## Narrow Escape For Mother In West Waterford Abduction Attempt

Gardai are still searching for a man who tried to abduct a young mother in West Waterford last week. The man tried to force the woman into a car as she shielded her four month old child. The attempted abduction took place in broad daylight at 1.30 p.m. last Tuesday, August 17th on the Midleton road about 200 yards outside Tallow.

House to house searches in the area have been carried out in the past week and a full investigation is still ongoing.

Gardai believe the attacker targeted the woman because she would find it impossible to escape with her daughter. The woman, who is in her 20's, was walking near the village of Tallow when the suspect, who was driving a

red Opel Astra, stopped and asked her if she wanted a lift. She refused and he then tried to drag her screaming into his car. The woman's baby, who was in a buggy, was not hurt in the incident.

The man only fled when an elderly motorist slowed down and asked the woman if she was all right after seeing she was in distress. After the abduction attempt, the attacker sped off in the direction of Midleton.

The alert passerby however continued without stopping and Gardai in

## Motor Cycle Escapee Charged

A motorcyclist who, it is alleged, passed through a Garda checkpoint at high speed near Moonamean on the N25 managed to escape handcuffed from custody last Saturday morning.

The man, who is from the Newcastle area of South Tipperary was driving a stolen motorcycle with a pillion passenger on board when he passed through the checkpoint on the main Waterford/Cork road at very high speeds. The Garda operating the speed checkpoint subsequently gave chase and the motorcyclist left the main road before eventually crashing.

The pillion passenger was taken to Cork Regional Hospital while the driver was arrested and handcuffed at the scene. He managed to make good his escape however and was at large in the Ardmore/Grange area for a number of hours before he was detained by Gardai.

The man appeared at a special court sitting in Carrick-on-Suir last Monday night where he was charged on two counts of dangerous driving, unauthorised taking of a motorcycle and escaping from lawful custody.

He was due to appear again at a sitting of Clonmel District Court last evening (Tuesday).

**DUNGARVAN CREDIT UNION****QUESTIONS AND ANSWERS****Q. — WHAT IS LOAN PROTECTION INSURANCE?**

**A. —** Loan Protection is insurance the Credit Union takes out on its borrowing members. Like Life Savings Insurance the Credit Union pays the premium, so there is no direct cost to the individual member. Every member, who takes out a loan is eligible for cover, provided they: —

The Tidy Team was formed in the school year of 1996/1997 and consisted of 15 girls, pupils of the Convent of Mercy Primary School from 5th and 6th Classes. Under the Leadership of a member of the Cappoquin Community Development Company, Tom Hackett and with the encouragement of teacher Maire Kearney the team met weekly to clear out streets of litter. Yellow jackets and pikka sticks for this purpose were provided by Waterford Council. The team's efforts were rewarded by the award of Best Environment Project 1997. A number of members departed to secondary education in 1998 and new and younger members came forward. Members ages range from the youngest at 5 years to the oldest at 13 years with a total strength of 18 members.

The team assists in the daily clean-up of their school area and with the Team Leader carry out a litter clearance programme on our streets on Saturday mornings. This video is intended to focus attention on the team's efforts and to promote a sense of environmental awareness. Fund raising to defray production costs is being carried out by team members with the help of 3 students from the Convent Secondary School.

The team will have an entry in this years Environmental Award Scheme.

**KNOW YOUR RIGHTS****QUESTION**

I am getting a Carer's Allowance and have been offered 10 hours work per week. Will earnings from the 10 hours work be assessed as means?

**ANSWER**

The Carer's Allowance Scheme has recently been expanded and improved to enable people in receipt of Carer's Allowance to do up to 10 hours work per week and still maintain their allowance.

A carer may attend an educational or training course or take up voluntary or community work for up to 10 hours per week. They may engage in limited self-employment from home or employment outside the home for up to 10 hours per week but these earnings will be assessed as means. The work must first be cleared with the Department of Social Community and Family Affairs and during the absence, adequate care for the person requiring full-time care and attention must be arranged.

From August, 1999 up to £75 for a single person and £150 for a couple will be disregarded in the assessment of earnings.

All carers who claim a Carer's Allowance must satisfy certain conditions of award. If you need more information about these conditions you should contact The Carer's Allowance Section, Department of Social Community and Family Affairs, Aras Mhic., Dhiarmade, Dublin 1. Tel.: (01) 8748444 or your nearest Citizens Information Centre (list in Golden Pages).

### Where Do Butterflies Go When It Rains?

When it starts to rain, butterflies settle on the stems of flowers or stalks of grass. They hang with their heads downwards and their wings folded together over their backs.

When the wings are closed it is very difficult to see the butterfly because the undersides have pale colours and faint patterns. There are up to 10,000 known

species of butterfly. They are all different sizes, ranging from less than an inch to the swallow-tails which live in north Australia and the Pacific islands and have a wing span of 10 inches.

The majority of female butterflies have less colourful wings than the males of the same species. The female lays between 100 and 3,000 eggs according to the species. She lays them on a plant which will feed the caterpillars when they emerge

from the eggs.

From the egg to butterfly, the caterpillar goes through a stage. It becomes a chrysalis from which a grown butterfly emerges. The butterfly may only live a few weeks, but some butterflies hibernate.

Butterflies like to eat the nectar of plants and sweet juices. They get the juices from over-ripe or rotting fruit. The food provides energy for them to fly but is not used for body-building. Any growth that takes place in the butterfly's life occurs at the caterpillar stage.

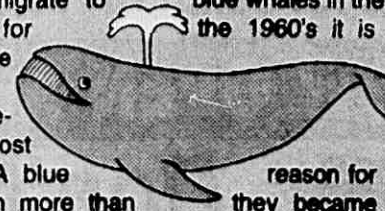

### Where Are The Largest Animals Found?

The largest living animals are the blue whales. They are found in most parts of the world from the polar caps to the Equator. Those who live in the colder seas normally migrate to warmer waters for the duration of the winter.

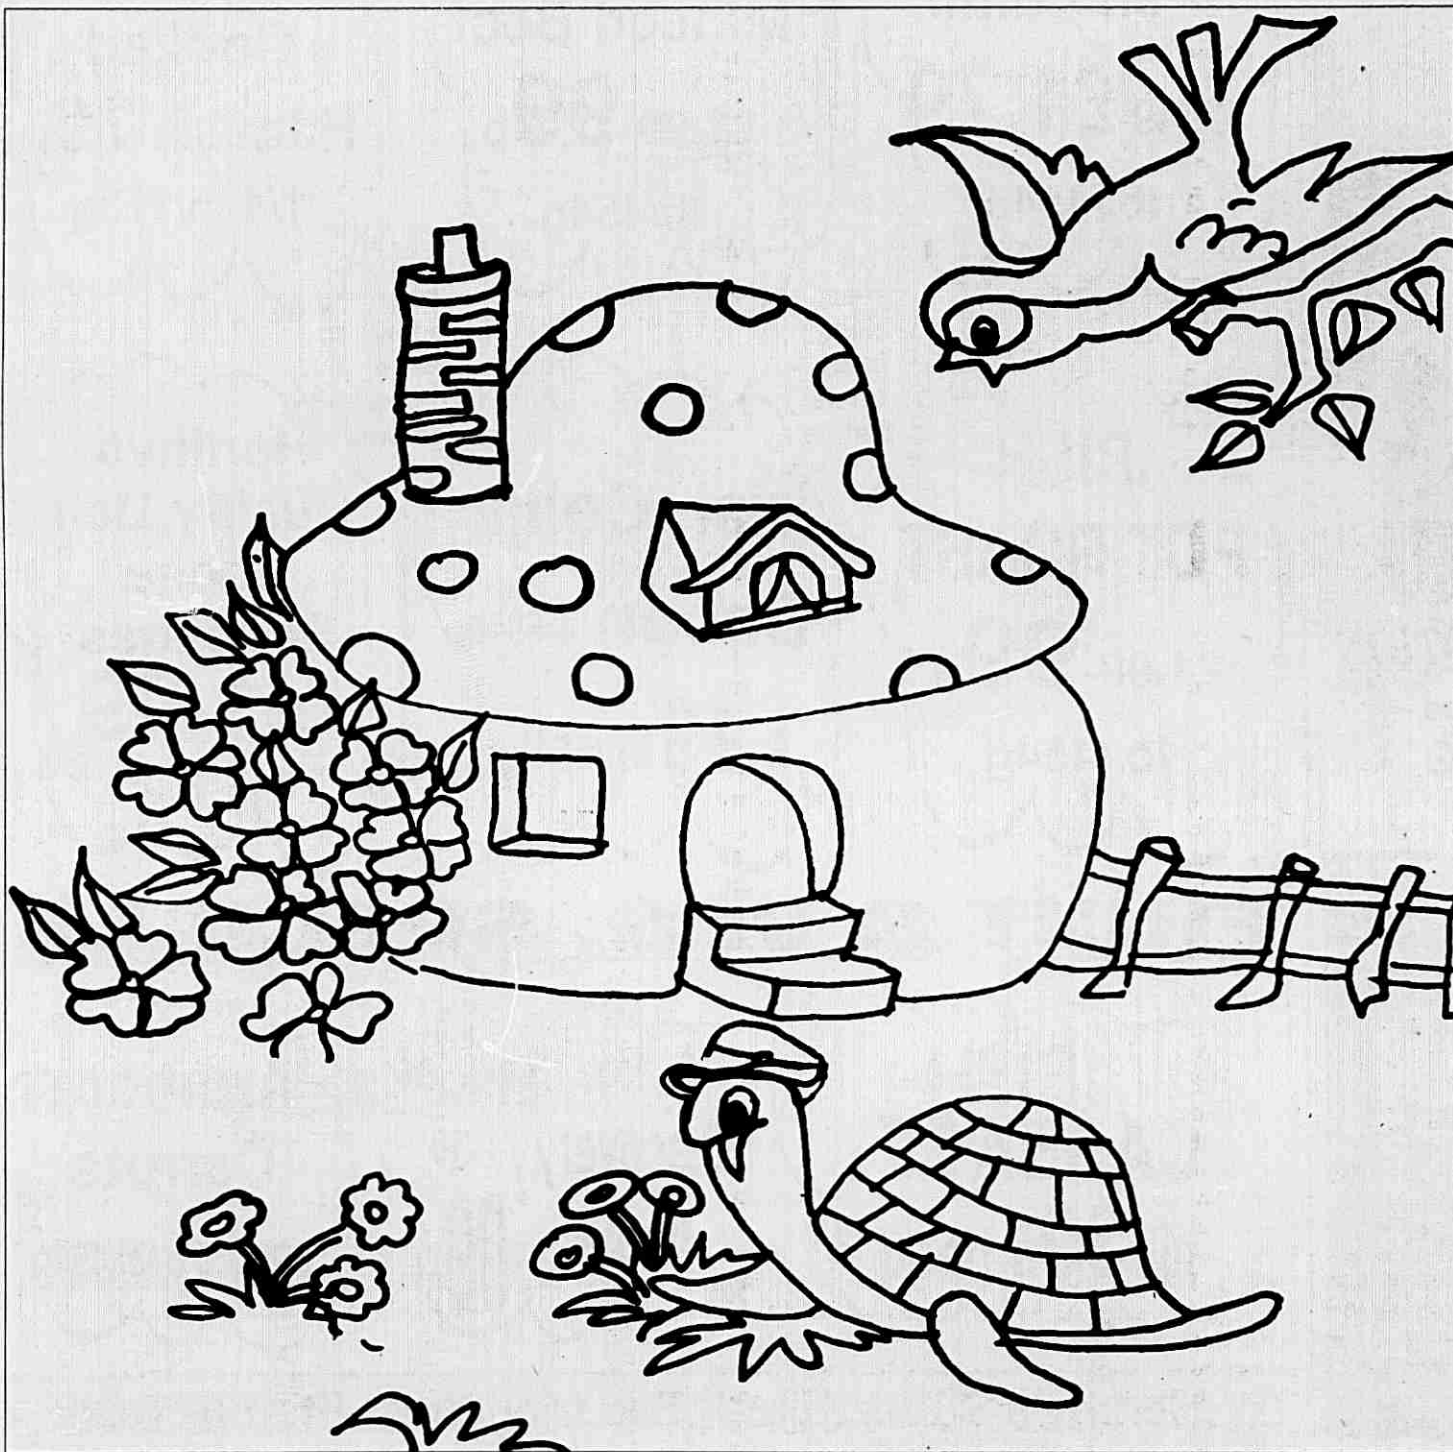

Their measurements are almost beyond belief! A blue whale can weigh more than 200 tons and some have been found to measure over 100 feet

in length. The tongue alone in a female whale found in Antarctica can weigh over four tons.

In the 1930's it was estimated that there were nearly 40,000 blue whales in the world, yet by the 1960's it is thought that there were fewer than 1,000 alive. The reason for this was that they became popular victims for the misdirected efforts of over-enthusiastic hunters.

# Support For Senior Ladies Seen As Vital

The upcoming Waterford and Monaghan clash in Parnell Park in Dublin on Saturday week next in the Bank of Ireland All-Ireland Series is set to be a close and tense encounter with not much more than the intensity of the support on the terraces dividing the teams.

Anyone who has witnessed any of the many clashes between these two counties at senior level over the last few years, will know that they are not for the fainthearted. For many last year's televised final and replay were their first brush with the ladies game and they could not fail to be impressed with the quality of the football which was on show on the occasion.

The Waterford defeat of Cork last Sunday week in Fraher Field was a treat to watch and if there is anyone who is yet to be convinced that ladies football at that level is a spectacle in its own right, they should get hold of the All-Ireland tapes, or better still, be in Parnell Park to see them in action against Monaghan.

This Waterford team is trained, coached, focussed and committed and all they

need now is an appreciative and supportive following to raise their game an even further few percent.

"We take each game at a time", says Waterford Manager/Trainer Michael Ryan, "and each gets tougher the further we go in the campaign. We could not underestimate the power and skill of Monaghan and the level of encouragement we get from our supporters will be vital. The middle of the pitch can be a very lonely place so it's good to know that there are people on the terraces who care enough to have travelled to cheer us on."

"The girls will give it their all on the field," he pledges, "we will support them from the dugout but a sea of blue and white and lusty cheers from the stand would be a massive boost."

He makes the point that the final margin between the teams in the recent Mens Junior Football Final success may well have been the support of the Waterford crowd. When the team needed a lift to get that vital equalising point and then the magical winner, it was the shouts of the crowd which spurred on

the players at the crucial time.

Bank of Ireland's Geraldine Kane is in no doubt that newcomers would enjoy the game and accept it for the rich spectacle that it is.

"The televised games last year opened people's eyes to the quality of Ladies Football", she says, "and I know that the game has gained a good many extra supporters, especially men, after they had seen what was on offer. It is no longer seen as merely an offshoot of the mens game but a sport in its own right with great potential for entertaining a crowd."

She says that Bank of Ireland have been delighted with the growing interest in Ladies Football and are pleased that together they have expanded the game, enlarged its support and helped to lay the foundations for a very bright future for the sport.

No one who was in Croke Park for either game last year would disagree and it is expected that the 15,000 capacity of Parnell Park will be tested next week. With both semi-finals being played the same day, this will be the first opportunity

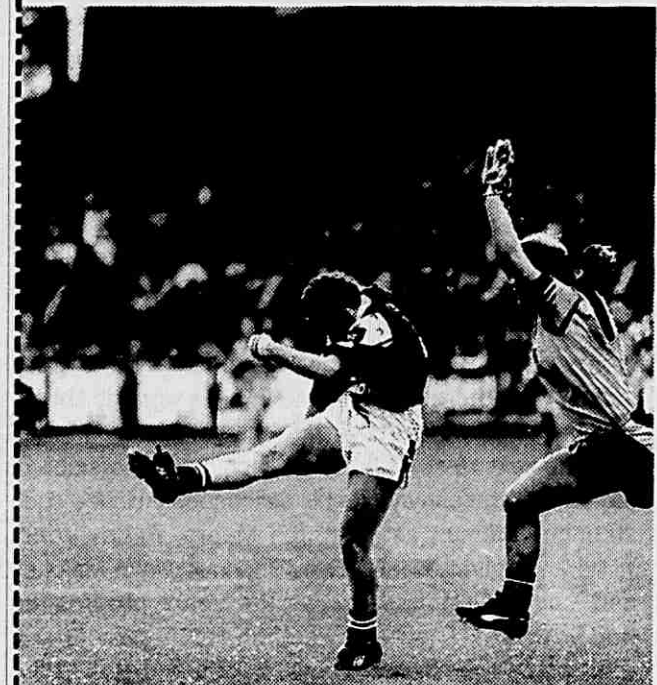

people will have had to see the four top teams together. With the record which Waterford and Monaghan each brings to this encounter and the added incentive of a quest for retribution for the Minor girls' defeat and the controversy surrounding it, the forthcoming semi-final should be a showpiece of the game. Waterford's fortunes in Gaelic Games have risen considerably over the last few years and contributing more than their fair share to that success story have been the Déise ladies whose teams have registered numerous victories in championship and league campaigns at all levels.

In relation to their senior team, that would be an understatement indeed as they have contested eight Munster Finals and five All-Irelands since 1991, garnering five national titles in those years. That success has not come easily but is a result of careful planning, dedicated training and committed play by a group of women and men who have helped bring the code to national prominence and national television by sheer skill and commitment.

Paddy Dower and his wife Ann Dower of Mitchel Street, Dungarvan pictured with their family and family relations, who gathered together in Lawlors Hotel, Dungarvan recently to celebrate the couples Golden Wedding Anniversary.

## LATE BILL RYAN — AN APPRECIATION —

Most clubs can look back on the folded page of history and recall the exploits of great, exceptional players. Players who have contributed handsomely to important victories and great occasions. Bill Ryan fits readily into that category.

Born in the twilight of 1920, the same year as another great sportsman Christy Ring, Bill has earned his place in Fourmilewater hurling club's hall of fame. In a career spanning the late thirties, forties and early fifties, he earned the respect of colleagues and opponents throughout the county with outstanding performances, great leadership but above all, superb sportsmanship.

His championship debut came in 1939 against Abbey-side in Dungarvan and although the game ended in defeat, the next 16 seasons saw Bill on the cornerstone of the club. In the early years his colleagues included such staunch clubmen as John Joe Moore, Paddy John, Willie and Johnny Grant, Tom Fitzgerald, John Moloney and Paddy Ormonde and as the years progressed Paddy Halpin, Liam and Eamonn Ryan, Billy Grant, Mickey and Dan Desmond, Kieran O Ryan, Ned Sheehan and many others joined him in the fray.

His display against Brickey Rangers in Modeligo in 1943, versus Eire Og in Cappoquin in 1951 and two epic clashes against Brickey Rangers and St. Mary's in 1953 will rank amongst his finest hours. But, in truth, he had many fine hours.

Tussles with worthy opponents have often been recalled but the consensus amongst friend and foe has always been that Bill was a great player.

He played intercounty hurling and football for Waterford and also served the Nire Football club with distinction, the winners of the County Junior title in 1942 being perhaps the highlight. Two great hurling clashes against Ballyduff in 1953 will also be recalled when the reds inspired by Mick Beecher win the replayed Western Final - a game that inspired Beecher to say "Ye'll make it next year".

Make it they did as Fourmilewater defeated Colligan, Brickey Rangers and then Tallow in the Western Final. His last game for the club was the 1954 County Final against De La Salle and although it wasn't crowned with a county medal as De La Salle took the honours, it certainly wasn't Bill's fault. Bill subsequently retired and when Fourmilewater win their first county title in 1955 nobody was happier than Bill.

He served as club secretary in the late forties, as selector, fundraiser and finally as a great supporter. When we were researching the club history in the late 80's, our travels took us outside the area and we recall the many individuals who referred to Bill Ryan and his prowess on the playing fields.

The huge crowd that turned out at his removal and burial spoke for itself much more so than any penned tribute can tell. One of Fourmilewater's greatest sons has gone to his reward. To Madge, family and extended family goes our deepest sympathy. His loss is great but the many great memories of his life and times are a mighty consolation. A great gentleman, may the heavens be his bed.

—(M. Ryan)

## Traffic Management At Ring

Significant improvements in traffic safety are set to be implemented in the Helvic, Baile na nGall and Maoil a' Choirne districts in the Ring Gaeltacht.

Welcoming the news, Cllr. Fiachra O'Ceilleachair said works to address concerns about safety of children and pedestrians in general were long overdue.

"I'm delighted that bu-

reaucratic difficulties were ironed out so that the main road white line now avoids the residential cul-de-sac at Helvic and now guides traffic into the car-park and quay entrance. Following recent resurfacing, further traffic warning is in mind. The material is now in the possession of the Council crew for the brick cushioning traffic calming meas-

ures in Baile na nGall vil-lage. Parents of young chil-dren in that area have been waiting a long time for this promised work. I'm told the Council is agreeing a coun-tywide list of speed limit proposals with the Garda authorities, with a speed limit for Maoil a' Choirne being a priority in that package. Given the long wait for something agreed

in principal some time ago, I hope it's in place as soon as possible. All three of these most densely populat-ed areas of the Ring/Old Parish Gaeltacht have had anxious times particularly during busy summer months. One hopes these works will proceed as quickly as possible to alle-viate validly held and well expressed concerns."

Icing sugar to dust.

Preheat the oven to 130°C/250°F/Gas mark 1/2. Line a baking sheet with baking parchment or greaseproof paper.

Draw a 23 x 10cm/9 x 4in rectangle. Whisk the egg whites in a large bowl until very stiff. Add half the sugar, 1 tbsp at a time, whisking well after each addition. Add the remaining sugar and

whisk again until smooth and glossy.

Fold in the cornflour, vinegar and vanilla essence. Spoon the meringue on to the prepared baking sheet and spread to the shape of the rectangle. Make a slight hollow in the centre to hold the filling.

Bake in the preheated oven for 1 1/4 hours or until crisp. Leave to cool slightly. With the lining paper still on, transfer to a wire rack to cool

completely.

Place the cream, kirsch (if using) and icing in a sugar bowl and whip until cream holds soft peaks.

Peel off the lining paper and place meringue on a serving plate. Spoon the cream into centre of the pavlova and swirl with a spoon.

Arrange the kiwi fruit, mango, pineapple and grapes on top. Halve the passion fruits and spoon over the seeds. Dust the top with icing sugar.

2 carrots, chopped  
1 zucchini, thinly sliced  
100g whole green beans, halved  
2 celery sticks, thinly sliced  
3 x 15ml sp olive oil  
1 1/2 quarts vegetable stock or water

Check the seasoning and serve hot, sprinkled with fresh parsley and parmesan cheese, if desired.

#### GINSENG or PANAX

GINSENG is the most famous Chinese herb of all. It has been prized for the remarkable therapeutic benefits for about 7,000 years. An Arabian physician brought Ginseng back to Europe in the 19th century, yet its ability to improve stamina and resistance to stress became common knowledge in the West only from the 18th century.

In Ireland, Ginseng is viewed not so much as a medicine, but as a life-enhancing tonic. It's useful for those coping with stressful events, such as taking exams, and for people subject to physical stress like athletics and hard workers.

## Progress Sought On Affordable Housing Scheme

Local authorities throughout Co. Waterford are being urged to follow the example of Carrick-On-Suir U.D.C. who are currently proceeding with an initial sale of ten houses on land available to them under the new affordable housing scheme.

Commending the Carrick-On-Suir initiative, Cllr. Fiachra O'Ceilleachair says their decision to seek qualifiers to purchase their own house at a significant discount from the market value of comparable houses in the area is an important move in alleviating difficulties being encountered by young couples with the housing market. Cllr. O'Ceilleachair is pressing both Waterford County Council and Dungarvan U.D.C. to identify lands suitable for the implementation of similar ventures in West Waterford.

"Under this scheme houses are offered for sale to low income households and tenant/tenant purchasers at cost price. There is 95% mortgage finance provided by the local authority, available at favourable rates. A subsidy is available for households with incomes of up to £16,000. A £3,000 house grant is available to first time purchasers. The maximum income in question is under £20,000 for the year ended April 5, 1999. Effectively participants are given a chance to purchase their own home for £65 a week, based on a mortgage of £65,000 with an income of less than £16,000 getting a weekly subsidy of £19. A variable interest rate of 4.52% including mortgage protection is also available. I know of plenty of people throughout West Waterford who would love to avail of this scheme."

