## Manager Rules Out Incinerator Plant

BY AISLING CONROY

The threat of an incinerator plant has been unambiguously ruled out by the County Manager after he publicly gave his assurances this week that the draft county development plan does not provide for an incinerator plant to be located in any part of the county.

Manager Donal Connolly told members at their meeting on Monday that any proposal for waste management facilities would have to go through full public procurement procedures and would be subject to the normal environmental impact assessments, planning approvals etc.

On the strength of these assurances members for-

mally adopted the draft development plan on Monday with the exception of councillors Ger Barron and Tom Cunningham who were against the plan and five members who abstained from voting - Cllrs. Tom Higgins, Fiachra O Ceil-leachair, Paudie Coffey, John Carey and Betty Twomey.

Just under two years ago, the Council engaged the services of CAAS to work with the Council's planning staff in carrying out a major

review of the County Development Plan which expires later this year. Extensive consultation took place at local level with various community groups, statutory bodies and elected members etc.

## Council In Process Of Acquiring Land In Tallow

There was hopeful news this week for those currently waiting on the housing list in West Waterford when it was revealed that the County Council is currently in negotiations with a landowner in Tallow with regard to the acquisition of land for housing in the area. That's according to County Manager Donal Connolly who was replying to a query raised last Monday

by Cllr. Willie McDonnell. Cllr. McDonnell said the number of people currently on the Council's housing list in Tallow is close to thirty and he asked officials what plans were in place to tackle the situation.

Mr. Connolly said the land acquisition would involve a relocation and the Council is now looking at a

## Waterford Coastline Captured On Camera

Over 7,000 km of high resolution digital aerial images for the entire Irish coastline, including Co. Waterford, is being provided in user friendly CD ROM format in a new national Coastline Survey.

The first two CD ROMS which contain images of counties Waterford and Wexford among others were launched last week by the Minister for the Marine.

The images were captured using an advanced airborne digital camera system. Each image covers less than 1 km of coastline, extending at least 450 m inland and has a

resolution of 30 cm. This gives a large amount of visual detail - right down to a holiday home on a caravan site or the number of seals in a colony. The colour infrared format is particularly useful for identifying and interpreting coastal features and vegetation. Coastal managers, local authority planners, engineers, boating organisations, marine emergency services and researchers will be the key users. It will also be of use to members of the public and voluntary groups.

The CD ROMs 1 & 2, containing images for Louth, Meath & Dublin and

Wicklow, Wexford and Waterford respectively, are now available at a price of £25 + £2.50 p&p each. They are available on request from

the Marine Institute, 80 Harcourt Street, Dublin 2. Tel. (01) 4780333. Specific images can be printed for individual use.

## KNOW YOUR RIGHTS

**Question:** I am getting Domiciliary Care Allowance and am wondering would I be eligible for the new respite care grant of £200?

**Answer:** To be eligible for the new respite care grant of £200 you must be in receipt of Carers Allowance in June 1999. People in receipt of Domiciliary Care Allowance will not be eligible for Carers Allowance until August, 1999.

The grant was automatically paid to those in receipt of Carers Allowance in June. It was also paid to carers of those in receipt of Prescribed Relatives Allowance and Constant Attendance Allowance.

The Carers Allowance is a means-tested payment with a £150 income disregard applied to a couple's joint income. A £75 weekly income disregard will be applied to a single person's income from August, 1999.

Furthermore carers social insurance records are to be protected with the award of credited PRSI contributions to eligible carers getting the Carers Allowance or caring for those getting Constant Attendance Allowance or Prescribed Relative Allowance. Credited contributions will also apply to carers of children getting Domiciliary Care Allowance if they are eligible for Carers Allowance from August, 1999.

Eligible carers are those who have been in employment or signing for credits within the previous two years. Those who have never worked or who have been out of the workforce and not signing for a social welfare payment in the past two years will not be eligible for credited contributions. However if you are not due 'credits' you may be entitled to have 'Homemakers Years' taking into account for Old Age (Contributory) Pension.

## Fahey To Chair Health Board Into Millennium

Former Fianna Fáil County Councillor, Jackie Fahey of Dungarvan has been selected as the incoming Chairman of the South Eastern Health Board.

Mr. Fahey, who has served on the Board for the past seven years, will take up the 12 month chairmanship on December 9th. The former Dáil Deputy previ-

ously served as Vice Chairman of the Health Board and is looking forward to taking over the Chair at the end of the year, particularly in light of the many exciting

developments planned for St. Joseph's Hospital, Dungarvan.

Speaking to the 'Leader' in the wake of his selection, Mr. Fahey revealed that the £400,000 extension and refurbishment work at St. Elizabeth's Ward should be fully completed by November.

The Board will then be in a position to start on the second phase of the planned multi million pound development of services on the Dungarvan site. The design team is currently working on details of this project in conjunction with the Department of Health.

The first phase of development at the Dungarvan hospital saw the opening of the £1.6 million Sacred Heart 27 bed nursing and rehabilitation unit for the elderly. The second stage will also incorporate a similar unit again at a cost estimated at more than £1 million. These developments are planned by the SEHB as part of a 108 bed replacement hospital for the present St. Joseph's facility, catering for Dungarvan and the entire West Waterford area.

**Junior Encyclopaedia**

**NO FLEAS PLEASE**

No fleas, please  
 They are the enemy of all dog owners, yet fleas are an unavoidable pest which can affect your dog's health – and the hygiene of your home.  
 Like it or not, your dog will suffer from a flea infestation at some point in its life.  
 But before you decide on a way of tackling the problem, knowing how fleas work can give you an advantage over the hair-hopping army.  
 Fleas love warm, humid places – and are most likely to attack in the winter when homes are centrally heated.  
 Female fleas lay the eggs on the

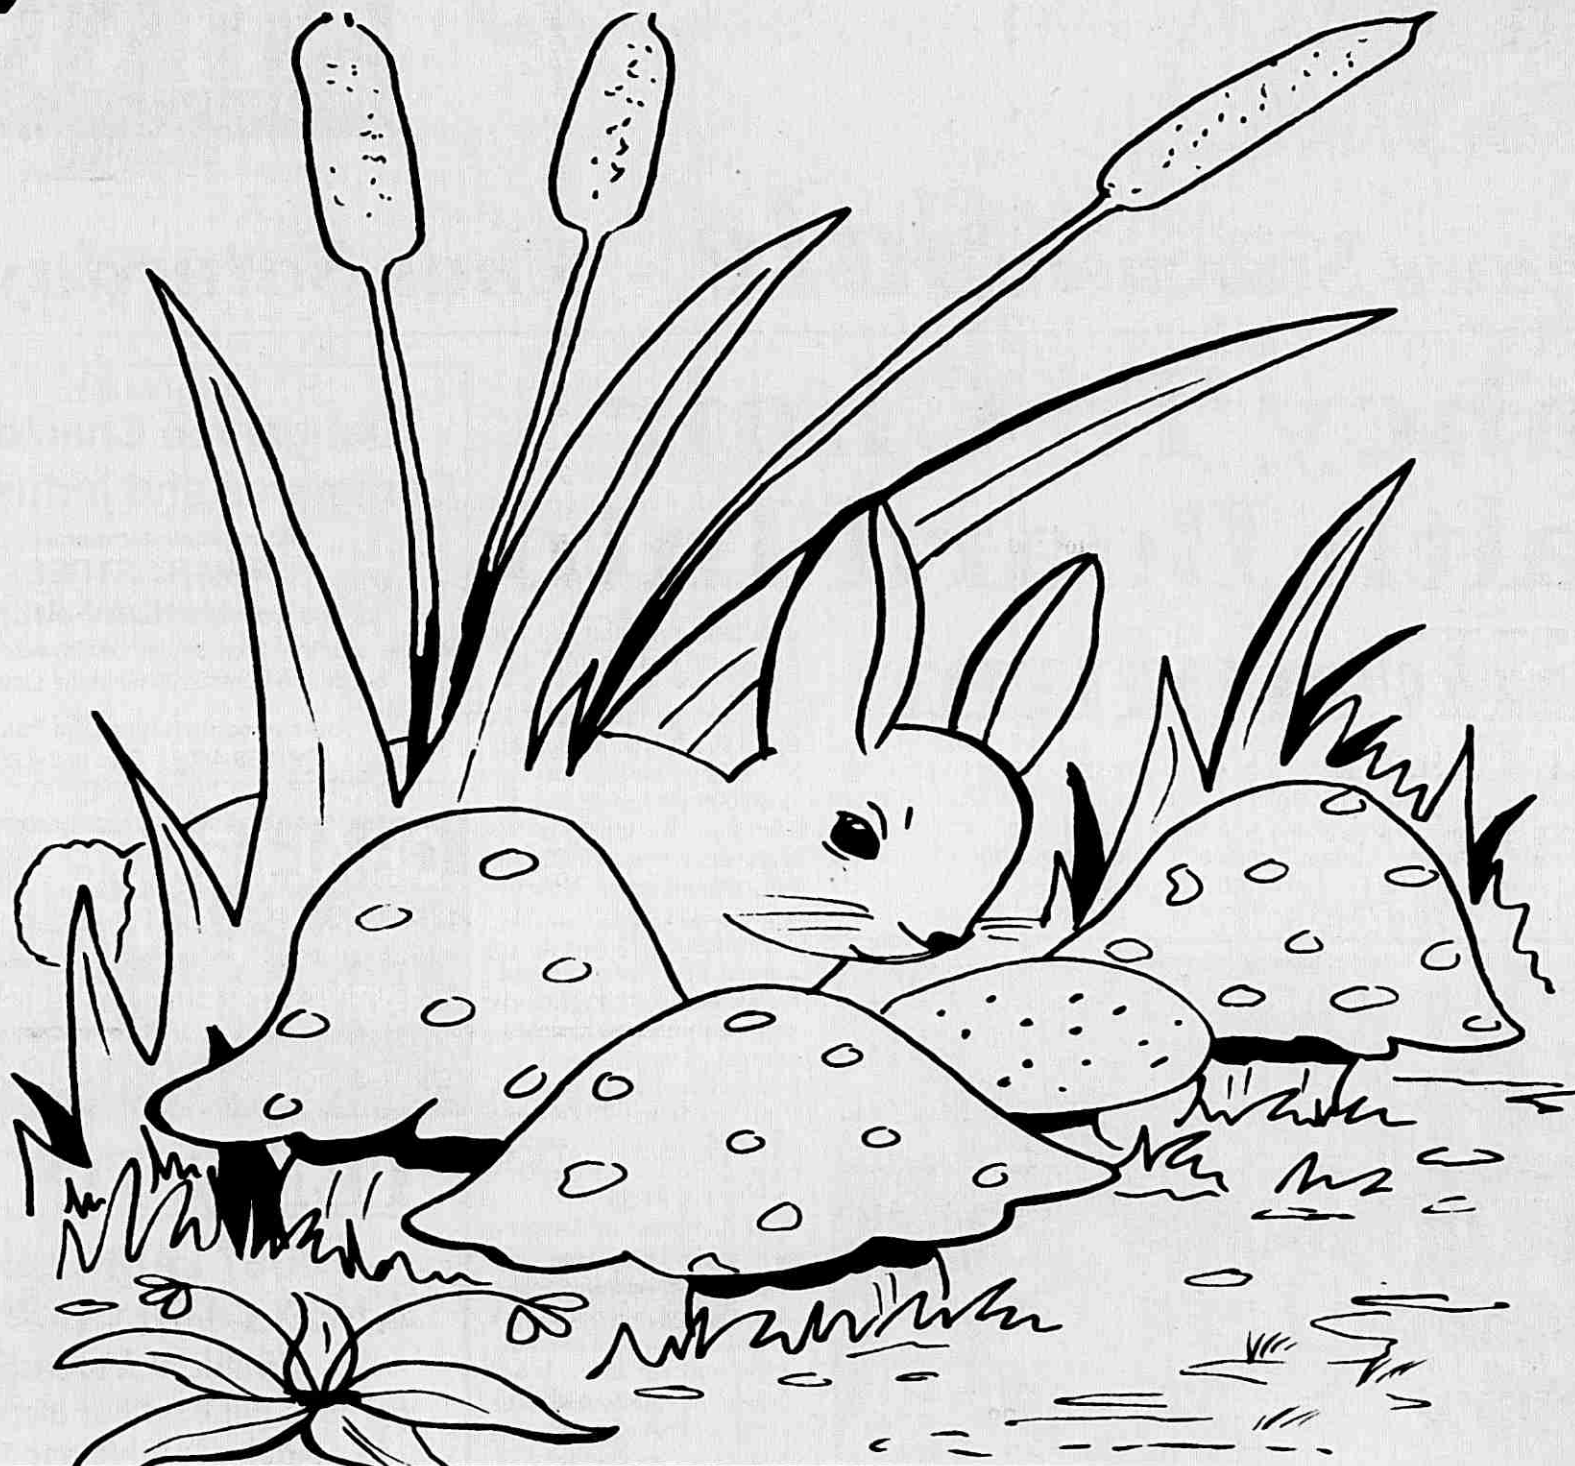

dog's coat.  
 These fall off and can be found where the dog spends a lot of time – on the carpet, in its bedding, on the sofa or even on your bed.  
 Dogs are most likely to pick up fleas from outside the home or from other animals.  
 If you find your dog has fleas, it's a good idea to check it for tapeworm as well – because fleas are the main cause of the intestine bug.  
 One of the best ways to see if your dog has fleas is to comb through its hair.  
 If small specks of grit are left on the comb, then wipe them on a white tissue.  
 If this produces a red mark, you know you

have a problem.  
 There are many flea treatments available, and they come in all forms.  
 Aerosols, powders, pump action sprays, insecticidal collars, spot-ons, oral tablets or special shampoos are just some types of treatment on the market.  
 It's important to remember when dealing with fleas that you need to treat both the animal and the environment.  
 This means not just spraying your dog with flea repellent, but also your bed, furniture and carpets.  
 Regular vacuuming of the carpet can also help keep them away.  
 Under the sofa and under skirting boards

are a couple of secret hiding places for fleas. If in doubt, ask your local vet for more information on treating fleas.  
 They will be able to advise on all the most suitable products needed for your dog.

# Manager Rules Out Incinerator Plant

The purpose of the development plan is to establish physical development policies for the entire county over the next 5 years and specific objectives for the achievement of those policies. The plan also provides a framework for public and private sector investment relating to land use.

## REFERENCE EXCLUDED FROM DRAFT PLAN

One of the objectives included in the draft plan which has proved to be highly controversial is the

## CONTINUED FROM FRONT PAGE

objective dealing with waste disposal facilities. To alleviate any concerns which members had regarding incineration, Mr. Connolly proposed at Monday's meeting to remove a reference to the South East regional waste strategy from the plan.

The SE regional waste management strategy recommended a 'central integrated waste management facility' comprising thermal

treatment (incineration) among others. It also identified the preferred location for such a central waste management facility as an area comprising parts of South Kilkenny, East Waterford and West Wexford.

This reference to the SE waste strategy in the Waterford draft plan led many to believe that an incineration plant could be located in the county at a future stage.

Cllr. Tom Higgins said he would object to the inclusion of a thermal plant provision in the plan. A thermal

plant, he stated, would result in residual ash and fly ash, much of which would be highly toxic. Dangerous toxins and volatile organic chemicals would be released into the air.

The Council, he felt, should stick to the landfill option.

"What you can see is often safer than what you can't see", he added.

His views were shared by Cllr. John Carey who said he wanted it to be crystal clear that there would be no loophole in the draft development plan for an incinerator.

# Great Record Of Irish Music Comes To Waterford

With the help of Local Ireland, Siobhan Long and Hot Press are building the largest online archive of Irish music, musicians, musical folklore and lyrics of songs, ballads and much more. This is one of the most ambitious projects ever attempted.

This week Siobhan Long will be travelling around Co. Waterford, speaking with musicians, young and

old, retelling the story of Ireland's rich musical heritage. The people of Waterford are invited to meet with her and to pass on any musical gems they may have lying around, or to share timely tales of local musical lore.

The objective of the project is to gather as much local and national information on Irish music as possible and to input it into this

system on the internet over the coming months. This in turn will build up a picture of Irish music at the turn of the millennium as told by a whole range of people interested in Irish music.

Gerry McGovern, CEO of Local Ireland, describes the Great Record of Irish Music as a shoe box, full of clips and snippets, old photos and tales gathered from a lifetime of listening and enjoying the wonderful wealth of music that we take so much for granted every day.

"The local view on Irish music is what we're looking for", says McGovern, "a photo of Christy Moore at an under 14s football final is just as welcome and valuable as anything else".

The next port of call on the nationwide journey will be Waterford so anyone out there with an anecdote about the mighty or the meek is invited to pass it on to Siobhan or to Local Ireland for inclusion in the record.

## Chamber Appoint New Executive Officer

suitable site for that.

Meanwhile Cllr. Billy Kyne has stressed that the Council must be more determined in acquiring landbanks around the county. As the scandal involving soaring house prices goes totally unchecked, Cllr. Kyne said the Council must try to be more innovative and allow people the opportunity to build their own home on serviced sites provided by the Council at a subsidised price.

## Enterprise Ireland Committed To Dungarvan Industry

The Chief Executive Officer of Enterprise Ireland has said the group is fully committed to encouraging and supporting the development of indigenous industry in Dungarvan.

In a recent letter to Waterford Labour TD Brian O'Shea regarding the sale of the Glanbia site in Dungarvan, CEO Dan Finter revealed that Enterprise

Ireland is currently working with a group in Dungarvan with a view to establishing a Community Enterprise Centre. This centre, he added, would act as a stimulus for local enterprise. It is expected that an application for support for the project will be received by Enterprise Ireland before 31st August.

Mr. Finter said Enterprise Ireland participated in the

Task Force established by An Tanaiste Mary Harney to address the issues arising from the Waterford Foods/Avonmore merger.

As a result of the efforts of the Task Force and the AWG Fund, one of their clients, Century Homes Ltd., established a facility in Dungarvan and is on target to employ 90 people in two years.

"This project would not have been located in Dungarvan had it not been for the combined efforts of Enterprise Ireland, AWG, the County Manager and the County Enterprise Board", said Mr. Finter.

The AWG Fund invested a considerable sum in this project. However, due to the nature of the business, the company chose to locate on the outskirts of Dungarvan on the industrial park rather than on the Glanbia site.

Veale, Kathleen Phelan, her family and staff for helping to make our stay there so very enjoyable. Thank you,

### DISTURBING OUR WILD LIFE

JA Chara — It is most satisfactory to see so much work being done on our roads at present. However from the environmental point of view, it is most unfortunate that hedge-cutting is also taking place at this time of year with consequent disturbance of our birds and wildlife.

Mise le meas,

Siobhan Lincoln, Ardmore.

## Work Commences On New Dungarvan Burial Ground

Work has now commenced on a new burial ground at Ringnasilloogue, Dungarvan which will act as an extension to the existing graveyard at St. Mary's Parish Church.

The new burial ground can also be accessed by pedestrians through a large entrance way at Quann's. It

will provide over 300 grave spaces which should be sufficient for up to 30 years or more and will establish St. Mary's as the main burial ground for the Dungarvan area.

For burials taking place in this new burial ground, following the Requiem Mass in St. Mary's Parish Church,

the funeral cortege will travel via the existing graveyard, through the new access and along a footpath in the new graveyard. It is intended that the graves will be laid out in a lawn fashion for ease of maintenance.

The project was first mooted some four years

ago and the walls surrounding the burial ground, to the rear of the CBS playing field, were subsequently erected in 1997 in preparation for the development.

Further details on the burial ground development will become available at a later stage.

# Deasy Criticises Hedgecutting During Nesting Season

Speaking in the Dáil last Thursday, Waterford Fine Gael Deputy Austin Deasy spoke out against the cutting of hedgerows during the nesting season.

Having raised the issue on numerous occasions in the past, Deputy Deasy said it never ceases to amaze him how indifferent people are to the preservation of wildlife, in particular of endangered species, and of wildlife habitats.

"Hedgerows in particular are as important a part of our heritage as listed buildings. We have so much wildlife that we have a very careless and indifferent attitude to it", he stated.

The Waterford Deputy claimed that a number of wildlife species have been lost to the country and that in time to come we will deeply regret the loss. Hedgerows, he stressed, are the most obvious habitats for wildlife species and they are currently hedgerows being cut and destroyed.

"I drive from Waterford to Dublin and back each week and see hedgerows being cut in May and June. Hedgerows are the habitats for birds which are nesting and breeding. For years I have been campaigning and I thought I was quite successful in getting local authorities to desist from cutting hedgerows during the nesting season", added Deputy Deasy.

### NEW WILDLIFE BILL

In reply, the Minister for Arts, Heritage, Gaeltacht and the Islands, Síle De

Valera said that in the absence of native woodlands, hedgerows form important features in maintaining wildlife diversity, particularly for birds. The commonest nesting birds found in hedgerows, such as wrens, buntings, robins and willow warblers depend entirely on insects during the summer months. In general, untrimmed, thorned hedgerows containing species such as blackthorn, whitethorn and holly are favoured by birds as they serve as a protection against predators.

Minister De Valera said the Wildlife Act from 1976 provides protection against the cutting, grubbing and burning of hedgerows on uncultivated land during the nesting season from 15th April to 31st August. In the forthcoming Wildlife Bill however, these restrictions will apply from 1st April and will remove any doubt that the destruction of vegetation growing in hedges or ditches during this period is prohibited. Only public bodies such as local authorities will be allowed to cut hedges during this period for reasons of public health or safety.

Dúchas, the heritage service, has already written to all local authorities requesting that works to hedgerows be undertaken outside that crucial nesting period.

## Cllr. O'Ceilleachair Elected Vice Chair Of National Group Of Labour Councillors

The National Association of Labour Councillors, a group representing over 150 local authority members throughout the country, has elected Waterford's Cllr. Fiachra O'Ceilleachair as its Vice-Chairperson.

Cllr. O'Ceilleachair is the youngest candidate in the history of the Labour Party to be elected to the position. Following the group's special conference in Dublin's Mansion House on Wednesday, July 7, Cllr. O'Ceilleachair will serve for the next five years as Vice Chair of a six person committee headed by Sligo councillor and former TD Declan Bree. Cllr. O'Ceilleachair said he was proud to receive support from councillors all over the country and looks forward to helping the party's representatives in their work on the various authorities.

"Labour have 83 County and City Councillors, 64 seats on UDCs and 20 seats on Town Commissioners throughout 24 of the 26 counties of the state. Sixteen members of the Oireachtas are among them. The party leader, Ruairi Quinn invited all representatives to a special convention in the Mansion House and was delighted with the large and representative turnout. I'm honoured to be chosen by them to work with all units of the party to develop the political impact of Labour. My hard work on Waterford County Council and an impressive first time performance in election to that body has been given recognition. I look forward to combining my roles of Councillor, Vice Chair of the national group and member of both Labour's National Executive and General Council to build a new politics for a new era."

The Gardener's Guide To Tulips

VARIETY ACT — There are more than 100 species of tulip

TULIPS — famous for their huge blooms and wide variety of colours — have been bred into many different varieties, making it very confusing for the average gardener to work out what to do with them.

There are, at present, more than 100 species of tulip available on the market.

In the wild, they are usually found in hot, dry situations from sea level to alpine areas, growing mainly in Europe, Asia and the Middle East.

Modern tulips are hybrids, and breeders are constantly adding new varieties. Because of their vast numbers, the hybrids are classified in various divisions characterised by flower type and flowering period.

Each division contains numerous named varieties, often in wide range of colours. The chart below lists commonly used divisions and the characteristics of each.

Bulbs should always be planted so that their tops are covered by the specified depth of soil. In clay soil, aim for the shallow end of the range. In sandy soil, aim for the deeper end of the range.

If you are unsure about which category the soil falls in, cover the bulbs with the shallowest depth of soil.

This week in the garden

FEED PLANTS IN GROWTH

You should feed all plants that are making rapid growth as you were doing in May and June.

REMOVE GRASS BOX FROM LAWN MOWER

During July and August, when the weather is hot, it is a good idea to remove the grass box from the lawn mower and let the tiny clippings fall on to the lawn. They will act as a mulch and protect roots from scorching.

SUMMER-PRUNE WISTERIAS

Wisterias that have filled their allotted space can be induced to flower freely year after year without making a lot of new growth by summer and winter pruning. Now is the time for the first of these operations. Shorten all side growths formed on the main branches to six leaves each.

SUMMER-PRUNE ROSES

Bush and standard roses of the large flowered type need a light summer pruning now the first flush of flowers is over. Cut stems that have flowered back to about two leaves. Then give the beds a dusting of any good compound flower-garden fertiliser and hoe this in.

