## Cash Incentives For Millennium Projects

Waterford County Millennium Officer Tom Keith, of Dungarvan, pictured with Seamus Brennan T.D., Minister of State at the Dept. of the Taoiseach and Chairman of the National Millennium Committee. Mr. Keith has appealed to all local groups organising special events marking the year 2000, to take advantage of the cash awards of up to £4,000 on offer.

With just three months to go to the end of the year and what is expected to be the most widely celebrated New Year's Eve in history, the countdown is well and truly on to the big day and night. Already the cities and major towns have planned their street parties, in accordance with their size and the resources available and many smaller communities are hoping to mark one of the most significant calendar changes in some appropriate way also. In this respect, the Government, through its National Millennium Committee, chaired by Seamus Brennan, T.D., has made a total of £3 million available to Local Authorities for distribution as Millennium Events Awards. These cash awards are designed to assist local organisations, voluntary groups and special committees to mark and celebrate the Millennium in a way they see

## Tragic Weekend Road Accidents Claim Four Lives

Two separate road accidents over the weekend which claimed the lives of four people, have cast a wave of gloom over local communities in Youghal, Dungarvan and Stradbally. Extremely wet weather conditions leading to localised flooding played a significant part in both tragic accidents.

### HEAD-ON COLLISION AT KINSALEBEG

Gardai have cited the weather as a major factor in the fatal accident which claimed the lives of two young women and a man at Kinsalebeg on the main N25 Waterford/Cork road on Saturday, September 25th.

Two sisters, Stephanie

Kiely (23) and 18 year old Karena Kiely of Atlantic Park, Youghal were travelling to a hurling championship game in Dungarvan. They died instantly when their car collided head-on with another vehicle travelling in the direction of Youghal.

The driver of the second car, Ambrose Bell of Mary

Street, Dungarvan, had to be cut from his vehicle by Youghal fire brigade personnel before being removed by ambulance to Cork University Hospital where he remained in a critical condition until his death on Tuesday morning, September 28th. Mr. Bell, who was single, worked as a District Court Clerk in Youghal.

The two-car crash happened shortly after 3.30 p.m. on a straight stretch of

road between Piltown Cross and Youghal Bridge. Ambulances raced to the crash scene within minutes and though medical assistance was also on hand, the girls were pronounced dead.

Shortly before the crash there had been a severe thunderstorm in the area which resulted in flooding on many parts of the main road.

The two sisters, who are

### Question

My thirteen year old was seriously injured and is now in a wheelchair. Is there some tax allowance for parents in our situation?

### Answer

There is a tax allowance of £800 per annum called Incapacitated Child Allowance which can be claimed by parent(s) of a child who has a physical or mental disability and is unlikely to recover.

The incapacity must have arisen before the child reached the age of 21, or while he/she was in full time education. The allowance can be reduced if the amount spent by the parents on the child is less than £800. If the child has income of over £2,500 the allowance will be reduced by £1 for every £1 by which the child's income exceeds £2,500.

If a child is between 2 and 16 years of age and is so severely, physically disabled or handicapped as to need care and attention which is considerably greater than that normally required for a child of the same age then you should apply for the Domiciliary Care Allowance from the Health Board. The means of the parents are not taken into account but any income of the child is taken into account. From August, 1999 people getting Domiciliary Care Allowance may also be entitled to the Carer's Allowance.

You may also claim tax relief in respect of medical expenses incurred by yourself, your spouse and dependent children.

For further information you should contact your nearest Citizens Information Centre (list in Golden Pages).

# Dungarvan UDC To Combat Speeding "Trouble Spots"

Various areas in Dungarvan where speeding is recognised as an ongoing problem will soon be identified by a special committee to be set up by Dungarvan UDC.

The committee will comprise of UDC Chairman Lar Hart together with several officials and public representatives. Working in consultation with the Gardai, the committee will first identify areas where excessive speeding occurs and then try to combat the problem.

The matter was raised by Cllr. Hart at last week's Council meeting where he

put forward the notion of a special committee and a programme of traffic calming measures.

He said speeding is a very important issue for people in the town who want something done about it.

### SPEED CAMERAS?

Cllr. John Deasy pointed out that in the UK, the introduction of special speed cameras were found to have lowered the rate of speed in small towns. "Maybe it's something we could look at", he suggested.

### DRIVERS AT FAULT

According to Cllr. Damien Dillon, law enforcement plays a vital role.

He said the areas where speeding takes place are not at fault, rather the drivers themselves who 'won't wait for anyone to cross the road' and 'can't wait to get to their destination'.

Opposed to the notion of speed ramps, Cllr. Dillon said; "We've enough humps and hollows around the country besides introducing more and penalising everyone".

Cllr. Billy Kyne suggested that the Council set up a test

area and erect 'clever' signs advising motorists that the area is being monitored for speeding by Gardai.

"A bit of innovation and a mixed approach is what's needed", he claimed. "Painting 'Slow' signs on the road is not enough".

Co. Manager Donal Connolly said there is a growing demand for speed ramps but at the end of the day ramps involve a significant cost and can bottleneck traffic.

He had no difficulty in setting up a committee and arranging to meet with the Superintendent.

## UDC To Take Legal Action Over Incomplete Estate

As reported in a recent edition of the 'Leader', strong criticism has been voiced at the failure of Lanro Luxury Homes Ltd. to fully complete the GealgCua housing estate at Kilrush.

The Waterford based developers were issued with an

enforcement order by the Urban Council last May and were given two months in which to complete certain conditions at the estate which were attached to their original planning permission.

These conditions include gullies and the provision of public lighting which was

expected to be installed prior to the occupation of the estate.

Speaking at last week's Council meeting, Town Clerk Ray Moloney said the developers have failed to comply with the enforcement notice and the matter has now been referred to the

Council's solicitors.

The solicitors have been instructed to institute legal proceedings against Lanro Luxury Homes for non-compliance with the Enforcement Notice in respect of non-compliance with certain conditions of the planning permission.

A summons is currently being prepared and Mr. Moloney said the Council expect to get a Court Order from the District Court ordering the developers to complete the estate.

The CEO, Kieran Hefferan announced that the new building project for Meánscoil San Nioclás was progressing according to plan. Stage Two has now been completed and lodged with the Department of Education he informed this months meeting of the VEC. He told the members that preparation of the documentation for submission to the Co. Council for Planning Approval is the next step. He did not foresee any great difficulties here as Outline Planning Permission for the new school has already been acquired.

The progress to date was welcomed by all at Meánscoil San Nioclás and it was stated that an increase in pupil numbers this year has put existing facilities under pressure.

## Cronin Warns Of Traffic Hazard At Grange

Waterford County Councillor Tom Cronin has expressed disappointment that a speed zone will not be introduced at the five cross roads at Grange on the main N25 Cork/Waterford road.

The area was visited by an inspector from the National Roads Authority recently who recommended that there was no need for a speed limit as it was a rural area on a main national road.

However Cllr. Cronin said the cross roads junction at Grange parish church is extremely busy, particularly during funerals and mass times when traffic on the main road sometimes come to a halt.

He pointed out that the road also serves the turn off to Grange school, petrol pumps, a post office and the busy Glanbia site.

"I can see a major accident there if something is not done", warned Cllr. Cronin, adding that there have been several car crashes at the cross roads, many of which were unreported.

# Slugs? Get A Hedgehog!

**HAVE you noticed how many slugs there have been in the garden this summer?**

Young slugs hatch from eggs in summer and in damp conditions more survive to reach adulthood.

The slimy slug is one of the world's least popular creatures yet it shows no sign of being eliminated.

In favourable conditions between 20 and 80 slugs are feeding at night on every square yard of the average garden.

A scientist picked up nearly 600 slugs in a half-hour after dark. When he went over the same area five minutes later, he picked up another 500.

The average ash-black slug found in beech woods grows to 8 inches in length. Some measure more than a foot.

The large black slug is most common in gardens. Curiously, its colour varies between brown, red and yellow. There are even pure white ones.

It is this slug and the small garden slug that do so much damage to crops. But a number of species are harmless.

Some slugs have as many as 15,000 teeth. They lay their round milky-white eggs in batches of about 30 beneath the soil. After hatching, young slugs hibernate under stones or a foot or so beneath the soil

surface. Winter snow and ice doesn't usually harm them. Slugs return each day to the same sleeping place. They are inclined to leave a spot that is constantly disturbed. So gardeners should turn over such slug harbours as heaps of garden refuse frequently.

The champion slug destroyer is the hedgehog. Scientists worked for two years to find the best way of controlling slugs. They experimented with various chemicals and other possibilities.

Their final advice was: "Go and get yourself a hedgehog."

## JUNIOR ENCYCLOPAEDIA

### It's Enough To Set Tongues Wagging

Children do it — and even monkeys get in on the act. The thing they all have in common is sticking out their tongues.

They're not being rude, say experts, it's simply their involuntary reaction to stressful situations. Children, when they are asked to perform a demanding task like writing or drawing a picture, out pop their tongues. Monkeys, strange to relate, also fall prey to this habit when the going gets tough.

Recently researchers in New York have been getting their teeth in the tongue poking phenomenon. One case they encountered was that of an old lady crossing the road. When she was half-way across, the lights changed — and out came her tongue. The American team even studied pool-hall players and found that their tongues came out when they were steadying their cues for difficult shots.

As an experiment they asked a girl to sit on a front door step with a book. She would look up at every alternate passer-by. Whenever she did so, the person stared at generally put his tongue between his lips. In another experiment, students were handed examination papers with one page missing. Nearby was a supervising professor engrossed in a book. The students immediately got up to ask for the missing page — except when his tongue was shown. That made them hesitate.

In Ardmore, the go ahead was given to Ardmore Enterprise Co-op Ltd. for the erection of an enterprise centre at Farrangarret.

### MORE INFO SOUGHT BY COUNCIL

Meanwhile, additional information was sought by the County Council in

August from the Minister of Education & Science regarding a planning application for a Community School at Burgess Anchor, Lismore. The application also included the demolition of all buildings on site of the CBS school site, a PE hall, new entrance, vehicle turning circle and play areas.

More information was also sought from Blackwater Homes for the development of 41 units and site development works at Villierstown

### RECENT PLANNING APPLICATIONS

Calegreen Properties applied to the County Council last month for the erection of ten houses and associated site works at Ballinamona.

## Security Needed At Local Hospital Entrance

Dungarvan UDC have contacted the South Eastern Health Board and local representatives on the Board asking them to examine the possibility of providing security at the entrance to St. Joseph's Hospital, Dungarvan.

Raising the issue in the interest of security and safety at last week's meeting of the Urban Council was Chairman Cllr. Lar Hart who stressed that security is particularly needed there at night.

He said it was not right that people could walk in to the hospital grounds at night unchecked.

Cllr. Hart added that a number of cars parked at the hospital were recently interfered with and some cars were stolen and later returned in a 'sorry condition'.

His proposal was seconded by Cllr. Billy Kyne.

## 1999 Celtic Business Convention

On Sept. 9th the day dawned bright and clear on a calm Irish Sea at the Co. Wexford port of Rosslare, as Irish delegates gathered to board the Stena Konningtin Beatrix for the 1999 Celtic Business convention, organised by Waterford in

Business (WIB). A little apprehensive after the previous day's gale-force winds, the sixty strong Irish contingent, started the day with a hearty Irish breakfast, once aboard. Many had travelled from as far away as County Waterford and

Tipperary to attend, with others coming from Wexford and Kilkenny.

An innovative concept, it gave companies from Waterford, Kilkenny, Carlow, Tipperary and Wexford the opportunity to meet not only other Irish small businesses, but also to make new contacts for their businesses in West Wales. The concept of the convention was to bring companies together from both regions to take advantage of any potential opportunities on both sides of the Irish Sea.

The event, which was funded by Interreg 11, Waterford Leader Partnership Ltd. and AIB Bank, was part of an existing project operated by Waterford in Business which gives companies in the South East the opportunity to look at, and assess the potential for, their companies in West Wales. If opportunities are found to exist, WIB will then arrange for small businesses to travel to Wales to meet with potential contacts.

The morning's agenda comprised of a mixture of presentations on topics of relevance to SME's in the South East, and opportunities to meet other Irish companies to network and make contacts for future opportunities before the ship docked in the port of Fishguard, Wales.

At mid-day, on arrival in

Wales, the Welsh party joined the event, mixing well with the Irish companies and taking the opportunity to sit down and discuss possible cross border trading with their counterparts. The Irish companies, along with their Welsh colleagues received copies of the new 1999 Cross-border Business Directory (which lists details of Welsh and Irish SME's) after it had been officially launched by Ms. Serena Allen, Pembrokehire in Business. This second edition of the directory includes details of company listings, agencies and the supports they provide, along with regional information on South East Ireland and West Wales.

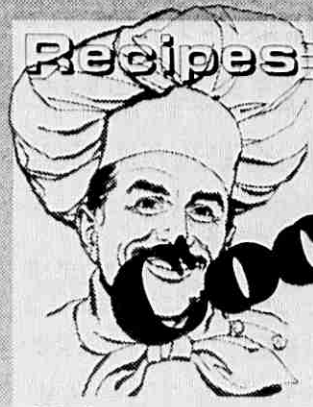

After a long day at sea, the companies departed upon docking in Rosslare, tired but happy. "Each company that attended today is individual", says Nicola Casey, Manager of Waterford in Business, "but I think that they were able to leave today with information that has potential for themselves and their business, and a better understanding of the opportunities that are available to them in Wales".

If small companies in the South East are interested in looking at business opportunities available to them in Wales, contact Waterford in Business for further information on Tel. 058 - 45300.

# Tasty roast pork and creamy cider sauce

SUCCULENT roast pork in a creamy sauce made with apple, cider and mustard is bound to be a favourite with the family.

## Ingredients:

Serves 4-6

1 1/2kg leg, shoulder or loin of pork, on the bone  
Cooking oil  
Salt and freshly ground black pepper  
2 onions, halved  
FOR THE SAUCE:  
2 red-skinned apples, cored and quartered  
Knob of butter  
150ml dry cider  
150ml chicken stock (cubes can be used)  
150ml double cream  
2-3 x 5ml sp coarse grained mustard

## Method:

Preheat the oven to 180°C/350°F, gas mark 4. To achieve crispy crackling on the pork, score the skin just deep enough to break through. Brush with cooking oil and sprinkle with salt.

Place the pork on the onions in a roasting pan and roast for about one hour and 20 minutes. To prevent the crackling becoming over-golden, loosely sit a piece of foil on top.

For the sauce, slice apple quarters into four slices. Melt the butter, sauté apples until golden. Increase the heat, pour in half the cider, reduce by half. Add the stock, reduce by half. Stir in the cream and mustard, bring to the boil. Simmer for 10 minutes until thickened, then season.

Remove pork from pan, set aside. Pour off excess fat, add remaining cider to pan and boil. Strain into the sauce. Carve the pork, removing the crackling to serve separately. Spoon the sauce over the meat.

**TOP TIP:** Chopped fresh sage added to the sauce introduces a complementary flavour.

Add the curry powder or crushed garlic and stir in the long-grain rice. Add some more water if required, then simmer for 30 minutes or until the rice is tender.

Serve with a selection of traditional Indian restaurant accompaniments, such as poppadoms, naan bread, mango chutney, hot lime pickle and thinly sliced raw onion and tomato.

**TOP TIP:** For an extra-crunchy texture, you can add the green pepper with the rice, instead of at the beginning of the recipe.

You can also add peas to the recipe.

## Yummy Coconut Caramel Bars

A NAUGHTY but nice homemade snack.

### Ingredients:

Makes 16-20  
200g butter, softened  
200g golden caster sugar  
300g plain flour, sifted  
3 medium eggs  
450g jar of dulce de leche  
150g desiccated coconut

### Method:

Beat the butter and 100g of sugar until creamy, then add one egg and combine.

Press the mixture into a swiss-roll tin (23cm x 33cm). Prick the surface all over with a fork and bake in a pre-heated oven (180°C/350°F/gas mark 4) for 15 minutes until pale golden.

Remove from the heat and allow to cool. Heat the dulce de leche until pourable (place the unlidged jar in the microwave on medium for two minutes) and pour the contents over the cooled base.

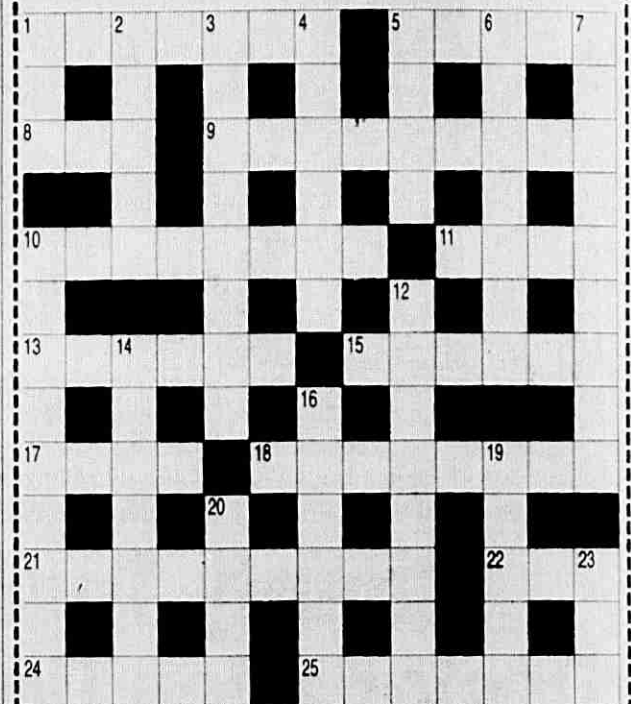

Beat together the coconut, the other 100g of sugar and the remaining two eggs. Then tip this over the dulce de leche base, spreading out carefully. It does not need to cover the base completely.

Bake for about 25 minutes until golden. Remove and cut into 16 to 20 pieces, then cool in the tin before easing the bars out carefully.

**TIP:** Merchant Gourmet's dulce de leche (Argentinian caramel) is available at Sainsbury's, Tesco and Waitrose.

## Health Tips from "Remedies"

### ST. JOHN'S WORT or HYPERICUM

Saint John's Wort flowers at the time of the summer solstice and in medieval Europe it was considered to have powerful magical properties that enabled it to repel evil.

Medicinally, St. John's Wort was used to treat emotional and nervous complaints. Herbalists have long used it as a tonic for anxiety, tension, insomnia and depression.

In the 19th century, the herb fell into disuse, but recent research has brought it back. In research study in Austria, 68% of patients with mild to moderate depression improved when given St. John's Wort. This confirmed findings of earlier trials that showed the herb to be good for "blue periods."

# This Week In The Garden

## GROW PLANTS IN CHIMNEY POTS

PERIOD chimney pots look great, make superb planters and also create a focal point in your garden. Chimney pot planters can be placed just about anywhere to achieve that statuesque effect.

**Above: Create a theme in your garden using dark and red foliage to create a fiery effect (seen here Phorium Pink Panther, pansies, ranunculus, red salvias and busy lizzies).**

**▲ Try using a chimney pot planter to mark the number of your house.**

Try a single pot at the end of a pathway, or use them in pairs either side of an arch or doorway. In borders, they provide height and colour, and because they are separate from the main flower beds, you have the opportunity to change the planting as flowers come into season. Try also using a chimney pot planter to mark

the number of your house. Use a simple plant, and plant it in gravel mulch, which looks good, helps retain moisture and is better suited to a stand-alone pot. Planting a chimney pot can be a lot of fun – let yourself go and use plants in an abstract way to create a theme (for example red and darker coloured plants can create fiery or smoky effects). The height provided by the pots makes them ideal for trailers and climbers, or for bringing specimen plants nearer to eye level. You can buy chimney pots from architectural salvage yards or garden centres and builders' merchants that deal in reclaimed materials. You should expect to pay around £25, but prices can be anything up to around £80 for decorative and exceptionally large pots. Before planting, prepare the pot by cleaning out any soot or debris using a stiff brush and mild disinfectant. Position the pot on firm, even ground and make sure it is stable. Short chimney pots can be filled directly with compost. With taller ones, fill the inside with blocks of wood, rocks or old bricks. Fit a plastic pot in the top to hold compost for planting. This method makes it easy to swap over the display, changing the plant theme as and when you wish.

# Cash Incentives For Millennium Projects

as appropriate and fitting. Cash awards between £400 and £4,000, depending on the type, scope and size of the event will be made by the Local Authority from this fund, with final approval resting with the National Millennium Committee. All of these events do not have to take place at New Year, as work on such items as monuments, publications and exhibitions could run well into year 2000. A Millennium Officer has been appointed in each county and city to administer the Award Scheme and co-ordinate information on the events taking place over the New Year and into 2000. Tom Keith has been appointed Millennium Officer for Co. Waterford and this week he made an appeal to all who were organising special events, or other means of marking the Millennium to take advantage of the cash on offer. "These do not have to be all street parties or large public events", he said "indeed the fewer large events on New Year's Eve the better, from the point of view of the emergency services. People and groups should also concentrate on the wide range of other means of marking this unique happening, like publications, exhibitions, sculpture and the recording of the history and culture of our time, all of which can stretch well into the New Year". A special application for the Awards, very simple in structure, and giving all the necessary criteria is available from the New Civic Offices at Davitt's Quay, Dungarvan. It is hoped that the events seeking support will reflect the

sense of excitement, celebration and anticipation that the Millennium has generated and will leave a lasting memory with those involved. The range of events to be staged and supported from these funds is extremely broad and could include:

Events with links to local environment, amenities culture, heritage and history.  
 Music events including small scale concerts, shows, musicals, street entertainment, pageants and recitals.

Receptions to recognise and reward the contribution of senior citizens, or individuals or groups for the enhancement of the community.

Events which have a religious, ecumenical, spiritual or reflective theme.

Exhibitions of arts, crafts, photographs, souvenirs, artifacts and items of local historical and social significance.

Events with Irish language and culture themes or the theme of peace and recon-

ciliation.

Schools, communities or libraries compiling their own Millennium Book.

Talks, workshops, readings, floral and garden displays with a Millennium.

The closing date for applications for awards under this scheme is 5 pm on Friday 22nd October 1999 and should be addressed, using the special application form available to: The Millennium Officer at New Civic Offices, Davitt's Quay, Dungarvan.

### COUNCIL SEEK GAELTACHT ASSISTANCE FOR RING/OLD PARISH LIGHTING

A co-operative venture between Waterford Co. Council and Roinn na Gaeltachta may be the key for progress regarding the installation of new public lighting in the Ring and

Old Parish areas. That's the proposal emerging from discussions between Councillor Fiachra O' Ceilleachair and officials of Waterford Co. Council.

The Council has sought detailed quotes from the ESB regarding essential works and will soon be sending a proposal to Roinn na Gaeltachta for contributory funding from that source. When all locations and their ducting supply implications have been considered, it is likely that the works concerned would cost in the order of £12,000. 'End of budgetary year surplus funds from Roinn na Gaeltachta have proven vital in realising important infrastructural necessities in the Ring/Old Parish area in the past.

If the Council considers it likely to get progress on the lights issue in this way, then I'd be pleased to see whatever progress ensues. The poor levels of primary local authority funding allocation to public lighting, however, will inevitably impinge on progress".

# Maiden Voyage Of Waterford's Mobile Farm

Pupils from the Mercy Convent National School Kilmacthomas who were the first pupils to be visited by the New Agri Aware Mobile Farm which will be visiting schools to help create a better awareness of farm animal lives especially in non agricultural areas. (Photo By Kiely Photography)

Schoolchildren as young as four years old attending Kilmacthomas Convent School, Waterford were the first to experience the sights, sounds and smells of one of two new Mobile Farm units on September 22nd. The school's 123 pupils and 6 teachers each got the chance to touch, feed and even milk the animals in a specially designed trailer unit which has a walkway, overhead canopy and is wheelchair accessible.

The Mobile Farm initiative, launched last year by Presi-

dent McAleese offers children the opportunity to see first hand how farm animals are reared and farmed.

Agri Aware is a charitable trust established to educate the public about Ireland's farming and food industry.

The mobile farm is a unique initiative which will provide thousands of school children a chance to see cows, sheep, poultry and their young, along with a variety of farm produce. **Schools interested in arranging a mobile farm visit can contact Agri Award at 01-4601103.**

## No Change In Disadvantaged Area Payments System For 2000 — IFA

Waterford IFA Western Development Chairman James Devine has welcomed the proposal of the EU Commission to defer for one year any changes to the system of headage payments in Disadvantaged Areas until 2001.

Mr. Devine said that the EU Star Committee is likely to confirm the Commission's proposal on 8th October next, which will allow for the continuation of the payments of headage on a per head of livestock basis rather than on an acre payment basis. The deferral is a result of Agenda 2000 transitional rules which have been put forward by the Commission for CAP Rural Development Measures which include headage payments in Disadvantaged Areas.

The Waterford IFA Western Development Chairman said that the deferral is necessary to allow further discussions to take place to put a fair and equitable system of payments in place to protect the incomes of cattle and sheep farmers which are most vulnerable to a change to an acreage payment system.

Meanwhile, Mr. Devine called on the Minister for Agriculture Joe Walsh to ensure that sufficient national funding is provided to top up the recent allocation of EU funds to the CAP Rural Development Measures which includes Disadvantaged Area payments. IFA has set down a clear marker that a total EU and national budget of £115m is required annually to maintain and improve Disadvantaged Area payments over the 7 year period (2000 - 2006).

## November Deadline Should Be Set For Milk Quota Overhaul

Dairy farmers should now be planning for the likely major overhaul to the Milk Quota System next April. However, no firm decision can be taken by any dairy farmer in the absence of definite decisions by the Minister for Agriculture. This was stated recently by Jackie Cahill, Chairman of ICMSA Dairy Committee.

The ICMSA Dairy Committee Chairman said that while he accepted that many complex rules had to be examined, he was disappointed at the slow rate of progress.

ICMSA are strongly of the view that the Minister should be in a position to publish all the new rules by 1 November 1999. This would give farmers a mere five months to prepare for the necessary changes and to arrange for finance to purchase additional quotas.

Mr. Cahill said that the National Council of ICMSA has agreed its dairy policy last April, and the EU Regulations were published last May. There is no justification for any further delay on the Ministers behalf.

Mr. Cahill said that the broad thrust of ICMSA policy was to put the quotas in the hands of active milk producers. I am convinced that a permanent home must be found for the 25 million gallons, which has been continuously leased for a long period through the Temporary Leasing Scheme.

