## Stafford Miller Creates Another 180 New Jobs In Dungarvan

A major jobs boost for Dungarvan was dramatically announced last Friday when An Tanaiste Mary Harney paid a personal visit to the town where she revealed that 180 new jobs are to be created in a £15 million IDA backed expansion of Stafford Miller (Irl.).

The "Leader" exclusively broke the story at the start of May when we reported that the project was then on the Minister for Enterprise and Employment's desk awaiting ratification by the cabinet. Senior Department officials however remained tight lipped on the expansion until its official announcement last week.

The £15 million proposal

agreed with the IDA will see a major expansion and upgrade of Stafford Miller's manufacturing facility bringing total employment at the local plant to 430 people within a three year period. Recruitment of the first 100 people will take place over the next 12 months and approximately half of the jobs will be for operatives on the manufac-

turing side. Stafford Miller will also be looking for a number of skilled production people and graduates with administrative, technical and management qualifications.

Arriving at the plant on Friday, Minister Harney was accompanied by Kieran McGowan, Chief Executive IDA Ireland and other IDA officials including

The party was greeted by Stafford Miller General Manager Michael Leo who announced that in honour of the occasion, the company will make a donation of £10,000 to St. Joseph's Hospital, Dungarvan to finance four orthopaedic beds

## Freak Winds Destroy Mobile Homes At Ballinclamper Beach

Two mobile homes parked at Ballinclamper, Clonea were destroyed by freak winds in the early hours of Monday morning.

The high winds left a third unoccupied mobile home untouched at the beach as they ripped through two private caravans just after 3 a.m. with destructive force. Nine people who were holidaying in the two mobile homes were taken to hospital suffering minor cuts and bruises. They were extremely lucky to escape with their lives as the mobile homes were reduced to rubble while a 1998 Primera car owned by one of the families involved was also totally destroyed.

All nine people, including 5 children ranging in age from six to 17, have since been discharged from hospital. The O'Dwyer and

small caravan park owned by their uncle Paddy Daly just 4 miles outside Dungarvan. Mr. and Mrs. Seamus Quirke and Mr. and Mrs. Tim O'Dwyer and five children are regular

visitors to the area and use the caravan park at Ballinclamper on each annual visit.

During Monday morning's sudden gales, small trees

## Lightning Storm Plays Havoc With County ESB Network

The sudden and unpredicted lightning storm last Friday evening caused considerable damage around the county. During the heavy thunder and lightning storm, the ESB transmission station at Shandon, Dungarvan was struck by lightning and 12 transformers and 3 high tension wires were destroyed.

The supply in the town itself was interrupted for a five minute period on Friday evening affecting 3,000 customers, while elsewhere around the county many households were without electricity until last Monday. ESB workers worked around the clock to replace fallen poles and damaged transformers.

Camphire, Cappoquin, Garranurton, Kilmacthomas, Tinniscart, Aglish and parts of Ballinamult were the most badly hit areas with only some localised damage around Dungarvan including the high winds on Sunday at Clonea which took down the ESB network and destroyed two mobile homes at Ballinclamper.

## Know Your Rights

### Question:

I live with my sister in what was our family home. The house is in my name, valued at £80,000. We are both retired, single and we have a small amount of savings. I have willed the house to my sister. If I die before her will she have to pay Probate Tax, or Capital Acquisitions Tax?

### Answer:

Yes, she will have to pay both. If your estate amounts to more than £10,820 (it does), your sister will be liable to Probate Tax. Assets which do not pass under a deceased's will or intestacy are excluded from the Probate Tax. So, if you were to put the house in your joint names, and your savings in a joint account (unless they are willed to someone else), she would be exempt from Probate Tax.

Capital Acquisitions Tax (CAT) comprises two related taxes namely (1) Gift Tax (2) Inheritance Tax. The rules for calculating the taxes are essentially the same (1) Gift Tax

Is payable on certain gifts made during the lifetime of the donor (the person making the gift). The person making the gift is called the donor or disponent.

### (2) Inheritance Tax

Is payable on certain gifts referred to as inheritances received after death by the done generally by way of a will. The tax like gift tax is payable by the person receiving the inheritance.

CAT is a self-assessment tax, and obliges the person receiving benefit to make a return to the Revenue Commissioners and to pay the tax.

You do not escape the tax by not making a return. There are stiff penalties for failing to do so and the Revenue Commissioners can make an assessment in the absence of a return being submitted by the tax payer. The difference between Gift Tax and Inheritance Tax is that Gift Tax is 75% of the Inheritance Tax payable. How the taxes arise.

Tax is payable if the gifts or inheritances exceed certain totals called thresholds. These thresholds can be reached either by a single gift or inheritance or by a collection of a number of gifts or inheritances over a period of years. There are different thresholds depending on the relationship between the person receiving the gift and the person making the gift.

So putting the house in your joint names will make your sister liable to Gift Tax now. She would be obliged to make a return within four months of the date of benefit. If you put the house in your joint names you are giving your sister half the value of the house i.e. £40,000. The first £500 of a gift received in a tax year is exempt from Gift Tax. Also there is a "threshold" below which you do not pay Capital Acquisitions Tax, depending on your relationship with the person - for brothers, sisters, nephews, nieces of the giver this is £25,120. Presuming she had received no other gifts, her tax liability would be on £39,500.

First £25,120 (Class B Threshold)	=	£nil
next £10,000 @ 20%	=	£2,000
balance £4,380 @ 30%	=	£1,314
	=	£3,314
Gift Tax is 75% of £3,314	=	£2,485

If you put the house in your joint names then if your sister predeceases you, you may be liable for Inheritance Tax on half the valuation of the house as above, i.e. her half, and vice versa. However, where a brother or sister is aged 55 or over and has lived in the house for at least five years with the brother/sister from whom they have inherited the home the market value of the house may be reduced by 80% or £150,000 whichever is the lesser.

(In the 1998 Budget, relief for elderly brothers/sisters inheriting increased from 60% of value of the family home (or £80,000) to 80% (or £150,000, whichever is the lesser) from 3rd Dec. 1997).

If you did not put the house in joint names, and you did predecease her, the position would be as follows. She would only be due to pay inheritance tax on £80,000 - 80% = £16,000, which is below the threshold for Class B, so no tax would be due. However she would be due to pay Probate Tax of 2%, as the house would have to pass to your sister under a will. This would amount to £1,600.

In this type of situation, it is often worth taking financial advice before making a decision.

## TERMS OF EMPLOYMENT

# Employers Do You Know Your Rights & Obligations?

Waterford In Business, the County Waterford business support company supported by the INTERREG II programme and hosted by Waterford Leader Partnership Ltd., successfully hosted an information evening in Dungarvan, Co. Waterford on May 7. The focal point of the business evening was a discussion on Terms of Employment and local businesses were invited to attend and participate.

The key speaker was Mr. John Barry of MSS (Management Support Services Ltd.) who specialises in the area of employers rights and obligations with regard to their employees. The event was organised with the help of I.S.M.E., the Irish Small and Medium Enterprises Association.

Among the many topics discussed, Mr. Barry warned of complacency amongst employers on company policy in relation to issues such as paid sick leave and terminations of contracts. How many small companies know their rights and/or obligations when it

comes terminating an employee's employment and the strict procedures to which they must adhere to make it a "fair" dismissal?

Nearly twenty Co. Waterford businesses were in attendance and all felt that the issues discussed were

highly significant to them and that the points raised during the evening certainly do need to be borne in mind for the future. This is an area that is relevant to everyone in business with employees, be they small or large in size.

## PRIMARY SCHOOLS OPPORTUNITY TO WIN GRANTS

### £1,000 Grants On Offer

Primary schools all over Ireland have an opportunity to win funding for computer hardware, software or services thanks to a programme being introduced by EDS, one of the world's most successful IT companies.

EDS is offering Irish primary schools the opportunity to win a grant of £1,000 towards the provision of new technology. There are a number of grants on offer for Irish schools in the scheme which is being introduced in Ireland for the first time this year. Previously EDS has run similar schemes in Europe and the US.

To be in with a chance of winning one of the grants schools are simply being asked how they would put the grant to best use in utilising technology in their

school.

The grants must be used to pay for technology products, training and services not supplied to the teacher by the school or the Department of Education and Science. Examples of qualifying grant items include computer software and hardware, multi-media equipment such as cameras, CD-ROM libraries, scanners, modems, wiring, on-line time to technical training for teachers.

Grant applications must be submitted by 1 July 1998 and grants will be awarded to the winning applicants in time for the return to school in September.

Interested schools can obtain entry forms by writing to the EDS Technology Grant Scheme, Wilson Hartnell PR Ltd., 14 Leeson Park, Dublin 6.

## MONEY MATTERS

### DEBT MANAGEMENT

At some stage in their lives, many people need to avail of credit facilities.

There are many types of credit available and most are very easy to use. Credit cards, personal loans, overdrafts, hire purchase and other types of credit can usually be availed of by simply filling in a form or even by making a telephone call.

Using credit is fine, but if credit turns into debt then it can cause all sorts of problems and anxieties. Debts can build up for a variety of reasons including changing home, marriage breakdown and job loss or indeed a lack of knowledge of money management.

Our advice is

- Think carefully before entering into any credit agreement.
- Check the total cost of the goods to you. Shop around for the best credit deal.
- Ask about the APR. (This is the Annual Percentage Rate which every lender is obliged to disclose and shows you the true cost of credit.)
- Read all documents carefully.
- Keep all documents and always get a receipt for repayments made.
- Do not take on too much - interest rates may increase.
- Try saving the amount you would be repaying for a while beforehand. If you cannot afford this then you cannot afford the credit.

# SmithKline Beecham Dungarvan Supports Chernobyl Aid Ireland

On May 1st last an aid convoy left Waterford with a 50 person team for Chernobyl Aid Ireland Limited (CAIL) with a mission to carry out a major refurbishment project in Grozova orphanage near Stutsk in Belarus. The team is largely made up of both ESB and FAS staff volunteers who will give their time and expertise freely to carry out this very necessary work.

In January of this year a work scoping group from Ireland from CAIL including FAS and ESB personnel visited the orphanage to carry out a detailed survey for the work to be carried out in May. Grozova orphanage has not previously received any aid and has approximately 170 children living in very poor and freezing facilities.

## British Golf Journalists Enjoy Local Golf Facilities

The sunny South East lived up to its reputation when two groups of British golf journalists visited the region recently.

The first group consisting of 6 journalists from the North Midlands of England played at the three courses in West Waterford - Dungarvan, West

Waterford and the Gold Coast golf clubs during which one journalist commented that "it was more like the Bahamas than Ireland".

On the Saturday visit to the Gold Coast Golf & Country club, the group were met by Donal Connolly, County Manager who played with them.

The visit of these journalists is part of the campaign by South East Tourism to promote the golf product of the region to British golfers in furtherance of the fact that the South East region of Ireland is now the most popular destination for British golfers.

## Cumann Fianna Fáil An t-Sean Phobail

Following representations made by him last year, Seamus Ó Domhnaill, Cathaoirleach Fianna Fáil an t-Sean Phobail has been informed by Mr. Brendan Kenneally, T.D., that Roinn na Gaeltachta is to make £20,000 available towards road improvements in the Gaeltacht area. Roads in Barra na Stuaic, Na Geataf, Baile na Móna, Móin na Méan agus Cnocán an Pharraigh sa Rinn, will benefit.

Dea-scéal eile is the announcement that the Údarás factory sa Sean Phobail is to re-open in the near future. The new industry will produce wood products employing nine people initially, eventually rising to over twenty.

Seamus Ó Domhnaill also states that it is his intention to apply to Roinn na Gaeltachta for funding towards essential repairs to breaches of the Cunnigar. Remedial work is urgently required in this area.

# The Doctor Who Loved To Care For

**THE famous children's organisation Barnardos was founded by Dr Thomas John Barnardo who came to London from Dublin in 1866 to study medicine.**

Dr Barnardo was a devout Christian and during his spare time he used to teach children from London's poor families in Sunday schools.

He discovered there were thousands of homeless children roaming the streets of London - and this led him to start his

## Homeless Children

famous orphanages which were originally known as Dr Barnardo's Homes.

It is estimated that, during his lifetime, Dr Barnardo took in more than 60,000 homeless and destitute children, caring for them in his homes.

Thomas Barnardo died in 1903 but the work that he started continues to the present day.

He was so highly thought of in the East

End of London that, on the day of his funeral, crowds lined the streets to pay their last respects.

An eyewitness described the turn-out of people as so massive that the event resembled the state funeral of a king.

The Barnardo organisation has always led the way in caring for unwanted and homeless children and teenagers and today it continues to provide love and

care - mostly for severely disabled youngsters.

The organisation started because one night a homeless youngster called Jim Jarvis wanted to stay the night in the school where Dr Barnardo was teaching because it was warm.

At first Barnardo refused to believe the child was homeless - and so the boy took him to the docklands and showed him where hundreds of homeless children were sleeping rough. That led the Doctor to embark on his great life's work.

## Local Arrangements Well In Place For Tour De France

At the end of last year a committee was set up under the chairmanship of UDC Cathairleach Austin Flynn to prepare for the arrival of the Tour de France in Dungarvan and the county on Monday July 13th.

The main aim of the committee is to provide a series of events for the local community and visitors over the Tour weekend and to maximise the opportunity to promote Dungarvan to a world wide television audience.

The committee is representative of both the County and Urban Councils, the Arts Office, Gardai, Civil Defence, local Chamber of Commerce, Dungarvan Tourism, Waterford Tourism, SERTO, Feile na nDeise and the Dungarvan Credit Union Cycling Club.

### ROAD CLOSURES & TIMES

As many drivers are now aware, provision has been made for the closure of the main Waterford/Cork road (N25) from 8.30 a.m. to 5 p.m. on the day of the Tour although it is expected that the road will actually be closed in Dungarvan and the immediate area from 10 a.m. to 2 p.m. approximately. This will be very strictly enforced with an embargo on all but the most essential emergency service vehicles.

The publicity cavalcade, central to the entertainment of the Tour itself, will begin to pass at around 11.30 a.m. and will continue for over an hour.

The journalists covering the Tour, numbering about 500, will then pass through the town at around mid day where they will stop for a light lunch. The location for the media stop has been provisionally agreed as Dungarvan Sports Centre. Sponsorship for the event has been arranged from the Avonmore Waterford Group, Bord Iascaigh Mhara and An Bord Bia.

The race proper with 21 teams comprising about 200 riders will pass through the town at approx. 12.55 p.m.

The entire Tour will pass through the length of the town, from Coolagh Road, through Grattan Square, up Mary Street to the roundabout at Stafford Miller and on to Youghal and Cork.

### ENTERTAINMENT PROGRAMME

An entertainment programme was originally drawn up for July 13th, the day of the event but has since been extended to cover Saturday and Sunday 11/12th as well.

The main activity will be centred around a stage in Grattan Square with public entertainment in the town on Friday night. The committee are also encouraging local businesses to provide entertainment in their own premises for much of the weekend. On the day of the Tour, entertainment will be suspended at 11.30 a.m. at which time the stage will be converted to a reviewing platform which will include

the members of the Council and other representatives of the town. Public entertainment will commence when the race has passed.

### LIVE TV COVERAGE

The sub committee dealing with communications have ensured that appropriate welcome signs have been erected on all the main entrance routes to the town. A large sign to be seen from the air is also planned for the day of the race.

Visiting international journalists have been hosted and briefed through the various tourism bodies operating in the county while contact has been made with Eurosport to try to have live tv coverage of the event commenced before the race arrives in Dungarvan.

All businesses along the route will be requested to make a special effort to present their premises in the best possible way and that bunting and flags etc., will be flown.

A regional brochure for the event which includes Dungarvan is in preparation. The Chamber of Commerce, together with the Tourism bodies are advising local businesses of the unique commercial opportunities which will be available and how best to capitalise on them.

### HUGE CROWDS EXPECTED

Arrangements for the necessary road closures are almost complete. Plans are ongoing to manage the huge

crowds of people who are expected in the town on the day of the event. While the crowd will be greatly influenced by the weather, it is expected that anything from 15,000 to 40,000 people might converge on the town and immediate area for the race. This would generate between 8,000 and 20,000 cars. Gardai are making arrangements for special car parks for the day and metal barriers, cones and rope barriers will be provided where necessary.

Town Clerk Ray Moloney who is secretary of the organising committee stated; "I am confident that the preparations which have been made so far and which are ongoing, together with the liaison which is being maintained with the statutory and voluntary bodies, that the town will be ready for the Tour de France and that the maximum advantage will be gained from this unique event".

UDC Chairman Austin Flynn said he is amazed at the amount of work carried out by the various sub committees and said the town will be literally closed down on the day of the Tour, July 13th.

Likewise, Cllr. Nuala Ryan who has met with visiting groups of international journalists in her capacity as director of SERTO, said people don't realise what's involved in planning such a major sporting event or how big the Tour will be.

## Over 320 Waterford People Take Part In Nationwide Survey

A postal questionnaire has been sent to 321 people throughout Co. Waterford seeking information on a range of key lifestyle factors including exercise patterns and frequency, smoking habits, alcohol consumption, use of other substances, history of accidents and a comprehensive profile of nutrition habits etc.

The individuals surveyed will also be asked about their general physical and mental health, regularity of visits to the GP and very importantly, they will also be asked to detail any obstacles they perceive which may hinder them from exercising more or eating healthily.

The 321 people from the county invited to participate in the nationwide survey, all aged over 18, have been randomly selected from the electoral register.

Every individual returning a questionnaire will have their name entered into both a regional and national draw for a weekend away.

Nearly 50% of all deaths in people over 14 years in the South Eastern Health Board region are due to heart disease. Deaths due to diseases of the circulatory system for young to middle aged people (i.e. 15-64) are lower in the South East for males compared to the national average, but are higher than the national average in females. The same is true of cancer deaths. The death rate in the region from injuries and poisonings is higher than the national average. Approximately one out of five hospital admissions in people between 14 and 35 years in the South East, and two thirds of all death in this age group, are due to injuries and poisonings, with two out of five of these deaths due to motor vehicle accidents.

Dungarvan students are leading the way in marketing! The Marketing Institute is very impressed with the initiative and enthusiasm of students in Árd Scoil na nDéise in Dungarvan in adopting its 'Step Into Marketing' programme. The programme was run for the first time this year and Árd Scoil na nDéise was one of just thirteen schools in the country to adopt it! Twenty-four students from the school received their certificates in the school on May 28 at 7 p.m. The programme was sponsored by Ryan's Super Valu, Dungarvan.

'Step Into Marketing' is a nationwide self-directed learning programme devised by the Marketing Institute for Transition Year students and is implemented in association with County Enterprise Boards. Twenty schools nationwide will run the programme in the 1998/99 academic year.

On successful completion of the programme, students receive a Step Into Marketing certificate from The Marketing Institute.

## Welcome For Dept. Of Marine Promise To Get Tough On Foreign Trawlers

A Waterford Co. Councillor has welcomed indications from the Dept. of the Marine that a new drive would be made to revoke the fishing licences of foreign trawlers which fish illegally in Irish waters.

Cllr. Fiachra O Ceilleachair says such a move is overdue and would be of great assistance to those seeking to make a living

out of fishing along the Co. Waterford coastline.

"There have been problems down through the years on this issue. Fishermen in Helvick and Dunmore East know only too well the inconveniences being caused. Revoking the fishing licences of foreign trawlers would effectively ban them from fishing in these waters. There has

been overfishing by Spanish flagships registered in the U.K. There is a lack of a fair playing pitch and excessive quantities of fish are taken by a proportion of such boats."

"One hopes the indications are a sign of a 'get tough' policy and not just talk to calm the anger that is out there among Irish fishermen."

Pictured here are a group of junior cert. students from Meanscoil San Nioclás, an Rinn with members of the TnaG production company Telegael, from Connemara. Eoin O Riada (centre) and Beimi Ni Choisteala (right) spent a day at the school and auditioned more than 30 students for voice-overs and dubbing for cartoons and childrens programmes on TnaG. Many of them will be called on for production work during the summer months. # Dungarvan Chamber Of Commerce Notes

## NEW JOBS AT STAFFORD MILLER

The announcement last Friday by An Tánaiste and Minister for Enterprise and Employment of 180 new jobs at the Stafford Miller plant is very welcome news indeed to the town of Dungarvan. The promise of 180 new jobs will prove a tremendous boost to the local economy and will go a long way towards repairing the damage done to the area through the recent redundancies at AWG.

Congratulations are due to Mr. Michael Leo (Managing Director), his management and staff on the hard work and dedication which each has contributed to making Stafford Miller the success which it is today. On behalf of the Chamber and its members, I wish to extend to all concerned our very

best wishes and continued expansion for the future.

This latest news, welcome and all though it may be, is from the Chamber's point of view, but the beginning of a number of major job creation programmes for the town. The Advance Factory remains unoccupied and it is now nearly two years since its completion. Recent discussions we have had with the IDA would indicate that negotiations are at an advanced stage with a number of potentially interested parties and that a positive conclusion should be arrived at in the coming months.

A reasonable amount of uncertainty hangs over the fate of the AWG site which borders the town centre. Provision has been made within the town plan for a major shopping development, which, we are in-

formed, will have as its anchor tenant one of the country's main supermarket chains. However, negotiations on this development are at a very early stage and it is difficult to put a time-frame on when, or indeed what the final outcome will be.

There is also a certain amount of talk in relation to part of the AWG site remaining as an industrial unit. The possibility exists that some of the existing plant and buildings may be retained for use within any new project. Much of this discussion can be viewed as highly speculative and as such a large question mark hangs over the future of this part of the site.

Also included within the plan for this area is the prospect of developing a Business/Technology Park which it is hoped will attract businesses involved in the Tele-Communications and financial sectors — again this concept is very much in its infancy but it points the town towards the future trend in job creation. Dungarvan is very much to the forefront in technological terms when it comes to attracting this type of business, as due to the efforts of a local company, the town is fully wired with fibre-optic cable, which allows for much quicker means of communication. A certain amount of work remains to be completed prior to this system being fully operational, but on completion it will make Dungarvan highly competitive in the hi-tech

jobs market. This is more especially the case when one considers the "quality of life" available to the workers and managers of the industries. Dungarvan has all of the sporting and social amenities available in larger towns and cities without the problems normally associated with them.

The recent announcement by the County Manager that a fully serviced 14 acre site is shortly to be made available for industrial units is a further boost to the area as it provides a readymade platform for smaller companies to develop and expand their business in a friendly and welcoming location. Many smaller companies have to-date found that one of the greatest problems facing them was the shortage of suitable and affordable premises. The development of industrial units in the old "Apple Factory" premises has also helped greatly in easing this problem.

As I said previously, the creation of 180 new jobs in Stafford Miller is a marvelous boost to the town and it deserves the fullest praise of everybody in the town. However, I feel it is but the 'tip of the iceberg' in what Dungarvan can achieve over the next few years. But for this overall plan to be successful, it will require the fullest cooperation of all of the various parties involved, i.e., politicians (local and national), State and Semi-state agencies, employers, unions, the local business community, etc. Let us hope that this cooperation will be forthcoming and that each of us will be able to enjoy the benefits over the coming years.

# Remembering Other Days

Our "Remembering Other Days" series this week takes us back over forty years to the time when the Old Boro' boasted a Literary Club. Situated at Church Street, it was an all male domain and as can be seen from the "large bottles" it was fully licensed. Pictured in the group are (at back, l. to r.) Mickey Joe Lyne (brother of the legendary Kerry footballer Tadg Lyne) and Mike Sheehan, Killarney (both visitors), Michael Power, Gerry Crotty, John Phelan, Garry Morrissey. In front are Gerard Walsh, Pat Tobin, Eoin Keating and Danny Mahony and on his own at the back is Tom Sheridan.

## A Visit To My Old Home

The following is a poem written by Dan Savage (pen name Cnoc Dubh) who died recently in Dublin. Dan was originally from Strancally, Knockanore.

It lay there in the setting sun,  
I paused awhile to gaze,  
And memories enshrined therein,  
Broke through the phantom haze.  
I built in dreams the crumbled walls,  
And raised the chimney stack,  
Till warmth from the distant years,  
Came slowly flooding back.

I kindled close the ailing hearth,  
For years that dormant lay,  
And turned I, the bellows wheel,  
Now rusted in decay.  
I strode again the kitchen bare,  
Once rang with shout and joy,  
When music filled the rafters there,  
And I was just a boy.

I climbed again the creaking stair,  
But nothing seemed the same,  
I hated all the silence,  
So I called my mother's name,  
But no one's going to answer now,  
And dreams just fade and die,  
I'll take the path through brier and weed,  
And lonely bid goodbye.

## Deputy Kenneally Welcomes Funding For Gaeltacht Roads

Deputy Brendan Kenneally has been informed by Eamon O Cuiv T.D., Minister of State at the Department of Arts, Heritage, Gaeltacht and the Islands, that he has allocated £9,640 towards improvement works on Gaeltacht roads. This sum will be matched by the Local Authority, leaving almost £20,000 to be spent on roads in Ring and Old Parish.

"I welcome the Minister's announcement as it means that roads in very rural areas will be attended to, some of which are not even in County Council ownership and might otherwise be allowed to completely deteriorate," said the Waterford Deputy.

"Roads to be tackled include roads in Knockenpower, Monameen, Gates, Barnastock and Balinamona areas", said Deputy Kenneally.

## Freak Winds Destroy Mobile Homes At Ballinclamper Beach

and bushes were felled, electric wiring was torn down and vegetables in a nearby field were uprooted by the sheer ferocity of the wind. Part of one mobile home ended up in a field almost half a mile away.

It took just seconds for the caravans to be 'flattened' beyond recognition and the shocked and traumatised family members struggled to free themselves of a mound of debris. A mobile phone was used to raise the alarm and within a short time, they were immediately transported by ambulance and two private cars to Waterford Regional Hospital.

A spokesman for Dungarvan Gardaí reported that no other damage occurred in the area and the high winds which caused the damage were a freak weather incident.

One nearby resident David Walsh said he can recall the Ballinacourty area experiencing a similar type of incident about 20 years ago.

"Looking at the scene of the devastation it is miraculous that all nine members of the two families came out of it alive", he said.

Nine people had a close brush with death last Monday morning as freak winds reduced two mobile homes at Ballinclamper to rubble. (Rory Wyley)

## Stafford Miller Creates Another 180 New Jobs In Dungarvan

CONTINUED FROM FRONT PAGE

for the long term and terminally ill.

Praising the IDA for their assistance, Mr. Leo said the IDA give tremendous support to Stafford Miller. He also complimented Waterford Co. Manager Donal Connolly and Dungarvan UDC.

"When it comes to planning applications and services, they will do everything in their power to help us", he stated.

### TOWN INDEBTED TO COMPANY

In a newly expanded warehousing facility at the Youghal Road plant, Ms. Harney was greeted by a huge group of employees, together with local representatives including Mario Flavin, Dungarvan Chamber of Commerce, Donal Connolly, Waterford Co. Manager, Michael Holland, Waterford Crystal, Katherine Bulbulia (Progressive Democrats), John Walsh, Brian O'Shea T.D., and many more.

Chairman of Dungarvan UDC, Austin Flynn said the £15 million expansion of Stafford Miller is an opportunity for young local people to get secure jobs in their own town and he expressed the hope that former employees of Avonmore Waterford Group would also find work at the plant.

Dungarvan, he said, is indebted to Michael Leo and all the staff of Stafford Miller and he asked the management to convey the town's gratitude to the

Block Drug Company.

Cllr. Flynn continued that Stafford Miller is a flagship industry with an excellent product, excellent staff and excellent management.

"It's a tribute to all the workforce and management that this expansion is taking place", he added.

Reechoing the tributes to Michael Leo and the staff of Stafford Miller, Chairman of Waterford County Council, Lar Hart expressed his gratitude to the IDA for their role in encouraging and assisting the expansion.

"Since Stafford Miller arrived in Dungarvan in 1981, the company has gone from strength to strength", he declared. "They are a tremendous asset to the town and the county and have established a reputation as a good employer".

For a local company to produce oral hygiene products of the highest quality and export them to places as far flung as Australia, Japan and the Far East is a tremendous advert for the town, he felt.

Citing the many closures in Dungarvan down through the years such as Quigley Magnesite, the leather factory and the pending closure of the Avonmore Waterford plant at Shandon, Cllr. Hart estimated that between these various industries, over 1,000 jobs were provided at their peak and there are still over 1,000 people on the live register in the town.

He hoped the Tanaiste will announce a new industry for the town's vacant advance

factory in the near future.

### FUEL GROWTH OF CELTIC TIGER

An Tanaiste Mary Harney who managed to secure a half day for employees during her speech, said great credit is due to the workers and the quality of management who had brought about this expansion in the face of strong competition.

She paid tribute to Stafford Miller who had provided high quality employment to between 250 and 260 people manufacturing dental care products over the past 17 years and said it was companies like this who are helping to fuel the growth of the Celtic Tiger.

The South East, she continued, needs further job expansion and companies such as Stafford Miller act as great ambassadors for Ireland, possessing flexible, committed workers and management.

Wishing Stafford Miller every success in the future, Minister Harney said the new 180 jobs divided between operatives, production, technical and administration will provide a healthy job mix for the local economy.

