## Call To Close One Of Tallow's Public Roads

**The changing of the road structure and new developments at Tallow Bridge by Waterford County Council has brought a wave of criticism not alone by people in Tallow but by motorists in general. Most people now see it as only time before a fatal accident occurs.**

Fifteen years ago a proposal by local Fine Gael Co. Councillor W. McDonnell requesting the council to acquire a private house, farmyard and land at Tallow Bridge was agreed to, with the re-alignment of the road structure in mind. The Council received the green light for this work earlier this year costing in

the region of £200,000. Work commenced in early June and it was the general opinion of the public that a round-about be put in place at Tallow Bridge.

However, the position now is that traffic coming from Tallow must yield before coming on to a busy N72 Rosslare-Killarney road and while it is tem-

porarily closed it will cause further difficulties for the Council when re-opened for traffic.

The matter will be publicly raised at next Monday's meeting of Waterford County Council by Cllr. Willie McDonnell who has been successful in restricting traffic on this, one of the steepest hills in the County.

However he, now in the interests of safety will request the closing of Tallow Hill as a public motorway, as certain regulations must be put in place such as advertisements and giving the public the right to appeal.

"I will be requesting that traffic be allowed up Tallow, but not down as a short term solution, and that a round-about be put in place at what is now a most dangerous junction" said Cllr. McDonnell.

## WLR Celebrates 10th Anniversary

The Minister for the Arts, Culture, The Gaeltacht and the Islands, Deputy Sile De

Valera will be the guest of honour at a function to celebrate WLR FM's tenth an-

niversary on Wednesday next September 8. This will form part of a

week of celebrations to mark the event which kicked off with last Sunday's WLR FM/Examiner 10K Fun Run. This again raised thousands of pounds for local charities.

Throughout the week the station will have great "on-air" giveaways for its loyal listeners. Also many programmes will be awash with nostalgia as the station intends to dip into its sound archives to remind us of some of the highlights of the last ten years of broadcasting to Waterford City and County. On Wednesday itself all the music played on WLR FM will be from 1989 and to provide listeners with a more permanent momento of the last ten years of the station they

## Dungarvan MS Notes

The South-East Classic, our sponsored cycle, took place on August 21st. We had glorious weather and thanked God for it as the weather broke the following day. Fr. John Kiely P.P Old Parish and Ring - and also Branch President - blessed the cyclists, and Cllr. Lar

Harte, Chairman Dungarvan UDC and Co. Cllr. Mary Greene were there to see them off.

The ladies set off shortly after 10 am to be followed by the main bunch twenty minutes later. The group first went through Kilmacthomas where the collectors were on the street and then to Waterford where the Waterford branch MS had collectors out to lend a hand. On to Mooncoin where Mary Keane of the Waterford branch and her band of helpers had a great spread of sandwiches and cakes ready. This was a very welcome break for everyone and we thank Mary and her helpers for organising the hall and providing the food.

Then it was on to Fiddown where some of the cyclists took the side trip to Portlaw. It was a straight run through Piltown, Carrick-on-Suir and Kilsheelin to Clonmel. They did a tour through the town -which was appreciated by the large shopping crowd in town and certainly helped the bucket collection! The next stop was at Kilnarnagh and we thank the proprietors of The Hidden Inn for supplying tea and coffee for all. It was a short spin then to Ballymacarby and we thank Melody's and Doocey's for their hospitality.

Then the cyclists started on the last leg to Dungarvan and all arrived safely, thank God, no accidents or injuries to report. We are very grateful to motor cycle@John Collins who assisted us again this year. He certainly made it easier for the cyclists to get through traffic

in the towns and kept an eye on any stragglers.

Our thanks also to the Civil Defence for supplying an ambulance and personnel to accompany the cycle. Frank Murphy, as usual, was invaluable we couldn't do without you, Frank! We are also grateful to the collectors on the day - those who went with the cycle and those who came out to help in Kilmacthomas and Waterford. Thanks too to Austin O'Brien of Tallow for the use of the mini-bus, and a special word of thanks to Liz Fenton of MS Ireland who ably handled the loudspeaker!

We thank Pierce and Donal Flynn and the staff of the Park Hotel for providing showers for the cyclists and for the dinner which was enjoyed by all the cyclists and guests. Each cyclist was presented with a commemorative medal at the dinner.

So many people helped to make the day a success, but there would be no cycle without the cyclists. By giving their time and collecting sponsorship they keep the branch afloat and we are extremely grateful to them all. We hope to see you all again next year please God.

A fundraising night was held in the Glenview Lounge in Goatenbridge on Friday, August 20th. We thank the proprietor for the use of the premises and Richie Halpin for providing the entertainment for free. We are very pleased with the outcome as £1100 was raised for the branch funds. Thank you to all concerned.

### QUESTION

My wife and I have decided to separate and have been advised to contact the Family Mediation Service. Could you tell me about this service?

### ANSWER

The Family Mediation Service is a free and confidential service. It is a service to help couples (married and unmarried) who have decided to separate or divorce, or who have already separated, to negotiate their own terms of agreement, while addressing the needs and interests of all involved.

The mediation process assists parents to work out mutually acceptable arrangements on any or all of the following issues which need decisions: parenting children, financial support, family home and property and any other problems related to the separation.

You can make an appointment for a mediation session by telephoning your nearest location for the Family Mediation Service. Services are available in Dublin (two services), Limerick, Cork, Galway, Wexford, Dundalk, Athlone and Tralee.

For an appointment both parties must contact the service and confirm willingness to attend. When a couple has reached agreement, a session is offered to parents to invite their children in to discuss their new family arrangement in a hopeful and positive way. Mediation usually takes between two and six sessions. Each session lasts approximately one hour.

Most mediations end with a written document that sets out the details of the couple's agreement. This can then be taken to solicitors to be drawn into a Legal Deed of Separation and/or a Decree of Divorce.

For further information on Family Mediation Services you should contact the Family Mediation Service, 1st Floor, St. Stephen's Green House, Earlsford Terrace, Dublin 2 Tel: (01) 8728277 or your nearest Citizens Information Centre (list available in Golden Pages).

### Why Do Birds Preen Themselves?

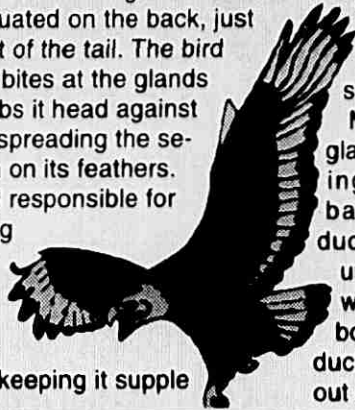

**Birds preen themselves to clean and waterproof their feathers, to keep them neat and lying smooth and also to maintain their general health.**

This process starts soon after they are born, when the feathers start to break out of their sheaths.

When the parents are out looking for food the young bird spends most of its time combing its feathers with its bill and freeing them from bits of sheath and other blemishes.

As the bird grows into adult life,

it continues the same process. It uses preen or oil glands which are situated on the back, just in front of the tail. The bird gently bites at the glands and rubs its head against them, spreading the secretion on its feathers. The oil responsible for keeping the plumage water-proof, keeping it supple

### JUNIOR ENCYCLOPAEDIA

and for preserving the bird's insulating qualities. If the bird accidentally swallows this oil, no harm is done as the oil is a source of Vitamin D.

Most birds have preen glands and often mix preening with water or dust bathing. You may see ducks dipping their heads under water, flicking their wings and moving their bodies while preening. The duck gets pleasure and fun out of this.

### When Does Sheet Lightning Occur?

This usually occurs during a storm as a result of a discharge of over the amount of electricity within one thundercloud. The outline is partly hidden and the result is a diffused light spread over a big area of sky in comparison with what we usually see.

Sheet lightning will occur when conditions are favourable — when the electric field is equal throughout the area.

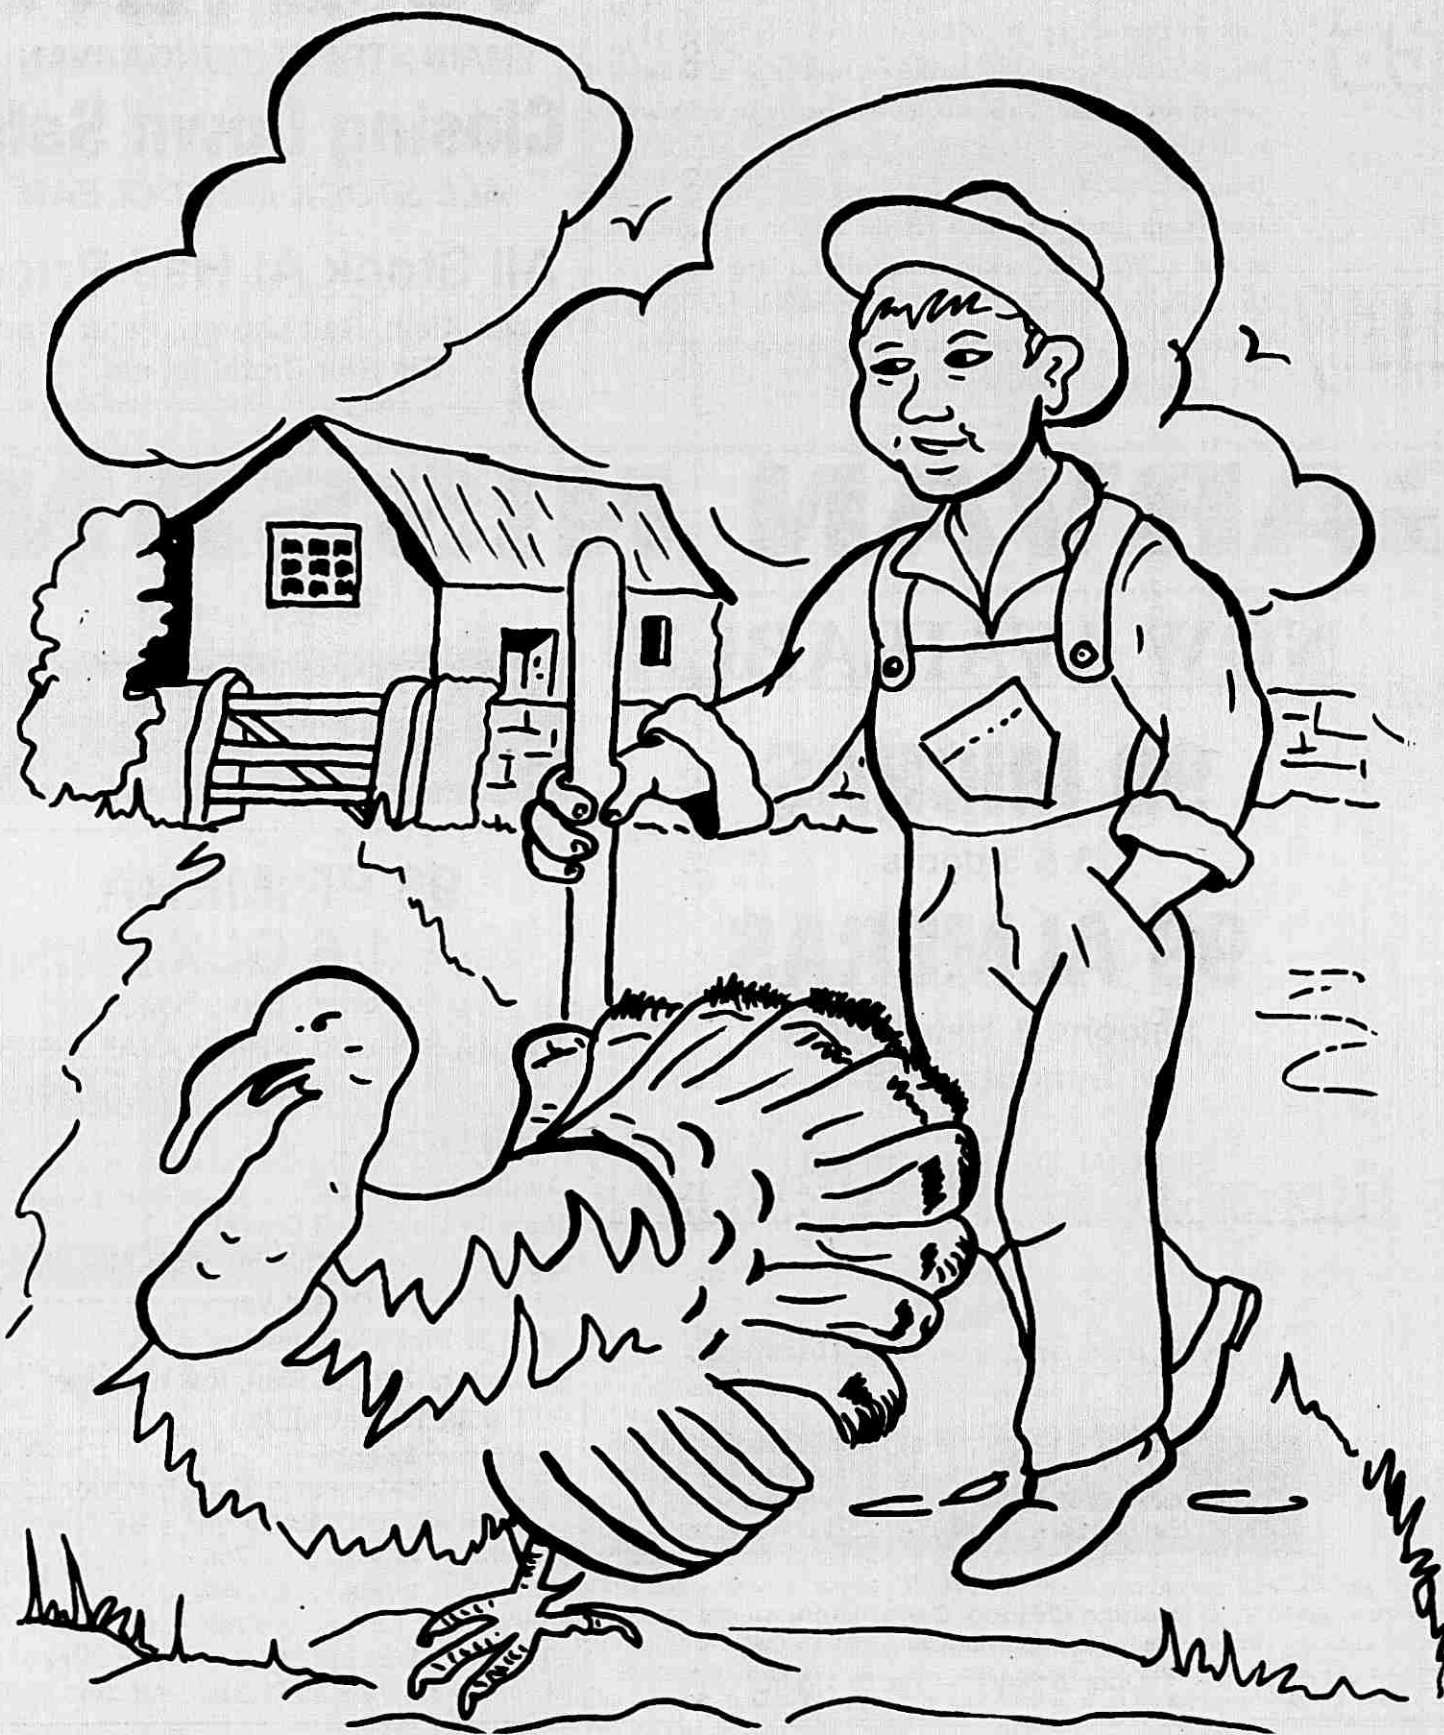

Fork or zig-zag lightning will reach the ground, unlike sheet lightning.

Sometimes the sky is lit up by flashes occurring beyond the horizon and this is often referred to as sheet lightning.

When there is a large accumulation of electric charges in the atmosphere, it will discharge in the shape of lightning. It can take place between the clouds and the earth, or between the clouds alongside each other. The clouds electric potential can be built up by the action of raindrops or other natural processes just before the discharge.

## Progress On Dungarvan Playground

Two local Councillors have jointly welcomed written assurances that Dungarvan UDC has identified a site and are finalising arrangements, including costing, for the provision of a children's playground.

Councillors Fiachra O Ceilleachair and Teresa Wright have been jointly campaigning for the provision of what they regard as an essential facility for the benefit of over 1,500 children under the age of 12 in the

Dungarvan/Abbeyside area. Councillors O Ceilleachair and Wright say they now expect that Waterford County Manager, Mr. Donal Connolly, will be in a position to clarify the details of the initiative by the next meeting of Dungarvan UDC due on Sept. 20.

"Both of us have made this issue a priority in contact with both the public and with those in local authority. We are encouraged by the public reaction, which no doubt the Council are taking

note of. We're pleased to learn that the example of Mallow, an initiative first highlighted in an award winning research project by students from Dungarvan Vocational School in 1995, has been looked at in detail by the Council.

"Having seen Mallow's playground for ourselves, we're happy that a similar efficiently but affordably constructed and well managed facility for Dungarvan will work well. Whereas separate

insurance would be costly, we were

impressed at Mallow's playground being covered through the Council's own public liability policy. As distinct from a Council's employer liability policy, we have found that less than 1.5% of compensation claims to public liability are related to playgrounds. We will be advising, in our continuing contacts with the authorities, that this form of insurance be applied in Dungarvan's case."

## Dungarvan Brass Band News

# OFFICIAL OPENING OF BANDROOM

The Dungarvan Brass Band pictured at the Cork Exhibition 1932.

The new bandroom at Davitt's Quay will be officially opened on Saturday, September 11th.

On Saturday, September 11, Dungarvan Brass Band will hold an Open Day to officially open their premises on Davitt's Quay. Unfortunately, the bandroom is not in perfect condition due to a mindless act of vandalism last Thursday night in which the feature quayside window was smashed. Despite this setback, the open-

ing will not be postponed.

The events are due to start at 3 p.m. and will consist of a brief performance, an opening ceremony and an exhibition on the band. Weather permitting, the band will parade around the town centre immediately prior to opening.

A special piece of music has been composed for this

occasion by Musical Director Jonathan Bulfin (B.Mus.) and will receive its first performance on Saturday.

Dungarvan Brass Band would like to extend a special invitation to all past members of the band to attend the ceremony on Saturday, 11th September.

Finally, Dungarvan Brass

Band will be taking on new members in late September. As always, no musical experience is required as complete tuition will be provided. For anyone interested, or who wants to know more about how the band works, tutors will be available for a chat on Saturday, so feel free to come along to the Open Day.

## RNLI Ballinacourty To Helvick Swim A Gala Occasion

The Fifth Annual RNLI Dungarvan Bay Sponsored Swim took place on Sunday last. Weather conditions were ideal with sunny skies and a light Southerly wind, as the twenty-five swimmers entered the water off Ballinacourty Lighthouse, and each accompanied by a safety boat, headed across to Helvic Pier in full tide. It was a spectacle to behold, with a flotilla of over forty attendant boats in the blue waters of the bay, including the Helvic Head Lifeboat, Civil Defence boats from Mallow, Clonmel, Waterford and Dungarvan, pleasure craft from Dublin and Cork, and a huge fleet from The Dungarvan Harbour Sailing Club led by the Lady Kate, captained by Donal Walsh, all skilfully gliding together in the direction of Helvic.

From the very beginning, Tadhg Harrington from the Cork Masters Swimming Club was ahead, swimming at a speed of 1.3 knots at times, and he was the first to reach Helvic Pier in a time of fifty-two minutes. Seven women took part including Clare Morrissey and Aoife Flynn from Abbeyside, and two mothers and their fourteen year old daughters from the Cork Masters.

The oldest participant was 73 year old Bill Steigleder from Ballinspittle and Florida, followed by 65

year-old Vince Cassidy, both from CMSC. The other local swimmers were Darren Drummy, Ray O'Dwyer, John Clarke, Eanna Sheehan, Eddle O'Mahony, and Paul O'Gorman, Aidan O'Kelly and Michael Gaul who have holiday homes in Clonea.

There was a festive atmosphere in Helvic Pier, as the huge crowd cheered the swimmers upon arrival on the slipway, with Billy O'Donnell's accordion tunes, and the aroma of quarter pounders wafting into the air from Austin Flynn's BBQ. Oilvere Walsh and her Ladies Catering Crew provided suitable refreshments and other delicacies, and Frank Mulcahy and his team sold Lifeboat souvenirs and goodies to children.

In his address to the gathering assembled on the pier, Tom McHugh, Chairman of the RNLI Dungarvan Fund-Raising Branch thanked those who participated in the event.

He said "We are especially indebted to our swimmers, who year after year, displaying indomitable courage and generosity of spirit, take part, and by so doing help to augment our fund-raising efforts.

"I should also couple with them the many people who helped fill the cards by buying lines of sponsorship, and the many volunteers who travelled the hostleries on

Saturday night last, selling lines of sponsorship, and the media, including the Dungarvan Leader, and WLR, who always give us invaluable coverage.

"Our swimmers' safety was seen to by boatmen and women, to whom we are very grateful. We also thank the Civil Defence boats from Mallow, Clonmel, Waterford and Dungarvan."

"This", he continued, "could be described as a gala day, and we thank Dungarvan Harbour Sailing Club for facilitating and coordinating this very successful event. We have a BBQ, souvenirs and music for your delight, and we thank Mna na Rinne, Fir na mBurgers, Blawin Clancy for her photography, agus gach eile dhuine a chabhraigh linn in aon tsi.

"The generosity of our sponsors and local businesses must be acknowledged: You are more than generous with your gifts, and we appreciate your support not alone on this occasion but whenever you are asked for support. Nar laga Dia bhur lamha.

"Lifeboatmen and women from Dungarvan, Tramore, Bonmahon, Youghal and Ballycotton, we are deeply indebted to your commitment and dedication. Go bhfaga Dia an tsainte agaibh to leir. Rath De oraibh, agus go mbeirimid beo ar an am seo aris." —

**INGREDIENTS:**  
Serves 4 to 6

20ml groundnut oil  
4 skinless, boneless chicken breasts, cubed  
Salt and freshly ground black pepper  
1 large onion, chopped  
3 cloves garlic, finely chopped  
3cm root ginger, peeled and finely chopped  
1 stick lemon grass, trimmed and chopped  
100g baby corn, trimmed and sliced diagonally  
3 x 10ml sp Malaysian mild curry powder  
20ml Thai green curry sauce  
1 x 5ml sp ground turmeric  
1 x 10ml sp plain flour  
400ml can coconut milk  
150ml chicken stock  
2 x 15ml sp freshly chopped coriander  
227g can pineapple pieces in natural juice  
1 small ripe mango,

peeled, stoned and sliced  
1 banana, peeled and sliced  
400g Thai jasmine or Basmati rice to serve

**METHOD:**

Heat half the groundnut oil in a large pan. Season the chicken with salt and pepper, add to the hot (almost smoking) oil and cook, turning until brown on all sides. Remove from the pan. Add the remaining oil to the pan. Lower the heat and then fry the onion, garlic, ginger, lemon grass and baby corn, stirring occasionally, for about five minutes. Add the chicken. Mix together the curry powder, curry sauce, turmeric and flour, add to the pan, stirring all the time, and cook for two minutes. Gradually add the coconut milk, stock and juice from the pineapple-

ple. Bring to the boil and simmer for 20 minutes, stirring frequently to prevent it burning. Meanwhile, cook the rice according to the packet

instructions. Just before serving, stir the pineapple pieces, mango, banana and coriander into the curry, then serve with rice.

## Brioche Buffet Bites With Herbs

**DELIGHTFULLY different and impressive buffet type snacks – French cuisine with a twist.**

**INGREDIENTS:**  
Makes 24

8 medium slices brioche  
1 x 15ml sp chives, finely snipped  
1 x 15ml sp dill, finely chopped  
2 x 15ml sp mayonnaise

**METHOD:**

Use a 5cm round cutter to stamp out 24 circles from the bread. Do not include the crust. Mix the chives and dill in a small bowl. Next, spread a thin coat of mayonnaise on the edge of each circle of bread, taking care not to get any mayonnaise on the top surfaces. Then, roll these edges in the herbs, give them

a gentle shake to remove any excess and arrange on a serving plate. These particular sandwiches will dry out more quickly than others and there isn't any butter to keep them moist, so keep them covered in plastic wrap until just before you are ready to serve.

**TOP TIPS:** You can try this method with all sorts of herbs and spices – in fact anything that will stick to the bread using a small amount of mayonnaise. Just roll the edge of the brioche circles in your chosen coating instead of the dill and chives and follow the rest of the recipe. Also, brioche is perfect for making the sweet variety of sandwiches too. Use jam or syrup instead of mayonnaise and hundreds and thousands or icing sugar instead of herbs.

## American-style Picnic Muffins

**AN American cake-snack which is perfect for lunchboxes and picnics.**

**INGREDIENTS:**  
Makes 16-20

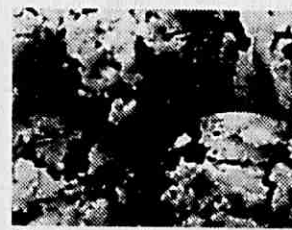

200g self-raising flour  
75g golden caster sugar  
2 medium eggs  
4 x 15ml sp sunflower oil  
4 x 15ml sp milk  
200g blueberries  
125g quality white chocolate, coarsely chopped

**FOR THE STRUDEL:**

100g butter, softened  
75g light muscovado sugar  
1/2 x 5ml sp ground cinnamon  
75g plain flour

**METHOD:**

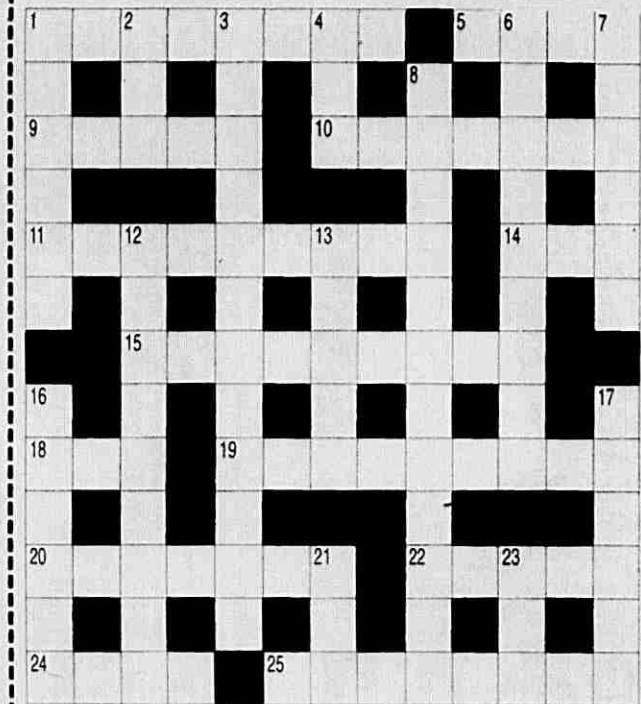

For the strudel, beat together the butter and sugar. Add the cinnamon and flour and combine well.

For the muffins, mix the flour and sugar. Beat together the eggs, oil and milk then add to the flour, combining gently but thoroughly. Stir in the berries and chocolate, taking care not to bruise the fruit. Spoon into 16-20 muffin cases. Using your fingers, crumble the strudel mixture over the top. Bake at 200°C/400°F/Gas Mark 6 for about 20 minutes until golden brown and risen. If you can find large American-sized muffin cases, bake for 2-3 minutes longer.

# This Week In The Garden

**Sow Hardy Annuals**

Some of the hardy annuals can be sown outdoors now which will stand the winter and flower in May and June next year. Sow them thinly where they are to flower and cover lightly with soil. Thin the seedlings out to 8 or 10 cm apart as soon as they can be handled, but leave any further thinning until March or April. Among the best varieties for sowing now are alyssum, calendula, candytuft, clarkia, cornflower, godetia, larkspur and cardinal poppies.

**Sow Annuals For The Greenhouse**

Many annuals make excellent pot plants for the cool greenhouse. If sown now they will start to flower in early spring and continue until May. Sow thinly in well drained seed trays and germinate in your unheated greenhouse or frame.