The Science of Farming and Food

### MAIZE

A very successful Teagasc Maize Walk was held last week on the farm of Pat and Lar Looby. The principle topic discussed was the anticipated harvest date of the 1999 crop.

Adviser Brian Hilliard said that a sample across the Department of Agriculture variety trial growing on this farm the cob dry matter was 40% on September 23rd. On average the cob matures at a rate of 4% dry matter per week and therefore, this crop which was sown on May 3rd will be fit for harvesting on October 10th, when the cob dry matter will have reached 50%.

A crop of Hudson in the Dungarvan area which was sown on April 18th had a cob dry matter of 46% on 23rd September and should be fit for harvest on September 30th.

All of these crops have been sown without the aid of plastic covering.

### KNOW YOUR FARM

#### Soil & Silage Analysis:-

- To make good investment decisions you need to know the facts.
- Silage and soil should be tested now.
- Why is silage analysis necessary?
- You should only fatten cattle if your silage is good enough.
- If it is not over 70% DMD don't feed meal to fatten cattle because you will go broke.
- The amount of meals you will feed to Autumn calved cows, dry cows, weaning or in calf heifers totally depends on the quality of your silage.
- If the silage is shown to be dry by the test then you have more feed in the pit and so need not worry about buying feed or selling cattle.
- If the pH shows that the silage is sour, then you can identify the reasons why.
- At £26 cost per pit this represents great value for money, considering the benefits accruing to the farmer.
- A soil test is a must if one wishes to save money and protect our waterways.
- For £17 per sample (5 - 10 acre lots) it is very good value.
- You will then know the exact amount of Phosphate, Potash and Lime to apply.
- In many situations little or no P and K will be necessary, which can be a saving of £14 - £21 per acre.
- In other situations it will be possible to grow more grass by applying extra P or K where this is shown up as necessary.
- For a small charge extra you should identify the Copper, Molybdenum, Cobalt and Selenium in about 10% of the samples.

### GRASSLAND

#### New Reseed Care:-

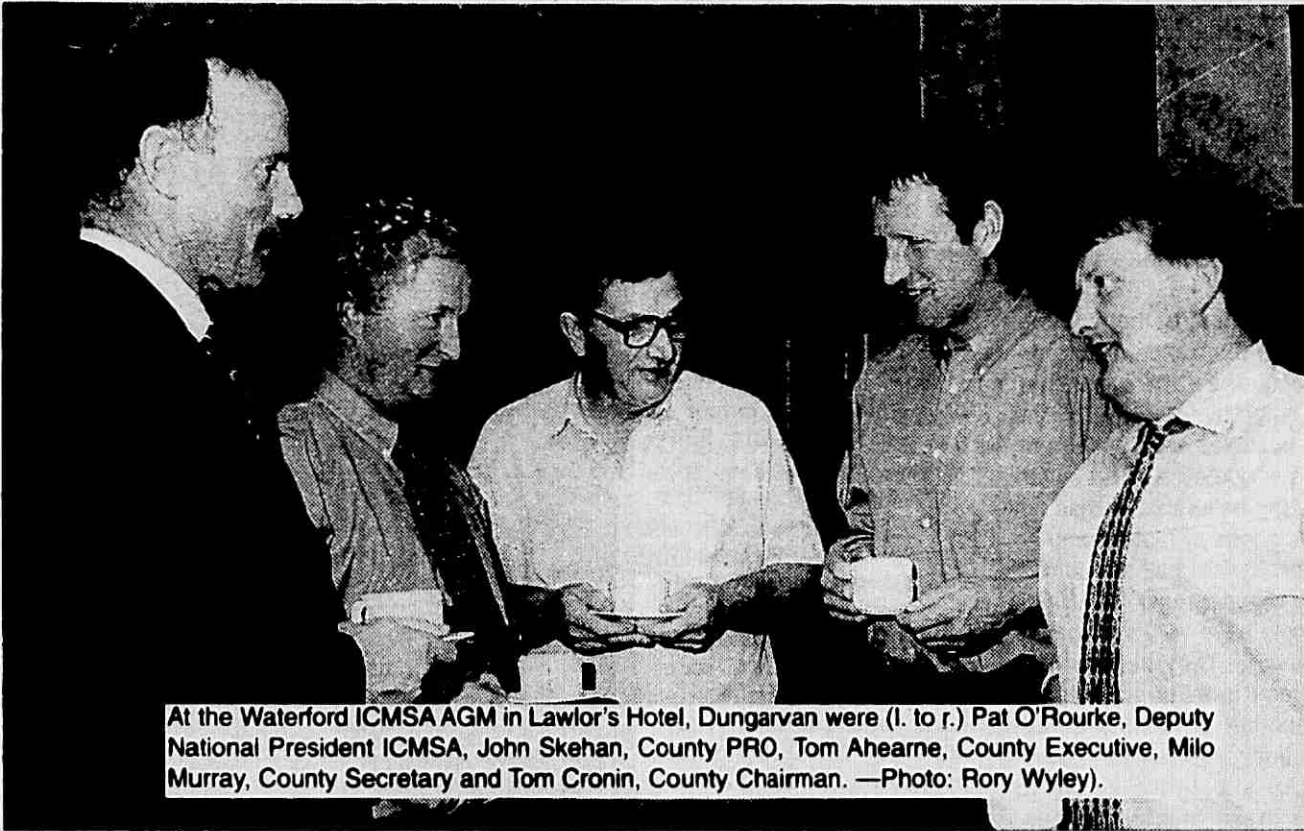

- You have spent up to £150 per acre on this so it must be looked after.
- Graze with young stock as soon as possible.
- It will encourage the young grass to tiller and thicken.
- This will smother out weeds.
- Also trampling by the animals will kill off annual weeds.
- It will need to be 5 - 6 inches high and the soil must be dry to avoid poaching.
- Spray for young docks 5 - 6 weeks after sowing.
- This represents the best opportunity to get rid of docks in new reseeds.
- Use Legumex Extra, Nintex or Acumen, but don't use anything that kills clover (you have just spent £6 - £7 on clover seed).
- Clover must have a least one true leaf, before you can spray, otherwise you will kill the clover.
- Get your Adviser to identify young dock seedlings for you in the reseed.
- If the reseed looks yellow (Nitrogen deficient) in early October apply 20 Units of Nitrogen.
- If enough P and K were not applied it should be done now.
- Keep a look out for Frit Fly and Slug damage.

## IFA DAIRY CHAIRMAN CALLS FOR EQUAL QUOTA ALLOCATION TO ALL ACTIVE DAIRY FARMERS

IFA Dairy Chairman Padraig Walshe has said that having taken soundings at the IFA National Dairy Conference in Cork today and at IFA National Council last week, it was clear that the additional 2.86% milk quota should be allocated on the basis of a flat number

of gallons to active producers only.

He said "this would result in a total allocation of almost 1,000 gallons to each producer, on a 'use it or lose it' basis".

Padraig Walshe said he was convinced that the vast majority of producers

throughout the country would go along with this share-out.

Padraig Walshe highlighted the contribution of Teagasc's John Dunworth at the Conference, who said that 50,000 gallons was the immediate target for full-time farmers to achieve the

equivalent of the average industrial wage. The Dairy Chairman said "the IFA Dairy Committee's new quota management proposals address the needs of medium sized producers who need to develop to maintain their livelihoods".

## Time For Leadership And Decisions In Milk Quota Debate

Dairy farmers should now be planning for the likely major overhaul to the Milk Quota System next April. However, no firm decision can be taken by any dairy farmer in the absence of definite decisions by the Minister for Agriculture. This was stated this week by Mr. Tom Cronin, Chairman of ICMSA Waterford Executive.

The Waterford ICMSA Chairman said that while he accepted that many complex rules had to be examined, he was disappointed at the slow rate of progress.

ICMSA are strongly of the view that the Minister should be in a position to publish all the new rules by 1 November 1999. This would give farmers a mere five months to prepare for the necessary changes and to arrange the finance for the purchase of additional

quotas.

Mr. Cronin said that the National Council of ICMSA had agreed its dairy policy last April, and the EU Regulations were published last May. There is no justification for any further delay on the Ministers behalf.

Mr. Cronin said that the broad thrust of ICMSA policy was to put the quotas in the hands of active milk producers.

"I am convinced that a permanent home must be found for the 25 million gallons, which has been continuously leased for a long period through the Temporary Leasing Scheme", he stated.

Mr. Cronin said that the ICMSA proposals of the distribution of the 32 million gallons was that every farmer would get a flat rate allocation. The ICMSA distribution formula is based

on fairness, and straight forward workability.

Mr. Cronin said that some people had publicly criticised the ICMSA proposals but these very same people have been unable to date to put their proposals on the table.

He continued "The ICMSA distribution formula is a balanced compromise between the various conflicting demands and it is a compliment to the ICMSA Dairy Committee and National Council that they have the courage and leadership to agree that policy over four months ago".

Mr. Cronin said that the flat rate proposal based on the current number of active milk producers of 30,000 and 28.8 million gallons of additional quota, after allowing for a 10 per cent allocation to the National

Reserve, would give every active milk producer an extra 960 gallons (4350 litres). This is a significant amount of quota, and it has a market value, based on the current maximum price set in the Restructuring Scheme of £1,488.

Mr. Cronin said that the flat rate system was the fairest way to treat all dairy farmers. If the quota was distributed on a percentage basis of 2.8 per cent, a 30,000 gallon producer would get 840 gallons whereas a 150,000 gallon producer would get 4,200 gallons. This was viewed by ICMSA as unfair.

Concluding, Mr. Cronin said that ICMSA is proposing a National Reserve of 3.2 million gallons, had made proposals that part of this reserve must go to dairy farmers with very low butter fat quotas.

## Increased Forestry Premium Must Be Extended -ICMSA

Mr. Maurice Harvey, Chairman of ICMSA's Rural Development Committee commenting on the recent speculation regarding forest premium increases said that the Minister for Marine and Natural Resources, Mr. Michael Woods, must ensure that farmers who planted forestry before 1992 will be entitled to any future increase in forestry grants and premium rates.

## DEPRESSION Suffering In Silence

The recent survey by AWARE showing the prevalence of depression in our society is not surprising and I would further state that if the survey were broadened to include groups other than those in the workplace and those attending their G.P. the incidence of depression would be higher. The survey concluded that only about a third of those surveyed sought help and that men are more re-

OLIVER J. KILLEEN

luctant than women to do so. One of the statistics that is rarely discussed is the number of children who suffer from depression. Their malady is often glossed over in descriptions such as "he's having a tough time at school - "he's shy" etc. The real roots of his emotions are seldom recognised and this sets off an obsessional spiral of acted out attack or withdrawal which continues into adulthood.

Depression is often misunderstood and can arouse impatience and perplexity in those who have never had this persistent all-enveloping condition. I prefer to refer to depression as a condition rather than an illness or a disorder for these terms give the sufferer the feeling that there is something wrong with him and that any hope of recovery is poor, beliefs which add to the already painful feelings he is experiencing.

Freud described depression as structures which are substitutes for certain achievements of repression that we have to carry out in the course of our development from a child to an adult. For emotions to surface into awareness and be dealt with they must be capable of some direct expression. There must be a full subjective experience of the emotion and the sharing of it with an empathic person. When the emotions are repressed self-esteem, freedom and happiness are made more frail.

No one is immune from depression because in a sense it is a preoccupation with renouncing what we know we want and it's a mechanism evoked to control an imminent emotion. The depressive syndrome is a flattening of emotion which makes victims feel a sense of intense discouragement and internal inertia. Depressed people perceive great disparity between goals and achieving them. Fuelled by an intense longing for happiness and achievement but overwhelmed by apathy, victims convince themselves that these commodities are not available to them. They become so paralysed that even small practical actions like signing a letter or making a phone call become overwhelming, impossible tasks. The victim castigates himself for his inertia and this adds to the downward spiral into deeper depression.

Depression develops gradually. The negative feelings grow in intensity over months, even years and the sufferer experiences a gradual downward spiral into a mire of depression so deep that he/she feels that he will never be able to arise from it. People who suffer with depression are hysterically frightened, believe they are a nuisance to others and will walk miles out of their way to avoid people they know.

For the depressed person all colour has drained from the sky. He doesn't know where to begin in describing his feelings so he remains silent. He feels trapped in a terrible isolation, alone in a mental prison. Inside this prison he is so full of fear that even death is welcome. No one but someone who has suffered deep depression knows what the feelings

are like in the small hours of the morning. It's at this time that the fiends of depression are most active, it's the time when the mind is so busy inventing all the failures, all the mistakes, all the regrets, all the omissions in one's life. The sufferer is haunted by the belief that he has not lived up to expectations of himself and so he punishes himself with guilt and further punishes himself with depression.

Depressed people have very strong feelings of self loathing. They believe they are bad, worthless individuals with an overwhelming number of faults and failings. They frequently take refuge in over-eating, alcohol or substance abuse in order to escape these painful feelings. These mask the pain for a short time but actually add to the person's self-hate.

### PAST AND FUTURE

Henry Eli, the renowned psychiatrist, said the most important feature of depression is the way in which a person's perception of time has changed - that the past and not the future engages the depressed person's attention. Depressed people recall good and happy life events in lesser numbers than non-depressed people and painful, unhappy events in greater numbers. Depressed people never lay the past to rest and only remember bad things about themselves. Ironically if someone reminds them of something they did well they retort with statements like "I should have done better". So for a depressed person if the past was bad the future will be worse.

Their chant is their conviction that life is coming up with some colossal romantic musical for which the casting director - alas - has yet again overlooked them. If they see a light at the end of a tunnel it's the light of an oncoming train.

Because depressed people see no reason to like themselves they expect the world to loathe them too. Even when they are in a relationship they feel lonely and desolate. It has been found that a significant factor in the lives of many depressed women is that they cannot trust their partner enough to confide in him - if, in fact, he would listen.

Prescribed drugs may make the sufferer feel good but it is like being in a suspended mental state which not only numbs the pain but also numbs the person's capacity to experience other emotions. They also tend to create a psychological dependency rather quickly. The person thinks "I think I need some more anti-depressants" and so he avoids uncomfortable feelings and in doing that avoids the challenge of becoming involved in his own recovery.

Next week I will write about ways in which the depressed person can climb out of the prison of depression.

## Helvick Lifeboat Launched To Aid Of Local Vessel

The RNLi's Atlantic 21 lifeboat based at Helvick Head station was called out shortly before 1 p.m. on Tuesday 21st September.

The lifeboat was launched to the assistance of a local fishing vessel the 'Liberty' which had encountered difficulties when fishing 3 miles off Helvick Head.

The vessel, with 3 men onboard, was unable to proceed under its own power due to the 'fouling-up' of the propeller. The RNLi lifeboat with its 3 man crew under helmsman Michael Hayes got the boat safely on tow and brought it back to Helvick pier.

## Audit Of Town Footpaths To Be Carried Out

At last week's meeting of Dungarvan UDC, Cllr. Teresa Wright proposed that the Council

carry out an audit on all pavements to determine if they are user friendly to members of the community who are confined to wheelchairs and that, in due course, the Council would act on the findings of that audit.

Town Engineer Joe Brennan said he would look at the cost of modifying existing footpaths for disabled access. He said the Council do bear it in mind when working on all new footpaths such as outside the AIB and Slater's.

Supporting Cllr. Wright's proposal, Cllr. Michael O'Riordan said an overall plan of the town is needed with particular regard given to footpaths outside churches, schools, the cinema etc. Likewise Cllr. Paddy Power said dished footpaths also need to be introduced outside St. Joseph's Hospital.

Cllr. Damien Geoghegan said dished footpaths would not just benefit wheelchair users but people pushing prams and buggies as well.

# RECENT DEATHS

## LATE TONY COLBERT

It is with sincere sorrow we record the passing of Tony Colbert, 42 Park Lane Avenue, Abbeyside who following a period of illness went to his eternal reward on Tuesday 14th Sept.

Tony who was aged 60 was a native of Clonmel but was resident in Dungarvan and Abbeyside for the past 35 years. He was employed as an electrician with the ESB and later at Dungarvan Crystal. A member of Dungarvan Fire Brigade for many years Tony was held in high esteem by all who had the pleasure of his acquaintance. He gave of his time freely and willingly to Abbeyside Scouts, Pipe Band, Dungarvan Credit Union and Abbeyside Choir. His passing leaves a void in the community that will not be easily filled. ## BALLYMACARBRY FAMILY ENDURES EMERGENCY LANDINGS

A trip to the United States turned into a nightmare for a Ballymacarbry family as they had to endure two emergency landings on the outgoing and the return flights to Shannon Airport. Michael Desmond and his wife Moya and their young son Andrew of Deerpark, Ballymacarbry were returning on a flight to Shannon on Saturday morning 18th Sept. when the jet they were passengers on went off the runway trying to land in stormy conditions. Some two weeks earlier while on their way to the United States, their flight had to return to the airport after a problem had arisen was delayed for some time. The deputy who was out of action for much of last year when she suffered a serious illness was back again in Mount Carmel Hospital, Dublin last week for further surgery. It was a deep disappointment to deputy Ahearn that she was not on hand to welcome her leader, John Bruton and her parliamentary colleagues to Clonmel. The special two day meeting took place at Hotel Minella on the Waterford side of the River Suir, last Wednesday and Thursday. We wish Deputy Ahearn a speedy recovery to perfect health.

## RECENT DEATHS

### LATE MR. JAMES MCKELL

With deep and sincere regret we pen the passing of Mr. James (Jimmy) McKell which sad event took place at Our Lady's Hospital, Cashel unexpectedly. Deceased in his fifties gave over thirty years of loyal and devoted service to the Army at Kichham Barracks, a post he retired from last November. A wood carving enthusiast, he made many beautiful objects from timber. A short time ago he purchased a large shed to take up more serious involvement with carving of wood, when sadly after just a couple of weeks in hospital he passed to his eternal reward. At sixteen he emigrated to England where he worked hard on the buildings, he returned home to take up employment with Curran's Factory followed by a period at Saint Joseph's Hospital, Clonmel. In the mid sixties he joined the Army in Clonmel and a year later he married Eileen Clancy, a member of a well known family from the Old Bridge. A well mannered person Jimmy was well liked in the army where he rose to the rank of Company Sergeant, he served over seas in Cyprus and the Lebanon. He was out and about up to the Sunday before he died, his passing was a great shock to his wife Eileen, his family, relatives and his many friends.

There was a large concourse of mourners present when his remains were removed from Condon's Funeral Parlour, Clonmel to the Parish Church of Saint Oliver, Clonmel where they were blessed and received by Rev. Fr. Thomas Coffey C.C., St. Oliver's. On the following morning requiem Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Michael O' Neill C.C., St. Oliver's assisted by Rev. Fr. Partolan O' Leary, St. Oliver's and Rev. Fr. Paul Murphy C.C. S.S. Peter & Paul's, Clonmel. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where he was laid to rest. Rev. Fr. Michael O' Neill officiated at the graveside in the presence of another large concourse of mourners, many army comrades were also present paying their final respects to a Christian friend whose memory they will cherish.

To his wife, sons, daughters, sisters, aunts, uncles, and his many relatives we extend our sympathy.

### LATE MRS. BRIDGET WALSH

Profound and sincere feelings of regret were widely expressed of the news of the death of Mrs. Bridget (Biddy) Walsh (nee Barron) Knockboy, Ballinamult which sad event took place at Saint Joseph's Hospital, Clonmel on

Thursday 23rd Sept. Deceased was a member of an old established family respected in the farming community, the Barron's of Knockboy. Predeceased by her husband Roddy by some fifty years, she was left with a young family and a farm to tend to. A lady of outstanding qualities she was a loving wife and mother, her family were her pride and joy. She had a wonderful warm personality and made friends at ease. All callers to her home were made to feel truly welcome as she was a caring neighbour abounding in Christian charity, who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all. A lady in every sense of the word, a person who was respected by her friends and neighbours, and who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to help if need arose. She was delightful company and was possessed of a deep faith and practised her religion devoutly and her demise has evoked feelings of sincere regret among her family, neighbours and her many friends.

The measure of the esteem and high regard in which deceased and her family are held was evidenced on Friday evening when all walks of life were represented in the large concourse of mourners who were present when her remains were removed from her residence to the Parish Church of Saint Mary of Touraneena, where they were blessed and received by Rev. Fr. James Griffin P.P., Sacred Heart, Waterford. On Saturday the feast of Saint Finbarr, requiem Mass was celebrated for the repose of her gentle soul at noon, the celebrant was Rev. Fr. Peter Ahearn P.P. Lisronagh/Powerstown assisted by Rev. Fr. Michael Kennedy P.P. Colligan/Kilgobnet/Kilbrien, Rev. Fr. Paddy Hallinan retired foreign mission and Rev. Fr. James Griffin P.P. Sacred Heart, Waterford. After Mass on a dull September day she was taken from the church where she had worshipped the Lord for over seventy years to her resting place. Fr. Ahearn P.P. officiated at the graveside and Fr. Griffin P.P. recited a decade of the rosary in the presence of another large concourse of mourners who came to pay their final respects to a dear Christian friend whose memory they will cherish.

To her son Patrick, daughters Breeda, Nellie and Ann, brother Austin, sisters Chrissie and Moira and her many relatives we extend our sympathy.

# TALLOW NOTES

## BRIDEVIEW UTD AFC NOTES

### MUNSTER JUNIOR CUP

# Away Win For Utd

Our junior team advanced to the next round of the Munster Junior Cup when they had a convincing away win over Waterford Junior League side Rathgormack. Our U-13 team went down at home on Saturday morning. Our lotto jackpot is still up for grabs.

## RESULTS

### RATHGORMACK 0 BRIDEVIEW UTD 3

Utd took the game to the homeside straight from the kick off. Twice in the opening 15 minutes the keeper denied us with two great saves. The first after 9 minutes when a free kick from John P. Grey, after 15 mins. he denied Dermot Henley but four mins. later he could do little to deny Utd the lead goal.

Great work by Stuart Barry set up Dermot Henley and he shot low into the corner giving the keeper no chance, a marvellous for post cross from Dermot Henley to the intruding David Doyle whose flying header just went wide.

A Stephen Pratt effort went over in the 33rd minute and ten minutes later Dermot Henley got in behind the defence but his shot came back off the crossbar and Pratt shot the rebound just wide. At the break Utd led 1-0.

The second half was only 2 mins old when Paul Curley put through Stephen Pratt and the latter put Utd 2-0 in front. Overall Utd had the better of this half but Rathgormack did hit the crossbar after 33 minutes. A third Utd goal came in the 89th minute when Dermot Henley set up Stuart Barry to shoot home from close range.

This was a good team performance despite being short some first time players. Billy Sheehan was brilliant in goal although he was seldom really tested. His defence of the two Henley's Brian and Roy, Denis Martin and Paul Curley kept the homeside's front men at bay.

In midfield Stuart Barry, David Doyle and capt. John P. Grey were outstanding while up front Stephen Curley, Stephen Pratt and Dermot Henley tormented the homeside's defence. This was Utd's best display of the season and let's hope we see more of them before the season ends.

Utd; B. Sheehan, B. Henley, D. Martin, P. Curley, R. Henley, S. Barry, J. P. Grey capt, D. Doyle, S. Pratt, S. Curley, D. Henley. Res; J. McSweeney used, P. Curley, J. Tobin.

## U-13 LEAGUE

### Brideview Utd 1 Valley Rangers 3

Utd kicked off their season with a home game against neighbours Valley Rangers. Rangers got off to a dream start when from a free kick after just one min. ended up in Utd's net.

Our lads fought back, Jamie Hampton was brought down in the box and Kieran Casey shot home the penalty kick to put us back on level terms after 10 minutes. The visitors restored their one goal advantage in the 15th minute. Both sides had chances after this but at the break Ranges led 2-1.

The visitors started the second half by taking the game to Utd. Our defence of Noel Cunningham, Pádraig O' Brien, Graham O' Neill and Eamonn Forbes worked very hard while Aidan Daly could not be faulted in goal. We pressed forward and Michael Curley was fouled in the box. Kieran Casey again stepped up to take the penalty kick off but the Rangers keeper got down well to bring off a terrific save. This was perhaps the turning point of the match. Our midfielders of Eric Hickey, Michael Curley, Cathal Herlihy and Kieran Casey tried their best to supply our front runners of James Hampton and Kieran Walsh.

With time almost up an O.G. by one of our defenders secured the points for our visitors. Reserves used were Eoin Condon, Jamie Ryan and Damien Prescott, Paul Forbes and Stephen O' Neill.

## FAI JUNIOR CUP

We face another trip to Clonmel on Sunday week next in the FAI Junior Cup. This time we face St. Oliver's boys F.C. On our last visit to Clonmel we put up a terrific performance before going down to a late goal.

In fact at one stage it looked as if we were going to advance to the next round. A bus will leave Tallow for this match and all names must be handed into any committee member by this weekend, plus £2 for bus. We would appreciate your support and the boys would like to see as many faces as we had on our last visit to Clonmel.

## BIRTHDAY GREETINGS

No shortage of birthdays this week. We wish a happy birthday to the following Jessica Tobin (8 years), Kevin Curley (9 years), Eve Barry and Audrey Sheehan both birthdays were on Thursday last but the bird could not get their ages.

Belated birthday greetings to Nora Hartnett, Patricia Condon and Shane Tobin. Not forgetting Thomas Mulcahy Jr.

## SPEEDY RECOVERY

To our committee member Maurice Hartnett who had an accident last week. We are glad to report that Maurice is home from hospital and is being well looked after by Nora. Breakfast in bed for the next few weeks Maurice, I suppose. Ha ha.

Sympathy  
All in the club extend their deepest sympathy to the Kiely family, Youghal on the sudden deaths (due to an accident) of Stephanie and Karina Kiely. May they both rest in peace.

## BEST WISHES

To Peggy Twomey who is in hospital at the moment but we are glad to report that Peggy is in good form.

## THANKS

All in the club would like to thank Helena McGrath, The Chemist for her very generous sponsorship to our club. Helena has been a

great supporter of our club over the years and long may it continue. Thanks again.

## SORE HEADS

Of course not but certainly the crowd enjoyed themselves at the wedding on Saturday last.