She paid tribute to the IDA for their role in encouraging the expansion and revealed that the IDA helps to attract 14% of all green field projects from the US to locate in Ireland.

### SOLE WORLDWIDE SUPPLIER

Established in Dungarvan in 1981, Stafford Miller is a wholly owned subsidiary of

the US multinational Block Drug Company Inc. The plant produces denture cleansing tablets, denture fixative paste and Sensodyne toothpaste.

The expansion will establish Dungarvan as Block Drug's sole supplier worldwide of denture adhesive powders and the sole European supplier of denture cleansing tablets. In addition, Dungarvan will now produce toothpaste for Australia, Asia, and Canadian markets.

As a result of this IDA backed investment, Stafford Miller, Dungarvan will now be manufacturing Block Drug Company's major products for its most important markets which will further increase Dungarvan's competitive position within the Block Drug Group.

Block Drug/Stafford Miller is the number one manufacturer in the denture care category of cleansers and fixatives. Their toothpaste products fall under the speciality desensitising and gum care category and Stafford Miller is the leading manufacturer and marketer in the European market for these products.

As with every new investment, this expansion was won against strong competition from other locations - in this case from Block Drug Company Inc's existing operations worldwide. Stafford Miller's 17 year success story in Dungarvan helped them to win this strategic investment and is a tribute to the management and staff who have worked

together over the years to establish their operation as one of the most cost effective within the Group.

### HOPE FOR SEAGATE & ADVANCE FACTORY

Later on Friday, the Tanaiste travelled to Clonmel for a special meeting with the Clonmel Task Force where she confirmed that following 5 months of intense activity during which IDA brought 12 companies to visit Clonmel, IDA is continuing detailed discussions in relation to the acquisition of the Seagate facility.

"I am confident these discussions will reach a successful conclusion during the summer", Minister Harney predicted.

With regard to the vacant advance factory to the rear of Stafford Miller in Dungarvan, the IDA confirmed on Friday that there have been 24 visits by various companies to the building in the past 18 months. The authority is continuing to promote the facility and it is expected that a tenant for the factory will be secured by the end of this year.

The shortage in available industrial land and ready made sites around the country makes Dungarvan's case even stronger, and that together with the high profile which this region will gain over the next 3 months compliments of the Tour de France, will hopefully lead to the eventual establishment of a major industry in the town.

## Lorry Topples Into Field At Grange As Wall Collapses

A section of wall along the main Dungarvan/Cork road at Grange gave way unexpectedly last Friday causing a parked articulated lorry to topple into a nearby field.

The incident occurred shortly after 12.30 p.m., when an articulated lorry driver travelling in the direction of Youghal noticed that his brakes were not working and subsequently pulled in and parked at the side of the road at Grange.

The lorry was carrying a 20 tonne container of dried animal feed stuff.

Although the parked lorry was well away from the wall, the ground and a section of the wall suddenly collapsed and the lorry fell sideways down into a field below the road. Fortunately the driver was not inside the vehicle at the time.

Youghal Gardaí were quickly on the scene and a crane was employed to lift the huge weight of the lorry out of the field.

# RECENT DEATHS

## LATE MR. PATRICK HALLY

Profound and sincere feelings of regret were widely expressed at the news of the death of Mr. Patrick (Pad) Hally, The Bungalow, Ardfinnan, Clonmel which sad event took place at St. Joseph's Hospital, Clonmel on Friday, May 15 after an illness of some duration. The deceased, a member of an old and respected family, was part of the firm of Hally's Builders, Ardfinnan. A man who held strong republican views, he was a staunch member of the Fianna Fáil party and at the time of his passing he was president of the Ardfinnan Cumann. Over the years he was a regular attendee of Easter Commemoration ceremonies at Kilfeacle for the Sean Treacy Commemorations and this year he was not present for the Liam Lynch anniversary Mass at Newcastle because he was in hospital.

Pad was acknowledged over the years as one of nature's finest gentlemen who possessed a wonderful warm personality and made friends with ease. A caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of his courteous and easygoing nature which endeared him to all. He was a true Christian man who never sought the limelight but came forward if he could offer the hand of help. No unkind or harsh words ever passed from his lips.

Many tributes have been paid to his memory but perhaps the finest was paid to him on Saturday evening when all walks of life were represented in the large concourse of mourners who were present when his remains were removed from the mortuary at St. Joseph's Hospital, Clonmel to the Parish Church of the Holy Family, Ardfinnan where they were blessed and received. On Sunday morning the feast of St. Paschal, the 10 a.m. Mass was celebrated for the happy repose of his gentle soul. After Mass the funeral took place to the new cemetery, Ardfinnan and there on a beautiful May day as a gentle breeze blew from the east, one of the district's best loved was laid to rest.

To his wife, Bride, sister Mai and his many relatives we extend our sympathy. Craobh an tí ar lár grásta agus trócaire ar a hanam uasal.

## LATE MRS. CHRISTINA MURPHY

It is with deep and sincere regret we record the death of Mrs. Christina Murphy (nee Manning), Derrygrath, Clonmel which sad event took place at St. Theresa's Hospital, Clogheen on Monday, May 18.

The deceased was a very estimable lady of many charming traits of character. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all fortunate enough to make her acquaintance. She was a loving wife and mother and a kind and caring neighbour always ready with the hand of help and her demise has evoked feelings of sincere regret amongst her family, neighbours and her many friends. The measure of the esteem and high regard in which the deceased and her family are held was clearly indicated by the large concourse of mourners who were present when her remains were removed from the Hospital Mortuary, St. Theresa's, Clogheen to the Parish Church, Grange where they were blessed and received.

On Wednesday morning, the feast of St. Bernardine, requiem Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to the Ancient Burial Ground at Derrygrath where she was laid to rest in the family plot in the presence of another large concourse of mourners who were present to pay their final respects to a dear Christian friend whose memory they will cherish.

To her husband William, sons Patrick and David and her many relatives we extend our sympathy.

Ag Críost an síol, ag Críost an Fomhair, in iothlaine Dé go dtugtar sinn.

## LATE MISS BRIGID POWER

It is with deep and sincere regret the district learned of the death which occurred after an illness of some duration borne with true Christian fortitude at her residence of Miss Bridgid (Birdie) Power, Lackendarra Upper, Ballinamult on Sunday, May 24.

The deceased, who was in her late seventies, was a member of one of Sliabh gCua's best known and respected families, the Powers of Lackendarra, a family of five boys and four girls.

Birdie was a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease. Many years ago she left this country and went to England to take up a position as housekeeper to Rev. Fr. Nicholas McCarthy, a native of Knockavannagh, Ballymacarbry. She was with him in three different parishes. When the years caught up with Fr. McCarthy and he had to retire, he returned home to live in Abbeyside. Birdie also retired and returned home to Lackendarra. All callers to her home were always made feel truly welcome as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her easygoing nature which endeared her to all.

Many tributes have been paid to this gentle lady but perhaps the finest was paid to her on Monday evening when all walks of life were represented in the vast concourse of mourners who were present when her remains, after the rosary was recited, were removed from Kiely's Funeral Home, Dungarvan to the Parish Church of St. Mary's, Touraneena where they were blessed and received.

On Tuesday morning, the feast of St. Augustine (Apostle), requiem Mass was celebrated for the repose of her gentle soul. The celebrant was Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena assisted by Rev. Fr. Nicholas McCarthy, Retired Foreign Missions, Rev. Fr. Paul Barry C.C. Cloyne. After Mass as the north winds blew across and the rain showers threatened on a May day, a kind and gentle lady was laid to rest in the soil of Sliabh gCua. Fr. Kelleher P.P. officiated at the graveside and Fr. McCarthy recited a decade of the rosary in the presence of another large concourse of mourners who came to pay their final respects to a dear Christian friend whose memory they will cherish.

To her brothers, sisters and her many relatives we extend our sympathy. Ní bheidh a leithéid arís ann. (Undertakers - Kiely's, Dungarvan).

## STATION MASSES TO BE REVIVED

The old custom of house stations are to be revived in the parish of Fourmilewater next October. Those stations were suspended with some few years ago as the attendance of them had fallen away and the people whose turn it was to hold them were inclined to hold them in the church. Let's hope the revival will be successful.

# SUMMER CAMP

# A LIFELINE FOR PARENTS & CHILDREN

When the fifteenth annual season of Summer Camps gets underway at Dungarvan Sports Centre on Monday, June 29 next, it will signal the start of seven weeks of a fun-filled and action-packed programme which will entertain and amuse almost a thousand children who are expected to pass through the Centre this year.

For the fourth year in succession, Summer Camp is supported by main sponsors, Dungarvan Credit Union Ltd., whose contribution in the past has been a significant factor in the development and expansion of the project and all indications this year suggest

that the event will be even bigger and more extensive than ever before. Through the sponsorship of Dungarvan Credit Union Ltd., the Camp has been able to extend its catchment area to the towns and rural areas in a twenty mile radius, through a system of subsidised transport, thus ensuring the availability of the service to the greatest possible number of children.

Summer Camp at Dungarvan Sports Centre is a success story built on hard work, years of experience and the dedication of Centre staff and Camp Leaders, who make every effort to guarantee the safety of the children during their participation in the activities, while making sure that each individual child can, as far as is possible, enjoy her/himself to the fullest.

Activities are carefully selected and the programme meticulously planned, to facilitate the enjoyment and safety of the children, with some old and outdated games discarded each year in favour of new ideas. On

top of the usual programme of sports and games, the art sessions, badge-making and treasure hunt, children can also look forward to the weekly barbecue and sing-song, the disco and, of course, the pantomime which was the new feature of last year's Camps.

Add to that the famous end-of-week waterfight, where children get to soak their leaders and fellow-campers and it is all a successful recipe for a week well spent and thoroughly enjoyed

at the Dungarvan Sports Centre.

Wednesday at Summer Camp is a 'little oasis of rest in the middle of the week, provided by a relaxing trip to Splashworld in Tramore. Lunchtime is spent in the relative quiet of People's Park in Waterford, where campers can have a quiet hour in the playground under the watchful eye of their twenty five or so leaders.

These have been recruited under the Department of Social Welfare's Summer Jobs Scheme for third level students and their own youthful energy and enthusiasm together with the training and instruction they receive prior to the Camp, ensure that they are not only good leaders, team captains and motivators, but also good carers for their young charges. The contribution made by this Summer Jobs Scheme is very significant, for without it, Summer Camp might well be up to 30% dearer than at present.

The range of sponsors who now contribute to Summer Camp make their own particular contribution to the success of the Camp. Through the kindness of Eircell, travelling groups can keep in touch with the Centre by mobile phone and this is particularly useful when the whole Camp goes on the road on Wednesdays.

Products from the Waterford/Avonmore Group will be on the barbecue menu this year, while old friends Tayto Crisps and Finches minerals, joined this year by Kit-Kat will be there for 'afters'.

Outside of the obvious enjoyment which our sponsors products provide for the Campers, their generous contribution allows for a significant reduction in the charges for the camp, all of which are fully passed on to the participants.

SUMMER CAMP TEAM 1997

So for those children who need that extra element of excitement in their lives, for parents who wish to see their children gainfully occupied during those long summer holidays, or for young people who just want to meet some new friends for a week or more, what better opportunity than at Dungarvan Summer Camp this year. Still the best value for money.

## Appeal Made To Refuse Planning Permission For ESAT Mast In Ardmore

Now that an official application has been received by Waterford Co. Council seeking planning permission for an Esat mast at Ardmore Garda Station, the case for opposing it should be made stronger than ever.

This is according to Cllr. Fiachra O Ceilleachair, who has been speaking out against the proposal since a site notice appeared on

April 1st last.

"It's heartening to see how Ardmore people have been organising to prevent a mast being placed in such a residential area. I understand that the Board of Management of the Primary School adjacent to the College Rd. Garda Station have added their voice to the objections, as have other community groups. If Esat were

proposing to put a mast in a remote area away from housing or a school it would be somewhat a different story. As it is, Esat are seeking to put their mast in the most residential part of Ardmore and Grange parishes.

"At present the ball is in the court of the County Manager. I will be asking him to refuse this planning permission on several grounds, not

least the visual effect and apprehension of residents. Another proposal I had opposed on environmental grounds, the Kilfarissey Wind-farm project, was actually refused planning permission in the last month by the Manager. This was a good and sensible decision. The people of Ardmore are hoping for a similar outcome in their case."

## Dungarvan Resource Centre For The Unemployed

Due to circumstances beyond our control it is with deep regret that we are forced to discontinue our five outreach Clinics in Lismore, Cappoquin, Portlaw, Tramore and Kilmacthomas.

We deeply apologise to all who in the past availed of our services and to those intended on using our service in the future. It is particularly regretful because of the fact that enquiries in all areas are on the increase.

# Lismore Notes

## LISMORE CLEAN UP WEEK

Waterford County Council will provide a free collection of household items on Thursday, June 4 and Friday, June 5 this week from 6.30 p.m. to 9 p.m. both evenings. All items will be collected within the town limits. Usual items such as fridges, cookers, chairs, carpets, bicycles etc. will be collected. No domestic refuse will be collected. Also on Thursday, June 4 there will be a sweep up with the Tidy Towns at 7 p.m. and the town will have to create an impression as judging for the Tidy Towns starts this week.

As regards the litter-free campaign, at the time of writing these notes there is still no news on how Lismore has been judged. Judging we know has taken place and we were hoping we would have news.

With more tourists starting to visit the area, we would appeal to everyone once again - young and old - to keep Lismore litter-free. As we have written so many

times, the compliments last year from so many visitors especially when the Rose of Tralee contestants visited the town were very heartening and paid the Tidy Towns Committee a wonderful compliment. Hopefully this effort will continue this summer.

Summer we may have but unfortunately for all concerned last weekend was a typical Irish weekend weatherwise. As was said to us we have had our summer in May. Hopefully this will not be the case. We need the good weather to draw the tourists and visitors to the area and like many other areas, Lismore is becoming very dependent on the tourist business.

Speaking to two Americans last week in Youghal, we suggested they take in Lismore and the area on one of their day trips. They contacted us to say they did and to thank us for sending them to one of the most beautiful spots in Ireland.

## LISMORE TIDY TOWNS NEWS

As the County Council are giving special attention to the collection of large items during this week, we urge you to make use of the opportunity. Collection will be on Thursday and Friday evening between 6.30 p.m. and 9 p.m. No household waste please.

Our Tidy Towns Group will be having a sweep up on Thursday. Meeting at the Monument at 7 p.m. Business premises and householders are asked to sweep the front of their property and please pick up the debris.

A very special thank you to the 17 girls from 2nd Year A who, with Eilish Corr and Mary O'Brien, did a good litter pick on Wednesday last. This was much appreciated by the Tidy Towns Group as the girls covered areas not on our usual litter rota. A very considerable amount of rubbish was collected.

We had a busy weekend planting flowerbeds etc. and one can't help but notice the number of flower tubs, window boxes and baskets that people have put out. These will contribute to the appearance of the town. This year is the 40th anniversary of the Tidy Towns Competition and we are honouring this occasion by planting the circular bed in the Mall with red geraniums. The Credit Union made a contribution towards the cost of this planting for which we thank them.

'Don't forget your shovel' and brush on Thursday and come to work for your town at 7 p.m.

So many times we have been told this and we have written so in our column. But unfortunately they did not know of Lismore until we told them. Once again we refer to marketing Lismore. If Kerry can do it, why can't we?

## ST. CARTHAGE'S HOUSE, LISMORE ANNUAL GALA DAY PUT BACK TO JUNE 14

## CHERNOBYL CHILDRENS PROJECT VISIT TO BELARUS MAY '98

**Offering Hope To Live**  
The team of humanitarian workers have returned after a very successful operation. The purpose of the group was threefold.

(A) A nursing team who will work solely in Novinke, a village some miles from Minsk monitoring progress there and also training a nursing team on how to use the sensory equipment to its best advantage.

(B) Engineering/electrical team to connect the playroom to the new sensory unit. This team had the sole responsibility for putting the sensory equipment together. The team was led by Noel Walsh, Waterford and was joined by engineers P. J. Kennedy (Offaly) and electrical staff Pádraig Poilard (Lismore).

(C) Marcus Connaughton, a journalist/producer from R.T.E. who did a radio documentary and who laid the ground work for another T.V. documentary. Adi Roche accompanied the team on the trip and remained behind in Minsk to complete and monitor operations there.

In all it was a very worthwhile and demanding trip and a return visit is already planned for late '98.

## LISMORE DRAMATIC SOCIETY NOTES

A marvellous musical presentation is being rehearsed at the moment in our theatre. On the weekend after next (Friday/Saturday/Sunday, June 12/13/14) we will be proud to show off the talents of our junior members. We are sure many will be anxious to see how talented many of these children are. They will be presenting a tableau of hits from many musicals. They have been coached by Margaret Ormonde and many others ably assisted by Mairead Cullinane on the piano. The show will start at 8.15 p.m. on each of the nights.

We are also in the midst of wiring the hall for future presentations in terms of lighting to the highest standards. In all we will be using about two miles of wiring!! To fund this development we will be organising a sponsored cycle by members to Ballyduff and surrounding areas. It should be a sight to behold to see some of the members in full flight. Your support would be appreciated. Scheduled date departure is June 22.

## ANTIQUES ROADSHOW COMES TO FAIR ON THE MALL

Have you ever wondered about that old family heirloom or that thing up in the attic? Ever wondered if you picked up a real bargain at the jumble sale? Well wonder no more!!

The Fair on the Mall have the ideal solution. Just bring along those items you want valued or a photograph of the larger items and our in house antiques dealer will tell you if another Van Gogh has been discovered for a small fee.

Our in house dealer is a professional antiques dealer all the way from Princes Street, Tralee, Co. Kerry and will have with him on the day a copy of the only remaining copy of the Cork Herald from the time of the 1798 Rebellion. This will be available for all to see on the day so remember Sunday, June 21 for everyone with a passing interest in the past, the Fair on the Mall is the place to be.

## BEST OF LUCK

Next Sunday Waterford play Tipperary in the Munster senior hurling semi-final at Páirc Uí Caoimh. Lismore will have Brendan Landers, Mark O'Sullivan, James O'Connor, Dan Shanahan, Dave Bennett and Sean Daly on the panel and we wish them and Waterford the very best and hope they reach the Munster Final.

So a very big 'thank you' to those parents who got involved, giving us tremendous assistance in running what was a large programme of events.

The whole evenings athletics were very generously sponsored by Lismore/Cappoquin Credit Union committee, who presented the medals to the successful athletes with the photographs being expertly taken by local man, James Lenane, so a very big thank you James. ## Protection Of Colligan River Emphasised

Seeing as the Environmental Protection Agency report publicly on regular testing of the quality of bathing water in Waterford's beaches, a similar mass disclosure of whether or not there are pollution risks in the Colligan river should occur.

This is according to Cllr. Fiachra O Ceilleachair, who has been expressing concerns about the proximity of Dungarvan's dump to the Colligan river. On Friday morning, May 29 last, Cllr. O Ceilleachair and a number of local residents and those using the river were received by Waterford Co. Council officials during a visit to the town's landfill site.

"We're told that leaking leechate is not finding its way into the river to the point where it might be considered pollution. The Environmental Protection Agency carried out 10 tests throughout last year at Ardmore beach, relying on very stringent methods and criteria. If this is being done in the river along the edges of Dungarvan dump, then all that information needs to be communicated in a better fashion."

"It is widely acknowledged that Dungarvan dump, which is a very traditional landfill site, is not satisfactory. The proximity of banking to the river is among several concerns people have. In fairness, Council officials have a difficult task there and have made strides to improve its management. The changes promised in the Waste Management Strategy adopted by Waterford Corporation and County Council cannot come quickly enough. In the meantime we need to be vigilant."

Presentation of medals to winners at Lismore Community Games. ▲ Above Shelly Keane (1) and Eithne Walsh(2) in the girls under-10 100 meters. ▼ Below Shane Ahern (1) and Micheal Behegan (2) in the boys under-8 80m. The Credit Union sponsored the medals.

## CAPPOQUIN/ AFFANE SCHOOLBOY SOCCER

U-10 — Sunday evening last saw us visit league leaders Clashmore in what was to prove a cracker of a game. The first half was closely fought with Clashmore taking the lead just before the break.

The heavens opened at half time which delayed the restart but we started the strongest. Before long we were back on level terms, when Shane Power bravely challenged a high ball with the goalkeeper, the result and breaking ball fell to our top scorer, Daithi Wilkinson who made no mistake with a fine strike. The home side responded well and went back in front before long. Again our excellent team spirit came into play and we pressured the favourites for a long period before scoring again. Paul Hill hit Daithi, with a great long through ball and Daithi proved his strikers instinct again when slotting home the equaliser. In the final few minutes we succumbed to the pressure from Clashmore conceding the winner. The home side just about deserved the points but it was a marvellous performance from our young team. While all played well, Shane Power's performance up front was particularly good.

Team; Eoin Landers, J.J. Devine, David Leahy, Shane Marks, Mark Landers, Kieran Flynn, Michael Fenton, Daithi Wilkinson, Shane Power, Res; Mark McConnell, Paul Hill, Pa Crotty, David Hill.

Fixtures — Wednesday 3rd June, 7.00 U-10 at home to Ardmore. Friday 5th June, 6.45 U-8 at home to Valley Rangers.

## CAPPOQUIN/AFFANE G.A.A. NOTES

I.H.L. - Cappoquin 1-7, Abbeyside 1-7

This Intermediate Hurling tie played in Cappoquin last Tuesday evening produced an exciting hours hurling. In fact it had a championship flavour about it, hard hitting and played at a frantic pace. Over the hour we were the better team but we shot a lot of bad wides from good scoring positions.

But on the credit side it was by far the teams best display this year and with further improvement this team will be equal to any of the other sides in the championship race.

Our defence was magnificent all through especially Mick McCarthy and John Buckley. Midfield shaded the exchanges. But up front we never functioned as a unit despite good individual displays from Martin Power, Brian Murray and Damien McCarthy.

Scorers; M. Power (0-4), D. Cummins (1-0), D. McCarthy, M. Lacey and S. Fraher (0-1 each).

Team; P. Casey, G. Morrissey, M. McCarthy, A. McCarthy, S. McCarthy, J. Buckley, D. Cummins, S. Costin, M. Lacey, D. McCarthy, B. Murray, M. Power, D. O'Rourke, S. Fraher, M. Mason. Subs; M. Buckley and E. Cliffe.

Speedy Recovery — Presently on the injured list are Paudie Landers and Stephen Landers. We wish them both a speedy recovery.

U-12 Hurling — Cappoquin 4-1, Tallow 4-1. Two very young teams served up some delightful, skillful hurling in their championship encounter in Cappoquin last Wednesday evening.

Our lads must feel aggrieved as they had a commanding lead but left Tallow back in the match and eventually had to settle for a draw. But really hurling was the winner here and we look forward eagerly to the replay.

All the lads can feel proud of their performances but Tim Looby, Shane Fives, Paul Murray, Pat Devine and Gearoid Coughlan had exceptional displays.

Scorers; Pat Devine (2-0), Keith Landers (1-1), Paul McGrath (1-0).

Team; T. Looby, D. McGrath, J. Cunningham, J.J. Devine, S. Fives, P. Murray, D. Dransfield, C. Wilkinson, D. Kett, G. Coughlan, K. Landers, T. Curran, P. McGrath, P. Devine, P. Hill. Subs; Stephen Power, Daithi Wilkinson and Shane Power.

## AFFANE A.F.C.

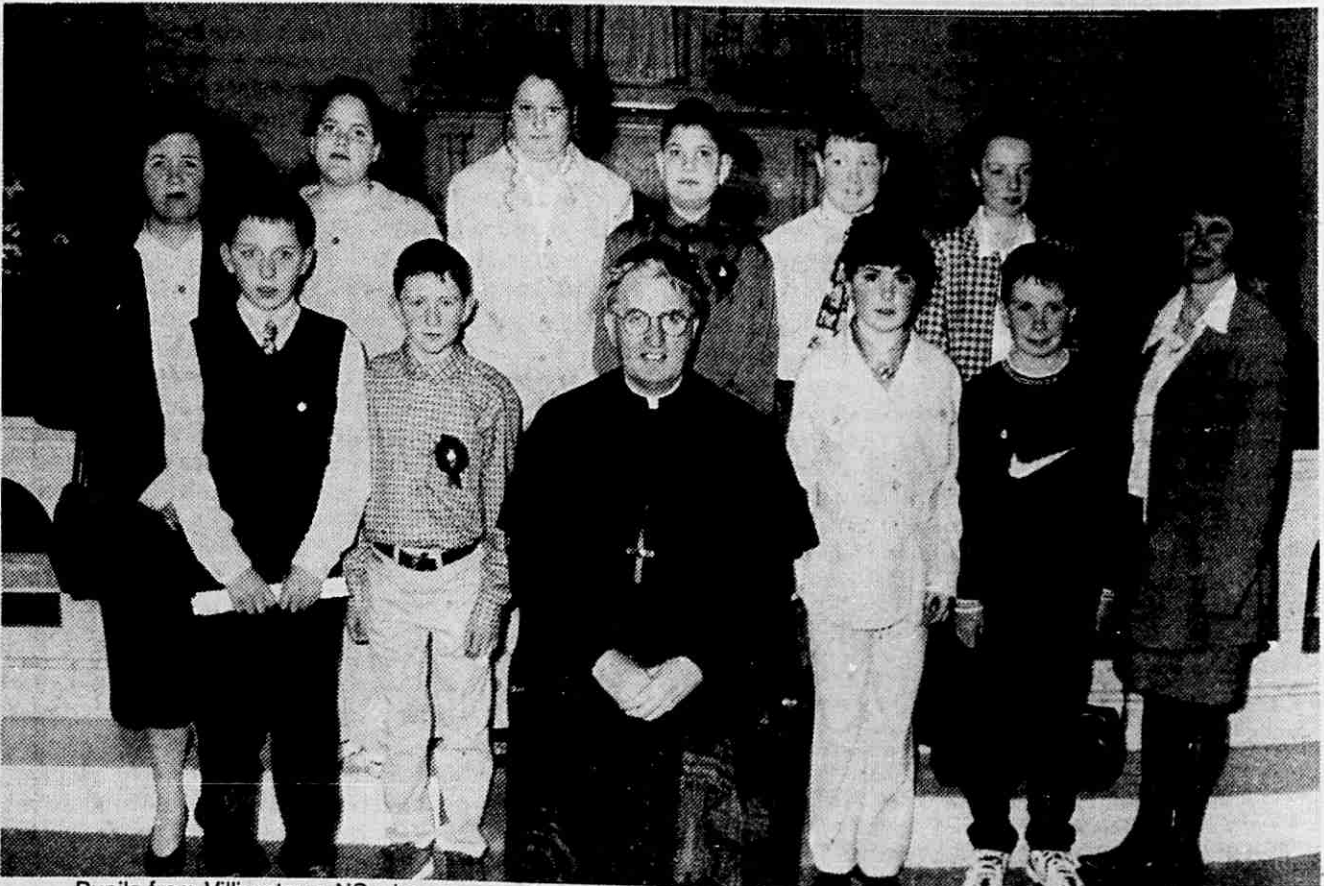

It was back to action again last week when we took part in the Kilworth tournament. In the first round we took on Moore Park. We were under pressure early on in the first half but defended well. As the half progressed we came more into the game but it remained scoreless at the break.

In the second half the pattern of the game was much the same with Moore Park dominating but we created some good chances. However, both sides failed to find the back of the net so it was on to penalties. Here we scraped through by three goals to two and progressed to the next round.

It was nice to win in our first outing for a new season.

**Utterly Butterly And Easy Eating**

**BROAD BEANS** are a cool season crop, growing satisfactorily only at temperatures below 15 degrees (59 degrees F). Some types are very hardy - surviving at minus 10 degrees on well-drained soil.

The crop should be sown in autumn in a sheltered site in fertile well-manured soil. The plants need low nitrogen levels because their root nodules fix atmospheric nitrogen. Seeds can be sown in the spring but autumn is usually the best time to sow broad beans.

The seeds should be sown about two inches deep and nine inches apart. They can be grown in double rows or evenly spaced in blocks across a bed.

The taller cultivars may be supported with strands of wire attached to strong canes or poles placed around the rows or blocks of plants.

Over-wintering crops may be protected with cloches or floating mulches during the early stages of growth.

Early Crop: Broad Bean Aquadulca Claudia

Do not allow the plants to dry out. Watering is important once the crop begins to mature and should be watered at the rate of two gallons per square yard twice a week.

Once flowering starts, pinch out the growing tips to encourage pods to form and to combat blackfly. Earth up the over-wintering plants to protect them against the elements.

Mice, wood pigeons, tropical root rots, blackfly, and chocolate spot are the pests and diseases which may attack broad beans.

The beans can be harvested about 30 weeks after sowing. Pick them while the pods are plump with the swelling beans and before they become leathery. The beans may be frozen or dried at the end of the season for use during the winter months.

**BUTTER BEANS** - also known as Lima beans - are tender annuals and short-lived perennials.

Some forms are climbers while others are dwarf and branching. Climbing cultivars can grow to a height of 10 feet while dwarf cultivars spread over 18 inches.

The young pods and mature seeds are eaten cooked. The seeds may also be dried or germinated in the dark for use as bean sprouts.