PRICK OFF AND POT PRIMULAS

Greenhouse primulas sown in mid-June will need pricking off. Return them to the frame or greenhouse after potting and shade from strong, direct sunshine.

# ABBEYSIDE TOPICS

## ABBEYSIDE PATTERN

The Pattern Committee have erected a banner over the 'Poor Mans Seat' in Abbeyside stating that the Pattern Festival will take place on the 23rd, 24th and 25th July and indeed from information available to us planning for this year's pattern is well advanced and this year's event should be an outstanding success.

The festival will commence with the selection of the Pattern Queen at the Park Hotel on Thursday night 22nd July and to date the event has always been a huge success with the standard of entertainment at a high level. Music for the night is by Magnum.

### TEENAGE DISCOS

The young people will be

catered for over the July holiday period by three teenage discos which will be held in Clonea Strand Hotel on Friday nights the 16th, 23rd and 30th July. D.J. for the discos is Ambrose and the cover charge will be £2.

### TRADITIONAL EVENTS

This year it is planned to revive a number of events which were traditionally part and parcel of Pattern Day in years gone by. Events like the Tug-o-War and tossing the sheaf have been reintroduced and should attract a cross-section of people who have not been actively involved in Pattern Sunday for some years now.

All the old reliables such

as Tip-the Bucket, the bonny baby competition, bouncing castle, face painting, and wheel of fortune will be there to entertain patrons of all tastes.

### SUNDAY NIGHT

The Coor's Light bar persons race at Strandside North at 7.30 pm and the inter-pub stretcher race around the village have become standard events in all recent patterns so you can

see that there is entertainment galore for young and not so young in this year's Pattern Festival which is held yearly in memory of St. Augustine our patron saint.

It is our intention to provide more details closer to this well established annual event as the hard working organising committee put the finishing touches to the programme of events.

## GARRANBANE N.S. TRIP

On Thursday 3rd June last almost seven months of planning and preparation came to fruition when sixteen children of 6th class in Garranbane N.S. left the school for Rosslare on the first leg of what was to prove a thoroughly enjoyable weekend in Wales. The children were accompanied by Cait Ryan, Deirdre Collender, Dave O'Connor, Ger D'Arcy and teacher Don Shiel.

The destination was Langton Hall just outside Fishguard, the home of Doreen and Terry O'Toole who were excellent and most obliging hosts for the trip. Situated in seven acres of the most beautiful Welsh countryside, Langton Hall is certainly the most idyllic setting for any break and the children had a fantastic time playing football, treasure hunt, orienteering etc.

After the days activities were completed, other night time pursuits laid on were a pool tournament, disco, charades, card games etc etc. and the children really enjoyed themselves to the full. Hosts Terry, Doreen and their staff spared nothing and the food was top grade in quality and quantity.

The children who travelled were Alan Daly, Damien Power, Shane Collender, Shane O'Connor, Darrel Ryan, William Browne, Ronan O'Connell, Patrick Ahearn, Michael McAndrew, Karen D'Arcy, Niamh Shiel, Aisling Norris, Deirdre Fitzgerald, Sarah Frost, Emma Ryan and Sarah Foley.

### A FUNNY STORY

Three women stood boasting about their sons. "What a birthday I had last year!" exclaimed the first. "My son, that wonderful boy, threw me a big party in a fancy restaurant. He even paid for my friends."

"That's very nice but listen to this," said the second. "Last winter my son gave me an all-expenses paid cruise to the Greek Islands First Class."

"That's nothing!", interrupted the third. "For five years now my son has been seeing a psychiatrist three times a week and the whole time he talks about nothing but me."

Former Abbeyside/Ballinacourty club player Liam O'Connor pictured with his friends before teeing off in the Abbeyside/Ballinacourty GAA Club Golf Classic held recently.

## Abbeyside Reference Archive

The archive begins with a poetry corner, scout and guide section, a mini famine corner, sports section, Dungarvan books, maritime, walking and outdoor, while the two centre tables carry a general collection ranging over railway, church, photographs, scrap-books, school, Waterford, newspapers, list of clubs etc. We also have a small souvenir shop dealing mostly in local books.

This Sunday evening our 'maritime man' James Young will be in charge of all at the Parish Office where locals and visitors will be most welcome to come along and browse at leisure.

Parking as always at the nearby 'Pond'.

## 1964: A NEW DAY DAWNS

As 1964 was ushered in the hurling stock in the club was never lower and following a request from the players it was decided to play all comers in practice games before the championship.

Colligan Rockies were overcome (1-7 to 1-1) in the semi-final of the Sargent Cup 1963, the first round of which had been played the previous May. When the championship came round it was a well prepared team that took the field. The selectors - Paddy Langan, Phil Duggan and Paudie Organ - put their trust in youth and in one of the biggest hurling sensations for years, Erins Own star-studded team was sent reeling.

Round 1: Abbeyside 5-6 Erins Own 2-7. The headlines in the "Dungarvan Leader" said:-

"Abbeyside's Brilliant Display"

"Erins Own Go Out In Dramatic Senior Hurling Championship Game."

and the report contained the following:-

"A brilliant display by Abbeyside reminiscent of former glorious feats saw them defeat Erins Own in a dramatic Senior Hurling Championship game. The match held the large contingents present of supporters and neutrals alike in a paroxysm of uncontrollable excitement.

The unbounded enthusiasm with which the large crowd greeted the victory expressed the delight which all Gaelic followers in the west of the county felt at the conclusion of the game, a game which will be long remembered by all who were fortunate enough to see it.

The team on that occasion was:- P. Enright, B. Shields, A. Flynn, T. O'Donovan, R. Cashin, J. McGrath, D. Barry, L. Enright, D. Flynn, P. McGovern, D. Whelan, T. Mansfield, J. Hogan, E. Moore, J. Elstead. Sub: M. Kiely.

The Science of Farming and Food

## RESEEDING

### Mentally Prepare For Reseeding:

- ★ We recommend you reseed 10% of your farm this August.
- ★ It will not happen unless you plan in July.
- ★ The July plan for reseeding involves:-
- ★ Identifying the fields for reseeding.
- ★ Planning to cut silage or round bales off them, as this clears off rubbish (rotting grass etc.) before tilling.
- ★ Spray these fields 5 - 7 days before cutting with Roundup or Gallup.
- ★ They can be tilled with a rotovator, rotospike or direct drilled within 1-2 days of cutting. These methods require only 1-2 passes but ploughing remains the method of choice.
- ★ Because the grazing area will be reduced by 10% you could be short of grass:
- ★ To compensate apply 5-10 units per acre more after each July grazing.
- ★ Be particularly generous on fields cut for silage.
- ★ Decide on your varieties of grass so that you will have them when you need them, but make sure to take independent advice on this.
- ★ As clover makes a big contribution to the performance and quality of grassland we must make sure it establishes when we sow it.
- ★ It needs to be sown in August.
- ★ It needs to be sown one eighth inches or less in depth. (Not too deep).

### SHEEP: Early Lamb:

Easter Sunday 2000 falls on April 23rd – three weeks later than this year.

There is demand for new season lamb from mid March onwards with prices falling off from early May. Easter is still a very strong market period for local markets.

Over the past three years, average price for early lambs has been about £55/head. Do your sums on this basis. What system is best suited to you? – indoor early weaning or outdoor? Contact Teagasc regarding your options.

Aim for a lambing date around January 10th – which means a mid August mating date.

### Rams:-

Very often the forgotten animals. To get compact lambing and high pregnancy rates, rams should be prepared 10 weeks before turning out with ewes. Take them in now, examine mouth, feet, testes, brisket and penis area. Give 8 in 1 vaccine and a worm dose. Start a little meal feeding at least 6 weeks before turnout. Make sure the meal contains some soyabean meal.

Treatment of wounds etc. with antibiotics can be done now. However, make sure that the antibiotic products do not contain cortisone as such products can cause infertility for 8 weeks.

### CATTLE:

#### Parasites:-

- ★ Bucket reared calves and autumn born sucklers: If on strategic dosing programme (suppression system) continue the full programme.
- ★ If not already treated, dose now and move to clean after-grass.
- ★ Dose spring born suckled calves when moving to new grazing. Dose, again in September.
- ★ Watch for hoose, especially during warm wet weather.

#### Weanlings for Sale:-

- ★ Keep weanlings thriving at over 1 kg per day.
- ★ Creep grazing (allowing calves access to good grass ahead of cows) improves growth rate and makes weaning less stressful.
- ★ Where grass is good and cows have enough milk, calves will achieve target weight gain without meal. With moderate grass and/or low milk producing cows, calves will require creep meal feeding from about 4 months of age.

# FARMING LEADER

## IFA Criticise Minister Walsh On Failure To Honour Early Retirement Arrears Commitment

Waterford IFA Rural Development Chairman Mossie O'Connor has criticised the Minister for Agriculture Joe Walsh for his failure to honour a commitment to farmers who are in the EU Early Retirement Scheme that they would be compensated by the middle of 1999 for losses in pension payments as a result of the Euro exchange rate which reduced payments to retired farmers from the start of 1999.

Mr. O'Connor said that up to 9,000 farmers are owed compensation of up to £4m in pension payments due to a 5% reduction resulting from the new Euro exchange from the 1st January, 1999. Farmers were promised in January that loss of payments would be compensated for by the middle of this year. The average annual loss in pension was approximately £400 and retired farmers had been expecting a back dated payment at the last pension payment date at the end of June.

Waterford IFA Rural Development Chairman called on Minister Walsh to immediately press the European Commission for an early decision on the payment of compensation which also applies to other EU schemes including REPS, Livestock Premia and Arable Aid payments.

Mr. O'Connor said the value of the EU pension has been significantly eroded

since the scheme was introduced as it is not indexed. It is important that any new EU scheme result-

ing from the recent Agenda 2000 agreement must allow for an increase in the pension so that the value of the

pension is maintained over the period to which the scheme applies to, warned Mr. O'Connor.

## ICMSA Meet Dairygold

An ICMSA delegation, led by ICMSA President, Mr. Frank Allen, had a meeting with Dairygold Chief Executive, Mr. Denis Lucey.

Following the meeting, the ICMSA President urged farmers to look at milk

prices on the basis of the price paid over a full year rather than the price paid over a short period within the year.

The Graig Gardner Audit has indicated that Dairygold has paid an excellent milk

price in recent years. Dairygold is likely to be a market leader when the 1998 Audit is published. It is too soon to judge what the overall price for 1999 paid by Dairygold will be. Farmers are extremely disappointed at recent price reductions but there is no doubt that returns from the market place have reduced by 6p per gallon.

There is only one pot of money in Dairygold and it must be shared equitably between those who depend on Dairygold for an income. Employees cannot expect ever increasing wages and salaries while at the same time farmers income continues to fall dramatically. Farmers are only getting what remains when everyone else is satisfied. This is not acceptable into the future.

Dairygold Board and Management must draw up a plan immediately to cut costs including a redundancy package to control labour costs. This is needed to give farmers the necessary confidence to continue producing milk by helping milk price.

If the Dairygold processing plants do not get milk, there will be even less jobs. It is a time for more realistic expectations about future prospects.

### ICMSA Meet Minister For The Environment And Local Government On Rural Roads

John O'Connor, Chairman of ICMSA's Farm Services Committee, speaking after a meeting with the Minister for the Environment and Local Government, Noel Dempsey said ICMSA told the Minister that the condition of many rural roads means that urgent attention is needed to improve their surfaces to ensure that people can travel safely. Good quality rural roads are essential to maintain the rural population for the farming sector as well as tourism and other industries.

Acknowledging the good work that has been done over the past few years and that about £237m will be spent on non-national roads in 1999, O'Connor said greater emphasis will have to be placed on minor roads and the Government must ensure that we are getting value for money for the work being done. Subcontracting should be considered as an option.

Maurice Harvey, Chairman of ICMSA's Rural Development Committee, speaking after a meeting with the Minister for the Environment and Local Government, Noel Dempsey said that ICMSA expressed deep concern regarding the restrictive planning conditions on rural housing in many counties. In particular Mr. Harvey said that he was deeply concerned that in many counties rural people are unable to provide building sites for their children because of the restrictive planning laws being operated.

Such restrictions, Mr. Harvey said, have many consequences for rural Ireland both social and economic. Rural Development seems to be a key objective of Government but yet restrictions are being placed on people building houses in rural areas.

Mr. Harvey said ICMSA told the Minister that ICMSA were not advocating a free-for-all policy but a reasonable policy which does not discriminate against the building of houses in country areas.

As a consequence of the meeting with the Minister, Mr. Harvey said ICMSA would be contacting County Councils with a view to ensuring that the planning conditions in place are reasonable and do not discriminate against country areas. A person, Mr. Harvey said, should be allowed to provide building sites for his/her children and also sell sites provided such sites are approved under reasonable planning laws. All County Councils should immediately re-examine their planning strategy, Mr. Harvey said, to ensure that it does not discriminate against rural areas.

Regarding derelict houses in rural areas, Mr. Harvey said that ICMSA proposed the introduction of an incentive scheme to encourage the restoration of these houses. In parts of rural Ireland there are many derelict houses left abandoned which could be restored. The Government should be encouraging people to live in these areas and a key issue, Mr. Harvey concluded, is the provision of grant to restore these derelict houses.

## IFA SAYS "PUT THE BRAKES ON LAMB SUPPLIES TO STABILISE PRICES"

Waterford IFA Sheep Committee Chairman, Harry Gray has called on sheep farmers to "put the brakes" on lamb disposals and especially cease marketing under finished lambs. In a drive to hold prices above £1/lb Mr. Gray said the major lamb price reductions have now taken place and producers should slow up supplies to stabilise prices.

Harry Gray also called on the lamb factories to dig in and reject downward price pressure from France. He said "Its time the Irish sheep sector decided to call a halt to the lamb price slide. At £1/lb sheep farmers are making no money and the processors will only accelerate the exodus from sheep if they keep up with the price cutting of recent weeks." The Bonmahon sheep farmer said the annual kill to date is over 200,000 head above last years levels and in recent weeks, we have had a number of kills above 100,000 head.

# Recent Deaths

## LATE MRS. ALICE HALLY (NEE HOLDEN)

It is with deep and sincere regret we record the death of Mrs. Alice Hally (nee Holden), Rochestown, Ardfinnan, Clonmel which sad event took place at St. Joseph's Hospital, Clonmel on Monday, June 28.

The deceased was a member of a well loved and respected South Tipperary family. Predeceased by her husband Michael by some years, she was a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease. All callers to her home were made truly welcome, as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all. She was a kind and loving wife and mother and sincere sympathy is extended to her son Gerard on the loss of his mother.

The esteem in which she was held was reflected by the large concourse of mourners who were present on Tuesday evening when her remains, after the rosary was recited, were removed from Condon's Funeral Parlour, Clonmel to the parish church of St. Nicholas, Grange where her remains were blessed and received by Rev. Fr. William Callanan P.P., Ardfinnan/Grange/Ballybacon. On Wednesday at noon, the feast of St. Paul, requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. William Callanan P.P. After Mass the funeral took place to the New Cemetery, Grange where she was laid to rest in the family plot. Fr. Callanan P.P. officiated at the graveside in the presence of another large concourse of mourners who came to pay their final respects to a dear Christian friend whose memory they will treasure. To her family we convey our sympathy.

Go maith suaimhneas siorai aici i measc na naomh. (Undertakers - Condon's, Clonmel).

## LATE MR. JOHN DALTON

Profound and sincere feelings of regret were widely expressed at the news of the passing of Mr. John (Jack) Dalton, Clooncogaile, Ballinamult and late Kilcooney which sad event took place in the loving care of Drumhills Private Nursing Home, Ballyduff Beg, Dungarvan on Friday, July 2.

In his early nineties he was a member of a well loved and respected Sliabh gCua family. Jack began his work days with the post office at Ballinamult Post Office when delivery of the mails was on foot and later on the bike. In those days you had to be at 'A' at a certain time and be back at the office at a given time. During the Emergency he took leave from the post office and joined the Defence Forces and in a short time he was promoted to the rank of Lieut. Then with the Emergency over it was back to the highway and byways of Sliabh gCua until he retired in the sixties.

An outstanding Gael he was an outstanding footballer and was a playing member with his brother Maurice on the Sliabh gCua team that took county honours to the parish when they defeated Fenor in the County Final in 1936. He was a great organiser in the parish and was responsible for bringing top class bands to Touraneena to raise funds for the erection of the new school. He was a kind and loving husband and father, his family were his pride and joy. He was a quiet and gentle person who liked the simple pleasures of life and liked the social evening out at the game of Bingo. For some years he had not enjoyed the best of health with a sight problem.

Many tributes have been paid to this fine gentleman but perhaps the finest was paid to him on Saturday evening when all walks of life were represented in the large concourse of mourners who were present when his remains draped with the Green and White of Sliabh gCua, the colours which he was so proud of were removed after the rosary was recited from Kiely's Funeral Home, Dungarvan to the parish church at Saint Mary's, Touraneena where they were blessed and received by Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena. On Sunday morning the feast of Saint Bertha (Abbess) the 11 am Mass was celebrated for the happy repose of his gentle soul. The celebrant was Rev. Fr. C. Kelleher P.P. After Mass as a gentle summer breeze blew across from Dyrick a fine gentleman was returned to mother earth in the churchyard of Touraneena with his parents, wife and sister. Fr. Kelleher P.P. officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a fine Christian friend.

To his family, his brother Maurice and his many relatives we extend our sympathy.

## Job Loss Fears At Tallow Plant

Job losses are believed to be imminent at a cigar manufacturing plant in Tallow. Management at Cadena (Ireland) Ltd. in Tallow met with senior SIPTU representatives at the weekend and spelled out the serious difficulties that have developed as a result of the loss of one major order.

Management's proposal is to close down the night shift which involves almost 30 employees. However, while redundancies are said to be unavoidable, the union is hopeful that at least some of the night shift workers can be redeployed.

Last April, a mystery illness outbreak at the Tallow factory affected up to fifty employees. Skin rash was the most prominent visible feature of the illness, but workers also suffered severe vomiting and

headaches.

Management installed a new, ultra modern, air conditioning system within the plant while the affected workers received medical attention which included the taking of blood and urine samples.

The assistance of the Health and Safety Authority was also called upon, but the exact cause of the illness has never been positively identified. For the past several weeks there has been a resumption of full production at the plant.

At the time it was thought that the workers daily contact with tobacco leaves imported from Java, Brazil,

Sudan and Indonesia might have been central to the health problems.

The lone major industry in Tallow, Cadena (Ireland) Ltd. has been operating out

of the Brideside town for the past two years. For twenty years prior to that the company had been based in the neighbouring East Cork village of Conna.

### Letter To The Editor

#### EXPRESSING OUR GRATITUDE TO THE PEOPLE OF DUNGARVAN

Dear Sir,

Thank you for allowing me the opportunity through your columns to express the heartfelt gratitude and thanks of all here in the Refugee Reception Centre to the people of Dungarvan for the enormous support given to us in the past number of weeks.

As you are aware our guests have been in residence for one month now and appear to be settling in well, adjusting to Irish conditions, including the weather and beginning to venture out and integrate into Dungarvan life. None of this would have been possible were it not for the tremendous support and encouragement given to us in the period while the building was being renovated and prepared and in the intervening period since the refugees' arrival.

To all who gave their time and energy, their interest and commitment, to those who made and continue to make donations of clothes and other items, to those who have responded at short notice, sometimes extremely short and worked tirelessly to help create an environment in which a semblance of normality can be returned to the life of the refugees. A big thank you from myself, from my staff and most of all from the people of Kosovo.

Ju Faldeminderit

Yours Sincerely

Bob O'Brien,

Manager,

Dungarvan Refugee Centre.

## High Number of Jaundice Cases in Dungarvan

Since 11th May there have been a number of cases of Hepatitis A (Jaundice) in the Dungarvan area reported to the South Eastern Health Board. This is a higher figure than average and the SEHB is giving advice on how to reduce the chance of becoming infected this summer. During the height of summer the warm weather allows the Hepatitis A virus to multiply more easily and spread more quickly. Hepatitis A is an infectious disease that is spread easily through person to person contact due to infected faeces or urine. In children and adults the symptoms include a flu-like illness, gastrointestinal upset and jaundice which usually lasts for one to two weeks. Dr. Maire O' Connor, Public Health Specialist, says "As the infection can be spread easily it is essential that people wash hands thoroughly before eating and drinking and after using the toilet. Small children should be supervised when washing their hands. In affected households towels should not be shared as infection can be passed on. As a number of people can have mild symptoms, yet be infective to others it is important to focus attentions on prevention and in particular on thorough washing of hands. If people have any doubts or fears about symptoms they should contact their family doctor. If Hepatitis A is diagnosed early and treated promptly, people usually make a complete and speedy recovery".

## Know Your Rights - Message To Summer Job Teenagers

With the growing economy creating more opportunities for school-going teenagers to take up summer jobs, the National Youth Council of Ireland has said that young people at work should be aware of laws to protect them. There has been a huge increase in the number of Summer jobs available and while they can be very enjoyable experiences, offering young people the chance to earn extra money, the NYCI works to ensure that young people are not mistreated.

The main law relating to the employment of young people is 'The Protection of Young Persons (Employment) Act 1996'. It covers all those working in full or part time jobs who are under 18 years of age. It ensures that young people do not have to work late hours and allows them to take breaks from work at regular intervals.

Responsibility for enforcing this Act rests with the Department of Enterprise, Trade and Employment. Young people can make enquiries about the law and complaints about its enforcement to the Department at (01) 6614444.

Some of the Rights and Obligations under the Act are as follows;

- 16 and 17 year old workers
  - Are entitled to a 30 minutes rest break after working for four and a half hours.
  - Can not be asked to work after 11 p.m.
  - Should have 2 days off every 7 days.
  - Can not be asked to work more than 40 hours per week.
- Young workers Under 16 Years Old

# RECENT DEATHS

## LATE JOANNE O' DONOVAN

It is with great sadness that we record the death of Joanne O' Donovan, Gortnapeeka, Ballyduff who died peacefully on Monday 7th June at the Cork University Hospital after an illness borne with dignity and courage.

Despite suffering from Cystic Fibrosis, she never let it hinder her enjoyment of life, she was always in great spirits, full of wit, especially with her many school pals who have lost a very special friend.

Only last May Joanne had travelled over to Newcastle for assessments, where it was feared she would need a heart and lung transplant, and to be told after tests that she only needed a lung transplant, brought great relief to Joanne, such was her acceptance of life, but sadly just 4 weeks later our Lord called her to her eternal reward.

On Monday afternoon, Joanne lay in repose at the

family home and later that evening after Rosary and prayers she was brought to Ryan's Funeral Home, Lismore. The high regard that Joanne and her family were held in was very evident on Tuesday evening by one of the largest gatherings of mourners to be witnessed in the area, including many other Cystic Fibrosis sufferers that had travelled from all over Ireland.

Prayers were recited by Fr. Mulcahy P.P. On leaving the Funeral Home Joanne's schoolmates formed a guard of honour to the Monument, and on arrival in Ballyduff her school pals from Ballyduff National School formed a guard of honour. Her remains were received by Fr. Mulcahy P.P. where the church was packed to overflowing capacity.

Requiem Mass was offered for her soul on Wednesday morning. Chief celebrant was Fr. Mulcahy P.P. assisted by Fr. J. Flynn. Readings were by Seamus Joyce and Niamh Ahern. At the offertory procession school pals brought her school tie and her religion copy to the Altar. Prayers of the Faithful were read by her school pals and Elma Hayes, Principal Lismore Presentation Secondary School and Mary Fitzgerald, Principal Ballyduff National School.

After Communion, Courtney Canning read an essay that Joanne had written after receiving her first Holy Communion, while her cousin Marie O' Donovan sang a moving tribute to Joanne that brought tears to

many of the huge congregation.

During the Mass many beautiful hymns and ballads were sung by the Ballyduff Church Choir, Ballyduff Folk Group and the pupils of Ballyduff National School. After Mass Joanne was brought on her final journey with her schoolmates forming a guard of honour to the cemetery, where following prayers recited by Fr. Mulcahy, Joanne was laid to rest.

Despite her tender age of 15 Joanne achieved more in these few years than most of us would in a normal lifetime. Indeed if the world were full of people of the calibre of Joanne it would be a much better and gentler place to live in. May her gentle little soul rest in peace forever.

To her family and friends we offer our sincere sympathy.

Chief mourners; Parents Ger and Nellie, sisters Noreen and Helen, brother Gerry, grandparents, uncles, aunts, cousins, school pals and her wide circle of friends.