## NEWS TO HAND

No shortage of new thanks to Angela and Lar. The boy snoring in the lounge looked gorgeous. The pity was I had no camera. Two lads were on the road early on Sunday morning. I understand one of our players had a car full coming home. To the girls who was looking for a mixer, it will come out of the bottle easier if you take off the cap! Ha ha, caught in the act you might say. The girl from England looked to be enjoying herself. As usual she was on her own. To the boy who was coming on the bus to the match with us. We hope to see you on Sunday week.

# CASTLEBRIDGE CELTIC NOTES

## U 12 NORTON CUP

### CASTLEBRIDGE C 0 V MAYMOUNT C 3

Last Saturday was a very historic day for our club when for the first time we fielded a team in a National cup competition. On the day we were up against one of the top teams in Cork. In the early stages of this game we played some outstanding football. With our keeper and back four commanding their area well it gave our midfield a great chance to get forward and help our forwards. 10 minutes before half time Maymount scored after a mix up in our defence. In the second half Maymount came more into the game putting us under a lot of pressure. Maymount did score two more goals in the last 10 minutes to run out 3 nil winners. This was a great performance from our lads from keeper to the forwards and our subs who put in a great effort.

## U 13 LEAGUE

### CAPPOQUIN 4 V CASTLEBRIDGE C 1

On Sunday morning last we travelled to Cappoquin for our first U 13 match. Short many of our team due to various reasons we had a very young team on duty who put in a great performance. We were 3 goals down at half time which we did not deserve to be. In the second half we really put up a great effort creating at least 6 or 7 good goal scoring chances. Our scorer on the day was James Sexton.

# ABBEYSIDE TOPICS

## TIDY TOWNS REPORT

### Wildlife and Natural Amenities 1999 (18), 1998 (18)

A committee should designate an area either close to or in the adjudication area for the development and preservation of wildlife. In this connection the notes in the Tidy Towns Handbook may be useful. You should also make contact with the Irish Wildlife Conservancy. In the event, perhaps you would mention this with your application next year and identify the location so that the adjudicator can have sight of it.

### Tidiness 1999 (15) 1998 (15)

In general, the town was presented in a neat and tidy manner. In some cases open storage on footpaths and in side lanes does not help. Car parks are very well maintained with cars parked in an orderly manner.

### The Built Environment 1999 (28) 1998 (26)

This was the area where the highest increase in marks occurred. All the comments related to Dungarvan for example the public buildings, such as the Schools, the Churches, the

Library, the new Municipal Building, the Garda Station and the Court House. It was also stated that commercial premises looked exceptionally well, notably the three major banks and Lawlor's Hotel.

There was again some criticism regarding the amount of plastic signage which appears in practically every street in the town. Abbey-side would be interested in the recommendations regarding Main Street. The adjudicators recommend that the services of a design consultant should be enlisted to recommend signage for each premises which would be in keeping with the building and what the premises are offering on a commercial basis. The adjudicators also point out that the Main Street would be an ideal area for pedestrianisation which would greatly enhance such a project.

### Roads, Streets and Back Areas 1999 (28) 1998 (28)

Approach roads to the area, almost without exception, were exceptionally well presented. The landscaping on the Tramore Road looked very nice but the grass needed some additional cutting. It is important to remember that adjudication does not take place in the centre of the town. All roads and back streets are visited and all are considered when arriving at a mark. Adjudication normally takes place from the town name plate or the speed limit signs inwards so hedgerows and grass verges from these points need constant monitoring.

### General Impression 1998 (7) 1998 (6)

The marking has improved considerably. In order to gain further marks in the Competition, it would be necessary, from now on, to pay attention to detail. Therefore you should select a number of items each year

to be worked on within your physical and financial resources with a view to achieving a top award in the County early in the new millennium. In this respect you should avail of the best advice available to you through your local landscaping and wildlife etc. Your Regional Tourism Authority run a Tidy Towns Seminar each year with specialist speakers. This is well worth attending. You will learn a lot from it. It is also suggested that you might visit other centres of a similar size, for example, Kilkenny or/and Clonmel - meet with their committees and discuss what methods they used to progress their involvement in the competition.

You are doing excellent work. Congratulations to all concerned.

## A FUNNY STORY

One hazard of wartime training in England was that road signs were removed when invasion seemed imminent. A cartoon in an English newspaper during the invasion scare of 1940 pictured two German paratroopers scanning a map at a railway station. Over their head was the one remaining sign; Gentlemen.

"I can't find this place on the map", says one to the other.

## FATAL ACCIDENT

An eighteen year old youth, Nigel Norris of Stradbally was killed when the motor cycle he was riding was involved in a collision with a jeep at Cloncoskran Cross on the main Dungarvan/Waterford road on Sunday last the 26th Sept. at approximately 9.00 pm. Weather conditions were atrocious as it was raining heavily at the time.

## Abbeyside Reference Archive

### TUNED IN

Back a few weeks ago a lady gave us a copy of Tuned In for our Archive. This magazine was brought out to mark ten years of WLR Radio and we were delighted to add to our collection of local material. It's proving very popular with our patrons and as time goes on it will prove a nice record of the first ten years of the local radio station.

This Sunday evening Seamus O' Brien will be at the Parish Office, Strandside South where he will be tuned in to handle any queries that may arise.

Parking as always at the Pond.

## ABBEYSIDE SCOUT NOTES

Last Saturday's meeting began as normal with prayers and Tomas collecting subs. Following this all present were asked their opinions regarding the sketch for the upcoming feile to be held in Melleray scout centre in two weeks time. After much deliberating a particular topic was decided on and the bones of a sketch were worked out as well as figuring out some of the athletic events and who will be taking part in what event. To finish up the meeting a number of games were played and it was also decided to hold a training session on Sunday morning for all members of the feile team in the den with Seanie Kiely being handed the role of trainer while Kelvin and Thomas were busy working on the finer detail of the sketch. Next week it is hoped to have a longer training session at a different venue which scout Peter French is looking into. The meeting next week will be run from seven until eight thirty and will be devoted entirely to practice for the Feile. Incidentally this years Feile is the twentieth consecutive year of this event and we here in the fourth have a tradition of having a team taking part in every single year of it's existence! Indeed winning it outright on a number of occasions. At the meeting it was also decided to postpone the troop birthday party for a number of week's in order to facilitate concentration on the Feile. The annual award's night which is a highlight of the scouting year will take place towards the end of October. More details later.

### UNIT NEWS

All sections of the unit are now up and running for another year of what promises to be one filled with fun and adventure, and we can promise all Scouts and Cubs be they new or old of exciting times ahead!

### BEST WISHES

All concerned with Abbeyside scouting wish Tomas Kiely well in his new chosen career of nursing in Beaumont Hospital in Dublin. Tomas tell's us not to worry too much as he will be around for quite a few weekends to come. We wish Scout Leader Brendan Kiersey a speedy recovery as he is undergoing a number of tests in hospital at the moment.

## ABBEYSIDE/BALLINACOURTY LADIES FOOTBALL CLUB ABBEYSIDE/ BALLINACOURTY TOP THE LEAGUE AND GO THROUGH TO SEMI-FINAL

The junior ladies of Abbeyside/Ballinacourty have qualified for both the league semi-final and the County Championship semi-final in only their first year of reforming. All the hard work through those Spring, Summer months is paying off and hopefully the club will see this junior C team in a County League final after tonight's game (Wednesday 29th). This semi-final is against Rathgormack in Leamybrien at 6pm. It promises to be a tense and competitive game as Rathgormack beat the League leaders Abbeyside/Ballinacourty by only a single point in their previous league match.

A special word of thanks to Bridgie Terries who recently sponsored the club, a badly needed set of training match balls. Thanks to Sharon Crotty for organising same.

Good luck to the Waterford Senior Ladies team in the All Ireland on Sunday. Here's hoping for Brendan Martin for another year.

## 1967: ANOTHER SERGEANT CUP VICTORY

The Sergeant Cup competition had built up a backlog of games but great progress was made in 1967 to bring matters up to date. Abbeyside figured in three different competitions during the year.

In the final of the 1965 Sergeant Cup Abbeyside won the trophy for the second time in the club's history.

Abbeyside 4-13 Erin's Own 2-4.

Earlier the 1966 competition had been continued from where it was left off and Abbeyside defeated Cappoquin - Tourin in the semi final in February before losing the final.

Ballyduff/Portlaw 3-8 Abbeyside 2-6.

The current 1967 competition proved a short lived one, however. Rd. 1 Ballygunner 4-10 Abbeyside 1-8.

### Cnoc Sion Again

In the Senior Hurling Championship Abbeyside had a runaway win over Log na nDeise (a group side drawn from Brickey Rangers, Fourmilewater and Colligan Rockies).

The next obstacle was Mount Sion once again. Tony Mansfield trained the team for the game. Following challenge games against Dunhill, Kilmacow and St. Finbarr's the stage was set for another game against the men from Cnoc Sion.

Rd 2 Abbeyside 1-10 Cnoc Sion 0-13 at Dungarvan 10.9 Ref. T. Ryan.

The Waterford News & Star said; "Waterford hurling came into its own and thrill piled upon thrill as Cnoc Sion and Abbeyside battled to a division of the spoils in this eagerly awaited Co. Senior Hurling Championship clash at Dungarvan. Without doubt it was the most exciting encounter of the campaign so far, and as the see-saw struggle moved to its inexorable climax, neither side would capitulate and there was no quarter and no surrender".

At the interval Sion led by 0-6 to 0-5 and, as the game went into its final seconds, the city men were still in front after a thrilling second period. Then a grand move ended with Donal Whelan pointing to earn his side a replay. After eight championship defeats since 1953 at the hands of Mt. Sion, Abbeyside had at last, broken even.

Abbeyside; B. O' Connor, P. Hogan, A. Flynn, D. Flynn, J. Cosgrave, J. McGrath, J. Flynn, P. Enright, L. Enright (capt), S. Murray, P. McGovern, J. Power, M. Power, J. Hogan, D. Whelan. Subs; M. Kiely, T. Mansfield

### Replay - Another Epic

The replay took place a week later, with Abbeyside showing some changes. Joe Power moved to wing half back in place of the injured John Cosgrave. Pat McGovern transferred to midfield to partner Liam Enright and the attack then read; P. Enright, M. Kiely, M. Power, J. Hogan, G. Fives, D. Whelan.

### Replay Cnoc Sion 2-12 Abbeyside 1-10.

It turned out to be another epic game, Mount Sion were pulled back to level terms at 1-10 each in the 57th minute of play, but the vital breaks in the last few minutes fell to Sion and they went on to win.

### Gloucestershire County Cricket

#### Club's Visit To Cork - 24th - 25th Sept.

Responding to a special invitation from Church of Ireland Cricket Club, four Lismore club members Mr. Dermot Edwards, Dennis Mackintosh, David Ind, his wife Jackie, travelled to the Garryduff Sports Centre where C of I were hosts to the Gloucestershire players and officials. Gloucestershire's Mark Alleyne had led his side to victory in both the Benson and Hedges Super Cup and Nat-West Trophy, and it gave great pleasure to accept the cut glass decanter presented to him by C of I officials in honour of his clubs achievements this season. Among the players in attendance were Kim Barnett, Mike Smith and Tony Wright. Ex New Zealand player and now Gloucestershire's first XI coach John Bracewell gave a good account of New Zealand tours to the West Indies, including one tour where the Kiwi skipper was so nervous of the Windies fast bowlers he had to be hypnotised the night before a match to give him confidence to face Joel Garner the big West Indian fast bowler. Unfortunately the plan backfired when the new ball was given to Winston Davies.

Mark Alleyne, more popularly known as "Boo Boo" had a busy evening signing autographs, Mark is arguably one of the best all rounders in County Cricket and hopefully should receive that recognition with a call up to the full England squad.

Lismore would like to thank Simon Whitaker and everybody at C of I for a wonderful night and meal. It was really a night to remember.

## PRESENTATION SECONDARY SCHOOL LISMORE

Congratulations to the pupils and teachers on the excellent results achieved by the Junior Cert pupils in their summer exams.

### Transition Year

A new practical course has been introduced this year for the 4th years. On Tuesday afternoons the girls do a Car Maintenance Course. Mr. Maurice Dunne is the Instructor.

By the end of the course the girls should be familiar with all parts of the engine and perform such tasks as changing wheel and checking tyre pressure etc. They will have all learned about the importance of proper car maintenance in the interest of Road Safety.

### Adult Education Classes

Presentation Secondary School will also provide classes for adults. The Computers Course is again taking place this year. A flower arranging and gardening class is also offered which will be given by Carla Blake. Whether you are an expert gardener or florist or a beginner you will enjoy this course. ## LISMORE CHOIR

Firstly, may we extend our warm congratulations to Sr. Patrice and the Carmelite Community, Tallow for a truly prayerful and serene Sunday Mass television feature on Sunday 5th and the Radio Mass on Sunday 12th and 19th.

Last June, we waved goodbye to our choir friends, the Kingsley Choir Group from Essex. We looked back happily on a very active and musical year and dreamed of lazy hot summer days ahead. Indeed that's just exactly what we had.

With vocal chords suitably recharged, we've resumed rehearsals for our winter programme. In October we head West for a visit to the Sligo Choral Festival and then in December we hold our traditional Christmas Concert in Lismore Castle. Cian O' Carroll, our musical Director from Waterford takes us through rehearsals for 2 hours every Wednesday night in St. James's Hall, Tallow, commencing at 7.45 pm. We break for a cuppa, chat etc. Line tapes available for all members.

The coming year promises to be an exciting one for the choir, culminating in a singularly premium millennium musical extravaganza in the Spring. New members are always welcome. Choir contact members are Liz Lodge, Mitchelstown 025 84644, Tony Hickey, Tallow 058 56113, Donal Kennefick, Lismore 058 54383, Lena Walsh, Dungarvan 058 41603, Deirdre Hallahan, Aghish 024-96134 and Betty Browne, Killeagh 024-97219 or simply come along to St. James' Hall, Tallow on Wednesday evenings for 'curtain up' at 7.45 pm. Keep tuned!

## JUDGES REPORT ON TIDIEST TOWN IN COUNTY

### OVERALL DEVELOPMENTAL APPROACH

Thank you very much indeed for the information submitted with your entry form, all of which was very useful and appreciated on adjudication day. Last year's adjudicator gave you an in-depth report. The following should be read in the context of that report and by way of comment on progress made during the year. It is good to see that you have 25 members and 6 officers. You are successful at fund-raising which is no easy task. As remarked in last year's report, it is a wonderful Committee. Excellent work is being done on behalf of the community and should be appreciated by all concerned. It was noted from your entry form that you have new members participating in the clean-ups and the maintenance of the flower beds. Well done to all concerned in Lismore for your approach.

### THE BUILT ENVIRONMENT

In the plan you have outlined in great detail the tasks, responsibilities and the year in which it is to be done. It certainly is an outstanding example of how a plan should be presented and laid out. It was also noted that you intend to redouble your efforts over the next few years to maximise your marks. Well done. As last year all the public buildings continue to be maintained in very good condition. It was great to see that work has started on the ESB sub-Station and when the screening and climbers are planted it certainly will look very well. The railings of the School are rusty and do need attention. Both Banks in the town are presented to a very high standard as is the Heritage Centre. The Grotto continues to look magnificent and the seating was freshly painted. The railings were painted in a lovely silver colour. I note that the old CBS buildings at the back of the CBS House are to be knocked. I note that you have met with the GAA officials regarding the landscaping of the grounds in the Community Centre. This is a major task but it will be a challenge to you. It will be interesting to see what the water feature at the monument will look like and one does look forward to seeing this being completed some time in the future. Again the commercial premises in the town continue to improve and congratulations to all concerned. Hopefully, those who have not yet come on board will do so in the near future. A wonderful all round effort by those concerned.

### WILDLIFE AND NATURAL AMENITIES

I note from the progress report that, with any clearing and planting work being carried out, everything possible was done to conserve the natural environment and wildlife and this is to be commended. The ducks continue to flourish on the Canal by the Capouquin road. You will continue to work on the report received from the Conservation Volunteers of Ireland. If the proposed development of the Millennium Park goes ahead you will incorporate and preserve any wildlife that there is. You might find some useful information in the Tidy Towns Handbook under the section on wildlife and natural amenities (see page 65). This could be used side by side with your other report. Also, no doubt, you will incorporate and preserve wildlife areas along this walk. One could see huge scope and opportunity for enhancing or creating nature areas there.

### LANDSCAPING

The landscaping of open spaces continues to be well maintained throughout and this is all the more commendable since you have a considerable amount to work on. Flower beds at the Church of Ireland and tubs of flowers were very well maintained and there was a delightful use of colour here. The green area in the North Mall continues to be kept in a neat and tidy condition. Geraniums surrounding the award plaque were stunning looking. The flower bed at Hospital Lane looked most attractive and again has a lovely selection of plants and shrubs. The Pump area continues to look very well. Trees planted in the open green spaces throughout the town are maturing and are cared for very well. The maintenance of the planting done on the Tallow road some years ago is again, very good. It was good to see that the amalgamated Primary School took your advice on landscaping and also on the wildlife aspect. It might be helpful to you to have a look at the Tidy Towns Handbook, which was sent to you this year. It has an interesting section on landscaping (see page 55).

### LITTER CONTROL

Your management of litter is working well throughout. You have got the assistance and the co-operation of the schools which is great to see, and have harnessed their energy and interest in many ways. Perhaps other youth organisations might give you a hand as well. They include Macra and junior sports clubs. Some litter observed in the Canal, on the green area in the Parks Road housing estate, some at the entrance to North Mall and the ditch side of the Bank Field housing entrance. Perhaps the provision of more litter bins in the right places could be considered. Frequent emptying is also necessary. Well done to you for promoting the An Taisce clean-up during April. Also congratulations to the local Foroige Club and your own members for doing the daily, evening and weekend litter patrol. Also well done to the students on the CESP Course and the Transition Year girls in the Secondary School. You have a large area to control and it needs the support of the entire community.

### GENERAL IMPRESSION

You continued to put in a tremendous effort over the past 12 months. Congratulations to everybody. The town is continuing to look well and you are making great efforts to overcome the problems you have. Your work has contributed considerably to the presentation of the town. It is hoped that this is appreciated by the community at large. Lismore is a pleasure to visit and it can be seen by just looking around, the pride most of the inhabitants of the town have in their environment. The efforts of your Committee are being reflected in the progress which Lismore has made in the Competition over the last couple of years. No doubt, you will continue to do well in the Competition. What you have achieved to-date is outstanding and hopefully success of some kind will come your way in the future. Trusting that the fun and enjoyment which you have got from participating and in making your town a better place to live in, will return to all of the people on the Committee.

### RESIDENTIAL AREAS

This year almost all the residential properties throughout the town are presented to an excellent standard. It is good to see that there is a change of ownership taking place with regard to properties which were a major problem for you, and which are now undergoing renovation. This certainly will improve and upgrade those areas for you. The Chapel Place houses were excellent in almost all cases, with some lovely flowers, hanging baskets, boxes, tubs and pots etc. Again, the Parks Road properties are extremely well maintained for the most part. When the building of the Ashley Court new houses is completed it is hoped that the landscaping will be of a high standard. The bungalows of the Bank Field area were painted in some delightful colours and almost all were well kept. Those who have work to do will hopefully do so over the next few years. Some boundary walls/fencing do need attention. The problems which you had with dereliction thankfully are at an end and one does look forward to seeing the new improvements.

### TIDINESS

The control of weed growth at the kerbs and base of the buildings throughout continues to be very good. The maintenance of the street furniture is commendable. The measure being taken for the cleaning of chewing gum from the pavements and streets is a worthwhile one.

### ROADS, STREETS & BACK AREAS

The car park at the hotel was a delight and is an example of how car parks can and could be presented. There was no litter here and the shrubs which were put in are doing very nicely. The new foot-paths which were put in help with the overall presentation under this category. The approach road from Tallow had some lovely roses under the sign, and were maintained in excellent condition. All the approach roads were maintained in good condition and that includes most of the signs and sign posting. Again, the standard of signage continues to be maintained and you have taken on board the use of bilingual signage. No doubt more of that will happen over the years. It is good to see that you also have put in place a hand rail at the entrance to the Church and that you are presently drawing up plans for wheelchair access. Well done to all concerned.

### 2nd ADJUDICATION (09/08/99)

The tremendous efforts that have been made in Lismore over the past few years are enabling this town to become among the strongest contenders in the competition. The atmosphere of progress and improvement in so many aspects is very evident. The castle, river, cathedral and array of interesting buildings make Lismore a truly pleasant place to visit. The presentation of the houses on Chapel street is a delight. The North Mall is particularly attractive. The large wall mounted baskets along West Street were splendid. The enthusiasm with which Lismore has been developed to its present state will continue and even more success will be achieved

# WEST WATERFORD NOTES

## OUT AND ABOUT

Great to see Bernard Mooney Piltown now home from hospital and out and about once again. Continued good wishes to you Bernard.

## Ploughing in Clashmore

Ploughing is in the air as a large contingent from West Waterford plan to head for Castletownroche this week for the National Ploughing Championships. If you don't make it to the big event during the week then you can enjoy the very best of local and national talent here in Clashmore at the weekend.

The annual Clashmore Ploughing match takes place on Sunday next the 3rd of October on the lands of the Connery family at Monatrea, Kinsalebeg. The usual classes and the first sod will be turned at 12.00 noon sharp. New and young competitors are very welcome to try their skills.

## Sympathy

With deep sadness we record the very sad death of Martin (Strainer) Power dearly loved son of Bertie and Mary Power Ballylavin, Park, Youghal. Martin was one of five sons, all of whom were very close and united.

Despite a life long illness, Martin never allowed it to prevent him from progressing in life. He went on to develop his talents and was a mechanic of high renown.

He had built up a very successful business. It is indeed very tragic that he should be taken to his heavenly home in the prime of his life and career.

His death at Cork University Hospital on Monday September 20th was a devastating blow to his mam and dad and to his brothers and dearest friends Robert, Michael, Liam and Eugene. To each of you our deepest and heartfelt sympathy.

On Tuesday Strainer's removal took place from Egans funeral home Youghal to Inch Church. On Wednesday afternoon following requiem Mass Strainer was laid to rest at North Abbey Cemetery. Ar dheis De go raibh a anam.

## Good luck to the Girls

Our very good wishes to that fine team of Waterford ladies who line out on Sunday to take on the girls from Mayo in the All Ireland Ladies Football Final.

We do hope the girls get all the support they deserve. There is no need to remind you all that football is a "Gal's game in Waterford". Our thoughts must be with the mighty Clashmore lady who may be confined to the side line on Sunday due to injury, Catriona Casey.

No doubt this Dublin teacher will have plenty of good advice and encouragement for the team. Good luck to Michael and his team. Hope you do the business on Sunday.

## NATIONAL PLOUGHING CHAMPIONSHIPS

Over the next few days a huge contingent from this area will travel to the National Ploughing Championships in Castletownroche Co. Cork.

Among the competitors to represent Waterford in

## Death of Michael Fitzgerald

Once again it is our sad duty to record the death of one of our most unassuming of citizens Mr. Michael Fitzgerald, Bawnacomera on Monday September 20th at his home.

His remains were removed from Egans funeral home Youghal on Tuesday evening last to St. Declans Church Ardmore.

Following requiem Mass on Wednesday morning Michael was laid to rest in St. Declans cemetery Ardmore.

Son of the late Patrick and Anne Fitzgerald Michael was only ill for a short time and his death was an unexpected blow to his family. A quite inoffensive person who minded his own business, obliging and helpful and deeply religious,

Michael lived all of his life at Bawnacomera where he farmed. He was very popular with all his friends and neighbours.

Michael's death is deeply regretted by his brothers Eddie, Brendan and Gerald, his sister Eileen together with their families. To each of you our deepest sympathy.

## Tragic Accident

Once again a tragic accident in our parish has claimed the lives of two beautiful young girls. The Youghal sisters Stephanie and Karina Kiely from Atlantic Park were killed in a two car crash at Shanacoole on the main Dungarvan Road on Saturday afternoon last.

The accident happened during a down pour which no doubt contributed to the accident. This accident not only brought great grief to the girls parents Margaret and Michael and their siblings Trevor and Melissa but also the O' Rourke family here in Ballyheeneey Clashmore. Seamie O' Rourke and Stephanie have been childhood sweethearts and planned to leave for the United States this coming weekend, where they hoped to spend some time.

Both Stephanie and Karina were well known and had a huge circle of friends in this area. Both girls worked in Youghal town. Their removals took place on Monday evening from Egans funeral home to the Strand Church. Following Mass on Tuesday both girls were laid to rest side by side at North Abbey new grounds.

Words of ours will be of little consolation to their broken hearted families, but knowing we share their grief and loss and are here to support them in the empty days ahead may be of some comfort. Sleep in peace Stephanie and Karina.

In conjunction with the Corbett Court we promoted a draw with two All Ireland Football Final tickets, the first of a number of prizes. Cards were distributed to business premises in West Waterford, East and North Cork as well as to club members. On the night a cheque for £6,000 was handed over to the fundraising committee. # Kenneally Welcomes £12,000 For Tallow Enterprise Group

Waterford Deputy Brendan Kenneally has welcomed the grant of £12,000 from the Minister for Social, Community and Family Affairs, Dermot Ahern, TD for the Tallow Enterprise Group.

"The grant will be used to set up a computer training centre in Tallow to provide courses for lone parents, long term unemployed and early school leavers," said Deputy Brendan Kenneally.

"This money is being awarded under the Scheme of Grants to Voluntary Organisations where once-off grants may be made to help organisations working with disadvantaged groups or in disadvantaged areas," said the Waterford Deputy.

The grants may be provided for renovation or acquisition of premises, purchasing equipment or transport, once-off publications or research and other special projects, he added.

"I look forward to seeing many other organisations such as the Tallow Enterprise Group benefitting from £21 million being made available by the Minister this year," concluded Brendan Kenneally, TD.