## Plant Anemones

Make a first placing of anemones. If these are put in in successional batches, it is possible to extend the flowering season. The tubers should be planted 8 cm deep and 15 cm apart.

## Pot Up More Freesias

Make a potting of freesia corms. If these are placed in a frame, and are protected from frost with lights, but no attempt is made to force them, they can be introduced to the warm greenhouse a few at a time from November onwards. They will supply a succession of flowers in winter and early spring.

## Pot On Primulas and Calceolarias

There may be quite a lot of potting on to be done if growth during August was fairly good. Greenhouse primulas from the April sowing should be about ready for their final pots, while the June sown primulas are also likely to need potting singly into 8 cm pots of John Innes potting compost No. 1.

## Pot Hippeastrums

Pot specially prepared Christmas flowering hippeastrums, one bulb in a 10-13 cm pot of John Innes potting compost No. 1 or a peat-based equivalent, and put the pots in a light room or greenhouse.

## Glanbia Faces Into Challenging Times

While in line with market expectations, Glanbia plc's financial outcome for this year is expected to be disappointing. Speaking at the announcement of the group's interim report for the half year ended 3rd July, Group

Managing Director Ned Sullivan said the rest of 1999 will be challenging to the group although he was satisfied that the many initiatives underway are building a platform for sustainable growth in the future.

The report shows that turnover declined 7% in the first half of this year due to lower sales in the UK milk operations, lower international prices and the effects of disposals completed in the first half of 1998. Operating profit was also down and disappointing results in consumer foods and food ingredients more than offset a strong recovery in the meat division and good results in the agribusiness division.

As of July, shares stood at £3.54 with an interim dividend of £2.35 per share to be paid on 6th October.

Mr. Sullivan said Glanbia's balance sheet has strengthened considerably since year end.

"We are reshaping the Group around businesses that have strong market positions and which offer real development potential. A major investment programme is underway including USA food ingredients and UK food service. Glanbia has already clarified the market and operational issues it is facing and the rest of 1999 will be challenging for the Group as previously stated".

### REPS TRANSITIONAL RULES UNACCEPTABLE -IFA

Waterford IFA Rural Development Chairman Mossie O'Connor has described the new transitional arrangement for REPS as unacceptable and has called on the Minister for Agriculture Joe Walsh to seek a more workable solution from the EU Commission in the coming weeks.

Mr. O'Connor said that farmers will be very reluctant now to join REPS as they do not know what the new specifications and payments for the scheme will be from 2000 onwards. Farmers, he said, "need to know what the long term future of REPS is as they will be incurring costs in year one, first of all in planning charges, and secondly in compliance costs."

The Waterford IFA Rural Development Chairman also expressed serious concern with regard to the new REPS / SMA Commonage Scheme which had only recently begun to apply. Farmers with commonages were debarred from joining REPS for the best part of 1998 and early 1999 as new arrangements were being discussed with Brussels. Farmers in commonage areas will have to destock based on the Commonage Framework Plans with uncertainty as to the long term compensation for income loss that will apply.

Mr. O'Connor said that he feared the transitional rules worked out between the Department of Agriculture and the European Commission is an attempt to stall the REPS scheme which over 43,000 farmers have already applied for to-date. IFA estimate that a further 20,000 farmers could potentially join REPS over the coming years. However, these farmers will now be very reluctant to do so due to the transitional rules now in place.

Mr. O'Connor also called on the Department of Agriculture to clarify the situation with regards to plans drawn up before July 30th and where applications were lodged with the Department of Agriculture.

Concluding, Mr. O'Connor called on Minister Walsh to ensure that there is adequate funding for the new REPS scheme in the National Development Plan to ensure that payments can be improved as many farmers find the cost of compliance and participation in REPS excessive. IFA has already made a detailed submission to the Department of Agriculture on this matter.

#### TILLAGE

Harvest Report The first harvest report of 1999 was issued by Teagasc on August 30th

- IT IS A VERY SATISFACTORY HARVEST FOR MOST GROWERS WITH HIGH YIELDS AND EXCELLENT QUALITY GRAIN IN ALL THE CEREALS.
- UP TO 75% OF CEREALS ARE HARVESTED IN THE SOUTH BUT ONLY ABOUT 60% IN THE NORTH-EAST.
- SPROUTING AND DISCOLOURATION OF GRAIN IS A PROBLEM IN SOME RECENTLY HARVESTED CROPS OF WHEAT AND SPRING BARLEY.
- SPRING BARLEY IS YIELDING VERY WELL AVERAGING ABOUT 6.5 TONNES/HA (2.6 TONNES/ACRE). WINTER WHEAT YIELDS ARE ALSO VERY SATISFACTORY AVERAGING ABOUT 9.0 TONNES/HA (3.6 TONNES/ACRE).
- WINTER OAT YIELDS WERE SATISFACTORY AVERAGING 7.5 TONNES/HA BUT QUALITY WAS EXCEPTIONALLY GOOD WITH SPECIFIC WEIGHTS OF 54-60 KPH.
- DEMAND FOR STRAW IS GOOD. BARLEY AND OATEN STRAW IS GENERALLY MAKING £6-£8 PER 4FT X 4FT BALE

#### SHEEP

##### EWES QUOTA - NATIONAL RESERVE

Applications for sheep quota from the National Reserve are now available. This year approximately 100,000 quota rights are available.

Categories for eligibility remain the same as last year when 70% of applicants were successful. It is an ideal opportunity to expand your flock.

Closing date for applications is Friday, September 24th. Contact local Teagasc office for further details.

What questions should you ask if considering extra quota?

- Is there land available to keep extra ewes?
- Will extra ewes effect EU stocking density or REPS?
- Availability of adequate housing / winter-feed.
- Workload of extra ewes, usually not a problem on existing sheep farms.
- Profitability of existing flock.

At present many people are talking down sheep because of current price. But the economics of a sheep flock must be examined over the full year. The Gross Margin per ewe would be £48 where you sell 1.4 lambs per ewe to ram @ 19kg carcass with an average price of 94p/lb. Assume Ewe Premium of £18 and variable costs of £25. Where world rural premia (£5.50/ewe) and REPS (£12.50 @ 4 ewes/ac) is available the G.M./ewe could be £66/ewe. This is £264/acre at 4 ewes/acre.

How does this compare to other enterprises? Do your sums for your own farm performance.

#### DAIRYING

Supplementing Autumn Grass with Concentrates Research work carried out by Pat Dillon at Teagasc, Moorepark in 1992, showed that feeding 2 kgs of concentrates increased milk yield by 0.4 gallons. If you have extra quota to fill, it is economically justified to feed up to 3 kgs.

- Commence feeding from the 20th September approx.
- This date will depend on weather, grass supply and grass quality.
- Price does matter, particularly if you are filling leased quota milk. Mixture of citrus pulp, distillers, gluten is ideal.

#### Grass Tetany

Tetany becomes an animal health issue again in the autumn.

- Ensure concentrates contain the right percentage of Cal-Mag for the feeding rate.
- If no concentrates are being fed, pasture dusting will be necessary.

#### UPCOMING EVENTS

## ACREAGE BASED HEADAGE PROPOSAL MUST BE POSTPONED

IFA President Tom Parlon has recently called on the Agricultural Minister, Joe Walsh to postpone the introduction of the new acreage based Disadvantaged Areas system which was agreed at the recent Agenda 2000 negotiations. This deferral is necessary for the 100,000 farmers involved so as to allow sufficient time to devise a fair and equitable system to be put in place so as to ensure that low income farmers are not discriminated against under any new payment arrangements.

IFA believes that the postponement can be sought by the Government as a result of transitional arrangements which can apply to the implementation of the EU's Rural Development policy under Agenda 2000.

Mr. Parlon said that the change to an area based system rather than the current per head of livestock payment will have significant negative impact on the incomes of dry stock and sheep farmers whose incomes are highly dependent on Disadvantaged Areas Headage payments. Disadvantaged Areas payments in the past have been geared to those sectors on lowest income which include suckler cows, sheep and dry stock farmers.

Continuing, the IFA President said the Minister for Agriculture must urgently secure £115 m annually over the coming seven years under the National Development Plan to implement the Disadvantaged Area Scheme. This level of funding is necessary to ensure that there are no cuts in payment and IFA will not accept any reduction in headage payments over the coming years. Headage payments represent a significant income support for low income farmers. This has been clearly illustrated in the recent Teagasc Farm Management Survey where direct payments represent over 100% of income on cattle and sheep farms with headage payment in severely handicapped and mountainous areas representing half of this direct support.

## Pig Farmer Losses £45m. In One Year

—PARLON

IFA President Tom Parlon speaking at an IFA organised Pig Industry Seminar (last Tuesday night) in Mallow said pig farmers had lost £45 million over the 12 month period September '98 to August '99 inclusive. The average price received by pig farmers over the period was 78.3p per kg. The break-even cost including financial charges is 95p per kg. This represents an average loss of 16.7p per kg or almost £12 on every pig sold. Producers made a total loss of £45 million over the past 12 months. Tom Parlon said "no Irish pig producers have made money in the past year. In fact losses average £75,000 for each producer".

Mr Parlon said "The sector badly needs to recover from this position but it will take a long time. Current price levels at 87p per kg are 8p per kg or £5.60 per pig below break-even".

Mr Parlon called on all parties at the seminar involved with the sector, pigmeat processors, feed compounders and financial institutions to put their shoulders to the wheel to assist recovery. "An immediate pig price increase of 4p

per kg is essential from the pigmeat processors. Margins on pig feed must be tightened significantly and maximum efficiencies introduced at both importer and miller levels. Interest rates on borrowings must also be pared to the absolute minimum to facilitate the recovery" he said.

Mr Parlon added "Official information on the economy of pig production from the European Commission for the 7 month period January to July of 1999 shows Irish pig farmers are in the worst position when compared to Denmark, Germany, France, Holland and the U.K. The economy of pig production is an independent index which takes account of both pig price and feed cost and shows Ireland at the bottom of the ladder".

"I am calling on all sectors of the pig industry living off the pig farmer over the next week at our three seminars in Mallow, Cootehill and Portlaoise to tighten their belts and play their part in the survival battle for this sector of Irish farming which has a farm gate value of £230 million" concluded Mr Parlon.

## CO. Waterford ICMSA NEWS

### ICMSA VISIT BEEF CARCASS GRADING TRIAL

Mr. Liam Heverin, Chairman of ICMSA's Beef and Cattle Committee speaking after a visit to the Beef Carcass Grading Trial at Dawn Meats, Middleton said that he hoped that the trial would identify a number of machines capable of providing an objective measure of quality under Irish conditions which could replace the current subjective measurement of quality which has been a major bone of contention for farmers since its introduction.

Farmers today, Mr. Heverin said, simply cannot afford errors in grading cattle so this is why the introduction of an objective system is so important. An objective system should provide a farmer with a greater guarantee that he/she is getting fair grade for his/her cattle. Following an inspection of the Trial, Mr. Heverin said, that he was very impressed with the commitment being shown by all parties involved in ensuring that the trial is a success, in particular the commitment of Dawn Meats and the Department of Agriculture and Food. The farming community, Mr. Heverin said will await the final results of this Trial with much interest by the farming community.

### MILK PRICES

The ICMSA President Mr. Frank Allen said that it was his opinion that milk prices should remain stable for the rest of the year. Intervention for skim milk powder has just ended. However the expectation is that skim powder will continue to trade at intervention prices, in contrast to last year when powder prices came down over £100 per ton when intervention ended.

In the current year because of the weak Euro and the strong-dollar, significant exports of powder have gone to third country markets because the currency situation made European powder quite competitive.

In addition there has been demand in Europe for powder for use in animal feed. These developments have encouraged a more stable market.

Looking into the future the significant increase in oil prices should encourage increased demand for dairy products in Third Country markets. Low oil prices meant that many countries reduced the quality of dairy products that they purchased.

We must also hope that Russia will commence purchasing butter and cheese sometime next year when their economy should begin to recover with the aid of international loans.

"It is difficult to predict future prospects but I do not expect dairy markets to get any worse, and if the Russian situation were to improve it would certainly have a very positive impact on the market" concluded Mr. Allen.

## Department Must Get Results In Brussels To Prevent REPS Becoming A Farce —ICMSA

Mr. John O'Connor, Chairman of ICMSA's Farm Services Committee, speaking recently welcomed the recognition by the Department of Agriculture and Food that the current rules relating to REPS are unacceptable.

In fact, Mr. O'Connor said that the new rules will make a total farce of the Scheme, unless they are changed. The rules effectively mean, Mr. O'Connor said, that a farmer is entering into a five year REPS contract of which he/she does not know the future rules or rates of payment yet. In addition, this rule is affecting farmers who submitted their plans before 30 July 1999, but the plans had not been

processed by the Department by that date. This is totally unacceptable, Mr. O'Connor said. It was not the farmers fault that the Department had failed to process his/her plan by this date do the farmer should not suffer as a result.

The Department, Mr. O'Connor said, must solve this problem immediately by allowing farmers who enter the current scheme to continue in that Scheme for the five years of the contract. If the current rules continue, the Department Mr. O'Connor said, will have made a farce of REPS ICMSA, Mr. O'Connor concluded, have written to the Minister for Agriculture and Food clearly outlining our concerns on this issue.

### MASS AT ANCIENT CHURCH

The Holy Sacrifice of the Mass will be celebrated at the Ancient Church of Knockboy on Wednesday evening, September 8 at 7.30 p.m. the Feast of the Nativity of the Blessed Virgin. It was here at Knockboy that Saint Sechnenus built his first church and around it in the course of time grew the Parish of Seskinane or as it was locally called the Parish of Sle-Goe. The Church of Seskinane with the exception of Lickoran and small areas later added from Rathgormack, Kilsheelan, St. Mary's, Clonmel, served the spiritual needs of the people of the Nire and Touraneena.

In the 16th century the days of Seskinane's glory came to an end and the sacrifice of the Mass was offered there no more. We appeal to the people to come to this hallowed spot and offer up with the priest the holy sacrifice of the Mass for the countless souls who are laid to rest there, waiting for the judgment day.

## RECENT DEATHS

### Late Mr. Patrick Cahill

With deep regret we pen the death of Mr. Patrick (Paddy) Cahill, Kennedy Terrace, Carrickbeg, which sad event took place at Saint Bridget's Hospital, Carrick-on-Suir.

Deceased, in his eighty fifth year, was a member of a well loved and respected Rathgormack family. He was a man who had a great love for gardening, he spent many years tending the gardens and glasshouses at Walsh's of Suirmount. Prior to that he spent many years in England. He was a great G.A.A. supporter especially county Waterford teams. For many years he was a regular attender at the Day Care Centre where his unassuming manner and good conversation made him a popular person with staff and guests.

On Wednesday evening his remains were removed from Joe Walsh's Funeral Home, Carrick-on-Suir, to the Parish Church of Saint Molleran, Carrick-beg where they were blessed and received by Rev. Fr. John Cahill, CSSp., Carrickbeg/Windgap. On Thursday morning Requiem Mass was celebrated for the happy repose of his soul, the celebrant was Fr. ### Late Mr. Gerard Greene

Profound and sincere feelings of regret were widely expressed at the news of the sudden death of Mr. Gerard Greene, Knocknacreeha, Rathgormack, Carrick-on-Suir, which sad event took place at his residence on Thursday, August 28.

Deceased was a member of an old established family respected in the farming community. His late father Godfrey J. Greene served on Waterford County Council as a Fine Gael councillor, he was first co-opted on the 4th July 1927 where he replaced

the late Matthias Walsh. He retained his seat in the elections of 1928. Gerard was father of Mary Greene who was elected a Fine Gael councillor at the recent local elections.

A wonderful husband and father, his wife and family were his pride and joy. An outstanding neighbour, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was a true gentleman in every sense of the word and made a host of friends who appreciated his company, advice or assistance in any way. Gerard was an outstanding farmer, he had an excellent knowledge of all aspects of farming and was a keen judge of livestock and sheep. He was a true Christian man who never sought the limelight but came forward if he could to offer the hand of help. No unkind or harsh words ever passed from his lips, and his presence amongst us will be missed as was evidenced by the huge concourse of mourners who were present when his remains were removed from his residence on Saturday evening to the Parish Church of the Sacred Heart, Rathgormack where they were blessed and received by Rev. Fr. J. Shanahan, Dublin, family friend. There were a number of other clergy present.

Shanahan with the other clergy officiated at the graveside in the presence of a huge concourse of mourners who came to pay their final respects to a Christian friend whose memory they will long cherish.

To his wife Angela, sons Godfrey, Matt, daughters Mary and Gemma and his many relatives we extend our sympathy. Go raibhamid i gcomhladar a cheile i riocht de.

(Undertakers Joe Walsh, Carrick-on-Suir.)

### Late Mrs. Mary Bolger

It is with deep and sincere regret the district received the news of the death of Mrs. Mary (Mia) Bolger (nee Power), Shanballyanna Lower, Ballymacarbray, which sad event took place at St. Patrick's Hospital, Cashel on Wednesday, 1st September.

Deceased, in her 91st year, the oldest female in the Nire Parish was a member of an old and respected Nire Valley family. She was the last member of an old Sliabh gCua family, the Powers of Doon. She was a kind and loving wife and mother, her husband, who predeceased her by some ten years and her family were her pride

and joy. She was a very estimable lady of many charming traits of character. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all. A lady in every sense of the word, she was highly respected especially by her friends and neighbours, who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to react swiftly and without fuss.

An extremely private person, she possessed a deep faith and practiced her religion devoutly but unobtrusively. Her passing even at an advanced age has evoked feelings of sincere regret among her family, neighbours and her many friends.

Many tributes have been paid to this fine lady but perhaps the finest was paid to her on Thursday evening by the large concourse of mourners who were present when her remains, after the rosary was recited by Rev. Fr. Cornelious Kelleher, P.P., Nire/Touraneena were removed from Condons Funeral Parlour, Clonmel to the parish church of Saint Helena in the Nire Valley where they were blessed and received by Rev. Fr. Kelleher, P.P. Also present was Rev. Fr. William Ryan, Adm., Cathedral, Waterford.

On Friday morning, the Feast of Saint Seraphia (virgin and martyr), Requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Kelleher.

After Mass on a beautiful autumn day as her remains left the beautiful church of saint Helena in the Nire Valley where she had worshipped the Lord for the past fifty-seven years, her nephew Ned Power gave a beautiful rendering of Sliabh Geal gCua na Feile. Her remains were than taken to the ancient churchyard at Cill-Cloggin where she was laid to rest in the family plot with her late husband. Fr. Kelleher officiated at the graveside in the presence of another large concourse of mourners who were present to pay their final respects to a dear Christian friend whose memory they will cherish.

To her son Frank, daughter Eileen and her many relatives we tender to them our sympathy.

## TRAFFIC PROBLEMS ON ROAD TO CLONEA

We are glad to report that a mirror has been erected to facilitate traffic coming from the Gold Coast to the Clonea Road at the junction at Tallaghtcoolmore, known locally as Casey's Cross.

This is a temporarily solution to the problem as negotiations are ongoing between local landowners and the Council with a view to setting back some of the fences at this junction which would be a more permanent solution.

In the meantime the mirror will have a major effect on people's confidence using the junction.

## COMMUNITY HALL

By decision of the committee, those working to have this become a reality are remaining very tight-lipped about the development, but it has been whispered that a lot of work in relation to the acquisition of a site and planning permission is going ahead behind the scenes. There may be an official announcement soon.

## CONGRATULATIONS

To Billy and Maureen Mulvihill, McCarthyville on their 40th Wedding Anniversary. Fr. Martin Keogh, C.C. celebrated Mass to mark the occasion and a very enjoyable night followed with family and friends.

## ABBESYDIE GUIDE NOTES - ANNUAL CAMP

On the 20th August 41 Guides from Abbesside, Stradbally and Cork and their Leaders travelled to Birmingham for their Annual Camp. Their base was to be Blackwell Court International Scout site where many activities such as archery, pushball, go-karts, Volleyball etc. etc. were available. There was also (needless to say) an on-site heated swimming pool which proved very popular with the guides from Abbesside. Day trips undertaken included outings to Worcester, Cadbury World and Alton Towers. With such activity Camp flew by and all too soon it was time to face the boat home.

Quotes on Camp 99 include "brilliant", "fabulous", and even "my best guiding experience ever" (and that came from one who has seen a camp site or two in the past twelve years). All agreed it was an amazing and wonderful experience that simply had to be repeated. Even now as we nibble on the last of our chocolate supplies, the cogs in the heads are beginning to turn to Camp 2000 and even Camp 201 - when who knows what far away land will be our destination.

## VANDALISM

The building of the new classrooms at Scoil Mhuire is proceeding well but sadly this week did not escape the attention of vandals who caused a considerable amount of damage to machinery and school property, shortly after the commencement of the building work. All decent minded people are appalled at this wanton destruction of property and are hopeful that those responsible will be brought to justice.

The names of the vandals, are known and are with the Gardai and it is disappointing to note that all but two are recent pupils of the school.

## SET DANCING CLASSES

Everyone is welcome to participate in the set dancing classes which will commence in St. Laurence's Hall, Ballinroad on Monday 13th Sept. starting each night at 8.30 pm.

## HEADSTONES

The Abbesside Reference Archive in conjunction with Dungarvan Museum Society have begun work on cataloguing the Headstones in the Abbesside Graveyards.

While some stones are easily read, others are old and weather beaten and require more time, but with the help of Tom Veale, Dublin, work is progressing nicely on this project.

It is planned to finish up with two lists, one numerical and the other alphabetical. These should prove most useful to all in the future and a valuable research source.

## ABBESYDIE COMMUNITY GAMES

### COLLECTION

In the archive we have a number of different collections. The collection reaching back furthest in time is possibly the extracts we hold from the journal of the Waterford and South-East of Ireland Archaeological Society Vol. 1 1894-5. That publication was superseded by the Old Waterford Society Journal of which we hold one copy and a number of extracts.

This in turn was superseded by "Decies" the journal of the Waterford Archaeological and Historical Society of which we hold a large collection up to the latest edition No. 54 1998.

So it's safe to say our historical collection ranges back well over 100 years.

This Sunday evening Emma Flynn will be at the Parish Office to mind all our valuables, both historical and modern. Parking at The Pond and admission is free.

## ROAD SAFETY IMPROVEMENTS IN BALLINROAD/BALLINACOURTY

Cllr. Nuala Ryan has welcomed the erection of stop signs at Ballinroad Cross, which is just the first element of the improvement of traffic control at that busy junction. Even before her election to the County Council last June, Cllr. Ryan had been actively pursuing this issue.

"This is just the first of many improvements needed", she says, "and I am confident that the Council will continue to implement whatever measures are necessary to cater for the growing needs of Ballinroad."

## 1966 - BALLYGUNNER AGAIN

A tournament win over Erin's own was followed by a hard earned win over De La Salle in the Senior Hurling Championship but in the quarter final another thrashing at the hands of Ballygunner lay in store. Of course this was a great Ballygunner side who were that year on their way to their first County Title.

Rd. 1 Abbesside 0-12 De La Salle 1-5 at Dungarvan 17.7 Ref. T. Ryan. Rd. 23 Ballygunner 6-8 Abbesside 0-6 at Dungarvan 16.10. Ref. N. Dalton.

### GOOD YEAR FOR JUNIORS

Abbesside's junior hurlers had an exciting year first of all being involved in an abandoned league game against Tallow and later enjoying a great run in the championship.

That controversial league game was replayed and Abbesside lost. But they immediately began their series of championship wins, beating Ballyduff, Ardmore and Colligan to win Section B (second teams of Senior and Intermediate Clubs).

Next Abbesside overcame Ballinameela in the Western semi-final and found themselves in the Divisional Final.

Western Final; Abbesside 3-8 Stradbally 1-6. At Dungarvan 23.10. Ref. J. O'Gorman (T). County Final; Kill 4-10 Abbesside 2-3 at Dungarvan 20.11. Ref. T. Ryan (FMW).

### SHEEHAN CUP

Abbesside National School again captured the Sheehan Cup (Trophy for Primary Schools Hurling). The final was played as a curtain raiser to the Senior Hurling Co. Final.

Abbesside N.S. 6-2 Tallow, Ballyduff Schools 4-2. In that year, the competition was run on a 'two parish' basis, all rural schools, with the exception of Abbesside, combining with the schools of a neighbouring parish in order to ensure a good standard of play.

Abbesside defeated Aglish-Clashmore in Rd. 1 and Ballyduff-Portlaw (winners of the Eastern rural area) in the semi final.

Abbesside N.S.; T. O' Donnell, M. Cosgrave, J. Kelleher, K. Lennon, J. Fraher, N. Cashin, J. Kelleher, M. Kiely, E. Cashin, D. Connors, M. Lennon, J. O' Donnell, P. Kiely, J. Kiely, P. McGovern. Sub; J. Murphy.

# Waterford Juvenile Handball

## 17 SINGLES AND DOUBLES REACH ALL IRELAND FINAL

The last two weeks brought great results for our Juvenile handballers. In total we won four Munster Titles, our first in under 16 Doubles and 14 Doubles.

The under 14 Doubles Tristan Hickey and Willie Power had the honour of bringing Waterford its first title in this grade. On Saturday last at the Ballyporeen and Clonmel venues Munster champions played the Connaught champions in the semi finals. Tristan Hickey and Willie Power of the Touraneena Club got things moving for Waterford. They came up against a very good Roscommon pair. Tristan and Willie are new to the 60x30 game, nevertheless they made /Roscommon work hard all through the game. They led in both games but in the end had to give way to the more experienced Roscommon pair.

Our under 16 Doubles Eoghan Moloney and Stephen Cass played Galway's Noel McHugh and Thomas Connaughton. The Galway lads won the 16 40 x 20 in May. These proved too strong for the Waterford lads. Well done Eoghan and Stephen.

Under 17 Singles, Philip Butler showed what a good handballer he is by taking on a very big and strong Roscommon player (Dessie Dowd). Philip is a very strong hitter of the back and left Dessie in a spin. Philip won his way to the All Ireland with the score 21-5 21-9.

The final game for Waterford was the under 17 Doubles, Barry McHugh and Rick Hanrahan. They took on the Sligo pair and beat them well. The score 21-3 21-9.

For the second year running our Juvenile Handball ersreached two All Ireland Finals. On Sunday last our under 17 Doubles played Tyrone in the All Ireland Final. Tyrone had a very strong pair, both players have played in a few All-Ireland Finals. This game turned out to be one of the best games of the finals, as the final score tells us. Both Barry and Rick played some great handball all through, they kept the Tyrone players moving and worked them hard. The Tyrone players proved to be very good handballers. They already hold this years 40X20 All-Ireland Colleges Title. The final score Tyrone 21-16 21-17. The All-Ireland Singles Final with Waterford's Philip Butler has been postponed until a later date, we have great hopes for Philip that he will bring this title to Waterford.

Congratulations to all our players for the great effort they have put in, they are Munster Champions. We congratulate all the players from the counties that won the All Ireland's and hope all will keep playing the game.

## BRIDEVIEW UTD AFC NOTES

TONY BOLGER CUP

### Utd Struggle At Home

Maybe it was the festival and the horse-fair day that had such a big effect on Utd's first team who were at home on Sunday morning last. Utd won but only after extra time. Our Div. two side were away to Modeligo and after a penalty shoot out they ran out winners. So a good start to the season as Utd brings off the double.

#### Results Brideview Utd 4 Blackwater Rangers 3 (AET)

Its a long time since Utd leaked three goals to any side so it was a real surprise when Rangers scored three on Sunday morning last as the new season kicked off.

This game looked to be over at the break when Utd led 3-0, all three goals scored by Stephen Pratt who was outstanding in the opening 45 minutes which Utd totally dominated.

Utd could have been two up inside the opening ten mins. when Stephen Pratt had a shot well saved and a John Doyle header was cleared off the line. Rangers did have a great chance on the 11th minute but their striker shot wide with just the keeper to beat. It was all Utd after this. John Doyle was brought down in the box after 32 min. and Stephen Pratt scored the first of his hat trick from the penalty kick. Pratt was in again three min. later and he scored his third goal in the 41st minute to put Utd in the driving seat at the break leading 3-0 and looking very comfortable.