The butter bean is a tropical plant which needs a minimum temperature of 18 degrees (64 degrees F) for germination. It is best to sow the seeds in trays in a greenhouse during the spring then transplant the seedlings into well-prepared beds when they are six inches tall.

The beans need low to medium nitrogen levels and should be planted in rows 12 inches apart. Allow at least two feet between the rows. Climbing varieties should be supported by stakes at least six feet high. The plants should be watered regularly and protected with plastic screens or covers. A general purpose fertiliser or liquid feed should be applied every two weeks.

Lima beans are ready for harvesting about three to four months after sowing.

## Stricter Controls On Marauding Dogs Needed As Licensing Laws Are Ignored

The Minister for the Environment, Noel Dempsey T.D., must introduce stricter controls to prevent marauding dogs from attacking sheep flocks according to IFA National Sheep Committee Chairman, Michael Holmes.

Mr. Holmes was speaking following a recent meeting between IFA and senior officials in the Department of the Environment on the issue of dog controls. "Each year marauding dogs inflict severe damage on hundreds of sheep flocks throughout the country. As well as financial losses running into millions of pounds, these dog attacks inflict horrendous suffering on sheep flocks."

Commenting, Waterford IFA Sheep Committee Chairman, Harry Gray, said the real culprits for these attacks are not the dogs but their irresponsible owners who are breaking the law by not having their dogs under control.

Mr. Gray said Minister Dempsey must introduce a compulsory system of iden-

tification for all dogs in order that owners can be made fully responsible. In addition more dog wardens should be employed, self financed by increasing the number of dogs under licenses. He said "of the 750,000 dogs in the country, it is a scandal that only 170,000 or 23% are licensed. If a proper financial incentive scheme was put in place for dog wardens, by increasing the number of dog licences, a much more comprehensive service could be provided nationwide." Mr. Gray pointed out that the dog wardens currently operating do an excellent job and make a huge contribution to the safety of the country's 8 million sheep. He said "it is ridiculous that 22% of the current dog licence fee of £5 goes to the post office for issuing the license."

The Waterford IFA sheep farmers leader said dog owners must be made more responsible in control of their pets. "The Control of Dogs Act states that dogs

have to be under effective control at all times. This law is blatantly flouted by thousands of dog owners daily and it is a disgrace no action is taken."

## Farmers Now Competing More For Off-Farm Jobs — IFA

"The significant further decline in employment in agriculture, as measured by the CSO, mainly reflects an increase in part-time farming in Ireland.

This was stated by Waterford IFA Chairman, James Coughlan, in a comment on the CSO's new Quarterly National Household Survey.

Mr. Coughlan said: "With farm incomes static or declining, and with off-farm employment opportunities now very strong, an increasing number of farmers and their heirs are now competing for jobs, and farming on a part-time basis."

## I.F.A. Welcomes Trail Shipment

Waterford IFA Livestock Committee Chairman, Maurice Donovan has welcomed the trial shipment of livestock on the Irish Ferries boat, the Normandy, sailing between Rosslare and France.

Mr. Donovan said Irish Ferries have a strong commitment to live exports and it is vitally important the Department of Agriculture immediately pass the Normandy for four loads of livestock per sailing. He said in the absence of Galic Ferries it is essential that exporters are allowed maximum capacity on the Irish Ferries boat "The Normandy". In addition exporters are also using Pandoro.

On the fundamental issue of market access for live exporters from Ireland to Europe, Mr. Hennessy said IFA will not allow Agriculture Minister, Joe Walsh, the Government and the EU Commission walk away from the problem. Mr. Donovan said it is the responsibility of the Minister, the Government and the Commission to provide uninhibited market access and IFA will insist that they fulfil their obligations in this regard. Mr. Donovan said he was very concerned at the Minister's silence on the issue since the last Galic Ferries sailing on Friday, May 15, 1998.

### SLURRY SPREADING

★ The most efficient and environmentally friendly way to use slurry is to spread it on the silage ground immediately after cutting i.e. as the silage harvester leaves the field the sauce tanker must be moving in.

★ Spread 2,000 gallons per acre. Spreading at a heavier rate may give too quick a coating and risk animals rejecting the grass.

★ If you are in REPS, remember the spreading precautions. Slurry cannot be spread within 1 1/2 M of a hedgerow or 10 M of a small water course. In the case of lakes and main rivers, the buffer strip is 20 M, for domestic wells 50 M - and up to 300 M in the case of a public water supply.

★ Be sensitive about spreading too close to dwelling houses. Be conscious of wind direction and spread early in the week so that the smell is gone by the weekend.

★ Finally, be safety conscious when agitating slurry tanks. When silage effluent is stored in the slurry tank, take extra care as lethal gases can be produced. Agitate on windy days with plenty of ventilation in the shed and never attempt to enter or partially enter a tank without using full breathing apparatus.

### DAIRYING

#### Graze Quality Grass

★ This is harder than you believe.

— Grass quality in June is poorer than May because of stem and grasses going to seed.

★ Quality grass results in cows milking to potential and cattle gaining 1 kg live weight per day.

★ Because cows have passed their peak yield, milk yield will decrease by 10% from one month to the next.

— Or a quarter of a gallon (0.25) every 2 weeks.

— One pint from week to week.

— Look up your daily "Creamery Book" to check this out.

— Take any two-day average (say Wednesday/Thursday) of this week and check with the same 2 days last week.

★ If milk has decreased by more than 1 pint per cow, then you had better start asking yourself a few questions.

— Is grass scarce?

— Am I grazing too tight?

— Is grass going rotten at the "butt"?

— Did I graze the headlands on the silage fields?

— Is grass strong and stemmy?

★ If grass is scarce because rotation is too short, you had better get back to a rotation length of 21-23 days.

— Introduce grass from silage area if possible for a few days.

— Or feed extra meals.

— Or feed high quality round bales of silage.

— But slow down to get out of the tail spin you are in.

— Remember the amount of grass on the paddock doubles in the last seven days of a twenty-one day rotation.

— Nitrogen requires time to work.

★ High to very highly stocked farms will now be down to 30 Units of nitrogen per acre after each grazing.

— CAN will be the N of choice now.

— Use Urea if ground surface is damp.

★ Use Sulphur (15 Units per acre):

— Gives more grass on light soils.

★ Don't graze too tight.

— going below 6 cms is likely to lead to cows eating more stem.

— Also results in cows working too hard because each bite of grass results in smaller intakes thus requiring more bites to reach full appetite.

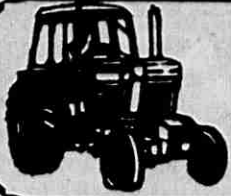

### CERTIFICATE IN FARMING

Farming is going through a period of major change at the moment. The profitability of many enterprises is poor at present and the "tiger economy" roaring outside the farm gate looks very attractive.

However, I believe that young people leaving school in the next few weeks, who have the initiative to acquire proper training in farming and then follow this with a commitment and determination to grow and develop their farms, have a bright future. Quotas and limits on production are likely to disappear in the foreseeable future thus allowing those with capacity, energy and training to prosper.

A part-time option of the Certificate in Farming Course to facilitate those who do not wish to attend agricultural college, will commence at the Teagasc Training Centre, Shandon, Dungarvan on September 7th. Contact Willie Henry, Education Officer at 058 54181 for details.

## NEW IFA GUIDE TO ASSIST LOW INCOME FARMERS

IFA President Tom Parlon recently said that a new "IFA Guide on Schemes Targeting Low Income Farmers", will help to improve the incomes of many farm families by providing easy access for farmers to information on their full entitlements.

Speaking at the launch of the Guide in Portlaoise, Mr. Parlon said it brings together all of the important schemes and measures which can benefit low income farmers. "It is vital that farmers maximise these schemes to increase their household income. The Guide will help farmers check all of the options open to them in a simple and straightforward manner," he said.

The Guide, which was sponsored by AIB and launched by Minister of State for Agriculture Noel Davern, will be a key reference document for up to 50,000 farmers throughout the country.

Mr. Parlon said that many measures both through the Social Welfare system and EU support schemes like REPS, Early Retirement, Forestry, Headage etc., can play a crucial role in helping low income farm families to improve their income situation. However, it is clear that some farmers are not securing their full entitlement in this regard at present.

The Guide was produced by the IFA National Rural

Development Committee whose Chairman, Dermot Leavy, said that the organisation will now endeavour to distribute this document to as many farmers as possible. He said this will be done either directly or through the various agencies that are targeting this sector which has been highlighted in many reports as suffering severe disadvantage.

The Guide will be available through IFA Offices and AIB Branches nationwide.

### IFA ACTION SUCCEEDS IN SOLVING AREA AID PROBLEMS

James Coughlan, Chairman, Waterford IFA, has said that recent pressure exerted by the IFA on the Department, had resulted in complete premia payments to 10,700 farmers.

While partial payments have been made to a further 2,700 farmers, Mr. Coughlan insisted that complete payments be made to this group immediately.

Referring to a further 3,000 still awaiting mapping resolution, Mr. Coughlan said IFA would not tolerate being penalised due to the Department continuing digitisation problems and insisted that all payments still pending be processed.

## Co. Waterford ICMSA News

### ICMSA ALARMED AT RISE IN FARM FATALITIES

ICMSA President Frank Allen expressed serious concern at the increase in the rate of farm fatalities in the first five months of this year. Twelve fatalities have been recorded to mid-May compared to 15 for the full year 1997 and 13 fatalities in 1996, according to the Health and Safety Authority.

Mr. Allen urged farmers to make safety a top priority on their farms in an effort to reverse this alarming trend, particularly as we come into the busy silage season. "As we approach the school summer holidays parents should be even more aware as most child fatalities on farms occur during the summer months. It is the responsibility of every farmer in the country

to play his or her part in ensuring safety on our farms. I would say to all farmers: Don't Take Risks - Remember the life you save may be your own or a member of your family."

### CARE NEEDED WHEN APPLYING FOR 22 MONTH PREMIUM

Mr. Liam Heverin, Chairman of ICMSA's Beef and Cattle Committee, warned farmers to carefully check their cattle when applying for the 22-month premium.

Mr. Heverin said that it has been brought to his attention that many cattle are over 24 months when applying for the 22 month premium. This means that these cattle are counted as 1.0 livestock unit as opposed to 0.6LU's if under 24 months. Mr. Heverin said that this will affect a farmer's stocking density level and may lead to the loss of the extensification premium or indeed beef premium. Farmers, Mr. Heverin said, must be extremely careful when filling in application forms.

Mr. Heverin said that farmers should ensure they apply for cattle under 24 months of age to maximise their premium payments. Mr. Heverin also warned farmers to be extremely careful when purchasing cattle and to check whether or not they are over or under 24 months of age. In fact, he said, it should be a re-

quirement that the exact ages of the cattle be announced at sales.

### PROGRESS BEING MADE

Mr. Pat O'Rourke, Deputy President of ICMSA said that measured in terms of the response of the Veterinary Organisations, considerable progress has been made by IVU members in coming to a better understanding of the issues relating to certification of the health status of dairy herds.

Mr. O'Rourke was referring to the response by the IVU on the issue to the Department of Agriculture & Food. Mr. O'Rourke continued: "It now appears that IVU members will not be carrying out an examination of individual cows but will certify on the basis of their knowledge gained from routine farm visits, from the annual TB/Brucellosis round and from information supplied by the farmer. Individual examination of cows will be undertaken only in exceptional circumstances."

Mr. O'Rourke concluded: "Confirmation of the procedures will be obtained in the near future, and, if these are as expected, the certification work could commence without further delay."

## Female Movement Permit Gone At Last Says John Hobbs

Mr. John Hobbs, Chairman Waterford IFA Animal Health Committee, has welcomed the fact that the pressure exerted by the IFA on the Department of Agriculture has resulted in the removal of the Female Movement Permit.

Mr. Hobbs said that it had long been maintained by farmers that this document was a bureaucratic paper trail serving no useful purpose.

Mr. Hobbs said: "The fact that a female movement permit is no longer required will mean farmers don't have to devote precious time to this useless exercise and also the staff in the DVO's will be able to concentrate on more urgent issues."

Mr. Hobbs said: "The lifting of the ban on the export of beef from Northern Ireland had positive repercussions, not only for farmers in the six counties but also for farmers in the Republic who no longer have to put up with the bureaucracy of the Female Movement Permit."

# RECENT DEATHS

## Mrs. Annie Clancy (née Flynn)

A vital link in the chain of our historical past was severed on Friday, May 22 with the unexpected passing of one of Abbeyside's oldest inhabitants, Annie Clancy, Home Rule Street, who had reached the wonderful age of 97 years, a person whose life span virtually covered this century.

A patient of St. Joseph's Hospital for only a very short while, Annie was predeceased by her husband John Joe some two dozen years ago. A woman of very high intellectual ability, she enjoyed great popularity and was held in the highest of esteem. A devout Catholic and Christian, she was a person of outstanding qualities who endeared herself to everyone. For many years she was employed as a dressmaker with Hadden's at Main Street, Dungarvan.

Annie and Mrs. Browne

gave of their time unselfishly in the past, preparing the altar and tending to the floral arrangements in Abbeyside church. In the log books of the 4th Waterford St. Joseph's, Abbeyside, it's recorded that Annie's family gave use of their garage as the first Den for the local CBSI Scout Troop.

Sadly, her passing is the end of her own actual family. We extend to her sons, daughter and many other relatives our deepest sympathy on their loss.

On Saturday evening Fr. Keogh, C.C., visited the Kiely Funeral Home to console the bereaved and recite prayers and the rosary. The removal took place to Abbeyside Church where Fr. R. O'Doherty, P.P. conducted the funeral service.

The Requiem Mass on Sunday morning was celebrated by Fr. Keogh, and Linda Moloney, Karen Caulfield and Ann Fraughen-Malone shared the Liturgy of the Word with the huge and representative gathering who had assembled to pay their respects. Jamie Moloney and Craig Caulfield read the Prayers of the Faithful. Aileen Donoghue, Rosslare, Co. Wexford, sang the musical tributes, while Errol Navin played the trumpet salute.

In the adjoining cemetery after the holy sacrifice, Annie, after her lengthy life among us, was laid to rest. Many beautiful floral tributes were placed on her

grave.

Chief mourners — John, Pete and Oliver (sons), Joan Fraughen (daughter), Bernie (daughter-in-law), Tom Fraughen (son-in-law), her twelve grandchildren, seventeen great-grandchildren, many nephews, nieces, relatives and friends.

(James Kiely & Sons, Funeral Directors.)

## Late Bridget Power

The early hours of Sunday, May 24 saw the demise of Bridget Power at her residence after a lengthy illness that was borne with true Christian fortitude, courage and dignity. A native of Lackendarra, Bridget was aged 78 years and a member of a family of nine. A devout Christian, Bridget was of a deep Catholic faith who loved her God, Sacraments and Church.

For over twenty years she did housekeeping duties for Fr. Nicholas McCarthy, P.E. Fr. Nicholas related to me of the esteem that Bridget enjoyed with his parishioners. She contributed so much to the English parishes in which he ministered, he continued. Sadly, over the last few years, Bridget hadn't enjoyed the best of health and this necessitated hospitalisation in Our Lady's Hospital, Cashel, St. Joseph's, Clonmel and St. Vincent's, Dungarvan.

A quiet, unassuming person, Bridget endeared herself to everybody. A sincere friend and model neighbour, she will be missed, but especially by her brothers Ned, Tom, Mick, John and Nicholas, her sisters Kitty, Mary and Margaret, her sisters-in-law Rena, Eileen, Peggy and Anna, her many nephews, nieces, relatives and friends, to whom we extend our deepest sympathy on their cross of bereavement.

It would be remiss of me not to pen a tribute to both Diane Cotter (neighbour) and John Power (nephew) who both gave of their best, caring and tending to Bridget over the last while.

On Sunday evening the family assembled for rosary which, appropriately, was led by Fr. Nicholas McCarthy.

On Monday evening many made the journey from Sliabh gCua and beyond to the Kiely Funeral Home where Fr. C. Kelleher, P.P., recited prayers before the cortege left for St. Mary's Church, Touraneena. Fr. Kelleher, assisted by Fr. McCarthy, conducted the funeral service.

Concelebrated Mass was offered on Tuesday morning for the happy repose of her gentle soul. Fr. Kelleher was chief celebrant, with co-celebrants being Fr. McCarthy, Fr. P. Hallinan, P.E. and Fr. E. Barry, C.C.

Triona Fitzgerald and Úna Nugent read the lessons, while Adrian Lonergan recited Prayers of the Faithful. Offertory gifts were brought to the altar by Cáit O'Keefe, Ann Moore and Diane Cotter. The Parish Choir, under the stewardship of Therése Butler, sang appropriate music.

In the adjoining cemetery, following final prayers and blessing of the grave, Bridget was laid to rest.

"For those who leave us for a while have only gone away, Out of a restless, careworn world, into a brighter day."

(James Kiely & Sons, Funeral Directors.)

## Late Annie Mooney

With deep regret and sadness we learned on Friday, May 8 of the passing of 93 year old Annie Mooney at St. Bridget's Nursing Home, Crooksling, Co. Dublin, where Annie had been a patient for five years. A native of Ballinamona, Old Parish, Annie had worked for a number of years in England.

Keen on music, the violin was her speciality, and her playing and expertise won admiration and praise.

Annie herself was of a strong Republican background and took an active part in Cumann na mBan. While leafing through "The Comeraghs: Refuge of Rebels," the Mooney family are mentioned on many occasions as they contributed greatly in the fight for Irish Independence.

Annie was renowned for her lacemaking and many of her efforts were sold at the world famous Harrod's, Knightsbridge, London. During the last year of her presidency, Mrs. Robinson met and presented Annie with an award at the Royal Hospital, Kilmainham for her contribution to the War of Independence.

Leaba imeasc Naoimh agus Laochra na hÉireann di.

On Saturday evening Fr. Kiely, P.P. recited rosary and prayers at the Kiely Funeral Home before the funeral cortege left for Old Parish

Church, where Fr. C. Daly, P.E., conducted the funeral service.

On Sunday morning Fr. J. Kiely, P.P. was Mass celebrant. Treasa Gough (grandniece) sang the psalm, and Alma Van Leemput and Bríd Neilsen (nieces) shared the Liturgy of the Word. Offertory Gifts were brought to the altar by Lindsey Mooney, Aideen Clancy (grandnieces), while Siobhán Neilsen (grandniece) sang Ave Maria. Donnchadh Gough played the pipes in a moving musical tribute.

After the Requiem Mass the interment took place in the Hackettstown Cemetery, Old Parish.

We offer our deepest condolences to her many nephews, nieces, relatives and friends on their loss.

## Late Mrs. Mary O'Meara

Mary O' Meara, wife of the late William (Willie) O' Meara (who predeceased her in 1978), formerly of Mitchel Street, Dungarvan and Viewmount, Waterford, died in Dublin on 5th May 1998.

Mary (Mai), who resided, since 1993, with her daughter, Marie O' Meara, of Grace Park Heights, Drumcondra, was a lady of great courage and determination in the face of considerable ill health in her latter years.

She is survived and sorely missed by her sons, William and James, her daughters Marie, Roisín, Gerardine and Norma, daughters-in-law and sons - in - law, nieces, grandchildren and friends and relatives in Dungarvan, Waterford, Tipperary, Limerick and Dublin.

Mai trained as a nurse and midwife, qualifying in 1933, when not many women had a profession. Having nursed in Dungarvan during the war years, she had connections with the Mercy Sisters, some of whom nursed with her in the then District Hospital. She also had many friends among the Presentation Sisters, where, later her children attended school.

Mai O' Meara loved company and meeting people

until her health and sight deteriorated greatly in recent years. Her faith was a source of strength and consolation to her and she had a great love of Our Lady and of the Rosary.

Mai had a youthful appearance and was always young at heart.

In spite of her great disabilities and being confined to a wheelchair, she loved to travel and get out and about. Dungarvan was her favourite place in all the world. Her last visit there was in August 1997 visiting friends, and relatives of her late husband, Willie O'Meara.

Her remains were removed from Blanchardstown Hospital to the Church of St. Vincent de Paul, Marino, Dublin, on 5th May.

Mai felt that she had gained a lot from medical science during her long life. It was her wish to donate her body to medical research. After the celebration of Requiem Mass by Fr. Ronald Dunne C.C., Marino, assisted by Fr. Colm McGlynn O.S.M. on 6th May, her personal wish was fulfilled.

## Mr. Patrick Walsh

On Friday last we learned the very sad news of the unexpected passing of Mr. Patrick Walsh at his residence 9, St. Thomas' Terrace, Dungarvan. A native of the Youghal Road, Patrick was aged 83 years and was employed at the local tannery until his retirement in the mid-70's.

A quiet, unassuming individual, we offer our sincerest sympathy to his sisters Mary Jo, Birdie and Chrissie and his many nephews, nieces, relatives and friends.

On Sunday evening Patrick's remains were brought from the Kiely funeral home to St. Mary's Parish Church. Following Requiem Mass on Monday the interment followed in the adjoining cemetery.

## BALLYSGAGGART NOTES

### G.A.A.

**Launch of Weekly Lotto** — This month sees a departure for the club in fund raising. Since we first joined the Pilltown Co-op Draw in 1987, we have been involved in monthly draws of one kind or another as our main fund-raising activities.

Now, with the Déise Draw in its present format ending, it was decided to run our own weekly £1 lotto. The first draw will take place on Tuesday, June 9. The success of this lotto is vital to the club as, apart from the usual day to day expenses of the club, we are planning a major draining job on the field this year, so we appeal to all our players, members and loyal supporters to help us out on this. Tickets are on sale from members and in the local shops.

At this stage we wish to thank most sincerely all the many people who supported our fund-raising draws down the years — your support has been appreciated. **Social Night** — On Friday night last we will had a most enjoyable social night at Meagher's Bar to celebrate Seamus Lonane's win in the All-Ireland Scór in Recitation, and also to celebrate Fr. Michael Walsh's Silver Jubilee of his ordination.

Tommy Veale, Scór Organiser with the club, presented Seamus with a memento to mark the occasion and John Bennett, Chairman of the local Development Committee, presented Fr. Walsh with a token from the community to mark the occasion.

We thank the musicians Joseph Walsh, Fr. Nugent and John Bennett who supplied us with plenty to keep toes tapping for the night, the singers, set dancers, etc. who, all in all, made it a most enjoyable night, and last but not by no means least, that faithful band of people who must be sick of us saying at this stage "would you ever make a few sandwiches for Friday night?" thanks ladies, we do appreciate it!

**Happy Event** — Congratulations to Carmel and Liam Ryan on the birth of a baby boy.

## Abbeyside Guide Notes

### FAMILY FUN DAY AND CAKE SALE

Don't forget this Sunday afternoon 3-5 pm, we will be holding a fundraising family fun day in Abbeyside Den. A large variety of stalls will be set up and we'll even have a bouncy castle (thanks to our sponsors, MNC Breads, Ruffles Boutique and the O'Neill family). There should definitely be something for everyone. Unfortunately we will not be able to have as many stalls as we would like due to lack of adult support, so please if you are free on Sunday come down and give us a hand to make this event a great success.

### DAY TRIPS

This Saturday our Ladybirds and Brownies will be heading off on their annual summer day trip. Both will be going in different directions though. Our Ladybirds are off to Fota Wildlife Park while our Brownies will visit Kilkenny. I'm sure everyone will have a great day — let's hope the weather improves though.

# TOURANEENA NOTES

## RACQUETBALL NOTES

### AINE WALL SET TO RUN 5 KM ROAD RACE

The third annual Touraneena 5 km road race will be held on Sunday, July 19 starting at 7 p.m. This year's race is again being sponsored by Irish Permanent. The race will also coincide with a fundraising event for our Juvenile Racquetball Club and we received a major boost last week when the country's top lady footballer, Aine Wall confirmed she would run in the race to help raise funds for the club. The object is to guess what time Aine will finish the race. The winning prediction will receive £50 and if the exact time is not predicted, then the nearest to it will receive the prize money. Our juvenile players will be selling these lines in the

JUVENILE LEAGUE DIV. 4. BOYS — Left to right — Michael Myles (winner), Mark Fraher (runner-up).

next few weeks so we would ask everybody to support them.

Alice's coffee day over the past eight years has proven not only to be very successful but also very good fun. So we would love to see everybody come along and enjoy some tasty treats baked by the local ladies and a cup of tea or coffee. Don't miss out on a good chat with your friends and some tasty confectionery and all in aid of a good cause. Adults £1 children 50p and toddlers free.

## NAOMH BRID G.A.A. NOTES

### Under-14's Share Spoils

#### NAOMH BRID 2-3 SHAMROCKS 2-3

On last Monday week our under-14 hurlers visited John F. Kennedy Park in Knockanore to play Shamrocks in Round 2 of this year's County Hurling League.

Naomh Bríd started poorly conceding 1-1 in the first period. In the first 25 mins. we failed to raise any umpires flag although some of our forwards felt that Seamus Power had put the ball over the line.

In the second half we played much better. Seamus scored two goals, Paudie two points and Darren one point to put us one point ahead with time almost up. In the closing seconds of the game the referee awarded Shamrocks a free almost 35 yds. from goal for no apparent reason. Shamrocks scored a point to level the scores at 2-3 each and then the final whistle sounded.

A draw in this game was the fairest result. Shamrocks were much the better team in the first half and in the second half we were the better side.

Naomh Bríd — Jack Cummins, Sean O'Neill, Matthew Cashman, Shane Hourigan, Tristan Hickey, Tom Queally, Paudie McCarthy (0-2), Willie Power, Jonathan Webster, Jack Power, Shane Troy, Darren O'Connor (0-1), Seamus Power (0-2). Subs - Richard Nugent, Mickey Myles, Eddie Condon, Christopher Cashman, Finnian Grace, Pat Murphy, Robbie Power, Shane Hickey, Johnny Buckley.

This year we have a big under-14 panel as can be seen from the lineout in Knockanore and even we were missing three or four players from that. It is hard to give everyone a game. Players not in the starting thirteen should work very hard, listen to what they are being told and maybe they might get a run on the team.

#### NAOMH BRID 1-1 TRAMORE 5-7

On Saturday afternoon we came up against Tramore in Round 3 of the Under-14 Hurling League.

For the opening half of this game there was not much between the sides despite the scoreline. It was the same in the second half. The main difference between the sides was the amount of players on the age.

Of the 26 names on the Tramore team list, 17 are ineligible to play in next year's championship while for Naomh Bríd on the team list was 31 players were included 7 of them are 14 this year and of that 7, just 5 were at the match.

Naomh Bríd — Jack Cummins, Aidan Hickey, Sean O'Neill, Tom Queally, Matthew Cashman, Tristan Hickey, Willie Power, Paudie McCarthy, Darren O'Connor, Jack Power (1-1), Shane Troy, Seamus Power, Mickey Myles. Subs - Neil Fenton, Shane Hickey, Christopher Cashman, Richard Nugent, Johnny Buckley.

#### Under-12 Hurling NAOMH BRID 0-0 BRICKEY RANGERS 9-0

Last Wednesday evening our under-12's travelled to Bushy Park to play Brickey Rangers in Round 2 of this year's hurling championship.

This year our under-12's are very young and depend a lot on our under-14 players to bring the team through the games. At half-time we were two goals down but were playing well. In the second half our young team started to fire and then a much bigger and stronger Brickeys side started to press home their extra bit of experience scoring seven second half goals. On the night we had some good performances from Seamus, Aidan and Brian.

Naomh Bríd — John Power (Knockmeal), Stephen Coffey, Aidan Hickey, Niall Power, Christopher Cashman, Seamus Power, Shane Troy, Brian McCarthy, Shane Hourigan, David Power, J. J. Coffey, Eoin Walsh, Jean Fitzpatrick, Paul Coffey, Kieran McCarthy. Subs - John Power (Redgate), Johnny Buckley, Diarmaid Walsh.

### Fixtures

Next Monday we play Cappoquin in Modeligo in the Under-12 Championship at 7.30 p.m. Players should be there no later than 7.15 p.m. but first we were down to play Tallow last Monday in Tallow.

On Saturday our under-14's travel to the city to play Ferrybank in the Under-14 Championship. The bus will leave Modeligo at 1.15 p.m. and Touraneena at 1.30 p.m. sharp. All players who have to pay for the bus should have £2.50 with them. We ask that a parent travels on the bus.

### Coffee Day

Alice Burke holds her eighth annual Coffee Day tomorrow (Thursday). We ask that all our players support it as we are benefiting from it. For any parent who cannot turn up on the day, they can buy some of her raffle tickets for some very good prizes. Any player who has tickets still to return should hand them into Alice with the money tomorrow.

### On County Duty

Congratulations to Paudie McCarthy on being selected to play on the county under-14 hurling team. Over the coming weeks Paudie's performances will be watched closely before the Tony Forristall and Sonny Walsh panels are picked.

### County Final

Congratulations to our club players who won the Colleges County Final with Dungarvan C.B.S. recently. In the final they beat St. Augustine's whose players we commiserate with.

### Good Luck

The club wish the best of luck to the Touraneena primary schools girls football team in Friday's Peil na gCailíní final. Three of the girls on the team won under-12 football medals with this club last year.

### Under-10's

On Sunday morning we travelled to Ballyduff in great numbers for their annual Under-10 Festival of Hurling. In our first game we played near neighbours, Fourmilewater. Games between the two clubs at this age group are always good games to watch and this was no exception.