26 staff from Bank of Ireland, Waterford graduated recently with a Certificate in Investment Advice. They are part of the 1,606 staff who, in their own time, successfully undertook the year long certificate programme, organised by Bank of Ireland in association with The Institute of Bankers. This will enable staff to provide professional advice to customers on a wide range of Savings and Investment options.

Bank of Ireland has recognised that the Savings and Investment market has dramatically changed in recent years. With the drop in interest rates to historically low

levels, depositors have seen their potential return halved and should now consider alternative investment options which will offer the potential of better returns for their money.

Freddie Hatton, Manager said "I am extremely proud of our new graduates and am confident of the contribution they will make in offering high quality savings and investment advice to our customers. I believe that quality advice is an important customer need, particularly relating to savings and investments where each customer has his/her own specific requirements which can

include short term savings, a need for capital growth or income generation".

The Certificate in Investment Advice Programme, covers a wide range of savings and investment options including cash deposits, Government Bonds, equities, pensions and portfolio planning. So, if you have any questions regarding any of the areas listed above or would like further information on savings and investments in general why not call in and talk to one of our newly qualified Savings and Investment Advisers at your local branch of Bank of Ireland.

**Grower's Guide To Sweet Peas**

**A GREAT BUNCH: Sweet peas grow easily - and look great**

AS plants go, sweet peas aren't too fussy, yet gardeners everywhere struggle to achieve impressive blooms.

Sweet peas are frost-hardy plants which enjoy fertile, well-drained soil in full sun. They are not to be confused with the sweet pea shrub which should be planted in light, well-drained soil in a sunny or part-shaded spot, or the sweet pea bush which needs light, well-drained soil in full sun.

One of the most common mistakes to make is not to realise which type of sweet pea you are attempting to cultivate.

**SWEET PEAS**

Sweet peas are native to Italy but the original plant has been much improved on by gardeners. They are vigorous climbing annuals, grown usually for their sweet scented flowers.

The flowers grow in a wide range of colours - blue, brown, white, cream, pink, orange, mauve, lavender, maroon and scarlet - and make excellent cut flowers. The plants usually grow to about 1.8m or 6ft or more in height, although there are dwarf and non-climbing cultivars available.

Climbers will need support such as wire netting or lattice. They are ideal for covering sunny walls or fences.

Sweet pea flower in the summer and prefer small hedge or screen gardens.

Dead flowers should be removed regularly. The plants may be affected by mildew and the fungal disease botrytis.

**Sweet pea bush:**

This species grows to be a rather open, small tree about 3.5m or 12ft high and nearly as wide.

The silver-grey foliage is as much a feature as the masses of pink flowers.

This is an undemanding and reliable plant in mild climates.

This type of plant thrives in a seaside garden (or similar coastal conditions), in a sunny or semi-shaded position.

A light trimming after flowering keeps the bushes compact.

**SWEET PEA SHRUB**

The shrub is a hybrid of two South American species and bears soft magenta flowers almost non-stop in mild regions.

It forms a mound about 1 to 1.5m tall and wide and has slender, light green leaves. It may become bare at the base. It will tolerate shearing to encourage more dense growth. This should be done after the main flowering has finished. These shrubs are suitable for pot culture.

### THE FUTURE DIRECTION OF IRISH FARMING

#### Part 2: Farm Investment

Capital Allowances For Pollution Control, Dairy Facilities And Animal Welfare

In the four year period 1994-1997, £645m was invested by farmers in farm buildings. Most of the investment now required is related to environmental protection and new standards and as such will not yield an increased income to the farm family. The investment required cannot be funded from declining farm incomes. Total on-farm investment as a percentage of income has increased from 22.5% in 1993 to 34% in 1997.

The restriction on capital allowances is severely affecting farmers who have to undertake on-farm development work to control pollution, to upgrade their facilities to comply with the EU milk hygiene regulations or to meet new animal welfare regulations. The current rules on capital allowances for on-farm investment need to be changed. The special depreciation rules introduced for three years from April 6, 1997 extends the normal writing down period from 7 years to 8 years and places a limit of £20,000 on expenditure for the farm pollution control allowance. Furthermore the special 50% allowance can only be taken in the first year as no part of the special allowance can be carried forward to other years. These restrictions should be changed.

### PUBLIC CAPITAL PROGRAMME AND FARM INVESTMENT

In the programme for Government "An action Programme for the Millennium" the Government undertook to restore the Control of Farmyard Pollution Scheme (CFP) and to put in place a new scheme to encourage on-farm investment. The re-allocation of £20m within the structural funds for the CFP scheme and the allocation in the last 1998 budget will be used on meeting existing commitments under this scheme. The level of funding will be grossly inadequate, having regard to the scale of new investment which must be undertaken.

While the overall public capital expenditure for the agricultural and food sector has increased since 1994, the level of net Exchequer capital expenditure allocated for the Department of Agriculture has declined.

#### ICMSA PROPOSALS

1. It is essential that worthwhile Control of Farmyard Pollution and the Dairy Hygiene Improvement Schemes are re-introduced as a matter of priority and that these schemes are properly and adequately funded.

2. Exchequer capital expenditure for the agricultural and food sectors should be increased by at least £30m for 1999 in order to provide funding for the reintroduction of CFP, Dairy Hygiene and other on-farm grant schemes.

### THE COST BURDEN IN IRISH FARMING

Irish farming and the food sector accounts directly for 33% and net foreign earnings. Given the high level of export from the sector and its importance as a generator of foreign earnings, the cost competitiveness of Irish agriculture must be a key consideration in public policy in this area. Specifically the burden placed on farming with regard to compliance with the various national and EU Regulations must not be such as to make Irish agriculture less competitive. In this regard specific account will have to be taken of agriculture in any measure to impose a carbon or energy tax.

#### A TAX INCENTIVE SCHEME TO ENCOURAGE CATTLE SUPPLY CONTRACTS

Restricted access to intervention, further reform of the CAP and the impact of GATT commitments on reducing subsidised exports will result in major changes and challenges to the Irish beef sector in particular.

The Irish beef sector must develop more markets within the EU. This development is not alone an important issue for the agri-food sector but it has major economic implications in terms of employment, value added and exports. The development of sustainable markets for Irish beef will require long-term commitment to supply the customer in an even pattern throughout the year. Supply contracts between farmers and the processor should be actively encour-

aged so that the processor will have greater certainty of supply of cattle of a particular type to meet specific market outlets and demands.

In addition, the farmer would have greater certainty of income and could be fully rewarded for the specific breeding and feeding programme he has adopted to meet the specifications of the market place as set down in the supply contract.

#### ICMSA PROPOSALS

1. A 12.5% tax rate, similar to the agreed single corporation tax rate, should apply for farm profits arising from the sale of cattle made under a supply contract.

2. The details of the contract could specify the pattern of supply throughout the year.

3. Each supply contract scheme could be subject to prior Revenue approval. The Competitive Marketing Of Irish Agricultural And Food Products

Irish farmers have suffered constantly the lowest prices within the EU for milk and beef. The two sectors account for apparently 70% of the total agricultural output.

Unfortunately the unfavourable price gap has widened in recent times. Many measures of competitiveness can be used but the acid test as far as producers are concerned is the return to them in terms of price per litre of milk or kilogram of beef supplied for processing. An Bord Bia in particular must become more focussed in promoting and providing market support in the beef sector.

## Teagasc

The Science of Farming and Food  
Dairying

#### PROTEIN TARGET 3.5%:

● The target for this month is 3.4 to 3.55%.

This is being achieved by farmers who have participated in the protein 350 competition.

● Because milk yield is decreasing, it should be possible to get large lifts in protein over July but this doesn't happen because:

Grass quality can be very disappointing.

Tom Shanahan in the Teagasc/Kerry PLC survey showed that grass DMD in August was 2 DMD units poorer than July and the variation was 13 units between farms.

This 13 DMD units would reduce milk yield by more than 2.5 gallons/cow and protein by nearly 0.2%.

Some penalty to pay for poor quality grass.

● Be generous when offering aftergrass to cows.

Don't make them skin it below 5 cms.

Don't make them walk over huge areas to search for small quantities of aftergrass.

This will adversely affect protein and also the recovery of the aftergrass.

● Be careful not to let watery-milk (rinse wash) onto the bulk tank.

Some Co-ops say that 1.6% of rinse wash will reduce protein by 0.6% or 1.6 gallons of water per 100 gallons of milk which is easily let in.

That day is gone: you don't get paid for water, so, be more than particular not to let any rinse water into the bulk tank.

● Mastitis, in the form of high SCC, won't help protein either.

● If grass is getting scarce introduce meal in time.

2 to 4lb. can work wonders but a cheap pulp/gluten mix will be adequate.

#### CALF THRIVE

● Grass is the cheapest way of getting this.

Some farmers are achieving 0.8 kgs/day during this period from grass only.

● The basic principle with calf management must be to keep them on the move:

Every second day or at worst every 5 or 6 days.

This ensures quality grass for them and a lower chance of infection from house worms.

● Rotate the calves in front of bigger cattle. But you must allow enough acres for them during August:

Allow one acre for every 3 calves and put 600-700 kgs of animal on each acre. Therefore 30 calves and 30 stores (400 kgs each) require 30 acres for grazing in August.

● If grass is getting scarce you could justify meal feeding:

Because the response is 4 to 1, this means that every 4 lbs. of meal (costing 26pence) gives one lb. gain (worth 40-50p.), therefore feed 2-3 lbs.

Small calves definitely need 3-4 lbs. to push them on.

This meal can also allow grass to build up so that it will be in the animal's diet for longer in the autumn.

● Dose for stomach worms every 3-4 weeks with yellow or white doses.

But it is more important to have 'clean' grass (grass not previously grazed by calves in the last 2 months) for them.

● Watch carefully for hoose

Dose at the earliest signs of coughing, even long acting doses may not guarantee safety from hoose.

The penalty is lack of thrive and even deaths will result.

● Copper deficiency could begin to manifest itself in bucket reared calves from now on. On farms with severe copper deficiency a bolus may be necessary.

#### Cattle

##### EXTENDING THE GRAZING SEASON

The response to nitrogen declines rapidly during September. By late September or early October, there may only be a break-even response of 3-5kgs grass dry matter per kg of nitrogen applied. Therefore where grass is scarce, spread nitrogen now. As each paddock or field is grazed out, apply up to 40 units of nitrogen per acre. Continue to do this up to late September. The response to this late September nitrogen may be close to break-even, but it could be much higher on nitrogen deficient soils. To extend the grazing season as far as possible, good utilisation of whatever grass is available will be necessary. Use temporary electric fencing to ration out grass to animal requirements. In this way there is less trampling and wastage; fields can be grazed out cleanly; the grass ahead of stock in the areas not being grazed continues to grow and you can get back faster with nitrogen on the part that was grazed.

Suckling farmers that are short of grass should start creep feeding the weanlings immediately with a view to early weaning. A dry cow similar to a dry ewe needs much less feed than a suckling cow.

## Dairy Herd Declaration And Certification Form Is Only About Animal Health

Waterford IFA Dairy Committee, Michael Murphy said he was concerned that there may be confusion among farmers and vets regarding the new Dairy Herd Veterinary Certificate, now referred to as the Declaration and Certification.

"The Declaration and Certification is to be co-signed by the farmer and the vet of his/her choice by June 30, 2000. I want to make it absolutely clear to farmers that the vet's role in signing the form is only about proper handling by the farmer of animal health issues. Veterinary surgeons have no role whatsoever in relation to milk quality, which is controlled and tested by Co-Ops nor to hygiene of milking premises, which is checked by Department of Agriculture inspectors under a separate scheme," he said.

"For many dairy farmers, this is the time of year when their annual TB herd test is due. This is the most logical time for the D & C form to be co-signed by the farmer and the vet of his/her choice. As soon as they engage a veterinarian to carry out their annual herd test, farmers should inform the vet that they expect the D & C form to be

signed in conjunction with the TB test. This ensures that the scheme is operated in a cost-efficient way without compromising on the quality of the vet's assessment, as every cow is examined twice in detail on this occasion.

This was anticipated by the EU legislation which makes it quite clear that a special veterinary visit is not required and that the inspection for this purpose of this scheme can take place at the same time as other

veterinary work on the farm," he added.

Michael Murphy stated that a good number of veterinarians all around the country had accepted this and signed the Declaration and Certification in conjunction with the TB test.

"Farmers should remember that, while the vet signs the form based on their inspection of the animals on one day of the year, the farmer's signature testifies to the farmer's professionalism for the remaining 364

days," he said.

"Farmers are fully committed to ensuring that the Declaration and Certification scheme is operated properly. Equally though they do not want it to develop into an unjustifiably costly exercise. I have no doubt that where the vet/client relationship is good, which is the case between most farmers and their vet, the D&C form will be co-signed at the time of the TB herd test," he concluded.

## Rural Development Strategy Must Be Fully Backed In National Development Plan — IFA

Commenting on the Rural Development White Paper, Mossie O'Connor, Chairman of Waterford IFA Rural Development Committee said "it is very important that the White Paper has been published in advance of the National Development Plan. The real commitment of Government to the aspirations in the White Paper can only be judged when we see the financial allocation to all the dimensions of rural development in the National Plan.

Mr. O'Connor said, "I welcome the main elements of the White Paper particularly the following:-

The designation of the Department of Agriculture, Food and Rural Development as the lead Department.

The commitment to a 'rural proofing' of all Government policies.

The preparation of a National Spatial Development Strategy to ensure balanced regional development.

The commitments to tackle social exclusion particularly the problems of smallholders in rural areas and the question of access to public services."

Referring to the specific agricultural development policy, Mr. O'Connor said,

"many of the key policies in place are those supported by the EU such as on-farm investment, REPS, Young Farmer Installation and Early Retirement. The EU financial allocation in the 2006 period is obviously going to be fairly limited and thus the level of Exchequer co-financing will be vitally important."

Mr. O'Connor added, "I also welcome the commitment to a comprehensive programme for the development of the food industry which addresses the need in relation to capital investment, research, market development and promotion."

### COUNTY A.G.M.

County Waterford ICMSA are holding their County Annual General Meeting in Lawlor's Hotel, Dungarvan on Wednesday, September 1 at 8.30 p.m.

County Chairman John Skehan invites all members to make an effort to attend this meeting. The meeting will be addressed by Pat O'Rourke, Deputy President ICMSA who will speak on the allocation of the 32 million gallons of milk quota and other milk issues. There will also be a speaker on REPS farm retirement and farm investment.

The County Chairman John Skehan concluded by inviting all members to this important meeting.

### INCINERATION — ARE THERE ALTERNATIVES?

The County Chairman of Wexford, Kilkenny and Waterford, Mr. Rory Hammel, Mr. Kevin Connolly and Mr. John Skehan, expressed reservations at the siting of an incinerator in the Campile area of Co. Wexford or indeed anywhere in the country.

Considering Ireland's clean production it would be very foolish to move to incineration which might cause environmental problems and change our image of clean green production.

Ireland should give careful consideration to all other alternatives including recycling before attempting to go down the road to incineration concluded the County Chairmen.

## Glanbia On-Account Grain Price Attempts To Defy Logic

IFA's National Grain Committee Chairman, Mr. Ruaidhri Deasy has described Glanbia's announcement of an on-account price of £76 per tonne for green barley and £78 for green wheat as "an attempt to defy logic of the market place."

He said, "Market analysis carried by the IFA and others shows that a price of £82 to £85 per tonne for quality green barley with quality wheat worth a premium of £2 to £4 more, is justifiable as buyers in market have already paid these prices. New crop Irish barley is currently trading £5 to £7 per tonne above last year's price and UK ex-farm prices are running £9 sterling higher than last harvest.

All in all the market fundamentals are pointing to a sustainable rise in the price of grain this year, yet two major buyers are attempting to scuttle this year's trade by declaring a ridiculously low on-account price."

Mr. Deasy said, "I am urging farmers to take a similar approach to these merchants when settling up their accounts. Take a critical look at what you are being charged for your inputs and credit charges and then decide what price you can afford to pay for them. A totally unacceptable situation has developed over the last few years whereby some of the major players will not give you a price on your inputs, or if they do, it is a totally unrealistic one. By the same token, when farmers go to sell their grain, they are quoted an unrealistically low price and expected to deliver it into merchants yards."

"If needs be, I will personally go around to information meetings and advise growers what the competitive prices for inputs are. Farmers should drive a hard bargain before delivering or selling their grain to merchants. Ideally they should tip their grain and auction it to the highest bidder," concluded Mr. Deasy.

## TO HONOUR MEMORY OF MUCH LOVED POLITICIAN

The first steps of a fundraising drive which will honour one of South Tipperary/North West Waterford's most loved politicians were taken in a rural country pub last week. A multi purpose community hall to be named in honour of the memory of the late Senator Willie Ryan, Kilfeacle is the goal of the steering committee that are guiding this fundraising project. The target of the project is to raise £50,000 to build a complex which will serve as both a community hall and a home base for the local tennis club. Both groups are involved in the fundraising work and they hope that National Lottery funding will also be granted. It is hoped that within two years not only will the money to build and equip the centre be raised but the building itself will be finished and ready for use. All the community are coming together to build this centre in recognition of somebody who gave his life to the community. Members of Willie Ryan's family, his sisters Mary O'Dea, Philomena Bradshaw and a niece Majella Bradshaw attended the launch.

## ÉIGSE SLIABH gCUA

Éigse Sliabh gCua is a community based festival which takes place on the last weekend in August at Touraneena in West Waterford. This year the Éigse will honour Dan Fraher who died in Dungarvan all of 70 years ago. He was buried in Knockboy on a December day not too far from his home in Skeheens where he was born in 1852. Dan was a remarkable man, a fine athlete who was in his prime before the Modern Olympic movement began, a gifted sports promoter and administrator, an astute businessman and entrepreneur, a native Irish speaker who worked hard to secure a future for that language and of course a committed Irish revolutionary.

Willie Fraher, the distinguished artist and historian, will speak on 'The Life and Times of Dan Fraher 1852-1929' at 8.30 p.m. on Friday, 27 August. It promises to be a fascinating evening and will be preceded by the official opening of the Éigse by Paddy Joe Ryan, chairman of the Waterford County Board of the G.A.A.

On Saturday, 28 August at 11 a.m. the historian Brendan Kiely will speak on 'The Ancient Church and Graveyard of Knockboy'. It is known that for some years Brendan and Thomas Walsh have been working on a survey of the graveyards of Sli-

abh gCua and it is confidently expected that the talk will shed new light on the famous Reilig Chnoc Bui which contains countless generations from West Waterford and South Tipperary.

There will be a generous break for lunch so as everyone can be well prepared for the bus tour which leaves Touraneena at 2 p.m. It is expected to visit Skeheens and Knockboy but presumably the Fraher Field and the part of Grattan Square, Dungarvan which some still call Fraher's Corner will not be neglected. There will be no shortage of guides and couriers and unless a bad chance each person who goes on the tour will end up in at least one place they were never before.

Saturday evening is given over to music and entertainment and the concert under the direction of Maurice Hallahan, the well known dancing master begins at 8.30 p.m. If you like a leisurely easygoing blend of song, dance, music and story telling performed by artists in the grand old tradition of cuairtíocht then it is a night not to be missed.

Ar an Domhnach 29 Lúnasa beidh an t-Aifrínn á ceiliúradh ag an t-Athair Conn Ó Ceilleachair ar 11.00. Bhí an ceol agus an amhránaíocht ar feabhas ag an Aifreann seo an bliain seo caite.

## NURSING HOME COULD SOLVE OVERCROWDING

Private nursing homes hold the solution to overcrowding in hospitals, this claim has been made last week. Responding to a story last week about overcrowding in St. Joseph's Hospital, Clonmel which forced management to provide beds on the corridors, the proprietor of a nursing home in the county says that there are plenty of vacant beds available in such homes even during the busy winter period. The nursing home owner who does not want to be named has called on the South Eastern Health Board to make more use of the nursing homes and to make the public fully aware of their entitlements.

## Recent Deaths

### LATE MARTIN FAHEY

Profound and sincere feelings of regret were widely expressed at the news of the unexpected death of Mr. Martin Fahey, Ballythomas, Rathgormack which sad event took place on Friday, August 13.

The deceased was a member of a well loved and respected Rathgormack family. His death is all the more poignant as his brother Jimmy passed to his eternal reward five years ago. His mother Kathleen (nee Brazil) is a member of well known Nire Valley family, the Brazils of Lyre East.

Martin was a well known member of the community, a thoughtful neighbour, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was acknowledged over the years as one of nature's finest gentlemen whose unassuming courtesy and outgoing sincere nature were readily appreciated by all who knew and respected him. He was a great supporter of Gaelic Games, he was father of the present Rathgormack goalkeeper. Martin never counted the cost but gave of himself wholeheartedly when a helping hand or encouragement was required. He was indeed the essence of good humour and established lasting friendships by virtue of his kindness to others who were indeed fortunate to have known him. A kind and loving husband and father, his wife and family were his pride and joy.

Many tributes have been paid to this fine man but perhaps the finest was paid to him on Saturday evening by the large concourse of mourners who were present when his remains were removed from Joe Walsh's Funeral Home, Carrick-On-Suir to the Parish Church of the Sacred Heart, Rathgormack where they were blessed and received by Rev. Fr. Michael Curran P.P. Clonea-Power/Rathgormack. On Sunday morning, the feast of the Assumption of the Blessed Virgin Mary, the 10 a.m. Mass was celebrated for the happy repose of his gentle soul. The celebrant was Rev. Fr. Michael Curran P.P. assisted by Rev. Fr. Michael Cullinane C.C. St. Mary's, Clonmel. After Mass as a gentle breeze blew down from the Comeraghs, he was laid to rest in the family plot in the adjoining cemetery. Fr. Curran P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will cherish. To his wife, son, daughters, mother, brothers, sisters and many relatives we extend our sympathy.

### LATE JOSEPH HENNESSY

It is with deep and sincere regret we pen the death of Mr. Joseph (Joe) Hennessy, Cashel Road, Clonmel.

He was renowned for his hands and the skillfulness of some beautiful examples of his artistry in wood, adorning the drawing rooms of people at home and abroad. Another interest he had was making and repairing boats at The Workmans Boat Club. He was son of James and Norah Hennessy (nee Byrne) of the Old Bridge. Joe was one of a family of eight boys. In his early days he was employed by Michael Phelan Publican, O'Connell Street, Clonmel. A man who hailed from Graignagower, Ballymacarbry, he then took up employment with Curran's Sign Factory where he re-

talion where he was an outstanding shot, he was on a number of shooting teams in the early forties. In the late fifties he married Kitty Nagle from Carrigeanneen, Knocklofty and they took up residence with Joe's widowed mother. They had two daughters Norah and Sandra. Like many of his brothers he was a prominent member of the Boy Scouts and when the Boy Scouts were being revived in '59 he was called upon to act on the committee. During his Scout days he paid many visits to the Nire Valley where among his many friends was the Ballymacarbry Correspondent of the "Leader". One of his dearest friends was Fr. Joe Purcell who is now ministering in Africa. A non drinker and non smoker he loved outdoor life. One of his favourite spots was Carey's Castle beside the Glenary Stream. More recently he enjoyed displaying his woodcarving at the Craft Fairs at the Technical School and at the Horse Show. He had a great devotion to St. Anthony and attended Mass each morning at the Friary. Out and about on the Wednesday before his death after a few days in St. Joseph's he passed to his eternal reward. Following the rosary, recited by Fr. John of the Friary, his remains were blessed and received by Rev. Fr. Pat Fitzgerald C.C. On the following morning requiem Mass was celebrated by Rev. Fr. Pat Fitzgerald C.C. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where a kind and loving man was laid to rest. To his wife, daughters, brother and his many relatives we extend our sympathy.

### LATE KEVIN DOHERTY

It is with deep and sincere regret the district learned of the death of Mr. Kevin Doherty, Tallaght, Co. Dublin and late of Laurels, Ballymacarbry which sad event took place at St. Vincent's Hospital, Elm Park, Dublin on Thursday, August 5.