Utd began the second half where they had left off in the first half taking the game to Rangers. In the 56th Stephen Curley saw his fine effort come back off the crossbar and cleared. Then Utd seemed to relax and Rangers took full advantage of this and opened their account in the 65th minute. Goal number two came in the 78th min but Utd were still leading 3-2 going into the final 29th minute when Rangers scored a cracking equaliser and took the game to extra time.

Three minutes into extra time Utd scored what proved to be the winning goal. A great cross from Tim Linehan saw Dermot Henley squeeze home the ball between the keeper and two defenders.

So, Utd advanced to the

next round but they will have to improve if they are to retain the Cup. To be fair the side are not yet at what could be regarded as full strength and with training then we should see an improvement.

Utd; B. Sheehan, B. Henley, R. Henley, G. Sice, D. Martin, S. Curley, Y. Doyle, D. Doyle, S. Pratt, D. Henley, P. Curley.

Res. used; T. Linehan and P. Curley.

Modeligo 1 Brideview Utd B 1 (AET) Penalties 1-3.

Like our A team our second team also saw their game go to extra time and indeed penalties before our lads made the draw for the next round. This was a great start for manager James Beecher and his assistant Sean Pratt.

It was the homeside who took the lead in the first half and they held this lead till the break.

Utd got back on level terms five minutes into the second half when Brian Donnelly scored the equaliser. While both sides had their chances at the final whistle the side were still level at 1-1.

Extra time failed to separate the sides and so it took a penalty shoot out to decide the winners and here our lads came out on top winning 3-1 in the penalty shootout. A good result for our lads.

Utd; J. Farmer, P. Cronin, F. Power, T. McSweeney, S. Pratt, G. Beecher, M. Walsh, G. Tobin, R. Cronin, T. McCarthy, T. Cunningham. Res; B. Donnelly used.

The good news for our B team is that they got a bye in the next round of the Tony Bolger Cup. Our first team play on Sunday morning and a win here will see both our teams play one another in the quarter final.

#### News To Hand

The Sales Rep. thought all his birthdays had come together when it looked as if this lovely looking girl was calling him. He stopped what he was doing in the booth of his car and looked

up with a smile on his face. The girl in question had said have you anything for me. Judging by the smile on his face he had, but the man in the green van ruined his day when he said "I'm sure it's me she is talking to". "I knew it was too good to be true" said the Sales Rep as he went back to his work. Is there something going down between members of the two business families. I'm keeping a close watch on it.

#### Congratulations

Yes, to Fiona and Brian Henley on the happy event, the birth of a bouncing baby boy. Brian is a member of our Div. one side so let's hope the new arrival will take after his father. Anyway congratulations folks.

#### Night Out

Our Div. one junior team had their meal in Kearney's Golden Grill last week in appreciation of their winning the double last year. Due to many different reasons we could not get them together until now. Better late than never. Our thanks to Kearney's and staff for a marvellous meal.

#### U-17 Celebrate

Our U-17 team are having a meal in the Thatch on this Saturday night to celebrate their league victory last season.

#### Lotto

Last weeks numbers were 9-11-18-22. No winner. Match 3 winners. Noel Tobin, Lisa Barry, Fiona Henley (Woodview Park), Ber O' Sullivan, Essie Sheehan, Stephen Hartigan, Martina McCarthy, Cathal Cunningham. Our jackpot this week is £1,400. Draw this Friday night in Ted Keniry's at 9.30 pm.

#### Sympathy

The club extends its deepest sympathy to the Kearney family, Glencairn on the sad passing of Bridget.

Our sympathy also to the Darrell family of Birmingham on the sudden passing while on holiday here of Mark senior. Mark was a regular visitor to Tallow during the fishing season. May they rest in peace.

#### Birthday Greetings

A very big happy birthday to Maureen McCarthy of Convent St. who celebrated her birthday last week. I heard the cake was very nice Maureen.

## TALLOW G.A.A. NOTES

# Another Title Comes West - Minor Football B

Once again our minor footballers continued their winning ways when assisting Shamrock's in the Western B Minor Football Championship last Wednesday night. Playing against a strongly fancied Stradbally 15 and trailing 1-3 to 0-1 after 10 minutes, this was going to be an uphill battle if ever there was one.

But not for the first time this year, these lads rose to the challenge and were back on terms by half time. The second half was score for score throughout and only a point separated the sides with 2 minutes to go. Some desperate defending was witnessed before our forwards kicked over 2 points to let us 3 points in front. Suddenly Stradbally's resistance was broken and another 1-1 in injury time was nearly academic. No date has yet been arranged for the County Final, yet it is still all systems go and our Minor hurlers are in the Western Final on this Wednesday night against Dungarvan in Cappoquin at 6.30 pm.

#### Lotto

Numbers drawn were 9-11-27. Jackpot winner; Rachael Ryan. Promoter J. Wm. McCarthy. Our juvenile club runai wins the £900 jackpot this week. The numbers she uses are the date of her birthday, the 11th of the 9th month. By that reckoning the last number 27 will be changing to 28 this Saturday. Should be a great party.

#### All Ireland Tickets

Draw was open to club members and lotto subscribers. Winners; Pat Murphy and Sean Sheehan.

#### C.L.G. Tulach An Iarainn - Juvenile GAA

U-14 Football — The U-14 footballers lost their first game at home to St. Oliver's on Monday night. We have a very young squad at this age level but they gave it their all and in difficult conditions. Next week we travel to the Nire. The game begins at 12.00, so we will need to leave at 1.00 pm from the Square.

Team; E. Forbes, C. Hickey, P. Forbes, E. Hickey, K. Casey, C. O' Brien, Kate Ryan, W. Curley, E. Condon, L. McCarthy, E. Fitzgerald, M. Curley, R. Rohan, R. O' Brien, K. Henley, J. Hampton, J. Tobin, J. Ryan, A. Daly, H. Norris.

#### Juvenile Club Draw Winners

The following winners were drawn out in St. Patrick's Hall on Saturday night. 1st prize; 2 All Ireland Hurling tickets and overnight stay in Skylon Hotel. Congratulations to all our winners and thanks to all the local business people who sponsored prizes. Mile buiochas freisin to all who supported the draw and our juvenile club members who made it a huge success enabling us to continue our

work with the young lads and lassies.

#### U-9 Roanmore Blitz

Cead Cluiche i gcoinne Slieve Rue. Our lads lack of hurling over the holidays was very evident in our first game against Slieve Rue but nevertheless it took a goal in the last 5 seconds for Slieve Rue to decide it. Sean O' Sullivan brought off some tremendous saves in goal with Bob McCarthy in defence and Chris Murphy up front also playing well.

Dara Cluiche i gcoinne Mount Sion A. The lads hurled much better in their 2nd game against Mt. Sion and were deserved winners. Evan had a fine game in goal with Keith Hallahan and Bob McCarthy defending brilliantly. Kevin O' Brien and Shaun O' Sullivan were well on top at midfield while Kevin Curley, Donnchadh Mulcahy and Brian McCarthy gave the Mt. Sion defence no respite, Shaun O' Sullivan scored our 2 goals here.

Triu Cluiche i gcoinne Ardmore. The lads were in flying form by now and had an easy win against Ardmore in our third game. Evan Sheehan and Thomas Daly were scoring at will and got great support from Niall Scanlon and Alan O' Riordan.

Slieve Rue won the group, despite only drawing with Mt. Sion whom we beat. A couple of our lads Keith and Bob were very distracted in the first game by the two girls who were marking them and they probably weren't fully focused on the game. It was a very enjoyable tournament and very well organised by the Roanmore Club. Thanks to Lena McCarthy and Stephen Curley who made the long trip to Waterford.

Foireann; S. O' Sullivan, K. Hallahan, B. McCarthy, K. O' Brien, K. Curley, D. Mulcahy, E. Sheehan, T. Daly, B. McCarthy, N. Scanlon, A. O' Riordan, C. Murphy.

#### U-12 Hurling

The U-12's take part in a ground hurling blitz this Saturday at the Dungarvan club grounds. Teams are 13 a side and we will play a minimum of 4 games, 15 minutes a side. We will be leaving the Square at 10 am. All players should bring a packed lunch.

#### Buiochas

A special word of thanks to Ada Gratic, Mayfield Cork who sponsored the juvenile club sign on display Horse Fair Day. Also to Brian Fitzgerald who provided us with power for the cabin and Tomas McCarthy who provided the fork lift to move it.

#### Home For The Fair

Horse Fair Day saw many of our friends from near and far back home in Tallow. The Herlihy brothers, Des, Cillian and of course "Jugger" himself were all in good form as was Con Ryan. I bumped into Jap (Noel Sheehan) as well and needless to mention the talk turned to hurling with Noel still taking a great interest in the club. Kieran Ryan, home for his first fair in over 10 years was a bit of a surprise visitor over the weekend. Ryano was in great form and is fit enough to tog out still. Hopefully we'll see him back for the club celebrations at Halloween. Speaking of which this will be a really special night with the President of the GAA the main guest of honour. We will be keeping you up updated as preparations advance for what will be a unique occasion in the history of our club.

# TALLOW HORSE FAIR DRAWS RECORD CROWDS

The weather was perfect with sunshine the order of the day as thousands of people packed into the town for one of the great days of the year in Tallow.

Indeed this year people came from far and near. People met in Tallow on Friday last that did not meet since they left school. There was plenty of horses on view as well. Indeed it was the general view that horse numbers were well up on last year. Some may have lacked the quality of top class horses but none the less it proved to be a big hit amongst young and old alike.

With soaring temperatures it was a thirsty day and the local publicans did a roaring trade. The traders who visited the town did a good trade and most were well pleased with the day.

Perhaps it was the weather or maybe that the following day was Saturday, but the crowds stayed around the town much later than usual with large numbers of people drinking outside the pubs. They had little choice as the bars themselves were packed.

Overall it was quiet apart from the odd scuffle which is part and parcel of the fair. The Gardai had for a second successive year members of the Mounted Horse Unit from Dublin and these proved to be an attraction and popular amongst young and the not so young.

Gardai on duty came from the Dungarvan district under

Super Michael Blake and Inspector Tom O' Grady.

Some are saying that the Tallow Horse Fair faces an uncertain future but I understand moves are already afoot to upgrade what is a very popular fair.

## SUNDAY MASS

The 11.15 am Mass on Sunday morning last on RTE 1 came from the Carmelite Monastery here in Tallow and was a credit to everyone from the local nuns, the choir and to those people who attended. The camera crew did an excellent job with the scenery shots of the town and the convent. Again well done to everyone.

# Lismore Notes

## LISMORE TIDY TOWNS

Lismore Tidy Towns offer their congratulations to Ardmore and Aghlish winners in the Litter Challenge promoted by Waterford Co. Council. Well done to all. The postman brought good news by way of a letter to our secretary last week inviting four members of Lismore Tidy Towns to the national prize giving ceremonies in Dublin Castle on Monday September 13th. No need to tell anyone that there is great joy in looking forward to this day, this comes as a result of all the hard work and effort put in by so many people over the last few months in giving of their time to the litter patrol and the care of tubs and wall baskets. Just as you all thought the hard work was over I wish to remind you that a sweep up will take place on Thursday next, Sept. 9th at 7 pm. Keep up a special effort until end of September.

## LISMORE G.A.A. CLUB NOTES

### Junior Championship

Our junior hurlers defeated neighbours Tourin comprehensively on Friday evening last. This was a totally one sided affair but nevertheless there was outstanding performances from a lot of our lads.

They now go on to meet Ardmore in two weeks time.

### Seniors Bow Out Of Championship

Our seniors fell at the hands of Ballygunner yet again on Sunday last in the Fraher Field. On the day our performance was not good enough to beat the city team. (see match report).

A lot of easy chances were squandered by our team and Ballygunner took full advantage of these, and to win a County Title every chance must count on the scoreboard.

Lismore should not be

written off with regards to Senior County Championships because there is still a lot of youth and talent in the town. All these lads need is encouragement and experience. Remember we are U-21 Western and County champions with the past three years, so this must say something about the younger lads in Lismore.

### Best Wishes

Best wishes to Kieran O'Gorman who received a nasty hand injury against Ballygunner. We wish Kieran a speedy recovery and hopefully he will be fit for our football campaign which recommences within the next few weeks.

Also we wish a speedy recovery to Ann O'Gorman who is presently in hospital in Kilkenny. Ann has done great behind the scenes work for the club, but I'm sure Ann will be up and about as soon as she can.

### WEEKLY DRAW

Week 34. £50 Mr. Ray Ryan, Main Street. £30 Mr. John McGrath, Main Street. £20 Mrs. Kathleen Roche, Ballysaggart. £10 Mr. Leonard Coleman, New Street. £10 Ms. Nora Halley, Glenafalla. ### LISMORE LOTTO

This weeks winning numbers were 11-14-17. There being no winner next week's jackpot will be £1,200. £10 winners; Sean Mangan, c/o Billy Cunningham. Eddie Nugent, Chapel Street. Margaret Ormonde. Paul McCormack, Kilahalla.

### LISMORE BADMINTON CLUB NOTES

Annual General Meeting in the Lismore Community Centre at 9 pm on Thursday night, Sept. 9th.

## LISMORE TROUT ANGLERS

The Lismore Trout Anglers and Conservation Association recently played host to visiting Polish Nationals Prof Jerzy Dyezrk, Bignirw Golski and Wieslaw Slup who is a former Polish International.

The three along with Irish team Captain Denis Cronin were enjoying several days fishing with clubs affiliated to the Munster Regional Trout Anglers Council as a thank you to them for the help they gave the Irish team fishing in this years European Fly Fishing Championship held in June. The Poles acted as guides, coaches and interpreters on the trip.

Wieslaw Slup gave a demonstration at the 'rolling nymfing' which has helped Poland to be successful in many Interna-

tionals. Several members of the club witnessed this demonstration. After the fishing they enjoyed the 'craic' in Madden's Bar with food laid on by the club. They told us the most popular Irish drink in Poland is Kilkenny Irish Beer which, to their amazement, most of the Irish lads had never drunk.

The visitors also enjoyed fishing as guests of Mallow's Trout Anglers, Fermoy Salmon and Trout Club, Moroney Trout Anglers and Durrow Trout Anglers and they also fished Lough Currane in Kerry and Lough Leane in Killarney. To all those who made the trip enjoyable I would like to thank them. The trio operated a strict catch and release policy during the fishing.

## TOURIN GAA CLUB NOTES

We realised the high and lows of championship hurling in a week. On Sunday we lifted the Junior B hurling title by defeating a gallant Geraldine's team in a very entertaining game.

Both sides were slow to start, we opened the scoring with a point followed by a goal from Geraldine's. We added 4 more points and led at the break by just one point 0-5 to 1-1.

We started strong in the second half and with five minutes left were 5 point ahead but a late Geraldine's goal brought it back to 2 before D. Wilkinson finished the scoring with a pointed free. Final score Tourin 0-12 Geraldine's 2-3. The Cup was presented to the winning captain J. D. Leahy by Western Board Chairman Paddy Walsh.

The captain in his speech thanked everyone, both players and supporters for their help and support during the year. We would like to thank Eamonn Cliff of Fawly's and Rose O'Dowd for their kind and generous hospitality. We all had a great night of craic and song.

On Friday night we travelled back to the Sports field, Cappoquin to play Lismore for a place in the semi final of Junior proper against Ardmore. Being forced to play two games in a week after having sustained several injuries the previous Sunday it was never going to be easy. We fielded with a mixture of youth and experience and should have been the first to open the scoring. We missed 3 scoreable chances before

Lismore got off the mark and from then they never looked back. We missed 5 very scoreable frees in the first half and went in at the break 0-2 to 0-10.

In the second half our backs again under tremendous pressure played their hearts out, midfield held their own but we had very little to offer up front. Final score Tourin 0-3 Lismore 1-15.

Team; D. O'Keeffe, P. O'Keeffe, B. Mernin, T. McGrath, D. Moore, D. Wilkinson, V. Ormond, K. O'Donnell, P. Walsh, P. Cronin, K. Wilkinson, M. Scanlon, K. Leahy, P. Leahy, W. Leahy, B. Doocey, J. Fives, B. McGrath, J. Dalton, P. McGrath, P. Scanlon, B. Scanlon.

I would like to take this opportunity to offer a special word of thanks to some of our senior players W. Leahy, P. Scanlon, P. Leahy and some of the very young ones D. O'Keeffe who had a great game in goal. P. Cronin, K. Leahy, B. Doocey, J. Dalton, P. McGrath, B. McGrath who put their shoulder to the wheel.

Without the effort of these players we would have been unable to field having five players out through injury, to them I say well done and thanks. I would also like to say a very special thank you to our merry band of supporters who are always in fine voice win or lose. We would like to wish Lismore the best of luck for the rest of the championship. Congratulations to Cara McGrath on winning £100 in the Deise Draw. We tried to

get her to spend it on Sunday night but she said she hadn't got it yet.

We also won a beautiful piece of Waterford Crystal in the Club Draw.

Congratulations to Eamon and Orla Scanlon on the birth of a baby boy and to Shirley and John Flynn on the birth of a baby girl.

# Castlebridge Celtic Notes

## CASTLEBRIDGE CELTIC 1 DUNGOURNEY 3

On Sunday morning we were at home to Dungourney in the 1st round of the Tony Bolger Cup. Both teams took some time to settle down. After 20 min. it was Dungourney who scored when we gave one of their players too much room to shoot from 25 yards out. From then until half time we pushed forward looking to get back into the game but found the Dungourney defence in no mood to concede a goal. From the start of the second half we started to put more pressure on the Dungourney goal. Keeping the ball moving wide to the wings we started to get on top but as always happens we got caught for a breakaway goal. This seemed to deflate us for a while. With 15 mins left we were back into the game when Johnny O' Sullivan was fouled in the box for Brian Fitzgerald to score from the spot. It set the game up for a very close finish but with 4 minutes left Dungourney scored again to run out good winners. With this defeat we now go to the losers group competition of the Tony Bolger Cup. In this we have a bye into the last 8 where we have a home draw. As this was our first game of the new season it took some time to get our game together. With some of our more experienced players returning to the fold mixing with our up and coming young players should make for a promising season.

## TRAINING

Training for the junior team will take place on Sunday, starting at 11.30 sharp. Under 11 and under 13 training will take place on Thursdays at 7.00 pm. All players are to attend as their respective leagues are about to begin.

# Childhood Trauma

As we approach the new millennium and we look back on how far we have come in the last hundred years one word comes to mind - awesome. We can land a man on the moon, science has developed to such a degree that it is now possible to clone an animal, we can communicate in ways undreamt of through the information super-highway. Yet on the personal level so many resist change. However the more people can grasp the need for individual growth the greater their chances are of meeting the challenge for their own survival.

A person's personality is determined by his relationship with other people. To understand this we must examine the vulnerability of the infant and its dependence on the mother's nurturance. Without this nurturance an infant could not integrate the basic physiology so necessary for survival. After birth most mothers experience a degree of anxiety and infants who operate on empathy are aware as mother in her post-partum psychosis withdraws somewhat in emotional strain. Mother's anxiety and confusion is transmitted directly to the infant and he learns quickly how to adapt to this anxiety. The infant develops skills to tolerate and deal with this panic of his mother and limit his own awareness of his very own anxiety. So in infancy an infant has its very first confrontation with its mother. The infant's fear confronts the mother with her anxious thoughts and the infant becomes preoccupied with getting over this fear which it internalises as death.

Children who suffer childhood trauma in their early developmental years may never remember what happened but these cumulative buried traumas have a direct influence on how they live their future lives. In adulthood, when exposed to certain stimuli, these people suffer anxiety attacks, obsessive-compulsive behaviour, depression, addiction problems such as substance abuse or engage in abusive addictive relationships. In relationships they will try to regain the control lost in childhood and behave with perfectionist behaviour or go through life malingering in chronic illnesses. As parents they over-protect or become permissive, vowing to give their children everything they were denied. Others may try to recapture their lost childhood through their children. These victims are conditioned to feel it's not O.K. to have needs and feelings. In order to be approved they learn quickly to please, be good, stay out of the way, shut up and think like an adult.

Real childhood experiences are not allowed, they can't be vulnerable or spontaneous. This conditioning deprives kids of identity formation.

Many children learn from this that they are bad and so they act out because of a lack of security and then externalise their parents' denied hidden feelings. If parents are unable to deal with their own internalised feelings children in turn learn to bury their feelings and later on this develops into self-hate, dissociation and isolation. This causes confusion and causes a rift in conflict between the real self and the injured, shame-based self.

## HEALTHY DEVELOPMENT

In normal development as children grow and develop they learn how to sift through the real and make-believe. They do this through having the ability and sense of self to ask lots of questions such as 'where do babies come from?' -when Grandpa died where did he go?' but children growing up in trauma and dysfunction don't explore like that. They are exposed to fear, shame and pain and they absorb further shock and traumas with conditioned defences. They have an external crust that allows them take further painful situations in their stride.

In order to develop healthy children must have a sound basic trust in the security of their family and environment which is paramount to a sense of positive identity and self esteem. When children can experience emotions with spontaneity and vigour with no fear of abandonment, abuse or shame they have a capacity to be themselves. When parents exhibit unconditional love children develop a sense of security fostered by the continuance of this love. This security becomes imprinted on the child's mind and even when the parents may be absent the child feels safe. Children internalise this positive sense and this is the cornerstone of a child's sense of self esteem and worth. This allows a child the opportunity to accept the disappointments and frustrations of life. The parents positive force teaches the child self discipline and self control and further enhances their sense of worth and esteem. When a child experiences encouragement he becomes confident, giving him the courage to take further risks.

## SHAME-BASED FAMILIES

However in families where this autonomy is absent or denied children are unable to resolve the ups and downs of everyday life. Sadly those who experience put-downs and criticisms become critical of themselves and deny their needs. Fearful and anxious parents teach their children to be fearful and some children compensate for this by engaging in overly risky behaviour. Many children of such environments in adulthood live out their internalised identities as a tough 'bad apple'. After all throughout their young life they have memorised the many negative mantras ranted by parents 'you're no good', 'you're a bastard' so now in adulthood life they must become what their parents see in them. A further sad spin-off from this is that as they have internalised being bad they believe they will get the punishment they deserve. These parental reflections are lived out time and time again. You see for children of trauma to drop their defences could expose them to their reality - a frightened child.

Anna Freud, in her work 'The Ego and the Mechanism of Defence' stated that the ego's defensive system acts as a protection against traumatising. She went on to say a Phobic individual who is forced to meet the object of his fear or anxiety instead of avoiding it is forced undefended into a traumatic situation and breaks down in panic.

Children growing up in abusive homes become further victims to teasing and taunting when they move outside the home or go to school. For these children there is an acute conflict between the desire to be loved by the parents and the shame they feel inside. Many abused children, torn in family confusion become pseudo-family ambassadors protecting the family from their sense of failure. If children sense the parents are suffering from low self esteem and are denying the experiencing of feelings the child may become guilty and in identifying with the abusive parents inhibit their own sense of success.

## SPECIAL NEEDS IN SCHOOL

All children in one way or another will experience some trauma in their life but parents have a duty to protect children from the damage of unresolved trauma. Many children for example experience the powerlessness of a learning difficulty such as dyslexia. In school their teacher may not pick up on this. The child suffers ridicule by being called lazy or stupid. These teachers pass on their remarks to parents and so the child is further criticised or ridiculed. This labelling is internalised by the child and this causes more behavioural problems and depression. However I must add that most schools have competent perceptual screenings and testings.

## VALIDATION OF EVENTS

With children it is vitally important to acknowledge and validate feelings and happenings. Many women who have been victims of sexual abuse have told me of their failure to be believed was more painful and devastating than the actual assault. This is true also when there is a death in the family. Children who have experienced the loss through death, perhaps of a sibling, have had their feelings denied, ignored and invalidated. In fact in many such instances the deceased, out of family fear, is never a topic of discussion again. In fact this emotional withdrawal leads to further problems. With the loss of a sibling, clinging to the dead brother or sister is the only way some children can actually validate themselves. The sociologist, Bob Berkus, wrote grief makes no comparisons nor judgments nor has it any understanding or degree'. I have experienced death first hand in the death of my first wife and more recently in the death of my son. In both situations I, myself and children acknowledged the grief and loss.

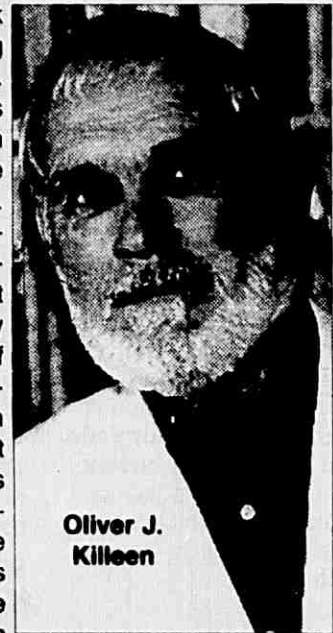

When children grow up forced to adapt to the parents' needs rather than the other way round the consequences are detrimental. Alice Miller wrote in 1981 'The impossibility of consciously experiencing feelings of his own either in childhood or later in adulthood is a direct result of having to adapt to the parents' needs.' In the growing up stages the child moves from 'I am', that is total dependence without boundaries to 'Who I am', an individual separate from parents. If parents are emotionally healthy they help their children to learn trust.

When children feel they belong unconditionally they feel loved, wanted and approved and they internalise everything the parents do with them from a

loving look to loving strokes. This allows the children to love themselves. Eric Erickson declared that in the early months of infancy children learn basic trust and this trust develops as the child grows and will be with them even if situations change.

In dysfunctional families, mistrust is ever present and is learned and cultivated. Through this a child learns self contempt, fear of aloneness, and they go on into adulthood in fear, total isolation and without trust in himself or others. In adulthood this victim will move from relationship to relationship, terrified of being alone and his only security As in total fusion with his parents. This need for enmeshment is fertilised in childhood as a child learns that he has to be good to be approved otherwise risks rejection or abandonment. In adulthood this disables persons so much that they don't trust their own achievements without checking with others. An infant of about a year and a half explores the world on his own with his newly acquired skills. At about two years he further asserts 'I am' in language such as 'NO' and 'I want'. This is the emergence of a child determined to become a person in his own right. In Barney Baby Bop has a yellow 'blanky'. This blanket for many children is really the security partition between the parents and the child's need to connect with a separate reality. This blanket is the child's first milestone between the world of 'me' and 'not me.' The relationship the child has with the blanky is so important as the child dumps and retrieves the blanky in a type of unconditional love-hate situation. It teaches the child that you can love and be loved, be angry, and accept others can be angry with you and that you can have intimacy with out loss of the self. This process is fundamental for a person to exist in their own right. Emotionally damaged parents demand their children to be good, perfect and adult so as to meet their needs. Unfortunately they deny the child the need for a yellow blanky. This child will be conditioned to repress anger and expressions of self and be denied the right to know that love and conflict can co-exist simultaneously. This childhood abuse develops so much that as adults these victims are hostage to their own emotions.

In conclusion I read 'once in a while when I allow the feelings stored for childhood to bubble to the surface I have a hard time keeping them under control. I immediately want to fight or flee, destroy someone, something, sometimes even me.'

## Notes

### Cappoquin G.A.A. Club Notes

#### GAA NOTES

U-6 and U-7 Hurling Friendlies Versus Abbeyside  
Last Wednesday evening Abbeyside visited the Sportsfield to play our under 6's and 7's in two enjoyable games. Our lads came out on top in both occasions. It is these lads and the older ones which are the future of hurling in the area. So they should be given every encouragement to play. We would like to thank Abbeyside for coming up. Lets hope we can return the compliment soon.