Although we won 7-2 to 3-0 the game could have gone either way. Naomh Bríd scorers were Paddy O'Donovan (1-0), Diarmaid Walsh (2-0), Sean Fitzpatrick (0-1), J. J. Coffey (2-1), Kieran McCarthy (2-0).

In Game 2 we played Kilmacthomas in a very one-sided game. Our scorers here were Declan Queally (2-0), Paddy O'Donovan (2-1), J. J. Coffey (1-0), John Power (Redgate) 1-0, David Power (1-0), Johnny Kiely (1-0) and Sean Fitzpatrick (1-0).

In this game we were able to take off some of our best players to give our subs a run. The final score was 9-1 to 0-0.

Game 3 was another very close game which was played just minutes after the Kilmacthomas game finished. At half-time we were beating St. Olivers one point to two, J. J. getting both our points. In the second half there was just one score which went to St. Saviours and it was a goal. As a result of this defeat we were knocked out of the competition.

The players who went to Ballyduff were Paddy O'Donovan, Johnny Kiely, Declan Queally, Jack Queally, Eanna Power, John Power (Knockmeal), Kieran Power, J. J. Coffey, James Power, Nick Dalton, John Power (Redgate), Gary Power, Sean Fitzpatrick, Tommy Cashman, Kieran McCarthy, Tommy Buckley, Jamie Troy, Eoin Walsh, David Power, Diarmaid Walsh.

### Thanks

The Naomh Bríd Club would like to thank the Ballyduff Club for inviting us to participate in their tournament and for the friendly welcome players and supporters received.

### Under-9 Tournament

On Saturday, June 13 our under-9's will travel to Aglish for a St. Olivers Tournament. All players will be notified before hand.

## Abbesside Scout Notes

No meeting was held last week as scout leader Brendan was attending a canoeing convention in Lahinch along with Fran, John and Tomas. We hear the waves were very big and the lads certainly worked up an "appetite"!! After the mad rush of events lately everything is quieter this week but not for much longer. Soon to come will be the Father and Cub Camp and the Regional Scout competitions are only a few weeks away now. This weekend the girl guides will be holding a fundraising event in the Den and we would encourage everyone to come along to support this worthy event organised by Jenny and her leaders. Our ten week draw has come to an end and we would like to thank the parents who went to the trouble to organise and oversee the smooth running of it, to those of you who supported the draw with your weekly donation we thank you also and assure you that the money raised will be put to very good use.

Last week we had a break in at the Den and a lot of damage was caused to doors and filing cabinets. No money was stolen as it is our policy to never have money on the premises. The local Gardai are investigating and if anyone has any information on this they and ourselves would be glad to hear from you!!

### GLENSHELANE NEWS

Recent visitors to Glenshelane were the Mother and Cub group from the Déise region who were staying at nearby Melleray Scout Centre. They spent a Sunday morning on various activities including outdoor cooking which went down very well.

Our first campers of the season were the scouts from Carrigaline with Hugh Crowley in charge of operations. They managed to erect the iron bridge across the river which will be a good shortcut for all future scouts getting water from the well.

Our next group were the 11th Waterford (Dungarvan) with Jonathan Hayes in charge. This group did a major clean up in the river. With enquiries from Germany, Ballyboden, France and Cashel in the pipeline, it could prove busy times ahead at beautiful Glenshelane.

### OUR LOCALITY

## An Boithrín Caoch- The Blind Road

An Boithrín Caoch (The Blind Road) is now named King Street, the street where Michael Carroll's Motors is located. King Street Upper and King Street Lower was one street until the building of the railway in 1865 transected it. The turn from King Street into Sexton Street must have been constructed at the time the railway was built.

#### Cul A' tSailín — The Back Of The Sea Pond

This is now known as Home Rule Street. It is the street opposite Strandside South travelling from Minnies direction.

#### Bothar A' Choileara — Quarry Lane

It was later called Humble Street and it was a hollow green field opposite where Shears Street is now located. Some of the houses in T. J. Murphy Place are now built on this site. Shears Street was once known as Humble Street after the local landlords, the Humble-Nugents whose burial plot is in The Clogas.

#### Slate Lane

Slate Lane was the home of many of the old Abbesside families. It was built opposite the quarry mentioned above. Again some of the houses in Murphy Place are built on this site. For the information of people who have recently become resident in Abbesside, Shears Street is the street to Abbesside School from the Shell Cottage.

## Abbesside Reference Archive

Since we set up the archive one of the things we planned to do was a survey on the thatched houses in the parish of Abbesside. While there is only one in the village itself, we think there are ten or twelve in the whole parish.

So, if you live in a thatched house we hope to give you a call with a small questionnaire and a camera, sometime in the near future.

We also plan to have a talk on "The Irish thatched House" sometime in the autumn — more about that later.

This Sunday evening Fintan Strain will be "minding the store" at the parish office, where all visitors will be most welcome.

## THIEVES PANIC UNDER PRESSURE

Last week a two year old tractor, the property of Greg Fives and family was stolen from their farm in The Burgery between 5 a.m. and 5.15 a.m. One of the attachments to the tractor was found in Ballyvoile which convinced Gardai that the tractor was still somewhere in mid-Waterford and had not after all been loaded on a covered lorry and trans-

ported outside the county as many of us had assumed.

### SEARCH

On Thursday Gardai conducted a farm by farm search in the Kilmeaden area as a result of information received. The Gardai must have been close to finding the stolen tractor for in the early hours of Thursday night and Friday morning the tractor was returned to the Pond in Abbesside. The front right hand wheel was punctured but there seemed to be no other damage caused.

Dungarvan Gardai are continuing with their investigations.

## GOLF NEWS

Conor Blackwell, Seapark playing off a handicap of thirteen, was the winner of the Captain's Prize played at Dungarvan Golf Club's Championship course at Knocknagranagh last Saturday and Sunday. Conor recorded rounds of 69 and 67 for a total of 136 and defeated Tony Hamilton (11) by one stroke.

## FISHING BOATS AT THE POND

Two fishing boats moored at the Pond during the week. They chose Abbesside rather than Helvic because of easier access to their boats at low tide. The fishermen were basically interested in lobster fishing and their lobster pots were stacked neatly at the Pond. It was interesting to watch the fishermen repairing the pots and splicing the ropes attached to them.

### SEAL

Passers by saw a seal climbing on to the rocks at Barnawee recently. He could also be seen swimming about at full tide. This is something that has occurred now and again over the years according to local fishermen.

## Tallow Juvenile G.A.A. Club Notes

### UNDER-12 HURLING

Tallow 4-1 Cappoquin 4-1  
Following a dismal performance against Brickeys in their previous game, the under-12 lads redeemed themselves in no uncertain manner against Cappoquin last Thursday evening. The Tallow lads answered their critics in style with a gritty determined performance laced with some delightful skills and solid ground hurling.

Thomas Ryan blasted us into the lead with an early goal. There is no need to elaborate on the precocious talent of this gifted youngster. There is a duty on team mentors in all sports to ensure that the demands and weight of expectations do not sit too heavily on his very young shoulders. Cappoquin made better use of their possession in the first half and would have been flattered by their three goals to one lead at half-time.

Manager Frankie Ryan pepped the lads up at half-time and the fight back began in earnest with scores from Michael Curley (1-1), Eric Hickey (1-0) and James Hampton (1-0). In a frantic final five minutes the game was balanced on a knife and could have gone either way. In the end we settled for a draw but the manner in which it was achieved was especially pleasing.

Team - J. Tobin, E. Hickey, J. Ryan, K. Kearney, K. Casey, E. Forbes, P. O'Brien, M. Curley, L. McCarthy, A. Daly, E. Condon, D. Prescod, T. Feeney, P. Forbes, T. Ryan, S. O'Grady, J. Hampton, M. Ronayne, D. Mulcahy, W. White, D. Ronayne, K. Henley.

### Tallow 6-2 Naomh Bríd 0-2

Another good performance this from our under-12 lads in the field on Monday night. Tallow were well in control in the first half and led by five points at half-time. Eamonn Forbes, a commanding figure at centre-back, was the launch pad for many of our attacks on the Naomh Bríd goal. Michael Curley and Luke hurled well at midfield. Eoin Condon and James Hampton were our top marksmen on the night with two goals each. Willie White was unlucky not to get on the scoresheet and gets my vote for man of the match. All in all a good team performance from the

lads who are improving with every game. Next game is away to Ardmore on Monday night.

Team - J. Tobin, E. Hickey, J. Ryan, K. Kearney, A. Daly, P. O'Brien, M. Curley (0-1), L. McCarthy (1-1), D. Prescod, E. Condon (2-0), M. Ronayne, W. White, S. O'Grady, J. Hampton (2-0), D. Mulcahy, T. Ryan (1-0).

### UNDER-10 BALLYDUFF TOURNAMENT

Our under-10 squad took part in a tournament in Ballyduff last week and acquitted themselves well with comprehensive wins over Tramore and Brickeys in their first two matches. Shane Feeney turned in a fine performance against Tramore with Kenneth Kearney and the lionhearted Keith Hallahan hurling valiantly against Brickeys. Cathal Herlihy hurled well all day also. We host the third and final game against a very strong Roanmore side despite the best efforts of Thomas Ryan who was really coming in to his own at this stage scoring 1-1 from play.

Thanks to Phil Hannon, John Jackson and the Ballyduff Club.

Under-10 team - B. Moroney, T. Feeney, T. McCarthy, K. Kearney, K. Hallahan, D. Prescod, S. Power, T. Ryan, S. Feeney, S. Aherne, C. Herlihy, D. Mulcahy.

N.B. Training for all under-7's, 8's and 9's next Saturday at 2 p.m.

### UNDER-9 BLITZ

The under-9's will have a blitz in St. Oliver's on Saturday week. Players will be notified of time in school.

### UNDER-16 TRAINING

Training continues for under-16's on Tuesday and Thursday nights. As some lads will be sitting exams, no games will be arranged until after the exams.

### SEE CAN YOU SCORE

We had a few close calls last week but the jackpot still stands. The big game this week is of course the Waterford v Tipperary clash in Páirc Uí Caoimh. Another £50 will be added to bring the jackpot up to £400 for the correct score. We thank our many supporters who contributed to the fundraiser each week. Thanks to your help, the juvenile club can continue to work promoting and developing our national games among our young people.

### ON COUNTY DUTY

William Curley will represent Tallow on the Waterford primary schools team on Sunday. We wish him well. We know he will do us proud.

### TRIP TO CORK

The under-14 hurlers travel to Cork on Sunday morning for a match against Blackrock. Following our tussle with the 'Rockies', it's on to Páirc Uí Caoimh to cheer on the Déise hurlers. The bus leaves the Square at 9 a.m. and players should bring a packed lunch. Thanks to Roger Ryan for arranging the game.

### BUTTERFLY BAND RETURN

They're coming back !! The Butterfly Band play on August 22 in Lizzy Langton's. Bf ann agus bí linn.

### FIABHRAS NA FUINSEOIGE

As the great hurling revival gathers momentum, we look forward to some great games ahead this summer. Championship sponsors Guinness are to be commended for their innovative and advertising which captures the imagination. "Psych Up", their latest offering is a classic.

## TALLOW COMMUNITY CENTRE BINGO RESULTS

Ahern, Kevin Cotter, Mrs. Treasa Curley (£100), Eileen O'Callaghan. Next Sunday night's jackpot £1,350 on 48 calls or less.

### POOR WEATHER

Yes the long weekend came and went but the weather did little to cheer people up. Up to last Friday the weather was marvellous but then came a change. However we can report that it's much the same throughout Europe at the moment. Tallow saw the arrival of some of its emigrants home for some holidays and hopefully they enjoyed themselves despite the poor weather.

## BRIDEVIEW UTD. A.F.C. NOTES

UNDER-8 LEAGUE

## Brideview 'Babes' March On

CLASHMORE RAMBLERS 1 BRIDEVIEW UTD. 2

This was our under-8 team's toughest game to date but our lads once again came home with the points which keeps them on top of their league and it will now be a real surprise if these Brideview 'babes' do not now clinch the league title.

Our 'keeper for this game was as usual Barry Moroney and he was called on to make some world class saves. Our opening goal came ten minutes into the game when Thomas Ryan opened the scoring with an unstoppable shot from just outside the box. Ramblers were always dangerous on the break but our defence of Cunningham, Hallahan and McCarthy kept a tight rein on the homeside's front men.

At the break just Ryan's goal still separated the sides but two minutes into the second half Utd. stretched their lead to two goals when Shane "Gunner" Aherne put us two up. Our midfielders of Geary, Ryan and Herlihy were outstanding and curtailed much of the Ramblers play in midfield. Our strikers Sullivan and Aherne kept the homeside defence busy throughout the game.

Ramblers did however find the net with just five minutes remaining and so piled on the pressure as they went looking for an equaliser. It was time to bring on fresh boys and these lads really proved themselves. Kevin Curley brought off some crucial tackles (just like his father). Shane Feeney tormented the Clashmore defence with some exciting runs which helped to relieve the pressure on our defence.

Overall a marvellous win for our lads who are now unbeaten in the league. Manager on the night, Noel Cunningham was delighted to hear the final whistle but felt that overall we just about deserved to win.

We would like to wish Noel's co manager, Diarmuid Hallahan a speedy recovery. Diarmuid injured his hand at work (although one of the lads said he was peeling spuds at home ha ha ha !!!). Best wishes anyway, Diarmuid.

United - B. Moroney, P. Cunningham, K. Hallahan, B. McCarthy, K. Geary, T. Ryan, C. Herlihy, S. Sullivan, S. Aherne. Res. used - S. Feeney, K. Curley, S. Casey.

### Clashmore Ramblers 2 Brideview Utd. 0

Our second team put up a tremendous performance here and were unlucky to lose against Ramblers first team. There is plenty of talent here for next season and the lads are delighted with the games to date this season.

United - B. Moroney, K. Curley, S. Barry, C. Murphy, T. Daly, S. Casey

(capt.), E. Sheehan, D. Mulcahy, A. Pratt.

### THANKS

Our thanks to our drivers for the above game - Siobhan Moroney, Siobhan McCarthy and Mary Cunningham. Thanks girls.

### BIRTHDAY WISHES

Yes it's party time for Shane Aherne (he forgot to invite me but I suppose it was just for "Gunner" fans). Bob McCarthy also celebrated his birthday as indeed did Olive Hickey. Hope everyone had a good day. Not forgetting Barry Oakham who celebrated his 18th birthday. Happy birthday also to our Div. 1 player, Philly Curley who celebrated his birthday last week.

### BACK HOME

Two local girls taking a break from across the water are Mary Murray and Karen Cunningham. As usual the girls are home on their own but maybe that's only to confuse this P.R.O. Anyway I hope ye enjoyed the break, girls.

### NEWS TO HAND

"Oh God I forgot my money," said a former member of the community last Friday night. We said no mun no fun so he went home and got some. Next time you change your jeans, change your money as well.

By chance I spotted the young lovers early the other evening, both staring into each other's eyes. One of our ex players was in full voice on Saturday night while another player was full of beer and stories also on Saturday night last.

### SPONSORSHIP

Again the club is coming in for some more sponsorship which is greatly appreciated and we will have more on this in the next week or two.

### DRESSING ROOMS

Yes the first team to officially use our new dressing rooms were our under-8 team and they went on to win.

### ON HOLIDAYS

Nice to see Sean Cronin, Convent Street and daughter enjoying the week's break.

### WELL DONE, JOHN

All in Brideview Utd. would like to congratulate John Aherne on his racing success in Kinsale on Sunday. John's horse "Nottico" finished in a dead heat with "Winter Gamble". John and his large bunch of supporters were in good voice in The Corner House Bar on Sunday night.

## U-14 HURLING CO.

### FINAL

De La Salle 2-3  
St. Declan's 0-2

De La Salle were deserving winners of a scrappy Under-14 county final which was played in Ballyduff.

The Waterford City side led by I-0 to 0-1 at half-time, as the St. Declan's defence performed heroically under severe pressure.

St. Declan's dominated twenty minutes of the second half, but poor forward play saw no further score added. De La Salle were eventually to get on top, and notched up a goal and two points in the last 10 minutes to take the title.

Best for St. Declan's: M. Prendergast, J. Cahill, M. Giles, D. Clifford.

Team — T. McGrath, N. Doyle, S. Houlihan, M. Prendergast, M. Whelan, J. Cahill, R. Hickey, M. Giles, S. Kavanagh, E. Mackey, C. Meares, M. Donnelly, N. O'Brien, D. Clifford (c) (0-2), K. Mulhall. Subs: L. Power, M. Cashman.

## Diocese Of Waterford & Lismore

# JUBILEE A.D. 2000

## "A New Springtime"

### PENTECOST 1998

My dear priests and people of the diocese of Waterford & Lismore.

#### JUBILEE 2000

I am glad that the opportunity to write to you as we prepare for the celebration of Jubilee 2000. The year 2000 - the year of the Great Jubilee - is drawing ever closer. Preparations to mark the turn of the century and our entry into the third millennium are well and truly under way. Spectacular events of all kinds are being planned. As the new century draws closer, it would be sad indeed if we forgot the real reason why we celebrate, namely the birth of Jesus Christ in a stable at Bethlehem 2000 years ago. This was a decisive moment in our history. So much so that it is by this event that the years of our calendar are measured. In the year 2000, therefore, we will be 2000 years in the life of Christ and His Church.

#### CELEBRATION

A Jubilee is a time of celebration. A special celebration. Celebrating say fifty years of marriage is but one example of a jubilee celebration. On such an occasion, husband and wife remember with joy and thanksgiving their wedding day and all the blessings the family have received since then. Their children, relatives, friends and neighbours join in and wish them well for the future. Gifts are also given in appreciation of their love and care over the years. Other examples of jubilees are organisation and business jubilees.

Jubilee 2000 is something like that but of far greater significance. In this case, we are celebrating an event that happened 2000 years ago - the coming of Christ into our world. We remember that He came to make a better world in every way. He taught us how to love and care for each other. He suffered and died for us and in His death and resurrection, He actually shared His life with each of us. He loves us dearly.

#### A NEW SPRINGTIME

The approach of the year 2000 is a challenge to open our hearts to the grace of this privileged time. The celebration of the Jubilee and our preparation for it, is a moment of grace, a time of renewal for the whole Church. It is a new springtime, giving us all a chance to make a new beginning as parishes, as families and as individual persons.

#### THE PARISH

Pope John Paul II, in his encyclical announcing Jubilee 2000, suggested that the Church see the Jubilee and the years leading up to it as a 'springtime' where there would be fresh and renewed growth. That growth and renewal has been taking place in different ways in many parishes of the diocese and I want to express my sincere gratitude for that. I would like to thank the many lay men and women who have become actively

involved in their parishes. We must be always ready to see how our own gifts can be used for the general good. Approaching the Jubilee, we look confidently at our parishes as they move along the pathway of renewal, undertaking new and imaginative things by way of preparation for the year 2000. To all, I would appeal, as we begin our Jubilee preparation, please become involved in the life of your parish. The extent of your participation may seem to yourself to be small but I assure you it will make a difference and will be appreciated.

#### PARENTS AND CHILDREN

I recognise that this is a very challenging time to be a parent. You may feel a certain inadequacy in handing on the great gift of faith to your children. You worry about their faith. However it is important for parents to take heart, to recognise that your children do value deeply the lives you live with all your love and care. I know, too, that parents appreciate the goodness and honesty of young people. Even though their form of spirituality may be different from that of their parents, the great majority of our young people have a deep sense of spiritual values and of God.

#### PRAYER

As we prepare for the Jubilee, could I encourage all our families to keep prayer in your homes: set time aside for it. Have a reminder of God's presence about your house: have the Gospel story of Jesus and read it together as a family. Begin and end your meals with a prayer. Pray as a family and particularly pray that people may be generous in answering Jesus' call to the priesthood and religious life.

#### EACH PERSON

We are well aware today of people who have become disillusioned with the Church and have ceased to practice. If this is so, as we prepare for the Jubilee, I extend to all a very sincere invitation to return. You are welcome and need have no fear. Through our Sunday Eucharist, let us experience afresh the love of Jesus and draw strength to cope with the 'ups and downs' of life. And with a sincere confession of our sins, let each of us start the process of renewal deep within ourselves.

#### HOPE IN OUR HEARTS

On this Pentecost Sunday, we go forward with hope in our hearts to meet this new 'springtime' in our Church's life. With confidence in Jesus, we take steps towards new growth. With courage, we turn to the Holy Spirit and like the apostles in the upper room at Pentecost, we ask the protection of Our Lady for our parishes, for our families and for ourselves.

Most Rev. William Lee,  
Bishop of Waterford & Lismore.

## DUNGARVAN TOASTMASTERS NEWS

The second last meeting of the season took place last Thursday, May 27. The meeting was most enjoyable. John Lawless was our first speaker with a speech entitled "It All Adds Up Mathematically". Our second speaker was Marion de Búrca who spoke about the High Nelly and her memories of learning to cycle. Our third speaker, John Foley told us how to prepare ourselves for the year 2000. Rita Sandford gave a demonstration speech on the various levels of communications with a speech entitled "We Are All In It Together". This was from the Advance Speech Manual. Well done to the evaluators for their support and recommendations.

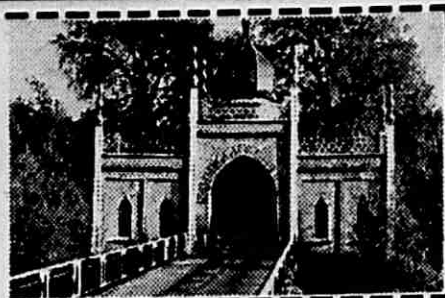

The topics session was introduced by Josephine McCarthy. They were thought provoking and led to a very lively discussion on celebrities such as Dana International and Frank Sinatra.

Many thanks to all those who played their part on the night. Congratulations to Winston Boyle who is the new Area Governor for the '98/'99 season. Arrangements are being made for our summer outing - will it be a day at the races or the Munster Final?

Our last meeting of the season is on Thursday, June 11 at 8 p.m. in the Park Hotel.

# WEST WATERFORD NOTES

## CLASHMORE RAMBLERS

Not much luck for young rambblers. We played three U-8 games and one U-10 game but managed just one win and a draw.

U-10 League — Ramblers 3, Cappoquin 2. Despite thundery showers, both sides served up a real thriller with Cappoquin making Clashmore fight all the way for their victory last Sunday evening. Ramblers had the better of the first half but had to wait until five minutes before the break for the opener when Patrick Kelleher fired home. The visitors equalised within a minute of the restart but Kevin Murphy scored our second goal five minutes later. Cappoquin again levelled and despite numerous chances, including two efforts that came back off the bar, it looked like we would have to settle for a draw. Three minutes from time however, Edmund Ledingham scored what proved to be the winner to keep us at the top of the table. Best for Ramblers were Emmet Kelly, Patrick Kelleher, Shane Dalton and Edmund Ledingham.

Panel: Colm Kelly, Ciaran Bourke, Michael Barron, Declan Coughlan, Emmet

Kelly, Shane Dalton, Patrick Kelleher, Kevin Murphy, Edmund Ledingham, Gavin Dower, Stephen Orr, James Mansfield, Andrew Condon, Colm O'Rourke.

### U-8 LEAGUE

Ramblers 1, Brideview United 2 — The league leaders came to Clashmore last Friday evening and in a game that we just had to win, it was Brideview who came out on top after a mighty effort from our team. Brideview took the lead mid-way through the half when they were on top. Ramblers tried hard and when it looked like we might get an equaliser, Brideview scored a second goal. We deservingly got a goal back with four minutes remaining but failed to snatch a much needed equaliser. Michael Cunningham was Ramblers scorer. Best for Clashmore were Redmond Foley, Thomas O'Keefe, Aidan Trihy and Michael Cunningham.

'B' Match — Ramblers 2, Brideview United 0. Brideview brought enough players for a second match and although there were no

points at stake, it was nice to record a victory. Ciaran Bourke and Michael Cun-

ningham scored our goals.

Youghal Athletic 3, Ramblers 0 — Nothing went right for Ramblers last Saturday evening in the first of two matches against the two Youghal sides. Youghal scored inside the first minute and we never got to grips with their lively forwards. We also came up against possibly the best goalkeeper in the league, which didn't help our cause. Athletic scored ten minutes from time and their third goal came in the final minute. Our best players were Mark Cunningham, James Mansfield, Redmond Foley, Ciaran Bourke and Cathal O'Keefe.

Youghal Celtic 2, Ramblers 2 — We used many of our younger players in this game and although Celtic played better than us and probably deserved to win we managed to come away with a draw after goals from James Mansfield and Michael Cunningham. Best for Ramblers in this game were Stephen Orr, Sean Bourke, Aidan Trihy, Thomas O'Keefe and Patrick Cunningham.

Panel for U-8 teams: Cathal O'Keefe, Mark Cunningham, Aidan Foley, James Mansfield, Ciaran Bourke, Redmond Foley, Sean Bourke, Thomas O'Keefe, Aidan Trihy, Stephen Orr, Michael Cunningham, Niamh Condon, Sophie Condon, Patrick Cunningham.

### FIXTURES FOR WEEK

The manager will contact all players about the next games.

### BEST WISHES TO EDDIE

With the World Cup competition starting on June 10th, local official Eddie Foley will be heading out to France this week and on behalf of everyone in Clashmore Ramblers, I would like to extend our best wishes to Eddie. The eyes of the World will be on this World Cup and referees and officials have such a demanding and important role to play, that they are often unfairly put under the microscope of T.V. critics who have the benefit of slow motion replays etc. These are just some of the pressures that will face Eddie over the next few weeks but there are also very many benefits awaiting in France and they will surely bring many happy and lasting memories for Eddie, his family and friends.

### IN HOSPITAL

Our very good wishes for a speedy recovery are extended to Pa Ryan, Shanacoole, Kinsalebeg who is presently a patient in the Mercy Hospital. Pa is especially in our thoughts at this time as it marks the first anniversary of the tragic death of his wife Kitty. Get well quickly Pa.

### NEW ARRIVAL

Our congratulations to very popular teacher Mrs. Suzanne Hynes and her husband Roger on the birth of their daughter, a little sister for Caoimhe and Katie.

### SUCCESSFUL GYMKHANA

Despite the wet weather prior to the Bank Holiday Monday Gymkhana at Dungarvan, on the day conditions were good and we saw some great show jumping in both the horse and pony section.

Clashmore Branch of Aid Cancer Treatment is set to benefit from the proceeds of this Gymkhana and this is very much appreciated.

### CONGRATULATIONS TO JAMES AND ELAINE

Warmest congratulations and best wishes to James Foley (formerly of Coolbagh, Clashmore) and his wife Elaine on the recent birth of their daughter. Best wishes from all your family and friends in Clashmore.

### DEATH OF JACK DOYLE

Sadly we received the news of the death in England of Mr. Jack Doyle, London a regular visitor to Clashmore.

Over a span of twenty five years Jack enjoyed numerous holidays in Clashmore. His Clashmore base was the home of his friend Bobby Morrison in Ballinacash but he had numerous friends right throughout the area and he will be dearly missed by all of them.

To his wife and family, his relatives and friends especially Bobby our deepest sympathy.

### CLASHMORE 45 DRIVE

The results of last Monday night's 45 drive were joint winners on 8 games each, Paddy Kelleher and Peggie Hurton, Paddy and Nell Foley, Stephen Cunningham and Tomas Allen, Bobby Morrison and Jack Douris. Best of the last five, Birdie Cunningham and Mary Coughlan. Last game winners, Joseph O'Keefe and Ned Hynes, John Connery and Maura McGrath. Well done all. Cards as usual on Monday night.

### RECENT VISITORS

Anne De Punta and her son Michael have enjoyed one of their regular visits here at home with her mother Mrs. Rita Keogh in Shanacoole and have now returned to their home in Italy. Bon Voyage, see you later in the year.

Funeral took place in Grange on Monday last. We all join in extending our deepest sympathy to his wife Peg, his son Mossie, his daughters Bridget, Eileen, Margaret, Patricia and Marie and all his relatives and friends.

### GOOD LUCK EDDIE

The good wishes keep pouring in as Eddie Foley counts down the hours to his departure to France for what must surely be the greatest event in his sporting career.

While we are well aware of pressures involved in officiating in World Cup games, we have no doubt Eddie will do a fine job in France. We wish you all the best Eddie and hope you get a little time to enjoy some of the games. Bon Voyage Eddie.

### OFFICIAL OPENING OF NEW STAGE

This Friday June 5th will mark another milestone in the history of Modeligo with the official opening of our new stage and extension. Our new Community crest will also be unveiled at the same function. This celebration will bring to an end the 4th phase of our development which began back in 1986. In that time over £200,000 has been collected by our ever loyal committee and now it is time to celebrate that achievement and to acknowledge the wonderful support which we have received from both inside and outside the Parish.

The official proceedings will get under way at 8.15 pm. This will include a special welcome to the Fas workers who built the stage and the dressing rooms to such a high standard. We are also looking forward to welcoming the various dignitaries who have been invited for this special occasion.

Following the formalities the evening's entertainment programme on the new stage can then proceed. Dancing, singing, music, recitation, will all form part of the fair, finishing up with the local dramatic club staging its one act play 'The Romantic Lover'.

