## ESB Supply Switch-Off In Ballyduff

Ballyduff residents were left literally in the dark last Wednesday when the ESB supply to the area was cut off from 9.30 in the morning to just before 6 p.m. that evening.

One caller to the 'Leader' Office from Mocollop in Ballyduff Upper said that many old age pensioners in the locality were left in complete darkness from 5 p.m. onwards.

Prior notification of the power cut however was issued to all households and business in the Ballyduff area, up to a week before the supply was switched off.

ESB Area Supervisor, Michael Norris, told the 'Leader' that the company had to

BY AISLING CONROY  
Owners of the derelict side-by-side buildings at Main Street, Dungarvan

will soon have to clean up their act and improve the dilapidated premises which have stood vacant in the

town centre for the best part of a decade.

Dungarvan Urban District Council has decided to pro-

ceed under the Dangerous Buildings Act against Irish Nationwide Building Society in respect of the former Ducey and Mulcahy premises at Main Street.

INBS acquired the former drapery store and adjacent licensed premises with a view to developing the site into a multi million pound shopping emporium complete with apartments and a newly created pedestrianised street.

Detailed plans were drawn up by local architect Muiris O Cristoir, an application was made with the local planning authority and full planning permission was eventually granted to the flagship project.

Months dragged by however with no sign of construction on the development and time finally ran out for the developers under the lucrative Urban Renewal Scheme.

Local patience has also

## KNOW YOUR RIGHTS

### QUESTION

I am in a pension scheme at work but I really don't know much about it. Can I get information on it?

### ANSWER

Under the terms of the Pensions Act 1990 Trustees of occupational schemes must give information to scheme members about their personal entitlements. Information about the running of the scheme and in particular about its financial situation, must also be made available to scheme members, to other beneficiaries and to trade unions representing scheme members.

In most pension schemes Trustees do not actually carry out the day-to-day business of the scheme themselves. In some cases they appoint a person within the company to look after the running of the scheme for them. More often they appoint a pensions consultant, an insurance broker, or life assurance company.

Even if they do appoint others to carry out these functions, Trustees are still responsible for making sure that full information about the running of the scheme is available and that members can get information about their own entitlements.

The pensions Board Holbrook House, Holles Street, Dublin 2, Tel. 01-6762622 has a number of booklets available free, such as "Is My Pension Secure," "What Happens To My Pension If I Leave?", "What Do You Know About Your Pension Scheme?"

# AWARDS NIGHT IN CAPPOQUIN

At a well-attended function in Cappoquin Parochial Hall on Tuesday, October 14, Cappoquin Community Development Company Ltd. individually recognised the boys and girls who were part of the Tidy Team on their achievement for the Best Environmental Project. Each one was presented with a certificate in recognition of their efforts to make Cappoquin a tidier place.

Tom Hackett, their leader and mentor, received a presentation from CCDC Ltd. as a token of appreciation for his initiative and efforts. The evening's proceedings were chaired by Ollie Wilkinson with words of encouragement and congratulations from Denis McCarthy.

Mrs. Anne Devine, Principal of the Girls Primary School, was presented with a cheque from the Company who matched the £100 given as a prize by Waterford County Council in the Best Environmental Project undertaken in 1997.

Before the conclusion of 'official' business, Tom Hackett introduced the new Tidy Team who were turned out in full uniform for their new duty for the school year 1997/98.

The Tidy Team normally comprises of boys and girls

from the sixth classes of the National Schools. One should not forget the third level students who carried on from the Tidy Team during the summer months

when the schools were on holidays.

The evening concluded with light refreshments being served. Many thanks for the private donation of

chocolates for the girls and boys. They were greatly savoured by all. Once again congratulations to all concerned and keep up the good work.

Pictured above following their wedding recently at Colligan Church are Maurice Walsh, Ballyhane, Cappoquin and Louise Tobin, Eagle Hill, Ballinamult. Best man was Michael Ahearne and matron of honour Nora Coffey.

## Busy Rehearsals At Ballinameela Aglish Dramatics

Rehearsals are well underway for this autumn's production of "Juno and the Paycock" by Sean O'Casey. This is a powerful and dramatic production set in the tenements of inner city Dublin in the 1920's and is already well-known to most audiences. It encompasses a large cast with Emma Barrett playing Juno Boyle, Henry O'Keeffe as Captain Boyle and Patsy Fleming as Joxer Daly. These are joined by John Stack as the troubled and fragile Johnny Boyle and Julie Conroy who plays his sister Mary. Many others contribute to the play, portraying the crowded and oppressive living conditions of that time. We welcome back Michael Scanlon as producer and we look forward to staging a polished and provoking play. The production will take place from November 27th to 30th at Carriglea Convent Theatre, Dungarvan. More details later.

## LISMORE SCHOOL FORMS HISTORIC LINK WITH FRANCE

An historic educational partnership between the Lismore Presentation Secondary School and a French lycée in St. Aubin Du Cormier has reaped huge rewards for transition year students.

The joint educational project between both schools was formed in June of last year when Madam Veronique Gautier of the Lycée Professionnel Beau-Lieu visited the heritage town to discuss details of the venture.

Following this meeting 26

French students visited Lismore for a fortnight stay last April and followed a comprehensive programme of activities organised by the staff in the school. An important aspect of the exchange is the experience of living with Irish families in the locality and gaining first hand experience of Irish culture.

In a return visit, Lismore transition year students travelled to St. Aubin Du Cormier at the end of May this year where they enjoyed the hospitality of the

French school and families. It was agreed that this was an extremely worthwhile educational and social experience.

A second group of 23 French students have just completed their 2 week educational programme in Lismore. Among the various activities organised by Lismore Presentation Secondary School were a tour of Lismore Castle and gardens, a trip to Galway, a drugs awareness seminar and classes on tourism awareness, Irish/French his-

toric links, Celtic symbols and Irish literature.

During the exchange, two French students availed of work experience placements provided by Lismore Heritage Centre and Carrefour Offices in Church Street, Dungarvan. This international work experience will be very impressive on future C.V.s.

The Lismore Transition Year students are now looking forward to their French exchange visit in May of next year and indeed both schools are looking forward

to many memorable experiences in the future.

▼ Pictured below on a recent exchange visit to Lismore Presentation Secondary School are French students and teachers from Lycée Professionnel Beau-Lieu, St. Aubin Du Cormier. Also included are Elma Hayes, Principal Lismore Presentation Secondary School; Mary Fenton-Morrissey, Chairperson Lismore Town Commissioners and Anne Fitzgerald, Exchange Organiser.

# Lions Club Annual Convention For Dungarvan In March 1998

Dungarvan Lions Club has been chosen to host the prestigious Annual Lions District Convention which will be held from Friday, March 27th to Sunday, March 29th 1998. With an attendance of at least 500, this will undoubtedly be one of the biggest conventions to visit Dungarvan.

While the District includes Ireland north and south, a number of visitors from Britain, Sweden and other European countries are also expected. All delegates will report back to their clubs (115 in total) on the convention. From our experience at similar annual conventions, this will include feedback on the area involved in addition to the convention itself. This is a unique opportunity for Dungarvan and Co. Waterford to market the tourist attractions of the area and generate future business.

The weekend should prove a financial spin-off for the area as the hotels and guesthouses will be heavily booked. The bars, restaurants and shops should also see the benefits of this convention.

Dungarvan Lions Club has enjoyed the wonderful support of the people and businesses of Dungarvan for the past 20 years. It has undertaken this mammoth project in order to repay this support in some small

way and to play their part in the promotion of Dungarvan and Co. Waterford. They are determined to stage a successful and enjoyable convention and ensure that our visitors take away with them a very favourable impression of this area which will in turn be conveyed to their

clubs.

Part of the Convention will involve first class tours, entertainment and hospitality for the delegates. To assist with the cost of running an event of this size, Dungarvan Lions Club will be seeking financial assistance from local businesses and

industry. The generosity of sponsors will be fully publicised in promotional literature including advertising space in the Official Convention Programme. In this regard they are delighted to announce that Bank of Ireland is the major sponsor of the Convention.

## Dungarvan E.S.B. Office No Longer Responsible For Public Lighting

The Waterford Regional Office of the ESB has taken over full responsibility for public lighting maintenance in Dungarvan town.

Previously managed by the Dungarvan E.S.B. branch under Area Supervisor Michael Norris, a new ESB crew with sole responsibility for public lighting has now been appointed by the Waterford office.

According to ESB Contract Supervisor, John O'Hanlon, the reason behind the centralisation of the repair and maintenance of public lighting is to increase efficiency.

Residents in Dungarvan can still report faulty street lighting through the Dungarvan branch who will immediately inform the Waterford office, via computer, of any repairs that need to be carried out in the town.

Mr. O'Hanlon maintains that the response time for repairs to street lighting will remain unaffected by the new system.

Through the appointment of a dedicated crew however dealing solely with public lighting, Mr. O'Hanlon believes the system to be more

efficient. The crew, he added, will not be sidelined by other ESB matters which may arise during the normal course of the day.

Increased efficiency however was not evident in a case in Abbeyside last week when vandals broke the street lighting in Mc-

Carthyville.

The Waterford office was immediately notified by the Dungarvan branch. Nevertheless residents in the estate spent three nights without any public lighting before the newly appointed crew from Waterford repaired the lights.

run out and despite assurances by INBS of their long standing interest in developing the Main Street property, the boarded up shop fronts on the town's busiest shopping street has ensured a disastrous P.R. job for INBS.

The company has come under an enormous amount of criticism by U.D.C. councillors, residents and visitors to the town.

Derelict boarded up buildings have no place in a vibrant town such as Dungarvan and locals have waited long enough for INBS to develop or even improve the site.

Recognising this fact,

County Manager Donal Connolly has decided to move against the property owners under the Dangerous Buildings Act — a decision which was no doubt prompted by the recent Town Engineer's report which found the buildings to be unsafe.

INBS will be forced to carry out necessary works on the Main Street properties to render them safe.

Following this initial course of action, the Urban Council will then consider whether to serve a notice on INBS under the Derelict Sites Act which involves an annual monetary fine.

undertake a massive job in Ballyduff, replacing faulty poles.

While he understood that local residents were left in the dark for an hour, he said it had been a planned switch off and had to be carried out before the winter set in.

Mr. Norris added that the ESB are forced to patrol and regulate all power lines and are legally obliged to replace all faulty poles.

"If we did not replace the poles in Ballyduff on Wednesday, the lines would eventually fall down causing complete disruption to the local electricity supply," he stated.

**New Discovery - The Biggest Dinosaur Ever To Walk The Earth**

**He was the biggest dinosaur you would ever have seen.**

So big, in fact, that the mighty T-Rex would seem like a dwarf beside it — at only 10 feet tall and three tons lighter.

The Giganotosaurus, a giant, meat-eating dinosaur roamed South America around 100 million years ago. It would have stood 12 feet high and 47 feet long. Its skeleton is now at the Academy of Natural Sciences in Philadelphia where scientists hope to rebuild up to 80 per cent of it.

**Dinosaurs: Did you know?**

The word Dinosaur is made from two Greek words meaning Big Lizard  
 Dinosaurs originally grew wings to flap so they could run faster  
 Most of the dinosaur findings happen in North America and North Africa  
 Dinosaurs may have become extinct because the world got soaked in deadly cosmic rays from an exploding star.

The monster's skull is six feet long and has hundreds of serrated teeth that would seize its victims with great precision. It is known to have attacked and killed dinosaurs that were almost twice its length at around 80 feet

**Ever To Walk The Earth**

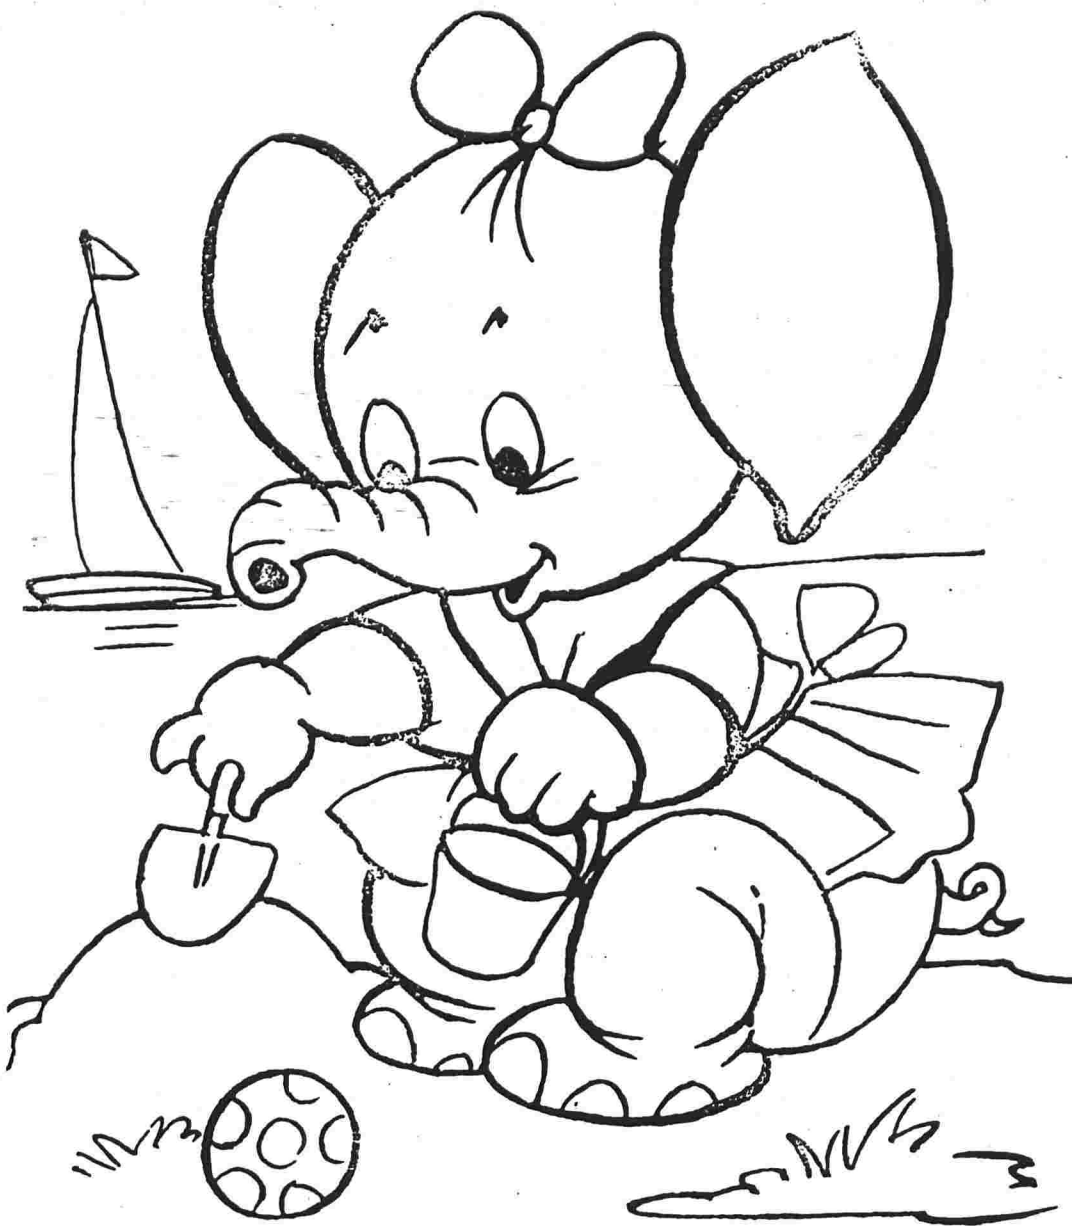

long.

As well as the discovery of this new dinosaur, new dino' footprints have been uncovered in the countryside near Dorset.

The new foot prints are the largest ever found in Britain, the dinosaurs that made them weighing in at around 15 times the weight of a car.

More than 40 inches across, they were made 140 million years ago by Diplodocus.

**Why Do Birds Preen Themselves?**

**BIRDS** preen themselves to clean and waterproof their feathers, to keep them neat and lying smooth and also to maintain their general health. This process starts soon after they are born, when the feathers start to break out of their sheaths. When the parents are out looking for food the young bird spends most of its time combing its feathers with its bill and freeing them from bits of sheath and other blemishes.

As the bird grows into adult life it continues the same process. It uses preen or oil glands which are situated on the back, just in front of the tail. The bird gently bites at the glands and rubs its head against them, spreading the secretion on its feathers. The oil is responsible for keeping the plumage waterproof, keeping it supple and for preserving the bird: insulating qualities. If the bird accidentally swallows this oil no harm is done as the oil is a source of Vitamin D.

Most birds have preen glands and often mix preening with water or dust bathing. You may see ducks dipping their heads under water, flicking their wings and moving their bodies while preening. The duck gets pleasure and fun out of this.

# Triumphant Opening For Cappoquin Artist's Exhibition

Cappoquin artist Arthur Maderson had a triumphant opening to his recent exhibition at the James Gallery, Dalkey, Dublin last Thursday. With over three quarters of his work sold within the first few hours of the private reception, Arthur is

once again well set to achieve his sixth consecutive sold-out show in Ireland.

Pictures of the Blackwater Valley, the beach at Clonea, and studies at Tallow Horse Fair proved very popular. With prices dou-

bling since last year, he is now amongst a small handful of living painters who are able to command top prices.

Later this month he will be going to the United States to finalise arrangements for a major show this December,

at the prestigious Montgomery Gallery in San Francisco. Meanwhile, he has been invited to represent Ireland in a new journal, 'Art International,' to be published throughout the world next May.

Well done, Arthur!

## Relatively Crime Free Hallowe'en

Hallowe'en festivities in Dungarvan were relatively low key this year. Gardaí reported a quiet Hallowe'en weekend with only one reported incident of vandalism.

Following in the recent trend of mindless damage to shop windows, evidenced particularly along O'Connell Street, the front shop window of Lenihan's Bakery, O'Connell Street was smashed by vandals on Sunday night.

Elsewhere on Hallowe'en eve, public lights in McCarthyville and Kyne Park, Abbeyside, were again van-

dalised by youths. The public lights in this area have long been targets for mindless vandalism, much to the annoyance of local residents and the ESB.

Meanwhile, Asst. County Chief Fire Officer, Des O'Brien told the "Leader" that there were very few bonfires over the Hallowe'en weekend compared with last year.

Only one fire brigade was called out to tackle a bonfire which got slightly out of control in Tallow, but otherwise Mr. O'Brien said people seemed to be aware of the dangers associated with fires.

## Melleray Scout Centre On Airwaves

Jamboree On The Air, a world wide scouting event for the past 40 years was held over the weekend of the 18th/19th October. Scouts from all over the world, estimated at 500,000, took part. The object was to use Ama-

teur radio to provide the scouts with an opportunity to speak to each other and to swap stories about each others troop and its activities.

Preparations for this 2 day event involved the scouts in building radio masts, laying

the cables and preparing the maps that would be used to track the contacts around the globe. Computers play a big role in modern radio communications and the scouts were involved in using the computers to keep track of events over the week end. This year for the first time a J.O.T.I. Jamboree On The Internet was launched. This mode of communications proved very popular. Contacts made by whatever mode will lead to a continuing exchange of ideas and will build up to create a better understanding amongst scouts, of the extent of their organisation.

This year was the first time that Mount Melleray Scout Centre took part in J.O.T.A. It ran a very successful radio station, EI 5 MCR, involving three transmitters on the high frequency bands and two transmitters on VHF & UHF. This amount of radios require a considerable number of different antennas and cabling all of which was accomplished in record time by the scouts and crew in the centre. On the day the equipment worked like a dream and we were delighted to get our first contact in JOTA 97 into Alice Springs, Australia, to be followed by a contact with the headquarters station of the Egyptian scouts in Cario. New Zealand, Antarctica, Cuba, Greece, Venezuela, Argentina, Sweden, Poland, Somalia, Finland, Japan and almost everywhere in between. The scout troops from Stradbally, Kilmacow

and Ballincollig kept us on our toes finding the different countries and cities on the maps, the scouts, male and female, were fantastic, their enthusiasm and delight at being able to talk to scouts on the opposite side of the globe was infectious and we were working flat out to keep pace with them.

The event does not end with the closing minutes, now we wait for the QSL cards to arrive, courtesy of the International Amateur Radio Union, who deliver our cards free of charge to any part of the world. We also send our cards to those stations which we spoke to, giving them information about ourselves and our troop and how we may be contacted again during the year. EI 5 MCR, is a permanent club station in Mount Melleray and we will be running the radio version of Internet "Packet Radio" full time to accommodate contacts.

The close ties between amateur radio and scouting makes all of this possible, the radio equipment was supplied and operated by licensed radio amateurs, and we are grateful to Pat Geoghegan, EI 9 EZ, Cappoquin, Jim Farrell, EI 8 IG, Dungarvan, Ger Kenneally, EI 8 HT, Youghal, Peadar Rosney, EI 2 IF, Kildare, Bob Williams, EI 7 AF, Clonmel, Frankie McEvoy, EI 4 HW, Waterford, Carl Geoghegan, EI 1357, Cappoquin, David Steam, EI 1386, Dungarvan. Our thanks also to Tom Feerick, Cappoquin for the internet modem.

# Ardmore Commemorates Sea Tragedy Of 50 Years

The people of Ardmore gathered together for a simple ecumenical ceremony last Saturday to commemorate the 14 sailors who drowned when the S.S. Ary sank in Ardmore Bay 50 years ago.

The ceremony took place at the mass grave near Ardmore's historic Round Tower where 11 of the sailors are buried.

Through the generosity of the local community, a suitably inscribed headstone has been erected at the graveside.

Ardmore parish priest Fr.

D. J. O'Connor and Church of Ireland rector Rev. Desmond Warren conducted the ceremony.

Coincidentally Rev. Warren's father, Rev. John Warren was involved in the prayer service as the bodies from the ill-fated S.S. Ary were brought ashore.

A decade of the rosary was recited in Irish by Fr. O'Connor who paid tribute to Ardmore man, Kevin Gallagher and his group who organised the ceremony.

Indeed through their tireless efforts, the erection of a

headstone for the sailors became a reality.

Retracing the last voyage of the S.S. Ary, Mr. Gallagher said the ship was bound for the port of Waterford when the 15 man crew were forced to abandon it and take to the lifeboats in stormy weather. Only one of the crew survived landing on the coastline at Old Parish. All but two of the bodies were recovered, some close to Ballyquin Strand and some as far away as Knockadoon in East Cork.

Mr. Gallagher said that in

keeping with the simplicity of the occasion, there would be no individual acknowledgements. However he extended a special welcome to Donald Linderburn who travelled from Swansea and whose father George was one of those who perished.

He laid a wreath on the grave as did Patrick Mulcahy and Jim Spooner on behalf of the British Merchant Navy and the National Sea Training Association respectively. Willie Roche also laid a wreath on behalf of the people of Ardmore.

## DUNGARVAN MS NOTES

All roads lead to Leamybrien on Saturday, November 11th for our annual night out organised by Tony Coffey. A great night is always assured. Cead dul isteach £2.50 and tickets are available from any Committee member or at the door. A bus will leave the Square, Dungarvan at 8.30 p.m. for Leamybrien. Come one, come all!

Our monthly meeting was held on Thursday, October 30th at the Park Hotel. It was a very lively meeting. Ritchie showed a video of the new mobile home. It's so comfortable that the people using it won't care about the weather!

The meeting was addressed by Katie Hourigan, MS Community Care worker. She spoke about starting up a newsletter for the region to which all branches would contribute. In this way the branches could keep up with everything going on in the different areas. She also spoke about having more exchanges of information between the branches and regional head office in Kilkenny. We welcomed a new member into the branch: céad míle fáilte, Eleanor!

The attendance at the Art Exhibition on Friday, October 1st was a bit disappointing. What was lacking in quantity was made up in quality as the artists sold some of their paintings and all the flower arrangements went like hot cakes!

We look forward to seeing a big crowd in Crotty's, Leamybrien on Saturday, November 11th.

## Dungarvan Scout Notes

There was no meeting last week as it was Hallowe'en Night. Instead we had an overnight to Mount Melleray. Twenty seven scouts and three leaders departed the Den on Saturday at 2 p.m. When we arrived we sorted out where we were sleeping. It was then out to the Assault Course where we had a competition. Seamus won this with Ronan Flynn coming second.

We then had a few games of basketball and soccer with Paul Walsh doing well. We then had our packed lunch. After this we went to the half acre for a few games of ball tig. John Flynn won this game with Paul Walsh coming second.

Next on the agenda was a hike. Jonathan led us on a hike. We don't think we knew where he was going but eventually got us back to the Centre after going

through many fields, forests and even graveyards.

When we got back to the Centre, we watched a film called "Ace Ventura - When Nature Calls". Robert Bagley didn't stop laughing the whole way through the film. Stephen Murphy was given a cake for his birthday. We all went to bed and to sleep except for a few S.P.L.'s and leaders.

On Sunday morning we got up at 11 a.m. and went to Mass. We were finally left down to the shop to buy some sweets. Jonathan and Derek did a great job of cooking dinner (although you can't really go wrong with chips and sausages !!). We had a few games of wall ball etc. outside. Derek Murphy won the haversack while Bonzi got the sleeping bag. We all left for home at 4 p.m. tired and hungry. Overall we had a great night.

# Road Courtesy Not One-Way Is Key To Traffic Problems -DILLON

Common courtesy and respect for other road users would go a long way towards solving Dungarvan's traffic problems, according to local Urban Councillor, Damien Dillon.

A strong opponent of the planned introduction of a one-way traffic system in the town next January, Cllr. Dillon blamed bad manners, intolerance and impatience on the part of drivers for the many traffic problems encountered in the urban area.

The new traffic management plan, passed by UDC members at a recent meeting, will see a radical one-way system introduced in O'Connell Street, Western

Terrace, Main Street, Church Street and Carberry's Lane, among others, in a bid to eliminate traffic circulation congestion and improve circulation through the town.

Cllr. Dillon however who was not present when the traffic plan was formally ratified by the Council, said the plan's proposals are pandering to impatient drivers.

Outlining some of his own firsthand experiences of the traffic problems in Dungarvan, Cllr. Dillon related how a driver had stopped and parked in front of him in the middle of Mary Street even though there was a legitimate parking space beside the driver in question.

He also gave an example of a delivery truck parked at a stop sign facing the wrong way at Mitchel Street.

"It doesn't take a management plan to sort out these problems," he stated. "A lot of what we're talking about is sheer bad manners."

Cllr. Dillon continued that if drivers treat each other with courtesy and respect, the town won't need a one-way system.

While his opposition to the

traffic management plan has come too late, his observations that proper pedestrian facilities be accommodated into the plan and that good directional signage be erected around the town, was duly noted by Council officials.

It is anticipated that some of the more pressing traffic changes will be made before Christmas, while the bulk of the one-way system will come into effect next January.

## Comhaltas Ceoltori Eireann Dungarvan Branch

The 43rd annual general meeting of the above named branch was held on Wednesday night, October 22nd in Lawlor's Hotel.

The minutes of the previous meeting and correspondence having been dealt with, the secretary gave her report on the branch activities for the year which was very satisfactory. The treasurer's report showed the branch to be very active during the year and the balance sheet shows it to be financially sound.

The following are the officers elected for the coming year. After the summer recess

our ceilidhe/set dancing classes in the Park Hotel on Tuesday nights are very well attended. Preparations are also in progress for set dancing workshops in Clonea Hotel on Saturday 15th November with ceilidhe on that night. There will also be a short ceilidhe on Friday night 14th.

The branch will be running its marathon ceilidhe in February as in previous years. More about that at a later date.

We would welcome new members senior and junior to join our branch now at the beginning of the year and also our set dancing classes.

Votes of sympathy were passed to families who suffered bereavements during the year. With the business of the meeting completed, a friendly chat took place while enjoying some tea and sandwiches.

## Dream Come True For Lismore Boy

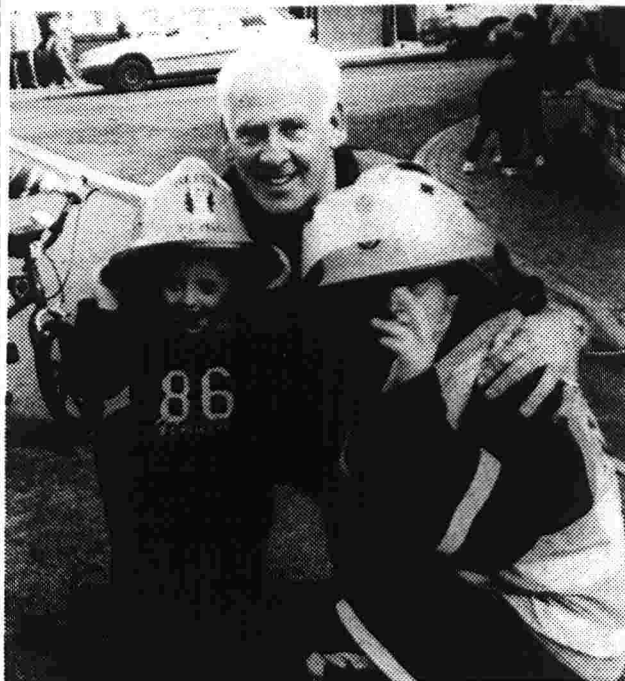

Photo shows Shay Kinsella with Reece Flynn with a member of the Lismore Fire Brigade, Ms. McNamara.

A dream came true for 6 years old Reece Flynn on Saturday, October 18 when the Share A Dream Foundation made him a fireman for the day.

Little Reece from Lismore was born with Downs Syndrome and contracted Acute Lymphoblastic Leukemia when he was 3 years old.

However, Reece is still a very cheery, jolly boy who likes all the things that every 6 year old enjoys, like fire engines, Barney as well as playing games with his 4 year old sister Celine and 2 year old baby brother Jevon.

Reece's mum, Suzanne, wrote to Shay Kinsella of the Share A Dream Foundation asking Shay to make Reece's dream come true of being a fireman for a day and rescuing somebody famous.

So, Shay made it all happen in Reece's home town of Lismore. First of all the local Heritage Centre staged a fire and it just so happened that the Lady Mayoress of Lismore was inside this building shouting "help, help".

