very fond of tattoos !! The parcel he got last week may well have told all. I am keeping a close eye on this one.

**Wedding Bells** — Congratulations to Martin Conroy and Patricia Slattery who got married in Tyrrellpass last week. The reception was held in Mullingar and the Tallow crowd had a ball. Our new centre-half looked lovely in his suit. One had to look at the photo a second time to make sure that it was him. Isn't that right, Ea-

## TALLOW JUVENILE G.A.A.

**Under-14 Peil** — Tallow was the venue for last Monday evening's clash between the Brickeys and the homeside in the fourth round of the above competition. It was a mild evening with little or no breeze - ideal for good football.

The Brickeys were the first to open the scoring with a point but Michael Keating equalised from a placed ball a few minutes later. The opposition went in front again with a well taken point from their full forward but Paul O'Brien, who was working tremendously at half-forward, retaliated to lead the scoring again. They were to remain like this for quite a while until Paul Kearney, fielding magnificently in midfield, notched up another point for the homeside. Tallow could have gone behind on several occasions if it wasn't for a wholehearted effort from our smallest defender, Mark O'Brien. He hassled and harried, caught and chased every ball that came anywhere near the full-back line, holding his man scoreless throughout. This defending seemed to inspire the rest of the lads and a ball from Dermot Casey, defending very well in the half-back line, was carried on by Paul Kearney to Paul O'Brien and onto Michael Keating who took a shot on goal which was stopped by the goalkeeper but lashed in to the roof of the net by a quick-thinking and alert corner-forward, Ailish Clancy. The visiting side were not about to give up though and laid siege on the Tallow goal again. A quickly taken free ended up inside our full-back line but again young Mark O'Brien was on hand to assist goalie Patrick Sheehan who made a fabulous save under great pressure and cleared his line. Aidan Kearney, defending wonderfully in the half-back line, made himself available to bring the ball up the field and out of any danger for the Tallow boys. Andso the homeside went in a goal up at half-time 1-3 to 0-3.

A severe reprimand at half-time saw the boys lift their game in the second half and play the type of football they're well capable of but didn't play in the first half. They moved the ball quickly, supported each other, held possession and succeeded in raising the green and white flags on several occasions. It was great to see both teams play some very attractive football but on the night the Tallow lads got the breaks which, on another night, may have gone the Brickeys way. A free awarded to Michael Keating was put neatly between the posts followed by a 20 yard run by Michael Norris ending up over the bar and the ever reliable Paul O'Brien finished the point scoring for this game. A ball sent in by Brian Walsh, who was coming into his own now, was saved but quickly sent to the top corner by William Curley. Michael Keating took on the defence and goaled (2) again to leave us convincing winners in the end 4-6 to 1-5.

As already stated we got the breaks on Monday night and didn't squander any chances. On another night who knows ?!! Another good team performance which now leaves us with one more game in the league. This is at home to An Gaeltacht next Monday evening at 6.30 p.m. Training tomorrow (Thursday) at 6.45 p.m.

Full team: Patrick Sheehan, Pat Aherne, John Feeney, Mark O'Brien, Dermot Casey, Brian Walsh, Aidan Kearney, Seamus Mills, Paul Kearney, Paul O'Brien, Michael Norris, William Curley, Ailish Clancy, Kieran Henley, Michael Keating, Kieran Norris, Robert Geary, Kate Ryan, Michael Curley, Eamonn Forbes.

**Under-12 Football** — We played our first game in the above competition against An Rinn last Wednesday evening. The boys played some lovely football with Kieran Norris and Robert Geary outstanding in defence ably assisted by Mark O'Brien, Colm Hickey and Michael Curley up front. Eamonn Forbes brought off a few terrific saves but it was An Rinn who struck lucky in the last few minutes when we conceded an unlucky goal and therefore lost out by a solitary point.

Our next game is at home to Abbeyside this evening (Wednesday) at 6.10 p.m.

Under-12 panel: Eamonn Forbes, Kieran Casey, Paul Forbes, Raymond O'Brien, Padraig O'Brien, Robert Geary, Kieran Norris, Mark O'Brien, Kate Ryan, Michael Curley, William Curley, Tanya Hallihan, Colm Hickey, Mark Cashman, Eric Hickey, James Hampton, Jamie Ryan, Derek Rohan, Eoin Condon.

Our thanks to Paul and Mickey who transported and supported the lads on Wednesday night.

BY DR. DAVE BARRY

**Q.** I am plagued by a terrible crampy pain in my tummy. It can be quite severe and agonising. It comes on suddenly and only goes away when I pass a bowel motion. The bowel motion can be hard or soft, it doesn't make any difference to the pain. Taking pain killers doesn't make any difference to the pain. I am only 23 years of age and I'm terrified it might be cancer. Please tell me I'm going to be all right.

**A.** From your description it sounds as if you might have a condition called Irritable Bowel Syndrome, IBS for short. It is a very common condition and a complete nuisance. It should not be mixed up with any more serious diseases. IBS is not linked to, nor does it lead, to any serious illness. The

intestines are like a muscular hollow tube; just as an athlete can get a cramp in his muscles, so also can the muscles of the intestines get a cramp which is felt as a spasm. You have described some of the symptoms very well. Other symptoms people suffer from, include passing wind, having diarrhoea, being constipated or

feeling they haven't completely emptied their bowels even though they have passed a bowel motion. They may also pass a lot of mucus or feel very full and bloated. Unfortunately there is no single cure for IBS, but the symptoms can be controlled to some degree. While no single cause for IBS has been found, stress and lack of fibre in the diet are suspected as contributing to the problem. Stress is part of everyday life but too much stress can result in headaches in some people and IBS in others. While you cannot eliminate stress

totally from your life, you can learn ways to cope with it. Firstly slow down, allow more time for journeys and take your time eating meals.

Secondly find 10 or 20 minutes to yourself during the day in a quiet place and wind down. Get a book or tape on relaxation techniques and use it.

Thirdly get some exercise every day, for example a short walk. Fourthly eat foods with plenty of fibre: fresh veg, wholemeal bread etc. Don't eat too much fat or sugar, for example cut down on fried foods, cut the fat off meat, cut down on cakes, biscuits, sweets and chocolate.

You may be able to get some relief by changing your lifestyle but, you may not be able to get rid of the symptoms altogether. Your doctor may have to give you some medication to control the spasm and relieve the pain. Be sure to take the

medication as directed. Note any changes to your diet and see how they affect your body.

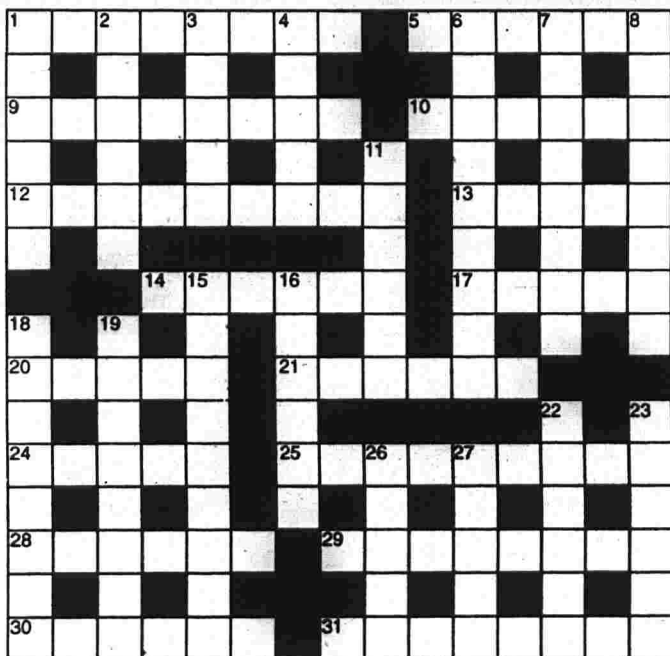

**HOUSEHOLD TIPS**

1. After mincing meat, put a slice of bread through the mincer. It will clean a lot easier.
2. To remove plasticine from your child's clothes rub washing-up liquid into the stain. If the stain is stubborn - treat with a grease solvent, rinse, then wash.
3. A light scorch mark can be removed by soaking the area in cold milk as soon as possible.
4. To restore socks to their former whiteness, add a teaspoon of bicarbonate of soda to the water you are washing them in.
5. If you have left something heavy on your carpet and it is flat, you can revive it by leaving an ice cube on the spot overnight. The following day Hoover the carpet using the suction nozzle.

**A THOUSAND WAYS TO IMPROVE YOUR IMAGE**

## Beauty basics

**ESSENTIAL OILS**  
Over the next few weeks we will be dealing with essential oils and their uses.

**Camphor:** Camphor is a tall evergreen tree which bears clusters of small white flowers and red berries. Long ago a lump of camphor would be worn around the neck as a preventative measure against infectious disease. It was also used as a preventative for nervous and respiratory diseases.

There are three different types of camphor. Brown and yellow camphor are toxic and should not be used either internally or externally. White camphor on the other hand is non toxic and can be used in aromatherapy. In skin care it is used to treat acne, spots and oily skin conditions. Camphor can also be used to treat such conditions as rheumatism, sprains, muscular aches and pains. Colds and stuffiness are often treated with camphor, it is fast acting and will often abort a cold in the early stages.

**Eucalyptus:** Eucalyptus oil is especially used for respiratory problems such as croup and bronchitis. The eucalyptus leaf when dried can be smoked like tobacco for asthma. There are hundreds of different species of eucalyptus. These can be divided mainly into three groups, medicinal, industrial and perfumery oils. Eucalyptus is non toxic when used externally, but is fatal taken internally. Skin infections, burns and blisters can be treated with eucalyptus. Like camphor, eucalyptus oil helps muscular aches and pains, arthritis and sprains. Respiratory problems such as coughs, throat infections, asthma and bronchitis may be relieved with the use of eucalyptus oil. **Note:** Always consult a qualified aromatherapist before using an essential oil to treat any complaint.

### Chicken with a bacon and sage stuffing

**Serves:** 4-5  
3 1/2 lb (1.75kg) oven-ready chicken  
4 oz (125g) leeks, washed and finely sliced  
4 oz (125g) medium oatmeal  
2 oz (60g) suet  
1-2 rashers bacon, chopped  
1/2 level teaspoon chopped sage  
Salt and ground black pepper  
*Wipe the oven-ready chicken.*  
**To make the stuffing:** Mix the leeks, oatmeal, suet, and chopped bacon

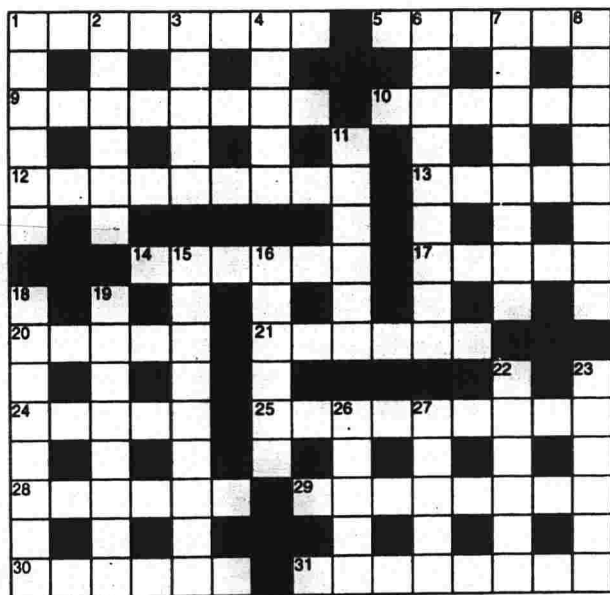

pieces. Add a sprinkling of water, about 1-2 table-spoons, and the sage, then season well. Spoon the stuffing inside the body cavity. Truss with string or skewers - the oatmeal will swell and absorb moisture and juices as the chicken cooks. Set the oven to moderately hot, Gas Mark 5 375°F/190°C. Place the chicken in a lightly oiled roasting tin, and cook for about 1 1/4 hours, or until the juices run clear when the thickest part of the chicken is pierced with a skewer.

## Tropical Pavlova

**Preparation:** 15 minutes  
**Cooking:** 1 hour, 15 minutes  
**Serves** 8

3 egg whites  
175g/6 oz caster sugar  
1 tsp cornflour  
1/2 tsp vinegar  
few drops of vanilla essence  
**Filling:**  
300ml/1/2pt double cream  
2 tbsp Kirsch (optional)  
1 tbsp icing sugar  
1 kiwi fruit, halved and thickly sliced  
1/2 mango, peeled and sliced  
2 slices fresh pineapple, skinned, or 3 canned pineapple rings, drained, cut into small wedges  
50g/2 oz black grapes, halved and seeded  
2 passion fruits  
icing sugar to dust

stiff. Add half the sugar 1 tbsp at a time, whisking well after each addition. Add the remaining sugar and whisk again until smooth and glossy. Fold in the cornflour, vinegar and vanilla essence. Spoon the meringue on to the prepared baking sheet and spread to the shape of the rectangle. Make a slight hollow in the centre to hold the filling. Bake in the preheated oven for 1 1/2 hours or until crisp. Leave to cool slightly. With the lining paper still on, transfer to a wire rack to cool completely. Place the cream, kirsch (if using) and icing sugar in a bowl and whip until the cream holds soft peaks. Peel off lining paper and place meringue on a serving plate. Spoon the cream into centre of the pavlova and swirl with a spoon. Arrange the kiwi fruit, mango, pineapple and grapes on top. Halve the passion fruits and spoon over the seeds. Dust the top with icing sugar.

**SAGE OR SALVIA**

The herb sage, commonly found in the kitchen, has been used in health-care for centuries. Sage is a leafy bush with small purple flowers and is grown in many Irish gardens. Sage's botanical name is a clue to its medicinal importance. Salvia comes from salvare, meaning "to cure" in Latin. A medieval saying echoes this: "why should a man die while sage grows in his garden?" Today, sage is an excellent remedy for sore throats and mouth infections when used as a gargle. Internally, it can be used by the more mature woman undergoing changes. Sage maintains bodily comfort and a normal perspiration — brilliant for hot flushes. # WEST WATERFORD NOTES

## CLASHMORE SOCCER NOTES Bad Week For Ramblers

We had three games this week and were beaten in all three.

### Under-12 League —

#### Clashmore Ramblers 0 Ardmore 4.

Once again we found Ardmore too good for us and were swept aside in the second half by three Ardmore goals. Ardmore are in a strong position now to win the league and our only hope now is in the cup. Our next game is away to Inch on October 4th.

### Under-14 Challenge Game —

#### Clashmore Ramblers 2 Ballybridge Utd. 7.

Our under-14 team played a challenge match against Ballybridge and learned their lesson the hard way when the hard working visitors overwhelmed us in the first half. We were 6-0 down at half-time but in fairness to the lads they never gave up and goals by Nick Beresford and Declan Allen gave us a lift before Ballybridge scored again in the last minute. Our under-14 team begin their league campaign next Saturday at home to Youghal. Kick-off 11.30 a.m.

### Junior Team — Clashmore Ramblers 1 Pinewood Rangers 2.

Ramblers slipped up after winning the previous week. After a scoreless first half, Paudie Allen put us ahead but Pinewood came back and won with two late goals. Next game is at home to Gortroe. Kick-off is at the usual time of 1.30 p.m.

**Membership** — Another reminder that all players must be fully paid up members to enable them to play. The club will be insuring every player this season and the costs must be met. It is up to the managers of the respective teams to collect the fees from each player.

## LATE MR. JOE McGRATH

One of West Waterford's best loved and widely known men passed peacefully to his eternal reward on Friday, August 29th.

Joe McGrath had suffered ill health for sometime, illness which he accepted with courage and great faith. Throughout the weeks and months prior to his death especially since the death of his wife Mary last December, Joe had the loving care and support of his family and good friends. Even in the final weeks before his death when he was lovingly cared for by the doctors, nurses and staff at Dungarvan Hospital, they were always there for Joe.

Joe McGrath was a man of immense talent, truly gifted and could turn his hand to just about anything. He started out in life as a carpenter following in the traditions of his father. In the earlier years he worked at Waterford Co-Op. He then set up shop at home in Curradarra repairing agricultural machinery and water pumps. Joe and Mary also farmed their lands and they always enjoyed their work and took great care to do a good job. Joe was industrious and well organised and always found the time and willingness to help out a neighbour or friend.

Joe and Mary took an active interest in the local community. Joe turned his favourite hobby, a keen interest in vintage cars and engines in to a huge community fundraiser when he founded the Aglish Vintage Rally. The Rally was a huge success and became an annual event supporting many local charities.

Joe had many collectors items and he travelled up and down the country to all the various rallies. How fondly we remember Joe and Mary on one of the great days of vintage for them when they took part in the Vintage Rally prior to the Eurovision in Millstreet.

Joe continued his active interest in all things vintage right to the time of his death. He was the proud owner of many vintage cars and an active member of Youghal Vintage Club.

On Sunday evening his removal took place from Dungarvan to Aglish Church. The remains were met and blessed by Fr. Lucey and Fr. John Treacy.

It was a very fitting and touching tribute to Joe that following requiem Mass, a guard of honour was provided by members and friends of vintage clubs from as far

as Dorset, England as Joe was taken to rest peacefully in the adjoining cemetery.

Our deepest sympathy to his daughter Marie, relatives and friends.

## LATE MR. JOHN CASHMAN

With deep sadness we record the death of retired teacher and principal of Ardmore and Grange National Schools, Mr. John Cashman, Rocky Road, Ardmore.

John was a man greatly respected by all in this community. He was a man who took great pride in his profession and all those who sat in his classroom down through the years hold him in very high esteem.

Predeceased by his wife some time ago, John did not enjoy the best of health in recent months during which time he was cared for by the Matron and staff at the Sacred Heart Convent in Youghal. It was here his death occurred last week.

His removal took place from his home to Ardmore Church and following requiem Mass, John was laid to rest in St. Declan's Cemetery.

To his family, our deepest sympathy. Ar dheis Dé go raibh a anam.

## HAPPY EVENT

Belated congratulations to Ardmore couple Angela (nee O'Mahony), Piltown and her husband Philip Mulcahy, Ardmore on the birth of their little baby girl Joanne recently. Good wishes from all your family and friends in Kinsalebeg.

## CLASHMORE RAMBLERS JUNIOR SOCCER NEWS

**Clashmore Ramblers v Pinewood Rangers** — On Sunday last we were at home to Pinewood Rangers. The first half was even enough with both sets of defenders well on top of things. In the second half Clashmore started to get on top and after 15 mins. Paudie Allen had a shot from 20 yds. to open the scoring.

Pinewood were level on the half hour from an indirect free-kick inside the box. Clashmore had several chances with Frannie O'Rourke going closest hitting the crossbar. However Pinewood got the winner in the last minute of the game. Best for Clashmore were Eoin Power, Matt Power, Brian Murray (man of the match) and Micheál Costin.

**Training** — Training for Clashmore Ramblers junior players on Wednesday night at 7 p.m.

## Brickey Rangers GAA Notes

### UNDER-10 HURLING TOURNAMENT

Our under-10's travelled to Touraneena on Saturday last for the Naomh Brid Under-10 Tournament. In our first game we played Fourmilewater. The boys had a good start and won their first match. Our next opponents were Dungarvan and after a very close game, we lost by 2 pts. We were then through to the semi-final and our opponents in this were Naomh Bríd. We played some excellent hurling in this game and came out on top which put us through to the final.

Our opponents in the final were Cappoquin. These were two very evenly matched teams with the score level at full-time. We then went to extra-time and again after 10 mins. the scores were still level. It was then decided that the first score would win the match. The boys played with great determination and scored the all-important goal to win the match. Our capt. Johnny Cooney then received the cup and all the panel were presented with medals. This was a great performance by our young team with everyone giving 100% on the day.

Panel of players: Kieran Gee, Shane Tobin, Ciarán Lane, Richard Lenane, Johnny Cooney (capt.), Andrew Murphy, Conor McGrath, Cian Kearney, Conor Nugent, Colin McGrath, Trevor Whelan, Gavin Flynn, John Cummins, Stephen McCarthy, Shane Kearney.

We would like to thank Naomh Bríd for inviting us to their tournament. It was a very well run tournament and a great day was had by all.

### UNDER-12 FOOTBALL

Our next game of the championship is against Ballyduff in Bushy Park at 6.30 p.m. on Wednesday next.

### UNDER-14 FOOTBALL

We played our fourth game of the championship on Monday last in Tallow. This was a very disappointing performance and a big improvement is needed if we are to stay in the championship.

# Brilliant Drugs Presentation By Pyramid Theatre Company

"What we saw and heard tonight should be compulsory for every parent in the country", was how one very satisfied parent summed up the visit and performance of the Pyramid Theatre Company from Wales who had just presented their 90 min. production entitled "Other People's Children" to a relatively small, but very interested and enthusiastic audience in Ard Scoil Na nDéise.

Amongst the attendance were representatives of the second level schools of the district, local youth organisations, the Gardaí, civic officials, parents and young people.

The presentation opened with a slide show of drug-related headlines and media stories which set the scene for the live performance by a narrator and four very talented actors. The performance dealt most effectively and demonstrated very practically the lack of communication around the subject of

Front row (l. to r.) Teresa Wright, Peggy Power; back row — Chris Grizzen, Production Manager of the Pyramid Theatre Company, Triona Quinn, Anne Wyer, Tony Barden, S.E.H.B. —(Photo: Pat Crowley).

drugs in the average family today and it attempted, quite successfully, to persuade parents of the need to know more about the subject and to talk to their children without over-reacting.

The aim of the presentation

was -

- \* to help parents and other adults understand their role in preventing drug misuse.

- \* to tackle the lack of communication between young people and their parents/adults about drug abuse.

- \* to evaluate the impact of the programme.

Several credible family scenarios - indeed parents' worst nightmares in regard to drugs - were realistically presented and the views of the audience were then sought in dealing with the evident problems. The members of the Pyramid Company left nothing to chance and no one in the hall could have been left untouched at the end of their presentation.

Not only did they use their considerable acting talents to greatest effect, they also displayed a deep knowledge of their subject when called on later to ad lib the various solutions suggested by the audience.

So well were the various scenarios acted out and so realistic the atmosphere that the audience became part of the suffering family on stage and failed to applaud through the entire 90 mins. However when the company left the stage, they were treated to a resounding round of applause and were in no doubt that the audience had both enjoyed and appreciated what had gone before.

This was a very worthwhile exercise as a result of the combined efforts of the South Eastern Health Board, the Dungarvan Youth Resource Centre and the Pyramid Theatre Company. There was much to learn for those who were present and the beneficiaries have to be the young people of the district.

In closing, Dungarvan Youth and Community Worker, Triona Quinn thanked the Pyramid Theatre Company for an excellent drama. "I hope that we will

gain a few welcome tips from the performance and become more open to educating ourselves in the whole area of drugs," continued Ms. Quinn. "I say this because at present there is a very busy steering group working on running educational and preventative drug programmes with young people. But as a group, we feel it is important also for parents and adults in contact with young people to educate themselves properly in the subject."

She then announced details of the make up of the new Steering Company which as well as herself and Ms. Geraldine O'Keeffe representing Dungarvan Youth Resource Centre has among its members -

Garda JLO Eddie Fitzpatrick, Mr. Tony Barden, Health Promotion Unit Liaison Officer, S.E.H.B.; Ms. Teresa Wright, Ms. Peggy Power and Ms. Anne Wyer from the Social and Action Group, St. Mary's Parish.