(Funeral arrangements by J. Ryan & Sons, Funeral Directors, Lismore).

## LATE MARY ELIZABETH CLAXTON (NEE BROWN)

As the last day of June was drawing to a close, came the sad news of the passing Mary Claxton, Stradbally and formerly of O'Connell St., Dungarvan at St. Joseph's Hospital. She was daughter of the late George Brown who was Postmaster in Kilmacthomas and was also well known in agricultural circles. Mary's mother Lily (nee Cooper) who was a native of United States died at a very young age. Mary on completion of her formal education at Secondary School, attended the London School of Hairstyling and trained as a hairdresser. Her husband Jim who was in the R.A.F. and served in Scotland, Canada, Northern Ireland, both married at Hazlemare in Surrey. On the passing of a near relative Jim inherited a family business in Dungarvan in 1948. For close on thirty years Mary and himself ran a most successful shoe shop on O'Connell St. Their pleasant manner and warm personalities ensured that their enterprise was patronised by a huge clientele, indeed many of us were brought along to Claxton's for our first pair of shoes, Clarke's, I recall. Indeed memories come flooding back through the mists of time and when we think lovingly of our favourite shoe shop as a child, surely a sign that time is moving along for

us all. In 1990 Jim passed away after a decade of residence in Stradbally after his retirement. Mary who was of strong faith, loved her church. A private person, Mary was widely read and was an excellent conversationalist. Her passing is regretted by sons Jim and George, daughter Mary (Liz), grandchildren Ian, Conor, Sarah, (George), Sean, Louis (Jim) and Siobhan, James and Catherine (Liz), her brother Tom Brown, Kilmacthomas, sister Sadie Stephenson, Granard, Co. Longford. We offer our condolences to all at this time.

Prayers were recited by Canon Hewitt at the hospital mortuary in Dungarvan on Friday 2nd July. A service of thanksgiving for the life of Mary Claxton took place at St. James' Church, Stradbally at midday. Readings from John 14 (1-6 and 27) and 1 Corinthians 15 (20-26), were shared by Ian (grandson) and Jim (son). Those present at service sang Be Thou My Vision, Psalm 23, Nearer My God to Thee and Praise My Soul. After service Canon Hewitt led all present in prayer at the graveside, where Mary now sleeps after her earthly labours.

"Goodness and mercy all my life,  
Shall surely follow me,  
And in God's house for evermore,  
My dwelling place shall be.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE CON ROCHE

On last Friday the news of the passing of Con Roche, 39 Mary St., Dungarvan and Bandon Co. Cork at St. Joseph's Hospital was the source of deep regret in the local community. Aged 82 years, Con who hailed from Bandon made himself at home in the Old Boro. For many years his barbers shop was one of the towns meeting points. Con who was a great favourite endeared himself to everybody by his outgoing personality. During the Gala Week of the 60's Con played no small part in its success. Very much to the fore in athletics and cycling, his passing has severed another link with our own childhood. May he rest in peace.

We sympathise with his sister Josie Richardson, Thurles, his nephews, nieces and many relatives and friends on their loss. Fr. O' Reilly OSA C.C. was present at the Kiely Funeral Home on Saturday evening for prayers and rosary. The removal followed to St. Mary's Parish Church. The Sunday 10 am Mass was celebrated by Fr. O' Ma-

honey P.P. for the happy repose of Con's soul after which the funeral took place to Bandon's St. Patrick's Cemetery for interment. Rev. Fr. Tom Barrett C.C. assisted by Mons. O' Callaghan P.P. officiated at the graveside.

(Full obituary next week).  
(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE EILEEN LANNON (NEE DALTON)

Profound feelings of deep sympathy and sincere regret were expressed with the passing of Eileen Lannon which occurred on Wednesday last July 7th. Predeceased by her husband Tom in 1980, Eileen who was aged 82 yrs, was a native of Western Tce. A member of the Dalton family whose tai-

ling skills were always in great demand, Eileen herself was in many ways ahead of her time, she loved her game of Bridge and had a keen eye for the latest fashion.

We offer our condolences to her family Moira, Paddy, Raymond, Killian, Shane, Neasa, brother Terry, sisters Nancy, Bernie, Phyllis, Nuala, her beloved grandchildren and many relatives on their loss.

Fr. Doherty P.P. was present at the Kiely Funeral Home on Thursday for Rosary and prayers and also officiated at all the funeral liturgy and requiem Mass at St. Mary's Parish Church. The interment followed on Friday in the adjoining cemetery.

(Full obituary next issue).  
(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

There should be plenty of activity around the village on Sunday evening next as athletes from Waterford and the surrounding counties will be here to compete in the fourth annual Touraneena 5K. The race is being kindly sponsored by Irish Permanent for the third year running. The race is number six of the Ger Wyley Fila Summer Series and it should attract a good entry. The race favourite will be last year's winner, William Harty and hopefully he can bring the title back to Bleantis for the third time as his brother, Philip also won the race three years ago.

Entries will be taken in the Community Centre prior to the race. The starting time is 7 p.m. The entry fee is £3. The local juveniles have free entry on the return of their sponsorship cards. The presentation of prizes will be in Dunford's Bar after the race.

#### Sponsorship Cards

Players are reminded that the sponsorship cards must be returned to Eleanor be-

fore the race begins. Any card returned after the race cannot be considered for the prize of a Raleigh Mountain bike.

#### Training

Players hoping to do well in National and Provincial Championships in September and October next should be starting training now. The club leagues which are the team event and the survivor series will be starting on September 1. The players who are on the

#### Win A £30 Ektelon Voucher

Here is a chance for our juvenile players to win a £30 Ektelon Sportswear voucher. Over the next six weeks we will print five questions and the winner will be determined by the person who has the most correct answers at the end of the six weeks. Answers

to be given to Pat Keane at the end of the competition.

1. What club finished runners-up to Touraneena in this year's All-Ireland Senior Novice Club Championships?

We are just into the month of July and he has already won the Dromana 5 mile, the fifth race in the Ger Wyley Series, William has also travelled to the National track and field championships in Tullamore, here he won Gold in the 3,000 metres and Silver in the 1,500 metres steeplechase, then on Thursday last he travelled to Corkbeg with his father to run a 5 mile road race. William won this race ahead of John Carney. William will be travelling to Wales on Friday with father and mother to represent Ireland on the 17th July in the 3,000 metres. William's parents would like to thank St. John's for all the support they gave during the school events.

# TALLOW NOTES

## C.L.G. NA nÓG TULACH AN IARAINN

### Hot For Hurling

A bit hot for hurling this past week. Ask Luke, he lost a bucket of sweat and a half stone in the sweltering heat at Youghal last Saturday morning. But pitches are in immaculate condition faoi láthair, ideally suited to ground hurling, a factor we should be taking more advantage of. Sa seachtain seo chaithe Tallow hurlers from under-12 to junior have swung ash (camán a luscadh ar fud na páirce) to good effect on the playing fields of Cloyne, Youghal, Lismore agus ar bpáirc féin with all surfaces a credit to the clubs concerned. A quick update on our teams progress so far shows our under-12 hurlers in a Western Final against Ballyduff this Saturday. The under-16 hurlers are showing some promise having won both their opening games which should keep the cautious Loughnane (Johnny) happy. Our junior hurlers struggled to find their scoring rhythm in the

championship against Cappoquin last Saturday but did enough to advance to the next round, mainly due to the inspirational leadership of the evergreen Timmy Sheehan (you owe me one, Tadhg). This Sunday is the big one of course when our senior hurlers take on Erins Own in the first round of the championship. The Juvenile Club will be travelling in strength on Sunday to support our senior lads. The minor and under-21 hurlers have yet to start their campaigns so as you can see it's still all to play for out there.

### Under-12 Hurling

The under-12 Western Final against Ballyduff takes place this Saturday at 6.30 p.m. in Cappoquin. Our lads will have to up their game considerably if they are to have any chance in this one. All players wearing club t-shirts to be at the Square for 5.50 p.m. Under-12 training this week is switched to Thursday evening from 6.30 to 7.30 to facilitate any lads

who want to go to Walsh Park on Wednesday to support the county under-21's.

### Birthday Wishes

The club wishes a happy birthday to Mrs. Elizabeth Cronin, Convent Street who is hale and hearty at 80.

### Dúirt Siad

"Any more lip from you in this half and you'll spend the next two years on the subs bench." - Cloyne under-12 manager Alfie lays down the law to his lads at half-time.

"So would you if you had to read the paper twice every day." - Dermie Henley's response to Finn's observations that the Legend was very well informed on sporting matters and current affairs generally.

"The only thing that was likely to be kicked around was himself." - Senior hurler's reaction (it was Basher actually) when junior football selector, Brendan Hartigan attempted to introduce a couple of big

balls at the end of a gruelling senior hurling training session on Sunday morning.

"After years of sheltering behind exorbitant costs the workers (employees might be a better term) of the company get huge share hand outs." - Tim Pat Coogan writing in Ireland On Sunday. (In fairness to Tim Pat he calls a spade a spade).

### Under-16 Hurling Tallow 6-13 Naomh Bríd 1-4

The under-16 hurlers had a comprehensive win as the scoreline suggests over Naomh Bríd in the field on Monday evening. With full points from their first two games, they will be hoping to maintain this form in next week's game against Cappoquin.

Team: P. Sheehan, R. Tobin, J. Feeney, M. Norris, K. Henley, D. Casey, M. O'Brien, A. Kearney, S. Mills, P. O'Brien, P. Kearney, M. Keating, J. Hannon, B. Walsh, W. Curley. Subs: E. Forbes, K. Norris.

## Senior Hurlers Play 1st Round

Senior Hurling Championship; Tallow v Erin's Own Next Sunday Dungarvan 4 pm — Our hopes for the rest of the year lie with the lads on Sunday next as we begin our quest for Championship honours. While all the 'experts' over the last few years cannot see beyond two or three teams within the county it would be well worth remembering our first round encounter with Ballygunner this time last year. It was no fluke that we ran them a merry dance for a large part of the game and in the end the difference was confidence and experience between a well tried and tested team and a young and inexperienced one. A year on we will have learned a bit more but the loss through injury of Colin Cunningham and the absence of James Murray and Stewart Barry who are presently in the USA will indeed lessen our chances. That apart we will still field fifteen capable of hurling and the one thing this present bunch have is plenty of team spirit. Johnnie Geary, Jim Sheehan and Liam O'Brien have given this team in their charge as much of their time as anyone in preparing them for the fray

and it is important that supporters turn out in large numbers on Sunday next to shout on the lads. Remember 4 pm on Sunday. If you can go to Croke Park by the train load you can surely drive or get a lift down the road. Best of luck to all in what will be a tough encounter.

### Junior Hurlers Advance to 2nd Round

Junior Hurling Championship Tallow 4-4 Cappoquin 0-10— A good start to the year and a very entertaining game to watch. Played at real championship pace the standard of hurling increased significantly as the hour progressed. Scores were hard to come by until Florrie Gorman latched on to the breaking ball to crash home a great goal. A Billy Sheehan point was our only other reward for the first half in which both defences were well on top.

A few changes at half time improved matters and with the tempo increased and better control and striking of the ball by both teams we were treated to a great game of hurling. The evergreen Tim Sheehan, now operating on the forty, led by example with a personal tally of 1-2 while inside him Billy Beans found the net on two

further occasions. William Murphy concluded our scoring with a further point.

John Cunningham was as dependable as ever between the posts. David Doyle and Tom Mulcahy were outstanding in the full line, while the switch of David O'Regan the full length of the pitch paid handsome dividends indeed. Denis Martin was once again in the think of everything and is a player who also gives 100%. Stephen Pratt and Mossie O'Brien concluded a solid half back line. James Henley and David O'Brien played well at centre field, and the switch of David and Denny worked very well indeed.

As already mentioned our forwards as a whole started slowly but finished very strongly indeed and we can ask no more than that. William Henley, William Murphy, Joe Murray with substitute Mossie McGrath all had their moments at various stages while William McDonnell when introduced had a stormer at corner back.

### Note

Now that Waterford are out of the race for All-Ireland honours you can expect a glut of fixtures over the coming weeks which begs the question what would

have happened if our county team had been still involved in the play off stages.

While I would include myself in the huge list of every man, woman and child who long for that seemingly impossible breakthrough, are we to wrap our players in cotton wool and only take it off to don the Blue and White. Surely some full blooded local championship games would home the skills of those players better than all the training sessions in the world and prepare them for even greater battles and who knows that along the way some up and coming talent would be spotted and be an asset to our efforts. As a county team we have taken giant steps forward over the last few years. It is vitally important we don't take even bigger ones backwards. Remember the club is the backbone of any great county team and not castles made of sand.

### D.J.Carey

He should be given the film rights of the video of last Sunday's Leinster Final and someone distribute it to every school and club in the land. For complete skill and artistry he has no peers and was just an absolute joy to watch. No words could do him true justice. Just watch the video time and again.

## BRIDEVIEW UTD. A.F.C. NOTES

### Trial For Kearney

The club were delighted to hear on Sunday night last that Aidan Kearney was chosen to go for a trial for the Republic of Ireland's under-15 squad. Aidan was over the moon when informed but there is still a long way to go. Having said this it's a great honour for both himself and the club. The trials take place in Cork on this coming Sunday and all in the club wish Aidan the best of luck on Saturday.

### Schoolboys League

The national school boys and girls are busy with their leagues at the moment. The second series of games took place on Thursday evening last in beautiful sunshine. Tom Feeney scored twice in Benfica's win, captained by Eamonn Forbes over Bayern Munich captained by Michael Curley. Mark O'Brien (2) and Thomas Ryan (2) were on target for Lazio in their win over Kieran Casey's Sporting Lisbon. The final game saw Dinamo Kiev overcome Real Madrid by the odd goal scored by James Hampton.

League Table — Benfica 6; Lazio; Sporting Lisbon 3; Bayern Munich 3; Dinamo Kiev 3; Real Madrid 0

The next series of games took place on Tuesday evening last. Results next week. Bayern Munich v Lazio, Benfica v Dinamo Kiev, Real Madrid v Sporting Lisbon.

### Lotto

Last week's numbers drawn were 2, 3, 5, 19. There was no jackpot winner. Match 3 winner was Rose Prescod. Well done Rose. The draw takes place on this Friday night, July 16 in The Devonshire Arms at 9.30.

### News To Hand

Did he walk home on Saturday night from Youghal? It is quite possible as he was seen at 8.50 in the Square. A good night he must have had as he had a big smile on his face. I caught one of our Div. 1 players early on Sunday morning. The togs gave him away. The two Tallow boys looked hairy in Youghal on Sunday evening.

### On Tour

Yes you could go nowhere without being seen or so the saying goes. Sometimes how true it is. Last Saturday evening I bumped into the Tallow crowd in Baltimore in West Cork. Later on I spotted a Tallow girl walking down the pier in Skull. To finish I will say no more but I did think farmers got no holidays ha ha ha!

### Improvement

Last weekend saw us once again out and about with the Camogie Club keeping the town tidy. Other good news is that this week we also hope to have the dumper back in action. This has been a terrible drawback for the last two weeks. Of course this was not Gerard Beecher's fault but he still had to take stick from us. Now with the dumper and the guns at the ready we should be able to give things a real go.

### Congratulations

A little bird told us that this coming Saturday will see Helena and Roger McGrath celebrating ten years of business in the chemist in West Street. How time flies when you are having fun folks. Anyway best wishes and here's to the next ten years.

### Birthday Corner

Yes Tina McNamara celebrates her birthday this coming Thursday. Now Tina's age, well John Paul says Tina is more than 21 years, the rest we will leave you all guessing.

Birthday greetings also to Lizzy Cronin of Convent Street. Lizzie's age, sure she is only a young one, right Liz!

### Disco

Another disco takes place on this Friday night in the gym at 8 p.m. Remember the last one so get on your dancing shoes.

### Under-10 Cup Semi-Final

On this Thursday evening our under-10 team are at home to Clashmore Ramblers in the field and support the lads.

### Schoolboys A.G.M.

This A.G.M. takes place in the gym on Thursday evening at 8.30. Anyone who would like to help out the club are welcome. Anyone who would like to manage a schoolboy team for the coming season will also be more than welcome so folks now is your chance.

We all wish to thank Mary for the many years of pleasure and wish her many years of good health. Well done to Mary and Katherine on another splendid day.

## LISMORE CRICKET

Minor League  
Lismore v Kerry

Kerry 57 All Out  
Lismore 58 For 3

## Lismore Win by 7 Wickets

An easy win for Lismore, Glen Hughes claiming 5 wickets. David Ind 3, David Murphy and Salmon one each.

This game was spoilt because of deliberate damage to our wicket on Saturday night. The vehicle was driven on the pitch leaving tyre tracks everywhere. What a moronic thing to do. The dictionary describes the word 'Moron' as a very stupid or foolish person. That just about sums up the actions of the person or persons involved. We had on Sunday the honour to have as our guests two players with connections with Indian Cricket among their relations was a past captain of India and another played for Surrey. Their views on what happened was not aired but I would say they weren't impressed.

The Kerry captain also expressed his outrage in no uncertain terms.

## LISMORE DRAMATIC SOCIETY

## LISMORE CAMOGIE NOTES

# Under 12's Clinch Title in Brilliant Second Half Display

Our U-12 team retained the U-12 Co. Championship trophy on Thursday night when after going a goal down just before half time they gave a marvellous team performance in the second half scoring 4-1 to no reply over a very strong Gaultier side.

This team had been defeated by Gaultier in the league this year and knew a top class display was needed to come out on top in this all important occasion.

Goalie Aisling O' Brien along with Elaine Meagher, Edel Ormonde and Janette Maloney in the full back line were in total command throughout as Patricia Broderick, Tanya Morrissey and Joanne Leahy kept getting in the vital tables at half back. At centre field Laura Buckley had control along with Deirdre Walsh, they totally dominated in the second half. Shelly Keane, Lorraine Hennessey and Jean Byrne's work rate gave the extra edge, they stopped Gaultier getting in the vital clearances and along with Kelly O' Sullivan, Jenny Houlihan and Sharon Moloney piled on the pressure until the scores finally came. Our three subs on the night had all played their part in earlier games and at 9 years old all three hope to add another U-12 medal to this one in the next few years. They were Tracey Barry, Aoife Fitzgerald and Gemma Tobin. A very delighted Co. Chairperson Jo Jo Tobin presented the trophy to Lismore Captain Kelly O' Sullivan. Our thanks to the parents and supporters who travelled and well done girls.

Our senior squad didn't have such good fortune in their championship semi-final encounter against Dunhill/Fenor on Sunday evening. The game starting nearly 1 hour late due to the referee being delayed obviously had a greater effect on Lismore than Dunhill. We missed an early chance and Dunhill/Fenor stormed up the field time after time and well deserved their 8 point half time lead.

They scored again 1 minute into the second half, then Lismore started to play. We dominated the game for the next 20 minutes, with goals from M. Murphy and S. Bennett, V. Barry and C. Ormonde scored to leave two points between the teams then Dunhill/Fenor struck the killer blow when a break upfield led to another goal and though Lismore were attacking all the way to the final whistle Dunhill/Fenor's early display meant they held on to win by 4 points. A bitter disappointment for the Lismore girls but they realise that while they lost the game in the first half, if they can repeat their second half performance for a full 50 minutes then there is no doubt that a Senior Title is just around the corner for this team.

Team; Caroline Ormonde, Brid Pollard, Ber Prendergast, Karen Brennock, Ber O' Keeffe (capt), Catriona Ormonde, Mary Pratt, Catriona Caples, Valerie Barry, Diane Pratt, Emma Dunne, Sinead Murphy, Ciara Tobin, Mary Murphy, Sinead Bennett. Subs; Ann Marie O' Gorman (used), Liz Fleming, Diane Keane.

This weekend our annual Church Gate Collection will be held at all Masses on Saturday 17th and Sunday 18th. The costs of running a successful club are greater every year and we ask all parents and supporters to give generously on this occasion.

## ST. CARTHAGE'S HOUSE PROGRESSIVE 45

Winners; Jer Power, Mary Power, Bertie Neville, Mick Pratt, Tony and Ann McGrath. Raffle; Mary Power and John Hannon. Lucky tables; Jackie Houlihan, Esther Walshe, Mary Pratt, Pat O' Connor.

### Senior Championship

Next Sunday evening is D Day for our senior hurlers when they take on neighbours Ballyduff in Cappoquin at 7.45 pm.

All down the years there has been only a puck of a ball between us and Ballyduff. Last years Co. Finalists I am sure Ballyduff will be fielding a very strong and experienced side with players like Michael Walsh, Paudie Prendergast, Mossie Casey and inter county players Tom Feeney and Michael Molumphy.

Our lads will have to be at their very best next Sunday if they have any chance in remaining in the championship. We will be looking at our own experienced players like Barney, Seamus and Paul Prendergast, Sean Daly, Michael Hickey etc., as well as our own inter county players and our younger players to play as everyone knows that they are capable of.

I am sure after the final whistle blows the scoreline will be a tight affair.

The club would like to wish Timmy Murphy and his selectors the very best of luck.

### Change in Lotto Format

The club has agreed to change the format in the weekly lotto. There will be no more vouchers, instead there will be 4 £10 weekly winners. Whenever the current jackpot is won we will be increasing the numbers to 30.

### CHAMPIONSHIP HURLING

Last Sunday evening we travelled to Fraher Field to play Modeligo in the first round of the Junior A hurling. The first half of this game was very poor as the score at half time was 6 points to 4 points in favour of the Geraldine's. ## STRADBALLY WIN CLASH OF THE REDS

Stradbally 2-12 Ballyduff 4-5

At Cappoquin on Saturday evening Stradbally, thanks to a late Eoin O' Brien goal had a one point win over Ballyduff in an evenly contested second string junior hurling tie. Stradbally held a slender one point half time lead 1-8 to 3-1, their goal coming from U-16 player Ml. Walsh. The Ballyduff goals were scored by Dermot Bolger in the 7th and 21st minutes with Alan Martin on target in the 27th minute after a great solo effort.

The sides were level twice in the opening five minutes of the second half before a third Ballyduff goal from Dermot Bolger saw the village side go in front by 4-5 to 1-11 at the end of the third quarter but they were not to score again as Stradbally added 1-1 in the closing 14 minutes to snatch victory with O' Brien's goal coming a minute from the end to see them through to meet Abbeyside in the next round. Before the game a minutes silence was observed in memory of Ballyduff's Patsy Molumphy who died the previous weekend and the Tricolour was flown at half mast. Referee; T. O' Sullivan (Cappoquin).

# WEST WATERFORD NOTES

## IN THE ISLE OF WIGHT

Bon voyage to Anne Marie Glavin, Coolbagh, Clashmore who is spending her summer holiday with friends and enjoying some summer work on the Isle of Wight. Hope you have a lovely holiday.

## ANNUAL MASS AT TOOR

On Thursday July 22nd the annual Mass at St. Declan's Well, Toor will be celebrated at noon. Once again we appeal to everyone to come out and join in the celebration of Mass and keep this beautiful tradition alive.

## SYMPATHY

Sadly we learned of the recent death of Vera Desmond, Ballinamult on Monday June 28th following an illness.

Here in West Waterford Vera was well known, especially among the farming community through her work with Waterford Foods in the accounts department. Vera retired just one year before her death. Sadly she never really got to enjoy all the things she must have looked forward to doing during her retirement.

To her sisters and all her family, we extend our deepest and heartfelt sympathy on the death of this lovely, unassuming lady whom we held in the highest esteem.

## IN THE RIBBONS

Ann Ita Vaughan and Pauline Dahill have had a busy season to date in the show ring and have enjoyed lots of success with their beautiful Connemara

Ponies, Mountain Lad and Riabhog.

Pauline had a very successful Cork show where her pony Riabhog qualified for the Oughterard ridden Connemara final on August 29th. On that occasion Riabhog was also the champion Connemara pony adding to her long list of prizes.

Ann Ita and Mountain Lad competed in Newmarket and Charleville shows where ribbons were brought home. Then it was Kilusty on Saturday last for both girls. Ann Ita and her pony Mountain Lad emerged champion working hunter in the 143 cms class and got 1st in the Equitation Class.

Riabhog was placed 2nd in the Connemara Broodmare Class, 3rd place in the Connemara any age class and 3rd place in the ridden Connemara Class. Pauline and Riabhog also got 3rd in the 153 cms equitation class. Well done to both of you and many happy years of showing.