#### Cappoquin Under 8 Hurlers Win at Roanmore Tournament

Cappoquin travelled to Roanmore to play in their Annual Tournament. We were grouped with Mount Sion A, Clonea and Buffers Alley, Wexford. We won all games and were presented with beautiful medals by Stephen Frampton, Ballygunner and Waterford. In goal Derek Browne was brilliant. The backs Colm Looby and Ray Hallisey were tremendous, with nothing going past them. At midfield Pat Fitz and Darren Curran did trojan work. Up front our leading scorers Darragh Fives and Evan McGrath got some great goals and were superbly assisted by our three younger players David Cahalane, Mickey Devine and Ross McLaughlin who were always in the thick of the action. This was our second year in a row winning at the Roanmore Tournament with our under 9's winning there last year with a very good team. So let's hope next years we will make three in a row. We would like to thank the Roanmore Club who were great under age rivals of ours in the seventies and early eighties when we met in numerous County Finals winning a few and losing a few, for inviting us into their tournament which was superbly well run and took some organising.

On the injury list at the minute are two of our most promising underage players in the club Paul Murray (broken wrist) and Stephen Kett (broken thumb) who represented Waterford this year in Gaelic Football. U-14 Hurling Tony Forristal Tournament, U-14 Soccer Kennedy Cup and track and field, who would want to be a dual star. These lads can

often be playing fixtures the seven days of the week in different codes without a break. The seasons in the different juvenile sports should not be coinciding like they do. It is alright for the people making the fixtures but not for the lads killing themselves seven days a week.

#### U-12 Ground Hurling Western Championship (Div 2)

Cappoquin will hold the ground hurling Western Championship (Div. 2) this Saturday Sept. 11th. We won the County Title in this competition last year. This year we will field a very young side and we are minus one of our key men Paul Murray who is out with a broken wrist, but saying that we will go out and give it a go and who knows what will happen. The teams in our group are Ballyduff, Fourmilewater, Naomh Brid, Ardmore and ourselves.

These are our fixtures; 11.00 am Cappoquin v Fourmilewater. 12.30 pm Cappoquin v Ballyduff. 1.15 pm Cappoquin v Naomh Brid. 2.00 pm Cappoquin v Ardmore.

The panel is Shane Power, Glen Morrissey, Paul Barry, Dan Dransfield, David Kett, James Fahey, Eoin Landers, Cyril Burns, Gearóid Coughlan, J. J. Devine, Killian Denn, Mark Landers, Kieran Flynn, Paudi Moore, Ian Mason, Olan Murray, Shane Fives, Steven Power, Daithi Wilkinson, Joe Kett, David Leahy, Mickey Fenton, Paul Hill, Warren Lonergan.

All players to be in the Sportsfield by 10.30 am.

Hurling training for all U-13's and U-10's every Wednesday for next month.

Sunday 9th Sept. our U-11's will play a challenge against a city group on County Final Day.

#### Congratulations

Congratulations to Mairead Troy, Modeligo who starred on her debut for Waterford All Ireland semi final winning team. Mairead is the daughter of John who also starred for Affane in the 1974 Senior Championship winning team.

Congratulations to Stephen Kett on being selected for the Waterford team for the Tony Forristal Tournament. Having watched a number of games in this memorial tournament

and seen the very high quality of the hurling played, emphasises even more the honour of being selected. There are some within the club who felt that at least two more players might have been selected.

Also to Tourin Junior hurlers on winning the Western B Title at the field last week. Also to Waterford Ladies Footballers on reaching the All Ireland Senior Football Final once again. We also wish a speedy recovery to Aine Wall and Catriona Casey who picked up injuries during this game.

#### Work On Field

During the past week, grass was sown on the new juvenile pitch and it will now, hopefully be ready for training and playing next year. This pitch is badly needed due to the number of juveniles who are now training and the number of games being played in the main field. While it is wonderful to see so much activity going in on juvenile level within the club, it was disappointing to see important games being delayed because training hadn't finished on time. The Field Committee are now asking mentors in charge of juveniles to please finish training at least half an hour before time fixed for championship. While we are battling for more games, to keep up the profile of our field in the County, we should not be making it more difficult for those who are promoting the field at County and Western Board level. The delay in starting a recent game in the field was mentioned at the last Western Board meeting and our Club delegate gave a guarantee that it would not happen again. Hopefully, we will be able to live up to this guarantee.

#### Matches at Field

There are two very attractive games coming up at the field during the coming week - on Wednesday evening Dungarvan play Tallow in the Minor A Hurling Championship. This should be an excellent game of hurling between two very good teams. On Saturday evening one of the most attractive Intermediate hurling games of the year will take place between Shamrock's and Abbeyside. A very big crowd is expected for this game. Both games are fixed to start at 6.30 pm.

## Glenshelane/Avonmore Bridge and Mass Lane Cups Finals Reports

On Tuesday 31st Aug. after a summer long of leagues we had the finalists in the U-10 Glenshelane Cup, U-12 Avonmore Bridge Cup and the U-12 and U-14 Mass Lane Cup. The first game at 5 pm was the U-10's Glenshelane Cup between the Jets, captained by Daithi Wilkinson and the Lions captained by Shane Fives. From the throw in this game was a standard bearer, never at any time in the match was there more than two points between the teams. The excitement gripped all the supporters as well with great vocal support for both teams. The teams were level five times during the match with goal mouth action non stop. Entering the last quarter the Lions trailed by two points, they laid siege to the Jet's goal and with only minutes left scored the goal to put them in the lead. But the Jets were not going to be beaten and playing a captains part, Daithi Wilkinson broke up the field and goaled with an unstoppable shot to restore his team's a one point lead. From then to the final whistle the Jets defended like men twice their age. They blocked, hooked and tackled everything that the Lions threw at them. When the final whistle blew the Jets had won by one point. Final score Jets 3-3 Lions 3-2. Amid jubilant scenes club treasurer John McGrath presented the Glenshelane trophy to the Jets captain Daithi Wilkinson and presented medals to both winning and runner up teams.

Jets team; D. Wilkinson (capt), M. Landers, D. Leahy, M. Fenton, C. Looby, D. Cahill, P. Crotty, P. O' Connor, B. Crotty, M. Fennessy. Lions team; S.Fives (capt), K. Flynn, E. Fives, S. O' Brien, S. O' Rourke, D. Fives, D. Curran, D. Cohalan, D. Murphy, C. Flynn. The club would like to thank Paul Landers who made a fine job as referee of this match.

Next on was the Avonmore Bridge Cup Final between the Harps, captained by John Cunningham and the Rapparees captained by Tom Curran. The Harps were favourites to win the Avonmore but that meant nothing to the Rapparees who quickly after the throw in led with three great points from Steven Power. Two points from the Harps captain John Cunningham left the half time score Rapparees 0-3 Harps 0-2. After the restart Tom Curran's men extended their lead to three points only for Jamie Gilligan to blast home a goal to level the scores. The Harps then slotted over two points and then Jamie struck again with his second goal. This broke the Rapparees hearts and the Harps ran out winning on a final score Harps 2-4 Rapparees 0-5.

Again with great excitement club treasurer John McGrath presented the Avonmore Cup to the Harps captain John Cunningham who in his short speech just said "thanks". Then both teams received their winner and runner up medals.

Teams, Harps; J. Cunningham, A. Dalton, P. Devine, D. Dransfield, D. Leahy, J. J. Devine, E. Landers, L. Coffey, I. Mason, J. Gilligan, I. Fitzgerald, F. Murray, M. Devine.

Rapparees; T. Curran, S. Fives (who replaced injured P. Murray), P. McGrath, D. Brown, S. Power, I. Cliffe, A. Cliffe, S. Marks, M. Landers, K. Flynn, D. Cahill, E. McGrath, D. Curran. The club would like to thank referee Sean Daly for a job well done.

Last match of the evening was the Mass Lane Cup Final between Na Piarasigh, captained by Stephen Kett and the Desmonds captained by Ivan McLoughlin. From the throw in both teams went flat out to win the top club tournament of the year. Stephen Kett scored two early points but the Desmonds took the lead when Derek Brown slotted home a goal. Disaster struck Ivan's team when John Cunningham was injured and from that till half time Na Piarasigh took control and lead at half time by four points. The second half started as the first finished with the Desmonds under pressure. Stephen Kett goaled twice to extend him team lead. The Desmonds rallied with a point and a goal from J. Cunningham but it was not to be their day as Na Piarasigh ran out worthy winners on a final score of 5-4 to 2-1.

Prior to the Mass Lane Cup being presented Stephen Kett presented a sports jumper as a thank you to Michael Murray for all his brilliant organisation and running of all the leagues and finals of the three tournaments. Then John McGrath presented Stephen Kett with the Mass Lane Cup once again amid jubilant scenes. John then presented medals to both the winning and runner up teams.

Teams Na Piarasigh; S. Kett (capt), B. McCarthy, T. Curran, A. Cliffe, D. Kett, K. McCarthy, J. Fahey, P. Moore, J. Kett, I. Cliffe, S. Meskill, S. Marks, D. Curran, D. Cahill. Desmonds; I. Mason. The club would like to thank referee Alan Barry for a job well done.

Again with great excitement club treasurer John McGrath presented the Avonmore Cup to the Harps captain John Cunningham who in his short speech just said "thanks". Then both teams received their winner and runner up medals.

Teams, Harps; J. Cunningham, A. Dalton, P. Devine, D. Dransfield, D. Leahy, J. J. Devine, E. Landers, L. Coffey, I. Mason, J. Gilligan, I. Fitzgerald, F. Murray, M. Devine.

Last match of the evening was the Mass Lane Cup Final between Na Piarasigh, captained by Stephen Kett and the Desmonds captained by Ivan McLoughlin. From the throw in both teams went flat out to win the top club tournament of the year. Stephen Kett scored two early points but the Desmonds took the lead when Derek Brown slotted home a goal. Disaster struck Ivan's team when John Cunningham was injured and from that till half time Na Piarasigh took control and lead at half time by four points. The second half started as the first finished with the Desmonds under pressure. Stephen Kett goaled twice to extend him team lead. The Desmonds rallied with a point and a goal from J. Cunningham but it was not to be their day as Na Piarasigh ran out worthy winners on a final score of 5-4 to 2-1.

Three brothers played on two winning teams, the Kett brothers, Stephen, David and Joe were on the winning Na

Piarasigh team in the Mass Lane Final. On the Harps team, winners of the Avonmore Bridge Final were the Devine brother, Pat, J. J. and Mickey.

If the Desmonds had won the Mass Lane Final David Leahy would have played on all three winning teams, unfortunately David had to settle for two winners medals. Previous winners; Mass Lane, 1970 captain Francis Power, '71 Tomas Scanlon, whose son Mark played on the Desmonds team. '72 Johnny Mason, '73 Johnny Mason, '74 Tommy Sullivan, '75 Eugene McLoughlin, whose son Ivan was captain of the Desmonds team. '76 Paul Brennan, '77 Fergus McCarthy, '78 Shane Fraher, '79 Joe Kiely, '80 Brendan Whelan, '81 Michael O' Dowd, '82 Martin Power, '83 Tom Fives, '84 Charlie Barry, '85 Eamonn Scanlon, '86 Kevin Wilkinson, '87 Roger McLoughlin, '88 Alan Gilligan, '89 Billy Tobin.

Last year winner of the Glenshelane Final was the Eagles captained by Shane Power and of the Avonmore Bridge Cup was the Swans with Keith Landers as captain.

All through the evening games two men who have been involved with the Mass Lane since 1970 were present, known locally as the Tailor brothers, Noel and Tomas Lonergan. It was nice to see both men enjoying the hurling as much as ever. Lastly the club would like to thank Michael Murray for all his brilliant work. Although it has to be said that he was embarrassed when Stephen Kett made the presentation to him from all the under age players.

U-14 Football Championship

On Sunday last we travelled to Knockanore to play the Shamrock's in the U-14 football championship. We started well and took an early lead only for the Shamrock's to take control with 3-2 scored unanswered. We finished the first half well with goals from Keith Landers and a brilliant goal from Peter McGrath left us trailing by a brace of points at half time. After the restart we took the lead again with Keith banging in his second goal but to be fair to the Shamrock's they had our back line under pressure for long periods and took the lead again. Points from Keith and a goal wrapped it up.

# Colligan Woods Riding Club Notes

## THE HORSE SHOE DIARIES

Ballyrafter Leagues: Colligan Woods was ably represented at the recent Ballyrafter Amateur / Novice Leagues, by Eileen Gee, on 'Chestnut Dream'. Eileen and 'Chestnut Dream' won their qualifier to go on to the final. On Final night, coming in to fence number 10, they were on an extremely fast time, however, a very taxing course took its toll causing Eileen to lose her way and forcing her to retrace her steps. This error costs her dear and took her down to 5th place overall. This was, however, a very commendable performance from a pairing which has gone from strength to strength in the past year. Eileen and 'Chestnut Dream' have already acquitted themselves at both the Ballyrafter Leagues and Colligan Equestrian Centre leagues earlier this year as well as representing the Club at the National Championships.

Forthcoming Events: At a recent meeting in the Park Hotel, a number of events were pencilled in for the forthcoming weeks. A beach trek in Tramore is in the process of being organised. On the social front, a video night, showing highlights of our recent successes (or not) at various events, followed by clubbing, is imminent. 'Le Trek', hosted by the South Western Region, takes place in Rathconnack, on 3d October. Kev'm Roche and Des O'Brien have expressed interest and a number of supporters are potentially travelling. Any other interested members should contact Eibhlin Power.

Cup Winners Cup: We have finally come into possession of the long awaited Primary Team Cup, from the Waterford Show. This is the second year in succession that the cup has come to Colligan Woods. The 1998 team comprised Tess O'Brien (captain), Maighread Lavan, Frances Condon and Angela Dalton. The 1999 team comprised Tess O'Brien (captain) Margaret Harkin, Eibhlin Power and Des O'Brien. The cup is currently with Eibhlin and will be passed among all team members.

# Chamber Of Commerce Notes

## 1999 Celtic Business Convention Sept 9th 1999

The Chamber of Commerce is delighted to participate in this year's Waterford in Business, 1999

Celtic Business Convention aboard the Stena Koningin Beatrix as it sails between Rosslare and Fishguard on Thursday September 9th. This will be a unique opportunity for Irish and Welsh companies to network and to receive practical assistance on successful overseas trade.

### Intercom Business Bridge Event: October 7th-8th 1999

Our neighbouring Chamber of Commerce in Wexford is this year organising the third Business Bridge event organised under the EU funded Intercom project. Jointly organised by the Wexford and Pembroke Chambers of Commerce, the aim of the project is to strengthen trade linkages between South-East Ireland and South West Wales. The event which will take place in Llanelli in Wales on October 7th and 8th will be a great opportunity for Irish businesses to meet potential customers or trading partners and to find out more about the Welsh market. If you have ever considered trading in any capacity with Wales or the U.K, then this event should prove very useful. Information on participating companies can be obtained from the Dungarvan Chamber offices at 058 45054.

## Waterford Roofing Service C&W

**AQUASEAL SYSTEM**  
This is very effective where old slates are slipping and can't be railed due to wear on laths. Old slates can be restored like new to original form and colour. A fibreglass net is bonded in two layers of Aquaseal which seals the roof and acts as an insulation for the home.

This method is also very effective for leaking valleys and flat roofs. Also a damp course of paint for tiled roofs to bring them back to their natural colour.

Estimates free.  
All work fully guaranteed for eight years.

# IN MEMORIAM

**AHERNE** — Fifth Anniversary — In loving memory of Nora Aherne, late of Ballyphilip, Knockanore, who died on September 14, 1994.

As each day dawns we think of you,  
As each night falls we pray for you,  
And in between, no matter where,  
Deep in our hearts you are always there.

(From her husband Declan, sons, daughters and grandchildren.)

**BURKE** — Ninth Anniversary — In loving memory of my dear sister, Mary Burke, late of Knockalara, Cappoquin, who died on September 8, 1990. R.I.P.

Our hearts are full of memories,  
We treasure them with care,  
But the way you had to leave us,  
Will always seem unfair.  
We never knew that morning,  
What sorrow the day would bring,  
When a heart of gold stopped beating,  
And we couldn't do a thing.

(Always remembered by your loving sister Phil, Tom and family, also Uncle Paddy and brother John.)

**BURKE** — Ninth Anniversary — In loving memory of Mary Burke, late of Knockalara, Cappoquin, who died on September 8, 1990. R.I.P.

Anniversary Mass in Ballinameela Church on Sunday, October 3, at 10 a.m.  
A heart of gold stopped beating,

When you heard God's gentle call,  
Taking the hand of Jesus,  
You quietly left us all.  
We think about you often,  
We talk about you still,  
You have not been forgotten,

You know you never will.  
(Sadly missed by your loving husband Michael, son David, daughters Ann and Helen, son-in-law Steve, grandsons Michael and Conor.)

**CLANCY** — Seventeenth Anniversary — In loving memory of Michael Clancy, 7, St. Garvan's Terrace, Dungarvan, who died on September 12, 1982. Masses offered.

(Always remembered by your loving wife Maeve and family at home and abroad.)

**COLEMAN** — In loving memory of Michael Coleman, Ballygalane, Lismore, Co. Waterford, who died September 13, 1997.

Many a lonely heartache,  
Often a silent tear,  
Always a secret longing,  
That we could have you here,  
Deep in our hearts you will always stay,  
Loved and remembered,  
every day.

(Always remembered by your loving wife Nan and son Jim.)

**COLEMAN** — In loving memory of Michael Coleman, Ballygalane, Lismore, Co. Waterford, who died September 13, 1997.

Lots of things have happened dad,  
Since you went away,  
Things you could have shared with us,  
If God had let you stay.

Our lives have changed in many ways,  
Since we were all together,  
But our love for you will never change,  
It will stay with us forever.

(Always in our prayers — your loving daughter Margaret, son-in-law John and grandchildren Shaun and Ronan.)

**COWMAN** — Fourth Anniversary — In loving memory of our dear brother, Willie Cowman, late of Tilbury, London and Byrneville, Dungarvan, who died on September 11, 1995.

A heart of gold, a life so true,  
Loved and remembered by all he knew,  
Always willing, helpful and kind,  
What beautiful memories he left behind.

Along the road to yesterday,  
That leads us straight to you,  
Are memories of happy days,  
Together we once knew.

(Always missed and fondly remembered by your loving sisters Anne and Birdie, nieces Lorraine, Teresa and families and other relatives and friends.)

**CURTIN** — First Anniversary — In loving memory of Liam, St. Thomas' Terrace, Dungarvan, who died September 8, 1998.

(Always remembered by his loving sisters.)

**CURTIN** — First Anniversary — In loving memory of Liam Curtin, late of Thomas' Terrace, Dungarvan, who died September 8, 1998.

A day to remember, sad to recall,  
Without farewell you left us all,  
Your name is often mentioned,  
Our thoughts are with you still,  
You haven't been forgotten.  
What's more you never will.

(Always remembered by the Sullivan family.)

**FOLEY** — Fourth Anniversary — In memory of my dear sister, Carmel Foley (née Power), Tramore and Clashmore, whose anniversary is on September 4.

There's a plot of land,  
No one knows its worth,  
This is where my sister lies,  
The richest place on earth,  
Memory is a beautiful place,  
Where thoughts and love are true,

Again and again we visit the plot,  
To spend some time with you.

You have crossed the flowing river,  
To the field of evergreen,  
I would dearly love to meet you,

But the river runs between.  
(Missed by Breda, John, John-Paul, Caitriona, Diarmuid and Odhrán.)

**FOLEY** — In loving memory of John Foley, late of St. Patrick's Crescent, Dungarvan, who died on September 10, 1990.

(Always remembered by your loving father Joe and brothers and sisters.)

**HACKETT** — First Anniversary — In loving memory of my Mam, Mary Hackett, Villierstown, who died on September 10, 1998.

Down the path of memory,  
We sadly tread today,  
Our loving thoughts are with you,

As life goes on its way,  
We always think about you,  
With love and with regret,  
And those of us that loved you,

Never will forget.  
Loves greatest gift — remembrance,  
As time goes by but still you stay,

As near and dear as yesterday,  
A silent prayer keeps us in touch,  
With the one we love and miss so much.

(Fondly remembered — Kitty, Patrick and grandchildren.)

**HACKETT** — First Anniversary — In loving memory of my grandmother, Mary Hackett, R.I.P., Villierstown, who died on September 10, 1998.

The love that a Gran and a granddaughter can share,  
We shared that love Nan, you and I,  
From the day I was born, up till the day you died,

When I am sad and friends are few,  
Of how I wish I could talk to you,  
I miss your smile, your joking ways,

I miss the things you used to say,  
And when old times I do recall,  
It's then we miss you most of all.

Nothing can replace you Nan, nothing ever will,  
In life we loved you dearly, in death we love you still.

(Always in our thoughts — Jean, James, Michael, Shane.)

**HACKETT** — First Anniversary — In loving memory of my dear mother, Mary Hackett, late of Villierstown, Cappoquin, who died on September 10, 1998. R.I.P.

A lot in life has altered,  
A lot in life is new,  
But the things that never alter,  
Are memories of you.

It isn't what we write, it isn't what we say,  
It's how we feel inside,  
when we think of you today.

(Always remembered by her loving son Francis, daughter-in-law Patricia and grandchildren Rosalyn, James and Elizabeth.)

**HYSLOP** — Twenty-second Anniversary — In loving memory of Hughie Hyslop, 2, McCarthyville, Abbeyside, who died on September 6, 1977. Mass offered.

To walk with us throughout our lives,

Until we meet again.

And thanks for all you've done,

We pray that God has given you,  
The crown you've truly won.

(Always remembered by your loving wife Joan, your sons, daughters and grandchildren.)

(Missed by his wife, Peg.)

**KEARNEY** — Fourteenth Anniversary — Cherished memories of Pa Kearney, Ahaunboy, Glencairn, who died on September 10, 1985.

The happy hours we once enjoyed,  
How sweet their memory still,  
But death has left a vacant place,  
No one can ever fill.

(Always remembered by your loving wife Mary and family.)

**MAHER** — Twenty-fourth Anniversary — In loving memory of my dear husband, Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

May the winds of love blow softly,  
And whisper for you to hear,  
That we your family miss you,  
And wish that you were here.  
Lots of things have happened,  
Since you went away,  
Things you could have shared with us,  
If God had let you stay.

(From your loving wife, Mary.)

**MAHER** — Twenty-fourth Anniversary — In loving memory of my dear father, Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

I'm proud I was your son,  
I thought the world of you,  
To me you were someone special,  
You know I always loved you.

If I could visit heaven,  
On this my saddest day,  
Maybe for a moment,  
The pain would go away.

I'd put my arms around you, dad,  
And say those words so true,  
My life has been so empty,  
Since the day I lost you.

Will those who think of him today,  
A little prayer to Jesus say.  
(From your loving son Jimmy, daughter-in-law Marion and grandchildren Pat, Mark, Nicola and Jenny.)

**MAHER** — Twenty-fourth Anniversary — In loving memory of my dear father, Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

I often sit and think of you,  
Of how you suffered and died,  
I cry so much over losing you,

I'm all broke up inside.  
You left us so suddenly,  
We could only weep and cry,  
But the saddest part of all,  
We never said goodbye.

(From your loving daughter Mary, son-in-law Michael and grandchildren Eoghan, Eadaion and Kayleigh.)

**MAHER** — Twenty-third Anniversary — In loving memory of my dear father, Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

Your life was never selfish,  
For us you only lived,  
Not for what you received  
Only what you could give.

I never asked for miracles,  
But to-day one will do,  
To leave my door wide open  
And see my dad walk through.

You taught me many things, dad,  
That I would have to do,  
But you never taught me how to cope

With the sorrow of losing you.  
(From your loving daughter Catherine and son Thomas.)

**MAHER** — Twenty-fourth Anniversary — In loving memory of Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

A little tribute small and tender,  
Just to show we still remember,  
A heart of gold, a life so true,  
Loved and respected by all he knew.

Always willing, helpful and kind,  
What beautiful memories he left behind.

(Always remembered by Sheila, Jimmy and family.)

**MAHER** — Twenty-fourth Anniversary — In loving memory of my dear father, Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

Behind the gates of heaven,  
There is someone special there,  
A dad we loved so dearly,  
A dad who will always care.

You gave us all you had to give,  
Gifts both big and small,  
But most of all you gave us love,  
The biggest gift of all.

The tears in our eyes we can wipe away,  
But the pain in our hearts will always stay.  
Will those who think of him today,

A little prayer to Jesus say.  
(From your loving daughter Noreen, son-in-law Richard and grandchildren Jason and Jessica.)

**MAHER** — Twenty-fourth Anniversary — In loving memory of my dear father, Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.

In the centre of God's garden,  
There is someone special there,  
That someone is our father,  
The best beyond compare.

Will those who think of him today,  
A little prayer to Jesus say.  
(From your loving daughter Ursula and son-in-law David.)

**MAHER** — Twenty-fourth Anniversary — In loving memory of my dear father, Paudie Maher, late of 4, Murphy Place, Abbeyside, who died on September 7, 1975.

As time goes by without you,  
And days turn into years,  
They hold a thousand memories,  
And a million silent tears.

You showed us love and kindness,  
You showed us how to care,  
You bound us all together,  
With a love few families share.

Someday we will meet again,  
Where sorrow is unknown,  
We will fold our arms around you,  
And tell you we've come home.

May the God of love be with you, Dad,  
And grant you eternal rest.

(From your loving son Liam, daughter-in-law Angela and granddaughter Annalee.)

## Birthday Remembrance

**HYSLOP** — A Birthday Remembrance for Nora Hyslop of 30, Murphy Place, Abbeyside, whose birthday occurs on September 7.

Lord, the loved one's gone from us,  
We trust now to your keeping,  
Bring them home at last to you,  
Wake them from their sleeping,  
Soothe them with your tenderness,  
Touch them with your grace,  
Take them from this world,  
To find a better, brighter place.  
Care for them like children, Lord,  
And let them always be,  
Safe within your gentle heart,  
For all eternity,  
And though we loved them very much,  
We'll find our peace somehow,  
By knowing we will meet again,  
Although we're parted now.  
(Sadly missed by her loving husband Danny, daughters Christina and Anna, son Timothy, and grandchildren Jake and Lauren.)

**HYSLOP** — Birthday Remembrance of my sister, Nora Hyslop, late of 30, Murphy Place, Abbeyside, whose birthday occurs on September 7.

No more tomorrows for us to share,  
And when there's a get-together,  
How I wish Nora you were there,  
There never comes a moment that I don't think of you,  
And when I'm feeling lonely and tears come to my eyes,  
Again and again I ask the Lord,  
Why my sister had to die.  
(Always in our thoughts — your loving sister Myra, Packie and family.)

## Bright Start To Bolger Cup

Three second division sides knocked out higher grade teams out of the Bolger Cup last Sunday, otherwise there were no surprises, although Blackwater Rangers almost pulled off a major surprise in Tallow. There were big wins for Valley A and Pinewood Rangers who both hit six goals while there were fifty one goals scored in the ten games played.

## Superb Display By Farmer Folds Modeligo

MODELIGO 1  
BRIDEVIEW 'B' 1 (A.E.T.)  
(Brideview Win 3-1 On Penalties)

There was plenty of excitement in this first game of the new season as these two second division sides clashed in glorious sunshine. Both sides were forced to field weakened teams and there was probably a bit of rustiness about their play for most of the first half which saw the visitors mostly on top. However, it was Modeligo who were first to score when a delightful pass from Brendan O'Connell found Shane Reddy on the edge of the Brideview box and he swivelled away from his marker to fire past Ian Farmer in the visitors goal. This goal arrived after 41 minutes and United's new manager, James Beecher, was left wondering what had hit him.

Modeligo produced a better display in the second half with Shane Denn, Joe Duggan, John Doyle and Brendan O'Connell prominent. Brideview levelled against the run of play when Thomas McCarthy's through ball was misjudged by a Modeligo defender and substitute Brian Donnelly scored with a low drive. Both sides upped their efforts and several players were guilty of bad misses as the game ended in a draw, even after extra time.

Unfortunately the game had to be decided by penalties and Modeligo found Ian Farmer in top form as he saved three of their penalties. So Brideview advance to the quarter finals where they will meet Brideview 'A' or Cappoquin, while Modeligo will have a home tie against either Clashmore or Gortroe.

Best for Brideview were Ian Farmer, Frank Power, Mark Walsh and Tomas McCarthy. Tops for Modeligo were James Power, Declan Morrissey, Kenneth Reddy and John Doyle.