## WATERFORD FEATURES STRONGLY IN BRIDGESTONE FOOD GUIDE

Barron's Bakery in Cappoquin, Hanora's Cottage in the Nire Valley, Buggy's Glencairn Inn in Glencairn and the Tannery in Dungarvan are among the Waterford inclusions in the latest edition of John & Sally McKenna's Bridgestone Irish Food Guide. This is the first time the Guide has inclusions for all 32 counties in Ireland. At a time of unprecedented concern about the safety, origins and quality of the food we consume, the Bridgestone Irish Food Guide provides a county by county listing of what John & Sally consider to be the finest food producers, growers and cooks. Their comprehensive guide details information about Irish restaurants, pubs, cheese makers, butcher, brewers, street markets and organic farmers rather than expensive, exclusive places to eat. This single volume (of 288 pages) is the most comprehensive guide to shopping and eating in Ireland while, at the same time profiling the people who are the backbone of this industry. The guide reveals the best of Ireland's food culture in an easy to understand, reader friendly way.

## A Gallant Affane Performance

### Munster Junior Cup Bohs 6 Affane 0

We travelled to Waterford city on Sunday to play Bohs in the Munster Junior Cup. We approached this game knowing we were probably going to lose and how many goals we would concede, but also to use this game as an experience and mostly to enjoy the occasion. The team was picked early by our manager Stephen Crotty and he gave each player a job to do and asked each individual to give everything he had and play with pride and get stuck in early and stick to our game plan. This was going to be the biggest game in our clubs history. The game started with Bohs going straight on the attack to get an early goal but this did not happen because our goal keeper Jamie Corcoran was outstanding between the posts. The game settled down and we ourselves created a few chances but to no avail. With four minutes remaining in the first half Boh's got their first goal with a clinical finish from just inside the box. At half

time we were very pleased by our performance and all the manager could say to us was to try to keep things the same. The second half started again with Bohs starting well and creating chances but our defensive four Dermot Twomey, Michael Browne, Michael McCarthy and Richard Prendergast stood firm. Our midfield were holding their own with Michael Prendergast, Tony Henneby, Eamonn O' Shea and John Crotty all playing up to their usual standards. Kevin Reddy and Patrick Morrissey did a fine job in closing down Boh's defence with great effort. With 61 mins. gone a mix up in our defence allowed Boh's striker to pounce to score the second but again we stood firm. About now players started to feel the pace of the game and gradually Boh's were putting more pressure on us starting to wear us down. Entering the last ten minutes Boh's got another two goals to make it 4-0 and got another two goals to make it 6-0 after the ninety minutes were up. It was a splendid and a ster-

ling performance by our players including our subs, Shane Coughlan, Evan Sheehan. It was a day we will remember for a long time and hopefully this will be our yard stick for our season. We would like to thank the Bohs club for a wonderful and sporting game and also for putting up tea and sandwiches after the game.

Panel; J. Corcoran, D. Twomey, M. Brown, M. McCarthy, R. Prendergast, M. Prendergast, T. Henneby, E. O' Shea, J. Crotty, S. Coughlan, K. Reddy. Subs; P. Morrissey, I. Sheehan used. J. McGrath, C. O' Mahoney, D. Fraher, J. Meagher.

Our club would like to extend our deepest sympathy to the Buckley family and Meagher family on recent bereavements.

## St. Declan's Community College Notes

### WATERFORD COLLEGES SENIOR HURLING SEMI FINAL

#### St. Augustine's 2-11 St. Declan's 2-8

St. Augustine's emerged victors in a tight semi-final game played in poor weather at St. Augustine's.

Exchanges were tight in the opening quarter as the Kilmac' side, playing against the very strong wind poached two valuable goals by D. Power and E. Galvin. However, as the half wore on, the Friary boys got very much on top and a string of excellent scores saw them lead by nine points at half-time.

Half-time score: St. Augustine's 2-10 St. Declan's 2-1. The Kilmac' side improved greatly in the second half, and J. Kennedy

struck over a string of great points to haul St. Declan's back into contention.

However, time ran out for the St. Declan's side as they tried in

vain for the goal to bring the game to a replay. St. Declan's face the Munster Championships in a few weeks, and will have benefited from this game.

Best for St. Declan's: J. Halpin, E. Rockett, E. Galvin and J. Kennedy.

St. Declan's; A. Whelan, D. Ryan, J. Halpin, C. Long, M. Comerford, E. Rockett, D. O'Reilly, N. Power, D. Long, E. Galvin (1-2), S. O'Leary, K. Whelan (0-1), D. Power (1-0), J. Kennedy (0-5), J. Cuddihy. Sub; M. Whelan (0-1).

### MUNSTER TEAM

Congratulations to Michael Power (Fourth Year) who was part of the Munster Panel that played Leinster in an Australian Rules Compromise Game played at Portarlington last week.

### PARENTS COUNCIL

The AGM of the Parents' Council will take place on Tuesday, 4th October at 7.30 pm. All parents are encouraged to attend as this is an important meeting.

## GAA NOTES

### U-11 Hurling Challenge Cappoquin 3-6 Ballygunner 4-0

Last Sunday we travelled down to Ballygunner for a challenge game before we went to the County Final. We would like to thank Mick Mahoney and Ballygunner for giving us the game and it was great to see local man Tom Fives there, even though he never knew who was playing because we went wearing Blue and Gold jerseys. We would also say congratulations to Tom and Ballygunner on their great win over Mount Sion in the final.

Our panel of players were Shane Power, Joe Kett, Paul Murray, David Leahy, Killian Denn, Mark Landers, Ian Mason, Shane O'Rourke, Shane Fives, Steven Power, Mickey Fenton, J. J. Devine, David Hill, David Cahill, Ivan Cliffe, Warren Lonergan, Seamus Fitz, Olan Murray, Paudi Moore, Kieran Flynn, Daithi Wilkinson.

On the insured list at the moment, J. J. Devine (broken finger), Paul Murray (broken wrist), Olan Murray (hamstring) and Shane Power (stitches), who even lined out in goal last Sunday, that's commitment. A thing a lot of the adult players in the club could get to know something about. Wishing you all speedy recovery lads.

## All-Ireland Ladies Football Final

# EXPERIENCE, YOUTH, SPEED AND ABILITY TO SUCCEED FOR WATERFORD

Once more the moment of truth dawns for the Waterford Senior Ladies Football team as they prepare to meet Mayo in the final of the Bank of Ireland, All Ireland Championship next Sunday. It promises to be anything but a dull encounter, with the eagerness of relative newcomers Mayo, matched with the veterans of the Deise.

Will it be a battle of youth and speed versus experience? That hardly sums up the prospects as one could not possibly categorise this Waterford team as old. Particularly as they have lost one of their stalwart and most experienced players in Caitriona Casey to injury and will have a choice of several young players to make up the numbers.

The loss of Rebecca Hallahan will be strongly felt in the camp, especially as the circumstances of her departure and the severity of her suspension has left everyone breathless. It may well redouble the efforts of the Waterford Ladies to bring home the Brendan Martin Cup for the second year in a row and the sixth time in all and if their disciplined closing performance against Monaghan in the semi final can be duplicated, then they will celebrate victory once more. No one could have expected the young Waterford player, who has never encountered any official sanction from a referee before, to have been dealt with so harshly and Waterford supporters are making no secret of their anger at how Rebecca has been treated.

"No one in Waterford can remember a first time booking and dismissal getting a three months suspension before", said a long-time follower of the game this week, "and one has to wonder whether this was reserved specially for a Waterford player. The same severity was not applied to a player who committed a lack of consistency in disciplinary matters".

She said the make-up of the disciplinary committee and length of suspension smack almost of a 'get Waterford' policy, though there is no official confirmation that this is how the recent events are viewed among Waterford circum-

stances and the absence of Caitriona Casey through injury, present problems for Michael Ryan and the selectors.

"We have surmounted great obstacles before", said Michael Ryan this week, "and we can and will get over our present difficulties. I am sad that Caitriona will miss the final through injury and I know that Rebecca is devastated at how she has been treated. The team will take heart from our present problems and I know that they will want to succeed, particularly for the sake of the two girls".

"We are well prepared, both physically and mentally and will meet the Mayo challenge head-on. We have experience, we have youth, we have speed and ability. All we need are even breaks on the day and we will be victorious. The girls are focussed on the task ahead and we will spend the remaining days fine-tuning our tactics and getting our mental attitude right. I know the girls will give it one hundred percent and more, and that is all we have a right to expect. Personally I feel it will be enough".

One of Michael's biggest problems in recent weeks has been the throngs who 'assure' the team members that the result is a foregone conclusion in their favour. Michael Ryan, his assistant Bridget Grant and team captain Claire Ryan have worked hard to counteract this, though they know that most of the team are experienced enough to realise that nothing comes easy in Croke Park.

They have done the work, they have made their preparations and will fight hard for every ball. In times of inevitable crisis, they will look to the fans to help them through, so a good showing on the terraces is vital. Michael, Bridget and Claire appeal for strong support in Croke Park and expect a sea of blue and white in the stand. They ask the fans not to disappoint them.

# Waterford Ladies Bid For 6th All-Ireland Football Title

The talking has been done, the plans have been hatched, now its time for the action to begin as Mayo and Waterford contest the All Ireland Senior Final at Croke Park on Sunday next in a bid to conquer the games greatest prize, the prestigious Brendan Martin Cup.

It's a novel pairing, Mayo in their first Senior Final appearance whilst Waterford will be playing in their 7th final in 9 years so experience very much favours the reigning All Ireland champions from the South. In addition Waterford drew last year's final before winning the replay so this is the 8th appearance of Olivia Condon, Martin and Geraldine O'Ryan, Noirin Walsh and Aine Wall on the big stage.

Thus Waterford are burdened with the tag of favouritism

but all in all it's been a bad year for the favourites. This is a very young Mayo team, as many as 9 minors could make the first 15. That can work two ways, perhaps the occasion could get to them or else it could work in their favour.

For a start they will hardly know several of the Waterford players so they may not be inhibited by them. Waterford will be hoping for the first scenario. The first ten minutes of the match will be vital. Waterford will be hoping for a good start, to take control of the game early on and to impose themselves.

They have a very seasoned outfit, are used to pressure games and love the big occasion. The loss of Rebecca's Hallahan and Catriona Casey is huge, no doubt about that. They

are very unhappy about Rebecca's suspension for 3 months. This was her first ever booking and it's very hard to justify that severity of the sentence. Catriona Casey is still on crutches with a broken leg.

However, Waterford have got to put all that behind them. It's vital they are focussed. Clare got their focus last year with Lynch's suspension and hopefully Waterford won't fall into that trap. The subs coming in are good players in their own right and should be well able to cope.

Another interesting feature of the game is the appointment of the referee Finbarr O' Driscoll. O' Driscoll was in charge of the 1997 final when Waterford lost in controversial circumstances to Monaghan after 11 minutes of injury time

having led after 65 minutes. Again it's something that Waterford are good enough to overcome playing to their full potential.

In the Munster Semi Final Waterford received a walk over from Clare and had a easy victory over Cork in the Provincial Final. Then came the semi final clash with Monaghan, a clash in every sense which brought a 1-15 to 1-9 victory with every single one of Waterford's scores coming from play.

The last quarter was vintage as Waterford down to 14 players and having lost Aine Wall and Catriona Casey through injury scored 0-5 to Monaghan 0-1 to clinch victory. Monaghan had won the league final by a 6 point margin so this result was particularly sweet.

Mayo are the only Senior team in Connaught, so their only game was against a Meath team that had come through a difficult Leinster campaign. Mayo after a slow start were impressive scoring 3-13 in the progress. They showed plenty of scoring power, are a fast, nippy team that could trouble any opposition.

The Heffernan sisters Christine and Marcella, goal keeper Denise Horan, captain Diana O' Hara, Cora Staunton and Claire Egan are all accomplished footballers, capable of troubling anybody. Manager John

Mullen will have them well prepared.

A worry for them is the fact that they lost the last 2 All Ireland Minor Finals, failing to deliver on the big day when the chips were down. Of course that will give them a huge incentive to succeed on this occasion and it could well be the spur they need to propel them to victory.

Waterford had a number of injury problems during the last few weeks but hopefully these will all clean up for the game. They know that it's in their own hands. They have their players and they know how to capture a 6th title since 1991. If they can produce the form of the last quarter 4 weeks ago then the Cup could well be back in Dungarvan on Monday evening.

The game is being televised live by RTE, and the Broadcast can also be heard on RTE Radio 1 and WLR fm with Kieran and Jim Joe doing the honours.

### NO APPEAL

Waterford have been refused permission to appeal Rebecca Hallahan's 3 month suspension. An emergency manager meeting of the Ladies Gaelic Football Association at the Tullamore Court Hotel last Friday evening "in their wisdom" decided that an appeal wasn't justified. Thus Rebecca Hallahan will miss the All Ireland Senior Final and Ballymacbray's Club championship campaign. For a player who had never previously been booked it's a shame that a hidden agenda should see to this. Hopefully Waterford and Ballymacbray will respond as they have always done on the scoreboard.

**COWARD** — Sixteenth Anniversary — In loving memory of my dearest mother, Ellie Coward, late of 6, Congress Villas, Dungarvan, who died on September 30, 1983. Mass offered.

A million times we've missed you,

A million times we've cried,  
If love could have saved you,  
Mam,

You never would have died.  
Things we feel most deeply,  
Are the hardest things to say,  
Our dearest one we've  
always loved you,  
In a special way.

(Forever loved and remembered by your loving son Monnie, daughter-in-law June and granddaughter Helen.)

**COWARD** — Sixteenth Anniversary — In loving memory of my dear mother, Ellen Coward, late of 6, Congress Villas, Dungarvan, who died on September 30, 1983.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
In the centre of God's garden,

There is someone special there,

That someone is my mother,  
The best beyond compare.

(Never forgotten by your loving son Locky, daughter-in-law Kathleen and family.)

**DORAN** — Eighth Anniversary — In loving memory of Rita Doran, late of 112, Childers Estate, Dungarvan, who died on October 6, 1991.

MUM

Your memory is our greatest treasure,

To love, to hold, to keep forever,

For all your understanding,  
For all your patience through the years,

For sharing every happiness,  
As well as all the tears.

No one could ever equal you,  
No matter how they tried,

You gave us all you had to give,

Gifts both big and small,  
But most of all you gave us love,

The greatest gift of all.

(Still loved, still missed with each passing day — your loving sons and daughters.)

Loved and remembered by all she knew,

**WOODS** — First Anniversary — In loving memory of our mother, Bridie Woods, late of 47, Caseyville, Dungarvan, who died on October 3, 1998.

Our life goes on without you,  
Ma,

But things are not the same,  
It's hard to lift the heartache,

When someone speaks your name,

Some say as time goes by,  
The heartache will subside,

But the feelings in my heart today,

Are the same as the day you died.

The words I write are nothing,  
Ma, of the way we feel,

We miss you more than any words could ever reveal.

This past year without you,  
Was the longest we have known,

We treasure every thought of you,

And keep you in our hearts.

So if you see us cry, Ma,  
And looking very sad,

It's because we love and miss you,

From the bottom of our hearts.  
(Never forgotten by her loving daughters and sons.)

**WOODS** — First Anniversary — In loving memory of my grandmother, Bridie Woods, late of 47, Caseyville, Dungarvan, who died on October 3, 1998.

Anniversary Mass on Saturday, October 2, at 7.30 p.m. in St. Mary's Parish Church.

Nan, you always had a smile to share,

A laugh, a joke, and time to care,

A wonderful nature, warm and true,

These are the memories I have of you.

The gates of heaven stood open,

One year ago today,  
With farewells unspoken,  
You quietly slipped away.

Our hearts are full of memories,

We treasure them with care,  
Find the softest pillow, Lord,  
To rest her head upon,

Place a kiss upon her cheek,  
And tell her who it's from.

(Always loved, never forgotten — your granddaughter Moira and Mike.)

**WOODS** — First Anniversary — In loving memory of my dear mother, Bridget, late of 47, Caseyville, Dungarvan, whose anniversary occurs on October 3.

A little tribute small and tender,

Just to show we still remember,

A heart of gold, a life so true,  
Loved and respected by all she knew.

Always willing, helpful and kind,

What beautiful memories she left behind,

Will those who think of her today,

A little prayer to Jesus say.  
(From your son Matt and daughter-in-law Cáit.)

**WOODS** — First Anniversary — In loving memory of Bridget Woods, late of 47, Caseyville, Dungarvan, who died on October 3, 1998.

A heart of gold, a life so true,  
Loved and remembered by all she knew,

Always willing, helpful and kind,

What beautiful memories she left behind.

(From Francis, Annette and family.)

**WOODS** — First Anniversary — In loving memory of my grandmother, Bridie Woods, 47, Caseyville, Dungarvan, whose anniversary occurs at this time.

We sat beside your bedside,  
Our hearts were crushed and sore,

We did our duty to the end,  
'Til we could do no more.

In tears we watched you sinking,

We watched you fade away,  
And though our hearts were breaking,

We knew you could not stay  
You left behind some aching hearts,

That loved you most sincere,  
We never shall and never will,  
Forget you, Nanny dear.

(Always remembered by your granddaughter Mary, Danny, great-grandchildren Michelle, Trevor, Kenneth.)

**WOODS** — First Anniversary — In loving memory of my dear mother, Bridie, 47, Caseyville, Dungarvan, who died on October 3, 1998.

What she suffered she told but few,

She did not deserve what she went through,

Tied and weary she made no fuss,

But tried so hard to stay with us.

Two tired eyes are sleeping,  
Two willing hands are still,

The one who worked so hard for us,

Is resting at God's will.

Our lips cannot speak how we loved her,

Our hearts cannot tell what to say,

But God only knows how we miss her,

In our home that is lonely today.

Your life was love and labour,

Your love for your family true,

You did your best for all of us,

We will always remember you.

In a near and silent graveyard,

Where the trees their branches wave,  
Sleeps a kind and loving mother,

In her cold and lonely grave.

She bade no one a last farewell,

She raised her hand to none,  
Her spirit flew before we knew,

That she from us had gone.  
(From your loving daughter Mai, Mike and family.)

**WOODS** — First Anniversary — In loving memory of my dear grandmother, Bridie, late of 47, Caseyville, Dungarvan, who died on October 3, 1998.

It was a sudden parting,  
Too bitter to forget,

Those who loved you dearly,  
Are the ones who can't forget.

We often sit and think of you,  
And think of how you died,

To think you could not say goodbye,

Before you closed your eyes.

Your life was one of kindly deeds,

A helping hand for others needs,

Sincere and true in heart and mind,

Beautiful memories left behind.

The blow has hard, the shock severe,

To part with one we loved so dear,

Our loss is great, we'll not complain,

But trust in God to meet again.

Two tired eyes are sleeping,

Two willing hands at rest,  
The one who worked so hard for us,

Is resting at God's will.

Our family chain is broken,  
Nothing seems the same,  
But as God calls us, one by one,

The links shall join again.  
(From your grandson Patrick, Mai and Aaron.)

O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — K.McG.

**GRATEFUL THANKS** to the Sacred Heart, Our Lady of Knock, St. Clare, St. Anne, Blessed Virgin, St. Joseph, for helping me recently with a major problem. May the Sacred Heart of Jesus be praised, adored, glorified and loved, today and every day throughout the whole world, forever. Amen. Request will be granted. I am hoping for a suitable job too so I know they will not let me down. I place my trust in them all my life. — An Unworthy Person.

**NOVENA: PRAYER TO SACRED HEART** — Dear Heart of Jesus, in the past I have asked many favours of you, but this time I ask for this special one (mention favour). Mass offered on Tuesday, 5th October, at 9.30 a.m., in St. Mary's Parish Church

Lorraine, your memory is precious and never grows old,  
It is locked in our hearts in letters of gold,  
Your presence we miss and memories we treasure,  
Missing you always, forgetting you never.  
Lorraine, we lost someone we loved,  
And the hurt is hard to hide,  
We lost you, our daughter,  
The hurt lies deep inside.  
You left us so quietly,  
Your thoughts unknown,  
But you left us memories,  
We are proud to own.  
(Love — Mum and Dad.)

**CROTTY** — Birthday Remembrance of Lorraine, on her 17th birthday on October 5, late of 80, Silversprings, Dungarvan,

A heart of gold, a life so true,  
Loved and respected by all she knew.  
Always willing, helpful and kind,  
What beautiful memories she left behind,  
Will those who think of her today,  
A little prayer to Jesus say.

(From Margaret, John, Anne, Ricky, Teresa, Jerry, Kevin, Cathleen, Bernie and Michael from overseas.)

**CROTTY** — Birthday Remembrance — In loving memory of a dear niece, Lorraine, late of 80, Silversprings, Dungarvan, whose 17th birthday is on October 5.

To love, to cherish and never forget.  
(Love — Theresa, Gerry and family, England.)

**CROTTY** — Birthday Remembrance — In loving memory of our dear sister, Lorraine, late of 80, Silversprings, Dungarvan, whose 17th birthday is on October 5.

**LORRAINE**  
There is a girl in heaven,  
We love beyond compare,  
That girl is our sister,  
So precious and so rare,  
So precious things are very few,  
That's why there was only one of you,  
Precious memories are all we have,  
Of a sister we love with all our hearts.  
Memories have such lovely ways,  
Of bringing back our yesterdays,  
As you were you will always be,  
Very special in our memories.  
Happy Birthday, Lorraine.  
(Love — Darren, Gary, Karen and Valerie.)

**CROTTY** — Birthday Remembrance of a wonderful granddaughter, Lorraine, on your 17th birthday on October 5, late of 80, Silversprings, Dungarvan, I will always remember that day,  
When that ship sailed away,  
With Tracey your friend.  
I will always remember your good sense of humour,  
And the laugh we had that day,  
The treasured memories will stay locked in my heart forever,  
I will see you again one day.  
(Love — Nanny and granddad.)

**CROTTY** — Birthday Remembrance — In loving memory of a dear niece, Lorraine, late of 80, Silversprings, Dungarvan, whose 17th birthday is on October 5.

There comes a time for all of us,  
When we must say goodbye,  
But faith and hope and care and trust,  
Can never, never die.  
As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.  
(Love — Ann, Ricky and family, England.)

**CROTTY** — Birthday Remembrance of my dear friend, Lorraine, 80, Silversprings, Dungarvan, whose 17th birthday is on October 5.

Whenever I am feeling down,  
Or I am feeling blue,  
The first thing I always do,  
Is turn, my friend, to you.  
In no time I'll feel better,  
You had that certain way,  
Of bringing out the sunshine,  
When all looked dull and grey.  
If I could see your cheerful smile,  
And those big brown sparkling eyes,  
Or to hear your soft, sweet, gentle voice,  
It would make all my dreams come true.  
Lorraine, if you ever feel that you have been forgotten,  
Just take a look within my heart,  
And you will see you couldn't.  
Happy Birthday, Lorraine.  
(Loving you always, forgetting you never, your best friend Emma.)

**HALPIN** — Birthday Remembrance of Thomas Halpin, late of Lackenfune, Dungarvan, whose 42nd birthday occurs on October 2. Masses offered.

Our lips cannot speak how we loved him,  
Our hearts cannot tell what to say,  
But God only knows how we miss him,  
In our home that's lonely today.  
(Loved and sadly missed by Nollaig, Richard, Patrick, Tony, Tomás and Chloe.)

It does not take a special day,  
For us to think of you,  
Each Mass we hear, each prayer we say,  
Is offered up for you.  
(Sadly missed — from his parents, brother and sisters and families.)

**CROTTY** — Birthday Remembrance — In loving memory of a dear niece, Lorraine, late of 80, Silversprings, Dungarvan, whose 17th birthday is on October 5.

# TOURANEENA NOTES

## TOURANEENA RACQUETBALL NOTES

### Bears Take The Lead

The pre tournament favourites for the Knockmeal Supermarket team league are in pole position after 3 weeks play. The Bears team captained by Christine Cliffe are equal on points with Karen Cliffe's Sharks team but the Bears hold the top position as they have less games conceded.

Karen teamed up with Pearl Grace to record a victory over Christine who was partnered by Michael Myles. Karen then formed a very impressive partnership with Sean Fitzpatrick and they had an excellent win over the combination of Diarmuid Walsh and Christine Cliffe.

J. J. Coffey was in fine form and he had a straight games victory over Marie Quinlan. Jamie Cullinan gained 2 more points for the Bears with a victory over Eimear O'Connell. Quentien Hickey was made fight all the way by Finnian Grace. An 11-10 Quentien victory for Quentin will tell you how close the match was. Aiden McGrath teamed up with Aoife Hickey to record an 11-8 Quentien victory over Eamonn Power and Mairead Hickey. Willie Power and Linda Wall were set for victory over Pat Keane and Fiona Gleeson with a 15-6 victory in the opening game. The quality of Fiona's serves were the key to victory in the remaining game and Quentien set however.

For the Eagles, Niamh Coffey and team captain Michelle Gleeson recorded a 15-13, 15-14 victory over Mairead Hickey and Fiona Gleeson. Jack Power teamed up with Niamh and defeated Ian Dunford and Mary Wall on a 2-0 score-

line. Michelle was partnered by Seamus Power and they recorded a very impressive straight games victory over the combination of Tristan Hickey and Lily McGrath.

For the Dolphins, team captain Eileen Hickey and her partner Michael Hennebry beat Eoin Walsh and John Barron on a 2-0 scoreline. Eanna Power and Jonathan Hennebry also combined well to record a Quentien victory over Sean Dalton and John Power.

The league table is as follows (points against in brackets). 1 Bears 19 pts (15), 2 Sharks 19 pts (22), 3 Eagles 16 pts (19), 4 Dolphins 15 pts (13).

### Eileen Wins a Classic

Eileen Hickey produced a truly magnificent performance in the first round of the survivor series to record a brilliant victory over Linda Wall. After a slow start to the game, it progressed into one of the best games we have seen so far this year. The 2 girls played superbly but to say the performance of Eileen in particular was brilliant would be an understatement. Never before have we seen her show such determination and stamina and this can be attributed to her all round improved fitness level.

Linda recorded an 11-7 opening game victory and then recovered from a 7-1 deficit in the second game to record a 13-11 victory. Eileen then hit top form and levelled up the match with 11-4, 11-8 victories in the third and fourth games. In the fifth and final set, Eileen produced some awesome shots to record a fully deserved 11-4 victory. Great credit to both girls for serving up such a great spectacle. Eileen send out a message to the rest of the female players so some of the top players can be on

their guard as Eileen is catching up as all her training is starting to reap the rewards.

Also in the survivor series, Eamonn Wall recorded a 3-0 victory over Karen Cliffe while Seamus Power defeated Aidan Hickey on a similar scoreline.