Lucky for her that the local fire brigade in Lismore rushed out to her aid with local fire man Reece Flynn extinguishing the fire before rescuing her from the Heritage Centre.

After everyone was calm including the Mayoress, there was a big cheer for the local hero of the day Reece Flynn.

Later Reece and all his friends, relatives, etc., attended a mega celebratory party in the Lismore Hotel, where a special guest, Barney, soon arrived to meet the local hero of Lismore.

After loads of fun and games, little Reece Flynn retired for the day and returned home after a hectic day in Lismore.

Our sincere thanks to Lady Mayoress of Lismore, Lismore Heritage Centre, Lismore Hotel, Roche's Supermarket, Lismore Fire Brigade, Brian Slattery of Limerick Fire Brigade and Ita McNamara.

## DUNGARVAN TOASTMASTERS NEWS

Our last meeting was held on October 23. There was a very good attendance and everyone enjoyed themselves. There were four speeches and a lively topics session.

One of our new members, Marion De Burca, gave her first speech. We were entertained by many anecdotes relating to life on a farm. Our second speaker Louise Neylin, with her usual versatility, could tell a good story from the point of view of a child, with vivid imagery she

told of a child's dismay at the loss of a favourite teddy.

Our last speaker was Rita Sandford and she made us do some soul searching on how to increase membership in club associations. There was unanimous agreement that personal contact was the best way to achieve this.

John Lawless was our Topicmaster. The topics were thought provoking and led to lively discussions, even the most mundane topics can spark off some hilarious comments.

## Dungarvan Town Engineer Departs For Tipperary

Dungarvan Town Engineer Ray O'Dwyer attended his last meeting of the Urban District Council last month before leaving for Tipperary South County Council to take up his new position as senior executive engineer.

Mr. O'Dwyer enjoyed great popularity among town residents during his stay in Dungarvan and will long be remembered by Seapark residents as the official who finally resolved the longstanding sea wall issue.

There were many tributes to the departing Town Engineer at last week's UDC meeting not least by Cllr. Michael O'Riordan who said

that Tipperary's gain will be Dungarvan's loss.

"He was one of the most efficient engineers in the town", declared Cllr. O'Riordan who described Mr. O'Dwyer as a 'ray of sunshine'.

County Manager Donal Connolly said Mr. O'Dwyer had done excellent work in his role as Town Engineer and he congratulated him on his promotion.

Thanking members for their kind remarks, Mr. O'Dwyer said he enjoyed his time in Dungarvan and regretted that he could not complete the projects he had already started in the town.

## Tallow Finalist In Search For National Treasure

The nationwide quest by Hayes Conyngham and Robinson, the Chemists, to find Ireland's National Treasure ended in triumph for Co. Waterford on October 24.

Tessa Prendergast from Tallow, was announced as a nationwide finalist on R.T.E TV's PM Live. Tessa was nominated by her sister Hanna Prendergast and wins a £100 Hayes Conyngham and Robinson Centenary Health and Beauty Hamper.

Hayes Conyngham and Robinson teamed up with RTE's new PM Live show in September to find Ireland's National Treasure as part of its celebration of 100 years of business in Ireland, and 100 years of caring for Irish customers through its 14 chemists in Dublin and Cork. The judging panel, which was chaired by Michael Shiell, Managing Director of Hayes Conyngham and Robinson, faced a difficult task in deciding on an eventual winner from 10 finalists and over 700 competition entries.

The competition offered people the opportunity to acknowledge someone they know for always thinking and caring for others, to nominate a National Treasure. Ten finalists were chosen by the judging panel and each finalist and their nominator appeared on PM Live from September to October 1997.

Overall nationwide competition winner Catherine Barnes from Enniscorthy, Co. Wexford won an exclusive prize of a party for up to fifty friends and family.

# Cappoquin Farmer Rows For Ireland

A County Waterford farmer and a leading ICMSA figure in the county has jetted off with his brother to compete in the World Rowing Championships in Adelaide, Australia.

Milo Murray from Tourin, Cappoquin, who is the Waterford ICMSA Secretary, will this week be teaming up with his brother Pat and members of Old Collegians rowing club to represent Ireland in a total of four events.

The Murray brothers have represented their country in rowing with distinction over

the past number of years. They have recorded a number of victories over English, Scottish and Welsh competitors in home internationals. As a coxless pair they had victories in the Fisa Regatta in Vienna in 1993, in Holland 1994 and were runners up in the event in Slovenia 1995.

Prior to their departure to Adelaide, ICMSA President, Frank Allen, paid a visit to the county to present a cheque to Milo and Pat towards the cost of the trip. (See photo on Page 19)

## Lismore Cathedral Bell Festival A Great Success

Lismore Cathedral Bell Festival on October 4/5 proved to be very successful. The final total raised was over £3,000 and many people said how much they enjoyed the weekend. There were many requests that this should become an annual event.

The Festival Committee are grateful to the townspeople of Lismore and especially local businesses, not just in Lismore but also in Cappoquin, Tallow and Dungarvan for the generous support they gave. The support and encouragement given by all our local newspapers and radio stations is also much appreciated and was a big factor in the success of the festival. Thanks is also due to musicians, craftsmen, flower arrangers, face painters and the many other people who helped in the organising of the festival. The winners of the sponsored draw were as follows -

1st prize: Waterford Crystal (donated by Waterford Crystal Ltd.) - P. Maxwell, Moorehill, Tallow; 2nd prize: Hamper (donated by Kelleher's SuperValu, Cappoquin) - M. Walsh, New Street, Lismore; 3rd prize: £50 Voucher (donated by Feerick's Pharmacy, Cappoquin) - R. Massey, Belmont, Cappoquin; 4th prize: Meal for two (donated by Blackwater Lodge Hotel, Ballyduff) - P. Fitzgerald, Heritage Centre, Carrick-On-Suir; 5th prize: £25 Meat Voucher (donated by McGrath's, Lismore) - J. O'Donoghue, Mount Prospect, Curraglass; 6th

prize: Basket of fruit (donated by Dowd's, Lismore) - D. Murphy, Ballyea, Lismore; 7th prize: Framed picture (donated by Heritage Picture Framing, Lismore) - Dr. B. O'Mahony, Convent Road, Lismore; 8th prize: Hair Dressing Voucher (donated by Aine's Hair Salon, Lismore) - P. O'Gorman, Main Street, Lismore.

There was much interest in the illustrated display on "Lismore In The Great Famine". This will remain in the Cathedral for everyone to see until well into the New Year.

The Bell Festival Concert on the Saturday evening proved to be one of the most successful held in the Cathedral in recent years, judged by audience appreciation!! The Blackwater Singers were in their usual great form and Dr. Jan Van Putten gave a recital of lively organ music specially chosen for the Bell Festival. The young people's choir from Fermoy, Cor Cholaiste an Chraoibhin sang with a wonderful mixture of skill, feeling and enthusiasm and the audience really loved it. Many people said how good it was to hear young people singing sacred music with such obvious enjoyment. This was the first time Cor Cholaiste an Chraoibhin have sung in Lismore and there was a huge demand for them to come again next year so that everyone might have the opportunity to hear them. This is being considered possibly for April or May. The tape that this choir recently made, of a recital in Glen-

caim Abbey "Let Us Sing", is being sold in aid of the Belfry Fund and will soon be available in local shops and heritage centres.

The next recitals on the Bells will be in the afternoon of Sunday, December 21st in conjunction with the Ecumenical Carol Service and again on the afternoon of Christmas Eve when the bell ringers will add Christmas carols to their repertoire.

## ANTI LITTER

We would once again appeal to everyone to help and keep Lismore litter free. The second round of judging is due to take place during the month of November and Lismore is among the favourites in Waterford to be the overall winners. The prize as we have written here many times in the past number of weeks is a factory.

With industry so vital to our economy, Lismore will have to pull out all the stops to gain an industry and this would appear to be the best possible hope of doing so. So we hope everyone - young and old - will continue to keep Lismore litter free and continue the reputation set during the summer when so many tourists had the highest of praise for the town for being litter free and clean.

## LISMORE F.C. NOTES

### Red House League Lismore 1 Youghal 1.

Lismore played their first game in the Red House League on Sunday last when they travelled to newly promoted Youghal and came away with a one goal each draw.

Youghal, who have only two of last year's team playing this season in the Red House League, are regarded as weak opposition due to the loss of so many players to the Cork A.U.L. This was reflected with the amount of possession Lismore had but true to form as last year, there is no one to put the ball in the back of the net. Keith Hornbrook gave Lismore the lead with 10 mins. of the first half remaining. After a defensive blunder, the Seasiders equalised with 15 mins. remaining.

This was not an inspiring performance by Lismore especially with the 'big guns' waiting. While a draw away from home is always worthwhile, Lismore will look on last Saturday as 2 pts. lost.

Team: S. Prendergast, K. Hornbrook, P. Prendergast, Dave Howard, B. Crowley, B. Prendergast, P. Howard, M. Caples, P. Walsh, G. Keane, A. Landers.

Under-18's - Lismore 1 Pinewood Rangers 0.

On Saturday last the under-18 team had a marvellous win away to Pinewood Rangers with Michael Ormonde netting the only goal of the game in the first half. This was a wonderful victory and this side has the makings of a strong league challenge.

Team: T. Landers, D. Howard, V. Ormonde, M. Coleman, L. Greenslade, M. Caples, P. Howard, E. Pollard, D. Barron, Michael Ormonde, A. Landers. Subs: M. Keane, M. Ormonde, J. Tobin.

Fixtures - Saturday, November 8th.

Red House League - Lismore at home to Mogeely. Kick-off 11.30 a.m.

Under-14 - Lismore away to Brideview Utd. Kick-off 11.30 a.m.

Under-18 - Lismore away to Cappoquin. Kick-off 3 p.m.

### Competition Results - Ashes Win.

The return leg of the Ashes match against Dungarvan took place in Lismore on Saturday last. Played in ideal conditions, it provided a nailbiting finish. Dungarvan took a lead of 8 Holes with them from the first leg and fought tooth and nail to hang on to the trophy. At the end of the day Lismore were winners by 4 Holes. So vice-captain Noel Foley became the first vice-captain since Ronan Culloo in 1990 to accept the Ashes Plaque.

Over the two legs it provided great enjoyment and an opportunity to strengthen the bond with Dungarvan Golf Club and its members. Long may it continue. Results as follows -

18 Hole Stableford - Saturday/Sunday, November 1st/2nd. 1st: B. Power (18) 39 pts., 2nd: S. Beecher (10) 39 pts., 3rd: M. Cahillane (11) 39 pts. B9.

## PRESIDENTIAL ELECTION

Last Thursday, as with the national average, the three polling booths in Lismore emerged 43% - 45%. This was for the Presidential Election. The poll was much less for the Referendum. So many people did not understand it, they just refused to take the voting paper. Indeed as was remarked, the politicians were conspicuous by their absence - was there fear they would be asked to explain why one should vote yes or no?

The turnout was one of the smallest for an election for many years in Lismore. We were asked, once again, would we mention in our notes as we have after the last few elections, the possibility of moving the polling booths to a more central spot in the town as many find the trek (especially the elderly) up the hill to the C.B.S. too much of a task. The facilities at the C.B.S. are excellent with plenty of space etc. and the staff employed at the booths would all agree with this but the voters are the ones who are questioning why some other facility more central cannot be acquired for the day. Would those in higher places please look into this request.

## ABBEYSIDE GUIDE NOTES

This week all units are back in action after their short Hallowe'en break. Before the holidays our Ladybird and Brownie units made a variety of Hallowe'en crafts while our Guides enjoyed a very interesting talk on drug and solvent abuse. This lecture was given by two ladies from Waterford Drug Helpline who were very knowledgeable on the topic and who gave a very informative talk which was followed by a question and answer session. All in all it was a very good evening. Our next Guide meeting (this Friday) will take place in Clonea Leisure Centre where bowling will be the name of the game. All members are reminded that they must be in Clonea at 6 p.m. sharp and be collected there at 7 p.m. Wear tracksuit uniform and bring £1.

### INSURANCE

All Ladybirds, Brownies and especially Guides (who as usual are slowest to pay !!) are reminded to pay their £10 insurance and affiliation fee as soon as possible. Also some registration forms are yet to be returned and we urge you to bring these to your next meeting.

### BE SAFE BE SEEN

As the hour has now gone back and we're well into winter time, we ask all our members who walk or cycle to meetings to ensure that they can be seen on the roads at night. All bikes must have lamps and reflectors and we ask that you wear some sort of reflection on your person also as our navy uniform makes you very difficult to be seen by night drivers.

## ABBEYSIDE REFERENCE ARCHIVE

Of all the books in the Archive, it's the scrapbooks that are the worse for wear and tear. Each week they get thumbed through and were never designed for such constant use. A number of them are now a collection of single pages but it's the price they pay for being so popular. This week we held our monthly committee meeting in the Parish Office for the first time. Up until now all our meetings were held in the local Scout Den and we wish to thank the Scouts for the use of same over the years. This Sunday evening Theresa Breen will be in charge of all at the Parish Office at the usual time 2.30 to 5.30 p.m.

## EMIGRANTS REUNION

The ninth London Reunion takes place at Stonebridge Community Centre on Saturday night next, November 8th following the Reunion Mass in the Church of the Five Most Precious Wounds at 7 p.m.

The number booked for the weekend includes a large number of Abbeyside people as well as parishioners from the surrounding parishes. The itinerary for the weekend includes a visit to Butlins on Friday night and to Willesden on Monday night. A day trip to France on Monday is also under consideration for those wishing to travel.

Those travelling by coach/ferry will leave on Thursday evening and the bus to Cork Airport will leave Grattan Square at 9.15 a.m. on Friday morning next, Nov. 7th.

## REMEMBERING OTHER DAYS

This week our "Remembering Other Days" series features members of the Dungarvan Scout Troop on their summer camp in Aughrim in 1975. Pictured are (back, l. to r.) # Cappoquin Notes

## CAPPOQUIN A.F.C. NOTES

**Youths** — A busy weekend for the club kicked off on Saturday with an away fixture for our under-18 team in Clashmore. From the outset this was a disciplined, solid performance. Although conceding an early goal, we fought back with great determination to equalise before the break through a marvellous Niall Maher free-kick.

This was no more than we deserved and we continued into the second half in control in most positions on the field. Our dominance was rewarded when a Stephen Morrissey cross was slotted home by Stephen Curran to put us into the lead.

To their credit, Clashmore came more into the game after this and pressed hard for an equaliser but a faultless defence marshalled well by Shane Coughlan kept them from getting a shot in goal.

This was a much better performance more like we expect from this team. It was essentially a team performance with everybody playing their part. It was obvious that the lads have been stung by the disastrous start to the league and intend to prove their ability from here on in.

There is a long way to go and plenty time to climb the table.

**Team:** Michael Fraher, N. McCarthy, A. Shasby, S. Coughlan, P. Morrissey, N. Maher, S. Curran, J. Crotty, S. Morrissey, S. Kennedy, J. Dalton. **Res.:** Aidan McGrath, Brendan McGrath.

**Division 1** — Our A team were at home against Pinewood Rangers on Sunday morning in their first league game. We started well putting pressure on the visitors and should have scored in the opening minutes when we failed to convert a penalty. However we got another chance when awarded a second one which Gossy Mason put away clinically.

Pinewood equalised before the break and took control of the second period. Scoring twice, their superior fitness and hunger guaranteed them the points. It was a poor performance from our lads which was disappointing especially as we had started the season well in the Bolger Cup.

To make an impression in the first division we need to up the performance an awful lot. We have the ability, it's time to produce.

A special word of thanks

to Railway Athletic for the loan of nets and corner flags for this game. Ours have gone 'missing'!! If anyone knows of their whereabouts, please inform any club member.

**Fixtures** — Under-18's at home to Lismore at 3 p.m. on Saturday.

Under-16's at home to Cork Road Celtic at 3 p.m. on Sunday.

Check Red House League Notes elsewhere for junior fixtures.

### CAPPOQUIN B A.F.C. NOTES

#### Valley Rangers 1 Cappoquin B 1

This was a very entertaining game in which a very young Valley side took the game to the B team and got a deserved goal after 20 minutes. But due to stern defence and great organisation, we got a deserved equaliser in the 42nd min. due to some slick interpassing between the Wilkinson brothers to leave Darragh through to score.

The second half was ding dong only to see some chances missed, that took the biscuit. A draw was a fair result.

**Team:** B. Whelan, D. Buckley, N. McCarthy, M. McCarthy, P. Kiely, S. McCarthy, K. Leahy, E. Byrne, K. Wilkinson, D. Wilkinson, S. Curran. **Subs:** B. Mernin, E. Hickey.

### BOYS SCHOOL CARD RESULTS

1st: Cissie and Joe Power; 2nd/3rd: Michael and Pat Ormonde, Bernie Kelleher and Mary Dalton; **Lucky Tables:** Lena Jeffries and Helen Cunningham, Maggie Treacy and Ann Henley; **Raffle:** Bernie Kelleher, Mick Pratt and Bridget Murray.

Usual game next Sunday night. Boys School Christmas game on Sunday, Dec. 7th at 8.15 p.m. sharp.

### LOTTO

Cappoquin Community Development Company Ltd. held its Lotto draw on Monday last, November 3rd. The numbers drawn were 2, 4, 6. There was no jackpot winner. Next week's jackpot will be £1,700. There were 8 consolation prizes of £10 and the winners were Kathleen Mullally; Mary O'Connor, Lismore Road; Maureen Tobin, Lyre, Lismore; Marie O'Donnell, Sutton, Dublin; Mary Maher, c/o Sarah; James Nagle, c/o Emma Barrett; Mae McGrath, Villierstown and Emma Barrett. Next week's draw will be held on Monday afternoon

## CAPPOQUIN SNOOKER CLUB NOTES

Just a reminder that an 'interested party' of the above club have organised an important meeting on Tuesday night, November 11th at 8 p.m. in our new Town Hall.

I send a special invitation to parents of interested youths who may be considering joining the Snooker Club this year. The Hall is also open to girls as it has been in the last couple of years. We welcome everyone that wants to avail of the snooker hall.

Although a minimum age has not been negotiated yet but on light of experience in past years intending members should be no younger than 16 years of age. This age in past years, going back to early eighties, proved to be most acceptable. Having said this, if proper supervision is available, a night could be set aside to accommodate younger members. Supervision in past years has been a major problem in the snooker hall and in fact the snooker hall had to be closed two seasons ago due to vandalism. These people have been identified, one of which has only admitted carrying out this destruction and will have to come before the Hall Committee.

This time round the snooker hall will only open if responsible persons of 21 years and over offer to supervise the hall when open and I have received many names from parents and others with interested children to come along and help supervise. We will need two night duty officers (supervisors) on snooker nights. Opening nights and times favoured are as follows - Friday night - 7.30 p.m. to 10 p.m.; Saturday night - 8.15 p.m. to 10.30 p.m.; Sunday afternoon - 2.30 p.m. to 6.30 p.m.

So don't forget the meeting is on Tuesday next, Nov. 11th at 8 p.m. in Main Hall.

## CAPPOQUIN & DISTRICT DARTS LEAGUE

The second round of the league was played on Friday night last. Again a very high performance of darts throwing was reported from both divisions. In the A division, Lindsay's travelled to Cappoquin to take on Morrissey's and came away with a 5-3 victory. Deckie's played host to Barry's and lost 6-2. Paddy Mac's made the journey up to Dunne's and lost 5-3. The Tavern had a bye.

In the B division, Paddy Mac's played the Castle Lodge at home and pulled out a 5-3 advantage. The Decies Bar played Kereen at home with a 5-3 victory. John Paul's played their first game of the league in Villierstown and lost out 5-3 to the Cruiscin Lan. The Tavern played host to the Marine Bar and were beaten 6-2.

## BALLYDUFF MACRA NA FEIRME NOTES

Fifteen members from Ballyduff Macra headed down on the bus on Saturday night. Overall everybody enjoyed themselves very much.

## WEST WATERFORD DRAMA FESTIVAL NEWS

One production down and two to go is the position of the very busy Ballyduff Drama Group. "Irish Stew & Dumplings" proved a great success and now with "The Field" looming on November 21st, it's all action. However last Monday night a break was taken for this year's Annual General Meeting.

'Change' seems to have been the buzz word at this A.G.M. The outgoing Chairman, Richie Walsh opened the meeting by thanking his committee for their trojan work throughout the year and complimented them on a very successful season.

The Patron of the committee, Rev. Fr. Mulcahy then took the chair to elect the officers for the coming year. John Conway, who has served the committee as secretary for the past seven years, announced that he would not be seeking re-election. Hugh Collins, Gretta Kearney and Shirley Flynn also relinquished their positions. These people have been synonymous with the festival for some time and will be greatly missed. The committee also congratulated Hugh Collins on his new national position as Chairman of the A.D.C.L. Rev. Fr. Mulcahy paid tribute to all outgoing officers and proceeded to elect the following new committee members —

Patron: Rev. Fr. Mulcahy, President: John Coleman, Chairman: Richie Walsh,

## BALLYDUFF G.A.A. CLUB NOTES

Junior Football — The junior footballers bridged a 33 year gap at Fraher Field, Dungarvan on Sunday last when they captured the divisional title for the first time since 1964. They defeated Kilrossanty at the end of a very closely contested final by a 2 pts. margin.

The sides were level on six occasions and the lead changed on another six occasions so that gives an indication of the closeness of the contest. Ballyduff got off to an ideal start when John Twomey pointed in the 1st min. Kilrossanty fought back and we trailed by 3 pts. to one after 10 mins. of play. John Twomey and Brendan Hannon pointed to have Ballyduff back on level terms by the end of the first quarter before Twomey put us ahead in the 16th min. The sides exchanged points with Tony Scanlon pointing a free for us to put us back in front but they scored twice to lead at half-time 0-6 to 0-5.

A John Twomey goal from a penalty less than a minute after the restart after he himself was fouled gave us a valuable 2 pts. lead. They pointed twice in a five minute period to level the scores. With 2 mins. left to play points from Brendan Hannon, Michael and Tom Molumphy in the closing quarter was enough to seal victory as they could only manage one in reply.

To the delight of the team and supporters, Michael Molumphy was presented

with the Cup by Paddy Walsh, Chairman, West Waterford G.A.A. Board.

Congratulations to each and every member of the panel for the effort put in to achieve this victory, to the selectors Richie Walsh, Michael Leamy and Pat Flynn, trainer Mossie Casey and to Dennis Walsh who helped out with coaching.

Panel: Kevin McNamara, Kenneth Geary, Michael Drislane, Michael Leamy, Ger Feeney, Pat Molumphy, Tom Feeney, Paudie Prendergast, Alan Martin, Jim O'Neill, Tom Molumphy (0-1), John Twomey (1-3), Tony Scanlon (0-1), Brendan Cotter, Michael Molumphy (0-1), Donal Hannon, Brendan Hannon (0-2), Kevin Barry, Owen Corcoran, Diarmuid Flynn, James Scanlon, Neil Hayes, Dermot Bolger, Eugene Flynn, Tommy Feeney.

The County Final will be played at Fraher Field on Sunday, November 30th with either St. Mollerans (last year's defeated County finalists) or Ferrybank providing the opposition. More details next week.

Get Well Wishes — We wish a speedy recovery to Owen Corcoran who is presently hospitalised and let's hope he will be with us for the County Final.

## FUNDING FOR ARDFINNAN REGIONAL WATER SYSTEM

Minister of State at the Department of Agriculture and Food, Noel Davern T.D., has informed the John Brennan Fianna Fail Cumann Ardfinnan that the Department of Environment and Local Government has approved the provision of funding for the Ardfinnan Regional Water System.

Minister Davern explained that the funding now being made available would enable the scheme to go to construction. The work is comprised of two contracts. The civil works contract generally involves the construction of a treatment building, installation of a clearwater tank, sludge balancing and a waste water recovery tank. The mechanical and electrical contract generally includes inlet flow control valves, fitting and recording devices, chemical dosing and dissolved air flotation. The cost of the scheme would be in excess of £3 million. Minister Davern was informed of the decision by Noel Dempsey T.D., Minister for the Environment and Local Government.

## FAMINE MEMORIAL

Following representations by Anthony O'Halloran and Michael O'Brien both of Saint Finnan's Avenue, Ardfinnan, over the past couple of months to Michael Anglim (F.F.) M.C.C., Chairman of South Tipperary County Council and William Walsh of Ardfinnan Community Council, they are pleased to note a public meeting has been called regarding a commemoration ceremony for the 150th anniversary of the Great Famine. They would like to say a special thank you to both Michael and William for listening to their proposals and progressing matters thus far. It has been suggested that the New Line (Cahir Road) which is one of the two principal sites in Ardfinnan connected with the Great Famine, it is a particularly suitable area to place a plaque.

Stefan Grace has kindly made a large crucifix available which could act as a suitable memorial and Rev. Fr. William Callanan P.P. has agreed in principal to the idea of a special Mass. It is hoped the village will support all their efforts to mark this tragic event in their local and national history.

## KING OF THE CULCHIES HAS BALLYMAC' CONNECTIONS

Dressing up as a woman for the festival was the initial ticket to success which culminated in the All Ireland Culchie title for motor mechanic Michael O'Rourke. Michael, who hails from Ballygullane Upper, Lismore, Co. Waterford, beat off stiff competition at the national finals of the culchie competition in Mountbellew, Co. Galway on Sunday night week last. Michael became the second County Waterford man to win the title in the eight year history of the event, dubbed the male alternative to the Rose of Tralee. The previous winner from Waterford in '92 was Tony Coffey of Bachelors in Trouble fame. Michael is brother of Dan O'Rourke, White-House-Quarter, Ballymacarbry and of Elizabeth Walsh, St. Martin's Place, Ballymacarbry.

For the final he was dressed in a long black coat, a black hat, an old style shirt and pants with braces and ten buttons displayed on the (fly) of the trousers. # NEWCASTLE G.A.A. TO PEN CLUBS HISTORY

Listening to Michael O'Hehir's radio commentary on the big game outside Joe Doolan's house, no electricity or tap water, and when the owner of Walsh's Pub had the only car in the parish. Yes, that is how things were at the birth of the G.A.A. club in Newcastle. Now some 65 years later, hundreds of people have taken to the playing fields for the "honour of the little village". It is now intended to record the history of the club in print. To make that possible they are seeking newspaper clippings and photographs from the beginning to the present day. All of this material can be put in book formation, which can be enjoyed by this and future generations to come.

They are looking for information pre the 1950's, as they find data from that era scarce. All old and new photos and clippings will be photocopied and the originals returned on the spot. When the book is printed and you are reading it, it's far too late then to say to anyone, that information is wrong and I can prove it, or I have another/better photo of that event, or I could tell you the whole story about that game, meeting, decision and the events that followed, please come now with your information. Please if you have any knowledge from the early days (and every house has) put it in writing and if you request a "nom de plume" your wishes will be granted. Think of the interest such a book will create locally and indeed throughout the world where people from the parish of Newcastle reside. It is very important to get all the facts right as this is the first time that the history of the Newcastle G.A.A. has been attempted. This book will not happen without your co-operation, so all the information will be most welcome.

Please contact John Mangan, Tomas Sweeny, Tom Lonergan or Paudie Sweeny or this material can be left into the FAS Office or the Forbairt Office and it will be returned when the project has been completed.

## COMMUNITY ALERT

A meeting of Ballymacarbry Community Alert took place on Wednesday night last at Melody's Loft, Ballymacarbry. A small number of members were present. Good news at the meeting was that the centre are to receive a grant from Social Welfare for the purchase of lights, door viewers, window locks, door chains for the elderly and for people living alone. The fitting of door viewers for the elderly means that they can safely see who any caller is without having to open the door, it you think any caller looks suspicious "Don't Let Them In". Elderly people should recognise that one of the best means of crime prevention is a good observant neighbour. This is someone who will keep an eye on your house and who will call on the elderly regularly and make sure that every thing is well.

## LATE MISS MARY O'DONNELL

After Mass she was laid to rest in the Old Churchyard, Ballybacon.