Modeligo — Declan Morrissey, Colin Walsh, James Power, Shane Reddy, Joe Duggan, Richard Kiely, Shane Denn, James Maher, Brendan O'Connell, Kenneth Reddy, John Doyle.

Brideview 'B' — Ian Farmer, Sean Pratt, Frank Power, Paul Cronin, Terence McSweeney, James Beecher, James Tobin, Ronan Cronin, Tomas McCarthy, Mark Walsh, Tomas Cunningham. Sub. — Brian Donnelly.

## Inch Brushed Aside By Rampant Valley

## VALLEY RANGERS 'A' 6 INCH 0

Premier league newcomers Inch were given a lesson against an in form Valley side who dominated from start to finish and never looked back after Brendan Hickey's opening goal after sixteen minutes. Jim Lane added another on the half hour mark and Brendan Hickey made it 3-0 just before the break. Inch steadied the ship in the second half before Valley finished with a flourish scoring more goals in the last fourteen minutes through Shane Kearney, Kieran Hickey and a Billy Carr (senior) penalty.

Next week Inch play An Ghaeltacht while Valley meet Pinewood.

## Kilworth Victorious Against Affane

## AFFANE 2 KILWORTH CELTIC 2 (a.e.t.) Kilworth Win 5-4 In Sudden Death Penalties

Eamon O'Shea scored yet another terrific goal to put Affane ahead after fifteen

minutes but Gerry McCarthy levelled for Celtic two minutes later. There were plenty of chances for both sides and Affane again took the lead midway through the second half when Michael Prendergast scored, but Kilworth never gave up and they were rewarded when the referee awarded them a penalty five minutes from the end and again Gerry McCarthy scored to take the game into extra time. There was no further scoring until the penalties, which ended with Kilworth as winners on a 5-4 scoreline.

Affane meet Blackwater next week while Kilworth's reward is a home tie with Mogeely.

## Gortroe Fail To Hold On To Early Lead!

VALLEY RANGERS 'B' 3  
GORTROE 1 (a.e.t.)

A tight first half appeared to be ending scoreless when the visitors opened their account just on the call of half time. Gortroe were more than holding their lead when Aidan Hogan levelled with twenty minutes remaining. Gortroe conceded a second goal five minutes into extra time when Hogan again netted and the game was only decided in the final minute when Gordon Byron scored Valley's third goal.

## Promising Start For Dungourney

CASTLEBRIDGE CELTIC 1  
DUNGOURNEY 3

Newly promoted Dungourney made a good start to the season with this win against a potentially difficult Celtic side. The visitors held a 1-0 lead at the break thanks to a goal by John Cody and they increased their advantage with a Michael Hickey effort early in the second half. Castlebridge made a spirited comeback and reduced the arrears with a Brian Fitzgerald penalty, but Kenneth Kelleher's goal ensured Dungourney a meeting at home to premier side Ardmore. Castlebridge will carry on in the plate with a match against either An Gaeltacht or Inch.

## Ardmore Do Enough

## BALLYDUFF 1 ARDMORE 2

All the goals arrived in the first half here with recently relegated Ballyduff falling two goals behind early on. Ardmore, fielding a very different looking line-up, took the lead when a corner kick went all the way to the net. Johnny Hennessy, playing up front, scored the visitors second goal and although Ballyduff pulled a goal back through Pat Molumphy, the visitors were in control and now face an away tie with Dungourney. Ballyduff will now face either Lismore or Aragen.

## Pinewood Brush Aside Weak Clashmore Challenge

CLASHMORE RAMBLERS 2  
PINWOOD RANGERS 6

Clashmore's first match back at their original home ground proved to be an unhappy one, with a weakened team feeling the full force of a strong Pinewood team. Noel Ryan scored first for Rangers after twelve minutes but this was cancelled out by Michael Cliffe's header. With half time looming a double strike by Mickey Joe Ryan was to prove decisive leaving

Clashmore trailing 3-1 at the break. Ryan completed his hat-trick early in the second half and although Liam Fleming scored a second Ramblers goal, Pinewood's Shane Walsh scored again after seventy and eighty minutes to leave Pinewood comfortable winners.

Clashmore now face Gortroe in the plate competition while Pinewood tackle Valley Rangers 'A'.

## Fine Display By Home Side

GLENVIEW 4  
AN GHAELTACHT 3

Seven goals and two missed penalties marked the first game of the season for these two sides. Mike Drohan opened the scoring after two minutes for An Ghaeltacht, but the homeside found themselves 2-1 ahead at half time. The sides exchanged two goals apiece in the second half before Glenview emerged on top after a very entertaining game. Sean Wade and Martin Curran were An Ghaeltacht's other scorers while Glenview's goals came from old hand Philip McGrath (2) and new face Donal O'Rourke (2).

Glenview face either Kilworth or Mogeely while An Ghaeltacht meet Inch in the plate.

## Easy Win For Homeside

## CAPPOQUIN 4 ARAGLEN 2

Araglen, who won the plate final last season, were a beaten team by half time, when their depleted side found themselves 4-0 down. Cappoquin's scorers were Stephen Curran, Killian Wall, Martin Power and Michael Cummins. The visitors reduced the arrears in the second half with two goals from James Kearney.

Cappoquin's reward is a trip to Brideview 'A' while Aragen must play Lismore in the plate.

## Blackwater Rangers Push Brideview All The Way

BRIDEVIEW 'A' 4  
BLACKWATER 3 (a.e.t.)

What appeared to be a straightforward job was going to plan at half time, when Stephen Pratt grabbed a hat-trick and United lead 3-0. Rangers refused to fold and a goal by Caimen Radley set the ball rolling for a remarkable comeback. Another goal by Dave Cullinane gave Blackwater even more hope and they forced Brideview into extra time with a Roger Ronayne goal. Two minutes into extra time Dermot Henley restored Brideview's lead and there was no further scoring despite Rangers best efforts.

Blackwater now play Affane away in the plate while Brideview take on Cappoquin in the cup.

## WORD OF WARNING!

Many referees have reported that their games did not start on time and I have been asked to remind clubs that referees are obliged to report all discrepancies. This covers flags, pitch markings, footballs, playing kit, kick-off times, etc. Referees do not like sending in reports but it is important to keep up standards, so let's hope there will be a general improvement all round.

## Next Week's Games

Following a specially conveyed meeting in Lismore last Sunday evening, the draw for the next rounds of the Bolger Cup and Plate were made. Both competitions will continue to run for the next three weeks with the semi-finals to be played on September 26.

## FIXTURES FOR SUNDAY, SEPTEMBER 12

## TONY BOLGER CUP SECOND ROUND

Brideview 'A' v. Cappoquin, (11 a.m.), Michael O'Neill  
Kilworth Celtic v. Mogeely (11 a.m.), Maurice Hartnett  
Pinewood Rgs v. Valley Rgs A (11 a.m.), Sean Kearns

## TONY BOLGER PLATE SECOND ROUND

Lismore v. Aragen (11 a.m.), Leonard Fraser  
An Ghaeltacht v. Inch (11 a.m.), Noel O'Donoghue  
Gortroe v. Clashmore (11 a.m.), Tom Griffin

\* Some of the above games might be played on Saturday. If so, you must contact Jim Foley.

## PREVIEWS FOR NEXT SUNDAY'S GAMES

## Time For First Of The Big Games

There are several mouth watering encounters down for decision this week, with a place in the quarter finals at stake.

## TONY BOLGER CUP

## Holders Face Neighbours

**Brideview 'A' v. Cappoquin** — The holders and favourites, Brideview, will have to overcome the Dungarvan Tyre Centre Cup runners-up, Cappoquin, if they are to advance to the next round. United took their foot off the pedal last Sunday and will need to be at their best to overcome Cappoquin who might well fancy their chances at this early stage of the season. Home win.

## Mogeely To Be Severely Tested

**Kilworth Celtic v. Mogeely** — This could be one of the games of the day as both sides are rapidly improving. Kilworth failed to gain promotion last season but at least they defeated Affane on Sunday and confidence will be high for the coming season. Mogeely will be operating in the Premier league next season, thanks to a successful promotion campaign and the gap of two divisions may just swing things Mogeely's way. Away win.

## TONY BOLGER PLATE

## Araglen Begin Defence

**Lismore v. Aragen** — A first game of the season for Lismore against an Aragen side who will be defending the Plate they won last season. Home advantage could swing it for Lismore. Home win.

## Return Of The Prodigal Son?

**An Ghaeltacht v. Inch** — Inch were hammered last week and An Ghaeltacht were dismissed by second division Glenview, so both teams will be hoping to fare better this time. Inch are back in the top flight but An Ghaeltacht may have the elusive Tucker Curran back and they might just sneak it. Home win.

## Quarter Final Place Up For Grabs

**Gortroe v. Clashmore Ramblers** — Ramblers had a very disappointing result last Sunday and will be looking to make amends against fellow first division side Gortroe. Games between these sides are always close and there is a possibility of extra time or penalties although the homeside might just shade it. Home win.

\* Remember to ring in your results as soon as possible and not later than 5 p.m. to (024) 96142.

## HAPPY EVENT

Congratulations to Aragen clubman Paul Colbert and his wife Martina following the arrival of a baby girl, Claudette, recently. I'm sure we'll see Paul and Martina at the Red House League draws.

## FREE TRANSFER SIGNING!

Rumour has it that Whippcross United are offloading one of their strikers and that he could be heading back to his first love An Ghaeltacht. It will be interesting to see if he still retains his ability or if he can now play. Anyway I'm sure Tucker Curran will be made welcome by Luke and Mary as he settles back in to Red House League football.

## PUBLIC LIABILITY INSURANCE

A small number of clubs have so far failed to submit their insurance forms to the committee. The final deadline has now been extended to next Monday's meeting.

## 1999/2000 LEAGUE PREVIEW

We will begin with a look back at Div. 2 next week. Any contributions would be welcome.

## NEXT MEETING

This will take place next Monday night, September 13 at the Red House Bar in Lismore at 9 p.m. Referees will meet at 8 p.m., although future meetings will take place on separate nights.

# Grim Display By Premier Team

## JOHNVILLE 3 DUNGARVAN 0

Any over-inflated egos that were their before this game were quickly deflated in a big way at Johnville on Sunday morning last. Even though short three of four regulars this cannot be used as any kind of excuse for this very poor first half display. Ten minutes into the first half Pepe Ferncombe put in a good cross from the left wing and the home keeper made a save from Donnelly. From here on things were to turn sour for the Blues. Sheehan failed to control a ball in midfield for the Blues, it ran to Mark Browne and his shot gave Barry no chance from 20 yards out. Dungarvan should have been back on level terms after 15 minutes. A good ball out of defence by Landers found Power breaking from midfield to beat the offside trap and in a one-on-one with

## Dungarvan's Premier Side Brought Down To Earth With A Bang!

the keeper his shot was saved at the expense of a corner. The ball was cleared off the line from the resulting kick by the home defence.

On the half hour Bernie Crotty jinked his way down the left and found Ferncombe and his cross was again just headed over by Donnelly. Five minutes later an incident that typified the Blues day. From a seemingly harmless throw Dungarvan players failed to pick up two free men. One received the ball and worked his way into the box from the left wing. He was brought down by Lyons and Reid made no mistake from the resulting spot kick.

Dungarvan just did not perform in the first half but attitudes and performances did improve in the second half but

they had left themselves too much to do. Dungarvan went into an attacking 3-4-3 formation and really took the game to the home side. Three consecutive corners failed to gain anything for the Blues. Crotty and Ferncombe were now causing lots of problems down the left as was Power on the right. Nolan and Hyslop began to win the battle in midfield. Donnelly had a shot punched out by the keeper and Ferncombe had a good free saved by the keeper from 20 yards out. Another cross from the left found Power free at the far post but his header was headed down for the keeper to save. Walsh then made two vital tackles for the Blues.

After all this pressure it was just not going to be the Blues day. In the 75th minute the game was killed off when Lyons was dispossessed taking on the attacker in defence. The ball broke to Barry in the Blues goal who also tried to play ball in the danger zone. His attempted clearance was blocked into the empty net.

This was a game where Dungarvan made three basic,

but costly, mistakes that all resulted in goals, rather than Johnville creating them for themselves. Every player should now realise at this standard you can't give up the first 45 minutes and then expect to get yourself back into it.

Next week we have a chance to get this result out of our system when we play Waterford Crystal B away in the semi-final of the Waterford Junior Cup on Saturday afternoon. There is no magic wand or drastic changes needed just hard work and every player playing to his full potential. Let's hope we are up to it!

All the premier panel would like to thank Tommy "Snail" Power for his sponsorship of socks and togs. Also to Ger for his support.

Dungarvan: Niall Barry, John Power, Kevin Walsh, Alan Landers, Killian Lyons, Bernie Crotty, Mark Hyslop (Capt.), Joe Nolan, David Sheehan, John Donnelly, Pepe Ferncombe. Res: Gerry O'Connor for Sheehan; Obbie O'Connor.

## Ballinroad Win Local Derby

ABBEYSIDE 2 BALLINROAD 5

Ballinroad travelled to Abbeyside on Monday evening last on a night you would not leave a cat out. But this did not bother the players.

Ballinroad started well and came close twice through Michael Geary and William Raheer. On 15 minutes, Ballinroad took the lead after good work on the right wing by Conor Foley was finished to the net from 10 yards by Willie John Kiely.

Abbeyside came back strongly but Ballinroad's defence was very solid, with goalkeeper Kevin Delahunty in great form. Five minutes before the break Willie John Kiely got his second after a good pass from William Raheer to put us two up at half time.

Abbeyside got a tonic start three minutes into the second half with a goal which looked a mile off side. Ballinroad kept their heads up and got their third five minutes later when Conor Foley and John Gorman linked up to put

Michael Geary in the clear and he finished with a good left foot shot from the edge of the box.

At this stage Ballinroad were well on top and got their fourth after the home keeper could not hold onto a pile driver from Willie John Kiely and William Raheer drove home the rebound.

Abbeyside got a goal back with five minutes to go after Kevin Delahunty saved well, but could not stop the rebound. However, John Gorman got the best goal of the match when he chipped the keeper from 25 yards, with a minute to go.

This was a good performance by Ballinroad in bad weather, but they will have to have more shots from the edge of the box.

Ballinroad panel — Kevin Delahunty, Donal Henley, Jonathan O'Sullivan, John Walsh, Eoin Brackett, William Raheer, Willie John Kiely (capt.), Ciarán Foley, John Gorman, Alan Sheil, David Drohan, Colin Ryan, Steven Lanigan (all used).

## DIV. 2A LEAGUE

# 2nd Team Off To Winning Start

DUNGARVAN 2 ST SAVIOURS 0

On Saturday evening last Dungarvan opened their league campaign with a win against St. Saviours. The Blues dominated during the opening period but failed to capitalise on their territorial possession until the 30th minute when John Paul Donnelly beat the offside trap to put the home side 1-0 up. St. Saviours threatened on occasions but their efforts were kept mainly to long range. Dungarvan should have been 2-0 ahead when John Paul Donnelly again went past a very static back line, rounded the keeper and hit his shot off the post and watched Micky Donnelly put the rebound into an empty net only for the referee to disallow it. Justice was done in the 42nd minute when the Blues extended their lead thanks to a well taken individual effort from Paddy Walsh.

On the resumption the pattern of play echoed the first half but as the game went on St. Saviours began to pose serious questions of the home defence, but despite some hairy moments they held firm to record a deserved 2-0 win.

Dungarvan: Tommy Wright, Ber Burke, Mattie Ducey, Finbarr O'Rourke, Dermot O'Shea, Daniel Hickey, Bob O'Brien, Trevor O'Mahoney, John Paul Donnelly, Paddy Walsh, Micky Donnelly. Res: Jason Hyslop for O'Shea; Nathan Burke for O'Brien.

# Ballinroad A.F.C. Notes

## BALLINROAD 7 DUNMORE EAST 1

Ballinroad got off to a great start this week with a 7 to 1 lead over Dunmore East. After 5 minutes into the game Seamus Veale got a ball from the left wing from Michael Fraher and he scored the first goal from 10 yds and gave the keeper no chance. Seamus also scored again from a pass from O' Mahoney after 15 minutes. He's third goal came approx. 5 minutes after the second goal. Ballinroad dominated the match and the score at the end of the first half was 5-1. The two other goals in the first half were scored by Maurice Tobin. Dunmore East scored their goal at approx 40 mins. in the first half. Ballinroad dominated the second half as well with scores coming from Veale and Power. This was an excellent display from a young side.

Team; A. Barrett, P. Flynn, K. Power, L. Boland, M. Fraher, M. Tobin, M. Troy, J. Flynn, J. O' Mahoney, F. Fraher, S. Veale. Subs used; R. Lynch for O' Mahoney,

## BALLINROAD SCHOOL BOYS SOCCER U-15 - Ballinroad Win Thrilling Local Derby Ballinroad 6 Dungarvan 3

Ballinroad got the season off to a great start by claiming all three points in this thrilling local derby match with neighbours Dungarvan. This was a game in which the team which showed the greatest level of commitment and will to win came out on top.

The first half was very evenly balanced as play swung from end to end.

Then in the fifteenth minute Ballinroad were awarded a free kick thirty yards out. Tony Fitzgerald, who dominated the middle of the field throughout, stepped up and sent the ball crashing to the left corner of the net. The lead was short lived however, as within six minutes Dungarvan were back on level terms again.

At this stage Ballinroad came really strongly into the game. Every ball was chased and every Dungarvan player in possession was put under pressure. Then on thirty minutes a good passing movement involving Colin Beresford, Paddy Mahon and Willie Morrissey, saw Liam Lenane finish to the net from close range. Dungarvan fought back again and on thirty five minutes the score was level at two all. This was the position at the end of the half.

From the resumption Ballinroad dominated the middle of the field with Tony Fitzgerald and Seamus Lavan totally in command. In a twenty minute spell Tony Fitzgerald scored three goals, one with his head, one with his left leg and one with his right to leave the score 5-2 midway through the second half. The defence of Aidan Walsh, Shay Drohan, David Condon and Deckie Fives were magnificent and Chris Walsh proved to be very solid in goal.

On sixty five minutes Dungarvan scored number three from a well hit free kick just outside the box. Ballinroad had no intention of surrendering their lead however, and replied with a goal from Colin Beresford following good approach work by Cormac Donnelly.

Ballinroad showed what they are capable of in this game when they are totally focused and committed. There are many more tough games to come and this can only be seen as a good start which must be built on.

The panel for the game was Chris Walsh, Aidan Walsh, Shay Drohan, David Condon, Deckie Fives, Liam Lenane, Tony Fitzgerald, Seamus Lavan, Colin Beresford, Paddy Mahon, Cormac Donnelly, Willie Morrissey, Keith Hogart, Michael Moore, Eddie Casey, Eoghan McCarthy, Thomas Cashin and Simon Hanrahan.

## U-13 League De La Salle 0 Ballinroad 7

We made a dream start to our league campaign on Thursday evening last when we came away from the city venue with full points. The first fifteen minutes of this game gave us little indica-

tion as to the end result as both teams shared the early exchanges and if anything De La Salle had the better chances. Half way through the first half we took the lead when following an interchange of passes, Tiernan Murray shot home from the edge of the area. This magnificent goal boosted our confidence and we went on to play some delightful football for the rest of the half and added 3 more goals to our tally through Joey Mullen, Tiernan Murray and an o.g. We didn't relax after the interval and continued to dominate and it was no surprise that we scored again as the home side began to lose heart. Ronan O'Connell, Mark Gorman and a cracker from Colin Murray brought our total to seven and while the scoreline may flatter us it was nonetheless a brilliant display.

Team; Thomas Kiely, Fintan Walsh, Darrel Ryan, Danny Murray, Brian Hourigan, Mark Gorman, Conor Hayes, Joey Mullen, Tiernan Murray, Colin Murray, Ronan O'Connell, Res; Cian Moloney, Stephen Raheer, William Browne (all played).

## Railway Athletic F.C. Notes A BUSY WEEK FOR SCHOOLBOYS

This time of the season is very busy for anyone who are involved in the school-boy side of our club.

On Thursday last our under 13 team started their league, this was a very bad start for the lads going down heavily to St. Paul's.

On Friday night our under 15 team played Tramore Rangers in their first game. The boys started well with a very good win.

On Saturday last our under 12 team got two wins out of two when they came from behind to win 4-2.

Also on Saturday our under 14's had to come from 3 goals down to get a vital away point.

Overall it was a good weekend and a busy one. When the evening games are over we will have time with each team.

## FIXTURES

## Ardmore AFC Notes

### WINNING START

We had a good start to the new season on Sunday morning last when we travelled to Ballyduff to play the first round of the Tony Bolger Cup. After playing ninety minutes in very humid conditions we were victorious with the scoreline of 2 - 1 in our favour. Our first goal came courtesy of one of the Ballyduff defenders and a few minutes later Johnny Hennessy added a second for Ardmore. With half time approaching Ballyduff scored to make it 2- 1 at the break.

In the second half we defended well and had a few good chances and some half chances but failed to convert any of them. So after a good overall team performance we came away with a good result.

Our next game in this competition is a quarter final fixture against Dungourney on Sunday, September 19th in Dungourney.

## Dungarvan Youths Notes

### BALLYDUFF 3 DUNGARVAN 4

After such a disappointing weekend last week with no game it was a relief that the game was on and what a game it was.

The first twenty minutes were very scrappy with both sides giving away possession. Then one moment of class from Nicky Donnelly opened the scoring. We then lost two goals before Nicky Donnelly equalised after a great ball from Garvan McCarthy. Just before half time we conceded a corner from which their centre half sent an unstoppable shot to the roof of the net.

The second half was all about guts and just sheer fitness as the day was very very hot. We were well on top but just could not score. A cruel challenge on Damien Power saw an end to his match. Enter Ross Jordan. It was an inspired substitution as he equalised almost immediately. Ballyduff then seemed rattled and tried to bully their way back into the game but the Blues held firm in every challenge with no one letting his team down.

As a result of this togetherness we were rewarded with the winner, some clever one two's when Ross Jordan ran onto the ball from Nicky to slot home. The last few hectic minutes we held firm from Johnny Healy in goal to Nathan Burke up front. Every player played his part and the young Blues now believe we can do really well in this league.

Team; Johnny Healy, Barry Wright, Willie Queally, Bob O' Brien capt., Damien Power, Garvan McCarthy, Craig Cowming, Alan Lenane, Clive Crotty, Nathan Burke, Nicky Donnelly. Subs used Ross Jordan, Brendan Roche, Aidan Connolly.

## Cappoquin F.C. Notes

### CAPPOQUIN 4 ARAGLEN 2

This game was over as a contest by half time as we led by 4 goals to nil. Goals from Stephen Curran, Killian Wall, Martin Power and a superb 25 yard shot from Michael Lacey which flew into the top corner (goal of the season contender).

In the second half we took our foot off the pedal and left Araglen in for two soft goals. We had a lot of chances in the second half but our forwards wasted them all. Man of the match was Killian Wall.

Please contact our manager for details of our next game. Tickets for the Red House League are going well but we need to sell more, lads.

## Modeligo Soccer Notes

Modeligo soccer club played in the first round of the Tony Bolger Cup last Sunday against Brideview B. This was a very evenly contested game. Modeligo had the best of the early exchanges with James Maher in goal having very little to do during the opening half.

After half an hour of this match, good work by Shane Denn in midfield put Brendan O'Connell through down the wing and his cross was finished off by Shane Reddy (from all of three yards!)

The second half of this game started off much the same as the first half, with very few chances for either side, with only Brendan O'Connor going close for Modeligo with a twenty yard effort, but the Bride View keeper pulled off a tremendous save.

After twenty minutes of this half a long ball out of Bride View's defence seemed to deceive our full back and this error resulted in a goal for Bride View.

The game finished on a scoreline of one each and so we went into extra time. During this period Modeligo's lack of fitness told and Bride View were very much on top and should have finished off the game, but Modeligo held on for a draw and then penalties, which Bride View won on a scoreline of 4-1 and so Modeligo will be playing in the Plate Section of this competition next Sunday.

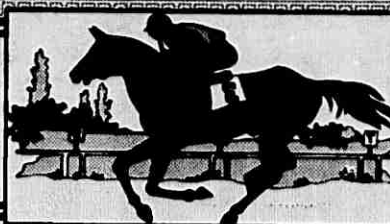

Due to the shambles last Sunday where four players were in the dressing room at 11.20, the club would ask that players turn up for matches half an hour before kick off time. Also, those players who can't be bothered turning up, please inform the manager the day before the match!

The draw for the Plate will appear in the Red House League notes elsewhere in this paper.

## THE WEEK AHEAD

The following are the fixtures for the remainder of this week.

Wednesday: Galway at 2.30; Doncaster; Kempton Park; Wolverhampton.

Thursday: Tipperary at 2.30; Chepstow; Doncaster; Newton Abbot.

Friday: Downpatrick at 2.30; Doncaster; Goodwood; Worcester.

Saturday: Leopardstown at 2.00; Bangor; Doncaster; Goodwood; Worcester.

## NO APPEAL

The Irish Turf Club have taken the decision not to appeal the recent high court judgment which found in favour of Co. Carlow trainer Jim Bolger who took the Appeals and Referrals Committee to task.

## ROBERTS OPPORTUNITY

With top jockey Richard Dunwoody out of action for the foreseeable future, young Waterford born jockey Robert Widger can expect plenty of winning opportunities, courtesy of trainer Peter Hobbs. Indeed Robert partnered his first winner since returning after injury when steering 9/4 favourite Afon Alwen to a cosy victory at Stratford last Saturday afternoon.

## DENIS IS NO MENACE

Sunday racing in England is not that long established. But Dungarvan born trainer Denis Coakley certainly wasn't complaining about racing on the sabbath as Sharp Spice at 14/1 flashed by the winning post at Goodwood last Sunday week providing forty year old Denis with his initial training success.

While his racing exploits have taken him around the world Denis didn't have to travel too far for his introduction to horse racing as he commenced his career as assistant trainer to Dungarvan's very own John Kiely. Denis also doubled as stable amateur and he partnered a number of winners for the J. E. Kiely stable. Eager to broaden his racing knowledge Denis at the age of 22 headed off down under to Australia where he worked as a stud hand in New South Wales. It was here that he met Lord Huntington, who at that stage was still using the name William Hastings Bass. Denis teamed up with Hastings Bass as assistant trainer in 1983 until such time as his visa ran out. Young Coakley also had spells with such well-known trainers as Gordon Richards, Barry Hills and former American jumps trainer Janet Elliot before rejoining Lord Huntington in 1988 as assistant trainer in Newmarket and then with the same trainer when he re-located to West Isley in 1989. Since that date Denis spent some time with Neil Drysdale in Hollywood while he also travelled with Drum Taps for both the Melbourne and Japan Cups, taking responsibility for his training and it was back for a return visit to Melbourne, Australia in 1997 with Arabian Story.

With Lord Huntington calling it a day as a trainer his assistant of ten years, Denis Coakley decided to take out a trainers licence in his own name. He has a string of about a dozen horses under his care and his former employer Lord Huntington has this to say of the new trainer: "Denis has been a first class member of the team and I wish him every luck. Needless to say if he does well I shall take the credit and vice versa." Indeed Lord Huntington will have a horse or two in training with this new trainer.

The English racing scene is one of the most competitive in the world but now that Denis Coakley has broken his duck courtesy of Sharp Spice, hopefully many more winners will flow through the Dungarvan born trainers hands.

## KIERAN TO MISS LEDGER

Top flat jockey Kieran Fallon will have to sit out the upcoming St. Leger at Doncaster having picked up a five day suspension for careless riding at Ripon last week.

## DAVID TO RETIRE

Leading National Hunt trainer David Nicholson has announced his intention to retire at the end of the current jump season. 60 year old Nicholson will not renew his licence next June. He started training at Condicote in 1968 but subsequently moved to his present location at Jackdaws Castle at Stow on the Wold near Cheltenham in 1992. He captured the trainers championship twice and sent out 100 winners or more in a season twice.