## MEMORIES OF '48

Last Thursday's historic and long over due and well deserved Munster victory for Waterford in the Munster Junior Football Championship. The first for Waterford since 1948, when they won three Munster titles. No doubt for one Clashmore man Richie Dee, Ballyheeney must have recalled some fond memories of that great victory 51 years ago. On that August day in 1948 having beaten Cork and Clare, Waterford took on Limerick at Drumeullogher in Limerick. The final score line was Waterford 2-8 Limerick 1-7. On that team, captained by Paddy Hayes from Fenor were Richie Dee, Clashmore. Another man from Clashmore on the team on that occasion was Charlie Egan who was a Garda stationed in Clashmore at the time.

The victorious 99 team included another Clashmore player who played a brilliant first half helping Waterford to victory that was of course the very talented Karl O'Keeffe, Ardsallagh, Clashmore. A great moment for Waterford and for Karl. Well done to all concerned.

The sun shone brilliantly as ponies and riders competed in Dressage Showjumping and Cross Country. Pauline Dahill and her Connemara pony "Turbet Dove" emerged in 2nd place after some very strong competition. Jessica and Julia were just all out of the ribbons but did our club proud. Well done girls. Next Sunday it's off to Kilcooly we go.

**Best Of Luck** — Best of luck to Crotty's Inn in the Abbeyside Amstel Pub League on Thursday evening at 6.30 p.m. against Poc Ar Buille B.

## Ring And Old Parish Voters To Expect Another Election Before End Of 1999

Elections for a Waterford representative to Udarás na Gaeltachta, the state's social and industrial development authority for Gaeltacht areas, are now expected in November.

Welcoming last week's publication of the Bill to give effect to the necessary legislative reform to bring this about, Cllr. Fiachra O'Ceilleachair said it was important that the Bill be treated with priority upon the Dáil reconvening in the Autumn. Cllr. O'Ceilleachair is anxious that the electorate of 660 in Ring and 390 in Old Parish be given their first opportunity in the 20 year history of the Udarás to have a local representative sitting at the decision making table. Cllr. O'Ceilleachair has, however, in response to plans to reform Gaeltacht boundaries warned that any 'tinkering' with the present constitution of the Waterford Gaeltacht will not be tolerated.

"Minister de Valera may have well laid plans to exclude some of the suburbs of Galway City from Gaeltacht status, from a money saving point of view as much as any cultural reasons. I'd be anxious that the criteria used there not be applied in other parts of the country. An exclusion of a substantial group of townlands in Old Parish in the 1956 Act, put right subsequently in 1974, should have learned us lessons about the damage which can be done to a community by splitting small local entities. I will be vigilantly ensuring that no such policy is revisited on the Waterford Gaeltacht region and that all of Ring and Old Parish will continue to benefit from the assistance of Udarás and Roinn na Gaeltachta. Keeping the communities of Ring and Old Parish together as a Gaeltacht is essential for the prospects of language development."

# THE BATTLE OF THE SOMME

The story of the Battle of the Somme (July 1, 1916) has been told many times and in greater detail than here today. This is a brief outline of what has been described as the grimmest battle in British history.

66,000 British soldiers waited along an 18 mile front for the opening attack at 7.30 a.m. This was preceded by a week long artillery barrage and the exploding of several mines just prior to 7.30 a.m. on July 1.

All along the line, whistles blew and the troops went out of their trenches and over the top into a hail of enemy fire. As far as the eye could

see, lines of men moved forward, their rifles held against their chests, bayonets glinting in the morning sun and in the sky larks were singing above the noise of battle. In No Man's Land the German machine guns traversed to and fro along the lines of advancing troops. The dead and wounded lay where they fell but the infantry kept going. Although the leading waves were broken, individual survivors kept to their steady disciplined pace.

Where were they going? What was the objective? The plan was to capture the German trenches only a few hundred yards away across

No Man's Land, an area covered in British and German barbed wire, now holding dozens of bodies of slain companions. Some made it, many did not and before the day had ended, there were 57,000 casualties - 20,000 of them dead.

It is difficult to locate details of men from Waterford who survived the Battle of the Somme. Driver Michael Burke of Sheriff's Lane, Abbeyside was one - he served with the Army Service Corps attached to the 15th Royal Scots. After discharge in 1919 he emigrated to the U.S.A.

Capt. James Shine of Strandside South, Abbeyside was wounded by machine gun

fire whilst leading his company of Royal Dublin Fusiliers into action on July 1, 1916 at the Somme. After a short leave, he returned to France and was killed in action at Ypres on August 16, 1917.

Tragically his two brothers had been killed earlier in the war - 2nd Lt. John Shine, Royal Irish Regiment, in the retreat from Mons August 25, 1914 and 2nd Lt. Hugh Shine, Royal Irish Fusiliers at Ypres on May 25, 1915. One Abbeyside family - three sons!

Do you have any written evidence of a family member who took part in the Battle of the Somme? Even word of mouth, passed down from older relatives, would be of interest. We would like to hear from you.

This week sees the 83rd anniversary of the commencement of this awful battle which was to last for 141 days and would result in a gain of six miles of mud-died French terrain.

## CAPPOQUIN/AFFANE G.A.A. CLUB NOTES

### Junior Hurling Championship Cappoquin 0-10 Tallow 4-4

This was a game that Cappoquin certainly did not deserve to lose by 6 pts. as we had most of the play but Tallow scored goals. We fielded a mix of youth and experience with James Mason, Brian Murray, Fintan Murray, members of our minor winning county side of '78 21 years ago and today's minors Shane Coughlin, Liam McLoughlin, Michael Fraher, Paul Coffey. We led by 0-5 to 1-1 at half time, our scores coming from frees taken by Mark Mason. The second half was even but Tallow again got goals. This was a fine game of hurling between two sporting teams (no yellow cards). The team togged out in their new jerseys.

Saturday July 24. Teams competing; Cappoquin, Dungarvan, Fermoy, Naomh Brid, Lismore, Tallow, Brickey's, St. Mary's.

#### U-8 Hurling - Brickey Rangers Tournament

Last Saturday we played in the Brickey's tournament. We were in a group with St. Oliver's, Dungarvan and Lismore. We won all our games in the group which meant we won our group. We then played the Brickey's in the semi-final and after a slow start we won easily in the end. We then met Dungarvan who we had beaten earlier in the final. This was a game we were very unlucky to lose after being on top for most of the match. Dungarvan stole it in the end with two late goals to win 2-1 to 1-1. In goal Derek Cahill was superb, the backs Finan and Snowey were unbeatable, captain fantastic Fitz and "Hall" did tro-

jan work in midfield, up front the tournaments top scorer Darragh was brilliant. Evan, Darren and Philip played, they worked superbly and got some great goals.

Panel; D. Cahill, P. Murray, C. Looby, P. Fitz, R. Hallissey, D. Fives, E. McGrath, J. Curran, P. O'Rourke.

We played St. Oliver's last week in the sports field in a game which could have gone either way. We led by 4 goals with 8 minutes to play but fair play to St. Oliver's who almost snatched it. Our man of the match was our 12 1/2 years old goal keeper Tim Looby.

Inspecting the progress on the Cappoquin Salmon & Trout Project at the Kitchen Hole were (l. to r.) James Geaves, Club Chairman; Noel Healy, Area Engineer, Waterford County Council and Jeremy Nicholson, Club Secretary. (Photo: Sean Byrne)

Cappoquin Salmon and Trout Anglers Development Project got underway last week, and the first engineering phase drew many on-lookers at the Kitchen Hole between Cappoquin and Lismore.

The eroding bank is being protected by large rock boulders and a stone deflector is presently being put in place which will speed low summer level water through a deepened channel in the middle of the river and will also assist in improving the fish holding area. Deflectors like this have been installed in the tidal waters at Ballina with excellent results and no adverse effects, and also on the River Suir at Holycross and the River Blackwater at Fortwilliam.

Cappoquin Salmon and Trout Anglers Association welcome members from the Cappoquin area.

Highlights of the Development Project are - Improve facilities for Anglers in the locality.

Improve facilities for visiting Anglers.

Provision of safe parking. Provision of Disabled Angler's Access in Cappoquin. Provision of stiles and agreed access points where allowed so that fences and lands are not damaged.

Participation in the County Marketing Plan to promote all activities in West Waterford.

Instream Engineering to provide bank protection and better fish holding areas Establishment of a Club Website

The project is a joint effort which includes Cappoquin Salmon and Trout Anglers Association, Cappoquin Community Development Company Ltd., County Enterprise Board, Southern Regional Fisheries Board, Waterford County Council. A sincere thank you is extended to all the landowners without whose co-operation this project could not have progressed.

## CAPPOQUIN F.C. NOTES

We held our AGM on 1st July. It was a very well attended meeting and a lot of important issues were discussed. Reports from our secretary and treasurer were read out for the season '98-'99. Overall it was a good year keeping our division 1 status and getting to the Dungarvan Tyre Cup Final which we lost 0-1 to Ardmore. Financially we need more work on selling the Red House League tickets. Tickets on sale soon.

We hope to be playing on our new pitch this year. Again there is a lot of work to be done on the pitch before we play on it.

Reports presented from the schoolboy club and field committee were very encouraging. Fund raising continues to be a key issue and much discussion took place on the issue. Next committee meeting on Monday 19th July at 9 o'clock sharp. Officers for the season '99-2000.

President; Pa Curran. Chairman; Michael Looby. Secretary; David Moore. Asst. Sec. Stephen Curran. Treasurer; Conor O' Leary. Asst. Treasurer; Martin Power. P.R.O.; Michael

### Win Def Leppard's New Album

This week in association with Polygram, we are offering readers the chance to win one of eight C.D. copies of Def Leppard's new album "Euphoria".

Def Leppard's new album "Euphoria" crashes out of the speakers like a rock 'n' roll godzilla, demanding your attention, defying you not to get swept along by its exuberance, its joyous primal drive. "Euphoria" has the kind of energy level you associate with a band's debut album, not their ninth. The sound is classic Leppard.

"Nobody has made a record like this for a long time," singer Joe Elliott says proudly. "We wanted to write anthems that make you want to punch the air when you hear them. We're more self aware, self-mocking if you like, we're a group of guys having a laugh. Music has taken itself too seriously for the past seven or eight years."

This album sounds far more vintage Leppard than the group's last album "Slang", released to much critical acclaim in 1996. "Slang" was something we had to do, to get it out of our system," Joe explains, "but this is us coming back strong. There was a time when so many bands had stolen our sound that the market got saturated but we always felt we had some unfinished business."

Track three "Back In Your Face" captures the resurgent spirit of Leppard in '99 perfectly. It's anthemic pop with a real uplifting feel.

"Promises", the first single, has a hook that is catchier than razor wire y-fronts. It is one of the three pearls co-written by maestro Mutt, along with the funky pop of "All Night" and "It's Only Love"; an unashamed slice of endearing romantic nonsense described by Joe as "the track that is most NOT typical Leppard."

To enter this competition just answer the following question:

Q. Name Def Leppard's lead singer?

Answer .....

Name .....

Address .....

..... Tel. No. (if any) .....

Entries to be with "Dungarvan Leader", O'Connell Street before 12 noon on Monday, July 12.

# Booley House Time Again

Believe it or not it's that time of year again, the time when St. Michael's Hall in Ballyduff transforms into the Booley House. This for those who have not yet had the pleasure of attending is a feast of Irish Traditional music, song and dance. The setting is a relaxed one with a warmth of candles glowing on tables decked with red and white and displaying the best of home cooking plus the cupán tae.

The Michael Ryan School of Irish Dancing and the Ballyduff set dancers directed by Thomas Hyland entertain to a captive audi-

ence. Ciara Dunne and Michael are among those dancing as well as all local boys and girls. A host of talented musicians fills the hall with some lively tunes. James Lenane - famous for his 'scéalta' entertains as 'an sheanachai'. What a lovely way of entertaining your visitors or relatives on a summers evening. The Booley House is a special edition presented by the combined Ballyduff, Ballinvella and Ballysaggart Comhaltas Ceoltoiri Eireann. The show runs every Wednesday evening at 8.30 pm from July 21st

## WLR FM/Lawlors Hotel G.A.A. Sports Personality Of The Month

Ken McGrath from the Mount Sion Club in Waterford is the winner of the WLR FM/Lawlors Hotel G.A.A. Sports Personality Award for the month of June.

During the recent Munster Championship campaign Ken played a leading role in the defeat of Limerick and even though Waterford suffered defeat at the hands of Cork in the Munster semi final, Ken was by far the outstanding player on the Waterford team.

Ken McGrath, who is also a key player for the county champions Mount Sion, comes from a well known hurling family in the city and has represented Waterford at all grades. He is currently involved with the Waterford Under-21 team who have a Munster semi final date with Tipperary this Wednesday evening.

He was presented with the Waterford Crystal Trophy at a special celebratory dinner in Lawlors Hotel. Ken said he was delighted to receive this prestigious award and he expressed his gratitude to the adjudicating panel for choosing him.

Pictured at the presentation of the award were (l. to r.) Paul Byrne, Manager WLR FM, Dungarvan, Michael Burke, Lawlors Hotel, Ken McGrath and Jim Joe Landers, WLR FM.

## Melleray Sports And Gala Day

Melleray is the place to be next weekend when the annual sports and gala day takes place. This promises to be a fun packed event, studded with activity with something to attract all ages.

The festivities commence with a Fancy Dress Parade. This will be followed by running events for all ages, including boys and girls events, adult races and novelty races. For dancing enthusiasts there will be an Irish dancing competition. Last year the Bouncy Castle provided much fun and enjoyment for our young participants and will be featured again this year. Another popular feature on this day is the barbecue providing, tasty treats and refreshments for all. There will be stalls with local produce, bric-a-brac and also the very popular spinner with lots of valuable prizes to be won. Numerous side attractions include; tip-the-bucket, pony rides, horse-shoe throwing, penalty kicks and much more, including a tug-of-war for all those who wish to test their strength.

Preparations are underway to ensure a full and varied programme of events with something for all the family. So, come along and join in the festivities as all roads lead to the Melleray Sports and Gala Day next weekend.

## Irish Permanent Announces Ireland's Lowest Fixed Rate Mortgage

Irish Permanent, the country's largest mortgage lender has launched a new 1 Year Fixed Rate Mortgage of 3.99% (APR 5.2%) for new business. This is the lowest stand alone fixed rate mortgage available in the Irish market.

At this new rate, the cost per thousand pounds borrowed is £6.05. The monthly repayment on a £50,000 loan over 20 years is £302.72.

Commenting on the new rate Mr. John O'Brien, Manager, Irish Permanent, 32 Gratton Square, Dungarvan said, "Just one year ago the same rate was 5.90% (APR 7.6%). For a borrower taking out a £50,000 mortgage over 20 years, this reduction means that repayments for the period of the fixed term will be some £52.61 less per month than was the case for new borrowers just twelve months ago".

Walk slowly down the roadway,  
For one day I'll follow you.  
I want to know each step you take,  
So I can do the same,  
And some day down that long, long road,  
I'll hear you call my name.

**FLYNN** — Fifth Anniversary — In loving memory of my beloved brother, Noel, late of 24 Byrneville, Dungarvan, who died on July 18th 1994. R.I.P.  
The angels sang Amazing Grace,  
The Lord came down and touched your face,  
Then he whispered soft and low,  
Come with me Noel, it's time to go,  
I did not see you close your eyes,  
Perhaps it's just as well,  
For I never could have said goodbye,  
To a brother I loved so well,  
When I am sad and lonely,  
And things are going wrong,  
I seem to hear you whisper,  
Cheer up and carry on,  
And when I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping,  
We'll meet again some day.

So much in life is different now,  
So much in life is new,  
The only things that never change,  
Are the thoughts and memories of you,  
Our lives go on without you Dad,  
But nothing is the same,  
It's hard to hide the heartache,  
When someone speaks your name,  
Gone is the father we loved so dear,  
Silent the voice we long to hear,  
We miss you Dad, no words can tell,  
Your voice, your smile, your love as well.

The call was sudden, the shock severe,  
Little thought the end was near,  
In tears we watched you sinking,  
We watched you fade away,  
Although our hearts were breaking,  
We knew you could not stay,  
You left behind some aching heats,  
That loved you most sincere,  
We never shall and never will,  
Forget you Eily dear.

In a way that I know best,  
It's eighteen years ago today,  
I lost the one I loved the best,  
I never ask for miracles,  
But today just one will do,  
To leave my door wide open,  
And see you Man walk through,  
Will those who have a Man today,

## RECENT DEATHS

### LATE JOHNNY O' HARA

It is with deep and sincere regret we record the death of Mr. Johnny O' Hara, aged 73 years, 29, Kyne Park, Abbeyside, Dungarvan which sad event took place on the 4th July at home with his family following a period of failing health.

The deceased was a member of an old and well respected Dungarvan family, born in the Burgery and later raised in the Court House, Dungarvan where his father Jack was the caretaker for many years.

Johnny worked with Waterford County Council as a lorry driver for many years. He had great stories to tell about his adventures with the Council. He decided to go to England where he stayed for 10 years, but was glad to return to his native home. He then returned to driving with Power Couriers.

Johnny was a kind and loving man, good humoured and unassuming, admired and respected by all those who were fortunate enough to have made his acquaintance. A person of his calibre leaves a void in the lives of those left behind that will not be easily filled.

May he rest in peace.

"We cannot bring the old days back

When we were all together

The family chain is broken now

But memories live forever"

His remains were removed from Drohan's Funeral Home on Monday evening 5th July to St. Martin's Church where they were re-

ceived and blessed by Fr. Martin Keogh of Abbeyside, assisted by Fr. Gough OSA and Mgr Lannon. Following requiem Mass on Tuesday morning celebrated by Fr. Keogh C.C. he was laid to rest in the family plot in the adjoining cemetery in the presence of a large gathering. The lesson was read by Michelle McGuire (grand niece) and Martina O' Hara (niece-in-law). The Prayers of the Faithful were read by Dawn McEvoy (grand niece).

The chief mourners were Billy his brother, his sister-in-law June, wife of late Michael O' Hara, nieces Jackie and Tina, nephews Terry, John, Brendan, niece-in-law Martina, grandnieces and grand nephews, relatives and a large circle of friends.

(Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

### LATE ELLEN McGRATH (NEE HALLAHAN)

With sadness we record the passing of Ellen McGrath, Kereen, Aglis and formerly of Drumslog, Grange which sad event occurred on Monday 12th July. Removal was from Drohan's Funeral Home on Tuesday evening to Mount Stuart Church. Following funeral Mass on Wednesday morning burial took place in the adjoining cemetery.

To her brother Willie, sister Kathy, nephew, nieces and relatives we extend our deepest sympathy.

(Full obituary next issue).

## Dungarvan Macra Na Feirme Notes

The county 7-a-side hurling tournament which was held recently saw a Dungarvan team in the thick of the action. Having dispensed of Clonea in the Eastern final, Dungarvan faced a tough challenge in the form of Ballysaggart. After a tough, physical but fair contest, Ballysaggart emerged victorious. Dungarvan's team consisted of Dave Murray (who came out of retirement especially for the games), Kieran Byrne, Vin O'Brien, John Flynn, David Connors, John Kiely and Declan McGrath.

With the Dungarvan Show just around the corner, preparations are already well underway for the county efficiency finals. In fact, some people are taking things so seriously, that they have actually started preparing and practising for their respective sections. Hopefully that will mean that second rate workmanship will be absent from proceedings this year.

A week after Dungarvan Show, Dungarvan Macra will be contesting a national final. David Beresford will be hoping to become the national Ideal Bachelor in Castlepollard on the weekend of Aug. 6th -8th. Anyone interested in heading to Castlepollard can contact Pádraig on 42214.

## Mary Staunton Live At Mooney's

Mary Staunton comes from Tourmakeady in Co. Mayo and inherits a long musical tradition.

From an early age Mary had been singing at the various fleadhanna cheoil around the county and further afield.

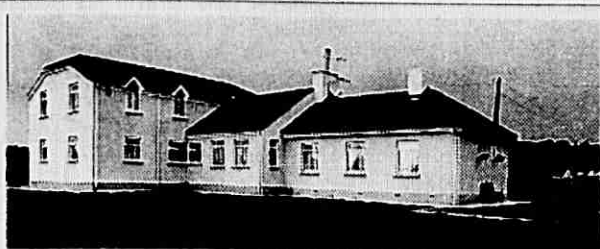

Mary and her sister Kate and brother Pat has always shown great interest in the musical instruments which were usually lying around the house and at the age of eight Mary began playing the accordion.

Her laid back, gently melodic style of button accordion playing will remind listeners not only of Sharon Shannon, but of star east Clare box player Josephine Marsh. It's a style very well suited to the old fashioned melodeon-style jigs Staunton learned from her accordion playing mother Kathleen and fiddling father Mattie.

The rich timbre of Staunton's low pitched voice will definitely remind listeners of the Keane sisters niece Dolores. Another similarity to Dolores Keane is Staunton's eclectic repertoire, which runs from Irish languages sean-nós gems to modern American folk compositions.

In the past few years Mary has appeared on radio and television and was also featured on the RTE Lifelines 'Tribute to Mick Lally' programme in 1996. She took a break from her teaching job and spent time organising material for her own solo album which she recorded in Dingle and in Ennis. This album was released in November 1998. It's called 'Bright Early Mornings' and is distributed by Gael Linn.

Mary Staunton will perform in Mooney's Pub, Ring on Monday 19th July at 9.30 pm. Don't miss this exciting gig.

# Irwin's Schoolboy League

## A.G.M.

On Monday night last we held our Annual General Meeting. We had a great crowd present on the night. We had a very detailed account by our treasurer, Pat McCarthy which showed that we still had our heads above water after a very expensive season with two Kennedy Cup squads to look after. Our chairman, Joe Hartnett gave a rundown on all the seasons winners. He also thanked our list of sponsors without whose help we would find it very hard to function throughout the season. He also thanked his fellow officers, clubs, delegates and anybody who helped throughout the season. Then it was the time for the election of officers. Chairman is Joe Hartnett, Secretary: Rod Rogers, Treasurer: Pat McCarthy. There was a major discussion on teams and age groups for the coming season and it was decided that all entries for next season will have to be in by July 23. All entries are to be sent to Rod Rogers, 5 Blossom, Ladysbridge, Co. Cork. Any club that fails to do so by this date will not have teams in the league and cups next season. Entries will be taken for teams in the following ages - under-8, 10, 11, 12, 13, 14, 15, 16 and 17. Clubs need not enter teams in all ages just enter teams in the leagues you are comfortable with. Remember the closing date is July 23.

## CUPS

Our under-8 and under-10 cup competitions are almost down to the final stages. There will be more about these next week.

## TRIALS

There will be trials on in Tallow on August Bank Holiday Monday for boys aged 14, 15, 16. These trials will be attended by scouts from Peterborough. For more information ring Liam Fraser at (058) 56324. We will also have five boys attending trials in Cork for the Irish under-15 side.

## MEETINGS

There will be a committee meeting in the Devonshire Arms Hotel next Tuesday, July 20 at 8.30 p.m. Our next delegate meeting will take place on Tuesday, July 27 at 8.30 p.m.

## Red House League Notes

# IMPORTANT MEETINGS COMING UP

Two very important meetings are coming up shortly. Both will be held on Monday night, July 26 at the Red House Bar in Lismore. First up is the Referees A.G.M. at 7.30 p.m. sharp with all referees expected to attend. New members would be most welcome and anyone interested can contact Jim Foley at (058) 68329, Leonard Fraser at (058) 56487 or any Red House League official.

The second meeting of the night is the Red House League A.G.M. which begins at 8.30 p.m. Paddy Pollard will inform the delegates about the recent moves which have seen the Red House League gain its independence and become a full member of the F.A.I. An early start up date is anticipated and I understand there could be some major rule changes to this season's competitions. All in all it promises to be an interesting night and should not be missed.

## RED HOUSE LEAGUE DRAW

Tickets for this year's draw will be available at the A.G.M. so clubs have an opportunity to make an early start with their ticket sales. The success of the draw, as always, depends on the efforts of the clubs so get your tickets and brochures and get selling.

## F.A.I. COACHING PROGRAMME

**ABBEYSIDE A.F.C. NOTES**

**AMSTEL PUB LEAGUE ROUND UP**

**Field Of "Dream Ons" For Foley's**

Paddy Foley's assembled a squad of proven experience, skill, style and potential for this game. Players such as Ollie Wright (173 caps for Abbeyside), Brendan Morrissey (Conway Cup medallist 1990), Jimmy Needham, Ballinroad and former Abbeyside great and Adrian Salmon who follows Leeds. Add to this Paddy Keohan, Michael Desmond, Tony Sullivan (imported from Cork) and Michael O'Callaghan, whose brother Dermot starred for Dungarvan in the '90's. Then you had the absolute class of Michael Elstead who claimed to have difficulty fitting into Trevor's shorts, Davy Beresford the playmaker of the side and the youthful Tony McCarthy who you felt could swing the game when introduced.