This is a welcome initiative to combat one of the greatest threats to our society today and will surely attract not only the goodwill but also the active support of the public at large. It deserves the co-operation of all concerned members of our community.

## DUNGARVAN SEA ANGLING CLUB Tribute To A President

Con Hayes, our president, was laid to rest last Monday week, September 15 in a quiet and dignified ceremony attended by relatives and his many friends and in a location fitting for a lover of things maritime down near the sea wall to Western Bay.

While we shall grieve his loss we can also recognise that he lived a long, full and happy life, which as a consolation will help to ease the pain of loss. And indeed sadly he will be missed for I do not know of anyone to fill the role he played so selflessly and willingly.

My abiding memory of Con will be a short phrase: "I will." For no matter what chore or journey had to be undertaken, that was his standard reply. Another great attribute was his numeracy. He could remember times, dates and numbers like no one I have met, but it did not come into play when generosity in giving was concerned.

There are anecdotes and stories aplenty to be told and they will emerge in the appropriate circumstances. May he rest in peace.

## Enterprise Board To Assist Service Companies

It is a fact that service related enterprises represent 80% of all small industry. Their contribution as employers is enormous and so too are the challenges facing the sector.

Each service business owner — be it in legal services, hairdressing, beauty salons, medical services, the entertainment industry or whatever — must be able to successfully manage staff, manage finances, run a continual marketing campaign that keeps them in the public eye and ensures that the punter comes to their premises rather than next door. No easy task and the difficulties that many people encounter are reflected in the relatively high number of businesses which close down each year.

For those businesses that have been established for many years, as much as anybody, there is continual pressure to innovate and find new ways to reach the customer.

The Waterford County Enterprise Board very much recognises these challenges and is now offering an extensive management development assistance programme designed specif-

ically for the sector. The programme is designed to be flexible so that, while it offers an opportunity to work with experienced advisors in finance and marketing, the business owner can choose to spend all of the time available on financial matters which may cover everything from setting up a bookkeeping system to management accounts and financial planning (depending on the stage the business is at), or on marketing issues such as working on the image of the business, product lines carried, implementing price increases, getting the most from a sales campaign, customer service and so on.

It will run over a period of 6 months and will be chiefly based around one to one meetings between the expert adviser and the business owner/manager. There will also be a series of workshops on related topics which the participants may attend if they wish. The programme will be 90% funded by the Enterprise Board and for further details contact Mary Nolan on 058-44811.

### JUNIOR CERT RESULTS

Congratulations to all our Fourth Year students who received their Junior Cert results this week. The results were of a very high standard and all students achieved their potential.

### WATERFORD COLLEGES SENIOR FOOTBALL

#### St. Declan's 1-12 Mount Sion 1-1

St. Declan's began this year's senior campaign with a victory over Mount Sion in Mount Sion. The game was much closer than the scoreline suggests as St. Declan's played some mediocre football at times and were flattered by the result. St. Declan's led by 1-5 to 1-1 at half time with an opportunist goal scored by Brian O'Leary.

In a rugged second half the Kilmacthomas forwards added some good scores, while the defence showed improvement on their first half display. Allowing for this being their first game of the year, St. Declan's will need to improve considerably to be in contention for county and provincial honours this year.

Best for St. Declan's — D. Hearne, T. Costelloe, G. Power, T. Curran.

# TOURANEENA NOTES

## SLIABH gCUA/ ST. MARY'S G.A.A. CLUB NOTES Nire Win Junior Tournament

On Saturday evening in Kirwan Park the Nire B beat Kilrossanty B in the final of the Centenary Cup. The club's committee would like to thank Joe Coffey for his generous sponsorship for this tournament.

**Déise Draw** — All promoters are asked to have their members' money in with Sinead for the next Déise Draw by the weekend.

**Under-10 Hurling Tournament** — A nice sized crowd gathered in Kirwan Park on Saturday for the first ever Under-10 Hurling Tournament. It was particularly nice to see so many club players at the game and older players of the Naomh Bríd Club at the games. These players will have seen the appetite these young players have for hurling. Hopefully these players and others, now that they have seen the young boys in action, will help out in giving further education in Gaelic games to the young Naomh Bríd players.

**Best Of Luck** — We wish the best of luck to the boys school league football team who start the school league football Group D this week. Touraneena will have their best chance of winning the league in along number of years this year. The boys play in a 7-A-Side Competition playing in the league section against Old Parish and Ballinameela.

The boys have a strong panel of players to choose from. Players like Jack and Willie Power, Tristan Hickey and Seamus Power have been in the team for a few years and will be joined by Shane Hickey, Aidan Hickey, Pat Murphy, Mikey Myles, James Cliffe, Finnian Grace, Robbie Power who all played last year as well as younger players like Diarmuid and Eoin Walsh, John and Niall Power and Jamie Cullinane who all could be added to the panel.

Most of the boys will be keen to add to their football honours. Many of the above are bidding for a second successful under-12 medal with Naomh Bríd while four of them will want a third in

three years. Many of the players will be wanting an all Naomh Bríd final as Modeligo are in Group 2 of the group.

**Lotto** — Sliabh gCua Community Centre & G.A.A. Lotto draw week-ending September 21st. The numbers drawn were 1, 2, 23. New jackpot £300. Programmes: Neighbours and Wimbledon Tennis Open; Ambition: To win an All-Ireland Football and Racquetball medals.

Aoife can be considered as a natural sportsperson as she can play and compete in virtually every sport. In racquetball she has shown massive improvement since the beginning of the year. She shows a terrific interest in sport and is always prepared to give 100% effort and commitment. Earlier in the year Aoife finished runner-up in the under-13 club cup final. She finished fourth in the under-13 summer league and she is currently producing good results in the Autumn Team League. Aoife is also a brilliant soccer player. In last year's indoor soccer tournaments, she surpassed everybody's expectations by winning the Player of the

Year tournament award, Player of the Final, Top Scorer and she also scored the goal in the final that guided her team to victory.

Name: Willie Power; Age: 12; Favourite Sports: Football, Racquetball, Hurling and Soccer; Favourite Players: Paul Flynn, D. J. Carey, Christy Slattery, Steve Collins, Michael Schumacher; Favourite T.V. Programme: Match Of The Day; Ambition: To play football for Waterford and to win an All-Ireland racquetball medal.

Willie's biggest asset is his never say die attitude and this applies in all sports. In the last couple of months he has made unbelievable progress in racquetball. He is now ranked no. 4 in the under-15 age group. In every game he plays he displays superb determination and effort which is a delight to watch. Earlier in the year he defeated Jonathan Webster in the under-14 B club cup final. He followed this by winning a Munster under-12 B bronze medal. He reached the quarter-finals of the under-12 All-Ireland Junior A Open. He then finished in a superb fourth position in the under-14 1/2 Summer League. Willie has also represented Waterford in under-13 football and hurling. He has won under-12 A and C football medals and he also has an under-10 football medal. Willie is also the under-12 county doubles handball champion. Without doubt you will hear a lot more about Willie in future years.

### Team F Gain Pole Position

Mairead Hickey's team gained pole position in the Autumn Team League last Friday evening for the first time. After some excellent performances no more so than Darren O'Connor's performance against Stephen Cliffe they have now a 2 pt. lead over Seamus Power's team. "Doc" produced his best ever performance when he beat Stephen in yet another thrilling game. The real drama was at the end of the second game when the last rally lasted for nearly 30 shots which included some incredible pieces of individual skill from both players. Michael Myles also hit top form when he beat Pat Murphy by the narrowest possible margin in another tiebreaker set. Michael has been showing some very steady progress in recent weeks. Colin Gleeson produced some of his old form when he made Seamus Power fight all the way in a highly entertaining game. Played in a brilliant atmosphere, both players showed some terrific sportsmanship. James Cliffe also impressed when he took one game off

Jonathan Webster. Aoife Hickey impressed the most in the girls games with a straight victory over Claire Dalton. Others to impress were Mairead Hickey, Marie Quinlan, Jean Dunford, Stacey Meere and Niamh Coffey. The negative side of last week's games was the amount of walkovers given. There were five in all and this affects your team position on the League Table. The results were as follows - Team B v Team E - Seamus Power 2 Colin Gleeson 1 (15-9, 11-15, 11-4); Maria Gleeson 0 Sharon O'Connor 2 (0-15, 1-15); Jonathan Webster 2 James Cliffe 1 (15-7, 11-15, 11-2); Claire Dalton 0 Aoife Hickey 2 (3-15, 4-15); J. J. Coffey 2 Robbie Power 0 (15-6, 15-13); Frank Woods 0 David Flynn 2 (walkover).

Team C v Team F - Stephen Cliffe 1 Darren O'Connor 2 (15-9, 13-15, 4-11); Jean Dunford 0 Mairead Hickey 2 (7-15, 3-15); Tristan Hickey 2 Darren O'Connor 0 (15-6, 15-3); Marie Quinlan 0 Niamh Coffey 2 (12-15, 6-15); Michael Myles 2 Pat Murphy 1 (15-5, 11-5, 11-10); Diarmuid Walsh 0 Richard Flynn 2 (walkover).

Team B v Team F - Frank Woods 2 Richard Flynn 0 (15-5, 15-11).

Team D v Team G - Colm Geary 0 Willie Power 2 (14-15, 8-15); Julia Walton 2 Marie Coffey 0 (walkover); David Flynn 2 Niall Power 0 (walkover); Fiona Walsh 0 Natalie Woods 0 (0-30 against both players as neither player showed up). The league table is as follows (team represented by capt.'s name) -

1. Mairead Hickey 32 pts., 2. Seamus Power 30 pts., 3. Jean Dunford 29 pts., 4. Gillian Gleeson 26 pts., 5. Colm Geary 24 pts., 6. Colin Gleeson 22 pts., 7. John Myles 21 pts.

### 45 Minutes Of Brilliance

On Saturday evening last those present at the racquetball court were treated to 45 mins. of sheer brilliance. In recent weeks we have seen some classic matches but it would be fair to say that the game between Tristan Hickey and Seamus Power in the knockout blitz would top them all. Both players displayed an array of skill, speed, power and accuracy. It was obvious from the start that both players were willing to do whatever it took to achieve victory. In the first game it was Tristan who looked the most threatening but Seamus played some awesome shots and won the game by 15-11.

The second game was all about Tayto's power and accuracy. Played at a blistering pace, Tristan went on to level the match with a

15-10 win. At this stage the crowd present were hooked on the game and none of them dared miss a second of the outstanding tiebreaker set. Both players showed a touch of nerves but after some terrific rallies, Tristan found himself 8-5 in front. Then Seamus showed why he was crowned All-Ireland under-10 champion when he clawed his way back to win by 11-8 and book a place in the under-13 final against his brother Willie. Both players can feel very proud of their performances. If they can keep improving at their current rate, then there is no reason why they can't go all the way to the top in this sport.

The other blitz results were as follows - Under-16 girls - Mairead Hickey 2 Jean Dunford 0 (15-5, 15-8); Under-12 boys - Shane Hickey 2 Pat Murphy 0 (15-3, 15-4); Under-13 boys - Jack Power 0 Darren O'Connor 2 (4-15, 6-15), Seamus Power 2 Shane Hickey 0 (15-3, 15-0), Willie Power 2 Pat Murphy 0 (15-1, 15-1), Willie Power 2 Darren O'Connor 0 (15-2, 15-2), Seamus Power 2 Tristan Hickey 1 (15-11, 10-15, 11-8); Under-15 boys - John Myles 0 Denis Coffey 2 (2-15, 1-15), Paul Gleeson 2 Jack Power 0 (15-13, 15-13), Colin Gleeson 2 Stephen Cliffe 0 (15-8, 15-13), Seamus Power 2 Paul Gleeson 0 (15-11, 15-4), Tristan Hickey 0 Denis Coffey 2 (8-15, 8-15).

# This Week In The Garden

## Pot and Box Bulbs For Early Flowering

Now is the time for potting or boxing hyacinths, tulips, narcissi, ixias, gladioli and bulbous irises for flowering in the greenhouse or house during this winter and next spring. If containers are provided with drainage holes use John Innes potting compost No. 1 or a peat based potting compost. If they are undrained bowls use special bulb fibre consisting of peat, crushed shell and crushed charcoal.

Place the bulbs of tulips and narcissi almost touching one another and barely covered with compost. Space the smaller bulbs and corms about 2.5 cm apart and cover to a depth of 1 to 2 cm. Then stand all the containers in the coolest place available. This can be outdoors at the foot of a north-facing wall if the containers are drained, but undrained containers must be kept under cover or they may be flooded by rain.

## Pot Cyclamen Seedlings

Cyclamen seedlings from the August sowing should be ready for pricking off or potting. Often the seed germinates irregularly, so if some seedlings are too backward for potting now, leave them in the seed pans, lifting the forward ones with a sharpened wooden label.

## House Late Flowering Chrysanthemums

Now is the time to bring in all chrysanthemums that are to flower in the greenhouse before frost damages their tender buds.

Pot plants should be carried in and set on a hard bottom of ashes or gravel, or be arranged on staging, while plants that have been grown outdoors for lifting must be dug up with as much soil as possible and either be planted in the greenhouse borders or else be planted into suitable boxes and tubs.

## Shelter Tender Plants

Give shelter to all tender greenhouse plants that have been outdoors during the summer. This includes pelargoniums, marguerites, fushias and camellias.

# Plant A Healthy Winter's Diet

Spinach is an excellent vegetable, rich in vitamin A, B1, B2 and C. It also contains useful quantities of calcium, protein and iron. Winter spinach is sown in early to mid autumn for use during the winter months.

Winter spinach makes a good follow-on crop to some of the year's earlier sowings.

Before sowing, rake in a general fertiliser at 70g per sq. m. An open site with some shelter from cold winds is preferable.

Sow the seeds in drills 2-3 cm deep and about 30 cm apart. Thin the seedlings to stand 23 cm apart. If the soil is dry at the time of sowing, water the drills well beforehand.

Once established there should be no watering problems as the normal rainfall will be enough.

Although the plants are hardy they give a better and cleaner crop if some protection can be given, ideally with cloches during the winter months.

Straw or short litter tucked around the plants is one way of doing this. Picking can begin as soon as the leaves are large enough. Cut the largest leaves off close to the stem, taking a few from each plant.

Leaf production in the winter months is slower than summer, so take the leaves sparingly.

In early spring a dressing of nitrochalk at 35g per sq. m. will help the plants along by increasing production of leafy growth which in turn will help to give you earlier spinach pickings.

Henry Higgins will be there, played by Toby Hickey as will Eliza played by Sinead Kiely who is no stranger to you all. This talented young singer/actress has taken the lead in many of our productions. Keith Dransfield will play the part of Doolittle, Angela Dalton will play Mrs. Higgins and Mrs. Hopkins will be played by Anne-Marie O'Sullivan. Doolittle's sidekick Jamie will be played by Joe Kelly. We will need someone for the part of Freddy. So if you think you fit the bill, come along tonight (Wednesday), September 24th to the C.B.S. Hall at 8 p.m. But the show can't go on without the all important chorus. We need ladies and mens chorus so do come along. It's great fun and you will all be very welcome. Rehearsals are Monday nights for ladies and Wednesday nights for men in the C.B.S. Hall at 8 p.m.

# IN MEMORIAM

**AHEARNE and EARLEY** — Sixteenth and Fourth Anniversaries — In loving memory of our dear sisters Gretta Ahearne who died on September 28, 1981 and Terry Earley who died on October 25, 1993 and Terry's husband Jimmy Earley who died on September 14, 1995, all of 22, Main Street, Dungarvan. On their souls sweet Jesus have mercy. Masses offered. (From your heartbroken sisters Ada and Kathleen.)

**CONNORS** — First Anniversary — In loving memory of a dear mother, Breda Connors, late of 64, Childers Estate, Dungarvan who died September 21, 1996. R.I.P.

A special mother, a special face,  
In our hearts a special place,  
Special memories, tears unseen,  
Wishing your absence was only a dream.  
You never asked for much in life,  
Of treasures you had few,  
But you gave wealth beyond compare,  
To those you loved and knew.  
You made our life so happy, Mam,  
When we were very small,  
You always had time for us,  
We only had to call.  
You taught us love and kindness,  
Showed us how to care,  
You bound our family together,  
With love few families share.  
(Sadly missed by your loving daughter Cora, Martin, Daragh and Ashley.)

**CONNORS** — First Anniversary — In loving memory of my dear mother Mrs. Breda Connors, late of 64 Childers Estate, Dungarvan, who died on September 21, 1996.

As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you  
As life goes on its way.  
Time may heal the heartaches,  
Like the smile that hides the tears,  
But happy memories keep you close,  
Despite the passing year.  
Will those who think of her today,  
A little prayer to Jesus say.  
(Always remembered by her loving son Cornelius, Lorraine, grandchildren, Stacey, Stephanie, Chantelle and Shannon.)

**CONNORS** — First Anniversary — In loving memory of a dear mother, Breda, late of 64 Childers Estate, Dungarvan, who died on September 21, 1996. R.I.P.

God came and stood beside your bed,  
These are the words we think He said,  
You have suffered more than you can stand,  
Now come with me to a better land.  
You fell asleep without good-bye,

But memories of you, Mam, will never die,  
In heaven you rest, no worry, no pain,  
In God's own time we will meet again.  
A smiling face, a heart of gold,  
The dearest Mam the world could hold,  
Her end was sudden, her thoughts unknown,  
She left us memories we are proud to own, Mammy.  
Gentle Jesus up above,  
Give our Mam a kiss and hug.

(Sadly missed by your loving son Philip, daughter Breda, Bob, Sarah, Gennette, Carrie, Deneka, Douglas and Joell.)

**CONNORS** — First Anniversary — In loving memory of a dear mother, Breda Connors, late of 64 Childers Estate, Dungarvan, who died on September 21, 1996. R.I.P.

As time goes by without you,  
And days turn into years,  
They hold a thousand memories,  
And a million silent tears.  
You showed us love and kindness,  
You showed us how to care,  
You bound us all together,  
With a love few families share.  
Someday we will meet again,  
Where sorrow is unknown,  
We will fold our arms around you,  
And tell you we've come home.  
May the God of love be with you, Mam,  
And grant you eternal rest.  
(Sadly missed by her loving daughter Judy.)

**CONNORS** — First Anniversary — In loving memory of a dear mother, Breda Connors, late of 64 Childers Estate, Dungarvan, who died on September 21, 1996. R.I.P.

A friend for life that's what you are,  
Even though you've gone so far,  
So far away that I can't see,  
But know you're watching over me.  
The times we had together,  
How I'll cherish that forever,  
The comfort that you gave us all.  
You picked us up when we would fall.  
My mother you will always be,  
You took away a part of me,  
I'm glad you took that part away,  
For we'll meet another day,  
And I know you will repay me,  
With your love and caring way.

(Sadly missed by your loving daughter Kitty and children.)

**GOWAN** — First Anniversary — In loving memory of Philip Gowan, late of Curraghmore, Portlaw and Lisarrow, Lismore, whose anniversary occurs on September 30.

I loved you better than you knew.

(Remembered by his wife Susan and daughter Joan.)

**MCCARTHY** — Third Anniversary — In loving memory of Bridie McCarthy, Western Terrace, Dungarvan, who died on September 24, 1994.

Until we meet again.

**WHELAN** — First Anniversary — In loving memory of Liam Whelan, late of 24, Glenview Drive, Sea Park, Abbeyside who died on September 27, 1996.

It never through my mind had past,  
The time would e'er be o'er,  
And I on thee should look my last,  
And thou shouldst smile no more!

I do not think where 'er thou art,  
Thou hast forgotten me;  
And I, perhaps, may sooth this heart,  
In thinking too of thee:

Yet there was round thee such a dawn,  
Of light ne'er seen before,  
As fancy never could have drawn,

And never can restore!  
Will those who think of him today,

## KILBAUN GRAVEYARD

On Friday afternoon, September 19, a small but dedicated group of locals gathered here to begin a massive clean-up of this little known place which has been grossly neglected down the years.

In bygone days this was used as the burial place for unbaptised children of that time. A simple stone projecting from the ground outlines the site of each

modest grave.

The graveyard is situated in the townland of Garrison and it is also believed to be the site of an early Christian church. We are hoping to have the clean-up operation concluded for Thursday evening, October 2. On that date, the feast day of "The Queen of the Angels," Fr. Mulcahy will perform a short prayer service and the blessing of the graveyard.

## YOUNG PEOPLE GET TOGETHER IN BALLYDUFF

There will be a "Get Together" of young people at St. Michael's Hall, Ballyduff Upper on next Friday, September 26 at 8.30 p.m. It will give the young people of the community an opportunity to meet together and exchange ideas on varying topics and perhaps what services they would like to see available for them in the community. A disco will follow the meeting.

Do come, better still, bring a friend and join in the fun, aimed particularly at young people between the ages of 15 to 20 years approx. There are no hard and fast rules about this and any young person interested is welcome to come along.

## BALLYDUFF MACRA NOTES

On Friday, September 19, Ballyduff Macra hosted the competition Lights, Camera, Action, in the hall. Three clubs took part in this thrilling, exciting competition.

The first club was Kilmacthomas and their creation of Gone With The Wind had elegant performances from David Connors, Ann-Marie Norris and Carl Gleeson.

Next was Cappoquin Macra, giving us a powerful production of Michael Collins. The cast was as follows: Tom Cliffe, Eddie Byrne, Pat Heiney, Owen Collender, Tom McGrath, Gavin Halloran, Eamon McGrath and Daniel O'Donnell. Their production had wonderful lamp seances where at one stage the lamp went for a spin when the table was not quite on its four legs, but all the same, Cappoquin gave us an excellent production. Well done, lads.

The last club was Kinsalebeg where we saw Father of the Bride put into different perspective than the film. Marriage isn't everything until your little daughter is getting married. Dad doesn't agree, while Mom sits drinking wine. What else can I say, only well done to Caroline Smiddy, Donal Fitzgerald, Jacinta Power and Eleanor Fitzgerald.

That finished off the productions and while we waited for the judges to come to a decision we ran a raffle for a bottle of whiskey, kindly sponsored by the Log Cabin, and also a "surprise." The bottle of whiskey was won by Carl Gleeson from Kilmacthomas. Now Carl, a word of warning, don't drink it all at once! The "surprise" also went to Kilmacthomas when David Connors won. Hope it was a nice surprise David!

Well, the nail-biting came to an end and the results were announced. Two teams go forward and they were Kinsalebeg and Kilmacthomas, so to everybody that was involved a big well done! Kilmacthomas received the glass vase, so Ann-Marie handle it with care — it can break!

That finished up the night. I would like to thank the teams for coming on the night. It's a competition that has a lot of potential and we hope the clubs enjoyed themselves.

Thanks to our two judges Irial Mac Murchú and Micheál O'Donnell from Ring for doing a good job. Thanks to Patrick Feeney for the lighting which was difficult to do. Thanks to the Log Cabin for sponsoring our first prize on the night.

There will be a club meeting on Saturday, September 27 at

9 p.m. in the hall. All members are requested to attend.

## LADIES FOOTBALL

# Waterford Minors Win All-Ireland Final

## Waterford 2-14 Mayo 1-6

That immortal line "this was a game of two halves" was never more apt than at last Sunday's All-Ireland Minor Final played at Moylagh on the Tipperary-Offaly border. In beautiful summer-like conditions and large attendance witnessed one of the greatest turnarounds that ladies football has ever seen.

In the first half Mayo, who hammered Monaghan in the semi-final, outplayed, outran and outfought a Waterford team and seemed on the verge of breaking the hoodoo that the Munster side have enjoyed over them in the last 10 years.