## ADRIAN'S BELGIAN VICTORY

Adrian Maguire made a profitable trip to Waregem in Belgium last week where he rode Irish Stamp to victory in a £14,000 chase. Given an inspired ride by Maguire, Irish Stamp stayed on really well in the closing stages proving a length too fast for D'Une Rose. Irish Stamp was formerly trained by Irishman Ferdy Murphy in the UK but he is now trained in France by Richard Chotard, but Ferdy Murphy still retains an interest in the horse and he was very complimentary of the winning rider after the race stating: "Adrian gave him a very good ride." It is possible that he may now go for Italy's richest chase on September 26th next.

## BAD BREAK FOR RUBY

Reigning National Hunt champion jockey Ruby Walsh is out of action for the next three weeks. After taking a heavy fall from Sir William Wallace in a chase at Dundalk last week he fractured a collar bone which requires at least three weeks to mend.

## FOUR MONTHS OFF FOR RICHARD

After taking advice from specialists in America, top British rider Richard Dunwoody who hails from the North of Ireland is taking three to four months off in the hope that he regains full strength on his right arm which has been giving him a problem since a fall at Fontwell Park last May. Jump racing's record breaking rider hopes to maintain his high level of fitness during his inactivity to enable him to return to race riding as soon as possible.

## TIPP ON THURSDAY

With the rain coming just in time plenty of runners are expected at Tipperary's mixed meeting on next Thursday afternoon where the Tipperary Supporters Club sponsor all seven races. John Flynn's Clonagam deserves a winning turn and if coping with the expected yielding going, is deserving of each way support in the two mile flat handicap.

## CHAMPION STAKES

All roads lead to Leopardstown on next Saturday where the showcase race of the afternoon is the £675,000 Esat Digifone Champion Stakes over a mile and a quarter. This year's race has attracted a quality entry. If Montjew runs he will prove difficult to defeat and he has most to fear from Royal Anthem and Croco Rouge.

## RAMRUMA FOR LEGER

It's UK Leger time at Doncaster next Saturday and if she stays the extended trip, dual Oaks winner Ramruma looks the one to beat.

## EDDIES WEEKEND

Young Jockey Eddie Ahern certainly had a mixed weekend of racing. It all started at Cork on Saturday afternoon.

Where he was successful aboard 8/1 shot Romanylei for trainer James Burns. The show marched on to the Curragh on Sunday here Eddie along with boss trainer Michael Grassick enjoyed the biggest ever success as 9/1 chance Preseli (Caerleon - Hill of Snow) swooped late to capture the feature event of the day the £150,000 group 1 Moyglare Stud stakes. It was on to day one of the September three day Galway meeting where Margay was yet another winner for young Ahern. The day turned sour though for Eddie as he

incurred the wrath of the stewards who suspended him for twenty one days for striking Waterford jockey Danny Grant with his whip during the running of an earlier flat race.

## WEST WATERFORD VICTORIES

The opening day of the Galway festival was a lucrative one for West Waterford owners and trainers. An early casualty at Tramore the Mrs. R. Polliemier owned and John Kiely trained Bronica jumped much better on this occasion for visiting UK based rider Norman Williamson, this 3/1 shot coming home a length clear of the Dell in the opening novice chase. The winner is a half sister to Black Queen who captured a Galway hurdle for the same connections will now head to the Listowel Festival at the end of the month providing of course the ground is not too soft.

In the handicap hurdle up and coming amateur Davy Russell steeped the Mary O' Connor owned and trained Choice of Kings 6/1 into the runner up spot behind the 11/4 favourite Half Barrel ridden by seven pound claimer D. J. Kelly. Only a head separated the pair at the winning line and as the winner and the runner up had come close on more than one occasion, it came as no surprise to hear the stewards call an inquiry. The stewards found that Half Barrel had intimidated Choice of Kings and they duly found in favour of Choice of Kings disqualifying Half Barrel.

The latter's trainer Val O' Brien who is based in the West of Ireland was none to pleased at the outcome and he intends to appeal the decision of the Galway stewards in the near future.

## KILBEGGAN UPDATE

The final Kilbeggan meeting of the year as was profitable one for Kilmacthomas trainer Paul Lenihan and Waterford city based owner John Brennan. Hypolyta a chestnut filly by San Felliou and In Lu of Sable proved a runaway winner of the maiden hurdle for Paul Lenihan who does exceptionally well with his small string just outside of Kilmacthomas. This 5/1 winner was ridden by the jockey in form Paul Moloney.

Owner John Brennan was doubly represented in the novice chase with Miles Byrne and Nicky the Kip. At 5/2 Nicky The Kip was the better fancied of the pair but he came to grief allowing Miles Byrne (Over The River - June Bug) 10/1 to romp home twelve lengths clear of Carrig House. The winner was ridden by Barrie Cash and is trained in Co. Wexford by Patrick Sinnott.

## CLONMEL MEETING

Compared to previous meetings at the venue last Thursday's meeting at Powerstown Park was a low key affair. Jockey Jamie Spencer was a happy young man as he recorded a nice double courtesy of Cotopaxi 11/4 and 20/1 outsider Dellsboy who was a welcome winner for Tom Foley of Danoli Fame.

Our fancy for a weak looking maiden hurdle, Our Valentine ran no race at all and is surely capable of much better. In the same contest the once raced Bob ran a pleasing race to finish in third spot for owner John Brennan and given normal improvement this Lord Americo gelding looks capable of picking up a minor race at one of the country tracks.

Promising amateur Philip O' Brien dashed the highly consistent Beacon Lane, the evens favourite into the lead in the handicap hurdle and this strong gale runner who is a half brother to Mole Board simply bolted in five and a half lengths clear of Sir Risky. Beacon Lane was so well in himself the following morning that trainer Charles Byrnes duly dispatches him to the races at Kilbeggan and with the same rider in the Plate he went on to capture yet another handicap hurdle.

## TRAMORE RACES

Do not forget racing takes place at Tramore on next Tuesday afternoon. With the list of runners unavailable it's difficult to predict winners but it should pay to follow those horses who won of ran well at the recent August Festival.

## WEST WATERFORD GOLF CLUB NOTES

# West Waterford Steal The Jack Lynch Trophy With Dominating Home Performance

The golfers of West Waterford produced a mesmerising display of golf to destroy Dungarvan's hopes and dreams of becoming the first winners of the very sociable and enjoyable three club event. All the talk on Saturday was could the Gold Coast possibly catch Dungarvan who were seven points ahead. With two points for a win and 24 matches to be played the eight point gap was certainly in their range. West Waterford were never considered in the shake up, being 14 points adrift. Then when Michael O'Dwyer, last years matchplay champion and David Morrissey both lost their two matches the signs look ominous for our team. Then the resurrection begun with Ian McCarthy and Terry O'Callaghan both securing four points for the home side. This set the tone for the rest of the afternoon. Everyone was wondering about the Dungarvan Gold Coast matches with Dungarvan just about holding their own. However, due to the closeness of the games this allowed West Waterford to start making up ground. Suddenly a string

of players won both their matches, they included Billy Nugent, Tom Butler, Justin Spratt, Neil Parks, Tom Power and Conor French who had the scalp of the day defeating Michael Kelleher by six holes. When the final group had finished and the results were totalled in the clubhouse to everyone's amazement West Waterford's scored an emphatic 34 points at home and topped the table by four points with the Gold Coast a further four behind. The Presentation date has yet to be finalised but it will take place in the Parrish pub so please keep an eye to the notice board for more details. Thanks to everyone who played in the event which I believe will go from strength to strength each year. A special word of thanks to organisers especially John Gough who first thought of the idea.

### WEEKEND COMPETITION MICHAEL GETS THE CHOP

Former club president Michael French was recently struggling with his game with the result that his handicap was drifting out-

wards. So much so he was almost looking forward to soon playing in the high handicap competitions on Tuesday evenings. However, Michael danced around the course on Sunday last in the glorious sunshine to card 42 pts. and his handicap tumbled down to fifteen. On Sunday week there is now a timesheet in operation for the Intermediate Scratch Cup so please ring the clubhouse to book your time.

### SMART CARD

Once again I would like to remind all male members to purchase a smart card from John or Jimmy Murphy immediately if you do not have one in your possession or your current card is damaged. Well done Kieran Connery on his marvellous score of 60 nett of 36 handicap last Sunday to win Mark Shanahan's captains prize. Congratulations to all the prize winners and to the organisers of the event especially Junior Officer Justin Spratt for all the hard work he has put in during the year with our youngsters. The club matchplay sponsored by Raymond Spratt is moving at a very slow pace. So from Sunday onwards each round will be given a deadline and if the match is not played both players will be disqualified.

## INTER FIRMS

The second week of the Inter Firms, sponsored by Fennell Haulage & Waste Disposal, has now concluded with little change in the table. The Builders are leading the way and even their Captain, Eugene Collins, brought in a very late (late) score of 21 pts. to keep his team ahead of the Course Staff by 2 pts. Engineering and Waterford Joinery are joint third at the moment on 120 pts. The Carpenters are on 119 pts. and the Traders on 117 pts. with Waterford Crystal 'B' on 116 pts.. The Farmers, as usual, are struggling on 112 pts. with Waterford Crystal 'A' on 107 pts.

The Health Care team, with some big guns including Roddy Healy, Austin Kiely, Peter Jordan, Tom Walsh and Jim Norris are in need of some health care themselves if they are going to mount a serious challenge in this competition. Another team close to the bottom of the table are made up of the financial wizards among us and I am afraid the Celtic Tiger hasn't done much for them in this competition to date. Is it possible that they might plunge into the transfer market? Watch this space.

## INTER CLUB FINAL

The Inter Club Jack Lynch Memorial Trophy, sponsored by Johnny Lynch, third and final round, was played in West Waterford in glorious sunshine on Saturday last. This is the first year of this competition between the three local clubs and if the comments from all the participants is anything to go by then this competition will go from strength to strength over the coming years.

Dungarvan were in a commanding lead going into the last round with a seven point lead over The Gold Coast and West Waterford a further seven points adrift of The Gold Coast. Much to the surprise of everyone, West Waterford annihilated the field to claim the first Jack Lynch Memorial Trophy.

There will certainly be an enquiry in the Gold Coast as to how some of our very experienced players were off form on the day. Eugene Collins won both his matches much to the surprise of no one as he has

a handicap that is very very comfortable for Eugene and Morrie kept his head and his clubs together and also won both his matches. John Troy, Tom White, John White and Jim Norris did very well by taking three points out of a possible four but the rest of our team were not at the races.

Co-operation from the three clubs in the running of this competition was excellent something we are very grateful for and also from all the members that took part.

Congratulations to West Waterford on their great win but preparations are already in place to dethrone you next year.

Presentation of the Jack Lynch Memorial Trophy will take place on Wednesday, 15th September in the Parrish Pub at 9.30 pm. All members are welcome.

## JESSIE'S ELECTRIC

The ESB Scratch Cup was held recently and a small number of the Cunnigar players took part. The stiff competition from all over was no challenge to our star player Anthony Landers who played some excellent pitch and putt. His powerful display earned him the Intermediate Scratch Cup and all at the Cunnigar Club were delighted for him. Once again well done Jessie.

## LOTTO

Our Tuesday night draw took place with numbers 12-14-16-30 being drawn. Yet again we had no winner of the £700 jackpot so next week's winner could walk away with £800. If we don't have a winner of the jackpot however, three lucky people will walk away with £20 each. The three lucky winners of the £20 each this week were Paddy Power, Breda Mahoney and E. O'Brien. Well done to our three lucky winners. Don't forget to purchase your ticket before the Tuesday night draw because as you know by now if you are not in, you can't win.

## GLANBIA FESTIVAL WEEK

The Glanbia Festival Week gets under way this week with Wednesday being the opening day to what promises to be an excellent couple of days of pitch and putt. The kind sponsorship of Glanbia allows us to hold competitions from Wednesday right through till Sunday. With plenty of prizes on offer make sure you come along to take part. Once again thanks to our kind sponsors Glanbia, without whom this Tournament would not be possible.

WATERFORD SATURDAY SEPTEMBER 4TH

## Cool Performance Lived Up To His Name

With some excellent prize money on offer last Saturday night's benefit meeting in aid of the order of Malta Ambulance Corps attracted some quality entries and a large attendance were treated to some excellent fare. The feature race of the evening was the Tom Kearns Landscaping Contractors event. Michael Gleeson's Cool Performance (Mustang Jack - Pony Nikita) was sent off the 5/4 favourite and the Kilkenny Fawn did not disappoint streaking clear of the opposition running out an all the way 28.95 winner. Gerry My Boy ran a fine race in second but he could never get to Cool Performance who stayed on well to record a three lengths victory.

There was £500 on offer for the winner of the Guinness Marathon and it produced a shock but deserving 8/1 winner in the shape of Christine Martin's Scallywag Doll (Moral Standard's - Denmark Darling) who flew around in a very decent 41.48. The heavily supported Kilcarrig House 4/6 to 1/3 somehow managed to lose her prominent early position at the first bend. Meanwhile Boher Lily motored into an early lead over Scallywag Doll. The latter struck the front on the back stretch and although Kilcarrig House made sound late headway "Scallywag" was gone beyond recall eventually scoring by a length.

Local owner Maurice Jackson sponsored the final of the Waterford Plumbing and Heating Services Sweepstake. Semi-final winners Like It Private 2/1 and Up Jenny 6/4 were best fancied here but the Christy Coady trained Sparky Elite (Deenside Spark - Rosehip Tricks) 4/1 quickly took control of matters to move into an early lead over the two market leaders. This order of running remained unchanged for the duration of this final with Sparky Elite winning out by a length and a quarter from Up Jenny in 29.21. The winner is owned by the Tallow based Elite Racing Syndicate.

The Martin Kiely owned and John Cullinane trained Lakefield Mike (Phantom Power - Lakefield Lucy) came from behind to take a graded final in 29.71. After capturing his semi final in 29.35 "Lakefield" was sent off the red hot 4/7 Hot Pot and although headed briefly on the back stretch by Wee Jobber "Lakefield" was soon back at the head of affairs breezing in three and a half lengths clear of a staying on Scallywag Runaway who came from the rear of the field to claim the runner up spot.

Racing commenced with a very easy victory for the 2/1 shot Knockmoylan Deal (Shanless Slippy - Knockmoylan Lady) who scored a runaway 29.65 victory. Jointly owned by Gerry Kiely and Kevin Ayres "Knockmoylan" survived a rough passage around the opening turn before racing clear for a seven lengths success over Bolivian Queen.

Kathleen Stamp's 3/1 shot (18/1 on the Tote) Glenbrien Punt (Metric Prince - Glenbrien Baby) produced a strong finish to land the second event in a career fastest 29.45. A wide running Polerone Ruby was out in front for much of this race but the always prominent "Glenbrien" ran on strongly up the rails to defeat a staying on Lyons Dale by a neck.

Dillrock Drake (I'm His - Dillrock Nurse) 4/1 owned by Alan Carroll of Curracloe beat a good class field in the third

event in a Red Hot 29.00. Back in his favourite trap six "Dillrock" powered his way up to the first bend to lead at that point from a slow starting but early paced Airmount Prince. The latter made a valiant effort to reduce the deficit but "Dillrock" was not slowing down up front coming home two lengths clear of Airmount.

An unlucky loser on the previous weeks programme the Eamon McGuire owned and Paddy O' Connor trained Toby's Joy (He knows - Idle Buachaill) 6/4 made amends with a faultless display to capture the fourth event in a speedy 28.99. Making light of a trap four draw the early pace of Toby's Joy enabled him to build up a healthy advantage over Jungle Trade. Glenbrien Hal finished with a flourish but Toby's Joy scored with plenty in reserve by five and a quarter lengths.

The second long distance event saw Vincent Maloney's Narabane Monica (Moaning Lad - Narabane Lucky) 3/1 make practically every yard of the running from trap one in 41.73. Terminal Flash ran a close second for most of the trip but it was the slow starting Romantic Dusty who ran on best at the finish to get within four and a half lengths of the front running Narabane Monica.

After capturing a graded sprint the previous Tuesday night the Ger Kirwan owned and Jimmy Frisby trained Arrigle Go (Arrigle Buddy - Geal Gayo Sandie) made the transmission to open class sprinting with the minimum of fuss running out an impressive winner of the concluding open sprint in 16.52. Prolific Sprint winner Dunsallagh Pride broke smartly from trap six but he was quickly challenged by Pearls Best. Producing a fine dash of early pace Arrigle Go somehow managed to drive up the inside of the two leaders at the first bend. Once in front Arrigle Go 3/1 was not going to be denied coasting to a two and a half lengths victory over Sun Flash. This lightly raced winner is an October '97 whelp.

## CHANGE OF HEART

Waterford track have had a change of heart with regard to racing on Sunday September 19th. With the Ireland on Sunday, Irish Derby taking place on Saturday September 19th they originally intended to race on Sunday night but with Kilkenny track racing on that night Waterford track will now race on Friday night September 17th.

## IRELAND ON SUNDAY DERBY

Last Saturday's quarter final stages of the Ireland on Sunday Irish Derby was a night of shock results. Out went warm favourite Chart King, Deerfield Sunset Produce Stake winner Borna Survivor, Fly Fright and many more. But hopes of a Waterford success are still very much alive courtesy of Gerry Kiely's home bred Airmount Rover (Minnies Phantom - Airmount Venus) who captured his quarter final in 30.30 at the rewarding odds of 7/1. Next Saturday in Shelbourne Park is semi final night and hopefully Airmount Rover can do the business once again.

## YOUGHAL FEATURE FOR COME SPRINGFIELD

The feature race on last Friday nights programme at Youghal track was the final of the £400 to the winner Ardmore Natural Care Sweepstake. Semi final winners Stans Holly (30.10) and Lake Irish (29.88) were well fancied but it was 3/1 shot come Springfield who did not enjoy the clearest of passages in his semi final who sparkled on the night to land the spoils in 29.58, the fastest return over the standard distance.

## WATERFORD TUESDAY AUGUST 31ST

The feature events at this, the final fixture for August were the semi finals of the Guinness Marathon Sweepstake. Boher Lily and Boston Dolly took each other on from the outset in the first qualifier but a rails seeking Kilcarrig House (Slaneyside Hare - Pearls Girl) the 1/2 favourite weaved her way through the field up the inside running rail to come through for a length and a half success over Boher Lily in 41.54. Ann Guilfoyle trains this winner for Bagnelstown owner David McDonald.

In the second semi final Scallywag Doll and Fendis Son dominated from the start and in an exciting finish Christine Martin's Scallywag Doll (Moral Standard's - Denmark Darling) 6/4 prevailed by the narrowest of margins in 41.89.

Leaving her debut effort well behind Seamus Quirke's Quite A Surprise (Deenside Spark - Hot Alert) 2/1 simply toyed with the opposition in the opening contest scoring by a distance in a fastest of night 29.33. Showing good early pace Quite A Surprise enjoyed a trouble free passage at the head of affairs to beat the evens favourite Roscador who came from behind to claim the runner up spot from Milltown Mindy.

Owner Rev. Michael O' Doherty and his trainer Michael Meade combined to capture the second event with the newcomer Bolivian Bonus (Bonus Prince - Maree Maree). Backed in from 5/2 to 1/1 Bolivian Bonus kept wide and out of trouble and despite some late pressure by Fast Crystal, Bolivian Bonus held firm to run out a three quarters of a lengths winner in a pleasing 29.56.

Only three runners faced the starter in the third. Despite being led for three quarters of the trip by Gerpats, Amigo, Crokers Lad (Spiral Nikita - Gallows Quest) the 2/5 favourite came through smoothly on the fence to run out a four lengths winner for owner Jim Tracey and trainer Michael Power in 29.90.

In the firing line throughout from a favourable outside draw, John Elliott's previously unraced Rylane Freddie (Mustang Jack - Honey Vixen) 3/1 ran on strongly to open his account by two lengths from Scarta Move in 16.79 for this the fourth contest.

The John Cullinane trained Lakefield Mike (Phantom Power - Lakefield Lucy) literally ran away with the fifth contest in a best ever 29.35. Sent off at odds at 3/1 Lakefield powered his way up to the opening bend to move into a clear lead over Wee Jobber. Enjoying his solo romp up front "Lakefield" coasted to a twelve lengths win over Wee Jobber.

Local winner Christine Marlin sent out her second winner of the night in the sixth event as Scallywag Runaway (Lassa Java - Denmark Darling) 7/4 to 7/2 came from off the pace to win out in 29.80. Finnow Tiger made a valiant attempt to lead all the way but with victory in sight she was overhauled close home by Scallywag runaway who scored by three quarters of a length.

John Walsh's home bred Winnies Venture (Ready About Nga - Winnies Best) 4/1 gained a winning bracket coming from last to first to capture the ninth event by a short head from the long time leader Fethard Rocket in 30.25.

Thomastown owner Ger Kirwan and his trainer Jimmy Frisby were on the mark in the concluding sprint as Arrigle Go justified 1/1 favouritism with a comfortable three lengths win over Seskin Denis. Easing his way into a first bend lead Arrigle Go (Arrigle Buddy - Geal Gayo Sandie) encountered little difficulty in running out a cosy 16.52 winner.

# The 7th World Seville '99 Athletics Championships

BY WILLIAM DOWNING

The build up to the seventh staging of the World Athletics Championships had been marked by a number of major drugs shocks. The positive testing of leading lights such as Merlene Ottey and Linford Christie stunned the sporting world, resulting in America's top three athletes holding their own impromptu press conference, presenting their views on the subject to the world's media. The world's fastest man, Maurice Greene, said how he was looking forward to the introduction of blood testing for the Sydney Olympics.

But for now, the main topic on everyone's lips was how would the sport of world athletics pick itself up after getting a drubbing in the press. They needn't have worried - the next nine days were to be spectacular. Previous opening ceremonies have seen fireworks, giant figures parading around the stadium, sky divers, thousands of dancers and in one instance, Muhammad Ali. Seville had Spanish dancer extraordinaire Joaquim Cortez, who - living up to his profession - danced. Radio commentator John Anderson probably summed it up; "It wasn't really my cup of tea, so I left halfway through..."

## KEEPING UP WITH THE JONES'S

Saturday August 21st - Day One

It was the united States' day. Bulky C.J. Hunter claimed the men's shot putt while Mrs. Hunter, sprinter Marion Jones, clocked a championship record of 10.76 seconds in the 100m quarter finals AND qualified for the long jump final in her bid to claim four gold medals.

Ilya Markov made his mark, by winning Sevilla 99's first gold, in the men's 20k walk. He even went on a lap of honour afterwards.

The women's pole vault made its world championship debut with American Stacey Draglia claiming gold by holding off the Ukraine's Anzhela Balakhonova, equaling the world record of 4.60 in the process.

Ireland - and Waterford in particular - were well represented in Seville. Sure, there was no Sonia or Catherina, but Ireland had sent a strong team, and though medal prospects weren't as good as they would have been, there was still hope.

Brendan Reilly of Belgrave Harriers swapped his British singlet for an Irish one, and promptly qualified for the men's high jump final with a leap of 2.36 metres, two centimetres short of the national record he set at the national track and field championships. With his name, a career in IV surely beckons.

Pat McGrath though failed to shine in the hammer. His best throw of 68.96 metres was nine metres shy of the personal best, but it was still a competent world championship debut for the 28 year old.

## GREENE DAY

Sunday August 22nd - Day Two

Maurice Greene now has everything a top athlete could want - except the Olympic crown. The 35 year old from Kansas retained his 100m world title in a new championship record time of 9.80 seconds, one hundredth of a second outside the world record he set in Athens in July. He held off the threat of Canadian Bruny Surin (9.84) and new British sensation Dwain Chambers (9.97) to hold onto his crown in convincing fashion.

The Marion Jones bandwagon went marching on, as she retained her 100m title in a new championship record time of 10.70 seconds, 0.09 of a second faster

than compatriot Inger Miller with Ekaterini Thanou of Greece third and Olympic champion Gail Devers fifth. Meanwhile, Eunice Barber claimed the women's heptathlon, keeping Denise Lewis at bay by 137 points.

Susan Smith-Walsh was in fine form going into the championships, just missing out on a world record in the 200m hurdles, but her passage through to the 400m hurdles semi finals was left hanging in uncertainty. She could only finish fourth in her heat in a time of 55.06, meaning she had an anxious wait before qualifying as a fastest loser.

Nick Sweeney's world championships latest just three throws of the hammer. He could only reach 58.62 metres, four short of what was required.

WIT student Karen Shinkins impressed in the women's 400m heats. Finishing fourth in her heat in a time of 52.12 seconds was good enough to out her through to the next day's quarter finals.

## SUSAN BOWS OUT

Monday August 23rd - Day Three

Susan Smith-Walsh's form deserted her in the semi finals of the 400m hurdles. She finished 6th in a time of 55.20 in a race won by Moroccan Nezha Biduane. The Waterfordian, now based in Atlanta, ran almost a full second slower than her personal best, with the 100m hurdles still ahead. Brendan Reilly set a new Irish record of 2.29 metres in the men's high jump, but it was only enough to propel him to eighth in a contest won by Vyacheslav Voronin of Russia. Reilly should reach greater heights in the future, and so should Karen Shinkins, after clocking 52.08 seconds to finish seventh in her 400m quarter final.

Peter Coghlan established himself as Ireland's best male hurdler since T.J. Kearns thanks to two powerful displays. First, he came through the opening round, finishing fourth in a time of 13.64 in a heat won by American Mark Crear. Then, he did it again in the quarter finals - fourth behind Duane Ross in a quicker time of 13.37. Crear, who was one of the favourites, ended up being disqualified for two false starts.

Spain's Niurka Montalvo grabbed gold in the women's long jump in emphatic fashion. At last, a home town victory, and did they celebrate! Her winning leap brought her where no Spaniard had gone before - beyond seven metres - pipping 1995 champion Fiona May by 12 centimetres, and relegating Marion Jones into third.

The usual Kenyan dominance meanwhile was seen in the steeplechase. Christopher Koskei pipped compatriot Wilson Boit Kipketer in a thrilling finish which saw four Kenyans in the top seven.

## THE SAME OLD STORY

Tuesday August 24th - Day Four

The province of Andalusia had been ruled by the Moors for eight hundred years. Tonight, one of their descendants, Moroccan Hicham El Guerrouj, was

crowned 1500m king in a championship record time of 3:27.65 - the fifth fastest run of all time. Noah Nigeny of Egypt was second with Reyes Estevez third as Spain kept up their standards, contributing three of the top five. Could the Spanish provide useful opposition to the Kenyans at middle distance in the near future? Only time will tell?

Haile Gebreselassie had few problems in galloping home past rival Paul Tergat of Kenya to continue his dominance of the 1000 metres. He repeated in Seville what he had already achieved in Stuttgart, Gothenburg and Athens. Four consecutive golds for the Ethiopian, three silvers in a row for the unlucky Tergat.

The women's 800m was a classic. World indoor champion Ludmila Formanova of the Czech Republic came from nowhere to storm past the battling Maria Mutola and Svetlana Masterkova in the final ten metres to clinch an unexpected world title. Her win emulated her coach Jarmila Kratochvilova, who claimed both this crown and the 400m in Helsinki 1983.

There was sensation in the discus as American Anthony Washington jumped from fourth to first with his final throw to grab gold in the men's discus. Jürgen Schult and Lars Riedel were the vanquished pair.

Not the best days for the Irish - Peter Coghlan was pipped by three-hundredths of a second for a place in the 110m hurdles final, Ciara Sheehy failed to progress in the opening round of the women's 200m with Paul Brizzell and Gary Ryan missing out in the men's equivalent.

## BACK TO THE DRAWING BOARD

Wednesday August 25th - Day Five

Things had been going so well for Marion Jones. Despite bronze in the long jump, she had claimed gold in the 100m and was on course to the same in the 200. But in the semi finals of the longer sprint, disaster struck. Jones was looking uncomfortable and was only fourth in the straight when she collapsed, clutching her back. Her 21 stone husband, shot putter C.J. Hunter, rushed trackside to come to her aid. How she came to have back problems is a mystery...

