## Strong Criticism Of Dungarvan's New Traffic Lights

The modern traffic light system recently installed by Dungarvan UDC at the main intersection in Grattan Square has been strongly criticised by members of the Urban Council.

One irate member even described the new system as a 'monstrosity' and urged that

the Council admit that it has made a mistake.

Cllr. Michael O'Riordan said

he has received numerous complaints about the new system which has caused backlogs of traffic up Mary Street and along Mitchell Street with traffic queues also stretching from the Square along the Causeway.

"We looked for a pedestrian crossing and what we got was a monstrosity", he claimed. "The Council should now be big about it and admit we made a mistake".

Cllr. O'Riordan said there are now so many traffic lights at the Mary Street/O'Connell Street intersection that drivers "don't know whether to stop or go".

## Welcome For Speed Limit Review

Waterford County Council has undertaken a comprehensive review of speed limits for the county. The review recommends new speed limits for five areas, while nine areas are to get extensions or changes. Kilmacthomas Labour Councillor Ger Barron has welcomed the changes and in particular the news that Ballyduff lower, Ballylancen and Fenor are to get 30 mph. speed limits. In his opinion, the present situation which allows motorists to speed through these villages must be changed in the interest of safety. "On a week when a new nationwide advertising campaign has been launched on the effects of speeding especially when young drivers are involved, this initiative by Waterford County Council is very welcome news indeed," he stated.

## Council Making Good Progress On Housing

A progress report on housing issued by Waterford County Council has revealed that forty new local authority houses for West Waterford are currently at planning stage.

Fourteen of these houses will be constructed in Tallow, twelve in Lismore, four each in Leamybrien, Ardmore and Ballyduff Upper with two new houses planned for Touraneena.

Among the Council's housing schemes already under construction are four houses in Kilmacthomas which are scheduled for completion in October. Construction also started this month on two Council houses in Ring which are due to be completed in January of next year. The number of local authority houses completed last month was four while it is hoped that two more houses at Leamybrien will be completed by the end of next month.

Meanwhile eleven additional new houses (nine in Cappoquin and two in Stradbally) are also in the pipeline and are currently at the tender stage.

## KNOW YOUR RIGHTS

### QUESTION

My husband and I have been working in London for a number of years. We are both from Ireland and now we are thinking of moving back there to live as we hear there are good employment opportunities. Where can we get more information about living in Ireland?

### ANSWER

There is a very useful booklet called 'Returning to Ireland' which is published by Emigrant Advice and the Department of Social, Community and Family Affairs. An updated edition has just been published and it contains essential information for people who are thinking of moving back to Ireland. It covers a range of topics such as accommodation, health care, getting a job, tax, education, social welfare and employment rights.

It is available on the Department of Social, Community and Family Affairs' website [www.welfare.ie](http://www.welfare.ie) or you can obtain a copy from any Social Welfare Local Office in Ireland.

For further information on rights and entitlements in Ireland you can contact the Citizens Information Centre below.

# THE LIVING WORLD

## LIVING WORLD IN PERIL

### WORLD WILDLIFE LAWS

International laws help to protect rare species, such as tigers, trees, snails and wild-flowers. CITES, the Convention on International Trade in Endangered Species, forbids people to buy, sell or trade protected species, or products from them such as their tusks, flowers, furs or bones, unless they are properly licensed to do so.

### Eco-TOURISM

The idea of eco-tourism is that people pay money to experience rare species in the wild — visit gorillas in their mountain home, stroke whales at sea, or feed sharks on a coral reef. The tourism is carefully controlled so that it affects the wildlife as little as possible, and the money funds more wildlife conservation projects.

### POLLUTION

Vast areas are polluted by unnatural, artificial chemicals. Acid rain damages trees and soil, gets into streams and ponds, and harms fish and other water creatures. Chemicals from industry and our own rubbish and refuse soak into the soil or poison water-ways. Intensive farming also pollutes land and water, with pesticides and concentrated fertilisers.

Birds killed by oil pollution

### SETTING UP SANCTUARIES

National parks, wildlife reserves and nature sanctuaries conserve some wild places. People may be allowed into certain areas, to enjoy the scenery, plants and animals, while other areas are fully protected.

Such areas range from a small wood or pond to a vast area of land or sea, the size of a country. In 1994 the Southern Ocean around Antarctica was declared a huge sanctuary where the hunting of great whales and other threatened animals is now forbidden.

But sanctuaries must usually be large. A single tiger needs 50 sq. km. or more of forest to hunt in. And several dozen tigers are needed for a sustainable population that avoids the problems of inter-breeding among close relatives. So a small tiger reserve of a few hectares is less useful for the long term.

## Prospect Of Improved Water Supply For Clonea/Ballinacourty

Waterford County Council is currently examining the possibility of laying a new water main to improve the water supply in Clonea and Ballinacourty.

Waterford Fine Gael Deputy Austin Deasy recently made representations to the Council concerning low water pressures in this area.

In reply, Eamonn Mansfield, senior executive engineer said the lower pressure in the Ballinacourty Clonea area occurs during high periods of demand in summer.

"With a view to alleviating this problem we are examining the possibility of laying a new 8" water main out the Clonea Road in order to boost the amount of water delivered to Clonea and thus improve the overall situation", he stated.

# Helvick Head Lifeboat Station Open Day

### 'ALL AT SEA' FANCY DRESS COMPETITION

This Sunday 25th June is open day for most of the R.N.L.I. stations around the coast. Your local lifeboat station at Helvick Head will welcome visitors from 10.00 a.m. to 6.00 p.m. The Helvick Head lifeboat crew will be on hand throughout the day and will be pleased to talk to visitors about their lifesaving work and to show them the equipment and the station's Atlantic 75 lifeboat "Alice & Charles". This special day gives the people who support the lifeboat service a chance to see where their money has been spent.

This year children (under 12) who visit a lifeboat station on Open Day will have the opportunity to take part in a Fancy Dress Competition. The theme of the Fancy Dress is "All at Sea". Each station will have a winner who will receive a bag of "Stormy Stan" goodies and the name of each local winner will be entered into a draw for

the national prize. The national prize is a week for up to 7 people at the Trabolgan holiday village in Co. Cork and second prize is a weekend for four at Killary Adventure Centre in Co. Galway. Judging of the Fancy Dress will take place at 4.00 p.m. We look forward to seeing young lifeboat supporters using their imaginations to take part in "All at Sea".

Over one thousand people

are alive to-day because of the efforts of the R.N.L.I.'s volunteer crews in Ireland and the U.K. during 1999. They brave high seas, frightening conditions or tedious monotony for the only reward of seeing the relief on the faces of those they have gone to help. The crew of Helvick Head lifeboat look forward to sharing their knowledge and stories with all visitors on open day. Come along to

Helvick on Sunday where we will be delighted to welcome

## What Progress On Provision Of Dungarvan Playground?

Cllr. Teresa Wright

A member of Dungarvan UDC has said that the town's Development Plan, currently being reviewed, cannot be a credible document without providing for the construction of a basic community facility such as a children's playground.

Speaking to a monthly meeting of her Labour Party branch in Dungarvan, Cllr. Teresa Wright said she and countless others in Dungarvan and Abbeyside regarded a playground as an essential facility for the benefit of over 1,500 children under the age of 12 in the urban area. Cllr. Wright said many people were saying to her that candidates who canvassed their votes in last year's local elections had given the impression that they were favourable to delivering on the issue and that it was now time for action. Cllr. Wright particularly noted that nearby Youghal had got their act together and provided a playground as a millennium project whereas Dungarvan continued to drag its feet. Cllr. Wright said it was wrong to be looking for as much money as possible to dredge Dungarvan harbour, to turn it into a maritime playground, whilst at the same time being miserly about providing a few thousand pounds to benefit the kids of the town.

## Minister Views "Le Cheile" Exhibition As Part Of Her City Itinerary

Minister for Public Enterprise, Mary O'Rourke TD, took the opportunity to view a mixed media - oil, watercolour and acrylic - exhibition of paintings by Dungarvan artists, Miriam Twomey and Jim Lawn as part of her Waterford City itinerary. Minister O'Rourke, pictured viewing "Sea Breeze" with the artists, commented on the beauty and softness of the artists' approach, a fact borne out by significant sales since opening night. ## Review Of Speed Limits Throughout County

A survey of all built-up areas in the county has been completed by Waterford County Council to establish the adequacy of existing speed limits and the request for additional limits to be introduced.

The review incorporates all existing speed limit areas, all towns and villages and all requests and submissions received from the elected Council members since the last speed limit review.

The results of the review were announced at last week's meeting of the Council where they were generally welcomed by members.

A 30 mph speed limit is proposed for Ballinroad, on each of the approach roads to the cross at the Church. The existing 40 mph limit on the Clonea Road at Dungarvan will be extended to just beyond the Friary junction. Elsewhere in Dungarvan a speed limit of 30 mph is to be introduced on the Clashmore road beyond the new McInerney estate.

Following repeated requests for a lower speed limit

through the village of Ballymacabry, the Council proposes to change the limit from 40 mph to 30 mph.

Touraneena will also benefit from a speed limit of 30 mph while the existing speed limit on the N72 at Lismore will be extended to beyond the entrance to Green Road. The 30 mph limit will also be extended on Union Road to beyond the hospital.

In Ardmore, the existing 30 mph speed limit will be extended on the Youghal Road to a point west of the existing location.

This proposal arises because of the impending developments on the lands on the southern side of the road.

A speed limit of 30 mph will be introduced for the first time at Ballylaneen on the three roads leading to the church junction.

# AIB Official Comments On Cappoquin Closure

The General Manager of Allied Irish Bank's Strategic Development Unit has stated that AIB understands the apprehension of communities where closures take place. In a letter to Waterford Fian-na Fail Deputy Brendan Kenneally, Donal Forde of AIB said decisions to close or merge branches are not made

lightly, but only after careful and lengthy review of the volume and type of business that is conducted. Deputy Kenneally had already contacted AIB with regard to the closure of its branch in Cappoquin last Friday. Staff at the local outlet have been transferred to AIB Lismore which will deal with customers

accounts from Cappoquin. In his letter Mr. Forde said it is imperative for AIB Bank to respond to the changing demands of our market place. "The combination of growing competition and the greater use of technology by our customers is challenging us to constantly review the number and profile of our

branches", he stated. "We regret that this will occasionally result in the closure of a particular branch or outlet. However for balance, we should also point out that, since 1996, we have invested some £100 million in our branch network with new branches representing a significant part of this investment programme".

# Carnations Add Lasting Colour

THE word 'Carnation' comes from an old Italian word meaning 'complexion', the earliest carnations bore flesh coloured flowers - which gave rise to the name.

White carnations mean 'pure and ardent love' and are good luck to give to a woman.

Carnations are most famous in their 'cut-flower' variety. They have been one of the most important of the commercial cut flowers for a long time, as they can be stored longer than any other flower - and can be opened to very high quality flowers from tight buds.

But if nipping down to the local supermarket or florists to get your bunch of carnations seems just a little too easy, try growing your own.

Carnations go by two other names - Dianthus and pinks.

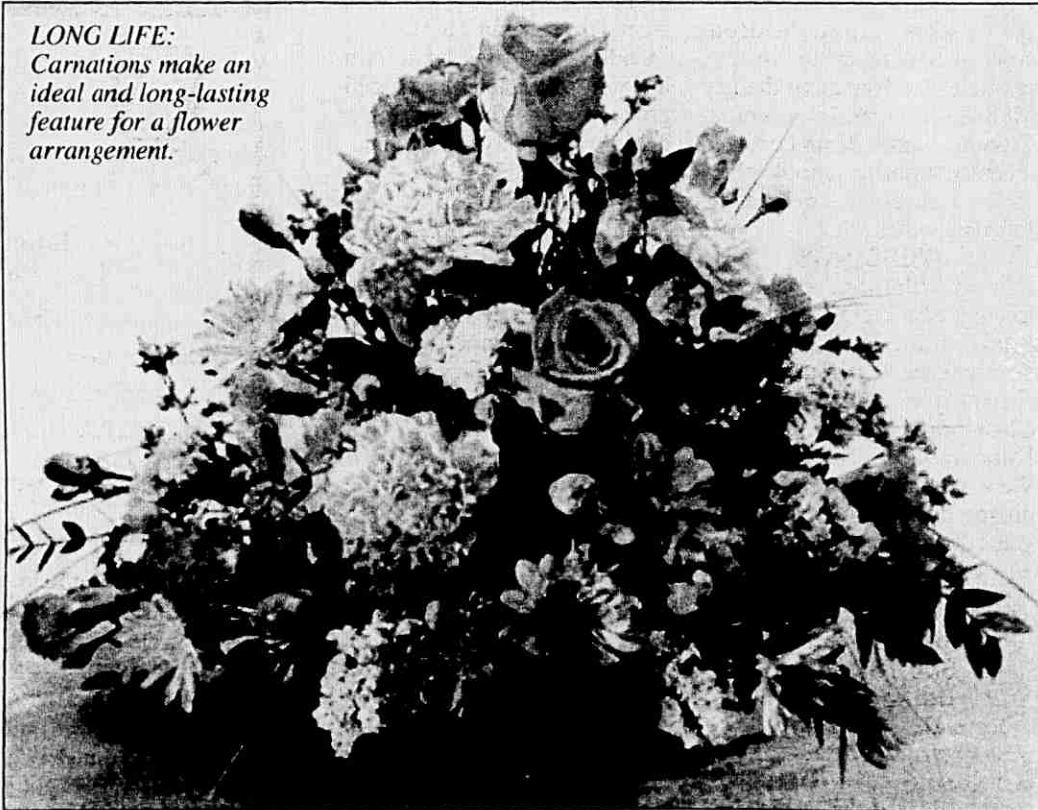

Pinks are the easiest type of carnations to grow, they are tough plants that need very little attention. They are smaller than regular 'carnations', and always coloured pink.

Dianthus is the botanical name for carnation, this is where you will find information in a botanical encyclopedia.

When you are growing these plants, remember that they need plenty of space. Plant them between 8 and 9 inches apart.

Carnations need (depending on the weather) between 1/4 pint and

**LONG LIFE:**  
Carnations make an ideal and long-lasting feature for a flower arrangement.

1 pint of water, per watering. You might need to water daily on a dry summer's day, but only once every two or three weeks in the winter.

The rule for high quality blooms is - 'grow cool'. Try and keep your plants in a tempera-

ture range of between 10-14°C (50-57°F).

When your plants are fully grown and you have cut them from the garden, try to keep the flower as fresh as possible, for as long as possible by following the tips below.

- Cut the stem diagonally before arranging it.
- Keep the flower in a cool place out of direct sunlight.
- Change the water after four or five days.
- Keep the bloom away from ripening fruit

# THIS WEEK IN THE GARDEN

## Sow Forget-me-nots

This is a good time to sow Forget-me-nots for flowering outdoors next May and June. It is possible to germinate the seeds in the open, sow in drills 1 cm deep and 15 cm apart. Cover the seeds very lightly with sandy soil and water moderately.

they get overcrowded and exhaust the soil. Then you should dig them up carefully with a fork, cut off the old central portions of bare rhizome, discarding them altogether, and replant the healthy outer growths with 8 to 10 cm of rhizome attached to each.

Plant in well prepared soil dusted with superphosphate of lime. If you use animal manure, work it in rather deeply, so it does not come in contact with the rhizomes.

## Divide mossy saxifrages

Old clumps of mossy saxifrage may be divided and this is a good policy if they are tending to get brown in the centre. Discard the brown pieces and replant the green clumps in a semi-shady place in soil that contains plenty of leafmould or moss peat. Water freely for a few weeks.

## Start to bud roses

It is usually possible to start budding rose stocks at about this time, though much depends on the weather. If June is very dry one may have to wait until well on into July whereas if the weather is wet it is sometimes possible to start budding even earlier than this.

## Lift and divide June flowering Irises

This is the ideal time for lifting and dividing all the May and June flower flag irises as most of the plants will be starting to make new roots. It is not wise to lift and divide clumps every year, but after four or five years

## Trim hedges

Trim evergreen hedges lightly at any time during this month. If you grown Berberis darwinii as a hedge the best time to trim it is immediately the flowers fade. Cut the flowering shoots back to give the hedge a neat appearance.

# Deasy Reiterates Need For Driving Tester

Waterford Fine Gael Deputy Austin Deasy has reiterated the need for a full time driving tester to be appointed to Dungarvan. Deputy Deasy said an article in an edition of the Irish Examiner last week bears out his contention that there is a serious shortage of driver

testers. At present there are approximately 90,000 applicants waiting to sit their driving test around the country. The average waiting period is 29 weeks but the Department of the Environment intend to reduce this figure to ten weeks. Deputy Deasy said the

country's existing 101 testers are grossly overworked and are refusing to do overtime which will increase the waiting lists for driving tests. "Dungarvan has no fully appointed Driving Tester and it's a natural base for such an appointment", he stressed. The issue was also previ-

ously raised by Dungarvan UDC member Cllr. Damien Dillon who called on the Minister to appoint a full time tester to the town to cope with the huge backlog of applicants. Facilities for a tester are already provided at the new Civic Office building at Davitt's Quay.

## TOURANEENA NOTES

### ENVIRONMENT TODAY

#### PROPOSED LANDFILL

The Councils Consultants reported back to the June Council meeting, as promised, on the outcome of the preliminary site investigations on the three proposed candidate areas for a new landfill. The report concluded that the site at Garrynagree/Reamanagh was the most favourable area for further investigations.

After a heated debate, the elected members for the West Waterford area expressed their opposition to a landfill in their area and requested the County Manager to cease work there. The County Manager however informed the members that, as he is under statutory obligation to provide a waste disposal facility in the county, he had no option but to proceed while acknowledging the genuine concerns expressed by the members.

The work on preparing an Environmental Impact Study (EIS) for the Garrynagree/Reamanagh area will commence shortly and will, it is hoped, be completed by the end of 2000.

#### Beach Cleaners

During the months of July and August a number of students will be assigned to five beaches in the County. These are Tramore, Ardmore, Bonmahon, Clonea and Whiting Bay.

The students will work in teams of three, on a rota system, to ensure that the beach is cleaned seven days a week. The teams will also be responsible for the roads and entrances adjacent to the particular beach.

Waterford County Council appeals to all those who visit the beach during the summer to take their rubbish home. In particular, disposable nappies pose the greatest problem and already six have been found at Clonea beach.

Individuals (including children) who are caught littering beaches will be fined £50.

#### On The Spot Fines

From January to May of this year Waterford County Council issued twenty-three on-the spot fines to individuals found dumping rubbish. Furthermore, the Council is proceeding with eight prosecutions, with the first of these cases appearing in court in June of this year.

#### Clean Up Of Colligan Wood

A very successful clean up of Colligan Wood was carried out by St. Mary's National School, Dungarvan and Waterford County Council's Anti Litter Supervisor Eilish Corr. The young environmentalists collected twelve sacks of cans, bottles, paper and plastic. White goods such as cookers were also found and we would like to remind people that all white goods are taken free of charge at Dungarvan and Tramore landfills as well as Lismore Civic Amenity site.

Special thanks to John O'Halloran of Coillte for organising the clean up.

#### Composting

The oxygen within a compost bin facilities the growth of bacteria, which are essential for the composting process. Air is usually provided by the bulky "brown" materials, (eg hedge clippings and paper) that provide structure to the heap, keeping open the pore spaces, which store the air and moisture essential to the composting process.

Since your units do not have air holes in the walls of the bin it is imperative that oxygen is mechanically introduced. This can be done by A turning the entire pile every few weeks. B Poke holes in the pile with a handle of a sweeping brush or C Agitate the mixture with a garden fork by dragging the material from the side of the compost bin to the centre and then push it all back again.

If air is prevented from entering the compost pile, the composting process will slow down and an unpleasant smell similar to rotten eggs will be emitted. Applying any of the three remedies previously mentioned can easily rectify this.

#### VARIETY SHOW

The childrens variety show will be held in the Community Centre this Friday night 23rd June. The variety show is open to all children in the Parish and outside the Parish. There will be music, song and dance galore so come along and enjoy a good nights entertainment.

#### MILLENNIUM GRANDAD COMPETITION

The Grandad Competition is on in Dunnes Bar on this Saturday night, 24th June at 9.30 pm. There is a great line up of contestants. Anybody is free to enter the competition. Great night assured.

Quick reminder; Alice Burke's Annual Coffee Day is on this Wednesday 21st June. Tea, Coffee, Minerals and confectionery available all day. Adults £1, children 50 p. Fantastic prizes to be won. So don't miss out. All are welcome.

## COLÁISTE COIS NA SIUIRE

The summer school holidays are now fast approaching and many parents are considering to which camp or camps they will send their children, many will send their children to Coláiste Cois na Siuire which was established in 1992. This is an action packed two weeks in the Irish College of Newcastle some ten miles from Clonmel and nineteen miles from Dungarvan. The theme

for this course is "Euro Gaeilge", the course is conducted and supervised at all times by fully qualified teachers. The camp will run from Monday 3rd July to Friday 14th with pupils attending daily from 10 am to 3.30 pm. In recent years the Art/Craft/Drama classes have been very popular, while the treasure hunt and table quiz sessions are most mind bog-

gling. At Coláiste Cois na Siuire all activities are conducted through Irish and from day one the students of all ages blend into this informal happy atmosphere, where there is great emphasis on oral Irish. During the busy day pupils will participate in a wide variety of games, hurling, football, basketball, tennis, volleyball, rounders and indoor hurling.

Another part of the two weeks in Coláiste Cois Na Siuire will involve the learning of many traditional Irish songs, dances and music. Every student looks forward to annual school and those attending Coláiste Cois na Siuire will not be disappointed. One day is set aside in week two for a special day out with your new friends, but the venue is always a mystery. Highlight of the two weeks will take place on Thursday 13th July when the students invite their families and friends to attend Aifreann as Gaeilge in Saint Mary's Parish Church, Newcastle which will be followed by a Choirmceol. There is a bus service in operation, Dungarvan, Cashel, Cahir, Clonmel depending on the volume of students in any given locality. Each year we also have students from many other counties and they are all very welcome who are on holidays in south Tipperary/West Waterford. For entry forms or any information contact the secretary at (052) 36204.

## RECENT DEATHS

### LATE MRS. MAURA GRANT

Profound and sincere feelings of regret were widely expressed at the news of the death of Mrs. Maura Grant (nee McGrath), Pinewood Drive, Kilmacomma, Clonmel and late "The Laurels", Ballymacarbray which sad event took place at Saint Joseph's Hospital, Clonmel on Saturday 10th June. Deceased in her early fifties was a member of a well loved and respected family, the McGrath's of Ballygreen, An Rinn. She was a very estimable lady of many charming traits of character. A kind and loving wife and mother, her greatest passion was for her husband and children, to them she was utterly devoted and they in turn thought the world of her. For a number of years her husband Patrick had not enjoyed the best of health but the help and care that that woman gave to her ailing husband was above board. She was a lady who loved the game of cards her favourite game was 45 at which she was an expert player, and until her health gave problems she was a regular at the Fourmilewater game of cards on the Friday night. She was a person highly respected by her family, neighbours and her many friends, who recognised and appreciated her as a caring extremely kind person. Of a quiet unassuming disposition she had a great sense of fun and humour which made her delightful company. She was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all, and her demise at an early age has evoked feelings of sincere regret among her family, neighbours and her many friends.

Many tributes have been paid to this fine lady, but perhaps the finest was paid to her on Sunday evening when all walks of life from near and far were present when her remains were removed after the rosary was recited by Rev. Fr. Michael Cullinan C.C., St. Mary's, Clonmel, from Condon's Funeral Parlour, Clonmel to Saint Mary's Parish Church, Irishtown where they were blessed and received by Rev. Fr. Michael Cullinan C.C., St. Mary's. Also present were Rev. Fr. Michael Joseph Ryan P.P., St. Mary's, Rev. Fr. John Kiely P.P., Old Parish/Ring, Rev. Fr. Patrick Gear C.C., Fourmilewater/Newcastle. On Monday morning the feast of Saint John of St. Fagondez requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. Michael Cullinan C.C., St. Mary's. After Mass the funeral left for Saint Laurence's cemetery, Fourmilewater where she was laid to rest.

Fr. Cullinan C.C. officiated at the graveside in the presence of another large concourse of mourners testifying to the esteem and high regard in which this lady and her family are held. Friends, neighbours and family wept openly as they mourned the demise of a dear Christian friend. To her husband Patrick, sons, daughters, brothers, sisters, aunt and her many relatives we extend our sympathy to them on their great loss.