Only the sheer brilliance of Waterford 'keeper Nuala Hearne kept the score down as Mayo threatened to run riot. As the first half came to a close, Mayo led 1-5 to 0-3 and were in a different class. Then on the stroke of half-time Waterford stole a goal against the run of play and went in at the interval just 2 pts. behind 1-5 to 1-3.

Over the opening 30 mins. Mayo opened up the Waterford defence on several occasions but failed to deliver in front of goal. Two absent players forced several positional switches and that didn't help. Waterford were forced to play two members of the attack Margaret Foley, initially and Angie Walsh switched back after 20 mins. and those moves took a little while to gell.

That goal on the stroke of half-time, expertly finished by Breda Morrissey, ignited Waterford and although Mayo got the opening score of the second half, a quick point by Martha O'Malley, they were not to score again. In contrast Waterford went on to produce as good a second half performance as was ever seen in the white and blue.

A team that included 9 members of the under-16 side in the starting line-up produced some exhilarating football and Mayo had no answer. Youthful corner-forward Annette Raheer led the way scoring 1-2 in a 4 min. spell and the play flowed towards the Mayo goal. Niamh Breen and Mary O'Donnell who, along with Sarah Hickey and Paula Walsh, thundered into the game in the second half, landed points

and Waterford simply blitzed Mayo.

Their greatest level of fitness also told and when 'keeper Nuala Hearne produced a brilliant save in the 40th min., the Mayo challenge crumbled. From 10 yards Cora Staunton blazed towards right hand corner of the net but somehow the Waterford custodian dived full length to produce a save worthy of any occasion.

Like a disturbed beehive, Waterford swarmed toward the Mayo posts and shot a succession of points to which the western side had no answer. Sarah Hickey, switched to corner-back, curbed the menace of Mayo's Cora Staunton. Honor O'Brien filled in superbly at full-back and the half line of Ann Morrissey, Tonya Kirwan and Margaret Foley along with new corner-back Angie Walsh assumed total control.

Mary O'Donnell played as we know she can alongside Marian Troy who had a great game at outfield. Paula Walsh began to lead the forward line of Niamh Barry, Aine Ryan, Breda Morrissey, Annette Raheer and substitute Sharon Foley upped a gear and the rest is history. Let's not forget the other members of the panel who together fashioned a famous victory, Waterford's fourth All-Ireland Minor triumph in seven years. Yes indeed a performance to gladden the heart and the attention turns towards Croke Park on Sunday, October 12th.

Waterford's own Noel Murray, the National President presented the cup to Waterford capt. Sarah Hickey at the end of a famous victory.

Waterford: N. Hearne (Kill), B. Hannigan (Kill), Sarah Hickey (Brickeys capt.), Honor O'Brien (St. Pats), Ann Morrissey (St. Pats), Tonya Kirwan (Kilrossanty), Margaret Foley (Clashmore), Mary O'Donnell (Old Parish 0-5), Marian Troy (Na Déise), Niamh Barry (Dunhill/Fenor 0-2), Paula Walsh (Ballymac 0-1), Angie Walsh (Na Déise), Aine Ryan (Ballymac 0-1), Breda Morrissey (Na Déise 0-2), Annette Raheer (Dunhill/Fenor 1-2). Subs: Sharon Foley (Brickeys 0-1), Julie Keane (Kill).

# BOLGER CUP STARTS TO TAKE SHAPE

After the second round of games in this year's Tony Bolger Cup, a pattern is beginning to form with some clubs getting off to a good start and others not yet finding their feet.

## SECTION A RESULTS

### Great Win For Valley, Glenview Stay In Touch

**MOGEELY 1 VALLEY RANGERS A 5**  
The visitors secured their second win in this group with an easy win away to Mogeely on Sunday. Valley led 4-0 at the break and the sides exchanged goals in the second half with Tony Barrett scoring for Mogeely 17 mins. into the second half. Valley's scorers were Kieran Hickey (4 mins.), Ted O'Leary (12), Tony Harper (37), Donal O'Leary (42) and Gordon Bryan (70 mins.).

**BLACKWATER RANGERS 2 BALLYBRIDGE UTD. 1**  
Michael Cummins shot Blackwater into an early

lead which they held until half-time. Rangers were well on top and Colin Cotter scored their second on the hour. A Luke Swayne inspired Ballybridge came back into the game and Philip O'Connell reduced the arrears after 70 mins. but Rangers held on for a deserved win.

**GLENVIEW 2 AN GAELTACHT 1**  
All the goals came in the first half with Tucker Curran scoring for An Gaeltacht between two goals scored by Philip McGrath. Glenview were well on to in the first half but in the second period An Gaeltacht had plenty of chances and should have had at least a draw.

## SECTION B RESULTS

### Ballyduff In Command, Good Wins For Kilworth And Modeligo

**VALLEY RANGERS B 0 MODELIGO 1**  
A good performance from Valley was not enough to stop Modeligo from recording their second win in this group. Modeligo's goal came in the first half.

**BALLYDUFF 4 YOUGHAL 1**  
Youghal suffered a setback after last week's impressive result. Ballyduff were always on top but only an Eoin Coughlan goal separated the sides at the break. Ballyduff went up a gear in

the second half and goals from Kevin Barry and Antonio Da Silva (2) secured another good win for them. Youghal's sole reply was from the penalty spot.

**CASTLEBRIDGE CELTIC 0 KILWORTH CELTIC 3**  
Kilworth were well worth the points in this derby game. The homeside were two goals behind at half-time and were never really in it. Kilworth made sure of victory with another goal in the second half.

## SECTION C RESULTS

### Gortroe Go Top, Lismore Surprise Cappoquin

**CAPPOQUIN 2 LISMORE 3**  
Lismore's youthful side shocked Cappoquin with a highly polished performance in Cappoquin last Sunday. Lismore led 1-0 at the break through Alan Landers. The visitors increased their lead with goals from Thomas Veale and Michael O'Sullivan. Cappoquin stormed back and were rewarded when Charlie Barry scored the first of his two goals from the penalty spot. Barry's second goal came from a free-kick to put Lismore under severe pressure but they held on for a deserved win.

**CLASHMORE RAMBLERS 1 PINEWOOD RANGERS 2**

The sides were scoreless at the break in this entertaining game and the deadlock was broken by

Ramblers, Paudie Allen. Pinewood upped their game after this and got a deserving equaliser after 75 mins. from a free-kick. There were only a few minutes remaining when Rangers scored what proved to be the winning goal to keep the group wide open.

**GORTROE 3 DUNGOURNEY 2**  
Dungourney pushed Gortroe all the way in this ding dong battle between the local rivals. Alan Kelleher put Dungourney ahead after 20 minutes but Gortroe equalised before half-time.

The homeside then took the lead before Donnacha Hickey equalised for Dungourney. Just when a draw seemed likely, Gortroe's Derek Murphy scored his second goal for what proved to be the winner. Johnny Hickey was Gortroe's other scorer.

## SECTION D RESULTS

### Affane Cause Upset In Ardmore, Inch Win Again And Brideview Utd. Romp Home Against Araglen

**BRIDEVIEW B 1 INCH 2**  
Inch had most of the play in a scoreless first half and Brideview had Jimmy Fitzgerald to thank for a couple of fine saves. Peter Savage was on hand to lob over the home 'keeper following a long ball from Kevin Galvin. Galvin was again the provider for Savage for

Inch's second goal after 70 mins. Inch should have had more goals but Brideview kept going and after a mix up in the Inch goal area, William Murphy scored a late consolation goal.

**ARDMORE 1 AFFANE 2**

Conor McCarthy was Ardmore's scorer in a first half that ended 1-1. Ardmore had a number of youth players on duty and Affane were on top in the second half. The visitors scored the winning goal after 65 mins. following a defensive mix up.

**BRIDEVIEW UTD. A 7 ARAGLEN 0**

The holders had no trouble disposing of a totally outclassed Araglen side who fell three goals behind at the break. Philly Curley (2) and Dermot Henley were the first half scorers. The same players scored a further two goals in the second period to keep Brideview on top of the group.

**RED HOUSE LEAGUE NOTES**

# Some Important Games Down For Decision This Sunday

**SECTION A**

**Mogeely v Blackwater Rangers**  
 Defeat for Mogeely would almost rule out any chance of them qualifying while Rangers will be looking to build on last week's victory. This could go either way but a draw seems likely. A draw.

**Ballybridge Utd. v An Gaeltacht**  
 Utd. have been unlucky so far and will be looking for their first points against An Gaeltacht. The visitors will be difficult to beat and could yet figure in the shake up if they could win on Sunday. Ballybridge could be ready for their first win and we think they might get it. Home win.

**Glenview v Valley Rangers A**  
 These two toppers meet in a repeat of last season's semi-final which Valley won 3-2. The homeside has shown much improved form and will provide a real test for Valley who have had two very good results to date. Valley may not win but they should get at least

a draw if their form holds up. A draw.

**SECTION B**  
**Valley Rangers B v Kilworth Celtic**  
 Celtic need to keep on winning if they are to stay in touch with the leaders and although Valley are showing signs of improvement, we feel the points could be heading back to Kilworth on Sunday. Away win.

**Modeligo v Youghal**  
 Modeligo's excellent start to the season will be tested to the full by first division Youghal. The visitors were swept aside by Ballyduff last week but will find Modeligo more in their range. A win here would be a huge boost for Modeligo as they face Ballyduff the following week but they may have to settle for a share of the spoils. A draw.

**Ballyduff v Castlebridge Celtic**  
 Top versus bottom and Ballyduff will be expected to make it three wins on the trot against an out of sorts Castlebridge Celtic. Celtic have so far failed to hit any

form and Ballyduff have already started to score plenty of goals. Home win.

**SECTION C**  
**Dungourney v Cappoquin**  
 Dungourney are sure to be fired up for the visit of first division Cappoquin and after last week's display will not be without a chance of causing an upset. Cappoquin were caught on the hop last Sunday and will be looking to make immediate amends. Their experience may do the trick. Away win.

**Pinewood Rangers v Lismore**  
 Both sides gave themselves a huge boost last week and will be looking for another win to keep them in touch. Rangers are a very experienced team and home advantage could swing the result their way. Home win.

**Clashmore Ramblers v Gortroe**  
 These two old foes come up against each other and there is no doubt that this will again be a close game. Ramblers have had the upper hand over their visitors in previous encounters and may again prove too strong for Gortroe. Home win.

**SECTION D**  
**Brideview Utd. A v Inch**  
 This game would decide the outcome of the group and both sides will be well aware of this. Inch have been playing well with a settled team and this could stand to them on Sunday. Utd. have a lot of injury problems at the moment with as many as six players out of action. Once again home advantage could come into play and Brideview should just shade it. Home win.

**Affane v Araglen**  
 Both sides have had victories over Ardmore in the last two weeks and both have suffered from poor displays in their other games. Nothing less than a win will be good enough for either team and Affane may prove too good on Sunday. Home win.

**Brideview Utd. B v Ardmore**  
 Ardmore have been disappointing to date and Brideview Utd. B will be quick to expose any weakness in their search for points. Qualification may be beyond both teams at this stage and a draw could be on the cards. A draw.

**EAST CORK/WEST WATERFORD SCHOOLBOYS SOCCER LEAGUE**

# UNDER-16 SEASON UNDERWAY

## UNDER-18 & UNDER-14 READY TO GO

Three games took place at the weekend. Kilworth and Lismore both won away from home while Ballybridge beat Ardmore at home last Sunday.

**UNDER-16 RESULTS**

Blackwater Rangers 1  
 Kilworth Celtic 4.  
 Castlebridge Celtic 0 Lismore 2.  
 Ballybridge Utd. 3 Ardmore 0.

Lismore made a good start with an away win against Castlebridge Celtic. Kilworth Celtic came from a goal down at half-time to defeat Blackwater while Ballybridge led 2-0 at the break before beating Ardmore 3-0. Sean Swayne (2) and Shane Cronin were Utd.'s scorers.

**UNDER-12 RESULTS**

Brideview Utd. 3 Valley Rangers 2.  
 Clashmore Ramblers 0 Ardmore 4.

The league leaders in both groups had vital wins during the week. Brideview are the top scorers at this age group while Ardmore have a 100% record and have yet to concede a goal. Ardmore led 1-0 at the break before pulling away with three further goals. Brideview's scorers in their win over Valley were Kieran Herlihy, Mark O'Brien and William Curley.

**UNDER-18 LEAGUE**

Next weekend sees the start of the under-18 league. It is expected that this will be the most competitive league with many teams in contention. It will be many weeks before we see a pattern emerging so we cannot realistically preview games at this stage. Twelve teams will compete and as much as possible these games will kick-off in the afternoon. There will be occasions mainly due to the number of referees that some games will be played on Saturday morn-

ings but it is hoped that each club will only play two morning games.

**UNDER-14 LEAGUE**

Ten teams will now take part in this season's under-14 league. Club referees will be allowed to referee the league games although it may be possible in the case of a double under-14 and under-18 fixture for a referee to do both games if the home team wishes. As these games will take place on the same Saturday as the under-18 games, most kick-off times may be in the mornings although we hope to be flexible as much as possible.

**REGISTRATION FORMS AND FEES**

Clubs run the risk of fines or deduction of points for failing to supply all their players registration forms. Clubs must also have paid in full their registration fees of £30 per team.

**DIVISION 3A LEAGUE**

# Missed Chances Prove Costly

**DUNGARVAN 0 PORTLAW 0**

Dungarvan entertained Portlaw at Kilrush Park on Saturday afternoon last and shared the spoils in a game which saw both defences well on top. The Blues took the game to the visitors but had to wait until the half hour mark for their best chance of the game. A poor kick out from the visiting 'keeper fell to Ferncombe and the 'keeper spread himself well to deny him. It stayed like this until the interval.

The Blues started the second half well with the wind at their backs but time and time again found the visitors defence in top form snuffing out several times. The Blues best chance fell to Coles and he shot narrowly over the crossbar. Twice in the closing stages the Blues were caught on the break and Sheehan when called on dealt with both shots with ease. All in all it seemed a fair result with the Blues thinking they left 2 pts. slip.

Team: John Sheehan, Chris Gough, Kieran Foley, Dermot O'Shea, Michael Hart, Paudie Flynn, P. J. Drummy (capt.), John Walsh, Mark Coles, Vincent Tutty, Michael Ferncombe. Res.: Killian Wall for V. Tutty, T. Wright for P. Flynn, K. Hayes for M. Coles.

# RECORD ENTRIES IN METALMAN TRIATHLON

The annual Examiner W.L.R. FM Metalman Triathlon held in Tramore last Sunday week built on its success of last year with record entries in both the individual and team events. A very big attendance viewed the afternoon's activities on the Prom as the 150+ participants had to contend with very strong winds with the swimmers suffering in particular which added to the demanding challenge of the three part Metalman competition itself.

**EOIN O'CONNELL**  
(Metalman Triathlon  
Winner)

## OUTSTANDING SUCCESS

From an organisational point of view the triathlon was an outstanding success. The W.L.R. FM outside broadcast unit created the appropriate atmosphere on the Prom with Eddie Wymberly proving to be a most capable M.C. for the occasion. The stewarding overall in and near Tramore and at the approach roads to the city was excellent. The introduction of the team event has given triathlons a new lease of life with interest and entries soaring annually while the Tramore event looks destined for a brilliant future in the years ahead.

## THE SWIM

The Metalman Triathlon was programmed for a 1500m sea swim, a 30K cycle and a 10K run. The course for the swim was changed from previous

years with the swimmers required to swim out to a buoy and back to the beach twice, coming out of the water at half way to run around a marker. From an early stage in the afternoon it was obvious that conditions in the water were going to be ultra tough if not in fact dangerous and a decision to confine the swim to one lap might have been appropriate. As it was the swimmers were in the water twice as long as last year with the youthful John Paul Williamson of the W.L.R. FM Sports team emerging first in 35 mins. 41 secs. followed shortly by the first two eventual individual winners Eoin O'Connell and Ronan Guiry who were clocked at 36.30 and 36.15 respectively.

A number of swimmers were unable to complete the swim but on the day they made the correct decision and unfortunately they were unable to complete the triathlon after many months of preparation. In the team event some of the cyclists and runners didn't get the opportunity to participate as their swimmer didn't make it to the change over area.

## THE CYCLE

Back on the road the W.L.R. team were once again to the fore with their cyclist Ciarán Power speeding around the 18 mile circuit in 40 mins. 48 secs. Next to finish was Paul Butler of the John Hearne's team, Clonmel in 42.08 but by this stage their hold on last year's team title was all

but gone. In the individual event Eoin O'Connell opened a two minute lead on the 17 year old Guiry and with his strongest event the 10K run to come, O'Connell had victory secured for yet another year. Off the three events on the day the cycle posed the least difficult for despite the wind, the circuit was relatively flat all through.

## THE RUN

Eighteenth in last year's Dublin Marathon, Eoin O'Connell is much more than an athlete of triathlon standard. In Tramore he finished the hilly and windswept 10K in 38.40. It is perhaps O'Connell's strongest discipline so anybody intent on defeating him would need a good lead heading into the final stage of a triathlon. James Sullivan (34.47) of the W.L.R. FM Sports team was first over the line followed next by the first two individuals Eoin O'Connell and Ronan Guiry (41.20) and then West Waterford's John Bennett (39.07) of the John Hearn's team.

## OVERALL WINNERS

The Hole in the Wall Club in Dublin dominated the individual section. Eoin O'Connell won in 2 hrs. and 37 secs. His team mates Paddy Cullen (2.08.14) and Stephen Sheridan (2.09.41) were third and fourth respectively. Ronan Guiry (Limerick) was second in (2.05.07). The first lady, Vicki Twomey was also from Limerick and finished 14th overall in 2.36.31. The leading Waterford finisher was yet again Kevin O'Brien from Ferrybank who was a very respectable 5th in 2.13.40. His split times were as follows -

Swim (46.45), Cycle (47.42) and run (40.13). This was another fine performance from the popular Ferrybank man.

In the team section the winners were the powerful or as they were generally referred to the packed W.L.R. FM Sports team. There was little possibility of them being defeated and in fairness the inclusion of such combinations closes this category before it starts to the ordinary teams. The real challenge for many groups was getting a team out on the day in the true

Local participants preparing for the swim in the Metalman Triathlon were (l. to r.) Johnny Clarke, Joe Kelly, Kevin Clarke and Brian Foley.

amateur spirit and in this regard a fine total of 37 teams completed the event. The first three teams were -

1. W.L.R. FM Sports (1 hr. 51 mins. 14 secs.),
2. John Hearn's (Clonmel) (2.02.57),
3. Comeragh Cycling Club (2.12.15).

## LOCAL ATHLETES ENJOY TRIATHLON

There was a large number of entrants from the Dungarvan and West Waterford area in this year's triathlon. Overall the event was enjoyed by all concerned and for good measure, a number of successes and impressive performances were registered.

The GoldCoast team of Claire Morrissey (swim) 50.35, Siobhan O'Mahony (cycle) 57.04 and Helen O'Callaghan (run) 46.36 won the ladies section and they finished 18th overall. Orna Murray from Cappoquin displayed great determination to finish third lady with split times of 66.48 (swim), 72.00 (cycle) and 74.08 (run). In the mens veteran section the Hilltop Hotel team from Youghal were victorious with a combination of Ossie Schmidt (swim), Tom Fitzgerald (cycle) and Tim Twomey (run). The team finished 7th overall in an impressive 2 hrs. 17 mins. 06 secs. and their split times were swim (44.25), cycle (52.52) and run (39.49).

## Foley And O'Riordan In Top Ten

In the mens individual competition Brian Foley from Ballinacourty and Eoin O'Riordan from Pinewood kept the local

flag flying with top ten placings. Brian, representing the GoldCoast, finished 8th overall and third junior in 2.19.20. Eoin was 10th in 2.24.05 for Clonea Strand Hotel. As with all the triathletes, both showed great determination in a gruelling event and one can be impressed at their levels of fitness.

Brian's individual times and placings were as follows - swim (40.27) 7th, cycle (54.01) 11th and run (44.52) 9th. Eoin's individual marks were swim (45.44) 11th, cycle (50.39) 9th and run (47.42) 10th. Representing Abbeyside (for some reason) Joe Kelly competed very well in his first triathlon and in his maiden voyage he can be well pleased with his 20th position in 2.49.35. His split times were swim (67.20) 32nd, cycle (53.14) 13th and run (49.01) 17th.

The local make up was completed by Johnny Clarke from Abbeyside who finished 37th in 3.18.36. Following serious knee surgery in the recent past, Johnny showed remarkable recovery

to complete the three disciplines. His swim time was 62.23 (26th), his cycle time was 68.05 (29th) and he finished the run in 38.07 (run).

In the team event local team O'Mahony Cycles raised a few eyebrows when finishing 5th in 2.15.55. Their swimmer Cian O'Mahony was timed at 50.35 in 15th position. Team captain Tony O'Mahony was clocked at 48.45 in 8th spot and Philip Harty ran the second fastest leg of the day in 36.35.

Ballinacourty S.C. team of Kevin Clarke (swim 55.09) 22nd, Tony Elstead (cycle 52.36), 19th and Michael Dwyer (run 41.15) finished a highly respectable 16th out of 37 finishers. Competing as an individual in the cycle James Veale was clocked at 49 mins. which would give them 10th place in the cycle section of the team event. Likewise Tony Murray cycled the 30K in 48 mins., the same time as Tony O'Mahony who was 8th in his section.

## PARK HOTEL SPORTS STAR OF THE MONTH

The Park Hotel Sports Star of the Month for August is Waterford's and Ireland's glamour girl of the track, Susan Smith. At the World Championships in Athens, Susan smashed the Irish 400 metres hurdles record for the seventh time and finished a very creditable seventh in the World Championship finals. Susan's time of 54.61 secs. in heat 3 of the 400 metres hurdles first round knocked almost 2 seconds off the old Irish record held by Mary Appleby. This new record ranks Susan as no. 2 in Europe and eight in the world and gives her automatic qualification for the 1998 Grand Prix Circuit. **▲ Photo shows Fr. ## RAY McCONNELL RUNS IN GREECE THIS FRIDAY

It's the toughest ultra distance run of them all and it takes place this Friday over a distance of 153 miles taking in the historic Athens to Sparta route in Greece. Ireland's leading ultra distance runner Ray McConnell from Tubrid, Cappoquin will be attempting to finish this grueller for the first time out of three starts. It has been Ray's ambition to complete this run since he first started running long

distances and more so than this year he has put everything into his preparations.

Following his successful run from Dublin to Dungarvan last March, Ray became a full-time runner in preparation for Athens, courtesy of his employers Cappoquin Chickens. The West Waterford A.C. runner knows from experience how tough this run will be and he says that the easier parts of the event are even hilly. Ray picked up an injury recently but following treatment, he hopes to be in full fitness and he and his wife Sylvia headed off to Greece last weekend to prepare for the greatest challenge of his running career.

The couple's trip to Greece has been sponsored by food chain Abrakebabra

but Sylvia won't be just making up the numbers as she will be in charge of Ray's water and food intake and she will be monitoring his progress as in former runs. In a trip from Galway to Dublin a few months ago, Ray had to withdraw due to dehydration and this will be an area watched closely on Friday.

Ray has received great support from the Gerry Ryan Show team and they will be in Greece with a report on Ray's progress about seven hours into the run which will be broadcast on Friday morning around 11.30 a.m.

The local athletic scene wishes Ray all the best this Friday and hopefully he will experience the success he so richly deserves.