Colin Jackson showed there was still some pace in his 32 year old legs as he reclaimed his form of 1993, holding off Cuba's Anier Garcia and Duane Ross of the USA to win in a time of 13.04. Just eight-hundredths of a second divided the three as they crossed the line, and the Welsh man had to watch a replay before he finally realised he won. All that after half the field had congratulated him.

Daimi Pernia showed athletic talent does run in the family. The Cuban sister-in-law of former 800m champion Ana Quirot pipped Morocco's Nezha Biduane by one hundredth of a second to make the 400m hurdles crown her own.

Tomas Dvorak of the Czech Republic won the decathlon with new sensation Dean Macey second despite suffering a cracked pole in the pole vault. Charles Friedek annexed the triple jump for Germany. Astrid Kumberness came back from a years maternity leave to claim the women's shot put, while German Skurygin (who's Russian) survived the 35 Celsius heat and the disqualification of almost half the field to win the men's 50 km walk. Jeff Cassin of Finn Valley was back in 28th.

Mark Carroll finished ninth in his semi final of the men's 5000m, enough to put him through to Saturday's final, with Susan Smith-Walsh having to pull out of the 100m hurdles.

## JAMES SULLIVAN BACK WITH A BANG.

The second annual W.L.R. fm 10k fun run was held on a beautiful sunny evening around the streets of Waterford City on Sunday last, attracting a very large field of 450 runners, joggers and walkers, where most were competing in a fun capacity and at the same time raising moneys for many charities around the south east, starting and finishing at the R.S.C. on the Dungarvan road. There was a carnival like atmosphere at the venue with many side attractions for all the family. The more serious runners headed out of the track after completing one lap and after just over 30 minutes of running Waterford A.C. ## NATIONAL COMMUNITY GAMES FINALS HARTY TAKE TWO

William Harty wrote himself into Community games history last Sunday in Mosney when he captured the marathon title in fine style for the second year in succession. This was truly a great end to a wonderful road running season for the Ballinamult boy, on Friday evening he captured the Ger Wyley/Fila summer series overall title and on the previous Thursday he became the youngest winner ever of the Ballycotton sununer series, incidentally William is still eligible for this race in Mosney next year and on the form showing at present he is likely to make it three in a row what an achievement this would be. Ailish Aheme also a young lady with many community games medals to her name, dominated the girls under 17s 100 meters and turned in a top class performance to bring home gold. In the girls under 8 young Claire Morrissey snatched gold in the 80 meters, there was a great team effort by the boys from Ardmore in the under 13s indoor soccer when they won silver after been beaten by a very good Mayo team from Castlebar. There was also superb performances from Kate O'Brien to take fourth in the under 14 shot and likewise for Jamie Howan fourth in the boys under 14 800 meters, the 200 meters for girls under 10 saw Brenda Doherty finish in Fourth place, congratulations and well done to all,

## INTERMEDIATE HURLING CHAMPIONSHIP

It's a case of backs to the wall for Abbeyside in their Divisional Intermediate Hurling semi final encounter with Shamrock's at the Cappoquin venue on Saturday evening next as they will be short the services of Sean "Hiker" McGrath who is holidaying in the United States and Michael Cosgrave who was married last weekend to Claire Dunford and the happy couple to whom all in the club extend their congratulations are on their honeymoon. In addition John Foley continues to be ruled out through injury while serious concerns continue in respect of Michael Enright who picked up an injury in the Colligan game.

Thus our team face into a truly major assignment - yet that's what the championship is all about and despite all their difficulties they will be driving hard in their endeavours to qualify for a place in the Western

## UNDER 12 FOOTBALL

This final was played on Thursday evening last in Cappoquin before a large crowd of our supporters.

We retained our title defeating Ardmore on the score of 4-6 to 1-8. The standard of football was excellent.

This group of players have trained very hard over the past six months for hurling and football, taking part in numerous tournaments and playing challenge games. They have made steady progress in all the skills under their three selectors selectors Bernard Gorman, Jim O' Mahoney, Liam O' Brien.

For this championship they played a challenge game with Stradbally and Kilrossanty winning both. In the Championship itself they defeated Clashmore, Dungarvan, Ardmore and had a draw with St. Oliver's.

The support from the parents of this group of players is much appreciated by the selectors and the club as they have provided transport for all the away games.

After the final the team and subs had a trip to J.R.'s to finish their evening.

# Lismore In Semi Final

## LISMORE 1-16 TOURIN 0-2

Lismore advanced to the semi final of the Comeragh Oil Junior Hurling Championship following their facile win over (B) champions Tourin at Cappoquin on Friday evening last. The winners led by 0-10 to 0-2 at half time after Tourin had to wait all of 17 minutes for 4 their opening score from Darragh Wilkinson when he converted a "65".

The challengers who were short a number of regulars from the side which lifted the divisional (B) title the previous weekend failed to score in the second half and Lismore now play Ardmore in the semi final.

Scorers for Lismore; B. Walsh 0-7, D. Ormonde 1-2, A. Landers 0-3, M. Ormonde 0-2, S. Kearney and K. Hornibrook 0-1 each.

Scorers for Tourin; B. Wilkinson and M. Scanlon 0-1 each.

## MINOR HURLING CHAMPIONSHIP

# Dungarvan Advance To Final

## DUNGARVAN 3-9 ST. OLIVER'S 1-6

Dungarvan advanced to the final of the Minor A Hurling Championship when they recorded a surprisingly easy win over a fancied St. Oliver's outfit in the semi-final at Fraher Field on Wednesday evening last. The concession of soft goals in the first half did not help Oliver's cause and they trailed by twelve points at the break. A deficit they never recovered from. Final score Dungarvan 3-9 St. Oliver's 1-6.

Dungarvan now take on a fancied Tallow side in the Divisional Final at Cappoquin this evening, Wednesday at 6.30 pm. Tallow with the help of players from Shamrock's in their line up will look to Co. players Sean Slattery, Pádraig Tobin, Paul Murray, Thomas O' Donovan, Shane McCarthy for leadership in this one but they would not want to underestimate Dungarvan who are fresh from their win over Oliver's last week while the Shamrock's were playing football. It will come as a surprise if the team from the far east do not come out on top.

P.S. It is now expected that the Minor (B) Hurling Co. Final involving Fourmilewater from the west will be the curtain raiser to the Senior Final in Walsh Park on Sunday week.

Mt. Sion are the Divisional (A) Champions in the east and three of that team were in their starting fifteen for the senior semi final last Saturday night.

## WESTERN MINOR FOOTBALL "B" CHAMPIONSHIP

On Wednesday evening Sept. 1st we travelled to Cappoquin for the final against a fancied Stradbally team and after a top class game we were winners on the score Shamrock's 2-12 Stradbally 1-8. This was a very close game with only the minimum between the sides with 5 or 6 minutes to play, but a late goal and 3 points assured our lads of victory and we now look forward to the Co. Final in a couple of weeks.

Team; F. O' Callaghan, T. Goulding, M. McGrath, T. Baldwin, A. Kelly, T. O' Donovan (capt), Wm. McDonnell, D. O' Brien, P. Tobin, P. O' Brien, Wm. Henley, M. Keating, J. Kelly, D. O' Neill, N. Smyth.

Subs used; S. McCarthy for M. McGrath injured.

## ALL IRELAND LADIES SENIOR FOOTBALL CHAMPIONSHIP SEMI FINAL

# Waterford's Victory Fashioned By Sheer Grit

**WATERFORD 1-15  
MONAGHAN 1-9**

WATERFORD SENIOR LADIES WHO DEFEATED MONAGHAN 1-15 TO 1-9 IN THE ALL IRELAND SEMI FINAL

**It certainly wasn't a classic, the rivalry between the teams saw to that, but Waterford overcame Monaghan in the All Ireland Semi Final at Parnell Park, Dublin last Saturday afternoon and qualified for their 7th All Ireland Senior Final in 9 years.**

This was a victory fashioned by sheer grit and determination, especially when they were reduced to 14 players midway through the second half and had lost influential players Aine Wall and Catriona Casey through injury. Every single one of Waterford's scores came from play, in fact 10 players scored and in that last quarter they scored 6 times to a single reply by Monaghan.

That in essence was the difference between the teams. Tension was high, the game was highly charged, no quarter given or asked and the fact that the teams are meeting on such a regular basis doesn't help. The pitch was in superb condition. Waterford had their usual kick around in St. Vincent's just a couple of hundred yards down the road and they faced into a potentially difficult game full of confidence.

It certainly showed as Rebecca Hallahan and Mary O' Donnell shot 2 early points before Edel Byrne opened the Northerners account in the 5th minute, Annalisa Crotty, who turned in a mighty hour at midfield nudged the Munster side further in front and Aine Wall shot the 4th point in the 12th minute.

A series of switches on the Waterford team had clearly upset Monaghan as they shouted to the sideline for alternative instructions. Most of those calls were lost in the din of the crowd.

Noirin Walsh had moved to full back with Siobhan O' Ryan going to centre back. Triona Whyte went to No. 2 Olivia Condon to number 5, Marion Troy came in at corner back, Annalisa Crotty went to midfield, Catriona Casey to wing forward and the inside trio all switched.

Of course it takes good

players to make switches work and Waterford have plenty of these ready, willing and able to take responsibility in the heat of a big match. Angela Larkin pointed a Monaghan free but the Waterford defence was making its presence felt with tight marking and closing down the Monaghan forwards.

The game took a dramatic turn in the 20th minute when Annalisa Crotty fielded a kick out, ran at the Monaghan defence before placing Geraldine O' Ryan for a superb goal. Within a minute Aine Wall left the fray with a hamstring injury, Niamh Barron came on and Waterford's defence was subjected to pressure which fielded 3 points two by Angela Larkin and one from Ciara McGuinness.

Back came Waterford and two points by Rebecca Hallahan were vital just before half time as the Deise girls led 1-6 to 0-6 at the interval.

The second half started similar to the first, three points on the trot from Niamh Barry, Claire Regan after a great move and Annalisa Crotty after a superb chip up by Geraldine O'

Ryan.

Olivia Condon and Noirin Walsh were doing trojan work in defence and Sarah Hickey after a shaky start made a couple of great saves. Monaghan missed a succession of frees. Larkin's point was cancelled out by Claire Ryan before the game exploded midway through the half.

Mgt. Kiernan got inside the Waterford defence and slammed the ball into the far corner of the net, 1-10 to 1-8. Within a minute Waterford were reduced to 14 players following Rebecca Hallahan's rash challenge on Edel Byrne and from the throw in Catriona Casey, in an accidental collision suffered a fractured fibula and Waterford's backs were very much to the wall, it was then that the Waterford team proved their greatness.

In the remaining 14 minutes they pulverised Monaghan scoring 5 points to 1 in reply. Geraldine O' Ryan, a marvellous effort from Olivia Condon, O' Ryan again, Marion Troy and substitute Deirdre Nagle all drilled the posts. Instead of being one short, Waterford seemed to have 3 extra players on the field and they over whelmed Monaghan.

Rare breakaways were comfortably dealt with and the clock counted down with Waterford back in the final once again. A great victory by a marvellous group of players, Croke Park beckons once again on the 1st Sunday in October.

Sarah Hickey made some outstanding saves in goal. Triona Whyte and Noirin Walsh did their bit and debutante Marian Troy was

impressive in the other corner, Bank of Ireland player of the match Olivia Condon, Siobhan O' Ryan and Julie Torpey made life very difficult for the Monaghan forwards.

Crotty and O' Ryan were outstanding in the middle of the field. Martina picked out twin sister Geraldine with devastating effect in the last quarter. Rebecca Hallahan scored 3 great points, Mary O' Donnell and Claire Regan foraged and chased, Catriona Casey and Aine Wall made significant contributions until their injuries and Niamh

Barry and Deirdre Nagle played their part but above all Geraldine O' Ryan was outstanding, scoring 1-2. Proving a great target woman she destroyed Brenda McAnespie and helped in no small way towards their success. All in all a great team victory.

Waterford — S. Hickey, T. Whyte, N. Walsh, M. Troy (0-1), O' Condon (0-1), S. O' Ryan, J. Torpey, M. O' Ryan, A. Crotty (0-2), R. Hallahan (0-3), M. O' Donnell (0-1), C. Casey, C. Ryan (0-2), G. O' Ryan, A. Wall (0-1). Subs; D. Nagle (0-1), N. Barry (0-1).

Our U-8's had an early start at 11.30 am against St. Martin's. This was the team's first game together since the start of the holidays. St. Martin's were in great form scoring 4 goals to Brickey's 1 goal. We settled into the second game against Slieverue and were 1 goal up at half time. This game finished in a draw Brickey 1-0 Slieverue 1-0.

### UNDER-9

The first game against Kilmacow was a delight to watch. This team, the winners of the under 8 Blitz last year, played their hearts out and scored 5 goals to Kilmacow's no score. The second game against St. Ann's, Rathangan was a tough game and while we played great hurling we

failed to score. St. Ann's won this game 3 goals to no score.

In the third game against St. Mary's, Clonmel the half time score was 4 goals to 2 goals in favour of the Brickey's. The second half was heart stopping to say the least but we held on and won this game by 1 goal. The final score Brickey's 4-0 St. Mary's 3-0.

In our group we won 2 games and lost 1 game. The winners of the group won 2 games and drew 1 game. Our team should be proud of their performance as we certainly are.

## St. Mary's Retain Minor (B) Title

ST. MARY'S 2-8 ST. MOLLERAN'S 1-3

After an interesting rather than spectacular opening half, St. Mary's duly confirmed their prematch favouritism, and came very much on top of St. Molleran's in the second half of the Eastern Minor Football (B) Championship Final played in glorious ground and weather conditions at Portlaw on Saturday afternoon last. The Carrickbeg outfit after a promising enough start, failed to score in the second period, even though they came close to doing so on a few occasions. The losers had the tonic of a well taken 7th minute goal from S. Comerford to give them the lead for the first time, and while three unanswered points - two from frees by Michael Hearne brought about equality before the end of

the first quarter, St. Molleran's had the last brace of points of the half, to lead by 1-3 to 0-4 at the interval.

It was all one way traffic in the second as the defending champions stepped up a gear. Anthony Kiely with three points on the trot regained a St. Mary's lead he had initially given them back in the games fifth minute, and when St. Mary's full forward J. Mansfield hammered home a terrific goal on the three quarter hour, it spelled the beginning of the end for the Carrickbeg outfit. Michael Hearne quickly added a point, and then for good measure, M. Comerford had the winners second goal before the finish to wrap it up nice and neatly for a competent St. Mary's side.

# Waterford Beat Monaghan In Primary Game

On Saturday morning the 4th of September 19 young girls from the 19 clubs in Waterford left Dungarvan to play a primary game against Monaghan which took place at half time between the Senior Ladies Game in Parnell Park and like all Waterford ladies these young women did their county proud as well, when they managed to beat Monaghan 1-1 to 0-2. Emma Gallagher of the Kill club scored the goal followed by a beautiful point from Evelyn O'Brien from the Ardmore/Grange club. The girls were absolutely thrilled with their win. This had made the double for Waterford. The team coaches were Brendan Gallagher and Michelle Power. These girls had worked hard at training over the last month on which they all travelled to the Friary field twice a week with their parents to prepare for this game and like all Waterford ladies proved themselves victorious on the day. A special thanks to the Friary for the use of their grounds for training, and also to the parents of the children for putting in the time and effort to have the girls on time for training twice a week. On our return from Dublin the girls stopped off at Gowran for a meal that was prepared by Teresa Burn, aunt of one of the players Patricia Cunningham formerly of Leamybrien. A special thanks to Teresa who prepared the meal at very short notice for the 19 girls and the rest of their supporters. The bus then travelled home to Dungarvan and everybody had a wonderful day thanks to our young players. The girls were presented with caps and some sweets by Helen O' Rourke but when they didn't receive any medal for their win it was decided on the way home that Pat Daly, the owner of the bus would sponsor a set for the girls. This really made their day.

The team were as follows; Karen Keating Ballyduff Upper, Tara O' Reilly Tramore, Evelyn O'Brien Ardmore/Grange, Roisin Manahan Old Parish, Grainne Nolan Clashmore, Evelyn Moloney St. Pat's, Deborah Whelan Brickeys, Patricia Cunningham Kilrossanty, Michelle McGrath Rathgormack, Emma Morrissey Stradbally, Sinead Crotty Dungarvan, Emma Gallagher Kill, Charlotte Marie Raheer Dunhill, Sarah Walsh Na Deise, Orla Kearney Ballymacarbry, Rachel Beckett Mount Sion, Clodagh McGovern, Abbeyside, Tara Lee Weldon Kilmacthomas and Sarah Flavin St. Olivers. Congratulations and well done girls.

## Shamrock's Win Minor (B) Football Title

### SHAMROCK'S 2-12 STRADBALLY 1-8

At Cappoquin on Wednesday evening last, Shamrock's captured the Jim Ryan/Greg Fives sponsored Divisional Minor (B) Football Title when they defeated Stradbally by 7 pts. in an excellent contest. To be fair to Stradbally the final score line did not do them justice as they only trailed by 2 points as the game went into injury time. Only a point in Shamrock's favour 1-6 to 1-5 separated the sides at half time with both goals coming in the opening 8 minutes of the match. Firstly Stradbally's Stephen Lawlor found the net after

only 4 minutes of play to put his side 1-1 to 0-1 in front before Noel Smith had a similar Shamrock's score in the 8th minute to put his side 1-2 to 1-1 in front. The sides were level at 1-4 apiece after 24 minutes before William Henley and the brilliant Paul O' Brien pointed to put Shamrock's back in front but on the stroke of half time, Eoin Cunningham converted a Stradbally free to leave his side adrift by one point at the break. Cunningham was off target from two frees in the opening 3 minutes of the second period before

Ml. Walsh converted a free and scored a great point from play to put Stradbally back in front. Shamrock's got on top for some time after this with Pádraig Tobin's effort coming back off the cross bar and his side kicked 3 wides in a two minute period. Points from Tobin, Ml. Keating (free) and Henley saw Shamrock's lead by 1-9 to 1-7 with 10 minutes of normal time remaining. During this period both sides were denied goals by two excellent keepers who were in excellent form over the hour and could not be fault-

ed for any of the goals. Stephen Lawlor pulled a point back for Stradbally in the 51st minute to cut the deficit to the minimum.

The Shamrock's attacked in numbers, only to see a Ml. Keating effort come back off a post, which saw Stradbally counter attack with an overlap but a pass went astray at a vital stage. On the stroke of normal time Shane McCarthy pointed to leave his side two ahead before the winners hit a scoring purple patch in injury time. John Kelly pointed, Paul O' Brien had a goal and William Henley added a point to see Shamrock's secure their place in the Co. Final.

Scorers for Shamrock's; P. O' Brien 1-4, W. Henley 0-4, N. Smith 1-0, M. Keating, S. McCarthy, P. Tobin 0-1 each.

Scorers for Stradbally; S. Lawlor 1-1, E. Cunningham, M. Walsh 0-3 each, M. Condon 0-1.

Shamrock's — F. O' Callaghan, T. Goulding, M. McGrath, T. Baldwin, A. Kelly, T. O' Donovan, W. McDonnell, D. O' Brien, P. Tobin, P. O' Brien, W. Henley, K. Keating, N. Smith, D. O' Neill, J. Kelly. Sub; S. McCarthy for McGrath.

Stradbally — T. McGrath, R. Kirwan, R. Halpin, C. Coffey, P. Doyle, J. Halpin, D. Doyle, M. Condon, E. Cummins, T. Weldon, M. Walsh, M. Casey, E. Cunningham, R. Fennell, S. Lawlor. Subs; L. O' Donnell, Clashmore.

After the game, Board vice chairman Tom Cunningham presented the trophy to the victorious captain Thomas O' Donovan.

## Last Minute Pointed Free Shades It

**BALLYDUFF/BUTLERSTOWN 2-7 RATHGORMACK 2-6**

Combined parish side Ballyduff/Butlerstown had some measure of compensation for their hurling defeat at the hands of Mount Sion seven days earlier, when they lifted the Eastern Minor Football (A) title for the first time ever at Portlaw on Saturday afternoon last, on the basis of a solitary point win over firm favourites Rathgormack. This was a surprise victory and it suggests that the winners are now going to make a bold bid for county honours as well. Rathgormack lacking the services of out of bound Aidan Power seemed to be coping with their loss, when they had slightly the better of the exchanges in the first half and led by 2-2 to 1-3 at the half way stage. They of course got off to the perfect start with a goal from N. Hunt direct from a penalty in the opening minute, and they maintained their lead for all of the first half. They had their second goal after thirteen minutes from the highly influential Edmund Hogan, but

centre forward D. Carlin pulled one back for the ultimate winners almost immediately.

The change of ends brought a freshness into the Ballyduff/Butlerstown play, that Rathgormack were clearly struggling in the early stages. Within five minutes they had forced equality and to the delight of their followers substitute Brian Power struck for a telling lead goal five minutes later. Courageously Rathgormack came back to level, thanks to excellent points from their midfield pairing P. Whelan and E. Hogan and a further exchange of points involving the last mentioned and Stephen O' Leary left the situation still deadlocked with three minutes remaining.

Just when it seemed that the issue would have to go to a replay, Ballyduff/Butlerstown snatched the vital match winning point a minute from time, when the unerring delivery from a free by Stephen O' Leary helped his side to a historic victory, and put their name on the "Munster Express" trophy for the very first time.

# Waterford's Historic Football Win As Seen Through The Eyes Of A Meath Man

THE FOLLOWING IS THE FULL REPORT OF THE ALL IRELAND JUNIOR FOOTBALL FINAL TAKEN FROM THE "MEATH CHRONICLE" OF AUGUST 16

## Waterford Class

### Meath Gift For Gallant Munstermen

BY CONALL COLLIER

WATERFORD ..... 2-12

MEATH ..... 2-11

One hundred years after they appeared in their first All Ireland J.F.C. final, Waterford went one better and won the title in sensational style at O'Moore Park, Portlaoise on Saturday evening as Meath gifted the trophy to the Munstermen deep into injury time.

Waterford thoroughly deserved to win. They punished sloppy play from the Royals and their spirited performance warranted this success which their supporters wanted desperately.

Close to 4,000 fans helped to generate a carnival atmosphere at the Laois venue and the importance of the competition to each county was reflected in the fact that Meath boasted scarcely 500 enthusiasts.

This decider was important to the Meath players, officials and those interested enough to travel, but the passion and pride which was generated by the hordes of Waterford supporters helped to sustain the players when Meath took complete control in the third-quarter.

The Royals fired six unanswered points in an eight minute spell for a 2-9 to 2-6 margin and with 10 minutes remaining were 2-10 to 2-7 ahead and had the game won.

#### AMAZING

But it's amazing what the scent of the winners enclosure will do, especially if you have been waiting 100 years to gain entry.

With chants of Waterford, Waterford echoing around the ground, manager John Kiely rolled the dice for the last time and introduced substitutes Ger Walsh and Karl O'Keefe.

Ger Walsh, a brother of intercounty hurler and centre-back, Pat, sprayed the ball around and ignited a revival which will be talked about in the south east well into the next century as his side finished in style.

Waterford also started at a blistering pace and had the ball in John Curry's net inside 30 seconds from Connie Power, but Meath replied instantly when John Carey found Mark Crampton who fired past Alfie Kirwan to level. All this in a minute and a half.

MATCH FACTS						
	Goals	Pts	Wides	Frees	Slines	45s
First Half						
Meath	2	3	6	8	0	1
Waterford	2	5	3	10	6	0
Second Half						
Meath	0	8	0	18	0	0
Waterford	0	7	3	7	4	0
Total						
Meath	2	11	6	26	0	1
Waterford	2	12	6	17	10	0

And it got better as both teams served up one of the finest games of football I've witnessed. This game had everything, plenty of scores, loads of skill, super saves and goal-line clearances and an enthusiastic crowd.

#### PETER FERNCOMBE

Waterford's free-taker Peter Ferncombe traded a brace of points with Carey and it was level, 1-2 each, at the end of the first quarter. Ferncombe added another point and then rifled to the net before county hurler Peter Queally, sent over from play for a 2-4 to 1-2 margin.

Meath coach Eamonn Barry sent on Stephen Murphy at the expense of Martin Briody and Carey's free reduced the deficit in the 22nd minute.

Then Carey went deep to win possession and his long pass found Crampton who centred and Paul Nestor finished to the net which left Meath trailing by 2-3 to 2-5 at the interval.

Ballivor's James Mitchell replaced Niall Walsh at half time, but sloppy Meath play gave Shane Bergin a point opportunity shortly after the resumption.

Then Meath began to impose themselves and points from Crampton (three), Carey (two) and Fergus McMahon catapulted them into the lead 2-9 to 2-6 by the end of the third quarter. Waterford were backpedalling furiously at this stage and could only muster a solitary Ferncombe point from a free before his departure.

Carey sent Syddan's Shay Duff clear on goal, but Kirwan produced a superb save and kept the game alive

though McMahon sent over another free.

Waterford substitute Ger Walsh was denied a certain goal when Carey covered superbly and cleared off the line, but three unanswered points from Power drew the sides level, 2-10 apiece, with four minutes remaining.

Meath weathered the storm and Carey pointed them in front again from a free in the 30th minute and it seemed all over, but Waterford launched an injury time raid, after McMahon lost possession, which yielded an equaliser from Power's free.

We were all waiting for the final whistle when Waterford were awarded a sideline and Power picked out corner back David Ryan, son of the county chairman, who ghosted past the Meath defence and scored the most historic point in the history of Waterford football.

It was the right result for the G.A.A. and for football in Waterford, but that didn't make it any more palatable for a dejected Meath team which produced their best football of the campaign in what was a hugely entertaining spectacle.

Carey was Meath's most impressive performer while Peter Curran, Nicky Horan, John Cullinane, Enda Grogan and Crampton were also to the fore.

McMahon passed a late fitness test and displayed great bravery, but he will not have pleasant memories of this game and Ian McMahon was forced to watch from the sideline with a heavily bandaged arm which ruled him out of the contest.

## Croke Park Regulations Have Not Filtered Through To Portlaoise

Croke Park regulations to stay off the pitch hadn't filtered through to Portlaoise by the time Roscommon referee Haulie Beirne ended Saturday's All Ireland JFC final between Meath and Waterford at O'Moore Park writes Conall Collier.

And maybe it was just as well, because the stewards would have had a very difficult job trying to curtail the enthusiastic Munster supporters who invaded the arena to savour the moment that had taken a century to materialise.

Waterford had just beaten the Royal County in sensational style in a thrilling decider and back-slapping was the main course on the menu.

Meath players and officials grouped together in the middle of the pitch around the 45-metre line and watched the presentation ceremony unfold.

"It's a pity there had to be a loser this evening. This was a wonderful exhibition of football in the All Ireland junior football final," commented G.A.A. President Joe McDonagh.

"It's a truly historic occasion for the G.A.A. and for Waterford, especially for those who promoted football in the county through the dark days when no one was too interested. The famine is over," he added.

Back in the Meath dressing rooms the mood was sombre as the players reflected quietly on a game they could have won.

A few doors away, Meath coach Eamonn Barry paid tribute to the Waterford players in the customary after-match visit to the winners dressing room.

Waterford manager John Kiely eventually reciprocated the gesture and he was generous in his praise for

Barry's magnanimous speech towards the newly crowned champions.

Afterwards Barry expressed his disappointment to the Meath Chronicle.

"I'm very disappointed that we didn't win that game. We had the game won and we let it slip. We made two or three basic mistakes and it cost us the title," he said.

"You've got to admire Waterford for their tremendous spirit and the way they fought back and got a great equalising point and a tremendous winning point."

"But we could have held on when we took the lead in the 30th minute and it was terrible to lose it.

"I thought when Waterford equalised the referee would blow the full-time whistle, but he played on and we were caught napping from the sideline," he concluded.

## Ardmore G.A.A. Notes

### SENIOR FOOTBALL

Our first round conquerors St. Saviours were themselves ousted from this year's championship by Stradbally, who also put us out last year. This shows that we are still a little bit off the top standard but with each year we will hopefully mature football wise. We now have to retain our senior status and hopefully this game will be played sooner rather than later.