Foley's amazingly carried the game to the men from Sean Phobal and after only four minutes a last ditch tackle denied Adrian Salmon. Michael Desmond then forced a brilliant save from Alan Leahy with a rocket of a shot from 35 yds. Brendan Morrissey was like a terrier at the

**PADDY FOLEY'S B 1 JOHN PAUL'S 5**

back while Jimmy Needham made some vital saves in the early stages. They survived a massive scare after 20 mins. when Martin Curran found Aidan Power whose searing drive crashed off the woodwork. Back down the field came Foley's and Tony Sullivan brought another fine save from Leahy. However John Paul's began to edge ahead and when Aidan Power took a cross from Leonard Whelan and crashed home, it looked curtains for the gallant youngsters from Foley's. But nobody told Mickey Ahearne who beat no less than five challenges down the left touchline (the same player four times) to an ever increasing crescendo of noise from the vociferous Foley's support. Snowy O'Shea was introduced and the Lee Carsley lookalike was quick into action. The score at half-time was John Paul's 1 Foley's B 0.

When Maurice Cliffe came on at half-time one felt Paddy Foley's were playing the last throw of the dice as Maurice proceeded to cover every blade

of grass with his superior fitness. John Paul's were at this stage dominating and only the flat-footed Elstead and 'keeper Needham keeping the score down. However a long ball from Ted Casey pierced the Foley's defence and Martin Curran steered the ball past Needham from close range with 18 mins. remaining. A minute later Deuglán de Paor made it 3-0 after Luke O'Brien, impressive throughout, put him in. Still Foley's tried and none more than Ollie (wow!) who turned back the clock with a series of bone-crunching tackles. Foley's rallied and Dev skimmed the bar with a Zola type from 35 yds. Foley's finally got on the scoresheet but unfortunately it was Mickey Ahearne past his own 'keeper. Brendan Morrissey was then so unlucky as his swerving drive clipped the post after Paddy Keohan's excellent effort was pushed out. Then it happened! Adrian Salmon went on a jinking run, beat six players, left the centre-half dizzy and slapped the shot past Alan Leahy to lift the net, the crowd and his t-shirt. Some would say it was skill on his behalf but in my opinion it was the presence of the silver fox Tony McCarthy whose run took seven players with him. Could it happen, could 'Mac' score, it nearly happened! Morrissey tore down the right, crossed and Tony Mac soared up into the air but his header was just off target. John Paul's rounded off the scoring when Leonard Whelan fired home from close range.

**KEATING'S A 1 BEANNA LEANNA 0**

An excellent game between two very evenly matched sides saw Keating's A emerge as victors and into the last 32. A feature of the game was the driving display of Nicky Butler who belied his tender years with a smashing goal after great work on the right by Spider Dee. Beanna Leanna had shining stars in Shay and Colin Harty while Ross Power took the opportunity to renew acquaintance with his 'auld sod' after missing much of last season through injury. Frankie Prendergast also impressed in a striking role but found his efforts thwarted by veteran Billy Walsh in the Keating's goal. Beanna Leanna will rue a succession of missed chances with a procession of wides. Even the introduction of Bohadon man, Thomas Dunford failed to lift them despite his physical presence and deft touches. Spider Dee was perhaps man of the match as he continuously lifted his team with a forceful midfield display. Keith Mulhearn was also impressive as his pace unfolded a sometimes stern Beanna Leanna defence behind whom keeper Brendan Kiely was one of the revelations of the tournament to date.

# Horse Racing

BY MARK PHILLIPS

## RECORD BETTING

Irish punters bet more on horses last year than ever before. Minister of State, Noel Davern was a guest at the National Hunt Awards in Co. Limerick last week and he went on to say that 1998 had been another excellent year for Irish horse racing with total betting up by more than 10%, attendances of over one million, up by almost 5% and sponsorship prize money showing significant increases of up to 15.3% and 10.5% respectively. More than £57m has been invested by the Government in the last six years.

## ENTRY FEES DECREASE

The Irish Horse Racing Authority has announced that owners entry fees on all races closing under the six day entry system are to be reduced to 1%. Based on current statistics this reduction will reduce owners costs by almost £400,000 in a full year.

## CIARÁN ON THE MOVE

Ireland's Senior Flat Handicapper, Ciarán Kennelly is heading to the Far East later on this year. In his current position for the past twelve years, Ciarán will take up a new job as head of Handicapping Programme and International Handicapping at the Hong Kong Jockey Club on November 1.

## RACE DIARY

The fixture list for the remainder of the week is as follows:-

Wednesday - Killarney 6.00, Down Royal 5.30, Catterick, Doncaster, Folkestone, Kempton, Worcester, Yarmouth.

Thursday - Killarney 2.30, Bath, Doncaster, Leicester.

Friday - Kilbeggan 5.30, Carlisle, Hamilton, Newbury, Newmarket, Pontefract.

Saturday - Leopardstown 2.30, Ayr, Newbury, Newmarket, Nottingham, Redcar, Ripon, Warwick.

Sunday - Tipperary 2.30.

## LEADING OWNER DIES

One of the world's best known race horse owners Lord Howard de Walden died over the weekend. Aged 86, Lord de Walden sent out a huge amount of winners from his three stud farms in Newbury, Newmarket and Thirsk.

## WEEKEND FIXTURE AT WEXFORD

The sunny south east it certainly was at Wexford Races last Friday where a sundrenched attendance enjoyed a seven race card. Waterford jockey David Casey was on the mark in the Opening Mares Maiden Hurdle steering 3/1 Shot Perfect Peace to a comfortable success over a staying on Fairy Fingers.

Mooncoin, Co. Kilkenny owners Michael and Tom O'Neill were on the mark in the Datapac Hurdle with 8/1 chance Justaway running on in fine style to outstay the warm favourite Fionnula's Rainbow by five lengths. The winner is now a nine year old and has suffered his fair share of injuries throughout his career but Goresbridge, Co. Kilkenny trainer Paddy Mullins produced the son of Milfontaine in fine fettle for this assignment. An excellent jumper of hurdles, Justaway will go novice chasing in the not too distant future.

Kilmacthomas trainer, Paul Lenihan ran Little K in the Handicap Chase as did David Kiely who saddled Viking Buoy. Although jumping quite well, Little K ran in snatches and kept on at the finish. Viking Buoy made a number of minor jumping errors on the

back stretch but kept on at one pace in the closing stages to finish in third spot behind Flying In The Gale who was given an enterprising ride by Kieran Gaule. The winner is trained by Thomas Cooper who is the only registered trainer in Co. Kerry.

Tramore owner Bobbie Phelan ran his Bob The Yank in the Flat Handicap and he ran well to finish fourth. This was a nice run by this nine year old who will now revert to hurdles.

A couple of weeks back we commented how well Waterford owner Gerry Halley's horses were running without actually winning, well his luck changed at this fixture as his Brancardier (Executive Perk-Asile) trained by John Berry and ridden by seven pound claimer Morgan Dunne and priced at 4/1 got every yard of the two mile two furlong trip in the bumper to outstay a persistent Kenny's Princess. The winner is well able to jump and should lose his maiden tag before too long.

The weather on Saturday afternoon was dull and overcast with the results going in favour of the layers. Our fancy for the two mile feat maiden, Donnybrook Fair cruised up to the leaders running down to the home stretch but he found very little under pressure and could only finish a well beaten fifth behind 12/1 winner Squaw Winter. With so many outsiders winning, it came as no surprise to see no winner of the jackpot. The pool of £2,352 now goes forward to the meeting on August 7 next.

## FOUR WINNERS FOR TOM

Young jockey Tom Queally from Cappagh, Co. Waterford is taking this year's pony racing season by storm. Last Sunday at Coppeens, Co. Cork he booted home four winners at the annual horse and pony races. Young Tom impressed all present with his riding style and these latest victories saw him leap frog to the head of the riders table on the Munster circuit. He is in great demand by owners and trainers and many more victories should come his way before the end of the season.

## MIXED WEEKEND FOR KIERAN

U.K. based flat jockey, Kieran Fallon who reached a hundred winners during last week had a mixed weekend of racing. He gave the well fancied Killer Instinct a negative ride at York on Saturday afternoon and this colt was given little opportunity by his rider to live up to his name behind the shock 2/1 winner Achilles. Kieran fared a lot better on Sunday afternoon at the Curragh where the warm odds on favourite Ramruma ran riot over the opposition coming home all of seven lengths clear of Sunspangled who wasn't suited to the firm ground. Let's be honest though this was a substandard Irish Oaks and it was basically a steering job for Co. Clare born Kieran Fallon. Ramruma has now won both the English and Irish Oaks and has a varied choice of engagements over the coming months. She is entered in the Yorkshire Oaks, the Leger at Doncaster and the Arc at Lonchamp in Paris.

## STRAVINSKY TOPS AT NEWMARKET

I hope some of our readers rowed in with our selection last week as 8/1 shot Stravinsky absolutely ran away with the Darley July Cup in record time. A visor certainly worked the oracle for this unpredictable but talented colt. It will be interesting to see where he turns up for his next race but he should be followed

until beaten.

## BERNAGH FOR JOHN

Dungarvan trainer John Kiely made a fine start to this week's summer festival meeting at Killarney as he sent out the L. Galvin owned Slieve Bernagh 9/2 to victory over the odds on favourite All The Colours ridden by visiting rider Richard Dunwoody. Partnered by Charlie Swan, Slieve Bernagh had a neck to spare over the favourite at the end of this two mile one furlong Maiden Hurdle.

## YORK WOE FOR DARRAGH

Irish born jockey, Darragh O'Donohoe had a costly tumble at York on Saturday. He was unshipped from Petary at the start. Darragh went to York District Hospital and while no bones were broken, his wrist was bruised and he was stood down for five days. To make matters worse, he missed a winning ride at Haydock as Garry Stevens took the mount on the John Gosden trained winner Untold Riches.

## UNITED HORSES

Manchester United supporters were this week offered the opportunity to join their heroes in the most exciting racing club ever. Manager Alex Ferguson and right-back Gary Neville are on the committee of the Man.Utd. Racing Club which involves all the players with a minimum of six horses running in the club's Red Silks. The club has a target of 2,500 members paying £235 for membership through to December 2001. The purchased horses will go into training with household names as Aidan O'Brien, Michael Stoute, Mick Channon and a well known North of England trainer. The Manchester United Racing Club is not altogether a new concept as trainer Tim Easterby sent out a winner recently named Revie Review at Beverley for the Leeds United Racing Club.

## BRIAN TOPS

Congratulations to my colleague at Waterford Local Radio, Brian Gleeson whose top selection of the weekend Timote absolutely bolted up at odds of 11/2 at the Curragh on Sunday. Brian now heads the Irish field nap table and he is sure to make a bold bid to collect the £700 on offer for the top tipster. This annual competition is kindly sponsored by the well known bookmaking firm of Sean P. Graham. If you had a pound stake on all of Brian's selections this year, you would be over £20 ahead of the layers. Brian will be part of the R.T.E. racing team at the Galway Racing Festival towards the end of the month.

## TIPPERARY REPORT

Cirvin was John Kiely's main hope of a winner at Tipperary last Thursday and although running a fine race in the bumper, he went under by a length to the Dessie Hughes trained Miss Dale who was well ridden by Robbie Walsh to follow up her recent victory at Bellewstown. As this was a winners bumper, the runner-up appears well capable of opening his account on the level or over hurdles.

Castlelyons man Rodger Sweeney is better known on the greyhound circuit throughout the south of Ireland but up he popped as a permit holder at Tipperary as he sent out Pianissimo under Pat Verling as the 10/1 winner of the Maiden Hurdle. Some of our more mature horse racing fans should recognise the name Pianissimo from the past. Pianissimo was a decent filly trained by Clem Magnier in Co. Meath. Clem ran all of his runners in a distinctive white bridle as most of his runners were ridden by Tommy Murphy. Tommy is currently one of Aidan O'Brien's team members at Baldoy in Co. Tipperary. The jackpot pool of £6157 was not won and is now up for grabs at the next Tipperary fixture on Sunday next, July 18.

## Waterford Ladies Gaelic Football Association

# ANNUAL GOLF CLASSIC

The 6th Annual Golf Classic was held over 3 days of this past weekend at the West Waterford Golf and Country Club. Due in the main to the hospitality of the Spratt family and the generosity of the Golf Club members the event was a spectacular success.

In this speech Association President, Noel Murray expressed the gratitude of WLF to the events main sponsors adding

that their constant support is most appreciated. The support of our other sponsors Tipperary Spring Water, Lynch Fruits and Supervalu, Dungarvan were also acknowledged as were the superb effort of Paddy Carrie and George Young in ensuring the smooth running of the Classic.

On hand to present the prizes were Kieran O' Connor on behalf of Glanbia. He said how pleased Glanbia was to be

associated with Waterford Ladies Football, adding that the successes enjoyed by the teams reflects well on the efforts of those involved. Kieran also complimented the Spratt family on the warmth of their welcome and concluded by wishing championship success to all the Waterford teams for the rest of the season.

## Cappoquin Pork & Bacon Blackwater Cycling Club

Cappoquin Pork & Bacon Blackwater C.C. hosted the J.J. Foley Race last Sunday in Aglish in glorious sunshine. The race was run over a testing 10k circuit. The riders started in Aglish and headed off on the main Dungarvan road, took a sharp left turn at Kereen Bar, on to Villierstown where the riders took another sharp left turn.

From this point the road descends to the Clairin Bridge, this winding stretch of the course followed by a sharp incline tested the strength and skill of the riders in all of the races. The level ground in the last kilometre produced fast sprinting at the finish.

The U-12's covered one lap of this circuit, the U-14's two laps and the U-16's four laps. Juniors, Vets, Ladies and Seniors did eight laps. Congratulations to Gearóid Turraoin on finishing first and Eoin Whyte who came second. Well done to Brian Guiry who is constantly improving and rode a gallant race.

Our sole representative in the U-16 race was David Moore. David rode a good race and finished in the bunch. Now that the exams are over David will have more time to concentrate on training.

The club would like to thank the Stewards, the Civil Defence, Jerry Geary, Dungarvan C.C., Nora Healy and her team of helpers for assisting at the finish, the

people of Aglish and the general public for their co-operation in the smooth running of the race.

The Club would also like to thank our sponsors East Cork Oil, Glanbia, Cappoquin Pork and Bacon for their generous sponsorship in running this race.

### HOG ROAST NIGHT A GREAT SUCCESS

What a night - 800 people having mighty craic until the sun came up! After the last two years getting rained out the gods at last looked down on us favourably (even though it did rain for a couple of hours earlier in the evening, this did little to dampen peoples spirits).

Thanks very much to all who helped in the set up: Albon O'Donoghue and Pat Connors for setting up the lights, Ernie Leegan for organising the bar and getting the grounds ready and Pat Dunphy for organising the pig! Also many thanks to Jim Power, Paddy Malone,

Eddie Lonergan and David Beresford.

Thanks also to all those who supported us on the night. There was a great atmosphere and everyone had a great time.

The Married versus Singles match ended with a 5-5 draw with Ray Harty scoring for the Married's and his brother Colin scoring for the Singles. It was an usually sedate match however, as no one wanted to tire themselves out too much for the evening ahead!

### TRAINING

Training will commence

in two weeks time. All those interested in taking up rugby or relaunching their careers can contact either Eoin Phelan or Ray Harty.

### DOG NIGHT

We are holding a Dog Race Night at the Waterford Greyhound Track on Saturday 11th September. Any interested members should contact committee members for tickets. Sponsors can also contact members for details.

### COMMITTEE MEETING

There is a Committee Meeting this Wednesday (14th July) at 9.00 pm in the Clubhouse.

## Ballyrafter Centre Notes

### DIANE BEECHER IS BALLYRAFTER LADIES CHAMPION

Diane Beecher became the new Ballyrafter Ladies Champion for 1999 after a fascinating championship last Saturday in superb summer sunshine at The Ballyrafter Centre, Lismore.

Twenty lady riders lined out for this D & E Championship including the defending champion, Helen Connors. The eleven fence course set among trees had a real continental flavour with the Mediterranean style weather but it rode extremely well and nine went through to the second round. Going out though was Helen Connors after 'Ardagh Lass' just tipped the third last vertical.

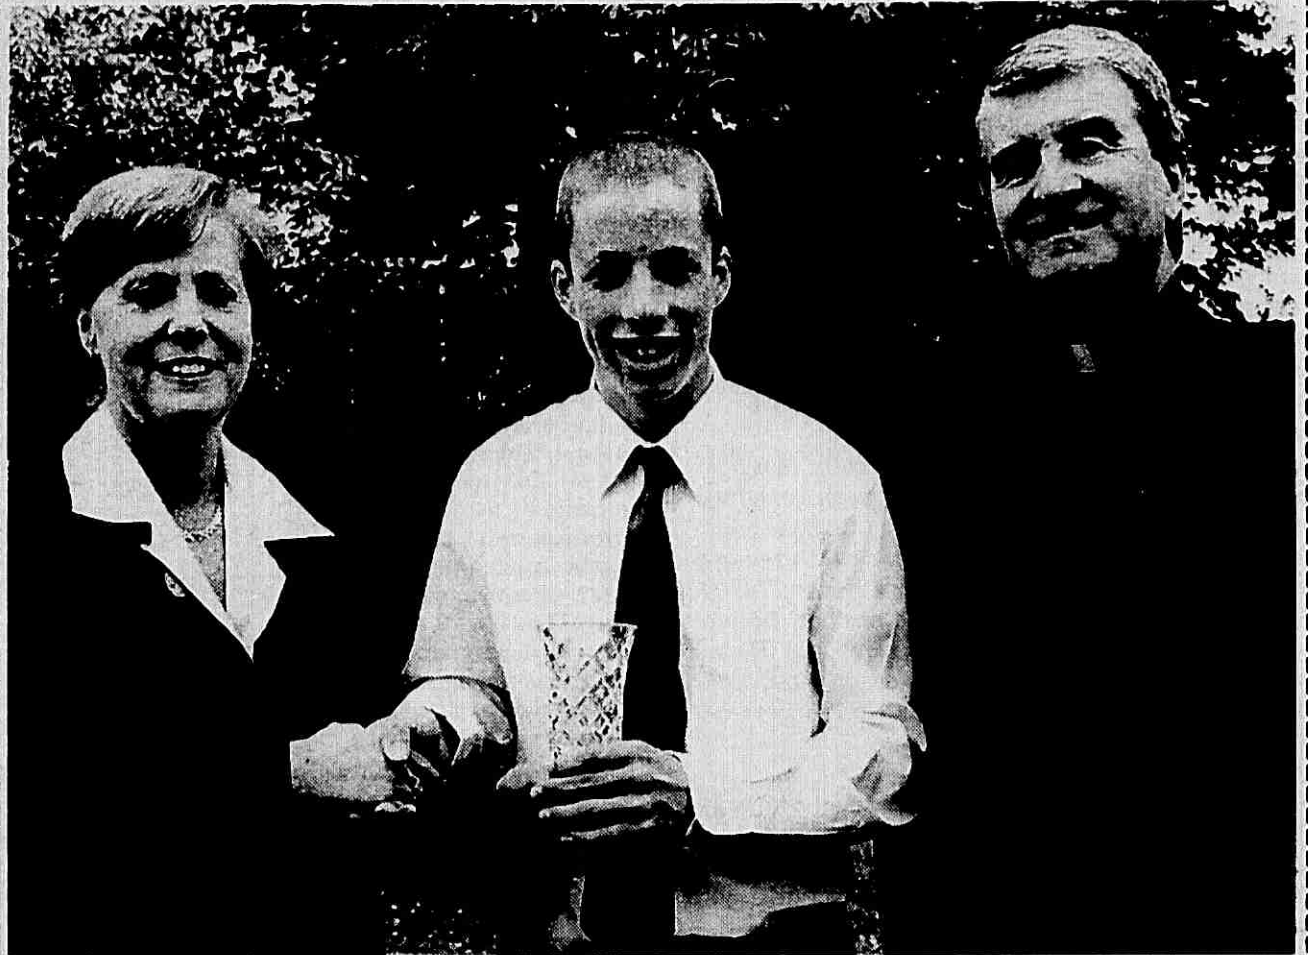

This left three riders with two horses apiece, Waterford rider Jacinta Power, Clonmel based Margaret Widger and Diane Beecher and completing the group Caroline Lynch, who is originally from Dungarvan travelled from Summerhill in Co. Meath, local girl Ann-Marie Allen who is still on ponies and for the second year Aine Maher made the trip from Carlow worthwhile. Over a raised course just Caroline and Ann-Marie went out with simple faults leaving seven through against the clock.

Margaret Widger with Kilmacthomas owner Tommy McGrath's 'Kilmoylan Warrior' was drawn first and set a good clear in 45.82. The competition took on its real meaning though with the next in Jacinta Power who has had this championship as one of her main targets this season and with both her rides through, she was in a great position. Her 'Duagh' prefixed horses called after her livery yard in Waterford are in tremendous form and 'Duagh Carnival Dancer' gave her everything to come home in 39.27.

Diane, with the first of her rides 'Loughnatousa Albert', was well up on the clock coming to the last double but it was to no avail as this fell leaving her on four faults. Aine Maher and 'Belvo Boy' started the course a bit too slowly and despite quickening over the second part, went in behind Jacinta in 42.72. Margaret Widger then had another try with 'Brave Frontier' but again a pole down kept them down the order so now Jacinta had her own time to beat. This she did with the long striding bay 'Duagh Stepside' covering ground in 38.67 to leave her in first and second with only Diane in her way of claiming the crown. However Diane had borrowed Linda Shorten's 'Diamond Lad' bred mare 'Galway Diamond' from her brother Tadhg who normally has the ride and she now knew what she had to do to claim the winners purse and the beautiful O.B.O.S. Rug presented by Marie O'Brien of O'Brien's Office Systems in Cork. She set out a lovely fast rhythm and kept it going to prove a worthy champion with the fastest clear in 36.44. Jacinta had to settle for second and third with Aine fourth.

We would also like to congratulate another of the Beecher family, Mark who has been selected with 'Loughnatousa Andy' for the European Pony Championships Team along with two other Ballyrafter regulars Sarah-Kate and Natalie Quinlivan, Kanturk. These take place later this month in Sweden.

## Park Hotel Sports Star For June

The Park Hotel Sports Star of the Month for June goes to William Harty, St. John's School, Dungarvan, Ring/Old Parish A.C. and West Waterford A.C.

In early June he collected silver medals at All-Ireland Schools Track and Field Championships in Tullamore. As a result he was selected for Munster schools to compete in Tailteann Games in Santry where he took gold in the 3000m and silver in 1500 Steeplechase. As a result of this splendid achievement he has been selected to represent the Irish schools in the Home Internationals next weekend

in Wales.

Also during June, wearing the colours of West Waterford A.C., he had wins in the Butlerstown 10K, Rás Na Rinne and he finished a very creditable second in the Ballycotton five miles road race from a field of 200.

Finally representing Ring/Old Parish he captured gold medals in Munster B.L.O.E. and All-Ireland Championships. A remarkable young man, a super athlete and worthy winner of the Park Hotel Sports Star of the Month for June.

# Dungarvan Credit Union Cycling Club Notes

## RACING RESULTS PMPA League

Last week two races were held. On Tuesday night Pat Kenealy finished in 4th place. On Thursday night the race had an international field with riders from France, Holland and Belgium. The race was run over two laps of the Portlaw circuit. Second time up the hill in Portlaw, a group of 11 went clear. In this group was Dungarvan's Joe Kelly and Pat Kenealy. After a very fast race it finished up with Ciarán Power winning, Joe Kelly 8th and Pat Kenealy was 9th. With three rounds to go, Pat Kenealy is in third place overall in the league.

## J. J. FOLEY TROPHY

Racing on Sunday last was in Aglish. The weather, unlike recent years, for the race was hot and sunny. In the under-12 race Paul Houlihan was first under-11. In the under-14 race Pádraig Cullen finished 6th with Shane Power 8th. Edward Kelly rode a good race in the under-16 event to finish 3rd.

The senior/junior race was run over eight laps of a six mile circuit. Racing for Dungarvan were Joe Kelly, Pat Kenealy, Thomas Hogan, David Geary and John Dempsey. A group of three riders went clear on the second lap and opened up a big lead. A group of nine riders went clear on the third lap. Included in this group were John Dempsey and Pat Kenealy. This group stayed clear until the finish with one rider having jumped clear in the final miles. Pat Kenealy led in

the group to finish fifth. John Dempsey finished safely in the group.