## OCTOBER BEGINNERS RUNNING LEAGUE

A running league aimed at beginners and also catering for experienced runners will be held in St. Augustine's College, Abbeyside for the first four Wednesdays in October. Starting times each evening are at 6 p.m. and 6.30 p.m. to suit all comers and the distance for beginners is two laps (2 1/2 miles) and four laps (5 miles) for experienced runners. Entry fee each night is £1 and the league may suit older juveniles and those preparing for the Michael C. Nagle race on Sunday, October 19th. Give it a go this October. Running is the best way of losing weight and getting fit. First night is Wednesday, October 1st.

## CORK HALF MARATHON

West Waterford A.C. finished fourth team in the Cork Half Marathon held last Sunday week. Seven runners made the trip to Cork and they finished as follows -

10. Michael Roche (76.31), 12. Gerry Cantwell (76.51), 55. Finbarr Kelly (85.05), 75. Anthony Dwyer (88.35), 80. Michael Wade (89.00), 95. Ray Burke (92.03), 114. Dermot Dwyer (94.44).

## CONGRATS' TO U-16 LADY FOOTBALLERS

Well done to former runner Nicky Sheehan and his Waterford under-16 ladies football team who won the All-Ireland final against Monaghan recently. A former winner of the Colligan Cup, Nicky is planning a return to the local running scene over the winter months starting with the October League next Wednesday.

## DUNMORE EAST TO PASSAGE EAST 10K

Waterford's leading distance runner James Sullivan retained his 10K title in the Dunmore East to Passage East 10K last Sunday. West Waterford's Tom Bennett ran very well to finish second in 32.53 behind the winning time of 31.25. The leading vet was Tom Burns who finished third in 33.26. The other vet winners were Con Kelleher (39.02) under 45 and Mick Neville (37.31) under 50. The first lady finisher was Catherine Hennessy (New Ross) in 37.55 and a total of almost 70 walkers took part as well as the 36 runners. ## BERNARD GORMAN'S CUP OF JOY

Last Sunday was one of our Golfer of the Year competitions when the M. R. McCarthy Cup was played for in windy and at times wet conditions. In the circumstances Bernard Gorman's 68 nett playing off 13 handicap was a fine score. He edged out Patsy Horsom (9) by one stroke. Donal Williams (5) won the gross to record his fourth win in three weeks.

18 Hole Stroke - M. R. McCarthy Cup

### SATURDAYS v PAR SINGLES

Even though the timesheet for members was limited due to the pre-booking of the course by three societies, members turned out in numbers for our first v Par competition for quite some time. Very interestingly the three prizewinners played together.

John Moroney (9) playing in his first competition since a knee operation proved the best of the three-ball with a score of one up.

the Knocknagranagh Derby thereby winning a trip for two to London for his owner. David Hayes' "Mayomay" won the Dungarvan Oaks and we wish David and Deirdre a happy holiday. The best appropriately dressed lady on the night went to Finola Kelly and the best dressed man to Seamus Fitzgerald. Once more we

are indebted to our sponsors and we wish to thank them for their generosity. We also wish to thank most sincerely all those involved in the organising of the night under the chairmanship of Patsy Horsom.

## COMPETITION RESULTS

**President's Prize** — Friday, Sept. 19th - Sunday, Sept. 21st - 36 Holes Stableford — Last weekend our last major competition of the year was held - the 1997 President's Prize. This year our president, Mr. John McGrath presented a magnificent Waterford Crystal lamp for the winner complemented with an array of Waterford Crystal vases and bowls for the other prize winners.

The competition got underway with qualifying rounds on Friday afternoon and all day Saturday to find the best 72 scores to go through to the final on Sunday. The weather conditions over the weekend were both wet and blustery and coupled with the demands of our challenging new 18 hole course, high scores like those produced in years gone by on our old 9 hole course were non-existent.

With the exception of a magnificent 40 pts. from Thomas Hogan (15) high scores were rare and hard to come by and a first round score of 36 pts. would have put you out in the last four on the final day. Some of our normally good golfers found the going very difficult and even failed to qualify. The south easterly winds made club selection very difficult and the so called easy holes proving quite difficult. The par 3, 7th (index 18) of 150m taking nothing less than a 3 iron to reach and most were

unable to reach the par 3, 14th (index 9, 197m) even with the driver.

The forgiving nature of our old 9 hole golf course is now but a distant memory with all competitors over the weekend unanimous in their claim that the course designers have fully succeeded in creating a truly challenging and splendid 18 hole golf course.

Michael Murray (19) who scored 34 pts. in the opening round recorded a splendid 40 pts. for the final round and raced through the field and posted a score of an aggregate 74 pts. and became the early clubhouse leader.

Michael Kavanagh (13) in the penultimate group produced solid rounds of 36 pts. and 38 pts. on the first and second days respectively to accumulate 74 pts. also become the nearest challenger but was to lose out on the countback from the last 18.

The leaders after the first day were unable to recapture their form again for the final day and so only challenged for the minor placings. Our ever popular and hard working hon. secretary Eugene Collins came out best from this leading group accumulating a total of 71 pts. to take overall third place. Eugene's challenge for the 1997 title was well on target until his challenge faltered on the rocks of the treacherous coastline of the 15th and 16th holes.

Micheál McGrath (16) and Ned Murray (19) each pro-

ducing two fine performances accumulated 70 pts. and 69 pts. to take overall 4th and 5th respectively.

This writer had the pleasure of playing with the winner Michael Murray in the final round and witnessed his wonderful performance and I'm sure we'll see Michael in the winners enclosure several more times in the future.

The magnificent prizes were presented at the GoldCoast Golf Hotel on Sunday night. An abundance of food was provided and any absent members missed a wonderful night's food and entertainment with music supplied by "Seattle".

On behalf of GoldCoast Golf Club I would like to take this opportunity to thank our president, Mr. John McGrath for making available to us the members a magnificent new 18 hole golf course and leisure complex with a range of facilities that can compare with the very best in the region.

The winners in detail are as follows - Winner: Michael Murray (19) 74 pts. (2nd - 18), 2nd: Michael Kavanagh (13) 74 pts., 3rd: Eugene Collins (23) 71 pts., 4th: Micheál McGrath (16) 70 pts., 5th: Ned Murray (19) 69 pts., Best 1st Day: Thomas Hogan (15) 40 pts., Best 2nd Day: Gary Dunford (14) 41 pts., Best Gross: Mick Ahearne (9) 53 gross, 2nd Gross: Liam Fitzgerald (8) 48 pts. gross, Best High Handicap: Maurice Fennell (20) 67 pts., Best Ladies Prize: Deirdre

There was an excellent turnout in the Murphy's Brewery sponsored Open 18 Hole Stableford played over the weekend. # Colligan Woods Riding Club Notes

Several club members were busy during the summer season. In August Louise Moloney, Caroline Queally and Donna Coady entered a one-day event which was hosted by Millroad Riding Club and held in Tipperary Equestrian Centre. Caroline came fourth in the Intermediate section, Louise was fourth in Advanced Intermediate and they both came fifth in the Intermediate Doubles. Donna, who entered the cross country, had a very good run on the day.

At the end of August Louise Moloney entered the Sportsman Amateur Competition in Millstreet. On her first day she came first riding "Ryan's Glory" owned by Maigread Lavan in the A.A. section. On the Saturday she came third. It was a fantastic achievement for a club member to have done so well at such a high standard event. Caroline Queally, who entered the same competition in the A section, was very unlucky to have been beaten against the clock in her second round.

Once again Louise did the club proud at the Tramore Gymkhana coming first in the Amateur Section on "Ryan's Glory". She really was like lightning as she beat the second placed rider by a staggering 10 secs. against the clock.

Ballyrafter Riding Club hosted a gymkhana at the start of September and once again there was a good turnout of Colligan members at the event. In the Primary section Mairead Kennedy was second riding "Katie" and Martina McGrath was third on "Sam". Mairead was also fourth in the Primary Dressage. In the Intermediate Showjumping Caroline Queally had a fantastic win and came first riding "Barracree Mist". In the Advanced Intermediate, Louise Moloney once again showed her expertise by coming first on "Ryan's Glory" and second on "Hi-de-Hi". Eileen Gee came fifth in the Intermediate section riding "Chestnut Dream".

In the team event the new 'super team' from Colligan was made up of Louise Moloney on "Ryan's Glory", Caroline Queally on "Barracree Mist" and Eileen Gee on "Chestnut Glory". They really did the club proud by coming first in this event.

At a recent meeting of the club a programme of events was drawn up for club members. On Saturday, September 27th members can enjoy a night's bowling. Non-members are quite welcome to join in so please contact the Club Secretary if you intend going. A Fun Night is planned for October 1st in Colligan Equestrian Centre. If the last Fun Night we had is anything to go by, it should be a great night's entertainment so be sure and get there early. On Bank Holiday Monday, October 27th the club will host a Hallowe'en Gymkhana. This will be Mini, Midi and Maxi Showjumping. There will be a prize for best riding club horse and there will also be a novelty event of a witches/warlock relay race. All enquiries should be made to Karen (Club Secretary).

On November 1st we hope to take a bus trip to Millstreet to see the Volvo Speed Championships and once again non-members would be very welcome to join us on this trip.

Our Annual General Meeting will be held on November 19th at 9 p.m.

Finally I would like to congratulate Club Chairman Francis Dwane and Bernie on the birth of their baby son recently.

## AIB STRIKES HILL CYCLE

## Kelly Puts Yellow Jersey Holder Under Pressure

It's down to the last week for the AIB Strikes Hill cycle - relief for many of us no doubt. Our long standing leader, Mark Flavin still holds the yellow jersey after week 5, but Joe Kelly is hot on his heels having improved his time considerably last week to 12.32.

The wet, miserable weather failed to deter the 35 riders who turned up last week, many of whom recorded a personal best despite the conditions.

AIB cyclist of the week goes to Danny Whelan who improved his time by 3.17 to record 17.33. Also impressive on the night was Jim Meehan on 15.41.

School's back and the pressure is on for CBS staff Tony Ryan and Maurice Kearney with only 3 seconds between them. Meanwhile in the Telecom battle Francis Barry still leads John Houlihan. Does Michael Roche's bike come complete with new legs?

Tonight's the night when every rider will be giving his/her best over the course to achieve their own target time. As the weeks have

passed, many cyclists have improved their own individual fitness level and Strike's Hill is no longer the near impossible uphill battle it used to be (for some anyway!).

Can Mark fend off the strong challenge of Brian Geary, Joe Kelly and Thomas Hogan? All will be revealed at the prizegiving ceremony at the Park House on Friday night, September 26th at 9 p.m. sharp. No results will be given out until then.

Also on the awards night, a short discussion will be held on the formation of a local leisure cycling club. It is expected that a small working committee will be formed to investigate the possibility of forming such a club.

Remember tonight's cycle gets underway at the earlier time of 6.30 p.m. and riders will be let off as they arrive.

Team positions after week 5 are;

1 Thomas Hogan 537 min. 6 sec.; 2 Eoin O'Riordan 543 min. 7 sec.; 3 Tony Murray 549 min. 26 sec.; 4 Ray Dwyer 550 min. 28 sec.; 5 Edward Kelly 550 min. 54 sec.; 6 Mark Flavin 555 min. 53 sec.; 7 Joe Kelly 559 min. 4 sec. 8

Pictured above at last Wednesday's A.I.B. Strike's Hill Cycle are (l. to r.) Danny Whelan, cyclist of the week, Willie O'Driscoll and organiser Noel O'Doherty.

## CUNNIGAR PITCH AND PUTT CLUB NOTES

## MARVELLOUS SEASON COMES TO AN END

Once again the curtain has come down on another season for our club and what a fantastic season this has been with many fine victories by many of our players away from home. Another All Ireland champion winner in Deaglain De Paor were the highlights of the year for our club. Our open weekend and first ever scratch cup were a great success. Our course is improving. All credit for this must go to our FAS workers. To our outgoing chairman Francis McCarthy who over the past two years has given outstanding service to the club, we say many thanks Francis. To all our sponsors, once again this year they have done our club proud with a truly wonderful calendar of tournaments.

The Cunnigar Club is a tourist attraction for the town of Dungarvan, many tourists have passed through

our gates over the years, people from all over the world, indeed our calendar of events has got high praise from many quarters and all this is due to all our sponsors. All we can say is many thanks and long may it continue. To the U.D.C. and the County Manager

and Gabriel Foley for all their help, thank you.

**CONGRATULATIONS**  
To Leonard Duggan we say the very best of luck as chairman for the year ahead. Our mens captain Frankie Wright and lady captain Mary Morrissey all the best for the year ahead.

## LOTTO

No winner of our jackpot last week. The numbers drawn were 5, 9, 22, 26. Three lucky winners of £20 each were Caroline O'Donnell, Aileen Kiely, Jimmy Cockwell. Our jackpot this week will be £900. — Shout Fore

## K.C.K. ATHLETIC CLUB NOTES

Sean Browne got us off to a great start in the Boys Under-9 80m to take third place in the final and collected his first trophy, hopefully the first of many.

# MINNIES SQUASH CLUB NOTES

## MAGNIFICENT VICTORY FOR PAT O'BRIEN

Last weekend September 19-21 an earlier than usual Cork Open sponsored by T.S.B. took place at the various venues around Cork City. The reason for its earliness was a request from the National Body so as the event could be used as a ranking event to help in the selection of the Irish team for the forthcoming world event in Malaysia. For this reason a star studded 'A' section took place. It was great for the Minnies club to be represented here with Paul Freyne flying the flag. He began the event ranked 9th and ended the weekend on the same ranking, winning three of his four games. On Friday night Paul faced Darragh O'Flynn (who was the eventual third placed finisher). After the first two sets things looked very good for Paul after winning the first 9-7 he held a 7-2 lead in the second and who knows what might have happened had he gone two-nil up but it wasn't to be as O'Flynn won the second 9-7 and went on to win the third and fourth. Paul was in super form against Ken Flynn in his second match winning the first and third sets 9-0 as he won 3-0. In match three Andre Maur was beaten 3-1 while in his fourth match Paul rounded up a satisfactory weekend beating Rory Jordan 3-1.

The star of the weekend without a doubt was Pat O'Brien playing in the 'B' — during the summer while most of us were working on expanding our waistline Pat and the aforementioned Paul worked very hard on their fitness and courtwork, this was to be the first test. Pat opened up on Friday night against number two seed and Irish selector Jack Allen against the odds and opinion of many of the "experts" Pat was victorious 3-1. In the semi final Pat faced Michael Bradley — Pat was simply awesome here as he pulverised his opponent 3-0 for a very satisfactory win. So to Sunday's final and what a daunting prospect as Pat faced John McKay, to those who know their squash they will know that John has represented Ireland on many, many occasions and quite recently even, he is also the mens captain for the current Irish team — and it goes without saying he was the top seed in this division.

In set one McKay, displaying beautiful touches, raced away to a 6-0 lead, Pat clawed back as he began to settle bringing it back to 3-6

before McKay took it 9-4. In set two Pat, encouraged obviously by some sound advice by Paul Freyne, took a 5-2 lead — McKay pulled back to 4-5, Pat edged ahead and served 8-4 for the set, the experience of McKay saw him pull back to 7-8 before Pat got in again and served out 9-7. In set three McKay stormed out of the blocks with leads of 6-2 and 8-3 but unbelievably Pat, who covered every square inch of the court, showing remarkable speed and stamina chipped away at the lead and pulled it back to 8-8 before taking it 10-8. In the fourth McKay again raced ahead 5-1 but again Pat's training efforts paid off as he gobbled the lead and gave McKay only one more score as he won a magnificent fourth set 9-5.

To put Pat's win into perspective, on several occasions McKay had Pat chasing around the court like a rabbit, but Pat on most occasions would grind him down to take the point to the disbelief of McKay he could only look to the crowd in complete amazement.

Another interesting item a sort of fly on the wall situation, while in the dressing room the top players were getting ready for their matches and others were just finishing, the unanimous thought was John would easily win 3-0 — you proved them wrong Pat, well done mate.

As my own tribute to Pat all I can say is I know Pat squash-wise since a very early age, I have seen him play so many times winning big games, losing big games, but I have never ever seen such a complete and accomplished performance from the big man and undoubtedly this has to rank as the biggest victory of his career, once again well done mate.

## SIOBHAN O'MAHONEY VICTORIOUS IN PLATE

Pat and Paul weren't our only performers in the mens 'B' Pat McGovern and Ray Moore were in action. Pat began on Friday night against the Orchard's Jim Prendergast, working very hard, Pat deserved much more than the 0-3 score suggests. It was a case of the same in the plate as Pat faced Ciaran Byrne from Highfield, Pat going down very narrowly 9-7, 9-7, 10-8. Ray found himself top seed on the strength of his Cork Closed victory at the end of last season. James McSweeney from Falvey's

was Ray's first opponent, after some long opening exchanges Ray took control to win 3-0. In the second round Ray faced Falvey's Aiden Bowen it was a similar situation, close early start before Ray won through 3-0. In the semi final Ray faced Christy Looby from Highfield — despite breaking strings Ray was a comfortable 3-0 victor. In Sunday's final Ray faced Joe McSweeney from the Orchard and unfortunately for Ray his jinx against this unorthodox opponent continues — after losing the first set, Ray came back well to level things taking the second — he opened an early third set lead before his challenge went off the rails as he went down 1-3. The Crystal's Michael Fitzgerald took part in the mens 'E' where he reached the final where he went down 3-0 to Gerry Conaughton from Thurles.

Our sole lady competitor was Siobhan O'Mahoney in the 'C' event. It was a complete nightmare for Siobhan on Friday night as everything went wrong as she lost 3-0 to Judith Coughlan from Highfield. On Saturday in the semi Siobhan played extremely well for despite a second set lapse she outclassed her opponent Dorothy Claffey 3-1. So to Sunday's final against Claire Coughlan — well it was nearly not to Sunday's final as Siobhan and Michael Fitzgerald had a bit of misfortune on the road but thank God everyone came out o.k. Siobhan was in superb form, after going behind 4-3 she roared back to take the opener 9-4. In the second Siobhan's 5-2 lead was eaten up as she trailed 6-5 but again she bounced back to take the set 9-6. It was all one way traffic in the third as Siobhan breezed through 9-1 for a very brave victory.

All in all a great start for Minnies on tour at this very early stage.

## JUST TO SAY

Just to say that the four courts are now starting to get quite busy and the sheets are expected to be in operation soon, mind you I think Billy S. and Pat B. are none too impressed that their weekly game on court four is being threatened.

Expect news soon of the seasons opener the Inter Firms, watch this space for more details.

For those of you not back playing yet, I hope you've read the accounts from Cork and you can see the show is definitely on and moving. — Talk to you soon.

# Waterford Cyclists Take On Canadian Rockies

Photo shows the Waterford contingent who took part in the Blazing Saddles Canada 1000 Cycle. Here the group take a break at Harrison Hot Springs before heading off on the last stretch to the Vancouver (l. to r.) Paul Butler, Carrick-on-Suir, Tony Elsted, Dungarvan, Eddie Elsted, Dungarvan, Sean Kelly, Dermot Blount, Tramore and Liam Connors, Faha.

## ALMOST £1/4M RAISED FOR NCBI

Three Co. Waterford cyclists formed part of a 130 strong travelling party last August when they took on a great leisure cycle challenge in Canada as part of the high profile Irish Blazing saddles event.

Tony Elsted, an employee of Waterford Crystal and his brother Eddie from Ballinacourty teamed up with Liam Connors of Faha over a nine day constant cycle from Calgary to Vancouver in aid of the National Council for the Blind of Ireland (NCBI).

The 1,000 km. cycle across the Canadian Rockies was led by former world professional cyclist Sean Kelly while also taking part from Co. Waterford were Paul Butler of Carrick-on-Suir who is cycling in Boston with a team called Merlin and Dermot Blount of Tramore.

Each cyclist raised £3,000 prior to the route, which amounted to almost £250,000 in profit for the National Council for the Blind of Ireland. Tony, Eddie and Liam raised in the region of £10,000 between them. This proved to be the most successful tour by Blazing Saddles so far.

Annually, the Canadian 1000 is the biggest international overseas charity sporting event from Ireland to travel abroad.

The money is already being used to build six apartments at the NCBI's training centre in Drumcondra which will encourage blind and visually impaired people from all over the country to attend the centre.

Well known in local cycling circles, the Elsted brothers and Liam have taken part in numerous fundraising cycles down through the years.

The Blazing Saddles group arrived in Calgary, Alberta on August 14th with each busload being accorded a motorcycle escort to their hotel. On Friday, August 15th, a 'Welcome to Canada' breakfast was hosted by the Irish Cultural Society of Cal-

gary and the first stage got underway through Banff National Park. Great emphasis was put on safety and cyclists were told to take the journey at their own pace.

Stage 2 took in several climbs over the 56 mile route to Golden. The group had to adjust to persistent rain and low temperatures, poor visibility, shortness of breath due to the altitude and passing traffic travelling at great speed. The third stage was a tough 109 miles over undulating terrain. At this point in the journey, the cyclists passed through Rogers Pass, the highest point of the Rockies route where they actually cycled into the different time zone of British Columbia.

The time difference seemed to improve the weather conditions and the group rode at break neck speed down Rogers Pass, sometimes reaching 50 miles per hour.

The fourth stage, encompassing 81 miles, took the group from Three Valley Gap to Vernon and from there it was a 75 mile journey to Penicton. On arrival in Penicton, the riders looked forward to a rest day but it was not to be for the Waterford contingent who were chosen to take part in a top level race - the Sean Kelly Exhibition Criterium. The race lasted just under one hour and attracted over 30 professional category 1 and 2 Canadian cyclists who were

out to test cycling legend Sean Kelly. Paul Butler finished first just ahead of a Canadian cyclist with Sean Kelly third.

The rest day over it was back to stage 6 which took the riders on a tough non-stop climb at 1,352 metres to Manning Park. This was the toughest stage of the cycle with each rider taking it at his/her own pace. Some of the stronger cyclists took it in turns to push the tandems with blind or partially sighted cyclists uphill. Apart from the cycle, riders took time out to be with the visually impaired cyclists and a great camaraderie developed between all members of the group.

The last three stages brought the group 184 miles to their final destination from Manning Park to Harrison Springs and on to Vancouver where they enjoyed two days at leisure before returning to Ireland on August 27th.

Commenting on their Blazing Saddles adventure, the Waterford cyclists said they enjoyed the trip immensely and added that the toughest part was the fundraising but with the overwhelming support they received locally, it made the job a lot easier.

"The cycle was well organised, the craic was great and the accommodation was excellent", they stated.

The riders face into the Canadian Rockies as they cross the bridge towards Three Valley Gap

## WATERFORD JUVENILE HANDBALL NOTES

# Spectacular Success In Munster Finals

After experiencing many lean years during which Waterford juvenile handballers were looked upon as good sporting participants, but little threat, the tide has turned dramatically in the 1997 championships with our young county players powering their way to Munster victories in the 60 x 30 handballing code. The spectacular and record setting nature of this major breakthrough 3 Munster titles for the county is a most welcome development and all involved in this most noteworthy sporting achievement are to be congratulated.