**FROM WEEKEND NOV. 7**

★ **SCORPIO** **OCTOBER 24 to NOVEMBER 22**

Look from the sidelines at someone's circumstances but avoid getting too involved. Offer support and guidelines. When met with an opportunity to take a break, get packing those bags. In November you are extremely romantic, ruled by your emotions rather than your sense. You have a sense that you want to bring things to completion. If you have started something then it is time to finish. *Time for a detailed update? Telephone 1550-151-308.*

★ **ARIES** **MARCH 21 to APRIL 20** You are handling money

matters well. An additional cost is likely to relate to travel. You are happy to pay your way. This week, emphasise the professional, the material, the practical. November proves to be a month of emotional confusion until someone provides an important answer. Paradoxically, love has as much to do with space as closeness. Live your own life and do your own thing. *Telephone 1550-151-301.*

★ **SAGITTARIUS** **NOV. 23 to DEC. 21**

You have a strong case of family duty and responsibility but at the same time it is important that you don't forget your own needs as an individual. In work, you have great ideas. Put them into action. In November, don't allow others to detract from your level of confidence. Believe in yourself and your abilities. Things are likely to go very well for you. *Telephone 1550-151-309 for more on love and luck, work and money.*

★ **TAURUS** **APRIL 21 to MAY 21**

Something is playing on your mind that another person refuses to discuss. For the moment accept this person's silence as their prerogative. Open dialogue will become possible at a later date. Ignore family bickering. Be sure not to take sides. To do so could prove very unfair because the side of the story that you hear is somewhat slanted. In November, home life changes and for the better. *For an in-depth analysis, telephone 1550-151-302.*

★ **CAPRICORN** **DEC 22 to JAN 20**

Within work, you have star quality. Outwardly, you appear confident and in control. Inwardly, sometimes you suffer from doubts. Others recognise you are a success story. Why don't you? By acknowledging patterns you can change them. November is an excellent month for breaking old habits and changing your image. Don't allow money matters to come between you and a friend. *Telephone 1550-151-310 for an in-depth analysis.*

★ **GEMINI** **MAY 22 to JUNE 21** Paper-work should

be kept carefully. Feeling in limbo? Remember, a watched kettle never boils. Try to remain active and interested and whatever you are waiting for, will arrive in good time. In November, work issues are likely to affect your personal happiness. Remind yourself or someone else that work worries should be left in the work place. Watch out for underhand dealings. *Telephone 1550-151-303 for celestial insights.*

★ **AQUARIUS** **JAN 21 to FEB 19**

This month, in work or important projects, you outshine others. You could, unwittingly, attract a certain level of jealousy. In money matters you are well within your rights to protect what is yours. Is someone near you taking you and your generosity for granted? It is up to you to draw the line. Assert yourself politely and you won't have to offend. If others take offence, that's their problem. *Telephone 1550-151-311 for a full assessment.*

★ **CANCER** **JUNE 22 to JULY 23** You are well

within your rights to request that others do their fair share. You are too prepared to do too much and others are too prepared to take advantage, taking you and your efforts for granted. Some are not as honest, as frank and as open as they seem. Be careful who you trust even though by nature you want to be a friend to all. In November, avoid mixing business and pleasure. Finances improve. *Telephone 1550-151-304 for details.*

★ **PISCES** **FEBRUARY 20 to MARCH 20**

Finances are going well, but you may need to deal with an extra expense because of a necessary repair. Treat yourself and look after yourself well, but avoid extravagances. In November you turn an important emotional corner. Luck is on your side in love and such matters will work out for the better. Someone from your past is intent on returning into your life. *For more astrological news and views, telephone 1550-151-312.*

★ **LEO** **JULY 24 to AUGUST 23** Be prepared to speak up and to defend yourself

when necessary. It is important that you feel fulfilled at work as well as play. If you are a "round peg in a square hole," consider your professional options. Throughout November, personal difficulties and doubts that you have will prove to be a phase. Give things time before making major moves or important decisions. Hidden or extra expenses can be met. *Telephone 1550-151-305 for an in-depth analysis.*

★ **VIRGO** **AUGUST 24 to SEPT. 23**

Be careful with your money. Watch out for someone who tries to take what is yours from under your nose. You are too generous and trusting for your own good. Romantically, November proves to be a progressive period. You have a renewed sense of confidence and sex appeal. You and someone only have eyes for each other and love issues are well starred. *For more on love and luck, work and money, telephone 1550-151-306.*

★ **LIBRA** **SEPTEMBER 24 to OCTOBER 23**

Love is in the air. Love can be in your life too if you make it a priority and don't let work get in the way. When it comes to personal matters, take things slowly, one step at a time, one day at a time. In November, travel and love could prove to be inter-linked. Within family circles there could be double dealing and politics. Be sure not to take sides. Acknowledge that you have a responsibility to yourself. *Telephone 1550-151-307.*

**Kitchen Herb Is A Border Beauty**

**SUMMER sage: Salvia sclarea thrives in long, hot summers**

A popular bedding plant often paraded in the the borders of royal parks and stately gardens, the salvia, or sage, offers many different varieties.

The best known of all is the common sage. Used in kitchens for centuries, it is hard to imagine Christmas dinner without sage 'n' onion stuffing.

Sage also has a long history of medicinal use. It has been credited with curing anything from colds to snakebites. In fact the name salvia comes from the Latin 'salvare,' meaning 'to heal.'

The soft greyish-green leaves are a common sight in kitchens, but it is usually the purple-leaved varieties — still suitable for cooking — that are used as decorative border plants.

The purple varieties can grow to a considerable size, bushing out and taking over large parts of the border if they are allowed to grow unhindered.

But it looks spectacular when it is covered in its spikes of lavender flowers — which can reach waist height.

Salvia should be given a light trim after flowering to stop older plants showing their woody bases.

It prefers a sunny position with a light sandy soil where it will remain perfectly hardy and will produce kitchen-worthy produce every year. Trim after flowering to stop older plants showing their woody bases.

For a sage that flowers all the way through till autumn, choose Salvia uliginosa.

Its purple-blue flowers are at their best during autumn. The flowers will be presented on long stems at eye level and can be kept tidy with a few strategically placed support sticks.

It likes a moist soil, but not too cold a position in winter.

A border of mixed sages can look stunning although it is important to choose varieties that will work together. To soften the effect of some of the brighter sages, use salvia argentea.

It flowers only once every two years and has large leaves covered in thousands of fine silvery hairs when the flowers are absent.

It multiplies best in gravelly areas, but you can cultivate the seeds yourself in pots or gritty compost.

Ideally they should be planted under cover in late January in an environment of around 18 degrees centigrade.

The plant should be quite big by May and should be out in the garden by then.

Alternatively, you can plant them in late February, but expect the plants to be a lot smaller.

The advantage of planting later is that the smaller plants will be better for taking cuttings in June.

Plant it with a trowel, giving plenty of room for the roots and firm-in the soil quite hard around them. Water liberally if the soil is dry.

Some varieties such as *S. patens* originate from hot climates and will not survive outdoors during the winter.

They should be dug up as soon as their foliage is blackened by frost, usually in early October.

The dead growth should be removed just above the tubers, which can then be stored in trays or boxes packed with dry moss peat to protect them.

## BRIDEVIEW UTD. A.F.C. NOTES

### RED HOUSE LEAGUE

## AWAY WIN FOR UNITED

Sponsor: Walsh's Drapery Utd. had four teams in action over the weekend and the best result was our Division 1 side winning away to Ardmore.

Philly Curley took the scoring honours over the weekend but other scorers for the club were William Murphy, Maurice McGrath and Thomas Goulding.

### DIVISION 1 RESULT

#### Ardmore 0 Brideview Utd. 3

While our first team are still very much under-strength, they turned in a powerful performance away to Ardmore on Sunday morning last.

Our first goal came after 20 mins. when a Stephen Pratt shot came back off the post and Philly Curley was on hand to slot the ball home. Goal number two arrived after 38 mins. when a free-kick by Philly Curley went all the way to the net. Curley almost grabbed his hat-trick in the 41st min. when he got on the end of a great cross by Dermot Henley but the ball went just wide.

Utd. kept up the pressure in the second half and J. P. Grey's shot clipped the post and went wide. The goal in this game came after 85 mins. when Curley set up John Doyle and the latter made no mistake. A good start to the league campaign for our first team.

Team.: B. Sheehan, T. Sheehan, G. Sice, D. Martin, M. Hartnett, J. Doyle, J. P. Grey, S. Pratt, D. Henley, P. Curley, R. Henley. Res.: I. McIntosh, I. Farmer (used).

### DIVISION 3 RESULT

#### Brideview Utd. 1 Gortroe 3

Gortroe took the game to Utd. and were unlucky after 10 mins. when the post denied them. A minute later they took the lead and quickly followed up with a second goal after just 14 mins. We got back into the game in the 16th min. when William Murphy was brought down in the box. Murphy himself took the penalty and made no mistake. Murphy was unlucky 10 mins. later when a McCarthy header fell to him but he shot over. The visitors third goal came after 35 mins. and they held this lead till the break.

Utd. came more into the game in the second half and James Beecher's header was heading for the net but somehow a defender got back to head out for a corner. A poor start here for

Utd. but they will improve.

Team: S. O'Brien, M. Tobin, D. Doyle, E. Cunningham, J. Tobin, T. Mulcahy, J. Beecher, W. Murphy, B. Donnelly, T. McCarthy, S. Pratt. Res.: T. Cunningham, J. Fitzgerald, O. Ahearn (used), F. O'Gorman.

### SCHOOLBOY SOCCER

Both our under-12's and under-16's visited Conna on Saturday to take on the local Valley Rangers. After two very exciting games, went down in both but the fans were treated to two excellent games.

### U-12 LEAGUE RESULT

#### Valley Rangers 2 Brideview Utd. 0

A huge crowd turned up for this local derby in what was a vital league game to both sides. The winners here were going to take on Ardmore for the league title.

This game was a real thriller and roared into life after just 6 mins. when Rangers opened the scoring direct from a free-kick. Utd. struck back and Mark O'Brien shot wide from close range 2 mins. later. Rangers struck again after 13 mins. and at 2-0 in front, they were looking good. Just before the break Arthur Goulding shot wide after a great cross by Mark O'Brien.

Manager Mickey Curley had a good chat with the lads at the break and they came out for the second half firing on all cylinders. From the kick-off they took the game to Rangers. Rangers' defence and goal came under severe pressure. How Rangers goal survived is really a miracle as Utd. piled on the pressure. Kieran Casey, Rory Brown, William Curley, William O'Neill, Mark O'Brien would, on another day, surely have scored one each. However it was not to be at the end of a highly entertaining game that had the huge crowd on their toes right up to the final whistle.

We wish Rangers the best of luck and also to their manager Sean Twomey (who was brought to hospital in the morning) when they take on Ardmore in the league final.

Team: S. Power, K. Norris, S. Giles (capt.), R. Geary, K. Casey, W. O'Neill, M. Curley, A. Goulding, R. Brown, W. Curley, M. O'Brien. Res.: C. Hickey (used), E. Hickey, P. O'Brien, E. Forbes, G. O'Neill.

### UNDER-16 LEAGUE RESULT

#### Valley Rangers 3 Brideview Utd. 2

This game took place on Saturday afternoon and followed on from the morning game as this was another thriller. The homeside took the lead in the 5th min. and the crossbar rescued Utd. after 15 mins. After that it was all Utd. but the ball went everywhere but into the net and at the break Rangers still led 1-0.

Rangers scored their second goal straight from the kick-off in the second half. Again Utd. pressed forward and Walsh, Keating, O'Brien and Henley all went close before Rangers scored their third after Utd. had pressed forward.

The Tallow side pulled back a goal when Maurice McGrath scored after 61 mins. Alan Walsh crossed from the left and Thomas Goulding volleyed home after 67 mins. Utd. tried hard to get an equaliser but time ran out and the homeside held out for a win.

Team: K. Keating, T. Goulding, M. McGrath, S. Mills, M. Keating, A. Walsh, M. Henley, P. O'Brien, M. Goulding, E. Renehan, O. Fitzgerald. Res.: C. Goulding (used).

### U-12 CUP PREVIEW

Our under-12 team face a return trip to Conna on Sunday next to take on the local Valley Rangers. A big crowd were treated to a thriller on Saturday last in the league and let's hope we get a repeat performance this coming Sunday. We appeal for a big turnout of our supporters here for this game and I can promise you a thriller.

### Benefit Dance in Lismore On Friday, November 28th

We would ask you to lend your support to this occasion in a few weeks time. The McNamara family need no introduction to hurling folk in the locality. Resident in Lismore for a number of years, Marthy continues to give his all for the support of hurling there and their record speaks for itself. Marthy's son Colin has however been ill on and off for a number of years now with this year in particular being hospitalised for very long periods.

This dance is being organised between various clubs and friends in Lismore and we would like to lend our support as well. Tickets are on sale locally or contact Mary Mangan. A great evening's entertainment is lined up and I have no doubt that it will be a full house so looking forward to seeing you there. Music is by the ever-popular "Cheers" with full bar extension. No admission after 12.00.

# RECENT DEATHS

## Mr. John Joe Morrissey

On Sunday morning, October 26, ever popular and well-known Mr. John Joe Morrissey, Killossera, Dungarvan, was summoned from this life to his heavenly abode after a short duration of illness that was borne with Christian dignity and fortitude. John Joe had spent his last days at home in the loving care of his wife and family.

One of nature's true gentlemen, and a native son of Abbeyside, he was aged 74 years. He was son of the late Patrick and Eleanor Morrissey (née Kiely).

For a number of years John Joe was employed as a porter in the Bank of Ireland. Later he was to emigrate to England for a period. On his return he moved out to the ancestral home at Killossera. He then married Mary (née Flaherty), constructed his own residence which he loved and established a most successful fruit growing business. His blackcurrants and gooseberries were widely acclaimed and became the basic ingredient for many a pot of jam. He was also a valued member of the staff of M. J. Keane but due to ill-health was forced to retire.

He was an avid reader and was most knowledgeable on many topics. His classical music tapes and CDs were treasured possessions. He was an outdoor man who loved to walk and cycle. A devoted husband, father, grandfather and brother,

John Joe lived for his nearest and dearest. A true Christian in word and deed he was up to the time of his recent illness a daily Mass-goer.

John Joe's passing has removed a valued member of our community who will be missed. We extend our deepest sympathy to his wife Mary, son Pat, daughter Eleanor, sister Joan and many other relatives on their cross of bereavement.

May John Joe enjoy peaceful rest after the labours and trials of this life.

On Monday evening prayers and rosary were recited by Fr. G. O'Connor, C.C. at the family residence, after which John Joe's remains were brought to St. Mary's Parish church where they were blessed and received by Fr. McNamara, C.C., assisted by Fr. N. O'Mahoney, P.P., Mons. P. Lannen, P.E. and Rev. G. O'Connor, C.C. A huge concourse of mourners were present to pay their respects and to console John Joe's relatives.

At the Requiem Mass on Tuesday, Fr. G. McNamara was chief celebrant with Fr. J. Gough, O.S.A. and Fr. W. Meehan, P.P. as co-celebrants. Fr. M. O'Gorman, P.P., Clashmore/Piltown, was also present and later imparted the final blessing at the graveside in Piltown Cemetery.

Music was provided by Mrs. Gertrude Morrissey (organist) and soloist was Lena Walsh. The Lessons were shared by Pat Moroney (nephew) while the psalm was sung by John (Sean) Norris. The Offertory Gifts were brought to the altar by Eleanor (daughter), Helena (daughter-in-law) and Eoin Leane. Son Pat, Eoin Leane, Pat Moroney, John Moroney, John Walsh and Andrew Walsh were pall bearers. Altar serving duties were carried out by Jason and Laura Seward. After John Joe was laid to rest in Piltown Cemetery, very many beautiful floral tributes were placed on his grave.

Chief mourners — Mary

(wife), Eleanor (daughter), Pat (son), Helena (daughter-in-law), Christopher, John and Conor (grandchildren), Joan Moroney, Cloneety (sister) and a wide circle of other relatives including nephews, nieces, relatives and friends.

## Mr. John Cashman

It was at lunchtime on Sunday, October 26, that the locality heard the very sad news of the unexpected passing of Mr. John Cashman at his residence Sheare's Street, Abbeyside. Predeceased by his brothers Michael (Portlaw) and Paddy (Murphy Place, Abbeyside) in the very recent past, John hailed from an old Abbeyside family who are held in the highest esteem.

Aged 79 years, John was employed for many years with his horse and cart, transporting the coal from the boats on the quay to the various storehouses, especially those of Williams Ltd. Dungarvan Harbour at that time was a hive of activity with Johnny Cashman very much part and parcel of its operations. For a period he was also a valued member of staff, giving of his best for the local Urban Council.

A quiet, unassuming man, he enjoyed tremendous popularity. A social drink with his friends was high on his agenda, while he also perfected the art of storytelling. A noted singer and entertainer, his dancing was of the top drawer quality. He enjoyed his game of cards and indeed the passing of John Cashman has left a major void in our community that will be impossible to fill.

On Monday evening following prayers and rosary at the Kiely Funeral Home recited by Fr. R. Doherty, P.P., the funeral cortege left for Abbeyside church via Sheare's Street where John had lived since 1932.

On Tuesday morning Fr. Martin Keogh, C.C., was Mass celebrant, while the Lessons were read by grandnephew Mark Clancy.

In the presence of a large and representative gathering of mourners John Cashman was laid to rest in the adjoining cemetery.

We tender our deepest sympathy to his brothers Gerald (Abbeyside) and Joe (England), sisters-in-law Nancy, Mary and Biddy, his many nephews, nieces, relatives and friends on their loss.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Late Maisie Morrissey

It is with feelings of profound regret we record the passing of Maisie Morrissey, Clash, Ballinacourty, which sad event occurred on Tuesday, October 21. Maisie was a native of Monagoush, Old Parish and spent many years in Kereen, but she spent the last 34 years in Clash, Ballinacourty, where she was held in high esteem by all who had the pleasure of her acquaintance.

She was a lady of many fine qualities, always kind and gentle and the possessor of a great faith. Her passing is much regretted and her death leaves a void in the life of her family who so deeply mourn her passing. May she rest in peace.

Her remains were removed from Dungarvan Hospital on Wednesday, October 22 to Ballinroad church where they were received and blessed on arrival by Fr. Doherty, P.P. and followed by a large cortege of mourners.

Following Requiem Mass on Thursday morning celebrated by Fr. Doherty assisted by Fr. Geoghegan, C.C., and Fr. Kehoe, C.C., interment took place in the adjoining cemetery. Fr. Doherty officiated at the graveside, assisted by Fr. Geoghegan, again in the presence of a large gathering of mourners.

The Lesson during the Mass was read by James Morrissey, Mary Walsh and Margaret Power. Offertory gifts were brought by Aoife and Orla Walsh.

The chief mourners were — nephews, nieces, sisters-in-law, grandnephews, grandnieces, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Mr. Terence McCarthy (Snr.)

With sadness we record the passing of Mr. Terence McCarthy (Snr.), Cauty, Cappagh, which sad event occurred on Saturday, November 1. Removal was from Drohan's funeral home on Sunday evening to Ballinameela church. Following funeral Mass on Monday morning burial took place in the adjoining cemetery.

To his wife and family we extend our deepest sympathy.

Full obituary next issue. (Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## Late Sr. Bridget Curran

The death has taken place in Queensland, Australia of Sr. Declan (Bridget) Curran of Glenmore. Sr. Declan was the last of four sisters of the Curran family who devoted their life to Mission work in tropical Queensland and England.

Sr. Declan left Southampton in 1919 in a sailing boat with 24 other very young girls for Mission work in Australia with the Mercy Order. Some ten weeks later

they arrived at their first port, Australia! With no radio or way of communication, for a while they were presumed lost at sea.

## Mrs. Mary O'Grady (née Dee)

With sadness we write on the demise of Mrs. Mary O'Grady, Ballycoe, Dungarvan, which occurred on Thursday last, October 30 at St. Joseph's Hospital. A native of Kerry, Mary was within weeks of her 90th birthday. Predeceased by her husband Michael, Mary's passing is deeply regretted by her relatives and friends to whom we extend our deepest sympathy.

On Friday, prayers and rosary were recited by Fr. Doherty, P.P., after which the funeral cortege left for St. Brigid's Church, Kilrossanty, where Fr. Geoghegan, C.C., assisted by Fr. Michael Frawley, P.P. conducted the funeral rite. Requiem Mass was celebrated on Saturday morning after which the interment took place in the adjoining cemetery.

(Full obituary next issue.) (James Kiely & Sons, Funeral Directors, Dungarvan.)

### BADMINTON CLUB NOTES

It was a case of close but not close enough when our ladies teams took to the courts last week.

In Section F Carmel Buckley, Deirdre Hennessy, Bernie Troy and Patricia O'Donovan played away to Old Parish and endured long, even play resulting in matches going to three sets before deciding the winners. They succeeded in taking one point off the homeside but deserved more for their efforts. They play away to Lismore on November 10th in their next match.

Aoife Hennessy, Angie Walsh, April Walsh and Julie Cashman played at home to Lismore in another three setter encounter. Unfortunately they also claimed just one point for their tally. They rest now until their away match against Dungarvan on November 11th.

Mary Barron, Fidelma Cliffe, Jackie Kenneally and Phil Kearns play at home this week to Dungarvan and on November 11th they meet Touraneena in their first rematch.

The mens team of Fergus Moloney, Pat Foran, Tom Ormonde and Padraig Denn suffered a defeat at the hands of Touraneena. They play away to Old Parish in their next game so better luck lads.

The mens team of Jimmy McGrath, Syd Power, Tom Kiely and John Hourigan played at home to Lismore last week. They also suffered a 3-1 defeat in their challenge. Better luck next time. This week they play at home to neighbours Touraneena, then it's Tourin in the next match. Better luck to all teams for the rest of the league.

Members are reminded to pay affiliations to the club immediately. It is in your own best interest to do so before the teams will be drawn for the next competitions.

# Ardmore Twinning Association

On Monday, October 27th Ardmore played host to one of the most important events ever to take place in the village; the signing of the Charter between Ardmore, Le Pré d'Auge et Les Moneaux in Normandy, France and Abbotskerswell in Devon, England. The venue was St. Declan's Community Hall. The Charter, magnificently written by calligrapher, Susan Broderick of Youghal, was signed during the ceremony by Pat McGrath, Chairman Ardmore Twinning Association, Tom Banks, Chairman Abbotskerswell Twinning Association, Serge Lemée and Jean-Luc Paré, Mayor and President of Le Pré d'Auge et Les Moneaux respectively.

Mr. Lar Hart, Chairman Waterford County Council delivered a superb speech welcoming our visitors and telling them that they had 'made a wise choice in investing in the people of Ardmore who have proved themselves many times before to be people who can both make a commitment and keep it as well'.

In conclusion Mr. Hart presented a gift of an oak sapling to each community as a fitting reminder of the friendships established here tonight. Ruth Lynch, Educational Officer for Ardmore Twinning Association translated for the benefit of our French guests. Take a bow, Ruth - you did us proud !!

Other speakers included those who signed the Charter as well as Canon O'Connor P.P., Fr. Reid and Rev. Warren who was called upon to bless the Charter.

After a splendid meal and plenty of wine, it was time to relax and enjoy the entertainment of our very talented local musicians who played into the early hours.

When it comes to saying thank you to people who made the night such a success, there is no end to them. So to anyone who helped and supported the event in any way, go raibh míle maith agaibh go léir !!

A big thank you also must go to Mr. Lar Hart and Mr. Peter Carey, County Secretary who arrived to bid farewell to our French visitors on their departure from Dungarvan. Our many sponsors, too many to mention, are greatly appreciated and let's hope that we can support your businesses in the future.

By now our visitors are settled back in their respective countries and homes and one thing that we can be sure of is that their experience here in Ardmore will be a topic of conversation for many a day to come. They have already made it known in no uncer-

tain fashion, that the memories they have of the October Bank Holiday weekend in Ardmore will never be forgotten.

Subsequently a number of people have become members of the Twinning Association as they now realise what being a member has to offer. Ardmore has already been invited to Normandy next year and to Devon in 1998 and with the millennium fast approaching, there are already plans afoot for people from the three villages to celebrate the occasion. So pay your £5 and join up as the best is yet to come !!

### DAIRY: Dry Cow Therapy

The treatment of all quarters with "Dry Cow" long-acting antibiotics after the last milking of the lactation will help to control mastitis in the dry period.

There is now a wide range of antibiotics available for use in dry cows. When selecting an antibiotic, make sure that it is suitable for your requirements. Read the instructions on the pack. Failure to select the correct product may result in antibiotic residues persisting in the milk after the next calving. If in doubt get advice from your vet. Test carried out by Bill Meaney at Moorepark on six leading product brand names indicated that there was no difference in efficiency between the products. He states that there is likely to be more variation in the response between the infected cows treated with antibiotics than between the antibiotic products themselves.

In addition to the infected status of the animal, the care that is taken when the antibiotics are infused and the condition of the wintering facilities have also a major effect on the effectiveness of dry-cow treatment. The following is a simple reference list of the procedures to be followed when drying off cows -

- \* Dry-off abruptly.
- \* Record drying-off date.
- \* Disinfect teat with the Methylated Spirits before infusion.
- \* Massage antibiotic into udder quarter.
- \* Disinfect teats after infusion - teat dip.
- \* Restrict feed intake.

If teat sealers are being used, ensure that the antibiotic and sealer components are infused in the correct sequence. The antibiotic component should be massaged into the quarter as usual but the sealer should not be manipulated in the teat after infusion.

Antibiotic treatment alone is not enough to protect the dry udder. The provision and maintenance of clean and dry lying areas in cubicles, loose house and calving boxes is also essential in mastitis control during the dry period.

### TILLAGE

#### Slugs

Slug counts from traps in Oak Park indicate numbers are high.

While damage can occur after any crop, the risk is higher after oilseed rape, grass or set aside. Late sown crops are also more at risk.

A fine, firm seedbed is essential for control. Increase sowing depth to 4 - 5 cm. (1.5 - 2.0 inches). Slug pellets are best applied on the surface after drilling or at the early stages of an attack. Suitable products include Draza, Mazda, Metarex, Optimol, Whelehan's Mini Pellets and Genesis.

### REPS

**Change In The Area Being Farmed Under REPS -** Where there is significant increase in the area farmed (i.e. more than 2 hectares), Scheme participants may avail of one of the following options

I. The existing agri environmental plan can be amended to include the additional land and the enlarged holding farmed according to REPS for the remainder of the current REPS contract or

II. A new 5 year agri environmental plan to include the additional land can be submitted.

However increased payments for the enlarged holdings will only be available where option (ii) is availed of.

Participants must notify the Department of Agriculture and Food of any change in area farmed within 6 weeks (i.e. if land is bought, rented, leased, inherited etc. or sold). Failure to do so means expulsion from the Scheme.

### CATTLE: Cattle Performance -

Several on farm trials have shown that cattle perform poorly in October - November. They only put 0.42 kgs./day (compared with 0.81 kgs. up to mid September). This is because they don't have enough to eat and are working too hard grazing bare pastures. As grass gets scarce, cattle must be -

- \* Allowed more grazing ground (often not possible).
- \* Fed good quality baled silage with the grass.
- \* Housed early or at least some of them should be housed.

## Suspension Of Young Farmer Aid Represents Government Lack Of Faith -COUGHLAN

Waterford IFA Chairman, James Coughlan has said that the Government suspension of the Young Farmer Installation aid last August represented a lack of faith in young farmers and in the agricultural industry.

Mr. Coughlan said "the Government must reverse the decision to suspend the Young Farmer Installation

Scheme in the upcoming budget. IFA has already identified the young farmer measure as a key demand in the organisation's pre-Budget Submission."

The Waterford IFA Chairman said the aid, which is worth £5,600 has proved itself to be a vital component in the establishment and setting up of young educated

farmers in the agricultural industry. Since 1994 over 3,000 farmers have benefited from the measure and the scheme has been complimentary to the Early Retirement Scheme in the restructuring of Irish agriculture to meet the challenges of a more competitive environment post 2000.

### Department Inspections Of Grain Farms At This Late Stage Unacceptable — IFA

Waterford IFA Grain Chairman Alex Heskin has strongly criticised the Department of Agriculture for grain farm inspections which are now taking place. "It is unacceptable that a number of arable aid applicants are now being subject to on-farm inspections when they should have received their area aid payments."

"Because of the very poor harvest all grain growers need their area aid payments immediately. On-farm inspections should have taken place during the summer and not now when crops have been harvested."

"The experience of growers over the past number of years is that it can take over a month for a farmer to receive his cheque once he had been inspected. This is not acceptable to growers in 1997."

In light of the urgent need for all growers to receive their area aid payments, the Grain Chairman has called on the Department of Agriculture to make payments available to all remaining growers immediately.

### Donovan Says No Basis To Reduce Cattle Prices

Waterford IFA Livestock Chairman, Maurice Donovan, has condemned the recent EU Commission decision to cut export refunds on male animals by 5%. He said, "in view of the very buoyant trade on both third country and continental markets, this cut should not result in any negative impact on cattle prices. Our meat plants should be able to recover this reduction in full from the market place."

Mr. Donovan pointed out that prices on third country markets had increased by up to \$500/t over the last number of months and continental markets are returning between 95p/lb to as high as 125p/lb in Italy.

### Minimum October Milk Price Must Be £1 + VAT/Gallon As Dairy Board Butter Price Rises Again

Waterford IFA Dairy Committee Chairman Michael Murray (Tallow) has said the latest £30/tonne butter price increase announced Friday, October 24 by the Irish Dairy Board brought the IDB's composite processor price for SMP and butter to 112.3p/gallon, a full 8p increase since April last.

"Most co-ops have this month reflected at least some of their improved market returns by increasing September milk producer prices by 1 to 3p/gallon," Mr. Murphy said.

"This latest butter price increase in given even ampler scope for all co-ops to pay a minimum price of 100p/gallon + VAT (103.3p/gallon VAT inclusive) into 1998," he added.

## Co. Waterford ICMSA News

Representatives from the County Waterford ICMSA met with Waterford County Council recently. The deputation included County Chairman, John Skehan, County Secretary Milo Murray, Tom Cronin, John O'Donnell and John Quigley, Area Officer with ICMSA.

They met with the County Manager Donal Connolly, Tom Dineen and Brian White.

The main issues discussed included rural roads, planning, environmental issues and coastal erosion.

### RURAL ROADS

The Council informed the ICMSA delegation that they were working to a five year programme in relation to the roads and have gone about half way through this programme.

They also said that the community involvement scheme is in operation where the local community can come together and provide 20% of the cost of resurfacing category 3 roads.

This 20% cost can also consist of work in lieu of payment i.e. fencing, tractor work, etc.

The Council stressed the need to keep roads clean especially after slurry spreading and beet haulage.

### PLANNING

The County Chairman stressed the importance of farmers getting planning for sheds, pollution control work, etc., as speedily as possible as this work can only be carried out at certain times of the year.

The advice given by the Council was that those applying for planning should call in to the office to make sure everything was in order when lodging planning permission details.

### ENVIRONMENTAL ISSUES

The ICMSA delegation stressed the need for grant aid for pollution control work and dairy hygiene as this work when carried out does not increase ones income. The Council agreed to make representation on this issue.

Other issues discussed included the new water grants, coastal erosion, dumping and the need to keep the countryside clean. The Council informed the group that hedge cutting notices are being issued at present. They also hoped that farmers would dispose of plastic by recycling it. They expressed concern at the fact that beet and line being stored on the edge of roadways and said they would be in contact with farmers on this issue.

### THE IMPORTANCE OF MILK

The view of the ICMSA President, Frank Allen, at the National A.G.M. held recently is that there is no room for complacency in the dairy industry. It is not sufficient to reject the forecast that we will end up with 25,000 dairy farmers by the year 2006 — we must take action to implement policies which will ensure that the exodus out of dairy farming does not result in the quota becoming the preserve of a small number of farmers.