Full details of this event will appear next week. Already a lot of the country's top riders have said they will be racing in this local event.

## MIZEN TO MALIN PRESENTATION

All cyclists who took part in the recent cycle challenge are requested to attend a presentation night at the Beanna Leanna this Thursday night, July 15 at 8 p.m. The presentation is being organised by Cappagh Hospital Trust. There will be a traditional music session on the night. Tea and sandwiches will also be provided.

This night is not confined to those who did the Mizen to Malin trip. All members of the Cycling Club are welcome to come along to what promises to be a night of caint, ceol agus craic!

## PÁDRAIG CULLEN LEADS OVERALL

With just one stage remaining, underage cyclist Pádraig Cullen has taken over the leaders jersey. In last Wednesday night's stage, Pádraig put in a superb ride to finish second on the night and record a P.B. of 42 mins. and 9 secs. This gives him a seven point cushion over longstanding leader, Tony Ryan. No doubt Tony will pull out all the stops to claim back the leaders jersey in the final stage.

Still holding onto third position overall is Paul Keating but is joined by Eamonn O'

Doherty both on 73 pts. Also moving up was Terry Keohan who, once again, recorded a P.B. (47.32) putting her into fifth, a single point behind Paul and Eamonn. A further 4 pts. in arrears is young Paul Houlihan who, having finally gotten the better of his dad John, produced an excellent ride to record a P.B. of 48.51. Next in line is 'wonderman' Vincent Tutty who has astounded everyone this year with his fast times. Following a superb ride, Bobo finally smashed the 40 mins. barrier to record an incredible P.B. of 39.30.

## Division 2

Martin Veale has moved to top spot, a mere 4 pts. ahead of last week's leader Albert McGrath. Also in strong contention is Anthony Dwyer, a further 3 pts. in arrears. The final stage will provide some battle between these three.

## Division 3

By recording a P.B. of 42.52 Eamonn Phelan has moved from fourth to first position. Just 4 pts. adrift is Eamonn Terry (Blackwater C.C.) with third spot being filled by last week's leader, Eoin O'Riordan only five points off top spot.

The final stage is on this Wednesday night, July 14 at 7 p.m. League table and Stage 6 times as follows:-

Div. 1 — 1. Pádraig Cullen 60 pts. (42.09), 2. Tony Ryan 67 pts., 3. Paul Keating 78 pts. (45.32), Eamonn O'Doherty 78 pts. (44.33), 5. Terry Keohan 79 pts. (47.32), 6. Paul Houlihan 83 pts. (48.51), 7. Vincent Tutty 85 pts. (39.30), 8. Pat Kenealy 87 pts. (36.34), 9. Ray Dwyer 93 pts., 10. John Houlihan 94 pts. (50.34).

Div. 2 — 1. Martin Veale 87 pts. (42.28), 2. Albert McGrath 91 pts. (48.01), 3. Anthony Dwyer 94 pts. (40.23), 4. Mary O'Connell 103 pts., 5. Edward Kelly 111 pts. (36.03), 6. Tony Murray 112 pts. (41.40), Eddie Elstead 112 pts., 8. Aisling Conroy 121 pts., 9. Michael Power 122 pts., 10. Pádraig de Búrca 122 pts.

Div. 3 — 1. Eamonn Phelan 104 pts. (42.52), 2. Eamonn Terry 108 pts. (42.48), 3. Eoin O'Riordan 109 pts., 4. Tony O'Mahoney 116 pts., 5. Justin Coonan 125 pts., 6. Philip Cleary 127 pts., 7. Philip Cleary 127 pts., 8. Jim Hyland 139 pts., 9. David Cummins 141 pts. (49.30), 10. John Moloney 154 pts.

## LOTTO

Once again there was no winner of this week's jackpot so the jackpot continues to grow. If next week's numbers are predicted that lucky person will walk away with a huge round figure of £1,000. The numbers which didn't do any such thing for players this week were 3, 4, 7, 27. So don't forget to purchase a ticket before the Tuesday night draw, a ticket which could cost as little as 50p but which could be worth £1,000. As the saying goes, if you're not in, you can't win. The three lucky winners of £20 each were Jim Maher, Fiona Fitzgerald and E. Daly. Congratulations to our three lucky winners.

## RESULTS

### Cunnigar Players Hit Tramore

Yes the Cunnigar players travelled to Tramore at the weekend and their presence was widely felt. With the league match held in Tramore the previous week, the practice did all the players the power of good. Well done to all who took part and to all who took the time out to support it.

### Spratt Family Sponsored Tournament

The Spratt Family Sponsored Tournament always proves a winner with our members. The kind sponsorship by the

Spratts is greatly appreciated by all of us at the club and we thank them for their generosity.

The fine weather saw a good turn out for this popular competition and the great scores returned were evidence also of the favourable conditions. In the nett there was no catching Brendan O'Brien who finished just ahead of Philip Duggan while in the gross the powerful performance of Thomas Maher assured him first place. Second gross went to M. Daly. Well done to all who took part and once again we would like to thank West Waterford Golf Club (the Spratt family) for their generosity.

### LEAGUE SHOWDOWN IN ASH GROVE

The last match of the league took place on Monday with the Ashgrove men down as hot favourites to lift the Shield. With points to spare going into the game, along with home advantage on their side, nothing short of a miracle would stop them. Second place looks sure to go to a Cunnigar team but results in next week's notes will confirm this.

### YOUGHAL OUTING

Youghal have their outing on Wednesday, July 14 so make sure you come along to take part in a game in the Cunnigar. Tee-off time is at 7 p.m. sharp.

### COMMITTEE MEETING

## JAMIE COSTIN SETS NEW NATIONAL RECORD

Jamie Costin, West Waterford rounds the final bend to win the under 23 National 10,000 metres walk title and record a new national record of 42.02.20 at Tullamore last Sunday.

At the Irish Pride B.L.E. national Junior and under 13 track and field championships last Sunday in Tullamore, West Waterford's Jamie Costin set a new National under 23 walk record for the 10,000 metres with a time of 42.02.20. to become the holder now of the 10,000 metres record and the 20km national record which he set in England two weeks previous. The young Ring athlete walked a brilliant tactical race recording a split of 21.35 for the first half and a very fast 20.26 for the last half to leave the field and finish alone breaking the meet record by a staggering 1 minute and 30 secs. and breaking the national record by 23 seconds. It also was a sweet victory for Jamie over Robert Heffernan of Cork who finished second, as in the A.A.A. in England two weeks previous Robert beat Jamie in a sprint to the line, but there was no doubt about Jamie's resounding victory in Tullamore. The next outing for Jamie will be the 2nd round of the league this Sunday in Tullamore where he will be competing for his club West Waterford.

## William Harty is The Park Hotel Sports Star of the month for June

News has just come through that 15 year old William Harty has been selected as the June recipient of the much acclaimed Park Hotel Sports star for the month of June. This is a remarkable achievement by William when you consider the very many sports which have to be considered when the judging panel sit down to pick their monthly winner, but no one can be in any doubt that he deserved this honour for the month of June and now he will go down in the history books for these awards with some of the greats eg. John Treacy, Francis Connors, Robert Power, Tony Brown, Susan Smith just to mention a few.

It is also just reward for his dedication to the sport and that of his father and coach Anthony who has brought William to this level where he now competes against the best that are out there, and seldom comes home second best, indeed William had a further honour bestowed on him this past week when he was picked to represent Ireland at the Schools International in Wales on this coming weekend where he will compete in the 3,000 metres. The following are the list of races run by William in the month of June and it gives for some superb results in just this month alone all of which makes the boy from Bleantis the youngest winner

ever of the Park Hotel Sports Santry, Butlerstown 10k, Ras Star Award. 1st; 1,500 m Na Rinne 6 miles. 2nd; steeplechase Munster Track Steeplechase Tailteann games and Field, 3,000 m track, Santry, Steeplechase A.I.I.-3,000 m Tailteann games land Schools, Tullamore.

## SYMPATHY

Sincere sympathy is extended to the family and friends of the late Con Roche, Mary Street whose death, after a long illness, occurred last week.

Con was a former chairman of Dungarvan A.C. in the late sixties and early seventies and was for many years very involved in all aspects of the sport, both track and field and cross country. A guard of honour was formed by past and present members of Dungarvan A.C. from Kiely's Funeral Home to St. Mary's Parish Church on Saturday evening at the removal of his remains. Ar dheis Dé go raibh a anam dilis.

Through our notes we extend our deepest and heartfelt sympathy to Mrs. Mary Molumphy and family, Ballyduff on the tragic death of her husband Patsy. The Molumphy family were very involved in athletics down through the years and Michael was an outstanding athlete at underage level winning many fine races. Ar dheis Dé go raibh a anam dilis.

## TRIATHLON CORNER

### Trevor Woods Wins The Carrick-On-Suir Triathlon

Despite the terrible weather, over sixty of the top triathletes in the country took to the roads on Sunday, July 4 to compete in the Carrick-On-Suir Triathlon. The race consisted of a 700m Swim, 10 mile Cycle and a 3.8 mile Run.

Northern Ireland's Trevor Woods and Limerick's Mark Higgins went off at a blistering pace after the gun and stayed together throughout the swim section. They were the first two athletes out of the water followed closely behind by local triathlete Eoin O'Riordan who had an outstanding swim, coming out of the water just 40 secs. behind Trevor and Mark.

The bike section was an out and back course consisting of about ten miles. Trevor managed to gain a bit of a lead on the bike course followed by Mark Higgins in second and Eoin O'Riordan in third. Dublin's Dave Corcoran caught Eoin on the bike section.

#### O'Riordan Just Misses Out

With Trevor probably one of the strongest runners in the field, there was no doubt who was going to come home the victor but the battle for the minor placings would be decided by the 3.8 mile run. Mark Higgins started ahead of Eoin O'Riordan and Dave Corcoran followed closely behind by Cork's Eoin O'Connell and Tramore's Kevin O'Brien. But despite Eoin O'Riordan's best efforts, he could not fight off the challenge of Dave Corcoran, Eoin O'Connell and Kevin O'Brien. This would place Eoin sixth overall, a very creditable performance indeed to put him up there with Ireland's elite triathletes. Well done Eoin. The top eight results are as follows:-

1. Trevor Woods Overall Time: 50 mins., 2. Dave Corcoran 51 mins., 3. Eoin O'Connell 52 mins., 4. Mark Higgins 53 mins., 5. Kevin O'Brien 54 mins., 6. Eoin O'Riordan 54 mins., 7. Michael Macken 56 mins., 8. Eddie Lane 58 mins.

#### FIXTURES

#### THANKS

Many thanks to Mel Shanley, Valuer & Auctioneer, Dungarvan. Tel.: (058) 42471 who kindly sponsored Eoin O'Riordan a wetsuit to compete in the Carrick-On-Suir Triathlon.

## K.C.K. Athletic Club Notes

### MUNSTER TEAM TITLE FOR UNDER-11 BOYS

The club's under-11 boys had their best ever performance to take the Munster title and qualify for the All-Ireland in Galway on Saturday next. This is an event with five events plus relay. The team is made up of five athletes and every one of the five boys played their part to win the Munster title. Each athlete has to compete in two events.

Conor McGrath and David McCarthy got the team off to a brilliant start when they won the Long Jump. Conor and Kevin Harty kept up the good work with a brilliant win in the High Jump. We

had another brilliant win in the 800m from David McCarthy and the baby of the team, ten year old Diarmuid Walsh. Diarmuid and Kevin Harty ran the 80m where they finished fourth and seventh which was their worst event which they are allowed to drop. Their final event was the relay and again the boys had a very good win to make sure of the title and if they can produce the same form on Saturday next it will be catch me if you can.

The boys have also qualified for the boys under-11 All-Ireland Relays on Sunday next. So it is a long weekend for the team and

everyone in K.C.K. Athletic Club wish them the best of luck. Go for it boys!

The team is David McCarthy, Conor McGrath, Kevin Harty, Diarmuid Walsh and Eoin Walsh.

### ANOTHER MUNSTER TITLE FOR EDEL MORRISSEY IN MULTI EVENTS

Edel had a brilliant performance competing in five events. She took fourth place in the Hurdles, won the Long Jump with a new personal best of 4m 93cm, won the Shot Putt and won the 800m with about 200m to spare. So Edel ended up with a brilliant final score of 2458 pts.

## CORKBEG 5

On last Thursday evening the Corkbeg 5 was held near Whitegate, Co. Cork, and once again that young athlete William Harty was a clear winner in a course record time of 25.39 and finished over one minute clear of the second man John Kearney, East Cork with Eric Meade also East Cork third in 27.11. William's father was the only other West Waterford athlete to compete in this race and he also ran well to be placed 17th in a time of 31.26. A field of 60 completed the course.

## BEST OF LUCK JOSEPH

Best of luck is extended to Joseph O'Donnell (Dungarvan A.C.) who is representing his country next week at the World Youths Championships in Poland. Joseph will be accompanied by his father and coach Tommy. This is a just reward for the young Abbeyside athlete as he is a very dedicated and disciplined athlete with a very bright future ahead. Joseph and Tommy will meet up with the Irish squad on Tuesday and fly out to Poland. We will eagerly await news of his performance on the world stage.

## FLAG DAY

Dungarvan A.C. held their Flag Day recently and the committee would sincerely like to thank all who gave so generously to the club.

## Ring/Old Parish A.C. Notes

### KATE O'BRIEN WINS BRONZE AT MULTI EVENTS

The Munster under-13 to under-18 multi events were held in glorious sunshine at the R.S.C. Waterford on Sunday. The number of competitors were well up on previous years.

In the Girls under-13 competition 24 started and at the end of a long days competition, Kate O'Brien was an excellent third. They started with the Hurdles and Kate did not have a great start as she got the second last hurdle all wrong which cost her valuable seconds and points. Next was the Shot which is Kate's strongest event and she won this event in style. Kate had a solid performance in both the Long Jump and High Jump but going into the final event the 800m she was in 6th place, some 140 pts. adrift of third place so she needed a very special performance to get

her into the medals and this she produced to win the event in a new personal best of 2.43, an excellent performance at the end of a long day's competition. Kate now goes forward to the All-Irelands at the same venue in two weeks time. Mark Healy and Tracy Shalloe also competed and both did very well with Mark finishing 4th and Tracy 5th.

Jamie Costin continued his excellent form on Sunday when he won the National Under-23 1000m Walk in a new national record of 42.02.20. Congratulations Jamie.

# Greyhound Racing

BY MARK PHILLIPS

## WATERFORD — SATURDAY, JULY 10

### Green Light For Amber

The local Association of Greyhound Owners and Breeders staged an excellent benefit meeting last Saturday night. The feature races were the semi-finals of the Hasbro Unraced Sweepstake.

After an excellent 29.05 debut, the Michael Bergin Jnr. owned Cill Dubh Amber (Mountleader Peer - Picture Palace) was sent off the evens favourite to take the first semi-final but the Freshford entry was tested to the limit by Toss Lord. In fact Toss Lord poached a slender lead over the final two bends but to her credit Cill Dubh battled back in fine style up the rails to regain the initiative and score by two lengths. Time 29.13.

Mahogany Red (Lassa Java - Seskin Sue) preserved his unbeaten record in the second semi-final with a hard earned but deserved 29.69 success. After the rails drawn Wee Senator moved wide at the first turn, Mahogany forged his way to the front before running on for a two lengths victory over a staying on Ballybray Max. The two semi-finals of the Hasbro Open Sprint also attracted plenty of attention. In the first qualifier Gambling Man went up very fast to the first bend but Denis O'Leary's 16/1 outsider Best Issue (Phantom Flash - Sure Issue) drove into the lead on the fence causing Gambling Man to lose his balance. It proved all so easy for Best Issue from that point on as he drew clear for a facile five and a half lengths success over Gambling Man in 16.69.

The current track record holder Quarter To Five (Boyne Walk - Gig of Gold) was the star attraction in the second semi-final and she gave her growing band of followers another exhibition of sprinting this time however coming from behind to win out in 16.36 at odds of 4/6. On this occasion a fast starting Dunsallagh Pride got first run on the Jolly but switching to the outside at the first bend Quarter To Five came around Dunsallagh Pride to motor clear for a two lengths win over the dead heaters Dunsallagh Pride and a fast finishing Tigers Eye. The winner is owned by Raymond Nicholas and is trained in Gowran, Co. Kilkenny by Paul Hennessy.

Trainer Hennessy recorded a training double courtesy of Michael Gardiners excellent servant Vintage Black, this June '96 whelp being returned at odds of 4/5. An ease in grade was just what the doctor ordered for Vintage Black as she moved into second place behind Regal Betty. Vintage Black just loves this circuit however and railing tightly she came through to lead at the third bend. To her credit the early pacemaker Regal Betty kept on well only to taste defeat by two lengths in 30.41, a healthy return over this five fifty yard distance.

Hopes Are Good, a full sister to the aforementioned Cill Dubh Amber was the best backed 7/4 to 1/1 to capture the opening event but she was distracted by possibly a flash from a camera on the run up and virtually took no part in this contest.

Meanwhile the Alan Walsh owned and John O'Mahoney trained Tom's Loss (Shanless Slippy - Sycamore Lucy) 4/1 bounced away smartly from trap 6 to run out a comfortable four and a quarter lengths winner over Carrow Mary in a career best effort of 29.63.

40.45 is just a super run over Kilkenny's stiff six bend trip and odds of 5/4 appeared sound value about the Stuart Locke-Hart owned and Brendan Murphy handled Penn Pepe and this well bred daughter of Slanesside Hare and Ballinaboola Meg made short work of the opposition from her middle draw making every yard of the running for a convincing seven lengths victory over Goldfoot in a speedy 41.20.

The Kevin Sheehan owned and Niall O'Dwyer trained Powsheens Son (Powsheen Paddy - Gliding Spark) 1/1 produced a best ever performance to capture the Funderworld decider with consummate ease in 29.22. Producing far too much early dash for his five opponents, Powsheens remained at the head of affairs throughout beating the always prominent Itakit by five and a half lengths.

The James Skehan owned and Declan Byrne trained Starrie Plough (Frightful Flash - Maltese Moth) put in a storming finish to land the ninth event in 29.12. The well backed Starrie Plough 4/1 to 2/1 was only in third spot on the back stretch as the early paced Damers Valley set sail for home ahead of the odds on favourite Seskin Alice but Starrie Plough produced a well timed challenge to pip Damers Valley by a neck.

The heavens opened up just before the final event and the hare looked in trouble as he made his way towards the traps. The race went ahead however and the leading dogs, Shanghai Sam and Galbally Boy went very close to passing out the mechanical lure at the first bend. With Autumn Merlin a non runner in this event, the William Aytward owned Perry's Chart (Lassa Java - Clarinka Sand) was backed in from 1/1 to 1/2 and after a slow

start the favourite gradually reeled in the leaders to race on for a facile twelve lengths victory over Shanghai Sam in 29.51. Breeding Purists will note that Perry's Chart is a half sister to this year's English Derby winner Chart King.

### KARAOKE SUCCESS

Greyhound owner/trainer Paul Kiely has enjoyed plenty of success with his runners in Kilcohan down through the years but it was his wife Barbara who enjoyed her three minutes of fame last Saturday night as she sang her way to victory in the Karaoke Competition after racing. Round 2 of this competition takes place on next Saturday night and my information is that if another of the Kiely clan, Catherine is allowed take her chance she will be at prohibitive odds to take the first prize.

### BENEFIT NIGHT

Next Saturday night's programme in Kilcohan Park is a benefit meeting in aid of the Irish Brain Research Foundation and National Council for the Blind in Ireland.

### HASBRO UNRACED FINAL

A cheque for £700 and trophy await the winner of next Saturday night's Hasbro Unraced Sweepstake and the following is the line-up in trap order.

T1 - Mahogany Red (Lassa Java - Seskin Sue), T2 - Cill Dubh Amber (Mountleader Peer - Picture Palace), T3 - Ballybray Max (Minnies Phantom - Wise Slip), T4 - Toss Lord (Batties Rocket - Mountaylor Fuss), T5 - Valentia Rocket (Trade Official - Trapper Girl), T6 - Wee Senator (Ready About NGA - Winnies Best).

Mahogany Red is one of two unbeaten finalists. He is drawn to perfection on the rails and is sure to figure in the shake up. Cill Dubh Amber has reeled off impressive front running performances in 29.05 and 29.13 and is the one they must all fear in this decider.

Ballybray Max is improving with every outing and he stayed on well to finish a close up second behind Mahogany Red. Showing improved form, Toss Lord made the warm favourite Cill Dubh Amber pull out all the stops before going under by two lengths. Valentia Rocket finished full of running on both his outings to date but would prefer a closer to the rails. Although favourably drawn on the wide outside, Wee Senator is difficult to fancy on current form. The unbeaten Cill Dubh Amber is running really well at the moment and she is my selection to beat Toss Lord and Mahogany Red.

The trap draw for the Hasbro Open Sprint Final Winner £1000 is as follows -

T1 - Tigers Eye (Coalbrook Tiger - Swift Comet), T2 - Sun Flash (Frightful Flash - Gallows Quest), T3 - Best Issue (Phantom Flash - Sure Issue), T4 - Dunsallagh Pride (Cillowen Glory - Mi Katie) (w), T5 - Gambling Man (Shanless Slippy - Franks Girl) (w), T6 - Quarter To Five (Boyne Walk - Gig of Gold) (w).

Tigers Eye, who dead heated for this year's Laurels Final at Cork, finished really well in his semi-final and if brushing up on his start could well take a hand in the finish. Sun Flash holds his form well but appears outclassed at this level. Best Issue is not short of early pace and belied his 6/1 starting price with a storming 16.69 semi-final victory.

The coursing bred Dunsallagh Pride took a flyer last Saturday night from his favourite Trap 6 before giving best to the fleet footed Quarter To Five. Gambling Man went up very smartly to the first bend before coming out worst after colliding with Best Issue. The ultra consistent Quarter To Five boasts a delightful dash of early pace and is running to the top of her form. To sum up, Quarter To Five is one of the slickest two bend performers I have ever seen and she is my selection to show the way home to Tigers Eye and Dunsallagh Pride.

### IRELAND ON SUNDAY DERBY

This year's Ireland on Sunday Irish Greyhounds Derby commences on Thursday August 19th with the final pencilled in for Saturday the 18th of September. Reserves will be allowed for the first round of the classic only. The final night is an all ticket affair with tickets costing £10 each.

### SPORTING PRESS OAKS FINAL

The final of the 1999 Sporting Press Oaks takes place at Shelbourne Park on next Saturday night. After capturing her semi-final in 28.90 Metric Flower (Adraville Bridge - Aqreaduet Aloha) trained in Waterford city by Paddy Gaffney has a real live chance of taking this classic as she is ideally drawn in trap six. The main opposition should come from this years Red Mills produce stakes winner Borna Survivor who captured the second semi-final in 28.85.

### GAINSBOROUGH TOPS

Cappoquin owner Paddy Cullinane was on the mark at Cork track last Saturday night as his Gainsborough (Tip Top - For Alice) ran away with the £1,500 to the winner Cork G.O.B.A. past presidents stake. Sent off the 1/1 favourite Gainsborough came home all of ten lengths clear of the 6/1 outsider Fintan The Fox in a fastest of night 29.27.

### WATERFORD — TUESDAY, JULY 6

The four first round heats of the Hasbro Unraced Sweepstake made for some excellent entertainment at a

well attended Kilcohan Park.

Heat 1; Cill Dubh Amber (Mount Leader Peer - Picture Palace) set a high standard for this £700 to the winner event in heat one crediting Freshford, Co. Kilkenny owner Michael Bergin junior with an excellent 29.05 victory. Making a flying start from trap five Cill Dubh Amber 4/1 was never in the slightest danger of defeat breezing in seven lengths clear of a slow starting Swedish Java.

Heat 2 — Kirby's Bog and Tramore Lad shared favouritism here at 6/4 but while the former made a bright start from trap one Tramore Lad went up with the traps and lost valuable early ground. The Brian Doyle owned and Eugene Robinson trained Kirby's Bog (Droopy's Fintan - Can't Be Told) moved out somewhat from his trap one draw but after displaying superior early pace the Dec '97 whelp powered his way to a comprehensive eleven and a half lengths victory over Tramore Lad. Time 29.34.

Heat 3 — Valentia Rocket at 4/6 was all the rage here but a first bend bump virtually ended his chance of success.