### LATE MR. THOMAS PETERS

It is with deep and sincere regret we record the death of Mr. Thomas (Tommy) Peters, Corriconeen and late Neddins, Ardfinnan which sad event took place suddenly at his residence on Thursday 8th June. Deceased in his late sixties was a member of an old and respected south Tipperary family. He was an outstanding tradesman and an expert block layer, he built several houses around the district over the years. He was a wonderful neighbour, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. Tommy was a true gentleman in every sense of the word and a host of friends who appreciated his company, advice

or assistance in any way feel at a loss. He enjoyed the occasional pint after a hard days work and was always welcome in what ever company he found himself. One of his favourite pastimes was playing the game of 45 with his friends. He never sought the limelight or the riches of this world, but he possessed a wealth that money could never buy. He was a genial, compassionate humble man and his sudden passing has evoked feelings of sincere regret among his family, neighbours and his many friends. The measure of the esteem and high regard in which deceased and his family are held was clearly indicated by the large concourse of mourners who were present on Saturday when his remains were removed from Costigan's Funeral Parlour, Cahir to the Parish Church of Saint Nicholas, Grange where they were blessed and received by Rev. Fr. William Callanan P.P., Ardfinnan/Ballybacon/Grange. On Sunday morning the feast of Saint Barnabas (Apostle) the 11 o'clock Mass was celebrated for the happy repose of his soul, the celebrant was Rev. Fr. William Callanan P.P. After Mass the funeral took place to the New Cemetery, Grange where a friend of the people was laid to rest in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will cherish. To his brothers, sister and his many relatives we extend our sympathy.

### LATE MR. ROBERT CONDON

It is with deep and sincere regret we record the death of Mr. Robert (Bob) Condon, Crough, Goatenbridge, Ardfinnan which sad event took place on Monday 12th June. Deceased was a member of an old and respected south Tipperary family. Deceased was truly one of nature's gentlemen possessed of a friendly, good humoured and generous disposition. He had a remarkable facility in recalling and relating to experiences of his earlier years. He was predeceased by his wife who a couple of years ago had the honour of spinning the wheel on the lotto game. Bob was a man possessed of an old world charm and was always welcome in what ever company he found himself. He was a wonderful neighbour, always ready with the helping hand and he is now deeply and justifiably mourned by all who held him in the warmest regard.

The respect and high regard in which deceased and his family are held was evidenced by the large concourse of mourners who were present when his remains were removed from the hospital mortuary, St. Theresa's, Clogheen on Sunday evening to the Parish Church, Ballybacon where they were blessed and received by Rev. Fr. William Callanan P.P., Ardfinnan/Ballybacon/Grange. On Monday morning the feast of Saint Romauld requiem Mass was celebrated for the happy repose of his soul, the celebrant was Rev. Fr. William Callanan P.P.

After Mass the funeral took place to St. Finians Cemetery, Ardfinnan where he was laid to rest in the presence of a large concourse of mourners paying their final respects to a Christian friend whose memory they will treasure.

To his family we extend our sympathy.

## Trophies Galore For Na Cumaraig Musicians

The Cúl na Smear school of the traditional performing arts received a huge boost at the Co. Waterford Fleadh Cheoil finals where their young performers took the major share of the honours. 34 1st, 28 2nd & 17 3rd medals were brought home and there is plenty of optimism that further trophies will be collected at the Munster Fleadh in Lismore in mid July.

The success of the senior group was probably the most outstanding when one considers that this competition has been dominated by Waterford city branch of Comhaltas in recent years. The members of the group are Mairead and Colleen Fahey, Sharon McCarthy, Ciara Buck, Sean and Kevin O'Farrell, Sarah Foley and Derek Morrissey. Members of this group also took several more honours.

1st place U15 Trio went to Mairead and Colleen Fahey and Sean O'Farrell with 3rd place going to Derek and Evan Morrissey and Ciara Buck. Sean and Kevin O'Farrell won the U15 duets with Mairead and Colleen Fahey in 3rd place. Evan and Niall Morrissey took 3rd place in the U12 duets, Bobby and Marian Clancy and Danielle Lonergan took 1st place in U12 trios. Both U15 Fiddle competitions were won by Sean O'Farrell and he also took 1st place in U15 concertina.

Colleen Fahey took 2nd place in U15 fiddle (dance music) and Mairead Fahey was 3rd. Mairead took 2nd in fiddle (slow airs) and Colleen took 3rd. Colleen Fahey took

1st in 4 competitions - U15 Tin Whistle fast and slow and Concert Flute fast and slow. Under 12 Tin Whistle was a clean sweep for Craobh na gCumarach with 1st place going to Kevin O'Farrell, 2nd Sarah Cummins and 3rd Evan Morrissey with all three going forward to Munster Finals. Kevin O'Farrell also won U12 Tin Whistle (slow airs) with Evan Morrissey in 2nd place. Kevin also came 1st in Uilleann Pipes fast and slow.

In Button Accordion Bobby Clancy took 1st in U12, Derek Morrissey 3rd in U15 and Yvonne Creegan 3rd in U18. In U12 Fiddle Eimear Fahey made a big impression in taking 1st place in dance music and slow airs and Danielle Lonergan came 2nd in U12 dance music. Evan Morrissey took 1st place in U12 Bodhran with Noel Clancy 1st in U15 Bodhran. 1st place in Senior Fiddle went to Carol Ann Corcoran and 1st place in Amhrán Mná Senior to Brid De Paor.

Our U12 Group also qualified for the Munster finals. The members of the group are: Nicole and Danielle Lonergan, Ciara O'Farrell, Roisín and Deirdre Fahey, Niall and Evan Morrissey, Bobby and Marian Clancy, Kate and Sean Fitzpatrick, Jamie Cullinan, Aoife Dunford, Lindsey Testor and Eimear Fahey.

Finally congratulations to all our Set dancers who came 2nd in U11, U14 and

U17 and to our members with Sliabh gCua who took 1st place in U14 mixed.

Finally, bon voyage to all who are off to Liverpool next weekend.

## SPONSORED WALK TO THE HOLY LAND

There are still some places available on the flight to the Holy Land for the sponsored walk organised by the Irish Heart Foundation.

The group of walkers will leave Shannon for Amann on October 20th for a fourteen day trip to both Jordan and Israel.

"There has been great interest in the walk to-date which has attracted seventy walkers nationwide and will include Geraldine O'Grady, Rose of Tralee", said Paddy O'Brien, Regional Manager.

Each walker must raise £3,500 prior to the departure to the Holy Land. Money raised will help the Irish Heart Foundation to try and

reduce premature deaths from Coronary Heart Disease.

Intending walkers may fundraise in their own county and organise fundraising events; they may also sell raffle tickets supplied by the Irish Heart Foundation and sponsor cards are also available.

"We will visit all the Holy Places and follow the footsteps of Jesus, this year being 2000 years since the birth of Christ it is a unique year to visit the Holy Land," said Mr. O'Brien.

For more details please telephone (021) 505822 or any of the Irish Heart Foundation Regional Offices.

# Erne Car Club Visit Dungarvan

The Erne Car Club from Enniskillen, Co. Fermanagh recently visited Dungarvan on their Millennium Car Run around Ireland. The visit was an outstanding success and was thoroughly enjoyed by all the participants. They arrived in Waterford on Monday, May 29, and enjoyed a tour of the Waterford Crystal Visitors Centre. They then travelled on to Dungarvan where they overnighed at Clonea Strand Hotel. On Tuesday, May 30, they awoke to a beautiful sunny morning and they received a Civic Reception from Dungarvan Urban District Council. The group walked to Walton Causeway Park where an oak tree was planted by the Chairman of the Erne Car Club, Mr. Raymond McCartney as a mark of friendship between Enniskillen and Dungarvan. They then adjourned to the Council Chambers where the group were formally welcomed by the Chairman of the Urban District Council, Mr. Lar Hart, Chairman of the County Council, Mr. Patsy Kenneally, Co. Manager, Mr. Donal Connolly and Town Clerk, Mr. Brian Whyte.

# Conna Castle Concert This Weekend

Four top class acts appearing at the concert this June Saturday: The Four of Us, Dove, Church Mice, Niamh Strong.

"The Four of Us" — Declan Murphy, Brendan Murphy, Gary Hughes and Peter McKinney — One of the most popular bands in Ireland, The Four of Us are currently enjoying massive success with their third album "Classified Personal."

The band has headlined major festivals and gigs nation-wide. Following sell-out tours of Britain and Ireland, the band made it into the prestigious Q magazines top 50 albums.

"Dove" — Graham Cruz, Hazel Kaneswaran, Don Ade — formed the group in 1997, they were quickly recognised as one of Ireland's most exciting pop group by the music industry.

They appeared in the Olympic theatre's panto "Rockinson Crusoe" with Dustin and Twink. They drew 64,000 people to this event for its duration, the biggest ever in twenty years. Fame came quickly on the heels of

this and they appeared with "Boyzone," Robbie Williams and "All Saints." The hit single "Blow Your Mind" gained the group huge success.

### CHURCH MICE

Ireland's hottest young band, "Church Mice" return from a very successful five day tour of the UK. They took London by storm and the response has been phenomenal, with huge amount of calls coming into the management requesting the band to appear at various venues.

The ever-popular group from Clara in Co. Offaly is back by public demand. We have had numerous requests and pleas to ask them back and they are delighted to come and play at the concert this year.

### NIAMH STRONG

Niamh sings cryptic, wacky lyrics about love and world affairs gone wrong. At the age of 19 Niamh is hugely talented and is striving for a major recording contract, though she does not have any record made yet.

The place to be this weekend is Conna Castle. Don't miss it!

## LISMORE CAMOGIE CLUB NOTES

### FEILE 2000 HERE WE COME

Our U-12 team played Buterstown on Wednesday night last. They had a convincing win here to earn them a place in the county final for the third consecutive year. This match has been fixed for Friday 30th June 2000. We hope to see all the parents and friends out to support these girls.

Congratulations to Tanya Morrissey and Kate Heneghan on being selected to play in Croke Park on 6th August in the I.N.T.O. Mini Sevens.

Our Senior team are continuing training on Tuesday and Saturday nights in preparation for the first round of the Senior Championship against Ardkeen on Wednesday 28th June.

The big event of the week-

end took place on Sunday at noon when John Heneghan shed his locks in aid of Feile 2000. Joe Tobin had the honour of starting the cutting. The electric hedge shears were on hand but the scissors managed to cut through in the end. We would like to thank Pat Ryan for all his organising for this event, Pamela who did the honours in cutting John's hair and last but not least John Heneghan for his kind "donation".

Well all the fundraising and all the training is done it's finally time for the girls to head off to Ulster for Feile na nGael 2000. The girls are being hosted by the Portaferry Club in Co. Down. The girls leave Lismore on Thursday morning at

9.00 a.m. and hope to arrive in Portaferry before 8.00 p.m. Then it will be an early night for the girls!!! as their first match is at 9.30 a.m. on Friday morning against the host team. They then go on to play Ballycarn at 12.30 and the last match of the day is against the Derry team at 5.30 p.m. If the girls do well, the semi-finals are being played on Saturday morning and the final on Saturday evening. The parade, the main event of the weekend will take place on Saturday afternoon in Belfast which should be a great experience for all the girls. We have lots of family and friends travelling the long journey which will be great encouragement for all the girls. It is a great achievement for this team to reach the finals and we all hope that they can take it a step further and bring an all Ireland title back to Lismore.

Good luck girls. We know ye will do us proud.

#### BEST WISHES

We would like to wish the best of luck to the girls U-14 Camogie Team who are representing Lismore and County Waterford in the Feile in Down at the weekend, from all in the Community Games

Monday 26th Lismore Lionhearts Over 55's 18 Hole Competition. 7th, 8th, 9th July Captains Prize - timesheet now posted in Clubhouse.

I would like to start this week going back over old ground as they say. Firstly it was Willie Henry who appeared on last week's leaderboard after a quiet period for himself finishing second in the Cahill's sponsored 18 Hole Competition posting 38 points playing off 10 to finish in second place. Secondly our mixed team played against Fermoy in Youghal on Saturday the 10th June. The match went right down to the wire, Lismore being unlucky to lose the crucial match on the last green after Paul Kennedy and Sheila Denn had given their all, Sheila keeping our hopes alive on the 17th after hitting her approach shot stone dead to take the match and the whole team hopes to the final green. Prior to this exciting finale Connie Dowd and Chris Whelan were beaten on the 16th, Ger Ahearn and Mary Beecher were beaten after falling behind midway through the round. So 2 down with 3 matches to play Siobhan Moroney and Noel Foley played an excellent match being 2 down with 3 to play winning on the 19th with a birdie. Kay Condon and T. W. Murphy made sure the match went to the final pairing being clear winners by eight and six. So well done Lismore who were gallant in defeat, and so to the Hornibrooks for Toyota Qualifier where Anthony Crowley was the main man with a great score of 43 points playing off 19. Ashley Poynton will be delighted to qualify having been through the mill in this competition of late with another great score of 40 points playing off 20. G. Smyth of West Waterford clinched the gross place with 25 points playing off 11. The weekend saw the Millennium Medal Challenge Competition where Sean Hickey was the man posting a fine 41 points playing off 14, winning by 2 clear points from Tom Sullivan who is getting the taste for glory after his recent success, Tom shooting 39 points playing off 19 to take second place with a superior last 9 edging out Albert Corcoran also with 39 points playing off 8. A full list of the Millennium Qualifiers appear in the results section.

## LISMORE CRICKET MINOR LEAGUE

### LISMORE 195 FOR 9. KERRY 55 ALL OUT

As the scoreline shows, this was a very one-sided affair. A week's work preparing the ground and picking the best side available all went to waste. Kerry arrived with a team so weak it was embarrassing. Kerry's captain Denis Moylan, frustrated and angry that most of his best players had refused to travel was very apologetic and really deserves better from his players. In all fairness to the side he led, they all tried their best and despite everything, kept their heads up. Pádraig Pollard did the decent thing, when he volunteered to field for Kerry when it was discovered that one of Kerry's players would be arriving late. When it came to Kerry's turn to bat, Brian Power and Glen Hughes opened the bowling, but both were taken off when the weakness of the Kerry batting became apparent. Glen was the only paceman used. David Ind and Bard Wilkinson didn't bowl, the risk of somebody getting injured too great.

Highlights of the Lismore batting was 89 from David Ind and 44 from John Ind, both admitting it was very hard to concentrate with such wayward bowling. David had survived after being caught off a "no ball". Four no balls were called and twenty-five wide balls. After John had been run out, the other bats men all went in to try and give David most of the strike to help him try and get his maiden hundred but eleven runs short, he played on to his stumps.

Maximum points were gained from this match, but one really had to feel sorry for Denis Moylan, knowing the players he has at his disposal, this match should have been more keenly fought.

His day was even more ruined when he was out L.B.W. for nought. Next Saturday we play Waterford Jordans in the Minor Cup and on Sunday travel to the Mardyke to play Cork county in a division two (senior) game.

## TOURIN G.A.A. CLUB NOTES

We played our hurling league game on Sunday morning against Clashmore B in Clashmore. We are doing well so far in the league and we hoped to keep our winning run as we have only lost one game so far with our young team. The team took a long time to get going but the first half was fairly even and the score was 1-3 to 0-2 in our favour at half time. We made a few changes at half time and we played with the wind the second half. We got some very good points shortly after half time and the team played better hurling and then we scored three good goals and we ran out easy winners on the scoreline 4-8 to 0-5.

So with one more league game to play against the Briceys on July 1st at Bushy Park we hope that we will have another victory to report on.

The team was as follows: D. O'Keeffe, D. Fleming, K. Wilkinson, T. McGrath, B. Doocey, J. Fives, B. Scanlon, V. Ormonde, B. Leahy, P. Walsh, J. D. Leahy, P. McGrath, P. Cronin, K. Landers, J. Dalton. Subs used: J. Collender, K. Leahy, B. McGrath. This week we welcome back D. Wilkinson from Holland where, we understand, he was keeping fit.

# RECENT DEATHS

## LATE JOHN MICHAEL STREET

It is with feelings of profound regret we record the passing of John Michael Street, 22, Kilrush Park, Dungarvan which sad event occurred on Wednesday 7th June. John Michael was born in 1916. He was employed in the building trade and was involved in the building of the Glass Factory in Dungarvan. He was proud of the fact that he played his part in the revival of Dungarvan's economy but he never forgot the poverty that he witnessed in his youth. One of the old stock, John Michael could recite great tales about Dungarvan. He was an institution on his morning walk to the Square where he had a word for everyone and we all knew him on his Friday stand at the vegetable stall.

His republican ideals were of the strong quiet ones of a man convinced of the rightness of his beliefs. He did not intimidate or bully any one with his political views but his work for the republican movement was the badge of his ideals. Over the years he distributed the Easter lily to us all and he

was very hopeful of the Good Friday agreement and hoped it would bring lasting peace.

John Michael was a kind man and was known to visit the old people in the hospital. He enjoyed boxing and was a skilled boxer himself. He had a great love for his grandchildren and took a great interest in all their achievements and pursuits. His passing is much regretted. May he rest in peace.

Following rosary recited by Fr. O'Reilly C.C. his remains were removed from the hospital mortuary on Thursday evening to St. Mary's Parish Church where they were received and blessed on arrival by Fr. O'Reilly and followed by an immense cortege of mourners.

Following requiem Mass on Friday morning celebrated by Fr. O'Reilly C.C. and assisted by Fr. Grant C.C., Fr. Riordan C.C. and Fr. Mulcahy P.P., Ballyduff Upper, interment took place in the adjoining cemetery, again in the presence of a large cortege of mourners. His coffin was draped in the tricolour and a guard of honour was provided by his comrades in the republican movement. Sean Murphy gave an oration at the graveside.

## LATE JAMES (SEAMUS) FITZGERALD

It is with great sorrow and regret that we record the passing of James (Seamus) Fitzgerald, Windgap, Dungarvan which sad event occurred on 3rd June at Waterford Regional Hospital. His passing followed a short illness but there was then the blessing of being surrounded by his sorrowing family before it was time for him to go.

Seamus was a good man, a regular churchgoer and was much respected by the community in which he lived. He was an excellent father who worked hard for his family and was very proud of them as were they of him. He will be remembered as starting his first job in the old Glue Factory at Ballinamuck followed by many years of construction work having been involved in buildings ranging from the old Magnesite Factory at Ballinacourty to the redevelopment of the new Seanachai Inn at Pulla, a favourite sort of watering place where he has been known to visit, and many a refreshing story has since been told.

Seamus will also be remembered as a man who loved his garden (and particularly flowers) and who has spent much of his time there beavering away since his retirement. He also enjoyed very much occasional travel around the country with his best friend Micheal.

On Sunday 4th June, the family was present at the rosary and prayers recited by Fr. O'Reilly at the Drohan Funeral Home. Removal took place on Monday to St. Mary's Parish Church accompanied by a great number of his friends and acquaintances. Also present Fr. Cooney, Canon O'Mahoney, Mons. Lannon. Requiem Mass was on Tuesday 6th June was celebrated by Fr. O'Reilly assisted by Fr. Lucy. It was a very moving service with both sung hymns and music.

The Readings were by Pat and Eoin (grandsons). Prayers of the Faithful were recited by Joanna, Stephen, James, Rory, Aisling (grandchildren) and by Thomas. Offertory procession; Samantha and Lisa Marie (garden tools), Niall and Julie (trowel and photograph), Pádraig Dunne (flowers), Maura and Michael (bread and wine). Music and singing voice, Christina Tobin.

Chief mourners were his loving wife Josie, sons Thomas, Liam, Pat, James, Anthony and Michael, daughters Maura, Geraldine and the late Ann, great friend Michéal Cummins, brothers Paddy, Toddy and Liam, sisters Ann and Peggy, sons and daughters-in-law Pat, John, Eileen, Nora, Patricia, Catherine and Brid, numerous grandchildren, nephews, nieces, relatives and friends. May he now rest in peace.

### SEEKS RELATIVES

I wonder if it is possible any of your readers could help me with my family history, from the Dungarvan area late last century. I spent three days in Dungarvan last week, and found out some information, but not the details that I had hoped to find.

My grandmother was born in 3rd Cross St., Dungarvan on 25th September 1892, and her brother Thomas was born in Dungarvan in May 1894. They were baptised at the RC Church on Middleton Street.

Their parents were Patrick Woods born around 1874, and his wife Bridget Woods (nee Roche) who were married in Dungarvan 25 October 1891.

The family later moved to South Wales about 1897/1898, where Patrick Woods died in

1925, and Bridget Woods died a few years later.

I found out while I was in Dungarvan that Patrick Woods had a brother John Woods, who married a Bridget Connors in January 1893.

For both Patrick and John Woods, there appears to be no record of birth in the local Registrars Office, so they may have moved into Dungarvan.

Their father was named Michael Woods, a shoemaker, nothing else is known.

I would be grateful if any descendant who may still live in the area, can send me any information that they may have.

Yours sincerely,

## COUNCILLOR'S MOTION SENDS SUPERDUMP BACK TO EAST OF COUNTY?

The following is an update from the Stradbally Anti-dump committee: There may be some concern in the community that the resolution from last week's County Council meeting could mean the spectre of a landfill dump revisiting the Stradbally area.

This will not be allowed to happen. In the first instance the actual selection of the Stradbally site was a contravention of the Council Groundwater Protection plan. The area is sited on a regionally important aquifer and should have been automatically excluded.

For example all landfill selection sites in the West of the county, which we have closely monitored, automatically excluded the Walsortian and Kiltoran aquifers. Stradbally rests on the Ordovician aquifer, which yields the highest volume of drinking water

in the county, and extends from Ballyvoile head to Tramore (generally south of the N25).

Site investigation also concurred with the earlier hydrogeological investigation that the Stradbally aquifer was extremely vulnerable to pollution, as the depth to bedrock was very shallow, bedrock being encountered on average at a mere two metres, and groundwater is encountered at less than that depth.

Essentially this means that even if a landfill dump could be constructed, the E.P.A. would not be in a position to grant a licence as it could not realistically be satisfied that such a development would not pose a significant threat to the environment.

There is however an interesting footnote to this issue. The investigations carried out by Waterford County Council and

their consultants confirmed that (a) the aquifer's status is regional and (b) that the ranking vulnerability to pollution was confirmed as extreme. Reference to the E.P.A. guide on siting of commercial pig units states that prime consideration should be given to the protection of surface and groundwater in the site vicinity and land-spread areas.

An application to the E.P.A. (Environmental Protection Agency), for an operating licence must confirm the aquifer status and vulnerability rating, which is now known to be regional and of extreme vulnerability. It would now appear that the results of the investigations carried out by the County Council, that eliminated Rathnaskillogue for a landfill dump would also preclude the siting of a large scale greenfield piggery.

A report by David Claxton, Wendy O'Morchoe and Fiona Fitzgerald: "On Thursday the 15th we went to Crowley's farm. We saw lots of chicks and we even got to hold them. We saw all the animals.. The ones we liked were the baby chicks.

Miss Hennebry and Miss Ní Lighin split us up into different groups, one group going down to the farm to see some of the animals and the other group did the same. Jenny gave us ice-creams they were really nice."

A report by Kate Phelan: "On Tuesday, 13th June, I got a letter saying that I won a poetry competition and I was very happy. The poem will be published in the book 'Smaointe 2', on Tuesday, 20th June at the Park Hotel Dungarvan."

A report by Joelle Stanley, Sarah Claxton and Crispin Maenpaa; "On Wednesday the 14th, we all went down to the beach for sports day. We started off by warm-ups and then we played games with Miss Hennebry and Miss Ní Lighin. We played races when Miss Hennebry took her class to play games. Our teacher Miss Ní Lighin took us for rounders (baseball). We all had lots of fun. At 12.20 the junior infants went home and we all went to a football match in Abbeyside. We would like to thank our teachers for planning and making it a fun day."

### FAHA - A REPORT BY FR. ENRIGHT

The Feast of the Sacred Heart is on June 30th, and to honour the occasion there will be a cemetery Mass in Faha church at 8 p.m. The church is in fact dedicated to the Sacred Heart and all families with their loved ones buried in the adjoining cemetery are invited to come along. This is a special year with Jubilee 2000 celebrations still going, so it is hoped that there will be a re-union of Faha people on June 30th. After Mass there will be a blessing of graves.

### SYMPATHY

Sincere sympathy is extended to the family of Mikey Walsh of Kilmoylan, who was buried in Kill last week. Mikey was a well-known personality in the area with an interest in many aspects of life and he will be sorely missed by those who knew him.

Sincere sympathy also to the Barry family of Garrahalish, on the death of Patsy Dawson (née Barry), which sad event took place recently in Australia. She is survived by her husband and family in Australia, and also by her sisters Mary and Eileen Kirwan, and brothers Billy, Michael and Ned. Mass was celebrated in Faha for the happy repose of her soul.

### TRÓCAIRE

The Lenten Trócaire campaign this year exceeded all expectations and the total for Stradbally, Ballylaneen and Faha came to £3,816-00 and sincere thanks to everyone for being so generous to the people in the third world, who have suffered so much in a number of disasters.