The deceased, who was in his 77th year, was the last member of an old and respected Ballymacarbry family. He was brother of Michael Doherty, Mitchell Street, Dungarvan who passed to his reward a few years ago. He was a man of many charming traits of character with his gentle, good humoured and obliging nature, mild manner and unassuming disposition. In his schooldays he was a budding artist, he could draw with pencil or brush. He was a kind and loving husband and father. Predeceased by his wife Maureen by some years, his passing has evoked feelings of sincere regret among his family, neighbours and his many friends.

On Saturday evening his remains were removed from Colliers Funeral Home, Bray to the Church of the Most Holy Redeemer, Bray, Co. Wicklow. On Monday morning, the feast of St. Cyriacus (martyr), requiem Mass was celebrated for the happy repose of his soul. After Mass the funeral took place to Springfield cemetery, Bray where he was laid to rest. To his sons and his many relatives we extend our sympathy.

## BALLINACOURTY THROUGH TO QUARTER FINALS

At tension filled Walsh Park on Saturday night last in a first round Senior Football Championship match against eastern side Gaultier, Ballinacourty had a double cause for celebration as victory ensured that they escaped the regulation dog-fight and also progressed to the last eight of the championship. This fixture was always going to be a difficult one for the local side and victory is bound to work wonders for belief and confidence in the challenges that lie ahead. The players and subs selected showed they were well able for this challenge and the selectors can feel confident that the players available can ensure further progress.

### The Play

Ballinacourty attacked from the throw-in and an early wide did no harm at all. Gaultier had won the toss and elected to play against the strongish wind so it was necessary for Ballinacourty to do well while the wind was in their favour. Much easier said than done when one considers that you are playing in your first championship match of the year.

Gary Hurney sold a dummy to his marker and lofted over a good opening point. However, Gaultier were combining well and two points from play put them in the lead. Ballinacourty were wide from the frees. We wondered might they be vital at the finish. Equilibrium was achieved when Aidan Landers lofted over a spectacular point. When Dermot Melody was fouled Aidan Landers pointed the free. Gaultier pointed but Ballinacourty edged in front again when

Damien Cliffe pointed having received an astute pass from Aidan Landers. John Organ was penalised for what I would regard as being an honest shoulder and Gaultier pointed the free. John McGrath dispossessed his opponent and kicked a great point. Damien Cliffe, whose work-rate was excellent kicked another point. However, supporters were worried as we were not dominating the scoreboard as was necessary playing with the wind.

### Goals

Thankfully the breakthrough came when a huge long range free kick from Laurence Hurney dipped into the far corner of the goal. Within minutes a similar kick from Derek Hayes sideline was helped on its way to the net by a Garry Hurney flick. Now, the picture was much rosier as we put the required daylight between ourselves and Gaultier. A point by Conor Barrett gave us a comfortable half time lead as the scoreboard read Ballinacourty 2-7 Gaultier 0-4.

### The Second Half

Two early frees settled Gaultier and we awaited the comeback. But from that on the work rate of the Ballinacourty men shone through and our players denied the eastern team the space they needed. On the counter-attack Ballinacourty played a nice brand of football. But the pressure never eased especially when Gaultier rattled the net for what was an excellent goal. Ballinacourty dug deep and some spectacular fielding by midfielders John McGrath and Derek Hayes repeatedly

denied Gaultier the possession they required. Still the Ballinacourty backs were under severe pressure at times and a treble save within the small parallelogram made us realise that victory could easily be snatched from our grasp. Garry Hurney won possession, turned nicely and pointed for the last score of the game.

Ballinacourty can be well pleased with the result and victory was forged through hard graft and determination right through. The players should never forget that these are the qualities that win championships.

Ballinacourty; Alan Beatty, Gavin Breen, Michael Collins, John Organ, Shane Briggs, Laurence Hurney, John Phelan, Derek Hayes, John McGrath, Dermot Melody, Michael Cosgrave, Conor Barrett, Damien Cliffe, Garry Hurney, Aidan Landers. Sub; Karl Power.

### BOOKS

The last book we bought for the Archive was "Forgotten Household Crafts" by John Seymour. This was a very nice book with many illustrations and photographs.

The 1st book we had donated to us was "Comhairle Chontae Phortlairge 1899 - 1999" by Brian McNally and Maurice McHugh. As this is a local book it is ideal for our Archive. The next book we would like to buy or have donated is "Echoes From The Decies" (a Waterford Scrapbook) by Tom Tobin. We do have a photocopy of this book but as any book collectors will tell you it's just not the same as an original copy.

So we live in hope. This Sunday evening Bernice Condon will be at the Parish Office minding these books and all our other treasures. Visitors will be most welcome. Parking at the Pond.

## A FUNNY STORY

A young and acutely nervous barrister - call him Mr. Green, was making his first plea in mitigation for a defendant,

"My Lord", he said, 'my unfortunate client', and dried up. He tried a second and third time, but on each occasion got no further then saying, "My Lord, my unfortunate client". At this point, the judge leaned forward with a smile of encouragement.

"Go on, Mr. Green. So far the Court is in entire agreement with you".

# RECENT DEATHS

## LATE SR. EMMANUEL CUMMINS

Sincere feelings of regret and sadness have been evoked with the unexpected passing on Sunday Aug. 15th (Feast of the Assumption of Our Lady) of Sr. M. Emmanuel Cummins, Convent of Mercy, Dungarvan. Visiting relatives, Sr. Emmanuel took ill and slipped away peacefully at General Hospital, Portlaoise. We offer our condolences to the local Mercy Community on their loss, to her sisters Sr. M. Redemptoris, Mercy Convent, Waterford, Brid (Tralee), her sister-in-law Maggie and her many nephews, nieces, relatives and friends at this time.

'Ceoil na nAingeal go gloise an tSuir Emmanuel as seo amach'.

A native of Ballybricken Marguerite Cummins was daughter of captain Nicholas Cummins and Bridget (nee Rockett). Educated at the Mercy Convent Primary and Secondary School's, Waterford, from an early age it was observed and noted that Marguerite was blessed with a wonderful musical talent. After completion of her education she decided on the religious life and entered the Mercy order in the Congress year of 32. She professed with final vows in 1938 and so began her life of Labour for the Lord with the Mercy Convent Community Dungarvan. Immediately we mention Sr. Emmanuel, the world of music and music appreciation comes very much into being. A born

teacher she always instilled in her pupils by her own enthusiasm and encouragement, a love of music. All her teaching life was spent in Coláiste Mhuire, Scoil na nAingeal and in more recent times Ard Scoil na nDeise. The many musicals and concerts over the years had Sr. Emmanuel as a guiding influence. She particularly enjoyed the choir performances at Feile na Scoil in Waterford's Theatre Royal. With the many changes in School Programmes and Curricula, she was assigned the post of Musical Appreciation. As a music teacher she had few equals. An accomplished pianist and organist she also was a much admired violinist. In the words of her close friend and colleague Sr. Theresa, "Emmanuel was a lovable, childlike person who never bore a grudge, was kind to everyone, affable, good humoured and a very dedicated community Sister. Sr. Emmanuel who came of a deeply religious background was a member of a Waterford City family who were very much part of the Ballybricken Parish. When the urgent need for Church fundraising was required Sr. Emmanuel's brothers John, Willie and Sonny became the cornerstone of lynchpins for the various projects.

Although of advanced years Sr. Emmanuel's departure from our midst has left us all the poorer but she enriched so many lives in her time. We thank the Lord for choosing a person such as Sr. Emmanuel to work in his vineyard. Her deep interest in her past pupils was

well known, her love of the Eucharist and the Rosary and for Mary was as strong as ever. The God given talent of musicianship she never regarded as an elevation of herself, it was given to be shared, shared generously and to be used in His service for good.

'Faoi bhrair Muire go raibh si'.

On Monday afternoon Sr. Emmanuel's remains were transferred from the General Hospital Mortuary, Portlaoise to the Convent of Mercy, Dungarvan. Fr. O' Reilly O.S.A. C.C. recited prayers and rosary with relatives and Sr. Emmanuel's confreres. On Tuesday evening Fr. O' Mahoney P.P. visited the Mercy community for Funeral liturgy after which the removal took place to nearby St. Mary's Parish Church. The Church service was presided over by Most. Rev. Dr. Lee Bishop of Waterford and Lismore, Most Rev. Dr. Ml. Russell P.E., Rev. Fr. Grant C.C. read the service assisted by V. Rev. Fr. N. O' Mahoney P.P., V. Rev. Fr. J. Gough O.S.A., V. Rev. Fr. Ml. Many representatives from the religious houses especially those of the Mercy Order throughout the Diocese were in the large attendance who had come to pay their respects. A Mass of thanksgiving and celebration was celebrated on Wednesday by Fr. N. O' Mahoney P.P. with co-celebrants V. Rev. Fr. J. Griffen P.P., V. Rev. Fr. M. Curran P.P., V. Rev. Fr. P. Creed P.E., V. The liturgy of the word was shared by John Cummins (nephew) and Winnie Power (niece) while Sr. Monica O' Sullivan, Community Leader Convent of Mercy read the prayers of the Faithful. The offertory gifts saw Constitution of Mercy order (Billy Power), Rosary beads (Margaret McGrath), violin (Clara Power) and Gifts of the Altar (Niamh, Aine and Emmett Cummins) being brought in procession. A very sincere Communion

Reflection was shared by Sr. Theresa (her friend and colleague), she concluded "Farewell Emmanuel - May Angels Guard Thee To Thy Rest". Beautiful music was sung by Niall Hurley, "By Thou My Vision" and grandnieces Sheila, Aisling, Geraldine McGrath, while all were accompanied by Mai McGrath (organist). In the presence of a huge and representative gathering Fr. O' Mahoney P.P. recited final prayers and imparted graveside blessing before Sr. Emmanuel was laid to rest.

## LATE TIMOTHY JAMES (TED) DRAPER

The unexpected passing of Timothy James (Ted) Draper, Spellow, The Burgery on Saturday Aug. 14th evoked feelings of great sadness and deep regret in the locality. Son of the late James and Nell Draper, Emmett Street, Ted who was born on 12th Nov. 1920 and was younger brother to Jack and elder brother to Gabrielle, a family that was well known and held in great respect and esteem. Being a native, Ted loved the Old Boro, he could recall the yarns, characters and its history with finger touch precision. Educated at the local CBS and Technical College, in 1939 at the outbreak of war he joined the L.D.F. and some months later enlisted in the regular Irish Army, his dedication to his duties and professionalism saw him promoted to the rank of Lieutenant in the 10th infantry Battalion. In the mid to late 40's he left these shores and joined the British Colonial Service which saw him serve with distinction as a constable in Palestine. Thanks to various promotions Ted reached the rank of Sergeant. Many of the incidents in that troubled part of the world, Ted would have witnessed at first hand. He often recalled in great detail the bombing of King David's Hotel in Jerusalem. In 1948 with the formatin of the state of Israel Ted returned to Ireland and married Teresa Watson who was a native of Cappoquin in July 1948. In 1948 he joined the Bradford Police. Two years later he joined Liverpool Police Force, where he gave of his best until 1975. On his retirement he was awarded the Chief Constables Commendation Award for his bravery and sterling service, shortly afterwards he returned to Dungarvan where he continued to work for a number of years. He

gave of his best at the local Cattle Mart and later Moloney's Garage. A warm personality and excellent conversationalist, Ted endeared himself to everyone. The good turns and acts of generosity have been recalled over the last days to me by people who were very glad to have a friend like Ted in Liverpool. He always enjoyed Grand National Day at Aintree and being in the local police force he could gain access to any part of the famed racecourse. Over a social drink with friends in John Keane's he recalled incidents, many humorous which happened to him in his travels. Local history was a great favourite of his, while reading and gardening were other worthwhile pastimes which held a great interest for him.

We offer our deepest sympathy to his wife Teresa, sons Brian, Simon and James, his brother Jack, sister Gabrielle, his beloved grandchildren and other relatives and friends at this time.

On Tuesday evening Rev. Fr. M. Keogh C.C. visited the Kiely Funeral Home for rosary and prayers after which the funeral cortege left for St. Mary's Parish Church where Fr. Keogh

C.C. assisted by Fr. W. J. Deec P.E., Fr. P. Creed P.E., Rev. Fr. J. Sullivan P.E., V. Rev. N. O' Mahoney P.P., and Mons. P. Lannen blessed and received the remains. On Wednesday afternoon the Holy Sacrifice of the Mass was offered for the happy repose of his soul by Rev. Fr. Keogh C.C. (chief celebrant with V. Rev. Fr. P. Creed P.E. and Very Rev. Fr. W. J. Deec P.E. (co-celebrants). The large concourse of people present were also joined by V. Rev. Fr. R. Doherty P.P., V. Rev. J. Sullivan P.E., V. Rev. Fr. J. Gough O.S.A., V. Rev. Fr. N. O' Mahoney P.P. The lessons were read by sons Simon and James.

The interment followed afterwards in the adjoining cemetery where Ted was laid to rest.

Chief mourners; Wife Teresa, sons Brian, Simon and James, daughters-in-law Patricia, Claire, Elaine, grandchildren Paul, Louise, Alex, Isobel and Bethany, brother Jack, sister Gabrielle, sisters-in-law Mary Draper, Philomena Cahill, Margaret Moynihan, brother-in-law Edward Watson and a wide circle of other relatives and friends.

## LATE JOHN TUTTY

It is with feelings of profound sorrow and regret that we record the death of John Tutty, Kilnafrehan, Dungarvan and formerly 10 St. Brigid's Terrace, Dungarvan which sad event occurred on Tuesday, August 17.

John spent over forty years in England having emigrated in the early fifties

with his good friend Michael O'Brien and they both returned home on retirement, at the same time. John never lost his love of his hometown and loved to come home on his holidays every year to see his parents and all his family. On retiring he came to live in Ireland nine years ago where he and Brenda settled in Kilnafrehan. He loved his garden and spent many happy hours every day in it. His home is full of his own workmanship which he took so much pride in. His greatest love was for his wife Brenda and their two sons Vincent and Jason.

He also enjoyed helping the senior citizens in the Day Care Centre where he will be missed so much. As we lay him to rest, we believe that he will be with his lifelong friend Michael O'Brien. May they rest in peace.

Following rosary recited by Fr. N. O'Mahoney P.P. removal was from Drohan's Funeral Home on Thursday

to St. Mary's Parish Church where the remains were received and blessed on arrival by Fr. Michael Kennedy P.P. assisted by Fr. N. O'Mahoney P.P. and Fr. Gough O.S.A. Following funeral Mass on Friday morning celebrated by Fr. Michael Kennedy P.P. assisted by Fr. R. Doherty P.P. and Fr. Gough O.S.A. burial took place in the adjoining cemetery in the presence of a large crowd. Fr. M. Kennedy P.P. officiated at the graveside assisted by Fr. Doherty P.P. and Fr. Gough O.S.A. The lessons were read by Anne-Marie Organ, Susan Hickey and Priscilla Cummins (nieces). The offertory gifts were brought by Paddy and George Tutty (brothers). ## LATE DR. MICHAEL NASH

We write with regret and great sadness on the unexpected passing of Micheál De Náis, The Maples, Monkstown, Co. Dublin and Kanturk, Co. Cork on Wednesday last at Coláiste Na Rinne.

A native of Kanturk, Co. Cork, Michael, who was aged 90 years, was retired Anaesthetist at St. Vincent's Hospital, Dublin. We sympathise with his sister, nieces, nephews, relatives and friends. Ar dheis láimh Dé go raibh sé.

## A Tribute To A Friend

# THERESA CURRAN

## Late Of Currabaha, Kilgobinet

Tears fall gently onto the page as I try to write a tribute to a person I knew and loved so well. Theresa I feel privileged to have known you so I think it's only fair to share some of my fondest memories.

What stood out to me the most the first time I met you was the fantastic work you did with children. The numerous amount of children that you gave a home to and loved, whether it was for a day, a week, a month, forever. You devoted your life to caring for children and I know that all the children you had in your care over the years got the best of everything. I smile to think how particular about their clothes and of course you had to have the socks and shoes to match. This was just one of the many things which made you so unique.

Theresa was such a bubbly, lovable and friendly character. My favourite memory is of all our chats. You might pick up the phone to speak to Theresa for five minutes and an hour later you'd still be on the phone. If you called to Theresa for a chat saying that you'll just stay an hour and four hours later you would both be in full swing and still with lots to talk about. Talking to Theresa was like a breath of fresh air. Theresa also strongly believed in making the most of life. Her attitude was spend your money on what you wanted, take at least one, if not two, annual holidays, love life and be happy because your life is what you make it.

To share a secret, I know that Theresa really began to love life three years ago when she met Garvan. He used to take up three hours of our four hourly chats. But on a serious note with the last three years she had a special twinkle in her eye and only somebody in love as Theresa was with Garvan would understand. She constantly boasted about how good he was to her and that he was so good with all the children. He was all she ever wanted, she had found true happiness.

She was so excited about the move to the new house in Coolnasmear last November, the new home she

was setting up with Garvan and her children. At this stage Theresa was also after fulfilling a dream of a lifetime - she was expecting a baby. Beautiful baby Amy arrived in February this year. It was the happiest day of Theresa's life. For the last five months Theresa radiated happiness. She had a smile spread across her face every time you met her and of course Baby Amy was always with her too - her reason for smiling. Theresa now had everything she ever wanted, her life was complete. Unfortunately it was to be short-lived.

I've never met anyone as special and unique as Theresa. She had the biggest heart, full of love, that any person could have. She always put her children and other people first but that's what made her happy. Theresa, you were a fantastic friend, I will miss you dearly but I know you will always be with me.

I would also just like to remember Maria. A mischievous but adorable little child, she tried and tested Theresa's patience many times and Theresa just gave her what she needed - love. Maria, an angel in heaven now with your mammy where she will continue to give you all the love you need.

Garvan there are no words. I do know the heartache that I myself feel but I can't imagine how it feels for you. I do know that you have lost a devoted partner and your best friend but Theresa will love you for all eternity. You will be forever in her heart. My heartfelt sorrow to you also on the loss of your foster-daughter Maria.

My sincere sympathy to the little children David, Tommy, Anne-Marie, Michael, Kevin and Baby Amy on the loss of a wonderful and loving mammy and a dear sister. My sincere condolences and heartfelt sympathy also to the Curran family on the loss of a precious daughter and sister.

'Just remember in the winter,  
Far beneath the bitter snow,  
Lies a seed, that with the sun's  
love,  
In the spring becomes a rose.'

## Dungarvan Macra Na Feirme Notes

The recent Dungarvan Show proved to be a great success once again for all the Macra clubs in the county. Yet again competition was stiff for the various prizes with Dungarvan claiming its fair share.

Pádraig Dunne and Kieran Byrne claimed the laurels in the carpentry section. Also in the winners enclosure for Dungarvan was Tomás Horgan who won first prize in the gents cookery for his lavish meal for two.

Dungarvan was placed second in three more events by the narrowest of margins. David Beresford was unlucky to be beaten in the woodchopper challenge, Alan Curran finished second in the tractor tasks (Alan claims he was beaten because he couldn't see out of the cab due to the dirty windows) and lastly Dun-

garvan lost out in the Tug of War and failed to achieve a historic three in a row in the event.

### THE IDEAL BACHELOR?

After Dungarvan Show, Dungarvan Macra's attention switched to Castlepollard where the one and only Dave "Bessie" Beresford was competing in the Ideal Bachelor Final. Dave proved to be the life and soul of the event and certainly made an impression. Dave did himself, Dungarvan Macra and the county proud by emerging as the country's second most ideal bachelor. Needless to say the celebrations continued well into the next week and some of the Dungarvan gang who went to Castlepollard have yet to recover! Once again well done Bessie!

# TALLOW NOTES

## TALLOW GAA CLUB NOTES

### Minors Through To Western Finals

#### Tallow 2-15 Ardmore 0-6

While never reaching the level of performance when beating Abbesside, Tallow managed to overcome a strong challenge from Ardmore in the Western Semi Final in the Fraher Field last Wednesday evening. We were well below par for most of this game as we struggled to find our form and will be a bit flattered by the final scoreline. After 45 minutes Tallow led by 8 points to 5 and the game could have swung either way at this stage. However, 2 goals in as many minutes ignited what had been up to now a tame Tallow forward line and they went on to score a further 7 points in the final 10 minutes.

The next few weeks will see our minors contesting 2 Western Finals. On Sept. 1st our minor footballers will assist Shamrock's in the Western Final against Stradbally. On September 8th the hurlers play the winners of St. Oliver's and Dungarvan in the Hurling Final A.

#### Committee Meeting

A committee meeting will be held on Thursday at 9.30 pm in St. Patrick's Hall. All Deise draw tickets to be ready. Anyone looking for tickets should contact Timmy Sheehan, Joe Murray or Fiona Crowley.

#### Lotto

Numbers drawn were 2-20-24. Consolation winners; Nora McCarthy, Helen Kelly, Sean Murray, Paddy Martin. Promoter; Ned Power.

#### C.L.G. NA NOG - TULACH AN IARAINN Dúirt Siad

"The first year I gave up the drink I was going to take over Ireland", Mick Kearney - a man never stuck for a word.

"Are ye from Lismore" - Finn asks the bemused Belgian tourists.

"How do I get to Tallow", another tourist asks Hackett for directions in front of the stage at the Square on Sunday.

"I'm here Mag!" Johnny Curley was awake at 2.30 am (after the dance) on Monday morning by this plaintive cry.

"I will but I'll drive my-

self", Johnny's reply when the juvenile Chairman asked him to go to Youghal selling tickets with him.

#### Juvenile Club Draw

The Juvenile Club launched its prize draw this week. This will be our main fundraising event of the year. The main prize will be 2 All Ireland Hurling tickets together with overnight stay for 2 in the Skylon Hotel within walking distance of Pairc an Chrocaigh. We are offering a host of other prizes as well which have been kindly sponsored by local business people. Tickets £1 each and the draw will take place on Saturday Sept. 4th, the day after the Fair in St. Patrick's Hall at 9.00 pm.

Tallow juvenile GAA teams have done us proud on the field of play this year. Tá spriod iontach sa chlub faoi lathair agus ní mor duinn e a mhuscailt. Iarraimid bhur gcabhair chun an dea obair a leanúint.

#### Labhair Gaeilge Linn

An informal comhra group has existed within the Juvenile Club for some time now. Gach uair a ghlaonn an Cathaoirleach orm is Gaeilge is mo a bhionn a labhairt againn. Ta Gaeilge againn go leir ach amhain e a chleachtadh. I was delighted to see that Sean O Tuama and Jeanie McCarthy at the Tallow Enterprise are setting up a comhra group and we would hope to combine our efforts with them.

#### U-12 Football

Kilrossanty 3-5 Tallow 2-3 — On Wednesday evening last we travelled to Kilrossanty for what was our 2nd last game in the U-12 football championship. A much physically stronger Kilrossanty team dominated the first half and led 1-4 to no score at half time. Eamonn Forbes' pointed free opened the scoring for Tallow in the 2nd half and a Thomas Ryan goal shortly after narrowed the gap considerably. A defensive lapse left Kilrossanty in for another goal which put paid to our comeback. Luke McCarthy pulled another point back for us while at the other end Jamie Tobin pulled off a great save only to see his heroic effort rebound into the net. Another Thomas

Ryan goal and an Eric Hickey point gave the scoreline a more balanced look but Kilrossanty were worthy winners in the end.

Foireann; J. Tobin, S. O'Grady, S. Power, B. Moroney, K. Henley, E. Forbes, D. Prescod, E. Condon, E. Hickey, P. McCarthy, T. Feeney, T. Ryan, J. Hampton, K. Hallahan, S. Feeney, S. Aherne, Joey Power, S. Sullivan.

Our final game against the Nire takes place tonight (Wed). Players to be in the field for 7.00 pm.

#### Immigrant Corner

Good to see so many of our friends home on holidays. Liam Tobin, Colette Power (Aherne), "Beano" O'Brien are all on holiday at the moment. Sean Prendergast has just returned to New York after a short holiday. I want to say hello this week to Jimmy French, an old friend of mine, indeed he has been a good friend to many Tallow people in New York. "Frenchie" from Old Parish gets the Leader every week and I'm told he reads our notes. A real stalworth is Frenchie and still very much involved in Waterford GAA in New York. Remember if you have family or friends abroad and want to give them a mention we would be happy to oblige.