In mounting the challenge for several Munster titles, it was perhaps fitting that the ground was broken and the standard set by Waterford's existing juvenile All Ireland champion, David McAndrew, Ballinroad, who won the All Ireland title in the 40 x 20 court in Armagh earlier this year. David lined out against a much fancied Tipperary player, Donal O'Riordan, a natural left handed player of the game who had easily dismissed Clare and Cork opposition in the earlier rounds. The three top juvenile grades under 17 singles and doubles and under 16 singles had been rescheduled for Ballina, Co. Tipperary on Friday night and with the home court to O'Riordan, it was felt that the winning of the under 17 singles would be a knife-edged affair. On the night however, the Ballinroad youth, totally dominated the first game with top class serving and powerful play that kept his opponent under pressure and never let him settle. While O'Riordan rallied a bit in the second game taking the lead for a period, David won comfortably 21-6, 21-10. By so doing he has established himself as Munster's top juvenile player in both codes for 1997, a great achievement given the varied and distinctive skills required for both courts.

Waterford's representatives in the under 17 doubles Ricky Keane, Kilgobinet and Willie O'Brien, Rathgormack, faced Michael McNamara and Michael Purcell of

Tipperary. The Waterford players had to dig deep into their resources to overcome a very determined and able Tipperary combination. From start to finish this contest was a tense affair with fluctuating periods of supremacy that had the audience captivated. In the first game alone, the sides were level five times before Waterford claimed the game aided by some great services from O'Brien, winning the match 21-13. Despite that win, Tipperary dominated much of the second game and Waterford found it hard to edge ahead only finally doing so after achieving 15 all. The closing stages of this match saw an epic struggle which brought out the best in Ricky Keane who chased and returned balls from the most difficult of angles. The skill and determination of the Waterford duo prevailed on the night and Waterford supporters heaved a sigh of relief when Ricky's difficult game ball service proved too much for the opposition, 21-13, 21-19. For Willie O'Brien this win has special significance in that earlier this year he partnered Raymond Bannon in also winning the 40 x 20 Munster title.

In the under 16 singles Tony Power was outclassed by the very experienced Seamus Lawlor of Clare. The Rathgormack youth certainly gave it his best shot and while he pulled off some good aces with well placed serves, Lawlor was never in serious danger and won 21-6, 21-8.

Sunday saw the action swing to Ballmacelligiot handball court, Co. Kerry where Waterford's Joe McGovern and Joe Wall contested the under 12 and under 14 singles respectively. While both players certainly put in great effort, they were beaten on the day by stronger opposition.

The under 15 doubles final saw the recent pairing of Philip Butler, Dungarvan and Barry McAndrew, Ballinroad, really rise to the big occasion and turn in a brilliant display to overcome Cork opposition of D. O'Keefe and J. Lucy. Philip Butler set the pace from the outset by delivering great 3 walled serves that left the Cork duo floundering. Barry

McAndrew proved very consistent on the right of the alley and Waterford ran out winners 21-7, 21-11.

The final match of the day was the under 16 doubles where Ciaran Shield, Ballinacourty and Kenneth Keane, Kilgobinet, met a very strong Tipperary pairing, David Hickey and Noel Moroney. While Waterford got off to a good start they were quickly overhauled with Hickey in particular on top form. Waterford found it hard to make an impact and while they fought to the last the result went in favour of Tipperary, 21-14, 21-10.

When one considers that Waterford's juvenile Munster medal haul up to this time in the 60 x 30 court has been limited to one — held by John Wall, Colligan from his under 12 win in 1995, this weekend's results has to be viewed as a major breakthrough for handball in the county and there is great delight at this success.

At the conclusion of the finals, Peter Dennehey, Cork, Secretary of the Munster Handball Council, paid special tribute to Waterford's juveniles stating that he was highly impressed by the impact they had made on this year's championships and congratulated both players and mentors on coming through so strongly. He expressed the view that while many counties with expectations had been taken on the hop this year, in the future they will certainly be looking on Waterford's juveniles as a force to be reckoned with. Mr. Dennehey also acknowledged Bro. Spring's great contribution to fostering juvenile handball and that it was ironic to see him returning to his native sod to claim titles in such an impressive manner for his adopted county, Waterford.

The All Ireland semi finals have been fixed for a Laois venue in two weeks time and Waterford will take on the Leinster winners in the under 17 singles and doubles and the under 15 doubles in their attempt to progress on to All Ireland honours.

## NAOMH BRID G.A.A. CLUB NOTES

# Hurling Tournament Ends In Exciting Finish

Saturday last Kirwan Park was a sea of colour as six teams from Touraneena, Modeligo, Ballymacabry, Newcastle, Dungarvan, Cappoquin and Brickey Rangers gathered for the first Naomh Brid hurling tournament with young girls and boys from 6 to 10 making up the teams.

The days proceedings got underway just after 1.30 with Naomh Brid beating Newcastle 4-2 to 0-0 on pitch one and Brickey's beating Fourmilewater 2-0 to 0-0 on pitch 2.

Next up on pitch one was Naomh Brid and Cappoquin. This was a very close game which Naomh Brid just edged 1-2 to 1-1. Meanwhile on pitch 2 Dungarvan were beating Fourmilewater 3-2 to 0-0.

The third round of games was the most important in the league section of the tournament. Cappoquin on pitch one beat Newcastle 5-2 to 0-0 and so advanced with Naomh Brid into the semi finals. On pitch two Dungarvan and Brickey's played off to see which fin-

ished on top of the table. Dungarvan won 2-0 to 1-1.

In the play-off for 5th and 6th place Fourmilewater beat Newcastle 2-0 to no score before the semi finals. The semi-final pairings were Naomh Brid v. Brickey's on pitch one. Naomh Brid played with a strong wind in the first half but never made use of it. Brickey's in the second half did use it to record a 2-4 to 0-1 victory. On pitch 2 it was the battle of the two town sides with Cappoquin recording a 1-0 to 0-1 victory to reach the final.

Despite the scoreline the final was a thrilling affair which was enjoyed by all who stayed to watch it. At half time the scoreline read 0-0 to 0-0 and it was the same at the end of the second half.

A group of Naomh Brid committee members and supporters decided that two extra periods of extra time lasting five minutes would be played. Brickey's were first to score as they went two points up, and then Cappoquin goaled to give

them a one point lead. Brickey's then scored another point to leave the final score after extra time Brickey's 0-3 Cappoquin 1-0.

This gave the committee a further headache, should another period of extra time be played, should the cup be shared or should a free taking competition take place. It was decided that a golden score would decide the tournament. Brickey's won the toss and played with the wind. From the throw-in Brickey's attacked and scored a point to give them the title of first Naomh Brid hurling tournament champions.

After the game popular club chairman Vince O'Donovan presented the Touraneena Juvenile Cup to the winning captain and a set of winners medals. The Cappoquin team were presented with runners up medals.

Throughout the afternoon some fine hurlers were on view. Naomh Brid had fine performances from Aidan Hickey and John and Niall Power. The most unlucky player of the afternoon not

to score was Jordan Corbett from Newcastle. Cappoquin had some good performers as well. Former county selector Ollie Wilkinson, had two sons on the Cappoquin team. The eldest of them, Cathal, impressed in the early rounds.

However the best performer of the day was Johnny Cooney from the Brickey's. Johnny was rock solid in defence during the day and will be a name to look out for in the future.

It's nice to see so many with a genuine interest in the G.A.A. in attendance. Billy Walsh was over the Fourmilewater team, Matty McGrath and John Egan were over Newcastle, Eddie O'Shea and Mick Lacey were over Cappoquin and Dungarvan has Pat Curran in charge. Naomh Brid had former inter county hurler Declan Fitzgerald in charge. It was nice to see these men put something back into the G.A.A.

There are several people the club would like to thank, Pat Fitzgerald and James Connors were very

capable referees during the day. John Patrick Fitzpatrick and David Meaney were also in attendance during the day. Billy McCarthy, John Mike Power, Tom Condon and John Queally were amongst the umpires. Paddy Joe had the field in perfect nick. Thanks to the teams that took part and to their supporters who made each game have an enjoyable atmosphere. A special thanks to Declan Fitzpatrick for arranging this tournament. There are possibly others not mentioned who helped out on the day or in organising the event who are not mentioned. To all of these we thank each and everyone of you.

Naomh Brid had a panel of 19 for the tournament. The panel was J. J. Coffey, Johnny Buckley, Shane Hourigan, Seamus Power, Niall Power, Aidan Hickey, Jamie Cullinan, Stephie Bumster, Sean Fitzpatrick, Tommy Buckley, Tommy Cashman, Diarmuid and Eoin Walsh, Kieran McCarthy, Paddy O'Donovan, Shane Foley, John Power (T), Shane

Marks and John Power (M).

It is important now that each player does as Declan told them in the dressing room after the game, each player should take out their hurley and ball every evening after school and practice hitting the ball on the ground with their good and bad sides off the wall.

### UNDER-12'S

Our under 12's received a walkover from Cappoquin last Thursday. In a challenge between the two sides Naomh Brid has a comfortable win. Tonight we travel to Knockanore for a game with the Shamrocks. The bus leaves Touraneena at 5.30 p.m. sharp and Modeligo at 5.40 p.m. The bus will not wait for any players. Any player wanting to be picked up at a venue other than the phone box in Touraneena or the school in Modeligo should let it be known. Our remaining fixtures are posted on the notice boards in the two schools and the Community Centre in Touraneena. We are trying to arrange a few challenge games at present.

## JUNIOR HURLING

Training continues every Tuesday and Thursday night. We are now preparing for the County League Final in Junior hurling in which our opponents will be Portlaw. A win here would ensure promotion to the Intermediate League for 1998. No date has yet been set for this fixture.

## MINOR HURLING

We made our exit from the Minor Hurling Championship last Saturday in Dungarvan when we went under to a stronger Stradbally team in the Western Final. We started very well and raced into an early lead. Playing with a near gale force wind, we failed to capitalise on all the play we had and then on the stroke of half-time conceded a very soft goal. After this we were always chasing the game. The final score was Clashmore 3-3 Stradbally 3-12. Best for Clashmore were Gary O'Rourke, Karl O'Keefe, Ed Beresford, Roger Ryan and Barry Dunne.

Team: Gary O'Rourke, Pa Troy, Noel McGrath, Donal McGrath, Karl O'Keefe, Shane Allen, Ed Beresford (0-3), Roger Ryan, Stephen Barron, Barry Dunne (0-3), Brian Dunne (1-0), Tomás Burke (1-0), David O'Keefe.

## ALL-IRELAND FOOTBALL TICKETS

The draw for the All-Ireland football tickets will take place in the Clubhouse on this Thursday night at 9 p.m. Once again I must stress that only fully paid up members can participate in the draw and if you win a ticket and are not travelling, you must give it to a club member.

## JUNIOR CERT. RESULTS

Well done to all our members who did well in the Junior Cert. last week. A great time was had by all on Tuesday night at different locations.

## COMMITTEE MEETING

A very important Committee Meeting will take place in the Clubhouse on next Wednesday night, October 1st at 8.30 p.m. sharp. The main item on the agenda will be the forthcoming trip to Ennis on Friday, October 31st - Saturday, November 1st. As only 25 places are reserved, additional people wishing to travel should give their name to any committee member as soon as possible. A deposit will also be required which is non refundable because if the room is booked, it will have to be paid for.

## MINOR FOOTBALL

We are now preparing for the County Minor Football B Final and team trainer Roger Hynes tells me everything is going well and this is a great opportunity of winning a County title. Our opponents are still not known. More details shortly.

## JUVENILE CLUB G.A.A. NOTES

**Under-14 Football** — On Monday evening, September 15 we travelled to Ring to take on the local boys in the third round of the Under-14 Football Championship. We needed a win

CLASHMORE WINNERS OF THE WESTERN HURLING LEAGUE DIV. 2. THEY BEAT LISMORE IN THE FINAL AFTER A REPLAY.

here to keep us in contention. Playing with a near gale force wind, we got off to a disastrous start conceding two goals inside the first 3 mins. The lads steadied however and spent most of the rest of the half camped inside the Ring half of the field. At the break we led by 2 pts.

This did not look to be enough against such a strong breeze but our players dug very deep and put in a fighting second half. The backs defended heroically, midfield fought for every ball and the half forward line of M. O'Rourke, P. O'Rourke and D. Allen were magnificent. The final score was Clashmore 4-4 (16) Ring 4-3 (15).

Team: M. McGrath, J. Seward, G. Kelly, A. Barron, J. Collins, P. Connery (capt.), M. Prendergast, C. O'Keefe, S. Barron, D. Allen, P. O'Rourke, M. O'Rourke, S. Fleming, J. Ledingham, J. Flavin. Sub: M. Burke for G. Kelly (inj.).

**Under-12 Football** — On Wednesday evening it was the turn of the under-12's to

take to the field in the first round of this year's championship. Our opponents in Clashmore were Kilrossanty. Our boys started slowly and it looked for a while as if we would be over run. Kilrossanty kicked three nice points before we got out of our own half. Then a long kick downfield came back off the upright and Conor Coughlan was on hand to knock it to the net. We were back in the game. Sean Fleming quickly had another goal and then added a point before the break to leave us 2-1 to 0-3 in front at the break.

Clashmore were on top in the second half. Sean Fleming added a goal and a point, Cillian O'Keefe also had a goal and a point and team captain Paudie O'Rourke finished off the scoring with a fine point. Our defence closed down the Kilrossanty forwards and limited them to 3 pts. The final score was Clashmore 4-4 Kilrossanty 0-6.

Team: V. Daly, K. Connery, M. Burke, A. Barron, L. O'Brien, J. Collins, E. Kelly, P. O'Rourke (0-1), J. Seward, C. O'Keefe (1-1),

D. Allen, C. Coughlan (1-0), S. Fleming (2-2), N. Beresford, K. Murphy. Sub: R. O'Shea for K. Murphy (inj.).

Our next outing is this Wednesday, September 24 in Ballymacarbry when we take on the Nire.

**Under-10 Football** — An under-10 football tournament is being arranged for Saturday week, October 4 in Clashmore. At least four teams will take part. More details next week.

**Schools Football** — Our schools had a fine win on Thursday when they overcame Tallow in Clashmore. It was good to see so many parents up at the game. This is a competition that we have been doing well in over the last few years. Well done to Brendan Griffin for his work at schools level.

**Underage Training** — There will be no training this Saturday due to the fact that our trainers are going to the All-Ireland.

# St. Olivers G.A.A. Notes

## UNDER-10 HURLING

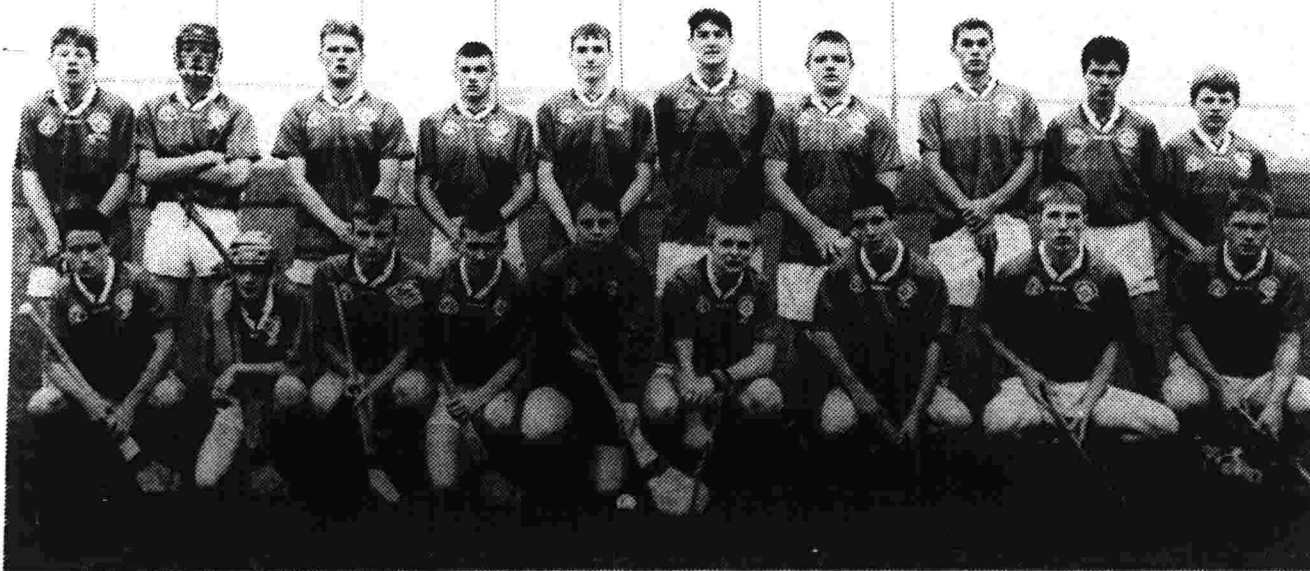

On Saturday last St. Olivers participated in an 8 team hurling tournament in Ballyduff. In our first game we played the host club. This was a very close and exciting game with Ballyduff emerging narrow winners by one point on a scoreline of 1-5 to 2-1. Our second game was against Mallow. This was by far the best hurling game of the day incorporating great striking, good blocking and hooking and above all heart and determination. Both sides gave their all. St. Olivers led until the final minute when Mallow scored the equalising point. In our final game we easily defeated a very young Araglen side by 7-1 to 1-2. Mallow and ourselves progressed as they had slightly better scoring differences of +17 pts to our +15 pts.

Our group proved to be the toughest as Mallow and Ballyduff emerged to meet in the final with Mallow winning. On the day we got some consolation in being the only club Mallow failed to beat.

We would like to thank Ballyduff for inviting us to this well run tournament. Each member of our panel got a run. Panel — Stephen O'Connell, Mark Scanlon, Aidan Browne, Brian Phelan, Jerome Maher, Stephen O'Brien, Kieran O'Sullivan, Edward Walsh, Brian Guiry, Kieran Mernin, Stephen Kennefick, John O'Connor, Stephen Landers, John Harrington, Colm O'Connell, Trina Walsh, Aisling O'Brien, Dean O'Brien and Seamus Ronayne.

## ANNUAL GENERAL MEETING Extracts From Chairperson's Address

Fáilte romhaibh go léir chuig an gcuinniú seo. Tá sé in am arís imeachtaí na bliana a chur ós bhur gcomhair éifeacht ár gcuid oibre a mheas go macánta agus scéim oibre a leagan amach don bhliain atá romhainn.

Cumann na mBunscol**

The Primary Schools Board had a very successful year both on and off the pitch. This is not achieved by sitting back and waiting for things to happen. Such success is achieved by dedication, hard work and sacrifice. We had no delays this year in our leagues which is a great achievement in itself.

We also had a welcome innovation with the boys introduction of the Primary Game for hurling and football in Munster. However many feel that there should be a Primary Game for girls football and camogie.

The teachers had their first County Board A.G.M. in June 1997 and the following officers were elected - Chairperson: Margaret Cunningham (Villierstown), Secretary: Brendan Griffin (Piltown), Treasurer: Brother Anselm (De La Salle), P.R.O.: Seamus Fitzgerald, Teachers Rep.: Breda Cleary (Glenbeg).

Cumann na mBunscoil hope to have more ladies involved in Primary Schools G.A.A. and there will be various seminars held in relation to this matter in the near future.

## UNDER-14 WESTERN FOOTBALL CHAMPIONSHIP

During the past week we had 2 good wins. On last Friday evening we beat St. Oliver's in Aglish and on Sunday morning we beat Affane in Cappoquin, and so qualified for a place in the semi final.

## INTERMEDIATE HURLING WESTERN CHAMPIONSHIP

We have been informed that a decision by the Board to have us play Colligan in the final at Dungarvan on October 11 was made over the weekend. We just wonder if the Board realised that we would have to travel 30 miles, while our opponents are only 2 or 3 miles from the venue. We just wonder why the central venue at Cappoquin was overlooked.

In the meantime we have to continue with our training programme for the game. all panel members to be at the field on Tuesday, Thursday and Friday evenings.

### CLUB LOTTO

At a recent committee meeting it was decided to start a club lotto which will be launched on this Saturday night at Shamrock Inn, Knockanore and we hope that it will have a 100% support.

### SYMPATHY

Our club extends deepest sympathy to Ann Tobin, Ballyhamlet on the death of her uncle in Cork. Also to popular intermediate player Michael Motherway and his family on the expected death of his uncle, Tom Kelly, who died at the weekend. Ar dheis De go raibh siad.

## TRIP TO MOONCOIN

On Saturday morning last 35 young hurlers in the age groups under 9 and under 11 made the trip to Kilkenny to take on Mooncoin in rearranged fixtures. A great day out was had by all with some great displays of skillful hurling despite the poor underfoot conditions and as the boys returned home great hope was expressed for these lads future and it augurs well for the club in general with hopefully these very skillful youngsters set to wear the blue and white of the "Old Boro" with distinction in the years to come.

We would like to thank the mentors Chris Meehan and Diarmuid Curran, P. Fitzgerald, M. Tobin and Ml. Keating.

On the same day the under 10 hurlers were in Touraneena with mentor Pat Curran for a 10 a side tournament.

In the first game the boys had a win over Fourmilewater and followed it up with a win over the Brickeys. Dungarvan topped their group and played Cappoquin, runners up in the second group. Cappoquin won this game despite Dungarvan having most of the possession, a brilliant display by the Cappoquin goalkeeper was a feature of the game. After the games the boys received refreshments and we would like to thank the organising committee for the invitation to take part. Brickeys were the tournament winners.

An Foireann — B. O'Shea, F. Sexton, W. Whelan, D. Murray, K. Wall, B. Bannon, J. McDonagh, C. Cowring, C. Troy, M. Murphy, D. Cregan, K. Kiely, M. Dunford, B. Moore.

The club would like to thank parents C. Bannon, L. Moore, A. Cregan, M. Dunford and B. Kiely for providing transport to the venue.

### VISITORS

On Thursday next there will be a feast of hurling at the club grounds, something to brighten these gloomy evenings. De La Salle are travelling from the city with under 7, 8, 9 and 10 hurlers. Throw in at 6 p.m.

### FOOTBALL LEAGUES

On Saturday next at 11 a.m. our autumn underage football coaching and leagues get underway. The under 8 and under 10 age groups will be catered for.

### UNDER-12 FOOTBALL TOURNAMENT

Our first game of the under 12 football tournament paired us against the Nire at the club grounds on Wednesday last. Goals from Brian Cliffe and John O'Keefe kept us in front at the interval by 2-1 to 0-3. We can be thankful to our overworked

backline for keeping the Nire's score to 3 points in the first half but the signs were ominous for the second half with our forwards making no headway against the Nire backs and we failed to raise any score in the second half and the Nire ran out deserving winners by 1 point on the scoreline of 2-1 to 1-5.

Panel — James Winters, John Paul Tutty, Danny O'Brien, Michael O'Mahoney, Jonathan Regan, Stephen Kirby, John Ducey, Jonathan Shaw, Trevor Mooré, Jamie Nagle, Brian Cliffe, Kevin Stack, Darren Hamilton, John O'Keefe, T. J. Crotty, Emmet Mullaly, John Flynn, Steve Simms.

Our next game is away to Stradbally on Wednesday, September 24 at 6.30 p.m.

### UNDER-14 FOOTBALL CHAMPIONSHIP

Our third game in the under 14 championship took us to the Mill Field to play the Nire on a dark and wet September evening. Despite being behind on two occasions we led at half time by 2-4 to 2-1 against a tenacious Nire team. We improved our performance somewhat in the second half to run out winners on a scoreline of 5-8 to 3-7.

Panel — Richard Flynn, Sean Houlihan, Sean Walsh, Barry Power, Ricky Tobin, Shane Hayes, Aidan Connolly, Ronan Keating, Barry Sullivan, Joym Lynch, Keith Radley, Dwain Tutty, David Ferncombe, Nicky Donnelly, Eoin Murphy, Conor Considine, Dane Power, Kieran O'Brien, Tony Sheridan, Tom Stack, Paul O'Connor.