Commentators who are saying to smaller dairy farmers — "you have no future in dairying, the smaller quota is finished" should be told in no uncertain terms that they are sending out a totally wrong message. The best approach must be one of saying that smaller quota holders who wish to continue in good farming should be helped and facilitated. They will not get a full income from dairying, but make no mistake dairying can be an important part of their total income — the challenge facing us is to ensure that they are enabled to earn other income to supplement their income from dairying. Future developments in rural development policies must address these issues.

Small, medium and large dairy farmers must devote their minds to controlling milk production costs. The future prosperity of dairy farmers will be directly related to our ability to be able to continue producing milk cheaper than any of the other EU Member States.

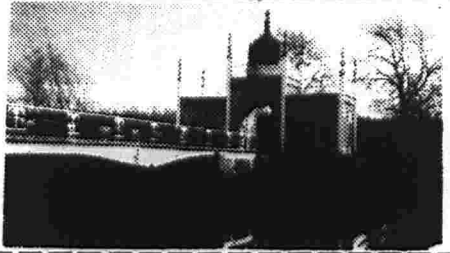

The Irish dairy industry is a strong, confident well managed industry, but past success does not automatically guarantee future prosperity. We must continue to improve efficiency and cost control at farm and processing level. We must go forward with the determination to succeed.

Clashmore/Kinsalebeg Community Alert Group held a meeting on Wednesday night last in The Old Still, Clashmore. The meeting was well attended. Chairman Pat Nolan presided.

The meeting was given over entirely to a discussion on the installation of the Emergency Response Telephone for 76 older people in the community with most of the discussion centred around the forthcoming fundraiser a sponsored horse ride on Sunday next, November 9th in Clashmore at 2 p.m. Light refreshments afterwards in the Decies Bar with music that night.

As the group have to raise at least £2,000, it is hoped that people will give generously and turn out in large numbers on Sunday to support this very worthy cause.

## CLASHMORE RAMBLERS A.F.C. NOTES

### Poor Results From Weekend Games UNDER-18 LEAGUE Clashmore Ramblers 1 Cappoquin 2

Minus a few regulars, Ramblers fell to a home defeat against Cappoquin. Despite scoring first through Gerard O'Rourke, Ramblers were unable to hold their lead and Cappoquin ran out winners in an exciting match.

### FIXTURES

Saturday, November 8th Under-18 League: Blackwater Rangers v Clashmore Ramblers. Kick-off 11.30.

### UNDER-12 CUP Ardmore 2

Clashmore Ramblers 0 Once again Ardmore proved to be our undoing as they scored two second half goals to run out deserving winners. The first half was very even and we did not allow Ardmore a clear shot at goal. Once Ardmore scored in the second half, we faced an up-

hill battle and the homeside scored a second goal with 12 mins. to go.

### UNDER-12 LEAGUE Clashmore Ramblers 2 Inch 2

We played our second game of the weekend against Inch on Sunday. Declan Allen put us ahead after 2 mins. and we could have had three or four goals before Inch equalised just before half-time.

Inch got on top in the second half and went ahead after 10 mins. Our lads tried hard to get back on terms and were rewarded when Sean Kelleher equalised with 6 mins. to go. These were two great performances from our lads and although they have only one match to go, they can look forward to next season with expectation.

### LORD MAYOR ELECTION

Next week we will be naming our candidates for the upcoming election which we hope to start on Monday, November 17th. We have some interesting people going forward and maybe one or two surprises.

### PLOUGHING MATCH

The annual Clashmore/Kinsalebeg Ploughing Match takes place on Sunday, November 16th on the lands of Matt and Mary Cunningham, Ballysallagh, Kinsalebeg (by kind permission). Ploughing begins at 12 noon sharp with all the usual classes.

### TYSON WINS IN CLONMEL

Yet another young dog, owned by Mr. Pad Joe Fenton, Aglish is showing outstanding promise having come through in record time to win the sprint title at Clonmel recently. "Aglis Tyson" is one to watch for the future and we wish Pad Joe and his family continued success with the fantastic "Aglis Breed".

### THANKS FOR YOUR SUPPORT

Club for their very generous contribution towards the development of their playground. He extends thanks also to everyone who helped in any way.

## LATE EDDIE COLBERT

### An Appreciation

The recent sudden death of Eddie Colbert, Ardmore, Co. Waterford was a shock to all who knew him. However this loss was tempered by the realisation that his was life to be remembered and indeed celebrated by those who had come in contact with him.

Eddie or Ned will be remembered above all for his life long interest in the world of drama. He produced, directed and acted in innumerable plays. Indeed he experienced signal success with Paul Vincent Carroll's "Shadow And Substance" which he directed at the Peacock Theatre in Dublin and Frank Carroll's "The Righteous Are Bold", a play for which he received All-Ireland accolades in 1963. He also had the distinction of performing in "The Belle of New York", the last production ever in the old Cork Opera House. Indeed as a final tribute to his dramatic prowess, the Youghal Little Theatre Group which he founded in 1948, is still thriving and will celebrate its golden jubilee next year.

A keen Gaelic supporter, Eddie loved to listen to the Sunday afternoon sports programme on R.T.E. Radio 1. This room, filled with its pall of pipe smoke, was the scene of many a county or national clash. Indeed this writer recalls the 1996 All-Ireland hurling final in the company of Eddie and it was the next best thing to having a prime seat in Croke Park such was the incisive description and analysis he could give !! True to form, when the Fr. O'Neill hurling team won the East Cork Hurling Championship last season, Eddie was one of the first to phone his congratulations.

Whether producing a play in Youghal, Ardmore or his hometown of Ballymacoda as Chairman of the Youghal G.A.A. Club or as representative of the Canada Life Assurance Company, Eddie touched the lives of many people in the East Cork, West Waterford and South Tipperary areas during a distinguished life of both professional and community service. I remember him as a warm, charismatic man with a passion for life who left a lasting impression on all lucky enough to have met him.

To his wife Eileen, daughter Helen, son Martin and his sisters Kit and May, I extend my sympathy. Indeed all who knew him will miss him. — P.C.

**Q.** Recently my little boy had grommets inserted into his ears because he was getting lots of middle ear infections. He's doing very well now and he has had no trouble from his ears at all. However, I'm still not sure what grommets are or exactly what it does. The ear surgeon said that the grommet will fall out in time and not to be alarmed if my own doctor cannot see them in my sons ear later on. I'm not sure as to what my son can and cannot do with the grommets in his ears, could

**you give me some advice please?**

**A.** A grommet is a tiny little tube that the ear surgeon inserts into the eardrum in order to ventilate the middle ear. Grommets are also known as ventilating tubes. If a child is prone to infection of the middle ear then there can be a build up of fluid in the middle ear space

which can cause deafness and encourage further infections as the fluid acts as an ideal food source for bacteria. By ventilating the middle ear, it is given a chance to 'dry out' and to recover from repeated infections. After the grommet has been inserted no water must be allowed in the ear for at

least a week. After this time swimming is allowed as long as the child does not go more than one foot below the surface of the water. The child is not allowed to jump or dive into the pool. If the child has to fly in an aeroplane after the insertion of a grommet there is no problem as the air will pass through the tube during the flight and the child will not have a popping sensation as the plane takes off or lands. Your child cannot blow balloons or blow into musical instruments for 2 to 3 weeks. Grommets fall out by themselves, the length of time that they stay in place depends on the type of tube used. You may find them on your child's pillow or usually you will not find them at all as they are very tiny and fall out of the ear canal easily. Grommets look somewhat like tiny spools used to hold sewing thread. Grommets sometimes fall out before the ear has healed properly and may have to be reinserted but this is not a difficult procedure for an ear surgeon.

**Q.** There has been a lot of reports in the media about drugs and drug abuse recently. In the eastate where I live some teenagers have been seen using drugs. I'm told that it's 'Ecstasy' that they're taking. This concerns me as I have two young children and I'm afraid that they'll become involved with drugs. Could you tell me what 'Ecstasy' is and how would I know if my children were taking it?

**A.** Ecstasy is the street name for 3,4 methylenedioxymethamphetamine, known to chemists as MDMA for short. It is related to the amphetamine family of drugs. Amphetamines are drugs which stimulate the body and mind and used to be prescribed for depression, tiredness, and obesity. They make a person feel good, put them in very good humour, increase concentration and energy. While people do not usually become physically addicted to them, their bodies do become used to the drug and the user may have to take massive doses to achieve the effect of well being that they are after. Long term use may result in an illness that is very like paranoid schizophrenia. Ecstasy is a 'designer drug', because it has been tailor-

made for specific effects. It is an illegal drug and is associated with 'Raves', that is parties that take place in the open air or in large warehouses, where hundreds of young people gather to dance etc. It is usually taken as a tablet, after an hour the user experiences a 'rush' and becomes euphoric and has a feeling of extreme well-being. This effect lasts 2 to 3 hours and then there is a sensation of 'coming down'. Users become less inhibited and have a feeling of warmth towards others. Users have dilated pupils and a dry mouth, this feeling and the fact that the user has usually been dancing for hours causes the person to become dehydrated and they drink vast quantities of fluids, tea or water etc. This effect of dehydration is the reason that you often see water being thrown around at Raves. Use of this drug can cause sexual difficulties in both men and women, however paradoxically this drug can lead to teenage girls becoming pregnant due to the feeling of warmth towards others that it induces in them. Heavy use is associated with severe anxiety, confusion and depression. It can also be associated with criminal behaviour as users get the money to pay for the drugs.

*Health Tips from "Remedies"*

**EUCALYPTUS or BLUE GUM**  
 EUCALYPTUS is one of the largest trees in the world, growing to 100m. (330 ft.), with a blue-grey trunk and green leaves. Eucalyptus, a traditional Aboriginal remedy, is a powerful antiseptic used all over the world for relieving coughs and colds, sore throats and other infections. It's warming and stimulating and for many people its scent conjures up days spent in bed during childhood with eucalyptus and other oils smothered on the chest. Eucalyptus is a common ingredient in many over-the-counter cold remedies.

## Tips from the Tannery

CHEF'S CORNER

**STARTER: Curried leek soup with saffron**

- 1 lb. leeks, white parts only — weighed after trimming
- 2 oz. butter
- 1 tablespoon sunflower oil
- 2 tablespoon flour
- 1 tablespoon mild curry powder
- 1 litre light chicken stock
- Garnish
- 1/2 teaspoon saffron strands
- 1 1/2 tablespoon sunflower oil
- 1 leek, white part only — thinly sliced
- 3 fl. oz. cream

Serves 6.

Slice the leeks. Heat the butter and oil in a large saucepan, add the leeks and cook gently for at least 10 mins. allowing them to soften but with-

out letting them brown. Add the flour and curry powder and cook for 3 minutes stirring frequently — then lower the heat and simmer for 15 mins.

Leave to cool slightly, then puree the soup in a blender and return to the pan.

Shortly before serving make the garnish. Warm the saffron in a large metal spoon over a low heat for about 30 seconds. Crush it (between 2 spoons). Pour on 1 tablespoon boiling water and leave to infuse. Heat the oil in a small frying pan and fry the sliced leek for 2 mins. — then add the saffron and cook for one more minute — stirring.

Reheat the soup and pour into bowls. Drizzle 1 tablespoon cream over each bowl and scatter some saffron leek rings over the top.

**MAIN COURSE: Linguini with prawns**

- 2 Courgettes
- Salt and black pepper - freshly ground
- 8 oz. linguini pasta
- 2 tablespoons extra virgin olive oil
- 6 oz cooked peeled prawns — thawed if frozen
- 1 tablespoon chopped fresh dill

Serves 4.

Trim the ends of the courgettes then cut across the courgettes to make 4 cm pieces. Cut each piece lengthways to make fine(ish) strips.

Place 3 pints water into a large saucepan. Add three teaspoons salt and bring to the boil. Add pasta and boil for approx. 10 minutes until cooked (check packet - some vary). When the pasta is almost ready, warm the olive oil in a small saucepan over a low heat. Add the courgettes and cook gently for one minute but don't let them fry. Add the prawns and heat through for about 30 seconds, then add the dill and season to taste. Drain the pasta, tip into a large bowl and add the prawn mixture. Toss together and serve immediately.

**DESSERT: Caramel Mousse**

- 11 oz. sugar
- 1/4 pint water
- 1 tblesp. gelatine
- 5 eggs
- 2 egg yolks
- 1/4 pt. cream, whipped
- Slivered Almonds — toasted
- 8 fl. oz. apricot puree
- 4 apricots — poached
- in syrup and sliced
- Mint leaves to decorate

Cook 9 oz. of the sugar with the water until the syrup reaches the light caramel stage.

Remove pan from heat and plunge the base into cold water to stop the cooking. Leave to cool slightly but do not allow it to solidify.

Soften the gelatine in a little cold water in a cup and dissolve over boiling water. Whip the eggs with the remaining sugar in a bowl over simmering water until the mixture is thick. Add the melted gelatine and stir until it has dissolved. Beat in the caramel. Remove the bowl from the heat and plunge into a large bowl of ice cubes (or half fill sink with cold water and some ice cubes). Continue beating and just before the mixture begins to set, fold in the cream. Pour into a mould sprinkled with the almonds. Refrigerate for 2 hours before serving.

If you wish you can serve this with some apricot syrup spooned onto a plate and arrange the poached apricot slices around the mousse. Decorate with mint leaves.

# John B's Greatest Play - "The Field"

"The likes of us that's ignorant have to be clever" - Bull McCabe, Act 11 Ss 111.

That immortal statement of the leading character in John B. Keane's play "The Field" is an example of the Shakespearean quality of the Kerryman's brilliance as a writer. Nowhere can one find more gems of wit and precise description of rural Munster men and women than in this masterpiece. The work itself is much more than a simple tale of greed, terror and brutality. It is a very critical attack on the

values or lack of them which prevade our society today.

Written 30 years ago, its message, its analysis, its truth is more evident now than then. The Bulls of today are more plentiful, the greed for the symbolic field is rampant in Irish society both rural and urban.

Maggie Butler the old lady who owned the field is well represented in the Celtic Tiger Ireland. Mick Flanagan, the man who accepts bribes from the powerful and lines his pocket, would survive even in a more lavish lifestyle today.

In this web of character and story, Keane weaves many sub-plots. Mammie Flanagan, the wife of the corrupt businessman, trapped in a small town, not happily married, unable to control her fertility. Leamey her son, unable to cope with the corruption he sees around him. Sergeant Leahy, unable to break the wall of silence. Keane uses his character to explore the difficult relationship that exists between elements of communities and state authority. "You wouldn't be the first sergeant to be transferred, I always voted right".

He examines the issues of animal welfare and how these values are handed on from father to son. Tadhg, the Bull's son, sees little wrong with his father's shooting of the pony or the killing of the donkey. The inability of the Church to break the closing ranks and the loyalty to the tribe is fascinating. The play reveals

that for some people the law and even the Church are alien forces.

"The Field" has everything. It is above all a modern Irish masterpiece and has been presented all over the world even in Russia. John B. Keane's work is unparalleled in that it chronicles the lives of Munster people and the issues that made them what they were in the second half of the 20th century. He is our Thomas Hardy and his work will live and grow in stature in the new millennium. John B. is a thorough playwright, he plays with everything with wit, with philosophy, with drama, with actors and audience with the whole theatre.

Ballyduff Drama Group are pleased to announce a new production of the play opening in the new St. Michael's Hall on Friday, November 21st. Booking (058) 60456. Opens on November 7th. Daily 2 - 8 p.m.

**DUNGARVAN DRAMATIC CLUB NOTES**

Final preparations for our production of "The Mai" by Marina Carr are in full swing. Lines are being polished up, costumes being prepared, last minute details being dealt with. The cast is very hard at work under the direction of Brid Nielsen. The tensions among the characters are becoming clearer and ancient disputes being hauled out for an airing.

The play deals with the trouble relationship of The Mai (Siobhan Buckley) and her erring but much loved husband Robert (Brendan

Morrissey). Their daughter Millie (Orla O'Keeffe) acts as narrator and eventually her story unfolds also.

Grandma Fraochlán (Margaret Dennehy) provides great moments of fun and mischief as she is looked on with disapproval by her more strait-laced daughters Julie and Agnes (Mary Kelly and Pádraigín Ní Chadhla). The Mai's sisters Connie (Anne-Marie O'Sullivan) and Beck (Liz Morrissey) stories are included in the tales which unfold during the course of the play.

Posters advertising our

production are displayed around Dungarvan and our first night this year will benefit the Chernobyl Children's Project. A wine and cheese reception will take place after the play.

Let us again remind any of our old friends that members

are collecting contributions for inclusion in this year's list so please be as generous as always.

Now encompassing a coffee shop, the new look Shamrock Restaurant is situated on the ground floor, thereby making it easily accessible for the disabled, pram/buggy users and the elderly. Indeed, the restaurant also has disabled toilet facilities. Designed by local architect Muiris O Criostoir, the former

carpet store owned by M. J. Curran & Son was completely demolished and reconstructed with new rear and side walls by local builders Billy Byrne and sons. In designing the building, Mr. O Criostoir made use of the original front window surrounds, restoring the facade to its original character.

The traditional shop front with its hand painted signal exudes a bright and welcoming aura while the cosy, pastel interior is highlighted in muted, soft tone lighting.

The pink and pastel shades of the walls and floor tiling match comfortably with the pine seating arrangements. Skylights in the modern kitchen and dining area further add to the overall effect. Able to seat approximately 50 to 55 diners at any one time, the overall atmosphere is one of pleasant intimacy.

The upstairs section of the building is currently being renovated into living accommodation for John and Una O'Riordan.

**DROP IN FOR A COFFEE OR A MEAL**

The Shamrock is open throughout the day for morning and afternoon tea, coffee, scones, homemade cakes and gateaux. It's central location on one of the town's busiest shopping streets makes it an ideal stop-off for a break and a chat, in from the cold.

The extensive lunch menu from 12 midday to 3 p.m. is a firm favourite with locals, business people and holidaymakers offering everything from a quick soup and sandwich to delicious and varied main courses.

Quality and value for money are the two main essentials at the Shamrock, for example, the typical lunch menu offers a tasty selection of meals, all served with vegetables and creamed or French fried potatoes starting at just £3.65.

A family run business since 1982, the food is home cooked

using local produce in the restaurant's new, modern kitchen under the expert supervision of Michael and Lauri Coakley while daughter Una and her husband John O'Riordan manage the dining area. The staff of ten are all highly experienced in the catering trade with customer service and culinary excellence a top priority.

The evening menu from 3 p.m. to 9 p.m. is tastefully prepared by Mrs. Coakley and offers a mix of traditional Irish wholesome food, grills, house specials, starters and fresh fish. Examples include roast stuffed chicken served with vegetables or salad for just £4.95; Grilled Buttered Trout served with peas and creamed or French fried potatoes £5.95; Boiled bacon & parsley sauce served with cabbage and creamed potatoes £4.75; T-bone steak served with mushrooms and onions £8.95; Vegetarian dish of the day £4.95; Home made steak pie served with French fried potatoes £3.50; Pâté maison with hot buttered toast £2.45, etc.

Children are also well catered for at the Shamrock with a wide range of kiddies meals including a free mineral for £2.45.

The Shamrock also has a full wine licence with an extensive range to suit every palate and compliment every meal. The wine list is available on request.

Loved and respected by all she knew.  
As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.  
Time may heal the heartache,

The one who worked so hard for us,

Is resting at God's will.  
(Thinking of you, Daddy, today, and every day — always remembered by your family and friends.)

**O'DOWD** — Thirteenth Anniversary — In loving memory of Gerard O'Dowd, late of Affane, Cappoquin, whose anniversary occurs at this time.

A lot in life is new,

The blow was hard, the shock severe,

I seldom ask for miracles,  
Dad,  
But today just one would do,  
To leave my door wide open,  
And see you just walk through.  
My heart still aches with sadness,  
My eyes shed many a tear,

As it dawns another year.  
A prayer, a Mass, are all I can give,

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,  
Are the ones who can't forget.  
We often sit and think of you,  
And think of how you died,  
To think you could not say goodbye,  
Before you closed your eyes.  
Your life was one of kindly deeds,  
A helping hand for others needs,  
Sincere and true in heart and mind,  
Beautiful memories left behind.  
The blow was hard, the shock severe,  
To part with one we loved so dear,  
Our loss is great, we'll not complain,  
But trust in God to meet again.

The one who worked so hard for us,  
Is resting at God's will.

Of the special times we shared,  
The way you used to love us,  
The way you always cared,  
I just want to remind you, Dad,  
That although we're now apart,  
You will never be forgotten,  
You are always in my heart.  
So on this your anniversary,  
As I walk down memory lane,  
I am wishing with all my heart,

Too bitter to forget,  
Those who loved you dearly,  
Dad,

**WALTON** — First Anniversary — In loving memory of my darling son, Garry Robert Walton, Cahernaleague, Ballinamult, who died on November 7, 1996, aged 21 years. R.I.P.

Thine eyes are true,  
Thy heart is fair,  
No other son could compare.  
Gar, there could be no fairer child,  
Be with God, be with kin,  
I can feel your strength within.  
Take peace, take love,  
Take our everlasting love,  
Our hearts, our pain,  
Until we meet again,  
In your everlasting light of love,  
In your sweet home up above.  
Lord take this message to Gar,  
And tell him of my love.  
(Love you always — Mam.)

**WALTON** — First Anniversary of Garry Robert Walton, Cahernaleague, Ballinamult, who died in Spain on November 7, 1996, aged 21 years. R.I.P.

Has anybody here seen my old friend Garry?  
Can you tell me where he's gone?  
You know he pleased a lot of people,  
But they say the good die young,  
I just looked around and he was gone.

(Marvin Gaye, R.I.P.)  
(From your loving Uncle Michael.)

**WALTON** — First Anniversary — In loving memory of Garry, late of The Lodge, Toura-neena, Ballinamult, who died on November 7, 1996.

One year ago this day,  
Our Lord plucked you away,  
Our lives can never be the same,  
It's a shame, such a shame.  
You left in our lives a great void,  
Sadness and despair we can't avoid,  
So gentle and so kind,  
You're always in our mind.  
Our lives are filled with knocks,  
But nothing prepares us for these shocks,  
So Lord, give us extra strength,  
Every November the seventh.

(Always remembered by Uncle Phillip and cousin Fay.)

**WALTON** — In loving memory of our precious son and brother, Garry Robert Walton, late of Cahernaleague, Ballinamult, who lost his life so tragically in Tenerife on November 7, 1996, aged 21 years. R.I.P.

Who knows how long I've loved you, you know I love you still,  
Will I wait a lonely lifetime, if you want me to I will.  
And if I ever find you, your song will fill the air,  
Sing it loud so I can hear you, make it easy to be near you,  
For the things you do endear you to me, oh you know I will.

(Lennon and McCartney).  
(Thinking of you always, Daddy and Sean.)

**WALTON** — In loving memory of our big brother, Garry Robert Walton, Cahernaleague, Ballinamult, on this his first anniversary. We love and miss you dearly.

Garry, I would give anything to bring you back to me,  
But I know your spirit's out there, so beautiful and free.  
You may be out of sight, but never out of mind,  
How could I forget my brother, so special and so kind.  
I think of you so often, each minute of the day,  
And when I go to church,  
Gaz, it's for you I pray.

I say, "Put your arms around him, don't leave him on his own,  
I don't want him to be lonely,  
Lord, while he's away from home."  
I know that you're in heaven,  
Gaz, and with me in many ways,  
So keep on waiting for me and I'll meet you at the gates.  
Though I'll be old and worn,  
and you'll be young and free,  
I know that you'll still love me, you'll love me because I'm me.

(Your loving sisters Lyndsay and Julia.)

### NIGHT FOR SLIABH gCUA TRIO TOM, BOB & BIDDY

On Thursday night, October 23rd a very successful social evening was held in the Community Hall in Touraneena to play a much deserved tribute to our long serving musicians Tom O'Donoghue, Bob Keane and Biddy Nugent.

It is over 29 years ago since these dedicated and talented musicians first became involved with the dancers of Sliabh gCua, Newcastle and the surrounding areas. This continued loyalty and expertise over the years have helped in no small way to not only bring the many successes to the area but have also helped to preserve and promote our music and dancing not alone in their native county but throughout the length and breadth of the country.

Their indeed has been a wonderful success story and the names of Tom, Bob and Biddy are just as easily recognised in the counties of Cavan, Donegal, Antrim and Galway as they are in their native Decies.

Many tributes were paid to them on the night but I suppose the greatest tribute was the large numbers of set dancers who turned up from Sliabh gCua and Newcastle to show their appreciation and to be part of this memorable occasion. Indeed so great were the numbers interested in attending that the committee had no alternative but to restrict attendance to the senior set

dancers much to the disappointment of many past and present juniors from the surrounding parishes.

This was a wonderful occasion and it was great to see so many dancers - male and female - so eager to shake their hands and to meet them once again.

Many thanks are due to all who helped in this celebration, to the committee, the ladies and gentlemen who gave of their valued time, the many sponsors and to all who helped in any way to make this night the huge success that it was.

Long live Tom, Bob and Biddy and may they continue to bring enjoyment and entertainment to many generations to come.

### LIVERPOOL VISITORS

Once again our Liverpool visitors who were guests of the Sliabh gCua and Modeligo Set Dancers have come and gone. Their visit, which was the fourth since the exchange began, was a wonderful success and as usual from the moment they arrived in Dungarvan on Saturday midday, October 25 to the time of their departure on Monday, October 27 at 2 p.m. their infectious enthusiasm and obvious delight at being here, coupled with the great organisation of the local groups made the weekend very enjoyable for everyone concerned.

There were fifty in all who came on this trip. The session on Saturday night in Lawlors Hotel was a nice, gentle and enjoyable start to the weekend. The Mass in Touraneena, the session in Dunne's afterwards and trip out the Nire for the full bus load was probably the highlight of their visit.

The group openly expressed their appreciation and especially for the soup, tea and sandwiches which was served with the usual efficiency by the set ladies with the help of many locals.

The final grand ceili and Irish night in Lawlors Hotel on Sunday night attracted a very large crowd, probably the largest at any function held to date by the groups and was a marvellous spectacle of set dancing, ceili dancing and step dancing.

The committee would like to take this opportunity to thank all concerned with this wonderful weekend. The musicians, dancers, singers, sponsors, Fr. Kelleher P.P., the local choir, Lawlors Hotel, Breda Cullinan, the ladies who helped on Sunday morning, the hall committee and to all who helped in any way to make this weekend the enjoyable occasion that it was.

## TOURANEENA UNDERAGE RACQUETBALL NOTES

### MAIREAD AND SEAMUS TO PLAY FOR MUNSTER

Last weekend was without doubt the most successful weekend that our juvenile club have had to date. Six of our most prominent players were picked by the Munster Racquetball Association to enter trials to represent the Munster team in the Interprovincial Championships which are being held in Moylagh, Co. Meath next weekend.

On Sunday last Denis Coffey, Tristan Hickey, Jack, Willie and Seamus Power and Mairead Hickey travelled to Templeberry to play in these trials. Tristan was first up against the All-Ireland under-12 A champion Leon Roche. 'Tayto' was simply brilliant. The game went to the tiebreaker and he was so unlucky to lose 11-9 after performing so well. This is a terrific achievement against this type of opposition.

Jack played Daniel Shanahan who is ranked No. 1 in the country and again performed superbly but on the day it wasn't to be. Willie was next to take on Shanahan and what a performance he produced. In the two games he was so unlucky to lose 11-10 in both games. To achieve this result against Ireland's No. 1 was nothing short of brilliance.

In the under-14 boys section Denis Coffey was drawn against the highly fancied Paul Howard in the semi-final. Denis played the game of his life as he literally demolished his opponent in two straight games to set up a final place against Ireland's No. 1 under-14 boy Liam Hughes. He was again superb but Hughes finished the stronger winning 15-6, 15-9. Again this was a magnificent result against such opposition.

Seamus then continued his fairytale season when he beat Matthew Ryan in the under-10 boys final to book a place on the Munster team. On the day we had six heroes but none more so than Mairead Hickey. She met Ireland's No. 2 Helen Shanahan in the semi-final and she was unreal as she fought back from a 7-2 deficit in the tiebreaker to clinch a dramatic victory. This set up a final match with Siobhan O'Doherty who is ranked No. 1 in the country. With the games at 1-1, Mairead found herself 8-0 down in the tiebreaker. This is when she showed true class and literally fought through the pain barrier to achieve an astonishing 11-9 victory in the tiebreaker.

Both Seamus and Mairead will now play on the Munster Provincial team next weekend. All six players were simply outstanding as they represented their club with great pride. Their behaviour both on and off the court was exceptional and to achieve these results in such a short space of time is incredible. This is a great stepping stone for all our underage players.

**Classic Encounters** — The underage pairings are proving to be a massive handful for the adult players in the two on one tournament. It is also proving to be extremely popular amongst the crowd as most adults seem to be amazed with the standard of play from the youngsters who are all under the age of 14 years. Games are being played at a redhot pace.

Last week saw Eamonn Power play against Colin Gleeson and Willie Power and the crowd were treated to a classic complete with a nailbiting finish. In the first game the doubles pairing were in awesome form as they rattled out a 15-8 victory. In the second game Eamonn recovered brilliantly and played some top class racquetball to win on a 15-3 scoreline but the best had yet to come. The tiebreaker was nothing short of brilliant. Eamonn was leading 10-5 when the two boys combined superbly to bring both sides to match ball at 10 each. Then after some brilliant shots and rallies, near misses and nervous moments, it was Eamonn who got the rub of the green and got that all important score.

In the other game on Thursday night the

club's two young hotshots Tristan Hickey and Seamus Power can feel very unlucky not to have picked up the points. They were the best side overall but Lady Luck didn't shine on them as they lost 15-13 in both games. Jack Power and Stephen Cliffe also played very well but on the night it wasn't to be as they lost 8-15, 15-14, 4-11 to Eamonn Power. The League Table is as follows - 1. Pat 4 pts. (+21), 2. Eamonn 4 pts. (+13), 3. Seamus and Tristan 2 pts. (+11), 4. Denis and Colm 2 pts. (+6), 5. Aidan 2 pts. (+4), 6. Willie and Colin 1 pt. (-10), 7. Stephen and Jack 1 pt. (-30), 8. Mike 0 pts. (-15).