## BRIDEVIEW UTD A.F.C.

# Winning Start For United

The Old Boars Soccer Club from Tonbridge, Kent spent the weekend in West Waterford and played our Div. one and Div. three teams.

We thank the lads from the Old Boars Club, especially Andrew and James. They were terrific ambassadors for their club and were a credit both to themselves and their parents. The results did not go their way but that didn't deter the boys from enjoying themselves. To their big Arsenal contingent, sorry about the result lads, ha ha.

#### Results

Brideview Utd 'B' 3 Old Boars 2 — This was a real thriller and man of the match here was Thomas Mulcahy who scored a hat trick for Utd. His opening goal came in the 8th minute when he crashed home from 25 yards after a great cross by Brian Donnelly. Utd held this lead going into the final minute of the first half when Johnny Lee Kemp equalised. At the break the sides were level at 1-1.

Three minutes into the second half the Old Boars went in front when Richard Tennant scored. Utd had a chance to get back on level terms two minutes later but the Boars keeper denied Utd with a fine save from the penalty spot. However, Utd were back on level terms in the 62nd minute when Mulcahy scored his second.

It was Mulcahy who scored the final goal in this exciting game. It came from the penalty spot and Mulcahy gave Smithham no chance. A good win this for Utd in a game in which the result could have gone to either side.

Utd; I. Farmer, P. Cronin, F. Power, B. Hickey, S. Pratt, P. Murphy, J. Lane, R. Cronin, J. Tobin, T. Mulcahy, B. Donnelly. Res. all used; O. Fitzgerald, M. McGrath, J. Harper.

Old Boars; Tom Smithham, Paul Schofield, Andy Leale, Neill Tappin, Johnny Madderson, David Bartlett, James Mitchell, Mike Davis, Johnny Lee Kemp, Richard Tennant, Charlie Catrall, Res; Guy Howe, Dom Law.

Brideview Utd 'A' 7 Old Boars 1 — Our first team proved too strong for our visitors on Sunday afternoon. Utd went in front after just 4 minutes when John P. Grey scored. Philly Curley added number two four minutes later. David Doyle grabbed number three in the 37th minute (much to the delight of Stephanie). Stephen Pratt put Utd 4-0 in front after 42 minutes. John Paul Grey put Utd 5-0 up when he scored from the penalty spot.

The Old Boars pulled a goal back through Richard Tennant in the 63rd minute. It was Utd who finished the stronger and added further goals through Tim Linehan and Philly Curley.

Utd; B. Sheehan, B. Henley, P. Curley, D. Martin, R. Henley, B. Curley, J. P. Grey, D. Doyle, T. Linehan, P. Curley, S. Pratt. Res used; M. Walsh and R. Cronin.

The Old Boars; T. Smithham, P. Schofield, A. Leale, N. Tappin, J. Madderson, D. Bartlett, J. Mitchell, M. Davis, J. Kemp, R. Tennant, C. Catrall. Res; G. Howe, D. Low.

#### Celebration

Yes, it was birthday time for Kathleen Erangey, eldest daughter of the late James and Mary Power, Glenagloagh. Kathleen's daughters somehow got the key to her ancestral home and together with some of her family brought their mother on a surprise visit. Kathleen is aged just 80 years young. Well done Kathleen.

Also celebrating her 40th birthday in Tallow is Christine Lee, daughter of Essie and the late Gerard Sheehan. Christine was born at 14 Convent St., Tallow and has a great love for her 'Ould Country'. With Christine is her husband Jack and two daughters Carrieanne and Lena. Christine in fact was only 3 months when she left Tallow. As I write this I think of her brothers Ted and Joe who were good friends of this PRO and how time passes us by.

#### Happy Birthday

To Pip who celebrates her 21st birthday. Ahem ahem! Again this week watch out for the cheques in the post Pip.

#### Speedy Recovery

To the Giles family, especially Sandra who is still in hospital. However we are glad to report that everyone is on the mend. Stephen Gales plays with our U-14 soccer team but he is on the mend and should be ready when the season begins.

#### WET START FOR FESTIVAL

Yes, the torrential rain which fell on Sunday evening made sure the festival got off to a low key start. The Beat on the Street did go ahead but the crowd was down on last year. Lighting strikes kept the crowd entertained in the Community Centre with a really top class performance.

The sports on Monday night were cancelled due to the weather. Hopefully the weather will improve for this weekend as it should be a terrific weekend with a full programme of events and a visit by Brush Shiels and Gina. Remember their last visit?

Sunday afternoon sees the Disney Show visit Tallow and parents, this is a must for children. Check advert in this paper for full details.

#### KEEP TALLOW TIDY

At this stage the results of this Inter town competition is not known but we feel Tallow may have finished in third place. We should know for next week.

# Local Schools Express Satisfaction With Leaving Cert Results

School principals around the county have expressed satisfaction with last week's Leaving Certificate exam results. Excitement and tension was very much in evidence last Wednesday when Co. Waterford students collected their results at the various secondary schools and colleges.

Fr. Pat Moran, Principal of St. Augustine's College, Duckspool said he was very pleased with the results overall and many students had achieved their potential.

110 students sat the Leaving Cert. exams at the college and according to Fr. Moran they scored very well across the board achieving 'good solid results'.

With regard to the controversy over the honours geography paper which was slammed by students and teachers alike, Fr. Moran however said the geography results were well up to standard this year.

Just under seventy students collected their results at Dungarvan CBS secondary school where principal Jim Ryan said he was delighted for all those who had worked hard to achieve excellent results.

Two students in particular were over the moon - Walter O'Grady got eight honours, scoring four A's and four B's while another star

pupil Garvan McCarthy get an incredible 590 points with five A1's, an A2 and a B1 all in honours subjects.

Mr. Ryan said he was particularly delighted with the repeat Leaving Cert. students who performed superbly in their exams. This was the school's first repeat venture and a lot of resources were put into the class.

Despite the reservations expressed over the history and geography papers, Mr. Ryan said the students results in these subjects were excellent.

He thanked the members of the teaching staff for their hard work over the past year and he wished the students every success in the crucial days and weeks ahead when the third level places will be allocated.

### PRAISE FOR TRANSITION YEAR

The 6th year class at St. Anne's Secondary School in Cappoquin also achieved excellent results across the board in this year's examinations.

They were the first from the school to sit the Leaving Cert. having completed 4th year after their Junior Cert.

School principal Orison Carlisle told the 'Leader' that Transition year made a huge difference to the results of the 34 students and he was

particularly impressed by the benefits of this additional year.

He wished the students well in their future careers and said that school leavers have never had such a variety of courses and options from which to choose.

Elsewhere Pat Buckley of Dungarvan Technical College said he was very pleased with the results achieved by students in this year's Leaving Cert. Students were delighted with the good grades they achieved especially in Irish, Engineering and Building Construction. Some of these students are now transferring onto the IT colleges, agricultural colleges and in some cases directly into employment. Up to 50% are remaining on in the college to complete one of the seven Post Leaving Cert courses.

"These courses lead to NCVA qualifications", said Mr. Buckley, "and students obtain very good jobs with these qualifications as well as enhancing their points for entry to the IT colleges".

The college has reported a dramatic increase in the numbers applying for PLC courses this year.

The principal of Ard Scoil na nDeise, Margaret O'Brien reechoed the sentiments expressed by her educational colleagues around

the county. Just under 100 students sat the exam at the school, twelve of which completed the Leaving Cert. Applied course.

"We are very pleased with the results overall", she stated, "and we hope the students get the careers they want".

Ms. O'Brien thanked the teaching staff of the school and said their effort was rewarded.

### TWIN SUCCESS!

Ann Fitzgerald of Lismore Presentation secondary school congratulated the school's 38 Leaving Cert. students. She said they performed very well in their exams this year being awarded A's in higher level subjects right across the board.

She made special mention of the twin sisters in the class Eleanor and Claire Flynn who scored 540 and 530 points respectively.

"We wish all our students every success as they move onto third level courses", she added.

The 32 Leaving Cert. students of Lismore CBS were also congratulated by principal Maurice Geary who said the results were excellent overall. He wished the students well in the future and said he hoped they get the offers they want when the third level places are announced later in the week.

The early bird catches the worm they say, it proved true for Niall Twomey who was amongst the early starters on Friday and came in with a 63 in weather that was ideal for golf. He was closely followed by Barry Rumley with a fine 64, Brian Shanahan was also sitting nicely with a 65, Kevin Roache had an ace at the 3rd and came in with a 68, and so to Saturday, where more fine golf was played with nobody being able to knock Niall off the top of the leaderboard though there were a few players trying, namely Alan McCarthy 64, Noel Landers 64, Terence Rumley who was keeping his brother firmly in his sights with a battling 65 and Tony Shalloe also 65. Sunday saw a

chance in the weather with the wind getting up and the rain falling. Could Niall shoot another low score in completely opposite conditions and going out last instead of first. My own tip when I saw the weather was Pa Morrissey starting out with a 66. He is a fine player in adverse conditions. He duly became Lismore's last major winner this Millennium even though he didn't have the best 36 hole score. This honour went to Alan McCarthy, a country member from Youghal shooting a magnificent 126. So well done to Pa with his 130 winning by a clear 2 shots from his Lismore counter-

parts.

### Junior Hurling Championship

Our Junior hurlers defeated neighbours Tallow in the Championship on Friday evening last. Their next round is on Saturday next 28th Aug. The final score was 4-12 to 1-6.

This was an impressive showing from our lads and proved too much for Tallow in a lot of areas of the field. John McGrath made two terrific saves in the second half when Tallow did attack, our backs were very tight with Peter Howard at centre back, and young Shane Kearney showing great promise.

At midfield Sean Prendergast and Billy Walsh were on top all through the game.

Up front our forwards were lively and dangerous when in attack, with Colin Kearney, Ollie O' Dowd and Dermot Ormonde being in great scoring form, ably assisted by Michael Shanahan, Martin Ormonde and Alan Landers.

### Senior Hurling Challenge

Our senior hurlers travelled to Kilsheelan last Sunday morning where they play Mullinahone. This was a fair enough show from Lismore but will have to improve immensely if we are to beat Ballygunner. The final score was Lismore 4-11 Mullinahone 2-18.

## TOURIN G.A.A. CLUB NOTES

We travelled to Ballyduff GAA grounds last Saturday evening to play Ballysaggart in what was to be our one and only game of football in '99. Not having partaken in league or championship for the last number of years, this was for a lot of the younger players their first taste of football.

Captained by V. Ormond who with his midfield partner P. Walsh gave a fine display of high fielding all through the hour. J. Collender brought off some fine saves between the posts. B. Mernin at full back with P. Leahy and T. McGrath in the corners made life very difficult for the opposing forwards.

K. Wilkinson was a tower of strength at centreback and our two young wing backs P. Cronin and D. O' Keeffe made sure there was very little passed down the wings.

J. D. Leahy at centre forward and D. Moore on his right showed that with the right type of ball they are capable of opening up any defence. Wing forward B. McGrath and corner forward B. Doocey made sure that full forward J. McGrath and the other corner W. Leahy had a constant supply of good ball.

Playing with the wind in the first half we never really settled and went in at the break Tourin 0-0 Ballysaggart 1-7.

With no subs and very few positional

changes they started the second half like a new team. With Ballysaggart on the back foot and poacher supreme J. McGrath getting two great goals. Points from V. Ormond, D. Moore, P. Walsh, B. McGrath left just 3 points between the teams with five minutes left on the clock but try as we may we just couldn't find the target. A late effort which went just wide of the post with the goalie well beaten would have earned us a draw. The last score went to Ballysaggart to leave the final score Tourin 2-4 Ballysaggart 1-11.

At the end of the day the strength of the Ballysaggart squad was the difference of having so many players to choose from. From our own point of view with 6 regulars missing and our first game of football for so long it was a really great performance and to hear the players in the dressing room asking about the league for next year, there is definitely light at the end of the tunnel. Well done to all concerned.

We play Geraldine's in the final of the Junior B Hurling in Cappoquin on Sunday 5th September at 2.30 pm. With the youth and passion of the football and a good effort at training on Tuesday and Thursday evenings we most definitely can go all the way.

We would like to wish Brian Leahy a full and speedy recovery having sustained a broken finger playing minor.

## LATE MARIE BRENNAN

The people of Fews were very saddened recently on hearing of the death of Miss Marie Brennan, Principal of Fews N.S. Miss Brennan, who had been teaching in Fews since 1998, died in Our Lady's Hospice, Harolds Cross on August 16 after a short illness.

As Principal of Fews N.S. Marie contributed a lot to the local community. Her gentle and courteous manner endeared her to all and the pupils and parents in Fews will sadly miss her. Marie was a conscientious teacher with a special interest and talent for art. This was evidenced in the quality of children's artwork displayed in the school. The children in Fews played a large part in Marie's life and in her final weeks the many cards and letters which she received from them brought her untold happiness and pride.

A member of Dungarvan and Tramore Golf Clubs and of Tramore Badminton Club, Marie was an energetic and competitive sports woman whose enthusiasm will be sorely missed by her many friends in sport.

We extend our sincere sympathy to her sister Eileen, brother Tom, sister-in-law Margaret, brother-in-law Pat, niece Fiona, nephew Paul and all her relatives and friends. Ar dheis Dé go raibh a hanam.

## OUTING

All the old folks had a great day on the outing recently. Thanks to all who

organised it.

## FIELD DAY

September 19 in Kilrossanty. More details later on.

## SYMPATHY

Sincere sympathy is extended to the family of Marie Brennan, Principal teacher of Fews N.S. who passed away last week after a short illness. She was a native of Dublin.

## KILROSSANTY G.A.A. CLUB NOTES

Alfie Kirwan (capt.) received his award from Pate Veale, a great player and member of the club. Roger Power received his award from his father who was a great player in his day. This was a proud day for Jimmy. Jack Kiely received his award from former councillor Oliver Coffey who keeps a great interest in the club down through the years. Seamus Veale was presented with his award from his grandfather, Pate Veale. It was also a proud moment for him. Jason Dee, on behalf of his father Paddy, received the award from Liam Brazil, Treasurer of Kilrossanty G.A.A. Club. Robbie Whelan received his award from Tony Coffey, Chairman of Kilrossanty G.A.A. Club.

The last man to get the award was the manager John Kiely who got a standing ovation from all present. He received his

award from the captain of the winning team, Alfie Kirwan.

John Kiely said a few words on behalf of the team and especially the members from the club who were involved. He thanked the club for their generous awards on the night and hoped that the Conway Cup would be beside the All-Ireland Cup before the end of 1999. Music was supplied by Crystal Sound and M.C. for the night was Tony Coffey.

Meeting — Meeting next Tuesday night in the clubhouse at 9 p.m. re the talent contest which will be starting on October 1.

Clotto — The Clotto escaped last Sunday night. It is now £1,600 next Sunday night. The numbers drawn were 14, 20, 23, 24. Senior Football — The first round of the senior football between Kilrossanty and Gleann Na Bride was a non event as Gleann Na Bride gave a walkover to Kilrossanty as they

could not field a team. This was a let down for Kilrossanty as they will not have played any senior match before their next encounter with the Nire which may not be for two or three weeks time. A few challenge matches have been arranged in the weeks to come. Training continues every Tuesday and Thursday nights. Keep up the attendance.

Under-12 Football — In our last two games in the Under-12 Championship we had two good wins against Cappoquin and Tallow. Hopefully this will qualify us for the knockout stages. ## CLASHMORE COMMUNITY ENTERPRISE CO-OP GOLF CLASSIC

Clashmore Community Enterprise Co-op held a Golf Classic in West Waterford Golf Club on Thursday/Friday, August 19/20. The event was a resounding success thanks to all the effort which all the members put into the venture. While Thursday was a more relaxed day for the organisers, on Friday they were under severe pressure with the tees fully booked from 1 p.m. with teams out every ten minutes.

The success of this venture which looks set to become an annual event in the Enterprise calendar is due largely to the hardworking committee whom we hope will come back next year for a repeat performance. Engaging teams from as far away as Meath and Cavan, just to mention two sporting personalities such as Pat Fox (Tipperary hurler) and Christy Heffernan (Kilkenny hurler), well known jockeys and numerous local teams comprised of individuals and teams sponsored by local companies and businesses, to all of you we say thanks very much. Without you it could not be the success it was.

After the two days golf a great night was had by all in "The Decies Bar". Clashmore where the music was good, the craic was great and the food was much appreciated by all. ## Country & Western At Trabolgan Holiday Village

Calling all you country & western lovin' dudes out there to get out those stetsons spurs 'n' boots and start headin' for the hills - to the toe tappin' territory of Trabolgan for a mighty hoe-down.

Yip! It's almost time for the eagerly awaited Country & Western Festival Weekend in the picturesque woodland village of Trabolgan outside Middleton, Co. Cork, which runs this year from September 10th to 13th inclusive.

Details of the festival were announced at the Dublin headquarters of Beamish & Crawford, sister company of Trabolgan and supporters of the event.

This fifth County and Western festival offers a weekend full of the very

best of Irish, American and Hillbilly country & western music from leading entertainers across Ireland, Northern Ireland and the UK. Due to popular demand, Ireland's Queens of Country Louise Morrissey and Trudi Lalor will be making a return. The popular artistic line up also includes Susan McCann, sisters Sandy Kelly and Barbara Ellis, Tracy & The Bar Room Buddies, The Muldoon Brothers, Sara Jory, Conor McKay and Good Lovin'.

Over 2,000 people are expected to hit the southern trail to join in the hoedown, which is supported by Beamish Stout. There will be line dancing classes daily at high noon for both the experienced and those

with two left feet, and an opportunity to display your footloose skills at the scheduled barn dances. The truly wild at heart can also witness an exciting cowboy shootout.

Other activities planned for the themed weekend included country karaoke, fancy dress, horse show throwing, barbecues, street players, bow and arrow competitions and special childrens events. Y'might even earn your spurs at bruckin' bronco. Ant to ensure that y'all look like the cool country & western dudes that y'are at heart, folks, there're genuine country & western fashion stalls.

Speaking at the reception, Seamus Leahy, Marketing manager of Trabolgan Holi-

day Village said; "Since last year we have undertaken a major refurbishment and redevelopment of the complex so this years visitors to the festival have the added bonus of newly refurbished and decorated accommodation".

A variety of packages are available to suit those who want to stay for three days or just pass through for a day. Accommodation prices start at just £40 per person sharing a seven-bed 'ranch' for the entire weekend, to include the use of the Trabolgan Holiday Village facilities and the festival programme of events. Nightly concert tickets are £10, or £7.50 if you book in advance, and there's a special one-day rate of £35 for a family of six.

## Déise Day Care Centre For The Elderly

We were delighted to see so many people at the exhibition of Arts and Crafts on June 16 which was the work of some members of the Day Centre.

Dungarvan Walking Club held the George Harney Memorial Walk over the Comeragh mountains on June 26. The Day Centre was one of the beneficiaries of this event and we are most appreciative of their contribution and the effort of all those who took part on what turned out to be a very wet day.

Maura Curran opened her garden in Gliddane on June 30 for the benefit of the Day Centre and those who availed of the opportunity enjoyed a pleasant evening in this colourful and well laid out garden.

We are most grateful to all who support the centre in so many ways. The Day Centre is closed for August and will re-open on September 6.

### Work At Field

A lot of work has taken place recently at the Sportsfield including draining and ploughing. At the moment the club are asking members to help in the collection of stones. This is a major undertaking and will cost the club a lot of money before it is finished. This is just one of the many ways the club uses the takings from the club lotto.

By providing an extra playing pitch in the field, we

will be in a position to provide extra playing facilities for the youth of the area, thereby providing a useful service to the local community.

### Matches at Field

A number of very attractive matches have been played in the Field recently and the attendance has been very good. Of course, by bringing these crowds to the sportsfield, we are also helping to bring extra business to the town. There are some very attractive games scheduled for Cappoquin over the next few weeks, so watch your local papers for details.

### Busy Referees

Two of our local referees have been very busy recently - the very experienced Jim Joe Landers and Tommy O' Sullivan have had charge of a number of important senior games.

## Narrow Escape For Mother In West Waterford Abduction Attempt

Continued from Page 1

Dungarvan are still appealing for this elderly driver to come forward in a bid to trace the suspect. All information will be dealt with in the strictest of confidence.

Investigating Gardai in Dungarvan can be contacted at (058) 42370.

The woman told investigating officers that her attacker might have had a Waterford accent. He is described as between 20 and 30 with black hair and a pale complexion. He is also of a strong build and was wearing a black t-shirt with white lettering.

### STRIKING SIMILARITIES BETWEEN CASES

Gardai have stated that there are striking similarities between the Tallow case and two unsolved abduction attempts in Co. Kilkenny earlier this year. A red Opel car was used in all three attempts. The serial murder investigation known as 'Operation Trace' is now examining a possible link between the Tallow abduction bid and 11 unsolved cases.

Operation Trace officers will compare details of the abduction attempt with other cases. The details are fed into a computer programme designed to note similarities.

The inquiry was set up after the disappearance of student teacher Deirdre Jacob (18) in Newbridge, Co. Kildare in 1988.

The team is also examining the baffling disappearance of a number of young women in the midlands over the past number of years. At least six are believed to have been murdered and a number of highly publicised disappearances happened on roadsides in broad daylight.

Some unsolved cases include the disappearance of Fiona Sinnott (19) in Broadway, Wexford 1997; Fiona Pender (25) in Tullamore, Offaly 1996; Jo Jo Dullard (20) in Castledermot, Kildare 1995 and Ciara Breen (17) in Dundalk 1997.

# The Male Adolescent

**OLIVER J. KILLEEN**

When I turned 14 I left behind the trappings of boyhood - the park trails and trees, the ditches and hills that were the scenes of my earlier explorations and playfulness. Now I was journeying through the confusing years of adolescence.

One day as I walked through one of those familiar trails I stood for a moment and said to myself, "I'm not grown up, I'm not a child. What am I?" I didn't understand my parents and I was certainly convinced they didn't know me. Families don't come with instruction manuals so I couldn't turn to the index to search out advice. Yet despite the passage of time and a multitude of changes, this still stands pretty much unchanged for most adolescent boys. Parents don't seem to understand the things that are really deep in their adolescent sons' lives. Today young people need to be more aware, have a greater sense of self and be more adept at making life-behaviour choices than they did in my generation. Parents too have a responsibility to take a more active role in their children's lives and need to heighten their awareness of what their children are probably experiencing.

## FROM CHILDHOOD TO ADOLESCENCE

During adolescence the hormonal and physiological development in boys are phenomenal. As a boy moves into adolescence he feels that even his own body betrays him. He is filled with new urges and as he becomes interested in girls he responds with confused interest and feelings of inadequacy and fragility. In an effort to be male and strong he masks his insecurities and tries to make girls a mission although he doesn't know what this is all about. Society conditions boys to bury their feelings so they put on an air of self sufficiency but deep down they are consumed by fears of not being good enough. The enigma of their plight pushes boys to shun love while craving it. They declare "I don't need my parents" but cry inside "I need them desperately". Rebellion becomes automatic but yet inside they fear the kingdom they fight will throw them out. They become angered at the emergence from their chrysalis.

These years are also the years of searching for identity and an adolescent boy's emotional development determines how he adapts. It determines his level of compassion and his ability to be a loving responsible man. Children in the modern world generally enter pubescence earlier due to factors like better nutrition. At about nine to ten years they enter the pre-pubescent stage. Parents will notice that boys begin to pull away from their mother. Mothers often complain that their sons talk back to them and they don't seem to

listen to them so much anymore. In pre-pubescence boys become more independent and clearly define differences particularly from femaleness. Changes in behaviour are a normal part of the separation process by which boys assert themselves in wanting to be adult. In adolescence the body and the brain come together in this change. I must point out that not all boys are the same, there are unique and individual variances in this phase.

As a boy runs hot and cold in the striving for independence he will want to belong in peer groups but very often his own competitiveness will create insecure emotional confusion so he'll alternate in swings and pulls between peers and his parents. He will constantly remind parents that they don't have the power over him that they used to and will often do things that are forbidden, fracturing home rules. His aggressive external self will appear not to need the family but actually he needs the safety net of home and parents very much. At this stage parents have a great opportunity to transition with the boy and lean towards greater independence coupled with increasing responsibility on the boy's part, not towards permissiveness.