### FLAGS

Flag mania has hit the parish. There are flags flying in all three churches. Stradbally G.A.A. kindly donated their flag to add to the Jubilee and Papal flags. Faha is the most recent to hang the flags to coincide with the cemetery Mass.

### NEW CHAIRMAN

Congratulations goes to Tom Hickey of Carrigahilla who was unanimously voted in as the new chairperson of the Stradbally Tourism and Enterprise Group at an E.G.M. last week. Thanks goes to Tom Cunningham (Vice-chair), who stood in as acting chairperson for the last few months. Tom continues in his role as Vice-chair of the group.

## CUSTOMER CARE IN DUNGARVAN

Dungarvan Chamber of Commerce today launched their exciting new Customer Care Awards Programme. The programme which is sponsored by Bank of Ireland, sets out to recognise individuals in retail outlets in Dungarvan, who have done that little bit extra for their customers.

Leaflets will be available in

Chamber member retail outlets throughout the town, which can then be filled out by happy customers with details of why they want to nominate a provider of good services to them. Nominations will be judged by an independent panel of judges with the monthly winning Service Provider being awarded a Certificate of Recognition. There will be a Dungarvan Customer

Care Person of the Year selected from the monthly winners in June 2001. Launching the Customer Care Awards, Chamber President Mario Flavin said

"Dungarvan Chamber of Commerce is very pleased to launch these awards in recognition of the good service providers in our town. Good service is essential in promoting our town as THE place to do

business and we are confident that this awards scheme will help to upgrade our standards."

"This is just one of the ventures currently undertaken by the Chamber through its various sub-committees. The Chamber is working very hard on behalf of business in Dungarvan and will continue to do so. I would also like to thank Bank of Ireland for coming on board with us in this important Customer Care and Service Award."

Lar Hart, Chairperson of the Dungarvan UDC said at the launch "This is a great initiative by the Chamber of Commerce and adds yet another positive aspect to our town. Dungarvan has had many improvements in recent years and is now a very attractive place to live and shop in. It is very important that we always extend good service to those doing business in our town and this Awards Scheme will heighten awareness."

Jack Stephenson of Bank of Ireland added he was very pleased to sponsor the Awards. The Bank has its own Customer Care Programme and he felt being associated with the Chamber very much complemented the bank's own scheme.

The first award will be made for the month of July. It is important that customers become involved in the Customer Care Awards and take the time to nominate those who are deserving of such information.

## New Website For Museum Society

Dungarvan Museum Society are pleased to announce the launch of their new Web site [www.dungarvanmuseum.org](http://www.dungarvanmuseum.org)

This site will replace our existing site at [www.cablesurf.com/dungarvan](http://www.cablesurf.com/dungarvan), which has received well in excess of 18,000 visitors in the 18 months since it was created. The new site has a host of additional features including; The ability to search within the entire site for any given term.

High quality historical photos and spreadsheets with genealogical information can now be downloaded onto your home computer and looked at off-line.

An entirely new look, with more professional interface.

It is hoped in the near future to put a facility in place that will allow customers to purchase the museum societys

publications online (at present books can be ordered online but payment must be posted to the society). The new site has been constructed using an on-line database. A "back-end" has been created for this database, which will allow the museums staff to publish new material/chapters on line without the necessity of having to have extensive computer or web site design experience. It is hoped that this online publishing facility will lead to a great increase in the number of articles that we can post online. At the moment our site has over 500 pages on local history. Many topics are covered including the Famine, the Moresby Disaster, King John's Castle and Co. Waterford Men in the Great War. It is hoped that new articles will be added on a monthly basis. Over 200 people from all over the world

are members of our free electronic mailing-list that announces new articles on the web site. If you would like to join this mailing-list please visit our web site at [www.dungarvanmuseum.org](http://www.dungarvanmuseum.org) and enter your e-mail address in the box provided or send your e-mail address to [w.whelan@cablesurf.com](mailto:w.whelan@cablesurf.com). This is a free service and at most one e-mail per month will be issued.

The museum would like to thank Pat Casey of Cablesurf Ltd. for all his assistance with the museum's ongoing projects to place as much local history material as possible on line. Thanks also to local web site design company Deise Design [www.deisedesign.com](http://www.deisedesign.com) for their work on making this project a success, especially Martin Whelan who did all of the difficult coding work over a 3 month period.

The Science of Farming and Food

## GRASSLAND MANAGEMENT

### TOPPING:

The big problem in June is that grass gets stemmy and also the dung pad area increases from 10% in May to 20-30%. If nothing is done things get worse. Cows milk poorly and cattle thrive is bad.

A lot of tall grass areas around dung pads represent a huge loss of grass. Why? Animals do not eat it, the grass decays and is lost. If it represents 30% of the area and it gets Nitrogen that means nearly 30% of the nitrogen per acre is wasted (nearly £2 per acre each rotation). One solution is to force the animals to eat it. Animal performance suffers if we graze below 5.5 to 6.0 CMS. Not a recommended solution.

The best solution is occasional topping of the grazing area. Once or twice during the season. Moorepark has shown that topping gives more milk later in the year.

Effective topping means cutting off the tall grass down to 2.5 to 3 inches. A lot of topping is cosmetic and a waste of time because it is not done low enough.

Many farmers graze off some of the toppings with the animals. Minimise the amount of topping done in very dry weather.

Instead of topping use a disc mower to pre-cut the grass before grazing by the cows. Done once during the year this can work very well in dry weather. Only cut enough for one day.

Apply 5-10 units of Nitrogen more per acre if embarking on this practice.

Do not do too often as it decreases the amount of grass grown. The best solution is to take out strong paddocks for bagging and use minimum topping, unless a paddock has more than 30% of the area in tall grass.

### SAFETY ON THE FARM

Over the past five years 106 people lost their lives on Irish farms. Of these 106 people 79 were adults and 27 were children.

These frightening statistics confirm that an Irish farm is one of the most dangerous workplaces in the country. The main factor involved in the accidents are as follows:— Unsafe machinery and tractors. Unsafe practices in livestock handling. Children present in the vicinity of work activities involving tractors and machinery.

The Health and Safety Authority have designated the 19th - 23rd June as Farm Safety Week and will focus on these issues. Teagasc are holding a Safety and Health Walk in Kildalton Agricultural College on Thursday the 22nd of June at 7p.m. where all aspects of safety will be featured. Why not come along with the family, all are welcome - it could save a life.

### SPORT HORSE PRODUCTION

#### Registering your foal:

If your mare is worth breeding a foal from then your foal is worth registering. Buyers, both foreign and domestic, are increasingly looking for foals and horses that are registered.

1. For foals to be registered in the Irish Horse Register (IHR), the foal must be the progeny of a sire classified in the IHR and out of a registered mare at the time of covering.
2. The stallion owner must provide a Certificate of Covering to the IHR.
3. Application to register the foal is received by the IHR before the last day of October in the year in which the foal was born, with the registered fee.
4. If (1) to (3) above are not complied with, it may still be possible to register but this will require blood typing / DNA testing.
5. Application for registration should be made on the prescribed foal return form with the prescribed fee (£45 for non-members or £25 for members), unless otherwise directed by the issuing authority.
6. Further information on registration can be had from your local Teagasc Equine Adviser or from the Irish Horse Board, Dublin: Phone: 01-607-2816. Fax: 01-662-0763.

### TEAGASC EVENTS COMING UP

#### Farm Health and Safety Walk:

#### BEEF PRODUCTION DEMONSTRATION:

It will take place on Tuesday the 27th of June at 1.30p.m. in Kildalton Agricultural College, Piltown. This is an opportunity to get the best advice on beef production on suckler and dairy farms. ## ICMSA Call On Government To Reduce The Rate Of Duty On Fuel Prices

ICMSA has repeated its call for a substantial reduction in the VAT and excise duty rates on motor fuels following the release of the latest inflation figures.

Mr. Pat O'Rourke, President ICMSA, called for a substantial reduction in the VAT & Excise duty on fuel, particularly diesel. "A reduction would

have an immediate impact on the CPI and would substantially moderate the inflationary pressures now evident in the economy".

"In addition the increase in the price of fuel used by consumers is indirectly affecting the CPI. The cost of motor fuel has increased by 20% in the last two years and this has

directly added about 1% inflation. The Government must immediately reduce both the excise duty and VAT on motor fuels to curb these inflationary pressures", said Mr. O'Rourke.

Mr. O'Rourke said that given that the current rate of duty on diesel is about 26p/litre and even higher on petrol, it is very much within the Govern-

ment's remit to bring about a reduction in energy costs to the consumer. A substantial reduction in the current rate of duty would bring about an immediate reduction in energy costs for all consumers and would also improve the competitiveness and income position of the agricultural industry.

## Rising Inflation Will Eat Into Farm Incomes

IFA President Tom Parlon today (Wednesday) said the Government must take immediate action to curb Ireland's escalating inflation which will eat into farm incomes for the remainder of this year and will carry over into next year.

Mr Parlon said the Government should reduce its take on petrol and diesel which the exchequer could well afford.

"The difference between the expected 3% inflation rate at the time of the Programme for Prosperity and Fairness (PPF) negotiations and an actual inflation rate of 6% is a cut in real farm income of about 5%. Farmers suffer through both higher input costs particularly for services, and also through reduced purchasing power of farm families as consumers"

"The Government in responding to inflation must not overlook the fact that there is no indexation whatsoever for inflation built into either the CAP price support or direct payments. Through increased productivity, farmers can tolerate an inflation rate of 1.5% to 2%, but not 5% or 6%."

Mr Parlon said this unacceptable inflation would also drive up processing costs, which would impact on product prices, unless corrective action was taken immediately. He said the IFA involvement and support for the PPF was based on a low inflation environment which was essential for the Irish farming and food industry.

## LIFTING OF LIVE EXPORT BAN TO LIBYA A MAJOR BOOST TO IRELAND'S LIVESTOCK SECTOR -PARLON

IFA President Tom Parlon has said the lifting of the ban on live cattle exports from Ireland to Libya will be a major boost to the country's one billion pounds livestock sector, particularly in terms of cattle price competition.

Tom Parlon welcomed the agreement reached between the Irish and Libyan Government lifting the live export ban which has been in place since 1996.

The positive agreement is the culmination of an intensive campaign waged by the IFA over the last 3 years, including a visit to Tripoli by the IFA President, Tom Parlon and IFA General Secretary, Michael Berkery to Libya in March

1999 where negotiations were held with senior Libyan Government officials.

The IFA President welcomed the strong initiative by the Irish Government in reestablishing full diplomatic relations with the Libyan Government which he said was essential to reopening the important live cattle trade. He said Libya was potentially a very valuable customer for Irish livestock.

Mr. Parlon said in 1995 Ireland exported 81,000 head of cattle to Libya valued at £50m. He said the Libyans have an annual import requirement of 100,000 head of cattle, which have been supplied from Australia in recent years.

## Glanbia Opens Giant Cheese Plant in USA

One of the largest cheese production plants in the world was officially opened in Gooding, Idaho, USA by Irish Food Group, Glanbia plc recently. The facility, recently extended at a cost of \$33 million, has an annual output of 180 million pounds of American cheese plus over 88 million pounds of specialised dairy ingredients. It ranks as one of the top facilities of its kind both in the USA and globally - cheese output from the single plant equates to the entire hard cheese production in the Republic of Ireland.

The investment was made in response to continued growth in cheese consumption in the USA and, in particular, increasing demand for ingredient cheeses.

Following a small acquisition in Idaho in 1990, Glanbia has invested over \$100 million to become the largest processor in the State. It is one of the top producers of American style cheese in the USA, supplying major food processors serving food service and retail markets.

### ICMSA SEEK LEGAL OPINION ON TRANSFER OF MILK QUOTA

ICMSA has sought legal opinion to clarify the position of quota transferring at the end of a land quota lease.

Mr. Jackie Cahill, Deputy President and Chairman of the ICMSA Dairy Committee, said: "Recent press reports have suggested that quota purchased at the end of a land quota lease is subject to VAT. As far as ICMSA is concerned no such decision has been taken". "ICMSA has engaged Senior Counsel to clarify the issue and we expect to have the opinion by the end of the month. ICMSA will make the legal opinion available to farmers as soon as possible but in the meantime I suggest farmers in this position should consult their solicitor", stated Mr. Cahill.

Mr. Cahill said that the statutory provisions governing the Milk Quota Regulation may need to be changed to deal with this issue. ICMSA will be seeking the necessary changes in tax law from the Minister for Finance to make sure that this quota transfer is exempt from all tax.

### ICMSA REJECT DEPARTMENT PROPOSALS ON REPS PENALTIES

ICMSA has rejected the Departments proposal on a new schedule on REPS penalties saying that it introduces an even more unfair and unbalanced system.

Mr. John O'Connor, Chairman of ICMSA Farm Services and Environmental Committee speaking after a meeting with Senior Officials of the Department of Agriculture, Food and Rural Development said that ICMSA totally rejected the new schedule of REPS penalties.

"The proposal which represents a deterioration as opposed to an improvement in the current REPS penalties are not in line with the Government's commitment under the Programme for Prosperity and Fairness to introduce proportionality in the application of penalties in agricultural Schemes. ICMSA cannot accept the situation where farmers will be worse off under the new Scheme than they are in the current Scheme", said Mr. O'Connor.

"Under the current penalty regime, many farmers have been severely penalised for what ICMSA consider small errors. Small errors should be treated as such and should not result in severe financial penalties. Since the start of the REPS Scheme, Irish farmers have lost £5 million to the REPS Penalties".

"Proportionality and a fair system of penalties need to be introduced immediately", Mr. O'Connor concluded.

### Sympathy to Walsh Family

County Waterford ICMSA extends sympathy to the Walsh family on the death of Michael Walsh who was interred in Kill, Co. Waterford on Wednesday last. Over the years Michael Walsh reported on many of the activities of ICMSA in County Waterford in his column in the Munster Express including their tax campaign in the late eighties.

In recent years he was involved in judging the County Waterford environmental Conservation and Safety Award promoted by ICMSA and Teagasc.

He was a very genuine and sincere man who will be sadly missed by all who knew him.

## AIB BANK CLOSURE

On Thursday last the second public meeting was held in the CYMS Hall, Cappoquin. This meeting was called to inform the general public the outcome of the towns delegations meeting with AIB, to reverse their decision to close their local branch. Ollie Wilkinson MCC who chaired the meeting informed the large crowd present that AIB Bank would not reverse their decision. He also spoke of his bitter disappointment with the bank closure but he felt now that the closure was inevitable. He then asked feelings from the floor. Fany spoke of their absolute disgust with AIB. Why their most profitable bank in the area was to close was way beyond speakers comprehen-

sion. People also spoke of the insanity of closing a bank branch in the employment centre of the area with up to 450 people working in Cappoquin.

Several people spoke also of protesting against the decision but this was deemed to be a fruitless option. When the sort of press exposure AIB has received of late did not affect them, a few placards would be a waste of time.

On a more positive note it was felt most likely that the Bank of Ireland branch would remain in Cappoquin for the foreseeable future. Also the Cappoquin Development Company would discuss with AIB the possible acquiring of the now vacant branch to be

put to use locally.

Finally the Chairman thanked all present for their constructive comments and thanked all who were on the delegation committee.

On Friday at 3.00 pm the bank closed. Although suggested at the public meeting nobody protested or had any placards for the closure in what must be an end of an era for Cappoquin.

On Monday workmen arrived to clear out the inside of the building and outside take down all AIB signage. So quickly has the work commenced to clear out the bank. It has been remarked to this correspondent that they'll even uproot and take away the roses.

## CAPPOQUIN/AFFANE JUVENILE G.A.A. CLUB NOTES

### U-14 Hurling County Championship Ballyduff/Butlerstown 3-5 Cappoquin 2-5

This was a game we had to win if we were to reach the semi finals. The lads put in a tremendous second half effort and were denied a win twice by some fine saves from the Ballyduff/Butlerstown keeper. If the game had gone on longer I am sure the lads would have won. This is a championship we can count ourselves to be unlucky to be out of because we never lost a game by more than two scores. We are always being told about the clubs with small numbers, but I don't think there are too many U-14 teams with three ten year olds in the starting line up and a similar number of eleven and twelve year olds. Well done lads for the effort during the campaign.

### "Sully" Our Man in the Middle in Killarney

Last Sunday our local referee, Tommy O'Sullivan (Sully) took charge of the Cork-Kerry Munster Junior Football Semi Final and did an excellent job. An outstanding player at his peak, he is always right up with the play when it comes to refereeing. Not refereeing from the centre of the field like some refs. We must also say well done to his team of officials Jimmy 'Mac' Eddie and Eamonn O'Shea, Tiler and Mernin brothers who also did a great job.

Noel Mason of Cappoquin Lourdes Invalid Fund being presented with a cheque for £815.00 by Brian Morrissey, Cappoquin, who raised the money through sponsorship when he ran the Ballycotton 10k Road Race in March. Also in picture is Cllr. Nora Flynn (Official Sponsor). Many thanks to everyone who contributed.

We would like to take this opportunity to wish Pinewood the best of luck in the final. However, all is not lost, we are still in the play offs for a bronze medal. We are very grateful to Michael Looby for all the time he has put into organising our soccer team and wish both Michael and the children the best of luck in the play off.

## 'COURTY AGAIN DEFEAT ST. SAVIOURS

Ballinacourty travelled to the city venue to take on their bogey team - St. Saviour's in a further round of Garveys Super Valu division one county football league game.

In the first half, Ballinacourty played with the strong wind and were quick to take the utmost advantage of the situation. David Kelleher pointed a free in the first minute. Derek Hayes and Colin Keane dominated midfield and laid on the passes to the inside forwards. John McGrath won one such ball and parted to Willie Fennell who pointed. Young

Kelleher lofted over two more, the first from long range. Another attempt at a point by Brian Beatty hit the post and went wide. Ballinacourty's dominance was interrupted in the seventh minute when St. Saviour's worked the ball up field and won a free which they pointed.

### Ballinacourty dominance

The visiting team continued to win the lion's share of possession and when Brian Beatty received from Pat O'Brien, he lobbed the ball over the bar. Pat O'Brien himself scored a good point from out on the

right. David Kelleher pointed a free and scored another from play. An exchange of passes between David Kelleher and Pat O'Brien put the former through and he smashed an unstoppable shot past the goalkeeper. Aidan Landers moved up field from the half back position and sent the ball sailing between the posts. David Kelleher was wide from a free on the left hand side of the pitch. In a rare foray up field, St. Saviour's won a free and scored their second point of the half. However, it was Ballinacourty who completed the

scoring in the first half when Colin Keane raced through the middle and scored his point. Ballinacourty 1-10, St. Saviour's 0-2.

### The second Half

During the interval, we wondered if Saviour's would take the same advantage of the elements as Ballinacourty had done. Surprisingly, it was Ballinacourty who were first to show as Davy Kelleher soloed through and pointed. St. Saviour's commenced the comeback but they found it more of a struggle than the visitors had found it. Three points in a row was poor return from a lot of possession as the Ballinacourty backs tackled hard. Now, Ballinacourty began to play a bit again and when the Saints backs fouled, Willie Fennell pointed. A point by Colin Keane ensured that 'Courty were not going to be caught on this occasion. Still, Saviour's plugged away but three points was not enough to endanger Ballinacourty. Substitute Liam Briggs scored a nice point to bring Ballinacourty's final score to 1-14. Saviour's missed a free but Tony Corcoran pointed another free for the locals on the stroke of full-time to bring their tally to nine points.

Ballinacourty will be happy with this result and combined with the championship win over the same opposition, shows progress is being made.

Ballinacourty: Declan Enright, Jimmy Stacey, Laurence Hurney, John Hurney, Aidan Landers, Gavin Breen, Damien Cliffe, Derek Hayes, Colin Keane, David Kelleher, Ian Kiely, Willie Fennell, Pat O'Brien, John McGrath, Brian

## CIVIL WAR RAIDS

Last week we wrote about the raids the Republicans made on shops in the Dungarvan area when they commandeered goods for their own use.

An exciting occurrence took place in one of those raids. It happened in the case of a merchant of Blackpool whose son kept a depot for the repair of bicycles and had on hands a number of these machines. The republicans demanded the bicycles he had on hands but the owner stoutly refused to give them. They threatened him with force but the merchant defied their threats. Reinforcements were brought from the barracks and they set out to seize the bicycles. They advanced towards the premises in extended formation, taking cover in the doors of houses as they went on and also behind carts and cars on the street. The merchant and his son, armed with loaded guns, watched the attacking party advance and as the republicans approached the

house, they produced revolvers and at that moment it seemed as if there would be a bloody encounter.

### TIMELY INTERVENTION

However a local clergyman, who had been called came quickly on the scene, accompanied by a medical gentleman. The clergyman thrust himself between the contending parties. The respect which the people always entertained for their clergy had a sobering effect and no shots were fired though the arms were levelled at one another. The merchant was called upon to surrender to the Republic but he refused. The priest, seeing the serious aspect of things, asked the merchant to give up his gun. "Yes", said he, "I will surrender to the Church, but not to them." He then left himself in the hands of the clergyman but the republicans made him a prisoner and took him in charge to the barracks. He was detained there for a couple of hours, after which he was re-

leased. The entire incident was at one time very angry looking and but for the good tact displayed by the peacemakers, in all probability, there would have been regrettable consequences.

### THE FIRST CORK BRIGADE

Towards the end of July, the garrison in the castle were largely reinforced. About 300 men who came from Waterford, Carrick and other places on that side, marched into Dungarvan. They passed down the Main Street of the town, fully armed, lustily singing "We are the boys of the first Cork Brigade" to the air which was that inspiring one which served as a battle-cry in the American Civil War, the refrain being "Glory, Glory, Alleluiah." This large force marched on to the barrack and soon after, they scattered themselves around the town. (continued next week)

### RESULT

Back in early May we held "A Walk In The Woods" sponsored walk to raise funds to keep the Archive ticking over. It proved very successful and we promised to hold a draw for all our sponsors. At a recent Archive meeting that draw took place and the following was the results. 1st prize De Luxe Picture Frame, Seamus O'Brien, c/o Shaws, Main St, Dungarvan. 2nd prize large glass bowl and six piece setting, Mary Flynn, 4 St. Monica's Tce, Abbeyside. 3rd prize Aerial Picture of Dungarvan and Abbeyside. Donna Sheehan, 6 George's Court, Dungarvan. 4th prize Cosmetic Set, Mrs. Maureen Young, Murphy Place, Abbeyside. We once again thank all who helped to make this walk a success. ## ABBEYSIDE SCOUT NOTES

Last weeks meeting took place on Sunday morning in what was glorious sunny conditions. The meeting started at eleven thirty and began with clearing away some of the obstacles the scouts had left behind from the overnight of some weeks ago. Once this was achieved the bowline was on the cards and despite doing this particular lashing for some weeks now a lot of the scouts still had some difficulty with it. It was then out to the field where a number of knotting and water based relay games were held, with Eddie proving his worth here. A team game involving a ball was played to finish off the meeting and Patrick proved that he would be an asset to any Australian rules football team with his enormous long kicking which he discovered much to his horror. At the end of the meeting a good response was taken up for this years annual camp and so for next week there will be a lot more definite information available to those going as far as costs etc, are concerned.

### Attention

This weeks meeting takes place on Saturday night and will be a multi meeting - all scouts are reminded to bring a towel, a change of "T-Shirt" and of course a water gun. This meeting has the potential to put the legendary shoot-out at the O.K. Coral in the shade. Anyone thinking of visiting the den during the time of the meeting consider this as your warning of the potential hazard you may face.

## ABBEYSIDE N.S. BOOK SALE

A secondhand book sale will take place at Scoil Mhuire, Abbeyside on Thursday and Friday next, the 22nd and 23rd June between the hours of 4.00 p.m. and 10.00 p.m.

This is an opportunity to support the local national school and if you wish to view the recently completed school extension. The pupils have moved into their new classrooms and while the finishing touches have yet to be completed in the new building, those interested will form an impression of the work carried out.

All types of books will be available (adult, children's, comics) and we are informed that there will be bargains galore.

## ABBEYSIDE BEACHES

The beautiful sunshine of last weekend attracted people to the beach and of course, an opportunity to swim in the salty water. The beach behind Abbeyside Soccer Clubs Pitch is in excellent condition with lots of clean sand. However, the same does not apply to the Cove at Land's End and the beach at the back of the church. Both of these are covered completely in a dark green slimy seaweed which unfortunately is tidal and cannot be controlled. The access steps to the Cove are in excellent condition and a new concrete platform at the end of the steps is a great help to those with go-car's etc. A new life-buoy is in place and the field overlooking the Cove has been cut recently.