**Primary Schools Champion** — The Primary School one day blitz produced some brilliant matches and above all a new 'King of the Court' in the Div. 1 boys section. Tristan Hickey was unstoppable as he captured his first singles title. After defeating Jack Power in the semi final, 'Tayto' played Seamus Power in the final. The first game went to Seamus on a 15-12 scoreline. The pace of the match stepped up in the second game in which 'Tayto' was simply awesome. He rattled out score after score and eventually won by 15-9. This set up a tension filled tie-breaker set. Seamus seemed to have the match won as he led 10-5 but it was then that Tristan showed true determination and class to record a dramatic 11-10 victory.

The full results were — Aidan Hickey 0 Willie Power 2 (0-15, 5-15), Jack Power 0 Tristan Hickey 2 (10-15, 11-15), Willie Power 0 Seamus Power 2 (3-15, 10-15), Seamus Power 1 Tristan Hickey 2 (15-12, 9-15, 10-11).

The Div. 1 girls section produced a superb final. Aoife Hickey and Niamh Coffey produced the fastest game between two female players to date. Aoife won the first game by 15-11. The second game saw Niamh produce the best individual display in the girls section so far this year. She hit 11 dead butts in a row to race into an 11-0 lead. Aoife fought back but Niamh finished the stronger and won on a 15-4 scoreline. Both girls were brilliant in the tiebreaker but it was Niamh who got the lucky breaks to record an 11-2 victory. The full results were - Marie Quinlan 2 Eileen Hickey 0 (15-0, 15-1), Natalie Woods 0 Fiona Gleeson 2 (1-15, 1-15), Niamh Coffey 2 Amanda McCarthy 0 (15-0, 15-0), Aoife Hickey 2 Stacey Meere 0 (15-2, 15-3), Marie Quinlan 0 Niamh Coffey 2 (6-15, 5-15), Fiona Gleeson 0 Aoife Hickey 2 (8-15, 5-15), Niamh Coffey 2 Aoife Hickey (11-15, 15-4, 11-2).

The Girls Division 2 title was won by Stacey Meere after fighting back from a 6-0 deficit in the tiebreaker set against Amanda McCarthy to win by 11-6. This was also Stacey's first title and it was fully deserved. The full results were Eileen Hickey 0 Amanda McCarthy 2 (13-15, 7-15), Stacey Meere 2 Natalie Woods 0 (15-1, 15-0), Amanda McCarthy 1 Stacey Meere 2 (11-15, 15-6, 6-11).

In the boys Div. 2 section, Shane Hickey won his first title thanks to some superb performances none more so than the final against J. J. Coffey. He won the first game 15-4 and after a very comical second game he emerged victorious on a 15-12 scoreline.

The full results were — Niall Power 0 Michael Myles 2 (4-15, 8-15), Kevin Meere 0 Shane Hickey 2 (3-15, 2-15), Frank Woods 2 Robbie Power 2 (12-15, 11-15), Pat Murphy 0 J. J. Coffey 2 (12-15, 0-15), Shane Hickey 2 Robbie Power 0 (15-8, 15-4), Michael Myles 0 J. J. Coffey 2 (7-15, 1-15), Shane Hickey 2 J. J. Coffey 0 (15-4, 15-12).

These tournaments saw all the favourites beaten in the final and in the four winners it was their first time winning a singles tournament.

# LISMORE BADMINTON CLUB NOTES

**First Division Men** — All seven teams have been busy over the last couple of weeks with some great results.

First division men played their first league game away to Waterford where Pa and Colin and Colin and John won 1st and 3rd mens. Sub Robbie and Pa (2nd mens) and John (4th mens) pushed Waterford before losing out for a 2-2 draw.

**Mens Division E** — Mens Division E had a 3-1 win at home to Tourin winning 1st mens 15-13, 9-15, 15-12; 2nd mens 15-10, 15-11. They lost a three setter to 3rd mens 12-15, 15-10, 7-15 and won 4th mens in two sets 15-1, 15-10. They had the same result away from home when they took three games from Modeligo.

Team: Robbie O'Sullivan (capt.), Nigel Aird, Dom O'Connell, Peter Whelan, Pat Sheehan.

**Ladies Team E** — Ladies Team E had a great 3-1 win away to Tourin and took two games in Waterford to draw 2-2. Sharon and Connie were the subs for the Waterford game with Daphne and

Yvonne unavailable. Sharon and Rebecca (capt.) are the other team members. This team play Dungarvan at home on Thursday night.

**Ladies Team F** — Ladies Team F had a great 4-0 win away to Old Parish but were brought down to earth again when Touraneena visited them on Thursday last. Siobhan and Mary, after winning the first set 15-5, lost their way and went down 10-15, 6-15 in the next two. Kay and Ann were just pipped 13-15 in set one and retaliated 15-3 only to lose the decider 7-15.

Siobhan and Ann played the game of the night winning the first set 15-13. They lost 12-15 in the second set and had to work extremely hard to take the third set 15-10.

Fourth ladies Mary and Kay took a while to get motoring losing 3-15 in set one. They improved greatly in the second set and were unlucky to lose 13-15 to leave us on the wrong side of a 3-1 scoreline. This team have a bye this week and will be putting time in to

practice for the second half of their league.

**Ladies Team G** — Ladies Team G played a 2-2 draw away to Dungarvan in their first game with Jennifer winning both her games, first ladies with Ciara and third ladies with Helen. Mary and Helen were pipped in a three setter second ladies with Ciara and Mary going down in two sets. Modeligo took three of the four games when Team G visited them with Helen and Jennifer claiming the only game of the night at third ladies. This team play away to Touraneena on Wednesday, November 5th.

**Ladies Team B** — Ladies Team B kept up their winning ways with a 4-0 victory. Their win at home to Ballinroad was somewhat misfortune with Margaret O'Brien from Dungarvan having to give way in second ladies due to injury. We wish Mag a quick recovery and return to the courts.

Angela and Nora, after a slow start, took first ladies in three sets. Mag and Jo Jo were a set up when Margaret got injured so Mag was rested with no third ladies to be played (Mag needed time to recharge her batteries anyway !!). Nora and Jo Jo made a marathon out of fourth ladies with three nailbiting sets. Lismore took the first set at 15-13. Ballinroad took the second 15-14 and Lismore had to come from behind to win the decider by one ace 14-15.

**Ladies Team D** — Ladies Team D had a bye this week and they play Old Parish next week.

Good luck to all the teams for the coming week, keep up the good work.

# LISMORE CRICKET CLUB NOTES

October 25th last saw the club hold an end of season get-together in the Red House Bar courtesy of Michael O'Leary. Michael and his staff are to be congratulated for providing a superb meal. Everybody who attended enjoyed the night.

Club President, Dermot Edwards gave awards to players who, in the opinion of the Selection Committee, had given the club excellent service during the season. The awards given were as follows -

Player of the Season - Brian Power, Batsman of the Year - Bruce Coker, Bowler of the Year - Allen Sheane, Fielder of the Season - Andrew Malcolm.

Further awards went to David Dungan for the Most Improved Player and to David Ind for finishing top of the Fantasy Ratings. David also had the dubious distinction of being awarded the 'Duck Cup' for 1997. The players own award for sportsman of the season was presented to Dennis Mackintosh.

Summing up the President thanked everybody for making the season such a success and hoped 1998 would continue in the same vein.

Taking over from Dermot, Winston Boyle had two surprises up his sleeve !! The first being a set of pads awarded to Club Captain, John Ind for his commitment and leadership to and to Dermot Ed-

wards, a porcelain mug depicting a cricket scene.

The Munster Cricket Annual General Meeting is to be held at Limerick on November 16th. David Ind, Dennis Mackintosh and Michael Hickey will be representing Lismore. They will be supporting Frank Olney's (of Clonmel Cricket Club) proposal to start an under-16 league next season. As this idea is still in its infancy, more details will be released at a later date.

Lismore Cricket Club would like to hear from any young lad who feels he would like to play or learn to play. Just get in touch with us. We would also like to hear from anyone who would like to get involved with cricket.

One interesting fact that emerged from our travels to other clubs this season was the increase in ex-hurlers taking up the game. Some had retired because of injury, others found their age had caught up with them but all were enjoying their new found sport. One in particular, I can't remember who he was playing for but he was an ex-Tipperary minor who had retired following a facial injury, told me that he didn't realise how enjoyable the game was. He was still learning the rules but was delighted in the fact that he had mastered holding the bat correctly !!

## Ballinroad Badminton Club News

### DUNMORE FALL UNDER IMMENSE BALLINROAD PRESSURE

Dunmore badminton club made their first visit to St. Laurence's Hall on Tuesday night last for their first encounter with our 4th div. team. Dunmore had a strong team fielded for this match but Ballinroad were waiting in anticipation for this encounter having trained for several weeks under the watchful eye of John Browne the Ballinroad coach who incidentally was the first player on the team.

John was accompanied by team captain John Young in the first game of the night. A tough match was in the offing with Dunmore looking for their first win of the 1997 season, but the two John's led from the outset with a blistering attack on the Dunmore defences by ensuring that the opposition made errors as soon as play began, the scores reflect the pressure on Dunmore, 15-7, 15-14.

### BROWNE AND WILLIAMS HOLD OUT UNDER PRESSURE

Charlie Browne and Donal Williams had their first match together against two very capable Dunmore players who had observed their team mates being beaten by

Ballinroad's first duo. Dunmore pulled ahead at the outset but Charlie and Donal soon put their opposition under severe pressure by taking full control of proceedings. The game ended 15-13, 15-11.

### BALLINROAD GO ALL OUT FOR GAME NUMBER THREE

Ballinroad met with a ferocious counter attack in the third game of the night with the two Brownes holding the flag high for Ballinroad as a three setter was to continue for the best part of an hour with each side looking for cracks in each others armour.

In the first set Ballinroad shaded Dunmore by a single ace at 15-14. Dunmore had the exact same score in the second set 15-14. This was the curtain raiser for a brilliant third setter with a no mercy attitude approach adopted by Ballinroad as they won the set 15-11.

### YOUNG AND WILLIAMS IN MARATHON THREE SETTER

Team captain John Young and his partner Donal Williams met with the full force of a now desperate Dunmore team who had victory grasped from them during the preceding games. Ballinroad were narrowly beaten in the final first set

by a margin of only four aces 15-11 to Dunmore.

The tables were turned on the opposition in the second half with an exact same score to Ballinroad 15-11. John and Donal fought off a sustained attack by Dunmore as the third set went into extra time with Dunmore scoring 15-11 to avoid a complete whitewash on their first visit to the home of St. Laurence's Badminton Club H.Q.

The club is rapidly known as the the B.B.C. club throughout the badminton circles. Not many players can say that they play for the B.B.C.

### A WORD OF THANKS

The club would like to say a word of thanks to Joe O'Riordan who came to our rescue at a moments notice last Tuesday night.

### AN INVITATION TO NEW MEMBERS FOR 1997

The club is activity looking for new members for the 1997 season who may not have played before or are you looking for a bit of fun and enjoyment during the long winter nights, well St. Laurence's Hall is the place to be.

For further details contact Margaret O'Brien at Canty, Cappagh or telephone (058) 68036.

## LETTER TO THE EDITOR

The Editor,  
Dungarvan Leader,

# Fate Of Waterford Football

A chara,  
Recently some friends and I were discussing the fate of Waterford football. While it was agreed by all of us that the county final this year was the poorest in many years, nevertheless it was felt that club football was not as poor in the county as this would seem to indicate. A number of great football games were played over the past two years. Nevertheless the county teams do not appear to be improving. We having gone through all the teams in the county and the players involved felt that the selectors appeared to be concentrating on a few senior teams and ignoring players from other teams e.g. Lismore, Clashmore with the exception of Ml. Fenton, Shamrocks with the exception of Liam Dalton, Ring, Modeligo, Affane with the exception of Kieran Cullinane, as regards the latter it was our opinion that he is the best young goal keeper in the county, yet no explanation was ever given as to why he was dropped for the Munster championship. We feel that this game would have been won if he had been in goal on that day, yet so far as we can discover he is not even on the present panel, yet reading newspaper reports during the year he appears to be playing as well as ever.

Have the selectors ever seen John Twomey of Ballyduff playing, he appears to us to be one of the best young footballers in the county, yet he appears to be ignored. As you can see from this letter, we concentrated on the far western part of the county, we would like to know how many matches from this area have been seen by the selectors. We think none.

Thank you Editor,  
Waterford Football Fan.  
Note — Name and address with Editor.

## Nire Football Club Lotto

## WATERFORD LADIES FOOTBALL NOTES

# Ladies Get 1998 League Campaign Off To Winning Start

WATERFORD 5-11 CLARE 4-3

Waterford began the 1998 league campaign with an 11 pt. victory over Clare at Cusack Park, Ennis last Sunday. The game had an 11.30 a.m. start to avoid clashing with the Clare Senior Hurling County Final between Cooraclare and Doonbeg.

When those two sides met in the Munster Final, the pitch was covered in water yet the first Sunday in November brought excellent conditions including brilliant sunshine. Clare fielded 14 of their championship line-out, in contrast Waterford were short 6 of their All-Ireland Final line-out.

Regina Byrne, Annalisa Crotty, Deirdre O'Rourke, Sarah Hickey, Martina O'Ryan and Olivia Condon were missing, their places taken by debutante 'keeper Nuala Hearne, Paula Walsh, Helen Fitzpatrick, Sinead Walsh, Mary O'Donnell and Deirdre Nagle. In addition Marian Troy, Sinead and Tanya Kirwan and Lorena Mooney came on as substitutes.

Although Caitriona Casey

had the first score, a 2nd min. point from a free, Clare took advantage of a lack of understanding in the Waterford defence as Sylvia O'Brien and Diane Kelly scored early goals. Gradually Waterford got on top helped in no small way by outstanding midfield pair Caitriona Casey and Mary O'Donnell and they had drawn level 0-6 to 2-0 by the 16th min. Caitriona Casey's brilliant goal in the 27th min. was a tonic and Waterford led at half-time 1-7 to 2-1.

Within minutes of the restart they had secured the points scoring 2-2. Wing-back Julie Torpey came upfield to score a point and then Claire Ryan rounded the 'keeper Mary Keane to shoot to the net.

From the kickoff Waterford put a great move together ending with Julie Torpey on the end shooting the third goal and Deirdre Nagle's shot was tipped over the bar by the 'keeper to leave Waterford 11 pts. to the good. Their level of fit-

ness was very evident as Aine Wall's piledriver of a goal in the 47th min. saw the Clare defence carved open for the umpteenth time. Whilst Clare were a bit disappointing, overall it was a good solid Waterford performance.

Waterford: N. Hearne, P. Walsh, S. O'Ryan, M. Fitzpatrick, S. Walsh, N. Walsh, J. Torpey (1-2), C. Casey (1-3), M. O'Donnell, F. Crotty, A. Wall (2-1), R. Hallahan, G. O'Ryan (0-2), C. Ryan (1-1), D. Nagle (0-2). Subs: M. Troy, L. Mooney, S. Kirwan, T. Kirwan.

# Munster Colleges Senior Hurling Quarter-Final

The Munster quarter-final of the under-18 B hurling, Corn Phádraig will see an all Waterford clash between

Dungarvan C.B.S and Mount Sion C.B.S. at Walsh Park on Wednesday, November 12th at 2.30 p.m. The schools have a long record of playing against each other in Waterford Colleges competition but this is the first time in over 30 years the schools will meet in a Munster Senior Colleges Hurling Championship match. However they met twice in the past 4 years in the Waterford Senior Championship with Mount Sion inspired by current Waterford senior player, Ken McGrath winning by 3-11 to 1-7 in 1993. More recently last year, Dungarvan emerged victorious on a 5-10 to 2-7 scoreline against a young Mount Sion team, most of whom will be playing again in the forthcoming contest. Over half of the Dungarvan side in that match have finished school so a very even contest is in prospect.

Both sides scored impressive victories to reach the Munster quarter-final with Dungarvan C.B.S. beating Coláiste Spioraid Naomh, Bishopstown, Cork by 2-12 to 2-6 and Mount Sion beating Carrigaline Community School by 2-12 to 3-8. The Mount Sion side contains 12 players from the Mount Sion club side many who played in the recent County Minor Hurling Final in addition to two players from Roanmore and one from Erins Own. Among their

key players are the Power brothers, Clive and Ian, Owen McGrath, brother of Ken, Keith O'Connor and Sean Ryan, both members of the Waterford under-16 hurling team, all of Mount Sion, Philip Murphy and Keith Hoban of Roanmore and Michael Furlong of Erins Own.

The Dungarvan side contains many players who played in the Dungarvan/Abbeyside minor hurling clashes over the summer - Owen Sheridan, Alan Harney and Alan Harty of Dungarvan; John Paul Keohane and Paul Veale of Abbeyside; Walter O'Grady of Naomh Bríd are among their key players.

An intriguing contest is in prospect and it is difficult to predict who will win this match.

## Colligan Rockies & Emmetts Hurling & Football Clubs BLACK AND AMBER LOTTO

# ARDMORE A.F.C. NOTES

RED HOUSE LEAGUE  
ARDMORE 0 BRIDEVIEW UTD. 3

An undisciplined first half performance by Ardmore was to lead to defeat in their first league game of the season. Some players were more interested in arguing amongst themselves rather than concentrating on the game. Brideview took the lead after twenty minutes when a shot that came back off the post was finished to the net by an incoming player. After this goal, the homeside showed a complete lack of discipline and had two players booked for bad language and to be honest it could have been more. The second goal came when Brideview were awarded a direct free-kick on the edge of the box and for some reason known to themselves, Ardmore decided to place two players on the line with the goalkeeper and paid the price when the ball hit the post and rebounded off the defender into the net. The score at the break was 2-0.

Manager Seamus Veale had some harsh words for his players at the break and to be fair to the lads, their attitude completely changed in the second half and played much better football and were unlucky on a few occasions not to score but the visitors had the last say when they made it three with two minutes remaining.

Adrian Yellop will have better days in goal. Mike Supple and Cathal Hennessy both had fine games. Anthony Sullivan had a fine game in midfield and Anthony Aherne and Kevin Lenane in the second half tried hard.

On the basis of their second half performance, Ardmore has got what it takes to make an impression in the league but it depends how badly they want it and how much sacrifice the players are willing to make. When the effort was needed to win the cup last year, the lads weren't found wanting but that only meant looking after themselves for four matches. The league is a longer battle and it is up to the players to give the manager the commitment he deserves.

Ardmore's best - Cathal Hennessy.

## UNDERAGE NEWS

All teams are going well in the last few weeks. This weekend saw our under-12's defeat Clashmore 2-0. Our under-16's received a walkover as Cappoquin failed to show in Ardmore on Sunday last.

## GOOD LUCK

The club would like to wish the Ardmore Intermediate footballers luck in next Sunday's County Final.

## RAILWAY ATHLETIC F.C. NOTES

F.A.I. JUNIOR CUP SECOND ROUND

# Railway Advance In Dramatic Game

RAILWAY ATHLETIC 2 NEWTOWN CELTIC (NORTH TIPPERARY) 2

(After extra-time Railway win 20-19 on penalties)

The above headline tells its own story. This was a truly amazing finish to a very exciting game played at the Danes Field on Sunday afternoon last. This game had everything to keep the fans on their toes - four goals, a sending off and in the end, the drama of a penalty shootout in which a total of 48 penalties were taken.

Both teams went flat out early on and this set the tone for a very fast and exciting game. The visitors were on top early on but found Morrissey in the Railway goal in fine form. Our best chance in the opening quarter fell to Dee but his shot never troubled the Newtown 'keeper. Newtown forced a number of corners and after 25 mins. took the lead. A corner on the left was only cleared to the edge of the area and the Newtown central midfielder sent an unstoppable drive to the roof of the net to put them a goal up. Railway fought harder after this and McLoughlin and Manahan wasted good chances for Railway. We were back on terms 10 mins. later when a corner on the left by Paul Quinn was met by the in-rushing Dermot Dee and he sent a bullet-like header to the back of the net for his third goal of the season.

Both sides fought really hard to regain the lead but in the end, the half ended all square at one each.

In the second half Railway began to work a lot harder for each other and a quarter of an hour in, we were very unlucky to lose goalkeeper Liam Morrissey. A good through ball from midfield sent their centre-forward clear and as Liam Morrissey advanced to stop him, he handled the ball outside the area and was dismissed. This meant Railway had to reshuffle and it saw Dermot Dee take over in goal and McLoughlin had to plough a lone furrow up front. Ten minutes later Railway were ahead with the most bizarre goal ever seen at the Danes Field. A long ball out of defence by Doc O'Donnell seemed harmless enough as it rolled towards the Newtown 'keeper. He tried to control it with his foot 10 yds from goal but the ball bobbed over his foot and tamely rolled over the line despite the best efforts of the Newtown 'keeper. Doc claimed his fourth goal of the season and by the end of the night he was trying to compare it to the one David Beckham scored for Man. Utd. last season. (Some hope, Doc !!). Every Railway player now fought tooth and nail for each other

and only for some poor finishing, we might have had this game well and truly wrapped up a lot earlier. Dermot Dee was also in action with 10 mins. remaining when he had to dive full length to keep out a long rang effort and turn it around the post from a corner.

Disaster for Railway five minutes into stoppage time. An indirect free-kick 30 yds. out was sent to the roof of the Railway net and as Railway went back to kick-off, the referee blew for full-time. Most teams at this stage would have given up but this side really showed some character during extra-time. We were very unlucky not to clinch the game in the first period of extra-time but as the game wore on, both sides seemed to settle for a penalty shootout. As the scoreline above states, we won the shootout 20-19 and a total of 48 penalties were taken. I think this may be a record. Railway took a total of 24 penalties and only failed from four. So after a very hard fought game, we went through to the next round of the F.A.I. Junior Cup.

Team: Liam Morrissey, Ken "Doc" O'Donnell, Eamonn Murphy, Gary Morrissey, Martin Reddy (capt.), James Manahan, Conor

Prendergast, Paul Quinn, Steve Quinn, Frank McLoughlin, Dermot Dee. Res.: Tommy Pratt for Reddy (inj.), Ray Curran, Liam Costin, Liam McLoughlin.

## DIVISION 3B LEAGUE TYCOR 1 RAILWAY ATHLETIC 3

Our second team secured an away win on Saturday last with a 3-1 win over Tycor. Tycor took the lead with 10 mins. gone when a Ray Curran deflection hit the net giving Gavin Foley no chance in goal. In the 23rd min. a quick free-kick by David Lenane reached Paul Ormonde who beat the 'keeper and tucked away the ball neatly to put us on level terms. This was how the half ended at 1-1 each.

Ten minutes into the second half we took the lead. Darren Mason put Brendan Landers through with an inch perfect pass. Landers lobbed the 'keeper with an excellent finish. We were under the cosh for the next 20 mins. Our back four stood up to the pressure and in the 85th min. Brendan Landers got our third to kill off the game. Gavin Foley did very well in goal and young David Lenane had an impressive game.

Team: G. Foley, D. Lenane, Liam Costin, Darren Mason, R. Curran, P. Manahan, P. Ormond, B. Landers, A. McCarthy, A. Barry, L. McLoughlin. Res.: Stephen Hogan for A. Barry, C. Cullinane for L. McLoughlin.

## UNDER-12 LEAGUE GAME

HIBS 3 RAILWAY  
ATHLETIC 2

Our under-12 side were away to city side Hibs on Saturday last. We found ourselves three down in 20 mins. We pulled one back before half-time and midway through the second half, we scored our second. We put a lot of pressure on the homeside but we could not get the equaliser.

## FIXTURES

Under-11 away to Stradbally 10.30 a.m. Leaving 9.15 a.m.

Under-12 away to Hibs 11.45 a.m. Bus leaving 10.30 a.m.

## GAELTACHT AONTAITHE SOCCER NOTES

# TOSACH MAITH, LEATH NA H-OIBRE

On Sunday last we had the best possible start to our league campaign with a 3-1 away win against a strong Modeligo side. This was a fast and keenly contested game with Modeligo playing a long ball relying on their front players to create scoring chances. An Gaeltacht, adopting a 4-4-2 formation, played a tight passing game allowing midfield to push into attacking roles when possible. A scoreless first half was evenly contested with both sides getting their chances but the pep talk from the manager seemed to have the desired effect when ten minutes into the second half saw a cross from Leahy find an unmarked Tucker who duly 'tucked' the ball in the back of the Modeligo net.

Tucker then proceeded to celebrate in an exuberant fashion (the referee was about to show him a yellow card until it was explained to him that Tucker was a Villa supporter and he hadn't celebrated a goal for ages). Our goal advantage was shortlived when our defence hesitated in clearing a loose ball and allowed Modeligo to level the game. Gaeltacht then started to dominate play and the home team found themselves under constant pressure and only good goalkeeping denied Timothy from a 20 yard volley. In the 70th min. a through ball from the defence found Mike Power in an attacking position and he made no mistake placing the ball past the 'keeper. Mike was later to be denied by the

'keeper when a 25 yard drive was finger tipped away. As the game progressed, further chances were made and our third goal came when a shot from the edge of the box by Dermot Drohan found its way through a flat footed defence. The final score was Gaeltacht 3 Modeligo 1.

Best on the day for Gaeltacht were Ferncombe and Mike Power.

Team: M. Grace, M. Power, E. Power, S. McGrath, R. Ferncombe, M. Curran, T. Power, J. Sheehan, D. Drohan, T. Curran, A. Leahy. Subs: D. Condon, J. Donnelly, L. Whelan, E. McGrath, E. Curran, A. Power.

**ABBEYSIDE A.F.C. NOTES**

**DIVISION 2A LEAGUE**

# Bizarre Defeat For Villagers

**ABBEYSIDE 1 DUNGARVAN 2**  
 Abbeyside went under to local rivals Dungarvan in an extraordinary game they dominated from start to finish but ended up losers. It was the first local derby the Villagers had lost in a number of years but the manner in which the points were surrendered was inexplicable.

Abbeyside, of course, contributed to their own downfall failing to convert an obvious superiority on the pitch into chances converted. Blues' keeper Sheehan had an inspired game and one save from Trevor Mahoney's volley had to be seen to be believed. One could not fault the home team for their performance as the quality of their play was excellent for long periods and only some desperate defending by the Dungarvan defence time and time again.

Dungarvan opened the scoring with their first attempt after twenty minutes when a home defender was dispossessed and Simms raced through to beat Mark McCarthy. The Reds resumed their dominance but Sheehan thwarted J. J. Ferncombe and F. McGovern while T. Mahoney fired over from close range after a great run.

The homesters finally got their reward into the second half when there was a penalty after a clear handball and Mark Reynolds

fired home from 12 yards. This was the signal for even more attacking and after Sheehan fumbled the ball, it was fired home by Jason Hyslop. Amazingly the referee gave a free-kick for pushing and the goal was disallowed. Trevor O'Mahoney was then denied by Sheehan who touched his flying volley around the post.

Then came the defining moment when an 82nd min. break away by Dungarvan found a Blues player on the edge of the box. He appeared to miskick and the ball travelled into the far corner much to the surprise of the Village defence. Abbeyside retaliated with a spurt of pressure but cool heads gave way to panic in an effort to retrieve the situ-

ation. The referee blew the final whistle and Dungarvan celebrated their first victory at Stucco Lane since 1984.

Abbeyside must now look to the Cup of which they are the holders. Saturday was as well as they played for a long time but more effort will have to be put in to resurrect this season. In my opinion this is the strongest squad we have put together since Sean Wade managed the team in 1990. The potential in there to play a much higher level than the current one but it is up to the players.

## LOTTO

Jackpot this week £200. Numbers drawn were 1, 2, 19. There was no winner. Next week's jackpot £300. Turkey - Brenda Meehan, Murphy Place; Ham - Paddy Organ, Parklane; Box of biscuits - Eoin O'Mahoney, 15 Huntley Crescent.

**YOUTHS MATCH REPORT**

# Unbeaten League Run Ended

**ABBEYSIDE 1 PORTLAW 2**

Abbeyside suffered their first league defeat of the season at the hands of a rather mediocre Portlaw side on Sunday morning last.

The sides were deadlocked at the break but early on resumption Abbeyside went ahead after Seamus Sheehan outpaced the opposition on the left of the park. Breaking from the halfway line, he shrugged off several fairly robust challenges and sent a blistering shot across the face of the goal from the end line. His movement was finished in stylish fashion with a diving header from Daniel Hickey that left the visiting 'keeper gasping.

After this the Villagers wandered aimlessly around the park and it was no surprise when the equaliser came. Sheehan did get some good crosses into the box but the Villagers lacked finishing power and were forced to defend strongly. The game ended in dramatic fashion. With minutes remaining Olan Casey raced back to clear a ball off the line. Casey blasted the ball away. It was evident that his intention was just to clear the ball. 'Keeper John Byrne, who was off his line and to the left of the goal, trapped the ball on the ground and to the surprise

of supporters and players from both camps, the referee awarded the dreaded free-kick for "a back pass". Tempers flared at the outrage but the decision was made and there was no

denying Portlaw the winner. Abbeyside — J. Byrne, J. Thomson, O. Casey, R. Enright, P. Wallace, P. Walsh, D. Hickey, R. Cliffe, J. Truman, R. Curran, S. Sheehan.

**BALLINROAD SCHOOLBOYS UNDER-14 NOTES**

# O'Brien Gets Hat-Trick In 12 Goal Thriller

We had Piltown as visitors last weekend. This was probably the best game seen in Ballinroad since the season started. We were two goals up after 6 mins. but to their credit, Piltown fought back and it was 2-2 at half-time.

The second half saw much the same with 10 mins. to go it was 5-5. Piltown seemed to be settling for this result but we had other things on our minds as a great shot from B. Sullivan from 25 yds. hit the post and dropped to the feet of J. O'Brien who scored from 12 yds. The same player scored early in the first half and finished his hat-trick with a good individual goal with 2 mins. to go.

Team: J. Rio, S. O'Connor, M. Burke, D. Condon, A. Walsh, R. Keating (2), T. Fitzgerald, K. Radley, W. Morrissey (2), S. Mountain, J. O'Brien (3). Sub: B. Sullivan (used).