### All Ireland 'B' Finals

The All Ireland 'B' Finals are being held this weekend in Arklow, Co. Wicklow. We have a good team travelling and many of them will have an excellent chance of finishing in the medals. All players are to bring the club shirt, shorts and white stockings with them. Best of luck to all the competing players.

### Boys Soccer Blitz

The boys soccer Blitz will be held on this Friday evening starting at 7.00 pm. Contact Tristan Hickey or Seamus Power for details.

1 Name the 2 Irish golfers on this years Ryder Cup team?

2 For what club did Roy Keane play for before he joined Nottingham Forest?

3 What cyclist crashed out of last years Tour de France when coming into Youghal while leading the race?

4 Who won the recent US ladies Tennis Open?

5 With what sport would you associate Tony McCoy?

6 Who was the last person to win the Mens Open Racquetball National title before Noel O'Callaghan?

7 What make of Motorcycle does top T.T. racer Joey Dunlop drive?

8 What sport is Bord na gCon the name of its national association?

9 What province was the 1998 Interprovincial Ladies Football Champions?

10 What club won this years All Ireland 7 a-side Hurling Final?

### SLIABH CGUA GAA NOTES

We would like to wish Olivia Condon the very best of luck when she lines out with the Waterford Ladies Football team on Sunday next in Croke Park to participate in the All Ireland Final against Mayo. Olivia is a native of Sliabh gCua, daughter of Tony and Betty Condon, Langanoran.

The Hurling match held in the Gaelic Field in Cappoquin last Saturday was apparently held in atrocious conditions with the pitch being water logged and basically unfit to play on. Reports suggest that the game should have been postponed however, it was not and to add further to the bad

weather conditions, cold water was the only water available in the shower rooms for the players after the match.

Coming into the millennium, it is a very sad affair that hot water at the very least, cannot be available for GAA players after providing good quality entertainment for many people - in any weather conditions.

### Sympathy

The death took place on Friday last of Bridget Walsh, Knockboy, Ballinamult. Her remains were removed from her home to St. Mary's Church, Touraneena. Burial took place on Saturday after 12 o'clock mass to the adjoining cemetery. Deep sympathy is extended to her son Paddy, daughters, sisters, brother, grandchildren, sons-in-law, daughter-in-law, nephews, nieces, relatives and friends.

We also extend sincere sympathy to Mary Morrison and family, Touraneena on the recent death of her uncle, the late Michael Tyrell, Abbeyside. May they rest in peace.

## AGLISH DEVELOPMENT NOTES

A great night was had by all in the village Inn at Aglish on Saturday last, the 25th of September when six locals added some spectacular colour to their hair to raise money for the Development group and St. Lukes cancer unit in Dublin. Each of the volunteers and members went out of their way to collect sponsorship and we raised over £1,250. We would like to thank the staff of Step Above hair salon in Mary Street, Dungarvan for the excellent work they did on Saturday night. Mags, Mary and Helen put plenty of colour in each of the heads and they also distributed some wash out colours for the kids that were there. Eilish Corr, Mick Bestin, Angela Walsh, Maggie Landers, Mary Curran and Derry Cotter were the six participants and they are all now looking very colourful indeed. Well done to all of them for taking part and also a special thank you to all involved and all who sponsored us. Well done to all students in the locality who received their Junior Cert results last Wednesday.

Get well soon to Mrs O'Grady, James Hallahan and Mary Flynn who are in hospital at the moment.

On behalf of The Aglish Development Group I would like to give out an open invitation to all for a presentation evening for the winning of the village litter free zone challenge. This celebration will take place in the Village Inn, Aglish on Saturday the 16th of October and as stated previously all are welcome. This was a great achievement for our village and on behalf of Aglish Development we would like to take this opportunity to thank all involved again. Music starts at 9.00 pm and a great night is guaranteed and we will hope to see you there.

Welcome home to Anne Curran who returned from Australia last weekend. Glad to have you home again Anne and also we would like to welcome Steve Kept who travelled with her to Ireland. Hope you enjoy your stay Steve.

### EXAM RESULTS

Congratulations to all our students on receiving such good results in the Junior Cert examination. Keep the study up!

### REUNION

Over the year we often wonder where some of our classmates ended up. It was the usual thing to head for England or America when there was no work or prospects at home. Sometimes we heard of some of the past pupils making the journey home to visit the old places again.

With this in mind, we wish to organise a Modeligo National School Reunion. A meeting will be held on Friday, 24th October at 8 p.m. in the Modeligo Community Centre. All interested parties are invited to attend.

It would be a fitting project to celebrate the millennium by bringing many old friends together once more.

## ARDMORE A.F.C. NOTES

# Excellent Performance By Ardmore Just Fails

## ARDMORE 2 TRAMORE 3

There was a good attendance at Dysert Park on Sunday afternoon for this eagerly awaited Munster Junior Cup first round clash against Waterford Junior League side Tramore.

Ardmore were in no way over awed by their illustrious visitors, the home side settled quickly and did everything just right (that's right). They looked the better side with Veale, Cathal and Maurice Hennessy and Adrian O' Donnell closing down every effort from Tramore. Paddy Gall was running his socks off at the back when needed and combining well with Hairy O'Sullivan, Anthony Aherne and Johnnie Hennessy in the middle. It was refreshing to see Ardmore willing to have a go, always a good policy on a wet day. The goal of the day and it could be classed as the goal of the season, it will be long talked about anyway. As I saw it James O'Donnell was taking a 15th minute direct

from kick from about 35 metres, after his distinctive little run up he seemed to kick with a fraction of the inside of his boot, anyway he connected perfectly, the ball was flighted at a perfect height at three quarter distance, the ball curved reminiscent of a Brazilian banana bender, the goalie was fooled with the ball gaining entry to the Tramore net by a bare couple of inches gap between the cross bar. 1-0 to Ardmore.

The rain came bucketing down at the 25th minute stage, Ardmore were still mounting attacks with Mikie Supple working to good effect on the right. A great solo effort from Johnnie Hennessy in the 30 minute was rewarded when

he left fly with a hard low shot which proved too hot to handle by the Tramore keeper, 2-0 to Ardmore.

Ardmore keeper Damien Lenane was doing well dealing with everything that came his way. A feature of Tramore's play was the quality of their corner kicks. A 32nd min. corner resulted in the ball being scrambled into the Ardmore net by Coleman Power 2-1. Ardmore withstood some major pressure and held their one goal lead at the break with both teams going close a few times.

Tramore had the wind advantage for the second half and they started to pile on the pressure moving the ball beautifully across the full width of Dysert Park and making good use of the following play. Two excellent saves by Lenane settled the Ardmore back four. The home side defended well throughout, attacks on the Tramore goal were getting

increasingly scarce, then in the 80th minute Richie Hale went high to nod in from a well taken corner to get Tramore back on level terms 2-2.

Two minutes later again no fault of the Ardmore defence Garry McNamara struck hard and low from close in to give Tramore the lead for the first time 2-3, and that was how it stood when referee Tom Griffin who had an excellent game in such poor weather conditions, blew the final whistle in the 5th minute of time added on.

Make no mistake about it, this was an excellent performance by Ardmore and also by Tramore. It is probably fair to say that the winners can consider themselves lucky to have escaped from what was looking for a long time like the upset of the day.

Ardmore; Damien Lenane, Adrian O' Donnell, Maurice Hennessy, Seamus Veale, Cathal Hennessy, James O' Donnell, Johnnie Hennessy, Anthony O' Sullivan, Anthony Aherne, Patrick Gallagher, Mikie Supple, subs used Alan Troy and Denis Murphy. Team performance rating 7 from 10.

## DUNGARVAN UNITED DIVISION 3A

# A Game And A Win At Last!

## DUNGARVAN 3 GRANAGH 1

As the saying goes "if you look well you play well." This was the case last Saturday in Kilrush Park as Dungarvan opened their league campaign with a home win. Dungarvan looked like a new penny in their new sponsored gear with the Park Hotel sponsoring the jerseys, Kiddo's sponsoring the togs and stockings and the Anchor Bar sponsoring the match ball. Thanks to Donal, Antonio and Liam.

The Blues started slowly and it was the visitors Granagh that took the game to the home team. Granagh created the early half chances in the first quarter of an hour. But as the game went on Dungarvan took over. "Hopper" McGrath, Gary Collins and Liam Shanley all went close before Owen Simms flicked home from a fine cross from the right to give the home side a deserved interval lead.

The second half was much the same as the first. The Blues well on top. Midway through the second half Granagh got back on level terms when their winger crossed and the centre forward flicked the ball past Charlie McCarthy for a fine goal. Dungarvan went in front again ten minutes later when Denis McGrath hit an unstoppable shot to the top corner of the net. Minutes later Fran McGovern put the result beyond doubt when he chipped the keeper.

This was a fine allround performance from Dungarvan. Dungarvan: Mark McCarthy, Timmy Organ, Billy Keohan (Capt.), Willie Coward, Liam Shanley, John W. Power, Chris Gough, Mark Coles, Owen Simms, Denis McGrath, Gary Collins. Subs: Fran McGovern for Mark Coles; Clive Crotty and Johnny Sheehan.

Man of the Match: Timmy Organ.

## BALLINROAD A.F.C. NOTES

## Ballinroad Collect 3 Valuable Away Points

## PORTLAW 1 BALLINROAD 5

Ballinroad travelled to Portlaw last Saturday to play their 2nd game of the season against a strong Portlaw side and came away with 3 points.

Ballinroad were on top for most of the 1st half, Ballinroad had some good chances in the first 10 mins. with Tobin, Veale and Carroll but could not put the ball in the net. First half score 0-0.

Ballinroad started the 2nd half in similar fashion and got their reward after 10 minutes when Tobin got a good long pass from Troy to put the ball past the keeper. The same player got his 2nd goal 5 mins. later. Portlaw got more into the game and pulled a goal back after 20 mins. Ballinroad kept up the pressure and this paid off in the 30th min. when Keane picked up a long ball from Fraher to slap it past the keeper. The same player got one more 2 mins. later. Veale wrapped it up in the 40th min. with another great goal. Tobin 2, Keane 2 and Veale 1.

Team; A. Barrett, W. Fennell, F. Fraher, P. Flynn, B. Cliffe, M. Troy, M. Fraher, F. Carroll, J. O' Mahoney, M. Tobin, S. Veale, Subs;

Keane, Ryan, Kenneally all used.

## PROGRESSIVE 45 RESULTS

Winners; Peggy Meehan and Alice Ryan. 2nd Tony Dunford and Paddy Walsh. Best last 5; Tony Butler and V. Tobin. Lucky table; Nuala Cliffe and S. Mahoney. Cards continue next Friday at 9.00 pm sharp. £5 a game at Gold Coast.

## U-11'S FRIENDLY ARDMORE 2 BALLINROAD 4

Ballinroad played in Ardmore last Thursday night, this was a friendly match and it was a very good game. We played with the wind in the first half and it proved to be to our advantage. Ballinroad took the lead in the ninth minute through skipper Willie John Kiely with a good shot from the edge of the box. Ardmore came close 5 minutes later but Kevin Delahunty made a very good save. Michael Geary got our second goal after good work by David Pender, William Raher and Conor Foley with a good finish from 10 yards out. We got our third goal just on half time when John Gorman headed home a William Raher cross, to give us a 3 nil half time lead.

Ballinroad brought on

eight subs in the second half and Ardmore got back into the game with two good goals, to leave the scores at 3-2 to Ballinroad. At this stage Ballinroad were under a lot of pressure but they held out and Willie John Kiely scored his second and our fourth goal with 5 minutes to go. This was a very good work out for Ballinroad with some very good football being played. New comer David Pender played well in midfield. Jamie Ryan, Alan Sheil and Craig O' Connor did well when brought on, and were unlucky not to get among the goals.

I would like to thank Declan Barron for the game, and we hope to give them a return game soon.

Ballinroad team was Kevin Delahunty, Donal Henley, John Walsh, Eoin Brackett, Jonathan O' Sullivan, David Pender, Willie John Kiely (capt), John Gorman, Willie Raher, Conor Foley and Michael Geary. Subs all used Ciaran Foley, Craig O' Connor, Jamie Ryan, Alan Sheil, David Drohan, James Phelan, Wayne Power and Steven Lonergan.

Next league game home to Kilmacow next Saturday, 2nd Oct at 10.30 kick off.

## ABBEYSIDE SOCCER NOTES

## MUNSTER JUNIOR CUP

## ABBEYSIDE HONOURABLE IN DEFEAT

## ABBEYSIDE 0 WATERFORD CRYSTAL 3

In what was a delicately balanced and finely poised match up to half time one disgraceful act of bad sportsmanship by the visitors led to a controversial goal which was condemned by everyone even including the match official who berated the rules as he had no power to alter what happened. On 43 minutes Alan Casey was felled outside the home box. The ball fell to Richie Ferncombe on the left flank but the referee seeing Casey's distress stopped the game immediately to render assistance. Now the normal course of events would be a hop ball with the injured parties team allowed to clear over the half way line. This etiquette was not adhered to and to every ones surprise the hop was contested, the ball ricocheted to the edge of the box, was played in and a hitherto unmarked striker steered home. Team manager Shamie Coad was profuse with apologies after the game. To say the incident had a detrimental effect

on the home sides efforts would be an understatement and having to chase the game after that made the task more difficult. Abbeyside had a number of chances notably Caseys long range drive which almost caught the keeper and Wayne Moores splendid drive from close range bravely stopped by the visiting keeper. Pierro Menor showed some nice touches when introduced but good performances featured from all especially Micheal Cowming who had a blinder along with James Sheehan.

## RED HOUSE LEAGUE ROUND-UP

### BRIDEVIEW LEFT TO FLY THE FLAG

Just one of the nine teams playing last weekend survived in the Munster Junior Cup. Brideview United beat Rathgormack away from home, but generally speaking, it was a disappointing day all round for Red House league clubs, with only Ardmore, Glenview and to a lesser extent, Affane coming out with any credit.

#### MUNSTER JUNIOR CUP 1ST ROUND

### Inspired Performance From St. Paul's

MOGEELY 1 ST. PAUL'S 8

A bright start from Mogeely failed to show what was to come, particularly in the second half when the visitors assumed total control. St. Paul's took twenty minutes but took the lead with a well taken goal. The homeside fought back and seven minutes later a great run by Ian Casey ended with a shot rebounding off the post from close range. St. Paul's again took the lead after thirty six minutes and three minutes later it was 3-1.

Mogeely began the second half putting their visitors under more pressure but St. Paul's delivered a

killer blow with a break-away fourth goal after sixty five minutes. After this, there was no stopping the visitors as they added two more goals in the next six minutes and two more goals in the final three minutes gave the final scoreline a lopsided appearance, but there was no disputing in their superiority. Best for a spirited Mogeely side were Pat Costigan, Mark Bowens, Ron Barrett and Peter Morgan. Noel McCarthy, Peter Horgan, Ronnie Barrett, Damien Clifford, Mark Bowens, Alan Collins, Jacob O'Shea, Maurice Wallace.

### Seaview Stun Valley

#### VALLEY RANGERS 1 SEAVIEW CELTIC 4

Rangers were expected to give a good account of themselves in this game, but they can hardly have played so bad before as they did in the opening forty five minutes. A goal keeping problem meant that Donal O' Leary lined up between the sticks, and Seaview found themselves in front after five minutes when an inswinging corner was headed home by a Seaview player. The homeside were losing out in midfield and failed to create any worthwhile chances. Seaview doubled their advantage after twenty one minutes when their left winger went on a run across the box and his shot took a deflection to wrong foot O'Leary and end up in the net. Valley's defending left a lot to be desired and there were several errors which led to Seaview's third goal after thirty six minutes.

With a 3-0 deficit to face in the second half, Valley needed an early goal and they were awarded a penalty after fifty minutes, which Billy Carr senior put away to give the homeside some hope. There was a

marked improvement in the valley performance and several chances were created but the Seaview keeper was having a good day and the final score of the game went to the visitors, six minutes from the end to seal Valley's fate. Best for Valley were Ger Lynch, Mark O' Keeffe, Billy Carr Snr. and Shane Kearney.

Valley Rangers; Donal O'Leary, Brendan Hickey, Damien Farrell, Jim Lane, Ger Lynch, Billy Carr Snr, Ted O' Leary, Mark O' Keeffe, Terence Rumley, Shane Kearney, Billy Carr Jnr, subs; Gordon Bryan, Dermot Bolger, Tony Harpur and Kevin Barry.

### Ballyduff Go Down Again

#### DUNGARVAN 4 BALLYDUFF 1

Ballyduff were two goals in arrears at half time and although John Twomey did score for them in the second half, Dungarvan finished on top with another two goals before the end.

### Unlucky Ardmore Just Lost Out

#### ARDMORE 2 TRAMORE 3

One of the finest performances for a long time came from Ardmore, who even in defeat, covered themselves in glory. Starting the match as underdogs against one of the best junior sides around, Ardmore took the lead after fourteen minutes when the Tramore keeper failed to hold a blistering free kick from Jamie O' Donnell. At this stage, Tramore were all at sea and Ardmore's dominance was further rewarded when Tramore's keeper fumbled a Johnny Hennessy cross into his net after twenty nine minutes. Unfortunately for Ardmore, the visitors replied immediately with a goal. A corner kick was headed onto a post and a Tramore forward was quickest to react to knock the ball over the line. To be honest, Tramore totally dominated the rest of the match and the question was, could Ardmore hang on?

The second half saw Tramore go close on about ten occasions, but the Ardmore defence with Seamie Veale and Cathal Hennessey really outstanding held firm. The homeside rarely got out of their own half such was the pressure. Just when it

seemed that Ardmore might record a famous victory, Tramore equalised and again the goal stemmed from a corner. A header was cleared off the line before a Tramore player got a vital touch from close range. Two minutes later, the visitors substitute who had just come on fired home a great left footed drive from twenty yards.

Ardmore had come so close and although they lost the game, they have earned a lot of respect for their efforts. While the entire Ardmore team played brilliantly, special mention must go to defenders Damien Lenane, Cathal Hennessey, Seamie Veale, along with midfielder Anthony O' Sullivan who played major roles in a fascinating game.

Ardmore; Damien Lenane, Adrian O'Donnell, Maurice Hennessy, Seamus Veale, Cathal Hennessey, James O' Donnell, Johnny Hennessey, Anthony O' Sullivan, Anthony Aherne, Patrick Gallagher, Mike Supple, subs; Alan Troy, Trevor Morrissey, Jason Lenane, Denis Murphy.

### BRAVE BID FOR GLENVIEW

#### PARK RANGERS 3 GLENVIEW 1

Despite a really poor start, which saw Park take a 2-0 lead after just fifteen minutes, Glenview put up a great show. Donal O'Rourke reduced the deficit after twenty five minutes. Glenview were still 2-1 down at half time and thanks to a superlative display by Niall Maher and the influence of Tom Duggan, they remained in touch until eight minutes from time when Park scored the decisive third goal.

### Brideview Always In Control

#### RATHGORMACK 0 BRIDEVIEW UNITED 3

Brideview did what was expected of them and disposed of their victims with the minimum of fuss. Dermot Henley, after 17 minutes scored the only goal of the first half. Two minutes into the second half, Stephen Pratt continued his good recent form by adding United's second. United were always in control but had to wait until the final minute for a third goal when Stuart Barry netted. Brideview will now meet Park Rangers, Glenview's last opponents, in the second round.

### Gortroe Not At The Races

#### TRAMORE RANGERS 7 GORTROE 1

First division Gortroe were totally outclassed in a game, they will be trying to put behind them.

### Goes Wrong In The Second Half

#### JOHNVILLE 7 PINWOOD RANGERS 1

A goal from Noel Ryan after fifteen minutes saw Pinewood take the lead, which they held until a minutes from the break when Johnville equalised.

The homeside scored again within 2 minutes of the restart and showed all their class with a powerful second half display which saw them add another five goals.

### Late Goals Ruin Affane's Day

#### BOHEMIANS 6 AFFANE 0

A brave display by Affane was tarnished by few goals in the last ten minutes. A spirited Affane team competed on equal terms in the first half, with Kevin Reddy unlucky to hit a post. Bohs eventually took

the lead, five minutes before half time, though the second goal did not arrive until the 60th minute. Affane tired in the final quarter and this was when Bohs scored those four goals to earn a flattering victory.

#### SUNDAY'S GAMES — BOLGER CUP AND PLATE SEMI FINALS SPONSORED BY DUNGARVAN LEADER

##### BOLGER CUP SEMI FINAL PREVIEW

### Ardmore Set For Final

#### ARDMORE V VALLEY RANGERS 'A'

It is worth looking at last Sunday's games involving these sides to see two very different results. While Ardmore very nearly put strongly fancied Tramore out of the Cup, Valley fell miserably against a Seaview side, they might have expected to beat. Both sides will be up there challenging for this season's title, so there shouldn't be much between them, but on the basis of last week's games we just give Ardmore the nod.

### An Easy Passage For Brideview?

#### BRIDEVIEW UNITED V KILWORTH CELTIC

The Tallow side usually start as favourites for any game they play, and next Sunday will be no different. They had a good Munster Junior Cup win last week and will be strongly fancied to beat second division Kilworth Celtic. Celtic are a side loaded with young players and if they could raise their game on Sunday, Brideview could have a tougher game than expected, though the league champions should just advance.

##### BOLGER PLATE SEMI FINALS PREVIEW

### Big Test For Lismore

#### LISMORE V BLACKWATER RANGERS

Just last season, Blackwater knocked Lismore out of the Dungarvan Tyre Centre Cup at this venue and the homeside will be looking to reverse that result. Blackwater put Affane out on penalties after losing narrowly to Brideview United in the first round while Lismore put five past Ballyduff to reach this stage. It could go all the way to penalties but Lismore should just prevail.

### Close Game Expected

#### AN GHAELTACHT V GORTROE

Goals come easily to both these teams and we could be in for a feast on Sunday. Gortroe have already scored fourteen goals and conceded thirteen in just three games, while a new look An Ghaeltacht side haven't been shy where goals are concerned. This is a very hard game to predict, with both sides looking to qualify for their first final but we'll just give Gortroe the nod in this one.

**RED HOUSE PREMIER LEAGUE PREVIEW**

# Can Brideview Regain Their Title?

## ARDMORE, VALLEY AND LISMORE WAITING IN THE WINGS

The name has changed from Division one to the Premier League, but the characters are much the same, with the exception of Mogeely and Inch, the two promoted clubs. Clubs that come up often struggle and each year, one of the two always return from where they came. Brideview will be most people's fancy to win the title, having claimed it in three of the last few seasons. Pinewood, who won it two seasons ago are undergoing a few changes, while Valley, Lismore and the Cup winners Ardmore can all go close. Cappoquin, the perennial strugglers could surprise a few this season.

Let's start with **ARDMORE**, The Dungarvan Tyre Centre winners in '97 and '99 are building up a nice squad and on their day, are a match for any team. They are rock solid at the back, competitive in midfield and if they could score a few more goals, they will definitely be a top three contender.

**BRIDEVIEW UNITED** have been the most consistent teams for the last four or five seasons, and any team hoping to win the title must surely take points off United. One wonders if Brideview's success might take a little bit of edge off them or if they can continue their fantastic run which has seen them lose only a handful of games in the last few seasons. Brideview must be favourites again, but this one could be their toughest yet.

**CAPPOQUIN** have a new management team and a few new players. Anxious to get rid of their tag as relegation battlers, Cappoquin might well have a good season ahead of them especially if early results go their way. A good Cup run last season which saw them reach the final plus some good displays in this season's Bolger Cup augurs well and a relegation tussle can be avoided this term.

**INCH** came up last season but were far from impressive and the East Cork men could be in for a struggle. Inch are a young inexperienced side who never seem to be able to score many goals and these factors could both count against them in their search for points and survival will be on their minds for most of the season.

**LISMORE** are one of the candidates for a top four position this season, though again, their lack of goals could prove a stumbling block for them. After a bright start last term, it looked like they could actually go down but a late rally gave them enough points to stay up. The introduction of several young players over the last two seasons should now start paying dividends and Lismore can look forward to a good season.

**MOGEELY** ran away with promotion last season and look a better prospect than Inch to retain their top flight status. Two seasons ago this team were relegated and many young players were brought in. They possess several talented players

and while the championship might be out of their reach, they should have no trouble staying up.

**PINEWOOD RANGERS** had a poor season last time having won the league the year before. The loss of a couple of their more experienced players will present more problems and this promises to be a major season for the Ballymac' men who could be more involved with the bottom of the table than the top.

**VALLEY RANGERS** pushed Brideview all the way last season and will be hoping to improve on a couple of second place finishes. If my information is correct, Valley have never beaten Brideview in a league game and this will surely have to change if the Conna side are to take the title. Rangers are definitely top three quality but a question mark remains over their ability to go all the way.

To sum it up, we feel that Ardmore, Brideview United, Valley Rangers and Lismore will fill the top four places while Cappoquin, Mogeely, Pinewood Rangers and Inch will be at the other end. League campaigns are often won by teams who can beat their main rivals and this is where Brideview have done well in recent seasons. Best of luck to all concerned.

Finally a reminder for a regular reader, that we tipped Division one to finish like this Dungourney, Gortroe, Araglen, Ballyduff, An Ghaeltacht, Affane, Blackwater Rangers and Clashmore Ramblers. In Division two we went for Kilworth Celtic, Ballybridge United, Castlebridge Celtic, Valley Rangers 'B', Glenview, Accrington Celtic, Brideview United 'B' and Modeligo in that order.

## Manchester Utd. Supporters Club News

A meeting will be held in Lawlors Hotel on Friday, October 1 at 9 p.m. to discuss plans for a trip to Old Trafford for the game against Arsenal on January 22 2000. All interesting in travelling please attend. £50 deposit on the night, non refundable. Dual membership cards (local and Old Trafford Branches) to be shown on the night.

Pictured above is Dungarvan United's Premier side who beat Ballyduff 4-1 in the Munster Junior Cup 1st round. Although the score suggest that the Blues had it all their own way, the Red House League outfit had their illustrious opponents under pressure for the opening 20 minutes of the second half.

**MUNSTER JUNIOR CUP FIRST ROUND**

# “Donnelly Hat-Trick” But Scoreline Flatters Blues

**DUNGARVAN 4 BALLYDUFF 1**

Dungarvan did get the result they wanted, but this certainly was not a vintage display by Dungarvan's Premier team from the Waterford Junior League against Ballyduff Upper's First Division team from the Red House League in this Munster Cup game played at Kilrush Park on Sunday afternoon last.