Refreshments will of course be served during the night and on that note the committee would be delighted to accept cakes, buns, etc. from anybody who could help out. We are expecting a capacity attendance so we will need a generous supply.

We are looking forward to a tremendous and memorable night. Do come along and savour the occasion. It won't happen again.

## COMMUNITY GAMES NEWS CLASHMORE/ KINSALEBEG

U-10 Football — Well done to our U-10 football team who beat K.C.K. in the semi-final in Dungarvan on Thursday night last. We hope to play the final in Ballymacarby this Thursday night at 7 pm. Thanks to Ballymacarby community games for very kindly obliging us here.

U-12 Girls Football — Our U-12 girls were beaten by Ballymacarby on Saturday last. The visitors were too strong for our girls on the day. Taking into account that most of our girls will be still U-12 next year they acquitted themselves very well indeed.

Athletes - Change of Date — Our County athletics finals have now switched from next Sunday to Saturday 27th June in Waterford. This is due to the Waterford hurling match which takes place on Sunday. Best wishes to the Waterford team.

U-15 Girls Soccer — Our U-15 girls soccer team emerged winners over Ring/Old Parish/Grange/Ardmore on Sunday night last and now progress to play Aghlish/Ballinameala in the final. Well done girls.

Draughts — The next outing for our U-10 team will be the Munster championship in Limerick on July 11th. Our U-14 team will play Clonea/Rathgormack shortly.

Pitch & Putt — This is about to take place very soon. Track-suits — A number of track-suits have not yet been returned since the Mosney trip. It would be appreciated if these could be handed back immediately please as they are property of the County Board.

Found — A large grey umbro jumper was found in the GAA field after the Community games athletics which was held recently.

## Jockeys Give Thumbs Up To New Tramore Racetrack

Champion jockeys Mick Kinane and Charlie Swan have both given the thumbs up to the newly laid track extension at Tramore race course last Thursday.

Each jockey rode a race-horse round the track and gave a highly favourable report on the improvements stating that it rode very well.

Well known on the international racing scene, Kinane and Swan have ridden races all over the world and their comments were well received by the racecourse directors.

During the past nine months thousands of tons of soil were moved from the centre of the course to build an embankment on which to lay the new sods for a one furlong extension to the track.

Yesterday's Whit Tuesday summer race meeting was the first actual race over the new laid grass with £36,500 in prize money as well as the £10,000 Bank of Ireland Chase.

See full list of results in next week's edition.

## Clonea Ten Pin Bowling Notes

Finches Ladies Bowling League — The month of May saw a very close encounter with three of the women scoring well over the 100 mark each week. Margaret Kiely started the month brilliantly and her score of 135 was enough to earn her the month's best score and so making it very difficult for the rest to catch up. Ivy Ahearn had a very good 126, along with Bea Beaches at 123 and Libby Walsh down at 107. Again in week two, the same ladies scored very heavy along with Patricia Donnelly who scored a 105 to put her in contention. There was a group of ladies behind them which included Breda Bannon (95), Ellen White (96), Hannah Walsh (87), Ann Moloney (80), Peggy Hanrahan (93), Kathy Gough (79) but they needed some excellent scoring to catch up.

Week 3 saw a little more of a gap opening and so putting Bea Beacher, Libby Walsh and Margaret Kiely out on their own. It was going to be down to the last ten nacks to separate this trio.

Bea Beacher scored 105 again showing her consistency. Margaret Kiely, now the new favourite at 109 but the best was still to come with a super 133 from Libby Walsh to win the Finches League for the month of May.

**Irish Story**

**A YOUNG MAN** journeyed to a foreign land where he met a young woman who seemed so beautiful, intelligent, loving and industrious; he quickly determined to marry her and settle down with her for the rest of his life. However, before that could happen, he began to notice her bad habits: drinking, smoking, cursing, blaspheming God, begrudging, gossiping, gambling, lying, cheating, and avoiding work. Soon he discovered she was a prostitute, living off rich men of the community. The young man still loved her, so he tried to persuade her to change her ways, but she would not listen. Sadly the young man went back to his home. He who has ears to hear, let him hear.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,  
That someone is our mother,  
The best beyond compare.  
Will those who think of her today,  
A little prayer to Jesus say.

Simple words but very true,  
We will always love and remember you.

**DOHERTY** — Sixth Anniversary — In loving memory of a very dear son and brother, Paul Doherty, whose anniversary occurs on June 8. Sweet Jesus have mercy on his soul. R.I.P. Masses offered.

Anniversary Mass at 10.45 a.m. in Affane Church on Sunday, June 7.

You closed your eyes and slipped away,  
We never said goodbye,  
Gone without a warning,  
We can only wonder why.

Lots of things have happened, Paul,  
Since that fateful day,  
Many things we could have shared,  
If God had let you stay.

But life goes on regardless,  
Of the grief and loss we feel,  
The pain that is within our hearts,  
Is an ache that will not heal.

May the winds of love blow gently, Paul,  
And whisper in your ear,  
How much we miss and loved you,  
And wish that you were here.

(Loved and remembered, sadly missed, your loving parents Michael and Breda.)

# IN MEMORIAM

**WALSH — First Anniversary** — In loving memory of my Mummy, Angela B. Walsh, of 7, Cloneeey Villas, Dungarvan, who died on June 4, 1997.

**MUMMY**

You were my world, Mum,  
My warmth and my light,  
You showed me the world,  
Mum,  
It all looked so bright,  
And although you have gone,  
But not far away,  
You will bring up the sun,  
To brighten my day,  
And when the day is over,  
Then it becomes night,  
I'll know you are still with me,  
You'll be the star that shines so bright,  
I'll stare into the sky at night,  
And whisper very low:  
"Goodnight, Mummy, it's time to sleep,  
But I really love you so."  
(Love you always and never forgotten — your son Trent and Matthew in England.)

**WALSH — First Anniversary** — In loving memory of a loving niece, Angela Walsh, late of 7, Cloneeey Villas, Dungarvan, who died on June 4, 1997. Anniversary Mass Sunday.

As I wander by your grave-side,  
Fresh flowers I place with care,  
No one knows my heartache,  
As I turn and leave you there.  
I often sit and think of you,  
And think of how you died,  
To think you could not say goodbye,  
Before you closed your eyes.  
Time does not heal the heartache,  
Or stop the silent tears,  
Or take away our longing,  
Of you whom we loved so dear.  
You are not just a memory,  
Or part of the past,  
You are ours to remember,  
As long as life lasts.

(Always remembered and missed — Tricia, Martin, Jade Katie and Conor.)

**WALSH — First Anniversary** — In loving memory of my dear friend, Angela, late of 7, Cloneeey Villas, Dungarvan, who died on June 4, 1997.

A heart of gold, a life so true,  
Loved and remembered by all she knew,  
Always willing, helpful and kind,  
What beautiful memories she left behind.  
(Always in my thoughts — your loving friend Becky.)

**WALSH — First Anniversary** — In loving memory of a dear sister, Angela Walsh, late of 7, Cloneeey Villas, Dungarvan, who died on June 4, 1997.

No special time is needed,  
For us to think of you,  
To us you were very special,  
And we thought the world of you.  
Your memory is our greatest treasure,  
To have and keep forever,  
Time slips by, life goes on,  
But from our hearts you are never gone.  
Remembering you is easy,  
We do it every day,  
Missing you is a heartache,  
That never goes away.  
We cannot bring the old days back,  
When we were all together,  
The family chain is broken now,  
But memories live forever.  
(Sadly missed — Paul, Becky, Tara.)

**WALSH — First Anniversary** — In loving memory of Angela B. Walsh, late of 7, Cloneeey Villas, Dungarvan, who died on June 4, 1997.

A year has passed since you've been gone,  
Our hearts still think of you,  
We watched you battle to the end,  
There was nothing we could do,  
Behind the gates of heaven,  
My golden friend lives there,  
She is someone very special,  
Someone who really cared,  
Rest in peace, dear Angela,  
Your love will see us through,  
Until the day that Jesus calls,  
To take us home to you.  
(Always remembered preciously Lisa and Kayleigh.)

**WALSH — First Anniversary** — In loving memory of a loving niece, Angela Walsh, late of 7, Cloneeey Villas, Dungarvan, who died on June 4, 1997.

God saw you getting weary,  
A cure was not to be,  
He put his arms around you,  
And whispered come to me.  
So keep you arms around her, Lord,  
And give her special care,  
Make up for all she suffered,  
And all that seemed unfair,  
Remembering you is easy,  
I do it every day,  
Missing you is the heartache,  
That never goes away.  
(Always in my heart — Betty, Pat, Matthew, Niamh and Bill.)

**WALSH — First Anniversary** — In loving memory of a dear friend, Angela, late of 7, Cloneeey Villas, Dungarvan, who died on June 4, 1997.

God must have thought you special,  
To take you the way He did,  
They say He only takes the best,  
And this He surely did.  
Look around Your garden, Lord,  
For an angel with a smile,  
She won't be hard to recognise,  
She must stand out a mile.  
(Always remembered by Brendan, Stella and Josh.)

**WALSH — First Anniversary** — In loving memory of my dear friend, Angela Walsh, 7, Cloneeey Villas, Dungarvan, whose first anniversary occurs on June 4.

I want to tell you something,  
I don't know where to start,  
I only know I miss you,  
From the bottom of my heart.  
I often lie awake at night,  
When the world is fast asleep,  
I'd take a trip down memory lane,  
With tears upon my cheek.  
They say that time heals everything,  
I can't believe it's true,  
Because in my heart I still remember,  
The day that we lost you.  
(Sadly missed by your friend, Denise.)

**WHELAN — Second Anniversary** — In loving memory of my dear mother, Ellen Whelan, Lyre, Mahonbridge, who died on June 4, 1996.

I sat beside your bedside,  
My heart was crushed and sore,  
I did my best to the end,  
Till I could do no more,  
Sad is the heart that loved you,  
Silent the tears that fall,  
Living my life without you,  
Mam,  
Is the hardest part of all.  
As I held your hand that morning,  
I knew I would have to part,  
With a very precious mother,  
Whom I loved with all my heart.  
So rest in peace, dear mother,  
And thank you for all you have done,  
I pray that God has given you,  
The crown that you have truly won.  
(Never forgotten by her loving son Paddy and Noanie.)

**WHELAN — Second Anniversary** — In loving memory of my Granny, Ellen Whelan, Lyre, Mahonbridge, who died on June 4, 1996.

If heaven had a number,  
Granny,  
We'd call you on the 'phone,  
To tell you that we love you,  
And beg you to come home.  
But we know this can't be,  
So dearest Jesus up above,  
Give our Granny a great big hug,  
Look after her please, don't leave her alone,  
Love her in heaven, just like we did at home.  
(Always remembered by her loving grandchildren and great-grandchildren.)

**WHELAN — Second Anniversary** — In loving memory of my dear mother, Ellen Whelan, Lyre, Mahonbridge, who died on June 4, 1996.

You left us precious memories,  
That make us laugh and cry,  
But the love you placed within our hearts,  
No millionaire can buy.  
You never really left us,  
Or travelled very far,  
Just entered into God's garden,  
And left the door ajar.  
(Your loving daughter Mary and son-in-law Kevin.)

**WHELAN — Second Anniversary** — In loving memory of my dear mother, Ellen Whelan, late of Lyre, Mahon Bridge, who died on June 4, 1996.

Thank you Mam for the years we shared,  
The love you gave and the way you cared,  
Silent thoughts, sincere and true,  
From a son who thought the world of you.  
(Always remembered by your loving son Liam, daughter-in-law Jill.)

**GRANNY**

Father in heaven, hear my prayer,  
Look after my granny with loving care,  
A prayer each night keeps me in touch,  
With a Granny I loved so very much.  
I think of you in silence,  
I talk about you too,  
I have some lovely memories,  
But I wish I still had you.  
(Loved and missed always — your granddaughter Karen, grandsons Mark, David and Shane.)

**WHELAN — Second Anniversary** — In loving memory of Ellen Whelan, of Lyre, Mahonbridge, Kilmacthomas, who died on June 4, 1996. Masses offered. R.I.P.

As time goes on without you,  
Mam,  
And days turn into years,  
They hold a million memories,  
And hide a million tears.  
The things we feel most deeply,  
Are the hardest things to say,  
But we your children loved you,  
In a very special way.  
No one knows the heartache,  
Of what your parting cost,  
But God in all His glory,  
Has gained what we have lost.  
Call her name out softly,  
Lord,  
And when she looks your way,  
Tell our Mam that we loved her,  
And miss her every day.  
Mam, you are a special guest in God's care,  
Safe in heaven until we meet you there.  
(Always remembered by your loving daughter Kathleen and grandchildren and great-grandchildren.)

**WHELAN — Second Anniversary** — In loving memory of our Granny, Ellen Whelan, late of Lyre, Mahonbridge, who died on June 4, 1996.

A tribute to a granny so dear,  
So close to our hearts each day of the year,  
We will always have memories,  
To have and to hold,  
Of a wonderful granny,  
More precious than gold.  
(From your loving grandchildren Siobhán, Denise, Sinéad, Niamh and Kevin and your great-grandchildren Kayleigh, Aaron and Aimee.)

**WHELAN — Second Anniversary** — In loving memory of my dear mother, Ellen Whelan, Lyre, Kilmacthomas, who died on June 4, 1996.

Wouldn't it be lovely, Mam,  
Your smiling face to see,  
Standing by the doorstep,  
The way it used to be.  
All my life I loved you,  
To me you were so dear,  
No matter when I needed you,  
I always found you there.  
There are many things to thank you for,  
I don't know where to start,  
Except to say I love you,  
From the bottom of my heart.  
(Sadly missed by her son Michael, daughter-in-law Margaret and family.)

**WHELAN — Second Anniversary** — In loving memory of Ellen Whelan, Lyre, Kilmacthomas, who died on June 4, 1996.

A golden heart stopped beating,  
Hard working hands at rest,  
God broke our hearts to prove,  
He only takes the best.  
They say that memories are golden,  
Well maybe that is true,  
But we never wanted memories,  
We only wanted you.  
(Always remembered by Martin, Nora, Aaron, Ryan and Ciara.)

**WHELAN — Second Anniversary** — In loving memory of our dear mother, Ellen Whelan, Lyre, Kilmacthomas, who died on June 4, 1996.

My thoughts are always with you,  
Your place no one can fill,  
In life I loved you dearly,  
In death I love you still.  
I know you walk beside me,  
And when my life is through,  
I pray that God will take my hand,  
And bring me straight to you.  
(Always loved and sadly missed by her daughter Noeleen, Timmy, Jamie and Elisa.)

We think of you in silence,  
We talk about you too,  
We have some lovely memories,  
But we wish we still had you.  
And if memories bring us closer, Mam,  
We're never far apart,  
For you are always with us,  
In our prayers and in our hearts.  
(Sadly missed by her loving daughter Breda, Herbie and family.)

**WHELAN — Second Anniversary** of dear mother, Ellen Whelan, Lyre, Kilmacthomas, who died on June 4, 1996.

You were always there when I needed you,  
No task too great or small,  
With loving hands and loving heart,  
For me you did it all.  
I speak your name with love and pride,  
I smile with tears I cannot hide,  
Thank you Mam for the years we shared,  
The love you gave me and the way you cared.  
You are not just a memory,  
Or part of the past,  
You are mine to remember,  
As long as life lasts.  
With a broken heart I whisper low,  
God bless you Mam, I miss you so,  
Will those who think of my mother today,  
A little prayer to Jesus say.  
(Forever loved and missed by your loving daughter Helen, son-in-law Patrick and grandchild Tadhg.)

**WHELAN — Second Anniversary** of dear mother, Ellen Whelan, Lyre, Kilmacthomas, who died on June 4, 1996.

Anniversary Mass on Saturday, June 6 at 7.30 p.m. in Kilrossanty Church.  
My second sad year is over,  
Without you by my side,  
Many times I've needed you,  
Many times I've cried.  
I did not know that night,  
What heartache it would bring,  
When that loving heart stopped beating,  
And we could not do a thing.  
Home is lonely without you,  
My life is not the same,  
I will always love you,  
Until we meet again.  
(Always loved and remembered by your loving son John-Joe and Mary.)

He shared our troubles, joys and tears,  
Thank you dad for those wonderful years.

**NAGLE** — Birthday Remembrance of my loving father, Christopher Nagle, late of 14, Cathal Brugha Place, Dungarvan, whose 59th birthday occurs on June 8.

I seldom ask for miracles,  
Dad,  
But today just one would do,  
To leave my door wide open,  
And see you just walk through.  
My heart still aches with sadness,  
My eyes shed many a tear,  
God only knows how I miss you,  
As it dawns another year.  
A prayer, a Mass, are all I can give,  
And those you shall have as long as I live.

(Never forgotten by his loving son Michael, daughter-in-law Mandy and grandchildren.)

Behind the gates of heaven,  
There is someone special there,  
A dad we loved so dearly,  
A dad who will always care.  
You gave us all you had to give,  
Gifts both big and small,  
But most of all you gave us love,

The biggest gift of all.  
The tears in our eyes we can wipe away,  
But the pain in our hearts will always stay.  
(Too dearly loved to be forgotten — loving daughter Mary.)

**NAGLE** — Birthday Remembrance of my loving father, Christopher Nagle, late of 14, Cathal Brugha Place, Dungarvan, whose 59th birthday occurs on June 8.

Away in the beautiful land,  
with God,  
In a valley of peace so fair,  
Some day, some time, dear father,  
I will find you waiting there.  
I will know your voice in the heavenly crowd,  
And your steps on the streets of gold,  
And the same sweet smile on your face,  
I knew in the days of old.  
Your memory is my greatest treasure,  
Deep in my heart you will live forever.

(Always in my thoughts — loving daughter Jennifer.)

**NAGLE** — Birthday Remembrance of my loving father, Christopher Nagle, late of 14, Cathal Brugha Place, Dungarvan, whose 59th birthday occurs on June 8.

He was a father so very rare,  
Content in his home and always there,  
On earth he toiled, in heaven he rests,  
God bless you, Dad, you were one of the best.  
The blow was hard, the shock severe,

### CITRONELLA AND LEMONGRASS

The essential oils of Citronella and Lemongrass are very useful insect repellents.

They can be used safely in the home, especially in the kitchen, or outdoors in a confined area like a tent.

Simply clean a spray bottle thoroughly, add 10 drops of citronella and/or lemongrass to one pint of water and you have an eco-friendly insect repellent which smells very pleasantly. Or just use the mixture in an oil burner to keep flies away.

Citronella and Lemongrass are available at

# LISMORE G.A.A. CLUB NOTES

**Senior Challenge** — Our senior hurlers travelled to Doon, Co. Limerick on Saturday evening last to play the host team in a challenge game. In what was a very tough game, Lismore emerged the winners by a single point.

**Senior League** — The league goes ahead again this week with Lismore playing away to Dunhill on Thursday, June 4. A win here would put us through to the semi-final stage with one game left to play. (All players please contact selectors as date may be changed). We played Fourmilewater on Tuesday evening last in this competition and recorded a good victory. The final score was Lismore 1-17 Fourmilewater 1-1.

**Munster Championship** — All roads lead to Páirc Uí Caoimh on Sunday next when Waterford take on Tipperary in the Munster semi-final. Hopes must be high with Waterford playing so well in the league competition.

Best of luck to all concerned especially our own six lads namely Brendan Landers, Sean Daly, Mark O'Sullivan, Dave Bennett, James O'Connor and Dan Shanahan. Give it your best shot, lads.

**Club Championship** — As everyone is aware, Lismore will be taking on Passage in the first round of the Senior Championship. This game is fixed for Sunday, June 21. This is the game that players are training for with the past few months.

**Under-11 Hurling** — Our under-11 hurlers had a great victory over Cork city side, Bishopstown in the final of the Ber Ryan Memorial Cup which was held in Lismore on Saturday week last. Victories over Glanworth, Tallow and Bishopstown saw our boys qualify as group winners for a semi-final tilt with St. Oliver's. Here we emerged victorious giving a very impressive display while Bishopstown qualified for the final with a semi-final victory over Group 2 winners, Youghal. The final itself was a closely contested affair with Lismore holding on to win a by no means narrow margin after a great defensive display.

**Team** - Leonard Nugent, Pádraig Fitzgerald, Brian Walsh, Sean O'Grady, Philip O'Keeffe, Michael Coleman, Stephen O'Keeffe, Terence Walsh, Nicholas O'Keeffe, Daniel Leahy, Brendan Bennett, John Nugent, John Fenton, Thomas Rose, Christopher O'Gorman. Subs - David

Devine, R. Kearney.

The Plate Final was a local affair with neighbours Tallow and Ballyduff battling it out in a closely contested game with the former emerging victorious.

**Under-10 Hurling** — On Saturday last our under-10 hurlers went to Ballyduff to play in the Corn na nDeisicach, a 24-team under-10 hurling tournament. We went to Ballyduff as defending champions but with most of last year's team not available, hopes were not too high. However the boys gave some great displays emerging as group winners with victories over De La Salle and Abbeyside. Leonard Oakham in goal was beaten only once and we had great displays from John Nugent and big Ricky Kearney.

**Team** - Leonard Oakham, Sean O'Grady, David Leahy, Philip O'Keeffe, Kieran Fennessy (capt.), Stephen O'Keeffe, John Nugent, Daniel O'Brien, Christopher O'Gorman, Ricky Kearney, David Devine. Subs - Jason O'Sullivan, Dean Pratt, Maurice Hallahan, Philip Bennett, Keith O'Dowd, Sean Leahy.

**Under-12** — Our under-12's have played three rounds in the championship. We suffered a one point defeat away to Abbeyside but had home victories over Fourmilewater and Ballyduff. With one game remaining away to Dungarvan, we've already qualified for the semi-final.

**Team** - Ken Cashel, P. J. Brennan, Nick O'Keeffe, Paudie Hale, Shane Byrnes, Christopher O'Keeffe, Michael Coleman, Christy Murphy, Shane Bennett, Eamonn Nugent, Kevin Power (capt.), Brendan Bennett, Justin Dowd, Matthew Prendergast, John Fenton, John Nugent, David O'Sullivan, Brian Walsh, Thomas Rose.

**Under-14 Hurling** — Our under-14's suffered another championship defeat at the hands of Ballyduff on Friday night last. On a brighter note, four of our players have been selected in the Waterford under-14 panel which was finalised over the last week. They are John Heneghan, Brian O'Connell, Robert Lineen and Kevin O'Donoghue.

**Community Games** — In under-12 1/2 hurling our boys play Clonea in the county semi-final on this Tuesday night at a venue to be arranged. The winners here will meet a Portlaw/Kilmacthomas combination in the final.

**Blake Cup** - Primary Schools Championship — Lismore C.B.S. have quali-

fied for the final of this competition by virtue of a 5-5 to 2-1 victory over Dungarvan in Cappoquin on Thursday last.

**Nissan Under-10 Tournament** — We have been asked by the organisers of this tournament to host one of the sections in this year's competition. This will take place on the last weekend of June and the first weekend of July and we will be hosting the competition for the Group 1 clubs from Cork, Waterford, South Kilkenny and Wexford.

**Meeting** — An important meeting of the club will take place in the C.B.S. Primary School on Monday night, June 8 at 9 p.m.

### RACING RESULTS

Sunday, May 31 — 1, Don Bradley; 2, Alex Ballot; 3, Steve Hill; 4, Noel Grant.

Unfortunately, Wednesday night's race was cancelled due to lack of wind, with the expedition turning into an entertaining water fight, with many getting wet. But, unfor-

tunately, "Pascagoula Run" ended up getting wet, wet, wetter! Anyhow, the water has been passed warm enough for swimming. Needless to say, I'm sure that more of you will be testing it out during the season. No further comment!

### COMING RACES

Sunday, June 7 — 3.30

p.m.; Wednesday, June 10 — 7 p.m.; Sunday, June 14 — 7 p.m.

## MUNSTER SENIOR FOOTBALL CHAMPIONSHIP

# WATERFORD WELL BEATEN IN CLONMEL

TIPPERARY 1-16 WATERFORD 0-7

Waterford were decisively beaten by Tipperary in the quarter-final of the Munster Senior Football Championship in Clonmel on Saturday evening. Despite being reduced to fourteen players in the 20th min., the home-side grew in confidence as the game progressed. Waterford had no answer to the silken skills of Tipp corner forward, Declan Browne who led the defence a merry dance contributing nine of his side's points.

Tipperary raced into an 3 pts. lead inside the opening 8 mins. and it took Waterford 13 mins. to register their first score - a Martin Power point from a free. Tipp were reduced to four-

teen men in the 20th min. when John Costello was sent off for a high tackle on sub William Kavanagh who had replaced team captain Dan McMahon at midfield after the Butlerstown man was forced to retire injured. The winners led by 0-8 to 0-3 at the break with Martin Power recording all of Waterford's scorers from placed balls.

Power was again on target within 60 secs. of the restart, this time from play before Derry Foley and Oliver Costello exchanged points to leave four between the sides five minutes into the second period. Then enter Declan Browne who kicked four unanswered

points in a ten minute period. Further points from Brendan Cummins, Sean Maher and Browne saw Tipperary holding an unassailable 11 pts. lead 0-16 to 0-5 with a quarter of an hour remaining. Substitute James Williams scored the only goal of the game five minutes from full-time having soloed through the heart of the Waterford defence. The final scores of the game fell to Waterford with Liam Daniels and Martin Power adding points. It was Tipperary who had safely advanced to the semi-final and a meeting with Clare at the end of the month after they had outclassed Waterford in most sectors of the field.

## MUNSTER JUNIOR FOOTBALL CHAMPIONSHIP

# MISSED CHANCES PROVE COSTLY

TIPPERARY 0-9 WATERFORD 1-5

Waterford had two glorious chances in injury time to snatch victory in the Munster Junior Football Championship game with Tipperary at Clonmel on Saturday evening. Having played with the assistance of a stiff breeze, the home-side raced into a 0-5 to 0-1 lead by the 25th min. having had the major share of possession. Waterford were right back in contention in the 28th min. when Ger Walsh slammed home a great work after a great move involving Pat Walsh and Ger Power. Tipp added a point on the stroke of time to go in leading by 0-6 to 1-1 at the break.

Waterford were on level terms within five minutes of the restart when Paul Fitzgerald found the range

but the introduction of former hurling star, Anthony Crosse to the Tipp attack paid rich dividends as he was on the scoreboard with his first touch. The sides were level with five minutes remaining before an injury

time point from Mark O'Shea gave Tipperary a slender lead before Waterford pulled two chances to win the match but failed to get the vital scores and it is Tipperary who advance to the semi-finals.

Youghal had two wins and two draws while Brideview Utd. extended their leads in both Under-10 'B' and Under-8. Clashmore Ramblers, in Under-10 A, also won while with the leagues reaching the halfway mark. Clashmore Ramblers lead in Under-10 'A' followed by Youghal Celtic and Ardmore. In Under-10 'B', Brideview Utd. top the table followed by Castlebridge Celtic, Kilworth Celtic 'A' and Fermoy. **UNDER-10 'A' LEAGUE**

Clashmore Ramblers 3  
Cappoquin/Affane 2  
Ramblers maintained their lead at the top with this hard fought win at home to

Cappoquin/Affane. Twice Ramblers led and twice the visitors fought back with the winning goal coming just three minutes from time. This was one of the best games at this level and both teams should enjoy further success with displays like this. Patrick Kelleher, Kevin Murphy and Edmund Ledingham scored for Ramblers.

**UNDER-10 'B' LEAGUE**  
Brideview Utd. 1  
Valley Rangers 0

Valley pushed their neighbours and league leaders all the way before Eamonn Forbes scored the game's only goal for Brideview Utd.

Youghal Rovers 5  
Valley Rangers 1  
Rovers had their first win of the season thanks to goals by Trevor Flaherty, P.

J. Aherne, Cian Geary, Damien Ahearne and an own goal.

**UNDER-8 LEAGUE**

Clashmore Ramblers 1  
Brideview Utd. 2

Brideview made it seven wins on the trot with this fine display away to Clashmore. A goal in each half was enough for Brideview with Michael Cunningham getting a late consolation for Ramblers.

Youghal Athletic 3  
Clashmore Ramblers 0

Athletic maintained their challenge for the title with a good win against Clashmore. Athletic led 1-0 at the break and were on top in the second half adding two more. Ger Cotter (2) and Richard Cronin scored Youghal's goals.

Youghal Celtic 2  
Clashmore Ramblers 2

Celtic and Ramblers played out an entertaining draw. Shane Spillane scored twice for Celtic with defender, Gus Flavin having a fine game for the home team. James Mansfield and Michael Cunningham scored for Ramblers.

Youghal Rangers 5  
Valley Rangers 0

Youghal proved too strong for their counterparts in this game. Goals by D. O'Callaghan (3), Patrick O'Mahoney and Victor Cahill gave Youghal the points.

# Clashmore Ramblers Salute Eddie Foley

## EDDIE SETS OFF FOR WORLD CUP FINALS

BY AISLING CONROY

Tomorrow, June 4th is D-Day for Kinsalebeg man, Eddie Foley who will jet off to France as Ireland's sole representative on the panel of 67 officials appointed by FIFA, who will officiate at the World Cup finals later this month.