Fixtures — Under-11: Ballinroad v Piltown 10.30 a.m. Under-13: Ballinroad v St. Otterans 11.45 a.m. Both home games.

# Glenview United A.F.C. Notes

**GLENVIEW 2 VALLEY RGS. 2**

A draw at home on Sunday last, Valley took the lead midway through the first half with a scrambled goal. Glenview started well in the 2nd half and Ger Power's slide-rule pass, let McGrath in to slot home. Valley regained the lead with 15 minutes to go. Glenview then fought hard and were rewarded with a strong Pat Hallissey run and cross that had the Valley defence confused and McGrath nipped in to poke home. So a share of the spoils on our first league outing this season.

Team — T. O'Donnell, H. O'Donnell, G. Power, J. Power, Dolan, A. Power, Curran, Donellan, Hallissey, P. Coleman, McGrath. Subs. — Buddin, Duggan, Murphy.

Playing away to Clashmore next week. Check press for details. Finally the home game against Valley was rescheduled at short notice. A word of praise must go to referee Noel O'Donoghue who did five games last weekend. All players should take note of such commitment.

# RED HOUSE LEAGUE CLUB PROFILE

**ARAGLEN SOCCER CLUB**

Araglen first had a soccer club in the late sixties or early seventies. One of their earliest matches was a Munster Junior Cup match at home to Clonmel town which they lost 10-0. You will not be surprised that the club went out of existence soon afterwards. The club re-emerged in 1981 with Mick Kenny being the link with the original club. Other founder members included Pat White and the Colbert brothers. A meeting was held in Higgins' Bar and the following Sunday a large number of players turned out for training, encouraging some fundraising to begin.

For two seasons Araglen relied on training sessions and challenge matches. At this time they had left the carnival grounds and were using Jackie Handeran's field which had previously hosted Gaelic football games. Because of the large number of Celtic supporters in the area, the club was renamed Araglen Celtic although the Celtic part is rarely used. The most memorable games played around the time were against Ballysaggart (0-2) and Ballindangan Utd. (0-1).

Araglen entered the Red House League in 1984 and played in Division 2. The club wore blue and white jerseys sponsored by McCarthy's Bar in Kilworth. The club suffered from poor organisation and their first game away to Lismore saw them lose 10-0, their worst defeat. Araglen failed to win a match that season and got their only point in a 2-2 draw away to Pinewood Rangers. They played one more season in the Red House League before opting out because of a problem fielding teams.

To keep interest alive, the club organised a tournament which is contested each year. The large cup for this tournament was bought by Mike "Spalp" Ahern. In 1990 the club formed a pirate league with clubs from South Limerick. This was called the Publicans League. The club won the league in its first season and immediately decided to reapply for membership to the Red House League in 1991. The club just failed to win promotion in its first season back and despite some encouraging results over the last five years, they remain in Division 2. The club have also moved back to the Carnival Field.

**RED HOUSE LEAGUE NOTES****DIVISION ONE****New League Season Kicks Off**

Champions Brideview had a great start away to Cup holders Ardmore while newly promoted Pinewood won away to Cappoquin and Youghal drew with Lismore.

**ARDMORE 0 BRIDEVIEW UTD. 3**  
Brideview got a great win on Sunday away to Ardmore. Most of the work was done in the first half with Philly Curley scoring after 20 mins. and making it 2-0

with a free-kick after 38 mins. Ardmore were more organised in the second half and pressurised the visitors defence but it was Brideview who scored again through John Doyle five minutes from the end.

**YOUGHAL 1 LISMORE 1**  
Lismore took a first half lead when Keith Hornbrook scored after 22 mins. There was never much between the teams and a rare chance

fell to Youghal midway through the second half which was converted by Barry Power for the equaliser.

**CAPPOQUIN 1 PINEWOOD RANGERS 3**  
Cappoquin had a first half penalty saved by Michael Doocey but fifteen minutes later Gossie Mason did score from a second penalty to give Cappoquin the lead. Pinewood levelled the

game ten minutes from the break when Noel Ryan headed home a free-kick to leave the sides level at the break. Ten minutes into the second half Michael Wall scored from close range after a mistake in the home defence and four minutes later Joe Walsh made it 3-1 with a great long range effort. There was no further scoring although the home-side had some good chances.

**DIVISION 2 LEAGUE****Good Wins For Ballybridge And Araglen, Glenview And Valley Rangers Draw**

**ARAGLEN 1 INCH 0**  
A first half strike from Tim Keane was enough to give Araglen the 3 pts. Inch never got to grips with the home-side who defended well for long periods.

**GLENVIEW 2 VALLEY RANGERS 2**  
This game produced four goals and plenty of good football. Valley were dominant in the first half and led 1-0 at the interval. Glen-

view's top scorer Philip McGrath put his side level early in the second half. Valley Rangers went back into the lead when they scored ten minutes from the end but Glenview had the final say when McGrath scored again five minutes from the end.

**BLACKWATER RANGERS 1 BALLYBRIDGE UTD. 3**  
Ray O'Neill and Alan

Brett put Utd. two up in the first twenty minutes but Rangers got back into the game courtesy of an own goal five minutes later.

There was no further scoring in the first half but Ballybridge rounded off a good display with a third goal just seven minutes from the end through Diarmuid Walsh.

**DIVISION 3 LEAGUE****Gaeltacht & Gortroe Start With Wins**

**VALLEY RANGERS B 1 CAPPOQUIN B 1**  
These sides were evenly matched and both goals were scored in the first half. Aidan Hogan put the home-side ahead after nineteen minutes but Cappoquin deservedly equalised six minutes before the break. There were plenty of chances in the second half but no further scoring and a draw was probably a fair result.

**KILWORTH CELTIC 2 DUNGOURNEY 2**  
Kilworth began their campaign with a very entertaining draw against newcomers Dungourney. The visitors will be more pleased with the result although either side could have won.

**MODELIGO 1 AN GAELTACHT 3**  
The first half was a tense affair and this was reflected by the half-time score of 0-0. Tucker Curran scored a rare goal to put his side ahead but Adam Bending equalised almost straight

away. Modeligo failed to play as well as they can and the visitors scored two further goals for a well deserved victory.

**BRIDEVIEW UTD. 1 GORTROE 3**  
All the goals came in an entertaining first half as Gortroe scored in the 11th

and 14th mins. William Murphy reduced the arrears two minutes later from the penalty spot.

As the home-side pushed forward for an equaliser, Gortroe made it 3-1 ten minutes before the break and they held this lead right to the end.

**NEXT MEETING**

The next meeting will take place on Monday night, November 17th at 9 p.m. sharp. All referees to attend referees meeting at 8 p.m.

**MUNSTER JUNIOR CUP**

Our sole survivors, Pinewood Rangers will play their third round match at home to Kilmacthomas on the weekend November 22nd/23rd.

**Preview Of Next Week's Games****DIVISION 1****Brideview Utd. v Pinewood Rangers**

This should be the match of the day next Sunday and as both teams won last, they will be hoping for a second successive win. Rangers can be a tough side to break down but the champions had an especially good win last week and are hoping to win again. Home win.

**Lismore v Mogeely**

Lismore were held to a draw last week and will be conscious of losing ground to the early leaders at this stage. Mogeely had their best results last season away from home and may take a point on Sunday but Lismore will fancy their chances of a win. Home win.

**Youghal v Ballyduff**

Ballyduff have already beaten Youghal this season and although the home-side got a point against Lismore last week, Ballyduff are really on form at the moment and we feel that they should win. Away win.

**DIVISION 2****Inch v Blackwater Rangers**

Inch were in Division 1 last while Rangers were promoted from the third. Both sides lost their first games last week and will be looking to bounce back immediately. Inch might make good use of home advantage. Home win.

**Ballybridge Utd. v Castlebridge Celtic**

Utd. will be among the favourites for promotion this season and got off to a flying start last week. Celtic were beaten away to Clashmore in their first game and they will need to be at their best on Sunday. Ballybridge might just sneak a win but it should be close. Home win.

**Valley Rangers A v Araglen**

Araglen won their opening game against Inch and come up against Valley Rangers, another of the pre-season favourites for promotion. Rangers are in the Bolger Cup semi-finals and have been very impressive to date. Araglen can be very hard to break down but Valley should just come out on top. Home win.

**Clashmore Ramblers v Glenview**

In seven games this season, Glenview have won just once and last season's Division 3 champions will find it hard against Clashmore. Ramblers were relegated last season but are one of the more fancied teams for promotion and should win on Sunday. Home win.

**DIVISION 3****An Gaeltacht v Valley Rangers B**

Rangers seem to have settled down quickly and could be in the shake up at the end of the season but An Gaeltacht won well in Modeligo last week and we feel they can win again against Valley. Home win.

**Cappoquin B v Gortroe**

Division 3 favourites, Gortroe started well last week and will be looking to continue that good form next week in Cappoquin. The home-side will pose Gortroe some problems but the visitors might prove too strong. Away win.

**Dungourney v Brideview Utd. B**

Dungourney got a valuable draw in Kilworth last week and could cause Brideview some anxiety next Sunday. Utd. fell at home to Gortroe on Sunday and another loss could leave them adrift early in the season. Both sides could settle for a share of the points however and we might well see a draw.

**Affane v Kilworth Celtic**

Affane let themselves down last season with some inconsistent form and they will be looking to improve on this straight away. Kilworth were in contention for much of last season and could do the same again this time while a draw seems likely on Sunday. A draw.

**EAST CORK/WEST WATERFORD SCHOOLBOYS SOCCER LEAGUE**

**UNDER-18 LEAGUE**

**Lismore Go Joint Top, Cappoquin Upstage Clashmore**

**Pinewood Rangers 0 Lismore 1**

Lismore joined Kilworth at the top of the table with this narrow win away to Pinewood Rangers last Saturday. Lismore scored the all-important goal after 30 mins. when Michael Ormonde finished off a good move from close range. Both sides had only half chances to add to the scoring as defences were on top but Lismore held on for a deserved victory.

**Clashmore Ramblers 1 Cappoquin 2**

Ramblers would have been favourites going into this game and when Gerard O'Rourke put the homeside ahead, everything seemed to be going to plan. Then up stepped Niall "Maxi" Maher, Cappoquin's lethal dead ball expert and scored with a tremendous shot to leave the score 1-1 at half-time. Both sides had their chances in an even second half but it was Stephen Curran who grabbed Cappoquin's winner midway through the second half to give his side their first points.

**UNDER-16 LEAGUE Huge Win For Leaders Kilworth Celtic**

First points for Castlebridge, Inch and Cork Road Celtic. The match of the day saw Kilworth defeat last week's big winners Ballybridge Utd. to stay top. Cork Road Celtic beat Blackwater Rangers in their first game of the season. Inch drew with Castlebridge Celtic and Valley Rangers beat neighbours Brideview Utd. by the odd goal in five.

**Kilworth Celtic 11 Ballybridge Utd. 3**

Celtic overwhelmed third placed Ballybridge with a powerful performance to put them in the driving seat for the title. Leading 7-0 at half-time, Celtic added another four in the second period and a feature of the game was three hat-tricks for Celtic. Kilworth's scorers were Joe O'Neill (4), Russell O'Brien (4) and Joe Aherne (3). Scorers for an understrength Ballybridge side were Bryan McCarthy and Billy Murphy (2), one a penalty.

**Inch 2 Castlebridge Celtic 2**

Both sides were happy to claim their first points of the season in an evenly contested match last Saturday. Celtic led 1-0 at the break

but Inch replied twice in the second half through Brian Barry and John O'Connor and a draw was the fairest result in the end.

**Cork Road Celtic 2 Blackwater Rangers 0**

Blackwater's chances received a setback with this debut away to Fermoy side Cork Road Celtic. Rangers were minus a few regulars and Celtic exposed this weakness by scoring twice in the opening half.

**Valley Rangers 3 Brideview Utd. 2**

Valley moved themselves up the table with this narrow win against old foes Brideview Utd. Valley took the lead through Billy Carr after 5 mins. and this was the half-time score. A minute into the second half Carr scored Valley's second goal and the same player completed his hat-trick 13 mins. from the end. Brideview made a late rally and goals from Mossie McGrath and Tom Goulding gave Valley a nervous finish but they held on to win.

**UNDER-12 LEAGUE Valley Rangers Win Their Group**

Valley's win against Brideview will pit them against Ardmore in the league final play-off.

**Valley Rangers 2 Brideview Utd. 0**

Valley managed to overcome Brideview's challenge with the help of two early goals in Conna last Saturday. Seamus Noonan put his side ahead after 6 mins. from a well struck free-kick and 7 mins. later, Eric Murphy made it 2-0. Brideview dominated the game after this and despite constant second half pressure, they were unable to grab a goal which would have given them a lifeline.

**UNDER-12 CUP Inch, Kilworth Celtic And Ardmore Advance To Cup Semi-Finals**

Inch had the biggest win in the Cup at the weekend against Castlebridge Celtic. Kilworth Celtic needed extra-time against Ballybridge Utd. while Ardmore

beat neighbours Clashmore Ramblers 2-0.

**Inch 7 Castlebridge Celtic 0**

Things were close enough up to half-time even though Celtic found themselves two goals in arrears at the break. The second half saw Inch really get on top and they ran out easy winners in the end. Marksmen for Inch were Ian Fogarty (2), Dave Kelleher (2), Alan Crotty (2) and Ian Lucey.

**Kilworth Celtic 2 Ballybridge Utd. 1 (After extra-time)**

Utd. were five minutes from victory when Kilworth were awarded a penalty which was converted by George Heskin. In the first period of extra-time, Thomas Twomey went on a run beating three defenders before dispatching the ball into the net. Ballybridge fought furiously to get back on terms but to no avail.

**Ardmore 2 Clashmore Ramblers 0**

Ardmore took a long time to break down a determined Clashmore side and after a very even first half, the sides were still scoreless. Ardmore were the stronger team in the second half and after 10 mins. Andy Walsh scored a fine goal from just inside the area. Nine minutes later Ardmore went 2-0 up when Walsh was on hand to tap home a rebound from close range. Ramblers tried hard to get into the game but Ardmore were good value for their win.

**WEEKEND PREVIEWS**

**UNDER-18 LEAGUE**

Interesting Games In Store The top four all play away this weekend and teams like Kilworth and Lismore face particularly tricky games at Mogeely and Cappoquin respectively. Both teams will need to keep winning as Ardmore and Clashmore are just behind them and will fancy their chances of picking up points at the weekend. Ardmore have started impressively and will test Pinewood to the full in Ballymacarbry. Clashmore should prove too strong for Blackwater in their derby game. In the other game, pointless Castlebridge might get off the mark at home to Inch.

**UNDER-16 LEAGUE Chance For Clashmore Or Blackwater To Go Second**

Clashmore Ramblers will have neighbours Blackwater

Rangers at home on Sunday and a win for either team would push them into second place. This is a tough one to call and could even end in a draw. Bottom side Cappoquin face Cork Road Celtic at home and although the Fermoy side will start as favourites, Cappoquin might get something from the game.

**UNDER-14 LEAGUE League Still Wide Open**

There's still plenty to play for with most teams still in contention after the first couple of rounds. Second placed Castlebridge Celtic could go top with Ballybridge if they beat old rivals Valley Rangers at home. Third placed Youghal have neighbours Inch as visitors and Kilworth are at home to Ardmore in another interesting game. Brideview Utd. face bottom side Lismore in Tallow and things could be even tighter at the top after Saturday's games.

**UNDER-12 LEAGUE Ardmore Against Valley Rangers**

Ardmore, who comfortably won their group, will face Valley Rangers in the league final play-off. Valley were pushed all the way by Brideview Utd. before the last game between the two last Saturday. Ardmore won all but one of their games and will be many neutral's favourites to win the final against Valley Rangers.

## 4B TEAM NEWS

We recently played two league games against Mooncoin and Kilbarry. We played Mooncoin last Sunday week and went down 5-0. With under-21 football training down at exactly the same time, we were missing a few and had an uphill battle to get anything out of this game.

We were down 4-0 after twenty minutes which included an o.g. and a penalty. We settled after this and had a few chances on goal. Mooncoin scored another penalty in the last quarter.

Last Saturday we played Kilbarry in Waterford and conceded three goals early on. Mark Fitzgerald clawed back a goal but Kilbarry scored again before the end to leave it 4-1. Kilbarry were full value for their win.

Paddy Lawlor is a big loss to us as can be seen from our recent results. Paddy is in the best of form again but won't be playing with us for this season, but he says he'll be back refereeing school-boy games before Christmas hopefully.

**Fixtures:** Saturday, Nov. 8, home v. Abbeyside, 2.15 p.m.; Sunday, Nov. 16, home v. Tramore, 11.30 a.m.

## 3B NEWS

**Carrick 3, Stradbally 1**  
Match practice probably cost us this game as we have not had a match in over a month. Carrick scored two quick goals before half time. Super striker Michael O'Brien showed his prolific predatory skills

to leave the half time score 2-1. In the second half we completely dominated from the start to finish, but putting the ball in the net, as always, was our weakness, but again it was O'Brien who nearly unhinged the Carrick defence with a delicate chip which was blown wide by a gust of wind.

Soon after, Michael O'Brien (or whoever it was) was taken down in the box as he was about to score, but the referee waved on play despite Carrick also agreeing that it was a penalty. Carrick then scored on the counter attack and there was no way back.

Best wishes to Darren Mulhearn who is leaving for Australia. Darren joined us this year and was a big addition to us and will be a big loss to the 3B team.

**Fixtures:** Saturday, Nov. 15, home v. Tramore Rangers, 2.15 p.m.; Sunday, Nov. 23, away v. Tramore Rangers, 11.30 a.m.

## TRAINING

Training takes place this Thursday evening at 8 p.m. Training is only for players over the age of 16 since early in the year and who are part of either the 3B or 4B squads. Younger players are more at risk to injury and players are becoming less competitive at training for fear of injuring younger players.

## SEAVIEW DRAW

The second draw takes place this Saturday evening, November 8. Hopefully we will have a few winners. All "per draw members" should have their £5 paid by now,

if not get it to a club member before Thursday. Once again your support is much appreciated. The proceeds from this draw will be mainly used for equipment and future development. Day to day expenses are paid by the players, our summer club tournament and by sponsorship.

## SPONSORSHIPS OF MATCH BALLS

The club would like to thank John and Caroline Whelan (Whelan's Bar) for sponsoring the 4B team with a match ball and many thanks to Eoin Corbett (Eoin's Shop, Kilmac) for sponsoring a match ball for 3B team. The club would encourage our members and associates to support our sponsors.

## UNDERAGE NOTES

### Under-9 — Stradbally 5, Ballinroad 1

We played Ballinroad recently and came away with a 5-1 victory. Andy Doyle scored four goals and Christopher Lawlor scored a fifth which was the least he deserved after all his hard work during the game.

### Under-9 — Stradbally 3, Seaview 4

We played Seaview in Celtic Park, Anestown, last Sunday morning and it turned out to be a very evenly contested and competitive game. John Sheehan's sheer determination gave us a first half lead and Luke Casey soon followed up with a second a few minutes later to leave us two up at half time but Seaview came out the stronger team after the break and soon were level. Then they scored a penalty and added a fourth, but the lads were not going to give up and Christopher Lawlor scored from the penalty spot, but despite a number of chances near the end it was Seaview's day.

**Under-11 — Seaview 4, Stradbally 1** — We played Seaview in a challenge last Saturday week and went down by four goals to one. We were down 3-0 early on and the heads dropped but when Andy Doyle scored, the lads were all out to get back on level terms. Despite a number of chances we could not find the net again and with Seaview scoring on the break, the final whistle sounded.

**Under-11 — Ballinroad 2, Stradbally 4** — We played Ballinroad last Saturday morning and came away with a good win. Ballinroad were soon up by a goal, but goals from Kevin Lawlor, Philip Cur-

ran and two from Wayne Kiely gave us a 4-2 victory.

**Under-13 — Ballinroad 4, Stradbally 1** — We played Ballinroad last Saturday morning in Ballinroad and with a number of players missing they did not disgrace themselves. In fact they were losing by a margin of only 2-1 until the last few minutes. Eric Cantana McGrath scored our goal.

**Fixtures — Under-11,** Sat. Nov. 8, home v. Railway, 10.30 a.m.; Sat. Nov. 22, home v. Villa, 10.30 a.m.; Sat. Dec. 6, away to Ferrybank B, 10.30 a.m.

## UNDERAGE JERSEYS

We recently acquired a set of blue and white jerseys. As you probably don't know, blue and white is the traditional and original colours of Stradbally parish and these have been our club colours over the years.

We would like to thank the following for their generosity in donating towards the purchase of the set of jerseys: Paddy Joe Ryan, Ballymac; Pat Curran, Frozen Foods; Portlaw Bread; East Cork Oil; John Cheasy Bread, Waterford; Lenihans Bakery; the local tug-o'-war and Pipe Band. We would ask you to support our sponsors as they have supported us.

## Modeligo Soccer Notes

### AN GAELTACHT 3 MODELIGO 1

On Sunday last we played our first match of the league this season. The first half started with us putting the opposition under some pressure but we never created a good scoring chance in this time. As the half progressed, An Gaeltacht started to get on top and had a few half chances. The half time score was 0-0.

The second half was about 10 minutes old when An Gaeltacht opened the scoring with a well taken goal. But two minutes later we equalised with a header from Adam Bending. Our joy was short lived as we went 2-1 down shortly after and 15 minutes before the end An Gaeltacht got a third goal. This made the final score 3-1 to An Gaeltacht.

**Team — E. Condon, P. McCarthy, J. O'Neill, J. P. Ryan, J. Power, E. Power, S. Reddy, S. Denn, T. Condon, A. Bending, J. Duggan. Subs. — T. Ormonde for J. Duggan; J. Maher for S. Reddy; B. O'Connell, C. Walsh, J. Hourigan.**

## MIXED WEEKEND FOR BLUES

Our Premier side bowed out of the F.A.I. Junior Cup last Sunday when they were defeated on penalties after a 1-1 draw with Bansha Celtic. This was a highly competitive match with the Blues on top for most of the game. M. Downey got the goal for the lads with some misses costing the Blues dear in the end. The lads have no fixture next weekend.

Our 2A side had a magnificent 2-1 victory away to bogey team Abbeyside last Saturday. After a terrible start to the season, the lads have improved steadily over the weeks and this was their best performance of the season. Leroy Simms and Darrell Donnelly got the goals that sank the gallant Villagers. Next week they are at home to Crusaders where they will be looking to keep the run going.

Our high flying 3A side visit Park rangers next Saturday in their first league fixture in a few weeks. Pat Tutty's side have made a great start to the season and three more points here would do nicely. Thanks to all the lads who were out with their lawnmowers last Saturday morning to get the pitch ready for Sunday's match. It was in excellent condition.

## YANKEE DOODLE

Congratulations to Kathleen Keane on scooping the £540 jackpot last Sunday night. It should buy a set of hub-caps for John's Mercedes! Next week's jackpot is £100. Numbers on sale from usual sellers.

## SOUTHEND 0 DUNGARVAN 5

On a good, brisk day, the young Blues took the field against Southend knowing that a win would put their season back on track.

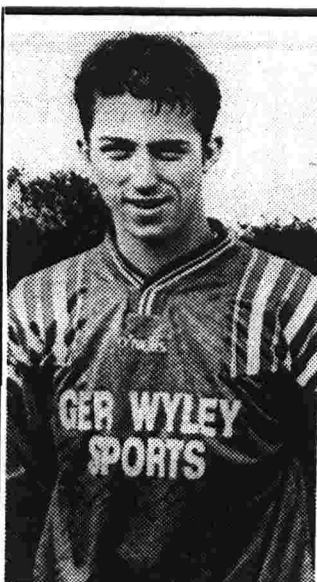

From the off Dungarvan played simple but good technical football and it wasn't long before Eoin Keane grabbed the first of his three goals following a great ball from midfield. Soon after he added a second and the Blues went in at half-time two goals to the good.

On the turnover they carried on where they left off with T. J. Crotty adding a third before Colin Houlihan bagged two leaving it 4-0 and that man Eoin Keane finished it all in style by grabbing his third.

Looking back I would have to say that the whole team merited the man of the match.

# “Old Boro” Boys Cause Village Blues

## ABBEYSIDE 1 DUNGARVAN 2

In the next millennium when they sit around their computers reading sports stories from the Internet, these are some of the stories and tales they'll tell you. How Ireland beat England in Germany without Brady and Lawrenson, How Ireland beat Italy in America without Quinn and O'Leary And now how Dungarvan's second team beat Abbeyside's first in Dogleaf Park without Crotty and Power.

YES the Blues had to go into the lion's den with the 'heart' of the team's engine room missing (their words not mine), Crotty from creaking bones and Power had to walk his dog Jess. Plans for this historic win were laid down the previous Wednesday in Dublin's Berkley Court Hotel when Ireland's manager, Mick McCarthy sat down with Duggan the Blues manager to discuss tactics.

Advice on team formations and tactics were given but McCarthy refused to take them, the rest is history. So Duggan went ahead with his own master plan.

First on the agenda was to find two men of steel who would do an impartial job as linesmen. Taná Morrissey took on the onerous job for the Village men and left their management to concentrate on the job on hand, showing yet again what a true club and team man he is. Surely Dungarvan had a man to match this commitment. A former team captain and committee member was approached but alas the pressure was too much and anyway how could he do

the line and watch his dog?!! So yet another job was left to the manager.

Former Abbeyside and Dungarvan great Ollie O'Connor could not accept this and took over the the task to leave the manager free to get on with his job. So on with the game.

Abbeyside rightly started as hot favourites and began the game in a very confident mood. Anyone who put the Blues' second team down on the pools for an away win against Abbeyside's first, were worried at this stage. But soon the Blues began to show that they weren't here to play second fiddle to anyone.

Starting from the front Wade and Simms started closing down the home defence. In midfield the Donnelly twins added steel for the visitors when they won vital tackles at crucial times. Mansfield and Sheehan added the perfect blend with their telling passes and all four ran themselves into the ground.

At the back the quartet of Beresford, Ducey, O'Rourke and Coleman built a defence as solid as

the wall of China. Coincidentally if you add Coleman's and Beresford's age, they come to the same age as the wall. Behind the defence Sheehan always looked solid and reliable and when the dam did seldom break, he made some fantastic saves.

Twenty minutes into the game the man they're calling the white Pele, Leroy Simms closed down and won the ball from Abbeyside's star defender and legend in his own lifetime Sharkey Reynolds. After ghosting past him he unleashed a ballistic shot that gave the home 'keeper no chance and the Blues a deserved 1-0 lead. Try as they might the homeside could not upset the visitors' tactics as the Blues closed down every player before they could settle on the ball. Both sides put the opposing defences under pressure during the remainder of the half but Dungarvan's second string deservedly held on to the lead up until the break.

Abbeyside again piled on the pressure at the start of the second half and forced a

number of corners but the Blues' defence soaked up everything and in the process instigated some great counter attacks. David Sheehan was then unlucky with a good chance when his shot curled just wide. Mickey Donnelly and Leroy Simms combined well with the latter's shot just shaving the post. In the 65th min. the ref awarded a very dubious penalty to the homeside for what only he saw as a handball. Reynolds brought the Village boys back on level terms from the spot-kick.

This decision only seemed to spur Dungarvan on to greater things. Collins and Coles replaced Wade and Mansfield who had covered every blade of grass on the pitch for the cause. Simms then turned provider as he put Collins' through with a good ball but his shot was just off target. Trevor Mahoney then got onto a breaking ball for Abbeyside just 10 yds. out and his piledriver looked to be the winning goal but somehow Sheehan sailed across the goal to make the save of the game.

Then the Donnelly telepathy came to the fore when Mickey found Darrell with a quick throw. His sharp turn and shot caught out everybody as his shot zoomed under the 'keeper from 20 yds. out for the winning goal. It was only fitting that these two combined for the winner as they had been a thorn in the side of the home defence all day.

David Sheehan then hit a fabulous free-kick from 20 yds. that curled around the wall and looked to be heading for the top corner with the 'keeper well beaten but it came back off the underside of the bar. (You can get one of them in Shiner, honest!)

With time running out the game was almost spoiled when the ref sent off two players in the space of 2 mins. for innocuous offences, Coleman for Dungarvan and Ferncombe for Abbeyside. This had been an exciting tough but mainly fair local derby against two equal teams but on the day as the scoreline shows, Dungarvan were the best of equals.

Dungarvan — J. Sheehan, M. Ducey, F. O'Rourke, B. Coleman (capt.), G. Beresford, D. Donnelly, D. Sheehan, M. Donnelly, E. Mansfield, L. Simms, B. Wade. Res. — M. Coles, G. Collins, K. Foley.

## F.A.I. JUNIOR CUP SECOND ROUND

# Missed Chances Prove Costly

## DUNGARVAN 1 BANSHA CELTIC 1 (Bansha won 4-1 on penalties after extra-time)

Dungarvan Utd. bowed out of the F.A.I. Junior Cup on Sunday last on penalties after 110 mins. of football failed to decide the issue. Played before the biggest crowd of the season, this was an exciting and entertaining game with the light fading rapidly.

However if the truth be known, the Blues should never have needed to go to penalties as on the amount of possession and goalscoring chances, this game should have been won in normal time.

This was a typical cup tie, hard and fast but always fair and was well refereed by John Flanagan.

Bansha got off to a dream start after 10 mins. when a corner on the left was dropped by Terry Whelan and the wily player/manager Michael Grace pounced to put the Tipperary side

ahead. Grace, a former Junior international, went on to play a very influential role in midfield for Bansha.

Dungarvan put this setback behind them quickly and a fine Micheál Downey run ended in a fruitless corner. The equalising goal came in the 18th min. when a diagonal ball by John Paul Donnelly from the halfway line released Micheál Downey and his pace took him away from the defenders and he shot low to the corner of the net for a well taken goal (and his first of the season). Just before half-time Micheál had another chance but delayed his shot and lost possession.

In injury time in the first half new skipper Georgie Hamilton averted a dangerous situation from a corner when he headed off the line. The score at the half time break was 1-1.