The Blues could have had the perfect start when after only 9 minutes a cross from Killian Lyons was handled inside the box by Paudie Prendergast for a penalty. John “Wonka” Donnelly's spot kick came back off the bottom of the right hand post. Three minutes later Donnelly made up for this miss. A quick long ball out of defence by Kevin Walsh found Donnelly who held off two defenders, turned and shot the home side into a 1-0 lead. Hyslop and O'Connor then had shots go over the bar when they got onto balls from Alan Landers and David Sheehan.

This was the only stage

in the game that Dungarvan were showing that there was a big difference in standards. In the 35th minute Walsh and Hyslop combined to find John Power out on the right wing. His pinpoint cross to the far post saw “Wonka” outjump the defender to head home his second of the game.

Two nil at the break but Ballyduff to their credit upped their game in the second half and caused all kinds of problems for the home side throughout the field. In the 55th minute John Twomey outpaced the home defence and gave Barry no chance in the Blues goal with his clinical finish and this goal was only what they deserved.

Five minutes later the visitors were unluck not to be back on level terms. Some very sloppy defending allowed Ballyduff to get the ball and the visitors player was unlucky when he tried to chip the keeper.

Barry then had to be alert in the home goal when he got down well to prevent another goal.

Dungarvan got a grip back on the game in the 75th minute. Substitute Joe Nolan made a surging run and found “Wonka” who hit a left foot shot low into the corner of the net to clinch his hat-trick.

With five minutes remaining second substitute Bernie Crotty made a run down the left and put through the ball for Micheál Downey who turned the defender and chipped the advancing keeper for goal number four.

**Dungarvan:** N. Barry, Aidan Landers, K. Walsh, Alan Landers, K. Lyons, G. O'Connor, M. Hyslop (Capt.), D. Sheehan, J. Power, M. Downey, J. Donnelly. Res: J. Nolan for Sheehan; B. Crotty for O'Connor; M. Crotty for Donnelly; O. Morrissey, A. O'Connor.

## DENNY GOLD MEDAL CUP FINAL AT RSC

The Denny Gold Medal Cup Final takes place on Wednesday, 6th October in the Regional Sports Centre,

Waterford under floodlights at 7.30 p.m. Dungarvan's Premier team take on Tramore Premier side in what should be a very interesting contest. Tramore are a lot of people's favourites to do very well this year as they have signed a lot of players with League of Ireland experience with both Kilkenny City and Waterford Utd. But the Blues will have nothing to fear and if they go out to have a right go at the Seaside then they can lift their first major trophy of the season.

The club will be running a bus to the final which takes place on Wednesday, 6th October at 7.30 p.m. The cost of the bus is £3.00 per person. Names and money must be handed into secretary J. D. O'Shea. No seats will be reserved for anyone unless money has been paid. The bus will be leaving the clubhouse at 6.15 p.m. Any further details can be had on ringing 086-8255748.

Pictured above is the gallant Ballyduff team who made Dungarvan United's Premier side fight hard for their victory last Sunday afternoon in Kilrush Park.

**SNIPPETS**

**Correction:** Wiggy celebrated his 49th birthday last weekend. We are still trying to find out where the party was!

Collette got a shock last Friday when she had a surprise 50th birthday party at home organised by her family.

Elaine celebrated her 21st birthday party with a function at the clubhouse last Friday night which was a marvellous success. Elaine returns to Wales to continue her studies this week where we wish her well. She will be missed in Brides!

Rumour has it that the youth team have a new PRO. Isn't that right Brendan. Last week's report had a lot of additions. Kevin should be more careful who he gives the match reports to for delivery to the press as they were “doctored” (or should that be hijacked) last week.

## WISE WORDS

The foundation for any athlete in sport wanting to win the game is supported by choosing to accept responsibility. Since your thoughts greatly influence how well you perform, thinking confidently leads to running well and thinking negatively leads to running poorly. Its crucial to understand your ability to choose. As an athlete you have little control of what happens to you but you can control your reaction to it.

## Cross Country Training With Jerry Deegan

Training for cross country will take place on Sunday morning next, October 3rd in Portlaw Wood at 10 a.m. with Jerry Deegan. Everyone meet at Portlaw Soccer Pitch. All athletes 15 years upwards welcome. It is hoped this training will benefit athletes for the forthcoming season and enable the selection of county teams.

## RAILWAY ATHLETIC F.C. NOTES

### MUNSTER JUNIOR CUP 1ST ROUND

# Railway Advance After 9 Goal Thriller

## RAILWAY 5 BALLYDUFF 4

Our first team advanced to the Munster Junior Cup 2nd round after a hard fought win against Division 1B side Ballyduff.

Railway knew they were in for a game from the kick off against a much improved Ballyduff team. Ballyduff took the lead after 7 minutes when after a good move their winger finished with ease from close range. We were all square after 15 minutes when Frank McLoughlin was taken down in the box and Eamonn Murphy made no mistake from the spot kick. We were 2-1 up after 28 minutes when after a corner from Ballyduff we broke quickly and Stephen Quinn put Garry Keane through to finish very well from outside the box. Even at 2-1 up we were not playing comfortably and the Ballyduff number 9 scored a screamer from outside the box which gave Morrissey no chance. We finished the 1st half much better with Frank McLoughlin, Dermot Dee and Garry Keane coming close. Garry Morrissey nearly had us 3-2 up in the 44th minute when his cross come shot hit the post with the ball rebounding safely into the keepers hands. We went in at the break all square. We started the second half a lot better with Railway knocking the ball around fairly well. During this period Sean "Growler" Daley was outstanding at the back. We went 3-2 up in the 70th

minute, when a great break down the right ended up with Dum Dum scoring a brilliant goal from 25 yards. Dee made it 4-2 in the 72nd minute when a good cross from Keane found Dee and his finish was coolness personified. Railway were totally dominant at this stage with Quinn raiding down the left and C.P. and Manahan starting to take control of the middle of the field.

Disaster struck in the 80th and 81st minute when a Ballyduff player got through for two very soft goals. Railway kept plugging away and got their reward in the 88th minute when after some excellent play from Dermot Dee, he squared to Frank McLoughlin and he made no mistake from 6 yards. Railway held out gamely to the end for the victory.

We now will play the winners of Dungarvan and Ballyduff Upper in the next round. Next week it's back to league football, so hopefully we can continue to gain points. Railway; Liam Morrissey, Garry Morrissey, Eamonn Murphy, Sean Daley (capt), Eamonn Costin, Garry Keane, Stephen Quinn, Conor Prendergast, Pakie Manahan, Frank McLoughlin, Dermot Dee. Subs: Martin Reddy, David Lenane,

Paul Landers (all used), Tommy Pratt.

### TRAINING

Training for all juniors is on Tuesday at 6 pm in Modeligo and Friday at 7 pm in Lisimore.

### NO SCHOOLBOY GAMES

We had no schoolboy games last weekend due to the Coaching Course held in Waterford. Next weekend we have two schoolboys games, under 13 home to Bohs in the SFAI Cup and our under 15 are home to Seaview in the league.

### COACHING COURSE

We had five of the Schoolboys managers who took part in last weekends primary Coaching Course ran by the FAI. This weekend was organised by the Waterford Schoolboy League. This was a huge success with over seventy people taking part each day, Saturday and Sunday. This course was to help get young boys and girls to get playing the game and help to show them the proper skills.

As I said we had five, Martin Reddy, Tommy Pratt, Stephen Hogan, Gavin Foley, David Lenane, Michael Morrissey was due to attend but Mickey was in hospital, never mind Mickey there will be more courses.

### COMMITTEE MEETING

We will hold a committee meeting on Thursday next at 8.30 pm in the Scouts Den.

We don't know much about Ballygarry only they have a few Tipperary Inter County hurlers with them. All are looking forward to this game away. We will enjoy it and we will make it a family day out.

### WELL DONE TOM

Our club would like to congratulate Tom Mansfield who passed his course in flying honours. Tom went through a very long training programme in his job with the army to complete this physical training programme. Over the past weeks Tom has put our lads through their paces. Well done Tom.

## WATERFORD SATURDAY SEPT. 25TH Shock 14/1 Victory For Scallywag Runaway

The visiting film crew from the BBC holiday programme certainly received a warm welcome at Kilcohan Park last Saturday night where they captured on tape a number of exciting finishes.

Topping the ten race bill was the final of the Mary Keating sponsored Sui Sios confined 30.30 Sweepstake. Semi Final winner Airmount Yorke was installed the red hot 4/7 favourite and he led everywhere bar the winning line. After a number of the finalists were hampered at the opening turn the early paced Airmount Yorke scampered clear of Scallywag Runaway who was left a remote second. The favourite still held a commanding lead over the final two bends but Scallywag Runaway (Lassa Java - Denmark Darling) 14/1 owned by Christine Marlin and trained by her husband Bill conjured up a great run to get up virtually on the winning line for a neck victory over "Airmount" in 29.37.

The late Sonny Ryan was a great supporter of greyhound racing at this venue and it was nice to see his family sponsor a 550 yard event in his memory. In the first semi final the Sheila Spillane home bred Burgess Amarula (Dew Reward - Burgess Amber) the 5/4 favourite produced an impressive display of front running from trap three to oblige in 30.50. Kilvil Settler and Ballybray Max both finished to good effect but "Burgess" had this contest in safe keeping a long way from home proving a length too fast for Kilvil Settler.

A previous 29.00 winner over this circuit, a determined Mi Mentha (Trade Official - Mi Minka) proved a popular winner for Knocklong owner Siobhan Ryan returning 30.56 in the second qualifier. Pushing a number of her rivals off the first turn Mi Mentha skipped clear of the 6/4 favourite Chance Wally and although Whitefort Flash put in a flying finish Mi Mentha obliged by a length and a half in 30.56.

On a night when six of the ten winners came from behind the locally owned Stiff Whiskey (Murlen's Link-More Whiskey) 4/1 came from off the pace to oblige in a best ever 29.51. Beaming Package made a brave bid to lead all the way but he was collared on the line by Kevin Mahoney's Stiff Whiskey who railed economically to win out by a neck.

A disappointing turnout in the second race with only three runners going to traps. Tiny Tidings the 5/4 favourite set out to make all of the running but he went very wide down the back straight as the Sylvia Curtis owned and Peter Brady trained Sylvie's Choice saved oceans of ground remaining glued to the fence. The strong running Sylvie's Choice stayed on best from the last bend home to triumph by four lengths in a speedy 29.16.

Owner Ann Hayden and her trainer Nick Turner were on the mark in the third event as Hunting Hollow (Slipaway Jaydee - Lady Little) a fast starting 2/1 chance swept to an all the way 29.43 victory. Taking a flyer from trap one Hunting Hollow was never in any danger of losing out breezing in three lengths clear of a running on 5/1 chance Finnow Tiger. Eddie Ryan's Serene Prospect (Spiral Nikita - Serene Lady) the 4/6 favourite opened his account with some authority posting a 16.58 sprint victory in the fourth. When a challenging Clondarra Husky was clipped from behind by Doctor's Prince, Serene Prospect forged into the lead to run out a three lengths winner over Doctor's Prince.

Oriel Girl was a warm order at evens to oblige in the fifth contest but after cutting out the running she had no answer to the powerful late run of 6/1 outsider Stage Socky who finished with a flourish to score in an excellent 28.95. Owned by Paddy Hoban Stage Socky (Upper Spark - On Stage Julie) was last of the five runners at the first bend before knuckling down to the task in hand. Coming with a storming late run stage "Socky" pounced close home to land the spoils by half a length.

5/2 shot Arrigle Go (Arrigle Buddy - Geal Gayo Sandie)

produced a battling display of sprinting to capture the ninth contest in a career fastest 16.41. 8/1 chance Ciabatta set off in front to lead from the Seskin Mona and Arrigle Go. Holding his position on the rails Arrigle Go bided his time before dashing for the line to collar Ciabatta by a head. The winner, an October '97 whelp is owned by Ger Kirwan and trained by Jimmy Frisby who also stand at stud the winners Sire Arrigle Buddy.

Racing concluded with a trap to line 29.22 victory for John Walsh's Wee Senator (Ready About Nga - Winnies Best). Blasting out of trap three 5/2 shot Wee Senator had his three rivals in trouble right from the start coasting to a well deserved length victory over Manor Treasure.

### SONNY RYAN MEMORIAL FINAL

Waterford Greyhound Stadium stages the final of the Sonny Ryan Memorial stake on next Saturday night and the following in trap order is the line up for this 550 yard event. T1 Burgess Amarula. T2 Ballybray Max. T3 Mi Mentha. T4 Whitefort Flash. T5 Kilvil Settler. T6 Giglis Tomado (w).

From a middle draw a fast starting burgess Amarula displayed sound early pace to lead all the way in 30.50. Unable to go the hot early pace Ballybray Max finished with a flourish. From a trap one draw Mi Mentha showed plenty of determination to make the all important first bend racing on for a cosy 30.56 victory.

After encountering first bend traffic problems Whitefort Flash produced a flying finish up the final straight.

The consistent Kilvil Settler raced up with the pace in his semi final and he stayed on well in the closing stages.

Giglis Tomado was doing her best work in the closing stages.

If starting as well as he did in his semi final Burgess Amarula is well up to leading all the way from Whitefort Flash and Mi Mentha.

### PAT WALKS TALL

If you see Waterford owner breeder Pat O' Neill walking with a spring in his step of late you can well understand his elation as he bred the recent winner of the B.T. Gold Collar at Calford. Pat has enjoyed plenty of success with his brood bitch Gallows Quest. This daughter of Slippy's Quest and Elf Arrow took some time to find her feet as a racing greyhound herself and her best ever return was 29.66 when she was past the two year old mark. It was as a brood bitch however, that this lady really excelled producing a succession of winners from her four litters. A sister of Up The Junction, Gallows Quest's latest major success came at Latford where Rio Scorpio scored for owner trainer Danny Riordan. Relishing his outside draw Rio Scorpio made every yard of the running to oblige in 34.83 for this 555 yard trip. Ullid, Kilmacow based Pat O' Neill is not resting on his laurels as he took charge of Itakit (Ready About Nga - Gallows Quest), a recent 29.53 winner at Waterford. Itakit came into season and is due to visit stud dog He Knows this week.

### SKY RACING

Race goes at Kilcohan Park, Waterford can enjoy live transmission of greyhound racing on Sky television on the following dates for the remainder of the year.

Tuesday 26th Oct. The Laurels at Bellvue. 9th Nov. The St. Leger at Wimbledon. 23rd Nov. Racing Post Festival at Walthamstow. 7th Dec. The Oaks, Wimbledon.

### NEW ROSS WINNER

The winner of £1,000 first prize in the Buster run by New Ross Coursing Club on the Ireland on Sunday Derby is Edward Lawlor of Parkfield, New Ross.

### ROYAL PERFORMANCE FROM CABLE KING

The feature event on last Friday night's card at Youghal track was the final of the James Fenton Memorial Trophy sponsored by the Fenton family from Aghish in Co. Waterford. P. Mullaney's fawn dog Cable King (Bankers Benefit - Last Lane) was sent off the red hot 4/7 favourite and this track favourite duly did the business romping to a 30.56 success in this five fifty yard contest.

### WATERFORD, TUESDAY SEPT. 21ST

There were nine graded races for patrons to enjoy at this midweek fixture. The honour of posting the fastest return of the night fell to Maurice Jackson's vastly experienced Valentia Rebel (Super Hoffman - Dear Liza) who justified 6/4 favouritism with an easy 29.17 victory. The Perry Aylward trained black had been knocking on the door for quite some time and when he made the first bend in front the writing was on the wall for his opponents. Scallywag Jack battled on well for the runner up spot five lengths in arrears of August '96 whelp Valentia Rebel.

The early paced Airmount Sam the 6/4 hot pot made a brave effort to make every post a winning one in the opener but the P & E Nolan owned and E Moore trained Slippy Tex (Thorgil Tex - Slideaway Slippy) 4/1 swooped late to gain an overdue victory by two lengths in 29.52.

Phil O' Neill's 4/1 chance Fahee Fancy (Fancy Joe - Lartigue Lass) adapted successful front running tactics in the second event to open his account in 29.84. Oldcourt Jena looked a big danger off the last bend but market drifter Fahee Fancy ran on strongly for a deserved length and a half win.

Autumn Tricolour, a June '98 son of Arrigle Buddy and Samtec Lady kept the flag flying for the Autumn Kennels Syndicate capturing the third event at odds of 4/5. Confirming his pleasing debut sprint run of the previous week Autumn Tricolour went up smartly to the first bend where he received a bump from Oldcourt Tom. Holding his position well on the outside "Autumn" was not slowing down winning out by a length and a half in 29.52. With two placed efforts under his belt at Cork Track the Arnold Shanakil Daley (Aghish Minor - Hunting For Gold) was sent off the evens favourite in a graded two bend dash and he duly landed the odds on in a speedy 16.61. Lochgarman Lisa matched strides with the winner up to the first bend but once the favourite broke free of his nearest rival he quickly motored clear for a three lengths win.

There was a tight finish to the 730 yard marathon with less than half a length covering the first three over the winning line. When Amber Sal took over in the lead from the front running Faultless Lauren at the third bend, she appeared all set to collect the first prize but Christine Marlin's Scallywag Runaway (Lassa Java - Denmark Darling) 3/1 (11/2 on the tote) put in a storming finish to land the spoils by a neck from Amber Sal with the 1/1 favourite Against Nature who enjoyed a far from clear passage just behind in third. Time 42.48.

The Oliver O' Mahoney owned and Nick Turner trained Orphan Robin (Ready About Nga - Slaneyside Robin) the 5/4 favourite registered an overdue win taking the sixth race in 29.36. Itakit in her customary style poached a four lengths lead over Orphan Robin but the latter made rapid late headway to take the lead close home for a half a length win over a fast finishing Giglis Tornado.

Dawlish Kitt displayed sound early pace in the seventh building up a three lengths lead over the well backed Tegestology (Ballyduag Manx - Bottle Of Port). Noel Osborne's Tegestology 5/2 to 5/4 railing tightly gradually reeled in the leader who came wide into the home stretch and in the final thirty yards the favourite came through smoothly to land a tidy gamble for connections in 29.73

Dawlish Kitt's trainer Mike Gallagher enjoyed better luck in the final event of the night as he sent out the Goodguys syndicate owned Manawood (Blue Lagoon - Paddy's Flame) to an emphatic 29.38 win at the rewarding odds of 5/1. Cill Dubh Fancy ran a close second throughout and although the 1/2 favourite Autumn Trumpet put in a spirited late challenge Manawood held firm to score by a length and a half.

# Credit Union Community Games National Final '99

The 30th National Finals of the Credit Union Community Games commenced in pleasant weather conditions at Mosney Holiday Camp with the colourful and attractive opening ceremony on Saturday Aug. 28th. The representatives of the thirty-two counties paraded in their county tracksuits behind the artistic banners, many relating some important local event.

Representatives of Church and State, and the financial and sporting spectrum graced the reviewing stand as M.C. Pascal Mooney, delivered his usual informative and often amusing anecdotes as the counties paraded by.

In his address to the assembled guests, spectators and children, Taoiseach Bertie Ahern, declared that Irish children are the best in the world. And he continued "The Community Games is one of the most important organisations catering for our young people in healthy, physical activities and recreation".

He also noted "It has been instrumental in the introduction of sport to countless young men and women who might otherwise never have participated. Indeed one of the aims of the Community Games movement is to ensure that no child will be deprived of an opportunity to participate in sport".

He lauded the work of the thousands of voluntary workers throughout the land and condemned those who criticise the occasional lapses of over exuberant youth, yet never lend a helping hand to the often over burdened but willing band of organisers.

Cllr. Robert Stoker, Lord Mayor of Belfast announced that it was only at this time last year he

**Marian O'Flynn, Ballymacarby, photographed at the Credit Union Community Games national finals at Mosney recently. Marian won gold in the girls under-14 modelling.**

found out about Community Games. As a result of what he learned about the organisation, it was finally decided that Belfast City Council and "Healthy Cities" in conjunction with Antrim Community Games would, as a project for the millennium, organise neighbourhood games based on the principal of Community Games. This would draw in the Falls Road and the Shankill, Sandy Row and the Markets, Short Strand, East Belfast and Donegal Road.

In getting children of various strands playing together he presumed that it could eventually lead to the political parties engaging in meaningful dialogue and working together, concerned for the better quality of life for all.

Throughout the weekend it was activity on a large scale with Gaelic and Soccer, Rugby and Rounders in full swing outdoors, while indoors almost a thousand swimmers treaded the waters of the pool; others performed handstands and cartwheels in gymnastics and future renoirs and Van Gough's showed their artistic worth. Cultural activities continued with the choir and variety performances thrilling their audiences.

Waterford were represented well over the weekend, forty children took part in Swimming, Art and Model Making. In the swimming Ciara Murray took the Gold. Ken Grant, Gold and Sarah Brown Silver, the girls squad 4th a certificate, Catriona Fenton Gold in Art her sister Breda a Cert 4th in Art. Their brother Richard took Gold in Model Making and this was his first year doing this event, and Marion O' Flynn Gold in Model Making.

The second weekend Waterford medal winners were Clarie Morrissey 1st Gold, Eibhlis Ahearne 1st Gold. This was Eibhlis's last year competing in Mosney and William Harty also took 1st Gold. William retained the title he won last year in indoor soccer team from Ring/Old Parish, Grange/Ardmore 2nd Silver, Chess team from Kilmacthomas 2nd Silver. Jamie Hawan 4th Cert, Kate O' Brien 4th Cert and Breda Doherty 4th Cert. Congratulations and well done.

Waterford Community Games would like to say thank you to Barry Hill and C.M.P. Dairygold for looking after our competitions over the two weekends in Mosney. C.M.P. Dairygold are the main sponsors of the Cork Community Games since 1972. Wouldn't it be nice if a Waterford Company would come forward to do the same for Community Games in this county as we approach the new millennium after all many of today's competitors will be the sporting heroes in the years to come. Again, thank you Barry Hill and C.M.P. Dairygold for the refreshments and thank you to Marie and Derek of Cork Community Games.

#### SYMPATHY

Deepest sympathy to Mrs. Colbert, family and relatives on the death of Tony Colbert. May he rest in peace.

#### CREDIT UNION COMMUNITY GAMES 1999

The Credit Union Community Games sporting and cultural festival provided another feast of fun and sport over the past two weekends. From the moment Taoiseach Bertie Aherne addressed the assembled multitude at the opening parade to the deliberations of President Mary McAleese at the concluding ceremony, the Mosney holiday camp re-

sounded to the approving acclamation of spectators, the pleasant chatter of the competing young people and the din of the competitors at the various amusement arenas.

Spectators were lost for choices. Enthusiastic supporters surrounded the various outdoor pitches while the indoor courts and halls were packed with followers of sporting and cultural events.

Many of the weekends happenings will be remembered long into the new millennium. The display of hurling skills at the opening semi-final between Birr and Newcastle-on-Fergus was a revelation. The presentation of an artistic memento by the Bellaghy Camogie team was an example of North-South friendship. The presence of Clontarf-Kinsale under-10 Gaelic team on the side line of the final, cheering on Athy, their conquerors from twenty-four hours previously, was a cameo of sportsmanship to cherish.

Members of sporting and political spectrum, of the clerical and entertainment world, dropped in to sample the fun and games. They lauded the dedication of the thousands of voluntary workers, the clockwork organisation of events, and the enthusiasm of the youthful competitors.

These games have in the past provided their quota

of stars — the John Treacy's, Susan Smith's, the Niall Quinn's and the Denis Irwin's, the Danaher's and the Beggy's. Only time will tell what future stars graced the arena during the last competitions of this millennium. But far more important is the introduction of young people to a healthy lifestyle and an appreciation of the proper use of leisure time.

# MINNIES SQUASH CLUB NOTES

## ANOTHER SEASON DAWNS

The question being asked is - is the Squash season beginning? Well the answer is yes, it is and rapidly. After an era of over two seasons overlapping due to the success of the senior team coupled with the beautiful weather of late August, early September the Squash season has crept up on us at a fierce rate. Already two teams have begun action in the Munster leagues, talks of the first tournament, the inter firms have taken place. Jack Laffan has returned for the last couple of Wednesday nights so yes, the season has begun.

## INTER FIRMS TO KICK US OFF

With the Munster leagues having commenced the domestic is due to begin with the fun three person tournament, the inter firms, an event sponsored last season and previously by David Walsh office and school supplies. This the traditional season opener is the cue to all squash players present, past and future intending to make the plunge and kick off the 99-2000 season. So, if you're in a place of work get the craic going by getting your team together, all grades will be catered for from beginner to international. If as an individual

you would like to be placed on a team just enter your name on the lists which are placed at the Minnies notice board or at the Crystal. The closing date for entries is Thursday night, October the 7th with the games to begin on Tuesday 12th October. Once again I would appeal and encourage all Squash players to get this Millennium season running.

## WINNING START AT THE WELL

On Tuesday night last 21st September our Division one team began the defence of their Munster senior crown when they travelled to Sunday's Well in Cork. It turned out to be a very depleted Squad with several of the stars from the past few seasons missing for various reasons. Vincent Tutty a member of last season's division four team was drafted in at five, he nearly had the dream debut as he faced Munster vets player Jim Quinlan. Vincent fought very hard to over turn big deficits to win the first two sets, he put himself in match winning positions to win the third and the fourth but Quinlan's many years of experience saw him nick the result 3-2. At four Ray Moore played Munster U-19 player Ken O' Keeffe despite a couple of close calls Ray won through 3-0. At three Pat O' Brien despite the look of rustiness edged out the fit Aidan Monahan 3-0. At two Anthony Lyons had a little scare as he let a two set lead slip before wrapping up his match 3-2 against Eamonn O' Keeffe. At one Paul Freyne stormed to a very convincing 3-0

win over Evan Whooley. So a very satisfactory result of Sunday's Well 5 points Minnies 18 points.