Our next game is away against Naomh Brid on

Monday, September 29 at 6.30 p.m.

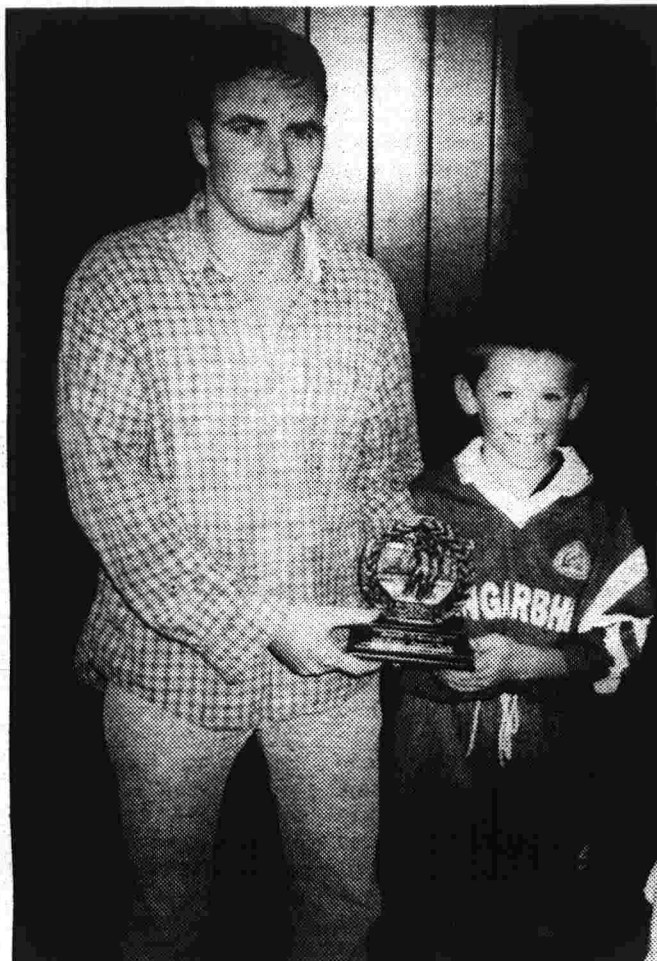

### GET WELL

From all his friends in the club we send very best wishes to Tomas Curran who is at present hospitalised. We hope to see you fit and well very soon Tomas.

### WEDDING BELLS

Congratulations and best wishes to Damien Geoghegan and Natanya O'Ma-

honey who were married on Saturday last. Damien is a member of our executive while his bride comes from a family who are very involved with the club, her brother Trevor is a member of our senior football team while her brother Jason played some brilliant hurling in our recent minor hurling ties against the Village. **ABBEYSIDE A.F.C. NOTES — DIVISION 4B LEAGUE**

# CONVINCING WIN FOR VILLAGERS

**ABBEYSIDE 4 KILBARRY 0**

As the scoreline suggests this was a very convincing win. We were short a few of our regulars but those who took their place were more than capable.

It was a very windy day making conditions hard and virtually impossible to play good football but to our credit we coped far better than Kilbarry. The first goal came from goalie cum striker "Charlie" with a very good finish from a well placed kick-out from "Blobber". A second goal came almost immediately when a cross from the right was put past his own 'keeper by the centre-half from Kilbarry.

The score stayed the same until half-time.

At the start of the second half the game got very scrappy as Kilbarry played long balls over the top, allowing our defence plenty of time to mop up and start again. Our third came from one of these long balls being collected by Walshie at sweeper. He rounded several players and finished to the net. At this stage we were in total control,

camped in Kilbarry's half creating a lot of chances and but for good keeping, would have at least doubled the four we got. The fourth goal came after Jim Mulhearn made a good run down the right and cut the ball back for Kevin Moore to finish to the net.

A great result and good performance against a team that have been a real bogey side for this team over the years. Let's hope it's a good omen for the rest of the season. This week's man of the match would have to be Timmy O'Dea who ran his heart out on his first full

start for the team. Well done Tim.

We would also like to welcome Mark "Charlie" McCarthy and David O'Leary to the squad and hope they can add to the impressive games they both had.

Team: T. Walsh (capt.), C. O'Connor, T. Moore, P. Walsh, T. Reynolds, D. Hayes, J. Mulhearn, K. Moore, T. O'Dea, M. McCarthy, D. Morrissey. Sub: D. O'Leary.

Special mention for Dave Morrissey. Keep on trying, one will go in soon. We all believe you about the bobble even if you were only 2 yds. out.

## BEST WISHES

Best wishes to Stradbally custodian Paddy Lawlor who sustained a nasty injury in a league match. He is currently recuperating in Cork Regional Hospital. Paddy is one of the great characters in Waterford Junior League circles as well as being a fine goalkeeper.

Best wishes Paddy for a speedy recovery. We hope you are back in action soon.

**F.A.I. YOUTH CUP FIRST ROUND**

# PADDY WALSH STRIKES THREE

**ABBEYSIDE 5 TYCOR 0**

Two goals from Daniel Hickey and a hat-trick from Paddy Walsh saw the Villagers through to the second round in dramatic fashion. This was a thrilling display from the Abbeyside squad which is a little changed from last season. Tycor were by no means a bad side and some tremendous defending from Olan Casey, Ronan Curran, Joe Thomson and Richard Enright deprived the visitors from having the desired effect they so cravenly required up front. John Byrne produced some dynamic saves particularly in the second period when the visitors tried desperately to pull something from the game. Daniel Hickey opened the scoreline with a ripping goal after he connected with a searing cross from Ronan McCarthy. Seamus Sheehan and Eoin Hayes set up some excellent scoring opportunities for McCarthy, Hickey and Walsh that were just seconds off their mark. The visitors conceded six corners in the first 10 mins. such was the determination

and creative ability of the Abbeyside eleven. A powerful 40 yard volley from Enright was fingered over by the Tycor 'keeper. Raymond Cliffe completed a dazzling run with a 35 yd. drive that once again found the fingers of the visiting 'keeper. Hickey then netted from the spot after a hand ball in the area.

Paddy Walsh scored an excellent third into the top corner and shortly after was back for a second after some great ground work from Cliffe. The corners continued to come in Abbeyside's favour and Casey could be seen time and time again in around the box looking for the scoring opportunity that never really came his way. Walsh scored the goal of the match when he broke from the midfield on the wing. Cutting in towards the six yard box, he released a rocket like effort to the far corner that left the diving 'keeper gasping at air.

Team: J. Byrne, Joe Thomson, O. Casey, R. Curran, R. Enright, D. Hickey,

E. Hayes, S. Sheehan, P. Walsh, R. McCarthy, R. Cliffe.

Next fixture on Sunday, September 28 at 11.30 a.m. Park Rangers v Abbeyside.

**BALLINROAD SOCCER NOTES — DIVISION 2BLEAGUE**

# Easy Victory For Ballinroad

**BALLINROAD 5 CRUSADERS 1**

Ballinroad continued their recent good run with an easy victory over a lack lustre Crusaders side. Totally dominant in every sector of the field, Ballinroad played good football throughout and were not flattered by their winning margin.

Ballinroad took the lead after 10 mins. when Vincent Tobin raced through the visitors' defence and crossed for Maurice to score. Brendan Cliffe moved out of his sweeper roll in the 30th min. to score our second after a good movement. This goal totally disheartened the cityside and when Karl Power found the net in the 40th min., the game was as good as over.

The second half was a carbon copy of the first with Ballinroad pushing forward at every opportunity. Maurice Tobin scored his second in the 60th min. and Kieran Hallahan got a well deserved score in the 80th min. Crusaders got a consolation goal late in the game.

This was a good display from Ballinroad who have now got three straight wins to stay up with the leaders,

Tramore Rangers. Each member of the panel played his part here with our defence of J. J., Mick, Benny and Michael being very solid. It's up to each player to keep up the training and build on our good start.

Team: A. Barrett, J. J. Henley, M. McCarthy, B. Cliffe, M. Fraher, F. Fraher, N. O'Connor, K. Hallahan, V. Tobin, K. Power, M. Tobin. Res.: J. Reynolds. Ref.: Paul Mooney.

**DIVISION 4A**

## Ballinroad Hit Villa For Five

**BALLINROAD 5 VILLA 2**  
Ballinroad's second side completed a good weekend for the club with an emphatic win over an experienced Villa side. Ballinroad played against the wind and rain in the first half but the elements made no difference as early goals from Pat Flynn and Joe Walsh sent them on their way. Jacko Kiely scored a brilliant goal midway through the half before Villa pulled a goal back in the 40th min.

# MODELIGO SOCCER CLUB NOTES

**MODELIGO 1 VALLEY RANGERS B 0**

On Sunday last we secured our second victory of the season at the expense of Valley Rangers B. The opening minutes were very much even with both teams attempting to prise an opening without success. However as the half progressed, we began to dominate and midway through we got the first and only goal of the game. A simple ball was left to the Valley 'keeper and he failed to deal with it and Adam Bending snapped up the chance putting the ball past the helpless 'keeper. We continued to put the Valley back four under a lot of pressure and created some very scorable chances which we failed to avail of.

In the second half Valley put us under considerable pressure but without putting our 'keeper in any danger. We conceded some dangerous frees around the box but we defended well and never gave them a clear shot on goal. Sub John Hourigan then began to cause Valley a lot of trouble down the right and delivered some great balls into the box. Our best chance of the second half came from a free on the right which was whipped into the box and was put just wide from 6 yds.

Overall it was a scrappy performance but on a bumpy pitch the result was what mattered. Best for Modeligo were J. P. Ryan, Adam Bending and Eamonn Condon who was quiet for most of the game but pulled off a great save when it was needed.

Team: E. Condon, J. Power, J. O'Neill, J. P. Ryan, J. Maher, B. O'Connell, T. Condon, S. Denn, S. Reddy, E. Power, A. Bending. Subs: J. Hourigan for B. O'Connell, R. Kiely, T. Ormonde.

Next Sunday we are at home to Youghal at 11 a.m.

## SCHOOLBOY NOTES Under-11's Beat Villa 3-1

A gutsy display by the team earned them the win but it took until the last 15 mins. to finish the game off. Fintan Walsh scored the first after a great run by Shane Delahunty to set him up. We led 1-0 at half-time but should have added more but for some good goal-keeping from Villa.

The second half continued with Ballinroad going close to scoring on a few occasions. Eventually our bad finishing cost us when Villa equalised but with time running out, a long ball out to Darrell Ryan on the wing turned inside his marker and hit first time a beauty past the Villa goalie to make it 2-1 and five minutes from the end Michael Walsh added another.

Training is on Wednesday, September 24 at 5.30 p.m. Next match is on Saturday, September 27 away to Ballyduff. Players to be at St. Laurence's Hall 9.15 a.m.

The second half saw Villa playing some nice football but they were unable to finish off their good outfield work. Jim White sent Joe Walsh clear in the 60th min. and he showed great composure to beat the advancing 'keeper. Jim White scored a fine goal from 25 yds. to complete their scoring. Villa got their second goal just before full-time.

A good win for Ballinroad and it's good to see so many local lads getting their chance and playing well.

Team: M. Kiely, J. Flynn, P. Flynn, M. McCarthy, B. Burke, M. Troy, J. White, J. Walsh, P. Duggan, K. Kenneally, J. Kiely. Res.: A. Harty, B. Hayes.

## LATE JIM RIORDAN

A gloom was cast over the area with the news of Jim Riordan's death. An ardent supporter of the club, Jim was often to be seen at home games where he enjoyed the banter of the home support and after had a quick one himself. So a familiar figure will be missing from the top of the field but our memories of Jim will be fond ones. A man ready to lend support whether financial or moral, a true friend. Ar dheis Dé go raibh a anam.

As a mark of respect the under-11 home game on Saturday morning was cancelled. To Sheila, Joe and Mary we offer our deepest sympathy on their very sad loss.

## DUNGARVAN UTD. A.F.C. — DIVISION 2A LEAGUE

# Blues Don't Get Rub Of Green

**DUNGARVAN 0 ABBEYSIDE 1**  
Dungarvan's second team may have lost this local derby but even the most biased of supporters would agree that the Blues deserved something here. This was a well contested game as one would expect from this fixture. Both defences were well on top from the start and it looked as if it was going to take something special to prise them open and eventually this was to be the case.

After 15 mins. Darrell Donnelly was somehow judged to have conceded a penalty after he won a header on the edge of the box. This was only one of many curious decisions that went against the Blues.

Dungarvan's new 'keeper, Brian McNamara was to be tested early in his debut. He responded magnificently with a brilliant diving save to his right to tip Keohan's spot-kick over the bar.

Shortly after he was called on again to keep the Blues on level terms when he tipped over a bicycle kick from McGovern. Mickey Donnelly and Brian Wade were then unlucky with good chances for the blues. John W. Power then made a good run but a bad dive in the box when he looked to have a goal for the taking.

The second half started similar to the first with both defences handling every-

thing that was thrown at them. Midway through the half Billy Coleman made a typical brave tackle and the ball came back off his face but somehow the ref saw hands growing from Billy's cheeks and awarded a free-kick outside the box. It was going to take something special to win this game and Cliffe, for the Village boys, produced it with an excellent free-kick that curled round the wall and into the top left hand corner to give the 'keeper no chance.

Leroy Simms was introduced for the tiring Brian Wade who had worked tirelessly throughout the game. (This decision was severely criticised from the sideline by Brian's sister and girlfriend).

Straight away Matty Ducey and Simms combined well down the right to put Donnelly through but the 'keeper made the save. Mickey Donnelly then put in a good ball from the left for Simms but his shot just missed the post. Dungarvan had plenty of possession to get back on level terms but it was their final ball that was again to cause them problems. The Blues will play much worst this season and win games.

Team: B. McNamara, F. O'Rourke, B. Coleman, G. Beresford, D. Donnelly, D. Crotty, D. Sheehan, J. W. Power (capt.), M. Ducey, M. Donnelly, B. Wade. Res. used: B. Sheehan, M. Coles, L. Simms, E. Mansfield, B. Beatty.

### RESULTS

Under-12 - Dungarvan 3 Bohs 1, Dungarvan 0 Carrick 1.

Under-13 - Dungarvan 6 Bohs 1.

No fixtures for the coming weekend.

### SYMPATHY

We would like to extend deepest sympathy to the Riordan family of Abbeyside who suffered a deep loss this week. May Jim rest in peace.

### WITHDRAWN FROM LEAGUE

This week we had to withdraw our under-15 team from the league. The reason for the withdrawal was lack of commitment from some of our players and lack of interest from others. We are sorry this had to be done but the manager felt he had no other option.

### CONGRATULATIONS

We would like to congratulate Joe Nolan on his selection for the Waterford under-18 schoolboy team and would like to wish Joe the best of luck in his trials for the Munster under-18 team.

### UNDER-12 DUNGARVAN 3 BOHEMIANS 1

Dungarvan played hosts to Bohs last Monday and recorded a very impressive victory over the cityside. From the kick-off we looked dangerous and the Bohs defence struggled against the speed of Eoin Keane who had one of his best performances at centre-forward. The midfield of Ian Prendergast, John

O'Keeffe and Richard Foley created several good chances and Eoin Keane and T. J. Crotty netted before half-time.

In the second half the Blues were against the wind but David Hickey and Jonathan Shaw were outstanding in the centre of defence while Brian Scanlon and John Paul Tutty never put a foot wrong. Wingers Sean Hackett and T. J. Crotty worked hard and some clever passing allowed Eoin Keane in for his second to put the game out of Bohs reach. With time running out, the visitors scored but Dungarvan were never in trouble and deserved victory after a great team display.

### DUNGARVAN 0 CARRICK 1

After their great performance against Bohs the previous week, it was back to earth against Carrick last Saturday morning at Kilrush. The Blues played well enough in the first half and some great goalkeeping by Trevor Moore against a stiff breeze kept the game scoreless till half-time.

With the absence of some key players, notably Colin Houlihan in midfield we struggled in the second half and when we failed to clear a corner, the Carrick striker nipped in to put Carrick ahead. Dungarvan pushed on looking for an equaliser but the Carrick defence held out.

T. J. Crotty battled hard up front while Mark Ferncombe made an impression when introduced. The back

four were again impressive but we never really moved the ball around like we can to cause Carrick any trouble.

### UNDER-13 SHANE McGRATH HAT-TRICK

Dungarvan 6 Bohs 1

Dungarvan under-13's were in action on Thursday night against Bohs and produced one of the best performances of passing football to run out impressive winners against a team they have always struggled against in the past. Capt. Shane McGrath just gets better with each game while Nicky Donnelly and Tony Sheridan in midfield were tireless. The new back four worked very well with Kieran O'Brien and Jonathan Shaw faultless in the full-back positions while David Hickey and Mark Whelan are looking very assured in the centre. Trevor Moore had a super game in goal and is looking like one to watch for the future. Tony Keane scored twice and his clever running off the ball created some good space which Shane McGrath exploited to the full scoring a great hat-trick. John O'Keeffe and Ian Prendergast caused all sorts of problems for the Bohs defence and it was John O'Keeffe's pressure that caused the Bohs defender to turn the ball into his own net to leave Dungarvan comfortable winners in the end.

## GLENVIEW UNITED A.F.C. NOTES

# Hard Fought Away Win For Glenview

AN GAELTACHT 1 GLENVIEW UTD. 2

We had an away win at home on Sunday last against an ill-tempered An Gaeltacht side. All the goals came in the first half. McGrath opened the scoring after 25 mins. but the home-side replied almost immediately. Just before the break a Kevin Curran pinpoint pass inside the box was slotted to the net by McGrath.

The second half was a battle. The elements were against us but a committed effort left us with the full points at full time.

Team: Casey, H. O'Donnell, Dolan, Buddin, T. O'Donnell, Kett, Curran, A. Power, Donnellan, Hallissey, McGrath. Subs: Coleman, J. Power, G. Power.

We are at home on Sunday next against Valley Rangers at 11.30 a.m. All players to be at the pitch by 11 a.m. Pitch: Jimmy and Ger Power.

### DISAPPOINTING WEEK FOR BLUES

Last weekend was a poor one for the Blues with both our Premier and 2A sides going down at home. Our Premier side played T.S.B. Cup winners Southend last Sunday morning and went down by a 3-1 scoreline. Leroy Simms scored from the penalty spot for the Blues and it shows that an awful lot of hard work will have to be put in to succeed at this level. Next week the lads are at home to Portlaw so let's hope we can get back on the winning track.

Thomas Duggan's 2A side went down 1-0 to local rivals Abbeyside also on Sunday last in what was an evenly contested battle. A brilliant free-kick won the points for the Villagers as they showed once again that they will be the team to beat this season. Next week the lads are at home to Red Star on Saturday afternoon so let's hope the lads can kick start their season here.

Pat Tutty's 3A side had a hard fought 0-0 draw at home to high flying Portlaw last Saturday afternoon. With an away victory over St. Saviours last week, this has been a good start to Pat's reign. Next Sunday the lads play away to Southend and they will be looking to keep up the good work.

### CÉILÍ NIGHT

### SYMPATHY

Sincere sympathy to the Riordan family on the recent death of Jim Riordan. A dark cloud was over the club last week as news of Jim's death filtered through. Jim was a great friend of the club and was a great favourite at our Sunday night card night where he was ever present. He will be sadly missed by all his friends here at Dungarvan Utd. and we send our deepest sympathy to all his family.

**RAILWAY ATHLETIC F.C. NOTES****SCHOOLBOY GAMES

Our schoolboys had a very busy week and I would like to thank each and everyone of the boys and management who gave a brilliant effort for all the games. Midweek games are always difficult for us. This was the last week of night games, now we are back to Saturdays.

**UNDER-12****Railway Athletic 1

This was a hard fought game for us. Things were not going well for Glass in previous weeks. They were

strong on the night. Their equaliser came with 5 mins. remaining.

**Railway Athletic 0

A very big, strong De La Salle side were our visitors on Saturday last. There were few chances in the entire game but at the end of the match we had a great chance that just went wide.

**UNDER-11****Railway Athletic 4  
Villa 1**

Frank McLoughlin got his first win as manager under his belt when his under-11

team had a fine win over Villa. Although a goal down they came back. One of the main reasons for this win was the superb hat-trick from Paul Murray and a goal from Keith Landers. A fine result for this side.

On Thursday we were down to play Ballyduff at home. This game was not played as no referee turned up.

**UNDER-16****Railway Athletic 3  
Kilmacthomas 3**

This was a very entertaining game with some great

football played and 6 goals scored. Our lads are getting things right and are unlucky not to have two wins in recent weeks. A word of thanks to John Maher who stood in for Martin to manage the side.

Points For Railway****RAILWAY  
ATHLETIC 3  
VILLA 1**

On Sunday morning last cityside Villa made the trip to Cappoquin but found the homestead in good form and left with nothing. It wasn't a vintage performance by Railway but they made up for it with their amazing work rate.

Villa ran the show early on as we struggled to come to grips with their slick passing. Gradually we started to put some pressure of our own on their defence. Midway through the half we took the lead when, from a corner on the right, Villa

failed to clear their lines and the ball only came as far as Stephen Quinn on the edge of the area. Quinn controlled it and curled an absolute peach of a goal into the top corner to give the Villa 'keeper no chance. Just before half-time Villa forced a corner and from the corner kick the Villa centre-forward rose unchallenged to head past a stranded Morrissey in the Railway goal.

In the second half it was a much hungrier Railway side who took the field. Our midfield began to take total control and this in turn created more chances for our strikers. It was no surprise when we took the lead 15 mins. into the half. Good work by Prendergast and Monahan found McLoughlin 10 yds. out. His shot took a 'slight' deflection and the Villa 'keeper was left rooted to the spot. Railway began to get on top after this and could have added a few more but had to be happy with just the one. This time Coughlan got the ball out on the right. As the Villa defence backed off, he let fly with a left foot shot that flew into the bottom corner of the net for a very good goal. At the final whistle Railway had comfortably won the points and are now in a nice position in the league table.

Team: Liam Morrissey, Gary Morrissey, Eamonn Murphy, Darren Mason, Martin Reddy (capt.), James Manahan, Conor Prendergast, Ken O'Donnell, Stephen Quinn, Frank McLoughlin, Dermot Coughlan. Res.: Liam Costin for Coughlan, Ray Curran for S. Quinn (inj.).

**DIVISION 3B LEAGUE****First Defeat  
For Railway****CARRICK 4 RAILWAY ATHLETIC 1**

Our second team suffered their first defeat of the season away to Carrick on Saturday last. We started very well and just after 5 mins. of play, John Lynch hit the post. Then in a period of 20 mins. Carrick scored twice but just before half-time Paul Ormonde scored a great goal from outside the box to bring us back into the game.

In the second half we created some good chances to get the equaliser. Packie Manahan was unlucky not to score. John Lynch had a couple of efforts when we went chasing looking for the equaliser. Carrick killed off the game with two late goals.

Team: Ciaran Cullinane, Ray Curran, Gavin Foley, Darren Mason, John Quann, Packie Manahan, Anthony McCarthy, Paul Ormond, Liam Costin, John Lynch (capt.), Alan Barry. Sub: Francis Manahan for Alan Barry, Dean Morrissey.

**MUNSTER AND JUNIOR CUP**

In both the Munster and F.A.I. Junior Cups we have home games. In the Munster Cup we have Inch from the Red House League and in the F.A.I. we have Kilmahan from the Tipperary League.