John Paul Donnelly had a free saved by Moloney in the Bansha goal and John Power shot over from a good position. Following another free from Donnelly, Darren Lyons saw his effort go narrowly wide. Another great run by Darren Lyons saw him pass to Timmy Kiely and his effort was somehow kept out by the full-back and 'keeper for another corner. With 10 mins. remaining, a Mark Crotty cross from the right flank was met by the unmarked John Paul Donnelly at the far post but he saw his header go over the crossbar.

Just before full-time Aidan Landers had a great strike from outside the box which went narrowly wide when the ball broke out to him following a corner.

### EXTRA-TIME

Aidan Landers' header

over the crossbar following a John Power free and Timmy Kiely's shot over the bar were the only real chances of extra-time when both sides seemed to tire as the light faded.

### PENALTIES

Cathal Moloney proved himself to be the hero for Bansha as he saved the first two penalties from John Power and John Paul Donnelly. Aidan Landers scored Dungarvan's third penalty but it was too late as Bansha scored all four spot kicks from Michael Grace, James Tobin, Dallen Browne and Alan Carter.

Best wishes to Bansha Celtic in the next round and hard luck to a game, young Dungarvan side who had no luck in front of goal on the day.

Dungarvan: Terry Whelan, Georgie Hamilton (capt.), Aidan Landers,

Kevin Walsh, Darren Lyons, John Power, Timmy Kiely, Alan Landers, John Paul Donnelly, Mark Crotty, Micheál Downey. Res.: Vincent O'Sullivan for Mark Crotty, Morrie Ferncombe, Nick Thompson, Joe Nolan, Crohan McGregor.

There seems to be a great interest in the biathlon locally and a great day's sport should be enjoyed by all. ## ONCE UPON A TIME

# Dungarvan Juveniles Of 25 Years Ago

**DUNGARVAN A.C. CONFINED JUVENILE LEAGUE OF 1972** — Eddie Moore (on left) presents Liam Hughes and his team with their winning spinners following their success in the club's Juvenile League. The recent achievement of Dungarvan A.C. in winning the best overall juvenile club in the cross country season in Waterford has revived memories of a similar victory in the 1972/73 season for the club which had been formed just two years previously. The introduction of a confined club league by the enthusiastic committee of that time provided plenty involvement and motivation for the juveniles of the town and Abbeyside in an era when the best club award was decided over four months and after thirteen Sundays of racing.

#### A.G.M. AT THE C.Y.M.S. HALL

The club's Annual General Meeting was held at the C.Y.M.S. Hall in Mary Street at which the following officers were elected -

President: Con Roche, Chairman: Paddy Whelan, Vice-Chairman: Rory Wyley, Hon. Secretary: Rosaleen Sheehan, Treasurer: Joe Sheehan, Juvenile Secretary: Bro. Cleary.

Club history was made when a female secretary was elected for the first time. Among other items the outgoing secretary referred to the club's successful sports in June and the stage end of the Tour of Ireland Cycle race in August. The C.B.S. and Augustinian communities were thanked

for the continued use of their fields.

The incoming committee included John Moore, Peter O'Brien, Jim Veale (Leamybrien), Jim Sheehan, Richie Ryan, Margaret Moore, Denis Fahey, Mrs. Fitzgerald, Danny McGrath, Nicky Sheehan and Eddie Moore.

#### 25p FOR SENIOR MEMBERSHIP

Eddie Moore was congratulated on being elected Chairman of the County Board. A new set of white jerseys with blue rims were purchased and membership cards for juveniles were sold for 10p and the price of a senior membership card was 25p.

The club's third annual social was held in Lawlors Hotel. Music was supplied by The Diamonds and tickets cost £1.50 each. Two juvenile leagues, one before and one after Christmas were organised by Bro. Cleary and as the season progressed, both proved to be very worthwhile from a participation and a success point of view.

#### FIRST OUTING

Activities got underway with confined races at the C.B.S. field. Fifty children took part and the following were the results -

Girls under-11 - 1. Mary Veale (Abbeyside), 2. Maura Wade (Abbeyside), 3. Veronica Keohan (Dungarvan).

Boys under-9 - 1. Raymond Dwyer (Dungarvan), 2. Tomás Curran (Dungarvan), 3. Timmy Organ (Abbeyside).

Boys under-11 - 1. Niall Flynn (Dungarvan), 2. Eamonn Meehan (Dungarvan), 3. Anthony Meehan (Abbeyside).

Boys under-13 - 1. Gerry McGrath (Dungarvan), 2. Richard Gough (Dungarvan), 3. Richard Moore (Abbeyside).

Boys under-15 - 1. Michael Fitzgerald (The Sweep), 2. John Flynn (Dungarvan), 3. Anthony Kelly (Kilgobinet).

#### LIAM HUGHES' TEAM WINS

**DUNGARVAN LEAGUE**  
Begun in October and lasting for six weeks, Dungarvan A.C.'s confined Juvenile League attracted 66 runners which were divided into 6 teams. At the halfway stage, Liam Hughes' team led Sean Meehan's team by 8 pts. with Anthony Fraher's team a further 3 pts. in arrears. The other teams were captained by John Flynn (Lawlors Hotel), John Moore (McCarthyville) and Paddy Noonan (Hospital Lodge). Impressive individual performances were being produced by Sean Meehan, Mary Veale, Niall Flynn, Michael Fitzgerald, Finbarr Prendergast, Jerome Kiely, Jim Meehan, Geraldine Fitzgerald,

Joe Riordan, Conor Clancy, Tom Houlihan.

At the end of the league, Liam Hughes from Thomas' Terrace led his team to a 24 pt. win over Sean Meehan's team. Going into the last leg, the winners had only 10 pts. in hand so the outcome was still open but individual wins by Jim Meehan, Niall Flynn and the speedy young Joe Riordan wrapped it up for Hughes' team who headed the league from start to finish.

Each member of the winning team was presented with a spinner. Sean Meehan, Jerome Kiely and Michael Fitzgerald also received spinners for their individual performances. Medals were presented to the runners-up team. The league was very well organised by Eddie Moore, Bro. Cleary and Sean Prendergast N.T.

**Winning Team** — Liam Hughes (capt.), Jim Meehan, Edward Moore, Niall Flynn, Joe Riordan, Geraldine Fitzgerald, Pierce Flynn, Donal Flynn, Shaun Flynn and Catherine Regan.

**Runners-Up** — Sean Meehan (capt.), Tom Houlihan, Michael Casey, Pat Cullinane, Anthony Meehan, Martin O'Donnell, James Veale, Tomás Curran, Finbarr Prendergast, Hugh O'Donnell.

## FROM THE RECORD BOOKS

**UNDER-11'S WIN COUNTY TITLE IN  
KILOSSERA (22/10/1972)**

Niall Flynn (Dungarvan A.C.) was a most impressive winner of the Waterford under-11 cross country title in Killossera Race Course last Sunday. The manner in which he achieved his victory was very convincing and on this form a lot more will be heard of him in the future.

Dungarvan were clear winners of the team prize ahead of the De La Salle and Tramore teams and the other scoring members were Anthony Meehan (5th), Jerome Kiely (6th) and Martin O'Donnell (12th).

**JIMO MEEHAN LEADS UNDER-14'S  
TO VICTORY (3/12/1972)**

Dungarvan A.C. registered four wins at the juvenile races in St. John's Park, Waterford last Sunday. In the under-14 race Jimo Meehan proved once again that he has top class athletic potential when he scored a good win over the reigning county champion Dermot Cunningham from Tramore. He also led his club to an easy victory with his team mates Francis Coffey (Old Parish), Crohan McGregor (Caseyville) and Richard Gough (Mitchel's Terrace) all running to form. Niall Flynn added to his successes with a win in the under-12 race and he led his team of Anthony and Eamonn Meehan and Edward Moore to a 6 pts. win over St. Nicholas A.C., Ring.

**DUNGARVAN FIGURE AT  
ALL-IRELANDS (10/12/1972)**

The Regional team of Munster (excluding Cork) won the Irish boys under-15 cross country title in Mountmellick last Sunday and Waterford had the honour of having two athletes on the winning team in the persons of Michael Casey (Faha) and Sean Meehan (Dungarvan) who finished 9th and 10th respectively. In fact these two were the backbone of the victorious team and without their efforts, Cork would surely have piped Munster for the title.

In the under-11 race, Niall Flynn (Dungarvan) finished a brilliant third following his 6th placing in the Munster Championship. Dungarvan finished a very good 4th in the team event with a scoring side of Niall Flynn, Eamonn Meehan, Jerome Kiely and Joe Hennessy who has improved immensely in a short space of time.

**THRILLING FINISH IN STORE FOR  
CLUB OF THE YEAR (21/1/1973)**

With only two more cross country fixtures to be fulfilled, the race for the All Round Cup is at a very exciting stage and the picture to date is as follows -

1. St. Nicholas A.C. Ring - 69 pts., 2. Dungarvan A.C. 68 pts., 3. De La Salle A.C. - 49 pts., 4. Grange A.C. - 45 pts., 5. Tramore A.C. - 37 pts., 6. John's Park A.C. - 19 pts., 7. Friary A.C. - 17 pts., 8. Kinsalebeg A.C. - 14 pts., 9. Bally A.C. - 12 pts.

**PADDY NOONAN'S TEAM WINS  
JUVENILE LEAGUE (28/1/1973)**

Dungarvan's juvenile athletes limbered up for next Sunday's County Championship last week when they held the last leg of their juvenile cross country league. Paddy Noonan's team came out on top in last Sunday's leg and even though they won all six legs, they had only 10 pts. to spare over the runners-up Anthony Fraher's team. Result as follows -

1. Paddy Noonan's team - 99 pts., 2. Anthony Fraher's team - 109 pts., 3. John Moore's team - 109 pts., 4. Sean Meehan's team - 123 pts., 5. Tom Houlihan's team - 128 pts., 6. Jim Meehan's team - 145 pts., 7. Michael Fitzgerald's team - 146 pts.

Winning team - Paddy Noonan, Michael Casey, Crohan McGregor, Francis Coffey, Geraldine Fitzgerald, Edward Moore, Timmy Organ, Austin Wyley.

After last Sunday's races, the prizes were presented to the winning and runner-up teams by Club Chairman Paddy Whelan.

**HAT TRICK FOR DUNGARVAN IN COUNTY  
CHAMPIONSHIPS (4/2/1973)**

Dungarvan A.C. justified their position as favourites for the boys under-12, 14 and 16 County Championships at

Waterford last Sunday when, on the occasion of wearing their new singlets for the first time, they scored a memorable hat trick of wins in these age groups. Results as follows -

Under-12 - 1. Dungarvan (Niall Flynn 2, Ritchie Moore 7, Edward Moore 8, Joe Hennessy 9) 26 pts.; 2. Ring (John Manahan 4, Liam Kelly 5, Ritchie Walsh 11, Liam Walsh 12) 32 pts.

Under-14 - 1. Dungarvan (Jim Meehan 2, Michael Fitzgerald 3, Francis Coffey 8, Tom Houlihan 9) 22 pts.; 2. Grange A.C.; 3. De La Salle.

Under-16 - 1. Dungarvan (Sean Meehan 2, John Moore 6, John Moloney 7, Paddy Noonan 8) 23 pts.; 2. Bally A.C. 28 pts.

On the day the club was also represented by Catherine Moore, Eamonn Meehan, Matty Curran, Tony Murphy, Crohan McGregor, Richard Gough, Jerome Kiely, Miss Moloney, Conor Clancy, Martin O'Donnell, Ger Wyley, Ber Burke, Nicholas Devine, Sean Feehan and the girls under-14 team of Geraldine Fitzgerald, Colette Wyley, Mary Veale and Alison Halley who finished second.

**BEST CLUB IN CROSS COUNTRY  
SEASON (APRIL 1973)**

Dungarvan A.C. capped a very successful juvenile cross country season for 1972/73 by winning the cup for the best club during the cross country season. The cup, which was donated by the Friary College three years ago, was first won by De La Salle A.C. Ring won it last year and this year it was the turn of Dungarvan A.C. who had 6 pts. to spare at the finish thanks to 10 pts. accumulated on the last day of competition in Duckspool. The basis for their success this year was the promotion of juvenile athletics in the area through two confined leagues held before and during the season which did much to unearth some talented runners. Final results as follows -

1. Dungarvan A.C. - 87 pts., 2. St. Michael's A.C., Ring - 81 pts., 3. De La Salle A.C. - 57 pts., 4. Grange A.C. - 54 pts., 5. Tramore A.C. - 44 pts., 6. St. John's Park - 22 pts., 7. Friary A.C. and Kinsalebeg A.C. - 20 pts., 8. Bally A.C. - 19 pts.

**WEST WATERFORD WIN  
MUNSTER NOVICE THRILLER**

West Waterford Athletic Club retained their Munster Novice Cross Country title at Tulla, Co. Clare last Sunday after an absorbing contest between Tipperary club Nenagh Olympic, West Limerick A.C. and West Waterford itself.

The Clare County Board chose a tough traditional cross country course for the runners which included five steep 200m stretches for the mens race. All the runners suffered over the 4 miles distance but at the end of the day it was worth it for the West Waterford runners who won the club title for the second year in a row which is most unusual at this level.

West Waterford had seven runners in action last Sunday and the sole survivor from last year's scoring quartet, Philip Harty ran his best race for some time when coming from 19th place early on to finish a very impressive 5th and he was closing all the time. This was a great start for the local club and young

Tom Bennett followed Philip's example (despite the loss of a shoe) when coming from 29th to finish 12th overall. This run was a great boost for the Ballysaggart runner following his recent injury and the season still has much to offer for him.

The early running by Michael Barrett from Ballinameela showed that he has loads of athletic ability and he held his form throughout the race to score vital points for his team. Alan Ryan got a tough baptism in championship cross country and despite going through a rough patch on the second last lap, he recovered very well to finish 24th overall, two places behind Michael Barrett. This closed the West Waterford total on 63 pts. and when the results were finished, Nenagh Olympic totalled 65 pts. and West Limerick finished on 75 pts.

The West Waterford performance was more than a four man effort however with John Bennett, Anthony

Harty and Timmy Foley all contributing their share. John Bennett came very close to making the scoring four and he kept the two runners in front of him on their toes. Anthony Harty gave his best as he always does and his reward, like John Bennett, was the winning of a bronze medal as part of the Waterford county team (129 pts.) that finished third behind Tipperary (88 pts.) and Clare (120 pts.). Timmy Foley's run ensured that if any misfortune befell the other six runners, Waterford would have finished a complete team and would have held on to their bronze medal position. Before Timmy's departure to England and Australia many years ago, he was noted for his loyalty to club and county and in the short time since his return, it is notable that nothing has changed over the passage of time.

In the under-23 race which was held in conjunction with the Novice Champi-

onship, West Waterford finished 4th on 59 pts. behind U.C.C. and Togher, both on 40 pts., and West Limerick 55 pts.

The winning of the Munster Novice title was another boost for the local running scene and in a tough competition over a hard course, the efforts supplied by the seven West Waterford runners were examples of all that's best in the sport of cross country.

For the record the winners on the day were as follows -

Under-23 Women - Orla O'Mahoney (Cork), Club: West Cork, County: Cork.

Novice Women - Madeleine Dorney (Tipperary), Club: Limerick, County: Limerick.

Under-23 Men - Robert Heffernan (Cork), Club: U.C.C., County: Cork.

Novice Men - Dan Simmons (U.C.C.), Club: West Waterford, County: Tipperary.

William Harty won the under-14 race held in conjunction with the above championships.

**Ring/Old Parish A.C. Notes****9 MUNSTER MEDALS**

Ferdia O hAoda, Mark Shalloe, Claire Ducey, Triona Shalloe and James Ledingham all won individual medals in the recent even aged Munster championships. On a lovely day for cross country running the championships were held on a demanding but fair course where our athletes did us proud.

Our first athlete in action, Sarah Kate Ledingham, in the girls under 8, ran really well and was challenging for a medal when she was

unlucky to fall in the home straight.

Next off in the boys under 8 we had three athletes who each ran superbly. Ferdia O hAoda was 6th, Mark Shalloe was 7th and Wayne Kelly was very unlucky to finish in 13th position one place out of the medals. As Waterford had 4 athletes in the top 13, they would surely have collected a county team prize if the other clubs in the county had seen fit to send their athletes.

In the girls under 10 a ter-

rific performance from Claire Ducey finishing in 7th place. A just reward for her dedication to training. Also in this race we had good performances from Tara Lee Weldon and Sarah O'Brien.

Our single competitor in the boys under 10 Pdraig Healy who ran very well.

In the girls under 12 we had Aileen Barron and Tracy Shalloe and both girls finished in the top 25 which is very good at Munster level.

The surprise of the day was the boys under 12 who took the silver team medals. Led home by Ross O'Shea in 17th position followed closely by Garry Nugent in 18th, Walter Mansfield in 23rd and Eoin Murphy in 33rd. We wish these boys the best of luck in the All Irelands in Belfast on November 23 and hopefully they will put in the effort at training over the next few weeks.

An excellent performance in the girls under 14 by Triona Shalloe finishing in 4th position, a year out of her age group. A returning to form Ciara Prendergast finished 19th here. Also performing well were Niamh Foley and Aisling Cleary.

In the boys under 14 James Ledingham finished a brilliant 4th. He, like Triona, was competing a year out of his age group. We look forward with interest to their participation in their own age groups on Sunday in the Friary.

In the girls under 16 Aisling Weldon ran her heart out to finish in 21st place.

Our last competitor of the day Brian Swaby ran a very credible race to finish in 18th position.

All in all a very successful day for the club.

**OPEN CROSS COUNTRY**

On Sunday we travelled to Kilmacow for an Open Cross Country fixture. Our medal winners on the day were under 8 girls Sara Kate Ledingham (6th), under 8 boys Mark Shalloe (3rd), Ferdia O hAoda (4th), under 9 boys Declan Coughlan (8th) and Ed Ledingham (9th), under 10 girls Claire Ducey (8th), under 12 boys Gary Nugent (3rd), 2nd team prize went to Gary Nugent, Ross O'Shea, Eoin Murphy and Walter Mansfield, under 14 girls Triona Shalloe (1st), under 14 boys James Ledingham (2nd), under 16 girls Aisling Weldon (2nd), under 18 girls Anne Ledingham (2nd).

Next Sunday the action switches to the Friary for the under 9, 11, 13, 15 and 17 Munster championships. Hopefully a large turn out to cheer on your athletes as they compete against the cream of Munster's juvenile athletes. It would be wonderful if we could match the

number of medals won in Rathkeale. It starts at 1 o'clock sharp and will be all over inside 2 hours.

**K.C.K. Athletic Club Notes**

There was a brilliant performance from Seamus Hannon to take his third Munster cross country title on Sunday week last at the Munster juvenile cross country championships held in Rathkeale, Co. Limerick.

The clubs under 8 girls were first into action and what a fine performance we had from those young athletes as four of the five girls that ran were under 7 and eligible again next year. The girls were led home in 37th place by Sara Fraher closely followed by Michelle O'Grady in 38th place, Niamh McGrath in 40th place, Shona Walsh in 46th place and Roisin Walsh in 53rd place. Great running from those young ladies and I am sure they will have a bright future in the sport.

In the boys under 8 we had a super run from Diarmuid Walsh to finish in fifth and collect his first Munster medal as it was medals for the first twelve athletes over the line.

In the boys under 10 we had a super performance from Seamus Hannon to take the gold medal when he led from start to finish. Seamus has now won the under 8, 9 and 10 Munster cross country titles in as many years. Seamus was well supported by Jason Fraher who had a very good run to finish in 28th place and also fine running from Patrick Kearney in 31st place.

In the girls under 12 Edel Morrissey had another brilliant run to finish in tenth place and booked her place on the Munster Under 12 team for the All Ireland cross country championships to be held in Mallusk, Belfast on Sunday, November 23. Also running very well in this age group was Lisa McCarthy who finished in 23rd place, this was Lisa's best run for a long time.

In the girls under 16, Siobhan Dunphy had another fine performance to finish in 38th place. In the girls under 18 Muriel Cummins had a fine performance to finish in 10th place and booked her place on the Munster team for the All Ireland Championships.

**DUNGARVAN BOXING NEWS**

The Munster Amateur Boxing Council have bestowed the title of Honorary Vice-President to local Peter Crotty for all the years he contributed to amateur boxing both nationally and internationally. The highlight of Peter's career in amateur boxing was at the 1952 Olympic Games in Helsinki where he represented his country to the joy of Munster.

On Sunday, November 9th there will be an amateur boxing tournament held in Kilkenny Munster v Leinster. Abbeyside local Gerry O'Mahoney is the manager of the Munster team. Anyone seeking information concerning the tournament can contact Gerry. We would like to wish Gerry and his team every success in Kilkenny.

Dungarvan Amateur Boxing Club are hoping to be back in action in the next week or two. Dates and times of training sessions are available from club members.

We would like to take this opportunity to congratulate Waterford's Neil Gough for his outstanding performance at the World Amateur Boxing Championships in Hungary recently and wish him every success in the future.

**Dungarvan Crystal Squash Notes****THE ALLROUNDER CLUB LADDER**

This tournament will be starting on Monday, November 10th so get your name in now and do not be left out. We would like to take this chance to thank Pierce Moloney of the Allrounder Sports Shop for sponsoring this tournament which will continue on until April 1998.

**T.S.B. TOURNAMENT**

The first round of this tournament started last week with Ray Moore's team against Gerry Foley's team. Ray Moore's team went through 9-0. Also Jimmy Kiely's team played Francis Power's team. The final result was 9-4 to Jimmy Kiely's team.

On Thursday night we had Dave Power's team playing Nipper Hurley's team. On paper both teams seemed very close but on court on the night things were a lot different. Ray Hales beat Rene de Fusco 3-1 in a first game. Paul Keane had a 3-1 win over Noel Drohan's at 4 and two of our new players at 5, Tom Reynolds and James Hayes played their hearts out with Tom coming through in the end 3-1.

Other teams playing were Andrew Hally's against John Reynold's. The number fours were Keith Hughes against Liam Moore with Liam coming through in the end 3-2 but only after a big hard fight. Kevin Tutty beat Vincent Tutty at two (3-1) with Andrew making it look easy at one (3-0).

**JUNIOR TOURNAMENT**

This week also saw the start of our Junior Tournament. It was great to see such a large entry for this. Results as follows -

Jason Hackett 3 Matt McCarthy 0 at two. John Dunphy played Brian Foley in a very good game but Brian won out 3-0. At three we had Nicola Kiely against W. J. Kiely here while Willie John won after a hard game 3-0. Another result to hand is Angeline Kiely 3 to Tony Keane 1.

**DUNGARVAN LADIES HOCKEY CLUB NOTES****Goal From Lorraine Hayes Gains Well Deserved Win For Dungarvan****CHURCH OF IRELAND 0 DUNGARVAN 1**

Dungarvan travelled to Cork on Saturday last to play C of I in the Munster Hockey League and came away with a well deserved 1-0 victory.

Dungarvan dominated the early exchanges. What proved to be the winning goal came after only 12 mins., an Aoife McGovern cross from the right found Lorraine Hayes at the edge of the D, Lorraine controlled the ball and drove her shot into the C of I net for a superb goal. The Waterford side were well in control during the opening half. At midfield Lorraine Hayes, Aine Cummins and Aoife McGovern demonstrated their tackling and creative abilities, denying the homeside possession and at the same time providing an ample supply of ball to the forward line of Ursula Browne, Lindsay Keane and Sharon Duggan. Sharon was causing numerous problems for the Cork side on the right wing and with a bit more luck, Dungarvan would have been further ahead at half-time.

The Decies side continued their good form in the second half. As the match progressed, C of I began to exert more pressure on the visiting defence. However try as they might, they were unable to break through the strong Dungarvan rearguard of captain Carol Tobin, Ciara O'Hehir, Michelle O'Connor and in which Eleanor Moore and in particular sweeper Louise Conroy were outstanding.

This was an excellent team performance considering Dungarvan were without a number of senior players. Special mention must be made of Michelle O'Connor making her debut for the team. Thanks to Jack for umpiring.

# Ardmore G.A.A. Club Notes

## INTERMEDIATE FOOTBALL CHAMPIONS 1972 - Ardmore 2-6 Rathgormack 2-2.

Team back row left to right as follows - Eddie Mooney, Joe Conway, Joe Callaghan, Pat Prendergast, Donal Lenane (R.I.P.) John Colbert, James O'Donnell, John Troy, Noel Conway, Mike Power, Jim Rooney, Pádraig Ó Foghlú (selector and Club Chairman). Front row left to right as follows - John Joe Carlton, John Larkin, Pat Hennessey, Declan Power, Denis Conway, Liam Lynch, John Hennessey (capt.), Richard Hennessey. Missing from photo is Matty Cronin who was centre-back on the team.

### FLAGS, CAPS AND SCARVES FOR COUNTY FINAL

This Sunday will see Ardmore appear in their second County Final of the season when the Intermediate footballers take on Dunhill at Fraher field. It is all of 25 years since we last contested the Intermediate Final with our win in 1972 while we are back from senior with 12 years, it would be a great end to the season if we could pull off the double and maybe even make it a treble with the under-21's also.

Dunhill, our opponents, are very seasoned campaigners backed by mainly well known players such as Michael White, Colm Bonnar, Willie Moore etc. who are just down from senior so their desire to return will be great. Hopefully our desire to return to senior will be equally as great and if all of our panel are prepared to play to a standstill, then hopefully we may have something to cheer about on Sunday evening.

Our supporters will, as usual, travel in numbers with their flags, caps and scarves and hopefully the players will produce a performance worthy of our fine supporters who will, I am sure, be cheering on the lads so let's hope we can give everyone something to cheer about on Sunday.

Some interesting facts about our 1972 win were that it was a very small panel of players, 20 in total who made up the squad with three selectors namely Club Chairman at the time Paddy Foley, Club Secretary Mickie O'Brien and Rev. Fr. O'Gorman C.C. who is currently in our neighbouring parish of Clashmore and is very involved there also.

The record books will show that Ardmore won the County Intermediate football title in 1972 beating Rathgormack in the final on

a 2-6 to 2-2 scoreline. The papers read -

"Ardmore therefore retired undefeated in all games during 1972 to celebrate a noteworthy victory and consider the new frontiers that lie ahead. It was a game in which they played most of the best football that was seen and all senior football followers will be pleased to welcome Ardmore back to senior ranks."

We hope next week's papers will read the same and that as in 1972 a Johnny Hennessey will return home with the Cup. In 1972 current selector Johnny Hennessey was captain while in 1997 his nephew Johnny Hennessey captains the team. Johnny's dad, Richard was also a member of the 1972 side which lined out as follows -

John Colbert, Joe Callaghan, Pat Prendergast, Mike Power, Richard Hennessey, Matty Cronin, Noel Conway, Denis Conway, John Hennessey (capt.), James O'Donnell, Joe Conway, Jim Rooney, Donal Lenane (R.I.P.), Eddie Mooney and John Joe Carlton. Subs: Pat Hennessey, Declan Power, John Troy, John Larkin, Liam Lynch.

### CLUB LOTTO

This week's draw took place at the Round Tower Hotel and the numbers drawn were 2, 4, 14. Once again punters failed to match the draw selection so next week the prize will be bigger again. As usual we had five consolation winners and they were Kitty French, Grange; Willie Ryan, Ballylanagan; Jimmy Mahony, Curragh; Emer Power, Monea and Aidan Roche, c/o Power's Shop. Our thanks to Aidan and staff at the Round Tower Hotel. Next week's draw takes place at Paddy Mac's Bar so make sure to get your tickets early as it is County Final

weekend, things could be hectic especially if we win.

### DÉISE DRAW WINNER

We had one £100 prize winner in last week's Déise Draw. The lucky winner was John Moloney so we say well done to John and the best of luck to all our supporters for the remaining draw when we hope Lady Luck will smile on us as up to now we are having a very lean year to date.

### WELL DONE, KEVIN

One should always give credit when it is due so we say well done to our Club Secretary, Kevin Gallagher for the outstanding work he has done in organising the commemoration ceremony for the Selions of the S.S. Ary who lost their lives since 50 years ago. This ceremony was performed by Fr. O'Connor on Sunday last when the newly provided headstone and plot were blessed with a large gathering present to bring a successful plea to a satisfactory conclusion.

### COUNTY UNDER-16 FOOTBALLERS GO CLOSE

On last Saturday in Limerick the County under-16 squad, trained by John Hennessey and featuring Wayne and Richie Hennessey, gave a very good account of themselves considering they were short four of their regular defenders and their goalkeeper who were out of the country on a school tour to Austria.

In their first game they lost out by one point to Cork City with excellent performances from Wayne Hennessey, Vinny Sullivan, Shane Briggs, Gary Lyons and James Cooney. It was a pity such players as Karl O'Keefe, Stephen Burns and Walter O'Grady were missing as their presence most certainly would have assured victory.

In the second game the team lost by 4 pts. to Tipperary who had a big squad present. The team played their hearts out with Martin Walsh playing well here along with the aforementioned players. In the first game they scored 2-11 to 3-9 while in the second game it was 1-11 to 2-12 with the concession of a few soft goals being their overall downfall. Overall though they gave a very good account of themselves and some of the players are certainly in the reckoning to be chosen for Munster for the Australians visit in April.

### UNDER-12 FOOTBALL

Our under-12 footballers have qualified for the semi-finals of this competition when they defeated the Nire under lights last week. We do not know our opponents yet but it could be Abbey-side, Clashmore, Brickeys or Kilrossanty so the motto must be to be prepared as all of them will be formidable opposition.

## Western Scór Notes

Scór time is upon us again and as you know this organisation has played a highly significant part in the revival of our culture and creating an understanding and interest in its importance.

Scór na nÓg will begin in West Waterford on Friday and Saturday, November 28th and 29th in Ballinroad Hall at 7.30 p.m. Clubs who intend participating should contact Moll Shields at (058) 41467.

Qualifiers from the above rounds will go forward to the Western Final which will be held on Saturday, December 13th at 7.30 p.m. in Modeligo.