The 36 year old West Waterford man is the first Irish man ever to be selected for the World Cup, achieving his own personal career ambition and entering the Irish sporting history books.

After flying out tomorrow, Eddie and the group of officials will be surrounded by tight security during their stay. Next Saturday he will undergo a fitness test and, if successful, he is guaranteed to officiate as an assistant referee at at least one of the 64 games when the World Cup kicks off on June 10th.

Son of Catherine and Eamonn Foley, Monatrea, Kinsalebeg, the Army Quarter Master is member of a popular and well known local family.

Married to Colette, they have one daughter Amy who is nine years old.

His recognition marks a major breakthrough for the Irish Soccer Referees Society and Eddie is now the pride of Clashmore parish where he has received numerous accolades and tributes.

Members of the Clashmore Ramblers soccer club recently organised a reception in his honour at the Old Still Bar, where he was joined by family, friends, club members and members of the Red House League.

Sean Kearns, PRO of Clashmore Ramblers told the 'Leader' that the club is delighted for Eddie and hopes he gets the chance to go on even further.

Eddie started his career in soccer as a player in the Red House League with the former Piltown club which has since changed its name to Clashmore Ramblers.

Attending a club meeting one evening, Eddie put his name forward for a referee's course after hearing about it from Red House Chairman Paddy Pollard. The rest as they say is history.

The present soccer club is now three years old and has a huge number of teams in all age groups comprising of nearly every young boy in the parish. The main founding members of Piltown Soccer Club are deeply involved in Clashmore Ramblers and the club

Pictured above at a function in the Old Still Bar, Clashmore are members of the Clashmore Ramblers Soccer Club together with Eddie Foley, wife Colette, parents Catherine and Eamonn Foley, brother Mike, sister Ann, Paddy Pollard, Chairman Red House League and proprietors Old Still, Liz and Joe Salmon.

is currently working towards acquiring a permanent pitch of their own.

Being stationed with the Army in Cork, it was there that Eddie completed the referees course. He was subsequently appointed to the Cork AUL in 1984 and graduated to the Munster Senior League in 1990 and the League of Ireland in 1991.

"The night he's officiating at a game will be as if Ireland are playing", said Mr. Kearns who added that everyone in Clashmore parish is delighted to be associated with his success.

A highly experienced referee's assistant, Eddie officiated in Norway in an under-21 international and visited Holland on three occasions to officiate at Inter Toto cup ties. He was also appointed to a European Cup winners cup tie. His greatest honour was when he was on the team of officials working at the European under 16 championship finals in Germany. Eddie ran the line again in the final itself. He has

also officiated at a World Cup qualifier in the Faro Islands and last November he was on duty in Malta at a European Under-18 Championship qualifying tournament.

Last March, Eddie attended a 3 day seminar and underwent a strict fitness test in France in preparation for the huge event.

### BRIGHT FUTURE

Speaking to Eddie last week, it was only then that the magnitude of the event facing him really sunk in and he ad-

mitted to having a 'few butterflies' in the days preceding his departure. He will not be appointed to a game involving either Scotland or England and hopes he can stay until the end of the Cup on July 13th. Only four of the 67 officials however will be needed for the final game itself, and those privileged few will be chosen on points, their performance over the event, how long they have been on the panel and how well established they are.

His young age and experience in this World Cup however will be greatly to his benefit for at least the next two World Cups when he could be appointed as a referee!

## WELL DONE SARAH!

Congratulations to Stan and Elaine's daughter, Sarah Cummins, in coming first in Waterford in the u-12 tin whistle championships held last Sunday. Sarah will now be representing her county in the Munster Championships in a few weeks and we wish her the very best of luck. When you take into account the fact that Sarah is only nine years old and playing against children much older than her this is a marvellous achievement.

Deepest sympathy to the family of the late Paddy Walsh. St. Thomas' Terrace, Dungarvan, who died last Friday. May the Lord have mercy on his soul.

# Red House League Notes

## MAJOR ANNOUNCEMENT TO BE MADE

The Chairman of the Red House League said that he expects to be able to announce full details of the League's 1998 draw. A special committee was drawn up to improve on last year's draw which although a success, has now been designed to be even more attractive to our customers. The committee called on professional help and expertise and are confident that the changes made in this

year's format will be greeted warmly by all the clubs. Full details should be available next week when we will announce prizes and dates of draws.

## BON VOYAGE TO EDDIE FOLEY

With the World Cup looming, Paddy Pollard again wishes Eddie Foley, Ireland's first World Cup official all the best. I'm sure that all clubs, players, supporters and of course fellow referees join with Paddy and the League Committee in wishing Eddie a very successful World Cup.

# CARLING INTER-FIRMS SOCCER TOURNAMENT

## Judy Connors Crystal 'B' Advance

Crystal 'B' 1; Crystal 'A' 1  
(Crystal 'B' won 5-4 on penalties)

In the preliminary round last Tuesday week Crystal 'B,' managed by Judy Connors (the first lady manager ever in the history of the tournament!) assisted by Pat Tutty, caused the shock of the tournament to date when they defeated Crystal 'A' on penalties after the game finished all square 1-1 after 70 minutes.

With 5 minutes remaining in this game and the score deadlocked at 0-0 it looked as if we would have a penalty shoot out. Then however Judy's boys scored when Timmy O'Dea was the goalscoring hero. However, heartbreak was to follow straight from the kick-off when Pat McGovern scored an own goal to equalise for the 'A' side managed by Brian O'Connor. We then had the dreaded penalty shoot out with Alan Ronayne (who was magnificent in goal for Judy's team), Tom Condon, Eoin Cunningham, Paudie Flynn and Timmy Organ all scoring for the 'B' side, with Ger Beresford, Liam Crotty, Michael Ferncombe and Billy Sheehan scoring for the 'A' team. "Flukie" Power was the unlucky one to miss and so sent Judy Connors side proudly through to the quarter final. Speaking after the game she said she did not care who she meets in the next round after this defeat of the 'A' team and she was a proud woman walking into the factory on Wednesday morning! Tutty watch your job with the 3A team!

## "Fraggle" Hits A Stunner for Calmark

Calmark 1 McInerney/Builder 0

In the first round proper played on Wednesday evening last Calmark (Cappoquin) emerged victorious on a 1-0 scoreline over McInerney/Builders, thanks to a wonderful strike by Martin "Fraggle" Ormonde. Calmark made all the early running and created three good chances in the first half with Shane Reddy missing a golden chance when he chipped the keeper only for the ball to go over the crossbar. Gary Keane was by far the best player on show and was ably assisted by Liam Morrissey, Martin Ormonde and Shane Reddy for Calmark. They now meet the winners of Traders or Stafford Miller on Wednesday, 10th June at 6.30 p.m.

## Hat-Trick for Frank McLoughlin

Cappoquin Chickens 5 Butlers United 1

Cappoquin Chickens recorded an emphatic 5-1 win over Butlers (Shop) United who were sporting green wigs as they ran on to the pitch. However, they were soon discarded as the Chickens meant business. Frank McLoughlin put them in front after 16 mins. and they led 1-0 at half time. The same player made it 2-0 before Mickey Donnelly pulled one back for Butler's. Darragh Wilkinson, Frank McLoughlin and Paul Prendergast completed the scoring for Cappoquin who now advance to play Waterford Joinery or

SmithKline Beecham 'C' on Wednesday, 10th June at 7.45 p.m.

## THIS WEEK'S FIXTURES

Last evening (Tuesday) Waterford Joinery played SmithKline Beecham 'C' in the first game at 6.30 p.m. and we expect SmithKline to advance. At 7.45 p.m. St. Declan's (Kilmacthomas) met Crystal (B). Kealan O'Neill tells us that St. Declan's will have a very young side this year (you said that last year also Kealan!), while Judy Connors & Pat Tutty's Crystal 'B' have already beaten Crystal 'A' in the preliminary round game. We will go for the youth of St. Declan's to advance against the "experienced" Crystal. Full reports next week.

DUNGARVAN GOLF CLUB NOTES

# Conor Blackwell Takes The Captain's Prize

DUNGARVAN GOLF CLUB CAPTAIN'S PRIZE 1998 (kindly presented by Tom Phelan) — Photo shows Tom Phelan, Captain Dungarvan Golf Club presenting his prize to Conor Blackwell (winner). Also included are Frank O'Riordan, President Dungarvan G.C., Patsy Horsom, Vice-Captain, Dungarvan G.C. and prize winner, John Treacy, Honorary Life Member Dungarvan G.C. and various prize winners. (Photo: Pat Crowley)

It was the most competitive Captain's Prize since our move to Knocknagrannagh. On a course that was manicured to peak condition, the scoring on Saturday was scintillating to say the least. Just look at the fine array of golfers who emerged from the pack to dominate the first round. Tony Hamilton (11) winner of last year's President's Prize and Tom Frost (20) with a 65 each, Brian Cleary (18) and Rev. Fr. Doherty (20) each recording a 66. Michael Moloney (11) has been out and about in recent weeks and recorded a 67. Also in strong contention were Jim Curran (13), Ger Walsh (16) and Michael McGrath (10) who all recorded a 68.

However, not for the first time the eventual winner emerged from the pack and Conor Blackwell followed up his 69 on Saturday with a very competent 67 on Sunday afternoon to win his first Captain's Prize. Conor realised the extent of his achievement and his speech on receiving the prize acknowledged that fact.

Gratitude is expressed to Captain Tom Phelan who provided along with his willing helpers a wonderful weekends golf. Following the presentation of prizes, the members danced into the early hours of Monday

morning. Again last weekend the members proved that club spirit is alive and well in Dungarvan Golf Club.

The premier event of the golfing calendar, the Captains prize attracted a huge entry at the week-end. Captain Tom Butler's magnificent prize had everyone under pressure from the tee off. The weather was as unpredictable as the golf. After day one former club captain, John Power shared the lead with Cork man Michael Murphy both on 69 with Justin Spratt on 70. Pat Twomey and Michael French on 71.

The second day dawned wet and windy making life very difficult on the early starters. Ger Flavin made light of the conditions to shoot a fine 69 to add to his miserable first round of 77 for a total of 146 and for some time in the height of evening, gales and tension looked as if it might be good enough.

However, after a very poor start, Power, Murphy and Spratt rallied to the challenge and played excellent golf over the terrifying closing holes.

John Power holding a one shot lead over Michael Murphy on the 18th tee and when pitch and putt champion, Murphy chipped and putted for par on 18 John performed a similar feat to clinch a memorable victory by the smallest of margins.

Alan Harty with two steady rounds of 78-76 proved yet again his outstanding ability to take the best gross by three shots from Bob Loftus.

Our thanks to Tommy for his wonderful prize and a week-end to remember. Also lady Captain, Mary Spratt on her beautiful prize won by Tess Reynolds. Thanks also to Paddy Carrie, the course staff, bar and kitchen staff for all their efforts in making the week-end a super success.

The final event in the league will take place next Sunday, June 7th when the best overall riders on a points basis will finally be selected to compete in the national final in Tuam.

## BMX BANDIT BITES DUST

Best wishes for a speedy recovery to Seamus 'BMX' Connolly who fell off a flight of steps in Colligan last Saturday when showing off in front of the underage riders on a mountain bike.

## Colligan Woods Are Champions At Fairyhouse

On Saturday, May 30, the Nissan/Farmers Journal All-Ireland Showjumping finals were held at Fairyhouse. Having won the South-Eastern Regional final at Moretown in April, the Colligan Woods Riding Club team of Louise Moloney (capt.), Aine Cummins, Caroline Lynch and Martin Lavan, were the representatives of this region.

After weeks of hard work preparing the horses and riders for this prestigious event, the day finally arrived. Shortly after dawn about 30 club members and supporters headed for Fairyhouse.

The event started at 2 p.m. with a parade of all eight teams from around the country, led by a most impressive member of the Detroit Mounted Police.

After the parade, the winners of the Best Turned Out team were announced. Colligan were declared the winners. The hours of preening, plaiting and pulling had not been wasted as the horses really looked magnificent on the day. It hardly needs to be mentioned that the four riders also looked impeccable and were well deserving of the title.

The showjumping eventu-

ally got under way and first to enter the arena was Martin Lavan, riding Ryan's Glory. Martin had a superb clear round. Aine, Caroline and Louise followed suit with three excellent rounds also.

At the end of the first round Colligan Woods were the only team of the eight to be going into their second round with no faults. Things were certainly looking good but as any competitor will say "anything can happen!"

Once again, Martin led the Colligan team and had no problem, clearing all 10 jumps in this challenging course. Next in was Aine Cummins, riding Mr. Barney. She also cleared the boards with ease. The third competitor for Colligan was Caroline Lynch riding Murphy's Law (owned and trained by Karen Flynn). If Caroline had a clear round then Colligan would be outright winners as all the other teams had faults up to then.

Our hearts were in our mouths as we willed 'Murphy' and Caroline over each jump. We need not have worried however, as they both sailed over the jumps to finish with another lovely clear round for

Colligan. This meant that captain, Louise Moloney did not have to jump on Colligan Blue Peter as Colligan had taken the title and were clear winners of the championships.

The cheers of the Colligan supporters were ear-splitting as the team were presented with their beautiful trophy and prizes. So, well done to this very talented team who really did the club proud.

At the celebratory dinner that evening Club Chairman Francis Lwane congratulated the team once again and also thanked the team mentor/Tony Condon for his advice and coaching on the day. He also thanked John and Louise Moloney for the use of their excellent facilities at Colligan Equestrian Centre for training, and finally the supporters who had made the effort to travel the long distance to be with the team for their day of glory.

The next event on the club calendar will be the club's gymkhana which will be held on Sunday, 21st June at the Equestrian Centre. All members are asked to make every effort to be at this event as all hands are needed to ensure this is as successful an event as last year.

Last Sunday our underage riders were in action here in Dungarvan in the Strike's Hillclimb timetrial as part of the Munster Underage League.

The final event in the league will take place next Sunday, June 7th when the best overall riders on a points basis will finally be selected to compete in the national final in Tuam.

## BMX BANDIT BITES DUST

Best wishes for a speedy recovery to Seamus 'BMX' Connolly who fell off a flight of steps in Colligan last Saturday when showing off in front of the underage riders on a mountain bike.

## Colligan Woods Are Champions At Fairyhouse

On Saturday, May 30, the Nissan/Farmers Journal All-Ireland Showjumping finals were held at Fairyhouse. Having won the South-Eastern Regional final at Moretown in April, the Colligan Woods Riding Club team of Louise Moloney (capt.), Áine Cummins, Caroline Lynch and Martin Lavan, were the representatives of this region.

After weeks of hard work preparing the horses and riders for this prestigious event, the day finally arrived. Shortly after dawn about 30 club members and supporters headed for Fairyhouse.

The event started at 2 p.m. with a parade of all eight teams from around the country, led by a most impressive member of the Detroit Mounted Police.

After the parade, the winners of the Best Turned Out team were announced. Colligan were declared the winners. The hours of preening, plaiting and pulling had not been wasted as the horses really looked magnificent on the day. It hardly needs to be mentioned that the four riders also looked impeccable and were well deserving of the title.

The showjumping eventu-

ally got under way and first to enter the arena was Martin Lavan, riding Ryan's Glory. Martin had a superb clear round. Áine, Caroline and Louise followed suit with three excellent rounds also.

At the end of the first round Colligan Woods were the only team of the eight to be going into their second round with no faults. Things were certainly looking good but as any competitor will say "anything can happen!"

Once again, Martin led the Colligan team and had no problem, clearing all 10 jumps in this challenging course. Next in was Áine Cummins, riding Mr. Barney. She also cleared the boards with ease. The third competitor for Colligan was Caroline Lynch riding Murphy's Law (owned and trained by Karen Flynn). If Caroline had a clear round then Colligan would be outright winners as all the other teams had faults up to then.

Our hearts were in our mouths as we willed 'Murphy' and Caroline over each jump. We need not have worried however, as they both sailed over the jumps to finish with another lovely clear round for

Colligan. This meant that captain, Louise Moloney did not have to jump on Colligan Blue Peter as Colligan had taken the title and were clear winners of the championships.

The cheers of the Colligan supporters were ear-splitting as the team were presented with their beautiful trophy and prizes. So, well done to this very talented team who really did the club proud.

At the celebratory dinner that evening Club Chairman Francis Dwane congratulated the team once again and also thanked the team mentor Tony Condon for his advice and coaching on the day. He also thanked John and Louise Moloney for the use of their excellent facilities at Colligan Equestrian Centre for training, and finally the supporters who had made the effort to travel the long distance to be with the team for their day of glory.

The next event on the club calendar will be the club's gymkhana which will be held on Sunday, 21st June at the Equestrian Centre. All members are asked to make every effort to be at this event as all hands are needed to ensure this is as successful an event as last year.

# Local Athletes Win Ten Munster Schools Titles

There was a time when Waterford were the Cinderella county of Munster athletics with successes few and far between. How things have changed was clearly demonstrated at the Nestlé Munster Schools Track & Field Championships in Cork last Saturday when athletes from Dungarvan schools won a total of ten Munster titles with a further ten being won by students from the city schools.

Waterford and Tipperary dominated the overall categories with St. Augustine's winning the senior boys award and sharing the junior girls award while Ursuline Convent won the intermediate girls cup. Scoil Mhuire, Carrick-On-Suir won the senior girls award and Clonmel High School won the minor and junior boys cups.

Pride of place on the local scene goes to Michael Morrissey (St. Augustine's) who claimed a Munster double when winning the Senior Shot Putt (13.60 metres) and Hammer (52.13 metres). This is good form and it will have to be repeated this Saturday if St. Augustine's are going to be in with a chance of winning the College of Science Tro-

phy at the All-Ireland Championships.

In the Senior Triple Jump, Michael Murray turned the tables on East Munster winner, Michael Heffernan when he recorded a fine leap of 14.16 metres. Ronan Curran continued his fine progress in the Pole Vault with a good win from his team mate, Gary Hurney with a height of 3.80 metres.

There was another St. Augustine's 1-2 in the Senior Walk with Eamonn Cashin (18 mins. 15 secs.) winning from Michael Fives. Further team points were won by Michael Heffernan, second in the Long Jump and Michael Murray second in the Hammer. All roads now lead to the All-Ireland Championships this Sunday. This is the trophy Bro. Lennon would dearly love to win back and hopefully his athletes will be able to respond on the day.

At intermediate level, Christopher Coughlan (St. Augustine's) defeated the East Munster winner, Thomas Foskin (St. Pauls) with a superb win in the 2K walk in 10 mins. 19 secs. He was Waterford's sole winner in this grade, an achievement he can justifiably be proud of. St. Augustine's won three silver medals in this grade via John Mark O'Leary (Discus and Hammer) and Liam Houlihan (Pole Vault).

In the junior grade Thomas Cashin (St. Augus-

tine's) was second in the walk, a placing also occupied by his school mates, Rick Hanrahan (Pole Vault) and Gary Burke (Hammer). James Ledingham (St. Augustine's) was second in the minor 800 metres final behind J. McCarthy (Midleton C.B.S.) who won in 2 mins. 15 secs.

#### FRIARY GIRLS WIN TITLES

The Friary girls showed that they can match the boys when it comes to ability at winning titles. Marion Troy won the Intermediate Triple Jump with a leap of 10.17 metres while title wins by Maria Conroy (Triple Jump - 9.92 metres) and Nicola Fennell (Pole Vault - 2.10 metres) did much to earn St. Augustine's a share of the junior cup along with Ballincollig and Midleton. Samantha Flavin won the bronze medal in the Senior Triple Jump and Ciara Clancy won silver in the pole vault competition.

Other St. Augustine's medal winners to hand last Saturday are Michael Brennan (3rd) Junior Javelin and Kenneth Power (3rd) Senior Discus.

#### ARD SCOIL WIN MUNSTER RELAY MEDALS

Ard Scoil Na nDéise's Intermediate Girls Relay team set a new personal best time for the 4 x 100 metres event

when they came with a late challenge to win the silver medals at the Munster Nestlé Championships last Saturday. The team of Aoife McGovern, Niamh Cummins, Grace O'Brien and Eibhlís Ahearne were clocked at 51.5 secs. and they can improve further at the All-Ireland Championships in Tullamore this Saturday. The first two finishers in each event at Munster level qualify for the All-Irelands and Ard Scoil, along with last week's winners Mount Mercy, Cork (50.6 secs.) will toe the line on Saturday seeking further achievement.

Eibhlís Ahearne once again showed a clean pair of heels in the 100 metres final winning in 12.5 secs. and she was also second in the 200 metres behind A. Kelly (Mount Mercy) who

won in 25.8 secs. Niamh Cummins was second in the 80 metres Hurdles behind S. Fitzpatrick (Ursuline, Waterford), a winner in 12.2 secs.

Ard Scoil's Catherine Ahearne won her first Munster title with a fine throw to gain her third spot in the Junior Shot Putt. Catherine was also fourth in the Hammer and she is doing very well in her first year of competition as is Ciara Irwin who was second in the hammer competition.

#### WATERFORD ATHLETES BREAK MUNSTER RECORDS

Waterford City athletes equally played their part in the county's big impression at the Nestlé Munster Schools Championships last Saturday. Paul Grant (Mount Sion) showed his undoubted track potential when he broke a seven year record to win the junior 80 metres final in a very fast 2 mins. and 2 secs. This no doubt will please former

Dungarvan based, Bro. Gleeson who first spotted young Grant's running potential in the schoolyard in Mount Sion. Roisín Quinn (Ursuline Convent) entered the record books for yet another time when she broke the intermediate girls 300 metres mark with a time of 40.5 secs. Roisín also won the 800 metres title in 2 mins. 17 secs. The city's other title winners were as follows —

E. Aylward (Mercy Convent) Minor 800 metres 2 mins. 28 secs., Lisa Marsh (Ursuline) Intermediate High Jump 1.57 metres, S. Fitzpatrick (Ursuline) Intermediate 80 metres Hurdles, Mary Dalton (Ursuline) Intermediate Javelin, B. Doyle (De La Salle) 80 metres Hurdles and Triple Jump, Eoin McGrath (De La Salle) Senior Long Jump.

The Irish Championships will take place in Tullamore this Saturday with a 9.30 a.m. start.

## SPONSORED CYCLE IN AID OF WEST WATERFORD HOSPICE

The group was reunited at half way, Ballinhassig where a beautiful lunch was served in Mary and Martin Coleman's Bar.

The cycle then proceeded West to Bandon, Ballineen, Dromileague and onto Bantry. On arrival in Bantry they were led through the town by Tony Coffey and Sean Murphy of the 'Bachelors in Trouble', a rapturous welcome was received. The final leg of the journey to Glengarriff was completed by 7.00 pm with all cyclists fit and well after completing the 117 mile trek.

## LADIES FOOTBALL NOTES

**County U-14 Munster Final Football** — Last Saturday all roads led to Buttevant, Co. Cork, to follow our county team. Two of our club members namely Karen Kelly and Aoife Murphy played starring roles on this team. Their opponents on the day were Kerry and we knew we would have a tough game. All our team excelled on the day with result being a draw when the final whistle was blown. Score was Waterford 1-11, Kerry 2-8. The replay is fixed for Wednesday 8th June at 7 pm at the Buttevant venue again. I would ask as many supporters to go to the game, as our young girls deserve all the support. Encouragement is what is required for the girls, as they will be our future stars for Waterford. Please contact the club members for news of places on the bus that will be travelling.

**U-14 Championship** — Our opening game was set for the Bank Holiday Monday against Clashmore. Again we have Karen, Aoife, Aishling, Grace and Rosemary on this team. We do not have a result at time of going to press but next week we hope to have a win under our belts.

**Training Sessions** — Training has commenced under the watchful eyes of John Kirwan and his able assistant John Longan. Monday nights are a hive of activity at the moment as the girls are put through their paces. It is good to see new players joining our club and we welcome them all. Keep up the training ladies as we are hoping for a good year.

## CAMOGIE NEWS

This Wednesday June 3rd, the County final of the U-14 girls championship takes place in Tramore at 7 pm. Our 2 star footballers namely Karen and Aoife will be hoping to use their hurleys and sliothar to their advantage and be on the winning Butlerstown team. Their opponents on the night are Dunhill/Fenor. So if anyone would like to support the girls in the final tonight, Wednesday, please come along to the sea-side town

of Tramore. Maybe you could get a walk in along the promenade. Your support will be greatly appreciated.

## SUMMER STUDENT JOBS

Third level students who have "Job Certificates" and wish to work in Bushy Park please give their names to any member of committee.

## JUVENILE NOTES

**U-14 Hurling** — At this stage of the U-14 championship we have three games played. Of these we have one lost and two won.

Our first match was at home to Ballygunner. The team gave a good performance and were unlucky to be beaten in the last five minutes.

Our next game was away to Ardmore. In this one we led at half time by 2-3 to 1-1. We played very well on a

scoreline of Brickey's 3-8, Ardmore 2-8. Our third match was at home to Passage. This was a hard fought game and we came out with a win here. Score: Brickey's 4-4, Passage 2-5.

However, we reached the Plate semi-final, Tallow were our opponents here. The boys played some lovely hurling, but failed to take advantage of their chances, and as a result were beaten by Tal-

low. A word of thanks to Lismore for inviting us.

**U-10 Tournament** — Saturday last we travelled to Ballyduff to take part in their U-10 tournament. Our opponents were Tallow, Tramore and Roanmore. **Ryan's Super Valu League** — Last night, Tuesday, we travelled to the Gaeltacht to take on An Rinn. Full details next week.

On this Saturday night we take on Afane in the Ryan's Super Valu league. A win here is vital if we are to avoid relegation back to division 3. Throw in for this game is 8.00 pm.

**Western Board Division 2 Football League** — On this Friday night we travel to Faha to take on the home team in a vital league game. With full points so far from all our other games, another win would set us up nicely for our final two games.

**Minor Hurling** — On this Wednesday night we make the short journey to Aghish to play St. Oliver's in our final league game. Throw in time is 7.30 pm.

### NEW ARRIVAL

Congratulations to Suzanne and Roger Hynes on their new arrival last week.

### COMMITTEE

A very important committee meeting takes place in the Club House next Monday night at 9.00 pm sharp.

### RYAN'S SUPER VALU LEAGUE

On last Sunday night we travelled to Kilmac' to take on the home team in the league. After a tough game of football the teams ended all square, Clashmore 2-12, Kilmacthomas 3-9.

Team and scores: Brian O'Neill, Aidan O'Rourke, Mike Hynes, Noel McGrath, Paudie Allen, Brian Murray, Ed Beresford, Karl O'Keeffe, Mike Shalloe (1-7), Fran O'Rourke (1-2), Seamus O'

Rourke, Stephen Barron, Johnnie Power, Seamus McGrath and Kevin O'Rourke (0-1), Subs used: Mike Fenton (0-2) and Conor O'Riordan. Our best players on the night were Noel McGrath, Karl O'Keeffe, Fran O'Rourke and man of the match Mike Shalloe.

### SUMMER CAMP

This years football Summer Camp organised by Coiste Peil, Portlairge will take place in Clashmore from July 27th - July 31st. Forms will be delivered to the Schools in the next week or two.

### JUNIOR FOOTBALL

Our junior footballers kept up their 100% record in the league with a three point win over Dungarvan on Friday night. This was a hard fought game and the issue was close all the way through. Dungarvan played with the breeze in the first half and opened the scoring with a point after three minutes. They quickly added two more before Clashmore raised a white flag. From then on it was a close affair with Dungarvan having slightly more possession but poor finishing costing them dearly.

On the change-over Clashmore made good use of the breeze to edge in front by three points. Dungarvan brought it back to one but Clashmore pulled away again to win by three. Final score: Clashmore 0-10, Dungarvan 0-7.

Team: D. Hickey, D. Murray, N. McGrath, P. Hickey, A. O'Rourke, P. Allen, C. O'Riordan, M. Costin, M. Dower, R. Ryan, J. Power, A. Hickey, G. O'Rourke, G. Ryan, M. Cliffe. Subs used: R. Power, T. O'Keeffe, A. Walsh.

### JUVENILE CLUB

**Under 14 Hurling** — It was a case of good news and bad news for our under 14's this week. They had a good win over Kilmacthomas on Wednesday and went down to Ferrybank on Saturday afternoon.

On Wednesday we proved too strong for Kilmacthomas and ran out very easy winners on a score of 7-8 to 3-2. Saturday's game was an altogether different game. It was as close a game of hurling

you would ever see. Ferrybank led at the break by one point to no score, and went on to win by 0-3 to nil. On the day we were short two of our best and with them could have won.

Our next game is away to Tramore on Saturday. The bus will leave at 1.30 from Clashmore and 1.35 from Piltown Cross.

**Under 12 Hurling** — On Sunday morning we were in action in Bohadon against probably the strongest team in this section, Colligan. They were to prove too strong for our very inexperienced than our lads and ran out winners 7-8 to no score. Still our lads should not be too disappointed. Most had never played a hurling game until last week and they are clearly learning and improving with each game.

Team: E. Kelly, F. Maher, S. Mangan, D. Allen, S. Kelleher, M. Cunningham, C. O'Rourke, M. Barron, C. O'Keeffe, D. Coughlan, K. Murphy, D. O'Brien, A. Condon, C. O'Keeffe, S. Dalton, P. Casey.