## BRIDEVIEW UTD A.F.C. NOTES Defeat For Utd's Babes

Our U-8 and U-10 teams travelled away to Ballybridge Utd on Saturday afternoon and after 2 very exciting games we suffered defeat by the narrowest of margins. Our lotto jackpot was not won last weekend so our jackpot now stands at £4,100. At the moment the club are getting our second pitch ready for next season and a big job is also being done to our number one pitch with the resodding of both goal mouths and the centre of the field.

### Results U-10 League

#### Ballybridge Utd 4 Brideview Utd 3

Our U-10 team suffered their first defeat of the season away to Ballybridge Utd. This was an excellent game of football played in brilliant sunshine.

Our keeper Mulcahy made several great saves during this game. We took the lead 2 mins. before the break when Thomas Ryan scored a great goal.

The second half was end to end stuff and we increased our lead when Philip Cunningham hit a great volley which ended up in the net. The homeside threw caution to the wind and took the game to us. In the space of 10 mins the homeside had scored three goals and went into the lead for the first time.

Utd struck back soon afterwards when Ryan's shot went all the way to bring the sides level at 3-3. With time almost up Ballybridge scored the all important goal when the ball was bubbling around Utd's penalty area. All the lads played well as did the reserves.

Utd; D. Mulcahy, K. Hallahan, K. Geary, D. Feeney, P. Cunningham, T. Ryan, S. Aherne, Res. A. O'Callaghan, C. Sheehan, N. Wilcox, B. Collins and P. Feeney.

### U-8 League Result

#### Ballybridge Utd 4 Brideview Utd 2.

### Congratulations

All in the club would like to congratulate our Div. three manager Sean Pratt and Miriam Geary every happiness in the years ahead. Both travelled to Rome where they tied the knot as it were. Sean has informed the club that he is now hanging up his boots. Well it was Miriam who said it.

Best wishes also to Avril McSweeney who got married on Friday last to Vin O'Donnell from Mitchelstown. The bridesmaids were a bundle of nerves or so I am told.

Liam Roche joined the married gang when he got married on Saturday last. Anyway congratulations and best wishes to everyone.

### Lotto Jackpot £4,100

Our lotto was not won last week. Match 3 winners were John Lyons, Mary Walsh, Jake Grey and Danny Fitzgerald. Draw this week in the Local Bar this Saturday night at 8.15 pm sharp. Jackpot is £4,100.

### Sympathy

The club extends its deepest sympathy to the McGrath and Lyons families on the sudden passing of Breda Mealia. May she rest in peace.

Our sympathy also to the family and relatives of John Heffernan, Dunmoon. May he rest in peace.

### Best of Luck

All in the club wish the best of luck to Irwin's Schoolboys League who travelled to Limerick on Monday last where they will compete along with 27 other leagues for the Kennedy Cup and associated competitions.

Our club are well represented in this squad with Kevin Walsh, Eamonn Forbes and Michael Curley all included. We wish everyone the best of luck.

### Birthday Corner

Yes, it's been a very busy week for birthdays. To the two girls who thought I would be too busy celebrating my own. Yes a belated happy birthday to Cora Curley and Josie Curley. Then we had the boy in Spain who thought of mine. Right Justin - namely Jimmy Sheehan. All of forty years. Stephen O'Hara also celebrated his birthday last week.

On Friday last Kieran Fraser was a big seven years old. Last weekend saw Benny O'Hara celebrate his birthday. On Wednesday of this week Alan O'Callaghan celebrates his birthday. My thanks to the other PRO Liam Mulcahy for his regards and thanks for keeping the secret. Who needs friends ha ha! and leave Lindsey alone, right Pat.

### Engagement

On behalf of everyone in the club we congratulate one of the clubs ex players namely Barry Murphy who got engaged to Marie Murphy. It must be love, I said to Marie. "Not really, I just don't want to change my name". Nice one Marie who hails from Youghal. Best wishes to both.

### Holiday

Many local people are on holidays at the moment including Buddy Curley and young James Clancy who are gone to the U.S.

### U-8 and U-10

### Sympathy

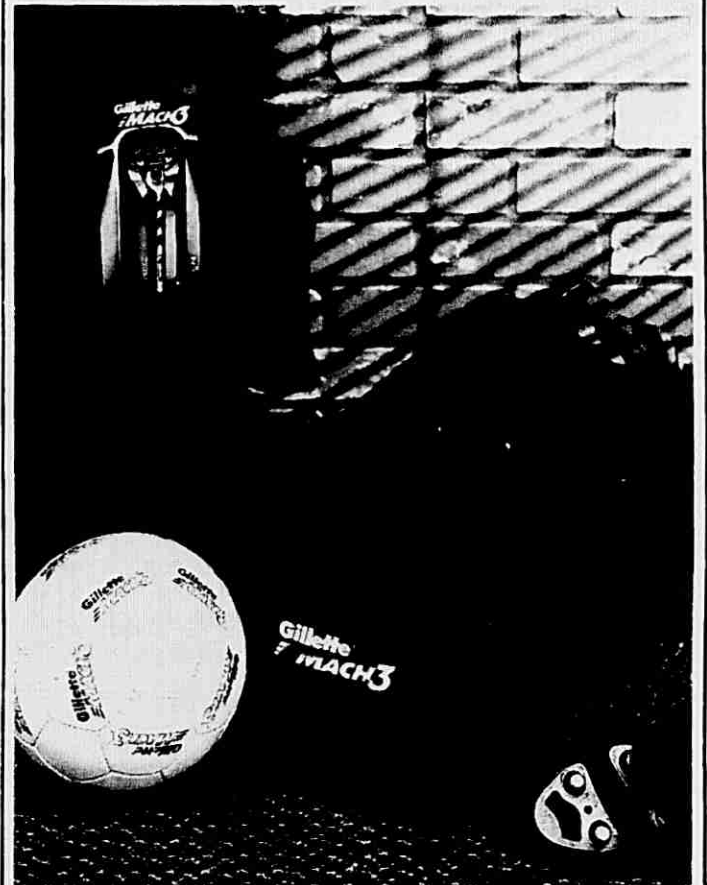

For the second time in a matter of days we sympathise with the Lyons and McGrath families. Earlier in the week Breda Mealia passed away and on Monday her husband John passed away. Our deepest sympathy on this double tragedy. May he rest in peace.

## Waterford Federation ICA Annual General Meeting

Delegates to AGM2000 of Waterford Federation ICA on 17th May were welcomed to St. Declan's Hall, Ardmore by Ardmore guild president, Eileen O'Callaghan. Eileen spoke of the historic importance of Ardmore and invited her listeners to make a return visit to the town. Federation president, Bernie Hobbs, chaired the meeting.

Bernie spoke of ICA's millennium celebrations - "Marking the Millennium" - to be held in the RDS, Dublin on Friday 26th and Saturday 26th May. These will include an exhibition to celebrate outstanding European and Irish women of the Millennium. Waterford ICA will be represented in this exhibition by Nancy Twomey from Tramore guild. Nancy, a member of ICA for over 50 years has been active at all levels in the asso-

ciation and very few ICA occasions in Co. Waterford are held without Nancy being there to lend her help and support.

Kathleen Walsh, Ballymacarbry guild, who had been Waterford delegate to the Rural Development week at An Grianan in March, gave a very comprehensive report of that week. She described in detail the speakers at the conference and what they had to say. Kathleen said that all the talks had been excellent. The various speakers had talked about rural development, off farm business and the role of women in rural development and farm-based projects.

Waterford week at An Grianan was anticipated when Teachta, Noeline Power gave details of the bus hired to take those participating in the courses to An Grianan. The

ladies attending will pursue courses in Limerick lace, 3-D decoupage, sequence dancing, cookery and oil painting and sketching.

In her report, sports officer, Maureen Early said that the aqua aerobics in the Gold Coast Hotel would recommence in September. A group of ladies from Ballymacarbry have started lessons in pitch and putt in the Connigar Pitch and Putt Centre, Dungarvan on Wednesday mornings at 10.30am. Maureen has arranged special rates for ICA members for the pitch and putt sessions. The federation final of the ICA golf competition will take place in June. The national final of the Competition, sponsored this year by Organics Vital Hair Care, will be in Tullamore on Wednesday 27th September.

There was news of two competitions in the report given by Catherine Flynn, contests secretary. The Inter Federation Cup for Art will be awarded for a nature study project. Entries should be with Lorraine Tease, national contests secretary before 1st September. Entries for the ICA/Cider Council of Ireland competition for a celebration recipe using cider should reach Catherine Flynn by 4th August.

A delighted Moya Ui Dhomhnaill, federation crafts officer congratulated Sandra Counahan on passing her craft teacher's exam in Mountmellick embroidery recently. Bernie Hobbs presented Sandra with her teacher's certificate. Sandra was also presented with a millennium certificate for quilting. Bernie also presented millennium certificates to Mary Birney, Minaun guild and to Joan O'-

Donovan, Tramore guild. Mary received hers for slippers and Joan for Carrickmacross lace. Joan also received a brannra for Carrickmacross lace. Moya said that this year's Knitting and Stitching Show would be from 2nd November to 5th November.

In her address Bernie Hobbs spoke of a new Drugs Initiative in Co. Waterford. Bernie is on this committee which seeks to assess the extent of the drugs problem in the rural towns and villages of the county and then to train facilitators in the areas concerned to deal with the problem.

She also gave details of a new course in basic computer skills to be held in the Summer months in the Horticultural College at An Grianan. She informed the meeting that with Margaret Leahy, Federation vice-president, she had attended the presentation of the history of the association to the National Library.

Bernie announced that the new federation secretary is to be Kathy Murphy, Kilrossanty guild. She paid a warm and well-earned tribute to outgoing secretary, Catherine Flynn. She praised her for her efficiency, her hard work and for her attention to detail. She said that she was "always at least a week ahead" of her. Bernie also thanked out-going CDA Maria Mullins for her contribution to ICA.

Moya Ui Dhomhnaill proposed the vote of thanks to the hostess guild.

Forthcoming events of interest are an Antique Fair in Ardmore on 23rd July from 2pm to 6p.m., the Flower Show in Tramore on 2nd and 23rd July and the agricultural show in Dungarvan on 27th July.

**REGAL THEATRE****THE TENORS SHOW  
- A CELTIC JOURNEY**

This summer is bursting into musical sunshine with the first ever tour of the Three Irish Tenors show. The spectacular trio are Ciaran Nagle, who has just completed his tour "Riverdance the Show" where he was the featured singer for twelve months on both the European and Japanese tours. In 1999 he performed in "Creation and the Seasons" in Carnegie Hall. Anthony Norton has returned directly from the Opera Company at La Scala, Milan where he has worked with the renowned tenor Franco Castellana. Tom Cregan has performed with the Royal Opera Company, Covent Garden and also with the National Chamber Choir as a soloist on recordings for RTE.

You will be enraptured by the fresh approach to Opera singing as you have never heard it before. This specially devised theatrical show has moved away from the traditional approach and is broken into four varied programmes consisting of "Pop" Opera (such as Nessum Dorma); Neopolitan (O Sole Mio); Musical Theatre (West Side Story/Les Miserables/Phantom) and in completion, a selection of superlative Irish songs. At the grand piano is David Wray, the Musical Director, with a special guest violinist from the RTE Symphony Orchestra. Belinda Murphy is responsible for the staging.

These young men have given a fresh appreciation and a modern approach to Opera singing which is guaranteed to entertain a wide range of audiences. With such extensive worldwide experience between them they are now appealing also to young audiences as their current sell-out tour of Ireland demonstrates - standing ovations in every theatre.

**Elegant Music in Lismore Castle**

The final concert of the Lismore Bach Festival will be a display of elegance and virtuosity. The concert will take place next Sunday at 8 p.m. in the magnificent Banqueting Hall of Lismore Castle and will feature Maya Homburger, baroque violin, and Malcolm Proud, harpsichord.

Maya Homburger was born and educated in Switzerland, moved to England in 1986 and lives now in Thomastown, Co. Kilkenny. Malcolm Proud lives in Kilkenny where he is organist of St. Canice's Cathedral. Both are musicians of international fame, having toured many parts of the world, playing in solo recitals and with renowned baroque orchestras and recording many CDs.

In Lismore they will play music composed by J. S. Bach when he was head of the Court Chapel of Prince Leopold of Anhalt-Cöthen between 1717 and 1723. The Prince was a great music lover and he himself often took part in the musical events during banquets and chamber music evenings in his Castle, playing the violin, the harpsichord or the viola da gamba under Bach's directorship. Against this background the banqueting hall of Lismore Castle is the ideal venue for a concert featuring music composed for the princely court.

The programme will include two Sonatas and a Cantabile for violin and harpsichord, a Partita for solo violin and the Chromatic Fantasia and Fugue for harpsichord. Particularly the Partita and the Fantasia offer to the musicians many opportunities to display their

virtuosity. Malcolm Proud will also play one of Bach's French Suites, a series of refined and elegant dances. Bach entered the first scores of these suites with his own hand in the little notebook for his wife Anna Magdalena and he would play them for her to entertain her. They are a testimony of the

loving relationship between the famous composer and his wife.

The concert on Sunday, 25th June, will start at 8 p.m. Admission fee £10 (conc. £8).

The Bath Festival is financially supported by Waterford County Council (Art Grants Scheme 2000) and Lismore Hotel.

# 80 Council Houses Earmarked For Shandon

BY AISLING CONROY

Dungarvan Urban District Council has this week revealed its intention to proceed with the development of 40 local authority houses on land recently purchased at Shandon. All going to plan, it is expected that construction work on the new scheme will commence before the end of the year.

The former agricultural land was acquired by the Council last year from the Dempsey family for £2.6m. A loan of £3m was raised to fund the transaction which translates into a cost of £100,000 per acre.

The housing scheme is the first phase in the eventual construction of approximately 370 houses on the 26 acre site.

A sketch drawing of the proposed housing layout for the first phase was submitted to members at Monday's UDC meeting. The layout was prepared by the National Building Agency and shows that the scheme will be located at the far end of the Shandon site, behind Cork Marts and overlooking the Colligan River.

The entrance to the estate will be situated after the sharp bend on the main road. As well as elaborate landscaping there will be a buffer zone of mature trees between the site and the nearby Cork Marts and halting site.

## 80 HOUSES IN TOTAL

The Council has been allocated 80 housing starts by the Government between now

and 2003. According to Waterford County Manager Donal Connolly, all of these houses will be constructed on a portion of the Shandon site in two phases of 40 consisting of a mix of 2 and 3 bedroom house types. While the first phase will consist of Council houses catering for those on the current UDC waiting list, the second phase could consist of affordable housing. Under the new measures of the Affordable Housing Scheme, site subsidies of up to £25,000 will be provided. This will give those on lower incomes

the opportunity to acquire a site at nominal value and thereby only meet the cost of construction.

Mr. Connolly said he will meet with NBA officials to develop the house types and overall layout of the first phase within the coming week. He will then report back to members with the house plan and hopes to finally proceed to the public con-

sultation stage before July. **NEGOTIATIONS WITH GAA**

Meanwhile, the Council is still in discussion with the Waterford County GAA Board with regard to a 1 1/4 acre strip of land on the site near Fraher Field. GAA officials previously indicated that this portion of land would facilitate further development works at the pitch.

**FIRST PHASE TO BEGIN BY END OF YEAR**

## Local Athlete Qualifies For Olympics

Well known local athlete, Jamie Costin of Ballycree, Ring has qualified for this year's Sydney Olympics.

A dedicated member of West Waterford Athletic Club, Jamie's latest success has come as a huge boost to the club. The 23 year old will now represent Ireland in the 50 kilometre walk event in the Olympics which take place in Sydney, Australia from 15th to 30th September.

Jamie qualified for the prestigious world event when smashing the Irish record and achieving the A qualifying standard last Sunday, June 18th. He was competing in the European Cup of Race Walking in Eisenheetenstaat, Germany where he finished in 17th position. His time of 3 hours 59 minutes and one second broke the previous Irish record of 4.06.03 held by Geoff Cashin of Donegal. More importantly however, his time was 59 seconds inside the A qualifying time for the Olympics. The 50k walk event will

take place on 29th September.

In the 20k walk event there was more good news for Ireland when Rob Heffernan of Togher qualified in a time of 82.43.

Son of Jimmy and Margaret Costin, Jamie is a full-time athlete since last year. Over the past two years his whole aim was to qualify for the Olympics and on Sunday his dream finally became reality. He is reported to be "absolutely thrilled" with his victory following the amount of training and effort he has put in to the sport. Last winter, Jamie trained in Australia over the winter months and he previously trained in New Zealand. His sporting success has earned him numerous awards including the inaugural Pat Noctor Young Sports Star Award in 1993 as well as Munster BLOE awards.

We join with West Waterford AC in congratulating Jamie on his great achievement and look forward to seeing him in action in the upcoming Olympics.

# Brave Co. Waterford Men Honoured By Council

CONTINUED FROM FRONT PAGE

who saved the life of local man Tom Fleming in April 1996. The two men, accompanied by Raymond Beresford, were exercising horses at the Cunnigar beach when the incident occurred. Mr. Fleming fell from his horse and got caught in a current that swept him out to sea. While Mr. Beresford raised the alarm,

Mr. Moloney immediately grabbed the mare which he considered to be the more experienced swimmer and rode into the rough sea. He held the victim's hand to the breast plate of the horse and battled against the strong current to the shore. The victim was unconscious at this stage and Mr. Moloney tried to resuscitate him as best he could.

Mr. Fleming suffered from hypothermia and later made a full recovery at Waterford Regional Hospital.

The Council's Certificate of Bravery claimed that Mr. Moloney showed total disregard for his own life and safety and because of his courage and bravery a tragedy was prevented.

The original proposal to honour Mr. Moloney with a Bravery Award was first mooted by Cllr. Lar Hart four years ago.

## ENTERED HOUSE FIRE

Stephen Kenefick of Lismore Fire Brigade was honoured for his "heroic efforts of bravery" during a house fire in November 1995.

Mr. Kenefick was awakened from sleep by two neighbours who told him of a fire in a house nearby. The house was engulfed by flames and the front door was hot with smoke coming out of the top. Mr. Kenefick broke down the door with an axe and crawled in due to the dense smoke. He located the owner of the house and carried her out onto the street. The victim was an 82 year old lady who lived alone. She was overcome by smoke from a fire caused by an electric heater and unfortunately, was already dead when help arrived. Mr. Kenefick tried in vain to resuscitate her and the woman was later pronounced dead at the scene. As a result of his daring rescue bid, Mr. Kenefick suffered smoke inhalation.

Many of his colleagues in the Co. Waterford Fire Service were present as he received the Council's prestigious Bravery Award.

# Strong Criticism Of Dungarvan's New Traffic Lights

CONTINUED FROM FRONT PAGE

The matter was originally highlighted at this week's UDC meeting by Cllr. John Deasy who told officials that the timing of the traffic lights is "off".

Town Engineer Joe Brennan explained that the major delay in traffic flows is a result of excessive use of the green man as the pedestrian crossing takes precedence over the lights.

As an experiment officials disconnected the pedestrian crossings last Saturday and observed an improvement in

the traffic flow over the ensuing days. Special sensors on the lights detect the volume of traffic along the three main routes to the intersection.

"We're trying to find a solution", stated Mr. Brennan. "We will activate it so that the green man will only come on when there is a gap in traffic".

With regard to the two filter lanes, the Council has already moved the traffic light pole on the Main Street side to provide drivers with a better view of the lights. It is also intended to relocate the pole on the O'Connell Street side further along the island.

### Irwins Schoolboys League U-8 and U-10

The above boys played Youghal United U-8's and U-10's on our home ground Clashmore. They were two very well matched teams with all the boys in both teams giving everything and playing such good football in the hot conditions.

Our U-8's came out 2-1 winners but I have to mention young Brian O'Halloran, his dribbling and football went a long way to make this win. He also scored one of the goals and Trevor Whelan scored the other. Our under 10's also played really well against their well trained opponents and just managed to draw 2-2. It was a fine performance. Well done to our goal scorers Aidan Trihy and Mark Cunningham. Thanks to Liam's efforts the pitch was great. # Waterford in Business launches its new "CelticA" project in Ballyrafter House Hotel, Lismore

Seated l to r; Eva Trier, (Wales) Philippa Simms, (Scotland) Nicola Mitchell, (Northern Ireland) and Audrey Sprigg, (Wales) Standing l to r; Jim Martin, (Scotland) Claire Connors: Manager WIB Claire Chavasse: CelticA Co-ordinator. Niamh Murphy Business Development Officer and John Barry, Chairman, WLP.

Waterford in Business together with Pembrokeshire in Business recently launched a new project "CelticA" in Ballyrafter House Hotel, Lismore.

CelticA comprises a multi-partnership between Fife County Borough Council, South Lanarkshire Council, Craigavon Borough Council, Bridgend County Borough Council, Waterford in Business and Pembrokeshire in Business.

The project is an extension of the existing partnership between PIB and WIB. The CelticA Trade Network is a partnership of local government and trade organisations linking the historic regions involved. The partners have come together to maximise development opportunities through co-operation leading to increased economic growth and well being for all involved. The primary aim of the project is to promote the trading interests of small and medium sized enterprises, many of which experience particular difficulties due to their limited resources.

The CelticA Trade Network will facilitate customer identification, source market information and assist companies to embark on successful trading initiatives with companies located in the other partner regions.

In addition to individual company assistance among the partners, the CelticA Trade Network will operate a programme of group events geared to enable small and medium sized enterprises to meet potential customers.

It is important that projects aimed at developing small and medium sized enterprises are given every encouragement and help to succeed and projects such as CelticA will make an important contribution towards underpinning the future of local employers.

For further information on CelticA, please contact your local co-ordinator Ms Claire Chavasse, Waterford in Business, 21 Church Street, Dungarvan, Co-Waterford. Tel: 058-45300; Fax: 058-45238; e-mail: wib@eircom.net.

## ICMSA Call On Glanbia To Increase Milk Price

John Hemenstall, Chairman of ICMSA Wicklow Executive has called on the Board of Glanbia to increase milk price paid to producers by 5 pence per gallon.

"Increasing milk price by 5 pence per gallon would accurately reflect the increase in market returns as indicated by the Irish Dairy Board on-account price," said Mr. Hemenstall.

Mr. Hemenstall stated that the Irish Dairy Board on-account price has recently increased and is some 4.6 pence per gallon greater than the price paid for the same period in 1999, yet the Board of Glanbia are proposing to pay a May milk price of 3 pence per gallon less than was paid last year.

In conclusion, Mr. Hemenstall said in light of the increased Irish Dairy Board on-account price, the Board of Glanbia should increase their milk price by at least 5 pence per gallon as this would put Glanbia back in line with all of the other major co-ops.

# Houses For Elderly At Quanns Is Crazy Idea Says Cllr

**BY AISLING CONROY**

Plans to build seven houses at Quann's, Dungarvan for elderly housing applicants have been described as 'crazy' by local UDC member Cllr. Teresa Wright.

The Urban Council proposes to construct the single storey houses on a green field site currently owned by the South Eastern Health Board near Dungarvan Sports Centre. This area is located opposite the sea wall and adjacent to St. Mary's Parish graveyard.

Plans for the two bedroom houses were submitted to members at this week's meeting of the Urban Council. The seven Council houses were originally earmarked for the former Presentation Convent site at the Youghal Road. However since the arrival of the Kosovo refugees, these plans have been deferred indefinitely. It is intended to use the new houses where possible to transfer existing elderly UDC tenants by consent from houses that are unsuitable due to either their location or size and thereby freeing up family type accommodation in the process.

The Council is currently ne-

gotiating the purchase of the site from the Health Board.

Cllr. Wright however felt that the area at Quann's is completely unsuitable for elderly residents and said it was "disgraceful even to consider putting housing there".

"It's very isolated for older people and very much an amenity area for younger people", she stated. "There will be problems in the long term".

She added that the seaside location is subjected to extremely adverse weather conditions including "cold, wind and rain".

Supporting her views was Cllr. Michael O'Riordan who said the Council would be isolating senior citizens instead of integrating them into the community.

"It's a very exposed area", he added. "The proximity to the Sports Centre could make them vulnerable".

Likewise Cllr. Paddy Power said Quann's is "way out" for older people.

"They wouldn't get outside the door in the winter", he claimed. "I question the sense of putting older peoples houses there".

Cllr. Power also highlighted the problem of sea water flooding in the area during

south easterly gales. He suggested that the Council should consider allocating the houses to other people on the housing list.

## CONFLICTING OPINIONS

UDC Chairman Cllr. Lar Hart said people are crying out for houses in Dungarvan and the Council now has the chance to build seven.

Also welcoming the development, Cllr. Nuala Ryan said Quann's is very central to all local amenities and to the Square. She said the list of senior citizens on the Council's housing list has increased over the last few years and any opportunity to build houses should be welcomed.