Roger White's Mahogany Red (Lassa Java - Seskin Sue) 2/1 ran out the very easy winner here in 29.49. Killotteran Duke made a positive start from trap five but he was overtaken at the entrance to the back stretch by the free flowing Mahogany Red who motored clear for a cosy six lengths success over a staying on Valentia Rocket.

Heat 4 — With a 29.35 trial under her belt Effeeko Princess was sent off the warm 4/6 favourite but she came off worst in first bend clash with Franks Boy. In fairness to the Frank McCarthy owned Franks Boy (Shanless Slippy - Franks Girl), he rode his bump well to shoot clear of Dutch Boomerang. It was all one way traffic from that point on with the winner scoring by four and three quarter lengths clear of Dutch Boomerang. Time 29.48.

Lisdebbly Wren made a brave effort to lead all the way in the first but she was run out of it close home by the Thomas Cooke owned and M. Ryan trained Ballyfynch Love (Druids Wally - Valira) 2/1 in 30.10.

Powsheens Son (Powsheens Paddy - Gliding Spark) owned by Kevin Sheehan and trained by Niall O'Dwyer made maximum use of his early pace in the first semi final of the Funderland and WGOBA confined 29.90 stake to lead all the way in a career best clock of 29.23. The early pace of 6/4 shot Powsheens Son saw him move into a clear advantage over Greenlane Ronaldo. Manderville Joy made sound late headway but 'Powsheens' scored with some authority by four lengths.

The second semi final saw Paddy Murphy's Links Oil (Murlens Link - Daley's Oil) 3/1 run a perfect dead heat with the early paced Itakit (Ready About Nga - Gallows Quest) 7/4 owned by Kevin Heatherington and trained by Paul Kervick. Itakit appeared to have given her opponents the slip but despite colliding with Itakit on the run to the winning line Links Oil came through for a share of the spoils.

Judge Cyril O'Regan was also called into action at the conclusion of a graded sprint but he was unable to separate Eileen Smyth's Clondara Mantle (Highway Leader - Clondara Lace) 2/1 and John Whelan's Raywee Special 4/1 in 16.88. Clondara Mantle led to close home where 'Raywee' pounced on the wide outside for a share of the honours.

Owner Pat Coughlan enjoyed a welcome change of luck in the ninth contest as the Peter Brady handled Manor Treasure (Shanless Slippy - Flower Girl) 11/10 held at bay the persistent challenge of Kellsboro Lucey by half a length in 29.82.

Young Killian Saunders from Cobh supplied the well backed Dancing Phantom (Phantom Power - Feagh Deilius) 3/1 to 1/3 to capture the final event of the night in a speedy 16.50. Trained by Nick Turner Dancing Phantom quickly put daylight between himself and his opponents racing on for a four and a half lengths victory over Doctors Prince.

### MICK PLANS AHEAD

With the year 2000 looming on the horizon one south of Ireland breeder is building up a stock of bitches that hopefully will carry him into the new millennium with a wealth of breeding talent at his disposal. Nobody can accuse Bonmahon, Co. Waterford breeder Michael Casey of not looking to the future. His faithful brood bitch Debs Tick has now reached the ripe old age of ten and while hopefully she is in pup to Deep Decision her period of serving as a brood bitch will come to a conclusion in a number of years time. With this in mind Michael recently purchased two well bred bitch pups. The first of these is by Fifth of November and the other loss was responsible for recent Laurels winner and Waterford Masters runner up Lumber Boss. His second purchase was a three months old daughter of Come On Ranger and Hare Storm. Hare Storm is by Slanesside Hare out of Carmel's Storm who herself is a daughter of the great Where's Carmel.

Breeder Casey also went to the bother of buying back one of his own breed by Batties Whisper who had accumulated victories at Shelbourne Park, Youghal and Galway. Yes, indeed the Debs Tick kennels are certainly well prepared for the year 2000 and subsequent years.

# Harty Does It Again By Making The History Books

★ Alan Harty ★

While Alan Harty mightn't be a student of history he certainly has a habit of making history in West Waterford. On Monday night Alan trolled around one of the most difficult back nines in Munster, in one under to card a total of 70 and a new course record for West Waterford and his second this year. A fantastic five birdies helped him break John Mitchels 71 old record. On the 8th August this blue marker event will be open, so with a special prize up for anyone who can break Alan's new record, my tip is if he wants to he'll break into the 60's soon enough, well done Alan.

## OPEN FORTNIGHT

Glorious sunshine prevailed all during the week and members played in summer attire as well as a large number of visitors for the Open Fortnight. Close on a thousand golfers availed of the opportunity to play in the various competitions from Sunday, July 2 to Sunday last. Paul Phelan and Paul Breen took the par

## MUNSTER FINAL

Well done to the Waterford Junior footballers who captured the Munster Final last Thursday night in Thurles with a fine victory against Clare. Overall this was quite a poor game of football but after waiting 51 years for a title we weren't complaining. By his own standards Karl O'Keeffe had a quiet game. Stephen Barron was a member of the panel. It was great to see so many Clashmore supporters in the crowd of real football followers. Well done to the back room team of John Kiely, Eamonn O'Mairtin, Tom O'Neill, Paddy Dee and team trainer John Cummins. Waterford now play Roscommon in the All Ireland semi-final on Saturday 24th. Our club also had a link with the team that won the title 51 years ago with Charlie Egan, Ritchie Dee and Tom O'Connell being members of the team that defeated Limerick by 2-8 to 1-7.

## JUNIOR 'B' HURLING

Our Junior 'B' hurlers got the weekend off to a championship winning start on Friday evening when accounting for Abbeyside in the first round of the 1999 championship.

Clashmore started slow but Gerry O'Rourke edged the red and greens in front after three minutes with a well taken point. Mike Hynes added a point before Abbeyside replied. Further points were exchanged before Declan Hickey (playing in the forwards for the first time) got in for a goal. Abbeyside responded immediately with two points but Mike Hynes steadied the ship with a good point just before the break. Half time Clashmore 1-5 Abbeyside 0-4.

On the restart Barry Dunne moved to centre back and

Philip Dee to midfield and both players stepped up a gear. Connor Riordan came into the game at midfield and Michael Costin finally got into gear. Points flowed as the forwards began to click. In that second half we out scored Abbeyside by 1-8 to 1-6 with three of Abbeyside's points coming in the last minutes. Final scores Clashmore 2-13 Abbeyside 1-10.

Best for Clashmore on the night were Noel McGrath, Shane Allen, Barry Dunne, Conor Riordan, Ml. Hynes and Mark Coughlan.

Team; L. O'Donnell (cpt), G. Ryan, S. Allen, N. McGrath, P. Dee, D. Salmon, A. O'Rourke, M. Costin (0-1), B. Dunne, G. O'Rourke (0-2), C. O'Riordan, M. Dower, M. Coughlin (0-4), M. Hynes (0-5), D. Hickey (1-1). Subs used C. Coughlin for M. Hynes.

So overall a good win for our second hurling team and this should keep the hurling impetuous up over the next few weeks.

## JUNIOR HURLING

On Sunday evening our 'first' team took on Ballinameela in the Junior hurling championship. Before the game the papers had Clashmore down as favourites, a tag we do not wear well. Early exchanges were tough and uncompromising but Kevin O'Rourke opened the scoring with a 65 after just ninety seconds. Brother Gerry added another sixty seconds later and when Kevin pointed a free a minute later Clashmore seemed to be getting on top. Ballinameela opened their account with a superb long rang free after five minutes. Gerry O'Rourke found the net on nine minutes after a fine build up and Karl O'Keeffe could have had another but his kicked effort went just wide of the post. Ballinameela were getting back into the game. A point on twenty one minutes and a good goal shortly after had them right back in the game. The Clashmore defenders were standing off their men and were allowing Ballinameela too much space. Half time Clashmore 1-7 Ballinameela 1-4.

On the resumption Clashmore upped a gear and really got down to business. Two Kevin O'Rourke frees got the momentum going and from there we never looked back. The second half performances was impressive and we ran out winners 2-12 to 1-4.

Team; S. Budds, G. Ryan, P. Allen, J. Kelly, E. Beresford, B. O'Neill, P. Lombard, M. Fenton, K. O'Rourke (0-5), S. Barron, C. O'Riordan, M. Costin, G. O'Rourke (1-4), K. O'Keeffe (0-2), S. O'Rourke (1-1). Subs N. McGrath for G. Ryan.

In our next game in the championship we meet Kilgobnet and we will have to show huge improvement for

that one.

## JUVENILE CLUB

### Under 14 Hurling

Mike Hynes under 14's won the Western Final on Wednesday evening when they overcame Naomh Brid in a tough encounter at the Fraher Field. This was a very competitive game of hurling between two very evenly matched teams and was a joy to watch. Clashmore opened the scoring on five minutes when Cillian O'Keeffe goaled with a good shot. Paudie O'Rourke added a point on seven minutes but it was Naomh Brid who got the next two scores, a well struck free from a long way out and a good point from play. Paudie O'Rourke added an-

other point before the break to leave the scores at half time Clashmore 1-2 Naomh Brid 0-2.

Paudie O'Rourke rattled the net after seven minutes but Naomh Brid struck back from the puck out with a goal of their own. This was quickly followed by a Naomh Brid point to leave just two points between the sides. Clashmore then struck a purple patch. P. O'Rourke slotted over two points and Cillian O'Keeffe got his second goal on seventeen minutes. Super sub Vincent Daly found the net with virtually his first touch to wrap up the scoring and the game. Final score Clashmore 4-4 Naomh Brid 1-3.

Team (13 a side); S. Flem-

ing, J. Seward, K. Connery, J. Collins, C. Coughlin, A. Mulready, M. Burke, N. Beresford, D. Allen, P. O'Rourke (1-4), C. O'Keeffe (2-0), E. O'Riordan, M. Barron. Subs used V. Daly (1-0), Emmett Kelly.

On Saturday next these lads play Naomh Brid again in the county final and this promises to be another cracker as there is very little between these sides.

## UNDER 16 HURLING

### Football Summer Camp

The Annual Football Summer Camp starts on Monday July 19th to Friday July 23rd. The camp will run each day from 10.00 am to 2.30 pm. The fee for the week is £12 or £3 per day. Money will be

collected on the first morning of the camp. Due to the huge crowds attending the camp the last few years it is necessary this year to limit numbers so it's a case of first come first served. For the duration of the camp all children must stay within the confines of the GAA pitch. The shop is definitely out of bounds. Also during the week we will have a visit from a well known inter-county player.

Notes for children; 1 Players to be togged out for all sessions. 2 Have a change of clothes in case of rain. 3 Bring a packed lunch.

### WATERFORD v CLARE

Waterford begin the defence of their Munster and All-Ireland Senior titles when they travel to Ennis to take on Clare, a team that has severely troubled them in the past. For the last three seasons the sides have clashed in the Munster Final. Waterford were victorious on each occasion but the 1997 game in Ennis was too close for comfort, just three points between the teams.

The stories coming out of Clare suggest all is not well in the Banner camp. A number of players have emigrated to America for the summer and attendance at training has been poor.

Waterford won't be sold on this. Clare are likely to come out with all guns blazing. Players such as Catherine O'Loughlin, Noelle Comyn, Denise Walsh, Moira McMahon and Co. will always give of their best and this occasion won't be any different.

Waterford go into the game with Olivia Condon and Noirin Walsh doubtful starters. Nevertheless the attitude since the League Final defeat by Monaghan has been first class. There has been a nice buzz at training which has been stepped up to four times a week.

Waterford have lost just one game in the Munster Championship since 1990, the '93 final v Kerry by a single point. This squad are in no mood to break that sequence. They possess a wealth of experience, are good footballers and competition for places has been healthy. That, and the thirst to win the Brendan Martin Cup one more time, should see them through.

### JUNIORS WIN WELL

#### Waterford 3-9 Clare 3-4

Waterford qualified for the Munster Junior Final when they had 5 pts. to spare in a good game at Fraher Field.

Played in blazing sunshine, Waterford played the better football and scored three cracking goals in the process. The first, a great drive by Breda Morrissey, helped them into a 1-5 to 2-1 interval lead.

Against the breeze in the second half, they improved further and two superb goals - the second from a penalty - by Julie, Mary Keane pulled them through. Others to play very well were Sinead and Tanya Kirwan, Donna Frost, substitute Fiona Reilly, Angie Walsh, Niamh Barry, Mary O'Rourke and Lorena Mooney. They are at home to Kerry in the final on Sunday week.

Waterford - N. Hearne, C. Prendergast, S. Kirwan, A. Morrissey, A. Ryan, T. Kirwan, D. Frost, M. Troy, A. Walsh, J. Keane (2-2), N. Barry (0-2), G. O'Brien, M. O'Rourke, L. Mooney (0-4), B. Morrissey (1-0). Subs: C. O'Keeffe, F. O'Reilly (0-1),

A. Raheer, K. Barry.

### MINOR CHAMPIONSHIP

#### Waterford v Kerry

This Wednesday evening Waterford play Kerry in the first round of the Minor Championship at Fermoy at 7.30 p.m. Injuries to Marian Troy, Bridget Hannigan, Deirdre Breathnach and Aine Regan make this a very difficult task.

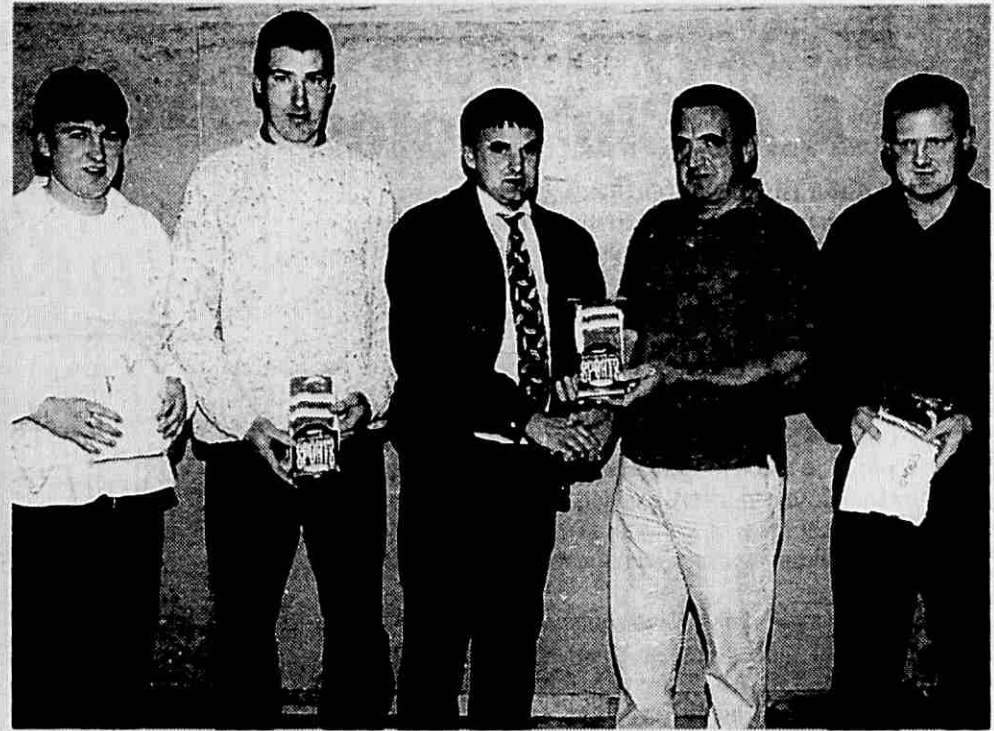

### MORRIS BUILDERS PROVIDERS UNDER-14 'A' FINAL

St. Annes proved too strong for Ballymac' in the Morris Builders Providers Under-14 'A' Final at Bushy Park. With Tracy Gallagher and Rachel Ahearn in great form in attack they carved out a great victory. Diminutive Ballymac' corner-forward Michelle McGrath and Marie Hannigan scored six goals between them but a better balanced St. Annes side pulled through.

# Ardmore GAA Notes

## CLUB MEETING

Thursday night at 8.30 pm. All members are asked to attend.

## U-16 HURLING

Ardmore 4-9 Naomh Brid 2-6 — Our U-16 hurlers had another fine win when they outscored a fancied Naomh Brid side in Modeligo on Monday evening last. This was the boys second win and reports tell me it was fully deserved. Ardmore dominated the central positions with Seamus Flavin and Philip Beausang outstanding in defence while Gary North and Billy Harty sparkled in the middle of the field, with Niall O'Brien, Maurice O'Connor and Michael Lally contributing their fair share up front. Others to perform well were Anthony Troy, Derek Reilly, Michael Flavin, Kevin Maloney and David Power. This side will have played their 3rd match on Monday last and hopefully we will be able to report on another victory next week.

## JUNIOR HURLING

Our junior hurlers had a very useful workout against St. Catherine's during the week in preparation for their championship clash with Kilrossanty. The Conna side kept our lads on their toes before we finally ran out winners by a few points. On Saturday evening last we had St. Finbar's of Cork as guests and they too had a very good game with our lads. The Cork side were on an outing to Ardmore so we were glad to be able to assist them with a game.

Our championship game with Kilrossanty is final for this Friday evening in the Fraher Field, so we hope for a full turn out of supporters.

## U-12 HURLERS CAPTURE DIVISIONAL C TITLE

Ardmore 6-2 Stradbally 2-

2 — Our U-12 hurlers turned in a superb team performance to win the division C U-12 hurling championship in Fraher Field on Wednesday evening last in a terrific encounter with a gallant Stradbally side who contributed enormously to a very enjoyable encounter.

Exchanges were contested with gusto right throughout the field with our first score coming from a great move with Jack Revins crossing for young David Hennessy to rifle a fine shot to the roof of the net. Our defence were playing brilliant with Robert Faherty and Denis Flanagan doing very well in front of the confident Dara Harty. Outside them Paddy O'Donnell, Declan Barron and Alan O'Brien were all in fine form and with Shane Power and Jack Revins keeping the ball going forward it came as no surprise that David finished another good move to the net for our second goal. With half time approaching centre forward Brian Keane fired over our first point to leave us 2-1 to 0-0 at half time.

The second half started with Stradbally firing on all cylinders but our defence were doing great work with their hooking and blocking a feature. Stradbally did get through for a goal however as the game even better. Wing forwards Pádraig Henley and James Flavin were working very hard to keep the ball moving and we were rewarded when Mark Power got through for our 3rd goal. This lifted the siege and when Jack Revins again rattled the net we regained our composure. Stradbally did not give up however, and two points followed by a goal left it at 2-2 to 4-0 entering the final five minutes. Sensing danger our

lads again responded with Declan Barron driving them on from centre back and with all of his team mates responding it was Mark Power who again goaled when the ball came back off the bar. Mark got his third goal shortly after with the final score fittingly coming from centre back Declan Barron who had the proverbial blinder. This point put the seal on a terrific win for a great panel of players who did everything that was asked of them.

After the game that most affable young man Tomas Keane who is Western Board secretary was left to make the presentation in the absence of the Chairman who was unable to attend, and the vice chairman who chose to attend. It was a pity that the correct trophy was not present either, but despite all these little errors our young lads could not care who gave them their trophy as they had proved their point, that Ardmore can play hurling. It must also be most satisfying for team trainer and manager Declan Barron to see his young guns play up to his expectations and show that no matter what sport they play they enjoy it. After the presentation the club treated the teams to a lovely meal back in the village as the Western champions brought another title home to our little village.

## MUNSTER CHAMPIONS

As P.P. points the way - congratulations to the Waterford Junior Football team on bridging that 51 year gap with a hard earned win over Clare on Thursday night last. They now face Roscommon in the semi-final.

## U-21 HURLERS IN ACTION

Our best wishes go to Sea-

mus Prendergast and his U-21 team mates who face Tipperary tonight in the Munster U-21 hurling semi-final at Walsh Park. U-21 can be a very good grade so we should see a fine game.

## U-14 COUNTY FOOTBALL

Well done to Frankie North and his fellow U-14 football selectors whose side put up a fine performance in Fermoy on Saturday last. A fine won over Cork County left them facing Tipperary in the Final. They were just pipped at the final post when they failed to convert a penalty which would have given them a deserved draw. Alan North, Walter Mansfield and Maurice O'Connor were members of the panel.

## U-16 LADIES FOOTBALL

Hard luck to the Waterford U-16 ladies footballers who lost their provincial and All-Ireland titles to a strong Kerry side on Wednesday last. Local girls Natalie O'Connor, Sharon Cronin, Lisa Prendergast and Aisling Conway were all members of the panel while Noel Faherty was a selector with the side who just lost on a 2-12 to 2-10 scoreline.

## GET WELL

Best wishes to Pádraig Healy who we hope will make a quick recovery following his recent bicycling accident. We hope Pádraig will be back for our U-12 football championship which starts shortly as this talented sportsman would be a great loss to our cause.

## LOTTO RESULT

Numbers drawn were 6-10-16. No winner. Flemings Bar was the venue but there was no matching ticket so the jackpot continues to grow. Our consolation prizes went to April Hickey, Ballina-

martina, Glen Moloney, Ardmore; Patrick Gallagher, College Rd., Tommy O'Reilly, The Grange, Ardmore. Our thanks to the "Morgans" and Flemings for their help. Next week we are at Keever's Bar so get your ticket in time.

Coffee Morning — We would like to thank everyone who supported our Coffee Morning. Our sincere thanks to all those who donated raffle prizes and also a special thank you to Keever's bar for the use of their premises.

Fund Raiser — On Friday night next Paddy Greenslade

plays in Paddy Mac's Lounge as a fundraiser for the ladies football club. Doors open at 9.30 pm and of course your support would be appreciated with a good night guaranteed.

U-18 Football — Our U-18 football team lost to Kilmac' last week but are looking forward to the remaining games.

## Brickey Rangers G.A.A. Club Notes

### UNDER-8 HURLING TOURNAMENT

We were very fortunate with the weather again this year for our hurling tournament. In the first of the plate semi-finals St. Olivers beat Youghal by 0-1 to no score. Lismore beat Naomh Bríd in the second semi-final and went on to win the plate against St. Olivers scoring 1-0 to 0-1.

In the cup semi-finals Cappoquin beat Brickey Rangers 4-0 to 1-0 and Dungarvan beat Abbeyside 2-0 to no score. The Brickey Rangers Tournament Cup was won by Dungarvan in a very exciting final against Cappoquin. The final score was Dungarvan 2-1 Cappoquin 1-1. Well done Dungarvan and well done to all the clubs who took part.

Our own team did very well getting to the cup semi-final. Their first game against Youghal was a great victory scoring 5-0 to 1-0. They did well again in the second game against Naomh Bríd with a score of 4-0 to no score. They lost their third game against Abbeyside 0-1 to 5-0 but qualified for the cup semi-final against Cappoquin. Cappoquin, playing extremely well in this tournament, won this game by 4-0 to 1-0.

Panel of players: J. D. Cummins, Colm Hayes, Tony Hansberry, Aidan Walsh, Craig O'Connor, Kevin Cummins, Philip Walsh, George Cummins, Diarmuid Tobin, John Morrissey.

### UNDER-14 COUNTY FINAL

Last Friday evening we travelled to Walsh Park to take part in the under-14 County Final. Our opponents for this game were Passage. Weather conditions were ideal for hurling and a great game was expected. The lads started off nervously and it took them a long time to settle. At half-time the score was Brickeys 0-3 Passage 2-2, our three points coming from frees.

The lads seemed to come alive in the second half and gave all they had. They battled for every ball and were rewarded by going ahead of Passage by one point. However Passage levelled the score in the last minute of the game.

The replay takes place next Friday evening at 7 p.m. in Walsh Park. Hopefully lots of supporters will turn out to see these boys in action as a great game is assured.

Panel: Johnny Cooney, Raymond Landers, Michael Gee, Thomas Landers, Pádraig Nugent, David Hickey (capt.), Conor Phelan, Peter Queally, Ivan Murphy, Cian Shalloe, Austin Cooney, Thomas Lynch, Declan Ahearne, Martin Lenane, Tomás Halpin, Conor McGrath, Eoin McCarthy, Richard Lenane.

Details of this game in next week's notes.

Panel of players: Cian Shalloe, John O'Brien, Shane McGrath, Dermot McGrath, Ross Downey, William Murphy, Christopher Morrissey, Ivan Murphy, Tony Halpin, Shane Nugent, Carthach Shalloe, Austin Cooney, Martin Lenane, David Moloney, Micheál Gee.

# Dungarvan G.A.A. Club Notes

## JUVENILE HURLING LEAGUE FINALS 1999

The Dungarvan Juvenile Club staged their annual underage hurling finals on Wednesday, June 30 and despite the wet and windy conditions these young hurlers provided excellent entertainment throughout an action packed evening.