**Gaeltacht Aontaithe  
Soccer Notes**

Our annual general meeting was held in JP's on Tuesday, September 9. The meeting was well attended and I want to thank all who made the effort. As a result of the large gathering we have a new committee for the coming season, which is made up as follows—

Chairman, M. Ó Domhnaill; Secretary, M. Curran; Treasurer, D. Condon. We would like to take this opportunity to welcome our new manager Finbarr Walsh who has a long association with the club. Captain for the coming season is Eugene Curran.

A rota was also set up for attendance at Red House meetings with a fine payable to the club for people who do not attend or make arrangements for someone to attend in their place.

The club would like to thank Peadar and the Nugent family who have given us the use of the pitch for the coming season. We will probably reduce it slightly in size to cater for all those beer bellies. We hope to have new goalposts, compliments of Alan and Jack, for the start of the league.

A flat rate membership fee of £10 was agreed for all and any player wanting a game will have to pay to play. I would also like to take this opportunity to thank those who sold and

bought tickets for the Red House Draw as this is a very important source of income for the club. As a result of not having our own referee, a levy of £10 is being put on all our home games which is why the collection after matches has increased.

**FIRST GAME**

We played our first game in the Bolger Cup on Saturday night, September 13 and went in as complete underdogs against Blackwater on their home ground. The game started at a fast pace and when Tucker was brought down in the 17th minute Drohan slotted the penalty kick to the back of the net. Within three minutes Timmy had put us two up with a great goal into the top left hand corner.

The team started the second half firing on all cylinders, trying madly to impress the manager. They kept the pressure on and try as they might Blackwater could not break through the defence of Ó Domhnaill, Mac Craith, Ó Mathúna and Ó Curraoin. Paudie sealed the game for us 10 minutes from time when his volleyed shot went in off the underside of the crossbar. Final score 3-0. All subs used on the night.

**SECOND GAME**

Our second game against Glenview was played on Sunday morning in Glenview and after a hard fought

game came away without a point. We found ourselves in difficulty 30 minutes into the game when our defence were caught out trying to play the off-side trap for which they were punished with the ball ending in the back of the net.

Within five minutes Tucker had us on equal terms when he latched on to a through ball from Timmy and hit it past the Glenview keeper.

Despite our best efforts we went 2-1 down 15 minutes into the second half and try as we might, we could not get the equaliser despite some good shots on goal. Final score: Glenview 2, Gaeltacht 1.

Tempers were running high throughout this game which did not help our cause with players picking up silly bookings. This will have to be addressed for future games.

Next game on Sunday next, September 29, away to Ballybridge. Kick-off 11 a.m. Players to be at John Paul's at 9.45 a.m.

Those of you who have not yet paid your membership, please do so before next game.

**GOOD LUCK**

We would like to wish Joe and David Salmon the best of luck in their new venture. Joe gave sterling service to the club and will be sorely missed.

**PREMIER FOOTBALL****Disappointing  
Dungarvan  
Display****DUNGARVAN UTD. 1 SOUTHEND 3**

On Sunday morning last the Blues played their third game in this season's campaign. After good performances in the preceding games we came back down to earth with a bang!

In a first half display that was very lacklustre the Blues found themselves on the wrong end of a 3-0 scoreline. After 8 minutes full back Bernie Crotty lost possession and from the resulting cross Alan Walsh was on hand to put Southend one up. At this point the Dungarvan play was very scrappy with too many enforced errors which made Southend look a better side than they were.

Twenty minutes into the game Kevin Walsh had a great chance to put the sides level but failed to do so and to our horror Southend took advantage of a dubious offside call to make it 2-0 through Pat Arrigan. To make matters worse they went 3-0 up after 41 minutes when following a corner Arrigan rose unchallenged to place a header past the helpless Whelan in the Dungarvan goal.

On the resumption, Dungarvan came more into the game and good efforts at goal came from T. Kiely and J. P. Donnelly. Midway through the half L. Simms was upended in the penalty box and from the resultant penalty Simms coolly placed it past the goalkeeper to make it 3-1. Despite numerous chances after this which fell to Alan and Aidan Landers and Bernie Crotty, we were unable to add to our tally and ultimately Southend took full points in their quest for league honours.

Dungarvan — T. Whelan, G. Hamilton, Aidan Landers, W. Coward, B. Crotty, K. Walsh, T. Kiely, Alan Landers, J. P. Donnelly, M. Crotty, L. Simms. Subs., V. Sullivan for W. Coward, N. Thompson, G. Collins.

## AFFANE/CAPPOQUIN G.A.A. NOTES

**Under-16 Presentation** — It was celebration time last Friday night at the Parochial Hall where our under-16 hurlers and footballers, who this year won a County double, were feted. The Hall was resplendent and the club colours were dominant features making a lovely blaze of colour. Proud parents were in attendance so old and young alike were treated to a beautiful array of refreshments - all organised by our wonderful ladies committee.

Both captains, Richard Scanlon (hurling) and Shane Coughlan (football) cut the celebration cake. Medals were then presented to all the players by Club Chairman Jack Cullinane who each received a rousing cheer in turn.

Speakers on the night were Chairman, Jack Cullinane who congratulated the teams on their victory double and thanked hurlers, selectors Eddie Fraher, Mick Murphy, J. J. Scanlon, Billy Lee also John O'Connor and a special credit due to Mick Lacey who spent long hours in the field training the lads and football selectors Eamonn O'Shea, Ciaran Cullinane and Mary O'Donoghue. Jack was loud in his praise for our National Games and illustrated the recent magnificent All-Ireland hurling final as a yardstick for all players to aspire to.

Underage Chairman Eddie Fraher could not add to the Chairman's comments on our young heroes. He thanked the Ladies Committee for a great spread, the Parochial Hall for their wonderful facilities and of course sponsors Anthony Prendergast, Jack McGrath, Danny Flynn and Mary Foley for their kind sponsorship and all who helped the club during the year especially Eddie O'Shea, Paddy Cahill, John Manisfield, Michael Fraher (special thanks to Noel Mason for his help with the Hall and Mary Coughlan for organising the ladies so well).

Mick Lacey spoke of the championship trail and how the lads responded and improved along the way, culminating in that great County Final victory. He was loud in his praise for the discipline and skill displayed by all the players and hoped it would be celebrating again next year.

John O'Connor spoke on his involvement with the young lads on his return to his native town. He enjoyed every minute and related several amusing incidents that occurred during the year.

Our Parish Priest Fr. Arthur was present and was thoroughly delighted with the achievements of the young lads and thanked

them all for the honour they brought to the town and to their parents. He praised the club mentors for their unselfish efforts in spending their time organising and training the youth.

Following the meal the boys attended a victory disco in the Boathouse which rounded off a good evening.

**Under-14 Football** — Our under-14 footballers were defeated by Shamrocks last Sunday morning which ended our interest in the competition. The lads had plenty of chances in this game but failed to adopt G.A.A. tactics to score - they were too fond of playing the ball on the ground and great chances were lost.

That being said the lads improved as they went along but need an awful lot of football training to match their other attributes. But again Shamrocks were a very good side with some excellent footballers and were deserving winners. But had those shots gone in from Jenny Moore, who nearly broke the crossbar and Brendan Scanlon who struck the post, the game would have been far closer.

**Team:** A. Morrissey, S. Kett, D. Sheehan, Peter McGrath, G. O'Connor, E. O'Donoghue, S. Ormonde (capt.), Patrick McGrath, A. Hogan, B. Scanlon, K. Looby, M. Gilligan, R. Tobin. **Subs:** Jenny Moore, Paul Murray and John Fenton.

**Under-10 Hurling Tournament** — Our young hurlers participated in an under-10 hurling tournament in Touraneena last Saturday sponsored by Naomh Bríd. We were thoroughly delighted with their performances and were decidedly unlucky not to win it outright. In the first match Naomh Bríd beat us by 2 pts. The final score was 1-4 to 1-2.

The next match saw our lads improve beyond recognition beating Newcastle 3-4 to nil. Then the surprise of the day when Cappoquin defeated Dungarvan 1-0 to 0-1. The final was then played against Brickeys and it was all square at full-time 1-1 to 1-1.

The sides were evenly matched and it was still all square after extra-time. A second period of extra time was played and they were still on level terms. So it was decided that the team that scored first on resuming play would win, not the best way to decide a final but rules were rules.

Unfortunately Brickeys scored first much to the lads disappointment. But it was a marvellous achievement from the youngsters and they did not come home empty handed as they reserved runner-up medals.

We would like to thank Naomh Bríd for the invita-

tion and their hospitality in providing crisps and lemonade for the youngsters.

Our team was T. Looby, P. Murray, D. McGrath, D. Dransfield, G. Coughlan, C. Wilkinson, J. Cunningham, S. Fives, P. Barry, D. Wilkinson, T. Curran, G. Morrissey.

If there was a man of the tournament awarded a racing certainty for the honour would be Tim Looby who made some magnificent saves during the day and saved our 'skins' time out of number.

**Engagement** — Congratulations to Geraldine Casey and John Rourke who recently announced their engagement.

**Lotto** — Cappoquin G.A.A. Club Lotto. There was no winner of this week's jackpot. The letters drawn were I, R, O. Next week's draw will be held in the Blackwater House at 9 p.m. sharp. All are welcome. The three consolation prizes went to Lena Foley, 323 Shanbally; Sean Costin, Sheskin; Ger Mason, c/o Mason's Shop.

## CAPPOQUIN A.F.C. NOTES

### Bolger Cup — Cappoquin 2 Lismore 3.

A disappointing result on Sunday morning to open up the group and bring everybody back into the running. The young Lismore side made the most of our defensive lapses and went three goals up before we scored. The first was from a penalty fashioned by Gossy Mason and scored by Charlie Barry. Our second was a marvellous free-kick from the same player making him leading scorer so far this year. No doubt we'll hear plenty about it.

This has to be considered a below par performance. While not taking anything from a very good, young Lismore side, too many of our lads were poor on the day. It will have to improve.

**Team:** N. Maher, L. Lacey, M. Power, R. Walsh, Michael Lacey, G. Mason, C. Barry, Martin Lacey, C. O'Leary, J. Morrissey, B. O'Shea. **Res.:** P. Landers for C. O'Leary, D. Wilkinson for Michael Lacey.

**B Team** — The Division 3 team got together on Sunday evening last and played a friendly against the youths. A great game resulted in no goals but both Eddie Byrne and Mick McCarthy hit the woodwork. Another friendly is arranged for 5.30 p.m. next Sunday also against the youths.

**Fixtures** — Under-12 - Thursday, September 25th away to Valley. Bus leaves Square at 5 p.m.

Youths (under-18) - Saturday, September 27 away to Valley Rangers. Bus leaves the Square at 10 p.m.

Under-16 - Saturday week, October 4th away to Lismore 2.30 p.m. Bus leaves at 1.45 p.m.

**Card Drive** — We held a very successful card drive on Friday last at the Sportsmans. We would like to thank Janey Devine and Michael Coleman for their help in running it, all that played and Uniackes and Sportsmans for sponsorship. Results as follows -

1st: Maggie Crowley and Janey Devine, 2nd: Michael Cullinane and Liam Coleman, 3rd divided by: M. Cahill and M. Coffey, Helen Morrissey and Anna Scanlon; **Lucky Table:** Niall Maher and Nora Maher, John Maher and Paddy Walsh, Michael Quinn and Johnny Prendergast; **Raffle winners:** Mick Ormond and Niall Maher, Liam Coleman and Kitty Crowley, Ann Byrnes.

**Youths** — Our Youth team start their league campaign next Saturday with a very tough away fixture to last year's double winners Valley Rangers. We have a strong panel again this year with good competition for places. Players note that the game has been switched to the morning with the bus leaving at 10 a.m. If you are not at the Square we'll go without you.

## Dungarvan Harbour Sailing Club Notes

### WEDNESDAY 17th

The weather was anything but good on Wednesday night last. Three boats got to the start line with Niall and Clare getting ahead, closely followed by Alex and Ned. They maintained these positions throughout the race, with Finbarr and Karl unfortunately pulling out half way through.

Niall Russell and Clare Morrissey came over the finish line first, closely followed by Alex Ballot and Noel Grant, but due to corrected time, Alex and Noel won the race.

Thanks to Ian Walsh for covering with the rescue launch.

### FRIDAY 19th

Four boats encountered very blustery conditions for Friday night's race, which made for very exciting racing, but unfortunately heavy drizzle made conditions very difficult.

The race started with all

Participants who completed the adult sailing course recently — Ned Cullinan, Catriona Cullinan, Karl Gleeson, Hildegard Stober, Una O'Halloran, Padrigin Kiely, Aisling Curran and Nessa Fenton with Austin Flynn (Commodore). Missing from photo were: David Connors, Jim Hyland, Eileen Hyland, Linda Lannon, Walter Cullinane, Garret Desmond, Ann Williams and Karina Farrell

the boats struggling to get past the Cunnigar. Once past the point, Dan and Finbarr established a good lead, followed by Clare and Niall in the 420, they in turn being followed by Chris, Aisling and Catriona. Alex, unfortunately broke his rudder and had to retire early in the race.

Unfortunately, the conditions weren't suited to Class 420 and Chris was encountering problems with minor gear damage and shipping water. This allowed Dan and Finbarr to extend their lead, finishing first and Clare and Niall second. Chris had to retire near the end of the race for safety reasons. Thanks to Tommy Power for covering with the rescue launch.

### SUNDAY 21st — LADIES RACE

In much calmer conditions than Friday's race, all the boats again struggled to get past the Cunnigar because of the incoming tide. The conditions were better suited to

Clare's boat and herself and Una streaked away from the Petrels in the 420, which was flying over the water.

Having started poorly, Catriona and Dan worked their way up and were second round the first mark, followed by Alexandra and Noelle, and with Mary Power and Nellie Higgins close behind.

Catriona managed to increase her lead over the petrels and despite a few heart stopping moments, managed to hold her place around the rest of the course to finish second behind Clare.

Alexander and Noelle (alias Alex and Noel) were, of course, disqualified. This was, after all, a ladies race, boys!

**Results** — 1, Clare Morrissey and Una Mulcahy; 2, Catriona Cullinan and Dan Bradley; 3, Mary Power and Nellie Higgins. Thanks to Michael Whelan and Tommy Power for covering with the rescue launch.

## Ring / Old Parish Athletic Club News

On Sunday last a small number of our athletes travelled to the Bell Relays in Waterford. Here we had some very good results.

First off was young Mark Shalloe, here Mark had a great race and finished in 1st position in the boys under 7. Sarah O'Brien and Claire Doocey battled it out for 3rd position in the girls under 10 80 metres and in the end it was so close that they got joint third.

Claire had a marvellous run in the girls under 10 — 300 metres she came home 1st. Kate O'Brien finished

2nd in the girls under 11 shot. Eoin Murphy finished 3rd in the boys under 12 hurdles. Tracey Shalloe finished 2nd in the under 12 girls high jump. Kelly Shalloe did very well in the junior shot when she finished in 3rd position.

We had two relay teams. Our under 9 boys finished in fourth position — Mark Shalloe, Wayne Kelly and 2 guests.

Under 11 girls finished in third position — Kate O'Brien, Sarah O'Brien, Claire Doocey and Grainne Nolan.

# ARDMORE G.A.A. CLUB NOTES

## LOTTO

Our lotto took place at the Round Tower Hotel on Sunday night last and the numbers drawn were: 8-19-20. Once again punters failed to match the numbers drawn so next week's jackpot will again be worth a flutter.

As usual, we had 5 consolation prize winners and they were Tom Morrissey, c/o Keevers Bar; Cait Keating, Crobally, Old Parish; Jamie Rust, Ardmore; Pat Hallahan, Tinalyra Garage, and Declan Downey, Crushea, Ardmore.

Once again our thanks to the Round Tower and we hope to see you all again in six weeks time. Next week's draw will be in Paddy Macs so if you want to win, make sure you are in and get your ticket.

## D-DAY FOR FOOTBALLERS

Saturday next is d-day for our adult footballers when they take on Lismore in the divisional final at the Fraher Field at 5 p.m. We wish all the lads and the selectors the very best as they try to bring this title back to the village.

All players are asked to be at the venue by 4.15 p.m. and we look forward to having a good deal of support.

## BACK TO SCHOOL

Many of our players have now returned to school and college and we wish them all the very best, both in their academic and sporting year and hopefully they will have a good season both on and off the field.

## ALL-IRELAND TICKETS

As with the hurling final

two weeks ago, demand for the All-Ireland football final will be equally busy so if you wish to be in the draw you should give your name to Kevin Gallagher as the officers will be conducting the draw early in the week.

## ONE OF THE LUCKY ONES

Our club secretary Kevin Gallagher will not have any worries about the All-Ireland as he is one of the lucky fifteen members of the Déise Club 500 to have been drawn out to receive a stand ticket for the final. We congratulate Kevin and hope he has a great day at the game.

## OLD PARISH TOURNAMENT

Disappointment would be the word to describe what many of our players and mentors are feeling with the way the situation regarding this tournament final was handled as it was to have been played last weekend. Due to our divisional and county final commitments we found ourselves in a position where we were unable to fulfil the fixture with the players who had taken us to this final and in fairness to them they deserve the chance to play, but they must also prepare for our championship games and at the moment these take precedence.

Our junior team manager did all in his power to try to facilitate Old Parish with a game but as they insisted that this would have to be the tournament final, we were left with no option but to withdraw, as in fairness those that took us into the final deserve the chance of playing in it and hopefully at a later date this final might yet take place.

We are sorry that this is the case and we hope that when we are less busy that Kevin Gallagher and his players will be allowed the opportunity of fulfilling the fixture as this junior side has confounded all the critics all season by pulling off a shock in the championship.

It would be just reward for their efforts and that of their manager to allow them to complete their season by playing this final.

## VOTE OF SYMPATHY

All in the parish were sad to hear of the passing of the late John Cashmans last week. This likeable character left an indelible imprint behind him as in his time as principal in both Grange and Ardmore national schools he oversaw the behaviour and pointed countless boys and girls in the right direction. He was always firm but fair and many of his former pupils were in the huge attendance at his removal and burial in Grange Cemetery.

To his sons Diarmuid, Seamus, Liam, Frank and Gerard and their families and friends we extend our sincere

sympathy on your sad loss. May John go to his eternal reward in the knowledge that he had a full and happy life. May he rest in peace. Ar dheis Dé go raibh a ainm.

## LADIES IN FINAL

If the footballers are having a good season then so too are the St. Declan's ladies footballers and in their first season they have qualified for the junior final where they will meet Kilmacthomas. To do this they gave a wonderful performance to beat St. Oliver's on a 7-8 to 4-4 scoreline.

With better fitness levels they are improving with every outing and their earlier defeat by Kilmac' will have no bearing and next time round they will be hoping to give a good account of themselves. We wish manager Kevin Gallagher and coach Michelle Power the best of luck as they continue their preparations for this final and also for the upcoming tournament games which have been arranged for the last weekend of the month.

Their great effort deserves a just reward as they are certainly making the effort on the training ground.

## JUVENILE AFFAIRS

**Under-14 Football** — Our under-14 footballers play Abbeyside in Ardmore on next Monday night and hopefully they will get a win. They were very disappointed after having travelled to Bohadon last Monday that no referee turned up so hopefully they will have two games this week with Monday's game and also a game with the Nire pencilled in for sometime Saturday, so please confirm with the mentors about the weekend games.

**Under-12 Football: Ardmore 4-6, Stradbally 0-1** — Our under-12 footballers opened their campaign with a win over Stradbally on Wednesday evening last. It was a fine team display and hopefully they can produce more of the same on this Friday evening when we travel to Lemybrien to take on Killossanty.

The bus will be leaving at 5.30 p.m. sharp and all players are asked to be on time as the match must be started by 6.30 due to the light failing as winter approaches.

## JIM POWER TOURNAMENT

We had four players involved with the county under-14 team on Saturday last and all of them performed very well. The team had a good win over Limerick in the semi-final and in the final against Laois they were decidedly unlucky as playing against the breeze they trailed by 0-3 to 0-1 at half time and after ten minutes of the second half had drawn level. The Laois goal-

keeper came to his side's rescue on several occasions and the failure of the forwards to convert possession was punished when Laois got through for two soft goals Waterford could not respond in kind and Laois became the winners of the Jim Power trophy.

We say well done to Billy Harty, Derek Cronin, Philip Beausang and Gary North as well as team mentor Billy Harty for putting in a fine effort.

## WELL DONE WATERFORD

Congratulations to Waterford minor ladies on their brilliant win in the u-18 All-Ireland final on Sunday last. Our own Mary O'Donnell is now on for a shot at winning three All-Ireland titles this

year, having now collected both u-16 and u-18 titles this year and hopefully she can pull off the hat-trick on October 12th when the senior ladies contest the final in Croke Park. Mary received the lady of the match award on Sunday.

## BEST WISHES

Our best wishes and prayers are extended to Patrick Power Jr., College Road, who is at present in hospital in Dublin. We wish Patrick a speedy recovery and full return to fitness as Patrick has come up through the ranks and but for his illness would be a part of our panel for our minor county final. We hope to see you out and about in Ardmore soon and all at the club wish you a speedy recovery. — PRO.

## C.L.G. An Sean Phobal

Paddy Burke and Sean Drohan, Old Parish, pictured sporting their colours on their way to Croke Park in 1959. The year goes down in Deise history as the year they won their second senior hurling All-Ireland title, having drawn with Kilkenny in the final and then beating them in the replay.

## TERRY CUP

We were all very disappointed at the weekend when Ardmore, for reasons best known to themselves, conceded a walkover in the final of the Terry Cup Tournament. Unfortunately the late withdrawal on Thursday night left us with no time to make alternative arrangements. It was not a satisfactory end to what otherwise had been a good tournament. We extend our thanks to all the teams involved.

## S.N. BHAILE MHC CAIRT

On Friday our N.S. boys and girls were in action taking on the might of Ballinameela

in the schools 7-a-side. Even though our team is very young, they put up a good fight and were unlucky with a few scoring chances. The final score was Old Parish 1-8 Ballinameela 3-8.

Team: Máire de Paor, Sorcha Ní Domhnaill, Pádraig Ó Domhnaill, Shane de Paor, Pádraig Ó hEalaí, Micheál Ó Lallaí, Antoin Ó Fathaigh, Cormac Ó Innisdúin, Tomás Ó Geallabháin, Brendan Ó hÓgáin, Wayne Ó Ceallaigh.

## CHAMPIONSHIP

We finally make our championship debut on Saturday in Bushy Park against Killossanty. The game is fixed for 3 p.m. So come along and support the Shocks.

## ABBEYSIDE/BALLINACOURTY G.A.A. CLUB NOTES

### JUNIOR HURLING CHAMPIONSHIP

It was a busy day on the junior hurling championship front on Saturday last when we had two teams in action in two finals at the Cappoquin venue (see match reports) and while we lost both games our sides acquitted themselves well here.

Our youthful 'B' side came with a fine last quarter effort against Tourin while our 'A' team hurled really well against Lismore but the withdrawal due to injury of Mark Reynolds and Ollie Keohane proved to be a bridge too far. Our thanks go to Cappoquin official Paddy Cahill and Dr. Pat Hill for the manner in which they looked after both players, while club officials Bernard Shields and Joseph Organ travelled to Cork and brought Ollie Keohane home early on Sunday morning.

In all we had a total of 39 players at the venue which is no mean achievement, it was an excellent club effort. Both teams will be involved in their respective league finals on dates yet to be named by the Divisional Board.