Likewise Cllr. John Deasy said he presumed the houses will be built to modern specifications.

"I'm sure that if people are given the choice to move into a new house, they'll take it", he added. "Not many sites are available so near to the Square".

## PUBLIC CONSULTATION PROCESS

Responding to members concerns, County Manager Donal Connolly said he has looked at

the situation with the National Building Agency. Provided that the houses are built to the highest standards, weather conditions will not be a factor, he felt. The flooding problem in the area was also discussed with the result that the sea wall could be raised.

The Manager said the area at Quann's is very central and is a relatively good location given that the Council's alternative land bank at Shandon is quite removed from the town for elderly tenants.

Mr. Connolly added that the two bedroom houses could be used for other people on the housing list and he recommended that members proceed to the public consultation stage. He agreed to report back to members with any observations received from the public at the September meeting.

"I hope in the fullness of time as the Glanbia site is developed, that we can accommodate and locate social housing for the elderly, but that's down the road", said Mr. Connolly.

His recommendation that the scheme go ahead to the public consultation stage was accepted by members.

dard of work has grown. County Arts Officer, Margaret Fleming also made reference to the County Council's Arts Grants Scheme, which has made funding available this year to the ICA for painting

# St. Mary's Parish Notes

Sunday 25th June is the feast of Corpus Christie; God's sustaining help is our focus today. We thank God for nourishing our faith with the Body and Blood of Christ, as we continue on our pilgrimage through life.

Exposition of the Blessed Sacrament in St. Mary's Parish Church from 3.00 pm ending with benediction at 5.00 pm. All are invited to visit Jesus who is truly "The Bread of Life".

Reading: Erodus 24:3-8, heb 9:11-15, Mark 14: 12-16, 22-26.

## GIVING THANKS

Saying a mealtime 'grace' seems a declining practice, which is a pity. To say thanks for what is not yours and yet is freely given is the most natural response. Gratitude is the only appropriate answer in the face of something and someone generous.

In saying 'grace' there are as many styles as there are people. Some touch the heart with a blessing suited to the occasion. Others use a good pulpit voice the Lord is bound to hear. Still more employ a tone so low and indistinct that you pray the lord's computer can decode it, as you can't. Most go for a short, repetitive offering. It works when the children are small. But seems a bit inadequate when they ask in later years. "Don't you get tired of saying the same things over and over?"

Unfortunately we don't exactly know what Jesus said when he 'returned thanks' for the food in today's Gospel. Does it matter. For the greater a person is, the less we say to them. If we perceive God as great, can we say more than a simple 'Thank you'. It's a world of 'grab', 'get' and 'go for it'. In some quiet space this Corpus Christie; think of what you have been given with no price - life, love, health, wealth. Say 'thank you'.

## BALLYDUFF G.A.A. NOTES

Congratulations to the Primary Schools Hurling team on their excellent win in the Division 2 Co. Final in Walsh Park on Thursday evening last. The team got off to a great start when Maurice McNamara goalied in the opening minutes. Ballygunner goalied twice to take the lead but they were not to score again for the remainder of the game as a resolute Ballyduff defence pulled down the shutters and the forward division rattled over score after score. Patrick Kearney scored 1-3 in the second quarter to leave the winners leading by 2-3 to 2-0 at the break. Further goals from Patrick and Maurice along with some great

points from Shane Kearney, Shane Hannon, Adrian Power along with Patrick saw the Reds come out on top by 4-10 to 2-0. The second leg of the double had been completed as this side defeated the same opposition in the football decider last Autumn. After the game, vice-captain, Seamus Kenneally was presented with the trophy by Margaret Cunningham, Chairperson Primary School's Board. Congratulations to the players on their great win, coach Seamie Hannon and teacher Mary Murphy on this history making win. A large crowd of supporters travelled to Walsh Park for the decider and also to the divisional fi-

nals. Panel was: Adrian Power (0-1), Seamus Kenneally, Thomas Byrne, Kevin Moroney, Aidan Casey, Shane Hannon (0-1), Patrick Keane (2-5), Ml. Walsh, Shane Kearney (0-3), Bernard Flynn, Marie McNamara (2-0), Colm Horgan, William Drislane, Stephen Kearney, Seamus P. Hannon, Denis Drislane, Patrick Corcoran, Kevin O'Mahoney and Mairead Finn. Team captain, Seamus Hannon was unavailable for the final due to being abroad on holiday but played a captain's part in the march to the final.

The numbers drawn in last week's lotto draw were 8-11-23. There was no winners of the £500 jackpot. The £25 prizewinners were Joe Clarke, Fermoy and John Jackson. Next week's lotto draw on Tuesday night in Lindsay's Bar at 10.00 pm. The Junior hurlers will play Tallow in a vital league game on this Wednesday evening in the field at 7.45 pm. The intermediate footballers travel to Aghlish this Thursday night to play Geraldine's in a crucial league game at 7.45 pm. Defeat in this game almost certainly means relegation back to the Junior League next season. Players are requested to be at the venue not later than 7.30 pm. The senior hurlers will play St. Mary's, Clonmel in the Fitzgerald Cup Tournament in the field on Friday evening at 7.45 pm. With our championship game against Mt. Sion coming up in late July we need to get back to winning ways and what better way to start. The U-14 hurlers make the long journey to Passage this Wednesday evening

where a win would give them a semi final place play off against Portlaw/St. Molleran's. The U-16 hurlers open their championship campaign with an away game against De La Salle on Monday next. Players will be notified of travel arrangements.

The U-12 hurlers will play St. Oliver's (away) this weekend in the championship. U-12 hurling training this Thursday evening at 7.00 pm. The minor hurlers will play a number of challenge games over the coming weeks in preparation for the championship. The club in association with the Millennium Sports Hall finance committee will host this month's Deise Development Draw in St. Michael's Hall on Friday week June 30th at 8.30 pm.

Congratulations to Jamie Kearney on being selected on the Waterford U-14 Football team that played Kerry in the Munster Final in Bruff last Saturday.

David Condon and Neil Feeney attended U-16 football trials in Dungarvan last Sunday. Colour photographs of the Juvenile Club Presentation night which are currently on display in Pat Flynn's window can be ordered from Eilish Flynn.

Juvenile helmets and hurleys can be purchased from Eilish Flynn. The U-8, 9 and 10 hurling teams will travel to St. Catherine's next week for a series of friendly games.

On Monday afternoon club officials Dave Barry, John Jackson, Pat Flynn and John Frewen attended a function in the local school which was held to honour the boys hurling team who won the Co. Final the previous Thursday.

## MILLENNIUM SPORTS HALL

Work on the site for the development of the Millennium Sports Hall in the Community Field commenced last weekend when the area was cleared out. It is hoped that the erection of the steel structure will get underway this week. The building measuring 100 ft. by 60 ft. will be a major asset to the community with facilities for the playing of all games. It is hoped that the venue will also be used for other events such as exhibitions, demonstrations etc. A grant of £34,000 has been approved by the Dept. of Sports and Tourism and a finance committee has been put in place to raise the funds for the hall. The first event was the Déise Development Draw which was an outstanding success with a record number of tickets sold. The first draw in May saw two local prizewinners namely Ita Ahearne, Garrynagoul, Ballyduff along with Kitty and Jimmy Quirke, Inchinleamy, Ballyduff. The next draw which has an £11,000. prize fund each month will take place in St. Michael's Hall on Friday June 30th. All who subscribed to the draw are welcome to attend. All members of the draw, will, in the coming days, receive their membership number. The building committee have been planning and overseeing the site work over the past number of weeks. One aspect of this development is the involvement of the whole community which was evident on site last weekend. Anyone who would like to help with the building of the hall and would be available at evening time or on Saturdays should contact Vincent Sheehan, Tom Enright, Pad Joe Ahearne or Maurice Geary. Any help would be greatly appreciated, however large or small. The involvement of voluntary labour will greatly reduce the cost of the building. Anyone who still wishes to join the Déise Draw can do so at £5 monthly by contacting any member of the finance committee or draw coordinator John Jackson.

## Ballyduff Senior Hurling Tournament

The first game in the Fitzgerald Cup Senior Hurling Tournament at Ballyduff on Saturday evening last saw Limerick side Kilmallock come out on top by 3-13 to 1-16 after an excellent contest with St. Catherine's from Cork.

The Cork side inspired by Kieran Morrisson and Jimmy Sheehan (a current Cork finalist) led at half-time by 1-9 to 0-5. Inspired by Mike Houlihan, Dave Clarke and Paudge Tobin Kilmallock stormed into the game in the second half to snatch victory. Last night (Tuesday) Ballygunner and Middleton were in action while on Friday night, the home side Ballyduff will take on Tipperary side St. Mary's, Clonmel who will have county player, Donnacha Fahy, in their starting line-up. Throw-in at 7.45 p.m.

## COMMUNITY CARE GROUP

The day trip to Cork Gaol, Clonakilty and Kinsale will now take place on Wednesday next 28th June. This will be a very interesting day with a varied line-up of attractions for those travelling. Evening dinner is being arranged following a stroll around the lovely town of Kinsale. The bus will leave the village at 8.30 a.m. Further details from John Hogan, Paddy Jim Feeney or Ellen Daly.

## COMMUNITY COUNCIL

A meeting to plan this year's gala weekend festival will take place in St. Michael's Hall on Monday night next at 9.30 p.m. All those who were involved in organising the inter-area challenge last year are asked to be present. The Gala Day is on Sunday, August 27th with the salmon festival the previous week-end. There will be a varied and interesting programme over the weekends. Anyone who would like to help out with the planning of the festival are asked to come along to Monday night's meeting.

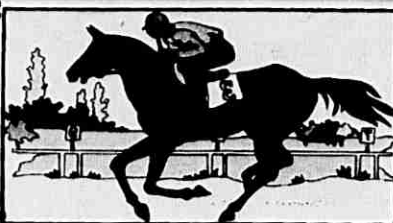

## COMMUNITY GAMES

The county athletic finals will take place on Sunday next in Waterford R.S.C. The local area will have a large number of competitors taking part in individual and team events. A lot of preparation has gone on for the finals and we wish all our representatives the best of luck on the day. Let's hope that Gold will come home on Sunday night and that we will be represented at the National Finals in Butlin's next September. On Saturday evening last in the field the U-13 hurlers took on Lismore/Ballysaggart in the county final in what was to be a close game. We got off to a great start when William Drislane pointed but our opponents fought back to lead by two points to one at the break. Lismore went on to lead by 1-4 to 0-1 midway through the second half before an excellent Patrick Kearney goal brought us right back into the game. Points were exchanged but despite some fine hurling we could not break through for a second goal to force extra time. Well done to the players on reaching the county final. Panel was: A. Power, M. McNamara, S. Kenneally, P. Byrne, K. Moroney, A. Casey, C. Horgan, T. Byrne, Shane Hannon, Shane Kearney, P. Kearney (1-1), B. Flynn, M. Walsh, W. Drislane (0-1), Stephen Kearney, J. Kenneally, D. Drislane, P. Corcoran, E. Hogan. This year has seen a record number of teams from the community taking part in the games as well as in art and athletics. Thanks to all the team managers for their help and also to the players and their parents. The new singlets will be worn in the Co. Athletic Finals on Sunday.

P.S. Athletes are asked to be in Waterford on Sunday at 11.15 a.m. as the parade commences at 12 noon.

# Horse Racing

BY MARK PHILLIPS

## U.S. TRIP FOR ONE WON ONE

Fresh from his recent race win at Haydock the Joanna Morgan trained One Won One could well have his next outing stateside. He is currently on a rating of 112 and is therefore out of all handicaps. His trainer went on to say that there are no suitable listed or pattern races for him in this country during the summer months, the plan is to take him to the States and give him two races there as he would probably stay the mile on the flat tracks and would be particularly happy racing around the bends she added.

## DERBY WINNER IMPRESSES TIME FORM

Time form the recognised form experts were impressed by Sindaars Epsom Derby victory. Allotted a rating of 128 which is one pound higher than the runaway French Derby winner Holding Court. The B.H.B. and the Irish Turf Club are more or less in agreement with these ratings.

## DERBY PRIZE MONEY

This years Budweiser Irish Derby has prize money down to tenth place.

## DID YOU KNOW

Did you know that one of the countries leading apprentice Jockey's Declan McDonagh has ridden a winner on every flat track in Ireland with the exception of Gowran Park in County Kilkenny. Perhaps he can put the record straight this coming Sunday where there is a jackpot guarantee of £10,000 at Gowran Park.

## WEXFORD UPDATE

There was no shortage of Waterford owned and trained runners at a sun drenched Wexford last Friday evening where one lucky jackpot investor scooped the entire pool of £1,675. Tarasi turned out in division two of the Maiden Hurdle and although this well fancied gelding ran another good race he could do no better than finish a close up third behind the 20/1 outsider Tworow trained in Carrigaline by Ivor Kingston and brought with a well timed challenge by Barry Geraghty to outstay Early Hearing by a neck.

Linda Halley ran Defence Forces in the Novice Hurdle but after being made plenty use of by Ruby Walsh he dropped away tamely in the closing stages as Paul Carberry oozed confidence on the Noel Meade trained evens favourite Fnan who coasted to a two lengths win over Hardiman. The ex John Dunlop trained Fnan has now won his last three races for connections and is a possible runner at the Galway Festival meeting.

Brancardier ran in the Handicap hurdle for Gerry Halley and he ran very well up to the two-mile mark before tiring in the final two furlongs behind the shock 20/1 winner An Seabhac. Perhaps a return to a two-mile hurdle might

suit Brancardier, who is also well able to jump a fence.

Little K ran for Kilmacthomas trainer Paul Lenihan in the Handicap chase in which a number of horses fell at the fence in the home stretch. Little K was forced to take evasive action on more than one occasion and although making sound late headway he was forced to give best by five lengths to 3/1 chance Luna Fieur who credited Jockey Paul Carberry and trainer Noel Meade with their second victory of the session.

The Pat Flynn trained and Danny Grant ridden Cincuenta was nibbled at in the market for the One Mile five-furlong handicap but she ran a disappointing race and really never raised a gallop.

The solitary Waterford victory arrived in the final race of the night as the John Roche trained Ballinarrid under the trainers son David drew clear of his field in the bumper to run out a clear cut seven lengths winner over Moll Hackabout.

The winner a 3/1 shot is owned by Willie Power from Dunmore East and is a seven year old son of John French and Chicano.

The next fixture at Wexford is a double header on Friday and Saturday July 14th and 15th.

## A NIGHT TO REMEMBER

Blackwater, County Wexford jockey John Cullen and Tramore based amateur David Roche will not forget last Friday's meeting at Wexford in a hurry. Recently turned professional John Cullen rode his first winner in the paid ranks as he partnered outsider An Seabhac to victory for Enniscorthy trainer Paul Nolan.

Young David Roche looked very stylish on the bumper winner Ballinarrid as he raced to victory in the final race of the night and his services no doubt will be in great demand over the coming summer months.

## A NIGHT TO FORGET

Jockey Kieran Gaule will not hold fond memories of the recent Wexford meeting last week. He looked sure to score on Early Hearing in the maiden hurdle but was run out of it close home by the fast finishing Tworow. On his next ride he had to work overtime aboard Keltch Warrior to fill third spot behind the impressive Fnan but in the handicap Chase he took a crashing fall at the fence in the home stretch from Raise The Gale. Kieran lay in some distress at the landing side of this fence and in the interests of safety the runners were waived around the fence on the final circuit. Kieran is believed to have damaged his collar bone in the fall. He should also look for danger money the next time he is asked to ride this horse as Raise The Gale has now fallen in his last three outings with the unlucky Kier-

an in the saddle.

## PROUD DAD

Tramore based trainer John Roche must be a proud father as four of his family have now ridden winners. Paul and Alan were first to make the grade but have since retired from competitive race riding while more recently daughter Claire and son David are making a name for themselves in the racing world both in Ireland and England.

## IRISH FIXTURES

This weeks Irish fixtures are as follows; Wednesday Clonmel at 5.30. Friday Dundalk at 5.30. Saturday Cork at 2.00. Sunday Gowran Park at 2.30.

## GOWRAN ON SUNDAY

Next Sunday's meeting at Gowran Park is a mixture of flat and jumping races. The feature race of the afternoon is the £9,000 Jack Duggan Handicap Hurdle over two miles.

## NAVAN VICTORY FOR TOM

Cappagh rider Tom Queally rode his first winner since having his claim reduced to seven pounds when guiding the well supported Celtic Minstrel to victory in the Derrinstown Stud apprentice race at Navan last Saturday.

## BRENDAN POWELL RETIRES

39 year old Brendan Powell hung up his boots at Hereford last week. In a career spanning seventeen years which saw him pick up a number of serious injuries Brendan rode a total of 602 winners. He now hopes to turn his hand to training.

## CASTLE MANE DEAD

National Hunt racing was dealt a major blow last week with the death of one of England's top hunter chasers Castle Mane. A recent winner of the Horse and Hound Cup at Stratford, Castle Mane was due to take on the big boys next year in all the top chases but he was found injured in a field last week at the home of trainer Caroline Bailey and was subsequently put down by the Vets. It appears that Castle Mane had broken his neck.

## ROYAL ASCOT WEEK

It's Royal Ascot this week where there is plenty of top class flat action to look forward to. It's a pity that neither Frankie Dettori or Ray Cochrane will be present and the Godolphin outfit have decided to bring over top American riders Jerry Bailey and John Valazquez to ride the vast majority of their runners during the week. There is one exception however as Mick Kinane has been booked for the ride on Kayf Tara in the Gold Cup on Friday. Kinane had some nice rides during the week and he could well bid for the leading rider award at this festival.

## DID YOU KNOW

Did you know that Irish Jockey Mick Kinane has ridden a total of twenty three winners at the Royal Ascot Festival of Racing down through the years.

# DUNGARVAN GOLF CLUB NOTES

## Mary Kyne Captures Lady Captains Prize

The Lady Captains Prize was held in Dungarvan Golf Club on June 17th and 18th. Finola Kelly the Millennium captain had everything organised very efficiently. The prizes were artistically arranged, beautifully complimenting Fionnuala's prize - a much admired gold chain and bracelet. The weather for the weekend was magnificent. We had glorious sunshine on both days. Finola graciously greeted the players as they arrived for the competition and wished everyone well in their endeavours. A total of 100 golfers took part in the various competitions; The Main Prize, Beginners Prize, A Special 18 Hole Prize, Guest Prize.

With the course in excellent condition and the sun at their backs the ladies brought in excellent scores on the first day. The leader in the Clubhouse on Saturday night was Bridget Aherne (24) with a nett 68. She was closely followed by Mary Kyne (15) and Rita McLoughlin (12) both on 70 nett. Also in good positions were Ena Kiely (31), Joan Mansfield (16) and Bernie Twomey (18) with scores of 71 nett.

It was then on to Sunday for the second round and in brilliant conditions Mary Kyne (15) ensured she would be on the winners podium with a 67 nett which was not matched by any of the other contenders. A 70 nett by Maeve O'Riordan (17) secured second prize. Betty O'Brien (8) won the Gross Prize with outstanding rounds of 84 and 77 gross. There was a huge attendance at the presentation of prizes to honour a very hard working and popular Lady Captain.

# Gold Coast Golf Club Notes

## OPEN WEEK

The Open Week in the Gold Coast Golf Club proved once again to be a great success. There was a great variety of competition for everyone which proved to be very popular with the members and the many visitors that played the course over the Open Week. Without very generous sponsors, which the Gold Coast Golf Club had for the Open Week, competitions like we had could not and would not be as successful as they were. The Gold Coast Golf Club would like to sincerely thank the sponsors for their help and commitment over the past week and indeed the past number of years and wish them every success in their business for the future.

## Colligan Rockies & Emmetts Hurling & Football Clubs

### BLACK & AMBER LOTTO

### HURLING LEAGUE DIVISION 111

#### Colligan 3-12 St. Mary's 1-4.

With ten minutes remaining in this game we led by just one point. However, the experience and fitness of some of our players played a key fac-

tor in this hard earned victory. "Man of the Match" was undoubtedly Brian Flynn who gave an outstanding display. Others to play well were goalkeeper Richie Walsh, Roger Casey "Noisy" and Stephen Ryan in defence, John Quinlan at midfield and forwards Ray Kelly, James Dalton and Michael Tobin when switched from defence.

TEAM — Richie Walsh, John Flynn, Stephen Ryan, Brian Flynn, Roger Casey, Michael Dunford, Michael Tobin (1-0), John Quinlan (0-1), Willie Kiely, Jimmy Kirwan, Ray Kelly (0-3), Kevin

Casey (0-6), Jamie Hickey, James Dalton, Benny McGrath (2-3). Sub: Robert Flynn.

### HURLING LEAGUE DIVISION 1

A below par performance saw Abbeyside win on a scoreline of 2-13 to 2-6. Despite being short a few regulars, this was a disappointing result for both players and selectors. However, Stephen Ryan, Richie Kirwan, Alan Walsh in both defence and attack and Roger Casey and Willie Kiely played with pride and confidence.

TEAM — John D. Casey, John Flynn, John Dunford, Stephen Ryan, Roger Casey, Alan Walsh (1-0), Richie Kirwan, Johnny Wall (0-3), Willie Kiely, Kevin Casey (1-1), Ray Kelly, Kenny Walsh, Benny McGrath, Liam O'Reilly, Jimmy Kirwan. Subs: Paudie Flynn, Kevin Hickey, Michael Dunford, James Dalton, Richie Walsh.

### FOOTBALL LEAGUE DIVISION 1

We return to football this weekend with games against Modeligo on Saturday the 24th June and Ballinameela on Tuesday 27th June. Both games are in Colligan commencing at 7.340 p.m. In order to maintain our present league status, a tremendous effort is required from all players.

### DEISE DRAW

Just a reminder - the next draw takes place on Friday 30th June, '00.

# CARLING INTER-FIRMS TOURNAMENT

QUARTER-FINAL STAGE REACHED

## SmithKline Beecham 'A' Easy Winners

**SMITHKLINE 'A' 3 SMITHKLINE 'B' 0**  
SmithKline Beecham 'A' had an easy winner over their 'B' team on Wednesday evening to advance to the quarter-final. Mark Flavin opened the scoring after 20 minutes and five minutes later Shane Coughlan made it 2-0. The third and final goal came on the stroke of full-time when Shane Coughlan scored a fine solo goal.

## Century Homes Win

**CENTURY HOMES 3 BUILDERS 3**  
(CENTURY HOMES WON 5-4 ON PENALTIES)  
Another six goal thriller with Billy Duggan the hero for the Builders with a hat-trick. But "Boots" Jordan, Anthony Morrissey and Stephen Maguire were on target for the "Home of Timber Frame." So the game was decided on penalties with Century Homes coming out on top 5-4.

## Carling Inter Firm Fixtures

**QUARTER-FINALS**  
Wednesday, 21st June

Crystal 'A' v Industrial Park 6.30 p.m.;

Thursday, 22nd June

Stafford Miller 'B' v Century Homes 6.30 p.m.

Calmark v Traders 7.45 p.m.

Friday, 23rd June

SmithKline 'A' v Vee Construction 7.30 p.m.

**SEMI-FINALS**

Wednesday, 28th June at 6.30 and 7.45 p.m.

**FINAL**

Friday, 30th June 7.00 p.m.

## Vee Construction Beat Crystal

**VEE CONSTRUCTION 2 CRYSTAL 'B' 2**  
(VEE WON 4-3 ON PENALTIES)

The second game on Wednesday night last saw newcomers Vee Construction Lismore come out on top on penalties after the game ended two-all. Crystal went in front after a Michael Ferncombe cross was headed home by Chris Gough after 15 minutes. Vee equalised when a quickly taken free-kick by Doc O'Donnell saw Laurence Boland head into his own net. Three minutes from half time we saw the best goal of the tournament so far when Adam Bending set up Paul "Kindey" Sheehan to volley an unstoppable shot to the top corner of the net. Right on the stroke of half time Edward Pollard put Vee back on level terms with a well taken goal following a free-kick. Both sides had chances to win it in the second half but it ended 2-2 and so we had a penalty shoot-out. Vee keeper Mark Landers was the hero as he saved Crystal's last two penalties to give them a 4-3 win. Scorers for Vee were: Stephen Quinn, Gary Keane, Billy Walsh and Michael Keane. Scorers for Crystal were: Mark Reynolds, Willie Coward, and Liam Crotty.

## Crystal Sparkle!

**CRYSTAL 'A' 1**  
**SMITHKLINE BEECHAM 'C' 1**  
(CRYSTAL 'A' WON 8-7 ON PENALTIES)

The smile on Crystal manager, Kieran Fitzgerald's face after the game said it all. We had seen a fascinating contest between two evenly matched teams. SmithKline Beecham 'C' had the better of the first half in which Aaron Moroney scored after 21 minutes and led 1-0 at half time. Crystal put on a lot of pressure on the resumption and substitute Tommy Pratt chipped the keeper with almost the last kick of the game to give Crystal a deserved equaliser.