Our next under 12 game is on Wednesday week, June 10th against Stradbally in Clashmore at 7.30 pm.

**Under 14 and Under 12 Hurling Training** — Training this Thursday evening at 6.30 pm.

### WELL DONE

Well done to club player Ed. Beresford who played a starring role with Rockwell in the All-Ireland Final last Thursday when they defeated Kildalton Agricultural College.

### LADIES FOOTBALL CLUB NOTES

**Munster Final** — Well done to club players Mary O'Rourke, Aileen Barron, Una Leahy, Lorraine O'Brien and Yvonne Coughlan who were members of the Waterford team who drew with Kerry in the Munster U-14 football final last Saturday.

**U-14 Football** — Clashmore ladies had a good win in the U-14 championship last Monday when they beat Kilrossanty in the championship in Leamybrien. Player of the match: Mary O'Rourke.

# ARDMORE G.A.A. CLUB NOTES

## UP, UP AND AWAY FOR PEGGY

On Friday night last the final Déise Draw in the current series took place and yes this time we did figure in the prizes. We had one lucky winner, Mrs. Peggy Dunne, College Road, Ardmore who won the special prize of a trip to New York on Concorde so it's a case of up, up and away for Peggy. We congratulate her on her win and we hope she has an enjoyable trip.

Now that the current draw is over, we urge all our promoters to make sure to have their money collected and handed in to Treasurer, Eileen O'Donnell as soon as possible.

## MEMBERSHIP CLOSED

The final date for membership is now closed so if you have not paid as yet, you will not be able to vote at the next Annual General Meeting as May 31 was the cut off date for membership purposes.

## WATERFORD v TIPPERARY IN CORK

Sunday's big game between Waterford and Tipperary will not now be an all ticket affair so it would be advisable for patrons who are travelling to the game to leave early as there is sure to be a huge crowd at the game with most of the traffic going in the one direction.

Needless to say Waterford

will carry our good wishes and a victory would be most welcome and also give the supporters two further outings at least to look forward to.

## VOTES OF SYMPATHY

Sincere sympathy is extended to the O'Connor family, Newtown, Grange on the passing to his eternal reward of Con O'Connor. To his wife, son and daughters, extended family and friends we extend our deepest sympathy on your great loss.

Con O'Connor was one of both Ardmore's and Waterford's greatest supporters and rarely missed a game where either side were involved. Indeed on the day of his passing his niece, Nathalie was to play a magnificent match for the Waterford under-14 ladies footballers in their Munster Final draw with Kerry.

In testimony to the high regard in which Con was held was the huge turnout at both the removal on Sunday evening and burial on Monday. Ar dheis Dé go raibh a anam.

Our sympathy is also extended to the O'Halloran family of Kinsalebeg, Clashmore on the passing of their mother last week. Also to Martin Ruddy who suffered a tragic family loss in the past week. We extend our sincere sympathy to both families in their time of mourning. May they rest

in peace.

## EXAMS

In the next few days many of our young boys and girls will be commencing their exams and we wish all of them the very best of luck in what are very worrying times as they try to obtain the points necessary for their chosen subjects. Just do your best and everything will be okay.

## LOTTO

On Sunday night last at The Cliffe House Hotel, our players again failed to match the three numbers drawn so once again the jackpot will be increased for next week's draw in Fleming's Bar. The numbers drawn were 5, 6, 14 and we had the following five consolation prize winners -

Mrs. K. Moloney, Duffcarrick, Ardmore; Tricia Brabazon, Curragh; Sheila Power, Ardmore; Ed O'Halloran, c/o Power's Caravan Park; Jimmy O'Mahony, Curragh.

Once again our thanks to Eddie and Eileen Irwin and staff of The Cliff Hotel and we look forward to our next visit. Next week we go to the other end of the parish when Fleming's Bar is the venue so if you want to win be sure to be in. Get your ticket in time especially if you are going to Cork.

## FIXTURES

At present our selection committees are finding it very difficult to fulfil our fixtures due to exams and

hopefully after another few weeks we will have everyone available again. On next Saturday night we have Shamrocks as visitors in the Ryan's Super Valu Div. 3 League. All players are requested to be at the venue by 7.30 p.m. As this is our final home game, it will be nice to pick up two points as we could still make the final if we were to win our remaining games as to date we have won three and lost two games.

Our juniors gave a walkover to Affane last week so I do not know if they will be fulfilling their remaining fixtures.

## JUVENILE AFFAIRS

**Under-14 Hurling - Ardmore 1-5 Fourmilewater 1-3** - This match took place on Monday afternoon last at the request of Fourmilewater who could not reschedule. As a mark of respect to the late Con O'Connor who had been laid to rest that morning, the tricolour was flown at half mast while a minute's silence was also observed. Con's grandson, Maurice is a valued member of this team who, on the day, were minus many others due to a school trip to France and in the circumstances the team gave a remarkable performance to secure their first win in the competition.

On next Saturday afternoon they make the journey to Ballygunner and all players are asked to be ready for the bus at 1.15 p.m. It is this panel who will also be making the trip to Féile Peil Na nOg in Donegal in July and with this in mind the club will be holding a draw with valuable cash prizes. Tickets will be on sale this week and we hope that everyone will make a determined effort to sell them as the money will be going to finance the Donegal trip.

Football training continues each Wednesday night for the under-14 panel, not all of whom play hurling. We have players of outstanding ability such as Walter Mansfield who ran himself into the ground in the County Final and who is also in outstanding form with Ring/Old Parish A.C. Walter does not play hurling but he is a quality footballer who has a great future ahead of him and will be expected to man the midfield for us in Donegal.

**Under-12 Hurling** - The under-12 hurlers play Tallow in Ardmore on Monday evening next and all players are asked to be at the pitch by 7 p.m. Training will be held on Saturday at 11.30 a.m.

## TOURANEENA PRIMARY SCHOOLS G.A.A. NEWS

# Girls Hope To Win Final

The girls football team hope that history runs to form on Friday in the Peil na gCailíní final.

History shows that every five years the school wins the Peil na gCailíní Championship and it is now five years since the school won the championship. That year (1993) Sarah Gleeson was captain. Previous to that (1988) the winning captain was Olivia Condon. This year we hope that Aoife Hickey as captain keeps the five year trend intact.

For three of our girls, it will be their third final. In 1995 Maria Quinlan, Fiona Gleeson and Aoife Hickey were all part of the team beaten by St. Mary's, Dungarvan (whose team included three Touraneena girls) by a single point. Last year all three were part of the team beaten by Ring.

Playing in their second final will be Deirdre Kiely, Eileen Hickey, Avril Murphy, Pearl Grace, Christine Cliffe, Karen Cliffe and Tara Casey. In their first final will be Sinead Kiely, Jenny Power, Alice Fennell and one player to be added to the panel during the week.

The final, which is being played in Fraher Field at 4.30 p.m., is a bad time for country people but there is nothing we can do about it. Last year the support the girls received was second to none in the final. Hopefully this will be the way again this year. It would be nice to see for the girls sake at least one of their parents at the match and their brothers and sisters as well as many of their friends as possible at the game.

## INTERMEDIATE HURLING v TIPPERARY

# Waterford Hopeful Of Doing Better Than Last Year!

This is the curtain raiser at Páirc Uí Caoimh on Sunday and Waterford will be hopeful of doing better than last year when we went under to Limerick on a scoreline of 5-11 to 1-11 after showing great early promise.

The panel did not have their first get-together until last week and a trial game was played against the county under-21 team at Fraher Field on Monday. With a strong panel including such players as Alan

Robinson (Erins Own) in goal, Nolie Kelly and Pat Gough (Erins Own), Dan Casey and Liam Dalton (Shamrocks), Michael Hubbard (Ballydurn), John Buckley (Cappoquin), Tom Flynn (Kilworth), Tom Kiely (formerly of Kilgobinet/Colligan), Paul Foley (Ballygunner) etc. they must have a fair chance of getting to the semi-final despite the fact that the players have not been together for long.

## FOURMILEWATER HURLING CLUB NOTES

**CARDS** - 1st - Mary Walsh and Jim Cliffe, 2nd - Christy O'Neill and Kieran, Lucky Tables - Mrs. Walsh and Josie O'Gorman, John Ryan and Richard Harte.

**U-10 HURLING TOURNAMENT** - Fourmilewater's under-10 team travelled to Ballyduff for a tournament on Saturday last. In our first game we played Naomh Bríd and won seven goals to two. Our second game was against St. Saviours. All our team improved in this game and it ended 2-2. Our final game was against Kilmacthomas. This was our best display and we won 4-3 to 3-1. Our thanks to Ballyduff for organising a very good tournament.

**Panel of players** - Shane Gleeson, Evan Morrissey, Michael Walsh, Ro Fenton, Sean Cooney, Eamonn Cooney, Craig Guiry, Graham Guiry, Thomas Walsh, Thomas McCarthy, James Ryan, Gary Power, Alan McGrath, James McGrath, Pierce Byrne, Leonard English, Stephen Byrne, Brian Whelan, Jamie Meehan, Darren Guiry.

## WATERFORD GAA SUPPORTERS CLUB (DUBLIN BRANCH) GOOD LUCK LADS

We extend our best wishes to the Waterford senior hurlers in their quest for a place in the Munster Final and the All-Ireland series against Tipperary in Cork next Sunday. We were proud of their display against Cork in the League Final - a game they definitely could have won. Cork went on to show what they are made of against Limerick, so we should have nothing to fear against Tipp. Of course Kerry gave them a bit of a fright, but at least it kept them on their toes. They have a terrific chance of making a championship breakthrough, and we will be there in strength to cheer them on. We also wish all the best to the intermediate hurlers who also play Tipp in the curtain raiser.

Congratulations to the ladies senior football team on their victory in the national league final against Clare, even if it was a bit close at the end! I hear some of the players were too busy trying to find out what the score was in Tralee and lost their concentration a bit. Anyway, we look forward to this team winning the first All-Ireland final to be shown live by RTE. We also congratulate the Under 14 ladies team which drew with pre-match favourites Kerry in the Munster final. Best of luck in the replay. Finally, commiserations to the senior and junior footballers, who did not enjoy the best of luck in their championship games against Tipperary.

## DEISE DEVELOPMENT DRAW

We did not have any winners in the May Deise Development Draw, which was the last in the current series. We thank all those who supported the draw over the last year, and look forward to your continued support when the next draw gets under way. Meanwhile, the lotto draw continues as usual.

## Geraldines G.A.A. Notes JUNIOR FOOTBALL

## WATERFORD LADIES FOOTBALL

PICTURED ABOVE IS THE WATERFORD UNDER-14 PANEL WHO DREW WITH CORK IN THE MUNSTER FINAL ON SATURDAY LAST.

### UNDER-14 MUNSTER FINAL

# Brilliant Waterford Unlucky Not To Capture Munster Title

**WATERFORD 1-11 KERRY 2-8**  
Waterford can count themselves decidedly unlucky not to have captured the Munster under-14 title at Buttevant last Saturday afternoon. For most of the 60 mins. they were the better side, playing some great football.

The game hinged on a controversial decision when referee John O'Keefe (Cork) awarded a throw-in deeming that a Waterford defender took a line ball from the wrong position. This, along with a number of other decisions, was against Waterford and the line ball incident led to a cracking Cork goal. Certainly Waterford have come out on the wrong side of refereeing decisions in recent times.

However let nothing detract from this performance, one of skill and commitment and there's no reason why Waterford can't put the record straight in the replay. It was a marvelous advert for ladies football. Each and every one of the Waterford side were heroic - Una Leahy, Aileen Barron, Mairead Hogan, Deirdre Breathnach, Karen Kelly, Elaine Power and Mary O'Rourke who scored 1-7 deserve special

mention.

Mary O'Rourke (twice) and Aoife Murphy put Waterford into a three point lead. before the Kingdom registered their first score, a 14th min. point. O'Rourke's, 18th min. goal, the end product of half a dozen passes was a beauty but Kerry fought back to trail by just two points 1-8 to 1-6 at the interval.

Scores were scarce in the second half. A Kerry point in the 34th min. was cancelled by Karen Kelly four minutes later. Further points by Mary O'Rourke and Karen Kelly left Waterford four points clear until that late Kerry surge which

yielded 1-1 to pull the game out of the fire. Mentors Pat Tobin and Declan Whelan can feel very proud of their efforts and the replay is fixed for Buttevant on Wednesday, June 10 at 7.15 p.m.

Waterford — Emer Power (Ardmore), Natalie O'Connor (Ardmore), Elaine McGrath (Ballymacarbry), Sandra Walsh (Na Déise), Bríd Ahearne (Kill), Una Leahy (Clashmore), Aileen Barron (Clashmore), Mairead Hogan (Ballymacarbry), Deirdre Breathnach (Old Parish), Karen Kelly (Kilrossanty) 0-2, Elaine Power (Tramore), Karen Foley (Dungarvan), Marian Ryan (Ballymacarbry), Aoife Murphy (Brickey Rangers) 0-2, Mary O'Rourke (Clashmore) 1-7.

Our next game in the league will be at home to Modeligo on Tuesday evening of this week and unfortunately we will be very much understrength as two of our players received injuries on Sunday evening. A number of them will be involved in exams and some more will be working.

### GOOD LUCK

Good luck to the Waterford senior hurlers who will be in action against Tipperary in the Munster semi-final on Sunday next at Páirc Uí Caoimh, Cork and we expect a huge following from our club to cheer them in their bid to reach the Munster Final. Included on the junior panel will be Dan Casey, Liam Dalton and James Baldwin of Shamrocks and the team will have as manager, James Tobin.

#### Tallow 0-7 Ballinacourty 0-4

### UNDER 21 FOOTBALL WESTERN FINAL

There was keen disappointment on Friday evening last when we were officially notified by the divisional board that the Western Under 21 football final due to be played on Monday last was not going ahead.

For the members of the team management and especially the players, many of whom are currently sitting or about to sit exams it was a major let down. Then let us not forget Willie Fennell who flew home from Germany to play in the final, that's what the championship is all about - is it not?

### UNDER 14 HURLING

Congratulations to our hurling team captain Eoin Ryan on winning the "Feile Skills Competition" at the Fraher field on Sunday morning last. Eoin will represent Waterford at the "All Ireland Skills Finals" to be held in Wexford. Two further team members, Sean Cleary and Thomas Cashin will travel to Tullamore on Saturday next to represent their school, St. Augustines College in the All Ireland Schools Athletic championships. Best of luck to all three.

## UNDER-14 CHAMPIONSHIP

Our third game in the championship brought us to Abbeyside on Monday 25th May. In our previous under-age encounters with this group of lads we had failed to register any victory but having played reasonably well in our two previous games this year we fancied our chances somewhat. Indeed we fancied our chances so much that an air of complacency had set in amongst us and the attitude of "going through the motions" that pertained in the dressing room beforehand was fully reflected in our performance on the field.

We must credit the Abbeyside lads for seizing on this opportunity as after five minutes they had rattled our net after woeful judgment by our backs. After ten minutes they again availed of our charitable backs with another goal.

After squandering numerous chances we registered our only score of the first half with a point from Nicky Donnelly. Scoring has been our main problem with such a plethora of possession and this game was no exception. A further cracking goal and a point from Abbeyside left the half time score of 0-1 to 3-1.

after what could be best described from our concern as a dismal performance.

The second half performance was to prove slightly better but not before we conceded yet another goal. Gradually we began to get back into the game. Points from Danny O'Brien and Ricky Tobin and a goal from Nicky Donnelly gave us a glimmer of hope. Abbeyside however weathered the storm and replied with three points, one of which was tipped over the bar from point blank range by excellent goal keeper Jonathan Regan.

A goal from a free by Ricky Tobin narrowed the

deficit further with five minutes left. However, we could never gain the upper hand and Abbeyside ran out worthy winners on a scoreline of 2-6 to 4-6. Having lost two out of three games, qualification for semi-final positions looks remote, especially if we serve up similar performances. Our enthusiasm however still exists and this was exemplified by the large majority of our panel who turned up for training the following evening, some of whom saw the training field for the first time this year.

Panel: Nicky Donnelly, James Ducey, David Ferncombe, Sean Fitzgerald, Eddie Fitzpatrick, Shane Hayes, Justin Houlihan, Stephen Kirby, Wayne McCarthy, Danny O'Brien, Kieran O'Brien, John O'Donnell, Barry Power, Dane Power, Jonathan Regan, Tony Sheridan, Tom Stack, Ricky Tobin.

The Parents of the U-8 and U-10 Panel held a very successful Cake Sale at the C.B.S. School Hall on Sunday morning last. This Cake Sale was organised by the Parents to purchase a set of jerseys for this particular age group. On behalf of the Juvenile Club we would like to thank them most sincerely for their efforts. This is what it's all about, all pulling together for the sake of the young lads involved. A sincere thank you to all who came along to support the sale.

## POEM

A Supporter of the Club asked me to insert the following Poem in our notes this week.

## The Hurler's Prayer

Grant me, O Lord, a hurler's skill,  
With strength of arm and speed of limb,  
Unerring eye for the flying ball,  
And the courage to match what'er befall,  
May my stroke be steady and my aim be true,  
My actions manly and my misses few,  
No matter which way the game may go,  
May I rest in friendship with every foe,  
When the final whistle for me has blown,  
And I stand before God's judgment throne,  
May the great referee when he calls my name,  
Say you hurled like a man; you played the game.

### UNDER-10 HURLING

On Saturday last, May 30 St. Olivers were one of 24 teams to participate in the Ballyduff Under-10 Hurling Tournament. The competition is run over two consecutive weekends. This year we were in Div. 1 grouped with Mount Sion, Ballyduff and Youghal.

Our first game was against Ballyduff. We began well and led by 2-1 to 0-0 at half-time. In the second half we lost our concentration and allowed Ballyduff back into the game and were lucky to win by 2-1 to 1-3. Mount Sion provided the opposition in our second match. Here our lads played much better and moved the ball quicker along the ground and ran out easy winners by 6-2 to 0-0. In our final

game we easily defeated Youghal by 6-1 to 1-1.

The fact that we won our three games means that we advance to the quarter-finals of the tournament as group winners. St. Mary's, Clonmel will provide very strong opposition on Saturday next, June 6 at 2 p.m. All players to be in Ballyduff at 1.30 p.m. Finally we would like to thank Ballyduff for inviting us to this fantastic tournament which is very well organised and run.

# Stradbally G.A.A. Notes

## UNDER-14

Noel Costello and Virgil Power took their charges to Dunhill on Saturday last to play the local side of Dunhill/Fenor in the Championship. The Stradbally team is very young and should not be in the same group as these group teams. Most of the Stradbally players are under 12 and could not be expected to compete among top named hurling Clubs.

On this occasion as happened the last time they played, no referee turned up. Noel Costello took charge of the game. The Stradbally backs tried very hard but found the going difficult. Dunhill/Fenor ran out deserving winners.

Team — Christopher Lawlor, Michael Power, Sean Costello, Noel Clancy, Liam Halpin, Kevin Power, Kevin Lawlor, Nicky Doyle, Patrick Casey, Thomas McGrath, David Reynolds, Patrick Kiely, David Barry, Thomas O'Mahoney, Philip Curran. Brendan Clancy and Wayne Clancy came on during the game.

The management of the team would like to thank the parent (!) that brought some of the players to the match.

## CELEBRATION WITH THE ALL-IRELAND CHAMPION

I was invited to Ballysaggart on last Friday Night to partake in the celebrations of the All Ireland Champion Seamus Lenane. Seamus, a fellow competitor in the Recitation section of Scor, won the coveted All-Ireland Scor competition in Athlone just a few weeks ago. County Chairman of Scor, as well as his Eastern colleague, attended the celebration.

The host club presented him with a lovely sculpture. Seamus gave us some of his favourite recitations and kept the big gathering well entertained. Thank you Seamus for the invitation and the memories.

Ballysaggart were supposed to play Stradbally the same night in the Junior B League. They understood that the fixture was on Saturday evening instead of Friday.

## LADIES MINI MARATHON

If you haven't yet done, do not forget to sponsor Eileen Sheehan and Camilla McCarthy in their fund raising efforts in aid of the Day Care Centre in Kilmacthomas. These ladies are taking part in the Mini Marathon in Dublin next Sunday. They can be seen training every evening on the local roads and on the Beach.

The Day Care Centre will cater for all the Elderly people in the area. The Centre is all but finished and funds are needed for equipment.

## TRAMPS BALL

You missed a great night on Sunday night in the Club. There was a wonderful array of "Talent" of all shapes and sizes. We had a visit from a few Dana Internationals. The star of the night was the lady in red with the blond ringlets. The "best couple" prize went to the gentleman with the long red hair and the lady with the big black cap — their identity remains unknown.

## JUVENILE NEWS

Do not forget Bim Connors on Wednesday night. There is a County Jersey being raffled the weekend coming. It can be seen in the club. Our Under 12s and under 14s are playing regularly Both teams have some very young players on their panels.

## SENIOR LEAGUE

We play Tramore in the league on Thursday evening in Tramore and Dungarvan at the weekend. Of course due to exams we will not have a full panel for any of these games, so there will be plenty of players tried in different positions.

## Sliabh gCua/ St. Mary's G.A.A. Club Notes

### SENIOR FOOTBALL LEAGUE Sliabh gCua 1-7 Kill 2-9

We played Kill on Sunday night last in the seventh round of the league. It was a very bad night for football with high winds and heavy rain. We were short a few regulars through injury and work commitments. We started off well but in the end we faded away and were beaten for the first time in the league.

Team — E. Condon, J. Connors, P. Hallinan, L. Boyle, J. Lawlor, D. Kiely, D. Meaney, D. Whelan (0-1), T. Condon, I. Dunford (0-1), K. Hallahan (0-1), J. P. Fitzpatrick (1-0), A. Fitzpatrick (0-1), S. Kearns (0-2), R. Ware (0-1). Sub - P. Hearn.

Next Saturday we are away to Dunhill and a win is vital if we are to qualify for the final. Throw-in is at 8 p.m. sharp.

### TRAINING

Training takes place every Tuesday and now Thursday at 7.30 p.m. sharp.

**Daise Development Draw Waterford U-15 1/2 'A' Hurling Championship Final**

## Dungarvan C.B.S. Complete County/Munster Double

**Dungarvan C.B.S. 4-6 St. Augustine's 3-4**

When Billy Harty scored his second goal for St. Augustine's in the 29th minute of this County U-15 1/2 'A' hurling final to put the Friary 3-2 to 0-1 ahead, it looked as if his side were heading for their second Waterford Colleges U-15 1/2 hurling title.

The Friary dominated the early stages of the game with Billy Harty crashing in a great goal in the 4th minute and followed with a point in the 5th minute to open up a four-point lead. A goal by Niall O'Brien in the 11th minute extended St. Augustine's lead to seven points, 2-1 to 0-0. Christopher Morrissey landed a mighty 80-yard free to give the CBS their first score in the 19th minute. Having being totally outplayed in the first quarter, Dungarvan CBS were playing much better, as the half went on, but failed to take their chances. John Wall extended the Friary's lead again to seven points in 24th minute with a point. A mistake in the CBS defence was punished by a Billy Harty goal in the 29th minute. With nearly five minutes injury time in the first half due to injuries to Rick Hanrahan of St. Augustine's and Christopher Morrissey of CBS, the CBS used this time well when Philip Beausang burst through the Friary defence to lay off a pass to Jimmy Moore to crash in the CBS's first goal. John Wall responded with a point for the Friary. Christopher Morrissey scored direct from a 60 yard free for the last shot of the first half to leave the Friary lead 3-3 to 1-2 at half time.

Both sides served up a marvellous second half. Philip Beausang whipped in a ground shot to the net to narrow the lead to four points in the 38th minute. In the 41st minute the gap was down to three points with a Christopher Morrissey point from a free. A goal in the 45th minute by Jimmy Moore levelled the scores and the CBS went into the lead for the first time in the 47th minute with a Ronan Keating goal. In the 54th minute, Christopher Morrissey extended the CBS lead to four points with a point. A minute later Michael Walsh had a point for the Friary to leave his side trailing by 3-4 to 4-4. The Friary strove valiantly for an equalising goal in the closing minutes forcing two 65's in a minute, but the CBS defence was now defending in outstanding fash-

ion with block downs, interceptions and marvellous clearing to deprive the Friary a breakthrough. The CBS increased the lead to four points again with a Christopher Morrissey point from a free in the 58th minute and, another point from the same player in injury time gave Dungarvan CBS a thrilling victory and add the county U-15 1/2 title to the Munster U-15 title won recently.

**Scorers: Dungarvan CBS** — Christopher Morrissey 0-6 (0-5 frees), Jimmy Moore 20., Philip Beausang 1-0; Ronan Keating 1-0. **St. Augustine's** — Billy Harty 2-1; Niall O'Brien 1-0; John Wall 0-2 (0-1 free); Michael Walsh 0-1.

## ROINN B HURLING FINAL

**Carriglea/Glenbeg 3-1 Coolnasmeaer/Kilbrien 1-6**

A thriller all the way which went into extra time before C/K emerged victorious by the narrowest of margins.

C/K opened the scoring when Tomas O'Brien pointed from long range. A nice passing movement of ground hurling and Tomas Halpin was on hand to smack the ball to the net for C/G. Another Tomas O'Brien point just before the half time whistle.

A Tomas O'Brien hand-pass to Tomas Fahy and he pointed. Exciting stuff this. Andrew Murphy rattled the net for C/G. John Morrissey and Andrew Murphy exchanged points. A goal from David Hurley and it was a

draw at full time.

## EXTRA TIME

C/G were dominating general play but points from John Morrissey and Tomas Fahy put C/K in front. Anthony Cooney stepped up to take a long range free in the dying seconds. He hit it head high — the sliotar hit the hard ground 10 metres out and went all the way to the net. C/G were champions.

**Carriglea/Glenbeg** — Conor McGrath, Raymond Landers, Ivan Murphy, Thomas Landers, Michael Gee, Cian Shalloe, Austin Cooney, Tomas Halpin, Andrew Murphy, Johnny Cooney, Pádraig Nugent. Subs. — Colin McGrath, Kieran Gee, John Cummins, Eoin McCarthy, Patrick Curran. Manager — Olivia McCarthy.

## ROINN B PEIL NA gCAILINI FINAL

**Abbeyside N.S. 3-6 An Rinn 3-2**

This game was dominated by two players — Lorraine Whelan from Abbeyside and Ealga Ni Aodha from An Rinn. Both were adept at winning possession and both could solo the length of the field. Ultimately it was because Lorraine was better at scoring was one of the reasons Abbeyside won the game.

Abbeyside opened with points from Claire Cashin, Susan Amy Fleming and Lorraine. Alga scored a good goal for An Rinn. Lorraine planted the ball in the back of the net to finish off a brilliant solo. Roisin Na Mhanachain replied with a goal for An Rinn.

## WATERFORD COLLEGES FOOTBALL FINAL

### ST. AUGUSTINE'S 5-8 TRAMORE CBS 2-6

St. Augustine's Dungarvan surprised favourites Tramore CBS to regain the under fifteen and a half colleges football title after a terrific encounter at Kill. Tramore had been very impressive in earlier rounds, and in the opening minutes of this final threatened to overrun their opponents, racing into a three point lead.

A Friary break saw John Hurney put John Wall through for a cracking goal as the Dungarvan boys fought manfully to stay in touch. Tramore continued to exert pressure but gradually the Augustine's half back line of John Coade, Michael Walsh and Brian Wall found their feet and this trio were to prove most influential in turning the tide in their side's favour. At the half time whistle Tramore led by the minimum on a scoreline of 2-4 to 2-3.

The second half belonged to St. Augustine's as they stormed forward. Eoghan Walsh was much more prominent at midfield and John Wall and Billy Harty led the Tramore defence a merry dance. Liam Briggs goaled for Augustine's to give them the lead for the first time and from there to the finish the Friary boys dominated.

Maurice Dee had a solid performance between the posts and the full back line of Rick Hanrahan, Aidan Dalton and Conor O'Connor lent great support to a splendid half back line. John Hurney was most effective when moved to midfield and though John Wall and Billy Harty took the scoring honours up front, Liam Briggs, Ger O'Donovan, Diarmuid O Meachair and Shane Hayes (the latter playing in an unfamiliar position), all had their moments.

Friary scorers — B. Harty 2-4, J. Wall 2-3, L. Briggs 1-0, E. Walsh 0-1.

Team — M. Dee (Kilrossanty), R. Hanrahan (Abbeyside), A. Dalton (St. Marys, capt.), C. O'Connor (Ardmore), M. Walsh (Stradbally), J. Coade (Kilrossanty), B. Wall (Clonea), E. Walsh (St. Oliver's), L. Briggs (Abbeyside), J. Wall (St. Patrick's), J. Hurney (Abbeyside), D. O Meachair (An Rinn), S. Hayes (Dungarvan), B. Harty (Ardmore), G. O'Donovan (St. Oliver's).

Many thanks to Kill GAA for the use of their grounds and also to referee Noel O'Sullivan, Portlaw.

## SUNDAY NEXT AT PAIRC UI CAOIMH

# Waterford Determined To Topple Tipp In Thriller

I feel that if we don't beat Tipperary in Cork on Sunday that we will not beat them for a long time to come. We have not beaten them for fifteen long years and if we fail to beat them now with the present panel of players, we are going to linger in the doldrums for well into the new millennium.