Peer influence is more important than parents realise. Boys get a lot of information from peers on topics of sex, sex roles, substance use etc. A boy at this stage will probably begin to experiment with many things as he wants to fit in. He imitates the dress and behaviour of his peers often not quite knowing whether he is accepted or not. Moods and behaviours vacillate from boisterous to subdued. Often he is loud and postured among peers whilst home he may be withdrawn and silent. As boys move through this stage they become more conscious of appearance and skills, more sensitive to criticism and more anxious about behaviour. They become introspective and self critical but cover it over. Their attention spans increases and they often like to do big attention demanding tasks. It is at this stage also that they are differentiating fact from fantasy and are thinking abstractly. No longer will they accept parents cries of "because I said so". They want to know why and if parents can't supply the answers peers will. This is the age of a seeking and exploratory mind that is still fragile. Parents are dismayed, when alarmed when they see their sweet little boy turn aggressive. As hormonal changes occur and cognitive development increases boys experiment with the new emerging self and it's these changes that help them find their new adolescent self. Parents of adolescent boys should know that the increased aggression or bravado in their sons is their armouring against vulnerability.

In conclusion may I remind parents they are the last stand when adolescent boys face troubles and this code lies in the conversations of parents and their sons.

Next week the psycho-social development of adolescent boys.

The lonely way you died,  
Paul, is always on my mind,  
I wonder if you called our names, I wonder if you cried.

No one you loved was by your side,  
To hear your last faint sigh,  
To whisper just a loving word,  
Or say a last goodbye.  
Sometimes I think I'm dreaming,  
I cannot believe it's true,  
That I can go on living,  
Now that I no longer have you.

So forgive me, Lord, if today we weep,  
For a brother we lost and couldn't keep,  
Perhaps some day you'll tell us why,  
You broke our hearts and let him die.  
It's hard to live without you, Paul,  
But it's only for you I smile and go on.

(Love always — your sister Siobhán.)

**HICKEY** — Second Anniversary — In loving memory of my dear brother, Paul Hickey, Ballinakill, who died tragically on August 30, 1997.

Two years have passed since you've been gone,  
We never said goodbye,  
Gone without a warning,  
I can only wonder why.  
Many things we could have shared,  
I don't know where to start,  
I only know I miss you,  
From the bottom of my heart.

Remembering you is easy,  
I do it every day,  
Missing you is a heartache,  
That never goes away.  
(Loved and remembered — your brother Pat.)

**HICKEY** — Second Anniversary — In loving memory of my dear brother, Paul Hickey, Ballinakill, Kilbrien, who died tragically on August 30, 1997.

**PAUL**  
No one knew that morning,  
What sorrow the day would bring,  
When a heart of gold stopped beating,  
And we could not do a thing.  
We still expect to see your car, Paul,  
Your pride and joy from near and far.

Two years have passed,  
Seems like yesterday, our memories clear,  
They always will stay.  
A beautiful life came to an end,  
You died as you lived, everyone's friend.

Your place no one can fill,  
Our rallies just haven't been the same,  
In life we loved you dearly,  
In death we love you still.  
I know you drive beside me,  
And when my life is through,  
I pray that God will take my hand,  
And bring me straight to you — Paul.

(Forgetting you never, loved and remembered always by your brother Tony and your friend Michelle.)

**HICKEY** — Second Anniversary — In loving memory of my dear brother, Paul Hickey, Ballinakill, Kilbrien, who died tragically on August 30, 1997.

A thousand words won't bring you back,  
We know because we've tried,  
Neither will a million tears,  
We know because we've tried.

A brother is a special gift,  
One you think will stay,  
We never thought the day would come,  
When you'd pass away.  
Now in heaven above you rest,

God bless you Paul, you were the best,  
A heart of gold, a life so true,  
Loved and remembered by all you knew,  
Always willing, helpful and kind,  
What beautiful memories you left behind.

(Never forgotten, always proud — your brother Alan.)

# IN MEMORIAM

**HICKEY** — Second Anniversary — In loving memory of my dear son, Paul Hickey, Ballinakill, Kilbrien, who died tragically on August 30, 1997.

Anniversary Mass at 7.30 p.m. in Kilbrien Church on Monday, August 30.

**PAUL**

You were always there when I needed you,  
No task too great or small,  
No one knows the heartache,  
Of what parting with you cost,  
But God in all His glory,  
Has gained what we have lost.  
I speak your name with love and pride,  
I smile with tears I cannot hide,  
Your shadow walks beside us now,  
Forever by our sides.  
With a broken heart I whisper low,  
God bless you Paul, I miss you so.  
Thank you Paul for the years we shared,  
The love you gave, the way you cared.  
(Sadly missed by your heart-broken mother.)

## Leaving Cert Options At Dungarvan Technical College

# LEAVING CERT APPLIED – A DIFFERENT WAY

Dungarvan Technical College is now one of over 200 schools in the country providing the Leaving Cert Applied Programme. It is a two year course and is suitable for students who favour a practical approach to their education. Students will do nine subjects and they will be assessed on their work throughout the two years so that when they reach their final exams they will have a lot of the marks acquired already.

Success in the Leaving Cert Applied means students can go direct to employment or go into a Post Leaving Cert course of their choice. They can also go into apprenticeship training with FAS or Hotel and Catering training with CERT. The Leaving Cert Applied Programme encourages students to work on a steady, continuous basis throughout the course which is very similar to the way Post Leaving Cert courses are assessed. This gives Leaving Cert Applied students a major advantage when they go on to further education.

Another feature which the Leaving Cert Applied Programme has in common with Post Leaving Cert courses is the work experience module - students are assigned to an employer during the year and this gives them a chance to experience first hand what the world of work is like.

Furthermore students who successfully complete a Post Leaving Cert course can be eligible for admission to a range of third level courses.

### Subjects

Maths - Practical Application of maths.  
English - Developing good communication skills.  
Irish - Conversational and daily usage.  
French - Conversational and daily usage.  
Information Technology (IT) - Proficiency in computing.

Engineering - Follow on from Junior Cert metalwork.

Construction Studies - Follow on from Junior Cert woodwork.

Art - Emphasis on art in the community.

Social Studies - Community, social and health education.

Leisure and recreation - Theory and practice of fitness and sport.

Hotel and Catering - Preparing students for CERT.

Work experience and the world of work.

There is a strong emphasis on computers in the Leaving Cert Applied and students will be competent in several areas of computers e.g. information technology (IT), computer aided design (CAD) and computer numerical control (CNC) machinery. The facilities in the college are excellent with each room fitted out with modern equipment.

Another key factor in the course is attendance and each student must have an attendance record of 90% or better. This level of attendance is critical in ensuring that the students carry out all their key assignments and tasks which will count towards their marks in the final exams.

The student work is assessed by a system of credits and 67 credits are available for the work done by the students during the year (attendance is rated at one credit) plus 33 credits which are available from final exams. The pass rate is 60 credits, therefore it is possible for a student to have a high percentage of credits before they sit their final exams.

Having successfully completed the Leaving Cert Applied Programme, the options for students are as follows:-

Direct to employment.  
Post Leaving Cert course then Institute of Technology.  
Apprenticeship/training with FAS or CERT.

The Leaving Cert Applied Programme is a major new initiative in Irish education and is a much fairer and less stressful way of assessing the abilities of the 'whole' student. In its own way it is a challenging and exciting way to complete second level education.

Application forms are available from the college and should be returned by the end of June. Interviews for admission to the course will take place on Wednesday, September 1, 1999.

For further information contact the college at (058) 41184 and arrangements can be made to meet the co-ordinator Mr. G. Howley who will be glad to answer any queries you may have.

## LEAVING CERT VOCATIONAL PROGRAMME

The Leaving Certificate Vocational Programme has been running in Dungarvan Technical College for the past three years. This programme has a strong vocational dimension and enhances the traditionally academic Leaving Certificate. This popular option combines the usual seven Leaving Certificate subjects Irish, English, Maths, French/Building Construction, Business Studies, Home Economics/Engineering, Drawing, Religion, Physical Education as well as three link modules - Enterprise Education, Preparation for Work and Work Experience. The intrinsic value of these modules is underpinned by the modes of assessment, which allocates 60% of the marks for the portfolio. The remaining 40% is attained through a written examination of the course.

### Further Education

A major bonus of this programme is that students can gain high points in this subject

for college entry. The recent announcement by the Conference Heads of Irish Universities of their decision to recognise the LCVP Link Modules in point terms for entry to courses in the 1999/2000 academic year is a welcome addition to the programme as up to now it was solely recognised by the Institutes of Technology. The growth of this programme from 1250 students in 1995 to an expected 40,000 in 1999/2000 is an indication of the value placed on this new approach to education by schools and school managers.

## Establishing School/Business And Community Links

Forming links with community and business organisations is an integral part of the implementation of the Leaving Cert Vocational Programme. Students benefit by:-

Awareness of business and enterprise.  
An enhanced curriculum.  
More informed about career opportunities in local businesses and in the community.  
Learn the importance of enterprising traits such as self-confidence and flexibility.

The following is a quote from a past student, Thomas Hallahan from Villierstown, Cappoquin:-

"I found it to be an excellent insight into enterprise (through setting up a miniature company) as well as some useful work experience. As the L.C.V.P. counts as part of the Leaving Certificate, the extra points gained through it helped me achieve a place in the Institute of Technology in Waterford to do Mechanical Engineering. The computer experience I gained through the L.C.V.P. has been quite useful in my college course, computing is, after all, a very big part of it.

Overall I would recommend this course, a useful and practical addition to the traditional Leaving Certificate."

## RNLI Dungarvan Bay Swimmers Are Ready

Due to adverse weather conditions the 5th annual Dungarvan Bay Sponsored Swim in aid of the Helvic Head Lifeboat had to be postponed on Sunday last and will now take place on Sunday, September 5 at 1.30 p.m.

The day promises to be a spectacular one with a flotilla of safety boats accompanying the swimmers as they make their way from Ballinacourty Lighthouse across the bay to Helvic Pier. Lifeboat personnel from six neighbouring stations have been invited to view the new lifeboat house in Helvic. And the Dungarvan Sailing Club will be hosting a race, providing a graceful backdrop of sails cutting their way through the water.

Our sponsored swimmers have been in training for months in readiness for this feat of skill, stamina and physical excellence. They are Claire Morrissey, Darren Drummy, Eddie O'Mahony, Ray O'Dwyer, Aoife

Flynn, Johnny Clarke, Eanna Sheehan, Declan Clarke, Paul O'Gorman and Aidan O'Keefe. They will be joined by supporters from Cork Masters Swimming Club, Terry Fleming and friends.

Remember the RNLI is a voluntary organisation which exists to save life at sea and our swimmers and all concerned are doing this to raise money to keep the Helvic Head Lifeboat afloat. So when asked for sponsorship, we know we can rely on your usual generosity. Whatever the weather or the time of day or night, distress calls are always answered by the lifeboat and its volunteer crew members.

Souvenirs and refreshments will be available in the new Lifeboat House and weather permitting a barbecue as well. So there will be something for all the family to enjoy.

RNLI invites you to join us at this splendid event at Helvic Pier on Sunday, September 5.

## NAOMH BRID GAA NOTES

### UNDER 10 HURLING TOURNAMENT

On Saturday afternoon Naomh Brid GAA Club will hold its third annual under 10 Hurling Tournament at Kirwan Park with a 1.30 start.

This year's Tournament is being sponsored by Jimmy Coffey Plant Hire and will see four teams in action. Along with Naomh Brid, Colligan, Ardmore and Clashmore will take part. As we have only four teams taking part and as we are playing for two cups all four teams are assured of reaching a final and so each player taking part will be presented with a medal.

The Tournament will be run off in a league style basis with each team playing each other once. When all four teams have all their games played the top two teams will compete for the Michael Kiely Cup with the bottom two teams competing for the Touraneena Juvenile Perpetual Cup.

Over the past two years this tournament has been well supported and some brilliant hurling has been served up and hopefully this year will be no different. With Naomh Brid assured of reaching a final hopefully a big crowd will be in attendance for the finals which will be played around 4 pm. Under 12's Football

Our under 12 footballers travelled to Lismore on Friday night last to play their second last game in this competition and a win was not to be theirs. The final score was Lismore 2-10 Naomh Brid 1 goal scored by Seamus Power who picked up an injury and hopefully it is not too serious. On the night we saw some brilliant saves by John Power in goal and some fine football skills by all the team. Our team were John Power, Knockmeal, Johnny Buckley, Patrick Donovan, Seamus Power, John Power, Redgate, Tommy Buckley, Nick Dalton, Kevin O' Neill, Jamie Troy, Tom Cashman, Shane Hourigan, Kieran McCarthy, Sean Fitzpatrick, Patrick O' Connor. There is one more game to be played against Kilgobnet at a date to be arranged.

### UNDER 14'S FOOTBALL

Our under 14's play their first game on August 30th against the Nire in Kirwan Park, Touraneena at 7.30 pm. They will also be meeting Kilgobnet away, An Gaeltacht away, Tallow at home, St. Oliver's at home. Dates in paper every week.

### BEST OF LUCK

The club would like to wish both Waterford teams the best of luck in the Tony Forristal, Sonny Walsh Tournament. Willie Power and Tristan Hickey will be part of the teams.

### TRAINING

This week I will begin to tell ye about our trainers in the club and I will start with Tom Condon who looks after our youngest hurlers, our under 8's. Tom does indoor hurling with Tom and took them to a tournament in Bushy Park recently. Tom's own son Cormac plays on the team and Tom puts a lot of work in with the young boys to prepare them to continue playing for Naomh Brid. This start that Tom gives the young players will stand to them forever.

Our chairman Declan Fitzpatrick trains under 10's and 12's in hurling. Declan has a great love of the game and is really good with all the boys. His own son Sean plays under 10's and 12's for the club. Declan enters the boys in a lot of tournaments and is always there to line them out and to cheer them on. He has been known to go out and ref. a game at short notice, Declan puts a lot of hard work in with the boys and can give a mean talk in the dressing rooms before the game. Declan works with the Intermediate team also and had a few good games this year with them. Declan works alongside Nick Donovan with the under 10's and under 12's. Nick's son Patrick plays with under 10's and 12's and it won't be long before his second son Sean plays also. Nick loves football as well as hurling and is very involved with the under 12's football team and as the games went on this year you could see his work paying off. Nick travels to all the matches to cheer on the boys and has also refereed the odd match at short notice. Nick still plays himself with Modeligo. These three men show great dedication to the game of hurling and football and the boys and the club are very lucky to have them.

### KNOW YOUR SPORT

Over the next few weeks we will have a new competition but it will involve a various range of sports. We will have ten questions and you will only find them in the Dungarvan Leader each week so it would be advisable to cut out the notes and keep them each week. This time the system is slightly different. Question 1 is for 1 point, question 2 is for 2 points and so on up to 10 points for question 10.

This week's questions are as follows;

1 Who is the current manager of the Limerick Senior Hurling team?

2 Who are the current Waterford Senior Football champions?

3 What Rep of Ireland soccer star recently signed for Coventry City?

4 What former Irish World champion was known as the Celtic Warrior?

5 Name the International governing body for swimming who banned Michelle de Bruin for 4 years recently?

8 How many cyclists wore the yellow jersey during this year's Tour de France?

9 Name the coach of the American Junior Racquetball team who visited Ireland last year?

10 Name the Kilkenny athlete who won both the 100 m and 200 m sprints in last years Youth Olympics in Moscow?

### JUNIOR 'B' FOOTBALL

On Saturday evening we played Tourin in Ballyduff in Junior 'B' Football. Played in a swirling wind, we led at half time on the score 1-7 to no score. In the second half we seemed hell bent on losing this game. Tourin scored two goals rather easily and suddenly seemed to be playing much better. A few more scores from our forwards steadied things and the final score was 1-12 to 2-4.

# Stradbally G.A.A. Club Notes

### FIXTURES

Junior Football v Dungarvan on Friday 27th Aug. at Leamybrien at 7.00 pm. Minor Football Western Final on Wednesday 1st Sept. at Cappoquin at 6.45 pm v Shamrock's. Best of luck to all our young footballers and trainers and selectors who have put a lot of work into this grade.

### UNDER-12 FOOTBALL

Our U-12's took on the Brickey's last Wednesday evening in Stradbally. This was a fairly even game with Stradbally coming out on top towards the end. They are now through to a Western Final. A lot of work is being done here by Robin Ahearne, George Walsh and Maurice Lannen.

### SENIOR FOOTBALL

On Sunday evening we travelled to Kill to take on the group team Meagher's. Really this was a no contest match as in my opinion group teams are a thing of the past. The score at half time was Stradbally 2-7 Meagher's 1-1. In the second half we played against a stiff breeze and most of our scores came from placed kicks with John Hearne scoring an excellent point from play. The final score was Stradbally 2-14, Meagher's 1-2.

Team; K. Cunningham, K. Coffey, L. Walsh, T. Walsh, S. Keane, J. Walsh, E. Clancy, T. Costelloe, J. Hearne, J. Coffey, G. Power, T. Curran, N. Curran, S. Cunningham, E. O'Brien.

In the Quarter Finals we are drawn against County Champions St. Saviour's. This is an extremely tough draw nonetheless our lads will be up to the task.

### BAND

Our sincere apologies to our patrons for having no music in the club. The band only cancelled on Saturday evening and we could not get a replacement. This was totally beyond our control.

## NEW SEASON OFF TO WINNING START

The new season got off to a winning start on Tuesday week last with our youth team, under the new management team of Kevin Moore and Kevin Hayes, being victorious away to Railway Athletic 6-0. Feature of this game was the four goals scored by Nickey Donnelly who has returned to the club this year. Nathan Burke and Alan Linnane scored the other goals to give them a fully deserved win.

On Friday night they were away again to De La Salle and with a very much depleted squad went down 2-0. However, they were very unlucky as they created as much chances as the city side but had no luck in front of goal.

On Sunday afternoon last in dreadful conditions at Kilrush Park they bounced back to defeat Hibs 2-1. This was a very hard fought win and the three matches in six days showed in their play in the second half and fair play to the lads who played all three games. Nickey Donnelly scored both goals for the young

Blues.

They are at home to Villa this Friday evening and at home to Ballyduff on Sunday morning next.

## COMFORTABLE WIN FOR BLUES

**Waterford Junior Cup  
2nd Round  
Dungarvan A 4;  
Kilmacow 0**

Dungarvan United's Premier team advanced to the next round of this cup competition with a comprehensive defeat of Division 1B side Kilmacow at Kilrush Park last Saturday afternoon.

The visitors put in a tremendous first half performance and for long spells of this half enjoyed the better of the exchanges, but new keeper Niall Barry and the back three of Aidan Landers, Alan Landers and Killian Lyons dealt comfortably with what came their way. Dungarvan's best spell came midway through the half when Micheál Downey, John Donnelly and John Power all drew good saves from the Kilmacow keeper before Bernie Crotty was taken down in the penalty area after 26 minutes and John Donnelly tucked away the resultant penalty that divided the sides at the interval.

Dungarvan's ability began to surface more in the second half as Kilmacow visibly tired and in the 52nd minute John Power knocked in the ball to John Donnelly who scored a cracking goal with a shot that flew in from just outside the area to make it 2-0. Two minutes later the game was over as a contest as a lightning fast break from defence saw Micheál Downey apply the finishing touch to a five man move to make it 3-0.

With the midfield quintet of Mark Hyslop, Joe Nolan, Gerry O'Connor and, when introduced, David Sheehan and Martin McGovern totally on top goals seemed inevitable. Joe Nolan and John Donnelly both struck the woodwork before Killian Lyons curled a beauty into the top corner in the 86th minute to leave the final score 4-0.

Dungarvan: Niall Barry, John Power, Aidan Landers, Alan Landers, Killian Lyons, Bernie Crotty, Mark Hyslop, Joe Nolan, Gerry O'Connor, John Donnelly, Micheál Downey. Res: Martin McGovern, David Sheehan, Kevin Walsh (all used); Obbie O'Connor, Kealan O'Neill.

Ref. John Flanagan.

## BEEFIE SPOT ON!

**Woodstown 2;  
Dungarvan B 2  
(Dungarvan won 6-5 on  
penalties)**

Dungarvan B made the long journey to Woodstown on Sunday morning last and came away with a victory, on penalties, after the game ended in a draw. The Blues were short a number of players for this game but those who did turn-up gave their all in quest of victory.

They got off to the best possible start after only 3 minutes when a well flighted Mickey Donnelly free from the right flank was met on the volley by Trevor O'Mahoney and he gave the keeper no chance from 16 yards. Their lead was short lived however as in the 10 minute Woodstown equalised when two of their players looked offside. A Mickey Donnelly shot was parried by the keeper and the ball broke to Paddy Walsh who shot wide in the 35th minute. Mickey Donnelly had a shot well saved by the feet of the keeper. Mark McCarthy was doing very well on the right flank and got in some good crosses as the first half ended in stalemate.

The Blues took the lead early in the second half when Mickey Donnelly broke up the left wing and pulled the ball back into the path of Paddy Walsh who drilled it low to the corner of the net. Just when it looked as if they would hold out for a deserved win, with 6 minutes remaining, they gave away a needless free 25 yards from goal and the home side's striker shot home an unstoppable free to the top left hand corner of the net.

So we had the dreaded penalty shoot-out and after five kicks each the sides were still level on four goals each. John Paul Donnelly, Trevor O'Mahoney, Mickey Donnelly and Philip Coles scored in the first five kicks. So we now came to the sudden death spot kicks. Woodstown missed their kick and Mark McCarthy did likewise for the Blues. The home side scored their next kick as did skipper Finbar O'Rourke for Dungarvan. Woodstown had their third sudden death kick saved by Thomas Wright and Dungarvan now had the chance to win the game if they could score. As the manager looked around his team for an experienced player he spotted Beefie in the background, dreaming of a big fry, and he answered the call

and coolly slotted home the spot kick to put the Blues into the 3rd round.

They are away to Waterford Crystal B on this Wednesday evening 25th August at 6.30 p.m. in the 3rd round.

Dungarvan: T. Wright, J. Downey, J. P. Donnelly, F. O'Rourke (Capt.), M. McCarthy, T. O'Mahoney, D. Hickey, P. Coles, P. Walsh, M. Donnelly. Res: J. W. Power for D. Hickey.

## BUSY WEEK FOR JUNIOR PLAYERS

It has been a busy week for our junior players playing three games in four days with our 2B team playing on Wednesday and Friday nights in the Fraher Memorial Cup in Ballinroad club grounds and our 1A team playing Bohemians' Premier side in the TSB Cup on Saturday.

## 2B Team

On Wednesday evening last we played Ballinroad in the Fraher Cup. A good game was had by all with James Manahan coming close on a few occasions in the first half. The second half was an improvement on the first half but both teams failed to score so it ended with a penalty shootout which we won 4-1 with Charlie Barry, James Manahan, Tom Mansfield and Gary 'Earthquake' Morrissey scoring. Credit has also to be given to our goalie Kieran Cullinane who stopped two of the Ballinroad penalties.

On Friday evening our 2B team played Dungarvan in the final of the above tournament with just one change to the team that played Ballinroad. Liam Morrissey was in for the unavailable Kieran Cullinane. Dungarvan fielded a side with some very experienced players and some good exchanges were had in the first half with Ward Fraher and Liam McLoughlin very unlucky not to have scored. The score at half-time was 0-0.

In the second half we piled on the pressure but Dungarvan stood firm with their goalie making some fine saves. Charlie was unlucky not to put us in the lead halfway through the second half. I think his volley ended in Clonea somewhere! Again the game finished scoreless and into another penalty shootout.

After five penalties each it was 3-3 with Charlie, Googs and James Manahan scoring. Mano and Gary had their penalties brilliantly saved (NOT!) and Liam Morrissey stopped one of Dungarvan's penalties with the other kicked wide. We were then faced with sudden death and Frank McLoughlin scored our first and Liam Morrissey stopped the Dungarvan penalty and the rest is history.

The presentation of the cup and magnificent trophies took place at the Gold Coast Hotel later that night. We would like to thank the Fraher family and the Gold Coast Hotel for a splendid spread and the beautiful trophies put up for the final.