### Under-7 Final: Ian Sheehan v Brendan McCarthy

The first final of the evening was the under-7 decider between Ian Sheehan's team and Brendan McCarthy's team. Ian's team had the better of the exchanges in the first half with good performances from Christopher Foley, Mark Power, Conor Mulcahy and Anna Fennell. Brendan's team came back into the game in the second half with Ryan Duggan, Ryan Crotty, Michael Power and Conor Sheridan playing very well. At the final whistle Ian Sheehan's team were victorious despite the gallant efforts of Brendan's side.

### Under-8 Final: Kenneth Moore v Daniel Sheridan

This was another exciting final with Kenneth's team proving stronger than Daniel's team in a closely contested final. Kenneth played a captain's part with a fine display at midfield and received great support from Stephen Troy, Colm Curran, Craig Flynn and Thomas Denmead. Daniel Sheridan's team were the gallant losers with Peter Marriott, Shaun Crotty, Johnny Barry and Sean Ryan all playing their part. After the game the boys received their medals from Garda Eddie Fitzpatrick and Garda Ollie Phelan while the rain came down but failed to dampen their enthusiasm.

### Under-9 Final: Adam Sheridan v David Moore

The under-9 final proved to be the highlight of the evening with an excellent game between two evenly matched teams. Adam Sheridan's team started well and dominated the early exchanges with Adam and Derek McGrath playing well in defence, Cormac Curran controlling midfield and Liam Ryan and Raymond Tobin playing well in the forwards. David Moore's team came back into the game in the second half with fine performances from Tony Walsh, Kealan Hayes, Craig Kiely and Neil Fitzgerald. In an exciting finish David Moore's team snatched victory with a last minute goal to end a truly memorable final. After the game team captain David Moore received the John Meehan Cup amidst scenes of excitement.

### Under-10 Final: Killian O'Dwyer v Killian O'Keeffe

The under-10 final provided a wonderful contest and some excellent displays from both teams. Killian O'Dwyer's team with goalkeeper Trevor Crotty in fine form started well with Killian and Jamie Crotty defending solidly and midfielders Gavin Crotty and Barry O'Neill hurling with style while in the forwards Pádraig Kiely and David O'Riordan were always dangerous. Killian O'Dwyer's team maintained their superiority in the second half despite the efforts of their opponents in particular Derek Barry in goal, team captain Killian O'Keeffe, defenders Des Sheehan and David Brophy, midfielders Karl Duggan and Cian O'Shea and forwards Michael Walsh and Darren McGovern.

After the game the Billy Kiely Cup was presented to the winning captain Killian O'Dwyer to mark the end of a wonderful evening's hurling.

Our thanks to all those who helped to organise the 1999 Hurling Leagues. We

thank the Garda Síochána for their generous sponsorship and in particular Garda Eddie Fitzpatrick and Garda Ollie Phelan for their time and co-operation despite the inclement weatherman also the ladies of the club who provided the refreshments.

## UNDER-8 HURLERS WIN BRICKEY TOURNAMENT

Our under-8 hurlers were the winners of the second annual Brickey Rangers under-8 hurling tournament played at a sun-drenched Bushy Park last Saturday. The boys defeated an excellent Cappoquin side in a very exciting final. Full report next week.

Under-8 panel: Peter Marriott, Daniel Sheridan, Stephen Troy, Kenneth Moore, Colm Curran, Shaun Crotty, Craig Flynn, Niall Murphy, Michael Daly, Johnny Barry, Thomas Denmead.

## LIAM O'DONNELL TOURNAMENT

We defeated Mooncoin in the Liam O'Donnell Tournament held on Saturday last at our club grounds. We would like to thank the Mooncoin Club for travelling up to take part.

## MINORS

The Minor footballers/hurlers have resumed preparations after the break from the exams. Last week at our own grounds there was a football challenge versus Fethard. Unfortunately the game was very much a one-sided affair. The Tipperary side showed the benefit of having played a number of championship games and we were unable to match their eagerness for the game and their team work. The club would like to thank J. J. Landers of Cappoquin who refereed the challenge.

An Foireann: Eoin Drummey, Damien Power, Sean Walsh, Shane O'Brien, John P. Healy, John Veale, Alan Kennedy, Shane Hayes, Seamus Cunningham, Keith Radley, Brendan Wright, Johnny Lynch, Ricky Tobin, Pat Veale, Raymond Kirby, Aidan Connolly, Eoin Murphy, Paul Power.

The Minor footballers' date with destiny is on Wednesday, July 21 with opposition being provided by An Gaeltacht. Abbey-side is the venue for this winner take all championship game.

## JUNIOR HURLING

On Sunday evening last at the Cappoquin venue we played Lismore in the Junior Hurling Championship. A number of players were unavailable for this game due to shift work etc. and we fielded a very young and inexperienced side. However Lismore proved too strong for us and ran out worthy winners.

## WEDDING BELLS

Congratulations to Dean Donnelly and Nicola McLoughlin who were married last weekend. Nicola is daughter of Maureen and the late John McLoughlin who was a much esteemed member of our club and is a sister of Michael McLoughlin who is a member of our Intermediate hurling and Senior football teams. We wish them both many years of happiness.

## SYMPATHY

On behalf of the club we extend sincere sympathy to the Lannen family on the death of their mother, Eileen. The deceased's late husband, Tom Lannen, at the time of his death was one of our Vice-Presidents and in a long and distinguished career served in a number of administrative posts and was also a selector on various club teams. The deceased's sons Paddy, Raymond, Killian and Shane carried on in the proud tradition of the Lannen family over a long number of years. Ar dheis Dé go raibh a h-anam.

## NEXT WEEKEND

# Sixteen SH Teams Set Out In Quest of Title

After a long and wearisome wait, all 16 senior teams, including 4 group teams will swing into championship action over the coming weekend and all going well and no drawn games resulting from the various contests, we can be ready for the quarter finals by Sunday evening.

Over the past couple of seasons with most of the attention being focused on the intercounty scene, there is a feeling that the interest in club championships is on the wane. I suppose that after all the hype and excitement of the Munster championship etc., it is difficult to get adjusted to the low-key stuff that comes behind.

At the same time a number of the games to be played next weekend should produce exciting contests and I have no doubt but that our club standards in these will be as good as one can get anywhere else in the province.

Mount Sion are the defending champions and they are the team they all have to beat. Some of the people who rate themselves (and maybe rightly so) as good judges of hurling standards will say that there are no more than four other teams who have prospects of knocking Mount Sion off their pedestal. All the others will try to disprove that they belong to the "also-ran" category and good luck to them if they succeed.

Since the publication of the fixtures programme, there have been a couple of adjustments to time, etc., so it is in the interests of patrons to consult the fixtures list published elsewhere.

## Gleann na Bride v Fagh A Ballagh

These group sides will clash in the first round at Fraher field on Saturday evening. I doubt if either will be in contention at the finish of the championship, but one will survive to the quarter final. I expect Gleann na Bride to win here as they have several strong intermediate and junior sides to select from. Their opponents hail from the rural side of east Waterford with Kilmachthomas/Ballydurn/Kill, etc. as their base.

Last season, Gleann na Bride were very well beaten by Mount Sion and Fagh A Ballagh, having defeated the Meaghers in the first round gave a walk over in the next. I see the result of this as being immaterial, but the western team may have the better chance of progressing.

Prediction — Gleann na Bride to win.

## Fourmilewater v Roanmore

This is the first S.H. championship tie between two clubs and it is rescheduled for Friday evening at Fraher field. On the list of fixtures this would not be described as a high profile contest but because of the perceived equality of standards, it should be close and interesting as well as being quite enjoyable. Many of the Roanmore side are approaching the veteran stage and for this reason I give the Pat Walsh led Fourmilewater side the better chance.

Prediction — Fourmilewater.

## Sunday Games

The remaining six championship ties are listed for Sunday.

## At Fraher Field Erins Own v Tallow

This is the feature game in the afternoon and I expect to see a splendid contest before a decision is reached.

I remember expressing regret last year when Tallow were drawn against county champions Ballygunner in the opening round. An easier draw would have given Tallow a fair chance to progress and with their nice brand of skilful hurling, it would have been good to see them lasting a while longer in the championship. The final score of 3-19 to 2-10 did less than justice to a splendid challenge from the western side. Erins Own in losing by 1-12 to 1-7 against Portlaw were not nearly as impressive and will have to improve on that display to have a chance of putting Tallow out. Prediction — Tallow.

## Passage v Gleann na nDeise

This is likely to be the first match in Fraher field on Sunday and by all accounts it has the makings of a splendid contest. The club team, Passage led by such well known players as county full back, Sean Cullinane, goalkeeper Ray Barry now back in the fold after a season with Ballyduff, will be a tough proposition for the western group team who are based around, Dungarvan/Abbeyside, etc. Last year Passage fared rather disappointingly against Lismore in the first round while at the same stage, Gleann na nDeise surprisingly accounted for the Colm Bonner led Dunhill. Not an easy one to call, but I give a chance to the group team to survive.

Prediction — Gleann na nDeise.

## At Walsh Park

Three matches are listed for the city venue and of these the Mount Sion versus Portlaw game will be the biggest attraction. The rivalry which existed between the clubs still lingers on and a few transfers from Portlaw to Mount Sion in very recent times, did not help to cool it, even though the rivalry is always sporting.

Portlaw defeated Erin's Own last year before losing by a couple of points to Roanmore.

Mount Sion with Tony and Tom Browne, Ken McGrath, Brian Flannery Michael White, Anthony Kirwan, Eoin McGrath, Paul Hammond and company helping them to stave off this challenge to their title, must be strongly fancied to make it to the quarter final.

Prediction — Mount Sion.

## De La Salle v Meaghers

Anyone who saw De La Salle play Lismore in the Sargent cup final three weeks ago, must surely fancy their chances of beating the Meaghers group team in this tie. Many people will wonder why the city group team, having conceded a walk over in the cham-

pionships last year, were allowed back in.

Prediction — De La Salle.

## Ballygunner v Stradbally

This is something of a David and Goliath clash, with Ballygunner being the odds on favourites to advance.

Stradbally returned to senior ranks last year after defeating Ballyduff east in the intermediate county final, but the task facing them here amounts to the biggest challenge of their hurling life.

It will be the shock of the nineties if Ballygunner, who surrendered their county title to Mount Sion last year and with Paul Flynn, Billy O'Sullivan, Fergal Hartley, Stephen Frampton, Rory O'Sullivan, Tony Carroll, etc., etc., on their side, are defeated here.

Prediction — Ballygunner.

## Ballyduff v Lismore

This is the match that everyone will want to see and like everyone else, I believe that it will be the outstanding game of the coming weekend as well as being one of the most memorable matches of the entire championship.

Ballyduff contested the county final against Mount Sion last year and are hoping to go the full distance on this occasion. The tragic death of Patsy Molumphy has certainly put a damper on things in a big way in the club, but nevertheless the lads will give it their best shot for the full hour against Lismore who recently defeated De La Salle in a thrilling Sargent Cup final. With so many of the county panel including Tom Feeney, Michael Molumphy, Dan Shanahan, Brendan Landers, Dave Bennett, etc., in action there is certain to be tremendous interest in the tie and I'm sure it will attract a very large crowd to Cappoquin on Sunday evening.

The splendid form shown by Lismore against De La Salle, if repeated here could be the deciding factor.

Prediction — Lismore.

## Comeragh Oil J.H. Championships

### Ardmore v Kilrossanty

This very interesting tie is scheduled for the Fraher field on Friday. Kilrossanty have been faring quite well in this championship in recent years but without outright success.

Ardmore are one of the growing powers in both codes with the tremendous work done at underage level, beginning to reach fruition.

It should be a cracker of a game and well worth seeing. Prediction — Ardmore.

### Geraldines B v Glen Rovers

The Mellary based team will be hoping for a break here against the Geraldines second team. It will be a difficult enough assignment as the Aglish based club seem to be well endowed with reserve players. Prediction — Geraldines.

### Minor Football Championships Start

On Next Wednesday evening all sixteen minor football teams will be in action in first round matches and on the following week, the board plan to play the corresponding championship in hurling.

## SYMPATHY

Our very sincere sympathy is extended to Mrs. Mary Molumphy and family on the recent tragic death of Patsy Molumphy, Ballyduff.

The late Patsy was a dedicated member of the Ballyduff club and had served in various roles on the administrative side. His five sons, Patrick, Michael, Tom, Edward and Stephen are all playing members of the club, with Michael, Tom and Stephen all having worn the county jersey. The club paid their final respects in the traditional G.A.A. manner at the funeral and burial. The county board was represented by its principal officers. May he rest in peace.

Our very sincere sympathy is also extended to the Lannon Dalton family, Dungarvan on the recent death of Mrs. Eileen Lannon. The family have had a very long association with the G.A.A. in Dungarvan and with the county. Eileen was wife of former Munster Council representative, Tom Lannon and was sister of Terry Dalton who served the county in many roles including county senior hurling selector for a number of years. May she rest in peace.

# Waterford Junior Footballers Take Munster Title In Exciting Final

Those who were present in Semple stadium on Thursday evening last felt that they were witnesses to a bit of history in the making when watching our junior footballers bridge a gap of half a century by defeating Clare in a tremendously exciting Munster junior football decider.

**WATERFORD 0-9  
CLARE 0-7**

PICTURED ABOVE IS THE WATERFORD JUNIOR FOOTBALL PANEL MUNSTER CHAMPIONS 1999

PHOTOS BY KIELY PHOTOGRAPHY

The junior football championship has never been a high profile competition and rarely does it produce top class football, but for a title starved county like ours, this was a big occasion and the twelve hundred, or so supporters who travelled in support got good reason to celebrate when the final whistle ended that put us into the record books for the second time this century.

Clare had gone into the game as hot favourites following their recent win over Kerry and also because their side included such players as Dermot Coughlan, Colm Clancy, James Hanrahan and a few others who had helped Clare defeat the mighty Kerry in the senior Munster final in 1992.

The result, unexpected as it was, brought Water-

ford level on results.

They have now met on no fewer than 18 occasions since this championship was inaugurated in 1910 and now they each have 8 wins and 2 draws to their credit.

The standard here could hardly be described as top class, but no one could fault the game as a contest. They were level on three occasions and at no stage was there more than two points between them.

Over the hour, and particularly in the early stages, Clare had most of the play, but failed to capitalise on possession and on their shooting for points they had 13 wides in the game while we had only 3. At the same time we certainly created more goal scoring chances and missed three opportunities which should have been goals. Our sup-

port outnumbered that of Clare by about six to one and I felt that the great vocal support had a motivating effect on the players. After the final one player stated openly that the supporters gave them great heart.

Waterford have now qualified to play Roscommon on next Saturday week (July 24th) in the All Ireland semi-final at a venue to be named (probably Portlaoise). On the same evening, Meath will play Warwickshire in the other semi-final. The All Ireland will be played two weeks later.

**PLAY**

The game started five minutes late due to an amount of some unnecessary messing around.

Clare were first to attack, they were also second and third to attack, but this

yielded nothing as the ball was kicked wide each time they attempted to score. In the 5th minute Connie Power hit the upright and we missed our first score. When Waterford were awarded a free in the 11th minute, P.P. Ferncombe shot straight between the posts for the first of his six points. Two minutes later P.P. was once again on target to put us two points ahead of the favourites who by now were beginning to realise that this Waterford team were going to be a difficult bunch to handle.

In the 15th minute Clare were awarded a free and corner forward Ronan Slattery opened their account. They were playing with a stiff breeze.

Derek Wyse missed an open goal chance, Jacko Kiely was brought down outside the small square and P.P. in top shooting form again, was on target for his third point

Colm Clancy scored Clare's second point just on the 26th minute and this was the first score from play in the final. Brian Shanahan pointed to bring the sides level in the 28th minute and after fluffing a chance to go in front after missing a free in front of goal, Waterford mounted an attack during which Connie Power pointed to put us ahead by a single point - 0-4 to 0-3 just on

halftime.

**SECOND HALF**

After 2 minutes Connie Power put Waterford 2 points in front. Clare attacked and substitute Ronald Russell brought one back for Clare and then just on the 37th minute Brian Shanahan levelled the game for Clare at 0-5 each. Then in the 43rd minute Connie Power was on target to put our side back in front. Centre forward Michael Carney levelled the game again with a splendid point. P.P. missed a free, but made no mistake in the 51st and 54th minutes when converting placed balls to make it 8 points to 6 with time running out. A thousand voices from the old stand urged Waterford on and one could sense the awful thought that we might lose the final in the final minutes. Brian O'Donnell narrowed the gap to just a single point, but in the resultant fight back, Connie Power sent over to restore our 2 points lead. A "45" to Clare gave them a last chance — it yielded nothing and to the delight of our supporters, the final whistle blew.

Waterford team captain, Alfie Kirwan accepted the trophy from Munster Council Chairman, Sean Kelly. This was a unique occasion as it was the first time that Waterford were presented with a trophy for

football. There was no trophy in 1948.

It was not a spectacular game of football, but every man on both teams played their hearts out for all of the sixty minutes

**Waterford** — A. Kirwan, D. Ryan, R. Power, M. Byrne, N. Geary, P. Walsh, A. Reynolds, S. Bergin, C. Power, C. Power (0-3), K. Walsh, D. Whelan, P.P. Ferncombe (0-6) J. Kiely, D. Wyse. Subs. played — Alan Power, Ger Walsh, P. Queally.

**Clare** — K. Walsh, G. O'Leary, D. Coughlan, N. O'Grady, K. O'Neill, N. Griffin, D. Marrinan, P. Rouane, B. O'Donnell (0-1), M. Carmody (0-1), G. Quinlan, R. Slattery, (0-1), C. Clancy (0-1), B. Shanahan (0-2), Substitute — D. Russell (0-1)

Waterford team manager John Kiely described the game as a super effort by the players and it was a pleasure to work with them. He said with the kind of dedication and commitment they showed in the lead up to the Munster final, we have every reason for feeling hopeful of beating Roscommon. The panel are back in training this week.

On the down side I must add my voice to the many who complained about the inordinate delay in selecting the team for the final. Withholding the selection of the team until 48 hours before a provincial final is not on.

# Under 21 Hurling v. Tipperary At Walsh Park Tonight

A few thousand people are expected to turn up at Walsh Park this evening for the eagerly awaited under 21 semi-final clash between Waterford and Tipperary. Having won the Munster and All Ireland minor hurling title three years ago, the

visitors will be hot favourites to qualify for yet another provincial final in the grade. They have 14 titles and Waterford have just three (1974, 1992 and 1994).

Waterford selectors named their team over the weekend

and on paper at least it looks to be a strong team selected from the talent available. An amount of training has been done and several good challenge matches have been played. Injuries have been a problem in training and the mentors are still unsure about the fitness of Gary Cullinane who will fill the fullback berth if declared OK on the night.

Being the outsiders and with huge support, Waterford will give it a lash and who knows what might happen. I see us with an outside chance of defeating Tipperary. To achieve this would do a lot to remove the gloom which descended on the county after our defeat by Cork in the senior semi-final. Tipperary need something to lift the gloom also and they will make it very difficult for us.

The substitutes will not be announced until later.

**ABBEYSIDE SUMMER CAMP** — Waterford dual star Peter Queally with some of his admirers when he visited the Burgery last Thursday. The response to this years camps is tremendous with one hundred and ten children at Abbeyside. The four young lads are well togged out in Waterford's strip and were delighted to meet one of their heroes.

## LAST WEEKS EVENTS - HUGE CROWDS AT DUNGARVAN AND ABBEYSIDE HURLING CAMPS

Over two hundred children attended at Dungarvan and Abbeyside Summer Hurling Camps last week. In Dungarvan, club chairman Paddy Fitzgerald was on hand on Monday morning to make sure everything was spot on. We had some excellent hurlers and camogie on view and the 9/10 year old groups were exceptionally skilful.

### VISITORS

Star Waterford goalkeeper Brendan Landers dropped in during his lunch break and the children had great fun taking shots of him. Tipperary dual star Declan Browne was our visitor on Tuesday and he was excellent with the children. He surprised us all by telling us he never played hurling in Primary school, it wasn't a hurling school. Brendan and Declan will face each other in Walsh Park tonight.

We went out the Burgery on Wednesday and we were shocked with the crowd of eager children. Felix Shields, Matty Hogan and Timmy Organ looked after us here. A special word of thanks to our old friend Matty Hogan for his great help on Friday. Peter Queally was our visitor on

Thursday, he was to star for Waterford Junior Footballers later that evening. Both clubs are to be complimented for having the pitches in such condition. We had some great little characters during the week particularly Megan and Sorcha Hurley and a real bundle of energy in Zoe Scanlon. Besides the two full time coaches we had excellent coaches in Karen Murphy, Paul Ahearn, Willie Kiely, Sean Walsh, Adrian Cleary. Each one these of these had completed a foundation level course during Transition Year in their schools.

Fun and enjoyment are the main ingredients in the camp and we are certainly having that. Clubs should try and have at least one responsible person to supervise at lunch time and make sure bins are available for litter.

### WLR'S VISIT

WLR's GAA correspondent Jim Landers was a surprise visitor to Dungarvan camp on Wednesday. This was a nice touch by J.J. and his little chats with the children was very good on Friday evening programme. WLR have always been a great help to everyone in this coaching scheme.

Next we start two weeks holidays. Next camp Ardmore 3rd August.

# Selection Committees

This is an item listed on the agenda for the postponed July meeting of the county board and the notification to club secretaries has given rise to some speculation about the reasons for dealing with the matter at an earlier than usual stage of the season.

There is a possibility that Waterford will have gone out of contention in all championships by July 26th which is the date of the meeting and that then, the way will be clear to appoint team handlers.

There are reasons for and reasons against doing this. Appointing selectors and managers at this stage will give them a chance to monitor the talent in the club

championships, etc. On the other hand appointing them too early would lead to panels being formed and training being organised far too soon. At the same time it is a good idea to have the item listed and to give all board members an opportunity of assessing the performances of the various committees. If such a debate was allowed it would give the ordinary members a chance to express an opinion about the policy of postponing championship games in all grades for a long period in order to protect county panel members from possible injury. The size of county team panels too, has been the object of criticism. The bigger the panel, the more clubs are

affected. This can be very annoying as it is absolutely certain that more than half the substitute panel will not be called upon to play. The matter of deferring the selection of teams for intercounty championships on the pretext of injuries, etc., etc., is a matter which should be taken up by delegates as that kind of hesitancy does not inspire confidence. I'm sure there are other aspects of selectorial performances and management that delegates will like to talk about if a debate is allowed to develop. It is always better to discuss such matters before selectors are appointed.

## Ken McGrath Honoured

Ken McGrath has been named as the WLR/Lawlors Hotel Sports Personality for June and was present at Lawlors Hotel with members of his family, to receive his award last week.

The very popular Mount Sion man must surely have been short-listed for awards of this kind since he came to prominence as a hurler seven or eight years ago.

His tremendous display against Limerick followed by a great performance against Cork in the semi-final, made him the worthy recipient of the distinction in this case.

# JUNIOR HURLING RESULTS

## J.H.C. Clashmore 2-12 Ballinameela 1-5

It was a splendid first half with Ballinameela pushing the hot favourites all the way. A 10th minute goal by Seamus O'Rourke gave a lift to Clashmore who went five points clear, but a William O'Brien goal for Ballinameela narrowed the gap to a single point, but at the break the score stood at 1-7 to 1-4.

A feature of the game was the point scored by

Matt Fogarty for Ballinameela from just 90 yards out after a 65 had been awarded. The ball was mistakenly placed on the wrong line, but it was no bother to the taken.

In the second half, the Ballinameela challenge faded and they managed just one point. Clashmore who certainly gave a stirring display of hurling had their second half goal scored by Seanie McGrath.

J.M. Kelly was referee.

## Geraldines 1-15 Modeligo 0-6

I have seen more impressive displays from the Geraldines, but just the same they did all that was required of them to stamp their authority on this game and win comfortably in the end. Modeligo never gave up trying and must be given credit for contesting every ball, even when fighting a lost cause.

Referee P. Walsh.

## Other Results

Abbeyside B were defeated 2-13 to 1-10 by a lively Clashmore side on Friday evening but on the following evening, Abbeyside's second string team scored a decisive 2-12 to 0-8 victory over Fourmilewater, also in the junior hurling championship.

Also in this J.H. championship, Stradbally defeated Ballyduff, Tallow defeated Cappoquin and Brickey Rangers had a 3-14 to 2-2 victory over Old Parish.