If we lose to Tipperary it will bring to an end a year in which we have achieved a great deal, yet it will be very disappointing. If we win it can mark the beginning of a new dawn for Waterford hurling because at worst it will mean a place in the All Ireland quarter finals and at best our first Munster senior hurling title since 1963 and maybe an All Ireland title — our first since glorious 1959.

I wrote last week that our struggle to beat Kerry might prove to be a blessing in disguise. In researching the records last weekend I found that in 1990 Cork travelled down to Tralee and were the hottest of favourites to beat Kerry, but were given a huge fright before emerging winners by eight points. After that game the rebels swept all before them on their way to winning the All Ireland against Galway. At their celebrations they referred to the Kerry match and how it had brought them back to earth.

I believe that our performance in Tralee will help to cool the hype that was being generated by some sections of the media.

Because of our lack of success at senior level our players are not conditioned to absorb the pressures being built up in the lead up to such important matches like the one on Sunday. Media hype increases expectations to a height beyond normality and builds up tensions within players. This can have a detrimental effect as the awful thought of possible defeat and letting their supporters down is certain to affect the quality of their display.

We cannot afford the tag of favourites. Tipperary are working on this at the moment by sending out sob stories about their problems and making pointed references to Waterford's wonderful performance in the first round of the league in Thurles. Not that we should

blame them for this gamesmanship as we are quite good at this game ourselves.

In writing in this way I don't wish to create the notion that we should not approach the game with confidence and that we should not feel that we are not going to win. Experience has taught me to worry more about our approach to the fixture, than about the actual game itself and to feel concerned about the role being played by the media and our supporters.

On Saturday last I discussed the game with a Tipperary official who was involved with their team some years ago. He told me that some of the stories coming from the Tipp camp have no foundation in fact. There is great harmony in the Tipperary panel and that despite having some problems in defence, they are hoping to beat Waterford. After a great run in the All Ireland championships last year, they showed a complete reversal of form in the league, but after their game against Cork in round 4 at Pairc Ui Caoimh, they are confident that they can get it right in time for the championships. What could be more honest, coming from the opposition!

I don't have the Tipperary lineout at the time of writing and it is difficult to predict what this will be like as they have chopped and changed quite a lot throughout the league. One view about Tipperary is that they will go pretty close to naming the team which lost to Cork (2-11 to 2-10). That team showed changes from the side which lined out against Waterford three weeks earlier.

That lineout would see Brendan Cummins in goal and there will be no change here as the Ballybacon/Grange man is one of the top goalkeepers at the moment. William Hickey, Conor Gleeson and Michael Ryan are a likely trio for the full line of de-

fence behind Brian Horgan, Colm Bonner and Ramie Ryan, although the last named could be brought to centrefield to fill a position which he occupied with great success against Cork. Aidan Butler could find favour with the selectors again to partner him or Colm Bonner in the middle of the field. Liam McGrath is another player likely to be considered for midfield.

Up front, Tipperary may ring a couple of changes. Playing Declan Ryan at centre half forward is a possibility as he played well enough on Brian Corcoran for a time in the Cork match. Tipp. will depend a lot on young Eugene O'Neill who will pose a big threat to Waterford's defence. Paul

Kelly, who did not play in the league against Waterford and was one of their stars against Cork, looks sure to be included in their attack as will Johnnie Enright and perhaps Liam Cahill.

Every player in the Tipperary panel has Munster final, if not All Ireland experience, so it's not going to be easy even though the Waterford panel of players have a fair amount of experience as well and many are improving with every next match. In spite of this, many of our players are finding it difficult to win public acclaim — especially with a few sportswriters.

On the Tuesday following our game with Kerry the Daily Star published their "Team of the Week" giving positions to five Kerry players and naming just one Waterford hurler. The one was Dan Shanahan who fully deserved to be included, but we did have a couple of others who were every bit as good as the Kerry players named. I have heard it said on many occasions that the championship is the only place for players to establish a claim to fame, so here lies the big chance for our players to

show and to prove to all and sundry that they can equal the best in this great hurling province.

Waterford have shown throughout the national league that they can hurl with the best. The results are there for everyone to see. We beat Tipperary, Laois, Kilkenny and Limerick very decisively, we drew with Leinster champions, Wexford and were on top for over 50 minutes of the league final against Cork, who had a splendid

win against Limerick in the championship on Sunday last.

## THE TEAM

When the team was announced it was more or less as expected and it showed a vote of confidence by the selectors on the team which lined out against Kerry ten days ago. Some supporters had expected a change or two and possibly a couple of switches on the side, but the majority will agree with the selectorial policy as it will instill confidence in the players. It shows that there is no panic after the Kerry fright.

Brendan Landers, who took

In the championships over the last decade we have fared poorly, but in a number of important games we went very close to winning. There were several hard luck stories too, and most of our supporters will readily recall these. The following is our record for the past ten years.

1988	Waterford	3-10	Clare	3-12
1989	Waterford	5-13	Clare	1-10
	Waterford	0-18	Cork	0-18
	Waterford	5-16	Cork	4-17
<b>MUNSTER FINAL</b>				
	Waterford	2-8	Tipperary	0-26
1990	Waterford	1-8	Cork	4-16
1991	Waterford	2-15	Kerry	1-12
	Waterford	0-13	Cork	2-10
1992	Waterford	2-13	Clare	3-10
	Waterford	0-16	Clare	0-14
	Waterford	1-13	Limerick	2-13
1993	Waterford	3-13	Kerry	4-13
1994	Waterford	2-12	Limerick	2-14
1995	Waterford	1-11	Tipperary	4-23
1996	Waterford	1-11	Tipperary	1-14
1997	Waterford	1-17	Limerick	2-20
1998	Waterford	0-20	Kerry	1-9

It will be noted from the above that in our last meeting with Tipperary in the championship, only a puck of the ball separated the teams

after a thrilling game in Walsh Park. Also, in our last league encounter, which was in Thurles, we won very decisively. All this makes me wonder about the betting odds being offered against us by the bookmakers. Here I refer to the odds which were quoted before the All Ireland championship games of last Sunday.

Tipperary and Galway are installed as joint favourites at 9-2 to win the All Ireland; Clare are on 5-1, Cork, Kilkenny and Wexford are each on 6-1 while Limerick and Offaly were quoted at 8-1. Then a big jump to Waterford who were on offer at 14-1. Dublin and Laoise were then on 25-1 and better odds were being offered on the other contenders. Whatever about the other counties, the bookies are certainly making Tipperary hot favourites to beat us on Sunday.

over after Stephen Brenner was judged to have blotted his copybook in the final minutes against Tipperary, is retained in goal. The Lismore man is playing very well even though he did make a couple of errors early on when introduced. He is improving with every game.

Tom Feeney was at wing back when we beat Tipperary in the league and played very well and is playing even better since his move back to the corner. At full-back Sean Cullinane is the obvious selection, the Passageman having proved himself to be an outstanding defender. There was surprise reaction to the replacement of Mark O'Sullivan by Brian Flannery for the Kerry match and now having played very well in the first round, Brian Flannery is retained to complete the full line of defence.

Our halfback line of Stephen Frampton, Fergal Hartley and Brian Greene is currently playing as well as any other halfback line anywhere at the moment and all three can be described as stars in their own right.

Our midfield pairing of Tony Browne and Peter Queally are the expected choice. Tony Browne is one of the outstanding players on the team and his workrate is colossal and was a factor in getting over Kerry. Peter Queally has proved himself to be more than a handful for any opponent and this could be the kind of match in which he can excel.

The contribution of this sector will be vital to our chances against Tipperary. Concern has been widely expressed about their difficulties in scoring goals. We failed to raise a green flag against both Cork and Kerry even though a number of opportunities did present themselves. Paul Flynn, with a total of 5-33, was the highest scorer in the national league even though he was off target quite a lot against Cork. When things go right for him, the Ballygunnerman is dynamite and a threat to any defence.

# It's Now Or Never For Waterford On Sunday

CONTINUED FROM PAGE 48

Ken McGrath cannot be described as anything but an outstanding forward and has played a leading role in the progress of the county team to-date. Dan Shanahan took us out of trouble against Kerry when he was rightly named as man-of-the-match. Dan is getting better with every game. His clubmate Dave Bennett is also improving as a score-getter and has added some delightful points to score in the games in which he has played.

I believe that the selectors are right in persisting with Billy O'Sullivan even though his scoring record might be better. He has supplied the ball to the forwards who have scored in practically every game, often with professional accuracy. Anthony Kirwan has also proved his worth in the league and could not be omitted from the team. Being a utility player, he can be usefully switched out to the halfline should the circumstances demand.

The matter of free taking is a feature of the match strategy that must be carefully planned. The plan went awry against Cork. The policy of bringing Paul Flynn out around the middle of the field to hit frees, has not been working for us and will have to change. Ken McGrath, Brian Green, Tony Browne and Fergal Hartley are on record for having hit over middle and long distance shots.

It will be noted from the substitutes list that there are changes and also that the panel has been reduced to regulation strength (24).

**THE RESULT?**

The general feeling with supporters is that we can win this one and gain revenge for the many times we have had to bow to our neighbours. Hopefully the hype associated with such a major occasion for Waterford won't have an unnerving effect on the players. It has cost us very dearly before.

My own view is that if our approach to the game is right and if our players all perform to the very best of their ability, we will win. I also fear that if we don't beat Tipperary now then we are unlikely to do so for a long time to come. We have a splendid panel together, we have no injury problems and they have rarely been as fit as they are. So to me it looks as if this is our big chance...

**SENIOR FOOTBALL CHAMPIONSHIP**

# Double Defeat At Clonmel

The late sitting of the Special Congress kept a number of us from getting back to Clonmel in time for our championship engagements with old rivals, Tipperary. The results in both cases were disappointing as will be read from the reports by our correspondent at the games.

In the junior tie we were decidedly unlucky and deserved a draw after a very spirited performance by the team who had done very little preparation for the match. Losing by a point is always disappointing but having tried their very best, who can complain.

**SENIOR DEFEAT**

Seventy minutes of testing football against a very fit Limerick side was a big factor in helping Tipperary to a deserved win by 12 pts. in the senior game. It was obvious from the beginning that the home team with huge support meant business and were 0-8 to 0-

3 ahead at halfway. Their second half goal killed off any hopes that Waterford might have had of making it a close contest. We were outplayed by a better team and there can be no other explanation for our defeat.

The result does highlight the problems affecting football in the county at the present time and perhaps for a number of years. The full blame for the situation must be put clearly on the shoulders of the players and the clubs who just don't seem to care about how badly we fare, year in and year out.

No blame can be attrib-

uted to the men who manage the team. Joe Curran, Jim McGrath and company have given freely and generously of their time and energies in preparing the panel and the County Board have also given generously to the cause. But as I have written before, all this goes for nothing when too many of our clubs and players just won't co-operate.

It is also a factor I suppose that club standards of football here in Waterford are poor by outside standards and in such a situation, it is difficult to mould a panel into a team that can challenge for honours in the

league or championship. It was the subject of comment last week that the two clubs who contested the County Football Final last October did not have a player on the team which lined out against Tipperary.

It is time that Coisde Na Peil took a very serious look into the whole matter of the lack of club and player loyalty to the county teams. This suggestion does not take from the very dedicated and loyal players who continue to give it their best shot, year after year. These people can feel proud of their commitment to the county.

## NO TICKETS

Tickets will not be required for Sunday's game and admission will be on a first-come, first-served basis. The admission prices announced by Munster Council are £10 for covered stand, £8 for sideline and £6 for terraces.

The game will not be televised live but will be shown in full on Sunday night.

## ON SALE AGAIN

Emblems in a variety of shapes and sizes will be on sale from the caravan on Grattan Square over the coming weekend. As stocks run out quickly, patrons are advised to purchase early.

I have been asked to publish that the official Waterford colours are white with blue trim (same as Monahan). Our registered alternative colours are royal blue with white trim. This means that for flags the white must be near the pole, but there is nothing very wrong with having it the other way round.

## De La Salle Centre Opened

A huge crowd of members and well wishers turned up for the official opening of the De La Salle Clubhouse and leisure centre on last Saturday week when the G.A.A. President, Joe MacDonagh cut the tape and announced the £350,000 centre officially opened after the premises had been blessed by His Lordship, Dr. William Lee, Bishop of Waterford and Lismore. As well as the President and Bishop, the attendance included many other civic and religious dignitaries.

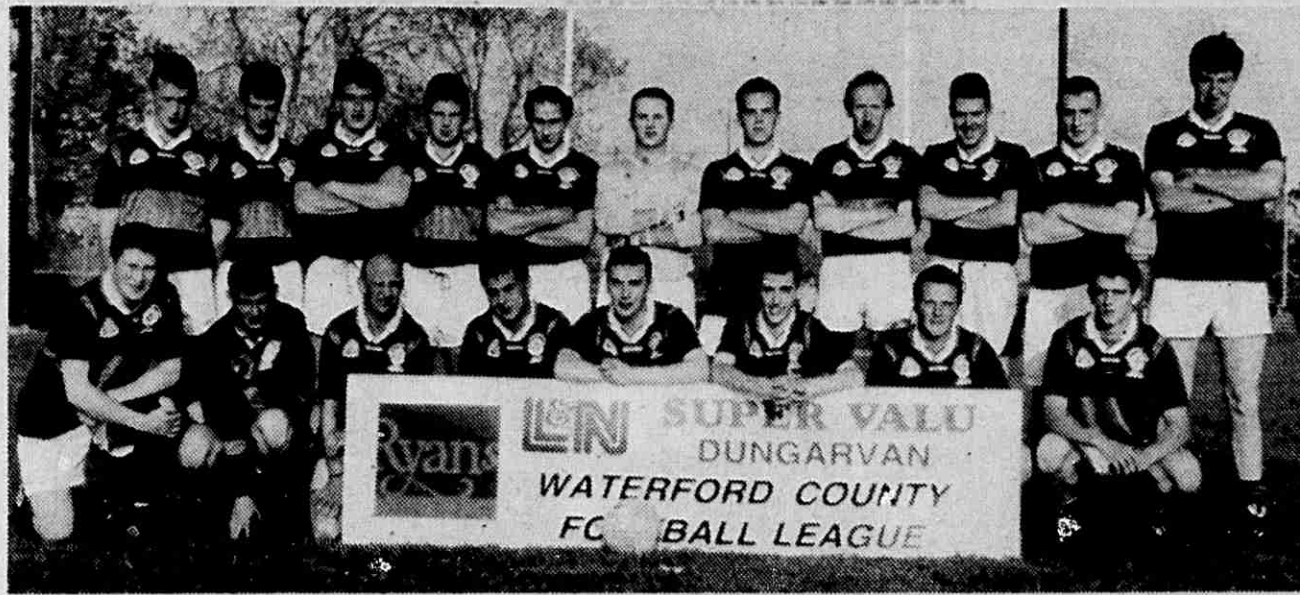

The County Board was represented by the chairman and other officers. All the speakers praised the initiative and courage of the De La Salle committee who had undertaken the costly task of rebuilding and refurbishing the premises.

After the ceremonies, all the guests were treated to a really delicious meal by the club. The leisure centre is certain to prove a big addition to this old city club, who won their first championship in the twenties and hopefully it will attract a much bigger membership.

## RYAN'S SUPER VALU LEAGUES

# Some Vital Games To Be Played At Weekend

The second last rounds of this very successful competition are scheduled for next weekend and will be played on Friday and Saturday evenings. It is good to find that the clubs who are no longer in contention for involvement in the final stages, are continuing to play their scheduled matches. The final rounds will take place on June 27th, which is one week after the start of the hurling championships.

### NIRE V. RATHGORMACK

This is a crucial match for both who are fighting for a place in the final.

It is fixed for the Ballymacarbry venue and this will help the county champions, the Nire. Rathgormack played poorly against Kilrossanty recently and a repeat of that form could well cost them the points.

Two weeks ago the Nire scored a big win against Ballinacourty and are the team that all will have to beat from here on.

### BALLINACOURTY V. KILROSSANTY

The fact that this game will be played in Abbeyside is unlikely to make a difference as Kilrossanty are in super form at the moment. They had a bye in the last round, but in the previous round they scored a decisive win over Rathgormack.

### ST. SAVIOURS V. GAULTIER

This is likely to result in a win for Gaultier who have been showing a return to form recently. The game is fixed for Ballybeg.

In the other scheduled game Stradbally will take the points as Dungarvan have withdrawn. Tramore have a bye on this weekend.

### DIVISION 2— DUNHILL V. SLIABH gCUA

The Touraneena team will travel to Dunhill for this assignment but they should nevertheless come home with the points as they are the leaders in this division and are playing very good football. Sliabh gCua are sure to reach the final.

### KILMATHOMAS V. BUTLERSTOWN

If Butlerstown play as well as they did recently against Kill they will prove to a real handful for Kilmathomas who are behind them on the league table at the moment.

### CLASHMORE V. AFFANE

Any of these sides won't make it to the final in my opinion but each side is beginning to do well and they will continue to battle for the points which will keep

them well clear of the threat of relegation. The game has a Clashmore setting.

### GERALDINES V. KILL

There is not much between these sides but whatever is there would seem to indicate a victory for Kill in this tie, even though it is being played in Aghlish.

Ring have a bye on this weekend.

### DIVISION 3

This div. is being dominated by the four top teams — Ardmore, Shamrocks and the B teams of Rathgormack and Kilrossanty.

In the games listed for the coming weekend Newtown and Bonmahon will fight out a very close game in Newtown, the two B teams of Kilrossanty and Rathgormack will battle it out in a vital tie in Rathgormack, Modeligo will play hosts to the Brickeys, but are unlikely to take the points, while Ardmore and Shamrocks will clash in the most important match in this division over in Ardmore. This is a vital match for both teams as the points at this stage are vital to both. De La Salle have the bye this weekend.

## Western Board Football Leagues

These competitions have taken off very well in this division and up to now there have some great contests so far. These should continue over this weekend with matches involving Seana Phobal and Ballinameela in Old Parish, Emmetts and Ballyduff, both of whom are very strongly in contention (this will be played in in Colligan.) Stradbally and Tallow are not likely to make it to the knock-out stage, but both are trying all the way in this grade. Stradbally have the game at home and this might be the deciding factor.

Ballinacourty will travel to Kilgobinet but it is likely to be a journey in vain as the home team here should prove too strong for the visitors.

**DIVISION 2**  
In this division all the games are fixed for Friday evening.

Dungarvan are slightly ahead on points so they should manage to beat Ardmore. Faha will have their work cut out and who will win between Geraldines and Clashmore is anyone's guess, as so far they are both pointless. The Nire and Brickeys are close together in the league table so their tie should be quite interesting.

**DIVISION 3**  
The final round of this section will not be played until June 27th. By this time the Western championships could be underway.

## REGISTRATION OF MEMBERS

All clubs have now been notified that units who have not yet registered their members with the development officer, John Fraher, will be named at the meeting of the County Board which takes place at Dungarvan on next Monday week. Clubs who have not yet registered their members are not legal to participate in the leagues or championships.

## Senior Senior Hurling Championships

The County Fixtures Committee have announced that the senior hurling championships will commence on the weekend of June 20th., regardless of how we fare against Tipperary on next Sunday. No postponements will be considered under any circumstances, other than for a death. It was also announced by the G.A.C. that a date for the start of the football championship will be announced on Monday week at the board meeting.

The normal meeting of the senior board has been put back a week from next Monday in order to coincide with the next monthly Lotto draw.

## COUNTY DIRECTORY

The Communications Committee are currently distributing the 1998 Club directory which is a fund of information for club officers and a splendid reference for officials seeking information about other clubs with whom they may wish to contact.

Clubs in this division who wish to obtain additional copies should contact Tony Morrissey. Copies will also be available at the Western Board meeting next week.

## Final Deise Draw

The final Deise Development Draw took place on Friday last and for the time being, the finance committee will concentrate on promoting the new county lotto in which a lucky winner scooped the jackpot of £6,000 last week. A special announcement will be made at the June meeting of the Board when clubs will be asked to transfer their fund-raising efforts to the lotto, now that the monthly draw is ended.

## M.F. — Waterford v. Limerick?

These counties have now qualified for the Munster semi-finals and will play Kerry and Cork respectively. The outgoing Munster Council Chairman,

Noel Walsh has announced that he will propose that these two qualifiers from the round-robin section will play each other for a trophy and set of medals. He will put the proposal to the next meeting.

G.A.A. NOTES

# RULE 21 TO STAY

After a three and half hours emotional debate at the Burlington Hotel, Dublin on Saturday last, three hundred delegates representing every county and the G.A.A. boards in Britain decided to defer a decision to remove Rule 21 which prohibits members of the British Forces and police from being members of the G.A.A.

The proposition to remove the ban which came from Central Council, had overshadowed all other G.A.A. activity over the past few weeks and events like the Cork/Limerick and Kilkenny/Dublin provincial championships were pushed very much into the background.

The Special Congress was held in camera and the motion, having been proposed by the President was opposed by the nine Northern counties each of whom addressed the Convention and attracted support from speakers outside the

province. The standard of debate was top class with many of the best orators in the G.A.A. making their views known.

In order that no division would result to the association, compromise won in the end and in a statement to the media at around 7 p.m. the following was issued —

"Cumann Luth Chleas Gael pledges its intent to delete Rule 21 from the official Guide when effective steps are taken to implement the amended structures and police

arrangements envisaged in the British/Irish Peace Agreement .....

After the Congress, Association President, Joe MacDonagh said he was pleased with the result in which the Association were united and totally committed to the continued search for peace and reconciliation in Ireland. Waterford were represented at the Special Congress by Pádraig S. Ó Riain (County Chairman), Paddy Walsh and Anthony Walsh (Chairman and Secretary of the Western Board), Jimmy O'Gorman (Munster Council representative), Denis Hanrahan (Secretary of Eastern Board) and John O'Leary (County Youth Officer). S. O'Brien was present as Central Council representative.

The majority of the three hundred delegates were pleased that the issue had been resolved in this matter but it failed to satisfy some sections of the media, some of whom did not know what was involved anyway. Some of the comments were fair and reasonable and some were not. The comments from one English Sunday newspaper (published in Dublin) were simply infantile. The same columnist would find it hard to say anything good about the G.A.A. regardless of what decision was reached.

## UNDER-21 FOOTBALL FINAL NOT PLAYED

The Western Under-21 Football Final involving Ballinacourty and Stradbally which was fixed for Fraher Field on Monday failed to materialise because Stradbally did not field despite being refused a postponement on the grounds that some of their players were exam tied. It is now a matter for the Board to award the game.

## SARGENT CUP QUARTER-FINALS

The following are the qualifiers for the Sargent Cup senior hurling quarter finals — Durhill, Ballyduff, Lismore, Passage, Ballygunner, Mount Sion, De La Salle and the winners of the Tallow v. Roanmore first round replay.

P.S. — It is expected that the draws for the quarter-finals will take place at the County Board meeting on Monday, June 15.

## Primary School Prospects Spotted Last Week

SCOIL NAISIUNTA AN SEAN PHOBAL — Mr. Frank O'Donnell (Prisabh Oide) with his panel of players who took part in Roian D of the Primary Schools Competition. Well done to teachers and pupils for taking part and completing and enjoying the fun of competing against other schools where participation is the name of the game.

BALLYDUFF N.S. — Shane Hannon, 9 years old, 3rd Class

Shane lives at Ballysaggartmore, Lismore and he is a very useful hurler with good potential. Was very impressive at last Monday's visit. The school have reached the semi-final of their competition and are hurling well under the guidance of their teacher, M/s O'Farrell from Ballyporeen. Shane is a pleasant boy whose favourite hurler is D. J. Carey.

CLASHMORE N.S. — Sean Fleming, 12 years old, 6th Class

Sean lives at Kilmore on the back road to Aglish and he has been making steady progress at hurling over the past few years. Plays corner-forward on his school team who are in the semi-final of their competition. Very lively with plenty of skill, he scored some lovely points in the school quarter-final. Next year he will be crossing the Youghal Bridge to attend Coláiste Eoin. Favourite hurler is Waterford's Paul Flynn.

KNOCKANORE N.S. — Tara Casey, 5 years old, Junior Infants

Tara's home is at Tircullen, Tallow and she is starting to learn the basic skills. Even at this early age, she has been at many club and

intercounty matches and can name several of the Waterford players. Her father, Pat is an outstanding goalkeeper for Cappoquin. A very bright, pleasant girl she says her favourite hurler is her dad, Pat.

### ALL ROADS LEAD TO CORK

Best of luck to the Waterford hurling teams on Sunday next and what a big day it will be for sixteen schoolboys in the primary game. This is the second group of young lads to play prior to a big game this year. The schools represented next Sunday will be Lismore, Abbeyside, An Rinn, Tramore, Ballygunner, Ballyduff Upper, Coolhasmar, Ballyduff Lower, St. Stephens De La Salle, Fenor, Tallow and Scoil Garbhain. Over the two games twenty six schools will have been involved. This is a marvellous way of promoting the game and we hope the lads enjoy their first big hurling occasion.

### NEXT WEEK'S COACHING DATES

Monday, June 8 — An Rinn N.S.  
Tuesday, June 9 — Porthw N.S.  
Wednesday, June 10 — Clonca N.S.  
Thursday, June 11 — Ballyduff N.S.

## NEW MINI-BUS FOR G.A.A. URBAN SCHEME

The quality and the variety of the work of Waterford's G.A.A. Urban Development Officer for the youth of the urban area has been well publicised over the last three years. The entire Development Scheme took a giant step forward recently with the purchase of its new 12-seater mini-bus. At a pleasant and well attended function on Thursday night last at McConnell's Car Showroom, Main Toyota Dealers, the new mini-bus was launched by Mr. Brian O'Shea T.D. in the presence of Mr. Pat Hayes, Deputy City Mayor, members of the Waterford County G.A.A. Board, officers and

committee members of the eight urban clubs, school teachers and principals from the schools of the area. Also present were Mr. Con O'Riordan, Bank of Ireland and Bill McConnell of McConnell's. The mini-bus was secured with the National Lottery aid which Brian O'Shea was instrumental in securing. The G.A.A. Urban Committee wish to thank the National Lottery and Brian O'Shea. A word of appreciation also to the following who helped financially — McConnell's, Main Toyota Dealers; Bank of Ireland; Sheridan's Trophies & Signs; Pat O'Sullivan and the City G.A.A. Juvenile League.

### TRANSPORT PROBLEM SOLVED

It is now three years since the Waterford G.A.A. Urban Development Scheme was put in place with its full-time Development Officer, Joe Carton. Since its inception in the autumn of '94 the Development Scheme has blossomed and branched out in numerous directions, developing and promoting the G.A.A. activities among the youth of Urban Waterford. Joe Carton has been centrally involved in the many and various initiatives, development plans and coaching programmes. The availability of this new 12-seater mini-bus to the Develop-

ment Officer will certainly make life easier, enabling him to transport the hurling gear and training equipment, helmets, hurleys, portable goals, plus the assistant coaches etc. It will be over the summer months especially that the bus will be of most use with the Summer Camps and the Coaching on the Greens etc.

### SCHEME OUTLINE

A professional presentation of the scheme was given by Committee Secretary, Liam Cheasty. With the aid of modern overhead projector equipment, he explained the nature and aims of the scheme. He outlined the various aspects of the

1998 programme such as the following —

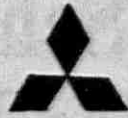

Coaching in the fifteen primary schools, G.A.A. seminars for club committee members, foundation coaching courses, teacher training courses, winter indoor hurling competitions, mini-exhibition games before National League games, specialised coaching for the talented players from each club at under-12, 13 and 14 level, skill competitions, distribution of promotional material to the school children, assistance to the juvenile G.A.A. clubs, mini-leagues on Fridays at Walsh Park during the summer, Coaching on the Greens and Summer

Camps. Last summer, for example, six hundred children participated in the urban summer camps. Over seven hundred were coached by the team of coaches involved in the Coaching on the Greens. One alarming statistic which surfaced was that 90% of those involved in the Coaching on the Greens in the housing estates were not playing with any G.A.A. club. There is a lot of practical work to be done in urban Waterford, where over 50% of Waterford's youths are growing up. However the urban challenge is clearly being faced in a very organised and professional way.

**JR's Receive Special Merit Award For Consistent Hygiene Standards**

Consistently to the fore in national standards of hygiene, JR's Hamburger Restaurant, Dungarvan was again among the award winning elite in this year's National Hygiene Awards in the Conrad Hotel, Dublin on May 26th.

Owners John and Caroline Ryan received a special merit award from the Hygiene Approvals Board Excellence Ireland in recognition of having maintained, over an unbroken 10 year period, standards of hygiene excellence.

Explaining the basis for this decision, Sean Conlon, Board Chief Executive said the board took into account, JR's long involvement with the Hy-

giene Mark programme, starting at a time when hygiene and food safety were not the 'high profile' issues that they are today. The board also based their decision on JR's consistent high standards and the business's dedication to the principle of continuous improvement.

"And finally", said Mr. Conlon, "your average score at over 90% for this 10 year period is a unique and unsurpassed record".

Since opening in 1983, JR's has achieved two Triple Hygiene Certificates as well as winning the Irish Quality Association National Hygiene Awards (Fast Food Category) for two years in a row in 1995 and 1996.