The team for both matches was Kieran Cullinane, Liam Morrissey, Gavin Foley, Liam Costin, Ray Curran, Tom Mansfield, Frankie Keniry, Packie Manahan, Charlie Barry, Ward Fraher, Liam McLoughlin, James Manahan. Res. (used in both games): Gary 'Earthquake' Morrissey, Mitchel Moynihan, Frank McLoughlin, Eamonn Murphy.

## 1A TEAM IN TSB CUP

On Saturday afternoon our 1A side travelled to Waterford to play last year's Premier champions Bohemians in the TSB Cup.

This was always going to be a tough task but our side showed good spirit and fought hard in the first half with Sean Daly going close to scoring after ten minutes. With Conor Prendergast working hard at midfield and Martin Reddy and Eamonn Costin doing well in the heart of our defence, we held out at 0-0 until half-time.

As we expected Bohs piled on the pressure in the second half playing with a strong breeze. Martin Reddy was unlucky when the Bohs 'keeper saved well from his 30 yard free-kick midway through the half. Against the run of play, a Bohs midfielder broke through our defence and scored a fine goal with 15 mins. remaining. We threw everything forward for an equaliser with CP coming closest with a header. Bohs stood firm and ran out winners on a scoreline of 1-0.

Team - Kieran Cullinane, Gary Morrissey, Tom Mansfield, Eamonn Costin, Martin Reddy, Gary Keane, Packie Manahan, Conor Prendergast, Eamonn Murphy, Frank McLoughlin and Sean Daly. Res.: Alan Barry for Tom Mansfield (inj. 35th min.).

## TRAMORE

As promised in last week's edition we can now take a look back at the very successful Tramore four day festival of racing. At the outset we must compliment the new people at the helm in Tramore and in a short space of time they have transformed the venue from a rundown old course on the verge of closure to a vibrant modern day racing facility with huge potential for the future. I must also compliment the local Gardai on a job well done during the week. In difficult circumstances they kept the traffic flowing and some other tracks around the country could take a lesson from Tramore in this respect.

The big screen is a huge asset to racegoers at the track especially if you are unable to get up into the main grandstand. While everybody appreciated seeing the big hurling match from Croke Park but without the commentary it just wasn't the same. Hopefully this can be rectified for future screenings.

There were some poor entries for some of the flat races especially the maiden events. Shame on you flat trainers who failed to support the meeting. Let me state that the track itself have very little control over the type of races run at the venue. This is mostly under the control of the race planners at the Turf Club in Co. Kildare. They should learn something from this meeting in advance of next year's fixture by dropping some of these flat events and replacing them with National Hunt races. Just take Kilbeggan Track in Co. Westmeath for example. They cater exclusively for jumpers throughout the summer months and the place is packed.

Another disappointing aspect during the week was the absence of starting stalls for the flat races. In this day and age I cannot understand how starting stalls were not available for the one mile one furlong races. A number of the runners failed to get away with the field in these races and this is totally unfair to the punters, owners, trainers etc. As far as I am aware the provision of starting stalls rests with the Turf Club and not with the track.

A problem that is common to most of Irish racecourses not just Tramore alone is the absence of form guides on the racecards which are certainly overpriced at £1. Yes the racecard does provide us with finishing positions for their last three outings but we could do with a one liner on how each horse is expected to perform. This was on racecards in the southeast a number of years back but it was dropped overnight for some reason.

I wonder is there any possibility that the racecourse in Tramore could be widened so that the safety limit for runners could be increased from fifteen to sixteen. This would then allow the tote to pay out on four places on handicaps with sixteen or more runners.

Patrons who attend Tramore Racecourse should remember that the main grandstand is for standing in and not sitting down in. I saw a number of women and children getting soaked to the skin during a heavy shower on the final day of the meeting. This could all have been avoided if those sitting down in the stand stood up to make more room for those unfortunate people.

A good portion of punters were taken to the cleaners by a small minority of bookmakers standing in Tramore who were betting on other Irish meetings which took place on the same day. These bookmakers were going prices a good number of points below the actual prices of these horses at the other Irish meetings at the Curragh and Dundalk. My advice to punters who wish to make a bet on a second Irish meeting is to take S.P. (starting price).

To end on a positive note, I must praise those looking after the racing surface in Tramore. Despite the dry spell, the track was perfect for racing and the new mobile fences jumped exceptionally well.

If any of our readers would like to air their views on the Tramore Racing Festival, why not drop us a line

with their thoughts.

### IMPROVED FORM

Thankfully the Carrick-On-Suir stable of Pat Flynn is fast emerging from the doldrums. He should have notched another winner at Leopardstown last Sunday as King of the Wire, under Waterford jockey, Danny Grant came with a wet sail in the A.I.B. Handicap but the Danzig Connection gelding hung badly in the closing stages and literally threw away this contest as Dee One O One scored her second victory for Noel Meade. Anna Elise also ran in this contest but after leading to the home turn, she faded up the home stretch. Hopefully though a pair of blinkers may work the oracle for King of the Wire next time out.

At the same fixture Ulster Derby winner General Cloney ran for Waterford based John Brennan in the listed Ballycullen Stakes but the distance of this contest, a mile and six furlongs, proved just a little too far for General Cloney who ran well to the home turn before dropping out of contention.

### DERMOT'S WINNER

It was nice to see veteran rider Dermot Hogan boot home a 12/1 winner for Sheik Mohammed and Co. Kildare trainer John Oxx in the final race at Leopardstown last Sunday afternoon.

Riding Lookout Point, Dermot steered the three year old son of Lycius through the field on the wide outside to beat Rimbaud by a length and a half. Dermot has ridden 420 winners on the flat and he hopes to take out a trainers licence before the end of the year.

### SEPTEMBER RETURN FOR PAUL

Ace jump jockey Paul Carberry hopes to return to race riding at the September 13 meeting at Roscommon. Riding work for Noel Meade and his father Tommy, Paul is pleased with his progress and is looking forward to a full return to the National Hunt game.

### ARC SPONSORSHIP

France's richest horse race will next year become Europe's richest race with the announcement that the Lucian Barriere Group, France's leading luxury hotel restaurant and casino group, are to take over the sponsorship of the Prix de L'Arc de Triomphe. The new sponsor will back the Arc for four years starting with this year's event on Sunday, October 8 where the prizemoney will increase to F.F. 8.75 million rising to F.F. 10.5 million in the year 2000 making it Europe's richest race ahead of such events as the Budweiser Irish Derby and the Vodafone English Derby at Epsom.

### FOR THE NOTEBOOK

Keep an eye out for a two year old called Toughspeed which is trained by Sir Michael Stoute. This horse made his debut in a maiden stakes at York last week and given plenty of time to settle by American jockey Gary Stevens, he caught the eye in the closing stages running on strongly to fill the runner-up spot behind the Richard Hill's partnered Fath. The runner-up is sure to shed his maiden tag before too long.

### TOP FILLIES RETIRED

Two of Britain's top fillies will soon be retired to the breeding paddocks. Cape Verdi and Wince, winners of the last two runnings of the Sagitta 1000 Guineas, will never race in public again. Cape Verdi, having finished down the field in two outings this year, will retire to the Gainsborough Stud while the ex Henry Cecil trained Wince will stand at owners Khalid Abdullagh's Bawnstead Manor Stud.

### RAMRUMA DELIGHTS

One filly who is certainly not retiring is the Henry Cecil handled Ramruma who gave a brilliant display under her new jockey Pat Eddery to lift the Yorkshire Oaks last week. Indeed her owner Prince Fahd Salman confirmed after this event that his filly would stay in training next year. Already a winner this year of the Vodafone Oaks and Kildangan Irish Oaks, Ramruma's next assignment is likely to be the Rothmans

Royals St. Leger at Doncaster next month. This daughter of Diesis - Princess of Man was maintaining a strong gallup all the way to the winning line at York and the Leger distance should suit her style of running.

### STUD FOR SALE

Stud owner Sean Collins had decided to put his Corbally stud up for sale in October. Corbally's studs main claim to fame is the fact that they breed the brilliant speedy filly Kooyonga who was trained during her racing career by Michael Kaunze who has since retired. Priola has made his mark as a stallion in a short time and in addition to Sendawar has produced the group one winning filly Priory Belle. When the Corbally stud ceases operations Priola will transfer over to stand at the Irish National Stud.

### SPORTING PRESS AWARDS

The Sporting Press, Clonmel kindly sponsored the leading jockey and trainer awards at the recent Tramore racing festival. Fran Berry captured the riders award while Willie Mullins lifted the trainers title.

### THIS WEEK'S FIXTURES

Saturday; Tralee 2.35 pm, Beverley Cartmel Goodwood, Newmarket, Nottingham, Redcar, Windsor. Sunday Tralee 2.15 pm, The Curragh 2.30 pm, Beverley, Goodwood, Yarmouth.

### GARY RETURNS TO U.S.A.

After a three months successful stint riding in Britain, Jockey Gary Steven's has returned to the U.S.A. to take up a new appointment riding for the thorough bred corporation in California. Riding mainly for Sir Michael Stoute, Steven's rode his first and last winner in England at Sandown in London. He proved a popular figure in England both in and out of the saddle and appeared to have a bright future ahead of him in this part of the world but by all accounts he is looking forward to returning home to the U.S.A.

### AIDAN'S PROFITABLE WEEK

What a week it proved for Irish Trainer Aidan O'Brien and his stable Jockey Mick Kinane. It started with the well supported sprinter Stravinsky on Thursday afternoon who followed on from his July Cup win at Newmarket by running away with the group 1 Nunthorpe stakes at York. This horse is a powerful son of Nureyev and is now likely to take his chance at the Breeders Cup Meeting at Gulfstream Park, Florida.

It was on to Deauville in France on Saturday for the group 1 Prix Morny. Orpen captured this contest for the O'Brien Camp in 1998 and Fasilyev maintained this strike rate last Saturday romping to a four lengths defeat of a good class field. Fasilyev has now won the Coventry Stakes at Ascot, the Heinz 57 at Leopardstown and now the Prix Morny.

### JIMMY IN HONG KONG

Jimmy Quinn who rode 77 winners this year in Britain is now based in Hong Kong having taken up the position of stable Jockey to local trainer Brian Kan.

### RATOATH WINS AGAIN

There is nothing keeping a horse on the move once he or she strikes form. Take the John Queally trained Ratoath Gale for example. This seven year old mare by Strong Gale and Shirley Kay won with a bit in hand at Tramore so John ran this mare again at Kilbeggan last Friday night and she came up trumps once again with Philip Carberry in the Plate. She romped to a five lengths success over outsider Paddy's Pet.

On the same programme young Brian Murphy from Fermoy rode is first ever winner as he guided the Christy Roche trained Catalpa Cargo, the well supported 11/8 favourite to a length and a half win over Killoran Forever.

### TRALEE RACES

There is plenty of good racing down at Tralee this week. Dermot Weld normally does well at this fixture and with his stable in such good form he could well end up as the leading trainer at the end of the week.

## CLUB MIXED FOURSOMES

The Club Mixed Foursomes has proceeded very well this year with all the matches to date played on schedule. The final is due to be played by next Monday 30th August when Jean Flynn and John Fitzgerald will take on Teresa Queally and Billy Power.

This should prove to be a

close contest and a difficult one to call at this stage. Immediately John and Jean reached the final John took off to a sunnier climate to soak up the sun and prepare for this final. It remains to be seen if the very expensive tan will dazzle the opposition to the point of distraction. Best of luck to the finalists.

WATERFORD — SATURDAY, AUGUST 21

## SLEEPWALKER WAS WIDE AWAKE

On a bitterly cold night quite a good sized attendance was present to support a benefit meeting in aid of the Vision for Vasilivichi Project. A disappointing aspect, however was the number of non runners on the card.

The showcase event on the ten race programme was the final of the Mr. Pickwick and W.G.O.B.A. confined 30.40 stake and it produced a very worthy winner in the shape of Noel Kelly's Sleepwalker (Cry Dalcash-Monmahogue Sally) and this 7/2 shot trained in Mullinahone by Michael Gallagher was certainly wide awake as he disposed of some useful four bend performers lifting the £600 first prize in a career best 29.17. Toby's Joy the 4/5 favourite broke smartly from trap six. But the early pace of Sleepwalker carried him to the head of affairs around the first bend. Toby's Joy and Magna Star did their utmost to reduce the deficit but Sleepwalker stayed on well to oblige by a length from Toby's Joy with Magna Star two lengths further back in third.

The layers got two dream results in the Sasha 29.40 stake with Starrie Plough 4/1 and Dillrock Drake 5/1 staking their claim for outright honours.

The first semi-final saw the James Skehan owned and Declan Byrne trained Starrie Plough (Frightful Flash - Maltese Moth) blast her way into an early lead as a rails seeking Lemon Vialli was slightly hampered rounding the first bend. "Lemon" ran a close second down the back stretch but Starrie Plough is a proven stayer over six bends and it came as little surprise to see her triumph by four lengths from a running on Valentia Rocket with Lemon Vialli two lengths further back in third. Time 28.9.

Bar Fawn was an absentee in the second semi final as Airmount Prince made a brave bid to lead all the way but he was unable to shake off the back straight challenge of Dillrock Drake 5/1 and Elteen Dubh 6/1. Owned by Alan Carroll, Dillrock Drake (I'm His - Dillrock Nurse) cruised into the lead between the third and fourth bends but he had to be at his strongest in the closing stages to deny a fast finishing Elteen Dubh by half a length in a speedy 29.04.

The Bookmakers made a profitable start to the night as Walter Molloy's 6/1 outsider Boss Doyle (Leader's Minstrel - Nana Hayes) took a flyer from trap three to make every yard of the running for a two lengths success over the always prominent Polerone Ruby in a much improved 29.40.

Hugh Faulkner's Giglis Star (Minnies Phantom - Susie Sunshine) 3/1 to 5/2 got back on the winning trail in the second posting a trap to line 29.28 success. "Giglis" came away in front of Wee Senator and this order of running remained unchanged with "Giglis" powering his way to a five and a half length victory over Wee Senator.

The third race on the card was a four runner stud owners and agents open unraced event. With a 29.37 winning trial on his book Tom Flaherty's Knockeevan Star (Slaneyside Hare - Ruby's Bridge) was a warm order at 1/2 and those who availed of this price never had an anxious moment as this Feb. '98 whelp powered his way to an impressive eleven lengths victory over Airmount Yorke in 28.97.

The Michael Eustace owned 2/1 shot Lobnamna Barney (Airmount Grand - Lobnamna Dolly) came from last to first in a four runner fourth event. Valentia Rebel led down the back from a close running pair of Athlete Royal and Puncture Tom but "Lobnamna" caught this trio off guard producing a flying finish up the rails to win out in 29.47.

The David McDonald owned and Ann Guilfoyle trained Pearls Best justified evens favouritism in a sprint and despite coming wide into the home stretch the Carlow entry Pearls Best (Slaneyside Hare - Pearls Girl) pre-

vailed by a length from the always prominent Sun Flash.

The Philip Woodworth owned and Mary Buggy trained Seskin Alice (Neils Gold - Seskin Claire) came in from the reserves into trap two in the ninth and this ultra consistent performer duly romped to a cosy 28.85 victory at odds of 4/6. Shooting straight into the lead "Seskin" was never in any danger of losing out, breezing in a length and a half clear of Regal Betty.

Despite a far from impressive card the layers were taking no chances with the Martin McDonald owned and Nick Turner trained Lilac Hero (Mountleader Peer - Beechpark Lace) in the concluding sprint and this 4/6 favourite held a prominent position throughout racing on for a length and a half success over traffic patrol in 16.80.

### RECENT DEATHS

Two well known racing personalities passed away last weekend. Brian Cunningham worked for a long number of years driving bookmaker Paddy Kirwan, who stood in Kilcohan Park, all over the country to horse race fixtures while bookmaker Jack Kelly was a familiar sight at Waterford and Enniscorthy greyhound tracks until his retirement a number of years back. A minutes silence was observed as a mark of respect to both men during racing at Waterford track last Saturday night. May their souls rest in peace.

### SASHA FINAL

Boasting a winners prize of £1,200 of which 10% goes to the winning breeder, the final of the Maria O'Brien sponsored Sasha 29.40 Sweepstake holds centre stage on next Saturday nights meeting which is also a benefit meeting in aid of the Waterford and District Coursing Club.

The trap draw for the final is as follows; T1 Starrie Plough (Frightful Flash - Maltese Moth). T2 Airmount Prince (Tip Top - Airmount Zoe). T3 Lemon Vialli (Frightful Flash - Lemon Sue). T4 Dillrock Drake (I'm His - Dillrock Nurse) (w). T5 Valentina Rocket (Trade Official - Trapper Girl) (w). T6 Elteen Dubh (Slaneyside Billy - Genotin Laura) (w).

Starrie Plough is drawn to perfection in trap one and this strong running sort, a winner over six bends is certain to figure in the shake up.

Airmount Prince is not short of early pace and led down the back stretch in his semi final before giving best to the strong finishing Dillrock Drake and Elteen Dubh.

A rails running Lemon Vialli boasts a fine turn of early speed but will need to build up an early lead if hoping to outstay some of the stronger finishers in this decider.

Dillrock Drake showed improved form coming from behind Airmount Prince to win out in a speedy 29.04. The consistent Valentina Rocket is running well without actually winning. He faces another difficult assignment on Saturday night where he may well have to come from behind once again. A well drawn Elteen Dubh has a similar style to that of Valentina Rocket and usually arrives with a storming late run.

In a wide open final if Elteen Dubh can steer clear of early trouble he could well represent sound each way value.

### COURSING SEASON

### WATERFORD — TUESDAY, AUGUST 17

The feature events on this midweek programme were the semi-finals of the Mr. Pickwick and W.G.O.B.A. 30.40 stake. With a 29.25 heat win under his belt the Eamon McGuire owned and Paddy O'

Connor trained Toby's Joy (he knows - Idle Buachail) was confidently expected to take the first semi final and after an early scare the 1/2 favourite duly landed the odds in 29.25. Despite missing his break Toby's Joy collared the front running peridot gem at the entrance to the back stretch to motor by for a cosy five lengths victory over Peridot Gem.

The Noel Kelly owned and Michael Gallagher trained Sleepwalker (Cry Dalcash - Monmahogue Sally) was certainly wide awake at 5/2 in the second semi gaining an exciting victory in a career best clock of 29.24. Sleepwalker showed sound early pace to lead out of the first bend. Magna Star, the 9/10 favourite came to challenge the early leader Sleepwalker at the second bend but he ran into the hindquarters of the leader and dropped back to third behind Sleepwalker and Mops Spark. Magna Star came with a renewed challenge over the final two bends only to taste defeat by three quarters of a length.

Kevin O'Mahoney's home bred Stiff Whiskey (Murlen's Link - More Whiskey) ran out a fortunate 5/1 winner of the opening graded event. Cheyne Walk led down the back but she was taken out wide at the fourth bend by Wee Drummer. Stiff Whiskey nipped into the lead at this point on the rails to run out a half a length winner over an unlucky Cheyne Walk.

Cheyne Walks trainer Dave Malty Baker enjoyed better luck later on in the night as he produced the January '95 Whelp Savana Pursuit (Manorville Major - Ballyslaten Moth) 2/1 to lead all the way from trap four running on in fine style to beat the 5/4 favourite Lakefield Queen by three lengths in a fast 29.38. The winner has just reared a litter of pups to El Premier which are now just fifteen weeks old and as her owner says "She was getting bored at home and we decided to bring her back racing".

Dungarvan owner John Brennan captured the only novice contest down for decision courtesy of Druids Bluebird (Druids Elprado - Druids Night Out), this even money favourite posting a hard earned but fully deserved 29.82 success from Trap 4. Denied racing room on the run up, Druids was forced to round a number of his opponents on the wide outside at the first bend as Vital Leader made the long break for home. As this contest wore on however, "Druid's" gradually reeled in the leader to come through for a three lengths success.

Trap four also housed the winner of the third contest as 6/4 shot Perry's Trade (Trade Official - Trapper Girl) opened his account with consummate ease in 29.50. Owned by Perry Aylward Perry's Trade made a speedy exit to lead from Druid's Bolero but it was Faultless Lauren who ran on for second spot three lengths in arrears of Perry's Trade.

Market drifter Gerpat's Gigolo (Greenane Gigolo - Gerpats Pine) 5/4 to 2/1 owned by Patricia White from Clonmel made maximum use of his early pace to capture the fourth event in a much improved 29.66. Butterbridge Jig was sent off the evens favourite but she failed to clear Mulls Monty on the run to the first bend.

Meanwhile Gerpats Gigolo powered his way into the lead and despite a late flourish by Dutch Boomerang "Gerpats" held firm to triumph by a length and a half.

Carrick On Suir trainer Niall O'Dwyer was in double winning form as he sent out Fethard Rocket (Lenson lad - Fethard Vixen) 5/2 to take the fifth contest in 29.88 and Pint of Blue (Powsheen Paddy - Highbury Jane) 2/1 to capture a three hundred yard dash in 16.97. The Seamus Cummins owned Fethard Rocket posted his second race success in the fifth making every post a winning one to defeat Be My Creme by a length and a half while Hugh O'Neill's Pint of Blue battled on tenaciously for a deserved two lengths win over the previously unraced 1/1 hot pot Ardkeen Pop.

Racing concluded with a trap to line success for 2/1 chance Sparky Elite (Deenside Spark - Rosehip Tricks) Christy Coady trains this July '97 whelp for the Elite racing syndicate from Tallow and she quickly set about the task in hand sprinting into an early lead, eventually coming home all of three lengths clear of Value For Bobs. Time 29.42.

## Ardmore 5 Mile Road Race

The final race in this year's Ger Wyley/Fila Summer Series takes place on Friday 3rd September with the Ardmore 5 mile road race, organised by the Ardmore and Grange ladies football club. The committee have been working hard behind the scenes over the last couple of months to ensure that this year will be the best and biggest race in Ardmore to

date. There will be prizes for the first 3 men and first 3 women as well as the special zodiac sign race where a prize will be awarded to the first finisher in each zodiac star sign. There will also be a five mile relay race over the same course as the race proper and entries are being taken at present for this with a team of 5 members, the fee to enter is £10.00 and this

should prove to be a popular race also. The over all prizes for this years series will also be presented on the night, please note the early starting

time of 7 pm. With the evenings drawing in quickly at present we need to get this race under way as early as possible.

### BALLYCOTTON 5

Race no. 4 in the popular Ballycotton Summer Series takes place in Ballycotton village on this Thursday evening at 7.30 sharp. After this race the overall prizes will also be presented for the series, we expect a large contingent of West Waterford athletes to travel as we have some of our club members battling for some of the major prizes in this years series, especially William Harty who is second overall at present, just one second behind the leader James Mc Gee. Best of luck to all who travel.

## RUN WITH SONIA

Come and run with super Sonia O' Sullivan is the message organisers of the BUPA Ireland Loughrea Run on October 16 are relaying to potential competitors.

And O' Sullivan herself is hoping thousands will join her on the big race day. "Anybody can come out and run with me or against me in a road race", the Cobh born star last week told a packed Dublin conference.

The West Coast Race which used to be one of the biggest in the country has been revived by Nova International, a Newcastle sports marketing agency who also organise the world famous BUPA Great North Run.

Entry forms for the race are now available and can be obtained by telephoning the hotline number which is 9 am - 5 pm 091 841 372. After 5 pm 091 841 035.

# Colligan Woods Riding Club Notes

### 'THE HORSE SHOE DIARIES'

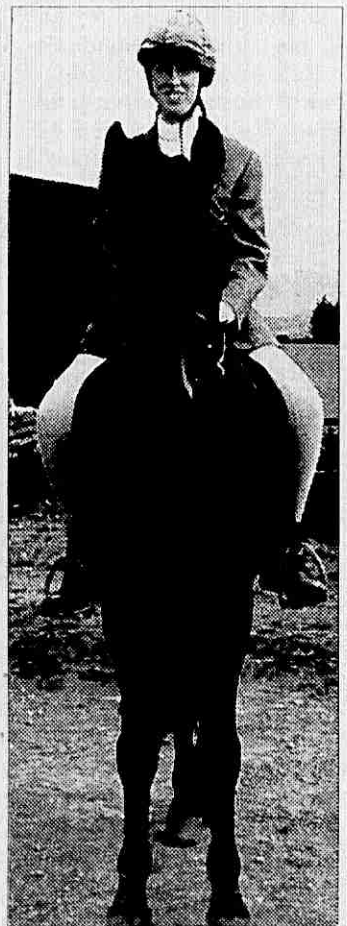

**Millstreet Magic** — The Millstreet International Horse Show saw a number of our riders and horses in competition. Louise Moloney's "Colligan Kim", ridden by Michael Condon, was in action in several major competitions. "Colligan Kim", showing masses of potential performed exceptionally well. Of particular note was her performance in the Grade E competition. Michael and "Kim" had a lovely clear round to take 3rd place in the qualifier. They went on to take 7th place in the Boomerang final, one of the most prestigious events in amateur competition. Many congratulations to owner and rider.