### MINOR FOOTBALL WESTERN FINAL

Having been away for the weekend, I was not able to compile the player profiles I had hoped for in this week's notes as I was not home in time. This Western final takes place on Saturday evening in the Fraher Field at 5 p.m. It should be a cracking game with Clashmore certain to provide a searching test for our young side. With five county minors in their side, including junior football and All Ireland winner Karl O'Keefe, Clashmore will enter this game as warm

favourites. In their semi final they were very impressive in beating Dungarvan while we accounted for St. Olivers. Regardless of the result those looking for a good game should be rewarded, so we hope to see all our supporters out in force to cheer on the lads.

### UNDER-14 FOOTBALL

Our under-14 footballers opened their account with a big win against the Brickies on Monday week last. On this Monday we will have played Kilrossanty who beat Clashmore in their first game. We will be hoping to record another win and hopefully this will be the case. As with most county sides nowadays it will come down to who has the strongest tail on their team as their first ten on every side seem to be well balanced.

### UNDER-14 HURLING

Well done to Maurice O'Connor who starred for the Waterford 'A' under 14 side in the Tony Forristal tournament in Waterford. The team were very close to making the breakthrough

this year.

### UNDER-15 HURLING

Some consolation for Waterford was their under-15's fine display in capturing the "Carrighdoun" tournament in Cork with our own Niall O'Brien having a great tournament, scoring 2-3 in the final.

Niall's sister Evelyn was not to be outdone however and she turned in a blinder for the Waterford girls in the Primary Game display in Parnell Park on Saturday last helping Waterford to overcome their Monaghan counterparts from her centrefield berth. We hope to have Evelyn back with us for the remaining games in the under-14 championship.

### UNDER-12 FOOTBALL WESTERN FINAL Ardmore 1-8 Abbeyside 4-6

Those who witnessed this epic encounter certainly got value for money as two gallant sides fought it out at the splendid Cappoquin venue on Thursday evening last. Victory in the end went to Abbeyside who availed of the goal chances which

came their way, while we scorned a few similar opportunities. We say well done to Abbeyside who were worthy winners, but we also congratulate all of our players who also put up a great performance. Many of these young boys will hopefully play together on Waterford teams of the future and if this year's standard is an indicator then Waterford can look forward to a good millennium football wise.

Our lineout was Declan O'Reilly, Pdraig Healy, Robert Faherty, Alan O'Brien, Shane Power, Paddy O'Donnell, David Hennessy, Brian Keane, Jack Revins, James Flavin (Piltown), Declan Barron, Darragh Harty, Chris Flanagan, Denis Flanagan, James Flavin (Monameen). Subs. — Edward Fitzgerald, Sean O'Mahony, Tomas Galvin, Anthony O'Mahony, Kyle Murphy, while Michael Fitzgerald and Danny Catterall were unavailable. Well done to all of the lads for their efforts this year.

Finally a special word of

thanks to the Cappoquin club who facilitated this game at very short notice. Groundsman Paddy Cahill and Ml. Murray had everything in splendid shape with Tommy Sullivan doing a good job refereeing, with Eddie O'Shea completing the Cappoquin contingent by making the after match presentation to Abbeyside captain Mark Ferncombe.

### SOME CONSOLATION

Five of this under-12 football side had some consolation when on the Saturday they represented Munster in Mosney. They qualified for the All Ireland final, but on Sunday they again came up against tough opposition and so had to settle for the silver medals which in itself is a great achievement. The five were Paddy O'Donnell, Jack Revins, Denis Flanagan, Brian Keane, Declan Barron who along with Conor Hurley and Richard Lynch who made up the seven who competed for Ring, Old Parish, Ardmore and Grange Community Games in indoor soccer. These young boys have won the under 12 hurling 'B' championship, were runners-up in the under 12 'A' football championship and were county and Munster winners and All Ireland runners-up in indoor soccer, proving that these young boys are talented at whatever sport they choose to play.

### YOUNG GUNS

17 of our under 8 and under 9 hurlers journeyed to Roanmore on Saturday last and each team played three games. They had a wonderful time and were well looked after by the host club Roanmore who as usual had everything in top shape. After their exertions the team were treated by Ardmore G.A.A. Club to a well earned meal in Mc-

Donald's before making the journey home. Well done to all the mentors, etc., for taking the time to make the trip.

### ROAD RACE

Some of our young boys and girls competed in the last of the Ger Wyley Series which was held in Ardmore on Friday last. As I was away I do not have the full list but I heard that we had great performances from Claire Ducey, David Hennessy, Sean Stilwell in the junior events, while Austin Flavin, John and Patrick Conway were in the successful relay side with Jason Lenane, Billy Harty and Alan North on the second team home. Well done to everyone and I am sure a full results service will be elsewhere in the paper.

### LADIES SNIPPETS

Our trip to Oyster Haven on September 18 is just approaching. Anyone who has not yet given their names and deposit should do so immediately as the final date for booking is September 9 which is Thursday, so don't delay get your name in today to April Hickey if you want to make the trip.

Training — For the junior ladies is on Thursday at 6.15 p.m. and all the girls are asked to attend.

Road Race — The ladies football club would like to thank everyone associated with the successful road race staged last Friday, especially our sponsors, Aidan Quirke for the use of his premises and the local G.A.A. club for their assistance on the night.

Well Done — Congratulations to Mary O'Donnell and the Waterford ladies footballers on their fantastic win over Monaghan on Saturday. Best of luck to all in the final. — P.R.O.

## St. Mary's/Sliabh gCua G.A.A. Notes

### INTERMEDIATE HURLING CHAMPIONSHIP

Fraher Field was the venue where we played Ring in the Western semi final on Saturday evening last. We began very well and after 20 minutes we were in the lead by 0-5 to 0-1. Ring then scored a goal which brought them back into the game. We trailed at half time by 1-4 to 0-6. Tomas Condon scored a goal straight after half time. Scores were hard to come by in the second half and then Ring scored their second goal to go ahead by two points. Time was almost up when Tomas Condon scored a second goal a minute into injury time. This put us a point ahead and secured us a place in the Western final.

Final score St. Mary's 2-7 Ring 2-6.

Team — R. Ware, D. Meaney, S. Kearns, P. Condon, J. McGrath, P. Hallinan, J. Hallinan, I. Dunford, D. Whelan, K. Hallahan (0-2), D. Kiely, J. P. Fitzpatrick (0-2), A. Fitzpatrick (0-2), T. Condon (2-0), E. Lonergan (0-1). Subs. — J. Connors, J. Lawlor, P. Corcoran, E. Condon, B. Whelan, Q. Hickey, A. Lonergan.

### JIMMY O'KEEFFE CUP

On Sunday evening in Kirwan Park we played Kilrossanty in the Jimmy O'Keefe Cup. This was a hard and close game of football which we managed to win by two points. After the game our club president Ned Burke presented our captain Ian Dunford with the cup. Later in Dunford's Bar John Dunford presented the socks. We would like to thank Paddy Walsh, Fourmilewater, who refereed the game.

## Dungarvan G.A.A. Notes

### UNDER-14 FOOTBALL

Our U-14 Footballers opened their campaign against Ballinacourty at Abbeyside on Tuesday, 31st August. Preparations for this competition have, to say the least, been far from ideal. With training sessions poorly attended due to a combination of laziness and lack of interest, trying to gather up a panel was to prove a tough task. However, we did manage to muster up a crew and it was a determined fifteen that set out to try and retain this championship for the third successive year. We couldn't have started better. Within minutes the ball, having come back off the upright, fell into the hands of an alert Kevin Stack who duly shot to the net.

Ballinacourty responded instantly and soon had our backline under pressure. Four successive points followed before an Ian Prendergast point levelled the match for us. Two further Ballinacourty points followed when disaster struck. Some dithering in our defence led to a punched goal. We were to respond immediately when Jonathan Regan shot a fortuitous goal from long range.

A Trevor Moore point soon followed and there was just a point between us. Three further Ballinacourty points resulted before another Ian Prendergast point left the half time score at 2-3 to 1-9.

Our line for the second half was somewhat strengthened by the introduction of the late-arriving Danny O'Brien. However,

before we had time to settle, we were to fall a further point adrift. We responded with two further points of our own from Trevor Moore and Brian Cliffe to leave just two points between us. Again misfortune was to strike us as goalie James Winiers had the misfortune to see the ball lobbed over his head and into the net. Our backs were certainly to the wall now and with just ten minutes remaining we were now five points down.

However, we now were to enter our purple patch. A foul on Brian Cliffe resulted in a penalty which Trevor Moore blasted to the net. Minutes later the hard working John O'Keefe, back working in the defence, gathered the ball, set it off to midfielder Jonathan Shaw who immediately shot it in to corner forward John Paul Tutty who was clear on towards goal and he blasted to the net.

Incredibly, having played second fiddle for the whole match, we were now leading by one point: 4-5 to 2-10, with only four minutes remaining. Another score would be vital but we were guilty of some poor shooting and couldn't stretch our lead. Still, it was only a matter of keeping our heads but this we failed to do. Some poor tackling led to a Ballinacourty free on the 20 mtr. line. The equaliser.

Another indiscretion led to a free on the 40 mtr. line which we decided to contest with the referee who duly brought the ball forward to a more favourable position. The lead point. Into injury time and a further Ballinacourty point after a solo more akin to a

basketball court. The insurance point.

The final whistle blew soon after, leaving us defeated by 4-5 to 2-13.

Our next game is against Clashmore on this Wednesday night at 7 p.m. at Clogherane and our third game will be against Ardmore in Ardmore on Monday, 13th September.

### MINOR HURLING

At the Fraher Field on last Wednesday evening our minor hurlers played St. Olivers in the divisional semi-final. From the throw in exchanges were close with both sides opening their scoring with a goal apiece. As the half progressed Dungarvan gained some dominance leaving the score at the break Dungarvan 3-5, St. Olivers 1-3.

In the second half defences dominated with both sides managing to add only three points to their respective half time tallies. Full time score: Dungarvan 3-8 St. Olivers 1-6.

During the game Shane O'Brien and Mark Shanahan received injuries, and we wish both a full and speedy recovery.

An Foireann: D a n e Power, Alan Kennedy, Pat Veale, Sean Walsh, Damien Power, John Veale, Raymond Kirby, Mark Shanahan, Shane O'Brien, Johnny Healy, Seamus Cunningham, Stephen Sheridan, Ricky Tobin, Brendan Wright, Eddie Fitzpatrick, Tomás Mulcahy, Paul Power, Keith Radley, John Keohan, John O'Donnell, Paul O'Connor.

Due to the amount of injury problems we have we sought a postponement of one week from the Board but our request was refused.

We now take on Tallow in the divisional final. The game is scheduled for tonight Wednesday September 8th at the Cappoquin venue. Throw in will be at 6.30 p.m.

### U-8/U-9 HURLERS IN ROANMORE TOURNAMENT

Our U-8 and U-9 hurlers travelled to Waterford last Saturday to play in Roanmore G.A.A. Club's annual Charity Tournament. Our U-8 team were in a group with Slieverue from Kilkenny, St. Martin's from Wexford NS and Brickey Rangers from Waterford.

Our first game was against Slieverue and proved to be a close contest with the final score 4 goals to 3 goals in our favour. Our second game against St. Martin's from Wexford was a thrilling contest with the sides level at half time, 1 goal apiece. The second half saw the Wexford boys take the lead but Dungarvan responded with a late goal to level the scores once again. The final score was: St. Martin's 2 goals, Dungarvan 2 goals.

Our third and final game was against neighbours Brickey Rangers. After a slow start the boys got the upper hand in the second half to run out convincing winners 3 goals to nil.

Our U-8 hurlers had maintained their unbeaten run throughout the tournament and succeeded in winning their group. Waterford Senior Hurler Paul Flynn presented the boys with their medals and congratulated the boys on their success.

Our U-8 Panel in Roanmore was: Peter Marriott, Stephen Troy, Daniel Sheridan, Kenneth Moore, Colm Curran, Craig Flynn, Shaun

Crotty, Luke Egan, Brendan McCarthy, Sean Ryan, Michael Daly, Ian Sheehan, Tomás Denmead.

Our U-9 hurlers were in a group with Waterford Clubs Ballygunner, Ballyduff Upper, and St. Saviours.

Our first game was against a strong Ballygunner side who were the outstanding team in our group. We played very well in the first half but failed to convert our many chances into scores. At half time we trailed by 1 goal to nil.

The second half saw Ballygunner increase their lead despite a gallant effort from the Dungarvan boys. The final score was: Ballygunner 4, Dungarvan nil.

Our second game was against Ballyduff Upper and the boys played much better hurling, running out comfortable winners on the scoreline 5-0.

Our third and final game in the group was against St. Saviours which was a competitive game with outstanding displays from both teams. Dungarvan finished the stronger team winning on the scoreline 2 goals to 1 goal. The U-9 team finished in second place in the group and played well throughout the tournament, losing to the eventual winners Ballygunner.

Our U-9 Panel was — David Moore, Derek McGrath, Tony Walsh, Cormac Curran, Neil Fitzgerald, Liam Ryan, Sean Duggan, Kevin Sheehan, Luke Martin, Alan Murray.

Our thanks to the Roanmore Club for their invitation to take part in their very well organised tournament in aid of charity.

Best wishes to Killian O'Dwyer, Hillview Drive, one of our U-10 hurlers

who injured his leg recently. All your friends wish you a speedy recovery, Killian.

**Ballygunner 1-18  
Lismore 0-13**

After 50 minutes only a goal separated these old rivals and this very entertaining semi-final was still very much in the balance. Ballygunner, who came here as slight favourites, still held the three points advantage which had separated the sides at halftime

It was in the closing ten minutes that Ballygunner finally took control and went into a flattering nine points lead before the game ended.

The disappointing feature of Lismore's performance was the failure of their forwards to avail of the many scoring chances which came their way, particularly in the third quarter. At the same time it will be conceded that were it not for the brilliance of goalkeeper Brendan Landers who brought off three spectacular saves, the 'Gunners would have had a greater winning margin.

A crowd in excess of 3,000 was present for this game which was played in brilliant sunshine and on a calm afternoon. A great atmosphere pervaded the ground as the teams took the field and the crowd in expectation of a thriller greeted their appearance on the field.

Ballygunner were first to score and Paul Flynn's point gave them a first minute lead. Sean Daly equalised in the 3rd minute before Landers brought off a tremendous save from Flynn. Dave Bennett had a point to put Lismore into the lead, but Tony Carroll brought the sides on terms again. Points by Paul Flynn and Billy O'Sullivan strengthened the 'Gunners grip on the game. Points by David O'Gorman and Sean Daly brought the Western team battling back into contention. A splendid Dan Shanahan point narrowed the gap further before Flynn and Mick Mahony came back on target. The half ended with a Dave Bennett point to leave the score at 0-9 to 0-6.

## SECOND HALF

It started at a blistering pace and a reshuffled Lismore line out put them into control, so much so, that within five minutes they were on level terms. Dave Bennett pointed a free and two splendid scores by Paul Prendergast and Sean Daly had the scoreboard reading 0-9 to 0-9.

Now it was all to play for.

The Lismore cheering intensified when a Dave Bennett pointed free sent them into the lead just on the 40th. minute. Paul Flynn equalised in the 45 th minute and when Billy O'Sullivan sent the ball to the net for Ballygunner after being supplied by Flynn in

the 48th minute, the favourites came storming back into the game. Lismore brought the gap down to a goal in the 50th minute but after this Ballygunner were to add a further six points as against just one for the Western challengers.

## JUNIOR HURLING CHAMPIONSHIP

# Clashmore Win Exciting Replay

**CLASHMORE 2-11 KILGOBNET 1-10**

This was a splendid game of junior hurling and while Clashmore were worthy winners, many in the very big crowd were sorry that Kilgobnet had to leave the championship scene at this stage.

Kilgobnet had a great first half and were fully deserving of their 0-7 to 0-3 half-time lead.

Kevin Walsh (4) and Michael Walsh, M. Flynn and R. Lynch were their scorers, while Michael Shalloe had 2 points from frees and Stephen Barron a point from play for Clashmore.

In the second half Karl O'Keefe had a goal for Clashmore within a minute of the restart. Kevin Walsh replied with a Kilgobnet goal within 2 minutes and after this it was tit for tat on

the scoreboard, until a Michael Shalloe goal in the 40th minute sent Clashmore into a strong challenging position.

A penalty shot taken by Kevin Walsh in the 51st minute went over to leave just a single point between them, but the winners finished the stronger and sent over three points without reply.

Clashmore — S. Budds, B. Dunne, J. Kelly, B. O'Neill, K. O'Rourke, E. Beresford, S. McGrath, S. Barron, M. Fenton, M. Costin, K. O'Keefe, D. Fitzgerald, G. O'Rourke, M. Shalloe, S. O'Rourke. Sub — M. Hynes for G. O'Rourke.

Walsh, T. Burke, M. Hurley, A. Fitzgerald, K. Walsh, M. Flynn, K. Walsh, R. Lynch, P. Lynch.

Scorers — Clashmore — Walsh 1-5, R. Lynch 0-2, M. Shalloe 1-7, K. O'Keefe 1-0, S. O'Rourke 0-2, S. Barron, J. Salmon 0-1 each; Kilgobnet — K.

Walsh 1-5, R. Lynch 0-2, M. Flynn, A. Fitzgerald, M. Walsh 0-1 each. Referee: Pat Moore, Abbeyside.

## IHC Semi-Final Abbeyside v. Shamrocks In Cappoquin

This will be a contest to find the opponents for St. Marys in the divisional final and if it compares with the first semi-final on Saturday last, then supporters at the Cornerstone venue will certainly get good value.

Meetings between Shamrocks and Abbeyside have invariably provided exciting stuff and this time round it will be no exception. Abbey-

side had a decisive win against Colligan in the first round, while Shamrocks may have been a shade lucky to account for Dungarvan who failed by a single point to earn a draw.

Abbeyside will be under pressure to survive this one as they will have to field without Sean 'Hiker' McGrath who will be in the USA, John Foley and possi-

bly, their top scorer, Mickie Enright who has been unable to train since the Colligan match because of a wrist injury. Without players of their calibre they will certainly find it difficult to meet this challenge. Shamrocks led as usual by old faithfuls, Liam Dalton, Dan Casey and company, would appear to be in this game with the better chance.

SENIOR FOOTBALL CHAMPIONSHIP

# Stradbally Dethrone The Champions

STRADBALLY 2-13 ST. SAVIOURS 1-7

A nine points winning margin was a fair measure of Stradbally's superiority in this quarter final game of the senior football championship at Fraher Field on Sunday last. Although the champions came well into the game in the final ten minutes of the first half, they really had no answer to Stradbally's speed and superior teamwork. All through the game, Stradbally played as a team, St. Saviours played more as individuals. Stradbally stayed in front all through the second half, but they did not take their commanding lead until the final ten minutes.

It was certainly a fine display by Stradbally, but whether it is good enough to win them the title is a question that must remain unanswered for a while yet.

Saviours never hit last year's form even though they did get on terms on two occasions in the first half, at the end of which, Stradbally led by 0-8 to 1-3. Six of Stradbally's points were scored by Nial Curran, Saviours (who did not score until the 21st minute), had their goal in the 22nd minute when Albert Healy sent a Tony Corcoran cross to the Stradbally goal.

The second half was only three minutes in progress when Nial Curran had the ball in the Saviours net. Trevor Costello had their second goal in the 56th minute, but at this stage Stradbally were already through to the semi-final.

Scorers — Stradbally — N. Curran 1-7, T. Costello 1-2, S. Cunningham 0-2, E. O'Brien 0-2; St. Saviours —

T. Corcoran 0-5, A. Healy 1-0, D. Wyse and M. Corcoran 0-1 each.

Stradbally — K. Cunningham, K. Coffey, T. Walsh, O. Costello, S. Keane, G. Walsh, L. Walsh, T. Costello, J. Hearne, J. Coffey, G. Power, T. Curran, E. O'Brien, S. Cunningham, N. Curran. Sub — E. Clancy for S. Keane.

St. Saviours — P. Houlihan, B. Power, A. Power, A. Jacob, M. O'Brien, M. Corcoran, K. Murphy, I. Stenson, J. Walsh, D. Murphy, T. Corcoran, T. Higgins, L. Quilty, D. Wyse, A. Healy. Sub — E. Hartley for L. Quilty.

Intermediate Hurling Semi Final

## Condon's Last Gasp Winner

ST. MARYS 2-7 RING 2-6

I have no doubt but that Ring will agonise over this defeat for a long time to come. After 60 minutes of a splendid hurling contest, the Gaeltacht team were in front and looked to be safely into the divisional final. At this point Ring led by 2-6 to 1-7. A free awarded to St. Marys and taken by J. P. Fitzpatrick was cleared out to the sideline, crossed back into Thomas Condon who sent it to the net for the match winning score in the 62nd minute.

The game itself was a thriller as a contest and it was a pity that there had to be a loser. At halftime Ring led by 1-4 to 0-6, the goal being scored by Pdraigh Breathnach in the 20th minute.

The second half goals were scored by Thomas Condon and Carthach Mac Craith in the 32nd and 49th minutes, before Condon's 62 minute match winner.

St. Marys — R. Ware, D. Meaney, S. Kearns, P. Condon, J. McGrath, P. Hallinan, J. Hallinan, I. Dunford, D. Whelan, K. Hallahan, D. Kiely, J. P. Fitzpatrick, A. Fitzpatrick, T. Condon, G. Lonergan.

Ring — G. Keane, E. McGrath, L. Curran, E. Breathnach, C. Breathnach, D. Breathnach, S. Harty, E. Curran, S. Fitzgerald, T. Kiely, E. Crotty, C. Breathnach, K. O'Connor, C. Mac Craith, S. Mac Craith.

## SENIOR FOOTBALL CHAMPIONSHIP

# Nire v Kilrossanty Game Should Be A Thriller

This will be regarded as one of the high profile senior football championship games of the current season and there is understandable surprise that such a 'plum' game is fixed for the evening of an All Ireland final. It is a break with what has been Board policy for a long number of years and is certain to meet with the approval of the vast majority of supporters, who will not be in Croke Park in any case.

Also it is indicative of the

pressures that the Board are under in an effort to get the championship completed on schedule and well in advance of the commencement of the national league. It may set a pattern for the future.

Rivalry between the Nire and Kilrossanty goes back for a few years and between them they have produced a record number of close finishes. They are certainly among the leading football clubs in the championship and each is strongly in con-

tion.

The Nire will be striving to regain the title which they held until surprisingly beaten by Rathgormack by just a couple of points in the quarter final last year.

Kilrossanty, on the other hand, will be attempting to make amends for last year, when after disposing of their traditional rivals, Stradbally, by a single point (1-6 to 0-8) in a thriller, before their agonising defeat by St. Saviours in the county final (1-10 to 1-9).

Overall, there will be about half the junior county panel in action here and this should help to 'up' the standard quite a bit. All nine members of the Nire group including, Connie Power, David Ryan, Michael Byrne, Pat Walsh, etc., will be available, as will, Alfie Kirwan, Roger Power, Jacko Kiely, etc., from Kilrossanty.

I have no doubt but that it will be one of the better matches of the championship. There will be very little (if anything) between them at the end. I have a slight fancy for the Nire to survive.

## All-Ireland Hurling Final Should Be A Classic

It has all the ingredients of a classic and every GAA person who was not fortunate enough to get a ticket for the game, will be glued to the 'box' for an exciting hour and a half on Sunday afternoon. It should be a mighty game of spectacular hurling.

Cork have 27 All-Ireland titles (two ahead of Kilkenny) and while Kilkenny (who lost out in last year's final to Offaly), will be attempting to narrow the gap, the Munster champions, Cork will be trying to increase their lead to three.

We can look forward to meeting both in the national league next year.

If all the Waterford tickets are used by Waterford people, we will have about 550 representatives in the stadium.

## YOUNG HURLING PROSPECTS SEEN LAST WEEK Kilmacthomas Boys N.S. Currabaha

For our first young hurlers of this term we feature two boys from this school in Currabaha. Over the years some fine hurlers came through the hurling scheme, Michael Power (St. Mary's) is an excellent hurler and has played for East Waterford U-16 and county teams at U-14 and U-16. When Waterford U-14's won the Sonny Walsh trophy their star forward was Mark Giles who also learned the basics here and won an All Ireland Feile medal with his club De La Salle. This school is totally organised on coaching days.

Pat Kennedy, 9 Yrs Old Rang 3 — Pat lives at Kilnagrange and he is making steady progress at hurling. Plays under age with Kilrossanty and said the highlight of the summer holidays was the hurling camp at Leamybrien when he met Peter Queally. Always well behaved and interested at coaching sessions.

Bill Keane 10 Yrs Old Rang 4 — Bill lives at Fahafeelah and is tall for his age. His favourite hurler is Brendan Landers, Lismore. He says Cork will win the All Ireland on Sunday and thinks Donal Og

Cusack will do the business in goal, he said he would stop turnip seed. I don't know about the turnip seed but an old time goalie from the Ballinroad area said his training consisted of standing in a cow house door and slapping the swallows going into the nest.

## Top Forwards on View Next Sunday

Think of D. J., Sheflin, Carter, Deane, McGrath O' Connor, McCarthy, McEvoy etc. all star forwards who know where the posts are. But they all have a long road to travel before they catch the legendary Eddie Keher who scored 7 goals and 77 points in All Ireland finals from around 1959 to 1975.

Well done to the Waterford girls on reaching another All Ireland final with a gutsy display. Camogie All Ireland - What a display of skill Tipp and Kilkenny served up last Sunday.

## Next Week's Coaching Dates

Monday September 13th Abbeyside N.S.  
Tuesday September 14th St. Joseph's N.S.  
Wednesday September 15th Fews/Kilrossanty. Thursday 16th, Sean Phobal/Kinsalebeg. Friday 17th Glenbeg/Carriglea.

# COUNTY BOARD MEETING

The September meeting of the County Board will take place at Lawlor's Hotel on Monday night next at 7-30 p.m. The appointment of the new senior hurling selectors is the main item on the agenda and at the moment there is county-wide interest in the matter.

As far as I am aware, the number on this occasion will be four in addition to Gerald McCarthy and while rumour has it that there will be two from the east and two from the west, there seems to be no confirmation of this. The outgoing two selectors, Greg Fives and John Galvin were not interested in seeking re-election. The recommendations will come from the officers, but the county board, whose responsibility it is to appoint selectors, have the right to accept or reject the recommendations.

Also, it is likely that the delegates will be given a report of the situation in regard to the payment of the club contributions to the Development Fund Debt, etc.

# WESTERN BOARD MEETING

Padraigh Breathnach, Chairman, presided at last week's meeting of the Divisional Board, which was held at Lawlor's Hotel.

The attendance was disappointing with less than ten clubs represented. This lack of interest in board administration was commented upon and while it may have something to do with the fact that a lot of clubs are now gone from the championship race, they are nevertheless a part of the board. Not too long ago, complaints were made that not enough meetings were being held.

## SUSPENSIONS

Suspensions were imposed as follows: Olan Casey, Brickey Rangers, six months; Carthach Mac Craith, An Rinn, one month; Pat Cunningham, Abbeyside, one month.

The Runai gave a progress update on the championships and said that while the situation was satisfactory, the board could not entertain any further applications for postponements, if the finishing dates were to be met.

## Senior Hurling Co. Final

The senior hurling county final involving the reigning county champions, Mount Sion and challengers, Ballygunner will be played at Walsh Park on Sunday, September 19th.

It is thought to be unlikely that the minor county final between

Mount Sion and Dungarvan or Tallow, will be played as the curtain raiser because a couple of Mount Sion players will be involved in both.

# Well Done To The Waterford Ladies

On Sunday, it was difficult to find some one who was not glued to television on Saturday afternoons watching the ladies bring more joy and pride to the county. It was a super display and it needed to be, as Monaghan were a very good team and certainly brought out the best in a very determined and spirited Waterford team. The hectic final ten minutes was described by the maestro, Michael Ryan, as the best that he had ever seen. We now all look forward to yet another great All Ireland final, this time against Mayo, when it is played at Croke Park on the first Sunday in October (if next Sunday's final does not end in a draw).