Crystal came out on top 8-7 in the penalty shoot out. J. P. Donnelly, Tommy Pratt, James Sheehan, Liam O'Brien, Alan Landers, Dermot Henley, Ger Beresford and Pat Walsh scored for Crystal, while Kieran Hallahan, Mark and Jason Hyslop, Tom Flynn, Aaron Moroney, Brendan Landers, Damien Cliffe were spot on for SmithKline.

## HOLDERS Defeated By Traders

**TRADERS (FOLEY MEATS) 4**  
**STAFFORD MILLER 'A' 3**

We were unable to attend this game but I am told it was a cracker. So last year's winners Stafford "A" go out at the first attempt. Will Traders (who are very strong this year) go on to lift the shield?

## Stradbally/Faha Schoolboy Soccer Notes

### 7-A-SIDE LEAGUE

The above tournament for players born after the 1st January 1989 has been in full flow for the past two weeks and will run for the next six weeks. All matches are on Wednesday evenings and thankfully we have been very lucky with the weather so far. We had two teams against Kilmac on the first day and the excitement particularly of the younger team's match was unbelievable with a great tempo throughout the game. In seven a side players are more involved in the game. Players also build up better skill.

Last Wednesday evening we travelled to Ballinroad where we took on the local side in three enjoyable matches. Our players on duty on the day were: Diarmuid Mooney, Pdraig Casey, Luke Casey, Darragh Kelly, David Kett, Adrian Curran, James Coade, Thomas Condon, Shane Aherne, David Kiely, Paul Finn, Damian Kiely, Paddy Kiely, Chrispin Maenpaa, Paul Keating, Christopher Fennell, Stephen Drohan.

### FIXTURES

Wed 21st June Home v. Ballinroad 6.30pm

Wed 28th June Home v. Abbeyside 6.30pm

Wed 5th July Away v. Dungarvan 6.30pm

Training takes place every Saturday morning at 10.30am.

### SNIPPETS

We may be taking part this weekend in the under-10 (dob after 1/1/1990) Ferrybank 7-a-side tournament. Unfortunately birth certs are needed for each player. It may not be possible to get birth certs in that short space of time. Also transport could be a problem. Is any parent free for a half day on Saturday? Players will be let known before the weekend if we are going to take part.

There will be a prize of a two day coaching course in Waterford with the Manchester United roadshow coaching team on the 21st and 22nd of July. You will pick up many skills including bending the ball around a wall etc.

The winner will be from our under-11 seven a side squad. The winner will be picked out in four weeks time. You get more entries in the draw for your attendance at training, at matches and behaviour at both training and matches.

Many thanks to George Crowley and Liam Gough who gave up their time and use of their machinery voluntary last week when they removed the infamous mound of clay and glass and nails which we have been talking about removing for the last three years. Many thanks.

A radio piece two weeks ago interviewed, as they put it, the two Ipswich supporters in Ireland, one being Matt Keane of WLR after their promotion to the Premier League. Well we have another one here in Stradbally who stood by his team through thick and thin while all around him slagged him, when Man Utd beat them 9-1 or when they missed out on promotion so many times. Well eat your words because they are good enough to win promotion again in two years time.

The AGM of our club will take place in the coming month so if you have any ideas or suggestion please let us know now. Exact date will be printed in coming fortnight. It would be nice to see as many players as possible present to give their views. It's only for one hour in the whole year.

If any business out there is interested in sponsoring size three footballs for our under-10's please ring Garvan at 293223 or email at stradballyafc@eircom.net. In return you will have photographs in the local media later in the year.

### PARISH 6-A-SIDE TOURNAMENT

Just a little reminder that the parish tournament for the Raymond O'Reilly Cup will be coming up in the next month. If we get a free weekend we will slot it in at short notice. So get your team ready now. Rules are similar to the previous years but will be tighter this year. Players can not guest for other teams. Teams are based on your townland, village, estate or other common bond. £2 per player to cover trophies and players play at their own risk.

## LEAGUE SEMI v. BALLYGUNNER

We play Ballygunner in the semi-final of the Senior County Hurling League this coming Sunday. The venue is Fraher Field with our match being the first on the programme possibly at 2.00pm. So get in and support the lads. We qualified for the semi-final after finishing first in our league. Ballygunner finished second in their league group.

## SENIOR FOOTBALL LEAGUE

### Nire 1-12 Stradbally 0-5

Already having qualified for the league semi-final this was the final match in the league. Away to the Nire is always a daunting task and once again it proved so. Stephen Cunningham scored three points but we had no answer to the Nire's scoring power who ran out deserving winners.

## UNDER-12 HURLING: LAST GASP VICTORY

### Fourmilewater 3-4 Stradbally 4-2

The Nire valley was our destination last Sunday morning for this clash of the ash against the local team. Conditions were ideal for hurling on the hottest day of the year.

Against the breeze we went into an early lead. Adrian Curran raised a green flag with a fine goal. Christopher Casey, who played a superb game, scored a point but then the home team got their act together and responded with three goals and two points before Bobby Power netted a goal to leave the interval score at a deficit of 2-1 to 3-2.

The Ballymac based side

opened the scoring soon into the second and this was cancelled by a Christopher Lawlor point. With ten minutes remaining Fourmilewater opened a five point lead. We pressed but could not find an opening despite the strong breeze in our favour. Then Christopher Lawlor struck for goal.

Then in the final minute the same player lofted in a high ball which delightfully ended in the goal to give us a one point lead. The final whistle had arrived. We had clawed a victory from the jaws of defeat. Well done to all our boys.

Team: Thomas Condon, Diarmuid Mooney, Luke Casey, Padraig Casey, Nicholas Drohan, Tom Hearne, Andy Doyle, Robert Aherne, Christopher Lawlor, Christopher Casey, Shane Aherne, Adrian Curran, Darragh Kelly, Bobby Power, Johnny Sheehan, Tom O'Reilly, William Whelan, Bobby Clancy, David Kett, Christopher Fennell.

Sun 25th June: Home v. Dungarvan 11.30am

Sat 1st July: Away v. Cappoquin 3.00pm

Sun 16th July: Home v. Lismore 11.30am.

Again there are two groups with semi-finals to be played between the two teams in each group.

## UNDER-14 HURLING

We have qualified for the semi-finals of the County League. We play Clashmore in the semi-final this Friday evening in Fraher Field at 7.00pm. We would greatly appreciate the support of all family and friends for this game.

## DEISE DRAW

# Ballinameela G.A.A. Club Notes

As the championship draws nearer, a derby match against our neighbours seemed to be the perfect way to prepare, in our last hurling match of the year.

Unfortunately, this was not to be as we were outclassed completely in the second half. The signs were on as Pat Donovan goaled after just three minutes. We were 1-1 to no score down before Aidan got us on our way with a free. Ger Donovan put us 1-2 to 0-1 down before Deckie got his first score of the day. Ghandi put us right back in there with a goal which Alan Ronayne won't be too happy about. Mick Murray went straight up the field and scored a fabulous point. In the twenty-first minute Darren Mulcahy was hauled down in the box. Mat Fogarty stepped up and drilled it just over the bar. The Geraldines went on to score a further 1-2 before the break, leaving the half-time score at a respectable 1-3 to 2-6.

The second half however, proved a different story with the Geraldines taking complete control. Deckie got the first point of the half in the first minute.

We didn't score again until the 45th minute of the match. In between those points Caimin Radley added a goal for them, along with three points from Pat Donovan and Mike Murray. After Aidan's pointed free, the Geraldines got 5 points on the trot and we were completely beaten by now. Deckie got one last point to leave the final score at 3-14 to 1-6. It wasn't a great result but it was an expected one

## APOLOGY

My most humble apologies to Aidan Ahearne who got one measly point against Modeligo last week which I didn't include in the notes. It's o.k. now Aidan, all has been resolved and you can move on from this shock ex-

clusion and try to rebuild your life!

## SINCERE SYMPATHY

The club offers it's sympathy to the Walsh family on the death of their mother Alice last week. May she rest in peace.

# Cunnigar Pitch & Putt Club Notes

## GREAT FINISH TO HERLIHY'S SUPER VALU TOURNAMENT

Last Wednesday the Herlihy's Super Valu Tournament got underway in ideal conditions for Pitch and Putt with a large number of players taking part. High scores were the order of the day. In the end, the result was in doubt right down to the very last pairing out on the course. On behalf of the Cunnigar Club, we would like to thank most sincerely Herlihy's Super Valu for their most generous sponsorship of this tournament.

### RESULT AND SCORES

In the nett, the partnership of Patsy Hackett and Paul Roridan won this with a wonderful score of 75 nett. This was a great performance by Patsy and Paul who played great stuff over the 36 holes to win the nett in great style. Well done. In the gross, the partnership of Philip Duggan and Paddy Street won this with a score of 17 gross. This was a wonderful display of Pitch and Putt by both Philip and Paddy to record the best score of the day. Congratulations Philip and Paddy on a fine win.

## CUNNIGAR WINS SUMMER COUNTY LEAGUE

Yes, for the last number of weeks, two teams went to Waterford to take part in the county summer league. A total of 14 teams took part overall. Three players - Charlie Brown, Alfie Ebanks and Philip Duggan played really well to win the county league in great style. This is a great achievement, not just for the three players but also for the Cunnigar Club. This is the second time in the last 3 years we walked away with first prize. Again, well done lads and congratulations from all your friends in the Club.

## SENIOR HURLING SARGENT CUP Mount Sion 4-16 Shamrock's 2-14

Played at Dungarvan's Fraher Field on Wednesday evening of last week and although beaten by 8 points the display given by our players was excellent, and but for 2 soft goals by Mount Sion the result would be much closer at the end. We had to play minus 3 of our leading players, John O'Donovan, John Baldwin, James Baldwin and full credit to the subs who replaced them for gutsy displays. Our next senior game will be in the championship against Roanmore which will take place at Fraher Field on Saturday evening July 1st and then we will meet neighbours Tallow on Sunday July 9th, probably at Cappoquin or Lismore.

We were to have played Colligan on Sunday morning but the game was postponed to a later date. Our next game will be away to Clashmore on this weekend.

# Greyhound News

BY MARK PHILLIPS

WATERFORD SATURDAY JUNE 17TH 2000

## Excellent Fare At Waterford

There was little to complain about the fare on offer at Waterford Greyhound Track last Saturday night where a benefit night in aid of Waterford Coursing Club contained four top class finals.

While she didn't actually compete in any of the finals the James Phelan owned Jays Lassa (Lassa Java - Knockmoylan Rose) 3/1 set a very high standard in the opening event clocking an excellent 29.29 the fastest return of the session over the standard trip. Gliding into an early lead "Jays" had her rivals on the stretch from an early stage as she cruised to a five lengths victory over Scallywag Spot.

After a couple of near misses 3/1 shot Rusty Gorge (Minnie Gorge - Rusty Flash) shed her maiden tag for County Wexford owner Maura Mahon leading all the way from trap four to record a two and a half lengths win in the second race over a fast finishing Valais Girl in 29.55.

Well known marathon performer Front Page News was a warm order at 1/3 to lift the first semi final of the Riverside T.V. stake but after leading early on he took his eye off the ball as he allowed 10/1 outsider Fly By Night (Super Hoffman - Fly Venue) the opportunity to come through on the rails at the third bend. Once in front the Denny Ryan owned Fly By Night was not going to be denied as he saw the trip out well to triumph by four and a quarter lengths over the jolly in 41.29. The winner is trained in Kilmacthomas by Killian Power.

Nick's Doll picked up a nasty injury early on in the second semi final as Peter Spice bounded into an early lead over the chasing pack. Ned Power's recent Barry's Tea winner at Cork, Odell Duke (Cry Dalcash - Odell Bess) was the 4/7 favourite here and picking off his opponents one by one he came through smoothly in the latter stages to post a six and a quarter lengths win over Peter Spice in 41.40.

The layers bet 3/1 and better the field in the final of the Daring Kennels stake (Sponsor Jimmy Maguire) and after an eventful race which saw Shandon Fever, Beneam Two all have a stint in the lead, Dave Maltby Baker's Savana Satellite (Spiral Nikita - Soran Rose) stayed on best to beat Adas Delight by a length in 29.83.

The final of the Frank Gillane Memorial Stake was a close run affair which went to the James O'Rourke owned Clashduff Gold (Do You Getit - Cuffers) this 6/4 chance producing a nice turn of foot in the closing stages to short head Light the Rocket with the back stretch leader Tramore Lad just behind in third. Time 29.38.

Attykit Hero (Ready About Nga - Hazy Shannon) was installed the 6/4 favourite to land the local qualifier of the Paddy Power.Com Derby Trial stake but it was only close home in this 550 yard event that the James Gould and Bernard Gould owned finalist reeled in the long time leader Airmount Prince before winning out by a length in 30.50.

Quarrymount Rory made a brave bid to make every post a winning one in the final of the Smurfit Golden Jacket stake but with the winning post in sight he was run out of it close home by the Sean Bourke and Pat Ryan owned Mustang Miller (Smooth Rumble - Mustang Annie) 1/1 who flew home on the wide outside to land the £800 first prize by half a length in 29.48. The winner ran unbeaten throughout this event for County Tipperary trainer Dermot Ferncombe.

Chance Wally led to the second bend in the ninth where Mo Madra swept into the lead. Mo Madra appeared well on his way to winning yet another race but Paula Hoban's Stage Sammy (Upper Spark - On Stage Julie) 4/1 made rapid late headway to triumph by half a length in 29.63.

Racing concluded with a 550 yard contest in which the Ian and Nick Seymour owned Joanne's Joy (Airmount Grand - Shebas Lass UK) 7/4 came with a well timed run to outstay a front running Cardinal Hill by a length in 30.83.

## RIVERSIDE T.V. FORM LINES

The trap draw for the £1,500 to the winner Riverside T.V. Marathon final at Waterford on next Saturday night is as follows; 1 Odell Duke - Not the best of starters, usually comes with a flying late run. 2 Front Page News - Plenty of ability, lost concentration in semi final, capable of much better. 3 Peter Spice - Nice early pace, could well make the early running. 4 Savana Champ - Normally a fast starter, would prefer a draw closer to the rails. 5 Fly By Night - Improved performer, caught Front Page News on the hop in semi final, should run another big race. 6 Durrow Prince - Held every chance of victory in semi final, boasts each way claims at best.

In what promises to be a cracking good final my vote is awarded to Odell Duke to shade a narrow victory over Fly By Night and Front Page News.

## WATERFORD TUESDAY JUNE 13TH

Compared to some previous midweek cards the quality of fare on offer was much better on this occasion.

Racing got underway with a victory for the Lorraine Troy owned Polly's Picture (Some Picture - Polly's Image). This 5/4 chance taking over in the lead at the third bend from the coursing bred Tenth Duke winning out by five and a half lengths in 29.69.

The following two races were semi finals of the Mooncoin unraced stake. Coolmohan Glory was installed the 1/1 favourite to capture the first semi final but holding every chance of victory to the halfway point he dropped out of contention as Mary Hearne's Seafield McCoy (Arrigle Buddy - Seafield Lemon) 3/1 strode on for a length and three quarters win over Oylefield in 30.70.

They went a lot quicker in the second qualifier with the Lester Power owned Market Eclipse (Droopy's Fintan - Market Flame) 2/1 destroying his field for early pace winning at his leisure in 29.68. "Market" built up a seven lengths lead over his rivals on the back and although Night Ruby made sound late headway "Market" went on to triumph by three lengths.

First timer Elton Flash (Vintage Prince - Cool Silver) owned by Patrick Sheehy and trained by Peter Brady was the best backed runner 1/1 to 4/5 in a graded sprint and after a good start The Jolly was soon in command powering his way to a length and three quarters victory over Bain Ivy in 17.05.

Favourite backers were out of luck in the semi finals of the Jimmy Maguire sponsored Daring Kennels stake. Patrick McCarthy's Collmahan Chorus (Team Chorus - Craven Hill) 5/2 secured a dream run up the rails to race into a handy lead in the first semi final and the West Waterford dog never appeared likely to lose out leaving back stretch trouble in her wake beating Adas Delight by five and a half lengths in 29.96.

After an unprofitable two outings at Kilkenny Dave Maltby Baker's Savana Satellite (Spiral Nikita - Soran Rose) 5/2 returned to more familiar surroundings in the second semi final making the early running from Shandon Hero eventually proving three and a half lengths too good for a fast finishing Music Fever in 29.64.

Despite giving best to a challenging Tramore Lad on the back stretch in the first semi final of the Frank Gillane Memorial Stake the Sink The Black syndicate owned Light the Rocket (Top Honcho - Crossleigh Gabby) 5/2 fought back bravely to register a half a length win over a flying Hunts Tracie in 29.69.

The second semi final produced a shock 6/1 winner with James O'Rourke's Clashduff Gold (Did You Getit - Cuffers) making all of the running to oblige in an excellent 29.30. "Clashduff" had his rivals on the stretch after a flying exit from trap three motoring clear for an easy four and a half lengths victory over 6/4 shot Ciara's Rocket.

Premiere Chip and Coolclough Champ did each other no favours on the run to the first bend in a graded sprint as the Betty Loftus owned Vigilant Suella (Droopy's Fintan - Vigilant Katie) 3/1 slipped by on the fence for an opportunist 17.15 victory.

Fast Ceili and Spa Bridge were involved in a good buckle throughout the tenth event with Tom Kinsella's Spa Bridge (Sean's Intuition - Fairbrook Eli) 5/2 stayed on best to triumph by the minimum distance in 30.26.

In the final race of the night Anne Nugent Shandon Goldmine (Tobin's Gold - Ballinamona Baby) 3/1 always had the call over his rivals and despite a good effort by Wagga Roseleen "Shandon" posted a deserved 29.85 win.

## West Waterford Autograss

WEATHER COMES GOOD

On Sunday, June 11th West Waterford held the third round of the driver of the year championship in Ballysaggart, Lismore. Unlike the previous 2 rounds, the weather held good and produced some fabulous and exciting racing. This round was kindly sponsored by Lizzy Langtons Bar, Tallow; their support throughout the years is greatly appreciated.

With a points system introduced this year to determine the class positions and drivers now realising that a good finishing position in the heat is as important as the final or handicapped race, every race is being driven with the same vigour and determination only previously seen in finals. With a maximum of 25 points available to a driver things were to prove very exciting.

In Class 1 we saw Willie Houlihan become the early leader after two fine races, only to lose out in the end to Mike Carey by 2 points. Willie was joined in second place by Paul O'Donnell, both on 20 points, followed by Jason Cunningham 3rd. Class 2 saw Cork's Stephen O'Donovan take a commanding lead into the last race but was lucky to come away with the win. Dermot Nugent closed to within one point of Stephen and Martin Fitzgerald finished a close second on 18 points.

Class 3 also had a full grid and again a Cork driver to the fore. Paul Cusack's two wins and another good finish in the last race was enough to see him take victory following the demise of his earlier challengers.

Paddy Houlihan and Mike Whelan upheld the Waterford challenge taking 2nd and 3rd respectively. John Shanahan's move to Class 5 was to prove a successful venture where he took the win from Paddy Nugent with Mark Collins unable to mount a serious challenge in 3rd due to mechanical troubles. Jerry O'Sullivan was the first driver to take maximum points on his way to victory in Class 6 but did not have it all his own way due to the close attentions of Mark Cusack.

Class 7 saw Terry O'Donoghue take the win on his first time out this year from early leader Eamonn Sheehy with Dermot Kelly in 3rd. Class 8 was to turn out to be an all Cork affair with Richard Davis taking a 1 point win from Colin Byrne, with Dave Penfield in 3rd. Liam Prendergast took the Class 9 win from Martin Feeney, and Danny Nugent, who were joint second followed by the unfortunate Pat O'Driscoll. Jimmy Fuller was the only other driver to take maximum points on his way to the Class 10 win.

The Ladies again provided us with some very exciting racing with only 3 points separating the top 4 drivers. Noelle Feeney and Bridget Fuller taking the Houlihan cars to joint 1st position. Lorraine Lawless held off the strong challenge of English visitor Laura Adams to take 2nd.

The Juniors heats had to be split into two due to the large entry. Alan Houlihan took the win in the final from Kenneth Cashel and Sean O'Sullivan. In the Handicap race Sharon Lawless led all the way to take the win from Alan and Shane Houlihan, 2nd and 3rd respectively. In the helpers race, J. P. Houlihan took control of the WW10 special and showed how it should be driven to take a fine win. He was followed by Ronan O'Donnell WW23 and Pat Casey WW94. The Consolation Race saw Patrick Sheehy take the win from the Class 2 cars of Miko Kelly and John Cashel.

The Winners Race always is a race to look forward to and after a restart it was obvious that the Handicappers had done an excellent job in positioning the cars starting grid. In a most frantic dash off the last corner — the final corner in which 6 or 7 cars crossed the line with next or near nothing between them, Mike Carey, WWS2 held on in his Class 1 car to take the win from Trevor Cusack CK 125 Class 3 and Richard Davis CK69 Class 8.

### NEXT RACE DATE

West Waterford will be racing in Ballysaggart, Lismore on Sunday July 2nd, by which the drivers will have travelled to Cork and Carlow. So best of luck to all those travelling.

### SPEEDY RECOVERY

The Club would like to wish Mark Nugent a speedy recovery following his recent illness. We hope to see Mark back racing soon following his unforeseen late start to the season and apologise for the delayed completion of the runway.

# 100 Finishers In Ras na Rinne

This year's Ras na Rinne held last Friday week was an outstanding success with 100 finishers making the arduous trip from Coláiste na Rinne out to the end of the Cunnigar and back. The race was won again this year by William Harty of K.C.K. and young William's time this year was a blistering 29.14 which is a new course record beating the 30.07 standard held by James Sullivan. William is in cracking form at the moment and this is his fourth win in a row in this year's Ger Wyley / FILA summer series. In second place was Peter Duggan of St. Joseph's in a time of 30.33 and in third place Mark Jackman of West Waterford Athletic Club in a time of 31.17. West Waterford had the winner in the Over 40 category also with local man and race coordinator Gerry Cantwell winning in a time of 33.33. First in the Over 45 category was Leslie Smyth of Coolquill (33.50) with the Over 50 title going to Frank Cashman of East Cork (33.22). Fred Walsh of Youghal won the Over 55 category in a time of 36.06 and the first Junior was Robert Wade of Waterford AC.

**LADIES RACE**  
The ladies race was again dominated by Catherine Hennessey of New Ross who was first home in a time of 37.50. In second place was Mags Kirwan of Kill in a time of 38.46 and in third place was Joanne Jackman of West Waterford Athletic Club who's time was 42.09. Other prizewinners in the Ladies race were Kathleen O'Brien

of Ballynoe, Hilary Collins of Mullinahone and Aine Kavanagh of West Waterford.

**JUVENILE RACE**  
In the juvenile section the three prizewinners were all from local club Ring Old Parish AC and they were in first place Shane Kelly, in second place Pádraig Healy and in third place Michael O'Haodha. Well done to the three boys who made light of what is a very tough course.

**LOCAL PRIZEWINNERS**  
There were a couple of very popular local prizewinners outside of the main prizes - first local Junior was Patrick Mahon and first local senior now a regular at West Waterford races was Seamus de Faioite.

**BACK THE FIELD**  
A fascinating feature of this race is the variety of courses chosen by runners on the way out to the end of the Cunnigar. The majority usually go for the safe option and follow the line of sand dunes but there is

Mags Kirwan who finished second

Mark Jackman who finished third and Robert Wade

always a breakaway group which heads out to sea for a while before eventually returning. Foremost amongst this group was Tony Shalloe who seemed to be using the lighthouse in Ballinacourty as a bearing - he had done his homework however and tacked left just before the oyster beds in time to rejoin the bunch before the turnaround.

Dungarvan Boxing Club had a number of entrants in this year's race and all did extremely well. The club's interest in our race is very welcome and we look forward to meeting them again.

**MOONEY'S PUB**  
The race this year was sponsored by Mooney's Pub in An Rinn and Anne and Tom Gough were our host for the presentation of prizes after the race. An enjoyable time was had by all and the Club is very grateful to them for their support. Full marks also to Gerry Cantwell and Seamus and Mary Rose O'Droma for their work in coordinating this event which as we said at the top was an outstanding success.

## PMPA LEAGUE RACES

Round 6 of these league races took place on Tuesday June 13th in Waterford. Joe Kelly and Pat Kenneally both took part on the night. On the hill in Portlaw a group of 3 riders went clear. Brian Kenneally, Ray Clarke and Pat Kenneally worked well together to open a lead of nearly 4 minutes at the finish where Pat Kenneally took the honours from Ray Clarke and Brian Kenneally. Joe Kelly finished in the chasing group in 6th place.