In the A.I.R.C. competitions on Saturday, Louise Moloney, on "Apache Creek" had an effortless clear round in the Amateur qualifier. Louise, a dauntless rider, clocked up a blistering time in the jump off, leaving the crowd gasping. Her time however was at a cost, and poles on the floor took her out of the reckoning for the top spot. In the Primary qualifier Frances Condon, on "Going for a Song", had a lovely clear round to qualify for the jump off. Frances went clear in the jump off to take 4th place. This was an excellent performance given Frances' recent absence due to injury, coupled with the fact that it was her first time aboard "Going for a Song".

**Team Toby Takes Two** — Des O'Brien, on "Toby Lord Byron" our second rider in the Primary competition, also went clear in the qualifier and earned a place in the jump off. A lovely, controlled second round saw Des and "Toby" take 2nd place overall. "Toby Lord Byron" was back in action, with Tess O'Brien, for the Advanced Primary competition. "Toby", on turbo-charge form, thanks to the ministrations of Colligan Equestrian Centre, cruised his way into the jump off. The jump off saw "Toby" go clear once again, at a more sedate pace, to earn him another overall 2nd place. Thanks go to Francis and Bernie Dwane, sponsors of "Toby on Tour".

Millstreet proved to be a very successful event and, following on our recent National Championships performance, has helped to raise the profile of Colligan Woods. Once again, it was heartening for our riders to have so many supporters in evidence.

**Snippets** — Both Anthony and Caroline Lynch have been successful in competition recently - more details to follow. Carole Whelan, one of our Primary riders, has recently been head hunted.

Frances Condon - Prizewinner at Millstreet

## SEAN WADE AND SUE MAHONY CAPTURE PRESIDENT'S PRIZES

The one we had been waiting for, for a number of weeks has come and gone but there remains a host of wonderful memories. Despite the fact that weather conditions were not great with a strong wind blowing Saturday and Sunday, there was almost a full turnout of members for both the mens and ladies competitions.

History will record that Sean Wade with a magnificent surge up the leaderboard on Sunday and Sue Mahoney with an excellent round also on Sunday were the winners but in fact everyone who played was a winner in their own way last weekend.

We would like to thank Michael Brosnan whose relaxed approach helped enormously towards the success of the weekend. The Presentation ceremony was extremely humorous and the packed clubhouse enjoyed the proceedings and the excellent atmosphere.

### THE PLAY

Following the opening round played on Friday and Saturday, Eamonn Spratt (9) was the leader with 41 pts followed by Greg Fives (12) and Paddy Kennedy (6) on 40 pts. However, Sunday's round turned the leaderboard upside down and Sean Wade (13) added 42 pts to run out the winners.

### ON MUNSTER TEAM

Sean O'Halloran is the first player from Dungarvan Golf Club to represent Munster. Sean is a native of Leamybrien. Sean started playing golf with a classmate when he started in St. Augustine's at age 12 and immediately decided that golf would be the game that

he would concentrate on during his teenage years. Constant playing and practice helped him to reduce his handicap quickly. Within a short time he was playing in adult competitions and was picked for various club teams. This summer he played in all the major boys competitions and his good performances brought him to the attention of the Munster selectors. Sean has already represented Waterford in the intercounty competitions. He represents Munster in the Inter Provincials this week in Roscommon and we all wish him the best. His next ambition is to represent his country in an International event. Congratulations also to David Briden in the Gold Coast on making the Munster team.

### JUNIOR GOLF NOTES

Our Fred Daly team took on Limerick in Fermoy in the Munster semi-final. Despite a great performance by David Briden, we were beaten by a stronger Limerick team. Our long run in this competition had come to an end.

The team members were David Briden, Sean O'Halloran, John Phelan, Gary Dunford, Tom Stack and Aidan Russell. Thanks also

to our caddies and supporters.

## Cunnigar Pitch & Putt Club Notes

### LOTTO

Yet again we had no winner of the big jackpot with numbers 11-19-22-26 going unpredicted. This means that next week's winner could walk away with a nice £600 so make sure you purchase a ticket for the Tuesday night draw. And just like last week, if no one claims the jackpot, three lucky people will walk away with £20 each. The lucky people this week were Mary Morrissey, Marie McCarthy and Roger Casey. Well done to our three lucky winners and remember if you're not in, you can't win.

### ALL IRELAND CLUB FINALS

Yes the All Ireland Club Finals came and went on Sunday last but will be remembered by many for years to come. The wet and windy weather conditions didn't dampen anybody's spirits as a great atmosphere was to be felt all morning long.

All visitors were made feel very welcome in the cosy clubhouse while out on the course players from all over did battle. Scores were very low but thanks to the local support our very own Cunnigar team led in the clubhouse for most of the morning.

In the end however, the Navan team pulled out all the stops to claim the trophy while Loughlinstown had to settle for second. The Cunnigar team, consisting of

Anthony Landers, Pat Tutty, Paddy Street and Brendan O'Brien managed to hold on to an incredible third spot finish.

This was an amazing and well deserved achievement for our four heroes and a proud day for the Cunnigar in more ways than one. Players and visitors from afar commented on the superb condition of the course and were very pleased with the very friendly reception. The course and clubhouse were a credit to all who took part in the preparation for this wonderful event.

Yet again well done to our four stars on making history for Cunnigar Pitch and Putt.

### THREE IN A ROW FOR BOY WONDER BARRY

Barry O'Neill is the name on everybody's tongue of late with the talented young player breaking more records. Barry wasn't happy with just taking part in the All Ireland juvenile Strokeplay finals three years in a row, he had to win it those three years and that's just what he did.

The Waterford Crystal based player made history in becoming the first player ever to receive the trophy three years on the trot. The Cunnigar Club wish to congratulate Barry on his epic performance and wish him continued success. Once again well done Barry. — *Shout Fore.*

## PITCH & PUTT

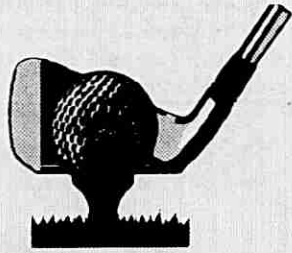

# Navan Win National Club Tournament Final

In the wind and rain at Cunnigar in Dungarvan the Navan 'B' team of John Meade, Paul Cregan, Tony Maher and Peter Kearney won the 35th National Club Tournament sponsored this year by Sean and Kitty Breen. Navan finished on +11 for the 36 holes and won by just the minimum margin of one shot from favourites and halfway leaders Loughlinstown.

In the foursomes John Meade and Tony Maher shot -1 for Navan while Paul Cregan and Peter Kearney returned +2. That left Navan 'B' four shots behind Loughlinstown at the halfway stage and in joint fourth place. In the singles John Meade carded -1 for Navan, Paul Cregan a fine +5 in the conditions. Tony Maher shot level and Peter Kearney +4.

Anchorman Peter Kearney made the winning shot when he superbly holed a chip for birdie from right of the 18th green.

For Loughlinstown, National Intermediate Strokeplay champion Terence

O'Donnell shot +4 in partnership with Tom Mason while Hubert Kelly and Noel Flanagan shot one up. In the singles Hubert Kelly shot one up for Loughlinstown as did Tom Mason. Terence O'Donnell carded level while Noel Flanagan had +3.

Tom Mason was unlucky not to hole a lengthy birdie chip on the home hole which would have tied the scores but two of the other Loughlinstown players bogeyed the same 44m 18th to fall out of a winning position.

Hosts Cunnigar, the early clubhouse leaders, were third on +8. Both Cunnigar foursomes combinations returned level. In the singles Tony Landers and Pat Tutty both produced three up. Paddy Street was round in two up while Brendan

O'Brien finished level.

The Navan winning total of eleven up is the lowest in the tournament's 35 year history, a product of the awful weather conditions. One doubts that this will bother the men from Navan, the first team from the Royal County to win the P.P.U.I.'s National Club Tournament.

### DETAILS

+11 Navan 'B' (John Meade, Tony Maher, Paul Cregan, Peter Kearney); +10 Loughlinstown (Hubert Kelly, Tom Mason, Noel Flanagan, Terence O'Donnell); +8 Cunnigar (Tony Landers, Pat Tutty, Paddy Street, Brendan O'Brien), +7 Seapoint 'A', +5 Irish Ropes, +2 Templebreedy, +1 Parteen 'A', Level - Fernhill 'A', Fernhill 'B', -1 Glenville 'A', Glenville 'B', -4 Rathfeigh, St. Anne's, -5 Ashgrove, Drimoleague, -7 Collins, Waterford Crystal, -12 Tullamore '12', -13 Lucan, -14 Navan 'A', Custume, Tullamore 'B', -16 St. Patrick's, Seapoint 'B', -18 Parteen 'B'.

## West Waterford Golf & Country Club Notes

### PRESIDENT'S PRIZE WEEKEND

It's that time of year again when our Club President presents the club with a special prize to play for. Bill Spratt's competition will take place next Sunday and all members are requested to play in the event as courtesy to our President. There will also be Golfer of the Year points available so Justin Spratt will be looking to stay clear of his nearest challengers John Dunphy and Jimmy Murphy.

### WEST WATERFORD FLOPAS DUNGARVAN INCREASE THEIR LEAD

In the Jack Lynch Memorial Tournament Dungarvan, despite losing the round by two points to the Gold Coast, increased their lead and now look firm favourites to win the event with the final round being played in West Waterford on Tuesday, August 24. Congratulations to Michael O'Walsh who scored a Hole in One on the long fifth hole in Knocknagrangh on the way to winning both his matches.

### PRESENTATION OF ALL OUTSTANDING PRIZES

On Friday next, August 27 the club will host a presentation of all prizes outstanding for the male members. All prizewinners must collect their prizes or nominate someone to collect the prize on their behalf.

N.B. All prizes not collected will be forfeited.

### THREE CLUB EVENT

On Saturday, August 28 the club will host a special competition of the yellow markers with only three clubs. Every player has to

decide on what clubs would be the best to use so the competition can be lost even before starting if you don't pick wisely. (My tip is to leave out the putter and use a driver or three wood to putt with or try butting the ball with the wedge). There is a timesheet in operation so please ring the clubhouse to book now.

### LANDERS MAKES THE BREAKTHROUGH

Well done to Waterford goalkeeper Brendan Landers on his magnificent score of 41 pts. to win the weekend competition. Brendan has been playing a lot more golf at this time of the year compared to last year and eventually all the practice has paid off and he won his first big competition. Pat Walsh was a long way back with 35 pts. but it was good enough to collect third prize behind Stephen Cass. Ever since Waterford were beaten by Cork in the Munster hurling semi-final, there has been a distinct rise of our county hurlers in the prizes every week. Therefore I hope next year they don't lose in the first round or else they will be winning every competition.

### SMART CARD

Once again I would like to remind all male members to purchase a smart card from John or Jimmy Murphy immediately if you don't have one in your possession or your current card is damaged. All competitions must be entered into the computer and only the computer results are taken into account when sorting out the prizes. You have been warned.

## UNDER-23 IRISH CHAMPIONSHIPS

The U-23 Irish Championships were held in Riverstick, Co. Cork on Sunday last. Thomas Hogan was the only club member taking part in this event. The race was held over 4 laps of a tough 18 mile circuit. The weather on the day was very wet and windy. Even so the racing started from the line and a mixture of the bad weather and tough course meant only the strongest survived. The race was won by David McQuaid of Dublin. Thomas Hogan rode a good race to finish up in 9th place.

## JUNIOR TOUR OF IRELAND

Well done to club rider David Geary who put in a good performance to finish well up in this 6 day international event which finished in Dublin on Sunday.

# ALL-IRELAND FESTIVAL OF HURLING

The annual Tony Forristal Tournament is upon us once again and this coming weekend 18 county teams plus the hurling people from around the country will assemble and mingle in Waterford city for this wonderful Festival of Under-14 Inter-County Hurling. It started way back in 1982 in memory of the late Tony Forristal. Now in it's 18th year, it has become well established, and is very popular with all the participating counties.

A feast of top class entertainment and excitement awaits, free of charge, those who come along, commencing at 11.00 am.

Sponsored by Waterford Crystal, the event is organised locally by a small band of Waterford people at 5 city venues. This Festival of Hurling has made a massive contribution over the years to the development and promotion of under-age hurling in 20 of our counties across the land.

# Waterford Minor Ladies Bow Out Gracefully

On Saturday, August 21 the Waterford Minor Ladies were defeated in the semi-final against Monaghan. As usual the game opened with the Waterford corner-forward Mary O'Rourke scoring a point in the first 20 secs. of the game. From there on the Waterford girls were on a roll. With the wind in their faces in the first half, the team were really piling on the pressure on the Monaghan side and after 25 mins. of domination of this game, disaster struck in the form of the full-forward Niamh Barry being taken out of the game in what was one of the most outrageous tackles ever witnessed and not taken on board by the referee. Niamh had suffered a serious ankle injury and was carried off the pitch in severe pain. She was substituted by Aoife Murphy at about five minutes remaining in the first half. This whole incident was to prove disastrous for Waterford.

In the second half Monaghan opened their scoring straight away with two consecutive goals by Adele Burn. This immediately put great pressure on the Waterford side as the girls did not seem to be making use of

the ball when it came into their possession. The game was now slipping away bit by bit from Waterford even after making further substitutions. The link had been taken out of the chain in the form of Niamh Barry's injury.

I suppose one would wonder whether Niamh Barry's injury was the cause of Waterford losing the game. With about eight minutes left in the game, Waterford made a slight recovery when they managed to make the score level but this game was not for Waterford as the sides finished on the full-time whistle Monaghan 5-10 to Waterford's 5-8. On looking back over the game, both teams had put in a tremendous performance of scoring and skill. No doubt we will hear from this magnificent Waterford team again in the future.

The Waterford panel are as follows:-

Aine Ryan, Donna Frost, Tanya Kirwan, Angie Walsh, Bridget Hannigan, Marion Troy, Ciara Prendergast, Mary O'Donnell, Fiona O'Reilly, Julie Mai Keane, Cliona O'Keefe, Elaine Power, Ann Morrissey, Niamh Barry, Mary O'Rourke. The subs were

Grace O'Brien, Lisa Prendergast, Deirdre Breathnach, Aoife Murphy, Annette Raheer, Karen Barry, Aisling Weldon, Miriam Liston. Team manager Michael Ryan, selector Bridget Grant and First Aid Nuala Murphy.

Please note that the Waterford Senior Ladies will take on Monaghan in Parnell Park on Saturday, September 4 at 3.15 p.m. There will also be a primary game at half-time. Please come and support the ladies.

We would like to thank Tom and Nuala Dunne for their hospitality for the night.

# Ardmore G.A.A. Notes

## CONGRATULATIONS

Congratulations to James and Geraldine Coll who celebrated 30 years of married life recently. Nice to see former players Robert, Brian and Anthony back for the surprise party at Kiely's Cross.

## MINOR HURLING

Well done to our minor hurling team who gave best to a very well balanced Tallow team in the Western semi-final. This was a marvellous game of hurling with outstanding passages of hurling from both sides.

Our boys gave a great account of themselves right through. Declan O'Donnell was excellent and could not be faulted for either of the goals which passed him. Our full back line of David O'Reilly, Liam Power and Conor O'Connor hurled well throughout. Our half-back line of Philip Beausang, team captain Declan Prendergast led by example and Nial Hennessy all played well, even though they had a red hot half forward line to deal with.

At centre field Gary North tried his best and Wayne had a brilliant hour. Eoin Foley was the best of our half forward line which included Richie Hennessy and Jason Lenane. Again here we were probably up against the best minor centre back in the county, and more than anyone else he dominated the game. The full forward line was Niall O'Brien, Billy Harty and Mark Lenane. They played their best and Billy was probably the most effective of the players we tried at centre forward until a nasty facial injury curtailed his effectiveness. Substitute Alan North also contributed well.

The scoreline of 2-12 to 0-6 does scant justice to our effort as we were right in this game until the 51st minute when two quick goals flattened us. From there on it was an uphill battle and we had to look for goals and in fairness we tried right to the end. So, it's well done to Tallow and we wish them all the best for the rest of the championship.

## SENIOR FOOTBALL CHAMPIONSHIP

Our senior footballers bowed out of the championship after a tremendous game at Fraher Field on Sunday evening. This was a great game of quality football which pitted our young side against the reigning county champions.

The first half saw us play with the wind and to be honest we feared the worst at half time when we trailed 0-6 to 0-4, having squandered numerous scoring chances. Our opponents by contrast did not have a sin-

gle wide in that first half. So despite having had a huge amount of possession, all our forwards found it very difficult to score. It would be easy to criticise, but we must take into account the quality and strength of the champion's defence, as well as the youth of our forwards.

The champions, powered by six of the victorious county junior panel and one county senior, scored two quick points after the break, but rather than throw in the towel Ardmore again showed that we don't give up and we're never beaten until the end.

The second half showed the quality and spirit of these players when they really knuckled down to the task and took the game to St. Saviours. Wayne and Anthony Sullivan absolutely dominated midfield and were easily the two best players on view. Not far behind them was Seamus Prendergast. The rest of the backs too played a huge part in keeping the ball at the St. Saviours end for most of the second half against a howling gale and driving rain.

We drew level at eight points apiece. Saviours led again with some brilliant points. Cathal came back with a goal that involved seven or eight players. At this stage, Nicky Keating, John Conway and Austin Flavin had joined the fray. We had a couple of wides. Saviours tacked on a couple of more points and yet again we came back with two more points.

However, the darkness told us that time must be up and so indeed it was. The final score was 0-13 to 1-8. No marks to the County Board who fixed this game for 7.30 pm, which resulted in it being finished in the dark.

Our lineout was: D. Lenane, P. Gallagher, M. Supple, M. Hennessy, A. Ahearn, S. Prendergast, P. Conway, W. Hennessy, A. Sullivan, J. O'Donnell, J. Hennessy, C. Hennessy, S. Dower, S. Veale, E. Flavin.

## UNDER-12 FOOTBALL

Well done to those young men who have qualified to meet St. Oliver's in the Western semi-final. They missed the opportunity of going straight through to the Western final when they were beaten by a good Abbeyside team last Thursday.

In that game they had an eight point lead at half time, having played with the wind, but a lack of discipline cost them dearly as they conceded many frees and ground, and allowed Abbeyside to run out win-

ners by three points. Excellent discipline is one of our trademarks, of which we are very proud. I have no doubt that if these boys adopt the same strict code of discipline they can overcome St. Oliver's and get another chance to turn the tables on Abbeyside in the final.

## MINOR FOOTBALL

Our young footballers now preparing for the Western final with neighbours Clashmore. There is a huge task facing our boys to win our fourth final in a row against a brilliant Clashmore outfit powered by Junior All Ireland winners Karl O'Keefe and Stephen Barron, as well as a few more county minors. However, I am confident that our lads will prepare well and give it their best shot.

## DEISE DRAW

How time flies! The August draw is on in The Mount Sion Centre on Friday the 27th at 8.30 pm. So all members please contact your promoters and promoters please give your tickets and money to Eileen by Thursday evening. Eileen will be available from 8.00 to 9.00 pm Thursday to finalise. I would appeal to each promoter to write up your tickets as it's only a few for you but it is hundreds for Eileen. A few people who missed the first draw have now joined - remember there is still time.

Incidentally, I believe that we are pencilled in to host the first draw of the new millennium on the last Friday in January. So if you are not already in the draw, join now so you won't miss the fun and excitement to come.

## CLUB LOTTO

The draw was held at Paddy Mac's. Again there was no winner and the lucky £10 winners were: Sheila O'Brien, Timmy Lenane, Anne McCarthy, Paddy Mac, Declan Hurley. Thanks to all who support us every week and thanks to the management and staff at Paddy Mac's for their hospitality. Next week we are at Flemings and we hope to see many of our supporters make the trip to Grange for the draw and a bit of craic.

## LADIES FOOTBALL

Watch out for Friday, September 3rd when the final leg of the Ger Wyley 5 mile road race will take place in Ardmore. This is a fun race series and it's their fourth year coming to Ardmore. So let's make them really welcome and join in the fun. There are races for juveniles, ladies and men. You may run, jog or walk, but do participate. The

WLR Roadshow will cover the event and prizes will be presented in the Round Tower Hotel afterwards. Entries will be taken at Keevers Bar. Entry fee is only £3 and the proceeds of the evening will go to the Ladies Football Club. Relay teams are asked to contact Trish at 024-94129.

The under-12s had an enjoyable game against Aghada last week. Although we were beaten we had a great game and good fun.

# County Bord na nÓg Notes

This coming weekend is going to be very busy for underage hurling in the County. On Saturday the 28th our under 14 hurlers will be in action in the Tony Forristal and Sonny Walsh Tournaments in Waterford.

A lot of work has been put into both teams as the Tony Forristal are preparing since March whereas the Sonny Walsh have only been together with the last four weeks, but still have had seven training sessions and two practice matches and are shaping up well.

We wish both teams and their selectors the best of

luck on Saturday. Meanwhile our under 15 hurlers are going to Cork to take part in the annual Carraigdaun Tournament. This is a very strong panel of players and they showed up well in last years Tony Forristal as they were very unlucky not to have qualified for the final. Wishing everybody the best of luck on Saturday.

C.L.G. An Sean Phobal were proud hosts at a function to honour the heroic deeds of the men of '49 who took the one and only county title to the parish fifty years ago. A wonderful evening of reminiscing, storytelling, song and dance plus a few drinks and a lovely meal were the hallmarks of a very enjoyable evening.

The highlight of the night was the presentation to each member of the panel or their representatives with a special memento to mark the occasion. Declan Terry proved a very able and professional fear an ti and much credit is due to him for a job well done.

While it was a very happy occasion, it was also tinged with a bit of sadness for absent friends who have passed to their eternal reward. The likes of Mick and Tom Curran, Mick and Jim Flaherty, Pa Cunningham, Johnny and Patsy Hourigan and Paddy Slattery were gone but certain-

ly not forgotten. I'm sure they were with us in spirit and we were happy to have their families on the night. Ger Kavanagh and Mattie Barry were also absentees on the night and again their names were on everyone's lips as former times were recalled.

The players present to receive their mementos were the great Paddy Hourigan who was one of the finest backs of the era, Dave Hourigan who is as light on his feet as ever (as young Paddy can confirm), Jimmy Barron who rolled back the years, Paddy Joe Mahony who looks as if he could still catch a high ball, Paddy Catháin who made our night by travelling from England for the occasion, John Joe Hourigan the original 'bomber', Johnny O'Connor who taught them all a thing or two, Mossie Hallahan who looks too young to have played fifty years ago, Mike Hourigan whose lovely scores were recalled and finally

Micky Landers who present chairman Paddy Joe Ryan thinks he may have to hold a tribunal to ascertain his eligibility to play with the shocks.

It was our pleasure to have in our company the survivors of the Kill team who were beaten in that County Final. Tom Flynn spoke nicely on behalf of the Kill contingent including such people as Martin Power, Noel Power, Frank Mooney, Paddy Fitzgerald and Tom Corcoran who sent their good wishes.

Finally a word of thanks to all who helped to make the night a success. Especially a word of thanks to Paddy Joe Ryan for his presence and for making the presentation. To the hardworking committee Sean Keating, Michael Kiely, John Murphy, Frank O'Donnell, Una de Paor, Declan Terry, Ann Hogan. Thanks also to Kate Hourigan who did trojan work behind the scenes.0

## All-Ireland Semi-Final

Reports at the weekend indicated that Fraher Field, Dungarvan is to host the All-Ireland Intermediate Hurling Championship semi-final between Cork and Kilkenny on a date to be announced but it is expected to take place within the next couple of weeks.