## SUPER RESULT IN LIMERICK

Our second division squad began their campaign on Thursday night with a long spin to Limerick. After arriving at the Catholic institute we were informed that we should be at the Limerick Lawn Tennis so it was close to 9 O' clock before the action started. The first several of the main team were missing so Vincent Tutty again obliged and played at number four. Still feeling the effects of his first division encounter Vincent struggled as he went down 0-3 to Andies Van Der Watt. Also subbing on the night was Emmett Byrne, he played a stormer as he beat John Lucas 3-0. At three John Reynolds was never at the races as he lost 3-0 to the crafty Billy Ryan. Richard O' Mahoney playing at two worked extremely sharp as he won 3-0 against Murt O' Donoghue. At one Ray Moore recovered from two sets down to beat Eddie Mofret 3-2. So despite a weakened team a very creditable 3-2 (12 points to 8 points) result as secured. This Thursday 30th, the boys are home to The Orchard. Well done to Charmain O' Brien for making the long trip to support the boys and to Michael Tutty and Dan McCarthy who travelled on Tuesday night to the Well to lend their support.

## FIRST MAJOR CUP FOR BRIAN MORRISSEY THE MCCARTHY CUP

We all appreciate that the prizes for our competitions at Dungarvan Golf Club are excellent but somehow most golfers experience an added thrill when they win a substantial silver perpetual cup. Young Brian Morrissey playing off a handicap of sixteen must have experienced that warm feeling on Sunday evening last and we hope he will treasure it for some time to come. 41 shots on the first nine and forty on the back meant he returned a net score of 65 to leave him three shots clear of John Deasy (5) who covered the first nine in thirty five shots and the second nine in thirty eight. Jimmy O' Donnell (5) won the

gross with a front nine of 40 and a back nine of 36. Well done to all those who took part.

### CLUB MANAGEMENT

The majority of us are content to play our regular game of golf and take for granted that this should be so. However, there are people working behind the scenes who ensure that everything runs smoothly and that we are geared for the challenges of the future.

For instance Michael Brackett, Vincent Hayes and Conor Blackwell are in charge of special projects within the club and they meet regularly.

## INTER FIRMS

The very successful Inter Firms, sponsored by Fennell Haulage & Waste Disposal, finishes on Friday next with the Waterford Joinery team increasing their lead over the Builders. Waterford Joinery are eight points ahead which, on the face of it, looks like an insurmountable hill to climb for the Builders, with the Course Staff a poor third.

The Builders team made up of Eugene Collins, Nicholas Fitzgerald, Maurice Fennell, Kiki Cullinan and Johnny Hourigan have

a lot of talent and with most of them on a handicap that is, let's say, comfortable, it is possible they might catch the leaders.

Looking at the leaders, Waterford Joinery, they are not lacking in talent either with players like Jim Kiely who is assured of his job for another twelve months at least having produced a great score of 22 pts. late last week, John Mc Grath, Michael Mc Grath (who got married on Friday last and will not be scoring, for his team that is, this week as he is on his honeymoon). The rest of the team is made up of Tony Moore and the very consistent Mark Lenihan.

The two top teams will no doubt battle it out to the very end but it will be a major shock if the leaders are overhauled at this stage.

## PRESENTATION OF PRIZES

The next presentation of prizes takes place on Friday next, 1st October at 9.30 p.m. All prize winners are requested to attend. See notice board for further details.

Hayes, Brian O'Connor and the winner of next Thursday, 30th September.

## SOUTH EAST JUNIOR ALLIANCE

Gold Coast Golf Club for the first time will be participating in the South East Junior Alliance. This is a marvellous opportunity for members to play in the participating clubs, which are Carrick-on-Suir, Callan, Dungarvan, Kilkenny, Waterford and West Waterford, over the coming months for a relatively small fee. As we are allowed only 9 members, a draw will be made to fill the nine places. Only

## CLUB OUTING

The club outing to Harbour Point Golf Club on Thursday next goes ahead as planned. Hopefully the weather will have improved

somewhat by then, ensuring that we should have a very enjoyable outing. Bus leaves the car park at the Gold Coast at 9.00 a.m. sharp.

## WATERFORD WIN MUNSTER INTERCOUNTY TITLE

Waterford comfortably beat Tipperary in the Munster Boys Intercounty final at Fermoy on Sunday last, the match being called in with four wins, and Waterford leading in the remaining matches.

Dungarvan Town had four members on the team, David Briden and Sean

O'Halloran from the Gold Coast, Ian McCarthy and John Dunphy from West Waterford.

This further underlines the immense talent in the town, reward for all the hard work and time invested in producing an outstanding crop of golfers, with undoubted talent which will further blossom.

Michael Canty and Clancy Bowe from Tramore and Ian Hegarty from Waterford Castle completed the successful County team.

It is probable that this is the first time that Dungarvan have produced more than half the County side, and with untried talent in the locker, we look forward to future local recognition.

## BASKETBALL NEWS

# Wildcats Back In Action

Avonmore/Snowcream Wildcats tip off their 99/2000 season with a home game against newcomers Crusaders from Dublin. The capitals north siders have won the Regional League for the past two seasons and now try their luck in the ESB Super League.

Expect to see some new faces in the Wildcats Senior line up as Michelle Maguire and Trish Nolan take some time out for personal reasons, stepping up are many of the talented juniors in the Wildcats camp. Returning to National League action is Carmel Kissane, the all rounder in sports where the big ball is concerned, the Kerry lady has excelled in soccer and Gaelic football recently, but now returns to her first love

'Basketball'. Others on show include Jillian Hayes, Olivia O'Reilly, Mary Fitzpatrick, Catriona White, Christine Kiely. These five players have the honour of being the only basketballers playing to hold five National League medals. Then there is "The Flying Lillywhite" Michelle Aspell, originally from Waterford the Kildare based talent makes the 160 miles round trip three times a week. Emma Griffin and Donna Dunne edged their way into the frame last season and will be hoping to have an impact in this season's team. Wildcats centre Orla Dempsey was young Player

of the Year last season and she should be dominant inside, standing 6 ft 3 in. tall Orla will be expected rebound both ends of the court.

Wildcats have two teams in the National Development league, one in the northern section and the other in the southern. From these squads young players like Jenny Coady, Kim Fitzpatrick, Kate Maher, Aoife Dillon may be brought into the senior team from time to time. Wildcats supporters will expect their team to keep on winning, but that might prove to be difficult. With so many changes happening it may be some time

before a settled side is formed. All this should cause great interest over the coming weeks, so for the moment it's time for game one in the Mercy Gym, Ozanum St. at 7.30 pm this Saturday night, Oct 2nd.

### NEW COACH

Avonmore/Snowcream Wildcats have a new coach this season. She is Katy Delaney from Boston, U.S.A. Miss Delaney comes from a very strong basketball background having spent three years as assistant coach at Stonehill College, Boston prior to then she spent some time at Holy Cross College. In her playing days Katy was one of the finest point guards on show winning many awards playing for her beloved 'Stonehill'. When she finished playing college basketball, Katy tried her luck here in Ireland back in 1991, playing for Corrib, Galway. Ironically her first game for Corrib was here in Waterford's Mercy Gym. Wildcats beat the Galway side 70 points to 55. But all the talk after the game was of the Corrib point guard who scored 44 of her sides 55 points. Hopefully Katy's stay with Wildcats will be an exciting and fruitful one. Assisting Katy will be David O'Reilly, a great loyal and faithful servant to Wildcats over the past 10 years. Eric O'Brien completes the coaching team. We wish all concerned the best of luck this coming season.

### JUVENILE CROSS COUNTRY LEAGUE

The Juvenile Cross Country League started in the Friary College on Friday evening with a good entry of 27 athletes. Everyone was timed over one lap (200 m approx) of the college grounds. They are now divided into teams with each athlete scoring points for their finishing position each week. The top 2 teams will get prizes at the end of the league as well as the fastest U-12 and over 12 excluding All Ireland medal winners and also the most consistent. There were some very impressive per-

formances on Friday evening with both Shane Power and Una Power getting very close to the 8 minute mark which is an improvement of almost a minute on their best run of last year. I am sure both will get under the 8 minutes before the conclusion of the league. The league continues on this Friday at 4.15 pm and new comers can still join the league and will be added to a team.

### LOTTO

Last weeks lotto saw no winner of the growing jackpot. Next weeks winner could walk away with a huge £1,000. We did, as usual, have three lucky winners of £20 however. They were Joan O'Sullivan, Pat Regan and James Landers. Well done to our three lucky winners. The unpredicted numbers were 6,14,16, and 23. Don't forget to purchase a ticket for next weeks draw as this jackpot must go soon. Remember, if you're not in you can't win.

### RESULTS

## Jimmy O'Donnell Sponsored Tournament

Our Sunday Morning tournament, which was kindly sponsored by Jimmy O'Donnell, was a huge success with a good crowd turning up on the morning. In the nett there was no stopping the powerful combination of John Carroll and partner Paul Riordan. In the gross partnership of Captain Leonard Duggan and Jimmy Cockwell proved too strong for the rest of the field. Well done to our winners and also to all who took part. The club would also like to thank Jimmy O'Donnell for his generous sponsorship, without which this competition would not have been possible.

### JUVENILE RESULTS

The Juveniles took to the road last weekend and headed for Kilworth on an outing accompanied by Leonard Duggan. The Juveniles were very grateful to Leonard as he watched and took care of them for the day. A competition took place and the skill of our up and coming stars was very evident with Jason Hackett bring home 1st gross. The two Hamilton's, Darren and Barry, along with M. Buckley brought home nett prizes. Well done to the juveniles on a huge success and thanks to Leonard for making it possible.

### FIXTURE

This Sunday sees the May Power Perpetual Trophy up for grabs with Fourball betterball being the order of the day. Names are to be in on or before Saturday so make sure you have your name down for what promises to be an excellent competition.

### ANNUAL GENERAL MEETING

Yes it's that time of the year again. Our AGM is just around the corner, Thursday 7th October to be exact. All members are requested to attend this special meeting which will commence at 7.30 pm sharp. Make sure you're there on time but more importantly be there.

### COMMITTEE MEETING

A Committee meeting will be held on 30th September in the clubhouse. This is our last committee meeting before the AGM so all committee members are requested to attend.— Shout fore

# Horse Racing

BY MARK PHILLIPS

## HORSE BAN

The Listowel stewards came down very heavily on Co. Cork trainer Jimmy Murphy when his horse Ballygarvan was banned for forty two days after finishing in fifth spot in Monday's bumper. Ballygarvan's jockey Damien Murphy was banned for 21 days for making insufficient effort and trainer Murphy was fined £500 for using the racecourse as a schooling ground.

## SPACE TRUCKER

Co. Kildare trainer Jessica Harrington is toying with the idea of running her Cheltenham winner Space Trucker in next Saturday's Cesarewitch at the Curragh. The trainer said "I would like to give him an opener at the Co. Kildare track but everything depends on ground conditions. Space Trucker won't run on ground which is any worse than good. One piece of news which delighted me this year is the fact that the Punchestown Festival has been put back until May. With the likelihood of perfect ground he will certainly run there".

## CAPE CROSS

Top miler Cape Cross is just one more race away from retirement. After contesting the Hong Kong mile next December he will stand as a stallion at Kildangan stud here in Ireland. Owned by the Godolphin outfit, five year old Cape Cross last year was successful in the group one Juddmonte Lockinge stakes at Newbury while further victories followed this year in the group two Queen Anne stakes at Royal Ascot and Celebration Mile at Goodwood. His stud fee will be £8,000 payable on October 1st.

## BRIAN'S APPOINTMENT

35 year old Brian Kavanagh was recently appointed Chief Executive of the Irish Turf Club. Formerly manager of the Curragh and the adjacent training grounds Brian takes over the reigns from Cahir O' Sullivan who retires after twenty five years at the helm at the end of October.

## IRISH CESAREWITCH

The Ladbroke's Irish Cesarewitch is the feature event on next Saturday at the Curragh. This two mile event is a wide open affair. Despite his advancing years the ten year old Miltonfield could well run a big race at rewarding odds.

## TRAINERS COURSE

Among those who recently attended a two week pre racehorse trainers course at the Curragh was young Waterford man Henry De Bromhead. Bearing the same initials as his father it must only be a matter of time before Henry takes over from his dad Harry at their Knockeen stables just outside of Waterford city.

## NEW TRAINER

Sandra McCarthy, a daughter of veteran trainer Paddy Mullin's has applied to the Irish Turf Club for a provisional license or permit to train horses. Sandra was one of our better lady amateur jockey's and is certainly bred for the job as her brothers Tony and Willie Mullins are fine trainers in their own right.

## BARTON OUT FOR SEASON

One of last years leading novices Barton is unlikely to race this year. His trainer Tim Easterby reported that his star performer had picked up a tendon injury. While the injury is not too serious, connections are unwilling to take any risks especially at Barton is only a six year old and he has plenty of time left to make his mark in such events as the Champion Hurdle.

## THIS WEEK'S FIXTURES

Wednesday; Brighton, Newcastle, Salisbury. Thursday; Hereford, Newmarket, Taunton. Friday; Hexham, Lingfield, New Market. Saturday; The Curragh, Down Royal, Chepstow, New Market, Redcar, Sandown, Uttoxeter, Wolverhampton. Sunday; Punchestown.

## PRIX DE L'ARC

The prestigious Prix de L'Arc de Triomphe will take place at Longchamp outside Paris next Sunday afternoon. Daylami was confirmed a definite runner over the weekend but I am still sticking by Montjeu to come good on the day. Latest betting on the big race is that Montjeu tops the market at 13/8 with Daylami at 2/1 from 9/4.

## GRAHAM DELAYS RETIREMENT

North of England trainer Graham Bradley is certain to retire in the near future but he is mustard keen to go out on a winning note. He was expected to have his final rides at Chepstow next Saturday but he has put his retirement on hold until the Wetherby meeting on October 30th where he expects to bow out on a winning note.

## LISTOWEL UPDATE TUESDAY SEPT. 1ST

Feature event on day two has the Listowel supporters handicap hurdle. 14/1 outsider Right Job ran a pleasing race for trainer Pat Flynn but he was no match for the Pat Hughes trained Akasian, this 6/1 shot under Kieran Kelly cruising to an impressive five and a half lengths success.

Pat Flynn who trains a few miles outside of Carrick On Suir on the Waterford side enjoyed better fortune in the opening mile maiden as the 5/4 favourite Morning Breeze under apprentice P. T. O' Connor came home a length and a half clear of Kilkenny Castle.

Tallow owner/breeder John Morrison was on the mark in the maiden hurdle as 6/1 shot Crimson Kiss (Soviet Lad - Crimson Kiss) came home five lengths clear of City Gold. This was a nice spare rider for Joe Casey as Crimson Flower would normally be ridden by Mick Murphy but he sustained an injury earlier in the week which could see him out of action for quite some time.

## - LISTOWEL -

## WEDNESDAY SEPT. 22ND

Waterford jump jockey David Casey rode a rare winner on the flat for Willie Mullins steering 8/1 shot Early Fin to a handy three and a half lengths win over Gossie Madera in the seven furlong Cliff House Hotel handicap.

The John Kiely trained Cirvin contested a competitive two mile hurdle but this 9/21 shot could only finish in fourth spot behind the Shay Barry ridden 5/1 winner Musical Mayhem.

Sean Griffin's Rua Lass continues to run well over hurdles without actually winning. Sackville was a well backed 15/8 favourite to land this maiden hurdle and she beat the consistent Rua Lass. The latter will surely win her maiden hurdle before too long.

Our fancy for the featured Kerry National was the well supported Function Dream but his 100/30 joint favourite faded badly in the closing stages. There was a valid excuse though for this poor performance by Function Dream as she was found to be suffering from a colic condition post race.

After a brave front running performance up north Gaultier Gale was a warm order at 5/4 in the Seamus Mulvaney chase but he appeared not to act in the soft ground as Keelson 5/1 motored well clear in the closing stages to record a facile twenty lengths victory.

## LISTOWEL THURSDAY - SEPTEMBER 23RD

The heavy going took it's toll in a number of the National Hunt Races not least the divisions of the Kevin McManus beginners chase. One runner who went into my notebook was the Willie Mullins trained Mykon Gold the 5/2 favourite for division one of the novice chase. Ridden by Tommy Treacy Mykon Gold made a dreadful mistake half way through this marathon event but recovered sufficiently to finish a moderate third. Provided he improves on his jumping he looks a certain future winner over the larger obstacles. The winner of this event was 8/1 shot. Ladchra who jumped very well in the testing conditions for Norman Williamson. A sad tale to this event was that the Buckskin gelding returned to the winners enclosure very lame. In this same contest trainer Declan Queally saddled Western Sun and he was jumping quiet well until unseating his rider down the back stretch. John Queally ran Sean Connors in division one of the novice chase and in this grief stricken affair this lukewarm 3/1 favourite never looked happy in the heavy going and he was eventually pulled up. This particular meeting was not a hood one for the Carberry brothers Paul and Phillips. Paul hit the ground when a weakening Eveis Boy slipped up on the flat and with fluid on his knee he gave up a number of rides later on in the afternoon. He was due to have a medical examination last Monday and he faces possibly some more time on the sideline. Brother Philip took a crashing fall aboard Shanty Town as did Denis Leahy recently returned from England to try his luck in this country who suffered a similar fate and both riders were shifted to Tralee hospital for x-rays on their lower back and shoulder. To make matters worse for Philip Carberry he missed a winning ride later on in the afternoon aboard the Arthur Moore trained Owen Bark in the Smithwicks handicap hurdle. Owen Bark is owned by Frank Cruess-Callaghan who has business interests in Waterford.

## - LISTOWEL -

## FRIDAY, SEPTEMBER 24TH

County Tipperary trainer Eddie O' Grady and County Cork born jockey Norman Williamson were the stars of day five as they were responsible for three of the eight winners on view. Unluckiest loser of the day was surely Wilyelkra in opportunity hurdle. Under claimer P Stringer the F Bowles handled Wilyelkra easily accounted for Tramore bumper winner Dustin. But When young stringer weighed in he was found to have carried below the stipulated weight and his mount was disqualified and the Donie Hasset trained Dustin awarded the race.

## LISTOWEL - SAT. 25TH

With the ground still riding on the heavy side the six day Listowel meeting came to a highly successful conclusion last Saturday afternoon. Wexford born but Waterford based Accountant John Brennan was on the mark in the £8,000 Kerry Petroleum chase as the seven year old gelding Miles Byrne (Over The River June Bug) 13/2 put up a brave front running performance for rider Barry Cash dishing out a twelve length beating to the well back platonic My Eye. The winner is trained in County Wexford by Pat Sinnott. Jockey Ruby Walsh returned to action at this fixture after his time off due to injury but he showed too much of the whip to Three Rivers in the long distance hurdle and duly picked up a three day suspension for his trouble.

## BARRY'S TREBLE

Irish born jockey Barry Fenton registered his first ever treble last Monday riding three winners at Exeter. One of his winners was the Ian Balding trained Grey Shot in the novice chase. Apart from one mistake down the back Barry enjoyed an armchair ride aboard this former talented hurdler and he should collect plenty of more prizes this winter.

## WESTERN FINAL UNDER-13 HURLING

On Friday night last Dun-garvan lined out against old rivals Lismore in the Fraher Field in the Western Final replay having drawn the previous week in a great game of hurling at Cappoquin. From the throw in Dungarvan were on top with the forwards playing up front getting a good supply from midfield and the backs. Joseph McGovern cleaned up in the half forward line showing some fine skill while Emmet Mullally broke timber in the full forward position.

The first score of the game came from a lobbed ball into the Dungarvan full forward line and as the ball broke Joseph McGovern buried it to the back of the net having been assisted by Kieran Wall and John McDonagh, who pulled on anything that came their way. Throughout the first half Lismore failed to get on top at any stage with John Paul Tutty, Johnny Ahearne and Christy Troy impressing for the 'Old Boro'.

The second goal came from a '65' where Jamie Nagle sent it to the top right hand corner without anyone getting a touch giving Dun-garvan a 2-0 lead to Lismore's 0-0.

In the second half Lismore dominated the early exchanges but failed to capitalise on their possession due to the pressure exerted by the Dungarvan defence with Kevin Stack having the game of his life between the posts and nothing passed him. Once again the defence were on top with John Paul Tutty, Johnny Ahearne and Jamie Nagle clearing everything.

Dungarvan increased their lead with 5 minutes remaining when the ball broke to Emmet Mullally just outside the square and he crashed it home to secure a great victory. This was one of the finest games at under-13 level seen with a long time, with the skill and determination of Dungarvan giving them a very well deserved victory. It was a solid team performance with Kevin Stack keeping a clean sheet in goal, the six backs, Christy Troy, John Ahearne, John Paul Tutty, John Cass, Shane Whelan and Darren Hamilton playing outstanding hurling.

Midfield was dominated by Michael O'Mahoney and Jamie Nagle and the forwards gave of their best with Brian Bannon, playing a captain's role, Joseph McGovern and James Dalton leaving plenty of ball into the full forward line of Kieran Wall, Emmet Mullally and John McDonagh.

The Cup was presented to Brian Bannon by Bord na nOg Chairman, John O'Brien. This victory sets aside a good base for the U-14 team for next year and Dungarvan should build on this between now and then.

Thank you to all the supporters who turned up on the day to cheer on the players of the future. We would also like to acknowledge John O'Brien and Mery's for their support.

Team: Kevin Stack, James Dalton, Shane Whelan, Brian Bannon, Christopher Troy, Joseph McGovern, John Cass, Kieran Wall, John Ahearne, Emmet Mullally, John Paul Tutty, John McDonagh, Darren Hamilton, Jamie Nagle, Michael O'Mahoney. Subs: H. Corcoran, B. McDonagh, P.Cullen.

## U-12 GROUND HURLING

Last Saturday morning we went to the Abbeyside grounds to take part in the

Bord na nOg U-12 ground hurling tournament. Only four clubs took part on the day, and as a result of this we had only two games to play. Our first game was against An Rinn, we began well and went into an early lead, but An Rinn came back at us and levelled the game. The boys threw all they had into the last few minutes and got the winning score which they well deserved. Winning this game put us into the final against either Clashmore or Kilrossanty. This was an exciting game to watch, and Kilrossanty came out as winners, putting them into the final with the Brickeys.

From the start of the final both teams played well and it was obvious to see that this was going to be a battle from both sides as to who would get the upper hand. Fortunately our side gained this advantage and were not going to throw it away. We scored four great goals, and added four points to come out as comfortable winners on the day.

The team were delighted with their win here, and are well pleased with themselves as being the U-12 Ground Hurling Final win-

ners in their division.

Panel: Kieran Gee, Conor Nugent, Cian Kearney, Shane Tobin, Alan Curran, Johnny Cooney, Richard Lenane, Conor McGrath, Eoin McCarthy, Stephen McCarthy, Andrew Murphy, Colin McGrath, Shane Kearney, David Curran, Gavin Flynn, Liam Hansbury, Philip Walsh, Trevor Whelan.

## U-14 FOOTBALL

## G.A.A. SNIPPETS BY COMMENTATOR

# A Gala Night

A special function to commemorate the 40th. anniversary of the 1959 All Ireland when Waterford won their second McCarthy Cup will be held at the Granville Hotel, Waterford on Friday night next. All but three members of the team (Phil Grimes, Donal O Faolain and Mick Lacey) are still around and will be present with their partners to receive sponsored mementos of the occasion. Including special guests, about 200 will sit down to the meal.

# MATCH CANCELLED

Because of the horrible tragedy which killed the two young Kiely sisters, Stephanie and Karen, in a car accident at Piltown Cross at Saturday afternoon, the very eagerly awaited clash between Clashmore and Geraldines, was cancelled as a mark of respect. Unfortunately, the time available to the board officers to cancel the match did not allow for publication of the decision, but the huge crowd who turned up were very understanding and fully in agreement with the decision. The tragedy happened around 4 p.m. and the game was scheduled for 6 p.m., so in the circumstances, the officers are to be complimented on their swift action.

The game has been refixed for next Saturday and the time, etc. will be stated in our fixtures column.

# All Ireland Football Finals

Last Sunday in Croke Park a crowd of 63,226 saw Meath defeat Cork by 1-11 to 1-8 in what was a great contest that was exciting all the way to the final whistle. As both teams played a holding game, the standard of football was not great, but by today's standards, it was no worse than the others which have been played in the championship so far.

The minor game between Down and Mayo, by comparison, was a terrific match and was described by many as the best played in this grade for many years.

In the Mini Sevens, Waterford were represented by Kevin Moran from St. Declans School and Michelle McGrath, Ballymacarby N.S.

# SHAMROCKS G.A.A. NOTES

## INTERMEDIATE HURLING WESTERN CHAMPIONS

On last Saturday at Cappoquin we took the title with a 4 point win against St. Mary's. Shamrocks 3-7 St Marys 1-9. This was a splendid game of hurling played in a sporting manner, in spite of the dreadful underfoot conditions. Every one of our players were stars on the day as they brought honour to our parish with their spirit and determination. St. Mary's took an early lead which was blotted out by a well taken goal by young Padraig Tobin. At half time the score was Shamrocks 1-3 St. Mary's 0-4. Two second half goals, one from a long range free by our goalkeeper Liam Murphy and another from a fine effort by Sean Murphy put us on the road to victory and

although St Mary's hot a late goal they were unable to close the gap and we now look forward to the Co. final again, Dunhill or Ferrybank sometime in late October at Walsh Park. After the game in Cappoquin on saturday the Western Cup was presented to Dan Case by Paddy Walsh. Western Board Chairman amid scenes of great excitement.

Team:Liam Murphy, Kieran Aherne, Tomas Roche, Michael Ryan, John Baldwin, Liam Dalton, John O' Donovan, Tom O' Donovan, Dan Casey (Capt) Kieran O Keefe, Kieran Murphy, Padraig Tobin, Sean Murphy, Eoin Murphy, Pat Murphy, Subs used: James Baldwin, Donal Hickey. Finally a word of

appreciation, coach Peter Power, who has been with us in all our victories and has been an inspiration to the lads and hopefully it will continue for the Co. Final.

In conjunction with next Sunday's All-Ireland Ladies Football Final, the Waterford GAA Supporters Club, Dublin is holding a social for Dublin-based and travelling supporters on Saturday night. The venue is WJ Kavanagh's Pub, 4 Lower Dorset Street, at the junction with Eccles and Temple Streets (close to the Mater Private Hospital).

Proceedings get under way at 9 pm, music and refreshments will be provided, and admission is free. We look forward to seeing you all there.