### SYMPATHY

The club extends its sincere sympathy to Mrs. Sheila Riordan, son Joe and daughter Mary on the death of Jim Riordan who served on the club committee in the sixties and was vice-chairman in 1965 while Joe played many a fine game for the club over the years and had ensured support for the club's participation in the Deise Development Draw from the United States. As a mark of respect the National Flag was flown at half mast at the Cappoquin venue on Saturday last and a minutes silence was observed prior to the junior hurling championship 'B' final.

### UNDER-14 FOOTBALL

#### Abbeyside 4-13 Naomh Brid 0-2

Last week we recorded our first win in this year's under 14 football championship. This resulted from a much improved team performance and an outstanding individual display by midfielder Liam Briggs. Liam's play and passing was delightful to watch and ended up scoring 1-10. Our other goal scorers were Alan O'Kennedy (2-2) and Patsy Moore (1-0). We play Ardmore in the next round.

Team — P. Enright, G. Dunford, R. Hanrahan, J. D. Gordon, P. Curran, D. McGrath, S. Lavan, J. Hurney (capt.), L. Briggs, S. Kiely, S. Leary, A. O'Kennedy, E. Ryan, P. Moore, D. Fives, W. Morrissey, R. McGrath, A. Walsh, D. Troy, B. Morrissey, S. Byrne, E. Maloney, T. Cashin, E. Enright, S. Power.

### UNDER-12 FOOTBALL CHAMPIONSHIP

#### Abbeyside 3-4 Brickeys 2-3

On Wednesday last, September 18, our under 12 footballers recorded a hard earned win over Brickeys in the championship and they will play Tallow on this Wednesday evening in Tallow at 6.30 p.m. All players to be at "Danny's" at 5.30 p.m.

Under-12 Panel — Killian Barry, Seamus Shields, John Kindregan, Ronan Fleming, Stephen Power, Joey Mullin, Simon Hanrahan, Peter Phelan, Patrick Hurney, Mark Fives, Owen Enright, Mark Gorman, Michael Browne, Richard Phelan, Anthony Whelan, Patrick Lynch, Brian Scanlon, Eddie Casey, Mark Maher, Tom O'Riordan, Shane Donnelly, Kelvin Brady.

## SENIOR HURLING SEMI-FINAL

# Lismore Go Down To Passage

**PASSAGE 0-16  
LISMORE 1-11**

The narrow 2 pts. defeat was a bitter experience for Lismore who did not hide their disappointment at the end of their county semi-final game against Passage at Walsh Park on Sunday afternoon.

In a tension packed game that flowed over into an ugly melee after only 3 mins., neither side allowed the other to get their noses too far in front and as the final scoreline shows, only a puck of the ball separated them at the end of what was an enjoyable game for the patrons. But it never reached classic standards and could not compare with the match which was to follow.

As I wrote following their match against Roanmore, I was not very encouraged about Lismore's prospects of winning the title this year and for some reason their display here at Walsh Park was not up to the standard they have displayed in previous years. I now believe

that getting a bye into the quarter-final and having just the one match against Roanmore before meeting Passage did not help their prospects.

Passage were in control for a long while but when Lismore did hit the front and led by 1-11 to 0-13 an injury to James O'Connor held up the play for a while and the delay seemed to help Passage as after this they scored 3 pts. (all from frees) without reply.

The game was tough without being dirty but to an extent it was featured by too much fouling. Overall there were 27 frees awarded (15 to Passage and 12 to Lismore). In fact some analysts will figure that the semi-final was won and lost on

frees. Sixteen of the 27 pts. were scored from frees. Passage pointed 11 frees. A count of the wides in the game gave 13 to Passage and to Lismore.

## PLAY

Lismore played against the breeze but were a point up within a minute when Dave Bennett converted a free. Anthony Fitzgerald then pointed a free in the 2nd min. before the free-for-all stopped play for a couple of minutes. Bennett and Fitzgerald again exchanged points also from frees and it was 0-2 each after 6 mins. Once again Dave Bennett and Anthony Fitzgerald exchanged points and in the 9th min. James Hanrahan pointed Passage into the lead which they held for 35 mins. Paul Prendergast had a point from play but a score all the way from a sideline cut sent Passage back into the lead by Edmond Fitzgerald in the 14th min. Anthony Fitzgerald in the 15th and Dave Bennett in the 17th min. exchanged points from placed balls. Lismore were not to score again in this half. Two pointed frees by A. Fitzgerald and one each from play by Seamus Keating (the best score of the game) and Paul Fitzgerald left the eastern side in front by 0-11 to 0-5 at half-time.

## INTO ATTACK

Lismore went into attack from the throw-in and Kieran O'Gorman had a goal after Dave Bennett's shot rebounded off the crossbar

and then Kieran O'Gorman pointed from play to bring the gap down to just 2 pts. and with the wind in their backs, it seemed as if Lismore would make it to the final. Paul Fitzgerald had a steadying point from play for Passage but Dave Bennett's 30th min. free narrowed the gap again. Barry Walsh and Dave Bennett exchanged points from play before a Dave Bennett point followed by two Dan Shanahan points brought the teams level in the 45th min. then Paul Prendergast pointed Lismore into the lead 1-11 to 0-13. Then came the stoppage because of the injury to James O'Connor and when play resumed Anthony Fitzgerald sent over 3 pts. from frees to give his side a 2 pts. victory and their place in the county final for their third time in the nineties.

Lismore: B. Landers, Michael O'Sullivan, C. Barry, A. Whelan, Mark O'Sullivan, S. Prendergast, J. O'Connor, S. Daly, P. Quinn, D. Bennett (0-7), D. Shanahan (0-1), Paul Prendergast (0-2), B. Prendergast, K. O'Gorman (1-1), E. Bennett.

Passage: R. Barry, B. Carey, E. Cullinane, E. Quann, P. Connors, Sean Cullinane, L. Carey, Edmond Fitzgerald, Seamus Keating, C. Carey, R. Walsh, P. Fitzgerald, S. Hanrahan, A. Fitzgerald, B. Walsh. Subs: P. Long for J. Hanrahan.

## ALL-IRELAND 'B' S.F. CHAMPIONSHIP

This competition was introduced about five or six years ago as a result of a Waterford motion to Congress and it seems as if it is destined to go down the same road as the Railway Cup competitions which were once of such great importance on the calendar of competitions.

Last year, our game in the 'B' championship was fixed for a most unsuitable date when the majority of our players were club-tied or otherwise engaged, so in their wisdom the selectors decided to pull out, as did a number of other counties.

Calls for a change in the playing time of the championships have not met with a satisfactory response and this year things are no better than before.

Our first round match against Wexford was originally fixed for Saturday last, September 20 at Stradbally, but this was later cancelled. Then it was refixed for last Sunday morning at 10.30 a.m.

In other words this game was given the status of a Mickey Mouse challenge match. Something to be disposed of and got out of the way. Because it was cancelled, the county weeklies did not advise supporters of the game, with the result that only a handful of people turned up.

As a contest one could only describe it as a success with both teams going all out to win from the start.

At half time Wexford led by 0-7 to 0-6 and they won by 1-13 to 0-13 at the finish. Waterford had done very little preparation for the match and in the circumstances they did well and might even have won if the forwards had been a little more accurate.

## FINALS AT CAPPOQUIN

Two splendidly contested hurling finals were played at Cappoquin on Sunday afternoon and Abbeyside were involved in both. In the opening match Tourin, who had come through a couple of testing games against Glen Rovers, ran out worthy winners to take this J.H. 'B' championship for their second time in recent years. The club won the junior hurling 'A' county championship way back in 1977 when they defeated Rathgormack by a single point (3-6 to 2-8) in a thrilling final at Walsh Park. Their senior hurling triumph over Mount Sion in 1950 is also a proud chapter in this club's history.

After the game T. J. Leahy (captain) received the cup from Board Chairman Paddy Walsh.

In the second game here, which was the final of the second string junior hurling championship, Lismore came good in the second half to score a seven points victory, they having trailed by a single point at half time.

One of the above teams will now take part in the junior hurling championship proper and this will be decided by a play-off over the next few weeks. Because of Lismore's other involvement, a date cannot be set for the match for quite a while.

Abbeyside, who made a bit of history by playing in two adult hurling championships on the same programme, are out of all the hurling championships, but they certainly had a wonderful season of activity in both codes and did enjoy several victories. All concerned with this are to be congratulated. Both their junior A and B teams are still in the leagues.

## I.H. SEMI-FINAL

The replay of the Kilkenny v. Cork intermediate semi-final which ended in a draw here two weeks ago, will be played at the Fraher Field on next Saturday, September 27 at 2.30 p.m. Referee Pat Moore will again be in charge of the game.

## RELEGATION

Another match in the relegation battle was played somewhere over the weekend. This unscheduled game saw Kill win the right to remain up in senior ranks next year and they have become the first of six to qualify. They beat Affane by 2-19 to 0-10 in a very lively game.

The remaining matches will see Ballinacourty play St. Saviours with the winners staying up senior and the losers meeting Butlerstown to decide who will be the third to go down and the third to stay up.

The ultimate outcome of all this will be a tremendous battle for the intermediate football championship title next year.

# Champions Hold Out In Thriller

## BALLYGUNNER 2-16 MOUNT SION 3-8

This was played at a blistering pace and it had everything that one could ask for in a game of championship hurling. The punishing exchanges during the course of play left everyone in no doubt about the commitment and resolve of the players on both teams and there was clear evidence from the start that it was going to be a fight to the finish.

Like the game that went before it, there were 27 frees with 14 for the 'Gunners and 13 for Mount Sion. Five of Ballygunner's 12 first half points were from frees and they had no score from a free in the second half. Only 3 of Mount Sion's total came from frees.

But it was a great game of hurling and even when the champions looked like pulling away in the first half, the intensity never waned and the battle continued to rage. Two first half goals brought the champions lead back to 4 pts. by half-time and by the 60th min. when only 2 pts. separated the teams, there was always the chance that Sion would snatch the goal - as they have so often in the past in tight matches - to rob the champions of another county final place. It was however Billy O'Sullivan who was a real thorn in the side of the challengers

all the way who had the final say with a well taken goal to put the issue beyond doubt in the 61st min.

The game played in ideal conditions was watched by a crowd of about 4,000 who got good value for money.

### PLAY

In the 3rd min. Paul Flynn pointed a free and gathering the puck out, John Meaney equalised from play. Then a Paul Flynn free and 2 pts. from play left Ballygunner 3 pts. ahead by the 7th min. A minute later a rebound off the post was sent to the 'Gunners net by Barry Browne for Mount Sion. Another John Meaney point from play gave Sion the lead in the 9th min. but this turned out to be their final point of this half. Paul Flynn equalised for the champions from a free and there followed points by Tony Carroll (2), Billy O'Sullivan (2) and Paul Power. Mount Sion's goal was scored by Ken Mc-

Grath in the 22nd min. and it was probably the best score of the game following a great run past a number of defenders. The half-time tally was Ballygunner 0-12 Mount Sion 2-2.

### OPPORTUNIST GOAL

Within a minute of the restart Billy O'Sullivan had an opportunistic goal which put his side 7 pts. up and gave them the boost they needed to begin the second half battle. In the next 11 mins. Mount Sion showed signs of taking control and held the champions scoreless while they added 1-3 to their half-time tally. Barry Brown's goal came in the 35th min. and points by Gary Gater and Ken McGrath (2) brought the leeway down to just 2 pts. Flynn and Carroll stretched the lead again to 4 pts. before Ken McGrath and Tony Carroll exchanged scores. It was now all to play for with about 10 mins. remaining and with both sides throw-

ing caution to the wind, excitement began to rise to its limit. A Tony Browne point in the 51st min. reduced the gap to 2 pts. and the situation was unchanged when Paul Flynn and Ken McGrath swapped points as the 60th min. approached. Then came Billy O'Sullivan's goal that put the game out of reach for Mount Sion who must be given full credit for contributing enormously to a great game.

**Ballygunner:** R. Whitty, G. Cullinan, N. Warren, D. Laphorne, S. Frampton, F. Hartley (capt.), R. O'Sullivan, L. Whitty, T. Fives, B. O'Sullivan (2-2), M. Mahony, T. Carroll (0-3), P. Power (0-1), C. Kehoe, P. Flynn (0-10). Sub: J. Lyons for D. Laphorne, C. Sweeney for O'Sullivan.

**Mount Sion:** T. Flynn, B. Flannery, P. Hammond, S. Twomey, J. Cleere, Tony Browne, R. McGrath, Tommy Browne, J. Meaney, B. Greene, G. Gater, K. McGrath, J. O'Meara, D. Power, B. Browne. Subs: P. Ryan for B. Greene, E. McGrath for D. Power.

# All-Ireland Football Finals At Croke Park

## KERRY FAVOURITES TO BEAT MAYO IN THRILLER

With Tyrone and Laois in opposition, the minor final is sure to set the scene for yet another wonderful day at headquarters on Sunday next and by all accounts the stadium will again be packed with a 66,000 crowd of excited supporters for the occasion.

With a huge Kerry following in this county there is an enormous demand for stand and terrace tickets and again the number of tickets available to clubs is not nearly enough to go around and as always there are very many disappointed applicants. The chances of picking up a ticket in Dublin are very remote as it is now reaching the stage where the 'touts' are unable to persuade holders to part with tickets, even for an exorbitant price.

At the hurling All-Ireland the odd few tickets were on sale for a huge price and I understand that one of the

few was a Waterford ticket that somehow got into the wrong hands.

Hopefully, the senior final will not end in a draw as the replay date is October 5, which is also the date of our football county finals.

## National League Match On Saturday

The opening round of the National Football League which was scheduled for October 19 against Kildare will now go ahead on Saturday, October 18th at Fraher Field. Kildare, whose games against the All-Ireland champions Meath in the Leinster semi-final this year has won them a top rating in the championship will be a big attraction here. They agreed to our request which was made to facilitate patrons who wish to see our County Senior Hurling Final on the following day.

## JUNIOR HURLING CHAMPIONSHIP

# Geraldines In Western Final

## GERALDINES 1-8 BALLINAMEELA 1-3

The game attracted a very big crowd to Fraher Field on Sunday evening and while the standard was mediocre, it was a splendid contest that remained undecided right up to the final whistle. A goal by Donnacha Tobin in the dying seconds increased Geraldines winning margin to five from a precarious 2 pts. before the final whistle sounded. Up to this point the winners could not be considered safe as Ballinameela maintained constant pressure over the final 10 mins. and had their chances of snatching victory but a resolute Geraldines defence held them at bay.

Geraldines went into a clear 5 pts. lead with points by Pat Donovan (2), Donnacha Tobin (2) and Paul

Connery before Ballinameela struck for a 30th min. goal that seemed to have been scored by Joe Duggan. At half-time it was 0-5 to 1-0.

Pat Donovan and Michael Fogarty exchanged points on the turnover before O'Donovan and Michael Murray increased the Geraldines lead to 4 pts. Ballinameela then came back into the game after points by Jerome O'Brien and Declan Glavin but the winners had the final say when Donnacha Tobin shot home the winning goal just on the call of time. Geraldines will now await the outcome of three other matches before knowing who their opponents will be in the Western Final.

## RESTRUCTURED NATIONAL HURLING LEAGUE

A change in the timing of the new hurling league is now certain, following complaints that there was a lack of interest in the concluding stages because of the intervention of the All-Ireland semi-finals and final. It is now certain that the league final will be played before

the championships. To make this possible and to help its implementation, the structure of the league must change to make it slightly shorter.

It is proposed that the top division will include the top twelve teams, which will be played in two sections of six.

If the proposals are accepted (and this is most likely) we will play in Group 1 of Div. 1 with Galway, Kilkenny, Offaly, Wexford and Dublin. The other group in our division will have Limerick, Tipperary, Clare, Laois, Cork and Antrim.

## WESTERN BOARD MEETING

A full meeting of the Western Board will take place at The Park Hotel on tomorrow (Thursday) evening at 8 p.m. The under-21 draws will be made, there will be a championship progress report and referees' reports will be dealt with.

# Intermediate Football Final

The intermediate football divisional final between Ardmore and Lismore will be played at the Fraher field on Saturday at 5 p.m. following the Cork v. Kilkenny LH semi-final replay.

Lismore are the unexpected survivors from their end of the draw and here they will be contesting their first final in this grade. Two years ago they won the junior football county title when defeating Gaultier on a surprise 2-7 to 1-4 score-line at Walsh Park.

Last year up in intermediate, they enjoyed a good run and had victories over such sides as Brickeys and Shamrocks before being put out by Ring who became

the county champions later. Their team will be comprised of the members of their senior panel who were beaten in the hurling semi-final on Sunday.

Ardmore have been showing gradual improvement over the past few years in an effort to get back up to the senior grade after too many years back in the lower grade. (Ardmore defeated Stradbally by 2-6 to 0-11 in a thrilling county final back in 1977).

Following their four points victory over Sliabh gCua who were having their first match since being relegated from senior, Ardmore went on to defeat the 1997 junior county champions Sliabh gCua by a very big margin

in the semi-final two weeks ago.

They are a side with a lot of football skill and they will take a lot of beating here. All their players including Seamus Prendergast, Pat Gallagher, Michael Supple, Maurice Hennessy, Killian McCarthy, Anthony Ahearn, Johnnie Hennessy (who captains the team), Kevin Flavin (who scored a total of 3-1 in the semi-final), Seamus Veale, John Conway, Pat Walsh, Kevin Flavin and company, have come up through the ranks.

So, despite Lismore's record of shock victories, I doubt if their winning sequence will continue when they line out here on Saturday.

## PADDY GREEN R.I.P.

One of Mount Sion's leading players during their long reign as the undisputed champions of Waterford, Paddy Green, was a very well known personality who gave a lifetime of service to hurling in the county. A substitute on the 1938 team, Paddy won four county senior hurling championships with his club Mount Sion and in which he also served as a selector for many years. He was also a county minor selector for a number of years.

His entire family had a wonderful attachment to the county hurling teams in all grades. Both sons, Jim and Stephen, wore the county and club colours with distinction. Present county panelist Brian Green is a grandson of the late Paddy.

At the removal of his remains from Ardkeen Regional Hospital to St. Paul's church on Thursday evening a large gathering of GAA personalities attended to pay their final respects. The Central and Munster Councils as well as the County and Divisional Boards and very many clubs were represented. We offer our sincere sympathy to his sorrowing family.

## MINOR HURLING 'B' FINAL

# Deserving Win For Stradbally

STRADBALLY 3-12 CLASHMORE 3-3

Clashmore, having scored three early first half goals, looked odds-on to take this title, but a Stradbally goal shortly before half time put a different complexion on the face of things at half time when the score stood at 3-2 to 1-3 in favour of Clashmore who had wind assistance in the first half.

Within ten minutes of the restart the signs began to appear ominous for the Clashmore team as Stradbally

settled in and took control. With Stradbally team captain Trevor Curran in sparkling form and scoring from all angles, the winners took over and in the end ran out deserving and decisive winners.

After the final the Harry Conway Cup, first presented to Ardmore last year, was presented to Stradbally captain Trevor Curran by Divisional Board Chairman Paddy Walsh.

## Western Scór Na nÓg

The Scór annual general meeting will take place at 8 p.m. on Tuesday, September 30 at Dungarvan clubhouse. All clubs are requested to send delegates to make arrangements for Scór na nÓg.

## Intermediate Hurling Final

The eagerly awaited Western intermediate hurling final between Colligan and Shamrocks is fixed for the Fraher Field and will be played on Saturday, October 11th. The likely date for the county final is Sunday, October 26th, which is the Sunday after the senior hurling final.

## OIREACHTAS DATES

The announcement of the Oireachtas dates will certainly pose a big problem for Waterford. The opening round is set for October 12th which is the Sunday before our senior hurling county final. The second round is fixed for October 26th and the other rounds on alternative Sundays after this. The final will be played on December 7th.

## NO REPRESENTATION ON IRELAND TEAM

The annual Goal Charity match involving the new All-Ireland champions Clare and the rest of Ireland was played at Ennis on Wednesday of last week. A crowd of 10,000 turned out to see the champions lose with more or less the same team which won the All-Ireland. But sadly for us, no Waterford player was selected on the 25 man panel from which the Rest of Ireland team was selected.

# Primary School Prospects In Hurling and Camogie

U-12 GALA HURLING DAY AT DUNGARVAN G.A.A. PITCH — Waterford hurlers Dave Bennett and Ken McGrath demonstrate the "ground stroke" at the u-12 Gala Day. The u-13 gala day will take place on October 4th where the top 13 year olds in the county will be coached by several inter-county players. These sessions are organised by the Games Development Committee.

Grange N.S., Thomas Cronin, Junior Infants, 4 years old — Thomas is a strong well-built boy for his age and looks very comfortable with a hurley in his hand. He lives at Lisarrow with dad Tommy and mother Breda and family. He enjoyed the session last week. His dad was a stylish forward for Ardmore and played M.H. for Waterford in his day. This school is well organised by Mr. Pat Langan (Príomh Oide), Mrs. Spratt and Miss Power on visits. Thomas hasn't decided who his favourite hurler is yet, but he said his dad is brilliant.

St. Joseph's, Dungarvan, Adam Sheridan, age 7, rang 2 — This little boy is a very skilful hurler who has great determination and loves hurling. He strikes the ball and is always well behaved at coaching sessions. His home is at Shandon Street and he comes from a well-known sporting family. Over the years this school has turned out some excellent hurlers and this tradition is now being carried on by Mr. Maurice Kearney (Principal) and his teaching staff. Adam's favourite hurlers are D. J. Carey and Paul Flynn.

St. Joseph's, Dungarvan, Neil Fitzgerald, aged 7, rang 2 — Another boy from second class who likes hurling and is well looked after in the basic skills by his

teacher Pat Curran. He lives at Kilrush Park and he is a very lively lad. Nearly all the lads in this class are into hurling and could be the basis of a good school team in a few years time. Neil looked very good in the ground hurling game in the school yard last week which is ideal for coaching sessions.

## NEXT WEEK'S COACHING DATES

Monday 29 — Tallow N.S.  
Tuesday 30 — St. Mary's, Dungarvan  
Wednesday October 1 — Ardmore  
Thursday 2 — St. Joseph's, Dungarvan  
Friday 3 — Rinn O' gCuanach

## WESTERN M.H. (B) FINAL

On Saturday evening last many lads who have been mentioned in this column over the past 8 years were on duty for Stradbally and Clashmore. I am glad to report that Ed Beresford, K. O'Keeffe, Ger O'Rourke (Clashmore), Ger Power, T. Costello, to mention just a few shone out. The very first boy to appear here in 1991 was a small boy from Seafield N.S. called Trevor Curran. Well seven years on Trevor was the star of the Stradbally team and gave a marvellous display of skill hurling.

## PHELAN CUP SENIOR FOOTBALL

# Rathgormack Just Shade It

## RATHGORMACK 1-9 DUNGARVAN 0-10

Played in very poor conditions and before a small crowd, this semi-final of the cup was splendidly contested and went all the way down to the wire before a decision was reached.

Both sides were under-strength but this did not diminish the quality of the contest.

Rathgormack, having surrendered their senior football title, were anxious to get their defeat by Stradbally out of their systems and this win will keep them in contention for the cup.

Dungarvan were treating the game as a rehearsal for the county final and were not too concerned about the

result having played well. A win for Dungarvan would mean a big hold up in the competition.

At half time Rathgormack led by 1-5 to 0-5.

Each had five second half scores but this allowed Rathgormack a 2 points margin at the finish.