## Clashmore G.A.A. Club Notes

### LOTTO

There was no winner of last week's lotto. Numbers drawn 1, 4, 21, 22. £10 to Kay Fleming, Clashmore, Breda Sisk, c/o Shirley Lombard, Vanessa Curley, Piltown, Richard Browne, Lissarda, Macroom, Kevin McGrath, Kilmaloo.

Next week's jackpot will be £600 and the draw takes place Saturday night at the Rising Sun.

### JUNIOR HURLING

Our long awaited county league final is fixed for Saturday at 2.30 p.m. in Walsh Park. Our opponents will be Portlaw. Having not played a hurling game in many weeks, we will be badly prepared for this game so a huge effort will be required on the day.

Congratulations to the Geraldines who captured the Western junior hurling championship title last Sunday. They gave an exhibition of total commitment that some of our players could learn from.

### TRIP TO ENNIS

By all accounts a great time was had by all who travelled to Ennis last weekend. We would like to thank Ryan's L&N Super Valu, Dungarvan sponsors of the weekend and the Old Ground Hotel for their hospitality.

### INTERMEDIATE FOOTBALL

Best of luck to neighbours Ardmore who play the county intermediate football final next Sunday.

### CLUB MEETING

A meeting of club officers will take place on Monday

evening next at 8.30 p.m. in the clubhouse. All officers take note.

### LADIES FOOTBALL

Our ladies followed up their victory last weekend over Ballyduff with a comprehensive win over Kilmacthomas on Sunday afternoon last. With two wins out of three games they should qualify for the play-offs.

### JUVENILE CLUB NOTES

**Under-12 Football** — Our game against St. Pat's due to be played last Sunday morning was postponed for a week and will now take place on Sunday next at 12 noon in Cappoquin. We will assemble at Piltown Cross and Clashmore village at 11 a.m.

**Schools Football** — Our schools play in the eleven a side schools county final on Saturday at the Fraher Field. Our opponents are Scoil Eamon Ris from Tramore. This is the first time that there is a schools county final so a win here would be historic. Throw in at 2 p.m.

**Sports Day With The Brickey Rangers** — Our sports day with the Brickey Rangers will take place on Sunday, November 23 in the Clashmore G.A.A. Grounds. This will consist of an under 16 hurling game, an under 13 football game and a "fathers" game. Trophies are on offer for the under 16 and under 13 games and medical attention the most likely prize for the "fathers". All proceeds from the day goes to the Piltown Church Building Fund. Full details next week.

## Shamrocks G.A.A. Club Notes

### CLUB LOTTO

In last week's draw on Saturday night, the numbers drawn were 3, 8, 19, 22. There was no jackpot winner and the following won £10 each — Mrs. Jane Murphy, Headboro, Mrs. Eileen McGrath, Youghal, Miss Sandra Giles, Tircullen, Mrs. Bidy Morrisson, Kilwatermoy, Caroline and Lynn Power, Janeville.

Next draw will take place at Shamrock Inn, Knockanore on this Saturday night when the jackpot will be £500.

### DEISE DEVELOPMENT DRAW

In last week's draw at Lawlors Hotel, Dungarvan we had one winner, popular club player Frank Roche, Knocknara, who won 2nd prize of £1,500 and we extend our congratulations to him

and look forward to many more wins for the club.

### COUNTY INTERMEDIATE HURLING FINAL

On Sunday, November 16 we will be lining out against Erin's Own at Walsh Park which promises to be a thriller. The lads are at present training hard under Eddie Cunningham and on final day they should not lack fitness. On last Sunday morning they travelled to Dunhill and played the locals in a most entertaining game. It is hoped to have another game next weekend.

### BEST WISHES

To John O'Donovan who suffered a hand injury in a recent college game in Cork and we look forward to seeing him fit to take his place at Walsh Park on Sunday week.

**MOYLE ROVERS CLONMEL**

On Saturday week we travelled to Clonmel and played five games, two football and three hurling matches. A total of 70 players took part. We won four games and lost one. They were well contested matches and it was an enjoyable day out.

**SCHOOLS SEVENS**

On Thursday week at the club grounds we had an unusual final in the mini sevens, Scoil Muire played Scoil Garbhain. The club had a total of eighteen players involved, they were:

Scoil Muire — John Kindregan, Brian Scanlon, Joey Mullin, Peter Phelan, Patrick Hurney, Mark Gor-

man, Michael Browne, Jason Fraher, Kelvin Brady, Eamon Hennessy.

Scoil Garbhain — Jason Duhig, Tiernan Murray, Mark Ferncombe, Mark Fives, John Foley.

**UNDER-17 9-A-SIDE LEAGUE**

On Sunday last we travelled to Waterford City to play Roanmore. Roanmore came out on top with the final score being Roanmore 5-12 to Abbeyside 2-1.

The team was — S. Burns, B. Hayes, J. Phelan, C. Shields, G. Hurney, S. Briggs, P. Morrissey, R. McCarthy, E. Hayes. Subs. (all used) — M. Fives, Bo Bo Byrne, D. Byrne, G. Lyons.

Our next match is against

De La Salle with our final game against Dunhill and this competition is proving very worth while for our minor mentors Joe Power, Johnny Burns and Pat Ryan.

**UNDERAGE ACTIVITIES**

Over the past season the high level of underage activity continued at pace. Aply supervised by an energetic juvenile committee, it's a subject we will return to again.

In 1997 our under 14 hurlers bridged a 25 year gap to win the county title with a fine victory over Mount Sion at Walsh Park.

25 years ago Abbeyside's under 14 hurlers defeated Roanmore in the county final at the Cappoquin venue

on Sept. 17, 1972 and we include a photo of that final side from the early seventies.

**Primary Schools G.A.A.**

**CO. FINALS AT FRAHER FIELD**

New ground will be broken on Saturday next, November 8th when the County Waterford Primary Schools' Board stage county finals for Division A and B of the primary schools leagues. It will be interesting to compare standards between east and west and it will also provide an opportunity for the people involved to get to know each other better and give an added impetus to the promotion of our national games in primary schools all over the county. It is likely that many of the young players competing on Saturday will be selected on the county team for the Primary Game to be played before our Senior Inter County games next Spring and Summer.

Division A - Déise Development Draw Shield  
**3 P.M. SCOIL MUIRE, ABBEYSIDE v SCOIL DEAGLÁN WATERFORD CITY**

There is no yardstick or tradition by which we can compare the ability of the teams but we can be assured that the young footballers will give 100% effort in the pursuit of success.

Abbeyside: Brian Scanlon, John Kindregan, Seamus Shields, Ronan Fleming, Patrick Lynch (capt.), Joey Mullen, Peter Phelan, Patrick Hurney, Mark Gorman, William Morrissey, Stephen Drummey, Michael Browne, Eamonn Hennessy. These schools will play eleven a side on a shortened pitch. Both teams played impressive football right through to their divisional finals and should serve up exciting football to entertain parents and any other on-lookers present. It is important that we encourage these young pupils for their efforts on the playing field.

**PROGRAMME**

There will be a programme available on the day and our cisteoir Br. Anselm informs me that there will be a charge of £1 at the gate.

**Senior Football Shield Final**

**SAVIOURS BEST IN THRILLER**

**St. Saviours 1-10 Kill 0-11**

The drawn match on the previous Saturday was described as being probably the best football game played in the county this year. According to a report of the replay, the high standard of football was maintained and another thriller was enjoyed by a fair-sized crowd at Dunhill on Saturday last.

A 14th min. goal for St. Saviours by Gary McCormack helped the city team to stay close to Kill at the halfway stage when the score stood at 0-6 to 1-1. Immediately after the restart, points by Corcoran and Wyse brought Saviours more into the game and at the start of the final quarter, it was 1-6 to 0-8 in favour of the eventual winners. Three points from frees by Tony Corcoran and two from the boot of Ray Hennessey had the teams level with time running out before substitute Albert Healy for Saviours kicked over the winning point.

The Shield, for the first year of this competition confined to teams defeated in the first round of the championships, was presented by County Secretary, Seamus Grant.

A feature of this final was that both Tony Corcoran and Ray Hennessey each scored 6 pts.

## Junior Football Championship Final

# Ballyduff Defeat Kilrossanty In Tight Game

BALLYDUFF 1-8 KILROSSANTY 0-9

Ballyduff (above) winners of the Lawlor's Hotel western Junior Football Championship. They beat Kilrossanty (below) 1-8 to 0-9 in the final. —(Photos: Sean Byrne).

They were level on six occasions and there was never more than a point or two separating them in both halves and this aspect of the game, perhaps more than the standard of football, made it enjoyable and exciting for the crowd of around one thousand who watched the final and which ended with light beginning to fade.

There was no period in the match in which one side dominated and when the scoring difference at halfway was just a point, it gave a fair indication of how evenly matched the sides were. In fact coming close to the finish, a draw looked to be on the cards and board officers present were thinking in terms of a possible replay in two weeks time.

However when Kilrossanty got a point through their top scorer, Tom Kiely to level the game in the 48th min., Ballyduff showed great strength of character and fought back for the scores that won them the title and the right to meet St. Mollers in the County Final in two or three weeks time.

## PLAY

John Twomey who was to become Ballyduff's top scorer, had a first minute point and Thomas Kiely, who was to be Kilrossanty's

leading marksman had an equaliser in the 5th. Two further points by Kiely, one from a free and a splendid one from play, gave the Comeragh side a 2 pts. lead in the 10th min. John Twomey and Brendan Hannon brought Ballyduff level by the 15th min. and then the challengers went one up when Twomey had a classy score from play. There followed a super save by Kevin McNamara in the Ballyduff goal before Thomas Kiely shot over the equalising point in the 20th min. Tony Scanlon and Kieran O'Connor swapped points before midfielder Ger Houlihan kicked over the score which gave Kilrossanty a one point lead 0-6 to 0-5 at half-time.

## NO MISTAKE

An early second half penalty after a foul on John Twomey saw the same player make no mistake to give Ballyduff a 2 pts. lead which was wiped out within minutes when Thomas Kiely and Kevin Lonergan both pointed from play. Michael Molumphy and Thomas Kiely exchanged points to leave the score level again. Kiely's score was to be his side's final point while Ballyduff, showing tremendous commitment, came back with points by Michael Molumphy

and Brendan Hannon to seal the result which gave Ballyduff, one of our most traditional hurling clubs, their first junior football divisional title in 33 years.

## PRESENTATION

Again there were scenes of great excitement among the very large Ballyduff following when Western Board Chairman, Paddy Walsh presented the trophy to Ballyduff team captain Michael Molumphy.

Having thanked all the board's sponsors, the Chairman paid special tribute to Comeragh Oil pro. P. S. O Riain who sponsored the Junior Hurling Championship and Lawlors Hotel (Michael and Mary Burke - sponsors) of the Junior Football Championship. He said that Ballyduff and Kilrossanty were very worthy contenders in a splendid final. Michael Molumphy suitably replied on behalf of Ballyduff.

**Ballyduff:** K. McNamara, K. Geary, M. Drislane, D. Hannon, P. Molumphy, T. Feeney, G. Feeney, M. Molumphy (0-2), Paudie Prendergast, S. Twomey (1-3), S. O'Neill, T. Molumphy, B. Cotter, T. Scanlon (0-1), B. Hannon (0-2).

**Kilrossanty:** I. Whelan, P. Prendergast, T. Prendergast, N. Hayes, S. Veale, T.

Behan, E. Flynn, G. Houlihan (0-1), D. Kiely, K. O'Connor (0-1), G. Walsh, P. Hayes, N. Kirwan, K. Lonergan (0-1), T. Kiely (0-6). Sub: T. Kirwan.

Referee: T. Maher (Ring).

## PROGRAMME

The Western Board are to be complimented on having produced team sheets for double header programme. The clubs too are to be complimented on having fielded as listed on the programme. It was a big help to spectators. The gate receipts were £2,500 which is almost a record for a divisional final fixture here in the west.

## Another Good Win For Waterford As They Defeat Limerick In Oireachtas

WATERFORD 1-14, LIMERICK 1-12

Following their win against Wexford on the previous Sunday, this result was good news for Waterford and while there were many pleasing features of the game, the fact that they surrendered their lead and then came back to win, must have been one of the most heartening aspects of this match, which Limerick badly needed to win to keep them in contention for the Oireachtas Cup.

The result brings us to the top of Group 'B' and this was achieved without the help of the six Ballygunner players who are being rested in preparation for their Munster Club match next Sunday and Ballyduff's Tom Feeney who was playing a major role in the junior football final with his club here on the day. Limerick were without Ciaran Carey and Gary Kirby.

## PLAY

Points from Michael White and Ken McGrath had Waterford in front within three minutes. Ger Harris and Dave Bennett had points to put them 0-4 to 0-1 ahead in the 10th minute. The teams were level at the end of the quarter when Paudge Tobin shot home a splendid goal for Limerick. Michael White and Ken McGrath added Waterford points and at halftime it was 0-8 for Waterford and 1-4 for Limerick.

With our half back line of Tony Browne, James O'Connor and Brian Greene playing brilliant hurling, Limerick were finding it very difficult to get scores. They made numerous positional changes, brought on three subs and were forced to finish the match with 14 players when Clem Smith went off injured and Limerick had used all three allowable subs.

A pointed free by Michael White was followed by a snap goal by John Joe Ronayne to put Waterford in front (1-13 to 1-10). This situation forced Limerick to keep trying for the goal that would rescue the game, but their best was a point in the dying minutes.

Waterford manager and selectors expressed themselves very pleased with the performance by what was an experimental team and it will be interesting to see how many of the newcomers will be retained when we play Cork in Cork in two weeks time.

**Scorers** — Waterford: K. McGrath 0-7, M. White 0-4, J. Ronayne 1-0, G. Harris, D. Bennett and J. Meaney 0-1 each; Limerick: A. Carmody 0-4, P. Tobin 1-0, B. Tobin 0-3, J. Moran 0-2, T. Hayes, D. Hennessy and M. Foley 0-1 each.

**Waterford** — B. Landers, O. O'Sullivan, S. Cullinane, M. O'Sullivan, T. Browne, J. O'Connor, B. Greene, G. Gater, J. J. Ronayne, D. Shanahan, G. Harris, K. McGrath, N. White, S. Daly, D. Bennett. Subs., R. McGrath for G. Gater, B. Hanley for D. Bennett, J. Meaney for R. McGrath.

## Ardmore Team Of 1972

Ardmore's involvement in the County Intermediate Football Final will bring back many memories of that great team of players who won the 1972 county title when they defeated Rathgormack in one of the best finals in this grade since the championship was inaugurated.

The team who lined out for the final was John Colbert (who became the regular county goalkeeper for years afterwards), Joe Callaghan,

Pat Prendergast, Mike Power, Richie Hennessey, Matty Cronin, Noel Conway, Denis Conway, John Hennessey (who was later to win a Railway Cup medal with Munster) he was the captain in that year, Jamesie O'Donnell, Joe Conway (later to become coach and manager of the county football team), Jim Rooney, Donal Lenane (R.I.P.), Eddie Mooney, John Joe Carlton.

With almost the same group of players, Ardmore

won the Senior Football Championship in 1977. At that time the club selectors were Rev. Fr. O'Gorman C.C. (now P.P. in Clashmore), the well remembered Mikey O'Brien - a man of happy memories in Ardmore and Paddy Foley. Incidentally Mikey O'Brien and Paddy Foley were secretary and chairman respectively at the time. Paddy is still very actively involved at underage level.

## NEXT WEEKEND

# Ardmore Take On Dunhill In Intermediate Football Co. Final At Fraher Field

## Senior Hurlers Play Opening Game In County League

The very attractive double header will bring a large gathering of football supporters to Fraher Field on Sunday next where the intermediate teams representing Ardmore and Dunhill playing in the county final will hold centre stage with the opening match on the programme.

Ardmore with a comparatively young team came through in the west in fine style, if a little unexpectedly.

Their match against Lismore in the divisional final was probably their best performance of the campaign, but whether or not a repeat of this will be good enough to beat the Colm Bonner led Dunhill is a question that will remain unanswered until Sunday.

The eastern champions are reported to be quite strong, having come back down from senior status only twelve months ago and made the winning of the intermediate title, their prime objective this year.

All seems to be going very well with their plans so far and they are going to be very disappointed if beaten by Ardmore here.

Both these clubs have won the senior football championship on just one occasion (Dunhill in 1975 and Ardmore in 1977) and each have declared it to be their ambition to win back their senior status as soon as possible. One or other will achieve this on Sunday.

Ardmore are likely to be represented by the team which lined out for the Western final in which they defeated Lismore by 0-12 to 1-7 in a very exciting and splendidly contested tie.

That line out will see Seamus Prendergast in goal and Pat Gallagher, Eamon Power and Maurice Hennessy in the full line of defence and behind Cillian McCarthy, Anthony Ahearne and Nicky Keating in the half back line. John Hennessy, who captains the side will be the partner of Anthony O'Sullivan in the middle of the field. Up front Kevin Lenane, Kevin Flavin, Cathal Hennessy, Eoin Flavin, Seamus Veale and John Conway will be trying and hoping to snatch the scores to win the final.

I believe that Dunhill, the more seasoned and the more experienced side, will start favourites here, but at the same time, hoping that the western champions will mount a challenge good enough to add this title to the minor county title which they captured three weeks ago.

### SENIOR HURLING: WATERFORD CRYSTAL LEAGUE

It will be interesting to see if Waterford, still without the Ballygunner players, can defeat Wexford for the third time this year. They have already beaten them in a tournament and in the Oireachtas.

This was fixed originally for New Ross, but Wexford agreed to play it in Walsh Park because of the Munster Club match. Another Waterford victory would give a great and badly needed boost to hurling in the county.

### MUNSTER CLUB: BALLYGUNNER v. SARSFIELDS

The replay of the Riverstown thriller did not go ahead at Walsh Park, as expected on Sunday last when the Munster Council agreed to a Ballygunner request for a postponement because a few of their players would not be available due to work commitments outside the country.

The match is now scheduled to be played at Walsh Park on next Sunday. Paul Flynn, who was sent off in the county final, has received a two weeks suspension and will now be available for the replay. This should be a boost to the Waterford champions and a source of worry to the Sarsfields as Flynn scored 1-9 against them in the same championship last year.

If Ballygunner win on Sunday, they will play in the semi final in Walsh Park on the following Sunday.

### UNDER 21 FOOTBALL SEMI FINAL

Kilrossanty and the Nire will meet in the Western semi final at Fraher Field on Saturday next at 2.30 p.m. With the standard in this grade being rated very good this year, this should be a cracker of a match between these two traditional football clubs.

Kilrossanty shocked Ballinacourty in the first round at Stradbally and must now be strongly fancied to go places, while the senior county champions club, the Nire, having beaten the reigning county champions Shamrocks by almost double

scores, will also fancy themselves to get to the final against Stradbally, probably on the following weekend.

### PHELAN CUP SEMI FINAL

Although standards have, for the most part, been poor, this has been a particularly busy year for football, chiefly because of the very successful club leagues. The increased activity has aroused a lot of additional interest in the game and the interest seems to have rubbed off and on to the Phelan Cup competition which is now placed third in importance behind the championship and leagues.

The meeting of Stradbally and Kilrossanty in the semi final here as a curtain-raiser to the county intermediate football final at Fraher Field, has sent a bit of a buzz about the place and it should produce a very entertaining contest for early arrivals at the venue.

For the losers it will mean an end to football until the club leagues resume in March and for the winners it will mean a date with the dethroned county champions, Rathgormack, who are waiting in the wings for the chance to bring a replacement trophy back to their village before the season ends.

## Congress To Be Restructured

Delegates from all counties engaged in a five-hour debate on the Restructuring of Annual Congress and the Report on Amateur Status at the Burlington Hotel, Dublin on Saturday last.

Congress in all future years will be held in Dublin and will not be moved to an outside venue unless there is a very particular reason for doing so. The meeting will take place on the weekend following Easter. The following are the main changes

County Boards must, in future, hold their annual conventions not later than December 31st.

Delegates to Congress will be selected or elected in accordance with the wishes of the Convention/County Board.

County Board may submit its own motion regardless of how many motions are submitted by clubs. If a club has a motion passed at County Convention, then that club's name will appear with the motion on the Congress Journal.

Provincial Councils may also submit one motion and the Central Council can forward three motions.

In a year following a Youth Congress, counties may have an additional youth delegate attending Congress.

In future Congress Workshops on selected topics will be held and will be attended

by selected members of county delegations. The topics will include such matters as Finance, Administration, Games Development etc. There will be a feed back to Congress on these discussions.

Central Council were given the authority to call a special Congress in a year in which the playing rules are up for discussion.

There is to be a welcome change in the voting systems at Congress and in future, the election of President and trustees will be by proportional representation instead of the present single vote system.

A motion to have a postal vote for the election of trustees was heavily beaten. Members who are nominated for a position, must declare to the Director General at least two weeks before Congress whether they are/not standing.

As a result of the decisions of that Special Congress, the Director General's annual report will have to be published and forwarded to counties earlier than usual. Provincial and Divisional Board Annual Conventions must be brought forward by a number of weeks. This will mean about a month in the case of the two divisions here in Waterford.

### AMATEUR STATUS

Following a long discussion on the Report of the Amateur Status Committee,

it was unanimously agreed that not only is the amateur status of the Association to be maintained, but there is to be absolutely no erosion of the amateur ethos of the G.A.A. Among the decisions taken were -

That no player, team official or member shall accept payment in cash or in kind in connection with the playing of Gaelic games and shall not contract themselves to any agent other than those officially approved by Central Council

Members of county team panels should receive a mileage allowance for the use of their vehicles at a pre-arranged rate of not less than 18p per mile and not more than 30p per mile. County Boards should have the right to determine the rate of mileage in the light of their financial situations. Economies to be encouraged and multiple occupancy of vehicles to be used.

Players should be allowed to endorse products, commercial appearances, video productions etc. and the fees should be divided as follows.

The player involved to receive 50%, the relative county panel finance fund 30%, job creation and/or hardships fund for current or former players, County Board 10% (all this to be undertaken in consultation with the County Board).

## County Board Meeting

The November meeting of the Senior Board will take place at Lawlors Hotel on Monday night next when the findings and recommendations of the G.A.C. who have held a number of meetings as part of their investigation into the events which led to the abandonment of the relegation match between De La Salle and St. Saviours at Walsh Park five weeks ago will be announced.

# Geraldines Take Western Junior Hurling Title

## KILGOBINET LOSE OUT IN SPLENDID CONTEST

GERALDINES 2-10 KILGOBINET 1-9

It was a sporting contest from start to finish, but as a game it was a blistering contest with every single player in the game, giving of his best in a divisional final which remained in the balance all the way, almost to the final whistle when just four points separated the victors and the vanquished.

It was however another hour of glory for the Aghlishmen and yet another time of disappointment for the unlucky Kilgobinet who must

not have been well treated by Lady Luck in recent years.

There were times during the game when the challengers looked as if they might catch the Geraldines, who led all the way after the 10th minute, but there was an obvious lack of ability to penetrate the very resolute Geraldines defence. There was the hard luck moments when they hit the upright and when Alan Ronayne effected some extraordinary

saves, but the biggest problem of all as far as they were concerned, was that the winners were the better team and deserved their very hard earned victory.

The Geraldines will now make yet another attempt to win the county title when they take on Ballyduff east at Walsh Park in two weeks time.

### PLAY

Kilgobinet fielded as selected and Geraldines showed just one change, with Sean Osborne coming on for Mikie Wade at left half back.

The game was in its second minute when Michael Murray, following a short run, shot an early goal to boost the confidence of the Geraldines. Undaunted by this set back, Kilgobinet, playing into the road goal, hit back for three points without reply. Michael Flynn opened for them with a 3rd minute point and then Kevin Walshe pointed a free before Alan Fitzgerald sent over to leave the sides level at 0-3 to 1-0 in the 10th minute. Then followed a period of supremacy for the Geraldines when they pointed three times without reply. Michael Murray had a point in the 12th minute, Noel Downing and Paul Connery followed with points from play to give their side a three points advantage at the end of the first quarter.

Donnacha Tobin and Kevin Walsh exchanged points, but this was followed by yet another three-in-a-row by Geraldines who had points per Donnacha Tobin, Michael Murray and Pat Donovan. Alan Fitzgerald for Kilgobinet and Brian Connery for Geraldines exchanged scores to leave the half time tally at 1-8 to 0-5 in favour of Geraldines.

### SECOND HALF

There were some early signs of a Kilgobinet resurgence at the start of this half when an attack saw Geraldines keeper, Alan Ronayne, effect a great save to deny the challengers what looked like being a certain goal. Kilgobinet were back again and this time Kevin Walsh had a point to reduce the leeway. Pat O'Donovan had a Geraldines point, but once again Kilgobinet mounted an attack and after a 'schemozzle' in the Geraldine's goalmouth, the ball was cleared and another attack came to nothing. A

close in free was awarded to Kilgobinet, Kevin Walsh hit for a goal, but the ball shot over the bar.

It was now 1-9 to 0-7 and 47 minutes had been played. One minute later disaster hit Kilgobinet when Geraldines top scorer Michael Murray broke through for his second goal which left them 8 points ahead and only 12 minutes remaining.

A Michael Flynn point in the 55th minute was made useless by a similar score from the stick of the accurate Murray. That was to be Geraldines final score of the game, but it was more than enough to see them safely through to the county final, as despite a final all out effort, Kilgobinet could not score enough to close the gap in time.

A splendid Kevin Walsh goal in the 57th minute was followed by a point which he sent over in the 59th minute to bring their final tally to within 4 points of Geraldines total.

### PRESENTATION

After the final, the Western Board Chairman, Paddy Walsh, presented the cup to Geraldines team captain, Tholm Keane, amid scenes of great excitement and jubilation. Having thanked everyone associated with the club's victory, he paid tribute to Kilgobinet and wished them well in their future efforts to win this title.

Following the game, it was nice to see the entire Geraldines team shake hands with one of the club's former greats, Bobo Scanlon, who though incapacitated never fails to follow them in support.

## PRIMARY SCHOOL PROSPECTS

**GALA HURLING DAY AT DUNGARVAN G.A.A. GROUNDS** — Wexford hurler Rod Guiney, coaching a group of u-13 hurlers at the recent hurling day, under the guidance of the Coaching & Development Committee.

**BALLINAMEELA N.S. - Declan Ahearn, 10 years old, Rang 5** — Declan is a really excellent little hurler and is very fast. At last Friday week's coaching visit, he really impressed at every skill we did and he is very well co-ordinated. Mr. Michael Culloo (Principal) and his all-lady staff had everything spot on for the visit. Underage hurling is very strong in the combined parishes and Tom Scanlon and many others are doing trojan work. Declan has the ability to go a long way and his favourite hurler is D.J. Carey.

**LISMORE C.B.S. - Christopher Cashel, 8 years old, Rang 4** — Christopher has made great progress in the last year and could make a useful hurler in the future. He lives at Bankfield, Lismore and he gets great encouragement from home and from his teachers in school. He has good basic skill and is a good striker of the ball. His favourite hurlers are D.J. Carey and Dave Bennett.

### DARK EVENINGS

Now that winter is upon us, many clubs will be moving indoors for indoor hurling. Now is the time to check out the local hall and arrange indoor sessions. The tournaments last winter were a huge success. If you need help to organise anything or need advice, any of the Coaching and Games Development Committee (Pat Moore, McDara McDonagh or Peter Power) will only be delighted to help out.

### CROKE PARK

Eighty five full-time coaches attended an In Service Day at Croke Park on Friday last. These get-togethers are a great help to us all as new ideas are always coming through. These sessions are organised by Director of Coaching and Development, our own Pat Daly. We also had another eminent Decie man John Treacy, Chairman of Irish Sports Council who addressed us.

### NEXT WEEK'S COACHING DATES

Monday, November 10th - Ring N.S.

Tuesday, November 11th - Ballymacarby.

Wednesday, November 12th - Stradbally Boys/ Church of Ireland.

Thursday, Nov. 13th - Ballinameela/Cappoquin Boys.

Friday, November 14th - Clashmore/Villierstown.

### NATIONAL FOOTBALL LEAGUE

## Waterford Push Cork All The Way At Pairc Uí Rinn

CORK 0-14, WATERFORD 1-7

Someone in the crowd at Fraher field on Sunday, after the result of this second round league match was announced, said that running Cork to 4 points was a better result than a win over most of the counties which we have been playing in Div. 4 for the past number of years.

That is a very philosophical view of a situation when we were playing in a game that we knew we were not going to win.

But by all accounts it was a splendid display by Waterford, a great effort against all the odds and a result that must go a long way towards helping their confidence. It was the second occasion this year in which Cork failed to score a goal against Waterford. It happened again in the McGrath Cup, also in Pairc Uí Rinn, earlier this year.

Waterford went all out from the start and obviously adopted a policy of not allowing Cork the freedom that they had hoped for in order to improve their scoring ability.

Stephen Cunningham, scoring a superb first point for Waterford and his teammate Nial Curran getting another, brought us into the game at an early stage. The same two players, following splendid play by wing back

Matty Kiely, had further points to bring us to within a couple of scores of Cork, 0-6 to 0-4.

Cork did everything to step up their momentum in the second half and by the three-quarter stage were ahead by 0-13 to 0-5. In the 50th minute Waterford made a double substitution, bringing on Colin Keane and Frannie Halpin, both of whom combined with midfielder Mark Radley to get the only goal of the game in the 51st minute.

Only three points separated the teams with time running out before Cork's Joe Kavanagh scored the final point to give the home team a 4 points victory.

**Scorers** — Cork: J. McCarthy 0-4, J. Kavanagh 0-4, B. Walsh 0-2, N. Murphy 0-2, M. Cronin 0-1, M. O'Sullivan 0-1; Waterford: M. Radley 1-0, S. Cunningham 0-3, M. Power 0-2, N. Curran 0-2.

**Waterford** — T. Brennan, O. Costello, G. Walsh, A. Hubbard, M. Byrne, N. Geary, M. Kiely, D. MacMahon, M. Radley, L. Daniels, R. Power, K. Whelan, N. Curran, M. Power, S. Cunningham. **Subs.**, C. Keane for D. MacMahon and F. Halpin for K. Whelan.

**Referee:** M. O'Sullivan (Kerry).