We offer our best wishes to the new senior hurling selectors. Hopefully they will be able to bring in some new players to boost the team squad for next year. We weren't far off this year against Cork, and only require a little more to be in there with a real chance of glory. Also, we wish the best of luck to Greg Fives and the other members of an Coiste Peile. We hear they have very definite plans to build on the momentum created by the Junior Footballers.

Finally, congratulations to the Ladies Football team on their great win over Monaghan in the All Ireland semi-final. Hopefully, their return to the capital next Sunday will be equally rewarding.

## Primary Schools G.A.A. News

Church & General  
Camogie as usual

### CAMOGIE BLITZ IN CAPPOQUIN

The girls were first into action this term and eight teams turned up for a tournament that is bound to improve the standard of camogie here in the West. The Cappoquin Club had three pitches set up — all lined with flags and all the goals had nets, which was a great help to everyone.

There were three groups and the results were as follows:

**Group A** — An Rinn 5-0, Villierstown 0-0; Ardmore 0-0, Villierstown 4-0; An Rinn 0-0, Ardmore 0-0.

**Group B** — Cappoquin 2-3, Glenbeg/Carriglea 0-0; Scoil Gharbháin 0-0, Cappoquin 2-1; Glenbeg/Carriglea 2-0, Scoil Gharbháin 1-0.

**Group C** — Modeligo 7-1, Tallow 2-0.

The top team in each group — An Rinn, Cappoquin and Modeligo went through to the semi-finals and they were joined by the top scoring loser which turned out to be Villierstown.

**Semi-finals** — An Rinn

1-0, Modeligo 0-0; Cappoquin 3-0, Villierstown 0-0.

The final was played at 5 p.m. and following an exciting game which went into extra time, An Rinn were victorious on the score: An Rinn 1-1, Cappoquin 1-0.

We hope all the girls enjoyed the event and thanks to the parents and teachers who attended. A special word of thanks to Camogie Co-ordinators, Leonone O'Brien and Ciara Murphy who were organising their first blitz and they did an excellent job. Chairperson, Margaret Cunningham was present all through and her help and advice was availed of.

### CAMOGIE TOURNAMENT GAME

LISMORE 3-1  
BALLYDUFF 2-2

This game was played in Ballyduff and the return leg will be played in Lismore next week. The aggregate score of the two matches will decide the winner.

### DEISE DEVELOPMENT DRAW SCHOOLS CHAMPIONSHIPS

The boys football begins this week. This year we have five divisions — Roinn E is for two teacher schools only. All the finals will be played at the Fraher Field on Saturday, 6th November.

# Ardmore G.A.A. Notes

## SENIOR FOOTBALL

### Relegation Still A Possibility

**ARDMORE 0-7 AN RINN 1-8**

Our senior football side still face the possibility of relegation following our four point defeat by An Rinn on Saturday last. This win assures An Rinn of senior status for the millennium while our lads will have to get a win in our next match to ensure that we also enter the next century as a senior club. While I am sure that this can be done it will take a better display than Saturday's to make sure that this will happen. With our minors being rested it will test the resolve of our senior and under-21 players to keep up as our next game could be scheduled for any one of the coming weekends.

#### DEISE DRAW

Once again we drew a blank in Friday nights Draw which took place in Leamybrien. So far we have had only two winners which is not very good considering we have over 300 in the draw.

#### SPONSORSHIP

Once again our club are most grateful to all our sponsors during the year. Our latest benefactors have been our minor footballers who received a beautiful set of jerseys from John and Bernie Quinn for their divisional and county finals.

We are most grateful to all of our sponsors and in this regard we would like to give every one of our sponsors the opportunity to advertise their produce or service in the county final programme. Adds will cost £25 and should be given to club secretary Billy Harty as soon as possible. As this will be the last county final of the millennium the programme will become a collectors item, so if you want to be in it, please don't delay as there will be a deadline for printing, etc., so we have set our own deadline of October 3rd as the final date for advertising.

#### SCOR

At the moment there is some wonderful talent in the parish which our club would like to harness for Scor. With this in mind we are appealing for parents of children who may be interested to come forward and make themselves known, so that we can put together a talented team to represent the club. This is a great opportunity for people who may not be good at the field games to excel at other disciplines and with 8 different categories in Scor there is certainly something for everyone so please don't be shy, let us know if you are interested by contacting Billy Harty, Declan Hennessy or Liam Lynch

as soon as possible.

#### LOST AND FOUND

At the moment there is a huge box of assorted clothing after being accumulated over the past few weeks in the dressing rooms. Much of this is indeed very valuable so if you think you might have left some item behind you, please call to the G.A.A. pitch or contact Noel Conway as soon as possible as if this box is not emptied we intend to donate it to the St. Vincent de Paul Shop for them to put to good use.

#### UNDER-14 FOOTBALL ARDMORE 1-4 ABBEYSIDE 0-6

To say that we got out of jail in this fixture would be putting it mildly as we did not play at all well during the game. We are now still unbeaten but an awful lot of work remains to be done if we are to be championship contenders. Our final game of the league section will be against neighbours Clashmore who are also serious championship contenders. We shall know our final position this time next week as in any case we are guaranteed a semi final spot. Our game with Clashmore is now on Thursday at 6.15 p.m.

#### VOTES OF SYMPATHY

At our club meeting on Thursday night votes of sympathy were passed in respect of the passing to their eternal reward of Michael Fitzgerald, Bawnacrimera and Biddy Casey, Ballyquin. We extend our deepest sympathy to the families concerned.

Our sympathy also goes out to the Kiely family in Youghal who suffered a huge tragedy following a traffic accident on the Youghal Rd. on Saturday evening last when two young girls were killed.

#### CLUB T-SHIRTS

Coming into stock soon will be club t-shirts which will be on sale in time we

hope for our county final. If you wish to have one then please get your order in to any of our club officers as soon as possible as these t-shirts should be in brisk demand.

#### LOTTO

Last Sunday week's lotto was held in the Cliff House Hotel with the numbers 7, 9, 13 failing to produce a winner. The following receive consolation prizes — Declan Downey, Cruslea, Michael Morrissey, Ballylane, Grange, Stephen O'Neill, c/o Pat Hennessy, Declan Power, College Rd., and Albert Burke, Monea, Ardmore. Once again our thanks to the Cliff House Hotel for their hospitality.

Last Sunday nights lotto was held in Kiely's Cross and the numbers 8, 15, 18 also failed to find a match so the following are consolation prize winners — Ann Curran, Aghlish, Jamie Rust, Monea Crescent, Ardmore, Mossy Hallahan, Tinalyra, Grange, Declan Whelan, Tinalyra, Grange and Terence O'Callaghan, c/o Fleming's Bar, Grange.

Once again our thanks to the staff at Kiely's Cross for their continued support and we look forward to our next visit. Next Sunday nights draw is at the Round Tower Hotel.

#### ALL IRELAND LADIES FINAL

A large number of locals will be travelling to Croke Park on Sunday next to cheer on the Waterford ladies footballers to what we hope will be another All Ireland victory. Our best wishes as always go to the team and especially local lady Mary O'Donnell who we hope will be able to take her usual centre forward position. Mary picked up a finger injury in a recent game but hopes to be o.k. Again we wish Mary and all the girls the very best of luck.

#### ALL IRELAND FOOTBALL FINAL

Once again the minor football final was much more exciting than the sen-

ior football final. Cork probably suffered most by the difficult underfoot conditions as a physically stronger Meath side ground them down in the end. The tactics employed by both sides do not make for good viewing and it is no wonder that most commentators feel that something must change to make football attractive again as it now appears that physical fitness is cancelling out talent.

The new players association will hopefully be a good move for those playing the game, especially in the weaker counties as those players put in the same effort as those players from the successful counties. Asking for their efforts to be rewarded by more championship competition is also laudable but will not yet find favour with the G.A.A. hierarchy. Neither will players be paid to play, which I believe is correct as the amateur nature of our games are what makes them attractive. What the G.A.A. must do however is to harness the talented players for a few years from their employments and put them into the weaker counties to promote the produce which they see on T.V. Kids need idols and players such as Joe Deane, Sean og hAilpin, Trevor Giles, Jason Sherlock, etc., should be used as role models for the children to promote G.A.A. all over Ireland and not just in their home county. — P.R.O.

#### Fourmilewater Hurling Club

##### CARD RESULTS

Fourmilewater Hurling Club would like to thank all our sponsors who contributed to the preparation of our minor team in the recent county final.

## Western Bord Na nOg Notes

#### UNDER-13 HURLING MICK FITZGERALD CUP

The final of the above cup was played between Lismore and Dungarvan in Cappoquin last Sunday morning. This was a cracker of a game between two evenly matched teams. The standard of hurling was very high with some beautiful individual performances from both sides. Lismore had the upper hand for most of the game but a late rally by Dungarvan and two great goals (goals if scored in a senior game would be talked about for a long time) gave Dungarvan a draw.

#### Replay Fraher Field Friday, Sept. 24

Again both teams served up 40 minutes of good hurling but did not reach the heights of the first game, this was probably due to the fact that the full pitch at Fraher Field was too much for the smaller players. Dungarvan turned over a two goals to nil lead at half time. In the second half Lismore piled on the pressure but a strong Dungarvan defence held out to win the Mick Fitzgerald Cup for the first time. Final score Dungarvan 3-0 Lismore 0-0.

John O'Brien, Chairman of Western Bord na nOg on behalf of Margaret and Ian Fitzgerald, presented the cup to the Dungarvan captain, Brian Bannon.

INTERMEDIATE HURLING FINAL

# Shamrocks Triumph In Splendid Contest Against St. Marys

SHAMROCKS 3-7  
ST. MARYS 1-9

This exciting Western intermediate hurling final was played at Cappoquin in atrocious weather conditions before a reasonably big crowd on Saturday afternoon. The venue had been excellently prepared for the game, but the weatherman had other ideas when the rain poured down to make conditions difficult for the players to cope with and very uncomfortable for the spectators.

Shamrocks, who won this title two years ago before losing to Erin's Own in the county final, were the slight favourites because it had been judged that in the lead up to the game, they had defeated Dungarvan and Abbeyside, but in the final there was very little between the teams (each of whom had 10 scores) and St. Marys will be disappointed that they were not given better weather in order to display their best form. On the day, Shamrocks made better use of

their chances and just about deserved their win.

They now play either Dunhill or Ferrybank in the county final and judging by Dunhill's display against St. Mollerans in last Saturday's semi-final, the western champions will have a very tough assignment when they travel to Walsh Park later this month.

**SCORING**

St. Marys got off to a good early start when sharpshooter J. P. Fitzpatrick pointed twice. Then a Padraig Tobin goal just on

the 13th minute gave the Shamrocks the spur they needed to steady their game. Points scored involving Kieran O'Keeffe, Pat

Murphy, J. P. Fitzpatrick, etc. had the scoreboard reading 1-4 to 0-5 at half-time in favour of the Knockanore team.

The second half saw Shamrocks come more into the game and when Liam Murphy came out to hit an 80 yards free in the 35th minute and the ball dropping all the way to the St. Marys net, the score proved inspirational and when their third major was scored by Sean Murphy and they led by 3-7 to 0-8 in the 52nd minute, they looked home and dry (pardon the pun on such a wet day!), but back came St. Marys for a great goal by Aidan Fitzpatrick in the 57th minute.

This, however was too late to impact on the trend of the game and Shamrocks ran out winners for their second time in the nineties. What their prospects are of being the new addition to the first senior championship of the new millennium, we will be writing about later on.

**PRESENTATION**

Western Board Chairman, Paddy Walsh, presented the trophy to Shamrocks captain Dan Casey amid scenes of great jubilation at the end of the final. He paid tribute to both teams for coping with the awful conditions and to referee Pat Walsh, Fourmilewater and his officials.

The O'Neill/Harney Trophy is a Shamrocks sponsored trophy which commemorates two great men who served the club unsparingly for many years before tragedy ended their young lives and winning it back gave additional pleasure to the players who were once their colleagues.

## Under 21 Hurling Championships Begin This Weekend

Over next weekend this championship will get underway at venues around the division when all but one or two of the pairings will be in action

**LISMORE V. ARDMORE**

This match should see the champions, Lismore successfully defend their title against the up and coming Ardmore team who may have to wait for another season or two before all their good minors mature.

**DUNGARVAN V. TALLOW**

Tallow are the reigning western minor hurling title holders and Dungarvan are the defeated finalists. This is a higher grade and it will be different, but Tallow are nevertheless expected to prove the stronger team and must be fancied to advance. This tie is in Cappoquin at 2 p.m. on Saturday.

The other game in the 'A' championship and which involves Abbeyside and Cappoquin, will not be played until the following weekend because Ballinacourty are playing senior football.

**UNDER-21 HURLING (B)**

Close neighbours, Fourmilewater and Naomh Brid will be in opposition at the Colligan venue in their first round tie and here the Ballymacarbry based team are the fancied side

**COLLIGAN V. CLASHMORE**

The Dungarvan club grounds is the venue for this tie and here Colligan will be favourites to advance.

**BRICKEYS V. AN GAELTACHT**

This first rounder is scheduled for Abbeyside. The Gaeltacht team have a better minor record and I don't know if this will make them favourites but it seems a good enough reason for giving them the vote to advance.

## SENIOR FOOTBALL SEMI-FINAL

# Stradbally And Ballinacourty To Serve Up Exciting Semi Final

**STRADBALLY V. BALLINACOURTY**  
Fraher Field, 5.45 pm  
Saturday, Oct. 2

This is the second semi-final and it will be played on Saturday in Fraher Field in order to allow supporters to travel to Croke Park for the Ladies football All Ireland on the following Sunday.

These clubs have not met in senior championship for about 20 years and in the meantime, Ballinacourty have won the championship on three occasions and Stradbally have lifted the cup twice during the same period (1982 and 1987). In the present decade, Stradbally have done an amount of knocking at the door and have met with an amount of hard luck. Last year they lost out narrowly for a place in the semi-final.

This year they overcame a poor group team in the first

round before disposing of the reigning county champions, St. Saviours very convincingly (2-13 to 1-7) with a lively and very spirited young team which contained a good number of the side which won the county under-21 football title over three weeks ago when they accounted for Rathgormack by 0-13 to 1-7. Their greater speed, fitness and first class team work won them the day against St. Saviours and they must feel reasonably confident that the same

combination will see them through to the county final.

Their line out is unlikely to show any change from the team which heavily defeated the champions and this would see Kevin Cunningham in goal, with Kevin Coffey, Tom Walsh, Oliver Costello, Sean Keane, Ger Walsh, Lar Walsh, Trevor Costello, John Hearn, John Coffey, Ger Power, Trevor Curran, Eoin O'Brien, Stephen Cunningham, Nial Curran, etc.

That line out looks a fore-

boding challenge for any opposition and it will take an almighty effort on the part of Ballinacourty to beat them.

Winning the intermediate football county championship last year, brought Ballinacourty back to senior status. Before that their year in the football wilderness resulted from a one point defeat by Kilrossanty in the championship. They subsequently found themselves relegated (more by lack of commitment than a decline in form).

So far this season, things have been going well for them and having won Division 2 of the Ryan Super League, they went on to dispose of Gaultier in the first round of the championship at Walsh Park and then played very well when beating Gleann na Deise by 10 points in the quarter final.

At present, Ballinacourty have a team with a nice blend of youthful and experienced players and they are not going to lack confidence going out against Stradbally, who must be the favourites. I would see their biggest limitation as their lack of accuracy in attack and if this does happen to go right for Ballinacourty, Stradbally might be in big trouble!

They will probably be satisfied to begin with the team which defeated Gleann na Deise, perhaps with a couple of switches.

Alan Beatty will be their 'keeper and the other positions in defence will be Gavin Breen, Michael Collins, John Organ, Shane Briggs, Lawrence Hurney and Conor Barrett. Derek Hayes and Sean (Hiker) McGrath who have struck up a good midfield partnership will be there again and in attack Ballinacourty will be represented by Gary Hurney, Michael Enright, Colin Keane, Alan Landers, Dermot Melody, Damien Cliffe, Karl Power, etc.

The popular forecast about the game seems to be that Stradbally will be favourites, but Ballinacourty cannot be ruled out. I will go along with that

## SFC SEMI-FINAL

# Lucky Rathgormack Survive For Another Crack At The Nire

## NIRE 0-11 RATHGORMACK 2-5

In every drawn match, one side is always considered to be the lucky one and in this case it must be Rathgormack as after 57 minutes (and with only 1-5 on the board) and lots of missed opportunities, they were awarded a penalty which Martin Power duly converted to bring them level with the Nire, who at this stage had shot over almost double their scores.

The game was played in atrocious weather conditions and it was to the credit of all concerned that the match did go ahead and especially to the credit of the players who had to cope with desperate underfoot conditions.

In spite of the weather a good crowd turned up for the clash of the county's football giants and what a match it would have been, had the weather been suitable.

The huge neutral gathering were pleased that it was a draw and that the opportunity of seeing it all again (hopefully in good conditions) on next Saturday.

At the time of writing I have been informed that the replay will be part of a double header and played before the Ballinacourty v. Stradbally match, which is the second semi-final.

## SCORING

Rathgormack got off to a splendid start when after a Tony Bolger pointed and Pat Crotty blazed home a splendid goal, all within 4 minutes. This was a dream start, but it reflects little on their scoring ability that for the next 54 minutes they could ONLY manage four points.

After the early fright, the Nire steadied and fought their way back into the game to trail by just a goal at the break. It was 1-3 to 0-3.

The Nire took control for the first quarter of the second half and by the 40th minute they had edged narrowly in front. With about 12 minutes remaining, Rathgormack's Declan Power was dismissed from the game and while his loss did affect Rathgormack's effort, they kept battling away until the penalty gave them the chance to stay alive in the championship.

As I have already said, in the circumstances it was a result that no one will quibble at.

**Scorers — Nire —** B. Wall 0-4, C. Power 0-3, M. Guiry 0-2, G. Walsh and P. Walsh 0-1 each; **Rathgormack —** M. Power 1-2; P. Crotty 1-1, T. Bolger and E. Hogan 0-1 each.

**Nire —** M. Doocey, J. J. Wall, T. Walsh, J. Moore, I. Walsh, M. Byrne, K. Mulcahy, P. Walsh, D. Ryan, C. Power, A. Ryan, P. Walsh, B. Wall, M. Walsh, M. Guiry. Sub, G. Walsh for A. Ryan.

**Rathgormack —** P. Fahy, K. Power, D. Power, D. Hassett, D. Crotty, N. Murray, V. O'Shea, R. Power, T. Bolger, E. Hogan, M. Power, J. Murray, F. Halpin, V. Murray, P. Crotty, Subs, G. Power for P. Crotty, A. Power for P. Hogan.

Referee: Pat Moore, Ballinacourty.

# Ring Retain Senior Status After Duel With Ardmore

## RING 1-8 ARDMORE 0-7

The rain was so heavy for an hour before this game started that the matter of a postponement was a distinct possibility. The game got underway well behind schedule with underfoot conditions simply atrocious.

Good football was out of the question, but this relegation match, being a battle for survival, both teams went into it in earnest from the very start and one got the impression that had the ground been firm, it would have a splendid game of football. As it was, it was a good contest and with scoring being close right up until the closing stages, interest was maintained by the small crowd who attended.

Two pointed frees by Eugene Curran gave Ring an early lead but by the end of the first quarter the sides were level, thanks to points by John Hennessy and James O'Donnell. Hennessy's point was the only score from play in the first half which ended at 0-4 to 0-3 in favour of Ring. Eu-

gene Curran pointed the two for Ring and James Veale had the point for Ring.

## SECOND HALF

Eugene pointed a free for Ring in the 35th minute but once again the teams were on level terms when Wayne Hennessy and Jamsie O'Donnell had points for Ardmore.

Again Eugene Curran pointed two frees to leave the Gaeltacht team ahead, but back came Ardmore with points by John Hennessy to level the game once more in the 50th minute.

Then, with just two minutes of normal time remaining and the situation unchanged, a draw seemed likely and the teams required to play extra time. But a schomozle (as Michael O'Hehir would describe it) in the Ardmore goalmouth, ended with the ball in the net, after being helped in by Colm Breathnach. An Ardmore attack was repelled and in time added on, Colm Breathnach pointed to seal a victory for Ring.

In the overall there was very little between the teams and the winners might have been that bit lucky to have gotten the breaks. The Ring goalkeeper, Tom Kiely, seemed to have gotten much more to do than his opposite number.

**Scorers — Ring —** E. Curran 0-7 (all from frees), C. Breathnach 1-1; **Ardmore —** J. Hennessy 0-3, J. O'Donnell 0-2, S. Veale and W. Hennessy 0-1 each.

**Ring —** T. O'Caodhla, E. De Faoite, L. Curran, O. Breathnach, S. O Drahán, D. Breathnach, L. Murray, P. Breathnach, T. Walsh, C. O Murchú, E. Curran, E. Crotty, S. McGrath, C. Breathnach, C. O'Connor. Sub, Carthach Mac Craith for C. O'Connor.

**Ardmore —** D. Lenane, P. Conway, P. Gallagher, M. Hennessy, A. Ahearne, S. Prendergast, M. Keating, A. Sullivan, J. Hennessy, S. Dower, J. O'Donnell, C. Hennessy, R. Hennessy, J. Veale, J. Conway. Sub, D. Hennessy for R. Hennessy.

Referee: Brian Power, Mount Sion.

**G.A.A. NOTES**

# G.P.A.

This was the big news to make the headlines last week and the establishment of the Gaelic Players Association was given prominence in the media all over the country. This cannot be described other than an major development in the Association.

The declared aims of the Association are to "Provide a forum through which players in a 32 county Ireland can communicate on and pursue actively and constructively within the constitution of the GAA those issues which are specific to their participation in Gaelic games at the highest levels."

There were some very high profile players in the 100 strong gathering for their first meeting in Belfast last week.

Their immediate objectives to be pursued are the provision of a better player/insurance and a change in the All-Ireland championship system.

The organisation aim to make certain that players will be better looked after than they are at the present time but the matter of " pay for play " will not be an issue. Many more intercounty players have joined since the first meeting. The GPA has a professional secretary and there is a membership fee of £40. One observer likened the affair to the fire on the Hill of Tara.

It will be interesting to see how the organisation develops.

I don't believe that it will change the face of the GAA.

## County Final Misconduct

Last Sunday week we saw a top class county senior hurling final, but sadly the game, which should have been the topic for discussion all week afterwards, was overshadowed by the two bust-ups towards the end of the game. People were asking about the row more than about the county final.

This is certainly not putting things in perspective as no one was reported injured in the fighting. Of course this does not mean that it was not an ugly and shameful occurrence and those responsible should not be punished.

The county boards GAC met on Wednesday night to consider the referee's report and following this it was decided that they will resume discussions with certain players and officials of both clubs present on to-night, Wednesday.

The GAC are anxious to have recommendations ready for the open county board meeting on Monday, October 11th in Dungarvan.

## County Selectors

This was another news item that sparked off an amount of discussion during last week and the feedback tells of mixed comment on the composition of some of the committees.

The senior hurling selectors with the manager Gerald McCarthy were present at the county final on a talent discovery mission and while they remain tightlipped about any new additions to the panel, I'm sure that young Alan Kirwan (former De La Salle Colleges player) and who played at corner back for Ballygunner, is sure to be given a call.

## Coaching Scheme Notes

**KILMATHOMAS BOYS N.S. — Mr. Jack Giles with some of his pupils during a recent coaching visit**

**Aglis N.S. Stephen Kenefick, 11 years, Rang 6** — This lad is an excellent prospect. Looks a natural hurler. Brilliant control. Strikes from both sides. One of the stars of a very skilful school team who beat Touraneena in their final last summer. Rated one of the most exciting prospects seen in the school for many a year. A bouncy lively little lad, he lives at Bothar Na Grann. Favourite hurler: Tony Browne.

**Ballyduff N.S., Stephen Kearney, 9 years, 4th Class** — Stephen lives at Knockcorradh and he is very skilful. On last Thursday's visit he starred in mini game. Loves hurling and plays underage for Ballyduff. This school beat Tallow N.S. in last year's Roinn (B) final in a cracking game at Abbeyside. Stephen's ambition is to play for his school. Favourite player: Tom Feeney.

**Knockanore N.S., Shane Roche, 6 years old, Senior Infants** — Shane is tall for his age and is a natural citeog. A brilliant little hurler who looks very happy with a hurley in his hand. Very skilful and a great striker of the ball. He lives at Kil-

watermoy. It's not surprising he loves hurling as his dad Tomas has given sterling service to the Shamrocks. Gave a brilliant performance in last Saturday's Western Intermediate final victory over St. Marys at full back. His favourite hurler is his dad.

Last week we featured a questionnaire to 12 year old pupils: "Why they play sport?" The same questions were put to Larry Tompkins.

1. Fun and enjoyment were and still are the reasons for playing; 1. Wants to emulate boyhood heroes; 3. Football is a great help in coping with natural reserve and shyness; 4. Enjoy the comradery of the football scene; 5. Ambition and rewards become important in mid-teenage years."

Despite all his success, fun, enjoyment are central to his football career.

**Next Week's Coaching Dates**

- Monday 4th — Ballinameela/Modeligo
- Tuesday 5th — Grange/Sean Phobal
- Wednesday 6th — Stradbally Boys/Girls
- Thursday 7th — Ballymacarbry
- Friday 8th — Garranbane

## Mt. Sion Still Out In Front

A recent survey shows that Mount Sion are still the leading championship title holders in Ireland — but only just.

When they defeated Ballyduff for the 1998 county title they brought their total to 30. This is one more than Blackrock, Cork who have 29 and two more than Thurles Sarsfields with 28 county championships won.

## CLUB PROFILES

With the majority of clubs having their profile/records available for inspection at the GAA museum in Croke Park, a special appeal has been made to counties such as Waterford to respond as soon as possible.

Recently the County Youth Officer John O'Leary circulated a questionnaire to all clubs in this county and is again appealing to have these returned as soon as possible for forwarding to headquarters.

## Fixtures & Appointments

The GAC have announced that the senior football county final will be refereed by Robbie O'Neill and the minor final involving Ardmore and Ballyduff/Butlerstown. Both finals will be played in the Fraher Field on October 17th.

The minor hurling county final involving Tallow and Mount Sion will be played at Walsh Park on Sunday, October 10th. In conjunction with the eastern intermediate hurling final between Ferrybank and Dunhill or St. Mollerans.