## O'MAHONEY SUMMER LEAGUES

The Cappoquin to Dungarvan time trial was very well supported again and looks like staying on the Calendar for next years league.

Held on a summery night with a much lighter "tail wind" than the previous time trial a few weeks ago.

13 riders bettered their times namely Pat Kenneally, Joe Fitzgerald, Tony Murray, Liam Lynch, Anthony Dwyer, Francis Barry, Shane Power, Jim Meehan, Conor Fitzgerald, Willie O'Driscoll, Terry Keohane, Brian Guiry and Carol Guiry.

A few riders were very unlucky to narrowly miss the bonus points especially Pádraig de Burca who was 1 second slower than his previous best, obviously Marion forgot the Weetabix on last week's shopping list.

The point table is really hotting up and snakes and ladders it certainly was this week, most noticeable climbers up the ladder are Pat Kenneally up 10 places to 10th, Tony Murray up 5 places to 5th, Joe Fitzgerald up 6 places to 8th and Liam Lynch up 5 places to 13th.

Slipping down the snake this week saw Joe Kelly from 5th to 16th also Eddie Moore and Willie Driscoll down 7 and 6 places. The 10 points bonus obviously makes a difference as does missing a night. Tony O'Mahoney still holds the lead from Pádraig Cullen with Ger Wyley changing position with Ray Dwyer to take 3rd place.

Next week's circuit comes back yet again to the "Millstreet" circuit. With the table so close please remember competitors that on this circuit your finishing place on the night is added to your points ie 1st - 1 point. 5th - 5 points etc.

Congratulations to Jamie Costin from Ring who has qualified for the Sydney Olympics in the 50 km walk by knocking a massive 7 minutes off the National record. Very well done Jamie and best of luck down under.

### KILOTTARAN GYMKHANA

A contingent from the club travelled to Kilotteran recently for the annual show, part of the Summer Series. Our first competitors of the day were Des O'Brien, and "Toby Lord Byron", trying their hand, or rather their hoof, at dressage for the first time. Just before Des was due to compete we were all horrified to discover that our entire squad had learned and perfected the wrong dressage test. The officials of Kilotteran club came up trumps, however, and rescheduled all our riders to the end of the competition to allow some valuable time to study the correct test. Despite initial misgivings, all four

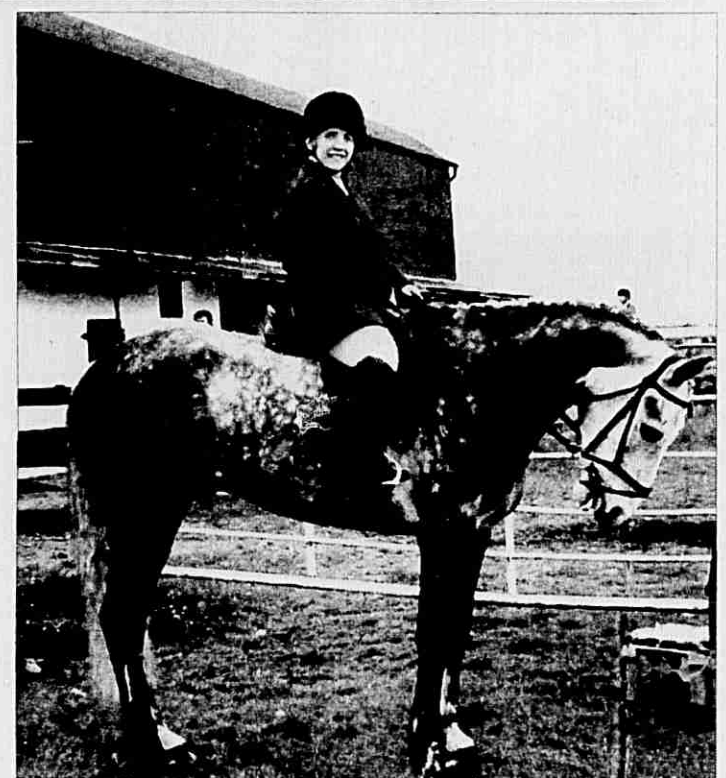

Dressage competitors set to and the indoor arena was humming to a chant of five-meter loops and half circles as they endeavoured to memorise a very complex test, in double quick time. Approximately one hour later than scheduled, Des and "Toby" took to the arena and managed to complete the test, with gentle encouragement from Karen, on the sideline. Des' driving skills did him credit on the day. A hand brake turn, on horseback, must be a first in Dressage. The highlight of the test was, however, "Toby's" decision that not only the rider should salute the judges. Unfortunately, the judges did not appreciate his endearing habit of sticking out his tongue. Despite everything, the pairing took overall fifth position in the Primary competition, a result which delighted both. Our other three competitors took part in the Advanced Primary competition. First out was Donna Cody, on "Biscuit" a new young horse in her first competition. Donna had suffered a mishap earlier in the morn-

ing, coming off and twisting her knee badly. Despite this injury Donna elected to compete and was delighted to take 7th place. Trish Walsh, on "Lisfennel Lady" also completed a very competent test. This was also Trish's first ever attempt at Dressage and she ended up in a very encouraging sixth position. Leigh has, however, committed to buying her a compass so she can perfect her "odd shaped circles". Our last competitors of the day were Karen Flynn, on "Murphy's Law". Karen and Murphy have not competed for two seasons and Karen was obviously apprehensive, having had so little time to learn the test, "Murphy", however, strutted his stuff in faultless style and the harmony between horse and rider was breathtaking. There was jubilation in the Colligan Woods camp, when Karen was declared Joint first.

Des and "Toby Lord Byron" were our first competitors in the Advanced Primary show jumping. "Toby", in fine form after his recent holiday, completed a very laid back double

clear and went on to win. Donna and "Biscuit" also competed in the Advanced Primary, again, this was "Biscuit's" first taste of outdoor competitive jumping and she accredited herself with a double clear. This was a very brave effort on Donna's part as, by this time, she was in considerable pain from her earlier injury. Frances Condon, on "Pepsi" had an unlucky four faults which put her out of the running, however, she and "Pepsi" competed later in the day, in the Working Hunter competition and took sixth place.

Our final competitors were Trish Walsh and "Lisfennel Lady", in the Intermediate competition. Having completed two lovely clear rounds, Trish was one of only two competitors to reach the jump off, and was drawn first to jump. With the speed and style, to which we're now becoming accustomed, "Lisfennel Lady" took no prisoners, and to gasps from an appreciative audience, went clear once again, in a fabulous time. Despite his best effort,

Pictured above is Karen Flynn on "Murphy's Law"

Trish's rival couldn't touch either her jumping ability or speed and Trish took a well deserved first place. Our thanks to Kilotteran club for a great day out and for their co-

operation and consideration for our Dressage competitors. **Snippets:** Congratulations to Louise and John on their new arrival, a brother for Peter and Aimee.

## SERIES NEWS

The next race up for decision in the summer series is the Ballysaggart 10k on June 30th which is always a hugely popular event. Race co-ordinator Sean Bennett has been hard at work behind the scenes so hopefully we will have a good crowd on the night to contest the 'undulating' course. We will have a full preview of the race next week.

# Jamie Costin To Become West Waterford Athletic Club's First Olympian

Last Sunday was a huge day in our club's history as Jamie Costin achieved the A qualifying standard for the Sydney Olympics in the gruelling 50k walk event. Jamie was competing in the European Cup of Race Walking in Eisenheettenstaat in Germany along with all the top walkers in Europe where he finished 17th in a race won by Garcia of Spain. His time of 3.59.01 is 59 seconds inside the A qualifying time and in addition is a new Irish record beating the old record of 4.06.03 held by Geoff Cassin of Finn Valley. Geoff was also in yesterday's race unfortunately failed to qualify for Sydney. There was more good news for Ireland however in the 20k race however where Rob Heffernan of Togher qualified in a time of 82.43.

Everyone at West Waterford Athletic Club extends their congratulations to Jamie who thoroughly deserves this most recent success. This is a well deserved reward for a very dedicated athlete - well done.

# West Waterford Finish Second In Mazda League

We had a great turnout for the first round of the Mazda League held in Tullamore on Sunday when ten athletes from the club competed. There were 21 events on the program and it is to the team's credit that we were represented in every one.

The scoring system is such that even a last place secures points and participation is vital for a good final score. We had six first places on the day with Michael Murray continuing his recent dominance in the jumps winning both the long jump and the triple jump. Ronan Curran back within 10cm of his pb was unlucky to finish second in the pole vault but won the 110 hurdles and was third in the 400m hurdles. Frank O'Brien won the discus and was third in the shot putt. Mark Jackman won the 5000m which because of the heat was probably the most gruelling event of the day. Damian Wall had a great win in the Javelin where injury meant he could not take all his throws - we had to wait anxiously while the Crusaders athlete took two failed attempts to peg back his early lead. In the sprints Leo Clancy

another man back from a long lay-off had two third places in the 100 and 200m. James Leddingham finished third in the steeplechase and the 400m and fellow St. Augustine's student Thomas Cashin finished third in the 3000m walk. Timmy Foley finished third in the 800m and the 1500m. Donie Rockett had another good day finishing second in the hammer throw and second in the high jump. Finally team manager John McGrath collected valuable points in the 56lb throw where he finished third. We were represented in both the relays with Michael Murray, Damien Wall, Donie Rockett and Leo Clancy finishing third in the 4 x 100m and James Leddingham, Mark Jackman, Michael Murray and Thomas Cashin finishing third in the 4 x 400m.

The final scores for the day were Crusaders 163 points, West Waterford 145 points, Donore Harriers 122 points, and DMP 45 points. All in all it was a good day for the club and with a similar effort for the second round in July we look set for a place in the final in August. Well done to everyone concerned.

## FINTAN'S FILES

Junior Cummins from O'Connell St., Dungarvan won three Irish Senior Track titles in the late 1960's. He won the N.A.C.A. 800 metres and 1500 metres titles and the B.L.E. 800 metres title. In 1968 he missed out on qualification for the Mexico Olympics by an agonising .1 of a second when he clocked 1 min 48.1 seconds for the 800 metres.

## SYMPATHY

Sincere sympathy is extended to Gerry Walsh and family, Modeligo on the death of his mother Alice which occurred recently.

# BRONZE FOR TREVOR O'DONNELL

The Munster Championships for 8 to 13 year olds was held at Castleisland, Co. Kerry on Saturday and Sunday, 17th and 18th June. Running for Dungarvan was Trevor O'Donnell in his first Munster championships at U-11. In the 80 m Sprint Trevor won his heat and was second in the semi final. Trevor was very unlucky in the final where he finished a very close fourth and just missed out on the medals. Trevor went one better in the long jump where he won the bronze medal and was only beaten by 3 cm for the gold. This qualifies Trevor for the National Finals at the end of July.

COUNTY FINAL - FRANK  
MURPHY SHIELD

## BALLYDUFF SURPRISE BALLYGUNNER

Ballyduff Upper N.S. 4-10  
Ballygunner N.S. 2-10.

The opening exchanges were keenly contested here as both teams used the open spaces in Walsh Park, Waterford. Patrick Kearney made a dashing run along the left and passed to Shane Kearney who rattled the back of the net. Adrian Power made a great save for Ballyduff but he could do nothing about the goal when the Ballygunner forward whipped the sliotar off the sod. Ballygunner struck again minutes later when a ball struck from 60 metres dipped under the crossbar. A Patrick Kearney point steadied Ballyduff. A great duel developed in the centre of the field between Patrick Kearney and Shane Walsh. Shane Hannon for Ballyduff and Kevin Phelan for Ballygunner also caught the eye. Magnificent points from Patrick Kearney and Shane Hannon and Ballyduff drew level. Shane Murphy hurled well in defence for Ballygunner and a fine catch by Vincent Molloy also kept Ballyduff at bay. Ballyduff pressed forward and a goal on the stroke of half time gave Ballyduff the lead.

### THE SECOND HALF

An early attack by Ballygunner ended up wide. They continued to press forward and were denied a goal when Adrian Power saved brilliantly. A goal by Patrick Kearney

gave Ballyduff the confidence they needed and the scores flowed thereafter, a point from a long range free by goalie Adrian Power, two points by Shane Kearney, another by Patrick Kearney. Ballyduff continued to press forward and following a double save by Fergus Ahearne in the Ballygunner goal, the sliotar was forced across the goal line. A strong run by Rory Fleming and some excellent play by David Kirby could not turn the tide for Ballygunner. Shane Kearney pointed. Ballyduff introduced sub - William Drislane. Ballygunner exerted pressure but could not get past Kevin Moroney who was outstanding in the Ballyduff defence. Shane Hannon completed the scoring with two more points.

Ballyduff Upper N.S: Adrian Power, Seamus Kenneally, Tomas Byrne, Kevin Moroney, Aidan Casey, Seamus R. Hannon, Patrick Kearney, Michael Walsh, Shane Kearney, Bernard Flynn, Maurice McNamara, Colm Horan, William Drislane, Stephen Kearney and Seamus D. Hannon.

Ballygunner N.S: Fergus Ahearne, Mark Hayden, Shane Murphy, Vincent Molloy, Shane Walsh, Peter Slattery, David Kirby, Ciaran Delaney, Rory Fleming, Liam Mortell, Kevin Phelan, Eoin Rafferty.

### ROINN A - CAMOGIE COUNTY FINAL

### MERCY CONVENT WATERFORD OUTSCORE LISMORE

The city team had played the Eastern Final on the day before. They drew their players from all the camogie clubs in the city. Two early goals by

the Mercy girls meant Lismore faced an uphill struggle from the word go. Kate Heneghan made some excellent saves in the Lismore goal. Deirdre Walsh from Ballysaggart did trojan work for the Lismore girls. Two further points by the Mercy Convent forwards left the score at half-time as follows: Mercy Convent Waterford 2--2, Lismore 0-0.

Lismore fought hard in the second half and there were some good passages of play on both sides. Tanya was outstanding for Lismore and Aine Lynn was 'player of the match' for the city team. Mercy Convent added one more point to their total in the second period while Lismore scored two points.

### ROINN A - HURLING COUNTY FINAL - SHERIDAN'S TROPHIES AND SIGNS SHIELD

### ST. PAUL'S LIFT THE SHIELD

St. Paul's, Waterford City 4-5, Bunscoil Bhothar na Naomh Lismore 1-3.

St. Paul's had a lightning start and Derek Murphy pointed. When the goalie saved a high ball Dean Rochford from St. Paul's collected and shook the net. A point by Derek Murphy and another goal by St. Paul's meant Lismore were in trouble. Michael Coleman steadied things for Lismore when he pointed a '65 and followed this with a point from a long range free. Back came St. Paul's and Alan Power pointed. Michael Coleman worked hard to prompt a Lismore revival but their forwards could not get past the excellent Colm Burke at full-back for St. Paul's. It was St. Paul's who completed the scoring in

the first half with a point.

### THE SECOND HALF

St. Paul's restarted in whirlwind fashion and Derek Murphy pointed a free. When Leonard Oakham made a spectacular save in the Lismore goal, the St. Paul's forwards were on hand and forced the sliotar to the back of the net. Lismore replied with a point from play. Pádraig Fitzgerald played well in defence for Lismore. Lismore had to go for goals at this stage even from long range frees by Michael Coleman. Eventually Lismore were successful when the sliotar shook the back of the net. Leonard Oakham made another good save in the Lismore goal. Dean Noblett had the final say however, when he smashed home a peach of a goal for St. Paul's. Derek Murphy of St. Paul's was 'man of the match.'

Bunscoil Bothar na Naomh, Lismore: Leonard Oakham, Daniel O'Brien, S. O'Keeffe, Pádraig Fitzgerald, Kieran Fennessy, Michael Coleman, Maurice Shanahan, Daniel Devine, Terence Walsh, John Nugent, Philip O'Keeffe, Philip Bennett, Chris O'Gorman, Brian Buckley, Leonard Nugent, Sean Leahy, Ricky Houlihan, Lar Byrne.

St. Paul's N.S: Sean Murphy, Anthony O'Regan, Colm Burke, David Barrett, Gary Dunphy, Jamie Ryan, Derek Murphy, Jason Phelan, Dean Twomey, Dean Rochford, Dean Noblett, Graham Murphy, Jason Rowe, Alan Power, Brian Quinn and Pat Buckley.

Note: It was most disappointing for all involved that the grass in Walsh Park was not cut for the occasion as it practically ruled out any ground hurling.

# Dungarvan G.A.A. Club Notes

## SENIOR FOOTBALL LEAGUE

Last Tuesday night in Clogherane we played Ring in our last game in the Garvey's Senior Football League. Having already qualified for the final of the league the outcome of this was immaterial. However we were keen to maintain our unbeaten record.

Dominating the game from the start we played some good passages of football and registered some delightful scores. A goal from Eoin Cunningham set us on the road to victory and in the end we ran out convincing winners. This completes our senior league campaign with the final against Kilmacthomas due to be played shortly.

## INTERMEDIATE HURLING LEAGUE

On Friday night last we travelled to Lismore for our 6th match in the Intermediate Hurling League. We started brightly and within 8 minutes we led by 3 points before Lismore responded with 1-1 which saw them take an undeserving lead. Luckily we clawed our way back into the game again and registered another three points. Unfortunately Lismore were to respond with a rather soft goal and a further 2 points which once again saw them regain the lead. However a Chris Gough goal saw us equalise right on half time. Lismore were to regain the lead early in the second half but then we hit our purple patch with goals from Billy Conway and Mickey Power which saw us back in control of the match. 3 more points before the final whistle saw us run out winners 3-8 to 2-5. With three games outstanding we could still be involved in the final stages of the league.

## JUNIOR HURLING LEAGUE

Our junior hurlers were also in action last weekend. Their opponents were Melleray in the 6th round of the Junior Hurling League. They maintained their unbeaten record going into their final game against Old Parish which will take place in Old Parish on the 30th June at 7.30 pm.

Fixture; We play the Nire in Ballymacabry in our last game of the Junior Football League, this Saturday the 24th June at 7.30 pm.

## U-12 HURLING

Our U-12 hurling game against Lismore was postponed last weekend so we are now due to commence our campaign against Stradbally on Sunday next at 11.30 in Stradbally.

## U-10 HURLING

Our U-10 hurlers travelled to Mount Sion last Saturday morning to commence their campaign in the City Leagues but unfortunately were to be defeated by De La Salle and Ballygunner. This Saturday morning we travel again to the Mount Sion grounds where this week our opponents will be Tramore at 11.00 am and Piltown at 11.40 am.

## LEAGUE FINALS

# Ardmore G.A.A. Notes

## WATERFORD UNDER 21 HURLERS

Good look to the boys on their big day in Thurles, this Wednesday evening. In recent decades this has been our most successful age-group, and hopefully, today will see the commencement of another good run. I expect that there will again be a big Ardmore following, to cheer on goal-keeper, James O'Donnell and centre-forward, Seamus Prendergast and the rest of the Waterford team.

## UNDER 12

Our championship got under way on Sunday last, when we visited sun-drenched Leamybrien, where we found that Kilrossanty had a bit more done than we had and we were defeated 3-6 to 2-1. In the first half we had a ding dong struggle until our opponents got two quick goals and our heads dropped a bit. It wasn't until late in the game that we recovered and it was during this period that all our scores came. James Flavin (C) had a good game in goal and he a good full-back pair in Criostoir Humphreys and Alan O'Brien. The half line of Neville Quinn, James Flavin (K) and Conor Walsh, was probably our best line and James long clearances and forays up-field were a feature of the game. Edward Fitzgerald and Chris Flanagan were pitted against a brilliant opposing pair and both benefited from second half switches. Edward went to full forward and Chris to centre-back. In the half forward line Darragh Harty started brilliantly but faded in the second half, David Hennessy at centre forward and later at centre-field, vied for man of the match with James, and David O'Brien tried all the way, on the other wing. The full forwards, Tomas Galvin and Cormac Nugent, really terrified their opponents early on and were unlucky not to have a few goals in that period. All the subs got a run - Patrick Conway, Kenny Murphy, Paul Lynch, Seamus Healy, Patrick Meehan

and Seamus Healy. Kenny and Paul really caught the eye when they came on and helped turn things in our favour. They were actually on the original team until we were informed that it was 13 aside.

## UNDER 16 HURLING

This championship is coming up soon and training begins on Friday evening at 7.00 pm. Manager Frankie North asks all players to attend for training.

## MINORS

Training continues on Sunday morning for all minors. The more seasoned ones, will of course be training with the adults on Tuesday, Thursday and Saturday.

## JUNIOR HURLING

We played our final league game, at home to Fourmilewater, on Sunday morning. Although missing a few regulars we ran out comfortable winners in this game, which really proved to be a mis-match. Nonetheless, it is two more points in the bag and assures us of a place in the league final. So well done to all the players who played during the league, especially those who toggled out when numbers were tight. One sour note from Sundays game was the serious facial injury received by Noel Quinn. Noel was removed to the Regional Hospital and as we go to press, we have no further information. On behalf of all in the club, I wish him a full and speedy recovery.

Our team on Sunday was: John Conway; Patrick Prendergast, Ml. Supple, Brian Lenane; Patk. Conway, Declan Prendergast, Richie Hennessy; Jny Hennessy and Cathal Hennessy; Pat Hallahan, Wayne Hennessy, Nicky Keating; Noel Quinn, Anthony Ahearne, Adrian O'Donnell.

## SENIOR FOOTBALL

With no league game this week all is quiet. Which makes us take stock. There were many sceptics and some critics of these leagues, when they were introduced a couple of years ago.

Back then every club was looking for 'challenges' all over the place. These leagues have been a tremendous success, and have definitely contributed to the overall improvement in football standards in the county. Each club has plenty of matches and more importantly, all concerned know well in advance, where and when the matches are fixed for. In the modern era, with players working, holidaying and studying at all kinds of times and places, it is important to be able to plan, and the leagues allow for that.

So well done to the Coisde Peil, and the divisional and county boards who devised and set-up these leagues and awarded fabulous prizes for the winners. Well done also to the respective board secretaries, who arrange the virtual maze of fixtures, venues and referees. This is a mammoth task and they deserve our thanks and utmost co-operation.

Attendance and commitment at training this week was very good, but there are still the few that were missing. Now that all exams etc are out of the way, we look forward to 100% turnout, from now on. When it comes to winning or losing a championship, there may be only one point in it. The purpose of attending every training session is that each player will have done his utmost to produce his very best on the day. If you miss training sessions, it may well be said, that you could have done more for your team. Now is the time to do more. Training for all now on Tuesdays, Thursdays and Saturdays.

No excuses! It's championship time. Incidentally, we are playing Kilrossanty in the Phelan Cup, this weekend. I have no further details at the moment.

## DEISE DRAW

The second draw is on Friday week, so promoters please get your money and tickets into Eileen. And remember, that there is still 11 months left in this draw, if anybody wants to join.

## WEEKLY LOTTO

Our draw last week was held at Kieley's Cross Bar and the numbers drawn were 2, 18, 19. There was no winner. The following were the £10 winners: Ian McCarthy; Terry Rust; Helen Lenane; Mairead Supple; Rachel Cronin. This weeks draw was held at The Cliff Hotel.

## ANOTHER RESTAURANTEUR

Best of luck, in her new venture, to Michelle Beresford (Moloney), who has taken over The Beachcombers Restaurant. Michelle has of course, tremendous experience of the trade, from her time on board The Askard training yacht and also from her time at Ahearnes Restaurant. I can tell you she has put it to good use, because I have sampled the fare, and it's as good as you'll get anywhere.

## ARDMORE'S QUALITY

Recently, I wrote of the simple, rural beauty that is Ardmore. Mention of Michelle's restaurant reminds me of another wonderful feature that Ardmore has - respect for our senior citizens. We have many such wonderful ladies and gentlemen, most of whom are hail and hearty, in our midst. It's nice to see them chatting with and being respected by all of those who are much younger. And rightly so. It is they who made Ardmore the beauty that it is. Still nicer to see the way many of them are treated by the business people in Ardmore. You will often see them being driven home from the shops or their messages being sent to them. You will often see their meals being brought to their houses by some of the restaurateurs and you will often see them being collected for lunch or tea and brought home afterwards. This is being done every day, quietly, by people who are very busy, but who have their feet on the ground. Well done. You deserve all the success you are having.