## Junior 'B' Football Championship

**BALLYSAGGART 1-11**  
**BALLINWILLIN 2-4**

In a game of two contrasting halves with both sides interestingly playing better against the wind, it was Ballysaggart who came out on top in this entertaining Junior 'B' Football Quarter-Final clash at Ballyduff on Saturday evening. A Eugene O'Brien goal midway through the opening half saw his side lead by 1-7 to no score at half-time having played against a strong wind. Ballinwillin had to wait 32 mins. for their opening score. Goals in the 39th and 41st mins. from Vincent Ormonde and John McGrath respectively saw Ballinwillin come within three points of the winners 1-8 to 2-2. They could never breach this margin and Ballysaggart secured their place in the semi-final against Eire Óg.

## Gleann Na nDéise 3-5

### Dungarvan 1-6

Goals from Kevin Walsh, John Paul Donnelly and Ian Dunford in the opening half set up the group side for a surprise but deserved victory over Dungarvan at Fraher Field on Saturday evening.

Walsh's goal came after only five minutes when he converted a penalty and it helped his side to establish an interval lead of 3-4 to 0-3 having played with the assistance of the strong wind. Dungarvan held their opponents to a single point in the second half but they themselves could not breach to Gleann Na nDéise's defence for the all important goals that would have brought them back into contention. They pressed relentlessly and were rewarded with a late Kieran Curran goal but it was too late to save them from defeat and force them into a relegation play-off to avoid the drop to the intermediate grade next season.

## Nire 1-18 Faughs 0-4

Nire inflicted a 17 pts. hammering on group side Faughs drawn from intermediate and junior clubs in rural East Waterford in the second game at Dungarvan on Saturday evening. A Michael Guiry goal from all of 45m midway through the opening half helped his side to a 1-10 to 0-2 interval lead and at that stage the Nire were assured of a place in the next round.

### SENIOR FOOTBALL CHAMPIONSHIP

Ballinacourty Senior footballers battled with fine spirit at Walsh Park on Saturday evening last to out-score Gaultier in the opening round of the County Senior Football Championship on a 2-8 to 1-6 scoreline and in the process guaranteed our senior status for 2000 which was the target set on the evening of last year's County Intermediate Football Final.

Full credit to all concerned, selectors and players on a hard earned but deserved victory in overcoming the many pre-match difficulties.

In the quarter-final of the Senior Football Championship Ballinacourty will play Gleann na nDéise, the local group team who defeated Dungarvan and this will be a difficult assignment.

### CONGRATULATIONS

Congratulations to Tallow Minor hurlers in their good victory over Ardmore at Fraher Field on last Wednesday evening, August 18. Included in the team were a number of our players and they have qualified for the Western Final against St. Oliver's or Dungarvan on September 8.

### UNDER-12 WESTERN

### FOOTBALL CHAMPIONSHIP SEMI-FINAL

On this Thursday evening at Cappoquin we meet Lismore and the winners meet Ballyduff. A few weeks ago we were home to Lismore in the first round and were unlucky to lose by two points 1-1 to 0-2 so with a bit of luck on Thursday we could turn the tables and qualify for the final.

### CONGRATULATIONS

Congratulations to any of our young players who were successful in the recent Leaving Cert. exams and wish them success in their careers. We also include our supporters boys and girls.

### JUNIOR HURLING CHAMPIONSHIP

#### Clashmore 2-11 Kilgobinet 2-11

We played an exciting draw with Kilgobinet in the quarter final of the Western Junior Hurling Championship at the Fraher Field last Thursday night. This was a game in which we had a nightmare start and conceded two soft goals early on. After this we settled down and played some good hurling and when Mike Shalloe goaled in the 24th minute we were right back in the game. Half time score Clashmore 1-7 Kilgobinet 2-5.

The second half started much the same as the first with Kilgobinet first to score. We then had a point from Mike Shalloe and the score of the game came in the 18th minute when a movement started in the half back line by Stephen Barron ended with Stephen crashing an unstoppable shot to the net. After this the play flowed from end to end and when reiteoir Pat Moore blew the final whistle everybody was in agreement that a draw was a fair result. This was one of the best games of Junior Hurling played at the Fraher Field in years. If the replay is half as good it will definitely be worth watching.

Team; S. Budds, P. Allen, J. Kelly, B. O'Neill, Ed Beresford, S. McGrath, P. Lombard, M. Fenton, S. Barron 1-1, K. O'Keefe, M. Shalloe 1-6, K. O'Rourke, G. O'Rourke, M. Costin 0-1, S. O'Rourke 0-3. Subs; Donal for Gerry. M. Hynes for Karl and B. Dunne for Paudie. The replay takes place on Sunday 5th September in the Fraher Field at 6.00 pm with extra time to be played if necessary.

### FIXTURES

Minor Football Western "A" Football Final - Clashmore v Ardmore in Fraher Field on Saturday 11th September at 5.00 pm.

Intermediate Football Western Quarter Finals - Clashmore v Brickeys on this Saturday 28th in Fraher Field at 7.00 pm.

### MUNSTER AND ALL IRELAND CUPS IN CLASHMORE

At a pleasant function in the Decies Bar last Saturday night members of the victorious Waterford Junior team including "The Messiah" John Kiely and Eamonn Martin were in attendance. Presentations were made to Karl and Stephen, John Kiely and captain Alfie Kirwan by club chairman Mick O'Neill.

### SENIOR FOOTBALL CHAMPIONSHIP

The Gleann na Bride Senior Football team failed to fulfil its championship fixture last weekend against Kilrossanty. One begs the question why five Intermediate teams, 3 Junior "A" teams and 3 Junior "B" teams could not muster 15 players. A total of eleven teams with obviously no interest. This sounds like the death knell for group teams in this county.

## Waterford's Historic All-Ireland Junior Win

On the seventh day of August nineteen ninety nine  
In O'Moore Park, Portlaoise, the weather was fine  
For the All-Ireland Junior Final Football the game  
With both Waterford and Meath seeking their fame.

Meath's tally of titles now stood at four  
While Waterford were never in a final before  
As the referee whistled the ball was thrown in  
Would history be made and could Waterford win

Within a few seconds there came a great roar  
When up the field Waterford's forwards did soar  
Connie Power got the ball it rattled the net  
First blood for Waterford the stage was now set

It didn't take Meath long to fight back  
An equalising goal with their first real attack  
Pepe Ferncombe then pointed two Waterford frees  
Both sides were now as busy as bees

Two points from Meath made it all square  
The football was brilliant 'twas marvellous fare  
Pepe Ferncombe then went through a fantastic spell  
A great point, a super goal made the fans yell

Another point by Queally the lead was now five  
Meath hit back with another still very much alive  
A goal quickly followed to which Waterford replied  
With a David Whelan point the first half then died

The second half began both teams well in the hunt  
Shane Bergin pointed Waterford went three in front  
Then Meath hit top form and started to roll  
Sending over six points to lead by a goal

They then had a chance to go six points clear  
But Kirwan in goal made the save of his career  
Pepe Ferncombe then pointed his fourth of the day  
As two Waterford subs then entered the fray

Another Meath point brought their lead back to three  
Then a great Waterford fight back we were now to see  
Three points on the trot each one by Connie Power  
The sides they were level five minutes to the hour

With one minute remaining Meath got back ahead  
A point from a free surely Waterford were dead  
But they won another free not out too far  
Connie Power once again put it over the bar

"Blow it up ref!" the fans began to shout  
As the Meath goalkeeper kicked the ball out  
It went off a Meath man out over the line  
'Twas a Waterford ball had they the time

The kick quickly taken to David Ryan it went  
He sidestepped his men then a mighty kick sent  
It sailed over the bar as straight as a die  
Waterford were in front the end was now nigh

The kick out was taken amid scenes of delight  
The final whistle sounded, oh what a sight  
John Kiely's great team in white and blue  
Had won the All-Ireland their dream had come through

We salute all the panel they were heroes all  
Those that fashioned the victory can also walk tall  
Yes the seventh day of August nineteen ninety nine  
In all Waterford memories will forever entwine

— Fintan Walsh

## Dungarvan G.A.A. Club Notes

### BRIGHDÍN NÍ CHRIOSTÓIR TOURNAMENT

Our annual Brighdín Ní Christóir Under-12 Hurling Tournament took place at Clogherane on Saturday, August 14. With eight teams participating these were split into two groups of four.

Commencing at 11 a.m. our first game was against local rivals Abbeyside. Here it took a Gavin Crotty goal to give us a winning start as we managed to scrape through on a 1-2 to 1-1 scoreline. Tallow, victorious over St. Mary's, Clonmel in their first game, were our next opponents. Despite our best efforts defeat was to be our lot here on an 0-1 to 1-2 scoreline. In the other group Youghal were beginning to come through with victories over Ardmore and the Brickeys while St. Olivers victorious over the Brickeys had to succumb to the Ardmore challenge. Back in our group Abbeyside were coming back into it with a victory over our next opponents St. Marys. This was to prove a titanic struggle and at the final whistle the sides couldn't be separated as they ended 0-2 to 0-2 apiece. This meant we had finished our league section on three points and with the final game between Tallow and Abbeyside to be played we needed a Tallow victory to keep us in the tournament proper. An Abbeyside victory would put them through and relegate us to the Plate section. And that was exactly what happened as they emerged with a magnificent one point victory after a terrific match.

In the other group Youghal continued on their winning ways with victory over St.

Olivers with Ardmore finishing in second place with victory over the Brickeys. And so to the semi-finals. Abbeyside qualified for the final after defeating Ardmore. There they would meet Youghal who defeated an unlucky Tallow team.

In the Plate we defeated the Brickeys to qualify for that final. There we would meet St. Marys who defeated St. Olivers in their semi-final.

It was left to the two local teams to try and keep the trophies inside the County. In the Plate a late Brian Bannon goal again saw the teams finish level at 1-2 apiece. Into extra-time so and St. Marys started well and rattled in two goals in the first period. In the second period a determined Christopher Power goal narrowed the deficit but we could never narrow it further despite our determined efforts and it was the Tipp lads who were to lift the Plate.

In the tournament final, try as they could Abbeyside had to succumb to a determined Youghal challenge and the Brighdín Ní Christóir Trophy was heading to the county of Cork after a terrific final.

Our grateful thanks to the ladies of the club for the lovely refreshments.

### UNDER-14 FOOTBALL

The Under-14 Football Championship commences on Monday next, August 30 with our first game away to Abbeyside with the throw in at 7.30 p.m.

### CAPPOQUIN UNDER-11 HURLING TOURNAMENT

We got through to the final of the Cappoquin Under-11 Hurling Tournament last Saturday but were defeated by Glen Rovers of Cork. Re-

port next week.

We would like to extend best wishes for a speedy recovery to Killian O'Dwyer who sustained a serious injury prior to departing for the game.

### MINOR HURLING

Preparations continue for our entry into the Minor Hurling Championship. This will be at the semi-final stage where our opponents will be St. Olivers who defeated Lismore in the first round. The game will be played at Fraher Field on Wednesday next, September 1. Referee D. O Murchu (An Rinn) will throw in the ball at 6.45 p.m.

### SENIOR FOOTBALL

Last Saturday night we played the group team Gleann Na nDéise in the first round of the Senior Football Championship. We

held our own for the first ten minutes of the game with neither team scoring. Then all of a sudden everything went wrong for us and we conceded three goals. We were behind at half-time on the scoreline of 3-4 to 0-1.

We had the advantage of the strong wind in the second half and we took too long to get going and we lost on the scoreline of 3-5 to 1-6.

### JUNIOR FOOTBALL

Next Friday night we play Stradbally in the Junior Football Championship. The game will take place at the Leamybrien venue.

### SYMPATHY

We would like to extend our deepest sympathy to the Organ and Tutty families on the recent death of John Tutty. Ar dheis Dé go raibh a anam.

## Minor 'B' Hurling Semi-Final

BALLYDUFF 3-6

BRICKEY RANGERS 0-3

A most disappointing game at Lismore on Wednesday evening where Ballyduff had 12 pts. to spare at the end against a Brickeys side who played for 29 mins. of the second half with only 14 players as they had no sub to replace an injured player as five of their squad did not make it to the venue and they were without the injured James Cooney.

The Reds led by 1-1 to 0-1 at half-time with Sean Cunningham the goalscorer. Brickeys scored two points at the start of the second half before late goals from Richard Canning and Cunningham saw Ballyduff safely through to the final against Fourmilewater but they will have to improve significantly on this display if they are to trouble the Ballymac' outfit.

# SENIOR FOOTBALL CHAMPIONSHIP

## RATHGORMACK'S NARROW WIN

Rathgormack 0-11 Ring 1-6

The report of this game records that the favourites, Rathgormack, notched up an 0-8 to nil advantage before Ring struck for their first score in the 28th minute of the first half by corner forward, Cian O'Connor. The Rathgormack scores came from Martin and Richie Power and Ed. Hogan. The halftime score was 0-9 to 1-0.

### SECOND HALF

In the first and third minutes of the second half, Martin and Richie Power had points to bring their total to 11 points and try as they may — and as they did — they were not to score again for the remaining 28 minutes Ring took control and shot six points without reply. Their scorers were Pádraigh Breathnach, Seamus Mac Gearailt and Eugene Curran. Ring missed two goal scoring chances in the closing eight minutes. This was a game that Ring could have won or drawn and for this reason they will be disappointed.

When the game was entering the 61st minute, Martin Power was shown a red card and dismissed. Shortly after this the final whistle sounded and referee John Kelly, who had controlled the game in his usual competent manner, seemed to have been 'hassled' by some Rathgormack players while en route to the dressing room. A number of red cards were shown during this altercation.

Rathgormack — P. Fahy, D. Hassett, Declan Power, V. Murray, D. Crotty, N. Murray, T. Bolger, V. O'Shea, R. Power, E. Hogan, G. Power, J. Murray, A. Power, M. Power, P. Crotty.

Ring — T. Kiely, E. Breathnach, L. Curran, A. De Faoithe, S. Drohan, D. Breathnach, J. Harty, P. Breathnach, S. Fitzgerald, T. Walsh, E. Curran, K. Murphy, S. Mac Craith, E. Crotty, C. O'Connor.

Referee: J. M. Kelly.

### A STROLL FOR STRADBALLY Stradbally 2-14 Meaghers 1-2

This was a game in which the final score tells the story of the one-sided action on the field of play in Kill. It was just a stroll for the favourites who fully deserved their 15 points winning margin at Fraher Field on Sunday evening.

The standard of football was very much in keeping with the mediocre standards of the other weekend matches in the same championship.

But there was excitement and a bit of drama in both with the second match finishing in almost total darkness.

During and in the immediate aftermath of the first game involving Rathgormack and Ring, yellow and red cards were flashed at a confusing rate.

## Late Scores See Saviours Through

St. Saviours 0-13 Ardmore 0-8

Playing with the strong breeze, Ardmore got off to a splendid start and had 4 points (all by Wayne Hennessey) on the board before the county champions got their first point per Tony Corcoran. Ardmore were not to score again in this half and were 0-5 to 0-4 in arrears at halftime. Tony Corcoran had 3 and Kyle Murphy and John Walsh had one each of the champions five points.

In the second half St. Saviours added points to make it double scores ahead by 37th minute. Then Ardmore powered their way back into the game with scores by James O'Donnell, John and Paul Hennessey and an equalising point by Seamus Veale in the 46th minute,

but despite the fact that the western team continued to challenge, they were not to score again and in the falling darkness St. Saviours kicked over the scores that gave them a 5 points winning margin.

St. Saviours — P. Holman, B. Power, A. Power, A. Jacob, M. O'Brien, M. Corcoran, J. Jacob, S. Walsh, J. Stanley, D. Murphy, T. Corcoran, K. Murphy, L. Quilty, D. Wyse, A. Healy.

Ardmore — D. Lenane, P. Gallagher, M. Supple, M. Hennessey, A. Aherne, J. Power, P. Conway, A. O'Sullivan, W. Hennessey, J. O'Donnell, J. Hennessey, C. Hennessey, E. Flavin, B. Veale, S. Dower. Subs. played: J. Conway and E. Flavin.

## National Football League Fixtures

Central Council at its meeting on Saturday last decided that the football league will commence on Sunday, October 31st and that three rounds will be played before the Christmas break. The league will resume on Sunday, February 13th, 2000. The national hurling league will commence on the following Sunday. The hurling schedule will be announced in a few weeks time.

### FOOTBALL

October 31st — Waterford (away venue) v. Wexford

November 14th — Waterford (at home) v. Cavan.

November 28th — Waterford (at home) v. Longford.

February 13th — Waterford (away) v. Tipperary.

April 5th — Waterford (at home) to Monaghan.

April 9th — Waterford (away) v. Tipperary.

May 4th — Waterford (at home) v. Carlow.

With FOUR of our seven matches here at home we can look forward to doing well in the league. Herein lies our only chance of a breakthrough at senior level as if we cannot do it here we are not going to do it in the championship.

## Abortive SFC Game

What must only be another nail in the coffin of group teams was hammered home on Friday morning last when the announcement was made that Gleann Bride had withdrawn from their scheduled first round meeting with Kilrossanty on Friday evening. As well as being a big disappointment to the public, it was an embarrassment to the Board to have a team give a walk-over in a senior championship match. It is also an indictment of the lack of interest of the eight or nine clubs involved to find that between them they could not field 15/18 players.

Also it shows a great lack of appreciation of the time and energy wasted by the team manager and selectors who had worked hard to organise the group team.

I'm sure that we will hear more on the subject when the Board meets in September.

## ST. MARYS MEAN BUSINESS

The Touraneena intermediate hurling based side are certainly making all the necessary sacrifices in an all out effort to win the title this year and every effort is being made to ensure that they will be in the peak of condition for their meeting with Ring on Saturday week.

On Sunday last they did something like a tour of Tipperary and took in two challenge matches en route. First they played Emly in West Tipp and only a few hours later they played Fr. Sheedys in another challenge. St. Marys are being coached by Lismore's Sean Prendergast who certainly knows what it takes to win a championship.

## JUNIOR HURLING CHAMPIONSHIP

# A Draw A Fair Result

KILGOBNET 2-11 CLASHMORE 2-11

A fair result to a splendidly contested game of junior hurling which was entertaining from the start. Both threw themselves into the game with abandon and while there was no quarter asked or given, it was a sporting contest and must now be played all over again before we know who will meet Geraldines in the semi-final.

Both sides had their chances of winning but on the night, it would have been a pity if either side had lost.

In the recent past, both teams have played to a higher standard, but in this contest, neither side was concerned about quality hurling and the emphases was all on winning.

The game got off to an electrifying start, when Kevin Walsh (Coolnasmea) who was to play a leading role in his side's performance, had the ball in the Clashmore net after just 30 seconds.

Stephen Barron had a point by way of reply before Kevin Walsh put a point on the board for Kilgobnet. Michael Shalloe had a Clashmore point before Kilgobnet's second goal was shot home by Kevin Walsh (Kilnafrehan) in the 7th minute. Well before half-time, Michael Shalloe had a Clashmore goal to bring his side storming back into the game which saw the teams level at 2-4 to 1-7 at the break.

## SECOND HALF

Michael Shalloe put Clashmore a point ahead, but Kevin Walsh equalised in the 37th minute. By the 45th minute when Stephen Barron's goal brought the sides level once again (2-8 apiece) it was a tit for tat affair with plenty of excitement among the big crowd in the stand. The two players who opened the second half scoring, Shalloe and Walsh, came back in the 58th and 60th minutes to

keep the sides locked in combat when the final whistle sounded.

Scorers: Kilgobnet — K. Walsh 1-8, K. Walsh 1-0, M. Hurley 0-2, M. Flynn 0-1; Clashmore — M. Shalloe 1-5, S. Barron 1-2, S. O'Rourke 0-2, M. Curtin 0-1, K. O'Rourke 0-1.

Kilgobnet — J. Walsh, M. Claire, K. Byrne, J. Walsh, B. Dunford, J. Byrne, M. Walsh, T. Burke, M. Flynn, A. Fitzgerald, M. Hurley, R. Lynch, K. Walsh, K. Walsh, P. Lynch.

Clashmore — S. Budds, P. Allen, J. Kiely, B. O'Neill, E. Beresford, S. McGrath, P. Lambert, P. Fenton, S. Barron, M. Shalloe, K. O'Keefe, K. O'Rourke, G. O'Rourke, M. Costin, S. O'Rourke.

Referee: Pat Moore, Abbeyside.

## REPLAY

The replay of this game is fixed for Fraher Field and will be played on Sunday, September 5th.

## Coaching Scheme Notes

**Kilrossanty Hurling Camp** — A group of children from Kilrossanty area enjoying the camp. A welcome visitor was Waterford dual star Peter Queally who took time out to visit the children. This popular player is always a great hit with the children.

## LAST WEEKS HURLING CAMPS

We spent last week in the city. The GAA pitches in Ballygunner, De La Salle and Roanmore were full to capacity with boys and girls from the city. There are more youngsters playing hurling and camogie in Waterford than ever before. Another camp for 14/15 year olds was also held in Walsh Park. The hurling on the greens around the city for very young children over the past few years is now bearing fruit and the 'gra' for hurling is very strong. The Urban Development committee and especially games promotion officer, Joe Carton are really doing trojan work. With the coaching and games development committee working actively throughout the county and full time coaching in every school every child

gets a chance to play hurling.

## TONY FORRISTAL TOURNAMENT

This tournament takes place in Waterford this weekend. A feast of hurling is assured with the top U-14 players from all the top hurling counties taking part. Waterford are grouped with Limerick and Wexford in the (A) competition while a Waterford (B) team will also be taking part. Both teams have been preparing over the past couple of weeks. The cooperation from clubs and parents has been brilliant with transport being arranged from Ballymac, Ardmore, Ballyduff, Knockanore, Lismore and Cappoquin just to mention a few areas, and also Clashmore. Best of luck to both teams on Saturday.

## MINOR HURLING CHAMPIONSHIP

# Tallow The Better Team

TALLOW 2-15 ARDMORE 0-6

Although Tallow were the better team and fully deserving of their victory, the final score belies the quality of Ardmore's challenge in this top class minor game at Fra-

her Field last week.

At Halfway, Tallow led by 0-6 to 0-3 and Ardmore were still in touch until a goal by Shane McCarthy in the 45th minute and fol-

lowed by a Pádraigh Tobin goal a minute later killed off the challenge and left Tallow clear winners and into the Western final.

In the quarter final, St. Olivers defeated Lismore and have qualified to meet Dungarvan in the second semi-final at Fraher Field on Wednesday, September 21st and the final will take place at Cappoquin on Wednesday, September 8th.

## MINOR 'B' HURLING

The results of last week saw Ballyduff recording a very decisive win over Brickeys and Fourmilewater managing to overcome Colligan at Touraneena.

Ballyduff and Fourmilewater now meet in the final and this is fixed for Cappoquin on next weekend.

## S.F. Quarter Final Draw

Following the games at Fraher Field on Sunday night, the draws for the quarter finals were made in the presence of a representative of all the clubs involved.

Gleann na nDeise v. Ballinacourty; Stradbally v. St. Saviours; Kilrossanty v. Nire, and Rathgormack v. Kill.

A special meeting of the County Fixtures Committee will take place this Wednesday evening to appoint venues and dates.

It will be their plan to ensure that the county final is played by mid October in order to ensure that players will be free for the start of the National League.

## Intermediate Football Championship Could Be Held Up

This championship is likely to be held up as a consequence of the abortive senior football championship game involving Kilrossanty and the group team. Kilrossanty cannot play intermediate until their senior team has played in the championship. This can delay the divisional championship by two or three weeks.

The problem here is that Kilrossanty will have the services of their seven re-graded players and Ballyduff in accordance with board regulations, do not have to field while these players are available to Kilrossanty in both grades of the championship.

## Football Experiments In the League

As the year 2000 is a rules change year, the Association are to avail of the national league to experiment with a number of playing rules as follows:

Teams can select from the full panel of 24 rather than the 21, as at present. This means that any of the nine can be played.

All games will be of 70 minutes duration and five substitutes can be used.

Some of the proposed experiments are worthwhile, but not everyone will agree that the extension to 70 minutes is a good idea for players who may be in action on a weekly basis for months during the league, especially if he is a duel player. The period of experimenting will commence on October 31st, the date on which the league commences.