## COISDE PEIL NOTES

# Garvey's Super Valu County Football Leagues

## Division 1

Following last week's series of results the picture is now clear as to who will contest this year's final. After a titanic struggle Stradbally emerged from the chasing pack to finish runner up to Rathgormack A with both Ballinacourty and last year's winners the Nire in hot pursuit. Stradbally could only manage a draw with Tramore, but just edged out Kilrossanty in a local derby and lost to Rathgormack B and the Nire to just finish ahead of the rest. Both the Nire and Ballinacourty finished well also but will rue mid season slip ups and they also drew their opening game. Gaultier had a fine league campaign and in spite of losing their senior status last year they remain in division 1 and can feel well pleased with their displays. Both St. Saviour's and Kilrossanty were also very much in contention and must still meet in one final game. Both are safe from relegation and neither can catch the leaders. Tramore and Rathgormack B will return to Division 2 next season but both gave very good displays in many of their games.

### LEAGUE TABLE DIVISION 1

	Pld	W	D	L	Pts
Rathgormack A	8	6	0	2	12
Stradbally	8	5	1	2	11

St. Saviour's	7	3	1	3	7
Kilrossanty	7	3	0	4	6
*Tramore	8	1	2	5	4
*Rathgormack B	8	2	0	6	4

Final Rathgormack A v Stradbally, date to be confirmed.

\* Relegated.

## DIVISION 2

Division 2 has also been completed and here again we had a race for the runner up spot with Kilmacthomas just pipping Ardmore for a place in the final. Ardmore will rue being unable to field against Kill as well as the penalty award which cost them victory against An Rinn. Dungarvan are of course outright winners going unbeaten through their campaign and will be favourites for the final.

Kill remained in contention but did benefit from two walk overs. Clashmore had a mixed campaign but will be happy to finish mid table. Brickey's got off to a good start but faded in the latter as will An Rinn who benefited from Ardmore's misfortune. Butlerstown battled hard to stay up and narrow defeats in a number of their matches cost them at the finish and they will go to Division 3 next season along with Sliabh gCua who

found the going very tough this season. They remained point-less but will I am sure regroup for next year.

### LEAGUE TABLE DIVISION 2

	Pld	W	D	L	Pts
Dungarvan	8	8	0	0	16
Kilmacthomas	8	6	0	2	12
Ardmore	8	5	1	2	11
Kill	8	4	1	3	9
Clashmore	8	3	1	5	7
Brickey's	8	3	1	5	7
An Rinn	8	2	2	4	6
*Butlerstown	8	2	0	6	4
*Sliabh gCua	8	0	0	8	0

Final and promoted to Div. 1 Dungarvan v Kilmacthomas.

Date to be confirmed. \* Relegated

## DIVISION 3

Division 3 is proving to be ultra competitive at both top and bottom with the only certain thing that Affane are relegated. There are a number of crucial fixtures to be decided and depending on results we could have play offs for both promotion and relegation. At the moment Kilrossanty B are certain of a play off spot at least and their visit to De La Salle will be crucial. The city side have an outside chance of making it but they must win themselves and hope that neither the Geraldine's or Dunhill achieve better than a draw in their games. If Kilrossanty win or draw they are straight into the final.

Dunhill face Newtown who lie third from bottom and as these sides face each other in the Eastern Intermediate championship they are putting the points up for grabs in a winner takes all situation. A win for Dunhill would give them a play off spot at least and if Geraldine's lose it could put them into the final. A win for Newtown would ease relegation worries while a draw would keep both in the championship but would not benefit either in the league. We feel that Dunhill might just shade the verdict and grab a play off spot with the Geraldine's who are at home to Ballyduff Upper on this Thursday night.

If Ballyduff want to avoid relegation they must get something from their remaining two games with their final match with Newtown of vital importance. We feel that Geraldine's will win at home and that Ballyduff may face a play off with Newtown to decide the relegation issue by winning at Newtown. If they lose both games they join Affane in the divisional board leagues next season. As can be seen from the accompanying league table that every club have something at stake and if one has to make a prediction (prior to the games taking place) then one feels that Kilrossanty will win a De La Salle to top the group and that both Dunhill and Geraldine's will win and meet for the second final spot next weekend. At the other end if the above

happens Newtown will fancy their chances of staying up by beating Ballyduff in their final game.

### LEAGUE TABLE DIVISION 3 ON FRIDAY 16TH JUNE

	Pld	W	D	L	Pts
Kilrossanty B	7	6	0	1	12
Geraldine's	7	5	0	2	10
Dunhill	7	5	0	2	10
De La Salle	7	4	1	2	9
Bonmahon	8	4	1	3	9
Shamrock's	8	3	0	5	6
Newtown	6	2	0	4	4
Ballyduff	6	1	0	5	2
Affane	8	1	0	7	2

Our sponsors Garvey's Supervalu will now be looking forward to three excellent finals and County Board must ensure that proper publicity and consultation takes place with the sponsor and indeed the 6 clubs who will be taking part. There will be first time winners in both division 2 and 3, and indeed if Stradbally win div. 1 they will be first timers also. With County Board commencing the championships in the middle of the leagues it has caused some problems which will need to be addressed for next season.

Next week we will preview the finalists and hopefully the County Board fixtures committee will have the final dates available in time for a proper preview. With the loser group football games scheduled it would make sense to arrange the finals in Div. 1 and 2 as curtain raisers or possibly switch the games. There must not be a clash with the Munster Hurling Final and I am sure clubs will want the games played so as not to interfere with their championship preparations.

It is up to the clubs to make their feelings known and indeed our sponsor Garvey's Supervalu must also be party to the arrangements as it is ultimately the "Piper who plays the Tune" and Garvey's sponsorship which goes directly to the clubs must be respected.

Finally our best wishes go to the County U-21 hurlers and the County U-14 footballers who have important fixtures coming up. As these notes are penned the U-14's will be in action and on Wednesday (today) the U-21 hurlers will face Tipperary in Thurles. We wish both teams and their mentors the very best of luck.

In the coming weeks we will also look at the upcoming National Football League and the chance it brings for Waterford Football to get some quality games, as the opposition to look forward to are Down, Kildare, Wexford, Monaghan, Longford, Tipperary, Carlow. — PRO Declan Barron.

## JUVENILE CLUB

**U-9 Hurling Tournament** — On Saturday June 10th we travelled to Aghlish for St. Oliver's U-9 Hurling Tournament. The weather progressed from being very cold to very wet but our twelve boys unlike their parents didn't seem to be too put out by the weather conditions. We played four games against Dungarvan, Cappoquin, Naomh Brid and

St. Oliver's. We had two great wins over Naomh Brid and St. Oliver's beating Naomh Brid by 1-1 to no score and beating St. Oliver's by 2-2 to no score. This qualified us to play in the final for the plate against Abbeyside. The excitement in this game was such that the parents forgot about the poor weather conditions and at half time neither team had scored. In the second half Abbeyside scored an early goal. Most of the play was around the Abbeyside goal for the remainder of the game but no matter how hard the Brickey's tried they couldn't get the ball over the line. Well done boys for playing well in all five games.

**Panel of players;** James Murphy, Tony Hansberry, Kevin Cummins, J. D. Cummins, Aidan Walsh, Craig O'Connor, Philip Walsh, John Morrissey, George Cummins, Colm Hayes, Diarmuid Tobin, Christopher Murphy.

**U-8 Hurling Tournament** — Our U-8 Hurling tournament will be held in Bushy Park on Saturday July 1st. Further details later.

**U-12 Hurling Championship** — We played our first game in this championship on Sunday last against Tallow. Despite the extreme heat both teams played hard throughout the game. At half time we

were down by one goal. The boys having re-hydrated themselves, did their best in the second half but were unable to get the better of Tallow. The final score; Tallow 3-3 Brickey's 1-1.

**Panel of players;** David Curran, Dara Shalloe, Kieran Gee, Philip Walsh, Ciaran Lane, Shane Kearney, Mark Cummins, Cian Kearney, Liam Hansberry, Colin McGrath, Trevor Whelan, Gavin Flynn, Conor Nugent, Philip Spratt, Aidan Walsh and Stephen McCarthy.

## BRICKEY RANGERS LADIES FOOTBALL

**Meeting** — An urgent team meeting has been called by our trainer for next Thursday night June 22nd at Bushy Park at 7 pm. It is in the interest of every player to turn up on this occasion and hear what our trainer has to say. We know because of exams that a lot of our players were unable to turn up for training up to now, so please make the effort for this Thursday night as the leagues will be kicking off soon.

**Under Age Training** — This training continues every Tuesday evening in Bushy Park at 7 pm. So keep up the effort girls.

**Under 16 Co. Championship** — Our County team have their first outing against Tipperary next Wednesday evening June 28th. We way good luck to Karen Kelly and Aoife Murphy who are our representatives on the team and to the trainer, - our own Mr. Johnny Kirwan.

The people behind the 'Primary Game'. This picture taken in Páirc Uí Rinn, Cork some weeks ago shows some players and the selectors of the Waterford Primary team who played Tipp before the Senior game. L to r; Bro. Martin, De La Salle, Leonie O'Brien, Convent Primary School, Cappoquin, Mgt Cunningham, Villierstown N.S. and Larry Gough, Cnoc Sion CBS. These people worked hard organising trials and coaching sessions on many evenings prior to the game which meant travelling to venues around the county often not getting home till late in the evening. Without volunteers like these the Primary Game would never take place.

## YOUNG HURLERS SEEN LAST WEEK

### Portlaw N.S. Denis Fitzpatrick 11 Yrs Old

— Denis lives in Brown St. and he is a very skilful hurler, strikes well from both sides. Plays centre back on school U-11 team who were due to play Ballygunner N.S. last Thursday at Cleaboy.

### Ballyduff N.S. David Walsh 8 Yrs Old 1st Class

— David is making great strides at the basic skills of hurling. He looks very natural with a hurley in his hands. His dad Michael and uncles were outstanding players with the "Reds" and Waterford. If this lad keeps at it he could be a future star. Says his favourite hurler is Ken McGrath. This school won the Western Schools title and on last Thursday in Walsh Park they had a big win over a highly rated Ballygunner N.S. team.

## SCHOOLS HURLING FINALS AT WALSH PARK THURSDAY 15TH JUNE

Ballyduff N.S. and Scoil Bothar na Naomh made the long journey to Waterford and had mixed luck. In the opener the boys from the

far-west showed some marvellous touches allied to the traditional Ballyduff spirit to score an easy win over Ballygunner. Adrian Power, Seamus Kenneally, Tomas Byrne, Shane Hannon, Patrick Kearney and Shane Kearney starred on a grand hurling team who scored 4 goals and 13 pts here. Lismore girls put up a gallant battle against Mercy Convent Waterford with Kate Heneghan, Deirdre Walsh and Tanya Morrissey starring. The A final had some brilliant hurling in it. St. Paul's, Waterford had too many big guns for Lismore in a very good game. One of the main talking points after the games was the length of the grass. Maybe we are spoiled in Fraher Field.

## SUMMER CAMPS

**Summer Camps Begin Next Week Wed. June 28th Clashmore Monday July 3rd Dungarvan, Wed. July 5th Abbeyside**

## Na Deise Ladies Football Notes

Na Deise Ladies Football club would like to thank everyone who supported the sponsored cycle on Sunday last, 18th June. It was a great success. A special thanks to all those who cycled from Modeligo to Touraneena and to the "Modeligo Wheelers Club" who guided the way.

Before the return journey, thanks to Davy Dunford for the shop facilities. Thanks to all who gave spot prizes, both in money and gifts.

The lucky line winners were: £10, Deise Deli; £10, Tim Brien Butcher; £10, Terry Burke, Touraneena. Spot prize winners were: Deirdre Hennessy (toaster); Bernie Troy (bottle of whiskey); Eleanor Dalton (bottle Baileys); Mike Walsh (bottle wine); Johnny Buckley (pottery).

Finally, thanks to Deckie Walsh for the facilities.

## Cappoquin Camogie Club News

The curtain came down on our Under 12 campaign on Sunday last, June 18th. Playing at home, we took on table toppers Ardkeen, the camogie section of Mount Sion. What a performance our girls gave, easily the best of the season to date.

Every ball was fought for with determination and the improvement in their skill levels since the opening of the league was quite remarkable. Our much more experienced opponents certainly knew they had a match on their hands from the outset and after a tense first half the sides went off level at half

time. Facing into the wind after the resumption we continued to play our hearts out.

However, in the middle of the second half the city outfit managed to pull two goals clear and maintained that advantage until the final whistle.

Thus, Ardkeen go on to the knockout stages and Cappoquin are left to look forward with real hope to next season, as the vast majority of our players are under age again.

One local was heard to comment after this game that it was the best competitive display by a local team in either

hurling or camogie against Ardkeen/Mt. Sion in nearly 20 years.

On the day, it is fair to say that Yvette Hickey (who picked up a nasty injury), Katie and Grace Duggan and Fiona Tobin were our best players. However, everyone of the 17 who played is to be congratulated on a great performance.

While the Under 12 competition is now over, we hope still to have a few games at Under 13/14 level later in the summer and perhaps a blitz or two, though there are no specific details to hand on these yet.

G.A.A. NOTES

# County Board Meeting

Paddy Joe Ryan, chairman, presided at the June meeting of the senior board at Lawlor's Hotel on Monday night of last week.

## GERALD McCARTHY

As was expected, the appointment or reappointment of the senior hurling team manager was high on the agenda and was very well debated without a final decision having been taken.

The discussion began after the letter of resignation from Gerald was read. This was a normal follow up to the end of his second two-year term and in his letter he was profuse in his thanks to the many people who had assisted him in many ways during his 4 years in charge here. He wrote about the progress made and expressed regret that championship or league had not been won during that period. He was at pains to express his thanks to the players and his admiration for the commitment given by them at all times. He expressed the hope that the overdue success for Waterford hurling would come very soon.

Several delegates hastened to lavish praise on the retiring trainer and the many tributes recalled the improvement brought about by him in his 4 years at the helm. There were proposals for his retention for a further term.

There were other opinions expressed also and a number of speakers felt that he had done all that was possible for him to do with the talent available. Some felt that the board should respect his wish to retire, etc.

Following a 60 minute discussion it was agreed to allow the board officers the opportunity of examining the matter of the appointment of a senior hurling coach/trainer, taking on board the views expressed by delegates at the meeting. It is expected that proposals will be put to the July meeting of the county board, as no monthly meetings take place during August.

## SMALL ATTENDANCE

Less than half of the clubs were represented at the meeting and this is not a satisfactory situation when important decisions have to be taken. We are one of the few counties in which junior and intermediate clubs have the right to attend county board meetings and it seems a pity that

clubs do not avail of the privilege.

## TICKETS

The issue of tickets by the Munster Council for all the big games was discussed and several delegates were critical both of the quantity and quality of those being supplied to non-participating counties such as Waterford. Members of the board felt that there is a need to have the whole matter examined at Munster Council level and the county board representatives were asked to raise the matter there.

## COUNTY BOARD FINED

A fine of £1,200 was imposed on the board by the Munster Council for breaches of the Games Regulations in the Munster senior hurling championship against Tipperary and the league semi-final against Galway. The particular regulation which was broken was the one relating to members of the team party moving out of the dug-out during the games.

Delegates were outraged and angry and highly critical of the system. It was felt that the top brass have gone overboard to the point of being silly with these regulations and one delegate made the point that the GAA are trying to 'ape' soccer which is professional. It was also pointed out that some of our substitutes had to move out of the dug out because the TV cameras were in the way.

It was also pointed out that it was not necessary for so many Waterford officials to be active outside the dug-out.

It was agreed that the county appeal the fine. Tipperary, Galway and Limerick were also heavily fined.

## DEVELOPMENT

The county chairman referred to the development plans which were outlined to the April meeting of the board and said he was now reporting that satisfactory progress was being made in the negotiations. The plans relate to the Curran's Boreen site and the Walsh Park improvements. He said a full report will be available in the near future.

## TALLOW PROPOSALS

A letter submitted by Tallow Club Secretary, Sean Sheehan referred to the many anomalies

lies in the championships and the problems for clubs in trying to fit in fixtures at unsuitable times.

The letter proposed that a select committee of seven to ten members (with the three board secretaries) be appointed to sit over a few months to examine the whole matter of the playing of the championships, etc. Speaking in support of the idea, Liam Moroney pointed out that his club had no problem with the manner in which the championships are structured but that there are aspects of the running of the championships and leagues that need adjustment and such a committee, having examined the matter, could come back to the board and make submissions/proposals, etc.

Basically, what they have in mind is the timing of the championships and leagues. They feel that the senior championships should not commence until July. Championships for second string teams should be a separate competition and played to a finish. The matter of regradings should be closely examined and the leagues should be scheduled for weekends, etc.

Speaking to me subsequently, Liam listed the problems about fielding teams and having to travel out on Tuesday evenings when many players are not available. He listed the number of Sunday evenings that had gone by without a single game being played. He pointed out that other clubs had all the same problems and he was at pains to point out that this was not a criticism of the fixtures committees or of any of the boards. It was, he said, an effort to do a tidying up operation on our competitions.

The chairman stated that the proposals would be put on the agenda for the October meeting of the county board and this would give everyone plenty of time before the championships 2001 are organised.

## PROPERTY INSURANCE INCREASE

To say that there was anger at the announcement that the Association's Property Insurance premiums were going to have an immediate increase of up to 100%, would be stating the case very mildly. Describing this as an outrage and a disgrace, several dele-

gates stated that they were able to obtain cover from commercial companies at a much lower cost. The proposed increase was criticised all round. It was however, pointed out that the reason for the increase was because of massive claims due to fires, storm damages, etc and since this scheme was introduced less than two years ago. The total being paid by councils and units of the association per year is £800 and the claims run into millions.

According to a spokesman for the GAA Insurance Work group, the present value of the property is approximately one and a half billion pounds. Correspondence will issue from Croke Park giving guidelines as to how the matter should be dealt with and making sure that clubs with social centres pay premiums appropriate to the value of their properties.

## PLAYER PERSONNEL INSURANCE

Delegates were informed that our membership of the scheme is the lowest in Munster as only 48 players from Waterford have joined and in the Youth section only one Waterford player has joined.

The chairmen urged all clubs to familiarise themselves with details of the scheme and inform players of the many benefits. Several delegates noted what they perceived to be drawbacks in the scheme because of the wait for a first payment.

## OTHER ITEMS

The recent Golf classic at the West Waterford course was another big success. 75 teams participated but only half the clubs entered teams. Those who did not enter were asked to make a subvention.

The 2nd Deise Development monthly draw, which began since the previous meeting, has attracted approximately 12,000 and is deemed a big success.

The detailed Coisde na Peil report was read and referred to Coisde Gnotha for consideration of the suggestions contained therein.

Clubs were informed that the allocation of stand tickets for both All Ireland finals will be the same as for 1999, because the Croke Park development is behind schedule.

## SYMPATHY

At the conclusion of business the chairman on behalf of the members paid tribute to the late Maura Grant and Michael Beecher and sympathy was extended to their families.

# Hurling League Semi-Finals At Fraher Field

Both hurling semi-finals are scheduled for Fraher Field on Sunday next and patrons will welcome the return of some 'live action' in the county after all the high profile stuff of the last few months at intercounty level.

Even though the fare here on Sunday is unlikely to have the cut and thrust of championship contests, the games nevertheless will be of a good standard and will be sufficiently exciting to entertain those who are prepared to spend the afternoon at the ground. There are no Munster matches listed.

## BALLYGUNNER V. STRADBALLY

Stradbally are being seen as something of a rising force in hurling and having run the champions, Ballygunner to just three points in the county championship last year, their many splendid displays in this year's league have further enhanced their growing reputation.

In the championship first round this year they gave another very good display when losing to Mount Sion (3-15 to 1-12) when Mount Sion had their full panel of players available.

The western side have a splendid group of young players, many of whom have had a run in the county jersey.

Ger Power, Oliver and Trevor Costello, Stephen Cunningham, Nial Curran, Trevor Curran, John Ahearne, Kevin Coffey, Michael Walsh, Liam O'Brien, goal, John Coffey, Tom Walsh, D. Power and company may be the outsiders against the reigning county champions, but the eastern team will certainly know that they have been in a game after the final whistle blows.

The 'Gunners will go all out to win this and qualify for the final. They are expected to be at full strength with Paul Flynn, Fergal Hartley, Stephen Frampton, Billy and Daragh O'Sullivan, Ray Whitty, goal, Tom Fives, Paul Foley, Sean Lyons, Paul Power, etc., and must be given the vote to advance.

## LISMORE V. DE LA SALLE

This is listed as the feature game on the programme and I expect it to be a cracker of a game. Both teams came through the first round of the current senior championships with flying colours, De La Salle having crushed the Roanmore challenge and Lismore beating off the challenge of neighbours, Tallow in a local derby game.

With several top displays in the past twelve months, De La Salle are quickly winning their way into the top group of senior hurling clubs in the county. Lismore, who are already in the top bracket, will need to start winning something by way of a high profile competition, if not the championship, soon. Otherwise they will fade out of the limelight.

Lismore have Brendan Landers who should be a tremendous asset, even though goalkeepers who play brilliantly at intercounty level, very often see themselves getting caught at club level. James O'Connor, Kieran O'Gorman, Dave Barry, Michael O'Sullivan, Billy Cunningham, David Howard, Paul Prendergast, Dan Shanahan, Dave and Eoin Bennett, Sean Daly, Barney and Seamus Prendergast, etc.

Stephen Brennar, who is the reserve county goalkeeper and is noted for his long delivery, played a splendid role in the recent heavy defeat of Roanmore in the championship and it will be interesting to see how well he will perform against this highly rated Lismore attack.

The city team will include several players who have also worn the county colours, like Owen Dunphy, Noel Dalton, Johnnie Brennar, Fergal O'Brien, Alan Kelly, Derek McGrath, Brian Power, John Mullane, John Walsh, etc.

It should be a splendid game of hurling with Lismore the likely winners and should both Lismore and Ballygunner survive here, we will have great league final at Fraher Field in a week or two.

**U21/H. Tipperary Are hot Favourites To Beat Waterford At Thurles This Evening**

But being rank outsiders will not deter our supporters from travelling in big numbers to Semple Stadium this evening for what may be our final hurling championship match until February of next year. Such an introduction may sound rather ominous, but there is no point in hiding the fact that the odds here are stacked against us

Tipperary are on a roll at the present time and will field a very strong team which includes several of the players who were on the winning team against Waterford last year and who subsequently went on to defeat Clare in the very controversial Munster final. Several of their side also have played senior hurling this season against us and Clare, and will be fighting to retain their places for the Munster final at both senior and under 21 level. Last year at Walsh Park, Tipperary, having hammered Kerry in the first round, de-

feated Waterford by 4-11 to 2-15 and then before a record crowd in excess of 17,000 they beat Clare by 1-18 to 1-15.

Of that team Tipperary still have goalkeeper Damien Young (who is sub goalkeeper on their senior side), Philip Maher (who is their senior full back), Donnca Fahy, Paul Kelly and Eoin Kelly who were among their underage stars a couple of years ago, Paddy O'Brien, Willie Maher, both senior panelists, Gary Coppinger, Donal Shelly, T. J. Maher, Dermot Gleeson, etc. etc., all of whom will be performing with an eye on the future.

Playing before a huge crowd of Tipperary supporters on home ground is sure to bring out the very best in them.

In last year's semi-final match against Tipperary, Waterford were 11 points in arrears at one stage and looked like being routed when a

mighty rally rattled and almost caught Tipperary in the end. That was a very strong Waterford side who had been forced to field without James Murray (abroad) and Brian Wall (ill).

Of our 1999 team, only Victor O'Shea, Pat Fitzgerald, John Donovan, Seamus Prendergast and Eoin Kelly remain.

To build a team for this championship, the selectors scoured the county for months and have had east/west and county trials. Also they have played in tournament and challenges against Mount Sion (twice), Ballygunner and St

Catherine's. They have also played Wexford twice, Kilkenny and Clare. Because of our senior intercounty involvement, some of the under 21 panelists were not available until a few weeks ago.

Now with the team selected and published there must be some fitness worries over James Murray who recently sustained a broken finger in a club game and one or two others about whom the selectors will be keeping their fingers crossed.

All the members of the panel have some intercounty underage experience and are not

going to be overawed by the reputations of their opposite numbers. So, as on many occasions before, we will keep hoping for the unexpected. Whatever the outcome, it should be one splendid game of hurling and from our point of view the game must show up some of our stars of the future. And it may be an opportunity to see who might be the successful candidates to fill vacancies on the senior team.

Looking at the line-up of substitutes, many of them must have been border line cases for inclusion on the first fifteen and we could yet see

any five of them introduced during the match.

Subs — Donal O'Rourke, Cappoquin; Andrew Kirwan, Portlaw; David O'Brien, Tallow; Stephen Barron, Clashmore; Paul Hammond, Mount Sion; Colin Kehoe, Ballygunner. Keith O'Connor, Mount Sion; Sean Slattery, Taliow; Edmond Beresford, Clashmore; Kevin Coffey, Stradbally; David O'Gorman, Lismore.

**WLR BROADCAST**
